

FRANCHISE DISCLOSURE DOCUMENT

Penn Station, Inc.
An Ohio Corporation
1226 US Highway 50
Milford, Ohio 45150
(513) 474-5957
www.penn-station.com

The franchisee will own and operate an upscale, prepared-to-order “East Coast” style cheesesteak and submarine sandwich restaurant business.

The total investment necessary to begin operation of a single Penn Station franchise (excluding the amount of any additional territory fee for a multi-unit franchise) ranges from \$507,500 to \$858,750. This includes the \$25,000 initial franchise fee and the \$3,500 site development fee that must be paid to Penn Station, Inc.

For an additional territory fee, we may elect to offer to you the right to open multiple Penn Station franchises in a specified territory under a mutually agreeable development schedule. The territory fee is applicable only if you and we agree to enter into a multi-unit development agreement. The territory fee is equal to \$3,500 multiplied by the total number of Penn Station franchises we may agree on with you to be opened and is in addition to the total investment range described above for one franchise. If we and you agree that you will open two Penn Station franchises, your total investment for the right to open the second franchise and to begin operation of the first Penn Station franchise would range from \$511,000 to \$862,250. This includes the \$25,000 initial franchise fee for the first franchise and the \$7,000 territory fee that must be paid to Penn Station, Inc. under this example.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Ohio. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Ohio than in your own state.
2. **Personal Guarantee.** EACH OWNER OF A PENN STATION FRANCHISE, INCLUDING SPOUSES WHO ARE OWNERS, MUST PERSONALLY GUARANTEE ALL OBLIGATIONS OF THE FRANCHISE AGREEMENT, THEREBY PLACING PERSONAL ASSETS AT RISK.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURES REQUIRED BY THE STATE OF MICHIGAN

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchisee prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchisee is less than five years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of the franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in a manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

The Michigan Franchise Investment Law also provides:

A franchisor whose most recent financial statements are unaudited and which show a net worth of less than One Hundred Thousand Dollars (\$100,000) shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in the place of escrow.

The escrow agent shall be a financial institution authorized to do business in the State of Michigan. The escrow agent may release to the franchisor that amount of the escrowed funds applicable to a specific franchisee upon presentation of an affidavit executed by the franchisee and an affidavit executed by the franchisor stating that the franchisor has fulfilled its obligation to provide real estate, improvements, equipment, inventory, training or other items. This sub-section does not prohibit a partial release of escrowed funds upon receipt of affidavits of partial fulfillment of the franchisor's obligation.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The name of the franchisor is Penn Station, Inc. “Penn Station” or “we,” “our,” or “us” means Penn Station, Inc., the franchisor; however, when we use “we,” “our,” and “us” in this disclosure document, it does not include Penn Station’s officers, directors (or managers), or shareholders. Penn Station is an Ohio corporation. We do business under the name “Penn Station East Coast Subs” when we own and operate company-owned Penn Station Restaurants (as described below). Our principal business address is: 1226 US Highway 50, Milford, Ohio 45150. Our agents for service of process are listed on Exhibit F.

Our affiliate, Penn Station Realty Ltd., has leased, and is currently leasing, freestanding Penn Station Restaurants to certain existing franchisees, but it is not leasing new sites to new franchisees. Penn Station Realty Ltd. (referred to in this disclosure document as “PS Realty”) is an Ohio limited liability company. PS Realty’s principal business address is 1226 US Highway 50, Milford, Ohio 45150. PS Realty’s agent for service of process is Jeffrey J. Osterfeld, 1226 US Highway 50, Milford, Ohio 45150. PS Realty is the only affiliate that is required to be disclosed in this disclosure document.

When we use the word “you” in this disclosure document, we are referring to you as a prospective Penn Station franchisee. If you purchase a Penn Station franchise through a corporation or a limited liability company, the word “you” does not include the shareholders or, as applicable, members of that entity unless we have expressly said otherwise in the applicable sentence, paragraph, or section of this disclosure document. We grant franchise and license rights only to the entity that is the “Franchisee” under our Franchise Agreement.

Description of Penn Station’s Business

We are in the business of granting franchises for the operation of Penn Station Restaurants. We offer franchises under the name Penn Station East Coast Subs. We have operated a company-owned unit in the Greater Cincinnati, Ohio area since March 1996. We use our company-owned Restaurant, in part, as our training facility. We are not engaged in other business activities.

Description of the Penn Station Franchise

A “Penn Station franchise” is the right to use our system to operate a Penn Station Restaurant under a license of the Penn Station® service mark. A “Penn Station Restaurant¹” is an upscale, fast casual restaurant featuring “East Coast” style cheesesteaks and submarine sandwiches as its main menu items.

If you operate a Penn Station franchise, you must follow our business system when you set up and operate your Penn Station Restaurant (referred to in this disclosure document as the “System” or the “Penn Station System”). You will learn our System through our training and our confidential Operating Manual. We change our System (including our Operating Manual) periodically based on our experiences, our franchisees’ experiences, and our on-going analysis of our goods, services, and competitors. When we make changes to our System, you must timely make the required changes to the operation of your Penn Station Restaurant so that our customers receive the same service and dining experience at each of our franchisees’ Restaurants.

Your Restaurant will serve the general public. Penn Station Restaurants are located at a specific site selected by you and consented to by us. Existing Penn Station Restaurants are located in strip-shopping centers, business districts and on busy streets located in suburban areas.

¹ Any time we refer to a “Restaurant” in this disclosure document, it means a Penn Station Restaurant.

Competition

If you become a Penn Station franchisee, you will compete with a very large number of local and national restaurants and food establishments, particularly restaurants featuring “fast casual” or “fast food” dining, many of whom are already well established, as well as several franchise programs which offer restaurants featuring a menu similar to Penn Station’s. You should consult Internet search engines for “Restaurants” or “Fast Food Dining” to find competitors in the area where you might locate your franchise. If your Restaurant is located in a mall, you will compete with other restaurants in the mall.

The Development Agreements

Your Penn Station franchise is for one Penn Station Restaurant at a specific location. To acquire the right to develop one Restaurant at a specific location, you must enter into a single-unit development agreement (referred to in this disclosure document as the “Single-Unit Development Agreement”). A copy of the Single-Unit Development Agreement is attached as Exhibit I.

If you are interested in purchasing multiple Penn Station franchises, (a) qualified persons may apply to us to purchase multiple Penn Station franchises and (b) we may elect, in our sole judgment, to sell to you, if we determine that you are qualified, rights to open and operate multiple Penn Station franchises pursuant to a multi-unit development agreement (referred to in this disclosure document as the “Multi-Unit Agreement”). A copy of the Multi-Unit Agreement is attached as Exhibit E. The specific number of Penn Station franchises that you can open under the Multi-Unit Agreement, the required schedule to open the Restaurants, and the size of the territory covered by the Multi-Unit Agreement are negotiated by you and us. The territory covered by the Multi-Unit Agreement will be generally based on street boundaries and natural boundaries or a radius around a particular geographic point or points (referred to in this disclosure document as the “Development Territory”). For each Restaurant you open under the Multi-Unit Agreement, you will purchase a separate Penn Station franchise and enter into a separate Unit Franchise Agreement with us (referred to in this disclosure document as the “Franchise Agreement”). A copy of the Franchise Agreement is attached as Exhibit A. You must sign the form of Franchise Agreement that is in effect at the time you open each Restaurant under your Multi-Unit Agreement. The Franchise Agreements you ultimately sign may have different terms and conditions than the copy of the Franchise Agreement attached as Exhibit A because they will be signed at different times under your Multi-Unit Agreement; however, each Franchise Agreement under your Multi-Unit Agreement will contain the same initial franchise fee and continuing monthly royalty fee formula that is in the first Franchise Agreement you sign for the first Restaurant you open in the Development Territory in accordance with the schedule established by your Multi-Unit Agreement. Except for those fees, you must accept the terms of the applicable Franchise Agreement in effect at the time you open each Restaurant. The terms of the most recent version of the Franchise Agreement you sign (whether from opening a new Restaurant or based on the renewal of an existing Penn Station franchise) will govern in the case of any conflict between the terms of any of your older agreements with us and your most recent agreement with us.

Before you sign a Multi-Unit Agreement with us, we will provide you a copy of our then current Multi-Unit Guidelines. Under no circumstances, however, are we obligated to sell an additional Penn Station franchise to any person, including you if you become a franchisee; however, for those qualified persons who have a signed Multi-Unit Agreement with us and if that person meets all of the requirements of the Multi-Unit Agreement to open each Penn Station franchise scheduled under the Multi-Unit Agreement, we will sell each scheduled Penn Station franchise to that person in accordance with their Multi-Unit Agreement.

Applicable Laws

A Penn Station Restaurant is subject to numerous laws and governmental regulations that apply to businesses generally, including health codes, consumer laws, environmental and safety laws, and anti-terrorism laws. Before you purchase a Penn Station franchise, we suggest that you check on the existence of the laws and regulations in your area that may affect your franchised business. It is your responsibility to know and comply with all laws and regulations that will affect your franchise.

Any time we refer to a “Restaurant” in this disclosure document, it means a Penn Station Restaurant

ITEM 5. INITIAL FEES

To purchase a Penn Station franchise, you must pay us an initial franchise fee of \$25,000 prior to the opening of your Restaurant, with certain exceptions noted below.

Certain franchisees will be charged \$12,500 as an initial franchisee fee in cases where either the new Restaurant is located in a Target Growth Area (as defined in Item 6) or the franchisee qualifies for the Multi-Store Incentive Program (as defined below).

As a special new incentive program, franchisees, who sign a Multi-Unit Agreement with us on or after January 1, 2024 and on or before December 31, 2024 to open at least five Restaurants in a 36-month period, will be charged, for each Restaurant opened under that Multi-Unit Agreement, \$12,500 as an initial franchise fee and will receive certain royalty abatements described in Item 6 below (the “Multi-Store Incentive Program”). The first Restaurant must be open and operating (or the subject of a legally binding and valid lease (to which we have consented), with a third-party landlord) by December 31, 2024. The remaining, at least four, Restaurants must be open and operating (or the subject of a legally binding and valid lease (to which we have consented), with a third-party landlord) within 36 months after the effective date of the Multi-Unit Agreement. Each Restaurant must be open and operating within six months after the effective date of a legally binding and valid lease (to which we have consented), with a third-party landlord by the specified date, for the Restaurant premises. To receive the incentives under the Multi-Store Incentive Program, each Restaurant that is the subject of the Multi-Store Incentive Program must satisfy individually all of the specified criteria. We reserve the right to extend, amend or terminate the Multi-Store Incentive Program at any time. The Multi-Store Incentive Program does not apply to any Restaurant that is the subject of a relocation, transfer or remodel. Any Restaurants to be opened in excess of the initial five Restaurants under the Multi-Unit Agreement will be separately negotiated between Penn Station and the applicable franchisee.

Certain franchisees (referred to in this disclosure document as “Full Term Franchisees”) will be charged \$2,500 as an initial franchisee fee in cases where the Franchise Agreement has been in effect for the full term of 20 years (*i.e.*, an initial term of five years and three, five-year renewal terms), and the Full Term Franchisee is purchasing a new Penn Station franchise for the same Restaurant location under a new Franchise Agreement for an additional term of 20 years (*i.e.*, assuming all three of the 5 year renewal terms were made after the initial term of five years).

Each of the initial franchise fees discussed above is non-refundable.

To purchase the multi-unit rights granted under the Multi-Unit Agreement, you must pay to us an initial fee (referred to in this disclosure document as the “Territory Fee”). The Territory Fee is equal to \$3,500 multiplied by the total number of Penn Station franchises we negotiate with you to be opened under your Multi-Unit Agreement for the Development Territory (including your first Restaurant). You will be required to open a minimum of two Restaurants under your Multi-Unit Agreement and your minimum Territory Fee will be \$7,000. You must pay to us the total Territory Fee when you sign the Multi-Unit Agreement. The Territory Fee is non-refundable and is not applied towards any initial franchise fee. The Territory Fee is not applicable unless you sign a Multi-Unit Agreement.

After we qualify you as a franchisee, if you then wish to develop a single Restaurant and to receive site assistance from us to locate your proposed Restaurant, you must enter into a Single-Unit Development Agreement with us. Under the terms of the Single-Unit Development Agreement, you must select a site that is consented to by us and located within the area reserved by the Single-Unit Development Agreement, be open or under construction for that site, and then enter into a Franchise Agreement, all within the deadline established in the Single-Unit Development Agreement. You must pay us a fee of \$3,500 (referred to in this disclosure document

as a “Site Development Fee”) to reserve the area in which you wish to locate your proposed Restaurant. You must pay us the Site Development Fee when you sign the Single-Unit Development Agreement. The Site Development Fee is non-refundable and is not applied towards any initial franchise fee. This Site Development Fee is being charged to persons who are qualified franchisees, who are not parties to a Multi-Unit Agreement, and who expressed an interest in opening one new Restaurant in 2022 and thereafter. *See* Item 11 below for a description of the location selection process.

* All fees and payments are not refundable. Penn Station collects certain fees and payments owing to Penn Station or P.S. National Fund by electronic debit (e.g., automated clearinghouse transactions). See Exhibit J and Section 3.2 of the Franchise Agreement. Franchisees who signed older forms of the Franchise Agreement may pay different fees than noted above in this Item 6.

Note 1: Royalty

“Net sales” includes all revenues and income from your ownership or operation of your Penn Station Restaurant. “Net sales” excludes (a) required sales tax payments and refunds to your customers for purchases made at your Penn Station Restaurant and (b) solely any delivery fee (*e.g.*, exclusive of any commission or other fee) separately charged and collected by a third-party delivery company mandated by us, and actually paid by the franchisee in good faith to that third-party delivery company, for delivery of any food from a Restaurant directly to a customer of a Restaurant. “Net sales” includes compensation you receive for any interruption in the operations of your Penn Station Restaurant (to be based on the gross sales amount used by the insurance company or other responsible party before any reduction for expenses).

Except for franchisees who signed older versions of the Franchise Agreement and as noted below, we uniformly impose the monthly royalty fee and it is payable to us. All Franchise Agreements opened under a Multi-Unit Agreement will contain the same monthly royalty fee formula that is in the first Franchise Agreement you sign for the first Restaurant you open in the Development Territory in accordance with the schedule established by your Multi-Unit Agreement.

The table below describes the variations among our franchisees with respect to the monthly royalty rates charged by us:

<u>Category of Franchisee/Franchise Purchase Circumstances</u>	<u>Change</u>
1. Five Year Potential Abatement Period After Initial Opening:	For the first five years generally after opening (as determined by us), if Net sales are \leq \$30,000, then the monthly royalty rate is 0.0%. After the first five years generally after opening (as determined by us), if Net sales are \leq \$30,000, then the monthly royalty rate is 2%.
2. Penn Station franchisee purchase of an Underperforming Restaurant:	For the first 365 days after opening (determined by us), no monthly royalty fee. This one-year abatement period runs concurrent with the first year of the five-year period above in Number 1 in this table. An “ <u>Underperforming Restaurant</u> ” is a Penn Station Restaurant that is, in Penn Station’s sole judgment, underperforming economically. In connection with certain sales of Underperforming Restaurants, we have waived a certain amount of royalty fees due from the selling franchisee of the Underperforming Restaurant to facilitate the sale of the Underperforming Restaurant to another franchisee.

Category of Franchisee/Franchise Purchase Circumstances	Change
3. New Penn Station franchise purchased in a Target Growth Area:	<p>For the first 180 days after opening (as determined by us), no monthly royalty fee. This six-month abatement period generally runs concurrent with the first six-months of the five-year period above in Number 1 of this table.</p> <p>A “<u>Target Growth Area</u>” is a geographic area that is designated by Penn Station in its sole discretion and which is contained on a list of “Target Growth Areas” maintained at Penn Station’s office. Penn Station may add or subtract any and all geographic areas from the list of Target Growth Areas at any time and for any reason.</p>
4. New Penn Station franchise purchased through the New Store Incentive Program on or before December 31, 2024:	<p>Franchisees, who are in good standing with us, sign a Single-Unit Development Agreement and enter into a lease to open a new Restaurant prior to December 31, 2024, will not be charged a monthly royalty fee for the first 180 days after opening (as determined by us) (the “<u>New Store Incentive Program</u>”). This six-month abatement period generally runs concurrent with the first six-months of the five-year period above in Number 1 of this table. The New Store Incentive Program does not apply to any Restaurant that is the subject of a relocation, transfer or remodel or the Multi-Store Incentive Program. To qualify for the New Store Incentive Program, franchisees must sign a lease for the new Restaurant within nine months of signing the Single-Unit Development Agreement.</p>
5. New Penn Station franchise purchased through the Multi-Store Incentive Program	<p>For the first, second and third Restaurants opened in full compliance with the Multi-Unit Agreement, for the first 180 days after opening (as determined by us) of each of those three Restaurants, no monthly royalty fee.</p> <p>For the fourth and fifth Restaurants opened in full compliance with the Multi-Unit Agreement, for the first 365 days after opening (as determined by us) of each of those two Restaurants, no monthly royalty fee.</p> <p>The abatement periods under the Multi-Store Incentive Program generally run concurrent with the first six-months or year (as applicable) of the five-year period above in Number 1 of this table.</p>

Except as described above, the Current Royalty Rates are uniformly imposed.

Note 2: Advertising

Local Advertising

We expect that you will undertake approved advertising and marketing directed specifically to your Restaurant (referred to in this disclosure document as “Local Advertising”) without prompting from us. We have the right in your Franchise Agreement, however, to require you on 30 days advance notice to begin undertaking Local Advertising. Local Advertising expenditures are paid to third party providers. You will not be required by us to make expenditures for Local Advertising which exceed, in total, during any calendar year more than 2% of your total Net sales from each of your Restaurants. We specify in the Franchise Agreement and may also specify in our Operating Manual certain types of costs that do not count against the 2% amount.

Penn Station Promotional Programs

In addition to Local Advertising for each of your Restaurants discussed above, you must participate, at your expense, in promotional, gift card (or gift certificate) and coupon programs developed by us periodically. *See* Items 8 and 11.

Note 3: Cooperative Advertising

If your Penn Station Restaurant is located within an area in which there is or is formed an advertising cooperative, then you must participate in the advertising cooperative established for that area and pay your required contribution directly to the cooperative. *See* Item 11 below for more details regarding advertising cooperatives. Cooperative advertising contributions that you make in accordance with advertising cooperative rules count toward the 2% Local Advertising obligation referenced above in Note 2.

We will, if we own any company-owned Restaurants in your geographic area, be a member of the cooperative to the same extent as you. As of the date of this disclosure document, all advertising cooperatives operate on the basis of one vote for each Penn Station franchise included within the cooperative. Our Company-owned Restaurants do not have controlling voting power in any advertising cooperative.

Note 4: National Fund

The national fund fees are used for System advertising, marketing, public relations and promotional programs and materials and any other activities (national, regional, and local) which we and P.S. National Fund, our delegate (as described below), believe will enhance the image of the Penn Station System (*See* Section 9.4 of the Franchise Agreement). You must pay to P.S. National Fund the national fund fee on the same date as the monthly royalty payment. *See* Item 11 for more information about P.S. National Fund and the national fund.

The 4% national fund fee under the Franchise Agreement is based on each franchisee’s monthly Net sales from the Penn Station Restaurant franchised under that Franchise Agreement. P.S. National Fund is currently collecting 2% of Net sales as the national fund fee on the date of this disclosure document for all franchisees other than those franchisees operating under older versions of the Franchise Agreement. We reserve the right, however, to give notice to you to begin paying up to the full 4% national fund fee described in this Note 4 if we deem the total funds collected from suppliers and franchisees insufficient to support the national fund being administrated by P.S. National Fund or to support its goals and objectives and you are operating under a Franchise Agreement providing for a 4% national fund fee.

If we are permitted by the terms of a Franchise Agreement to increase the national fund fee, we may, in our discretion from time to time, increase the percentage above 2% (but not in excess of 4%) of each franchisee's monthly Net sales from each Restaurant franchised to it. If we begin requiring direct payment from our franchisees of any additional portion of the national fund fee in their Franchise Agreement above the current national fund fee being charged by us, if we are permitted to do so by the terms of the applicable Franchise Agreement, we will give you 30-days advance notice.

In the past, we have waived certain of the national fund fees otherwise payable to P.S. National Fund. We may in the future, in our sole discretion, temporarily suspend, waive, or defer the payment of certain of the national fund fees otherwise payable to P.S. National Fund.

Except for franchisees who signed older versions of the Franchise Agreement, the national fund fees are uniformly imposed.

Note 5: Additional Training Fee

If, after the date of your Franchise Agreement, a new person, with our consent, becomes or replaces (i) your Managing Owner or (ii) your Designated Owner, then you must pay directly to us our training fee in effect at the time of the training, which fee is uniformly imposed by us. The fee is \$300 per day as of the date of this disclosure document; however, we may charge a lower training fee if we believe that the training needed under the circumstances is less than normally required because of previous experience in another Penn Station Restaurant. In addition, if, after the date of your Franchise Agreement, a new entity becomes, with our consent, the new "franchisee" based on a transfer of your Penn Station franchise, then the new franchisee must pay our training fee for any required training of the Managing Owner and the Designated Owner of that new franchisee.

If you own multiple Restaurants (*i.e.*, regardless of whether pursuant to a Multi-Unit Agreement, Area Development Agreement, or an accumulation of single units over time), then your Managing Owner (or with our permission the Operations Director) must train any General Manager unless we direct you otherwise. We will test the adequacy of your in-store Restaurant training of each General Manager. We do not charge to test the training you provide to the General Manager of each new Restaurant you open of which the General Manager will be the on-site operator. In the situation involving a replacement General Manager, you will pay a fee to us equal to the per day training fee rate in effect at the time of the General Manager's training for us to test the adequacy of your training of the replacement General Manager, which fee is uniformly imposed by us. The per day rate is \$300 as of the date of this disclosure document. The total fee will be based on the number of days we spend testing the General Manager's training. If we determine, as part of our testing process, that the General Manager you trained needs additional training, we may require you, at your cost, to send the General Manager to a Restaurant selected by us for additional training. You must pay to us our per diem fee for each day that the General Manager receives that additional training. If you do not complete your required training of a General Manager within 30 days after hiring the General Manager, we reserve the right to train the General Manager and charge you the then-current training fee for that training.

In addition, if, after the date of your Franchise Agreement, a new person, with our consent, becomes or replaces your Operations Director (unless the applicable Operations Director has previously completed training as a General Manager), then you must pay a fee to us equal to the per day training fee rate in effect at the time of the Operations Director's training for us to test the adequacy of your training of the replacement Operations Director, which fee is uniformly imposed by us. The per day rate is \$300 as of the date of this disclosure document. The total fee will be based on the number of days we spend testing the Operations Director's training. If we determine, as part of our testing process, that the Operations Director you trained needs additional training, we may require you, at your cost, to send the Operations Director to a Restaurant selected by us for additional training. You must pay to us our per diem fee for each day that the Operations Director receives that additional

training. If you do not complete your required training of an Operations Director within 30 days after hiring the Operations Director, we reserve the right to train the Operations Director and charge you the then-current training fee for that training.

In addition, we charge a per diem training fee (currently \$300) in special circumstances in which we are not required to provide training but do so because the franchisee has requested it, and we consider the training necessary under the circumstances. We provide that training on an *ad hoc* basis, and it is subject to availability.

Note 6: Transfer Fee; Relocation Fee

Transfer Fee:

(i) The transfer fee will depend on the number of Restaurants transferred to each buyer involving the sale of one or more Restaurants. If, however, the transfer involves multiple buyers with common ownership, as determined by us, those buyers will be considered the same, single buyer for purposes of the table below:

<u>Number of Restaurants Transferred to Each Buyer</u>	<u>Transfer Fee</u>
1	\$2,500
2-5	\$5,000
6-9	\$7,500
10 or more	\$10,000

(ii) You must pay to us a \$2,500 transfer fee to cover, in part, our cost (including legal expenses) associated with a transfer if we consent to the following transfer: if, after the date of your Franchise Agreement, someone becomes one of your owners. (Franchise Agreement, Section 12.5). For purposes of this disclosure document, the term “owner” means a shareholder or other ownership interest holder if your business entity is a corporation and a member or other ownership interest holder if your business is a limited liability company, and “ownership interest” means a stock or other ownership right or interest if your business entity is a corporation or membership interests or other ownership rights or interests if your business entity is a limited liability company.

(iii) You must pay to us a transfer fee of \$1,000 if we consent to the following transfer: one of your existing owners transfers any of his ownership interests to another of your existing owners or you sell or issue additional ownership interests to one of your existing owners (Franchise Agreement, Section 12.6).

Except for franchisees who signed older versions of the Franchise Agreement, we uniformly impose the above transfer fees upon franchisees who operate a Penn Station Restaurant pursuant to a single unit franchise agreement, and they are payable to us.

Relocation:

If we consent to the relocation of your Restaurant pursuant to the terms and conditions of your Franchise Agreement, you must pay to us a relocation fee equal to \$2,500, which fee is uniformly imposed by us. The relocation of your Restaurant involves much of the same assistance required of us to open a new Restaurant. Accordingly, the fee covers, in part, our cost (including legal expenses) to provide site selection, leasing and construction related assistance, general assistance in the re-opening of your Restaurant, and on-site assistance for a period of approximately two to four days before the opening of, and during a portion of the first week of operations of, your Restaurant at the relocation site. See Item 12 of this disclosure document.

Note 7: Late Fee

The “prime rate” that we use to determine interest you would owe on any late payment is the prime rate of Fifth Third Bank, National Association, Cincinnati, Ohio (or any successor bank). Fifth Third’s prime rate changes periodically so that the amount of interest that accrues on the late payment will change depending on Fifth Third’s prime rate on any given day. The amount of interest charged will not exceed the maximum amount allowed under state law. In addition to any late fee and interest, you must pay to us any expenses we incur to collect the late payment from you. The late payment fee of \$75 and any interest is paid to us and is uniformly imposed by us unless we elect to waive it under circumstances we find acceptable. We also charge a late fee if you do not deliver to us the required sales data that is to accompany the applicable payment or deliver to us the operating income statement by the date required in the Franchise Agreement.

Note 8: Indemnification

You have to reimburse us if we are sued or claims are brought by or against us because of something you did or omitted to do.

Note 9: Costs and Attorneys’ Fees

You have to pay these sums to us if you breach any of your agreements with us, which sums are uniformly imposed by us.

Note 10: Audit Fee

In your Franchise Agreement, we reserve the right to audit your books, records, and tax returns. The audit is at our expense; however, if you have understated your Net sales by more than 2% for any periods covered by the audit, you must immediately reimburse us (in addition to all of our other rights and remedies) for all of the costs we incur to perform the audit plus the overdue payment and late charges, which sums are uniformly imposed by us.

Note 11: Absence Fee

We have required annual meetings that the Managing Owner must attend. If any of those meetings is missed (or any portion of any meeting is missed), then you must pay a fee up to \$2,500 for each meeting (or portion of a meeting) that is missed unless you have requested, and we have granted, permission to miss the applicable meeting (or portion of a meeting). We will give you at least 30 days advance notice of an annual meeting date or dates. We uniformly impose this fee but reserve the right to apply it differently depending on the circumstances, and it is payable to us.

Note 12: Architectural Fee

If you use an architect, other than an architect designated by us as a pre-authorized architect, we reserve the right to require you to have your architectural plans reviewed by one of our designated, pre-authorized architects. This fee, although uniformly imposed by us, is paid by you to our designated, pre-authorized architect for that review process. This fee will vary depending on what level of service one of our pre-authorized architects must provide to complete the review process and the production of acceptable plans.

TOTAL FOR MULTI-UNIT RESTAURANTS (Notes 10 and 11)	\$511,000 to \$862,250 for the first Restaurant to be opened under a Multi-Unit Agreement. Does not include lease expenses (see Note 2). See Note 13 below and Item 5 above regarding the terms of the Territory Fee.			

Notes:

* The amounts for the Estimated Initial Investment is per Restaurant you open. These sums are based on amounts reported to us during 2023. Except as noted below, these payments are non-refundable.

(1) See Item 5 above for a discussion of the conditions when the initial franchise fee may be partly refundable and for those circumstances under which a lower initial franchise fee is charged.

(2) You must lease a site for each of your Penn Station Restaurants. Typical locations for a Penn Station Restaurant are in strip-shopping centers, business districts, college campuses, busy suburban streets and comparable commercial areas accessible to the public. The typical store should have at least 1,350 square feet,

preferably 20' wide although we may consider smaller spaces depending on the circumstances. We do not anticipate consenting to a store having square footage greater than 1,600 absent special circumstances. We estimate that starting rent (except for regional shopping malls, where rent varies widely and is generally substantially higher) will be between \$20 and \$45 (gross) per square foot of space annually depending on factors such as market conditions, available space, and the location of the premises. Based on leases entered into in 2023, we believe a realistic rental goal would be between \$22 and \$45 (gross) per square foot. Depending on the landlord's policies and practices, you may have to pay rent on the basis of a percentage of your gross sales plus a base rent. In addition, security deposits are typically required and are usually equal to 1 or 2 months of rent. You may also be responsible under the lease for real estate taxes, maintenance and repair expenses, utilities, construction "back charges," common area charges, common advertising charges, insurance coverages (including insurance for business interruption of the operation of your Penn Station Restaurant to cover rent payments) and other charges. Rent payments usually begin on the first day of the month of operation. All these policies and requirements will vary depending on the individual landlord. *See* Item 19 below for more information regarding rent costs.

(3) Store Construction includes plumbing, electrical, hood and HVAC systems, cabinets, interior walls, counter tops, decor, floor and wall coverings, lighting, installation labor, and other interior improvements and decor.

(4) Equipment includes grills, ovens, refrigerators, food storage and preparation equipment (including food preparation tables), fryers, beverage dispensing machines, small wares, signs, food photographs, television, plaques, point-of-sale (referred to in this disclosure documents as "POS") system and other operational equipment and trade fixtures used in your Penn Station Restaurant.

(5) Opening Inventory includes meats, produce, cheeses, drinks, bread, paper products, small wares and implements, beverage containers, miscellaneous supplies, and an initial set of uniforms.

(6) This additional amount estimates initial cash startup expenses and your ordinary recurring cash business expenses per Restaurant opened for a three-month period in addition to the other expense items listed in this Item 7. This additional amount is an approximate sum that is based on (a) information supplied to us from our franchisees who opened Restaurants during calendar years 2021 to 2023 and (b) our business judgment that having at least \$10,000 of additional, contingency capital is prudent when opening a new Restaurant. Of those franchisees who opened new Restaurants during calendar years 2021 to 2023, approximately 13.04% of those franchisees reported to us additional cash requirements above the available cash flow from their operations over that entire three-month period. Of those franchisees, the average additional funds needed during that three-month period were approximately \$13,783. These additional initial cash startup expenses could include, for example, pre-opening payroll costs (except for owners and operators), recruiting fees for employees, advertising, pre-opening utilities, accounting, and ordinary costs of doing business during the three-month period (including royalties paid to us). These additional initial cash startup expenses do not include any compensation, benefits, or distributions to the owners or operators of the Restaurant. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business or if or when the business will break even. Your costs (and therefore your cash reserve requirements) will depend on factors such as: how closely you follow our methods and procedures; the local market for Penn Station Restaurant products, including the location of your Restaurant; the length of time between the date you begin incurring costs (including the hiring of your General Manager and Operations Director, if applicable) and the date you open your Restaurant for business; whether the Managing Owner operates the first Restaurant in lieu of hiring a General Manager; whether you are opening a Restaurant in a market where there were previously no Penn Station Restaurants; and the sales level reached during and after the first three months of operation. *See* Item 19 below. You should prepare a business plan, after consulting with your accountant and other franchisees in similar markets, that considers long-term and short-term cash needs and reserve requirements.

- (7) We require you to spend up to \$10,000 for Grand Opening Advertising. *See* Item 8.
- (8) This amount estimates the interest cost (which may be in the form of fees) on your financing (per Restaurant) before your Penn Station Restaurant opens. This expense was based solely on amounts reported to us by franchisees who opened Restaurants in 2023. This expense will vary greatly depending on the terms you negotiate with your lender, including the interest rate and the date you must start paying interest.
- (9) This amount does not include the cost of any construction-related permits which vary greatly with the building/zoning department of each locality. Construction-related permits are included in the cost of construction.
- (10) The amounts given in this Item 7 reflect our estimate based on information reported to us by our franchisees. The exact cost will depend on a variety of factors that we cannot know in advance, such as the layout, geographical location, and initial condition of the site for your Penn Station Restaurant, whether the Restaurant is free-standing, what amount of the development costs your landlord is willing to assume, local licensing, compliance with building codes and other laws, economic conditions, and technology changes. You should review these figures carefully with a business advisor before making any decision to purchase a Penn Station franchise. For Restaurants opened in 2023, the average amount spent for Store Construction and Equipment was \$548,303 with four Restaurants above the average and five Restaurants below the average. Nine new Restaurants opened in 2023.
- (11) We do not offer direct or indirect financing to franchisees for any items. Our affiliate, PS Realty, has, in the past, acquired and developed, but does not actively acquire and develop, free-standing Restaurants. It leased the land, the building shell, and, in some cases, certain interior improvements to our franchisees. A \$10,000 security deposit is required. *See* Item 10 below.
- (12) Some landlords grant to franchisees an allowance for store construction as an inducement to sign a lease. During 2023, the average allowance of the five franchisees who received allowances was \$54,740 with four out of nine new Restaurants receiving no allowance. We have deducted the average allowance from the store construction cost shown in the table in this Item 7 and in the total cost amount shown above.
- (13) You will only pay a Territory Fee of \$3,500 per Restaurant if you and we sign a Multi-Unit Agreement. The Territory Fee is based on the number of Penn Station franchises to be opened under your Multi-Unit Agreement. The minimum number of Restaurants that you will be required to open under the Multi-Unit Agreement is two (the fee is \$3,500 per Restaurant to be opened under your Multi-Unit Agreement). The estimate above assumes that you will open the minimum number of Restaurants. If you sign a Multi-Unit Agreement, you will not be charged the Site Development Fee described in the table above. *See* Item 5 above for additional information regarding the Territory Fee.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Types of Products and Services Covered:

Restaurant Operational Items:

All food (including beverage, bread and produce) and paper inventories, equipment, furnishings (including furniture), food preparation supplies, janitorial supplies, laundry services, uniforms, credit card processors, delivery services, and on-line ordering services (referred to in this disclosure document as “Restaurant Operational Items”) must meet our standards and specifications. We have these requirements to maintain and enhance the Penn Station Restaurant image, to have a uniform identification of Penn Station Restaurants by the

public, to preserve and enhance the goodwill associated with our Marks (as defined in Item 13), to fulfill our customers' on-going expectations, and to achieve better prices for franchisees. Please see Item 11 regarding your purchase of a POS system, including computer hardware and software, and the System-wide updates to our menu.

Our standards and specifications for Restaurant Operational Items are formulated by considering cost and quality, performance, effectiveness, durability, function, appearance, taste (in the case of food ingredients), size, color, design, material, and other characteristics incident to maintaining our System, the Penn Station image, and consumer expectations. In most cases, we do not maintain written standards or specifications for Restaurant Operational Items, rather, the "standard" or the "specification" becomes the currently approved Restaurant Operational Items. We select specific Restaurant Operational Items based on past experiences, the experience of franchisees, price, the characteristics of the specific Restaurant Operational Items, industry standards and dynamics, and our continuing analysis of our franchisees' Restaurants. Our specifications, and the specific Restaurant Operational Items that we select on the basis of these specifications, are modified periodically as we discover better suited Restaurant Operational Items.

We mandate the use of certain authorized suppliers, including manufacturers, for selected Restaurant Operational Items. For example, all food, produce, bread, paper, and janitorial supplies are purchased from one national food service distributor and all fountain beverages from one national supplier. Although we have a national supplier, the local or regional distributor of that supplier for your area may be the company from whom you will be receiving the applicable goods and services. By aggregating buying power, we are striving to achieve overall price, quality, and service advantages for our franchisees although certain items, isolated by themselves, may be available at lower prices. If we have mandated a particular authorized supplier, you may not use or contract with an alternative supplier for those Restaurant Operational Items. Where we have not mandated a supplier for a particular Restaurant Operational Item, you may seek our consent to use an alternative supplier. We will communicate to you our list of authorized suppliers, including those which are mandated. We will do so through the Penn Station Outernet that is accessible by franchisees. Even if we have not mandated the use of an authorized supplier for a particular Restaurant Operational Item, we nonetheless may have negotiated favorable pricing arrangements with an authorized supplier for the particular Restaurant Operational Item. Accordingly, although you may wish us to consent to an alternative supplier proposed by you, we strongly suggest that you use those authorized suppliers (who are not mandated) with whom we have negotiated favorable pricing arrangements for obvious price reasons. We may elect to establish a Company-operated commissary for certain proprietary food items. If so, we would be a mandated supplier for those food items.

In selecting a particular supplier, we evaluate the supplier's product and product consistency, production and delivery capability to meet supply commitments, integrity of management, financial capability, and pricing. In the case of services, we evaluate the competence, professionalism, pricing, integrity, and response to our franchisees' needs.

Our authorized supplier list, our standards and specifications (to the extent written standards and specifications are separately maintained), and the specified Restaurant Operational Items are listed in the Penn Station Outernet that is accessible by franchisees. Supplier lists and standards and specifications (to the extent written standards and specifications are separately maintained) for Restaurant Operational Items are not available to alternative suppliers that you may propose to use. We may change, effective immediately upon notice to you, the supplier or suppliers who are authorized or mandated by us for a given Restaurant Operational Item.

We authorize suppliers in accordance with our experience, our investigation of industry standards, the experience of our franchisees (including the advice of our Franchisee Advisory Council), and our continuing analysis of our franchisees' Restaurants and our competitors. In establishing standards and specifications for Restaurant Operational Items, selecting the specific Restaurant Operational Items, or selecting or mandating the suppliers, we make no representations or warranties to you, express or implied, about the performance, fitness for

a particular purpose or merchantability of the Restaurant Operational Items, or any representations or warranties about the suppliers.

If you desire to purchase (or any supplier designated by you proposes to sell) (i) any Restaurant Operational Items not previously approved by us or (ii) any approved Restaurant Operational Items from a supplier who has not yet been authorized by us, then you must submit to us the Restaurant Operational Item (if tangible) along with appropriate literature and drawings, if applicable, pertaining to the Restaurant Operational Item and information relative to the proposed supplier for our consent. We do not have a policy regarding how long it will take before you receive notification of our consent or disapproval of your proposal. We do not currently charge a fee for evaluating your proposed supplier. If the particular Restaurant Operational Item is sold by a supplier whom, at the time of your request, we made the use of mandatory, then we will not consider your request. We may require, as a condition of our consent, that our employee or agent be permitted to inspect the supplier's facilities and that samples from the supplier be delivered to us for testing. We reserve the right to reinspect the facilities and products of any alternative supplier that you proposed and we authorized and to revoke our consent if (a) the supplier does not meet any of our standards or specifications or the requirements of our Operating Manual, or (b) we elect to make a different supplier for the particular Restaurant Operational Items mandatory. Within a reasonable time after inspection and testing, we will notify you either orally or in writing whether either or both of the proposed supplier or any proposed alternative Restaurant Operational Items are consented to by us. If any Restaurant Operational Items you submit or a supplier you propose is not authorized, we will inform you of the reasons the Restaurant Operational Item or the supplier does not meet our standards. Our disapproval is final. There are no procedures for resolving a difference of opinion between you and us on these matters, and you will not be permitted to contract with alternative suppliers in those instances.

Penn Station Restaurant Construction:

If we consent to your location for a Restaurant and you have leased the location in accordance with your Franchise Agreement, then you must purchase and construct the required improvements and decor and install the required equipment, furnishings, furniture, and fixtures (referred to in this disclosure document as the "Restaurant Improvements") in accordance with our Construction Guidelines that are in effect when you build your Restaurant. The "Construction Guidelines" means the latest set of architectural drawings and construction documents for a Penn Station Restaurant which we have adopted as prototypical for construction as of the date that you are constructing or remodeling your Restaurant.

After the Franchise Agreement is signed by you and us, we will make available to you the Construction Guidelines and the name of authorized architects. We limit the number of authorized architects to achieve favorable pricing for our franchisees and to increase the efficiency and effectiveness of the plan preparation process. If you seek to use an architect who is not designated by us as pre-authorized, you must pay an additional fee to one of our authorized architects to review any plans prepared by your architect. *See* Item 6 above. We have no obligation to review your location-specific drawings and construction documents until you have signed a Franchise Agreement. Our consent of the location-specific drawings and construction documents for your Restaurant may in no way be construed to be a warranty or representation as to the quality or sufficiency of the design, the architectural concepts, or the construction methods or materials called for in those drawings or documents or whether those drawings and documents meet the requirements of local, state, or national laws and regulations.

We will make available to you, after your Franchise Agreement has been signed, the name of the authorized supplier for those items of the Restaurant Improvements that are restaurant equipment. If you propose to purchase any item of the Restaurant Improvements which is equipment (large or small) or signage from any supplier who has not been previously authorized by us, then you must seek our consent to use that supplier in the

same manner discussed earlier in this Item 8. For the construction (and remodel) of the Restaurant, you must use a reputable, good quality general contractor having sufficient restaurant construction experience.

If you propose to enter into a lease for any equipment, then, at our option, you must use your best efforts to have the lease contain certain terms and conditions which, among others, allow us to obtain an assignment of the lease or leases at our option if your Franchise Agreement expires or is terminated.

Real Estate:

You may not directly or indirectly own the real estate on which your Penn Station Restaurant is located unless (i) the proposed rental rate is a market rate, and the lease, which is in writing, is otherwise on market terms and conditions, (ii) your development capital is adequate to complete your obligations that you may have under any Multi-Unit Agreement with us and to own the real estate, and (iii) the term of the proposed lease is coterminous with your Franchise Agreement with us.

In the past, PS Realty acquired and developed free-standing Restaurants (see Item 10 below), but PS Realty is no longer pursuing the acquisition and development of free-standing Restaurants. We have not received in the past any fee from PS Realty for referring to it any franchisee that leased a free-standing Restaurant from PS Realty (regardless of whether PS Realty actually bought the property and constructed the applicable improvements).

For any lease you propose to sign for any of your Restaurant locations, you must have signed, as part of your lease, our mandatory lease addendum that is in effect at the time you sign your lease (referred to in this disclosure document as the “Lease Addendum”). We will not consent to your lease without having our Lease Addendum signed as part of it. A copy of our current Lease Addendum is attached as Exhibit D.

Store Remodeling; Equipment Replacement:

You are required periodically to remodel your Restaurant (Section 5.1.6 of the Franchise Agreement). Your remodeling obligation is separate from, and in addition to, your obligation to redecorate, repaint, and repair your Restaurant (Section 5.1.6 of the Franchise Agreement) and to purchase new menu boards, in-store displays and other point of sale materials (including food photographs) advertising or promoting the changes and any related equipment that Penn Station has determined is needed in connection with a change in products or services that Penn Station has implemented (Section 5.1.3 of the Franchise Agreement). Assuming your Franchise Agreement goes to full term (*i.e.*, the agreement is renewed three times after the initial five-year term), you will not be required to fully remodel your Restaurant more than two times during the 20-year period. Furthermore, we will not ask you to fully remodel any sooner than five years from the date we last asked you to perform a full remodel (Section 5.1.6 of the Franchise Agreement). We decide the scope of the remodeling which is required. It will vary depending on the condition of the Restaurant and how much the Restaurant varies from the most current Restaurant prototype, including decor and equipment. When you undertake your remodeling, you may be required by law or by us to hire an authorized architect to have a preliminary floor plan and location-specific drawings and construction documents prepared according to the Construction Guidelines, as described on the preceding pages of this Item 8. You must complete the remodeling process within approximately one year after we deliver to you a request for remodeling (subject to permitted extensions of time, of a duration and frequency as we determine, for delays beyond your control).

In addition to the remodeling described above, you must also remodel your Restaurant in cases where the Franchise Agreement has been in effect for the full term of 20 years (*i.e.*, an initial term of five years and three, five-year renewal terms), and the Full Term Franchisee is purchasing a new Penn Station franchise for the same Restaurant location under a new franchise agreement for an additional term of 20 years (*i.e.*, assuming all three

of the five-year renewal terms were made after the initial term of five years). We decide the scope of the remodeling which is required in those circumstances. It will vary depending on the condition of the Restaurant and how much the Restaurant varies from the most current Restaurant prototype, including decor and equipment. When you undertake your remodeling, you may be required to hire an authorized architect to have a preliminary floor plan and location-specific drawings and construction documents prepared according to the Construction Guidelines, as described on the preceding pages of this Item 8. You must complete the remodeling process within approximately one year after we deliver to you a request for remodeling (subject to permitted extensions of time, of a duration and frequency as we determine, for delays beyond your control).

If, after beginning operation of your Restaurant, you propose to purchase or install in the Restaurant any Restaurant Improvements not previously approved by us or to make any alterations to your Penn Station Restaurant, then you must first seek our consent. The process to obtain our consent is the same as the initial process as discussed in this Item 8.

Third-Party Delivery; Third-Party Catering; Web Ordering:

We have made arrangements with four national, third-party service providers that provide platforms and systems for one or more web-based and mobile platforms and/or apps that connect Restaurants, delivery personnel, and customers. We have mandated that our franchisees offer third-party delivery services to customers. Accordingly, franchisees must receive orders through, and delivery services from, any or all of these service providers (and/or independent contractor delivery and service providers obtained through those platforms and systems) if available. In connection with obtaining those services, franchisees will enter separate contractual arrangements with the respective service providers. As an owner of a company-owned unit, we participate in these services on the same terms as franchisees. These third-party services providers charge fees and commissions for their services that are payable by franchisees.

ItsaCheckmate.com Inc. (referred to in this disclosure document as “ItsaCheckmate”) and our current POS system vendor, North Key Systems Inc. (referred to in this disclosure document as “North Key”) have developed integrations of the third-party service providers’ platforms and systems. You are required to enter separate contractual arrangements with and pay fees directly to each of ItsaCheckmate.com Inc. and North Key for on-going services that facilitate the operation of these integrations.

We made an agreement with ezCater, Inc. (referred to in this disclosure document as “ezCater”), a national, third-party service provider that connects businesses with restaurants and caterers through its online, web-based, and mobile platforms. Franchisees may, at their option, choose to receive orders through and delivery services from ezCater (and/or independent contractor delivery and services providers engaged by ezCater to assist with, or to perform certain services on behalf of, ezCater). In connection with obtaining those services, franchisees will enter separate contractual arrangements with the various service providers on the ezCater platform. As an owner of a company-owned unit, we participate in these services on the same terms as franchisees. ezCater charges commissions and fees for its services payable by franchisees.

We have a website-based online ordering system for all Restaurants that includes hosted website pages with online ordering capabilities (referred to in this disclosure document as the “Web Ordering System”). The Web Ordering System is mandatory for, and uniformly imposed on, all franchisees. The vendor of the Web Ordering System (currently, ItsaCheckmate) charges fees payable by you for its services. The fees to be paid by franchisees to the vendor of the Web Ordering System are applied on a per Restaurant basis. To participate in the Web Ordering System, franchisees will enter separate contractual arrangements with the vendor. As an owner of a company-owned unit, we participate in these services on the same applicable terms as franchisees. The fees to be paid by franchisees to the vendor of the Web Ordering System will be payable monthly. If we decide to

implement a Loyalty Program (as defined below) in the future, we anticipate it will be activated for use with the Web Ordering System.

We have made arrangements with third-party service providers that provide integrated, white-label solutions for last-mile delivery of products sold at Restaurants, which are ordered by Restaurant customers through the Web Ordering System. These arrangements are mandatory for all franchisees. The Web Ordering System includes delivery fees that are payable to the third-party service providers, but may be passed through by the franchisee to its customers. As an owner of a company-owned unit, we participate in these services on the same applicable terms as franchisees.

Software Maintenance and Security Products:

You must obtain a monthly software service and support arrangement from our vendor for the North Key POS system. The monthly cost of that service includes access to, and the cost of, TeamPenn.com. This requirement is uniformly imposed by us. *See* Item 11 under “Computer System”. You must also obtain an annual software service, support, and maintenance arrangement from our vendor for the SonicWALL Router and obtain a gateway security suite of software products for the SonicWALL Router. *See* Item 11 under “Computer System”).

Advertising; Marketing; Digital Gift Cards; Promotion; Electronic Media:

Approved and Mandated Advertising:

Because we own the Penn Station Marks, all of your advertising must conform to our standards and requirements. In many cases, however, we do not maintain written advertising standards available to be given to you, but we have selected or approved certain advertising based on our past experience, the industry, the experience of our franchisees, and our continuing analysis of Penn Station Restaurants. Accordingly, once you become a franchisee, you will have access to existing, available examples of approved advertising through the Penn Station Outernet (that is accessible by franchisees), and we will review all advertising submitted by you based on our standards and requirements. P.S. National Fund and/or Penn Station may retain an outside, local advertising agency for System advertising. *See* Item 11 for more information concerning advertising. With that exception, we do not maintain an authorized list of suppliers of advertising. We also do not currently maintain criteria for approving suppliers of advertising. Our standards are used both for purposes of reviewing proposed franchisee advertising under cooperative advertising programs, described in Item 6 above, and for developing pre-approved local, regional, and, if applicable, national advertising programs to be carried out by P.S. National Fund. We plan to solicit from time to time the advice of our Franchisee Advisory Council, P.S. National Fund, and the formal and informal advertising cooperatives as to the advertising, marketing, and promotional materials produced with monies from the national fund.

You must submit to us for our prior consent samples of all advertising plans and materials that you intend to use which were not prepared or previously approved by us. As owner of the Penn Station Marks, we must have complete control over how our Marks, our System, and the Penn Station Restaurants are depicted and advertised; accordingly, our decision to consent to or disapprove advertising submitted by you is final, and there is no procedure in your Franchise Agreement for resolving a difference of opinion between you and us on this matter. If you do not receive from us written disapproval within 30 days from the date we receive your advertising plans and materials, then you have the required consent. Once given, however, we can later revoke our consent. As a condition to any consent by us of any advertising proposed by you (or by P.S. National Fund or any cooperative of which you are a member), you (and P.S. National Fund and any cooperative) must transfer to us any rights you may have in the advertising.

You must display our Marks in the manner we require on all of your signs and advertising materials.

We require you to spend up to \$10,000 for a grand opening event and marketing support at any time within the first 180 days of your Restaurant opening (referred to in this disclosure document as “Grand Opening Advertising”). This requirement may be waived (a) if your Restaurant is not in a Mature Market and its sales are equal to or above the average for all Restaurants or (b) if your Restaurant is in a Mature Market. “Mature Market” means, in this disclosure document, a market, as defined by Penn Station, in which a sufficient number of Penn Station Restaurants have been opened and are operating in relation to the total number of Restaurants that could be opened and operated in that market, all as determined solely by Penn Station.

At our election from time to time, we may establish, with our third-party delivery service providers, marketing programs associated with one or more of the delivery services. We may suggest to P.S. National Fund, and P.S. National Fund may elect, to use funds from the national fund from time to time to pay for some portion of the cost of those marketing programs. If we establish marketing programs with third-party delivery service providers, the applicable franchisees covered by those marketing programs will be obligated to participate in those marketing programs, which we will apply to those franchisees (and us, if applicable) on a uniform basis.

Digital Gift Cards:

We have selected a vendor to provide a digital gift card, providing guests the ability to purchase digital and physical gift cards through an online Penn Station Restaurant-front. We anticipate this digital gift card program will be fully implemented in 2024. An online store-front may be connected to the penn-station.com website, email, SMS, and other forms of communication. This program also includes a marketing module that will allow Penn Station to offer unique gift card promotions for the digital gift cards. All fees payable by franchisees (and us for our company-owned Restaurant) for the digital gift card program will be paid directly to our vendor, WorldPay Integrated Payments.

Electronic Media Sites; Required Penn Station Electronic Media Programs:

Websites, social media platforms, social media sites, and mobile applications have always been and continue to be advertising under the Franchise Agreement. In connection with any Electronic Media Site, the Franchise Agreement provides, in summary (Franchise Agreement, Section 9.2.2), that (i) we will have the exclusive right, but not the obligation, to establish Electronic Media Sites or other forms of e-commerce for advertising, marketing, and promotion of one or more Restaurants from time to time (referred to in this disclosure document as the “Penn Station Electronic Media Programs”) and (ii) you cannot establish yourself, through any advertising cooperative or any other person, any separate Electronic Media Site. As of the date of this disclosure document, we have implemented the Penn Station Electronic Media Programs described below. We reserve the right to provide any existing or future Penn Station Electronic Media Programs directly by the employees of Penn Station rather than any vendor of Penn Station.

Current Email Program:

We have selected Mobile Exposure, Inc. (referred to in this disclosure document as “Mobile Exposure”) as our vendor to provide one of our Penn Station Electronic Media Programs involving emails to and from customers of Restaurants. Each official advertising cooperative (or individual franchisees if an advertising cooperative has not been formed) will enter into guest-based marketing agreements with Mobile Exposure pursuant to which individual franchisees or individual advertising cooperatives will purchase services under the Penn Station Electronic Media Program from Mobile Exposure. Currently, P.S. National Fund pays 100% of the monthly fees of Mobile Exposure (*see* Item 11 under “Advertising Programs”). If P.S. National Fund elects to

discontinue having the national fund pay the monthly fees of Mobile Exposure, in whole or in part, P.S. National Fund will give you at least 30 days advance notice. You will then begin paying the then current monthly fees of Mobile Exposure (or any replacement service provider) or that portion not paid for by the national fund. The amount of monthly fees paid to Mobile Exposure varies depending on the level of service selected by us. The fees payable to Mobile Exposure are subject to increase depending on changes to the program made by us, the duration of the program, and potential cost increases requested by Mobile Exposure and agreed to by us.

Additional Loyalty, Guest Engagement, and Communication Software Programs:

We have selected two vendors, Sparkfly, Inc. (referred to in this disclosure document as “Sparkfly”), and Iterable, Inc. (referred to in this disclosure document as “Iterable”), to provide integrated marketing programs (referred to in this disclosure document as “Guest Engagement and Communication Software”) that create, process, and track special offers and promotions, and to create in the future a separate loyalty program (referred to in this disclosure document as the “Loyalty Program”). These vendors provide a POS system middleware that connects this Guest Engagement and Communication Software with the POS system and provides a platform that develops and implements this Guest Engagement and Communication Software along with a multi-channel client relations management tool used for direct mail, SMS, and mobile campaigns.

The services from these vendors are a Penn Station Electronic Media Program and are mandated by us, and franchisees must, in connection with obtaining these services, make separate contractual arrangements with the selected service providers. As an owner of a company-owned unit, we participate in these services on the same terms as franchisees.

P.S. National Fund will pay for all out-of-pocket costs to these vendors associated with set-up and implementation of this Guest Engagement and Communication Software for calendar years 2024 and 2025 out of the national fund. In addition, currently, P.S. National Fund intends to pay 100% of the monthly and annual fees of these vendors for the initial three-year term out of the national fund, expected to begin in 2024. If P.S. National Fund elects to discontinue having the national fund pay these fees, in whole or in part, P.S. National Fund will give you at least 30 days advance notice. You will then begin paying the then-current monthly and annual fees of these vendors (or any replacement service providers) or that portion not paid for by the national fund. The amount of monthly fees varies depending on the level of service selected by us. The fees payable to these vendors are subject to increase depending on changes to the programs made by us, the duration of the programs, and potential cost increases requested by the vendors and agreed to by us. We may consider in the future providing any existing or future Guest Engagement and Communication Software programs directly by the employees of Penn Station rather than any third-party vendor of Penn Station.

Accounting Services:

We require that you use a certified public accountant (or another accountant selected by you to which we have acquiesced after receiving your application to do so) to prepare financial reports and statements required to be completed under the terms of your Franchise Agreement. We have an Accounting Manual which describes in detail the way in which your accounting must be set up, your operations accounted for, and how the results are reported to us. You cannot deviate from the requirements set out in the Accounting Manual, as it would jeopardize the consistency of the information reported to us. Without this consistency, the comparative analysis value to us and our franchisees of the applicable information is undermined.

Insurance:

You must purchase before beginning operation of your Penn Station Restaurant (and maintain during each term of your Franchise Agreement), at your expense, insurance coverage which complies with our insurance

coverage requirements. Our coverage requirements are in our Operating Manual. Currently, our insurance requirements are as follows: (i) comprehensive liability insurance (at least \$1,000,000 per occurrence) for bodily injury and property damage with a minimum \$50,000 fire and legal liability coverage endorsement, and a minimum \$5,000 medical payments to others endorsement; (ii) special form property insurance, or the broadest property insurance then commercially available, insuring 100% of the replacement value of your equipment, inventory, furniture, supplies, furnishings, fixtures and other tenant/interior improvements together with business interruption coverage, insuring “actual loss of income” for up to 12 months; (iii) automobile liability coverage for both owned and “hired and non-owned” vehicles in the amount of at least \$1,000,000; (iv) worker’s compensation or similar employer liability insurance as required by law; and (v) any other insurance required by law. The insurance coverage must be issued by insurance carriers rated “A” or better (or any comparable successor rating) by Alfred M. Best & Company, Inc. (or any successor). We must be named as an additional insured with you on each liability insurance policy (except worker’s compensation insurance); however, we will not be liable under any circumstances for any unpaid insurance premiums. Each insurance policy must be endorsed to require the insurer to notify us in writing 30 days in advance of any reduction, termination or expiration of any coverage required by your Franchise Agreement and to name us as additional insured on each liability insurance policy. On 30 days written notice to you, we reserve the right to specify additional coverage and to require you to increase the amounts of insurance.

Penn Station as an Approved Supplier:

We are not currently a supplier. In the future, we may consider supplying certain food items to our franchisees that we consider proprietary to Penn Station.

Revenue for Required Purchases:

During calendar year 2023, we did not derive revenue or other material consideration from your required purchases described in this Item 8 except the supplier rebates described below.

During calendar year 2023, PS Realty’s revenue from the leasing of free-standing Restaurants to our franchisees was \$245,927, which represented 33.49% of its total revenue of \$734,344 for the calendar year ended December 31, 2023. PS Realty does not have audited financial statements. The source of this information comes from the annual income statement prepared by the management of PS Realty.

Rebates from Suppliers:

During calendar year 2023, we received rebates from suppliers with whom we negotiated a purchase arrangement (including pricing terms) on behalf of the System (referred to in this disclosure document as “Supplier Funds”) approximately equal to \$2,495,567. During 2023, we contributed approximately \$2,525,638 of Supplier Funds to the national fund for System advertising although we were (and are) not obligated to do so. This contribution includes interest earned on Supplier Funds, if any, and excludes the deduction of various expenses, if any, including the development of creative advertising, marketing, and promotional assets and materials made available to franchisees and legal expenses incurred to obtain (or explore potential) services from third-party vendors for the benefit of the Penn Station System. *See* Items 8 and 11. It is Penn Station’s current policy to request that the suppliers, with whom we negotiated a purchase arrangement (including pricing terms) on behalf of our franchisees, offset any rebates offered by those suppliers against the cost of the products sold in lieu of paying Supplier Funds to Penn Station in those instances where Penn Station determines it is appropriate for the System. We may retain and use all Supplier Funds paid to us for any corporate or other purpose or expense that we determine is appropriate. You assign to us any rights you may have in the Supplier Funds.

Estimated Portion of the Required Purchases:

We estimate that the required purchases described in this Item 8 will constitute approximately 95% of the products and services that you will need to purchase to establish and operate your Penn Station Restaurant.

We do not provide any material benefits to franchisees based on their purchase of particular products or services or use of designated or approved sources. None of our officers, other than Jeffrey J. Osterfeld and Sheri S. Osterfeld (who own PS Realty), own an interest in any supplier listed in Item 8.

ITEM 10. FINANCING

We do not offer direct or indirect financing. We do not guarantee your notes, leases, or obligations. We may, however, introduce you to banks with whom we have had prior dealings, have ourselves obtained financing, or with whom we may have a relationship. You should consider these lenders only as financing alternatives, and you are under no obligation to finance through any lender. We do not receive direct or indirect payments or benefits for placing financing.

Penn Station Realty - Free-standing Stores:

Our affiliate, PS Realty, has, in the past, acquired and developed, but is not any longer acquiring and developing, free-standing Restaurants. We have not in the past received any payment from PS Realty for referring to it any locations on which free-standing Restaurants were be built.

Sale or Assignment of Notes:

Because we do not directly or indirectly provide financing, we have no past or present practice and no intent to sell, assign or discount to a third party any agreement or instrument executed by you and delivered to us.

ITEM 11. FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your Penn Station Restaurant, we will:

(1) Provide reasonable assistance to you regarding your selection of the site of your Penn Station Restaurant, but we do not select the site. *See* under the heading “Location Selection” below for more details regarding site selection. We do not own any of the locations where our franchisees have their Restaurants although our affiliate, PS Realty, owns four free-standing Restaurant sites. (Franchise Agreement, Section 1.3; Multi-Unit Agreement Section 5; Single-Unit Development Agreement Section 5). We do not provide legal or other advice or assistance generally to you in negotiating the lease of your site other than we provide general, non-binding guidance on certain lease terms that, in our experience, have been included in leases agreed to by franchisees, including general, non-binding guidance on the economic terms of leases agreed to by franchisees.

(2) Make available to you the name of authorized architects and the Construction Guidelines. *See* Items 6 and 8 for more details regarding the architectural and construction process. We will provide advisory assistance to you in the construction of each of your Penn Station Restaurants as we determine is reasonably required of us in addition to any items on the Opening Checklist (Franchise Agreement, Section 1.3.2). We generally do not provide assistance to you in conforming your site to local ordinances and building codes nor in obtaining any required permits. We are not responsible for constructing, remodeling or decorating your Restaurant location.

(3) Provide you the names of authorized suppliers, and, to the extent available, written specifications for restaurant equipment, food inventory, supplies and certain services through our Outernet (that is accessible by franchisees) or in other writings. *See* Item 8 for more details. We don't deliver, inspect, or install any Restaurant Operational Items or any Restaurant Improvements (Franchise Agreement, Section 4.1.3).

(4) Provide the applicable training program (described later in this Item 11) to (a) your first Managing Owner, and (b) your first Designated Owner (Franchise Agreement, Section 4.1.2).

(5) Provide assistance to you when you train your first crew of employees who will assist in the operation of your Restaurant. Our on-site assistance is usually for two to four days before opening and is provided in an amount that we determine is reasonably required of us during the first week of operation (Franchise Agreement, Section 4.1.2).

(6) Loan to you: (i) one copy of our Operating Manual, General Manager Training Program Manual (which is returned to us after training testing is complete), Managing Owner Training Program Manual (which is returned to us after training testing is complete), POS Manual, and Accounting Manual, and (ii) one copy per Restaurant of our Hourly Employee Training Manual, after you sign the Franchise Agreement and provide access to other Penn Station materials through the Penn Station Outernet that is accessible by franchisees (Franchise Agreement, Sections 4.1.5, 7.1, 8.1.1, 9.2.1).

(7) Permit you to use the Marks and trade secrets designated by us to be used as part of the Penn Station System so long as you use these Marks and trade secrets strictly in accordance with the terms of your Franchise Agreement (Franchise Agreement, Section 1.1).

(8) Furnish additional advice, counseling, and management assistance as you reasonably request and as we determine is reasonably required of us under the circumstances (Franchise Agreement, Section 4.1.4).

We generally do not provide equipment, signs, fixtures, opening inventory or supplies directly, but we are in the practice of providing you with written specifications and the names of authorized suppliers offering these items.

Obligations During Operation of the Franchised Business

During the operation of your Restaurant, we will:

(1) Continue to provide the assistance described in paragraphs 3, 6, 7, and 8 above.

(2) Provide the applicable training program (described later in this Item 11), on payment to us of our applicable training fee then in effect, to (i) any replacement Managing Owner and (ii) any replacement Designated Owner. We will test your training of any replacement General Manager or Operations Director, and you must pay to us the per diem testing fee then in effect (Franchise Agreement, Sections 4.1.2 and 5.1.1).

(3) Perform periodically Performance Evaluations of your Restaurant (Franchise Agreement, Section 5.1.4). Perform periodically a review of our products and services. If our efforts lead to any new developments to the Penn Station System and we elect to implement these new developments in your Restaurant, then we will provide you with these new developments (Franchise Agreement, Section 4.1.6).

(4) Provide you with assistance, as we determine is reasonably required of us under the circumstances, in relocating your Penn Station Restaurant site under the circumstances specified in your Franchise Agreement. (Franchise Agreement, Section 1.4). We will provide on-site assistance when you re-open at the relocated site. Our on-site assistance is usually for two to four days before opening and is provided in an amount that we determine is reasonably required of us during the first week of operation (Franchise Agreement, Section 1.4.3).

(5) Require P.S. National Fund to use the funds collected from you for any System advertising, marketing, promotional, and public relations activities that we and P.S. National Fund may implement pursuant to your Franchise Agreement (Franchise Agreement, Section 9.4).

(6) Use reasonable efforts to protect our Marks from infringement (Franchise Agreement, Section 6.3).

(7) Provide information to you, at your request, to help you determine the prices you charge for products and services offered for sale at your Restaurant. You are not in any way obligated to accept any of our price advice or guidance except to the extent the law allows us to do so. You have the sole right to determine the prices you charge at your Penn Station Restaurant for the products and services you are required to sell except to the extent the law allows us to determine matters of price; however, our Operating Manual requires that your menu be presented in a certain manner which may affect how you can set prices. For example, sandwich toppings cannot be separately priced nor can you charge for sales of tap water (Franchise Agreement, Section 11).

Following the opening of your Restaurant, we, although not obligated to do so by your Franchise Agreement or any other agreement, will be in periodic contact with you to discuss general problems in the operation of your Restaurant detected as part of our Performance Evaluations and new developments.

Advertising Programs

In 2020, P.S. National Fund began managing the gift card program and operating the national fund for, and implementing, the System advertising, marketing, public relations, loyalty and promotional programs and materials and other activities that we and P.S. National Fund believe will enhance the image of the Penn Station System (*See* Note 4 of Item 6 above). Every franchisee is a member of P.S. National Fund so long as the franchisee operates at least one Penn Station Restaurant and is in good standing with us. We will also be a member of P.S. National Fund so long as we operate at least one Restaurant. Each member of P.S. National Fund has one vote per Penn Station Restaurant owned who is current in their national fund payments and is otherwise in good standing with us. P.S. National Fund is governed by an Advertising Committee that is elected by the members of P.S. National Fund at its annual meeting. There are four Advertising Committee members, two of whom must be officers of Penn Station and two of whom must be members of the Franchisee Advisory Council. The officers of P.S. National Fund, the President, Treasurer and Secretary, are appointed each year by the members of P.S. National Fund's Advertising Committee at the first meeting following the annual meeting of its members. P.S. National Fund has Articles of Incorporation and a Code of Regulations. A majority of the members of the Advertising Committee must vote in favor of any amendments to these governing documents, but it requires the vote of at least sixty-six and two-thirds percent (66 2/3rds %) of the voting members to dissolve P.S. National Fund. Although we formed P.S. National Fund, we do not have the right unilaterally to change or dissolve P.S. National Fund. We do have the unilateral right to withdraw our delegation of any or all of the duties we have delegated to P.S. National Fund at our option and begin maintaining the national fund and the gift card program

again or to delegate them to another person or firm. Prior to the formation of P.S. National Fund, we maintained the national fund and consulted with the Franchisee Advisory Council on our advertising.

We hired an outside, local advertising agency to produce System advertising, marketing and promotion for 2023, and we and/or P.S. National Fund may do so again in 2024. The outside agency may subcontract with various local firms to complete aspects of the work. For 2024, portions of the national fund will be used to pay for media placement for local markets (including on an individual Restaurant basis in any local markets as determined by P.S. National Fund), regional markets or on a national basis as designated by P.S. National Fund in its sole judgment in each instance in consultation with us. In addition, the cost of media placement is accomplished through advertising cooperatives (see below) or by our franchisees on an individual Restaurant basis in their respective advertising markets. Where regional markets have advertising cooperatives, P.S. National Fund may elect to pay the portions of the national fund that it has designated for System advertising for that region directly to the advertising cooperative pursuant to its advertising program approved by us.

We will make the regular and catering menu template commissioned by the national fund available at no cost to franchisees when a new Restaurant is opened or remodeled. We also will provide franchisees with access to marketing tools and templates through our franchisee Intranet (from which franchisees can create posters and other point of sale materials). When new marketing campaigns are developed, we post those materials on the franchisee Intranet. Creating materials from our Intranet will be at your cost.

System advertising may be disseminated through various types of media approved by us and as finally implemented by P.S. National Fund, including print, radio, network and cable television, the world wide web (or other e-commerce), Electronic Media Sites, and mobile channels (including text messaging, mobile sites and mobile applications). Coverage of the media selected and purchased by P.S. National Fund or by our franchisees (or by advertising cooperatives) is local, regional, or national in scope.

P.S. National Fund will direct, maintain, and administer the national fund for System advertising (whether on a local, regional or national basis, including on an individual Restaurant basis in any local markets as determined by P.S. National Fund in consultation with us) with sole discretion over the media used (once the particular media has been approved by us) and the placement (if any) and the allocation of funds among them. As owner of the Penn Station Marks, we will have complete control over how our Marks are depicted and advertised, including the advertising concepts and materials to be used by P.S. National Fund.

The Franchisee Advisory Council serves in an advisory capacity only, providing franchisee perspectives on a wide range of System matters, including advertising. We have the right to form, change and dissolve the Franchisee Advisory Council at our option. Council members are selected by franchisees at the annual franchisee meeting on the basis of one vote per Penn Station Restaurant owned. There are five Council members. The officers of the Franchisee Advisory Council, the President and Secretary, are appointed each year by the members of the Franchisee Advisory Council at the first meeting following the annual meeting of franchisees. The Franchisee Advisory Council has written Bylaws. Two members of the Franchisee Advisory Council will be on the Advertising Committee of P.S. National Fund.

System advertising (whether on a local, regional or national basis), the object of the national fund, is intended to maximize general public recognition, acceptance, and use of the Penn Station System and promotion of the Penn Station brand. Neither we nor P.S. National Fund is obligated, in administering the national fund, to make expenditures from the fund that are equivalent or proportionate to your contribution or to ensure that you benefit directly or proportionately from expenditures by the national fund or to spend money on advertising in the local or regional market of your Restaurants. As a result, P.S. National Fund may make expenditures for advertising in any market area (whether on a local, regional or national basis, including on an individual Restaurant basis in any local markets as determined by P.S. National Fund in consultation with us) in the Penn

Station System without spending an equivalent amount on advertising in your local or regional market. We reserve the right to terminate the national fund.

The national fund (including earnings on it) will be used exclusively to meet the cost of preparing, maintaining, administrating, directing, purchasing and conducting advertising, marketing, public relations and promotional programs and materials and any other activities that we and P.S. National Fund believe will enhance the image of the Penn Station System (whether on a local, regional or national basis, including on an individual Restaurant basis in any local markets as determined by P.S. National Fund in consultation with us), including, for example, the costs of preparing, placing and conducting media advertising campaigns; direct mail, broadcast or print advertising; engaging advertising or public relation agencies to assist with System advertising; producing and purchasing promotional items and food photography; outdoor advertising materials; any Penn Station Electronic Media Program; producing and maintaining an Electronic Media site for us to the extent we attribute the benefit of that page to System advertising; certain gift card administrative costs; certain Loyalty Program (if implemented) costs; certain Web Ordering System costs; marketing surveys; public relations activities and events; visual merchandising, point of sale, and other merchandising programs; certain marketing costs with third-party delivery or catering services; developing a mascot; and providing promotional and other marketing materials and services to the Penn Station Restaurants operating under the System. Neither we nor P.S. National Fund can make any assurances that the expenditure of funds for System advertising will be effective or successful. The national fund may not be used to defray any of our operating expenses except expenses and overhead we and P.S. National Fund incur in administering, directing and implementing System advertising, marketing, and promotional activities, including the costs of personnel, legal and accounting fees, and taxes. Except as described in the preceding sentence, we receive no payment from the national fund.

P.S. National Fund will maintain separate bookkeeping and bank accounts for the national fund. At the annual meeting of franchisees (or separately if no annual meeting is held), we currently provide an unaudited summary of receipts and disbursements of the national fund to franchisees and will request P.S. National Fund to do the same. Other than as described above in this paragraph, neither Penn Station nor P.S. National Fund prepares or disseminates financial statements for the national fund. Neither we nor P.S. National Fund has any fiduciary responsibilities or duties arising out of the national fund.

You are required to make payments to P.S. National Fund to fund the national fund. *See* Items 6, 8, and 9 above with regard to the amount and timing of your contribution. The national fund also has been funded, in part, with certain portions of the Supplier Funds we receive. *See* Item 8 under “rebates from suppliers”. We pay national fund fees on the same basis as established for franchisees for our company-owned Restaurant.

For 2023, approximately 79% of the monies contributed to the national fund were spent on media placement (including Penn Station Electronic Media Program), 13% on production, and 8% on administrative expenses of System advertising and promotion of the Penn Station brand. Zero (0)% of advertising undertaken by the national fund was used principally to solicit new franchisee sales for 2023. All of the monies in the national fund at the end of 2023 were carried over to calendar year 2024 by P.S. National Fund, to be held in the national fund for 2024 and used for national fund purposes.

You are free to prepare your own advertising and promotional materials and to contract with any advertising firms; however, as discussed in Item 8 above, we have the right to approve all advertising and promotions in advance, and we will own all rights to any advertising and promotional materials you prepare.

National funds not spent in the fiscal year received are carried over (net of any taxes or legal or accounting expenses) and spent in the next fiscal year.

Advertising Cooperatives

If we or a majority of our franchisees in your geographic area, determine that an advertising cooperative should be formed, then you must participate in the advertising cooperative and pay your required contribution to the cooperative (Franchise Agreement, Section 9.3). We have the right, in our discretion, to designate any geographical area for purposes of establishing an advertising cooperative. Currently, Penn Station uses the Designated Market Areas as defined by Nielsen Holdings plc, which is a nationally recognized television ratings services, for establishing advertising cooperatives. We will, if we own any company-owned Restaurants in your geographic area, be a member of the cooperative to the same extent as you. We do not have controlling voting power in any advertising cooperative.

Currently, there are three formally organized advertising cooperatives, one for each of the following areas: Greater Cincinnati, Ohio; Greater St. Louis, Missouri – western Illinois; and Greater Indianapolis, Indiana. The current rules of the Cincinnati cooperative require that each cooperative member pay 1.0% of the member's monthly Net sales to the cooperative's advertising fund, the St. Louis cooperative's current rules require a payment of 2.0% of Net sales, and the Indianapolis cooperative currently requires each member pay 2.50% of Net sales, which fees are uniformly imposed. *See* Item 6 above. We have the right to consent to the amount of the contributions made by the cooperatives members to the cooperatives' advertising funds (Franchise Agreement, Section 9.3.2). Neither we nor any affiliate receives any payment from the advertising cooperatives for providing any goods or services to it. There are also three informal, voluntary advertising cooperatives, one for the Greater Dayton, Ohio area, one for the Greater Louisville, Kentucky area and one for the Ft. Wayne, Indiana area. These three informal, voluntary advertising cooperatives do not operate pursuant to any written rules; however, the Dayton members and the Ft. Wayne members have agreed to contribute 2.0% of the member's monthly Net sales to fund advertising in their respective geographic markets, and the Louisville members have agreed to contribute money to pay expenses as they are incurred to fund advertising in its geographic market.

Once formed, the advertising cooperative is governed by the by-laws, rules, and regulations adopted by the franchisees who are members (referred to in this disclosure document as "Co-op By-Laws"). There are elected officers who govern the advertising cooperative and administrate the advertising fund. As of the date of this disclosure document, all advertising cooperatives operate on the basis of one vote for each Penn Station franchise included within the cooperative. The Co-op By-Laws must be in writing and are available for your review. You must follow all Co-op By-Laws. If the members are unable to agree on the Co-op By-Laws, we may impose Co-op By-Laws that in our experience work for other cooperatives. We have never exercised this right because the cooperative has been self-sufficient. If a dispute exists among the advertising cooperative members and, in Penn Station's judgment, a deadlock or a substantial disagreement exists among the members as to how to run the advertising cooperative, Penn Station reserves the right to resolve the dispute or to dissolve the cooperative and form a new cooperative or cooperatives among the members of the former cooperative.

We don't require the advertising cooperative to prepare annual or periodic financial statements, but we believe that the cooperative prepares this information and that it is available to members of that cooperative.

If disputes among members cannot be amicably resolved, we reserve the right to resolve the dispute or dissolve the cooperative and form another one.

Neither Penn Station nor P.S. National Fund uses any advertising funds for advertising that is principally to solicit franchisees. We have no obligation to spend any amount on advertising in the area or territory where your Restaurants are located or participate in any other advertising fund.

Computer System

You must purchase and maintain a complete North Key POS system, which meets our current specifications, for your Restaurants (Franchise Agreement, Section 1.3.2). The cost of the North Key POS system is approximately \$9,575 plus shipping, including required software and a \$1,500 licensing fee but excluding an optional \$1,500 installation fee. There is a required maintenance program for the North Key POS system software. There is no required maintenance program for the hardware, including any monitors, CPUs, printers, or modems for the North Key POS system nor does the required maintenance program for the North Key POS system cover any hardware items. Contact North Key or any vendor of any hardware that comprises the North Key POS system for exact pricing for those optional maintenance contracts to the extent they are available.

As described above, you must obtain and maintain at all times a monthly service and support arrangement from North Key for the software that operates the North Key POS system. The monthly cost of that service is currently a minimum of \$137 per Penn Station Restaurant and includes: maintenance and updates for North Key point-of-sale software, nightly backup, telephone support, online reporting to Penn Station and access to TeamPenn.com. North Key currently offers certain discounts for multiple Restaurants or for advance payment or for other reasons in its discretion. Beyond the monthly software service and support arrangement from North Key described above, neither we nor the vendor of the software or hardware are required to provide ongoing maintenance, repairs, upgrades or updates.

To support your POS system, you must purchase the SonicWALL Router, and the annually renewed managed security and support and maintenance contract for the software that operates the router for each of your Restaurants. None of the hardware that comprises the router is covered by that maintenance contract. The SonicWALL router is a security appliance designed to control the flow of data in and out of the network in each of your Restaurants. The SonicWALL Router, including three years of a gateway security suite of software products and one year of retail support services, is currently approximately \$2,062.50. The SonicWALL Router can only be purchased from Cerdant, Inc. The contract for retail support services provided by Cerdant, Inc. must be annually renewed and is approximately \$495 per year. You must also purchase and maintain a gateway security suite of software products for the SonicWALL Router (after the expiration of the initial license period for that software which is included when the SonicWALL Router is first purchased). The cost of that gateway security suite of software products is currently approximately \$549 per Penn Station Restaurant and is currently payable annually. These costs may increase in the future. Beyond the annual contract for managed software security and support and gateway security suite of software products provided by Cerdant, Inc., neither we nor the vendor of the software or hardware applicable to the router are required to provide ongoing maintenance, repairs, upgrades, or updates.

You may be required by virtue of changes to our Operating Manual or Construction Guidelines to upgrade your POS system so that it, among other things, performs more functions. We have the right to require you to upgrade your POS system on notice to you; however, as described below, we have the right to require you to update your POS system for data security reasons as often as is required by the credit, debit or other card associations or applicable governmental authorities. We decide the scope of the general upgrade to your POS system. You must complete your general POS system upgrade within 60 days after we deliver to you a request for an upgrade (Franchise Agreement, Section 5.1.4).

In addition to the general upgrade of your POS system noted above, we have the right to require you to update your POS system each time a credit, debit or other card association, card processing entity or data security standards entity, governmental authority or the vendor of the operating system for the point-of-sale, communication and information systems (including hardware and software) utilized in the Restaurant imposes any new or additional data security requirements that affect your POS system together with any required upgrade of the operating system as a result of the operating system of the point-of-sale, communication and information

systems being no longer supported by the vendor (whether in whole or in part for security purposes). The scope of these updates will be dictated by the card associations, your card processor, the government or the vendor of the operating system. Accordingly, there are no limitations in the Franchise Agreement on your obligation to upgrade for security purposes. You will complete the upgrade within the time frames required by the card associations, the government, or the vendor of the operating system. It is your obligation to ensure that your POS system meets applicable data security standards imposed by the card associations, any governmental authorities, and your insurers.

Your POS system will be used to store all sales data and time and attendance information for store employees, including historical information. It provides a monthly report that compiles all sales information into categories. We obtain a copy of this report remotely (as described below) from the North Key POS system (Franchise Agreement, Sections 3.2 and 8.1.2). Additionally, depending on options selected, the North Key POS system may store the following additional data: food inventory; invoices for cost of goods; and certain other cost information. We must have independent access to your POS system when we make our periodic visits or inspect your Restaurant. We can cause a report to be run for the sales for that day and cause the other reports required to be delivered to us to be run (Franchise Agreement, Section 5.1.4). We also review the monthly reports that you must deliver to us. We have implemented a system which gives us (or our agents or contractors (currently North Key)) independent access (polling) to all daily and periodic sales, costs, financial, delivery, and certain other data collected by your Restaurant’s POS system directly from our headquarters (Franchise Agreement, Section 5.1.4). There are no contractual limitations as to our right to access this information and data from your POS system except we will not electronically poll any employee personnel records, including payroll records (Franchise Agreement, Section 5.1.4). All data (other than any credit, debit, or other card data or any employee personnel records, including payroll records) provided by you, downloaded from your POS system or other computer systems, and otherwise collected from your other computer system(s) is and will be owned exclusively by us, and we will have the right to use all of that data in any manner that we consider appropriate without compensation to you (Franchise Agreement, Section 5.1.4).

Other than as described above, you are not required to purchase or use an electronic cash register or a computer system in the operation of your Penn Station Restaurant. Please see Item 8 regarding general restrictions on the Restaurant Operational Items, which includes the POS system.

Location Selection

The Single-Unit Development Agreement will set a certain date by when you must locate a site and be “open or under construction” (as defined in the Single-Unit Development Agreement). The Multi-Unit Agreement will set certain dates by when you must locate sites and be “open or under construction” (as defined in the Multi-Unit Agreement). You are responsible for selecting your site, but we have the ultimate right to decide whether to consent to or disapprove of any site. You must complete our Site Selection Analysis and Request for Site Authorization forms, that are in effect at the time you are seeking our consent to your site, and deliver to us supporting demographic information. In addition, you must complete our Lease Checklist, that is in effect at the time you are seeking our consent to your site, and deliver to us a copy of your proposed lease before you may sign it. The factors we consider in granting consent or disapproval of any site include population density, median income and other demographic information considered relevant by us, pedestrian and automobile traffic, exposure, accessibility, square footage of the proposed site, interior layout, market value of the property and/or lease terms, neighboring communities and businesses, whether the landlord will sign our Lease Addendum, the proximity of the site to any other Penn Station Restaurant (whether owned by you, us, or another franchisee), and

any other factors we consider material under the circumstances. Under the terms of either the Single-Unit Development Agreement or the Multi-Unit Agreement, we must give you written notice of our consent or disapproval, as applicable, of your proposed site within 30 days after receiving your proposed site request. We will not be treated, however, as consenting to your proposed site simply because we do not respond within 30 days of your request. If you do not locate a site, consented to by us, or do not otherwise meet your development schedule by the date in your Multi-Unit Agreement, we can exercise all our rights, including our right to reduce the number of Restaurants you have the right to open under the Multi-Unit Agreement, accelerate your development schedule, reduce or terminate the Development Territory, retain the entire Territory Fee, and/or terminate your Multi-Unit Agreement. If you do not locate a site, consented to by us, or do not otherwise meet your obligation to be open or under construction by the date specified in the Single-Unit Development Agreement, we can terminate the Single-Unit Development Agreement, keep the Site Development Fee, and sell or establish a franchise or company-owned Restaurant within the area that is the subject of the Single-Unit Development Agreement. You must have located a site, consented to by us, before we will sign a Franchise Agreement. If you have not located a site, consented to by us, we will not sign a Franchise Agreement with you. We will establish a date in the Single-Unit Development Agreement, the Multi-Unit Agreement (if applicable) by when you must lease the site under an authorized lease. If you do not satisfy the requirements of the Single-Unit Development Agreement or, if applicable, the Multi-Unit Agreement with regard to the schedule required to open each of the particular Restaurants, then we can exercise all of our rights, including terminating the applicable Franchise Agreement, the Single-Unit Development Agreement and the Multi-Unit Agreement.

Typical Length of Time Before Operation

We estimate that the typical length of time between (a) the earlier of (i) the signing of your Franchise Agreement and (ii) the first payment of any consideration and (b) the opening of your Penn Station Restaurant is (on average) two to six months. Factors affecting the length of time usually include how quickly a location can be acquired (in the case of a free-standing restaurant), leased and constructed (which necessarily involves delays caused by governmental authorities, third party suppliers and contractors, weather conditions, and negotiations with landlords), delivery of equipment, your financing arrangements, hiring a crew, and the time the Managing Owner, Operations Director, and any General Manager need to wind up any current business or employment.

Training Programs

We will provide the applicable training program (collectively referred to in this disclosure document sometimes as the “Training Program”) for each of your (a) Managing Owner and (b) Designated Owner. Our Training Program will be provided at your cost to any replacement Managing Owner or replacement Designated Owner.

The training program for Managing Owners (referred to in this disclosure document as the “Managing Owner Training Program”) is modeled after the training program for General Managers. The Managing Owner Training Program will involve on-site training at a Restaurant located in Cincinnati, Ohio or one or more other Restaurants located in other cities or states. This initial portion of the Managing Owner Training Program will last approximately four weeks and run between 8 to 12 hours a day and must be completed three to four weeks before the opening of your Restaurant. The second portion of the Managing Owner Training Program will be as part of the on-site assistance we provide at the opening of your Restaurant. Our on-site assistance will start approximately two to four days before opening. It will continue during your first week of operations for a period of time that we consider is reasonably required of us under the circumstances. Our training of any replacement Managing Owner will be similar although it may not involve training in a Restaurant that is getting ready for opening. See the table below for more details about our Managing Owner Training Program. We currently provide the Managing Owner Training Program as often as is required under the circumstances. You bear the entire travel cost of the Managing Owner to and from the location of the Managing Owner Training Program and

all living expenses (and salary and benefits) while the Managing Owner is attending the Managing Owner Training Program. *See* Item 6 above.

The training program for Designated Owners (referred to in this disclosure document as the “Designated Owner Training Program”) will be a high-level, overview of the Managing Owner Training Program, an introduction to the various departments of Penn Station, a discussion of franchisee best practices, and a limited in-store training session overview training program. The Designated Owner is required to complete the Designated Owner Training Program before the opening of your first Restaurant. Your Designated Owner will be required to attend a minimum of two and up to five days of training at a Restaurant and our headquarters, both of which will be located in Cincinnati, Ohio. We currently provide the Designated Owner Training Program as often as is required under the circumstances. You bear the entire travel cost of the Designated Owner to and from the location of the training and all living expenses (and salary and benefits) while the Designated Owner attends training.

Our Training Program is mandatory for your (a) Managing Owner and (b) Designated Owner. If, after the date of your Franchise Agreement, a new person, with our consent, becomes or replaces the Managing Owner or the Designated Owner, then this new person must complete our Training Program. In addition, if, after the date of your Franchise Agreement, a new entity becomes, with our consent, the new “franchisee” based on a transfer of your Penn Station franchise, then the new franchisee must pay our training fee for any required training of the Managing Owner and the Designated Owner of that new franchisee. The Managing Owner and the Designated Owner must complete the required training to our sole satisfaction.

The Managing Owner or, with our permission, an Operations Director of a multiple unit franchisee must train all General Managers in accordance with a training program consented to by us. The Managing Owner must train all Operations Directors in accordance with a training program consented to by us. We will test the training the Managing Owner provides to a General Manager and an Operations Director (unless the applicable Operations Director has previously completed training as a General Manager) of a multiple unit franchisee. If we determine, as part of the testing process, that the General Manager or an Operations Director needs additional training, we may require you, at your cost, to send the General Manager and/or an Operations Director to a designated Restaurant for additional training. You must pay to us our per diem fee for each day that the General Manager or an Operations Director receives additional training from us. You bear the entire travel cost of the General Manager and any Operations Director to and from the location of the training and all living expenses (and salary and benefits) while the General Manager and Operations Director attend their training.

Since 2011, the Training Program has been under the supervision of Mr. R. Lance Vaught, President. Mr. Vaught, in one capacity or another with us, has provided training to franchisees since December 2006. Mr. Vaught’s length of experience in franchisee training is 18 years as of the date of this disclosure statement.

Mr. Vaught is assisted by Mr. Matt Hoffman who became Director of Training in January 2020 and previously served as our Training Coordinator since January 2014. Mr. Hoffman joined Penn Station in February 2012 and has held various management roles at our training location, as well as having served as on-site opening support for new franchisees. Mr. Hoffman’s length of experience in franchisee training is 10 years as of the date of this disclosure statement. Mr. Hoffman earned his BBA in Marketing from Ohio University.

Mr. Zach Albers joined Penn Station in November 2021 as our Training Coordinator. Mr. Albers assists Matt Hoffman in the execution of the initial training of a franchisee and supports the franchisee in their execution of the Final Training Sessions prior to the opening of their first restaurant.

Penn Station’s then-current Training Store General Manager also assists Mr. Hoffman in hands-on training of franchisees at the store level.

Additional training staff, experienced in the food industry and with the Penn Station System, will assist with training and with the certain phases of the on-site assistance we provide in conjunction with opening your Restaurant. The instructional materials used for the Training Program include the Operating Manual, Accounting Manual, General Manager Training Program Manual, Store Opening Checklist, and various forms and sample documents.

There is no additional charge for the Training Program except that if, after the date of your Franchise Agreement, a new person, with our consent, becomes or replaces the Managing Owner or the Designated Owner, then you must pay directly to us our training fee that is then in effect. *See* Item 6 above. For any replacement General Manager or Operations Director, however, you must pay to us our per day training fee in effect at the time of training to test the training of the replacement General Manager or Operations Director. We do not charge to test the training you provide to the General Manager of each new Restaurant you open who will be the on-site operator.

MANAGING OWNER TRAINING PROGRAM

The Managing Owner of a franchisee (or, in the Managing Owner's absence, the Designated Owner), must attend, at your expense, the annual, general meeting of all Penn Station franchisees (Franchise Agreement, Section 5.1.11). There is a fee you must pay to us which is associated with the Managing Owner (or, in the Managing Owner's absence, the Designated Owner), missing any portion of the required annual meetings (see Item 6 of this disclosure document).

In addition to the annual, general meeting of all franchisees that your Managing Owner must attend, your Managing Owner, Operations Director, and General Manager(s) must attend our annual summary meeting. At these annual summary meetings, we will review your annual performance evaluation and explain annual changes in our Operating Manual and the Penn Station System. After the annual summary meetings (or before to the extent we have sent notice of the changes before the meeting), you must begin following the updated changes in our Operating Manual. We will notify you in advance of the specific time, place, and date of the annual summary meetings.

We may offer additional training programs and seminars dealing with new techniques, management strategies, and changes to the Penn Station System. These courses may be optional or required and may be given at our headquarters in Cincinnati, Ohio. There will be no fee charged by us for these courses although we may ask for reimbursement of our cost of course materials. You must bear the entire cost of travel for the Managing Owner, Operations Director, Designated Owner, and any General Manager to and from these training courses and all living expenses (including salaries and benefits) while attending the courses.

ITEM 12. TERRITORY

Single-Unit Development Agreement

Your Single-Unit Development Agreement will describe the area (referred to in this disclosure document as the "Site Reservation Area") in which you will have the right to seek our consent to the specific site for your Restaurant. Before signing the Single-Unit Development Agreement, we will negotiate with you the size and boundaries of that Site Reservation Area which will be generally based on street boundaries or natural boundaries. The specific location of your Restaurant will be established by the process outlined in the Single-Unit Development Agreement and in the Franchise Agreement. Under the terms of the Single-Unit Development Agreement, we offer you an exclusive territory to the extent that we agree not to either (i) operate a company-owned Penn Station Restaurant or (ii) grant to another person or entity a Penn Station franchise within the Site Reservation Area unless (a) you do not meet your deadline set out in the Single-Unit Development Agreement or you are in default of your other obligations in the Single-Unit Development Agreement, any of your Franchise Agreements or any other agreement signed by you (or your affiliates) and Penn Station or its affiliates or advertising cooperatives, or (b) the Single-Unit Development Agreement is no longer in effect (*e.g.*, the Single-Unit Development Agreement has expired). If you are in default of the Single-Unit Development Agreement, any of your Franchise Agreements or any other agreement signed by you and Penn Station or its affiliates or advertising cooperatives, we, among other remedies, may terminate the Single-Unit Development Agreement and retain the entire Site Development Fee.

Multi-Unit Agreement

Your Multi-Unit Agreement will describe the Development Territory within which you will have the right to purchase a specific number of Penn Station franchises. Before signing the Multi-Unit Agreement, we will negotiate with you the size and boundaries of the Development Territory which will be generally based on street boundaries or natural boundaries or a radius around a particular geographic point or points. The specific location of each of your Restaurants will be established by the process outlined in the Multi-Unit Agreement and in the

individual Franchise Agreements. Under the terms of the Multi-Unit Agreement, we offer you an exclusive territory to the extent that we agree not to either (i) operate company-owned Penn Station Restaurants or (ii) grant to another person or entity a Penn Station franchise within the Development Territory unless (a) you do not meet your development schedule set out in the Multi-Unit Agreement or you are in default of your other obligations in the Multi-Unit Agreement, any of your Franchise Agreements or any other agreement signed by you and Penn Station or its affiliates or advertising cooperatives, or (b) the Multi-Unit Agreement is no longer in effect (*e.g.*, the Multi-Unit Agreement has expired or the agreed-on number of Restaurants have been opened by you). If you are in default of the Multi-Unit Agreement, any of your Franchise Agreements or any other agreement signed by you (or your affiliates) and Penn Station or its affiliates or advertising cooperatives, we, among other remedies, may reduce the number of Penn Station franchises you can purchase under the Multi-Unit Agreement, retain the entire Territory Fee, accelerate your development schedule, reduce or terminate the territory protections you have in the Multi-Unit Agreement, and/or simply terminate the Multi-Unit Agreement.

Franchise Agreement

Your Penn Station franchise, and your right to operate your Penn Station Restaurant, is specifically limited to the site established under the terms of your Franchise Agreement and the Multi-Unit Agreement. Under the terms of your Franchise Agreement, we offer you an exclusive territory to the extent that we agree not to either (i) operate company-owned Penn Station Restaurants or (ii) grant to another person or entity a Penn Station franchise within, either case, an area encompassed within a radius of one mile around the site of your Restaurant (referred to in this disclosure document as the “Restricted Territory”) unless (a) you are in default of your obligations under your Franchise Agreement or under any other agreement between you and us pertaining to the Restaurant or (b) the Franchise Agreement is no longer in effect.

There is no minimum sales quota under the Franchise Agreement. You maintain your Restricted Territory even if the population increases. If you are in default of your Franchise Agreement or under any other agreement between you and us pertaining to your Restaurant, we have the option to terminate your Franchise Agreement, including the right to terminate your Restricted Territory.

Relocation

There are limited grounds for the relocation of the site of your Penn Station Restaurant other than as originally established under your Franchise Agreement. These limited grounds are generally described below. The relocation site may only be at a location consented to by us pursuant to your Franchise Agreement and which, among other things, (i) is not within the Restricted Territory under the terms of any other Franchise Agreement between you and us, (ii) is not within the territory restricted under the terms of any other franchisee’s franchise agreement in effect at the time of relocation, (iii) is in an area in which we, at the time of relocation, are granting Penn Station franchises, and (iv) is not within the Development Territory of any other franchisee. *See* Items 10 and 11 above. There can be no assurance that you will be able to relocate within the Restricted Territory originally established under your Franchise Agreement, the Development Territory originally established under the Multi-Unit Agreement (if applicable), or anywhere else; however, if the relocation site has been consented to by us and leased by you pursuant to your Franchise Agreement, the new Restricted Territory will be a one mile radius around the relocation site. The criteria that we use to decide whether you can relocate your Restaurant are summarized as follows: (a) the lease for your Penn Station Restaurant premises expires or is terminated unless termination of the lease results from your default under the lease, (b) the Restaurant location is destroyed, condemned or otherwise rendered untenable by casualty such that a Penn Station Restaurant cannot be operated (and which gives rise to your right to terminate the lease for the premises), or (c) if you reasonably determine in good faith that the continued operation of your Restaurant will impose on you a substantial economic hardship and you’re able to terminate your lease unilaterally. The terms of relocation are more specifically described in Section 1.4 of your Franchise Agreement, including signing an amendment to the affected Franchise Agreement

and the payment to us of a \$2,500 relocation fee. *See* Item 6 of this disclosure document. If you relocate your Restaurant, you must de-image and de-identify the old site as a Penn Station Restaurant, and you may not sell any property which constitutes our trade dress. We have the sole right to declare whether a change of premises constitutes a relocation for purposes of the Franchise Agreement.

You may solicit, sell, and deliver products at your Penn Station Restaurant to customers who reside outside of your Restricted Territory and, if applicable, your Development Territory but who dine at or carry-out or receive deliveries from your Restaurant. You are not required to pay any compensation to other franchisees for any of these sales. Similarly, you will not derive any compensation from any sales made by us or any other franchisees at our or our other franchisee's Penn Station Restaurants to customers who reside within your Restricted Territory or, if applicable, your Development Territory.

You do not have any rights of first refusal or similar rights to acquire additional Penn Station franchises within your Restricted Territory or in any contiguous territories. Except for the specific number of Penn Station franchises to be located within the specific Development Territory under the terms of your Multi-Unit Agreement (if applicable), you do not have any rights of first refusal or similar rights to acquire additional Penn Station franchises within your Development Territory or in any contiguous territories. Except for the specific Penn Station franchise to be located within the Site Reservation Area described in the Single-Unit Development Agreement, you do not have any rights of first refusal or similar rights to acquire additional Penn Station franchises within the Site Reservation Area described in the Single-Unit Development Agreement or in any contiguous territories.

We retain the rights in your Franchise Agreement and the Multi-Unit Agreement to, among others: (i) grant other Penn Station franchises and licenses for our Marks in addition to those franchises and licenses already granted, (ii) sell products and services ourselves under our Penn Station Marks in any context or channel of distribution such as the Internet, catalog sales, telemarketing, or other direct marketing, and (iii) develop and establish other systems (referred to in this disclosure document as "Other Systems") within your Restricted Territory or, as applicable, the Development Territory without providing you any rights in these Other Systems; however, none of these Other Systems may be a restaurant concept that features as the primary menu items Philadelphia-style cheesesteaks and submarine sandwiches (whether using the Penn Station Marks or other marks), unless (1) you are in default of your obligations under your Franchise Agreement or under any other agreement between you and us pertaining to your Restaurant, (2) the Franchise Agreement is no longer in effect, or (3) Penn Station is acquired by another business enterprise that then owns one or more restaurant concepts that features, as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches.

Although we or they may do so, neither Penn Station nor any affiliate currently operates, franchises, or has present plans to operate or franchise a business under a different trademark that sells products or services similar to those offered by Penn Station Restaurants.

ITEM 13. TRADEMARKS

We grant to you the right to use certain of our Marks pursuant to the terms of our Franchise Agreement. The following are the principal trademarks and service marks licensed by us under the Franchise Agreement that have been registered with The United States Patent and Trademark Office on the principal register (referred to in this Item 13 as our "Marks"): Penn Station Steak & Sub (and Design)® service mark which was registered with The United States Patent and Trademark Office on November 10, 1987, Registration Number 1,465,001; Penn Station® service mark, Registration Number 2,037,288, which issued on February 11, 1997; Penn Station PS...(and Design)® service mark, Registration No. 2035867, which issued February 4, 1997; It's All About Good Taste® trademark Registration Number 2,507,920 which issued November 13, 2001; Penn Station East Coast Subs (and Design)® service mark, Registration Number 2,689,989, which issued on February 25, 2003; Penn

We have filed all required affidavits and renewals for each of the Marks to have a currently effective registration.

We have been using several new principal Marks that are re-stylizations of the Penn Station, East Coast Subs® marks and that are licensed by us under the Franchise Agreement. However, we will continue to use the Marks on a basis determined by us from time to time until all Penn Station Restaurants have had the opportunity to transition to these new principal Marks.

There are no currently effective material determinations of the Patent and Trademark Office, Trademark Trial and Appeal Board, or the trademark administrator of any state or any court, nor any pending infringement, opposition, or cancellation proceedings, nor any pending material litigation against our Marks. In addition, there are no agreements currently in effect which significantly limit our right to use or license the use of our Marks in any manner material to your Penn Station franchise.

Under your Franchise Agreement, you must notify us of any unauthorized third-party use of or claim of right to (i) any mark, name, logo, or other commercial symbol licensed to you, (ii) any of our copyrighted materials, or (iii) any method of operation identical or confusingly similar to the Penn Station System. You must also notify us of any allegations, threatened disputes, disputes, or litigation involving these matters of which you have knowledge. We have the right, but not the obligation, to take those actions that we deem necessary or appropriate regarding any infringement of our Marks or any of our copyrighted materials. Accordingly, we are not obligated under your Franchise Agreement or any other agreement to take specific action against the alleged infringing user when notified by you of a claim involving our Marks or any of our copyrighted materials. If we exercise our option to take action, we control solely any discussions and litigation and may take any other actions regarding the matter or litigation as we decide is appropriate.

You must cooperate fully in defending or settling any dispute or litigation involving our Marks. As long as you have made use of our Marks as is required under the Franchise Agreement, we, at our expense, will defend you from claims brought against you based on our infringement of any copyright, trademark, or other protected proprietary rights owned or controlled by any third party. Our defense is subject to the limitations imposed under your Franchise Agreement. We will control solely any litigation and take any other actions regarding the litigation as we decide is appropriate.

Your Franchise Agreement does not provide you any rights should we require you to modify or discontinue using our Marks or any of our copyrighted materials as a result of a proceeding or settlement.

Your Franchise Agreement requires you, at our request, to refurbish, remodel, and update the Franchised Premises at your expense at our request, including to conform to certain changes we have made to the design and specifications of Penn Station Restaurants, including, for instance, changes in trade dress or presentation of the Marks.

You agree under your Franchise Agreement not to file applications for registration of our Marks and not to contest the validity or ownership of our Marks or our copyrighted materials either during or after the term of your Franchise Agreement.

We do not actually know of any superior prior rights or infringing uses that could materially affect your use of our Marks.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not have any pending patent applications nor do we own any patents or registered copyrights that are material to the Penn Station franchise. We do own proprietary rights (including copyrights) in our Operating Manual, General Manager Training Program Manual, Hourly Employee Training Manual, Managing Owner Training Program, Accounting Manual, POS Manual, and in our processes used in the Penn Station System, the use of which is franchised to you pursuant to your Franchise Agreement. Our proprietary information includes, by way of illustration, recipes, food preparation and presentation methods, customer information and data (marketing), merchandising techniques, cost containment programs, operational systems, promotional and marketing materials, the Penn Station website, and other proprietary information pertaining to the Penn Station System. We also claim unregistered copyrights in various advertising materials, slogans, artwork, designs, signage, menus, packaging materials, software programs, and other materials used in connection with our Marks or the operation of Penn Station Restaurants. We also claim ownership of any username, domain, page, handle, channel, and account names for social media pages, sites, domains, and platforms which include, relate or are similar, in our judgment, to any of our Marks or which relate or refer in any manner to the Penn Station System.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Managing Owner

Our Franchise Agreement requires that you enter into a business relationship with a person who will become the Managing Owner. Because we enter into a Franchise Agreement with you in reliance on the Managing Owner's personal qualifications and representations, the Managing Owner must have at least a voting, 10% percentage ownership in your business enterprise, on fully diluted basis, because of the key role of the Managing Owner under the Franchise Agreement. Your proposed Managing Owner must have the aptitude and ability to carry out all of the duties required of a Managing Owner. The Managing Owner will perform all overall management, marketing, administrative, and financial duties and tasks required to carry out your duties under your Franchise Agreement, including performing site-selection/acquisition and Restaurant construction tasks, supervising the Operations Director (if applicable), and undertaking the collection and completion of all of your internal accounting and financial information and all individual Penn Station Restaurant information (if you own more than one Restaurant). Because of the vital importance of the Penn Station Performance Evaluation to ensure compliance by a Restaurant to our brand standards and to share best practices across the System for individual Restaurant improvement, we require that a Managing Owner receive an annual payment based on the Performance Evaluation scores of the Restaurants owned by the franchisee in which they have an interest. We will provide each franchisee with a copy of our then current Performance Evaluation Incentive Program that details the requirements of the payment to the Managing Owner. In addition, from our observations, our better financially performing franchisees share the results of each owned Restaurant's financial performance (whether operating income, earnings before income taxes, interest, depreciation, and amortization expenses ("EBITDA"), net income, controllable cost containment, *etc.*) with its Managing Owner.

Unless Penn Station has authorized your request to have a General Manager, the Managing Owner must personally perform the direct, on-premises supervision of the operation of your Penn Station Restaurant. At any

time on and after the date when your second Restaurant is under construction (if we elect to sell you an additional Penn Station Franchise or you signed a Multi-Unit Agreement), we reserve the right, in our discretion, to require that the Managing Owner no longer be a General Manager for any Restaurant and function solely as the Managing Owner, in which case you must hire a new person (who is acceptable to us) to function as the General Manager for the applicable Restaurant. Any delay by us in requiring that the Managing Owner discontinue being a General Manager may not be treated as waiving, impairing, altering or in any way affecting our right at any time to so require the Managing Owner to discontinue being a General Manager.

The Managing Owner must devote their full time and energy to their duties and to the operation of your business. In certain limited circumstances, and in our sole discretion, we may permit the Managing Owner to serve as the Managing Owner for multiple corporate or limited liability company franchisees when those franchisees all have the same owners with the same ownership percentages. The proximity of the Managing Owner's principal residence to your Penn Station franchises must be within an acceptable distance to us. The Managing Owner may not have any other business interests other than (a) the ownership of less than 1% of the outstanding equity securities of any publicly held corporation without our prior consent and (b) with Penn Station's prior consent and in its sole discretion, an ownership interest in another Penn Station franchisee.

None of your other owners may become Managing Owner unless (i) the new person completes the Managing Owner Training Program to our satisfaction, (ii) you pay the training fee for the new person which is then in effect, (iii) the new person has the aptitude and ability to be the Managing Owner, (iv) the new person (a) personally guarantees your obligations under each Franchise Agreement between you and us and (b) agrees (if not already bound) to be bound by the terms of each Franchise Agreement between you and us as provided on the owner signature page of the Franchise Agreement, and (v) you comply with (a) all requirements in the Franchise Agreement pertaining to any ownership transfer involving the Managing Owner, including the payment to us of the applicable transfer fee, and (b) any other terms and conditions in the Franchise Agreement with respect to the new person who is proposed to become the Managing Owner, including Section 5.2.1 of the Franchise Agreement.

Operations Director

If we elect to sell to you five or more Penn Station Franchises (whether pursuant to the Multi-Unit Agreement or otherwise), then you are required, pursuant to the Franchise Agreement, to enter into a business relationship with one or more qualified people who will become an Operations Director or, at our option, to have a second Managing Owner. If required by us, the Operations Director will assist the Managing Owner in performing all overall day-to-day operational, management, and supervisory duties needed to operate a selected number of your Restaurants (which has been consented to by us), including the hiring, training, termination, management, and supervision of the General Managers for those Restaurants. The number of your Restaurants under the Operations Director's day-to-day supervision cannot change without our consent. Your proposed Operations Director must have the aptitude and ability to carry out all of the duties required of an Operations Director. Because of the vital importance of the Penn Station Performance Evaluation to ensure compliance by a Restaurant to our brand standards and to share best practices across the System for individual Restaurant improvement, we require that an Operations Director receive an annual payment based on the Performance Evaluation scores of the Restaurants, owned by the franchisee, for which they have day-to-day supervision. We will provide each franchisee with a copy of our then current Performance Evaluation Incentive Program that details the requirements of the payment to the Operations Director. In addition, from our observations, our better financially performing franchisees share the results of each owned Restaurant's financial performance (whether operating income, EBITDA, net income, controllable cost containment, *etc.*) with its Operations Director.

The Operations Director must devote their full time and energy to the operation of your business. The proximity of the Operations Director's principal residence to your Penn Station franchises must be within an acceptable distance to us. The Operations Director may not have any employment or business interests other than

their duties as Operations Director. An Operations Director must sign a confidentiality and non-compete agreement, the form of which is attached as an Exhibit to the Franchise Agreement.

No other person, including one of your owners, may become Operations Director unless (i) we consent after being given 60 days advance notice, (ii) the Managing Owner trains the new person to our satisfaction, (iii) you pay the then current testing training fee for the new person, (iv) the new person has the aptitude and ability to be Operations Directors, (v) you comply with (a) all requirements in the Franchise Agreement pertaining to any ownership transfer involving the Operations Director, including the payment to us of the applicable transfer fee, and (b) any other terms and conditions in the Franchise Agreement with respect to the new person who is proposed to become the Operations Director, including Section 5.2.2 of the Franchise Agreement.

Designated Owner

Our Franchise Agreement may require that you designate one of your owners to be the Designated Owner to, among other things, perform oversight and supervision of the Managing Owner. The Designated Owner will be the person in your business enterprise to receive this disclosure document on behalf of you and all official communications from us. The Designated Owner will also be the liaison between us and your company, including with respect to the Managing Owner and Operations Director, your financial performance, and the operational performance of your Restaurants. The Designated Owner must be an officer of your business enterprise who has decision-making authority in your business enterprise consistent with their duties and must have ownership in your business enterprise at all times.

None of your other owners may become Designated Owner unless (i) we consent after being given 60 days advance notice, (ii) the new person has the aptitude and ability to be the Designated Owner, (iii) the new person completes the Designated Owner Training Program to our satisfaction, (iv) you pay the training fee for the new person which is then in effect, (v) the new person (a) personally guarantees your obligations under each Franchise Agreement between you and us and (b) agrees to be bound (if not already bound) by the terms of each Franchise Agreement between you and us as provided on the owner signature page of the Franchise Agreement, and (vi) you comply with (a) all requirements in the Franchise Agreement pertaining to any ownership transfer involving the Designated Owner, including the payment to us of the applicable transfer fee, and (b) any other terms and conditions in the Franchise Agreement with respect to the new person who is proposed to become the Designated Owner, including Section 5.2.5 of the Franchise Agreement.

General Manager

If you own more than one Penn Station Franchise, then you must use a separate qualified General Manager to be the on-site supervisor of the operation of each of your Restaurants in accordance with your Franchise Agreements. There is no requirement that a General Manager own any of your stock or other ownership interests. Your proposed General Manager must have the aptitude and ability to carry out all of the duties required of a General Manager. The proximity of each General Manager's principal residence to their Restaurant must be within an acceptable distance to us. Because of the vital importance of the Penn Station Performance Evaluation to ensure compliance by a Restaurant to our brand standards and to share best practices across the System for individual Restaurant improvement, we require that each General Manager receive an annual payment based on the Performance Evaluation scores of the Restaurant which they operate. We will provide each franchisee with a copy of our then current Performance Evaluation Incentive Program that details the requirements of the payment to the General Manager. In addition, from our observations, our better financially performing franchisees share the results of the Restaurant's financial performance (whether operating income, EBITDA, net income, controllable cost containment, *etc.*) with its General Manager of the Restaurant.

You may employ others to assist you. Your assistants are not required to complete our training program.

Owners

All of your owners must sign the individual Franchise Agreements, agreeing to be bound by the terrorism provisions (Franchise Agreement, Section 5.1.5), the authority to use images, addresses, and biographical material (Franchise Agreement, Section 5.4), the right of first refusal provision (Franchise Agreement, Section 12.9), the confidentiality and non-compete provisions (Franchise Agreement, Section 15), electronic delivery provisions (Franchise Agreement, Section 20.3), and the forum selection and jury trial waiver provisions (Franchise Agreement, Sections 24.4 and 24.5) of each Franchise Agreement. In addition, we may require that certain of your owners, including those owners who have control of your business entity, personally guarantee all of the terms of each Franchise Agreement up to a dollar cap that is generally set at \$250,000, which amount may be increased to \$500,000 if you own ten or more Restaurants. The spouse of an owner who is required to sign a personal guaranty will not also be required to sign a guaranty unless that spouse is also an owner of the franchisee. The form of the guaranty is attached as Exhibit C to the Franchise Agreement.

The non-compete provisions are referenced in Item 17 below.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Your Franchise Agreement provides that you must sell all of the products and provide all the services required by us to be sold as part of the Penn Station System and keep your Restaurant open and in normal operation at the times and dates described in our Operating Manual. You also are prohibited from offering or selling any products or services not approved by us and from using the Restaurant premises for any purpose other than the operation of a Penn Station Restaurant. You may only sell the products and provide the services sold and provided by a Penn Station Restaurant on a retail basis and in accordance with the procedures that we establish periodically in our Operating Manual. *See* Items 8, 9, and 12 above. We do not restrict the customers to whom you may sell these products and services. *See* Item 12 above. We reserve the right to establish maximum retail prices at which products and services are sold at a Penn Station Restaurant. Our Operating Manual requires that your menu be presented in a certain manner that may affect how you can set prices. For example, sandwich toppings cannot be separately priced nor can you charge for the sale of tap water.

You must offer to customers all new products and services that we periodically develop. When notified by us to do so, you must discontinue offering any services or products as soon as we notify you. There are no limits on our ability to make changes.

ITEM 18. PUBLIC FIGURES

Penn Station does not use any public figure to promote its franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The Federal Trade Commission's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual

records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Below are tables (referred to in this Item 19 as a “Unit Financial Data Document”) of historical, financial data of 314 Penn Station Restaurants (313 franchised and one company-owned) (referred to in this disclosure document as “Units Open All Of 2023”) that were in operation all of calendar year 2023. The Unit Financial Data Documents are based on information for the calendar year ended December 31, 2023 and contain the annual averages, medians, highest and lowest, and the numbers and percentages of Restaurants attaining or surpassing the annual averages of Net sales, controllable costs, overhead costs, operating income, other costs, and EBITDA (as one or more of those terms are defined or appear in an applicable Unit Financial Data Document or in the notes that follow the Unit Financial Data Documents) of the Units Open All Of 2023.

For the purposes of this Item 19, the one company-owned Restaurant is substantially similar to the Restaurants for which we are offering franchises in this disclosure document, and its services and products are the same as those to be offered and sold by franchised Restaurants. That one company-owned Restaurant is operated at a location and in a market similar to the locations and markets of our franchised Restaurants.

There were 9 Restaurants that opened during 2023 that were not included in the Units Open All Of 2023. No data from franchisees was excluded from this Item 19 as a result of termination or the closure of their Restaurants during their first year of operation.

The information we used to create the Unit Financial Data Documents is taken from monthly, unaudited, compiled operating income statements submitted by our franchisees to us (the “Franchisee Financial Statements”) and from our books and records with respect to our one company-owned Restaurant. We required that the Franchisee Financial Statements be prepared by certified public accountants (or another accountant selected by our franchisee to which we have acquiesced after receiving the franchisee’s application to do so) under our Accounting Manual. We, however, have not separately verified the information in any of the Franchisee Financial Statements or the Unit Financial Data Documents by, for example, auditing our franchisees’ books and records or requesting our franchisees to provide us audited financial statements. None of the Franchisee Financial Statements nor the Unit Financial Data Documents make all of the disclosures or expense accruals required, and neither of them present information in the format prescribed, by generally accepted accounting principles. For example, no expense item is shown in the Unit Financial Data Documents for a franchisee owner’s salary, benefits or expenses, multiple unit overhead, interest, income taxes and debt service, or for non-cash items such as depreciation and amortization expense (except the absence of those expenses are used to determine EBITDA (as that term appears in an applicable Unit Financial Data Document or in the notes that follow the Unit Financial Data Documents)) and organizational expenses. Moreover, certain expenses such as utilities, insurance, and personal property taxes are recorded on a cash versus an accrual basis. Accordingly, we do not make any representations and cannot give any assurances that the results reported in any of the Franchisee Financial Statements or the Unit Financial Data Documents would be consistent with, or the same as, those which would result if generally accepted accounting principles were followed in the presentation of the information in the Franchisee Financial Statements and the Unit Financial Data Documents. We designed the Franchisee Financial Statements to present information in a form useful to us to measure the cash results from the operations of the Restaurants.

The Restaurants from which we gathered this information are substantially similar to the franchise being offered by this disclosure document. Written substantiation of the information contained in the Unit Financial Data Documents in the form of the Franchisee Financial Statements received by us is made available to you on your reasonable request. We, however, reserve the right to maintain the anonymity of our franchisees.

Some Penn Station Restaurants have earned this amount. Your individual results may differ. There is no assurance that you will earn as much.

The EBITDA displayed on each of these 2023 Unit Financial Data Documents also does not deduct any amounts attributable to any (a) automobile expense of any franchisee owner, (b) business meals or entertainment expense of any franchisee owner, (c) remodeling costs, (d) compensation paid to any franchisee owner or any franchisee owner's draw, (e) any employee benefits (*e.g.*, health insurance) for franchisee's owners, or (f) multi-unit expenses.

Other than the financial performance representations contained in this Item 19, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. UNIT FRANCHISE AGREEMENT
FOR
PENN STATION RESTAURANT

THIS FRANCHISE AGREEMENT (this "Agreement") is made and entered into to be effective as of _____, 20__ (the "Effective Date"), by and between PENN STATION, INC., an Ohio corporation ("Penn Station"), and _____ (a _____ corporation/limited liability company) ("Franchisee").

Preliminary Statements

Penn Station has developed a business system (the "System") for operating a restaurant featuring Philadelphia-style cheesesteaks and submarine sandwiches (the "Penn Station Restaurant" or the "Restaurant"). The distinguishing characteristics of the System include, for example, certain food ingredients, recipes, cooking techniques, food presentation methods, operational techniques, interior design and other identification schemes, methods for inventory and cost controls, recordkeeping and reporting, sales, and advertising, all of which may be changed and further developed by Penn Station from time to time.

Penn Station Restaurants are identified by certain marks, names, and logos owned by Penn Station, including, for example, the service mark "Penn Station®". This mark and the other registered trademarks, service marks, trade names and logos listed on Exhibit B attached have been designated by Penn Station for use in connection with the System (the "Registered Marks"). Penn Station may from time to time designate in the Confidential Operating Manual (as defined in Section 7.1) or in the Marketing Materials (as defined in Section 9.2.1) additional registered or unregistered marks, names, logos and certain Copyrighted Materials (as defined in Section 6.7) for use in connection with the System ("Additional Proprietary Rights"). Subject to the terms of this Agreement, the Additional Proprietary Rights will be available for use by Franchisee solely in connection with the Penn Station franchise granted by this Agreement.

Penn Station desires to franchise a Penn Station Restaurant to Franchisee, and Franchisee desires to enter into the business of operating a Penn Station Restaurant under a franchise of Penn Station's System and a license of its Marks (as defined in Section 6.2.2).

Franchisee understands and acknowledges the importance of achieving high and uniform standards of quality, cleanliness, appearance, and service and the necessity of operating Franchisee's Penn Station Restaurant in full compliance with Penn Station's standards and specifications.

Statement of Agreement

NOW, THEREFORE, in consideration of the following mutual covenants, conditions and agreements, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Penn Station and Franchisee agree as follows:

1. FRANCHISE; LOCATION OF FRANCHISE.

1.1 Franchise. Subject to the terms and conditions contained in this Agreement, Penn Station grants to Franchisee (the "Franchise"): (i) a franchise to use Penn Station's System (as the System may be changed and further developed by Penn Station from time to time) solely to operate a Penn Station Restaurant located at the Franchised Premises (as defined in Section 1.3) and (ii) a license to use the Marks and Copyrighted Materials solely in connection with the operation of a Penn Station Restaurant located at the Franchised Premises. The "Franchised Business" means the Penn Station Restaurant operated by Franchisee at the Franchised Premises pursuant to the terms of this Agreement.

1.2 Restricted Territory. Penn Station will not, so long as this Agreement is in full force and effect and Franchisee is not in Default (as defined in Section 13.4), establish, or franchise or license another to establish, a Penn Station Restaurant within a radius of 1 mile around the Franchised Premises (the area encompassed within the circle created by the above designated radius being referred to as the “Restricted Territory”).

1.3 Location of Franchise. The site for the Franchised Business is set forth on Exhibit A attached hereto and made a part hereof as if fully rewritten herein (the “Franchised Premises”). Subject to Section 1.4, the Franchise is granted only for, and Franchisee may operate the Franchised Business only at, the Franchised Premises. The lease for the Franchised Premises and the opening of the Franchised Business for business are subject to the following:

1.3.1 Lease of the Site. Franchisee represents and warrants to Penn Station that, on or before the Effective Date, Franchisee (i) executed and delivered to its landlord of the Franchised Premises, a valid, binding and enforceable lease for the Franchised Premises, (ii) obtained Penn Station’s consent to the lease for the Franchised Premises, such consent being for purposes only whether the lease complied with this Agreement (for example, whether the lease term has sufficient length and the configured space could be suitable for a Penn Station Restaurant), (iii) provided to Penn Station all information concerning the lease that Penn Station deemed necessary, including the information on Penn Station’s then current Lease Checklist form, and (iv) obtained the signature of the landlord of the Franchised Premises to Penn Station’s then current Lease Addendum form. The lease for the Franchised Premises, which has received Penn Station’s prior consent, is referred to as the “Premises Lease”. Franchisee may not directly or indirectly own the Franchised Premises. An Owner (as defined in Section 5.2) may directly or indirectly own the Franchised Premises so long as (A) Penn Station has determined that the proposed rental rate under the Premises Lease is a market rate, and the Premises Lease, which is in writing, is otherwise on market terms and conditions; (B) Penn Station has determined that Franchisee’s development capital (including any portion used by one or more Owners to own the Franchise Premises) is adequate to complete Franchisee’s obligations that it may have under any multi-unit development agreement between Franchisee (or any of its affiliates) and Penn Station; and (C) the term of the proposed Premises Lease is coterminous with this Agreement. If Franchisee seeks to renew the Premises Lease on terms other than the terms consented to by Penn Station when the Premises Lease was initially executed, then Franchisee must first obtain Penn Station’s consent to the renewal terms in the same manner as the Premises Lease for the initial term.

1.3.2 Restaurant Construction. Franchisee will purchase and install (i) all interior and exterior improvements as are required pursuant to Penn Station’s then current Construction Guidelines for a Penn Station Restaurant and (ii) all furniture, furnishings, and equipment as are then specified by Penn Station (all interior and exterior improvements, furniture, furnishings, and equipment being collectively, the “Restaurant Improvements”). “Construction Guidelines” means, as of any date, the then latest set of architectural drawings and construction documents for a Penn Station Restaurant which Penn Station has adopted as prototypical for construction. After this Agreement is signed by Franchisee and Penn Station, Penn Station will make available to Franchisee the Construction Guidelines and the name of an authorized supplier for those items of the Restaurant Improvements that are restaurant equipment. Franchisee will, at its expense, have a preliminary floor plan of the Franchised Premises prepared by an architect consented to by Penn Station based on the Construction Guidelines. If the architect proposed by Franchisee is not an architect who has been pre-consented to by Penn Station, then Franchisee must demonstrate to Penn Station that the architect is a qualified architect, and Franchisee must pay Penn Station’s then current architectural review fee to a pre-authorized architect designated by Penn Station for that architect to review the plans prepared by the architect proposed by Franchisee. Once the preliminary floor plan is consented to by Penn Station, Franchisee, at its expense, will have the authorized architect prepare location-specific drawings and construction documents based on the Construction Guidelines. It is the Franchisee’s responsibility to ensure that the location-specific drawings and construction documents comply with local laws and regulations (including building, zoning, and health codes). Before submitting for a building permit or letting the project out for bid, Franchisee will submit for Penn Station’s consent Franchisee’s location-specific drawings and construction documents so that Penn Station may determine compliance with the Construction Guidelines. Penn Station’s consent to Franchisee’s location-specific drawings and construction documents for the Franchised Premises may in no way be construed to be a warranty or representation as to the quality or sufficiency of the design, the architectural concepts, or the construction methods or materials called for in

those drawings or documents or whether those drawings and documents meet the requirements of applicable local, state and federal laws, codes and regulations. Franchisee, at its cost, will have the sole responsibility to obtain a reputable, professional commercial contractor, who has restaurant experience, and all building, zoning, health and all other required permits. Franchisee will construct the Franchised Premises strictly in accordance with the authorized location-specific drawings and construction documents. If Franchisee proposes to sign a lease for any of the specified items of removable equipment or fixtures, or both, Franchisee will submit a copy of the lease to Penn Station for its review and prior consent. Franchisee will use its best efforts to have included in the lease provisions which allow Penn Station to obtain, at its option, an assignment of Franchisee's rights under the lease if the lease expires or is terminated or this Agreement: (a) is terminated by Penn Station because a Default has occurred or (b) is not renewed by Penn Station because the applicable renewal conditions have not been met in accordance with Section 2.2.

1.3.3 Commencement of Operations. Franchisee must begin operating the Franchised Business at the Franchised Premises by the date set forth on Exhibit A.

1.3.4 Extensions of Time. Penn Station will grant to Franchisee extensions of time to complete the requirements contained in this Section 1.3 for delays that are caused by acts of God and other circumstances which Penn Station determines are beyond Franchisee's control. Penn Station will have the right, in its discretion, to decide the duration of any extension of time and how many extensions (if any) Franchisee may have. If Penn Station determines that the delay was not caused by circumstances beyond Franchisee's control, then no extensions will be granted to Franchisee.

1.3.5 Termination. If either (i) the Premises Lease is not signed by Franchisee and the landlord of the Franchised Premises within 60 days after the date stated in Section 1.3.1 or (ii) Franchisee does not perform its obligations in the manner and within the time requirements of Sections 1.3.2 and 1.3.3 (as the same may be extended by Penn Station under Section 1.3.4), then this Agreement may be terminated by Penn Station pursuant to Section 13.2.1. If the Premises Lease is not signed by Franchisee and the landlord of the Franchised Premises by the date stated in Section 1.3.1 through no fault of Franchisee, then this Agreement may be terminated by Franchisee giving written notice to Penn Station of Franchisee's election to terminate. Franchisee must give notice of its election to terminate no later than the date which is 60 days after the date stated in Section 1.3.1.

1.4 Relocation. If, before the termination of this Agreement: (i) the Premises Lease expires or is terminated and, in the case of a termination of the Premises Lease, Franchisee is not then in default under the Premises Lease; (ii) the Franchised Premises is damaged, condemned or otherwise rendered untenable through casualty so that a Penn Station Restaurant cannot be operated at the Franchised Premises, and, as a result of the damage or condemnation, Franchisee has the right to terminate the Premises Lease; or (iii) Franchisee (a) reasonably determines in good faith that the continued operation of the Franchised Business at the Franchised Premises will impose or cause a substantial economic hardship on Franchisee, (b) has the right to terminate the Premises Lease, and (c) delivers to Penn Station a written explanation of Franchisee's determination and analysis accompanied by supporting financial information and other evidence required by Penn Station, then Penn Station will grant Franchisee permission to relocate the Franchised Business to a new location if the new location is consented to by Penn Station (Contingencies 1.4(i), (ii) and (iii) above are referred to as a "Relocation Event") subject to the terms of this Section 1.4. The new location (1) must be at a site that has been consented to by Penn Station in its sole discretion; (2) may not be within (A) the restricted territory provided for in any other franchise agreement between Penn Station and Franchisee, (B) the development territory provided for in any multi-unit development agreement between Penn Station and another franchisee, or (C) the restricted territory of any other Penn Station franchisee as provided for in that franchisee's franchise agreement in effect at the time of selecting a relocation site; and (3) must be in an area in which Penn Station, at the time Franchisee selects a relocation site, is granting Penn Station franchises. Should a Relocation Event occur, Franchisee may (x) proceed to locate a new site for the Franchised Business (the "Relocation Site") in the manner described in Section 1.4.1 if Franchisee is not in Default at the time of the Relocation Event, or (y) terminate this Agreement by giving Penn Station written notice of Franchisee's election to terminate within 90 days after the Relocation Event occurs. If Franchisee elects to terminate this Agreement as provided in this Section 1.4, then Franchisee must comply with all of Franchisee's obligations in Section 14 on termination, and Franchisee will continue to comply with, and will be

bound by, all of the other terms and conditions of this Agreement until this Agreement is terminated in accordance with the terms of this Agreement. On request by Franchisee, Penn Station will provide to Franchisee assistance in locating a new site for the Franchised Business after a Relocation Event occurs as Penn Station determines is reasonably required of it under the circumstances.

1.4.1 Proposed Relocation Site. Before leasing any Relocation Site, Franchisee will submit to Penn Station: (i) a written description of the proposed Relocation Site; (ii) information which indicates that the proposed Relocation Site is available to be leased within 60 days after the date that Franchisee submits the proposed Relocation Site to Penn Station for its review; and (iii) all other information as Penn Station may reasonably request relating to the Relocation Site, including the completion of Penn Station's then current Site Selection Analysis and Request for Site Authorization and Lease Checklist forms. Penn Station will review the proposed Relocation Site and material and will, in its sole discretion, determine whether to consent to the proposed Relocation Site. In exercising its discretion, Penn Station will review the proposed Relocation Site on the basis of Penn Station's criteria for the selection of locations for Penn Station Restaurants. Penn Station's criteria include population density, median income and other demographic information deemed relevant by Penn Station, pedestrian and automobile traffic counts, exposure, accessibility, square footage, interior layout, market value of the property and/or the leases, lease terms, neighboring communities and businesses, the ability of Franchisee to obtain the Lease Addendum from the landlord, the proximity of the Relocation Site to any other Penn Station Restaurant (whether owned by Franchisee, Penn Station, or another Person), and any other criteria as may be used and developed from time to time by Penn Station. Penn Station will provide Franchisee written notice of its consent or disapproval, as the case may be, of the proposed Relocation Site or will request additional information within 10 days after receiving Franchisee's written proposal; however, Penn Station will provide Franchisee notice of its consent or disapproval of the proposed Relocation Site within 30 days after receiving Franchisee's written proposal. Penn Station will not be treated as giving its consent to any Relocation Site simply by failing to respond to Franchisee within 30 days after receiving Franchisee's written proposal for a Relocation Site;

1.4.2 Acquisition of Relocation Site. If Penn Station disapproves the proposed Relocation Site, then Franchisee may elect (i) to terminate this Agreement by giving Penn Station notice of Franchisee's election to terminate within 30 days after Penn Station's disapproval of the proposed Relocation Site or (ii) to repeat the process outlined in Section 1.4.1 to locate a Relocation Site; however, if Franchisee is unable under any circumstances to be Under Construction at a Relocation Site, consented to by Penn Station, for the Franchised Business by the Relocation Deadline, then Penn Station may terminate this Agreement pursuant to Section 13.2.1. The "Relocation Deadline" means the date which is 180 days after the date that the Relocation Event occurred (as determined by Penn Station). If Penn Station consents to Franchisee's proposed Relocation Site, then Franchisee will, no later than the Relocation Deadline, be Under Construction at the consented to Relocation Site. For purposes of this Section 1.4, the Relocation Site is "Under Construction" if all of the following conditions ("Under Construction Conditions") have been satisfied:

(a) no later than the Relocation Deadline, Franchisee must sign a lease for the Relocation Site. The lease must be reviewed and have received Penn Station's consent before Franchisee signs it. Any proposed lease for the Relocation Site will contain those provisions as are required by Section 1.3.1 for initial leases, including Penn Station's then current Lease Addendum form. Neither Franchisee nor its Owners may directly or indirectly own the Relocation Site (subject to clauses (A) through, and including, (F) of Section 1.3.1);

(b) no later than the Relocation Deadline, Franchisee must (1) complete, at its expense, all construction plans, in accordance with Penn Station's then current Construction Guidelines, by an architect consented to by Penn Station in accordance with requirements of Section 1.3.2 for initial construction, (2) submit the construction plans for review by Penn Station, and (3) obtain, at Franchisee's expense, all applicable permits (including a valid building permit) which will allow Franchisee to begin immediate construction and completion of all applicable Restaurant Improvements to the Relocation Site. Penn Station will provide Franchisee written notice of its consent or disapproval, as the case may be, of the proposed construction plans within 30 days after receiving the applicable construction plans;

(c) no later than the Relocation Deadline, Franchisee will pay a relocation fee to Penn Station in the amount of \$2,500, which is fully earned when paid and non-refundable; and

(d) no later than the Relocation Deadline, Franchisee must sign an amendment to this Agreement to reflect the new Franchised Premises, as re-established at the Relocation Site under Section 1.4.3.

The date on which the last Under Construction Condition is met is referred to as the “Under Construction Date”;

1.4.3 Commencement of Operations. Within 120 days after the Under Construction Date, Franchisee will (i) purchase and install all of the Restaurant Improvements as are then required pursuant to Penn Station’s then current Construction Guidelines (the construction of the Restaurant Improvements must be in the manner described in Section 1.3.2 for the initial construction of the Franchised Business), and (ii) begin operation of the Franchised Business at the Relocation Site in accordance with the terms of this Agreement, as amended to reflect the new Franchised Premises, as re-established at the Relocation Site under Section 1.4.3. Penn Station will provide on-site assistance for a period of approximately two to four days before the opening of, and during a portion of the first week of operations of, the Franchised Business at the Relocation Site. The level and duration of Penn Station’s assistance will be as Penn Station determines is reasonably required of it under the circumstances. When operations begin at the Relocation Site, (a) the term “Franchised Premises” will mean the Relocation Site; the “Premises Lease” will mean the new lease for the Relocation Site; and “Restricted Territory” will mean the area encompassed within a radius of 1 mile around the Relocation Site, and (b) the terms and conditions of this Agreement will remain in full force and effect as if the Relocation Event had not occurred. Subject to this Section 1.4, the Franchise is granted only for, and Franchisee may operate the Franchised Business only at, the Relocation Site which has become the “Franchised Premises”;

1.4.4 Extensions of Time. Penn Station will grant to Franchisee extensions of time to complete the requirements contained in Section 1.4.3 for delays that are caused by acts of God and other circumstances which Penn Station determines are beyond Franchisee’s control. Penn Station will have the right, in its discretion, to decide the duration of any extension of time and how many extensions (if any) Franchisee may have. If Penn Station determines that the delay was not caused by circumstances beyond Franchisee’s control, then no extensions will be granted to Franchisee;

1.4.5 Termination. If Franchisee does not begin operation of the Franchised Business at the Relocation Site within the time period required by Section 1.4.3 (as may be extended by Penn Station under Section 1.4.4), then this Agreement may be terminated by Penn Station pursuant to Section 13.2.1; and

1.4.6 De-Identification of Former Site. As a condition of relocating to the Relocation Site, Franchisee will, at its expense, make all modifications or alterations to the former Franchised Premises (the “Former Location”) before vacating the Former Location as may be necessary or which are requested by Penn Station to prevent the operation of any business or enterprise at the Former Location which Penn Station might deem substantially similar to, or confusingly similar with that of, any Penn Station Restaurant, including the removal of all signs, trade dress and any other articles prepared or owned by Franchisee which display the Marks, Copyrighted Materials or are associated with the System. If Franchisee fails or refuses to comply with the requirements of this Section 1.4.6, then it will be a Default, and Penn Station will have the right to enter the Former Location for the purpose of making all required changes to prevent any impression that a Penn Station Restaurant is still operating at the Former Location or that there is any continuing association or connection with a Penn Station Restaurant at the Former Location. Any action so taken by Penn Station will be at the sole expense of Franchisee (including reasonable attorneys’ fees incurred by Penn Station in obtaining injunctive relief, damages or other relief for the enforcement of any provision of this Section 1.4.6). Franchisee will not assert against Penn Station or its agents any action of trespass or other similar tort for the action described in this Section 1.4.6. Under no circumstances will Franchisee attempt to, or enter into an agreement to, sell or otherwise transfer to any subsequent tenant or owner of the Former Location any trade dress of Penn Station or any other articles prepared or owned by Franchisee which display the Marks, Copyrighted Materials or are associated with the System.

1.5 Non-Assumption. Notwithstanding Penn Station's exercise of its right to consent to the initial location of the Franchised Premises or the Relocation Site(s), Penn Station does not assume and will not be deemed to have assumed any responsibility or liability to Franchisee for exercising this right. Penn Station makes no representations, warranties or guaranties, express or implied, as to (i) the potential volume, profits, returns, or success of a Penn Station Restaurant at any location consented to by Penn Station under Sections 1.3 or 1.4 or (ii) the accuracy, validity, or reliability of any information provided by any third-party demographic or site selection services firm from whom Penn Station may provide Franchisee information.

2. TERM AND RENEWAL.

2.1 Term. Except as otherwise expressly provided in this Agreement, the initial term of this Agreement is 5 years, [beginning on the date Franchisee begins operating the Franchised Business at the Franchised Premises as determined in Penn Station's sole discretion] [or] [which began on [_____, 20__]².

2.2 Renewal. Franchisee may renew the Franchise for the Franchised Business at the end of the initial 5 year term (or any then current 5 year renewal term) for an additional, consecutive 5 year term up to a total of 3 consecutive renewal terms of 5 years each if, at the end of the initial term or the then current renewal term, Franchisee satisfies each of the following conditions to the sole satisfaction of Penn Station:

2.2.1 No Notice. Franchisee has not given Penn Station a non-renewal notice. If Franchisee elects not to renew, Franchisee must give a non-renewal notice to Penn Station not less than 3 months nor more than 6 months before the end of the initial term or the then current renewal term;

2.2.2 No Default. Franchisee is not in Default, and Franchisee has substantially complied with all of the terms and conditions of this Agreement and all other agreements between Penn Station and Franchisee pertaining to the Franchised Business;

2.2.3 Payments Made. All monetary obligations owed by Franchisee to Penn Station have been satisfied, and Franchisee has timely met those monetary obligations throughout the term of this Agreement;

2.2.4 Lease Current. The Premises Lease must be in effect, and Franchisee must not be in default under the Premises Lease;

2.2.5 Current Franchise Agreement. Franchisee signs Penn Station's then current franchise agreement for single unit franchisees for the State in which the Franchised Business is located ("New Franchise Agreement") which, when signed, will supersede this Agreement for the applicable renewal term. Franchisee acknowledges and agrees that the New Franchise Agreement signed on each renewal may contain terms and conditions different than those provided for in this Agreement; however, each New Franchise Agreement will contain the same renewal fee as provided in Section 2.2.6, the same continuing monthly royalty fee formula as provided in Section 3.1.2, the same percentage limitation of any Local Advertising as provided in Section 9.1.1, the same percentage of the National Fund (as defined in Section 9.4) fee provided for in Section 3.1.3, the same Restricted Territory as described in Section 1.2, and the same Franchised Premises described in Section 1.3;

2.2.6 Renewal Fee. Franchisee pays to Penn Station a renewal fee in an amount equal to \$1,000 for each renewal of the term of this Agreement before the end of the initial term and the then current renewal term; and

2.2.7 Release. Franchisee, the Managing Owner, the Designated Owner, and, as required by Penn Station all of Franchisee's other Owners, execute a general release, in a form prescribed by Penn Station, of any and all

² For renewal agreements only.

claims through the date of renewal against Penn Station and its affiliates, and their respective officers, directors (or managers), shareholders, agents, and employees in their corporate and individual capacities.

2.3 End of Term. At the end of the third and final renewal term of this Agreement (*i.e.*, a total of 20 years if this Agreement has been renewed for all three renewal terms), Franchisee acknowledges and agrees that Penn Station has no obligation to further renew this Agreement or the Franchise. Any renewal of the Franchise will be at the sole option of Penn Station.

3. FEES.

3.1 Fees. In consideration of the Franchise granted to Franchisee, Franchisee will pay to Penn Station the following fees:

3.1.1 Initial Franchise Fee. Prior to Franchisee's initial commencement of operations of the Franchised Business at the Franchised Premises (as determined solely by Penn Station), Franchisee will pay to Penn Station an initial franchise fee in the amount of \$25,000³. Under no other circumstances is the initial franchise fee refundable. No initial franchise fee will be due and payable for any renewal of this Agreement.

3.1.2 Continuing Monthly Royalty Fee. Franchisee will pay to Penn Station a continuing monthly royalty fee during the term of this Agreement in an amount determined as follows⁴: (i) if Franchisee's Net Sales, as defined below, during the month are less than or equal to \$30,000.00, a royalty fee is due in an amount equal to (a) 0.0% (zero percent) if the month for which Franchisee's Net Sales are less than or equal to \$30,000.00 occurs during the Applicable Five Year Period (as defined below)⁵ or (b) 2.0% of Franchisee's Net Sales if the month for which Franchisee's Net Sales are less than or equal to \$30,000.00 occurs after the end of the Applicable Five Year Period; (ii) if Franchisee's Net Sales during the month are greater than \$30,000.00 but less than or equal to \$35,000.00, a royalty fee is due in an amount equal to 3.0% of Franchisee's Net Sales; (iii) if Franchisee's Net Sales during the month are greater than \$35,000.00 but less than or equal to \$40,000.00, a royalty fee is due in an amount equal to 4.0% of Franchisee's Net Sales; (iv) if Franchisee's Net

³ With respect to certain Restaurants in Target Growth Areas and the Multi-Store Incentive Program, as defined in the franchise disclosure document, this amount will be \$12,500. With respect to renewals after 20 years have elapsed since the last Unit Franchise Agreement was in effect, this amount is \$2,500. For renewals, this sentence will read: "No initial franchise fee is due with the signing of this Agreement, as this Agreement is a renewal of the Existing Agreement (as defined in Section 21.3)."

⁴ With respect to certain Restaurants in Target Growth Areas (or opened under the New Store Incentive Program or Multi-Store Incentive Program), each as defined in the franchise disclosure document, there is an abatement of monthly royalty fees generally for a period of 180 or 365 days, as applicable, as measured by the date of the commencement of operations of the Franchised Business at the Franchised Premises, as determined by Penn Station, and ending on the 180th day or one-year anniversary thereafter, the following provision is added: "Notwithstanding Sections 3.1.2 and 3.2, Penn Station agrees that, beginning on the date of commencement of operations of the Franchised Business at the Franchised Premises, as determined by Penn Station (the "Effective Date") and until, and including, the [180th/365th]day thereafter (as determined by Penn Station) (the "Monthly Royalty Abatement End Date"), Franchisee will not be obligated to pay to Penn Station the continuing monthly royalty fees otherwise required by Sections 3.1.2 and 3.2 for Net Sales occurring solely during the period beginning on and after the Effective Date and until, and including, the Monthly Royalty Abatement End Date. Commencing each day after the Monthly Royalty Abatement End Date, Franchisee shall pay to Penn Station all of the continuing monthly royalty fees in accordance with Sections 3.1.2 and 3.2 for all of the Net Sales occurring after the Monthly Royalty Abatement End Date. Notwithstanding the foregoing abatement of the monthly royalty fees by the terms of this Agreement, Franchisee must continue to provide timely to Penn Station all monthly sales data required under Section 8.1.2 for all months ending on and after the Effective Date and pay to Penn Station all other fees and amounts due under this Agreement. For the avoidance of doubt, the monthly royalty fees due for the Net Sales occurring after the Monthly Royalty Abatement End Date for the calendar month in which the Monthly Royalty Abatement End Date occurs will be determined based on the total Net Sales for the calendar month in which the Monthly Royalty Abatement End Date occurs."

⁵ This clause (a) and references to "Applicable Five Year Period" in this Section will be deleted for any Franchisee that is signing a Franchise Agreement for an additional term of 20 years.

Sales during the month are greater than \$40,000.00 but less than or equal to \$45,000.00, a royalty fee is due in an amount equal to 5.0% of Franchisee's Net Sales; (v) if Franchisee's Net Sales during the month are greater than \$45,000.00 but less than or equal to \$50,000.00, a royalty fee is due in an amount equal to 6.0% of Franchisee's Net Sales; (vi) if Franchisee's Net Sales during the month are greater than \$50,000.00 but less than or equal to \$55,000.00, a royalty fee is due in an amount equal to 7.0% of Franchisee's Net Sales; and (vii) if Franchisee's Net Sales during the month are greater than \$55,000.00, a royalty fee is due in an amount equal to 8.0% of Franchisee's Net Sales. The term "Net Sales" means all revenues and income received by Franchisee as a result of, or in connection with, the ownership or operation of the Franchised Business, whether in cash or on credit, and regardless of collection in the case of credit, and whether payment therefor is received by Franchisee in the form of goods or services, excluding from Net Sales (1) any sales tax properly imposed and collected by Franchisee for payment to the appropriate taxing authority and (2) solely any delivery fee (*e.g.*, exclusive of any commission or other fee) separately charged and collected by a third-party delivery company mandated by us, and actually paid by Franchisee in good faith to that third-party delivery company, for delivery of any food from the Restaurant directly to a customer of the Restaurant. If a customer of Franchisee is entitled to a refund, Franchisee may deduct the amount of the refund from the Net Sales for the month in which the refund is made. Net Sales includes any payments made to Franchisee based on any compensation for any interruption in the operations of the Franchised Business. The royalty fee due on any insurance or other proceeds received for any interruption in the operations of the Franchised Business will be based on the gross sales amount used by the insurance company (or other obligor) to determine that compensation before any reduction for expenses. For purposes of determining Net Sales, any transactions pursuant to which Franchisee furnished goods or services in exchange for goods or services to be provided to Franchisee will be valued at the full retail value of the goods or services so provided to Franchisee. The monthly Net Sales will be reported to Penn Station as required by the Confidential Operating Manual or as otherwise designated by Penn Station in writing. "Applicable Five Year Period" means the period generally beginning with the first month (or portion of that month) in which Franchisee first began operating the Franchised Business at the Franchised Premises during the initial 5 year term of this Agreement (the "First Month of Operations") and, as determined by us, ending on the last day of the month which is the fifty-ninth (59th) month occurring after the First Month of Operations (the "Last Month of the Applicable Five Year Period"). For purposes of illustration, if the Restaurant began operations on July 15, 2017, then the First Month of Operations would be July, 2017, and the Last Month of the Applicable Five Year Period would be June, 2022.

3.1.3 National Advertising Fee. Franchisee will pay into the National Fund, on a monthly basis, an amount up to 4% of Franchisee's monthly Net Sales from the Franchised Business. As of the Effective Date, Franchisee will be required to pay 2% of Franchisee's monthly Net Sales into the National Fund. If Penn Station elects on any one or more occasions to begin requiring Franchisee to pay into the National Fund, on a monthly basis, an amount greater than 2% (but not in excess of 4%) of Franchisee's monthly Net Sales from the Franchised Business, Penn Station will give Franchisee at least 30 days advance notice of such change, and Franchisee will after each change begin making the required percentage payment into the National Fund, on a monthly basis, until Franchisee receives any further notice or notices from Penn Station of any further changes.

3.2 Delivery of Reports and Fees. All monthly payments required by this Section 3 or by Section 9.4, together with the monthly sales data required under Section 8.1.2, must be received by Penn Station no later than 5:00 p.m. on the 10th day of each month for sales during the preceding calendar month. Any payment or sales data not actually received by Penn Station for any reason on or before the 10th day of the applicable month will be deemed overdue. If any payment (or sales data) is overdue, Franchisee will pay to Penn Station, in addition to the overdue amount, (i) a late payment fee (the "Late Fee") in an amount equal to the lesser of (a) \$75.00 or (b) the maximum amount permitted by applicable law, and (ii) if Penn Station does not receive the required payment for more than 10 days past the due date, interest, in addition to the Late Fee, on the amount of any late payment from the date the payment became due until paid at a rate per annum (the "Default Rate") equal to the lesser of (A) 3% plus the prime rate of Fifth Third Bank, Cincinnati, Ohio (or any successor), in effect on the day the payment became due and subject to change thereafter or (B) the maximum rate permitted by applicable law. Penn Station's right to receive this interest payment and the Late Fee is in addition to any other rights and remedies Penn Station may have under this Agreement or applicable law and is not a waiver of any Default that occurs or an agreement by Penn Station to permit any late payments whatsoever. Penn Station has implemented an electronic funds

transfer method of payment of any and all amounts due Penn Station under this Agreement as designated by Penn Station from time to time, and Penn Station reserves the right to apply such amounts collected to any outstanding amounts, in any order or manner elected by Penn Station in its discretion, owed by Franchisee. On Penn Station's request, Franchisee will sign all necessary forms to cause those payments to be made by electronic transfer from Franchisee's bank account to Penn Station's bank account. Penn Station has the right to initiate an electronic payment of the monthly payments required by this Section 3 or by Section 9.4 at any time on or after the first business day of each calendar month. Franchisee will not be entitled to any refund or distribution from Penn Station (or any delegatee of Penn Station) of any amounts paid to Penn Station (including any Supplier Funds) (or any delegatee of Penn Station) if the Franchisee Transfers the Franchised Business to another Person or otherwise.

4. ADDITIONAL PENN STATION COVENANTS.

4.1 Penn Station Obligations. During the initial term of this Agreement and any renewal term, if applicable, Penn Station will:

4.1.1 Specifications. make available to Franchisee Penn Station's then current Construction Guidelines, the name of an authorized architect, and, to the extent available, written specifications for, and the names of authorized suppliers of, the specific items of Restaurant Improvements then specified by Penn Station for Penn Station Restaurants. Penn Station will provide Franchisee with advice regarding Franchisee's construction of the Franchised Premises as Penn Station determines is reasonably required of it under the circumstances;

4.1.2 Training; Opening Assistance. provide the Training Program (as defined in Section 5.1.1) for the Managing Owner (as defined in Section 5.2.1) and the Designated Owner (as defined in Section 5.2.5). The Training Program provided by Penn Station is subject to the terms and conditions in Section 5.1.1. Penn Station will also make available, from time to time, any future training programs that Penn Station develops for, and provides to, all of its franchisees and their managing owners, operations directors, and general managers. In addition to the Training Program, Penn Station will also provide on-site assistance (concurrently with the on-site portion of the Training Program) for a period of approximately two to four days before the opening of, and during a portion of the first week of operations of, the Franchised Business. The level and duration of Penn Station's assistance will be as Penn Station determines is reasonably required of it under the circumstances;

4.1.3 Specifications; Suppliers. provide in writing to Franchisee, including through Penn Station's Outernet, a list of specified inventory, supplies, and services, and the names of an authorized supplier or suppliers for inventory, supplies and services;

4.1.4 Continuing Assistance. provide continuing advisory assistance to Franchisee as Penn Station determines is reasonably required from Penn Station in connection with Franchisee's operation of its Penn Station Restaurant, which assistance may be provided through Penn Station's Outernet;

4.1.5 Manuals. loan Franchisee one copy of the Confidential Operating Manual, the point-of-sale manual (the "POS Manual"), the Training Manuals (as defined in Section 7.1), and the Accounting Manual (as defined in Section 8.1.1);

4.1.6 Product Analysis. perform, from time to time, an analysis of its products and services, and Penn Station will provide to Franchisee the benefit of any new developments by Penn Station resulting from its analysis if (i) Penn Station determines that the new development comes within the scope of the products sold and services rendered by a Penn Station Restaurant and (ii) Penn Station has given notice to all franchisees to implement these new developments as a part of the System; provided, however, Penn Station may in its sole discretion from time to time give its consent to one or more of its franchisees to provide certain products or services not designated for general use as a part of the Penn Station System based upon such factors as Penn Station determines is appropriate or necessary, including, the individual

qualifications of the franchisee, local or regional differences, and test marketing. The consent of Penn Station with respect to any other franchisee providing such products or services may be revoked by Penn Station at any time and shall not create any rights in Franchisee to provide the same products or services. Franchisee shall discontinue selling or offering any product or service that Penn Station may, in its discretion, disapprove in writing at any time; and

4.1.7 Inspections. conduct, as it deems advisable (and Franchisee will cooperate and permit Penn Station to conduct), inspections of the Franchised Premises and undertake Performance Evaluations of Franchisee's operation of the Franchised Business for purposes of protecting the Marks and the System, attaining uniform standards for each Penn Station Restaurant and ensuring compliance with the Confidential Operating Manual and this Agreement.

4.2 Non-Assumption. Penn Station will not, by virtue of any consents, approvals, advice, assistance, inspections, or services provided to Franchisee, assume any responsibilities or liabilities (i) of Franchisee or (ii) to any Person.

5. ADDITIONAL FRANCHISEE COVENANTS.

5.1 Franchisee Duties. Franchisee understands and acknowledges that is vital to develop and to obtain uniform standards within the System and to ensure uniform compliance with the Confidential Operating Manual, to increase demand for the products sold and services performed by all franchisees, and to protect Penn Station's goodwill and the Marks, and to that end:

5.1.1 Training Program.

(i) The Managing Owner must attend and complete, in full compliance with, all aspects of Penn Station's managing owner training program, as time to time in effect (the "Managing Owner Training Program"). During the Managing Owner Training Program, the Managing Owner will be required to demonstrate appropriate knowledge and skill, in accordance with Penn Station's then current Managing Owner Training Program requirements and standards, in the management and operation of a Penn Station Restaurant;

(ii) The Designated Owner must attend and complete, in full compliance with, all aspects of Penn Station's designated owner training program, as time to time in effect (the "Designated Owner Training Program"). The Managing Owner Training Program and the Designated Owner Training Program are sometimes collectively referred to herein, as applicable, as the "Training Program". During the Designated Owner Training Program, the Designated Owner will be required to demonstrate appropriate knowledge and skill, in accordance with Penn Station's then current Designated Owner Training Program requirements and standards, in the management of a Penn Station Restaurant;

(iii) The Training Program is mandatory for the Managing Owner (or replacement Managing Owner) and the Designated Owner (or replacement Designated Owner). If, after the Effective Date, a new person becomes (or replaces), pursuant to the terms of this Agreement, the Managing Owner or the Designated Owner, then Franchisee must pay to Penn Station its then current training fee to train the new person under the Training Program. The training fee is due by the 10th day of the calendar month immediately following the calendar month in which the new person finished their training. No training of any replacement Managing Owner may occur until the replacement Managing Owner signs a confidentiality and non-compete agreement, in form and substance acceptable to Penn Station, and has been delivered to Penn Station. Penn Station will provide and pay only for the training instructors, facilities and training material in connection with the Training Program for Franchisee's first Managing Owner and Franchisee's first Designated Owner. Except as provided in the foregoing sentence, under all circumstances, all accommodations, meals, travel expenses, wages and benefits of the Managing Owner and, as applicable, the Designated Owner during the training period will be borne by Franchisee;

(iv) Notwithstanding anything to the contrary in this Section 5.1.1, if Franchisee owns more than one Penn Station Restaurant franchise or has signed a multi-unit development agreement, Franchisee will, unless directed otherwise by Penn Station, provide training for (a) each General Manager and (b) any Operations Director. No training of any Operations Director may occur until the Non-Disclosure Agreement has been signed by the Operations Director. Franchisee's training program of each General Manager and Operations Director must be carried out to Penn Station's satisfaction by Franchisee within 30 days after the General Manager or Operations Director is hired by Franchisee and in accordance with Penn Station's then current training requirements and standards for General Managers and Operations Directors. If Franchisee fails to train any General Manager or Operations Director within that 30-day period, Penn Station shall have the right, as detailed below, to perform the training itself, and Franchisee will pay to Penn Station its then current training fee for that training upon receipt of Penn Station's request for payment therefor. Penn Station will also test, on-site at each Restaurant, the sufficiency of the training of each General Manager and Operations Director of the Franchised Business. Franchisee will pay a fee to Penn Station equal to Penn Station's then current per diem training fee for each day (or portion of a day) Penn Station spends testing Franchisee's training of each of Franchisee's General Managers, upon receipt of Penn Station's request for payment therefor. If the applicable Operations Director has not previously completed training as a General Manager, then Franchisee will pay a fee to Penn Station equal to Penn Station's then current per diem training fee for each day (or portion of a day) Penn Station spends testing Franchisee's training of each of Franchisee's Operations Directors, upon receipt of Penn Station's request for payment therefor. If Penn Station determines that any General Manager or Operations Director (*i.e.*, regardless of whether the General Manager or Operations Director is the initial General Manager or any replacement General Manager or Operations Director) was not, in Penn Station's judgment, trained adequately by Franchisee, then Penn Station may, in addition to all of its other rights and remedies under this Agreement, require the General Manager or Operations Director to attend additional training at a Penn Station Restaurant designated by Penn Station. Franchisee will pay to Penn Station a fee equal to Penn Station's then current per diem training fee for each day (or portion of a day) that the General Manager receives training at a Restaurant selected by Penn Station. Franchisee must pay for all expenses of the General Manager or Operations Director incurred with respect to his additional training at a location Penn Station designates, including the cost of travel, accommodations, and meals and the General Manager and Operations Director's wages and benefits. Nothing in this Section 5.1.1, however, relieves, or may be treated as relieving, Franchisee of, or as suspending, any of its duties and obligations under this Agreement during the time that the General Manager or Operations Director is receiving that additional training in Cincinnati, Ohio; and

(v) At Penn Station's request, the Managing Owner, the Operations Director, the General Manager, and, as applicable, the Designated Owner will attend and complete any additional, future training programs that Penn Station may establish from time to time for its franchisees, managing owners, operations directors, and their general managers. Franchisee must pay for all expenses incurred with these other training programs including the cost of wages, travel, accommodations, and meals.

5.1.2 Approved Inventory, Supplies, Equipment and Services. Franchisee will use at all times only those products, ingredients, inventory, supplies, equipment, Restaurant Improvements, and services which have been specified by Penn Station. Franchisee must use all mandated suppliers unless an alternative supplier has been consented to by Penn Station. If Penn Station gives Franchisee notice of any change in any mandated supplier or any change in any such items or services for which there is a mandated supplier, Franchisee will immediately begin using the new mandated supplier and, as applicable, begin using the mandated items or services from the mandated supplier. Penn Station may from time to time be a mandated supplier. All mandated products, ingredients, inventory, supplies, equipment, Restaurant Improvements, services and suppliers will be provided in writing by Penn Station to Franchisee (including through Penn Station's Outernet). Franchisee may not deviate from the mandated products, ingredients, inventory, supplies, equipment, Restaurant Improvements or services (or from the mandated suppliers of those goods or services) by using nonconforming items or alternative suppliers without obtaining the written consent of Penn Station before any proposed use. Penn Station makes no representations or warranties (express or implied) as to the performance, merchantability or fitness for a particular purpose of, or any other implied warranties of any kind with respect to, any of the products, ingredients, inventory, supplies, equipment, Restaurant Improvements or services approved, consented to or selected by Penn Station or any representations or warranties regarding any authorized suppliers (including any architect). Penn Station reserves the right in its discretion,

exercised in a reasonable manner, to revoke any consent it gave to Franchisee for the use of non-conforming items or services or alternative suppliers on 30 days' notice to Franchisee. It will be a reasonable exercise of Penn Station's discretion to revoke its consent to any products, ingredients, inventory, supplies, equipment, Restaurant Improvements, services or any alternative supplier used by Franchisee if Penn Station, in its sole discretion, determines that the quality of the food products sold by Franchisee, service to customers, the System, or the goodwill associated with the Marks is or may be adversely affected. Franchisee will maintain at all times sufficient products, ingredients, inventory and supplies on hand so as to operate the Franchised Business at an operating capacity, at a minimum, which meets the day to day sales volume, measured as of any date, by the average sales volume of the Franchised Business over the immediately preceding 30 days;

5.1.3 Approved Services. Franchisee will sell or offer for sale only those products and services which meet Penn Station's standards of quality and performance as provided in the Confidential Operating Manual or otherwise in writing, and Franchisee must sell all menu items specified in the Confidential Operating Manual unless Penn Station expressly agrees otherwise in writing. Franchisee may not sell or offer for sale any products or services unless those products or services have been previously consented to by Penn Station in writing. Franchisee must immediately discontinue offering any products or services which Penn Station, in its discretion, disapproves in writing at any time. Franchisee may only sell products and services from its Franchised Business on a retail sales basis. Except as permitted in the Confidential Operating Manual, Franchisee may not, and may not directly or indirectly use a third-party to, deliver any food products to any customers outside of the Franchised Premises. Franchisee will, at its expense, purchase and use in the Franchised Business all beverage containers and food packaging bearing the Marks. If Penn Station develops new products and services and has given notice to Franchisee to begin to offer any of the new products and services for sale, then Franchisee will, at its expense, begin offering to its customers all of these new products and services within 30 days after receiving notice from Penn Station. In connection with any changes in the products and services offered for sale at a Penn Station Restaurant which have been specified by Penn Station (including any changes in menu items), Franchisee will purchase, as required by Penn Station, (i) new menu boards, in-store displays and other point of sale materials (including food photographs) advertising or promoting the changes and (ii) any related equipment that Penn Station has determined is needed in connection with the change in products or services that Penn Station has implemented;

5.1.4 Inspections; Point-of-Sale System.

(i) Franchisee will permit Penn Station and its agents, during business hours or at any other reasonable time, to enter onto Franchisee's Franchised Premises for the purposes of conducting inspections and Performance Evaluations to ensure compliance with the Confidential Operating Manual and this Agreement. Penn Station and its agents will have access to the entire Franchised Premises, Franchisee's books and records, and Franchisee's point-of-sale system (including any computer which is directly or indirectly a part of that system whether located at Franchised Premises or at any office maintained by the Managing Owner or Franchisee). Penn Station and its agents may, during an inspection, (a) cause Franchisee's point-of-sale system to print a report of sales information, (b) cause Franchisee's point-of-sale system to transfer the reports, then required by Penn Station under the Confidential Operating Manual, to the computers of Penn Station and its agents, and (c) remove from the Franchised Premises samples of any inventory items without any payment and in amounts Penn Station determines are reasonably necessary for inspection/testing by Penn Station. Penn Station will pay for the costs of any inspection/testing unless (1) the supplier of the item has not been authorized or (2) the item itself (A) was not previously approved or specified by Penn Station and (B) does not meet Penn Station's standards and specifications, which, in either case, Franchisee will pay to Penn Station the reasonable costs of inspection/testing. Without limiting Penn Station's other rights or remedies under this Agreement, Franchisee will immediately take all steps as are necessary in Penn Station's judgment to correct any violations of this Agreement or the Confidential Operating Manual detected during a Performance Evaluation or any other inspection;

(ii) Penn Station and its agents and contractors will have the right, at any time to poll/access Franchisee's point-of-sale system (including any computer which is directly or indirectly a part of that system whether located at the Franchised Premises or at any office maintained by the Managing Owner or the Franchisee) to retrieve all sales, costs, financial, and other data (other than any employee personnel records, including payroll records) from the point-

of-sale system which is then required by Penn Station under the Confidential Operating Manual. Franchisee will ensure that its point-of-sale system is in good working order to enable Penn Station electronically to gather from Franchisee all relevant information. All data and information (other than any credit, debit or other card data or employee personnel records, including payroll records) provided by Franchisee including that which is polled/downloaded from Franchisee's point-of-sale system (or otherwise collected from Franchisee's point-of-sale system by Penn Station) or is otherwise provided to Penn Station under the terms of this Agreement (including the Operating Income Statement under Section 8), whether directly by Penn Station or its agents or contractors is and will be owned exclusively by Penn Station, and Penn Station will have the right to use that data and information in any manner that Penn Station deems appropriate without compensation to Franchisee;

(iii) Franchisee will, at Penn Station's request purchase, install and maintain, at Franchisee's expense, the cash registers (if any), the point-of-sale systems, communication and information systems (including computer hardware and software and internet access) ("POS System Upgrade") that is then specified by Penn Station for new Penn Station Restaurants at the time Penn Station makes its request of Franchisee to upgrade the point-of-sale systems, communication and information system then used with respect to the Franchised Business. Franchisee will complete the POS System Upgrade within 60 days after delivery to Franchisee of Penn Station's request for a POS System Upgrade; and

(iv) In addition to any POS System Upgrade set forth in Section 5.1.4(iii), Franchisee will be required to replace, at its expense, any equipment, software, or other systems arising from each POS Security Update (a) that is imposed by any credit, debit, or other card association or system, card processing entity or data security standards entity (a "Card Association"), any governmental authority or any vendor of the operating system for the point-of-sale, communication and information systems (including hardware and software) utilized in the Franchised Business and (b) of which Penn Station (or any Card Association, governmental authority or operating system vendor) gives notice to Franchisee from time to time. A "POS Security Update" means any equipment, software, or other systems required, from time to time, (1) to be in compliance with the then current (in each case, a "Card Security Standard") Payment Card Industry Data Security Standards (or any similar--or successor--data security standards that are imposed by any Card Association) or any other existing or future data security requirements imposed under applicable law and/or (2) as a result of the operating system of the point-of-sale, communication and information systems being no longer supported by the vendor. Each POS Security Update will be completed in the time period prescribed by the Card Associations, any governmental authority or any operating system vendor to implement the POS Security Update. As between Penn Station and Franchisee, it is Franchisee's sole duty and responsibility to ensure that Franchisee's cash registers (if any), point-of-sale systems, communication and information systems (including computer hardware and software and internet access) are in compliance with all Card Security Standards and applicable law at all times;

5.1.5 Compliance. Franchisee will maintain the Franchised Business and Franchised Premises in a clean, attractive condition and in good repair. Franchisee will not use or allow the use of the Franchised Premises for any purpose or activity other than for the Franchised Business without the written consent of Penn Station. Franchisee will comply with all laws, regulations and rules applicable to the Franchised Business, including federal, state and local tax and withholding laws, minimum wage, child labor, truth-in-advertising, consumer and health laws, civil rights laws, the Occupational Safety and Health Act, laws pertaining to the privacy of consumer, employee, and transactional information, and all other present or future laws, regulations and rules relating to terrorist acts and acts of war. Franchisee will pay all taxes when due and payable. Franchisee is the employer of each of its employees. Franchisee is solely responsible for protecting itself from any disruptions, Internet access failures, Internet content failures, and attacks by hackers and other unauthorized intruders and Franchisee hereby waives any and all claims Franchisee may have against Penn Station (or its affiliates) as the direct or indirect result of such Internet disruptions, failures or attacks. On a joint and several basis, Franchisee and each of Franchisee's Owners represent and warrant to Penn Station that neither Franchisee nor any Franchisee's Owners, nor any officer of Franchisee is identified, either by name or an alias, pseudonym, or nickname, on the lists of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts available at <http://www.treasury.gov/resource-center/sanctions/SDN-List/Pages/default.aspx>) ("OFAC Lists"), or has engaged in any transaction with any party identified on the OFAC Lists.

Further, Franchisee and each of Franchisee's Owners represent and warrant that none of Franchisee, any of Franchisee's Owners, or any officer of Franchisee has violated, and each of Franchisee, each of Franchisee's Owners, and each of Franchisee's officers agree not to violate any law, statute, code, Executive Order, decree, rule or regulation prohibiting money laundering, bribery, corruption, drug trafficking, illicit trade or the aid or support of Persons who conspire to commit acts of terror against any Person or government, including acts prohibited by the U.S. Patriot Act (text available at <http://www.epic.org/privacy/terrorism/hr3162.html>), U.S. Executive Order 13,224 (text available at <http://www.treasury.gov/resource-center/sanctions/Programs/Documents/terror.pdf>), or any similar law. The foregoing constitute continuing representations and warranties. Franchisee shall immediately notify Penn Station in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate, or misleading;

5.1.6 Store Remodel. In addition to periodic painting, wall papering and other redecoration required by the Confidential Operating Manual as part of the on-going maintenance and upkeep of the Franchised Business, any POS System Upgrade, and any POS Security Updates, Franchisee will, at Penn Station's request, refurbish, remodel, and update the Franchised Premises at Franchisee's expense to conform to the building design, interior layout, trade dress, equipment (including signage), fixtures, color schemes and presentation of the Marks consistent with Penn Station's then current Construction Guidelines (the "Store Remodel"). Franchisee must submit a preliminary floor plan, which may need to be prepared by an authorized architect, of the Store Remodel to Penn Station for its review and prior consent if plans are required by applicable law or requested by Penn Station. Once the preliminary floor plan, if any, is authorized by Penn Station for the Store Remodel, Franchisee, at its expense, will have the authorized architect prepare location-specific drawings and construction documents based on the Construction Guidelines if plans are required by applicable law or requested by Penn Station. It is the Franchisee's responsibility to ensure that the location-specific drawings and construction documents comply with local laws and regulations (including building, zoning, and health codes). Penn Station's consent to Franchisee's location-specific drawings and construction documents for the Franchised Premises may in no way be construed to be a warranty or representation as to the quality or sufficiency of the design, the architectural concepts, or the construction methods or materials called for in those drawings or documents or whether those drawings and documents meet the requirements of applicable local, state and federal laws and regulations. Before submitting for a building permit or letting the project out for bid, Franchisee will submit for Penn Station's prior consent Franchisee's location-specific drawings and construction documents so that Penn Station may determine compliance with the Construction Guidelines. Franchisee will complete the Store Remodel approximately one year after delivery to Franchisee of Penn Station's request for a Store Remodel (subject to permitted extensions of time, of a duration and frequency as are determined by Penn Station, for delays beyond Franchisee's control). Franchisee will not be required to undertake a full Store Remodel of the Franchised Premises (i) more than a total of two times during the period from the date of the beginning of the initial term of this Agreement to the end of the last renewal term exercisable by Franchisee (*i.e.*, a total of 20 years--initial term of 5 years and 3 consecutive renewal terms of 5 years each) and (ii) any sooner than five years from the date of the last Store Remodel completed by Franchisee of the Franchised Premises. Notwithstanding the foregoing, if Franchisee has already completed a full term of 20 years and is purchasing a new Penn Station franchise for the same Restaurant location under this Franchise Agreement for an additional term of 20 years (*i.e.*, assuming all three of the 5 year renewal terms were made after the initial term of five years hereunder), Franchisee must, in addition to the above described remodeling, remodel the Restaurant within the timing and scope established by Penn Station as a condition of Penn Station entering into this Agreement with Franchisee;

5.1.7 On-Site Operation.

(i) The Managing Owner must personally perform all of the day-to-day operational, management and supervisory tasks necessary to sell the products and services offered by a Penn Station Restaurant at the Franchised Premises, including, for example, carrying out the direct, on-premises supervision, management and operation of the Franchised Business as required by the Confidential Operating Manual (the "On-Site Responsibilities") at the Franchised Business unless Penn Station has authorized Franchisee's request to hire a qualified general manager ("General

Manager”) for the Franchised Business. Each General Manager shall be eligible for a Performance Evaluation Incentive Program payment from Franchisee pursuant to Penn Station’s then current Performance Evaluation Incentive Program;

(ii) If Penn Station authorizes Franchisee, at its request, to hire a General Manager to perform the On-Site Responsibilities at the Franchised Premises, then the General Manager will be the person designated by Franchisee to perform personally all of the On-Site Responsibilities at the Franchised Premises. The General Manager must devote his full time and energy to operating the Franchised Business. Because the General Manager will have On-Site Responsibilities at the Franchised Premises, the proposed General Manager must have the aptitude and ability to carry out all of the duties required of a General Manager. Once hired by Franchisee, the General Manager must complete his training from Franchisee in full compliance with Penn Station’s then current general manager training program requirements and standards (subject to testing by Penn Station) and the terms of this Agreement. If a new person becomes (or replaces) the General Manager, then foregoing provisions of this Section 5.1.7 and the other terms of this Agreement must be satisfied with regard to the hiring and training of the new General Manager. Notwithstanding Franchisee’s use of a General Manager for the Franchised Business, Franchisee, along with the Managing Owner and the Operations Director, will be personally responsible for compliance with the terms of this Agreement and the Confidential Operating Manual;

(iii) After operations begin, Franchisee will provide appropriate training and supervision for all personnel employed in the Franchised Business in addition to the training by Franchisee of its General Manager if Franchisee owns more than one Penn Station Restaurant or has signed a multi-unit development agreement; and

(iv) All of Franchisee’s employees, while engaged in the operation of the Franchised Business on-site, will wear uniforms conforming in color and design to those specifications as Penn Station may designate in the Confidential Operating Manual or otherwise in writing. Franchisee and all its employees will, at all times, operate the Franchised Business as a first-class restaurant establishment, having the highest levels of customer service, food quality and presentation as may, for example, be found in similar franchised restaurants and, during the operation of the Franchised Business, present a neat and clean appearance, and render competent, prompt and courteous service to the customers of Franchisee;

5.1.8 Continuous Operation. Franchisee will operate the Franchised Business under this Agreement for the full term of this Agreement during the hours and on the days specified by Penn Station in the Confidential Operating Manual or otherwise in writing except to the extent Franchisee is prohibited from operating the Franchised Business because of acts of God or the terms and conditions of the Premises Lease;

5.1.9 Working Capital. Franchisee will maintain at all times adequate cash and other working capital invested in the Franchised Business during the term of this Agreement or any additional amounts as Franchisee determines is required to ensure the proper and efficient operation of the Franchised Business;

5.1.10 Alterations. Except (i) arising out of a POS System Upgrade or a POS Security Update, in each case, under Section 5.1.4 or a Store Remodel under Section 5.1.6 or (ii) any on-going painting, wall papering or other redecoration required by the Confidential Operating Manual as part of the maintenance and upkeep of the Franchised Business, Franchisee will not make any alterations to the interior or exterior layout, design, color schemes, trade fixtures, equipment, furnishings, furniture, or other Restaurant Improvements or the dimensions of the Franchised Premises without the prior written consent of Penn Station;

5.1.11 Annual Meetings. The Managing Owner or, in their absence, the Designated Owner, will attend, at Franchisee’s expense, the entire applicable annual meetings of franchisees (*i.e.*, from start to finish of each day of the meetings) at the places and dates designated by Penn Station. Penn Station will provide notice of the annual meetings at least 30 days in advance of the meetings. If the Managing Owner or the Designated Owner, as applicable, does not attend the applicable annual meeting, then Franchisee will, on Penn Station’s request, pay a fee to Penn Station up to \$2,500 for each applicable annual meeting (including any portion of a meeting) missed by such person. Penn Station’s right to charge

a fee for a required person's absence at one or more annual meetings is in addition to all other rights or remedies that Penn Station has as a result of that Default, including the right to terminate this Agreement;

5.1.12 Compliance with Agreements. Franchisee will comply with all other requirements in this Agreement, the Confidential Operating Manual (as updated and changed from time to time) and all other agreements between Penn Station and Franchisee; and

5.1.13 Residence Requirements. The proximity of the principal residence of the Managing Owner and the Operations Director, and, as applicable, any General Manager of the Franchised Business to the Franchised Premises must, in each instance, have the prior consent of Penn Station;

5.2 Form of Business Organization; Managing Owners; Operations Directors. The legal form of Franchisee's business organization must be, and must remain throughout the term of this Agreement as, the type of Business Entity listed on Exhibit A attached. A "Business Entity" means either a corporation, if Exhibit A lists Franchisee as a corporation, or a limited liability company, if Exhibit A lists Franchisee as a limited liability company. Only natural persons may be an Owner of Franchisee. An "Owner" means a shareholder or a holder of any other Ownership Interest (as defined in Section 5.2.3) in Franchisee, if Franchisee is a corporation, or a member or a holder of any other Ownership Interest in Franchisee, if Franchisee is a limited liability company. Franchisee represents to Penn Station that its Owners and Officers are listed on Exhibit A attached. An "Officer" means a corporate officer of Franchisee, if Franchisee is a corporation, or a manager or named officer of Franchisee, if Franchisee is a limited liability company. Any new person that proposes to become an Owner of Franchisee (who is not an Owner of Franchisee on the Effective Date) or any change proposed among the persons who are Owners of Franchisee on the Effective Date (e.g., a change in percentage ownership) must have the prior consent of Penn Station pursuant to Section 12; however, without Penn Station's prior consent, there cannot be more than a total of three Owners at any time unless Franchisee owns (or has the right to own) more than two Penn Station Restaurants. If Franchisee owns (or has the right to own) more than two Penn Station Restaurants, then the number of Owners may be greater than three so long as the number of Owners has received the prior consent of Penn Station. Franchisee must give Penn Station prompt notice in writing of any change in those persons who are Officers of Franchisee having executive authority. Permission to operate as a Business Entity is conditioned on Franchisee's meeting the following additional requirements in Sections 5.2.1 and 5.2.2:

5.2.1 Managing Owner. Franchisee's Owners must designate on Exhibit A one of its Owners (the "Managing Owner") who, among all of its Owners, will (a) perform personally the On-Site Responsibilities at the Franchised Premises unless Penn Station has authorized Franchisee's request to hire a General Manager pursuant to Section 5.1.7, (b) perform all development/construction tasks with respect to the Penn Station Restaurant franchises owned by Franchisee (including the Franchised Business, collectively, the "Owned Units"), including site selections, negotiations to lease sites, management of all Penn Station Restaurants that are under construction, and start-up operations of the completed Penn Station Restaurant franchises owned by Franchisee, (c) supervise and train (i) the General Manager (including the hiring and termination of the General Manager) and the completion of the General Manager's tasks and (ii) if applicable, the Operations Director (including the hiring and termination of the Operations Director) and the completion of the Operations Director's tasks, (d) undertake the collection and completion of all Franchisee internal accounting and financial information and of all of the Owned Units information in a manner, in each instance, which complies with, and as is required by, this Agreement and each other franchise agreement between Franchisee and Penn Station, and (e) perform all overall management, marketing, administrative, and financial duties and tasks necessary or desirable to carry out Franchisee's duties under this Agreement and each other franchise agreement between Franchisee and Penn Station.

(i) **Managing Owner Requirements.** The Managing Owner must have a voting Ownership Interest in Franchisee at least equal to 10% on a fully diluted basis. The Managing Owner must devote his full time, energy and best efforts to carrying out his duties and acting in his capacity as Managing Owner and to the management and operation of Franchisee, the Franchised Business and each other Owned Unit. The proposed Managing Owner must have the aptitude and ability to carry out all of the duties required of a Managing Owner. The Managing Owner shall be eligible for a

Performance Evaluation Incentive Program payment from Franchisee pursuant to Penn Station's then current Performance Evaluation Incentive Program. Franchisee may submit a request to Penn Station that Penn Station permit the Managing Owner to serve as the Managing Owner for multiple corporate or limited liability company franchisees if those franchisees all have the same Owners with the same ownership percentages. Penn Station will have the right to consent to or disapprove that request in Penn Station's sole discretion. In addition, the Managing Owner must satisfy the terms and conditions of Section 15. The Managing Owner must complete the Training Program to Penn Station's satisfaction. The Managing Owner must personally guarantee all of the obligations of Franchisee under this Agreement and each other franchise agreement between Franchisee and Penn Station. The form of the guaranty is attached as Exhibit C. At any time on and after the date when the second Owned Unit is under construction, Penn Station reserves the right, in its discretion, to require that the Managing Owner no longer function as a General Manager and function solely as the Managing Owner in which case Franchisee must hire a new person (who is acceptable to Penn Station) to function as the General Manager for the applicable Owned Unit at which the Managing Owner was acting as general manager. Any delay by Penn Station in requiring that the Managing Owner discontinue being a General Manager may not be treated as waiving, impairing, altering or in any way affecting Penn Station's right at any time to so require the Managing Owner to discontinue being a General Manager; and

(ii) **Replacement of Managing Owner.** No other Owner of Franchisee (and no new person who is seeking to become an Owner of Franchisee) may become the Managing Owner unless each of the following conditions is met: (a) Penn Station is given notice 60 days before the date any Owner (or any new person who is seeking to become an Owner of Franchisee) intends to replace the then current Managing Owner, (b) the proposed new Managing Owner must have the aptitude and ability to carry out all of the duties required of a Managing Owner, (c) the proposed new Managing Owner must complete the Training Program to Penn Station's satisfaction and, in Penn Station's judgment, have the aptitude and ability to be the Managing Owner, (d) the other terms and conditions in this Agreement have been met with respect to (1) the new person who is proposed to become the Managing Owner, including those under this Section 5.2.1 and (2) any Transfer (as defined Section 12.3), including the payment to Penn Station of the applicable transfer fee and (e) Penn Station's then current training fee must be paid to Penn Station by the 10th day of the calendar month immediately following the calendar month in which the new person finished their training to cover, in part, Penn Station's cost to provide the Training Program to the proposed new Managing Owner.

5.2.2 Operations Director. If Penn Station, in its discretion, elects to sell five or more Penn Station Restaurant franchises to Franchisee, Franchisee's Owners must hire one or more qualified people (as requested by Penn Station) who will assist the Managing Owner (each and collectively as applicable, the "Operations Director") with the Owned Units that Franchisee seeks to place under the Operations Director's day-to-day supervision. The Operations Director will assist the Managing Owner in all aspects of the day-to-day operational, management and supervisory tasks necessary or desirable to operate the Owned Units under the Operations Director's day-to-day supervision, including the hiring, training, termination, management and supervision of the General Managers of Franchisee. Any delay by Penn Station in requiring that an Operations Director be hired will not be treated as waiving, impairing, altering or in any way affecting Penn Station's right at any time to so require that an Operations Director be hired.

(i) **Operations Director Requirements.** The Operations Director must devote his full time, energy and best efforts to carrying out his duties and acting in his capacity as Operations Director and to the management and operation of the number of Owned Units under the Operations Director's day-to-day supervision. The proposed new Operations Director must have the aptitude and ability to carry out all of the duties required of an Operations Director for the Owned Units under his supervision. Each Operations Director shall be eligible for a Performance Evaluation Incentive Program payment from Franchisee pursuant to Penn Station's then current Performance Evaluation Incentive Program. In addition, the Operations Director must sign the Non-Disclosure Agreement and deliver it to Penn Station at the time of hiring. The Operations Director may not be both the Operations Director and a General Manager of a Restaurant franchised to Franchisee; and

(ii) **Replacement of Operations Director.** No other person, including any Owner of Franchisee (and no new person who is seeking to become the Operations Director of Franchisee), may become the Operations Director unless each of the following conditions is met: (a) Penn Station is given notice 60 days before the date any Owner (or any new person who is seeking to become the Operations Director of Franchisee) intends to replace the then current Operations Director, (b) the proposed new Operations Director must be properly trained by the Managing Owner (subject to testing by Penn Station in accordance with this Agreement), (c) the proposed new Operations Director must have the aptitude and ability to carry out all of the duties of an Operations Director in compliance with this Agreement, (d) the other terms and conditions in this Agreement have been met with respect to (1) the new person who is proposed to become the Operations Director, including those under this Section 5.2.2 and (2) any Transfer, including the payment to Penn Station of the applicable transfer fee, and (e) Penn Station's then current training fee must be paid to Penn Station, upon receipt of Penn Station's request for payment therefor, following its testing of the training of the new Operations Director.

5.2.3 Business Organization Documents. Certified copies of Franchisee's organizational and other governing documents, including a resolution authorizing the signing of the various agreements with Penn Station will be furnished to Penn Station promptly on its request. No term or provision of Franchisee's organizational and other governing documents (including any operating agreement if Franchisee is a limited liability company) may conflict with the terms of this Agreement or any other franchise agreement between Franchisee and Penn Station. Each Interest Certificate of an Owner of Franchisee must have conspicuously endorsed on it a statement that it is held, and that further assignment or transfer of the Ownership Interest is, subject to all restrictions imposed on assignments by this Agreement. "**Ownership Interest**" means any type of capital stock and any other ownership or equity rights or interests, if Franchisee is a corporation, or a membership interest and any other ownership or equity rights or interests, if Franchisee is a limited liability company. "**Interest Certificate**" means a stock certificate and any other certificated evidence of ownership, if Franchisee is a corporation, or a certificated membership interest (if applicable) and any other certificated evidence of ownership, if Franchisee is a limited liability company.

5.2.4 Sign Franchise Agreement; Guaranty. Each Owner of Franchisee must sign and be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5. In addition to the Managing Owner, Penn Station may require certain of Franchisee's other Owners to guarantee all of the obligations of Franchisee under this Agreement and each other franchise agreement between Franchisee and Penn Station. The form of the guaranty is attached as **Exhibit C**. If any person who has executed a guaranty in favor of Penn Station dies, Penn Station may require replacement guaranties satisfactory to it.

5.2.5 Designated Owner. Penn Station may require that Franchisee designate one of its Owners to be the Owner (the "**Designated Owner**"), among other things, to perform oversight and supervision of the Managing Owner. Franchisee hereby designates the Designated Owner to receive any Disclosure Document and any notices under this Agreement. The Designated Owner will also be the liaison between Penn Station and Franchisee, including with respect to the Managing Owner, the Operations Directors, Franchisee's financial performance, and the operational performance of the Owned Units. The Designated Owner must be an officer of Franchisee, having decision making authority consistent with their duties and must be an Owner at all times during the term of this Agreement. No other Owner of Franchisee (and no new person who is seeking to become an Owner of Franchisee) may become the Designated Owner unless each of the following conditions is met: (i) Penn Station is given notice 60 days before the date any Owner (or any new person who is seeking to become an Owner of Franchisee) intends to replace the then current Designated Owner, (ii) Penn Station determines that the new person meets Penn Station's criteria for Designated Owners in effect at the time of the proposed change, (iii) the other terms and conditions in this Agreement have been met with respect to (a) the new person who is proposed to become the Designated Owner, including those under this Section 5.2.5 and (b) any Transfer (as defined Section 12.3), including the payment to Penn Station of the applicable transfer fee, and (iv) Penn Station's then current training fee must be paid to Penn Station by the 10th day of the calendar month immediately following the calendar month in which the new person finished their training to cover, in part, Penn Station's cost to provide the Training Program to the proposed new Designated Owner.

5.3 Sole Responsibility. Franchisee will be solely responsible for the operation of the Franchised Business and the results of its operations.

5.4 Authorization. Franchisee, the Managing Owner, the Operations Director, the Designated Owner and the General Manager, without payment of any compensation, each gives to Penn Station (and those acting under this authority) the right to reasonably and fairly use its, his, and their name, image (including video or digital footage), voice (including sound recordings), photograph, addresses and biographical material in publications, circulars and advertisements relating to Penn Station franchises (including any Electronic Media Sites, as defined in Section 9.2).

5.5 Supplier Funds. From time to time, Penn Station may receive funds from suppliers of products and services to Penn Station Restaurants arising from those vendors being chosen by Penn Station to be an authorized supplier to Penn Station's franchisees and System ("Supplier Funds"). Penn Station may (without any obligation to do so) elect, from time to time, to contribute Supplier Funds to the National Fund. If Penn Station elects, at its sole option and as frequently as is determined by Penn Station, not to contribute into the National Fund any Supplier Funds that have been received by Penn Station from time to time, Penn Station will have the right to retain all of those Supplier Funds as part of Penn Station's general funds and to spend all of those Supplier Funds for any corporate or other purposes or for any corporate or other expenses that have been designated by Penn Station from time to time ("Additional Purposes"). If Penn Station spends any of those Supplier Funds for any Additional Purposes rather than contributing them to the National Fund, Penn Station, in its discretion, may provide to franchisees on an annual basis a summary of those expenditures for Additional Purposes. The expenditure summary will be in such detail as Penn Station determines is reasonable under the circumstances. Notwithstanding anything to the contrary in this Agreement or under applicable law, Franchisee hereby presently, absolutely, and irrevocably assigns to Penn Station all of Franchisee's rights, titles and interests, if any, in, to and under all Supplier Funds, now or hereafter received, by Penn Station.

6. THE MARKS; COPYRIGHTED MATERIALS.

6.1 Penn Station Representations. Penn Station represents solely that (i) Penn Station owns the Registered Marks, and (ii) Penn Station has the right to license the Registered Marks to Franchisee for Franchisee's operation of a Penn Station Restaurant in the United States of America.

6.2 Franchisee Duties. Franchisee understands and acknowledges that it is vital to achieve uniform standards of quality and service associated with the Marks, to ensure compliance with the Confidential Operating Manual and the Marketing Materials, and to protect and enhance the Marks and their goodwill and the Copyright Materials:

6.2.1 Limited Use. Franchisee's use of any of the Marks must, depending on the directions provided by Penn Station, in every instance be combined with one of the following notices: (i) ® ; (ii) "trademark of Penn Station, Inc.", or (iii) any other similar language approved by Penn Station. Franchisee will not use any language or display the Marks in any way as to create the impression that the Marks belong to Franchisee. Except as expressly permitted by this Agreement or in the Confidential Operating Manual or the Marketing Materials, Franchisee may not use any Marks or any trademark or service mark incorporating all or any part of the Marks or Copyrighted Materials on any website, social media account or page, business sign, business cards, stationery or forms, or in any domain name. Franchisee shall not register, or attempt to register, the Marks (or any marks confusingly similar to the Marks) or Copyrighted Marks in any jurisdiction. Franchisee irrevocably waives all claims to any and all rights in Franchisee's use, advertising or display of the Marks beyond the limited permission to use the Marks granted in this Agreement. Franchisee's license to use the Marks applies only to their use solely in connection with the operation of the Franchised Business at the Franchised Premises pursuant to the terms and conditions of this Agreement and that license includes only those Marks as are now or may in the future be designated by Penn Station in this Agreement, the Confidential Operating Manual or the Marketing Materials for use by Franchisee and does not include Franchisee's use of any other proprietary marks or rights of Penn Station now existing or yet to be developed or acquired by Penn Station. Certain of the Registered Marks which are currently designated by Penn Station for use in connection with the System are listed on Exhibit B attached;

6.2.2 No Ownership. Franchisee acknowledges the validity of, and Penn Station's exclusive right, title and interest to, the Registered Marks, along with all other trade names, service marks, trademarks and trade symbols, emblems, signs, slogans, trade dress, logos, colors, insignias and copyrights as Penn Station has adopted and designated for use in connection with the System and as Penn Station may hereafter acquire or develop and designate for use in connection with the System (the "Marks"), regardless of whether any of those Marks are registered. Franchisee's use of the Marks pursuant to this Agreement does not give Franchisee any proprietary, ownership or any other interest, except the limited rights granted in this Agreement, in and to the Marks. Any and all goodwill associated with the Marks and the System belongs exclusively to Penn Station. On the termination of this Agreement, no monetary amount will be payable to Franchisee as attributable to any goodwill associated with Franchisee's use of the System or the Marks;

6.2.3 No Contest. Franchisee will not directly or indirectly contest the validity or ownership of the Marks or Copyrighted Materials, or attempt to register or license the Marks or Copyrighted Materials in any jurisdiction, or assist any other third party in doing so, either during the term of this Agreement or after the termination of this Agreement;

6.2.4 Products. Franchisee will use, promote and offer for sale under the Marks and Copyrighted Materials only those products and services specified or approved by Penn Station which meet Penn Station's prescribed standards and specifications, as they may be revised and amended by Penn Station from time to time in the Confidential Operating Manual, the Marketing Materials, or otherwise in writing; and

6.2.5 Aid. Franchisee will sign all documents requested by Penn Station to obtain protection of the Marks or Copyrighted Materials or to maintain their continued validity and enforceability.

6.3 Infringement. Penn Station will have the sole right, but not the obligation, to enforce or defend Penn Station's intellectual property rights to the extent Penn Station determines is necessary or appropriate under the circumstances.

6.4 Non-Exclusive. Franchisee expressly acknowledges that the license of the Marks and Copyrighted Materials to Franchisee is non-exclusive and that, subject to the terms of this Agreement, Penn Station has and retains the rights, among others, to:

(i) Grant other franchises for and licenses of the Marks and Copyrighted Materials in addition to those franchises and licenses already granted;

(ii) Use the Marks and Copyrighted Materials in connection with the sale of products and services by Penn Station in any context or channel of distribution; however, nothing in this Section 6.4(ii) may be construed to allow Penn Station to establish itself, to franchise or license another to establish, a restaurant concept (whether under the Marks, marks similar to the Marks, or other marks) featuring as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches, within the Restricted Territory unless (a) this Agreement is not in full force and effect, (b) a Default has occurred, or (c) Penn Station is acquired, after the Effective Date, by another business enterprise that then owns one or more restaurant concepts that feature, as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches; and

(iii) Develop, establish, and operate other, new systems ("Other Systems") under marks, other than the Marks, and to grant licenses and franchises of, these Other Systems anywhere without providing Franchisee any rights to these Other Systems; however, nothing in this Section 6.4(iii) may be construed to allow Penn Station to establish itself, to franchise or license another to establish, a restaurant concept (whether under the Marks, marks similar to the Marks, or other marks) featuring as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches, within the Restricted Territory unless (a) this Agreement is not in full force and effect, (b) a Default has occurred, or (c) Penn Station

is acquired, after the Effective Date, by another business enterprise that then owns one or more restaurant concepts that feature, as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches.

6.5 Franchisee's Legal Name and Trade Name.

(i) Franchisee may not use the name "Penn Station", "Penn Station East Coast Subs", "Penn Station Steak & Sub" or any of the other Marks licensed under this Agreement as part of the corporate name, limited liability company name or other legal name of Franchisee without Penn Station's prior written consent. On all invoices, order forms, receipts, contracts, stationary, and the like, the legal name of Franchisee's business organization must be disclosed in a manner so as to clearly indicate its status as an independent franchisee of Penn Station. At its cost, Franchisee will purchase and display all plaques in the Franchised Premises as are designated by Penn Station to show Franchisee's independent franchisee status.

(ii) Franchisee will operate the Franchised Business using the trade name "Penn Station, East Coast Subs" (without prefix or suffix, except that Franchisee may append a suffix identifying the location (e.g., city) to distinguish it from other franchisees in the state) or any different name as may be designated in writing by Penn Station in the Confidential Operating Manual or the Marketing Materials. Franchisee will prominently display this trade name on all forms, stationary, and other materials used in connection with the Franchised Business. Franchisee will make all required fictitious or assumed name registrations for the trade name in the state or territory in which Franchisee has obtained the Franchise.

6.6 Lawsuit. Franchisee will promptly notify Penn Station if Franchisee learns of any use by any Person of, or any claim by any Person of any right to, (i) the Marks or any Copyrighted Materials or (ii) any trade secret, trade dress, invention, method of operation or other intellectual property identical or confusingly similar to those composing the System other than use by Penn Station or another of its franchisees. If a lawsuit or other action or proceeding involving the Marks is instituted or threatened against Franchisee, then Franchisee will promptly notify Penn Station, and Penn Station will perform its obligations, if any, under Section 17.4.1. If Penn Station, pursuant to Sections 17.4.1 or 17.4.3, undertakes the defense or prosecution of any litigation relating to the Marks or any Copyrighted Materials, then Franchisee will sign any and all documents and render all assistance (exclusive of monetary assistance) as may in the opinion of Penn Station's counsel be reasonably required to carry out Penn Station's defense or prosecution.

6.7 Copyrighted Materials. Franchisee acknowledges the validity of, and Penn Station's exclusive right, title and interest in and to, the Copyrighted Materials. "Copyrighted Materials" is defined to include all works and materials, whether or not registered, including all artwork and designs created by Penn Station, Franchisee or any other Person retained or employed by Penn Station or by Franchisee (including any advertising cooperative) and used with the Marks or in the operation of a Penn Station Restaurant. Franchisee will not do, and will not permit to be done, any act or thing which might impair the rights of Penn Station in and to the Copyrighted Materials. Franchisee does not acquire, and Franchisee may not claim, any right, title or interest in the Copyrighted Materials or any other proprietary right to the Copyrighted Materials or in any derivation, adaptation, variation or name thereof by virtue of the license granted to Franchisee or through Franchisee's use of the Copyrighted Materials. Franchisee acknowledges, intends, and agrees that all use of the Copyrighted Materials by Franchisee and all goodwill associated with that use inures exclusively to the benefit of Penn Station. Franchisee acknowledges, intends, and agrees that all use of the Copyrighted Materials by Franchisee and all goodwill associated with that use inures exclusively to the benefit of Penn Station. Penn Station and Franchisee agree and intend that any copyrightable works and materials Franchisee or its agents may create from time to time for use by Franchisee in the establishment or operation of a Penn Station Restaurant shall be subject to prior approval by Penn Station and shall be deemed "works made for hire" within the meaning of the United States Copyright Act and shall constitute "Copyrightable Materials" which are the sole property of Penn Station. Franchisee hereby agrees to irrevocably waive and relinquish any moral rights Franchisee or its employees and agents may own in any Copyrightable Materials, in any and all jurisdictions worldwide. To the extent any Copyrighted Materials are not "works made for hire" or rights in the Copyrighted Materials do not automatically accrue to Penn Station, Franchisee irrevocably and presently assigns to Penn Station, its successors

and assigns, all of Franchisee's right, title and interest in perpetuity throughout the world in and to any and all rights, including all copyrights and related rights, in any and all Copyrighted Materials. Upon the request of Penn Station, and without further consideration, Franchisee agrees to execute any additional documents proposed by Penn Station, or do or have done all things as may be requested by Penn Station to vest and to confirm the sole and exclusive ownership of all right, title and interest, including copyrights and related rights in and to the Copyrighted Materials in favor of Penn Station.

6.8 Use of Copyrighted Materials. The following notice (or any other notice to which Penn Station has given its prior consent) must appear at least once on each piece of promotional or packaging materials for the articles and on any articles using Copyrighted Materials with the attribution: "© (year of first publication) Penn Station, Inc., All Rights Reserved". Franchisee may not use any language or display the Copyrighted Materials in any way as to create the impression that the Copyrighted Materials belong to Franchisee. Franchisee irrevocably waives any and all claims to any rights in Franchisee's use, advertising, or display of the Copyrighted Materials beyond the limited permission to use the Copyrighted Materials granted in this Agreement.

7. CONFIDENTIAL INFORMATION.

7.1 Op-Manual. To protect the reputation and goodwill of Penn Station that is attributed to Penn Station Restaurants, and to achieve uniform standards of quality and service, Franchisee will conduct its business in accordance with Penn Station's Confidential Operating Manual (as updated and changed from time to time, the "Confidential Operating Manual"), the POS Manual (as updated and changed from time to time), and General Manager Training Program, Managing Owner Training Program and Hourly Employee Training Manual (collectively, as updated and changed from time to time, the "Training Manuals"), one copy of each of which Franchisee acknowledges having received on loan from Penn Station for the term of this Agreement and all other franchise agreements between Franchisee and Penn Station. The Confidential Operating Manual will contain mandatory and suggested specifications, standards and operating procedures that Penn Station develops for a Penn Station Restaurant and information relating to other obligations of Franchisee. Any required specifications, standards and operating procedures exist to protect Penn Station's interests in the System and the Marks and to create a uniform customer experience, and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Franchisee.

7.2 Duties. Franchisee will at all times treat as confidential the Confidential Operating Manual, the Training Manuals and the information contained in them. Franchisee will use all reasonable efforts to maintain the Confidential Operating Manual and the Training Manuals as secret and confidential including keeping them under lock and key. Franchisee may not at any time, without Penn Station's prior written consent, copy, duplicate, record or otherwise reproduce (whether in written or electronic form) the Confidential Operating Manual or the Training Manuals in whole or in part, or otherwise make them available to any Person.

7.3 Sole Property. The Confidential Operating Manual, the Training Manuals, and all other Confidential Information (as defined in Section 7.5) concerning the System or the Franchised Business will at all times remain the sole property of Penn Station, regardless of whether any particular information is, at the applicable time, "Confidential Information" which is the subject of the restrictions set forth in Section 7.5.

7.4 Revise Manuals. Penn Station, at any time, may add to, and otherwise modify, in its discretion, the Confidential Operating Manual and all other applicable manuals to reflect changes in authorized products and services, and specifications, standards and operating procedures of a Penn Station Restaurant. Franchisee must comply with the new terms and conditions of the Confidential Operating Manual and the Training Manuals on notification of the changes from Penn Station or on any other date designated by Penn Station. The latest copy of the Confidential Operating Manual and the Training Manuals maintained by Penn Station at Penn Station's home office will be controlling if there is any dispute as to which Confidential Operating Manual and the Training Manuals is then in effect.

7.5 Not Divulge. The Confidential Operating Manual, the Training Manuals, the System, the Accounting Manual, the Marketing Materials and any and all other information, knowledge and know-how of Penn Station, including Penn Station's recipes, store operational methods, customer lists and data bases (whether or not created by Penn Station, Franchisee or any other Person), training methods, food preparation and presentation techniques, cost containment programs, marketing and developmental plans, strategies, financial information, and research prepared or obtained by, or for the benefit of, Penn Station or its franchisees or of which Franchisee (or any Person on its behalf) may be apprised by virtue of Franchisee's operation of a Penn Station Restaurant under the terms of this Agreement or any other agreement between Franchisee and Penn Station will be "Confidential Information" for purposes of this Agreement. "Confidential Information" does not include, for purposes only of this Section 7.5 and Sections 15.2.2 and 15.4.2, information which Franchisee can demonstrate has become part of the public domain by proper and lawful means through the publication or communication by others at the time of disclosure by Penn Station to Franchisee or, after that disclosure to Franchisee by Penn Station, has become a part of the public domain by proper and lawful means through the publication or communication by Persons (other than Franchisee) who have been authorized by Penn Station to make the publication and disclosure. Franchisee may not, during the term of this Agreement or after the termination, expiration or assignment of this Agreement, communicate or divulge to, or use for the benefit of, any other Person any Confidential Information which may be communicated to Franchisee (or any Person on its behalf) or of which Franchisee (or any Person on its behalf) may be apprised by virtue of Franchisee's operation of a Penn Station Restaurant under the terms of this Agreement or any other agreement between Franchisee and Penn Station. Franchisee may divulge Confidential Information to only those of its employees as must have access to it to assist Franchisee in the operation of the Franchised Business but may not allow the Confidential Operating Manual to be reviewed by any employee and may not disclose to these employees any Confidential Information not absolutely required to operate the Franchised Business. Franchisee will take all reasonable steps to prohibit any unauthorized use of any Confidential Information by its employees, including the execution of a secrecy, non-disclosure and non-competition agreement with its General Manager and any assistant manager, if applicable. Penn Station will be expressly made a beneficiary of the non-disclosure agreement with these persons.

8. ACCOUNTING AND RECORDS.

8.1 Duties. During the term of this Agreement, Franchisee will:

8.1.1 Retain Records; CPA. maintain and preserve, for at least 7 years after the dates of their respective preparation, full, complete and accurate books, records, and accounts in accordance with good business practices and in the form and manner prescribed by Penn Station from time to time in the Confidential Operating Manual or otherwise in writing. To ensure that Penn Station receives complete and timely reporting from its franchisees and receives information in a uniform manner, Franchisee must (i) engage a certified public accountant (or another accountant selected by Franchisee to which Penn Station has acquiesced after receiving Franchisee's application to do so, an "Alternate Accountant") to prepare (a) the monthly Operating Income Statement required by Section 8.1.2 and any other monthly statements from time to time required by the Confidential Operating Manual to be prepared by a certified public accountant (or an Alternate Accountant) and (b) the financial statements required by Sections 8.1.3 and 8.1.4 and (ii) cause Franchisee's certified public accountant (or an Alternate Accountant) to follow strictly Penn Station's then current accounting manual (the "Accounting Manual") in the preparation of the statements and reports required by this Agreement, the Confidential Operating Manual, and the Accounting Manual. Penn Station reserves the right to change the Accounting Manual at any time. Franchisee must comply with the new terms and conditions of the Accounting Manual on notification of the changes from Penn Station or on any other date designated by Penn Station. Penn Station anticipates that it will make changes to the Accounting Manual at least one time each year. The latest copy of the Accounting Manual maintained by Penn Station at Penn Station's home office will be controlling if there is any dispute as to which Accounting Manual is then in effect. Franchisee must provide Penn Station 60 days advance notice of any change in the certified public accountant (or an Alternate Accountant) engaged by Franchisee to prepare the statements and reports required by this Agreement, the Confidential Operating Manual, and the Accounting Manual;

8.1.2 Monthly Reporting. submit, at Franchisee's expense, to Penn Station no later than the date each monthly royalty payment is due to Penn Station during the term of this Agreement, the sales report and other sales data required by the Confidential Operating Manual which accurately reflects all Net Sales during the preceding month (and, if requested by Penn Station, the sales data must be certified in a writing signed by the Managing Owner) and all other data, reports, or information as Penn Station may require as is prescribed in the Confidential Operating Manual or otherwise in writing. Franchisee will also submit to Penn Station, at Franchisee's expense, a monthly Operating Income Statement (in the form and manner required by the Accounting Manual) for the Franchised Business. Franchisee must deliver the Operating Income Statement to Penn Station no later than the date set forth in the Accounting Manual. The Operating Income Statement will, if requested by Penn Station, be signed by the Managing Owner, certifying that it is true and correct and accurately reflect the operations of Franchisee during the applicable period. Any Operating Income Statement not actually received by Penn Station on or before the date set forth in the Accounting Manual will be deemed late unless the Operating Income Statement is postmarked at least two business days prior to the due date. If any Operating Income Statement is overdue, Franchisee will pay to Penn Station a late fee in an amount equal to the lesser of (i) \$75.00 or (ii) the maximum amount permitted by applicable law. Penn Station's right to receive this late fee is in addition to any other rights and remedies Penn Station may have under this Agreement or applicable law as a result of that Default;

8.1.3 Financial Reports. submit to Penn Station, at Franchisee's expense, semi-annually financial statements for Franchisee (unconsolidated with any other entity) for the preceding six-month period, including an income statement and balance sheet in compliance with the Accounting Manual if Penn Station has given notice to Franchisee to begin delivering semi-annually financial statements. The statements must be prepared in accordance with generally accepted accounting principles by the certified public accountant (or an Alternate Accountant) described in Section 8.1.1 (subject to the omission of footnotes and disclosures required by generally accepted accounting principles). Penn Station reserves the right to require on notice to Franchisee that these financial statements be delivered monthly or quarterly instead of semi-annually. Each of these statements will, if requested by Penn Station, be signed by the Managing Owner, certifying that they are true and correct and accurately reflect the operations of Franchisee during the applicable period;

8.1.4 Yearly Financial Reports. submit to Penn Station, at Franchisee's expense, annual financial statements for Franchisee (unconsolidated with any other entity) for the preceding calendar year, including an income statement, a balance sheet and, if requested, a statement of cash flows in compliance with the Accounting Manual. The statements must be prepared in accordance with generally accepted accounting principles by the certified public accountant (or an Alternate Accountant) described in Section 8.1.1; however, Penn Station reserves the right to require that these financial statements be reviewed or certified by an independent certified public accountant at Franchisee's expense. On Penn Station's request, Franchisee will submit to Penn Station all federal, state and local tax returns with respect to the Franchised Business; and

8.1.5 Other Reports. submit to Penn Station, at Franchisee's expense, for review or auditing, all other forms, reports, records, information or data that Penn Station may reasonably require and as is specified from time to time in the Confidential Operating Manual or otherwise in writing.

8.2 Inspection. Penn Station and its designated agents will have the right on their request to examine, at Penn Station's expense, the books, records and tax returns of Franchisee. Penn Station will also have the right, on its request, to have an independent audit made of Franchisee's books. If an inspection reveals that payments have been understated in any report to Penn Station, then Franchisee will immediately pay to Penn Station the total amount which should have been paid to Penn Station together with interest on this understated amount at the Default Rate from the date these payment(s) were due until paid by Franchisee. If an inspection discloses an understatement in any report of 2% or more, then Franchisee will, in addition, reimburse Penn Station for any and all costs and expenses in connection with the inspection and audit (including reasonable accounting and attorneys' fees). The payment of interest and audit expenses will be in addition to any other rights or remedies Penn Station may have under this Agreement as a result of that Default.

9. ADVERTISING. Recognizing the value of advertising, and the importance of the standardization of advertising programs to the furtherance of the goodwill and public image of the System, the Marks and Copyrighted Materials:

9.1 Local Advertising.

9.1.1 Local Advertising Campaign. On 30 days advance notice from Penn Station, Franchisee must, at its expense, begin advertising, promotion and marketing directed specifically to the Franchised Business (“Local Advertising”), including participating in any Penn Station Electronic Media Program (as defined in Section 9.2.2) and any Penn Station Loyalty Program. The “Penn Station Loyalty Program” means a customer loyalty program, as developed, implemented and changed from time to time by Penn Station. All Local Advertising must be submitted to Penn Station for its review and approval before Franchisee may undertake the specific Local Advertising proposed. Franchisee will not be required by Penn Station to make expenditures for Local Advertising during any calendar year which exceed more than 2% of Franchisee’s total Net Sales for that calendar year from the Franchised Business and all other Owned Units. Amounts spent by Franchisee for Local Advertising are in addition to the expenditures which may be required under Sections 9.1.2, 9.1.3, 9.1.4, and 9.4 below. Amounts spent, however, by Franchisee (a) under any shopping mall lease for a common advertising fund for the mall (exclusive of any merchant or tenant association dues), (b) pursuant to its membership in any advertising cooperative, as provided in Section 9.3 below, and (c) under any advertising or marketing program mandated by Penn Station with any third-party delivery service from time to time (if any), in each case, will be counted against the 2% amount described above. Franchisee will comply with the terms of the Confidential Operating Manual insofar as which Local Advertising expenditures qualify for the 2% limitation stated in this Section 9.1.1. Franchisee’s costs incurred with respect to any Penn Station Electronic Media Program and Penn Station Loyalty Program are not counted toward the 2% limitation stated in this Section 9.1.1. In addition, any Local Advertising expenditures which do not meet the terms of the Confidential Operating Manual are not counted toward the 2% limitation stated in this Section 9.1.1.

9.1.2 In-Store Materials. In addition to the advertising expenditures required under Sections 9.1.1, 9.1.3, 9.1.4, 9.3, and 9.4, Franchisee, at its expense, must purchase from time to time during the term of this Agreement, in-store promotional displays and in-store advertising (for example, quality statements, photographs of products, plaques, signs, and banners) as are designated or developed by Penn Station from time to time for use in Penn Station Restaurants.

9.1.3 Local, Regional or National Promotional Campaigns. In addition to the advertising expenditures required under Sections 9.1.1, 9.1.2, 9.1.4, 9.3, and 9.4, Franchisee, at its expense, must participate in promotional, gift certificate (or gift card), and coupon programs developed, designated or administrated by Penn Station from time to time for the particular local or regional market in which the Franchised Business is located or, as applicable, on a national basis for all franchisees.

9.1.4 Grand Opening Advertising. In addition to the advertising expenditures required under Sections 9.1.1, 9.1.2, 9.1.3, 9.3, and 9.4, Franchisee, at its expense, must spend up to \$10,000 for a grand opening event and marketing support at any time within 180 days after the Penn Station Restaurant is opened at the Franchised Premises. This requirement may be waived (a) if the Franchised Business is not in a Mature Market and its sales are equal to or above the average for all Penn Station Restaurants and (b) if the Franchised Business is in a Mature Market. “Mature Market” means a market, as defined by Penn Station, in which a sufficient number of Penn Station Restaurants have been opened and are operating in relation to the total number of Penn Station Restaurants that could be opened and operated in that market, all as determined by Penn Station, in its sole determination.

9.2 Approved Advertising.

9.2.1 Approval Process; Ownership. All advertising by Franchisee (whether done individually or in a cooperative) in any medium must conform to Penn Station’s standards and requirements and must be conducted in a dignified and lawful manner. Franchisee will submit samples to Penn Station electronically in a format designated by Penn Station) and obtain Penn Station’s prior approval (except, to the extent prohibited by applicable law, with respect to prices

to be charged for food products and services) of all advertising and promotional plans and materials that Franchisee desires to use and that have not been prepared or previously approved by Penn Station in the Confidential Operating Manual, Penn Station's Marketing Materials (available on Penn Station's website and as updated and changed from time to time, the "Marketing Materials"), or otherwise in writing. If written disapproval of the proposed advertising materials or the supplier of the materials is not received by Franchisee within 30 days after the date of receipt by Penn Station of the proposed advertising materials, then Penn Station will be treated as giving the required approval except as to a website in which case Penn Station will have 60 days. Any approval (or deemed approval of advertising proposed by Franchisee under the terms of this Section 9.2) can, on notice to Franchisee, be revoked by Penn Station in its discretion exercised in a reasonable manner. It will be deemed a reasonable exercise of Penn Station's discretion if Penn Station revokes its consent to any supplier of advertising or approval of any advertising program, campaign or materials if Penn Station, in its sole discretion, determines that the System, the Marks or any of the Copyrighted Materials or customers' perception or expectations of a Penn Station Restaurant are or will be adversely affected. All advertising and promotional concepts, slogans, commercials, ideas, campaigns, slicks, media and materials are deemed to be Copyrighted Materials, whether prepared, developed, created, conceived, or produced by Franchisee, by any advertising cooperative of which Franchisee is a member, or by any Person on Franchisee's or the advertising cooperative's behalf, are the sole property of Penn Station. Franchisee presently and irrevocably assigns to Penn Station all rights and interests in that advertising and will cause all Persons (including Franchisee) to sign any and all documents required by Penn Station to transfer all rights, if any, in that advertising to Penn Station.

9.2.2 Electronic Media Advertising and E-Commerce. (i) Penn Station's restrictions, requirements and policies concerning advertising, marketing and promotion set forth in this Agreement (including Section 9.2.1), the Confidential Operating Manual, the Marketing Materials, or otherwise established in writing by Penn Station from time to time have applied, and will continue to apply, to any advertising, promotion or marketing by or on behalf of Franchisee or any advertising cooperative, through any electronic communication, commerce, computations, or any other means of electronic interaction, including the World Wide Web, the Internet, e-mail, websites, microsites, home pages, chatrooms, social media platforms, mobile channels (such as text messaging, mobile versions of websites, and mobile applications), linking, framing, and related technologies, methods, techniques, registrations, and networking (collectively, "e commerce"). Specifically and without limiting the generality of the preceding sentence, Franchisee acknowledges and agrees that each Electronic Media Site and other forms of e-commerce have been, and will continue to be, "advertising" for all purposes of this Agreement and will be subject to (among other things) Penn Station's approval under this Section 9.2. As between Franchisee and Penn Station, Penn Station will, without any further act or instrument, own (1) all rights, titles, and interests in and to any data collected via e-commerce related to the System or the Marks, including any customer data (other than any credit, debit or other card data), click-stream data, cookies, user data, hits and the like and (2) all domain, page, handle, channel and account names to all Electronic Media Sites that are related or similar, in Penn Station's judgment, to any of the Marks. Franchisee will, without the payment of any compensation therefor, execute and deliver any instruments or documents promptly on Penn Station's request to convey more fully to Penn Station any rights, titles, or interests of Franchisee in any data or information or any domain, page, handle, channel or account names, as described in the preceding sentence.

(ii) Penn Station retains the sole right to create, establish, develop, conduct, operate, host, and maintain Electronic Media Sites using "Penn Station," "Penn Station, East Coast Subs" or the other Marks and/or the Copyrighted Materials, and to register or use other domain, page, handle, channel or account names related or similar to any of the Marks. Penn Station will have the right, but not the obligation, to designate one or more web pages or the like to describe Franchisee, the Franchised Business, or both, on or with any web page or the like that are located on or within any of Penn Station's (or its vendor-provided or contractor-provided) Electronic Media Sites, without payment of any compensation to Franchisee. From time to time, Penn Station, at its sole option, may establish, develop, conduct, operate, host, or maintain (or make arrangements with a vendor or a contractor to establish, develop, conduct, operate, host, or maintain) one or more Electronic Media Sites or other forms of e-commerce for advertising, marketing and promotion of one or more Penn Station Restaurants (collectively, "Penn Station Electronic Media Programs"). Penn Station has the right to require Franchisee, effective on notice to Franchisee, to participate in any and each Penn Station Electronic Media Program designated by Penn Station for

such participation, without Franchisee's receiving any compensation therefor. If Penn Station elects to require Franchisee to participate in any existing or future Penn Station Electronic Media Program, Franchisee will, as applicable, promptly contract with (a) Penn Station's authorized vendors or contractors of each such applicable Penn Station Electronic Media Program then designated by Penn Station or (b) Penn Station should Penn Station elect itself to provide each such applicable Penn Station Electronic Media Program then designated by Penn Station, in order to begin receiving the services and/or products under that Penn Station Electronic Media Program. Franchisee will be responsible for the fees and costs charged by Penn Station's authorized vendors and contractors (or, as applicable, by Penn Station) of the then-designated Penn Station Electronic Media Programs, to the extent provided for in the then current Penn Station Electronic Media Programs;

(iii) To protect the Marks, the Copyrighted Materials, the System and the Confidential Information, Franchisee will not, and will not permit any advertising cooperative of which it is a member to, establish, develop, conduct, operate, host, or maintain any Electronic Media Site or other form of e-commerce itself or indirectly through or with any other Person; and

(iv) Penn Station has the right, effective on notice to Franchisee, to modify the provisions of this Section 9.2.2 from time to time as it relates to Penn Station's provision, administration, conduct, operation, maintenance, and/or regulation of e-commerce, as Penn Station solely determines is necessary or appropriate in the best interests of the System.

9.3 Cooperative Advertising. If Penn Station or a majority of the franchisees of Penn Station who are located in a particular geographical market believe that a cooperative advertising program would contribute to an increase in the sales of the franchisees in that area and in the recognition of, and goodwill associated with, the Marks, the Copyrighted Materials and the System in the franchisees' area, then Penn Station or the applicable franchisees may implement a cooperative advertising program for advertising, promotion and marketing in the applicable local or regional market, including participating in any Penn Station Electronic Media Program. Penn Station has the right, in its discretion, to designate any geographical area for purposes of establishing an advertising cooperative. Penn Station will, if it owns any company-owned Restaurants in that area, be a member of the cooperative. After Penn Station gives notice of the formation of the advertising cooperative to the franchisees in the applicable area, Franchisee, if the Franchised Business is located in the applicable area, will be required to participate in the advertising cooperative. Penn Station will have sole discretion over the content of all advertising, marketing and promotional programs developed or used by the advertising cooperative. Funds collected by the advertising cooperative may only be spent for advertising, marketing and promotional programs approved by Penn Station. If an advertising cooperative is formed, the following provisions will apply:

9.3.1 Cooperative Agreement. The franchisees in the advertising cooperative will establish written rules, regulations and by-laws to govern the advertising cooperative that are reasonably acceptable to Penn Station. If the advertising cooperative members are unable to agree by a date and on terms as are reasonably acceptable to Penn Station, then the terms of the rules, regulations and by-laws of the advertising cooperative will be as prescribed by Penn Station in its discretion reasonably exercised. Nothing in the rules, regulations and by-laws of the advertising cooperative will alter any of Franchisee's obligations under this Agreement, as the terms of this Agreement are superior to the rules, regulations and by-laws of the advertising cooperative. Franchisee's obligations under this Section 9.3 are unaffected by the failure of any other franchisee, who is (or should be) a member of the advertising cooperative, to perform its obligations to, or to become or remain a member of, the advertising cooperative. Under no circumstances will Penn Station have any obligation to enforce or police the performance of the rules, regulations or by-laws of the advertising cooperative;

9.3.2 Payments. Franchisee will contribute to the advertising cooperative in the amounts and at the times as are determined by the members and which have been consented to in advance by Penn Station (or, if the members are unable to agree on an amount that is acceptable to Penn Station, then the amount will be as established by Penn Station). The amount Franchisee is required to pay as a result of participation in the advertising cooperative are not subject to the 2% limitation in Section 9.1.1 and will be in addition to the advertising required by Sections 9.1.2, 9.1.3, 9.1.4, and 9.2 and the National Fund fee required pursuant to Section 9.4;

9.3.3 Voting. Franchisee's participation in the advertising cooperative will be on the basis of one vote for each Penn Station Restaurant operated by Franchisee in the applicable local or regional market under a franchise agreement with Penn Station. The affirmative vote of a majority of the franchisees included within the advertising cooperative (on the basis of one vote per Restaurant owned) present at any meeting properly called pursuant to the rules, regulations, or by-laws of the advertising cooperative will be binding on all members of the advertising cooperative unless the members have specifically designated other percentages or voting requirements in the rules, regulations or by-laws (or other governing documents) of the advertising cooperative consented to by Penn Station;

9.3.4 Disputes. If a dispute or disputes exist among the advertising cooperative members and, in Penn Station's judgment, a deadlock or a substantial disagreement exists among the members as to how to govern, run, or administer the advertising cooperative, Penn Station reserves the right to resolve the dispute or to dissolve the cooperative and form a new cooperative or cooperatives among the members of the former cooperative. Each member will be bound by Penn Station's actions; and

9.3.5 Change in Territory. If, after the advertising cooperative is formed, Penn Station changes the classification of the geographic area in which the Franchised Business is located so that the Franchised Business becomes part of a geographical area represented by an advertising cooperative designated by Penn Station, then Penn Station may cause the advertising cooperative to amend its organizational documents to reflect the change or dissolve the existing advertising cooperative and reform it with all Penn Station Restaurants within that geographical area, including the Franchised Business. From and after the date that the new advertising cooperative is formed, Franchisee will be required to participate in the new advertising cooperative.

9.4 System Advertising. Penn Station will have the right, in its sole discretion, to establish an advertising fund (the "National Fund") for advertising, marketing, public relations and promotional programs which Penn Station (and any delegatee of Penn Station) believes will enhance the image of the System ("System Advertising"). The National Fund will be administered as follows:

9.4.1 System Benefit; Administration of the National Fund. Penn Station (and any delegatee of Penn Station) will direct all System Advertising, with sole discretion over the cost and content of System Advertising and the use of all funds spent on System Advertising. In addition to P.S. National Fund, Inc., an Ohio nonprofit corporation ("P.S. National Fund"), which was formed by Penn Station to administer the National Fund (and gift card program) as, and for so long as it is, Penn Station's delegatee therefor, Penn Station may elect to solicit the advice of its Franchisee Advisory Council (if then in existence) or from franchisees from time to time regarding System Advertising. From time to time, Penn Station will pay over to P.S. National Fund, for so long as it is Penn Station's delegatee therefor, any National Fund fees collected by Penn Station from time to time from its franchisees, including Franchisee, for P.S. National Fund's administration of the National Fund. Subject to the Regulations of P.S. National Fund and applicable law, Franchisee is a member of P.S. National Fund so long as Franchisee owns and operates at least one Penn Station franchise for one Restaurant and Franchisee, as solely determined by Penn Station, is in good standing as a franchisee of Penn Station. Franchisee will automatically and immediately cease to be a member of P.S. National Fund, without any further act or document, on the earlier to occur of the date on which (i) Franchisee ceases to be a Penn Station franchisee of at least one Penn Station Restaurant or (ii) Penn Station provides P.S. National Fund notice that Franchisee is not in good standing with Penn Station, including as a result of the occurrence of a Default. Penn Station shall have no duty, responsibility or liability to Franchisee for any act or omission of P.S. National Fund or any of its officers or members of its governing body or any of P.S. National Fund's members. Penn Station has the right, in its sole discretion, to withdraw its delegation to P.S. National Fund of, and begin performing itself or make a delegation to any other Person to perform, any of Penn Station's rights or duties, if any, under this Section 9.4 at any time without prior notice to, or any consent of, Franchisee. If Penn Station withdraws the delegation to P.S. National Fund as provided in the immediately preceding sentence and (a) makes a delegation to a new Person to perform the services of P.S. National Fund to Penn Station, such new Person will be deemed to be P.S. National Fund for purposes of this Section 9.4 or (b) begins performing itself those rights or duties, if any, under this Section 9.4, then Penn Station shall be substituted for the references to P.S. National Fund for purposes of this Section 9.4 as applicable.

Franchisee understands and acknowledges that the National Fund is intended to maximize public recognition of the Marks for the benefit of the System and that neither Penn Station nor any delegatee of Penn Station, including P.S. National Fund, undertakes any obligation to make expenditures of the National Fund for Franchisee which are equivalent or proportionate to Franchisee's contribution or to ensure that Franchisee benefits directly or pro rata from the placement of advertising. By their very nature, advertising and marketing campaigns are not assured of being effective or successful, and Penn Station and each delegatee of Penn Station, including P.S. National Fund, disclaim any implied representations or warranties that the System Advertising will be beneficial to the System or Penn Station's franchisees or efficacious;

9.4.2 Uses. The National Fund will be used exclusively to meet the cost of preparing, maintaining, administrating, directing, purchasing and conducting advertising, marketing, public relations and promotional programs and materials and any other activities which Penn Station (and any delegatee of Penn Station) believes will enhance the image of, or otherwise benefit, the System (whether on a local, regional or national basis including on an individual store unit basis in any and all local markets as determined solely by Penn Station (and any delegatee of Penn Station)), including, for example, the costs of preparing, placing and conducting media advertising campaigns; direct mail, broadcast or print advertising; engaging advertising or public relation agencies to assist with System Advertising; producing and purchasing promotional items and food photography; outdoor advertising materials; marketing surveys; public relations activities and events; visual merchandising, point of sale, and other merchandising programs; any Penn Station Electronic Media Program, including developing, hosting, and operating a Web page for franchisees; producing and maintaining a Web page for Penn Station to the extent Penn Station attributes the benefit of that page to System Advertising; certain gift card administrative costs; certain Penn Station Loyalty Program costs; certain web ordering system costs; certain marketing costs with third-party delivery services; developing a mascot; and providing promotional and other marketing materials and services to the Penn Station Restaurants operating under the System. The National Fund will be maintained in a separate deposit account of P.S. National Fund (or, if P.S. National Fund is no longer Penn Station's delegatee therefor, in a separate deposit account of Penn Station (or in a separate deposit account of any new Person to whom Penn Station delegates the services of P.S. National Fund)). The National Fund and may not be used to defray any of Penn Station's (or any delegatee of Penn Station's) operating expenses except expenses and overhead, if any, as Penn Station (and any delegatee of Penn Station) may incur in administering, directing and implementing System Advertising and administering the National Fund, including the costs of personnel, legal and accounting fees and taxes. Separate bookkeeping accounts will be maintained for the National Fund. Neither Penn Station nor any delegatee of Penn Station shall have any fiduciary duties or fiduciary responsibilities to its franchisees for Penn Station's (or any delegatee of Penn Station's) administration of the National Fund or for any other matters arising out of the National Fund;

9.4.3 Review of Fund. A general accounting of the operation of the National Fund may, at Penn Station's election, be prepared annually by an independent certified public accountant selected by Penn Station and will be made available to Franchisee on request. The expense of the audit will be charged to the National Fund; and

9.4.4 Termination. Penn Station reserves the right to terminate the National Fund. On termination, Franchisee will not be obligated to make further payments to the National Fund, and Penn Station will expend any remaining funds for System Advertising.

10. INSURANCE.

10.1 Coverage. During the term of this Agreement, Franchisee will purchase and maintain in full force and effect, at Franchisee's expense, the following insurance coverage:

10.1.1 General Liability. Comprehensive general liability insurance for bodily injury and property damage in amounts and with any specific coverages and endorsements as are specified in the Confidential Operating Manual. Each of Penn Station, its officers, shareholders, directors (or managers), employees, and agents must be named as an additional insured in this policy or policies. All such insurance shall be primary to Penn Station and non-contributory with any other insurance available to Penn Station or any claim or liability covered by any of Penn Station's insurance;

10.1.2 Employee Insurance. Worker’s Compensation and occupational disease insurance as well as other insurance that may be required by statute or rule of the state or territory in which Franchisee operates and all group medical and health coverage as is required by law;

10.1.3 Contents Insurance. Special form property insurance, or the broadest property insurance then commercially available, insuring 100% of the replacement value of Franchisee’s inventory, supplies, equipment, furniture, furnishings, trade fixtures, leasehold improvements and other Restaurant Improvements, together with business interruption coverage, insuring “actual loss of income” for up to 12 months;

10.1.4 Premises Insurance. All insurance required by the Premises Lease;

10.1.5 Auto Insurance. Comprehensive automobile liability coverage for both owned and hired & non-owned vehicles used in the Franchised Business, with a minimum combined, single limit of at least \$1,000,000 for bodily injury and property damage. Penn Station must be named as an additional insured in this policy or policies; and

10.1.6 Other Insurance. Any other insurance as Franchisee elects to procure for its protection or that is otherwise required by law in addition to the coverage required by the other subsections of this Section 10.1.

10.2 Policies. The insurance policy or policies maintained by Franchisee must (i) be issued by insurance carriers given at least an “A” rating by Alfred M. Best & Company, Inc. (or any successor rating agency) and (ii) include, at a minimum, the coverage described in Section 10.1 plus any additional coverage and higher policy limits as may reasonably be required by Penn Station on 30 days written notice to all franchisees from time to time in the Confidential Operating Manual or otherwise in writing. If Franchisee receives notice from Penn Station requiring Franchisee to purchase additional coverage or to increase its policy limits, then Franchisee may submit to Penn Station the opinion of Franchisee’s insurance carrier to the effect that the additional coverage or the policy limit increase, or both, are not required based on risk factors for the size and scope of the Franchised Business in the market in which the Franchised Business is located (the “Insurance Report”). If Penn Station’s insurance consultant (a) agrees with the conclusions in the Insurance Report, then Franchisee will not be required to purchase the additional insurance and Penn Station will pay the reasonable cost, if any, charged by Franchisee’s insurance carrier to render the Insurance Report unless Penn Station had reasonable grounds to require the new coverages or higher policy limits, or (b) disagrees with the conclusions in the Insurance Report in whole or in part, then Franchisee will implement the additional coverages or higher policy limits arrived at by Penn Station’s insurance consultant. Franchisee will furnish to Penn Station (1) on the signing of this Agreement and on each renewal of the applicable policy, a certificate of insurance evidencing that there is insurance coverage meeting the foregoing requirements and that Penn Station has no liability under those policies for unpaid premiums or other charges and (2) an additional insured endorsement on Penn Station’s request. At Penn Station’s request, Franchisee will furnish to Penn Station a copy or copies of the applicable insurance policies. Each certificate and the additional insured endorsement must state that the policy or policies will not be canceled or altered without 30 days prior written notice to Penn Station. Maintenance of this insurance and performance by Franchisee of the obligations under this Section 10 will not relieve Franchisee of its obligations under the indemnity provisions of Section 17.4.

11. PRICES. Penn Station may from time to time advise and offer guidance to Franchisee in connection with the prices for the products and services offered for sale by a Penn Station Restaurant which, in Penn Station’s judgment, constitutes good business practice. These suggested prices, including any prices charged through third-party delivery services, will be based on the experience of Penn Station in operating Penn Station Restaurants and an analysis of various cost data and the prices charged for competitive products and services. Except as provided in this Section 11, Franchisee is not obligated to accept any of this advice or guidance and has the sole right to determine the prices to be charged from time to time by the Franchised Business, and none of Penn Station’s advice or guidance may be deemed or construed to impose on Franchisee any obligation to charge any fixed, minimum or maximum prices for any product or service offered for sale by the Franchised Business. Notwithstanding the foregoing in this Section 11, Penn Station, to the extent Penn Station is not

prohibited from doing so under applicable law, reserves the right to set prices for any product or service offered for sale by the Franchised Business. Nothing in this Section 11, however, may be interpreted to allow Franchisee to make separate charges for menu items specified by Penn Station to be included as part of the same item (e.g., sandwich toppings) or allow Franchisee to charge for certain items designated from time to time by Penn Station as being no-charge, such as water.

12. TRANSFERABILITY OF BUSINESS.

12.1 Transfer by Penn Station. Penn Station will have the right to transfer or assign all or any part of its rights or delegate all or any part of its obligations under this Agreement or in any other agreement between Penn Station and Franchisee to any Person; however, as a condition of any total assignment by Penn Station of its rights and the total delegation of its obligations, the Person to whom Penn Station assigns its interests will assume Penn Station's obligations under this Agreement arising after the effective date of the assignment. Franchisee will sign any forms Penn Station may reasonably request to effectuate any assignment by Penn Station. On that total assignment by Penn Station, Penn Station is, without any further act or instrument, immediately released of any and all obligations, duties, and liabilities arising under or out of this Agreement or any other agreement between Penn Station and Franchisee.

12.2 Transfer by Franchisee. Franchisee understands and acknowledges that Franchisee's rights and duties in this Agreement are personal to Franchisee and that Penn Station has entered into this Agreement in reliance on the Managing Owner's, the Operations Director's, the Designated Owner's, and, as applicable, each other Owner's business skill, character and financial capacity. Accordingly, none of the Transfers described in Sections 12.2.1, 12.2.2, 12.2.3 or 12.3 below may occur without the prior consent of Penn Station:

12.2.1 Total Franchise Transfer. (i) Franchisee may not Transfer (as defined below) any interest in this Agreement, the Franchise, the Franchised Business, or any one or more of them; (ii) Franchisee may not (a) sell, lease or make any other Transfer of all or substantially all of its properties to any Person or (b) consolidate with or be a party to any merger with any Person; or (iii) there cannot be any sale or other Transfer of all of the Ownership Interests in Franchisee to any Person or Persons;

12.2.2 New Owner Transfer. In addition to Section 12.2.1 above and Section 12.2.3 below, (i) no Owner may Transfer all or any part of his Ownership Interests in Franchisee to any Person, and (ii) Franchisee may not sell, create, issue or otherwise Transfer any Ownership Interest in Franchisee to any Person whom, it is proposed, will become an Owner of Franchisee (either case described in clause (i) or (ii) of this Section 12.2.2 being, a "New Owner Transfer"); or

12.2.3 Existing Owner Transfer. In addition to Section 12.2.2, (i) no Owner may Transfer all or any part of his Ownership Interests in Franchisee to any other Owner; and (ii) Franchisee may not sell, create, issue or otherwise Transfer any Ownership Interest in Franchisee to any Person who, at the time of the Transfer, is an Owner of Franchisee (either case described in clause (i) or (ii) of this Section 12.2.3 being, an "Existing Owner Transfer").

12.3 Unauthorized Transfers Void. Any purported Transfer, by operation of law or otherwise, without the prior written consent of Penn Station will be null and void and will be a Default. "Transfer" means any direct or indirect method or manner by which legally or beneficially an ownership interest or ownership rights are presently, in the future, or on the happening of an event or condition, transferred, including, by way of illustration, by sale, gift, merger, consolidation, assignment, subscription, death (including by will), divorce, declaration or transfer in trust, or by the exercise by a creditor of his rights under the law. An example of an indirect transfer of an interest that is subject to this Agreement is the transfer by an existing Owner of his interest in Franchisee first to Franchisee or to any other Owner of Franchisee, either of which then issues or transfers all or a portion of the interest transferred by the initially transferring Owner to a new Person who becomes an Owner. Franchisee and its Owners irrevocably waive any and all claims against Penn Station arising out of the exercise of Penn Station's discretion in approving or disapproving any Transfer under this Section 12. Franchisee must give Penn Station reasonable prior notice of any contemplated Transfer for Penn Station to determine whether to grant or withhold its consent to the proposed Transfer. No advertising, marketing or publication (whether in print or electronically)

to be undertaken in connection with any Transfer may purport to make any representation or warranty by Penn Station or may depict any of the Marks, the Copyrighted Materials, or the System in any manner contrary to the terms of this Agreement, the Confidential Operating Manual, or any requirements provided by Penn Station. Franchisee will cause any advertising, marketing or publication to be undertaken in connection with any proposed Transfer to be submitted to Penn Station in advance of placing the advertising, marketing or publication for Penn Station's review to confirm the matters in the immediately preceding sentence.

12.4 Conditions to Total Transfer. Notwithstanding anything to the contrary in Section 12.2.1, Penn Station will not unreasonably withhold its consent to (i) a sale by Franchisee of the Franchised Business to a Person who proposes to continue Franchisee's business as a successor business including undertaking Franchisee's obligations under this Agreement (a "Proposed Purchaser"), (ii) a sale by Franchisee of all of its properties (including the Franchised Business) to a Proposed Purchaser, or (iii) the sale by the Owners of all, but not less than all, of their Ownership Interests in Franchisee to one or more Proposed Purchasers who are natural persons, if, before the applicable Transfer described in items (i), (ii) or (iii) of this Section 12.4, the following conditions are satisfied to the sole satisfaction of Penn Station:

12.4.1 No Default. All of Franchisee's accrued monetary obligations to Penn Station and all other outstanding obligations related to this Agreement, each other franchise agreement between Franchisee and Penn Station, and all other agreements with Penn Station have been satisfied and Franchisee is not in Default. No Default may be created from the proposed Transfer. Franchisee must provide Penn Station with at least 45 days' prior written notice of the proposed Transfer, which notice must include the identity of the Proposed Purchaser and its Owners. The Proposed Purchaser must sign (and on Penn Station's request, causes all interested parties to sign) an agreement, in a form satisfactory to Penn Station, assuming and agreeing to discharge all of Franchisee's obligations under this Agreement and all other agreements as Penn Station may require for the Penn Station Restaurants being transferred (including signing Penn Station's then current franchise agreements). Guaranties, satisfactory to Penn Station, from the Proposed Purchaser's Owners of the Proposed Purchaser's obligations to Penn Station must be delivered to Penn Station at Penn Station's request. Notwithstanding anything to the contrary in this Section 12.4.1, the then current franchise agreement to be signed by the Proposed Purchaser will, for the remaining term of this Agreement, contain the same renewal fee as provided in Section 2.2.6, the same continuing monthly royalty fee formula as provided in Section 3.1.2, the same percentage limitation of any Local Advertising pursuant to Section 9.1.1, the same percentage limitation of any National Fund fee implemented by Penn Station pursuant to Section 9.4, the same Restricted Territory as described in Section 1.2, and the same Franchised Premises described in Section 1.3;

12.4.2 Cash Flow; Financial Condition. The proposed Transfer must be on terms so that the cash flow from the Proposed Purchaser and the Owned Units being transferred (including the Franchised Business) after payment of debt service (including interest), taxes, and the compensation of the Managing Owner, each Operations Director and, as applicable, each General Manager is sufficient for all required expenditures with respect to the Proposed Purchaser and all of the Owned Units being transferred (including the Franchised Business). Franchisee's (and any Owner's) right to receive any compensation, pursuant to any agreement for the purchase of any interest in Franchisee or in the Owned Units being transferred (including the Franchised Business), is subordinate and secondary to Penn Station's right to receive (i) any and all monetary and other obligations due from the Proposed Purchaser and (ii) payment and performance of all other obligations under this Agreement and each other franchise agreement between Franchisee and Penn Station, whether any of those obligations arose before or after the Transfer. Furthermore, (a) the source of financing and the financial condition and structure of (1) the Proposed Purchaser and (2) the owners of the Proposed Purchaser (including its and their net worth, cash flow, and working capital) and (b) the proposed level of involvement by the owners of the Proposed Purchaser in the business, finances and operations of the Proposed Purchaser, in each instance, must in all respects be satisfactory to Penn Station;

12.4.3 Ownership. The persons who will be (i) the Owners of the Proposed Purchaser of the properties of Franchisee (including the Franchised Business) or, as applicable, (ii) the Proposed Purchasers, directly or indirectly, of the interests of Franchisee's Owners (on consummation of the purchase of the then Owners' interests) must, in each instance,

(a) demonstrate to Penn Station's sole satisfaction that (1) they each are qualified to be Owners of Franchisee in compliance with this Agreement, (2) none of them has been convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station's interests in the Marks or Copyrighted Materials, and (3) they, together, have adequate financial resources, credit, business experience, and capital and (b) sign (and on Penn Station's request, cause all interested parties to sign) an agreement, in a form satisfactory to Penn Station, assuming and agreeing to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5. In addition, the ownership structure and percentage ownership of the Owners of the Proposed Purchaser (or that of the persons who purchase Franchisee's then Owners' interests) must be acceptable to Penn Station;

12.4.4 Managing Owner. There cannot be a change in the person who is the Managing Owner without Penn Station's prior consent. If there is a new person proposed to be the Managing Owner, then the new person must (i) demonstrate to Penn Station's sole satisfaction that he (a) has not been convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station's interests in the Marks or Copyrighted Materials, and (b) has the aptitude and ability (as may be evidenced by related restaurant and business experience or otherwise) to be the Managing Owner; (ii) meet the conditions of Section 5.2; (iii) (a) personally guarantee the obligations of Franchisee under this Agreement and each other applicable franchise agreement between Franchisee and Penn Station and (b) agree to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5 and each other applicable franchise agreement between Franchisee and Penn Station; and (iv) complete to Penn Station's satisfaction, at the Proposed Purchaser's expense, the Training Program then in effect. In addition to clauses (i) through (iv) of this Section 12.4.4, Penn Station must be paid its then current training fee by the 10th day of the calendar month immediately following the calendar month in which the new person finished their training to cover, in part, Penn Station's cost to provide the Training Program to the new person;

12.4.5 Operations Director. There cannot be a change in the person who is the Operations Director (if applicable) without Penn Station's prior consent. If there is a new person proposed to be the Operations Director, then the new person must (i) (a) have the aptitude and ability to carry out all of the duties required of an Operations Director for the Owned Units under his supervision and (b) not have been convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station's interests in the Marks or Copyrighted Materials; (ii) meet the conditions of Section 5.2; (iii) agree to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5 and each other applicable franchise agreement between Franchisee and Penn Station and must sign the Operations Director Non-Compete Agreement; and (iv) be properly trained by the Managing Owner (subject to testing by Penn Station in accordance with this Agreement). In addition to clauses (i) through (iv) of this Section 12.4.5, Penn Station must be paid its then current training fee, upon receipt of Penn Station's request for payment therefor, following its testing of the training of the new Operations Director;

12.4.6 Compliance. The rights or interests being sold have been first offered to Penn Station in the manner described in Section 12.9 below, and all other terms of this Agreement applicable to the Transfer and to the Persons involved in the Transfer (including Section 12.10) have been met. Penn Station reserves the right to require Franchisee and its Owners to sign a general release, in a form established by Penn Station, of all claims against Penn Station and its affiliates, and their respective owners, officers, directors (or managers), members, employees, and agents;

12.4.7 Transfer Fee. Franchisee pays to Penn Station a transfer and processing fee as set forth below based upon the number of Restaurants transferred by Franchisee to each Proposed Purchaser. If the Transfer involves multiple Proposed Purchasers with common ownership, as determined by Penn Station, such Proposed Purchasers will be deemed to be a single Proposed Purchaser solely for purposes of the following table:

<u>Total Number of Restaurants Transferred to Each Proposed Purchaser</u>	<u>Total Transfer Fee</u>
1	\$2,500
2-5	\$5,000
6-9	\$7,500
10 or more	\$10,000; and

12.4.8 Designated Owner. There cannot be a change in the person who is the Designated Owner without Penn Station’s prior consent. If there is a new person proposed to be the Designated Owner, then the new person must (i) demonstrate to Penn Station’s sole satisfaction that he (a) meets Penn Station’s then current standards for Designated Owners and (b) has not been convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station’s interests in the Marks or Copyrighted Materials; (ii) meet the conditions of Section 5.2; (iii) (a) personally guarantee the obligations of Franchisee under this Agreement and each other applicable franchise agreement between Franchisee and Penn Station and (b) agree to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5 and each other applicable franchise agreement between Franchisee and Penn Station; and (iv) complete to Penn Station’s satisfaction, at the Proposed Purchaser’s expense, the Training Program then in effect for Designated Owners, and Penn Station must be paid its then current training fee by the 10th day of the calendar month immediately following the calendar month in which the new person finished their training to cover, in part, Penn Station’s cost to provide the Training Program to the new person.

12.5 Conditions to New Owner Transfer. Notwithstanding anything to the contrary in Section 12.2, Penn Station will not unreasonably withhold its consent to a New Owner Transfer (as defined in Section 12.2.2) if, before the applicable Transfer, the following conditions are satisfied to the sole satisfaction of Penn Station:

12.5.1 No Default. All of Franchisee’s accrued monetary obligations to Penn Station and all other outstanding obligations related to this Agreement, each other franchise agreement between Franchisee and Penn Station, and all other agreements with Penn Station have been satisfied and Franchisee is not in Default. No Default may be created from the proposed Transfer;

12.5.2 Managing Owner. If, as a result of the New Owner Transfer, a new person will purchase the interest of, or otherwise become, the new “Managing Owner”, then the new person must (i) (a) not have been convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station’s interests in the Marks or Copyrighted Materials, and (b) has the aptitude and ability (as may be evidenced by related restaurant and business experience or otherwise) to be the Managing Owner; (ii) meet the conditions of Section 5.2; (iii) (a) personally guarantee the obligations of Franchisee under this Agreement and each other applicable franchise agreement between Franchisee and Penn Station and (b) agree to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5 and each other applicable franchise agreement between Franchisee and Penn Station; and (iv) complete to Penn Station’s satisfaction, at Franchisee’s expense, the Training Program then in effect. In addition to clauses (i) through (iv) of this Section 12.5.2, Penn Station must be paid its then current training fee by the 10th day of the calendar month immediately following the calendar month in which the new person finished their training to cover, in part, Penn Station’s cost to provide the Training Program to the new person;

12.5.3 Operations Director. If, as a result of the New Owner Transfer, a new person will purchase the interest of, or otherwise become, the new “Operations Director”, then the new person must (i) (a) must have the aptitude and ability to carry out all of the duties required of an Operations Director for the Owned Units under his supervision and (b) not have been convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station’s interests in the Marks or Copyrighted Materials; (ii) meet the conditions of Section 5.2; (iii) agree to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5 and each

other applicable franchise agreement between Franchisee and Penn Station and must sign the Operations Director Non-Compete Agreement; and (iv) be properly trained by the Managing Owner (subject to testing by Penn Station in accordance with this Agreement). In addition to clauses (i) through (iv) of this Section 12.5.3, Penn Station must be paid its then current training fee, upon receipt of Penn Station's request for payment therefor, following its testing of the training of the new Operations Director;

12.5.4 No Change of Control. There must not be any Change of Control of Franchisee (except as a result of a change in the Managing Owner who has received Penn Station's prior consent in accordance with the terms of Section 12.5.2 above or as a result of a change in the Designated Owner who has received Penn Station's prior consent in accordance with the terms of Section 12.5.7 below). For purposes of this Agreement, "Change of Control" means any Transfer of any of the Ownership Interests in Franchisee which, as determined by Penn Station, results in a change, from the Effective Date or from the date of any subsequent Transfer consented to by Penn Station, in those Owners or Owner of Franchisee who, acting alone or in concert, have been represented to Penn Station on Exhibit A attached to have (i) the power, direct or indirect, to vote those Ownership Interests in Franchisee having voting power to elect a majority of the applicable governing body of Franchisee, (ii) the power, direct or indirect, to vote those Ownership Interests in Franchisee having majority voting power, or (iii) the power otherwise to direct, or cause the direction of, the management, policies, operations, and affairs of Franchisee, whether by contract or otherwise;

12.5.5 Sign Agreement; Compliance. Each new Owner must sign an agreement, in a form satisfactory to Penn Station, agreeing to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5, and all other terms of this Agreement applicable to the Transfer and to the Persons involved in the Transfer (including Section 12.10) have been met. Penn Station reserves the right to require the transferring Owners to sign a general release, in a form established by Penn Station, of all claims against Penn Station and its affiliates, and their respective owners, officers, directors (or managers), members, employees, and agents;

12.5.6 Transfer Fee. Franchisee pays to Penn Station a transfer and processing fee of \$2,500 for each Transfer; and

12.5.7 Designated Owner. If, as a result of the New Owner Transfer, a new person will purchase the interest of, or otherwise become, the new "Designated Owner", then (i) the new person must demonstrate to Penn Station's sole satisfaction that he (a) meets Penn Station's then current standards for Designated Owners, (b) has not been convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station's interests in the Marks or Copyrighted Materials, and (c) meets the conditions of Section 5.2; (ii) the new person must (a) personally guarantee the obligations of Franchisee under this Agreement and each other franchise agreement between Franchisee and Penn Station and (b) agree to be bound by Sections 5.1.5, 5.4, 12.9, 15, 20.3, 24.4, and 24.5 and each other franchise agreement between Franchisee and Penn Station; (iii) the new person must complete to Penn Station's satisfaction, at Franchisee's expense, the Training Program then in effect for Designated Owners; and (iv) Franchisee must pay to Penn Station its then current training fee by the 10th day of the calendar month immediately following the calendar month in which the new person finished their training to cover, in part, Penn Station's cost to provide the Training Program to the new person.

12.6 Conditions to Existing Owner Transfer. Notwithstanding anything to the contrary in Section 12.2, Penn Station will not unreasonably withhold its consent to an Existing Owner Transfer (as defined in Section 12.2.3) if, before the applicable Transfer, the following conditions are satisfied to the sole satisfaction of Penn Station:

12.6.1 No Default. All of Franchisee's accrued monetary obligations to Penn Station and all other outstanding obligations related to this Agreement, each other franchise agreement between Franchisee and Penn Station, and all other agreements with Penn Station have been satisfied and Franchisee is not in Default. No Default may be created from the proposed Transfer;

12.6.2 Managing Owner. The Managing Owner designated as such in this Agreement must remain the “Managing Owner” after the Transfer; however, if, as a result of the Existing Owner Transfer, an existing Owner will purchase the interest of, or otherwise become, the new “Managing Owner”, then the terms and conditions of Section 5.2 must be satisfied;

12.6.3 Operations Director. The Operations Director designated as such in this Agreement must remain the “Operations Director” after the Transfer; however, if, as a result of the Existing Owner Transfer, an existing Owner will purchase the interest of, or otherwise become, the new “Operations Director”, then the terms and conditions of Section 5.2 must be satisfied;

12.6.4 Control. There must not be any Change of Control of Franchisee (except as a result of a change in the person who is the Managing Owner who has received Penn Station’s prior consent in accordance with the terms of Section 5.2 or as a result of a change in the Designated Owner who has received Penn Station’s prior consent in accordance with the terms of Section 5.2);

12.6.5 Transfer Fee; Compliance. Franchisee pays to Penn Station a transfer and processing fee of \$1,000 for each Transfer, and all other terms of this Agreement applicable to the Transfer and to the Persons involved in the Transfer (including Section 12.10) have been met. Penn Station reserves the right to require the transferring Owners to sign a general release, in a form established by Penn Station, of all claims against Penn Station and its affiliates, and their respective owners, officers, directors (or managers), members, employees, and agents; and

12.6.6 Designated Owner. The Designated Owner designated as such in this Agreement must remain the “Designated Owner” after the Transfer; however, if, as a result of the Existing Owner Transfer, an existing Owner will purchase the interest of, or otherwise become, the new “Designated Owner”, then the terms and conditions of Section 5.2 must be satisfied.

12.7 Death; Incapacity of Owners.

12.7.1 Managing Owner. If the Managing Owner dies or becomes incompetent, then either of the following must happen within 180 days after the date of his death or incompetence:

(i) **Existing Owners Apply to Continue Operations.** All surviving or remaining Owners of Franchisee must designate, among themselves, a new Managing Owner and then apply to Penn Station for the right to continue to operate all of the Owned Units as the Owners of Franchisee under each franchise agreement between Penn Station and Franchisee (including this Agreement). The heir, beneficiary, devisee, guardian or legal representative (“Representative”) of the Managing Owner may not become an Owner of Franchisee unless he has been consented to by Penn Station under Section 12.5 above as if the Representative were being proposed as a new Owner. Penn Station will grant the right to Franchisee to continue to operate each of the Owned Units if the new person proposed to be Managing Owner satisfies all of the conditions in Section 5.2 and all of the conditions in Sections 12.5 and 12.6 are satisfied with respect to any Transfer of the Ownership Interest of the Managing Owner to another Owner or Owners of Franchisee; or

(ii) **Sale to Third Party.** The Representative of the Managing Owner must sell the Managing Owner’s interest (if the other existing Owners of Franchisee have given their consent) to a proposed new Owner or to an existing Owner of Franchisee in compliance with all of the provisions of Sections 12.5 and 12.6; however, if a timely and proper application by the remaining Owners of Franchisee for the right to continue to operate has been made under Section 12.7.1(i) and rejected by Penn Station, the 180 days to sell the Managing Owner’s interests to a proposed new Owner or to an existing Owner of Franchisee will be determined from the date of rejection by Penn Station. If the Managing Owner’s interest is sold in accordance with this Section 12.7.1, then all of the surviving or remaining Owners of Franchisee must

designate a new Managing Owner, who is subject to Penn Station's prior consent, in accordance with the terms of this Agreement.

12.7.2 Operations Director. If the Operations Director dies or becomes incompetent, then either of the following must happen within 180 days after the date of his death or incompetence:

(i) **Existing Owners Apply to Continue Operations.** All surviving or remaining Owners of Franchisee must designate a new Operations Director and then apply to Penn Station for the right to continue to operate all of the Owned Units as the Owners of Franchisee under each franchise agreement between Penn Station and Franchisee (including this Agreement). If the Operations Director is an Owner of Franchisee, the Representative of the Operations Director may not become an Owner of Franchisee unless he has been consented to by Penn Station under Section 12.5 as if the Representative were being proposed as a new Owner. Penn Station will grant the right to Franchisee to continue to operate each of the Owned Units if the new person proposed to be Operations Director satisfies all of the conditions in Section 5.2 and all of the conditions in Sections 12.5 and 12.6 are satisfied with respect to any Transfer of the Ownership Interest, if any, of the Operations Director to another Owner or Owners of Franchisee; or

(ii) **Sale to Third Party.** The Representative of the Operations Director must sell the Operations Director's interest (if the Operations Director is an Owner and the other existing Owners of Franchisee have given their consent) to a proposed new Owner or to an existing Owner of Franchisee in compliance with all of the provisions of Sections 12.5 and 12.6; however, if a timely and proper application by the remaining Owners of Franchisee for the right to continue to operate has been made under Section 12.7.2(i) and rejected by Penn Station, the 180 days to sell the Operations Director's interests to a proposed new Owner or to an existing Owner of Franchisee will be determined from the date of rejection by Penn Station. If the Operations Director's interest is sold in accordance with this Section 12.7.2, then all of the surviving or remaining Owners of Franchisee must designate a new Operations Director, who is subject to Penn Station's prior consent, in accordance with the terms of this Agreement.

12.7.3 Other Owners. If any Owner (other than the Managing Owner, Operations Director, or Designated Owner) dies or becomes incompetent, then the Representative of the affected Owner (together with all surviving or remaining Owners), must, within 180 days of the date of death or incompetence:

(i) **Existing Owners Apply to Continue Operations.** Apply to Penn Station for the right to continue to operate all of the Owned Units under each franchise agreement between Penn Station and Franchisee (including this Agreement) as an Owner. The Representative of the deceased or incompetent affected Owner may not become the Owner unless he has been consented to by Penn Station under Sections 12.4, 12.5 and, as applicable, 12.6 as if the Representative were being proposed as a new Owner in the case of the death or incompetency of an Owner. Penn Station will grant the right to Franchisee to continue to operate each of the Owned Units if all of the conditions in Sections 12.4, 12.5 and, as applicable, 12.6 are satisfied; or

(ii) **Sale to Third Party.** Sell the affected Owner's interest (if the other existing Owners have given their consent) in compliance with all of the provisions of Sections 5.2, 12.4, 12.5 and, as applicable, 12.6; however, if a timely and proper application for the right to continue to operate has been made under Section 12.7.3(i) and rejected by Penn Station, the 180 days to sell will be determined from the date of rejection by Penn Station.

12.7.4 Non-Compliance. If any death or incompetence occurs with respect to the Managing Owner or any Operations Director, as described above, or as provided in Section 12.7.6 with respect to the Designated Owner, and the provisions of this Section 12.7 have not been satisfied within the time provided, all rights of Franchisee under this Agreement and under each other franchise agreement between Penn Station and Franchisee will, at the option of Penn Station, terminate immediately and automatically revert to Penn Station. If, however, the terms and conditions of Section 12.7 have been otherwise satisfied and the only remaining event requisite to full compliance with the provisions of Section 12.7 is the consummation, in fact, of the consented to Transfer, then the 180-day period referred to in Section 12.7 will be

extended by an amount of time determined appropriate by Penn Station. For Penn Station to consider an application to extend the 180 day period, (i) the delay must be caused solely by circumstances which Penn Station determines are beyond the control of the applicable Persons involved, (ii) the operations of the Franchised Business may not be adversely affected in any material respect, in Penn Station's judgment, during the additional time period, and (iii) no more than a total of 30 additional days may be requested. Nothing in this Section 12.7.4 or elsewhere in this Section 12.7, however, relieves, or may be treated as relieving, Franchisee of, or as suspending, any of its duties and obligations under this Agreement during any of the time periods specified under this Section 12.7.

12.7.5 Operation by Penn Station. If the Managing Owner or any Operations Director has died or become incompetent and the Managing Owner or any remaining Owners, are not, as determined by Penn Station, able to operate the Franchised Business, then Franchisee authorizes Penn Station to operate each of the Owned Units until the provisions of this Section 12.7 have been satisfied. The operation of the Owned Units by Penn Station will not be treated as waiving any other rights or remedies that Penn Station may have under this Agreement or any other franchise agreement to prevent any interruption of those Restaurants which would cause harm to those Restaurants, the System or the Marks. Notwithstanding Penn Station's authorization to operate each of the Owned Units under this Section 12.7.5, Penn Station will not be obligated (and nothing contained in this Agreement may be deemed to obligate Penn Station) to operate any of the Owned Units. All monies from the operation of each of the Owned Units will be kept in a separate account, and the expenses and other costs of each of the Owned Units, including reasonable compensation and expenses for Penn Station's employees and representatives, will be charged to this account.

12.7.6 Designated Owner. If the Designated Owner dies or becomes incompetent, then either of the following must happen within 180 days after the date of his death or incompetence:

(i) **Existing Owners Apply to Continue Operations.** All surviving or remaining Owners of Franchisee must designate, among themselves, a new Designated Owner and then apply to Penn Station for the right to continue to operate all of the Owned Units as the Owners of Franchisee under each franchise agreement between Penn Station and Franchisee (including this Agreement). The Representative of the Designated Owner may not become an Owner of Franchisee unless he has been consented to by Penn Station under Section 12.5 above as if the Representative were being proposed as a new Owner. Penn Station will grant the right to Franchisee to continue to operate each of the Owned Units if the new person proposed to be Designated Owner satisfies all of the conditions in Section 5.2 and all of the conditions in Sections 12.5 and 12.6 are satisfied with respect to any Transfer of the Ownership Interest of the Designated Owner to another Owner or Owners of Franchisee; or

(ii) **Sale to Third Party.** The Representative of the Designated Owner must sell the Designated Owner's interest (if the other existing Owners of Franchisee have given their consent) to a proposed new Owner or to an existing Owner of Franchisee in compliance with all of the provisions of Sections 12.5 and 12.6; however, if a timely and proper application by the remaining Owners of Franchisee for the right to continue to operate has been made under Section 12.7.6(i) and rejected by Penn Station, the 180 days to sell the Designated Owner's interests to a proposed new Owner or to an existing Owner of Franchisee will be determined from the date of rejection by Penn Station. If the Designated Owner's interest is sold in accordance with this Section 12.7.6, then all of the surviving or remaining Owners of Franchisee must designate a new Designated Owner, who is subject to Penn Station's prior consent, in accordance with the terms of this Agreement.

12.8 Continuing Duties. Penn Station's consent to a Transfer of (i) any interest in or property of Franchisee, (ii) this Agreement, any other franchise agreement or any multi-unit development agreement between Franchisee and Penn Station, or (iii) the Franchised Business will not (a) relieve Franchisee (or the Managing Owner or any of the other Owners who have delivered a guaranty to Penn Station) of any of its, his or their liability for all unpaid, monetary obligations which have accrued or are otherwise due as of the effective date of Transfer, (b) relieve any of Franchisee or, as applicable, its Officers, directors, or Owners or the Operations Director, of any of its, his or their obligations contained in Sections 5.1.5, 5.4, 12.9 or 15 or the Operations Director Non-Compete Agreement except where Penn Station has expressly authorized a

release in writing, (c) constitute a waiver of any claims Penn Station may have against the transferring Person or Persons, or (d) be deemed a waiver of Penn Station's right to demand exact compliance by Franchisee with any of the terms of this Agreement or any other franchise agreement between Franchisee and Penn Station.

12.9 Right of First Refusal. Each of the Persons (the "Seller") holding any rights or interests in Franchisee or the Franchised Business, desiring to accept any bona fide written offer from any other Person (the "Buyer") to purchase or otherwise to obtain by any other Transfer the rights or interests proposed to be sold or otherwise Transferred by a Seller ("Seller's Interests"), must first offer in writing to Penn Station (the "Offer") to sell or otherwise acquire Seller's Interests to Penn Station for the price and other considerations offered by the Buyer. Penn Station will have the right and option, exercisable within 45 days after receipt of the Offer, to accept the Offer by sending written notice to Seller. If Penn Station elects not to accept the Offer, then Seller will have the right to sell Seller's Interests, subject to the other requirements of this Section 12, to the Buyer identified in the Offer on the same terms and conditions disclosed in the Offer; however, any material change in the terms of the Offer before the closing of the sale or other Transfer will constitute a new offer subject to the same terms and conditions of this Section 12.9 as in the case of an initial Offer. If Seller's Interests are not sold within 180 days after the date of the Offer, then Seller must again offer to sell or otherwise acquire Seller's Interests to Penn Station before any sale or other Transfer to any other Person. Penn Station's election not to exercise the option afforded by this Section 12.9 is not a waiver of any of Penn Station's other rights under this Agreement, including all other requirements of this Section 12.

12.10 Transfers to Existing Franchisees. Notwithstanding anything to the contrary in this Agreement, Transfers to other, existing franchisees (or to owners of other, existing franchisees) may be subject to conditions materially different from, or in addition to, conditions with regard to other Transfers. Penn Station reserves the right to establish those other conditions in written policies delivered periodically to Franchisee, which, if adopted by Penn Station, will be incorporated into and become a part of this Agreement. Without limiting its rights as provided in the preceding sentences of this Section 12.10, Penn Station reserves the right to disapprove a Transfer to an existing franchisee (or to owners of another existing franchisee) based on any of the following (in addition to the other terms and conditions of this Agreement): (i) the Proposed Purchaser does not meet Penn Station's then current Multi-Unit Guidelines; (ii) the current geographic scope and proximity of the Proposed Purchaser's other Restaurants and other operations; (iii) the physical, financial, and operational condition of the Proposed Purchaser's other Restaurants; (iv) the Restaurant penetration level and opportunities present in the Proposed Purchaser's existing markets; (v) the period of time since the Proposed Purchaser last acquired Restaurants and the extent to which the Proposed Purchaser has properly assimilated those Restaurants into its operations and organization and has eliminated any adverse conditions or circumstances arising from or related to those other acquisitions; and (vi) the number of Penn Station Restaurants owned or controlled by the Proposed Purchaser is, in Penn Station's judgment, too numerous if the acquisition were consummated.

13. DEFAULT AND TERMINATION.

13.1 Automatic Termination. Franchisee is in Default under this Agreement, and all rights granted under this Agreement and any other agreement between Penn Station and Franchisee pertaining to the Franchised Business will automatically terminate without notice to Franchisee or without any opportunity to cure, if:

13.1.1 Bankruptcy. Franchisee files or there is filed against it a petition under any chapter of The Bankruptcy Code of 1978, as amended, Title 11 U.S.C. §101 *et seq.*, and any involuntary petition is not dismissed within 30 days of the date of its filing;

13.1.2 Insolvent. Franchisee makes a general assignment for the benefit of creditors, becomes insolvent, dissolves, or is unable to pay or admits in a writing its inability to pay its debts as they become due;

13.1.3 Receiver. A receiver, custodian, trustee or other fiduciary, permanent or temporary, of Franchisee (or all or any part of Franchisee's assets or property) is appointed by a court of competent jurisdiction;

13.1.4 Crime. Franchisee is convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or Copyrighted Materials or Penn Station's interests in the Marks or Copyrighted Materials;

13.1.5 Seizure; Execution of Judgment. (i) (a) Any of Franchisee's properties are seized, taken over, or foreclosed on by (1) a governmental official in the exercise of his duties or (2) a creditor, lienholder or lessor or (b) any proceeding brought in connection with any of these actions is not dismissed within 30 days after the applicable proceeding is begun or (ii) execution of any judgment is levied against Franchisee's assets or property; or

13.1.6 Unlawful Transfer. Any Transfer, as described in Sections 12.2 or 12.3 above, is made without Penn Station's prior written consent.

13.2 Termination On Notice. Franchisee is in Default, and Penn Station may, at its option, terminate all of Franchisee's rights under this Agreement and any other agreement between Penn Station and Franchisee pertaining to the Franchised Business (i) without affording Franchisee any opportunity to cure the Default and (ii) effective on Franchisee's receipt of notice from Penn Station, if:

13.2.1 Ceases Operation; Training.

(i) Franchisee (a) does not (1) lease the Franchised Premises, construct the Restaurant Improvements, prepare the Franchised Premises, and begin business operations as required by Sections 1.3.1, 1.3.2, 1.3.3, and 1.3.5, (2) locate a Relocation Site within the time period required by Section 1.4.2, or (3) begin operation at the Relocation Site within the time period required by Section 1.4.3 (as may be extended by Penn Station under Section 1.4.4); (b) is unable to lawfully possess the Franchised Premises subject to Section 1.4; (c) ceases, subject to Section 1.4, to operate or otherwise abandons the Franchised Premises; or (d) forfeits the right to transact business in the state or territory where the Franchised Business is located which is not cured by Franchisee within 7 business days after Franchisee learns or is notified that it has lost the right to transact business in the state or territory where the Franchised Business is located; or

(ii) (a) the Managing Owner, any Operations Director or any General Manager does not complete the Training Program required by Section 5.1.1 to Penn Station's satisfaction and (b) Franchisee does not replace, as applicable, the General Manager, the Operations Director, or the Managing Owner with a person who has received Penn Station's prior consent within 90 days after Penn Station notifies Franchisee that the Training Program has not been completed to Penn Station's satisfaction as provided in the immediately preceding clause (a) of this Section 13.2.1(ii). Any replacement Managing Owner, Operations Director, or, as applicable, General Manager must satisfy the terms of this Agreement and each other franchise agreement between Franchisee and Penn Station, including the payment to Penn Station of the applicable Transfer and training fee, by the end of that 90-day period. Nothing in this Section 13.2.1, however, relieves, or may be treated as relieving, Franchisee of, or as suspending, any of its duties and obligations under this Agreement during the period that Franchisee obtains a replacement Managing Owner, General Manager, and, as applicable, Operations Director in compliance with this Agreement;

13.2.2 Underreporting. Franchisee submits, in any 12-month period, (i) two or more monthly reports or other sales data or reports, (ii) sales or income tax returns or supporting records, or (iii) other information to Penn Station which, in any case (a) understates by 2% or more the Net Sales of the Franchised Business or (b) contains any untrue statement or omits any information necessary to make any statement not misleading in any material respect;

13.2.3 Dishonest. Franchisee operates the Franchised Business in a manner that is dishonest, disreputable or unethical with its customers, vendors or employees;

13.2.4 Misuse of Marks. Franchisee misuses or makes any unapproved use of any of the Marks or Copyrighted Materials or otherwise adversely affects, in the sole opinion of Penn Station, the goodwill associated with any of the Marks, Copyrighted Materials or Penn Station's rights in any of the Marks or Copyrighted Materials;

13.2.5 Misrepresentation. Except as provided in Section 13.2.2, Franchisee made or makes any material misrepresentation to Penn Station in any information, application or report delivered to, or any communications with, Penn Station before or during the term of this Agreement;

13.2.6 Disclosure. Franchisee discloses or divulges, contrary to Section 7, the contents of the Confidential Operating Manual or other trade secrets or Confidential Information;

13.2.7 Transfer Upon Death. Subject to Section 12.7.4, a transfer under Section 12.7 is not effected in accordance with Section 12.7 within 180 days following the death or incompetence of any Owner;

13.2.8 Unlawful Competition. Any of the covenants in Section 15 or the Operations Director Non-Compete Agreement are not complied with by Franchisee, the Managing Owner, the Operations Director or any Owner, Officer or director (or manager) of Franchisee;

13.2.9 Multiple Defaults. There has occurred more than three Defaults at any time within any preceding 12 month period (whether these Defaults have been cured) under this Agreement;

13.2.10 Judgment. A final judgment against Franchisee remains unsatisfied or of record for a period greater than 30 days (unless a stay is granted and a corresponding supersedeas bond is filed) which Penn Station has determined is material with respect to the financial condition or operations of Franchisee;

13.2.11 Crime; Bankruptcy; Receiver. (i) (a) The Managing Owner, the Operations Director, any Officer of Franchisee having executive authority, or any Owner of Franchisee who owns a controlling interest in Franchisee is convicted of a felony, a crime involving moral turpitude or any other crime or offense that is reasonably likely, in the sole opinion of Penn Station, to adversely affect the System, the Marks, the Copyrighted Materials, the goodwill associated with the Marks or the Copyrighted Materials or Penn Station's interests in the Marks or Copyrighted Materials and (b) Franchisee does not present a plan to Penn Station within 15 days of that default which cures (if curable in Penn Station's judgment) the default to Penn Station's satisfaction, (ii) an Owner of Franchisee files or there is filed against him a petition under any chapter of The Bankruptcy Code of 1978, as amended, Title 11 U.S.C. §101 *et seq.*, and any involuntary petition is not dismissed within 30 days of the date of its filing, or (iii) a receiver, custodian, trustee or other fiduciary, permanent or temporary, of an Owner of Franchisee (or all or any part of that Owner's assets or property) is appointed by a court of competent jurisdiction; or

13.2.12 Managing Owner; Operations Director. (i) (a) Subject to Section 12.7, the person who is designated on Exhibit A as the Managing Owner, for whatever reason, is no longer acting in the capacity of the Managing Owner in accordance with the terms of this Agreement or (b) subject to Section 12.7, the person who is designated on Exhibit A as the Operations Director, for whatever reason, is no longer acting in the capacity of the Operations Director in accordance with the terms of this Agreement and (ii) except as a result of a death or incapacity which is the subject of Section 12.7 (and, therefore, Section 13.2.7), Franchisee does not replace the person (who was then acting as the Operations Director and, as applicable, the Managing Owner) within 90 days after that person ceases, as determined by Penn Station, to act as the Operations Director or, as applicable, the Managing Owner. Any replacement Managing Owner or, as applicable, Operations Director must satisfy the terms of this Agreement and each franchise agreement between Franchisee and Penn Station, including the payment to Penn Station of the applicable Transfer and training fee, by the end of that 90 day period. Nothing in this Section 13.2.12, however, relieves, or may be treated as relieving, Franchisee of, or as suspending, any of its duties and obligations under this Agreement during the period that Franchisee obtains a replacement Managing Owner and, as applicable, Operations Director in compliance with this Agreement.

13.3 Termination With Notice and Opportunity to Cure. Franchisee is in Default, and Penn Station may, at its option, terminate this Agreement and all rights granted under this Agreement and any other agreement between Penn Station and Franchisee pertaining to the Franchised Business, if (i) Penn Station has given Franchisee written notice that Franchisee has breached a term or condition of this Agreement (or any other agreement between Penn Station and Franchisee related to the Franchised Business) and (ii) the Default is not cured by Franchisee within 30 days after the date the written notice is given by Penn Station. Grounds for termination under this Section 13.3 exist if Franchisee does not:

13.3.1 Payments. Pay when due any amounts owed to Penn Station for fees, royalties or other charges due under this Agreement or under any other agreement between Penn Station and Franchisee pertaining to the Franchised Business;

13.3.2 Manuals. Comply with any term, provision, specification, standard or operating procedure contained in the Confidential Operating Manual, the Training Manuals, the Accounting Manual, the Marketing Materials, or informational updates to the foregoing;

13.3.3 Reports. Submit when due the reports, data, financial statements, tax returns, schedules or other information as provided in this Agreement (or any other agreement between Penn Station and Franchisee pertaining to the Franchised Business), the Confidential Operating Manual or the Accounting Manual; or

13.3.4 Other Terms. Except as provided in the other subsections of this Section 13, comply with any other term or provision of this Agreement or of any other agreement between Penn Station and Franchisee pertaining to the Franchised Business, and Franchisee does not cure the Default within 30 days after written notice of Default is given to Franchisee which describes the action that Franchisee must take to cure the Default; however, if Penn Station determines that the Default cannot be cured by diligent attention within the 30 day period and also determines that the Default does not have a material adverse effect on any of Franchisee, any of the benefits in favor of Penn Station intended by this Agreement, or the Franchised Business, then Franchisee will have a reasonable amount of time not exceeding 60 days after the Default notice was given within which to cure the Default if Franchisee continues diligently to take all actions to cure the Default.

13.4 Default. For purposes of this Agreement, Franchisee will be in “Default” under this Agreement on the occurrence of (i) any of the events listed in Sections 13.1, 13.2, or 13.3 or (ii) a default under or breach of any other agreement between Penn Station and Franchisee which relates to the Franchised Business. The provisions of any valid, applicable law or regulation expressly prescribing permissible grounds, cure rights or minimum periods of notice for the termination of the Franchise or this Agreement shall supersede any provision of this Agreement and of each other franchise agreement between Penn Station and Franchisee that is less favorable to Franchisee than such law or regulation.

13.5 Penn Station Default. Penn Station will not be in default unless Penn Station does not perform the obligations required of Penn Station under this Agreement within a reasonable time but in no event later than 60 days after written notice by Franchisee to Penn Station specifying in what exact manner Penn Station has not performed these obligations; however, if the nature of Penn Station’s obligation is such that more than 60 days are required for performance, then Penn Station will not be in default if Penn Station begins performance within the 60 day period and thereafter diligently takes all required actions to cure the default within a reasonable time. If (a) Penn Station does not perform these obligations after notice and its opportunity to cure as provided in this Section 13.5 and (b) Franchisee is not in Default, then Franchisee will have the option to terminate this Agreement on 30 days advance written notice to Penn Station.

14. OBLIGATIONS UPON TERMINATION. On any termination of this Agreement (including any expiration of this Agreement), this Agreement and all rights granted to Franchisee under this Agreement will automatically terminate, and immediately:

14.1 All Sums. Franchisee will pay all sums owing to Penn Station, whether any of these amounts is then due and payable. If this Agreement is terminated because of any Default of Franchisee, the amounts owing to Penn Station will include all damages (including lost royalties and profits), costs and expenses, including reasonable attorneys' fees, incurred by Penn Station as a result of the Default;

14.2 Stop Operation. Franchisee will cease to have the right (i) to operate the Franchised Business and (ii) to use any trade secrets or Confidential Information of Penn Station or to use in advertising in any manner whatsoever any format, methods, procedures or techniques associated with the System except as may be permitted pursuant to the terms of any other franchise agreement between Franchisee and Penn Station which, at the time of the termination of this Agreement, is in full force and effect with respect to other Owned Units. Franchisee will abandon possession of the Franchised Premises if Penn Station elects to assume the Premises Lease and will abandon possession of all Restaurant Improvements if these items are purchased by Penn Station pursuant to its option to purchase as provided in Section 14.8 or, if leased by Franchisee, that are assumed in writing by Penn Station (at its option) under any applicable leases;

14.3 Withdrawal from List. Franchisee's name will be withdrawn from all published lists of Persons who have been granted franchises to operate Restaurants and who are associated with the System unless Franchisee and Penn Station are parties to another franchise agreement which, at the time of the termination of this Agreement, is in full force and effect with respect to other Owned Units. Except in any résumé or other required disclosure of work or business history in an application or similar document, Franchisee will not hold itself out to the public as a present or former franchisee unless Franchisee and Penn Station are parties to another franchise agreement which, at the time of the termination of this Agreement, is in full force and effect with respect to other Owned Units;

14.4 No Use of Marks. Franchisee will cease all use of the Marks, the Copyrighted Materials and the words "Penn Station", "Penn Station, East Coast Subs", "Penn Station, Cheesesteaks, Subs & Fries", "Penn Station Steak & Sub", or any colorable imitation of those names, in any manner whatsoever, including identification in advertising and any Electronic Media Site, except as may be permitted pursuant to the terms of any other franchise agreement which, at the time of the termination of this Agreement, is in full force and effect with respect to other Owned Units. Franchisee will take all steps necessary to disassociate itself with the Marks and the Copyrighted Materials, including the withdrawal of all advertising material, the destruction of all letterhead, and removal and change of any Electronic Media Site, domain, page, handle, channel or account names, Internet or Intranet addresses, e-mail addresses or other identification that utilize any of the Marks, Copyrighted Materials or is associated with the System, except as may be otherwise expressly permitted by Penn Station or as permitted pursuant to the terms of any other franchise agreement between Franchisee and Penn Station which, at the time of the termination of this Agreement, is in full force and effect with respect to other Owned Units. Franchisee will make all modifications or alterations to the Franchised Business and the Franchised Premises as may be necessary or which are requested by Penn Station to prevent the operation of any business on the Franchised Premises which might be deemed substantially similar to, or confusingly similar with that of, any Penn Station Restaurant, Penn Station or any other franchisee of Penn Station, including the removal of all signs, trade dress and any other articles prepared or owned by Franchisee which display the Marks, Copyrighted Materials or are associated with the System. Franchisee will cease utilizing any Copyrighted Materials, trade dress, designation of origin, description or representation which suggests or represents an association or connection with Penn Station except as may be permitted pursuant to the terms of any other franchise agreement between Franchisee and Penn Station which, at the time of the termination of this Agreement, is in full force and effect with respect to other Owned Units. If Franchisee fails or refuses to comply with the requirements of this Section 14, then Penn Station will have the right to enter the Franchised Premises for the purpose of making all required changes to prevent any impression that a Penn Station Restaurant is still operating at the Franchised Premises or that there is any continuing association or connection with Penn Station at the Franchised Premises. Any action so taken by Penn Station will be at the sole expense of Franchisee (including reasonable attorneys' fees incurred by Penn Station subsequent to the termination of this Agreement in obtaining injunctive relief, damages or other relief for the enforcement of any provision of this Section 14). Franchisee will not assert against Penn Station or its agents any action of trespass or other similar tort for the action described in this Section 14.4. Franchisee will change his telephone numbers and listings with instructions to the telephone company or the listing agency to transfer all calls intended for the Franchised Business or

formerly under Franchisee's listings for the Franchised Business to a franchisee designated by Penn Station. Franchisee will furnish to Penn Station evidence satisfactory to Penn Station of Franchisee's compliance with its obligations under this Section 14.4 within 15 days after the termination of this Agreement;

14.5 Records. Franchisee will deliver to Penn Station the Confidential Operating Manual and all other manuals, all records, files, instructions and any and all other materials in Franchisee's or any Owner's or employee's possession, custody or control which bear any of the Marks (or any other mark owned by Penn Station), Copyrighted Materials, or which contain Confidential Information and all copies (all of which are acknowledged to be Penn Station's property), whether or not those records, files, instructions and other materials are in written or electronic form. Franchisee will not retain any copy or record of any of the foregoing, excepting only Franchisee's copy of this Agreement and of any correspondence between the parties, and any other document created by Franchisee which Franchisee reasonably needs for compliance with any applicable law;

14.6 Name. Franchisee will take all actions as are necessary to cancel any assumed name or equivalent registration which contains the phrase "Penn Station East Coast Subs", "Penn Station Restaurants", "Penn Station Cheesesteaks, Subs & Fries", "Penn Station Steak & Sub" or any of the other Marks of Penn Station unless Franchisee and Penn Station are parties to another franchise agreement which, at the time of the termination of this Agreement, is in full force and effect with respect to other Owned Units. Franchisee will furnish to Penn Station evidence satisfactory to Penn Station of compliance with this Section 14.6 within 15 days after the termination of this Agreement;

14.7 Non-Compete; Other Obligations. Franchisee will comply with the covenants contained in Section 15 and with all other obligations on expiration or termination that are stated elsewhere in this Agreement or in any other agreement between Penn Station and Franchisee;

14.8 Purchase.

14.8.1 Purchase Option. Penn Station will have the right, but not the obligation, to purchase for cash any and all Restaurant Improvements, inventory, supplies and other goods, signs, advertising materials, and all items bearing Penn Station's Marks or Copyrighted Materials located at the Franchised Premises or pertaining to the Franchised Business (collectively, the "Purchased Items"), at Franchisee's cost or fair market value, whichever is less as to any item. Penn Station must exercise this right by giving notice to Franchisee not later than 30 days after this Agreement has terminated or expired unless Franchisee has exercised its Retention Rights described below in which case that 30 day period will begin on the date that Franchisee exercises its Retention Rights. Franchisee will not have any interest in the goodwill of the Franchised Business and will receive no payment whatsoever for any goodwill that Franchisee may claim to have established either before or during the operation of the Franchised Business. If Penn Station and Franchisee cannot agree on the fair market value of a particular item or items of the Purchased Items within 30 days after this Agreement has terminated or expired and Penn Station has exercised its option to purchase as provided in this Section 14.8.1, then Penn Station and Franchisee will each appoint one appraiser within 7 days after this Agreement has terminated. Both appraisers will then have 14 days to agree on the fair market value of the disputed items. If, after 14 days, the two appointed appraisers are unable to agree on the fair market value of the disputed items or any particular disputed item, then the two appraisers will appoint a third appraiser who will complete his appraisal in 14 days. The decisions of the two appraisers who are closest in value among the three appraisers will be averaged. The average value established will be binding and conclusive on Penn Station and Franchisee. Penn Station and Franchisee will each bear the cost of the appraiser appointed by each of them and one-half of the cost of any third appraiser. On exercising this purchase option, Penn Station will have the right to set-off all amounts due from Franchisee under this Agreement and any other agreement between Penn Station and Franchisee against any payment to be made by Penn Station for the Purchased Items. Penn Station has no obligation, however, to exercise its purchase option. Notwithstanding anything to the contrary in this Section 14.8.1, Penn Station will not have the right to exercise its purchase option if (i) at the time of the termination of this Agreement, any other franchise agreement between Franchisee and Penn Station is in full force and effect with respect to other Owned Units and there exists no default under any of those other franchise agreements, (ii) Franchisee has complied in full with all of its obligations on the termination of

this Agreement, and (iii) Franchisee gives notice to Penn Station no later than 10 days after this Agreement has terminated or expired that Franchisee will use and remove the Purchased Items in its other Owned Units (“Retention Rights”). Penn Station will have the right to exercise its purchase option as to any Purchased Items which Franchisee has elected not to use in its other Owned Units pursuant to the exercise of its Retention Rights in accordance with this Section 14.8.1.

14.8.2 Assignment Rights. Penn Station will also have the option to obtain an assignment of either or both of (i) Franchisee’s rights under the Premises Lease or (ii) Franchisee’s rights under any lease for equipment, fixtures, furnishings or other items of Restaurant Improvements for the remaining terms of the leases to the extent these rights of assignment are provided to Penn Station under these leases or in any separate contract or under applicable law. Any assignment to Penn Station of these leases will be in exchange for a release of Franchisee of any future rents or lease charges under the respective leases accruing after the date on which the leases (or any of them) are assumed by Penn Station pursuant to a written agreement with the applicable lessors (so long as the lessors agree to so release Franchisee). Franchisee, however, will not be released from liability for unpaid rent and other fees and charges accrued for the period before Penn Station’s assumption of the particular lease or for any other liability of Franchisee to the landlord under the Premises Lease or to the lessor(s) under the other leases. Penn Station has no obligation, however, to exercise its assignment option; and

14.9 Other Agreements. Unless terminated by Penn Station or terminated according to their terms, all other agreements between Penn Station and Franchisee will remain in full force and effect notwithstanding the termination of this Agreement under this Section 14. Franchisee will perform, observe, and comply fully with all terms and conditions of all agreements between Penn Station and Franchisee which are not terminated by Penn Station or terminated according to their terms as a result of the termination of this Agreement under this Section 14 or Section 13.

15. COVENANTS.

15.1 Devote Full Time; Other Activities During the Term of this Agreement.

15.1.1 Managing Owner. Franchisee and the Managing Owner understand and acknowledge that Penn Station has entered into this Agreement in reliance on the Managing Owner’s commitment to devote his full time, energy and efforts to carrying out his duties and acting in the capacity as Managing Owner and to the management and operation of Franchisee. Accordingly, during the term of this Agreement and each other franchise agreement between Penn Station and Franchisee, the Managing Owner: (i) will devote his full time, energy and best efforts to the management and operation of Franchisee, the Franchised Business and each other Owned Unit and to carrying out his duties and acting in the capacity as Managing Owner and (ii) may not either directly or indirectly, for himself or through, on behalf of, or in conjunction with, any Person or Persons, own, operate, maintain, manage, be employed by, engage in, consult with, or have any interest (whether as an owner, shareholder, officer, director (or manager), partner, member, employee, joint venturer, beneficiary, independent contractor, agent or having any other interest) in, any business or enterprise other than (a) his interests in Franchisee, (b) the ownership by the Managing Owner, as a potential investor, of less than 1% of the outstanding equity securities of any publicly held corporation, and (c) with Penn Station’s prior consent and in its sole discretion, an Ownership Interest in another Penn Station franchisee.

15.1.2 Operations Director. A Franchisee and the Operations Director, if applicable, understand and acknowledge that Penn Station has entered into this Agreement in reliance on the Operations Director’s commitment to devote his full time, energy and efforts to carrying out his duties and acting in his capacity as Operations Director. Accordingly, during the term of this Agreement and each other franchise agreement between Penn Station and Franchisee, the Operations Director, if applicable: (i) will devote his full time, energy and best efforts to the management and operation of Franchisee, the Franchised Business and each other Owned Unit and to carrying out his duties and acting in the capacity as Operations Director and (ii) may not either directly or indirectly, for himself or through, on behalf of, or in conjunction with, any Person or Persons, own, operate, maintain, manage, be employed by, engage in, consult with, or have any interest (whether as an owner, shareholder, officer, director (or manager), partner, member, employee, joint venturer, beneficiary, independent contractor, agent or having any other interest) in, any business or enterprise other than (a) his interests in

Franchisee and (b) the ownership by the Operations Director, as a potential investor, of less than 1% of the outstanding equity securities of any publicly held corporation.

15.1.3 Other Owners. During the term of this Agreement and each other franchise agreement between Penn Station and Franchisee, no Owner (exclusive of the Managing Owner and, if applicable, the Operations Director which are the subjects, respectively, of Sections 15.1.1 and 15.1.2 above) may either directly or indirectly, for himself or through, on behalf of, or in conjunction with, any Person or Persons, own, operate, maintain, manage, be employed by, engage in, consult with, or have any interest (whether as an owner, shareholder, officer, director (or manager), partner, member, employee, joint venturer, beneficiary, independent contractor, agent or having any other interest) in, any business or enterprise which, as determined by Penn Station, is a restaurant concept similar to that of a Penn Station Restaurant except that this Section 15.1.3 will not apply to the ownership by an Owner, as a potential investor, of less than 1% of the outstanding equity securities of any publicly held corporation.

15.2 Prohibited Activities During Term of Agreements. During the term of this Agreement and each other franchise agreement between Penn Station and Franchisee, none of Franchisee or any Officer, director (or manager), or Owner (including the Managing Owner) or the Operations Director, if applicable, will, either directly or indirectly, for itself, themselves, or himself, or through, on behalf of, or in conjunction with, any Person:

15.2.1 Divert Customers. Divert or attempt to divert any business or customer of any Owned Unit to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks, Copyrighted Materials or the System; or

15.2.2 Non-disclosure. Communicate, divulge or use, subject to Section 7.5, to its, their, or his benefit or the benefit of any Person, any Confidential Information which may be communicated to Franchisee (or any Person on its behalf) or of which Franchisee (or any Person on its behalf) may be apprised by virtue of Franchisee's operation of a Penn Station Restaurant under the terms of this Agreement or any other agreement between Franchisee and Penn Station.

15.3 Other Franchisee Businesses. During the term of this Agreement and each other franchise agreement between Penn Station and Franchisee, Franchisee will not either directly or indirectly, for itself or through, on behalf of, or in conjunction with, any Person or Persons, own, operate, maintain, manage, engage in, consult with, or have any interest (whether as an owner, shareholder, partner, member, joint venturer, beneficiary, independent contractor, agent or having any other interest) in, any business or activities except related to the ownership and operation of the Franchised Business and each other Owned Unit and the carrying out of the terms of this Agreement and each other agreement between Franchisee and Penn Station.

15.4 On Termination. Each of Franchisee and each Officer, director (or manager) and Owner (including the Managing Owner and the Designated Owner) specifically acknowledges that by virtue of the rights granted to Franchisee, Franchisee (including the Managing Owner and the Designated Owner) will receive valuable training, certain trade secrets and other Confidential Information. Accordingly:

15.4.1 Non-Compete. For a period of 2 years after the date this Agreement expired or was terminated or from the date of any applicable Transfer permitted by Section 12, none of Franchisee or any Officer, director (or manager), or Owner (including the Managing Owner and the Designated Owner) will either directly or indirectly, for itself, themselves, or himself, or through, on behalf of, or in conjunction with, any Person or Persons, own, operate, maintain, manage, be employed by, engage in, consult with, or have any interest (whether as an owner, shareholder, officer, director (or manager), partner, member, employee, joint venturer, beneficiary, independent contractor, agent or having any other interest) in, any business or enterprise which offers for sale Philadelphia-style cheesesteak sandwiches or submarine sandwiches, or both (in any combination), within (i) a radius of 5 miles from the Franchised Premises of the Franchised Business or from the franchised premises of any other Owned Unit or (ii) a radius of 5 miles from the location of any other Penn Station Restaurant in existence at the time of the termination of this Agreement or any applicable Transfer permitted by Section 12.

Nothing in this Section 15.4.1 will prevent Franchisee from owning another Penn Station franchise under a separate franchise agreement with Penn Station which is in full force and effect at the time this Agreement expires or is terminated or the date the Transfer of the Franchise (including an assignment of this Agreement) occurs;

15.4.2 Non-disclosure. None of Franchisee or any Officer, director (or manager), or Owner (including the Managing Owner and the Designated Owner) will, after the termination of this Agreement, regardless of the cause of termination of this Agreement (including any expiration of this Agreement) or any applicable Transfer permitted by Section 12, either directly or indirectly, for itself, themselves, or himself, or through, on behalf of, or in conjunction with, any Person, communicate, divulge or use for its, their, or his benefit or the benefit of any Person any Confidential Information which may be communicated to Franchisee (or any Person on its behalf) or of which Franchisee (or any Person on its behalf) may be apprised by virtue of Franchisee's operation of a Penn Station Restaurant under the terms of this Agreement or any other agreement between Franchisee and Penn Station; and

15.4.3 Continuing Obligations. The provisions of Sections 15.4.1 and 15.4.2 will apply to any Owner who ceases, for any reason, to be an Owner from the date the person ceases to be an Owner of Franchisee (including from the date of any Transfer with respect to that Owner).

15.5 Independent Agreement. Each of the subsections in this Section 15 will be construed as independent of any other provisions of this Agreement or of any other agreement between Penn Station and Franchisee. If all or a portion of a provision contained in this Section 15 is held unreasonable or unenforceable by a court or governmental agency having valid jurisdiction in an order that becomes final and unappealed to which Penn Station is a party, each of Franchisee and each Officer, director (or manager), and Owner (including the Managing Owner) expressly agrees to be bound by any lesser covenant subsumed within the terms of the invalidated provision to the maximum extent permitted by law as if the resulting covenant were originally and separately stated in, and made a part of, this Section 15.

15.6 Survival. Each of the obligations of Franchisee and each Officer, director (or manager), and Owner (including the Managing Owner and the Designated Owner) under this Section 15 will survive (i) the termination of this Agreement (and each other agreement between Penn Station and Franchisee), regardless of the cause of termination or (ii) any Transfer pursuant to Section 12.

16. PERMITS AND LAWSUITS.

16.1 Compliance. Franchisee will keep in full force throughout the term of this Agreement any and all permits, leases, certificates, or licenses necessary for the full and proper conduct of the Franchised Business, including any building and other required construction and zoning permits, occupancy permits, health permits, vendors permits, licenses to do business, fictitious name registrations, sales tax permits, sanitation permits and ratings, and fire clearances.

16.2 Notify Penn Station of Lawsuits. Franchisee will notify Penn Station in writing within 7 days after Franchisee learns of any action, suit or proceeding which has been commenced against Franchisee and of the issuance of any order, writ, injunction, award or decree of any court, agency, or other governmental authority that may adversely affect the operation or financial condition of the Franchised Business or Franchisee.

17. INDEPENDENT CONTRACTOR AND INDEMNIFICATION.

17.1 Independent Business. It is acknowledged and agreed by Penn Station and Franchisee that (i) neither this Agreement nor any other agreement between Penn Station and Franchisee creates a fiduciary relationship between Penn Station and Franchisee, (ii) Franchisee is an independent contractor, and (iii) nothing in this Agreement nor in any other agreement between Penn Station and Franchisee is intended to constitute either party as agent, legal representative, subsidiary, joint venturer, partner, owner, employee or servant of the other for any purpose whatsoever. Franchisee has the right to profit from its efforts commensurate with its status as an owner of its business and, correspondingly, will bear the

risk of loss or failure that is characteristic of this status, notwithstanding the franchise relationship with Penn Station created by this Agreement.

17.2 Franchisee Representation. During the term of this Agreement, Franchisee will hold itself out to the public and in contracts made for the purchase of goods and services as an independent contractor, operating the Franchised Business pursuant to a franchise from Penn Station. Franchisee will take all actions as may be necessary to inform others of its independent franchisee status, including exhibiting a notice of its independent franchisee status in a conspicuous place on the Franchised Premises, the content of which Penn Station reserves the right to specify.

17.3 Authority. It is acknowledged and agreed by Penn Station and Franchisee that nothing in this Agreement nor in any other agreement between Penn Station and Franchisee authorizes Franchisee to make any contract, agreement, warranty, or representation on Penn Station's behalf or to incur any debt or other obligation in Penn Station's name. Penn Station will in no event assume the liability for, or be deemed liable under this Agreement or under any other agreement between Penn Station and Franchisee as a result of, any action by, or by reason of any omission of, Franchisee in the conduct of the Franchised Business, or any claim or judgment against Franchisee arising from any act or omission of Franchisee or any of its Owners, employees, agents or contractors.

17.4 Indemnification.

17.4.1 Penn Station. Penn Station will undertake the defense of Franchisee and its Owners, Officers, directors (or managers) and employees in any action, suit, proceeding, claim, demand, investigation or inquiry (whether or not a formal proceeding or action has been instituted) for infringement or alleged infringement of any trademark, service mark or other protected proprietary mark brought by a third Person against Franchisee or any of its Owners, Officers, directors (or managers), or employees which is based solely on Franchisee's use of the Marks so long as Franchisee has used the Marks in accordance with the terms of this Agreement and has not acted in a negligence or willful manner (a "Franchisee Claim").

17.4.2 Franchisee. Franchisee will indemnify and hold Penn Station and its officers, directors (or managers), shareholders, employees, and agents harmless against all Losses and Expenses (as defined in Section 17.4.5 below) incurred by Penn Station or its officers, directors (or managers), shareholders, employees, or agents (or any one or more of them), arising out of any action, suit, proceeding, claim, demand, investigation or inquiry or any settlement of any of the foregoing (whether or not a formal proceeding or action has been instituted) (a "Penn Station Claim") brought or made: (i) by Penn Station which arises out of, or is in connection with, Franchisee's direct or indirect infringement, alleged infringement or any other unlawful use of any trademark, service mark, trade dress, copyright or other protected proprietary right of Penn Station or (ii) against Penn Station or any of its officers, directors (or managers), shareholders, employees, or agents which arises out of, or is in connection with, in any manner, directly or indirectly, (a) Franchisee's acquisition, construction, ownership, operation, or management of the Franchised Business or any of the other Owned Units, (b) any action, suit, proceeding, claim, demand, investigation or inquiry by any of Franchisee's employees or former employees, customers or former customers, vendors or former vendors, or Owners or former Owners, or (c) the use or occupancy of the Franchised Premises except to the extent a Penn Station Claim is based solely on the gross negligence or willful misconduct of Penn Station or any of its officers, directors (or managers), employees, or agents.

17.4.3 Control by Penn Station. Notwithstanding anything to the contrary in this Section 17.4, if a Penn Station Claim (i) involves any or all of the Marks, the Copyrighted Materials, the System, the Confidential Operating Manual, or any or all other trade secrets or Confidential Information owned by Penn Station in connection with any Penn Station Restaurant, or (ii) could, in Penn Station's sole discretion, adversely affect the goodwill, image or the future success or franchising of Penn Station Restaurants, the Penn Station Claim may be defended under the sole control and direction of Penn Station and Penn Station's counsel, regardless of whether Franchisee is the indemnitor of the Penn Station Claim, and, if Franchisee is the indemnitor of the Penn Station Claim, Penn Station's defense of this Penn Station Claim will be at the cost and expense of Franchisee.

17.4.4 No Mitigation. Under no circumstances will (i) Franchisee settle any Penn Station Claim without Penn Station's consent or (ii) the Person who has the right to be indemnified be required or obligated to seek recovery from third parties or otherwise mitigate its losses to maintain a claim for indemnification against the indemnitor.

17.4.5 "Losses and Expenses". As used in this Section 17.4, "Losses and Expenses" will include all liabilities, obligations, and losses, all compensatory damages, and, to the extent permitted by law, punitive damages and all other damages, and all fines, charges, penalties, costs, expenses, reasonable attorneys' and paralegal fees, court costs, settlement amounts, judgments, and expert witness fees.

17.4.6 Survival. The obligations to indemnify as provided in this Section 17.4 will survive the expiration or termination of this Agreement for whatever cause.

17.5 Employer. Franchisee acknowledges that it is the employer of all Persons Franchisee may hire, from time to time, to assist in the operations of the Franchised Business. No provision of this Agreement intends to create a joint employer relationship between Penn Station and Franchisee with respect to Franchisee's employees, and nothing in this Agreement will be so interpreted. Accordingly, except as specifically provided in this Agreement regarding the Managing Owner, the Operations Director, and the General Manager and in Section 5.1.7(iv) with respect to the wearing of uniforms and personal appearances, Franchisee shall determine all of the terms and conditions of employment for its individual employees, including the exclusive right, without the need for approval or consent by Penn Station, of the wages, benefits, hours, and other conditions of employment. Moreover, except as to the Training Program for the Managing Owner, the Operations Director, and the General Manager, Franchisee and its Managing Owner, Operations Director, and General Manager, if any, will have the sole and unfettered right and responsibility to evaluate, supervise, direct, monitor, train, schedule, counsel, discipline, or terminate all of Franchisee's individual employees. Franchisee is also solely responsible for resolving any and all complaints from its employees about their working conditions. No provision of this Agreement or in the Confidential Operating Manual or the Training Manuals constitutes, or may be construed to be, any intent on Penn Station's part to dictate or otherwise control the day-to-day conduct, performance, discipline, or termination of Franchisee's individual employees.

18. CONSENTS AND WAIVERS.

18.1 Timely Request. Whenever this Agreement requires the approval or consent of Penn Station, Franchisee will submit timely written requests to Penn Station before any proposed action is taken or omitted. All approvals or consents of Penn Station must be in writing to be effective; however, Penn Station will have no obligation to provide any approval or consent requested by Franchisee, and Penn Station may, for any reason in its discretion exercised in good faith, elect to withhold the requested approval or consent except in the instance where Penn Station has expressly agreed under the terms of this Agreement to provide the requested approval or consent after the applicable conditions and terms have been fulfilled in accordance with the terms of this Agreement.

18.2 No Assumption of Liability For Approvals or Consents. Penn Station assumes no liability or obligation to Franchisee by providing any waiver, approval, consent or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request for any waiver, approval, consent or suggestion.

18.3 No Waiver. If Penn Station does not exercise any power it has under this Agreement or does not insist on strict compliance by Franchisee with any obligation or condition under this Agreement, it will not be a waiver of Penn Station's right to demand exact compliance with any of the terms or provisions of this Agreement, and no custom or practice of the parties may vary or waive the terms or provisions of this Agreement. Waiver by Penn Station of any particular Default by Franchisee will not affect or impair Penn Station's rights with respect to any subsequent Default of the same, similar or different nature. Any delay, forbearance or omission of Penn Station with respect to a particular Default will not be a waiver by Penn Station of any right under this Agreement or of the right to declare any subsequent Default and to

terminate this Agreement before it expires. Acceptance by Penn Station of any payments due it under this Agreement will not be deemed to be a waiver by Penn Station of any existing Default. Any waiver granted by Penn Station will be subject to Penn Station’s continuing review and may subsequently be revoked for any reason effective on 30 days advance written notice to Franchisee and will be without prejudice to any other rights and remedies that Penn Station may have. Notwithstanding anything to the contrary in the immediately preceding sentence, any revocation by Penn Station will be effective only for events, circumstances, conditions and acts occurring, existing or applicable (“Future Actions”) after the end of the 30-day period referred to in this Section 18.3. Any action or acts which are continuing as of the date Penn Station gives notice of its revocation of a waiver will be treated as being as Future Actions for purposes of this Section 18.3.

19. NOTICES. Any notice or notification required, permitted or contemplated under this Agreement must be in writing and sent (i) in person, (ii) by certified or registered mail, (iii) by overnight delivery carrier for next day delivery, or (iv) by electronic mail (which will be deemed delivered if sent via any nationally recognized and trusted SMTP (or replacement electronic standard) delivery service without a failure message being generated from that service), in each case to the address listed below (or if notice of a new address is given, the new address). If there is any dispute as to the correct address of Franchisee, the most recent address of Franchisee maintained by Penn Station at its headquarters will be controlling. Notice given in any other manner will not be considered delivered or given. Any period described in this Agreement which begins with the giving of notice will start (a) if mailed, two business days after notice was sent by certified or registered mail, (b) the next business day after sent by overnight delivery carrier (with delivery fees either prepaid or an arrangement, satisfactory with such carrier, made for the payment of such fees), and (c) the day the notice was delivered in person or was sent by fax:

For purposes of this Agreement, notice to Franchisee given in any manner provided above will constitute notice in compliance with this Agreement even if the notice is undelivered or undeliverable because Franchisee has vacated the premises to which notice was given or if Franchisee refuses to accept delivery of the notice. Penn Station makes no assurances as to the privacy and security of any electronic communications, and Franchisee assumes all risks sending and receiving notices over the Internet.

20. CONSTRUCTION.

20.1 General; Definitions.

20.1.1 General. All references in this Agreement in the singular will be construed to include the plural unless the context clearly indicates the contrary. “Hereunder,” “herein,” “hereto,” “this Agreement” and words of similar import refer to this entire document; “includes” and “including” are used by way of illustration and not by way of limitation. All captions in this Agreement are intended solely for the convenience of the parties and will not affect the meaning or construction of any provision. A reference to any section means, unless the context otherwise requires, a section of this Agreement. This Agreement may be signed in multiple copies, and each copy so signed by all parties thereto will be deemed an original. Anything to the contrary in this Agreement notwithstanding, nothing in this Agreement is intended to confer

(and it may not be treated as conferring) any rights or remedies under or by reason of this Agreement on any Person other than Penn Station or Franchisee. The right of Penn Station to act, consent, waive or not based on the exercise of its “judgment” or “discretion”, “at its option” or “to its satisfaction” (or words of similar import), as stated in this Agreement, will be made by Penn Station in its sole judgment or discretion, whether the words “sole” or “solely” appear in juxtaposition to the words “judgment” or “discretion”, “at its option” or “to its satisfaction” (or words of similar import) in this Agreement. Whenever the sense of this Agreement so requires, the masculine or feminine gender will be substituted for, or be deemed to include, the neuter, the feminine gender will be substituted for the masculine, or the masculine will be deemed to include the feminine, and the neuter gender will be substituted for, or be deemed to include, the masculine or, as applicable, feminine gender.

20.1.2 Definitions. The capitalized word “Person” means any natural person, partnership, joint venture or other association, limited liability company, trust, corporation or any other entity, governmental authority, or anything recognized under applicable law to be a separate legal entity. The uncapitalized word “term”, when used in reference to the term of any agreement (including the term of this Agreement), means the initial term and any renewal term of the applicable agreement unless the context clearly indicates the contrary by, for example, expressly referring to an “initial term” or a “renewal term” in the sentence or phrase. The uncapitalized word “termination” or “terminated”, when used in reference to the termination of any agreement (including this Agreement), includes the expiration of the applicable agreement unless the context clearly indicates the contrary. A term has its defined meaning in this Agreement whether the term is underscored as it originally appears in the definition. All references in this Agreement to any agreement, instrument, or document will be treated as being references to the particular agreement, instrument or document as the agreement, instrument or document may, from time to time, be modified, amended, renewed, restated, consolidated, extended, or replaced.

20.2 Survival. The representations, warranties, indemnifications and covenants of Franchisee in this Agreement, in any certificate, document or information furnished to Penn Station, or in any other agreement between Penn Station and Franchisee will survive the making of this Agreement and the beginning of operations of the Franchised Business, notwithstanding any investigation, knowledge or information made or obtained by Penn Station before or after the Effective Date.

20.3 Document Imaging; Facsimile and PDF-Delivered Signature Pages; Electronic Signatures.

(i) Without notice to or consent of Franchisee or any Owner of Franchisee, Penn Station may (a) create electronic images of this Agreement, any other existing or new agreement between Penn Station and Franchisee pertaining to the Franchised Business, and/or any other document related thereto or arising therefrom (including any other document required to be delivered under any of the foregoing) (collectively, “Franchise Documents”) and (b) in such event, and as to both unexecuted and executed versions of the foregoing, destroy paper originals and/or paper copies of any and each of such imaged documents, cease maintaining a paper-based recordkeeping system in whole or in part as to such documents, and, instead, maintain one or more electronic recordkeeping systems as to such documents. Such imaged documents shall have the same legal force and effect as paper originals or paper copies and are enforceable for all purposes against Franchisee, each Owner, and any and all other parties thereto or bound thereby.

(ii) If Penn Station agrees, in its sole discretion, to accept delivery in any electronic form (including deliveries by facsimile, emailed portable document format (“PDF”) or any other electronic means that reproduces an image of an actual executed signature page) of an executed counterpart of a signature page to any Franchise Document, then such delivery will be, for all purposes, as valid and effective to bind Franchisee, each Owner and any and all other parties thereto or bound thereby as the delivery of an original, manually executed counterpart of such Franchise Document. Penn Station may rely on any and each such electronic delivery without further inquiry. Penn Station may also require that any such document and signature be confirmed by a separate manually signed original thereof (delivered to Penn Station); *provided, however*, that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document, PDF, or other electronically delivered signature page or image thereof.

(iii) If Penn Station agrees, in its sole discretion, to accept any electronic signatures of any Franchise Document (*i.e.*, an electronic sound, symbol, or process attached to, or logically associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record), then the words “execution,” “signed,” “signature,” and words of like import, in or referring to any document to be signed or so signed, will be deemed to include electronic signatures. Such electronic signatures and the keeping of records in electronic form will be of the same legal effect, admissibility, validity and enforceability as manually executed signatures and the use of paper-based recordkeeping systems, to the extent and as provided for in any applicable law, including the Uniform Electronic Transactions Act as then enacted in the State of Ohio, the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable state laws based on, or similar in effect to, such acts or laws. Penn Station may rely on any and each such electronic signature without further inquiry. Penn Station may also require that any such document and signature be confirmed by a separate manually signed original thereof (delivered to Penn Station) or other separate communication authorized by Penn Station; *provided, however*, that the failure to request or deliver the same shall not limit the effectiveness of any electronic signature. If Penn Station agrees, in its sole discretion, to accept electronic signatures thereof, including through the use of any electronic signature service or platform that facilitates electronic signatures, then **THE PARTIES AGREE THAT THIS AGREEMENT AND THE OTHER FRANCHISE DOCUMENTS MAY EACH BE ELECTRONICALLY SIGNED.** For clarification, in connection with the foregoing in this subsection (iii) and to the extent Penn Station is to be a signatory to Franchise Documents, Penn Station may also so electronically sign such Franchise Documents.

(iv) Without limiting the foregoing provisions of this Section 20.3, Franchisee and each Owner of Franchisee waive (a) any argument, defense or right to contest the legal effect, admissibility, validity, or enforceability of this Agreement or any other Franchise Document based on the lack of paper originals or paper copies of this Agreement or any other Franchise Document, respectively, including with respect to any signature pages thereto, and (b) any claim against any of Penn Station or any of its officers, directors (or managers), shareholders, employees, or affiliates (or their respective successors and assigns) for any losses, claims, damages, penalties, incremental taxes, liabilities, or related expenses arising from Penn Station’s reliance on or use of electronic records, electronic signatures, and/or transmissions by facsimile, emailed PDF or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims, damages, penalties, incremental taxes, liabilities, or related expenses arising as a result of the failure of Franchisee or any Owner of Franchisee to use any available security procedures and measures in connection with the execution, delivery, or transmission of any electronic signature or electronic record.

20.4 Counterparts. This Agreement may be executed in any number of one or more counterparts, each of which shall be effective only upon the delivery by the party delivering such counterpart, and thereafter so executed and delivered shall be deemed an original, and all of which shall be taken to be together and shall constitute but one and the same agreement once executed and delivered by all parties, for the same effect as if all parties hereto had signed the same signature page. Any signature page of this Agreement may be detached from any counterpart of this Agreement without impairing the legal effect of any signatures thereon and may be attached to another counterpart of this Agreement identical in form hereto but having attached to it one or more additional signature pages.

21. ENTIRE AGREEMENT.

21.1 No Other Agreement. The Confidential Operating Manual and this Agreement (and the exhibits referred to in this Agreement) (i) supersede any and all prior and existing understandings, negotiations and agreements, either oral or in writing between Penn Station and Franchisee, which occurred or existed before or on the Effective Date, with respect to the subject matter of this Agreement and (ii) contain all of the covenants, warranties and, together with the Disclosure Document to the extent of any express representations made by Penn Station in the Disclosure Document, representations of, and agreements between, Penn Station and Franchisee with respect to the subject matter of this Agreement, and are the full and complete agreement of Penn Station and Franchisee. The Disclosure Document given to Franchisee for the Franchised Business that is the subject of this Agreement, however, does not constitute an agreement between Franchisee and Penn Station, and this Agreement will govern in the case of any conflict between the Disclosure Document, on the one

hand and the Confidential Operating Manual or this Agreement on the other. Nothing in this Agreement is intended to disclaim the express representations made by Penn Station in the Disclosure Document that was provided to Franchisee in connection with this Agreement. Notwithstanding anything to the contrary in this Section 21, this Agreement will not merge, or be construed to merge, into or with any other franchise agreement between Franchisee and Penn Station with respect to any of the other Owned Units except that the terms of the most recent version of the franchise agreement between Franchisee and Penn Station for any Penn Station franchise (whether from opening a new Restaurant or based on the renewal of an existing Penn Station franchise) will govern this Agreement in the case of any conflict or inconsistency between the terms of this Agreement and the terms of the most recent franchise agreement between Penn Station and Franchisee exclusive of, solely for purposes of the Franchised Business under this Agreement, Section 1.2 (Restricted Territory), Section 1.3 (location of the Franchised Premises), Section 2.2.6 (renewal fee), Section 3.1.2 (the monthly royalty formula), Section 9.1.1 (percentage limitation of any Local Advertising), and Section 9.4 (percentage limitation of any National Fund fee) in this Agreement, which will not change other than pursuant to the terms of this Agreement. Any amendment or modification of this Agreement is invalid unless made in writing and signed by Penn Station and Franchisee.

21.2 No Representation. Franchisee acknowledges that neither Penn Station nor anyone on behalf of Penn Station has made any representations, warranties, inducements, promises or agreements, orally or otherwise, respecting the subject matter of this Agreement which have been relied on by Franchisee and are not embodied in this Agreement (except as may be in the Disclosure Document given to Franchisee), and that there are no other representations which induced Franchisee to sign this Agreement.

21.3 Existing Agreement. This Agreement (i) renews the Franchise for the Franchised Business, (ii) amends, supersedes and replaces in its entirety the Franchise Agreement dated [_____, 20__] between Penn Station and Franchisee (the "Existing Agreement"), and (iii) governs the present franchise relationship between Penn Station and Franchisee with respect to the Franchised Business. Royalty fees and other fees and other amounts (a) paid under the Existing Agreement prior to [_____, 20__] will remain paid and are non-refundable and (b) accrued and unpaid under the Existing Agreement remain accrued and unpaid, and will be paid, under this Agreement. Notwithstanding anything to the contrary in this Agreement, the initial term of the Franchise began as of [_____, 20__] and ended as of [_____, 20__]. The [first][second][third] renewal term began as of [_____, 20__] and ended as of [_____, 20__]. This Agreement pertains to the [first][second][third] renewal term of the Franchise. [This Agreement was signed after the expiration of the Existing Agreement; nevertheless, this Agreement is made by Penn Station and Franchisee to be effective in all respects as of [_____, 20__] as if the term of the Existing Agreement had not expired.]⁶ Subject to the terms of this Agreement, there [are] [is] [one][two][no] renewal term[s] remaining, after the expiration of this current renewal term, in respect of the Franchise granted to Franchisee for the Franchised Business.]⁷

22. COSTS OF ENFORCEMENT.

22.1 Penn Station Prevailing Party. Franchisee will pay to Penn Station the reasonable attorneys' fees of Penn Station if Penn Station is the prevailing party in any suit for damages (or an injunction) brought by Penn Station against Franchisee (or any Owner, Officer, or employee of Franchisee) for a material breach (or a threatened material breach) by Franchisee (or any Owner, Officer, or employee of Franchisee) of this Agreement.

22.2 Franchisee Prevailing Party. Penn Station will pay to Franchisee the reasonable attorneys' fees of Franchisee if Franchisee is the prevailing party in any suit for damages (or an injunction) brought by Franchisee against Penn Station for a material breach (or a threatened material breach) by Penn Station of this Agreement.

⁶ To address Franchise Agreements that are signed after the expiration.

⁷ For renewal agreements only.

23. SEVERABILITY.

23.1 Severability. Except as expressly provided to the contrary in this Agreement, each section, part, term and provision of this Agreement is severable from each other section, part, term and provision; and if, for any reason, any section, part, term or provision of this Agreement is determined by a court or governmental agency, having valid jurisdiction in a decision which becomes final and unappealed to which Penn Station is a party, to be invalid and contrary to, or in conflict with, any applicable law or regulation, the determination that the section, part, term, or provision is invalid will not impair the operation of, or have any other effect on, the other portions, sections, parts, terms and provisions of this Agreement as may remain otherwise enforceable, and all of the remaining sections, parts, terms, and provisions of this Agreement will continue to be given full force and effect and be binding. Any sections, parts, terms or provisions so determined to be invalid and contrary to, or in conflict with, any applicable law or regulation will be severed from this Agreement without any further action of Penn Station or Franchisee to amend this Agreement.

23.2 Still Bound. Each of Franchisee and each Officer, director (or manager), and Owner (including the Managing Owner) and the Operations Director expressly agrees to be bound by any promise or agreement imposing the maximum duty permitted by law which is subsumed within the terms of any provision of this Agreement, as though it were separately stated in, and made a part of, this Agreement that may result from (i) the striking of any of the provisions of this Agreement (or any portion or portions of a provision) that a court may find invalid in a decision which becomes final and unappealed to which Penn Station is a party or (ii) reducing the scope of any promise or covenant to the extent required to comply with the court order.

24. APPLICABLE LAW.

24.1 Ohio Law. Ohio law (except for Ohio (or any other State) choice of law or conflicts of law principles) shall govern and apply to all matters arising under or relating to this Agreement, including the interpretation and construction of this Agreement and the offer or sale of the Franchise, except to the extent this Agreement is governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. § 1051 *et seq.*). This Agreement takes effect when it is signed by Penn Station in Ohio.

24.2 Cumulative Rights. No right or remedy conferred on, or reserved to, Penn Station or Franchisee by this Agreement is intended to be, and will not be deemed, exclusive of any other right or remedy in this Agreement or by law or equity provided or permitted (except to the extent of the provisions of Sections 24.4 and 24.5), but each right and remedy will be cumulative of every other right or remedy.

24.3 Equity. Nothing in this Agreement will bar Penn Station from obtaining injunctive relief against threatened conduct that will cause it loss or damages under principles of equity or law, including obtaining restraining orders and preliminary injunctions.

24.4 Forum Selection. AS A SPECIFICALLY BARGAINED INDUCEMENT FOR PENN STATION TO ENTER INTO THIS AGREEMENT, FRANCHISEE, EACH OWNER OF FRANCHISEE, AND PENN STATION EACH AGREES THAT ANY ACTION, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS AGREEMENT, ITS VALIDITY OR PERFORMANCE, AND THE OFFER OR SALE OF THE FRANCHISE WILL BE INITIATED AND PROSECUTED AS TO ALL PARTIES AND THEIR SUCCESSORS AND ASSIGNS IN ANY COURT SITUATED IN CINCINNATI, OHIO. GUARANTY

_____ (“Guarantor”) agrees for the benefit of Penn Station, Inc., an Ohio corporation (“Penn Station”), as follows:

1. GUARANTY.

(a) Guarantor acknowledges receipt of a copy of the foregoing Franchise Agreement between Penn Station and _____ (“Franchisee”) dated as of _____, 20__ (as amended from time to time, the “Franchise Agreement”), and

(b) Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Penn Station the full and prompt payment when due of all amounts due or to become due under the Franchise Agreement and the performance of all obligations, duties, and liabilities under the Franchise Agreement, whether direct or indirect, absolute or contingent, related or unrelated, now or in the future existing of, or owed by, Franchisee to Penn Station as described in, evidenced by, or arising out of the Franchise Agreement (the indebtedness, obligations, and liabilities described in this subparagraph (b) of Section 1 being collectively, the “Guaranteed Obligations”). Guarantor agrees that if Franchisee breaches any promise or obligation under the Franchise Agreement, Guarantor will perform that promise or obligation as if Guarantor were personally and fully liable on the Franchise Agreement.

2. NATURE OF GUARANTY. This is a payment guaranty and not a collection guaranty. Guarantor’s obligations under this Guaranty are continuing and will not be released, discharged, affected, modified or impaired by any event, circumstance or condition. This Guaranty will not merge into, and will remain separate from, Guarantor’s direct obligations to Penn Station under Sections 5.1.5, 5.4, 12.9 and 15 of the Franchise Agreement. Guarantor’s obligations under this Guaranty will not be affected, modified or impaired by any counterclaim, set-off, deduction or defense based on any claim Guarantor may have against Franchisee or Penn Station. Penn Station may, at any time and from time to time, without notice to, or the consent of Guarantor, and without releasing, discharging or modifying Guarantor’s liabilities under this Guaranty: (a) renew, amend, modify, waive or change the terms or conditions of the Franchise Agreement, any other franchise agreement between Penn Station and Franchisee, or any other agreement between Franchisee and Penn Station, (b) grant consents or approvals to Franchisee under the Franchise Agreement, any other franchise agreement between Penn Station and Franchisee, or any other agreement between Franchisee and Penn Station, (c) release any Person (as defined in the Franchise Agreement) liable for any or all of the Guaranteed Obligations, and (d) exercise all rights and remedies under the Franchise Agreement, any other franchise agreement between Penn Station and Franchisee, and any other agreement between Franchisee and Penn Station or under applicable law.

3. DOLLAR LIMITATION.

(a) Notwithstanding anything to the contrary in Section 1 of this Guaranty but subject to subparagraph (b) below of this Section 3, Guarantor will (i) in no event be required to pay to Penn Station more than the total sum of (the total sum being the “Dollar Cap”) \$_____ and (ii) pay to Penn Station all costs and expenses (including reasonable attorneys’ fees) incurred by Penn Station to collect the Guaranteed Obligations from Guarantor. The Dollar Cap will apply to the Guaranteed Obligations (A) under this Guaranty with respect to the Franchise Agreement and (B) under any other guaranty given to Penn Station by Guarantor on or before the date of this Guaranty in respect of any other franchise agreement between Penn Station and Franchisee. Guarantor’s obligations under this Guaranty will not be affected or impaired by the existence, from time to time, of total Guaranteed Obligations in excess of the Dollar Cap; however, the total amount that Penn Station is entitled to recover from Guarantor will be limited to the amount that would fully repay the unpaid balance of the Guaranteed Obligations under all of Guarantor’s guaranties executed on or before the date of this Guaranty up to the Dollar Cap plus all

costs and expenses (including reasonable attorneys' fees) incurred by Penn Station to collect those obligations from Guarantor.

(b) It is Penn Station's and Guarantor's intent that the Dollar Cap be applied to the last dollars owed to Penn Station by Franchisee. Accordingly, Guarantor will not be entitled to any credit against his, her, or its liability for the Guaranteed Obligations by reason of any amounts (i) recovered by Penn Station by reason of its enforcement after the occurrence of a Default (as defined in the Franchise Agreement) of any of Penn Station's remedies under the Franchise Agreement or any other franchise agreement between Franchisee and Penn Station (except to the extent that all of the Guaranteed Obligations are fully paid and satisfied) or (ii) paid by any other Person (as defined in the Franchise Agreement) to Penn Station in respect of the Guaranteed Obligations (except to the extent that all of the Guaranteed Obligations are fully paid and satisfied).

4. TERMINATION. The liability of Guarantor for the Guaranteed Obligations under this Guaranty will terminate when the Franchise Agreement terminates; *however*, if the Franchise Agreement terminates at a time as of when the Guaranteed Obligations have not been paid in full, the termination of the Franchise Agreement will not affect Guarantor's liability with respect to the Guaranteed Obligations under this Guaranty created or incurred before or as of the date of the termination of the Franchise Agreement for which Guarantor will remain fully liable under this Guaranty.

5. GENERAL. This Guaranty will be governed by, and construed under, the laws of the State of Ohio (without regard to Ohio conflicts of laws principles)⁹. This Guaranty represents the complete and entire understanding of the parties regarding this Guaranty and supersedes all prior and contemporaneous statements, agreements or communications, whether written or oral, with respect to this Guaranty.

6. DOCUMENT IMAGING; FACSIMILE AND PDF-DELIVERED SIGNATURE PAGES; ELECTRONIC SIGNATURES.

(a) Without notice to or consent of Guarantor, Penn Station may (i) create electronic images of this Guaranty, any other existing or new agreement between Penn Station and Guarantor pertaining to the Franchised Business, and/or any other document related thereto or arising therefrom (including any other document required to be delivered under any of the foregoing) (collectively, "Guarantor Documents") and (ii) in such event, and as to both unexecuted and executed versions of the foregoing, destroy paper originals and/or paper copies of any and each of such imaged documents and cease maintaining a paper-based recordkeeping system in whole or in part as to such documents, and, instead, maintain one or more electronic recordkeeping system(s) as to such documents. Such imaged documents shall have the same legal force and effect as the paper originals or paper copies and are enforceable for all purposes against Guarantor and any and all other parties thereto or bound thereby.

(b) If Penn Station agrees, in its sole discretion, to accept delivery in any electronic form (including deliveries by facsimile, emailed portable document format ("PDF") or any other electronic means that reproduces an image of an actual executed signature page) of an executed counterpart of a signature page to any Guarantor Document, then such delivery will be, for all purposes, as valid and effective to bind Guarantor and any and all other parties thereto or bound thereby as the delivery of an original, manually executed counterpart of such Guarantor Document. Penn Station may rely on any and each such electronic delivery without further inquiry.

Penn Station may also require that any such document and signature be confirmed by a separate manually signed original thereof (delivered to Penn Station); *provided, however*, that the failure to request or deliver the same shall

9. For franchises which are located in the State of Illinois if the Guarantor is a resident of the State of Illinois, this first sentence of Section 5 will read: "This Guaranty will be governed by, and construed under, the laws of the State of Illinois (without regard to Illinois conflicts of laws principles)." For franchises which are located in the State of Indiana, this first sentence of Section 5 will read: "This Guaranty will be governed by, and construed under, the laws of the State of Ohio (without regard to Ohio conflicts of laws principles) except to the extent governed by Indiana laws which are of mandatory application."

not limit the effectiveness of any facsimile document, PDF, or other electronically delivered signature page or image thereof.

(c) If Penn Station agrees, in its sole discretion, to accept any electronic signatures of any Guarantor Document (*i.e.*, an electronic sound, symbol, or process attached to, or logically associated with, a contract or other record and adopted by Guarantor with the intent to sign, authenticate or accept such contract or record), then the words “execution,” “signed,” “signature,” and words of like import, in or referring to any document to be signed or so signed, will be deemed to include electronic signatures. Such electronic signatures and the keeping of records in electronic form will be of the same legal effect, admissibility, validity and enforceability as manually executed signatures and the use of paper-based recordkeeping systems, to the extent and as provided for in any applicable law, including the Uniform Electronic Transactions Act as then enacted in the State of Ohio, the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable state laws based on, or similar in effect to, such acts or laws. Penn Station may rely on any and each such electronic signature without further inquiry. Penn Station may also require that any such document and signature be confirmed by a separate manually signed original thereof (delivered to Penn Station) or other separate communication authorized by Penn Station; *provided, however*, that the failure to request or deliver the same shall not limit the effectiveness of any electronic signature. If Penn Station agrees, in its sole discretion, to accept electronic signatures thereof, including through the use of any electronic signature service or platform that facilitates electronic signatures, then **THE PARTIES AGREE THAT THIS GUARANTY AND THE OTHER GUARANTOR DOCUMENTS MAY EACH BE ELECTRONICALLY SIGNED.**

(d) Without limiting the foregoing provisions of this Section 6, Guarantor waives (i) any argument, defense or right to contest the legal effect, admissibility, validity or enforceability of this Guaranty or any other Guarantor Document based on the lack of paper originals or paper copies of this Guaranty or any other Guarantor Document, respectively, including with respect to any signature pages thereto and (ii) any claim against any of Penn Station or any of its officers, directors (or managers), shareholders, employees or affiliates (or their respective successors and assigns) for any losses, claims, damages, penalties, incremental taxes, liabilities, or related expenses arising from Penn Station’s reliance on or use of electronic records, electronic signatures, and/or transmissions by facsimile, emailed PDF or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims, damages, penalties, incremental taxes, liabilities, or related expenses arising as a result of the failure of Guarantor to use any available security procedures and measures in connection with the execution, delivery or transmission of any electronic signature or electronic record.

“**21.1 No Other Agreement.** The Confidential Operating Manual and this Agreement (and the exhibits referred to in this Agreement) (i) supersede any and all prior and existing understandings, negotiations and agreements, either oral or in writing between Penn Station and Franchisee, which occurred or existed before or on the Effective Date, with respect to the subject matter of this Agreement and (ii) contain all of the covenants, warranties and, together with the Disclosure Document to the extent of any express representations made by Penn Station in the Disclosure Document, representations of, and agreements between, Penn Station and Franchisee with respect to the subject matter of this Agreement, and are the full and complete agreement of Penn Station and Franchisee. The Disclosure Document given to Franchisee for the Franchised Business that is the subject of this Agreement, however, does not constitute an agreement between Franchisee and Penn Station, and this Agreement will govern in the case of any conflict between the Disclosure Document, on the one hand and the Confidential Operating Manual or this Agreement on the other. Nothing in this Agreement is intended to disclaim the express representations made by Penn Station in the Disclosure Document that was provided to Franchisee in connection with this Agreement. Notwithstanding anything to the contrary in this Section 21, this Agreement will not merge, or be construed to merge, into or with any other franchise agreement between Franchisee and Penn Station with respect to any of the other Owned Units except that the terms of the most recent version of the franchise agreement between Franchisee and Penn Station for any Penn Station franchise (whether from opening a new Restaurant or based on the renewal of an existing Penn Station franchise) will govern this Agreement in the case of any conflict or inconsistency between the terms of this Agreement and the terms of the most recent franchise agreement between Penn Station and Franchisee exclusive of, solely for purposes of the Franchised Business under this Agreement, Section 1.2 (Restricted Territory), Section 1.3 (location of the Franchised Premises), Section 2.2.6 (renewal fee), Section 3.1.2 (the monthly royalty formula in this Agreement), Section 9.1.1 (percentage limitation of any Local Advertising), Section 9.1.2 (percentage limitation on any In-Store Advertising), Section 9.1.3 (percentage limitation on any Penn Station Promotional Campaigns), and Section 9.4 (percentage limitation of any National Fund fee) in this Agreement, which will not change other than pursuant to the terms of this Agreement. Any amendment or modification of this Agreement is invalid unless made in writing and signed by Penn Station and Franchisee.”

22. Section 21.2 of the Franchise Agreement is hereby deleted in its entirety.

23. Section 24.1 of the Franchise Agreement is hereby amended in its entirety by substituting in its stead the following:

“**24.1 Ohio Law.** Ohio law (except for Ohio (or any other State) choice of law or conflicts of law principles) shall govern and apply to all matters arising under or relating to this Agreement, including the interpretation and construction of this Agreement and the offer or sale of the Franchise, except to the extent this Agreement is governed by (i) the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. § 1051 *et seq.*) and (ii) the laws of the State of Indiana which are of mandatory application, including Indiana Code Sections 23-2-2.5 and 23-2-2.7 to the extent applicable. This Agreement takes effect when it is signed by Penn Station in Ohio.”

24. Section 24.2 of the Franchise Agreement is hereby amended in its entirety by substituting in its stead the following:

“**24.2 Cumulative Rights.** No right or remedy conferred on, or reserved to, Penn Station or Franchisee by this Agreement is intended to be, and will not be deemed, exclusive of any other right or

remedy in this Agreement or by law or equity provided or permitted, but each right and remedy will be cumulative of every other right or remedy.”

25. Sections 24.4, 24.5, and 25 of the Franchise Agreement are hereby deleted in their entireties.
26. This Addendum, together with the Franchise Agreement to which it is attached, contains the entire agreement between Franchisee and Penn Station. No amendment may be made nor shall any amendment be valid except in a written agreement signed by both Franchisee and Penn Station.
27. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. 12. Section 14.8.1 of the Franchise Agreement is hereby amended in its entirety by substituting in its stead the following:

"14.8.1 Purchase Option. On the occurrence of a Default and if Franchisee has not cured the Default within 30 days after Franchisee has been given notice of that Default from Penn Station, Penn Station will have the right, but not the obligation, to purchase for cash any and all Restaurant Improvements, inventory, supplies and other goods, signs, advertising materials, and all items bearing Penn Station's Marks or Copyrighted Materials located at the Franchised Premises or pertaining to the Franchised Business (collectively, the "Purchased Items"), at fair market value of each item. Penn Station must exercise this right by giving notice to Franchisee not later than 30 days after this Agreement has terminated or expired unless Franchisee has exercised its Retention Rights described below in which case that 30 day period will begin on the date that Franchisee exercises its Retention Rights. Franchisee will not have any interest in the goodwill of the Franchised Business and will receive no payment whatsoever for any goodwill that Franchisee may claim to have established either before or during the operation of the Franchised Business. If Penn Station and Franchisee cannot agree on the fair market value of a particular item or items of the Purchased Items within 30 days after this Agreement has terminated or expired and Penn Station has exercised its option to purchase as provided in this Section 14.8.1, then Penn Station and Franchisee will each appoint one appraiser not later than 7 days after this Agreement has terminated or expired. Both appraisers will then have 14 days to agree on the fair market value of the disputed items. If, after 14 days, the two appointed appraisers are unable to agree on the fair market value of the disputed items or any particular disputed item, then the two appraisers will appoint a third appraiser who will complete his appraisal in 14 days. The decisions of the two appraisers who are closest in value among the three appraisers will be averaged. The average value established will be binding and conclusive on Penn Station and Franchisee. Penn Station and Franchisee will each bear the cost of the appraiser appointed by each of them and one-half of the cost of any third appraiser. On exercising this purchase option, Penn Station will have the right to set-off all amounts due from Franchisee under this Agreement and any other agreement between Penn Station and Franchisee against any payment to be made by Penn Station for the Purchased Items. Penn Station has no obligation, however, to exercise its purchase option. Notwithstanding anything to the contrary in this Section 14.8.1, Penn Station will not have the right to exercise its purchase option if (i) at the time of the termination of this Agreement, any other franchise agreement between Franchisee and Penn Station is in full force and effect with respect to other Owned Units and there exists no default under any of those other franchise agreements, (ii) Franchisee has complied in full with all of its obligations on the termination of this Agreement, and (iii) Franchisee gives notice to Penn Station no later than 10 days after this Agreement has terminated or expired that Franchisee will use and remove the Purchased Items in its other Owned Units ("Retention Rights"). Penn Station will have the right to exercise its purchase option as to any Purchased Items which Franchisee has elected not to use in its other Restaurants pursuant to the exercise of its Retention Rights in accordance with this Section 14.8.1."

13. Sections 21.2, 24.5, and 25 of the Franchise Agreement are hereby deleted in their entireties.

14. Section 24.2 of the Franchise Agreement is hereby amended in its entirety by substituting in its stead the following:

“24.2 Cumulative Rights. No right or remedy conferred on, or reserved to, Penn Station or Franchisee by this Agreement is intended to be, and will not be deemed, exclusive of any other right or remedy in this Agreement or by law or equity provided or permitted (except to the extent of the provisions of Section 24.4), but each right and remedy will be cumulative of every other right or remedy.”

15. Section 24.4 of the Franchise Agreement is hereby amended in its entirety by substituting in its stead the following:

“24.4 Jury Trial Waiver. AS A SPECIFICALLY BARGAINED INDUCEMENT FOR PENN STATION TO ENTER INTO THIS AGREEMENT AND SELL A FRANCHISE TO FRANCHISEE, FRANCHISEE, EACH OWNER OF FRANCHISEE, AND PENN STATION EACH WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN OR AMONG FRANCHISEE, EACH OWNER OF FRANCHISEE, AND PENN STATION AND THE CONDUCT OF THE RELATIONSHIP BETWEEN OR AMONG PENN STATION, FRANCHISEE AND EACH OWNER OF FRANCHISEE.”

16. This Addendum, together with the Franchise Agreement to which it is attached, contains the entire agreement between Franchisee and Penn Station. No amendment may be made nor shall any amendment be valid except in a written agreement signed by both Franchisee and Penn Station.

17. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

4. Section 21.2 of the Franchise Agreement is hereby deleted in its entirety.
5. Section 24 of the Franchise Agreement is hereby modified by adding the following new Section 24.6 to the end thereof:

“24.6 Washington Disclosures and Modifications. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede this Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede this Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation.

In addition, if litigation is not precluded by this Agreement, you may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by you shall not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect Penn Station's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including your employees, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against any independent contractor you may have under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in this Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits Penn Station from restricting, restraining, or prohibiting you from (i) soliciting or hiring any employee of another Penn Station franchisee or (ii) soliciting or hiring any employee of Penn Station. As a result, any such provisions contained in this Agreement or elsewhere are void and unenforceable in Washington."

6. Section 25 of the Franchise Agreement is hereby deleted in its entirety.
7. This Addendum, together with the Franchise Agreement to which it is attached, constitutes the entire agreement between Franchisee and Penn Station with respect to the subject matter hereof and may not be further modified or amended except in a written agreement signed by both Franchisee and Penn Station.
8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

PENN STATION, INC.

FINANCIAL STATEMENTS

For the Years Ended December 31, 2023, 2022 and 2021

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Penn Station, Inc.

Opinion

We have audited the financial statements of Penn Station, Inc., which comprise the balance sheets as of December 31, 2023, 2022 and 2021, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Penn Station, Inc. as of December 31, 2023, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Penn Station, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Penn Station, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Penn Station, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Penn Station, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Organization and Summary of Significant Accounting Policies

Business Description:

The Company has developed products and methods of operation used in the operation of Penn Station restaurants. The Company franchises the use of these products and methods of operation in the United States. At December 31, 2023, there were 323 restaurants of which 322 were franchised. The Company operates one restaurant located in the Cincinnati, Ohio market.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported periods. Actual results could differ from those estimates.

Cash and Cash Equivalents:

Investments in highly liquid debt instruments with maturities of three months or less are considered cash equivalents.

Receivables:

Accounts receivable consist primarily of uncollateralized amounts due for continuing franchise fees, initial franchise fees, training, and transfer fees. Continuing franchise fees are due on the 10th of each month for sales during the previous calendar month. All other receivables are due under normal trade terms requiring payment within 30 days from the invoice date. A late fee of \$75 is charged for all continuing franchise fees not received within 10 days. Payments of accounts receivable are allocated to the specific invoices identified on the customer's remittance advice or, if unspecified, are applied to the earliest unpaid invoices.

Management individually reviews all accounts receivable balances and based on an assessment of creditworthiness evaluates the necessity to establish an allowance for doubtful accounts. Management has determined that no allowance was necessary at December 31, 2023, 2022, and 2021. The bad debt expense and (recoveries) were zero for each of the years ended December 31, 2023, 2022, and 2021.

Inventories:

Inventories are stated at the lower of cost, first-in, first-out (FIFO) method, or market.

Property, Equipment, Depreciation and Amortization:

Property and equipment are recorded at cost. Depreciation over the estimated useful lives of the property and equipment is determined by the straight-line method. Amortization of leasehold improvements is provided over the estimated useful lives of the improvements.

Intangible Assets:

Identifiable intangible assets with determinable useful lives are amortized. The Company capitalizes cost to renew or extend the terms of a recognized intangible asset.

Trademark and trade name expenditures represent costs incurred registering the Company trademark and trade name with appropriate governmental authorities. Amortization is provided on a straight-line basis over a period of ten years.

Note 1. Organization and Summary of Significant Accounting Policies (continued)

Revenue Recognition:

Revenues consist primarily of continuing royalties, national advertising fund contributions, supplier promotional funds, initial and renewal franchise fees, and upfront fees from area development agreements. The performance obligations under franchise agreements consist of (a) a franchise license, (b) pre-opening services, such as training, site selection and architectural design, and (c) ongoing services, such as development of training materials and menu items, restaurant monitoring, and management of the national advertising fund contributions. The Company has determined that the Pre-opening services are a separate and distinct performance obligation from the franchise license and ongoing services. Revenue from pre-opening services is recognized as the services are completed for the franchisee. Area development agreements provide franchisees the right to open stores in an exclusive geographic area within a specific time period. Revenue from area development agreements is recognized as revenue evenly over the term of the agreement. The franchise license and ongoing service performance obligations are highly interrelated, so they are not considered to be individually distinct and therefore are accounted for as a single performance obligation, which is satisfied by providing a right to use our intellectual property over the term of each franchise agreement. Revenue from franchise license, renewals, and ongoing service performance obligations are recognized over the term of each franchise agreement.

Continuing royalties, which are a percentage of net sales of the franchisee, are recognized as revenue when earned. The Company records food and beverage revenues from its company-owned store upon sale to the customer. The Company collects and remits sales taxes on transactions with customers and reports such amounts under the net method in its Statements of Operations. Accordingly, these taxes are not included in gross revenue.

Supplier Promotional Funds revenue includes monies received from suppliers as a result of products and services purchased by Penn Station restaurants.

Advertising Costs:

Company advertising costs are charged to operations when incurred.

Income Taxes:

The Company is an electing "S" corporation under the Internal Revenue Code. Under these provisions, federal and most state income taxes on the net earnings of the Company are payable personally by the shareholders. Accordingly, these financial statements do not contain provisions for federal, but do contain provisions for state income taxes where the Company is subject to tax at the entity level. In 2022, the Company elected to be taxed at the entity level in the State of Ohio. In 2023, the Company elected to be taxed at the entity level in the several other states. As such, the financial statements included a provision for these states' income taxes.

Generally accepted accounting principles require financial statement recognition of the impact of a tax position, if that position is more likely than not to be sustained on examination, based on the technical merits of the position. The amount that is ultimately sustained for an individual tax position or for all tax positions in the aggregate could differ from the amount recognized.

The Company reports interest related to tax positions as interest expense and penalties as miscellaneous expense.

The Company files income tax returns with the Federal Government, various states and municipalities. The Company's federal tax return and certain state returns are no longer subject to examination for years ending December 31 2019 and prior. Certain state income tax returns of the Company are no longer subject to examination for years ending December 31, 2018 and prior.

Note 1. Organization and Summary of Significant Accounting Policies (continued)

Leases:

The Company has operating leases for its corporate office and a company owned restaurant facility from a limited liability company owned by its majority shareholder. The Company determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, other current liabilities, and operating lease liabilities on the balance sheets.

ROU assets represent the Company's right to use an underlying asset for the lease term and lease liabilities represent the Company's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As the leases do not provide an implicit rate, the Company uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset excludes lease incentives. The lease terms include options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The lease agreements do not contain any material residual value guarantees or material restrictive covenants.

The lease agreements have lease and non-lease components, which are accounted for as a single lease component. As a result, there may be variability in future lease payments as the amount of the non-lease components is typically revised from one period to the next. These variable lease payments, which are primarily comprised of real estate taxes, utilities, insurance, and maintenance costs of the facilities, are recognized in operating expenses in the period in which the obligation for those payments was incurred.

Recently Adopted Accounting Standards:

Leases:

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, Leases) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The Company adopted the standard effective January 1, 2022 and recognized and measured leases existing at, or entered into after, January 1, 2022 (the beginning of the period of adoption) with certain practical expedients available. At adoption the leases in effect qualified for the short-term exception under ASC 842. Therefore, no cumulative effect was recognized to retained earnings. The Company elected the practical expedient to use the risk-free interest rate for the discount rate, based on the 10 year Treasury as of the date of adoption of ASC 842. The Company elected the package of practical expedients, which includes, no reassessment of lease classification, no reevaluation of existing or expired leases, and no reassessment of initial direct costs. Lease disclosures for the year ended December 31, 2021 are made under prior lease guidance in FASB ASC 840.

As a result of the adoption of the new lease accounting guidance, the Company recognized on January 1, 2022 a lease liability of \$4,936,523, which represents the present value of the remaining operating lease payments of \$5,338,626, discounted using a risk-free rate of 1.512%, and a right-of-use asset of \$4,936,523.

The adoption of the standard had a material impact on the Company's balance sheets, but did not have an impact on the Company's income statements, nor statements of cash flows. The most significant impact was the recognition of ROU assets and lease liabilities for operating leases.

ADDENDUM TO LEASE

THIS ADDENDUM TO LEASE (this "Addendum") dated _____, 20____ is entered into by and between _____ ("Landlord"), and _____ ("Tenant").

RECITALS

- A.** The parties have entered into a certain lease dated _____, 20____, (the "Lease") which pertains to the premises located at _____ (the "Premises").
- B.** Landlord acknowledges that Tenant intends to operate a Penn Station[®] Restaurant in the Premises under a Penn Station Unit Franchise Agreement (the "Franchise Agreement") with Penn Station, Inc., an Ohio corporation ("PSI").
- C.** Landlord acknowledges that the provisions of this Addendum are required pursuant to the Franchise Agreement under which Tenant plans to operate its business and that Tenant would not lease the Premises without this Addendum.
- D.** The parties now desire to amend the Lease in accordance with the terms and conditions in this Addendum.

AGREEMENT

NOW, THEREFORE, it is mutually agreed between Landlord and Tenant that, notwithstanding anything to the contrary in the Lease:

- 1. Use of the Premises.** Tenant's right to use and occupy the Premises as a Penn Station[®] Restaurant includes the right to sell those menu items from time to time specified under the terms of the Franchise Agreement and to engage in those activities and operations from time to time conducted by a Penn Station[®] Restaurant.
- 2. Tenant Improvements; Decor; Remodeling.** At the commencement of the Lease, Tenant will have the right to make all alterations and improvements to the Premises which are required by the plans and specifications for a Penn Station[®] Restaurant, as those plans and specifications have been consented to specifically by PSI for the Premises. During the term of the Lease (including any extensions or renewals of the Lease), Tenant will have the right to remodel the Premises from time to time according to the plans and specifications consented to by PSI for each remodeling.
- 3. Signage.**
 - 3.1** Landlord approves the design, size, and specifications of the exterior signs (if more than one) described in Exhibit A to this Addendum, including the colors and open channel lettering (the "Approved Exterior Signs") (if there is one Approved Exterior Sign described in Exhibit A, then the term "Approved Exterior Signs" in this Addendum means that single Approved Exterior Sign).
 - 3.2** Tenant will have the right to install and display (a) the Approved Exterior Signs on the exterior of the Premises and (b) all proprietary marks and signs on the interior of the Premises, as Tenant is, in each instance, required to do pursuant the terms of the Franchise Agreement. The placement of the Approved Exterior Signs on the exterior of the Premises will be as permitted by applicable building and zoning codes.
 - 3.3** If Tenant desires to replace any of the Approved Exterior Signs with another exterior sign (the "Replacement Sign"), then Tenant will submit to Landlord the proposed design, size, placement and specifications of the Replacement Sign. The Replacement Sign is subject to the approval of Landlord, which approval will not be unreasonably

withheld, delayed or conditioned. Landlord may not withhold its approval of the Replacement Sign if each of the following conditions are met:

(a) (i) the Replacement Sign does not exceed the height and width of the Approved Exterior Sign being removed, (ii) the placement of the Replacement Sign on the exterior of the Premises is not materially different from that of the Approved Exterior Sign being removed, and (iii) the Replacement Sign conforms to applicable zoning and building codes; and

(b) Any material changes to the Replacement Sign from the Approved Exterior Sign being removed involve color changes or changes to the logo or the size, design or style of the letters (it being acknowledged and agreed to by Landlord that the Replacement Sign may have neon tube, open channel lettering).

Once approved by Landlord, the Replacement Sign will be an "Approved Exterior Sign" for purposes of the Lease.

4. Assignment.

4.1 Tenant has the right to assign or sublease any or all of its rights, titles and interests in the Lease and Premises to PSI or its Designated Person at any time during the term of the Lease, including any extensions or renewals of the Lease, without first obtaining Landlord's consent. "Designated Person" means, as designated by PSI in writing to Landlord, any affiliate of PSI or any franchisee of PSI.

4.2 No assignment or sublease of the Lease and Premises pursuant to this Section 4 will (a) be effective until such time as PSI or its Designated Person gives Landlord written notice of its acceptance of the assignment or sublease or (b) delegate to, or create in, PSI (or its Designated Person) any liability or responsibility for any acts, conditions or circumstances arising before the effective date of the assignment or sublease to PSI (or to its Designated Person). Furthermore, nothing contained in this Addendum or in any other document (i) constitutes PSI or its Designated Person a party to the Lease or a guarantor of the Lease or (ii) creates any liability or obligation on PSI (or, as applicable, its Designated Person) unless and until the Lease is assigned or subleased to, and accepted in writing by, PSI (or, as applicable, by its Designated Person).

4.3 Should the Lease be assigned or subleased to, and accepted in writing by, PSI (or by its Designated Person), then PSI will have the further right to assign or sublease the Lease and Premises to another franchisee of PSI at any time during the term of the Lease, including any extensions or renewals of the Lease, without first obtaining Landlord's consent. If PSI should assign its rights to another franchisee, then PSI will be relieved of all liability for any acts, conditions or circumstances arising after the date of that assignment.

5. Default and Notice.

(a) If Landlord gives Tenant notice of any default or violation by Tenant under the terms of the Lease, Landlord will also give PSI notice of that default or violation promptly after Landlord has given that notice to Tenant.

(b) All notices to PSI will be sent by registered or certified mail, postage prepaid, to the following address:

Penn Station, Inc.
1226 US Highway 50
Milford, OH 45150
Attn: President

PSI may change its address for receiving notices by giving Landlord written notice of its new address. Landlord will notify both Tenant and PSI of any changes in Landlord's mailing address to which notices should be sent.

6. Termination or Expiration. On the expiration or termination of either the Lease or the Franchise Agreement, Landlord will allow PSI to enter the Premises, without being guilty of trespass and without incurring any liability to

Landlord, (a) to remove all signs, advertising, logos, and other items identifying the Premises as a Penn Station[□] Restaurant and (b) to make any other modifications as are reasonably necessary: (i) to protect PSI's proprietary marks and the Penn Station system and (ii) to distinguish the Premises from a Penn Station[□] Restaurant. The obligations of Landlord under this Section 6 are conditioned on (1) PSI's giving Landlord prior notice of the modifications to be made and the items removed and (2) PSI's repairing of any physical damage PSI causes to the Premises during its removal of the items described above and PSI's modifications (if any) to the Premises described above.

7. **No Liability.** Landlord further acknowledges that Tenant is not an agent, partner or employee of PSI and that Tenant has no authority or power to act for, or to create any liability on behalf of, or to in any way bind, PSI and that Landlord has entered into the Lease and this Addendum with full understanding that neither of the Lease nor this Addendum creates any duties, obligations or liabilities on or against PSI.

8. **Amendments.** No amendment or variation of the terms of this Addendum is valid unless (i) made in writing and signed by Landlord and Tenant and (ii) PSI has provided its written consent to the amendment.

9. **Reaffirmation of Lease; Governing Terms.** Except as amended or modified in this Addendum, all of the terms, conditions and covenants of the Lease are confirmed and remain in full force and effect. This Addendum is incorporated into, and is made a part of, the Lease as if fully rewritten in the Lease. The terms of this Addendum will govern in the case of any conflict or inconsistency between the terms of the Lease and this Addendum.

10. **Enforcement by PSI.** It is expressly acknowledged and agreed that PSI is a third party beneficiary of the agreements of Landlord set forth in this Addendum. Either PSI or Tenant (or both) shall have the right to enforce Landlord's agreements in this Addendum.

11. **Terms; Captions.** As used in this Addendum, the term "affiliate" means any person or entity (i) that is owned or controlled by PSI, (ii) which owns and controls PSI, or (iii) which is under common control with PSI. All references in this Addendum to any agreement, instrument, or document will be treated as being references to the particular agreement, instrument or document as the agreement, instrument or document may, from time to time, be modified, amended, renewed, restated, consolidated, extended, or replaced. The captions contained in this Addendum are for reference purposes only and will not affect or relate to the interpretation of this Addendum. Whenever the word "including" or "includes" is used in this Addendum, those terms are used by way of illustration and not by way of limitation.

IN WITNESS WHEREOF, the parties have signed this Addendum to Lease as of the day, month and year written in the opening paragraph.

The purpose of this agreement (this "Agreement") is to confirm our understanding of your plans for the development of _____ new Penn Station® Restaurants ("Restaurants") in the Development Territory (as defined below) and to describe your rights and obligations with respect to that development. Penn Station, Inc. ("Penn Station") hereby grants to _____, a _____ company ("you") the right, and you undertake the obligation, to lease, construct, equip, open and operate _____ new Restaurants within the territory described in Exhibit A ("Development Territory") at a site you propose and consented to by Penn Station, in accordance with the following schedule ("Development Schedule"), by the Development Schedule Deadline, and the other terms and conditions of this Agreement:

Cumulative Number of Restaurants Open or Under Construction	Open or Under Construction <u>On or Before:</u>
_____	_____, 20__
_____	_____, 20__
_____	_____, 20__
_____	_____, 20__
_____	_____, 20__

The "Development Schedule Deadline" means, for purposes of this Agreement, the date set opposite each Restaurant or specific number of Restaurants listed in each row above in the Development Schedule as the date by when such Restaurant or specific number of Restaurants must be open or under construction as defined in this Agreement. Any Restaurant developed or to be developed by you outside of the Development Territory, will not be considered in the determination of your compliance with the Development Schedule.

2. You will pay to Penn Station an initial fee for the rights obtained under the terms of this Agreement equal to \$_____ (the "Territory Fee") which is equal to \$3,500 multiplied by the total number of Restaurants specified in the Development Schedule. The Territory Fee is fully earned and is due on the signing of this Agreement by Penn Station

and is not refundable under any and all circumstances, including, without limitation, any termination of this Agreement because you are in default of the Development Schedule. The Territory Fee is in addition to, and will not be applied against, any portion of the initial franchise fees due under each Unit Franchise Agreement (as defined below) for each Restaurant developed by you under this Agreement.

3. Each Restaurant to be developed in accordance with this Agreement will be established and operated pursuant to a separate franchise agreement to be entered into between you or your Affiliated Company (as defined below), on the one hand, and Penn Station on the other. The form and substance of each franchise agreement (“Unit Franchise Agreement”) executed will be Penn Station’s then-current franchise agreement being executed by other single unit franchisees at that time. You acknowledge and agree that each Unit Franchise Agreement signed by each Applicable Franchisee Party (as defined below) and Penn Station may contain terms and conditions different than those provided for in the first Unit Franchise Agreement signed by any Applicable Franchisee Party and Penn Station or in other Unit Franchise Agreements signed by any Applicable Franchisee Party and Penn Station at other times. Notwithstanding anything to the contrary in the foregoing in this Section 3, each Unit Franchise Agreement will, for each Restaurant opened by you in the Development Territory in accordance with the Development Schedule, contain the same initial franchise fee as provided in Section 3.1.1 of the Unit Franchise Agreement and the same continuing monthly royalty fee formula (other than abatements expressly set forth in Unit Franchise Agreement) as provided in Section 3.1.2 of the Unit Franchise Agreement, in each case, as set forth in the first Unit Franchise Agreement signed by an Applicable Franchisee Party and Penn Station for the first Restaurant opened by you in the Development Territory in accordance with the Development Schedule. You may elect, on reasonably sufficient prior notice to Penn Station, to have an Affiliated Company be the franchisee under the Unit Franchise Agreement for any Restaurant opened by you in the Development Territory in accordance with the Development Schedule so long as you and each of your Affiliated Companies comply with Penn Station’s Operations Director requirements, as all of the Restaurants (wherever located) operated by you and your Affiliated Companies will be aggregated for purposes of those requirements. An “Affiliated Company” means a corporation or limited liability company (either, a “Business Entity”) that satisfies, and continues to satisfy, each of the following conditions: (i) it is organized under the laws of the same State under which you are organized, (ii) it is organized for the specific purpose of owning and operating a Restaurant in the Development Territory, and (iii) either (a) you are the Owner (as defined in the Unit Franchise Agreement for a Restaurant in the Development Territory being entered into with the applicable Business Entity (the “Applicable UFA”) of 100% of the Ownership Interests (as defined in the Applicable UFA) of that Business Entity or (b) your shareholders (if you are a corporation) or, as applicable, your members (if you are a limited liability company), who are the then current shareholders or, as applicable, members of you as of the date of the Applicable UFA, own 100% of the Ownership Interests (as defined in the Applicable UFA) of that Business Entity in the same percentage of individual ownership that those then current shareholders or, as applicable, members of you have in you. An “Applicable Franchisee Party” means individually and collectively you and any and each Affiliated Company. To the extent a term or provision of this Agreement is applicable to an “Applicable Franchisee Party”, it is applicable to each and every Applicable Franchisee Party unless the context expressly indicates otherwise.

4. Provided (i) each Applicable Franchisee Party is in full compliance with the Development Schedule and the other terms of this Agreement and with all Unit Franchise Agreements between Penn Station and each Applicable Franchisee Party and (ii) all other agreements with Penn Station or its affiliates or advertising co-ops and this Agreement are in full force and effect, Penn Station will not, prior to the Termination Date (as defined in Section 8), establish, franchise or license another to establish, a Restaurant within the Development Territory. Penn Station has and retains the rights, however, among others, to:

(a) Grant other franchises for and licenses of its Marks and Copyrighted Materials in addition to those franchises and licenses already granted. For purposes of this Agreement, (i) “Marks” means all of Penn Station’s trade names, service marks, trademarks and trade symbols, emblems, signs, slogans, trade dress, logos, colors, and insignias as Penn Station has adopted and designated for use in connection with the System and as Penn Station may hereafter acquire or develop and designate for use in connection with the System; (ii) “Copyrighted Materials” is defined to include all material, including, without limitation, all artwork and designs created by Penn Station or any other Person (as defined in Section 11) retained or employed by Penn Station and used with the Marks or in the operation of a Restaurant; and (iii)

“System” means the business system developed by Penn Station for operating a restaurant featuring Philadelphia-style cheesesteaks and submarine sandwiches, as in effect from time to time;

(b) Use the Marks and Copyrighted Materials in connection with the sale of products and services by Penn Station in any context or channel of distribution; *however*, nothing in this Section 4(b) may be construed to allow Penn Station to establish itself, to franchise or license another to establish, a restaurant concept (whether under the Marks, marks similar to the Marks, or other marks) featuring as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches, within the Development Territory so long as this Agreement is in full force and effect and the Termination Date has not occurred; and

(c) Develop, establish, and operate other, new systems (“Other Systems”) under marks, other than the Marks, and to grant licenses and franchises of, these Other Systems anywhere within the Development Territory without providing any Applicable Franchisee Party any rights to these Other Systems; *however*, nothing in this Section 4(c) may be construed to allow Penn Station to establish itself, to franchise or license another to establish, a restaurant concept (whether under the Marks, marks similar to the Marks, or other marks) featuring as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches, within the Development Territory so long as this Agreement is in full force and effect and the Termination Date has not occurred.

5. Each Applicable Franchisee Party’s right to commence construction of any new Restaurants pursuant to this Agreement is subject to each Applicable Franchisee Party’s compliance, and you will not be “under construction” for purposes of this Agreement unless the Applicable Franchisee Party complies, with each of the following conditions (“Under Construction Conditions”):

(a) Each proposed site for each Restaurant must be formally presented to Penn Station on its then-current Site Analysis form and any lease must be formally presented to Penn Station on its then-current Lease Checklist form for Penn Station’s prior written consent before any obligation is assumed by any Applicable Franchisee Party with respect to the site. Penn Station will review the site proposed by you, and Penn Station will determine if the proposed site is acceptable to Penn Station in its sole judgment. If the site is unacceptable to Penn Station, you must locate another site by the applicable Development Schedule Deadline that is acceptable to Penn Station. Penn Station will provide you written notice of its consent or disapproval, as the case may be, of the proposed site within 30 days after receiving your written proposal. Penn Station will not be treated as giving its consent of any site simply by failing to respond to you within 30 days after receiving your written proposal for a site. Neither any Applicable Franchisee Party nor its owners may directly or indirectly own the site unless (i) Penn Station has determined that the proposed rental rate under the proposed lease is a market rate, and the proposed lease, which is in writing, is otherwise on market terms and conditions; (ii) Penn Station has determined that your development capital (including, without limitation, any portion used by one or more owners to own the premises) is adequate to complete your obligations under this Agreement; and (iii) the term of the proposed lease is coterminous with the applicable Unit Franchise Agreement. Notwithstanding Penn Station’s exercise of its right to consent to any site selected by you, Penn Station does not assume and will not be deemed to have assumed any responsibility or liability to any Applicable Franchisee Party for exercising this right. Penn Station makes no representations, warranties or guaranties, express or implied, as to (A) the potential volume, profits, returns, or success of a Restaurant at any location consented to by Penn Station under this Agreement or (B) the accuracy, validity, or reliability of any information provided by any third-party demographic or site selection services firm from whom Penn Station may provide any Applicable Franchisee Party information;

(b) Penn Station has determined, in advance, that you have the financial and operational capabilities to develop the new Restaurant at the proposed site. Penn Station’s determination of financial and operational capability will be based on (i) your compliance with Penn Station’s then-current Multi-Unit Guidelines; (ii) your financial condition (including, without limitation, the financial condition of each other Applicable Franchisee Party); (iii) the payment history, if any, to Penn Station, its affiliates, and any Penn Station advertising cooperatives; and (iv) any other pertinent financial information that may be requested by Penn Station, together with the Performance Evaluations of any existing Restaurants owned or operated by any and each Applicable Franchisee Party, which evaluation will be conducted at and prior to the time of each request by you to develop a new Restaurant pursuant to this Agreement. All of this information will be

submitted, reviewed and evaluated by Penn Station in accordance with Penn Station's then-current Multi-Unit Guidelines; and

(c) If Penn Station consents to your proposed site, then the Applicable Franchisee Party must (i) sign a lease for the site in accordance with the terms, and subject to the conditions, of Section 1.3.1 of the Unit Franchise Agreement, including, without limitation, Penn Station's then current Lease Addendum form and (ii) within 30 days after execution of the lease, sign the then current Unit Franchise Agreement (subject to Section 3), return it to Penn Station and pay to Penn Station all required fees under the Unit Franchise Agreement in respect of the applicable Restaurant before any Applicable Franchisee Party may order location-specific drawings and construction documents for the proposed site.

If you do not satisfy any of the Under Construction Conditions, Penn Station will be under no obligation to execute a Unit Franchise Agreement for a new Restaurant. The preparation of plans, the putting out of the construction for bid, the beginning of construction of a new Restaurant and a lease for the site cannot occur until a Unit Franchise Agreement is executed by Penn Station and an Applicable Franchisee Party for that Restaurant.

6. Notwithstanding anything to the contrary in this Agreement, if the Applicable Franchisee Parties do not have open or under construction the required number of Restaurants strictly in accordance with the Development Schedule, even if the reason why the Restaurant is not open or under construction is your inability to satisfy any of the Under Construction Conditions, Penn Station may, among other rights and remedies, (a) terminate your rights to develop new Restaurants for which no Unit Franchise Agreement has been executed by Penn Station under this Agreement, effective immediately on Penn Station's transmittal of a notice of termination to you or (b) may do any or all of the following: (i) reduce the number of Restaurants that you may open under this Agreement, (ii) accelerate one or more of the Development Schedule Deadlines, and (iii) establish, or franchise or license another Person to establish, Restaurants within the Development Territory. Time is of the essence with respect to your obligations under this Agreement. Further, if, at any time, any Applicable Franchisee Party is in default under any Unit Franchise Agreement or any other agreement executed by any Applicable Franchisee Party on the one hand and Penn Station or its affiliates or advertising co-ops on the other, Penn Station may terminate the rights to develop new Restaurants granted under this Agreement.

7. The rights granted to you in this Agreement represent a special opportunity provided to you, separate from those afforded by any Unit Franchise Agreements executed or to be executed by Penn Station and are based upon your restaurant operations and development experience with Penn Station or otherwise. Therefore, the rights granted to you in this Agreement may not be assigned, and on the sale, transfer or assignment of any of the Unit Franchise Agreements pertaining to any of the Restaurants developed under this Agreement, this Agreement will automatically terminate and be of no further force or effect.

8. The right to develop Restaurants in the Development Territory pursuant to this Agreement and all of your other rights, interests and benefits under, or arising out of, this Agreement will terminate on the earliest to occur ("Termination Date") of the following (a) _____, 20__, (b) the date that the last of the Restaurants for which you have rights to develop pursuant to the Development Schedule is opened for business, as determined by Penn Station, or (c) the date your rights under this Agreement are terminated by Penn Station in writing because of any Applicable Franchisee Party's default under this Agreement, under any Unit Franchise Agreement or other agreement between any Applicable Franchisee Party on the one hand and Penn Station or any Penn Station affiliate or advertising co-op on the other or because of a transfer of any of any Applicable Franchisee Party's Unit Franchise Agreements in the Development Territory. This Agreement may not be renewed. On the Termination Date, this Agreement and all rights to develop and open Restaurants will automatically terminate without any further notice or act of Penn Station or any Applicable Franchisee Party.

9. This Agreement includes only the right to select proposed sites for the construction of Restaurants and to submit the proposed sites to Penn Station for its review and consideration in accordance with the terms of this Agreement. This Agreement does not include the grant of a license by Penn Station to any Applicable Franchisee Party of any right to use the Marks, the Copyrighted Materials or the System, a grant of a Penn Station franchise, or the right to open or operate any Restaurants within the Development Territory. Assuming each Applicable Franchisee Party strictly complies with the

terms of this Agreement and the Unit Franchise Agreement, the Applicable Franchisee Party will obtain those rights only after each Unit Franchise Agreement has been signed by Penn Station and that Applicable Franchisee Party for the specific Restaurant and only in accordance with the terms of each Unit Franchise Agreement.

10. Unless Penn Station has otherwise agreed in writing, each Unit Franchise Agreement executed pursuant to this Agreement must be executed by an Applicable Franchisee Party.

11. Penn Station will have the right to transfer or assign all or any part of its rights and/or delegate all or any part of its obligations under this Agreement or under any other agreement between Penn Station and any and each Applicable Franchisee Party to any natural person, legal entity, trust, association or authority (a "Person"); *however*, as a condition of any total assignment by Penn Station of its rights and total delegation of its obligations, the Person to whom Penn Station assigns its interests will assume Penn Station's obligations under this Agreement arising on and after the effective date of the assignment. Each Applicable Franchisee Party will sign any forms Penn Station may reasonably request to effectuate any assignment by Penn Station.

12. You acknowledge that neither Penn Station nor anyone on behalf of Penn Station has made any representations, warranties, inducements, promises or agreements, orally or otherwise, respecting the subject matter of this Agreement which have been relied on by any Applicable Franchisee Party and are not embodied in this Agreement (except as may have been made in the disclosure document given to an Applicable Franchisee Party), and that there are no other representations which induced you to sign this Agreement. This Agreement (and the exhibits referred to in this Agreement): (a) will supersede any and all understandings, negotiations and agreements, either oral or in writing, between Penn Station and each Applicable Franchisee Party, which occurred or existed before or on the date of this Agreement with respect to the subject matter of this Agreement and (b) contain all of the covenants, warranties and agreements between Penn Station and each Applicable Franchisee Party with respect to the subject matter of this Agreement. Notwithstanding anything to the contrary in this Section 12, this Agreement will not in any way supersede, merge, limit or abrogate, or be construed in any way to supersede, merge, limit or abrogate, any Unit Franchise Agreement between any or each Applicable Franchisee Party on the one hand and Penn Station on the other, including, without limitation, any of any Applicable Franchisee Party's or its owners' agreements, duties or obligations thereunder. Any amendment or modification of this Agreement is invalid unless made in writing and signed by Penn Station and you.

13. As a result of the rights being granted to you under this Agreement, certain Penn Station information may be disclosed to any one or more Applicable Franchisee Party pertaining to, among others, Penn Station's operating manual, business system, and other information, knowledge and know-how pertaining to a Restaurant, including, without limitation, Penn Station's recipes, store operational methods, techniques, cost containment programs, marketing and developmental plans, strategies, and research prepared or obtained by, or for the benefit of, Penn Station, its franchisees, and/or any Penn Station restaurants (collectively, "Confidential Information"). Confidential Information, however, will not include information which you can demonstrate has become part of the public domain by proper and lawful means through publication and communication by others at the time of disclosure to you, or, after the time of disclosure to you, has become a part of the public domain by proper and lawful means through publication or communication by Persons (other than any Applicable Franchisee Party or its owners, officers, representatives or agents) who have been authorized by Penn Station to make the publication and disclosure. Neither any Applicable Franchisee Party nor any of its owners shall, at any time during or following termination or expiration of this Agreement, communicate, divulge or use to any Applicable Franchisee Party's benefit or for the benefit of any Person any Confidential Information that has been obtained by, or disclosed to, any Applicable Franchisee Party or which any Applicable Franchisee Party may be apprised by virtue of the exercise of your rights under this Agreement.

14. Penn Station assumes no liability or obligation to any Applicable Franchisee Party by providing any waiver, approval, consent or suggestion to any Applicable Franchisee Party in connection with this Agreement, or by reason of any neglect, delay or denial of any request for any waiver, approval, consent or suggestion.

15. You will indemnify and hold harmless Penn Station (and its owners, directors (or managers), officers, employees, and agents), in each case, from any and all claims, demands, obligations, damages, losses, and liabilities

(including, without limitation, all costs, expenses and attorneys' fees) (a "Claim") arising out of or in connection with: (a) any of any Applicable Franchisee Party's (or any of its owners or officers') acts or omissions in exercising any of the rights or interests granted to you under this Agreement or (b) any breach or default by any Applicable Franchisee Party (or any of its officers or owners) in the performance of any of your or their respective agreements or obligations under this Agreement except to the extent a Claim is based solely on the gross negligence or willful misconduct of Penn Station. Under no circumstances will (i) any Applicable Franchisee Party settle any Claim without Penn Station's consent or (ii) Penn Station be required or obligated to seek recovery from third parties or otherwise mitigate its losses to maintain a claim for indemnification against you. Your obligation to indemnify Penn Station as provided in this Section 15 is in addition to each Applicable Franchisee Party's obligations (A) to provide insurance under any Unit Franchise Agreement to which any Applicable Franchisee Party is a party and (B) to indemnify Penn Station under any Unit Franchise Agreement to which any Applicable Franchisee Party is a party.

16. As a specifically bargained inducement for Penn Station to sign this Agreement and to grant the rights granted by it under this Agreement, if this Agreement expires or is terminated and you are not, at that time, a party to a Unit Franchise Agreement for a Restaurant located in the Development Territory, then for a period of two (2) years after the date this Agreement expired or was terminated, none of you or any of your owners, directors (or managers) or officers will either directly or indirectly, for itself, themselves, herself or himself, or through, on behalf of, or in conjunction with, any Person or Persons, own, operate, maintain, manage, be employed by, engage in, consult with, or have any interest (whether as an owner, shareholder, officer, director (or manager), partner, member, employee, joint venturer, beneficiary, independent contractor, agent, or having any other interest) in, any business or enterprise which offers for sale Philadelphia-style cheesesteak sandwiches or submarine sandwiches, or both (in any combination), within the Development Territory as in effect on the date of this Agreement (regardless of whether this Agreement has expired or has been terminated).

17. Section 16 will be construed as independent of any other provisions of this Agreement. If all or a portion of Section 16 is held unreasonable or unenforceable by a court or governmental agency having valid jurisdiction in an order that becomes final and unappealed to which Penn Station is a party, then each of you and your owners, directors (or managers) and officers expressly agree to be bound by any lesser covenant subsumed within the terms of the invalidated provision to the maximum extent permitted by law as if the resulting covenant were originally and separately stated in, and made a part of, Section 16.

18¹². This Agreement, which takes effect when it is signed by Penn Station in Ohio, will be interpreted and construed under the internal laws of Ohio (without regard to Ohio conflicts of laws principles).

19¹³. As a specifically bargained inducement for Penn Station to sign this Agreement and to grant the rights granted by it under this Agreement, you and Penn Station each agree that any action, suit or proceeding in respect of or arising out of this Agreement, its validity or performance, will be initiated and prosecuted as to both parties and their successors and assigns exclusively in any court situated at Cincinnati, Ohio. Penn Station and you each consent to and submit to the exercise of jurisdiction over its person by any court situated at Cincinnati, Ohio having jurisdiction over the subject matter and consent that all service of process be made by certified mail directed to you and Penn Station at their respective addresses set forth in this Agreement or as otherwise provided under the laws of the State of Ohio. You waive any objection based on forum *non conveniens*, and any objection to venue of any action instituted under this Agreement, and you consent to the granting of such legal or equitable relief as is deemed appropriate by the court.

20. As a specifically bargained inducement for Penn Station to sign this Agreement and to grant the rights granted by it under this Agreement, YOU AND PENN STATION EACH WAIVES TRIAL BY JURY WITH RESPECT

¹². For developers which are located in the State of Indiana this will read: "This letter, which takes effect when it is signed by Penn Station in Ohio, will be interpreted and construed under the internal laws of the laws of the State of Ohio (without regard to Ohio conflicts of laws principles) except to the extent governed by Indiana laws which are of mandatory application."

¹³. For developers which are located in the State of Indiana and Michigan this Section 19 will be deleted.

TO ANY ACTION, CLAIM, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN YOU AND PENN STATION OR THE CONDUCT OF THE RELATIONSHIP BETWEEN PENN STATION AND YOU.

21. This Agreement may be signed by electronic signatures (including, without limitation, deliveries by facsimile, emailed portable document format or any other electronic means that reproduces an image of an actual executed signature page or the DocuSign platform) of an executed counterpart of a signature page to this Agreement), and if so signed, (a) may be relied on by each party as if the document were a manually signed original and (b) will be binding on each party for all purposes. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same agreement after all of the parties to this Agreement have executed and delivered this Agreement. Any signature page of this Agreement may be detached from any counterpart of this Agreement without impairing the legal effect of any signatures thereon and may be attached to another counterpart of this Agreement identical in form hereto but having attached to it one or more additional signature pages. Without notice to or the consent of you or any other party to this Agreement, Penn Station may (i) create electronic images of this Agreement and/or any other document related to or arising from this Agreement and (ii) in such event, and as to both unexecuted and executed versions of the foregoing, destroy paper originals and/or paper copies of any and each of such imaged documents, cease maintaining a paper-based recordkeeping system in whole or in part as to such documents, and, instead, maintain one or more electronic recordkeeping systems as to such documents. Such imaged documents shall have the same legal force and effect as paper originals or paper copies and are enforceable for all purposes against you, each of your owners and any and all other parties to or bound by this Agreement.

22. No Affiliated Company is a party to, shall be a direct or indirect beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement.

23. If you agree to the terms set out in this Agreement, please execute the enclosed copy and return it to my attention. Please do not execute this Agreement until the expiration of the later of (i) fourteen (14) calendar days after your receipt of Penn Station's current franchise disclosure document and (ii) seven (7) calendar days after your receipt of this Agreement from Penn Station. On receipt and signing by Penn Station, this Agreement will be a legally binding agreement.

ADDENDUM TO MULTI-UNIT DEVELOPMENT AGREEMENT

This Addendum to the Multi-Unit Development Agreement (this “Addendum”) is attached to and made a part of the Multi-Unit Development Agreement dated _____, 20__ (the “Multi-Unit Agreement”), by and between Penn Station, Inc. (“Penn Station”) and _____, a _____ the principal place of business of which is located at _____ (“You”), dated as of _____, for the purpose of modifying and amending the terms of the Multi-Unit Agreement. For such purpose, Penn Station and You agree as follows:

1. All capitalized terms herein which are not separately defined herein shall have the meanings ascribed to such terms in the Multi-Unit Agreement.
2. In the event of a conflict between the terms of the Multi-Unit Agreement and the terms of this Addendum, the terms of this Addendum shall control.
3. Except as specifically amended by this Addendum, all terms of the Multi-Unit Agreement are ratified and confirmed and remain in full force and effect. The Multi-Unit Agreement, as amended by this Addendum, will be construed as one agreement.
4. Section 12 of the Multi-Unit Agreement is hereby amended by the deletion of the first sentence in that Section.
5. The Multi-Unit Agreement is hereby modified by adding the following new Section to the end thereof:

“23. Washington Disclosures and Modifications. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail. RCW 19.100.180 may supersede the Franchise Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, you may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by you may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect Penn Station’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including your employees, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against any

independent contractor you may have under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in this Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits Penn Station from restricting, restraining, or prohibiting you from (i) soliciting or hiring any employee of another Penn Station franchisee or (ii) soliciting or hiring any employee of Penn Station. As a result, any such provisions contained in this Agreement or elsewhere are void and unenforceable in Washington.”

6. This Addendum, together with the Multi-Unit Agreement to which it is attached, contains the entire agreement between you and Penn Station with respect to the subject matter thereof. No amendment may be made nor shall any amendment be valid except in a written agreement signed by both you and Penn Station.
7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

FRANCHISE DISCLOSURE DOCUMENT
FOR PROSPECTIVE FRANCHISEES
PENN STATION FRANCHISES

ADDENDUM TO PENN STATION, INC.
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF CALIFORNIA

1. The page immediately preceding the Table of Contents shall be modified by inserting the following at the end thereof:

DISCLOSURES REQUIRED BY THE STATE OF CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

2. Item 3 of the disclosure document is hereby modified by adding the following paragraph to the end thereof:

“Except as may be disclosed in this Item 3, neither Penn Station nor any person listed in Item 2 of this Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.”

3. Item 6 of the disclosure documents is hereby modified by substituting the following in place of the ninth line item of the table regarding fees:

Name of Fee	Amount	Due Date	Remarks
Late Fee*	\$75 plus if payment is late by more than 10 days, interest at the prime rate + 3% per annum on overdue amounts. The interest rate cannot exceed 10% in California.	When payment or sales data is overdue. Also due when operating income statement is late.	See Note 8

4. Item 17 of the disclosure document is hereby modified by adding the following paragraphs to the end thereof:

“California Business and Professions Code Sections 20000 through 20043 (the “California Franchise Relations Act”_ and California Corporations Code Sections 31000 through 31516 (the “California Franchise Investment Law”), as applicable, provide rights to you concerning the transfer, termination, sale of all or substantially all of the assets of an existing franchise, sale of an existing franchise or nonrenewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101, *et seq.*).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement requires that courts situated in Cincinnati, Ohio will have sole jurisdiction over enforcement of litigation and/or enforcement of the Franchise Agreement. This provision may not be enforceable under California law.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The franchise agreement requires application of the laws of Ohio. This provision may not be enforceable under California law.

The franchise agreement requires you to sign a general release of claims upon renewal of the Franchise Agreement, and under the terms of the Franchise Agreement, you may be required to sign a general release of claims upon transfer of the franchise agreement. Section 31512 of the California Franchise Investment Law provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 of the California Franchise Investment Law voids a waiver of your rights under the California Franchise Investment Law. Section 20010 of the California Franchise Relations Act voids a waiver of your rights under the California Franchise Relations Act.”

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
6. Any provision of a franchise agreement, franchise disclosure document, acknowledgment, questionnaire or other writing, including any exhibits to such documents, that disclaims or denies (i) representations made by the franchisor or its personnel or agents to a prospective franchisee, (ii) reliance by a franchisee on statements made by the franchisor or its personnel or agents, (iii) reliance by a franchisee on the franchise disclosure document provided to the franchisee by the franchisor, including any exhibits to the franchise disclosure document, or (iv) any violations of California Franchise Investment Law by a franchisor or its personnel or agents is void and unenforceable. Any provision in a franchise agreement requiring a franchisee to waive provisions of the California Franchise Relations Act is void and unenforceable.
7. If a franchisor previously granted a franchise or provided financial assistance to a prospective franchisee or franchisee, the franchisor may not refuse to do the same for similarly situated prospective franchisees or franchisees if the reason for doing so is based solely on certain characteristics of the prospective franchisee, the franchisee, or the location of the franchised business. These characteristics include sex,

race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, citizenship, primary language, or immigration status. A franchisor is not prohibited from granting a franchise as part of a program designed to make franchises available to prospective franchisees lacking the characteristics ordinarily required of franchisees.

8. If the Commissioner of Financial Protection and Innovation determines a provision in a franchise agreement is contrary to California law, the Commissioner may issue a stop order denying, suspending or revoking franchise registration.
9. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.
10. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the California commissioner of corporations may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

----------------------	---	--	------------

(b) by substituting the following in place of Note 3 to the table in Item 6:

“Note 3: Cooperative Advertising

If your Penn Station Restaurant is located within an area in which there is or is formed an advertising cooperative, then you must participate in the advertising cooperative established for that area and pay your required contribution directly to the cooperative. See Item 11 below for more details regarding advertising cooperatives. Cooperative advertising contributions that you make in accordance with advertising cooperative rules count toward the 2% Local Advertising obligation referenced above in Note 2.

Currently, there are three formally organized advertising cooperatives, one for each of the following areas: Greater Cincinnati, Ohio; Greater St. Louis, Missouri – western Illinois; and

Greater Indianapolis, Indiana. The current rules of the Cincinnati cooperative require that each cooperative member pay 1.0% of the member's monthly Net sales to the cooperative's advertising fund, the St. Louis cooperative's current rules require a payment of 2.0% of Net sales, and the Indianapolis cooperative currently requires each member pay 2.50% of Net sales, which fees, to our knowledge, are all uniformly imposed. There are also three informal, voluntary advertising cooperatives: one for the Greater Dayton, Ohio area, one for the Greater Louisville, Kentucky area, and one for the Ft. Wayne, Indiana area. These cooperatives do not operate pursuant to any written rules; however, each of the Dayton and Ft. Wayne members has agreed to contribute 1.0% and 2.0%, respectively, of the member's monthly Net sales to the cooperative's advertising fund, and each of the Louisville members has agreed to contribute money to pay expenses as they are incurred. We have the right to consent to or disapprove the amount of the fee set by the cooperatives. You will not be required by us or by the cooperative to make contributions to the advertising cooperative of which you are a member which exceed more than 4% of your total Net sales during each calendar year from all of your Restaurants which are included in the advertising cooperative.

We will, if we own any company-owned Restaurants in your geographic area, be a member of the cooperative to the same extent as you. As of the date of this disclosure document, all advertising cooperatives operate on the basis of one vote for each Penn Station franchise included within the cooperative. We do not have controlling voting power in any advertising cooperative.”

2. Item 8 of the disclosure document, after the subheading “Additional Loyalty, Guest Engagement, and Communication Software Programs” and before the subheading “Accounting Services” is hereby modified to add a paragraph to read in its entirety as follows:

You will not be required by us to make expenditures for promotional programs and coupon programs developed by us or for in-store displays and in-store advertising we require, together with the Loyalty Program and Penn Station Electronic Media Program(s), which exceed, in total for all promotional/coupon programs, in-store displays/advertising, the Loyalty Program, and Penn Station Electronic Media Program(s), more than 4% of your total Net sales during each calendar year from all of your Restaurants. We may specify in our Operating Manual certain types of costs that do not count against the 4% amount.

3. Item 17 of the disclosure document is hereby modified as follows:

(a) by substituting the following in place of line item r. in the table regarding the Franchise Agreement:

PROVISION	SECTION IN FRANCHISE AGREEMENT	SUMMARY
r. Non-competition covenants after the franchise is terminated or expires	Section 15.4	No involvement (including after transfer) for 2 years in any business selling Philadelphia-style cheesesteak sandwiches or submarine sandwiches (in any combination) within the restricted territory designated in each of your franchise agreements.

(b) by substituting the following in place of the last two items in the table regarding the Franchise Agreement:

PROVISION	SECTION IN FRANCHISE AGREEMENT	SUMMARY
v. Choice of forum	None	
w. Choice of law	Section 24.1	Ohio law applies. Indiana laws of mandatory application also apply.

- (c) by substituting the following in place of the last two items in the table regarding the Single-Unit Development Agreement:

PROVISION	SECTION IN SINGLE-UNIT DEVELOPMENT AGREEMENT	SUMMARY
v. Choice of forum	None	
w. Choice of law	Section 18	Ohio law applies. Indiana laws of mandatory application also apply.

- (d) by substituting the following in place of the last two items in the table regarding the Multi-Unit Agreement:

PROVISION	SECTION IN MULTI-UNIT AGREEMENT	SUMMARY
v. Choice of forum	None	
w. Choice of law	Section 18	Ohio law applies. Indiana laws of mandatory application also apply.

and by adding the following paragraph to the end thereof:

“The above is a summary of the applicable provisions in your Franchise Agreement, Single-Unit Development Agreement and Multi-Unit Agreement. Note: The Indiana Disclosure Law, IC 23-2-2.5 *et seq.*, and the Indiana Deceptive Franchise Practices Law, IC 23-2-2.7-1 *et seq.*, and court decisions from Indiana courts may supersede your Franchise Agreement, Single-Unit Development Agreement and Multi-Unit Agreement in your relationship with us, including the areas of termination and renewal of your Penn Station franchise and may limit our ability to restrict your activity after your Franchise Agreement has ended. With respect to item c. of the Franchise Agreement table set forth above, you are not required to release any claims against Penn Station arising under The Indiana Disclosure Law, IC 23-2-2.5 *et seq.*, or the Indiana Deceptive Franchise Practices Law, IC 23-2-2.7-1 *et seq.*”.

5. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

“However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.”

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

7. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

8. Franchisee Questionnaires and Acknowledgments--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or

other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 *et seq.*), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the other payment of any consideration that relates to the franchise relationship.

FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF WASHINGTON

1. Item 7 of the disclosure document is hereby modified by substituting the following in place of Note 6:

“(6) This additional amount estimates initial cash startup expenses and your ordinary recurring cash business expenses per Restaurant opened for a three-month period in addition to the other expense items listed in this Item 7. This additional amount is an approximate sum that is based on (a) information supplied to us from our franchisees who opened Restaurants during calendar years 2021 to 2023 and (b) our business judgment that having at least \$10,000 of additional, contingency capital is prudent when opening a new Restaurant. Of those franchisees who opened new Restaurants during calendar years 2021 to 2023, approximately 13.04% of those franchisees reported to us additional cash requirements above the available cash flow from their operations over that entire three-month period. Of those franchisees, the average additional funds needed during that three-month period were approximately \$13,783. These additional initial cash startup expenses could include, for example, pre-opening payroll costs (except for owners and operators), recruiting fees for employees, advertising, pre-opening utilities, accounting, and ordinary costs of doing business during the three-month period (including royalties paid to us). These additional initial cash startup expenses do not include any compensation, benefits, or distributions to the owners or operators of the Restaurant. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business. Your costs (and therefore your cash reserve requirements) will depend on factors such as: how closely you follow our methods and procedures; the local market for Penn Station Restaurant products, including the location of your Restaurant; the length of time between the date you begin incurring costs (including the hiring of your General Manager and Operations Director, if applicable) and the date you open your Restaurant for business; whether the Managing Owner operates the first Restaurant in lieu of hiring a General Manager; whether you are opening a Restaurant in a market where there were previously no Penn Station Restaurants; and the sales level reached during and after the first three months of operation. *See* Item 19 below. You should prepare a business plan, after consulting with your accountant and other franchisees in similar markets, that considers long-term and short-term cash needs and reserve requirements.”

2. Item 17 of the disclosure document is hereby modified as follows:

(a) by substituting the following in place of item d. of the chart regarding the Franchise Agreement:

PROVISION	SECTION IN FRANCHISE AGREEMENT	SUMMARY
d. Termination by franchisee	Sections 1.3.5, 1.4, 13.5	If we default, you can terminate if we have not cured the default within 60 days after receiving notice unless cure takes longer than 60 days. You can terminate if you cannot lease your initial site within 60 days after the required date in the Franchise Agreement. You also have certain termination rights if certain events happen that give you the right

		to relocate under your Franchise Agreement. The provisions regarding termination by you are subject to Washington law.
--	--	--

(b) by substituting the following in place of item d. of the chart regarding the Single-Unit Development Agreement:

PROVISION	SECTION IN SINGLE-UNIT DEVELOPMENT AGREEMENT	SUMMARY
d. Termination by franchisee	Not applicable	You may terminate under any grounds permitted by Washington law.

(c) by substituting the following in place of item d. of the chart regarding the Multi-Unit Agreement:

PROVISION	SECTION IN MULTI-UNIT AGREEMENT	SUMMARY
d. Termination by franchisee	Not applicable	You may terminate under any grounds permitted by Washington law.

(d) by adding the following language to the end thereof:

“In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the Franchise Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation.

In addition, if litigation is not precluded by the Franchise Agreement, you may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by you shall not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect Penn Station's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including your employees, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against any independent contractor you may have under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits Penn Station from restricting, restraining, or prohibiting you from (i) soliciting or hiring any employee of another Penn Station franchisee or (ii) soliciting or hiring any employee of Penn Station. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.”

3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Re: Single Unit Development

Dear _____:

1. The purpose of this agreement (this "Agreement") is to confirm our understanding of your plans for the development of one (1) new Penn Station® Restaurant (a "Restaurant") in the Development Territory (as defined below) and to describe your rights and obligations with respect to that development. Penn Station, Inc. ("Penn Station") hereby grants to _____, a _____ company ("you") the right, and you undertake the obligation, to lease, construct, equip, open and operate one (1) new Restaurant within the territory described in Exhibit A ("Development Territory") at a site you propose and consented to by Penn Station, by the Development Schedule Deadline, and the other terms and conditions of this Agreement. The "Development Schedule Deadline" means, for purposes of this Agreement, [_____, 20__], which is the date by when the Restaurant must be open or under construction as defined in this Agreement. Any Restaurant developed or to be developed by you outside of the Development Territory, will not be considered in the determination of your compliance with the Development Schedule Deadline.

2. You will pay to Penn Station an initial fee for the rights obtained under the terms of this Agreement equal to \$3,500 (the "Territory Fee"). The Territory Fee is fully earned and is due on the signing of this Agreement by Penn Station and is not refundable under any and all circumstances, including, without limitation, any termination of this Agreement because you are in default of the Development Schedule Deadline. The Territory Fee is in addition to, and will not be applied against, any portion of the initial franchise fee due under the Unit Franchise Agreement (as defined below) for the Restaurant developed by you under this Agreement.

3. The Restaurant to be developed in accordance with this Agreement will be established and operated pursuant to a separate franchise agreement to be entered into between you or your Affiliated Company (as defined below), on the one hand, and Penn Station on the other. The form and substance of the franchise agreement ("Unit Franchise Agreement") executed will be Penn Station's then-current franchise agreement being executed by other single unit franchisees at that time. You acknowledge and agree that the Unit Franchise Agreement signed by the Applicable Franchisee Party (as defined below) and Penn Station for the Restaurant may contain terms and conditions different than those provided for in any other Unit Franchise Agreements signed by any Applicable Franchisee Party and Penn Station at

other times. You may elect, on reasonably sufficient prior notice to Penn Station, to have an Affiliated Company be the franchisee under the Unit Franchise Agreement for the Restaurant opened by you in the Development Territory by the Development Schedule Deadline so long as you and each of your Affiliated Companies comply with Penn Station's Operations Director requirements, as all of the Restaurants (wherever located) operated by you and your Affiliated Companies will be aggregated for purposes of those requirements. An "Affiliated Company" means a corporation or limited liability company (either, a "Business Entity") that satisfies, and continues to satisfy, each of the following conditions: (i) it is organized under the laws of the same State under which you are organized, (ii) it is organized for the specific purpose of owning and operating the Restaurant in the Development Territory, and (iii) either (a) you are the Owner (as defined in the Unit Franchise Agreement for the Restaurant in the Development Territory being entered into with the applicable Business Entity (the "Applicable UFA")) of 100% of the Ownership Interests (as defined in the Applicable UFA) of that Business Entity or (b) your shareholders (if you are a corporation) or, as applicable, your members (if you are a limited liability company), who are the then current shareholders or, as applicable, members of you as of the date of the Applicable UFA, own 100% of the Ownership Interests (as defined in the Applicable UFA) of that Business Entity in the same percentage of individual ownership that those then current shareholders or, as applicable, members of you have in you. An "Applicable Franchisee Party" means individually and collectively you and any and each Affiliated Company. To the extent a term or provision of this Agreement is applicable to an "Applicable Franchisee Party", it is applicable to each and every Applicable Franchisee Party unless the context expressly indicates otherwise.

4. Provided (i) each Applicable Franchisee Party is in full compliance with the Development Schedule Deadline and the other terms of this Agreement and with all Unit Franchise Agreements between Penn Station and each Applicable Franchisee Party and (ii) all other agreements with Penn Station or its affiliates or advertising co-ops and this Agreement are in full force and effect, Penn Station will not, prior to the Termination Date (as defined in Section 8), establish, franchise or license another to establish, a Restaurant within the Development Territory. Penn Station has and retains the rights, however, among others, to:

(a) Grant other franchises for and licenses of its Marks and Copyrighted Materials in addition to those franchises and licenses already granted. For purposes of this Agreement, (i) "Marks" means all of Penn Station's trade names, service marks, trademarks and trade symbols, emblems, signs, slogans, trade dress, logos, colors, and insignias as Penn Station has adopted and designated for use in connection with the System and as Penn Station may hereafter acquire or develop and designate for use in connection with the System; (ii) "Copyrighted Materials" is defined to include all material, including, without limitation, all artwork and designs created by Penn Station or any other Person (as defined in Section 11) retained or employed by Penn Station and used with the Marks or in the operation of a Restaurant; and (iii) "System" means the business system developed by Penn Station for operating a restaurant featuring Philadelphia-style cheesesteaks and submarine sandwiches, as in effect from time to time;

(b) Use the Marks and Copyrighted Materials in connection with the sale of products and services by Penn Station in any context or channel of distribution; *however*, nothing in this Section 4(b) may be construed to allow Penn Station to establish itself, to franchise or license another to establish, a restaurant concept (whether under the Marks, marks similar to the Marks, or other marks) featuring as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches, within the Development Territory so long as this Agreement is in full force and effect and the Termination Date has not occurred; and

(c) Develop, establish, and operate other, new systems ("Other Systems") under marks, other than the Marks, and to grant licenses and franchises of, these Other Systems anywhere within the Development Territory without providing any Applicable Franchisee Party any rights to these Other Systems; *however*, nothing in this Section 4(c) may be construed to allow Penn Station to establish itself, to franchise or license another to establish, a restaurant concept (whether under the Marks, marks similar to the Marks, or other marks) featuring as the primary menu items, Philadelphia-style cheesesteaks and submarine sandwiches, within the Development Territory so long as this Agreement is in full force and effect and the Termination Date has not occurred.

5. Each Applicable Franchisee Party's right to commence construction of a new Restaurant pursuant to this Agreement is subject to each Applicable Franchisee Party's compliance, and you will not be "under construction" for

purposes of this Agreement unless the Applicable Franchisee Party complies, with each of the following conditions (“Under Construction Conditions”):

(a) The proposed site for the Restaurant must be formally presented to Penn Station on its then-current Site Analysis form and the lease must be formally presented to Penn Station on its then-current Lease Checklist form for Penn Station’s prior written consent before any obligation is assumed by any Applicable Franchisee Party with respect to the site. Penn Station will review the site proposed by you, and Penn Station will determine if the proposed site is acceptable to Penn Station in its sole judgment. If the site is unacceptable to Penn Station, you must locate another site by the Development Schedule Deadline that is acceptable to Penn Station. Penn Station will provide you written notice of its consent or disapproval, as the case may be, of the proposed site within 30 days after receiving your written proposal. Penn Station will not be treated as giving its consent of any site simply by failing to respond to you within 30 days after receiving your written proposal for a site. Neither any Applicable Franchisee Party nor its owners may directly or indirectly own the site unless (i) Penn Station has determined that the proposed rental rate under the proposed lease is a market rate, and the proposed lease, which is in writing, is otherwise on market terms and conditions; (ii) Penn Station has determined that your development capital (including, without limitation, any portion used by one or more owners to own the premises) is adequate to complete your obligations under this Agreement; and (iii) the term of the proposed lease is coterminous with the applicable Unit Franchise Agreement. Notwithstanding Penn Station’s exercise of its right to consent to any site selected by you, Penn Station does not assume and will not be deemed to have assumed any responsibility or liability to any Applicable Franchisee Party for exercising this right. Penn Station makes no representations, warranties or guaranties, express or implied, as to (A) the potential volume, profits, returns, or success of the Restaurant at any location consented to by Penn Station under this Agreement or (B) the accuracy, validity, or reliability of any information provided by any third-party demographic or site selection services firm from whom Penn Station may provide any Applicable Franchisee Party information;

(b) Penn Station has determined, in advance, that the Performance Evaluations of any existing Restaurants owned or operated by any and each Applicable Franchisee Party are acceptable to Penn Station, which evaluations have been conducted after the date of this Agreement and at and/or prior to the Development Schedule Deadline; and

(c) If Penn Station consents to your proposed site, then the Applicable Franchisee Party must (i) sign a lease for the site in accordance with the terms, and subject to the conditions, of Section 1.3.1 of the Unit Franchise Agreement, including, without limitation, Penn Station’s then current Lease Addendum form and (ii) within 30 days after execution of the lease, sign the then current Unit Franchise Agreement (subject to Section 3), return it to Penn Station and pay to Penn Station all required fees under the Unit Franchise Agreement in respect of the applicable Restaurant before any Applicable Franchisee Party may order location-specific drawings and construction documents for the proposed site.

If you do not satisfy any of the Under Construction Conditions, Penn Station will be under no obligation to execute a Unit Franchise Agreement for a new Restaurant. The preparation of plans, the putting out of the construction for bid, the beginning of construction of a new Restaurant and a lease for the site cannot occur until a Unit Franchise Agreement is executed by Penn Station and an Applicable Franchisee Party for that Restaurant.

6. Notwithstanding anything to the contrary in this Agreement, if the Applicable Franchisee Parties do not have open or under construction the Restaurant strictly in accordance with the Development Schedule Deadline, even if the reason why the Restaurant is not open or under construction is your inability to satisfy any of the Under Construction Conditions, Penn Station may, among other rights and remedies, (a) terminate your rights to develop the new Restaurant for which no Unit Franchise Agreement has been executed by Penn Station under this Agreement, effective immediately on Penn Station’s transmittal of a notice of termination to you or (b) establish, or franchise or license another Person to establish, Restaurants within the Development Territory. Time is of the essence with respect to your obligations under this Agreement. Further, if, at any time, any Applicable Franchisee Party is in default under any Unit Franchise Agreement or any other agreement executed by any Applicable Franchisee Party on the one hand and Penn Station or its affiliates or advertising co-ops on the other, Penn Station may terminate the rights to develop a new Restaurant granted under this Agreement.

7. The rights granted to you in this Agreement represent a special opportunity provided to you, separate from those afforded by any Unit Franchise Agreements executed or to be executed by Penn Station and are based upon your restaurant operations and development experience with Penn Station or otherwise. Therefore, the rights granted to you in this Agreement may not be assigned, and on any attempted assignment or other transfer of this Agreement by you, this Agreement will automatically terminate and be of no further force or effect.

8. The right to develop the Restaurant in the Development Territory pursuant to this Agreement and all of your other rights, interests and benefits under, or arising out of, this Agreement will terminate on the earliest to occur ("Termination Date") of the following (a) the Development Schedule Deadline, (b) the date that the Restaurant for which you have the right to develop pursuant to this Agreement is opened for business, as determined by Penn Station, or (c) the date your rights under this Agreement are terminated by Penn Station in writing because of any Applicable Franchisee Party's default under this Agreement, under any Unit Franchise Agreement or other agreement between any Applicable Franchisee Party on the one hand and Penn Station or any Penn Station affiliate or advertising co-op on the other or because of a transfer of any of any Applicable Franchisee Party's Unit Franchise Agreements in the Development Territory. This Agreement may not be renewed. On the Termination Date, this Agreement and all rights to develop and open the Restaurant will automatically terminate without any further notice or act of Penn Station or any Applicable Franchisee Party.

9. This Agreement includes only the right to select a proposed site for the construction of the Restaurant and to submit the proposed site to Penn Station for its review and consideration in accordance with the terms of this Agreement. This Agreement does not include the grant of a license by Penn Station to any Applicable Franchisee Party of any right to use the Marks, the Copyrighted Materials or the System, a grant of a Penn Station franchise, or the right to open or operate any Restaurants within the Development Territory. Assuming the Applicable Franchisee Party strictly complies with the terms of this Agreement and the Unit Franchise Agreement, the Applicable Franchisee Party will obtain that right for one (1) Restaurant only after the Unit Franchise Agreement has been signed by Penn Station and that Applicable Franchisee Party for that Restaurant and only in accordance with the terms of that Unit Franchise Agreement.

10. Unless Penn Station has otherwise agreed in writing, the Unit Franchise Agreement executed pursuant to this Agreement must be executed by an Applicable Franchisee Party.

11. Penn Station will have the right to transfer or assign all or any part of its rights and/or delegate all or any part of its obligations under this Agreement or under any other agreement between Penn Station and any and each Applicable Franchisee Party to any natural person, legal entity, trust, association or authority (a "Person"); *however*, as a condition of any total assignment by Penn Station of its rights and total delegation of its obligations, the Person to whom Penn Station assigns its interests will assume Penn Station's obligations under this Agreement arising on and after the effective date of the assignment. Each Applicable Franchisee Party will sign any forms Penn Station may reasonably request to effectuate any assignment by Penn Station.

12. You acknowledge that neither Penn Station nor anyone on behalf of Penn Station has made any representations, warranties, inducements, promises or agreements, orally or otherwise, respecting the subject matter of this Agreement which have been relied on by any Applicable Franchisee Party and are not embodied in this Agreement (except as may have been made in the disclosure document given to an Applicable Franchisee Party), and that there are no other representations which induced you to sign this Agreement. This Agreement (and the exhibits referred to in this Agreement): (a) will supersede any and all understandings, negotiations and agreements, either oral or in writing, between Penn Station and each Applicable Franchisee Party, which occurred or existed before or on the date of this Agreement with respect to the subject matter of this Agreement and (b) contain all of the covenants, warranties and agreements between Penn Station and each Applicable Franchisee Party with respect to the subject matter of this Agreement. Notwithstanding anything to the contrary in this Section 12, this Agreement will not in any way supersede, merge, limit or abrogate, or be construed in any way to supersede, merge, limit or abrogate, any Unit Franchise Agreement between any or each Applicable Franchisee Party on the one hand and Penn Station on the other, including, without limitation, any of any Applicable Franchisee Party's or its owners' agreements, duties or obligations thereunder. Any amendment or modification of this Agreement is invalid unless made in writing and signed by Penn Station and you.

13. As a result of the rights being granted to you under this Agreement, certain Penn Station information may be disclosed to any one or more Applicable Franchisee Party pertaining to, among others, Penn Station's operating manual, business system, and other information, knowledge and know-how pertaining to a Restaurant, including, without limitation, Penn Station's recipes, store operational methods, techniques, cost containment programs, marketing and developmental plans, strategies, and research prepared or obtained by, or for the benefit of, Penn Station, its franchisees, and/or any Penn Station restaurants (collectively, "Confidential Information"). Confidential Information, however, will not include information which you can demonstrate has become part of the public domain by proper and lawful means through publication and communication by others at the time of disclosure to you, or, after the time of disclosure to you, has become a part of the public domain by proper and lawful means through publication or communication by Persons (other than any Applicable Franchisee Party or its owners, officers, representatives or agents) who have been authorized by Penn Station to make the publication and disclosure. Neither any Applicable Franchisee Party nor any of its owners shall, at any time during or following termination or expiration of this Agreement, communicate, divulge or use to any Applicable Franchisee Party's benefit or for the benefit of any Person any Confidential Information that has been obtained by, or disclosed to, any Applicable Franchisee Party or which any Applicable Franchisee Party may be apprised by virtue of the exercise of your rights under this Agreement.

14. Penn Station assumes no liability or obligation to any Applicable Franchisee Party by providing any waiver, approval, consent or suggestion to any Applicable Franchisee Party in connection with this Agreement, or by reason of any neglect, delay or denial of any request for any waiver, approval, consent or suggestion.

15. You will indemnify and hold harmless Penn Station (and its owners, directors (or managers), officers, employees, and agents), in each case, from any and all claims, demands, obligations, damages, losses, and liabilities (including, without limitation, all costs, expenses and attorneys' fees) (a "Claim") arising out of or in connection with: (a) any of any Applicable Franchisee Party's (or any of its owners or officers') acts or omissions in exercising any of the rights or interests granted to you under this Agreement or (b) any breach or default by any Applicable Franchisee Party (or any of its officers or owners) in the performance of any of your or their respective agreements or obligations under this Agreement except to the extent a Claim is based solely on the gross negligence or willful misconduct of Penn Station. Under no circumstances will (i) any Applicable Franchisee Party settle any Claim without Penn Station's consent or (ii) Penn Station be required or obligated to seek recovery from third parties or otherwise mitigate its losses to maintain a claim for indemnification against you. Your obligation to indemnify Penn Station as provided in this Section 15 is in addition to each Applicable Franchisee Party's obligations (A) to provide insurance under any Unit Franchise Agreement to which any Applicable Franchisee Party is a party and (B) to indemnify Penn Station under any Unit Franchise Agreement to which any Applicable Franchisee Party is a party.

16. As a specifically bargained inducement for Penn Station to sign this Agreement and to grant the rights granted by it under this Agreement, if this Agreement expires or is terminated and you are not, at that time, a party to a Unit Franchise Agreement for any Restaurant, then for a period of two (2) years after the date this Agreement expired or was terminated, none of you or any of your owners, directors (or managers) or officers will either directly or indirectly, for itself, themselves, herself or himself, or through, on behalf of, or in conjunction with, any Person or Persons, own, operate, maintain, manage, be employed by, engage in, consult with, or have any interest (whether as an owner, shareholder, officer, director (or manager), partner, member, employee, joint venturer, beneficiary, independent contractor, agent, or having any other interest) in, any business or enterprise which offers for sale Philadelphia-style cheesesteak sandwiches or submarine sandwiches, or both (in any combination), within the Development Territory as in effect on the date of this Agreement (regardless of whether this Agreement has expired or has been terminated).

17. Section 16 will be construed as independent of any other provisions of this Agreement. If all or a portion of Section 16 is held unreasonable or unenforceable by a court or governmental agency having valid jurisdiction in an order that becomes final and unappealed to which Penn Station is a party, then each of you and your owners, directors (or managers) and officers expressly agree to be bound by any lesser covenant subsumed within the terms of the invalidated provision to the maximum extent permitted by law as if the resulting covenant were originally and separately stated in, and made a part of, Section 16.

18¹⁴. This Agreement, which takes effect when it is signed by Penn Station in Ohio, will be interpreted and construed under the internal laws of Ohio (without regard to Ohio conflicts of laws principles).

19¹⁵. As a specifically bargained inducement for Penn Station to sign this Agreement and to grant the rights granted by it under this Agreement, you and Penn Station each agree that any action, suit or proceeding in respect of or arising out of this Agreement, its validity or performance, will be initiated and prosecuted as to both parties and their successors and assigns exclusively in any court situated at Cincinnati, Ohio. Penn Station and you each consent to and submit to the exercise of jurisdiction over its person by any court situated at Cincinnati, Ohio having jurisdiction over the subject matter and consent that all service of process be made by certified mail directed to you and Penn Station at their respective addresses set forth in this Agreement or as otherwise provided under the laws of the State of Ohio. You waive any objection based on forum *non conveniens*, and any objection to venue of any action instituted under this Agreement, and you consent to the granting of such legal or equitable relief as is deemed appropriate by the court.

20. As a specifically bargained inducement for Penn Station to sign this Agreement and to grant the rights granted by it under this Agreement, YOU AND PENN STATION EACH WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN YOU AND PENN STATION OR THE CONDUCT OF THE RELATIONSHIP BETWEEN PENN STATION AND YOU.

21. This Agreement may be signed by electronic signatures (including, without limitation, deliveries by facsimile, emailed portable document format or any other electronic means that reproduces an image of an actual executed signature page or the DocuSign platform) of an executed counterpart of a signature page to this Agreement), and if so signed, (a) may be relied on by each party as if the document were a manually signed original and (b) will be binding on each party for all purposes. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same agreement after all of the parties to this Agreement have executed and delivered this Agreement. Any signature page of this Agreement may be detached from any counterpart of this Agreement without impairing the legal effect of any signatures thereon and may be attached to another counterpart of this Agreement identical in form hereto but having attached to it one or more additional signature pages. Without notice to or the consent of you or any other party to this Agreement, Penn Station may (i) create electronic images of this Agreement and/or any other document related to or arising from this Agreement and (ii) in such event, and as to both unexecuted and executed versions of the foregoing, destroy paper originals and/or paper copies of any and each of such imaged documents, cease maintaining a paper-based recordkeeping system in whole or in part as to such documents, and, instead, maintain one or more electronic recordkeeping systems as to such documents. Such imaged documents shall have the same legal force and effect as paper originals or paper copies and are enforceable for all purposes against you, each of your owners and any and all other parties to or bound by this Agreement.

22. No Affiliated Company is a party to, shall be a direct or indirect beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement.

23. If you agree to the terms set out in this Agreement, please execute the enclosed copy and return it to my attention. Please do not execute this Agreement until the expiration of the later of (i) fourteen (14) calendar days after your receipt of Penn Station's current franchise disclosure document and (ii) seven (7) calendar days after your receipt of this Agreement from Penn Station. On receipt and signing by Penn Station, this Agreement will be a legally binding agreement.

REV. 03/31/2024

ADDENDUM TO SINGLE-UNIT DEVELOPMENT AGREEMENT

This Addendum to the Single-Unit Development Agreement (this “Addendum”) is attached to and made a part of the Single-Unit Development Agreement dated _____, 20__ (the “Single-Unit Development Agreement”), by and between Penn Station, Inc. (“Penn Station”) and _____, a _____ the principal place of business of which is located at _____ (“You”), dated as of _____, for the purpose of modifying and amending the terms of the Single-Unit Development Agreement. For such purpose, Penn Station and You agree as follows:

1. All capitalized terms herein which are not separately defined herein shall have the meanings ascribed to such terms in the Single-Unit Development Agreement.
2. In the event of a conflict between the terms of the Single-Unit Development Agreement and the terms of this Addendum, the terms of this Addendum shall control.
3. Except as specifically amended by this Addendum, all terms of the Single-Unit Development Agreement are ratified and confirmed and remain in full force and effect. The Single-Unit Development Agreement, as amended by this Addendum, will be construed as one agreement.
4. Section 12 of the Single-Unit Development Agreement is hereby amended by the deletion of the first sentence in that Section.
5. The Single-Unit Development Agreement is hereby modified by adding the following new Section to the end thereof:

“23. Washington Disclosures and Modifications. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail. RCW 19.100.180 may supersede the Franchise Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with Penn Station including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, you may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by you may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect Penn Station’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including your employees, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against any independent contractor you may have under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in this Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits Penn Station from restricting, restraining, or prohibiting you from (i) soliciting or hiring any employee of another Penn Station franchisee or (ii) soliciting or hiring any employee of Penn Station. As a result, any such provisions contained in this Agreement or elsewhere are void and unenforceable in Washington.”

6. This Addendum, together with the Single-Unit Development Agreement to which it is attached, contains the entire agreement between you and Penn Station with respect to the subject matter thereof. No amendment may be made nor shall any amendment be valid except in a written agreement signed by both you and Penn Station.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee or licensee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. By signing below, you acknowledge receipt of, and agreement to, this Addendum.
