What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in New Jersey. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in New Jersey than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO
THE MICHIGAN FRANCHISE INVESTMENT LAW**

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the license or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Office of the Attorney General, Consumer Protection Division, Attn: Franchise Section, 525 W. Ottawa Street, G. Mennen Williams Building, 1st Floor, Lansing, Michigan 48913, (517) 373-7117.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, “we”, “our” or “us” means Days Inns Worldwide, Inc., the franchisor. “You” means the person or entity who buys the franchise, the franchisee. If the franchisee is a corporation, partnership or other entity, “you” includes the franchisee’s owners.

The Franchisor, Its Affiliates and Parents. We are a Delaware corporation incorporated on May 21, 1991. We changed our name from Days Inns of America, Inc. to Days Inns Worldwide, Inc. effective March 31, 2000. We do not do business under any other name. We are a subsidiary of Wyndham Hotel Group, LLC, a Delaware limited liability company (“Wyndham Hotel Group”), which is wholly owned by Wyndham Hotels & Resorts, Inc., a Delaware corporation (“Wyndham Hotels & Resorts”) or (“WHR”). WHR guarantees the performance of our obligations under the “Franchise Agreements” we enter into with franchisees.

WHR was created by virtue of a tax-free spin-off of the hotel and transient lodging businesses of Wyndham Worldwide Corporation (“Wyndham Worldwide”) on May 31, 2018. On August 2, 2017, Wyndham Worldwide announced its plan to separate its businesses into two publicly traded companies. Under the plan of separation, the hotel and transient lodging businesses of Wyndham Worldwide (operating as Wyndham Hotel Group) were spun-off into a standalone publicly traded hotel company, WHR. The remaining businesses of Wyndham Worldwide were renamed Wyndham Destinations, Inc., and continue to operate as a publicly traded timeshare and timeshare exchange company, which has subsequently changed its name to Travel + Leisure Co. as of February 17, 2021. On May 9, 2018, the Wyndham Worldwide Board of Directors approved the spin-off of WHR through the distribution of 100% of the common stock of WHR to shareholders of Wyndham Worldwide. The distributions occurred on May 31, 2018 to Wyndham Worldwide shareholders of record as of the close of business on May 18, 2018. On June 1, 2018, WHR began “regular way” trading on the New York Stock Exchange as a separate public company.

Wyndham Hotel Group and its affiliate Worldwide Sourcing Solutions, Inc. (“WSSI”) offer goods and services to our franchisees and franchisees of the Lodging Affiliates. See Items 5 and 8.

The Franchisor’s Business and the Franchises Offered. We offer, sell and support franchises for Days Inn and Days Inn® by Wyndham Chain guest lodging facilities. We do not own, operate or manage any Days Inn Chain or other lodging facility.

Under the Franchise Agreement (found as Exhibit C-1 to this Disclosure Document), we offer you, if you qualify, a franchise to operate a Days Inn Chain guest lodging facility (a “Facility” or “Chain Facility”) at a single, defined location. The Chain Facility will utilize the “Days” service mark that we assign to it and the operating system and methods we specify (the “System”). We franchise several types of Facilities which are geared to different market segments. A “Days Inn” Chain Facility offers clean, comfortable accommodations, without gourmet restaurants, convention facilities or other luxury amenities that increase construction and operating costs. A Days Inn Chain Facility may but is not required to offer either an on-premises restaurant or have an adjacent approved restaurant. If the Chain Facility has no restaurant or if it has a restaurant that does not offer breakfast, you must provide coffee and a breakfast item as a complimentary benefit. A Days Hotel® Chain Facility has decor, amenities and guest services consistent with mid-market and upper mid-market hotels. A Days Hotel Chain Facility generally is of interior corridor design and may have such facilities and amenities as a full-service restaurant serving three meals a day, a bar and lounge (if legally permitted), meeting room space, room service, bell service, and exercise facilities. A Days Inn & Suites® Chain Facility is generally an interior corridor structure, having at least 10% of its guest rooms configured as suites, which have a separate living and sleeping area or an oversized (400+ square feet) guest room. Required amenities include a mini-refrigerator and microwave, coffee maker, two sleeping units (two beds or one bed and one sleeper sofa), hairdryer, and other items. All Chain Facilities must offer either a swimming pool or fitness center at no cost to guests.

The Hospitality Industry. The hospitality industry is highly competitive. Chain Facilities compete with all types of facilities that offer transient guest lodging to the public. The primary competition on a nationwide basis is from lodging establishments affiliated with other major lodging chains. Your Chain Facility may also compete with franchises of the Lodging Affiliates. Your ability to compete in your market will depend in large part upon your geographic area, specific site location, the Chain Facility’s condition, general economic conditions and the capabilities of your management and service team. Depending upon the location of your Facility, your sales may be seasonal.

Industry Specific Laws. You must comply with a number of federal, state and local laws and regulations which apply to businesses generally and to the construction and operation of hotels. These include environmental laws and those relating to zoning and construction, permits and licensing; public accommodations and accessibility by persons with disabilities; labor; occupational safety; fire safety; health and food storage, preparation and service; privacy and data security; and laws regulating the posting of hotel room rates and the registration and identification of guests. In addition to these laws, laws of general application may have special

relevance to hotels. Your business is subject to state and federal regulations that allow the government to restrict travel and/or require businesses to close during state or national emergencies. Because your business is operated as a destination to which your customers must travel, your business can be affected by such orders more than others. Consult your attorney for more information on these and other laws.

Business Experience of Franchisor, the Lodging Affiliates and their Predecessors. We have been offering franchises for Chain Facilities since February 1992. We do not own or operate any Chain Facilities. We are not engaged in any activities other than franchising Days Inn Chain Facilities and offering related products and services as described in this Disclosure Document. The Lodging Affiliates have been offering licenses or franchises for lodging facilities in the United States (including the continental United States, Alaska, Hawaii, and Puerto Rico) since the following dates:

Pending Litigation Against the Franchisor

Norma Knuth v. Wyndham Worldwide Corporation, et al. (Court of Queen’s Bench for Saskatchewan, Judicial Centre of Regina, QBG-2650/2014). On December 5, 2014, Plaintiff Norma Knuth filed a class action suit as a representative of all “persons, corporations, and entities, resident or situated in Canada . . . that paid a “Destination Marketing Fee” to a hotel in Canada owned, operated, or managed by one of the defendants.” Plaintiff named Wyndham Worldwide, Wyndham Hotel Group, Days Inns Worldwide, Inc., Ramada Worldwide Inc., Super 8 Worldwide, Inc., Travelodge Hotels, Inc., and Wingate Inns International, Inc. (the “Wyndham Entities”), as well as several other hotel companies. Plaintiff claims that hotels in Saskatchewan and elsewhere in Canada have been charging a Destination Marketing Fee of 3% or 4% for various marketing fees that they should not be passing along to consumers. Plaintiff further alleges that hotel guests are not aware of the charge and are under no obligation to pay it, and that the name Destination Marketing Fee was intended to make guests believe it is a special government tax or fee. Plaintiff alleges each of the defendants owns, operates or manages the hotel which collects the fee. The causes of action are (i) violation of the Consumer Protection Act, (ii) negligence, (iii) unjust enrichment, and (iv) waiver of tort. Plaintiff seeks restitution in the amount of \$403 million, general damages, punitive damages and interest. Plaintiff filed an Amended Statement of Claim on May 29, 2015, and a Second Amended Statement of Claim on December 14, 2015.

(collectively, the “Wyndham Entities”) in the Superior Court of New Jersey, Morris County, relating to four franchise agreements with the Wyndham Entities for the operation of four franchised guest lodging facilities. The Jariwala Parties seek compensatory, consequential, and punitive damages, interest, attorneys’ fees, and costs. The Jariwala Parties also seek a declaratory judgment against the Wyndham Entities stating that due to the breach of contracts, the subject guaranties should be rescinded and the Jariwala Parties should have no liability under the subject franchise agreements. The Wyndham Entities filed counterclaims under the four

franchise agreements for breach of contract, seeking liquidated damages, or in the alternative, actual damages, recurring fees, interest, attorneys' fees, and costs. The Wyndham Entities' Motion for Summary Judgment against the individual Jariwala Parties is currently pending.

Resolved Litigation Against the Franchisor

Percy Pooniwala and Dinaz Pooniwala v. Wyndham Worldwide, Inc., et al., (United States District Court for the District of Minnesota, Case No. No. 0:14-cv-00778). On February 28, 2014, plaintiffs served a complaint upon Super 8 Worldwide, Inc., Travelodge Hotels, Inc., Days Inns Worldwide, Inc., and Wyndham Worldwide Operations, Inc. (the "Wyndham Entities") in the Fourth Judicial District, County of Hennepin, State of Minnesota, asserting allegations including (i) violation of the Minnesota Franchise Act; (ii) breach of contract; (iii) breach of the implied covenant of good faith and fair dealing; and (iv) retaliation. Plaintiffs' claims related to four franchise agreements with the Wyndham Entities for the operation of Super 8, Travelodge and Days Inn franchised guest lodging facilities in Minnesota, and one proposed location that did not result in an executed franchise agreement. Plaintiffs allege that the Wyndham Entities wrongfully terminated, or were in the process of terminating, several of plaintiffs' franchised sites because plaintiffs did not agree to settle a separate lawsuit pending in New Jersey. Plaintiffs sought damages in excess of \$150,000.00, as well as the recovery of attorneys' fees. The Wyndham Entities filed counterclaims under the four franchise agreements and the location that did not result in an executed franchise agreement, including breach of contract and violations of the Lanham Act, seeking actual damages, liquidated damages, recurring fees and attorneys' fees and costs. The parties reached a settlement in August 2015 as part of which plaintiffs made payments to the Wyndham Entities in the amount of \$220,000 made in monthly payments from November 2015 until April 2017 and the case was dismissed on September 25, 2015.

Resolved Litigation Against the Lodging Affiliates

Thomas Luca, Jr. v. Wyndham Worldwide Corporation, et al. (United States District Court for the Western District of Pennsylvania, Case 2:16-cv-00746-MRH). On June 6, 2016, Plaintiff Thomas Luca, Jr. filed a class action lawsuit against defendants Wyndham Worldwide, Wyndham Hotel Group, Wyndham Hotels and Resorts, LLC and Wyndham Hotel Management, Inc. (the "Wyndham Entities"). Plaintiff purports to bring the complaint on behalf of himself and: (i) as to resort fees, all United States citizens who have booked a hotel room through the Wyndham Entities' websites within the applicable statute of limitations and were charged one or more resort fees; and (ii) as to the Terms of Use provision, all United States citizens who have booked a hotel room through the Wyndham Entities' websites within the applicable statute of limitations. Plaintiff alleges violations of the New Jersey Consumer Fraud Act, through alleged misleading charging of resort fees, and violations of the New Jersey Truth-in-Consumer Contract, Warranty and Notice Act ("TCCWNA"), through an allegedly unlawful Terms of Use provision on the Wyndham Entities' websites. On August 15, 2016, the Wyndham Entities filed motions to dismiss, and on February 15, 2017, the Court granted the motions to dismiss of Wyndham Worldwide and Wyndham Hotel Management, Inc., leaving Wyndham Hotel Group and Wyndham Hotels and Resorts, LLC as parties. Plaintiff filed a motion for class certification on October 15, 2018, which the remaining Wyndham Entities opposed on December 14, 2018, and is currently pending. On January 16, 2019, the Court dismissed the TCCWNA claim from the case. Wyndham Hotel Group and Wyndham Hotels and Resorts, LLC entered into a settlement agreement with Plaintiff whereby a class was certified for settlement purposes and

eligible class members will receive either \$22 or 2,200 Wyndham Rewards points, and Wyndham will make certain display changes. The Court granted preliminary approval on October 18, 2019, and granted final approval on February 24, 2020.

Jay Brodsky v. Hilton Worldwide Inc., et al., United States District Court for the District of New Jersey (Case 2:18-cv-13045-KM-JBC). On August 20, 2018, plaintiff Jay Brodsky filed an individual lawsuit against numerous hotel industry companies, including “Wyndham Hotels.” Plaintiff alleged a per se violation of the Sherman Antitrust Act (in the form of bid rigging and a group boycott), and in the alternative, a violation of the Sherman Act by unreasonably restraining trade among 60% of the market for the online sale of hotel rooms in connection with alleged arrangements between defendants, and between defendants and certain OTAs, to eliminate competitive bidding for branded keywords in connection with advertising. Specifically, plaintiff has alleged that each of the defendants agreed to refrain from using online advertising methods to compete for consumers, by preventing competitors from bidding for online advertising that uses competitors’ brand names. Defendants jointly settled for \$7,000 payment (\$1,400 as to Wyndham Hotels) to Mr. Brodsky on February 22, 2019, resulting in a dismissal of the action.

Presidential Hospitality, LLC, Ace Development, Inc. and Sam Blue v. Wyndham Hotel Group, LLC, Baymont Inn & Suites Franchise Systems, Inc. and Microtel Inn and Suites Franchising, Inc., (State of New Mexico, County of San Juan, Eleventh Judicial District Court, Case D-1116-CV-2017-01329). Plaintiffs were parties to a license agreement and guaranty with Microtel Inn and Suites Franchising, Inc. (“MISF”) for the operation of a Microtel guest lodging facility. On August 1, 2017, MISF filed a complaint in the United States District Court for the District of New Jersey against the plaintiffs for breach of contract seeking damages for outstanding recurring fees (the “NJ Action”). On September 12, 2017, the plaintiffs filed a complaint against Wyndham Hotel Group, LLC, Baymont Inn & Suites Franchise Systems, Inc. and MISF (the “Wyndham Entities”) alleging claims for violation of the New Mexico Unfair Practices Act, fraudulent inducement and negligent misrepresentation, and seeking rescission of the license agreement (the “New Mexico Action”). On September 25, 2017, the plaintiffs filed a First Amended Complaint against the Wyndham Entities alleging claims for violation of the New Mexico Unfair Practices Act, fraudulent inducement and negligent misrepresentation, and seeking injunctive relief and damages. On September 27, 2017, MISF filed an Amended Complaint in the New Jersey action, asserting claims arising from the termination of the license agreement. The Wyndham Entities filed a motion to transfer venue of the New Mexico Action to New Jersey and consolidate it with the NJ Action, which the Court ultimately granted. Plaintiffs filed a motion to stay the New Jersey Action or, in the alternative, to dismiss for lack of personal jurisdiction, or to transfer it to New Mexico, which we opposed. The Court denied the plaintiffs’ motion to stay or transfer the New Jersey Action, and held their motion to dismiss in abeyance. In September 2018, the plaintiffs agreed to settle both the New Jersey Action and the New Mexico Action, with payment to the Wyndham Entities, and both actions were dismissed with prejudice.

Joyce Roberts, individually and on behalf of classes of similarly situated individuals v. Wyndham International, Inc., Wyndham Worldwide Operations, Inc., Wyndham Hotels and Resorts, LLC & Does 1-10 (Superior Court of the State of California, County of Santa Cruz (RG 12639589)). On July 17, 2012, a purported class action complaint was filed against Wyndham International, Inc., Wyndham Worldwide Operations, Inc., and Wyndham Hotels and Resorts, LLC (the “Wyndham Entities”), alleging that Defendants surreptitiously recorded, monitored, or

eavesdropped upon telephone conversations with consumers. Specifically, Plaintiff asserts two causes of action, alleging the defendants violated California's Invasion of Privacy Act (California Penal Code Section 630 et seq.) when it allegedly recorded one or more calls plaintiff made to the Wyndham Rewards toll-free number through which reservations can be made for Wyndham hotels and to the Wyndham central reservations call center, without disclosing to plaintiff the conversations would be recorded, monitored, or eavesdropped upon. Plaintiff purports to bring the complaint on behalf of herself and all California residents who participated in one or more telephone conversations with the toll-free reservation numbers from a cellular, cordless, or hardwired landline telephone located in California and whose calls were recorded, monitored and/or eavesdropped upon by the Wyndham Entities surreptitiously or without disclosure. The Wyndham Entities were served on August 31, 2012, and removed the case to the United States District Court, Northern District of California. On May 15, 2013, the Court entered an order whereby Plaintiff's claims were voluntarily dismissed as to defendants Wyndham International, Inc. and Wyndham Worldwide Operations, Inc., leaving Wyndham Hotels and Resorts, LLC as defendant. Plaintiff filed her motion for class certification on April 27, 2015. Defendant's opposition to the motion for class certification was filed on June 19, 2015. The parties reached a settlement before the class certification motion hearing took place, which had been scheduled for September 1, 2015, and thereafter executed a settlement agreement. The Court granted final approval of the settlement and entered an order on the same, dismissing the lawsuit, on October 27, 2016.

Ronald Robinson v. Wingate Inns International, Inc. and Wyndham Hotels and Resorts, LLC (United States District Court for the District of New Jersey, Civil Action No. 2:13-cv-2468 (CCC)). On or about April 17, 2013, Ronald Robinson filed a complaint against Wingate Inns International, Inc. ("WII") and Wyndham Hotels and Resorts, LLC for violation of the Federal Trade Commission's Rule on Franchising (against Wyndham Hotels and Resorts, LLC solely), breach of contract (against WII solely), breach of the covenant of good faith and fair dealing, fraudulent inducement, and violation of the New Jersey Consumer Fraud Act, seeking damages and rescission of its franchise agreements. Plaintiff signed franchise agreements with WII and Wyndham Hotels and Resorts, LLC, though never opened a hotel pursuant to the agreements. After two amended complaints by Plaintiff and motions to dismiss by the defendants, as well as a counterclaim by defendants, the Court granted Wyndham Hotels and Resorts, LLC's motion to dismiss the breach of the covenant of good faith and fair dealing claim against it and granted defendants' motion to dismiss the fraud claims against them with prejudice on June 30, 2015. Plaintiff and WII settled the remaining claims for breach of covenant of good and fair dealing and breach of contract in May 2016 with payment coming to WII from Plaintiff.

Loren Stone v. Howard Johnson International, Inc. & Does 1-10, United States District Court for the Central District of California (Los Angeles) (CV. 12 1684). On February 28, 2012, a purported class action complaint was filed against Howard Johnson International, Inc. and several fictitious defendants, alleging that defendants surreptitiously recorded telephone conversations with consumers. Specifically, plaintiff asserted three causes of action, alleging defendants (i) violated California's Invasion of Privacy Act (California Penal Code Section 630 et seq.); (ii) violated the common law right to privacy; and (iii) acted negligently. Plaintiff purported to bring the complaint on behalf of himself and "all other California residents whose telephone conversations were surreptitiously recorded by Defendants between July 13, 2006 and

the present.” Plaintiff amended his complaint to add Wyndham Hotel Group on May 10, 2013. The parties reached a settlement and executed a written settlement agreement with Wyndham Hotel Group, LLC denying any allegations of liability or wrongdoing and paying \$1,500,000.00 into an account administered by the Claims Administrator. The court approved the settlement and the case was dismissed on November 30, 2015.

FTC v. Wyndham Worldwide Corporation, et al. (United States District Court for the District of New Jersey, Case No. 13-cv-1887 (ES)(JAD)). On June 26, 2012, the U.S. Federal Trade Commission (“FTC”) filed a lawsuit in Federal District Court for the District of Arizona against Wyndham Worldwide, Wyndham Hotel Group, Wyndham Hotels and Resorts, LLC and Wyndham Hotel Management, Inc. (the “Wyndham Entities”), alleging unfairness and deception-based violations of Section 5 of the FTC Act in connection with three prior cyberattacks involving a group of hotels operating under the Wyndham trade name. The parties settled the case by executing a Stipulated Order for Injunction, which does not hold the Wyndham Entities liable for any violations, nor require it to pay any monetary relief. The Court entered the Order and dismissed the case with prejudice on December 11, 2015.

FFC Capital Corporation v. Wyndham Hotel Group, LLC (Court of Common Pleas of Allegheny County, Pennsylvania) (G.D. No. 14-003150). This lawsuit was filed on February 28, 2014, in Pennsylvania State Court, Allegheny County. FFC Capital Corporation (“FFC”) and Wyndham Hotel Group entered into a letter agreement on February 8, 2008 (the “Letter Agreement”) as to proposed acquisitions by affiliates of FFC of twenty-two Wyndham Hotel Group-branded hotels. The twenty-two hotels filed for voluntary bankruptcy in 2010. FFC sued for breach of contract under the Letter Agreement, arguing that Wyndham Hotel Group failed to pay service fees allegedly owed as to transfers of twenty-one of the twenty-two hotels. The parties entered into a settlement agreement on January 22, 2015, as part of which Wyndham Hotel Group made no admission of liability and paid FFC \$260,000 and the case was dismissed.

Other than the above actions, no litigation needs to be disclosed in this Item.

ITEM 4. BANKRUPTCY

In June 2008, John Henderson, our incoming President – Brand Operations, filed a petition for personal bankruptcy under Chapter 13 of the United States Bankruptcy Code in the United States Bankruptcy Court of the District of New Jersey (Case No. 08-21621 (MS)). In June 2013, Mr. Henderson received a discharge in bankruptcy and the Bankruptcy Court issued an Order of Final Decree, closing the bankruptcy case.

Other than the above, neither we; any parent; predecessor; affiliate; officer or general partner of ours, nor any other person who will have management responsibility relating to the sale or operation of the franchises offered by this Disclosure Document has, during the 10-year period immediately before the date of this Disclosure Document, been involved as a debtor in proceedings under the U.S. Bankruptcy Code or any foreign bankruptcy laws required to be disclosed in this Item.

ITEM 5. INITIAL FEES

Application and Initial Fees

All prospective franchisees must complete an application for a Days Inn® franchise (a “Franchise Application”) and forward it to us for our review. A copy of the Franchise Application appears at the end of Exhibit C-1. You must pay us a \$2,500 “Application Fee” when you submit your Franchise Application. It is not refundable unless your application is not accepted due to proximity of the proposed site to another Chain Facility. You must pay an “Initial Fee” to us when you sign the Franchise Agreement. The Initial Fee for a new construction or conversion Chain Facility is equal to the greater of \$35,000 or \$350 per guest room. If we approve your Franchise Application, we will credit the Application Fee towards your Initial Fee. We do not intend to refund any Initial Fee. If we defer payment of all or a portion of the Initial Fee, you will sign the “Initial Fee Note” found in Exhibit C-1. In 2022, Initial Fees ranged from \$10,000 to \$35,000.

The Initial Fee paid by franchisees of new construction and conversion facilities covers, in part:

Integration Services – Our quality team will perform an initial inspection of your property and integration visit and our field team will provide initial training on and assistance with facility operations topics including Systems Standards and using the Chain’s intranet site. We will also provide training through various online courses on subjects such as quality assurance, housekeeping, preventative maintenance, customer service and the RFP process. The value of these Integration Services is \$5,000.

Transferees of existing Chain Facilities and franchisees renewing their franchises must pay an Application Fee, as well as a “Relicense Fee” (instead of an Initial Fee), which is equal to the greater of \$35,000 and \$350 per guest room. We may negotiate a lower Relicense Fee with you for a subsequent transfer or renewal at the time the parties sign the original, transfer or renewal Franchise Agreement, when business circumstances warrant. Relicense Fees are not refundable.

In 2022, the Relicense Fee for transfer franchises ranged from \$15,000 to \$39,000. Excluded from this range were any Administrative Assignments and any transfer franchises for which the transferor had previously negotiated a reduced Relicense Fee in their original Franchise Agreement with us. Also excluded were temporary operating agreements entered into with financial institutions and agreements entered into with receivers. The Relicense Fee for all franchise renewals in 2022 ranged from \$21,000 to \$35,000.

If you assign the Franchise Agreement, with our consent, to an entity affiliated with the initial franchisee using the Assignment and Assumption Agreement included in Exhibit C-1 (an “Administrative Assignment”), we will charge you a flat non-refundable administrative Relicense Fee of \$5,000, which includes your Application Fee. If the Franchise Agreement is being assigned to a financial institution or a court-appointed receiver, with our consent, the non-refundable administrative Relicense Fee is \$7,500, and includes the Application Fee.

We may negotiate the amount, payment terms and payment of any of the above fees when business circumstances warrant.

Mandatory Support Services and Fees

Franchisees purchasing new construction or conversion facilities must participate in the following required programs:

General Manager Certification – We will provide training for your general manager in our Hospitality Management Program. The fee for this mandatory training program is \$2,250, which will be billed within 90 days following the Opening Date of the Facility. Your general manager must successfully complete this training program before you open a new construction facility or, for a conversion facility, within 90 days after the Opening Date. If your initial general manager does not complete the Hospitality Management Program within the required time period, you must also pay the tuition then in effect at the time your general manager completes the program. This training may be offered in i) a hybrid, in-person and virtual format or ii) a virtual-only format.

Continuing Education – We will provide a comprehensive curriculum of hotel operations training. The cost of ongoing learning and development support for your entire hotel team is \$600 per year. This fee includes (i) the tuition for one regional workshop, (ii) access to Wyndham University, WHR’s learning management system, for your entire hotel team and (iii) service culture support and training materials.

Digital Photographs – We will arrange for digital photographs to be taken of the Facility by our preferred professional photography company for use on our consumer website, third party travel websites, and various marketing media. The fee for the standard photo package is \$2,450. Third party channels may require rooms with certain attributes to be photographed. To meet those requirements, additional photos may be purchased at a cost of \$225 for each additional room type.

In addition to the above, franchisees of conversion facilities must also purchase the items below from us or our affiliate:

Initial Property Supplies – We will arrange for delivery of an initial supply of key property supplies that assist the Facility with meeting System Standards and/or participating in key marketing initiatives as reasonably determined by us. The fee for your initial supplies is \$500.

Temporary Signage – If we allow you to open the Facility before installing permanent signage, we will arrange for one of our approved suppliers to provide temporary signage for the Facility in the form of a Mark-bearing bag to cover your primary free-standing exterior sign. The fee for temporary signage is \$1,000. However, if you install permanent signage from an Approved Supplier on or before the Opening Date, or if within 30 days of executing your Franchise Agreement, you sign a quote for and pay the required deposit for permanent signage from the vendor assigned to provide temporary signage for the Facility, you will not be charged this fee.

In addition to the above, franchisees of new construction facilities must also participate in the following required program:

Opening Training – We will provide opening training for your staff. This training is conducted on site at your Facility anywhere from two weeks prior to, or up to 30 days after, the Facility’s Opening Date. The duration and fee for this training is dependent on the size of your Facility as follows: \$750 for 0-50 rooms (1 day), \$2,250 for 51-200 rooms (up to 3 days) and \$3,750 for 200+ rooms (up to 5 days), plus travel, lodging and meal expenses of the facilitator.

All franchisees, including those of transfer facilities and those renewing their franchises, are required to participate in Continuing Education, to send their initial general manager to our Hospitality Management Program, and to pay the fee for such programs, as described above. However, renewal franchisees may be exempt from our Hospitality Management Program, provided their general manager has completed the training within the last eight years.

Property Management Systems

You must procure computer hardware and a software license so that the Facility can communicate with the Central Reservation System. We have approved two property management systems (“PMS”) under our technology standard, which are provided by third parties through contracts with us: Sabre Hospitality’s SynXis® system and the OPERA® system from Oracle Hospitality (“Oracle”). When choosing your PMS, you must sign the Master Information Technology Agreement (“MITA”) with us along with the applicable PMS Schedule. The PMS Schedule will include any required or optional services and fees, including monthly support, services and interface fees paid after opening. See Exhibit C-2. The hardware for the PMS may be purchased from any source so long as it meets our technology standards and minimum technical requirements. See Item 11 for a description of the two approved PMS and their differences.

If you choose the SynXis PMS, you must pay a one-time \$4,400 non-refundable Set-Up and Implementation Fee which includes remote deployment, installation, and training, at least 30 days before the Opening Date of the Facility. You will be required to subscribe to any future SynXis upgrade when it becomes available, which may include additional or different services and fees, and you may be required to execute a new SynXis Schedule to the MITA or amend your current SynXis Schedule.

If you choose the OPERA PMS, you must pay a one-time non-refundable Set-Up and Implementation Fee ranging from \$10,750 to \$21,450 plus additional amounts for interfaces that may be required, depending on which level of OPERA system you select. This fee includes remote deployment, installation, and training and must be paid at least 30 days before the Opening Date of the Facility. You will be required to subscribe to any future OPERA upgrade when it becomes available, which may include additional or different services and fees, and you may be required to execute a new OPERA Schedule to the MITA, or amend your current OPERA Schedule. (Exhibit C-2)

If you purchase an existing Chain Facility with a PMS, we may require you to upgrade it or purchase a new PMS to meet our current configuration requirements, at your cost. If no upgrade is needed, and you purchase an existing Chain Facility with a PMS, you must pay a \$500 transfer fee for the SynXis PMS, or a \$3,900 transfer fee for the OPERA PMS, plus possible additional fees for changes in the number of guest rooms in the Facility and/or changes to the number of interfaces the OPERA PMS uses.

If you are a transferee of a Chain Facility with a current PMS that meets our technology standards, we offer optional PMS recertification training for your Facility remotely at a fixed cost of \$500. You may also request additional training for the SynXis PMS for a fee of up to \$5,000, and up to \$10,000 for an OPERA PMS, for up to seven trainer days depending upon the number of staff that need to be trained and whether the training is conducted on-site or remotely. You are responsible for travel and lodging expenses for our trainer(s) if the training is provided at the Facility.

Set up of PMS systems and their associated ongoing fees are non-refundable.

Design and Project Review Services

We will provide you with an interior design prototype for the construction, renovation or furnishing of the Facility. In addition, for new construction facilities, we will provide review of both preliminary and final plans for construction of the Facility and up to two site visits from our Hotel Integration team to ensure compliance with System Standards as the project is constructed.

Franchisees of conversion and new construction facilities must complete pre-opening improvements or construction of the Facility by the dates specified in the Franchise Agreement. If we choose to grant an extension of any deadline, including the Facility’s Opening Date, you must pay us a non-refundable extension fee of \$5,000. The extension fee is due within 10 days of the Facility’s Opening Date. We may negotiate the amount, payment terms or charging of this fee with you when business circumstances warrant.

You can purchase furniture, fixtures, equipment and other supplies you may need before opening the Facility as a Chain Facility through WSSI’s “Approved Supplier” program. However, if you choose to purchase certain design elements from a supplier other than an Approved Supplier, we may charge you a non-refundable Custom Interior Design Review Fee, for our review of custom interior design drawings or of a model room and one site visit. You must submit your design drawings to us to ensure compliance with our interior design standards. The Custom Interior Design Review Fee is currently \$6,000, but is subject to increase in the future.

You begin paying Recurring Fees when you open the Facility. If you purchase an existing Facility, you begin paying Recurring Fees when you acquire or take possession of the Facility, whichever comes first.

² “GRR” or “Gross Room Revenues” is defined as gross revenues attributable to or payable for rentals of guest (sleeping) rooms at the Facility, including all credit transactions, whether or not collected, guaranteed no-show revenue, net of chargebacks from credit card issuers, any proceeds from any business interruption or similar insurance applicable to the loss of revenues due to the non-availability of guest rooms and any miscellaneous fees charged to all guests regardless of the accounting treatment of these fees. Excluded from GRR are separate charges to guests for Food and Beverage (including room service); actual telephone charges for calls made from a guest room; key forfeitures and entertainment (including Internet fees and commissions); vending machine receipts; and federal, state and local sales, occupancy and use taxes.

³ Depending on the circumstances, we may charge you a No-Show Fee of between 50% and 100% of the cost of the training that you or your personnel miss.

⁴ We have the right to require all Chain Facilities to participate in the Wyndham Rewards® guest loyalty program which is operated by our affiliate Wyndham Rewards, Inc. Under the Wyndham Rewards program, members can earn Wyndham Rewards points or Travel Partner Currency based on amounts spent at participating Chain Facilities as well as at participating Lodging Affiliate hotels or select affiliated properties, through purchases from non-affiliated merchants and service providers, or by making purchases with a Wyndham Rewards co-branded credit card. Members can redeem their Wyndham Rewards points for free or discounted night stays at Chain Facilities and Lodging Affiliate hotels, or select affiliated properties, for airline tickets, shopping and dining gift cards, merchandise and other rewards. Membership in Wyndham Rewards is free. All callers whose calls are received by our toll-free reservation center and all visitors to our consumer website will be offered the option to join Wyndham Rewards. You must also offer to enroll guests at your front desk, and are subject to an enrollment quota which Wyndham Rewards, Inc. may change, from time to time, for Chain Facilities, as reflected in the Front Desk Guide. All franchisees will be assessed Loyalty Program Fees, as applicable, on Wyndham Rewards member stays at their Facility. Stays for which members earn Wyndham Rewards points are defined in the Front Desk Guide, as may be amended. Certain member stays may not qualify for Wyndham Rewards point earnings. We will proactively match and award points to members even if they fail to present their membership number before check-out. We will reimburse you for free night stays at your Facility under a formula which is listed in the Front Desk Guide, which may be amended. Wyndham Rewards, Inc. has reserved the right to modify, alter, delete or add new terms or conditions, procedures, point values, redemption levels or rewards for the Wyndham Rewards program upon thirty (30) days' notice. Wyndham Rewards, Inc. may terminate the program at any time upon six months' prior notice.

⁵ If a condemnation taking occurs less than one year after notice to us, you pay the average daily Royalties and System Assessment Fees payable over the one-year period preceding the date of your condemnation notice to us multiplied by the number of days remaining in the one-year notice period. We may reduce the required notice period when business circumstances warrant.

⁶ We currently permit you to terminate your franchise without paying liquidated damages, if you give us at least 60 days and not more than 90 days advance written notice and meet the following conditions: (a) The Facility has operated as a Chain Facility for at least two years and it achieved an occupancy rate that is (i) below 50% and (ii) at least 10 occupancy points below the reported Smith Travel Research scale tract occupancy rate for the 12 month period preceding your request; (b) For the two year period preceding a notice, the Facility has achieved (i) quality assurance scores that equal or exceed an 80% (letter grade B) rating (or its then equivalent) on all routine and post-default inspections and re-inspections; and (ii) an average guest survey Overall Satisfaction score, as measured by Medallia or any replacement service then in use, that equals or exceeds an 8.0 (out of 10) rating for the two year time period. (c) You have (i) participated, including payment of all dues where applicable, in all mandatory national marketing programs and the brand's regional marketing association, cooperative or alliance, if any, during the two year period preceding the date notice of termination is given; (ii) fully participated in the

Wyndham Rewards® program, including achieving enrollment goals or paying associated retraining fees from its inception or the opening date of the Facility, whichever is later, (iii) created and implemented a written local sales and marketing plan during the preceding two year period, a copy of which is provided with its notice, and (iv) caused the Facility’s ownership and general manager to complete successfully all training courses as and when required by brand standards, including attendance at national and regional brand conferences where applicable. (d) You paid all fees and charges when due, and have not been the subject of any monetary default notice during the two year period preceding the date of notice of your termination that resulted in your Facility being suspended or restricted from the reservation system; and (e) You maintained its records on an approved property management system for the preceding 12 month period and (i) the Facility delivers its nightly audit report results daily for this 12 month period to the franchisor by means of participation in the automatic information upload to the Central Reservation System or (ii) an audit performed by the franchisor verifies the Facility’s occupancy rate as under 50% for this 12 month period. We may perform an audit of your records if you exercise your option under this policy. Certain additional restrictions may apply. A full copy of the policy is available at your request.

⁷ If you fail to comply with all of the de-identification obligations of your Franchise Agreement and our procedures, you agree to: (i) pay a de-identification fee of \$2,000 per day until de-identification is completed to our satisfaction; and (ii) permit our representative to enter the Facility to complete the de-identification process at your expense.

YOUR ESTIMATED INITIAL INVESTMENT FOR A 89 ROOM NEW CONSTRUCTION FACILITY

Additional Funds for 3 Month Initial Period ¹⁸	\$74,387	\$222,270	Monthly Payments for Recurring Fees, As Incurred for Other Expenses	After Opening	Us, Employees, Suppliers, Utilities
Total Estimated Initial Investment ^{19,20}	\$5,916,707	\$6,907,975	The table does not include the cost of purchasing or leasing real estate.		
Total Cost per Room	\$66,480	\$77,618			

The above table provides an estimate of the initial investment required for a Chain Facility. These figures exclude the cost of land. Your actual expenditures for a Chain Facility will depend upon many variables, such as region of the country, labor costs, economic conditions, and timetable for completing the project, and may be outside of the ranges presented.

¹ See Item 5 for amount or formula of each fee. We may defer payment of the Initial Fee. See Item 10. All fees are non-refundable, but we will refund your Application Fee if your application is not accepted due to proximity of the proposed site to another Chain Facility.

² This is the fee for the required photos for your Facility. The low end of the range is the cost for the required photo package and the high end of the range assumes you will require additional photographs to meet certain third-party requirements.

³ The low and high end of the range includes your Continuing Education Fee. It also includes the tuition for your general manager to attend the required Hospitality Management Program and the cost for up to three days of required Opening Training. The high end of the range also presumes an additional representative will also attend and pay the tuition for our Hospitality Management Program.

⁴ The low and high end of the range presumes that your general manager/owner will drive to our required Hospitality Management Program and incur minimal travel costs and mid-level T&E expense. It also includes facilitator T&E for up to three days of required Opening Training. The high end of the range also presumes an additional representative will also attend our Hospitality Management Program and incur significant T&E costs, including airfare and car rental.

⁵ We do not require a market or feasibility study. We strongly suggest that you obtain one from a reputable consultant to confirm your decision to construct a Chain Facility and to provide potential financing sources with independent information on prospects for the Facility. We reserve the right to obtain, or to require you to obtain at your expense, as a condition for receiving our approval of the site, a positive market feasibility study prepared by a nationally prominent independent accounting or consulting firm we approve.

⁶ Land costs vary materially. An 89 room Facility needs at least 2.5 acres for the building and adequate parking areas. Within urban areas the acreage requirements are less, if adequate parking is available for guests. Your land cost depends on land prices in your area and the site you select. Frontage on major thoroughfares and proximity to interstate highways or transportation centers used by persons needing

overnight accommodations is desirable.

⁷ This range includes the costs for permit fees, utility deposits and related fees, environmental studies, architectural (and structural, mechanical, electrical and plumbing engineering) fees to adapt our prototypical plans and specifications to meet requirements and local code. This item does not include impact fees which may be assessed by local authorities or site evaluation fees, geotechnical report fees, or civil engineering fees. You should check with the applicable local authorities to determine if impact fees are assessed and, if so, how they are calculated and the amount to be charged to your Facility. Fees vary widely depending on your specific location and situation.

⁸ This range includes general construction, minimal site work and landscaping. The cost of construction may vary substantially from location to location. The type of construction used, cost of materials, labor costs, local code requirements and other factors will affect the cost.

⁹ This amount is calculated as 5% of Facility Construction costs.

¹⁰ The amounts presented includes costs associated with guest room and public area high speed Internet access, PBX/telephone system (including consoles and guest room and administrative telephones) and television system. The low range assumes you will procure all of the above and you purchase the base system equipment. The high end of the range assumes you will procure all of the above, and also assumes that you acquire top of the line equipment for which to operate the PMS.

¹¹ You must purchase, lease or otherwise acquire the computerized hospitality property management system/computer (“PMS”) that has been designated by us. The low end of the range presumes that you select a base SynXis PMS for the Facility. The high end of the range presumes that you purchase the Premium OPERA Cloud system. This range does not include additional interface fees which may be required based on optional interfaces you may utilize at the Facility. This range includes remote installation. See Item 11 for information about the PMS.

¹² Includes furniture, fixtures and equipment (“FF&E”) for all areas of the Facility including guest rooms and public areas. These items are typically driven by the decorative furnishings package. The estimate presumes that you will install our approved interior design package in all guest rooms and public areas. Items included in the interior design package for the guest room and public areas may include flooring surfaces and bases; artwork and mirrors; casegoods; bathroom fixtures such as vanity bases, counters and shower tile; decorative bedding; lighting; seating; soft and upholstered goods; wallcoverings; and window treatments. This range includes procurement service provider fees estimated at 10 % - 15% of the total cost of the FF&E purchased. The figures above do not include tax, freight or installation, which should be confirmed prior to purchasing.

¹³ Includes cost of materials and installation for one pylon/monument sign, and one wall mounted sign/channel letters. The low end of the range presumes that you will be able to utilize the existing column for your pylon sign. The upper end of the range presumes that you will need to install a new column. Your actual cost will depend on many variables including sign size, materials and height, distance signs must be shipped, local labor costs, and local ordinances. This cost does not include local taxes and permits.

¹⁴ Operating supplies and equipment (“OS&E”) includes items required by System Standards such as mattresses/box springs, bed frames and bases, televisions, linens, logoed items, housekeeping supplies, guestroom and bathroom amenities/supplies, safes, cribs, luggage racks, interior signage, breakfast display equipment, floor mats, PPE, sundry shop items & equipment. The low end of the range assumes you will purchase the required OS&E to open in compliance with System Standards. The high end of the

range assumes you have chosen to purchase optional/suggested items not required by System Standards, but which you might choose to purchase, such as additional linens, rollaway beds, guest laundry equipment, etc. The figures above do not include tax or freight. These costs should be confirmed prior to purchasing.

¹⁵ You must maintain commercial general liability insurance with combined single limits per occurrence of \$1 million primary coverage and \$3 million excess liability umbrella coverage (\$4 million total) plus other required coverage. Insurance requirements are subject to change on a Chain-wide basis. This does not include your costs for property and casualty insurance, workers' compensation, employer's liability, disability and other insurance benefits for your employees.

¹⁶ The range assumes that, at a minimum, you will engage in a three-month digital advertising campaign via a third-party company, plus some or all of the following additional marketing activities: pre-opening direct mail, pre-opening parties, billboards, etc.

¹⁷ Includes attorneys' and accountants' fees, business license fees, bank fees, the cost of back-office accounting systems, and similar business startup expenses.

¹⁸ This amount is an estimate and includes the Recurring Fees you will pay us after opening. It does not include debt service payments or rent. Many factors affect initial period Gross Room Revenues and operating costs, including seasonality, pre-opening advertising and marketing, location, your management ability, staff performance and local market factors such as competition for customers and employees. Our estimate is based on our experience and the experience of our Lodging Affiliates and their franchisees in operating similarly situated brands over the last two years. These expenses include labor costs. We do not guarantee that you will not have additional expenses starting the business.

¹⁹ None of the fees and costs payable to us in the above table is refundable. Fees and costs payable to suppliers and other third parties above generally are not refundable unless you negotiate that directly with them. See Item 10 for a discussion of financing which might be available for portions of your initial investment in a Chain Facility.

²⁰ Estimated Initial Investment Onboarding Costs include Application Fee, Initial Fee, Photos, and Training costs range from \$45,250 - \$52,900. Estimated Initial Investment Construction Costs including Market Study, Architecture, Design, Engineering, Environmental Studies, Permits, Licenses, Deposits and Related Fees, Facility Construction, and Construction Contingency range from \$5,075,135 - \$5,611,330. Estimated Initial Investment Technology Costs including Technology Systems and Property Management Set-Up and Installation range from \$65,097 - \$84,417. Estimated Initial Investment Equipment and Product Costs including Furniture, Fixtures, Equipment, Signage, Opening Inventory and Insurance range from \$561,546 - \$752,412. Estimated Initial Investment Costs including Grand Opening Advertising, Pre-Opening Wages, Miscellaneous Non-Tangible Asset Costs and Funds for 3 Month Initial Period range from \$169,679 - \$406,916.

³ The low and high end of the range includes your Continuing Education Fee. It also includes the tuition for your general manager to attend the required Hospitality Management Program. The high end of the range also presumes your hotel is undergoing an architectural PIP and includes the cost for up to three days of Opening Training. The high end of the range also presumes an additional representative will also attend and pay the tuition for our Hospitality Management Program.

⁴ The low and high end of the range presumes that your general manager will drive to our Hospitality Management Program and incur minimal travel costs and mid-level T&E expense. The high end of the range presumes your hotel is undergoing an architectural PIP and includes facilitator T&E costs for up to

three days of required Opening Training. The high end of the range also presumes an additional representative will also attend our Hospitality Management Program and incur significant T&E costs, including airfare and car rental.

⁵ The low end of the range assumes you have your signage installed prior to open and you only receive an initial shipment of key supplies. The high end of the range assumes you need a temporary sign covering in order to open.

⁶ The low end of the range presumes that the Facility is in excellent condition and does not need any architectural, design or engineering work. The high end of the range presumes that the Facility will undergo a comprehensive renovation and incur the costs for permit fees, utility deposits and related fees, environmental studies, architectural (and structural, mechanical, electrical and plumbing engineering) fees to adapt our prototypical plans and specifications to meet requirements and local code. This item does not include impact fees which may be assessed by local authorities or site evaluation fees, geotechnical report fees, or civil engineering fees. You should check with the applicable local authorities to determine if impact fees are assessed and, if so, how they are calculated and the amount to be charged to your Facility. Fees vary widely depending on your specific location and situation.

⁷ The low end of the range assumes that the Facility's exterior, public areas, guest rooms and plumbing, heating, ventilation, air conditioning and other systems are in good condition and meet System Standards. The high end of the range assumes that the Facility requires extensive structural renovations to meet System Standards, and the exterior, public areas and guest rooms are in poor condition and require refinishing. (e.g., exterior walkways, swimming pool surface, landscaping, and ceiling tile).

⁸ This amount is calculated as 5% of Facility Improvement costs.

⁹ The amounts presented includes costs associated with guest room and public area high speed Internet access, PBX/telephone system (including consoles and guest room and administrative telephones), television system and system equipment. The low end of the range presumes that you own adequate equipment to operate the PMS, the Facility's PBX/telephone, television, and high-speed Internet access systems meet our standards and specifications and do not need to be upgraded. The high end of the range presumes that the Facility's high-speed Internet access, PBX/telephone and television systems all need to be replaced. The high end of the range also presumes that you need to acquire equipment needed to operate the PMS.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Except as disclosed below, you are not required to purchase or lease products or services 1) from us or our affiliates, 2) from suppliers approved by us, or 3) under our specifications. We may derive commissions or other revenue as a result of these purchases and leases.

Standards and Specifications

To assure consistency among Chain Facilities, each Facility must meet System Standards. These standards require that most of the items you use or sell at your Facility meet our specifications. Items that must meet our specifications include certain aspects of the Facility's construction, certain services you offer in the Facility, including food and beverage services, the Facility's equipment, décor and amenities, guest room size, signage, photographs, advertising, furniture and fixtures, various supplies, bath and bed linens, window treatments, bed toppings, mattresses and box springs, flooring, wall coverings, lighting, wireless high-speed Internet access, property management system, computer hardware, peripheral equipment, operating system software, telephone, lock systems, insurance, and in certain circumstances your third party manager or management company and management agreement. Our specifications may include minimum requirements for delivery, performance, design, appearance and quality. We will provide you this information in our Standards of Operation and Design Manual (the "Manual"). We may revise existing standards and add new ones through updates to the Manual.

We estimate that the items you purchase meeting System Standards will represent approximately 50% of your total initial expenditures for goods and services in establishing a new construction or conversion Facility. We expect that these items will represent approximately 10% to 15% of your annual purchases and leases.

You will obtain and maintain during the term of the agreement the insurance coverage required by Section 3.8 of the Days Inn Franchise Agreement and under the System Standards Manual, which is outlined below. All Days Inn hotels must have active insurance coverage effective at the start of construction or renovation and in continuous force while operating under the Days Inn System and/or as a Days Inn. Each insurance policy must include as a named insured the individual(s) and/or entity(ies) (and their respective successors or assigns) that are identified as Franchisees in the Franchise Agreement. Coverage must be on an occurrence basis. Each liability policy must name as an additional insured all of the following: Days Inns Worldwide, Inc., Wyndham Hotels & Resorts, Inc., Wyndham Hotel Group, LLC, and all related entities, as their interests may appear, and all of their current and former subsidiaries, affiliates, successors and assigns, as their interests may appear. Each liability policy must provide that the insurance coverage for each additional insured is primary and is not contributory with or excess of any insurance coverage that may be available to an additional insured.

Specific coverages include Commercial General Liability Insurance with minimum coverage of \$1,000,000 combined single limit per occurrence covering premises, products, independent contractors, bodily injury, personal injury, contractual and advertising liability, property damage, and insured contract liability; Liquor Liability with minimum coverage of \$1,000,000 per occurrence as well as inclusion in excess liability coverage if beer, liquor and/or alcoholic beverages are sold or served on site, including but not limited to, by restaurants or lounges, minibars or vending machines; Comprehensive Automobile Liability Insurance with minimum coverage of \$1,000,000 combined single limit per occurrence on all vehicles; Worker's Compensation in compliance with state laws and Employers Liability Insurance with minimum coverage of \$100,000; Business Interruption (Loss of Earnings) Insurance with a minimum of \$100,000 of coverage, actual loss or twelve (12) months sustained; Umbrella/Excess Liability Insurance at least as broad as the required underlying coverage, with minimum limits of liability of \$3,000,000 per occurrence. In addition, each Franchisee with an on-site restaurant, including but not limited to an owned or leased lounge or recreational facility space, must require that the operator satisfy the minimum insurance requirements listed in the System Standards Manual.

The failure to carry insurance coverage meeting the requirements described in the System Standards is a material default under the Franchise Agreement and may be grounds for termination of the Franchise Agreement. In addition, should you for any reason fail to procure or maintain the insurance required, we have the right and authority (without, however, any obligation) to immediately procure such insurance and to charge the cost thereof to you, which charge, together with a reasonable fee for our expenses in so acting, will be payable by you immediately upon demand.

Approved Suppliers

To support the purchasing efforts of our franchisees, we and/or our affiliate WSSI negotiate purchasing terms, including price, volume discounts and commissions on a range of products and services. In doing so, we and/or WSSI seek to promote the overall interests of our and our affiliates' lodging systems, management company and interests as franchisors. Currently, we and/or WSSI identify certain suppliers of products and services with whom we and/or WSSI may have negotiated purchase terms, who are then designated as "Approved Suppliers". You may purchase products and services directly from these Approved Suppliers through supplier provided websites or through more traditional means. We may provide your contact information to our Approved Suppliers and you may be contacted by our Approved Suppliers.

Suppliers not on the Approved Supplier list that are interested in doing business with us or the Lodging Affiliates must apply by registering online at our Supplier Registration site <http://suppliers.wyndham.com/>. Interested suppliers are evaluated and potentially approved according to an approval process established by WSSI. Currently, WSSI does the evaluations and approvals. The specific criteria and processes utilized by WSSI in the approval process are not disclosed to franchisees. WSSI will review a supplier who has registered with the Supplier Registration site on an as needed basis.

WSSI may not review all suppliers. For those that it does review, it will notify the supplier of approval within approximately 1 year after the supplier provides WSSI all information it requests about the supplier. Only suppliers chosen by WSSI to become an Approved Supplier will be

notified by WSSI of their acceptance. WSSI may revoke a supplier's "Approved" status if the supplier's agreement with us, WSSI, or an affiliate expires and is not renewed, or if the supplier is in default under their agreement with us, WSSI, or an affiliate. We will notify our franchisees if this occurs. Revocation does not mean that you can no longer purchase from this supplier; it simply means that the supplier no longer participates in WSSI's program to offer discounts or other benefits to our franchisees.

Approved Suppliers generally pay WSSI a commission based upon the volume of sales to franchisees. Commissions typically are a percentage of net or gross sales to franchisees and usually range from 1% to 5% of net or gross sales to franchisees. WSSI may enter into other commission arrangements with Approved Suppliers from time to time, such as a fixed fee per purchase order, on the basis of arms' length negotiations.

In 2022, our and the Lodging Affiliates' net revenues from franchisees' purchases of products or services required by or subject to System Standards was approximately \$6.2 million, or approximately 0.4% of WHR's total net revenues of \$1.498 billion (as reflected in its consolidated statements of income (loss) for 2022); and our and the Lodging Affiliates' net revenues from franchisees' purchases of optional products or services was approximately \$7.2 million, or approximately 0.5% of WHR's total net revenues of \$1.498 billion.

None of our officers own a material interest in any supplier to our System. However, from time to time, our officers may own non-material interests, for investment purposes only, in publicly held companies that are suppliers to our System.

Required Purchases from Approved Suppliers

The only items you must buy from an Approved Supplier are items bearing the Marks (such as signage, supplies, and digital photographs), certain elements necessary to create the brand-defining ambience (such as music, scent, or specific décor), items related to health and safety, the firm you retain to prepare a market feasibility study for your Facility (if any), and certain technology systems, including guest wireless high-speed internet access, credit card acquiring services and your property management system (although you will pay us, or an affiliate, for certain services related to your property management system, and may be required to pay us, or an affiliate, for certain services related to your guest wireless high-speed internet access system). There may be only one Approved Supplier for certain items bearing the Marks or related to health and safety and we do not plan to approve other suppliers. We have approved two different brands of property management system, but only one supplier for each brand. In addition, there is only one Approved Supplier for the credit card gateway services you must use with one of the property management systems. Otherwise, you can purchase items from any party you wish as long as the items meet our System Standards. We may have sole Approved Suppliers in the future for various items, which may include us or an affiliate. We and our affiliates intend to make a profit on any items we or they sell to you.

If you choose to purchase certain design elements from a supplier other than an Approved Supplier, you must provide us your custom interior design drawings for our review to ensure compliance with our standards, and we may charge a fee for such review. You must use our call

center to book reservations from customers who call your Facility to make a reservation. See Items 5 and 6. These are the only services that you must purchase or lease from us or an affiliate and neither we nor any affiliate are currently an Approved Supplier for any other item.

We may offer to issue the Development Incentive in cash or disbursed to a third party on your behalf for the approved use of constructing your hotel, in our sole discretion as business circumstances warrant. If the Development Incentive is to be issued in cash, we may require you to use the services of an approved procurement service provider or purchase directly from a manufacturer or approved supplier. The fee for procurement services is typically 10% - 15% of the total cost of the furniture, fixtures and equipment purchased.

We do not provide you with any material benefits (for example, the opportunity to acquire additional franchises, special renewal rights or similar benefits) if you purchase goods or services through our Approved Supplier program. We do not have a purchasing or distribution cooperative that you must join.

If we offer you Development Incentive financing (see Item 10), your significant owners must co-sign the Development Incentive Note with you. If the significant owners are residents of community property or certain other states, their spouses must also sign the note.

ITEM 10. FINANCING

Except as specified in this Item 10, we do not offer or provide any financing arrangements for Days Inn franchisees, either directly or indirectly.

Initial Fee Deferral. We may defer payment of the Initial Fee, if business circumstances warrant, in our sole discretion. The deferral is usually for a short term such as 90 days, or until the Facility opens as a Chain Facility, whichever occurs first. If deferred, you must pay the Initial Fee in one or more installments without the accrual of interest unless you do not pay the Initial Fee within ten days after it is due. The number of payments may vary based on business circumstances, but generally requires up to three equal installments over a 90-day period. We do not require any security for the Initial Fee Note. The Initial Fee Note may be prepaid at any time without penalty. You and your owners must sign the Initial Fee Note in substantially the form shown in Exhibit C-1. If your owners are residents of community property or certain other states, their spouses must also

co-sign the Initial Fee Note. Under the Initial Fee Note, you and your guarantors, or any co-makers of the Initial Fee Note, waive traditional defenses. These defenses include presentment, demand, notice of demand, protest, notice of non-payment, notice of protest, notice of dishonor and diligence in collection. We reserve the right to modify the terms of the Initial Fee Note and/or grant extensions, novations, releases or compromises to you or any co-maker without the consent of, or affecting the liability of, any other party to the Initial Fee Note. The Initial Fee Note is not subject to setoff, offset or recoupment. If the Franchise Agreement terminates for any reason or you transfer the Facility, we may demand that you immediately pay the Initial Fee Note in full. If you fail to make any required installment payment on time, we may demand that you immediately pay the Initial Fee Note in full. If you do not pay the Initial Fee Note within 10 days after it is due, the Initial Fee Note will bear simple interest at the rate of the lesser of 18% per annum (1.5% per month) or the highest rate allowed by law. Default under the Initial Fee Note will constitute a default under the Franchise Agreement. If the Initial Fee Note is collected by or through an attorney, we will be entitled to collect reasonable attorney's fees and all costs of collection.

Development Incentive Financing. We may offer certain "Development Incentives" for new construction and conversion Chain Facilities. The incentives are based on various factors and are determined in our sole discretion. These factors may include the number of rooms and location of the proposed Facility, market overview, surrounding hotels, demand drivers, and a feasibility study. The Development Incentive is a loan that is not subject to repayment unless the franchise terminates before the end of the term of the Franchise Agreement for the Facility or a Transfer occurs. The Development Incentive is typically funded shortly after the Facility's Opening Date, Subsequently, at each anniversary of the Facility's Opening Date, 1/20th or 1/15th of the original amount of the Development Incentive is forgiven without payment (based on the Term of the Franchise Agreement) such that the Development Incentive Note is fully forgiven at the end of the Term. If the franchise terminates or is transferred before the expiration of the Term, you must repay the balance of the Development Incentive. The Development Incentive Note bears no interest except in the case of default, in which case the interest rate will be 18% per annum (1.5% per month) or the highest rate allowed by law. If you must repay the balance of the Development Incentive and fail to make any required payment on time, we may demand that you immediately pay the Development Incentive in full. Default under the Development Incentive Note will constitute a default under the Franchise Agreement. We do not typically require any additional security for the Development Incentive Note, but reserve the right to do so in certain circumstances depending on the amount of the Development Incentive and the creditworthiness of you and your principals. The Development Incentive Note may be prepaid at any time without penalty. If the Development Incentive Note is collected by or through an attorney, we will be entitled to collect reasonable attorney's fees and all costs of collection.

To receive the Development Incentive, you and your principals, as co-makers, must sign a Development Incentive Note, which will specify the amount of the incentive, in the form attached to Exhibit C-1 when you sign and deliver to us the Franchise Agreement. If you and/or your principals are residents of community property or certain other states, your and /or their spouses must also co-sign the Development Incentive Note. In addition, you must sign an addendum to the Franchise Agreement, agreeing to make all payments due under the Franchise Agreement and ancillary agreements through electronic funds transfers through the ACH (automated clearing house) system. You must provide us with a current balance sheet, loan

documents and other information we request detailing the total cost of the Facility, the amount being financed, and your equity investment in the Facility. If we offer you a Development Incentive, you may not be eligible for any reduction in Initial or Recurring Fees (see Items 5, 6 and 15). The Development Incentive program may be modified, limited, extended, or terminated at any time without advance notice or amendment of this Franchise Disclosure Document.

The Development Incentive will be disbursed after (i) you have passed a final credit review with no material adverse changes in your business, legal, litigation, bankruptcy status or finances, or of your guarantors or the Facility since preliminary approval, (ii) the Facility officially opens with our consent, (iii) you have completed all required pre-opening improvements specified in the Franchise Agreement; (iv) you have paid the Initial Fee; (v) you are in good standing under the Franchise Agreement and all ancillary agreements; and (vi) you have completed any other pre-requisites for disbursement that you and we agree to in the Franchise Agreement. Additionally, we may require you to use the services of an approved procurement service provider, or purchase directly from a manufacturer or approved supplier, as outlined below.

We may offer to issue the Development Incentive in cash or disbursed to a third party on your behalf for the approved use of constructing your hotel, in our sole discretion as business circumstances warrant. If the Development Incentive is to be issued in cash, we may require you to use the services of an approved procurement service provider or purchase directly from a manufacturer or approved supplier. The fee for procurement services is typically 10% - 15% of the total cost of the furniture, fixtures and equipment purchased.

You and your guarantors or co-makers waive traditional defenses, as described above for the Initial Fee Note. With or without notice to or consent from you, each guarantor or co-maker, we may grant renewals, extensions, modifications, compositions, compromises, releases or discharges of other parties. If you transfer the Facility, you must repay the balance of the Development Incentive Note unless the transferee and its principals assume the obligation to repay the Incentive and provide us with such other security as we may require in our sole discretion. If you are purchasing an existing Chain Facility and we approve you to assume the obligation to repay the unamortized balance of the Development Incentive Note, then you must agree to assume all of the same terms under the Development Incentive Note as the original recipient of the Development Incentive.

Women Own the Room (“WOTR”) Development Incentive. We offer a special financing program intended to empower women entrepreneurs through hotel ownership. We will provide an approved women-owned franchisee a Development Incentive at a target amount of \$2,500 per guest room of the Facility, but not to exceed 50% of the franchisee’s equity investment in the Facility. The WOTR program also includes personalized opening and on-going operational guidance and support, which may include complimentary programs or discounts on select support services. To qualify for this program a majority of the legal and beneficial ownership interests of the franchisee must be held by women. We will have sole discretion in determining whether you qualify for the program. All of the other requirements, terms and conditions described above for Development Incentives also apply to the WOTR Development Incentive Program.

Black Owners & Lodging Developers (“BOLD”) Support. We offer customized support through our BOLD program, which is designed to engage and advance Black entrepreneurs on the path to hotel ownership. The specific support offered to each BOLD program member is tailored to the individual franchise applicant but will provide personalized opening and on-going operational guidance and support, such as complimentary programs or discounts on select supplemental support services. To qualify for this program a majority of the legal and beneficial ownership interests of the franchisee must be held by Black entrepreneurs. We will have sole discretion in determining whether you qualify for the program. The support offered to an applicant through the BOLD program may include a Development Incentive, in which case all the other requirements, terms and conditions listed above with regard to Development Incentives will apply.

In addition to all of the above, you may request a Lender Notification Agreement using the forms we provide you. Any lender you select may also request a collateral assignment of or security interest in the Franchise Agreement, but we have no obligation to enter into any agreement or arrangement with any lender. See Exhibit C-4.

We have no practice or intent to sell, assign or discount to a third party all or part of any financing arrangement above.

ITEM 11. FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance

Before you open your Chain Facility, we will provide you with the following assistance:

1. You select the Facility’s location and describe it in the Franchise Application. We reserve the right to obtain, or to require you to obtain at your expense, as a condition for receiving our approval of the site, a positive market feasibility study prepared by a nationally prominent independent accounting or consulting firm we approve. Since individual sites are necessarily unique, no listing of relevant factors will be applicable to all sites. However, we believe these factors are important: geographical area, population and density, other demographic factors, proximity to transportation, major attractions and destinations, commercial development, traffic patterns, competition, accessibility, and the compatibility of the area with the proposed use. We grant a franchise for a new construction or conversion Facility for a specific location or site only and approve your site when we approve your Franchise Application. There is no specific time limit in which this approval must be completed. However, we typically complete our review of your site and the other elements of your Franchise Application, and award or decline to award you a franchise, within 30 to 60 days after we receive your completed Franchise Application and all supporting documentation. Approval of your application and of the site only indicates our willingness for you to represent the Chain at that site. (Franchise Agreement – Application and Schedule D)

2. We will designate a Protected Territory for the Facility in the Franchise Agreement. (Franchise Agreement – Section 2)
3. If you are converting your existing hotel into a Chain Facility, or in the case of a Transfer, we will inspect the Facility and create a PIP of improvements needed before you open the Facility under our service marks and afterwards. The PIP is attached to the Franchise Agreement when it is signed. (Franchise Agreement – Schedule D)
4. For a new construction Facility, we will provide your architect with access to prototype drawings and specifications reflecting the overall design intent for the Facility (the “Prototype Plans”). A member of our Hotel Integration Team will be available to consult with your architect about the plans we provide. We will review and, if appropriate, approve any detailed architectural plans and specifications for constructing a new Facility. We will review any requests to materially modify or deviate from the plans or specifications after they have become “Approved Plans.” We may charge you a fee to review material modifications to your plans or specifications. (Franchise Agreement – Schedule D)
5. We may inspect the Facility during or following construction or renovation to determine compliance with System Standards and, where appropriate, approve its opening as a Chain Facility. (Franchise Agreement – Schedule D)
6. We will provide you with a copy of, or access to, our Manual which contains the System Standards and specifications for your Chain Facility, including standards for the furniture, fixtures, and certain equipment used to furnish your Chain Facility. (Franchise Agreement – Section 4.7)
7. We will furnish you with written specifications for required products and services, as well as information about Approved Suppliers whose products have been approved for usage, as described in greater detail in Item 8. (Franchise Agreement – Section 4.4)
8. If you wish to deviate from one of our standard interior design packages or to use a custom design package, we will, for an additional fee, review, approve, or provide comments on your interior design package and, following our approval, any subsequent modifications to your package. (Franchise Agreement – Schedule D)
9. We will provide Mandatory Support Services to assist you in opening the Facility. These Services are not applicable to franchisees renewing their franchises with us. See Item 5 for a more detailed description of these Mandatory Support Services and the fees we charge for them. (Franchise Agreement - Schedule D)
10. We will provide training to you and your general manager as described in this Item below. (Franchise Agreement – Section 4.1)
11. We offer, for a fee, an optional service via a third party through which you can purchase an online media campaign in connection with the Facility’s opening. The minimum campaign available for purchase runs for three months at a rate of \$1,500, and is focused on your Facility to support bookings during an initial ramp-up period.

Length of Time Before Opening

There is no “typical length of time” between the signing of a Franchise Agreement or the first payment for a franchise, and the Opening Date of the Facility. This is due to the impact of a number of variables including (i) your ability to obtain any necessary financing; (ii) whether the Facility is to be converted from an existing hotel or is to be newly constructed; and (iii) the process required to obtain all necessary permits, licenses and approvals from various government agencies.

We have established certain parameters for the pre-opening period. You must provide us with proof of ownership or ground lease of the location within 30 days after we sign the Franchise Agreement. In the case of an existing facility newly entering the Chain or an existing Chain Facility being transferred, you must begin renovation no later than 30 days after we sign the Franchise Agreement. You must complete the pre-opening phase of the work and be ready, willing and able to open the Facility under the System no later than 90 days after we sign the Franchise Agreement. In the case of a new construction, you must begin construction of the Facility within 60 days after we execute the Franchise Agreement and complete construction and receive our written approval to open the Facility 14 months after signing the Agreement. (Franchise Agreement – Schedule D)

Post-Opening Assistance

After the Chain Facility opens, we will provide you with the following assistance:

1. We will continue to provide you with access to the Manual, as described in this Item below. (Franchise Agreement – Section 4.7)
2. We will hold a Chain conference, which may be in the form of a WHR multi-brand conference with special sessions and programs only for our Chain. Currently, we hold a conference approximately every 18 to 24 months, but this is subject to change. We may also hold periodic regional summits throughout the year. (Franchise Agreement – Sections 3.9 and 4.1.4)
3. We or our contractor will conduct announced and unannounced inspections and/or mystery shops of the Facility. (Franchise Agreement – Section 4.8)
4. We will continue to provide you with operational support and information about the Chain by e-mail, telephone and/or via the Chain’s Intranet site. In addition, our field support team may periodically visit your Facility to provide on-site operational support provided you are in compliance with your obligations under the Franchise Agreement. Our representatives will also consult with you in person when they are at the Facility for compliance inspections, upon your request. (Franchise Agreement – Section 4.6)
5. We and our affiliates will continue to provide you with information about Approved Suppliers. See Item 8 above. (Franchise Agreement – Section 4.4)

6. We will provide a computerized Central Reservation System (“CRS”), directly or indirectly through another party, or a technological substitute as we may determine, for making reservations at Chain Facilities. See the Technology Systems discussion below. (Franchise Agreement – Section 4.2)
7. We will provide you a service to have certain callers directed automatically to our toll-free line where professionally trained agents will answer questions and book reservations on behalf of your Facility. See Exhibit C-6 for the Signature Reservation Service Agreement.
8. We will review and, where appropriate, approve requests to add guest rooms to a Facility after receipt of your Rooms Addition Fee. (Franchise Agreement – Section 3.12)
9. We offer comprehensive revenue management programs for additional fees. These optional programs are available at two levels of service for varying fees: Standard and Premium. No matter the service level, Revenue Management Services (“RMS”) includes inventory management, strategic positioning, future demand strategy and targeted promotions and packages, at different frequencies. We reserve the right to evaluate a variety of factors, including but not limited to, your Facility’s room count, occupancy rate, trends, and market to determine the most suitable level of service. Based on our assessment of your Facility and its performance, we may limit the levels of optional services available to your Facility. See Exhibit C-7 and Item 6 for additional description of options and fees.

In addition:

- Standard RMS is a bi-weekly program that includes STR review and evaluation, rate and inventory maintenance, as well as scheduled communication and accessibility and bi-weekly meetings with your assigned Revenue Management Specialist.
 - Premium RMS is a weekly service that includes inventory management, as well as scheduled communication and accessibility, weekly meetings with your assigned Revenue Management Specialist, and STR review and recommendations.
 - We may offer a Premium Plus RM Service for a flat monthly fee (currently, \$5245) to certain hotels that require additional support. Premium Plus RM Service includes Premium RMS services plus daily recommendations, twice-weekly strategy discussions and two annual property visits.
10. We will provide you with a cloud computing resource called Medallia, which will aggregate all reviews regarding the Facility from TripAdvisor and other major online travel agency sites, as well as customer surveys.
 11. We will provide the option to participate in third party competitive rate shop programs across key distribution channels. These third parties may charge monthly fees for their services.
 12. We will offer, as an option and for an additional monthly fee, a remote sales service. Under the service, we will assign a designated representative to support your Facility who will respond

to group sales leads (within certain parameters authorized by you) and solicit new business for your Facility. See Exhibit C-9 and Item 6 for description of options and fees.

13. We may choose to bundle certain optional service offerings. If we do so, the fee for such combined offering would not exceed that to be charged if you were to participate in each program individually. We reserve the right to assess your Facility and its performance based on a variety of factors to determine if you qualify for any bundled program offering. If available to you, you must execute the then-current form of agreement for such combined service.

Marketing and Advertising

We engage in advertising and marketing activities funded by the System Assessment Fees that franchisees pay us to promote the Days Inn network and to maximize the general public recognition, acceptance or use of Days Inn. The marketing may include various forms of advertising and promotion activities using any media we deem appropriate. Specific advertising activities may include: online, broadcast, print media, sponsorships, e-mail and direct mail. Advertising may be created and placed internally or by advertising agencies with the participation and supervision of in-house staff. The Fund (as defined below) may also be used to pay for e-commerce, market research, public relations, guest services, training, the Central Reservation System, distribution and the staffing of sales offices which generate corporate, government, tour and other bookings at Days Inn hotels and other marketing support. We select the nature and type of advertising copy, media placement or other aspects of the marketing program. Media coverage may be local, regional or national. We do not have to expend any portion of the Fund or otherwise for marketing or advertising in your trading area or territory and we do not promise that your Facility will benefit directly or proportionately from marketing activities.

Each Franchisee's System Assessment Fee will be deposited into a Marketing Fund (the "Fund"). The amount of this fee is 3.8% of Gross Room Revenue. Neither we nor any affiliate owns any outlets; however, it is our intention that any franchisor-owned outlets and all or at least substantially all Franchisees contribute to the Fund on an equal basis.

The System Assessment Fees are not held in trust and we do not manage the Fund in a fiduciary capacity, although its funds are separately accounted for on our books. We administer and apply the Fund at our discretion. We are not required to, nor do we have the Fund audited. We do not provide reporting to you or other members about its finances. We provide financial reporting (which may include unaudited financial statements) for the Fund, which are prepared each year and provided to the FAC. We do not make them available to other franchisees. Any monies which remain in the Fund at the end of the year (or deficiencies where the amount of money spent for marketing exceeds the Fees collected for the year) are carried over into the following year. The Fund may be used to compensate us or an affiliate for any administrative or other services, such as reasonable expenses incurred for accounting, collection, data processing, computer services, bookkeeping, reporting, system maintenance and legal services, which we or the affiliate provide to the Fund or in support of marketing activities, the Central Reservation System and for our out-of-pocket costs. In addition, we or an affiliate may provide products or services to the Fund. Any products or services provided by us or an affiliate will be provided at a cost comparable to the cost

that the Fund would otherwise incur if the products or services were obtained from unaffiliated third parties. In 2022, expenditures for marketing from the Fund were used as follows: 26% for media placement (including electronic marketing), 0.8% for production, 0.1% for promotions and sponsorships, 58.9% for other expenses (e.g., public relations, guest services, training, group and corporate sales, and field services) and 14.2% for administration (including bad debt expense). In 2022, no funds were utilized principally to solicit the sale of new franchises.

You may conduct your own local marketing program if all materials conform with System Standards, including proper usage of the Marks, or are approved in writing by us. We may, at our option, offer you advertising copy and other marketing materials at prices which reasonably cover our direct and indirect costs.

We presently do not have an advertising council. However, we review the annual marketing plan with the Franchise Advisory Committee (“FAC”) of the Days Inn Franchisee Advisory Association, and its Marketing Subcommittee, which acts in an advisory capacity and provides input on the marketing plan. The bylaws governing the Days Inn Franchisee Advisory Association, including the FAC and the Marketing Subcommittee, may not be amended without our consent. This would include the right to form or dissolve the Marketing Subcommittee through a bylaw amendment. In addition, we have established a National Marketing Alliance (“Alliance”) which you may participate in on a voluntary basis. All franchisees in the same Alliance will pay dues under the same formula, which will be payable annually in advance of the year in which the marketing is to be done. We offer matching contributions from the Fund to support qualifying marketing by the Alliance. We administer the activities of the Alliance on their behalf, including collecting dues and performing other bookkeeping functions, organizing Alliance meetings, arranging for the creation of advertising copy, and placing marketing programs. The Alliance do not operate from written governing documents. We are not required to issue annual or periodic financial statements for the Alliance. However, we create and provide updates to a marketing plan for the coming year, for participating members of each Alliance. We have the authority to form, change, dissolve or merge the Alliance at our discretion.

Technology Systems

Central Reservation System. We will provide a computerized CRS, or such technological substitute as we may determine, for making reservations at Chain Facilities. (Franchise Agreement – Sections 4.2, 7.1)

During the Term, the Facility will participate in the CRS on an exclusive basis, including entering into all related technology agreements and complying with all terms and conditions we establish for participation. The Facility may not book any reservations through any other electronic reservation system, booking engine or other technology.

We can independently access your electronic information and data, and collect and use this electronic information and data in any manner we choose, without any compensation to you.

Property Management System. You must select and procure a PMS information system, including computer hardware and software and Internet access service so that the Facility can

interface with the CRS.

The PMS books reservations, performs check-in and check-out functions, manages rates and inventory, collects and transmits to the enterprise data warehouse certain information collected about each guest reservation, automates the front desk and operational record keeping of the Facility, and interfaces with other electronic systems at the Facility. We will consult with you to assist in determining the appropriate PMS product for your Facility.

We currently have two approved systems under our technology standard. We may from time to time, at our option, change or make exceptions to our PMS technology standard. You will be required to execute a MITA with us and applicable Schedule for the PMS you choose. The hardware for the SynXis and OPERA PMS can be purchased separately from an affiliate or from any source so long as it meets our technology standards and minimum technical requirements. (Exhibit C- 2) We require you utilize tokenization technology for the transmission of credit card information to and from the PMS. We currently have one approved gateway provider to support tokenization and chip and pin technology. Accordingly, you are required to sign the Hosted Services Agreement with Elavon (Exhibit C-3), which may include additional services and fees, when you sign the MITA and the applicable PMS Schedule. We may, in the future, add or discontinue gateway providers in our sole discretion.

OPERA PMS: You may subscribe to Oracle’s OPERA PMS, offered as a cloud-based solution for property management for which the databases, servers, application servers, and storage are housed in the Oracle data center and not at the Facility. The cloud-based OPERA system from Oracle is available in three levels of sophistication depending on the needs of the Facility. Facilities must also have an OPERA interface PC and any required workstations that meet the system’s minimum technical requirements.

If you choose to subscribe to the OPERA PMS, you must pay a one-time Set-Up and Implementation Fee that ranges from \$10,750 to \$21,450, depending on which level of OPERA system you choose, plus amounts for any required or optional additional interfaces (ranging from \$525 to \$3,050 per interface) and the associated support fees. The Set-Up and Implementation Fee includes remote deployment, installation and training and must be paid at least 30 days before the Opening Date of the Facility. The Monthly Support and Service Fee for an OPERA PMS ranges from \$8.50 to \$11.25 per room per month. This fee range includes support of the OPERA application, HTCS and CRISP services, database backups and hosting fees as described in the MITA. We offer, as an option and for a fee, standard or premium service levels of an automated revenue and rate management solution. You will be required to subscribe to any future OPERA upgrade when it becomes available, which may include additional or different services and fees, and you may be required to execute a new OPERA Schedule to the MITA, or amend your current OPERA Schedule. (Exhibit C-2) Facilities connect to the Oracle data center via their own broadband connection, which must meet certain requirements as specified by Oracle. You are responsible for travel and lodging expenses for our staff if deployment, installation and training is provided at the Facility.

2. SynXis PMS: You may subscribe to Sabre Hospitality Solution’s SynXis PMS, which is a software as a service solution for property management.

If you choose SynXis, you must pay a one-time \$4,400 Set-Up and Implementation Fee which includes remote deployment, installation and training, at least 30 days before the Opening Date of the Facility. The Monthly Support and Service Fee for the SynXis PMS is \$621, which price includes support, HTCS and CRISP services, as well as a standard service level of an automated revenue and rate management solution and up to three interfaces. The tokenized credit card interface and the interface for the automated revenue and rate management solution are included in the monthly price and count towards the three included interfaces. We also offer a premium service level of an automated revenue and rate management solution for an additional monthly fee. You will be required to subscribe to any future SynXis upgrade when it becomes available, which may include additional services and fees. We may require you to purchase additional or replacement communications hardware or software, additional random-access memory or additional hard disk storage to keep pace with changes in technology. There is no contractual limitation on the cost or frequency of this obligation. Neither we, Sabre nor Oracle has any obligation to modify, enhance or rewrite the PMS software for the SynXis or OPERA systems. If we, Sabre, or Oracle modifies, enhances or rewrites the SynXis or OPERA PMS software and you are not in default under the MITA (including any schedules thereto) or the Franchise Agreement, we will provide to you and you must install the modified software in accordance with our Chain-wide distribution plan. As

described above, the annual cost of any optional or required maintenance, upgrades, or support contracts for the SynXis system is \$7,452. For the OPERA system, the annual cost ranges from \$10,200 - \$13,500 for a 100-room Chain Facility, depending on the service level you choose.

Network Connectivity Services. You must obtain network connectivity to enable your PMS to interface with the CRS. For any of the PMS options described above, you may procure network connectivity through a broadband Internet connection from an ISP, for which you must pay the ISP's service fee. Regardless of the PMS option you choose, your network connectivity must meet the system requirements required by Sabre for a SynXis PMS or Oracle for an OPERA PMS, as applicable.

Preventative Maintenance /Mobile Operations Support Tool. If you require assistance tracking your preventative maintenance needs, as measured by your Facility (i) receiving a failing score on a quality assurance inspection or (ii) receiving an average Medallia overall score for the preceding 12 month period less than 6.0, (or its then equivalent score) we will require you to subscribe to engage a third party for preventative maintenance service, including a mobile application, provided by a third party to help you manage your housekeeping and maintenance processes. We may offer as an option or, in the future, mandate a certain program or provider.

Through your subscription to the SynXis or OPERA PMS, you may, for a fee, subscribe to an optional third-party mobile device-based system, (MOP), for managing and automating tasks such as housekeeping, maintenance and guest support functions at your Facility. As part of the MOP system, for additional fees, you may also subscribe to an optional Guest Interaction Texting System that enables the hotel to connect with guests via texts to their mobile devices, as well as an optional Emergency Safety Device feature that provides panic button functionality to your hotel staff on MOP-enabled mobile devices. With written notice, we may mandate subscription to the MOP system or a similar system and supplier in the future, by updating System Standards.

Intranet Portal. We will provide access to a proprietary company intranet where you can access brand specific information, including System Standards and corporate communications specific to Chain and WHR initiatives. We will offer tools to help support your business including site reporting, industry reporting, bill payment, marketing, Global Sales, Loyalty and Revenue Management resources as well as access to ratings and reviews, and corporate information. We may, in the future, charge a fee for the support and maintenance of this service.

Other Obligations. You must offer wireless high speed Internet access in all guest rooms, meeting rooms, and public areas at the Facility.

We offer, as an option, support for a WIFI solution called Wyndham WIFI. If you choose to participate you will sign an agreement with a third-party vendor for equipment and installation of the WIFI solution and an agreement with us for support under our Hotel Connectivity Solutions Support Agreement. See Item 6 and Exhibit C-8.

Confidential Standards of Operation and Design Manual

We will provide you with access to the Standards of Operation and Design Manual and any other

manuals for franchisees which contain specifications for the construction or renovation and operation of the Facility under the System. The Wyndham Rewards Front Desk Guide is also a System Standard. These Manuals and System Standards may be amended. The table of contents of the Manual consisting of 284 pages is attached in Exhibit F. (Franchise Agreement – Sections 4.5, 4.6, 4.7)

Training

WHR's hospitality operations training team offers a variety of mandatory and optional training programs, seminars, online training and other training resources.

All personnel employed at your Facility in those positions we designate to receive training must attend and successfully complete our initial training program and other training programs we may require. These programs and their fees are described below. In addition, you are responsible for your employees' travel, lodging and meal expenses and wages while attending any training program.

Training Administration. We maintain a staff of field-based training professionals who conduct training regionally and at the hotel level. Each of these trainers has an operational and/or human resources background with us and with other hotel companies. We also draw upon the experience of other officers and employees of us and the Lodging Affiliates in conducting training.

General Manager Certification. We will provide training for your general manager in our Hospitality Management Program ("HMP" or the "Program"). This Program consists of approximately 34 hours of training and may be offered in i) a hybrid, in-person and virtual format or ii) a virtual-only format. In-person components are held in our corporate offices in Parsippany, NJ, as well as at locations local to our corporate offices or central locations in North America. Classroom training can be delivered through various media including in-person (except for the virtual-only format), live webinars or self-paced learning activities on our online training platform, Wyndham University. PowerPoint presentations, participant manuals and additional handouts are utilized during the Program.

If we do not offer HMP within the time periods specified below, required participants must complete the next available Program.

- Initial general manager: no later than 90 days after the Facility's Opening Date; and
- Replacement general manager: no later than 90 days after he/she assumes responsibility as a general manager

The tuition fee is \$2,250 for HMP, if the initial general manager successfully completes this mandatory training program and all related components to our satisfaction within the timeframe noted above. If the general manager does not complete the Program as required, you must pay the initial tuition in addition to the tuition then in effect at the time your general manager completes the Program. Additional employees of the Facility may complete HMP at the same time as your general manager at a tuition fee of \$1,400 per participant. If your general manager

participates in the hybrid format, you are responsible for all travel, lodging and meal expenses for your general manager. If you own more than one Chain Facility, you must send your initial (and any replacement) general manager from each Facility to HMP within the specified time frames. We reserve the right to require the general manager of your Facility to recertify by attending HMP (or its then equivalent offering), every eight years at the then current tuition.

Human Trafficking Prevention Training. In addition to HMP Training, each general manager is required to take our Human Trafficking Prevention Training course no later than 90 days after the Facility opens, and within 90 days of a subsequent general manager's start date. Your general manager must complete the course biennially, within two calendar years from the last completed training. The material for this course is delivered via Wyndham University's web-based training module. There is currently no fee for this training. If your general manager plans to receive similar human trafficking prevention training from a third party, the course must be pre-approved if you wish for it to satisfy this requirement. In addition, your general manager must certify on a biennial basis that he or she has trained or caused the training of hotel staff in human trafficking prevention. We will provide training resources to assist in satisfying this requirement through Wyndham University and the Chain's Intranet Portal.

Count on Us. In addition to HMP Training, each general manager is required to take our Count on Us training course no later than 90 days after the Facility opens, and within 90 days of a subsequent general manager's start date. In addition, all team members must complete the required trainings focused on Count on Us included in the Introduction and Overview as well as the Count on Me Certification and Safe Stay Guidelines. In Room Attendants are also required to complete the Public Space and Guest Room Cleaning, Laundry Procedures and Room Attendant Safety trainings. If your Facility provides food service, all applicable team members must complete the Food Service training. Your general manager must certify the training has been completed. The material for this course is delivered via Wyndham University's web-based training module. There is currently no fee for this training. We will provide training resources to assist in satisfying this requirement through Wyndham University and the Chain's Intranet Portal.

Opening Training. Franchisees of new construction hotels are required to participate in Opening Training. We may also require franchisees of conversion hotels to participate in Opening Training if the hotel is required to complete an architectural PIP. This training is conducted on site at your Facility anywhere from two weeks prior to, or up to 30 days after, the Facility's Opening Date. The duration and fee for this training is dependent on the size of your Facility as follows: \$750 for 0-50 rooms (1 day), \$2,250 for 51-200 rooms (up to 3 days) and \$3,750 for 200+ rooms (up to 5 days), plus travel, lodging and meal expenses of the facilitator. Training topics include Count on Me service culture, Housekeeping, Front Desk, and Wyndham Hotels & Resorts Tools and Resources.

In 2023, we plan to offer HMP training approximately 8 times, spread out over the year. Training may be offered in either format: i) hybrid, in-person and virtual, with the in-person portion held in either our corporate offices in Parsippany, NJ, a location local to our corporate offices, or central locations in North America, or ii) virtual-only. If your general manager attends the hybrid format, we reserve the right to require in-person attendance at specific locations based on the region in which the Facility is located. Human Trafficking Prevention Training and Count on Us Training

are available online at any time via Wyndham University and our Intranet Portal. Opening Training will be conducted at each Facility anywhere from two weeks prior to, or up to 30 days after, the Facility’s Opening Date. Required participants must complete all training components to our satisfaction, (including any pre-course activities) as outlined below unless stated otherwise in the Franchise Agreement. Tuition for these programs is subject to increase and is non-refundable.

The charts below show a summary of these programs as they existed on December 31, 2022.

We may require you, your GM and/or Facility staff to participate in a remedial customer experience assessment or training if the Facility receives (i) a failing score on a quality assurance inspection, (ii) a score of 6.0 (or then equivalent score) or below in consumer feedback responses, (iii) experiences significant complaints to our Customer Care Department, as determined by us in our sole discretion, or (iv) if at the time of the Facility’s first post-opening Quality Assurance inspection, the Facility receives a failure rating on guest room cleanliness or failing service score. The assessment or training may take the form of an online tutorial for a fee of up to \$250, or depending on need, a one-to-two-day, remedial class on housekeeping for an additional fee of up to \$1,250, which may be offered at our corporate offices, at a regional location, or at the Facility. If the assessment or training is conducted at the Facility, you must provide complimentary lodging for our representative. Fees are subject to change by modifying System Standards.

Product Quality Training. For additional and/or repeated instances of cleanliness or service failures, we reserve the right to require additional on-site training that can range from 1-10 days and cost between \$1,500 – \$5,000, plus the cost of travel and lodging for our instructor(s). Fees are subject to change by modifying System Standards.

Continuing Education. We will provide a comprehensive curriculum of hotel operations training. Optional Customized Training. At your request, we may provide customized training for your front desk, restaurant, reservations, housekeeping, engineering, and/or other operations employees. We will determine the number of facilitators and the length and content of the training based on our assessments of your requested training. The cost of any training starts at \$750 per day (up to 8 hours, whether on-site or virtual), plus travel and lodging expenses for the facilitator(s) if you opt to have the training held on-site at the Facility. Final cost is dependent on the type of training, time and resources required.

Wyndham Rewards Training. We reserve the right to require all Chain Facilities to participate in a training program on our customer loyalty program, Wyndham Rewards. All managers must complete a manager specific web-based training and all front desk associates must complete a general web-based training.

Conferences. We require general managers to attend an annual national leadership conference. The national leadership conference will typically be held every 12 to 18 months and may be included as part of a WHR multi-brand conference. Costs for these conferences are determined annually and billed back to you even if you do not attend the conference.

Regional Meetings. Certain personnel employed at the Facility may be required to attend periodic meetings held to address matters of general interest to the System. We will establish the locations where these programs are offered. If you participate in any of these programs, you must pay any tuition we establish for the program as well as the travel, lodging and meal expenses and wages for your personnel attending it.

No-Show and Cancellation Policy. If you or your general manager, or any other member of your staff you designate, fails to register for a required training program within the required time period, or registers for a training program but fails to attend such program as scheduled without,

notifying us in advance, whether such attendance is required or optional, we may charge you a No-Show Fee of up to 100% of the tuition for the program. If you, your general manager or any other member of your staff cancels participation in any training program less than fourteen (14) days before it is scheduled to be held, we may charge you a Cancellation Fee of up to 50% of the tuition for the program. No-Show and Cancellation Fees are in addition to the tuition you will have to pay at the then offered rate when you or your general manager attends the program. We may assess you additional No-Show or Cancellation Fees for continued failures by you.

ITEM 12. TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own or manage, or from other channels of distribution or competitive brands that we control. This may include transient lodging facilities, timeshare resorts, vacation or residence clubs, fractional ownership residences, condominiums or the like which are owned, managed or franchised by our current or former affiliates or by companies or brands we or our affiliates acquire. These competitive outlets could be adjacent, adjoining or proximate to your Chain Facility. You will be assigned a “Protected Territory” under Section 2 of the Franchise Agreement in which we will not own, operate or manage another Chain Facility without your consent. We will not grant any additional franchises for a Chain Facility in the Protected Territory after you execute your Franchise Agreement with us. Any Chain Facility located within the Protected Territory when your Franchise Agreement becomes effective may have its franchise renewed or reissued, expanded for additional guest rooms or, if its franchise terminates or is not renewed, replaced with a replacement Chain Facility having not more than 120% of the guest rooms of the replaced Chain Facility, located within the same trading area.

We will negotiate the Protected Territory with you, before you sign the Franchise Agreement. These negotiations will take into account one or more of the following: the nature of the market your Facility will serve (urban/suburban/rural); population density; demographics; natural travel boundaries (such as rivers or impassable lands); what public and private facilities, if any, may generate lodging demand for your Facility (including airports, highways, sports and entertainment venues, colleges, military bases, tourist attractions, hospitals, shopping malls and commercial and industrial activities); the “seasonal” versus year-round nature of the anticipated occupancy of your Facility; the weekend versus weekday anticipated occupancy of your Facility; and other variables. The Protected Territory may be defined as a radius from the door of the Facility or an irregular area bound by one or more streets, highways, governmental jurisdiction boundaries or natural boundaries, or by latitude and longitude and described in words, depicted on a map, or both. In any case, your Protected Territory will be described in Section 2 of the Franchise Agreement. There is no minimum Protected Territory that we offer.

We may own, operate, lease, manage or franchise Chain Facilities anywhere outside of the Protected Territory without restriction or obligation, even if they compete with your Facility. We may grant Protected Territories for other Chain Facilities that overlap your Protected Territory.

Continuation of your territorial rights does not depend upon whether you achieve certain sales volumes, market penetration or other contingencies. We may operate, lease, manage, or license any other party to operate a Chain Facility in the Protected Territory beginning (a) six months before the

expiration of the Franchise Agreement, or (b) as of the date that a date for the premature termination of the Franchise Agreement has been confirmed in writing by us. During the term of your Franchise Agreement, neither you nor your owners, officers or directors may own, lease, manage or franchise a timeshare resort, vacation or residence club, fractional ownership residence, condominium/apartment leasing or rental business, or the like, for any facility or business that shares directly or indirectly, common areas, amenities, recreation facilities, services, supplies or support activities with the Facility. You are also prohibited from promoting a different or competing business, including advertising hotels other than Chain Facilities or those of the Lodging Affiliates, and advertising any timeshare or vacation ownership resort not affiliated with us or our current and former affiliates. If you breach this obligation, we may terminate your Protected Territory. Your Protected Territory may be impacted upon a Notice of Condemnation. We have no other rights to modify your Protected Territory during the term of your Franchise Agreement.

We grant you a franchise to operate a Chain Facility only for a specific location we approve. Relocation of a Facility or the establishment of additional Chain Facilities is subject to our usual application procedures and requires the execution of additional Franchise Agreements. Franchisees are not usually granted options, rights of first refusal or similar rights to acquire additional Chain Facilities in their trading area.

We will not restrict you or any other franchisee from soliciting or accepting guest reservations from inside or outside of your Protected Territory, including through telemarketing, direct mail, online marketing or other means, providing that you comply with applicable law. However, the Facility must not book reservations through any electronic reservation system, booking engine or other channel other than our CRS or through approved consumer website(s) or third-party distribution sites unless permitted under our System Standards or with our prior written consent. You will be required to participate in Chain marketing programs in which you make a commitment to serve guests according to the terms of the programs.

There are no restrictions on us or our affiliates soliciting or accepting reservations from guests residing in your Protected Territory on behalf of you and other Chain Facilities, and we reserve the right to continue to do so using the Marks. This may include through our toll-free reservation number, our consumer website, electronic or direct mail, or other means.

Our affiliates may own, manage or franchise in your trading area under their service marks described in Item 1 (other than the Marks) (i) transient lodging facilities, or (ii) timeshare resorts, vacation or residence clubs, fractional ownership residences, condominiums, apartment buildings or the like. As of December 31, 2021, except for certain Baymont, La Quinta, Wyndham Grand, Wyndham, and Wyndham Garden properties, all of our and the Lodging Affiliates' transient lodging facilities in the United States are franchised. WHR or Wyndham Hotel Group may acquire additional hotel chains in the future which have company owned/operated or franchised properties in your trading area. Any conflicts between you and us regarding territory, customers and our support will be resolved under the Franchise Agreement. We have no procedure for resolving conflicts between you and franchisees of other brands. However, any resolution of any conflicts regarding territory, customers or support services will be entirely within our discretion.

In addition, we provide information about and book reservations for hotels franchised by the Lodging Affiliates through CRS toll-free reservation numbers or consumer website(s). You will receive no compensation for sales through our distribution channels, unless we make a reservation on your behalf, in which case, you will receive the revenue from the reservation. However, we will prioritize Chain Facilities over other hotels in a destination if there is room availability at Chain Facilities, they meet the guest’s search criteria, including closest proximity to a point of reference or point of interest, and they are not in default under their Franchise Agreement. The Lodging Affiliates have reciprocal programs for booking reservations at Chain Facilities. We have the right to provide reservation services to lodging facilities other than Chain Facilities or to other parties.

ITEM 13. TRADEMARKS

We will grant you the right to operate your Facility under the Marks (defined below) “Days Inn,” “Days Hotel” or “Days Inn & Suites” in conjunction with the “by Wyndham” designation, or any new ones which are included in the System. We may ask or permit you to utilize a secondary designation with the licensed Mark for the Facility.

The “Days Inn by Wyndham,” “Days Inn & Suites by Wyndham” and “Days Hotel by

Wyndham” marks are jointly owned by us and Wyndham Hotels and Resorts, LLC¹, a WHR subsidiary. The other above Marks are owned by us. The Trademark License Agreement between Wyndham Hotels and Resorts, LLC, and us to use the “by Wyndham” designation has a term which extends until March 31, 2043. We are required under the Trademark License Agreement to ensure that all Facilities utilizing the Mark meet our quality assurance standards.

Except as described above, there are no other agreements that currently limit our right to use or license the Marks in a manner material to the franchise.

Your right to use the Marks and any other symbols, logos, insignia, trademarks or service marks developed for or with your Days Inn hotel is derived solely from the Franchise Agreement and is limited to the conduct of business under and in compliance with the Franchise Agreement and all applicable specifications, standards and operating procedures we prescribe during the term of the Franchise Agreement. Any unauthorized use of the Marks by you will constitute an infringement of our rights in and to the Marks. You may not use the Marks in your corporate name, partnership name, tradename, name of any business entity, legal name, social media profile or handle name, or in any Internet address or domain used to identify a site on the Internet unless otherwise approved by us, but you may use a Mark in an assumed business or trade name filing, provided such filing is the full name of the property, including any secondary designation as set forth in the Franchise Agreement. You must cooperate to provide us with documents or other evidence necessary to obtain protection for the Marks or to maintain their continued validity and enforceability. As between us, we and our affiliates own all rights in the Marks and associated goodwill. You may not contest our or their interest in the Marks, or assist anyone else to do so.

You must promptly notify us of any unauthorized use of the Marks or marks that are confusingly similar to the Marks. You must notify us of any challenge to your right to use, or the ownership of, the Marks. We alone have the right to control any proceeding or litigation involving the Marks, including any settlement. We need not initiate suit against imitators or infringers who do not have a material adverse impact on your Facility or any other suit or proceeding to enforce or protect the System in a matter we do not believe to be material. We also have the right to keep all sums obtained in settlement or as a damages award in any proceeding or litigation without any obligation to share any portion of the settlement sums or damages award with you. You will cooperate with our efforts to resolve these disputes.

We will indemnify, defend and hold you harmless, to the fullest extent permitted by law, from and against all Losses and Expenses (defined in Appendix A of the Franchise Agreement), you incur in any action or claim alleging that your proper use of the Marks is an infringement of a third party’s rights to any trademark, service mark or trade name (Franchise Agreement – Section 8.3). You will promptly notify us in writing when you become aware of any alleged infringement or an action is filed against you. You will cooperate with the defense and resolution of the claim. We may resolve the matter by obtaining a license of the property for you at our expense, or by requiring that you discontinue using the infringing property or modify your use to avoid infringing the rights of others.

¹ References to Wyndham Hotels and Resorts, LLC in this Item 13 mean the owner of the “Wyndham” family of trademarks and not our ultimate parent, Wyndham Hotels & Resorts, Inc.

We may substitute different marks for, or modify the current Marks if the current Marks can no longer be used, or if we determine in our sole discretion that the substitution or modification will be beneficial to the System. If we transfer our rights under the Franchise Agreement, we may also require the purchaser to substitute different names or marks in connection with the continued operation of the business. In either case, you may be required, at your expense, to discontinue or modify your use of any of the Marks or to use one or more additional or substitute names, marks or other identifying symbols.

There are no currently effective material determinations of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state or any court; no pending material infringement, opposition or cancellation actions; nor any pending material federal or state court litigation involving the Marks other than as may be stated in this Disclosure Document. We are aware of non-material, unauthorized use of one or more of the Marks as part of third-party domain names. We are not aware of superior prior rights or infringing uses of the Marks that could materially affect your use of them.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no issued patents or patent applications that, as of the date of this Disclosure Document, are material to the franchise or part of your Franchise Agreement. We claim copyright protection in all copyrightable materials developed for our business, including the System Standards, Manual, videos, training materials, marketing materials (including all advertising and promotional materials), architectural drawings, building designs, interior design manuals and guidelines, proprietary fabrics, artwork and furnishings, logos, and business and marketing plans, whether or not registered with the U.S. Copyright Office (“Copyrighted Materials”).

Under the Franchise Agreement, we may revise the System Standards and you must comply with those changes.

We have agreements with Sabre and Oracle as our PMS technology partners, under which they offer cloud-based solutions for property management. We will license to you the right to use the SynXis or OPERA PMS for the term of your Franchise Agreement, subject to obsolescence or any other early termination of your MITA. We can license or sublicense each PMS to you under our contractual arrangements with Sabre and Oracle. Limitations on the use of the SynXis and OPERA PMS are described in Exhibit C-2.

You must take all appropriate actions to preserve the confidentiality of our trade secrets, our other information not generally known to the lodging industry, or other information we otherwise impart to you or your representatives in confidence, including the Manual and other documents (the “Confidential Information”). Access to Confidential Information should be limited to persons who need the Confidential Information to perform their jobs and are subject to your general policy on maintaining confidentiality as a condition of employment or who have first signed a confidentiality agreement. You will not permit copying of Confidential Information (including, as to computer software, any translation, decompiling, decoding, modification or

other alternation of the source code of this software). You will use Confidential Information only for the Facility and to perform under your Franchise Agreement. We will respond to any inquiry from you about continued protection of Confidential Information.

All Copyrighted Materials and Confidential Information are owned exclusively by us. Your right to use Copyrighted Materials and Confidential Information is derived solely from the Franchise Agreement and is limited to the conduct of the business under and in compliance with the Franchise Agreement and all applicable specifications, standards, and operating procedures we prescribe during the term of the Franchise Agreement. Any unauthorized use of our Copyrighted Materials or any unauthorized use or disclosure of Confidential Information will constitute an infringement of our rights in and to the Copyrighted Materials and Confidential Information.

There is currently no litigation pending involving the Copyrighted Materials or Confidential Information. We do not know of any effective material determinations of the U.S. Copyright Office or any court regarding any of the Copyrighted Materials or Confidential Information. There are no agreements in effect that significantly limit our right to use or license the Copyrighted Materials or Confidential Information.

You must notify us promptly of (i) any adverse or infringing uses of the Copyrighted Materials, Confidential Information or other System intellectual property, or (ii) any threatened or pending litigation related to the System against (or naming as a party) you or us of which you become aware. We alone handle disputes with third parties concerning use of all or any part of the System. You will cooperate with our efforts to resolve these disputes. We need not initiate suit against imitators or infringers who do not have a material adverse impact on your Facility, or any other suit or proceeding to enforce or protect the System in a matter we do not believe to be material. We also have the right to keep all sums obtained in settlement or as a damages award in any proceeding or litigation without any obligation to share any portion of the settlement sums or damages award with you. You will cooperate with our efforts to resolve these disputes.

We will indemnify, defend and hold you harmless, to the fullest extent permitted by law, from and against all Losses and Expenses, you incur in any action or claim alleging that your proper use of the System and any property we license to you, including the Copyrighted Materials or Confidential Information, is an infringement of a third party's rights to any trade secret, patent, copyright, trademark, service mark or trade name for as long as the Franchise Agreement is in full force and effect. You will cooperate with the defense and resolution of the claim. We may resolve the matter by obtaining a license of the property for you at our expense, or by requiring that you discontinue using the infringing property or modify your use to avoid infringing the rights of others.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You do not have to participate personally in the direct operation of your Facility although we recommend that you do so. If you do not personally manage the Facility, you must hire a management company or individual manager with significant training and experience in general

management of similar lodging facilities to manage the Facility. The manager must successfully complete our training program. You are solely responsible for all employment decisions for your Facility, including recruitment, hiring, firing, scheduling, remuneration, personnel policies, training, benefits, safety, security, supervision, discipline and termination, regardless of whether you received advice from us on any of these subjects. The management company or individual manager does not have to own an equity interest in the franchisee or the Facility.

We reserve the right to require you to retain a third-party manager or management company approved by us if you do not have significant experience managing a hotel, or are receiving a Development Incentive (see Item 10). If we require you to retain a third-party manager or management company, we reserve the right to approve any management agreement between the owner and any approved management company.

You, or your manager/management company, must not divert any business of customer of the Facility to any competitor, or do any other act which may cause harm to the goodwill associated with the Marks and the Chain.

If you are an entity, your owners, general partners, or controlling shareholders or members must guarantee your obligations under the Franchise Agreement. If you or the owners of the Facility are located in a community property or tenancy by the entirety – no severance state, your owners' spouses must also sign the guaranty. We may make exceptions to the obligation to provide a guaranty when business circumstances warrant.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may not offer goods or services in your Facility that we do not authorize. You must operate the Facility in strict conformity with the standards we specify in the Franchise Agreement, our Manual, or otherwise.

You must use the Facility premises solely for the operation of a Chain Facility. You may not share the Facility's swimming pool (if any), front desk, telephone system, parking lot and other guest service facilities with another lodging or housing facility. You may not develop or operate a timeshare or vacation ownership resort that is integrated into, or that shares amenities or services with, the Facility without our advance written consent. You may not use the Facility for gaming purposes without our consent or install any electronic or video games, vending machines or similar items that we have not approved. You may not permit any activity at the Facility which would negatively impact the goodwill of the System.

You may not provide any guest service or offer any product except as described in the Manual or otherwise in writing, and you must offer all System-wide products, services and programs we establish or that we determine to be in the best interest of the System. These may include guest-accessible high speed Internet service, guest recognition programs such as "Wyndham Rewards," complimentary services for senior citizens, children, veterans and frequent guests, travel agent and other programs.

We may add to or modify any of the programs, products or services we require you to offer, and

you must comply with the changes we adopt. There are no contractual limitations on the frequency and cost of your obligation to adopt our changes.

You must participate in our Best Rate Guarantee program and may not make available room rates through any publicly available channel which are lower than the rates you offer through our brand channels.

We grant this franchise only for the number of guest rooms specified in the Franchise Agreement. You may not change the number of guest rooms or make other structural changes to the Facility without our advance written consent.

ITEM 18. PUBLIC FIGURES

We do not use any public figure to promote the sale of franchises.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in this Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Lodging facilities report performance for a time period on the basis of Average Daily Room Rate ("ADR") (gross room revenue divided by the number of occupied guest rooms), "Occupancy Rate" (the percentage of available guest rooms actually occupied by guests), and "RevPAR" or gross room revenue per available room (Occupancy Rate multiplied by Average Daily Room Rate). Our Chain also reports on central reservation system activity, such as the percentage of gross room revenue generated from reservations booked through the central reservation system or by members of our loyalty program. In calculating gross room revenue in this Item 19, we take the price paid by the consumer for the room, after all discounts, credits and allowances, and subtract all applicable taxes.

The information contained in this Item 19 is a historic financial performance representation about our Chain's existing Facilities in the United States (including the continental United States, Alaska, and Hawaii). The Chain Facilities included in the samples in this Item 19 do not differ materially from those of prospective franchisees to whom we may offer franchises under this Disclosure Document. All the Chain Facilities whose information is represented in this Item 19 were operated by franchisees during the period reflected in this Item 19. This Item 19 contains financial performance representations relating to 2022. The financial performance representations do not include information from any Chain Facilities that were open on January 1, 2022 but left the System on or before December 31, 2022. During 2022, 70 Chain Facilities left the System; none of the 70 Chain Facilities that left the System during 2022 were open in the System less than 12 months.

Some facilities have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Average and Median Daily Room Rate, Occupancy Rate, and RevPAR¹

The table below sets forth the average and median ADR, Occupancy Rate, and RevPAR for Qualified Chain Facilities for the period from January 1, 2022 through December 31, 2022. “Qualified Chain Facilities” means those Chain Facilities in the United States that were part of the System on December 31, 2022, passed their last quality assurance inspection prior to December 31, 2022, and achieved a “Comparable Social Review Score².” The total number of Chain Facilities in the United States as of December 31, 2022 was 1,284. Of those 1,284 Chain Facilities, 519 were Qualified Chain Facilities.

2022		Average Daily Room Rate				Occupancy Rate				RevPAR

The information above was obtained from the monthly revenue reports of Chain Facilities submitted by franchisees and represents the most reliable information available to us. For any months in which Chain Facilities did not submit revenue reports, Occupancy and ADR were computed based upon actual data sent to us each night by the Facility’s property management system. You set your own room rates.

Average and Median RevPAR Index

RevPAR Index measures a hotel’s RevPAR performance relative to an aggregated grouping of facilities (e.g., competitive set, market, or chain scale). The average and median RevPAR index information presented in this Item 19 reflects RevPAR information obtained from monthly data provided by Smith Travel Research, Inc., an independent research firm that provides information to the hotel industry. We have not audited or independently verified the information provided by Smith Travel Research.

The average and median RevPAR Index information below is based on competitive set data. A competitive set is a peer group of hotels that competes for business and is selected to benchmark the subject property's performance. An index of 100 represents that a hotel is capturing its “fair share” compared to the hotel’s competitive set. An index greater than 100 represents that a hotel is capturing more than its “fair share” compared to the hotel’s competitive set; an index less than

¹ If a Chain Facility changed ownership during the course of 2022, then the ADR, Occupancy Rate and RevPAR information contained in this section for the Facility is only reflected from the date of the subsequent owner’s acquisition of the Facility through the end of the year.

² A “Comparable Social Review Score” means that, during 2022, a Chain Facility (i) received at least ten total reviews via Medallia, which aggregates reviews from Tripadvisor, major online travel agencies, and other online social review sites, and (ii) achieved an average score from such reviews of 3.0 or above (out of a possible maximum score of 5.0).

100 represents that a hotel is capturing less than its “fair share” compared to the hotel’s competitive set.

The following table sets forth the Average RevPAR Index and Median RevPAR Index for the period from January 1, 2022 to December 31, 2022 for Qualified Chain Facilities.

2022		RevPAR Index			
	# of Qualified Chain Facilities	Avg.	# Meet or Exceed Avg.	% Meet or Exceed Avg.	Median
Total Sample	519	102.3%	300	57.8%	109.2%

The RevPAR Index information below is based on chain scale data. Smith Travel Research receives information directly from hotel chains or individual hotel properties and then groups branded hotels into various chain scales based on each brand’s average daily room rate. Independent hotels, regardless of their average daily room rate, are included as a separate chain scale category. The RevPAR Index presented below shows the performance of the Qualified Chain Facilities relative to the U.S. economy chain scale(as identified by Smith Travel Research) (the “Chain Scale”). RevPAR Index is calculated as follows: (Qualified Chain Facilities RevPAR / Chain Scale RevPAR) x 100 = RevPAR Index.

The following table sets forth the Average RevPAR Index and Median RevPAR Index for the period from January 1, 2022 to December 31, 2022 for Qualified Chain Facilities.

Central Reservation System and Wyndham Rewards Activity

The following section provides revenue contribution information for Chain Facilities from reservations generated by the Central Reservation System and the Wyndham Rewards loyalty program. The “Central Reservation System” means reservations processed via our and the Lodging Affiliates’ call centers (“Call Centers”), our and the Lodging Affiliates’ brand websites (“Brand Websites”), other electronic channels such as the global distribution systems (“GDS”), the Wyndham Rewards loyalty program, third party websites, and certain reservations by the Global Sales Organization. Reservations by Wyndham Rewards members were made through the Call Centers, the Brand Websites, other electronic channels and directly with Chain Facilities. Contribution information is reported to us by all Chain Facilities in the System.³

³ If a Chain Facility was operated pursuant to an agreement with one of the Lodging Affiliates on January 1, 2022 but converted to our Chain during 2022, then the totals in this section include contribution information for that Chain Facility for all of 2022.

The following table sets forth “Central Reservation System Contribution” and “Wyndham Rewards Contribution” for all 1,284 Chain Facilities in the United States that were part of the System as of December 31, 2022 (the “Contribution Group”). The Central Reservation System Contribution is calculated by dividing the gross room revenue from reservations generated by the Central Reservation System (including by Wyndham Rewards members) at the Contribution Group from January 1, 2022 through December 31, 2022⁴ by all gross room revenue at the Contribution Group from the same period, expressed as a percentage. The Wyndham Rewards Contribution is calculated by dividing the gross room revenue from reservations generated by members of the Wyndham Rewards loyalty program at the Contribution Group from January 1, 2022 through December 31, 2022 by all gross room revenue at the Contribution Group from the same period, expressed as a percentage.

2022 Contribution		Total Central Reservation System				Wyndham Rewards (included in Total)

Total	1,284	71.4%	676	52.6%	72.4%	47.3%	715	55.7%	48.9%

We have written substantiation for the historical performance representations contained in this Item 19, which we will make available to you upon reasonable request. We will not disclose the performance data of a specific Chain Facility and its identity without the franchisee’s prior written consent.

Other than the preceding financial performance representations, we do not make any representations about a franchisee’s future performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing or former outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Paul F. Cash, Executive Vice President and General Counsel, Days Inns Worldwide, Inc., 22 Sylvan Way, Parsippany, NJ 07054, (973) 753-6333; the Federal Trade Commission; and the appropriate state regulatory agencies.

⁴ As used in this paragraph, reservations in 2022 include room nights from stays with an arrival between January 1, 2022 and December 31, 2022. For greater clarity, these reservations may include room nights after December 31, 2022, provided the first night of occupancy for such stays occurred on or before December 31, 2022.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
CALIFORNIA FRANCHISE INVESTMENT LAW**

The following provisions supersede the Franchise Disclosure Document and apply to all licenses or franchises offered and sold in the State of California:

1. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).
2. The Franchise Agreement requires application of the laws of New Jersey. This provision may not be enforceable under California law.
3. If the Franchise Agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement, California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000- 31516). California Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000-20043).
4. The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
5. The Franchise Agreement contains a waiver of punitive damages provision and a waiver of jury trial provision, which may not be enforceable.
6. We have or will comply with all of the requirements under California Corporations Code, Section 31109.1, with respect to negotiated sales.
7. PROSPECTIVE FRANCHISEES ARE ENCOURAGED TO CONSULT PRIVATE LEGAL COUNSEL TO DETERMINE THE APPLICABILITY OF CALIFORNIA AND FEDERAL LAWS (SUCH AS BUSINESS AND PROFESSIONS CODE SECTION 20040.5, CODE OF CIVIL PROCEDURE SECTION 1281, AND THE FEDERAL ARBITRATION ACT) TO ANY PROVISIONS OF A FRANCHISE AGREEMENT RESTRICTING VENUE TO A FORUM OUTSIDE THE STATE OF CALIFORNIA.
8. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.
9. THESE FRANCHISES WILL BE/HAVE BEEN REGISTERED (OR EXEMPT FROM REGISTRATION) UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF CALIFORNIA. SUCH REGISTRATION (OR EXEMPTION) DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE COMMISSIONER OF FINANCIAL PROTECTION AND INNOVATION NOR A FINDING BY THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE, AND NOT MISLEADING.
10. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

11. SECTION 31125 OF THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF FINANCIAL PROTECTION AND INNOVATION BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR FRANCHISE AGREEMENT.

12. Item 17 of the Disclosure Document is amended by the insertion of the following:

The California Franchise Relations Act (Business and Professions Code Section 20000 through 20043) provides rights to you concerning termination, transfer, or nonrenewal of a franchise. If the Franchise Agreement is inconsistent with the law, the law will control.

13. The highest interest rate allowed by law in California is currently 10% annually.

14. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

15. Each provision of this Addendum to the Franchise Disclosure Document shall be effective only to the extent that with respect to such provision, the jurisdictional requirements of the California Franchise Investment Law are met independently without reference to this Addendum.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
HAWAII FRANCHISE INVESTMENT LAW**

THESE FRANCHISES HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF THE DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF THE DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT B OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS, APPROVES OR ENDORSES IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND NEW YORK STATE DEPARTMENT OF LAW, BUREAU OF INVESTOR PROTECTION AND SECURITIES, 28 LIBERTY STREET, 21ST FLOOR, NEW YORK, NEW YORK 10005. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is

subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

4. The following is added to the end of Item 5:

The initial franchise fee constitutes part of our general operating funds and will be used as such in our discretion.

5. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor’s obligations under the Franchise Agreement.

8. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum”, and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

To the extent this Addendum is inconsistent with any terms or conditions of the Franchise Agreement or exhibits or attachments thereto, or the Franchise Disclosure Document, the terms of this Addendum shall govern.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
RHODE ISLAND FRANCHISE INVESTMENT ACT**

The following provisions supersede the Franchise Disclosure Document and apply to all licenses or franchises offered and sold in the State of Rhode Island:

1. The Franchise Agreement shall be governed by Rhode Island Law with respect to any claim enforceable under the Rhode Island Franchise Investment Act (the “Act”).
2. Section 19-28.1-14 of the Act provides that a provision in a license or franchise agreement restricting jurisdiction or venue to a forum outside the State of Rhode Island is void with respect to a claim otherwise enforceable under the Act.
3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
4. Each provision of this Addendum shall be effective only to the extent that, with respect to such provision, the jurisdictional requirements of the Rhode Island Franchise Investment Act (§§ 19- 28.1-1 through 19-28.1-34) are met independently without reference to this Addendum.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
VIRGINIA RETAIL FRANCHISING ACT**

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Days Inns Worldwide, Inc. for use in the Commonwealth of Virginia shall be amended as follows:

The following statements are added to Item 17.h of the Franchise Disclosure Document and Section 11 of the Franchise Agreement.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a licensor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Each provision of this Addendum shall be effective only to the extent that, with respect to such provision, the jurisdictional requirements of the Virginia Retail Franchising Act are met independently without reference to this Addendum.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE WASHINGTON FRANCHISE INVESTMENT PROTECTION ACT

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Use of Franchise Brokers. The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

Each provision of this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington Franchise Investment Protection Act (Wash. Rev. Code §§ 19.100.010 through 19.100.940) are met independently without reference to this Addendum.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any

applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Nothing in the Franchise Disclosure Document is intended to waive any liability we may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
WISCONSIN FRANCHISE INVESTMENT LAW**

The following provisions supersede the Franchise Disclosure Document and apply to all franchises offered and sold in the State of Wisconsin:

The Wisconsin Fair Dealership Law applies to most franchise agreements in the state and prohibits termination, cancellation, non-renewal or substantial change in competitive circumstances of a dealership agreement without good cause. The law further provides that 90 days prior written notice of the proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is so cured the notice is void. The Disclosure Document and Franchise Agreement are hereby modified to state that the Wisconsin Fair Dealership Law, to the extent applicable, supersedes any provisions of the Franchise Agreement that are inconsistent with the Wisconsin Fair Dealership Law, Wis. Stat. Ch. 135.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**DAYS INNS WORLDWIDE, INC.
FRANCHISE AGREEMENT**

THIS FRANCHISE AGREEMENT (“Agreement”), dated _____, 20____, is between DAYS INNS WORLDWIDE, INC., a Delaware corporation (“we”, “our”, “us” or “Franchisor”), and _____ a _____ (“you” or “Franchisee”). The definitions of capitalized terms are found in Appendix A. In consideration of the following mutual promises, the parties agree as follows:

1. Franchise. We have the exclusive right to franchise to you the distinctive “Days Inn” System for providing transient guest lodging services. We grant to you and you accept the Franchise, effective and beginning on the Opening Date and ending on the earliest to occur of the Term’s expiration or a Termination. The Franchise is effective only at the Location and may not be transferred or relocated. You will call the Facility a “Days Inn” or “Days Inn by Wyndham.” You may adopt additional or secondary designations for the Facility with our prior written consent, which we may withhold, condition, or withdraw on written notice in our sole discretion. You shall not affiliate or identify the Facility with another franchise system, reservation system, brand, cooperative or registered mark during the Term.

2. Protected Territory. We will not own, operate, lease, manage, franchise or license any party but you to operate a Chain Facility in the “Protected Territory”, as defined below, while this Agreement is in effect. We may own, operate, lease, manage, franchise or license anyone to operate any Chain Facility located anywhere outside the Protected Territory without any restriction or obligation to you. We may grant protected territories that overlap your Protected Territory to other Chain Facilities. While this Agreement is in effect, neither you, any of your affiliates, nor any of your officers, directors, general partners or owners of 25% or more of your Equity Interests, may own, operate, lease, manage or franchise any time share resort, vacation club, residence club, fractional ownership residence, condominium/apartment leasing or rental business, or the like, for any facility or business that shares directly or indirectly, common areas, amenities, recreation facilities, services, supplies or support activities with the Facility. This Section does not apply to any Chain Facility located in the Protected Territory on the Effective Date, which we may renew, relicense, allow to expand, or replace with a replacement Facility located within the same trading area having not more than 120% of the guest rooms of the replaced Chain Facility if its franchise with us terminated or is not renewed. You acknowledge that the Protected Territory fairly represents the Facility's trading area, and that there are no express or implied territorial rights or agreements between the parties except as stated in this Section. You irrevocably waive any right to seek or obtain the benefits of any policy we now follow or may in the future follow to notify you about proposed Chain Facilities in the general area of the Facility, solicit information about the effect of the proposed Chain Facility on the revenue or occupancy of the Facility or decide whether to add the proposed Chain Facility to the Chain based on the potential effect of the proposed Chain Facility on the Facility or its performance. You further acknowledge and agree that notwithstanding

the foregoing, we may operate, lease, manage, or license any other party to operate a Chain Facility in the Protected Territory beginning (a) six months prior to the expiration of this Agreement, or (b) as of the date that a date for the premature Termination of this Agreement has been confirmed in writing by us. The covenants in this Section are mutually dependent; if you breach this Section, your Protected Territory will be the Location only. The Protected Territory means _____.

3. Your Improvement and Operating Obligations.

3.1 Pre-Opening Improvements. You must select, acquire, construct and/or renovate the Facility as provided in Schedule D.

3.2 Operation.

3.2.1 You will operate and maintain the Facility continuously after the Opening Date on a year-round basis as required by System Standards and offer transient guest lodging and other related services of the Facility (including those required by System Standards or as specified on the PIP) to the public in compliance with all federal, state, and local laws, regulations and ordinances as well as System Standards. You will keep the Facility in a clean, neat, and sanitary condition. You will clean, repair, replace, renovate, refurbish, paint, and redecorate the Facility and its FF&E as and when needed to comply with System Standards.

3.2.2 The Facility will be managed by either a management company or an individual manager with significant training and experience in general management of similar lodging facilities. If the Facility is managed by a management company, the management agreement between you and the management company for the Facility shall be subject and subordinate to this Agreement and in the event of any conflict between the management agreement and this Agreement, the controlling contract shall be this Agreement. The management agreement shall not release you of any obligations set forth in this Agreement.

3.2.3 The Facility will accept payment from guests by all credit and debit cards or other forms of payment we designate in the System Standards Manual. The Facility shall comply with the Payment Card Industry Data Security Standard (PCI DSS) concerning cardholder information, as well as applicable laws and regulations, and such other requirements as we may include in the System Standards Manual or as we may otherwise communicate from time to time for such purpose.

3.2.4 You may add to or discontinue the amenities, services and facilities as required by System Standards or as specified on the PIP, or lease or subcontract any service or portion of the Facility, only with our prior written consent which we will not unreasonably withhold or delay. Your front desk operation, telephone system, parking lot, swimming pool and other guest service facilities may not be shared with or used by guests of another lodging or housing facility. You acknowledge that any breach of System Standards for the Facility, its guest amenities, and your guest service performance is a material breach of this Agreement.

3.2.5 Upon our reasonable request, you will provide us with then-current copies of the documents evidencing your ownership of, or right to possess, the Facility and/or the real property upon which the Facility is located, and a complete and accurate list of all of your owners and their Equity Interests.

3.3 Training. You (or a person with executive authority if you are an entity) and the Facility's general manager (or other representative who exercises day to day operational authority) will attend the training programs described in Section 4.1 we designate as mandatory for franchisees and general managers, respectively. You will train or cause the training of all Facility personnel as and when required by System Standards and this Agreement. You will pay for all travel, lodging, meals and compensation expenses of the people you send for training programs, the cost of training materials and other reasonable charges we may impose for training under Section 4.1, and all travel, lodging, meal and facility and equipment rental expenses of our representatives if training is provided at the Facility.

3.4 Marketing.

3.4.1 You will participate in System marketing programs, including the Chain Websites, if any, the Reservation System, and guest loyalty programs. You will obtain and maintain the computer and communications service and equipment we specify to participate in the Reservation System. You will comply with our rules and standards for participation, and will honor reservations and commitments to guests and travel industry participants. You authorize us to offer and sell reservations for rooms and services at the Facility according to the rules of participation and System Standards. You may implement, at your option and expense, your own local advertising. Your advertising materials must use the Marks correctly, and must comply with System Standards or be approved in writing by us prior to publication. You will stop using any non-conforming, outdated or misleading advertising materials if we so request.

3.4.2 You may participate in any supplemental marketing, training or management alliance or cooperative of Chain franchisees formed to serve the Chain Facilities in your area or in a similar market segment. We may assist the cooperative with collecting contributions. You may be excluded from cooperative programs and benefits if you do not participate in all cooperative programs according to their terms, including making payments and contributions when due.

3.4.3 The Facility must participate in all mandatory Internet and distribution marketing activities and programs in accordance with the System Standards Manual, including any arrangements we make with third party distribution channels. You must provide us with information about the Facility and use our approved photographer for taking photographs of the Facility for posting on the Chain Websites, third party travel websites and various marketing media. The content you provide us or use yourself for any Internet or distribution marketing activities must be true, correct and accurate, and you will promptly notify us in writing, in accordance with our processes that are then in effect, when any correction to the content becomes necessary. You must promptly modify at our request the content of any Internet or distribution marketing materials for the Facility you use, authorize, display or provide to

conform to System Standards. You will discontinue any Internet or distribution marketing activities that conflict, in our reasonable discretion, with Chain-wide Internet or distribution marketing activities. You must honor the terms of any participation agreement you sign for Internet or distribution marketing activities. You will pay when due any fees, commissions, charges and reimbursements relating to Internet or distribution marketing activities (i) in which you agree to participate, or (ii) that we designate as mandatory on a Chain-wide basis. We may suspend the Facility's participation in Internet and/or distribution marketing activities if you default under this Agreement.

3.4.4 You will participate in the Wyndham Rewards program or any successor guest rewards or loyalty program we determine is appropriate and pay the Loyalty Program Charge associated with the program as set forth in Schedule C. The Wyndham Rewards Front Desk Guide sets forth additional standards, which you agree to follow. The Front Desk Guide, including fees assessed and reimbursements rates, may be revised by us or our affiliates at any time upon thirty (30) days' prior notice.

3.4.5 As a requirement of your participation in the Reservation System, you must participate in our Signature Reservation Service ("SRS") program during the Term of the Agreement. Under the SRS program, you will pay the fees associated with certain calls answered by our agents on behalf of the Facility. The program terms and fees associated with the program are described in the SRS agreement that you will sign and deliver to us at the same time as you sign this Agreement.

3.5 Governmental Matters. You will obtain as and when needed all governmental permits, licenses and consents required by law to construct, acquire, renovate, operate and maintain the Facility and to offer all services you advertise or promote. You will pay when due or properly contest all federal, state and local payroll, withholding, unemployment, beverage, permit, license, property, ad valorem and other taxes, assessments, fees, charges, penalties and interest, and will file when due all governmental returns, notices and other filings. You will comply with all applicable federal, state and local laws, regulations and orders applicable to you and/or the Facility, including those combating terrorism such as the USA Patriot Act and Executive Order 13224.

3.6 Financial Books & Records; Audits.

3.6.1 The Facility's transactions must be timely and accurately recorded in accounting books and records prepared on an accrual basis compliant with generally accepted accounting principles of the United States ("GAAP") and consistent with the most recent edition of the Uniform System of Accounts for the Lodging Industry published by the American Hotel & Lodging Association, as modified by this Agreement and System Standards. You acknowledge that your accurate and timely accounting for and reporting of Gross Room Revenues is a material obligation you accept under this Agreement.

3.6.2 Upon our request, you will send to us copies of financial statements, tax returns, and other

records relating to the Facility for the applicable accounting period that we require under this Agreement and System Standards. We may notify you of a date on which we propose to audit the Facility's books and records at the Facility but such notice is not required. You will be deemed to confirm our proposed date unless you follow the instructions with the audit notice for changing the date. You need to inform us where the books and records will be produced. You need to produce for our auditors at the confirmed time and place for the audit the books, records, tax returns and financial statements for the Facility. We may require access to the property including guest rooms. We may also perform an audit of the Facility's books and records remotely or electronically without advance notice or your knowledge. Your staff must cooperate with and assist our auditors to perform any audit we conduct.

3.6.3 We will notify you in writing if you default under this Agreement because (i) you do not cure a violation of Section 3.6.2 within 30 days after the date of the initial audit, (ii) you cancel two or more previously scheduled audits, (iii) you refuse to admit our auditors during normal business hours at the place where you maintain the Facility's books and records, or refuse to produce the books and records at the audit or send them to us as required under this Agreement and System Standards for the applicable accounting periods, (iv) our audit determines that the books and records you produced are incomplete or show evidence of tampering or violation of generally accepted internal control procedures, or (v) our audit determines that that you have reported to us less than 97% of the Facility's Gross Room Revenues for any fiscal year preceding the audit. Our notice of default may include, in our sole discretion and as part of your performance needed to cure the default under this Section 3.6, an "Accounting Procedure Notice." The Accounting Procedure Notice requires that you obtain and deliver to us, within 90 days after the end of each of your next three fiscal years ending after the Accounting Procedure Notice, an audit opinion signed by an independent certified public accountant who is a member of the American Institute of Certified Public Accountants addressed to us that the Facility's Gross Room Revenues you reported to us during the fiscal year fairly present the Gross Room Revenues of the Facility computed in accordance with this Agreement for the fiscal year. You must also pay any deficiency in Recurring Fees, any Audit Fee, as defined in Section 4.8, we assess you for your default of Section 3.6 as described in Section 4.8, and/or other charges we identify and invoice as a result of the audit.

3.6.4 You will, at your expense, prepare and submit to us by the third day of each month, a statement in the form prescribed by us, accurately reflecting for the immediately preceding month all Gross Room Revenues and such other data or information as we may require. You must submit your statements to us using our on-line reporting and payment tool or through such other technology or means as we may establish from time to time.

3.7 Inspections. You acknowledge that the Facility's participation in our quality assurance inspection program (including unannounced inspections) is a material obligation you accept under this Agreement. You will permit our representatives to perform quality assurance inspections of the Facility at any time with or without advance notice. The inspections will commence during normal business hours although we may observe Facility operation at any time. You and the Facility staff will cooperate with the representative performing the inspection. If the Facility fails an inspection, you refuse to cooperate with our representative, or you refuse

to comply with our published inspection System Standards, then you will pay us when invoiced for any Reinspection Fee specified in the System Standards Manual plus the reasonable travel, lodging and meal costs our representative incurs for a reinspection. You will also be charged the Reinspection Fee if we must return to the Facility to inspect it as a result of your failure to complete any Improvement Obligation by the deadline established in the PIP, as set forth in Schedule D. We may also include the results of paper and electronic customer satisfaction surveys of your guests as well as unsolicited feedback received from your guests in your final quality assurance score. We may publish and disclose the results of quality assurance inspections and guest surveys. We may, at our discretion, implement a Chain-wide quality assurance/mystery shopper inspection program to be performed by a reputable third party. You must provide free lodging for the inspector(s) when he/she visits your Facility.

3.8 Insurance. You will obtain and maintain during the Term of this Agreement the insurance coverage required under the System Standards Manual from insurers meeting the standards established in the System Standards Manual. Unless we instruct you otherwise, your liability insurance policies will name as additional insureds Days Inns Worldwide, Inc., Wyndham Hotels & Resorts, Inc., Wyndham Hotel Group, LLC, and their current and former subsidiaries, affiliates, successors and assigns as their interests may appear. All policies must be primary and non-contributory with or excess of any insurance coverage that may be available to an additional insured. You must submit to us, annually, a copy of the certificate of or other evidence of renewal or extension of each such insurance policy as required by the System Standards. If you fail to procure or maintain the required insurance, then we will have the right (without any obligation) to procure such insurance at your cost plus a reasonable fee.

3.9 Conferences. You (or your representative with executive authority if you are an entity) will attend each Chain conference and pay the Conference Fee we set for Chain franchisees, if and when we determine to hold a Chain conference. The Chain conference may be held as part of a Wyndham Hotel Group, LLC multi-brand conference with special sessions and programs for our Chain only. Mandatory recurrent training for franchisees and managers described in Section 4.1.4 may be held at a conference. The Fee will be the same for all Chain Facilities that we franchise in the United States. You will receive reasonable notice of a Chain conference. We will invoice and charge you for the Conference Fee even if you do not attend the Chain Conference.

3.10 Purchasing and Other Services. You will purchase or obtain certain items we designate as proprietary or that bear or depict the Marks, such as signage, only from suppliers we approve. You may purchase other items for the Facility from any competent source you select, so long as the items meet or exceed System Standards.

3.11 Good Will. You will use reasonable efforts to protect, maintain and promote the name “Days Inn” or “Days Inn by Wyndham” and its distinguishing characteristics, and the other Marks. You will not permit or allow your officers, directors, principals, employees, representatives, or guests of the Facility to engage in conduct which is unlawful or damaging to the good will or public image of the Chain or System. You agree that, in event that you or any of your principals or

guarantors is or is discovered to have been, convicted of a felony or any other offense likely to reflect adversely upon us, the System or the Marks, such conviction is a material, incurable breach of this Section. You will participate in good faith in Chain-wide guest service and satisfaction guarantee programs we require for all Chain Facilities. You will follow System Standards for identification of the Facility and for you to avoid confusion on the part of guests, creditors, lenders, investors and the public as to your ownership and operation of the Facility, and the identity of your owners. You shall use your best efforts to promote usage of other Chain Facilities by members of the public. Without our prior written consent, which may be withheld in our sole discretion, you shall ensure that no part of the Facility or the System is used to further or promote a different or competing business, including without limitation, advertising or promotion for guest lodging facilities other than those franchised by us or our affiliates and marketing, advertising or promoting any timeshare or vacation ownership resort not affiliated with us, our affiliates, or Wyndham Destinations, Inc. and its affiliates. .

3.12 Facility Modifications. You may not materially modify, diminish or expand the Facility (or change its interior design, layout, FF&E, or facilities) until you receive our prior written consent, which we will not unreasonably withhold or delay. You will pay our Rooms Addition Fee then in effect for each guest room you add to the Facility before you begin construction of any expansion. If we so request, you will obtain our prior written approval of the plans and specifications for any material modification, which we will not unreasonably withhold or delay. You will not open to the public any material modification until we inspect it for compliance with the Approved Plans and System Standards.

3.13 Courtesy Lodging. You will provide lodging at the “Employee Rate” established in the System Standards Manual from time to time (but only to the extent that adequate room vacancies exist) to our representatives and members of their immediate family. You are not required to provide more than two standard guest rooms at this rate on any given night.

3.14 Minor Renovations. Beginning three years after the Opening Date, we may issue a “Minor Renovation Notice” to you that will specify reasonable Facility upgrading and renovation requirements (a “Minor Renovation”) to be commenced no sooner than 90 days after the notice is issued, having an aggregate cost for labor, FF&E and materials estimated by us to be not more than the Minor Renovation Ceiling Amount. You will perform the Minor Renovations as and when the Minor Renovation Notice requires. We will not issue a Minor Renovation Notice within three years after the date of a prior Minor Renovation Notice, or if the three most recent quality assurance inspection scores of the Facility averaged no less than 80% and the most recent quality assurance inspection score for the Facility was no less than 75% (or equivalent scores under a successor quality assurance scoring system we employ), when the Facility is otherwise eligible for a Minor Renovation.

3.15 Technology Standards & Communications. You recognize that the System requires you to acquire, operate and maintain a computer-based property management system and provide guests with innovative technology, including communications and entertainment. You must purchase, lease, or subscribe to the computer system and other equipment and software that we specify,

including preventative maintenance software. We may modify System Standards to require new or updated technology at all Chain Facilities. At our request, you shall participate in any intranet or extranet system developed for use in connection with the System. Such intranet or extranet system may be combined with that of our affiliates. You shall agree to such terms and conditions for the use of such intranet or extranet system as we may prescribe, which may include, among other things: (a) confidentiality requirements for materials transmitted via such system; (b) password protocols and other security precautions; (c) grounds and procedures for our suspension or revocation of access to the system by you and others; and (d) a privacy policy governing the parties' access to and use of electronic communications posted on electronic bulletin boards or transmitted via the system. You shall pay any fee imposed from time to time by us or a third-party service provider in connection with hosting such system.

4. Our Operating and Service Obligations. We will provide you with the following services and assistance:

4.1 Training. We may offer (directly or indirectly by subcontracting with an affiliate or a third party) general manager training, re-certification training, remedial training and supplemental training.

4.1.1 General Manager Training. We will offer general manager certification training for your general manager in our Hospitality Management Program, which may be held in i) a hybrid, in-person and virtual format or ii) a virtual-only format. The program will cover such topics as operating a Chain Facility, marketing and sales, financial management, guest services and people management. Your initial general manager (or other representative who exercises day to day operational authority) for the Facility must complete this program to our satisfaction no later than 90 days after the Opening Date. Any replacement general manager must complete the training program to our satisfaction within 90 days after he/she assumes the position. If we do not offer a place in the training program within the above time frame, your replacement general manager must complete the next program held at which we offer a place. Your general manager for the Facility must complete the training even if you employ managers at other Chain Facilities who have already received this training. We charge you tuition for our Hospitality Management Program which is set forth on Schedule D. If he/she does not complete the training within 90 days after the Opening Date, and for any replacement general manager, you must pay a separate tuition at the rate then in effect for the program when your manager attends the program. If you, or any other employee at the Facility wishes to participate in the training in addition to your general manager, you can do so and you must pay the Additional Attendee Fee, currently \$1,400, which is payable by the scheduled date for the program and is in addition to the tuition due for your general manager. We may charge you full or discounted tuition for "refresher" training for your general manager or for additional staff members who complete the training program with your general manager. You must also pay for your, your general manager and/or additional staff member's travel, lodging, meals, incidental expenses, compensation and benefits for any in-person components.

4.1.2 Remedial Training. We may require you, your general manager and/or your staff to

participate in remedial training if the Facility receives a failing score on a quality assurance inspection, a failing score on quality assurance electronic guest survey (or equivalent evaluation system), or experiences significant complaints to our customer care department or posted on third-party travel websites, distribution channels, blogs, social networks and other forums, as determined by us in our sole discretion. This training may be offered at our corporate offices, at a regional location, on-line or at the Facility. The training may be in the form of one or more classes held at different times and locations as we may require. You must pay the tuition in effect for this program when it is offered to you. If the training is provided at the Facility, you must provide lodging for our trainers. In addition, if at the time of your quality assurance inspection, you receive (i) a failure rating on guest room cleanliness and (ii) an average quality assurance score of F on cleanliness of guestroom category or cleanliness of bathroom category (based on a minimum of 10 electronic quality assurance guest surveys), then we may require you to take a one day remedial class on housekeeping within 60 days after the inspection. The tuition for an on-line class is currently up to \$250, but is subject to increase in the future. The fee for an on-site customer experience assessment or training class is currently \$1,250, but is subject to increase in the future.

4.1.3 Ongoing Training and Support. You must subscribe and pay an annual fee for access to our learning management system, Wyndham University, which includes training via live workshops, e-learning modules, webinars, online courses, videos and other educational resources, accessible by you and your staff via the Internet, including the Chain's intranet website. All general managers must complete recertification training at such intervals as we may establish in the System Standards Manual. You must pay us the tuition then in effect for any such program. We may offer other mandatory or optional training programs for reasonable tuition or without charge. The above training could be offered as i) a hybrid, in-person and virtual format or ii) a virtual-only format. If in person, training will be held in our corporate offices or other locations, or held in conjunction with a Chain conference. If you are attending a hybrid training, you will pay for your representative's travel, lodging, meals, incidental expenses, compensation and benefits and any tuition charge we establish for this training. We may offer, rent or sell to you other on-site training aids and materials, or require you to buy them at reasonable prices.

4.1.4 No Show and Cancellation Fees. If you or your general manager, or any other member of your staff you designate, fails to register for a required training program within the required time period, or registers for a training program but fails to attend such program as scheduled without, notifying us in advance, whether such attendance is required or optional, we may charge you a no-show fee of up to 100% of the tuition for the program. If you, your general manager or any other member of your staff cancels participation in any training program less than fourteen (14) days before it is scheduled to be held, we may charge you a cancellation fee of up to 50% of the tuition for the program. No-show and cancellation fees are in addition to the tuition you will have to pay at the then offered rate when you or your general manager attends the program. We may assess you additional no-show or cancellation fees for continued failures by you under this Section 4.1.

4.2 Reservation System. We will operate and maintain (directly or by subcontracting with an

affiliate or one or more third parties) a computerized Reservation System or such technological substitute(s) as we determine, in our discretion. We will use the System Assessment Fee for the acquisition, development, support, equipping, maintenance, improvement and operation of the Reservation System. We or our Approved Supplier will provide software maintenance and support for any software we or an Approved Supplier license to you to connect to the Reservation System if you are up to date in your payment of Recurring Fees and all other fees you must pay under any other agreement with us, an affiliate or the supplier, as applicable. During the Term, the Facility will participate in the Reservation System on an exclusive basis, including entering into all related technology agreements and complying with all terms and conditions which we establish from time to time for participation. The Facility may not book any reservations through any other electronic reservation system, booking engine, unapproved third party distribution system or other technology. You will use any information obtained through the Reservation System to refer guests, directly or indirectly, only to Chain Facilities. You shall own and be responsible for compliance with all applicable laws, regulations or standards concerning all Guest Information within your possession or any service provider holding such information on your behalf, and we shall own and be responsible for compliance with all applicable laws, regulations or standards concerning all Guest Information within our possession or any service provider holding such information on our behalf. To the extent that you and we both possess identical Guest Information, your and our respective ownership rights and related compliance obligations with regard to such Guest Information shall be separate and independent from one another. We have the right to provide reservation services to lodging facilities other than Chain Facilities or to other parties.

4.3 Marketing.

4.3.1 We will promote public awareness and usage of Chain Facilities by implementing advertising, promotion, publicity, market research, loyalty marketing and other marketing programs, training programs and related activities as we deem appropriate. We will determine in our discretion: (i) the nature and type of media placement; (ii) the allocation (if any) among international, national, regional and local markets; and (iii) the nature and type of advertising copy, other materials and programs. We or an affiliate may be reimbursed for the reasonable direct and indirect costs, overhead or other expenses of providing marketing services. We are not obligated to supplement or advance funds available from System franchisees to pay for marketing activities. We do not promise that the Facility or you will benefit directly or proportionately from marketing activities.

4.3.2 We may, at our discretion, implement special international, national, regional or local promotional programs (which may or may not include the Facility) as we deem appropriate and may make available to you (to use at your option) media advertising copy and other marketing materials for prices which reasonably cover the materials' direct and indirect costs.

4.3.3 We may, at our discretion, implement "group booking" programs created to encourage use of Chain Facilities for tours, conventions and the like, possibly for an additional fee.

4.4 Purchasing and Other Services. We may offer for a reasonable fee other optional assistance

to you with purchasing items used at or in the Facility. Our affiliates may offer this service on our behalf. We may restrict the vendors authorized to sell proprietary or Mark-bearing items in order to control quality, provide for consistent service or obtain volume discounts. We will maintain and provide to you lists of suppliers approved to furnish Mark-bearing items, or whose products conform to System Standards.

4.5 The System. We will control and establish requirements for all aspects of the System. We may, in our discretion, change, delete from or add to the System, including any of the Marks or System Standards, in response to changing market conditions. We may, in our discretion, permit deviations from System Standards, based on local conditions and our assessment of the circumstances. We may, in our discretion, change the designation standards for the Chain and then require that you change the designation of the Facility and related presentation of that designation where it appears. We will not be liable to you for any expenses, losses or damages you may sustain as a result of any Mark addition, modification, substitution or discontinuation.

4.6 Consultations and Standards Compliance. We will assist you to understand your obligations under System Standards by telephone, mail, during any visits by our employees to the Facility, through the System Standards Manual, at training sessions and during conferences, meetings, and visits we conduct. We will provide telephone and mail consultation on Facility operation and marketing through our representatives. We will offer you access to any Internet website we may maintain to provide Chain franchisees with information and services, subject to any rules, policies and procedures we establish for its use and access and to this Agreement. We may limit or deny access to any such website while you are in default under this Agreement.

4.7 System Standards Manual and Other Publications. We will specify System Standards in the System Standards Manual, policy statements or other publications which we may make available to you via our Chain intranet, in paper copies or through another medium. You will at all times comply with the System Standards. You acknowledge that the System Standards and the System Standards Manual are designed to protect the System and the Marks, and not to control the day-to-day operation of your business. We will provide you with access to the System Standards Manual promptly after we sign this Agreement. We will notify you via our Chain intranet or another medium of any System Standards Manual revisions and/or supplements as and when issued as well as any other publications and policy statements in effect for Chain franchisees from time to time.

4.8 Inspections and Audits. We have the unlimited right to conduct unannounced quality assurance inspections of the Facility and its operations, records and Mark usage to test the Facility's compliance with System Standards and this Agreement, and the audits described in Section 3.6. We have the unlimited right to reinspect if the Facility does not achieve the score required on an inspection. We may impose a Reinspection Fee and will charge you for our costs as provided in Section 3.7. In connection with an audit, you will pay us any understated amount plus interest under Section 3.6. If the understated amount is three percent (3%) or more of the total amount owed during a six-month period, you will also pay us an "Audit Fee" equal to the costs and expenses associated with the audit. Our inspections are solely for the purposes of checking compliance with

System Standards.

4.9 Revenue Management. We offer optional revenue management services (“RMS”) for additional fees. RMS is currently offered at two levels of service each of which offers a different frequency of inventory management, strategic positioning, future demand strategy and targeted promotions and packages. We reserve the right to evaluate a variety of factors, including but not limited to, your Facility’s room count, occupancy rate, trends, and market to determine the most suitable level of service. Based on our assessment of your Facility and its performance, we may limit the levels of optional services available to your Facility. You are required to sign a Hotel Revenue Management Agreement for the applicable level of service in order to participate in RMS.

5. Term. The Term begins on the date that we insert in the preamble of this Agreement after we sign it (the “Effective Date”) and expires at the end of the fifteenth (15th) Franchise Year. **[If New Construction Schedule D – insert twentieth (20th)]** NEITHER PARTY HAS RENEWAL RIGHTS OR OPTIONS. However, if applicable law requires us to offer renewal rights, and you desire to renew this Agreement, then you will apply for a renewal franchise agreement at least six months, but not more than nine months, prior to the expiration date, and subject to such applicable law, you will have to meet our then-current requirements for applicants seeking a franchise agreement, which may include (i) executing our then-current form of license and other agreements, which license and other agreements may contain materially different terms and provisions (such as operating standards and fees) from those contained in this Agreement, (ii) executing a general release of us and our affiliates, in form and substance satisfactory to us, (iii) completing a property improvement plan, and (iv) paying a standard renewal fee, if then applicable.

6. Application and Initial Fees. You must pay us a non-refundable Application Fee of \$2,500, which shall be applied to your Initial Fee or Relicense Fee. If your franchise is for a new construction or conversion Facility, you must pay us an Initial Fee. If you are a transferee of an existing Facility or are renewing an existing franchise, you will pay us a Relicense Fee. The amount of your Initial Fee or Relicense Fee is \$_____, \$2,500 of which shall be applied from your Application Fee, and the remainder paid when you sign this Agreement and is fully earned and non-refundable when we sign this Agreement.

7. Recurring Fees, Taxes and Interest.

7.1 You will pay us certain “Recurring Fees” each month of the Term payable in U.S. dollars (or such other currency as we may direct if the Facility is outside the United States). The Royalty and System Assessment Fees described in Section 7.1 are payable three days after the month in which they accrue, without billing or demand. Other Recurring Fees are payable at the times set forth in the System Standards. Recurring Fees include the following:

7.1.1 A “Royalty” equal to five and five-tenths percent (5.5%) of Gross Room Revenues of the Facility accruing during the calendar month, accrues from the earlier of the Opening Date or the date you identify the Facility as a Chain Facility or operate it under a Mark until the end of the

Term.

7.1.2 A “System Assessment Fee” as set forth in Schedule C for advertising, marketing, training, the Reservation System and other related services and programs, accrues from the Opening Date until the end of the Term, including during reservation suspension periods. We may use the System Assessment Fees we collect, in whole or in part, to reimburse our reasonable direct and indirect costs, overhead or other expenses of providing marketing, training and reservation services. You will also pay or reimburse us as described in Schedule C for “Additional Fees” such as commissions we pay to travel and other agents for certain reservation and marketing services to generate reservations at the Facility plus a reasonable service fee, fees levied to pay for reservations for the Facility originated or processed through the Global Distribution System, the Chain Websites and/or other reservation systems, distribution channels and networks, and fees for additional services and programs. We may charge Facilities using the Reservation System outside the United States for reservation service using a different formula. We may change, modify, add or delete the System Assessment Fee and/or Additional Fees in accordance with Schedule C.

7.2 You will pay to us “taxes” equal to any federal, state or local sales, gross receipts, use, value added, excise or similar taxes (collectively “Taxes”) assessed against us on the Recurring Fees and basic charges by the jurisdictions where the Facility is located, but not including any income tax, franchise or other similar tax for the privilege of doing business by us in your State. You will pay Taxes to us when due.

7.3 “Interest” is payable when you receive our invoice on any past due amount payable to us under this Agreement at the rate of 1.5% per month or the maximum rate permitted by applicable law, whichever is less, accruing from the due date until the amount is paid.

7.4 If a Transfer occurs, your transferee or you will pay us our then current Application Fee and a “Relicense Fee” equal to the Initial Fee we would then charge a new franchisee for the Facility.

7.5 You will report and pay to us all Recurring Fees and other fees and charges on-line via our self-service electronic invoice presentment and payment tool accessible through our Chain intranet. In the electronic on-line environment, payments can be made either through the electronic check payment channel or the credit card payment channel. We reserve the right to change, from time to time, the technologies or other means for reporting and paying fees to us by amending the System Standards Manual.

8. Indemnifications.

8.1 Independent of your obligation to procure and maintain insurance, you will indemnify, defend and hold the Indemnitees harmless, to the fullest extent permitted by law, from and against all Losses and Expenses, incurred by any Indemnitee for any investigation, claim, action, suit, demand, administrative or alternative dispute resolution proceeding, relating to or arising out of any transaction, occurrence or service at, or involving the operation of, the Facility, any payment you make or fail to make to us, any breach or violation of any contract or any law, regulation or ruling

by, or any act, error or omission (active or passive) of, you, any party associated or affiliated with you or any of the owners, officers, directors, employees, agents or contractors of you or your affiliates, including when you are alleged or held to be the actual, apparent or ostensible agent of the Indemnitee, or the active or passive negligence of any Indemnitee is alleged or proven. You have no obligation to indemnify an Indemnitee for damages to compensate for property damage or personal injury if a court of competent jurisdiction makes a final decision not subject to further appeal that the Indemnitee engaged in willful misconduct or intentionally caused such property damage or bodily injury. This exclusion from the obligation to indemnify shall not, however, apply if the property damage or bodily injury resulted from the use of reasonable force by the Indemnitee to protect persons or property.

8.2 You will respond promptly to any matter described in the preceding paragraph, and defend the Indemnitee. You will reimburse the Indemnitee for all costs of defending the matter, including reasonable attorneys' fees, incurred by the Indemnitee if your insurer or you do not assume defense of the Indemnitee promptly when requested, or separate counsel is appropriate, in our discretion, because of actual or potential conflicts of interest. We must approve any resolution or course of action in a matter that could directly or indirectly have any adverse effect on us or the Chain, or could serve as a precedent for other matters.

8.3 We will indemnify, defend and hold you harmless, to the fullest extent permitted by law, from and against all Losses and Expenses incurred by you in any action or claim arising from your proper use of the System alleging that your use of the System and any property we license to you is an infringement of a third party's rights to any trade secret, patent, copyright, trademark, service mark or trade name. You will promptly notify us in writing when you become aware of any alleged infringement or an action is filed against you. You will cooperate with our defense and resolution of the claim. We may resolve the matter by obtaining a license of the property for you at our expense, or by requiring that you discontinue using the infringing property or modify your use to avoid infringing the rights of others.

9. Your Assignments, Transfers and Conveyances.

9.1 **Transfer of the Facility.** This Agreement is personal to you (and your owners if you are an entity). We are relying on your experience, skill and financial resources (and that of your owners and the guarantors, if any) to sign this Agreement with you. You may finance the Facility and grant a lien, security interest or encumbrance on it (but not in this Agreement) without notice to us or our consent. If a Transfer is to occur, the transferee or you must comply with Section 9.3. Your Franchise is subject to Termination when the Transfer occurs. The Franchise is not transferable to your transferee, who has no right or authorization to use the System and the Marks when you transfer ownership or possession of the Facility. The transferee may not operate the Facility under the System, and you are responsible for performing the post-Termination obligations in Section 13. You and your owners may, only with our prior written consent and after you comply with Sections 9.3 and 9.6, assign, pledge, transfer, delegate or grant a security interest in all or any of your rights, benefits and obligations under this Agreement, as security or otherwise. As a condition of our consent, if your interest in this Agreement is proposed as the collateral of a security interest, then we

may require that you and your lender execute a comfort letter in the form described in our then-current disclosure document and that you pay our then-current fee for processing such a request. Transactions involving Equity Interests that are not Equity Transfers do not require our consent and are not Transfers.

9.2 Financing Documents. Neither you, nor any of your Equity Interest owners, shall represent in any proposed financing arrangement to any proposed lender or participant in a private or public investment offering that we or any of our affiliates are or shall be in any way responsible for your obligations or financial projections, if any, set forth in such financing arrangement or investment offering or that we or any of our affiliates are or shall be participating in such private or public investment offering. In addition, any proposed financing arrangement where the service mark “Days Inn” appears, or a reference to this Agreement appears, shall contain a disclaimer in bold face type substantially as follows: THE BORROWER IS A PARTY TO AN AGREEMENT WITH DAYS INNS WORLDWIDE, INC. TO OPERATE HOTELS USING THE SERVICE MARK “DAYS INN.” NEITHER DAYS INNS WORLDWIDE, INC. NOR ITS AFFILIATES OWN ANY SUCH HOTELS OR ARE A PARTY TO THIS FINANCING AND HAVE NOT PROVIDED OR REVIEWED, AND ARE NOT RESPONSIBLE FOR, ANY DISCLOSURES OR OTHER INFORMATION SET FORTH HEREIN. Also, at least fifteen (15) days prior to closing such financing, you shall submit to us a written statement certifying that you have not misrepresented or overstated your relationship with us and our affiliates or your rights to use the Marks.

9.3 Conditions. We may condition and withhold our consent to a Transfer when required under this Section 9 until the transferee and you meet certain conditions; however, we will not unreasonably withhold, delay or condition our consent to a Transfer if the Facility is then financed under a program in which the United States Small Business Administration (“SBA”) guarantees the financing or its repayment. If a Transfer is to occur, the transferee (or you, if an Equity Transfer is involved) must first complete and submit our application, qualify to be a franchisee in our sole discretion, given the circumstances of the proposed Transfer, provide the same supporting documents as a new franchise applicant, pay the Application Fee and Relicense Fee then in effect, sign the form of Franchise Agreement we then offer in conversion transactions and agree to renovate the Facility as if it were an existing facility converting to the System, as we reasonably determine. We will provide a required PIP after we receive the transferee’s Application. We may require structural changes to the Facility if it no longer meets System Standards for entering conversion facilities, or in the alternative, condition our approval of the Transfer on limiting the transferee’s term to the balance of your Term, or adding a right to terminate without cause exercisable by either party after a period of time has elapsed. Our consent to the transaction will not be effective until these conditions are satisfied. If we do not approve the Transfer, we may, in our sole discretion, allow you to terminate the Franchise when you sell the Facility and pay us Liquidated Damages under Section 12.1. Such payment would be due and payable when you transfer possession of the Facility. We must also receive general releases from you and each of your owners, and payment of all amounts then owed to us and our affiliates by you, your owners, your affiliates, the transferee, its owners and affiliates, under this Agreement or otherwise. Our consent to a Transfer is not a waiver of (i) any claims we may have against you; or (ii) our right to

demand strict compliance from the Transferee with the terms of its agreement.

9.4 Permitted Transferee Transactions. Provided that you comply with this Section 9.4 you may (i) transfer an Equity Interest to a Permitted Transferee or (ii) effect an Equity Transfer to a Permitted Transferee without obtaining our consent, renovating the Facility or paying a Relicense Fee or Application Fee. No Transfer will be deemed to occur. You must not be in default and you must comply with the application and notice procedures specified in Sections 9.3 and 9.6. Each Permitted Transferee must first agree in writing to be bound by this Agreement, or at our option, execute the Franchise Agreement form then offered prospective franchisees. No transfer to a Permitted Transferee shall release a living transferor from liability under this Agreement or any guarantor under any guaranty of this Agreement. A transfer resulting from a death may occur even if you are in default under this Agreement.

9.5 Attempted Transfers. Any transaction requiring our consent under this Section 9 in which our consent is not first obtained will be void, as between you and us. You will continue to be liable for payment and performance of your obligations under this Agreement until we terminate this Agreement, all your financial obligations to us are paid and all System identification is removed from the Facility.

9.6 Notice of Transfers. You will give us at least 30 days prior written notice of any proposed Transfer or Permitted Transferee transaction. You will notify us when you sign a contract to Transfer the Facility and 10 days before you intend to close on the transfer of the Facility. We will respond to all requests for our consent and notices of Permitted Transferee transactions within a reasonable time not to exceed 30 days. You will notify us in writing within 30 days after a change in ownership of 25% or more of your Equity Interests that are not publicly held or that is not an Equity Transfer, or a change in the ownership of the Facility if you are not its owner. You will provide us with lists of the names, addresses, and ownership percentages of your owner(s) at our request.

10. Our Assignments. . We may transfer, assign, delegate or subcontract all or any part of our rights and duties under this Agreement, including by operation of law, without notice and without your consent. You are not the third-party beneficiary of any contract with a third party to provide services to you under this Agreement. We may dissolve, terminate and wind up our business under applicable law but we will transfer the System and this Agreement to a party that will perform the franchisor's obligations and that will assume this Agreement in writing. We will have no obligations to you with respect to any assigned right or duty after you are notified that our transferee has assumed such rights or duties under this Agreement except those that arose before we assign this Agreement.

11. Default and Termination.

11.1 Default. You will be in default under this Agreement if (a) you do not pay us when a payment is due under this Agreement or under any other instrument, debt, agreement or account with us related to the Facility, (b) you do not perform any of your other obligations when this

Agreement and the System Standards Manual require, or (c) if you otherwise breach this Agreement. If your default is not cured within 10 days after you receive written notice from us that you have not filed your monthly report, paid us any amount that is due or breached your obligations regarding Confidential Information, or within 30 days after you receive written notice from us of any other default (except as noted below), then we may terminate this Agreement by written notice to you under Section 11.2. We will not exercise our right to terminate if you have completely cured your default during the time allowed for cure, or until any waiting period required by law has elapsed. In the case of a default resulting from the Facility's failure to meet Quality Standards as measured by a quality assurance inspection, if you have acted diligently to cure the default but cannot do so, and the default does not relate to health or safety, we may, in our discretion, enter into an improvement agreement with you provided you request such an agreement within 30 days after receiving notice of the failing inspection. If we have entered into an improvement agreement, you must cure the default within the time period specified in the improvement agreement which shall not exceed ninety days after the failed inspection. We may terminate this Agreement and any or all rights granted hereunder if you do not timely perform that improvement agreement.

11.2 Termination. We may terminate this Agreement, effective when we send written notice to you or such later date as required by law or as stated in the default notice, when (1) you do not cure a default as provided in Section 11.1 or we are authorized to terminate under Schedule D due to your failure to perform your Improvement Obligation, (2) you discontinue operating the Facility as a "Days Inn" or "Days Inn by Wyndham", (3) you do or perform, directly or indirectly, any act or failure to act that in our reasonable judgment is or could be injurious or prejudicial to the goodwill associated with the Marks or the System, (4) you lose ownership possession or the right to possession of the Facility or otherwise lose the right to conduct the franchised business at the Location,, (5) you (or any guarantor) suffer the termination of another license or franchise agreement with us or one of our affiliates, (6) you intentionally maintain false books and records or submit a materially false report to us, (7) you (or any guarantor) generally fail to pay debts as they come due in the ordinary course of business, (8) you, any guarantor or any of your owners or agents misstated to us or omitted to tell us a material fact to obtain or maintain this Agreement with us, (9) you receive two or more notices of default from us in any one year period (whether or not you cure the defaults), (10) a violation of Section 9 occurs, or a Transfer occurs before the relicensing process is completed, (11) you or any of your Equity Interest owners contest in court the ownership or right to franchise or license all or any part of the System or the validity of any of the Marks, (12) you, any guarantor or the Facility is subject to any voluntary or involuntary bankruptcy, liquidation, dissolution, receivership, assignment, reorganization, moratorium, composition or a similar action or proceeding that is not dismissed within 60 days after its filing, (13) you maintain or operate the Facility in a manner that endangers the health or safety of the Facility's guests. (14) if a threat to public health or safety exists at the Facility and we reasonably determine that an immediate shut down of the Facility to be necessary to avoid substantial risk of liability or goodwill, (15) you disclose any Confidential Information in violation of this Agreement.

11.3 Casualty and Condemnation.

11.3.1 You will notify us promptly after the Facility suffers a Casualty that prevents you from operating in the normal course of business, with less than 75% of guest rooms available. You will give us information on the availability of guest rooms and the Facility's ability to honor advance reservations. You will tell us in writing within 60 days after the Casualty whether or not you will restore, rebuild and refurbish the Facility to conform to System Standards and its condition prior to the Casualty. This restoration will be completed within 180 days after the Casualty. You may decide within the 60 days after the Casualty, and if we do not hear from you, we will assume that you have decided, to terminate this Agreement, effective as of the date of your notice or 60 days after the Casualty, whichever comes first. If this Agreement so terminates, you will pay all amounts accrued prior to Termination and follow the post-Termination requirements in Section 13. You will not be obligated to pay Liquidated Damages if the Facility will no longer be used as a transient guest lodging facility for 2 years after the Casualty.

11.3.2 You will notify us in writing within 10 days after you receive notice of any proposed Condemnation of the Facility, and within 10 days after receiving notice of the Condemnation date. This Agreement will terminate on the date the Facility or a substantial portion is conveyed to or taken over by the condemning authority but you will be liable for the condemnation payments set forth in Section 12.2.

11.3.3 Any protected territory covenants will terminate when you give us notice of any proposed Condemnation or that you will not restore the Facility after a Casualty.

11.4 **Our Other Remedies.** We may suspend the Facility from the Reservation System for any default or failure to pay or perform under this Agreement or any other written agreement with us relating to the Facility, discontinue reservation referrals to the Facility for the duration of such suspension, and may divert previously made reservations to other Chain Facilities after giving notice of non-performance, non-payment or default. All fees accrue during the suspension period. Reservation service will be restored after you have fully cured any and all defaults and failures to pay and perform. We may charge you, and you must pay as a condition precedent to restoration of reservation service, a Reconnection Fee specified on Schedule C to reimburse us for our costs associated with service suspension and restoration. We may deduct points under our quality assurance inspection program for your failure to comply with this Agreement or System Standards. We may also suspend or terminate any temporary or other fee reductions we may have agreed to in this Agreement and/or any stipulations in Section 18 below, and/or cease to provide any operational support until you address any failure to perform under this Agreement. You agree that our exercise of any rights in this Section will not constitute an actual or constructive Termination of this Agreement. All such remedies are cumulative and not in lieu of any other rights or remedies we may have under this Agreement. If we exercise our right not to terminate this Agreement but to implement such suspension and/or removal, we reserve the right at any time after the appropriate cure period under the written notice has lapsed, to, upon written notice to you, terminate this Agreement without giving you any additional corrective or cure period (subject to applicable law). You recognize that any use of the System not in accord with this Agreement will cause us irreparable harm for which there is no adequate remedy at law, entitling us to injunctive and other relief, without the need for posting any bond. We may litigate to collect amounts due under this

Agreement without first issuing a default or Termination notice. Our consent or approval may be withheld if needed while you are in default under this Agreement or may be conditioned on the cure of all your defaults. Once a Termination or expiration date for this Agreement has been established in accordance with the provisions of this Agreement, we may cease accepting reservations through the Reservation System for any person(s) seeking to make a reservation for a stay on any date including or following the Termination or expiration of this Agreement.

11.5 Your Remedies.

11.5.1 If our approval or consent is required under this Agreement and we fail to issue our approval or consent within a reasonable time, but in any event not less than 30 days after we receive all of the information we request, and you believe our failure to approve or consent is wrongful, then you may bring a legal action against us to compel us to issue our approval or consent to the obligation. To the extent permitted by applicable law, this action shall be your exclusive remedy.

11.5.2 You (and your owners and guarantors) waive, to the fullest extent permitted by law, any right to, or claim for, any punitive or exemplary damages against us and against any affiliates, owners, employees or agents of us, and agree that in the event of a dispute, you will be limited to the recovery of any actual damages sustained and any equitable relief to which you might be entitled.

12. Liquidated Damages.

12.1 **Generally.** . If we terminate this Agreement under Section 11.2, or you terminate this Agreement (except under Section 11.3 or as a result of our default which we do not cure within a reasonable time after written notice), you will pay us within 10 days following the date of Termination, as Liquidated Damages, an amount equal to the average monthly accrued Recurring Fees during the immediately preceding 12 full calendar months multiplied by 24 (or the number of months remaining in the unexpired Term (the "Ending Period") at the date of Termination, whichever is less). If the Facility has been open for fewer than 12 months, then the amount shall be the average monthly Recurring Fees since the Opening Date multiplied by 24. You will also pay any applicable Taxes assessed on such payment and Interest calculated under Section 7.3 accruing from 10 days after the date of Termination. Before the Ending Period, Liquidated Damages will not be less than the product of \$2,000 multiplied by the number of guest rooms that you are authorized to operate under Schedule B of this Agreement as of the Termination. In the event that we authorize you to reduce the number of rooms at the Facility after the Opening Date, then we reserve the right to charge Liquidated Damages for those rooms on a per-room basis, either at the time they are removed from the Facility's inventory or at Termination. If we terminate this Agreement under Schedule D before the Opening Date, then you will pay us, within 10 days after you receive our notice of Termination, Liquidated Damages in an amount equal to \$1,000 per guest room described on Schedule B. If any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this Agreement limits your ability to pay, and our ability to receive, the Liquidated Damages you are obligated to pay hereunder, you shall be liable to us for any and all damages which we incur, now or in the future, as a result of your breach of this Agreement.

Liquidated Damages are paid in place of our claims for lost future Recurring Fees under this Agreement. Our right to receive other amounts due under this Agreement is not affected.

12.2 Condemnation Payments. In the event a Condemnation is to occur, you will pay us the fees set forth in Section 7 for a period of one year after we receive the initial notice of condemnation described in Section 11.3.2, or until the Condemnation occurs, whichever is longer (the “Notice Period”). You will pay us Liquidated Damages equal to the average daily Royalties and System Assessment Fees for the one-year period preceding the date of your condemnation notice to us multiplied by 365 less the number of days in the Notice Period. This payment will be made within 30 days after Condemnation is completed (when you close the Facility or you deliver it to the condemning authority). You will pay no Liquidated Damages if the Condemnation is completed after the Notice Period expires. For the sake of clarity, you must continue to pay when due the fees, set forth in this Agreement, including under Section 7, and all other agreements with us or our affiliates pertaining to the Facility until Condemnation is completed.

13. Your Duties At and After Termination. When a Termination occurs for any reason whatsoever:

13.1 System Usage Ceases. You must comply with the following “de-identification” obligations. You will immediately stop using the System to operate and identify the Facility. You will remove all signage and other items bearing any Marks and follow the other steps detailed in the System Standards Manual or other brand directives for changing the identification of the Facility. You will promptly paint over or remove the Facility’s distinctive System trade dress, color schemes and architectural features. You shall not identify the Facility with a confusingly similar mark or name, or use the same colors as the System trade dress for signage, printed materials and painted surfaces. You will cease all Internet marketing using any Marks to identify the Facility. If you do not strictly comply with all of the de-identification requirements above, in the System Standards Manual and in our other brand directives, you agree to pay us a royalty equal to \$2,000 per day until de-identification is completed to our satisfaction.

13.1.1 Cancel Assumed Name Certificate. You shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains the name “Days Inn” or any variation thereof or any other Mark. You shall provide us with evidence to our satisfaction of compliance with this obligation within thirty (30) days after Termination or expiration of this Agreement.

13.2 Other Duties. You will pay all amounts owed to us under this Agreement and any related ancillary agreements with us or our affiliates pertaining to the Facility within 10 days after Termination. We may immediately remove the Facility from the Reservation System and divert reservations as authorized in Section 11.4. We may notify third parties that the Facility is no longer associated with the Chain. We may also, to the extent permitted by applicable law, and without prior notice enter the Facility and any other parcels, remove software (including archive and back-up copies) for accessing the Reservation System, all copies of the System Standards Manual, Confidential Information, equipment and all other personal property of ours. If you have not

completed your de-identification obligations to our satisfaction, we may paint over or remove and purchase for \$10.00, all or part of any interior or exterior Mark-bearing signage (or signage face plates), including billboards, whether or not located at the Facility, that you have not removed or obliterated within five days after Termination. You will promptly pay or reimburse us for our cost of removing such items, net of the \$10.00 purchase price for signage. We will exercise reasonable care in removing or painting over signage. We will have no obligation or liability to restore the Facility to its condition prior to removing the signage. We shall have the right, but not the obligation, to purchase some or all of the Facility's Mark-bearing FF&E and supplies at the lower of their cost or net book value, with the right to set off their aggregate purchase price against any sums then owed us by you. You will transfer to us any domain names you own that include any material portion of the Marks.

13.3 Reservations. The Facility will honor any advance reservations, including group bookings, made for the Facility prior to Termination at the rates and on the terms established when the reservations are made and pay when due all related travel agent commissions. You acknowledge and agree that once a Termination or expiration date for this Agreement has been established in accordance with the provisions of this Agreement, we may stop accepting reservations through the Reservation System for any person(s) seeking to make a reservation for a stay on any date on or after the Termination or expiration of this Agreement. In addition, when this Agreement terminates or expires for any reason, we have the right to contact those individuals or entities who have reserved rooms with you through the Central Reservation System to inform them that your lodging facility is no longer part of the System. We further have the right to inform those guests of other facilities within the System that are near your Facility in the event that the guests prefer to change their reservations. You agree that the exercise of our rights under this Section will not constitute an interference with your contractual or business relationship.

13.4 Survival of Certain Provisions. Sections 3.6 (as to audits, for 2 years after Termination), the first two sentences of Section 3.11, Section 7 (as to amounts accruing through Termination), and Sections 8, 11.3.2, 11.4, 12, 13, 15, 16 and 17 survive Termination of this Agreement. Additionally, all covenants, obligations and agreements of yours which by their terms or by implication are to be performed after the Termination or expiration of the Term, shall survive such Termination or expiration.

14. Your Representations and Warranties. You expressly represent and warrant to us as follows:

14.1 Quiet Enjoyment and Financing. You own, or will own prior to commencing improvement, or lease, the Location and the Facility. You will be entitled to possession of the Location and the Facility during the entire Term without restrictions that would interfere with your performance under this Agreement, subject to the reasonable requirements of any financing secured by the Facility. You have, when you sign this Agreement, and will maintain during the Term, adequate financial liquidity and financial resources to perform your obligations under this Agreement. If you are an entity, all of your owners or any of the individuals disclosed on Schedule B, including any subsequent person or entity that becomes an owner at any time after the Effective Date, shall sign our then-current form of personal guaranty guaranteeing all of your obligations

under this Agreement, unless expressly waived by us in our sole discretion.

14.2 This Transaction. You have received our FDD at least 14 days before signing this Agreement or paying any fee to us. You and the persons signing this Agreement for you have full power and authority and have been duly authorized, to enter into and perform or cause performance of your obligations under this Agreement. You have obtained all necessary approvals of your owners, Board of Directors and lenders. No executory franchise, license or affiliation agreement for the Facility exists other than this Agreement. Your execution, delivery and performance of this Agreement will not violate, create a default under or breach of any charter, bylaws, agreement or other contract, license, permit, indebtedness, certificate, order, decree or security instrument to which you or any of your principal owners is a party or is subject or to which the Facility is subject. Neither you nor the Facility is the subject of any current or pending merger, sale, dissolution, receivership, bankruptcy, foreclosure, reorganization, insolvency, or similar action or proceeding on the date you execute this Agreement and was not within the three years preceding such date, except as disclosed in the Application. You will submit to us the documents about the Facility, you, your owners and your finances that we request in the Franchise Application (or after our review of your initial submissions) before or within 30 days after you sign this Agreement. You represent and warrant to us that the information you provided in your Application is true, correct and accurate. To the best of your knowledge, neither you, your owners (if you are an entity), your officers, directors or employees or anyone else affiliated or associated with you, whether by common ownership, by contract, or otherwise, has been designated as, or is, a terrorist, a “Specially Designated National” or a “Blocked Person” under U.S. Executive Order 13224, in lists published by the U.S. Department of the Treasury’s Office of Foreign Assets Control, or otherwise.

14.3 No Misrepresentations or Implied Covenants. All written information you submit to us about the Facility, you, your owners, any guarantor, or the finances of any such person or entity, was or will be at the time delivered and when you sign this Agreement, true, accurate and complete, and such information contains no misrepresentation of a material fact, and does not omit any material fact necessary to make the information disclosed not misleading under the circumstances. There are no express or implied covenants or warranties, oral or written, between we and you except as expressly stated in this Agreement.

15. Proprietary Rights.

15.1 Marks and System. You will not acquire any interest in or right to use the System or Marks except under this Agreement. You will not apply for governmental registration of the Marks, or use the Marks or our corporate name in your legal name, but you may use a Mark for an assumed business or trade name filing, provided such filing is for the full name of the property, including any secondary designation. You agree (i) to execute any documents we request to obtain or maintain protection for the Marks; (ii) use the Marks only in connection with the operation of the Facility as permitted by the System Standards; and (iii) that your unauthorized use of the Marks shall constitute both an infringement of our rights and a material breach of your obligations under this Agreement. You shall not, and shall not assist other to, challenge or otherwise contest the validity or ownership of the System or Marks.

15.2 Inurements. The Loyalty Program Charge is 4.25% - 5.5% of any amounts on which members of the Loyalty Program earn points or other program currency at the Facility as defined in the Front Desk Guide or any other program rules, which are System Standards. The Loyalty Program Charge may vary within the stated range based on the number of Wyndham Rewards valid enrollments obtained by the Facility during a defined measurement period, as described in the Front Desk Guide. We will proactively match and award members with points or other program currency they earn at the Facility even if they do not present their Wyndham Rewards membership number upon check-in. You will be billed monthly in arrears for points or other program currency awarded to members during the preceding month. If you do not achieve a certain number of Wyndham Rewards valid enrollments, you must pay us a Missed Valid Enrollment Fee of up to \$400 per month as described in the Front Desk Guide. If you do not process a member's points in a timely manner and we must resolve the issue with the member, we will charge you a Loyalty Member Services Administration Fee as described in the Front Desk Guide.

B. Customer Care Fee

We will contact you if we receive any guest complaint about you or the Facility, and you will be responsible for resolving the complaint to the satisfaction of the guest. We may also contact you, at our discretion, if we become aware of any other complaints about the Facility including complaints which are posted on third-party travel websites, distribution channels, blogs and social networks, or other forums to which you do not respond. If you do not respond to and resolve any complaint to the satisfaction of the guest within the time frame we establish in System Standards after we refer it to you, we will charge you a "Customer Care Fee" of \$195, plus the costs we incur to settle the matter with the guest. The Customer Care Fee is intended only to reimburse us for the costs of complaint handling and is not intended as penalties or liquidated damages. All guest complaints remain subject to indemnification under this Agreement.

C. Best Rate Guarantee Program

You must (i) make available to us through the Central Reservation System and the Chain Websites room rates for the Facility equivalent to those you offer to the general public directly or indirectly via third parties that you authorize to offer and sell reservations for the Facility's guest rooms, and (ii) participate in the Chain's Best Rate Guarantee Program according to its published requirements. If we, or a guest, identifies a publicly available rate for the Facility that is lower than the rate that you have provided to us for the same date, then we may charge you a Processing Fee, currently \$195, to reimburse us for our administrative charges to process each discrepancy.

D. Reconnection Fee

If we suspend Central Reservation System service because of your default under this Agreement or for any other reason, then you must pay us the Reconnection Fee set forth in the System Standards Manual before we restore service. Currently, the Reconnection Fee is \$4,000.

E. Other Fees, Commissions and Charges

You will pay us a fee, as applicable, for reservations for your Facility from certain distribution partners processed through various reservation channels. "GDS Fees" are assessed for qualified reservations processed through any global distribution system ("GDS") or through any Internet website or other booking source powered by a GDS. "Internet Booking Fees" are assessed for qualified reservations processed through an Internet website connected through an alternate distribution system. "Third Party Channel Fees" are assessed for qualified reservations coming from our partners directly or indirectly to our distribution platform. We will establish the amount of the GDS, Internet Booking Fees, and Third-Party Channel Fees from time to time based on the fees these channels charge us and/or our own costs (including overhead) for providing these services. Some of our distribution partners may charge a commission on reservations you receive through these reservation channels and, if we pay such commission on your behalf, you will reimburse us and pay our service charge of 1.5% of commissionable revenue. Upon written notice to you, we may alter, change, modify, remove or add new fees as existing reservation channels are modified or partners are added to existing channels or new reservation channels are established.

You will also pay commissions for (a) reservations booked by "Agents" and/or (b) qualified reservations consumed by members of affinity groups and organizations that participate in our Member Benefits program. You must pay our service charge of 1.5% of commissionable revenue, if applicable. "Agents" include, but are not limited to, travel agents, on-line travel and referral websites, travel consortia, travel management companies, and global sales agents, as well as digital media linking to Chain websites and unique call center numbers purchased by the pay-for-performance program ("PFP"). These commission payments may go to the Agent, affinity group or organization in whole or a portion of the payment may be allocated to various marketing activities and/or to our Global Sales Organization to offset its administrative and

overhead costs for supporting the Member Benefit Program and other programs that generate room nights at Chain Facilities, or, in the case of the PFP program, to fund purchases of additional digital media directing consumers to Chain websites and unique call center numbers.

Under our Everyone Sells Group Referrals Program, Chain Facilities may receive leads from other Chain Facilities, facilities of our affiliates and employees of our parent company or its predecessor. For this business, we charge you a referral commission of 10% of the commissionable revenue on qualifying reservations. When the referring party is a Chain Facility or facility of an affiliate 7% of the referral commission is paid to the referring facility; and when the referring party is an employee of our parent company or its predecessor, 6% of the referral commission is paid to the employee. The remaining 3% and 4%, as applicable, is distributed to our Global Sales Organization to offset its administrative and overhead costs for supporting the Everyone Sells Group Referrals Program.

We may change, modify or delete Additional Fees for existing services and programs and add new Additional Fees for new services, programs and distribution channels at any time upon not less than thirty (30) days' written notice.

SCHEDULE D
ADDENDUM FOR CONVERSION FACILITIES

This Addendum applies if you are converting an existing guest lodging facility to a Chain Facility.

1. YOUR IMPROVEMENT OBLIGATION.

1.1 Generally. You must select and acquire the Location and acquire, equip and supply the Facility in accordance with this Agreement and System Standards. You must provide us with proof that you own or lease the Facility by the earlier to occur of (a) 30 days after the Effective Date or (b) the Opening Date. You must maintain control of the Facility consistent with such documentation during the Term. You must begin renovation of the Facility no later than 30 days after the Effective Date. Time is of the essence for the completion of the Improvement Obligation. We may, however, in our sole discretion, grant one or more extensions of time to perform any phase of the Improvement Obligation. The grant of an extension will not waive any other default existing at the time the extension is granted. All renovations must comply with System Standards, any Approved Plans, this Agreement and the PIP. Your general contractor or you must carry the insurance required under this Agreement during renovation.

1.2 Pre-Opening Improvements. You must complete all renovations specified as “prior to opening” on the PIP before we consider the Facility to be ready to open under the System. The deadline for completing the pre-opening phase of conversion and the renovations shall be as specified on any PIP attached to this Agreement, but is otherwise 90 days from the Effective Date. You must continue renovation and improvement of the Facility after the Opening Date if the PIP so requires. We may, in our sole discretion, terminate this Agreement by giving written notice to you (subject to applicable law) if (1) you do not commence or complete the pre-opening improvements of the Facility by the dates specified on the PIP or otherwise and you fail to do so within five days after we send you written notice of default, or (2) you prematurely identify the Facility as a Chain Facility or begin operation under the System in violation of this Schedule and you fail to cease operating and/or identifying the Facility under the Marks and System within five days after we send you written notice of default. If we choose to grant an extension of any deadline, including the Facility’s Opening Date, you will pay us a non-refundable extension fee of \$5,000. This fee will be payable to us within ten (10) days of the Facility’s Opening Date. You must also pay us the Reinspection Fee described in Section 3.7 if you fail to complete the Improvement Obligation by the deadline established in the PIP or otherwise and our representatives must return to the Facility to inspect it. In limited circumstances, you may identify the Facility as a Chain Facility prior to the Opening Date, or commence operation of the Facility under a Mark and using the System, only after first obtaining our prior written approval. If you identify the Facility as a Chain Facility or operate the Facility under a Mark before the Opening Date without our express written consent, then in addition to our remedies under Section 11, you will begin paying the Royalty to us, as specified in Section 7.1, from the date you identify or operate the Facility using the Mark. We may delay the Opening Date until you pay the Royalty accruing under this Section.

1.3 Improvement Plans.

(a) Prototype Plans Renovation. If the PIP requires you to renovate the Facility in accordance with our Prototype Plans (or you elect to receive the Prototype Plans), you will be required to electronically designate an architect who must electronically accept the Prototype Plans Agreement. Within 15 days after we electronically receive the signed Prototype Plans Agreement, we will deliver to your architect a complete set of our Prototype Plans. Your architect and you will create construction documents (including a project manual and working drawings) for renovation of the Facility based upon the Prototype Plans, System Standards and this Agreement so that it conforms as closely as possible to the Prototype Plans and System Standards, and then submit them for our approval before starting demolition and improvement of the Location.

(b) Generally. You will create plans and specifications for the work described in Section 1.1 of this Schedule D (based upon System Standards and this Agreement) if we so request and submit them for our approval before starting improvement of the Location. We will not unreasonably withhold or delay our approval, which is intended only to test compliance with System Standards, and not to detect errors or omissions in the work of your architects, engineers, contractors or the like, who must exercise their own independent professional care, skill and diligence in the design and renovation of your Facility. Our review does not cover technical, architectural or engineering factors relating to the existing structure at the Location, the validity of conversion given the existing structure, or compliance with federal, state or local laws, regulations or code requirements, for which your architect is responsible. You must allow for 10 days of our review each time you submit plans to us. We will not be liable to your lenders, contractors, employees, guests, others, or you on account of our review or approval of your plans, drawings or specifications, or our inspection of the Facility before, during or after the renovation. Any material variation from the Approved Plans requires our prior written approval.

Approved Plans must incorporate design elements as set forth in System Standards. You may purchase furniture, fixtures, equipment and other supplies that you may need during renovation of the Facility through our affiliate, Worldwide Sourcing Solutions, Inc.'s "Approved Supplier" program. If you choose to purchase certain design items from a supplier other than an Approved Supplier, we may charge you a Custom Interior Design Review Fee, currently \$6,000. This fee will be assessed for our review of custom interior design drawings which you must submit to us to ensure compliance with our interior design standards. We may offer other optional architectural and design services for a separate fee. You will promptly provide us with copies of permits, job progress reports, and other information as we may reasonably request.

(c) Deviation from Approved Plans. We may inspect the work while in progress without prior notice. We may direct you to change the work in progress if it deviates from the Approved Plans or System Standards and may terminate this Agreement if you fail to comply with any such direction. If you encounter unexpected issues with demolition, renovation, reconstruction or refurbishment of the existing structure which make continuation of the project using the Approved Plans not commercially feasible, you must notify us immediately and provide a complete written report on the matter, including any proposal to modify the Approved Plans you

believe is appropriate together with your estimate of the projected costs of meeting the Approved Plans. We will evaluate the report, your proposal and the situation and respond within 30 days to any request to vary the Approved Plans, or provide suggestions for resolving the issues in such a manner as will be acceptable to us. Neither party shall terminate this Agreement unless and until such notice is given and the 30-day period shall have elapsed without agreement on modifying the Approved Plans. If either party then decides to terminate this Agreement, you will pay, if then not paid, and we will retain, the full Initial Fee. Provided that we determine in our reasonable discretion that continuation of the project using the Approved Plans or any modification of the Approved Plans is not commercially feasible then Liquidated Damages shall not be owed.

2. ONBOARDING AND MANDATORY SUPPORT SERVICES AND FEES.

2.1 Onboarding Services. We will provide training through various on-line courses on subjects such as quality assurance, housekeeping, preventative maintenance, customer service, and the request for proposal process. A member of our field team will also assist with property operations topics including Systems Standards and use of the Chain's intranet site. These onboarding services are provided as part of the Initial Fee required in Section 6.

2.2 Mandatory Support Services and Fees. We will arrange for delivery of an initial supply of key property supplies that assist the Facility with meeting System Standards and/or participating in key marketing initiatives as reasonably determined by us. You will pay \$500 for your initial supplies. We will arrange to have our preferred photography provider take digital photographs of the in accordance with System Standards for use on our Chain Websites, third party travel websites and various marketing media and such photographs will be owned by us. You will pay \$2,450 for the required photo package, plus \$225 for each additional room type that must be photographed.

If we allow you to open the Facility before your installation of permanent signage, we will arrange for one of our Approved Suppliers to provide temporary exterior signage for the Facility in the form of a Mark-bearing bag to cover your existing primary free-standing sign. You will pay \$1,000 for this temporary signage. If you install permanent signage from an Approved Supplier for the Facility on or before the Opening Date, or if within thirty (30) days of the Opening Date you sign a quote and pay the required deposit for permanent signage from the vendor assigned to provide temporary signage for the Facility, then we shall issue you a credit of \$1,000. We will provide training for your general manager as set forth in Section 4.1 of the Agreement if he/she attends the training by the deadline set forth in Section 4.1. The tuition for this mandatory training program is currently \$2,250. If you are required to complete an architectural PIP, we will provide training for your staff at your Facility. This training is conducted on site at your Facility and depending on your room count will last between 1- 5 days and cost between \$750 - \$3,750. If you have not previously owned a Chain facility or any hotel licensed by one of our affiliates, and are required to complete an architectural PIP, we will also provide owner training. There is no fee for the first attendee of the program, which may run for up to 3 days at a location we designate. You may choose to send additional attendees for a

charge of \$1,000 each. You are also responsible for facilitator, or your, travel, lodging and meal expense for on-site and owner training. We will provide a comprehensive curriculum of hotel operations training. The cost of ongoing learning and development support for your entire hotel team is \$600 per year.

SCHEDULE D
ADDENDUM FOR NEW CONSTRUCTION FACILITIES

This Addendum applies if you are constructing a new Chain Facility.

1. YOUR IMPROVEMENT OBLIGATION.

1.1 Generally. You must select and acquire the Location and acquire, design, construct, equip and supply the Facility in accordance with this Agreement and System Standards. You must provide us with proof that you own or a ground lease of the Location by the earlier to occur of (a) 30 days after the Effective Date or (b) the Opening Date. You must maintain control of the Facility consistent with such documentation during the Term. You must commence construction of the Facility no later than 60 days after the Effective Date, and complete construction and properly deliver the Certification as described in subsection 1.3 of this Schedule no later than 14 months from the Effective Date. Construction commences, for purposes of this Schedule, when all of the following occur: (x) we approve a site plan, completed working drawings and detail specifications for the Facility; (y) governmental permits are issued to commence foundation construction; and (z) you commence pouring concrete for building footings. Time is of the essence for the completion of the Improvement Obligation. We may, however, in our sole discretion, grant extensions of time to perform any phase of the Improvement Obligation. The grant of an extension will not waive any other default existing at the time the extension is granted. All construction must comply with System Standards, any Approved Plans, and this Agreement. Your general contractor or you must carry the insurance required under this Agreement during construction.

1.2 Pre-Opening. We may, in our sole discretion, terminate this Agreement by written notice to you (subject to applicable law) if you do not meet the deadlines above. If we choose to grant an extension of any deadline, including the Facility's Opening Date, you must pay us a non-refundable extension fee of \$5,000. You must also pay us the Reinspection Fee described in Section 3.7 if the Facility fails the inspection you designate as the completion inspection, does not meet our Standards or conform to the Approved Plans, and our representatives must return to the Facility to inspect it. In limited circumstances, you may identify the Facility as a Chain Facility prior to the Opening Date, or commence operation of the Facility under a Mark and using the System, only after first obtaining our prior written approval, but in no event before the Facility passes our completion inspection, at which we determine that the Facility as built meets our System Standards, and we receive from you and your architect or contractor the Certification described in subsection 1.3 below. If you identify the Facility as a Chain Facility or operate the Facility under a Mark before the Opening Date without our express written consent, then in addition to our remedies under Section 11, you will begin paying the Royalty to us, as specified in Section 7.1, from the date you identify or operate the Facility using the Mark. We may delay the Opening Date until you pay the Royalty accruing under this Section.

1.3 ADA Certification. Your architect must certify to us and to you that the Facility's plans and specifications comply with the design requirements of the Americans with Disabilities Act

(“ADA”), the Department of Justice Standards for Accessible Design (“ADA Standards”) under the ADA, and all codes that apply using the ADA Certification Form for New Construction (Pre-Construction) in Exhibit A. Before we authorize you to open the Facility, you must complete and submit the ADA Certification Form for New Construction (Post-Construction) attached as Exhibit B (Exhibits A and B, collectively, the “Certification”). You must complete the Certification per their instructions and submit to us only after they have been signed by your general contractor, your architect of record or a consulting architect you hire for the Certification. If you cannot obtain the signature of the contractor or such an architect for the Certification, you must sign the Franchisee’s Certification of Compliance on the signature page of the Certification. If we determine that the Certification has not been properly completed, or if we have actual knowledge (not constructive or implied knowledge) that the signatures on the Certification are false or fraudulent, we will return the Certification to you with written notice that we will not permit you to open the Facility for business under the System until we receive a properly completed Certification. We may terminate this Agreement under Section 11 if you do not submit the Certification properly completed before you open the Facility under the System, you fail to meet the deadline for completing the Facility specified in this Schedule because you do not submit a properly completed Certification, or if you submit a false or fraudulent Certification. We will delay the Opening Date until you submit the properly completed Certification. We shall not be liable to you or any third party if the Certification is improperly completed or the Facility is not built or operated in compliance with ADA.

1.4 Improvement Plans.

(a) Prototype Plans. We will provide your designated architect with a set of “Prototype Plans” for the construction, renovation or furnishing of the Facility, which your architect can use for creating the construction documents. To receive the Prototype Plans, you will be required to electronically designate an architect who must electronically accept the Prototype Plans Agreement. Within 15 days after we electronically receive the signed Prototype Plans Agreement, we will deliver to your architect a complete set of our Prototype Plans. Your architect and you will create construction documents (including a project manual and working drawings) for construction of the Facility based upon the Prototype Plans, System Standards and this Agreement so that it conforms as closely as possible to the Prototype Plans and System Standards, and then submit them for our approval before starting improvement of the Location. We will not unreasonably withhold or delay our approval, which is intended only to test compliance with System Standards, and not to detect errors or omissions in the work of your architects, engineers, contractors or the like, who must exercise their own independent professional care, skill and diligence in the design and construction of your Facility. We will provide review of both preliminary and final plans for construction of the Facility and up to two site visits from our Hotel Integration Team to ensure compliance with System Standards as the project is constructed. Our review does not cover technical, architectural or engineering factors relating to the Location, or compliance with federal, state or local laws, regulations or code requirements, including without limitation, compliance with the ADA, for which your architect is responsible. You must allow for 10 days of review each time you submit plans to us. We will not be liable to your lenders, contractors, employees, guests, others, or you on account of our review or approval of your plans, drawings or specifications, or our inspection of the Facility, before during or after construction or any subsequent renovation. Any material violation from the Approved Plans requires our prior

written approval. Approved Plans must incorporate design elements as set forth in System Standards. You may purchase furniture, fixtures, equipment and other supplies that you may need during construction of the Facility through our affiliate, Worldwide Sourcing Solutions, Inc.'s "Approved Supplier" program. We may offer other optional architectural and design services for a separate fee. You will promptly provide us with copies of permits, job progress reports, and other information as we may reasonably request.

(b) Construction Costs. Before we authorize you to open the Facility, we may request that you furnish us with information about the construction costs of the Facility by providing a copy of your contractor's application for payment on AIA form G702 and G703 or other documentation reasonably acceptable to us. We will use this information, along with similar information obtained from other franchisees, to more accurately project the cost of developing new construction Facilities in the United States, which we are required to disclose in our Franchise Disclosure Document for new franchisees. We will not disclose outside of our organization or our consultants any information you give to us in a manner which would enable other franchisees or persons to determine your costs for constructing your Facility.

(c) Deviation from Approved Plans. We may inspect the work while in progress without prior notice. We may direct you to change the work in progress if it deviates from the Approved Plans or System Standards and may terminate this Agreement if you fail to comply with any such direction. If you encounter unexpected issues with demolition, renovation, reconstruction or refurbishment of the existing structure which make continuation of the project using the Approved Plans commercially infeasible, you must notify us immediately and provide a complete written report on the matter, including any proposal to modify the Approved Plans you believe is appropriate together with your estimate of the projected costs of meeting the Approved Plans. We will evaluate the report, your proposal and the situation and respond within 30 days to any request to vary the Approved Plans, or provide suggestions for resolving the issues in such a manner as will be acceptable to us. Neither party shall terminate this Agreement unless and until such notice is given and the 30-day period shall have elapsed without agreement on modifying the Approved Plans. If either party then decides to terminate this Agreement, you will pay, if then not paid, and we will retain, the full Initial Fee. Provided that we determine in our reasonable discretion that continuation of the project using the Approved Plans or any modification of the Approved Plans is not commercially feasible then Liquidated Damages shall not be owed.

This Assignment and Assumption Agreement (the “Agreement”) is made and entered into as of _____, 20__ by and among _____, a _____ (“Assignor”), _____, a _____ (“Assignee”), and _____, a _____ (“Company”).

Recitals. Assignor is the “Franchisee” under a franchise agreement, dated as of _____, 20__ (the “Franchise Agreement”) and certain related ancillary agreements with Company or its affiliates. The Franchise Agreement, along with all amendments and the ancillary agreements, will be referred to, collectively, as the “Primary Agreements.” The Franchise Agreement is attached to this Agreement as Exhibit A and relates to the granting of a _____ franchise for a lodging facility designated as Unit No. _____ (the “Facility”) located at _____. Assignor is conveying the Facility to Assignee. Assignor desires to assign the Primary Agreements to Assignee, which desires to assume and accept the rights and obligations under the Primary Agreements, effective as of the date of this Agreement. Capitalized terms not defined in this Agreement have the meanings given to them in the Franchise Agreement.

IN CONSIDERATION of the mutual promises in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, it is agreed as follows:

1. Assignor assigns, transfers, bargains, sells, and delegates to Assignee all of its rights, title, and interest in and to the Primary Agreements and its obligations existing and arising in the future under the Primary Agreements.

2. Assignee accepts and assumes the rights, benefits and obligations of Assignor under the Primary Agreements, effective as of the date of this Agreement, including all existing and future obligations to pay and perform under the Primary Agreements. Assignor shall remain secondarily liable for payment of and performance under the Primary Agreements. The owners of Assignee have executed the Guaranty attached to this Agreement as Appendix A.

3. To induce Company to consent to this Agreement and the assignment of the Primary Agreements, as of the effective date of this Agreement, Assignee adopts and makes to Company the representations and warranties of Assignor, as Franchisee, set forth in Section 14 of the Franchise Agreement. As of the effective date of this Agreement, Assignee is the owner of fee simple title to the Facility or is otherwise entitled to possession of the Facility for the remainder of the Term of the Franchise Agreement. Assignee’s owners are shown on Exhibit B attached to this Agreement, which amends Schedule B of the Franchise Agreement.

4. Assignee will deliver, together with this Agreement, evidence of insurance meeting System Standards, as contemplated under the Franchise Agreement and the System Standards.

5. This Agreement shall be deemed a supplement to and modification of the Primary Agreements, as previously modified by any prior amendments and addenda and this Agreement.

Assignment and Assumption - 1

Except as expressly stated in this Agreement, no further supplements to or modifications of the Primary Agreements are contemplated by the parties. There are no oral or other written arrangements between Company and Assignor except as expressly stated in the Primary Agreements and any written amendment or addendum thereto. The Primary Agreements, as previously modified, are incorporated by this reference and have been provided by Assignor to Assignee.

6. Assignor and Assignee acknowledge that Company has not participated in the negotiation or documentation of the transfer transaction between the Assignor and Assignee, and that Company has not made any representation or warranty nor furnished any information to either party. Assignee waives any and all claims against Company, its affiliates, and their respective officers, directors, shareholders, affiliated corporations, employees, and agents, arising out of the transfer of the Facility. Assignee expressly acknowledges that Company was not a participant in such transaction and that Company has no liability in connection with such transaction. Assignee acknowledges that it has made all investigation of Assignor and the Facility as it believes appropriate.

7. Any notice required under the Primary Agreements to be sent to Assignee shall be directed to:

ASSIGNEE:

Name: _____
Street: _____
City, State & Zip: _____
Attention: _____
Email address: _____

In addition, upon execution of this Agreement, Assignor will provide Company, in writing, with its address, telephone number, and email address for any notices relating to the Primary Agreements that may be sent following the date of this Agreement. Assignor consents to receive such electronic mail from Company.

8. Subject to the terms of this Agreement, Company consents to the assignment and assumption of the Primary Agreements as provided in this Agreement. No waivers of performance or extensions of time to perform are granted or authorized. Company will treat Assignee as the “Franchisee” under the Primary Agreements. The rights of Assignor to the Franchise under Section 1 of the Franchise Agreement or to any rights licensed to Assignor under any of the Primary Agreements will be terminated effective as of the date of this Agreement.

9. Assignee agrees that, notwithstanding anything to the contrary in the Primary Agreements, it will report and pay to Company all Recurring Fees and other fees and charges due under the Primary Agreements online via Company’s self-service Electronic Invoice Presentment and Payment tool accessible through Company’s Chain intranet, or such other method as Company may designate. Company reserves the right to change or direct, from time to time, the technologies or other means for reporting and paying fees by amending System

10. **[INSERT If there is a Development Incentive Note]** Assignee and its owners (and their respective spouses, as to any owner who resides in a community property state or certain other states) have executed and delivered to Company an Assumption of Development Incentive Note in the form attached to the Development Incentive Note of Assignor or otherwise provided by Company provided, however, that such Assumption does not discharge or release Assignor or any co-makers of the Development Incentive Note from liability under such note.]

This Addendum to the Franchise Agreement by and between DAYS INNS WORLDWIDE, INC. (“we”, “our” or “us”) and _____ (“you”) is dated _____, 20__.

Notwithstanding anything to the contrary set forth in the Franchise Agreement, the following provisions shall supersede and apply:

1. Our right to terminate the Franchise Agreement under Section 11.2 if you commence a bankruptcy proceeding may not be enforceable under federal bankruptcy law.

2. Under Section 1671 of the California Civil Code, certain liquidated damages clauses are unenforceable.

3. The California Franchise Relations Act (Business and Professions Code Section 20000 through 20043) provides rights to you concerning termination, transfer, or nonrenewal of a franchise. If the Franchise Agreement is inconsistent with the law, the law will control.

4. If the Franchise Agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement, California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). California Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000-20043). To the extent required by such laws, Franchisee shall not be required to execute a general release.

5. The highest interest rate allowed by law in California is currently 10% annually.

6. All other rights, obligations, and provisions of the Franchise Agreement shall remain in full force and effect. Only the Sections specifically added to or amended by this Addendum shall be affected. This Addendum is incorporated in and made a part of the Franchise Agreement for the State of California.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. Section 17.7 of the Franchise Agreement is deleted in its entirety.

MARYLAND FRANCHISE REGISTRATION AND DISCLOSURE LAW**

This Addendum to the Franchise Agreement by and between DAYS INNS WORLDWIDE, INC. (“we”, “our” or “us”) and _____ (“you”) is dated _____, 20__.

1. Notwithstanding anything to the contrary set forth in the Franchise Agreement, the following provision shall supersede and apply to all franchises offered and sold under the laws of the State of Maryland:

No release language set forth in Sections 5, 9 or elsewhere in the Franchise Agreement shall relieve us or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Maryland. Pursuant to the Maryland Franchise Registration and Disclosure Law, any claim by you under such law must be brought within three years of the grant of the franchise. You may file this action in any Maryland court or Federal court located in Maryland.

2. Section 11.2 of the Franchise Agreement provides that the Franchise will automatically terminate upon your bankruptcy. This provision may not be enforceable under Federal bankruptcy law (11 U.S.C. Section 101 et seq.).

3. The Franchise Agreement states that New Jersey law generally applies. However, the conditions under which your franchise can be terminated and your rights upon nonrenewal may be affected by Maryland laws, and we will comply with that law in Maryland.

**ADDENDUM TO THE FRANCHISE AGREEMENT PURSUANT TO
THE MINNESOTA FRANCHISE INVESTMENT LAW**

This Addendum to the Franchise Agreement by and between Days Inns Worldwide, Inc. (“we”, “our” or “us”) and _____ (“you”) is dated _____, 20__.

Notwithstanding anything to the contrary set forth in the Franchise Agreement, the following provisions shall supersede and apply:

1. In compliance with Minnesota Rule 2860.4400J, the eleventh sentence in Subsection 11.4 of the Franchise Agreement is amended to read as follows:

“You recognize that any use of the System not in accord with this Agreement will cause us irreparable harm for which there is no adequate remedy at law, entitling us to seek both temporary and permanent injunctive relief against you from any court of competent jurisdiction, which may require us to post a bond.”

In addition, the following language is added at the end of Section 17.6.3 of the Franchise Agreement:

Minnesota Statutes, Section 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. Nothing in the Franchise Disclosure Document or this Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws of Minnesota.

2. Minnesota law provides franchisees with certain termination, non-renewal and transfer rights. Minnesota Statutes, Section 80C. 14, Subdivisions 3, 4 and 5 require, except in certain specified cases, that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the Franchise Agreement and that consent to the transfer of the franchise will not be unreasonably withheld.

3. We will not require you to assent to a release, assignment, novation or waiver that would relieve any person from liability imposed by Minnesota Statutes, Sections 80C.01 to 80C.22, provided that the foregoing shall not bar the voluntary settlement of disputes.

4. 5.4. You understand that Minnesota law limits you to a three-year period from the date a claim accrues in which to bring any claim against us for a violation of Minnesota Statutes, Section 80C.17.

5. To the extent required by the Minnesota Franchise Act, we will protect your rights to use the trademarks, service marks, trade names, logo types or other commercial symbols related to the trademarks or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the trademarks, provided you are using the names and marks in accordance with the Franchise Agreement.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any

applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Only the Sections specifically added to or amended by this Addendum shall be affected. This Addendum is incorporated in and made a part of the Franchise Agreement for the State of Minnesota.

The following provisions supersede and control any conflicting provisions of the Franchise Agreement:

1. Section 9.3 is amended by adding the following statement immediately after the first sentence of such Section:

However, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the related regulations shall remain in force; it being the intent of this proviso to satisfy the non-waiver provisions of GBL, Sections 687.4 and 687.5.

**ADDENDUM TO THE FRANCHISE AGREEMENT PURSUANT TO
THE WASHINGTON FRANCHISE INVESTMENT PROTECTION ACT**

This Addendum to the Franchise Agreement and Related Agreements by and between DAYS INNS WORLDWIDE, INC. (“we”, “our” or “us”) and _____ (“you”) is dated _____, 20__.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Section 17.7 of the Franchise Agreement is deleted in its entirety.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Nothing in the Franchise Agreement is intended to waive any liability we may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

The undersigned does hereby acknowledge receipt of this Addendum.

Service Provider’s Confidential Information shall include the Products and/or Services. Confidential Information of each Party shall include the terms and conditions of this Agreement, the terms and conditions of any and all Schedules, as well as business and marketing plans, technology and technical information, product plans and designs, Personal Information, and business processes disclosed by such Party (or a Party’s Affiliate). 7.5 Regulatory Considerations. Notwithstanding anything set forth to the contrary, an employee

of the Disclosing Party, including an individual who would be considered an employee pursuant to 18 U.S.C. §1833(b)(4), shall not be held criminally or civilly liable under any U.S. federal or state trade secret law for the disclosure of Confidential Information if such disclosure is made in confidence to a government official, either directly or indirectly, or to that individual's attorney, if such disclosure is made solely for the purpose of reporting or investigating a suspected violation of law or if the disclosure is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. THREE-PARTY AGREEMENT

This Three-Party Agreement (the “Agreement”) is made and entered into as of _____, 20__ by and among _____ (“Lender”); _____ (“Franchisee”); and _____ (“Franchisor” or “Company”). Lender, Franchisee, and Franchisor each are referred to as a “Party” and collectively are referred to as the “Parties.”

RECITALS

A. The Franchise Agreement. Franchisee and Franchisor entered into that certain franchise, license or membership agreement, dated _____, 20__ (the “Franchise Agreement”), related to a guest lodging facility located at _____, designated as Unit # _____ (the “Facility”). The Franchise Agreement and certain ancillary agreements related to the Franchise Agreement collectively are referred to as the “Primary Agreements.” Pursuant to the Primary Agreements, Franchisee operates the Facility as a _____® franchised location. Capitalized terms used and not defined in this Agreement shall have the meanings given to them in the Franchise Agreement.

B. The Loan. Lender has advanced or is about to advance funds to Franchisee and desires to be granted certain rights in respect of the Franchise Agreement as part of the collateral security for its loan. Franchisee has requested that Company consent to the conveyance of a security interest in the Franchise Agreement and grant certain other rights to Lender. Company will issue its consent to the collateral assignment of the Franchise Agreement and will grant such rights subject to the terms and conditions of this Agreement and the undertakings by Lender and Franchisee set forth below.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the terms, conditions, representations, promises, covenants, and consideration set forth below, the sufficiency of which are hereby acknowledged as good, valuable, and adequate consideration, and intending to be legally bound, the Parties agree as follows:

1. **Status of Primary Agreements.**

1.1 Company and Franchisee represent that the Primary Agreements are in full force and effect and there are no uncured notices of default issued by Company or Franchisee under the Primary Agreements as of the date of this Agreement.

1.2 This Agreement is not intended to be, nor shall it be construed to create, a novation, accord and satisfaction, or compromise of the obligations of Franchisee under the Primary Agreements or any other obligation of Franchisee or any Guaranty to Company. Franchisee agrees that the terms of the Franchise Agreement shall be strictly adhered to on and after the date of this Agreement.

2. **Company Consent; No Representations or Warranties.**

2.1. Company consents to the collateral assignment of, and granting of a security interest in, the Franchise Agreement by Franchisee to Lender as partial security for Franchisee’s obligations to Lender, subject to the terms and conditions of this Agreement. Unless and until Lender notifies Company in writing that it has exercised its rights to the collateral as the secured party under the collateral assignment and that it has assumed the benefits and obligations of the Primary Agreements (and without limiting Lender’s obligations under Section 4 of this Agreement), Company may rely on Franchisee’s authority to act on its own behalf on all matters relating

to the Primary Agreements and the franchise relationship between Company and Franchisee.

2.2. Company has not provided, and in entering into this Agreement is not providing, any representation, endorsement, or recommendation to or about any other Party; about any representation that either Lender or Franchisee may have made to the other; or otherwise pertaining to the loan.

2.3. This Agreement shall not be deemed a waiver of or consent by Franchisor or Franchisee to any defaults under the Primary Agreements arising after the date of this Agreement. Franchisee agrees that defaults arising after the date hereof under the Franchise Agreement shall not be deemed to have been waived, released, or cured by virtue of the execution of this Agreement.

3. **Franchisee Defaults.** The following provisions apply to Franchisee's defaults under the Primary Agreements and events that give the Company the right to terminate the franchise relationship:

3.1. If Company issues a notice of default to Franchisee, Company will notify Lender of such default or event by sending a copy of the default notice to Lender as and when sent to Franchisee, or by separate written notice. **Company's failure to give notice to Lender shall not affect Company's rights under the Primary Agreements with regard to Franchisee, nor shall Company be liable to Lender for any damages resulting directly or indirectly from such failure.**

3.2. Lender may undertake to cure such default on behalf of Franchisee, but is not obligated to do so. Unless Company otherwise consents in writing, Lender's time to cure the default will be the same as Franchisee's time to cure, if any, under the terms of the Primary Agreements and the default notice.

4. **Lender Possession of Facility.** The following provisions apply when and if Lender forecloses on the Facility or otherwise acquires, directly or through an affiliate, title to or possession of the Facility.

4.1. Lender automatically, and without further action, shall succeed to and assume all of the rights and obligations of Franchisee under the Primary Agreements as of the date Lender or an affiliate takes actual or constructive possession of the Facility (the "Possession Date"). Lender agrees to and shall sign and deliver to Company an assignment and assumption agreement to confirm its assumption of the Primary Agreements, or to execute and deliver such other similar agreement as may be acceptable to Company, and to pay Company an administrative fee of \$7,500 promptly after the Possession Date. Failure to execute such document or documents and pay the required administrative fee within thirty (30) days following Possession Date will constitute a material breach of this Agreement and of the Franchise Agreement (entitling Franchisor to terminate the Franchise Agreement) and shall not relieve Lender of its obligations as "Franchisee" or "Member" under the Franchise Agreement, as applicable.

4.1.1. Regardless of the execution and delivery of the documents and payment referenced in Section 4.1 by Lender, as of the Possession Date the Primary Agreements (i) shall be deemed ratified and affirmed in their entirety by Lender; and (ii) shall become binding and enforceable upon Lender. As of the Possession Date, Lender will be the successor to Franchisee and will be responsible to remedy all defaults of the Franchisee under the Primary Agreements capable of being cured by Lender and to perform in the capacity of "Franchisee" or the "Member," as applicable, under the Primary Agreements in all respects.

4.2. Lender or its affiliate shall provide the Company with proof of insurance meeting the requirements under the Franchise Agreement and System Standards within five (5) business days after the Possession Date.

4.3. Company will furnish Lender with Franchisee's franchise accounts receivable aging statements on request. Lender will pay any undisputed amounts shown on such statements within fifteen (15)

days after receipt. The Parties will cooperate and work diligently to resolve any franchise account disputes.

4.4. Lender must cure any quality assurance default of Franchisee pending as of the Possession Date within sixty (60) days after the Possession Date or enter into a quality improvement agreement with the Company within thirty (30) days after the Possession Date to cure the defaults. In either case, Lender must restore, to Company's satisfaction, the quality assurance scores of the Facility to the entry level required for conversion Chain Facilities within one hundred twenty (120) days after the Possession Date. Company will furnish Lender with a copy of the latest quality assurance inspection report generated before the Possession Date at Lender's request.

4.5. Any subsequent Transfer of the Facility after the Possession Date by Lender or its affiliate shall be governed by the Transfer provisions of the Franchise Agreement.

5. **Receiver.** The following provisions apply if Lender requests, causes, or participates in the appointment of a receiver for the Facility or Franchisee (a "Receiver"). In such event, Company may exercise its right to terminate the franchise or the Primary Agreements, unless (i) Lender or Receiver remedies all defaults of Franchisee then pending under the Primary Agreements within thirty (30) days after the appointment of Receiver; (ii) Receiver operates the Facility in compliance with the Primary Agreements and pays all fees accruing under the Primary Agreements during the period of the receivership; (iii) Receiver signs and delivers to Company a temporary operator's agreement or such other similar agreement as may be acceptable to Company (the "TOA") within five (5) days after appointment of Receiver; and (iv) Receiver pays Franchisor a \$7,500 administrative fee upon execution of the TOA.

6. **Lender Action, Generally.** If Lender (i) commences any judicial or non-judicial action seeking the appointment of a Receiver, or (ii) commences any judicial or non-judicial foreclosure or similar action because of any default by Franchisee under the terms of its agreements with Lender (in any case, a "Lender Action"), then Lender shall notify the Company in writing of such Lender Action. Lender will send the Company copies of any related pleadings, notices, agreements, or other documents published, sent, or filed by the Lender in a Lender Action.

7. **Insolvency of Franchisee.** In the event any bankruptcy, insolvency, receivership, or similar case is filed by or against Franchisee, then, subject to any automatic stay that may be imposed, Franchisor may exercise its rights and remedies under the Primary Agreements whether or not Lender obtains relief to foreclose upon or take possession of all or any part of the Facility.

8. **Franchisee Consent.** Franchisee consents to the provisions of this Agreement. Franchisee also consents to the transmittal of any and all information between Lender and Company from time to time about Franchisee's account with Company, the status of the Primary Agreement, the franchise relationship, and the loan or loans from Lender.

9. **No Assignment by Lender; Replacement Comfort Lender.**

9.1. Lender shall assign this Agreement to any (i) affiliate of Lender that acquires the Lender's interest in the mortgage or other loan to which this Agreement relates; and (ii) entity that acquires the Lender (or is the survivor of any merger or similar reorganization of the Lender), provided, in each case, that Lender need not assign this Agreement if it retains the right and obligation to service the loan on behalf of its successor-in-interest. Lender shall notify Company of such an assignment within fifteen (15) days following the assignment.

9.2. Company will issue a replacement three-party agreement, substantially similar in form to the three-party agreement then-disclosed in Company's franchise disclosure document, if (a) Lender (i)

appoints a third-party servicing agent to service the loan; (ii) transfers the loan to a successor mortgagee that is a financial institution in the business of routinely financing real estate transactions, or (iii) designates a trustee of a trust established in connection with the securitization of the loan; provided, in each case, that such transferee is reasonably acceptable to Company; and (b) Company receives a written request to issue a replacement three-party agreement within 30 days of the date of such appointment or transfer. Company reserves the right to charge an administrative fee for such replacement three-party agreement. Any such replacement three-party agreement shall supersede and replace this Agreement.

10. **Termination of Agreement.** This Agreement terminates automatically when (i) Company or Franchisee terminates the license or the Primary Agreements in accordance with their terms after giving Lender any notice required under this Agreement; (ii) Lender no longer has a security interest in the Facility or Lender's loan is paid in full; (iii) the term of the license under the Franchise Agreements expires; (iv) Lender assumes the Primary Agreements under the terms of this Agreement; or (v) Lender assigns its interest in the loan to a third party other than as expressly permitted by Section 9.1 of this Agreement. There is no equitable right of redemption applicable to this Agreement.

11. **Miscellaneous.**

11.1. **Recitals.** The statements and representations set forth in the Recitals above are fully affirmed by each Party and incorporated herein by reference with the same force and effect as if restated at length at this point.

11.2. **Construction of the Agreement.**

11.2.1. The Parties agree that the terms and language of this Agreement were the result of negotiations among the Parties and, as a result, there shall be no presumption that any ambiguities in this Agreement shall be resolved against any Party. Any controversy over the construction of this Agreement shall be decided without regard to events of authorship or negotiation.

11.5. **Binding Nature; Third Parties.** This Agreement is binding on the Parties and the respective permitted successors, heirs, executors, and assigns of each of them. This Agreement is solely for the benefit of the Parties and is not intended to, nor does it, create any third-party beneficiary.

11.6. **Counterparts.** This Agreement may be executed by one or more of the Parties to this Agreement on any number of separate counterparts and all such counterparts taken together shall be deemed to constitute one and the same instrument. This Agreement may be executed via facsimile or electronic signature.

11.7. Legal Fees. Except set forth herein, all Parties to this Agreement shall bear their own costs and attorneys' fees related to the negotiation and execution of this Agreement. Should a Party to this Agreement initiate an action arising out of this Agreement, including but not limited to enforcing its terms, it is agreed that the prevailing party in such actions shall be entitled to reimbursement of reasonable attorneys' fees and costs from the non-prevailing party.

REQUEST FOR THREE-PARTY AGREEMENT

TO: Vice President, Contracts Compliance

_____ (“Franchisor”)

RE: Current or Proposed Brand _____

Unit No.: _____ (“Facility”)

Located or to Be Located at _____

Current or Proposed Franchisee/Member Name: _____ (“Franchisee”)

DATE: _____, 20__

The undersigned duly-authorized representative of Franchisee requests that Franchisor offer and issue a Three-Party Agreement (“TPA”) in favor of the “Lender” named below for the purpose of inducing Lender to loan funds (the “Loan”) to Franchisee secured by Franchisee’s interest in the Facility. Franchisee understands and agrees to the following conditions that apply to the offer and issuance of the TPA. If Franchisee is not currently a party to a franchise agreement with Franchisor pertaining to the Facility, **the offer and issuance of the TPA by Franchisor will be subject to the execution of such a franchise agreement** (the franchise agreement, including all amendments and ancillary agreements, the “Franchise Agreement”); the payment of an initial fee or affiliation fee, as applicable; and Franchisor’s receipt of such other documents Franchisor deems necessary to consummate the closing of the Franchise Agreement.

1. Franchisee agrees to and submits herewith a non-refundable fee in the amount of \$1,000 (“TPA Fee”), which must be paid to Franchisor prior to, and in partial consideration for, Franchisor’s review of the request for a TPA. The TPA Fee is non-refundable even if Franchisor and Lender do not enter into a TPA.

2. Franchisee authorizes Franchisor to release (and consents to the transmittal of) any and all information about Franchisee’s account with Company, the status of the Franchise Agreement and the franchise relationship, the results of any quality assurance inspections, and guest complaints to Lender and its counsel (but Franchisor is under no obligation to do so). Franchisor may provide a copy of the Franchise Agreement to Lender, but is not required to do so, and Franchisee solely is responsible for ensuring that Lender has a full and complete copy of the Franchise Agreement if Lender requests the same. Franchisee represents and warrants to Franchisor that Franchisee has disclosed to Lender the current status of the Franchise Agreement and Franchisee’s performance under the same and that Franchisee will advise Lender of any changes in that status through the time of closing of the Loan.

3. Franchisee requests that upon receipt of this request form executed by Franchisee and its guarantor or guarantors, Franchisor prepare and offer to Lender its standard form of TPA, which

will require Lender or an affiliate to assume the Franchise Agreement for the Facility and cure Franchisee's defaults if Lender or an affiliate takes possession of the Facility.

4. Franchisee acknowledges and confirms that Franchisor shall be indemnified and held harmless by Franchisee and each guarantor of Franchisee's obligations under the Franchise Agreement against any claim, liability, judgment, settlement, cause of action, and damage award in favor of Lender against Franchisor arising from or relating to Franchisee's breach of this request or the TPA; that such indemnification shall be subject to the indemnification provision of the Franchise Agreement; and that Franchisee's indemnification obligation represents partial consideration from Franchisee for Franchisor to review this request and to offer and issue the TPA. Franchisee acknowledges Franchisor is under no obligation to offer or issue the TPA, which inures to the primary benefit of Franchisee and its guarantor or guarantors.

5. Franchisee acknowledges that Franchisor has no obligation to modify its standard form of TPA and shall have no liability to Franchisee or any guarantor as result of the inability of Lender and Franchisor to reach agreement on the language of the TPA or the failure of Lender and Franchisor to execute the TPA for any other reason. Franchisee and each guarantor jointly and severally release any and all causes of action and claims against Franchisor arising from the furnishing to Lender information about the Facility, the Franchise Agreement, or Franchisee under this request or the TPA, or the denial of the Loan or refusal to close the Loan arising from the inability of the parties to agree upon and execute a mutually-acceptable TPA, or for any other reason.

6. Franchisee covenants to forward to Lender copies of all default notices from Franchisor sent to Franchisee that the Loan documents require that Lender receive.

7. If Franchisee requests certain changes to the Franchise Agreement in order for the loan to qualify for financing assistance from the U.S. Small Business Administration, Franchisor will effect such changes so long as the Agreement maintains the mutuality of obligations, rights, and powers between Franchisee and Franchisor as to any affected provision.

8. Franchisee acknowledges that the TPA shall not be effective and binding on Franchisor unless and until Franchisor receives at its home office in Parsippany, New Jersey an original TPA signed by authorized representatives of each of Franchisee and Lender. Franchisor will offer the TPA to Lender subject to such condition as to its effectiveness. Franchisee undertakes to confirm with Lender at the closing of the Loan, or at such other time as may be requested by Lender (if the Loan has closed prior to the execution of the TPA) that the TPA has been fully executed and sent to Franchisor. Franchisor may, in its sole discretion, withhold its signature and delivery of the TPA until it has received evidence satisfactory to Franchisor that the Loan has closed.

9. Upon its execution and return to Franchisor, this request shall be effective as an Addendum to the Franchise Agreement and subject to its terms and conditions, except that any limitation therein or in the Guaranty as to the extent of the liability of Franchisee or any guarantor shall not apply to the obligations set forth in Section 4 above.

Submitted by and behalf of Franchisee named below by the undersigned, who personally represents and warrants to Franchisor that Franchisee has duly authorized the signer to execute, deliver, and cause Franchisee to perform this request. This request may be signed and submitted in multiple counterparts and shall be binding on Franchisee and any guarantor if sent by fax to Franchisor.

REQUEST FOR LENDER NOTIFICATION AGREEMENT
(SBA FINANCING)

TO: Vice President, Contracts Compliance

_____ (“Franchisor”)

RE: Current or Proposed Brand _____

Unit No. _____ (the “Facility”)

Located or to Be Located at _____

Current or Proposed Franchisee Name: _____ (“Franchisee”)

DATE: _____, 20 __

The undersigned duly-authorized representative of the Franchisee requests that Franchisor offer and issue a Lender Notification Agreement (“LNA”) in favor of the “Lender” named below, the Certified Development Company (“CDC”) (if any) identified below, and the United States Small Business Administration (“SBA”) for the purpose of inducing Lender to loan funds (the “Loan”) to Franchisee secured by Franchisee’s interest in the Facility, under SBA’s 7(a) or 504 loan programs. Lender, SBA, and, if applicable, CDC are referred to as the “Lender Group.” Franchisee understands and agrees to the following conditions that apply to the offer and issuance of the LNA:

1. Franchisee authorizes Franchisor to release (and consents to the transmittal of) any and all information about Franchisee’s account with Company, the status of the Franchise Agreement and the franchise relationship, the results of any quality assurance inspections, and guest complaints to Lender Group and its members’ counsel (but Franchisor is under no obligation to do so). Franchisor may provide a copy of the Franchise Agreement to Lender Group, but is not required to do so, and Franchisee solely is responsible for ensuring that Lender has a full and complete copy of the Franchise Agreement if Lender Group requests the same. Franchisee represents and warrants to Franchisor that Franchisee has disclosed to Lender Group the current status of the Franchise Agreement and Franchisee’s performance under the same, and that Franchisee will advise Lender Group of any changes in that status through the time of closing of the Loan.

2. Franchisee requests that upon receipt of this request form executed by Franchisee and its guarantor or guarantors, Franchisor prepare and offer to Lender Group its standard form of LNA, which will offer Lender the opportunity to cure Franchisee’s defaults under the Franchise Agreement.

3. Franchisee acknowledges and confirms that Franchisor shall be indemnified and held harmless by Franchisee and each guarantor of Franchisee’s obligations under the Franchise

Agreement against any claim, liability, judgment, settlement, cause of action, and damage award in favor of any member of Lender Group against Franchisor arising from or relating to Franchisee's breach of this request or the LNA; that such indemnification shall be subject to the indemnification provision of the Franchise Agreement; and that Franchisee's indemnification obligation represents partial consideration from Franchisee to Franchisor to review this request and to offer and issue the LNA. Franchisee acknowledges Franchisor is under no obligation to offer or issue the LNA, which inures to the primary benefit of Franchisee and its guarantor or guarantors.

4. Franchisee acknowledges that Franchisor has no obligation to modify its standard form of LNA and shall have no liability to Franchisee or any guarantor as result of the inability of Lender Group and Franchisor to reach agreement on the language of the LNA or the failure of Lender Group and Franchisor to execute the LNA for any other reason. Franchisee and each guarantor jointly and severally release any and all causes of action and claims against Franchisor arising from the furnishing to Lender Group information about the Facility, the Franchise Agreement or Franchisee under this request or the LNA, or the denial of the Loan or refusal to close the Loan arising from the inability of the parties to agree upon and execute a mutually-acceptable LNA, or for any other reason.

5. Franchisee covenants to forward to any member or members of Lender Group copies of all default notices from Franchisor sent to Franchisee that the Loan documents require that such member of Lender Group receive.

6. Franchisee acknowledges that the LNA shall not be effective and binding on Franchisor unless and until Franchisor receives at its home office in Parsippany, New Jersey an original LNA signed by authorized representatives of the Franchisee and of each member of Lender Group. Franchisor will offer the LNA to Lender Group subject to such condition as to effectiveness. Franchisee undertakes to confirm with Lender at the closing of the Loan, or at such other time as may be requested by Lender (if the Loan has closed prior to the execution of the LNA) that the LNA has been fully executed and sent to Franchisor. Franchisor may, in its sole discretion, withhold its signature and delivery of the LNA until it has received evidence satisfactory to Franchisor that the Loan has closed.

7. Upon its execution and return to Franchisor, this request shall be effective as an Addendum to the Franchise Agreement and subject to its terms and conditions, except that any limitation therein or in the Guaranty as to the extent of the liability of Franchisee or any guarantor shall not apply to the obligations set forth in Section 3 above.

AGREEMENT

NOW, THEREFORE, it is hereby stipulated and agreed by and between the undersigned parties upon the foregoing premises and in consideration of the promises, mutual covenants, and agreements set forth herein, and other good and valuable consideration, the sufficiency of which is hereby acknowledged, as follows:

You acknowledge that on the Termination Date your License to operate the Facility under the _____ System and Marks will terminate, and you no longer will be authorized to display, use, or exploit the _____ Marks. Until the Termination Date, you must continue to perform all your obligations under the Franchise Agreement, including payment of all Recurring Fees, commissions, charges and other fees, and maintenance of quality and operational standards as required by the System. Notwithstanding this Agreement, you may still be subject to default and/or termination for any breaches of the Franchise Agreement occurring prior to the Termination Date. On and after the Termination Date, we will have no further obligation to provide any services to you under the Franchise Agreement or any other agreement. We have no obligation to provide reservation services for any guest stay that includes any night on or after the Termination Date. Access to our brand portal on the Internet will be terminated as of the Termination Date.

2. Reports; Payment of Fees and Liquidated Damages.

(a) You will submit to us all monthly franchise reports required under the Franchise Agreement for Gross Room Revenues accruing through the Termination Date no later than ten days after the Termination Date.

(b) (i) You and the Guarantors will pay to us all outstanding Recurring Fees, commissions, charges, and other fees accruing under the Franchise Agreement through the Effective Date. We estimate that the accrued unpaid Recurring Fees and other amounts due under the Franchise Agreement are \$ _____ as of _____, 20__ . You and the Guarantors will pay us this amount via wire transfer or electronic funds transfer when you sign and return this Agreement to us. (ii) You and the Guarantors will pay us any additional Recurring Fees, commissions, charges, and other fees accruing under the Franchise Agreement through the Termination Date no later than ten days after the Termination Date. (iii) You and the Guarantors will pay any invoices we send to you after the Termination Date for additional amounts due under the Franchise Agreement and any other agreement with us within ten days after receipt.

(c) You and the Guarantors acknowledge the obligation to pay Liquidated Damages to us in the amount of \$ _____, as a result of the early termination of the Franchise Agreement. You and the Guarantors will execute and deliver to us the promissory note (the “Note”) in the amount of \$ _____, attached to this Agreement, contemporaneously with the execution and delivery of this Agreement. The Note will be due and payable pursuant to its terms. **OR**

(c) You and the Guarantors acknowledge the obligation to pay Liquidated Damages to us in the amount of \$ _____, as a result of the early termination of the Franchise Agreement. You and the Guarantors will pay this amount to us via wire or electronic funds transfer when you sign and return this Agreement to us, but no later than the Termination Date.

3. De-identification.

(a) You acknowledge that the Franchise Agreement requires you to perform certain post-termination obligations. In addition to any such obligations specified in the Franchise Agreement, no later than ten days after the Termination Date, you will (i) remove all signage and other items bearing the _____ trade name, trademarks and service marks (“Marks”); (ii) perform all post-termination obligations specified in the System Standards Manual; (iii) change all signs, billboards, and listings in telephone directories, travel guides, hotel indices and similar materials in which the Facility is identified as a _____ brand facility; (iv) remove the Marks from and otherwise change all e-mail addresses and social media identities that include the Marks and words that are deceptively similar to the Marks; and (v) remove the Marks from any advertising or promotional activities on, around or directed towards the Facility, including any web sites, web pages, metatags or search engines. You will cooperate fully with us regarding any post-termination inspections by us to verify that the Facility has been properly de-identified.

(b) You acknowledge that any unauthorized use of the Marks, or any marks confusingly similar to the Marks, shall cause irreparable harm for which there is no adequate

remedy at law, entitling us to injunctive and other relief. Such relief shall include, but is not limited to, entering the Facility without prior notice to remove software for accessing the Reservation System, all copies of the System Standards manuals, and all of our other personal property, and painting over or removing and purchasing for \$10.00, all or part of any interior or exterior Mark-bearing signage (or signage face plates), including billboards, whether or not located at the Facility that you have not removed or obliterated. You shall promptly pay or reimburse us for the cost of removing such items, net of the \$10.00 purchase price.

(c) Effective on the Termination Date, all software licenses granted to you by us will terminate. You will then cease to use any property management system software we provided to you, and we and our affiliates will have no further obligation to provide any hardware or software maintenance services to you. You have no further right to obtain any information about guests of the Facility that we maintain in our enterprise data warehouse.

4. Guaranty. Each undersigned Guarantor affirms that his, her, or its obligations under the Guaranty to guarantee your payment and performance under the Franchise Agreement shall extend to your obligations to pay and perform under this Agreement.

5. Audit Rights. Notwithstanding the Termination Date, we retain the right to perform audits of the Facility's books and records for a period of two years after the Termination Date. You acknowledge that your audit and record keeping obligations under the Franchise Agreement survive until the expiration of the two-year period. You agree promptly to pay or contest in good faith any audit assessment we issue if we determine that any additional Recurring Fees or other amounts may be due to us as a result of the audit. Your obligations under this Section terminate at the end of the two-year audit period.

6. Representations and Warranties. You and each Guarantor represent and warrant to us that: (a) you have reported the Gross Room Revenues of the Facility accurately and correctly calculated the fees due during the Term of the Franchise Agreement; (b) after the Termination Date, neither you nor any Guarantor will retain possession of any Confidential Materials we provided to you; (c) you, each Guarantor, and your respective agents have not disclosed or made unauthorized copies of any Confidential Materials in violation of the Franchise Agreement; (d) no consent of any third party is required to enter into or perform this Agreement; (e) neither you nor any Guarantor has filed a lawsuit or arbitration demand against us, our direct and indirect parent companies or affiliates; (f) neither you nor any Guarantor is the subject of any pending bankruptcy, receivership, composition, assignment, or similar proceeding; (g) you have obtained the necessary authorization to execute and perform this Agreement; and (h) the persons negotiating and executing this Agreement on your behalf have been duly authorized by your owners and your governance board to do so.

7. General Release.

(a) By entering into this Agreement, you and each Guarantor, for each of yourselves and your respective members, partners, officers, directors, employees, agents, shareholders, representatives, parent companies, subsidiaries, and affiliates, and their successors, heirs, and assigns, hereby release and waive any claims and causes of action against us, our officers, directors,

employees, agents, shareholders, representatives, parent companies, subsidiaries, and affiliates, and the successors and assigns of each of them, arising out of the offer, sale, execution, delivery, performance, administration, and termination of the License, the Franchise Agreement and the related agreements regarding the Facility. This release applies only to those claims that were or could have been asserted relating to the Facility and the relationship between you and us and does not apply to any claims that may exist or which may arise in the future regarding any other guest lodging facility.

(b) Subject to Section 8 below, and your and each Guarantor's complete performance of the obligations under this Agreement, the Franchise Agreement and any other Facility-related agreements with us or our affiliates, we, for ourself and our successors and assigns, hereby release and waive any claims and causes of action against you and each Guarantor arising out of the offer, sale, execution, delivery, performance, and termination of the License, the Franchise Agreement and the related agreements regarding the Facility. This release applies only to those claims that were or could have been asserted relating to the Facility and the relationship between you and us and does not apply to any claims that may exist or which may arise in the future regarding any other guest lodging facility. If, at any time, the monies paid to us in consideration for our release are set aside as a preference under 11 U.S.C. §§ 547 and/or 544, or are otherwise ordered to be disgorged from us in connection with legal proceedings that involve you and/or any Guarantor, our release provided herein shall be deemed null and void.

8. Survival. Despite the mutual releases provided in Section 7, the parties agree that the following survive after the Termination Date: (a) the indemnification obligations specified in the Franchise Agreement continue in full force for any transactions, occurrences, and events occurring during the Term specified in the Franchise Agreement and for any transactions, occurrences, and events occurring during the period the Facility was operated by you or on your behalf using the Marks; (b) the benefits of all insurance policies you obtained for the Facility accrue to us for transactions, occurrences and events occurring during the period in which the Franchise Agreement was in effect or for any transactions, occurrences and events occurring during the period the Facility was operated using the Marks; (c) the confidentiality obligations specified in this Agreement and the Franchise Agreement; and (d) the audit and record keeping provisions in the Franchise Agreement and Section 5 of this Agreement, for the time periods such provisions specify. The Franchise Agreement shall remain in effect solely as to such provisions until the expiration of the applicable statutes of limitation as to claims and actions that could be asserted by third parties.

9. Confidentiality. Each party hereto and its respective counsel agree that they will not disclose any of the terms of this Agreement or any amounts to be paid to us pursuant to this Agreement. The parties and their respective counsel, however, are not precluded from disclosing the terms of the Agreement to their attorneys, accountants, tax preparers, paid financial advisors and/or any governmental, regulatory or judicial authority that might compel the disclosure of this Agreement, or otherwise to the extent required by law or demanded by any governmental or regulatory entity. Additionally, in the event it becomes necessary to file this Agreement with a Court in any future enforcement action between or among the parties, the parties hereby agree to apply jointly for leave to file this Agreement under seal.

10. Consultation with Counsel. You and each Guarantor acknowledge that each of you have consulted with, or had the opportunity to consult with, legal counsel of your and their own selection about this Agreement. You and each Guarantor each understand how this Agreement will affect your legal rights and voluntarily enter into this Agreement with such knowledge and understanding.

11. Attorneys' Fees. The parties agree that the non-prevailing party will pay all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party to enforce this Agreement or collect amounts owed under this Agreement.

12. Consent to Jurisdiction. This Agreement will be governed by and interpreted under New Jersey law. The parties hereby consent and waive all objections to the non-exclusive personal jurisdiction of, and venue in, the United States District Court of New Jersey and the state courts situated in Morris County, New Jersey for the purposes of all cases and controversies involving this Agreement and its enforcement.

13. Capitalized Terms. Capitalized terms not otherwise defined in this Agreement shall have the meaning assigned to that term in the Franchise Agreement, including its addenda and amendments.

14. Execution in Counterparts. To facilitate execution of this Agreement by geographically separated parties, this Agreement and all other agreements and documents to be executed in connection herewith may be executed in as many counterparts as may be required; and it shall not be necessary that the signatures on behalf of each party appear on each counterpart; but it shall be sufficient that the signature on behalf of each party appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. It shall not be necessary in making proof of this Agreement to produce or account for more than a number of counterparts containing the respective signatures on behalf of all the parties hereto. All facsimile executions shall be treated as originals for all purposes.

15. Entire Agreement. This Agreement constitutes the entire understanding and agreement between the parties respecting the settlement relating to the Facility. Notwithstanding the foregoing, any of your or the Guarantor's post-termination obligations set forth in the Franchise Agreement and not modified by this Agreement shall remain as stated in the Franchise Agreement. II. Rate Strategy and Inventory Management

- Develop a *rate strategy* for the Facility, subject to approval by the Facility executive staff and ownership. A rate strategy is a monthly or quarterly set of pricing-related practices that will help the Facility to meet its stated operational and financial goals (such as RevPar, Occupancy, ADR, or minimization of overbooking-related service/delivery issues).
- Effect execution of the rate strategy on an ongoing basis, specifically advising the Facility staff on Franchisor's actions to:
 - Maintain the pricing structure for the Facility
 - Evaluate demand based on historical and currently booked data
 - Analyze potential commitments to groups and make recommendations on pricing and allocations
 - Analyze and identify the relevant market segments which apply to the Facility and make pricing and rate policy recommendations for those segments
 - Review competitive pricing and availability
 - Recommend price points and availability restrictions for future dates across all distribution channels
- Produce reports for the Facility Executive Staff on past results and future conditions
- Facilitate weekly or bi-weekly meetings with the Facility staff to review past results and future market conditions
- Test whether the Facility is in compliance with any Franchisor policies related to pricing, including but not limited to rate parity across distribution channels, "disaster pricing", corporate and affiliation discounts, last room availability.
- Communicate recommendations and status of changes to the Facility staff designees

Responsibility for prices and availability

- **In the event of a lack of consensus between the Revenue Management Service Specialist and the Facility staff or designees, the Facility staff always has the right to make the final determination on actions to be taken.**

III. Rate Shop Report.

As part of subscribing to the Service, you must sign up to a rate shop program that we designate, at an additional cost to you (currently \$60 per month). We will determine in our sole discretion the number of hotels, booking sources and arrival dates to include in the shop reports, and the frequency of delivery of reports to you. Reports exceeding the parameters we establish may be available for an additional charge.

IV. Facility Site Visits.

A property visit may be something to consider based on the market and competition. Facilities subscribing to Premium or Standard Revenue Management Service may request a property visit from the Revenue Management Service Specialist once per year, with the travel and board expenses for the trip being covered by you.

V. Modification of Services.

We reserve the right to modify, replace or add new Services to those described in this Exhibit. If we replace or eliminate any Services, we will provide you with reasonable notice of such modification, which will not materially degrade the level of Services you receive from us.

Any such Equipment you desire to purchase, lease or otherwise procure from such Other Third Parties shall be detailed in the Connectivity Agreement. We are not and shall not be a party to that Connectivity Agreement and shall not be liable in any manner to either you or such Other Third Party for your or the Other Third Party's compliance with, or breaches of, such Connectivity Agreement. You shall pay all fees for any products or services to be provided by such Other Third Party as specified in your associated Connectivity Agreement, or other agreement between you and such Other Third Party.

4.1.1 Any additional products or services provided to you by a Service Provider in furtherance of or in relation to your Equipment or network services shall be set forth in a separate agreement. Any Discounted Products or Services shall be governed exclusively by any agreement entered into between you and the third-party provider.

4.2 Support Services Provided by Us. We will provide you with certain support services, as described below.

4.2.1 **Level 1 Telephone Support.** We will make all reasonable efforts to provide 24-hour x 7-day Level 1 telephone support services to you and persons accessing the guest Internet service at your facility. These support services will be provided for your Permitted Users, including your employees and guests. These support services are intended to be used specifically to ensure access to the Public Access Network. Our support desk will address issues pertaining to network activation, hardware and software configuration, and "general" questions pertaining to logging into the Network. These questions typically pertain to basic functionality and connectivity for various PC/Laptop/PDA wireless devices and their respective operating systems, NIC/Drivers, IP/Network, and standard firewall or other configuration settings. Support will not include security-related configuration or setting queries, which would be referred to your Internet Service Provider via a warm "hand off" under Level 2 support as described in §4.2.2.

4.2.2 **Level 2 Telephone Support.** We will make all reasonable efforts to provide Level 2 telephone support services to you (you must provide us with a service provider with sufficient resources with whom to work). The Level 2 support desk will address issues pertaining to broadband access (e.g, third party T1, Cable and DSL providers), network integrity and device responsiveness via remote management tools. This support will rely on detailed documentation you provide to us for accessing network devices. Level 2 support will coordinate with your appointed contact for physical inspections and power cycles of suspected

faulty on-premise equipment. Level 2 support will initiate a warm “hand off” to your third-party Internet Service Provider (as identified in your Connectivity Agreement) for suspected broadband or other potentially significant performance or other issues. Level 2 support will initiate contact with Level 3 hardware support (quoted separately or a third-party, including a service provider) concerning any suspected network equipment malfunction.

4.2.3 **WEB PORTAL SERVICE.** We will provide and host a brand-specific landing page with an End User License Agreement (“EULA”).

4.2.4 **Splash Page.** We will provide a “splash page” with various promotions and offers from the Wyndham Rewards program, its third-party providers, and/or such other content we may designate from time to time, in our sole discretion, and you hereby accept inclusion of the “splash page” as part of the support services. For purposes hereof, the “splash page” shall also be considered Software as that term is used herein.

4.2.5 **Excluded Services.** The support services hereunder are intended to provide you with front-line support concerning basic connectivity and functionality of your Equipment, to facilitate continued availability of network services you acquire from a third party for your facility. No component of the support services hereunder constitutes or is intended to serve as an Electronic Communications Service (as defined in 18 U.S.C. §2510) or a Remote Computing Service (as defined in 18 U.S.C. §2711) or to provide information security support concerning your network services. Further, any SNMP or other network monitoring activities performed hereunder will be solely related to maintaining equipment and service functionality (for example, bandwidth and network speed) and shall not include content access, monitoring, filtering or other ancillary content-related services. Should you desire any additional network or content-related services, these should be acquired from a third-party service.

5. **FEES AND PAYMENT TERMS**

5.1 **Fees; Payments.** You shall pay all fees for the support services to be provided to you by us. We will invoice you monthly at eighty-five cents (\$0.85) per room, as reflected in the Franchise Agreement for the support services (the “Fees”). All Fees and amounts due hereunder are due upon invoice receipt. We may apply any amounts received to any outstanding invoices in any order. If you do not make all payments of Fees to us when due, then, upon written notice to you, we may withhold implementation, suspend the support services (subject to Section 5.3 below) or terminate this Agreement. We may increase the ongoing Fees on an annual basis by no more than five percent (5%) above the fees paid by you during the immediately preceding twelve- (12-) month period; provided, however, that we shall notify you no less than thirty (30) days prior to any such increase taking effect.

5.2 **Overdue Charges.** If any Fees or charges are not received from you by the due date, then, at our sole discretion, (a) such Fees or charges may accrue late interest at the rate of 1.5% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid, and/or (b) we may condition future subscription renewals on payment terms shorter than those specified in Section 4.1 above.

5.3 **Suspension of Service and Acceleration.** If any Fees owing by you hereunder are thirty (30) or more days overdue, we may, without limiting our other rights and remedies, accelerate your unpaid fee obligations hereunder so that all such obligations become immediately due and payable, and suspend our support services to you until such amounts are paid in full. We shall give you at least seven (7) days’ prior notice that your account is overdue, before suspending the support services.

5.4 Taxes. Unless otherwise stated, our Fees do not include any taxes, levies, duties or similar governmental assessments, including but not limited to value-added, sales, use or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction (collectively, “**Taxes**”). You are responsible for paying all Taxes associated with purchases hereunder. If we have a legal obligation to pay or collect Taxes for which you are responsible, the appropriate amount shall be invoiced to and paid by you, unless you provide us with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, we are solely responsible for taxes assessable based on our income, property and employees.

6. TECHNICAL REQUIREMENTS

In order to facilitate connectivity and functionality of electronic communications services at your facility, you may be required to maintain a third-party Service Provider’s minimum technical requirements, as set forth in the agreement between you and such Service Provider. If any third-party Service Provider you engage, at your request, attempts to integrate hardware with the Equipment, we shall not be liable for any injury or damage to either the hardware or the functionality of your other contracted communications services or related services unless such injury or damage is due to our gross negligence or willful misconduct. The warranties described herein do not apply to any hardware or Products and Services not provided to you by us.

7. CONFIDENTIALITY

7.1 Each party may from time to time disclose to the other (both orally and in writing), in connection this Agreement, certain financial, technical, legal, marketing, network, and/or other business reports, records, or data (including, but not limited to, Personal Information, computer programs, code, systems, applications, analyses, passwords, procedures, output, information regarding software, Service Provider lists, customer lists, and other customer-related information, advertising and promotional plans, creative concepts, specifications, designs, and/or other material) which the disclosing Party (“**Discloser**”) deems, and the receiving Party (“**Receiver**”) should consider, proprietary and/or confidential (and of independent economic value) to the disclosing Party (collectively, “**Confidential Information**”). Our Confidential Information also shall include any proprietary and/or confidential information related to our affiliates, employees, franchisees, sales representatives, brokers, and/or customers, as well as any and all content provided by us to you with respect to any Services hereunder. Your Confidential Information also shall include your (and your subcontractors’) Software and/or pre-existing proprietary materials licensed or provided to, or accessed by, us hereunder. “**Personal Information**” means any information relating to an identified or identifiable person and that, either by itself or in combination with other information, identifies, or can be used to identify, an individual. Examples include, without limitation, names, phone numbers, addresses, credit card information, social security numbers, and/or account or financial information of Franchisor, Franchisee, or, as applicable, their respective affiliates’ employees, franchisees, sales associates, brokers, or customers.

7.2 The Receiver agrees to treat all Confidential Information provided by the Discloser pursuant to this Agreement as proprietary and confidential to the Discloser, and the Receiver shall not (without the Discloser’s prior written consent) disclose or permit disclosure of such Confidential Information to any third party, provided that the Receiver may disclose, on a need-to-know basis, such Confidential Information to its third party subcontractors who have signed non-disclosure agreements with the Receiver, and/or to its (and, in the case of Franchisor, to Franchisor’s affiliates’) current employees, officers, or directors, or legal or financial representatives. The Receiver agrees to safeguard all Confidential Information of the Discloser with at least the same degree of care (which in no event shall be less than reasonable care) as the Receiver uses to protect its own Confidential Information. The Receiver shall use the Discloser’s Confidential Information solely for the purpose of fulfilling its obligations hereunder. The Receiver further agrees not to use or disclose the Discloser’s Confidential Information for its own benefit or for the benefit of others, except as otherwise authorized by this Agreement or by the Discloser in writing.

7.3 Notwithstanding the foregoing, the Parties agree the following shall not be deemed Confidential Information hereunder: (i) Information the Receiver independently develops without any breach hereof, and can be shown by documentary evidence; (ii) Information which is or becomes in the public domain by no fault or wrongful act of the Receiver; (iii) Information known by the Receiver prior to disclosure by the Discloser; (iv) Information disclosed to the Receiver by a third Party not under a similar confidentiality obligation to the Discloser, and without breach hereof; (v) Information approved for release by written authorization of the Discloser and/or a third Party owner of the information; or (vi) Information disclosed pursuant to the lawful requirement or order of a court or governmental agency, provided that, upon the Receiver's receipt of a request for such disclosure, the Receiver gives prompt notice thereof to the Discloser (unless such notice is not legally permissible or required under the circumstances) so the Discloser may have the opportunity to intervene, contest such disclosure and/or seek a protective order or other appropriate remedy.

7.4 All Confidential Information transmitted or disclosed hereunder will be and remain the Discloser's property, and the Receiver shall (at the Discloser's election) promptly destroy or return to the Discloser any and all copies thereof upon termination or expiration hereof, or upon the Discloser's written request. Upon the Discloser's request, any such destruction shall be certified in writing by the Receiver.

7.5 Nothing herein shall be construed to limit or prohibit the Receiver from independently creating or developing, or from acquiring from third Parties, any information, products, concepts, systems, or techniques that are similar to or compete with those contemplated by or embodied in the Discloser's Confidential Information, provided that (in connection with such creation, development, or acquisition) the Receiver does not violate any of its obligations hereunder.

7.6 The Parties acknowledge and agree that monetary damages may not be calculable or a sufficient remedy for any breach of this Section 7 by the Receiver, and that the Discloser may suffer great and irreparable injury as a consequence of such breach. Accordingly, each Party agrees that, in the event of such a breach or threatened breach, the Discloser shall be entitled to seek equitable relief (including, without limit, injunction and specific performance) to remedy such breach or threatened breach. Such remedies shall not be deemed exclusive remedies for a breach by the Receiver but shall be in addition to any and all other remedies provided hereunder or available at law or equity to the Discloser.

7.7 Notwithstanding the foregoing, to the extent an individual would be considered an employee pursuant to 18 U.S.C. §1833(b)(4), such individuals shall not be held criminally or civilly liable under any U.S. Federal or State trade secret law for the disclosure of Confidential Information if such disclosure is made in confidence to a government official, either directly or indirectly, or to that individual's attorney, if such disclosure is made solely for the purpose of reporting or investigating a suspected violation of law or if the disclosure is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Moreover, an individual who files a lawsuit for retaliation claiming that retaliation against said individual for reporting a suspected violation of law may disclose Confidential Information to his or her attorney and may use it in the court proceeding, provided any document containing it is filed under seal and the individual does not disclose it except pursuant to court order.

11 OWNERSHIP OF GUEST INFORMATION.

We shall own all Guest Information in our possession or that of any service provider holding it on our behalf, and you shall own all Guest Information in your possession or that of any service provider holding it on your behalf. To the extent both Parties possess identical Guest Information, our and your respective ownership rights with regard to it shall be separate and independent from one another. Notices will be effective if made in writing and delivered, by next day delivery service with proof of delivery, by facsimile transmission immediately followed by first class mailing of the original notice, or mailed by certified or registered mail, return receipt requested, to the appropriate Party at its address herein or at such address as may be designated by notice in accordance with this Section. We are not bound by any terms of your purchase order forms or notices of acceptance which attempt to impose any conditions at variance with our terms and conditions included herein or in our invoices, standards manuals, technical specifications or elsewhere. Our failure to object to any provision contained in your printed form is not a waiver of any term hereof.

12.5 Governing Law/Venue. This Agreement will be governed by and construed in accordance with the laws of the State of New Jersey, without regard to its conflicts of law provisions. You consent to the non-exclusive personal jurisdiction of the New Jersey state courts situated in Morris County, New Jersey, and the United States District Court for the District of New Jersey. 12.7 Agreement. This Agreement supersedes all prior oral and written agreements and understandings and, together with any order forms that may accompany this Agreement, constitutes the entire Agreement between the Parties with respect to this subject matter. REMOTE SALES SERVICES AGREEMENT

This REMOTE SALES SERVICES AGREEMENT (“Agreement”) is made as of _____, 20__ (“Effective Date”) by and between Wyndham Hotel Group, LLC, with offices located at 22 Sylvan Way, Parsippany, New Jersey 07054 (“we”, “our”, or “us”) and _____ with principal offices located at _____ (“you”) regarding the _____[®] guest lodging facility located at _____ (“Facility”).

Recitals. We have developed a supplementary remote local sales consulting service as described in Exhibit A, (the “Service”) in addition to the primary services we provide to franchisees or members under their franchise or membership agreements. By signing below, you acknowledge your participation in the Services at the rates set forth and in accordance with the terms of this Agreement.

NOW THEREFORE, in consideration of the terms and conditions contained herein, the receipt and sufficiency of which are hereby acknowledged, you and we agree as follows:

- 1. Provision of Services.** In addition to the description in Exhibit A, we will provide the Service in accordance with any Remote Sales Service Policies (“RSS Policies”), as they may be set forth in System Standards and updated from time to time. Within ten (10) days after the Effective Date, your primary representative (described below) and our representative shall meet and confer to determine the terms under which we shall provide the Service (the “Initial Meeting”). You will establish the reference room rate for the Facility upon which all other rates are based (“Rate of the Day”). In addition, you will establish the parameters under which we are authorized to offer rooms or services at the Facility to third parties in connection with potential stays (including, but not limited to the discount off Rate of the Day, group size limits, amenities, packages or other incentives). You retain ultimate and sole control over all decisions to accept, or not to accept, all sales at the Facility. The Service shall begin the day on which you provide us, in writing, with all information that we reasonably request during the Initial Meeting and the authorizations for Service described in Exhibit A (the “Commencement Date”).

Subject to the foregoing, by entering into this Agreement, you explicitly (i) agree to abide by the RSS Policies, (ii) authorize us to access, as necessary, your room rates, inventory and other Facility information in our Reservation System, your Facility’s property management system, your Facility’s food and beverage system (if applicable), any extranets that the Facility maintains with OTAs, and all third party sales response and tracking systems (e.g. Lanyon, HotelPlanner), (iii) authorize us to offer for sale to third parties room and other services at the Facility within certain parameters pre-authorized by you, and (iv) authorize us to accept non-contract reservations from third parties for rooms and other services at the Facility within certain parameters pre-authorized by you without advance notice to you. **We will not, however, enter into any contract on your behalf and you will be solely responsible for (i) contracting with any third parties that wish to stay at the Facility, and (ii) any sales at the Facility that fall outside of the parameters pre-authorized by you.** In addition, during the term of this Agreement, you agree to insert the following acknowledgment into all contracts you enter into with third parties with respect to sales at the Facility:

“The parties to this Agreement agree and acknowledge that neither Wyndham Hotels & Resorts, Inc., Wyndham Hotel Group, LLC nor any of their affiliates or subsidiaries is a party to this Agreement and shall have no liability for any events or occurrences arising, or failing to arise, out of this Agreement.”

You acknowledge that we are not responsible for any third-party guests at the Facility (regardless of whether they were referred to the Facility by us or their reservations were accepted by us in connection with the Service) and that the indemnification obligations described in your Franchise or Membership Agreement apply at all times during the course of this Agreement.

- 2. Facility Representative.** You shall designate, at the end of this Agreement, a primary Facility representative who shall have the authority to make binding decisions to accept reservations for the Facility and a secondary representative who shall exercise such authority in the absence of the primary representative. We may communicate with these representatives by telephone, e-mail or in another manner, and may rely on any communication which we believe, in good faith, is from them. You may change your designation at any time by notifying us in accordance with Section 11(E) below. Upon our request, the Facility representative shall provide feedback concerning the performance, operation and general acceptability of the Service, as well as recommendations for improvement.
- 3. Fee.** You shall pay to us the Fees set forth in Exhibit A, which shall be paid within fifteen (15) days of the receipt of each invoice. We may increase the Fees by providing you at least thirty (30) days prior written notice, provided that you may terminate this Agreement upon fifteen (15) days prior written notice if the increase in Fees over a one-year period is a total of more than ten percent (10%) of the Fees in effect at the beginning of the period.
- 4. Term.** The “Term” of this Agreement shall begin on the Commencement Date and shall continue for one year whereupon it shall be automatically renewed for successive Terms of one year each until (i) expiration or termination of the Franchise or Membership Agreement when this Agreement will automatically terminate, or (ii) either party terminates this Agreement in accordance with Section 5 below.
- 5. Suspension or Termination.** If either party breaches this Agreement (including but not limited to failing to abide by the RSS Policies) and fails to correct such breach within thirty (30) days (or ten (10) days in the event of any failure to pay amounts owed under this Agreement when due) of being notified thereof in writing, the non-breaching party may terminate or suspend performance under this Agreement, effective upon written notice to the breaching party. For the avoidance of doubt, failure to provide us such prior written notice within the foregoing timeframe shall render any notice null and void and the Agreement shall remain unchanged and in full force and effect. In addition, at any time after ninety (90) days after the Commencement Date, you may terminate this Agreement without cause by providing at least thirty (30) days’ prior written notice of termination to us. We may terminate this Agreement without cause by providing at least sixty (60) days’ prior written notice of termination to you.
- 6. Dispute Resolution.** Any disputes occurring under this Agreement shall be resolved in accordance with the dispute resolution procedures under the Franchise or Membership Agreement, including but not limited to, the provisions concerning waiver of jury trial, consent to venue and personal jurisdiction, and choice of law.
- 7. Confidentiality.** Any know-how, algorithms, formulae, data, recommendations, documentation, software, or other materials or information that we furnish to you in connection with the Services shall be deemed “Confidential Information” as defined in the Franchise or Membership Agreement and shall be subject to all prohibitions on disclosure, copying or use of the Confidential Information under the Franchise or Membership Agreement. We shall have all rights under the Franchise or Membership Agreement if you breach these confidentiality obligations.

- 8. No Warranty.** WE MAKE NO REPRESENTATION OR WARRANTY REGARDING THE VOLUME OF RESERVATIONS OR AMOUNT OF REVENUES THAT THE FACILITY WILL ATTAIN AS A RESULT OF THE SERVICE OR THAT YOUR RESERVATIONS OR REVENUE WILL INCREASE. WE MAKE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING THE SERVICE. YOU, ON BEHALF OF YOURSELF, YOUR SUCCESSORS AND ASSIGNS, HEREBY WAIVE, RELEASE AND RENOUNCE ALL CLAIMS OR CAUSES OF ACTION THAT YOU MAY HAVE AGAINST US, OUR AFFILIATES, OR OUR OR THEIR OFFICERS, DIRECTORS OR AGENTS, ARISING OUT OF THE SERVICES, UNLESS DUE TO OUR WILFULL MISCONDUCT.
- 9. Limitation on Liability.** NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR INDIRECT DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS OR LOST REVENUE (COLLECTIVELY REFERRED TO AS “INDIRECT DAMAGES”) ARISING FROM, RELATING TO, OR IN CONNECTION WITH THIS AGREEMENT (INCLUDING ALL EXHIBITS), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF OR COULD HAVE FORESEEN SUCH DAMAGES. IN ADDITION, EACH PARTY’S DIRECT DAMAGES (AND ANY INDIRECT DAMAGES TO THE EXTENT THAT A COURT OF COMPETENT JURISDICTION OR OTHER AUTHORITY DOES NOT RECOGNIZE OR ENFORCE THE WAIVER FROM LIABILITY SET FORTH IN THE FIRST SENTENCE OF THIS SECTION) SHALL BE LIMITED TO THE TOTAL FEES PAID BY YOU TO US DURING THE THEN CURRENT TERM OF THE AGREEMENT. THE ABOVE LIMITATIONS ON LIABILITY APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, OR OTHERWISE. NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY FOR THE CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR INDIRECT DAMAGES THAT MAY BE THE RESULT OF ADMINISTRATIVE ERRORS PROVIDED THAT NO MALICE OR NEGLIGENCE WAS INTENDED.
- 10. Force Majeure.** In no event shall either party be liable for any failure or delay in performance (except for the obligation to remit fees) due to causes or circumstances beyond its reasonable control and without its fault or negligence (including, but not limited to, Acts of God, acts of the public enemy, war or terrorism, acts of the United States of America, or any state, territory or political division of the United States of America, or of the District of Columbia, fires, floods, or other natural disaster, strikes or any other labor disputes, communication line failures, and/or freight embargoes). The party claiming such a failure or delay must promptly notify the other party of such failure or delay. In the event that any such failure or delay continues for more than thirty (30) days, then either party upon notice to the other may terminate this Agreement without any further liability to the other party.

11. Miscellaneous

- A. Entire Agreement.** The parties agree that this Agreement contains the entire agreement between the parties relating to the Services, superseding and terminating any prior representation, warranty or agreement, whether oral or in writing. No modification or amendment of this Agreement shall be binding upon either party unless the same has been made in writing and executed by both parties. Notwithstanding the foregoing, no provision in this or any related agreement is intended to disclaim the express representations made in the Franchise Disclosure Document.

- B. No Third-Party Beneficiary.** Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies under this Agreement upon any person or legal entity other than you.
- C. Successors and Assigns.** You agree that we may assign this Agreement or any of our rights and obligations hereunder without your consent. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of the parties. Notwithstanding the above, you may not assign this Agreement or any of your rights or obligations hereunder without our express written consent.
- D. Counterpart Execution.** This Agreement may be executed in counterparts and each copy so executed shall be deemed an original. Any copy delivered by facsimile transmission or bearing an electronic signature shall be granted the same legal effect as a copy having an original signature.
- E. Notices.** All notices shall be delivered in the manner set forth in the Franchise or Membership Agreement. Such notices shall be deemed given on the date delivered or date of attempted delivery if refused.
- F. Waivers.** If we allow you to deviate from any term of this Agreement, we may insist on strict compliance of any other term or of the same term at a later time. All waivers under this Agreement must be in writing and signed by our authorized representative to be effective.

IN WITNESSS WHEREOF, the parties hereto have duly executed, sealed and delivered this Agreement in duplicate on the day and year first above written.

decrease to the fair value of our outstanding forward foreign currency exchange contracts, which would generally be offset by an opposite effect on the underlying exposure being economically hedged.

Argentina is considered to be a highly inflationary economy. As of December 31, 2022, we had total net assets of \$2 million in Argentina.

Our total market risk is influenced by a wide variety of factors including the volatility present within the markets and the liquidity of the markets. There are certain limitations inherent in the sensitivity analyses presented. While probably the most meaningful analysis, these “shock tests” are constrained by several factors, including the necessity to conduct the analysis based on a single point in time and the inability to include the complex market reactions that normally would arise from the market shifts modeled.

Item 8. Financial Statements and Supplementary Data.

The financial statements required to be filed pursuant to this Item 8 are appended to this Annual Report on Form 10-K. A list of the financial statements filed herewith is found in Part IV, Item 15 commencing on page F-1 hereof.

Item 9. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure.

Not applicable.

Item 9A. Controls and Procedures.

Disclosure Controls and Procedures. Our management, with the participation of our principal executive and principal financial officers, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) as of the end of the period covered by this report. Based on such evaluation, our principal executive and principal financial officers have concluded that, as of the end of such period, our disclosure controls and procedures were effective and operating to provide reasonable assurance that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and to provide reasonable assurance that such information is accumulated and communicated to our management, including our principal executive and principal financial officers, as appropriate, to allow timely decisions regarding required disclosure.

Management’s Report on Internal Control Over Financial Reporting. Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as defined in Rule 13a-15(f) under the Exchange Act. Our management assessed the effectiveness of our internal control over financial reporting as of December 31, 2022. In making this assessment, management used the criteria established in *Internal Control - Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”). Based on this assessment, our management believes that, as of December 31, 2022, our internal control over financial reporting is effective. Our independent registered public accounting firm has issued an attestation report on the effectiveness of our internal control over financial reporting, which is included within their audit opinion on page F-2.

There have been no changes in our internal control over financial reporting (as such term is defined in Rule 13a-15(f) under the Exchange Act) during the most recent fiscal quarter to which this report relates that have materially affected or are reasonably likely to materially affect our internal control over financial reporting.

Item 9B. Other Information.

None.

Item 9C. Disclosure Regarding Foreign Jurisdictions that Prevent Inspections.

We have audited the accompanying consolidated balance sheets of Wyndham Hotels & Resorts, Inc. and subsidiaries (the “Company”) as of December 31, 2022 and 2021, the related consolidated statements of income (loss), comprehensive income (loss), equity, and cash flows, for each of the three years in the period ended December 31, 2022, and the related notes (collectively referred to as the “financial statements”). We also have audited the Company’s internal control over financial reporting as of December 31, 2022, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2022, in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2022, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by COSO.

Basis for Opinions

The Company’s management is responsible for these financial statements, for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying *Management’s Report on Internal Control over Financial Reporting*. Our responsibility is to express an opinion on these financial statements and an opinion on the Company’s internal control over financial reporting based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud, and whether effective internal control over financial reporting was maintained in all material respects.

Our audits of the financial statements included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures to respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audits also included performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinions.

Definition and Limitations of Internal Control over Financial Reporting

A company’s internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current-period audit of the financial statements that was communicated or required to be communicated to the audit committee and that (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Deferred Revenues and Liability – Wyndham Rewards Loyalty Program – Refer to Notes 2 and 3 to the financial statements

Critical Audit Matter Description

The Company operates the Wyndham Rewards loyalty program under which members earn points that can be redeemed for free nights or other rewards. Wyndham Rewards members primarily accumulate points by staying at a participating hotel, club resort, or vacation rental or by making purchases with their Wyndham Rewards co-branded credit card. Revenues related to the issuance of loyalty points are recognized net of redemptions over time based upon loyalty point redemption patterns, including an estimate of loyalty points that will expire or will never be redeemed. In addition, the Company records a liability for estimated future redemption costs of outstanding loyalty points.

The Company estimates the value of the deferred revenues and related liability (collectively referred to as the “liability”) related to the loyalty program based on (i) an estimated cost per point and (ii) an estimated redemption rate of the overall points earned, which is determined with the assistance of a third-party actuarial firm through historical experience, current trends and the use of an actuarial analysis, and includes an estimate of the points that will expire or will never be redeemed. Changes in the estimated cost per point and/or the estimated redemption rate used in the determination of the liability could result in a material change to the amount of liability reported.

We identified the estimated cost per point and the estimated redemption rate used in the determination of the liability as a critical audit matter because of the significant judgments made by management to estimate the cost per point and the redemption rate. This required a high degree of auditor judgment and an increased extent of effort, including the involvement of our actuarial specialists, when performing audit procedures to evaluate the reasonableness of management’s estimates and assumptions related to the selection of the estimated cost per point and the estimated redemption rate.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the estimated cost per point and estimated redemption rate used in the determination of the liability included the following, among others:

- We tested the effectiveness of the controls related to the liability, including those over the estimate of the cost per point and the estimate of the redemption rate.
- We evaluated the assumptions used by management to estimate the cost per point by:
 - Testing the underlying data that served as the inputs for the historical cost per point, including historical redemptions.
 - Discussing with management the assumptions used in the Company’s estimated future cost per point and evaluating the reasonableness by comparing the projections to (1) forecasted information included in industry reports, and (2) trends in Wyndham Rewards member behavior.
 - Comparing management’s prior-year estimated cost per point to actual redemptions during the current year to identify potential bias in the determination of the liability.
 - Evaluating whether the assumptions used by management to estimate the cost per point were consistent with evidence obtained in other areas of the audit.
- We evaluated the assumptions used by management to estimate the redemption rate by:
 - Testing the underlying data that served as the inputs for the actuarial analysis of the estimated redemption rate, including earnings and redemptions.
 - Evaluating whether any approved changes to the Wyndham Rewards loyalty program have been appropriately considered in the actuarial analysis of the estimated redemption rate.
 - Comparing management’s prior-year estimated redemption rate to actual redemptions during the current year to identify potential bias in the determination of the liability.
- With the assistance of our actuarial specialists, we developed a range of independent estimates of the liability, utilizing the same underlying data tested above, and compared our estimates to management’s estimates.

WYNDHAM HOTELS & RESORTS, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unless otherwise noted, all amounts are in millions, except share and per share amounts)

1. BASIS OF PRESENTATION

Wyndham Hotels & Resorts, Inc. (collectively with its consolidated subsidiaries, “Wyndham Hotels” or the “Company”) is a leading global hotel franchisor, licensing its renowned hotel brands to hotel owners in over 95 countries around the world.

The Consolidated Financial Statements have been prepared on a stand-alone basis. The Consolidated Financial Statements include the Company’s assets, liabilities, revenues, expenses and cash flows and all entities in which it has a controlling financial interest. The accompanying Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). All intercompany balances and transactions have been eliminated in the Consolidated Financial Statements.

In presenting the Consolidated Financial Statements, management makes estimates and assumptions that affect the amounts reported and related disclosures. Estimates, by their nature, are based on judgment and available information. Accordingly, actual results could differ from those estimates. In management’s opinion, the Consolidated Financial Statements contain all normal recurring adjustments necessary for a fair presentation of annual results reported.

Business Description

The Company operates in the following segments:

- **Hotel Franchising** — licenses the Company’s lodging brands and provides related services to third-party hotel owners and others.
- **Hotel Management** — provides hotel management services for full-service hotels.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

When evaluating an entity for consolidation, the Company first determines whether an entity is within the scope of the guidance for consolidation of variable interest entities (“VIEs”) and if it is deemed to be a VIE. If the entity is considered to be a VIE, the Company determines whether it would be considered the entity’s primary beneficiary. The Company consolidates those VIEs for which it has determined that it is the primary beneficiary. The Company will consolidate an entity not deemed a VIE upon a determination that it has a controlling financial interest. For entities where the Company does not have a controlling financial interest, the investments in such entities are classified as available-for-sale securities or accounted for using the equity or cost method, as appropriate.

Use of Estimates and Assumptions

The preparation of the Consolidated Financial Statements requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosure of contingent assets and liabilities in the Consolidated Financial Statements and accompanying notes. Although these estimates and assumptions are based on Company’s knowledge of current events and actions it may undertake in the future, actual results may ultimately differ from estimates and assumptions.

Revenue Recognition

The principal source of revenues from franchising hotels is ongoing royalty, marketing and reservation fees, which are typically a percentage of gross room revenues of each franchised hotel. For a more detailed description of revenue recognition see Note 3 - Revenue Recognition.

Loyalty Program

The Company operates the Wyndham Rewards loyalty program. Loyalty members primarily accumulate points by staying in hotels operated under one of the Company’s brands. Wyndham Rewards members may also accumulate points by purchasing everyday services and products with their Wyndham Rewards co-branded credit card.

The Company earns revenue from these programs (i) when a member stays at a participating hotel or club resort or vacation rental from a fee charged by the Company to the property owner or manager, which is based upon a percentage of room revenues generated from such stay which the Company recognizes, net of redemptions, over time based upon loyalty point redemption patterns, including an estimate of loyalty points that will expire or will never be redeemed, and (ii) based upon a percentage of the member's spending on the Wyndham Rewards co-branded credit cards for which revenues are paid to the Company by a third-party issuing bank which the Company primarily recognizes over time based upon the redemption patterns of the loyalty points earned under the program, including an estimate of loyalty points that will expire or will never be redeemed.

As members earn points through the loyalty program, the Company records a liability for the estimated future redemption costs, which is calculated based on (i) an estimated cost per point and (ii) an estimated redemption rate of the overall points earned, which is determined with the assistance of a third-party actuarial firm through historical experience, current trends and the use of an actuarial analysis. The Company estimates the value of the future redemption obligations by projecting the timing of future point redemptions based on historical levels, including an estimate of the points that will expire or never be redeemed, and an estimate of the points members will eventually redeem. The recorded liability related to the program totals \$118 million and \$109 million as of December 31, 2022 and 2021, respectively, of which \$74 million and \$67 million, respectively, are included in accrued expenses and other current liabilities, and \$44 million and \$42 million, respectively, are included in other non-current liabilities on the Company's Consolidated Balance Sheets.

Cash and Cash Equivalents

The Company considers highly-liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Valuation of Accounts Receivable

The Company measures the expected credit losses of its receivables on a collective (pool) basis which aggregates receivables with similar risk characteristics and uses historical collection attrition rates for periods ranging from seven to ten years to estimate its expected credit losses. For a more detailed description of the valuation of accounts receivable see Note 5 - Accounts Receivable.

Advertising Expense

Advertising costs are expensed in the period incurred. Advertising expenses, which are primarily recorded within marketing and reservation expenses on the Consolidated Statements of Income/(Loss), were \$124 million, \$85 million and \$57 million in 2022, 2021 and 2020, respectively.

Property and Equipment

Property and equipment (including leasehold improvements) are recorded at cost, and presented net of accumulated depreciation and amortization. Depreciation, recorded as a component of depreciation and amortization on the Consolidated Statements of Income/(Loss), is calculated utilizing the straight-line method over the lesser of the lease terms or estimated useful lives of the related assets. Amortization of leasehold improvements, also recorded as a component of depreciation and amortization, is calculated utilizing the straight-line method over the lesser of the estimated benefit period of the related assets or the lease terms. Useful lives are generally up to 20 years for leasehold improvements and from three to seven years for furniture, fixtures and equipment.

The Company capitalizes the costs of software developed for internal use in accordance with the guidance for accounting for costs of computer software developed or obtained for internal use. Capitalization of software developed for internal use commences during the development phase of the project. The Company amortizes software developed or obtained for internal use on a straight-line basis over its estimated useful life, which is generally three to five years. Such amortization commences when the software is substantially ready for its intended use.

The net carrying value of software developed or obtained for internal use was \$56 million and \$52 million as of December 31, 2022 and 2021, respectively.

Impairment of Long-Lived Assets

Goodwill is reviewed annually (during the fourth quarter of each year subsequent to completing the Company's annual forecasting process), or more frequently if circumstances indicate that the value of goodwill may be impaired, to the reporting units' carrying values as required by the guidance. This is done either by performing a qualitative assessment or utilizing the

one-step impairment test, with an impairment being recognized only where the fair value is less than carrying value. In any given year, the Company can elect to perform a qualitative assessment to determine whether it is more likely than not that the fair value of a reporting unit is in excess of its carrying value. If it is not more likely than not that the fair value is in excess of the carrying value, or the Company elects to bypass the qualitative assessment, the Company would use the one-step impairment test. The qualitative factors evaluated include macroeconomic conditions, industry and market considerations, cost factors, overall financial performance, its historical share price as well as other industry-specific considerations. The Company performed its annual quantitative assessment for impairment on each reporting unit's goodwill as of October 1, 2022 and determined that no impairments existed and that it was more likely than not that the fair value of its reporting units continued to substantially exceed their carrying values.

The Company also determines whether the carrying values of other indefinite-lived intangible assets are impaired on an annual basis or more frequently if indicators of potential impairment exist. Application of the other indefinite-lived intangible assets impairment test requires judgment in the assumptions underlying the approach used to determine fair value. The fair value of each other indefinite-lived intangible asset is estimated using a discounted cash flow methodology. This analysis requires significant judgments, including estimation of future cash flows, which are dependent on internal forecasts, discount rates and to a lesser extent, estimation of long-term rates of growth. The estimates used to calculate the fair value of other indefinite-lived intangible assets change from year to year based on operating results and market conditions. Changes in these estimates and assumptions could materially affect the determination of fair value and the other indefinite-lived intangible assets' impairment. The Company performed its annual quantitative assessment for impairment on its indefinite-lived intangible assets as of October 1, 2022 and determined that no impairments existed and that it was more likely than not that the fair value of its indefinite-lived intangible assets continued to exceed their carrying values.

The Company also evaluates the recoverability of each of its definite-lived intangible assets by performing a qualitative assessment to determine if circumstances indicate that impairment may have occurred. If such circumstances exist, the Company performs a quantitative assessment by comparing the respective carrying value of the assets to the expected future cash flows, on an undiscounted basis, to be generated from such assets.

The Company also evaluates the recoverability of its other long-lived assets, including property and equipment, if circumstances indicate impairment may have occurred, pursuant to guidance for impairment or disposal of long-lived assets. This analysis is performed by comparing the respective carrying values of the assets to the current and expected future cash flows, on an undiscounted basis, to be generated from such assets. If such analysis indicates that the carrying value of these assets is not recoverable, the carrying value of such assets is reduced to fair value.

Business Combinations

The Company accounts for business combinations in accordance with the guidance for business combinations and related literature. Accordingly, the Company allocates the purchase price of acquired companies to the tangible and intangible assets acquired and liabilities assumed based upon their estimated fair values at the date of purchase. The difference between the purchase price and the fair value of the net assets acquired is recorded as goodwill.

In determining the fair values of assets acquired and liabilities assumed in a business combination, the Company uses various recognized valuation methods including present value modeling and referenced market values, where available. Further, the Company makes assumptions within certain valuation techniques including discount rates and timing of future cash flows. Valuations are performed by management or external valuation specialists under management's supervision, where appropriate. The Company believes that the estimated fair values assigned to the assets acquired and liabilities assumed are based on reasonable assumptions that marketplace participants would use. However, such assumptions are inherently uncertain and actual results could differ from those estimates.

Income Taxes

The Company recognizes deferred tax assets and liabilities based on the differences between the financial statement carrying amounts and the tax basis of assets and liabilities using currently enacted tax rates. The Company regularly reviews its deferred tax assets to assess their potential realization and establishes a valuation allowance for portions of such assets that the Company believes will not be ultimately realized. In performing this review, the Company makes estimates and assumptions regarding projected future taxable income, the expected timing of the reversals of existing temporary differences and the implementation of tax planning strategies. A change in these assumptions may increase or decrease the Company's valuation allowance resulting in an increase or decrease in its effective tax rate, which could materially impact the Company's results of operations.

For tax positions the Company has taken or expects to take in a tax return, it applies a more likely than not threshold, under which the Company must conclude a tax position is more likely than not to be sustained, based on the technical merits, assuming that the position will be examined by the appropriate taxing authority that has full knowledge of all relevant information, in order to recognize or continue to recognize the benefit. In determining the Company's provision for income taxes, the Company uses judgment, reflecting its estimates and assumptions, in applying the more likely than not threshold.

The Company accounts for the global intangible low-taxed income provisions under the period cost method.

Stock-Based Compensation

In accordance with the guidance for stock-based compensation, the Company measures all employee stock-based compensation awards using a fair value method and records the related expense in its Consolidated Statements of Income/(Loss).

The Company recognizes the cost of stock-based compensation awards to employees as they provide services and the expense is recognized ratably over the requisite service period. The requisite service period is the period during which an employee is required to provide services in exchange for an award. Forfeitures are recorded upon the actual employee termination for each outstanding grant.

Derivative Instruments

The Company uses derivative instruments as part of its overall strategy to manage its exposure to market risks primarily associated with fluctuations in interest rates and currency exchange rates. As a matter of policy, the Company does not use derivatives for trading or speculative purposes. All derivatives are recorded at fair value as either assets or liabilities. Changes in fair value of derivatives not designated as hedging instruments and of derivatives designated as fair value hedging instruments are recognized currently in operating income/(loss) and interest expense, net in the Consolidated Statements of Income/(Loss), based upon the nature of the hedged item. The effective portion of changes in fair value of derivatives designated as cash flow hedging instruments is recorded as a component of other comprehensive income/(loss). The ineffective portion is reported immediately in earnings as a component of operating or interest expense, based upon the nature of the hedged item. Amounts included in other comprehensive income/(loss) are reclassified into earnings in the same period during which the hedged item affects earnings.

Accumulated Other Comprehensive Income/(Loss)

Accumulated other comprehensive income ("AOCI") (loss) consists of accumulated foreign currency translation adjustments and unrealized gains or losses on the Company's cash flow hedges. Foreign currency translation adjustments exclude income taxes related to indefinite investments in foreign subsidiaries. Assets and liabilities of foreign subsidiaries having non-U.S.-dollar functional currencies are translated at exchange rates at the balance sheet dates. Revenues and expenses are translated at average exchange rates during the periods presented. The gains or losses resulting from translating foreign currency financial statements into U.S. dollars, net of hedging gains or losses and taxes, are included in AOCI on the Consolidated Balance Sheets.

Recently Adopted Accounting Pronouncements

Simplifying the Accounting for Income Taxes. On December 18, 2019, the FASB issued guidance which simplifies the accounting standards for income taxes. The amendment clarifies and simplifies aspects of the accounting for income taxes to help promote consistent application of GAAP by eliminating certain exceptions to the general principles of ASC 740, *Income Taxes*. This guidance is effective for fiscal years beginning after December 15, 2020 and interim periods within those fiscal years, with early adoption permitted. The Company adopted the guidance on January 1, 2021, as required. There was no material impact on the Company's Consolidated Financial Statements and related disclosures as a result of adopting this new standard.

Reference Rate Reform: Facilitation of the Effects of Reference Rate Reform on Financial Reporting. In March 2020, the FASB issued optional guidance for a limited time to ease the potential burden in accounting for reference rate reform. The new guidance provides optional expedients and exceptions for applying U.S. GAAP to contracts, hedging relationships and other transactions affected by reference rate reform if certain criteria are met. The amendments apply only to contracts and hedging relationships that reference LIBOR or another reference rate expected to be discontinued due to reference rate reform. These amendments are effective immediately and may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2022. The Company adopted the guidance upon issuance, as required and there was no material impact on its Consolidated Financial Statements and related disclosures.

Measurement of Credit Losses on Financial Instruments. In June 2016, the FASB issued guidance to replace the existing methodology for estimating credit losses with a methodology that reflects lifetime expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. This guidance is effective for fiscal years beginning after December 15, 2019 and interim periods within those fiscal years. The Company adopted the guidance on January 1, 2020, as required using the modified retrospective approach through a cumulative-effect adjustment to retained earnings as of the effective date to align the Company's current processes for establishing an allowance for credit losses with the new guidance. See Note 5 - Accounts Receivable for the impact of adoption.

Simplifying the Test for Goodwill Impairment. In January 2017, the FASB issued guidance which simplifies the current two-step goodwill impairment test by eliminating Step 2 of the test. The guidance requires a one-step impairment test in which an entity compares the fair value of a reporting unit with its carrying amount and recognizes an impairment charge for the amount by which the carrying amount exceeds the reporting unit's fair value, if any. This guidance is effective for fiscal years beginning after December 15, 2019 and interim periods within those fiscal years, and should be applied on a prospective basis. The Company adopted the guidance on January 1, 2020, as required and there was no material impact on its Consolidated Financial Statements and related disclosures.

Customer's Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That Is a Service Contract. In August 2018, the FASB issued guidance to address a customer's accounting for implementation costs incurred in a cloud computing arrangement that is a service contract. The guidance aligns the requirements for capitalizing implementation costs incurred in such arrangements with the requirements for capitalizing implementation costs incurred to develop or obtain internal-use software. This guidance is effective for fiscal years beginning after December 15, 2019 and for interim periods within those fiscal years. This guidance should be applied on either a retrospective or prospective basis. The Company adopted the guidance on January 1, 2020, as required on a prospective basis and there was no material impact on its Consolidated Financial Statements and related disclosures.

3. REVENUE RECOGNITION

The principal source of revenues from franchising hotels is ongoing royalty fees, which are typically a percentage of gross room revenues of each franchised hotel. The Company recognizes royalty fee revenues as and when the underlying sales occur. The Company also receives non-refundable initial franchise fees, which are recognized as revenues over the initial non-cancellable period of the franchise agreement, commencing when all material services or conditions have been substantially performed. This occurs when a hotel opens for business in the Company's system or when a franchise agreement is terminated after it has been determined that the hotel will not open. The Company's standard franchise agreement typically has a term of 10 to 20 years.

The Company's franchise agreements also require the payment of marketing and reservation fees, which are intended to reimburse the Company for expenses associated with operating an international, centralized reservation system, e-commerce channels such as the Company's brand.com websites, as well as access to third-party distribution channels, such as online travel agents, advertising and marketing programs, global sales efforts, operations support, training and other related services. Marketing and reservation fees are recognized as revenue when the underlying sales occur. Although the Company is generally contractually obligated to spend the marketing and reservation fees it collects from franchisees, in accordance with the franchise agreements, marketing and reservations costs are expensed as incurred.

The Company earns revenues from its Wyndham Rewards loyalty program when a member stays at a participating hotel, club resort or vacation rental. These revenues are derived from a fee the Company charges a franchised or managed hotel based upon a percentage of room revenues generated from a Wyndham Rewards member's stay. These fees are to reimburse the Company for expenses associated with member redemptions and activities that are related to the administering and marketing of the program. Revenues related to the loyalty program represent variable consideration and are recognized net of redemptions over time based upon loyalty point redemption patterns, which include an estimate of loyalty points that will expire or will never be redeemed.

As a result of the negative impact that COVID-19 had on travel demand in 2020, the Company's assumptions related to redemptions, including estimated member redemption rate, member redemption pattern, and the estimated cost to satisfy such redemptions, changed. Accordingly, the Company recognized a \$16 million cumulative adjustment, which resulted in an increase to loyalty revenues during the second quarter of 2020. Such increase was included within marketing, reservation and loyalty and other revenues on the Consolidated Statement of Income/(Loss) for the year ended December 31, 2020.

The Company earns revenue from its Wyndham Rewards co-branded credit card program, which is primarily generated by cardholder spending and the enrollment of new cardholders. The advance payments received under the program are recognized as a contract liability. The program primarily contains two performance obligations: (i) brand performance

services, for which revenue is recognized over the contract term on a straight-line basis, and (ii) issuance and redemption of loyalty points, for which revenue is recognized over time based upon the redemption patterns of the loyalty points earned under the program, including an estimate of loyalty points that will expire or will never be redeemed.

The Company provides management services for hotels under management contracts, which offer hotel owners all the benefits of a global brand and a full range of management, marketing and reservation services. In addition to the standard franchise services described above, the Company’s hotel management business provides hotel owners with professional oversight and comprehensive operations support services. The Company’s standard management agreement typically has a term of 10 to 20 years. The Company’s management fees are comprised of base fees, which are typically a specified percentage of gross revenues from hotel operations, and, in some cases, incentive fees, which are typically a specified percentage of a hotel’s gross operating profit. The base fees are recognized when the underlying sales occur and the management services are performed. Incentive fees are recognized when determinable, which is when the Company has met hotel operating performance metrics and the Company has determined that a significant reversal of revenues recognized will not occur.

The Company also recognizes reimbursable payroll costs for operational employees and other reimbursable costs at certain of the Company’s managed hotels as revenue. Although these costs are funded by hotel owners, accounting guidance requires the Company to report these fees on a gross basis as both revenues and expenses. Additionally, the Company recognizes occupancy taxes on a net basis.

The Company recognizes license and other revenues from Wyndham Worldwide (“former Parent”), now known as Travel + Leisure Co., for use of the “Wyndham” trademark and certain other trademarks.

In addition, the Company earned revenues from its previously two owned hotels (sold in 2022), which consisted primarily of (i) gross room rentals, (ii) food and beverage services and (iii) on-site spa, casino, golf and shop revenues. These revenues were recognized upon the completion of services.

Deferred Revenues

Deferred revenues, or contract liabilities, generally represent payments or consideration received in advance for goods or services that the Company has not yet provided to the customer. Deferred revenues as of December 31, 2022 and December 31, 2021 are as follows:

	December 31, 2022	December 31, 2021
Deferred initial franchise fee revenues	\$ 143	\$ 145
Deferred loyalty program revenues	85	76
Deferred other revenues	19	14
Total	\$ 247	\$ 235

Deferred initial franchise fees represent payments received in advance from prospective franchisees upon the signing of a franchise agreement and are generally recognized to revenue within 13 years. Deferred loyalty revenues represent the portion of loyalty program fees charged to franchisees, net of redemption costs, that have been deferred and will be recognized over time based upon loyalty point redemption patterns.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to a customer. The consideration received from a customer is allocated to each distinct performance obligation and recognized as revenue when, or as, each performance obligation is satisfied. The following table summarizes the Company’s remaining performance obligations for the years set forth below:

	2023	2024	2025	Thereafter	Total
Initial franchise fee revenues	\$ 15	\$ 8	\$ 7	\$ 113	\$ 143
Loyalty program revenues	54	21	8	2	85

Capitalized Contract Costs

The Company incurs certain direct and incremental sales commissions costs in order to obtain hotel franchise and management contracts. Such costs are capitalized and subsequently amortized beginning upon hotel opening over the first non-cancellable period of the agreement. In the event an agreement is terminated prior to the end of the first non-cancellable period, any unamortized cost is immediately expensed. In addition, the Company also capitalizes costs associated with the sale and installation of property management systems to its franchisees, which are amortized over the remaining non-cancellable period of the franchise agreement. As of December 31, 2022 and December 31, 2021, capitalized contract costs were \$34 million and \$33 million, respectively, of which \$4 million and \$5 million, respectively, were included in other current assets, and \$30 million and \$28 million, respectively, were included in other non-current assets on the Company's Consolidated Balance Sheets.

4. EARNINGS PER SHARE

The computation of basic and diluted earnings/(loss) per share (“EPS”) is based on net income/(loss) divided by the basic weighted average number of common shares and diluted weighted average number of common shares, respectively.

The following table sets forth the computation of basic and diluted EPS (in millions, except per-share data) for the years ended December 31:

	2022	2021	2020
Net income/(loss)	\$ 355	\$ 244	\$ (132)

(a) Due to the anti-dilutive effect resulting from the reported net loss for the year ended December 31, 2020, 0.1 million of anti-dilutive shares were omitted from the calculation of weighted average shares outstanding for the period.

Stock Repurchase Program

The following table summarizes stock repurchase activity under the current stock repurchase program (in millions, except per share data):

	Shares	Cost	Average Price Per Share

As of December 31, 2022	<u>15.2</u>	<u>\$ 964</u>	<u>\$ 63.32</u>

The Company had \$436 million of remaining availability under its program as of December 31, 2022.

5. ACCOUNTS RECEIVABLE**Allowance for Doubtful Accounts**

The Company generates trade receivables in the ordinary course of its business and provides for estimated bad debts on such receivables. The Company adopted the new accounting guidance, *ASU 2016-13, Measurement of Credit Losses on Financial Instruments* on January 1, 2020. As a result of adopting the new guidance, the Company recorded a \$10 million (net of a \$2 million income tax benefit) cumulative effect adjustment to retained earnings at January 1, 2020. Since adoption, the Company measures the expected credit losses of its receivables on a collective (pool) basis which aggregates receivables with similar risk characteristics and uses historical collection attrition rates for periods ranging from seven to ten years to estimate its expected credit losses. As such, the Company measures the expected credit losses of its receivables by segment and geographical area. Beginning January 1, 2020, the Company provides an estimate of expected credit losses for its receivables immediately upon origination or acquisition and may adjust this estimate in subsequent reporting periods as required. When the Company determines that an account is not collectible, the account is written-off to the allowance for doubtful accounts. The Company also considers whether the historical economic conditions are comparable to current economic conditions. If current or expected future conditions differ from the conditions in effect when the historical experience was generated, the Company would adjust the allowance for doubtful accounts to reflect the expected effects of the current environment on the collectability of the Company’s trade receivables which may be material.

The following table sets forth the activity in the Company's allowance for doubtful accounts on trade accounts receivables for the years ended:

	December 31, 2022	December 31, 2021	December 31, 2020
Beginning balance	\$ 81	\$ 72	\$ 47

Notes Receivable

As of December 31, 2022 and 2021, the Company had notes receivable of \$ million and \$4 million, respectively, net of a \$1 million and \$3 million allowance, respectively. For a significant portion of such notes receivable, the Company has received personal guarantees from the owners of these hotels. In addition, the Company had \$12 million and \$20 million of notes receivable as of December 31, 2022 and 2021, respectively, which are fully offset by a corresponding amount in deferred revenues.

6. HOTEL BRAND ACQUISITION

During September 2022, the Company completed the acquisition of the Vienna House hotel brand for a total purchase price of \$44 million. Vienna House's portfolio consisted of 41 franchised hotels across Europe, predominantly in Germany. This acquisition enables the Company to grow the Vienna House brand by leveraging its global scale and franchise expertise and is consistent with the Company's strategy to expand its brand portfolio and total system size.

The purchase price was allocated based on the fair value of the indefinite lived trademark and franchise agreements acquired, which have a 20 year life. The following table summarizes the fair value of the assets acquired in connection with Wyndham's acquisition of Vienna House:

	Amount
Franchise agreements	\$ 16
Trademark	28
Total assets acquired	<u>\$ 44</u>

This asset acquisition was assigned to the Company's Hotel Franchising segment. The results of operations of Vienna House have been included in the Consolidated Statements of Income since its date of acquisition. Such results were not material to the Company's results of operations for the three months and year ended December 31, 2022.

In March 2022, the Company completed the exit of its select-service hotel management business and received an \$4 million termination fee, which under the terms of the agreement with CorePoint Lodging (“CPLG”) effectively resulted in the sale of the rights to the management contracts that were acquired as part of the La Quinta Holdings purchase in 2018. The termination fee proceeds were completely offset by the write-off of the remaining balance of the related hotel management contract intangible asset and thus resulted in a full recovery of such asset. The proceeds were reported in proceeds from asset sales, net on the Consolidated Statement of Cash Flows. The franchise agreements for these hotels remained in place at their stated fee structure.

As a result of the impact COVID-19 had on the Company’s operations during 2020, the Company performed quantitative assessments on intangible assets in the second quarter of 2020. As a result of the assessments, the Company incurred a \$14 million charge in the second quarter of 2020 to fully write-down the goodwill balance for its owned hotel reporting unit. Such charge was reported within impairments, net on the Consolidated Statement of Income/(Loss) and was charged to the hotel management segment. In addition, the Company recorded impairment charges of \$191 million to reduce the carrying value of certain trademarks to their estimated fair values. In accordance with its franchise agreements, the Company is generally contractually obligated to expend the marketing and reservation fees it collects from franchisees for the operation of an international, centralized, brand-specific reservation system and for marketing purposes such as advertising, promotional and co-marketing programs, and training for the respective franchisees.

Development Advance Notes

The Company may, at its discretion, provide development advance notes to certain franchisees/hotel owners in order to assist them in converting to one of its’ brands, in building a new hotel to be flagged under one of its’ brands or in assisting in other franchisee expansion efforts. Provided the franchisee/hotel owner is in compliance with the terms of the franchise/management agreement, all or a portion of the development advance notes may be forgiven by the Company over the period of the franchise/management agreement. Otherwise, the related principal is due and payable to the Company. In certain instances, the Company may earn interest on unpaid franchisee development advance notes.

The valuation allowance of \$27 million at December 31, 2021 relates to net operating loss carryforwards, certain deferred tax assets and foreign tax credits of \$ 17 million, \$6 million and \$4 million, respectively. The valuation allowance will be reduced when and if the Company determines it is more likely than not that the related deferred income tax assets will be realized.

Although the one-time mandatory deemed repatriation tax during 2017 and the territorial tax system created as a result of U.S. tax reform generally eliminate U.S. federal income taxes on dividends from foreign subsidiaries, the Company continues to assert that all of the undistributed foreign earnings of \$48 million will be reinvested indefinitely as of December 31, 2022. In the event the Company determines not to continue to assert that all or part of its undistributed foreign earnings are permanently reinvested, such a determination in the future could result in the accrual and payment of additional foreign withholding taxes and U.S. taxes on currency transaction gains and losses, the determination of which is not practicable due to the complexities associated with the hypothetical calculation.

The Company's effective income tax rate differs from the U.S. federal statutory rate as follows for the years ended December 31:

	2022	2021	2020
Federal statutory rate	21.0 %	21.0 %	21.0 %

The effective income tax rate for 2022, 2021 and 2020 differs from the U.S. Federal income tax rate of 21% primarily due to state taxes and U.S. and foreign taxes, including withholding taxes on the Company's international operations. During 2020, our effective tax rate was lower primarily related to goodwill impairment charges that are nondeductible for tax purposes and valuation allowances for certain deferred tax attributes.

The following table summarizes the activity related to the Company's unrecognized tax benefits as of December 31:

	2022	2021	2020
Beginning balance	\$ 7	\$ 9	\$ 11
Increases related to tax positions taken during a prior period	4	1	—
Increases related to tax positions taken during the current period	—	—	1
Decreases related to settlements with taxing authorities	—	—	—
Decreases as a result of a lapse of the applicable statute of limitations	(3)	(2)	(3)
Decreases related to tax positions taken during a prior period	—	(1)	—
Ending balance	\$ 8	\$ 7	\$ 9

The gross amount of the unrecognized tax benefits that, if recognized, would affect the Company's effective tax rate was \$ million, \$7 million and \$9 million as of December 31, 2022, 2021 and 2020, respectively. The Company recorded both accrued interest and penalties related to unrecognized tax benefits as a component of provision for/(benefit from) income taxes on the Consolidated Statements of Income/(Loss). The amount of potential penalties and interest related to these unrecognized tax benefits recorded in the provision for income taxes was immaterial during 2022 and 2021 and a benefit of \$1 million during 2020. The Company had a liability for potential penalties of \$1 million as of December 31, 2022, 2021 and 2020, and potential interest of \$2 million as of December 31, 2022, 2021 and 2020. Such liabilities are reported as a component of accrued expenses and other current liabilities and other non-current liabilities on the Consolidated Balance Sheets. The Company does not expect the unrecognized tax benefits to change significantly over the next 12 months.

The Company files income tax returns in the U.S. federal and state jurisdictions, as well as in foreign jurisdictions. With certain exceptions, the Company is no longer subject to federal income tax examinations for years prior to 2019. The 2017 through 2021 tax years generally remain subject to examination by many state tax authorities. In significant foreign jurisdictions, the 2015 through the 2021 tax years generally remain subject to examination by their respective tax authorities. The statute of limitations is scheduled to expire within 12 months of the reporting date in certain taxing jurisdictions, and the Company therefore believes that it is reasonably possible that the total amount of its unrecognized tax benefits could decrease by \$4 million to \$5 million.

The Company made cash income tax payments, net of refunds, of \$123 million during 2022 and \$114 million during 2021. The Company received income tax refunds, net of payments, of \$9 million during 2020. Additionally, the Company had \$15 million and \$48 million of income tax receivables as of December 31, 2022 and 2021, respectively, which was reported within other current assets on the Consolidated Balance Sheets.

On August 16, 2022, the Inflation Reduction Act ("IRA") was signed into law in the United States. The Company does not currently expect the IRA to have a material impact on its financial results, including on its annual estimated effective tax rate or liquidity.

Long-Term Debt

\$750 million Revolving Credit Facility

During May 2018, the Company entered into an agreement for a \$750 million revolving credit facility expiring in May 2023. This facility is subject to an interest rate per annum equal to, at the Company's option, either a base rate plus a margin ranging from 0.50% to 1.00% or LIBOR plus a margin ranging from 1.50% to 2.00%, in either case based upon the total leverage ratio of the Company and its restricted subsidiaries. In addition, the Company will pay a commitment fee on the unused portion of the revolving credit facility of 0.20% per annum.

In April 2020, the Company completed an amendment to its revolving credit facility agreement to waive the quarterly-tested leverage covenant until April 1, 2021. The covenant was also modified for the second, third and fourth quarters of 2021 to use a form of annualized EBITDA, as defined in the credit agreement, rather than the last twelve months EBITDA, as

previously required. In return for this modification, the Company agreed to temporarily maintain minimum liquidity of \$200 million, which is defined in the credit agreement as the total of unrestricted cash on hand and available capacity under the Company's revolving credit facility, pay a higher interest rate on outstanding borrowings, restrict share repurchases and reduce payment of dividends, or restrict dividends to \$0.01 per share in the event the Company's liquidity was below \$300 million. As of December 31, 2021 all restrictions have been lifted.

In April 2022, the Company entered into the Third Amendment to the Credit Agreement dated May 30, 2018 which amended its original five-year \$750 million revolver to extend the term to April 2027. The benchmark rate applicable to the revolver has changed from LIBOR to Secured Overnight Funding Rate ("SOFR"). The revolver is subject to an interest rate equal to, at the Company's option, either (i) a base rate plus a margin ranging from 0.50% to 1.00% or (ii) SOFR, plus a margin ranging from 1.50% to 2.00% and an additional 0.10% SOFR adjustment, in either case based upon the total leverage ratio of the Company and its restricted subsidiaries. The revolver is subject to the same prepayment provisions and covenants applicable to the previous revolver.

\$400 million Term Loan A Agreement

In April 2022, the Company entered into the Third Amendment to the Credit Agreement dated May 30, 2018. The amendment provides for a new senior secured term loan A facility ("Term Loan A") in an aggregate principal amount of \$400 million maturing in April 2027, the proceeds of which were used to repay a portion of the existing Term Loan B facility. The Term Loan A is subject to an interest rate equal to, at the Company's option, either (i) a base rate plus a margin ranging from 0.50% to 1.00% or (ii) SOFR, plus a margin ranging from 1.50% to 2.00% and an additional 0.10% SOFR adjustment, in either case based upon the total leverage ratio of the Company and its restricted subsidiaries. The term loan A is subject to the same prepayment provisions and covenants applicable to the existing Term Loan B. The Term Loan A is subject to quarterly principal payments as follows: (i) 0.0% per year of the initial principal amount during the first year, (ii) 5.0% per year of the initial principal amount payable in equal quarterly installments during the second and third years and (iii) 7.5% per year of the initial principal amount payable in equal quarterly installments during the fourth and fifth years, with final payments of all amounts outstanding, plus accrued interest, being due on the maturity date in April 2027.

\$1.6 billion Term Loan B Agreement

During May 2018, the Company entered a credit agreement for a \$1.6 billion term loan (the "Term Loan B") expiring in May 2025. The interest rate per annum applicable to the Term Loan B is equal to, at the Company's option, either a base rate plus a margin of 0.75% or LIBOR plus a margin of 1.75%. The LIBOR rate with respect to the Term Loan B is subject to a "floor" of 0.00%. The Term Loan B began amortizing in equal quarterly installments beginning in the fourth quarter of 2018 in aggregate annual amounts equal to 1.00% of the original principal amount thereof. The Term Loan B is subject to standard mandatory prepayment provisions including (i) 100% of the net cash proceeds from issuances or incurrence of debt by the Company or any of its restricted subsidiaries (other than with respect to certain permitted indebtedness); (ii) 100% (with step-downs to 50% and 0% based upon achievement of specified first-lien leverage ratios) of the net cash proceeds from certain sales or other dispositions of assets by the Company or any of its restricted subsidiaries in excess of a certain amount and subject to customary reinvestment provisions and certain other exceptions; and (iii) 50% (with step-downs to 25% and 0% based upon achievement of specified first-lien leverage ratios) of annual (commencing with the 2019 fiscal year) excess cash flow of the Company and its restricted subsidiaries, subject to customary exceptions and limitations. During 2022, the Company prepaid \$400 million of the Term Loan B with proceeds from the issuance of the Term Loan A and as a result, the Company is no longer subject to quarterly principal payments on Term Loan B.

The revolving credit facility and term loan (the "Credit Facilities") are guaranteed, jointly and severally, by certain of the Company's wholly-owned domestic subsidiaries and secured by a first-priority security interest in substantially all of the assets of the Company and those subsidiaries. The Credit Facilities were initially guaranteed by former Parent, which guarantee was released immediately prior to the consummation of the spin-off. The Credit Facilities contain customary covenants that, among other things, restrict, subject to certain exceptions, the Company and its restricted subsidiaries' ability to grant liens on the Company and its restricted subsidiaries' assets, incur indebtedness, sell assets, make investments, engage in acquisitions, mergers or consolidations and pay certain dividends and other restricted payments. The Credit Facilities require the Company to comply with financial maintenance covenants to be tested quarterly, consisting of a maximum first-lien leverage ratio.

Subject to customary conditions and restrictions, the Company may obtain incremental term loans and/or revolving loans in an aggregate amount not to exceed (i) the greater of \$550 million and 100% of EBITDA, plus (ii) the amount of all voluntary prepayments and commitment reductions under the Credit Facilities, plus (iii) additional amounts subject to certain leverage-based ratio tests.

The Credit Facilities also contain certain customary events of default, including, but not limited to: (i) failure to pay principal, interest, fees or other amounts under the Credit Facilities when due, taking into account any applicable grace period; (ii) any representation or warranty proving to have been incorrect in any material respect when made; (iii) failure to perform or observe covenants or other terms of the Credit Facilities subject to certain grace periods; (iv) a cross-default and cross-acceleration with certain other material debt; (v) bankruptcy events; (vi) certain defaults under ERISA; and (vii) the invalidity or impairment of security interests.

5.375% Senior Unsecured Notes

On April 15, 2021, the Company redeemed all of its \$500 million 5.375% senior unsecured notes due 2026, which was primarily funded through cash on hand. Due to this redemption, the Company incurred an \$18 million charge in the second quarter of 2021, including \$13 million of call premiums and \$5 million from the acceleration of deferred financing fees. Such charge is reported as early extinguishment of debt on the Consolidated Statements of Income/(Loss).

4.375% Senior Unsecured Notes

In August 2020, the Company issued \$500 million of senior unsecured notes, which mature in 2028 and bear interest at a rate of 4.375% per year, for net proceeds of \$492 million. Interest is payable semi-annually in arrears on February 15 and August 15 of each year, commencing on February 15, 2021. The notes are redeemable in whole or in part at various times and premiums per their indenture, with the first call date of August 15, 2023 at a price of 102.188%. The Company used the net cash proceeds from the notes to reduce the borrowings outstanding under its revolving credit facility.

Finance Leases

The Company's finance leases primarily consist of the lease of its corporate headquarters. In connection with the Company's separation from former Parent, it was assigned the lease for its corporate headquarters located in Parsippany, New Jersey from its former Parent, which resulted in the Company recording a finance lease obligation and asset.

Deferred Debt Issuance Costs

The Company classifies deferred debt issuance costs related to its revolving credit facility within other non-current assets on the Consolidated Balance Sheets. Such deferred debt issuance costs were \$4 million and \$2 million as of December 31, 2022 and 2021, respectively.

Cash Flow Hedge

In 2018, the Company hedged a portion of its \$1.6 billion term loan. The pay-fixed/receive-variable interest rate swaps hedge \$1.1 billion of the Company's term loan interest rate exposure, of which \$600 million expires in the second quarter of 2024 and has a weighted average fixed rate of 2.58% and \$500 million expires in the fourth quarter of 2024 and has a weighted average fixed rate of 0.99%. The variable rates of the swap agreements are based on one-month LIBOR. The aggregate fair value of these interest rate swaps was an asset of \$53 million and a liability of \$23 million as of December 31, 2022 and 2021, respectively, which was included within other non-current assets and other non-current liabilities on the Consolidated Balance Sheets, respectively. The effect of interest rate swaps on interest expense, net on the Consolidated Statements of Income/(Loss) were \$2 million, \$26 million and \$22 million of expense during 2022, 2021 and 2020, respectively.

There was no hedging ineffectiveness recognized in 2022, 2021 or 2020. The Company expects to reclassify approximately \$34 million of gains from AOCI to interest expense during the next 12 months.

Interest Expense, Net

The Company incurred interest expense of \$85 million, \$94 million and \$114 million in 2022, 2021 and 2020, respectively. Cash paid related to such interest was \$2 million, \$96 million and \$101 million for 2022, 2021 and 2020, respectively. Interest income was \$5 million, \$1 million and \$2 million for 2022, 2021 and 2020, respectively.

Early Extinguishment of Debt

The Company incurred non-cash early extinguishment of debt costs of \$2 million in 2022 relating to the credit agreement amendment and \$400 million partial pay down of its term loan B, as discussed above, for the year ended December 31, 2022. For the year ended December 31, 2021 the Company incurred early extinguishment of debt costs of \$18 million relating to the redemption of its \$500 million 5.375% senior unsecured notes redeemed in 2021.

14. FAIR VALUE

The Company measures its financial assets and liabilities at fair value on a recurring basis and utilizes the fair value hierarchy to determine such fair values. Financial assets and liabilities carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted prices for identical instruments in active markets.

Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value driver is observable.

Level 3: Unobservable inputs used when little or no market data is available. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement falls has been determined based on the lowest level input (closest to Level 3) that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

The fair value of financial instruments is generally determined by reference to market values resulting from trading on a national securities exchange or in an over-the-counter market. In cases where quoted market prices are not available, fair value is based on estimates using present value or other valuation techniques, as appropriate. The carrying amounts of cash and cash equivalents, trade receivables, accounts payable and accrued expenses and other current liabilities approximate fair value due to the short-term maturities of these assets and liabilities. The carrying amounts and estimated fair values of all other financial instruments are as follows:

	December 31, 2022	
	Carrying Amount	Estimated Fair Value
Debt	\$ 2,077	\$ 2,035

The Company estimates the fair value of its debt using Level 2 inputs based on indicative bids from investment banks or quoted market prices with the exception of finance leases, which are estimated at carrying value.

Financial Instruments

Changes in interest rates and foreign exchange rates expose the Company to market risk. The Company uses cash flow hedges as part of its overall strategy to manage its exposure to market risks associated with fluctuations in interest rates and foreign currency exchange rates. As a matter of policy, the Company only enters into transactions that it believes will be highly effective at offsetting the underlying risk, and it does not use derivatives for trading or speculative purposes. The Company estimates the fair value of its derivatives using Level 2 inputs.

Interest Rate Risk

A portion of debt used to finance the Company's operations is exposed to interest rate fluctuations. The Company uses various hedging strategies and derivative financial instruments to create a desired mix of fixed and floating rate assets and liabilities. Derivative instruments currently used in these hedging strategies include interest rate swaps. The derivatives used to manage the risk associated with the Company's floating rate debt are derivatives designated as cash flow hedges. See Note 13 - Long-Term Debt and Borrowing Arrangements for the impact of such cash flow hedges.

Foreign Currency Risk

The Company has foreign currency rate exposure to exchange rate fluctuations worldwide, particularly with respect to the Canadian Dollar, the Chinese Yuan, the Euro, the Brazilian Real and the Argentine Peso. The Company uses foreign currency forward contracts at various times to manage and reduce the foreign currency exchange rate risk associated with its foreign currency denominated receivables and payables, forecasted royalties and forecasted earnings and cash flows of foreign subsidiaries and other transactions. The Company recognized gains from freestanding foreign currency exchange contracts of \$2 million during 2022 and 2021 and losses of \$3 million during 2020. Such gains and losses are included in operating expenses in the Consolidated Statements of Income/(Loss).

The Company accounts for Argentina as a highly inflationary economy. The Company incurred foreign currency exchange losses related to Argentina of \$ million, \$1 million and \$2 million during 2022, 2021 and 2020, respectively. Such losses are included in operating expenses in the Consolidated Statements of Income/(Loss).

Credit Risk and Exposure

The Company is exposed to counterparty credit risk in the event of nonperformance by counterparties to various agreements and sales transactions. The Company manages such risk by evaluating the financial position and creditworthiness of such counterparties and often by requiring collateral in instances in which financing is provided. The Company mitigates counterparty credit risk associated with its derivative contracts by monitoring the amounts at risk with each counterparty to such contracts, periodically evaluating counterparty creditworthiness and financial position, and where possible, dispersing its risk among multiple counterparties.

Market Risk

The Company is subject to risks relating to the geographic concentration of its hotel properties, which may result in the Company's results of operations being more sensitive to local and regional economic conditions and other factors, including competition, natural disasters and economic downturns, than the Company's results of operations would be, absent such geographic concentrations. Local and regional economic conditions and other factors may differ materially from prevailing conditions in other parts of the world. Excluding cost-reimbursement revenues, which are offset by cost-reimbursement expense, revenues from transactions in the states of Texas and Florida as a percent of U.S. revenues were approximately 10% and 24%, respectively, during 2022, 10% and 18%, respectively, during 2021 and 10% and 19%, respectively, during 2020. Revenues in the state of Florida include license and other fees from the Company's former Parent. Excluding these revenues, revenues in the state of Florida as a percent of U.S. revenues were 16%, 12% and 9% during 2022, 2021 and 2020, respectively.

During 2021 and 2020 CorePoint accounted for 20% and 25%, respectively, of revenues. Excluding cost-reimbursement revenues, which are offset by cost-reimbursement expenses, CorePoint accounted for 8% and 10% during 2021 and 2020, respectively. During the first quarter of 2022, CorePoint terminated its management contracts with the Company.

15. COMMITMENTS AND CONTINGENCIES

Litigation

The Company is involved, at times, in claims, legal and regulatory proceedings and governmental inquiries arising in the ordinary course of its business, including but not limited to: breach of contract, fraud and bad faith claims with franchisees in connection with franchise agreements and with owners in connection with management contracts, as well as negligence, breach of contract, fraud, employment, consumer protection and other statutory claims asserted in connection with alleged acts or occurrences at owned, franchised or managed properties or in relation to guest reservations and bookings. The Company may also at times be involved in claims, legal and regulatory proceedings and governmental inquiries relating to bankruptcy proceedings involving efforts to collect receivables from a debtor in bankruptcy, employment matters, claims of infringement upon third parties' intellectual property rights, claims relating to information security, privacy and consumer protection, fiduciary duty/trust claims, tax claims, environmental claims and landlord/tenant disputes. Along with many of its competitors, the Company and/or certain of its subsidiaries have been named as defendants in litigation matters filed in state and federal courts, alleging statutory and common law claims related to purported incidents of sex trafficking at certain franchised and managed hotel facilities. Many of these matters are in the pleading or discovery stages at this time. In certain matters, discovery has closed and the parties are engaged in dispositive motion practice. As of December 31, 2022, the Company is aware of approximately 35 pending matters filed naming the Company and/or subsidiaries. Based upon the status of these matters, the Company has not made a determination as to the likelihood of any probable loss of any one of these matters and is unable to estimate a range of losses at this time.

The Company records an accrual for legal contingencies when it determines, after consultation with outside counsel, that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. In making such determinations, the Company evaluates, among other things, the degree of probability of an unfavorable outcome, and when it is probable that a liability has been incurred, its ability to make a reasonable estimate of loss. The Company reviews these accruals each reporting period and makes revisions based on changes in facts and circumstances, including changes to its strategy in dealing with these matters.

The Company believes that it has adequately accrued for such matters with reserves of \$ million and \$6 million as of December 31, 2022 and 2021, respectively. The Company also had receivables of \$6 million and \$3 million as of December 31, 2022 and 2021, respectively, for certain matters which are covered by insurance and were included in other current assets on its Consolidated Balance Sheets. Litigation is inherently unpredictable and, although the Company believes that its

accruals are adequate and/or that it has valid defenses in these matters, unfavorable results could occur. As such, an adverse outcome from such proceedings for which claims are awarded in excess of the amounts accrued, if any, could be material to the Company with respect to earnings and/or cash flows in any given reporting period. As of December 31, 2022, the potential exposure resulting from adverse outcomes of such legal proceedings could, in the aggregate, range up to approximately \$3 million in excess of recorded accruals. However, the Company does not believe that the impact of such litigation will result in a material liability to the Company in relation to its combined financial position or liquidity.

Guarantees

Separation-Related Guarantees

The Company assumed one-third of certain contingent and other corporate liabilities of former Parent incurred prior to the spin-off, including liabilities of former Parent related to, arising out of or resulting from certain terminated or divested businesses, certain general corporate matters of former Parent and any actions with respect to the separation plan or the distribution made or brought by any third party.

Credit Support Provided and Other Indemnifications Relating to former Parent's Sale of its European Vacation Rentals Business

In May 2018, former Parent completed the sale of its European Vacation Rentals business to Compass IV Limited, an affiliate of Platinum Equity, LLC ("Buyer"). In connection with the sale of the European Vacation Rentals business, the Company provided certain post-closing credit support in the form of guarantees to help ensure that the business meets the requirements of certain credit card service providers, travel association and regulatory authorities. Such post-closing credit support may be enforced or called upon if the European vacation rentals business fails to meet its primary obligation to pay certain amounts when due. The European vacation rentals business has provided an indemnity to former Parent in the event that the post-closing credit support is enforced or called upon.

Pursuant to the terms of the Separation and Distribution Agreement that was entered into in connection with the Company's spin-off, the Company will assume one-third and former Parent will assume two-thirds of losses that may be incurred by former Parent or the Company in the event that these credit support arrangements are enforced or called upon by any beneficiary in respect of any indemnification claims made.

The table below summarizes the post-closing credit support guarantees related to the sale of the European Vacation Rentals business, the fair values of such guarantees and the receivables from its former Parent representing two-thirds of such guarantees at December 31, 2022:

	Guarantees	Fair Value of Guarantees	Receivable from former Parent
Post-closing credit support at time of sale	\$ 81	\$ 39	\$ 26
Additional post-closing credit support	46	22	15
Total	\$ 127	\$ 61	\$ 41

The fair value of the guarantees was \$61 million as of December 31, 2022 and 2021 and were included in other non-current liabilities on the Consolidated Balance Sheets. In connection with these guarantees the Company had receivables from its former Parent of \$41 million as of December 31, 2022 and 2021, which were included in other non-current assets on its Consolidated Balance Sheets.

Hotel-Management Guarantees

The Company had previously entered into hotel-management agreements that provided the hotel owner with a guarantee of a certain level of profitability based upon various metrics. Under such agreements, the Company was required to compensate the hotel owner for any profitability shortfall over the life of the management agreement up to a specified aggregate amount. For certain agreements, the Company may have been able to recapture all or a portion of the shortfall payments in the event that future operating results exceeded targets.

As a result of COVID-19, on June 30, 2020, the Company provided notice of termination of its one remaining hotel performance guarantee pursuant to a force majeure provision in the hotel-management agreement. The hotel's owner disputed such termination and the Company and the hotel owner engaged in alternate dispute resolution. The matter was resolved during 2022 which resulted in the termination of the management agreement. As a result of the Company's notice of

termination of the management agreement, the Company's receivable of \$4 million became fully impaired as of June 30, 2020 with the charge recorded within impairments, net on the Consolidated Statements of Income/(Loss). As of December 31, 2022, the Company has no hotel management guarantees.

16. STOCK-BASED COMPENSATION

The Company has a stock-based compensation plan available to grant non-qualified stock options, incentive stock options, stock-settled appreciation rights ("SSARs"), RSUs, performance-vesting restricted stock units ("PSUs") and/or other stock-based awards to key employees and non-employee directors. Under the Wyndham Hotels & Resorts, Inc. 2018 Equity and Incentive Plan ("Stock Plan"), which became effective on May 14, 2018, a maximum of 10.0 million shares of common stock may be awarded. As of December 31, 2022, 5.2 million shares remained available.

During 2022, the Company granted incentive equity awards totaling \$30 million to key employees and senior officers in the form of RSUs. The RSUs generally vest ratably over a period of four years based on continuous service. Additionally, the Company approved incentive equity awards to key employees and senior officers in the form of PSUs with a maximum grant value of \$12 million. The PSUs generally cliff vest on the third anniversary of the grant date based on continuous service with the number of shares earned (0% to 200% of the target award) depending on the extent to which the Company achieves the specified performance metrics.

The expected life represents the period of time the options are expected to be outstanding. The risk-free interest rate is based on yields on U.S. Treasury strips with a maturity similar to the estimated expected life of the options. The projected dividend yield was based on the Company's anticipated annual dividend divided by the price of the Company's stock on the date of the grant.

17. SEGMENT INFORMATION

The reportable segments presented below represent the Company's operating segments for which separate financial information is available and is utilized on a regular basis by its chief operating decision maker to assess performance and allocate resources. In identifying its reportable segments, the Company also considers the nature of services provided by its operating segments. Management evaluates the operating results of each of its reportable segments based upon net revenues and "adjusted EBITDA", which is defined as net income/(loss) excluding net interest expense, depreciation and amortization, early extinguishment of debt charges, impairment charges, restructuring and related charges, contract termination costs, transaction-related items (acquisition-, disposition- or separation-related), (gain)/loss on asset sales, foreign currency impacts of highly inflationary countries, stock-based compensation expense, income taxes and development advance notes amortization. The Company believes that adjusted EBITDA is a useful measure of performance for its segments which, when considered with U.S. GAAP measures, allows a more complete understanding of its operating performance. The Company uses this measure internally to assess operating performance, both absolutely and in comparison to other companies, and to make day to day operating decisions, including in the evaluation of selected compensation decisions. The Company's presentation of adjusted EBITDA may not be comparable to similarly-titled measures used by other companies. During the first quarter of 2021, the Company modified the definition of adjusted EBITDA to exclude the amortization of development advance notes to reflect how the Company's chief operating decision maker reviews operating performance beginning in 2021. The Company has applied the modified definition of adjusted EBITDA to all periods presented.

19. TRANSACTIONS WITH FORMER PARENT

The Company has a number of arrangements with its former Parent for services provided between both parties as described below.

License Agreement and Other Agreements with Former Parent

In connection with the Company’s spin-off, the Company and former Parent entered into long-term exclusive license agreements to retain former Parents’ affiliations with one of the hospitality industry’s top-rated loyalty programs, Wyndham Rewards, as well as to continue to collaborate on inventory-sharing and customer cross-sell initiatives.

In connection with the Company’s license, development and non-competition agreement, the Company recorded license fees from former Parent in the amounts of \$3 million during 2022 and \$65 million during both 2021 and 2020. Further, the Company recorded revenues of \$10 million, \$9 million and \$13 million during 2022, 2021 and 2020, respectively, for activities associated with the Wyndham Rewards program. The Company also recorded license fees from a former affiliate of \$7 million, \$5 million and \$6 million during 2022, 2021 and 2020, respectively. Transfer of Former Parent Liabilities and Issuances of Guarantees to Former Parent and Affiliates

Upon the distribution of the Company’s common stock to former Parent stockholders, the Company entered into certain guarantee commitments with its former Parent. These guarantee arrangements relate to certain former Parent contingent tax and other corporate liabilities. The Company assumed and is responsible for one-third of such contingent liabilities while its former Parent is responsible for the remaining two-thirds. The amount of liabilities assumed by the Company in connection with the spin-off was \$17 million and \$18 million as of December 31, 2022 and 2021, respectively, which were included within other non-current liabilities on its Consolidated Balance Sheets. In connection with the sale of the European Vacation Rentals business, the Company was entitled to one-third of the excess of net proceeds from the sale above a pre-set amount. During 2019, the Buyer notified former Parent of certain proposed post-closing adjustments of approximately \$44 million which could serve to reduce the net consideration received

from the sale of the European Vacation Rentals business. On December 13, 2021, former Parent entered into a settlement agreement, contingent upon regulatory approval, to settle the post-closing adjustment claims for \$7 million which was split one-third and two-thirds between the Company and former Parent, respectively. The Company had a \$2 million reserve for such settlement as of December 31, 2021. During the third quarter of 2022, the settlement was approved by the regulatory authority and as a result, the Company paid \$2 million for its obligation of the settlement and all claims on the Company were dismissed.
