What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and store development agreement require you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation in the state in which the restaurant is located. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in the state in which the restaurant is located than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

ITEM 1:
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this franchise disclosure document (“FDD”), “Dunkin’” “we” or “us” means Dunkin’ Donuts Franchising LLC. “You” means the person or entity that buys the franchise. If you are a corporation, partnership, or other entity, your owners, officers, directors, shareholders, members, managers, and partners, as may be applicable, must all sign a personal guaranty, which means all the provisions of the Franchise Agreement (Exhibit C-1) also will apply to them.

We are a Delaware limited liability company formed on March 15, 2006. Our principal place of business is Three Glenlake Parkway, Atlanta, Georgia 30328. We currently do business under the marks Dunkin’ and Dunkin’ Donuts (and in the organizational name Dunkin’ Donuts Franchising LLC). We are a wholly-owned subsidiary of one of our parents, DB Franchising Holding Company LLC (“Franchisor Holdco”), a Delaware limited liability company. Franchisor Holdco is wholly-owned subsidiary of DB Master Finance LLC (“DB Master Finance”), a Delaware limited liability company. DB Master Finance is a wholly-owned subsidiary of DB Master Finance Parent LLC (“DB Master Finance Parent”), a Delaware limited liability company. DB Master Finance Parent is an indirect wholly-owned subsidiary of Dunkin’ Brands, Inc. (“Dunkin’ Brands”), a Delaware corporation. Dunkin’ Brands’ is a wholly owned subsidiary of Dunkin’ Brands Group, Inc. (“DBGI”), a Delaware corporation.

As of December 31, 2022, there were 8,118 single-branded Dunkin’ Restaurants (defined below) operating in the United States (8,087 franchised and 31 company-owned), and an additional 3,536 franchised Restaurants operating in 39 other countries. As of December 31, 2022, there were 1,252 Dunkin’ and Baskin-Robbins combo restaurants operating in the United States. We or one of our affiliates has operated Dunkin’ Restaurants since January 2022.

We have no other business activities except as those described here. If we have an agent for service of process in your state, we disclose that agent in Exhibit A.

The Dunkin’ Restaurant Franchise Opportunity

We grant franchises for restaurants that feature doughnuts, coffee, espresso, bagels, muffins, croissants, breakfast sandwiches, and related bakery items, as well as other food and beverage products, using our standards and specifications and that operate under the System (defined below) and the Dunkin’™ trademark and other Trademarks (defined below). We call these establishments “Dunkin’ Restaurants,” and we call the Dunkin’ Restaurant that you operate under the Franchise Agreement your “Restaurant.” Your Restaurant will offer the Menu Items (defined below) and operate at a location we accept (the “Authorized Location”) and within a trade area that we designate (the “Store Development Area”). The “System” means the Dunkin’ Restaurant franchise system, which consists of distinctive food and beverage products prepared according to special and confidential recipes and formulas with distinctive storage, preparation, service and delivery procedures and techniques, offered in a setting of distinctive exterior and interior layout, design and color scheme, signage, furnishings and materials and using certain distinctive types of facilities, equipment, supplies, ingredients, business techniques, methods and procedures, together with sales promotion programs, all of which we may periodically modify and change. “Trademarks” means the Dunkin’® trademark and service mark and other trademarks, service marks, trade names and logos, as we may periodically modify and change them, and the trade dress and other commercial symbols used in the Restaurant. “Menu Items” means the doughnuts, coffee, espresso, breakfast sandwiches, bagels, muffins, compatible bakery products, croissants, snacks and other products and beverages prepared according to our specified recipes and procedures, as we may periodically modify and authorize them for sale at your Restaurant.

If we offer you the right to develop and open multiple Dunkin' Restaurants, then the Store Development Agreement (Exhibit D-1) will specify the number of Dunkin' Restaurants you will develop over a specified period (the "Development Schedule") and the Store Development Area. You will sign our then current form of Franchise Agreement for each Dunkin' Restaurant developed in the Store Development Area, which currently is the form of Franchise Agreement in this FDD but could in the future differ from that form. However, if you fully comply with the Store Development Agreement, each Franchise Agreement that the Store Development Agreement covers will reflect the franchise fee specified in Item 5.

In some instances, we along with our affiliate Baskin-Robbins Franchising LLC will offer you the right to develop and operate a combination Dunkin' and Baskin-Robbins Restaurant (a "Combo Restaurant"). If you are offered that opportunity, you will receive a separate FDD from Baskin-Robbins Franchising LLC and sign a Combo Franchise Agreement ("Combo FA")(Exhibit C-2). If we offer you the right to develop and open multiple Combo Restaurants, you will sign a Store Development Agreement (a "Combo SDA") (Exhibit D-2), which will specify the number of Combo Restaurants you will develop in accordance with the Development Schedule and the Store Development Area within which you will develop them. You will sign our then current form of Combo FA for each Combo Restaurant developed in the Store Development Area, which currently is the form of Combo FA this FDD but could in the future differ from that form. However, if you fully comply with the Store Development Agreement, each Franchise Agreement that the Store Development Agreement covers will reflect the franchise fee specified in Item 5.

Market and Competition

The typical Restaurant targets serving a large number of guests and is generally located in heavily populated areas. Most products are purchased primarily for off-premises consumption. Delivery and catering whether directly or through third- party aggregators is increasing in the restaurant industry, and we may require your participation in such channels. Developing and operating a network of Restaurants is generally more challenging than developing and operating a single Restaurant. You may not achieve potential economies of scale until you have a number of Restaurants operating in the Store Development Area, and the timing and phasing of overhead and related expenses is critical to your early financial performance. You should have sufficient working capital to cover potential operating losses and development costs.

You can expect to compete in your market with locally-owned businesses as well as national and regional chains that sell similar products. The market for doughnuts, coffee, espresso, bagels, muffins, croissants, breakfast sandwiches, related bakery items, and other related products, is well-established and highly competitive. Restaurants compete on the basis of factors such as price, service, location, convenience and food quality. Additionally, you may find that there is competition for suitable locations. Principal factors that will vary but that will impact our brand's competitive position are name recognition (which is stronger in some regions than in others), product quality, variety, appearance, location, and advertising. A business such as a Restaurant may also be affected by other factors, such as changes in consumer taste, economic conditions, population, and travel patterns. Your competition may also include other types of retail outlets doughnuts, coffee, espresso, bagels, muffins, croissants, breakfast sandwiches, related bakery items, and other related products, such as grocery stores, convenience stores, and specialty coffee shops.

You may also compete with other existing Dunkin' Restaurants and with new Dunkin' Restaurants that we may operate, franchise, or license in the future. Competition may also include Dunkin' products sold through other channels of distribution (among which are supermarket sales, the Internet, and other venues).

We may also grant selected franchisees rights or franchises to operate or distribute authorized products through special distribution opportunities ("SDO") in your Store Development Area. SDO

Restaurants include Restaurants, cart, or kiosk locations which are located within another host establishment, including, but not limited to, a stadium, retail facility, gas station, convenience store, airports, service plazas, universities, grocery stores, mobile units, and other outlets described in paragraph 6 of the SDA. Some of these SDOs may be “Self-Serve Restaurants,” which are Restaurants where the guest obtains their own beverage and/or food rather than being served by a franchisee team member and the Restaurant could be located in a certain “host” environment that is controlled by a franchisee.

These special arrangements may involve special agreements or modifications to our standard franchise and other agreements.

We may pursue opportunities to convert similar businesses operating under different tradenames. We may provide conversion incentives to those businesses. The terms of conversion incentives vary depending on factors such as the number of outlets to convert, perceived competitive advantage of the outlets, their location, physical condition and age, length of remaining occupancy and franchise rights, rent, the outlets' production, access, visibility, demographic profile, hours of operation, operating history, the prices and terms on which comparable outlets have been sold in the market, our then current conversion policy (if any exists), and the negotiations of the parties, among others.

Laws, Rules, and Regulations

Federal and state laws exist that govern the food service industry (including health, sanitation and safety regulations regarding food storage, preparation, and safety). You must comply with these laws and other laws that apply to businesses generally. In addition to laws and regulations that apply to businesses generally, your Restaurant must comply with various federal, state and local government regulations, including those relating to site location and building construction, such as the Americans with Disabilities Act; FDA menu labeling requirements; laws governing the storage, preparation and sale of food products, including meat products, and health, sanitation and safety regulations relating to food service; and other relevant laws (including Consumer Product Safety Improvement Act certifications for giveaways or other items in the Restaurant characterized as “children’s products”). Some state and local authorities have also adopted, or are considering adopting, laws or regulations that would affect the content or make-up of food served in Dunkin’ Restaurants, such as the level of trans fats and sodium contained in a food item. Additionally, the Patient Protection and Affordable Health Care Act requires employers of a certain size to provide health insurance to its employees, and the Menu Labeling Provisions of the Act require certain Dunkin’ Restaurants and retail food establishments to post caloric information on menus and menu boards and to provide additional written nutrition information to consumers upon request. You should consider these and other laws and regulations when evaluating your purchase of a franchise. It is your sole responsibility to obtain and keep in force all necessary licenses and permits that public authorities require.

Government contractor laws may also apply if your Restaurant is located (or if, subject to your FA, you sell products) at a military base or another government facility. For example, you may be required to comply with requirements such as government contractors’ wage and hour restrictions, preparation and maintenance of written affirmative action plans, retention and access of records, special procedures for resolving contractual disputes, listing employment openings with state employment services, and termination of the contract for default or for the convenience of the government. You should carefully review these requirements with your own attorney before entering into any government contracts.

ITEM 3:
LITIGATION

Pending Litigation

The following actions are pending against us, a predecessor, a parent or affiliate that guarantee's our performance, an affiliate who offers franchises under the Trademarks, or a person identified in Item 2:

Fahrad Salari Lak, Lock Bakeries, Incorporated and F and J Holdings, Inc. v. Dunkin' Donuts Franchising LLC, et al., (Case No. GD 09 13755), Court of Common Pleas of Allegheny County, Pennsylvania, filed on September 28, 2011. This dispute involves contracts to supply bakery products to a Dunkin' network of restaurants in the Pittsburgh market. Plaintiff claims that, on December 31, 2006, Dunkin' entered into an Approved Bakery Manufacturers Agreement with Pittsburgh Baker's Dozen for a kitchen to the west of the city and with plaintiff Fahrad Salari Lak for a kitchen to be developed to the east of the city making up the Pittsburgh Supply Plan. Plaintiffs claim that they invested hundreds of thousands of dollars to develop both kitchens. Plaintiffs also claim that Pittsburgh Baker's Dozen ran into financial difficulties and that Dunkin' encouraged them to take over the eastern bakery ownership. No written agreements were entered into in connection with these activities. Plaintiffs claim that they acted upon promises and assurances by Dunkin' and the other defendants that they would be supplying donuts for Dunkin' franchisees under the Pittsburgh Supply Plan. Plaintiffs claim that, at some point, Dunkin' advised them that it had approved a "new option" for defendant Heartland that would allow it to purchase unfinished "frozen pre-fried" donuts instead of fresh baked donuts. Plaintiffs further assert that Dunkin', knowing of Plaintiffs' reliance on Dunkin's promises to them, inquired as to what damages they had incurred as a result of their reliance upon the continued assurances that they would be supplying fresh baked products and other goods to Heartland's stores. At that point, Plaintiffs ceased development of the eastern bakery, did not continue with the purchase on the western bakery premises, and filed this lawsuit. Claims as to Dunkin' are promissory estoppel and fraud. However, the trial court granted Dunkin's motion for summary judgment, striking Plaintiffs' damage claims for lost profits from the bakery and limiting any potential recovery to out of pocket expenses and lost business opportunities. Discovery in this case is ongoing and no trial date has been set.

Priti Shetty v. Dunkin' Donuts Franchised Restaurants LLC, et al., (Case No. 3:15-cv-02664), U. S. District Court for the District of New Jersey, filed on February 17, 2015. Plaintiff, a former Dunkin' franchisee, and two business partners entered into a Store Development Agreement with the franchisor in 2003 for three potential locations in New Jersey. They opened their first store in 2004 and a second location in 2005. Plaintiff claims that Dunkin' unfairly turned down her efforts to open a third franchise. After one of her partners dropped out of the business, plaintiff and her remaining partner sold both of her open Dunkin' franchises in March 2010. When those locations were abandoned by the new owner in December 2010, plaintiff requested and was denied permission by Dunkin' to take over and resume operations at the two closed franchises. Based on these allegations, plaintiff raised a civil rights claim against Dunkin' under 28 U.S.C. § 1981, as well as claims under the New Jersey Law Against Discrimination, tortious interference with prospective economic advantage, defamation, libel, slander, and unjust enrichment. Plaintiff's civil

rights claims are based on the allegation that franchisor discriminates against Asian Indian women. On December 11, 2015, the trial court granted Dunkin's motion to dismiss plaintiff's claims under the New Jersey Law Against Discrimination, for tortious interference with prospective economic advantage, defamation, libel, slander, and unjust enrichment. The case was settled on February 23, 2017, with the entire settlement amount paid by Dunkin's insurance carrier and with no admission of liability by Dunkin'.

Daniel Crooks and Matthew Miller v. Dunkin' Brands Group, Inc. and SVC Service II LLC, (United States District Court for the District of Massachusetts, Case No. 1:22-CV-10738, filed May 12, 2022). Plaintiffs, Daniel Crooks and Matthew Miller ("Crooks and Miller") filed a class action complaint against Dunkin' Brands Group, Inc. and SVC Service II LLC ("Defendants") alleging violations of the New Jersey Truth-in-Consumer Contract, Warranty, and Notice Act, unjust enrichment, breach of contract, violation of the Massachusetts Unfair and Deceptive Business Practices Act, and violation of the California Unfair Competition Law Business and Professions Code § 17200 for the alleged failure to redeem gift cards for cash. Crooks and Miller seek to establish a nationwide class and subclasses for New Jersey and California residents. On August 19, 2022, Defendants filed a motion to dismiss. On December 13, 2022, the court granted Defendants' motion to dismiss the New Jersey statutory claims and denied the motion to dismiss the other claims. Defendants deny any liability and intend to vigorously defend against the claims.

Dunkin' Donuts Franchising LLC and DD IP Holder LLC v. Minda's Donuts, Inc. and Aminda R. Daviduk, (United States District Court for the District of New Hampshire, Case No. 1:23-cv-87-AJ, filed February 3, 2023).

Concluded Litigation

The following actions against us, a predecessor, a parent or affiliate that guarantee's our performance, an affiliate who offers franchises under the Trademarks, or a person identified in Item 2 have concluded:

Bertico Inc., 3024032 Canada Inc., 3155412 Canada Inc., 3176941 Canada Inc., 3481191 Canada Inc., 2857- 8664 Québec Inc., 3089-8001 Québec Inc., 9067-0308 Québec Inc., Jacques Doyon and Monic Huard, Les Entreprises Doyon et Huard Inc., Les Entreprises Charloise Inc., Les Entreprises Lucien Stephens Inc., Les Entreprises Pierre Maclure Limitée, 9116-5399 Québec Inc., 3089-3309 Québec Inc., 3092-5077 Québec Inc., 9009-6694 Québec Inc., 9064-0947 Québec Inc., 2622-6282 Québec Inc., 2968-7654 Québec Inc., Claude St- Pierre and Lynda Viel, Sylvain Charbonneau, Noemia De Lima and Joao De Lima, René Joly and Charlotte Lévesque, Mariette Long, Raymond Massi, Pierre Maclure, Jean Rioux, Mario Corbeil, John A. Costin, Bernard Stern and Jacques Pomerleau, Province of Quebec, District of Montreal, Superior Court, filed on May 20, 2003. Thirty-two (32) Quebec Dunkin' franchisees ("Plaintiffs") sued Dunkin' Donuts (Canada) Limited and Allied Domecq Retailing International, (Canada) Limited ("Dunkin' (Canada)") on a variety of claims with respect to the supervision and support of franchises located in Quebec including deterioration of the brand image, negligent management, failure to adequately respond to increased competition in the market, failure to adequately market, negligence in not responding to franchisees who did not comply with all of their franchise agreement requirements, failure to stem decreasing sales and to invest in the Dunkin' (Canada) system in Canada, and supply chain issues. The Plaintiff sought orders terminating their own franchises, orders requiring Dunkin' (Canada) to comply with its contractual obligations, and damages representing a refund of operating losses for 32 franchises.

On June 21, 2012, the trial court found Dunkin' (Canada) liable and awarded Plaintiffs \$16.4 million CDN in damages, plus costs and interest, representing loss in value of the franchises and lost profits. Dunkin' (Canada) appealed the decision. On April 15, 2015, an appeals court upheld the trial court's decision but significantly reduced the amount of the damages to approximately \$10.9 million CDN. In June 2015, Dunkin' (Canada) filed an Application for leave to appeal the Court of Appeals decision to the Supreme Court of Canada which denied the application on March 17, 2016. This matter is now closed.

Bartosz Grabowski v. Dunkin' Brands, Inc., (Case No. 1:17-cv-05069) U.S. District Court for the Northern District of Illinois, filed on July 9, 2017. The Complaint in this putative class action lawsuit alleged that the Company engaged in deceptive practices with respect to its blueberry donut products by allegedly trying to convince consumers that the products contain real blueberries. The products specifically mentioned by the Complaint were the "Glazed Blueberry" donut and munchkin, the "Blueberry Butternut Donut," and the "Blueberry Crumb Cake Donut." The Complaint claimed that Dunkin' engaged in fraud by (1) using the word "blueberry" in the product names; (2) using imitation blueberries on both the inside and outside of the product that were "specifically made to resemble actual blueberries or pieces of actual blueberry due to their blue color and round shape"; and (3) charging consumers a "premium price" for blueberry donuts which, the Complaint alleges, are "uniformly priced higher than other donuts on the Dunkin' menu such as the Glazed Donut." As a result, the Complaint contended that consumers reasonably expect these products to contain actual blueberries and, therefore, the use of the word "blueberry" as a product description at franchises and in marketing is misleading. The legal claims brought against Dunkin' in this case were: (1) violation of the Illinois Consumer Fraud and Deceptive Business Practices Act; (2) common law fraud; (3) intentional misrepresentation; (4) negligent misrepresentation; (5) breach of contract; and (6) unjust enrichment. The Complaint sought a minimum of \$5 million dollars in damages. This case was settled on October 2, 2018 on an individual basis with no admission of liability by Dunkin' and was dismissed with prejudice.

Airport Mart, Inc. v. Dunkin' Donuts Franchising LLC, (Case No. 7:18-cv-00170) U.S. District Court for the Southern District of New York, filed on January 9, 2018. The Plaintiff in this action was a former Dunkin' franchisee brought suit against Dunkin' regarding the development, operation, and termination of the franchise that was located at the Westchester Airport in White Plains, New York from 2010 to 2015. The Plaintiff alleged that Dunkin' induced him into purchasing equipment for the Just Baked On Demand system and that he was instead "forced" to purchase donuts from a commissary operated by another franchisee, rendering the Just Baked On Demand equipment "useless." He also claimed that that Dunkin' employees made derogatory comments about him to airport officials, failed to provide him with sufficient marketing and advertising support, and delayed the opening of his franchise by changing up the construction plans and site layouts. In addition, the Plaintiff claimed that Dunkin' did not assist him in obtaining a new location at the airport after his initial lease expired, failed to help him obtain a lease extension, and refused to allow him to relocate the store. The Complaint raised several legal claims against Dunkin', including breach of the Franchise Agreement, violation of New York's deceptive trade practices statute, fraud, and intentional misrepresentation and sought \$10 million in damages. On the September 16, 2019, the court dismissed Plaintiff's claims for fraud in the inducement, intentional misrepresentation, and deceptive trade practices, leaving only the breach of contract claim in the case. Following that ruling, the case was settled for a nominal amount on February 10, 2020, without any admission of liability on Dunkin's part and the matter is now closed.

Dunkin' Donuts Franchising LLC v. Coffee & Brands Sweden AB, et al., (Case No. 01-1 8-0001-8486), American Arbitration Association, filed on May 9, 2018. The Respondent in this international arbitration, Coffee & Brands Sweden AB (C&B), was the Dunkin' franchisee in Sweden. Dunkin' terminated C&B's master franchise agreement (MFA) for non-payment of almost \$500,000 in franchise fees and its failure to secure an irrevocable letter of credit of \$1 million as required under the contract. Dunkin' thereafter filed this arbitration proceeding to enforce the termination. In response, C&B raised

counterclaims against Dunkin' for fraud, negligent misrepresentation, violation of the Massachusetts Unfair and Deceptive Trade Practices statute, breach of contract, and breach of the implied covenant of good faith and fair dealing. Generally, C&B alleged that Dunkin' misrepresented the viability and success of its franchise system in Europe, made inaccurate representations as to the financial performance C&B could expect its shops to achieve, did not provide adequate support to C&B, and reneged on a promise to forgive or reduce C&B's debts. In addition, C&B claimed that, despite an unambiguous merger clause in the MFA, Dunkin' orally promised that C&B did not have to pay royalty fees until it became profitable. C&B sought damages in excess of \$8 million, rescission of the MFA, and an award of its costs and attorneys' fees. On November 27, 2018, the parties agreed to settle all their claims without any admission of liability on Dunkin's part and the matter is now closed.

Newburyport Donuts, Inc. v. Dunkin' Donuts Franchising LLC, et al., (Case No. 01-19-0000-7393), American Arbitration Association, filed on March 11, 2019. The Claimants in this commercial arbitration matter contended that the Company rejected their proposal for the development of a new Dunkin' restaurant due to the impact on the sales of a nearby existing Dunkin' restaurant and then subsequently awarded the site to that same owner. The Claimants further alleged that the Company's impact process would not have compensated them fairly and, furthermore, that the Company unfairly dealt with smaller franchisees with respect to development matters. The Company denied the allegations set forth in the Complaint. On November 27, 2018, the parties agreed to settle all of their claims without any admission of liability on Dunkin's part and the matter is now closed.

The People of the State of California v. Dunkin' Brands, Inc., (Case No. E25636618), California Superior Court, Los Angeles County, filed on March 19, 2019. On March 14, 2019, the Company entered into a settlement agreement with the Attorneys General of thirteen states and jurisdictions concerning the inclusion of "no-poaching" provisions in Dunkin' franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees or Dunkin's own employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and Dunkin' from hiring each other's employees. Under the terms of the settlement, Dunkin' agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing such a provision. In addition, Dunkin' agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. 'Dunkin' expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law and, furthermore, that the settlement agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of the Company. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record and the action was closed after the court approved the parties' stipulation of judgment.

The People of the State of New York v. Dunkin' Brands, Inc., (Index No., 451787/2019), New York Supreme Court, filed on September 26, 2019. The NY State Attorney General ("NYAG") filed a lawsuit against Dunkin' related to credential stuffing attacks during 2015 and 2018 on a database that contained information for DD Perks members and individuals who had registered a Dunkin' gift card. The NYAG alleged that Dunkin' was notified by its firewall vendor that over 19,000 Dunkin' mobile customer accounts had been accessed by unauthorized parties over a sample five-day period and the vendor had identified nearly \$40,000 associated with those accounts. The NYAG claimed that attacks resulted in unlawful account acquisition by non-account owners and thus triggered an obligation by Dunkin' under New York law to notify these customers. The NYAG also alleged that Dunkin' failed to adequately investigate the 2015 attacks and that Dunkin's Customer Service Department misled customers about it.

With respect to the 2018 attacks, the NYAG claimed that Dunkin’s notification to customers did not adequately disclose that their accounts had been accessed without authorization. The NYAG also contended that Dunkin’ misrepresented its data security practices and procedures in its Privacy Policy to consumers. The statutory claims raised by the NYAG against the Company included: (1) GBL § 349, which prohibits deceptive acts and practices in the conduct of any business, trade, or commerce or in the furnishing of any service in New York; (2) GBL § 350, which prohibits false advertising in the conduct of any business, trade, or commerce or in the furnishing of any service in New York; and (3) GBL § 899-aa, which requires that businesses disclose a breach of security to all New York State residents whose private information was, or is reasonably believed to have been, acquired without valid authorization. On September 22, 2020, the parties entered into a settlement under which Dunkin’ agreed to communicate with certain DD Perks customers who lived in New York, to take certain data security measures and adopt certain investigative procedures regarding data security issues and pay the New York Attorney General’s Office \$650,000 in penalties and costs. The matter is now closed.

Dunkin’ Donuts Franchising LLC, et al. v. Vicky and Bonny Coffee Express Somerdale LLC, et al. (Case No. 21-cv-17719), U.S. District Court for the District of New Jersey, filed September 28, 2021. Dunkin’ Donuts Franchising LLC, Dunkin’ Donuts Franchised Restaurants LLC, and DD IP Holder LLC (“Dunkin’ Plaintiffs”) filed an action against a group of franchise entities and their owners to enforce the termination of twelve Dunkin’ Franchise Agreements – ten involving franchises in New Jersey, and two involving franchises in Pennsylvania – due to Defendants’ breaches of multiple provisions of the Franchise Agreements. On December 16, 2021, Dunkin’ Plaintiffs filed a Motion for Preliminary Injunction seeking to enjoin Defendants from operating the terminated franchises. On January 24, 2022, Defendants filed an Answer to the Complaint and an Opposition to the Motion for Preliminary Injunction. On February 2, 2022, the parties entered into two Settlement Agreements whereby Dunkin’ Plaintiffs agreed to dismiss the action without prejudice in exchange for Defendants’ agreement to (1) sell the subject franchises per the terms of the Settlement Agreements, and (2) execute a Franchise Termination and Surrender Agreement and Release to be effective upon Defendants’ default of their obligations under the Settlement Agreements. Defendants also agreed to pay Dunkin’ Plaintiffs \$97,000 for reimbursement of attorney fees and costs. On February 4, 2022, the parties filed a Stipulation of Dismissal Without Prejudice.

Dunkin’ Donuts (Canada), Ltd. vs Camasa Ltd. & Camille McLaughlin, Case No. B/C/149/01 (New Brunswick). On March 8, 2001, the franchisor sued the franchisee to cancel the franchise agreements, enforce termination and claim royalties and other amounts owing. The franchisee contested the termination of the franchise agreement and counter-claimed for damages alleging, inter alia, the non-fulfillment of the franchisor’s obligations and various misrepresentations. In October 2012, the franchisee reactivated the file and pursued its counterclaim. In September 2014, the franchisee brought a motion to dismiss the proceedings for delay. The motion was heard August 31, 2015, and the trial judge permitted the proceedings, including the counterclaim to continue. The case was settled on September 17, 2017. The franchisee acknowledged in his release of claims that the settlement was not to be construed as an admission of liability by Dunkin’ and that Dunkin’ expressly denied liability for any of the franchisee’s claims.

Dunkin’ Brands Canada vs Les Services Alimentaires Kojo Inc., et al., Case No. 500-17-076969-131 (Quebec). On November 8, 2012, a group of 5 franchisees in Quebec representing 9 stores collectively sued the franchisor claiming damages in the amount of \$7,199,000 CDN alleging, inter alia, that the franchisor failed to execute its obligations under the franchise agreements and abandoned them during the period of 2008 until the claim was settled on January 9, 2018.

Ram Donuts Inc. v. Dunkin’ Donuts Franchising LLC, et al., (United States District Court for the District of Arizona, Case Nos. 22-CV-00433-TUC-LCK and 22-CV-0455-TUC-JCH). On September 15, 2022, a terminated franchisee, Ram Donuts, Inc. (“Ram Donuts”) filed a complaint in Pima County, Arizona state court against Dunkin’ Donuts Franchising LLC and Baskin-Robbins Franchising LLC

alleging breach of the franchise agreements, declaratory judgment, and breach of the implied covenant of good faith and fair dealing regarding the termination of Ram Donuts' franchise agreements (the "Initial Case"). On September 22, 2022, defendants removed the Initial Case to the United States District Court for the District of Arizona. On September 30, 2022, defendants filed an Answer and Counterclaim against Ram Donuts alleging breaches of the parties' franchise agreements and violations of 15 U.S.C. § 1125. On October 3, 2022, DD IP Holder LLC ("Dunkin' IP Holder") and BR IP Holder LLC (the "BR IP Holder") filed a separate complaint against Ram Donuts, Inc. in the United States District Court for the District of Arizona alleging trademark infringement, unfair competition, and false designation of origin (the "IP Holder Case"). On October 18, 2022, the court consolidated the Initial Case and IP Holder Case. Ram Donuts closed the affected restaurants in October 2022. Dunkin', BR, Dunkin' IP Holder and BR IP Holder deny any liability and intend to vigorously litigate their claims and defenses.

Affiliate Litigation

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate ARG entered into a settlement agreement with the states of Massachusetts, California, Illinois, Iowa, Maryland, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

Except as described above, no litigation is required to be disclosed in this Item.

ITEM 4: **BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

ITEM 5: **INITIAL FEES**

Initial Franchise Fees (20-year term)

You must pay the initial franchise fees ("IFFs") noted below for our standard franchise offerings. The amount of the IFF is determined by the Designated Market Areas ("DMAs") in which your Restaurant will be located, and as those DMAs are sorted below by "Development Area Type."

Development Area Type 1: \$90,000	
Albany-Schenectady-Troy, NY Bangor, ME Binghamton, NY Boston (Eastern, Mass/Southern, NH) Hartford-New Haven, CT New York, NY	Portland, ME Providence, RI Springfield, MA Syracuse, NY Utica, NY

Chicago IL Elmira, NY Ft. Myers, FL Miami-Ft. Lauderdale, FL Orlando/Daytona/Melbourne, FL Philadelphia, PA	Rochester, NY Tampa/St. Pete/Sarasota, FL Watertown, NY West Palm Beach / Ft. Pierce, FL Wilkes Barre/Scranton, PA Youngstown, OH
Development Area Type 3: \$70,000

Burlington, VT-Plattsburg, NY Lancaster/Harrisburg/York, PA Washington, DC	
Development Area Type 5: \$50,000	
Atlanta, GA Presque Isle, ME	
Development Area Type 6: \$40,000	
All other DMAs and geographic areas in the U.S. that are not noted above.	

Notes to IFF:

- We anticipate the DMAs listed in each Development Area Type will change in 2024.
- In our fiscal year ending December 31, 2022, the IFF paid by our franchisees ranged from \$0 to \$90,000 based on factors such as Development Area Type and other factors listed below.
- SDO Development: Except for SDOs developed under the SDO Development Incentive and except for the locations located at Gas & Convenience Restaurants and certain self-Serve Restaurants, the IFF for all SDO Restaurants is 50% of the applicable standard IFF stated above and pro-rated by the length of the term. For example, the IFF due and payable to us at the time you sign your FA will be \$22,500 if the term of the FA is for 10 years and the Restaurant is in Development Area Type 1 (\$90,000 standard IFF). The term for SDO Restaurants is sold in one-year increments to meet the distinctive requirements of each location and the term is not transferable.
- Gas & Convenience Restaurants: The IFF for Gas & Convenience Restaurants (except for Self-Serve Gas & Convenience Restaurants), is the standard IFF in each Development Area Type stated above, pro-rated by the length of the term. Self-Serve Restaurants in Gas & Convenience Restaurants pay 50% of the standard IFF in each Development Area Type stated above and then pro-rated by the length of the term.

- **Combo Restaurants:** If we approve your addition of a Baskin-Robbins restaurant to your Restaurant, you will pay to our affiliate, BR, \$10,000 for a 20-year term Baskin-Robbins franchise and you will need to sign a Combo FA. We may have special incentive offers which reduce or waive the Baskin-Robbins IFF. These special incentives may be offered to existing and/or new franchisees. You will be notified by us in advance, in writing if any reduced fees are available to you. These reduced fees only apply to franchisees who are in compliance with all of our agreements and requirements.
- **SDAs:** In some geographic regions, SDAs will only be offered to candidates who commit to a minimum number of Restaurants. If you are purchasing an SDA, we may offer a payment schedule instead of requiring full payment upon signing. If you are on a payment schedule for a multiple Restaurant SDA, IFFs are payable in full even if you do not open all your required Restaurants. If you do not remain current on your Development Schedule or otherwise default under the terms of the SDA, it may result in termination of the SDA and acceleration of all remaining fees due under the SDA. If you are offered a payment schedule, you will typically be required to make an initial payment upon execution of the SDA and subsequent payments may be based on certain SDA milestone dates (for example, the Required Control Date). For a franchise granted for a new Restaurant that is not part of an SDA, you must pay the entire IFF when you sign the FA.

Renewal Fees

Renewal Fees vary by market and are based on the average annual rate for IFF in the relevant Development Area Type, as described above. For Combo Restaurants, in addition to the renewal fee due to us, you will also pay a renewal fee of \$10,000 to our affiliate, Baskin-Robbins.

Other Initial Payments To Us

- **Real Estate Lease Related Charges:** A security deposit or other charges payable under your real estate lease or sublease may be required before the business opens. If you sublease from us, the security deposit is refundable at the end of the sublease term if, after we receive a final accounting from the landlord under the prime lease, and you have no outstanding financial obligations to us under either your franchise or lease agreements.
- **Training Related Fees Paid to Us:** You will be required to pay an initial online access fee of \$340 per location and thereafter an annual continuing training fee (subscription fee),

which is currently \$340 per location. These fees are quoted as of the date this FDD is prepared and may change. If you own and operate multiple Restaurants, you must continuously manage your network with a minimum number of individuals who have successfully completed our training program to meet operational standards. If your network needs to send you or your employees back through the Dunkin' Brand training program to meet these requirements, there will be a charge for each franchisee team member per class. Payment is due with the registration request. You will be charged a cancellation fee of 50% of the class cost per person per class if you cancel a scheduled class with less than a 5-business days' notice. You will be charged a cancellation fee of 25% of the class cost per person per class if you cancel a scheduled class with less than 10 business days' notice.

- Marketing Start-Up Fee:** In connection with the opening, remodeling or relocation of your Restaurant or Combo Restaurant, you must undertake promotional activities in the manner and to the extent that we prescribe in accordance with our brand standards, which we will provide to you. The brand standards will advise you of the manner and timing of payment for each activity. The minimum required Marketing Start-Up Fee is currently \$10,000 per opening, remodel, or relocation that we approve. The promotional activities are designed to promote the opening, re-opening or relocation of your Restaurant and the fee is spent by you. If you fail to administer these promotional programs yourself, we may require you to pay the fee to us or one of our approved vendors to conduct these activities for you.

If you add a Baskin-Robbins to a standalone Dunkin' restaurant to become a Combo Restaurant, and you are not required to remodel the Dunkin' restaurant, the minimum required Marketing Start-Up Fee is \$5,000. If you add a Baskin-Robbins to a standalone Dunkin' restaurant to become a Combo Restaurant as part of a remodel, the minimum required Marketing Start-Up Fee is \$10,000 (\$5,000 for Baskin-Robbins and \$5,000 for Dunkin').

The Marketing Start-Up Fee for SDO Restaurants (except for those classified as Gas & Convenience Restaurants) is 50% of the Marketing Start-Up Fee stated above and may be waived in our discretion. The Marketing Start-Up Fee for Gas & Convenience Restaurants is the full standard Marketing Start-Up Fee stated above.

Refunds

Unless noted above, all IFFs and other initial payments to us are non-refundable.

Notes:

Unless otherwise stated, all fees are imposed by, paid to and collected by us and are non-refundable. Except as specified below, all fees are uniformly applied to franchisees, however, we may waive or reduce some or all these fees for a particular franchisee in instances where we, in our sole discretion, decide it is appropriate to do so.

- 1.A. For Restaurants you develop under an SDA, you will sign the then-current form of FA. Your fees will be as described in your SDA.
- 1.B. Gross Sales means all revenue related to the sale of approved products and provision of services (including but not limited to direct delivery, catering and/or delivery services through third parties) through the operation of the Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the System; taxes collected from guests on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale.
- 1.C. We may, in limited circumstances, grant franchisees lower CFFs and CAFs, depending on many factors (including a prospective franchisee's experience, financial strength, real estate holdings, ability to obtain suitable sites in competitive or specialized markets, and the number of Restaurants required to be developed). Additionally, we may offer incentives in certain markets, such as new or developing markets, which include reduced CFFs or CAFs. Reduced fees only apply to franchisees who are in compliance with all of our agreements and requirements, and failure to meet an SDA development schedule may void any fee reduction. We may cancel or modify any incentive program at any time. Franchisees who are offered the opportunity to participate in an incentive program may take advantage of the benefit of only one incentive program.
2. Restaurants and Combo Restaurants: The CFF for new Restaurants is 5.9% of Gross Sales, unless you qualify for one of the following incentives.

Select Developing Markets Terms: If you sign a Franchise Agreement or SDA on or before March 31, 2024 to develop one or more traditional Dunkin' Restaurants in in one of the Select Developing Markets DMAs (identified below), and you satisfy the terms and conditions described below, then the CFF will be as follows:

Go West Incentive: If you sign a Franchise Agreement or SDA on or before March 31, 2024 to develop one or more traditional Dunkin' Restaurants located in one of the Go West Incentive DMAs (identified below), and you satisfy the terms and conditions described below, then the CFF will be as follows:

Terms and conditions of the CFF incentives: For the reduced CFF rates to apply under the incentives: (1) the Restaurant must begin operations in compliance with the terms and conditions of the SDA and applicable Franchise Agreement on or before the Required Opening Date listed on Exhibit B to the SDA or within 18 months from the date of the Conditional Real Estate Site Approval Letter; (2) you must build the Restaurant in the design, to the specifications, and at the location we approve; and (3) you must provide us with a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spent in various categories relating to the development and opening of the Restaurant within 120 days after the Restaurant first opens for business. If you do not satisfy these and other conditions set forth in any offer or addendum, then our standard CFF rate of 5.9% of Gross Sales may apply. We may cancel or modify any incentive program at any time. Franchisees who are offered the opportunity to participate in an incentive program may take advantage of the benefit of only one incentive program.

3. We will require you to pay us by electronic funds transfer (“EFT”). You must provide us all the bank and other forms we need to set up or change EFT authorization. We will also require you to report your Gross Sales electronically over the Internet or other electronic means, as we may determine. For each week that you do so, and authorize EFT payment of the corresponding weekly fees, we will deduct the fees from your bank account. You must have computer equipment capable of accessing and using the electronic form. We reserve the right, whether due to system failure or otherwise in our sole discretion, to withdraw the electronic form and designate another form and procedure that you will be required to follow.
4. If your state, or any governmental body in your state, charges a tax on the royalty we receive from you, then you are required to pay an additional earned service fee and royalty equal, in our discretion, to the amount of this tax. This does not apply to any federal or income taxes we must pay.
- 5.A Restaurants and Combo Restaurants: The CAF for new Restaurants is 5.0% of Gross Sales, unless you qualify for one of the following incentives.

Select Developing Markets Terms: If you sign a Franchise Agreement or SDA on or before March 31, 2024 to develop one or more traditional Dunkin' Restaurants in certain Select Developing Markets that we identify, and you satisfy the terms and conditions described below, then the CAF will be as follows:

Duration of Effective CAF	Effective CAF
From Opening to Month 12	2.0%
Month 13 to Month 24	3.0%
Month 25 to Month 36	4.0%
Month 37 and remainder of the term	5.0%

Go West Incentive: If you sign a Franchise Agreement or SDA on or before March 31, 2024 to develop one or more traditional Dunkin' Restaurants located west of the Mississippi River, and you satisfy the terms and conditions described below, then the CAF will be as follows:

For Restaurants that open on or before December 31, 2026	
Duration of Effective CAF	Effective CAF
From Opening to Month 60	2.4%
Month 61 to Month 96	3.4%
Month 98 and remainder of the term	5.0%

For Restaurants that open after December 31, 2026	
Duration of Effective CAF	Effective CAF
From Opening to Month 12	2.0%
Month 13 to Month 24	3.0%
Month 25 to Month 36	4.0%
Month 37 and remainder of the term	5.0%

Terms and conditions of the CAF incentives: For the reduced CAF rates to apply under the incentives: (1) the Restaurant must begin operations in compliance with the terms and conditions of the SDA and applicable Franchise Agreement on or before the Required Opening Date listed on Exhibit B to the SDA or within 18 months from the date of the Conditional Real Estate Site Approval Letter; (2) you must build the Restaurant in the design, to the specifications, and at the location we approve; and (2) you must provide us with a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spent in various categories relating to the development and opening of the Restaurant within 120 days after the Restaurant first opens for business. If you do not satisfy these and other conditions set forth in any offer or addendum, then our standard CAF rate of 5.0% of Gross Sales may apply. We may cancel or modify any incentive program at any time. Franchisees who are offered the opportunity to participate in an incentive program may take advantage of the benefit of only one incentive program.

- 5.B You must participate in marketing, advertising, and other programs and pay increased CAFs supported by the votes of two-thirds of the Restaurants in the market in which your Restaurant(s) is located with respect to local programs, and in the Continental United States, with respect to national programs.

Other areas may also have higher CAFs. Voting can be either one vote per franchisee or one vote per Restaurant, usually determined according to the practices of the Restaurant's local Ad Council (see Item 11), unless we decide otherwise. We have the right to designate or change the composition of Restaurants to be included in the local market base for purposes of compiling votes. We usually

do not vote unless we operate one or more Restaurants in the DMA, and we usually follow the practices of the local Ad Council. Once approved, such programs typically continue for a specified duration. A new Restaurant is required to support existing programs, even if adding the new Restaurant might alter the vote as taken at the time of the programs' inception.

6. Beginning in August 2022 for Dunkin' Restaurants in California, and in October 2022 for all other Dunkin' Restaurants nationwide, Dunkin' Restaurants must participate in our and our affiliates' newly launched consumer loyalty program (the "Loyalty Program"). All Dunkin' Restaurants in the United States must participate in the Loyalty Program, excluding Dunkin' Restaurants that we determine do not have compatible technology.

You must enter into the Loyalty Program Participation Agreement attached to this disclosure document as Exhibit N when you sign the Franchise Agreement. Under the Loyalty Program Participation Agreement, you must contribute the Loyalty Program Contribution Payment ("LCP") to the Loyalty Program fund (the "Loyalty Fund"). The LCP contribution percentage (the "LCP Rate") will vary based on when the Loyalty Program Sales accrue:

Year/Period Loyalty Program Sales Accrue (based on our fiscal years)	LCP Rate Maximum
August 2022 through 2024	1.6% of Loyalty Program Sales
2025 through 2026	1.4% of Loyalty Program Sales
2027 and beyond	1.2% of Loyalty Program Sales

"Loyalty Program Sales" means Gross Sales to Loyalty Program members for in-store sales of eligible products at the Restaurant. We and our affiliates will periodically determine product eligibility based on our and our affiliates arrangement with the Dunkin' Brand Advisory Council ("BAC").

When a Loyalty Program member redeems rewards at the Restaurant, you will receive a reimbursement from the Loyalty Fund equal to the National Average Product Cost (including packaging and paper) (the "NAPC") for the redeemed item. We will reimburse you by ACH transfer on a weekly basis for reward redemptions at the Restaurant based on the NAPC for each item. You must pay any taxes due on the reimbursements made to you under the Loyalty Program. We, our affiliates and the BAC will periodically determine the NAPC for each product. We or our affiliate will develop new reports to allow you to track your Loyalty Program Sales, redemptions and reimbursement payments.

We and our affiliates will administer the Loyalty Fund and have the right to establish, implement and change any Loyalty Program terms and conditions upon reasonable notice to you, provided that certain changes are subject to BAC approval, such as lowering redemption point amounts, adding new redemption categories, or adding or removing membership tiers.

We will use the LCPs deposited into the Loyalty Fund to advance the Loyalty Program only and not for general or administrative expenses, such as our headcount. We or our affiliate will provide a loan to the Loyalty Fund, which we anticipate to be approximately \$3 million, to cover the expected initial shortfall of LCPs, which we plan to repay from available Loyalty Fund assets over time (without interest). The Loyalty Fund will be kept in a segregated interest-bearing bank account. Any excess amounts in the Loyalty Fund at the end of any calendar year will be rolled forward into the next calendar year. An independent, third-party accountant will audit the Loyalty Fund annually.

7. If you have not operated the Restaurant for at least three full years before an asset or stock transfer occurs, you will pay the transfer fee noted in the applicable chart below, plus \$12,500 for a *Dunkin'* restaurant or \$20,000 for Combo Restaurant. When a franchisee sells a Restaurant to another franchisee, we do not allow the seller and buyer to enter into their own non-competition covenant outside the terms of the FA.

If the transfer occurs after the third year of operation, you will pay the transfer fee noted below. We reserve the right to select another period, or to make appropriate adjustments to such Gross Sales, if extraordinary occurrences (e.g., road construction, fire, or other casualty, etc.) materially affected the Restaurant's sales during the trailing 12-month period. If we elect to purchase the Restaurant by exercising our right of first refusal, the seller must still pay us the required transfer fee.

Dunkin' only:

Gross Sales for Trailing 12 Month Period	Transfer Fee
Less than \$400,000	\$5,000
\$400,000 or more, but less than \$600,000	\$6,000
\$600,000 or more, but less than \$1,000,000	\$8,000
\$1,000,000 or more, but less than \$1,400,000	\$12,000
\$1,400,000 or more	\$20,000

Combo Restaurant:

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000	\$12,500
\$400,000 or more, but less than \$600,000	\$13,500
\$600,000 or more, but less than \$1,000,000	\$15,500
\$1,000,000 or more, but less than \$1,400,000	\$19,500
\$1,400,000 or more	\$27,500

8. Instead of the transfer fee above, we will only charge the applicable then-current Fixed Documentation Fee for (a) a transfer of interest that does not result in a Change of Control (as defined below), (b) if any of the interests transfer to the spouse(s) or children of the original signatories, or (c) if all the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated. The Fixed Documentation Fee for transfers is currently \$2,000 per Restaurant. There will be an additional fee of \$2,000 for each transferee that is not previously approved or that needs to be re-approved. The FA issued to you and your new shareholders, your spouse and/or children, will be the form of FA that we are then offering at the time of transfer (including among other things the then-current transfer fee provision).

“Change of Control” means either (i) a transfer of majority interest from an original signatory to another, or (ii) any transaction or series of transactions that, either alone or together with other previous, simultaneous, or other proposed transfers, whether related or unrelated, will have the result of the original signatories holding an aggregate of less than 50% of all interests in the franchisee (reference to “interests” includes direct, indirect, or beneficial interests). For the avoidance of doubt, for any transfer under part (i) above that results in a Change of Control, then the transfer fees required under Sections 13.2.1 and 13.2.2 of the FA, as applicable, will apply.

9. The requirements for transfers of an SDA are the same as those for transfers of franchises. The \$10,000 SDA transfer fee is due and payable for a transfer of interest that results in a Change of Control (as defined in the paragraph above) and in addition to the transfer fees for operating Restaurants that may be part of the same transaction. Instead of the transfer fee, we will only charge our then-current Fixed Documentation Fee if the original signatories to the SDA retain more than 50% of the shares after the transfer, or if any of the interests transfer to the spouse(s) or children of the original signatories or if all the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated. The Fixed Documentation Fees for transfers is currently \$2,000. There will be an additional fee of \$2,000 per transferee if not previously approved or needs to be re-approved.

10. If you lease the premises from us or one of our wholly owned affiliates, then you will pay us (or our wholly owned affiliate) a monthly fixed rent set forth in your lease. You may also pay us percentage rent regardless of whether the prime lease requires percentage rent. The amount of percentage rent varies and will be set forth in your lease. Our leases are customarily "net-net-net" leases, which means you must pay all related costs of occupancy such as real estate taxes, insurance, all maintenance and repair costs, utilities, common area maintenance charges, and other costs.

If you lease the premises from a third-party and we guaranty your lease obligations to your landlord, you will sign our standard form of Lease Guaranty Fee Agreement and you will pay us a lease guaranty fee which will vary based on a number of factors. We may require the lease guaranty fee payment to be a one-time up-front payment, annuity, or another structure.

11. You also will have to pay other fees to other parties (such as landlords, vendors, contractors for remodeling and refurbishing, governmental agencies, utilities, communications companies, etc.) in connection with your business operations. If you are buying an existing Restaurant, you may be required to pay the costs of a third party (such as a title company) to assist with the processing of documents. You may be required to pay this third party directly or reimburse us if we incur the cost.

ITEM 7:

The tables below include cost ranges according to the type of Restaurant. The definitions for these Restaurant types are as follows:

* IFFs for SDO Restaurants are 50% of the standard IFF for each Development Area. (See Item 5.)

Notes to Tables 7a, 7b, 7c, and 7d

1. **Initial Investments Costs:** Your initial investment for a new Restaurant depends primarily upon: (1) the number of Restaurants you acquire and/or develop; (2) their size; (3) their configuration; (4) their location; (5) who develops the real estate for and/or constructs them; and (6) the amount and terms of financing. The initial funds required must be estimated since most costs are not within our control and may change at frequent intervals. These figures are estimates only and we cannot and do not guarantee that your costs will fall within the stated ranges. These estimated ranges are based on our experience and information provided by franchisees. Costs are constantly changing, and your costs may be higher. You should diligently investigate all potential costs before proceeding.
- 2a. **Building Costs:** Building costs include the cost to construct a building, but does not include the cost to purchase the real estate. We estimate that a freestanding building will cost \$83 - \$566 per square foot (estimating 750 - 3100 square feet). We estimate that a Shopping Center/Storefront building

will cost approximately \$59 - \$378 per square foot (estimating 600 - 2,800 square feet). We estimate that a Gas/Convenience building will cost \$56 - \$340 per square foot (estimating 600 - 2,300 square feet). We estimate a SDO building will cost \$66 - \$523 per square foot (estimating 250 square feet of sales/service area and approximately 280 square feet of support area on average). Building costs vary by geographic location. Site development costs include the costs to develop the land and other site improvements, including exterior landscaping, electrical and water hookup, paving, sidewalks, lighting, etc. Some local governments may charge an additional amount for utility connections to offset their costs for maintaining water and sewer plants; these amounts are not included in the above figure. Costs can be higher if soil problems or other environmental issues are encountered. These ranges do not include unusual costs to bring utilities to the property for hookup or government imposed "impact fees" (see Note 7). Buildings that have a drive-thru window tend to cost more to build and take longer to build than Restaurants without a drive-thru window due to permitting, design and other factors.

The low end of the range above is the estimated cost for you to negotiate a build-to-suit lease in which the landlord incurs most development costs, and you make a lease deposit. These estimates are based on our experience and information provided by franchisees.

Your rent will likely be based on development costs and reflect a rate of return on the landlord's initial investment, as well as other factors. Commercial leases are typically "triple net" leases, requiring you to pay rent, all taxes, insurance, maintenance, repairs, common area maintenance costs, merchants' association fees and all other costs associated with the property. Rent will likely exceed the landlord's cost of leasing or financing the purchase of the location. You may also have to pay percentage rent. When we lease or sublease to you, your rent will also likely exceed our cost of leasing or financing the location. You may also have to make an initial payment into an escrow fund to cover estimated real estate taxes. We cannot predict the cost if you choose to buy the land on which the Restaurant will be developed.

- 2b. Additional Development Costs: Additional development costs include, among others, architectural, engineering, and legal fees. These estimates do not include extraordinary costs due to extensive redesign, permitting, variances, environmental issues, legal obstacles, etc.
- 2c. Real Estate Costs: Real estate costs vary considerably according to the type of Restaurant, real estate values in your area, your real estate interest (leasehold or ownership), location, size of the site, code requirements and other factors, including labor, as well as whether you, your landlord, or we develop the Restaurant. Depending upon how your deal is structured, you may pay some or all the actual cost. Factors that typically affect your real estate costs include your cost to negotiate your lease (or buy the property), fair market lease values and lease terms in your area, how the costs to renovate or develop the land, building and other site improvements are allocated between landlord and tenant and interest costs, among others. Lease terms are individually negotiated and may vary materially from one location or transaction to another.

Your building costs referenced in Note 2a may be significantly lower if we or your landlord develops the location, but your real estate costs, including your annual rent, will probably be higher. In fact, the low end of the ranges provided in Note 2a is the estimated cost for you to negotiate a build-to-suit lease in which the landlord incurs most development costs, and you make a lease deposit. Your rent will likely be based on development costs and reflect a rate of return on the landlord's initial investment, as well as other factors. (See Note 2a.) If you elect to buy land it can cost an additional \$100,000 to \$1,200,000 (or more).

3. Equipment, Fixtures and Signs: This amount includes estimated costs of furnishings, installations, equipment, trade fixtures, small-wares and certain other items on the Restaurant's premises, the amount, and specific items of which will vary depending upon the location, size and condition of a particular Restaurant. Cost range includes tax and delivery estimated at 10%.
4. Restaurant Technology System: The price ranges reflect equipment configurations and solution costs, site preparation and installation for two to four POS systems for non-SDO Restaurants and one to three POS systems for a SDO restaurant. The price ranges do not include any optional equipment. The number of POS systems needed for your Restaurant will depend on the size and configuration of the Restaurant and whether you have a drive-thru window. The cost for drive-thru equipment is included in the above. If your Restaurant does not have a drive-thru, your costs will be approximately \$7,000 to \$44,000 less. The price ranges also reflect the configurations and solution costs, site preparation and installation for the Restaurant Technology system components that are required (not including the POS system). Please note that in addition to the cost of the POS system equipment, you will be required to pay monthly and/or yearly maintenance and user fees. (See Item 11 for additional details.)
5. Opening Inventory: Before opening a Restaurant, you must purchase an initial inventory consisting of products from suppliers approved by us. The assortment and number of these items will be based upon the size and configuration of your Restaurant. The estimated cost for the opening inventory of these products varies for different locations, seasons, and the storage capacity of the restaurant. Your initial inventory of merchandise and supplies needed for the operation of your Restaurant will include raw ingredients and products for resale, containers and other paper, plastic or similar goods, maintenance and cleaning materials, office supplies and miscellaneous materials and supplies.
6. Miscellaneous Opening Costs: The range includes costs for pre-opening franchisee employee training payroll, utility deposits (e.g., gas, water, electricity, and telephone); petty cash (including cash register "Opening Banks"); distribution center refundable fees for Restaurants that receive distribution center deliveries, and miscellaneous expenses (e.g., interior landscaping plants, sound system, office supplies, licenses, permits, and banking pre-opening costs). Some of these costs may not be applicable to SDO and Gas & Convenience restaurants.
7. License, Permit Fees and Deposits: The range does not include government imposed "impact fees." We estimate such fees, when imposed, can be \$87,000 or more in some markets. Some local governments may also require a performance bond, which is not included in the range.
8. Insurance: You must provide insurance coverage in accordance with our published standards (as amended from time to time), including but not limited to commercial general liability coverage with minimum limits in the amount of \$2,000,000 per occurrence, employment practices liability coverage with minimum limits in the amount of \$1,000,000 per occurrence, all risk property coverage including, but not limited to, flood and earthquake protection, plate glass coverage, and employers liability and workers' compensation insurance, and maintain other insurance in accordance with our published standards (subject to change), and maintain other insurance in accordance with state law requirements. Some property owners may require higher levels of commercial general liability insurance or other insurance coverage under their leases. You also must name us and our owners and affiliates as additional insureds under the required insurance policies. Initial premiums for commercial general liability are subject to change due to market forces beyond either of our control. The cost of other coverages, including required workers' compensation coverage and your discretionary purchases, varies widely. Your premium may be higher based upon your risk profile. You should discuss with your insurance carrier/agent whether or not these costs need to be paid in full before opening or whether they can be budgeted. Some

insurance carriers will offer an installment option, requiring a 20% - 25% down payment, before opening. Failure to maintain such insurance may result in loss of your franchise and additional financial obligations.

9. Training Related Expenses: We pay the cost of presenting the initial training program for the required number of participants based on network size. However, you must pay for uniforms, accommodations, wages, and travel expenses, if any, for you and your employees. You will need to have an electronic device and wifi as necessary to access training. If you attend the initial training program in a location other than one of our training facilities, then you may be charged certain additional costs such as travel and related expenses for the trainers, the costs for the meeting room and such other costs as may reasonably be incurred. You must also pay for training programs conducted during the term of your Franchise Agreement if we believe such training is needed. The above estimated ranges of costs are for two individuals attend the Dunkin' initial training program for four to eight weeks (depending on production platform and the opportunity to support a new restaurant opening), including transportation, board, lodging, sanitation exam and uniforms. If a third or fourth person is required to attend the training (based on the size of your SDA or network), the costs will increase proportionately. There may also be additional training time needed to achieve required competency levels. The amount of time required is a function of the individual's ability to personally demonstrate the competencies. This may increase your cost for travel, hotels and meals for you and/or your designated representative. If you live close to the training facility, your costs will probably be on the lower end of the range. Any wages or salaries that you may pay your employees while they attend training are not included in these estimates. You must also maintain worker's compensation insurance coverage for your employees while they are in training. You will be charged a cancellation fee of 50% of the class cost per person per class if you cancel a scheduled class with less than a 5-business days' notice. You will be charged a cancellation fee of 25% of the class cost per person per class if you cancel a scheduled class with less than 10 business days' notice. All cancellation fees must be paid in full before a participant can register for any future classes.
10. Marketing Start-up Fee: Marketing Start-Up fees are used to promote the opening (or re-opening) of your Restaurant and are applicable for new, remodeled or relocated Restaurants (See Item 5).
11. Working Capital: You may or may not need working capital to support ongoing expenses that are not covered by sales revenue. New businesses may generate negative cash flow. These figures are estimates and we cannot guarantee that you will not have additional expenses in the first three months of operation. Your costs will depend on factors such as how well you follow our methods and procedures, the sales volume of your restaurant, your management skill, experience, and business acumen, local economic conditions, the local market for our product, the prevailing wage rate, competition, your rent structure, and your restaurant site type.
12. Financing: We do not typically offer financing of any of the above costs.
13. Other Costs and Variables: The typical freestanding Restaurant has eating areas seating from 10 to 40 customers. Larger Restaurants have walk-in refrigeration/freezer unit included in the gross square footage. Some projects may allow the walk-in refrigeration/freezer unit to be located outside of the building structure. Restaurants may only be serviced by authorized manufacturing facilities. Some projects for SDO and Gas & Convenience (less than 1,000 square feet) may require supplemental dry and/or cold storage.

To ensure that an adequate supply of acceptable product is available for sale at the Restaurant, products must be transported in a suitable vehicle and in suitable containers on a schedule and in a

manner acceptable to us in compliance with federal, state, and local regulations, as well as our quality, freshness, and other standards. You will be required to purchase a delivery vehicle which meets certain standards. The estimated total does not include the cost of a delivery vehicle. Usually only one delivery vehicle is needed for each network of Restaurants. Additional vehicle(s) may be required, depending upon the size and design of the vehicle, the number, time, and number of deliveries, the distance between deliveries, and other factors.

Restaurants may vary from one another in many respects. For example, Restaurants in urban trade areas may be multi-level with kitchen, storage, sales, and seating areas on two or more levels, or have limited or no seating. Kitchen, storage, and sales areas may be smaller than Restaurants in other areas. Specially designed equipment may be necessary. Urban Restaurants may have no dedicated parking, require elevators, specially designed doorways, have limited access and require greater security measures. This may require special arrangements for deliveries of raw materials, products, and supplies to and from the Restaurant. Trash may require special handling, such as daily pickup. On average, urban Restaurants sell more individual products than, for example, dozens or half dozen doughnuts, which may increase the unit cost of products sold. Labor costs may be higher in urban Restaurants due to a wide variety of factors, including Restaurant configuration, competition for available workers, minimum wage requirements and other factors. We encourage you to talk to franchisees who operate Restaurants in similar trade areas to gain a better understanding of how your trade area may vary.

14. Permitted Financing: You cannot borrow more than 90% of (i) the initial investment in the building, site and additional development, equipment, fixtures, and signs for new Restaurant or (ii) the purchase price for existing Restaurants.
15. Combo Restaurants: The costs to develop a freestanding Combo Restaurant are similar to the costs to build a freestanding Dunkin' Restaurant. Combo Restaurants will have an additional equipment component that is further detailed in Item 11 of this FDD. You will also find build costs for the Baskin-Robbins portion of the Combo Restaurant in the Baskin-Robbins FDD. We encourage you to talk to franchisees who operate Combo Restaurants in similar trade areas to gain a better understanding of how your costs may vary.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must conform to our high and uniform standards of quality, safety, cleanliness, appearance, and service. We anticipate that our standards will change over time, and you are expected to adhere to these changes.

All food and beverage products, supplies, equipment and materials of your Restaurant(s) and services to your Restaurant must meet our specifications, standards, and requirements. You must purchase these items from suppliers that we approve (including manufacturers, distributors and other providers of goods and services). Currently, there are no items for which we or any of our affiliates are approved suppliers or the only approved suppliers.

To our knowledge, there are no approved suppliers in which any of our officers or directors own an interest (not counting interests possibly owned through mutual funds).

Every supplier must demonstrate to our satisfaction that it can meet all specifications, standards, and requirements and has adequate capacity to supply our franchisees' quantity and delivery needs, which may mean, among other things, the ability to supply all franchisees in the System. Suppliers must agree to

the quality assurance requirements described in the Quality Expectations Acknowledgement before being approved. We do not anticipate making this document or any other aspects of our supplier approval process available to you. We do make our specifications available to approved suppliers, but our specifications are not available to you. Before approving any supplier, we may take into consideration: (a) consistency of products and/or name brands in (and between) our System; (b) economies of scale achieved by larger volumes; and (c) certain other benefits that a particular supplier may offer, such as new product development capability. When approving a supplier, we take into consideration the System as a whole, which means that certain franchisees may pay higher prices than they could receive from another supplier that is not approved. We reserve the right to withhold approval of a supplier for any reason. A list of approved suppliers is available on request. You can expect that the items you will have to purchase from approved suppliers in accordance with our specifications represent over 95% of the total purchases for establishing and operating the franchised business. Suppliers are required to share shipping, distribution, and all other information with us, and you will be required to cooperate.

If you wish to use a supplier we have not previously approved, you and/or the supplier may request approval by submitting the request to us in writing. Our criteria for approving alternative suppliers is not available to you or your proposed suppliers. We may require that samples from the supplier be delivered to us or to a designated independent testing laboratory for testing prior to approval and use. We expect that the cost of testing will range from \$1,000 to \$10,000 depending on the complexity of the products or services. All requests will be reviewed in accordance with our then-current procedures, and we will take into consideration our available resources, which may affect the timing of our response. The supplier must meet our then-current specifications, standards, and requirements, which may include signing a non-disclosure agreement and a guarantee of performance. We may change our specifications, standards, and requirements at any time. There is no limit on our right to do so. If the supplier that you propose is initially approved or disapproved, we will notify you and the supplier within 90 to 180 days depending on the nature of the products or services. We may withdraw our approval at any time if the supplier's performance does not meet our criteria, we change our specifications, standards or requirements or other reasons. You or the supplier will be required to reimburse us for all costs that we incur in the testing and approval process whether the supplier is approved or not.

We may limit the number of potential suppliers that we consider for approval and for some categories of products we have and may in the future designate a third party or ourselves as an exclusive supplier. We have exclusive supplier arrangements for some categories of products or services, including purchasing, distribution, fountain and packaged beverage products, and certain restaurant technology.

Dunkin' Approved Bakery Manufacturers

In selected markets, we have approved third-party manufacturers to manufacture using approved sources and deliver approved donut and bakery products to certain franchises. Franchisees must, on a form we approve, commit for a defined period to purchase from such manufacturer their requirements for donut and bakery products that we designate. Manufacturers are required to produce and deliver the products according to our standards, specifications, and protocols. We may also require you to secure an approved back-up source of supply for these products. In some instances, franchisees may be required to transport their own products using suitable vehicles and in suitable containers on a schedule and in a manner acceptable to us in compliance with federal, state, and local regulations, as well as our quality, freshness, and other standards. In such instances, you will be required to purchase a delivery vehicle, which meets certain standards.

Restaurant Technology Systems

You are required to purchase, install, and use an electronic point-of-sale (“POS”) cash register system (“POS System”) that we approve. (See Item 11.)

Revenues Received by Us or an Affiliate in Consideration of Your Purchases

Restaurants owned and operated by our affiliate receive prices, patronage discounts, and/or allowances from suppliers on the same basis as other franchisees.

If you lease the premises from us or one of our subsidiaries or affiliates, we may derive revenue from you in the form of base and percentage rent payments, tax, common area and other payments. In some cases, your payments to us may exceed our costs.

If you buy an existing Restaurant from us, we may derive profit from your acquisition in excess of our cost to acquire and, in some cases, refurbish or remodel the Restaurant. We occasionally sell our real estate interest in a Restaurant to the franchisee that holds the FA for the Restaurant.

In the fiscal year ending December 31, 2022, Dunkin’ entities (including us and our related Dunkin’ affiliates), had total U.S. revenues of \$810,840,991. Of that amount, rental revenue from franchisees represented 15.9% (\$128,695,183) and revenue from required purchases represented 0.4% (\$2,949,861). Revenue from required purchases generally means revenue received by Dunkin’ entities resulting from fees earned from franchisee access to online training programs required by the FA and fees earned based on usage of automated teller machines located within Dunkin’ Restaurants.

Other suppliers may contribute money to the applicable advertising fund or to other marketing and sales promotion programs. This money may be for their portion of a joint marketing program. Other than the above, no other revenue was derived by us or our affiliates from required purchases and leases by franchisees of products and services in the most recently completed fiscal year.

Distributor Commitment Program

We have entered into an agreement with the National DCP, LLC (“NDCP”) under which we have appointed them as the exclusive purchasing and distribution entity for the Dunkin’ System. The NDCP is a Delaware limited liability company owned by Dunkin’ franchisees. We approve all suppliers of products as part of this program. The NDCP may purchase, on behalf of participating Restaurants, quantities in excess of current short-term Restaurant needs. Advance purchases may occur for any business reason, including to minimize the impact of anticipated price increases, shortages, or outages. While participation in the NDCP is voluntary, the NDCP is the exclusive purchasing and distribution entity for the System and virtually all franchisees participate in the NDCP, so your ability to access alternative supply and distribution may be very limited. The NDCP is organized as a cooperative to pass on savings to its members through lower prices and patronage dividends. The corporate office for the NDCP is in Duluth, Georgia. Distribution Centers of the NDCP are in Bellingham, Massachusetts (Northeast), Groveland, Florida (Southeast), Westhampton, New Jersey (Mid-Atlantic), Lockport, Illinois (Midwest), Twinsburg, Ohio (MW) Colonie, New York (Upstate NY), Greensboro, North Carolina (Carolinas), McDonough, Georgia (Central Southeast) and Phoenix, Arizona (SW). (Note that these regions are different from regions described elsewhere in this FDD). To obtain goods and services from the NDCP, you are required to become a member. To become a member, you must execute a membership agreement that requires you to exclusively purchase your food and supply requirements, as well as certain services, that the NDCP offers to its members for sale. The membership agreement requires, among other things: (i) payment of a one-time membership fee, which is currently \$2,500 per participating Restaurant; (ii) providing a personal guarantee

to the NDCP; and (iii) agreeing to the then-current membership terms applicable to like members, including payment terms.

We have no control over such membership fees, which may change. You should check with the NDCP for a description of membership or other fees.

As an operator of Restaurants, we participate as a member of the NDCP. In addition to participation through our affiliate-owned restaurants, we also elect one voting member to the NDCP Board of Directors. This position is currently held by our Chief Growth Officer.

We and/or the NDCP may negotiate purchase arrangements or terms (such as price) with suppliers for the benefit of franchisees and the System as a whole. We reserve the right to receive fees or other consideration in exchange for rights licensed or granted, or services rendered to third parties, including vendors. We do not guarantee the availability of independent sources of supply for any particular product or service required to establish or operate your Restaurant.

We do not provide any material benefits to franchisees in return for their purchase of particular products or services or using designated suppliers.

Loyalty Program:

You must fully participate in any loyalty program that we require, including the Loyalty Program. You must comply with all requirements of the Loyalty Program as we may periodically modify them. These requirements include supporting and participating in the Loyalty Program, maintaining sufficient funds in your account to enable the successful transfer of funds on a weekly basis, following required procedures for settlement of funds, and other matters we periodically determine. Other than the Loyalty Program, you must not, internally or through a third party, participate in any other mobile or online ordering, purchasing or payment program or other proprietary, closed network, online stored value card program at or through a Dunkin' or Baskin-Robbins Restaurant. You may participate in Hospitality Programs. "Hospitality Programs" are card programs that (1) the Restaurant is required to participate in based on the host of the Authorized Location (where the host is an entity within whose broader rules of operation the Restaurant must operate, such as a school, university, or military PX); and (2) do not use the Trademarks on the cards.

FINANCING**

We do not offer direct or indirect financing. We do not guarantee your note, lease, or obligation.

**ITEM 11:
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING**

(1) **Franchisor's Assistance**

Except as listed below, we are not required to provide you with any assistance.

Initial Services:

If you are acquiring a Store Development Area by executing an SDA, we will determine the Store Development Area, the number of Restaurants you must develop, and the development schedule. This information will be included in a schedule to your SDA.

The following are our obligations before or at the opening of your Restaurant:

1. Most Restaurants are developed by franchisees who find their own locations. Many franchisees negotiate their own real estate interest in their Restaurant location. If you are developing a new Restaurant, we will approve the location if it meets our standards. Our approval of a location is not and should not be considered a guarantee of success at that location. We will provide you with a copy of our standard plans and specifications for the brand(s) and type of Restaurant you will develop. You must conform the premises to all codes and ordinances and obtain all required permits. You must construct the location to our standards and subject to our approval. (See Section 3 of the SDA, Contract Data Schedule G, and Sections 3 and 8 of the FA).

2. We will provide you the standards for designing, constructing, and equipping your Restaurant. (See Section 3 of the FA).

3. If you are opening a new Restaurant, we will make an initial training program available to you and/or your designated representative. If you are purchasing an existing Restaurant or need to have additional individuals attend training, you will pay an additional fee. You (and/or your designated representative) must successfully and timely complete the training program to become (or remain) a franchisee. (See Section 4 of the FA)

Site Selection:

For new Restaurants, we may select the site, or we may approve a site that you select and propose. Factors affecting our decision generally include location, occupancy costs, proximity to major retail activity, traffic volume and speed, density of nearby population (resident or daytime), competition and potential for encroachment on other Restaurants of the same brand, site configuration, parking, accessibility, visibility, signage permitted by the landlord and local governmental authorities, and other factors.

If you submit a site for our consideration, you must provide us with all required information about the site. You must not sign a lease for a site before we approve the site unless the lease is conditioned upon our site approval. For each Restaurant you lease, you must also obtain an executed copy of our Option to Assume Lease, attached as Exhibit G, from your Landlord. You may not begin any construction on a site until we have approved the site. We do not typically pay “finders’ fees” for sites. We also do not generally own or take a prime lease on real estate and then lease it to our franchisees. We are not required to assist you in negotiating the purchase or lease of the site, but we may do so in some cases.

To develop a new Restaurant(s), you may be required to sign an SDA. Under SDAs, you are responsible for locating and securing sites within specified boundaries. You cannot develop a site until we approve it. We will not reimburse you for any costs you incur with respect to any location that you submit to us for approval. While we try to promptly review nominated sites, there is no specified time period in which we must respond to your approval request. If you request renewal of your SDA, we will reassess the potential of the Store Development Area for further development (See Section 4 of the SDA).

We will provide you standard, generic plans and specifications for the improvements, furnishings, fixtures, and decor of the type of Restaurant approved for your site. You must then, at your expense, have specific plans and specifications for construction or conversion of the space for the Restaurant (and conforming to local ordinances and building codes, as well as obtaining the necessary permits) prepared by a licensed architect. Before you may begin construction, we must approve these plans and specifications and any changes made during construction in writing. All construction will be at your sole expense. Within 90 days following the opening of the Restaurant you are required to provide us with information regarding the costs you incurred to build the Restaurant on a form we provide to you. Failure to provide this cost information may impact your right to pursue future development of Restaurants.

You must ensure, before the opening of the Restaurant, that the Restaurant is accessible to and usable by persons with disabilities and meets the Standards for Accessible Design for new construction in the ADA Accessibility Guidelines (“ADAAG”), or any more stringent accessibility standard under applicable federal, state, or local law.

Time Required to Open Business:

The typical length of time between the signing of the SDA and the opening of the first Restaurant for business under an SDA is 8 to 15 months. If you do not open one or all the Restaurants in accordance with the Development Schedule set forth in the SDA, then we will have the right to terminate the SDA and any accompanying FA. (See Section 3 of the FA and Section 8.b. of the SDA.)

The above time estimates do not include relocations. In addition, there may be an additional three to six months between the time you initially identify a site and the date on which you sign a FA. Factors affecting the elapsed time include lease or purchase negotiations, zoning procedures, financing applications, local ordinances, local approvals, obtaining licenses and permits, construction delays, weather conditions, shortages, delays in installing equipment and signs, development or construction not in accordance with our requirements, labor disputes, acts of God and other reasons. If you do not present an acceptable site to us, or if we otherwise do not approve a site that you have presented, then you may not open your Restaurant.

Continuing Services:

The following are our obligations during the operation of your Franchise:

4. We will maintain a continuing advisory relationship with you, providing such assistance as we deem appropriate regarding the development and operation of Restaurants. (See Section 2 of the FA.)

5. We will provide you with Standards for the location, physical characteristics and operating systems of Restaurants and other concepts; the products that are sold; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the marketing of products and our brand; and all other things affecting the experience of guests who patronize our System. We make those standards available to you in our Manuals and in other forms of communication, which we may periodically update. (See Section 2 of the FA.)

6. We will review advertising and promotional materials that you propose to use. (See Section 6 of the FA.)

7. We will administer the Dunkin' Advertising and Sales Promotion Fund (the “Fund”) and direct the development of all advertising, marketing, and promotional programs for the System. (See Section 6 of the FA.)

8. If you request renewal of your SDA, we will reassess the potential of the Store Development Area for further development. (See Section 4 of the SDA.)

(2) Advertising

Advertising Cooperatives:

We do not require or employ any advertising cooperatives. We do, however, administer and direct the development of advertising and promotional funds as described below.

Your Own Advertising:

Under certain circumstances, you may use your own local advertising. To do so, you must follow our Brand guidelines and obtain our prior written approval of all your local advertising and promotional plans and all materials you would like to use, and it will be at your expense.

Sale of Franchises:

Except as expressly disclosed below, none of the advertising fees collected from franchisees are used to pay to advertise or promote the sale of our franchises.

Franchisor Restaurants:

Restaurants owned by our affiliates (if any) contribute to the Fund on the same basis as other franchisees.

The Fund:

We have established and administer the Fund, and direct the development of all advertising, marketing, and promotional programs for the System.

We determine the content of all activities of the Fund, including the media selected and employed, as well as the area and Restaurants targeted for such activities. Advertising may be disseminated in various types of media (e.g., print, radio, television, the Internet, billboards, social media, mobile applications, and others). At our discretion, the scope of individual advertising programs may be local, regional, or national. We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to the Fund, or to ensure that you benefit directly or on a pro rata basis from the Fund's activities. As of the date this FDD was prepared, most advertising funds are spent for national programs.

We currently engage several outside agencies to provide advertising content for the Fund.

The Fund's fiscal year coincides with our fiscal year. The Fund's fiscal year coincides with our fiscal year. At the end of the most recently concluded fiscal year (December 31, 2022), the following unaudited percentages of funds received were spent on production (4%); media placement (48%); point of purchase ("P.O.P.") materials (4%); promotions (4%); administrative (11%); and other (28%). "Other" includes market research, sponsorships, readiness kits (to prepare you and your staff for marketing programs), public relations, sports marketing, agency and professional fees and other items.

We may use up to 20% of CAF contributions to, at our discretion, provide for the administrative expenses of the Fund and for programs designed to increase sales and further develop the reputation and image of the Dunkin' Brand. As part of administrative expenses, the Fund pays us amounts equivalent to salaries, benefits, and other compensation expenses, travel, rent, and other expenses incurred by us in connection with our administration of the Fund. The balance of the CAF contributions, including any interest earned by the Fund, is used for related expenses, which include various marketing and promotional activities and the costs to prepare, produce and distribute advertising, marketing, and related materials.

Contributions to the Fund not spent in the fiscal year in which they accrue are first used to offset any deficit carried over from the prior year, and then any additional amounts are carried forward to the next year and spent on Fund advertising and related expenses. Under the FA, we must provide you with a copy of the audited statement of the Fund if you request it in writing. The Fund is audited annually.

If two-thirds of the Restaurants vote nationally, excluding Hawaii and Alaska, (regarding national programs), or regionally or locally (regarding regional or local programs) to pay advertising fees greater than 5.0% for a certain time or program, then you must also pay the same greater advertising fees, even if you did not vote to make such payments. Advertising fees greater than the standard 5% of Gross Sales will be used for their intended programs.

All franchisees are required to contribute to the Fund, however, franchisees with Restaurants in certain captive audience locations or SDOs (such as hospitals, train stations, airports, etc.) contribute at a reduced rate (See Item 6). We have the right to reduce the CAF (in some markets, we have already done so), which we may do (whether on a temporary or some other basis) in some markets but not others.

Dunkin' Brand Advisory Council:

All franchisees in the System are members of a local District Advisory Council ("DAC"). These franchisees elect a DAC co-chair and vice chair, who represent them on a Regional Advisory Council ("RAC"). Each RAC then elects RAC co-chairs and vice chairs, who in turn represent the RAC on the BAC. The BAC advises us on ways to build, protect, and lead the Brand with guest satisfaction, franchisee profitability, and the long-term viability of the Brands. We may appoint additional members to the BAC, and we reserve the right to change one or more of the councils, to form new councils, or to dissolve one or more councils. All the councils serve in an advisory capacity only and do not have operational or decision-making power. All elected members must adhere to certain standards of eligibility as outlined in the Councils' bylaws. The Marketing Steering Committee ("MSC") is a sub-committee of the BAC and advises the brand on advertising, media, calendar windows, programs, and innovation, among other things. The MSC is comprised of BAC members as well as the chair and co-chairs of key local Ad Committees. These local Ad committees' chairs and co-chairs are elected at DAC meetings.

(3) Computer Systems

Restaurant Technology Systems – Approved Platform:

All Restaurants are required to have, and you must purchase, the Restaurant Technology System that we designate for the size and configuration of your Restaurant. We may grant limited exceptions for certain components of the Restaurant Technology System in highly atypical and rare circumstances, based on contractual obligations of the host environment. In such circumstances, you may be required to purchase additional equipment and incur additional costs. You will use the Restaurant Technology System to process credit and gift cards, accept mobile orders and payments, accept online orders and payments, configure and present menu items, pricing, and taxation, access your back-office systems, access and run your video surveillance systems, run your drive thru, use the Dunkin' learning and marketing programs and courses, and connect to the Internet. You and your employees must complete initial and ongoing training for the Restaurant Technology System, as we periodically require.

Approved Vendors:

All components, including the installation and on-going maintenance programs of the Restaurant Technology System must be purchased, provided, and installed by vendors that we have approved. Among other things, vendors may make special modifications to their equipment and systems to comply with our Restaurant Technology System requirements. All Restaurants are required to comply with the construction and wiring standards relating to the Restaurant Technology System, including dedicated isolated grounded power, dedicated business class Internet for use solely with the Restaurant Technology System and its approved components. As noted elsewhere, we reserve the right to approve only one vendor for various purposes, including technology vendors.

Access to Information:

We require that you provide us and our Restaurant Technology System vendors continuous independent access to data from your Restaurant Technology System, through an approved high-speed network solution by the Store Network. There is no contractual limitation on our right to access or use the information on your Restaurant Technology System (except that we will not review and will not have access to – or ownership of – guests’ in-store payment card details).

Continuous Operational Condition:

We require that you maintain all components of the Restaurant Technology System in “continuous operational condition” and that you have maintenance agreements with approved vendors in place for all components. The components of the Restaurant Technology System and cost ranges are described in detail in this section. You must maintain the Restaurant Technology System in conformity with our standards and requirements, as well as local, state, or federal laws, rules and regulations, and payment card industry (PCI) and other industry standards. You may be periodically required to upgrade the Restaurant Technology System and those upgrades will be at your sole cost and expense. Those upgrades will require maintenance to be performed on the equipment. Approved vendors may provide maintenance services on a contractual basis. There are no contractual limitations on the frequency, or limitations on the cost, of your updating/upgrading obligations.

If you are buying an existing Restaurant with an older system or one that does not otherwise comply with our required Restaurant Technology System, we will require you or the seller to purchase and install the then-current Restaurant Technology System components in the Restaurant before transfer as a condition of our approval of the transfer. If you are remodeling an existing Restaurant that uses an older system, we will require you to purchase and install the then-current Restaurant Technology System components, as well.

It may be more expensive to install equipment in an existing Restaurant than in a new Restaurant. Hardware and software costs will vary according to the minimum configuration we determine is necessary for your Restaurant, for example, the number of point-of-sale terminals, the size of counter and presence of drive-thru, printers, digital displays screens, media players, prep stations and sandwich station devices, plus any additional supported optional equipment you may choose.

We may designate certain additional equipment and technology as either optional or required within your Restaurant. If we later designate any such items as required, you will be responsible for complying with such requirements.

The figures noted below in this Item 11 are estimates based on our experience. These figures may vary depending on the size and configuration of your Restaurant.

Restaurant Technology System Components:

The range of costs provided below for these components does not include any applicable taxes and freight or any additional or expedited products or services.

1. POS System:

We require you to process and record all your sales on the POS System. The POS System can record accumulated sales and cannot be turned back or reset. The POS System must retain data in the event of power loss. The table below assumes you purchase between two and four new POS terminals.

<u>Minimum POS Configurations/System Cost Ranges by Operating Model</u>		
Operating Model (Note 1)	Estimated Range of Costs Including Hardware, Software and Installation (Notes 2)	Estimated Range of Cost for Annual Hardware and Software Maintenance
Dunkin' with Drive-Thru	\$30,800 to \$39,600	\$3,630 to \$3,740
Dunkin' without Drive-Thru	\$23,100 to \$29,700	\$2,970 to \$3,300
Combo with Drive-Thru	\$37,400 to \$44,000	\$4,070 to \$4,290
Combo without Drive-Thru	\$27,500 to \$34,100	\$3,300 to \$3,520
SDO with Drive-Thru	\$23,100 to \$29,700	\$2,970 to \$3,300
SDO without Drive-Thru	\$16,500 to \$23,100	\$2,310 to \$2,750

Note 1: The ranges above may include certain fees payable to us as repayment of the initial investment previously paid by us to the hardware and/or software vendor. Maintenance costs show POS System hardware maintenance for Year 2 and beyond and POS Software Maintenance. Unless specifically listed below, the maintenance costs above include updates and upgrades.

Note 2: If you are buying an existing Restaurant with a current POS System, the vendor may charge you a fee for the transfer of ownership of the system.

Note 3: You may need additional POS equipment depending on the size and configuration of your Restaurant.

The costs outlined in the table above do not include the following other required Restaurant Technology components, listed below:

2. POS Peripherals - Barcode Scanners & Price Configuration Display- ("PCD"):

Each front counter POS and Drive-Thru cashier POS unit, except for the Drive-Thru order taker POS, will be required to have a barcode scanner and PCD integrated into the POS System.

3. Back of House Software - ("BOH"):

We require you to utilize the BOH software system that supports functionality such as cash and inventory to manage your franchise. This software is bundled by our approved BOH software vendor together with a labor management module, which is not required and which you may use or not use at your election. The BOH software cost currently ranges from \$46 to \$70 per Restaurant, per month.

4. Manager's Computer Workstation:

We require you to have a dedicated in-restaurant manager's computer workstation comprised of a computer with access to the Internet and a printer. You may also use the workstation for other software and hosted services utilized in running your franchise.

5. Store Network:

We require you to use a specified managed high-speed network solution from an approved vendor to support POS Systems, front/back-office applications, video surveillance systems, digital menu boards, drive-thru timers, guest WiFi, and other technologies that we may require. Firewall, Internet equipment and

managed services for the Store Network range from \$225 to \$275 per Restaurant per month; this cost includes certain PCI/PA-DSS products and services. Installation costs will range from \$500 to \$600 per Restaurant. Franchisees are solely responsible for meeting all PCI requirements and responsibilities and are required to complete the “Self-Assessment Questionnaire” (“SAQ”) annually.

In certain locations where terrestrial Internet service is not available, an optional satellite solution, managed and provided via our approved vendor, is available at the same managed services rate of \$225 to \$275 per Restaurant per month. There will be a one-time installation and setup fee of \$2,000 per Restaurant. In rural areas or areas where the cellular signal is weak and unable to support operations over a wireless primary or backup solution, a high-gain antenna will be required to increase signal strength for a one-time cost of approximately \$500 per Restaurant.

6. Digital Signage:

We require all new Restaurants or any Restaurant undergoing a remodel to install interior digital signage from an approved vendor. This includes a Digital Menu Board (“DMB”) system, as well as software, firmware, or cloud-based subscriptions necessary to maintain the digital signage in accordance with our standards. DMB equipment components include display panels, media players, installation kit, and a warranty for the display panels and media players. Interior DMB must be installed in Dunkin’ standalone Restaurants and in the Dunkin’ side of Combo Restaurants and may be required for the Baskin-Robbins side of Combo Restaurants. Estimated interior DMB equipment requirements and cost ranges are below but may vary depending on the size and configuration. Among other things, you may be required to install some or all the following:

- (a) The interior DMB system is a four-panel configuration, which includes four media players. Prices range from \$10,500 to \$13,000 depending on the size and model of the display panels. Costs for installation, electrical and networking to support a four-panel interior DMB system will range from \$800 to \$2,000 depending upon scope of work required.
- (b) If we determine based on the size and configuration of your Restaurant, a two-panel configuration may be used which includes two media players. Prices range from \$5,250 to \$6,500.
- (c) We may require you to install an exterior freestanding pedestal or ‘All-in-One’ Drive-thru canopy system, which includes a column structure and overhead canopy or canopy with a stand-alone stand, two exterior-rated digital panels featuring embedded POS System order confirmation detail, two media players, receptacles for housing Drive-thru order point communications (speaker & microphone), installation kit, and warranty for both the display panels and the media players. The estimate for a one-time installation fee ranges from \$18,500 to \$24,000 depending upon the size/model of the canopy structure and upon your site configuration. Costs for installation, electrical and networking to support the exterior All-in-One canopy system will range from \$3,600 to \$4,200 depending upon scope of work required.
- (d) We may require you to install an interior digital Order Status Board (“OSB”) at Dunkin’ standalone Restaurants and on the Dunkin’ side of Combo Restaurants. The OSB includes an interior digital panel, media player, OSB pole, and installation kit and warranty for both OSB and the media player. You will incur a one-time fee that we estimate to range from \$2,300 to \$2,700, depending upon site size and configuration. We estimate that the costs for installation, electrical, and networking to support the interior digital OSB will range from \$300 to \$450 depending upon scope of work required.

- (e) We may require you to install an exterior digital Drive-Thru presell panel that includes a pedestal-mounted digital panel, media player, installation kit, and a warranty for both the digital panel and the media player. Prices currently range from \$9,700 to \$10,200 depending upon site size and configuration. We estimate that the cost for installation, electrical and networking to support the exterior digital Drive-thru presell panel will range from \$1,030 to \$1,250, depending upon scope of work required.
- (f) You must purchase monthly recurring managed services from our approved vendor, comprised of hosting of the DMB systems solution software, content management, storage, and distribution of DMB systems content, "Help Desk" or "Support Desk" support, and proactive monitoring of the DMB solutions at the Restaurant. The monthly recurring service fee for a four-panel configuration ranges from \$70 to \$110 per Restaurant. Your cost will increase between \$7 to \$11 (each month) for each additional digital panel beyond a four-panel configuration.

7. Service Desk Services:

You must use our approved provider of Restaurant Technology System Service Desk services, who provide first point of contact assistance with your POS System and Restaurant Technology System. The Service Desk troubleshoots malfunctioning systems, arranges for hardware and software repairs, facilitates other technology processes and programs, and answers questions about certain technology operations. A current Service Desk contract is required for each of your Restaurants, covering any Restaurant Technology System components that the Service Desk supports. The cost of a Service Desk contract ranges from \$570 to \$825 per Restaurant, per year.

8. Drive-Thru Monitoring System:

We require you to purchase and install the Drive-Thru monitoring system from our approved vendors to enable both in-Restaurant and remote measurement of the Drive-Thru servicing times by key activities. We estimate that this system will be in the range of \$2,500 to \$5,000, depending on the type of system installed. On-going fees range from \$400 to \$600 per year, depending on the type of system installed.

9. Drive-Thru Audio System:

We require you to purchase, install, and maintain the digital Drive-Thru audio system from our approved vendor. The cost for digital Drive-Thru audio equipment is a one-time fee that we estimate to range between \$4,500 to \$9,000, depending on the type of system installed.

10. Credit Card Processing Services / Payment Terminal Device:

You are required to participate in the approved credit card program with our approved vendor, which currently includes MasterCard, Visa, American Express, and Discover. You should expect to pay monthly bank and service fees for this service as well as fixed and variable transactional fees for processing. Each POS System terminal accepting tender must be interconnected to the payment terminal device with appropriate software to encrypt and tokenize the payment transactions provided by our approved vendor. The costs for the payment terminal hardware and accessories range from \$0 to \$400 per unit. Installation costs per Restaurant range from \$175 to \$500. Hardware and software maintenance for payment terminals range from \$320 to \$400 per year. Variable costs depend on the number of payment terminals present.

If we grant your Restaurant a limited exception to not use the required POS System, you may instead be required to install and maintain an external credit card and/or gift card payment processing device for each exception POS terminal that accepts tender. The range for such equipment is from \$500 to \$1,250 per POS terminal. In addition, Restaurants could purchase additional payment terminals for their Restaurants and the cost ranges from \$375 to \$450. Hardware and software maintenance for the additional payment terminals range from \$320 to \$400 per year. Installation costs per Restaurant range from \$175 to \$500.

You may be required to purchase fraud prevention services from our approved vendor for your Restaurant's online, mobile, and remote/advance ordering transactions from our approved vendor. The current cost of such fraud prevention services is \$0.011 per transaction.

11. Stored Value Card (SVC):

You are required to participate in the SVC program. Guests can add stored value to their cards with cash, credit or debit card, mobile wallets or card issuer tender programs, and the amount of the purchase they make with the card is automatically deducted from its stored value. The POS System has the SVC functionality integrated into the system; therefore, no additional hardware is required. You should expect to pay weekly and/or monthly bank and/or service fees as well as fixed and variable transactional fees for processing. A fee of \$0.0154 per transaction is applicable to in-store activations, reloads or purchases made using stored value cards in your Restaurant. These charges and fees may be adjusted as program and related costs change.

12. Advance and Remote Ordering:

We may require you to participate in advance and remote ordering programs through our approved vendor(s), which enables guests to place orders remotely, in advance. The on-going cost of the program may include fixed monthly fees ranging from \$0 to \$75 as well as transaction fees ranging from 2.0% to 15.0% of the order amount. Initial configuration, installation, and hardware costs range from \$150 to \$2,600 per Restaurant.

13. POS and BOH Technical Maintenance:

We may require you to participate in a monthly maintenance program with our approved vendor with respect to your POS System and/or your BOH software, which will fund continuous improvements in the base software for the benefit of your Restaurant. Fixed monthly fees range from \$10 to \$25 per Restaurant.

14. Payment Services:

You may be required, in connection with your purchase of hardware, software and services from our approved vendors or from us, to pay a service fee to us or a third party for billing and administrative services they or we provide. We have entered into agreements with certain vendors under which we may assist such vendors with the billing and collection of fees from franchisees. While carrying out our responsibilities under such agreements, we may derive income for our services based on a percentage of the invoiced amounts, ranging from 0% to 6%.

15. Data Availability:

You may be required to purchase data availability services from our approved vendor for your Restaurants. Data availability includes the access to your time punch and transactional-level sales data for

a rolling 18 months of data in the back-office system. Annual fees for data availability are \$36 per year, per Restaurant. Franchisees may opt out of data archiving, beginning in month 19, by providing 30 days' notice before the next quarterly billing cycle; provided, however, a one-time re-activation fee of \$1,500 plus all past monthly fees will be charged to reinstate the data archiving services.

16. In-Restaurant Music Service:

You may be required to participate in an approved in-Restaurant music program to provide music and marketing content. We may require you to purchase, install, and maintain the system from our approved vendor. The cost of streaming hardware includes an initial charge of \$100-\$200 and then \$25-\$50 per month. All other associated costs related to sound distribution (speakers, amps, etc.) are dependent upon the type of system installed, and the size and configuration of your Restaurant. We do not permit playing music from other sources at your Restaurant.

17. Frictionless Drive-Thru:

You may be required to participate in an approved frictionless drive-thru program with our approved vendor. This would include a \$32-\$45 cost per site per month.

18. Security Patching:

You are required to participate in a vendor approved security patching program. This would cover the Operating System and other third-party software patching/updating typically done once a month. The approximate cost would be \$5-\$10 per endpoint per month (Example endpoints: POS, KDS, Kiosk, etc.)

In addition to the above requirements, Combo Restaurants may also be required to have these additional components:

19. Nutritional Labeling Printer:

As determined by controlling laws and regulations, you may be required to purchase, install, and maintain a label printer to provide information regarding the ingredients, components and/or nutritional information for products, which you sell in the Combo Restaurant. The initial cost of such a printer from our vendor ranges from \$75 to \$500 depending on the model selected.

20. Retail Transaction Receipt Marketing Solution:

We may require you to participate in a monthly Retail Transaction Receipt Marketing Solution program, which will fund continuous support, maintenance, and improvements to the marketing solutions company whose software products transform traditional retail transaction receipts into engaging receipts that feature coupons and special offers for guests. Fixed monthly fees could range from \$17 to \$20.

Estimated Costs of Standard Optional Equipment:

The range of costs provided below for these components does not include any applicable taxes and freight or any additional or expedited products or services. These components are available, but not required.

1. Coin Changer:

Franchisees are encouraged to install coin changers in their Restaurants. Approved coin changers can only be purchased through our approved POS System vendor as standard optional equipment. Price ranges for purchase, configuration, and installation are from \$950 to \$1,100 for one coin changer, depending upon the number of coin canisters installed. Annual maintenance prices range from \$90 to \$125 per Restaurant, per year. Prices vary depending on the number of coin changers and coin canisters installed.

2. Video Surveillance:

To enable franchisees to have both Restaurant and remote view of activities, inclusive of a POS System overlay, we encourage you to purchase and install a video surveillance camera system that is integrated into the POS System. If integrated directly with the POS System, we require you to purchase this system from our approved vendor. Upfront installation and hardware costs range from \$300 to \$13,000 depending on the number of DVRs and cameras installed. We estimate that annual subscription or maintenance price ranges will be in the range of \$600 to \$5,200 per Restaurant, per year. Initial user setup fees will likely range from \$25 to \$50. You may incur additional fees related to high levels of usage of cloud-based services, which range from \$99 to \$200 per user, per year.

3. Franchisee Business Intelligence (“BI”):

BI is the above-store Business Intelligence reporting system that receives data nightly from the POS System. This tool provides you with better insight into product sales trends as well as the effectiveness of programs and promotions in your network. All Restaurants with POS Systems may optionally enroll in the BI program at a cost of \$9 to \$15 per Restaurant, per month. Additionally, a network level data feed is available for a cost of \$50 to \$75 per franchisee network. You may opt out of BI by providing thirty days’ notice before the next billing cycle. We may offer alternative business analytics tools, which may range in cost from \$8 to \$56 per Restaurant, per month.

4. In Restaurant Self-Ordering Kiosk:

To enable guests to place orders without the assistance of a cashier, you may elect to purchase and install a Self-Ordering Kiosk from our approved vendor. We estimate that the initial per kiosk hardware and software costs could range from \$10,000 to \$12,000, plus on-going annual maintenance costs of approximately \$1,000 to \$1,200 for the hardware and \$480 to \$540 for the software maintenance. Initial configuration and installation costs range from \$900 to \$1,200 per kiosk.

5. Line Busting Tablet:

To enable a faster speed of service either inside or at the drive-thru, you may elect to purchase line busting tablet(s) from our approved vendor to at least take orders and potentially take payment. We estimate that the initial hardware and software costs could range from \$2,500 to \$4,000, plus on-going annual maintenance costs of approximately \$200 to \$300 for the hardware/software maintenance. Initial configuration and installation costs range from \$900 to \$1,200 per tablet.

6. Miscellaneous:

Computer systems are vulnerable in varying degrees to computer viruses, bugs, power disruptions, communication line disruptions, Internet access and content failures, and attacks by hackers and other unauthorized intruders (“Computer Problems”). It is your responsibility to protect yourself from these Computer Problems, which include taking steps to secure your systems (including continually updating

firewalls, password protection, updating operating system service packs or patches, and anti-virus systems), and to use data backup systems. Our vendors may offer protection services or systems at costs ranging from \$85 to \$600 per Restaurant per year based on services provided.

(d) **Training**

You must always manage your network with at least two individuals, one of whom must be you or another partner, shareholder (of your corporation) or member (of your limited liability company) and the other must be a designated representative; both of whom must have successfully completed our required training program, which may vary based on the role in your organization.

Individuals who fail to meet any of the above will be dismissed from the training program. You must also achieve proficiency in all aspects of the business. If you do not successfully complete our initial training requirements, you will not be granted a franchise regardless of whether you were previously approved to be a franchisee. Based on the size of your SDA, or the network you are acquiring, you will be required to send additional individuals to the same required training program before opening or operating your first Restaurant.

If you will own a network of 6 to 19 Restaurants or are developing a network of 6 to 19 Restaurants in a three-to-five-year period, you will be required to have a third individual attend initial training and complete any certification requirements. This third individual should be the person generally responsible for training in your network of Restaurants. This is a critical position that will help enable you to develop the network.

If you will own a network of 20 or more Restaurants or are developing a network of 20 or more Restaurants in a three-to-five-year period, you will be required to have a fourth individual attend training and complete any certification requirements. This fourth individual should generally be a multi-unit manager.

If you are developing or purchasing a Combo Restaurant, you must successfully complete training and any certification requirements for both brands before opening.

If you wish to own and operate multiple Restaurants, you must continuously manage your network with a minimum number of individuals who have successfully completed our training program according to our standards for multi-unit development and operation. If additional individuals from your organization want or need to complete Brand training to meet these requirements, there will be a charge for each individual per class, which must be paid before the start of class.

You and your Restaurant managers must have literacy and fluency in the English language sufficient to satisfactorily complete our training program and to communicate with employees, guests, and suppliers.

We pay the cost of presenting the initial Brand training program; however, you must pay for uniforms, salaries, accommodations, and travel expenses, if any, for you and your employees. When you attend the initial Brand training program you may be charged certain additional costs such as travel and related expenses for the trainers, your portion of the costs for the meeting room and such other costs as may reasonably be incurred. You must also pay for later training programs that we may conduct or require.

Attendees of our training program are required to execute our then-current form of participation agreement. You must secure active worker's compensation insurance for your employees before they attend training sessions. You will be charged a cancellation fee of 50% of the class cost per person per class if you

cancel a scheduled class with less than a 5-business days' notice. You will be charged a cancellation fee of 25% of the class cost per person per class if you cancel a scheduled class with less than 10 business days' notice. All cancellation fees must be paid in full before a network's learner can register for a future class.

Attendees to our training programs are required to abide by the then-current dress code policy for restaurant team members and managers.

Our training programs are regularly reviewed and updated.

Dunkin' Brand Training Program:

The Dunkin' Brand Training program takes a minimum of 20 days to complete the virtual, classroom, and instructional phases. (These days may not be consecutive.) The Dunkin' Brand Training program does not include travel time and is offered a minimum of 8 times a year virtually or in a training-certified franchisee Restaurant ("Certified Training Restaurant"). This program consists of instructor demonstrations on how to produce, merchandise, serve and package products sold in a Restaurant, followed by student practice. We do not assure you that a training location will be available close to your home or that you can avoid travel, hotel, and meal expenses during such training. As of the date this FDD was prepared, the following summarizes the Dunkin' brand training program for a single-brand Restaurant:

Online & Virtual Training:

Our online training program, referred to as The Center is the required training program for franchisees, their management, and their team members. You will be required to have a broadband high - speed Internet connection and a PC (personal computer) capable of accessing the Internet and using our online program.

For any Dunkin' Brand Training program, you will need to have access to and bring a Wi-Fi enabled laptop computer(s) with you so that you and your manager can individually access and complete the virtual and online portion of the training. Additional computer requirements for virtual sessions are outlined in the learner's welcome letter.

You will be required to agree to our Intranet terms of use (which we may periodically update) and pay an annual online access fee. The current annual non-refundable online access fee is \$340 per Restaurant.

Other Training:

You must ensure that all your employees are trained in our Restaurant standards and required procedures. We believe training is important to the success of our System and from time to time we provide formal and informal training sessions to franchisees. You must attend and require your employees to attend further training as we may require. This training may require travel to a Certified Training Restaurant.

The field-based learning and deployment team supports on-going operations and deployment of brand initiatives in your area. This part of the team is led by three senior managers of field learning and deployment and 16 learning and deployment managers.

Operations Manuals:

We will provide you access to and training for our "Ops Source" online database where you can use and download electronic copies of all Brand manuals for each System that you are franchised to operate. Each operations manual contains mandatory standards, operating procedures, and rules that we prescribe for that System to properly present and characterize our Brand, as well as suggested practices where noted. The operations manuals are confidential, copyrighted, and are not to be reproduced or distributed to any unauthorized person. We can change the terms of, and add to, the operations manuals whenever we believe it is appropriate. A copy of the table of contents of each operations manual as of the date of this FDD is attached as Exhibit H.

ITEM 12: **TERRITORY**

The FA

Under the FA, you will be granted the right to operate one Restaurant at a specific location that is specified in the FA or its exhibits, and only at that location. You will not be granted any additional rights, any minimum territory, or other protected rights.

You will not have any right to distribute products other than through your Restaurant, including alternative channels of distribution. We use alternative channels of distribution for our products and trademarks, and we may expand our sale of products on a local, regional, national, or international basis. We have the right to distribute (or license others to distribute) products identified by our trademarks (or by

any other name or trademark) anywhere and in any form (for example, in packages or otherwise), regardless of the proximity to your location, through any distribution methods or channels. These other sources of distribution could compete with you. Among the rights that we reserve are the right to distribute goods and services through the Internet and other electronic communications, telephone, mail or similar methods, regardless of the destination of the products or services. We retain the right to use our trademarks on the Internet and in all digital media, including websites, domain names, directory addresses, metatags, as graphic images on web pages, links, advertising, co-branding, social media, social networks, mobile apps, and other arrangements (as well as methods that have not yet been invented). You may not maintain a website relating to Dunkin'. If we do ever approve a website that you promote and develop relating to Dunkin' (which we are not required to do), then we will have the right to condition our approval on the terms that we determine are necessary (such as requiring that your domain name and home page belong to us and be licensed to you for your use during the term of your FA). The terms described in this paragraph apply regardless of whether or not you sign an SDA.

If you wish to relocate your Restaurant, you must seek our approval in writing and provide us all the information that we need to evaluate your proposal. Any such request will be subject to our prior written approval of the proposed new site and our determination that you have met our then-current criteria for relocation. Our approval process for a proposed relocation is substantially the same process as it is for considering a proposed new location. Among other requirements, to be approved for a relocation, you must be current with all your obligations to us and our affiliates, and you may be required to sign our then-current form of FA (which may be materially different than your original form of FA), and pay all required fees, including an IFF for the term of the FA.

The SDA

If we grant you the right to open more than one Restaurant, you must sign an SDA before you sign an FA. The SDA grants you the right during its term to open multiple Restaurants within the geographic area(s) identified specifically for the development of new Restaurants, also known as the Store Development Area, and according to the Development Schedule set out in the SDA. While the Development Agreement is in effect, we will limit the number of franchisees who can compete with you within your Store Development. This does not mean that you have any exclusive right to any potential customer base for your Restaurant(s). Your rights under an SDA will be limited to the right to find sites to develop new Restaurants. You will not have other rights (for example, you will not have the right to distribute goods or services under our marks or otherwise). Further, if you sign an SDA, then during the term of that agreement and under certain conditions, you may have the first opportunity for SDOs inside your Store Development Area. This first opportunity is conditioned upon your compliance with all material provisions of all your agreements with us and our affiliates, your continued satisfaction of our expansion criteria, and the permission of the party that controls the SDO.

Our rights are intended to maximize potential distribution of Dunkin' products within the Store Development Area. Typically, Store Development Areas are relatively limited in size and scope. The Store Development Area's size and development requirements may reflect other factors, including the SDA's term, the number of Restaurants to be developed, length of time to develop Restaurants in the area, retail shopping facilities, major employment centers, transportation centers (train stations, bus terminals, etc.), key traffic intersections, interstate highway ramps, and population.

As part of your review of a particular trade area or territory, we may (but are not required to) provide you with certain information such as: (a) maps indicating existing Restaurants and/or competitor locations and may highlight potential areas of interest to us; and (b) demographic reports (including population and median household income) generated by third parties. It is important you validate the information we provide to you. We do not draw any inferences regarding Restaurant performance from the

map or demographic information we share with you, and you may not draw any inferences from them either. We also do not represent or guarantee that the existence of a certain level of demographics, maps or trade area characteristics will translate to a certain level of financial performance, and you may not draw any such inferences based upon any of the information we provide to you. The information is not provided for that purpose.

If you sign an SDA, you will be responsible for developing at least the minimum number of Restaurants set forth in the SDA. We determine the size of the Store Development Area, the number of Restaurants, the duration of the SDA and the development schedule across the SDA. Each proposed location must be submitted to us for our review, must meet our design standards, and may be developed only if we provide our prior written approval. If you do not continue to meet our then-current guidelines for multi-Restaurant development and ownership, then our approval of your development or opening of scheduled Restaurants may be withheld. You will be granted limited territorial protected rights during the term of the SDA. You must open and continuously operate Dunkin' Restaurants in the Store Development Area according to the Development Schedule to maintain your rights under the SDA. If you do not comply with the Development Schedule or the other provisions of the SDA or any Franchise Agreement, then, among other things, we may terminate the SDA.

If you are offered and you sign an SDA with one or more conditional options to extend, you will need to execute an Addendum to the SDA and meet all conditions outlined in that Addendum to exercise those options. We do not anticipate making this option to extend available to anyone who is developing more than three Restaurants and it will not necessarily be available for all SDAs of three Restaurants or less. We may modify or cancel this program at any time.

If we approve your addition of a Baskin-Robbins Restaurant to your Restaurant, you will be required to pay to our affiliate, Baskin-Robbins, an additional IFF, and you will need to execute a Combo FA. If we grant you the right to develop multiple Combo Restaurants, then you will execute a Combo SDA. (See Item 5.)

In addition, if there are Restaurants operated by other Dunkin' franchisees in the Store Development Area, then we reserve the right to approve the relocation of each of those Restaurants within its already-existing trade area.

For each Restaurant you develop under the SDA, you will sign an FA. Under the FA, you will be granted the right to operate one Restaurant at a specific location that is specified in the FA or its exhibits, and only at that location. You will not be granted any additional rights, any minimum territory, or other protected rights.

Unless your SDA provides for additional development, you do not have a right to develop and open additional Restaurants. You also will not have any options or similar rights to acquire additional Restaurants. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution, from products we license, or competitive brands that we control.

Affiliated Franchised Brands

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or

services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

**ITEM 13:
TRADEMARKS**

Under the FA, you will be granted the right to operate a Restaurant under the Dunkin' Trademark. The term "Trademark" includes trade names, trademarks, service marks, emblems, designs, merchandising devices, and logos used to identify your Restaurant. We may also authorize (or require) that you use other current or future Trademarks to operate your Restaurant.

You must follow our rules when you use our Trademarks. You cannot use any of our company names or Trademarks as part of an entity name (for example, for a corporation, limited liability company (LLC), or partnership) e-mail address, electronic identifier, or Internet domain name, nor on any human resource documents or materials. You cannot use any of our company names or Trademarks with modifying words, designs, or symbols, except for those we license to you. Among other things, your business entity's name may not include any of our company names or Trademarks or any variation of them (for example, "Dunkin' Donuts", "Dunkin'", "DD", "Dunk") and you may not use your name in connection with our Trademarks in advertising your Restaurant (for example, "John Smith's Dunkin'"). You may not sell (and may not use any of our company names or Trademarks in connection with) any unauthorized product or service or in a manner we do not authorize in writing.

You will have the right under the FA to use the Trademarks only to operate your Restaurant and not for any other purpose or in any manner that we have not authorized in writing. You may use our Trademarks on vehicles only with our prior written consent and subject to our requirements for that kind of usage.

Our Trademarks are owned by our affiliate, DD IP Holder LLC (as described in Item 1). There is no agreement that limits our right to use or license the use of the Dunkin' Trademarks related to the franchise. When we state that we "own" the Trademarks, we mean that we own them indirectly, through DD IP Holder LLC.

The marks listed below are registered on the Principal Register in the United States Patent and Trademark Office ("USPTO"), and all affidavits required to preserve and renew these Trademarks have been (or will be) timely filed. This list does not include every trademark we own or may license to you under the FA.

Mark	U.S. Registration Number	Date of First Registration of this Mark
DUNKIN' DONUTS	748,901	April 30, 1963
DUNKIN' DONUTS	1,148,165	March 3, 1981

Mark	U.S. Registration Number	Date of First Registration of this Mark
DD cup logo (in color)	3,282,278	August 21, 2007
DUNKIN'	4,290,078	February 12, 2013

There are no effective material determinations of the USPTO, Trademark Trial and Appeal Board, or any state trademark administrator or any court that would impede your right to use the Trademarks under the terms of the FA. There are no pending infringement, opposition, or cancellation proceedings involving the Trademarks and no pending material litigation involving the principal Trademarks other than as may be stated in this FDD.

We do not know of any superior prior rights or any infringing use that could materially affect your use of our Trademarks other than as may be stated in this FDD. We are not restricted in the way we use these marks, and we therefore essentially have all the rights of the owner to license or franchise others to use these marks.

You must notify us immediately if you learn about an infringement of or challenge to your use of any of our Trademarks. We will take the action we think appropriate. We will indemnify you against claims arising from your approved use of the Trademarks. We have the right to control all administrative proceedings or litigation involving our Trademarks. If we undertake the defense or prosecution of any such proceeding or litigation, you will have to execute any and all documents and do such acts and things as may be necessary, in the opinion of our counsel, to carry out such defense or prosecution.

You must modify or discontinue the use of a Trademark if we modify or discontinue that mark. If this happens, we are not required to reimburse you for your tangible costs of compliance (for example, changing signs). You must not directly or indirectly contest our right to our Trademarks, trade secrets, or business techniques that are part of our business.

ITEM 14:
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Copyrights

We own common law copyrights in the Brand manual, magazines, posters, toys, pamphlets, brochures, television advertisements, and all other printed and pictorial materials that we produce (whether or not those are registered with the U.S. Copyright Office), and we will make these available to you for your use under the terms of the FA. These materials are our proprietary property and must be returned to us upon expiration or termination of the FA.

There are no currently effective determinations of the U.S. Patent and Trademark Office, the U.S. Copyright Office, or any court concerning any significant copyright that we hold. There are no currently effective agreements pursuant to which we derive our rights in such copyrights which could limit your use thereof. The FA does not obligate us to protect any of the rights that you have to use any copyright, nor does the FA impose any other obligation upon us concerning copyrights. We are not aware of any infringements that could materially affect your use of any copyright in any state.

Confidential Manuals

To protect our reputation and goodwill and to maintain high standards of operation under our Trademarks, you must conduct your business in accordance with our operations manual. We will give you access to our operations manuals, which we have the right to provide in any format we choose (including paper, digitally, or online), for the term of the FA.

You must always accord confidential treatment to the operations manuals, any other manuals we create (or that we approve) for use with the franchised business, and the information contained in those manuals. You must use all reasonable efforts to maintain this information as secret and confidential. You may never copy, duplicate, record, or otherwise reproduce these operations manuals and the related materials, in whole or in part (except for the parts of the operations manuals that are meant for you to copy, which we will clearly mark as such), nor may you otherwise let any unauthorized person have access to these materials. These operations manuals will always be our sole property. You must always maintain the security of the operations manuals.

We may periodically revise the contents of the operations manual, and you must consult the most current version and comply with each new or changed standard. If there is ever a dispute as to the contents of the operations manuals, the version of the operations manuals that we maintain will be controlling.

Confidential Information

Except for the purpose of operating the Restaurant under the FA, you may never (during FA's term or later) communicate, disclose, or use for any person's benefit any of the confidential information, knowledge, or know-how concerning the operation of your Restaurant that may be communicated to you or that you may learn by virtue of your operation of a Restaurant. You may divulge confidential information only to those of your employees who must have access to it to operate the Restaurant. All information, knowledge, know-how, and techniques that we designate as confidential will be deemed confidential for purposes of the FA. However, this will not include information that you can show came to your attention before we disclosed it to you; or that at any time became a part of the public domain, through publication or communication by others having the right to do so.

Whenever we state that we “own” this intellectual property, we mean that we own it indirectly, through our affiliate, DD IP Holder LLC (see Item 1).

Patents

We do not own any patents that are material to the franchise being offered.

ITEM 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Development of your Business

If you have an SDA, in addition to managing individual Restaurant(s) operations and sales, you must ensure that locations are selected, approved, and developed in accordance with your SDA development schedule. You will be then required to manage all facets of a multi-unit retail business, with some operating 24 hours a day, 7 days a week, including production, transportation, and distribution, with attendant cost controls and record keeping requirements.

You must devote continuous best efforts to the development, management, and operation of your business. This means devoting sufficient time and resources to ensure full and complete compliance with your obligations to us, to your guests and to others. The business is a challenging one. It requires and responds to personal attention. It is most important that you personally be involved in all facets of the business. You must be able to organize the business so that our standards of service, quality, and cleanliness are maintained, and you must set standards for your employees to follow. The business requires a firm, personal commitment and, at least initially, may require many long hours. In addition to production skills, you must also understand and be able to perform all the sales, operations, management, and maintenance functions required to ensure successful operation of the business. You must have effective, vigilant cash management procedures to avoid employee theft.

You can minimize these demands on you personally by attracting, motivating, and retaining capable development, supervisory, production, transportation, and sales personnel. We may provide you with certain suggested basic procedures and guidelines to use in recruiting, training, and motivating your personnel. However, recruiting, training and motivating employees are your responsibility.

Operation of your Restaurant

As a new franchisee of an individual Restaurant, you may expect to perform a substantial amount of manual labor, especially during the first year of operation. You may need to work a full shift in the Restaurant every day to operate the Restaurant successfully. If sales and profits are high, you may not need to do that, but you must be willing and able to meet this requirement. Your personal “on- premises” supervision is not required, however, if you use a separate on-premises manager, then that on-premises manager must be trained in accordance with our training requirements. (See Item 11) We recommend that your on-premises manager have an ownership interest in your corporation, limited liability company (LLC), or partnership but it is not a requirement. Your on-premises manager cannot have an interest or business relationship with any of our competitors. You must keep confidential our Restaurant development and operations methods and all other information we deem to be confidential. You may share this information with your employees only to the extent necessary for them to conduct their job requirements and if they are under an obligation to maintain the information in confidence.

Personal Guarantees, Ownership Requirements

If you choose to use a business entity (partnership, corporation, or LLC) to operate the business at any Restaurant, you, and your officers, directors, shareholders, members, managers, and partners (as applicable) must personally guarantee the entity's performance of all the franchisee's obligations under the franchise agreement and lease (if applicable). This personal guarantee applies to all money and other obligations, such as non-competition provisions of the FA.

If you have an SDA, you are permitted to form subsidiary corporations, LLCs, or partnerships for each Restaurant you open. You (together with your majority shareholder or partner) must retain at least a 51% interest in each subsidiary and all developers who sign the SDA must have an interest in each subsidiary. All changes to ownership structure are subject to approval by us and subject to re-qualification, as necessary. All new minority shareholders of the subsidiaries must be approved by us and must also sign a personal guarantee.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require you to confine your business to the operation of a Restaurant. You may not conduct any other business or activity at the Restaurant without our prior written approval.

You may only offer or sell products that we have approved, and you must offer for sale the full menu that we require. We may periodically add, delete, or change the list of products that you are required to offer at your Restaurant. There are no limits on our right to do so. If you have an SDO Restaurant, the menu that we require may be different than our typical menu.

In offering products for sale, you may only use ingredients, products, materials, supplies, paper goods, uniforms, fixtures, furnishings, signs, and equipment that we have approved, and you also must follow our required methods of product preparation and delivery.

Your franchise is limited to one location and all sales must be made only from that location. You are not permitted to sell or distribute goods or services through the Internet or other electronic communications without our prior written authorization. We have the right to require which third party services are permitted relating to your Restaurant, under what conditions, and for how long, and to establish standards for your use of delivery or catering services and, we have the right to change those standards periodically as we see fit. You may incur costs associated with third party delivery services including hardware, software, delivery fees, service fees, and other expenses.

ITEM 18:
PUBLIC FIGURES

We do not use any public figure in promoting the sale of our franchise.

ITEM 19:
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

There were 7,261 single-branded franchised Dunkin' Restaurants (excluding Combo and SDO Restaurants) operating in the Continental U.S. as of December 31, 2022. We excluded 223 single-branded franchised Dunkin' Restaurants from the financial performance representations because they first opened for business after January 1, 2022 and did not operate for the full 12 months from January 1, 2022 through December 31, 2022. We also excluded 85 single-branded franchised Dunkin' Restaurants that closed between January 1, 2022 and December 31, 2022, all of which had operated for more than 12 months before they closed. These financial performance representations also exclude the 31 company-owned Dunkin' Restaurants.

We also exclude from the first 5 tables of this financial performance representation any single-branded franchised Dunkin' Restaurants located in Alaska or Hawaii and Restaurants that qualify as SDOs (other than those that are Gas & Convenience Restaurants). We do not believe that the results of Restaurants in Alaska or Hawaii have a reasonable basis for prospective franchisees developing Restaurants in the Continental U.S., and Restaurants that qualify as SDOs have sales and cost structures that vary widely from one location to another. Similarly, we do not make any financial performance representation for a prospective franchisee developing a Restaurant in Alaska or Hawaii or a Restaurant that qualifies as an SDO.

The first 4 tables provide financial performance representations that are actual, historical results of the remaining 7,038 single-branded franchised Dunkin' Restaurants in the Continental U.S. (excluding

Combo and SDO Restaurants) that were open for business to the public for at least one year at the end of the one-year measuring period on December 31, 2022. The first 4 tables of financial performance representations reflect the average sales for different types of locations (as described in the notes) and located in various Regions (as defined in the notes) from January 1, 2022 through December 31, 2022.

We also asked the 7,038 single-branded franchised Dunkin' Restaurants to report to us their costs of goods sold, labor costs, and other costs for the period from January 1, 2022 until December 31, 2022. Not all of the franchisees have provided this information. Table 5 provides financial performance representations that are the actual historical results for the 6,991 single-branded franchised Dunkin' Restaurants that provided us their cost of goods sold and labor cost information, located in various Regions, from January 1, 2022 through December 31, 2022.

Combo Restaurants

There were 1,194 franchised Combo Restaurants (excluding SDO Restaurants) operating in the Continental U.S. as of December 31, 2022, all operated by franchisees. We excluded 30 of them from these financial performance representations because they first opened for business after January 1, 2022 and did not operate for the full 12 months from January 1, 2022 through December 31, 2022. We also excluded the 16 Combo Restaurants that closed between January 1, 2022 and December 31, 2022, all of which had operated for more than 12 months before they closed. There were no Combo Restaurants that we or our affiliates operated as of December 31, 2022.

We also excluded from these financial performance representations the Combo Restaurants located in Alaska or Hawaii. We do not believe that the results of Combo Restaurants in Alaska or Hawaii have a reasonable basis for prospective franchisees developing Combo Restaurants in the Continental U.S. Similarly, we do not make any financial performance representation for a prospective franchisee developing a Combo Restaurant in Alaska or Hawaii.

Tables 6 and 7 provide financial performance representations that are actual, historical results of the remaining 1,164 Combo Restaurants in the Continental U.S. (excluding SDO Restaurants) that were open for business to the public for at least one year at the end of the one-year measuring period on December 31, 2022. Tables 6 and 7 of financial performance representations reflect the average sales for different types franchised Combo Restaurants in various Regions of the Continental U.S. from January 1, 2022 through December 31, 2022.

We also asked the 1,164 Combo Restaurants to report to us their costs of goods sold, labor costs, and other costs for the period from January 1, 2022 until December 31, 2022. Not all of the franchisees have provided this information. Table 8 provides financial performance representations that are the actual historical results for the 1,148 franchised Combo Restaurants that provided us their cost of goods sold and labor cost information, located in various Regions, from January 1, 2022 through December 31, 2022.

Notes:

1. We compiled the sales and cost figures for these financial performance representations using historical information that franchisees report to us. All of these financial performance representations reflect the actual operating results of franchised restaurants. Prospective franchisees and sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form. Upon your reasonable request, we will provide written substantiation for these financial performance representations. The franchised Dunkin' Restaurants and Combo Restaurants whose results appear in this Item 19 offer essentially the same products and services, face the same kinds of competitive challenges (depending on the Region and location), and receive the same level of support from us that we expect new franchises will experience, although we regularly add new products and product line extensions and discontinue products, sometimes only for certain restaurants.
2. The term "Sales" in this Item 19 means Gross Sales, which means all revenue related to the sale of approved products and provision of services (including direct delivery, catering and/or delivery services through third parties) through the operation of the franchised Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the System; taxes collected from guests on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale.

Sales in Regions with a higher concentration of Restaurants that have operated for a substantial period of time tend to have higher sales than regions with a lower concentration of Restaurants that have been in operation for a lesser time period. The average length of time that the standalone franchised Dunkin' Restaurants in the first set of tables has been in operation is 16.1 years. The average length of time that the franchised Combo Restaurants in the second set of tables has been in operation is 14.3 years. A restaurant's sales also vary based on, among other things, the owner's operational ability, capital and financing (including working capital), commitment to training staff, customer service orientation, restaurant location and site criteria (including traffic count and which side of the street (morning drive or afternoon drive side) the restaurant is located on), local household income, residential and/or daytime populations, ease of ingress and egress, seating, parking, the physical condition of the restaurant, and the visibility of exterior sign(s). Sales also may be affected by fluctuations due to seasonality (particularly in colder climates), weather and periodic marketing and advertising programs. Many of the franchised Restaurants have been open and operating for several years and have an existing customer base. For franchised Combo Restaurants, many Baskin-Robbins franchisees actively pursue cake sales opportunities. Seasonality and weather also may significantly affect sales of ice cream and related products. Some restaurants' sales may include wholesale accounts and other distribution outlets, which may not be available to all Restaurants.

3. "COGS" means the cost of goods sold including food, beverages and items served or associated with the food or beverage, such as cups, napkins, straws, bags, plastic utensils and wrapping paper. A restaurant's COGS will vary based on, among other things, the owner's operational ability (including experience with managing quick service restaurant operations), experience building and managing an organization, and commitment to training staff. Many of the franchised Restaurants have been open and operating for several years and may have lower cost percentages due to years of experience managing costs. Factors affecting COGS include the price of raw materials; the ability to manage and implement proper controls of waste, ruin, loss, theft and the portion sizes served to the public; regional differences; temporary shortages; the mix of food and beverage items sold; whether the restaurant purchases finished products manufactured at another location;

fluctuations in the price of coffee and certain other items and ingredients; seasonal and weather fluctuations; and fluctuations due to periodic marketing and advertising programs. Additionally, freight charges may be higher in some areas and are impacted by the cost of gasoline.

4. “Labor costs” means the salaries and wages paid to the franchised Restaurant’s store manager and crew members. It does not include any other amounts associated with employing the franchised Restaurant’s workers, like training wages and costs, payroll taxes, worker’s compensation insurance, bonuses and other employee benefits, or costs to maintain payroll services. Labor costs also do not include any salaries, wages or other expenses associated with multi-unit leaders or managers or other personnel who provide services to multiple restaurants within an organization. A franchised Restaurant’s Labor costs will vary based on, among other things, the owner’s operational ability (including experience with managing quick service restaurant operations), experience building and managing an organization, and commitment to training staff. Many of the franchised Restaurants have been open and operating for several years and may have lower cost percentages due to years of experience managing costs. Factors affecting Labor costs include the local labor market and any applicable federal or state minimum wage law; healthcare legislation; employee turnover and the ability to train and retain employees; owners’ compensation rates that may be included in labor, which varies among franchisees; salary and benefits programs, and scheduling.
5. The site types listed in the following tables are defined as follows:
 - a. Freestanding: A Restaurant, either newly constructed or an existing structure (to be retrofit), that does not share any common walls with any third party.
 - b. Shopping Center/Storefront: A Restaurant that shares a common wall (or walls) with third parties. The Restaurant could be an anchor (endcap) or inline tenant space in a strip center, or it could be a location in a high density, multiple level construction (typically urban/downtown office building setting) sharing common wall and ceiling/floor construction with any third party.
 - c. Gas & Convenience Restaurants: A Restaurant that is a sub-or shared tenancy within a Gas & Convenience host environment.
 - d. Drive-Thru Only: A Restaurant that does not have any indoor seating, but allows customers to drive up to the structure to place orders. In some cases, there may be a walk-up window or front counter. Drive-Thru Only Restaurants may be Freestanding, Shopping Center/Storefront or Gas & Convenience but are typically smaller than their counterparts with indoor seating.
6. Where “N/A” appears in the tables in this Item 19, there are fewer than 10 restaurants in the applicable group. While we do not report the results of that few restaurants separately due to concerns of identifying specific Restaurant results, we do include them in Total Restaurants in the Continental U.S.
7. The Region descriptions are approximations. Some franchised Restaurants included in this data may not precisely follow the descriptions below. For example, some franchised Restaurants near the boundary of another Region may be included in that other Region’s data. As used throughout the FDD, “Regions” means:

The tables provide information during the periods labeled as 2020, 2021 and 2022. The fiscal year 2020 numbers represent the 12-month period between December 29, 2019, and December 26, 2020. The fiscal year 2021 numbers represent the 12-month period between December 27, 2020, and December 25, 2021. The fiscal year 2022 numbers represent the 12-month period between December 25, 2021 and December 31, 2022. If multiple events occurred affecting an outlet, this table shows the event that occurred last in time.

The total number of Dunkin' solo outlets may be affected by the closing of the *Baskin-Robbins* portion of some Combo Restaurants. These former Combo restaurants are now counted under *Dunkin'* solo restaurants. We do not consider these as new restaurant openings. The total number of *Dunkin'* solo outlets may be affected by the addition of a *Baskin-Robbins* to an existing *Dunkin'* solo outlet. These former *Dunkin'* solo outlets are now counted under Combo outlets. We do not consider these as terminations of *Dunkin'* solo outlets. As previously announced, we mutually agreed with Speedway to close approximately 450 limited menu *Dunkin'* Speedway locations operating in the states of New York, Virginia, North Carolina, Florida, New Jersey, South Carolina, Pennsylvania, and Delaware in 2020.

During the last 3 fiscal years, we have signed confidentiality agreements with some current and former franchisees. Each confidentiality agreement was entered into as part of a settlement of a dispute between us and the current or former franchisee. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak

with current and former franchisees but be aware that not all such franchisees will be able to communicate with you. See Exhibit I for a List of Current Dunkin' Franchisees and Area Developers and Exhibit J for a List of Former Dunkin' franchisees.

Contact information for those franchisees that have signed Dunkin' Franchise Agreements, but the Dunkin' Restaurant was not open as of fiscal year end is as follows:

The tables provide information during the periods labeled as 2020, 2021 and 2022. The fiscal year 2020 numbers represent the 12-month period between December 29, 2019, and December 26, 2020. The fiscal year 2021 numbers represent the 12-month period between December 27, 2020, and December 25, 2021. The fiscal year 2022 numbers represent the 12-month period between December 25, 2021, and December 31, 2022. If multiple events occurred affecting an outlet, this table shows the event that occurred last in time.

Please note that if one brand of the Combo outlet is affected (e.g., terminated), then the Combo outlet will be included in the above statistics (e.g., terminated) even though the other brand remains unaffected.

The total number of Combo outlets may be affected by the addition of a *Baskin-Robbins* to an existing *Dunkin'* solo outlet. These former *Dunkin'* solo outlets are now counted under Combo outlets. We do not consider these as new outlet openings.

In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees but be aware that not all such franchisees will be able to communicate with you. During the last three fiscal years, we have signed confidentiality agreements with some current and former franchisees. Each confidentiality agreement was entered into as part of a settlement of a dispute between us and the current or former franchisee. See Exhibit I for a List of Current Combo Franchisees and Exhibit J for a List of Former Combo Franchisees.

Independent Auditors' Report

The Board of Managers and Member
DB Master Finance Parent LLC:

Opinion

We have audited the consolidated financial statements of DB Master Finance Parent LLC and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2022 (Successor) and December 25, 2021 (Successor), and the related consolidated statements of income and comprehensive income, member's equity (deficit), and cash flows for the fiscal years ended December 31, 2022 (Successor) and December 25, 2021 (Successor), and the 352-day period ended December 14, 2020 (Predecessor), and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 (Successor) and December 25, 2021 (Successor), and the results of its operations and its cash flows for the fiscal years ended December 31, 2022 (Successor) and December 25, 2021 (Successor), and the 352-day period ended December 14, 2020 (Predecessor) in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated financial statements of the Company as of December 26, 2020 (Successor) and for 12-day period ended December 26, 2020 (Successor) were audited by another auditor, who expressed an unmodified opinion on those statements on April 22, 2021.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

DB MASTER FINANCE PARENT LLC AND SUBSIDIARIES
Notes to Consolidated Financial Statements

(1) DESCRIPTION OF BUSINESS AND ORGANIZATION

Dunkin' Brands Group, Inc. ("DBGI" or "Parent"), together with its consolidated subsidiaries, is one of the world's leading franchisors of restaurants serving coffee and baked goods, as well as ice cream, within the quick service restaurant segment of the restaurant industry. On January 14, 2015, in preparation for the initial securitization financing transaction, DB Master Finance Parent LLC ("Master Issuer Parent") was formed as a special purpose Delaware limited liability company, and an indirect subsidiary of DBGI. On January 26, 2015, in conjunction with the closing of the securitization financing transaction, Master Issuer Parent received a contribution of net assets from its parent through the receipt of 100% of the equity interests of DB Master Finance LLC ("Master Issuer"), an existing subsidiary of DBGI. Prior to this contribution of net assets to Master Issuer Parent, DBI underwent an internal reorganization of its corporate structure to group specific assets within Master Issuer and its subsidiaries for purposes of facilitating the securitization financing transaction. Most of the domestic, and certain of the foreign, revenue-generating assets of DBGI are held by Master Issuer and its subsidiaries for the purpose of making these assets, including any cash generated thereby, available to the securitization entities to service debt obligations and to pledge these assets as collateral pursuant to a base indenture. The contributed assets and liabilities were recorded at historical cost.

Master Issuer Parent and subsidiaries (the "Company") includes Master Issuer Parent's direct and indirect subsidiaries including, but not limited to, Master Issuer, Dunkin' Donuts Franchising LLC and DD IP Holder LLC (collectively, "Dunkin' Donuts"), Baskin-Robbins Franchising LLC and BR IP Holder LLC (collectively, "Baskin-Robbins"), BR UK Franchising LLC ("UK Franchisor"), and DB Real Estate Assets I LLC and DB Real Estate Assets II LLC (collectively, "Real Estate Asset Subs"). The Company is a wholly owned subsidiary of DBGI. DBGI is an indirect wholly owned subsidiary of IRB Holding Corp. ("IRB") whose ultimate parent is Inspire Brands, Inc. ("Inspire").

Through DBGI's widely recognized brands, the Company, through the services provided by Dunkin' Brands, Inc. ("DBI" or "Manager"), franchise and license a system of both traditional and nontraditional quick service restaurants. Dunkin' Donuts, in conjunction with the Manager and Real Estate Asset Subs, franchises restaurants featuring coffee, espresso, donuts, bagels, breakfast sandwiches, and related products. Additionally, we, through the services provided by the Manager, license Dunkin' brand products sold in certain retail outlets such as retail packaged coffee, Dunkin' K-Cup® pods, and ready-to-drink bottled iced coffee. Baskin-Robbins, in conjunction with the Manager and Real Estate Asset Subs, franchises restaurants featuring ice cream, frozen beverages, and related products. UK Franchisor, through the services provided by the Manager, sells Baskin-Robbins franchises and distributes Baskin-Robbins ice cream products to Baskin-Robbins franchisees and licensees in the United Kingdom and certain other foreign countries.

On December 15, 2020, Vale Merger Sub, Inc. ("Merger Sub"), an indirect wholly-owned subsidiary of Inspire Brands, Inc. ("Inspire"), acquired all of the issued and outstanding shares of DBGI's common stock and completed a merger with and into DBGI (the "Merger"), with DBGI continuing as the surviving corporation, and by result of the Merger became a wholly-owned subsidiary of Inspire.

The consolidated balance sheets as of December 31, 2022 and December 25, 2021 and the related consolidated statements of income and comprehensive income, member's equity (deficit) and cash flows for the fiscal years ended December 31, 2022 and December 25, 2021, and the 12 days ended December 26, 2020 ("2020 successor") represent the Company's ownership under Inspire and are referred to as the consolidated financial statements of the successor Company. Inspire elected to apply pushdown accounting and therefore the consolidated financial statements of the successor Company include the effects of purchase accounting allocable to it as a result of the Merger.

The consolidated statements of income and comprehensive income, member's equity (deficit) and cash flows for the 352 days ended December 14, 2020 ("2020 predecessor") represent the Company's ownership under DBGI prior to the Merger. Collectively, these consolidated financial statements are referred to as the consolidated financial statements of the predecessor Company.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Consolidation

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All significant transactions and balances between the Master Issuer Parent and its subsidiaries have been eliminated in consolidation.

The Company consolidates entities in which it has a controlling financial interest, the usual condition of which is ownership of a majority voting interest. The Company also considers for consolidation an entity, in which it has certain interests, where the controlling financial interest may be achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity ("VIE"), is required to be consolidated by its primary beneficiary. The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it. The principal entities in which the Company possesses a variable interest include franchise entities. The Company does not possess any ownership interests in franchise entities. Additionally, the Company generally does not provide financial support to franchise entities in a typical franchise relationship. As the Company's franchise and license arrangements provide its franchisee and licensee entities the power to direct the activities that most significantly impact their economic performance, the Company does not consider itself the primary beneficiary of any such entity that might be a VIE. The Company's maximum exposure to loss resulting from involvement with potential franchise VIEs is attributable to aged trade and notes receivable balances and future lease payments due from franchisees.

The Company has also entered into an agreement with SVC Service II Inc. ("SVC"), a wholly-owned subsidiary of DBI, through which SVC operates the gift card program as part of the marketing efforts under the Dunkin' and Baskin-Robbins brands. Through this agreement, SVC is entitled to receive from the Company a service fee in exchange for providing services, which could include reimbursement for any gift card administration expenses that are not otherwise funded through gift card breakage income or other sources. Therefore, although the Company does not possess any ownership interest, it possesses a variable interest in SVC. However, the Company does not have the power to direct the activities that most significantly impact SVC's economic performance, and therefore is not the primary beneficiary of SVC. The Company cannot quantify its maximum exposure to loss resulting from its involvement with SVC given the uncertainty in future unfunded gift card administration expenses. For the fiscal years ended December 31, 2022 and December 25, 2021, the Company has not reimbursed any unfunded gift card administration expenses.

Use of Estimates in the Preparation of the Financial Statements

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the last Saturday in December and are referred to herein as (1) "the fiscal year ended December 31, 2022" or "2022," (2) "the fiscal year ended December 25, 2021" or "2021," (3) "the 12-day period ended December 26, 2020" or "2020 successor" and (4) "the 352-day period ended December 14, 2020" or "2020 predecessor." 2022 consisted of 53 weeks and 2021 consisted of 52 weeks.

Cash, Cash Equivalents, and Restricted Cash

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 31, 2022 and December 25, 2021, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid instruments with an original maturity of three months or less when acquired are considered cash equivalents.

In accordance with the Company's securitized financing facility, certain cash accounts have been established in the name of Citibank, N.A. (the "Trustee") for the benefit of the Trustee and the noteholders, and are restricted in their use. The Company holds restricted cash which primarily represents (i) cash collections held by the Trustee, (ii) interest, principal, and commitment fee reserves held by the Trustee related to the Company's notes, and (iii) real estate reserves used to pay real estate obligations. Any residual cash generated by the Company after funding required cash reserve accounts and paying permitted expenses is distributed to DBI or Inspire and recorded as distributions to Parent, net in the consolidated statements of member's equity (deficit) and cash flows.

Cash, cash equivalents, and restricted cash within the consolidated balance sheets that are included in the consolidated statements of cash flows were as follows (in thousands):

	Successor	
	December 31, 2022	December 25, 2021
Cash and cash equivalents	\$ 15,858	\$ 15,820
Restricted cash	95,263	109,532
Restricted cash, included in Other assets	967	20
Total cash, cash equivalents, and restricted cash	<u>\$ 112,088</u>	<u>\$ 125,372</u>

Property and Improvements, net

Property and improvements are stated at cost less accumulated depreciation. Depreciation is computed on the straight-line method basis using estimated useful lives of the related major classes of property and improvements. Estimated useful lives are 6 to 35 years for buildings and 1 to 20 years for leasehold improvements. Leasehold improvements are depreciated over the shorter of the estimated useful life or the remaining lease term of the related asset.

Routine maintenance and repair costs are charged to expense as incurred. Major improvements, additions, or replacements that extend the life, increase capacity, or improve the safety or the efficiency of property are capitalized at cost and depreciated. Major improvements to leased property are capitalized as leasehold improvements and depreciated. Interest costs incurred during the acquisition period of capital assets are capitalized as part of the cost of the asset and depreciated. Long-lived assets to be disposed of are reported at the lower of their carrying amount or fair value less estimated costs to sell.

Leases

The Company evaluates the contracts it enters into to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. Our contracts do not contain any material residual value guarantees or material restrictive covenants. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating lease where the Company is a lessor or sublessor, based on their terms.

Management makes certain estimates and assumptions regarding each new lease and sublease agreement, renewal and amendment, including, but not limited to, property values, market rents, property lives, discount rates and probable term, all of which can impact the classification of and accounting for the Company's leases. The amount of depreciation, interest and rent expense and income reported would vary if different estimates and assumptions were used.

The Company has lease agreements with lease and non-lease components. The Company elected the practical expedient to not separate non-lease components from lease components for all classes of underlying assets.

Operating Leases

Operating lease assets and liabilities are recognized upon lease commencement. The Company recognizes operating lease liabilities equal to the future unpaid lease payments for non-cancelable operating leases having an initial lease term in excess of one year, discounted by the Company's incremental borrowing rate. As most leases do not provide an implicit discount rate, the Company's incremental secured borrowing rate is used based on the information available at commencement date in determining the present value of lease payments.

Minimum lease payments or receipts, including minimum scheduled rent increases, are recognized as rent expense where the Company is a lessee, or income where the Company is a lessor, as applicable, on a straight-line basis over the applicable lease terms. There is a period under certain lease agreements referred to as a rent holiday that generally begins on the possession date and ends on the rent commencement date. During a rent holiday, no cash rent payments are typically due under the terms of the lease; however, expense is recorded for that period on a straight-line basis.

Lease cost for operating leases is recognized on a straight-line basis and includes the amortization of the right of use ("ROU") asset, net and interest expense related to the operating lease liability. Variable lease cost for operating leases includes contingent rent. Leases with an initial term of 12 months or less are not recorded in the consolidated balance sheets and are recognized on a straight-line basis over the lease term in the Company's consolidated statements of income. Lease costs are recorded in the consolidated statements of income based on the nature of the underlying lease as follows: (1) rental expense for leased property

that are subsequently subleased to franchisees is recorded to “Occupancy expenses” and (2) rental expenses related to leases for corporate offices and equipment is recorded to “General and administrative expenses.”

Finance Leases

Amounts of finance leases are recognized based on the present value of unpaid lease payments over the lease term. Lease cost for finance leases includes the amortization of the finance lease asset, which is amortized on a straight-line basis and recorded to “Depreciation,” and interest expense on the finance lease liability, which is calculated using the effective interest method and recorded to “Interest expense.” Finance lease assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Fair Value of Financial Instruments

The Company’s financial instruments include cash, cash equivalents, restricted cash, accounts receivable, notes and other receivables, accounts payable and other current liabilities. The fair value of these financial instruments approximates book value because of their short-term nature. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2022.

For certain of the Company’s assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company’s market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Indefinite-Lived Intangibles and Other Long-lived Assets

Indefinite-Lived Intangibles

The Company reviews indefinite-lived intangible assets for impairment at least annually, as of the first day of our fiscal fourth quarter, and more frequently if events or changes in circumstances indicate that the carrying amount of the indefinite-lived intangible asset may not be recoverable. The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount, the Company performs a quantitative impairment test. If such reviews indicate an intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset.

The Company uses the relief from royalty method using unobservable inputs (Level 3) to determine the fair value of its trademarks/trade names. Significant assumptions and estimates used in determining fair value include future revenues, royalty rates, terminal values, and discount rates.

Long-lived Assets

Long-lived assets are amortized on a straight-line basis using estimated useful lives of the related classes of assets.

Other intangible assets consist of domestic and international franchise rights, retail license rights, and favorable operating lease interests acquired where the Company is the lessor. Other intangible assets recorded in the consolidated balance sheets were valued using an appropriate valuation method as of the date of acquisition. Amortization of franchise rights and license rights is recorded as amortization expense in the consolidated statements of income and amortized over the respective estimated useful lives using the straight-line method. Favorable operating leases acquired where the Company is the lessor are amortized into rental income over the term of the respective leases using the straight-line method.

For the 2020 predecessor period, amortization of favorable operating leases acquired where the Company was the lessor was recorded as amortization expense in the consolidated statements of income.

The Company reviews long-lived assets, including operating lease assets, property, improvements, and allocated intangible assets subject to amortization for impairment, whenever events or changes in circumstances indicate that the carrying amount of an asset group may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows the Company expects to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value.

The Company uses unobservable inputs (Level 3) to determine the fair value of its asset groups. Management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, sublease income and franchising proceeds. Accordingly, actual results could vary significantly from the Company's estimates.

Contingencies

The Company records reserves for legal and other contingencies when information available to the Company indicates that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates. Legal costs incurred in connection with legal and other contingencies are expensed as the costs are incurred.

Foreign Currency Translation

The Company's reporting currency is the U.S. dollar, while the functional currency of the Company's foreign operations is the local currency in each foreign country. Assets and liabilities are translated into U.S. dollars using the current exchange rates in effect at the balance sheet date, while revenues and expenses are translated at the average exchange rates for the period. The resulting translation adjustments are recorded as a separate component of other comprehensive income (loss) and member's equity (deficit). Foreign currency translation adjustments primarily result from the Company's subsidiary located in the UK. Transactions resulting in foreign exchange gains and losses are included in the consolidated statements of income and comprehensive income.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation.

Franchise Fees and Royalty Revenues

Domestically, the Company sells individual franchises as well as territory agreements in the form of store development agreements ("SDAs") that grant the right to develop restaurants in designated areas. The franchise agreements and SDAs typically require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective restaurants and continuing fees, or royalty revenues, on a weekly basis based upon a percentage of franchisee gross sales. The initial term of domestic franchise agreements is typically 20 years. Prior to the end of the franchise term or as otherwise provided by the Company, a franchisee may elect to renew the term of a franchise agreement and, if approved, will typically pay a renewal fee upon execution of the renewal term. If approved, a franchisee may transfer a franchise agreement or SDA to a new or existing franchisee, at which point a transfer fee is paid. Occasionally, the Company offers incentive programs to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement.

Internationally, the Company sells master franchise agreements that grant the master franchisee the right to develop and operate, and in some instances sub-franchise, a certain number of restaurants within a particular geographic area. The master franchisee is typically required to pay an upfront market entry fee upon entering into the master franchise agreement and an upfront initial franchise fee for each developed restaurant prior to each respective opening. For the Dunkin' brand and in Baskin-Robbins international markets, the master franchisee will also pay continuing fees, or royalty revenues, generally on a monthly basis based upon a percentage of sales. Generally, the master franchise agreement serves as the franchise agreement for the underlying restaurants, and the initial franchise term provided for each restaurant typically ranges between 10 and 20 years.

Generally, the franchise license granted for each individual restaurant within an arrangement represents a single performance obligation. Therefore, initial franchise fees and market entry fees for each arrangement are allocated to each individual restaurant and recognized over the term of the respective franchise agreement from the date of the restaurant opening. Royalty

revenues are also recognized over the term of the respective franchise agreement based on the royalties earned each period as the underlying sales occur. Renewal fees are generally recognized over the renewal term for the respective restaurant from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of transfer. Incentives provided to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement are recognized over the remaining term of the respective agreement. Fees received or receivable that are expected to be recognized as revenue within one year are classified as current deferred revenue in the consolidated balance sheets.

Advertising Fees and Related Income

Domestically, franchise agreements typically require the franchisee to pay continuing advertising fees on a weekly basis based on a percentage of franchisee gross sales, which represents a portion of the consideration received for the single performance obligation of the franchise license. Continuing advertising fees are recognized over the term of the respective franchise agreement based on the fees earned each period as the underlying sales occur. Additionally, the Company accrues advertising expenses equivalent to advertising revenues, representing the Company's obligation to remit advertising fund contributions to affiliated entities of the Company to be used for advertising for each brand.

Rental Income

Rental income for base rentals is recorded on a straight-line basis over the lease term. The differences between the straight-line rent amounts and amounts receivable under the leases are recorded as deferred rent assets in current or long-term assets, as appropriate. Variable lease receipts are recognized as earned, and any amounts received from lessees in advance of achieving stipulated thresholds are deferred until such thresholds are actually achieved. Deferred variable lease receipts are recorded as deferred revenue in current liabilities in the consolidated balance sheets.

Licensing Fees

Licensing fees include fees generated by licensing the Company's brand names and other intellectual property to third parties and are recognized when earned, which is generally upon sale of the underlying products by the licensees. Additionally, licensing fees include fees generated pursuant to license agreements with wholly-owned subsidiaries of DBGI related to the use of Baskin-Robbins intellectual property in the sale of ice cream products to certain international markets and are recognized when earned.

Sales of Ice Cream Products

The Company distributes Baskin-Robbins ice cream products to franchisees and licensees in certain international locations. Revenue from the sale of ice cream products, including distribution fees, is recognized when title and risk of loss transfers to the buyer, which is generally upon delivery. Payment for ice cream and other products is generally due within a relatively short period of time subsequent to delivery.

Other Revenues

Other revenues include gains, net of losses and transactions costs, from the sales of restaurants to new or existing franchisees, as well as revenues generated from online training programs for franchisees, both of which are recognized over the term of the related agreements.

Allowance for Credit Losses

The Company monitors the financial condition of its franchisees and licensees and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience with the Company's franchisees and licensees as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control. Included in the allowance for credit losses is a provision for uncollectible royalty, franchise fee, advertising fee, and licensing fee receivables.

Income Taxes

Master Issuer Parent and each of its subsidiaries are limited liability companies, which are single member entities that are treated as disregarded entities for U.S. income tax purposes and included as part of DBI in the consolidated federal income tax return of Inspire for the period subsequent to the Merger, or DBGI for periods prior to the Merger. The Company has not entered into a tax-sharing agreement with Inspire or DBGI nor does its limited liability company agreement provide for tax

distributions. All cash is collected in or transferred to an account held in the name of Master Issuer regardless of the Company's or its affiliates' tax position. No specific dividends are required for tax payments. As a result, the accompanying consolidated statements of income and comprehensive income do not include a provision for income taxes for the disregarded entities that are included as a part of their single member, DBI, in the applicable consolidated federal income tax return. The Company incurs foreign tax expense attributable to foreign withholding taxes, which is recorded as provision for income taxes in the accompanying consolidated statements of income and comprehensive income.

Debt Issuance Costs

Debt issuance costs are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the related "Long-term debt, net" and are amortized as interest expense over the term of the related debt using the effective interest method.

Concentration of Credit Risk

The Company is subject to credit risk through its accounts receivable consisting primarily of amounts due from franchisees and licensees for franchise fees, royalty revenues, advertising fees, and sales of ice cream products. In addition, the Company has note and lease receivables from certain of its franchisees and licensees. The financial condition of these franchisees and licensees is largely dependent upon the underlying business trends of the Company's brands and market conditions within the quick service restaurant industry. This concentration of credit risk is mitigated, in part, by the large number of franchisees and licensees of each brand and the short-term nature of the franchise and license fee and lease receivables. As of December 31, 2022 and December 25, 2021, no individual franchisee or master licensee accounted for more than 10% of total accounts and notes receivable. No individual franchisee or master licensee accounted for more than 10% of total revenues for any period presented.

Additionally, the Company engages various third parties to manufacture and/or distribute certain Dunkin' and Baskin-Robbins products under licensing arrangements. As of each of December 31, 2022 and December 25, 2021, one of these third parties accounted for approximately 12% of total accounts and notes receivable. No individual third party accounted for more than 10% of total revenues for any period presented.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the consolidated statements of member's equity (deficit). The net distributions in a year are first recorded to "Retained earnings", if any, until the cumulative retained earnings balance is reduced to zero. Any remaining distributions in a year are then recorded to "Member's equity," if any, until the cumulative "Member's equity" balance is reduced to zero and are then subsequently recorded to "Accumulated deficit." The net contributions in a year are recorded to "Member's equity." The Company presents contributions from and distributions to Parent on a net basis as a financing activity on the consolidated statements of cash flows.

Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

New Accounting Pronouncements Not Yet Adopted

Reference Rate Reform (ASU 2020-04)

In March 2020, the FASB issued ASU 2020-04, "Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting" ("ASU 2020-04"). In January 2021, the FASB clarified the scope of this guidance with the issuance of ASU 2021-01, *Reference Rate Reform: Scope*. ASU 2020-04 provides optional expedients and exceptions for applying GAAP for contracts, hedging relationships and other transactions that reference the London Interbank Offered Rate ("LIBOR") or another reference rate if certain criteria are met. ASU 2020-04 may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2024. The Company is currently evaluating the potential effects of the adoption of ASU 2020-04.

The Company recognized \$8.9 million and \$5.0 million of revenues associated with prior year deferred franchise fees for the fiscal years ended December 31, 2022 and December 25, 2021, respectively, offset by cash payments received or due in advance of satisfying its performance obligations.

They are classified within Level 2, as defined under GAAP. The fair values were estimated using inputs based on bid and offer prices. The estimated fair value of variable funding notes, which is included in the fair value of total debt, approximates carrying value as there have not been material changes in the Company's credit rating and the variable interest rate reprices frequently. The estimated fair value of other debt is estimated primarily based on current market rates for debt with similar terms and remaining maturities or current midpoint prices for such debt.

Securitized Financing Facility

The Master Issuer, a limited-purpose, bankruptcy-remote, wholly-owned indirect subsidiary of DBGI, through a series of securitization transactions has issued fixed rate senior secured notes and variable funding notes, collectively referred to as the "Securitization Notes." The following table summarizes the Securitization Notes outstanding as of December 31, 2022:

<i>(dollars in thousands)</i>	Issuance Date	Anticipated Repayment Date ^(a)	Outstanding Principal	Interest Rate

Total			<u>\$ 4,266,448</u>		

- (a) If the Securitization Notes have not been repaid or refinanced by their respective Anticipated Repayment Dates, a rapid amortization event will occur in which residual net cash flows of the Master Issuer, after making certain required payments, will be applied to the outstanding principal of the Securitization Notes.

- (b) It is anticipated that the principal and interest on the 2019 Variable Funding Notes will be repaid in full on or prior to August 2024, subject to two additional one-year extensions.
- (c) Borrowings under the 2019 Variable Funding Notes bear interest at a rate equal to a LIBOR rate plus 1.50%, or the lenders' commercial paper funding rate plus 1.50%. If the 2019 Variable Funding Notes are not repaid prior to August 2024 or prior to the end of the extension period, if applicable, incremental interest will accrue. In addition, the Company is required to pay a 1.50% fee for letters of credit amounts outstanding and a commitment fee on the unused portion of the 2019 Variable Funding Notes which ranges from 0.50% to 1.00% based on utilization.
- (d) Includes the effects of the amortization of any debt premium or debt issuance costs recorded as interest expense. The effective rate for the 2019 Variable Funding Notes is based on a LIBOR-based interest rate through December 31, 2022.

The Securitization Notes are secured by substantially all of the assets of and guaranteed by the Master Issuer Parent and subsidiaries (collectively with the Master Issuer, "Securitization Entities"), and were issued in a securitization transaction pursuant to which certain assets such as franchise agreements, intellectual property and real property were contributed to such Securitization Entities.

Interest on the Securitization Notes is payable on a quarterly basis. The 2019 Variable Funding Notes allows for the issuance of up to \$150.0 million of variable funding notes and certain other credit instruments, including total letters of credit of \$75.0 million, in support of various obligations. As of December 31, 2022, the Company had outstanding borrowings of \$113.7 million under the 2019 Variable Funding Notes, exclusive of \$36.3 million letters of credit. As of December 31, 2022, there was no remaining capacity for future borrowings under the 2019 Variable Funding Notes. In January 2023, the Company repaid the \$113.7 million in outstanding borrowings under the 2019 Variable Funding Notes.

The Company recorded a gain on debt extinguishment in 2021 of \$14.2 million, consisting of a \$17.1 million write-off of the remaining debt premium related to the 2017 Class A-2-I Notes and 2019 Class A-2-I Notes, net of \$2.9 million of make-whole prepayment premium costs associated with the early repayment of the 2017 Class A-2-I Notes and 2019 Class A-2-I Notes.

In February 2023, the Master Issuer issued \$850.0 million in Series 2023-1 Class A-1 Dunkin Variable Funding Notes ("2023 Variable Funding Notes") that bear interest at a rate equal to a Secured Overnight Financing Rate plus 225 basis points and have a legal maturity of February 2028. At the date of issuance, the Company borrowed \$781.9 million from the 2023 Variable Funding Notes. The Company distributed \$771.8 million of proceeds to Parent.

The Securitization Notes are subject to a series of covenants and restrictions customary for transactions of this type. If certain covenants or restrictions are not met, the Dunkin' Securitization Notes are subject to customary accelerated repayment events and events of default. Although the Company does not anticipate an event of default or any other event of noncompliance with the provisions of the debt, if such event occurred, the unpaid amounts outstanding could become immediately due and payable. As of December 31, 2022, the Company was in compliance with all debt covenant requirements.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated financial statements of the Company as of December 26, 2020 (Successor) and for 12-day period ended December 26, 2020 (Successor) were audited by another auditor, who expressed an unmodified opinion on those statements on April 16, 2021. The supplementary consolidating financial information for the 12-day period ended December 26, 2020 (Successor) was also audited by the other auditor who expressed an unmodified opinion on the supplementary consolidating financial information on March 25, 2022.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental consolidating balance sheets as of December 31, 2022 (Successor) and December 25, 2021 (Successor) and the supplemental consolidating statements of operations and consolidating statements of cash flows for the fiscal years ended December 31, 2022 (Successor) and December 25, 2021 (Successor), and the 352-day period ended December 14, 2020 (Predecessor) are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

DUNKIN' BRANDS GROUP, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

(1) DESCRIPTION OF BUSINESS AND ORGANIZATION

Dunkin' Brands Group, Inc. (collectively, with its subsidiaries, "DBGI," or the "Company") is a wholly owned subsidiary of Dunkin' Holding Company ("DHC" or "Parent"). DHC is a subsidiary of IRB Holding Corp. ("IRB") whose ultimate parent is Inspire Brands, Inc. ("Inspire"). DBGI, together with its consolidated subsidiaries, is one of the world's leading franchisors of restaurants serving coffee and baked goods, as well as ice cream, within the quick service restaurant segment of the restaurant industry. The Company franchises and licenses a system of both traditional and nontraditional quick service restaurants. Through its Dunkin' brand, the Company franchises restaurants featuring coffee, espresso, donuts, bagels, breakfast sandwiches, and related products. Additionally, the Company licenses Dunkin' brand products sold in certain retail outlets such as retail packaged coffee, Dunkin' K-Cup® pods, and ready-to-drink bottled iced coffee. Through its Baskin-Robbins brand, the Company franchises restaurants featuring ice cream, frozen beverages, and related products. Additionally, the Company distributes Baskin-Robbins ice cream products to certain international markets for sale in Baskin-Robbins restaurants and certain retail outlets.

On December 15, 2020, Vale Merger Sub, Inc. ("Merger Sub"), an indirect wholly-owned subsidiary of Inspire Brands, Inc. ("Inspire"), acquired all of the issued and outstanding shares of the Company's common stock and completed a merger with and into the Company (the "Merger"), with the Company continuing as the surviving corporation, and by result of the Merger became a wholly-owned subsidiary of Inspire.

The consolidated balance sheets as of December 31, 2022 and December 25, 2021 and the related consolidated statements of operations, comprehensive income (loss), stockholders' equity (deficit), and cash flows for the fiscal years ended December 31, 2022 and December 25, 2021, and for the twelve days ended December 26, 2020 ("2020 successor") represent the Company's ownership under Inspire and are referred to as the consolidated financial statements of the successor Company. The Company elected to apply pushdown accounting and therefore the consolidated financial statements of the successor Company include the effects of purchase accounting allocable to DBGI and subsidiaries as a result of the Merger.

The consolidated statements of operations, comprehensive income (loss), stockholders' equity (deficit), and cash flows for the 352 days ended December 14, 2020 ("2020 predecessor") represent DBGI's ownership as a public company prior to the Merger. Collectively, these consolidated financial statements are referred to as the financial statements of the predecessor Company.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Consolidation

The accompanying consolidated financial statements include the accounts of DBGI and subsidiaries and have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All significant transactions and balances between the Company and its subsidiaries have been eliminated in consolidation.

The Company consolidates entities in which it has a controlling financial interest, the usual condition of which is ownership of a majority voting interest. The Company also considers for consolidation an entity, in which it has certain interests, where the

controlling financial interest may be achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity ("VIE"), is required to be consolidated by its primary beneficiary. The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it. The principal entities in which the Company possesses a variable interest include franchise entities and its equity method investees. The Company does not possess any ownership interests in franchise entities, except for its investments in various entities that are accounted for under the equity method. Additionally, the Company generally does not provide financial support to franchise entities in a typical franchise relationship. As the Company's franchise and license arrangements provide its franchisee and licensee entities the power to direct the activities that most significantly impact their economic performance, the Company does not consider itself as the primary beneficiary of any such entity that might be a VIE. The Company's maximum exposure to loss resulting from involvement with potential franchise VIEs is attributable to aged trade and notes receivable balances, outstanding loan guarantees, and future lease payments due from franchisees.

Use of Estimates in the Preparation of the Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the last Saturday in December and are referred to herein as (1) "the fiscal year ended December 31, 2022" or "2022," (2) "the fiscal year ended December 25, 2021" or "2021," (3) "the 12-day period ended December 26, 2020" or "2020 successor" and (4) "the 352-day period ended December 14, 2020" or "2020 predecessor." 2022 consisted of 53 weeks and 2021 consisted of 52 weeks.

Cash, Cash Equivalents, and Restricted Cash

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 31, 2022 and December 25, 2021, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid instruments with an original maturity of three months or less when acquired are considered cash equivalents.

Cash held related to the advertising funds, the Company's gift card/certificate programs and loyalty program is classified as unrestricted cash as there are no legal restrictions on the use of these funds; however, the Company intends to use these funds solely to support the advertising funds and gift card/certificate programs rather than to fund operations. Total cash balances related to the advertising funds and gift card and similar programs as of December 31, 2022 and December 25, 2021 were \$375.6 million and \$325.1 million, respectively.

In accordance with the Company's securitized financing facility, certain cash accounts have been established in the name of Citibank, N.A. (the "Trustee") for the benefit of the Trustee and the noteholders, and are restricted in their use. The Company holds restricted cash which primarily represents (i) cash collections held by the Trustee, (ii) interest, principal, and commitment fee reserves held by the Trustee related to the Company's notes, and (iii) real estate reserves used to pay real estate obligations.

Cash, cash equivalents, and restricted cash within the consolidated balance sheets that are included in the consolidated statements of cash flows were as follows (in thousands):

	Successor	
	December 31, 2022	December 25, 2021
Cash and cash equivalents	\$ 430,152	\$ 385,739
Restricted cash	95,263	109,532

Total cash, cash equivalents, and restricted cash	<u>\$ 526,382</u>	<u>\$ 495,321</u>

Accounts Receivable, net and Notes and Other Receivables, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements, including contributions due to advertising funds it consolidates. These receivables from franchisees are generally due within 30 days of the period in which the corresponding sales occur and are classified as Accounts receivable, net on the consolidated balance sheets. Receivables from third party gift card distributors and channel revenue receivables are included as Notes and other receivables, net on the consolidated balance sheets. The Company monitors the financial condition of its franchisees and licensees and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience with our franchisees and licensees as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control. Included in the allowance for credit losses is a provision for uncollectible royalty, franchise fee, advertising fee, ice cream, and licensing fee receivables.

Property, Equipment, and Software, net

Property, equipment, and software are stated at cost less accumulated depreciation. Depreciation is computed on the straight-line basis using estimated useful lives of the related major classes of property, equipment, and software. Estimated useful lives are 1 to 10 years for store, production, and other equipment, 6 to 35 years for buildings, 1 to 20 years for leasehold improvements and 1 to 7 years for software. Leasehold improvements are depreciated over the shorter of the estimated useful life or the remaining lease term of the related asset.

Depreciation related to the U.S. Advertising Funds is included within advertising expenses in the consolidated statements of operations.

Routine maintenance and repair costs are charged to expense as incurred. Major improvements, additions, or replacements that extend the life, increase capacity, or improve the safety or the efficiency of property are capitalized at cost and depreciated. Major improvements to leased property are capitalized as leasehold improvements and depreciated. Interest costs incurred during the acquisition period of capital assets are capitalized as part of the cost of the asset and depreciated. Long-lived assets to be disposed of are reported at the lower of their carrying amount or fair value less estimated costs to sell.

Leases

The Company evaluates the contracts it enters into to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. Our contracts do not contain any material residual value guarantees or material restrictive covenants. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating lease where the Company is a lessor or sublessor, based on their terms.

Management makes certain estimates and assumptions regarding each new lease and sublease agreement, renewal and amendment, including, but not limited to, property values, market rents, property lives, discount rates and probable term, all of which can impact the classification of and accounting for the Company's leases. The amount of depreciation, interest and rent expense and income reported would vary if different estimates and assumptions were used.

The Company has lease agreements with lease and non-lease components. The Company elected the practical expedient to not separate non-lease components from lease components for all classes of underlying assets.

Operating Leases

Operating lease assets and liabilities are recognized upon lease commencement. The Company recognizes operating lease liabilities equal to the future unpaid lease payments for non-cancelable operating leases having an initial lease term in excess of one year, discounted by the Company's incremental borrowing rate. As most leases do not provide an implicit discount rate, the Company's incremental secured borrowing rate is used based on the information available at commencement date in determining the present value of lease payments.

Minimum lease payments or receipts, including minimum scheduled rent increases, are recognized as rent expense where the Company is a lessee, or income where the Company is a lessor, as applicable, on a straight-line basis over the applicable lease terms. There is a period under certain lease agreements referred to as a rent holiday that generally begins on the possession date and ends on the rent commencement date. During a rent holiday, no cash rent payments are typically due under the terms of the lease; however, expense is recorded for that period on a straight-line basis.

Lease cost for operating leases is recognized on a straight-line basis and includes the amortization of the operating lease ("ROU") asset, net and interest expense related to the operating lease liability. Variable lease cost for operating leases includes contingent rent. Leases with an initial term of 12 months or less are not recorded in the consolidated balance sheets and are recognized on a straight-line basis over the lease term in the Company's consolidated statements of operations. Lease costs are recorded in the consolidated statements of operations based on the nature of the underlying lease as follows: (1) rental expense for leased property that are subsequently subleased to franchisees is recorded to "Occupancy expenses--franchise restaurants" and (2) rental expenses related to leases for corporate offices and equipment is recorded to "General and administrative expenses."

Finance Leases

Amounts of finance leases are recognized based on the present value of unpaid lease payments over the lease term. Lease cost for finance leases includes the amortization of the finance lease asset, which is amortized on a straight-line basis and recorded to "Depreciation," and interest expense on the finance lease liability, which is calculated using the effective interest method and recorded to "Interest expense." Finance lease assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Fair Value of Financial Instruments

The Company's financial instruments include cash, cash equivalents, restricted cash, accounts receivable, notes and other receivables, accounts payable and other current liabilities. The fair value of these financial instruments approximates book value because of their short-term nature. For long-term receivables, the Company reviews the creditworthiness of the counterparty on a quarterly basis, and adjusts the carrying value as necessary. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2022.

The deferred compensation liabilities relate to the Dunkin' Brands, Inc. non-qualified deferred compensation plans ("NQDC Plans"), which allow for pre-tax deferral of compensation for certain qualifying employees and directors. Changes in the fair value of the deferred compensation liabilities are derived using quoted prices in active markets of the asset selections made by the participants. The deferred compensation liabilities are classified within Level 2, as defined under U.S. GAAP, because their inputs are derived principally from observable market data by correlation to hypothetical investments. The Company holds assets, which may include, company-owned life insurance policies and mutual funds, to offset the Company's liabilities under the NQDC Plans. The changes in the fair value of any company-owned life insurance policies are derived using determinable cash surrender value. As such, the company-owned life insurance policies are classified within Level 2, as defined under U.S. GAAP. The changes in the fair value of any mutual funds were derived using quoted prices in active markets for the specific funds. As such, the mutual funds were classified within Level 1, as defined under U.S. GAAP.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed. The Company tests goodwill by reporting unit for impairment annually as of the first day of our fiscal fourth quarter or more frequently if events or changes in circumstances indicate that it may be impaired.

The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, the Company performs a quantitative impairment test of goodwill. The Company estimates the fair value of the reporting unit using an income approach through a discounted cash flow analysis using unobservable inputs (Level 3) and relevant data from the guideline transaction approach and guideline public companies market approach (Level 3). Significant assumptions and estimates used in determining fair value include future revenues and cash flows, terminal values, discount rates that approximates the reporting units' weighted average cost of capital and a selection of multiples for comparable publicly traded companies as guidelines for determining fair value under the market approach.

Indefinite-Lived Intangibles and Other Long-lived Assets

Indefinite-lived Intangibles

The Company reviews indefinite-lived intangible assets for impairment at least annually, as of the first day of our fiscal fourth quarter, and more frequently if events or changes in circumstances indicate that the carrying amount of the indefinite-lived intangible asset may not be recoverable. The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount, the Company performs a quantitative impairment test. If such reviews indicate an intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset.

The Company uses the relief from royalty method using unobservable inputs (Level 3) to determine the fair value of its trademarks/trade names. Significant assumptions and estimates used in determining fair value include future revenues, royalty rates, terminal values, and discount rates.

Long-lived Assets

Long-lived assets are amortized on a straight-line basis using estimated useful lives of the related classes of assets.

Other intangible assets consist of domestic and international franchise rights, retail license rights, developed technology, non-compete agreements, and favorable operating lease interests acquired where the Company is the lessor. Other intangible assets recorded in the consolidated balance sheets were valued using an appropriate valuation method as of the date of acquisition. Amortization of franchise rights, license rights, developed technology and non-compete agreements is recorded as amortization expense in the consolidated statements of operations and amortized over the respective estimated useful lives using the straight-line method. Favorable operating leases acquired where the Company is the lessor are amortized into rental income over the term of the respective leases using the straight-line method.

For the 2020 predecessor period, amortization of favorable operating leases acquired where the Company was the lessor was recorded as amortization expense in the consolidated statements of operations.

The Company reviews long-lived assets, including operating lease assets, property, equipment, and software, and allocated intangible assets subject to amortization for impairment, whenever events or changes in circumstances indicate that the carrying amount of an asset group may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows the Company expects to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value.

The Company uses unobservable inputs (Level 3) to determine the fair value of its asset groups. Management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, sublease income and refranchising proceeds. Accordingly, actual results could vary significantly from the Company's estimates.

Equity Method Investments

The Company's equity method investments consist of interests in B-R 31 Ice Cream Co., Ltd. ("Japan JV"), BR-Korea Co., Ltd. ("South Korea JV"), and certain other investments, which are accounted for in accordance with the equity method. These amounts are recorded in "Equity method investments" in the consolidated balance sheets. In applying the equity method, the Company records the investments at cost and subsequently increases or decreases the carrying amount of the investments by its proportionate share of the net earnings or losses of the equity method investments. The share of earnings or losses are recognized in "Income from equity method investments" in the Company's consolidated statements of operations. The Company records dividends or other equity distributions as reductions in the carrying value of the investments.

The Company evaluates its equity method investments for impairment whenever an event or change in circumstances occurs that may have a significant adverse impact on the fair value of the investment. If a loss in value has occurred and is deemed to be other than temporary, an impairment loss is recorded. Several factors are reviewed to determine whether a loss has occurred that is other than temporary, including absence of an ability to recover the carrying amount of the investment, the length and extent of the fair value decline, and the financial condition and future prospects of the investee.

Contingencies

The Company records reserves for legal and other contingencies when information available to the Company indicates that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates. Legal costs incurred in connection with legal and other contingencies are expensed as the costs are incurred.

Foreign Currency Translation

The Company's reporting currency is the U.S. dollar, while the functional currency of the Company's foreign operations is the local currency in each foreign country. Assets and liabilities are translated into U.S. dollars using the current exchange rates in effect at the balance sheet date, while revenues and expenses are translated at the average exchange rates for the period. The resulting translation adjustments are recorded as a separate component of other comprehensive income (loss) and stockholders' equity (deficit), net of deferred taxes. Foreign currency translation adjustments primarily result from the Company's equity method investments, as well as subsidiaries located in Canada, the UK, Australia, and other foreign jurisdictions. Transactions resulting in foreign exchange gains and losses are included in the consolidated statements of operations.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation.

Franchise Fees and Royalty Revenues

Domestically, the Company sells individual franchises as well as territory agreements in the form of store development agreements ("SDAs") that grant the right to develop restaurants in designated areas. The franchise agreements and SDAs typically require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective restaurants and continuing fees, or royalty revenues, on a weekly basis based upon a percentage of franchisee gross sales. The initial term of domestic franchise agreements is typically 20 years. Prior to the end of the franchise term or as otherwise provided by the Company, a franchisee may elect to renew the term of a franchise agreement and, if approved, will typically pay a renewal fee upon execution of the renewal term. If approved, a franchisee may transfer a franchise agreement or SDA to a new or existing franchisee, at which point a transfer fee is paid. Occasionally, the Company offers incentive programs to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement.

Internationally, the Company sells master franchise agreements that grant the master franchisee the right to develop and operate, and in some instances sub-franchise, a certain number of restaurants within a particular geographic area. The master franchisee is typically required to pay an upfront market entry fee upon entering into the master franchise agreement and an upfront initial franchise fee for each developed restaurant prior to each respective opening. For the Dunkin' brand and in certain Baskin-Robbins international markets, the master franchisee will also pay continuing fees, or royalty revenues, generally on a monthly basis based upon a percentage of sales. Generally, the master franchise agreement serves as the franchise agreement for the underlying restaurants, and the initial franchise term provided for each restaurant typically ranges between 10 and 20 years.

Generally, the franchise license granted for each individual restaurant within an arrangement represents a single performance obligation. Therefore, initial franchise fees and market entry fees for each arrangement are allocated to each individual restaurant and recognized over the term of the respective franchise agreement from the date of the restaurant opening. Royalty revenues are also recognized over the term of the respective franchise agreement based on the royalties earned each period as the underlying sales occur. Renewal fees are generally recognized over the renewal term of the respective restaurant from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of transfer. Incentives provided to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement are recognized over the remaining term of the respective agreement. Additionally, for Baskin-Robbins international markets that do not pay a royalty, a portion of the consideration from the sales of ice cream and other products is allocated to royalty revenues as consideration for the use of the franchise license, which is recognized when the related sales occur and is estimated based on royalty rates in effect for markets where the franchise license is sold on a standalone basis. Fees received or receivable that are expected to be recognized as revenue within one year are classified as current deferred revenue in the consolidated balance sheets.

Advertising Fees and Related Income

Domestically and in limited international markets, franchise agreements typically require the franchisee to pay continuing advertising fees on a weekly basis based on a percentage of franchisee gross sales, which represents a portion of the consideration received for the single performance obligation of the franchise license. Continuing advertising fees are recognized over the term of the respective franchise agreement based on the fees earned each period as the underlying sales occur.

The Company and its franchisees sell gift cards that are redeemable for products in its Dunkin' and Baskin-Robbins restaurants. The Company manages the gift card program, and therefore collects all funds from the activation of gift cards and reimburses franchisees for the redemption of gift cards in their restaurants. A liability for unredeemed gift cards, as well as historical gift certificates sold, is included in other current liabilities in the consolidated balance sheets.

There are no expiration dates or service fees charged on the gift cards. While the franchisees continue to honor all gift cards presented for payment, the likelihood of redemption may be determined to be remote for certain cards due to long periods of inactivity. In these circumstances, the Company may recognize revenue from unredeemed gift cards ("breakage revenue") if they are not subject to unclaimed property laws. For Dunkin' gift cards enrolled in the DD Perks® Rewards loyalty program and other cards with expected similar redemption behavior, breakage is estimated and recognized at the point in time when the likelihood of redemption of any remaining card balance becomes remote, generally after a period of sufficient inactivity. Breakage revenue on all other Dunkin' gift cards and all Baskin-Robbins gift cards is estimated and recognized over time in proportion to actual gift card redemptions, based on historical redemption rates. Significant judgment is required in estimating breakage rates and in determining whether to recognize breakage revenue over time or when the likelihood of redemption becomes remote.

The Company also collects gift card program service fees from franchisees to offset the costs to administer the gift card program. The gift card program service fees are based on the volume of gift card transactions processed and are recognized as the underlying transactions occur.

Rental Income

Rental income for base rentals is recorded on a straight-line basis over the lease term. The differences between the straight-line rent amounts and amounts receivable under the leases are recorded as deferred rent assets in current or long-term assets, as appropriate. Variable lease receipts are recognized as earned, and any amounts received from lessees in advance of achieving stipulated thresholds are deferred until such thresholds are actually achieved. Deferred variable lease receipts are recorded as deferred revenue in current liabilities in the consolidated balance sheets.

Sales of Ice Cream and Other Products

The Company distributes Baskin-Robbins ice cream products and, in limited cases, Dunkin' products to franchisees and licensees in certain international locations. Revenue from the sale of ice cream and other products, including distribution fees, is recognized when title and risk of loss transfers to the buyer, which is generally upon delivery. Payment for ice cream and other products is generally due within three months after delivery.

Other Revenues

Other revenues include fees generated by licensing the Company's brand names and other intellectual property, as well as gains, net of losses and transactions costs, from the sales of restaurants to new or existing franchisees. Licensing fees are recognized

over the term of the expected license agreement, with sales-based license fees being recognized based on the amount earned each period as the underlying sales occur. Gains on the refranchise or sale of a restaurant are recognized over the term of the related agreement.

Share-Based Payments

Prior to the acquisition by Inspire, the Company measured compensation cost at fair value on the date of grant for all share-based awards and recognized compensation expense over the service period that the awards were expected to vest. The Company elected to recognize compensation cost for graded-vesting awards subject only to a service condition over the requisite service period of the entire award. Forfeitures were estimated based on historical and forecasted turnover.

Excess tax benefits related to share-based compensation were generally recorded to the provision for income taxes in the consolidated statements of operations.

General and Administrative Expenses

General and administrative expenses primarily consist of wages and benefits, professional service fees, and occupancy costs for corporate headquarters and regional offices.

Income Taxes

The Company is included in the consolidated U.S. federal and certain state income tax returns of Inspire for the period subsequent to the Merger. Following the acquisition by Inspire, the Company provides for federal and state taxes in accordance with a formal tax sharing agreement between Inspire and its subsidiaries (“Tax Sharing Agreement”). The Company remits tax payments directly to certain state governmental jurisdictions for itself and its subsidiaries and reimburses Inspire for all payments made on its behalf. Differences between the Company’s income tax provision and cash flows attributable to income taxes pursuant to the provisions of the Company’s Tax Sharing Agreement will be recognized as Distributions to Parent, net in the consolidated statements of stockholders' equity (deficit). Current amounts due to Inspire related to U.S. federal income tax are included in income taxes payable in the consolidated balance sheets.

Deferred tax assets and liabilities are recorded for the expected future tax consequences of items that have been included in the Company's consolidated financial statements or tax returns or operating loss or tax credit carryforwards. Deferred tax assets and liabilities are determined based on the differences between the financial statement carrying amounts of assets and liabilities and the respective tax bases of assets and liabilities using enacted tax rates that are expected to apply in years in which the temporary differences are expected to reverse. The effects of changes in tax rates and changes in apportionment of income between tax jurisdictions on deferred tax assets and liabilities are recognized in the consolidated statements of operations in the year in which the law is enacted or change in apportionment occurs. Deferred tax assets related to U.S. federal and state attributes are measured based on the Company's relative contribution to the Inspire consolidated deferred tax assets in accordance with the Tax Sharing Agreement. Valuation allowances are provided when the Company does not believe it is more likely than not that it will realize the benefit of identified tax assets on the Inspire consolidated Federal tax return. The Company made an accounting policy election to treat taxes due under the global intangible low-taxed income provision as a current period expense.

A tax position taken or expected to be taken in a tax return is recognized in the financial statements when it is more likely than not that the position would be sustained upon examination by tax authorities. A recognized tax position is then measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. Estimates of interest and penalties on unrecognized tax benefits are recorded in the provision for income taxes.

Debt Issuance Costs

Debt issuance costs are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the related “Long-term debt, net” and are amortized as interest expense over the term of the related debt using the effective interest method.

Concentration of Credit Risk

The Company is subject to credit risk through its accounts receivable consisting primarily of amounts due from franchisees and licensees for franchise fees, royalty revenues, advertising fees, and sales of ice cream and other products. In addition, the Company has note and lease receivables from certain of its franchisees and licensees. The financial condition of these franchisees and licensees is largely dependent upon the underlying business trends of the Company's brands and market conditions within the quick service restaurant industry. This concentration of credit risk is mitigated, in part, by the large

number of franchisees and licensees of each brand and the short-term nature of the franchise and license fee and lease receivables. As of December 31, 2022 and December 25, 2021, no master licensee, including its majority-owned subsidiaries, accounted for more than 10% of total accounts and notes receivable. No individual franchisee or master licensee accounted for more than 10% of total revenues for any period presented.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the consolidated statements of stockholders' equity (deficit). The net distributions in a year are first recorded to "Retained earnings", if any, until the cumulative retained earnings balance is reduced to zero. Any remaining distributions in a year are then recorded to "Additional paid-in capital," if any, until the cumulative "Additional paid-in capital" balance is reduced to zero and are then subsequently recorded to "Accumulated deficit." The net contributions in a year are recorded to "Additional paid-in capital." The Company presents contributions from and distributions to Parent on a net basis as a financing activity on the consolidated statements of cash flows.

Advertising Expenses

Advertising expenses in the consolidated statements of operations includes advertising expenses incurred by the Company, primarily through advertising funds, including expenses for the administration of the gift card program and loyalty program. The Company expenses production costs of commercial advertising upon first airing and expenses the costs of communicating the advertising in the period in which the advertising occurs. Costs of print advertising and certain promotion-related items are deferred and expensed the first time the advertising is displayed. Prepaid expenses and other current assets in the consolidated balance sheets include \$17.7 million and \$8.6 million at December 31, 2022 and December 25, 2021, respectively, that was related to advertising. When revenues of the advertising fund exceed the related advertising expenses, advertising costs are accrued up to the amount of revenues.

Acquisition and Integration Related Charges

Acquisition and integration related charges are costs directly associated with the Merger. Acquisition and integration related charges include, but are not limited to, transaction costs such as banking, advisory, legal, accounting, valuation and other professional fees directly related to the acquisition, along with costs incurred towards integration of the Company's operations onto Inspire's shared service platform, termination of redundant positions, employee transition costs, integration related professional fees and other post business combination expenses associated with integration activities. The acquisition and integration costs are expensed in the period in which costs are incurred and the services are received. Additionally, the Company elected to recognize costs contingent upon consummation of the Merger within the 2020 predecessor period.

New Accounting Pronouncements Not Yet Adopted

Reference Rate Reform (ASU 2020-04)

In March 2020, the FASB issued ASU 2020-04, "Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting" ("ASU 2020-04"). In January 2021, the FASB clarified the scope of this guidance with the issuance of ASU 2021-01, *Reference Rate Reform: Scope*. ASU 2020-04 provides optional expedients and exceptions for applying GAAP for contracts, hedging relationships and other transactions that reference the London Interbank Offered Rate ("LIBOR") or another reference rate if certain criteria are met. ASU 2020-04 may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2024. The Company is currently evaluating the potential effects of the adoption of ASU 2020-04.

The Company recognized \$10.8 million and \$5.2 million of revenues associated with prior year deferred franchise fees for the fiscal years ended December 31, 2022 and December 25, 2021, respectively, offset by cash payments received or due in advance of satisfying its performance obligations.

DB Master Finance LLC (the “Master Issuer”), a limited-purpose, bankruptcy-remote, wholly-owned indirect subsidiary of DBGI, through a series of securitization transactions has issued fixed rate senior secured notes and variable funding notes, collectively referred to as the “Securitization Notes.” The following table summarizes the Securitization Notes outstanding as of December 31, 2022 (in thousands):

- (a) If the Securitization Notes have not been repaid or refinanced by their respective Anticipated Repayment Dates, a rapid amortization event will occur in which residual net cash flows of the Master Issuer, after making certain required payments, will be applied to the outstanding principal of the Securitization Notes.
- (b) It is anticipated that the principal and interest on the 2019 Variable Funding Notes will be repaid in full on or prior to August 2024, subject to two additional one-year extensions.
- (c) Borrowings under the 2019 Variable Funding Notes bear interest at a rate equal to a LIBOR rate plus 1.50%, or the lenders’ commercial paper funding rate plus 1.50%. If the 2019 Variable Funding Notes are not repaid prior to August 2024 or prior to the end of the extension period, if applicable, incremental interest will accrue. In addition, the Company is required to pay a 1.50% fee for letters of credit amounts outstanding and a commitment fee on the unused portion of the 2019 Variable Funding Notes which ranges from 0.50% to 1.00% based on utilization.
- (d) Includes the effects of the amortization of any debt premium or debt issuance costs recorded as interest expense. The effective rate for the 2019 Variable Funding Notes is based on a LIBOR-based interest rate through December 31, 2022.

The Securitization Notes are secured by substantially all of the assets of and guaranteed by the Master Issuer’s direct parent and subsidiaries (collectively with the Master Issuer, “Securitization Entities”), and were issued in a securitization transaction pursuant to which certain assets such as franchise agreements, intellectual property and real property were contributed to such Securitization Entities.

Interest on the Securitization Notes is payable on a quarterly basis. The 2019 Variable Funding Notes allows for the issuance of up to \$150.0 million of variable funding notes and certain other credit instruments, including total letters of credit of \$75.0 million, in support of various obligations. As of December 31, 2022, the Company had outstanding borrowings of \$113.7 million under the 2019 Variable Funding Notes, exclusive of \$36.3 million letters of credit. As of December 31, 2022, there was no remaining capacity for future borrowings under the 2019 Variable Funding Notes. In January 2023, the Company repaid the \$113.7 million in outstanding borrowings under the 2019 Variable Funding Notes.

The Company recorded a gain on debt extinguishment in 2021 of \$14.2 million, consisting of a \$17.1 million write-off of the remaining debt premium related to the 2017 Class A-2-I Notes and 2019 Class A-2-I Notes, net of \$2.9 million of make-whole prepayment premium costs associated with the early repayment of the 2017 Class A-2-I Notes and 2019 Class A-2-I Notes.

In February 2023, the Master Issuer issued \$850.0 million in Series 2023-1 Class A-1 Dunkin Variable Funding Notes (“2023 Variable Funding Notes”) that bear interest at a rate equal to a Secured Overnight Financing Rate plus 225 basis points and have a legal maturity of February 2028. At the date of issuance, the Company borrowed \$781.9 million from the 2023 Variable Funding Notes. Proceeds of \$771.8 million were invested as an intercompany note receivable from IRB with a maturity date of February 2028.

The Securitization Notes are subject to a series of covenants and restrictions customary for transactions of this type. If certain covenants or restrictions are not met, the Securitization Notes are subject to customary accelerated repayment events and events of default. Although the Company does not anticipate an event of default or any other event of noncompliance with the provisions of the debt, if such event occurred, the unpaid amounts outstanding could become immediately due and payable. As of December 31, 2022, the Company was in compliance with all debt covenant requirements.

Maturities of Long-Term Debt

Assuming quarterly repayments and repayment by the Anticipated Repayment Dates, the aggregate annual maturities of the Securitization Notes, including the 2019 Variable Funding Notes, and other long term debt (excluding the effects of debt premium and debt issuance costs) as of December 31, 2022 are as follows (in thousands):

(b) Contains senior notes and variable funding notes. The fair values of senior notes are estimated primarily based on current market rates for debt with similar terms and remaining maturities or current midpoint prices for such debt. The fair values of the variable funding notes approximate the carrying amounts at December 31, 2022 and December 25, 2021, as there have not been material changes in the Company's credit rating and the variable interest rate reprices frequently.

The Company accounts for treasury stock under the cost method based on the fair market value of the shares on the dates of repurchase plus any direct costs incurred.

(13) EQUITY INCENTIVE PLANS

The Dunkin' Brands Group, Inc. 2015 Omnibus Long-Term Incentive Plan (the "2015 Plan") was adopted in May 2015, and was the only plan under which the Company granted awards up through the date of the Merger when the 2015 Plan was terminated. A maximum of 6,200,000 shares of common stock could have been delivered in satisfaction of awards under the 2015 Plan. Upon closing of the Merger, all outstanding equity awards became fully vested and/or exercisable and were cancelled and converted into a right to receive cash.

Total share-based compensation expense, which is included in acquisition and integration related charges for the 2020 successor period, and general and administrative expenses for the 2020 predecessor period, consisted of the following (in thousands):

Time-Vested Stock Options

Time-vested stock options generally vested in equal annual amounts over a 4-year period subsequent to the grant date, and as such were subject to a service condition, and also fully vested upon a change of control. The requisite service period over which compensation cost was being recognized was 4 years. The maximum contractual term of the stock options was generally 7 years.

The fair value of time-vested stock options was estimated on the date of grant using the Black-Scholes option pricing model. This model is impacted by the Company's stock price and certain assumptions related to the Company's stock and employees' exercise behavior. The following weighted-average assumptions were utilized in determining the fair value of the 2015 Plan options granted during the 2020 predecessor period:

	<u>Predecessor</u> <u>352 days ended</u> <u>December 14,</u> <u>2020</u>
Weighted-average grant-date fair value of share options granted	\$ 11.55
Weighted-average assumptions:	
Risk-free interest rate	1.4 %
Expected volatility	22.5 %
Dividend yield	2.1 %
Expected term (years)	3.97

The expected term for stock options granted during the 2020 predecessor period was based on historical exercise behavior for similar awards, giving consideration to the contractual terms, vesting schedules, and expectations of future employee behavior. The risk-free interest rate assumption was based on yields of U.S. Treasury securities in effect at the date of grant with terms similar to the expected term. Expected volatility was estimated based on the Company's historical volatility, and also considering historical volatility of peer companies over a period equivalent to the expected term. Additionally, the dividend yield was estimated based on dividends currently being paid on the underlying common stock at the date of grant. Estimated and actual forfeitures have not had a material impact on share-based compensation expense.

The total grant-date fair value of the time-vested options vested during the 2020 predecessor period was \$6.4 million. The total intrinsic value of the time-vested stock options exercised was \$7.2 million for the 2020 predecessor period.

Restricted Stock Units

The Company typically granted restricted stock units to certain employees and non-employee members of its board of directors. Restricted stock units granted to employees generally vested in three equal installments on each of the first three annual anniversaries of the grant date. Restricted stock units granted to non-employee members of the Company's board of directors generally vested in one installment on the first anniversary of the grant date.

The fair value of each restricted stock unit was determined on the date of grant based on the Company's closing stock price, less the present value of expected dividends not received during the vesting period. The weighted-average grant-date fair value of restricted stock units granted during the 2020 predecessor period was \$75.78. The total grant-date fair value of restricted stock units vested during the 2020 predecessor period was \$4.6 million.

Performance Stock Units

The Company granted 45,964 performance stock units ("PSUs") to certain employees during the 2020 predecessor period, which were generally eligible to cliff-vest approximately three years from the grant date. Of the total PSUs granted in the 2020 predecessor period, 21,225 PSUs were subject to a service condition and a market vesting condition linked to the level of total shareholder return received by the Company's shareholders during the performance period measured against the companies in the S&P 500 Composite Index ("TSR PSUs"). The remaining 24,739 PSUs granted in the 2020 predecessor period were subject to a service condition and a performance vesting condition based on the level of adjusted operating income growth achieved over the performance period ("AOI PSUs"). The maximum vesting percentage that could be realized for each of the TSR PSUs and the AOI PSUs was 200% based on the level of performance achieved for the respective awards. All of the PSUs were also

subject to a one-year post-vesting holding period. The TSR PSUs were valued based on a Monte Carlo simulation model to reflect the impact of the total shareholder return market condition, resulting in a weighted-average grant-date fair value of \$81.64 per unit granted in the 2020 predecessor period. The probability of satisfying the market condition was considered in the estimation of the grant-date fair value for TSR PSUs and the compensation cost is not reversed if the market condition is not achieved, provided the requisite service has been provided. The AOI PSUs granted in the 2020 predecessor period had a weighted-average grant-date fair value of \$72.95 per unit. Total compensation cost for the AOI PSUs was determined based on the most likely outcome of the performance condition and the number of awards expected to vest based on the outcome.

The total grant-date fair value of PSUs vested during the 2020 predecessor period was \$2.6 million.

Impact of Inspire Acquisition

As a result of the Merger, all outstanding equity awards became fully vested and/or exercisable and were cancelled and converted into a right to receive cash. The total cash consideration payable for the equity awards outstanding as of the Merger was \$162.0 million, of which \$108.4 million was allocated to pre-acquisition vesting and was included in the consideration transferred for the Merger. The remaining \$53.6 million was allocated to post-acquisition compensation cost, of which \$34.4 million was recognized as share-based compensation expense in the 2020 successor period. Additionally, \$18.6 million and \$0.6 million was recognized as cash compensation expense within acquisition and integration related charges in the consolidated statements of operations for the fiscal year 2021 and the 2020 successor period, respectively. There were no such expenses for the fiscal year 2022.

Deferred tax assets and liabilities are presented on a net basis by jurisdiction in the consolidated balance sheets. Deferred tax assets for certain foreign jurisdictions totaling \$3.7 million and \$4.1 million as of December 31, 2022 and December 25, 2021, respectively, are included in other assets in the consolidated balance sheets. At December 31, 2022, the Company had net operating loss and capital loss carryforwards in certain international jurisdictions of approximately \$15.7 million, and recorded deferred tax assets of \$3.5 million, net of valuation allowance, related to such loss carryforwards. All unused net operating losses and capital losses may be carried forward indefinitely, subject to certain restrictions on their use.

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based upon the level of historical taxable income, and projections for future taxable income over the periods for which the deferred tax assets are deductible, management believes, as of December 31, 2022, with the exception of net operating loss carryforwards attributable to certain of the Company's foreign subsidiaries for which valuation allowances have been recorded, it is more likely than not that the Company will realize the benefits of the deferred tax assets.

The Company has not recognized a deferred tax liability of \$12.0 million for potential foreign withholding taxes on the undistributed earnings, net of foreign tax credits, relating to its foreign joint ventures that arose in fiscal year 2022 and prior

years because the Company currently does not expect those unremitted earnings to be distributed and become taxable to the Company in the future. In addition, the previously untaxed accumulated earnings and profits of the Company's joint ventures were subject to U.S. tax in the one-time mandatory transition tax provision in fiscal year 2017. A deferred tax liability will be recognized when the Company is no longer able to demonstrate that it plans to indefinitely reinvest undistributed earnings. As of December 31, 2022 and December 25, 2021, the undistributed earnings of these joint ventures were approximately \$182.1 million and \$203.3 million, respectively.

The Company has not recognized a deferred tax liability for the undistributed earnings of its foreign subsidiaries since the previously untaxed accumulated earnings and profits of those subsidiaries were subject to tax in the one-time mandatory transition tax provision in fiscal year 2017. Beginning in fiscal year 2018, the income from these subsidiaries is considered global intangible low-taxed income and a portion of those earnings are included in taxable income in the year earned. In addition, such earnings are considered indefinitely reinvested outside the United States. As of December 31, 2022 and December 25, 2021, the amount of cash associated with indefinitely reinvested foreign earnings was approximately \$29.9 million and \$38.5 million, respectively. If in the future the Company decides to repatriate such foreign earnings, the Company could incur incremental U.S. federal and state income tax. However, the Company's intention is to keep these funds indefinitely reinvested outside of the United States and its current plans do not demonstrate a need to repatriate them to fund its U.S. operations.

Unrecognized Tax Benefits

At each of December 31, 2022 and December 25, 2021, the total amount of unrecognized tax benefits related to uncertain tax positions and the amount recorded related to potential interest and penalties were not material.

The Company's major tax jurisdiction subject to income tax is the United States, where periods dating back to tax years ended December 2017 remain open and subject to examination.

(15) COMMITMENTS AND CONTINGENCIES

Lease Guarantees

The Company guarantees the performance of lease obligations, primarily related to affiliate restaurant locations. The guarantees, which extend through 2041, aggregated to a maximum of \$51.1 million as of December 31, 2022. At this time, the Company does not anticipate any material defaults under the foregoing leases; therefore, no liability has been recognized.

Supply Chain Guarantees

The Company has entered into various agreements with suppliers of franchisee products, the majority of which contain guarantees by the Company related to franchisees' purchases of certain volumes of products over specified periods. The Company's guarantees decrease as franchisees purchase products over the respective terms of the agreements. The guarantees have varying terms, many of which are one year or less, and the latest of which expires in 2022. As of December 31, 2022, the Company was contingently liable under such supply chain agreements for approximately \$174.8 million. The Company assesses the risk of performing under each of these guarantees on a quarterly basis, and, based on various factors including internal forecasts, prior history, and ability to extend contract terms, the Company accrued an inconsequential amount of reserves related to supply chain guarantees as of December 31, 2022 and December 25, 2021.

Legal and Environmental Matters

The Company is involved in various other litigation and claims incidental to its business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these other legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flows.

(16) RETIREMENT PLANS

401(k) Plan

Employees of the Company, excluding employees of certain international subsidiaries, were eligible to participate in a defined contribution retirement plan, the Dunkin' Brands 401(k) Retirement Plan ("401(k) Plan"), under Section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, employees could contribute up to 80% of their pre-tax eligible compensation, not to exceed the annual limits set by the IRS. The 401(k) Plan allowed the Company to match participants' contributions in an

amount determined at the sole discretion of the Company. In response to the ongoing COVID-19 pandemic, the Company temporarily suspended the discretionary match of participants' contributions, effective April 26, 2020. The discretionary match was subsequently reinstated on October 15, 2020, up to a maximum of 4% of the employee's eligible compensation. Employer contributions totaled \$0.1 million and \$1.8 million for the 2020 successor and 2020 predecessor periods, respectively. Additionally, the Company matched participants' contributions during fiscal year 2021, up to a maximum of 4% of the employee's eligible compensation. Employer contributions totaled \$3.2 million for fiscal year 2021.

Effective January 3, 2022, the 401(k) Plan merged into the Inspire Brands, Inc. 401(k) Retirement Plan.

NQDC Plans

The Company also offered certain qualifying individuals, as defined by the Employee Retirement Income Security Act ("ERISA"), the ability to participate in the NQDC Plans. The NQDC Plans allowed for pre-tax contributions of up to 50% of a participant's base annual salary and other forms of compensation, as defined. The Company credited the amounts deferred with earnings and held investments in mutual funds and company-owned life insurance policies to offset the Company's liabilities under the NQDC Plans. The NQDC Plans liability included \$4.0 million in other current liabilities in the consolidated balance sheets at December 25, 2021. Additionally, \$4.6 million of mutual funds held for the NQDC Plans were included in prepaid expenses and other current assets in the consolidated balance sheets as of December 25, 2021. The NQDC Plans were terminated in December 2021, with any remaining liabilities being distributed to participants and related investments being fully liquidated in January 2022.

(17) RELATED-PARTY TRANSACTIONS

Transactions with Affiliated Entities

On December 15, 2020, the Company entered into an intercompany services agreement with Inspire. Under the agreement, Inspire provides certain management advisory and tax consulting services to the Company. In exchange, the Company is obligated to pay a monthly fee ("IRB Management Fee"). During fiscal years 2022 and 2021, the Company paid \$123.3 million and \$92.2 million, respectively, to Inspire which is included in the management fee to parent in the consolidated statements of operations.

On December 18, 2020, the Company issued an intercompany note to Inspire with an initial principal amount of \$116.0 million and recorded a note receivable from affiliate in the consolidated balance sheets. The note bore interest at a rate equal to 4.00% per annum, payable in quarterly installments, and was fully repaid on September 23, 2021.

On December 16, 2021, the Company issued an intercompany note to Inspire with an initial principal amount of \$107.0 million and recorded a note receivable from affiliate in the consolidated balance sheets. The note bore interest at a rate equal to 1.61% per annum, payable in quarterly installments, and was fully repaid on March 18, 2022.

In December 2022, the Company invested in a note receivable from affiliate due on demand and in no case later than January 30, 2023. This amount is included within "Note receivable from affiliate" as a current asset in the accompanying consolidated balance sheets. This note was subsequently repaid on the stated due date.

Additionally, the Company distributed \$405.4 million, \$1.5 billion and \$296.9 million to Parent during fiscal years 2022 and 2021 and the 2020 successor period, respectively.

(19) ACQUISITION BY INSPIRE

On December 15, 2020, Merger Sub, an indirect wholly-owned subsidiary of Inspire, acquired all of the issued and outstanding shares of the Company's common stock and completed the Merger with and into DBGI, with the Company continuing as the surviving corporation, and by result of the Merger became a wholly-owned subsidiary of Inspire. Total consideration paid for all outstanding equity and equity-based awards of DBGI in connection with the transaction was \$8.9 billion.

Inspire accounted for the Merger as a business combination using the acquisition method of accounting and elected to apply pushdown accounting to the Company.

TERMS AND CONDITIONS
© MARCH 2023

SECTION 1. PARTIES

1.0 This Agreement is a non-exclusive license to operate a Dunkin' business granted by us and to you. The franchisee, location and term are as specified in the accompanying Contract Data Schedule.

SECTION 2. GRANT OF THE FRANCHISE

2.0 As a result of the expenditure of time, effort and money, we have acquired experience and skill in the continued development of the Dunkin' System (the "System"), which involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products.

2.1 In connection with the System, we own or have the right to license certain intellectual property. This property includes trademarks, service marks, logos, emblems, trade dress, trade names, including Dunkin' Donuts®, and other indicia of origin (collectively, the "Proprietary Marks"), as well as patents and copyrights. The Proprietary Marks include trademarks on the Principal Register of the United States Patent and Trademark Office. From time to time we may supplement or modify the list of Proprietary Marks associated with the System.

2.2 As franchisor, we have the right to establish "Standards" for various aspects of the System that include the location, physical characteristics and quality of operating systems of restaurants and other concepts; the products that are sold; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the timely marketing of products and our brand, including execution of marketing windows; and all other things affecting the experience of consumers who patronize our System. We make those Standards available to you in our Manuals and in other forms of communication, which we may update from time to time. Complete uniformity may not be possible or practical throughout the System, and we may from time to time vary Standards as we deem necessary or desirable for the System.

2.3. As franchisee, you have the right and responsibility to exercise day-to-day control over your franchised business to meet those Standards, and the heart of the System and this franchise relationship is your commitment to that responsibility. Furthermore, you acknowledge that your commitment is important to us, to you, and to other franchisees in order to promote the goodwill associated with our System and Proprietary Marks, and that this Agreement should be interpreted to give full effect to this paragraph.

2.4 (a) Accordingly, for the Term of this Agreement, we grant you the license, and you accept the obligation, to operate a Restaurant (the "Restaurant") within our System, using our intellectual property, only in accordance with our Standards and the other terms of this Agreement. This license is non-exclusive and relates solely to the single Restaurant location set forth in the Contract Data Schedule. We retain the right to operate or license others to operate Dunkin' restaurants and other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose. We may use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant.

2.4 (b) Conditional Renewal of Franchise. This Agreement shall not automatically renew upon the expiration of the Term. You have an option to renew the Franchise upon the expiration of the Term for one (1) additional term of twenty (20) years (the "Renewal Term") if, and only if, each and every one of the following conditions has been satisfied:

(i) You give us written notice of your desire to renew the Franchise at least twelve months, but not more than eighteen months (the "Renewal Notice Period") prior to the end of the Term.

(ii) You have maintained the Standards and otherwise sustained compliance with the terms and conditions of your Franchise Agreement (and lease with our affiliate or us, if applicable) over the term of the Franchise Agreement; you must not have any uncured defaults under this Agreement at the time you provide notice; all your debts and obligations to us under this Agreement (and any lease if we are your landlord) or otherwise must be current through the expiration of the Term; including your Continuing Advertising Fee obligations to the Fund (as defined in Section 6) and we have not issued more than three (3) Notices to Cure or other default notices over the course of the ten (10) year period directly preceding expiration of the Term;

(iii) You must execute and deliver to us, within 14 days (or any longer period required by law) after delivery to you, the then-current form of Franchise Agreement being offered to new franchisees at the time of renewal, including all exhibits and our other then-current ancillary agreements. The terms and conditions and fee structures in the then-current Franchise Agreement may differ from this Agreement;

(iv) We approve the site and the terms of any lease extension or new lease covering the Renewal Term, whether the lease for the Premises is with our affiliate or us or with a third party, including a third party in which you have an interest.

(v) You pay us our then-current renewal fee;

(vi) You execute and deliver a termination of franchise agreement and mutual general release, in the form we prescribe from time to time that releases all claims that we may have against each other, and our respective parents, affiliates and subsidiaries, and their respective officers, directors, shareholders and employees in both their corporate and individual capacities; provided, however, that each parties' indemnification obligations for claims arising in connection with this Agreement shall survive termination of this agreement and shall not be subject to the general release;

(vii) You Remodel the Restaurant on or before the expiration of the Term, in accordance with Section 8.1 of this Agreement;

(viii) If you lease the Premises from our affiliate or us, you agree that we have no obligation to exercise any lease option, if available, or otherwise extend the term of any prime lease for the Renewal Term to accommodate this Conditional Renewal Term, however, in the event we decide not to exercise our lease option, we will use reasonable efforts to effect a transfer of the lease to you as prime tenant;

2.5 We will maintain a continuing advisory relationship with you by providing such assistance as we deem appropriate regarding the development and operation of the Restaurant. We may require that you designate a fully-trained person as our primary contact. We will advise on the

selection of the Restaurant's site as well as its construction, design, layout, equipment, maintenance, repair and remodeling. We will advise on the training of managers and crew personnel; on marketing and merchandising; on inventory control and record-keeping; and on all aspects of Restaurant operations. In support of our advisory relationship, we will make available to you our then-current Manuals setting out our Standards, together with explanatory policies, procedures and other materials to assist you in complying with those Standards. We shall continue our efforts to maintain high and uniform standards of quality, cleanliness, appearance and service at all Dunkin' restaurants.

2.6 We have established a franchisee advisory council comprised of members elected by franchisees in accordance with an election process prescribed by us as well as members appointed by us. We will consult with this group from time to time. This council will serve solely in an advisory capacity.

SECTION 3. DEVELOPMENT OF THE RESTAURANT

3.0 You agree that the Restaurant and any real estate controlled by you and appurtenant to the Restaurant (the "Premises") must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions to our approval of the development. Any deviations from our plans, specifications and requirements must have our prior written approval. Any plans that we provide to you, and our approval of any plans you submit to us, relate solely to compliance with our Standards and should not be construed as a representation or warranty that the plans comply with applicable laws and regulations. That responsibility is solely yours. At our written request, you must promptly correct any unapproved deviations from our Standards in the development of the Restaurant or Premises. If you lose the use and enjoyment of the premises before the end of the Term, this Agreement will automatically terminate without further notice. If you do not open your Restaurant within fifteen (15) months of signing this Agreement, then we will have the right to terminate this Agreement. This does not serve to amend your SDA or modify your Required Opening Date, if any.

SECTION 4. TRAINING

4.0 Before the Restaurant opens for business, and from time to time thereafter, we will make various mandatory and optional training programs regarding Standards that we have developed or obtained available to you, your management and other Restaurant personnel to assist you in meeting Standards. We will conduct training programs regarding Standards, and we may require you to conduct training programs through your own properly certified (by us) trainers or supervisors. These programs may be conducted, at our option, in a Restaurant or other site, or through the Internet or other electronic media. You agree to timely and successfully complete, and to require your management and other employees to timely and successfully complete, all training that we designate as mandatory regarding Standards. Some training programs or systems may require the payment of fees.

4.1 You are responsible for your costs incurred in receiving any Standards training and in conducting your own training, including the cost of any materials and the salaries and travel expenses of yourself, your management, and your employees. In the event that the Restaurant repeatedly fails to meet Standards, in addition to whatever other remedies we may have, we may require you, your management and other Restaurant personnel to participate in additional training programs at your expense, and you may be required to reimburse us for the costs of providing such training.

SECTION 5. FEES, PAYMENTS AND REPORTING OF SALES

5.0 Initial Franchise Fee. The amount and timing of payment of the Initial Franchise Fee is specified in the Store Development Agreement (“SDA”) relating to the location. If there is no SDA, the amount is specified in the Contract Data Schedule, and payment is due upon the signing of this Agreement, which must occur prior to commencing construction of the Restaurant.

5.1 Marketing Start-Up Fee. In connection with a material branding or re-branding event such as the opening, re-opening or remodel of the Restaurant or any other event set forth in our Standards, you agree to undertake promotional activities in the manner and to the extent that we prescribe in accordance with our Standards. We will advise you in writing of the manner and timing of payment of such activities. If we have established a minimum dollar expenditure for your Restaurant opening promotional activities, that amount will be set forth on the Contract Data Schedule.

5.2 Continuing Franchise Fees. You agree to pay us a Continuing Franchise Fee on or before Thursday of each week, for the seven-day period ending at the close of business on Saturday, twelve days previous. The amount due should be calculated by *multiplying* (a) the Gross Sales of the Restaurant for that seven-day period *by* (b) the Continuing Franchise Fee percentage stated in the Contract Data Schedule. We will specify the means and manner of payment from time to time, in writing.

5.3 Continuing Advertising Fee. You agree to pay us a Continuing Advertising Fee on or before Thursday of each week, for the seven-day period ending at the close of business on Saturday, twelve days previous. The amount due should be calculated by *multiplying* (a) the Gross Sales of the Restaurant for that seven-day period *by* (b) the Continuing Advertising Fee percentage stated in the attached Contract Data Schedule. The Continuing Advertising Fee should be paid at the same time and in the same manner as the Continuing Franchise Fee, unless we specify otherwise, in writing.

5.4 Additional Advertising Fee. If two-thirds of the Restaurants in the Designated Market Area (“DMA”) in which the Restaurant is located, or two-thirds of the restaurants in the continental United States, vote to support payment of Additional Advertising Fees for, respectively, a market-based or nationally-based program, you agree to pay such fees and your Restaurant will participate in that program. Any Additional Advertising Fees will be used only for the related program voted on by the restaurants. We will specify the means and manner of payment from time to time, in writing.

5.5 “Gross Sales” means all revenue related to the sale of approved products and services through the operation of the Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the System; taxes collected from customers on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale. All sales are considered to have been made at the time the product is delivered to the purchaser, regardless of timing or form of payment. Revenues lost due to employee theft are not deductible from Gross Sales. Sales made to approved wholesale accounts are included in Gross Sales for purposes of calculating the Continuing Franchise Fee but not the Continuing Advertising Fee. You must submit any wholesale account for our prior approval using the procedure we specify from time to time. We may withdraw our approval at any time.

5.6 **Taxes on Fees.** If any tax or fee other than federal or state income tax is imposed on us by any governmental agency due to our receipt of fees that you pay to us under this Agreement, then you agree to pay us the amount of such tax as an additional Continuing Franchise Fee.

5.7 **Late Fees, Interest and Costs.** If you are late in paying all or part of a fee due to us, then you must also pay us our then-current late fee and interest on the unpaid amount calculated from the date due until paid at the rate of one and one-half percent (1.5%) per month, or the highest rate allowed by law, whichever is less. You must also pay all collection charges, including reasonable attorneys' fees, incurred by us to collect fees that are due.

5.8 **Sales Reporting and Electronic Fund Transfer (“EFT”).** You agree to participate in our specified program or procedure for sales reporting and payment of fees that are due, whether it is electronic fund transfer or some successor program, in accordance with our Standards. You agree to assume the costs associated with maintaining your capability to report sales and transfer funds to us. In no event will you be required to pay any sums before the date they are due, as described above.

SECTION 6. ADVERTISING

6.0 We have established and administer The Dunkin' Advertising and Sales Promotion Fund (the “Fund”), and direct the development of all advertising, marketing and promotional programs for the System. We may use up to twenty percent (20%) of Continuing Advertising Fees but none of Additional Advertising Fees for the administrative expenses of the Fund and for programs designed to increase sales and further develop the reputation and image of the brand. The balance, including any interest earned by the Fund, will be used for advertising and related expenses. The content of all activities of the Fund, including the media selected and employed, as well as the area and restaurants targeted for such activities, will be determined by us.

6.1 We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to the Fund, or to ensure that you benefit directly or on a pro rata basis from the Fund's activities. Upon your request, we will provide you with an audited statement of receipts and disbursements for the Fund that is audited by an independent, certified public accountant, for each fiscal year of the Fund.

6.2 If you wish to use any advertising or promotional material that you have prepared or caused to be prepared, then you must submit the material and the proposed use for our prior written approval in advance of any use, and discontinue such use when we require. Our prior written approval may take the form of guidelines.

SECTION 7. OPERATIONS

7.0 **Operating in Accordance with Our Standards.** You agree to operate the Restaurant in accordance with all of our Standards, some of which are set forth in this section. Among other things, you agree to:

7.0.1 Keep the Restaurant open and in continuous operation for hours we prescribe, and use the Restaurant and Premises only as a Dunkin' business, unless we give written approval to do otherwise;

7.0.2 Install and use only equipment, furnishings, fixtures, and signage that we approve, replace them as we may require, and source them from approved suppliers, of which we may be one;

7.0.3 Install and use a retail information system that we approve and whose information is continuously accessible to us, for our access and use, through polling or other direct or remote means that we may specify;

7.0.4 Use only supplies, materials, and other items that we approve, and source them from approved suppliers, of which we may be one;

7.0.5 Sell all required products, sell only approved products, and source them from suppliers that we approve, of which we may be one, and maintain a sufficient supply of all approved products to meet customer demands at all times, unless you receive our written approval to do otherwise;

7.0.6 Use best efforts to hire employees of good character. Maintain a sufficient number of properly trained managers and employees to render quick, competent and courteous service to Restaurant customers in accordance with our Standards.

7.0.7 Use only employees that have literacy and fluency in the English language sufficient, in our reasonable opinion, to adequately communicate with customers if their duties include customer service;

7.0.8 Comply with all of our requirements relating to health, safety and sanitation;

7.0.9 Sell any products to a third party for subsequent resale only with our prior written approval;

7.0.10 Keep our confidential Manuals up-to-date and accessible in the Restaurant, and make them available only to those of your employees who need access to them in order to operate the franchised business; and

7.0.11 Timely execute marketing windows.

7.1 **Obey All Laws.** You agree to comply with all civil and criminal laws, ordinances, rules, regulations and orders of public authorities pertaining to the occupancy, operation and maintenance of the Restaurant and Premises.

7.2 **Right of Inspection.** You agree that our employees and agents have the right to enter the Restaurant and Premises without notice during business hours to determine your compliance with Standards and this Agreement. During the course of any such inspection, we may photograph or video any part of the Restaurant. We may select ingredients, products, supplies, equipment and other items from the Restaurant to evaluate whether they comply with our Standards. We may require you to immediately remove non-conforming items at your expense, and we may remove them at your expense if you do not remove them upon request.

7.3 **Determination of Prices.** Except as we may be permitted by law to require a particular price, you are free to determine the prices you charge for the products you sell.

7.4 **Conditions of Employment.** You are solely responsible for all employment decisions, including hiring, promoting, discharging, and setting wages and terms of employment.

7.5 **Suppliers.** We have the right to approve or disapprove any supplier to your Restaurant or to the System. From time to time, we may enter into or require national or regional exclusive supply arrangements with one or more independent suppliers for certain approved products. In evaluating the need for an exclusive supplier, we may take into account, among other things, the uniqueness of the product; the projected price and required volume of the product; the investment required and the ability of the supplier to meet the required quality and quantity of the product; the availability of qualified, alternative suppliers; the duration of the exclusivity; and the desirability of competitive bidding.

7.6 **Complaints.** You must submit to us copies of any customer complaints relating to the Restaurant or Premises. You must submit to us any communications from public authorities about actual or potential violations of laws or regulations relating to the operation or occupancy of the Restaurant or Premises. We will specify from time to time the manner of submission of this information to us.

7.7 **Courtesy.** The parties will continuously strive to treat each other with courtesy and respect in all aspects of the franchise relationship.

SECTION 8. REPAIRS, MAINTENANCE, REFURBISHMENT AND REMODEL

8.0 **Repairs and Maintenance:** You agree to continuously maintain the Restaurant and Premises, including all fixtures, furnishings, signs and equipment, in the degree of cleanliness, orderliness, sanitation and repair, as prescribed by our Standards. You agree to make needed repairs (and replacements) to the Restaurant and Premises, including all fixtures, furnishings, signs and equipment, on an ongoing basis to ensure that your use and occupancy of the Restaurant and Premises conform to our Standards at all times. You are responsible for the costs associated with maintenance, repairs and replacements, alterations and additions.

8.1 **Refurbishment and Remodel:** No later than the Refurbishment Dates described in the Contract Data Schedule, you must refurbish the Restaurant in accordance with our then-current refurbishment Standards as generally described below. No later than the Remodel Dates described in the Contract Data Schedule, you must remodel the Restaurant in accordance with our then-current remodel Standards as generally described below, including those relating to fixtures, furnishings, signs and equipment. You are responsible for the costs of Refurbishments and Remodels.

Our refurbishment Standards generally include, but are not limited to, enhancements, improvements or upgrades to: exterior lighting and signage, pre-order board or other drive-thru equipment and signage, landscape design, new style wall covering and countertops, current seating and guest experience packages and/or production equipment or technology.

Our remodel Standards generally include, but are not limited to, enhancements, improvements or upgrades to the: site, building, equipment, technology and operational systems as necessary to bring the Restaurant up to the then-current Brand image and standards.

8.2 You may not defer your ongoing obligation to maintain, repair and replace because of a forthcoming refurbishment or remodel.

SECTION 9. PROPRIETARY MARKS

9.0 You agree to use only the Proprietary Marks we designate and in the manner that we approve. You may use and display such Proprietary Marks only in connection with the operation of the Restaurant and in compliance with our Standards.

9.1 You may not use the Proprietary Marks to advertise or sell products or services through the mail or by any electronic or other medium, including the Internet, without our prior written approval. Our right of approval of any Internet usage of our Proprietary Marks includes approval of the domain names and Internet addresses, website materials and content, social media, and all links to other sites. We have the sole right to establish an Internet "home page" using any of the Proprietary Marks, and to regulate the establishment and use of linked home pages by our franchisees.

9.2 You agree not to use the Proprietary Marks or the names "*Dunkin' Donuts*", "*Dunkin*", "*DD*", "*Dunk*" or anything confusingly similar as part of your corporate or other legal name, or as part of any e-mail address, domain name, social medial accounts, or other identification of you or your business, in any medium. In all approved uses of the Proprietary Marks on your business forms such as your letterhead, invoices, order forms, receipts, and contracts, you must identify yourself as our franchisee and your business as independently owned and operated.

9.3 You have no rights in the Proprietary Marks or our System other than those explicitly granted in this Agreement, and you may not sublicense the Proprietary Marks.

9.4 You agree to notify us promptly of any litigation relating to the Proprietary Marks. In the event we undertake the defense or prosecution of any such litigation, you agree to execute any and all documents and do such acts and things as may be necessary, in the opinion of our counsel, to carry out such defense or prosecution.

9.5 We will save, defend, indemnify and hold you and your successors and assigns harmless, from and against (i) any and all claims based upon, arising out of, or in any way related to the validity of your approved use of the Proprietary Marks and (ii) any and all expenses and costs (including reasonable attorney's fees) incurred by or on behalf of you in the defense against any and all such claims.

SECTION 10. RESTRICTIVE COVENANTS

10.0 You acknowledge that as our franchisee, you will receive specialized training, including operations training, in the System that is beyond your present skills and those of your managers and employees. You further acknowledge that you will receive access to our confidential and proprietary information, including methods, practices and products, which will provide a competitive advantage to you. As a condition of training you, sharing our confidential and proprietary information with you and granting you a license to operate the Restaurant within our System and use our intellectual property, we require the following covenants in order to protect our legitimate business interests and the interests of other franchisees in the Dunkin' System:

10.1 During the term of this Agreement, neither you nor any shareholder, member, partner, officer, director or guarantor of yours, or any person or entity who is in active concert or participation with you or who has a direct or indirect beneficial interest in the franchised business, may have a direct or indirect interest in, perform any activities for, provide any assistance to, sell any approved products to, or receive any financial or other benefit from any

business or venture that sells products that are the same as or substantially similar to those sold in Dunkin' restaurants, except for i) other Dunkin' restaurants that we franchise to you or ii) real property owned by you; provided, however, no business located on the real property may either a) be a coffee or baked goods store or b) derive more than 15% of its overall revenue from products that are the same as or substantially similar to those sold in Dunkin' restaurants; divert or attempt to divert any Dunkin' business or customer away from the Restaurant or the System; oppose the issuance of a building permit, zoning variance or other governmental approval required for the development of another Dunkin' restaurant; or perform any act injurious or prejudicial to the goodwill associated with the Proprietary Marks or System.

10.2 For the first twenty-four months following the expiration or termination of this Agreement or transfer of an interest in the franchised business (the "Post-Term Period"), neither you nor any shareholder, member, partner, officer, director or guarantor of yours, or any person or entity who is in active concert or participation with you or who has a direct or indirect beneficial interest in the franchised business, may have any direct or indirect interest in, perform any activities for, provide any assistance to or receive any financial or other benefit from any business or venture (other than an ownership interest in real property) that sells products that are the same as or substantially similar to those sold in Dunkin' restaurants and located within **five (5) miles** from the Restaurant or any other Dunkin' restaurant that is open or under development. The restriction in the previous sentence does not apply to your ownership of less than two percent (2%) of a company whose shares are listed and traded on a national or regional securities exchange. The Post-Term Period begins to run upon your compliance with all of your obligations in this Section.

10.3 During the term of this Agreement and at any time thereafter, neither you nor any shareholder, member, partner, officer, director or guarantor of yours, or any person or entity who is in active concert or participation with you or who has a direct or indirect beneficial interest in the franchised business, may contest, or assist others in contesting, the validity or ownership of the Proprietary Marks in any jurisdiction; register, apply to register, or otherwise seek to use or in any way control the Proprietary Marks or any confusingly similar form or variation of the Proprietary Marks; or reproduce, communicate or share any Confidential Information with anyone, or use for the benefit of anyone, except in carrying out your obligations under this Agreement.

10.4 You agree that a breach of the covenants contained in this Section will be deemed to threaten immediate and substantial irreparable injury to us and give us the right to obtain immediate injunctive relief without limiting any other rights we might have. If a court or other tribunal having jurisdiction to determine the validity or enforceability of this Section determines that, strictly applied, it would be invalid or unenforceable, then the time, geographical area and scope of activity restrained shall be deemed modified to the minimum extent necessary such that the restrictions in the Section will be valid and enforceable.

10.5 For purposes of this Agreement, the term "Confidential Information" means information relating to us or the Dunkin' System that is not generally available to the public, including Manuals, recipes, products, other trade secrets and all other information and know-how relating to the methods of developing, operating and marketing the Restaurant and the System. You must use best efforts to protect the Confidential Information.

10.6 If Franchisee is a legal entity, such entity's organizing documents shall provide that its purpose is limited to the following:

10.6.1 To develop, acquire, own and operate one or more Dunkin' and/or Baskin-Robbins franchises, and to conduct all business and financing activities related to those franchises;

10.6.2 To develop, acquire, own and lease any real or personal property used in connection with such franchises, including the financing of same;

10.6.3 To guarantee, co-sign or lend credit, and to secure such obligations by mortgaging, pledging, or otherwise transferring a security interest in your assets (excluding the Franchise Agreement, except and only to the extent and for so long as any applicable law requires that a franchisor permit a franchisee to grant a security interest in the Franchise Agreement) with respect to each of the following:

- a. another Dunkin' and/or Baskin-Robbins franchised business or Dunkin' management company that qualifies as an Affiliate (as defined in (10.6.4) below);
- b. an entity, of which you are a member, that operates or owns or leases real estate or equipment to a Dunkin' central kitchen;
- c. a real estate entity that both: (i) is an Affiliate or is directly or indirectly owned or controlled by you, by an Affiliate, by one or more of your shareholders, or by any person or organization that directly or indirectly owns shares in an Affiliate of yours, and (ii) owns, acquires and/or develops real estate used for Dunkin' and/or Baskin-Robbins restaurants approved by us (for real estate that includes a Dunkin' and/or Baskin-Robbins as part of a multi-use project, in addition to an Option to Assume, we require a non-disturbance agreement acceptable to us that permits us to operate or re-franchise the restaurant in the event of a default under your loan, pledge, mortgage or similar instrument. Notwithstanding anything to the contrary, in no event may Franchisee guarantee, co-sign, lend credit, mortgage, pledge or otherwise transfer a security interest in your assets with respect to real estate that does not include a Dunkin' and/or Baskin-Robbins business).

10.6.4 For purposes of this Agreement, an Affiliate means a corporation, partnership or limited liability company whose equity is owned in whole in part by (a) one or more of your shareholders, (b) one or more parent, spouse, sibling, child or grandchild or another blood relation of a shareholder(s) of yours, (c) a trust, family limited partnership or similar organization that we have approved as a shareholder and of which at least one of your shareholders is a settlor, trustee or beneficiary (or equivalent), or (d) or another entity that we have approved to hold an equity interest in you.

10.7 We have the exclusive right to use and incorporate into our System all modifications, changes, and improvements developed or discovered by your employees, agents or you in connection with the franchised business, without any liability or obligation to your employees, agents or you.

SECTION 11. MAINTENANCE AND SUBMISSION OF BOOKS, RECORDS AND REPORTS

11.0 You are required to keep business records in the manner and for the time required by law, and in accordance with generally accepted accounting principles. You are required to keep any additional business records that we specify from time to time, in the manner and for the time we specify. All records must be in English, and whether on paper or in an electronic form, must be capable of being reviewed by us without special hardware or software. You must retain copies of each state and federal tax return for the franchised business for a period of five years.

11.1 You must submit profit and loss statements to us on a monthly basis, and, at our request, balance sheets for your fiscal half-year and year-end, all in the format and by the means that we specify from time to time. If we specify additional records for periodic reporting, you agree to submit those records as required.

11.2 Within fifteen days from our request and at our option, you agree to (a) photocopy and deliver to us those required records that we specify, or (b) at a location acceptable to us, provide us access to any required records that we specify for examination and photocopying by us. You agree to grant us the right to examine the records of your purchases kept by any of your suppliers or distributors, including the National DCP or any successor entities, and hereby authorize those suppliers and distributors to allow us to examine and copy those records at our own expense. If after we review your business records, which include your business tax returns, we believe that intentional underreporting of Gross Sales may have occurred, then upon request, you and any signatory and guarantor of this Agreement must provide us with personal federal and state tax returns and personal bank statements for the periods requested.

11.3 We will keep any records you provide to us that contain confidential information of yours confidential, provided such records are marked confidential and, by their nature, would be considered by a reasonable person to be confidential, but we may release information to any person entitled to it under any lease, to a prospective transferee of the Restaurant, in connection with anonymous general information disseminated to our franchisees and prospective franchisees, in the formulation of plans and policies in the interest of the System, or if required by law or any legal proceeding.

SECTION 12. INSURANCE

12.0 Prior to opening or operating the Restaurant for business, and prior to constructing the Restaurant in the event you are developing the Restaurant, you agree to acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards. You must maintain such coverage in full force and effect throughout the duration of this Agreement. We have the right to change requirements from time to time. All insurance must be placed and maintained with insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

12.1 We and any affiliated party we designate must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without thirty days prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage described in this Agreement, with all of the aforementioned provisions. In the event that such insurance coverage is not in effect, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums.

12.2 Both you and we waive any and all rights of recovery against each other and our respective officers, employees, agents, and representatives, for damage to the waiving party or for loss of its property or the property of others under its control, to the extent that the loss or damage is covered by insurance. To obtain the benefit of our waiver, you must have the required insurance coverage in effect. When you are obtaining the policies of insurance required

by this subsection, you must give notice to your insurance carriers that the above mutual waiver of subrogation is contained in this Agreement. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions of Section 14.9.

SECTION 13. TRANSFERS

13.0 Transfer by Us: This Agreement inures to the benefit of our successors and assigns, and we may assign our rights to any person or entity that agrees in writing to assume all of our obligations. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

13.1 Transfer by You: We entered into this Agreement based on the qualifications of your owners and you. Any direct or indirect transfer of interest in this Agreement requires our prior written consent, which we will not unreasonably withhold. We may withhold consent if a proposed transferee does not meet our then-current criteria, if you have not satisfied all of your outstanding obligations to us, if the Restaurant and Premises are not in compliance with our Standards, or if we believe that the sale price of the interest to be conveyed is so high, or the terms of sale so onerous, that it is likely the transferee would be unable to properly operate, maintain, upgrade and promote the Restaurant and meet all financial and other obligations to us and to third parties. At the time of transfer, you and all of your shareholders, partners and members must execute a general release of us and our parent and affiliates, in our then-current standard form. If after an approved transfer, a shareholder, member or partner no longer has an interest in the franchised business, then such party is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and obligations under Section 10.

13.2 Transfer Fee. At transfer, you must pay us a Transfer Fee as follows, whether or not we exercise our rights in Section 13.4:

13.2.1 If you have not owned and operated the Restaurant for at least three full years before the transfer occurs, you will pay the Transfer Fee set forth in the chart in Section 13.2.2 below plus twelve thousand five hundred dollars (\$12,500).

13.2.2 If the transfer occurs after the third full year of ownership and operation, you will pay the Transfer Fee stated below. We reserve the right to select another period or to make appropriate adjustments to such Gross Sales in the event extraordinary occurrences (e.g., road construction, fire or other casualty, etc.) materially affected the Restaurant's sales during the trailing twelve month period.

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000.00	\$ 5,000.00
\$400,000.00 or more, but less than \$600,000.00	\$ 6,000.00
\$600,000.00 or more, but less than \$1,000,000.00	\$ 8,000.00
\$1,000,000.00 or more, but less than \$1,400,000.00	\$12,000.00
\$1,400,000.00 or more	\$20,000.00

13.2.3 In lieu of the Transfer Fee, we will only charge the applicable, then-current Fixed Documentation Fee published by us from time to time for i) a transfer of interest that does not result in a Change of Control (as defined below) or ii) if any of the interests transfer to the

spouse(s) or children of the original signatories or iii) if all of the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated.

For the purposes of this Agreement, "Change of Control" means either i) a transfer of majority interest from an original signatory to another or ii) any transaction or series of transactions that, either alone or together with other previous, simultaneous or other proposed transfers, whether related or unrelated, will have the result of the original signatories holding an aggregate interest less than 50% of the indirect or direct interest in this Agreement. For the avoidance of doubt, if any Transfer under part (i) above that results in a Change of Control, then the Transfer Fee(s) set forth in Section(s) 13.2.1 and 13.2.2, as applicable, shall apply.

13.3 Transfer on Death: Within twelve months from the death of you or any of your owner(s) and notwithstanding any agreement to the contrary, the deceased's legal representative must propose to us in writing to transfer the interest of the deceased in this Agreement to one or more transferees. Any such transfer must occur within twelve months from such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section. This Agreement shall automatically terminate if the transfer has not occurred within twelve months, unless we grant an extension in writing.

13.4 Right of First Refusal: We have a right of first refusal to be the purchaser in the event of any proposed direct or indirect sale of interest in this Agreement, under the same terms and conditions contained in the offer or purchase and sale document. You must provide us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale, and we will have sixty days from our receipt to notify you whether we are exercising our right. We may purchase the interest ourselves or assign our right without recourse to a nominee who will purchase the interest directly from you. In the event you modify the offer or terms of sale in any way, you must resubmit the modified offer or purchase and sale document, as modified, and we will again have sixty days to exercise the right of first refusal.

SECTION 14. DEFAULT AND REMEDIES

14.0 You will be in default under this Agreement under the following conditions:

14.0.1 You breach an obligation under this Agreement, or an obligation under another agreement, which agreement is necessary to the operation of the Restaurant.

14.0.2 You file a petition in bankruptcy, are adjudicated a bankrupt, or a petition is filed against you and is either consented to by you or not dismissed within thirty days; or you become insolvent or make an assignment for the benefit of creditors; or a bill in equity or other proceeding for the appointment of a receiver or other custodian for your business assets is filed and is either consented to by you or not dismissed within thirty days; or a receiver or other custodian is appointed for your business or business assets; or proceedings for composition with creditors is filed by or against you; or if your real or personal property is sold at levy.

14.0.3 You or your owners are convicted of or plead guilty or no contest to a felony or crime involving moral turpitude, or any other crime or offense that is injurious to our System or the goodwill enjoyed by our Proprietary Marks.

14.0.4 You or your owners commit a fraud upon us or a third party relating to a business franchised or licensed by us.

14.0.5 You use or permit the use of any business franchised or licensed by us, including the Restaurant or Premises, for an unauthorized purpose.

14.0.6 We terminate any other franchise agreement with you or any affiliated entity by reason of a default under sections 14.0.3, 14.0.4 or 14.0.5.

14.1 You will have the following opportunities to cure a default under this Agreement.

14.1.1 Thirty-Day Cure Period. Except as otherwise provided, you must cure any default under this Agreement within thirty days after delivery of notice of default to you in our then-standard form or forms of communication.

14.1.2 Seven-Day Cure Period. If you do not pay the money owed to us or the Advertising Fund when due, or if you fail to maintain the insurance coverage required by this Agreement, you must cure that default within seven days after delivery of notice of default to you in our then-standard form or forms of communication.

14.1.3 Twenty-Four Hour Cure Period. If you violate any law, regulation, order or Standard relating to health, sanitation or safety, or if you cease to operate the restaurant for a period of forty-eight hours without our prior written consent, you must cure that default within twenty-four hours after delivery of notice of default to you in our then-standard form or forms of communication.

14.1.4 Cure on Demand. You must destroy any product or cure any situation that, in our opinion, poses an imminent risk to public health and safety, at the time we demand you do so.

14.2 No Cure Period. No cure period will be available if you are in default under paragraphs 14.0.2 through 14.0.6; if you abandon the Restaurant; if you intentionally under-report Gross sales or otherwise commit an act of fraud with respect to your acquisition or performance of this Agreement; or if your lease for the Restaurant is terminated. In addition, no cure period will be available for any default if you already have received three or more previous notices-to-cure for the same or a substantially similar default (whether or not you have cured the default), within the immediately preceding twelve-month period.

14.3 Statutory Cure Period. If a default is curable under this Agreement, and the applicable law in the state in which the premises is located requires a longer cure period than that specified in this Agreement, the longer period will apply.

14.4 In addition to all the remedies provided at law or by statute for the breach of this Agreement, we also have the following remedies:

14.4.1 If we believe a condition of the Premises or of any product pose a threat to the health or safety of your customers, employees or other persons, we have the right to take such action as we deem necessary to protect these persons, and the goodwill enjoyed by our Proprietary Marks and System. Such actions may include any or all of the following: we may require you to immediately close and suspend operation of the Restaurant and correct such conditions; we may immediately remove or destroy any products that we suspect are contaminated; and, if you fail to correct a hazardous condition on demand, and within a reasonable time, we and contractors we hire may enter the Restaurant without being guilty of, or liable for, trespass or tort, and correct the condition. You are solely responsible for all losses or expenses incurred in

complying with the provisions of this subsection. Further, if you should discover a hazardous condition as described above, you agree to notify us immediately.

14.4.2 If after proper notice and opportunity to cure, you have not complied with a Standard involving the condition of the Restaurant, including maintenance, repair, and cleanliness, we and contractors we hire may enter the Restaurant without being guilty of, or liable for, trespass or tort, and correct the condition at your expense.

14.4.3 If you are repeatedly in default of this Agreement, we may disapprove your participation in the sale of new products or new programs until you cure your defaults and demonstrate to our reasonable satisfaction that you can maintain compliance with Standards.

14.4.4 You will pay to us all costs and expenses, including reasonable payroll and travel expenses for our employees, and reasonable investigation and attorneys' fees, incurred by us in successfully enforcing (which includes achieving a settlement) any provisions of this Agreement.

14.5 Because of the importance of your compliance with Standards to protect our System, other franchisees, and the goodwill enjoyed by our Proprietary Marks, you agree that the remedies described elsewhere in this Agreement, as well as monetary damages or termination at a future date, may be insufficient remedy for a breach of our Standards. Accordingly, you agree not to contest the appropriateness of injunctive relief for such breaches, and consent to the grant of an injunction in such cases without the showing of actual damages, irreparable harm or the lack of an adequate remedy at law. In order to obtain an injunction, we must show only that the Standard in issue was adopted in good faith, that it is a Standard of general applicability in that DMA or "region" (as that term is defined by us), and that you are violating or are about to violate that Standard. A Standard of general applicability is one that applies to all franchisees in the DMA or region, or throughout the Dunkin' System.

14.6 **Termination and Expiration.** If you commit a default referenced in section 14.2 or if you fail to timely cure any default that may be cured, we may terminate this Agreement. Termination will be effective immediately upon receipt of a written notice of termination unless a notice period is required by law, in which case that notice period will apply. Upon termination or expiration of this Agreement, you no longer have any rights granted by this Agreement. If we suffer your continued operation of the Restaurant while we seek judicial enforcement of our election to terminate, conducting business as if the Agreement had not been terminated in order to preserve the reputation of our System and goodwill associated with the Proprietary Marks, our adherence to the judicial process is neither a waiver of our election to terminate nor an extension of the termination date.

14.7 In the event of termination or expiration of this Agreement:

14.7.1 You must pay all monies owed under this Agreement, including any fees and interest, within ten days.

14.7.2 You must immediately cease operation of the Restaurant and no longer represent yourself to the public as our franchisee.

14.7.3 You must immediately cease all use of our Proprietary Marks, trade secrets, confidential information, and manuals, and cease to participate directly or indirectly in the use or benefits of our System.

14.7.4 You must, within ten days, return all originals and copies of our operating manuals, plans, specifications, and all other materials of ours in your possession relating to the operation of the Restaurant, all of which you acknowledge to be our property. The remaining materials are your property.

14.7.5 Upon our request within thirty days from the date of termination due to default, you agree to sell to us any or all of the furniture, fixtures, and equipment at its then-current fair market value, less any indebtedness on the equipment, and indebtedness to us;

14.7.6 Upon our request within thirty days from the date of termination or expiration, you must assign to us any leasehold interest you have in the Restaurant and Premises or any other agreement related to the Premises.

14.7.7 Upon our request within thirty days from the date of termination due to default or expiration, you must remove from the Restaurant and Premises and return to us all indicia of our Proprietary Marks. Further, you must make such modifications or alterations to the Restaurant and Premises as we require in accordance with our Standards to distinguish the Restaurant and Premises from the premises of other restaurants in the System. You must also disconnect any telephone listings that contain our name, and withdraw any fictitious name registration containing any part of our Proprietary Marks. You hereby appoint us as your attorney-in-fact, and in your name, to do any act necessary to accomplish the intent of this section. In the event you fail or refuse to comply with the requirements of this section, we have the right to enter upon the Premises, without being guilty of trespass or any other tort, for the purpose of making such changes as may be required, at your expense, which you agree to pay upon demand.

14.8 You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement

14.9 **Indemnification.** You will indemnify and hold us, our parent, subsidiaries and affiliates, including our and their respective members, officers, directors, employees, agents, successors and assigns, harmless from all claims related in any way to your operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys' fees), costs and other expenses incurred by us or on our behalf in the defense of any claims, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnity shall be valid notwithstanding that joint or concurrent liability may be imposed on us by statute, ordinance, regulation or other law. We will notify you of any claims covered by this paragraph, and you shall have the opportunity to assume the defense of the matter. We shall have the right to participate in any defense that is assumed by you, at our own cost and expense. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer.

SECTION 15. DISPUTE RESOLUTION

15.0 **Waiver of Rights:** Both we and you waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits (expressly excluding any fees due to us now or in the future under this Agreement); or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the

pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by either of us can be consolidated with the claims of any other party. If such claims and demands cannot be waived by law, then the parties agree that any recovery will not exceed two (2) times actual damages.

15.1 Arbitration: Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association (“AAA”) under its Commercial Arbitration Rules (or by another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff’s election to arbitrate or to submit the dispute to the court system, including any compulsory counterclaims, is binding on the parties except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA’s Commercial Arbitration Rules. The place of arbitration shall be in the state in which the Restaurant is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts’s law shall govern all other issues.

15.2 Scope of Arbitration: Disputes concerning the validity or scope of this Section, including whether a dispute is subject to arbitration, are beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time. The provisions of this Section shall continue in full force and effect subsequent to any expiration or termination of this Agreement.

15.3 Appeals: Either of us may appeal the final award of the arbitrator(s) to the appropriate U.S. District Court. The Court’s review of the arbitrator’s findings of fact shall be under the clearly erroneous standard, and the Court’s review of all legal rulings shall be *de novo*. If it is determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator’s final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.

SECTION 16. MISCELLANEOUS

16.0 If you directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute our then-standard agreement giving us the option to lease the Premises from you if you default under this Agreement or under any lease relating to the Restaurant or Premises. The lease will be for the then-remaining term of this Agreement, including any extension or renewal, at “triple-net” fair market value rent for comparable Dunkin’ locations with arms-length leases. If the parties cannot agree on the fair market value, they will consult a mutually-acceptable real estate professional.

16.1 You are an independent contractor of ours and not our agent, partner or joint venturer. Neither party has the power to bind the other. Nothing in this Agreement contemplates a fiduciary relationship. Neither party is liable for any act, omission, debt or any other obligation of the other, and you and we agree to indemnify and save each other harmless from any such claim and the cost of defending such claim.

16.2 Our waiver of your breach of any term of this Agreement applies only to that one breach and that one term, and not to any subsequent breach of any term. Acceptance by us of any payments due under this Agreement shall not be deemed to be a waiver by us of any preceding

breach by you of any term. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you. If, for any reason, any provision of this Agreement is determined to be invalid or to conflict with an existing or future law, then the remaining provisions will continue to bind the parties and the invalid or conflicting provision will be deemed not to be a part of this Agreement.

16.3 The parties' rights and remedies are cumulative. Neither you nor your successor may create or assert any security interest or lien in this Agreement, without our prior written approval. You represent and warrant that you have established your operating agreement, by-laws or partnership agreement in accordance with the requirements of this Agreement. In the event of any conflict between a provision in this Agreement and a provision in your operating agreement, by-laws or partnership agreement, the provision of this Agreement will control.

16.4 Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. Wherever we use the word "including", it means "including but not limited to."

16.5 **Notices.** All notices shall be sent by nationally recognized overnight courier or certified mail to the addresses set forth in the Contract Data Schedule, or to such other addresses as you and we provide each other in writing. All notices to us shall be sent to us "c/o Dunkin' Brands, Inc., as Manager, Attention: Legal Department."

16.6 This Agreement and the documents referred to herein shall be the entire, full and complete agreement between you and us concerning the subject matter of this Agreement, which supersedes all prior agreements. Nothing in this Section, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. This Agreement is made in the Commonwealth of Massachusetts, USA, and shall be interpreted, construed and governed by the laws of the Commonwealth of Massachusetts. This Agreement may be executed in multiple counter-parts by facsimile or otherwise. This Agreement may only be modified in a writing signed by you and us.

16.7 Your success in this business is speculative and depends, to an important extent, upon your ability as an independent business owner. We do not represent or warrant that the Restaurant will achieve a certain level of sales or be profitable, notwithstanding our approval of the location. By your signature below, you acknowledge that you have entered into this Agreement after making an independent investigation of the Dunkin' System.

16.8 **No Waiver or Disclaimer of Reliance in Certain States.** The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

Intending to be legally bound hereby, the parties have duly executed and delivered this agreement in duplicate, as of the date and year first written above. You hereby acknowledge receipt of this Franchise Agreement, including any addenda referenced in Item J, at least seven (7) calendar days (or such longer period as is required by state law) prior to the date hereof. You further acknowledge having carefully read this agreement in its entirety, including all addenda identified above and the Personal Guarantee below (if applicable).

TERMS AND CONDITIONS
© MARCH 2023

SECTION 1. PARTIES

1.0 This Agreement is a non-exclusive license to operate a Dunkin' /Baskin-Robbins business granted by us and to you. The franchisee, location and term are as specified in the accompanying Contract Data Schedule.

SECTION 2. GRANT OF THE FRANCHISE

2.0 As a result of the expenditure of time, effort and money, we have acquired experience and skill in the continued development of the Dunkin' and Baskin-Robbins Systems (each a "System" and collectively, the "Systems"), which involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products.

2.1 In connection with each System, we own or have the right to license certain intellectual property. This property includes trademarks, service marks, logos, emblems, trade dress, trade names, including Dunkin' Donuts®, Baskin-Robbins® and other indicia of origin (collectively, the "Proprietary Marks"), as well as patents and copyrights. The Proprietary Marks include trademarks on the Principal Register of the United States Patent and Trademark Office. From time to time we may supplement or modify the list of Proprietary Marks associated with each System.

2.2 As franchisor, Dunkin' and Baskin-Robbins each have the right to establish "Standards" for various aspects of their respective System that include the location, physical characteristics and quality of operating systems of restaurants and other concepts; the products that are sold; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the timely marketing of products and each brand, including execution of marketing windows; and all other things affecting the experience of consumers who patronize each System. We make those Standards available to you in our Manuals and in other forms of communication, which we may update from time to time. Complete uniformity may not be possible or practical throughout each System, and we may from time to time vary Standards as we deem necessary or desirable for the Systems.

2.3. As franchisee, you are responsible for the conduct of your employees and for otherwise exercising day-to-day control over your franchised business. You also have the responsibility to adhere to the Standards of the System as they now exist and may from time to time be modified, and you acknowledge that at the heart of each System and this franchise relationship is your commitment to that responsibility. Furthermore, you acknowledge that your commitment is important to us, to you, and to other franchisees in order to promote the goodwill associated with our Systems and Proprietary Marks, and that this Agreement should be interpreted to give full effect to this paragraph.

2.4 (a) Accordingly, for the Term of this Agreement, we grant you the license, and you accept the obligation, to operate a Restaurant (the "Restaurant") within our Systems, using our intellectual property, only in accordance with our Standards and the other terms of this Agreement. This license is non-exclusive and relates solely to the single Restaurant location set forth in the Contract Data Schedule. We retain the right to operate or license others to operate Dunkin' and Baskin-Robbins restaurants and other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose. We may use or

license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant.

2.4 (b) Conditional Renewal of Franchise. This Agreement shall not automatically renew upon the expiration of the Term. You have an option to renew the Franchise upon the expiration of the Term for one (1) additional term of twenty (20) years (the "Renewal Term") if, and only if, each and every one of the following conditions has been satisfied:

(i) You give us written notice of your desire to renew the Franchise at least twelve months, but not more than eighteen months (the "Renewal Notice Period") prior to the end of the Term.

(ii) You have maintained the Standards and otherwise sustained compliance with the terms and conditions of your Franchise Agreement (and lease with our affiliate or us, if applicable) over the term of the Franchise Agreement; you must not have any uncured defaults under this Agreement at the time you provide notice; all your debts and obligations to us under this Agreement (and any lease if we are your landlord) or otherwise must be current through the expiration of the Term; including your Continuing Advertising Fee obligations to the Fund (as defined in Section 6) and we have not issued more than three (3) Notices to Cure or other default notices over the course of the ten (10) year period directly preceding expiration of the Term;

(iii) You must execute and deliver to us, within 14 days (or any longer period required by law) after delivery to you, the then-current form of Franchise Agreement being offered to new franchisees at the time of renewal, including all exhibits and our other then-current ancillary agreements. The terms and conditions and fee structures in the then-current Franchise Agreement may differ from this Agreement;

(iv) We approve the site and the terms of any lease extension or new lease covering the Renewal Term, whether the lease for the Premises is with our affiliate or us or with a third party, including a third party in which you have an interest.

(v) You pay us our then-current renewal fee;

(vi) You execute and deliver a termination of franchise agreement and mutual general release, in the form we prescribe from time to time that releases all claims that we may have against each other, and our respective parents, affiliates and subsidiaries, and their respective officers, directors, shareholders and employees in both their corporate and individual capacities; provided, however, that each parties' indemnification obligations for claims arising in connection with this Agreement shall survive termination of this agreement and shall not be subject to the general release;

(vii) You Remodel the Restaurant on or before the expiration of the Term, in accordance with Section 8.1 of this Agreement;

(viii) If you lease the Premises from our affiliate or us, you agree that we have no obligation to exercise any lease option, if available, or otherwise extend the term of any prime lease for the Renewal Term to accommodate this Conditional Renewal Term, however, in the event we decide not to exercise our lease option, we will use reasonable efforts to effect a transfer of the lease to you as prime tenant;

2.5 We will maintain a continuing advisory relationship with you by providing such assistance as we deem appropriate regarding the development and operation of the Restaurant. We may require that you designate a fully-trained person as our primary contact. We will advise on the selection of the Restaurant's site as well as its construction, design, layout, equipment, maintenance, repair and remodeling. We will advise on the training of managers and crew personnel; on marketing and merchandising; on inventory control and record-keeping; and on all aspects of Restaurant operations. In support of our advisory relationship, we will make available to you our then-current Manuals setting out our Standards, together with explanatory policies, procedures and other materials to assist you in complying with those Standards. We shall continue our efforts to maintain high and uniform standards of quality, cleanliness, appearance and service at all Dunkin' and Baskin-Robbins stores.

2.6 We have established a franchisee advisory council comprised of members elected by franchisees in accordance with an election process prescribed by us as well as members appointed by us. We will consult with this group from time to time. This council will serve solely in an advisory capacity.

SECTION 3. DEVELOPMENT OF THE RESTAURANT

3.0 You agree that the Restaurant and any real estate controlled by you and appurtenant to the Restaurant (the "Premises") must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions to our approval of the development. Any deviations from our plans, specifications and requirements must have our prior written approval. Any plans that we provide to you, and our approval of any plans you submit to us, relate solely to compliance with our Standards and should not be construed as a representation or warranty that the plans comply with applicable laws and regulations. That responsibility is solely yours. At our written request, you must promptly correct any unapproved deviations from our Standards in the development of the Restaurant or Premises. If you lose the use and enjoyment of the premises before the end of the Term, this Agreement will automatically terminate without further notice. If you do not open your Restaurant within fifteen (15) months of signing this Agreement, then we will have the right to terminate this Agreement. This does not serve to amend your SDA or modify your Required Opening Date, if any.

SECTION 4. TRAINING

4.0 Before the Restaurant opens for business, and from time to time thereafter, we will make various mandatory and optional training programs regarding Standards that we have developed or obtained available to you, your management and other Restaurant personnel to assist you in meeting Standards. We will conduct training programs regarding Standards, and we may require you to conduct training programs through your own properly certified (by us) trainers or supervisors. These programs may be conducted, at our option, in a Restaurant or other site, or through the Internet or other electronic media. You agree to timely and successfully complete, and to require your management and other employees to timely and successfully complete, all training that we designate as mandatory regarding Standards. Some training programs or systems may require the payment of fees.

4.1 You are responsible for your costs incurred in receiving any Standards training and in conducting your own training, including the cost of any materials and the salaries and travel expenses of yourself, your management, and your employees. In the event that the Restaurant repeatedly fails to meet Standards, in addition to whatever other remedies we may have, we may require you, your management and other Restaurant personnel to participate in additional

training programs at your expense, and you may be required to reimburse us for the costs of providing such training.

4.2 If you are a new franchisee and you are entering the Baskin-Robbins System through the acquisition of an existing location or you need to have additional individuals attend training, you will need to pay the Initial Training Fee set forth in the Contract Data Schedule.

SECTION 5. FEES, PAYMENTS AND REPORTING OF SALES

5.0 **Initial Franchise Fee.** The amount and timing of payment of the Initial Franchise Fee is specified in the Store Development Agreement (“SDA”) relating to the location. If there is no SDA, the amount is specified in the Contract Data Schedule, and payment is due upon the signing of this Agreement, which must occur prior to commencing construction of the Restaurant.

5.1 **Marketing Start-Up Fee.** In connection with a material branding or re-branding event such as the opening, re-opening or remodel of the Restaurant or any other event set forth in our Standards, you agree to undertake promotional activities in the manner and to the extent that we prescribe in accordance with our Standards. We will advise you in writing of the manner and timing of payment of such activities. If we have established a minimum dollar expenditure for your Restaurant opening promotional activities, that amount will be set forth on the Contract Data Schedule.

5.2 **Continuing Franchise Fees.** You agree to pay us a Continuing Franchise Fee on or before Thursday of each week, for the seven-day period ending at the close of business on Saturday, twelve days previous. The amount due should be calculated by *multiplying* (a) the Gross Sales of the Restaurant for that seven-day period *by* (b) the Continuing Franchise Fee percentage stated in the Contract Data Schedule. We will specify the means and manner of payment from time to time, in writing.

5.3 **Continuing Advertising Fee.** You agree to pay us a Continuing Advertising Fee on or before Thursday of each week, for the seven-day period ending at the close of business on Saturday, twelve days previous. The amount due should be calculated by *multiplying* (a) the Gross Sales of the Restaurant for that seven-day period *by* (b) the Continuing Advertising Fee percentage stated in the attached Contract Data Schedule. The Continuing Advertising Fee should be paid at the same time and in the same manner as the Continuing Franchise Fee, unless we specify otherwise, in writing.

5.4 **Additional Advertising Fee.** If two-thirds of the Restaurants in the Designated Market Area (“DMA”) in which the Restaurant is located, or two-thirds of the restaurants in the continental United States, vote to support payment of Additional Advertising Fees for, respectively, a market-based or nationally-based program, you agree to pay such fees and your Restaurant will participate in that program. Any Additional Advertising Fees will be used only for the related program voted on by the restaurants. We will specify the means and manner of payment from time to time, in writing.

5.5 **“Gross Sales”** means all revenue related to the sale of approved products and services through the operation of the Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of each System; taxes collected from customers on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale. All sales are considered to have been made at the time the product is delivered to the purchaser,

regardless of timing or form of payment. Revenues lost due to employee theft are not deductible from Gross Sales. Sales made to approved *Dunkin'* wholesale accounts are included in Gross Sales for purposes of calculating the Continuing Franchise Fee but not the Continuing Advertising Fee. You must submit any wholesale account for our prior approval using the procedure we specify from time to time. We may withdraw our approval at any time.

5.6 Taxes on Fees. If any tax or fee other than federal or state income tax is imposed on us by any governmental agency due to our receipt of fees that you pay to us under this Agreement, then you agree to pay us the amount of such tax as an additional Continuing Franchise Fee.

5.7 Late Fees, Interest and Costs. If you are late in paying all or part of a fee due to us, then you must also pay us our then-current late fee and interest on the unpaid amount calculated from the date due until paid at the rate of one and one-half percent (1.5%) per month, or the highest rate allowed by law, whichever is less. You must also pay all collection charges, including reasonable attorneys' fees, incurred by us to collect fees that are due.

5.8 Sales Reporting and Electronic Fund Transfer ("EFT"). You agree to participate in our specified program or procedure for sales reporting and payment of fees that are due, whether it is electronic fund transfer or some successor program, in accordance with our Standards. You agree to assume the costs associated with maintaining your capability to report sales and transfer funds to us. In no event will you be required to pay any sums before the date they are due, as described above.

SECTION 6. ADVERTISING

6.0 We have established and administer an Advertising and Sales Promotion Fund (the "Fund") for each System, and direct the development of all advertising, marketing and promotional programs for the System. We may use up to twenty percent (20%) of Continuing Advertising Fees but none of Additional Advertising Fees for the administrative expenses of each Fund and for programs designed to increase sales and further develop the reputation and image of each brand. The balance, including any interest earned by each Fund, will be used for advertising and related expenses. The content of all activities of each Fund, including the media selected and employed, as well as the area and restaurants targeted for such activities, will be determined by us.

6.1 We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to each Fund, or to ensure that you benefit directly or on a pro rata basis from each Fund's activities. Upon your request, we will provide you with an audited statement of receipts and disbursements for each Fund that is audited by an independent, certified public accountant, for each fiscal year of the Fund.

6.2 If you wish to use any advertising or promotional material that you have prepared or caused to be prepared, then you must submit the material and the proposed use for our prior written approval in advance of any use, and discontinue such use when we require. Our prior written approval may take the form of guidelines.

6.3 With respect to the Baskin-Robbins unit, from time to time, we may create a national or local promotional program(s) that, for a limited time, involves the giveaway of a specified product, or its sale at some specified price. We also may create programs for frequency and loyalty cards, and redemption of gift certificates, coupons, and vouchers the duration of which will be determined by us. If we designate any such program as mandatory, you agree to participate fully in that program.

SECTION 7. OPERATIONS

7.0 Operating in Accordance with Our Standards. You agree to operate the Restaurant in accordance with all of our Standards, some of which are set forth in this section. Among other things, you agree to:

7.0.1 Keep the Restaurant open and in continuous operation for hours we prescribe, and use the Restaurant and Premises only as a Dunkin'/Baskin-Robbins business, unless we give written approval to do otherwise;

7.0.2 Install and use only equipment, furnishings, fixtures, and signage that we approve, replace them as we may require, and source them from approved suppliers, of which we may be one;

7.0.3 Install and use a retail information system that we approve and whose information is continuously accessible to us, for our access and use, through polling or other direct or remote means that we may specify. Unless we approve in writing, you will be required to use the retail information system approved for the Dunkin' brand;

7.0.4 Use only supplies, materials, and other items that we approve, and source them from approved suppliers, of which we may be one;

7.0.5 Sell all required products, sell only approved products, and source them from suppliers that we approve, of which we may be one, and maintain a sufficient supply of all approved products to meet customer demands at all times, unless you receive our written approval to do otherwise;

7.0.5.1 You will place orders with us or our designated supplier at such times and in such manner as we or our designated supplier prescribes from time to time. You will provide us or our designated supplier with a means of access to the Restaurant's frozen storage facility for delivery in accordance with regular route schedules as we or our designated supplier prescribes from time to time. We or our designated supplier may refuse to process orders or impose a reasonable late or additional delivery charge for orders that are not placed timely.

7.0.6 Use best efforts to hire employees of good character. Maintain a sufficient number of properly trained managers and employees to render quick, competent and courteous service to Restaurant customers in accordance with our Standards.

7.0.7 Use only employees that have literacy and fluency in the English language sufficient, in our reasonable opinion, to adequately communicate with customers if their duties include customer service;

7.0.8 Comply with all of our requirements relating to health, safety and sanitation;

7.0.9 Sell any products to a third party for subsequent resale only with our prior written approval;

7.0.10 Keep our confidential Manuals up-to-date and accessible in the Restaurant, and make them available only to those of your employees who need access to them in order to operate the franchised business; and

7.0.11 Timely execute marketing windows.

7.1 **Obey All Laws.** You agree to comply with all civil and criminal laws, ordinances, rules, regulations and orders of public authorities pertaining to the occupancy, operation and maintenance of the Restaurant and Premises.

7.2 **Right of Inspection.** You agree that our employees and agents have the right to enter the Restaurant and Premises without notice during business hours to determine your compliance with Standards and this Agreement. During the course of any such inspection, we may photograph or video any part of the Restaurant. We may select ingredients, products, supplies, equipment and other items from the Restaurant to evaluate whether they comply with our Standards. We may require you to immediately remove non-conforming items at your expense, and we may remove them at your expense if you do not remove them upon request.

7.3 **Determination of Prices.** Except as we may be permitted by law to require a particular price, you are free to determine the prices you charge for the products you sell.

7.4 **Conditions of Employment.** You are solely responsible for all employment decisions, including hiring, promoting, discharging, and setting wages and terms of employment.

7.5 **Suppliers.** We have the right to approve or disapprove any supplier to your Restaurant or to each System. From time to time, we may enter into or require national or regional exclusive supply arrangements with one or more independent suppliers for certain approved products. In evaluating the need for an exclusive supplier, we may take into account, among other things, the uniqueness of the product; the projected price and required volume of the product; the investment required and the ability of the supplier to meet the required quality and quantity of the product; the availability of qualified, alternative suppliers; the duration of the exclusivity; and the desirability of competitive bidding.

7.6 **Complaints.** You must submit to us copies of any customer complaints relating to the Restaurant or Premises. You must submit to us any communications from public authorities about actual or potential violations of laws or regulations relating to the operation or occupancy of the Restaurant or Premises. We will specify from time to time the manner of submission of this information to us.

7.7 **Courtesy.** The parties will continuously strive to treat each other with courtesy and respect in all aspects of the franchise relationship.

SECTION 8. REPAIRS, MAINTENANCE, REFURBISHMENT AND REMODEL

8.0 **Repairs and Maintenance:** You agree to continuously maintain the Restaurant and Premises, including all fixtures, furnishings, signs and equipment, in the degree of cleanliness, orderliness, sanitation and repair, as prescribed by our Standards. You agree to make needed repairs (and replacements) to the Restaurant and Premises, including all fixtures, furnishings, signs and equipment, on an ongoing basis to ensure that your use and occupancy of the Restaurant and Premises conform to our Standards at all times. You are responsible for the costs associated with maintenance, repairs and replacements, alterations and additions.

8.1 **Refurbishment and Remodel:** No later than the Refurbishment Dates described in the Contract Data Schedule, you must refurbish the Restaurant in accordance with our then-current refurbishment Standards as generally described below. No later than the Remodel Dates described in the Contract Data Schedule, you must remodel the Restaurant in accordance with

our then-current remodel Standards as generally described below, including those relating to fixtures, furnishings, signs and equipment. You are responsible for the costs of Refurbishments and Remodels.

Our refurbishment Standards generally include, but are not limited to, enhancements, improvements or upgrades to: exterior lighting and signage, pre-order board or other drive-thru equipment and signage, landscape design, new style wall covering and countertops, current seating and guest experience packages and/or production equipment or technology.

Our remodel Standards generally include, but are not limited to, enhancements, improvements or upgrades to the: site, building, equipment, technology and operational systems as necessary to bring the Restaurant up to the then-current Brand image and standards.

8.2 You may not defer your ongoing obligation to maintain, repair and replace because of a forthcoming refurbishment or remodel.

SECTION 9. PROPRIETARY MARKS

9.0 You agree to use only the Proprietary Marks we designate and in the manner that we approve. You may use and display such Proprietary Marks only in connection with the operation of the Restaurant and in compliance with our Standards.

9.1 You may not use the Proprietary Marks to advertise or sell products or services through the mail or by any electronic or other medium, including the Internet, without our prior written approval. Our right of approval of any Internet usage of our Proprietary Marks includes approval of the domain names and Internet addresses, website materials and content, social media, and all links to other sites. We have the sole right to establish an Internet "home page" using any of the Proprietary Marks, and to regulate the establishment and use of linked home pages by our franchisees.

9.2 You agree not to use the Proprietary Marks or the names "*Dunkin' Donuts*", "*Dunkin*", "*DD*", "*Dunk*", "*Baskin-Robbins*", "*Baskin*", "*BR*", "*31 Flavors*", or anything confusingly similar as part of your corporate or other legal name, or as part of any e-mail address, domain name, social media accounts, or other identification of you or your business, in any medium. In all approved uses of the Proprietary Marks on your business forms such as your letterhead, invoices, order forms, receipts, and contracts, you must identify yourself as our franchisee and your business as independently owned and operated.

9.3 You have no rights in the Proprietary Marks or our Systems other than those explicitly granted in this Agreement, and you may not sublicense the Proprietary Marks.

9.4 You agree to notify us promptly of any litigation relating to the Proprietary Marks. In the event we undertake the defense or prosecution of any such litigation, you agree to execute any and all documents and do such acts and things as may be necessary, in the opinion of our counsel, to carry out such defense or prosecution.

9.5 We will save, defend, indemnify and hold you and your successors and assigns harmless, from and against (i) any and all claims based upon, arising out of, or in any way related to the validity of your approved use of the Proprietary Marks and (ii) any and all expenses and costs (including reasonable attorney's fees) incurred by or on behalf of you in the defense against any and all such claims.

SECTION 10. RESTRICTIVE COVENANTS

10.0 You acknowledge that as our franchisee, you will receive specialized training, including operations training, in each System that is beyond your present skills and those of your managers and employees. You further acknowledge that you will receive access to our confidential and proprietary information, including methods, practices and products, which will provide a competitive advantage to you. As a condition of training you, sharing our confidential and proprietary information with you and granting you a license to operate the Restaurant within each System and use our intellectual property, we require the following covenants in order to protect our legitimate business interests and the interests of other franchisees in the Dunkin' and Baskin-Robbins Systems:

10.1 During the term of this Agreement, neither you nor any shareholder, member, partner, officer, director or guarantor of yours, or any person or entity who is in active concert or participation with you or who has a direct or indirect beneficial interest in the franchised business, may have a direct or indirect interest in, perform any activities for, provide any assistance to, sell any approved products to, or receive any financial or other benefit from any business or venture that sells products that are the same as or substantially similar to those sold in Dunkin' or Baskin-Robbins restaurants, except for i) other Dunkin' and Baskin-Robbins restaurants that we franchise to you or ii) real property owned by you; provided, however, no business located on the real property may either a) be a coffee, baked goods, ice cream or frozen treat store or b) derive more than 15% of its overall revenue from products that are the same as or substantially similar to those sold in Dunkin' or Baskin-Robbins restaurants; divert or attempt to divert any Dunkin' or Baskin-Robbins business or customer away from the Restaurant or either System; oppose the issuance of a building permit, zoning variance or other governmental approval required for the development of another Dunkin' or Baskin-Robbins restaurant; or perform any act injurious or prejudicial to the goodwill associated with the Proprietary Marks or Systems.

10.2 For the first twenty-four months following the expiration or termination of this Agreement or transfer of an interest in the franchised business (the "Post-Term Period"), neither you nor any shareholder, member, partner, officer, director or guarantor of yours, or any person or entity who is in active concert or participation with you or who has a direct or indirect beneficial interest in the franchised business, may have any direct or indirect interest in, perform any activities for, provide any assistance to or receive any financial or other benefit from any business or venture (other than an ownership interest in real property) that sells products that are the same as or substantially similar to those sold in Dunkin' or Baskin-Robbins restaurants and located within **five (5) miles** from the Restaurant or any other Dunkin' or Baskin-Robbins restaurant that is open or under development. The restriction in the previous sentence does not apply to your ownership of less than two percent (2%) of a company whose shares are listed and traded on a national or regional securities exchange. The Post-Term Period begins to run upon your compliance with all of your obligations in this Section.

10.3 During the term of this Agreement and at any time thereafter, neither you nor any shareholder, member, partner, officer, director or guarantor of yours, or any person or entity who is in active concert or participation with you or who has a direct or indirect beneficial interest in the franchised business, may contest, or assist others in contesting, the validity or ownership of the Proprietary Marks in any jurisdiction; register, apply to register, or otherwise seek to use or in any way control the Proprietary Marks or any confusingly similar form or variation of the Proprietary Marks; or reproduce, communicate or share any Confidential Information with anyone, or use for the benefit of anyone, except in carrying out your obligations under this Agreement.

10.4 You agree that a breach of the covenants contained in this Section will be deemed to threaten immediate and substantial irreparable injury to us and give us the right to obtain immediate injunctive relief without limiting any other rights we might have. If a court or other tribunal having jurisdiction to determine the validity or enforceability of this Section determines that, strictly applied, it would be invalid or unenforceable, then the time, geographical area and scope of activity restrained shall be deemed modified to the minimum extent necessary such that the restrictions in the Section will be valid and enforceable.

10.5 For purposes of this Agreement, the term "Confidential Information" means information relating to us or the Dunkin' or Baskin-Robbins Systems that is not generally available to the public, including Manuals, recipes, products, other trade secrets and all other information and know-how relating to the methods of developing, operating and marketing the Restaurant and each System. You must use best efforts to protect the Confidential Information.

10.6 If Franchisee is a legal entity, such entity's organizing documents shall provide that its purpose is limited to the following:

10.6.1 To develop, acquire, own and operate one or more Dunkin' and/or Baskin-Robbins franchises, and to conduct all business and financing activities related to those franchises;

10.6.2 To develop, acquire, own and lease any real or personal property used in connection with such franchises, including the financing of same;

10.6.3 To guarantee, co-sign or lend credit, and to secure such obligations by mortgaging, pledging, or otherwise transferring a security interest in your assets (excluding the Franchise Agreement, except and only to the extent and for so long as any applicable law requires that a franchisor permit a franchisee to grant a security interest in the Franchise Agreement) with respect to each of the following:

- a. another Dunkin' and/or Baskin-Robbins franchised business or Dunkin' management company that qualifies as an Affiliate (as defined in (10.6.4) below);
- b. an entity, of which you are a member, that operates or owns or leases real estate or equipment to a Dunkin' central kitchen;
- c. a real estate entity that both: (i) is an Affiliate or is directly or indirectly owned or controlled by you, by an Affiliate, by one or more of your shareholders, or by any person or organization that directly or indirectly owns shares in an Affiliate of yours, and (ii) owns, acquires and/or develops real estate used for Dunkin' and/or Baskin-Robbins restaurants approved by us (for real estate that includes a Dunkin' and/or Baskin-Robbins as part of a multi-use project, in addition to an Option to Assume, we require a non-disturbance agreement acceptable to us that permits us to operate or rebrand the restaurant in the event of a default under your loan, pledge, mortgage or similar instrument. Notwithstanding anything to the contrary, in no event may Franchisee guarantee, co-sign, lend credit, mortgage, pledge or otherwise transfer a security interest in your assets with respect to real estate that does not include a Dunkin' and/or Baskin-Robbins business).

10.6.4 For purposes of this Agreement, an Affiliate means a corporation, partnership or limited liability company whose equity is owned in whole in part by (a) one or more of your shareholders, (b) one or more parent, spouse, sibling, child or grandchild or another blood relation of a shareholder(s) of yours, (c) a trust, family limited partnership or similar organization that we have approved as a shareholder and of which at least one of your shareholders is a

settlor, trustee or beneficiary (or equivalent), or (d) or another entity that we have approved to hold an equity interest in you.

10.7 We have the exclusive right to use and incorporate into each System all modifications, changes, and improvements developed or discovered by your employees, agents or you in connection with the franchised business, without any liability or obligation to your employees, agents or you.

SECTION 11. MAINTENANCE AND SUBMISSION OF BOOKS, RECORDS AND REPORTS

11.0 You are required to keep business records in the manner and for the time required by law, and in accordance with generally accepted accounting principles. You are required to keep any additional business records that we specify from time to time, in the manner and for the time we specify. All records must be in English, and whether on paper or in an electronic form, must be capable of being reviewed by us without special hardware or software. You must retain copies of each state and federal tax return for the franchised business for a period of five years.

11.1 You must submit profit and loss statements to us on a monthly basis, and, at our request, balance sheets for your fiscal half-year and year-end, all in the format and by the means that we specify from time to time. If we specify additional records for periodic reporting, you agree to submit those records as required.

11.2 Within fifteen days from our request and at our option, you agree to (a) photocopy and deliver to us those required records that we specify, or (b) at a location acceptable to us, provide us access to any required records that we specify for examination and photocopying by us. You agree to grant us the right to examine the records of your purchases kept by any of your suppliers or distributors, including the National DCP or any successor entities, and hereby authorize those suppliers and distributors to allow us to examine and copy those records at our own expense. If after we review your business records, which include your business tax returns, we believe that intentional underreporting of Gross Sales may have occurred, then upon request, you and any signatory and guarantor of this Agreement must provide us with personal federal and state tax returns and personal bank statements for the periods requested.

11.3 We will keep any records you provide to us that contain confidential information of yours confidential, provided such records are marked confidential and, by their nature, would be considered by a reasonable person to be confidential, but we may release information to any person entitled to it under any lease, to a prospective transferee of the Restaurant, in connection with anonymous general information disseminated to our franchisees and prospective franchisees, in the formulation of plans and policies in the interest of each System, or if required by law or any legal proceeding.

SECTION 12. INSURANCE

12.0 Prior to opening or operating the Restaurant for business, and prior to constructing the Restaurant in the event you are developing the Restaurant, you agree to acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards. You must maintain such coverage in full force and effect throughout the duration of this Agreement. We have the right to change requirements from time to time. All insurance must be placed and maintained with insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

12.1 We and any affiliated party we designate must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without thirty days prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage described in this Agreement, with all of the aforementioned provisions. In the event that such insurance coverage is not in effect, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums.

12.2 Both you and we waive any and all rights of recovery against each other and our respective officers, employees, agents, and representatives, for damage to the waiving party or for loss of its property or the property of others under its control, to the extent that the loss or damage is covered by insurance. To obtain the benefit of our waiver, you must have the required insurance coverage in effect. When you are obtaining the policies of insurance required by this subsection, you must give notice to your insurance carriers that the above mutual waiver of subrogation is contained in this Agreement. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions of Section 14.9.

SECTION 13. TRANSFERS

13.0 Transfer by Us: This Agreement inures to the benefit of our successors and assigns, and we may assign our rights to any person or entity that agrees in writing to assume all of our obligations. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

13.1 Transfer by You: We entered into this Agreement based on the qualifications of your owners and you. Any direct or indirect transfer of interest in this Agreement requires our prior written consent, which we will not unreasonably withhold. We may withhold consent if a proposed transferee does not meet our then-current criteria, if you have not satisfied all of your outstanding obligations to us, if the Restaurant and Premises are not in compliance with our Standards, or if we believe that the sale price of the interest to be conveyed is so high, or the terms of sale so onerous, that it is likely the transferee would be unable to properly operate, maintain, upgrade and promote the Restaurant and meet all financial and other obligations to us and to third parties. At the time of transfer, you and all of your shareholders, partners and members must execute a general release of us and our parent and affiliates, in our then-current standard form. If after an approved transfer, a shareholder, member or partner no longer has an interest in the franchised business, then such party is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and obligations under Section 10.

13.2 Transfer Fee. At transfer, you must pay us a Transfer Fee as follows, whether or not we exercise our rights in Section 13.4:

13.2.1 If you have not owned and operated the Restaurant for at least three full years before the transfer occurs, you will pay the Transfer Fee set forth in the chart in Section 13.2.2 below plus twenty thousand dollars (\$20,000).

13.2.2 If the transfer occurs after the third full year of ownership and operation, you will pay the Transfer Fee stated below. We reserve the right to select another period or to make appropriate adjustments to such Gross Sales in the event extraordinary occurrences (e.g., road

construction, fire or other casualty, etc.) materially affected the Restaurant's sales during the trailing twelve month period.

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000.00	\$12,500.00
\$400,000.00 or more, but less than \$600,000.00	\$13,500.00
\$600,000.00 or more, but less than \$1,000,000.00	\$15,500.00
\$1,000,000.00 or more, but less than \$1,400,000.00	\$19,500.00
\$1,400,000.00 or more	\$27,500.00

13.2.3 In lieu of the Transfer Fee, we will only charge the applicable, then-current Fixed Documentation Fee published by us from time to time for i) a transfer of interest that does not result in a Change of Control (as defined below) or ii) if any of the interests transfer to the spouse(s) or children of the original signatories or iii) if all of the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated.

For the purposes of this Agreement, "Change of Control" means either i) a transfer of majority interest from an original signatory to another or ii) any transaction or series of transactions that, either alone or together with other previous, simultaneous or other proposed transfers, whether related or unrelated, will have the result of the original signatories holding an aggregate interest less than 50% of the indirect or direct interest in this Agreement. For the avoidance of doubt, if any Transfer under part (i) above that results in a Change of Control, then the Transfer Fee(s) set forth in Section(s) 13.2.1 and 13.2.2, as applicable, shall apply.

13.3 Transfer on Death: Within twelve months from the death of you or any of your owner(s) and notwithstanding any agreement to the contrary, the deceased's legal representative must propose to us in writing to transfer the interest of the deceased in this Agreement to one or more transferees. Any such transfer must occur within twelve months from such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section. This Agreement shall automatically terminate if the transfer has not occurred within twelve months, unless we grant an extension in writing.

13.4 Right of First Refusal: We have a right of first refusal to be the purchaser in the event of any proposed direct or indirect sale of interest in this Agreement, under the same terms and conditions contained in the offer or purchase and sale document. Only one franchisor will exercise the right of first refusal. As between the two franchisors, the brand that generated the most sales at the Restaurant in the twelve months preceding receipt of the offer or purchase and sale document will have the right to exercise the right of first refusal as to both brands. You must provide us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale, and we will have sixty days from our receipt to notify you whether we are exercising our right. We may purchase the interest ourselves or assign our right without recourse to a nominee who will purchase the interest directly from you. In the event you modify the offer or terms of sale in any way, you must resubmit the modified offer or purchase and sale document, as modified, and we will again have sixty days to exercise the right of first refusal.

SECTION 14. DEFAULT AND REMEDIES

14.0 You will be in default under this Agreement under the following conditions:

14.0.1 You breach an obligation under this Agreement, or an obligation under another agreement, which agreement is necessary to the operation of the Restaurant.

14.0.2 You file a petition in bankruptcy, are adjudicated a bankrupt, or a petition is filed against you and is either consented to by you or not dismissed within thirty days; or you become insolvent or make an assignment for the benefit of creditors; or a bill in equity or other proceeding for the appointment of a receiver or other custodian for your business assets is filed and is either consented to by you or not dismissed within thirty days; or a receiver or other custodian is appointed for your business or business assets; or proceedings for composition with creditors is filed by or against you; or if your real or personal property is sold at levy.

14.0.3 You or your owners are convicted of or plead guilty or no contest to a felony or crime involving moral turpitude, or any other crime or offense that is injurious to either System or the goodwill enjoyed by our Proprietary Marks.

14.0.4 You or your owners commit a fraud upon us or a third party relating to a business franchised or licensed by us.

14.0.5 You use or permit the use of any business franchised or licensed by us, including the Restaurant or Premises, for an unauthorized purpose.

14.0.6 We terminate any other franchise agreement with you or any affiliated entity by reason of a default under sections 14.0.3, 14.0.4 or 14.0.5.

14.1 You will have the following opportunities to cure a default under this Agreement.

14.1.1 **Thirty-Day Cure Period.** Except as otherwise provided, you must cure any default under this Agreement within thirty days after delivery of notice of default to you in our then-standard form or forms of communication.

14.1.2 **Seven-Day Cure Period.** If you do not pay the money owed to us or the Advertising Fund when due, or if you fail to maintain the insurance coverage required by this Agreement, you must cure that default within seven days after delivery of notice of default to you in our then-standard form or forms of communication.

14.1.3 **Twenty-Four Hour Cure Period.** If you violate any law, regulation, order or Standard relating to health, sanitation or safety, or if you cease to operate the restaurant for a period of forty-eight hours without our prior written consent, you must cure that default within twenty-four hours after delivery of notice of default to you in our then-standard form or forms of communication.

14.1.4 **Cure on Demand.** You must destroy any product or cure any situation that, in our opinion, poses an imminent risk to public health and safety, at the time we demand you do so.

14.2 **No Cure Period.** No cure period will be available if you are in default under paragraphs 14.0.2 through 14.0.6; if you abandon the Restaurant; if you intentionally under-report Gross Sales or otherwise commit an act of fraud with respect to your acquisition or performance of this Agreement; or if your lease for the Restaurant is terminated. In addition, no cure period will be available for any default if you already have received three or more previous notices-to-cure for the same or a substantially similar default (whether or not you have cured the default), within the immediately preceding twelve-month period.

14.3 Statutory Cure Period. If a default is curable under this Agreement, and the applicable law in the state in which the premises is located requires a longer cure period than that specified in this Agreement, the longer period will apply.

14.4 In addition to all the remedies provided at law or by statute for the breach of this Agreement, we also have the following remedies:

14.4.1 If we believe a condition of the Premises or of any product pose a threat to the health or safety of your customers, employees or other persons, we have the right to take such action as we deem necessary to protect these persons, and the goodwill enjoyed by our Proprietary Marks and Systems. Such actions may include any or all of the following: we may require you to immediately close and suspend operation of the Restaurant and correct such conditions; we may immediately remove or destroy any products that we suspect are contaminated; and, if you fail to correct a hazardous condition on demand, and within a reasonable time, we and contractors we hire may enter the Restaurant without being guilty of, or liable for, trespass or tort, and correct the condition. You are solely responsible for all losses or expenses incurred in complying with the provisions of this subsection. Further, if you should discover a hazardous condition as described above, you agree to notify us immediately.

14.4.2 If after proper notice and opportunity to cure, you have not complied with a Standard involving the condition of the Restaurant, including maintenance, repair, and cleanliness, we and contractors we hire may enter the Restaurant without being guilty of, or liable for, trespass or tort, and correct the condition at your expense.

14.4.3 If you are repeatedly in default of this Agreement, we may disapprove your participation in the sale of new products or new programs until you cure your defaults and demonstrate to our reasonable satisfaction that you can maintain compliance with Standards.

14.4.4 You will pay to us all costs and expenses, including reasonable payroll and travel expenses for our employees, and reasonable investigation and attorneys' fees, incurred by us in successfully enforcing (which includes achieving a settlement) any provisions of this Agreement.

14.5 Because of the importance of your compliance with Standards to protect our Systems, other franchisees, and the goodwill enjoyed by our Proprietary Marks, you agree that the remedies described elsewhere in this Agreement, as well as monetary damages or termination at a future date, may be insufficient remedy for a breach of our Standards. Accordingly, you agree not to contest the appropriateness of injunctive relief for such breaches, and consent to the grant of an injunction in such cases without the showing of actual damages, irreparable harm or the lack of an adequate remedy at law. In order to obtain an injunction, we must show only that the Standard in issue was adopted in good faith, that it is a Standard of general applicability in that DMA or "region" (as that term is defined by us), and that you are violating or are about to violate that Standard. A Standard of general applicability is one that applies to all franchisees in the DMA or region, or throughout the Dunkin' and Baskin-Robbins Systems.

14.6 Termination and Expiration. If you commit a default referenced in section 14.2 or if you fail to timely cure any default that may be cured, we may terminate this Agreement. Termination will be effective immediately upon receipt of a written notice of termination unless a notice period is required by law, in which case that notice period will apply. Upon termination or expiration of this Agreement, you no longer have any rights granted by this Agreement. If we suffer your continued operation of the Restaurant while we seek judicial enforcement of our election to terminate, conducting business as if the Agreement had not been terminated in order to preserve the reputation of our Systems and goodwill associated with the Proprietary Marks,

our adherence to the judicial process is neither a waiver of our election to terminate nor an extension of the termination date.

14.7 In the event of termination or expiration of this Agreement:

14.7.1 You must pay all monies owed under this Agreement, including any fees and interest, within ten days.

14.7.2 You must immediately cease operation of the Restaurant and no longer represent yourself to the public as our franchisee.

14.7.3 You must immediately cease all use of our Proprietary Marks, trade secrets, confidential information, and manuals, and cease to participate directly or indirectly in the use or benefits of our System.

14.7.4 You must, within ten days, return all originals and copies of our operating manuals, plans, specifications, and all other materials of ours in your possession relating to the operation of the Restaurant, all of which you acknowledge to be our property. The remaining materials are your property.

14.7.5 Upon our request within thirty days from the date of termination due to default, you agree to sell to us any or all of the furniture, fixtures, and equipment at its then-current fair market value, less any indebtedness on the equipment, and indebtedness to us;

14.7.6 Upon our request within thirty days from the date of termination or expiration, you must assign to us any leasehold interest you have in the Restaurant and Premises or any other agreement related to the Premises.

14.7.7 Upon our request within thirty days from the date of termination due to default or expiration, you must remove from the Restaurant and Premises and return to us all indicia of our Proprietary Marks. Further, you must make such modifications or alterations to the Restaurant and Premises as we require in accordance with our Standards to distinguish the Restaurant and Premises from the premises of other restaurants in the System. You must also disconnect any telephone listings that contain our name, and withdraw any fictitious name registration containing any part of our Proprietary Marks. You hereby appoint us as your attorney-in-fact, and in your name, to do any act necessary to accomplish the intent of this section. In the event you fail or refuse to comply with the requirements of this section, we have the right to enter upon the Premises, without being guilty of trespass or any other tort, for the purpose of making such changes as may be required, at your expense, which you agree to pay upon demand.

14.8 You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement

14.9 **Indemnification.** You will indemnify and hold us, our parent, subsidiaries and affiliates, including our and their respective members, officers, directors, employees, agents, successors and assigns, harmless from all claims related in any way to your operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys' fees), costs and other expenses incurred by us or on our behalf in the defense of any claims, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnity shall be valid

notwithstanding that joint or concurrent liability may be imposed on us by statute, ordinance, regulation or other law. We will notify you of any claims covered by this paragraph, and you shall have the opportunity to assume the defense of the matter. We shall have the right to participate in any defense that is assumed by you, at our own cost and expense. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer.

SECTION 15. DISPUTE RESOLUTION

15.0 Waiver of Rights: Both we and you waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits (expressly excluding any fees due to us now or in the future under this Agreement); or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by either of us can be consolidated with the claims of any other party. If such claims and demands cannot be waived by law, then the parties agree that any recovery will not exceed two (2) times actual damages.

15.1 Arbitration: Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association (“AAA”) under its Commercial Arbitration Rules (or by another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff’s election to arbitrate or to submit the dispute to the court system, including any compulsory counterclaims, is binding on the parties except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA’s Commercial Arbitration Rules. The place of arbitration shall be in the state in which the Restaurant is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts’s law shall govern all other issues.

15.2 Scope of Arbitration: Disputes concerning the validity or scope of this Section, including whether a dispute is subject to arbitration, are beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time. The provisions of this Section shall continue in full force and effect subsequent to any expiration or termination of this Agreement.

15.3 Appeals: Either of us may appeal the final award of the arbitrator(s) to the appropriate U.S. District Court. The Court’s review of the arbitrator’s findings of fact shall be under the clearly erroneous standard, and the Court’s review of all legal rulings shall be *de novo*. If it is determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator’s final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.

SECTION 16. MISCELLANEOUS

16.0 If you directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute our then-standard agreement giving us the option to lease the Premises from you if you default under this Agreement or under

any lease relating to the Restaurant or Premises. The lease will be for the then-remaining term of this Agreement, including any extension or renewal, at “triple-net” fair market value rent for comparable Dunkin’ /Baskin-Robbins locations with arms-length leases. If the parties cannot agree on the fair market value, they will consult a mutually-acceptable real estate professional.

16.1 You are an independent contractor of ours and not our agent, partner or joint venturer. Neither party has the power to bind the other. Nothing in this Agreement contemplates a fiduciary relationship. Neither party is liable for any act, omission, debt or any other obligation of the other, and you and we agree to indemnify and save each other harmless from any such claim and the cost of defending such claim.

16.2 Our waiver of your breach of any term of this Agreement applies only to that one breach and that one term, and not to any subsequent breach of any term. Acceptance by us of any payments due under this Agreement shall not be deemed to be a waiver by us of any preceding breach by you of any term. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you. If, for any reason, any provision of this Agreement is determined to be invalid or to conflict with an existing or future law, then the remaining provisions will continue to bind the parties and the invalid or conflicting provision will be deemed not to be a part of this Agreement.

16.3 The parties’ rights and remedies are cumulative. Neither you nor your successor may create or assert any security interest or lien in this Agreement, without our prior written approval. You represent and warrant that you have established your operating agreement, by-laws or partnership agreement in accordance with the requirements of this Agreement. In the event of any conflict between a provision in this Agreement and a provision in your operating agreement, by-laws or partnership agreement, the provision of this Agreement will control.

16.4 Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. Wherever we use the word “including”, it means “including but not limited to.”

16.5 **Notices.** All notices shall be sent by nationally recognized overnight courier or certified mail to the addresses set forth in the Contract Data Schedule, or to such other addresses as you and we provide each other in writing. All notices to us shall be sent to us “c/o Dunkin’ Brands, Inc., as Manager, Attention: Legal Department.”

16.6 This Agreement and the documents referred to herein shall be the entire, full and complete agreement between you and us concerning the subject matter of this Agreement, which supersedes all prior agreements. Nothing in this Section, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. This Agreement is made in the Commonwealth of Massachusetts, USA, and shall be interpreted, construed and governed by the laws of the Commonwealth of Massachusetts. This Agreement may be executed in multiple counter-parts by facsimile or otherwise. This Agreement may only be modified in a writing signed by you and us.

16.7 **Your success in this business is speculative and depends, to an important extent, upon your ability as an independent business owner. We do not represent or warrant that the Restaurant will achieve a certain level of sales or be profitable, notwithstanding our approval of the location. By your signature below, you acknowledge that you have**

entered into this Agreement after making an independent investigation of the Dunkin' and Baskin-Robbins Systems.

16.8 This Agreement grants you rights with respect to the Dunkin' and Baskin-Robbins brands. We have the right, at any time, to require you to execute and deliver separate contracts for each brand, each containing all of the terms of this Agreement pertaining to such brand. You agree to execute and return such replacement contracts to us within thirty (30) days after receipt thereof. If you fail to do so, we have the right to execute such instruments on your behalf and deliver a copy to you.

16.8 No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

(The remainder of this page is intentionally left blank.)

Intending to be legally bound hereby, the parties have duly executed and delivered this agreement in duplicate, as of the date and year first written above. You hereby acknowledge receipt of this Franchise Agreement, including any addenda referenced in Item J, at least seven (7) calendar days (or such longer period as is required by state law) prior to the date hereof. You further acknowledge having carefully read this agreement in its entirety, including all addenda identified above and the Personal Guarantee below (if applicable).

EXHIBIT D-1
TO THE DUNKIN' FDD
STORE DEVELOPMENT AGREEMENT

STORE DEVELOPMENT AREA SUMMARY

PC: _____

STORE DEVELOPMENT AGREEMENT

This Agreement, dated _____, 202__, is made by and between: **DUNKIN' DONUTS FRANCHISING LLC**, ("we," "our" and "us") a Delaware limited liability company with a principal place of business at Three Glenlake Pkwy NE, Atlanta, GA 30328, and _____ [entity and/or individuals] _____, located at _____ ("you, "your" or "Developer").

RECITAL

We and you acknowledge receiving good and valuable consideration for this Agreement and agree as follows:

AGREEMENT

1. Grant of Development Rights. We grant and you accept the exclusive right and obligation to develop and open Dunkin' restaurants ("Restaurant" or "Restaurants") within the Store Development Area described in **Exhibit A**. The required number of Restaurants and the development schedule ("Development Schedule") are set forth in **Exhibit B**. The term of this grant is the duration of this Agreement, which expires on the date stated in **Exhibit B**, unless terminated earlier by agreement or operation of law. The exclusivity is limited by the terms of section 6.

2. Initial Franchise Fees. You will pay an Initial Franchise Fee ("IFF") for each Restaurant in the amounts and at the times stated in **Exhibit B**. At our option, you will make all payments to us by electronic fund transfer ("EFT"), and provide us with authorization and bank account data necessary to set up EFT. These amounts are non-refundable and must be paid in full, without reduction or offset. You must pay your initial IFF Deposit set forth in **Exhibit B** with unencumbered cash and it cannot be borrowed.

3. Development and Opening Requirements

A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You will secure the real estate for each Restaurant, through purchase agreement or binding lease, by its "Required Control Date," and open each Restaurant by its "Required Opening Date," all as specified in the Development Schedule in **Exhibit B**. You must submit the purchase agreement or binding lease to us by the Required Control Date. **TIME IS OF THE ESSENCE** in performing these obligations. A Restaurant location must be approved by us in writing prior to the Required Control Date. Before you commit to lease or purchase a location, you should provide us with a copy of the lease or purchase agreement, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each Restaurant must be constructed and equipped to our then-current standards and specifications. Prior to opening each Restaurant, you must certify to us in writing that no more than ninety percent (90%) of the initial investment in the building, site and additional development, equipment, fixtures, and signs for the Restaurant has been borrowed ("Permitted Financing").

B. **Franchise Agreement and Ownership Requirements.** For each Restaurant, you will sign our then-current version of Franchise Agreement. You must execute our Franchise Agreement and ancillary documents prior to the date you commence construction of the Restaurant. We entered into this Agreement based on your qualifications and your agreement that Developer and any entity organized by Developer to execute a Franchise Agreement shall provide that their purposes are limited to owning and operating Restaurants that we franchise to you, unless we otherwise agree in writing. If you propose to add or subtract owners or change the ownership percentages for a Franchise Agreement entered into under this Agreement, the proposal is subject to our prior written approval.

4. Renewal and Extension Options

A. Renewal of Rights. This Agreement and the development rights granted in it expire on the date stated in **Exhibit B**. If you wish to renew exclusive development rights for the same Store Development Area, you must advise us in writing within twelve (12) months prior to the expiration of this Agreement. We will then reassess the potential of the Store Development Area for further development. If we and you agree that there is potential for additional Restaurants, we will offer you the first opportunity to enter into a new agreement for the Store Development Area, provided that you have timely, and without extension, amendment, or our election to waive any failure by you to meet the deadlines set forth in this agreement, met your Development Schedule under this Agreement, you are in compliance with all of your Dunkin' franchise agreements, you meet our then-current Criteria to Expand, and we and you can agree on a new development schedule. The agreement you sign will be our then-current, renewal store development agreement and the fees will be the then-current fees for that Store Development Area. The renewal store development agreement will be on substantially the same form as our then-current store development agreement but will contain no renewal rights. You will have 10 days from the time you receive the new agreement to sign and return it to us.

B. Mid-Term Extension Option. Provided you are not at that time in default under any terms of your SDA or any of your Franchise Agreements, then as of the date that you develop and open that certain Restaurant, which brings the percentage of Restaurants that you have developed and opened under the SDA to at least fifty percent (50%) of the total number of Restaurants that you are required to develop and open and continuing through the date that is one year prior to the SDA expiration date, you may request to us in writing that the parties negotiate an extension of the terms of the SDA, a modification to the Store Development Area, and an increase in the number of Restaurants that you will be required to develop and open within the Store Development Area. Notwithstanding anything to the contrary contained herein, although the parties agree to negotiate such an extension/expansion in good faith, both parties to the SDA expressly acknowledge and agree that (i) they may be unable to successfully negotiate the terms of such an extension/expansion in which case the SDA shall remain in full force and effect as if no request to extend/expand had been made and (ii) that any reduced Continuing Franchise Fees ("CFF") that may be set forth in the SDA shall not apply to any such extension/expansion (i.e., our standard CFF rates will apply).

5. Source of Bakery Products. For each Restaurant, you must secure a source for your bakery products that we have approved in writing.

6. Exceptions to Exclusivity.

A. Special distribution opportunities may arise within the Store Development Area that may or may not be available to you. Examples include, but are not limited to, hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, department stores and "big box" super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers. We retain the right to pursue such special distribution opportunities within your Store Development Area, but during the term of this Agreement we will offer you the first opportunity to become our franchisee for those opportunities provided that you are in compliance with all material provisions of your agreements with our affiliates and us, you meet the Criteria to Expand, and the party that controls the opportunity permits us to do so. You will have fifteen (15) days to accept the offer in writing. Except as provided in 6.B or 6.C, special distribution opportunities that you develop do not count toward the number of Restaurants you are required to develop under this Agreement, and the IFF is in addition to the IFF required under this Agreement.

In addition, if there are Restaurants operated by other franchisees in the Store Development Area, then we reserve the right to approve the relocation of each such Restaurant within its trade area. Further, this Agreement only grants rights as to the operation of Restaurants. You have no other rights to the use, enjoyment or benefit of the Dunkin' name or trademarks. We retain the complete right to distribute Dunkin' products and services of every kind and nature through any other channels of distribution. This includes, without limitation, the distribution and use or sale of Dunkin'-trademarked products in a hotel room, an office or a supermarket (as distinguished from a Restaurant inside a supermarket).

B. Although gas/convenience locations are expressly excluded from this Store Development Agreement (“SDA”), if you propose and we approve a Restaurant in a gas/convenience location within the Store Development Area, we will consider the development of such location to satisfy one of the Restaurants you are required to develop pursuant to the SDA's Development Schedule, *provided that*: (a) we determine the proposal will result in a Restaurant that meets certain minimum then-current menu and design criteria and that opens by the applicable Required Opening Date in the SDA; and (b) Initial Franchise Fees applicable under the SDA's Development Schedule are applied or paid regardless of the length of lease term (and any corresponding franchise term) you secure.

C. For all special distribution opportunities other than gas/convenience locations (which are addressed above), although the same are expressly excluded from this SDA, if you propose and we approve a Restaurant in a special distribution opportunity location within the Store Development Area, we will consider the development of such location to satisfy one of the Restaurants you are required to develop pursuant to this SDA's Development Schedule, *provided that*: (a) we determine the proposal will result in a Restaurant that meets certain minimum then-current menu and design criteria and that opens by the applicable Required Opening Date in the SDA; (b) we retain final approval as to how many, if any, such special distribution opportunities may be built in lieu of the Restaurants you were originally required to develop pursuant to this SDA; (c) none of the special distribution opportunities approved by us pursuant to this 6.C. will count towards any “excess development” incentive to the extent any such incentive is contained within this SDA; and (d) none of the special distribution opportunities approved by us pursuant to this 6.C. will be included in the number of Restaurants used in the calculation set forth in 4.B. (Mid-Term Extension Option). To the extent we approve such a special distribution opportunity as set forth above, (e) the Initial Franchise Fees for such special distribution opportunity will be our then-current standard rate for special distribution opportunities and the difference between the SDA deposit that you previously paid to us for the applicable Restaurant and the Initial Franchise Fees for the special distribution opportunity will be applied as a credit to the next payment due from you to us pursuant to this SDA, unless there are no payments remaining to be paid by you pursuant to this SDA, in which case the difference will be refunded to you within thirty (30) days after the special distribution opportunity Restaurant opens to serve the public), and (f) unless we otherwise consent in writing, which consent may be granted or withheld in our sole and absolute discretion, neither the special distribution opportunity itself nor the immediately following Restaurant that you develop pursuant to this SDA shall be permitted to qualify for the “early opening terms” set forth in any applicable incentive related to opening prior to the Required Opening Date.

7. Confidential Information. Except as necessary to perform your obligations under this Agreement, you will not provide Confidential Information concerning the development of Restaurants or the Dunkin’ System to anyone. “Confidential Information” means information that is not generally available to the public.

8. Suspension of Development Rights; Default and Termination. We may terminate this Agreement if: (a) you default on a monetary obligation to us and do not cure the default within seven (7) days from the date you receive our written Notice to Cure; or (b) you default on any other provision of this Agreement and do not cure the default within thirty (30) days from the date you receive our written Notice to Cure. If state law requires a longer cure period, then that longer period shall apply. We may terminate this Agreement, without any opportunity to cure, if you violate the confidentiality provision, if you are convicted of or plead guilty or no contest to a felony or crime of moral turpitude, if you commit a fraud upon any of our affiliate(s) or us, or if we terminate any of your Franchise Agreements in the DMA in which this Store Development Area is located. If we terminate this Agreement, then you must immediately pay us all unpaid Initial Franchise Fees (as set forth in **Exhibit B**), without reduction or offset, even if you did not open any or all of the Restaurants.

If at any time you do not meet our then-current Criteria to Expand, we may suspend your right to develop by a written notice. The suspension will be in effect until you are not in default and meet the Criteria to Expand. Any suspension will not alter your Development Schedule unless we, in our sole discretion, grant an extension in writing.

9. Transfers of Interest

A. Transfer by Us: This Agreement inures to the benefit of our successors and assigns, and we may assign our rights to any person or entity that agrees in writing to assume all of our obligations. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

B. Transfer by You: We entered into this Agreement based on your qualifications. You may transfer a direct or indirect interest in this Agreement, but the Store Development Area and the associated rights and obligations are a package and are not themselves divisible in any way. Any transfer requires our prior written consent, which will not be unreasonably withheld. In the event a person holding a direct or indirect interest dies, that person's legal representative must, within nine (9) months of the event, apply in writing to transfer that interest with notice to all other persons having a direct or indirect interest in this Agreement.

C. Transfer Fee: At the time of transfer, you must execute a general release of us in our standard form, and pay us a Transfer Fee of \$10,000. In lieu of the Transfer Fee, we will only charge our then-current Fixed Documentation Fee if the original signatories to this Agreement retain more than fifty percent (50%) of the interest in this Agreement after the transfer, or if any of the interests transfer to the spouse(s) or children of the original signatories, or if all of the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated.

D. Right of First Refusal: We have a right of first refusal for any proposed transfer. You must provide us with a copy of any agreement (and any amendment to the agreement) for the transfer, and we will have sixty (60) days after receipt to notify you that we are exercising our option to purchase the interest under the same terms and conditions. If we do so, you still are obligated to pay a Transfer Fee.

10. Dispute Resolution

A. Waiver of Rights: The parties waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits; or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by you can be consolidated with the claims of any other holders of development rights. If such claims and demands cannot be waived by law, then the parties agree that any recovery shall not exceed two (2) times actual damages. Your actual damages are limited to your out-of-pocket expenses only and do not include any other form(s) of damages.

B. Arbitration: Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules (or another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff's election to arbitrate or to submit the dispute to the court system is binding on the parties, except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA's Commercial Arbitration Rules. The place of arbitration shall be in the state in which the majority of the Store Development Area is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts's law shall govern all other issues. Any arbitration or court action must be commenced within two (2) years after discovery of facts giving rise to the claim.

C. Scope of Arbitration: Disputes concerning the validity or scope of this Section 10, including whether a dispute is subject to arbitration, is beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time. The provisions of this Section 10 shall continue in full force and effect subsequent to any expiration or termination of this Agreement.

D. Appeals: Either party may appeal the final award of the arbitrator(s) to the U.S. District Court in which the arbitration was held. The Court's review of the arbitrator's findings of fact shall be under the clearly erroneous standard, and the Court's review of all legal rulings shall be *de novo*. If it is determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator's final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.

E. Attorneys' Fees: If either party hereto brings or commences legal proceedings to enforce any of the terms of this Agreement or to assert any rights hereunder, the successful party in such action shall be entitled to receive and shall

receive from the other party hereto, a reasonable sum as attorney's fees and costs, such sum to be fixed by the court or arbitrator(s) in such action, as applicable.

11. Miscellaneous.

A. You are an independent contractor of ours. Neither party to this Agreement has the power to bind the other. Neither party is liable for any act, omission, debt or any other obligation of the other, and you and we agree to indemnify and save each other harmless from any such claim and the cost of defending such claim. The waiver by either party of a breach of any provision of this Agreement applies only to that one breach and only to that one provision. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor. If, for any reason, any provision of this Agreement is determined to be invalid or to conflict with an existing or future applicable law, then the remaining provisions will continue to bind the parties and the invalid or conflicting provision will be deemed not to be a part of this Agreement. Our rights and remedies are cumulative. The limited right to use the "Dunkin' Donuts" name and trademarks is granted in the Franchise Agreement you will sign for each Restaurant. It is not granted in this Agreement. Neither you nor your successor may create or assert any security interest or lien in this Agreement.

B. This Agreement and the documents referred to herein shall be the entire, full and complete agreement between you and us concerning the subject matter of this Agreement, which supersedes all prior agreements. Nothing in this Section, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. This Agreement is made in the Commonwealth of Massachusetts, USA, and shall be interpreted, construed and governed by the laws of the Commonwealth of Massachusetts. This Agreement may be executed in multiple counter-parts, by facsimile or otherwise. This Agreement may only be modified by the parties in writing.

C. All notices shall be sent by nationally recognized overnight courier or certified mail to us c/o Dunkin' Brands, Inc., as Manager to the address above, or to such other addresses as you and we provide each other in writing. All notices to us shall be sent to "Attention: Legal Department."

D. Your success in this business is speculative and depends, to an important extent, upon your ability as an independent business owner. We do not represent or warrant that any location(s) we approve will achieve a certain level of sales or be profitable. If we provide maps, demographics or other information to you in connection with the Store Development Area, we do so without any representation or warranty that the information is complete, accurate or current. We do not represent that you will be able to find or secure locations within the Store Development Area or that you will be able to develop all of the required Restaurants. By your signature below, you acknowledge that you have entered into this Agreement after making an independent investigation of the Dunkin' System and the Store Development Area.

E. No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have duly executed, sealed and delivered this Agreement in duplicate the day and year first written above.

TO THE DUNKIN' FDD
COMBO STORE DEVELOPMENT AGREEMENT

STORE DEVELOPMENT AGREEMENT

This Agreement, dated _____, 20__, is made by and between: **DUNKIN' DONUTS FRANCHISING LLC and BASKIN-ROBBINS FRANCHISING LLC**, ("we," "our" and "us") both Delaware limited liability companies with a principal place of business at Three Glenlake Pkwy NE, Atlanta, GA, and _____ [entity and/or individuals] _____, located at _____ ("you, "your" or "Developer").

RECITAL

We and you acknowledge receiving good and valuable consideration for this Agreement and agree as follows:

AGREEMENT

1. Grant of Development Rights. We grant and you accept the exclusive right and obligation to develop and open Dunkin' and Dunkin'/Baskin-Robbins Multi-Brand restaurants ("Restaurant" or "Restaurants") within the Store Development Area described in Exhibit A. The required number of Restaurants and the development schedule ("Development Schedule") are set forth in Exhibit B. The term of this grant is the duration of this Agreement, which expires on the dates stated in Exhibit B, for each brand respectively, unless terminated earlier by agreement or operation of law. **The exclusivity is limited by the terms of section 6.**

2. Initial Franchise Fees. You will pay an Initial Franchise Fee ("IFF") for each Restaurant, in the amounts and at the times stated in Exhibit B. At our option, you will make all payments to us by electronic fund transfer ("EFT"), and provide us with authorization and bank account data necessary to set up EFT. These amounts are non-refundable and must be paid in full, without reduction or offset. You must pay your initial IFF Deposit set forth in Exhibit B with unencumbered cash and it cannot be borrowed.

3. Development and Opening Requirements

A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You will secure the real estate for each Restaurant, through purchase agreement or binding lease, by its "Required Control Date," and open each Restaurant by its "Required Opening Date," all as specified in the Development Schedule in Exhibit B. You must submit the purchase agreement or binding lease to us by the Required Control Date. **TIME IS OF THE ESSENCE** in performing these obligations. A Restaurant location must be approved by us in writing prior to the Required Control Date. Before you commit to lease or purchase a location, you should provide us with a copy of the lease or purchase agreement, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each Restaurant must be constructed and equipped to our then-current standards and specifications. Prior to opening each Restaurant, you must certify to us in writing that no more than ninety percent (90%) of the initial investment in the building, site and additional development, equipment, fixtures and signs for the Restaurant has been borrowed ("Permitted Financing").

B. Franchise Agreement and Ownership Requirements. For each Restaurant, you will sign our then-current version of Franchise Agreement. You must execute our Franchise Agreement and ancillary documents prior to the date you commence construction of the Restaurant. We entered into this Agreement based on your qualifications and your agreement that Developer and any entity organized by Developer to execute a Franchise Agreement shall provide that their purposes are limited to owning and operating Restaurants that we franchise to you, unless we otherwise agree in

writing. If you propose to add or subtract owners or change the ownership percentages for a Franchise Agreement entered into under this Agreement, the proposal is subject to our prior written approval.

4. Renewal and Extension Options

A. Renewal of Rights. This Agreement and the development rights granted in it expire on the date stated in **Exhibit B**. If you wish to renew exclusive development rights for the same Store Development Area, you must advise us in writing within twelve (12) months prior to the expiration of this Agreement. We will then reassess the potential of the Store Development Area for further development. If we and you agree that there is potential for additional Restaurants, we will offer you the first opportunity to enter into a new agreement for the Store Development Area, provided that you have timely, and without extension, amendment, or our election to waive any failure by you to meet the deadlines set forth in this Agreement, met your Development Schedule under this Agreement, you are in compliance with all of your Dunkin', Baskin-Robbins and/or Dunkin'/Baskin-Robbins Multi-Brand franchise agreements, you meet our then-current Criteria to Expand, and we and you can agree on a new development schedule. The agreement you sign will be our then-current, renewal store development agreement and the fees will be the then-current fees for that Store Development Area. You will have 10 days from the time you receive the new agreement to sign and return it to us. The renewal store development agreement will be on substantially the same form as our then-current store development agreement but will contain no renewal rights. Notwithstanding anything to the contrary contained in this Agreement, this Section 4, Renewal of Rights, is limited to the renewal of rights for the development of Dunkin' Restaurants, and will not pertain to the renewal rights for the development of Baskin-Robbins or Dunkin'/Baskin-Robbins combination Restaurants.

B. Mid-Term Extension Option. Provided you are not at that time in default under any terms of your SDA or any of your Franchise Agreements, then as of the date that you develop and open that certain Restaurant, which brings the percentage of Restaurants that you have developed and opened under the SDA to at least fifty percent (50%) of the total number of Restaurants that you are required to develop and open and continuing through the date that is one year prior to the SDA expiration date, you may request to us in writing that the parties negotiate an extension of the terms of the SDA, a modification to the Store Development Area, and an increase in the number of Restaurants that you will be required to develop and open within the Store Development Area. Notwithstanding anything to the contrary contained herein, although the parties agree to negotiate such an extension/expansion in good faith, both parties to the SDA expressly acknowledge and agree that (i) they may be unable to successfully negotiate the terms of such an extension/expansion in which case the SDA shall remain in full force and effect as if no request to extend/expand had been made and (ii) that any reduced Continuing Franchise Fees ("CFF") that may be set forth in the SDA shall not apply to any such extension/expansion (i.e., our standard CFF rates will apply).

5. Source of Bakery Products. For each Dunkin' and/or Dunkin' /Baskin-Robbins Multi-Brand Restaurant that you open under this Agreement, you must secure a source for your bakery products that we have approved in writing.

6. Exceptions to Exclusivity.

A. Special distribution opportunities may arise within the Store Development Area that may or may not be available to you. Examples include, but are not limited to, hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, department stores and "big box" super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers. We retain the right to pursue such special distribution opportunities within your Store Development Area, but during the term of this Agreement we will offer you the first opportunity to become our franchisee for those opportunities provided that you are in compliance with all material provisions of your agreements with our affiliates and us, you meet the Criteria to Expand, and the party that controls the opportunity permits us to do so. You will have fifteen (15) days to accept the offer in writing. Except as provided in 6.B, special distribution opportunities that you develop do not count toward the number of Restaurants you are required to develop under this Agreement, and the IFF is in addition to the IFF required under this Agreement.

In addition, if there are Restaurants operated by other franchisees in the Store Development Area, then we reserve the right to approve the relocation of each such Restaurant within its trade area. Further, this Agreement only grants rights as to the operation of Restaurants. You have no other rights to the use, enjoyment or benefit of the Dunkin' and/or Baskin-Robbins name(s) or trademarks. We retain the complete right to distribute Dunkin' and Baskin-Robbins products and

services of every kind and nature through any other channels of distribution. This includes, without limitation, the distribution and use or sale of Dunkin' and Baskin-Robbins-trademarked products in a hotel room, an office or a supermarket (as distinguished from a Restaurant inside a supermarket).

B. Although gas/convenience locations are expressly excluded from this Store Development Agreement ("SDA"), if you propose and we approve a Restaurant in a gas/convenience location within the Store Development Area, we will consider the development of such location to satisfy one of the Restaurants you are required to develop pursuant to the SDA's Development Schedule, *provided that*: (a) we determine the proposal will result in a Restaurant that meets certain minimum then-current menu and design criteria and that opens by the applicable Required Opening Date in the SDA; and (b) Initial Franchise Fees applicable under the SDA's Development Schedule are applied or paid regardless of the length of lease term (and any corresponding franchise term) you secure.

C. **FOR DUNKIN' ONLY:** For all special distribution opportunities other than gas/convenience locations (which are addressed above), although the same are expressly excluded from this SDA, if you propose and we approve a Restaurant in a special distribution opportunity location within the Store Development Area, we will consider the development of such location to satisfy one of the Restaurants you are required to develop pursuant to this SDA's Development Schedule, *provided that*: (a) we determine the proposal will result in a Restaurant that meets certain minimum then-current menu and design criteria and that opens by the applicable Required Opening Date in the SDA; (b) we retain final approval as to how many, if any, such special distribution opportunities may be built in lieu of the Restaurants you were originally required to develop pursuant to this SDA; (c) none of the special distribution opportunities approved by us pursuant to this 6.C. will count towards any "excess development" incentive to the extent any such incentive is contained within this SDA; and (d) none of the special distribution opportunities approved by us pursuant to this 6.C. will be included in the number of Restaurants used in the calculation set forth in 4.B. (Mid-Term Extension Option). To the extent we approve such a special distribution opportunity as set forth above, (e) the Initial Franchise Fees for such special distribution opportunity will be our then-current standard rate for special distribution opportunities and the difference between the SDA deposit that you previously paid to us for the applicable Restaurant and the Initial Franchise Fees for the special distribution opportunity will be applied as a credit to the next payment due from you to us pursuant to this SDA, unless there are no payments remaining to be paid by you pursuant to this SDA, in which case the difference will be refunded to you within thirty (30) days after the special distribution opportunity Restaurant opens to serve the public), and (f) unless we otherwise consent in writing, which consent may be granted or withheld in our sole and absolute discretion, neither the special distribution opportunity itself nor the immediately following Restaurant that you develop pursuant to this SDA shall be permitted to qualify for the "early opening terms" set forth in any applicable incentive related to opening prior to the Required Opening Date.

D. We reserve the right to grant development rights for Baskin-Robbins restaurants within the Store Development Area. For the avoidance of doubt, you have the exclusive right to develop Dunkin' / Baskin' Robbins Combo Restaurants within the Store Development Area during the Term (including by the addition of a Baskin-Robbins restaurant to an existing Dunkin' restaurant).

7. **Confidential Information.** Except as necessary to perform your obligations under this Agreement, you will not provide Confidential Information concerning the development of Restaurants or the Dunkin' and/or Baskin-Robbins System(s) to anyone. "Confidential Information" means information that is not generally available to the public.

8. **Suspension of Development Rights; Default and Termination.** We may terminate this Agreement if: (a) you default on a monetary obligation to us and do not cure the default within seven (7) days from the date you receive our written Notice to Cure; or (b) you default on any other provision of this Agreement and do not cure the default within thirty (30) days from the date you receive our written Notice to Cure. If state law requires a longer cure period, then that longer period shall apply. We may terminate this Agreement, without any opportunity to cure, if you violate the confidentiality provision, if you are convicted of or plead guilty or no contest to a felony or crime of moral turpitude, if you commit a fraud upon any of our affiliate(s) or us, or if we terminate any of your Franchise Agreements in the DMA in which this Store Development Area is located. If we terminate this Agreement, then you must immediately pay us all unpaid Initial Franchise Fees (as set forth in **Exhibit B**), without reduction or offset, even if you did not open any or all of the Restaurants.

If at any time you do not meet our then-current Criteria to Expand, we may suspend your right to develop by a written notice. The suspension will be in effect until you are not in default and meet the Criteria to Expand. Any suspension will not alter your Development Schedule unless we, in our sole discretion, grant an extension in writing.

9. Transfers of Interest

A. Transfer by Us: This Agreement inures to the benefit of our successors and assigns, and we may assign our rights to any person or entity that agrees in writing to assume all of our obligations. Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

B. Transfer by You: We entered into this Agreement based on your qualifications. You may transfer a direct or indirect interest in this Agreement, but the Store Development Area and the associated rights and obligations are a package and are not themselves divisible in any way. Any transfer requires our prior written consent, which will not be unreasonably withheld. In the event a person holding a direct or indirect interest dies, that person's legal representative must, within nine (9) months of the event, apply in writing to transfer that interest with notice to all other persons having a direct or indirect interest in this Agreement.

C. Transfer Fee: At the time of transfer, you must execute a general release of us in our standard form, and pay us a Transfer Fee of \$10,000. In lieu of the Transfer Fee, we will only charge our then-current Fixed Documentation Fee if the original signatories to this Agreement retain more than fifty percent (50%) of the interest in this Agreement after the transfer, or if any of the interests transfer to the spouse(s) or children of the original signatories, or if all of the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated.

D. Right of First Refusal: We have a right of first refusal for any proposed transfer. You must provide us with a copy of any agreement (and any amendment to the agreement) for the transfer, and we will have sixty (60) days after receipt to notify you that we are exercising our option to purchase the interest under the same terms and conditions. If we do so, you still are obligated to pay a Transfer Fee.

10. Dispute Resolution

A. Waiver of Rights: The parties waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits; or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by you can be consolidated with the claims of any other holders of development rights. If such claims and demands cannot be waived by law, then the parties agree that any recovery shall not exceed two (2) times actual damages. Your actual damages are limited to your out-of-pocket expenses only and do not include any other form(s) of damages.

B. Arbitration: Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules (or another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff's election to arbitrate or to submit the dispute to the court system is binding on the parties, except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA's Commercial Arbitration Rules. The place of arbitration shall be in the state the majority of the Store Development Area is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts's law shall govern all other issues. Any arbitration or court action must be commenced within two (2) years after discovery of facts giving rise to the claim.

C. Scope of Arbitration: Disputes concerning the validity or scope of this Section 10, including whether a dispute is subject to arbitration, is beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time. The provisions of this Section 10 shall continue in full force and effect subsequent to any expiration or termination of this Agreement.

D. Appeals: Either party may appeal the final award of the arbitrator(s) to the U.S. District Court in which the arbitration was held. The Court's review of the arbitrator's findings of fact shall be under the clearly erroneous standard, and the Court's review of all legal rulings shall be *de novo*. If it is determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator's final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.

E. Attorneys' Fees: If either party hereto brings or commences legal proceedings to enforce any of the terms of this Agreement or to assert any rights hereunder, the successful party in such action shall be entitled to receive and shall receive from the other party hereto, a reasonable sum as attorney's fees and costs, such sum to be fixed by the court or arbitrator(s) in such action, as applicable.

11. **Miscellaneous.**

OPTION TO ASSUME LEASE

Option to Assume Lease (PC # _____)

1. If _____ ("Tenant") defaults under the Lease dated _____ ("Lease") by and between _____ ("Landlord") and Tenant for the premises located at _____

_____ ("Premises"), or if Dunkin' Donuts Franchising LLC or Baskin-Robbins Franchising LLC ("Franchisor") terminates Tenant's franchise agreement covering the Premises, Landlord and Tenant acknowledge and agree that Franchisor will have the option to assume the Lease pursuant to the terms of this Option which supplements and forms a part of the Lease.

2. Landlord agrees to give Franchisor written notice specifying all default(s) of Tenant under the Lease. Franchisor agrees to give written notice to Landlord if Franchisor terminates Tenant's franchise agreement and, in such notice, will request that Landlord provide Franchisor with a copy of the Lease and specify any of Tenant's defaults thereunder. All notices will be by nationally recognized overnight courier (with tracking capability).

3. Franchisor may, within 30 days from receipt of notice from Landlord that Tenant has defaulted under the Lease and failed to cure such default(s) as required or permitted by the terms of the Lease, or sending of notice to Landlord that Franchisor has terminated Tenant's franchise agreement covering the Premises, notify Landlord of Franchisor's decision to assume the Lease. If Franchisor exercises its right to assume the Lease by sending Landlord the required notice, immediately upon Franchisor's receipt of possession of the Premises, Franchisor will cure all of Tenant's monetary defaults under the Lease, begin curing all of Tenant's non-monetary defaults under the Lease, and execute an agreement pursuant to which Franchisor agrees to assume all of Tenant's rights and obligations under the Lease, subject to (i) Franchisor's right, without the need to obtain Landlord's consent, to sublet the Premises or assign the Lease to an approved franchisee of Franchisor provided Franchisor remains liable for the payment of rent and the performance of Tenant's duties under the Lease (ii) Franchisor not being subject to any provision of the Lease that requires Tenant to continuously operate a business in the Premises during any period that the Premises is closed for remodeling or while Franchisor is seeking to obtain and train a new franchisee, provided however, that such period of closure will not exceed 90 days in each instance and provided further that Franchisor continues to pay rent during such period of closure pursuant to the terms of the Lease; and (iii) Franchisor's right, if it subleases the Premises to a franchisee as provided above, to retain all consideration payable under such sublease.

4. If Franchisor exercises its right to assume the Lease, Tenant agrees to assign all of its right, title and interest in the Lease to Franchisor and, if Tenant does not do so within ten (10) days of Franchisor's written notice, Tenant appoints Franchisor as its agent to execute all documents that may be necessary for Franchisor to take assignment of the Lease. Notwithstanding anything to the contrary contained herein, Tenant shall remain liable to Landlord for all of its obligations under the Lease and to Franchisor for all amounts that Franchisor pays to Landlord to cure Tenant's defaults under the Lease, including interest, reasonable collection costs and de-identification costs (the parties acknowledging that Franchisor may enter the Premises without being guilty of trespass or tort to de-identify the Premises). Franchisor may assign this Option and its rights hereunder to any affiliate, subsidiary or parent of Franchisor. This Option may be signed in any number of counterparts by facsimile or otherwise, each of which shall be deemed an original, but all of which

shall constitute one and the same instrument. A facsimile signature may be used for any purpose in lieu of an original signature.

This Option is dated _____, 20____.

ELECTRONIC PAYMENT PARTICIPATION AGREEMENT

ELECTRONIC PAYMENT PROGRAM PARTICIPATION AGREEMENT

Introduction

Dunkin’ Brands, Inc., Dunkin’ Donuts Franchising LLC, and Baskin-Robbins Franchising LLC (collectively “Dunkin’ Brands”) have formulated marketing/payment programs for facilitating mobile and online payments by customers at or from restaurants approved to participate in such programs and a marketing program for the use by consumers of so-called pre-paid or stored value cards (“Stored Value Cards”) for purchases at or from restaurants approved to participate in that program (these are collectively referred to as the “Program”). The Program as currently constituted reflects, among other things, currently available technology and methods of operation developed at Dunkin’ Brands restaurants involved in the Program. The Program is anticipated to change over time and participating Dunkin’ Brands restaurants are expected to adhere to the changes to the Program as Dunkin’ Brands may from time to time require. The mobile and online payments aspects of the Program unrelated to pre-paid/stored value cards will be administered by Dunkin’ Brands, Inc. and with respect to those aspects of the Program this agreement is between you and Dunkin’ Brands, Inc. The pre-paid/stored value card aspects of the Program will be administered by SVC Service II Inc., a Dunkin’ Brands affiliate, and with respect to those aspects of the Program this agreement is between you and SVC Service II Inc. Dunkin’ Brands, Inc. has contracted with First Data Services, LLC to provide mobile and online payment processing and support services under the Program. SVC Service II Inc. has contracted with First Data Services, LLC to provide processing and support services under the Program with respect to the pre-paid/stored value card aspects of the Program. Dunkin’ Brands, Inc. and SVC Service II Inc. may from time to time contract with others in furtherance of the Program or to replace any or all of the services provided by First Data Services, LLC in connection with the Program. The words “we”, “us” and “our” mean Dunkin’ Brands, Inc. and SVC Service II Inc. individually and collectively. By way of example and not by limitation, you are responsible for maintaining and ensuring the technical and physical security of the Program Infrastructure that you provide or maintain, or which is within your care, custody or control. Notwithstanding the

foregoing, you agree that, in the event that we specify certain requirements or standards relating to the Program Infrastructure, you shall at all times comply with all such requirements and standards.

You are responsible for administering user names and passwords and implementing user name, password and technical and physical security procedures to ensure that only permitted users are allowed to access or use the Program websites or other Program Infrastructure in the course of performing their duties as your employees. You are responsible for establishing levels of physical and technical security or access rights based on each of your employees' job responsibilities or position. You are responsible for adopting and implementing procedures to change user names, passwords or user codes when your employee's employment is terminated. You are responsible for educating your workforce about the appropriate uses of the Internet and the Program websites and other Program Infrastructure, including, but not limited to, your employees' "surfing" inappropriate websites and the necessity of maintaining technical and physical security of their user name and passwords. c) You agree not to reproduce, sell, or distribute all or any portion of the information provided or made available to you through the Program.

5) System Support

You are responsible for comparing the daily terminal reports made available under the Program to each of your location's own records, including your bank statements.

7) Transaction Authorizations

Pursuant to the Program agreements with First Data Services, LLC (or its successor), you are solely responsible for obtaining authorization in advance of each transaction. You assume all risk of erroneous or fraudulently obtained authorizations, unless such erroneous or fraudulently obtained authorization is the result of an error caused by First Data Services, LLC or its successor, the third party processors of credit card, debit card and stored value card transactions and data for the Program. You agree that we have the right to utilize, at our sole discretion, or require you to utilize one or more fraud detection or mitigation tools during or in relation to processing of transactions, authorizations, activations, reloads and registrations. You agree that you shall accept and not contest the approval or declination of any such transaction or event, as may be determined by such fraud detection or mitigation tools and will be responsible for any chargebacks or other fees that result from any such transaction or event.

8) Payment Transaction Data

To enhance our ability to understand the make-up of the payment transaction types and other payment related issues (e.g., fraud and chargeback data) in the Dunkin' and Baskin-Robbins systems (collectively, the "System"), you hereby authorize First Data Services LLC, Bank of America N.A. and any other applicable payment processing entities which may be approved by us to provide services to you to give us access to information regarding your Restaurant's payment transactions, including all transaction level information and your merchant account (collectively, "Merchant Account Information"). We will keep all such Merchant Account Information confidential, but we may release information in connection with anonymous general information disseminated to our franchisees and prospective franchisees, in the formulation of plans and policies in the interest of the System, and if required by law or any legal proceeding.

You shall promptly pay in the manner we from time to time specify all your Program fees and costs as the same may exist from time to time.

10) Exclusivity

During the term of this Agreement, other than your participation in the Program, you will not, either internally or through a third party, offer or participate in any other mobile or online ordering, purchasing or payment program or any other proprietary, closed network, online stored value card program at or through any Dunkin' or Baskin-Robbins restaurant. You may participate in "Hospitality Programs." Hospitality Programs are card programs that: (i) your restaurant is required to participate in by the host of such location (where the host is an entity within whose broader rules of operation the restaurant must operate, such as but not limited to, a school, university, hospital, or military PX); and (ii) do not involve the use of Dunkin' Brands, Inc.'s brands on the cards.

11) Limits on Our Responsibility

13) Entire Agreement

This Agreement (and such Authorization Agreement(s) that you and your designee sign) contains the entire understanding of the parties and supersedes any and all prior agreements, arrangements and understandings relating to the subject matter hereof. No representation or inducement has been made by

any party that is not embodied in this Agreement. Neither party is relying on anything other than the Terms and Conditions of this Agreement in deciding to enter into this Agreement. This Agreement cannot be amended except by written agreement signed by the party to be charged.

14) No Waiver

Any failure by us to exercise any power reserved to us hereunder, or to insist upon strict compliance by you with any term, covenant or condition in this Agreement, and any waiver by us of any breach of a term, covenant or condition shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition in this Agreement. Subsequent acceptance by us of the payments due to us hereunder, in whole or in part, shall not be deemed to be a waiver by us of any preceding breach by you of any term, covenant or condition of this Agreement. We may, in our sole discretion, waive or modify any obligation of other Program participants and no such waiver or modification shall obligate us to grant you a similar waiver or modification. Our acceptance of payments due under this Agreement from any other person or entity shall be deemed to be acceptance from such person or entity as your agent and not as recognition of such person or entity as your assignee or successor.

LOYALTY PROGRAM PARTICIPATION AGREEMENT

FORM OF LOYALTY PROGRAM PARTICIPATION AGREEMENT

Introduction

Dunkin' Brands, Inc., DBLF LLC, Dunkin' Donuts Franchising LLC and Baskin-Robbins Franchising LLC (collectively "Dunkin' Brands") have developed a consumer loyalty program where members earn points for purchases and can redeem points for rewards at Dunkin' restaurants. As part of the program, franchisees shall pay a portion of Loyalty Program Sales into a fund administered by Dunkin' Brands (the "Loyalty Fund") and shall receive reimbursement for redeemed rewards (the "Loyalty Program") from the Loyalty Fund. All Dunkin' Restaurants in the United States are required to participate in the Loyalty Program, except for locations that do not have compatible technology (as defined by Dunkin' Brands). The Loyalty Program is anticipated to change over time and participating Dunkin' restaurants are required to adhere to the changes to the Loyalty Program. Material changes to the Loyalty Program shall be reviewed (and/or approved, as applicable) in advance by the Brand Advisory Council.

The words "we", "us" and "our" mean Dunkin' Brands, Inc., Dunkin' Donuts Franchising LLC, Baskin-Robbins Franchising LLC and DBLF LLC, individually and collectively. In this Agreement, the words "you" and "your" mean the franchisee (and, where the context relates to the use of Loyalty Program services and Loyalty Program obligations, others the franchisee selects to use the Loyalty Program services, such as the franchisee's employees, accountant, financial advisor, or any other person or agent logging on for the franchisee).

Web Enroll System: With the use of a password and a user-id, our Web Enroll System ("Web Enroll") allows you to enroll in the Loyalty Program electronically. To enroll in the Loyalty Program, you must accept the Terms and Conditions set out below. This Loyalty Program Participation Agreement (the "Agreement") establishes the Terms and Conditions of your participation in the Loyalty Program. If you do not agree with the Terms and Conditions, do not log-on to Web Enroll. By clicking "I Accept" at the bottom of this Agreement, you accept and agree to be bound by all the Terms and Conditions of this Agreement.

The Terms and Conditions set forth in this Agreement are intended to be in alignment with the Memorandum of Understanding entered into on March 31, 2022 with respect to the Loyalty Program, between Dunkin' Brands and the Brand Advisory Council (the "MOU").

TERMS AND CONDITIONS

1) Adherence to the Loyalty Program and Payment Terms

You agree to comply with all the requirements of the Loyalty Program as the same may exist from time to time. These requirements include your obligation to support and participate in the Loyalty Program, and to maintain sufficient funds in your account to enable the successful transfer of funds on a weekly basis, follow required procedures for settlement of funds, and such other matters as are set forth below and as we may from time to time determine.

2) Loyalty Program Contribution and Redemption Reimbursement

Loyalty Program Contribution Payment (“LCP”). You agree to pay the LCP into the Loyalty Fund. The LCP from relaunch of the Loyalty Program (or such date that the Franchisee opens the Restaurant to the general public or assumes operations through a transfer) through the end of the first full fiscal year, shall be equal to 1.6% of Loyalty Program Sales (“LCP Rate”). The LCP shall be deducted via ACH transfer on a weekly basis for the prior calendar week’s transactions (inclusive of offline sales adjustments). Loyalty Program Sales are defined as Gross Sales (as defined in your Franchise Agreement) to Loyalty Program members for in-store sales of eligible products at your Restaurant, with product eligibility being determined from time to time pursuant to the MOU by Dunkin’ Brands and, if and as applicable, the Brand Advisory Council. After the first fiscal year of the program, the LCP Rate will be the following:

From National Program relaunch through end of first full Fiscal Year thereafter:	1.6 percent
Second Fiscal Year:	1.6 percent
Third Fiscal Year:	1.4 percent
Fourth Fiscal Year:	1.4 percent
Fifth Fiscal Year and thereafter:	1.2 percent

The Loyalty Fund will be administered by Dunkin’ Brands. The funds deposited into the Loyalty Fund shall only be used in furtherance of the Loyalty Program and shall not be used for general or administrative expenses, including but not limited to Dunkin’ Brands headcount, for advertising or marketing expenses, or for loans or other payments to Dunkin’ Brands. Notwithstanding, the Loyalty Funds may be used to repay the initial funding made by Dunkin’ Brands to the Loyalty Fund to take into account the conversion and transition of current rewards program points into the new Loyalty Program.

Redemption Reimbursement. When a member redeems rewards at your restaurant, you will receive a reimbursement from the Loyalty Fund equal to the National Average Product Cost (including packaging and paper) (the “NAPC”) for the redeemed item. The NAPC for each product shall be agreed to bi-annually by the Brand Advisory Council and Dunkin’ Brands at the sub-category level. You will be reimbursed by ACH transfer on a weekly basis for reward redemptions at the Restaurant based on the NAPC for each item. You will not be reimbursed for product promotions or other offers that are not tied to reward redemptions. Each franchisee will be responsible for paying any taxes due on the reimbursements made to them under the Loyalty Program and a 1099 will be issued each calendar year. You should consult with your own advisors to determine whether any taxes may be due on such reimbursements.

3) Settlement of Funds/ ACH Authorization

a) You agree to follow all procedures we specify to facilitate the settlement of your LCP and the reimbursements described above through an automated clearing house transaction via a Designated Account provided through Web Enroll. You agree to maintain sufficient funds in the Designated Account to cover your LCP obligations. You represent that you have authority to agree to such transactions and that the Designated Account is a valid and legitimate account for the handling of these transactions. The ACH debits can be combined with other amounts

deducted from the Designated Account by Dunkin' Brands under other agreements allowing for such deductions between Dunkin' Brands and you. All changes to the identification of the Designated Account under this authorization must be made either in writing in accordance with the Agreement, or by such other method as specified by Dunkin' Brands at such time. You acknowledge that the origination of ACH transactions to the Designated Account must comply with provisions of U.S. law. You agree to provide Dunkin' Brands with at least 15 days' advance written notice of a change to the Designated Account.

b) You authorize and agree that we may initiate debit entries, credit entries and other adjustments to a bank account designated by you to facilitate the settlement of Loyalty Program funds and you further agree that should any automated clearing house request or other request to transfer funds from any of your accounts be rejected, we may effect such transfer by electronic funds transfer or such other means as we may determine without the need of further consent from you.

4) Loyalty Program Defaults

A failure to enroll in the Loyalty Program via Web Enroll or to pay any amount due under this Agreement shall be deemed a default under your Franchise Agreement. In addition to the remedies stated in these Terms and Conditions, we shall have all rights and remedies afforded to us under the Franchise Agreement up to, and including, termination of the Franchise Agreement. Failure to pay the LCP when due may result in a suspension of Redemption Reimbursement after notice to Franchisee.

5) Exclusivity

During the term of this Agreement, other than your participation in the Program, you will not, either internally or through a third party, offer or participate in any other mobile or online ordering, purchasing or payment program or any other proprietary, closed network, online stored value card program at or through any Dunkin' or Baskin-Robbins restaurant. You may participate in "Hospitality Programs." Hospitality Programs are card programs that: (i) your restaurant is required to participate in by the host of such location (where the host is an entity within whose broader rules of operation the restaurant must operate, such as but not limited to, a school, university, hospital, or military PX); and (ii) do not involve the use of Dunkin' Brands, Inc.'s brands on the cards.

6) Transfer of Restaurant; Termination

a) Termination. Participation in the Loyalty Program and this Agreement shall terminate automatically with respect to the applicable Restaurant on the termination or expiration of your Franchise Agreement; provided, however that if the Franchise Agreement is terminated for convenience in connection with a renewal of term and the simultaneous entry by the Franchisee into a new Franchise Agreement for the same Restaurant, this Agreement and your participation in the Loyalty Program shall continue.

b) Transfer. Effective as of the transfer of the Restaurant, this Agreement is terminated and you will not be eligible to receive reimbursements for any redemptions claimed after the date of transfer or refunds of any LCP paid prior to the date of transfer, or any other rights under this

Agreement; provided, however, that you will remain liable for any required payments due and other obligations pursuant to this Agreement arising through the date of transfer.

c) Effect of Termination. Upon termination of the Franchise Agreement and this Agreement, unpaid LCP for Loyalty Sales made prior to such termination shall become immediately due and payable. You will not be eligible to receive reimbursements for any redemptions made after the date of termination; provided, however, that you will remain liable for any required payments due and other obligations pursuant to this Agreement arising through the date of transfer/termination.

7) Limits on Our Responsibility

a) WE ARE NOT RESPONSIBLE FOR ANY LOSSES OF ANY KIND, DELAYS IN TRANSMISSION, OR CORRUPTION OR MISAPPROPRIATION OF DATA, WHETHER ARISING OUT OF THE USE OF ANY INTERNET SERVICE PROVIDER PROVIDING CONNECTION TO THE INTERNET, CAUSED BY ANY BROWSER SOFTWARE OR ANY OTHER TELECOMMUNICATIONS PROVIDER, CAUSED BY ANY PAYMENT PLAN INFRASTRUCTURE PROVIDED, MAINTAINED OR WITHIN THE CARE, CUSTODY OR CONTROL OF YOU CAUSED BY ANY FRAUD DETECTION OR MITIGATION TOOL, OR ANY OTHER CAUSE. NOR ARE WE RESPONSIBLE FOR ANY RISK RELATED TO THE LOSS OR THEFT OF, ALTERATION OR DAMAGE TO, OR FRAUDULENT, IMPROPER OR UNAUTHORIZED USE OF YOUR DATA, PASSWORD OR USER ID. b) IN NO EVENT SHALL WE OR OUR AFFILIATES BE LIABLE HEREUNDER TO YOU OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, PUNITIVE OR SPECIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF WE HAVE BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. c) THIS WEB ENROLL IS PROVIDED “AS IS”.

 - a. Only process such personal information for the purpose for which it was collected or for providing the respective Services;

- b. Not retain, use, or disclose such personal information: (i) for any purpose other than to perform the Services or for the purpose for which it was collected or (ii) outside of the direct business relationship between the parties;

 - d. Certify that the party understands the restrictions on such personal information processing and will comply with them.
- c) Subject to compliance with applicable laws, you shall destroy any personal information that you receive in connection with the Loyalty Program within thirty (30) days after termination of the franchise agreement.

9) Legal Responsibility for Program Compliance. Under Section 8 of the MOU, Dunkin' Brands has agreed to be responsible for defending you and certain of your related parties against liability or legal responsibility to the extent arising from or with respect to the Loyalty Program or your actions in compliance with your obligations under the Loyalty Program, subject to certain exclusions and to the other terms and conditions set forth therein.
