What You Need to Know about Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier Restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating Restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord and other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register or file before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Florida. Out-of-state arbitration and litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate or litigate with the franchisor in Florida than in your own state.
2. **Turnover Rate.** During the last 3 years, a large number of franchised outlets (22) were terminated, not renewed, re-acquired, or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Next Step Franchising, LLC, the franchisor of the Lapels® franchise, is referred to in this disclosure document as “we,” “us,” “our,” or “Next Step” as the context requires. A franchisee is referred to in this disclosure document as “you”, the legal entity [includes a corporation, partnership, LLC or other legal entity (collectively "legal entity") and their owners, officers and directors], and “your” as the context requires, who is buying the franchise.

We are a limited liability company formed under Delaware law on March 9, 2018. Our principal business address is 711 5th Avenue South, Suite 210, Naples, Florida, 34102. We do business under our company name, “Lapels” and its associated design (the “Marks”). We do not own or operate any businesses of the type you will be operating. We only offer franchises which operate under the “Lapels” Marks. We have not offered franchises in any other line of business or conduct other business activities. We began offering franchises in March 2018.

The principal business addresses of our agents for service of process are shown on Exhibit D.

We have a predecessor company, Next Step Franchising, Inc., a Massachusetts corporation with a principal address of 711 5th Avenue South, Suite 210, Naples, Florida, 34102. Next Step Franchising, Inc. offered Lapels franchises from September 2000 to March 2018. On March 28, 2018, we acquired substantially all of the assets of Next Step Franchising, Inc., including all existing franchise agreements. Next Step Franchising, Inc. has owned and operated 1 Lapels Dry Cleaning Plant and 1 Lapels Satellite Store in Fleming Island, Florida, since October, 2018.

Our parent company and sole member is Clean Franchise Brands, LLC (“Clean Franchise Brands”), a Delaware limited liability company, with a principal place of business at 711 5th Avenue South, Suite 210, Naples, Florida, 34102.

Clean Franchise Brands is also the sole member of Martinizing International, LLC (“Martinizing”), a Delaware limited liability company, with a principal place of business at 711 5th Avenue South, Suite 210, Naples, Florida, 34102. Martinizing is our affiliate and is the franchisor of the Martinizing Dry Cleaning franchise system, a drycleaning concept that has offered or is the franchisor for franchises using the trademarks “Martinizing”, “Pressed4Time”, “1800DryClean” and “Dry Cleaning Station.” Martinizing has offered franchises since April 2021, and has 138 Martinizing franchises, 29 Pressed4Time franchises, 39 1800DryClean franchises, and 2 Dry Cleaning Station franchises in its system as of December 31, 2022.

We have a second affiliate company, GreenEarth Cleaning, LLC, a Delaware limited liability company with a principal business address of 711 5th Avenue South, Suite 210, Naples, Florida 34102. GreenEarth Cleaning, LLC, is a supplier of environmentally-friendly, non-toxic cleaning solvents to our franchisees. GreenEarth Cleaning, LLC, has not offered franchises in any line of business previously.

We offer 4 models of dry cleaning and laundry service businesses using the Lapels Marks (each a “Lapels Business”):

(1) A Lapels® Environmentally-Friendly Dry Cleaning Plant (a “Plant”) is a full-service retail store at which all dry cleaning processing takes place on the premises. The cleaning is done in an environmentally friendly way in which Perchloroethylene is not used in any manner.

(2) A Lapels® Satellite Store business (a “Satellite Store”) is a pick-up and drop-off dry cleaning store where no processing is done on premises. All processing work is done by Lapels® approved wholesalers who process the clothing at a separate location.

(3) A Lapels® Pick Up and Delivery Model business (“Lapels Delivers”) is a pick-up and drop-off dry cleaning business where there is no storefront and the business is operated primarily from a delivery van. All processing work is done by Lapels® approved wholesalers who process the clothing at a separate location.

(4) A Lapels® Laundromat business (a “Laundromat”) offers coin-operated washers and dryers, full service laundry and dry cleaning services. Any processing of dry cleaning is done by Lapels® approved wholesalers who process the clothing at a separate location.

You can purchase any Lapels Business model described in this Item. Each of these Lapels Businesses offer a full range of services including dry cleaning and laundry service, and which may also include tailoring, shoe repair, wedding gown heir-looming, fur storage, suede and leather processing and other ancillary services.

For all but Lapels Delivers, you will operate your Lapels Business from a fixed location that we approve in a defined geographical area (the “Territory”).

The market for your Lapels Business consists of the general public who seek professional dry cleaning and laundry and related services. The market for professional dry cleaning and laundry services is well-developed and highly competitive. You will compete with businesses, including national, regional and local businesses, offering products and services similar to those offered by your Lapels Business. There are other dry cleaning and laundry franchises, as well as independent businesses throughout the United States that may offer similar products and services to those offered by your Lapels Business. The demand for the products and services offered by your Lapels Business may be affected by seasonality, climate and the demographic characteristics of the area in which the store is located. Summer and winter seasons tend to be lower in demand than fall and spring but, depending on the climate of the area, the degree to which this has an affect varies in different areas of the country. The demand for the products and services offered by your Lapels Business may also be affected by economic conditions.

At all times during the operation of your Lapels Business, you must comply with present and future mandates of the U.S. Environmental Protection Agency and Occupational Safety and Health Administration, and other federal, state and local regulatory agencies. You may need to purchase parts, accessories or other items, obtain local, state, and federal environmental permits or take other actions to comply with these laws.

For Plant locations, there are specific state and town/city building codes and regulations governing the operation of dry cleaning. For example, the Commonwealth of Pennsylvania requires that boiler rooms have exterior doors. Laws and regulations applying to boiler permits, fire prevention, hazardous waste disposal and the like vary from state to state and sometimes from locality to locality within a state. Also, state regulations are often stricter than the federal regulations in some respects. State and local inspectors also may interpret and enforce ADA

(Americans with Disabilities Act) requirements for plant design differently. For instance, local requirements for aisle width and height may vary. There may be other laws applicable to your business and we urge you to make inquiries about these laws.

Notes:

- (1) Please see Item 5 for discounts to the Initial Franchise Fee.
- (2) Expenses you may incur during training include travel, lodging and living expenses for the duration of training as needed and depending upon where you are located. At this time our training facilities are located in Waltham, West Roxbury and Wellesley, Massachusetts; Fort Mill, South Carolina; and Gilbert, Arizona. These fees are paid to third parties at the time of reservations or travel. Certain travel expenditures may be refundable at the discretion of the provider.

- (3) If you do not own adequate space, you must lease space for your store. Plants and Satellite Stores are typically located in retail centers or shopping plazas but may be free standing as well. Store sizes will vary from market to market but typically Plants will range from 1,700 to 2,200 square feet, Satellite Stores will range from 800 to 1,400 square feet, and Laundromats will range from 1,800 to 3,000 square feet. The low investment presumes that you are opening the business in property that you already own. If you will be leasing space, the terms of the lease and your landlord will determine what deposits are required, when they are due, the method of payment that is acceptable, and the circumstances under which a deposit or lease payment is refundable. Generally, certain security and utility deposits are due at the time you sign your lease.
- (4) The low estimate assumes landlord will provide the space ready for occupancy or will provide a tenant improvement allowance to cover the cost of build-out. If you hire contractors to perform leasehold improvements, the contract between you and the contractors will determine under what circumstances such payments are refundable.
- (5a) The Startup Supplies and Equipment Package includes the items listed in Appendix C of the Franchise Agreement and is the standard basic package of supplies and equipment needed to start your business. Items included in the Startup Supplies and Equipment Package may be changed from time to time to reflect changes in the system, procedures and your needs. Equipment installation includes the coordination of delivery and receiving of Lapels® Standard Equipment Package. It also includes the installation of said equipment and the steam and return lines for the equipment. Installation does not include the electrical, plumbing, HVAC or tenant improvements that may be needed in or to the space. The range is for optional pieces that would add larger capacity to the Plant for those owners opening multiple Satellite stores, further detail on these optional pieces is provided in Appendix C of the Franchise Agreement.
- (5b) The Startup Supplies and Equipment Package includes the items listed in Appendix C of the Franchise Agreement and is the standard basic package of supplies and equipment needed to start your business. Items included in the Startup Supplies and Equipment Package may be changed from time to time to reflect changes in the system, procedures and your needs. The range for a Satellite Store accounts for a boutique counter package upgrade of \$2,000. The range for a Laundromat accounts for additional washers (4) and dryers (2) for larger formats.
- (6) There is a \$2,500 license fee that you pay directly to our affiliate, GreenEarth Cleaning, LLC for the license to use the world's only environmentally nonhazardous cleaning solvent. The terms of the licensing agreement with our affiliate will determine under what circumstances this is refundable, once paid.
- (7) The allocation for signage and sign permits in the amount of \$8,000 for a Plant and in the amount of \$5,000 for a Satellite Store or Laundromat is collected at the time you sign your Lease and pay for your Startup Supplies and Equipment Package. Actual costs for signage and permits vary by location. If more than the allowance is required, you will be obligated to reimburse us for the difference. If less than the allowance is required, we will refund the difference to you.
- (8a) We will provide you with initial grand opening marketing materials for your Lapels Business. Such marketing materials include 15,000 direct mail pieces, banners, micro-website, building your social media, such as Facebook pages, and other grassroots marketing that may apply to your market.

- (8b) We will provide you with initial grand opening marketing materials for your Lapels Business. Such marketing materials include 7,500 direct mail pieces, micro-website, building your social media, such as Facebook pages, and other grassroots marketing that may apply to your market.
- (9) This estimates your initial insurance down payment. We require general liability insurance with limits of \$1M per claim or \$2M aggregate per year. Your landlord may require higher liability coverage under the terms of your lease. Your insurance company will determine under what circumstances your payments for insurance are refundable.
- (10) This includes initial staff recruitment expenses, licenses and permits, incorporation fees, and professional fees. These fees are paid by you to third parties as they are incurred by you and are generally not refundable.
- (11) This range estimates your working capital and startup expenses, including payroll costs, which we have estimated based on the experience of our franchisees and on prices set by our suppliers as of the Issuance Date. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. Your payroll costs will largely be affected by your financial position at the time you start the business. Your costs will depend on how closely you follow the Operations Manual and other operating materials provided by us (called "*The Way We Do Things*"), your management skill, experience and business acumen, local economic conditions, the acceptance by local consumers of your services, prevailing wage rates, competition, and the sales levels reached during the initial period.

Please see Item 5 regarding amounts and circumstances under which the Initial Training and Site Support Fee, Startup Supplies and Equipment Package charge, and Grand Opening and First Year Marketing Fee may be refundable. All other fees and payments are non-refundable, unless otherwise stated or permitted by payee.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We have identified various suppliers, distributors and manufacturers of equipment, supplies and services that your Lapels Business must use or provide which meet our standards and requirements. You must purchase all equipment, supplies and services from our designated suppliers and contractors or in accordance with our specifications. We maintain written lists of approved items of equipment, supplies and services (by brand name and/or by standards and specifications) and a list of designated suppliers and contractors for those items. We will update these lists periodically and issue the updated lists to all franchisees.

You must purchase the Start Up Supplies and Equipment Package (described in Items 5 and 7 of this Disclosure Document) from us. We are the only approved supplier of this package. The Start Up Supplies and Equipment Package includes the point-of-sale system ("POS System") you will need to operate your Lapels Business. Currently, the only approved POS software supplier is SPOT, with whom we will be the primary licensee of the software and will sublicense the right to use the software to you.

None of our officers owns an interest in any approved supplier.

Before you open for business, you must purchase and maintain at your sole cost and expense the insurance coverage that we specify. The minimum insurance required is general

liability insurance with limits of \$1,000,000 per claim or \$2,000,000 aggregate per year, or such higher amounts required by your landlord or, if you operate a Lapels Delivers, by your vehicle lessor, or lender.

You may ask us to review and approve new suppliers or products. We have procedures for approving suppliers you recommend, which are further detailed in the Operations Manual. If you would like us to evaluate a new supplier, you will pay us \$200 plus actual expenses for testing such product or supplier. It takes up to 30 days to evaluate new suppliers, and we will notify you of our approval or disapproval after 30 days following our receipt of your recommendation. Approvals may be revoked by us for cause, such as if a supplier we had previously approved changes their method, product quality or some other criterion on which we based our review and approval. We will notify you of such revocations in writing. We evaluate approved suppliers based on price, service, quality, and other commercially reasonable benchmarks; however, our criteria for approving items and suppliers are not otherwise available to you.

We derive revenue from required purchases our franchisees make from us. For the year ending December 31, 2022, our revenue from the sale of equipment and products to franchisees was \$60,387, or 4% of our total revenues of \$1,370,680.

From time to time, we may receive revenue, rebates, discounts or other material consideration from suppliers based on your required purchases of products, supplies or equipment. Any rebates or discounts we receive may be kept by us in our sole discretion. During our fiscal year ending December 31, 2022, no supplier made any payment to us for franchisee-required purchases.

We estimate that your purchase or lease of products, supplies and services from approved suppliers (or those which meet our specifications) will represent approximately 65% of your costs to establish a Plant; 42% of your cost to establish a Satellite Store; 9% of your cost to establish a Lapels Delivers; and 82% of your costs to establish a Laundromat.

We estimate that your purchase or lease of products, supplies and services from approved suppliers (or those which meet our specifications) will represent approximately 5% of your ongoing costs of operation of any Lapels Business.

Currently, there are no purchasing or distribution cooperatives. However, we can require that you make your purchases through a cooperative if one is formed.

Although we do not do so currently, we may in the future negotiate purchase arrangements, including price terms, with designated and approved suppliers on behalf of all franchisees.

We provide no material benefits (such as the grant of additional franchises) based on your use of designated sources; however, failure to use approved items or designated suppliers and contractors may be a default under the Franchise Agreement.

FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Franchisor's Assistance

Except as listed below, we are not required to provide you with any assistance. (FA = franchise agreement).

We will grant you a franchise to be operated from a specific location in a specific territory (from time to time generally referred to herein as the "Store") (FA 1.3.).

Pre-Opening Assistance – Before you open your Store:

Before you open your Store, we will provide you with assistance with the following:

- (1) Provide site selection guidelines for you to select the site for the Store (FA 1.3). The methods we use to assist you in selecting a site for your Lapels Business are an analysis of demographics including household counts, income levels, and LifeMode summary groups with similar consumption and demographic patterns, etc. We also conduct a review of the site plan, traffic patterns, foot traffic count, cost for build-out or renovation, proximity to competition, proximity to major anchor tenants, etc.
- (2) Review the location selected by you for conformity to our site selection guidelines. The site must meet our criteria for demographic characteristics; traffic patterns; parking; character of neighborhood; competition from, proximity to, and nature of other businesses; size; appearance; and other physical and commercial characteristics. Although there is no set time limit for you to identify a site, it is a violation of the Franchise Agreement, and therefore grounds for termination of the Franchise Agreement, for you not to have opened for operations within two hundred forty days (about 8 months) from the date you sign your Agreement. We will provide guidance to ensure you are on track to meet that timeline. If you have demonstrated due diligence and strong efforts to locate a site, but you and we have not yet agreed on a site, the dates for opening may be extended by mutual agreement. Once you have submitted a site to us for approval, we will approve or deny the site within fourteen (14) days of submission to us.
- (3) If you are obtaining your first Lapels Business, provide you with guidance and assistance (either directly or through an independent commercial real estate agent) in submitting a Letter of Intent for the site you select. Such Letter of Intent will include items such as initial and renewal terms, preferred parking, signage criteria, condition of space, ability to construct a 24 hour drop box, exclusivity language, Landlord subordination, Landlords work to space, "fit up" period, delivery date of space and other payment terms. Although we or our agents may provide guidance or assistance to you in your securing a lease for your site, and we may make suggestions as to provisions to be changed or reviewed with your legal

counsel, you must accept full responsibility for the final terms and conditions of the lease for your site.

- (4) Provide a suggested floorplan for your location. For a Plant, such plan would include call area layout, equipment layout, boiler room, electrical load calculations and steam lines. Although not always required, if needed, you will arrange for Architecturally Stamped plans for submission to the town. You will independently contract with general contractor(s), architects and/or engineers to perform leasehold improvements to your location.
- (5) As part of the Start Up Supplies and Equipment Package, provide signage mockups and help you secure town and landlord approval and installation of said signage. Signage allowance is \$5,000 for a Satellite Store or Laundromat and \$8,000 for a Plant location. Once town and landlord ordinances have been determined, we will provide the maximum amount of signage allowed as a mock up, along with additional pricing (if any) for your approval.
- (6) As part of the Start Up Supplies and Equipment Package, order, and arrange for delivery and installation of, your machines, equipment, and supplies, as applicable.
- (7) Provide our proprietary Lapels® “The Way We Do Things” Operations Manual. (FA 3.6). The Manual consists of 79 pages, and the Table of Contents, together with the number of pages devoted to each topic, can be found at Exhibit F attached at the end of this Disclosure Document.
- (8) Provide you with grand opening marketing materials and guidance to promote the opening of your Store. (FA 2.8)
- (9) Provide you with lists of approved suppliers and specifications for, or, in some cases, order directly from the manufacturer on your behalf and at your expense, the inventory, furniture, fixtures, equipment and supplies you will need to acquire before commencing operations (FA 3.7.).

Time to Open

We estimate the length of time between the earlier of the signing of the Franchise Agreement or the first payment for the Lapels® franchise and the start of operations of the Lapels® franchise to be approximately 30-180 days. Factors that may affect this time period include your ability to obtain financing, locating an acceptable site, delayed purchases or installation of furniture, fixtures, equipment, software, etc. The pre-commencement training program and commencement assistance will be conducted at our pre-determined location and at our mutual convenience during this time period. You are required to have the Store open and operating no later than the earlier of 240 days from the date that we sign a Franchise Agreement or 60 days from the date that we approve your final construction plans.

Ongoing Assistance – After you have opened your Store:

- (1) We will send one of our representatives to assist with the Store’s opening (FA 3.1);
- (2) We will advise you regarding the Store’s operation based on your reports or our inspections. We will guide you in our Operations Manual by electronic media, telephone consultation or at our office or your Store;
- (3) We will continue to provide you access to the Operations Manual and our consultation. We may modify the Operations Manual periodically to reflect changes in system standards;
- (4) We or our representative may, at our discretion, visit with you in your Store from time to time to provide you with guidance in operating the franchise. (FA 3.4.);

- (5) We will review for approval advertising material and website content that you wish to you. You may develop advertising materials for your own use, at your own cost. We must approve materials in advance and in writing prior to your using them. In order to protect the integrity of our trademarks and avoid confusion, we require that the only website you use in connection with your Lapels Business is the one we have created for and provided to you to use. You may make modifications to the website provided we approve the content in advance and in writing.
- (6) At your request, we will furnish additional guidance and assistance and, in this case, may charge the *per diem* fees and charges we establish. If you request additional or special training for your employees, all of the expenses that we incur for this training, including *per diem* charges and travel and living expenses for our personnel, will be your responsibility (FA 3.5.). Training will be done either at our offices in Hanover, Massachusetts and one of our local area stores, or in your own store or in your local area if there is an Area Developer or Certified Trainer. You are responsible for paying for your travel and living expenses. The duration, frequency and content of this additional training will vary according to your request for additional training in a certain subject area, but it may range from 1-4 days and may be requested an unlimited number of times per year. Other than training you request, additional training or refresher courses will only be required if we find you are not complying with brand standards or operations, and may charge you the *per diem* fees and charges we establish.
- (7) Provide you with general guidance regarding operating issues (FA 3.3.).
- (8) From time to time, in our discretion, provide you with guidance on pricing. We do not set the price of the goods and services you sell.

Advertising

Regional/National Marketing. You must pay to us a "Brand Development Fee" of two percent (2%) of Gross Revenue, which is paid on a weekly basis. The Brand Development Fees are collected into a Brand Development Fund, which will be used by us for advertising, marketing, and public relations programs and materials that we deem appropriate and at our direction, for the purpose of maximizing national recognition of the Marks and patronage of the Lapels® businesses. It is our intention that the Brand Development Fund shall be used solely for this purpose, and not to solicit for the sale of franchises. We do not have an obligation to spend a specific amount on advertising of the franchise system in your specific area. We have control over the creative concepts and the specific use of the Brand Development Fund contributions, as well as the geographic, market and media placement, and so it is possible that we may spend different amounts in your market than we do in other markets, or make no expenditures during a given time period, on marketing specifically targeted within your area or territory. Media sources include internet, social media and print advertising. The Brand Development Fund is not audited, but unaudited financial statements of the Fund are available for review by a franchisee, and will be made available annually or may be obtained upon written request and reasonable notice made to us one time per year. Although we had reserved the right to institute a regional or national marketing fee prior to this, the Brand Development Fee was formally added to our Franchise Agreement in 2015. Therefore, some franchisees currently pay a different amount as part of their agreement with us; however, it is our intention to require all franchisees to contribute to the Brand Development Fund over time. In fiscal year 2022, 100% of the Brand Development Fees collected from franchisees was spent on media placement; none of the fund was used for production, administrative expenses or any other use.

Local Advertising. You will be required to spend at least one percent (1%) of your Lapel Business's Gross Revenue for local advertising and marketing. We will provide guidelines for your local advertising and marketing that you must follow. You may develop advertising materials for your own use, at your cost. You must submit to us samples of all advertising, promotional and marketing materials that we have not prepared or previously approved at least thirty (30) days before its first use. You may not use any advertising or promotional materials that we have not approved.

Franchisees are not required to participate in a local or regional advertising cooperative.

There is presently an advertising committee comprised of five (5) franchisees that is an advisory board but does not have the right to render decisions on behalf of other franchisees. Members were self-nominated and represent various markets throughout the country. The Franchisor has the right to change or dissolve the committee.

Our obligation to conduct advertising directly within your local market is limited to the initial Grand Opening marketing campaign associated with the Grand Opening and First Year Marketing Fee of payable to us. We employ a combination of social media, internet/website, direct mail and PR releases in local newspapers in this local campaign. Our public relations firm is external, otherwise all advertising pieces are created by our employees.

Computer System

Included with your Start Up Supplies and Equipment Package, you will receive the entire computer system you will need to run your business, comprised of a computer hardware and software package and POS system. You must use the computer hardware, software and POS system provided, and you must continue to comply with computer specifications that we periodically establish, including hardware components, point of sale software, dedicated phone/cable/modem/power lines, printers and other computer-related accessories and peripheral equipment (the "Computer System"). In addition to the Computer System, you also must have a functioning email address so that we can send you notices and otherwise communicate with you by this method.

The Computer System will function in part as a web-based point-of-sale system for all transactions of your Lapels Business. The Computer System currently includes point of sale software and maintenance programs provided by one or more third-party suppliers that we designate. The initial computer package will include a Dual Core 3.0 GHZ Computer (or equivalent), Windows 7 Professional, 104 Key Keyboard, 3 Button Mouse Optical, Dual Serial & Dual Parallel Controller Cards, Norton Anti-Virus, 15" Touch Screen Monitor, Epson Thermal Invoice Printer, Printer Cables, Kick out Cash Drawer, Metrologic Wireless Scanner, Star Tag Printer and PPI approved Credit Card Swipe.

The Computer System currently includes (i) the required POS System from our designated supplier, SPOT; and (ii) the Software Systems we provide to you (see Items 7 and 8 above). We have acquired and will be the primary licensee with SPOT, and will sub-license the system to our franchisees. Each of the software systems interface and share information directly with the one another and the POS System.

The cost of the Computer System is included in the Start Up Supplies and Equipment Package that you purchase from us (See Item 5).

We may require you to upgrade or update the software for the POS System, but no more than every 3 years during the term of your Franchise Agreement. We will have independent access to all POS System data (except credit card related data) including transaction and

customer contact related data recorded or otherwise stored in your POS System. We will use the POS System data to generate invoices for Royalties, advertising and promotional fees and any other fees set forth in the Franchise Agreement, to facilitate advertising and communication to your customers, to gather sales and related data for use in our Franchise Disclosure Documents, promotional or related material, to generate reports, and for any other purpose that we deem useful.

The types of data to be generated or stored in the Computer System include sales information, costs analysis and other information that we may specify in the Operations Manual. We have independent, unlimited access to the information generated by the Computer System, and there are no contractual limitations on our right to do so. The Computer System must interface with our information technology systems and be electronically linked to us or our designee to enable us (or our designee) to poll the Computer System on a daily or other basis at the time and in the manner we or our designee establish, with or without notice, and to retrieve transaction information (which includes sales, sales mix, supply usage, inventory, and other operations data we and/or our designee deem appropriate). If for any reason polling is not practicable or is prohibited by applicable law, we may require you to download such information into machine readable information compatible with the system operated by us, our affiliates, or our agents and to deliver such information to us by the method and at the temporal frequency as we may reasonably require. You must also have a functioning email address so that we can send you notices and otherwise communicate with you by this method.

All data, including without limitation any customer lists or customer related data, remains our sole and exclusive property during the term of your Franchise Agreement and any extensions or renewals and upon expiration or termination or other cessation of the Franchise Agreement. Your use of the POS and software to process Data does not violate or in any way modify the confidentiality terms of the Franchise Agreement so long as you comply with all other terms of the Franchise Agreement and all such data remains within the required operational system control and custody upon the expiration, termination or other cessation of the Franchise Agreement. You will not have access or use of the Data in any capacity, upon the expiration, termination or other cessation of the Franchise Agreement.

You must obtain specific maintenance, updating, upgrading or hosting support contracts for the Computer System from either our designated supplier(s) or directly from us. The monthly cost of the service contract for required maintenance, updating or support for the software components of the Computer System is paid per month/ per station, payable to us. Monthly software access fees are currently \$60, subject to increase.

We or our supplier may condition any license of required or recommended proprietary software to you, and/or your use of technology developed or maintained by or for us, upon your signing a software license agreement or similar document, or otherwise agreeing to the terms that we periodically specify to regulate your use of, and our and your respective rights and responsibilities for, the software or technology. You must not modify, delete, or change any software or hardware configurations that we or our designated supplier(s) provide to you without our advanced written consent. We may charge you up-front and ongoing fees for any required or recommended proprietary software or technology that we or our supplier licenses to you in the future and for other Computer System maintenance and support services provided during the term of the Franchise Agreement.

We reserve the right to change the Computer System at any time. There are no contractual limitations on the frequency and cost of this obligation. We need not reimburse you for any of these costs. We may require you to use proprietary software, for which you may pay an annual license fee. We or our affiliates may condition any license of proprietary software to

you, or your use of technology that we or our affiliates develop or maintain, on your signing a software license agreement or similar document that we or our affiliates prescribe to regulate your use of, and our and your respective rights and responsibilities concerning, the software or technology. We or our affiliates may charge you a monthly, annual, or other license fee for any proprietary software or technology that we or our affiliates license to you and for other maintenance and support services that we or our affiliates provide during the franchise term.

Training

We will provide you a pre-commencement training program for you and up to one additional employee, to be trained simultaneously. Due to the type of training, there are no regular scheduled training classes. Schedules are developed based on your and trainers’ availability, date of lease signing, and anticipated date that your Lapels Business will open. Training will begin, usually two to three weeks prior to the anticipated opening date. The individual training program is normally conducted over a 4-6 day time period. The exact time will depend upon your experience and ability to learn the material. The content will be covered by studying our Operations Manual, the Computer System Manual, for familiarization with the touch screen application and on-the-job training at an operating Lapels® outlet.

Training will be done at our offices in Hanover, Massachusetts, and at our training facilities located in Waltham, West Roxbury and Wellesley, Massachusetts; in Fort Mill, South Carolina and in Gilbert, Arizona. You are responsible for paying for your travel and living expenses while training. You are required to complete the training program to our satisfaction prior to commencing business, which must be within eight months following signing your Franchise Agreement. We do not establish a specific deadline by which you must complete training, as this will be determined in part by site selection and your anticipated opening date. We will work with you to schedule training as close in time to the opening of your outlet as possible, taking into consideration travel needs and the availability of specific instructors.

You must also pay your transportation, lodging, meals and other expenses to attend any mandatory training program.

Item 12

TERRITORY

You may operate your Plant, Satellite Store or Laundromat only at the fixed location that we have approved, and you may not relocate the Store without our approval. You may operate your Lapels Delivers franchise within a defined area. Once we approve the site or area, we will sign an addendum to your Franchise Agreement to specifically identify the Store location (if applicable) and you will be granted a specific territory, which we will define (the "Territory"). Once the Territory is defined, we will not modify your territorial rights. As long as you are in full compliance with your Franchise Agreement, and subject to certain exceptions described below, we will not grant anyone else the right to open a Lapels Business within the Territory, and we will not open a company-owned Lapels Business within the Territory. If an opportunity for a new Lapels Business is presented to us that is within your Territory, and we would recommend that you pursue it, we will forward that opportunity to you. You do not have options or rights of first refusal outside of the Territory. We will determine the size and boundaries of the Territory at our discretion, based on factors including geographic area, population density, character of neighborhood, location, number of competing businesses and other factors. While the exact size of the Territory will vary based on these factors, a typical territory will cover an area that extends in all directions from your premises, up to three miles in less populated areas and one city block in city areas, with your premises located at the approximate center of the Territory. We may approve the relocation of your store under limited circumstances, such as if you provide a substantial information to us that the new location would be better for you, or you lose occupancy rights, and such new location meets our site selection criteria. The relocation of your store would affect the location of the Territory.

There is no minimum sales requirement, market penetration or other contingency that will affect your limited protected right to operate in the Territory during the term of your Franchise Agreement, unless you are in default of your obligations to us.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We retain the right in our sole discretion to establish, and grant to franchisees the right to establish, Lapels Business anywhere outside the Territory on terms and conditions as we deem appropriate. We and our affiliates reserve the right to sell products and services under the Mark or other trademarks within or outside the Territory through any Internet, catalog sales, telemarketing, or other direct marketing ("Alternative Distribution Channels"). You will receive no compensation for our sales through Alternative Distribution Channels in the Territory. You may not use Alternative Distribution Channels to make sales inside or outside your Territory.

Except as limited below, as long as you are in full compliance with the Franchise Agreement, then we and our affiliates will not grant a new franchise for the operation of a Lapels Business at a location in the Territory during the term of your Franchise Agreement. Otherwise, we and our affiliates retain all rights with respect to Lapels Businesses, the Marks, the sale of identical, similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire, including, but not limited to:

- (1) the right to operate, and to grant others the right to operate Lapels businesses or businesses operated under the tradenames of our affiliates located

anywhere outside the Territory under any terms and conditions we deem appropriate and regardless of proximity to your Lapels Business outlet;

(2) the right to provide, offer and sell and to grant others the right to provide, offer and sell services and products that are identical or similar to and/or competitive with those services and products provided by Lapels businesses, whether identified by the Marks or other trademarks or service marks, through alternative distribution channels including, without limitation, the internet or similar electronic media and any other form of electronic commerce both inside and outside the Territory and on any terms and conditions we deem appropriate;

(3) the right to market and sell services and products to national, regional and institutional accounts, whether located inside or outside the Territory. **“National, regional and institutional accounts”** are organizational or institutional customers whose presence is not confined to your Territory, including: business entities with offices or branches situated both inside and outside of your Territory; government agencies, branches or facilities; healthcare networks; the military; and, any other customer whose presence is not confined to your Territory;

(4) the right to operate and grant others the right to operate Lapels businesses at **“Non-Traditional Sites”** within and outside the Territory on any terms and conditions we deem appropriate. “Non-Traditional Sites” are sites that generate customer traffic flow which is independent from the general customer traffic flow of the surrounding area, including military bases, shopping malls, major industrial or office complexes and school campuses;

(5) the right to acquire the assets or ownership interests of one or more businesses providing products and services similar to those provided at Lapels businesses, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating (including in the Territory); and

(6) the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and services similar to those provided at Lapels businesses, or by another business, even if such business operates, franchises and/or licenses Competitive Businesses in the Territory.

You may not solicit business from outside of your Territory without our prior written approval. If you operate a Lapels Delivers, or if you otherwise offer pick-up and delivery services, you may not pick up or deliver clothing, nor solicit customers for such services, outside of your Territory.

Our affiliate Martinizing International LLC, a Delaware limited liability company (“Martinizing”), is the franchisor of the Martinizing Dry Cleaning franchise system, a drycleaning concept that has offered franchises using the trademark “Martinizing”. Martinizing is also the franchisor for certain drycleaning and other garment care businesses operating under the trademarks “Dry Cleaning Station,” “1-800-DryClean,” or “Pressed4Time” (collectively, the “Affiliate’s Outlets”). These Affiliate’s Outlets offer services similar to those offered by Lapels franchisees. All Affiliate’s Outlets are franchisee-owned.

We will attempt to avoid conflicts between Lapels franchisees and franchisees of our Affiliate by designating the Territory granted to a new Lapels franchisee in a manner that does not conflict with existing Affiliate’s Outlets and/or the services such Affiliate’s Outlets provide. If any conflicts exist between Lapels franchises and any existing franchisees of the Affiliate’s Outlets regarding territory, customers or franchisor support, we will make efforts to resolve those conflicts. We share the same principal business address as our Martinizing and do not physically separate offices. We will only provide training for Lapels franchisees, and there are physically separate training facilities for Martinizing franchisees.

You must follow our operating procedures when you use the Marks. You cannot use the Marks or any other mark as part of your corporate name. You may not use the Marks in the event you wish to advertise the sale of your franchise.

There are no agreements currently in effect that significantly limit our rights to use or license the use of the Marks in a manner material to the franchise.

We are not obligated, by the terms of the Franchise Agreement or otherwise, to protect your right to use the Marks. Nor are we obligated to protect you against claims of infringement or unfair competition arising out of your use of the Marks. We have no actual knowledge of either superior prior rights or infringing uses that could materially affect your use of the Marks in the state where your franchise may be located. If we must require the franchisees to modify or discontinue using the principal trademarks, you may be required to pay for additional or modified signage, letterhead, fixtures, and the like.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

You do not receive the right to use an item covered by a patent or copyright, but you must use the proprietary information contained in our Operations Manual. The Operations Manual and the specifics on your use of the Operations Manual are described in the franchise agreement.

Although we haven't filed an application for copyright registration, we claim copyright protection for the Operations Manual, software, advertising materials, other materials we give you for your use or for public dissemination, other proprietary information and publications we own or have acquired under license from a third party, and everything concerning operating procedures. All of this is our proprietary intellectual property.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You or your managing partner or shareholder, or a manager designated by you and approved by us and trained by us, must, at all times, faithfully, honestly and diligently perform and exert your best efforts in performing your obligations under the franchise agreement. Each of your owners must jointly and severally be bound by the terms of the franchise agreement and personally guarantee performance. We expect that you or your full-time manager will provide on-site supervision of the franchise. If you are a multiple storeowner and do not provide full-time on-site supervision, we expect your manager(s) to be fully trained by you or by one of our certified trainers to the same level that you were trained, except for handling of business confidential information, such as check payment processing, etc. Your manager(s) or driver(s) must agree to the same level of confidentiality, non-competition and similar restrictions regarding our operating procedures as described in our Operations Manual. There is no amount of business equity that the "on premises" supervisor must have in the franchise.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may only sell products and services that have been approved in advance by us. You must offer all goods and services that we designate as required for all franchisees. We reserve the right to change the types of authorized goods and services. There is no limit to our right to make changes in our offerings. You may offer additional goods and services that are unique to a specific region of the country, provided they are approved in advance by us in writing. You must operate your franchise according to *The Way We Do Things*, which may change and evolve over time. You must operate from your store within your Territory.

Item 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying from us; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following representation is an historic financial performance representation about our existing outlets that were in operation in calendar year 2022. As of December 31, 2022, we had 83 franchised outlets and no company-owned outlets operating in the Lapels System. These outlets include 36 Plants, 37 Satellite Stores, 9 Lapels Delivers and 1 Laundromat. We have excluded information for 6 Satellite Stores, 6 Lapels Delivers and 1 Laundromat that did not use our POS System and whose data was not available.

² Net Inbound Total Sales means Gross Sales (defined as all revenue earned from sales entered into an outlet's POS system as well as all other revenue derived from operating the outlet, whether it comes from cash, checks, credit or debit cards, bartering, trade credit, or other credit transactions, but excludes all federal, state, or municipal sales, use or service taxes collected from customers and paid to the appropriate tax authority), less any documented refunds, credits, coupons, manager-authorized or loyalty program discounts, allowances, and chargebacks given to customers by the outlet in good faith ("Discounts").

³ Table 2 reflects the top, average, median and lowest Gross Sales of outlets in operation for a minimum of 3 years as of December 31, 2022, and report using our POS System. 5 franchisees operate both a Plant and a Satellite Store.

⁴ Table 3 reflects the monthly Average Price per Visit by all outlets operating as of December 31, 2022 and report using our POS System. The data includes 36 Plants, 31 Satellite Stores, and 3 Lapels Delivers.

⁵ A Visit refers to a single customer service order, which may include multiple garments.

⁶ Table 4 reflects the number of Visits by month collectively by all outlets operating as of December 31, 2022 and report using our POS System. The data includes 36 Plants, 31 Satellite Stores, and 3 Lapels Delivers.

⁷ Table 5 reflects the collective number of New Clients per month based on data from all outlets operating as of December 31, 2022 and report using our POS System. The data includes 36 Plants, 31 Satellite Stores, and 3 Lapels Delivers.

⁸ A New Client is one who had not previously done business with a particular Lapels outlet.

⁹ Table 6 reflects the average percentage that certain expenses are of Gross Sales and the resulting Net Controllable Income percentage for 9 Plants and 10 Satellite Stores. These 19 outlets were all of the reporting outlets of expense information, which was self-reported in a standardized format.

¹⁰ Cost of Goods includes detergents, solvents, spotting agents, and packaging supplies but does not include labor.

¹¹ Insurance includes workers' compensation, business, vehicle and liability.

¹² Marketing includes amounts that the 19 reporting outlets spent on advertising, marketing and promotional activities and Brand Development Fund contributions.

¹³ Maintenance represents costs of repairs, maintenance and replacement parts for equipment.

¹⁴ Utilities represents expenses relating to electricity, gas, sewer, water, and telecommunications.

¹⁵ Net Controllable Income is calculated by deducting the total percentage of controllable expenses from 100% of net sales. The controllable expenses in Table 6 do not encompass all cost and expense categories. Additional costs may include rent, real estate taxes, common area maintenance charges and other real property-related expenses; legal, accounting and other professional fees; interest and other debt service costs; taxes (other than those included in payroll costs); depreciation and amortization. Controllable expenses in Table 6 also does not include any compensation to the franchisee (to the extent this is not included in payroll costs).

Written substantiation will be made available to you upon reasonable request.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Other than the preceding financial performance representations, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Kevin DuBois, CEO, Next Step Franchising, LLC, 711 5th Avenue South, Ste. 210, Naples, Florida, 34102, or 781-499-6992, the Federal Trade Commission, and the appropriate state regulatory agencies.

FRANCHISE AGREEMENT

Date: _____

Franchisor: **Next Step Franchising, LLC**, a Delaware limited liability company having its principal place of business at 711 5th Avenue South, Naples, Florida 34102 (referred to in this Agreement as “we,” “us” or “our”).

Franchisee: _____, with a principal address of _____ (referred to in this Agreement as “you,” “your” or “owner”).

1. PREAMBLES, ACKNOWLEDGMENTS AND GRANT OF FRANCHISE.

1.1. PREAMBLES. This Agreement governs your ownership and operation of one (1) Lapels[®] dry cleaning business of the type and in the location described in Article 1.3 below.

These businesses operate under the Lapels[®] name and other trademarks (the “Marks”), which we control, and under distinctive business formats, methods, procedures, standards and specifications (the “System”). You have represented to us that you want the Lapels[®] franchise. We have considered your purchasing a franchise in reliance upon all of your representations.

1.2. ACKNOWLEDGMENTS. You acknowledge that you have read this Agreement and our Franchise Disclosure Document and understand and accept the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards at each Lapels[®] business and thereby to protect and preserve the goodwill of the Marks. You acknowledge that you have conducted an independent investigation of the business venture contemplated by this Agreement and recognize that, like any other business, the nature of the business conducted by the Lapels[®] business may evolve and change over time, that an investment in the Lapels[®] business involves business risks and that your business abilities and efforts are vital to the success of the venture. You acknowledge that any information you acquire from other Lapels[®] franchisees relating to their sales, profits or cash flows does not constitute information obtained from us, nor do we make any representation as to the accuracy of any such information. You acknowledge that, in all of their dealings with you, our officers, directors, employees and agents act only in a representative, and not in an individual, capacity. All business dealings between you and such persons as a result of this Agreement are solely between you and us. You further acknowledge that we have advised you to seek franchise counsel to review and evaluate this Agreement.

1.3. GRANT OF FRANCHISE. We grant you a franchise to operate one (1) Lapels[®] dry cleaning business of the following type (referred to in this Agreement as the “FRANCHISE”):

The FRANCHISE will be located as follows, which location will be approved in advance by us:

Assume Lease in a form acceptable to us (see attached Appendix D). You acknowledge that we've advised you to seek real estate counsel to negotiate the terms of your lease with your landlord. We make no representation of any kind whatsoever regarding your likelihood of success at the FRANCHISE location. You acknowledge and agree that our recommendation or approval of the FRANCHISE location, and any information regarding the FRANCHISE communicated to you, does not constitute a representation or warranty of any kind, express or implied, as to the suitability of the location for a Lapels® store or for any other purpose. Our recommendation or approval of the location indicates only that we believe that the location falls within acceptable criteria for franchise locations that we have established as of the time of our recommendation or approval of the FRANCHISE location. You acknowledge and agree that your acceptance and approval of the FRANCHISE location is based on your own independent investigation of the suitability of the location. The development of the FRANCHISE is entirely your responsibility. Such development must follow *The Way We Do Things* (defined below).

Subject to Section 1.5 below, we will grant you a limited protected territory within a geographical area (referred to in this Agreement as the "Territory") described as follows:

We will define the Territory based on the fixed location of the FRANCHISE, once we approve the site. We will determine the size and boundaries of your Territory at our discretion, based on factors including geographic area, population density, character of neighborhood, location, number of competing businesses and other factors. While the exact territory size will vary based on these factors, a typical territory will cover an area that extends in all directions from the FRANCHISE location, up to three miles in less populated areas and one city block in city areas, with the FRANCHISE location located at the approximate center of the Territory. The exact location of the FRANCHISE and definition of the Territory will be added to this Agreement by addendum once the location has been determined and approved.

If you offer pickup and delivery services from your FRANCHISE using a Lapels® delivery van, you are not authorized to conduct such services outside of the Territory.

This Agreement is for a term of ten (10) years from the first date on which the FRANCHISE opens to serve the general public, unless terminated as set forth herein. Provided you are in full compliance with the terms of this Agreement, we and you may mutually agree to renew this Agreement for successor ten (10) year periods. You and we will execute our then-current franchise agreement at the time of renewal. We shall be obligated to grant you a successor franchise if you give notice of your intention to renew as set forth herein and you are not in material default of the terms hereof at the time of such notice and at the time of such renewal. We are not required to renew this Agreement if we have notified you of your default hereunder more than three (3) times during the initial term. Upon renewal, you will pay us a renewal fee (the "Successor Franchise Fee") of Twenty-Five Percent (25%) of the then-current Initial Franchise Fee (see Paragraph 2.1 below) at the time we execute the then-current franchise agreement. In addition, at the time of renewal, you agree to update the model and décor of the Store to requirements for new franchised stores at the time of renewal, if you have not updated the model or décor of the Store within the five years prior to renewal.

You and your owners agree to execute and deliver to us such revised Appendices A as may be necessary to reflect any changes in the information contained therein and to furnish such other information about your organization or information as we may request within five (5) days of such change.

1.7.5. Your owners and you will grant to one individual, "Managing Owner", the authority to legally bind you in any dealings with us, or our affiliates, and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Lapels® business. Neither you nor your owners will, directly or indirectly, take any actions to avoid or restrict the authority requirement for the Managing Owner.

2.2. **ROYALTY FEES.** Following your start of operations at your location, you agree to pay us a "Royalty Fee" in a weekly amount, equal to six percent (6%) of Gross Revenue (defined below). The Royalty Fee is due every Monday for the week ending the prior Sunday. We will directly debit your checking account for the weekly Royalty Fee, which we will calculate based on information we obtain, or estimate if such information is not made available to us. You have agreed to and have signed an Authorization for Electronic Funds Transfer (EFT), which is part of this Agreement and which will allow us to debit your bank account directly for Royalty Fees. In the event that you cancel your EFT Authorization you will be in breach of this Agreement, and such breach will constitute grounds for termination. See Article 10.2.

2.3. **GROSS REVENUE.** Gross Revenue means all revenue you derive from operating the franchise, including, but not limited to, all amounts you receive at or away from the franchise location, and whether from cash, check, credit (including accounts receivable), barter, trade, or any other cash-equivalent transactions, but excluding all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority and excluding customer refunds, adjustments, credits, allowances and discounts actually made by the franchise in compliance with our Operations Manual.

2.4. **STARTUP SUPPLIES & EQUIPMENT PACKAGE.** You shall pay us for the standard Startup Supplies and Equipment Package upon signing of a lease for your store. The Startup Supplies and Equipment Package varies according to the type of franchise selected. For both the Environmentally-Friendly Dry Cleaning Plant and for the Satellite Store, it consists generally of an automated conveyor, slick rails, a marking counter, two call counters, specifications and layouts for outside/inside signage, custom touch screen computer system with software and printers (as further described in Article 2.4.2 below), store layout design for installation, uniforms and initial supplies for store operations. Plant locations include dry cleaning and finishing equipment. Laundromats include laundry equipment. A list of the Startup Supplies and Equipment Package specific to your franchise type is attached hereto as Appendix C.

- 2.4.1 For an Environmentally-Friendly Dry Cleaning Plant you shall pay us a fee for equipment installation. Equipment installation fees are part of the Startup Supplies and Equipment Package attached as Appendix C. Payment is due and payable upon Lease Execution.
- 2.4.2 Included with your Startup Supplies and Equipment Package, you will receive the computer hardware and software package and Point of Sale (POS) system you will need to run your business. You agree to use the computer hardware, maintenance and operation systems, point of sale systems, and/or operating software we specify from time to time, (the "Computer System"). You also agree to maintain a functioning e-mail address. We may modify specifications for the Computer System from time to time, which may require you to purchase additional or upgraded components to, or to obtain service, maintenance and support for, the Computer System. Although we cannot estimate the future cost of the Computer System, you agree to incur the costs of obtaining, upgrading, maintenance and/or support. You further acknowledge that we or our suppliers may require you to sign a software license or other similar document to regulate your use of, or our respective rights and responsibilities with regard to, the software, data and/or technology you use, and you agree to comply with the same. You acknowledge and agree that we have independent access to all information contained in the Computer System. You acknowledge and agree that all customer and financial data of your Lapels Business (i) is owned by us, (ii) is our proprietary information, (iii) may be published in franchise disclosure document(s) issued by us following the Effective Date hereof, and (iv) may be shared with other franchisees in the System.

2.5. ONGOING LOCAL MARKETING and REGIONAL/NATIONAL MARKETING.

Regional/National Marketing. Following your start of operations at your location, you agree to pay us a "Brand Development Fee" in a weekly amount, equal to two percent (2%) of Gross Revenue (defined above). The Brand Development Fee is due every Monday for the week ending the prior Sunday. If we do not receive your Brand Development Fee within seven days of its due date, we will be permitted to directly debit your checking account for the unpaid weekly fee, which we will calculate based on information we obtain, or estimate if such information is not made available to us. Your EFT authorization noted in paragraph 2.2 above, applies to the collection of the Brand Development Fee also.

Local Advertising: You must spend at least one percent (1%) of the FRANCHISE's Gross Revenue for local advertising and marketing. Your local advertising and marketing must follow our guidelines. You must keep a record of the amounts spent for local advertising and, if requested, submit or permit us to inspect your records. You may develop advertising materials for your own use, at your cost. You must submit to us samples of all advertising, promotional and marketing materials that we have not prepared or previously approved at least thirty (30) days before its first use. You may not use any advertising or promotional materials that we have disapproved. If you do not document your minimum advertising expenses of at least one percent (1%) of your Gross Revenue, we may collect such amount, or the balance thereof, from you and spend such amount for advertising the FRANCHISE on your behalf.

All advertising and marketing materials developed for your FRANCHISE must contain notices of our Website domain name in the manner we designate. You may not develop, maintain or authorize any website that mentions or describes you or the FRANCHISE or displays any of the Marks, except that website that we have specifically authorized in writing or made available for your use.

2.6. INTEREST ON LATE PAYMENTS. All amounts which you owe us will bear interest after their due date at the highest contract rate of interest permitted by law. You acknowledge that this Article does not constitute our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance your operation of, the FRANCHISE. Your failure to pay all amounts when due constitutes grounds for termination of this Agreement, as provided in Article 10.2 hereof.

2.7. APPLICATION OF PAYMENTS. Notwithstanding any designation you might make, we have sole discretion to apply any of your payments to any of your past due indebtedness to us. You acknowledge and agree that we have the right to set off any amounts you or your owners owe us against any amounts we might owe you or your owners.

2.8 GRAND OPENING MARKETING. You will pay us a Grand Opening Marketing Fee of Eight Thousand Nine Hundred Dollars (\$8,900) for a Plant, Satellite Store or Laundromat, which is due when you sign your lease for your premises, or Five Thousand Dollars (\$5,000) for a Lapels Delivers outlet, which is due when you sign this Agreement. In connection with your Grand Opening, we will attract targeted customers to your FRANCHISE through direct mail postcards and cooperative mailings or other saturation marketing as available in the marketplace.

3. TRAINING, SITE SUPPORT AND COMMENCEMENT ASSISTANCE.

3.1. TRAINING/SITE SUPPORT. Before the FRANCHISE begins operating, we will furnish training and site support for the operation of the Lapels® business to you (or, if you are a corporation or partnership, your managing shareholder or partner) and one (1) additional employee you elect to enroll in the training program. For Plant and Laundromat franchisees, the fee for initial training and site support (the "Initial Training and Site Support Fee") is seven thousand dollars (\$7,000). For a Lapels Delivers franchisee, the Initial Training and Site Support Fee is five thousand dollars (\$5,000). For Satellite Store franchisees, the Initial Training and Site Support Fee is four thousand dollars (\$4,000). Initial training consists of pre-commencement training and will cover the areas of personnel, administration, store operations, plant operations, marketing, sales and customer service. It is the nature of this business that there is full integration of the subjects being learned by a franchisee. As a result, there is not an exact beginning or ending time to cover these areas. Your completion of training may take between two (2) to six (6) days at designated Lapels® stores or Next Step Franchising, LLC Headquarters. Specific duration will vary depending on your prior relevant experience and ability to comprehend the training material. Training will be conducted by using a combination classroom instruction and by using a proprietary Operations Manual. Training will be provided simultaneously for you (or your managing shareholder or partner) and your employee at an operating Lapels® business or at our principal place of business. Commencement assistance consists of approximately one to three working days by our representative assisting you at your Store. You (or your managing shareholder or partner) and your employee are required to complete the initial training to our satisfaction. You also are required to participate in all other activities required to operate the FRANCHISE. Additionally, we will furnish initial training and site support such as for site location, lease review, wholesaler support, store build-out and other start up assistance to you (or your managing shareholder or partner) and the aforementioned number of additional employees, as needed. You will be responsible for all travel and living expenses which you (or your managing shareholder or partner) and your employee incur in connection with training. If we determine that you (or your managing shareholder or partner) are unable to complete initial training to our satisfaction, we have the right to terminate this Agreement pursuant to the terms hereof.

3.2. REFRESHER TRAINING. We may require you (or your managing shareholder or partner) and/or previously trained and experienced employees to attend periodic refresher training courses at such times and locations that we designate, and we may charge reasonable fees for such courses. We also may require you to pay us fees for our training your new employees hired after your FRANCHISE commences operations, if you so request. You agree to give us reasonable assistance in training or assisting other Lapels® franchisees.

3.3. GENERAL GUIDANCE. We will advise you from time to time regarding operating issues concerning the FRANCHISE disclosed by reports you submit to us or on-site inspections we make. Such guidance will, at our discretion, be furnished in our "Operations Manual" (defined below), bulletins or other written materials and/or during telephone consultations and/or consultations at our principal business address or at the FRANCHISE.

3.4. ON-SITE CONSULTATION AND QUALITY ASSURANCE VISITS. During the term of this Agreement, our representative may call you or visit with you in your store to provide you with guidance in operating the FRANCHISE. Our representative may also visit with you in your Lapels business premises from time to time for the purpose of conducting quality assurance visits. Such visits may occur at any time during your regular business hours.

3.5. ADDITIONAL GUIDANCE AND ASSISTANCE. At your request, we may furnish additional guidance and assistance and, in such a case, may charge the *per diem* fees and charges we establish from time to time. If you request additional or special training for your employees, all of the expenses that we incur in connection with such training, including *per diem* charges and travel and living expenses for our personnel, will be your responsibility.

3.6. OPERATIONS MANUAL – “THE WAY WE DO THINGS”. During the term of this Agreement, we will allow you to use one (1) copy of our operations manual (“Operations Manual”), consisting of such materials (possibly including, but not limited to, audio tapes, videotapes, magnetic media, computer software and written materials) that we furnish to franchisees from time to time for use in operating the FRANCHISE. The Operations Manual contains the System and other information and rules that we prescribe from time to time for the operation of the FRANCHISE and information relating to your other obligations under this Agreement and related agreements, which, taken together, we refer to as “*The Way We Do Things*”. The Operations Manual may be modified from time to time to reflect changes in *The Way We Do Things*. You agree to keep your copy of the Operations Manual current and in a secure location at the FRANCHISE. In the event of a dispute relating to its contents, the master copy of the Operations Manual we maintain at our principal business address will be controlling. You may not at any time copy, duplicate, record or otherwise reproduce any part of the Operations Manual. If your copy of the Operations Manual is lost, destroyed or significantly damaged, you agree to obtain a replacement copy at our cost to replace the manual plus fifteen (15) percent processing fee. If you are unable to substantiate, to our reasonable satisfaction, that your lost Operations Manual, or parts thereof, was not obtained by a “Competitive Business” (defined herein), we may terminate this Agreement as provided herein.

3.7 SUPPLIERS AND WHOLESALERS. We, or our representative, shall assist you in obtaining lists of approved suppliers and/or specifications for any leasehold improvements, inventory, equipment and supplies you will need to directly acquire or will obtain directly from us before commencing operations at the FRANCHISE. You will acquire certain inventory, equipment, furniture, supplies, computer equipment and software directly from us as part of the Startup Supplies and Equipment Package. We, or our representatives, shall assist you in finding and negotiating agreements with wholesale providers of dry cleaning and other services on your behalf. You may then enter into contracts directly with these suppliers and may alter the terms thereof provided said terms conform to *The Way We Do Things*. We will also order certain fixtures or equipment directly from their manufacturer(s) on your behalf and at your expense. You acknowledge and agree that our recommendation or approval of wholesale providers of services, and any information regarding said providers communicated to you, do not constitute a representation or warranty of any kind, express or implied, as to the suitability of said providers or the quality of the services they provide. Our recommendation or approval of the wholesale providers of services indicates only that we believe that said providers fall within acceptable criteria for suppliers of services that we have established as of the time of our recommendation or approval.

4. MARKS AND CONFIDENTIAL INFORMATION.

4.1. OWNERSHIP AND GOODWILL OF MARKS. Your right to use the Marks is derived solely from this Agreement and limited to your operation of the FRANCHISE pursuant to and in compliance with this Agreement and *The Way We Do Things*, which we prescribe from time to time during its term. Your unauthorized use of the Marks will be a breach of this Agreement and an infringement of our rights in and to the Marks. You acknowledge and agree that your usage of the Marks and any goodwill established by such use will be exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon you (other than the right to operate the FRANCHISE in compliance with this

Agreement). All provisions of this Agreement applicable to the Marks apply to any additional proprietary trademarks and service marks and commercial symbols we authorize you to use.

4.2. LIMITATIONS ON YOUR USE OF THE MARKS. You agree to use the Marks as the sole identification of the FRANCHISE, except that you agree to identify yourself as the independent owner thereof in the manner we prescribe. **You may not use any Marks as part of any corporate or legal business name** or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos licensed to you hereunder), or in any modified form, nor may you use any Marks in connection with the performance or sale of any unauthorized goods or services or in any other manner we have not expressly authorized in writing. No Marks may be used in any advertising concerning the transfer, sale or other disposition of the FRANCHISE or an ownership interest in you. You agree to display the Marks prominently in the manner we prescribe at the FRANCHISE, on supplies or materials we designate and in connection with forms and advertising and marketing materials. You agree to give such notices of trademark and service marks registrations; i.e., “®”, “™”, as we specify and to obtain any fictitious or assumed name registrations required under applicable law.

4.3. NOTIFICATION OF INFRINGEMENTS AND CLAIMS. You agree to notify us immediately of any apparent infringement or challenge to your use of any Marks, or of any claim by any person of any rights in any Marks, and you agree not to communicate with any person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, United States Patent and Trademark Office (“USPTO”) proceeding or any other administrative proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Marks. You agree to sign any and all instruments and documents, render such assistance and do such acts and things as, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or USPTO proceeding or other proceeding or otherwise to protect and maintain our interests in the Marks.

4.4. DISCONTINUANCE OF USE OF THE MARKS. If it becomes advisable at any time in our sole discretion for us and/or you to modify or discontinue the use of any Marks and/or use one or more additional or substitute trademarks or service marks, you agree to comply with our directions within a reasonable time after receiving notice thereof. We will not be obligated to reimburse you for any loss of Sales attributable to any modified or discontinued Marks or for any expenditure you make to promote a modified or substitute trademark or service mark.

4.5. WHAT’S OURS, IS OURS. We possess (and will continue to develop and acquire), and may disclose to you, certain confidential information (the “Confidential Information”) relating to the development and operation of Lapels® businesses, which may include (without limitation): Store location selection criteria, the System, the Operations Manual, any other proprietary materials, the sales and marketing techniques used, and knowledge of and experience in developing and operating Lapels® businesses; marketing and advertising programs for Lapels® businesses; knowledge of specifications for and suppliers of certain goods, services, furniture, fixtures, equipment, software, furnishings and signs, materials and supplies; and knowledge of the operating results and financial performance of Lapels® businesses other than the FRANCHISE.

4.6. FOR FRANCHISE USE ONLY. You acknowledge and agree that you will not acquire any interest in Confidential Information, other than the right to utilize Confidential Information disclosed to you in operating the FRANCHISE during the term of this Agreement, and that the use or duplication of any Confidential Information in any other business would constitute an unfair method of competition. You further acknowledge and agree that Confidential Information is proprietary, includes our trade secrets and is disclosed to you solely on the condition that you agree, and you do hereby agree, that you: Will not use Confidential Information in any other business or capacity; will maintain the absolute confidentiality of Confidential Information during and after the term of this Agreement; will not make unauthorized copies of any portion of Confidential Information disclosed via electronic medium or in written or other tangible form; and will adopt and implement all reasonable procedures that we prescribe from time to time to prevent unauthorized use or disclosure of Confidential Information, including, without limitation, restrictions on disclosure thereof to FRANCHISE personnel and others.

4.7. IDEAS, CONCEPTS, TECHNIQUES OR MATERIALS. All ideas, concepts, techniques or materials relating to the FRANCHISE, whether or not constituting protectable intellectual property, and whether created by or on behalf of you or your owners, will be promptly disclosed to us, deemed to be our sole and exclusive property and part of the System and deemed to be works made for hire for us. You and your owners agree to sign whatever assignment or other documents we may request from time to time to evidence our ownership or to assist us in securing intellectual property rights in such ideas, concepts, techniques or materials.

5. EXCLUSIVE RELATIONSHIP.

You acknowledge and agree that we would be unable to protect Confidential Information against unauthorized use or disclosure or to encourage a free exchange of ideas and information among Lapels® businesses if franchise owners of Lapels® businesses were permitted to hold interests in or perform services for a Competitive Business (defined below). You also acknowledge that we have granted the FRANCHISE to you in consideration of and reliance upon your agreement to deal exclusively with us. You therefore agree that, during the term of this Agreement, neither you nor any of your owners (nor any of your or your owners' spouses, children or other relatives by blood or marriage) will have any direct or indirect interest as a disclosed or beneficial owner in a Competitive Business or perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for a Competitive Business or recruit or hire any person who is our employee or the employee of any Lapels® business without obtaining the prior written permission of that person's employer. The term "Competitive Business" as used in this Agreement means any business operating, or granting franchises or licenses to others to operate, any franchise or similar business (other than another Lapels® business operated under a franchise agreement with us).

6. THE WAY WE DO THINGS.

6.1. COMPLIANCE WITH THE WAY WE DO THINGS. You acknowledge and agree that your operation and maintenance of the FRANCHISE in accordance with *The Way We Do Things* (defined above) is essential to preserve the goodwill of the Marks and all Lapels® businesses. Therefore, at all times during the term of this Agreement, you agree to operate and maintain the FRANCHISE in accordance with *The Way We Do Things*, as we periodically modify and supplement them during the term of this Agreement. In compliance with this objective, you agree that you will maintain the condition, environment and appearance of the FRANCHISE in accordance with *The Way We Do Things* in such a manner as we prescribe from time to time, observing the highest standards of cleanliness, sanitation, efficiency and courtesy to customers. You also agree to update or remodel the FRANCHISE location in accordance with changes we may make in décor, fixtures or design for new Lapels® franchises, at least every five (5) years and as a condition to renewal.

6.2. PROVISIONS OF THIS AGREEMENT. You agree that *The Way We Do Things* prescribed from time to time in the Operations Manual, or otherwise communicated to you in writing or other tangible form, constitute provisions of this Agreement as if fully set forth herein. All references to this Agreement include all *The Way We Do Things* as periodically modified.

6.3. MODIFICATION OF THE WAY WE DO THINGS. We may periodically modify *The Way We Do Things*, which may accommodate regional or local variations as we determine, and any such modifications may obligate you to invest additional capital in the FRANCHISE ("Capital Additions") and/or incur higher operating costs; provided, however, that such modifications will not alter your fundamental status and rights under this Agreement. We will not obligate you to make any Capital Additions when such investment cannot, in our reasonable judgment, be amortized during the remaining term of this Agreement, unless we agree to extend the term of this Agreement so that such additional investment, in our reasonable judgment, may be amortized, or unless such investment is necessary in order to comply with applicable laws.

7. RECORDS, REPORTS AND FINANCIAL STATEMENTS.

7.1. BOOKKEEPING. You agree to establish and maintain at your own expense a bookkeeping, accounting and record keeping system conforming to the requirements and formats we prescribe from time to time, including but not limited to a Chart of Accounts that we prescribe, according to Generally Accepted Accounting Principles (GAAP). We may require you to use approved computer hardware and software in order to maintain certain sales data and other information. You agree to furnish to us on such forms that we may require and prescribe from time to time, without limitation, as follows: Within five (5) days after their filing, copies of all signed sales tax returns and signed withholding tax returns for the FRANCHISE and, as soon as you have received them, copies of the canceled checks for the required sales taxes and withholding taxes; within fifteen (15) days after the end of each calendar month, a profit and loss statement for the FRANCHISE for the immediately preceding calendar month and a year-to-date balance sheet as of the end of such month in our approved format; within ninety (90) days after the end of the Franchisee's fiscal year, reviewed annual profit and loss and source and use of funds statements and a reviewed balance sheet for the FRANCHISE as of the end of such fiscal year signed by you or your principal operating officer or operating partner; and within ten (10) days after our request, exact copies of federal and state income and other tax returns and such other forms, records, books and other information we may periodically require. For any period of financial reporting for which we do not receive a report by the 15th of the month following its due date, you will owe us a fee of \$500.

7.2. VERIFICATION. You agree to verify and sign each report and financial statement in the manner we prescribe. We have the right to disclose data derived from such reports without identifying you or the location of the FRANCHISE. We also have the right to require you to have reviewed or audited financial statements prepared on an annual basis.

8. INSPECTIONS AND AUDITS.

8.1. OUR RIGHT TO INSPECT THE FRANCHISE. To determine whether you and the FRANCHISE are complying with this Agreement and *The Way We Do Things*, we and our designated agents have the right at any time during regular business hours, and without prior notice to you, to: Inspect the FRANCHISE; observe, photograph and videotape the operations of the FRANCHISE for such consecutive or intermittent periods as we deem necessary; remove samples of any goods, materials or supplies for testing and analysis; interview personnel and customers of the FRANCHISE; and inspect and copy any books, records and documents relating to your operation of the FRANCHISE. We also have the right at any time to receive and review the data transmitted through your Point of Sale computer system.

8.2. COOPERATION. You agree to cooperate with us fully in connection with any such inspections, observations, photographing, videotaping, product removal and interviews. You agree to present to your customers such evaluation forms that we periodically prescribe and to participate and/or request your customers to participate in any surveys performed by us or on our behalf.

8.3. OUR RIGHT TO AUDIT. We have the right at any time during regular business hours, and without prior notice to you, to inspect and audit, or cause to be inspected and audited, your (if you are a corporation or partnership) and the Franchisee's business, bookkeeping and accounting records, sales and income tax records and returns and other records. You agree to cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. In the event such inspection or audit is made necessary by your failure to furnish reports, supporting records or other information as herein required, or to furnish such items on a timely basis, you agree to reimburse us for the reasonable cost of such inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our

employees. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law.

9. TRANSFER.

9.1. **BY US.** This Agreement is fully transferable by us and will inure to the benefit of any transferee or other legal successor to our interests herein.

9.2. **BY YOU.** You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a corporation or partnership, to your owners) and that we have granted the Franchise to you in reliance upon our perceptions of your (or your owners') individual or collective character, skill, aptitude, attitude, business ability, acumen and financial capacity. Accordingly, neither this Agreement (or any interest therein) nor any ownership or other interest in you or the FRANCHISE may be transferred without our prior written approval, which will not be unreasonably withheld. Any transfer without such approval constitutes a breach of this Agreement and is void and of no effect. The transfer of your Franchise, and our approval, is further conditioned upon:

1. Franchisee executing a general release of all claims against Franchisor in form satisfactory to Franchisor;
2. Franchisee having fully paid and satisfied all of Franchisee's obligations to Franchisor and not otherwise in default of this Agreement;
3. the successor franchisee meeting our then-current financial and business criteria for new franchisees;
4. the successor franchisee executing for the FRANCHISE Location Franchisor's then-current standard form franchise agreement for a full term and including the Initial Franchise Fee provided therein; and
5. the successor franchisee (or its Managing Owner) attending and completing the training required by Franchisor.

As used in this Agreement, the term "transfer" includes your (or your owners') voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in: this Agreement; you; or the FRANCHISE, but does not apply to an assignment of the FRANCHISE from you to a corporate/LLC/entity controlled by you, or transfer of the FRANCHISE to members of your immediate family (meaning spouse or children). You will pay us a transfer fee of eighty percent (80%) of the then-current Initial Franchise Fee, provided, however, that we shall waive this fee if the transferee has paid an Initial Franchise Fee concurrently with the signing of a new franchise agreement.

9.3. **OUR RIGHT OF FIRST REFUSAL.** We have the right, exercisable by written notice delivered to you or your selling owners within thirty (30) days from the date of the delivery to us of both an exact copy of such *bona fide* offer and all other information we request, to purchase all of your interest for the price and on the terms and conditions contained in such *bona fide* offer, provided that: We may substitute cash for any form of payment proposed in such offer; our credit will be deemed equal to the credit of any proposed purchaser; we will have not less than sixty (60) days after giving notice of our election to purchase to prepare for closing; and we are entitled to receive, and you and your owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the capital stock of an incorporated business, as applicable.. In no case will we (nor any third party to whom we assign our right hereunder) exercise the option for any partial sale of your business. Any such sale to us will result in a 100% ownership position.

9.4. **EXERCISE.** If we exercise our right of first refusal, you and your selling owner(s) agree that, commencing on the date of the closing, you and they will be bound by the post-term non-competition covenant contained herein.

10. TERMINATION OF AGREEMENT; OBLIGATIONS UPON TERMINATION OR EXPIRATION

10.1. TERMINATION BY YOU. You may not terminate this Agreement except by operation of law. Any attempt by you to terminate this Agreement except by operation of law will be deemed a termination without cause. For any termination by you without cause, you will owe us a termination fee, in addition to any other specific monetary damages or equitable relief set forth in this Agreement. In those states in which termination fees are enforceable, Franchisee shall immediately pay to Franchisor, upon termination of this Agreement, a "Termination Fee" equal to Twenty-Four (24) months of Royalties and Ad Fund fees. The Termination Fee shall be calculated by identifying the Royalties and Ad Fund fees assessable on the month in which you had the highest Gross Revenues during the Term or Successor Term, as applicable, multiplied by Twenty-Four (24). The Termination Fee will be assessable in the event that: (a) Franchisee improperly attempts to terminate this Agreement prior to the expiration of the Term hereof; or (b) Franchisor terminates this Agreement for any reasons set forth in this Section 10. In the event that Franchisee ceases operation of the Franchised Business as a result of permanent and total business failure beyond Franchisee's reasonable control, as determined by Franchisor, Franchisee shall not be required to pay the Termination Fee.

12. you violate any health, safety or sanitation law, ordinance or regulation and do not immediately begin to cure the noncompliance or violation, and correct such noncompliance or violation within twenty four (24) hours after written notice thereof is delivered to you;

10.3. **OBLIGATIONS UPON TERMINATION OR EXPIRATION.** Upon any termination or expiration of this Agreement, all of your rights to use the Marks and the System and to operate under the Marks and the System shall terminate and:

- 10.3.1. You shall immediately cease to operate the FRANCHISE, and shall not thereafter, directly or indirectly, represent yourself to the public or hold yourself out as a present or former franchisee of ours;
- 10.3.2. You shall promptly pay all sums owing to us, and any affiliated landlord entity, including interest and any damages, costs, and expenses, including reasonable attorneys' fees, incurred by us by reason of any default by you;
- 10.3.3. You shall immediately and permanently cease to use, by advertising or in any other manner whatsoever, any feature or method associated with the System, any or all of the Marks, and any other trade secrets, confidential information, operating manuals and materials, slogans, trade dress, signs, symbols, or devices that are part of our System or are otherwise used in connection with the operation of the FRANCHISE. You agree that any such unauthorized use or continued use after the termination of this Agreement shall constitute irreparable harm subject to injunctive relief. Your continued use of our trademarks, trade names, proprietary marks, and service marks after termination of this Agreement shall constitute willful trademark infringement;
- 10.3.4. You shall immediately return to us all operating manuals, plans, specifications, and other materials in your possession or control containing information prepared by us and relative to the operation of the FRANCHISE, and all copies thereof (all of which are acknowledged to be our property), and shall retain no copy or record of any of the foregoing, except your copy of this Agreement, any correspondence between the parties, and any other documents that you reasonably need for compliance with any provision of law;
- 10.3.5. You shall remove from the FRANCHISE and from any equipment, signs, trade fixtures, furnishings, and other personal property (except as provided in paragraph 10.6 below) and return to us, all of the Marks or other indicia of Lapels®, and shall disconnect, withdraw, and/or terminate, within five (5) days after termination or expiration of this Agreement, any telephone listings and/or fictitious name registration containing any part of the Marks. You hereby appoint us as your attorney-in-fact to do any act necessary in your name to effect the intent of this paragraph;

Upon receipt of such notice, we will have the right of first refusal to purchase the Equipment from you at its fair market value, or the first option to negotiate said purchase upon mutually agreeable terms. If you owe a balance due on your purchase or financing of such Equipment, or if the same is otherwise subject to a lien or claim for any indebtedness, the amounts of such balance and/or indebtedness shall be deducted from the purchase price payable to you. All sums of money due to us by you may be offset against the purchase price payable to you. Nothing contained herein, however, shall be construed to entitle you to be released from liability for such unpaid balance or indebtedness, if any, in excess of the portion of the purchase price applied for payment of such debts;
- 10.3.7. You shall, at our option by notice to you within thirty (30) days from the date of termination or expiration, assign to us any interest that you have in the Lease or any other Agreement related to the FRANCHISE. If we do not elect to exercise our option to acquire the Lease, you shall make such modifications or alterations to the premises immediately upon termination or expiration of this Agreement as may be necessary to distinguish the appearance of the premises from that of other franchises in the System, and shall make such specific additional changes thereto as we may require for that purpose. In the event that you fail or refuse to comply with the requirements of this Article 10.7, we shall have the right to enter upon the premises, without being guilty of trespass or any other tort, for the purpose of making such changes as may be required, at your expense, which you agree to pay upon demand;
- 10.3.8. You shall pay to us all damages, costs, and expenses, including, but not limited to, reasonable investigation and attorneys' fees and other reasonable expenses and costs such as travel costs and payroll expenses for our employees, incurred in obtaining injunctive or other relief for the enforcement of any provisions of this Article 10; and
- 10.3.9. You shall continue to comply with Article 11 of this Agreement, for the period specified therein. If you begin to operate any other business wherever situated, you shall not use, in connection with such other business or the promotion thereof, any reproduction, counterfeit, copy or colorable imitation of any of our Marks or trade dress; and you shall not utilize any designation of origin or description or representation that falsely suggests or represents an association or connection with us, whether or not constituting unfair competition.

11. RESTRICTIVE COVENANTS.

You acknowledge that you will receive specialized training and confidential and proprietary information regarding, among other things, our operational, sales, promotional, and marketing methods and techniques, and that this training and information will provide you with a competitive advantage. As a condition of providing you with this training and information and granting you the FRANCHISE, we require the following covenants to protect our legitimate business interests and goodwill and the interests of our other Lapels® franchisees.

11.1. During (a) the term of this Agreement, including any extension or renewal thereof, and (b) "the Post-Term period," which is two (2) years after any of the following dates, whichever occurs latest: (i) the date of a transfer permitted by Article 9 of this Agreement; (ii) the date of the expiration or termination of the Agreement, regardless of the cause for termination; or (iii) the date of your compliance with an

arbitration award or court order with respect to any of the foregoing events or with respect to enforcement of this Article 11, neither you nor any of your partners, officers, directors, shareholders, owners, members, affiliates, or family members will, directly or indirectly:

(a) Divert or attempt to divert any business or customer of the FRANCHISE to any other business that sells or offers to sell products or services that are the same as or similar to the type offered at the FRANCHISE, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with our Marks and System;

(b) Employ or seek to employ any person who is at that time employed by us or by any other franchisee of ours, or otherwise directly or indirectly induce such person to leave such employment;

(c) Except with respect to the ownership or operation of additional franchises granted by us, own, maintain, advise, operate, engage in, be employed by, provide money or loans to, or have any other direct or indirect interest in or association or relationship with any other business that sells or offers to sell products or services that are the same as or similar to the type offered at the FRANCHISE; provided that, during the Post-Term period only, the provisions of this paragraph 11.1(c) shall only apply to another business located in the Territory; within an area consisting of the Territory plus a three (3) mile radius around the Territory; and within an area consisting of the territory of any other Lapels® business plus a three (3) mile radius around that territory; or

(d) Directly or indirectly contest or aid in contesting our right or the right of any prospective franchisee of ours to obtain a building permit, zoning variance, or other governmental approval required for the development of another location as a Lapels® franchise.

(e) During the term of this Agreement, including any extension or renewal thereof, and at any time thereafter, regardless of the cause of termination, neither you, nor any of your partners, officers, directors, shareholders, members, or employees shall communicate or divulge to, or use for the benefit of any person, persons, partnership, association, or corporation, any information or knowledge concerning the methods of constructing, equipping, or operating units under any of our Systems and all other information or knowledge which we deem confidential and which may be communicated to you, or of which you may be apprised by virtue of your operation under the terms of this Agreement. You shall divulge such confidential information only to such of your employees as must have access to it in order to operate the FRANCHISE. Any and all information, knowledge, and know-how including, without limitation, drawings, materials, specifications, techniques, and other data, which we designate confidential shall be deemed confidential for purposes of this Agreement. We shall have the nonexclusive right to use and incorporate into our Systems, for our benefit and the benefit of our franchisees, licensees, and distributors, all modifications, changes, and improvements developed or discovered by you or your employees or agents in connection with the FRANCHISE, without any liability or obligation to the developer thereof.

(f) The covenants contained in this Article 11 shall be construed as severable and independent. If all or any portion of a covenant in this Article 11 is held unreasonable or unenforceable by a court, arbitration panel, or other agency having valid jurisdiction in a decision to which we are a party, you agree to be bound by any lesser covenant included within the terms of such greater covenant that imposes the maximum duty permitted by law, as if the lesser covenant were separately stated in, and made a part of, this Article 11.

(g) You acknowledge that we shall have the right to reduce the scope of any covenant set forth in this Article 11, or of any portion or portions thereof, without your consent, and you agree to comply forthwith with any covenant as modified. You agree that the existence of any claim that you may have against us shall not constitute a defense to our enforcement of the covenants in Article 11.

12. RELATIONSHIP OF THE PARTIES AND INDEMNIFICATION.

12.1. INDEPENDENT CONTRACTORS. You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that we and you are and will be independent contractors and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner or employee of the other for any purpose. You agree to conspicuously identify yourself in all dealings with customers, suppliers, public officials, FRANCHISE personnel and others as the owner of the FRANCHISE under a franchise we have granted and to place such notices of independent ownership on such forms, checks, business cards, stationery and advertising and other materials as we may require from time to time. You agree to obtain the policies of insurance that we prescribe from time to time. You shall present evidence of insurance to us as often as we shall reasonably require, but in any event, not less than thirty (30) days before your commencement of operations. Such policies of insurance must require thirty (30) day notice of cancellation to us including notice of non-payment of premiums.

12.2. NO LIABILITY FOR ACTS OF OTHER PARTY. You agree not to employ any of the Marks in signing any contract or applying for any license or permit, or in a manner that may result in our liability for any of your indebtedness or obligations, and that you will not use the Marks in any way we have not expressly authorized. Neither we nor you will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other, represent that our respective relationship is other than franchisor and franchisee or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages to any person or property directly or indirectly arising out of the Franchise's operation or the business you conduct pursuant to this Agreement.

12.3. TAXES. We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, property or other taxes, whether levied upon you, your owners, or the FRANCHISE, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.

12.4. INDEMNIFICATION. You agree to indemnify, defend and hold us, our affiliates and our respective shareholders, directors, officers, employees, agents, successors and assignees (the "Indemnified Parties") harmless from and against and to reimburse any one or more of the Indemnified Parties for all claims, obligations and damages described in this Article, any and all taxes described in Article 12.3. and any and all claims and liabilities directly or indirectly arising out of the FRANCHISE operation or your breach of this Agreement. For purposes of this indemnification, "claims" includes all obligations, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration or alternative dispute resolution and travel and living expenses. We have the right to defend any such claim against us. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. Furthermore, you agree to indemnify, defend and hold harmless the Indemnified Parties from and against any obligations, liabilities, actions, costs and expenses arising from, related to or in connection with, your actions or failures to act, any violation by you of this Agreement or any violation by you of any law, rule or regulation, including franchise-related laws, rules and regulations.

12.5. MITIGATION NOT REQUIRED. Under no circumstances will we or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

13. ENFORCEMENT.

13.1. SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS. Except as expressly provided to the contrary herein, each provision of this Agreement, and any portion thereof, will be considered

severable, and if, for any reason, any such provision is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which we are a party, that ruling will not impair the operation of, or have any other effect upon, such other portions of this Agreement as may remain otherwise enforceable, which will continue to be given full force and effect and bind the parties hereto, although any portion held to be invalid will be deemed not to be a part of this Agreement from the date the time for appeal expires, if you are a party thereto, otherwise upon your receipt from us of a notice of non-enforcement thereof.

13.2. LESSER COVENANT ENFORCEABLE. If any covenant herein which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, you and we agree that such covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law is applicable to the validity of such covenant.

13.3. GREATER NOTICE. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice than is required hereunder of the termination of this Agreement or of our refusal to enter into a successor franchise agreement, or the taking of some other action not required hereunder, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any of *The Way We Do Things* is invalid or unenforceable the prior notice and/or other action required by such law or rule will be substituted for the comparable provisions hereof, and we will have the right in our sole discretion to modify such invalid or unenforceable provision or unenforceable part of *The Way We Do Things* to the extent required to be valid and enforceable. You agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof, or any part of *The Way We Do Things*, any portion or portions which a court or arbitrator may hold to be unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order or arbitration award. Such modifications to this Agreement will be effective only in such jurisdiction, unless we elect to give them greater applicability, and will be enforced as originally made and entered into in all other jurisdictions.

13.4. WAIVER OF OBLIGATIONS. We and you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice thereof to the other or such other effective date stated in the notice of waiver. Any waiver we grant will be without prejudice to any other rights we may have, will be subject to our continuing review and may be revoked, in our sole discretion, at any time and for any reason, effective upon delivery to you of ten (10) days' prior written notice.

13.5. NON-WAIVER. We and you will not be deemed to have waived or impaired any right, power or option reserved by this Agreement, (including, without limitation, the right to demand exact compliance with every term, condition and covenant herein or to declare any breach thereof to be a default and to terminate this Agreement before the expiration of its term) by virtue of any custom or practice at variance with the terms hereof; our or your failure refusal or neglect to exercise any right under this Agreement or to insist upon exact compliance by the other with our and your obligations hereunder including without limitation, *The Way We Do Things*; our waiver, forbearance, delay, failure or omission to exercise any right, power or option whether of the same, similar or different nature with respect to other Lapels® businesses; the existence of other franchise agreements for Lapels® businesses which contain different provisions from those contained herein; or our acceptance of any payments due from you after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to us will constitute a waiver compromise settlement or accord and satisfaction. We are authorized to remove or obliterate any legend or endorsement, and such legend or endorsement will have no effect.

13.6. FORCE MAJEURE. Neither we nor you will be liable for loss or damage or deemed to be in breach of this Agreement if our or your failure to perform our or your obligations results from: Transportation shortages, inadequate supply of equipment, goods, supplies, labor, material or energy or

the voluntary foregoing of the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations or instructions of any federal, state or municipal government or any department or agency thereof; acts of nature; fires, strikes, embargoes, war or riot; or any other similar event or cause.

13.7. EXTEND PERFORMANCE. Any delay resulting from any of said causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that said causes will not excuse payments of amounts owed at the time of such occurrence or payment of Royalties and Ad Fees due on any sales thereafter.

13.8. OUT-OF-STOCK AND DISCONTINUED. We are not liable to you for any loss or damage, or deemed to be in breach of this Agreement, if we cannot deliver, or cause to be delivered, or if our Affiliates or designated sources or approved suppliers cannot deliver, all of your orders for goods, equipment, supplies, etc., where such things are out-of-stock or discontinued.

13.9. COSTS AND ATTORNEYS' FEES. If we incur expenses in connection with your failure to pay when due amounts owed to us, to submit when due any reports, information or supporting records or otherwise to comply with this Agreement, you agree to reimburse us for any of the costs and expenses which we incur, including, without limitation, reasonable accounting, attorneys', arbitrators' and related fees.

13.10. YOU MAY NOT WITHHOLD PAYMENTS DUE TO US. You agree that you will not withhold payment of any amounts owed to us on the grounds of our alleged nonperformance of any of our obligations hereunder. You agree that all such claims will, if not otherwise resolved by us, be submitted to arbitration as provided herein.

13.11. RIGHTS OF PARTIES ARE CUMULATIVE. Our and your rights hereunder are cumulative, and no exercise or enforcement by us or you of any right or remedy hereunder will preclude our or your exercise or enforcement of any other right or remedy hereunder which we or you are entitled by law to enforce.

13.12. ARBITRATION. Except for money you owe us, our affiliates, designated sources or approved suppliers and except for controversies, disputes or claims related to or based on your use of the Marks after the expiration or termination of this Agreement, all controversies disputes or claims between us and our shareholders, officers, directors, agents and employees and you, your owners, guarantors, affiliates and employees, if applicable, arising out of or related to this Agreement or any other agreement between you and us or any provision of any such agreement, our relationship with you, the validity of this Agreement or any other agreement between you and us or any provision of any such agreement; or any part of *The Way We Do Things* relating to the establishment or operation of the FRANCHISE, will be submitted for arbitration to the office of the American Arbitration Association that is nearest to our principal business address on demand of either party. Such arbitration proceedings will be conducted in such office, except as otherwise provided in this Agreement, will be heard by one arbitrator (who must have franchise experience) in accordance with the then current commercial arbitration rules of the American Arbitration Association. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 *et. seq.*) and not by any state arbitration law.

13.13. GOVERNING LAW. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 *et. seq.*). Except to the extent governed by the Federal Arbitration Act as required hereby, the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 *et. seq.*) or other Federal law, this Agreement, the Franchise and all claims arising from the relationship between us and you will be governed by the laws of Florida, without regard to its conflict of laws principles, except that any law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless jurisdictional requirements are met independently without reference to this Article.

13.14. CONSENT TO JURISDICTION. Subject to the arbitration provisions of this Agreement, you and your owners agree that we may institute any action against you or your owners in any state or federal

court of general jurisdiction in Florida, and you (and each owner) irrevocably submit to the jurisdiction of such courts and waive any objection you (or he or she) may have to either the jurisdiction of or venue in such courts.

13.15. WAIVER OF PUNITIVE DAMAGES AND JURY TRIAL. Except with respect to your obligation to indemnify us and claims we bring against you for your unauthorized use of the Marks or unauthorized use or disclosure of any Confidential Information, we and you and your respective owners waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other and agree that, in the event of a dispute between us, the party making a claim will be limited to equitable relief and to recovery of any actual damages it sustains. In all suits, actions or other proceedings related to or arising out of this Agreement, Franchisee hereby irrevocably waives any right to trial by jury.

13.17. LIMITATIONS OF CLAIMS. Except for claims arising from your nonpayment or underpayment of amounts you owe us pursuant to this Agreement, any and all claims arising out of or relating to this Agreement or our relationship with you will be barred unless a judicial or arbitration proceeding is commenced within one (1) year from the date on which the party asserting such claim knew or should have known of the facts giving rise to such claims.

13.18. CONSTRUCTION. This Agreement, its preambles and exhibits, and the documents referred to herein, shall be the entire, full, and complete agreement between us and you concerning the subject matter hereof, and supersedes all prior agreements, no other representation having induced you to execute this Agreement. There are no representations, inducements, promises, or agreements, oral or otherwise, between the parties not embodied herein or in the Disclosure Document, which are of any force or effect with reference to this Agreement or otherwise. Except for those permitted hereunder to be made unilaterally by us, no amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing by their authorized officers or agents.

13.19. WITHHOLD APPROVAL. Except where this Agreement expressly obligates us reasonably to approve or not unreasonably to withhold our approval of any of your actions or requests, we have the absolute right to refuse any request you make or to withhold our approval of any of your proposed or effected actions that require our approval.

If you are in a registration state that requires amendments to our standard franchise agreement, then this agreement includes a "state rider" attached hereto.

17. STATE AND LOCAL TAX ON FEES.

Any and all state and local taxes levied against royalty fees, ad fees, franchise fees or any other payments you make to us or owe to us shall be paid by you and not by us. You must account for the documentation and collection and payment of these taxes under Article (7) of this Agreement.

18. COMPENSATORY DAMAGES.

You do hereby acknowledge and agree that your breach of the terms of this Agreement or your termination of this agreement without our consent and without the award of lawful termination by a court or arbitrator in a proceeding brought in compliance with the terms hereof, shall cause us to incur damages, which damages may include, without limitation by enumeration, the following:

- 18.1.** Specific compensatory damages equal to Twenty-Four (24) months of Royalty and Ad Fund Fees, calculated as set forth in Section 10.1 of this Agreement (Termination Fee);
- 18.2.** Other money damages (actual and “benefit of the bargain”);
- 18.3.** Equitable relief;
- 18.4.** Loss of market value and/or brand disparagement;
- 18.5.** Lost profits;
- 18.6.** The sum of money that you would reasonably have paid us during the term of this Agreement, including any renewal term;
- 18.7.** The higher of the actual or pro rata cost of providing training to you by us;
- 18.8.** Legal, accounting and other professional fees;
- 18.9.** Out-of-pocket expenses to enforce the terms of this Agreement;
- 18.10.** Other consequential damages;
- 18.11.** Other incidental damages.

Nothing set forth above shall prevent a court or arbitrator to award compensatory damages as provided in this Agreement as well as injunctive or equitable relief as provided in this Agreement, and such damages provisions or injunctive or equitable relief provisions shall not prevent the arbitrator or court awarding other damages or relief as provided above. You agree that all damages set forth above are reasonable and foreseeable, that the damages were not avoidable by us and are reasonably certain to be sustained by us as a consequence of your unlawful termination of this Agreement. This provision shall be binding on each and every guarantor of this Agreement regardless of whether this provision is part of the guaranty document executed by the guarantor. Any award of damages to us by an arbitrator as provided above shall not be appealable. Any award by a court as provided above may be appealable but only after you post a bond in favor of us equal to the amount of the award of damages plus our reasonable costs and attorney’s fees during the course of any appeal. Any award of damages to us by an arbitrator or court is not dischargeable in bankruptcy by you or your guarantors.

APPENDIX "D"

THE OPTION TO ASSUME LEASE FOR THE FRANCHISE IS DESCRIBED ON THE FOLLOWING
PAGE

Option to Assume Lease

1. If _____ ("Tenant") defaults under the Lease dated _____ ("Lease") by and between _____ ("Landlord") and Tenant for the premises located at _____ (the "Premises"), or if Next Step Franchising, LLC ("Franchisor") terminates Tenant's franchise agreement covering the Premises, or if the franchise agreement expires, Landlord and Tenant acknowledge and agree that Franchisor will have the option to assume the Lease pursuant to the terms below.

2. Landlord agrees to give Franchisor written notice if Landlord terminates the Lease as a result of Tenant's default under the Lease. Franchisor agrees to give written notice to Landlord if Franchisor terminates Tenant's franchise agreement and, in such notice, will request that Landlord provide Franchisor with a copy of the Lease and specify any of Tenant's defaults thereunder. All notices will be by nationally recognized overnight courier (with tracking capability).

3. Franchisor or its representative may, within 30 days from (i) receipt of notice from Landlord that Landlord has terminated the Lease due to a default by Tenant, or (ii) sending notice to Landlord that Franchisor has terminated Tenant's franchise agreement covering the Premises, notify Landlord of Franchisor's decision to assume the Lease. If Franchisor exercises its right to assume the Lease, (i) Landlord will deliver possession of the Premises to Franchisor; and (ii) Franchisor will, immediately upon such delivery, cure all of Tenant's monetary defaults under the Lease, begin curing all of Tenant's nonmonetary defaults under the Lease, and execute an agreement, in a form acceptable to Landlord, pursuant to which Franchisor agrees to assume all of Tenant's rights and obligations under the Lease, subject to the next paragraph.

4. If Franchisor exercises its right to assume the Lease pursuant to Paragraph 3 above, Landlord agrees that Franchisor (i) may, without Landlord's consent, sublet the Premises or assign the Lease to an approved franchisee of Franchisor provided Franchisor remains liable for the payment of rent and the performance of Tenant's duties under the Lease and provided further that, if assigned, the approved franchisee executes an agreement, in a form acceptable to Landlord, pursuant to which such approved franchisee agrees to assume all of the Tenant's obligations under the Lease; (ii) may assign, without recourse, its rights under the Lease upon receiving Landlord's prior written consent, which consent shall not be unreasonably withheld; (iii) will not be subject to any provision of the Lease that requires Tenant to continuously operate a business in the Premises during any period that the Premises is closed for remodeling or while Franchisor is seeking to obtain and train a new franchisee, provided however, that such period of closure will not exceed 45 days in each instance; and (iv) may, if it subleases the Premises to a franchisee as provided above, retain all rent or other consideration payable to Franchisor under such sublease.

5. If Franchisor exercises its right to assume the Lease pursuant to Paragraph 3 above, within 10 days after written demand, Tenant agrees to assign all of its right, title, and interest in the Lease to Franchisor and, if Tenant does not do so, Tenant appoints Franchisor as its agent to execute all documents that may be necessary for Franchisor to take assignment of the Lease. Notwithstanding anything to the contrary contained herein, Tenant shall remain liable to Landlord for all of its obligations under the Lease and to Franchisor for all amounts that Franchisor pays to Landlord to cure Tenant's defaults under the Lease, including interest, reasonable collection costs, and de-identification costs (the parties acknowledging that Franchisor may enter the Premises, upon prior notice to Landlord, to de-identify the Premises). Upon notice to Landlord, Franchisor may assign this Option and its rights and obligations hereunder to any affiliate, subsidiary, or parent of Franchisor, provided such entity agrees to assume such rights and obligations in a form acceptable to Landlord. This Option may be signed in any number of counterparts by facsimile or otherwise, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. A facsimile signature may be used for any purpose in lieu of an original signature.

4.2 Confidential Information. Each Licensee agrees to keep and maintain the Confidential Information in confidence and not to use or disclose the same except as permitted in these Network Rules. The Confidential Information shall be made available only to such of the Licensee's employees who have a reasonable need to know in the performance of their duties and who have signed written confidentiality agreements satisfactory in form and substance to Licensor. Licensee agrees that the Confidential Information provided to Licensee by Licensor during the Term of this Agreement shall continue to remain the property of the Licensor at the conclusion of the Term of this Agreement and shall not be utilized by the Licensee thereafter.

5. AFFILIATION FEES.

5.1 Annual Payments. Affiliate shall pay an Affiliation Fee based on: (i) the number of Drycleaning Machines in which Licensee may use the Licensed Processes or Licensed Products, plus (ii) the number of Transfer Recovery Dryers used by said Drycleaning Machines. The annual Affiliation Fee shall be payable in advance for a license period of twelve months duration and the amount of the annual Affiliation Fee shall be determined in accordance with Exhibit B. The annual Affiliation Fee for each Drycleaning Machine or Transfer Recovery Dryer shall be due on the first day of the month following the date each machine begins operating using the Licensed Processes. At such time as the Licensee increases, decreases, or otherwise changes the number and/or type of machines eligible for the Licensed Processes or the Licensed Products, or the number of Transfer Recovery Dryers, Licensee shall provide Licensor notice thereof, and, unless and until Licensor objects, Exhibit A shall be adjusted accordingly, effective as of the first day of the month following the month in which the said notice is given. Licensor may change the Per-Machine Fee or the Per-Transfer Recovery Dryer Fee used in calculating the Affiliation Fee no more often than annually by providing sixty (60) days' prior written notice to the Licensee.

5.2 Renewal Payments. Provided Affiliate is in good standing and at the option of Licensor, Affiliate may renew the Letter of Understanding and the Network Rules by paying the Affiliation Fee for the next annual term.

Payment of Affiliation Fees for annual renewal terms indicates Affiliate's acceptance of the then-stated Letter of Understanding and Network Rules.

5.3 Late Fees and Collection Fees. Affiliate fees are due on the first day of the month following the date each machine begins operation, using the licensing process, and renew annually each year. If payment is not received within 14 days after due date, a ten (10%) percent late fee will be applied. If Licensee fails to make any payment within 30 days after Affiliate fees are due, the Affiliate's payments due may be sent to a collection agency to collect all fees including those associated with collection and all late fees due.

5.4 No Refunds. All payments made by Licensee to Licensor pursuant to the Licensee's Letter of Understanding and/or these Network Rules are nonrefundable.

5.5 Affiliation Fees Duration. All Affiliation Fees are due and payable until the Affiliate has been disaffiliated by the Licensor per Section 10 and the Letter of Understanding has been deemed to be terminated by the Licensor.

6. ENFORCING QUALITY STANDARDS.

6.1 Quality Operation. Each Licensee shall use the Licensor's Intellectual Property only in accordance with Licensor's quality standards. In this regard, each Licensee agrees to repair or replace damaged, worn, or obsolete signs or emblems bearing the Marks and to place or display at each of its business locations signs, emblems, lettering, and logos that properly display the Marks (as prescribed by Licensor).

6.2 Inspection and Compliance. To determine whether each respective Licensee is observing Licensor's quality standards and to verify the number and type of machines on premises owned by or subject to the control of Licensee and the number of Transfer Recovery Dryers using the Licensor's Intellectual Property, Licensor or its agents shall be permitted access at all reasonable times to all of the Licensee's stores or operations at which the Licensor's Intellectual Property is used.

6.3 Compliance with Law. Each Licensee acknowledges that it is responsible to secure and maintain in force in its name all required licenses, permits, and certificates relating to its business. Licensee shall conduct all operations that utilize the Licensor's Intellectual Property in full compliance with all applicable laws, ordinances and regulations.

7. ADVERTISING. All advertising materials containing the Marks used by any Licensee must be in good taste (in Licensor's reasonable judgment) and comply with Licensor's standards and specifications. Licensee shall change or discontinue any such advertising if requested to do so by Licensor for reasonable cause.

8. THE MARKS.

8.1 Ownership and Goodwill. Each Licensee's right to use the Marks is derived solely from the applicable Letter of Understanding and these Network Rules and is limited as provided herein. Any unauthorized use of the Marks by Licensee shall constitute a breach of these Rules and an infringement of the rights of Licensor in and to the Marks. All usage of the Marks by any Licensee and any goodwill established thereby shall inure to the exclusive benefit of Licensor. The Letter of Understanding and these Rules do not confer any goodwill or other interests in the Marks upon any Licensee (other than the right to use the Marks in connection with its use of the Licensed Processes and the Licensed Products) as presented in the Marketport section of the GreenEarth website.

8.2 Limitations on Licensee's Use of the Marks. Each Licensee shall use the Marks only in connection with its use of the Licensed Processes or Licensed Products. All other actions with regard to the Marks are prohibited.

8.3 Use of Marks In Signage. Each Licensee shall have the right to use the marks in the Licensee's signage so long as the total area represented by the marks is less than 50% of the total area of the copy and images centered in the sign.

8.4 Use of Marks in Communications. Each Licensee shall use the Marks in all of its communications to the public regardless of the message format used and in accordance with the Marketport section of the GreenEarth website.

9. TRANSFER. Licensor may sell or assign all or a portion of its rights under the Letter of Understanding and these Network Rules at any time. Provided that the obligations of Licensor are assumed by the transferee, Licensor shall automatically, upon such sale or assignment, be released from further obligations to any of the Licensees in the GreenEarth® Affiliate Network. No Licensee may (directly or indirectly) transfer or assign its rights under the Letter of Understanding or these Network Rules or a controlling interest in the Licensee (by way of stock sale or otherwise) without the prior written consent of Licensor. To effect any permitted transfers, a transfer fee of \$100.00 (USD) per license will be charged to cover the administrative costs involved.

10. DISAFFILIATION.

10.1 Grounds for Disaffiliation. If any Licensee (a) is adjudged bankrupt or insolvent; (b) files a voluntary petition in bankruptcy or for similar relief from creditors; (c) makes or attempts to make an unauthorized transfer of its rights under the Letter of Understanding or these Network Rules or an ownership interest in Licensee; (d) makes any unauthorized use or disclosure of any Confidential Information, makes any unauthorized use of the Marks, or makes any unauthorized use of the Licensed Processes or the Licensed Products; (e) fails to make any payment to Licensor when the same is due; or (f) otherwise violates these Network Rules or breaches the Letter of Understanding, then the Letter of Understanding shall be deemed terminated and the Licensee shall be deemed disaffiliated with the GreenEarth® Affiliate Network upon the expiration of the applicable cure period (as described below) without the need for any further action or notice, provided that the breach or violation is not cured during the applicable cure period to the satisfaction of Licensor.

10.2 Cure Periods. For the events, breaches, and/or violations described in clauses (a), (b), and (f) of Section 10.1, the cure period is thirty (30) days; for the events, breaches, and/or violations described in clauses (c) and (e) of Section 10.1, the cure period is five (5) days; and for breaches and/or violations described in clause (d) of Section 10.1, there is no applicable cure period. In each case in which there is a cure period, the applicable cure period commences upon the date when notice of the event, breach, and/or violation is provided. For a breach for which there is no cure period, the termination is effective upon the giving of the said notice.

11. RIGHTS AND RESPONSIBILITIES UPON DISSAFFILIATION.

11.1 Monetary Obligations. Each Licensee shall pay to Licensor or its Associates within fifteen (15) days after the effective date of termination of the Letter of Understanding and disaffiliation from the GreenEarth® Affiliate Network all amounts owed to Licensor or its Associates which have accrued, but which are then unpaid.

11.2 Intellectual Property, Marks and Trade Dress. After disaffiliation from the GreenEarth® Affiliate Network, each Licensee shall:

(a) Not directly or indirectly at any time or in any manner identify Associates or any business as using the Licensed Processes, Licensed Equipment or the Licensed Products, or as a Licensee of, or as otherwise associated with Licensor, or use any of the Marks or any colorable imitation thereof in any manner or for any purpose, or utilize for any purpose any trade name, trade or service mark, or other commercial symbol that suggests or indicates a connection, affiliation, or association with Licensor or the GreenEarth® Affiliate Network;

(b) Remove all signs, emblems, decals, or other items containing any of the Marks and return to Licensor or destroy all forms and materials containing any Mark or otherwise identifying or relating to Licensor or the GreenEarth® Affiliate Network;

(c) Discontinue using all of the Licensor's Intellectual Property.

(d) Furnish to Licensor, within thirty (30) days after the effective date of disassociation, evidence satisfactory to Licensor of Licensee's compliance along with the Confirmation of Inactive Status document, with the provisions of this Section 11.2 and Section 11.3 hereof and allow Licensor to visually inspect the premises to assure compliance.

11.3 Intellectual Property. Upon termination of the Letter of Understanding and disaffiliation from the GreenEarth® Affiliate Network (for any cause), each disaffiliated Licensee shall immediately cease to use any Intellectual Property and return to Licensor all copies of any Confidential Information.

11.4 Continuing Obligations. All obligations of Licensor and Licensee under Sections 4, 11.1 through 11.3 and 12.4 of the Network Rules shall continue, notwithstanding termination of the Letter of Understanding and/or disaffiliation from the GreenEarth® Affiliate Network.

12. RELATIONSHIP OF PARTIES/INDEMNIFICATION.

12.1 Independent Contractors. Neither the Letter of Understanding nor these Rules creates a fiduciary relationship between or among Licensor and the Licensee participants in the GreenEarth® Affiliate Network. Licensor and each Licensee are and shall be independent contractors. Nothing in the Letter of Understanding or these Network Rules is intended to make either party a general or special agent, joint venturer, partner, or employee of the other for any purpose. The Letter of Understanding is a license agreement only and not a franchise agreement. Licensor, other than the minimum quality controls necessary to preserve the validity of the Marks and the confidentiality of the Intellectual Property, has not (a) provided for itself the right to exercise significant controls over the business of any Licensee or (b) promised significant assistance to any Licensee or any other person in the operation of Licensee's business. If any employee of Licensor ever makes or purports to make any promise or exerts or attempts to exert any such control over or with respect to any Licensee's business, Licensee is obligated immediately to notify the Managing Director of Licensor with respect to any such statement or action.

12.2 No Authority. No Licensee shall on behalf of Licensor (a) make any express or implied agreements, warranties, guarantees, or representations; (b) incur any debt; or (c) represent that their relationship is other than Licensor and Licensee. Licensor shall not be obligated for any damages to any person or property directly or indirectly arising out of Licensee's business or other activities.

12.3 Taxes. Licensor shall have no liability for any sales, use, service, occupation, excise, gross receipts, income, property, or other taxes or assessments, whether levied upon Licensee or Licensee's property, or upon Licensor, in connection with sales made or business conducted by any Licensee. Payment of all such taxes shall be the responsibility of the Licensee.

12.4 Indemnification. Each Licensee shall indemnify, defend, and hold Licensor, its Associates, and their shareholders, directors, officers, employees, agents, consultants, independent contractors, successors, and assigns harmless against and shall reimburse them for all claims, obligations, taxes, assessments, and damages described in these Rules as belonging to Licensee and any claims directly or indirectly arising out of the Licensee's operations or the use of the Licensor's Intellectual Property, Marks, the Licensed Processes, the Licensed Equipment or the Licensed Products in any manner, including, without limitation, any claims, damages, or remediation obligations imposed as a result of environmental damage or the violation of environmental laws, but excluding any claims based on alleged infringement of intellectual property rights of third parties where the Licensed Products, the Licensed Equipment or the Licensed Processes, and the Marks are used in the manner prescribed by Licensor. For purposes of this indemnification, "claims" shall mean and include all obligations, actual and consequential damages, and costs reasonably incurred in the defense of any claim against the indemnified parties, including, without limitation, reasonable accountants', attorneys', and expert witness fees; costs of investigation and proof of facts; court costs; other litigation expenses; and travel and living

expenses. Licensor shall have the right to defend any such claim against it in such manner as Licensor deems appropriate or desirable in its sole discretion.

13. GENERAL PROVISIONS.

13.1 Governing Law. The relationship between the parties shall be governed by the substantive laws of the State of Missouri.

13.2 Binding Effect. These Rules will inure to the benefit of, and be binding upon, the parties hereto and their heirs, successors, representatives, and permitted assigns and transferees, except as may be otherwise restricted pursuant to other sections of these Network Rules.

13.3 Amendment. In addition to paragraph 5.2 above, these Network Rules may be modified and amended at any time by Licensor. If Licensor revises these Network Rules, Licensor will post the changes to the Network Rules on the Affiliates Section of the GreenEarth website (www.greenearthcleaning.com). Licensor will also show the dates on which the Network Rules were last revised. Licensee's continued use of the GreenEarth Intellectual Property constitutes Licensee's acceptance of the revised Network Rules. It is the Licensee's responsibility to regularly check the GreenEarth website to determine if there have been changes to the Network Rules and to review such changes.

13.4 Entire Agreement. The Letter of Understanding and these Network Rules, together with the Conditions for Use located on the GreenEarth Affiliate Resource Center sign in page and any schedules hereto or thereto, constitute the entire agreement between the Licensor and each respective Licensee participant in the GreenEarth® Affiliate Network. There are no other oral or written understandings or agreements between Licensee or Licensor or their respective Associates relating to the subject matter of the Letter of Understanding and/or these Network Rules, and all prior and contemporaneous agreements, understandings, conditions, warranties, and representations are superseded by the Letter of Understanding and these Network Rules. Headings herein and in the Letter of Understanding are for convenience of reference only and do not form a part of any agreement between Licensor and any Licensee. Schedules referenced herein and in the Letter of Understanding, however, are incorporated herein by reference and do form a part of the Letter of Understanding and these Network Rules.

13.5 Attorneys' Fees. If a claim for amounts owed by any Licensee to Licensor is asserted in any proceeding before a court of competent jurisdiction or arbitrator, or if Licensor is required to enforce its rights under the Letter of Understanding or these Network Rules in a judicial or arbitration proceeding, if Licensor prevails in such proceeding, Licensor shall be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees, to the extent incurred with respect to the issues for which Licensor prevails.

13.6 Judicial Enforcement and Injunctive Relief. Each Licensee agrees that all litigation initiated by Licensee to adjudicate a dispute must be filed in the courts in Jackson County, Missouri. Licensor may enforce these Rules, including, without limitation, any right Licensor may have to seek preliminary and permanent injunctive relief prohibiting unauthorized use or infringement of any of the Licensor's Intellectual Property in general and the Marks, the Licensed Processes, the Licensed Equipment or the Licensed Products specifically by judicial process in any court of competent jurisdiction, including (without limitation) courts in Jackson County, Missouri. Licensee consents to, and agrees not to contest or challenge, the jurisdiction or venue of the courts in Jackson County, Missouri, or the enforcement of any judgment of these courts with respect to Licensee anywhere Licensee uses the Intellectual Property or conducts operations using the Licensed Processes, Licensed Equipment or the Licensed Products.

13.7 Dry Cleaning Fluids Usage Notice. In order for Licensor to be in full compliance with the Federal Trade Commission's Truth in Advertising regulations in advising the public with regard to the services offered at each Licensed Store in the store location section of the Licensor's website, Licensee is required to inform Licensor as to the dry cleaning fluid(s) being used at the Licensed Store location. Licensed Stores using only the GreenEarth liquid silicone dry cleaning fluid shall be highlighted and designated as exclusive GreenEarth providers on the Licensor's

website. Licensee agrees to promptly inform Licensor as to the dry cleaning fluid(s) being used at the start of the Letter of Understanding Agreement and at any time during the Term of the Agreement should a change occur in the dry cleaning fluid(s) being used at the Licensed Store.

13.8 Network Membership. All Licensees in good standing are Members of the GreenEarth Affiliates Network. As such, each Member is entitled to use all of GreenEarth's Intellectual Property (the Members' benefits), including its trademarks, brand, copyrighted materials, know how, branded products and activated clay filtration process. Upon disaffiliation as a Licensee, a Licensee is no longer a Member of the GreenEarth Affiliates Network and is no longer entitled to use any of the Members' benefits.

Independent Auditor's Report

Member and Management
Next Step Franchising, LLC
Hanover, Massachusetts

Opinion

We have audited the accompanying financial statements of Next Step Franchising, LLC which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of operations and changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Next Step Franchising, LLC as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years ended December 31, 2022 and 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Next Step Franchising, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Next Step Franchising, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Next Step Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Next Step Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Next Step Franchising, LLC (the Company) was formed on March 28, 2018, for the purpose of selling and operating franchises under the brand name Lapels Dry Cleaning. The Company authorizes franchisees and third-party licensees to use business formats, systems, methods, procedures, designs, layouts, specifications, trade names, and trademarks in the United States.

The Company does not operate any Lapels Dry Cleaning locations.

As of December 31, 2022, there were seventy- eight (78), open and operating franchise locations and six (6) additional franchise locations with signed agreements in various stages of development.

Basis of Presentation

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Concentration of Credit Risk

The Company maintains cash balances at a financial institution, which at various times during the year may exceed the threshold for insurance provided by the Federal Deposit Insurance Corporation (FDIC). Accounts at each institution are insured by the FDIC up to \$250,000. The Company believes it is not exposed to any significant credit risk on cash.

Revenue Recognition

The Company generates revenue from the sale of franchise licenses under various agreements. The initial franchise fee is due at signing and is earned based on the recognition of specific performance obligations. The Company also generates revenue from the installation of equipment which is earned when the full installation is complete. The Company also offered multi-unit territory development agreements which they recognize over the length of the agreement. The Company generates revenue from royalty and advertising fees which are recognized when collected. From time to time the Company may charge various other fees as outlined in the Franchise Disclosure Document. See Note 2, Revenue from Contracts with Customers for further information regarding implementation and disclosures.

Accounts Receivable

Accounts receivables are recorded at the invoiced amount. Payments of accounts receivable are allocated to the specific invoices on the customer's remittance advice or, if unspecified, are applied to the earliest unpaid invoices. The Company does not require collateral from its customers.

1. Nature of Operations and Summary of Significant Accounting Policies (cont.)

Accounts Receivable (cont.)

The Company uses the allowance method to establish an adequate reserve to cover anticipated uncollectible accounts receivable. Recoveries are credited to the allowance. Accounts receivable balances that exceed 90 days from the invoice date are considered delinquent. Management reviews the adequacy of the allowance at year-end based on its history of past write-offs and collections and current credit conditions. Accounts are written-off as uncollectible when the Company determines that collection is unlikely. There is an allowance for doubtful accounts of \$25,000 and \$25,000 recorded as of December 31, 2022 and 2021, respectively.

Inventory

Inventory consists primarily of supplies and equipment held for sale and are stated at the lower of cost (average cost method) or market value.

Goodwill

The Company follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 350, Goodwill and Other Intangible Assets. Under this statement, goodwill and other intangible assets are deemed to have indefinite lives and are not amortized. Intangible assets that have finite lives are amortized over their estimated useful lives. Goodwill was reported at fair market value at the time of the acquisition of assets and assumed liabilities of Next Step Franchising, Inc.

Goodwill is not amortized but is tested for impairment on an annual basis and between annual tests whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Goodwill is tested at the reporting unit level, which is defined as an operating segment, or one level below the operating segment. The Company tests for an indication of goodwill impairment in the fourth quarter of each year, or sooner, when indicators of impairment exist, by comparing the fair value of our reporting unit to its carrying value. If there is an indication of impairment, we perform a step two test to measure the impairment. Impairments, if any, are recorded to the statement of operations in the period the impairment is recognized. No impairment loss was recognized for the years ended December 31, 2022 and 2021.

A significant amount of judgment is involved in determining if an indicator of impairment has occurred. Such indicators include a sustained and significant decline in our expected future cash flows, a significant adverse change in legal factors or in the business climate and unanticipated competition.

Impairment of Long-Lived Assets

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Long-lived assets consist primarily of property, plant, and equipment and intangible assets. Recoverability of assets is measured by a comparison of the carrying amount of an asset group to future net cash flows expected to be generated by the asset group. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less cost to sell. For the years ended December 31, 2022 and 2021, the Company did not recognize any impairment of long-lived assets.

Notes to Financial Statements

1. Nature of Operations and Summary of Significant Accounting Policies (cont.)

Income Taxes

The Company has elected to be treated as a Limited Liability Company for federal and state income tax reporting purposes. As such, the Company does not pay income taxes on its taxable income. Instead, the members are liable for individual income taxes on their respective shares of the Company's taxable income. Accordingly, no provision or liability for income tax is reflected in these financial statements. Effective April 5, 2021, the Company is a wholly owned single member limited liability company and is a disregarded entity for U.S. federal and state income tax purposes, and all of its income and expenses are reported on the Member's tax return. Management does not believe there are any uncertain tax positions as of December 31, 2022.

Limited Liability Company

Since the Company is a limited liability company, no member, manager, agent, or employee of the Company shall be personally liable for the debt, obligations, or liabilities of the entity, whether arising in contract, tort, or otherwise, or for the acts or omissions of any other member, manager, agent, or employee of the entity, unless the individual has signed a specific personal guarantee.

As a limited liability company, the member's liability is limited to the amounts reflected in their respective member equity account.

System Advertising Fund

The Company administers a system advertising fund for the common benefit of the franchisees. Funds collected from franchisees are based on a percentage of weekly gross sales and the Company manages the franchise brand system advertising fund.

Advertising and Marketing Costs

Advertising and marketing costs are charged to operations in the year incurred.

Advertising and marketing costs on behalf of the franchisees were \$213,175 and \$85,795 for the years ended December 31, 2022 and 2021, respectively.

Advertising and marketing costs on behalf of the franchisor were \$31,705 and \$44,323 for the years ended December 31, 2022 and 2021, respectively.

Change in Accounting Estimate

Effective January 1, 2021, the Company elected to change its method of estimating the portion of franchise fees to be recognized at the point in time the Company has satisfied its pre-opening services performance obligation. The change in accounting estimate has been applied prospectively. Had the revenue been recognized under the prior estimation methodology, franchise fees would have been approximately \$13,000 lower for the year ended December 31, 2021.

Reclassifications

Certain reclassifications have been made to the 2021 consolidated financial statements in order to conform them to the 2022 presentation. These reclassifications had no impact to net loss or member's equity.

2. Revenue From Contracts With Customers

In January 2021, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2021-02, Franchisors-Revenue from Contracts with Customers (Subtopic 952-606) (ASU 2021- 02). This ASU provides a practical expedient to ASU 2014-09 Revenue from Contracts with Customers (Topic 606). The new guidance allows franchisors to simplify the application of the guidance about identifying performance obligations for franchisors that perform pre-opening services by allowing a franchisor to account for pre-opening services as distinct if they are consistent with those included in a predefined list of pre-opening services. The Company follows FASB ASC Topic 606, Revenue from Contracts with Customers and adopted Subtopic 952-606 Franchisors-Revenue from Contracts with Customers effective with the application of ASC Topic 606 for the year ended December 31, 2020.

Franchise Fees

The Company recognizes initial franchise fees as two (2) performance obligations. Pre-opening services include, but are not limited to, training, assisting in selecting the site for the store, assistance with reviewing the lease, and assistance with the store's grand opening period. The other performance obligation is access to the license. The pre-opening service performance obligation is recognized at a point in time, when the franchisee signs their lease, as that is the time those services are completed. The amount allocated to the franchise license is earned over time based on the franchise agreement as performance obligations are satisfied due to the continuous transfer of control to the franchisee.

Territory Development Fees

Revenue from a multi-unit territory development area fee, paid at the time the Territory Development Agreement is signed, is applied towards each individual location's initial franchise fee. The fees range based upon the number of franchise units the franchisee will operate. These fees are stated in the Franchise Disclosure Document. These fees are deferred and recognized in accordance with the franchise fee revenue recognition policy. During the year ended December 31, 2021, the Company terminated a territory development arrangement with a franchisee, resulting in the acceleration of recognition of approximately \$54,000 in deferred territory development fees which is included in other income in the statements of operations and member's equity.

Equipment Fees

Revenue from the plant and satellite location equipment program range depending on store location and the equipment necessary to turn the site into an approved Lapels Dry Cleaning location. The fees represent the design, outfitting, and supervision through a grand opening at a particular site. These revenues are recognized in full upon the installation of the equipment.

Variable Considerations

The franchise agreement contains variable considerations in the form of royalty and advertising fees. These fees are based on franchisee weekly sales and are recorded as revenue as these services are delivered because the variable payment relates specifically to the performance obligation of using the license. Other variable considerations for supplies and materials are recorded as revenue as the materials are delivered because the variable payments relate specifically to the performance obligation of providing the materials to the franchisee.

Contract Assets and Liabilities

Contract assets consist of commissions paid to facilitate the franchise sale and are amortized over the expected customer life which includes the franchise license period plus a renewal period.

Contract liabilities consist of the unearned portion of the initial franchise agreements and the equipment installation, and the remaining amortizable portion of the territory development agreements. Contract liabilities from franchise agreements are a result of the collection of the franchise fee when the franchise agreement is signed and performance obligations that have not yet been performed. Contract liabilities from equipment installation are a result of an installation agreement being signed, but the actual installation having not yet been finished by year-end. Contract liabilities for the territory development agreements consist of the remaining amortizable portion of the initial fee that will be recognized over time.

Contract liabilities can fluctuate from year to year based on the number of franchises, territory development and equipment installation agreements signed.

The Company has elected to account for pre-opening services as distinct from the franchise license.

The Company applied the full-retrospective approach method upon adoption of ASC Subtopic 952-606 for the year ended December 31, 2021, which allowed the new accounting standard to be applied to all contracts as of the date of initial implementation. There was no effect to member's equity as a result of this adoption.

Opinion

We have audited the accompanying financial statements of Next Step Franchising, LLC (a Delaware Limited Liability Company), which comprise the balance sheet as of December 31, 2021, and the related statements of operations and changes in member's equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the 2021 financial statements referred to above present fairly, in all material respects, the financial position of Next Step Franchising, LLC as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Next Step Franchising, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of Next Step Franchising, LLC as of December 31, 2020 were audited by other auditors whose report, dated April 28, 2021, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Next Step Franchising, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Next Step Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Next Step Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Next Step Franchising, LLC (the Company) was formed on March 28, 2018 for the purpose of selling and operating franchises under the brand name Lapels Dry Cleaning. The Company authorizes franchisees and third-party licensees to use business formats, systems, methods, procedures, designs, layouts, specifications, trade names, and trademarks in the United States.

The Company does not operate any Lapels Dry Cleaning locations.

As of December 31, 2021, there were eighty-five (85), open and operating franchise locations and two (2) additional franchise locations with signed agreements in various stages of development.

Basis of Presentation

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Concentration of Credit Risk

The Company maintains cash balances at a financial institution, which at various times during the year may exceed the threshold for insurance provided by the Federal Deposit Insurance Corporation (FDIC). Accounts at each institution are insured by the FDIC up to \$250,000. The Company believes it is not exposed to any significant credit risk on cash.

Revenue Recognition

The Company generates revenue from the sale of franchise licenses under various agreements. The initial franchise fee is due at signing and is earned based on the recognition of specific performance obligations. The Company also generates revenue from the installation of equipment which is earned when the full installation is complete. The Company also offered multi-unit territory development agreements which they recognize over the length of the agreement. The Company generates revenue from royalty and advertising fees which are recognized when collected. From time to time the Company may charge various other fees as outlined in the Franchise Disclosure Document. See Note 2, Revenue from Contracts with Customers for further information regarding implementation and disclosures.

Accounts Receivable

Accounts receivables are recorded at the invoiced amount. Payments of accounts receivable are allocated to the specific invoices on the customer's remittance advice or, if unspecified, are applied to the earliest unpaid invoices. The Company does not require collateral from its customers.

1. Nature of Operations and Summary of Significant Accounting Policies (cont.)

Accounts Receivable (cont.)

The Company uses the allowance method to establish an adequate reserve to cover anticipated uncollectible accounts receivable. Recoveries are credited to the allowance. Accounts receivable balances that exceed 90 days from the invoice date are considered delinquent. Management reviews the adequacy of the allowance at year-end based on its history of past write-offs and collections and current credit conditions. Accounts are written-off as uncollectible when the Company determines that collection is unlikely. There is an allowance for doubtful accounts of \$25,000 and \$45,000 recorded as of December 31, 2021 and 2020, respectively.

Goodwill

The Company follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 350, Goodwill and Other Intangible Assets. Under this statement, goodwill and other intangible assets are deemed to have indefinite lives and are not amortized. Intangible assets that have finite lives are amortized over their estimated useful lives. Goodwill was reported at fair market value at the time of the acquisition of assets and assumed liabilities of Next Step Franchising, Inc.

Goodwill is not amortized but is tested for impairment on an annual basis and between annual tests whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Goodwill is tested at the reporting unit level, which is defined as an operating segment, or one level below the operating segment. The Company tests for an indication of goodwill impairment in the fourth quarter of each year, or sooner, when indicators of impairment exist, by comparing the fair value of our reporting unit to its carrying value. If there is an indication of impairment, we perform a step two test to measure the impairment. Impairments, if any, are recorded to the statement of operations in the period the impairment is recognized. No impairment loss was recognized for the years ended December 31, 2021 and 2020.

A significant amount of judgment is involved in determining if an indicator of impairment has occurred. Such indicators include a sustained and significant decline in our expected future cash flows, a significant adverse change in legal factors or in the business climate and unanticipated competition.

Impairment of Long-Lived Assets

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Long-lived assets consist primarily of property, plant, and equipment and intangible assets. Recoverability of assets is measured by a comparison of the carrying amount of an asset group to future net cash flows expected to be generated by the asset group. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less cost to sell. For the years ended December 31, 2021 and 2020, the Company did not recognize any impairment of long-lived assets.

Income Taxes

The Company has elected to be treated as a Limited Liability Company for federal and state income tax reporting purposes. As such, the Company does not pay income taxes on its taxable income. Instead, the members are liable for individual income taxes on their respective shares of the Company's taxable income. Accordingly, no provision or liability for income tax is reflected in these financial statements. Effective April 5, 2021, the Company is a wholly owned single member limited liability company and is a disregarded entity for U.S. federal and state income tax purposes, and all of its income and expenses are reported on the Member's tax return. Management does not believe there are any uncertain tax positions as of December 31, 2021.

1. Nature of Operations and Summary of Significant Accounting Policies (cont.)

Limited Liability Company

Since the Company is a limited liability company, no Member, manager, agent, or employee of the Company shall be personally liable for the debt, obligations, or liabilities of the entity, whether arising in contract, tort, or otherwise, or for the acts or omissions of any other Member, manager, agent, or employee of the entity, unless the individual has signed a specific personal guarantee.

As a limited liability company, the member's liability is limited to the amounts reflected in their respective member equity account.

System Advertising Fund

The Company administers a system advertising fund for the common benefit of the franchisees. Funds collected from franchisees are based on a percentage of weekly gross sales and the Company manages the franchise brand system advertising fund.

Advertising and Marketing Costs

Advertising and marketing costs are charged to operations in the year incurred.

Advertising and marketing costs on behalf of the franchisees were \$85,795 and \$108,825 for the years ended December 31, 2021 and 2020, respectively.

Advertising and marketing costs on behalf of the franchisor were \$44,323 and \$73,634 for the years ended December 31, 2021 and 2020, respectively.

Change in Accounting Estimate

Effective January 1, 2021, the Company elected to change its method of estimating the portion of franchise fees to be recognized at the point in time the Company has satisfied its pre-opening services performance obligation. The change in accounting estimate has been applied prospectively. Had the revenue been recognized under the prior estimation methodology, franchise fees would have been approximately \$13,000 lower for the year ended December 31, 2021.

Reclassifications

Certain reclassifications have been made to the 2020 financial statements in order to conform them to the 2021 presentation. These reclassifications have no impact to net loss or member's equity.

2. Revenue From Contracts With Customers

In January 2021, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2021-02, Franchisors-Revenue from Contracts with Customers (Subtopic 952-606) (ASU 2021-02). This ASU provides a practical expedient to ASU 2014-09 Revenue from Contracts with Customers (Topic 606). The new guidance allows franchisors to simplify the application of the guidance about identifying performance obligations for franchisors that perform pre-opening services by allowing a franchisor to account for pre-opening services as distinct if they are consistent with those included in a predefined list of pre-opening services. The Company follows FASB ASC Topic 606, Revenue from Contracts with Customers and adopted Subtopic 952-606 Franchisors-Revenue from Contracts with Customers effective with the application of ASC Topic 606 for the year ended December 31, 2020.

Notes to Financial Statements

2. Revenue From Contracts With Customers (cont.)

Franchise Fees

The Company recognizes initial franchise fees as two (2) performance obligations. Pre-opening services include, but are not limited to, training, assisting in selecting the site for the store, assistance with reviewing the lease, and assistance with the store's grand opening period. The other performance obligation is access to the license. The pre-opening service performance obligation is recognized at a point in time, when the franchisee signs their lease, as that is the time those services are completed. The amount allocated to the franchise license is earned over time based on the franchise agreement as performance obligations are satisfied due to the continuous transfer of control to the franchisee.

Territory Development Fees

Revenue from a multi-unit territory development area fee, paid at the time the Territory Development Agreement is signed, is applied towards each individual location's initial franchise fee. The fees range based upon the number of franchise units the franchisee will operate. These fees are stated in the Franchise Disclosure Document. These fees are deferred and recognized in accordance with the franchise fee revenue recognition policy. During the year ended December 31, 2021, the Company terminated a territory development arrangement with a franchisee, resulting in the acceleration of recognition of approximately \$54,000 in deferred territory development fees which is included in other income in the statements of operations and member's equity.

Equipment Fees

Revenue from the plant and satellite location equipment program range depending on store location and the equipment necessary to turn the site into an approved Lapels Dry Cleaning location. The fees represent the design, outfitting, and supervision through a grand opening at a particular site. These revenues are recognized in full upon the installation of the equipment.

Variable Considerations

The franchise agreement contains variable considerations in the form of royalty and advertising fees. These fees are based on franchisee weekly sales and are recorded as revenue as these services are delivered because the variable payment relates specifically to the performance obligation of using the license. Other variable considerations for supplies and materials are recorded as revenue as the materials are delivered because the variable payments relate specifically to the performance obligation of providing the materials to the franchisee.

The following table disaggregates the Company's revenue based on the timing of satisfaction of performance obligations for the years ended December 31:

| <i>December 31, 2021</i> | Franchise Fees | Territory Development Fees | Equipment Fees | Advertising Funds | Franchise Royalties | Supplies and Other Fees and Other Revenue | Total |
|---|-------------------|----------------------------------|-------------------|----------------------|------------------------|---|---------------------|
| <i>Performance obligations satisfied at a point in time</i> | \$ 234,499 | \$ - | \$ 537,994 | \$ - | \$ - | 26,853 | \$ 799,346 |

Contract Assets and Liabilities

Contract assets consist of commissions paid to facilitate the franchise sale and are amortized over the expected customer life which includes the franchise license period plus a renewal period.

Contract liabilities consist of the unearned portion of the initial franchise agreements and the equipment installation, and the remaining amortizable portion of the territory development agreements. Contract liabilities from franchise agreements are a result of the collection of the franchise fee when the franchise agreement is signed and performance obligations that have not yet been performed. Contract liabilities from equipment installation are a result of an installation agreement being signed, but the actual installation having not yet been finished by year end. Contract liabilities for the territory development agreements consist of the remaining amortizable portion of the initial fee that will be recognized over time.

Contract liabilities can fluctuate from year to year based on the number of franchise, territory development and equipment installation agreements signed.

Practical Expedients and Exemptions

Upon the adoption of ASC Subtopic 952-606, the Company utilized certain practical expedients and exemptions as follows:

The Company has elected to account for pre-opening services as distinct from the franchise license.

The Company applied the full-retrospective approach method upon adoption of ASC Subtopic 952-606 for the year ended December 31, 2020, which allowed the new accounting standard to be applied to all contracts as of the date of initial implementation. There was no effect to member's equity as a result of this adoption.

3. Notes Receivable

From time to time, the Company lends funds to franchisees. These notes include interest up to 9%. The balance of the notes receivable at December 31, 2021 and 2020 was \$145,039 and \$56,331, respectively.

DISCLOSURE DOCUMENT ADDENDUM - MICHIGAN

(Applies only to Michigan franchises)

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but it not limited to:
 - (i) The failure of the proposed franchisee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

DISCLOSURE DOCUMENT ADDENDUM – MICHIGAN

Continued

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (C).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee or subfranchisor until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND
AMENDMENT TO FRANCHISE AGREEMENT
PURSUANT TO THE MINNESOTA FRANCHISE INVESTMENT LAW**

(Applies only to Minnesota franchisees)

Notwithstanding anything to the contrary set forth in the Disclosure Document and/or Franchise Agreement, as applicable, the following provisions shall supersede and apply to all franchises offered and sold in the State of Minnesota:

1. The following language shall be added to the Disclosure Document and the Franchise Agreement:

“The Minnesota Department of Commerce requires the Franchisor to indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the Franchisee’s use of the tradename infringes trademark rights of the third party. Franchisor indemnifies Franchisee against the consequences of Franchisee’s use of the tradename in accordance with the requirements of the license, and, as a condition to indemnification, Franchisee must provide notice to Franchisor of any such claims within ten (10) days and tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle, or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.”

2. The Disclosure Document and Franchise Agreement are amended as follows:

“With respect to franchises governed by Minnesota law, Franchisor will comply with Minn.Stat.Sec. 80C.14, Subds 3, 4 and 5, which require, except in certain specific cases, that a Franchisee be given ninety (90) day notice of termination (with sixty (60) days to cure) and one hundred eighty (180) day notice for non-renewal of the Franchise Agreement.”

3. No release language set forth in the Franchise Agreement shall relieve Franchisor or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Minnesota.
4. Liquidated damages and termination penalties are prohibited by law in the State of Minnesota and, therefore, the Franchise Agreement is amended by the addition of the following language to the original language that appears therein:

“Notwithstanding any such termination, and in addition to the obligations of the Franchisee as otherwise provided, or in the event the termination or cancellation of the Franchise Agreement under any of the other provisions therein, the Franchisee nevertheless shall be, continue and remain liable to Franchisor for any and all damages which Franchisor has sustained or may sustain by reason of such default or defaults and the breach of the Franchise Agreement on the part of the Franchisee for the unexpired term of the Franchise Agreement.

At the time of such termination of the Franchise Agreement, the Franchisee covenants to pay to Franchisor within ten (10) days after demand as compensation for all damages, losses, costs and expenses (including reasonable attorney’s fees) incurred by Franchisor, and/or amounts which would otherwise be payable thereunder but for such termination for and during the remainder of the unexpired Operating Term of the Franchise Agreement. This does not constitute a waiver of the Franchisee’s right to a trial on any of the above matters.”

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND
AMENDMENT TO FRANCHISE AGREEMENT
PURSUANT TO THE MINNESOTA FRANCHISE INVESTMENT LAW

5. Item 17 of the Disclosure Document is amended to add the following and the following language will appear at the end of any Franchise Agreement issued in the State of Minnesota:

“Pursuant to Minnesota Statutes, Chapter 80C and Minn. Rule Part 2860-4400J, this Section shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Minnesota Statutes Chapter 80C.”

6. The Disclosure Document and the Franchise Agreement are amended as follows:

“Nothing contained herein shall limit Franchisee’s rights to submit matters to the jurisdiction of the courts of Minnesota to the full extent required by Minn. Rule 2860-4400J.”

7. The Franchisee cannot consent to the Franchisor obtaining injunctive relief. The Franchisor may seek injunctive relief. See Minn. Rule 2860.4400J. Also, a court will determine if a bond is required.
8. Any limitations of claims set forth in the Franchise Agreement must comply with Minnesota Statutes, Section 80C.17, Subd 5.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

FRANCHISE AGREEMENT ADDENDUM - WASHINGTON

Ch. 135 applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. It further provides that ninety (90) days prior written notice of a proposed termination, etc. must be given to the dealer. The dealer has sixty (60) days to cure the deficiency and if the deficiency is cured, the notice is void. Section 17 of this Franchise Disclosure Document and the corresponding section of the franchise should state that the Wisconsin Fair Dealership Law supersedes any provisions contained in the franchise or license agreement that are inconsistent with that Law.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Addendum and Rider concurrently with the execution of the Franchise Agreement this _____ day of _____, 20_____.
