What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The franchise agreement and development agreement require you to resolve disputes with the franchisor by litigation only in the then-current city of the franchisor's principal business office, which is currently Atlanta, Georgia. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to litigate with the franchisor in a state other than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (1) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(2) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(3) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(4) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we”, “our” or “us” means Arby’s Franchisor, LLC, the franchisor. “You” means the person or entity that acquires the franchise. If you are a corporation, limited liability company or other entity, then we may require your principals to sign the Guaranty and Assumption of Obligations attached to the Franchise Agreement (Exhibit D), which means that all of the provisions of the Franchise Agreement also will apply to them.

We are a limited liability company organized in Delaware on July 2, 2015. We do business under the brand name “Arby’s”. We have offered franchises for Arby’s Restaurants (defined below) since November 2015. As of December 31, 2023, there were 3,413 Arby’s restaurants operating in the United States (2,316 franchised and 1,097 company-owned), and 200 franchised Arby’s restaurants operating internationally and in Puerto Rico.

We have never operated an Arby’s Restaurant or offered franchises in any other line of business. We have no other business activities except those described here. Our principal business address is Three Glenlake Parkway NE, Atlanta, Georgia 30328. If we have an agent for service of process in your state, we disclose that agent in Exhibit H.

The Arby’s Restaurant Franchise Opportunity

We grant franchises for, and some of our affiliates operate, restaurants featuring our deli-inspired sandwiches and related items that operate under our trademarks, service marks and tradenames (the “Trademarks”) and our system, all of which may change periodically (“Arby’s Restaurants”). The Arby’s brand purpose is Inspiring Smiles Through Delicious Experiences[®]. Arby’s delivers on its purpose by celebrating the art of Meatcraft[®] through a long history of menu innovation and quality products. In addition to its signature roast beef, the Arby’s Restaurant menu contains a variety of high-quality proteins including turkey, chicken, steak, bacon, ham, brisket, and corned beef that are crafted into innovative deli-inspired delicious sandwiches. Arby’s Restaurants also offer a number of craveable sides such as curly fries, shakes, turnovers, and other add-ons. Based on the vision of “deli-inspired delicious,” in 2014, Arby’s introduced new restaurant designs and layouts to both increase operational efficiencies and enhance the overall guest experience. Arby’s Restaurants also may offer breakfast items as an option from our approved menu. Arby’s Restaurants feature a distinctive style of limited service restaurant (“LSR”) that features Fast Crafted[®] service, a unique blend of quick service speed and value combined with the quality and made-for-you care of fast casual. We call the Arby’s Restaurant that you will operate under the Franchise Agreement your “Restaurant.”

This disclosure document contains information regarding the following 2 types of Arby’s Restaurants: (1) traditional full-menu, limited service Arby’s Restaurants, which could be in free-standing locations, convenience stores, travel plazas, truck stops, travel plaza/convenience store combos, end cap and inline locations, and malls (“Traditional Restaurants”), the vast majority of which include a drive-thru window; and (2) limited menu, limited size and reduced service restaurants intended to meet consumer demand in locations that may not support a full menu and/or full size restaurant (“Non-Traditional Restaurants”). A Non-Traditional Restaurant generally occupies a smaller retail space, offers no or very limited seating and may cater to a captive audience, may have a limited menu and may possibly feature reduced services, labor, storage and different hours of operation. Non-Traditional Restaurant locations include airports, military bases, hospitals, service plazas, stadiums, theme/amusement parks and arenas which have no seating or shared seating, casinos, colleges, universities, and other institutional facilities which have common area seating.

Before signing the Franchise Agreement, you must sign a Development Agreement (Exhibit C). If you will open only one Arby's Restaurant, the Development Agreement covers the process for your constructing the Restaurant and the training we provide. If you will open multiple Arby's Restaurants, then the Development Agreement will specify the number of Arby's Restaurants you will develop over a specified period (the "Development Schedule") and the territory within which you will develop them (the "Territory"). You will sign our then current form of Franchise Agreement for each Arby's Restaurant you develop in the Territory, which currently is the form of Franchise Agreement in this disclosure document but could in the future differ from that form. However, if you fully comply with the Development Agreement, each Franchise Agreement that the Development Agreement covers will reflect the royalty and franchise fee specified in the Development Agreement.

Multi-Brand Locations

We have an arrangement with Buffalo Wild Wings International, Inc., Dunkin' Donuts Franchising LLC, Baskin-Robbins Franchising LLC, Jimmy John's Franchisor SPV, LLC, and Sonic Franchising LLC (each an "Other Franchisor") whereby we, together with the applicable Other Franchisor(s), may offer certain qualified prospects the right to develop and operate an Arby's Restaurant at the same location as, and in combination with, a Buffalo Wild Wings® sports bar, BWW-GO® restaurant, Dunkin'® restaurant, Baskin-Robbins® restaurant, Jimmy John's® restaurant, and/or Sonic® restaurant (collectively, the "Other Restaurants" and together with an Arby's Restaurant, the "Multi-Brand Location").

We expect Multi-Brand Locations to contain an Arby's Restaurant and one or more Other Restaurants. The Multi-Brand Location will offer and sell a range of products authorized to be sold under Arby's Restaurant system and Trademarks, and the franchise system and trademarks of the Other Franchisor(s). The Arby's Restaurant and Other Restaurant(s) operating from the Multi-Brand Location may require separate point of sale systems, employees, uniforms, branding, and more for each restaurant.

To operate an Arby's Restaurant at a Multi-Brand Location, you (and/or your affiliate) must (i) enter into a Franchise Agreement and the Multi-Brand Addendum attached to this disclosure document as Exhibit D-3 (the "Multi-Brand Addendum" or "MBA") with us for the operation of an Arby's Restaurant, and (ii) enter into a franchise and multi-brand addendum for the applicable Other Restaurant(s) with each applicable Other Franchisor for the operation of the Other Restaurant (collectively, each an "Other Franchise Agreement"). We will not grant you the right to operate an Arby's Restaurant at a Multi-Brand Location unless each applicable Other Franchisor grants you the right to operate the Other Restaurant and permits that Other Restaurant to be operated at a Multi-Brand Location. The terms each Other Franchisor's franchise offering, franchise agreement, and related agreements are disclosed in the Other Franchisor's franchise disclosure document, which you must obtain from that Other Franchisor.

Unless otherwise noted, the disclosures in this disclosure document apply to Arby's Restaurants that are operated at Multi-Brand Locations.

The Market and Competition

Arby's Restaurants serve a wide range of age groups throughout the general public in a variety of locations such as free-standing restaurants, end cap and inline locations, convenience stores, travel plazas, and malls. The restaurant business, and specifically the LSR segment (which includes quick service and fast casual restaurants), is intensely competitive and affected by many

factors, including changes in geographic competition, changes in the public's eating habits and preferences, local, regional and national economic conditions affecting consumer spending habits, population trends and local traffic patterns. Key elements of competition in the LSR industry are the price, quality and value of food products offered, quality and speed of service, advertising effectiveness, brand name awareness, media spending levels, restaurant location and convenience, and attractiveness of facilities.

Arby's Restaurants are primarily in competition with major national and regional restaurant chains, some of which dominate the LSR industry, and also with a variety of other take-out foodservice companies and fast-food restaurants. Competitors also include a variety of mid-price, full-service casual-dining restaurants, health and nutrition-oriented restaurants, delicatessens and prepared food restaurants, supermarkets and convenience stores. In addition, you may compete with institutional food service operations located in or near existing or new medical facilities, government or U.S. military facilities, universities, colleges, schools, hospitals, airports, truck stops, stadiums, factories or other workplaces, and other locales. In some markets you may also encounter competition from Arby's Restaurants that we, our affiliates and/or other franchisees own and operate. You may also compete with new and existing dual-brand and standalone concepts that we or our affiliates may develop or currently operate.

Laws, Rules, and Regulations

You must comply with all federal, state, and local regulations and guidelines governing the foodservice industry. The Food and Drug Administration, the United States Department of Agriculture, and food-industry organizations, including the National Restaurant Association, have established rules affecting the restaurant business. In addition, you must comply with federal, state, county, and local health and consumer protection laws and regulations concerning food preparation, baking, handling, and storage; laws, ordinances, rules, and regulations concerning "Truth in Menu" (regarding menu item names and product labeling), food and menu labeling in restaurants, nutritional claims, and allergen information; laws, ordinances, rules and regulations concerning marketing practices, including the Telephone Consumer Protection Act, CAN-SPAM Act, the Telemarketing Sales Rule; and laws and regulations concerning access to your Arby's Restaurant by persons with disabilities, such as the federal Americans with Disabilities Act which requires readily accessible accommodations for disabled people, along with requirements and standards for building construction, site elements, entrance ramps, doors, seating, bathrooms, drinking facilities, real estate permits and licenses, and operational licenses, etc. Other applicable laws include federal, state, and local labor regulations, including those regulating "no smoking" areas, equal employment opportunities, occupational safety and health, employment, minimum age, minimum wages, hours of employment, sexual harassment, the Affordable Care Act regarding providing medical insurance for your employees, and so forth; local zoning rules that may limit where you can locate an Arby's Restaurant and may affect design features, including the building facade and signs; and federal, state, and local environmental laws that may affect the disposal of waste materials and the packaging you use. It is your responsibility to investigate and comply with all laws, ordinances, rules, and regulations that may affect your Arby's Restaurant operations, and to investigate the need for obtaining and maintaining all licenses and permits necessary for your Arby's Restaurant to open and operate. Consult your lawyer about all these laws, rules, ordinances, regulations, and licensing requirements.

As part of the Securitization Transaction, ARG signed a management agreement with us to provide the required support and services to Arby's franchisees under their franchise agreements. ARG also acts as our franchise sales agent. We pay management fees to ARG for these services. However, as the franchisor, we are responsible and accountable to you to make sure that all services we promise to perform under your Franchise Agreement or other agreement you sign with us are performed in compliance with the applicable agreement, regardless of who performs these services on our behalf.

3. LITIGATION

Joseph Alongis v. Arby's Restaurant Group, Inc. (United States District Court, Eastern District of New York, Case No. 23-cv-6593, filed September 5, 2023). Plaintiff, Joseph Alongis ("Plaintiff"), filed a putative class action against ARG alleging that ARG misrepresents the quantity and quality of meat in an Arby's sandwich in the photographs it uses in advertisements of certain products. In the amended complaint, Plaintiff alleges ARG violated the New York Deceptive Acts and Practices Act and seek class certification, equitable relief, unspecified damages, attorneys' fees, expenses and recoverable costs, and other relief the court deems just and proper. On February 13, 2024, ARG filed a motion to dismiss Plaintiff's claims. ARG denies all liability in this matter and intends to defend itself vigorously.

Jason Jaghori v. Arby's Restaurant Group, Inc. and Inspire Brands, Inc. (United States District Court, Southern District of New York, Case No. 1:22-cv-05806, filed July 7, 2022). Plaintiff, Jason Jaghori ("Plaintiff"), filed a Class Action Complaint alleging Defendants, Arby's Restaurant Group, Inc. and Inspire Brands, Inc. ("Defendants") engaged in "false and deceptive practices in the marketing and sale of Arby's Bacon Ranch Wagyu Steakhouse Burger and Deluxe Wagyu Steakhouse Burger" because the beef used in those products was not entirely wagyu beef. Plaintiff sought to represent a nationwide class and a New York class and asserted claims for: (1) violation of New York General Business Law § 349 (New York class); (2) violation of New York General Business Law § 350 (New York class); (3) unjust enrichment (nationwide class); and (4) common law fraud (New York class). On August 30, 2022, the parties entered into a Confidential Settlement Agreement and Release (the "Settlement Agreement"), which included an additional claimant, Sheila Jones ("Additional Claimant"), who was represented by the same attorney as

Plaintiff and threatened to file additional claims against Defendants under California law. In the Settlement Agreement, Defendants agreed to pay Plaintiff and Additional Claimant a total gross settlement amount of \$155,000 in exchange for a dismissal of the pending action and a release by Plaintiff and Additional Claimant. Defendants also agreed that, for any products sold under the name “wagyu,” Defendants shall include a disclaimer on all advertisements disclosing that the beef patty is a blend of wagyu and ground beef. The disclaimer provision in the Settlement Agreement does not obligate Defendants to take any action with respect to third parties, including, but not limited to, food ordering and delivery applications. Plaintiff dismissed the action on September 1, 2022.

Jacqueline Weiss and Joseph Weiss, individually and on behalf of all others similarly situated v. Arby’s Restaurant Group, Inc. (United States District Court, Northern District of Georgia, Atlanta Division, Case No. 1:17-cv-1035-AT, filed March 22, 2017).

Ashley Russell, individually and on behalf of all others similarly situated v. Arby’s Restaurant Group, Inc. (United States District Court, Northern District of Georgia, Atlanta Division, Case No. 1:17-cv-1529-AT, filed April 28, 2017).

The plaintiffs in the putative class actions in the Consolidated Consumer Case, consumers who allegedly visited an Arby’s restaurant that ARG or its subsidiaries own, filed this lawsuit against ARG, our predecessor. They alleged that ARG failed to secure and safeguard its customers’ credit and debit card numbers, other payment card data, and other personally-identifiable information collected at its company-owned restaurants between October 20, 2016 and January 12, 2017, which resulted in computer hackers’ unlawfully accessing that information. In the consolidated complaint, plaintiffs alleged claims for negligence, negligence per se, declaratory judgment, breach of implied-in-fact contract, unjust enrichment, and violations of the Georgia Fair Business Practices Act, Connecticut Unfair Trade Practices Act, Florida Deceptive and Unfair Trade Practices Act, and the Tennessee Consumer Protection Act and sought class certification, unspecified damages, equitable relief including injunctive relief, restitution, disgorgement, reasonable costs and attorneys’ fees. On March 6, 2018, the District Court denied ARG’s motion to dismiss certain claims and granted ARG’s motion to dismiss other claims but with leave to replead. On November 29, 2018, the Court preliminarily approved a class action settlement of the consumer claims (the “Consumer Settlement”). Under the Consumer Settlement, ARG agreed to pay approved consumer claims up to a \$2,000,000 cap, agreed to pay the costs associated with the administration of the Consumer Settlement, and agreed not to object to a request for attorneys’ fees up to a cap of \$980,000, a request for attorneys’ costs up to a cap of \$35,000, or a request for class representative service awards in the amount of \$23,000. On June 6, 2019, the Court granted final approval to the Consumer Settlement and dismissed the Consolidated Consumer Case with prejudice.

The plaintiffs in the putative class actions in the Consolidated Financial Institution Case, credit card issuers alleged that consumers used their cards at Arby's restaurants that ARG or its subsidiaries own, filed this lawsuit against ARG, our predecessor. The plaintiffs alleged that ARG failed to secure and safeguard its customers' credit and debit card numbers, other payment card data, and other personally-identifiable information collected at its company-owned restaurants, which resulted in computer hackers' unlawfully accessing that information. In the consolidated complaint, plaintiffs assert claims against ARG for negligence and negligence per se, based in part on the allegations that ARG's actions constituted unfair or deceptive trade practices in violation of the Federal Trade Commission Act. They sought class certification, unspecified damages, declaratory relief, equitable relief including injunctive relief, and attorneys' fees and costs. On March 6, 2018, the District Court denied ARG's motion to dismiss plaintiffs' claims in the consolidated complaint. On March 5, 2020, the Court preliminarily approved a class action settlement of the financial institution claims (the "Financial Institution Settlement"). Under the Financial Institution Settlement, ARG agreed to pay approved financial institution claims up to a \$2,987,136 cap, agreed to pay the costs associated with the administration of the Consumer Settlement, and agreed not to object to a request for attorneys' fees and costs and class representative service awards up to an aggregate cap of \$2,312,864, including up to \$2,300,000 for attorneys' fees and costs and up to \$10,000 per class representative as service awards. On July 30, 2020, the Court issued an order approving the settlement agreement, but reserved judgement on approving the attorney's fees. On November 25, 2020, the court approved the settlement and entered the final judgment for the Financial Institution Settlement. On February 1, 2021, the settlement payments were issued.

Multi-Jurisdictional Settlement

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, ARG

entered into a settlement agreement with the states of Massachusetts, California, Illinois, Iowa, Maryland, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

Disclosures regarding an Affiliated Franchise Program

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

The People of the State of California v. Dunkin' Brands, Inc., (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019.) On March 14, 2019, our affiliate, Dunkin Brands, Inc. ("DBI"), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of "no-poaching" provisions in Dunkin' restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees and/or DBI's employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and DBI from hiring each other's employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties' stipulation of judgment.

New York v. Dunkin' Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General ("**NYAG**") filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals' credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others

who had registered a Dunkin' gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG's allegations, DBI and the NYAG entered into a consent agreement to resolve the State's complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

Other than these actions, no litigation is required to be disclosed in this Item.

4. BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

5. INITIAL FEES

The chart below lists the current development fees payable under the Development Agreement and the current initial franchise fees payable under the Franchise Agreement, based on our current incentive programs. Except as otherwise stated, these programs are currently available through March 31, 2024, but we may add to, eliminate or change any of these programs in the future in our sole judgment. You must sign a Development Agreement regardless of the number of Arby's Restaurants you commit to develop, and you must also sign a Franchise Agreement for each Arby's Restaurant that you open. The development fees and franchise fees described here are uniform, are fully earned when paid and are not refundable under any circumstances.

You must pay us the development fee when you sign the Development Agreement. We do not apply the development fee towards any initial franchise fees or other fees you pay under Franchise Agreements. You must sign the Franchise Agreement for each Arby's Restaurant that the Development Agreement covers, and pay us the initial franchise fee (if any is due), on the earlier of 90 calendar days before the Restaurant's opening or when you start construction of the Restaurant.

Franchise Offers	Non-Refundable Development Fee per Restaurant	Non-Refundable Franchise Fee per Restaurant
Standard Traditional Restaurant	\$12,500	\$37,500
Non-Traditional Restaurant	\$0	\$18,750
Proximity Incentive Program ("PIP")	\$12,500	\$37,500
New Restaurant Opening Incentive ("NRO")	\$12,500	\$0
Deeper NRO	\$12,500	\$0
Select Developing Markets	\$12,500	\$0

The fees for a standard Traditional Restaurant apply under Development Agreements and Franchise Agreements when no other incentive programs apply to the agreements.

All Franchise Agreements that the Development Agreement covers will contain generally the same terms and conditions as we are then offering to other franchisees similarly situated at the time of issuance, including those pertaining to the duration of the Franchise Agreement. However,

if you fully comply with the Development Agreement, the royalty fee payable under each Franchise Agreement will reflect the royalty fee described in Item 6.

There is no development fee when you sign a Development Agreement for a Non-Traditional Restaurant, but you must pay the initial franchise fee for a Non-Traditional Restaurant when you sign the Franchise Agreement.

The “Proximity Incentive Program,” or “PIP,” is designed to encourage franchisees to seek out development opportunities in markets in which they already operate by providing financial benefits to operators who develop Traditional Restaurants within 2.5 miles of existing Traditional Restaurants. Franchisees who own a “Qualified Existing Arby’s Restaurant” (as defined below) and are in compliance with all of their agreements with us and any other obligation or policy of ours can participate in the program and build a “Qualified Site” (as defined below). A “Qualified Existing Arby’s Restaurant” is either a Traditional Restaurant prototype building/structure or conversion, a Traditional Restaurant travel plaza/truck stop/convenience store combo, or an end cap/strip center location with a drive-thru. A “Qualified Site” is a site for a new Traditional Restaurant prototype building/structure or conversion, or a Traditional Restaurant travel plaza/truck stop/convenience store combo, or an end cap/strip center location. Non-Traditional Restaurant locations and certain other locations are excluded from the PIP and therefore may not participate or have the opportunity to object to a new site. The locations excluded from the PIP are: inline, malls, college and university campus locations and other similar institutional type facilities, hospitals, toll plazas, military bases, theme/amusement parks, airports, casinos, special location activity centers, such as sports arenas, and sovereign nations. Also, transfers of locations (relocations) are excluded from the PIP.

If you wish to participate in the PIP, you must sign a Development Agreement requiring you to open a Qualified Site within a 2.5-mile radius of one of your Qualified Existing Arby’s Restaurants within 12 months. You must pay us a \$12,500 development fee upon signing that Development Agreement and a \$37,500 initial franchise fee upon signing the Franchise Agreement, which you must do before the earlier of either 90 calendar days before the opening or upon the commencement of construction of the Qualified Site. The PIP may not be available if unique proximity situations occur with a nearby operating Arby’s Restaurant. We reserve the right to change the PIP in the future in our sole judgment.

Select Developing Markets Incentive. The “Select Developing Markets” or “SDM” incentive program is designed to increase the penetration and presence of the Arby’s brand in specific areas of the United States. You may also qualify to participate in the Select Developing Markets incentive program if you sign the Incentive Amendment to an existing Development Agreement (see Exhibit C-1) on or before March 31, 2025 to amend your existing Development Agreement to add 1 or more new Traditional Restaurants to your existing development schedule.

Under the NRO, Deeper NRO, and Select Developing Markets incentive programs you must pay us a development fee of \$12,500 for each new Traditional Restaurant you agree to develop when you sign the new Development Agreement or amendment to the existing Development Agreement. If you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us when you open or re-open the Traditional Restaurant, you open or re-open the Traditional Restaurant in compliance with the Development Agreement (including the Development Schedule), you submit development costs to us within 120 days of opening the Traditional Restaurant, and you build the Traditional Restaurant in the design, to the specifications, and at the location we approve, then under the NRO, Deeper NRO and Select Developing Markets incentive programs, for each new Traditional Restaurant you agree to develop and operate plus any existing Traditional Restaurant(s) under the development schedule that you have not yet opened and commenced operations of as of the date you sign the Incentives Amendment to your existing Development Agreement, we will waive the initial franchise fee and you will pay reduced royalty fees and Advertising and Marketing Service Fees, as described in Item 6.

If you fail to satisfy any of the applicable conditions, then the NRO, Deeper NRO, and/or Select Developing Markets incentive program(s) will not apply to the Traditional Restaurant(s). The NRO, Deeper NRO, and Select Developing Markets incentive programs do not apply to franchisees signing new Franchise Agreements to renew their expiring franchises or to develop and operate the Restaurant at a Non-Traditional Location, as a relocation or replacement of an existing or closed Restaurant (except as described above), or as part of a transfer or acquisition of an existing Restaurant.

Remodel Incentive. The “Remodel Incentive” program is designed to encourage franchisees to remodel their Traditional Restaurants early. You may qualify for the Remodel Incentive program if you commence and complete the remodel of the Traditional Restaurant under our standards at least 3 months before the term of your existing Franchise Agreement will expire. If you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us (including the existing Franchise Agreement) when you open or re-open the Restaurant, you submit all remodel/development costs to us within 120 days after the completion of the remodel of the Traditional Restaurant, and you remodel the Traditional Restaurant in the design and to the specifications we approve, then when you sign the renewal Franchise Agreement we will waive the Renewal Fee and you will pay reduced royalty fees as described in Item 6. If you fail to satisfy these conditions, then the Remodel Incentive will not apply to the Traditional Restaurant.

Relocation Incentive. The “Relocation Incentive” program is designed to encourage franchisees to relocate their Traditional Restaurant to a better location. You may qualify for the Relocation Incentive program if you relocate your Traditional Restaurant in compliance with the terms of your existing Franchise Agreement and our Standards, keep the original Traditional Restaurant open until the relocated Restaurant opens and commences operations, and you open the relocated Traditional Restaurant on or before December 31, 2026. If you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us (including the Franchise Agreement related to the relocating Traditional Restaurant) when you open or re-open the Restaurant, you submit all development costs to us within 120 days after the completion of the remodel of the Traditional Restaurant, and you develop and re-open the relocated Traditional Restaurant in the design and to the specifications we approve, then we will waive the Development Fee, initial franchise fee, and any other initial fees related to the relocated Traditional Restaurant, and you will pay reduced royalty fees as described in Item 6. If you fail to satisfy these conditions, then the Relocation Incentive will not apply to the relocated Traditional Restaurant.

In the future, we may modify or eliminate any of our incentive programs.

Currently you must at all times employ 3 managers for your first and second Restaurants (6 total) who have completed the Management Training Program (“MTP”) Learning Path, or a comparable training program we approve, at a Nationally Certified Training Restaurant (“NCTR”). For all of your subsequent Arby’s Restaurants, you must at all times employ one manager for each Restaurant who has completed MTP Learning Path at an NCTR. The current fee for this training \$2,100 per attendee, but we waive the training fee for 3 managers in your first Restaurant and one manager in your second Restaurant. You must pay the nonrefundable and uniform training fee for all your other attendees, and you pay your trainees’ expenses. We estimate that your training fees will range from \$0 to \$6,300.

Notes:

Unless otherwise specified, either we or our affiliates impose and collect all the fees in this table. You pay them to our affiliates or us. The fees are not refundable. You must pay the royalty and Advertising and Marketing Services fees by EFT withdrawals we initiate or other electronic means we approve using our fee payment internet portal. Except when otherwise specified, all fees are uniform, but some franchisees who sign agreements covered by existing Development Agreements might pay different fees depending on the programs that were in place when the Development Agreement was signed. In addition, we may periodically provide royalty relief to prospective franchisees who acquire existing Arby's Restaurants under challenging circumstances and sign new franchise agreements for the operation of those Arby's Restaurants.

1. "Gross Sales" is the total revenue you receive from the sale of all products, and performance of all services on or from the Restaurant's premises, (including both mandatory and optional products, programs and services), whether for cash, credit, or debit card, barter exchange, trade credit, or other credit transactions, and including commissions from vending and ATM machines, but excluding coupons and discounts, and sales tax or any similar taxes.

2. Unless you qualify for PIP or another incentive program, the Royalty is 4% of Gross Sales for Traditional Restaurants and 6.2% for Non-Traditional Restaurants.

Proximity Incentive Program. If you qualify for the PIP and you open the Qualified Site within the applicable 12-month period, then we will reduce the Royalty as follows:

Duration of Effective Royalty Fee*	Effective Royalty Fee
Opening through Year 1	1.0%
Year 2	2.0%
Year 3	3.0%
Year 4 through remainder of the term	4.0%

* The Royalty will immediately become 4% of Gross Sales if the Qualified Existing Arby's Restaurant closes.

New Restaurant Opening. If you qualify for the NRO incentive program, then we will reduce the Royalty as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Opening through Year 3	1.0%
Year 4	2.0%
Year 5 through remainder of the term	4.0%

Deeper NRO. If you qualify for the Deeper NRO incentive program, then we will reduce the Royalty as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Opening through Month 6	0.0%
Month 7 through Year 4	1.0%
Year 5	2.0%
Year 6 through remainder of the term	4.0%

Select Developing Markets. If you qualify for the Select Developing Markets incentive program, then we will reduce the Royalty as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Opening through Year 1	0.0%
Year 2 to Year 4	1.0%
Year 5	2.0%
Year 6 through remainder of the term *	4.0%

* Under the Select Developing Markets incentive program, if the Gross Sales for the first 2 Traditional Restaurants developed and opened under the Development Agreement

(including the Development Schedule) are less than \$1,300,000 for the first and second Traditional Restaurant during the respective Traditional Restaurant's fourth year of operations, then you must provide us written notice of the applicable Traditional Restaurant's actual Gross Sales no later than 60 days after the end of the fourth year of operations of the Traditional Restaurant. During the fifth year of operations, you must use your good faith efforts to increase your Gross Sales. However, if the Gross Sales for the first 2 Traditional Restaurants developed and opened under the Development Agreement (including the Development Schedule) continues to be less than \$1,300,000 per Traditional Restaurant during the fifth year of operations, then we will reduce the Royalty as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Year 6 to Year 10	2.0%
Year 11 through remainder of the term	4.0%

Remodel Incentive. If you qualify for the Remodel Incentive, then we will reduce the Royalty as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Re-Opening through Year 2	1.0%
Year 3 through Year 4	2.0%
Year 5 through remainder of the term	4.0%

Relocation Incentive. If you qualify for the Relocation Incentive, then we will reduce the Royalty as follows:

Duration of Effective Royalty Fee	Effective Royalty Fee
Opening through Year 3	1.0%
Year 4	2.0%
Year 5 through remainder of the term	4.0%

We describe the conditions to qualify for the PIP, NRO, Deeper NRO, Select Developing Markets, Remodel Incentive, and Relocation Incentive programs in Item 5.

Early Opening Incentive. The "Early Opening Incentive" is designed to incentivize franchisees to develop and commence operations of their Traditional Restaurants before the required opening date identified in their Development Agreement. If you qualify for the PIP, NRO, Deeper NRO, Select Developing Markets, VetFran, and/or Pioneer Incentive programs, and you open the Traditional Restaurant before the required opening date identified in the Development Agreement, then we will charge 0% royalty from the date you open and commence operations of the Traditional Restaurant until the required opening date identified in the Development Agreement, up to 12 months, then the applicable Royalty rate will apply. You may combine the Early Opening Incentive with our other incentive programs described in Item 5 and Item 6.

VetFran Program. The “VetFran Program” is designed to provide career opportunities for honorably discharged military veterans or wounded warriors. It applies if you are a veteran or returning service member (who has not previously signed, or had an affiliate that signed, a Development Agreement or Franchise Agreement with us) who qualifies and signs a Development Agreement to develop one or more Traditional Restaurants. Under the VetFran Program, if you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us when you open the Traditional Restaurant, you open the Traditional Restaurant in compliance with the Development Agreement (including the Development Schedule), you submit development costs to us within 120 days of opening the Traditional Restaurant, and you build the Traditional Restaurant in the design, to the specifications, and at the location we approve, then we will provide you a royalty credit equal to \$10,000 for each Traditional Restaurant you develop and open under the Development Agreement, up to \$100,000. You may combine the VetFran Program with our other incentive programs described in Item 5 and Item 6.

Pioneer Incentive. The “Pioneer Incentive” program is designed to increase the penetration and presence of the Arby’s® brand in certain areas of the United States. You may qualify to participate in the Pioneer Incentive program if you are the first person to sign a Development Agreement on or before March 31, 2025 to develop 2 or more new Traditional Restaurants located within Connecticut, District of Columbia, Hawaii, Maine, Massachusetts, New Hampshire, Rhode Island, or Vermont. Under the Pioneer Incentive, if you (and your affiliates) are in substantial compliance with each agreement between you (or your affiliates) and us when you open the Traditional Restaurant, you open the Traditional Restaurant in compliance with the Development Agreement (including the Development Schedule), you submit development costs to us within 120 days of opening the Traditional Restaurant, and you build the Traditional Restaurant in the design, to the specifications, and at the location we approve, then we will provide a \$50,000 royalty credit for each of the first 2 Traditional Restaurants developed under the Development Agreement. As stated above, this Pioneer Incentive is only available to the first person to sign a Development Agreement to develop and operate 2 or more Traditional Restaurants within the states identified above, and therefore may not be available to you even if you sign a new Development Agreement to develop 2 or more new Restaurants within the states identified above. You may combine the Pioneer Incentive with our other incentive programs described in Item 5 and Item 6.

If you fail to satisfy any of the applicable conditions, then, without limiting our other rights and remedies, including the right to terminate the Development Agreement, the Early Opening Incentive, VetFran Program, and/or Pioneer Incentive will not apply to the Traditional Restaurant(s). The Early Opening Incentive, VetFran Program, and Pioneer Incentive do not apply to franchisees signing new Franchise Agreements to renew their expiring franchises or to develop and operate the Restaurant at a Non-Traditional Location, as a relocation or replacement of an existing or closed Traditional Restaurant, or as part of a transfer or acquisition of an existing Traditional Restaurant. In the future, we may modify or eliminate any of our incentive programs.

3. For Traditional Restaurants only, you will divide your local advertising expenditures between your individual Local Market Advertising expenses and your Local Cooperative Area Advertising program spending (if applicable). The costs of food or beverage products you sell at a reduced price or give away do not count toward the fulfillment of your local advertising obligation.

Local Market Advertising: This is a percentage of monthly Gross Sales, with a current minimum aggregate expenditure of 4.2% of Gross Sales comprised of this fee, the Advertising and Marketing Service Fee, and Local Cooperative Area Advertising (if applicable). The amount is divided between your individual local market participation and the Local Cooperative Area Advertising program. The advertising expenditure is a minimum expenditure requirement which varies when combined with your Advertising and Marketing Service Fee as discussed in the table above and the Local Cooperative Area Advertising program (if any) discussed below.

Local Cooperative Area Advertising: This is a percentage of monthly Gross Sales, with a current minimum aggregate expenditure of 4.2% of Gross Sales comprised of this fee, the Advertising and Marketing Service Fee, and Local Market Advertising. Participants in the Local Cooperative Area Advertising program determine this fee, and it is currently in the general range of 3% to 7% of monthly Gross Sales. “Area” for determining participation in a Local Cooperative Area Advertising program, in most instances, is defined using the A.C. Nielsen DMA county coverage designation method as those terms are used in the advertising industry. Our company-owned Arby’s Restaurants have the same voting power as franchised restaurants in the Local Cooperative Area Advertising program; each Arby’s Restaurant has one vote. Note that we may have controlling votes in a Local Cooperative Area Advertising program if we have the majority of restaurants that participate in a particular advertising cooperative.

Advertising and Marketing Service Fee: Effective January 1, 2024, the AFA Board of Directors approved dues based on a rate structure whereby the amount of Advertising and Marketing Service Fee ranges from 2.22% to 4.00%. The most current tiered rate structure, if any, is shown in Exhibit E to the Franchise Agreement. The Advertising and Marketing Service Fee and tiered rate structure may change in the future, including the elimination or reinstatement of the tiered rate structure.

Based on the current tiered rate structure for the Advertising and Marketing Service Fee (which AFA may change in the future), your minimum Local Market and Local Cooperative Area advertising expenditures are as follows:

Effective January 1, 2024	
<u>Minimum Combined Advertising Expenditure</u>	
<u>A</u>	<u>B</u>
If Advertising and Marketing Service Fee is:	(4.2% - Column A) Then Local Market and Cooperative Area Advertising Expenditure is:
Lowest 2.22%	1.98%
Highest 4.00%	0.20%

We pay the Advertising and Marketing Service Fee for Non-Traditional Restaurants from our royalty and forward the payment to AFA, and Non-Traditional Restaurants do not participate in Local Cooperative Area Advertising programs.

Effective April 12, 2023, we and the AFA Board of Directors approved discounts on amounts that qualifying franchisees will pay to as AFA dues and the Advertising and

Marketing Service Fee. If you qualify for the NRO, Deeper NRO, or Select Developing Markets incentive program, then the Advertising and Marketing Service Fee is reduced as follows:

Duration of Effective Advertising and Marketing Service Fee	Discount on Advertising and Marketing Service Fee*
Opening through Year 3	75% Discount Off Standard Dues
Year 4	50% Discount Off Standard Dues
Year 5 through remainder of the term	Standard Dues

* You must pay at least the then-current minimum Advertising and Marketing Service Fee that is set by the AFA to cover fixed operational expenses. The current minimum Advertising and Marketing Service Fee is 0.85% of Gross Sales.

Although the Franchise Agreement requires a current minimum aggregate advertising expenditure (for the Advertising and Marketing Service Fee, Local Market Advertising and Cooperative Area Advertising) of 4.2% of Gross Sales, for Traditional Restaurants qualifying for the NRO, Deeper NRO, or Select Developing Markets incentive program, we will calculate the required Local Market Advertising spending requirement based on the undiscounted Advertising and Marketing Service Fee. In other words, we will not increase the Local Market Advertising spending requirement to offset the reduced Advertising and Marketing Service Fee. However, the NRO, Deeper NRO, or Select Developing Markets incentive program does not impact your Traditional Restaurant's required contributions for Cooperative Area Advertising. You still must contribute the amount that the cooperative requires.

The NRO, Deeper NRO, and Select Developing Markets incentive programs do not impact your Traditional Restaurant's required contributions for Local Cooperative Area Advertising. You must contribute the amount that the cooperative requires.

We describe the conditions to qualify for the NRO, Deeper NRO, and Select Developing Markets incentive programs in Item 5.

4. You also must pay costs of transportation, room, and board for your personnel. We pay no compensation of any kind to you or your employees while training and we will not reimburse you for any expenses associated with training. We may require you to purchase access to training videos or other instructional materials from us. We may in our sole judgment specify additional training requirements, including supplemental or refresher training programs for you, your managers and/or employees. These additional training requirements may require that you pay all associated costs and expenses (including training fees).
5. If we and one or more Other Franchisors grant you the right to open and operate an Arby's Restaurant and Other Restaurant(s) at a Multi-Brand Location, you must pay all ongoing fees due under each applicable Other Franchisor's franchise agreement in addition to the ongoing fees described in this Item.

The exterior design gives an Arby's Restaurant its identity. The building represents a way to market the Arby's brand and develop customer recognition. Currently, we have one basic design, the Inspire image, which is the only available image for any new restaurants, conversions and remodels of existing Arby's restaurants. We may change our permitted exterior design(s), including by eliminating a design altogether, at any time in the future. The Inspire image features a contemporary rectilinear design which incorporates "squared-off" building geometry wherever possible. It features a red metal cantilevered eyebrow awning, bronze architectural columns, new building signage, exterior lighting, and a refinished modern exterior comprised of smooth exterior insulation and finishing system, white brick pattern walls, scored wood tone materials, and a monochromatic color scheme.

The estimates in this table reflect both a leased scenario for the Inspire free-standing building type and a leased scenario for other non-free-standing building types. The ranges for the free-standing building reflect a 2,400 to 3,000 square foot build-to-suit site in our Inspire image in which the landlord incurs most of the development costs on the low end, to a conversion of an existing site in which you will incur most of the conversion costs on the high end. These ranges do not reflect costs to construct a new building. The ranges for the non-free-standing building types reflect estimates from a build-to-suit on the low end to vacant tenant space on the high end. Non-free-standing building types include in-line, end cap with drive-thru, truck stop, travel plaza, convenience store and non-traditional locations.

Notes:

1. We describe the Development Fee and initial Franchise Fee in Item 5. The Development Fee amount in this Item 7 assumes you will develop only one Restaurant under the Development Agreement.
2. We do not charge any training fee for training 3 managers in your first Restaurant and one manager in your second Restaurant. You must pay our then current training fee (currently \$2,100 per attendee) for each additional manager. You also must pay your trainees' expenses.
3. If you do not own suitable space or land for your Restaurant, you must rent premises suitable for the Restaurant. You typically will rent the premises for a free-standing location. A prime location covers 30,000 to 40,000 sq. ft., with 100 to 180 ft. of street frontage. The lot size you need often depends on the ratio of parking to seating that local permitting authorities require. This ratio is generally 1 parking space to every 2 seats within the Restaurant. The typical building sizes generally ranges from 2,400 to 3,000 sq. ft. This estimate is for your rent the first month and does not include an estimate of monthly real estate-related expenses, such as common area maintenance charges, real estate taxes and landlord insurance. The rental expense may vary widely based on geographic location, size of the facility, local rental rates, landlord's work, tenant improvement allowance and other factors. Usually, the landlord requires payment of first and last month's rent in advance and a security deposit equal to one to 3 months' rent.
4. This estimate covers the cost of development outside the building footprint defining the building construction area. This is in the area of construction defined by an imaginary line located outside the building exterior perimeter walls and following the contours of those walls. The site must be suitable for commercial construction. Necessary work might include architectural renderings, site engineering, soil testing, environmental studies (Phase 1), filling, grading, compaction, curb, cut utility installation or relocation, and drainage control. These costs could apply for either a leased site or purchased site. These site cost estimates assume there are no extenuating site conditions such as bad soils, retaining walls, underground storm water retention, exceedingly restrictive DOT and unconnected utilities.
5. Landscaping costs vary by site and facility type and might not apply to certain locations.
6. This estimate covers costs to employ an architect or civil engineer to modify our standard plans for your site. Costs will vary depending on the revisions that you or your municipality, county, or state request or require.
7. You may need to request a zoning variance or otherwise alter current zoning conditions. Costs will vary depending on the requirements of your municipality, county, or state.
8. This figure estimates average building costs and basic construction and remodeling costs. It covers the construction cost of the building itself, but not the costs for site development or equipment, which are addressed below. Building costs vary widely, depending on geographic location, size of building, environmental, or other local construction requirements, and if the site is a conversion of a former restaurant space.

9. This figure covers the costs for equipment, other than items referenced separately in the table. Depending on your financial position and economic conditions, you may be able to finance some portion of the equipment package cost through a bank or leasing company. This estimate does not include taxes but does include freight and installation charges. You will negotiate exact costs with each supplier.
10. We describe the minimum technology requirements, including a point of sale system ("POS"), in the Arby's Operating Standards Manual (the "Manual"). Additionally, your Restaurant must have a Windows-based personal computer, with broadband internet connection, sound and graphics capabilities, and printer.
11. This estimates the costs for leasehold improvements, furniture, fixtures, other fixed assets and other aspects of the décor package. You must purchase your décor package from our approved suppliers. Costs will vary depending upon the number of seats and the mix of tables, chairs, and booths. Décor must comply with Arby's current image.
12. Signage and drive-thru costs include Arby's signage, menu boards, and drive-thru package components where applicable. You must install indoor and outdoor signage when applicable. You must purchase signs and menu boards from our approved suppliers. Costs will vary by site and facility type. Certain enhancements to signage and to the drive-thru package are optional.
13. You will incur pre-opening labor expenses for salaried and hourly workers. These expenses will vary by geography, market conditions and facility type, as well as your business decisions. The estimates assume that you will pay restaurant managers for 1.5 to 3 months before opening, assistant managers for 2 to 9 weeks at 40 hours per week, and other employees for 3 to 4 weeks. Your own expenses may differ depending on actual staffing levels, state employer taxes, wage and benefit levels.
14. Amounts for opening inventory may vary according to facility type.
15. Insurance costs vary depending on your insurability, Restaurant location and facility type. You typically will pay your entire premium for workers' compensation, property and casualty insurance in advance. Your commercial general liability insurance policy must provide coverage on an occurrence basis for personal injury, bodily injury, property damage, product and contractual liability in an amount of at least \$1,000,000.00.
16. This amount estimates the funds needed to cover initial operating expenses, including Restaurant management salaries, for a period of 3 months of operation (other than the items identified separately in the table). These figures are estimates, and we cannot guarantee you will not have additional expenses starting the business. You might need additional working capital during the first 3 months you operate your Restaurant and for a longer period after that. This 3-month period is not intended, and should not be interpreted, to identify a point at which your Restaurant will break even. Your costs will depend on factors such as how closely you follow our recommended methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for the Restaurant's products; the prevailing wage rate; competition; and the sales level reached during the initial period.
17. This covers the estimated cost of business permits and licenses, utility deposits, taxes and other prepaid expenses.

18. We relied on our, our affiliates', and our predecessors' over 50 years of experience in developing, operating and franchising Arby's Restaurants since to prepare the estimate for additional funds and other estimates in this table, although this experience is almost entirely with Traditional rather than Non-Traditional Restaurants. You should review these figures carefully with a business advisor, your accountant and/or your attorney before deciding to acquire the franchise. The estimate does not include any finance charge, interest, or debt service obligation. Except for the security deposit under a real property lease, which typically is refundable if you comply with the lease's terms, none of the payments is likely to be refundable, although this may depend on your negotiations with others. Neither we nor our affiliates offer financing for any part of the initial investment. The availability and terms of financing depend on many factors, including the availability of financing generally, your creditworthiness and collateral and the lending policies of financial institutions from which you request a loan.

We cannot guarantee that you will not have additional expenses in starting the business. Your investment will depend on many factors, including how closely you follow our methods and procedures; your management skills, experience and business acumen; local economic conditions; local real estate and construction costs; the local market for our product; the prevailing wage rate; professional service fees; competition, and the sales level reached during the initial period. Some costs are annual expenditures, while other costs are one-time expenditures.

19. If we permit you to develop an Arby's Restaurant at a Multi-Brand Location, you may incur additional expenses to establish the Other Restaurant(s), including initial franchise fee, initial training program, computer system, signage, fixtures, furniture, equipment, initial inventory, and other expenses. You will find the build costs and other costs to establish each applicable Other Restaurant(s) in the Other Franchisor's franchise disclosure document. You may pay less than the cumulative total estimated initial investments for both an Arby's Restaurant and Other Restaurant if certain expenses, such as rent and insurance, overlap.

8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

In order to establish a uniform image and uniform quality of product and services throughout the Arby's Restaurant network, you must operate and maintain the Restaurant according to the Manual and our standards. Our standards may regulate, among other things, the equipment and other products and services you use to operate the Restaurant, designated or approved suppliers of these items, and required or authorized products and services your Restaurant offers. We issue and modify standards based on our, our affiliates' and our franchisees' experience in operating and franchising Arby's Restaurants. We will notify you in the Manual, on our extranet at www.mymarbys.com or its successor, or in other written communications of our standards and the names of some of our designated and approved suppliers. We also provide our relevant standards and specifications to approved suppliers, either directly or through ARCOP, Inc. ("ARCOP"), a non-profit supply chain cooperative for the Arby's Restaurant network.

ARCOP sources and provides risk management solutions related to the contracting and distribution of food, packaging, beverage, capital assets, services, energy, and operating supplies available to Arby's franchisees and our company-owned Arby's Restaurants. This franchisee-directed organization is funded by an upcharge on key food items (currently only on cases of french fry products, roast beef, and some frozen breads), which distributors collect and pay to ARCOP. ARCOP utilizes the Arby's Restaurant system volume to negotiate with suppliers and

distributors, thus establishing pricing for all Arby's Restaurants. Specific items and suppliers remain subject to our approval, and our approval of any supplier or distributor is based on our approved criteria in existence at that time. Although participation in ARCOP is not mandatory, currently all domestic Arby's Restaurant franchisees are members of ARCOP. If you wish to purchase from another source, you must obtain our written approval. At a minimum, that source must demonstrate its ability to meet our standards for nutrition, quality, uniformity, and delivery. We do not negotiate purchase agreements for food, proprietary paper, and operating supplies with suppliers for the Arby's system.

ARG has contracted with a technology provider to provide franchisees a technology-based learning management system, and franchisees must participate in ARG's arrangement with the provider.

In order to create a uniform online ordering experience for Arby's customers, IRB, one of our affiliates, has developed and provides Arby's franchisees an optional online ordering platform for the Arby's Restaurant network (the "Arby's Order Ahead Platform"). IRB and its contractors currently are the only approved suppliers for the Arby's Order Ahead Platform. Additionally, you must sign contracts with approved suppliers and participate in our then-current gift card program operated by or through our approved suppliers (that may include us or our affiliates).

Otherwise, neither we nor our affiliates are approved suppliers or the only approved suppliers for any category of goods and services for the Arby's Restaurants. In the past, ARG (or its affiliates) entered into leases or subleases with franchisees for real estate, leasehold improvements, and/or equipment. For the fiscal year ended December 31, 2023, ARG reported \$ 13,636,390 in rental revenue and \$7,860,252 in rental costs, for a net revenue of \$ 5,776,138 from 94 franchised Arby's restaurant properties. Except for this amount, neither we nor our affiliates received any revenue during our 2023 fiscal year from selling products or services to Arby's Restaurant franchisees. We or our affiliates may receive profits and commissions on other sales made directly by us or our affiliates to you in the future.

We currently require you to purchase all of your furniture, fixtures and equipment (excluding only the back office computer systems), food and beverage ingredients and components, cups and other paper goods, uniforms, professional cleaning services, hygiene and food safety program materials, restaurant auditing services, third party delivery services, and credit and debit card processing and related services only from one of our approved suppliers and through our approved distributors. For some items and services, you must sign contracts with third party suppliers and vendors in the form that we or they specify.

If you desire to purchase any items from a supplier or distributor that we have not previously approved (for those items that we require you to purchase only from approved suppliers), you must request, in writing, our prior approval of the supplier or distributor. We will consider approval if the supplier or distributor can meet and maintain our specifications, standards, and requirements and otherwise meets the needs of the Arby's Restaurant system. You must furnish, at your own expense, adequate samples of the item for which you are requesting approval, or if that is not feasible, you must furnish copies of descriptions, specifications, and pictures of the items in question. In considering any request for a new or additional supplier or distributor, we may charge the proposed supplier or distributor all reasonable costs and expenses we incur in evaluating, investigating, and determining our response to the request. If you fail to obtain our approval to purchase from an unauthorized supplier or distributor, and buy from an unauthorized supplier or distributor, we may terminate your Franchise Agreement. It typically takes approximately 90 calendar days for us to complete our inspection and evaluation process for

approval or disapproval of a proposed supplier. We are not required to approve any particular supplier or distributor and may only approve a single supplier or distributor (that may include us or our affiliates) for certain items. We can refuse to approve any particular supplier or distributor or an unreasonable number of suppliers and/or distributors for any particular item or service in our sole judgment. We also may revoke our approval of any item or supplier by providing notice to you. We do not provide material benefits to you (for example, renewal or granting additional franchises) based on your purchase of particular products or services or use of particular suppliers. There are no approved suppliers in which any of our officers owns an interest.

Except as described above, you currently are not required to purchase or lease any goods, services, supplies, fixtures, equipment, inventory, computer hardware or software, real estate or comparable items concerning the establishment or operation of the franchised business from us, our affiliates, or our approved suppliers. However, you must purchase or lease the Restaurant's point-of-sale and back office computer systems, and all other products and services for your Restaurant, according to our standards and specifications.

On occasion, we or our affiliates may negotiate favorable pricing terms with various suppliers and vendors for our company-owned Arby's Restaurants, and we generally offer those same favorable pricing terms to franchisees for voluntary participation. ARCOP negotiates purchase arrangements, including price terms, with suppliers and distributors. In addition, ARCOP may, at its option, participate in certain purchasing arrangements negotiated by us or our affiliates. Collectively, the purchases and leases that you must make from us or our affiliates, from designated or approved suppliers, or under our standards and specifications represent about 90% of your purchases and leases to establish and operate the Restaurant.

Our affiliates and we do not derive any revenue, favorable pricing not also available to you, or other material consideration from your purchases or leases from approved suppliers; however, our beverage suppliers, The Coca-Cola Company, and Dr. Pepper/Seven Up, Inc. do provide funding for marketing initiatives, the Arby's Foundation, and the annual Arby's franchise convention. During the fiscal year which ended December 31, 2023, ARG received a rebate from The Coca-Cola Company and Dr. Pepper/Seven Up, Inc. based on the gallons of Coca-Cola and Dr. Pepper cola syrup and other Coca-Cola and Dr. Pepper products that our company-owned Arby's Restaurants purchased, and franchisees received rebates from The Coca-Cola Company and Dr. Pepper/Seven Up, Inc. based on the gallons of Coca-Cola and Dr. Pepper syrup and other Coca-Cola and Dr. Pepper products they purchased.

You may operate the Restaurant only from a site that we accept. We will provide you with standard plans for an approved Restaurant building or layout, including specifications for fixtures, furnishings, signs, and equipment. However, it is your responsibility to adapt these standard plans to the accepted site and submit the proposed final working plans to us for approval. You must maintain the Franchised Premises in good condition and state of repair as necessary to comply with and satisfy the requirements of the manual. In addition, on or before the 10th anniversary of the date you sign the Franchise Agreement, you must do a refresh and upgrade of the Franchised Premises so that the Restaurant building conforms to our then current exterior building color specifications for new Arby's restaurants (without any structural changes) and the restaurant interior (including, the dining room, furniture, fixtures, and equipment) are substantially consistent with the then current image of new Arby's restaurants. Before you begin the refresh and upgrade, you must submit to us proposed specifications for our written approval.

You must obtain and keep in full force and effect insurance covering your business and the Restaurant's premises naming us, our owners and affiliates, and AFA (as long as membership is

compulsory under the Franchise Agreement) as additional insureds. You must obtain the insurance from a responsible insurance company licensed to do business in the state in which the Restaurant is located and having an A.M. Best insurance rating of “A-” with a FSC (Financial Size Category) rating of “X”. The commercial general liability insurance must provide coverage on an occurrence basis for personal injury, bodily injury, property damage, product and contractual liability in an amount of at least \$1,000,000.

Multi-Brand Locations

If we and you enter into the Multi-Brand Addendum and you operate your Restaurant at a Multi-Brand Location, we, at our option, may modify any of the terms of the Arby’s Restaurant system applicable to the Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Arby’s Restaurants, to reflect the Restaurant’s status as a Multi-Brand Location. If you operate your Restaurant at a Multi-Brand Location, you must comply with all of these modifications.

If we permit you to operate your Restaurant at a Multi-Brand Location, (i) you must use paper products and other items bearing the Trademarks only at the Restaurant and with products served by the Restaurant, and you (or your affiliate) may not use them at the Other Restaurant or with products served by the Other Restaurant; (ii) you must ensure that all employees providing services to customers of the Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants; and (iii) you may be required to purchase or lease certain goods and services for each Other Restaurant from approved or designated suppliers (which may be the applicable Other Franchisor or its affiliate). You can find additional information in each Other Franchisor’s franchise disclosure document.

Notes:

1. “FA” means the Franchise Agreement and “DA” means the Development Agreement. All of these obligations are also obligations of any guarantor under the terms of the Guaranty and Assumption of Obligations, a form of which is attached as Exhibit D to the Franchise Agreement. We may require a guaranty when granting any franchise rights. Section references in Item 9 have the same meaning as the corresponding Article references in the FA.
2. We require a General Release of all claims in certain situations (see Exhibit F).

10. FINANCING

We do not offer direct or indirect financing. We do not guaranty your note, lease, or obligation.

11. FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

As noted in Item 1, we signed a management agreement for ARG to provide support and services to Arby’s Restaurant franchisees. However, we remain responsible for all of the support and services required under the Franchise Agreement and Development Agreement.

Except as listed below, we are not required to provide you with any assistance.

Pre-opening Obligations: Before you open your Restaurant, we will:

- 1) Designate a geographic area or specific location within which you may select a proposed site for our acceptance. (Section 1 of DA)
- 2) Offer you counseling and advice in site selection, including on-site visits to review potential sites and preparation of market analysis. (Section 5 of DA)
- 3) Review and accept or reject sites you propose. We generally do not own sites and lease them to franchisees, lease sites and sublease them to franchisees, or select sites for franchisees. Each proposed site must meet our then current site selection criteria for Arby’s Restaurants. You may only locate the Restaurant at a site we have accepted. You must submit to us the specific site data and demographic and other information concerning the proposed site as we reasonably require, using forms we reasonably require. This data includes a current scale map of the city/town, area income analysis, traffic counts, site description and plot plan on site, color photos, area competition information, and building and signage plans. A free-standing Arby’s Restaurant building generally requires a prime location that encompasses a range of 30,000 to 40,000 square feet with 100 to 180 feet street frontage, but you may need a larger or a smaller lot depending on various factors such as existing easements on the property and local code requirements. When reviewing sites we will consider the factors we deem appropriate, such as

demographic characteristics, access, traffic patterns, parking, visibility, competition, character of market, other commercial characteristics, and the proposed site's size, appearance and other physical characteristics. We do not guarantee the suitability or success of the accepted site. We generally respond to proposed site acceptance requests within 30 calendar days. We may reject any proposed site, and if this happens, you must seek and present an alternative proposed site for our acceptance or rejection. If we and you cannot agree on a site or you do not open the Restaurant on or before the deadline in the Development Schedule, we may terminate your Development Agreement. (Sections 6 and 7 of DA)

- 4) Approve a lease that meets our requirements. After we have accepted the proposed site, you must obtain control of the site either by lease or purchase. You must obtain our approval of your proposed lease or financing arrangement for the site, and you must provide a complete copy to us. You must use your commercially reasonable best efforts to cause the lease or financing arrangement to contain designated provisions intended to protect our interests in the leased premises. (Section 8 of DA and Section 1:1:1 of FA)
- 5) Provide standard plans for the approved building or layout, including specifications for equipment, fixtures, furnishings, and signs. You must hire an architect and general contractor to adapt these standard plans to the accepted site and submit final working plans to us for our approval within the time periods we set. It is your responsibility to obtain necessary zoning and construction approvals and permits, architectural services, and contracts for building construction or remodeling and equipment, all according to the final building and equipment plans we approve. You may not proceed with construction or remodeling until you have received our approval of the final working plans. We may also permit you to convert an existing building into a new free-standing Traditional Restaurant. You must submit actual construction costs to us within 120 days of project completion. If we permit you to operate the Restaurant at a Multi-Brand Location, you must design and construct, and/or make modifications to the Restaurant's layout, design, equipment and fixtures that we periodically specify to reflect the Restaurant's operation at a Multi-Brand Location, and you must notify customers, and the design and layout must reflect, in the manner we periodically specify that the operation of the Other Restaurant(s) is separate from and independent from the Restaurant. (Section 9 of DA and Section 4(a) of MBA)
- 6) Sign and deliver the Franchise Agreement to you after you pay all required fees and perform all required obligations under the Development Agreement, if you meet our then current franchising policies and procedures for the issuance of Franchise Agreements. You must sign the Franchise Agreement and pay the initial franchise fee (if any) on the earlier of either 90 days before the scheduled opening or the start of construction. You will sign our then current form of Franchise Agreement for each Arby's Restaurant you develop in the Territory, which currently is the form of Franchise Agreement in this disclosure document but could in the future differ from that form. However, if you fully comply with the Development Agreement, each Franchise Agreement that the Development Agreement covers will reflect the royalty and franchise fee specified in the Development Agreement. (Section 11 of DA)

- 7) Provide specifications and names of approved suppliers for opening inventory, supplies, and related materials. We do not currently provide items directly, but will provide the names of approved suppliers for some items and written specifications for some items. We do not deliver or install any items. (Section 7:2 of FA)
- 8) Consider for approval proposed new specifications and suppliers. (Section 7:2:1 of FA)
- 9) Provide an overview of the Arby's system and our administrative corporate support according to the "New Franchisee Orientation." We describe training later in this Item. (Section 10 of DA)
- 10) Provide a 7-week operational training program conducted in one of our NCTRs, which are located across the country. The program is known as the Arby's Restaurant MTP. We describe this training in detail later in this Item. (Section 10 of DA and 6:2 of FA)
- 11) Approximately 10 weeks before your Restaurant opens, provide you with an electronic copy of the Manual, which may include audio, video, computer software, other electronic media, written materials, written directives in multiple forms including online postings on the Arby's System extranet (i.e. www.myarbys.com or its successor), email and/or other electronic communications, facsimiles, or any other medium capable of conveying the Manual's contents. The Manual, among other things, identifies the licensed trademarks and contains mandatory and suggested standards, specifications, operating procedures, and rules we specify and other information relative to your other obligations under the Franchise Agreement and in the operation of the business. The Manual contains confidential proprietary information and you must return any paper copies of the Manual to us when the Franchise Agreement terminates or expires for any reason. We may supplement, modify, and revise the Manual electronically or in hard copy. (Sections 1:1 and 4:1:1 of the FA)

The following table identifies the subjects contained in the Manual's written materials and the number of pages devoted to each subject.

Manual Section	
Operations	306
Operating Systems & Tools	105
Cleaning & Sanitation/Ecolab	80
Safety	124
Business Practices	43
Total	658

Post-Opening Obligations: After you open your Restaurant, we will:

- 1) Manage certain advertising and marketing programs. We describe our and your advertising and marketing obligations below in this Item. (Sections 10 and 11 of FA)
- 2) Consider for approval proposed new specifications and suppliers. (Section 7:2:1 of FA)

- 3) Continue to provide you access to updates to the Manual. (Section 4:1 of the FA)
- 4) Before you begin any refresh and upgrade, approve or deny your proposed specifications. (Section 5:3 of theFA)

Advertising and Marketing

Advertising and Marketing Service Fee/AFA

We remit the Advertising and Marketing Service Fee you pay us directly to a separate and independent membership corporation known as AFA, in which every domestic company-owned Restaurant and franchisee is required to participate, and which reports to a Board of Directors representing Arby's domestic franchisees. AFA is the franchisee-administered service organization responsible for advertising and marketing services to the Arby's system.

Effective October 2005, ARG and AFA entered into a Management Agreement that created operational efficiencies, thus benefiting the Arby's system as a whole. Under the Management Agreement, ARG assumed general responsibility for the day-to-day operations of AFA. ARG performs these tasks subject to the approval of AFA's Board of Directors, which consists of AFA members elected by the AFA membership. The AFA Board of Directors has decision-making power, and ARG cannot change or dissolve the AFA Board of Directors or the AFA. In addition to general managerial responsibilities for AFA's day-to-day operations, ARG pays for the general and administrative costs of AFA, other than the cost of an annual audit of AFA and some other expenses.

The most current tiered rate structure for the Advertising and Marketing Service Fee, if any, is shown in Exhibit E to the Franchise Agreement. Effective January 1, 2024, the AFA Board of Directors approved dues based on a rate structure whereby the amount of Advertising and Marketing Service Fee will be between 2.22% and 4.00%. Most franchisees currently pay Advertising and Marketing Service Fees based on the approved rate structure, although we pay those fees on behalf of Non-Traditional Restaurants, and some franchisees may pay different rates based on incentive programs. We and our affiliates contribute to AFA on at least the same basis as franchisees for any Arby's Restaurants that we or they own. The Advertising and Marketing Service Fee and tiered rate structure may change in the future, including the elimination or reinstatement of the tiered rate structure.

AFA will provide limited local and regional advertising and marketing services to you. AFA uses 100% of the money from franchisees' Advertising and Marketing Service Fees to develop and prepare advertising materials, including (for example) materials for print, radio and television, to undertake market research, to purchase national advertising media of all types, to develop social media/networking programs, to pay the commissions, fees and expenses of advertising and marketing agencies and consultants to pay talent and talent residuals, to provide other marketing and non-marketing services, and to pay all fees and expenses incurred regarding providing these items. ARG's staff, advertising agencies and/or other contractors may produce advertising and other materials on AFA's behalf. For the year ended December 31, 2023, (1) no AFA advertising contribution funds were used to solicit franchise sales, and (2) AFA used the money as follows: 81.3% on national media; 12.2 % on creative and content; 4.2% on merchandising; 1.9% on consumer insights; and 0.4% on general and administrative expenses. Fees not spent in the fiscal year in which fees are accumulated are carried forward and spent in the next fiscal year, though AFA attempts to spend all funds contributed to it in the year in which they are contributed.

If you would like to obtain an audited accounting of the advertising funds, send a written request directly to AFA.

Membership in AFA is compulsory. If membership in AFA ceases to be compulsory for those franchisees who are members, franchisees have the right to designate a successor service organization as long as franchisees representing at least 65% of all franchised restaurants and at least 200 franchised restaurants designate the same service organization. If there is no designation by the franchisees, we may designate a successor service organization or elect to retain the fees and provide the specified services directly. AFA, by contract with ARG, has the duty to determine the amount of the Advertising and Marketing Service Fee, which cannot be set below 1.2% of Gross Sales without the prior approval of ARG. Effective April 12, 2023, we and the AFA Board of Directors approved certain discounts on amounts that qualifying franchisees will pay as AFA dues and the Advertising and Marketing Service Fee under the NRO program. Except for the AFA Board of Directors, there is no advertising council of franchisees that advises us on advertising policies.

If we permit you to operate the Restaurant at a Multi-Brand Location, unless we otherwise specify or approve, none of the advertising, marketing or promotional materials associated with the Restaurant may reference any Other Restaurant or the brand(s) under which they operate. (Section 4(f) of the MBA).

Local Market Advertising

In addition to paying the Advertising and Marketing Service Fee/participating in the AFA and participating in your Local Cooperative Area Advertising Program (see below) you must spend at least a minimum percentage of Gross Sales, as shown below, on local market advertising.

Effective January 1, 2024 <u>Minimum Combined Advertising Expenditure</u>	
<u>A</u>	<u>B</u> (4.2% - Column A)
If Advertising and Marketing Service Fee is:	Then Local Market and Cooperative Area Advertising Expenditure is:
Lowest 2.22%	1.98%
Highest 4.00%	0.20%

The specific amount you must spend on local advertising will depend on your specified Advertising and Marketing Service Fee (from Exhibit E to the Franchise Agreement) and may change if the Advertising and Marketing Service Fee rates change. Subject to the minimum percentage of monthly Gross Sales, as shown above, you determine the amount that you spend on specific activities when performing your individual local market advertising. The amount is divided between your individual local market advertising and the Local Cooperative Area Advertising program (see below). The costs of food or beverage products you sell at a reduced price or give away do not count in the fulfillment of this advertising obligation.

You must submit all advertising, marketing, or promotional programs, materials, or activities to us for approval before use. If we determine that any advertising, promotional programs, articles or materials you use or plan to use are injurious or prejudicial to us or any of our franchisees, or

violate the Franchise Agreement, you must stop using them immediately upon notification from us. Your advertising, marketing, promotions and other use of Arby's name, logo, graphics or trademarks on the internet or through other electronic media, including social media platforms and communication tools, must comply with the Manual and the Franchise Agreement.

If you qualify, the NRO program will not impact the Local Market and Cooperative Area Advertising Expenditure required under your Franchise Agreement. If you operate a Non-Traditional Restaurant, we do not require you to spend a particular percentage of Gross Sales on local market advertising.

Local Cooperative Area Advertising

You must join and participate in a Local Cooperative Area Advertising program ("Co-op") that we select. Co-ops are formed and governed by the most current standard form Co-op bylaws we issue, the current version of which is attached to the Franchise Agreement. In most instances, we determine your Co-op using the "Designated Market Area" ("DMA") county coverage designation method found in the applicable Co-op Bylaws. Each Arby's Restaurant's contribution is determined by the television coverage/spill received within that county and indexed against the county receiving the highest percentage of coverage, all as measured by Nielsen Media Research, Inc. Once formed, we do not have the power to change, dissolve, or merge Co-ops. You and the other members of the Co-op will administer the Co-op. The Co-op engages the services of an advertising agency or media-buying service to assist in the administration of Co-op meetings and an accounting firm handles the Co-op contributions from each Arby's Restaurant. However, we do assist the Co-ops in the collection of past due Co-op dues that amount to a default under the applicable Franchise Agreements. The Co-op currently must pay talent residual fees when commercials are aired in the Co-op's market, but AFA pays the talent residual fees for national commercials.

The Co-op must operate from written Co-op Bylaws, which typically are approved by a majority vote of the Co-op membership. Each member has one vote for each Arby's Restaurant that the member operates in the Co-op's market. Participating members of the Co-op and prospective franchisees may review the Co-op Bylaws if a Co-op is functioning in the DMA in question.

Each Co-op typically prepares annual income tax returns and periodic financial statements that are presented at each Co-op meeting and are considered proprietary. We do not have any control over Co-op contributions that are not spent in the fiscal year in which they accrue; each local Co-op votes on how to handle excess funds.

We have no obligation to spend any amount on advertising in the area or territory where your Restaurant is located unless we have company-owned Arby's Restaurants in the area or territory and participate in the same Co-op as you. We do not use any of the fees paid to AFA or a Co-op to solicit the sale of franchises.

If you qualify, the NRO program will not impact your Traditional Restaurant's required contributions for Local Cooperative Area Advertising. You must contribute the amount that the cooperative requires. If you operate a Non-Traditional Restaurant, we do not require you to participate in a Local Cooperative Area Advertising program. (Sections 10 and 11 of FA)

Electronic Cash Registers and Computer Systems

You must satisfy our minimum technology requirements including for the point of sale (“POS”) system, at the Restaurant. Our technology requirements, as we may periodically modify them, can be found in the Manual. Currently, the POS system you must use is the PAR Brink software platform, including our approved hardware, software, and network platforms for the POS system, Kitchen System, and other appropriately connected devices. In addition, you must use our designated credit card payment gateway software and our designated vendor for credit and debit card processing and related services. You must process all sales, regardless of payment type, through the POS system. You will also need a Windows-based personal computer with broadband internet connection, sound and graphics capabilities, and printer, located in the Restaurant to meet our functionality, performance and informational requirements, maintain and submit any other reports we require, receive communications from us (including those posted on the extranet at www.mymarby.com or its successor), remit royalty and advertising payments, and participate in guest recovery, customer loyalty and similar programs. If you choose to participate in the optional Arby’s Order Ahead Platform, you also must acquire the payment and other hardware, the merchant and processor contracts, and the related technology.

Your POS system, computer systems and other technology systems generate and store sales, employee, inventory, cost, speed of service, configuration, and other operations-level data.

We estimate the cost of purchasing the POS system with applicable software will range from \$32,000 to \$55,000, and the cost of purchasing a computer system with the specified requirements will range from \$1,100 to \$2,000. There is also an annual fee related to the ongoing maintenance and support for the POS system that ranges from \$5,000 to \$10,000 per year. If you choose to participate in the optional Arby’s Order Ahead Platform then you must sign the then-current form of participation agreement and you will make the ongoing payments described in Item 6 to IRB, our affiliate, and to the approved vendors for the services they provide for the platform, which we expect to range from \$100 to \$2,500 per month. Otherwise, neither we, our affiliate or any third party has any obligation to provide ongoing maintenance, repairs, upgrades, updates or support contracts related to any of these systems. Due to varying market conditions and vendors, we are unable to estimate the cost of any ongoing maintenance, updates, upgrades or support contracts for your Restaurant’s POS and computer systems.

We have unlimited, independent access to the information that your POS system and other internet-connected technology systems (such as drive-thru timers) generate and store. For clarity’s sake, we will not access individual employee personal data (including contact information, social security numbers, rate of pay or similar information) without your consent or a legal requirement. You must ensure that your POS system and internet-connected technology systems are online and available for access. You also must comply with any standards we periodically implement for upgrades and updates to the POS and computer systems, and no contract limits the frequency or cost of this obligation.

Most companies, including our company and our franchisees, are dependent on information technology and functional application systems. Without them, we could not accept orders, schedule and process manufacturing of products, arrange for delivery, accept payments, process invoices, or pay employees. Telephone systems, the Internet, electronic banking, and other mainstays of the modern economy all can affect your business if not operating properly. We continually work on computer and technology issues to maintain a state of compliance with the various POS and/or other computer and technology system requirements for company-owned Arby’s Restaurants. We also may occasionally provide guidance to assist franchisees with

technology strategy development, planning, investment and vendor resolution matters. However, you alone are responsible for analyzing, addressing, fixing, and assuring your own POS and technology compliance, including any required Payment Card Industry (“PCI”) compliance. You should assemble a team to understand the POS and related technology problems within your business. The team should include senior businesspeople with a broad understanding of the operations as well as a senior information technology person. You must get your full management support to thoroughly understand what your business needs are and to understand the inherent risks associated with information technology. You should implement contingency plans if you encounter problems with your POS and other information systems that would include mapping out how your company can function if your systems fail. (Sections 3:2 and 5:4 of the FA)

If we permit you to operate the Restaurant at a Multi-Brand Location, at our option, you may use certain areas of the premises and equipment, including point-of-sale systems and other computer equipment, only for the business associated with the Restaurant or only for the business associated with the Other Restaurants. (Section 4(a) of MBA)

Time between signing of Agreement and Opening of Business

You must open your Restaurant for business on or before the earlier of (a) the date specified in your Development Agreement for opening the Restaurant, and (b) 30 calendar days after we sign the Franchise Agreement. We estimate the typical length of time between paying the development fee for a Restaurant (which is when you first pay consideration to us for that Restaurant) and the opening of the Restaurant to be between 90 and 540 calendar days. The time to open depends on such factors as the Development Schedule (if any), site selection, lease negotiations, obtaining acceptable financing arrangements, necessary zoning and building permits, meeting other local ordinances or community requirements, weather conditions, shortages, slow delivery and other factors concerning completion of construction, remodeling, decorating, purchasing and installing equipment, fixtures, signs and similar factors, and the completion of pre-opening hiring and training of the employees.

If we permit you to operate the Restaurant at a Multi-Brand Location, you may not open and begin operating the Restaurant unless the Other Restaurant is also open and in operation. (Section 4(b) of the MBA)

Training

If you are a new franchisee, you must participate in our New Franchisee Orientation (“NFO”). If you are a corporation or other business entity, then a partner or approved owner must participate in the NFO. The NFO is a brief overview of the Arby’s Restaurant system and the administrative corporate support we provide. We typically conduct the NFO each quarter (but more or less often based upon demand) at the Arby’s Support Center, our administrative office and worldwide headquarters. The NFO is a one or 2-day orientation program in a presentation/ classroom setting. There are no tasks related to the NFO that you must complete to our satisfaction. There is no cost for the program, but you will pay your own travel, meal, and lodging expenses.

For each of your first and second Restaurants, you must at all times employ 3 managers (6 total) who have completed (to our satisfaction) and are certified in the MTP, or a comparable training program we approve in our sole judgment, at an NCTR. One of these people may be you, the franchisee, if you are participating in the direct operation of the Restaurant. For your third and subsequent Restaurants, you must at all times employ one manager per Arby’s Restaurant who has completed (to our satisfaction) and is certified in the MTP at an NCTR. The MTP is primarily

designed to develop the technical operational skills necessary for the operation of an Arby's Restaurant. A National Certified Training Manager, along with designated training representatives, teaches the program at an NCTR. You must meet the MTP requirement to our satisfaction before opening your Restaurant.

The following table outlines the current MTP:

TRAINING PROGRAM

Through experiential learning with a Certified Training Manager (CTM) and eLearning, the programs below offer strategies and tactics for becoming a proficient Arby's restaurant manager. You must complete Arby's MTP Learning Path to become MTP Certified.

- 1) TMTP teaches fundamental skills needed to execute daily service and non-service tasks.
- 2) SMTP teaches basic management skills needed to operate a shift in an Arby's restaurant effectively, using the tools and processes provided to support consistency and effectiveness.
- 3) MTP teaches critical thinking skills needed to successfully diagnose and correct shift / operating deficiencies (i.e. speed of service, product waste, team deployment strategies, etc.), and includes leadership training to equip new restaurant managers with stronger decision-making skills to help prepare restaurant managers to lead a team to deliver Arby's standards effectively.

The instructional materials are the online Arby’s Manual, webinars (electronic seminars on an internet portal), online videos, manuals, checklists, demonstrations, practice and quizzes. The experience of the instructors that is relevant to the subjects taught and the operations of the Arby’s Restaurant system ranges from one to 30 years. There is no training fee for the programs described above for the first 3 participants from your first Restaurant and one participant from your second Restaurant, but you must pay the cost of transportation, room and board, and all other costs and expenses for you and your employees. After these first 4 participants have attended MTP, then you are responsible for any applicable training fees, along with the cost of transportation, room and board, and all other costs and expenses. We pay no compensation to you or your employees while in training.

In addition to the NFO and the MTP, we utilize the Revitalization Roadmap for your first and second Arby's Restaurants to assist with successful executions for new Restaurant openings. For the first Restaurant you open, the training includes the services of 2 people to assist with the needed pre-opening and post-opening crew training at the Restaurant for 10 calendar days. For the second Restaurant you open, the training includes the services of one person to assist with the needed pre-opening and post-opening crew training at the Restaurant for 6 calendar days.

We may, in our sole judgment, specify additional training requirements, including supplemental or refresher training programs for you, your managers and/or employees. These additional training requirements may require that you pay our associated costs and expenses (including training fees). Currently we offer ongoing training through our Cornerstone Learning Management System.

If we permit you to operate the Restaurant at a Multi-Brand Location, the services, guidance and assistance that we provide under the Franchise Agreement, including any training, may be intended for stand-alone Arby's Restaurants and not tailored or specific to Multi-Brand Locations. We may modify our training, staffing and other similar requirements to address any employees that are cross-trained to operate both the Restaurant and the Other Restaurants. However, you must ensure that all employees who provide services to the Restaurant's customers or otherwise assist in the Restaurant's operation are properly trained to operate the Restaurant and otherwise satisfy our requirements. We have no obligation to provide training, services or other assistance with respect to the development or operation of any Other Restaurant. (Sections 4(c) and 5 of the MBA)

12. TERRITORY

If you wish to open one or more Arby's Restaurants, you must sign a Development Agreement before you sign a Franchise Agreement. The Development Agreement grants you the right during its term to open one or more new Arby's Restaurants within the territory/geographical area ("Territory"), and according to the Development Schedule, specified in the Development Agreement. While the Development Agreement is in effect, we will not open, or franchise any party to open, any new Arby's Restaurant in the Territory. We generally define the Territory using a radius encompassing a specific trade area for a proposed Arby's Restaurant or governmental boundaries (streets, city, county). However, the Territory excludes malls, college and university campus locations, hospitals, and other similar institutional-type facilities, service plazas, military bases, theme/amusement parks, airports, casinos, special location activity centers like sports arenas, and sovereign nations. There is no specific minimum size for Territories.

You must open and continuously operate Arby's Restaurants in the Territory according to the Development Schedule to maintain your rights under the Development Agreement. If you do not comply with the Development Schedule or the other provisions of the Development Agreement or any Franchise Agreement, then, among other things, we may terminate the Development Agreement. Except for these situations, continuation of your territorial rights under the Development Agreement does not depend on your achieving a certain sales volume, market penetration or other contingency, and we may not alter your Territory or alter your territorial rights in the Territory during the term of the Development Agreement. If you comply with the Development Agreement during its term, you have the right to negotiate with us for a new Development Agreement if you provide 60 days' notice. Otherwise you have no options, rights of first refusal or similar rights to acquire additional franchises under the Development Agreement.

Under each Franchise Agreement you will operate one Restaurant at a specified location that we have accepted. You may not relocate the Restaurant to a new location within or outside the Protected Area (defined below) without first obtaining our written approval. Typically, we grant requests for relocation when the Restaurant's premises are inoperable due to casualty or taken in condemnation or by eminent domain, when highway relocations or closings have substantially reduced access to the Restaurant's premises, or when you can no longer use the Restaurant's premises for similar reasons beyond your control. We also may permit a relocation for economic reasons, shifts in trade area, demographics and traffic patterns or other special circumstances.

We may, in our sole judgment, grant you a specific and limited protected area surrounding your Restaurant (the "Protected Area"). If the Restaurant is a free-standing structure and we grant you a Protected Area, we will typically delineate the Protected Area using a 1-mile radius from the location or by boundary streets or highways. However, the Protected Area excludes malls, college and university campus locations, hospitals, and other similar institutional-type facilities, service plazas, military bases, theme/amusement parks, airports, casinos, special location activity centers like sports arenas, and sovereign nations. The Protected Area may, however, be limited to the specific Restaurant location. If you operate a Non-Traditional Restaurant, we will not grant any Protected Area.

If we and any Other Franchisor grant you the right to operate an Arby's Restaurant and one or more Other Restaurants at a Multi-Brand Location, Other Franchisor may grant you territorial exclusivity for the Other Restaurant which will be described in Other Franchisor's FDD and/or Other Franchise Agreement.

During the term of the Franchise Agreement, we will not operate or franchise others to operate an Arby's Restaurant using the licensed Trademarks and offering deli-inspired sandwiches for sale to consumers within the Protected Area, if any. Except for these rights, we and our affiliates reserve all other rights relative to Arby's Restaurants, the Arby's trademarks, and other business concepts, whether within or outside the Protected Area. We and our affiliates may operate, license, or franchise Arby's Restaurants in any location, other than the Protected Area, if any, using the Arby's trademarks and offering deli-inspired sandwiches. In addition, we and our affiliates may also establish and operate LSRs or similar or different businesses under any name at any location, whether using Arby's trademarks or other trademarks, unless precluded by a written contractual obligation. We and our affiliates may also develop new and existing concepts, as dual-brand and standalone concepts. Because we and our affiliates may operate, or franchise other parties to operate, Arby's Restaurants at non-traditional locations inside the Territory or Protected Area, and in some cases (like if you operate a Non-Traditional Restaurant) we do not provide a Protected Area, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

There are no restrictions on your soliciting and accepting customers from outside your Protected Area or otherwise competing with Arby's Restaurants which are now, or may in the future be, located outside your Protected Area (if any). Only we, our affiliates or designees have the right to sell products or services under the Arby's trademark either within or outside of your Protected Area or Territory, if any, through any alternative channels of distribution, such as the internet/worldwide web and other forms of electronic commerce; "800" or similar toll-free telephone numbers; catalogs; telemarketing or other direct marketing sales; or any other channel of distribution other than an Arby's Restaurant, and you may not sell products or services under the Arby's trademark either within or outside of your Protected Area or Territory using alternative channels of distribution. You have no right to compensation if we do so. We currently sell frozen

curly fries at approximately 44,000 retail stores nationwide and online. We reserve the right to sell other products or services under the Arby's trademark or other trademarks using alternative channels of distribution in the future.

The Franchise Agreement does not provide you options, rights of first refusal, or similar rights to acquire additional franchises within the Protected Area or contiguous areas. Continuation of your territorial rights under the Franchise Agreement does not depend on your achieving a certain sales volume, market penetration or other contingency. We may not alter your Protected Area or modify your territorial rights in the Protected Area before your Franchise Agreement expires or is terminated, although we may do so for a successor franchise. Therefore, if a development opportunity arises for another franchisee who is interested in development in your Protected Area or Territory, we will seek your consent to allow that franchisee to open an Arby's Restaurant within your Protected Area or Territory.

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

13. TRADEMARKS

You will have the right under your Franchise Agreement to operate a Restaurant under the name "Arby's" and using the Arby's trademarks, service marks, and trade names listed in the Manual. Our subsidiary, Arby's IP Holder, LLC ("Arby's IP Holder"), owns all of the Arby's U.S. intellectual property. As part of the Securitization Transaction described in Item 1, Arby's IP Holder signed a license agreement with us dated November 13, 2015 which authorizes us to use and sublicense the use of Arby's intellectual property in our franchise operation. That license agreement has a 99-year term. Arby's IP Holder may terminate the agreement, subject to certain securitization-related consent rights, only if we materially breach the agreement and fail to cure the breach within 30 days. There are no other agreements currently in effect that significantly limit our right to use or license the use of these marks.

The following list includes the principal Arby's trademarks and service marks (the "Principal Marks"). Arby's IP Holder or its predecessor has registered the Principal Marks on the Principal Register of the United States Patent and Trademark Office (the "PTO") and has made all required affidavit and renewal filings.

Arby's Principal Marks

Mark	Federal Registration Number	Registration Date
Arby's®	890,631	May 5, 1970
	1,065,886	May 17, 1977
Arby's (on modified Hat Design)	1,081,230	January 3, 1978
Arby's & Hat Design	4,679,713	January 27, 2015

There are no currently effective material determinations of the PTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, and no pending infringement, opposition or cancellation proceedings, and no pending material litigation, involving the Principal Marks. We do not know of either superior prior rights or infringing uses that could materially affect your use of the Trademarks in any state.

You must notify us, in writing, of any suspected infringing uses of, or claims of rights to, the Trademarks or any similar mark, and cooperate with us in responding to them. We or Arby's IP Holder has the sole right to determine whether to take any legal action concerning any infringement or claims and to control and direct any administrative proceeding or litigation involving the Trademarks. We will pay the cost of any litigation or administrative action for policing the Trademarks against infringement. We are not obligated, however, to institute legal or other action to protect you against claims of infringement or unfair competition concerning the Trademarks. We need not participate in your defense nor indemnify you for expenses and damages if you are a party to any administrative or judicial proceeding involving a Trademark. You may not take any legal action for infringement or unfair competition concerning the Trademarks without our consent. We or Arby's IP Holder has the right to control any administrative proceedings or litigation involving a Trademark.

You may use the Trademarks only according to the Franchise Agreement and Manual. You must follow our directions in using the Trademarks and any modified or new trademark. If we require you to modify or discontinue use of a Trademark, we do not have to compensate you. This modification or discontinuance will not provide you with any termination or other rights.

If we permit you to operate the Restaurant at a Multi-Brand Location, you may use the Other Franchisor's trademarks licensed to you under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.

14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We hold no patents and do not have any pending patent applications material to the franchise. We have not registered any copyrights applicable to the Arby's Restaurant business with the United States Copyright Office. However, we claim copyrights on and consider proprietary the Manual, the Franchise Agreement, forms, advertisements, and all other Arby's materials, processes, etc. There are no currently effective material determinations of the PTO, the United States Copyright Office or any court regarding any of the copyrighted materials. We do not know of either superior prior rights or infringing uses that could materially affect your use of the copyrighted materials.

You must promptly inform us, in writing, when you learn about any infringement or unauthorized use of our proprietary information or copyrighted materials. We or Arby's IP Holder has the sole right to determine whether to take any legal action concerning any infringement or claims and to control and direct any administrative proceeding or litigation involving the copyrighted materials or proprietary information. We will pay the cost of any litigation or administrative action for policing the copyrighted materials or proprietary information against infringement. We are not obligated, however, to institute legal or other action to protect you against claims arising from your use of the copyrighted materials or proprietary information. We need not participate in your defense nor indemnify you for expenses and damages if you are a party to any administrative or judicial proceeding involving the copyrighted materials or proprietary information. You may not take any legal action for infringement or unfair competition concerning the copyrighted materials or proprietary information without our consent. We or Arby's IP Holder has the right to control any administrative proceedings or litigation involving copyrighted materials or proprietary information.

Our license agreement with Arby's IP Holder authorizes us to use and sublicense the use of the proprietary information and other Arby's intellectual property in our franchise program. There are no other agreements currently in effect which significantly limit our right to use or license the use of the proprietary information.

You may never reveal any of our confidential information to another person or use it for any other purpose or business and must take reasonable steps to protect the confidentiality of our proprietary information. You may use the proprietary information and copyrighted materials only according to the Franchise Agreement and Manual. You must follow our directions in using the proprietary information and copyrighted and any modified or new materials. If we require you to modify or discontinue use of any proprietary information and copyrighted materials, we do not have to compensate you. This modification or discontinuance will not provide you with any termination or other rights.

15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must at all times faithfully, honestly, and diligently perform your obligations under the Franchise Agreement, continuously exert your best efforts to promote and enhance the Arby's Restaurant, and not engage in any other business or activity that conflicts with your obligations to operate the Arby's Restaurant in compliance with the Franchise Agreement. It is your responsibility to protect and assure the confidentiality of any proprietary information and trade secrets like methods, procedures, layouts, standards, specifications, designs, recipes and rules, or knowledge you obtain concerning the operation of the Restaurant which may be disclosed to managers and other persons having an interest in the Restaurant.

You (or, if you are a business entity, your owners) have no obligation to participate personally in the direct operation of the Restaurant, although we recommend you do so. However, for each of your first and second Restaurants, you must at all times employ 3 managers (6 total) who have completed (to our satisfaction) and are certified in the Arby's MTP, or a comparable training program we approve in our sole judgment, at an NCTR. One of these people may be you, the franchisee, if you will be participating in the direct operation of the Restaurant. For your third and subsequent Restaurants, you must at all times employ 1 manager per Restaurant who has completed (to our satisfaction) and is certified in MTP at an NCTR. There is no requirement for managers to have any equity interest or ownership in you (if you are a business entity) or the Restaurant.

If we require a guaranty, we will only require your principals to sign it. We do not require your principals' spouses to sign a personal guaranty unless they are also principals or officers of the franchisee entity. Under the guaranty your principals must unconditionally guaranty to punctually pay and perform all of your obligations under the Franchise Agreement.

Additionally, during the term of the Franchise Agreement and for 12 months after its termination you, any guarantor of yours, any general partner if you are a partnership, and any shareholders, limited partners, members, or other equity owner holding at least a 15% interest in you, cannot, without our prior written permission, own, maintain, operate, engage in, be employed by, provide assistance to, or have more than a 15% interest (as owner or otherwise) in any business offering roast beef sandwiches for sale which is located within your Protected Area, if any.

16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may only sell those food and non-alcoholic beverage products designated in the Manual as being included in our standard Arby's menu and meeting the quality standards (including product specifications and sources, cleanliness and sanitation, customer service and hours of operation) in the Manual or as we otherwise may designate in writing. You must sell all products that we designate as mandatory. We have the unlimited right in our sole judgment to modify both the standards and products in the Manual or as we otherwise may designate in writing.

We may, under limited circumstances, authorize the sale of the licensed products for special short term events or programs which would require our prior approval and your agreement, in writing, to comply with the specified conditions of the short term program or event.

To ensure the maintenance of the highest degree of quality and service, you must operate the Arby's Restaurants in strict conformity with the methods, standards, and specifications in the Manual and as we may otherwise require in writing.

If we permit you to operate the Restaurant at a Multi-Brand Location, you may offer the products and services authorized by the Other Franchisor under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.

18. PUBLIC FIGURES

We do not use any public figure to promote our franchise.

19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

First FPR: Average Unit Volume (“AUV”) for Mature Restaurants

As of December 31, 2023 (which is the end of our 2023 fiscal year), there were 3,413 Arby’s Restaurants operating in the United States. For 72 of those Arby’s Restaurants either (a) the restaurant did not operate continuously for our full fiscal year (which is from January 2, 2023 until December 31, 2023), because it was closed for part of the year or it first opened during the year; or (b) we (or our affiliate) sold the restaurant to a franchisee or acquired the restaurant from a

franchisee during the year, and calculating annual sales for these sold or acquired restaurants is problematic because we and our affiliates use different reporting periods (fiscal periods of 5/4/4 weeks) than our franchisees use (calendar months). We excluded those 72 Arby's Restaurants from this first financial performance representation ("FPR"). We also excluded the 17 company-owned and 43 franchised Arby's Restaurants that closed during 2023 from these FPRs. All of these restaurants operated for more than 12 months before they closed. This first FPR covers those 3,341 Arby's Restaurants that we (or our affiliate) or a franchisee operated continuously for the full year from January 2, 2023 until December 31, 2023 (the "Mature Restaurants"). Our affiliates own and operate 1,089 of the Mature Restaurants and franchisees own and operate the other 2,252.

Mature Restaurants (other than restaurants in travel plazas and food courts) typically range in size from 2,500 to 3,250 square feet, with an average of 2,896 square feet, although there are some atypical Mature Restaurants whose size falls outside this range. The size of Mature Restaurants located in travel plazas and food courts varies with the type of location, and most provide shared seating. 3,282 of the Mature Restaurants operate with drive-thru windows and the remaining 42 Mature Restaurants do not. The Mature Restaurants have operated for an average of 26.5 years. The Mature Restaurants all offer essentially the same products and services, face the same kinds of competitive challenges, and receive the same level of support from us that we expect new franchisees will experience. The Mature Restaurants are located in various markets across the United States.

The following tables reflect average annual Gross Sales (also called the Average Unit Volume, or "AUV") during our 2023 fiscal year (the period from January 2, 2023 through December 31, 2023) for all company-owned Mature Restaurants that our affiliates operate and the AUV during our 2023 fiscal year for all Mature Restaurants that our franchisees operate. The restaurants identified as "other" include various freestanding or non-freestanding conversion and/or prototype Arby's Restaurants (including former prototypes) not included in the previously identified categories. The figures for the median, highest and lowest sales reflect the median, highest and lowest annual Gross Sales of all Mature Restaurants in the applicable group. The figures in the columns titled Top 3rd, Middle 3rd and Bottom 3rd reflect the average annual Gross Sales for the Mature Restaurants in that group, which fall within the top third, middle third and bottom third of the AUVs for all Mature Restaurants in that group.

Note to Second FPR on AUV Growth:

- (1) The AUV figure for each annual period represents the average annual Gross Sales for all of the applicable Arby's Restaurants in that period. For the AUV figure for each annual period, we summed the annual Gross Sales for all of the applicable Arby's Restaurants and divided that sum by the number of applicable Arby's Restaurants. The median, highest and lowest AUV figures reflect the median, highest and lowest annual Gross Sales of all of the applicable Arby's Restaurants. We included in each calculation only those Arby's Restaurants in the United States that our affiliate or a franchisee owned and operated for the entire annual period, and which remained open and operating throughout the applicable period. We excluded all Arby's Restaurants that either (a) did not operate continuously for the full period, whether it was closed for part of the period or it first opened during the period; or (b) our affiliate sold to a franchisee or acquired from a franchisee during the period. We also excluded the 53rd week that was in the Arby's fiscal calendar in 2020 and excluded an estimate for the extra day in the leap year (2020).

Notes to all FPRs:

- (1) We calculated the Gross Sales figures for franchised Arby's restaurants in the tables above using information that our franchisees provided.
- (2) Gross Sales for purposes of the FPRs is defined in Item 6 as the total revenue received from the sale of all products, and performance of all services on or from the restaurant's premises, (including both mandatory and optional products, programs and services), whether for cash, credit, or debit card, barter exchange, trade credit, or other credit transactions, and including commissions from vending and ATM machines, but excluding coupons and discounts, and sales tax or any similar taxes. Although our franchisees need our approval to sell non-standard products, we occasionally test products and limited-time offers in our company-owned and certain franchised Arby's Restaurants. Those tests might impact Gross Sales results. These FPRs do not reflect any of the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or Gross Sales figures to obtain net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Arby's Restaurant. Franchisees or former franchisees, listed in this disclosure document, may be one source of this information.

- (3) An Arby's Restaurant's sales, costs and income will vary significantly depending on a number of factors, including, among other things, the location of the restaurant, competition in the market, pricing decisions, the number of other nearby Arby's Restaurants in the market, the level and types of marketing the restaurant undertakes, the quality of management and service at the restaurant, staffing decisions (including wage rates), and contractual relationships with lessors and vendors. Also, a new Arby's Restaurant is unlikely to achieve the same results as mature restaurants.

Some restaurants have sold or earned this amount. Your individual results may differ. There is no assurance that you'll sell or earn as much.

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting the Franchise Counsel, Lisa Storey, Esq., at Arby's Franchisor, LLC, Three Glenlake Parkway NE, Atlanta, Georgia 30328, telephone (678) 514-4500, the Federal Trade Commission, and the appropriate state regulatory agencies.

Exhibit A-3 lists the name, city and state, and business telephone number (or, if unknown, the last known home telephone number) of the 43 franchisees who had an outlet terminated, cancelled, not renewed, transferred, or otherwise voluntarily or involuntarily ceased to do business under a Franchise Agreement during the most recently completed fiscal year, or who has not communicated with us within 10 weeks of the issuance date of this disclosure document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

Some franchisees have signed confidentiality agreements with us as part of our settlements of disputes with them. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

AFA, the franchisee-administered service organization responsible for advertising and marketing services to the Arby's Restaurant system, is an Arby's franchisee association associated with us. AFA is located at Three Glenlake Parkway, NE, Atlanta, GA 30328, telephone (678) 514-4100, and does not have its own email or web address.

Independent Auditors' Report

The Member
Arby's Franchisor, LLC:

Opinion

We have audited the consolidated financial statements of Arby's Franchisor, LLC and its subsidiary (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and January 1, 2023, and the related consolidated statements of income and comprehensive income, member's equity, and cash flows for each of the fiscal years in the three-year period ended December 31, 2023, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and January 1, 2023, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 31, 2023 in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ARBY'S FRANCHISOR, LLC AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. DESCRIPTION OF BUSINESS

Organization

Arby's Franchisor, LLC (together with its subsidiary, Arby's IP Holder, LLC ("IP Holder"), the "Company"), is a single member, special purpose Delaware limited liability company. The Company is a direct, wholly-owned subsidiary of Arby's Funding, LLC (the "Issuer" or "Member"), which is an indirect, wholly-owned subsidiary of Arby's Restaurant Group, Inc. ("ARG") whose ultimate parent is Inspire Brands, Inc. ("Inspire"). The Company was formed on July 2, 2015 ("Inception") in connection with a contemplated financing (the "Securitization Transaction"), which was completed on November 13, 2015 (the "Closing Date"), primarily to serve as the franchisor of Arby's restaurants in the United States ("U.S."), Canada, Turkey and Qatar.

Business and Operations

ARG and certain of its subsidiaries have contributed to the Company all franchise agreements, all development agreements and certain intellectual property (the "Securitization IP") with respect to Arby's® restaurants franchised in the U.S., Canada, Turkey and Qatar, all accounts receivable from franchisees related to royalties and franchise fees and certain liabilities associated with franchise development agreements. All of the assets and liabilities were contributed to the Company at historical cost. The Company serves as the franchisor of Arby's restaurants in the U.S., Canada, Turkey and Qatar and owns or will own (1) new franchise agreements and all franchisee payments thereon in the U.S., Canada, Turkey and Qatar, (2) new development agreements and all franchisee payments thereon in the U.S., Canada, Turkey and Qatar, and (3) all rights to licensing fees and other fees related to the Securitization IP, subject to the terms of any licenses. The Company is managed by ARG under a management agreement (the "Management Agreement").

The activities of the Company are limited to:

- entering into contribution agreements pursuant to which the Issuer contributed to the Company the contributed franchise agreements, the contributed development agreements and the Securitization IP;
- owning the Securitization IP and other assets referred to above;
- owning the equity interests in IP Holder;
- acting as the franchisor under the applicable franchise agreements;
- licensing to ARG, for a 99-year term (i) a non-exclusive license to use and sublicense to non-securitization entities the Securitization IP in connection with owning and operating ARG's company-owned restaurants for a royalty fee equal to 5% of net sales, (ii) an exclusive license to use and sublicense the Securitization IP in connection with other products and services (as defined), for a royalty fee equal to (a) 100% of any royalties ARG receives from the sublicense of ARG's rights under a certain sublicense agreement to use and sublicense the Securitization IP in connection with certain products pursuant to contracts in existence on the Closing Date, (b) 50% of any royalties ARG receives from any sublicensee pursuant to sublicenses of ARG's rights under a sublicense agreement to use and sublicense the Securitization IP in connection with any other products and services sublicensed after the Closing Date in defined jurisdictions and (c) with regard to any other revenues received by ARG as a result of exercising its rights under a sublicense agreement, a fair market royalty, as determined by the manager, and (iii) a non-exclusive royalty-free license to sublicense the Securitization IP in connection with granting a gift card license (as defined) for use and display of certain Securitization IP in connection with a gift card program in the U.S. (as defined);
- holding the rights and obligations previously held by each applicable non-securitization entity under the applicable contributed franchise agreements and entering into the applicable new franchise agreements;
- holding the rights and obligations previously held by each applicable non-securitization entity under the applicable contributed development agreements and entering into the applicable new development agreements;

substantially all of its assets as security for the obligations of the Issuer under the Indenture and the obligations of the Company under such guarantee and collateral agreement;

- entering into the Management Agreement; and
- entering into documents related to the Securitization Transaction to which it is a party and undertaking any other activities related thereto.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements, which include the Company's accounts and the accounts of its subsidiary, have been prepared in accordance with accounting principles generally accepted in the U.S. ("GAAP"). All intercompany balances and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the Sunday closest to December 31 and are referred to herein as (1) "the year ended December 31, 2023" or "2023," (2) "the year ended January 1, 2023" or "2022," and (3) "the year ended January 2, 2022" or "2021." The years 2023, 2022 and 2021 consisted of 52 weeks.

Restricted Cash and Cash Equivalents

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 31, 2023 and January 1, 2023, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid investments with a maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

Restricted cash primarily consists of cash held to meet certain reserve requirements in conjunction with the Securitization Transaction.

Accounts Receivable, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements. These receivables from franchisees are due within 30 days of the period in which the corresponding sales occur and are classified as "Accounts receivable, net" on the consolidated balance sheets. The Company monitors accounts receivable and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

Intangible Assets, net

Definite-lived intangible assets are amortized on a straight-line basis using estimated useful lives of the related classes of intangible assets. Estimated useful lives are 20 years for franchise and development agreements. The trademark/trade name is not amortized as it is considered to have an indefinite useful life.

ARBY'S FRANCHISOR, LLC AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Company reviews definite-lived intangible assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the related asset groups may not be recoverable. The Company reviews indefinite-lived intangible assets for impairment at least annually during the fourth quarter and more frequently if events or changes in circumstances indicate that the carrying amount of the non-amortizing intangible asset may not be recoverable. If such reviews indicate the intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset. The Company uses the relief from royalty method to determine the fair value of its trademark/trade name. Significant assumptions and estimates used in determining fair value include future revenues, the royalty rate, terminal value, and a discount rate.

During the fourth quarter of fiscal years 2023, 2022 and 2021, the Company completed its impairment test for its indefinite-lived intangible asset and no impairment was indicated.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies the performance obligations.

Franchise fees and royalty revenues

"Franchise fees and royalty revenues" and "Franchise fees and royalty revenues from affiliates" include royalties and franchise fees. Royalties from franchised and affiliate restaurants are based on a percentage of net sales of the restaurant and are recognized as earned. Initial franchise fees are recorded within "Current portion of deferred revenue", "Deferred revenue from affiliates", or "Deferred revenue" on the Company's consolidated balance sheets when received and recognized as revenue over the contractual term of the franchise agreement, once a franchised restaurant is opened. Renewal franchise fees are recognized as revenue over the contractual term of the franchise agreement, once the license agreement is signed and the fee is paid. Franchise commitment fee deposits are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants.

Other revenues

"Other revenues" primarily consist of training fees generated from providing training to the franchisees' owners and employees as offered by the Company pursuant to the terms of the franchise agreement.

Income Taxes

The Company is a single-member limited liability company which has not elected to be taxed as an association, and consequently, is not subject to U.S. federal and state income taxes. Federal and state income taxes are the responsibility of ARG. Therefore, no U.S. or state income taxes, or deferred tax assets or liabilities have been recorded in the consolidated financial statements.

Fair Value Measurements

The Company's financial instruments include restricted cash and cash equivalents, accounts receivable and accounts payable. The fair value of restricted cash and cash equivalents, accounts receivable and accounts payable approximates book value due to their short-term nature. The carrying value of indefinite-lived intangible assets are tested annually for impairment or more frequently if an event occurs that indicates an impairment may have been incurred, using fair value measurements with unobservable inputs.

Valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

ARBY'S FRANCHISOR, LLC AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Contributions from and Distributions to Member

Contributions from and distributions to Member principally result from transactions with the Member conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Member on a net basis on the statements of member's equity and on a net basis as a financing activity on the statements of cash flows.

Change in Accounting Principle

During 2023, the Company changed its policy for classification of certain cash balances within bank accounts that have restrictions over withdrawal and use. Such balances are now classified as "Restricted cash and cash equivalents" in the consolidated balance sheets in accordance with the Company's accounting policy. The change in principle has been applied retrospectively and resulted in the reclassification of \$1.2 million of "Cash and cash equivalents" as of January 1, 2023 to "Restricted cash and cash equivalents". This change is considered preferable as it aligns the Company's policy with Inspire's policy for restricted cash.

Subsequent Events

The Company has evaluated subsequent events from the balance sheet date through March 22, 2024, the date at which the consolidated financial statements were available to be issued, and there are no items to disclose or that require adjustment.

Recent Accounting Pronouncements

Credit Losses (ASU 2016-13)

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-13, "Financial Instruments - Credit Losses (Topic 326)", which requires the measurement and recognition of expected credit losses for financial assets held at amortized cost. The new guidance has replaced the incurred loss methodology of recognizing credit losses on financial instruments with a methodology that estimates the expected credit loss on financial instruments and reflects the net amount expected to be collected on the financial instrument. The standard was effective for the Company in its first quarter of fiscal 2023 and was applied retrospectively. This pronouncement did not have a material impact on its consolidated financial statements and related disclosures.

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's consolidated financial statements when adoption is required in the future.

Deferred revenue primarily represents the Company's remaining performance obligations under its franchise and license agreements for which consideration has been received or is receivable, and is recognized on a straight-line basis over the remaining term of the related agreement. The Company recognized \$1.8 million, \$1.8 million and \$2.5 million of revenues associated with prior year deferred franchise fees for the fiscal years ended December 31, 2023, January 1, 2023 and January 2, 2022, respectively, offset by cash payments received or due in advance of satisfying its performance obligations.

Securitization Notes

The Issuer issued fixed rate senior secured notes and variable funding notes, collectively referred to as the “Arby's Securitization Notes”. The Arby's Securitization Notes were issued in a securitization transaction pursuant to which certain franchise-related agreements, intellectual property, in each case relating to the U.S., Canada, Turkey and Qatar, and real property were contributed by various subsidiaries of ARG to the Issuer, the Company and one other limited-purpose, bankruptcy remote, wholly-owned subsidiary of the Issuer, each of which acts as a guarantor through the maturity date of the Arby's Securitization Notes and has pledged substantially all of its assets to secure the obligations of the Issuer.

The following table summarizes the Arby's Securitization Notes outstanding as of December 31, 2023:

<i>(dollars in thousands)</i>	Issuance Date	Anticipated Repayment Date^(a)	Outstanding Principal
2020 Class A-2 Senior Secured Fixed Rate Notes	July 2020	July 2027	\$ 798,188
2020 Class A-1 Senior Variable Funding Notes	July 2020	January 2028	—
Total			<u>\$ 798,188</u>

(a) The legal final maturity dates of the Arby's Securitization Notes issued in 2020 are July 2050. If the Arby's Issuer has not repaid or refinanced the notes prior to the anticipated repayment date, additional interest will accrue pursuant the terms of the underlying securitization agreement.

In February 2023, the Issuer amended, extended, and upsized its existing 2020 Class A-1 Senior Variable Funding Notes ("2020 Variable Funding Notes") from \$150.0 million to \$300.0 million.

The 2020 Variable Funding Notes allow for the issuance of up to \$300.0 million of variable funding notes and certain other credit instruments, including total letters of credit of \$50.0 million, in support of various Arby's subsidiary obligations. As of December 31, 2023, the Issuer had no outstanding borrowings under the 2020 Variable Funding Notes, exclusive of \$7.1 million of outstanding letters of credit. As of December 31, 2023, there was \$292.9 million remaining capacity for future borrowings.

Legal Matters

The Company is involved in various litigation and claims incidental to its business from time to time. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flows.

6. TRANSACTIONS WITH RELATED PARTIES

A substantial portion of the Company’s revenues are generated from royalties from affiliate-owned restaurants equal to 5% of net sales. These amounts are reflected in “Franchise fees and royalty revenues from affiliates” in the consolidated statements of income and comprehensive income and “Accounts receivable from affiliates” in the consolidated balance sheets.

The Company entered into the Management Agreement with ARG to perform certain services including, among other things, collecting payments from franchisees, managing Company assets, and performing certain franchising, marketing, accounting, legal and other services on behalf of the Company. In exchange for the services described above, the Company pays a management fee equal to the sum of (a) a base annual amount of \$10.4 million, plus (b) a fee of \$11,250 for every integer multiple off \$0.1 million of aggregate Retained Collections over the preceding four most recently ended fiscal quarters, divided by 52 or 53, depending on the number of weeks in the fiscal year. Fees are subject to 2% annual increases on the first day of the quarterly fiscal period that commences immediately following each anniversary of the Closing Date. The management fee is included in “Management fee to affiliate” in the consolidated statements of income and comprehensive income and “Accounts payable to affiliates” in the consolidated balance sheets. As a result of this related party management agreement, results of operations of the Company may not be indicative of those that would have been achieved had the Company operated on a stand-alone basis.

Independent Auditors' Report

The Board of Directors and Stockholder
Arby's Restaurant Group, Inc.:

Opinion

We have audited the consolidated financial statements of Arby's Restaurant Group, Inc. and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and January 1, 2023, and the related consolidated statements of income, comprehensive income, stockholder's deficit, and cash flows for each of the fiscal years in the three-year period ended December 31, 2023, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and January 1, 2023, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 31, 2023 in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ARBY'S RESTAURANT GROUP, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. DESCRIPTION OF BUSINESS

Arby's Restaurant Group, Inc. (collectively, with its subsidiaries, "Arby's," or the "Company") is a wholly owned subsidiary of IRB Holding Corp. ("IRB" or "Parent") whose ultimate parent is Inspire Brands, Inc. ("Inspire").

The Company operates in the quick service restaurant business through Company-owned and franchised Arby's® restaurants that feature a variety of deli-inspired sandwiches and complementary side items and desserts. As the Company's restaurants and its franchised restaurants are generally located throughout the United States ("U.S."), the Company believes the risk of geographic concentration is not significant.

The following table presents restaurant information by ownership type:

Unit Count	2023	2022
Company-owned restaurants	1,097	1,110
Franchised restaurants	2,516	2,479
Total restaurants	<u>3,613</u>	<u>3,589</u>

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the U.S. ("GAAP"). All intercompany balances and transactions have been eliminated in consolidation.

The consolidated financial statements include our accounts and the accounts of entities in which we have a controlling financial interest, the usual condition of which is ownership of a majority voting interest. We also consider for consolidation entities in which we have certain interests, where the controlling financial interest may be achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity ("VIE"), is required to be consolidated by its primary beneficiary. The Company has determined that AFA Service Corporation ("AFA") is a VIE, Arby's holds a variable interest in AFA and that Arby's is the primary beneficiary. AFA offers advertising and marketing services for the Arby's restaurant system. Because Arby's is the primary beneficiary, the Company consolidates AFA in its financial statements.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the Sunday closest to December 31 and are referred to herein as (1) "the year ended December 31, 2023" or "2023," (2) "the year ended January 1, 2023" or "2022," (3) "the year ended January 2, 2022" or "2021." The years 2023, 2022 and 2021 consisted of 52 weeks.

Cash, Cash Equivalents, and Restricted Cash

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 31, 2023 and January 1, 2023, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid investments with a maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

ARBY'S RESTAURANT GROUP, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Company holds restricted cash which primarily represents interest, principal, and commitment fee reserves related to the Company's notes. In accordance with the Company's securitized financing facilities, certain cash balances are required to be held for the benefit of the noteholders and are restricted in their use.

Accounts and Notes Receivable, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements, including contributions due to advertising funds it consolidates. These receivables from franchisees are due within 30 days of the period in which the corresponding sales occur and are classified as "Accounts and notes receivable, net" on the consolidated balance sheets. Credit card receivables for sales to customers in Company-owned restaurants are also included. The Company monitors accounts and notes receivable and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

Property and Equipment, net

Property is stated at cost, including internal costs of employees to the extent such employees are dedicated to specific restaurant construction projects, less accumulated depreciation. Depreciation of property is computed principally on the straight-line basis using estimated useful lives of the related major classes of property. Estimated useful lives are 3 to 15 years for office and restaurant equipment, 3 to 5 years for transportation equipment, 7 to 40 years for buildings and 7 to 25 years for site improvements. Finance lease assets and leasehold improvements are amortized and depreciated over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed. The Company tests goodwill by reporting unit for impairment annually during the fourth quarter, or more frequently if events or changes in circumstances indicate that it may be impaired.

The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, the Company performs a quantitative impairment test of goodwill. The Company estimates the fair value of the reporting unit using an income approach through a discounted cash flow analysis using unobservable inputs and relevant data from the guideline transaction approach and guideline public companies market approach. Significant assumptions and estimates used in determining fair value include future revenues and cash flows, terminal value, a discount rate that approximates the reporting unit's weighted average cost of capital and a selection of multiples for comparable publicly traded companies as guidelines for determining fair value under the market approach.

During the fourth quarter of the years 2023, 2022 and 2021, the Company completed its impairment test for goodwill and no impairment was indicated.

Indefinite-lived Intangibles and Other Definite-lived Assets

Indefinite-lived Intangibles

The Company reviews indefinite-lived intangible assets for impairment at least annually during the fourth quarter and more frequently if events or changes in circumstances indicate that the carrying amount of the indefinite-lived intangible asset may not be recoverable. The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount, the Company performs a quantitative impairment test. If such reviews indicate the intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset. The Company uses the relief from royalty method to determine the fair value of its trademark/trade name. Significant assumptions and estimates used in determining fair value include future revenues, the royalty rate, terminal value, and a discount rate.

ARBY'S RESTAURANT GROUP, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

During the fourth quarter of the years 2023, 2022 and 2021, the Company completed its impairment test for its indefinite-lived intangible asset and no impairment was indicated.

Definite-lived assets

Definite-lived intangible assets are amortized on a straight-line basis using estimated useful lives of the related classes of intangible assets.

The Company reviews definite-lived assets, including operating lease assets, property and equipment, and allocated intangible assets subject to amortization, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset group may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows we expect to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value.

For the purposes of impairment testing for our Company-owned restaurants, we review our definite-lived assets of such individual restaurants (primarily property and equipment and operating lease assets) that we intend to continue operating for impairment whenever events or changes in circumstances indicate that the carrying amount of a restaurant may not be recoverable. We evaluate the recoverability of these restaurant assets by comparing the estimated undiscounted future cash flows over the remaining useful life of the primary asset, which are based on our restaurant-specific assumptions, to the carrying value of such assets. For restaurant assets that may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value. Fair value is an estimate of the price a market participant would pay for the restaurant and its related assets, including any operating lease assets, and is determined by discounting the estimated future cash flows of the restaurant, which include a deduction for royalties we would receive under a franchise agreement with terms substantially at market. The cash flows incorporate reasonable assumptions we believe a franchisee would make such as sales growth and margin improvement. The discount rate used in the fair value calculation is our estimate of the required rate of return that a franchisee would expect to receive when purchasing a similar restaurant and the related definite-lived assets. The discount rate incorporates rates of returns for historical refranchising market transactions and is commensurate with the risks and uncertainty inherent in the forecasted cash flows.

Management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, sublease income and refranchising proceeds. Accordingly, actual results could vary significantly from our estimates.

For the years ended December 31, 2023, January 1, 2023 and January 2, 2022, the Company recorded impairment charges of operating lease assets and other definite-lived assets for its Company-owned restaurants. The impairment charges were recorded within "Impairment charges" on the Company's consolidated statements of income.

Debt Issuance Costs

Debt issuance costs are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the related "Long-term debt, net" or as an asset in "Other assets" related to line-of-credit arrangements and are amortized as interest expense over the term of the related debt using the effective interest method.

Income Taxes

The Company is included in the consolidated U.S. federal and certain state income tax returns of Inspire. The Company provides for U.S. federal and state income taxes in accordance with a formal tax sharing agreement between Inspire and its subsidiaries (the "Tax Sharing Agreement"). By providing for taxes in accordance with the Tax Sharing Agreement, the Company has prepared its income tax provision under the pro rata method by recording the Company's relative contribution to the Inspire consolidated income tax provision. The Company makes tax payments directly to certain state governmental jurisdictions for itself and on behalf of Inspire and its subsidiaries. Differences between the Company's income tax provision and cash flows attributable to income taxes pursuant to the provisions of the Company's Tax Sharing Agreement have been recognized as contributions from and distributions to Parent. Current amounts due to IRB or affiliates are included in "Other current liabilities."

The Company records income tax liabilities based on known obligations and estimates of potential obligations. A deferred tax asset or liability is recognized whenever there are (i) future tax effects from temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases or (ii) operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to the years in which those differences are expected to be recovered or settled. Deferred tax assets related to U.S. federal and state attributes are measured based on the Company's relative contribution to the Inspire consolidated deferred tax assets in

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

accordance with the Tax Sharing Agreement. When considered necessary, the Company records a valuation allowance to reduce the carrying amount of deferred tax assets if it is more likely than not that all or a portion of the assets will not be realized on the Inspire consolidated federal tax return.

The Company applies a recognition threshold and measurement attribute for consolidated financial statement recognition and measurement of potential tax benefits associated with tax positions taken or expected to be taken in the Company's income tax returns ("Uncertain Tax Positions"). The Company uses a two-step process when evaluating tax positions. The Company first determines if it is more likely than not that a tax position will be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. A tax position that meets the more likely than not recognition threshold is then measured for purposes of consolidated financial statement recognition as the largest amount of benefit that is greater than 50% likely of being realized once the position is considered effectively settled.

Interest and penalties accrued for Uncertain Tax Positions are charged to "Income tax expense."

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies the performance obligations.

Company-owned restaurant sales

"Company-owned restaurant sales" includes revenues recognized when the performance obligation is satisfied, which occurs upon delivery of food to the customer at Company-owned restaurants. "Company-owned restaurant sales" excludes sales taxes collected from the Company's customers.

Franchise fees and royalty revenues

"Franchise fees and royalty revenues" include franchise fees and royalties. The rights and obligations governing franchised restaurants are set forth in the franchise agreement. The franchise agreement provides for a 10 to 20-year initial term subject to certain conditions. Prior to the end of the franchise term or as otherwise provided by the Company, a franchisee may elect to renew the term of a franchise agreement, depending on contract terms if certain conditions are met.

Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Initial franchise fees are recorded within "Other current liabilities" and "Other liabilities" on the Company's consolidated balance sheets when received and recognized as revenue over the contractual term of the franchise agreement, once a franchised restaurant is opened. Renewal franchise fees are recognized as revenue over the contractual term of the franchise agreement, once the license agreement is signed and the fee is paid. Franchise commitment fee deposits are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants.

Franchise contributions for advertising

"Franchise contributions for advertising" primarily include contributions to advertising funds by franchisees that the Company's subsidiaries manage in the United States and certain foreign markets. The Company acts as a principal in the transactions entered into by the advertising funds and therefore consolidates based on the nature of the goods or services provided and/or our commitment to pay for advertising services in advance of the related franchisee contributions. Additionally, the advertising services provided to franchisees are highly interrelated with the franchise right and therefore not distinct. Franchisees remit to these consolidated advertising funds a percentage of restaurant sales as consideration for providing the advertising services. Contributions to advertising funds are due within the month after which the revenue was generated through sales of the franchised restaurant. Revenue related to these contributions is based on a percentage of restaurant sales and is recognized as earned.

Other revenues

"Other revenues" primarily includes rental income from owned real estate the Company leases to third parties as well as sites leased and subleased. Noncancelable lease terms are initially between 10 and 20 years and, in most cases, provide for rent escalations and renewal options.

Rental income from real estate the Company owns and leases is recognized on a straight-line basis over the respective operating lease terms. Rental income for base rentals is recorded on a straight-line basis over the lease term. The differences between the straight-line rent amounts and amounts receivable under lease contracts are recorded as deferred rent assets in current or noncurrent assets, as appropriate. Variable lease receipts are recognized as earned, and any amounts received from lessees in advance of achieving stipulated thresholds are deferred until such thresholds are actually achieved. Deferred variable lease receipts are recorded as "Other current liabilities" in the consolidated balance sheets.

Advertising Costs

Production costs of commercials are expensed in the fiscal period the advertising is first aired while the costs of programming and other advertising, promotion and marketing programs are expensed as incurred. Company-owned restaurants, consistent with franchisees, are required to make contributions to advertising funds. Contributions are based on a percentage of sales of Company-owned restaurants. These contributions as well as direct marketing costs we may incur outside of the advertising funds related to Company-owned restaurants are recorded within "Company-owned restaurant expenses." The Company-owned advertising expenses for the years ended December 31, 2023, January 1, 2023 and January 2, 2022 were \$83.7 million, \$84.4 million and \$94.7 million, respectively. Franchise advertising expenses as a result of our obligation to spend franchisee contributions to those funds are recorded as "Franchise advertising expenses." Beginning in 2021, at the end of each fiscal year, additional advertising costs are accrued to the extent advertising revenues exceed the related advertising expense to-date, as the Company is obligated to expend such amounts on advertising. This policy was retrospectively applied to 2020 and resulted in an increase to "Total stockholder's deficit" as of January 3, 2021 of \$25.7 million that is reflected as an "Impact of change in accounting policy" in the the Company's consolidated statements of stockholder's deficit."

Leases

The Company evaluates the contracts it enters into to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating, sales type or direct financing lease where the Company is a lessor, based on their terms.

Management makes certain estimates and assumptions regarding each new lease and sublease agreement, renewal and amendment, including, but not limited to, property values, market rents, property lives, discount rates and probable term, all of which can impact the classification of and accounting for the Company's leases. The amount of depreciation and amortization, interest and rent expense and income reported would vary if different estimates and assumptions were used.

Operating Leases

Operating lease assets and liabilities are recognized upon lease commencement. The Company recognizes operating lease liabilities equal to the future unpaid lease payments for non-cancelable operating leases having an initial lease term in excess of one year, discounted by the Company's incremental borrowing rate. As most leases do not provide an implicit discount rate, the Company's incremental secured borrowing rate is used based on the information available at commencement date, including the lease term and market data, in determining the present value of lease payments. The IBR is determined using the current yield of the Company's secured debt, adjusted for the lease term.

ARBY'S RESTAURANT GROUP, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Minimum lease payments or receipts, including minimum scheduled rent increases, are recognized as rent expense where the Company is a lessee, or income where the Company is a lessor, as applicable, on a straight-line basis over the applicable lease terms. There is a period under certain lease agreements referred to as a rent holiday that begins on the possession date and ends on the rent commencement date. During a rent holiday, no cash rent payments are typically due under the terms of the lease; however, expense is recorded for that period on a straight-line basis. Certain leases contain provisions, referred to as contingent rent, that require additional rental payments based upon restaurant sales volume. Contingent rent is recognized each period as the liability is incurred or the asset is earned.

Lease cost for operating leases is recognized on a straight-line basis and includes the amortization of the right-of-use ("ROU") asset and interest expense related to the operating lease liability. Variable lease cost for operating leases includes contingent rent. Leases with an initial term of 12 months or less are not recorded in the consolidated balance sheets. Lease costs are recorded in the consolidated statements of income based on the nature of the underlying lease as follows: (1) rental expense related to leases for Company-operated restaurants is recorded to "Company-owned restaurant expenses," (2) rental expense for leased property that is subsequently subleased to franchisees is recorded to "Occupancy expenses - franchise restaurants" and (3) rental expense related to leases for corporate offices and equipment is recorded to "Selling, general and administrative expenses."

Finance Leases

Amounts of finance leases are recognized based on the present value of unpaid lease payments over the lease term. Lease cost for finance leases includes the amortization of the finance lease asset, which is amortized on a straight-line basis and recorded to "Depreciation and amortization," and interest expense on the finance lease liability, which is calculated using the effective interest method and recorded to "Interest expense, net". Finance lease assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Policy elections

Non-lease component - The Company has lease agreements with lease and non-lease components. The Company elected the practical expedient to not separate nonlease components from lease components for all classes of underlying assets.

Fair Value Measurements

The Company's financial instruments include cash, cash equivalents, restricted cash, accounts receivable, accounts payable and long-term debt. The fair value of cash, cash equivalents, restricted cash, accounts receivable and accounts payable approximates book value due to their short-term nature. The carrying values of goodwill and indefinite-lived intangible assets are tested annually for impairment or more frequently if an event occurs that indicates an impairment may have been incurred, using fair value measurements with unobservable inputs if a quantitative impairment testing approach is taken. Asset groups containing other definite-lived assets are tested for impairment if an event occurs that indicates an impairment may have been incurred, using fair value measurements with unobservable inputs. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during the current year.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs if a quantitative impairment testing approach is taken. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active, and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the consolidated statements of stockholder's deficit. The net distributions in a year are first recorded to "Retained earnings", if any, until the cumulative retained earnings balance is reduced to zero. Any remaining distributions in a year are then recorded to "Additional paid-in capital," if any, until the cumulative "Additional paid-in capital" balance is reduced to zero and are then subsequently recorded to "Accumulated deficit." The net contributions in a year are recorded to "Additional paid-in capital." The Company presents contributions from and distributions to Parent on a net basis as a financing activity on the consolidated statements of cash flows.

Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

Out-of-Period Adjustments

The Company recorded an after-tax adjustment of \$5.6 million in its consolidated statement of income for the year ended December 31, 2023 reflecting the impact of a prior period error identified and corrected during 2023. The prior period error was primarily associated with a disposal of assets in 2021 that resulted in a gain in "Other operating income, net".

Additionally, the Company recorded an after-tax charge of \$4.1 million in its consolidated statement of income for the year ended January 1, 2023 reflecting the cumulative impact of prior period errors identified and corrected during 2022. The prior period errors were primarily associated with the estimated useful lives of certain leasehold improvements that extended beyond the terms of the respective leases.

Based on an analysis of qualitative and quantitative factors, the Company concluded that the cumulative impact of these errors was not material to any of the Company's previously issued consolidated financial statements.

Change in Accounting Principle

Restricted Cash and Cash Equivalents

During 2023, the Company changed its policy for classification of certain cash balances within bank accounts that have restrictions over withdrawal and use. Such balances are now classified as "Restricted cash and cash equivalents" in the consolidated balance sheets in accordance with the Company's accounting policy. The change in principle has been applied retrospectively and resulted in the reclassification of \$6.3 million of "Cash and cash equivalents" as of January 1, 2023 to "Restricted cash and cash equivalents". This change is considered preferable as it aligns the Company's policy with Inspire's policy for restricted cash.

Subsequent Events

The Company has evaluated subsequent events from the balance sheet date through March 22, 2024, the date the consolidated financial statements were available to be issued, and there are no items to disclose or that require adjustment.

Recently Adopted Accounting Pronouncements

Credit Losses (ASU 2016-13)

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-13, "Financial Instruments - Credit Losses (Topic 326)", which requires the measurement and recognition of expected credit losses for financial assets held at amortized cost. The new guidance has replaced the incurred loss methodology of recognizing credit losses on financial instruments with a methodology that estimates the expected credit loss on financial instruments and reflects the net amount expected to be collected on the financial instrument. The standard was effective for the Company in its first quarter of fiscal 2023 and was applied retrospectively. This pronouncement did not have a material impact on its consolidated financial statements and related disclosures.

Reference Rate Reform (ASU 2020-04)

In March 2020, the FASB issued ASU 2020-04, "Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting" ("ASU 2020-04"). In January 2021, the FASB clarified the scope of this guidance with the issuance of ASU 2021-01, Reference Rate Reform: Scope. ASU 2020-04 provides optional expedients and exceptions for applying GAAP for contracts, hedging relationships and other transactions that reference the London Interbank Offered Rate ("LIBOR") or another reference rate if certain criteria are met. ASU 2020-04 may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2024. The Company adopted ASU 2020-04 during the year-ended December 31, 2023 utilizing the optional expedients provided. There was not a material impact as a result of the adoption.

New Accounting Pronouncements Not Yet Adopted

Income Taxes (ASU 2023-09)

In December 2023, the FASB issued ASU 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures" ("ASU 2023-09") which requires additional qualitative disclosures about specific categories of reconciling items listed in ASC 740-10-50-12A(a) and any individual jurisdictions that result in a significant difference between the statutory tax rate and the effective tax rate under ASC 740-10-50-13. ASU 2023-09 also requires entities to disclose annual income taxes paid (net of refunds received) disaggregated by federal, state and foreign taxes and in some cases to disaggregate the information by jurisdiction based on a quantitative threshold. The guidance is effective for the Company beginning in fiscal year 2026 and may be applied on either a prospective or retrospective basis. The Company is currently evaluating the potential effects of adoption of ASU 2023-09.

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's consolidated financial statements when adoption is required in the future.

Securitization Notes

Arby's Funding, LLC (the "Issuer"), which is a limited purpose, bankruptcy-remote, indirect wholly-owned subsidiary of the Company, through a series of securitization transactions has issued fixed rate senior secured notes and variable funding notes, collectively referred to as the "Arby's Securitization Notes". - (a) The legal final maturity dates of the Arby's Securitization Notes issued in 2020 are July 2050. - (b) The 2020 Class A-1 Senior Variable Funding Notes ("2020 Variable Funding Notes") have an anticipated repayment date of January 2028. The 2020 Variable Funding Notes bear interest at per annum rates equal to funding cost or index plus 3.00%. The 2020 Variable Funding Notes are subject to certain commitment fees from 0.50% to 1.00% based on utilization.
- (c) Includes the effects of the amortization of any debt issuance costs recorded as Interest expense, net.

The Arby's Securitization Notes were issued in securitization transactions pursuant to which certain franchise-related agreements, intellectual property, in each case relating to the U.S., Canada, Turkey and Qatar, and real property were contributed by various subsidiaries of ARG to the Issuer, and two limited-purpose, bankruptcy remote, wholly-owned subsidiary of the Issuer, each of which acts as a guarantor of the Arby's Securitization Notes and has pledged substantially all of its assets to secure the obligations of the Issuer.

In February 2023, the Issuer amended, extended, and upsized its existing 2020 Variable Funding Notes from \$150.0 million to \$300.0 million.

Interest on the Arby's Securitization Notes is payable on a quarterly basis. The 2020 Variable Funding Notes allow for the issuance of up to \$300.0 million of variable funding notes and certain other credit instruments, including total letters of credit of \$50.0 million, in support of various Arby's subsidiary obligations. As of December 31, 2023, the Company had no outstanding borrowings under the 2020 Variable Funding Notes, exclusive of \$7.1 million of outstanding letters of credit. As of December 31, 2023, there was \$292.9 million remaining capacity for future borrowings.

Operating loss and tax credit carryforwards primarily consist of net operating losses of various U.S. state jurisdictions that expire from 2031-2043, and an immaterial amount that have no expiration. The Company's valuation allowance is related to net operating losses from certain state jurisdictions. During the year ended December 31, 2023, the increase in the valuation allowance was primarily driven by the generation of state net operating losses.

As of December 31, 2023, the Company's unremitted foreign earnings were immaterial. The Company considers the unremitted earnings of its Canadian subsidiary to not be permanent in duration. Any repatriation by way of a dividend may be subject to foreign and U.S. federal and state income taxes.

The U.S. federal income tax returns are settled for fiscal years through December 29, 2013. The U.S. federal income tax returns for all subsequent fiscal periods remain subject to examination. Certain of the Company's state income tax returns from fiscal year 2011 forward remain subject to examination. Various state income tax returns are currently under examination.

10. GUARANTEES AND OTHER COMMITMENTS AND CONTINGENCIES

Term Loans and Revolving Credit Facility Guarantee

IRB entered into a credit agreement (the "IRB Credit Agreement") that provides for secured credit facilities, which include term loan facilities (the "IRB Term Loans") and a revolving credit facility (the "IRB Revolving Credit Facility") with revolving loans up to an aggregate maximum of \$490.0 million. The IRB Credit Agreement contains customary provisions relating to mandatory prepayments, voluntary prepayments, conditions to borrowings and issuances of letters of credit under the IRB Revolving Credit Facility, representations and warranties, affirmative covenants, negative covenants and events of default. All obligations under the IRB Credit Agreement are guaranteed by the Company and secured by substantially all assets of the Company.

As of December 31, 2023, approximately \$4.2 billion was outstanding under the IRB Term Loans. As of December 31, 2023, \$30.7 million of letters of credit were outstanding under the IRB Revolving Credit Facility. As of December 31, 2023, there was approximately \$459.3 million remaining capacity for future borrowings.

IRB Senior Notes Guarantee

IRB entered into an indenture and issued notes in 2020 (the "2020 IRB Senior Notes") in an aggregate principal amount of \$750.0 million and a maturity date of June 2025. The 2020 IRB Senior Notes are senior secured obligations of IRB and are guaranteed by the Company. As of December 31, 2023, approximately \$750.0 million was outstanding under the 2020 IRB Senior Notes.

Lease Commitments

The Company guarantees the performance of lease obligations for former Company-owned restaurant locations. The guarantees, which extend through 2028, aggregated to a maximum of \$2.4 million as of December 31, 2023. At this time, the Company does not anticipate any material defaults under the foregoing leases; therefore, no liability has been recognized.

Beverage Agreements

The Company has purchase commitments through 2034 related to various beverage agreements. Based on current prices and the current ratio of company-owned to franchised restaurants, as of December 31, 2023 the total remaining purchase commitments related to these agreements is estimated to be \$129.9 million.

Advertising Commitments

The Company has purchase commitments related to the execution of its advertising strategies, including agency fees and media buy obligations. Because most media purchase commitments can be canceled within 90 days of scheduled broadcasts, the Company does not believe these agreements would have a significant impact on its operations.

Legal and Environmental Matters

The Company is involved in various litigation and claims incidental to its business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flows.

11. TRANSACTIONS WITH RELATED PARTIES

Shared service costs from Inspire are directly incurred and were allocated to the Company. For the years ended December 31, 2023, January 1, 2023 and January 2, 2022, shared service costs were \$65.3 million, \$110.5 million and \$90.7 million,

ARBY'S RESTAURANT GROUP, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

respectively, and are included in "Selling, general and administrative expenses." In 2022 and 2021, Inspire's allocation methodology included both direct charges and indirect allocations based on revenues. Beginning in 2023, Inspire's allocation methodology changed to only allocating expenses based on charges directly incurred by the Company. As a result of these allocations, the Company's results of operations may not be indicative of those that would be achieved if they had operated on a stand-alone basis.

Additionally, a summary of balances between the Company and its related parties are as follows:

<i>(dollars in thousands)</i>	2023	2022
Balances with related parties:		
Note receivable from ARG IH LLC ^(a)	\$ 380,000	\$ 380,000
Note receivable from IRB ^(b)	\$ —	\$ 118,975

- (a) During 2015, the Company issued a note receivable to ARG IH LLC due on demand and in no case later than July 30, 2027 with interest accruing at 1.58% per annum, payable quarterly. During each of 2023, 2022 and 2021, the Company recorded interest income of \$6.0 million within "Other income, net." There was no accrued interest as of December 31, 2023. ARG IH LLC does not have the intent to cash settle this note receivable with the Company under the terms of the arrangement and therefore is classified in "Note receivable from Parent" within stockholder's deficit in the consolidated balance sheets and consolidated statements of stockholder's deficit.
- (b) During December 2020, the Company invested in a note receivable from IRB, which was repaid in September 2021. During December 2021, the Company reinvested in a note receivable from IRB, which was repaid in March 2022. During December 2022, the Company invested in a note receivable of \$119.0 million from IRB, which was repaid on January 30, 2023. The Company recorded interest income of \$0.7 million, \$0.9 million and \$3.6 million for the years 2023, 2022 and 2021 within "Other income, net."

DEVELOPMENT AGREEMENT

This is a Development Agreement ("Development Agreement") made as of the ___ day of _____, 20___, by and between ARBY'S FRANCHISOR, LLC a Delaware limited liability company, with its principal office at Three Glenlake Parkway NE, Atlanta, Georgia 30328 (Arby's"), and _____, a(n) individual/corporation/partnership with its/her/his principal office/residence located at _____, ("Developer").

WHEREAS, Arby's is licensed to use a number of trademarks and service marks ("Arby's Trademarks" or the "Trademarks") and is a franchisor of a system of Restaurants ("Arby's Restaurants" or the "Restaurants"), featuring Arby's deli inspired sandwiches and other food items (the "Arby's System" or the "System"); and

WHEREAS, Developer desires the exclusive rights to develop Arby's Restaurants within the geographic area specified in this Development Agreement for the limited term of this Development Agreement; and

WHEREAS, Arby's is willing to grant such rights in accordance with the terms and conditions of this Development Agreement.

NOW, THEREFORE, it is mutually agreed as follows:

1. GRANT. Arby's hereby grants to Developer during the term of this Development Agreement and subject to the conditions hereof the exclusive right to develop Arby's Restaurants in the limited geographical area identified and set forth in Exhibit A, exclusive of any Unit Trading Area or Protected Area located therein as defined in any License or Franchise Agreements currently issued to other parties; this geographical area shall be referred to as the "Territory." The operation of the Restaurants developed pursuant to this Development Agreement will be governed by individual Franchise Agreements issued by Arby's in accordance with Section 11 below. So long as Developer is in compliance with the terms and conditions of this Development Agreement, Arby's will not license or franchise others to operate, nor will it itself operate, any new or additional Arby's Restaurants in the Territory during the term of this Development Agreement.

2. TERM. Unless earlier terminated pursuant to Section 13, this Development Agreement shall expire as shown on Exhibit B (the "Development Agreement Schedule"), or upon the execution by Arby's of the Franchise Agreement for the last of the Restaurants specified on the development schedule (the "Development Schedule") set forth in Exhibit B, whichever occurs first.

3. DEVELOPMENT FEE. Upon execution of this Development Agreement, Developer shall pay to Arby's a fee (the "Development Fee"), as shown on Exhibit B. This Development Fee shall be fully earned by Arby's in consideration of its execution of this Development Agreement and shall be non-refundable. Developer also must pay Arby's or the affiliates of Arby's within ten (10) calendar days after demand: (i) all sales taxes, corporate taxes and any like taxes imposed on, required to be collected by, or paid by Arby's on account of Arby's collection of any fee related to this Development Agreement; (ii) all franchise or like taxes, whether based on gross receipts, gross revenues, Development Fee or otherwise, imposed on, required to be collected by, or paid by Arby's; and (iii) all other amounts Arby's pays or must pay for Developer for any reason.

4. DEVELOPMENT SCHEDULE. Developer shall open and continuously operate properly franchised Arby's Restaurants in accordance with the Development Schedule set forth in Exhibit B. In the event that Developer opens and continuously operates a greater number of Arby's Restaurants than required during any interim period of the Development Schedule, the requirements of the succeeding period(s) shall be deemed satisfied to the extent of such excess number of Restaurants, up to the total number of Restaurants specified in the Development Schedule.

5. LOCATION OF RESTAURANTS. Developer is responsible for locating proposed sites within the Territory for each of the Restaurants contemplated in the Development Schedule; during the term of this

Development Agreement, Developer shall use its best efforts to locate suitable sites. Arby's may, in its judgment, offer counseling and advice in site selection. In no event, however, shall Arby's be obligated to loan money, guarantee leases, provide financing or otherwise become directly involved and/or obligated to Developer or to any third party in respect of such site selection or development; these activities and undertakings shall be the exclusive responsibility of Developer, financially and otherwise.

6. SITE ACCEPTANCE. Upon selection by Developer of a proposed site for a Restaurant, Developer shall promptly submit to Arby's such specific site data and demographic and other information concerning the site as may be reasonably required by Arby's, utilizing such forms as may be required by Arby's. Arby's shall either accept or reject such site in accordance with Arby's then-current site selection policies and procedures. To be effective, any acceptance must be in writing. Developer understands and acknowledges that Arby's may reject any proposed site, in which event, Developer will not proceed at the rejected site but will seek to locate an acceptable site. The acquisition in any manner of any proposed site or the expenditure of any amount associated with any proposed site prior to written acceptance by Arby's shall be at the sole risk and responsibility of Developer and shall not obligate Arby's, in any way, to accept same.

7. DISCLAIMER. In executing this Development Agreement, accepting a proposed site, giving approvals or advice, or providing services or assistance in connection with this Development Agreement, Arby's does not guarantee the suitability of an accepted site or the success of any Arby's Restaurant established at such site. Arby's expressly disclaims any warranties, express or implied, with respect to the suitability of any site or the success of any Restaurant. Developer understands and acknowledges that the suitability of a site and the success of any Restaurant depends on many factors outside the control of either Arby's or Developer (such as interest rates, unemployment rates, demographic trends, and the general economic climate), but principally depends on Developer's efforts in the operation of the Restaurant.

8. LOCATION REQUIREMENTS. As a condition for accepting a proposed site, Arby's may require Developer to negotiate a lease or sales contract that includes certain terms regarding duration or other specified matters. Developer understands and acknowledges that a site acceptance may be conditioned on such matters, and if Developer does not wish to or cannot satisfy the pertinent conditions within a reasonable time, the site will be deemed rejected. If Developer (or a licensed entity of Developer) will be leasing the site for its Restaurant, then promptly following Arby's written approval of the site and prior to Developer (or a licensed entity of Developer) becoming a lessee of the Franchised Premises, he/ she will provide Arby's with a true, correct and complete copy of any such lease, which lease is subject to Arby's acceptance, which acceptance will not be unreasonably withheld, delayed or conditioned. Additionally, Developer (or a licensed entity of Developer) will use its commercially reasonable best efforts to include the following terms in its lease for the Franchised Premises: (i) a provision reserving to Arby's the right to receive an assignment of the lease upon termination (prior to expiration) of the Franchise Agreement; (ii) a provision requiring the lessor concurrently to send Arby's a copy of any written notice of a lease default sent to Developer (or a licensed entity of Developer) and granting Arby's the right (but not the obligation) to cure any lease default within fifteen (15) business days after the expiration of Developer's (or a licensed entity of Developer's) cure period; (iii) a provision evidencing their right to display the Trademarks according to the specifications in the Arby's Operating Standards Manual ("Manual") (subject only to applicable law); and (iv) provisions, in form satisfactory to Arby's, expressly providing both Developer (or a licensed entity of Developer) and Arby's the ability to take all actions necessary in order to comply with Arby's option to cure a default under the Franchise Agreement, including but not limited to, requiring the lessor thereunder to give Arby's reasonable notice of any contemplated termination. Neither Arby's acceptance of the Franchised Premises nor Arby's review and acceptance of the lease shall constitute a guarantee or warranty, express or implied, of the successful operation or profitability of a Restaurant at the Franchised Premises. Such review and acceptance indicate only that Arby's believes the Franchised Premises and the lease terms meet Arby's then current criteria.

9. CONSTRUCTION. Upon receiving acceptance for a proposed site, Developer shall proceed promptly to secure control of the accepted site and to obtain necessary zoning and building approvals and permits. Arby's will provide standard plans for the Arby's-approved building, including specifications for fixtures, furnishings, signs, and equipment. Developer must hire an architect and general contractor to adapt these standard plans to the accepted site and must submit final working plans to Arby's for approval within the time limits set by Arby's. Developer shall not proceed with construction or remodeling until Developer has received Arby's written approval of the final working plans. Developer shall ensure that the building is

constructed or remodeled in accordance with the final working plans and specifications designated and approved by Arby's in writing. Developer will allow Arby's to make periodic inspections and will provide such periodic progress reports as may be requested by Arby's. Developer shall submit actual construction costs to Arby's within one hundred twenty (120) days of project completion.

10. TRAINING.

- (a) Developer, a general partner of Developer (if Developer is a partnership), or the majority shareholder, limited partner, member or other equity owner of Developer (if Developer is a corporation), must complete Arby's New Franchisee Orientation ("NFO") program prior to issuance of the Franchise Agreement unless Developer is already operating at least one Arby's Restaurant.
- (b) Three representatives of Developer must attend and be certified at Arby's Restaurant Management Training Program ("MTP"), or a comparable training program approved by us in our sole judgment, at a Nationally Certified Training Restaurant ("NCTR"), prior to issuance of the first Franchise Agreement. If Developer is an individual who intends to participate in the daily operation of the Restaurant, or if Developer includes a general partner or shareholder, limited partner, member or other equity owner who intends to participate in the daily operation of the Restaurant, that person must attend and be certified at the MTP as one of Developer's three representatives.
- (c) If Developer is already operating one Arby's Restaurant, three additional representatives of Developer must attend and be certified at MTP prior to issuance of the second Franchise Agreement, and one representative of Developer per Restaurant must attend and be certified at MTP prior to the issuance of any and all subsequent Franchise Agreements.
- (d) Arby's will pay the tuition for training at the NFO program and for attendance at MTP of up to three managers at an NCTR for the first Restaurant and one manager for the second Restaurant. All other tuition and expenses shall be the sole responsibility of Developer (including training fees or tuition).

11. FRANCHISE AGREEMENT.

- (a) No Arby's Restaurant may be opened or operated by Developer under any circumstances until the required Franchise Fee shown on Exhibit B has been paid and the Franchise Agreement for such location has been executed by Arby's.
- (b) The Franchise Fee for each Franchise Agreement must be paid upon the earlier of either ninety (90) calendar days prior to the scheduled opening or upon commencement of construction.
- (c) All Franchise Agreements issued pursuant to this Development Agreement will contain generally the same terms and conditions as are being offered to other franchisees similarly situated at the time of issuance, including without limitation those pertaining to the duration of the Franchise Agreement, except that, as long as Developer fully complies with this Development Agreement, the fees payable under each Franchise Agreement will reflect the royalty and/or franchise fee incentive programs listed on Exhibit B. If Developer fails to comply with the Development Schedule or any other provision of this Development Agreement, then, without limiting Arby's other rights and remedies, including without limitation the right to terminate this Development Agreement pursuant to Section 13, Developer shall no longer be eligible for any royalty and/or franchise incentive programs listed on Exhibit B.
- (d) As a condition to Arby's execution of each Franchise Agreement, Arby's may require Developer's principals, or its ultimate parent company, if any, (the "Guarantors") to execute, in a form acceptable to Arby's in its sole judgment, a guaranty to secure payment of royalties and other fees required to be paid and performance of all obligations under the Franchise

Agreement.

- (e) Developer shall comply with Arby's then-current franchising policies and procedures for issuance of the Franchise Agreements. Arby's need not issue a Franchise Agreement if Developer does not meet Arby's then-current franchising policies and procedures for issuance of the Franchise Agreements.
- (f) Arby's shall be under no obligation to execute and issue a Franchise Agreement if Developer is in breach or default of any other License or Franchise Agreement between Arby's and Developer, or if Developer is not eligible for expansion pursuant to Arby's then-current criteria for expansion.
- (g) Arby's shall be under no obligation to execute and issue a Franchise Agreement unless Developer has complied in a timely manner with all terms and conditions of this Development Agreement and has satisfied all requirements set forth herein (including construction and training requirements) with respect to the pertinent accepted site.
- (h) If and when a Franchise Agreement is executed by Arby's, it shall govern the relations between the parties with respect to the pertinent Restaurant.

12. NO RIGHT TO OPERATE OR USE TRADEMARKS. Except as provided herein, Developer acknowledges that until a Franchise Agreement has been issued for a specified site, Developer shall not have or be entitled to exercise any of the rights, powers and privileges granted by the Franchise Agreement, including without limitation the right to use Arby's Trademarks; that the execution of this Development Agreement shall not be deemed to grant any such rights, powers or privileges to Developer; and that Developer may not under any circumstances commence operation of any Arby's Restaurant prior to execution by Arby's of a Franchise Agreement for the pertinent location.

13. TERMINATION. This Development Agreement shall terminate immediately and without notice to either party upon:

- (a) the death of Developer, if Developer is an individual; or
- (b) the commencement of any proceedings by or against Developer under the Bankruptcy Act, under any Chapter thereof or amendment thereto, or under any other insolvency act, whether federal or state; the appointment of any trustee or receiver for the business or property of Developer; or any assignment by Developer for the benefit of creditors.

Arby's shall have the right at its election to terminate this Development Agreement immediately upon notice to Developer, upon the occurrence of any of the following:

- (c) failure to comply with the Development Schedule;
- (d) the attempted assignment of this Development Agreement without the prior written approval of Arby's;

This Incentives Amendment to the Development Agreement (the "Amendment") is made and entered into on _____ (the "Effective Date"), by and between ARBY'S FRANCHISOR, LLC ("we," "us," or "our") and _____ ("you" or "your").

BACKGROUND

A. [Note: Only include this recital if the parties are signing a **new** Development Agreement to receive the incentives] Simultaneously with signing this Amendment, we and you are signing that certain Development Agreement dated as of the date hereof (the "Development Agreement") granting you the right to develop one or more Arby's Restaurants in the Territory (the "New Commitments" or "Incentive Commitments"). All initial capitalized terms used but not defined in this Amendment shall have the meanings set forth in the Development Agreement.

B. [Note: Only include this recital if the parties are **amending an existing** Development Agreement to receive the incentives] Simultaneously with signing this Amendment, we and you are amending that certain Development Agreement dated _____ (as amended, the "Development Agreement") granting you the right to develop new, additional Arby's Restaurants in the Territory (each a "New Commitment" and collectively, the "New Commitments"). You understand that the terms of this Amendment will apply to all New Commitments and any Arby's Restaurant(s) you agreed to develop before entering into this Amendment but have not opened as of the date you sign this Amendment (collectively, the "Incentive Commitments"). All initial capitalized terms used but not defined in this Amendment shall have the meanings set forth in the Development Agreement.

C. Before developing and operating each Incentive Commitment that you agree to open under the Development Agreement, you must sign the then-current form of Franchise Agreement (each a "Franchise Agreement" and, collectively, the "Franchise Agreements").

D. We and you are signing this Amendment because we have committed, upon the satisfaction of certain conditions, to modify certain requirements under each Franchise Agreement you signed in connection with the Development Agreement to reflect incentives we currently offer or previously offered.

AGREEMENT

NOW THEREFORE, in consideration of the mutual promises contained herein and in the Development Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Application of Amendment.** We and you are signing this Amendment because we and you are signing or amending the Development Agreement on or before March 31, 2025 and the Incentive Commitments you agreed to develop under the Development Agreement may be eligible for one or more incentive programs described in this Amendment. Therefore, notwithstanding any terms in the Development Agreement to the contrary, if you meet the applicable incentive program conditions, then we agree that the Franchise Agreement(s) that we and you sign for certain Restaurant(s) developed under the Development Agreement will reflect the terms of the applicable incentive programs described in this Amendment.

EXHIBIT C-1

FRANCHISE AGREEMENT**

This is a Franchise Agreement (this "Franchise Agreement" or "Agreement") made as of the _____ day of _____, 20____, by and between Arby's Franchisor, LLC, a Delaware limited liability company, with its principal office at Three Glenlake Parkway NE, Atlanta, Georgia 30328, ("Arby's"), and _____, a(n) individual/corporation/limited liability company/partnership with its/her/his principal office/residence located at _____ ("Franchisee").

WHEREAS, Arby's is licensed to use a number of trademarks, service marks and trade names (the "Arby's Trademarks" or the "Trademarks"), which have been used in the development, organization and operation of a system of restaurants (individually, an "Arby's Restaurant" or "Restaurant" and collectively, "Arby's Restaurants" or "Restaurants") featuring Arby's deli inspired sandwiches and related items (the "Arby's System" or the "System");

WHEREAS, substantial goodwill and public acceptance are associated with the Arby's Trademarks and the Arby's network of Restaurants;

WHEREAS, Arby's has entered into license and franchise agreements for the operation of Arby's Restaurants on a nationwide basis; and

WHEREAS, Franchisee desires to enter into this Franchise Agreement to receive the right and privilege to use the Arby's Trademarks in the operation of a single Arby's Restaurant, upon the terms and conditions hereinafter provided.

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE 1. GRANT OF FRANCHISE

1:1 Arby's hereby grants Franchisee a license and franchise to:

1:1:1 **FRANCHISED BUSINESS AND FRANCHISED PREMISES**

Operate a restaurant business under the name "Arby's", only at the location fully described in Exhibit A (such location, the "Franchised Premises", and such business together with the Franchised Premises, the "Franchised Business"). Prior to Franchisee becoming a lessee of the Franchised Premises, Franchisee will provide Arby's with a true, correct and complete copy of any such lease, which lease is subject to Arby's acceptance, which acceptance will not be unreasonably withheld, delayed or conditioned. Additionally, Franchisee will use its commercially reasonable best efforts to include the following terms in its lease for the Franchised Premises: (i) a provision reserving to Arby's the right to receive an assignment of the lease upon termination (prior to expiration) of this Agreement; (ii) a provision requiring the lessor concurrently to send Arby's a copy of any written notice of a lease default sent to Franchisee and granting Arby's the right (but not the obligation) to cure any lease default within fifteen (15) business days after the expiration of Franchisee's cure period; (iii) a provision evidencing Franchisee's right to display the Trademarks according to the specifications in the Arby's Operating Standards Manual ("Manual") (subject only to applicable law); and (iv) provisions, in form satisfactory to Arby's, expressly providing both Franchisee and Arby's the ability to take all actions necessary in order to comply with Article 15:5 below, including but not limited to, requiring the lessor thereunder to give Arby's reasonable notice of any contemplated termination. Neither Arby's acceptance of the Franchised Premises nor Arby's review and acceptance of the lease shall constitute a guarantee or warranty, express or implied, of the successful operation or profitability of a Restaurant at the Franchised Premises. Such review and acceptance indicates only that Arby's believes the Franchised Premises and the lease terms meet Arby's then current criteria.

1:1:2 LICENSED TRADEMARKS

Use in the Franchised Business the trade name “Arby’s” and those Arby’s Trademarks presently or subsequently listed in the Manual, but only in the manner specified in the Manual and herein;

1:1:3 LICENSED PRODUCTS

Use the Trademarks in the Franchised Business only on or in connection with the sale of those food and non-alcoholic beverage products designated in the Manual as being included in Arby’s standard menu or as otherwise designated in writing by Arby’s in its sole judgment and meeting the specifications and quality standards set forth in the Manual or such other written designation by Arby’s (the “Licensed Products”); and

1:1:4 LICENSED KNOW-HOW

Use in the Franchised Business Arby’s distinctive business formats, methods, procedures, layouts, standards, specifications, designs, recipes, rules, and certain other trade secrets and proprietary information, as designated and adopted by Arby’s (the “Licensed Know-How”), all of which Arby’s may improve, further develop and otherwise periodically modify.

1:2 PROTECTED AREA

During the term of this Franchise Agreement (as defined in Article 14:1 below), Arby’s will not operate, license or franchise any other restaurant using the Trademarks and offering deli inspired sandwiches in the “Protected Area”, if any, bounded and described in Exhibit B. Arby’s may operate, license or franchise restaurants in any location other than within the Protected Area. If for any reason there is no Protected Area identified and set forth on Exhibit B, then no Protected Area exists.

1:3 ENTITY REQUIREMENTS

Franchisee agrees and represents that: (i) it has the authority to sign, deliver, and perform its obligations under this Agreement and all related agreements and is duly organized or formed and validly existing in good standing under the laws of the state of its incorporation or formation; (ii) Exhibit C to this Agreement completely and accurately identifies all of Franchisee’s owners and their interests in Franchisee, and is otherwise true and complete, as of the Effective Date; and (iii) Franchisee and its principals or, if permitted by Arby’s, Franchisee’s ultimate parent company, if any, (“Guarantors”) must sign a Guaranty And Assumption of Obligations, in the form attached as Exhibit D to this Agreement (“Guaranty Agreement”), undertaking personally to be bound, jointly and severally, by all provisions in this Agreement and any ancillary agreements between Franchisee and Arby’s. Franchisee and its principals agree to sign and deliver to Arby’s revised Exhibits C to reflect any permitted changes in the information that Exhibit C now contains.

ARTICLE 2. FRANCHISE FEE

Prior to issuance of this Franchise Agreement and in consideration of its execution by Arby’s, Franchisee shall pay to Arby’s the initial franchise fee set forth in Exhibit A. Franchisee acknowledges that this sum has been fully earned by Arby’s upon the execution of this Franchise Agreement and is non-refundable. The initial franchise fee is not in exchange for any particular products, services, or assistance, but instead solely in consideration of the granting of the franchise to operate the Franchised Business to Franchisee.

ARTICLE 3. ROYALTY FEE

3:1 MONTHLY ROYALTY FEE PAYMENT

From the date of opening of the Franchised Business, Franchisee shall pay Arby's a royalty fee equal to the percentage of Franchisee's Gross Sales (as defined in Article 3:1:3) from the operation of the Franchised Business set forth in Exhibit A. This fee attributable to Gross Sales each month shall be due and received by Arby's on or before the tenth (10th) day of the following month without notice from Arby's. If the Franchised Business first opens for business on any day other than the first day of a month, the first partial month shall be due in accordance with the foregoing.

3:1:1 GROSS SALES AND TRANSACTIONS DATA REPORTING

Each payment of royalties must be in a format as specified in the Manual and must be accompanied by a statement of the relevant Gross Sales and transactions data as well as any additional information as specified in the Manual. Upon Arby's request, the statement of the relevant Gross Sales and transactions data and any such additional information will be required to be submitted by electronic means as specified by Arby's in the Manual or otherwise in writing.

3:1:2 OVERDUE PAYMENTS

All overdue payments shall bear interest from the date due at the rate specified by Arby's from time to time, up to the highest rate permitted by the law of the state in which the Franchised Business is located or the laws of the State of Georgia, whichever is higher, but in no event to exceed eighteen percent (18.0%) per annum. Overdue payments will generally be applied to Franchisee's oldest obligation while Arby's reserves the right to apply payments as determined in its sole judgment, regardless of any designation by Franchisee to the contrary. This interest shall accrue regardless of whether Arby's exercises its right to terminate this Franchise Agreement due to Franchisee's default hereunder.

3:1:3 DEFINITION OF GROSS SALES

"Gross Sales" is defined as the total revenue received by Franchisee from the sale of all products and performance of all services in, on or from the Franchised Premises, whether for cash, check, credit or debit card, barter exchange, trade credit, or other credit transactions, and including commissions from vending and ATM machines, but excluding coupons and discounts, and sales tax or any similar taxes which are required by law to be computed separately and paid by the customer and paid to the appropriate taxing authority.

3:1:4 ROYALTY FEE CREDITS

Arby's may designate certain promotional or premium items (other than Licensed Products) sold by Franchisee as eligible for royalty fee credits. Any such designation will be made in writing by Arby's. Arby's will provide the necessary application form and procedures that must be followed by Franchisee in order to apply for the royalty fee credits. The amount of the credit will be calculated by applying the royalty fee percentage rate to the actual invoice cost of previously-designated promotional or premium items, including actual freight-in charges paid by Franchisee and excluding returns and allowances from suppliers. In order to receive the credit, Franchisee must complete and return on a timely basis the application form with all the required supporting documentation. The approved amount of royalty fee credit, if any, will be reported to Franchisee and then may be applied by Franchisee towards future royalty fee payments.

3:1:5 PAYMENT BY ELECTRONIC FUNDS TRANSFER

Arby's has the right in its sole judgment to require that each payment of royalties and the advertising and marketing service fee set forth in Article 10:2:2 below be made via electronic funds transfer ("EFT"). Franchisee will, upon execution of this Franchise Agreement or any time thereafter at Arby's request, execute all documents or forms as Arby's determines are necessary for Arby's to process EFT withdrawals from Franchisee's bank account(s) for such payments, including the EFT Authorization Agreement attached as Exhibit F. Arby's, its affiliate or AFA Service Corporation (or its successor), as applicable, will have the right to withdraw the entire amount due from Franchisee's designated bank account(s) in accordance with the terms of the Manual or such EFT Authorization Agreement. Franchisee agrees that in the event Franchisee fails to provide the Gross Sales and transactions data as described in Article 3:1:1, Arby's may withdraw an amount based upon estimated sales from Franchisee's designated bank account(s), provided that Arby's shall notify Franchisee (which notification may be made, in lieu of the provisions of Article 18, by way of an email message to the Franchisee's email address of record on file with Arby's) of its intention to make such a withdrawal, including the estimated amount due, no less than five (5) business days prior to making any such withdrawal. Further, Franchisee agrees that it will be responsible for: (i) any EFT transfer fee(s) or similar charges imposed by its bank; and (ii) any EFT payments that are not honored by Franchisee's bank for any reason, plus any service charges applied by Arby's and/or the bank. It will be a default of this Franchise Agreement if Franchisee closes its designated bank account(s) without Arby's prior written consent, or if Franchisee closes such account(s) with Arby's prior written consent and fails within a reasonable time thereafter, not to exceed five (5) business days, to establish another bank account and execute all documents necessary for Arby's to process the payments by EFT from such new bank account. Arby's reserves the right to require Franchisee to make payments pursuant to any other payment system that may be established in the future, including a system set up in accordance with Article 5:4. Franchisee agrees to maintain funds in the aforementioned designated bank account(s) to cover any withdrawals.

3:2 BUSINESS RECORDS AND AUDIT

Franchisee must maintain, and retain for three (3) years, each of the following:

(i) all records of sales, advertising and marketing expenses and other operating accounts of the Franchised Business; (ii) monthly remittance reports; (iii) sales journal reports that document how monthly sales reported to Arby's are calculated, including, but not limited to, calculation of Gross Sales, net sales, sales taxes, voids, refunds, discounts, coupons, gift cards redeemed and sold, actual cash deposits, credit card totals, cash over/short, paid-outs/paid-ins, and cumulative daily grand total of non-resettable sales; (iv) monthly and annual financial statements as discussed in Article 3:2:2 below; (v) federal and state sales tax records; (vi) daily activity reports for the Franchised Business (as prescribed by Arby's) and related cash register tapes and sales journals; and (vii) any other reports or records required by Arby's. Franchisee's Gross Sales and transactions data reports must be submitted to Arby's on a monthly basis as provided in Articles 3:1 and 3:1:1. Arby's may at any time during business hours at the Franchised Business, and with reasonable notice to Franchisee, examine Franchisee's and the Franchised Business' business, bookkeeping and accounting records, sales and tax records and returns, and other records. Franchisee must cooperate fully with Arby's and its representatives and independent accountants in any examination. All other records and reports must be available for submission to Arby's and must be submitted to Arby's upon its request. At its judgment, Arby's may audit any reports or records maintained or submitted by Franchisee.

3:2:1 INCORRECT GROSS SALES AND TRANSACTIONS DATA REPORTS

In the event any examination or audit discloses a deficiency in the Gross Sales and transactions data reports for any period, within five (5) calendar days after demand by Arby's, Franchisee shall pay Arby's the additional royalties, the advertising and marketing service fee set forth in Article 10:2:2 below, and all other amounts determined to be due and payable to Arby's, any Arby's affiliate or AFA Service Corporation (or its successor), plus applicable interest thereon as provided for in Article 3:1:2 above. In addition, if such deficiency is in excess of three percent (3.0%) of actual Gross Sales, Franchisee must reimburse Arby's for its reasonable costs for the examination and audit including, without limitation, the charges for all professionals and Arby's employees' travel and living expenses incurred in the examination or audit, such payment to be made by Franchisee to Arby's within five (5) calendar days after Arby's demand for payment. Arby's will refund any overpayment of royalties that is discovered in the audit within five (5) calendar days of learning of the overpayment.

3:2:2 MONTHLY AND ANNUAL FINANCIAL STATEMENTS

Arby's has the right to require that Franchisee, at Franchisee's sole cost and expense, provide to Arby's, in a format reasonably acceptable to Arby's, the following: (i) Franchised Business unit level monthly unaudited statements of income within thirty (30) calendar days after the end of each month; and (ii) Franchised Business unit level annual unaudited statements of income within ninety (90) calendar days after the end of each fiscal year. Franchisee is also required to have such Franchised Business unit level monthly and/or annual financial statements certified by an officer of Franchisee as being true, correct and complete in all material respects. In addition, if Franchisee has committed two (2) or more monetary defaults under this Franchise Agreement during any consecutive twelve (12) month period and received from Arby's notices of default for such monetary defaults (whether or not the monetary defaults relate to the same or to different provisions of this Franchise Agreement and whether or not the monetary defaults were ever cured), then without limiting Arby's other rights or remedies, Arby's thereafter has the right to require that Franchisee, at Franchisee's sole cost and expense, provide to Arby's, in a format reasonably acceptable to Arby's, the financial statements and reports that Arby's reasonably requires from time to time.

ARTICLE 4. OPERATING STANDARDS AND CONDITIONS

4:1 During the term of this Franchise Agreement:

4:1:1 CONFORM TO MANUAL

Franchisee will operate and maintain the Franchised Business in strict compliance with the Manual. Arby's will give Franchisee access to one (1) copy of the Manual, which may include audio, video, computer software, other electronic media, written materials, written directives in multiple forms including online postings on the Arby's System extranet (i.e. www.myarbys.com or its successor), email and/or other electronic communications, facsimiles, or any other medium capable of conveying the Manual's contents. It is Franchisee's responsibility to monitor for updates to the Manual. The Manual will, among other things, list the Trademarks to be used in the Franchised Business, and describe the systems, procedures, policies, methods, standards, specifications and requirements for operating the Franchised Business (collectively, the "operating standards"). Franchisee acknowledges and agrees that operating and maintaining the Franchised Business in compliance with operating standards is essential to preserve the goodwill of the Trademarks and all Arby's Restaurants. Arby's has the right in its sole judgment to modify the Manual periodically to reflect changes in the operating standards, all of which will be considered a part of the Manual. Arby's shall promptly notify Franchisee of any

modifications to the Manual, which notification may be made (in lieu of the provisions of Article 18) by way of an email message to the Franchisee's email address of record on file with Arby's which message contains such modifications or indicates that such modifications are available electronically on the Arby's System extranet (i.e. www.myarbys.com or its successor) or by way of any similar method of notifying the Arby's System of modifications to the Manual that Arby's may hereafter establish. Arby's may require Franchisee to access electronically the Manual (via Internet, extranet, including on www.myarbys.com or its successor, or other electronic means). The contents of the Manual are confidential and neither Franchisee nor any of Franchisee's employees or representatives will at any time copy, duplicate, record or otherwise reproduce any part of the Manual. In any dispute concerning the contents of the Manual, the master version of the Manual maintained at Arby's headquarters will control. The Manual as modified from time to time by Arby's is part of this Agreement as if fully set forth within the terms hereof.

Although Arby's retains the right to establish and periodically modify the operating standards that Franchisee must follow, Franchisee retains the responsibility for the day-to-day management and operation of the Restaurant and implementing and maintaining operating standards at the Restaurant. To the extent that the Manual or operating standards contains employee-related policies or procedures that might apply to Franchisee's employees, those policies and procedures are provided for informational purposes only and do not represent mandatory policies and procedures to be implemented by Franchisee. Franchisee shall determine to what extent, if any, these policies and procedures may be applicable to Franchisee's operations at the Restaurant. Arby's and Franchisee recognize that Arby's neither dictates nor controls labor or employment matters for franchisees and that Franchisee, and not Arby's, is solely responsible for dictating the terms and conditions of employment for Franchisee's employees.

4:1:2 COMMENCE OPERATION

Franchisee will commence operation of the Franchised Business within thirty (30) calendar days after the execution of this Franchise Agreement or such extended period as may be granted by Arby's in writing; provided Franchisee agrees not to open the Franchised Business to the public until Arby's has notified Franchisee in writing that the Franchised Business meets Arby's standards and specifications. Such notice is not a representation or warranty that the Franchised Business complies with applicable law and is not a waiver of Arby's right to require continuing compliance with its standards, policies and requirements.

4:1:3 COMPLY WITH APPLICABLE LAWS

Franchisee will secure and maintain in force in its name all required licenses, permits and certificates relating to the conduct of its business pursuant to this Agreement. At all times during the term of this Agreement, Franchisee will operate the Franchised Business in compliance with all applicable laws, rules, ordinances and regulations, good business practices, observing high standards of honesty and integrity and ethical business conduct in all dealings with customers, government officials, suppliers and Arby's.

4:1:4 USE ONLY AS ARBY'S RESTAURANT

Franchisee will use the Franchised Premises only as an Arby's Restaurant.

ARTICLE 5. BUILDING AND EQUIPMENT

5:1 SIGN STANDARDS

Franchisee shall use only such exterior and interior signs, including any and all replacements thereof, that comply with and satisfy the requirements of the Manual.

5:2 REPAIR AND MAINTENANCE

Franchisee shall maintain the Franchised Premises in good condition and state of repair as necessary to comply with and satisfy the requirements of the Manual, including, without limitation, by repairing or replacing (as applicable) any part of the Franchised Premises (including any parking lots), equipment, signage and guest touch points that are not in compliance with the Manual, not in good condition, or not functioning properly.

5:3 REFRESH

In addition to Franchisee's obligations in Article 5:2 above, including, without limitation, the obligation to maintain the furniture, fixtures and equipment at the Franchised Premises in good repair and fully operational in accordance with the requirements of the Manual, on or before the tenth (10th) anniversary of the date hereof, Franchisee shall do a refresh and upgrade of the Franchised Premises so that the restaurant building conforms to Arby's then current exterior building color specifications for new Arby's restaurants (without any structural changes) and the restaurant interior (including, without limitation, the dining room, furniture, fixtures and equipment) are substantially consistent with the then current image for new Arby's restaurants. Franchisee understands and acknowledges that this obligation may require significant capital or other expenditures during the term of the Franchise Agreement. Prior to the commencement of such refresh and upgrade, Franchisee shall submit to Arby's proposed specifications therefor. Franchisee shall not undertake such refresh and upgrade until Arby's has approved in writing the proposed specifications.

5:4 POINT OF SALE SYSTEM, COLLECTION OF DATA

Franchisee acknowledges and agrees that it is necessary for Arby's to collect financial, operational and statistical information concerning the Franchised Business and in support of Arby's operation of the System and Franchisee further acknowledges its responsibility and obligation to submit any such information requested by Arby's within such timeframes as may be reasonably established by Arby's. Accordingly, Franchisee agrees to obtain and use computer hardware and software, including computer, point of sale, and other electronic information systems, a high-speed Internet connection, and all equipment components and software necessary for Franchisee to meet all functionality, performance and informational requirements specified by Arby's (as the same may be modified by Arby's in its sole judgment from time to time), including, without limitation, the ability to accept and process transactions at the Franchised Business (such as for example mobile ordering and payment systems and other related technology), to transmit point of sale data to Arby's, and to facilitate participation in any gift card, customer loyalty, affinity and similar programs established by Arby's (collectively, the "computer system"). Arby's shall have the right to designate a single source (who may be Arby's or its affiliate) from whom Franchisee must purchase certain components or all of the computer system, related licenses and technology, and related support services. Franchisee acknowledges and agrees that Arby's will have full and complete access to information and data entered and produced by the computer system. Franchisee bears responsibility for the proper functioning of the computer system and ensuring it is operational at all times including access to the Internet and any extranet that may be established. Upon Arby's request, Franchisee must apply for and maintain debit card, credit card, or other non-cash payment systems to enable customers to purchase products at the Franchised Business. Franchisee will at all times comply with the Payment Card Industry Data Security Standard, as periodically updated.

ARTICLE 6. PERSONNEL AND MANAGEMENT

6:1 PERSONNEL

During the term of this Franchise Agreement, Franchisee shall hire, train, and properly supervise sufficient and qualified personnel for the efficient operation of the Franchised Business and, in particular, shall hire, train and properly supervise such personnel so that Franchisee is in compliance with all operating standards (including standards for food preparation, customer service and restaurant sanitation and cleanliness) dictated by Arby's. Arby's has the right to designate in its sole judgment Restaurant personnel qualifications, training, dress and appearance, although Franchisee has the sole responsibility and authority for hiring and overseeing personnel. At all times during the term of this Franchise Agreement, Franchisee shall be solely responsible for setting the terms and conditions (including, without limitation, wages and benefits) for its employees and similarly, Franchisee is responsible for hiring, firing, supervising and disciplining its employees. Franchisee acknowledges and agrees that it is its responsibility to create its own employee handbook which must be compliant with federal, state and local laws and which should be reviewed by counsel of Franchisee's choosing. Additionally, Franchisee shall ensure that its employment application contains clear and concise language that specifies that if the person is hired by Franchisee, the person will be an employee of Franchisee and not Arby's or its affiliates.

6:2 MANAGEMENT TRAINING

For Franchisee's first and second Arby's Restaurants, Franchisee must, at all times, employ three managers per Restaurant in the Franchised Business who have become certified in the Management Training Program ("MTP") as specified in the Manual, or a comparable training program approved in advance by Arby's in its sole judgment. For Franchisee's third or subsequent Restaurants, Franchisee must, at all times, employ one manager per Restaurant who has become certified in the MTP, or a comparable training program approved in advance by Arby's in its sole judgment. In addition, further or refresher training programs, as specified by Arby's, may be required by Arby's for Franchisee, Franchisee's managers and/or other personnel. There is no training fee for three managers to attend MTP for Franchisee's first Restaurant and for one manager for Franchisee's second Restaurant. If training fees apply to any of the other training requirements, Franchisee will pay such fees and Franchisee is also responsible for all travel and living expenses, wages and workers' compensation insurance costs for all of its personnel during training. In addition, Franchisee must acquire from Arby's and/or any other suppliers that Arby's periodically designates all equipment, software and related products and services, and pay the applicable license and other fees, to participate in any learning management system that Arby's specifies from time to time. Franchisee may be required to comply with additional training requirements which may include purchasing training films or other instructional materials from Arby's as Arby's may require from time to time. Franchisee will pay Arby's then current charges for any additional or repeat training.

ARTICLE 7. PRODUCT STANDARDS

7:1 ACKNOWLEDGEMENT OF STANDARDS

Franchisee understands and acknowledges that uniform and high standards of quality, service and appearance among all Arby's Restaurants are necessary in order to maintain Arby's public image and widespread consumer acceptance. Therefore, Franchisee shall prepare, sell and dispense only the Licensed Products that are specified by Arby's in its sole judgment. In connection with such Licensed Products, Franchisee shall use only those cups, containers, napkins, uniforms, paper goods, packaging, supplies or other items that are specified by Arby's. Arby's has the right in its sole judgment to approve or disapprove in advance all items to be used or sold by the Franchised Business and Arby's may withdraw its approval of previously authorized

items.

7:2 PURCHASE OF ITEMS

Except as may be set forth otherwise to the contrary by Arby's, including in the Manual, Franchisee may purchase the items specified in Article 7:1 above, or components or ingredients thereof, and any equipment or signs used in the Franchised Business, from any source approved by Arby's. Arby's may receive profits or commissions on any sales made directly by Arby's to Franchisee.

7:2:1 APPROVAL OF SUPPLIER

If Franchisee desires to purchase any of the items specified in Article 7:1 above, or components or ingredients thereof, and/or any equipment or signs for use in the Franchised Business, from a supplier who has not been approved by Arby's, Franchisee may request in writing approval by Arby's of such supplier. Arby's may approve such proposed supplier if in Arby's sole judgment the proposed supplier can meet and maintain Arby's specifications, standards and requirements. Arby's approval of any supplier or distributor will be based on Arby's approval criteria in existence at that time. In making any such request, Franchisee at its expense shall furnish Arby's with adequate samples of the items for which approval is being requested or, if that is not feasible, with copies of descriptions, specifications and pictures of such items. Franchisee shall not sell, dispense or use any such items unless and until Arby's has given written notice of approval to Franchisee. Nothing contained herein shall be construed to require Arby's to approve any particular supplier or distributor, or approve an unreasonable number of suppliers for any particular item or service.

7:2:2 CHARGE FOR APPROVAL

As a condition precedent to approving or disapproving any request for a new or additional supplier, Arby's reserves the right to charge proposed supplier the reasonable costs and expenses incurred by Arby's in evaluating and investigating any such request.

7:2:3 NO INTENTION TO LIMIT SOURCES

Except as may be set forth otherwise to the contrary by Arby's, including in the Manual, nothing contained in this Franchise Agreement shall be construed as an attempt by Arby's to limit the sources from which Franchisee may procure supplies, equipment, services or other items.

ARTICLE 8. VARIATION OF TERMS

8:1 DIFFERING LICENSE AND FRANCHISE AGREEMENTS

Franchisee understands and acknowledges that other franchisees of Arby's may be granted license or franchise agreements at different times and in different situations. Franchisee acknowledges that the provisions of such agreements may vary substantially from those contained in this Franchise Agreement and that Franchisee's obligations hereunder may differ substantially from those of other franchisees.

8:2 VARYING REQUIREMENTS

Arby's shall have the right in its sole judgment to vary its specifications, standards, and operating practices and requirements among franchisees (which may include Franchisee), including, without limitation, those relating to building, equipment, signage, operations and Licensed Products. Arby's may impose such variations to address differing or unique circumstances or for

other reasons Arby's, in its sole judgment, deems good and sufficient. Franchisee understands and acknowledges that such variations may lead to different costs or obligations among franchisees (which may include Franchisee).

ARTICLE 9. RIGHT OF INSPECTION

9:1 GENERAL

Arby's or its authorized representatives shall have the right to inspect the Franchised Business and the building and equipment and operations therein. Arby's or its authorized representatives also shall have the right to test all Licensed Products offered for sale and supplies used by Franchisee for the purpose of determining the quality and specifications of such products and supplies. Arby's shall have access to the Franchised Premises at all reasonable times for these purposes.

9:2 SAMPLES

Upon request from Arby's, Franchisee shall furnish Arby's with samples of any food or beverage products or other supplies or items, whether or not bearing Arby's names or Trademarks, used by Franchisee in the Franchised Business. Arby's shall reimburse Franchisee for such samples at Franchisee's actual cost.

ARTICLE 10. ADVERTISING AND MARKETING

10:1 ACKNOWLEDGEMENT OF ROLE OF ADVERTISING

Franchisee understands and acknowledges that marketing, advertising, and promotional programs and activities are essential to the furtherance of the goodwill and public image of Arby's, the System and the Franchised Business.

10:2 REQUIRED ADVERTISING EXPENDITURES

Franchisee shall expend during each calendar year for marketing and advertising an amount which is not less than four and two tenths percent (4.2%) of its Gross Sales. Expenditures by Franchisee for local and cooperative area advertising (as described in Article 10:2:1) and expenditures for the Advertising and Marketing Service Fee (as defined in Article 10:2:2) shall be credited against the minimum required expenditure as defined in this Article. Costs of food and beverage products sold at a reduced price or given away shall not count toward fulfillment of this obligation.

10:2:1 LOCAL COOPERATIVE AREA ADVERTISING

- A. Local Market Advertising. The amount of advertising funds expended by Franchisee for individual local market advertising (not related to Articles 10:2:1.B. or 10:2:1.C.) shall be determined by Franchisee, subject to the minimum requirements set forth in the initial paragraph of this Article 10:2.
- B. Local Cooperative Area Advertising Program. Franchisee acknowledges that Arby's has the right to require groups of franchisees to form a cooperative or collaborative brand building association with other franchisees and/or us and/or Arby's affiliates to advertise, market and promote collectively Restaurants in that general market area. The particular local cooperative area advertising program in which Franchisee will be required to participate shall be designated by Arby's in its sole judgment; in most instances, the cooperative program designated by Arby's will be based on the "Designated Market Area" ("DMA") (as that term is used by the advertising industry) in which the

Franchised Business is located. The local cooperatives within the System will be governed in accordance with the standard form bylaws provided by Arby's, an example of which is attached to this Agreement in Exhibit G. If a cooperative has been established as of the effective date of this Agreement for the general market area in which Franchisee's Restaurant is located, Franchisee automatically becomes a member of that cooperative when Franchisee signs this Agreement (although voting rights and contributions do not begin until the Restaurant contemplated by this Agreement opens and begins operation).

- C. Local Cooperative Payments. Franchisee's payments to the local cooperative for, among other items, any and all advertising programs, membership dues and other participation payments, shall be determined by Franchisee, Arby's if it has restaurants within the geographic boundaries of the local cooperative, and those other franchisees who are members of such local cooperative, as set forth in the bylaws of that local cooperative organization. Because the requirement set forth in Article 10:2:1 is a minimum expenditure, Franchisee's required payments to the local cooperative organization may exceed three percent (3.0%) of Franchisee's Gross Sales. Franchisee shall enter into such formal agreements with such other franchisees and/or Arby's, as the case may be, as shall be necessary to accomplish the foregoing. If Franchisee is delinquent in its payment of any amounts owed to the local cooperative organization, any such delinquency shall be deemed a failure to participate in the local cooperative organization and a breach of Franchisee's obligations under this Article 10.

10:2:2 ADVERTISING AND MARKETING SERVICE FEE

Franchisee shall pay to Arby's an amount of its monthly Gross Sales of not less than one and two tenths percent (1.2%) or such other rate as may be specified by Arby's from time to time as permitted herein, as an advertising and marketing service fee ("Advertising and Marketing Service Fee"). The Advertising and Marketing Service Fee will be paid at the same time and in the same manner as the payment of the royalty fee required in Article 3:1 above. To the extent AFA Service Corporation (or its successor) sets a dues contribution rate for the Advertising and Marketing Service Fee in excess of 1.2% for any Senior Member as described in the AFA Bylaws, Arby's shall determine the amount of such excess, if any, which shall be applied against the minimum amount required to be spent by the Franchisee for local cooperative area advertising.

The Advertising and Marketing Service Fee shall be used to develop and prepare advertising materials, to undertake marketing research, to purchase national advertising media of all types, to develop social media/networking programs, to pay the commissions, fees and expenses of advertising and marketing agencies and consultants, to pay talent and talent residuals, to provide other marketing and non-marketing services, and to pay all fees and expenses incurred in connection therewith.

10:3 AFA SERVICE CORPORATION

The Advertising and Marketing Service Fee specified in Article 10:2:2 above shall be forwarded by Arby's to AFA Service Corporation, the franchisee organization responsible for the preparation of materials and performance of the services described in Article 10:2:2 above, so long as membership in AFA Service Corporation continues to be compulsory for those franchisees of Arby's who are members of AFA Service Corporation.

10:3:1 TIERED RATES

From time to time, AFA Service Corporation (or its successor) or Arby's, as the case may be, may establish a tiered rate structure for the payment of the Advertising and Marketing Service Fee. The most current tiered rate structure, if any, is set forth in Exhibit E. Exhibit E may be modified, revised or deleted periodically by Arby's as necessary to reflect changes to the rate structure established by AFA Service Corporation (or its successor) or Arby's, as the case may be, without notice to Franchisee.

10:3:2 DESIGNATION OF OTHER SERVICE ORGANIZATION BY FRANCHISEE

In the event that membership in AFA Service Corporation (or its successor) is not compulsory, Franchisee may designate the service organization, if any, to which said Advertising and Marketing Service Fee will be paid so long as franchisees of at least sixty-five percent (65.0%) of the then franchised Restaurants, but not less than two hundred (200) franchised Restaurants, agree on and designate the same service organization. Such designation shall be made on or before the thirty-first (31st) day of July, following the date that membership in AFA Service Corporation (or its successor) is not compulsory, to take effect fifteen (15) months following said July 31 and to be effective for a period of twelve (12) months thereafter. A similar designation shall be made each year prior to July 31. Withdrawal from the designated organization shall require not less than fifteen (15) months' notice prior to the expiration of any successive twelve (12) month period.

10:3:3 DESIGNATION OF OTHER SERVICE ORGANIZATION OR ASSUMPTION OF RESPONSIBILITY BY ARBY'S

In the event that membership in AFA Service Corporation (or its successor) is not compulsory, and Franchisee fails to designate the service organization to which the aforesaid Advertising and Marketing Service Fee is to be paid, or does make such designation but the same is not supported by the requisite number of franchised Restaurants, then Arby's, in its sole judgment, may either designate the organization to which said Advertising and Marketing Service Fee will be paid thereafter or elect to retain said Advertising and Marketing Service Fee and itself furnish the services described in Article 10:2:2.

10:4 USE OF PHOTOGRAPHS

Arby's shall have the right to take and use photographs of Franchisee's facilities in any of Arby's publicity or advertising, without charge therefore, and Franchisee shall cooperate in obtaining such photographs and the consent of any persons photographed.

ARTICLE 11. TRADEMARK STANDARDS

11:1 TITLE

Franchisee acknowledges that Arby's IP Holder, LLC is the sole owner of the Trademarks, and of all the goodwill relating thereto, and that the same shall at all times be and remain the sole and exclusive property of Arby's IP Holder, LLC (or its successors or assigns). Franchisee also acknowledges that Franchisee, by reason of this Franchise Agreement or otherwise, has not acquired any right, title, interest or claim of ownership in the Trademarks. The use by Franchisee of the Trademarks and any and all goodwill arising from such use shall inure solely to the benefit of Arby's IP Holder, LLC (or its successors or assigns) and shall be deemed to be the sole property of Arby's IP Holder, LLC (or its successors or assigns) in the event of the expiration or termination of this Franchise Agreement for any reason. Upon expiration or termination of this Franchise Agreement for any reason, any and all rights in and to any of the Trademarks granted to Franchisee hereunder shall terminate automatically. Franchisee at no time will contest (or

assist anyone else in contesting) ownership of the Trademarks or the rights or goodwill associated with them. Nothing contained in this Franchise Agreement shall be construed to prevent Arby's from licensing any other person or entity to use the Trademarks anywhere outside of the Protected Area described in Article 1:2 above. Franchisee shall execute and deliver any agreement or instruments, as may be required by Arby's in connection with Franchisee's use of the Trademarks, and Franchisee shall comply with all procedures and cooperate in all filings that may be necessary or desirable to preserve and protect the interest of Arby's in the Trademarks or other marks.

11:2 USE OF TRADEMARKS

Unless previously approved in writing by Arby's, Franchisee shall not use any other mark or name alone or in connection with the Trademarks in the operation of the Franchised Business and shall not permit the name "Arby's" or any of the Trademarks to be used by others. In addition, Franchisee shall not display any sign, use any advertising materials or media, or engage in any advertising or promotional programs or activities using the Trademarks that may adversely affect Arby's or be detrimental to its good name and reputation, or adversely affect any other businesses licensed or franchised by Arby's. Franchisee shall not do anything in any way, directly or indirectly, at any time during the term of this Franchise Agreement or thereafter, to infringe upon, impair, harm or contest Arby's IP Holder, LLC's and/or Arby's rights, title and interest in or to the Trademarks.

11:2:1 ADVERTISING

If Arby's determines in its sole judgment that any advertising or promotional programs or activities or materials related thereto used or planned by Franchisee are directly or indirectly injurious or prejudicial to Arby's or any of its franchisees or violate this Article 11, Franchisee shall cease using such marketing, advertising or promotional materials, programs or activities immediately upon notification from Arby's.

11:2:2 PRIOR APPROVAL

Arby's shall have the right to require Franchisee, upon notice from Arby's, to submit all marketing, advertising or promotional programs, materials or activities to Arby's for approval prior to use.

11:3 USE OF TRADEMARKS IN BUSINESS NAME

Franchisee shall not use the Trademarks or any other trademarks, service marks or trade names confusingly similar thereto in its corporate, partnership or other business name.

11:4 TRADEMARK INFRINGEMENT

Franchisee shall give notice in writing to Arby's of any infringement of the Trademarks or misappropriation of any rights of Arby's IP Holder, LLC and/or Arby's which shall come to Franchisee's attention or knowledge at any time and, when requested, shall cooperate with Arby's IP Holder, LLC and/or Arby's in stopping any such infringement or misappropriation. Arby's IP Holder, LLC and/or Arby's shall decide the need for instituting legal action with respect to any infringement that may occur, and the cost of any such litigation shall be paid by Arby's IP Holder, LLC and/or Arby's. No legal action for infringement or unfair competition relative to any proprietary rights of Arby's IP Holder, LLC and/or Arby's may be taken or defended by Franchisee without the consent of Arby's IP Holder, LLC and/or Arby's, and Arby's IP Holder, LLC and Arby's alone shall have the right to control and direct any such action or defense.

ARTICLE 12. FRANCHISEE'S FINANCIAL RESPONSIBILITIES

12:1 FRANCHISEE AN INDEPENDENT BUSINESS ENTITY

Franchisee at all times shall be a separate and independent business entity, and neither Franchisee nor any of its employees, agents, or representatives, expressly or by implication, shall be deemed to be an employee, agent, joint venturer, partner or representative of Arby's, or in a fiduciary relationship with Arby's, or be authorized or empowered to create any claim, debt or obligation on behalf of Arby's or in any way bind Arby's. Arby's may require Franchisee to display public signs indicating that it is an independent business entity and/or may require Franchisee to give such notification in all of its letters, stationery and business forms.

12:2 ARBY'S NOT GUARANTOR

Franchisee assumes sole responsibility for the operation of the Franchised Business and acknowledges that, while Arby's may furnish advice and assistance to Franchisee from time to time during the term of this Franchise Agreement, Arby's has no legal or other obligation to do so. In addition, Franchisee acknowledges that Arby's does not guarantee the success or profitability of the Franchised Business in any manner whatsoever and shall not be liable therefor: in particular, Franchisee understands and acknowledges that the success and profitability of the Franchised Business depends on many factors outside the control of either Arby's or Franchisee (such as interest rates, unemployment rates, demographic trends, competition and the general economic climate), but principally depends on Franchisee's efforts in the operation of the Franchised Business.

12:3 PAYMENT OF OBLIGATIONS

Franchisee shall pay and discharge promptly all assessments, penalties, and interest which may be assessed against the Franchised Business or any of the assets thereof, all liens and encumbrances of every kind and nature which may be placed against the Franchised Business and any of the assets thereof, and all undisputed accounts and debts of every kind which may be incurred in the operation of the Franchised Business. Arby's will have no liability for any sales, use, service, occupation, excise, gross receipts, income, property, or other taxes, whether levied upon Franchisee or the Franchised Business, due to the business Franchisee conducts (except for Arby's income taxes). Franchisee also must pay Arby's or applicable affiliates of Arby's within ten (10) calendar days after demand: (i) all sales taxes, corporate taxes, trademark license taxes, and any like taxes imposed on, required to be collected by, or paid by Arby's on account of products or services Arby's furnishes to Franchisee, through sale, lease, or otherwise, or on account of Arby's collection of any fee related to this Franchise Agreement; (ii) all franchise or other taxes, whether based on gross receipts, gross revenues, franchise fees, royalties, Advertising and Marketing Service Fees, or otherwise, imposed on, required to be collected by, or paid by Arby's, particularly on account of either Franchisee's operation or payments Franchisee makes to Arby's (except for Arby's income taxes); and (iii) all other amounts Arby's pays or must pay for Franchisee for any reason.

12:4 INSURANCE

Franchisee shall obtain and thereafter keep in full force and effect at Franchisee's expense, commercial general liability insurance, covering the Franchised Business and the Franchised Premises, naming Arby's and the other Indemnitees (as such term is defined in Article 12:5 of this Franchise Agreement) as additional insureds, and provide Arby's with a certificate of such insurance, and all renewals thereof. Insurance shall be placed with a responsible insurance company licensed to do business in the state in which the Franchised Premises are located and having an A.M. Best's insurance rating of at least "A-" with a FSC (Financial Size Category) of at least "X". Franchisee's choice of an insurance company is subject to prior approval by Arby's. The policy shall provide coverage on an occurrence basis for personal injury, bodily injury, property damage, products liability and contractual liability in an amount not less than One Million Dollars (\$1,000,000.00) per occurrence. Arby's shall have the right, at any time during the term of this

Franchise Agreement upon notice to Franchisee, to increase the minimum amount of insurance required to be carried by Franchisee hereunder. The policy shall provide that it will not be cancelled or materially altered without the insurance company first giving Arby's notice at least ten (10) calendar days before any such cancellation or alteration shall become effective. Proof that all of the above requirements have been met must be sent to Arby's before Franchisee may open the Franchised Business. If the insurance policy's term is shorter than the term of this Franchise Agreement, proof of renewal of the policy must be sent to Arby's ten (10) calendar days before the policy's expiration date. If Franchisee shall fail to comply with any of the requirements of this Article 12:4, and after notice has been given by Arby's to Franchisee, Arby's may obtain such insurance and Franchisee shall pay Arby's the cost thereof plus a reasonable administrative fee designated by Arby's.

12:5 INDEMNIFYING ARBY'S

Franchisee shall protect, defend, indemnify and save and hold Arby's and its parent, affiliated and subsidiary companies, and their permitted successors and assigns, and each of their respective officers, directors, shareholders, members, managers, attorneys, employees, agents, lenders, insurers and representatives, and AFA Service Corporation so long as membership in such entity remains compulsory (the foregoing entities and persons referred to collectively as the "Indemnitees") harmless from and against any and all fines, claims, costs, expenses (including attorney's fees and court costs), demands, damages, actions, causes of action and other liabilities of every kind and nature arising or resulting directly or indirectly from the (i) operation of the Franchised Business (including the use of products or materials specified or approved by Arby's), (ii) construction or occupancy of the Franchised Premises, (iii) use or operation of any fixtures and equipment, (iv) sale of any products, (v) Franchisee's noncompliance or alleged noncompliance with any law, ordinance, rule, or regulation, including any allegation that Arby's or any Indemnitee is a joint employer or otherwise responsible for Franchisee's acts or omissions relating to Franchisee's employees, or (vi) this Franchise Agreement. Franchisee shall notify Arby's of any and all such matters as soon as Franchisee becomes aware of them. Unless otherwise required by any applicable insurance contract, Arby's shall have the exclusive right to control and direct the legal activities associated with any such action through counsel retained and compensated by it if that action is deemed by Arby's in its sole judgment to be potentially damaging to other franchisees, other franchised Restaurants, or the Arby's System, its business, public image or goodwill generally.

ARTICLE 13. FRANCHISEE COVENANTS

13:1 COVENANT NOT TO COMPETE

Franchisee covenants that, during the term of this Franchise Agreement, and also for a period of twelve (12) months after termination of this Franchise Agreement for any reason, and in addition to and not as a limitation of any other restriction upon Franchisee contained herein, neither Franchisee, nor any Guarantor, nor any general partner of Franchisee if Franchisee is a partnership, nor any shareholder, limited partner, member or other equity owner holding at least a fifteen percent (15.0%) interest in Franchisee, shall, without prior written permission of Arby's, either directly or indirectly, for himself or on behalf of or in conjunction with any other person or entity, engage or be engaged in any capacity in, operate, manage or have a fifteen percent (15.0%) or greater interest in any business offering roast beef sandwiches for sale to consumers and located within the Protected Area for Franchisee's Restaurant as specified in Exhibit B.

13:2 COVENANT AGAINST DISCLOSURE

At all times both during the term of this Franchise Agreement and after expiration or earlier termination of this Franchise Agreement for any reason, and in addition to and not as a limitation of any other restriction upon Franchisee contained herein, Franchisee (and its directors, officers, employees, representatives, shareholders, members, partners or other equity owners, and any

Guarantors) shall not divulge, disclose or otherwise communicate, either directly or indirectly, to any other person or entity any information concerning the Licensed Know-How or matters set forth in the Manual except as required in connection with the operation of the Franchised Business or Franchisee's other Arby's Restaurants for which valid license or franchise agreements with Arby's or one of its affiliates are in existence, and will take reasonable measures to protect the confidentiality thereof. Franchisee acknowledges and agrees that the Licensed Know-How contains certain confidential information, some of which constitutes trade secrets under applicable law, including, without limitation, site selection criteria, specifications for products, training and operations materials, manuals, and software, marketing and advertising programs and materials for Arby's Restaurants, graphic designs and related intellectual property, identity of suppliers to the System, methods, standards, specifications, systems, procedures, product preparation techniques, and knowledge of the operating results and financial performance of Restaurants.

13:3 ARBY'S REMEDIES

Arby's shall have the right to injunctive relief to enforce the covenants set forth above in addition to any other relief to which it may be entitled at law or in equity. Franchisee understands and acknowledges the difficulty of ascertaining monetary damages and the irreparable harm that would result from breach of these covenants. It is the intention of the parties that the covenants set forth in this Article 13 be enforceable to the fullest extent permitted by law. Accordingly, and without limiting the provisions of Article 19, if any court or other competent authority having jurisdiction over this Article 13 determines that any provision of this Article 13 is unenforceable because of its duration or scope, each such provision will be deemed separate and severable so that the court or other competent authority will have the power to reduce its duration and/or scope such that, in its reduced form, the provision and all other provisions of this Article 13 will then be enforceable to the fullest extent permitted by law.

ARTICLE 14. DURATION AND NEW FRANCHISE AGREEMENT

14:1 TERM

Unless otherwise terminated by Arby's, the term of this Franchise Agreement shall be the term set forth in Exhibit A.

14:2 OPTION TO OBTAIN SUCCESSOR FRANCHISE AGREEMENT

Franchisee shall have, exercisable on the expiration date of the term of this Franchise Agreement, an option to obtain a successor Arby's Franchise Agreement (herein a "Successor Franchise Agreement"), provided that:

A. Franchisee at the expiration date of this Franchise Agreement and within twelve (12) months prior thereto shall not be or have been in default in the performance of any material obligation under this Franchise Agreement;

B. Notwithstanding Article 5:3, and unless otherwise established by a successor franchise remodeling policy adopted by Arby's and then in effect, Franchisee has remodeled the Franchised Premises, including building, signs, equipment, furnishings and decor, so as to reflect the then current image for new Arby's Restaurants;

C. Franchisee shall have made written application to Arby's for such Successor Franchise Agreement at least six (6) months, but no more than nine (9) months, prior to the expiration date and shall have executed and returned to Arby's for final approval and execution, the Successor Franchise Agreement at least thirty (30) calendar days prior to the expiration date. The Successor Franchise Agreement to be issued to Franchisee shall be the Arby's standard form Franchise Agreement (including Arby's then current Guaranty

Agreement) then current as of the date that Franchisee delivers its written application for such Successor Franchise Agreement and may contain terms and conditions substantially different from those contained herein, including without limitation different and/or increased fees and required advertising contributions, duration and renewal or successor franchise terms. The current standard form Guaranty Agreement is set forth in Exhibit D. Exhibit D may be modified, revised or deleted periodically by Arby's in its sole judgment without written notice to Franchisee;

D. In lieu of the Franchise Fee specified in the Successor Franchise Agreement, Franchisee has tendered to Arby's 180 days prior to the expiration date of this Franchise Agreement, an administrative fee equal to ten percent (10%) of the then applicable standard Franchise Fee (excluding the impact of any discounts or promotions, including any development incentive programs, that may be available);

E. Franchisee and any Guarantors shall have executed a general release, in a form prescribed by Arby's, of any and all claims against Arby's and its affiliates, and their respective officers, directors, agents, and employees; and

F. Franchisee shall have complied with Arby's then current training requirements and all other conditions required of franchisees renewing their agreements or obtaining successor franchise agreements at that time.

Notwithstanding the foregoing, in no event will Arby's be required to grant Franchisee a Successor Franchise Agreement for a term that exceeds the period of time that Franchisee is entitled to maintain possession of the Franchised Premises.

ARTICLE 15. DEFAULT AND TERMINATION

15:1 BY ARBY'S

15:1:1 AUTOMATIC TERMINATION WITHOUT NOTICE

At any time during the term of this Franchise Agreement, this Franchise Agreement shall terminate automatically, without any notice or action required by Arby's: upon the insolvency of Franchisee or, unless otherwise prohibited by law, upon the filing by Franchisee of any proceedings under the Bankruptcy Act or any Chapter thereof or Amendment thereto, or any similar state insolvency act; upon the filing of an involuntary petition against Franchisee under any such laws that is not dismissed within thirty (30) calendar days after filing; if Franchisee shall make a general assignment for the benefit of creditors; if a receiver shall be appointed by any court for Franchisee; if within thirty (30) calendar days after any execution, attachment or other creditor's process shall issue against Franchisee or any of Franchisee's assets, the same shall not be released and discharged before the expiration of such thirty (30) calendar day period; or if Franchisee assigns or transfers or attempts to assign or transfer any interest in the Franchised Business or this Franchise Agreement without prior written approval from Arby's or if the requirements of Article 16 otherwise are violated.

15:1:2 IMMEDIATE TERMINATION UPON NOTICE

At any time during the term of this Franchise Agreement, this Franchise Agreement shall terminate upon Arby's giving notice to Franchisee in accordance with the terms of Article 18 of this Franchise Agreement: if Franchisee's right of possession of the Franchised Premises shall be terminated at any time for any cause whatsoever, except as provided in Article 16:5 below; if Franchisee violates or is convicted of or pleads guilty or no contest to violating any state or federal law or any administrative regulation applicable to the operation of the Franchised Business; if Franchisee fails to submit any information

when requested to do so or submits false or misleading information (this applies without limitation to the information submitted in connection with this Franchise Agreement and to monthly sales reports); if Franchisee duplicates any portion of the Arby's System or Licensed Know-How in any foodservice outlet not franchised by Arby's; if Franchisee violates any of the covenants in Article 13; if Franchisee denies or obstructs or restricts Arby's right to inspect the Franchised Business, receive samples for testing or examine any of the Franchisee's business records; if Franchisee discontinues or abandons operation of the Franchised Business or Franchisee loses the right to occupy the Franchised Premises; if Franchisee has committed two (2) or more monetary defaults under this Franchise Agreement during any consecutive twelve (12) month period and received from Arby's notices of default for such monetary defaults (whether or not the monetary defaults relate to the same or to different provisions of this Franchise Agreement and whether or not the monetary defaults were ever cured); or if, in Arby's reasonable judgment, the continued operation of the Franchised Business will result in imminent danger to public health or safety.

15:1:3 TERMINATION UPON NOTICE AND FAILURE TO CURE NON-MONETARY DEFAULT

At any time during the term of this Franchise Agreement, this Franchise Agreement shall terminate upon Franchisee's failure to commence cure immediately after notice by Arby's in accordance with the terms of Article 18 of this Franchise Agreement or upon failure to cure fully to Arby's satisfaction within thirty (30) calendar days after such notice: if Franchisee fails at any time to fully comply with any clause of this Franchise Agreement or fails to operate the Franchised Business strictly in accordance with the Manual; or if Franchisee acts in any way that damages or reflects unfavorably upon Franchisee's business, the business of other Arby's franchisees, or the Arby's System generally.

15:1:4 TERMINATION: DELINQUENT ROYALTIES AND OTHER CHARGES

At any time during the term of this Franchise Agreement, this Franchise Agreement shall terminate upon Arby's giving notice thereof to Franchisee in accordance with the terms of Article 18 of this Franchise Agreement, in the event Franchisee shall default in prompt and full payment of the royalties or any other sums or charges payable hereunder, and shall fail or refuse for any reason to cure such default within ten (10) calendar days after Arby's gives notice thereof to Franchisee and demands payment.

15:1:5 TERMINATION: CASUALTY

At any time during the term of this Franchise Agreement, this Franchise Agreement shall terminate upon Arby's giving notice thereof to Franchisee in accordance with the terms of Article 18 of this Franchise Agreement, in the event the Franchised Premises shall be rendered inoperable by any casualty and Franchisee shall not restore the Franchised Premises to full operation within a reasonable period of time, but not more than one hundred eighty (180) calendar days from the date of such casualty loss, except as provided in Article 16:5 below.

15:1:6 STATUTORY CURE PERIOD

If a default is curable under this Franchise Agreement, and the applicable law in the state in which the Franchised Premises is located requires a longer cure period than that specified in this Franchise Agreement, the longer period will apply.

15:2 NON-WAIVER OF RIGHTS

The waiver by Arby's of any particular default by Franchisee hereunder shall not be deemed to be a waiver of, nor affect or impair, Arby's rights in respect of any subsequent default of the same or

of a different nature. Any delay, forbearance or omission by Arby's to act or to give notice of default or to exercise any power or right arising by reason of such default hereunder shall not be deemed to be a waiver by Arby's of any right hereunder or of the right subsequently to give notice of such default and shall not affect or impair Arby's rights hereunder concerning such default or any subsequent breach or default.

15:3 TERMINATION OF RIGHTS

Upon expiration or earlier termination of this Franchise Agreement for any reason, all of Franchisee's rights and privileges hereunder shall cease immediately and Franchisee shall immediately cease operating or using, or permitting to be used or operated, anywhere in any manner, and whether directly or indirectly: (a) the Trademarks or other indicia, trade dress, or distinguishing features of an Arby's Restaurant for any purpose or any trade name or commercial symbol indicating or suggesting an association with Arby's; (b) all marketing, advertising and promotional programs, materials or activities, menu boards, signs, supplies, uniforms or other items bearing the Trademarks; (c) the Licensed Know-How; (d) the Manual; and (e) Arby's exterior building design. Upon such expiration or earlier termination for any reason, Franchisee will immediately return the Manual to Arby's and Franchisee immediately will, to the extent Arby's does not exercise any of its rights in Article 15:5 below, make such modifications or alterations to the premises of the Franchised Business as may be necessary to distinguish the appearance of said Franchised Premises from that of other Restaurants in the Arby's System, including, without limitation, removal of all signs, menu boards, distinctive Arby's designs, and trade dress, and will make such specific additional changes thereto as Arby's may require for that purpose. In the event Franchisee fails or refuses to comply with the requirements of this Article 15:3, Arby's will have the right to enter upon the Franchised Premises without being guilty of trespass or any other tort, and without liability to Franchisee or the landlord, or any third party, for the purpose of making or causing to be made such changes as may be required to comply with this Article, at the expense of Franchisee, which expense Franchisee agrees to pay upon demand.

15:4 INJUNCTIVE RELIEF AND RECOVERY COSTS

In addition to the right to terminate this Franchise Agreement, Arby's shall have all other rights and remedies at law and in equity for breach by Franchisee of the terms and conditions of this Franchise Agreement, including the right to injunctive relief for any violation, or attempted or threatened violation, of any such terms and conditions. Franchisee shall reimburse Arby's for its costs and expenses, including reasonable attorneys' fees, incurred in the exercise of Arby's rights and remedies under this Franchise Agreement.

15:5 ARBY'S OPTION TO CURE

In addition to all the remedies provided elsewhere in this Franchise Agreement or at law or by statute for Franchisee's default or breach of this Franchise Agreement, Arby's also has the following remedies:

15:5:1 Arby's shall have the right, but not the obligation, at its election, and in addition to all other remedies, to cure at Franchisee's expense, any default by Franchisee under any lease or sublease for the Franchised Premises or under any agreement pertaining to the lease or rental of, or payment of indebtedness on, any assets of the Franchised Business including fixtures, equipment or other personal property used by Franchisee in the Franchised Business. In such event, Franchisee shall pay Arby's any such payments made pursuant hereto, together with interest thereon as provided in Article 3:1:2 above.

15:5:2 If Arby's believes a condition of the Franchised Premises or any product sold in the Franchised Business poses a threat to the health or safety of any customers, employees or other persons, Arby's has the right, but not the obligation, to take such action as it deems necessary to protect such individuals and the goodwill associated with the Trademarks and System. Such actions may include any or all of the following: Arby's

may require Franchisee to close and suspend operation of the Franchised Business and correct such conditions; Arby's may immediately remove or destroy any products that Arby's suspects are causing such threat; and if Franchisee fails to correct the threat on demand or within another time period set by Arby's, then Arby's or contractors retained by Arby's may enter the Franchised Business without being guilty of, or liable for, trespass or tort, and correct the condition. Franchisee is solely responsible for all losses and expenses incurred in complying with the provisions herein. Further, if Franchisee should discover a threat as described above, Franchisee agrees to notify Arby's immediately.

ARTICLE 16. SALE OF BUSINESS OR TRANSFER OF FRANCHISE AGREEMENT

16:1 SALE OR TRANSFER RESTRICTED

Franchisee shall not sell, assign, transfer or pledge this Franchise Agreement, or any interest herein, or the Franchised Business or any substantial portion of the assets thereof, in any manner, nor permit the Franchised Business to be operated, managed, directed or controlled, directly or indirectly, by any person or entity other than Franchisee, without the prior written approval of Arby's, except as otherwise provided in this Article. Franchisee shall not cause or permit any change to be made in its legal composition, admit any additional partner, member or other equity owner, issue or allow to be sold, transferred, pledged or assigned, any shares of its stock or any partnership interests, membership interests or other form of equity interests after execution of this Franchise Agreement, without the prior written approval of Arby's.

16:2 APPROVAL BY ARBY'S

Arby's will not unreasonably withhold its approval under this Article 16 if: (i) the prospective new partner, member, shareholder, equity owner or transferee shall be of good character and reputation and shall have a good credit rating and competent business experience, education and other qualifications acceptable to Arby's; (ii) the prospective new partner, member, shareholder, equity owner or transferee shall execute an appropriate assignment of this Franchise Agreement (and, if applicable, covenant not to compete) with Arby's on the standard forms then being used by Arby's, provided that if the requested transfer involves fifty percent (50%) or more of the assets of the Franchised Business or fifty percent (50%) or more of the ownership interest of or in Franchisee (including step or related transfers occurring within twenty-four (24) months), Franchisee shall execute, in substitution for this Franchise Agreement, Arby's then current standard form Franchise Agreement (revised to provide for a royalty rate as specified in Article 3:1 of this Franchise Agreement) and other then current ancillary agreements (including Arby's then current Guaranty Agreement) as Arby's may require for a term expiring on the date of expiration of this Franchise Agreement, which substitute Franchise Agreement may contain terms and conditions substantially different from this Franchise Agreement; (iii) Franchisee shall have at that time fully paid or satisfied all of Franchisee's obligations to Arby's (and/or its affiliates), AFA Service Corporation (or its successor), any applicable local advertising cooperative, and any applicable purchasing cooperative for the Arby's system, including but not limited to royalty fees, Advertising and Marketing Service Fees, local advertising cooperative dues and payments, and any purchasing cooperative dues or assessments; (iv) the prospective new partner, member, shareholder, equity owner or transferee shall have satisfactorily completed any and all training requirements then prescribed by Arby's in its sole judgment, including but not limited to MTP as discussed in Article 6.2 above; (v) the transferee (if the sale, assignment or transfer is of this Franchise Agreement, or any interest herein, or the Franchised Business or any substantial portion of the assets thereof) or Franchisee (if the sale, assignment or transfer involves Franchisee's legal composition or shares of its stock, partnership interests, membership interests or other form of equity interests) agrees, within ninety (90) calendar days or another mutually-agreeable time after the transaction's closing, to correct any failure of the Franchised Premises (including, without limitation, any furniture, fixtures and equipment at the Franchised Premises) to comply with the requirements of the Manual; and (vi) the Franchisee, transferee, all Guarantors of

the obligations of Franchisee, and all guarantors of the obligations of the transferees under this Franchise Agreement or any successor agreement shall have executed a general release, in a form satisfactory to Arby's, of any and all claims against Arby's, its affiliates and their respective past and present officers, directors, shareholders, partners, members or equity owners and employees, agents, successors and assigns, in their corporate and individual capacities, including without limitation, claims arising under federal, state, and local laws, rules, and ordinances, arising prior to the effective date of Arby's consent. In the event of an assignment or transfer of this Franchise Agreement or any interest herein which has been approved by Arby's, Franchisee (and its individual shareholders, partners, members, other equity owners, managers, officers and directors and each of them) shall nevertheless remain obligated under and subject to the restrictions contained in Article 13 above.

16:2:1 BONA FIDE OFFER

If in the event that any party holding any direct or indirect interest in this Agreement, in Franchisee, or in the Franchised Business (or the assets thereof) desires to accept any bona fide offer from a third party to purchase such interest ("Bona Fide Offeror"), Franchisee must notify Arby's, and shall promptly provide such information and documentation relating to the offer as Arby's may require to evaluate the proposed transaction and to determine the qualifications of the Bona Fide Offeror including, without limitation, details of the proposed sale's terms and the terms for the proposed purchase price. Arby's (or Arby's affiliated designee) shall have the right and option, exercisable within thirty (30) days after the earlier of (a) Arby's receiving a copy of a complete fully-signed purchase agreement (together with all schedules, exhibits, appendices, etc.) with the Bona Fide Offeror, or (b) Arby's receiving such written notification and all information that Arby's reasonably requests relating to Franchisee, the Bona Fide Offeror and the proposed transaction, to send written notice to the seller that Arby's (or Arby's affiliated designee) intends to purchase the seller's interest on the same terms and conditions offered by the Bona Fide Offeror. If Arby's (or Arby's affiliated designee) elects to purchase the seller's interest, and the seller agrees to the sale, closing on such purchase shall occur within sixty (60) days from the date of notice to the seller of the election to purchase by Arby's. If Arby's elects not to purchase the seller's interest, any material change thereafter in the terms of the offer from the Bona Fide Offeror shall constitute a new offer subject to the same right of first refusal by Arby's as in the case of the Bona Fide Offeror's initial offer (minor non-economic changes to the offer shall not constitute a new offer and shall be subject to the notice period of the initial offer). Neither the grant of this right nor the failure of Arby's to exercise it will affect or limit in any way the requirement of Arby's prior written approval of such transaction as provided in this Article or the automatic termination of this Franchise Agreement in the event of any unauthorized attempted transfer. In the event the consideration offered by the Bona Fide Offeror includes non-cash components (including, without limitation, a tax benefit) that Arby's (or Arby's affiliated designee) is not reasonably able to furnish, then Arby's (or Arby's affiliated designee) may substitute a reasonably equivalent amount of cash (as agreed upon by the parties) in lieu of such non-cash components (including any such tax benefit). If the parties cannot agree within thirty (30) days on the reasonably equivalent amount of cash to substitute for such non-cash components (including any such tax benefit), then an independent appraiser shall be designated by Arby's (or Arby's affiliated designee) at its expense, and the seller shall have the option of accepting the appraiser's determination or choosing not to proceed with the sale to either the Bona Fide Offeror or to Arby's (or Arby's affiliated designee). Further, Arby's must receive, and Franchisee and its owners must make, all customary representations and warranties given by the seller of the assets of a business or the ownership interests in an entity, as applicable, including, without limitation, representations and warranties regarding: ownership and condition of and title to ownership interests and/or assets; liens and encumbrances relating to ownership interests and/or assets; validity of contracts; and the liabilities, contingent or otherwise, of the entity whose assets or ownership interests are being purchased. If

Arby's exercises its right of first refusal, Franchisee and its selling owner(s) agree that, for two (2) years beginning on the closing date, Franchisee and they will be bound by the non-competition covenant contained in Article 13:1. The right of first refusal process will not be triggered by a proposed transfer that would not be allowed under Article 16:2 and therefore could not proceed. The right of first refusal granted to Arby's pursuant to this Article 16:2:1 shall not apply if the Bona Fide Offeror is a "pre-qualified buyer" who satisfies the following criteria: (i) the Bona Fide Offeror satisfies the then current criteria Arby's uses to evaluate prospective purchasers of Arby's franchises; (ii) through one or more controlled affiliates, the Bona Fide Offeror owns and operates no less than five (5) Arby's Restaurants and the franchisee of each such Arby's Restaurant (a) is in material compliance with the terms of the Arby's franchise agreement governing the operation of each such Arby's Restaurant and (b) within the preceding twelve (12) months has not been in default in the performance of any material obligation under the Arby's franchise agreement governing the operation of each such Arby's Restaurant; (iii) neither the Bona Fide Offeror nor any of its affiliates is in default of any lease or sub-lease with Arby's or any of its affiliates; (iv) there are no litigation, arbitration or other legal proceedings pending between the Bona Fide Offeror or any of its affiliates and Arby's or any of its affiliates; (v) the Bona Fide Offeror provides Arby's with a business plan which establishes the ability (including the necessary infrastructure and management resources) for the Bona Fide Offeror to operate the Franchised Business, taking into consideration its other business endeavors and any other businesses (including other Arby's Restaurants) to be acquired in connection with the Franchised Business; and (vi) neither the Bona Fide Offeror nor any of its affiliates owns or operates, directly or indirectly, a restaurant or store that offers roast beef sandwiches other than Arby's Restaurants. If the Bona Fide Offeror qualifies as a pre-qualified buyer, then Arby's will not unreasonably withhold, delay or condition its approval (pursuant to Article 16:2) of the Bona Fide Offeror's purchase of such direct or indirect interest in this Agreement, in Franchisee, or in the Franchised Business.

16:3 SALE OR TRANSFER TO FAMILY MEMBERS

The restrictions imposed by Article 16:1 above shall not be applicable to the sale, assignment, transfer or pledge of less than majority control of the Franchised Business or less than fifty percent (50%) of the assets thereof to Franchisee's spouse, parent, sibling or child so long as such transferee is 21 years of age or older at the time of the transfer, or to a trust established for the benefit of Franchisee and/or Franchisee's spouse, parent, sibling or child so long as the operative trust documents at all times provide that the trust shall remain in effect, and the assets thereof not sold, transferred, assigned or surrendered to any beneficiary or beneficiaries until each such beneficiary or beneficiaries attain the age of 21.

16:4 ASSIGNMENT TO LENDING INSTITUTIONS

Arby's will not require approval of the assignment, transfer or pledge of all or any part of the assets of the Franchised Business, excluding this Franchise Agreement, to banks or other lending institutions as collateral security for loans made directly to or for the benefit of the Franchised Business. However, such approval will be required for any proposed assignment or pledge of this Franchise Agreement or any direct or indirect interest in this Franchise Agreement, which approval, if granted, will not permit further transfers or assignments of this Franchise Agreement or any direct or indirect interest in this Franchise Agreement without compliance by the transferee or assignee with the provisions of Article 16:2 above.

16:5 CASUALTY OR LOSS

Notwithstanding any other provisions herein to the contrary, Franchisee shall have the right to transfer this Franchise Agreement from the Franchised Premises to a new location in the event the Franchised Premises shall be rendered inoperable by any casualty, or the Franchised

Premises shall be taken in condemnation or by eminent domain, or the principal highway access to the Franchised Premises shall be terminated or so changed as to substantially reduce access to the Franchised Premises, provided Franchisee notified Arby's thereof within thirty (30) calendar days of the occurrence of any of the foregoing events, Franchisee obtains a new location for the Franchised Business within twelve (12) months of such occurrence, such new location is approved in writing in advance by Arby's, and Franchisee removes the Trademarks or other indicia, trade dress, or distinguishing features of an Arby's Restaurant, and all signage so that the abandoned premises do not resemble an Arby's Restaurant.

16:6 TRANSFER FEE

For all transfers, sales, assignments or pledges that require Arby's approval under this Article, there shall be a non-refundable fee of Two Thousand Five Hundred Dollars (\$2,500), except that if the proposed transferee is not a party, or does not hold a controlling interest in a party, to any previous license or franchise agreement with Arby's and this is the first Franchise Agreement to be transferred to the transferee, then the fee shall be Seventeen Thousand Five Hundred Dollars (\$17,500). This fee shall be paid upon submission of the request for approval, and no approval shall be given until the fee is paid. Arby's may in its sole judgment agree to waive part of the fee if a substantial number of Restaurants are sold, transferred or assigned as part of the same transaction.

ARTICLE 17. RIGHT TO USE MODIFICATIONS OR CHANGES

Arby's shall have a non-exclusive right to use and incorporate in its national System for its own and/or its other franchisee's benefit all or any part of any modifications, changes or improvements developed or discovered by Franchisee or Franchisee's employees or agents in the Franchised Business without any liability or obligation therefore to Franchisee or any other person or entity.

ARTICLE 18. NOTICE

Any and all notices and demands required to be given hereunder shall be in writing and sent by certified mail or by a recognized overnight delivery or express service that provides evidence of delivery or attempted delivery (e.g. Fed Ex; DHL) to Arby's Franchisor, LLC, Attention: General Counsel, Three Glenlake Parkway NE, Atlanta, Georgia 30328, and by facsimile to (678) 514-5344 and to Franchisee at the notice address specified in Exhibit A, or to such other addresses as either party may hereafter provide in writing to the other as a notice or principal address; provided, however, that communications from Arby's to Franchisee which are to be incorporated in the Manual may instead be given as provided in the next sentence. Franchisee is required to provide Arby's with an official email address which will be set forth in Exhibit A to receive communications which are to be incorporated in the Manual, and Arby's electronic transmission of these communications to this email address will be considered valid written notice delivered in compliance with this Article 18. Any notice, demand, or communication shall be deemed given as of the date of delivery or attempted delivery. Franchisee must notify Arby's of and maintain a street address for the purposes of all notices required hereunder, and shall provide Arby's with current facsimile, phone numbers and addresses (including email) in order to maintain current notice and contact information.

ARTICLE 19. DIVISIBILITY OF PROVISIONS

The provisions of this Franchise Agreement are separate and severable, and the invalidity or unenforceability of any provision or provisions contained herein shall not in any way affect the validity or enforceability of any other provisions hereof, or the validity of this Franchise Agreement without the invalid or unenforceable provision or provisions; provided, however, that in the event any court or other competent authority should determine that any provision in this Franchise Agreement is not valid or enforceable as written, Franchisee and Arby's agree that such provision shall be amended so that it is enforceable to the fullest extent permissible under the laws and public policies of the jurisdiction in which enforcement is sought unless in Arby's sole judgment the invalid or unenforceable provision is so crucial

to the overall Franchise Agreement that no amendment is satisfactory, in which event Arby's at its election may terminate the Franchise Agreement upon payment to Franchisee of an amount equal to the applicable Franchise Fee without interest or penalty.

ARTICLE 20. FRANCHISEE'S ACKNOWLEDGEMENT

Franchisee understands and acknowledges that there are significant risks in any business venture and that the primary factor in Franchisee's success or failure in the Franchised Business will be Franchisee's own efforts. In addition, Franchisee acknowledges that Arby's and its representatives have made no representations to Franchisee other than or inconsistent with the matters set forth in the Franchise Disclosure Document provided to Franchisee and that Franchisee has undertaken this venture solely in reliance upon the matters set forth in the Franchise Disclosure Document and Franchisee's own independent investigation of the merits of this venture. Franchisee acknowledges that in all of their dealings with Franchisee, Arby's officers, employees, and agents act only in a representative, and not in an individual, capacity and that business dealings between Franchisee and them as a result of this Agreement are deemed to be only between Franchisee and Arby's.

Arby's may file suit in the federal or state court of general jurisdiction located closest to Arby's then current principal office or in the jurisdiction where Franchisee resides or does business, or where the Franchised Premises are or were located or where the claim arose. Each party irrevocably submits to the jurisdiction of those courts and waives any objection such party may have to either the jurisdiction of or venue in those courts.

EXHIBIT D

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this ____ day of _____, 20____, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (together with all amendments or modifications, the "Agreement") on this date by **Arby's Franchisor, LLC** ("Arby's"), each of the undersigned unconditionally (a) guarantees to Arby's and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Franchisee") will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the arbitration, non-competition, confidentiality, and transfer requirements.

B. Each of the undersigned acknowledges that (a) he, she or it is either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates; (b) he, she or it will benefit significantly from Arby's entering into the Agreement with Franchisee; and (c) Arby's would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) his, her or its direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Arby's pursuit of any remedies against Franchisee or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Arby's may from time to time grant to Franchisee or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners or guarantors, and for so long as Arby's has any cause of action against Franchisee or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Arby's; (b) all rights to require Arby's to proceed against Franchisee for any payment required under the Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (c) any benefit of, or any right to participate in, any security now or hereafter held by Arby's; and (d) acceptance and notice of acceptance by Arby's of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default

to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Arby's shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Arby's. Without affecting the obligations of the undersigned under this Guaranty, Arby's may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Franchisee, (b) any lack of authority of Franchisee with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Franchisee, (d) any circumstance whereby the Agreement shall be void or voidable as against Franchisee or any of its creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (g) any act or omission of Franchisee.

F. If Arby's is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Arby's shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If Arby's is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse Arby's for any of the above-listed costs and expenses it incurs.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Arby's and the undersigned, must be brought exclusively in the federal or state court of general jurisdiction located closest to our then current principal office at the time that the action is brought. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. Nonetheless, each of the undersigned agrees that Arby's may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he, she or it is domiciled or has assets. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

(Signature page on next page)

Created on _____, 20__

PURPOSES

The [_____ Advertising Co-op, Inc.] (also referred to herein as the "Co-op" or the "Corporation") is formed as a nonprofit cooperative trade association to foster and promote the interests of the franchisees and operators of Arby's Restaurants in the _____, __ Designated Marketing Area (DMA). Its functions are to conduct advertising and promotional campaigns and to engage in such other activities as the members deem to be the best interests of said franchisees and operators. The Corporation also has such powers as are now or may hereafter be granted by the Nonprofit Corporation Code of the State of _____.

ARTICLE 1

DECLARATION OF GOVERNING GUIDELINES

The Co-op Guidelines attached to these Bylaws are living documents that, from time to time and with their sole discretion, may be revised, updated or replaced by Arby's Franchisor, LLC (as defined below). The Co-op Guidelines are the operating policies and procedures of the Corporation. If and to the extent that the Co-op Guidelines conflict with these Bylaws, the Bylaws control.

ARTICLE 2

DEFINITIONS

As used herein:

2.1 "DMA" is defined as the Designated Market Area for _____, _____ as defined by Nielsen Media Research ("Nielsen"). The Co-op, based upon the then most recent survey results by Nielsen, may, from time to time, determine that additional areas fall within the DMA, and after any such determination, these new areas will be included within the DMA.

2.2 "Restaurant" is defined as any restaurant operating using the Arby's® trademark within the DMA under a valid Franchise Agreement (defined below) with AFL (as defined below) including Arby's® Roast Beef Restaurants, Arby's Market Fresh® Restaurants or any other AFL restaurant concept containing the word "Arby's" in its name.

2.3 "Franchisee" is defined as an individual, corporation, partnership or other legal entity franchised in the DMA pursuant to a valid Franchise Agreement with AFL to operate a Restaurant, including AFL.

2.4 "Gross Sales" is defined as the total amount received by Franchisee from the sale of all products and performance of all services in, on or from the Franchised Premises (as defined in the applicable Franchise Agreement), whether for cash or on credit, including commissions from vending and ATM machines, but excluding coupons and discounts, and sales tax or any similar taxes which are required by law to be computed separately and paid by the customer.

2.5 "AFL" is defined as Arby's Franchisor, LLC and its subsidiaries and affiliates and/or any of their respective predecessors or successors in interest.

2.6 "Member" is defined as any Franchisee that satisfies the requirements for membership under Article 4.1 hereof.

2.7 "Franchise Agreement" is defined as an agreement entered into between AFL and Franchisee in order for the Franchisee to receive the right and privilege to use the Arby's trademarks and operating systems in the operation of an Arby's Restaurant, upon the terms and conditions set forth therein.

ARTICLE 3
OFFICES AND REGISTERED AGENT

3.1 Registered Offices and Registered Agent. The initial registered office of the Corporation and the initial registered agent of the Corporation at said office will be as set forth in the Articles of Incorporation of the Corporation. The Corporation will have and maintain a registered office of the Corporation and a registered agent of the Corporation which registered office and registered agent at such office may be changed from time to time by the Corporation in the manner specified by law.

ARTICLE 4
MEMBERSHIP

4.1 Eligibility. All Franchisees are eligible to become Members of the Corporation. The Members of the Corporation will consist of all Franchisees who file with the Corporation an application for membership in the form of a membership letter evidencing their intent to become Members and to comply with and be bound by all of the terms and conditions relating to membership contained in the Articles of Incorporation, these Bylaws and any amendments thereto, as well as the Co-op Guidelines.

ARTICLE 5
DIRECTORS

5.1 General. The affairs of the Co-op will be controlled and administered by a Board of Directors.

5.2 Appointment of Directors and Term. Each Member will have the right to appoint one Director, who must be an owner, officer, director, manager or chief marketing officer of such Member. Each Director will serve at the pleasure of the appointing Member for a term to be determined by such Member from time to time. A Member may appoint a different person to be a Director for each meeting of the Board of Directors.

5.3 Voting.

a. Voting Rights. Each Director representing a Member in good standing is entitled to one vote for each of such Member's Restaurants. For each additional Restaurant that a Member acquires or develops, the Director representing such Member is entitled to an additional vote and such Member is obligated to pay dues for such Restaurant in accordance with Article 8 hereof.

b. Good Standing. A "Member in good standing" is a Member which does not owe any financial obligation to either AFL or to the Co-op which remains outstanding more than 30 days after the original due date of such financial obligation. A Director representing a Member in good standing is hereinafter referred to as an Eligible Director. A Member which owes a financial obligation to the Co-op which remains outstanding for more than 30 days after its original due date may still be considered in good standing if a majority of the votes entitled to be cast by Eligible Directors other than the Director representing such Member approve a payment plan for such Member, and such Member remains current with all of its obligations under the payment plan and with all financial obligations owing to the Co-op which accrue after the date the payment plan is approved. A Member which owes a financial obligation to AFL which remains outstanding for more than 30 days after its original due date may still be considered in good standing if AFL has approved a payment plan for such Member and such Member remains current with all of its obligations under the payment plan and with all financial obligations owing to AFL which accrue after the date the payment plan is approved by AFL. A Member which is not in good standing automatically will have no voting rights until the Member pays all amounts due and owing in full to the Co-op or AFL, as the case may be.

c. Voting at Meetings. Unless otherwise noted herein, all matters put to a vote of the Directors will be decided by the affirmative vote of Eligible Directors holding a simple majority of all votes entitled to be cast by Eligible Directors present at the time of the vote. Once a Quorum is established according to Section 6.5 below, voting may proceed without regard to whether the quorum is maintained throughout the meeting and the outcome will be determined by the percentage of votes entitled to be cast by the Eligible Directors present at the time of the vote, not the percentage of the

votes entitled to be cast by all Eligible Directors or Eligible Directors present when the quorum is first established. An Eligible Director representing a Member with more than one Restaurant in the Co-op is entitled to second his or her own motions and call them to a vote of the Directors. Except where proscribed by applicable law, a Director may vote in person, by facsimile, by electronic means or email, or by proxy executed in writing by the Director or by his or her attorney-in-fact. A proxy will not be valid after eleven (11) months from the date of its execution, unless a longer period is expressly stated therein.

5.4 Transfer of the Franchise. If a Member transfers its ownership interest in one of its Restaurants to a transferee approved by AFL, then the membership interest of the Member is transferred with it. The transferring Member's rights and obligations to the Corporation will terminate upon transfer, except with regard to any debts or fees owed by such Member to the Corporation at the time of transfer. Subject to the immediately preceding sentence, the transferee, upon transfer, assumes all rights and obligations of the transferring Member.

a. Termination of Membership without Notice (Automatic Termination). Any termination by AFL of the Member's Franchise Agreement will also be an automatic termination of its membership in the Corporation. Upon termination, the Member's rights and obligations to the Corporation will terminate, except with regard to any debts or fees owed by the Member to the Corporation at the time of termination.

5.5 Interest of Members. Except to the extent provided for in Section 5.6 below, no Member of the Corporation may own any right, title or interest in any part of the property or assets of the Corporation.

5.6 Dissolution of the Corporation. By a two-thirds majority vote of all votes entitled to be cast by all Eligible Directors, the Directors may adopt a resolution of dissolution for the Corporation. In that event, on its dissolution, the Corporation's property will be distributed to the Members in good standing in the proportion of the dues actually paid by the Members with respect to the twelve (12) month period immediately preceding the adoption of a resolution of dissolution.

5.7 Limited Liability of Members and Guaranty. The Corporation reserves the right to require that any Member who has furnished a guaranty to Arby's of its obligations under its Franchise Agreement with Arby's furnish a similar guaranty for its dues to the Corporation. Members and their guarantors will not, however, be liable for any debts or obligations of the Corporation, and, except as set forth in Article 8 hereof, will not be subject to any special assessment.

ARTICLE 6 MEETINGS OF DIRECTORS

6.1 Manner, Place and Time of Meetings. Meetings of the Directors may occur in person, by telephone or video conference, via electronic means (e.g. Internet chat, email or such other means as the Officers may find appropriate) or any other manner that provides for timely debate, voting and resolution of issues to be considered by the Directors. The meeting time, place and manner will be determined in advance by the Officers of the Corporation and disclosed in the Notice of Meeting as described in Section 6.4 below.

6.2 Annual Meeting. Once each year, the Corporation's Annual Meeting will take place. The Annual Meeting's agenda will include officer elections, review of bylaws, and forecast planning.

6.3 Calling a Meeting. Meetings of the Directors may be called at any time by a) the President; b) by any two (2) elected Officers other than the President; or c) by a simple majority of all votes entitled to be cast by Eligible Directors.

6.4 Notice of Meeting. The President, or the persons calling the meeting will send a written notice to all Members, whether in good standing or not, stating the manner, place, day, and hour of the meeting and, if and to the extent required below in Section 6.4, the purpose or purposes for which any Special Meeting is called. All Directors will be given at least ten (10) and no more than sixty (60) days' notice of Annual Meetings. All meetings other than Annual Meetings, whether regularly scheduled or not, are referred to herein as Special Meetings. All Directors will be given at least one (1) and no more than sixty (60) days' notice of Special Meetings. Notice of meetings may be given personally or by first class mail, electronic mail, facsimile or electronic transmission and will

be deemed given when mailed or when the electronic mail, facsimile or electronic transmission is sent, addressed to the Member at its business or electronic address. Neither the business to be transacted at, nor the purpose of any meeting of the Board need be specified in the notice (or waiver of notice) of such meeting except for Special Meetings involving any of the following actions, in which case at least ten (10) days' notice must be given to all Directors: the removal or election of Officers; the suspension of a Member's voting rights; amendments to the Bylaws; changes to the Co-op Contribution Rate; or amendments to the Articles of Incorporation. Notice of any Annual or Special Meeting or of the purpose of any Special Meeting may be waived by an instrument in writing. Attendance of a Director at a meeting will constitute a waiver of notice of such meeting and waiver of any and all objections to the place of the meeting, the time of the meeting, the manner in which it has been called or convened, and of notice of the purpose of the meeting, except when a Director states, at the beginning of the meeting, any such objection or objections to the transaction of business. Any meeting of the Board of Directors may be held within the DMA at such place as may be determined by the person or persons calling the meeting.

6.5 Quorum. Except as otherwise provided to the contrary herein, including in this Section 6.5, all actions by the Directors must be taken at a meeting at which a quorum is established. Two-thirds of all votes entitled to be cast by the Eligible Directors, represented in person or by telephonic communication, constitute a quorum at any meeting of the Directors. Once a quorum is present to organize a meeting, the Eligible Directors present may continue to conduct all business on the meeting's agenda regardless of whether the quorum is maintained throughout the meeting. Only the Eligible Directors present, whether in person or by telephonic communication, when a vote is called will be eligible for that vote. The outcome of the vote will be calculated in accordance with Section 5.3c above.

6.6 Adjournment. Any meeting of the Directors may be adjourned by the Directors acting in accordance with Section 5.3c.

ARTICLE 7 OFFICERS

7.1 Officers. The Directors of the Corporation will elect the following Officers: President, Vice President, Treasurer, and Secretary. These posts will, at all times, remain filled. Two or more offices may be held by the same person, provided that in no event will there be fewer than two persons functioning as Officers of the Corporation.

7.2 President. Unless otherwise specified by the Directors, the President will be the chief executive officer of the Corporation, and will have the responsibility for the general supervision of the business affairs of the Corporation. The President will preside at all meetings of the Co-op and discharge the duties of a presiding officer.

7.3 Secretary. The Secretary will keep minutes of all meetings of the Corporation and have charge of the minute books of the Corporation and will perform such other duties and have such other powers as may from time to time be delegated to him or her by the Board of Directors or the President.

7.4 Treasurer. The Treasurer will be charged with the management of the financial affairs of the Corporation and will perform such other duties and have such other powers as may from time to time be delegated to him or her by the Board of Directors or the President.

7.5 Vice President. In the absence or disability of the President, the Vice President will perform the duties and exercise the powers of the President. The Vice President will perform such other duties and have such other powers as may from time to time be delegated to him or her by the Board of Directors or the President.

7.6 Other Officers and Agents. The Board of Directors may appoint from time to time such agents as it may deem necessary or desirable, each of whom will hold office at the pleasure of the Board, and will have such authority and perform such duties as the Board of Directors may from time to time determine.

7.7 Election of Officers. The Officers of the Corporation will be elected at the Corporation's annual meeting by the Directors acting in accordance with Section 5.3c. The Officers will serve for a term of one year and until their successors are elected or until their earlier death, resignation, retirement or removal by the Directors. Officers may serve unlimited consecutive terms.

7.8 Vacancies. Any vacancy resulting from the death, resignation, retirement, relocation or reassignment of an Officer will be filled by a representative of the Member who employed such former Officer. Any vacancies resulting from the removal of an Officer pursuant to Section 7.9 will be filled by vote of the Board of Directors in accordance with Section 5.3c.

7.9 Removal of Officers and Agents. An Officer or agent of the Corporation may be removed by a simple majority of all votes entitled to be cast by the Eligible Directors whenever in their judgment the best interests of the Corporation will be served by the removal. The removal will be without prejudice to the contract rights, if any, of the person removed. Any officer representing a Member who owes a financial obligation to AFL or to the Co-op that is outstanding more than thirty (30) days past its due date (e.g. Co-op dues remain unpaid for more than thirty (30) days after the tenth (10th) day of the month), will be automatically removed from office. The vacancy will be filled in accordance with the second sentence of Section 7.8 hereof, provided that the Officer must be a representative of a Member in good standing.

ARTICLE 8 MEMBERSHIP DUES

8.1 Dues. Each Member pays dues to the Corporation as a percentage of the monthly Gross Sales for each Restaurant owned by such Member. The Member's dues are calculated in accordance with Section 8.2 below. Upon first joining the Co-op, the Member's Co-op membership letter will specify its initial dues. From time to time, the Co-op may change the Member's dues by increasing or reducing either the Co-op Contribution Rate or the Member Contribution Rate. Any change to the Member's dues is effective in the same month that the change is approved by the Directors and payable the following month.

8.2 Co-op Contribution Rate. The Directors will establish the Co-op Contribution Rate acting in accordance with Section 5.3c. The Co-op Contribution Rate is the rate from which all Member Contribution Rates are derived. In the event that the Directors do not approve a change in the Co-op Contribution Rate, the existing Co-op Contribution Rate will remain unchanged.

a. Member Contribution Rate. The Member Contribution Rate is the rate, calculated pursuant to the formula set forth in Sections 8.2 b - f below that the individual Member pays to the Co-op.

b. Base County Rate Participation Methodology for Local Spot TV. The Member Contribution Rate with respect to any Restaurant will be based on the percentage of broadcast television coverage (hereinafter "Audience Share") received by the county or portion thereof in which such Restaurant is located relative to the Audience Share received by the Base County of the DMA, as such percentages are reported by Nielsen. **Three (3) years of Audience Share is averaged to determine the current year's coverage for each County where an Arby's Restaurant is located. This method is termed as the 3-year Rolling Average. The 3-year Rolling Average methodology averages the Audience Share for the year the calculation is being completed, plus the two previous years for a total of three (3) Audience Share data points. This is done for all Counties where an Arby's Restaurant is present, including the Base County, as it has yet to be determined at this point. Once the 3-year Rolling Average is complete, the current contribution calculation process is followed moving forward.** For purposes of this Article 8, the "Base County" is defined as the county with the largest Audience Share in the DMA containing an Arby's Restaurant, provided that the county has at least 50 in-tabs. **The normal minimum sample size for the release of any station data is 50 in-tab diary households. In situations where county data is based solely on Local People Meter (LPM) samples, or a combination of LPM and diary samples, the minimum sample size required is dependent upon the number of measurements using each sample methodology. The following table shows the minimum sample size required in such cases.**

Current LPM markets: New York City, Los Angeles, Chicago, San Francisco, Philadelphia, Washington DC, Atlanta, Dallas, Detroit, Boston

Number of Measurements Using LPM Samples	Number of Measurements Using Diary Samples	Minimum In-tab Household Sample Size
0	4	50
1	3	50
2	2	35
3	1	26
4	0	18

The Corporation uses the Saturday through Sunday, 7 a.m. – 1 a.m. timeframe. The Audience Share accounted for by the public television stations will be deducted from the total of all Audience Shares in order to calculate each county’s Audience Share. The “Indexed Audience Share” for any Restaurant is the quotient, expressed as a percentage, obtained by dividing the Audience Share for the county or portion thereof in which such Restaurant is located divided by the Audience Share for the Base County. The table used to determine the Member Contribution Rate for a Restaurant, expressed as a percentage of the Co-op Contribution Rate, is as follows:

<u>Indexed Audience Share</u>	<u>% Participation in the Co-op Contribution Rate</u>
80 - 100%	100%
70 - 79.99%	75%
50 - 69.99%	50%
25 - 49.99%	33%
0 - 24.99%	0%

For example, in the chart below, the Co-op Contribution Rate is 5.00%. However, the Restaurants located in county "B" participate in 75% of the 5.00% Co-op Rate. Therefore, the Members in county B have a Member Contribution Rate of 3.75%.

County	Audience Share	Indexed Audience Share	% Participation in Co-op Contribution Rate	Member Contribution Rate
A*	75%	100%	100%	5.00%
B	59%	78%	75%	3.75%
C	42%	56%	50%	2.50%

* Base County

c. Methodology for Cable. All Members in a Co-op which spends money on cable television advertising and on local spot television advertising will have a Member Contribution Rate equal to the weighted average of the Restaurant’s contribution rate and the Full TV rate for the Co-op. To the extent reasonably practicable, purchases of cable television advertising should be designed to provide fair and equitable coverage for each Restaurant based on the Member Contribution Rate for each Restaurant. The weighted average should be calculated based on the percent of the total annual budget allocated to each medium. See the example in the Chart below:

Co-op Full TV Rate: 5.00% Co-op allocates 17% of their budget towards cable using the local Interconnect.

Because the Interconnect provides full coverage for all Restaurants within the Interconnect, contribution is at the Full TV Rate or 100%.

Calculate the weighted average for broadcast and cable as follows, based on the numbers above in the example:

- 1) Restaurant contribution rate multiplied by the amount of budget allocated towards broadcast to derive a percentage.
- 2) Full TV rate multiplied by the amount of budget allocated towards local cable to derive a percentage.

- 3) Add the percentages derived from the calculations above to yield a weighted average for the specific Restaurant.
- 4) Take a straight average of all Restaurant's contributions to obtain an Effective Rate for the Co-op.
 - A) $5.00\% \times 0.83\% = 4.15\% + 5.00\% \times 0.17\% = 0.85\% > (4.15\% + 0.85\% = 5.00\%)$
 - B) $3.75\% \times 0.83\% = 3.1125\% + 5.00\% \times 0.17\% = 0.85\% > (3.1125\% + 0.85\% = 3.96\%)$
 - C) $2.50\% \times 0.83\% = 2.075\% + 5.00\% \times 0.17\% = 0.85\% > (2.075\% + 0.85\% = 2.925\%)$

The overall effective rate for Restaurants in Counties A, B and C is 3.96%. As changes to the cable allocation are made throughout the year, the weighted average for each Restaurant would need to be adjusted accordingly on a monthly basis to compensate for the change.

d. Methodology for Radio Only. All Members in a radio-only Co-op contribute 100% of the Co-op Contribution Rate. Radio advertising should be purchased to benefit the DMA as a whole. To the extent reasonably practicable, counties with radio coverage below the metro average, as computed by Arbitron, Inc., should be supplemented with outlying radio advertising in order to provide fair and equitable coverage for each Restaurant based on the Member Contribution Rate for each Restaurant.

e. Methodology for Print. Print advertising costs will be budgeted separately, as determined by a specific plan providing optimal household coverage of each Member's trade area, in order to get fair and equitable coverage for each Restaurant based on the Member Contribution Rate for each Restaurant.

f. Methodology for Blended Markets (Multiple Media Types). Television advertising is the preferred medium for the Co-op. The Member Contribution Rates will be determined by the methodology described in either Section 8.2 b. or Section 8.2 c., dependent upon whether the Co-op spends more money on local spot television advertising or cable television advertising. Where local spot television and cable television purchases are equal, all Members will calculate a weighted average between the amount of dollars allocated towards broadcast and cable (refer to section 8.2c.). To the extent reasonably practicable, cable television advertising should be purchased in order to provide fair and equitable coverage for each Restaurant based on the Member Contribution Rate for each Restaurant. Outlying Restaurants that reside outside of an interconnect, requiring the purchase of soft systems, should be purchased to, or as close as possible to the Restaurant's broadcast contribution rate.

Where the Co-op purchases both television and radio advertising, the television advertising will always be the dominant medium. Radio advertising should be purchased to benefit the DMA as a whole. To the extent reasonably practicable, counties with radio coverage below the metro average, as computed by Arbitron, Inc., should be supplemented with outlying radio and/or print advertising in order to provide fair and equitable coverage for each Restaurant based on the Member Contribution Rate for each Restaurant.

g. Exclusive Remedy. In the event that any Member believes that one or more of its Restaurants has not received fair and equitable coverage, as contemplated by Sections 8.2c., 8.2d., 8.2e. or 8.2f., hereof, such Member's exclusive remedy will be to seek review by the Co-op Review Committee established pursuant to the Co-op Guidelines.

8.3 Use of Funds. The Corporation's funds may be used for any of the following expenditures, subject to approval by the Directors in accordance with Section 5.3c:

- a. Television (cable and non-cable)
- b. Print Advertising
- c. Radio Advertising
- d. Creative Production Costs

- e. Tapes, Shipping and Residuals to Television
- f. Meeting and Administrative Costs

8.4 Other Expenditures. The Eligible Directors, by unanimous approval of the Eligible Directors present at the time of the vote, may agree to make special contributions or use existing funds for other advertising and promotional purposes.

8.5 Accounting and Budget. The Corporation will employ an independent accountant to keep its books and to prepare its monthly, quarterly and annual reports. The Corporation's Treasurer will prepare or cause to be prepared an annual budget reflecting estimated contributions and expenditures for each fiscal year for approval by the Directors prior to each fiscal year. A complete accounting for the placement and payment of advertising and related expenses and collection and disbursement of contributions will be prepared by the Co-op's accountant and provided to each Member by the Treasurer on a quarterly basis within thirty (30) days of the end of each quarter in the Corporation's fiscal year. Any contributions made during the fiscal year which have not been spent will automatically roll forward as additional funds to be spent within the next year's budget unless the Eligible Directors, acting in accordance with Section 5.3c., approve another means to expend the funds. In the event that the Co-op derives revenue from any source other than dues contributions (such as interest on balances held in the Co-op's bank accounts or rebates from suppliers), the Co-op will expend all such revenue solely for the purposes set forth in Section 8.3 hereof. Such revenue will be expended prior to the expenditure of dues contributions.

8.6 Payment of Dues. Payments of dues are due and payable on the **tenth (10)** day of the month for the previous month's sales. Checks should be made payable to the _____ Advertising Co-op and mailed to the acting accounting firm. The Member will simultaneously submit with its dues payment a copy of the statement of gross sales furnished by the Member to AFL.

a. Grace Period. When a Member opens a new Restaurant in the DMA, it will be exempt from paying dues for that Restaurant only during the first sixty (60) days after the Restaurant's opening. (The monies from the initial sales that otherwise would be paid to the Co-op as dues will otherwise be used as part of a Grand Opening Promotion fund for the Restaurant.) The liability for dues payments begins on the 61st day of operation. If an overpayment has been made, a credit will be given to the Member.

8.10 Provisions for Reimbursement. The Co-op may by resolution of the Directors acting in accordance with Section 5.3c., provide for reimbursements to Members for purposes consistent with the purposes of this Corporation.

MULTI-BRAND ADDENDUM TO THE FRANCHISE AGREEMENT

**2024 INSPIRE BRANDS' MULTI-BRAND
ADDENDUM TO THE FRANCHISE AGREEMENT**

This Addendum to Franchise Agreement (this “**Addendum**”) is entered into this ____ day of _____, 202__ by and between _____ (“**Franchisor**”) and _____ (“**Franchisee**”).

1. **Background.**

(a) Franchisor and Franchisee are parties to that certain _____® Franchise Agreement dated as of _____ (as amended, the “**Franchise Agreement**”) under which Franchisor has granted Franchisee the right to operate a _____® restaurant (a “**Brand Restaurant**”) at _____ (the Brand Restaurant at that location is called the “**Franchised Restaurant**”). All initial capitalized terms used but not defined in this Addendum have the meanings set forth in the Franchise Agreement.

(b) Franchisee operates or intends to operate the Franchised Restaurant at the premises of, and in combination with, the other brand restaurants listed on Exhibit A (collectively, and whether one or more, the “**Other Restaurants**”). The affiliate(s) of Franchisee listed on Exhibit A (collectively, and whether one or more, the “**Co-Operators**”) operate the Other Restaurants under the separate franchise agreement(s) listed on Exhibit A (collectively, and whether one or more, the “**Other Franchise Agreements**”) with the franchisor(s) listed on Exhibit A who are Franchisor’s affiliates (collectively, and whether one or more, the “**Other Franchisors**”).

(c) This Addendum reflects certain changes in and clarifications to the Franchise Agreement to reflect Franchisor’s modified requirements for a multi-brand location. Franchisee acknowledges that Franchisor is willing to enter into this Addendum and to permit the operation of the Franchised Restaurant as a multi-brand location only because of the relationship between Franchisor and the Other Franchisors and, if applicable, the relationship between Franchisee and its Co-Operators who operate the Other Restaurants.

2. **Ownership of Other Restaurants.** Notwithstanding the restrictions in the Franchise Agreement, Franchisor consents to Franchisee’s (and/or, as applicable, its Co-Operators’) ownership and operation of the Other Restaurants at the same premises as the Franchised Restaurant, provided Franchisee complies with the terms of the Franchise Agreement (including this Addendum) and Franchisee (or its Co-Operators) complies with the terms of the Other Franchise Agreements.

3. **Franchise Agreement Term and Renewal.** The term of the Franchise Agreement shall expire, unless sooner terminated, on _____, 20___. In addition to the conditions in the Franchise Agreement to obtain a renewal or successor franchise to continue operating the Franchised Restaurant as a Brand Restaurant, Franchisee (and/or, as applicable, its Co-Operators) also must be in compliance with, and, if Franchisor requires, renew or extend the term of, the Other Franchise Agreements.

4. **Operation as a Multi-Brand Location.** Franchisee agrees that Franchisor, at its option, may modify any of the terms of the franchise system applicable to the Franchised Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Brand Restaurants, in order to reflect the Franchised Restaurant's status as a multi-brand location. Franchisee agrees to comply with all of those modifications. Without limiting the generality of the foregoing:

(a) Franchisee shall design and construct, and/or make modifications to, the Franchised Restaurant's layout, design, equipment and fixtures that Franchisor specifies to reflect the multi-brand location.

(b) Franchisee agrees that its (or Co-Operators') development and operation of the Other Restaurants shall not unreasonably interfere with or otherwise disrupt the Franchised Restaurant's operations. The operation of the Other Restaurants must be consistent with and complement Franchisee's operation of the Franchised Restaurant.

(c) Franchisee acknowledges that the services, guidance and assistance that Franchisor provides under the Franchise Agreement, including any training, may be intended for stand-alone Brand Restaurants and not tailored or specific to multi-brand locations like the Franchised Restaurant.

(d) Franchisee may not open and begin operating the Franchised Restaurant unless the Other Restaurants are also open and in operation. Franchisee shall ensure that the Other Restaurants are open and operating during all business hours that the Franchised Restaurant is open and operating.

(e) Franchisee must use paper products and other items bearing the Brand Restaurants' trademarks and trade names only at the Franchised Restaurant and with products served by the Franchised Restaurant, and Franchisee (or its Co-Operators) may not use them at the Other Restaurants or with products served by the Other Restaurants.

(f) Franchisee (and, if applicable, its Co-Operators) shall notify the customers of the Franchised Restaurant and the Other Restaurants, and the design and layout of the Franchised Restaurant and Other Restaurants shall reflect, all in the manner Franchisor periodically specifies, that the operation of the Other Restaurants is separate from and independent of the Franchised Restaurant. Without limiting the foregoing, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Franchised Restaurant and not the Other Restaurants. Likewise, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Other Restaurants and not the Franchised Restaurant. Unless Franchisor otherwise specifies or approves, none of the advertising, marketing or promotional materials associated with the

Franchised Restaurant may reference the Other Restaurants or the brand(s) under which the Other Restaurants operate.

(g) all of the Franchised Restaurant's sales must be entered only on the point-of-sale system that Franchisor approves for the Franchised Restaurant. Franchisee (and, if applicable, Co-Operators) shall maintain separate books and records for the Franchised Restaurant and the Other Restaurants and shall not commingle the revenues of the Franchised Restaurant with the revenues of the Other Restaurants. Franchisor and Franchisee agree that Franchisee shall pay royalties or continuing franchise fees, advertising/brand fund contributions or continuing advertising fees, and/or similar payments based on Gross Sales under the Franchise Agreement only on the Gross Sales derived from the Franchised Restaurant and not on the sales or revenue of the Other Restaurants. Franchisee agrees to deliver to Franchisor, at such times that Franchisor periodically specifies, sales information and other reports relating to the Other Restaurants.

(h) Franchisee acknowledges that Franchisor shall have no obligation to provide any training, services or other assistance with respect to the development or operation of the Other Restaurants.

5. **Personnel.** Franchisee must ensure that all employees providing services to customers of the Franchised Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants. Franchisor may at its option modify its training, staffing and other similar requirements to address any employees that are cross-trained to operate both the Franchised Restaurant and the Other Restaurants. However, Franchisee must ensure that all employees who provide services to the Franchised Restaurant's customers or otherwise assist in the Franchised Restaurant's operation are properly trained to operate the Franchised Restaurant and otherwise satisfy Franchisor's requirements. Franchisee must pay Franchisor any training fees and additional expenses that Franchisor incurs in connection with any additional or specialized training required for the Franchised Restaurant's personnel due to its status as multi-brand location.

6. **Inspections and Audits.** In order to determine Franchisee's compliance with the Franchise Agreement (including this Addendum), Franchisor shall have the right to inspect the Other Restaurants and their operations, and audit the books and records associated with the Other Restaurants, in accordance with the terms of the Franchise Agreement to the same extent that it may do so with respect to the Franchised Restaurant, its operations, and its books and records. If Franchisee has Co-Operators operating the Other Restaurants, Franchisee must ensure that those Co-Operators provide Franchisor the rights under this Section 6.

7. **Refresh/Remodel of the Franchised Restaurant.** Franchisor, at its option, may modify the requirements for any required refresh or remodel of the Franchised Restaurant under the Franchise Agreement, including by accelerating or deferring any due dates, in order to correlate with the development, remodel and/or refresh requirements under any of the Other Franchise Agreements.

8. **Relationship With Other Franchise Agreements.** Franchisee acknowledges that Franchisor granted Franchisee the rights under the Franchise Agreement and this Addendum in

reliance upon, and that the operation of the Franchised Restaurant under the Franchise Agreement is dependent on and inextricably connected with, Franchisee's (or its Co-Operators) operation of the Other Restaurants pursuant to and in compliance with the Other Franchise Agreements. Therefore:

(a) Franchisee agrees to comply (or to cause Co-Operators to comply) with the Other Franchise Agreements in connection with the development and operation of the Other Restaurants (including with respect to paying amounts owed and complying with all applicable laws) and agrees that Franchisee's (or any Co-Operator's) failure to comply with any Other Franchise Agreement shall constitute a breach of, and a default under, the Franchise Agreement.

(b) upon any proposed transfer (as defined in the Franchise Agreement, if applicable) involving any direct or indirect ownership interest in Franchisee or all or substantially all of the assets of the Franchised Restaurant, in addition to the conditions for Franchisor's approval of that transfer under the Franchise Agreement, Franchisor may condition its consent to that transfer on the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Other Restaurants. Likewise, Franchisee (or, if applicable, its Co-Operators) may not transfer any direct or indirect ownership interest in Franchisee's affiliate or all or substantially all of the assets of the Other Restaurants without the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Franchised Restaurant, which transfer shall be subject to Franchisor's approval under the Franchise Agreement.

(c) Franchisor may terminate the Franchise Agreement, effective upon delivery of written notice to Franchisee, if any Other Franchise Agreement expires (without a renewal or successor franchise with the Other Franchisors) or terminates (regardless of the reason), or if Franchisee (or, if applicable, Co-Operators) abandons or otherwise ceases to operate any Other Restaurant for any reason.

(d) Franchisor acknowledges that certain post-termination obligations under the Franchise Agreement relating to Franchisor's right to acquire certain assets of the Franchised Restaurant and/or the lease for the Franchised Restaurant's premises may conflict with similar requirements under the Other Franchise Agreements, and in that case Franchisee agrees to comply (and, if applicable, to cause its Co-Operators to comply) with the requirements that Franchisor reasonably specifies.

9. **Miscellaneous.** This Addendum is an amendment to, and forms a part of, the Franchise Agreement. Except as amended by this Addendum, the Franchise Agreement will continue in full force and effect. The recitals to this Addendum are a part of this Addendum, which, together with the Franchise Agreement, constitutes the entire agreement between Franchisor and Franchisee, and there are no oral or other written understandings, representations or agreements between Franchisor and Franchisee, relating to the subject matter of this Addendum. No modification, change or alteration of this Addendum shall be effective unless in writing and executed by Franchisor and Franchisee. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such

words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. If there is a conflict between any provision of the Franchise Agreement and a provision of this Addendum, the provision of this Addendum controls.

IN WITNESS WHEREOF, the parties have executed and delivered this Addendum as of the date first above written.

AGREEMENT

1. [Note: Describe any term(s) agreed to by the parties]

2. **Release.**
