PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISED BUSINESS ARE NOT SUBJECT TO COMPENSATION. WHAT YOU NEED TO KNOW ABOUT FRANCHISING *GENERALLY*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

SOME STATES REQUIRE REGISTRATION

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in [Exhibit J](#).

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISK(S) TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH THE FRANCHISOR BY ARBITRATION AND LITIGATION ONLY IN THE STATE IN WHICH OUR THEN-CURRENT HEADQUARTERS IS LOCATED, CURRENTLY FLORIDA. OUT-OF-STATE ARBITRATION AND LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE OR LITIGATE WITH THE FRANCHISOR IN FLORIDA THAN IN YOUR HOME STATE.
2. THE FRANCHISE AGREEMENT STATES THAT FLORIDA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.
3. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” located in [Exhibit L](#) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

Hertz System, Inc., a Delaware corporation (“**Hertz**,” “**we**,” “**us**” or “**our**”), was formed on January 19, 1925. We conduct our business under the name “HERTZ®”, and we maintain our principal place of business at 8501 Williams Road, Estero, Florida 33928. Our agents for service of process are listed on Exhibit K to this Disclosure Document. We grant franchises for businesses that rent cars under a franchise agreement (the “**Franchise Agreement**”) the form of which is attached to this Disclosure Document as Exhibit A. We previously referred to our franchisees as “licensees” and that term may appear in this Disclosure Document; where the term “licensee” appears, it has the same meaning as “franchisee.”

Previously, we offered licenses for the business of renting, or renting and leasing, both cars and trucks. We also offered licenses for the business of renting, or renting and leasing, only trucks. As of December 31, 2022, we had 1 license issued and outstanding for the business of renting, or renting and leasing, cars and trucks, 0 licenses issued and outstanding for the business of renting, or renting and leasing, only trucks and 38 licenses were issued and outstanding for renting, or renting and leasing, only cars.

We have neither conducted, nor offered franchises in, any other line of business. Also, we do not operate any businesses of the type being offered; however, our Parent and our affiliates do operate such businesses.

Parents

We are a wholly owned direct subsidiary of The Hertz Corporation (the “**Parent**”), which was incorporated in Delaware in 1967. Our Parent is a direct wholly owned subsidiary of Rental Car Intermediate Holdings, LLC (“**RCIH**”), a limited liability company formed in Delaware on July 14, 2014. RCIH is wholly owned by Hertz Global Holdings, Inc. (“**Hertz Holdings**”), a Delaware corporation formed on August 15, 2015, and which is a successor to a prior Delaware corporation of the same name, formed on July 15, 2005. Hertz Holdings is the top-level holding company for the consolidated Hertz businesses. Our Parent, RCIH and Hertz Holdings all maintain their principal places of business at 8501 Williams Road, Estero, Florida 33928.

As of December 31, 2022, our Parent (itself or through our affiliates) operated approximately more than 5,580 Vehicle Rental Businesses (defined below) worldwide. Other than as indicated below, our Parent has never offered, and its current affiliates do not offer, franchises in any other line of business.

Our Parent also provides to our franchisees, as well as franchisees of Dollar and Thrifty, certain support services on our, or Dollar and Thrifty’s, behalf, including, for example, information technology, accounting, legal, audit and risk management. The System and Franchise Offered

We conduct and franchise others to conduct “**Vehicle Rental Businesses**” (and each a “**Vehicle Rental Business**”) which provide a vehicle for hire without a driver for a period of 365 days or less, whether on one or more rental agreements for: (i) transient rental purposes; and (ii) insurance and mechanical related vehicle replacement purposes (including those rentals that are billed to or reimbursed by another party or are the result of a referral for such purpose). Such Vehicle Rental Businesses are conducted (or are franchised to be conducted) under a plan or system (the “**System**”), which is identified by the “Hertz” marks and other related Marks (defined below) (“**Hertz Businesses**” and each a “**Hertz Business**”). In this Disclosure Document, we may refer to your Hertz Business as “**Your Franchised Business.**” The distinguishing characteristics of the System include: uniform methods of conducting operations, accounting for business finances and procuring customers, advertising and publicity; insurance programs, and uniform style and character of equipment, furnishings and appliances used in the conduct of such businesses; the programs and services, all of which may be changed, improved and further developed by us.

The System is identified by certain trademarks, service marks, trade names, logos, emblems and other commercial symbols, including, but not limited to, the marks “Hertz” as are now designated for use with the System and may, in the future, be designated by us in the Operations Guide (the “**Marks**”). We have proprietary rights to a number of trademarks used in this Disclosure Document. We have included the “®” symbol for some trademarks named in this Disclosure Document, and the lack of any such reference should not be construed as any indicator that we do not own, and will not assert our rights to, these marks to the fullest extent permitted by applicable law. Our Operations Guide contains each published document or collection of documents, whether provided electronically or in hard copy, made available to the Franchisee by us and contains the guidelines for the use of the Marks in Your Franchised Business, as supplemented and revised by us from time to time.

If approved by us, you will have the right to sign a Franchise Agreement for the establishment and operation of a Franchised Business within the franchised territory designated in the Franchise Agreement (the “**Territory**”). Your Franchised Business will be located at a site, which may be at an airport or in a location near hotels, offices and highways, at a specified address (the “**Location**”) within your Territory. The Franchise Agreement may also include a schedule describing additional Franchised Business locations that must be opened and in operation by specified dates. We also reserve the right to require you (by written notice) to open additional Franchised Businesses within your Territory to serve customer or market demand. If you are a corporation, limited liability company or partnership, certain provisions of the Franchise Agreement will also apply to your owners. These will be addressed in this Disclosure Document where appropriate.

After the acquisition of DTG by Hertz Holdings, we began to consider a variety of System modifications that may result in the combination of certain aspects of the Hertz, Dollar and Thrifty systems, while keeping separate other aspects of these systems. This process is continuing and ongoing. It may result in the combination of certain departments or of the services provided by those departments. It may also result in the sharing of the resources and in the combination of the responsibilities of certain personnel. This means that certain services that we may provide to you may be provided by departments or personnel who simultaneously provide the same or similar services to the franchisees and licensees of our affiliates (including Hertz, Dollar and Thrifty franchisees), company-owned vehicle or car rental and leasing businesses, and/or business systems. In addition, these services may be provided on a combined basis (including, for example, utilizing the same or shared personnel) or in conjunction with the performance of the same, similar or different services on behalf of our or our affiliates’ company-owned, company-operated, licensed or franchised businesses.

In addition to operating company-owned vehicle or car rental businesses, we and our affiliates may also provide services and programs to our franchisees, and to our affiliates and franchisees, and/or their licensees and franchisees. Many of the same corporate personnel responsible for the provision of services to our licensees and franchisees are also involved in the operation of company-owned businesses and may provide services and programs not only to our licensees and franchisees, but also to us and/or our affiliates, and/or their licensees and franchisees.

Our affiliates, Dollar and Thrifty, separately offer franchises for businesses consisting of vehicle rental and leasing which operate under the Dollar and Thrifty brands, respectively. The franchise offered under this Disclosure Document is for the establishment and operation of a Franchised Business under the System and the Marks disclosed herein. The Dollar and Thrifty franchise offerings are made under separate franchise disclosure documents that pertain solely to those offerings. A Vehicle Rental Business operated under any mark used by us or our affiliates, including Dollar and Thrifty, is referred to as an “**Affiliate Branded Business.**”

Multiple Brand Franchising

We and our affiliates, Dollar and Thrifty, in certain markets, offer prospective and existing Dollar and Thrifty franchisees the opportunity to purchase from Dollar and/or Thrifty a franchise to operate a Dollar Business and/or a Thrifty Business in the same geographic territory as Your Franchised Business. Likewise, prospective and existing franchisees of Dollar and/or Thrifty may be offered the opportunity to purchase from us a franchise to operate a Dollar Business and/or a Thrifty Business in the same geographic territory as the Hertz Business.

If you request to operate, in addition to Your Hertz Business, a Dollar Business and/or a Thrifty Business, Dollar and/or Thrifty, as applicable, will provide you with a separate Disclosure Document which contains information about Dollar and the Thrifty franchise program. If we grant you the right to have one or more multiple brand locations, you will be required to sign, in addition to the Franchise Agreement, Dollar's, and/or Thrifty's then-current form of franchise agreement, and a Multiple Brand Franchising Addendum for either new franchisees (attached as Exhibit C-1 this Disclosure Document) or existing franchisees (attached as Exhibit C-2 this Disclosure Document).

The Multiple Brand Franchising Addendum addresses certain aspects of operating more than one brand, including: the use of the Hertz Marks, Dollar Marks, and/or Thrifty Marks; the prohibition against combining or using the Hertz Marks, Dollar Marks, and or/Thrifty Marks together; the cross-default of the Multiple Brand Franchising Addendum, our Franchise Agreement and the Hertz, Dollar and/or Thrifty Franchise Agreement; the cross-collateralization and cross guarantee of obligations under our Franchise Agreement and the Hertz, Dollar and/or Thrifty Franchise Agreement (as applicable); and confidentiality.

If you operate more than one brand, you may form a separate entity to own the Hertz Business, Dollar Business and/or Thrifty Business (as applicable), but the ownership and control of the entity must be identical to the ownership and control of the entity owning your existing entity. Alternatively, the same entity may own Your Hertz Business, Your Dollar Business and/or Your Thrifty Business. However, you should be aware that certain airport authorities may require separate entities to make in-terminal bids and that certain anti-collusion requirements may be applicable.

If you operate more than one brand, you may combine certain back office functions and facilities of Your Hertz Business, Your Dollar Business and/or Your Thrifty Business. As to other functions and facilities, and absent express written permission from us:

- You must operate Your Hertz Business, Your Dollar Business and/or Your Thrifty Business from separate rental counters and separate off-airport facilities, and you may not “co-brand” in any manner.
- You must have brand-specific dedicated employees in all areas where customer contact occurs.
- You must have each brand independently staffed by brand-specific employees at all times.
- Employees who come in contact with customers must always be uniformed in the attire of the brand they are representing and must wear authorized Hertz, Dollar or Thrifty uniforms and nametags, as applicable.

General Market Conditions and Competition

The Hertz Business is characterized by intense competition, including competition in price, service levels, the convenience and condition of rental locations, and the availability of quality vehicles under

competitive purchase and financing or lease arrangements. Depending on the car rental market in which Your Franchised Business is located, different competitive factors could affect Your Franchised Business. Some of those factors include the following:

1. You will not receive an exclusive territory. We may use, or license others to use, the System and the Marks within and outside your Territory in connection with the sale, rental, lease or other use of the same, similar or different products and services.
2. If Your Franchised Business is located at an airport or other major transportation facility, you will have to compete at the same facility with businesses offering the same or similar services as you are offering, including Affiliate Branded Businesses.
3. Your Franchised Business may compete against other Vehicle Rental Businesses in your Territory, including (i) Affiliate Branded Businesses operated by our affiliates under the “Dollar” and/or “Thrifty” proprietary marks; and (ii) Affiliate Branded Businesses operated by franchisees of our affiliates under the “Dollar” and/or “Thrifty” proprietary marks. In your Territory there may also be corporate and/or affiliate owned or licensed or franchised locations that sell vehicles including Thrifty Car Sales locations and Hertz Car Sales Business locations.
4. As a result of the increased use of the Internet as a travel distribution channel, pricing transparency has increased. Our competitors, some of which may have access to substantial capital or may benefit from lower operating costs, may seek to compete aggressively on the basis of pricing. Such price competition may also come from the Vehicle Rental Businesses described in Paragraph 3, immediately above. To the extent that you match downward competitor pricing without reducing your operating costs, it could have an adverse impact on your results of operations. To the extent that you are not willing to match or remain within a reasonable competitive margin of your competitors’ pricing, it could also have an adverse impact on your results of operations, as you may lose market share.
5. In the United States, our unaffiliated principal car rental industry competitors are Avis Budget Group, Inc., which currently operates the Avis, Budget, Payless and Zipcar brands and Enterprise Holdings Inc., which operates the National Car Rental, Alamo, Enterprise Rent-A-Car, Enterprise Car Sales and Enterprise CarShare brands. Other competitors include ACE Rent a Car, Rent-a-Wreck, Sixt Car Rental, UhaulCarShare™, and other car rental and car sharing brands.
6. In your Territory, Your Franchised Business may compete against certain Transportation Network Company (“TNCs”), which services connect paying passengers with drivers who provide such passengers with transportation in the driver’s non-commercial vehicle or may provide paying customers with the ability to rent vehicles directly from vehicle-owners in a car-share system. Examples of such TNCs are: Gett, Uber, Lyft, Turo (formerly Relay Rides), Via and Wingz.
7. Historically, automobile manufacturers (primarily Stellantis, Ford and General Motors) have made fleet programs available to Vehicle Rental Business operators. These programs included a discount on the purchase price of the vehicles and/or an agreement to guarantee the residual value of the vehicles or to repurchase the vehicles under certain conditions (e.g., where the vehicle's condition, age and mileage met the manufacturer's requirements). These programs may be subject to volume and timing adjustments by the manufacturers, and in the past some manufacturers have cancelled or delayed fleet orders. For the current

model year, Vehicle Rental Business operators who have existing relationships with the manufacturers may be eligible to purchase vehicles under these manufacturer fleet programs, and operators without existing relationships may not be eligible to participate in the programs.

8. We, our Parent and our affiliates, intend to continue the current practice of operating the largest U.S. airport vehicle rental markets, key U.S. leisure destinations and other selected U.S. markets, as company-owned locations, when available. We and our affiliates may also do so in smaller markets.
9. We and our affiliates continue to monitor other related lines of business for the purpose of offering separate franchises under the Marks, or otherwise.

Industry Specific Laws and Regulations

The Vehicle Rental Business is heavily regulated. In addition to laws that impact businesses generally, you will be responsible for understanding and complying with federal, state and local laws, rules and ordinances that apply to Your Franchised Business. For example, federal, state and local environmental laws and regulations include, but are not limited to, requirements for registration and testing of underground storage tanks, the disposal of hazardous waste, control of service bay drainage and storm water permitting. Other laws, regulations and ordinances may affect signage, advertising, location and hours of operation, permitted ages of renters, credit policies and rental transaction surcharges assessed against the charges on the rental agreement.

In addition, the following federal, state, local and municipal laws apply to the car rental industry:

Federal

- In 2005, the Transportation Equity Act of 2005 was signed into law, which included the “**Graves Amendment**” (49 U.S.C. §30106). The Graves Amendment generally eliminates the imposition of vicarious liability – as imposed by state law – on the owner of a motor vehicle that rents or leases the vehicle to a person by reason of being the owner of the vehicle (or an affiliate of the owner) for harm to persons or property that results or arises out of the use, operation or possession of the vehicle during the rental or lease period. The pre-conditions for this elimination of vicarious liability are: (1) the owner (or an affiliate) must be engaged in the trade or business of renting or leasing vehicles; and (2) there must be no negligence or criminal wrongdoing on the part of the owner (or an affiliate of the owner).
- If Your Franchised Business is located at an airport, Section 117 of The Airport and Airway Safety, Capacity, Noise Improvement, and Intermodal Transportation Act of 1992 may require you to procure a certain percentage of the products and services used in Your Franchised Business from Disadvantaged Business Enterprises (“**DBEs**”).
- The federal Environmental Protection Agency requires underground storage tanks to have a method of leak detection and to be upgraded to include corrosion protection and spill and overflow controls. Otherwise, these storage tanks are to be replaced or closed.
- The U.S. Department of Transportation has issued regulations requiring motor carriers to conduct pre-employment, random, reasonable suspicion and post-accident drug and alcohol testing of employees who operate commercial vehicles, as defined in the regulations. These regulations may govern the operation of shuttle buses used to transport

customers to and from airport rental locations.

- Permits and licenses may be necessary for purchasing fuel, picking up customers from an off-airport location, operating a concession on the airport and transporting customers in commercial vehicles.
- If you operate more than one brand (Hertz, Dollar and/or Thrifty), anti-collusion laws and/or airport authorities may require that you form separate entities to bid for in-terminal airport rental car concessions, and otherwise separate bidding efforts.
- You may need to provide accommodations to comply with the Americans with Disabilities Act (“**ADA**”) or the Occupational Safety & Health Administration (“**OSHA**”) requirements. The ADA and federal regulations require that hand controls, and other accommodations, be made available for disabled customers.
- You are required to assure and must represent and warrant to us that none of your property or interests is subject to being “blocked” under any of the Anti-Terrorism Laws and that you are not otherwise in violation of any of the Anti-Terrorism Laws. “**Anti-Terrorism Laws**” are U.S. Executive Order 13224 issued by the President of the United States, the USA Patriot Act, USA Freedom Act, and all other present and future Federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. The text of the USA Freedom Act is available at <https://www.congress.gov/114/plaws/publ23/PLAW-114publ23.pdf> and the text of U.S. Executive Order 13224 is available at <http://www.state.gov/j/ct/rls/other/des/122570.htm>. You also may be required to institute policies and procedures to comply with the Executive Order.
- You must comply with all applicable laws pertaining to the privacy of consumer, employee and transactional information, including the “**Standards for Safeguarding Customer Information**,” dated May 23, 2002, issued by the Federal Trade Commission (the “**Safeguards Rule**”). The Safeguards Rule applies to businesses, regardless of size, that are “significantly engaged” in providing financial products or services to consumers. This includes non-bank lenders such as car sales businesses. In addition to developing their own safeguards, covered entities are responsible for taking steps to ensure that their affiliates and service providers safeguard customer information in their care. The Safeguards Rule is posted at www.ftc.gov/privacy/glbact.
- The National Association of Attorneys General issued a final report containing guidelines and recommendations regarding car rental industry advertising and practices on March 14, 1989 (“**NAAG Guidelines**”). Although the NAAG Guidelines are not statutory or regulatory in nature, the NAAG Guidelines explain in detail how existing state laws apply to car rental advertising, the sale of collision damage waiver and other business practices of a Hertz Business.
- The Safe Rental Car Act, effective as of June 1, 2016, requires car rental companies with fleets of 35 or more rental vehicles, in the event of safety recall, to cease rental of the affected vehicles within 24 hours of receipt of the safety recall notice and to not re-rent such vehicles until the required repairs are completed. If the car rental company receives a safety recall notice covering more than 5,000 vehicles in its fleet, the car rental company must cease rental of the affected vehicles within 48 hours of receipt of the safety recall

notice.

State

- Many states have laws dealing with your financial responsibility as the owner of the vehicles to be rented and the types and proofs of financial responsibility which must be maintained for the benefit of third parties injured or damages caused by the use of your owned vehicles.
- Many states regulate the sale of collision or loss damage waiver (“CDW” or “LDW”). CDW and LDW are not insurance, but an optional waiver of the renter’s responsibility to pay for damage to or loss of the rented vehicle, including loss of use and any related costs and expenses resulting from collision, theft or vandalism. Typical statutes require car rental companies to disclose the terms of the waiver on the front of the rental agreement form, some statutes require disclosures as to possible duplication of coverage through the renter’s automobile insurance policy or credit card coverage, regulate the content and price of the waivers, limit coverage exclusions, provide a cap on the price a rental company can charge, or define the age and driver authorized to drive the car.
- Many states have environmental protection laws and restrictions, including regulations for the methods of disposal of used oil filters, used oil and other environmentally sensitive materials, as well as laws requiring underground storage tanks to have a method of leak detection and to be upgraded to include corrosion protection and spill and overflow controls.
- Many states have data and customer privacy laws which may apply to your operation of the business, including specific notification requirements in the event of a breach.
- State motor vehicle codes and regulations govern the title and registration of vehicles and other state laws impose property and excise taxes.
- State financial responsibility laws determine minimum automobile liability limits and priority of coverages.
- Most states have licensing requirements for car rental companies to offer ancillary optional coverages such as supplemental liability insurance and uninsured motorist protection as supplements to the rental contract.
- Certain states also have laws:
 - Requiring that vehicles only be rented to licensed drivers;
 - Prohibiting age discrimination in car rental and discrimination in renting terms;
 - Requiring availability of child seats;
 - Restricting certain surcharges and allowing for pass-through to customers – with proper disclosure – of certain airport fees and vehicle licensing fees;
 - Restricting certain rental requirements for cash customers;
 - Requiring primary insurance liability for third party claims;

- Requiring limited licensing for the retail sale of insurance products;
- Permitting immobilization or seizure of vehicles for certain actions associated with felonies, drug dealing, soliciting prostitution or other criminal acts and unlicensed commercial use;
- Requiring certain disclosures to be made on vehicle rental agreements and/or in connection with vehicle rental advertisements;
- Prohibiting electronic surveillance of rental vehicles for the purposes of imposing penalties for contract violations or restricting such electronic surveillance; and
- Regulating the rental and leasing of vehicles to schools for the transportation of schoolchildren.

Local and Municipal

- Certain local governmental and municipal authorities may have vehicle registration and tax laws applying to the car rental industry and may impose or require collection of surcharges.
- Certain local governmental and municipal authorities may have parking ticket laws and moving traffic violation laws holding the registered owner and not the renter or operator responsible for fines, penalties and interest.
- If you operate at a consolidated rental car facility at an airport, you may be subject to an agreement and consolidated facility charges covering common operations of the consolidated rental car facility, bussing of rental car customers, monorail service, maintenance and the financing of construction costs. If you elect not to participate in a consolidated rental car facility, your customers may be transported to the consolidated rental car facility, where you will then bus them to your facility, which may affect your transportation costs and levels of customer satisfaction.

1. Car Rental Systems do Brasil Locação de Veículos Ltda. and Hertz System, Inc. v. Pimentel & Pimenta Ltda. (Case No. 1082415-24.2017.8.26.0100). An inhibitory action, with injunction request, was filed in the 8th Civil Court of the Santo Amaro District, São Paulo on August 20, 2017 against the undue use of the “HERTZ” brand and name, trade dress, etc., by former Hertz Subfranchisee in Brazil Pimentel & Pimenta. On September 5, 2017, Judge Adriana Marilda granted the injunction requested and ordered the immediate ceasing of use of the Hertz System, the “HERTZ” brand and the like, by any means, under penalty of paying a daily fine of R\$ 1.000,00, initially limited to 90 days. The judge also determined the summoning of the Defendant to take notice of the injunction and to present its defense to the complaint, under penalty of a default judgement. On October 25, 2017, the Defendant filed its defense and requested the rejection of the claim. On December 8, 2017, Hertz filed its rebuttal arguments against this defense and emphasized that Pimentel’s Answer was presented after the deadline. On December 15, 2017, the judge determined the summoning of the parties to present any additional evidence to the case. On January 29, 2018, Hertz filed a motion and requested the early judgement of the case, in view of the late filing of Pimentel’s defense. The court files were submitted to the judge for a decision. On October 15, 2018, the judge accepted the claim and condemned Pimentel: (i) to cease any use of the HERTZ mark, by any means; and (ii) to pay indemnification for moral damages in the amount of R\$20.000,00 (for each plaintiff) and material damages to be calculated at the execution phase. On October 25, 2018, Pimentel filed a motion for clarification against this decision. On December 13, 2018, we were summoned to present our response to such motion for clarification. On January 21, 2019, we filed our response. On August 12, 2019, the Reporting Justice, in a singular decision, dismissed the appeal filed by Pimentel. On September 10, 2019, the court files were returned to the lower court for execution; and the judge’s decision became final and binding upon the parties. The court files were returned to the

lower court for the judge's decision concerning moral damages. On October 30 2019, we requested the judge the performance of the decision (concerning moral damages) and the summoning of Pimentel to effect payment of the due amount with a deadline of February 10, 2020). On August 6, 2020, we requested the judge to order the attachment of the vehicles found in Pimentel's name. On October 14, 2020, the judge determined the summoning of Car Rental and Hertz to inform, within the deadline of 15 business days, the location of the vehicles found in Pimentel's name, to perform the requested attachment. On November 5, 2020, we submitted a motion to the judge and requested the additional deadline of 15 business days to present the necessary information. On February 18, 2021, the judge accepted our requests. On May 10, 2021, the defendant's name was included in the register of defaulter. Considering that the search did not disclose any assets subject to attachment, the proceedings have been suspended temporarily and shelved, until it becomes possible to collect any new amount from the Defendant. As of February 19, 2022, there has been no change.

2. Localiza Car Rental Systems S.A. and Hertz System, Inc. v. Rovema Locadora de Veículos Ltda. (Case No. 1016477-51.2018.8.26.0002). An inhibitory action, with injunction request, was filed in the 4th Civil Court of the Santo Amaro District, São Paulo on April 6, 2018 against the undue use of the "HERTZ" brand and name, trade dress, etc., by Defendant, a former Hertz Subfranchisee in Brazil. The court files were submitted to the judge for a decision. On May 15, 2018, Judge Eduardo Palma Pellegrinelli granted the injunction and determined the immediate ceasing of use of the HERTZ brand, by any means, and of the domain name www.hertzlocadora.com.br. In addition, the judge determined the summoning of the defendant to present its defense. On May 25, 2018, the defendant filed its answer and requested the rejection of the claim and the remittance of the court files to the Court of Porto Velho, Rondônia (Porto Velho is the city where the defendant is headquartered). Despite the "venue clause" of the Subfranchisee Agreement, establishing the Court of São Paulo for any dispute related to the Agreement, the defendant informed that they filed a lawsuit, in December 2017, against Car Rental, before the 6th Civil Court of Porto Velho, seeking: (i) an injunction to allow Rovema to continue using the HERTZ brand and the domain name; and (ii) a compensation due to the early termination of the Subfranchisee Agreement. On May 25, 2018, the judge determined the summoning of the plaintiffs to present its response to the defendant's answer. On June 25, 2018, response filed. On July 27, 2018, we submitted a motion to the judge of São Paulo informing that the judge of Porto Velho has accepted our plea of lack of jurisdiction and has determined the remittance of the files to the Court of São Paulo. On September 6, 2018, the judge of São Paulo determined the summoning of the parties to confirm the status of the lawsuit filed before the judge of Porto Velho and to confirm whether the court files were already remitted to the Court of São Paulo. On September 17, 2018, we filed a motion in compliance with the judge's order, informing the status of the case, and requesting the applicable fine, in view of the fact that Rovema did not comply with the injunction granted, which is in full force, and requesting the issuance of a court order to the Brazilian domain name Registrar (Registro.br), to freeze the domain name www.hertzlocadora.com.br. On November 26, 2018, the judge accepted our request and has fixed a daily fine of R\$ 5.000,00, due as from the publication of this decision, in case of non-compliance with the judge's order, and has determined the freezing of this domain name. Court order to Registro.br issued on December 6, 2018. On December 6, 2018, Rovema filed a Bill of Review against the judge's decision. On December 14, 2018, the Reporting Justice suspended the daily fine and determined the summoning of Car Rental to file its rebuttal arguments to the appeal, within the deadline of February 7, 2019. On May 14th, 2019, the judge determined the summoning of Rovema to comply with the Court's decision (to stop the undue use of the HERTZ mark under penalty of paying a daily fine of R\$ 5.000,00). On May 17th, 2019, Rovema submitted a motion to the judge and presented documentary evidence confirming the cease of use of the HERTZ brand. On November 29th, 2019, the judge determined the summoning of the plaintiffs to take notice of the motion submitted by Rovema on May 17th, 2019. On January 14th, 2020, we submitted a motion to the judge and requested the early judgement of the case. On June 29th, 2020, the judge of São Paulo determined the remittance of the court files of the lawsuit filed by Rovema against Car Rental before the judge of Porto Velho (the case records of this lawsuit was remitted to the

judge of São Paulo because the judge of Porto Velho has accepted our plea of lack of jurisdiction) for a joint decision with the lawsuit filed by Car Rental and Hertz against Rovema. On December 4, 2020, the court files were handed to the judge for a decision. On March 11, 2022, the judge of São Paulo determined that Rovema take the necessary measures so that the case records of the lawsuit filed by Rovema against Car Rental before the judge of Porto Velho are sent to the judge of São Paulo for a joint decision with the lawsuit filed by Car Rental and Hertz against Rovema. On April 6th, 2022, Rovema requested an additional deadline to comply with the judge's order. On May 19, 2022, the judge of São Paulo determined the summoning of Rovema to inform about the remittance of the case records of the lawsuit filed before the Court of Porto Velho to the Court of São Paulo. On May 27, 2022, Rovema submitted a copy of the court files of the lawsuit presented before de judge of Porto Velho. On July 4, 2022, the court files were handed to the judge for a decision. On December 7, 2022, we filed our closing arguments. On January 24, 2023, the court files were handed to the judge for a final decision.

3. Premium Mobility Group (PMG) is a former Hertz franchisee for Russia. They executed the franchise agreement in December 2017 and terminated, allegedly for Hertz's breach of contract, in December 2018. PMG failed to make money in the first few months of operations in the latter half of 2018 and sent a letter before action in June 2019 claiming (i) damages for misrepresentation (alleged misleading information in pre-contractual statements that they say they relied on, ultimately causing losses) valued at \$1,000,000; and breach of contract (alleged failure to provide accurate or timely advice, procedures, actions) – currently unquantified. We have investigated the claims and do not believe them to have merit, although we have not yet entered into any formal discovery process (given that no claim has been filed). PMG have since gone into liquidation. A company called Mobility Asset Management LLC claim to have been validly assigned this claim by PMG – which we have not accepted – and have made two further attempts to make claims relating to PMG's period as franchisee, the first ending in January 2021 with a short without prejudice call at which it was made clear that Hertz did not accept any liability, and the second from December 2022, claiming \$1.6m under a number of heads of claim. Hertz has again pushed back on all claims raised, which we believe to be without merit.

4. Dollar Rent A Car Incorporated and Thrifty Rent-A-Car System Incorporated v. Yunus Moolla, Imraan Moolla, The Trustees Of Safy Trust and Springs Car Wholesalers (Pty) Ltd (Case No: 3536/2022) pending in the High Court of South Africa. The first three respondents were franchisees of the Dollar and Thrifty brands for the territories of South Africa, Botswana, Namibia and Mauritius. Whilst Mauritius was removed from the scope of the franchise agreement in ~2020, the remaining territories were operational until the end of the franchise agreement in December 2021. The fourth respondent is an entity used by the franchisee for billing purposes and was therefore included in the action. As of January 2022, the franchisee had failed to cease operations and informed the franchisor that it would continue to operate as it believed a renewal was in place (which the franchisor contests). In January 2022, it was brought to the franchisors' attention that: (i) the franchisee had been continuing to operate in Mauritius, despite the territory being removed from the franchise agreement scope; (ii) the franchisee was continuing to operate in South Africa, Namibia and Botswana; and (iii) the franchisee had started dual branding all Dollar and Thrifty physical locations and websites with 'Sani Rental' and had also created affiliations on related websites. The franchisor wrote to the franchisee requiring undertakings that the activity would cease, which the franchisee declined. Consequently, the franchisor then commenced proceedings for an urgent interdict in South Africa for relief against the competing activity and dual branding/misuse of IP. The franchisor successfully obtained the order. The franchisee has subsequently appealed the order, and, as of March 2023, the parties are awaiting the appointment of the appeal hearing date, as the judge requested additional records from the franchisee.

Prior Actions – Parent Entities (The Hertz Corporation, Rental Car Intermediate Holdings, LLC and Hertz Global Holdings, Inc.)

1. Robert Abrams, et al., v. The Hertz Corporation (Index No. 44481/88) filed in the Supreme Court of New York in and for the county of New York on July 21, 1988. The action was instituted by Attorneys General of New York, Iowa, Kansas, Massachusetts, Missouri, and Texas and alleged violations of the consumer protection statutes of their respective states with regard to the manner in which certain former Hertz employees formally documented claims asserted against customers and third parties for physical damages to rented Hertz vehicles. The Attorneys General sought an order: (i) enjoining The Hertz Corporation from asserting such claims against customers and third parties; (ii) directing The Hertz Corporation to make restitution to persons from whom it recovered amounts for repair of physical damage to its vehicles in excess of the actual cost of repairs, in the amount of such excess; (iii) directing The Hertz Corporation to refund certain administrative fees collected by The Hertz Corporation; and (iv) directing The Hertz Corporation to pay the six named Attorneys General \$15,000 each for their costs. On August 4, 1988, the court entered a Final Consent Judgment, based upon a stipulation and consent of the parties, under which The Hertz Corporation entered into a related consent agreement with the six named Attorneys General, and Attorneys General from 35 other states and one territory that also approved the terms of the final consent agreement. Although under the Final Consent Judgment the court made no findings of fact or rulings of law that The Hertz Corporation, or any of its officers, directors or employees, violated any law (and nor was there any admission of liability for violation of any law), The Hertz Corporation nonetheless consented to a judgment under which The Hertz Corporation: (i) is prohibited from asserting or collecting any claim for physical damage to its vehicles for more than the estimated actual cost of repair including all anticipated discounts or price reductions; (ii) refunded to all persons any excess of the amount The Hertz Corporation recovered from such persons for repair to its vehicles over the amount of its actual costs; (iii) refunded certain administrative fees collected; and (iv) paid the six named Attorneys General \$15,000 each for their costs. The Hertz Corporation also agreed to modify the manner in which Hertz documents and processes claims for physical damage to its vehicles.

2. Ryan King, et. al. v. The Hertz Corporation (CV 09 705526) was commenced in the Court of Common Pleas, Cuyahoga County, Ohio, on October 16, 2009. Plaintiff purported to bring a class action on behalf of persons who were incorrectly charged a “Fuel and Service” fee upon return of a vehicle rented from The Hertz Corporation with at least as much fuel in the vehicle as when the customer received it. The complaint alleged separate causes of action for unjust enrichment, breach of contract, and fraud. Plaintiff sought certification to proceed as a class, compensatory and punitive damages, reasonable costs and attorneys’ fees. The Hertz Corporation removed the case to the United States District Court for the Northern District of Ohio (Eastern Division) as Ryan v. The Hertz Corporation (1:09CV02674) on November 16, 2009, and on December 11, 2009, filed a motion to dismiss the case. In April 2011, the trial judge dismissed the causes of action for unjust enrichment and fraud, but did not dismiss the cause of action for breach of contract. On April 7, 2011, and on March 21, 2012, Plaintiff filed motions for leave to file Amended Complaints, which sought to reinstate the fraud claim. The Hertz Corporation opposed the motions. The parties then entered into a settlement agreement, which included no admission of liability, and pursuant to which The Hertz Corporation paid \$15,000. The court then entered an order dismissing the action on May 31, 2012, and Plaintiff filed a joint stipulation of dismissal with prejudice on June 7, 2012.

3. Michael Shames, Gary Gramkow, on behalf of themselves and on behalf of all persons similarly situated v. The Hertz Corporation, Dollar Thrifty Automotive Group, Inc., Avis Budget Group, Inc., Vanguard Car Rental USA, Inc., Enterprise Rent-A-Car Company, Fox Rent A Car, Inc., Coast Leasing Corp., The California Travel and Tourism Commission, and Caroline Beteta (3:07-cv-02174) was commenced in the United States District Court for the Southern District of California on November 14, 2007. Shames purports to be a class action brought on behalf of all individuals or entities that purchased rental car services from a defendant at a California airport after January 1, 2007. The Amended Complaint alleges that Defendants agreed to charge consumers a 2.5% California tourism assessment, and not to compete amongst each other with respect to this assessment, while misrepresenting that this assessment is owed by consumers, rather than the rental car defendants, to the California Travel and Tourism

Commission, or the “CTTC.” The Amended Complaint also alleged that defendants agreed to pass through to consumers a fee known as the Airport Concession Fee, which fee had previously been required to be included in the rental car defendants’ individual base rates, without reducing their base rates. Based on these allegations, the Amended Complaint asserted violations of 15 U.S.C. § 1 and California’s Unfair Competition Law, False Advertising Law and Consumers Legal Remedies Act, and seeks treble damages, disgorgement, injunctive relief, interest, attorneys’ fees, and costs. In July 2008, the court dismissed all claims except for the federal antitrust claim against the rental car defendants. In May 2012, the court issued an order preliminarily approving the settlement of this action; certifying a settlement class; certifying a class representative and lead counsel; and providing for class notice. In October 2012, the court held a final approval hearing. In November 2012, the court issued an order of final approval of the settlement of this action. The approved settlement includes the election by plaintiffs of an option for a cash payment of the greater of \$5.00 or \$2.00 per day for each day that an applicable rental was made from a rental car defendant, or a voucher redeemable for free time and mileage for car rentals. In addition, the rental car defendants agreed to pay attorneys’ fees and expenses, and to pay the representative plaintiff \$2,000 plus interest. On November 20, 2013, as a result of the settlement, free-day rental vouchers and cash claims totaling \$422,522 were mailed to Hertz class members and free-day rental vouchers and cash claims totaling lesser amounts were mailed to Dollar and Thrifty Car Rental class members. An order of dismissal was entered by the court on November 5, 2012.

The Hertz Corporation, American Traffic Solutions, Inc. and PlatePass, LLC (Case No. 1:10-cv-00359-NLH-KMW) filed in the New Jersey Superior Court in December 2009. Defendants removed the case to the United States District Court for the District of New Jersey. Plaintiff filed an Amended Complaint in March 2010. Through the Amended Complaint, Plaintiff sought to represent two classes: (1) “all persons who rented a vehicle from Hertz and were charged tolls or administrative fees by ATS and/or PlatePass from September 23, 2003 and the date judgment enters in this case”; and (2) “all persons who rented a Hertz vehicle in New Jersey and were charged tolls or administrative fees by ATS and/or PlatePass from September 23, 2003 and the date judgment enters in this case.” The Amended Complaint alleged that defendants charged certain Hertz rental car customers administrative fees for the use of PlatePass, an electronic toll payment service, and toll charges greater than those charged to the rental vehicle, allegedly without adequately disclosing either. Based on these allegations, the Amended Complaint alleged claims for breach of contract, unjust enrichment and conversion on behalf of the putative national class, consumer fraud in violation of N.J.S.A. 56:8-1 *et seq.*, and civil conspiracy. Pursuant to Chapter 93A, Plaintiff demanded treble damages totaling \$12,012.69. Hertz reached a settlement with Plaintiff on November 1, 2016 for \$3,000.00.

15. Liberty Representacoes e Servicos Ltda. V. Car Rental Systems do Brasil Locacao de Veiculos Ltda. (Case No. 0643614-93.2015.8.04.001) filed in the Ninth Civil and Work Related Court of the District of Manaus/AM, Brazil on December 18, 2015. Plaintiff, the Thrifty licensee in Brazil, filed suit against Car Rental Systems do Brasil Locacao de Veiculos Ltda. ("Hertz Brazil"), a subsidiary of The Hertz Corporation, alleging violations of a sales agent agreement and a license agreement, neither to which Hertz Brazil is a party. Plaintiff alleges that its Thrifty business has been undermined due to competition by Hertz Brazil, a refusal to approve sub-licensees, the improper sharing of confidential information and other bad faith conduct on the part of Thrifty Rent-A-Car System, Inc. ("Thrifty") and its affiliates. Plaintiff seeks an injunction against the alleged conduct and damages of 50 million Brazilian real. In January 2016, Thrifty and DTG Operations, Inc., the party to the sales agent agreement, filed a challenge to venue in Manaus. After initially granting a preliminary injunction, on February 29, 2016, the court issued an order removing the injunction. In November 2016, the case was settled with the reacquisition by the franchisor entities of the Thrifty licensee's master franchise rights in Brazil for approximately 7 million Brazilian real (USD \$2 million).

16. People of the State of California acting by and through San Francisco City Attorney Dennis J. Herrera v. The Hertz Corporation, American Traffic Solutions, Inc., ATS Processing Services, L.L.C., American Traffic Solutions Consolidated, L.L.C., and PlatePass, L.L.C. (Case No. CGC-17-557336) filed in the Superior Court of the State of California, County of San Francisco. On March 1, 2017, the City of San Francisco filed suit against Hertz and American Traffic Solutions, Inc. alleging that both entities fraudulently and deceptively induced Hertz customers who drive across the Golden Gate Bridge in San Francisco to purchase PlatePass. These actions were purportedly undertaken without proper disclosure and without customer consent. Defendants filed a Motion to Strike portions of the complaint which was largely denied after argument in July 2017. On October 26, 2017, the City Attorney's Office, Hertz, and ATS attended mediation in San Francisco. In the City Attorney's mediation brief, for the first time, Deputy City Attorney Matt Goldberg demanded \$17.4 million in restitution and penalties. This is in addition to significant modifications to Hertz's disclosure materials. The mediator essentially characterized the City

Attorney's case as misguided and disingenuous and repeatedly opined that the City Attorney's demand was "immoral." While the parties made progress on the disclosure front, the mediation reached impasse on the financial component. Following the mediation, Hertz responded to extensive discovery requests propounded by the City Attorney's Office in January 2018. Depositions proceeded throughout much of 2018 and the parties worked with their respective experts to address critical issues in preparation for trial. During Q3 2018, the parties re-opened settlement discussion channels. The parties have reached an agreement in principle and expect to formalize settlement during Q1 2019, with both Hertz and ATS agreeing to allocate fifty percent (50%) of the final settlement amount. Hence, Hertz's allocated portion of the settlement payment to the City Attorney is \$1,825,000. In addition to the payment, Hertz and ATS agreed to several operations-focused mandates including maintaining specific training requirements and ensuring proper customer disclosures for eighteen (18) months. This matter is now considered closed.

17. Mark Stich and Kristina Stich vs. The Hertz Corporation d/b/a Hertz Car Sales (Superior Court of the State of California, County of Santa Clara, Case No. 17CV305776). In January 2017, Plaintiff filed a civil suit alleging violation of the Consumers Legal Remedies Act, Civil Code § 1750 *et seq.*, Violations of Cal. Bus. & Prof. Code §§ 17200, *et seq.*, Common Law Fraud, Breach of the Implied Warranty of Merchantability (California Commercial Code §2314), and violation of the Song-Beverly Consumer Warranty Act for Breach of Express Warranty and Implied Warranty of Merchantability (California Civil Code §§ 1791.1, 1791.2, 1792 and 1793.2(D)), relating to an alleged lack of disclosure in connection with the sale of a vehicle which Plaintiffs allege was previously in an accident and suffered structural damage. The parties settled the claim for \$17,500 on July 13, 2017.

18. Jenhanco, Inc. v. The Hertz Corporation, et al. (Case No. 2:15-cv-04191-ODW) pending in the United States District Court of the Central District of California. On April 23, 2015, Plaintiff, a Dollar licensee at the Salt Lake City airport, filed suit against Hertz Global Holdings, Inc. and The Hertz Corporation in the Superior Court of California, County of Los Angeles (Case No. BC579568). The Hertz defendants removed the case to the United States District Court. Plaintiff filed an Amended Complaint adding as defendants Dollar Rent A Car, Inc. and Dollar Thrifty Automotive Group, Inc. (collectively referred to with The Hertz Corporation in this summary as "Hertz") and subsequently dismissed without prejudice Hertz Global Holdings, Inc. Plaintiff alleges breach of contract, breach of the covenant of good faith and fair dealing, promissory fraud, tortious interference with prospective economic relations and tortious interference with contract in connection with Hertz's acquisition of an existing Thrifty Car Rental location at the Salt Lake City airport and the subsequent bidding of the Thrifty and Firefly brands by Hertz at the airport. Plaintiff alleges that it should have been given the opportunity to acquire the Thrifty Car Rental location, to dual brand the Dollar and Thrifty brands at the airport and to acquire the Firefly concession at the airport. Plaintiff also alleges that Hertz failed to adequately support it. Plaintiff seeks injunctive relief requiring Hertz to grant Plaintiff the right to acquire the Thrifty and Firefly concessions at the airport. Plaintiff also seeks an unspecified amount of damages, lost profits, restitution, punitive damages, costs and interest. The court denied a motion by Plaintiff to remand the matter to the Superior Court. The court also denied a subsequent motion by the plaintiff for reconsideration of the order denying the motion to remand. On December 15, 2016, the court denied both parties' Cross-Motions for Partial Summary Judgement. The parties are currently engaged in discovery. Effective as of October 31, 2017, the parties resolved this dispute in a settlement involving the re-acquisition of the territory rights for the Dollar brand in Utah, the assignment of the agreements relating to the Salt Lake City Airport, and the acquisition of certain vehicles and other fixed assets, for an aggregate acquisition price of approximately \$9,225,000. On November 14, 2017 the case was dismissed with prejudice.

19. Robert Spotswood v. The Hertz Corporation (Case No. 2:15-cv-03518 (ES/MAH)) pending in the United States District Court for the District of New Jersey. On April 6, 2015, Plaintiff, on behalf of himself and all other similarly situated Hertz customers, filed suit in the Superior Court of New Jersey, Bergen County (Case No. L-3190-15). Hertz removed the case to the United States District Court.

Plaintiff alleges breach of contract, violations of the New Jersey Consumer Fraud Act, injunctive relief, and unjust enrichment in connection with certain fees imposed by Hertz on rental car customers who suffer loss or damages to rental vehicles. Plaintiff seeks an unspecified amount of damages, an injunction against the continued imposition of the fees and attorneys' fees. On June 26, 2015, Hertz moved to dismiss Plaintiff's claims for violation of the New Jersey Consumer Fraud Act and for injunctive relief. In October 2015, the court granted a motion by Hertz to transfer venue to the United States District Court for the District of Maryland. In November 2016, the court ruled on Hertz's Motion to Dismiss the Amended Complaint – granting the motion in part and denying the motion in part. The court's order dismissed the Plaintiff's Maryland consumer fraud statutory claim, the negligent misrepresentation claim and the unjust enrichment claim, and denied the motion as the Plaintiff's single remaining claim – breach of contract. The parties are currently engaged in discovery. Hertz intends to vigorously defend against Plaintiff's claims. On August 21, 2018, the Plaintiff filed his Motion for Class Certification. Hertz subsequently filed its Opposition to Class Certification and, on October 12, 2018, the Plaintiff filed his Reply Memorandum of Law in Support of Class Certification. In the latest filing, the Plaintiff downsized his requested class from a nationwide class to a class composed of certain rentals that took place in seven states, or an alternate class of only Maryland renters. On October 25, 2018, Hertz filed for leave to file a Surreply to correct Plaintiff's "striking mischaracterization of the record." On February 7, 2019, the U.S. District Court denied Plaintiff's Motion for Class Certification. The case was dismissed by a Stipulation of Voluntary Dismissal of Action on February 28, 2019.

20. John Ellis, et al. v. Dollar Thrifty Automotive Group, et al. (Circuit Court for the Thirteenth Judicial Circuit, Hillsborough County, Florida, Case No. 13-CA-015274). On December 18, 2013, John Ellis on behalf of himself and all other similarly situated customers, filed a class action complaint against The Hertz Corporation ("Hertz") and Dollar Thrifty Automotive Group, Inc. ("DTG") (collectively referred to in this summary as "Defendants"), alleging violations of the Florida Deceptive and Unfair Trade Practices Act and unjust enrichment related to pre-paid fuel charges. Plaintiff originally named Hertz as a defendant in his complaint, but dismissed all claims against Hertz pursuant to a stipulation. Mr. Ellis alleges that DTG overcharges customers for pre-paid fuel by billing for an amount of fuel greater than the fuel tank capacity of the rental vehicles. Mr. Ellis seeks compensatory damages, injunctive and declaratory relief and attorneys' fees. In July 2014, Defendants filed an Answer and affirmative defenses. In February 2016, the parties agreed in principle on a possible resolution to this matter. A low end settlement was effectuated in 2018 and 2019 with claimants receiving refunds totaling less than \$4,000. The matter is now closed.

21. Catalan Consumer Agency Sanction Procedure number SAN/66987/2015. The Catalan Consumer Agency in Spain initiated a proceeding in 2015 alleging that the Firefly operations of Hertz de Espana, S.L.U. engaged in deceptive consumer practices relating to fuel charges, super cover charges, charges for additional drivers, GPS, child seats, unauthorized drivers, pre-paid and non-pre-paid reservations, deposits and methods of payment, business hours, and other similar matters. This case has settled.

22. Vizant Technologies, LLC v. Hertz Global, Inc., The Hertz Corporation, Hertz Australia PTY Ltd., Hertz New Zealand, and Car Rental Systems Do Brasil (Case No. 17202265-3) pending in the Superior Court of the State of Washington, in and for the Court of Spokane. On June 9, 2017, Plaintiff filed a lawsuit against Defendants The Hertz Corporation and certain affiliates alleging, among other claims, breach of contract, statutory and tort claims, unjust enrichment and fraud relating to payment processing consulting services provided by Plaintiff in Australia, New Zealand and Brazil. Specifically, Plaintiff alleges that Defendants failed to pay Plaintiff for the consulting services and committed other payment obligation-related breaches, and improperly shared Plaintiff's services with other Hertz affiliates. On January 11, 2019, Vizant's outside counsel abruptly filed a Notice of Intent to Withdraw as Counsel. Hertz filed a Motion for Summary Judgment, and to pursue recovery of its attorney's fees. On April 16, 2019 Vizant voluntarily dismissed the action against Hertz. On February 11, 2020, Hertz obtained an award of

attorneys' fees in the amount of \$472,762.63. Vizant is now dissolved and Hertz does not expect to collect on that award.

23. Dawn Cooks, et al. v. The Hertz Corporation (Case No. 3:15-cv-00652-NJR-PME) pending in the United States District Court for the Southern District of Illinois. On May 1, 2015, Plaintiff, on behalf of herself and all other similarly situated Hertz customers, filed suit in the Circuit Court, St. Clair County, Illinois, related to certain energy surcharges and vehicle license cost recovery fees charged by Hertz. Hertz removed the case to the United States District Court. Hertz moved to compel arbitration and dismiss the complaint. On August 5, 2015, Plaintiff filed an Amended Complaint alleging violations of the Illinois Consumer Fraud Act and the Missouri Merchandising Practices Act in connection with the surcharges and fees. Plaintiff seeks actual and punitive damages, attorneys' fees, an injunction against the continued imposition of the charges, and a declaration that the arbitration provision in the rental agreement is unconscionable. In August 2015, Plaintiff filed an Amended Complaint and Hertz filed motions (i) to compel arbitration of Plaintiff's claims, and (ii) to dismiss those claims. In an order issued on April 20, 2016, the Court granted Hertz's Motion to Compel Arbitration as to Dawn Cooks, but the motion was denied as to the three (3) remaining Plaintiffs. On January 20, 2017, Plaintiffs filed their Second Amended Complaint which significantly expanded the scope of the lawsuit. Two (2) of the former class Plaintiffs were dropped and a new Plaintiff, Dan Roehrs, was added. Illinois, Missouri, California, Colorado, Georgia and Michigan were added under the vehicle license fee allegations. On February 24, 2017, Hertz filed a Motion to Dismiss the Second Amended Complaint, along with a Motion to Compel Arbitration as to Dan Roehrs. The Court issued an Order on September 29, 2017, granting Hertz's Motion to Compel Arbitration as to Dan Roehrs, significantly reducing the scope of this matter and removing the added claims from the Second Amended Complaint. Concurrently, the Court denied Hertz's Motion to Dismiss as to the one (1) remaining plaintiff Emma Bradley. The two (2) remaining causes of action relate to purported violations of the Missouri Merchandising Practices Act by means of unfair and deceptive practices. The parties agreed at an October 13, 2017 Status Conference with the Magistrate Judge to continue the current schedule, with plaintiff's motion for class certification due in November 2017. Hertz filed its Answer to the remaining Missouri claim on October 31, 2017. On November 17, 2017, Plaintiff Emma Bradley on behalf of herself and all others similarly situated, filed a Motion for Class Certification. On December 22, 2017, Hertz filed its lengthy opposition to Plaintiff's Motion for Class Certification, along with a separate Motion for Summary Judgment. With leave of court, Plaintiff filed its Third Amended Complaint on June 27, 2018, partially revising its strategic approach. Following this, Plaintiff re-filed its Motion for Class Certification on September 17, 2018. Hertz, in turn, re-filed its Motion for Summary Judgment on November 9, 2018, which the court granted in part. On September 24, 2019, Hertz filed a Motion for Reconsideration of the summary judgment decision and an updated memorandum in opposition to plaintiff's Motion for Class Certification. The class certification motion was fully briefed as of October 24, 2019. This matter was mediated on February 22, 2021 and the parties came to a tentative settlement wherein for a cash payment of \$150,000 by Hertz, plaintiffs will dismiss with prejudice the Class Proof of Claim and the underlying putative class action. The settlement was approved by the Bankruptcy Court and was implemented.

24. Daniel Margulis v. The Hertz Corporation (United States District Court for the District of New Jersey, Case No. Case No. 2:14-CV-01209-WJM-MF). On February 25, 2014, Daniel Margulis, on behalf of himself and all other similarly situated Hertz customers, filed a class action complaint against The Hertz Corporation, alleging breach of contract, violation of the New Jersey Consumer Fraud Act, unjust enrichment and fraud related to currency conversion fees charged to Hertz customers renting vehicles abroad. Plaintiff alleges that The Hertz Corporation engaged in deceptive and fraudulent practices by charging allegedly unauthorized and inflated currency conversion fees in connection with the conversion of credit card charges for foreign vehicle rentals into United States currency. Plaintiff seeks an unspecified amount of compensatory and statutory damages, attorneys' fees and an injunction against continued violation of the New Jersey Consumer Fraud Act. The Hertz Corporation filed an Answer and Affirmative Answer in June of 2014. Thereafter, in August of 2014, The Hertz Corporation

filed a Motion to Dismiss for failure to include indispensable parties – Hertz UK and Hertz Italiana – in this litigation. The court granted the plaintiff limited “jurisdictional” discovery which was taken in the fall of 2014, and plaintiff responded to the motion in January of 2015. The Hertz Corporation’s reply was filed in February 2015, and on April 30, 2015, the judge denied the Motion to Dismiss. The parties engaged in mediation in September 2015, but a difference of opinion between the two attorneys for the Plaintiff prevented a complete discussion of a conceptual resolution within our anticipated costs of defense. Thereafter, discovery proceeded. A second mediation – this time conducted in March 2016 by a magistrate judge at the courthouse in Newark, New Jersey – was unsuccessful. Discovery continued, with depositions of four UK-based employees completed in March of 2017. In January 2018, Hertz filed a Motion for Summary Judgment, but was asked to withdraw the motion while a dispute over privileged documents was resolved. In August 2019, Hertz refiled its Motion for Summary Judgment. As part of the Bankruptcy Mediation Process, this matter was mediated on February 11, 2021, and the parties came into a tentative settlement wherein, for a cash payment of \$150,000.00 by Hertz, plaintiffs agreed to dismiss with prejudice the Class Proof of Claim and the underlying putative class action. This settlement was approved by Bankruptcy Court and was implemented.

25. In Re: Hertz Global Holdings, Inc. Securities Litigation (United States District Court for the District of New Jersey, Case No. 2:13-CV-07050-SRC-CLW). On November 20, 2013, Pedro Ramirez, on behalf of himself and all others similarly situated, (collectively referred to in this summary as “Plaintiffs”) filed a class action complaint against Hertz Global Holdings, Inc. and Mark Frissora and Elyse Douglas (collectively referred to in this summary as “Defendants”), alleging violations of federal securities laws in connection with Hertz common stock purchased between February 25, 2013 and November 4, 2013. Plaintiffs allege that Defendants withheld information from the public regarding airport market shares losses, the value of the Hertz fleet and disputes with the new owners of Advantage Rent A Car. Plaintiffs seek an unspecified amount of damages, as well as costs and expenses. On May 7, 2014, an Amended Complaint was filed, alleging violations of the securities laws in connection with purchases of Hertz stock between the shortened period of March 4, 2013 and September 25, 2013. Defendants moved to dismiss, and on October 8, 2014, the court dismissed the Amended Complaint without prejudice. On November 7, 2014, a Second Amended Complaint was filed, shortening the putative class period to between May 18, 2013 and September 25, 2013. Defendants moved to dismiss the Second Amended Complaint on December 19, 2014. In late December 2014, the case was transferred to a new federal judge – Judge Madeline Cox Arleo. Plaintiffs filed their Opposition to the Motion to Dismiss on January 13, 2015 and – on February 20, 2015 – Defendants filed their Reply in Support of the Motion to Dismiss. On July 22, 2015, the Second Amended Complaint was dismissed. On August 21, 2015, Plaintiffs filed a Third Amended Complaint, which, among other things, expanded the putative class to purchasers during the period from February 14, 2013 to July 16, 2015, and adding as defendants Thomas Kennedy, David Rosenberg, and Jatindar Kapur and focused in large part on allegations of “tone at the top” and internal control deficiencies. Defendants again moved to dismiss and supporting briefs were filed in November 2015. On March 3, 2016, Plaintiff filed the Fourth Amended Complaint to which Plaintiff filed its opposition on May 6, 2016. On June 13, 2016, Hertz Global Holdings, Inc. and the individual defendants filed their reply briefs in support of their motions to dismiss. On April 28, 2017, the Fourth Amended Complaint was dismissed with prejudice. On May 30, 2017, the Plaintiffs filed a Notice of Appeal with the appeal to be heard by the U.S. Court of Appeals for the Third Circuit. Plaintiffs/Appellants filed their Opening Brief on November 29, 2017. Two of the individual defendants – Thomas Kennedy and David Rosenberg – were then dismissed from the appeal. Hertz Global Holdings, Inc. and the remaining individual defendants filed Briefs for the Appellees on January 16, 2018. The Appellants filed their Reply Brief on February 13, 2018. On September 20, 2018, the Third Circuit affirmed the dismissal of the complaint with prejudice. The Plaintiffs have not sought further appellate review of the affirmance, however on February 5, 2019, the Plaintiffs filed a motion asking the federal district court to exercise its discretion and allow Plaintiffs to reinstate their claims to include additional allegations from the administrative order entered by the SEC with respect to the Company on December

31, 2018. On September 30, 2019, the federal district court of New Jersey denied the Plaintiffs' motion for relief from the April 27, 2017 judgment and motion to allow the filing of a proposed fifth amended complaint. On October 30, 2019, the Plaintiffs filed a motion to appeal the order issued on September 30, 2019 by the Federal District Court of New Jersey. The initial brief of the Plaintiffs was filed in January 2020. A settlement in principle reached in a bankruptcy-related mediation on February 3, 2021. This settlement was approved by the Bankruptcy Court and was implemented.

26. Enrico Moretti v. The Hertz Corporation, et al. (Superior Court of California, San Francisco, Case No. CGC-13-531701). On May 24, 2013, Enrico Moretti, on behalf of himself and all other similarly situated consumers, filed a class action complaint against The Hertz Corporation and Hertz Global Holdings, Inc., Dollar Thrifty Automotive Group, Inc. and Hotwire, Inc., alleging false advertising, violations of the California Consumer Legal Remedies Act, unfair business practices and fraud, deceit and/or misrepresentation. Plaintiff alleges that The Hertz Corporation and Hertz Global Holdings, Inc., Dollar Thrifty Automotive Group, Inc. and Hotwire, Inc. charge undisclosed arbitrary and inflated exchange rates on rentals made in the United States and completed in Mexico. Plaintiff also alleged that The Hertz Corporation and Hertz Global Holdings, Inc., Dollar Thrifty Automotive Group, Inc. and Hotwire, Inc. failed to disclose that insurance advertised and sold as optional was mandatory. Plaintiff seeks an unspecified amount of actual and compensatory damages, punitive damages, restitution, injunctive relief and attorneys' fees. On June 27, 2013, the case was removed to the United States District Court for the Northern District of California (Case No. 3:13-cv-02972-JSW). In August 2013, The Hertz Corporation and Hertz Global Holdings, Inc., Dollar Thrifty Automotive Group, Inc. and Hotwire, Inc. moved to transfer the case to the United States District Court for the District of Delaware. That motion was granted in April of 2014, and the Dollar-Thrifty and Hertz defendants, and Hotwire, filed separate motions to dismiss in May 2014. Thereafter, the plaintiff filed an Amended Complaint and, in June of 2014, Defendants renewed their Motions to Dismiss. In March 2015, the court granted Defendants' alternate request for a more definite statement and denied as moot and without prejudice the Motion to Dismiss. In April 2015, the plaintiff filed a Second Amended Complaint. In May 2015, Defendants filed a Motion to Dismiss the Second Amended Complaint, which was denied on March 29, 2016. On March 17, 2017, the Court issued an Opinion and Order denying Hotwire's Motion for Judgment on the Pleadings and directing the Plaintiff to file an Amended Complaint. On March 31, 2017, Plaintiff filed its Third Amended Complaint adding allegations relating to Hotwire's alleged conduct. Both Hertz and Hotwire filed answers to the Third Amended Complaint on April 28, 2017. Following depositions of Hertz corporate representatives in November 2017, the Court held a hearing on December 18, 2017 to address a discovery dispute relating to access to rental records maintained by the applicable Mexican franchisees. Hertz took Enrico Moretti's deposition on January 11, 2018. The parties have continued to work with the Court throughout 2018 to address the discovery issue that is critical to Plaintiff's ability to meet class certification requirements. Without rental documentation details, which are exclusively retained by our Mexican Hertz and Dollar Thrifty licensees, this case cannot proceed to the class certification stage, which is why this critical issue has taken over a year to resolve. The Court held several status conferences throughout 2018 with directives that Hertz push its licensees to produce the rental documentation. This remains an active issue that is briefed and before the court for a decision. The parties have held parallel settlement discussions for at least six (6) months but are still significantly apart. As of December 13, 2019, Hotwire's Motion for Leave to File a Pre-Class Certification Motion for Summary Judgment has been fully briefed and is before the court for a decision. The court has not issued a hearing date or timeline for ruling(s) on the pending motions nor set a briefing schedule for class certification. This matter was mediated on February 19, 2021, but the mediation resulted in an impasse. Informal settlement discussions are ongoing, however, Hertz plans to proceed with filing a formal objection to Plaintiff's time-barred bankruptcy claim(s) and related Rule 7023 Motion for Class Certification filed with the U.S. Bankruptcy Court for the District of Delaware on November 25, 2020. . On March 5, 2021, Hertz filed its Objection to Moretti's Motion Seeking Entry of an Order Applying Bankruptcy Rule 7023 to Class Proofs of Claim and Certifying Purported Class for Purposes of the Claims Administration Process.

The motion is scheduled for a hearing before the Bankruptcy Court on April 16, 2021. After engaging in the Bankruptcy Mediation Process, on May 10, 2021, a term sheet was executed confirming a \$20 million settlement in exchange for dismissal of the underlying putative class action and Class Proof of Claim. The final settlement agreement was executed on September 3, 2021, and the 9019 Motion for an Order Approving the Settlement Agreement was filed with the Bankruptcy Court on the same day. Following the passage of the Objection period, the Bankruptcy Court signed the preliminary approval order on September 21, 2021. Class notice was distributed during October. The final approval was handed down on December 1, 2021.

27. Kathryne Anne Kurth v. The Hertz Corporation (Case No. 2018-CH-02994, Circuit Court of Cook County, Illinois, Chancery Division). On March 6, 2018, Plaintiff filed a purported class action in the Circuit Court of Cook County, Illinois alleging Hertz unlawfully imposes a ten percent (10%) concession fee recovery charge on car rentals at locations where Hertz incurs no such concession fee. Kathryne Anne Kurth, on behalf of herself and others similarly situated, claims that Hertz improperly assesses a concession fee at agency rental locations, violating the Illinois Consumer Fraud and Deceptive Business Practices Act and the various state consumer protection laws of other impacted states. Plaintiff sought to create a national class for all individuals who paid a concession fee recovery charge at Hertz, Dollar or Thrifty car rental facilities where no such concession fee is incurred. On May 7, 2018, Hertz filed two (2) motions – Defendant’s Motion to Compel Arbitration and Dismiss or Stay Action and Defendant’s Partial Motion to Dismiss Counts II and III of Plaintiff’s Complaint Pursuant to Rules 12(b)(1) and 12(b)(2). On October 24, 2018, the Court granted Hertz’s Motion to Compel Arbitration and Partial Motion to Dismiss, with prejudice, as to Kurth’s fifth transaction with Hertz. The remaining four (4) transactions were compelled to arbitration. On March 4, 2019, plaintiff’s counsel sent a demand for arbitration for the four (4) remaining transactions. Arbitrator Stanley E. Kravit was appointed by the American Arbitration Association (“AAA”) on May 3, 2019. On November 8, 2019, Arbitrator Kravit issued a final award following an October 3rd evidentiary hearing, dismissing the claim and finding in Hertz’s favor. Following AAA’s ruling, plaintiff filed a Motion to Vacate Arbitration Award in the U.S. District Court for the Northern District of Illinois, Eastern Division, where the case was removed to on April 19, 2018. The Court will hold an in-person hearing on June 3, 2020 to decide the motion. This matter was mediated on February 5, 2021 and the parties came to a tentative settlement. The settlement was approved by the Bankruptcy Court and implemented.

28. Emy Johnston v. The Hertz Corporation, et. al. (Case No. 2:17-CV-01966-JAM-EFB). On August 23, 2017, a former employee filed suit in California seeking to represent a class of California current and former location managers on allegations of misclassification, with derivative meal and rest break claims, paystub claims and failure to reimburse personal use of cell phones, and derivative PAGA claims. This matter has not been certified as a class action and no class certification motion is pending. No adverse finding was made against the Company, but to avoid protracted litigation and potential risks associated with class certification, the Company reached an agreement to settle the case for \$550,000.00. That agreement was approved by the Bankruptcy Court and has been implemented. The case was dismissed with prejudice on June 23, 2021.

29. Hertz España, S.L. v. Autored, S.L. (Juicio Ordinario 43/2015) Hertz España filed suit on January 19, 2015 in Juzgado De Primera Instancia Nº 1 De Arrecife (Lanzarote) against the former Canary Islands franchisee for the Hertz brand alleging failure to make required payments upon termination of the franchise agreement on December 31, 2013. A trial was called for January 21, 2016 but the parties jointly agreed to suspend the trial during 60 days in order to be able to reach a settlement agreement. After unsuccessful settlement negotiations, Autored asserted a criminal claim against Hertz España alleging failure to return certain taxes. Therefore the civil proceeding was suspended until the criminal claim brought by Autored against Hertz España was resolved. Hertz España prevailed in the criminal proceeding. A trial was held on November 28, 2018, and a sentence favorable to Hertz was

issued on December 12, 2018, condemning Autored to pay Hertz €127,355.65 plus interest. Autored did not appeal, and paid the judgment on March 20, 2019.

The new date for the trial will be on 09/11/2020 at 10:30 a.m. On 03/12/2020 we received the court judgment favorable to Hertz. Autored did not appeal, and paid the judgment on March 20, 2019.

31. Localiza Car Rental Systems S.A. and Hertz System, Inc. v. B Noronha Locadora de Veículos Eireli (Case No. 1015655-62.2018.8.26.0002). An inhibitory action, with injunction request, was filed in the 9th Civil Court of the Santo Amaro District, São Paulo on April 3, 2018 against the undue use of the “HERTZ” brand and name, trade dress, etc., by Defendant, a former Hertz Subfranchisee in Brazil. The court files were submitted to the judge for a decision. On May 28, 2018, the judge denied the injunction request and determined the summoning of the defendant to present its defense. According to the judge, it is advisable to wait for the defendant’s answer to clarify the allegations contained in the complaint. Defendant's answer filed on July 25, 2018. On August 2nd, 2018, the judge determined the summoning of the plaintiff to file its rebuttal arguments. On August 23, 2018, we filed our rebuttal arguments. On December 17, 2018, the lawsuit was rejected. On January 21, 2019, the judge's decision was published in the Official Gazette. On February 5, 2019, our motion for clarification was rejected. On March 8, 2019, the defendant filed a motion requesting the summoning of the plaintiffs to effect payment of the amount of R\$20,000.00 (attorney's fees of the adverse party), considering that no appeal has been filed against the judge's decision. We did not appeal because Noronha is no longer using the brand. This case is now closed.

Injunctive Orders

1. Federal Trade Commission. (File No. 8923190). On December 18, 1991, Dollar signed an agreement which was filed with, and accepted by, the Federal Trade Commission on March 29, 1993. The agreement contains an Order to cease and desist certain acts and practices which occurred during 1989, before the purchase of Dollar by Pentastar Transportation and before the present management of Dollar was installed. The allegations contained in the Complaint include the failure to disclose, in advertisements and computer-accessed data bases, certain mandatory charges relating to the price of renting a car. The Order requires Dollar to disclose to customers the amount of all mandatory charges, not reasonably avoidable, in connection with any representation relating to the price of contemplated rentals. Dollar’s agreement to the Order was for settlement purposes and does not constitute an admission by Dollar that the law has been violated as alleged in the Complaint.

32. The Hertz Corporation v. Art Shaban, individually, and d/b/a Westheimer Paint & Body, Inc. (Harris County, Texas – County Civil Court). In March 2016 Hertz filed suit seeking to stop defendant from continuing to operate a Hertz-branded rental business in Houston after the termination of the agency agreement. Defendant countersued alleging, inter alia, fraudulent failure to pay hundreds of thousands of dollars in commissions. Shaban’s first attempt to transfer the case to District Court was denied by the court on March 10, 2017. The County Civil Court granted Hertz’s request for a permanent injunction against Shaban on May 22, 2017, and plaintiff’s countersuit was dismissed for failure to prosecute. Shaban has since filed suit in District Court (replicating the County Court counterclaim) with a corresponding motion to transfer and consolidate the underlying action brought by Hertz. The appellate court reversed and has permitted Defendants to proceed with their District Court action. Plaintiff removed to the District Court,

where Hertz filed an Answer and Counterclaim. Hertz filed a Motion for Summary Judgment on Plaintiff's claims on November 6, 2019. On June 1, 2020, Hertz filed its Notice of Suggestion of Bankruptcy, staying the case. On October 7, 2021, the District Court granted Hertz's motion dismissal Shaban's claims with prejudice due to the bankruptcy and closed the case.

2. In Re: Franchise No Poaching Provisions, State of Washington. (File No. 19-2-29646-1 SEA). On November 8, 2019 The Hertz Corporation cooperated with the Attorney General of the State of Washington to submit an Order Approving an Entry of Assurance of Discontinuance in connection with the use of "No Poaching Provisions" in Franchise Agreements.

ITEM 5 INITIAL FEES

Initial Franchise Fee

You will be required to pay us an initial franchise fee which will vary as determined by us depending on a number of factors including the following: (1) potential car fleet size; (2) potential area population growth; (3) potential area economic growth; (4) existing and potential for future growth of hotel accommodations; (5) existing Hertz national account customers located in the area; (6) existing and potential for future growth of local airport passenger traffic; and (7) extent of the recreational or regional markets. The range of the initial franchise fees will vary extensively.

The minimum initial franchise fee that will be required for a new franchisee (a franchisee who is not an existing Hertz franchisee) is \$25,000. We estimate the initial franchise fee will range from \$25,000 (except in certain circumstances) to \$100,000 based on a starting fleet of 30 to 300 rental cars. Initial franchise fees may vary, based on the factors described above. For existing franchisees, we estimate that the initial franchise fee may be as low as \$25,000.

If you are a transferee or an existing Franchised Business, we may, in our discretion, charge a transfer fee under certain circumstances. The transfer fee could range from \$0 to the amount of the initial franchise fee currently being charged to new franchisees (currently \$25,000-\$100,000). In 2022, a transfer fee of \$25,000 was charged in connection with a transfer.

The initial franchise fee (or transfer fee, if applicable) is payable in a lump sum, or in our discretion, we may allow a portion of the fee to be paid in installments over a period not to exceed three years. Interest will not be charged on the deferred portion of the fee. The initial franchise fee is not refundable under any circumstances.

You may be required to have “**Courtesy Vehicles**” to transport customers to and from their rental vehicles. The type of Courtesy Vehicle may be determined in part by airport and/or governmental requirements, such as those found in the ADA, and must be approved by us. You must paint all Courtesy Vehicles to conform to the specifications outlined in our Operations Guide and remove this trade dress when you cease to use the Courtesy Vehicle in Your Franchised Business and before returning the Courtesy Vehicle to the lessor or a third party. The number and size of Courtesy Vehicles needed will vary based on the size of the market served, the layout of the airport, the location of the rental facility and similar factors. If you have more than one brand, and unless we otherwise authorize, your Courtesy Vehicles cannot be branded with the Marks of more than one brand. That is, unless we otherwise authorize in writing, you must maintain Courtesy Vehicles branded only with the Hertz Marks to transport Hertz rental customers; and if you operate multiple brands under a Multiple Brand Addendum, you must maintain Courtesy Vehicles branded only with the Hertz Marks to transport Hertz customers, Courtesy Vehicles branded only with the Dollar Marks to transport Dollar customers or Courtesy Vehicles branded only with the Thrifty Marks to transport Thrifty customers, depending on the brands you operate from your location.

From time-to-time our Parent or our other affiliates may offer for sale the assets of certain company-owned Vehicle Rental Business locations in conjunction with a Franchise Agreement for the operation of a Hertz Business at such locations. If you purchase one of our Parent’s or affiliates’ existing businesses, your initial franchise fee may be substantially higher than the initial franchise fee described above. There is a broad range of initial franchise fees for these locations, based upon the factors described above, the revenue generated from the location, the fleet size, the value of the assets, and other factors, all of which will depend upon the particular facts and circumstances related to the location and transaction.

Except as otherwise described above, all fees are payable in a lump sum.

Notes:

1. Except as described in footnote 2, all fees are uniformly imposed by us. All fees are payable to us, and are non-refundable, except that the Travel Industry Commissions may be collected by us or an affiliate on behalf of a third party. We may apply any payments you or your affiliates make to any amounts you or your affiliates owes us or our affiliates even if you have designated the payment for another purpose or account.

2. The Franchise Fee is based upon Gross Receipts from Your Franchised Business. “**Gross Receipts**” means and includes the gross amount of all sums, whether such sums are cash or credit, billed or charged by you (whether or not the same shall have been paid or collected, and including for purposes of clarity amounts received in connection with prepaid reservations for which a rental does not actually occur) as time mileage or use charges, intercity charges or revenue splits or reimbursements, loss and collision damage waiver charges or fees, insurance charges such as personal effects coverage, personal accident insurance, supplemental liability insurance or uninsured or underinsured motorist protection (with no deduction for any premium paid to the insurance company in connection with any of the foregoing insurance products), vehicle licensing fees, prepaid fuel, charges for services such as cellular phones, GPS, wi-fi, tablets, baby seats, ski racks and other special equipment or any other products or services rented, leased or sold by Your Franchised Business, additional and/or underage driver charges, drop charges (one-way), parking fees, and transportation fees, and all other charges and fees and all other income of every kind and nature derived from Your Franchised Business or any business operated in violation of Section 11.18 of

your Franchise Agreement; but shall not include the amount of any federal, state or municipal sales or other similar taxes separately stated and collected from customers and paid to government entities as a result of such collection, concession or consolidated facility fees or charges to the extent paid to a third party, any refueling service charges separately stated and due as a result of the vehicle being returned with less than the fuel required upon return by the rental agreement, any parking violation fees and administrative charges associated with the processing and collection of fines, impound fees, receipts from sales of used vehicles, nor any sums received as insurance or otherwise to reimburse you for damage to your vehicles or other property or to reimburse you for the loss, conversion or abandonment of such cars or the costs to return the vehicle to the designated location in rentable condition (but inclusive of proceeds of any business interruption insurance policies maintained by you), or any fees collected as a result of disposal of a vehicle no longer deemed to be rentable.

The minimum annual Franchise Fee that you must pay to us will be determined based upon an assessment by us of a variety of factors, which may include the following: (1) the total car rental market, according to publicly-available data; (2) the percentage of that total car rental market of the Hertz brand; (3) your anticipated fleet size; (4) the anticipated average revenue per vehicle per year, based on your anticipated fleet mix (that is, the mixture of compact, mid-sized, full-sized and other vehicles); and (5) the applicable Franchise Fee percentage (that is, the Airport Rental percentage of 9%, and the Non-Airport Rental percentage of 6%). Other factors that may also be taken into account include (a) the area population and population growth trends; (b) the area economic strength and growth trends; (c) existing national account customers located in the area; (d) existing and potential future growth trends for local airport and off-airport passenger traffic in the area; and (e) our experience in the area and in other similar areas. The minimum annual Franchise Fee will be presented to you, and you will be provided with any explanations related to it as you may reasonably request, before you sign the Franchise Agreement.

If you are a transferee of an existing Hertz Business, your monthly franchise fee may be different than the fee described above, and other fees (as well as other terms and conditions of your Franchise Agreement, such as its duration) may also be different.

3. We may decide to initiate an assessment (a “**Program Assessment**”) related to any “**Program.**” Such Programs could relate, for example, to advertising, sales promotion, marketing, reservations, centralized billing, charge cards, travel industry commissions or tour arrangements, operating programs, customer satisfaction programs, account programs, coupon programs, experimental or test programs, and such other programs that we may prescribe in the Operating Guide. Such Programs may be modified, replaced or instituted by us from time to time in the Operations Guide or otherwise in writing. We are currently not charging any Program Assessments to new franchisees, although we reserve the right to do so in the future. We reserve the right to allocate a portion of the Franchise Fee to assessments related to Programs. If all other Hertz franchisees are required to participate in, support and service a Program, then the expenses incurred by you will be on the same basis as other Hertz franchisees.

4. We have the right to suspend your access to our Reservation System and your listing at www.hertz.com if you do not pay your reservations fees timely. These procedures are described in our Operations Guide and may be revised or revoked by us at any time. If a reservation is canceled by a prospective customer, the reservation charge is not made. If the prospective customer does not rent the car, and does not cancel the reservation (*i.e.*, is a “no show”), the reservation charge will still be made.

5. We may implement programs for set periods of time which may include a bonus to a travel industry member who attains a set level of cumulative regular commissions (including commissions paid on travel vouchers issued by us). Commissions may also be payable to two different travel industry members on the same transaction, for example, if a travel agent were to place a reservation for an airline ticket and a rental

car with an airline and then the airline were to place the car reservation with our Reservations System, both the airline and travel agent would receive a commission.

6. Our Parent issues travel vouchers for use by customers for payment of car rental charges. Vouchers are typically issued by travel agents or other travel industry members who collect the face amount of the voucher from the customer and send the proceeds to our Parent, less their applicable travel agent or other commission (the “**Net Proceeds**”). The vouchers are issued for rentals from a franchisee or from our Parent and the Net Proceeds for all vouchers are remitted to our Parent. When a customer presents a voucher to a franchisee as payment for a rental at franchisee’s location, the voucher will be processed by us. We will send payment to the franchisee for the Net Proceeds less a 5% service fee.

7. This is reservation system for third-party delivered reservations. EDI is a web-based system for receiving reservations and managing the rental transaction through the life of the rental. TSD is the system distributor that provides software and system technology in the form of applications, interfaces, web services, and hosting services, and provides Hertz with development and support services for products (including EDI) and new interfaced development.

8. Certain issuers of required charge cards and credit cards will not deal directly with franchisees. We will process and collect these charge rentals and send payment to you for the charges less our service fee and less the fee deducted by the charge card issuer. In some cases, franchisees may request that we handle the processing and collection of rentals charged on other required charges. In this case, we will charge a service fee in addition to the fee imposed by the card issuer.

9. Payment of all rentals charged on centrally billed or direct billed charge cards and credit cards are guaranteed by our Parent. Our Parent’s agreement to pay is subject to certain restrictions which you will be made aware of through updates to our Operations Guide. If you fail to comply with restrictions in effect, you will be responsible for collection of the entire amount charged without our guarantee.

10. If you desire to purchase or lease from an unapproved supplier, you must first submit to us written request for approval, together with such information and samples as we may require. We have the right to require periodic inspections of the items and/or supplier’s facilities and that samples from the supplier be delivered for testing, at our option, either to us or to an independent certified laboratory we designate. You must pay a charge not to exceed the reasonable cost of any evaluation and testing. We will notify you of our approval or disapproval within ninety (90) days after our receipt of your request and completion of such evaluation and testing (if required by us). We may deny such approval for any reason, including our determination to limit the number of approved suppliers. We may from time to time revoke our approval of particular items or suppliers if we determine that the items or suppliers no longer meet our standards, or we determine that the item is no longer appropriate for Your Franchised Business. We reserve the right to designate a single supplier for any required purchase, and such supplier may be us or an affiliate.

11. You must pay us interest on any unpaid obligations. All unpaid obligations will bear interest from the date due until paid at the lesser of the interest rate prescribed by us in writing from time to time, in our sole discretion, or the maximum rate allowed by applicable law. You must also pay us a late fee of not less than 5% of the total amount overdue. If we incur costs and expenses due to your failure to pay amounts when due or to submit any reports, information, or supporting records, you must reimburse us for all of the costs and expenses that we incur, including reasonable accounting, attorneys’, arbitrators’ and related fees.

12. If you desire to purchase or lease from an unapproved supplier, you must submit a written request for authorization to purchase items, together with such samples and information as we may require. We may require that our representatives be permitted to inspect the supplier’s facilities and that samples from the supplier be delivered for testing, at our option, either to us or to an independent certified laboratory we

designate. You must pay a charge not to exceed the reasonable cost of any inspection conducted and the actual cost of any testing undertaken. We reserve the right to designate a single approved supplier for any required purchase, and such supplier may be us or an affiliate.

13. If you transfer Your Franchised Business, you may be required to pay a transfer fee, which we have the right to require in our sole discretion, in an amount equal to five percent (5%) of the average annual gross sales for the three (3) years immediately preceding the transfer.

14. If you continue to operate Your Franchised Business after the end of your Initial Term (and, as applicable, after the end of your first and second renewal period) without having renewed pursuant to the terms of your Franchise Agreement, including without having executed our then-current form of Franchise Agreement, we may, at our option: (1) upon thirty (30) days' written notice to you, deem you to be operating on a month-to-month basis under: (a) the terms of our then-current Franchise Agreement; including the then-applicable Franchise Fee, and any other fees and assessment then being charged by us or (b) the terms of your Franchise Agreement; or (2) deem the Franchise Agreement terminated. If we exercise options (1)(a) or (b), we may, subject to applicable law, terminate without cause the then-current form of Franchise Agreement or your Franchise Agreement, as applicable, at any time upon at least thirty (30) days' notice of termination, without providing any opportunity to cure.

15. We may require you to post a deposit in the form of cash or a non-revocable letter or credit or other form of security acceptable to us, to secure your or any of your affiliates' obligations to us and our affiliates, whether under the Franchise Agreement or otherwise. The initial amount of such security deposit, if required, will be an amount determined by us in our sole discretion, provided, that we may increase such amount from time to time, in our sole discretion, based upon a change in the revenues or the financial condition of you or any guarantor or Your Franchised Business. If such security deposit is drawn upon to satisfy any obligation of yours or your affiliates, you will be obligated to reinstate the full amount of such security deposit within five (5) days and failure to do so will be deemed a breach of your Franchise Agreement.

16. Pursuant to Section 18.1 of your Franchise Agreement, you may terminate your Franchise Agreement with us, with or without cause, at any time upon giving not less than 180 days' written notice to us. If you terminate your Franchise Agreement pursuant to Section 18.1 of your Franchise Agreement, you must pay to us, in addition to any other amounts due, as liquidated damages for the future franchise fees we will lose, an "**Early Termination Fee**" calculated by multiplying the minimum amount per year set forth in Attachment A to your Franchise Agreement (or, if no minimum amount is specified, the average annual franchise fee paid by you to date during the Term) by the number of years remaining on the term of the Franchise Agreement as of the date of termination (adjusted in each case on a pro rata basis for partial years and for partial terminations if applicable). The Early Termination Fee is due when you provide to us your notice of termination. The Early Termination Fee is intended to compensate us only for the value lost in future franchise fees pursuant to Section 5.1 of the Franchise Agreement as a result of the early termination of the Franchise Agreement, and you remain liable for all other obligations under the Franchise Agreement, including the "Obligations After Termination or Expiration" as described in Section 18.6 of your Franchise Agreement and liabilities arising out of your breach or default.

17. We may set off against any money owed to us or our affiliate(s) by you or your affiliate(s). This right of set off will continue until you have paid, satisfied or discharged all monies, debts or liabilities due or owing to us and our affiliates. If in your jurisdiction set-off is not possible due to the local laws we or our affiliate(s) will hold monies due to you or your affiliate as a lien, free from interest, until such time as you or your affiliate(s) have paid all monies owed by you or your affiliate to us and our affiliate(s).

18. The Value Proposition products and services are offered to our franchisees on an optional menu basis. These services are offered by third party vendors and The Hertz Corporation. The Value Proposition products and services may include, among other offerings: (1) Lighthouse, a service provided by the Hertz Corporation, which provides process improvement evaluation of operations and locations, at a cost of \$100,000 to \$150,000 based on the size of the operation; (2) Lean Six Sigma training, an on-site training program in efficient and collaborative team operations, at a cost of \$20,000 to \$60,000 depending on the franchisee's selection of a basic, standard, or plus programs; (3) Business/Fleet Planning, the fee for which will vary based on the cost of administering the service; (4) Operational Profitability Consulting, the fee for which will vary based on the cost of administering the service; and (5) Fleet Procurement Services, the fee for which is \$200 per vehicle. Other products and services such as car wash cleaning products and office supplies may also be offered as part of the Value Proposition. We may enter into arrangements with third party providers of goods and services pursuant to which we or our affiliates may be compensated by such third parties for participation in the Value Proposition and/or for purchases made by you or other franchisees, including without limitation fees, bonuses, and commissions. We had one such arrangement in place in 2018 but received no compensation during the calendar year.

Total (excluding Real Estate & Improvements)¹⁴	\$879,300 to \$15,839,000			

Notes:

1. The initial franchise fee is payable in a lump sum or, in our discretion, we may allow a portion of the fee to be paid in installments over a period not to exceed three years. Interest will not be charged on the deferred portion of the fee. The initial franchise fee is not refundable under any circumstances. Existing franchisees who either purchase a new franchise or purchase an existing company-owned location from our Parent or an affiliate may have initial investments that vary from this chart for new franchisees. For an existing franchisee, we estimate that the initial franchise fee will range from as low as \$25,000 to \$100,000, for any franchisee (new or existing) that is purchasing assets owned by the Parent or an affiliate that constitute an existing Vehicle Rental Business, several hundred thousand dollars.
2. Prior to opening Your Franchised Business, you, your manager and key employees must, at your sole expense (including all travel and living expenses), attend and complete such initial training programs and courses that we require.
3. You must have current model cars to operate Your Franchised Business. The present cost of current model cars typically ranges from \$25,000 to \$75,000 per car. If you offer larger types of vehicles, such as sport utility vehicles (“SUVs”), or luxury cars, your costs could be higher. The range in the table is based on a starting fleet of 30 to 300 cars. You must maintain at least, as shown on Attachment D to your Franchise Agreement: (i) the minimum number of vehicles required for each calendar month during the term of the Franchise Agreement; or (ii) the minimum average number of vehicles for either 6 consecutive months or 9 months out of any 12 consecutive months. You may purchase cars with financing provided by banks or finance companies and the terms and amount of financing will vary depending on credit conditions and your financial position. You will make all arrangements for the purchase of the cars. The information provided in the preceding chart does not include an estimate for the inventory of rental vehicles to be used for multiple brands. If you have more than one brand, you may establish one fleet of rental vehicles that services your Hertz Business, your Thrifty Business and/or Dollar Business, as long as you are in compliance with the fleet inventory requirements under your Franchise Agreement. However, you must not identify or brand any rental vehicle you use interchangeably between your car rental businesses.
4. Airport Rental Locations must have a Courtesy Vehicle or shuttle bus, as applicable, to transport customers to their rental vehicles. The number and size of Courtesy Vehicles or shuttle buses will vary based on the size of the market, the layout of the airport, the location of the rental facility and similar factors. The purchase price for Courtesy Vehicles ranges from approximately \$55,000 to over \$350,000 per vehicle. Depending on your credit and other factors, you may finance the purchase of such vehicles with local banks, vehicle manufacturers or other lending institutions. The information in the preceding chart does not include an estimate for the inventory of Courtesy Vehicles to be used for multiple brands. Unless we otherwise authorize, if you have more than one brand and your territory includes an airport, you will have to use separate Courtesy Vehicles for each brand. You may not transport rental customers of one brand using a Courtesy Vehicle branded with the Marks of another brand.
5. You will need certain equipment and supplies, including uniforms, office equipment, a telephone system, desks, files, car rental agreements, accounting forms, and similar items. Some of these items such as rental agreements, uniforms, accounting forms, and signage may be purchased from approved suppliers for non-refundable prices or, in some cases, you may purchase them from any capable source in accordance with our specifications.
6. Initial insurance deposits for Your Franchised Business will depend on the insurance carrier, size of fleet, and any additional insurance requirements imposed by the owner or lessor of the vehicles, or lending institution if the vehicles are financed. All franchisees must obtain and maintain the minimum level

of insurance coverage specified in the Franchise Agreement and Operations Guide and any landlord requirements, if applicable (See Item 8). Other lessors or financing institutions may require additional insurance (e.g., comprehensive and/or collision). The deposit and the annual insurance fees will vary based on your territory, fleet size, vehicle rental experience of management, revenue generated from the location, previous loss experience and the carrier. The amount of the initial deposit generally ranges from \$5,000 to \$40,000 depending on the items stated above. As a general rule, deposits are made in the form of cash, the amount of which may increase or decrease occasionally. Other lessors of rental vehicles may have similar requirements. If you have more than one brand, you must include Hertz, Thrifty and/or Dollar, their affiliates, and their franchisees and subfranchisees as additional insureds.

7. The cost of facilities required to operate Your Franchised Business is subject to numerous variables, including factors such as the particular locality, local labor rates, and location of property (*i.e.*, an airport, highway, downtown, or remote facility). Accordingly, it is not possible to estimate the initial investment required for real estate and related facilities. Information on key facilities considerations is included below.

- (a) Parking area of approximately 175 square feet per car you expect to be idle on average at a given time. Overflow parking may be needed during certain periods for peak demand, returns, and/or idle vehicles.
- (b) A car wash bay of approximately 512 square feet (*i.e.*, 16' x 32' in dimensions). Required infra-structure for a car wash bay will vary depending upon the sophistication of car wash equipment which may be used by you. Automatic car washing equipment is presently estimated to cost approximately \$20,000 to \$25,000. In a small operation, manual car washing can be performed, or use of a local car wash can greatly reduce costs. A storage area of approximately 50 square feet is also required to keep drums, containers, soap, and other items associated with the washing of cars.
- (c) You might consider a service bay for maintenance of cars. This requires approximately 550 square feet. Related infra-structure includes a lift and lubrication drums. More sophisticated equipment at greater cost would include automatic lifts and overhead reels. Alternatively, maintenance work can be vended to local dealerships/service providers.
- (d) Two toilet facilities (approximately 40 square feet each), one for employees and one for customers.
- (e) A parts area of approximately 150 square feet (if maintenance is to be performed onsite).
- (f) A general office area of approximately 150 square feet for a manager. If you need additional managerial personnel, you should have approximately 100 square feet for each additional manager, 25 square feet for a secretarial area, and 50 square feet for a file area.
- (g) With respect to public areas, you will need a minimum area of 75 to 100 square feet to accommodate at least one rental representative, a counter, and space for the public.
- (h) Facility requirements may also include fueling areas, including a fuel island and underground storage tanks. The fuel island should accommodate two cars at a time and the underground storage tank should accommodate a minimum of 3,000 gallons of storage. Depending upon weather factors, you may want to consider a canopy to cover parking areas. Alternatively, you may use a local gas station.

In analyzing your needs, you will need to consider the projected scope of your operations. The above square footage recommendations pertain to a planned forty (40) car operation. You may dispense with the

car washing, maintenance, and fueling facilities if you are prepared to have these services performed by third parties. With any reasonably sized operation, use of third parties, unless geographically very close, is likely to be inconvenient and create operating problems. Nevertheless, if you dispense with them, you will deal with independent firms who wash cars and maintain cars, as well as fuel cars.

You must use Hertz signage at facilities and we estimate that these signs will cost approximately \$3,500.

It should be noted that many car rental facilities are located at or adjacent to airport locations. In the event that your facility is at an airport, you would be subject to various requirements that the airport may impose concerning the design of facilities and placement of facilities. For example, at large airports, parking areas may be located at a distance from the customer counter, in which event Courtesy Vehicles or shuttle buses or other means of transportation will be necessary in order to transport customers from the counter to their rented cars. Usually, airports charge a concession fee of at least 10% (and sometimes higher) but with a minimum guaranteed fee of a fixed number of dollars and which may contain built-in escalation factors on a periodic basis. For downtown locations, you should consider that zoning regulations may be a factor and you should ascertain zoning requirements prior to purchasing, constructing, or leasing any facility.

8. You may wish to employ an attorney, accountant or other consultant in connection with Your Franchised Business. These fees may vary, depending on the locality, the extent of the review required and the local circumstances (for example, whether an application for rezoning is necessary).

9. Your “**Computer System**” will consist of such computer system hardware, software, required dedicated telephone and power lines, modems, printer(s), other computer-related accessories or peripheral equipment, and systems and devices to monitor vehicle telematics, geolocation, and/or other information (which you may be required to install in every Vehicle utilized in Your Franchised Business), in each case as we specify in the Operations Guide or otherwise in writing. Your Computer System shall have the capacity to electronically exchange information, messages, and other data with other computers, by such means (including but not limited to the Internet), and using such protocols (e.g., TCP/IP), as we may reasonably prescribe in the Operations Guide or otherwise in writing. Your Computer System must be able to interface with our data transfer and acquisition systems via a dedicated telephone line modem or dedicated network connection, if we require it.

You must also obtain a “counter automation system” for Your Franchised Business. A counter automation system is a software system that maintains “ready to rent” information of cars in each category, provides a preferred customer database to facilitate reservation and rental processing, as well as rate and rental information. You must pay for any fees or expenses associated with any third-party software agreement and comply with the terms of any such agreement. Currently, there are 6 counter automation systems approved for use with your “**Approved Counter System**” (which we define as your hardware and software, including the counter automation system).

The cost of the Approved Counter System will vary substantially depending on size and number of customers served at each location, the number of locations and, the type of hardware obtained. The figure shown in the low estimate of the fees is for a 1-user system, which is the minimum size system used at a non-Airport Rental Location. The higher estimate assumes a 30-user system for servicing multiple locations or a high-volume Airport Location. Actual costs may vary depending on the number of workstations and the vendor(s) from which you choose to purchase your computer hardware and software. The amounts shown include the estimated purchase price for the Approved Counter System, excluding taxes, shipping and handling, which may be purchased directly from an approved supplier, mandatory training and installation, excluding travel expenses for trainers and technicians and the cost of required software from

approved suppliers and support and maintenance fees. With approved credit, this may be financed or leased through an approved supplier. In some limited cases, the counter automation system license will not be immediately required. This may be the case when an existing territory, which is operating under a sublicense from us, is transferred to a new owner. If you have more than one brand, your counter automation system must also be capable of electronically interfacing with data transfer and acquisition systems and reservation link hardware and software required by our affiliate and us.

We reserve the right to amend the list of Approved Counter Systems, including the right to approve only a single system, which might be offered only by us or our affiliate. We are in the process of developing a new Computer System which we may require you to purchase. As of the date of this Disclosure Document, we have not set a date to launch the new Computer System. Any franchisee using a Computer System provided by us or our affiliate will be required to sign an agreement specifying the terms on which such system will be provided. At any time and from time to time, we may revise the list of Approved Counter Systems to Computer Systems meeting our specifications and compatible with our proprietary Computer System or we may require you to purchase our proprietary system, even if you are utilizing a previously approved system. Any third-party provider of a Computer System will be required to execute an agreement with us or our affiliate to ensure compliance with our standards and specifications prior to any API connection to our systems.

10. You may wish to obtain other software to computerize other functions in Your Franchised Business, such as your accounts receivable, accounts payable, general ledger, payroll and credit card processing. You may purchase this software directly from approved suppliers. The current suppliers of counter automation systems may offer optional software packages to perform these accounting functions. You may also purchase similar software from other approved suppliers. The lower figure is an estimate for a complete accounting software package for a 5-user system. The higher estimate is for a 15-user system. You may purchase this software directly from approved suppliers, some of which may offer financing terms with approved credit. All optional software that will be installed on the Approved Counter System must be approved by Dollar or its affiliates in advance of the purchase. We reserve the right to amend the approved list of counter automation systems and software programs and providers, or to require you to purchase our proprietary system from us or from our affiliate.

11. Local, municipal, county and state regulations vary on what franchises and permits you must have to operate a Vehicle Rental Business. Such fees are paid to governmental authorities when incurred before commencing business.

12. Utility installation fees may be for gas, electric, water, sewer and telephone service.

13. You will need additional funds (working capital) to support ongoing expenses if they are not covered by the cash flow of the business. The range in the table assumes a 30 to 300 car location and is designed to cover the possible costs and expenses for staffing; the first month's facility rental; a possible deposit required on facilities; operating supplies; franchise fees and assessments; and fuel. The ongoing expenses also include the fees imposed by the required charge cards issuers, which currently range between 1% and 10%. We estimate that the amount stated will be sufficient to cover ongoing expenses for the initial phase of business which we calculate to be 3 months. This is only an estimate, however, and there is no assurance that additional working capital will not be necessary during this start-up phase or after. We relied on our past experience with franchisees and our Parent's and affiliates' company-owned businesses when preparing this figure.

14. The initial investment estimates described above, including the type and estimated amounts of expenditures, and the related footnotes pertain to the establishment of a new Franchised Business. From time-to-time our Parent or an affiliate may offer for sale the assets of certain existing company-owned

Vehicle Rental Business locations in conjunction with a Franchise Agreement for the operation of a Franchised Business at such locations. If you purchase one of our Parent's or affiliate's existing businesses, your estimated initial investment may be substantially higher than the estimated initial investment described above. The estimated initial investment will vary depending upon a variety of factors, including purchase price for the assets, fleet size, and other factors, all of which will depend upon the particular facts and circumstances related to the location and transaction.

The following fees are non-refundable: Initial Franchise Fee; Professional Fees; Computer Systems; Hardware and Software Fees; Accounting or Optional Software or Manual Accounting Package Fees, and Additional Funds. The following fees are refundable: Utility Deposits. The remainder of the fees may be refundable, depending on your negotiations with the supplier of these items.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Standards and Specifications

To ensure that the highest degree of uniformity and quality is maintained throughout the System, as well as in our Parent's and affiliate's company-owned operations, and for audit purposes, we may require you to purchase or lease all cars, equipment, signs, uniforms, rental agreements, Computer System, furnishings, accessories, supplies, and other products and materials used in the operation of Your Franchised Business according to standards and specifications that we may specify from time to time, and/or from suppliers that we designate from time to time, including us and our affiliates. These standards and specifications may include minimum standards for modernity, quality, performance, warranties, designs, appearance, and other factors (which you will receive at the time of or shortly after the signing of the Franchise Agreement). You must also meet the key performance indicators (KPIs) included in your Franchise Agreement.

Reservation Charges

You are required to subscribe to, participate in and promote our reservation system (the "**Reservations System**"). If a customer makes a reservation for a vehicle rental through Your Franchised Business, you will be assessed a fee (currently between \$3.84 to \$6.30) per passenger car reservation. The actual charge may vary based on aggregate estimated costs incurred in operating reservations facilities, divided by the estimated number of reservations to be made. If a reservation is canceled by a prospective customer, the reservation charge is not made. If the prospective customer does not rent the car, and does not cancel the reservation (*i.e.*, is a "no show"), the reservation charge will still be made. We estimate that the vast majority of vehicle rentals at Your Franchised Business will result from reservations made through the Reservations System, and that 1% to 3% of your cost of doing business (including all expenses except taxes) will result from reservations that you obtain through the Reservation System. During our last fiscal year, our Parent derived approximately \$6,334,605.90 from reservation charges from Hertz, Dollar, and Thrifty franchisees, which was 0.0729% of our Parent's total revenue of \$8,685,251,337.02.

Credit Card Service Fees and Centralized Billing Charge Cards

You must accept the credit card services of certain designated credit card issuers. The guaranteed charge cards that you must accept will be listed in our Operations Guide. These services need not be purchased from us or our affiliate, except to the extent that certain credit card issuers presently will not deal directly with our franchisees, and therefore, we must process the charge receipts for you. In this case, we will derive income from the processing and handling of the charges for rentals. These service fees will range from 1% to 5% of gross rental charges. We presently estimate that approximately 2% to 5% of your cost of doing business (including all expenses except taxes) will result from the use of third-party credit card services. The exact amount will vary depending on factors such as the number of rentals and the extent to which various credit cards are used. These costs do not occur prior to the establishment and commencement of the operation of Your Franchised Business. We reserve the right to require you to purchase these services from us or our affiliate in the future.

You must accept the processing and central billing services of our Parent for rentals charged on the centrally billed charge card issued by our Parent. Our Parent derives revenue from rentals which it processes and bills and may also derive revenue from rentals charged on direct bill charge cards which it processes and bills at your election. We estimate that approximately 3% to 6% of your cost of doing business (including all expenses except taxes) will result from the acceptance of our Parent's charge card services. The exact amount will depend on the extent to which our Parent's charge cards are used and the amount of

the purchases. The required acceptance of the processing and billing services does not occur before the establishment and commencement of operation of Your Franchised Business.

During our last fiscal year, our Parent or its affiliates derived approximately \$1,025,913.54 from credit card service fees, centrally billed charge card fees, and other back-office services provided to our franchisees, which amounts to 0.0118% of our Parent's total revenue of \$8,685,251,337.02.

Fleet Purchases

Rental vehicles cannot be older than the current model year plus two (2) model years. Currently, we do not enforce a mileage cap on rental vehicles; however, we reserve the right to enforce mileage caps on prior written notice to you. Fleet size will vary, but in any event a minimum fleet size will be outlined in the Franchise Agreement. There is no maximum fleet size. If you have more than one brand, you must comply with the fleet inventory standards and specifications that are contained in your Franchise Agreements, and you may establish one fleet of rental vehicles that services the franchised businesses, so long as you meet the fleet inventory requirements of each brand, and you do not identify or brand any rental vehicle you use interchangeably among the franchised businesses with our Marks and their marks.

From time to time, we may make available to you the opportunity to purchase vehicles through a Vehicle Purchase Program that we use to acquire fleet from Original Equipment Manufacturers (each, an "OEM"). For every such vehicle purchased by a franchisee, an additional \$250 is added to the OEM's purchase price. During our last fiscal year, our Parent or its affiliates derived approximately \$803,250.00 due to fleet purchases made by franchisees (and franchisees of our affiliates), which amounts to 0.0092% of our Parent's total revenue of \$8,685,251,337.02.

Rate Management Services

Our Parent or its affiliates currently provide Rate Management Services for our franchisees (and franchisees of our affiliates). These offered services may be limited (e.g., providing revenue management software, or surveying competitive on-line rates), or more extensive (e.g., assisting with rate strategy, and adjusting rates). Rate Management Services are an optional offering and, if you choose to receive Rate Management Services, you will sign a Master Services Agreement and, depending on the types of service you choose, one or more of the following addenda: (1) Revenue Management Reporting System Software Addendum; (2) Automated Rate Collection Addendum; (3) Automated Rate Recommendation and Placement Addendum; (4) Partial Proactive Analyst Support Addendum; (5) Partial Reactive Analyst Support Addendum; and/or (6) Full Analyst Support Addendum. The current versions of the Master Services Agreement and these addenda appear in Exhibit D to this Disclosure Document.

We may require you to purchase Rate Management Services from us or our affiliate in the future.

During our last fiscal year, our Parent or its affiliates derived approximately \$780,213.15 from providing Rate Management Services to our franchisees (and franchisees of our affiliates), which amounts to 0.0089% of our Parent's total revenue of \$8,685,251,337.02.

Program Assessments

If we require, you must pay any Program Assessments related to our Programs (as those terms are defined in Item 7, above), including advertising, sales promotions and marketing, on the same pro rata bases as other System franchisees. We will from time to time determine and inform you of the amount of such Program Assessments, and the time and manner of payment. We have the right to allocate all or a portion of the franchise fees you pay to us to any assessments you otherwise are required to pay to us (for example, for advertising and sales promotion programs) in such amounts, for such purposes (for example, pro rata

basis determinations), and for such periods as we determine. We are currently not charging any Program Assessments to new franchisees, although we reserve the right to do so in the future. If all other franchisees are required to participate in, support and service a Program, then the expenses incurred by you will be on the same basis as other franchisees.

Value Proposition

Our parent or its affiliates currently provide Third Party and In-house products and services for our franchisees (and franchisees of our affiliates). These offered products and services may be limited (e.g., Car Wash cleaning products, Penske Truck Rental Agency, or office supplies), or more extensive (e.g., Lighthouse consulting or Lean Six Sigma training). The Value Propositions products and services are an optional offering, and if you choose to receive a product or service from the Value Proposition, you will sign a Master Services Agreement with either the Franchisor or a Third-Party vendor. The current versions of the Master Services agreement appear in Exhibit D to this Disclosure Document. During our last fiscal year, our Parent or its affiliates derived approximately \$0 from providing the Value Proposition products and services to our franchisees, which amounts to 0.0% of our Parent's total revenue of \$8,685,251,337.02.

Insurance

You must obtain, before beginning any operations under your Franchise Agreement, and must maintain in full force and effect at all times during the term of the Franchise Agreement and at your own expense, an insurance policy or policies protecting you, us, and your and our shareholders, affiliates, officers, directors, partners and employees, and other franchisees of ours and our affiliates against claims, loss, liability, personal injury, death, property damage, loss of business income, or expense arising or occurring upon or in connection with your operation of Your Franchised Business. If you have more than one brand, you must provide insurance coverage for each Franchised Business and your insurance policies must include Hertz, Thrifty and/or Dollar, their affiliates and their franchisees and subfranchisees as additional insureds; include a waiver of subrogation against Hertz, Thrifty and/or Dollar, their affiliates, and their franchisees and subfranchisees; and provide that such policies are primary. Your insurance policies must provide coverage for all renters, their employees, employers and immediate family members whom they authorize to use the rented vehicle, even though we may restrict the extent and to whom coverage will apply by the rental agreement. Policies must also provide for uninsured/underinsured motorist coverage and personal injury protection only as required by the laws of the state in which the vehicle was rented, or as required for certain corporate account renters with whom Hertz has corporate or special account agreements in accordance with the terms of the Master Agreements for those corporate or special accounts.

In general, the insurance must contain a waiver of subrogation by you and your insurance carrier against us and must include, at a minimum, the following:

1. Automobile liability insurance covering the death of or injury to third parties and damages to third party property. Unless we provide differently in the Operations Guide, minimum automobile liability coverage must be in force for all owned, hired and non-owned Vehicles used in Your Franchised Business and must:
 - a. provide for coverage of \$1,000,000 combined single limits per occurrence for you, us, our affiliates and all other franchisees;
 - b. provide coverage for certain corporate account renters with whom we have corporate or special account agreements in accordance with the terms of the Master Agreements for those corporate or special accounts; and

c. provide for all other rental customers minimum statutory limits coverage, as required by the laws of your state.

2. Public liability insurance including commercial general liability, garage liability and garage keeper's legal liability. The insurance must protect yourself, us, your and our shareholders, affiliates, officers, directors, partners and employees, and other franchisees against any claims, loss, liability, personal injury, death, property damage, loss of business income, or expense whatsoever arising or occurring upon or in connection with Your Franchised Business. At minimum, the policies must include the following (additional coverages, higher policy limits and other provisions may from time to time be prescribed in the Operations Guide):

a. Commercial general liability insurance (occurrence type, which must include personal injury and advertising liability insurance) with limits of not less than one million dollars (\$1,000,000) combined single limit per occurrence; and automobile and truck liability coverage for all owned, non-owned, and hired vehicles, covering bodily injury, including death, and property damage with limits of not less than one million dollars (\$1,000,000) combined single limit per occurrence. This insurance must be primary and non-contributory.

b. Workers' Compensation and Employer's Liability insurance as well as such other insurance as may be required by statute or rule of the state in which Your Franchised Business is located or operated. Employer's Liability insurance shall have limits of not less than five hundred thousand dollars (\$500,000).

c. Excess liability insurance with a combined single limit of not less than four million dollars (\$4,000,000) per occurrence in excess of the underlying liability insurance requirements set forth in (a) and (b), above.

d. Commercial property insurance for all real and personal property owned by you and used in Your Franchised Business, including business interruption insurance.

e. Data privacy and security insurance covering negligent acts and omissions in connection with your Franchised Business, in such amounts as we may prescribe in the Operations Guide.

f. Garage liability and garage keeper's legal liability insurance.

We may also require you to carry comprehensive and collision insurance if you purchase or lease your vehicles from us, or we require it in the Operations Guide or otherwise in writing. Certain states require Vehicle Rental Businesses to carry uninsured motorist and personal injury protection policies.

All required insurance must be obtained from a casualty insurance carrier which meets the minimum standards set forth in the Operations Guide and must be in a form satisfactory to us in accordance with the standards and specifications set forth herein and in the Operations Guide.

Computer System

Your Computer System, as further described in Items 7 and 11, will consist of such hardware, software, dedicated telephone and power lines, modems, printer(s) and other computer-related accessories or peripheral equipment that meet our standards and specifications as we may describe in the Operations Guide or otherwise in writing. Your Computer System must also include an approved "counter automation system," of which there are currently six approved suppliers. We may designate other suppliers of computer automation systems in the future in our Operations Guide. We and our affiliates are neither approved suppliers, nor the only approved supplier, of the Computer System or of any counter automation system.

We may revise the list of Approved Counter Systems to Computer Systems with certain specific compatibilities with our proprietary Computer System or we may require you to purchase our proprietary system, even if you are utilizing a previously approved system.

Purchasing from Approved Suppliers

We may specify some items that must be purchased or leased from approved suppliers that meet our standards and specifications. For example, you must purchase from our approved suppliers the hard copy form of Hertz System Standard Rental Agreements that meet our then-current specifications, and you must acquire software for your computer system from an approved supplier as we may from time to time prescribe in the Operations Guide or otherwise in writing. To obtain approval as a supplier of particular items, the supplier must demonstrate to our reasonable satisfaction that it has the ability to meet our current reasonable standards and specifications for such items, possesses adequate quality controls, and has the capacity to supply your needs promptly, economically, and reliably. We will designate approved suppliers for particular items through updates to the Operations Guide or otherwise in writing. We reserve the right to designate a single supplier (which may be us or our affiliates), and to require you to purchase exclusively from such an approved supplier, for any required purchases.

If you desire to purchase or lease from an unapproved supplier, you must submit a written request for approval to us, together with such information and samples as we may reasonably require. We may require that our representatives be permitted to inspect the supplier's facilities and that samples from the supplier be delivered for testing, at our option, either to us or to an independent certified laboratory we designate. You must pay a charge not to exceed the reasonable cost of any inspection conducted and the actual cost of any testing undertaken. We reserve the right, at our option, to periodically inspect the facilities and products of any such approved supplier.

We will advise you in writing of the approval or disapproval of a proposed supplier within ninety (90) days of your request and our completion of the evaluation and testing (if required by us). We may deny approval for any reason, including that we have determined to limit our number of approved suppliers. We may from time to time revoke our approval of particular items or suppliers. If we do revoke our approval of items or suppliers, you must, within thirty (30) days, cease to sell or use any disapproved item, and cease to purchase from any disapproved supplier.

Except as indicated above, neither we nor our Parent nor any of our affiliates is currently the approved supplier (or the only approved supplier) for any item or service to be purchased or leased by our franchisees. None of our officers owns a material interest in any approved supplier. We and our affiliates may provide Your contact information to suppliers or other third parties.

Except as indicated above, neither we nor our Parent nor any of our affiliates will or may derive any revenue from the sale of any item or service to our franchisees, including from any item or service required to be purchased or leased by you from suppliers approved by us or in accordance with the standards or specifications prescribed by us.

At present, and as we do not currently require the purchase or lease of cars of particular makes or models, or from particular approved suppliers, we estimate that the proportion of the purchases and leases that you will make in accordance with standards and specifications (including from approved suppliers), compared to all purchases and leases that you will make, approximates fifteen percent (15%) in connection with establishing Your Franchised Business, and ten percent (10%) in connection with operating Your Franchised Business.

We have negotiated purchase arrangements with suppliers, including price terms, for the benefit of our franchisees. We do not have purchasing or distribution cooperatives. We have no policy concerning

receipt of volume rebates, commissions, payments, or other benefits as a result of purchases of goods and services by Franchisees (“**Allowances**”). As a result, there is no restriction on our right to receive Allowances.

We do not consider your purchases from us, our Parent, our affiliates, or other approved suppliers when determining whether to extend or grant additional franchises..

FINANCING**

We do not offer direct or indirect financing. We will not guarantee your note, lease, or obligations.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Our Assistance

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

1. We will make available to you one copy of the Operations Guide, in a form of our choosing (whether printed, digital, a combination thereof, or otherwise) as described in this Item. (Franchise Agreement, Section 12.4.) From time to time, amendments or supplements to the Operations Guide may be sent to you. We may require you to exchange your copy of the Operations Guide at our request in the event we update the form or substance of the Operations Guide.
2. As described below, we provide site selection assistance.

Continuing Obligations

1. We will, upon your reasonable request, consult with you concerning advertising, sales and publicity, and promotion of Your Franchised Business. (Franchise Agreement, Section 7.)
2. We will, upon your reasonable request, furnish guidance, make recommendations and generally give you the benefit of our knowledge and experience in establishing, managing and operating Your Franchised Businesses. To the extent that such request for consultation exceeds that customarily provided by us to franchisees in general, we may charge a reasonable fee. (Franchise Agreement, Section 12.1.)
3. We will publish and keep up to date a directory of our Locations on our Website. Each of your locations shall be listed in the directory provided you are not in default of your Franchise Agreement. We will distribute this publication to selected travel agents, corporate travel managers and others who purchase vehicle rental services. (Franchise Agreement, Section 12.2.)
4. We or our affiliate will maintain a Reservations System. Your use of the Reservations System is subject to the limitations described in your Franchise Agreement. (Franchise Agreement, Section 12.3.)
5. We may, but are not obligated to, make available to you, materials, forms, supplies and signs bearing our Marks for use in Your Franchised Business, at the price, terms and conditions as we may determine. (Franchise Agreement, Section 12.6.)
6. We will, as we determine, include on our Website such information with respect to rates, equipment and conditions under which vehicles may be rented from System franchisee. (Franchise Agreement, Section 12.7.)
7. We will assist you, to the extent practical, in locating stolen or converted vehicles, and shall cooperate with you in effectuating an economical and advantageous disposition or return of such vehicles. (Franchise Agreement, Section 12.8.)
8. We will, at our sole discretion, make available to you, upon such price, terms and conditions as we may determine, and to the extent permitted by law, such facilities as we may from time to time develop for Your Franchised Business, including for the purchase by you of vehicles through manufacturer purchase programs, and for the purchase of various materials such as lubricating oils and greases, tires, parts and accessories, antifreeze and other automotive products. (Franchise Agreement, Section 12.9.)

Site Selection

You shall open Your Franchised Business to the public no later than the date(s) provided in Attachment A to your Franchise Agreement. If you fail to begin operating Your Franchised Business at one (1) or more locations within the time periods designated and at the sites specified in Attachment A to your Franchise Agreement, you will be deemed in default of the Franchise Agreement (Franchise Agreement, Section 18.4(c)). The Location Opening Date will be set forth in Attachment A of the Franchise Agreement and, depending upon the time that we anticipate you will need to acquire or lease a location and commence active operation, will be on or after the date on which the Franchise Agreement is entered into. We will review and approve your site selection within thirty (30) days from our receipt of your notice (Franchise Agreement, Section 11.3, 12.5). Our approval will be dependent on the site being adequate to meet our standards for proximity to facilities and businesses such as hotels, offices, airports and highways. In the event that we do not approve your site, you may submit additional sites for approval, so long as you are able to commence active operation of Your Franchised Business as provided in Attachment A to your Franchise Agreement. If we do not approve of a site such that you cannot open Your Franchised Business by the Location Opening Date, we have the right to terminate the Franchise Agreement. If the Franchise Agreement is terminated, all non-refundable fees that you have paid to us (such as the initial franchise fee) will be forfeited by you.

We estimate the typical length of time between the signing of the Franchise Agreement and the opening of Your Franchised Business is 10 to 90 days. Factors which may affect this time period include: identifying a site, obtaining acceptable financing arrangements, remodeling, decorating, purchasing and installing equipment, fixtures and signs, hiring employees, and similar factors.

Advertising

We will, upon request, consult with franchisees concerning advertising, sales and publicity, and promotion of their Franchised Business. We may also conduct advertising that benefits our franchisees. We typically disseminate advertising through the internet, mobile, print (newspaper and magazine), radio, social media, television, and through participation in various frequent flyer programs. We use in-house, national, and regional advertising agencies. We will direct all advertising and sales promotion programs, with sole discretion over the planning and media placement of the programs, the creative and strategic concepts, materials and media used in the programs, and the territorial placement and allocation.

Under certain conditions, you may use your own advertising material. All advertising and promotion you use must be in the media (such as placement channel) and of the type and format that we approve. You must conduct the activities in a dignified manner, and they must conform to our standards. You must not use any advertising or promotional materials until you receive our written approval. You must submit samples of all advertising and promotional plans and materials (including electronic media and press releases) to us for our prior approval (including as to prices you charge, to the extent allowed by applicable law), if we have not prepared or previously approved the materials. If you do not receive written notice of disapproval within 30 days of mailing, you may assume that we have approved them.

We have the right to establish, for periods of time that we deem appropriate, regional and/or national advertising and sales promotion funds for the System. We may discontinue any national or regional fund that we may have established. If regional funds are established applicable to Your Franchised Business, or if national funds are established, you must make contributions to the funds as required, and we or our designee will maintain and administer the funds. You will not be required to participate in a local or regional advertising cooperative.

If established, we do not plan to use any money from the fund for advertising that is principally a solicitation for the sale of franchises. If established, third parties may also contribute to the fund based on our agreement to feature the products or services of the third parties in our advertising. Although new franchisees are not currently required to contribute directly to a fund, we reserve the right to allocate all or a portion of the franchise fees you pay to us to any assessments you otherwise are required to pay to us (for example, for advertising and sales promotion programs) in such amounts (for example, pro rata basis determinations), and for such purpose and periods as we determine.

While our Parent's audited financial statements may show the net advertising and sales promotion expenses incurred by our Parent, our Parent does not plan to audit or prepare separate financial statements for the funds, if established. As a result, neither the financial statements nor an accounting of the funds would be obtainable for review by franchisees. Any administrative expenses that we and third parties may incur will be charged to the fund at cost, if funds are established.

If established, the funds may be used to meet any and all costs of maintaining, administering, directing and preparing sales promotion activities. We may use the sums you pay to the funds to defray any of our operating expenses and overhead reasonably related to the administration, direction or operation of the funds, programs, and activities.

Website and Electronic Advertising

We may include information on our Website (as defined below) and in such other electronic and other sales promotion material as we deem appropriate about your and other Thrifty franchisees. Such information may relate to the rates, equipment and conditions under which cars may be rented from franchisees. "**Website**" means any interactive electronic document, contained in a network of electronic devices linked by communications software that we operate or authorize others to operate and that refers to the Franchised Business, the Marks, or the System.

Our Website is the only Website authorized for advertising Your Franchised Business. You may not, without our prior written approval, advertise Your Franchised Business on any website other than our designated Website. You must cooperate in the preparation, development and maintenance of an interior page on our Website, which will contain such information about Your Franchised Business as we deem necessary or appropriate. We will approve all such information, and any proposed revisions to the information prior to posting or use. We shall have sole discretion and control over our Website design and content.

You may not develop, create, generate, own, license, lease or use any computer medium or electronic medium (such as an Internet home page, e-mail address, social or other media profile or listing, Website or display, bulletin board, newsgroup, mobile application or other Internet related medium) which in any way uses or displays, in whole or in part, the Marks without our written consent, and then only in such a manner and in accordance with such procedures, policies, standards and specifications as we may establish from time to time. For example, you may not use the Marks (in whole or in part): (1) as part of an Internet domain name; (2) as, or a part of, a URL (at any level or address) or email address; (3) on or in connection with any Internet home page, Website, bulletin board, newsgroup, social or other media profile or listing, chat-group, buddy list, instant messenger, mobile application, meta-tag or other Internet-related activity, without our prior written consent.

Program Assessments

We may decide to initiate a Program Assessment related to any Program. Such Programs could relate, for example, to advertising, sales promotion, marketing, reservations, centralized billing, direct

billing, charge and credit cards, debit cards, cash deposit ID cards, cards issued by us or our affiliates, travel industry commissions or tour arrangements, customer satisfaction, operations, account programs, coupon programs, experimental or test programs. The Programs may include participation by Vehicle Rental Businesses owned, operated, franchised, or licensed by our affiliate(s) which are identified by trademarks, trade names, service marks, logos, emblems, and other indicia and origin different and distinct from the Marks, including Vehicle Rental Businesses that may compete with Your Franchised Business. You agree to fully and completely participate in such Programs, as required by us, regardless of whether all other franchisees are also required to participate in, support and service the Programs. If all other franchisees are also required to participate in, support and service a Program, then the expenses incurred by you will be on the same basis as other franchisees. Programs may be modified, replaced, or initiated by us from time to time as in the Operations Guide or otherwise in writing.

We are currently not charging any Program Assessment to new franchisees, although we reserve the right to do so in the future. We reserve the right to allocate a portion of the franchise fees to assessments related to Programs. Program Assessments are not refundable.

Program Assessments may, for example, be used by us to defray our operating expenses and overhead reasonably related to the administration, direction or operation of such Programs. We will from time to time determine and inform you of the amount of such assessments, and the time and manner of payment for such purposes (for example, pro rata basis determinations) and for such periods as we determine.

Advisory Council

There is an Advisory Council (the “**Council**”) that currently consists of nine (9) franchisee members. The franchisee members are appointed by us based on a number of factors, including diversity of experience, geography and airport versus local markets.

The Council serves in an advisory capacity only. We have the power to form, change, or dissolve the Council.

Computer System

At your expense, you must purchase or lease, and maintain, a Computer System. As described in Item 7 (note 9), your Computer System shall have the capacity to electronically exchange information, messages, and other data with other computers, by such means (including but not limited to the Internet), and using such protocols (e.g., TCP/IP), as we may reasonably prescribe in the Operations Guide or otherwise in writing. We shall have the right from time to time, and at any time, to retrieve data and information from your Computer System, by modem or other requested means, and use it for any reasonable business purpose both during and after the term of this Agreement. We may, from time to time, specify in the Operations Guide or otherwise in writing the information that you shall collect and maintain on the Computer System installed at Your Franchised Business (including rental transactions, Vehicles, reservations, customer profiles and other pertinent information relating thereto), and you shall provide to us such reports as we may reasonably request from the data so collected and maintained. The information so obtained by us shall be in addition to and not in lieu of the reporting requirements set forth in Section 13 of your Franchise Agreement. In accordance with Section 11.18 and 11.19 of your Franchise Agreement, we reserve the right to require you to acquire the Computer System (and each part of the Computer System) from an approved supplier as we may from time to time prescribe in the Operations Guide or otherwise in writing. We may designate ourselves or an affiliate as an approved supplier (and may be the sole approved supplier) for the Computer System (or any part of the Computer System). You shall keep the Computer

System in good maintenance and repair and, at your expense, shall promptly install such additions, changes, modifications, substitutions, and/or replacements to the Computer System, as We direct. We cannot predict the cost or frequency of required modifications of the Computer System; however, we estimate that the costs of any updates or upgrades will range from \$0 to \$500 per year. You cannot deviate from the specifications without our previous written consent. (Franchise Agreement, Section 11.19.)

Your hardware and software that is part of the Computer System must be able to interface with our data transfer and acquisition systems via a dedicated telephone line modem or dedicated network connection (if we require), including any data transmission or retrieval system, capable of handling rental check-in and check-out, office administrative functions, reservations, customer profiles, intercity transactions and other pertinent information. You may be required to pay for (or the hardware or software provider may be required to pay for) any costs or expenses required by us, whether on our end or at the provider's end, to interface with our system. The hardware and software that you use in connection with the counter operations for Your Franchised Business, including your "counter automation system" software is referred to in this Disclosure Document as the "**Approved Counter System.**" The Approved Counter System will support multiple offices and rental fleets, print rental agreements, handle multiple deposit and payment methods, and prepare numerous reports concerning the operation of Your Franchised Business, among other things.

You must purchase and utilize a "counter automation system" for Your Franchised Business. Counter automation systems are software systems that maintain "ready to rent" information of cars in each category, provide a preferred customer database to facilitate reservation and rental processing, as well as rate and rental information. You must pay any fees or expenses associated with any third-party software agreement and comply with the terms of any such agreement. We use these systems to transmit reservation information to you in a format that we require and to collect and monitor closed rental agreement information from Your Franchised Business by electronic polling.

The following counter automation software systems are currently the only software approved for use as part of your Approved Counter System:

- (i) Cars Thermeon Corporate Services, Santa Ana, California;
- (ii) Bluebird Auto Rental Systems, Dover, New Jersey;
- (iii) The System Distributors, Inc., North Andover, Massachusetts;
- (iv) Fourth Tier Solutions, Hertfordshire, United Kingdom;
- (v) Karz Systems, Inc., Evans, CA; and
- (vi) Capture (Overland West, Inc.), Ogden, Utah.

We reserve the right to change the counter automation software systems, in which case you must, at your expense, purchase new software licenses.

As of the date of this Disclosure Document, you must lease or purchase the counter automation software systems from the approved suppliers as listed in the above paragraph, or other suppliers as we may designate in the Operations Guide. You must purchase software support from the approved suppliers (if offered by them). A counter automation software system is licensed to you and the license is not transferable.

We estimate that the costs for your Approved Counter System, which consists of the hardware and software, will be between \$11,500 to \$250,000, depending on the number and extent of the Approved Counter Systems that you choose to install. If you wish to have the approved supplier provide maintenance and equipment support services, you will sign an agreement with the supplier. The number of computer

workstations you will need will vary depending upon the number of cars in your rental fleet or your own requirements. For example, for fleets of up to 100, 200 and 300 rental cars, we estimate you will need 2, 3 and 4 computer workstations, respectively. You may also purchase your computer hardware from the approved supplier (if offered by them).

You shall provide us or our affiliate access to retrieve electronic data recorded in your computer system on a 24-hour, seven days a week basis. Such data will include, but will not be limited to, files that contain information pertaining to rental transactions, Vehicles, reservations, customer profiles and data files that are part of your general ledger. (Franchise Agreement, Section 13.4.)

You agree to give us, and acknowledge that we shall have, the free and unfettered right to retrieve any data and information from your computers as we deem appropriate, including electronically polling the daily information and other data of the Franchised Business, such as customer interactions. There are no contractual limitations on our independent access to the information and data stored on the required cash register / computer system. You must obtain, provide to us, and maintain an email address in order to allow us to communicate with you electronically and you must immediately advise us of any change in your email address.

All data that you provide, that we download from your system, and that we otherwise collect from you, including customer data, is owned exclusively by us, and we will have the right to use that data in any way that we deem appropriate without compensating you.

In the event we or an affiliate offers a counter automation system to franchisees, you may be required to purchase it from us or our affiliate.

We reserve the right to require you to acquire, and thereafter use and maintain, the Computer System (and each part of the Computer System) from an approved supplier as we may from time to time designate in the Operations Guide or otherwise in writing. We may designate ourselves or an affiliate as an approved supplier (and we or an affiliate may be the only approved supplier) for the Computer System (or any part of the Computer System).

We may revise the list of Approved Counter Systems to Computer Systems with certain specific compatibilities with our proprietary Computer System or we may require you to purchase our proprietary system, even if you are utilizing a previously approved system.

You must maintain a Payment Card Industry (“**PCI**”) compliant security service subscription to protect the confidentiality of information gathered from guests’ credit cards and other payment cards. We will designate the PCI compliant vendor that you must use and the security service subscription that you must subscribe to in the Operations Guide.

The Franchise Agreement requires that you agree that you are responsible for any and all information security incidents involving customer data that is handled by you. You shall notify us (including both the Franchise Department and cert@hertz.com) in writing immediately (and in any event within twenty-four (24) hours) whenever you reasonably believe that there has been an unauthorized acquisition, destruction, modification, use, or disclosure of, or access to, customer data (“Breach”). After providing such notice, you will investigate the Breach, take all necessary steps to eliminate or contain the exposures that led to such Breach, document all information collected as part of its investigation of the Breach, and keep us advised of the status of such Breach and all matters related thereto. The Franchise Agreement requires that you further agree to provide, at your sole cost, reasonable assistance and cooperation requested by us or our designated representatives, in the furtherance of any correction,

remediation, or investigation of any such Breach and/or the mitigation of any damage, including, without limitation, any notification that is appropriate to send to individuals impacted or potentially impacted by the Breach, and/or the provision of any credit reporting service appropriate to provide to such individuals. Unless required by law, you shall not notify any individual or any third party other than law enforcement of any actual or potential Breach involving customer data provided to you by us without first consulting with us, and obtaining our permission. In addition, within 30 days of identifying or being informed of a Breach, you shall develop and execute a plan that reduces the likelihood of a recurrence of such Breach. You will agree that we may at our discretion immediately suspend or terminate the transfer of customer data or connection to our systems without penalty if a Breach occurs.

Operations Guide

We will provide a prospective franchisee with the opportunity to view our Operations Guide prior to purchasing a franchise. The Operations Guide includes the brand partner code of conduct, one-way / intercity rental policies, and frequent renter loyalty and reward policies, in each case as amended or updated from time to time. Prior to viewing our Operations Guide, you will be required to sign a Confidentiality Agreement (Prospective Franchisees), a copy of which appears as Exhibit B-1 to this Disclosure Document.

Delegation of Performance: Performance on Combined Basis

We may delegate the performance of any service, program or obligation to our affiliates, or to third parties and such delegates will have the right to perform any such obligations on a combined basis, utilizing the same or shared personnel, or in conjunction with the performance of the same, similar or different services for or on behalf of our or delegate's company owned, company-operated or franchised businesses, which may be in competition with Your Franchised Business. We will have the right, in our sole discretion, to allocate costs, personnel and other resources among any combined programs. (Franchise Agreement, Section 12.10). If you qualify for certain optional services we or our affiliates offer, like rate management, you may incur other obligations under the terms of those agreements.

Training

Prior to opening Your Franchised Business, you, your manager and key employees must, at your sole expense (including all travel and living expense), attend and complete, to our satisfaction, all required initial training programs and courses. In addition, we may require that you, at your expense (including all travel and living expense), attend remedial training programs and courses as we deem necessary to improve the operation of Your Franchised Business. You, your manager, and key employees may, at your option and sole expense (including all travel and living expense, and the payment of associated training fees, if any), attend and complete other optional additional training programs and courses that we offer from time to time. You must also implement a training program for all employees of Your Franchised Business for the operation of Your Franchised Business in compliance with our then-current standards and procedures. We may also provide you and your employees with the option of attending training programs conducted by our Parent for employees at one of its company-owned operations.

We maintain no formal training staff for the above training. Our representatives who provide on-site training assistance are employees of us or our Parent and include Franchise Operations and other personnel with extensive (at least three years') experience in field location management techniques, revenue management, and selling at the rental counter. Training classes will be held at the home office, zone training facility, franchisor-owned store and online. The instructional materials will consist of printed materials, PowerPoint® presentations, videos, training outlines, etc. (see the above paragraph regarding trainers).

ITEM 12 TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will be granted a non-exclusive, geographic Franchised Territory in which you will operate Your Franchised Business. The Franchised Territory varies from franchisee to franchisee, and will be identified by, at a minimum, the name of a city or other political subdivision(s) in Attachment A to your Franchise Agreement. We retain and reserve all rights not expressly granted to you in the Franchise Agreement. We retain, for ourselves, and our parents, subsidiaries, and affiliates the right, among others, to use, and to franchise others to use, the System and the Marks within and outside of your Franchised Territory, and to develop, use and franchise the use of other proprietary marks within and outside of your Franchised Territory in connection with the sale, rental, lease, or other use of the same, similar or different products and services, on any terms and conditions that we deem advisable, and without granting you any related rights. We also retain the right to sell our assets, engage in a public offering or private placement of ownership interests, merge with or acquire other companies or to be acquired by another company (including in each instance a company that may own or operate systems or chains that may be competitive with the System). We and our affiliates may develop, use and franchise methods, plans, programs or procedures for the operation of Vehicle Rental Businesses which are not part of the System (for example, the use of electronic kiosks for reservation and customer service functions) and you will have no rights to those methods, plans, programs or procedures unless we expressly make them part of the System franchised to you.

Due to the non-exclusive nature of your territory, we may use alternative distribution methods, including the Internet, within your Franchised Territory, whether using the Marks or other proprietary marks. We are not required to pay any compensation to you for soliciting or accepting reservations from within your Franchised Territory. Additionally, neither the use of Vehicles in the Franchised Territory that are rented from, and delivered to customers by us or other franchisees of the Franchised System outside the Franchised Territory, nor the delivery to customers or the use or return by customers of Vehicles in the Franchised Territory, that are leased from us or leased from other franchisees of the Franchised System outside the Franchised Territory, nor Vehicles to others within and outside the Franchised Territory including Your customers, competitors and commercial fleet operators by us or our affiliates shall be deemed an infringement of your rights in the Franchised Territory.

There are no restrictions on you from accepting reservations from outside of your Franchised Territory; however, you may not solicit reservations from customers (either through advertising or through any website, including through our designated Website) from outside of your Franchised Territory without our prior permission.

If you are unable to provide any product or service from Your Franchised Business (for example, a particular vehicle model, rental rate, pick-up location or any other customer preference), you must use all reasonable efforts to refer the customer to another Hertz business. Also, we may, in our discretion, refer the customer to another car renting, car leasing, car sales, car self-service/sharing, or truck rental business of ours, our affiliates, or our or our affiliates' franchisee that rents or leases the desired product or service.

If, at the time of signing of the Franchise Agreement, it is determined that additional locations are required to be opened within your Franchised Territory, such additional locations will be noted on Attachment A of your Franchise Agreement. You must open the additional locations by the date specified on Attachment A. Failure to meet the schedule set forth on Attachment A may result in termination of the Franchise Agreement, or may result in the reduction, modification, revision or the reclamation of the

Franchised Territory upon notice to you. If, during the term of your Franchise Agreement we determine that you must open an additional location within your Franchised Territory, we will provide notice to you and you will have 60 days to provide your intent to open the additional location; you will then have 180 days from the date of our notice to you to commencing operating Your Franchised Business from the additional location. If you fail to timely provide notice of your intent to open the additional location, or if you fail to commence operations within the required time period, we may operate, or franchise others to operate, a Vehicle Rental Business or other similar business using the Marks in the Franchised Territory.

You will not have any options or rights of first refusal to acquire additional franchises within the Franchised Territory or any contiguous geographic areas.

If you wish to relocate Your Franchised Business within the Franchised Territory, you will be required to follow the same procedure for approval of a new location. We will review and approve your site selection. We are not obligated to do so within a specific timeframe but anticipate that we will do so within 5 days after the site is identified. Our approval will be dependent on the site being adequate to meet our standards for proximity to facilities and businesses such as hotels, offices, airports and highways.

We estimate the typical length of time between the signing of the Franchise Agreement and the opening of Your Franchised Business is 10 to 40 days. Factors which may affect this time period include identifying a site, obtaining acceptable financing arrangements, remodeling, decorating, purchasing and installing equipment, fixtures and signs, hiring employees, and similar factors.

As described above in Item 1, Our affiliates operate Dollar Businesses and Thrifty Businesses, using both franchised and company-owned outlets. These affiliates may operate or offer franchised businesses in your Franchised Territory that compete with Your Franchised Business, including Vehicle Rental Businesses that offer both the Dollar and Thrifty brands. In the event such conflicts were to arise, however, we would seek to resolve them through discussions among the affected parties.

Except as described below, there are no presently effective determinations of the USPTO, the trademark trial and appeal board or the trademark administrator of any state or any court; no pending infringement, opposition or cancellation proceedings; nor any pending material litigation involving the Marks that are relevant to their use by you.

We know of no superior prior rights or infringing use that could materially affect your use of the Marks except as noted above. There are no agreements currently in effect that significantly limit our rights to use or license the use of the Marks in any manner material to the license.

You must immediately notify us of any apparent infringement of the Marks or challenge to the Marks or claim by any person of any rights in any of the Marks. We have the exclusive right to take the action we, in our sole discretion, deem appropriate in response to any infringement or challenge. We have the right to exclusively control any litigation or USPTO or other administrative or agency proceeding caused by any infringement of or challenge to the Marks. You must sign any documents, and do what may, in our counsel’s opinion, be necessary to protect our interests in any litigation or USPTO or other administrative or agency proceeding or to otherwise protect and maintain our interests in the Marks.

We are not obligated by the Franchise Agreement or otherwise to protect your rights to use the Marks and are not obligated to protect you against claims of infringement or unfair competition. However, we are obligated to take such action as we deem appropriate to preserve our rights to and interest in the Marks and our right to sublicense them to other parties. We are obligated to take such action as we deem appropriate to protect and defend our right to the Marks against infringement, confusion, tarnishment, dilution or other diminution or loss. We have full discretion to elect the specific measures, if any, to be taken to fulfill our obligations under the Franchise Agreement, and are obligated to take only those actions we reasonably determine to be necessary and appropriate.

You must use all names and Marks in full compliance with rules we establish and as identified in the Operations Guide, as amended. You may not use any name or Mark in connection with the sale of any unauthorized product or service (e.g., the sale, leasing or parking of vehicles). You may only use the Marks in advertising featuring the products we approve in our national advertising.

You must at all times identify yourself to the public as an independent Franchisee of the Hertz System. You may not register or assist others in registering the Marks or variations of them, or any name or mark in which we have an interest, with any domain name registrar that has the authority or ability to allocate or assign Internet domain names on either the international, national, regional, or local levels.

When the Franchise Agreement terminates or expires, you must stop using our Marks. We have exclusive rights to our Marks. We also have the right to monitor, supervise and control the use of our Marks by our franchisees and the nature and quality of the goods and services provided under the Marks.

We have the right to modify or discontinue the use of any of the Marks and you must comply with our standards for their use as modified, at your expense and within a reasonable period of time.

If you have more than one brand, you are strictly prohibited from co-branding and you must conduct your operations, and comply with the image and standards requirements, according to the franchise agreements, the Multiple Brand Franchising Addendum, and the Operations Guide, including separate off-airport facilities, rental counters, and uniforms, and compliance with other guidelines so that it is clear to the public that the Dollar Business, the Thrifty Business, the Firefly Business and/or the Hertz Business are separate and distinct businesses.

OF THE FRANCHISE BUSINESS

You must devote a significant amount of personal time, energy and direction, and your best efforts, to developing, conducting, managing and operating Your Franchised Business and to encouraging the use of our world-wide car renting services. You must employ (or you may serve as) a manager who must: (i) be disclosed to us; (ii) complete required training; and (iii) have sufficient Vehicle Rental Business experience to manage and operate Your Franchised Business; and (iv) devote full time to the management and operation of Your Franchised Business. ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must rent only cars which meet our standards and specifications (including, the types, quality, fuel source, emissions profile, size, mileage, model year or age, and brand of cars) as we may from time to time prescribe in the Operations Guide or otherwise in writing. Each vehicle rented must be a motor vehicle designed and used primarily for transporting people (including sport utility vehicles of any size, passenger vans of any occupancy, and smaller than medium duty pick-up trucks). You also must operate Your Franchised Business in conformity with such standards, specifications and procedures as we may from time to time determine and prescribe, including with regard to the products and services authorized to be used and rented at Your Franchised Business. The cars must be rented on a standard form which we provide.

We reserve all rights not granted to you, and (by way of example) you may not: (1) sell any vehicles under the Marks or otherwise from or in connection with Your Franchised Business; (2) lease any cars under any lease agreements (even though other franchisees operating under the System may be permitted to do so); (3) rent cars in connection with or through any self-service program or car-sharing service; (4) rent, lease or sell any vehicles that are determined by us to be primarily designed, used or maintained for the transportation of property or goods; or (5) rent, lease or sell any form of aerial, materials handling, earthmoving, construction, industrial, marine, or other machinery or equipment, whether or not the same is self-propelled.

You must subscribe to and fully and completely participate in any and all Programs, campaigns or activities. Such Programs, campaigns or activities could relate, for example, to advertising, sales promotion, marketing, reservations, centralized billing, direct billing, charge cards, credit cards, debit cards, cash deposit ID cards, any cards issued by us or our affiliates, travel industry commissions or tour arrangements, customer satisfaction, operations, account programs, coupon programs, experimental or test programs. Such Programs may be initiated, modified or replaced by us from time to time in the Operations Guide or otherwise in writing. Some of these programs, campaigns and activities may also be undertaken separately from or together with programs, campaigns and activities of our affiliates and their franchisees including operations in the Dollar and Thrifty systems.

In addition, you must subscribe to, participate in and promote our (or our affiliate's) reservation program or system (the "**Reservations System**"), and pay related assessments and contributions as we prescribe on the same basis applicable to other System franchisees. You must participate in and promote any Reservations System that we now maintain or may later establish or designate. You must comply with all of the terms, conditions and procedures of the Reservations System, must accept and service all reservations received through the Reservations System, regardless of the medium by which the reservation is received (e.g. telephone, central reservation system, global distribution systems, Internet, or other collection or distribution systems) and may pay to us or our designee the fees and other charges imposed by us, and/or due under the Reservations System. In addition, you must accept and service all reservations for your services which are received from other franchisees of Hertz and us and must transmit all reservations which you are requested to place by any customer to the appropriate Hertz franchisee without charge to the customer and without fee to the receiving franchisee or us, other than as may be specified in the Operations Guide. You must not establish or utilize a system for collecting and distributing reservations, either separately or in combination with other travel services, which in our sole determination, competes with or is duplicative of a reservation, collection or distribution system we establish or under our authority, including, any telephone, computer or Internet reservation system. A reservation center for local rental business, which is neither promoted nor advertised outside of the Territory or to airport customers, is not a violation of this provision.

You must also offer customers the option of purchasing loss or collision damage waiver, honor certain charge and credit cards, solicit applicants for charge and credit cards, process reservations for car renting services and refrain from engaging in practices which mislead the public. You must operate Your Franchised Business in accordance with the System and may operate and conduct Your Franchised Business and provide services only within your Franchised Territory and only from the Franchised Premises.

You are not limited by the terms of the Franchise Agreement, any other agreement, or any practice in the customers to whom you may offer the services of Your Franchised Business.

If we permit you to have more than one brand, you must (1) submit commercially reasonable bids for the right to operate separately, your Hertz Business, your Dollar Business and/or your Thrifty Business from an in-terminal location at the airport within the Territory; (2) comply with all image and standards requirements for the operation of multiple brands, including potentially separate off-airport facilities, rental counters, and uniforms, and compliance with other guidelines so that it is clear to the public that your Hertz Business, your Dollar Business and/or your Thrifty Business are separate and distinct businesses; and (3) conduct your operations according to the Multiple Brand Franchising Addendum and the Operations Guide, which generally will prohibit co-branding in conjunction with Your Franchised Business.

If permitted by us, a franchisee with more than one brand may service its customers using a combined vehicle rental fleet for use in the operation of its Franchised Business as long as the vehicle identification is neutral, unbranded and in compliance with required image standards. However, unless we otherwise authorize, you will not be allowed to co-brand your Courtesy Vehicles.

If we allow you to have more than one brand, you must use a counter automation system that is compatible with the specifications of Hertz, Dollar and/or Thrifty, and which is capable of sending and receiving data from Hertz, Dollar and/or Thrifty.

If we authorize you to have more than one brand, you must have brand-specific dedicated employees in all areas where customer contact occurs. Sharing of counter employees across brands at the same time is strictly prohibited, unless we otherwise approve. Customer contact employees must always be uniformed in the attire of the brand they are currently representing and must wear authorized Hertz, Dollar and/or Thrifty uniforms and nametags. Common or neutral customer contact employee uniforms are not allowed, unless specifically permitted by us.

We, and our affiliates, retain the right, in our sole discretion, to unilaterally make changes to the operating requirements and procedures for operating multiple brands, to maintain the goodwill associated with the Hertz Marks, the Dollar Marks and the Thrifty Marks, to meet customer satisfaction demands and to meet competition. There may be variations in customer-based performance standards between the brands as set forth in the applicable Operations Guide and operating guides..

ITEM 18
PUBLIC FIGURES

We use Tom Brady who is considered a public figure, to promote the System.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Robert M. Barton, Senior Vice President, Global Franchise Operations, The Hertz Corporation, at 8501 Williams Road, Estero, Florida 33928, Robert.Barton@hertz.com, (239) 301-7718 the Federal Trade Commission, and the appropriate state regulatory agencies.

1. INTRODUCTION

We have developed a method of operating Franchised Businesses. We have the right to use the Marks in any Franchised Business and the right to license the Marks to others.

You understand that We may from time to time offer different services, utilize new business methods and develop new Marks for the Franchised System including the introduction of new Marks, services or business methods through any combination of franchising, co-branding and/or other arrangements with third parties.

You have applied to Us for a franchise to operate a Franchised Business. We have relied upon all of the acknowledgments and representations made by You in this Agreement, other agreements between You and Us or Our Affiliates and in Your franchise application, including those about Your financial resources and the manner in which You propose to own and operate Your Franchised Business.

You acknowledge that You have read and understand this Agreement and You have been given the opportunity to clarify any provision that You do not understand. You further acknowledge that We reserve the right to decline to franchise the operation of a Franchised Business to any Person at any time whether initially or upon any proposed transfer. The terms, conditions and promises contained in this Agreement are necessary to maintain Our high standards of service and to maintain the uniformity of those standards within the Franchised System.

2. GRANT AND TERM OF FRANCHISE

2.1. *Grant.* Subject to the terms and conditions of this Agreement, We grant You a franchise or franchises to operate a Franchised Business or Businesses in the Franchised Territory described in Attachment A to this Agreement at the Locations shown in Attachment A to this Agreement. You shall operate Your Franchised Business(es) only from the Locations shown in Attachment A to this Agreement, and You shall not operate any other business from those Locations. Except as expressly permitted under this Agreement, You shall not have the right to use the Marks in connection with any retail offer of any vehicle for sale, lease or otherwise.

2.2. *Term.* Subject to termination as provided herein, the term of each franchise given in this Agreement shall begin on the Effective Date and end on the expiration date set forth in Attachment A hereto.

2.3. *Change of Location.* You shall not relocate any part of Your Franchised Business to a new location without Our prior written consent. Our consent shall not be unreasonably withheld, but Our approval is not a guaranty or warranty as to the suitability or profitability of the location.

3. TERRITORY AND COMPETITION

3.1. *Territory.* Your Franchised Territory is described in Attachment A to this Agreement. You may serve any customer without regard to the domicile of the customer, but shall not operate Your Franchised Business or any part thereof to or from a permanent or temporary location outside the Locations shown in Attachment A to this Agreement. To this end, it is understood and agreed that neither:

- (a) the use of Vehicles in the Franchised Territory that are rented from, and delivered to customers by Us or other franchisees of the Franchised System outside the Franchised Territory, nor
- (b) the delivery to customers or the use or return by customers of Vehicles in the Franchised Territory, that are Leased from Us or leased from other franchisees of the Franchised System outside the Franchised Territory, nor
- (c) offer, sale or lease of Vehicles to others within and outside the Franchised Territory including Your customers, competitors and commercial fleet operators by Us or Our Affiliates
- (d) shall, in any case (a)-(c), be deemed an infringement of the rights granted to the Franchised Business in the Franchised Territory as granted in this Agreement.

In addition, (i) We and Our Affiliates shall have the right to utilize and to license others to utilize the Marks or the Franchised System in connection with the Car Sales Business, Vehicle Leasing Business or Car Self-Service/Sharing Business, or offer franchises for these purposes, both within and outside the Franchised Territory, including sales to Your customers, competitors and commercial fleet operators, regardless of proximity to or competitive impact upon Your Franchised Business and without Your consent and without providing any rights or compensation to You; and; (ii) We and Our Affiliates shall have the right to operate and to grant franchises to others to operate Affiliate Branded Businesses both within and outside the Franchised Territory, regardless of proximity to or competitive impact upon Your Franchised Business and without Your consent and without providing any rights or compensation to You.

3.3. *Reversion of Territory.* Attachment A to this Agreement describes Locations and/or locations which must be in operation by specified dates described in the attachment. Your failure to meet the schedule for opening Locations and/or locations constitutes grounds for termination of this Agreement as described in Section 18.4(c). Instead of termination, We may, at Our option, reduce, modify or revise and reclaim the Territory without notice to You except for the area within a three (3) mile radius of any Location then being operated by You pursuant to this Agreement. We may determine, in Our sole discretion, that one or more additional Locations and/or locations must be opened by You in the Territory to serve customer demand. In the event We determine that You must open an additional location from which You must operate Your Franchised Business in the Territory, We will send You written notice setting forth that portion of the Territory in which You must open and operate a Location. You must provide Us with written notice of Your intent to open such Location and/or location within sixty (60) days from the date of Our written notice and commence to operate Your Franchised Business from such Location and/or location no later than one hundred eighty (180) days from the date of Our written notice. If You fail to timely provide Us written notice of Your intent to open a Location and/or location, or You fail to timely commence operations of Your Franchised Business at such Location and/or location, in addition to any other remedies available to Us under this Agreement or otherwise, at Our option, that portion of the Territory shall revert to Us without notice and We may grant a franchise to others to operate a Franchised Business or We or Our Affiliates may operate a Franchised Business in the reverted portion of the Territory, including if such Franchised Business operates within a three (3) mile radius of one of your Locations. As described in Attachment A, You will be considered to be operating at a Location and/or location if You are conducting a Vehicle Rental Business from such Location and/or location.

4. FRANCHISE FEE

Upon signing this Agreement, You have paid Us a non-refundable franchise fee in immediately available funds in the amount set forth in Attachment A hereto. The franchise fee shall be deemed fully earned and nonrefundable upon receipt by Us in consideration of the grant of rights to use the Marks and the administrative and other expenses incurred by Us in granting the franchise and for Our lost or deferred opportunity to grant the franchise to another party.

5. FRANCHISE AND OTHER FEES

5.1. *Amount and Payment.* During the term of this Agreement, You agree to report to Us as provided in Section 13 and pay Us on the tenth (10th) day of each month, non-refundable franchise fees based on a percentage of the Gross Receipts derived from Your Franchised Business for the prior month as set forth in Attachment A hereto; provided, however, that in no event shall the aggregate fees contemplated by this Section 5.1 and paid with respect to any anniversary year be less than the applicable minimum annual fee amount set forth in Attachment A hereto. 5.2. *Program Assessments.* In addition to the payments made pursuant to Section 5.1 above, if required by Us, You shall pay any assessments related to Our Programs (as defined in Section 11.24 below). Such assessments may be used by Us to defray any of Our operating expenses and

overhead reasonably related to the administration, direction or operation of such Programs. We shall from time to time determine and inform You of the amount of such assessments, and the time and manner of payment thereof by You. You acknowledge and agree that We shall have the right to allocate all or a portion of a payment made pursuant to Section 5.1 above to the payment of any assessments otherwise payable under this Section 5.2 in such amounts and for such periods as We determine.

5.3. Other Fees. You agree to pay Us or Our Affiliates any amounts incurred by You and due to Us or Our Affiliates from the operation of Your Franchised Business whether incurred directly pursuant to this Agreement or as a result of goods or services provided to You by Us or Our Affiliates and any fees paid by Us or Our Affiliates, directly or indirectly, on Your behalf; provided however that this section shall not in any way obligate Us or Our Affiliates to pay any such amounts on Your behalf.

5.4. Manner of Payment; Past Due Payments; Interest and Late Fees. All payments required by this Agreement to be paid to Us shall be due in such manner (including by direct debit from Your account) and at such times (which may be on a monthly or other periodic basis) as may be prescribed by Us from time to time, in Our sole discretion. In the event We prescribe that payments be made by direct debit from Your account, You shall authorize Us and Our bank to debit Your account directly for all payments required by this Agreement by signing and delivering an Authorization Agreement for Preauthorized Payments in a form from time to time specified by Us. Any payment, or any report or statement required under any other section of this Agreement, not actually received by Us on or before the date on which it shall be due shall be deemed overdue if not postmarked at least three (3) days prior to the date it was due. We may accept any check or payment in any amount from You without prejudice to Our right to recover the balance of the amount due or to pursue any other right or remedy. No endorsement or statement on any check or payment or in any letter accompanying any check or payment or elsewhere shall constitute or be considered as an accord or satisfaction.

5.7. Set Off Option. We may set off against any money owed by Us or Our Affiliate(s) to You or Your Affiliate(s) pursuant to this Agreement or otherwise, including any monies, debts, obligations, or liabilities relating to the operation of Your Franchised Business arising prior to the

date of this Agreement. This right of set off will continue until You or Your affiliates have paid, satisfied or discharged all monies, debts or liabilities due or owing to Us and Our Affiliates. You hereby irrevocably authorize Us or Our Affiliate to deduct from any monies payable by Us or Our Affiliate to You or Your Affiliate(s) pursuant to this Agreement or otherwise any monies due or owing to Us or Our Affiliates by You or Your Affiliate(s) from time to time. If in Your jurisdiction set-off is not possible due to the local laws We or Our Affiliate(s) will hold monies due to You or your Affiliate as a lien, free from interest, until such time as You or Your Affiliate(s) have paid all monies owed by You or your Affiliate to Us and Our Affiliate(s). You may not deduct, set off, holdback or otherwise reduce in any manner any amount that You allege that We or Our Affiliates owe against any amounts owed by You under this Agreement.

(v) ensure that neither You nor any person or entity acting for or on behalf of You shall make any expenditure for any unlawful purposes in the performance of Your obligations under this Agreement and in connection with Your activities in relation thereto;

(vi) ensure that neither You nor any person or entity acting for or on behalf of You, shall make any offer, payment, request, or promise to pay, authorize the payment of any money, or offer, promise, request or authorize the giving of anything of value, to any Government Official, any Government Entity, any political party or official thereof, or any candidate for political office, or any other person or entity while knowing or having reason to know that all or a portion of such money or thing of value will be offered, given, or promised, directly or indirectly, to any such official, to any such political party or official thereof, or to any candidate for political office for the purpose of:

a) influencing any action or decision of such official party or official thereof, or candidate in his or its capacity, including a decision to fail to perform his or its official functions, or

b) inducing such official party or official thereof, or candidate to use his or its influence with any governmental authority to effect or influence any act or decision of such governmental authority,

(vii) hereby represent and warrant to Us that You have conducted appropriate due diligence and that no Government Official or any candidate for political office has any direct or indirect ownership or investment interest in the revenues or profit of Your and Our Vehicle Rental Business, and that You have been in full compliance with all Relevant Requirements;

(viii) immediately notify Us in writing if a Government Officer becomes an officer or employee of You or acquires a direct or indirect interest in You, and You warrant that you have no Government Officials as officers, employees or direct or indirect owners at the date of this Agreement; and

(ix) within one month of the Effective Date, and annually thereafter, certify to Us in writing signed by an officer of Your business, compliance with this Section 11.9(c) by You and all persons associated with it. You shall provide supporting evidence of compliance as We may reasonably request. For example, You will provide and respond to anti-bribery and anti-corruption questionnaires, background checks, and will submit to audits by Us, Our auditor and Our representatives, at your expense, to ensure compliance with the Relevant Requirements, Relevant Policies, and this Agreement.

For the purpose of this Section 11.8, the meaning of adequate procedures, Government Official, and whether a person is associated with another person shall be determined in accordance with the Relevant Requirements, Relevant Policies, and this Agreement. “Government Official” shall mean anyone, regardless of rank or title, who works for or on behalf of a Government Entity, or their close relatives. “Government Entity” shall mean any local, provincial, state or national government; wholly or partially government-owned or government-controlled business or company; public international organization; any department, agency, or instrumentality of any such government or organization; any political party or candidate; or any company, entity, or organization owned or controlled by, or acting in an official capacity on behalf of, any of the above. Examples include, but are not limited to: parliament, police, tax authorities, customs inspectors; state-owned utilities, universities and hospitals; the United Nations, Olympic Committee, International Red Cross, or World Bank.

In the event of differing requirements, the strictest requirements shall apply. For the purpose of this Section 11.8, a person associated with You includes but is not limited to any agent, delegate or subcontractor of Yours. Breach of this Section 11.8 by You shall be deemed a material breach of this Agreement. We reserve the right to terminate this Agreement if We reasonably suspect or believe that a breach of the Relevant Requirements has occurred.

11.10. Signage, Fixtures and Furnishings. You shall purchase and install, at such locations in such manner as We shall designate, such signs, fixtures, furnishings, kiosks, appliances and equipment as We may direct from time to time; and refrain from installing or permitting to be installed any signs, fixtures, furnishings, appliances or equipment not meeting Our standards and specifications. You agree to refurbish and upgrade the Locations as may be reasonably required by Us to maintain or improve the appearance of the Locations, to accommodate new or additional car or car-related requirements, and to conform to Our current standards and specifications as We may from time to time prescribe in the Operations Guide, Identification Standards Manual or otherwise in writing. You agree to display, at Your expense, the then current Marks on all signage, forms, uniforms, stationery and any other items that We designate for display of the Marks. In the event that We change the Marks, or trade dress, You shall have a reasonable period of time (as We may in our discretion from time to time prescribe in the Operations Guide, Identification Standards Manual or otherwise in writing) to make such modifications pursuant to this Section.

11.11. Rental Agreement Forms. You shall purchase from Our approved suppliers Our form of Rental Agreement that meets Our then current specifications. You shall use this form for all of Your Franchised Businesses and no modifications, alterations or additions shall be made to the form without Our prior written consent.

11.12. Assistance to Us and Other Franchisees. You shall cooperate with and assist Us and other members of the Franchised System when our or their Vehicles need service or repair, when a replacement Vehicle is needed or when a Vehicle must be returned to its owner as prescribed in the Operations Guide.

11.13. Referral of Customers. If You are unable to rent or lease under the System any product or service desired by an actual or prospective customer (including as a result of vehicle or model availability, vehicle rental rate, vehicle pick-up location or other customer preference), (i) You shall use all reasonable efforts to refer that customer to another Franchised Business, or to a Car Sales Business, Vehicle Leasing Business, Car Self-Service/Sharing Business or Truck Rental Business operated under the Marks, which rents or leases the desired product or service, and (ii) We, in Our sole discretion, may refer that customer to another (x) Franchised Business, or to a Car Sales Business, Vehicle Leasing Business, or Car Self-Service/Sharing Business operated under the Marks, or (y) Affiliate Branded Business, or to a Car Sales Business, Vehicle Leasing Business, or Car Self-Service/Sharing Business of Ours, Our Affiliates or a franchisee of Ours or Our Affiliates operated under any mark used by Us or Our Affiliates other than the Marks.

11.14. Trade Name and Service Marks. You shall operate Your Franchised Business only using the Trade Names or under other Marks that We may authorize and specify from time to time. You shall not use the Marks as part of any legal entity name. Prior to applying or filing for any fictitious or “doing-business-as” name, You shall notify Franchisor and comply with any instructions of Franchisor relating thereto, including with respect to the addition of words before or after the Marks that reflect Your name, geographic location or other information. The Marks shall not be used in association with any business, product or service not specifically authorized by this Franchise Agreement.

11.15. Domain Names. You shall not register or assist others in registering the Marks or variations thereof, or any name or mark in which We have an interest, with any domain name registrar that has the authority or ability to allocate or assign Internet domain names on either the international, national, regional or local levels.

11.16. Franchisee Identification. You shall clearly identify Yourself by Your corporate, limited liability company or partnership trade name and as an independent franchisee of Franchisor in Your contracts and agreements of every kind, on and in all e-mail and other forms of electronic communication, in advertising, including yellow pages advertising, on Rental Agreements, checks and negotiable instruments, and all other forms and documents used in Your Franchised Business. You must hold Yourself out to the public as an independent contractor and each Location shall display a sign that identifies You as “an independent franchisee” of the Franchised System or similar language approved by Us in writing in advance. We may specify in writing the content, form and placement of the notice.

11.17. *Public Figures.* You shall not use a public figure to promote or advertise Your Franchised Business without Our prior written consent.

11.18. *Exclusive Dealing.* During the term of this Agreement, You shall deal exclusively with Us, Our Affiliates or a third party designated by Us to perform Our obligations hereunder (collectively and individually referred to as “**Delegates**”). You shall not, directly or indirectly, for Your own or others’ benefit, alone, or in conjunction with any other person or entity: (1) own, engage in, be employed by, advise, assist, lease or sublease to, invest in, franchise, lend money to, agree to sell or sell all or substantially all the assets of Your Franchised Business to, or have any interest in, whether financial or otherwise, any other Vehicle Rental Business, except under a franchise from Us or Our Affiliate; or (2) divert or attempt to divert any actual or prospective business or customer of the business franchised hereunder, or of any other Franchised Business, to any competitor, by direct or indirect inducement or otherwise. Any failure to comply with the requirements of this Section 11.18 will constitute an event of default under this Agreement, a violation of the terms of this Section 11.18, and would result in irreparable injury to Us for which no adequate remedy at law may be available. Accordingly, You consent to the issuance of an injunction prohibiting any conduct in violation of the terms of this Section 11.18, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security. You agree to pay all court costs and reasonable attorneys’ fees incurred by Us in the enforcement of this Section 11.18, including payment of all costs and expenses for obtaining specific performance of, or an injunction against violation of, these requirements. This Section 11.18 shall apply to any and all vehicle rental operations of You or Your Owners, unless franchised by Us or Our Affiliate separately from this Franchise Agreement, whether operated independently or in connection with other businesses in which You or Your Owners, are directly or indirectly interested as Owner, operator, manager or agent, in whole or part, except for passive investments of less than one percent (1%) of the outstanding equity interest in a publicly-traded company in the business of vehicle rental. Your Owners shall execute a non-compete agreement in a form and manner approved by Us.

11.19. *Approved Supplier.* We reserve the right to require You to purchase all vehicles, equipment, fixtures, furnishings, signs, décor items, parts, forms, supplies and other products, services and materials used in the operation of Your Franchised Business from an approved supplier as We may from time to time designate in the Operations Guide or otherwise in writing. We shall have the right to designate, at any time and for any reason, a single approved supplier and to require You to purchase exclusively from such approved supplier, which exclusive approved supplier may be Us or Our Affiliate. We and Our Affiliates may provide Your contact information to suppliers or other third parties. We and Our Affiliates may receive payments or other compensation from suppliers on account of such suppliers’ dealing with Us and other franchisees. We may use all amounts so received for any purpose We and Our Affiliates deem appropriate. If You desire to purchase items used in the operation of Your Franchised Business from suppliers other than those previously designated or approved by Us as the only approved suppliers, You shall first submit to Us a written request for authorization to purchase such items, together with such information and samples as We may reasonably require. We shall have the right to require periodically that Our representatives be permitted to inspect such items and/or supplier’s facilities, and that samples from the proposed supplier, or of the proposed items, be delivered for evaluation and testing either to Us or to an independent testing facility designated by Us. Permission for such inspections shall be a condition of the initial and continued approval of such

supplier. A charge not to exceed the costs of the evaluation and testing shall be paid by You. We shall, within ninety (90) days after Our receipt of such request and completion of such evaluation and testing (if required by Us), notify You in writing of Our approval or disapproval. We may deny such approval for any reason, including Our determination to limit the number of approved suppliers. We may from time to time revoke Our approval of particular items or suppliers. Within thirty (30) days after receipt of notice of such revocation (or, for failure to meet health or safety standards, immediately upon receipt of notice), You shall cease to sell or use any disapproved item, and cease to purchase from any disapproved supplier.

11.20. *Computers and Data Transmission.* You are required, at Your expense, to purchase or lease, and thereafter use and maintain, such computer system hardware, software, required dedicated telephone and power lines, modems, printer(s), other computer-related accessories or peripheral equipment, and systems and devices to monitor vehicle telematics, geolocation, and/or other information (which you may be required to install in every Vehicle utilized in Your Franchised Business), in each case as We specify in the Operations Guide or otherwise in writing (collectively, the “**Computer System**”). Your Computer System shall have the capacity to electronically exchange information, messages, and other data with other computers, by such means (including but not limited to the Internet), and using such protocols (*e.g.*, TCP/IP), as We may reasonably prescribe in the Operations Guide or otherwise in writing. We shall have the right from time to time, and at any time, to retrieve data and information from Your Computer System, by modem or other requested means, and use it for any reasonable business purpose both during and after the term of this Agreement. We may, from time to time, specify in the Operations Guide or otherwise in writing the information that You shall collect and maintain on the Computer System installed at Your Franchised Business (including rental transactions, Vehicles, reservations, customer profiles and other pertinent information relating thereto), and You shall provide to Us such reports as We may reasonably request from the data so collected and maintained. The information so obtained by Us shall be in addition to and not in lieu of the reporting requirements set forth in Section 13 hereof. In accordance with Section 11.19 above, We reserve the right to require You to acquire the Computer System (and each part of the Computer System) from an approved supplier as We may from time to time prescribe in the Operations Guide or otherwise in writing. We may designate Ourselves or an Affiliate as an approved supplier (and may be the sole approved supplier) for the Computer System (or any part of the Computer System). You shall keep the Computer System in good maintenance and repair and, at Your expense, shall promptly install such additions, changes, modifications, substitutions, and/or replacements to the Computer System, as We direct.

11.21. *Use of Customer or Other Data.* You shall not use customer or other data (including in marketing programs) in a manner which violates the terms of this Agreement, any applicable law or any privacy, spamming or security policies that We establish from time to time in the Operations Guide or otherwise in writing. We reserve the right to introduce contact management policies from time to time. On termination of this Agreement customer data shall be assigned to Us or at Our direction where permitted. After the assignment such customer data must be deleted from Your records.

We shall have the right to obtain data regarding customer interactions (“**Customer Interaction Data**”) from You via the point of sale system, Computer system, or through other manners such as devices or surveys, the specifications of which may be included in the Operations Guide or

otherwise in writing by Us. Customer Interaction Data may include data relating to customer interactions such as, without limitation, transaction data, customer satisfaction data, incident reports, customer survey results, any of which may identify the Franchised Business and/or Your employee(s). You acknowledge that We may share Customer Interaction Data with our Affiliates and with other franchisees or licensees of Us or Our Affiliate(s).

You shall, in relation to personal data processed in connection with this Agreement (“**Franchise Data**”) (a) process the Franchise Data in a manner consistent with Directive 95/46/EC of the European Parliament and the Council on the protection of individuals with regard to the processing of personal data and on the free movement of such data, as applicable, and in accordance with standards set forth in the Operations Guide, and/or any other applicable data protection legislation (“**Data Protection Requirements**”); (b) process the Franchise Data only so far as is necessary for the purpose of performing its obligations under this Agreement; (c) not disclose Franchise Data or allow access to it other than by employees or third parties engaged by You to perform the obligations imposed on the Franchisee by this agreement, and ensure that these employees or third parties are subject to written contractual obligations concerning the Franchise Data which are no less onerous than those imposed on the Franchisee by this Agreement; (d) assist Franchisor to comply with any obligations as are imposed on the Franchisor by the Data Protection Requirements; and (e) maintain technical and organizational security measures sufficient to comply at least with the obligations imposed on the Franchisor by the Data Protection Requirements.

You shall ensure that Your hardware, software, business practices, and information security program are consistent with the PCI Standards, if You have access to, process, store, or otherwise handle Cardholder Data. “**Cardholder Data**” means: (i) with respect to a payment card, the account holder’s name, account number, service code, card validation code/value, PIN or PIN block, valid to and from dates and magnetic stripe data; and (ii) information relating to a payment card transaction that is identifiable with a specific account. “**PCI Standards**” means the security standards for the protection of payment card data with which the payment card companies require merchants to comply, including, but not limited to, the Payment Card Industry Data Security Standards currently in effect and as may be updated from time to time. If any audit or inspection conducted pursuant to this Agreement reveals a material technical issue, security problem, or other non-compliance with any applicable Data Protection Requirement(s) and/or the PCI Standards, You will pay Our costs for conducting such audit and/or inspection and will propose an appropriate written response, including a plan for the remediation of the problem, within the time reasonably requested by Us. Upon Our approval of such plan, You will remedy the problem according to the plan. We will not be responsible for any additional costs or fees related to such remedy.

You shall indemnify Us, Our Affiliates, and each of Our and Our Affiliate(s) respective current and former officers, directors and employees (“**Franchisor Indemnitees**”) against all claims and proceedings and all liability, loss, costs and expenses incurred by Franchisor Indemnitees as a result of any claim made or brought by an individual or other legal person in respect of any loss, damage or distress caused to them as a result of the Your unauthorized processing, unlawful processing, destruction of and/or damage to any Franchise Data or Cardholder Data processed by You, Your employees, or Your agents. In this clause, personal data and processing shall have the same meanings as set out in the Data Protection Requirements or PCI standards, and process shall be construed accordingly.

11.22. *Franchisee's Prices.* You agree to comply with all applicable laws relating to pricing as well as any and all policies We prescribe from time to time in the Operations Guide or otherwise in writing relating to permissible charges beyond time, mileage and usage charges which may be charged by You to the customer, and We may revoke or alter such permission at any time. You shall disclose all charges, whether relating to fuel, airport surcharges, airport concession fee recoveries, reimbursement fees, the age of the driver, additional drivers or any other additional charges which cannot reasonably be avoided by the customer, as well as any applicable taxes, and You shall also include a description of any geographical restrictions and mileage charges applicable to the rental. You agree not to use any rates or engage in any false or misleading advertising, pricing, invoicing or billing practices, which violate any applicable law, rule, ordinance, regulation or other valid governmental pronouncement or which are detrimental to Our image or which tend to mislead the public in any way. You further agree to file with Us in a manner and form as We direct prior to the commencement of operations a complete schedule of Your charges and rates and thereafter You agree to adopt, maintain and comply with all procedures necessary to give Us notice of any proposed changes thereto in accordance with the requirements contained in the Operations Guide. We may from time to time advertise suggested rental charges, and, to the extent allowed by applicable law, We may from time to time promote or prescribe types and levels (maximum or minimum) of rates which, in Our sole discretion, and business judgment, We determine best serve the competitive and other business interests of the System. You agree to maintain the types and levels (maximum or minimum) of such prescribed rates. In Our sole discretion, such rates may include or exclude a separate charge or charges for mileage, insurance, gasoline, oil, maintenance or any other item.

11.23. *Campaigns.* You shall subscribe to and fully and completely participate in any and all programs, campaigns or activities, regular or special, relating to advertising, sales promotion, marketing, reservations, centralized billing, direct billing, charge cards, credit cards, debit cards, cash deposit ID cards, any cards issued by Us or Our Affiliates, travel industry commissions or tour arrangements, or any other program, campaign or activity which We may from time to time engage in, conduct or prescribe, in Our sole discretion, for Our benefit and the benefit of Franchised System franchisees.

11.24. *Programs.* You shall subscribe to, fully and completely participate in, and comply with any and all operating programs, customer satisfaction programs, account programs, coupon programs, marketing and sales programs, experimental or test programs, and such other programs that We may from time to time prescribe in the Operations Guide or otherwise in writing, including, but not limited to any (i) one-way rental program, (ii) frequent renter, loyalty and/or rewards program(s), (iii) Corporate Rate Programs (as defined in and in accordance with and subject to Section 11.26 below); and (iv) any programs involving a Car Sales Business, Vehicle Leasing Business or Car Self-Service/Sharing Business in which we require you to participate as contemplated by Section 3.2, as all such programs and additional programs may be modified, replaced or instituted by Us from time to time and as may be specifically identified in Attachment A hereto (together with all programs, campaigns, and activities described in Section 11.23 above, the “**Programs**”). The Programs may include participation by Vehicle Rental Businesses owned, operated, franchised, or licensed by Our Affiliate(s) which are identified by trademarks, trade names, service marks, logos, emblems, and other indicia and origin different and distinct from the Proprietary Marks, including Vehicle Rental Businesses that may compete with Your Business. You agree to fully and completely participate in, support and service the Programs, and to incur

the expenses, if any, of doing so, in accordance with the relevant provisions of the Programs, as required by Us, regardless of whether all other System franchisees are also required to participate in, support and service the Programs. If all other System franchisees are also required to participate in, support and service a Program, then the expenses incurred by You will be on the same basis as other System franchisees. You understand and agree that You may be required to enter into participation or other agreements, which shall contain such terms and conditions as We shall determine to be appropriate, to evidence Your participation in such Programs.

11.25. *Rebates.* We and/or Our Affiliates may and are entitled to earn revenue from and to receive and retain for Our and/or their own credit, without accounting to or sharing with You, all payments, profits, rebates, discounts, bonuses, advantages, goods, commissions, incentives, or other allowances or benefits whether by way of cash, kind or credit (collectively, “**Rebates**”) which We and/or Our Affiliates may earn or be provided by sources, manufacturers or suppliers whether or not on account of purchases made by Us or an Affiliate, for its own account or for the account of You, or whether or not related, directly or indirectly, to the sale or leasing of products or services to You or any other franchisees. You acknowledge that We and/or Our Affiliates owe no fiduciary, trust or other duty to You and are under no such duty to account or disclose to You for such Rebates, and may retain such Rebates entirely for Our and/or their own account.

11.26. *Corporate Rate Programs.* We and Our Affiliates may enter into contracts throughout the term of this Agreement with commercial entities, membership associations, governmental agencies and departments, and other groups and organizations under which the contracting party or others (e.g., customers of the contracting party) receive contracted rates, discounts or other benefits (“Corporate Rate Programs”); You agree to fully and completely participate in, comply with, and adhere to, all such contracted rates, discounts or other benefits as We may from time to time prescribe in the Operations Guide or otherwise in writing, except as may otherwise be required by applicable law. Further, You agree to comply with all of the terms and conditions of all Corporate Rate Programs as We may establish and modify them from time to time, including rebates and liability insurance coverages. You may not enter into any Corporate Rate Program or similar program other than those prescribed by Us except with Our written consent.

11.27. *Net Promoter Score.* You shall carry out and report to Us such customer satisfaction tracking techniques as We require and achieve a satisfactory Net Promoter Score, as set forth at Attachment B or as otherwise reasonably determined by Us from time to time, in comparison to the scores obtained by, as selected by Us: (1) Franchised Businesses operated by Us or Our Affiliates; and/or (2) Franchised Businesses operated by Our franchisees. For the purposes of this Agreement, “**Net Promoter Score**” or “**NPS**” shall mean the customer loyalty metric, designated by Us from time to time, which is designed to measure levels of customer satisfaction.

11.28. *Reservations.* You shall register each of Your Locations with the Reservations System and pay the then-current fee imposed by Us, and/or due under the Reservations System. Your use of the Reservations System is subject to the limitations described in Section 9 of this Agreement.

11.29. *Rental Qualifications.* All customers shall meet the rental qualifications mandated by Us except in states where Our restrictions are void by law.

11.30. *Participation in Travel Programs.* You shall fully and completely participate in and fully honor any and all of the terms of frequent flyer, frequent renter or other travel incentive programs which We may designate from time to time in the Operations Guide.

11.31. *Social Media.* You shall comply with the standards and procedures developed by Us for the Franchised System, in the manner directed by Us in the Operations Guide or otherwise, with regard to Your authorization to use, and use of, blogs, common social networks (such as Facebook), professional networks (such as Linked-In), live blogging tools (such as Twitter), virtual worlds, file, audio and video sharing sites and other similar social networking media or tools (together, “Social Media”) that in any way references the Marks or involves the Franchised System or Your Franchised Business. Without limiting the foregoing, Franchisor shall at all times have administrator rights over all Social Media used by You, and Franchisor may, at its option and without notice or limitation, assume administration and control over any such Social Media platforms relating to the Franchised Business.

11.32. *Security.* We may require You to post a deposit in the form of cash or a non-revocable letter of credit or other form of security acceptable to Us, to secure Your or any of Your Affiliates’ obligations to Us and Our Affiliates, whether under this Agreement or otherwise. The initial amount of such security deposit, if required, will have been provided to you before you sign this Agreement. Thereafter, we may increase such amount from time to time, in Our sole discretion, based upon various relevant factors, such as a change in the revenues or the financial condition related to You, any guarantor or Your Franchised Business. For purposes of clarity, if such security is drawn upon to satisfy any obligation related to You or Your Affiliates as provided in the first sentence of this Section 11.30, You shall be obligated to reinstate the full amount of such security deposit within five (5) days and failure to do so will be deemed a material breach of this Agreement.

11.33. *Liquidated Damages for Non-Compliance.* The parties acknowledge and agree that quantifying losses arising from Your breach may be inherently difficult but such breach could impact Our reputation, as well as, Our intellectual property rights; and the parties further stipulate that the agreed upon sums are not penalties, but rather a reasonable measure of damages based on the parties’ experience in the vehicle leasing and rental business and given the nature of the losses that may result from a breach. Consequently, in the event that You breach any provision of this Agreement, any material provision of the Operations Guide, or any other agreement between Us or our Affiliate and You or your Affiliate, You will be liable for liquidated damages and pay Us in the amount of one hundred dollars (\$100) for each day that such non-compliance is in effect. If the violation is not corrected within ninety (90) days of Our notice, You will be liable for liquidated damages and pay Us the amount of Five Thousand Dollars (\$5,000) in addition to any per diem non-compliance fee amounts that have been or shall be incurred. The foregoing liquidated damages shall be in addition to Our termination rights and any other remedies available to Us under this Agreement or applicable law.

11.34. *Data Security Breach.* You are responsible for any and all information security incidents involving customer data that is handled by You. You shall notify Us (including both our franchise department and cert@hertz.com) in writing immediately (and in any event within twenty-four (24) hours) whenever You reasonably believe that there has been an unauthorized acquisition, destruction, modification, use, or disclosure of, or access to, customer data (“**Breach**”). After

providing such notice, You will investigate the Breach, take all necessary steps to eliminate or contain the exposures that led to such Breach, document all information collected as part of its investigation of the Breach, and keep Us advised of the status of such Breach and all matters related thereto. You further agree to provide, at Your sole cost, reasonable assistance and cooperation requested by Us and/or Our designated representatives, in the furtherance of any correction, remediation, or investigation of any such Breach and/or the mitigation of any damage, including any notification that is appropriate to send to individuals impacted or potentially impacted by the Breach, and/or the provision of any credit reporting service appropriate to provide to such individuals. Unless required by law, You shall not notify any individual or any third party other than law enforcement of any actual or potential Breach involving customer data provided to You by Us without first consulting with, and obtaining Our permission. In addition, within 30 days of identifying or being informed of a Breach, You shall develop and execute a plan that reduces the likelihood of a recurrence of such Breach. You agree that We may at Our discretion immediately suspend or terminate the transfer of customer data or connection to Our systems without penalty if a Breach occurs.

12. OPERATING ASSISTANCE AND DELEGATION OF SERVICES

12.1. *Consultation.* We agree, upon Your reasonable request, to furnish guidance, make recommendations and generally to give You the benefit of Our knowledge and experience in establishing, managing and operating Franchised Businesses. To the extent that such request for consultation exceeds that customarily provided by Us to franchisees in general, We may charge a reasonable fee.

12.2. *Location Directory.* We shall publish and keep up-to-date a directory of Our Locations on Our Web site. Each of Your Locations shall be listed in the directory provided You are not in default of this Agreement. We shall distribute this publication to selected travel agents, corporate travel managers and others who purchase vehicle rental services.

12.3. *Reservations System.* We or Our Affiliate currently maintain a Reservations System. Your use of the Reservations System is subject to the limitations described in Section 9 of this Agreement. If You are in breach of any of Your obligations under this Agreement or any other agreement with Us or Our Affiliates, Your access to the Reservations System may be discontinued.

12.4. *Operations Guide.* We shall make available for Your use during the term of this Agreement, one (1) copy of the Operations Guide, which we may issue in any format (paper or electronic) that we choose. We may supplement the Operations Guide by periodic operating bulletins and similar memoranda that contain mandatory and suggested procedures, specifications and rules that We prescribe and which, when issued, shall be considered to be incorporated into the Operations Guide, whether or not updated into the Operations Guide document that we provide you.

12.5. *Site Selection and Approval.* Although the primary responsibility for selecting a site for Your Franchised Business shall be Yours, We and Our Affiliate shall review Your selection and inform You of Our approval or disapproval prior to the opening of Your Franchised Business as set forth in Section 11.3. Our approval of Your selection is not a guaranty or warranty as to the suitability or profitability of the Location.

12.6. Supplies. We and Our Affiliate may but are not obligated to make available to You, materials, forms, supplies and signs bearing Our Marks for use in Your Franchised Business. All such materials, forms, supplies and signs bearing the Marks shall be purchased from Us or from Our approved supplier.

12.7. Web site. We shall, as We may deem appropriate, include on Our Web site such information with respect to rates, equipment and conditions under which vehicles may be rented from System franchisee.

12.8. Stolen Vehicles. We shall assist You, to the extent practical, in locating stolen or converted vehicles, and shall cooperate with You in effectuating an economical and advantageous disposition or return of such vehicles.

12.9. Purchase Programs. We shall, at Our sole discretion, make available to You, upon such price, terms and conditions as We may determine, and to the extent permitted by law, such facilities as We may from time to time develop for Your Franchised Business, including for the purchase by You of vehicles through manufacturer purchase programs, and for the purchase of various materials such as lubricating oils and greases, tires, parts and accessories, antifreeze and other automotive products.

12.10. Delegation and Combined Performance of Obligations. We shall have the right to delegate Our performance of any obligation hereunder (including the provision of any service and the operation of any program) to an Affiliate or Our Delegate. You agree and acknowledge that We may, or such Delegate may, simultaneously perform the same, similar or different service for or on behalf of Our or such Delegate's company-owned, company-operated or franchised businesses or for or on behalf of businesses owned or operated by third parties, which businesses may be competitive with Your Franchised Business and the Franchised System and which may be located in the Franchised Territory. We and Our Delegates shall have the right to perform any such obligations on a combined basis (including utilizing the same or shared facilities, equipment, software and personnel) or in conjunction with the performance of the same, similar or different services for or on behalf of Our or such Delegate's company-owned, company-operated or franchised businesses or for or on behalf of businesses owned or operated by third parties, which businesses may be competitive with Your Franchised Business and the Franchised System and which may be located in the Franchised Territory. We shall have the right, in Our sole discretion, to allocate costs, personnel and other resources among any combined programs.

12.11. Customer Service Program. We shall have the right to develop, from time to time, a Program for customer service including, but not limited to a customer dispute resolution program. Under any such customer service Program(s), We shall have the right to resolve disputes between You and customers of the System who have rented from You at Our discretion and shall have the right to charge You up to the amount of the total rental charged to the customer by You plus a handling fee as may be prescribed in the Operations Guide from time to time. Notwithstanding anything to the contrary contained in this Agreement, We shall have the right to offer to franchisees discounts and incentives and impose additional charges on products and services supplied by Us based on the level of performance or participation in (to the extent participation in such Program is optional) any customer service Program developed by Us.

13. RECORDS AND FINANCIAL REPORTS

If You operate Your Franchised Business from a site leased from Us or one of Our Affiliates, Your lease may be terminated at Our option upon termination of this Franchise Agreement, whether or not such termination clause appears in Your lease. Termination shall not discharge any rent or other charges owed under Your lease as of the time of termination, nor excuse rent for the unexpired term if We do not place a Franchised Business at such site following termination. If You are in default of Your lease and fail to cure the default within the time allowed in the lease, You are in default of this Franchise Agreement.

16.2. Airport Concession Agreements

- (a) If the concession or right to operate a rental car business in connection with any airport within the Franchised Territory becomes available by bid, a request for proposal or otherwise by the governing body or authority for such airport, or if such concession or rights comes up for renewal or extension, You shall give Us and/or Our Affiliates the first right, without any obligation, to become the concessionaire or lessee of the applicable operating space.  - (ii) sever the airport location from Your Franchised Territory and establish Our own operation at such site; or
 - (iii) terminate this Agreement.
- (d) At Our option, the Airport Agreements shall be approved by Us prior to Your execution of the Airport Agreements. 17.1. *Ownership and Usage.* You acknowledge that as between You and Us We have a right to use the Trade Names, all designs used with or near the foregoing and all other Marks that We license to You in this Agreement. Your right to use these Trade Names and Marks arises solely from this Agreement and You may only use the Trade Names and Marks according to the rules that We prescribe from time to time. You shall not use the Trade Names and Marks as part of any corporate name, domain name or trade name or with any prefix, suffix or other modifying words, terms, designs or symbols other than logos which We have licensed. You shall not use the Trade Names and Marks to offer or advertise any services not authorized by Us in writing (such as the retail sale of new and/or used Vehicles or the repair and maintenance of Vehicles for others), or in any other way not specifically provided in this Agreement, unless We have given You prior written permission to do so. If We deem it advisable to modify or discontinue use of any Marks, You shall do so at Your expense within a reasonable period of time after notice. You represent, warrant, and agree that You shall not contest at any time during or after the Term of this Franchise Agreement, in any manner, the validity of Our or Our Affiliate's exclusive ownership of and rights to or in any of the Marks or Our or Our Affiliate's right to any copyright, patent, trade secret or other element of the Franchised System, including any Internet designation or domain name, whether now existing or hereafter created or obtained.

We have the sole right to take whatever action We deem appropriate and We have the exclusive right to control any litigation or other proceeding concerning the Marks. You shall execute all instruments and documents, render assistance and do all things that in Our opinion or the opinion of Our attorneys are necessary and advisable to protect and maintain Our interests in the Marks.

17.3. *Protection of Marks.* We shall take such action as We deem appropriate to preserve Our rights to and interest in the Marks as they are from time to time in use and Our right to license the Marks to others, and shall take such action as it deems appropriate to protect and defend Our right to and interest in the Marks against infringement, confusion, tarnishment, dilution or other diminution or loss. You agree to continue to operate Your Franchised Business during this notice period, comply with all the terms of this Franchise Agreement, and pay all fees and charges during the notice period. Upon notice of termination, We may attempt to re-franchise Your terminated Franchised Territory, but We are under no obligation to do so and, if we do so, you will derive no benefit therefrom. If You partially terminate Your Franchised Territory, our refranchising of the terminated Franchised Territory may impact your remaining Franchised Territory. You shall pay the Early Termination Fee with Your notice of termination. The Early Termination Fee is intended to compensate Us only for the value lost in future franchise fees pursuant to Section 5.1 as a result of the early termination of this Agreement, and You agree that You remain liable for all other obligations under this Agreement, including the obligations set forth in Section 18.6 of this Agreement and liabilities arising out of Your breach or default.

Any cure by You of a default under Section 18.4(r) through (w) of this Agreement or any other agreements with Us or Our Affiliates will not be recognized by Us unless and until all Your defaults under this Agreement or such other agreements have been cured. If the parties cannot agree on fair market value within a reasonable time, an independent appraiser shall be designated by Us, and his determination shall be binding.

If We elect to exercise any option to purchase herein provided, We shall have the right to set off all amounts due from You under this Agreement, and the cost of the appraisal, if any, against any payment therefor.

18.7. *Option to Purchase.* Without limiting any of Our other rights under this Section 18, We shall have the option (but not the duty) upon written notice to You no later than (i) one hundred twenty (120) days after Our receipt of notice under Section 18.1 hereof, (ii) thirty (30) days after We learn of the termination of this Agreement under Section 18.3 hereof, (iii) thirty (30) days after termination of this Agreement under Sections 18.2 or 18.4 hereof, or (iv) thirty (30) days after expiration of this Agreement, to elect to purchase from You, and to require You to sell to Us or to Our nominee, some or all (at Our option) of the assets employed in Your Franchised Business (or portion thereof in the case of a partial termination), on the terms and conditions hereinafter contained:

(a) The purchase and sale shall be implemented by a formal contract containing warranties and representations by the seller at the time of sale with respect to full ownership and transferability of the assets to be sold, the absence of liens and encumbrances thereon, the seller's full authority to effect such sales and transfers, the working condition and repair of physical assets, and such other warranties, representations and agreements as shall be appropriate in a transaction of such nature.

(b) The closing date for the purchase and sale shall be no later than the ninetieth (90th) day after Our written notice of intention to purchase.

(c) The assets to be sold or transferred shall include, at Our discretion, the selected items of personal property owned and employed by You in Your Franchised Business (including leased property and excluding such personal property that We specifically decline to purchase) together with other assets used by You in connection with the conduct of Your Franchised Business, including all real property, leases, and tenancies (including airport concession agreements), vehicle rental agreements in which seller is the lessor, other contracts and agreements (except employment agreements) to which the seller is a party, all leasehold improvements, furniture, fixtures, machinery, equipment and signs, inventories of tires, fuel, supplies and parts on hand, all of which shall be determined by Us or Our nominee on and after the closing date.

(d) The seller's transfer and conveyance shall be free and clear of all liens, claims, and encumbrances and seller shall obtain and deliver to Us or Our nominee on or before the closing date any and all consents of third parties to the assignment or transfer of leases and contracts where such consent is required to effectuate a valid transfer or assignment as aforesaid.

(e) You and We agree to negotiate in good faith to determine the purchase price and other terms of the purchase. If the parties cannot agree on fair market value within fifteen (15) days after Our written notice of intention to purchase, then within five (5) days thereafter You and We will each select an independent appraiser, who in turn will mutually select a third independent appraiser within ten (10) days of the last of their appointments. The parties will share equally in the cost of the appraisal. The purchase price for the assets

of Your Franchised Business will be established by the third appraiser in accordance with this Section 18.7(e), customary valuation methodologies and generally accepted accounting principles, and will be binding upon the parties. In determining such purchase price pursuant to this Section 18.7(e), the physical assets shall be depreciated at rates and in accordance with standard accounting methods employed by Us or Our successor at the time We or Our nominee shall purchase the same, provided that such methods are in accordance with generally accepted accounting principles. In making any calculations of net tangible asset value as of the date of sale, vehicles and other physical assets which have been fully depreciated shall be valued at the fair market value thereof as of the date of sale. The value, before depreciation, assigned to the vehicles to be sold and transferred hereunder, shall not exceed prices which were paid or which would have been paid by Us or Our nominee in accordance with Our customary business practices for the same or comparable assets at the time and place when purchased by You. All other physical assets to be sold and transferred, except real estate, shall be valued for the purposes hereof at seller's cost less depreciation calculated at rates as above set forth. Real estate, if any, shall be valued at the fair market value thereof, as of the date of sale. No value or payment shall be attributed to intangible assets, such as leases, tenancies (including Airport Agreements), reservations, vehicle rental agreements, or any other contracts or agreements. Notwithstanding anything herein contained, if any asset to be sold and transferred to Us or Our nominee pursuant hereto shall then be subject to a right of purchase by Your customer thereof, the price to be paid by Us or Our nominee therefor shall in no event exceed the price at which such customer is entitled to purchase the same. Notwithstanding any provision hereof to the contrary, no payment shall be made for the transfer of Airport Agreements or for any goodwill. The purchase price for the assets of Your Franchised Business will be paid in cash on the closing date. If We elect to exercise Our option to purchase, We will have the right to set-off all amounts due Us or any of Our Affiliates against payment of the purchase price.

18.8. No Interest After Termination or Expiration. If this Agreement expires without renewal or is terminated by You or Us, You shall not retain any material incorporating the Marks or any telephone number used or advertised in association with the Marks. You acknowledge that no goodwill pertaining to Your Franchised Business exists apart from goodwill associated with the Marks and You further acknowledge and agree that goodwill associated with the Marks belongs to Us. Therefore, We shall not make any payment to You for goodwill associated with Your Franchised Business upon termination of this Agreement or upon resale of Your Franchised Business by Us. We shall not rebate to You any portion of the franchise fee or monthly franchise fees. If Your Franchised Business is wound down, You are responsible for the costs associated with cessation of the business.

18.9. Effect of Partial Termination. In the event of any partial termination of this Agreement with respect to any Sub-Territory, Attachment A will be deemed amended to remove such Sub-Territory immediately upon the effectiveness of the termination without the need for either Party to execute a written amendment to this Agreement.

19. TRANSFER

19.1. *Transfer by Franchisor.* This Agreement, Our System, the Marks and the right to license others to use Our methods and the Marks are fully transferable by Us to any person or legal entity without Your consent. Upon any such transfer or assignment, the transferee or assignee shall be solely responsible for all of Our obligations arising under this Agreement subsequent to the transfer or assignment. Nothing contained in this Agreement shall require Us to remain in the business of operating or licensing the operation of Your Franchised Businesses or other businesses or to offer any services or products to You, whether or not bearing the Marks, if We transfer or assign Our rights in or obligations under this Agreement. We and Our Affiliates shall have the right to sell any assets, engage in a public offering or private placement of ownership interests, merge with or acquire other corporations or entities, or be acquired by another corporation or entity (including, in both instances, a corporation or entity which may own or operate systems which may be competitive with or similar to the Franchised System).

19.2. *Transfer by You.* This Agreement and the franchise it grants are personal to You and We entered this Agreement with you in reliance upon Your experience, expertise, financial resources, and good reputation. You shall not Transfer (as defined below) any interest in You, the Agreement, Your Franchised Business, any Location, the Franchised Territory or the franchise except in accordance with the provisions of this Agreement. Upon notice of termination by You pursuant to Section 18.1 herein, this Agreement and the franchise it grants to You may not be transferred.

19.3. *Definition of Transfer.* “**Transfer**” shall mean:

(a) Any transaction by You or any Owners whether lifetime or testamentary, that results in the sale, transfer, conveyance, give away, pledge, or mortgage, or otherwise disposes of or encumbers any direct or indirect interest in whole or in part, of (i) this Agreement or any right herein; (ii) Your Franchised Business, including any transfer of assets not in the ordinary course of business; (iii) the Franchised Territory; (iv) any Location or Airport Agreement or (v) Your capital stock or ownership interests; and

(b) The death of You or any of the Owners regardless of whether Your interest or the interest of any Owner is transferred by devise, trust instrument, operation of law or contract.

20. TRANSFER PROVISIONS

20.1. *Transfer Procedures.* Prior to any lifetime Transfer, You must:

(a) Be in full compliance with this Agreement and any other agreement between Us, Our Affiliates or any other franchisee of Ours or Our Affiliates and You;

(b) Be current in all ascertainable obligations to Us, Our Affiliates and other franchisees of Ours and Our Affiliates, whether arising out of this Agreement, Your Franchised Business or otherwise;

(c) Fully comply with the notice requirements set forth in Section 20.2 below;

(d) Demonstrate to Our satisfaction that a bona fide written offer has been made for a proposed Transfer; that the proposed transferee has the business knowledge, experience, good reputation, and the financial resources to own and operate Your Franchised Business and will agree to the conditions of approval provided in Section 20.3; and

(e) Make a deposit with Our Credit Department in the form and amount requested by the Credit Department to cover accounts receivable and incidentals accrued by You or any Owners through the date of Transfer.

The burden of establishing satisfactory compliance by You and by the proposed transferee with Our criteria shall be upon You. Pursuant to Section 13.5, You agree We may disclose to and discuss with third parties Your credit history, business experience and other matters relating to Your operation of Your Franchised Business or Your status under this Agreement or any other agreement with Us or Our Affiliates in connection with Your proposed Transfer. You agree to hold Us and any third parties harmless for the disclosure or use of such information.

20.2. *Notice of Proposed Transfer.* In the event You or any Owner proposes to make a Transfer, You shall give written notice of such proposed Transfer (“**Notice of Transfer**”) to Us. The Notice of Transfer must include each of the following in written form:

(a) The full and complete name of the proposed transferee, including the state of its organization if the proposed transferee is a corporation, partnership or limited liability company;

(b) A copy of the definitive purchase, sale or other agreement by which the proposed Transfer shall be consummated (“**Acquisition Agreement**”), fully signed by all of the parties to the Acquisition Agreement, and including (i) any and all exhibits, schedules, form agreements, documents or other instruments attached or to be attached to the Acquisition Agreement; and (ii) copies of all other agreements, documents or instruments executed or to be executed in connection with the closing of the transaction contemplated by the Acquisition Agreement. A non-binding letter of intent or term sheet will not be considered an Acquisition Agreement. The Acquisition Agreement must contain the following provision:

“Buyer and Seller acknowledge and agree that the closing of the proposed Transfer contemplated by this Acquisition Agreement is subject to [Franchisor]’s prior approval and the full and complete satisfaction of the transfer provisions of that certain Franchise Agreement between Seller and Franchisor by Seller, any of Seller’s principals and as applicable, the Buyer. Further, Buyer and Seller acknowledge and agree that Franchisor has the right of first refusal to acquire the interest to be transferred as set forth in the Franchise Agreement.”

In the event the foregoing provision is not included in the Acquisition Agreement, You agree to execute an amendment to the Acquisition Agreement to include such a provision. Otherwise, We may, in Our discretion, deem the Acquisition Agreement to be incomplete and disapprove the proposed transfer solely on this basis of this omission.

- (c) A detailed description of the proposed transferee’s business background; including any experience in businesses similar to Your Franchised Business;
- (d) The most recent financial statements of the financial condition of the proposed transferee executed and acknowledged as to its accuracy by the proposed transferee;
- (e) The most recent financial statements of each guarantor of the proposed transferee, executed and acknowledged as to its accuracy by each guarantor;
- (f) Copies of all agreements, appraisals or evaluations relating to the proposed Transfer;
- (g) Copies of the most recent year end and monthly financial statements of Your Franchised Business certified as correct by You; and
- (h) Such additional information and documents as We shall request, including additional business, financial or tax return information regarding the proposed transfer, the transferee, You, or Your Franchised Business.

All applicable information above shall also be provided with respect to each principal of the corporation and/or each partner, owner, manager or member. The Notice of Transfer shall be effective on the date We shall have actually received, to Our satisfaction, any and all of the materials and information set forth in this Section 20.2 including any additional information and documents subsequently requested by Us hereunder (the “**Notice Effective Date**”). Any amendment, addendum or other modification to the Acquisition Agreement executed after the Notice Effective Date, or any additional exhibit, schedule, agreement, document or other instrument attached or to be attached to the Acquisition Agreement, delivered to Us after the Notice Effective Date, shall automatically extend and modify the Notice Effective Date to the date upon which We receive the amendment, addendum or other modification, or any additional schedule, agreement, document or other instrument. We will have sixty (60) days beginning on the first (1st) business day following the Notice Effective Date, as it may be automatically extended and modified, to approve or disapprove the proposed Transfer discussed below in Section 20.3, and to exercise Our right of first refusal as provided in Section 21; provided, however, that, subject to applicable law, We may elect to extend the sixty-day period for an additional thirty (30) days upon written notice to You prior to the expiration of the sixty-day period (the “**Review Period**”).

20.3. Approval of Proposed Transfer. During the Review Period, We will either approve or disapprove the proposed Transfer and so notify You. During such Review Period, We may, at Our sole option, notify You of Our intent to exercise Our right of first refusal as provided in Section 21. Any approval by Us of the proposed Transfer shall be subject to the following conditions being satisfied prior to or on the effective date and/or closing of the proposed Transfer:

- (a) The proposed transferee completes Our then-current form of franchise application and meets Our then-current standards and qualifications to become a franchisee. The proposed transferee must also agree to become a Franchised System franchisee for Your

Franchised Territory and/or the Location or other Locations in Your Franchised Territory that We approve;

(b) You and any Owner execute Our then-current form of transfer, consent and release agreement, in which You and any Owner release all claims against Us, continue to be liable for all post-termination and post-expiration obligations including, but not limited to, the covenant not to compete, return of the Operations Guide and non-use of Our Marks;

(c) You will continue to indemnify any Indemnitees (as set forth in Section 24.2 below), for any obligations that may arise under Section 24.2 for conduct of Your Franchised Business prior to the effective date of the Transfer;

(d) The proposed transferee will not be, and will agree not to become at any time during the period in which transferee is a franchisee of Ours, either wholly or partially, a publicly-held or reporting entity with the Securities and Exchange Commission;

(e) The proposed transferee will not at the time it becomes a franchisee of Ours, and will agree not to at any time during the period in which transferee is a franchisee of Ours, own, engage in, be employed by, advise, assist, lease or sublease to, invest in, franchise, lend money to, or have any other interest in, whether financial or otherwise, any other Vehicle Rental Business, except as allowed by Us, in Our sole discretion, pursuant to a franchise agreement with Us or Our Affiliates;

(f) In the event the proposed Transfer would result in the proposed transferee owning and operating more than one Vehicle Rental Business pursuant to franchise agreements with Us or Our Affiliates (either because the proposed Transfer involves multiple Franchised Businesses or because the proposed transferee is an existing franchisee pursuant to a franchise agreement with Us or Our Affiliates), We determine, in Our sole discretion, that We will allow for the ownership and operation of multiple Vehicle Rental Businesses by the proposed transferee;

(g) The proposed transferee executes Our then-current form of franchise agreement, granting such transferee the right to use the System in the conduct of a Franchised Business in the Franchised Territory and/or the Location or other Locations in the Franchised Territory that We approve, upon the same terms and conditions then being offered by Us under such System franchise agreement, except as to any initial fee, franchise fee, transfer fee and any other fees and assessments to be paid by such transferee to Us under such System franchise agreement, as well as the length of the term thereof, all of which shall remain within Our sole discretion; provided, however, that no transfer fee shall be payable if the proposed transferee is an Owner as indicated on Attachment C to this Agreement or any amendment to Attachment C approved by Us prior to the Transfer;

(h) The proposed transferee executes or causes to be executed any forms of agreement ancillary to the System franchise agreement, including any personal guaranty;

(i) You agree to pay Us any applicable transfer fee we impose as well as all expenses incurred by Us in connection with processing the Transfer, including, but not limited to any of Our out-of-pocket costs relating to processing the proposed transferee's

applications, as well as reasonable attorney's fees, such expenses to be paid by You even if such Transfer is not approved by Us or consummated by Us;

(j) All amounts which are due and owing to Us, Our Affiliates and all other franchisees of Ours or Our Affiliates have been paid or otherwise satisfied in full; and

(k) The Transfer to the proposed transferee must occur within a period of thirty (30) days from the date of Our written approval of the proposed Transfer upon the terms and conditions specified in the Notice of Transfer. If, however, such terms shall be changed, or if such thirty (30) day period shall have expired, We shall again have the opportunity to exercise its right of first refusal as provided in Section 21 and the proposed Transfer shall again be subject to all procedures specified in this Section 20, including a new Notice of Transfer.

20.4. Requirement to Maintain Voting Control. You acknowledge and agree that it shall be a reasonable use of Our discretion to refuse to consent to a transfer in which the Owners listed on Attachment C would no longer hold a majority of each class or series of Your voting securities.

20.5. Family Transfer. With respect to any transfer by the individual Owners set forth on Attachment B of their ownership interests in You to a spouse, parent, or child, (i) Our right of first refusal described in Section 201 shall not apply, (ii) We shall not withhold our consent to such transferee so long as such transferee meets our background screening criteria, and (iii) We shall not collect any transfer fee.

21. OUR RIGHT OF FIRST REFUSAL

If under Section 20, You or any Owner proposes to make a Transfer, during the Review Period, We shall have the right to exercise Our right of first refusal to purchase the interest to be transferred pursuant to the Acquisition Agreement for the same price, and upon the same terms and conditions as set forth in the Notice of Transfer and Acquisition Agreement as they relate to vehicle rental operations; and We shall have an additional sixty (60) days after the Review Period, plus any additional time as may be reasonably necessary to obtain required consents and satisfy other closing conditions, to consummate the transaction. In connection with Our right to purchase and during the Review Period, You and any Owner agree to fully cooperate with Us in Our performance of due diligence of the proposed Transfer and to provide Us with copies of any and all reports, assessments, appraisals, information or materials related to the proposed Transfer, including Your Franchised Business, upon Our request. If We exercise Our right of first refusal, We shall reimburse the proposed buyer in an amount up to the lesser of (x) five percent (5%) of the purchase price offered by the proposed buyer and (y) \$50,000 to reimburse the proposed buyer for documented and reasonable third-party expenditures for studies, diligence, reports, assessments, appraisals, information or materials performed in connection with the proposed buyer's anticipated purchase of the Franchised Business. As a condition to such reimbursement, any such studies, diligence, reports, assessments, appraisals, information or materials shall be delivered to Us and shall become Our property. Anything in this Section 21 to the contrary notwithstanding, We shall not have any obligation or commitment to abide by or comply with: (1) any term or condition of the Acquisition Agreement, which We, in Our sole discretion, determine is inconsistent with the general nature of the proposed Transfer, imprudent or commercially

impracticable including, but not limited to, related party transactions; the payment of commissions, brokers' or finders' fees; or the reimbursement of expenses incurred by either party in connection with the proposed Transfer; or (2) any other agreement executed by and among the proposed transferee and any third party or You, or any Owner, that cannot be cancelled or terminated without cause prior to the closing of the proposed Transfer. You may not enter into an agreement where the proposed closing date occurs during the Review Period. We may substitute cash for any form of payment set forth in the Notice of Transfer and Acquisition Agreement. We may also pay by offsetting amounts due and owing to Us, Our Affiliates or franchisees of Ours or Our Affiliates. Our right of first refusal described in this Section 21 shall in no way modify or diminish Our right to withhold Our consent to the Transfer under Section 20.3. We may assign Our right of first refusal in this Section 21 to Affiliates or third parties.

22. DEATH, DISABILITY OR DISSOLUTION

22.1. *Transfer Caused by Death.* Upon Your death or the death of any Owner, this Agreement and the franchise granted hereunder shall terminate unless We approve in writing a successor to such interest within ninety (90) days of such death.

(a) Notice of Transfer to Proposed Successor. Within thirty (30) days of death, the executor, trustee or administrator shall provide Us with a Notice of Transfer and all supporting documentation to be submitted in accordance with Section 20.2. The Notice of Transfer shall set forth the date of Your or an Owner's death and the name of the proposed successor ("**Designated Successor**"), which includes but is not limited to, an heir, legatee or third-party purchaser.

(b) Transfer Provisions. The provisions of Sections 20 and 21 shall govern the Transfer to any Designated Successor in the Notice of Transfer. In the event that We exercise Our right of first refusal in circumstances where no third-party offer has been made, We and the Designated Successor shall each select an independent appraiser, experienced in business valuations, to appraise the value of Your Franchised Business. Each party shall bear the costs of the appraiser selected by it. The two appraisers shall arrive at an agreed value for Your Franchised Business or, absent such agreement, the value shall be deemed to be the average of the two appraisals. Each and every obligation or condition upon a Transfer must be completed to Our satisfaction. In the event a probate, administration or other judicial proceeding is being conducted following a death, We may require a court order approving the Transfer to the Designated Successor.

(c) Post-Death Operations. Following Your or any Owner's death, Your Franchised Business must be operated in accordance with this Agreement and the Operations Guide. Any failure to do so shall constitute a breach of this Agreement and be grounds for termination.

(d) No Transfer Fee Payable by Family Member. No transfer fee will be payable in accordance with Section 20.5 by a Designated Successor who is a spouse, child, sibling or parent of You or any Owner.

(e) Pre-death Designated Successor. Prior to death, You or an Owner may notify Us in writing of the Designated Successor and We may, in Our discretion tentatively approve such successor prior to death, subject to the requirement that the actual Transfer of all obligations or conditions to Transfer as set forth in Section 20 will be satisfied within ninety (90) days of such death.

22.2. Disability. This Agreement and the franchise granted hereunder shall terminate if: (a) You or an Owner who is actively involved in the management or operating decisions of Your Franchised Business, becomes disabled or is otherwise impaired for a period of at least thirty (30) consecutive days or for at least forty-five (45) days during a period of seventy-five (75) consecutive days, during which time You or such Owner cannot continue to participate actively in such management decisions, and (b) this Agreement and the franchise granted hereunder is not transferred in accordance with Section 20 within one hundred twenty (120) days of the commencement of such disabling or impairing event.

22.3. Dissolution. If You are a corporation, partnership or limited liability company, this Agreement and the franchise granted hereunder shall automatically terminate upon Your dissolution or on the date upon which Your officers, directors, partners, shareholder, managers or members determine Your existence shall cease, whichever shall first occur.

23. COVENANT NOT TO COMPETE

23.1. Covenant Not to Compete. **For a period commencing upon the Effective Date and expiring twelve (12) months after (i) a Transfer permitted by Section 20, or (ii) the date of termination or expiration of this Agreement for any reason (including due to nonrenewal) or the date on which You cease to operate Your Franchised Business, whichever is later, You and Your Owners shall not, directly or indirectly, for Yourselves or for any other person or entity, alone or through or on behalf of others:**

(a) Own, engage in, be employed by, advise, assist, lease or sublease to, invest in, franchise, lend money to, or have any other interest in, whether financial or otherwise, any Vehicle Rental Business (except under a franchise from Us or Our Affiliate):

(i) Within the Territory franchised in this Agreement;

(ii) Within one hundred (100) miles of the border of the Territory;

(iii) Within the territory of any other System franchisee;

(iv) Within a ten (10) mile radius of the border of the territory of any other System franchisee; or

(v) Within a ten (10) mile radius of any Franchised Business operated by Us or Our Affiliate; or

(b) Engage in a transaction that would have been a Transfer had it occurred during the term of the Agreement or is comparable to a Transfer (as a post-termination or post-expiration transaction), and is to an entity that will operate a Vehicle Rental Business.

23.2. *Injunction for Violation.* You acknowledge that Your violation of the terms of this Section 23 would result in irreparable injury to Us for which no adequate remedy at law may be available, and You, accordingly, consent to the issuance of an injunction prohibiting any conduct by You in violation of the terms of this Section 23. We may further avail Ourselves of any other legal or equitable rights and remedies which We may have under this Agreement or otherwise.

23.3. *No Defense.* You expressly agree that the existence of any claim You may have against Us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Us of the covenants in this Section 23.

23.4. *Severability.* It is agreed that each of the foregoing covenants and the subjects thereof shall be construed as being independent of any other covenant, subpart or provision of this Agreement. If all or any portion of a covenant in this Section 23 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in a final decision to which We are a party, You expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 23.

23.5. *Right to Modify.* You understand and acknowledge that We shall have the right, in Our sole discretion, to reduce the scope of any covenant or subpart thereof set forth in this Section 23 without Your consent, effective immediately upon notice by Us, and You agree that You shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding any other provision of this Agreement.

23.6. *Applicability.* This Section 23 shall not apply to any ownership by You or Your Owners of (a) less than a one percent (1%) beneficial interest of the outstanding equity securities of any publicly held corporation, or (b) any beneficial interest in a Vehicle Rental Business franchised by Us or any of Our Affiliates.

23.7. *Owner Commitment.* Your Owners shall execute a non-compete agreement in a form and manner approved by Us.

24. INDEPENDENT BUSINESS, INDEMNIFICATION; TAXES

24.1. *Independent Business.* You acknowledge that by executing this Agreement You are agreeing to establish and operate an independent Vehicle Rental Business, the success of which depends on, among other things, Your individual ability to operate Your business, attract and retain qualified staff, and otherwise operate all phases of an independent business over which You will have substantial control. As an independent business owner, You agree that: (i) the relationship created by this Agreement is not a relationship between principal and agent, or that it is a fiduciary relationship; (ii) You are not Our employee and will not earn any wages, nor be eligible for or receive any of the other benefits normally provided to employees, but rather Your income will solely be the profits You earn from operating Your Franchised Business; (iii) We are not the employer or co-employer of any employee that You hire; (iv) all management, personnel, and training requirements are at Your discretion and are Your responsibility; (v) You are responsible for ensuring that Your Vehicle Rental Business operates in accordance with the law of the state, county, city, and town in which You operate; (vi) You alone are permitted to contract

with Your customers and that You are required to sign all contracts and agreements, including Rental Agreements, using Your independent business name; (vii) You are free to set, without interfering with the Corporate Rate Program, the types and levels of pricing that You charge for time, mileage, and other usages, including any other fees or charges You put upon Your customers, so long as those charges comply with any and all policies We prescribe in the Operations Guide relating to maximum or minimum charges; (viii) Your independent business judgment will be used to grow and develop Your customer base within the defined Territory; and (ix) We shall not be liable for damages to any person or property arising directly, or indirectly, out of the operation of Your Franchised Business nor liable for any taxes, assessments, fines or penalties levied upon You or Your Franchised Business or arising out of Your Franchised Business.

24.2. *Indemnification of Franchisor.* You shall indemnify, defend and hold harmless Franchisor, Our Affiliates, and Our and Our Affiliates directors, officers, employees, agents and franchisees (collectively, “**Indemnitees**”) from and against any and all judgments, liabilities, threats of liabilities, settlements, penalties, costs and expenses of every kind or nature, including fines, damages, losses, attorneys’ fees, court costs and other expenses of litigation, awarded, incurred, threatened, or imposed against any Indemnitee arising out of, caused by or connected directly or indirectly with (i) the operation of Your Franchised Business, except to the extent that (and only to the extent that) it is finally determined in a binding non-appealable final arbitration or final judgment that such judgment, liability, settlement, penalty, cost or expense directly and solely resulted from gross negligence by any Indemnitee; (ii) any allegation that You are Our employee and not a franchisee operating Your independent business, We or another Indemnitee is a joint employer or otherwise responsible for Your acts or omissions relating to Your employees; or (iii) the performance or nonperformance of Your obligations hereunder, irrespective of whether such claims or suits shall be against Us solely or as a defendant with You and/or other parties, and regardless of the jurisdictions in which any such claims or suits may be brought. This indemnification obligation shall continue after the termination or expiration of this Agreement with respect to all aspects of Your Franchised Business arising prior thereto. We may, at Our sole option, voluntarily assume the defense or settlement of any of the foregoing. We have the sole discretion to choose Our own attorneys and to consent to judgment or agree to settlement, including, but not limited to, a settlement or resolution prior to the formal institution of a court action or any other legal proceeding. For the avoidance of doubt, such related attorneys’ fees and other expenses of actual or threatened litigation shall be paid by You directly or otherwise reimbursed to Us from time to time at Our sole option. Further, in accordance with Section 5.7 above, We, at Our sole discretion, without limiting Section 5.7, may set off against any money owed to Us or Our Affiliate(s) to You or Your Affiliate(s) related to any and all judgments, liabilities, threats of liabilities, settlements (including settlements prior to the initiation of formal legal proceedings), penalties, costs and expenses of every kind or nature, with reasonable notice to You, but without any judicial determination of liability..

24.3. *Taxes.* You shall pay all federal, state or local franchise, real and personal property, sales and use, retailers, occupational, gross receipts, added value, net income, and any other taxes, charges, or assessments of any nature whatsoever relating directly or indirectly to the operation of Your Franchised Business, the equipment contained therein or services provided thereby, or the revenues derived therefrom, directly to the appropriate taxing authority when due (excluding payments which are disputed in good faith, provided that, at Our request, You shall, at Your sole cost and expense, place a reasonable bond for such payments). You acknowledge that You are

responsible for and shall pay to the appropriate authority any and all federal or state payroll tax, FICA, unemployment tax, state unemployment compensation contribution, disability benefit payments, insurance costs, and any other assessments or charges which relate directly or indirectly to the employment by You of employees to operate Your Franchised Business.

25. APPROVALS AND WAIVER

25.1. *Approval by Franchisor.* In all cases where Our prior approval is required and no other method or timing for obtaining such approval is prescribed, You shall request approval in writing, and We shall notify You in writing of Our decision within fifteen (15) business days after receiving Your written request and all complete supporting documentation. Decisions not received by You within such time period shall be deemed disapprovals. Our consent or approval shall not be valid unless it is in writing. Our approval of any act or request by You shall be effective only to the extent specifically stated.

25.2. *Waiver.* No waiver by Us of any breach or series of breaches of this Agreement shall constitute a waiver of any other breach or a waiver of the performance of any of Your obligations under this Agreement. Our acceptance of any payment from You, Our failure, refusal or neglect to exercise any right under this Agreement, or Our refusal or neglect to insist upon full compliance with Your obligations under this Agreement or the Operations Guide or with any other specification, standard or operating procedure or rule, shall not constitute a waiver of any provision of this Agreement. No waiver by Us of any noncompliance with or variance from the provisions of this Agreement shall be valid unless in writing and signed by Us.

26. NOTICES

All notices, communications and approvals between You and Us shall be in writing and shall be deemed to have been delivered on the earlier of:

- (a) receipt of personal delivery;

Notice to Franchisor shall be sent to the address specified in Attachment A. Notice to You shall be addressed to the address set forth on the signature page of this Agreement. Either party may designate another address at any time by delivery of notice to the other.

27. ENTIRE AGREEMENT

Except as provided in Section 11.6, this Agreement constitutes the entire agreement between You and Franchisor, and supersedes all earlier oral or written agreements or understandings between You and Franchisor about this Agreement or the subject matter hereof. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim any representations We made in the Franchise Disclosure Document that We furnished to You or Your Owners. No modification or

change to this Agreement shall have any effect unless it is in writing and signed by You and Our authorized agent. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN YOU AND US.

28. SEVERABILITY AND CONSTRUCTION

28.1. Severability. Except as expressly provided to the contrary in this Agreement, each portion, section, part, term and provision of this Agreement shall be considered severable and if for any reason any portion, section, part, term or provision is determined to be invalid and contrary to, or in conflict with, any existing or future law, regulation or order of a court or agency having valid jurisdiction, this shall not impair the operation of, or have any other effect upon, the other portions, sections, parts, terms or provisions of this Agreement that may remain otherwise intelligible, and the latter shall continue to be given full force and effect and bind the parties; the invalid portions, sections, parts, terms or provisions shall be deemed not to be part of this Agreement; and there shall be automatically added such portion, section, part, term or provision as similar as possible to that which was severed which shall be valid and not contrary to or in conflict with any law, rule, regulation, or order.

28.2. Construction. All references in this Agreement to the singular shall apply to the plural where appropriate, and all references to the masculine shall include the feminine. Any use of the words “include,” “includes” or “including” shall be construed to be followed by “without limitation.” If any part of this Agreement is declared invalid, this decision shall not affect the validity of any other part, which shall remain in full force and effect. If any applicable law or rule requires a longer notice period than that stated in this Agreement, the notice requirements found in the applicable law or rule shall be substituted for those found in this Agreement. Time shall be considered of the essence for each provision of this Agreement.

28.3. Use of Franchise Includes License. We previously used the terms License Agreement, Licensor, Licensee, Licensed Business, Licensed Territory and licensee(s). References in this Agreement to Franchise Agreement, Franchisor, Franchisee, Franchised Territory and franchisee(s), shall be construed to include, as applicable, License Agreement, Licensor, Licensee, Licensed Business, Licensed Territory and licensee(s).

28.4. No Third-Party Beneficiaries. This Agreement is not intended to benefit any other Person except You and Us and no other Person shall be entitled to any rights under this Agreement by virtue of so-called “third party beneficiary rights” or otherwise.

28.5. Successors. Subject to the provisions of this Agreement relating to transfer, this Agreement is binding upon and inures to the benefit of the permitted successors, assigns, heirs and personal representatives of the parties.

28.6. Survival of Obligations. The obligations in this Agreement which, by their terms, require performance after the expiration or termination of this Agreement shall be enforceable notwithstanding the expiration or termination of this Agreement for any reason whatsoever.

28.7. Events Excusing Our Performance. All Our obligations under this Agreement shall be suspended to the extent and for the period that performance is prevented by any cause, whether foreseeable or unforeseeable, beyond Our reasonable control such as, by way of example but not limitation, strikes or industrial disturbances; governmental regulations; conditions arising out of

or attributable to war; riot, civil strife or insurrection; acts of God including earthquakes, storms, tornadoes, floods or other adverse weather conditions; fire or explosion; interruption or failure of power, telecommunications, data communications or other utilities; breakdowns of equipment, machinery or facilities; or any other cause whether similar or dissimilar to the foregoing.

29. DISPUTE RESOLUTION

29.1. *Costs of Enforcement.* If We incur costs and expenses due to Your failure to pay when due amounts owed to Us or Our Affiliates, to submit when due any reports, information, or supporting records, or otherwise comply with this Agreement or any other agreements with Us or Our Affiliates, You agree, whether or not We initiate any action or proceeding, to reimburse Us for all of the costs and expenses that We incur, including, accounting, attorneys', arbitrators' and related fees, and all costs of execution or collection of any judgment against You or any amounts You owe Us or Our Affiliates.

29.2. *Good Faith Efforts to Resolve Dispute.* Prior to the initiation of any arbitration proceeding set forth in Section 29.3, below, any dispute shall first be discussed in a face-to-face meeting between You and a corporate representative of Ours, each authorized to make binding commitments on behalf of their respective parties. This meeting shall be held in person at Our then-current headquarters and within thirty (30) days after the date of written notice given by either You or Us to the other proposing such a meeting, unless We and You agree otherwise. We and You agree that the written notice proposing such a meeting shall be subject to, and shall be dated prior to the expiration of, the limitation on the period of time in which claims shall be brought under applicable law or the one (1) year period set forth in Section 29.10 of this Agreement, whichever expires earlier.

29.3. *Arbitration.* You and We agree that all controversies, disputes, or claims between Us and/or Our Affiliates (and their respective equity holders, officers, directors, agents, and/or employees) and You and/or Your affiliates (and their respective owners, officers, directors, agents, guarantors, and/or employees), if any, arising out of or related to:

(1) This Agreement or any other agreement between You and Us;

(2) Our relationship with You; or

(3) The scope and validity of this Agreement or any other agreement between Us and You or any provision of such agreements (including, but not limited to, the validity and scope of the arbitration obligations under this Section, which the parties acknowledge is to be determined by an arbitrator and not a court) shall be submitted for binding arbitration, on demand of either party, to the American Arbitration Association ("AAA"). The arbitration proceedings shall be conducted by one arbitrator and, except as this Section otherwise provides, according to the then-current commercial arbitration rules of the AAA. All proceedings shall be conducted at a suitable location chosen by the arbitrator in the city where Our then-current headquarters is located. All matters relating to arbitration shall be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Notwithstanding any other provision of this Section 29.3 to the contrary, judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator shall have the right to award or include in his or her award any relief which he or she deems proper including, but not limited to, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Marks generic or otherwise invalid or, except as expressly provided in Section 29.8, below, award any punitive or exemplary damages against either party which such damages the parties hereby expressly waive to the fullest extent permitted by law.

Other than as may be required by law, the entire arbitration proceeding (including, but not limited to, any rulings, decisions or orders of the arbitrator) shall remain confidential and not be disclosed to anyone other than the parties to this Agreement.

We and You agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. We and You further agree that, in any arbitration proceeding, each shall submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or settlement offers that might have been made by either Us or You. We reserve the right, but have no obligation, to advance Your share of the costs of any arbitration proceeding in order for such arbitration proceeding to take place and by doing so shall not be deemed to have waived or relinquished Our right to seek the recovery of those costs in accordance with Section 29.1.

We and You agree that arbitration shall be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between Us and/or Our Affiliates (and their respective equity holders, officers, directors, agents, and/or employees) and You and/or Your affiliates (and their respective owners, officers, directors, agents, guarantors, and/or employees), if any, may not be consolidated with any other arbitration proceeding between Us and any other person. Notwithstanding the foregoing or anything to the contrary in this Section, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 29.3, then the parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in accordance with this Section 29 (excluding this Section 29.3).

Despite Our and Your agreement to arbitrate, We and You shall each have the right: (1) to seek relief in a judicial proceeding in accordance with this Section 29 for controversies, claims or disputes based on a failure to pay any fees due under this Agreement when due; and (2) to seek (in a proper case only) temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction, provided that the underlying claim is contemporaneously submitted for arbitration on the merits pursuant to this Section 29.3, provided further that for controversies, claims or disputes related to the Marks, the covenants at Sections 11.18 and 23 of this Agreement or any confidentiality obligations under this Agreement neither We nor You shall be required to simultaneously submit the underlying claim for arbitration on the merits and shall have the right to seek relief (including, without limitation, temporary restraining orders, temporary, preliminary or permanent injunctive relief or other equitable remedies) from a court of competent jurisdiction.

29.4. *Beneficiaries.* The provisions of Section 29.3 are intended to benefit and bind Us and/or Our Affiliates (and their respective equity holders, officers, directors, agents, and/or employees) and You and/or Your affiliates (and their respective owners, officers, directors, agents, guarantors, and/or employees), if any, and shall continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

29.5. *Unfair Competition.* You acknowledge that Your failure to adhere to the provisions of Sections 11.7, 11.18, 17.1, 17.2, 23 and any provision of this Agreement relating to use of the Marks or exclusive dealing with Us shall constitute unfair competition. You further acknowledge and recognize that We will suffer irreparable injury in the event any unfair competition occurs and that it is impossible to accurately determine the tangible and intangible damages which We will suffer resulting from such unfair competition. Therefore, You agree to the entry without prior notice and without posting bond, to the extent that applicable notice and bond requirements may be waived, of such temporary and permanent writs, injunctions, judicial orders, decrees, or other judicial or administrative relief as may be appropriate under the law of any applicable jurisdiction against the unfair competition and that We may seek such relief in any court of competent jurisdiction. You agree to pay Us for all costs in obtaining any injunctive relief, order of specific performance or damages, including all costs of investigation and proof of facts, court costs and attorney fees.

29.6. *Governing Law.* **ALL MATTERS RELATING TO ARBITRATION SHALL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). EXCEPT TO THE EXTENT GOVERNED BY THE FEDERAL ARBITRATION ACT, THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.), OR OTHER FEDERAL LAW, THIS AGREEMENT, THE FRANCHISE, AND ALL CLAIMS ARISING FROM THE RELATIONSHIP BETWEEN US AND YOU SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE IN WHICH OUR THEN-CURRENT HEADQUARTERS IS LOCATED (CURRENTLY, FLORIDA), WITHOUT REGARD TO ITS CONFLICT OF LAWS RULES, EXCEPT THAT IF ANY PROVISION OF THIS AGREEMENT, INCLUDING THE COVENANTS AT SECTIONS 11.18 AND 23 OF THIS AGREEMENT, WOULD NOT BE ENFORCEABLE UNDER THE LAWS OF THE STATE IN WHICH OUR THEN-CURRENT HEADQUARTERS IS LOCATED (CURRENTLY, FLORIDA) AND YOUR FRANCHISED BUSINESS IS LOCATED OUTSIDE OF THAT STATE, THEN THAT PROVISION SHALL BE INTERPRETED AND CONSTRUED UNDER THE LAWS OF THE STATE IN WHICH YOUR FRANCHISED BUSINESS IS LOCATED. NOTHING IN THIS SECTION 29.6 IS INTENDED BY THE PARTIES TO SUBJECT THIS AGREEMENT TO ANY FRANCHISE OR SIMILAR LAW, RULE, OR REGULATION TO WHICH THIS AGREEMENT WOULD NOT OTHERWISE BE SUBJECT, AND NO SUCH LAW, RULE OR REGULATION SHALL APPLY UNLESS ITS JURISDICTIONAL, DEFINITIONAL AND OTHER REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION.**

29.7. *Consent to Jurisdiction and Venue.* **SUBJECT TO SECTION 29.3 ABOVE, AND THE PROVISIONS BELOW, YOU AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN**

YOU AND US MUST BE COMMENCED IN THE APPROPRIATE STATE OR FEDERAL COURT OF GENERAL JURISDICTION WITHIN THE STATE IN WHICH OUR THEN-CURRENT HEADQUARTERS IS LOCATED (CURRENTLY, FLORIDA) AND YOU IRREVOCABLY SUBMIT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION YOU MIGHT HAVE TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS. NONETHELESS, YOU AGREE THAT WE MAY ENFORCE THIS AGREEMENT AND ANY ARBITRATION ORDERS AND AWARDS IN THE COURTS OF THE STATE OR STATES IN WHICH YOU ARE DOMICILED OR YOUR FRANCHISED BUSINESS IS LOCATED.

29.8. *Waiver of Punitive Damage.* **EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 24.2 AND ANY CLAIMS FOR MISAPPROPRIATION OF TRADE SECRETS UNDER STATE OR FEDERAL LAW, WE AND YOU WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU, EACH PARTY SHALL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.**

29.9. *Waiver of Jury Trial.* **WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY JUDICIAL ACTION PERMITTED BY THIS SECTION 29 WITH RESPECT TO ANY CLAIM, INCLUDING ANY COUNTERCLAIMS, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH JUDICIAL ACTION.**

29.10. *Limitations of Claims.* Except for claims arising from Your non-payment or underpayment of amounts You owe Us, any and all claims and actions arising out of or relating to this Agreement brought by either party against the other, whether in an arbitration or in a legal action, shall be commenced within one (1) year from the occurrence of the facts giving rise to such claim or action, or such claim or action shall be barred; provided, however, that the one-year period for commencing an arbitration or legal action shall be tolled for a period not to exceed thirty (30) days while the parties seek to resolve the dispute under Section 29.2 if the notice required under Section 29.2 is given prior to the expiration of the one (1) year period referred to in this Section 29.10.

29.11. *Rights of Parties are Cumulative.* **OUR AND YOUR RIGHTS UNDER THIS AGREEMENT ARE CUMULATIVE, AND OUR OR YOUR EXERCISE OR ENFORCEMENT OF ANY RIGHT OR REMEDY UNDER THIS AGREEMENT SHALL NOT PRECLUDE OUR OR YOUR ENFORCEMENT OF ANY OTHER RIGHT OR REMEDY THAT WE OR YOU ARE ENTITLED BY LAW TO ENFORCE.**

29.12. *Limitation of Your Remedies.* Under no circumstances shall You be entitled to receive the benefits under this Agreement or any other agreement with Us or Our Affiliates unless You continue to comply with Your obligations under all such agreements.

29.13. *Additional Remedies of Franchisor.* In addition to the remedies expressly granted to Us by this Agreement, We also have the right to all other legal, equitable or administrative remedies, relief and recovery provided at law or in equity.

30. WHEN BINDING

FORM OF PERSONAL GUARANTY AGREEMENT

FOR VALUE RECEIVED, and in consideration of any financial accommodation at any time made or given to _____ (“**Debtor**”), by [**HERTZ SYSTEM, INC. / DOLLAR RENT A CAR, INC. / THRIFTY RENT-A-CAR SYSTEM, LLC**] (“**Franchisor**”) or an Affiliate (collectively referred to herein as “**Company**”), and to induce Franchisor to enter into the Franchise Agreement dated _____ (the “**Franchise Agreement**”) between Debtor and Franchisor, the undersigned, whether one or more, as a primary obligor hereby, jointly and severally, guarantees Debtor’s full and prompt payment and performance when due of all of the following of Debtor’s liabilities (collectively the “**Indebtedness**”): (i) all of Debtor’s obligations and liabilities, now existing or later arising, of every kind and nature under the Franchise Agreement and any other present or future agreements between Debtor or its Affiliates and Company and all of their amendments, modifications, renewals and extensions (the “**Agreements**”); and (ii) all expenses, including but not limited to attorneys’ fees and legal expenses, paid or incurred by Company in endeavoring to collect the foregoing or any part thereof and in enforcing this guaranty.

Company may at any time and from time to time, without notice to the undersigned, take any or all of the following actions without affecting or impairing the liability of the undersigned on this guaranty: (i) amend, modify or supplement any of the Agreements or the time of payment of all or any portion of any Indebtedness or the rate of interest charged on any Indebtedness, (ii) accept, substitute or release any security for any Indebtedness, (iii) accept other guarantors, and (iv) release any person primarily or secondarily liable on any Indebtedness. The liability of the undersigned under this guaranty shall in no way be affected or impaired by any failure, delay or omission in enforcing the obligations under the Agreements or this guaranty or any security for the Indebtedness or this guaranty, or in exercising any right or power in respect thereto, or by any compromise, waiver, settlement, subordination, modification or disposition of all or any part of the Indebtedness or of any security for the Indebtedness or for this guaranty.

The undersigned agree that their liability under this guaranty shall be primary and direct. In order to hold the undersigned liable hereunder for the Indebtedness as provided herein, there shall be no obligation on the part of Company, at any time, to resort for payment to Debtor or any other guarantor or to any security for the Indebtedness or this guaranty, and Company shall have the right to enforce this guaranty irrespective of whether or not other proceedings or steps are being taken against any property securing the Indebtedness or against any other guarantor or any other party primarily or secondarily liable on any of the Indebtedness.

This guaranty is an absolute, unconditional and complete guaranty of payment and performance and not of collection and shall continue to be in force and be binding upon the undersigned until the Indebtedness has been paid and performed in full. No notice of the Indebtedness to which this guaranty may apply or of any renewal or extension of the Indebtedness need be given to the undersigned and none of the foregoing acts shall release the undersigned from liability under this guaranty.

The undersigned waives presentment, protest, demand, notice of dishonor or default, notice of acceptance of this guaranty, notice of any loans made, extensions granted or other action taken in reliance on this guaranty and all demands and notices of any kind in connection with this guaranty or the Indebtedness. The undersigned forever waives and relinquishes any right of subrogation, indemnification or other recourse or claim of any type, whether contingent or matured, which the undersigned may have against Debtor. The undersigned further forever waives and relinquishes any right to enforce any remedy which the undersigned may have against the Company by reason of the undersigned's performance of their obligations hereunder, and further subordinates any liability or indebtedness of the Company now or hereafter held by the undersigned to the obligations of the Debtor pursuant to the Indebtedness and of the undersigned to the Company as described hereunder or otherwise. The undersigned also waives and relinquishes all rights and remedies accorded to the undersigned by applicable law to guarantors.

Until the Indebtedness has been paid and performed in full, the obligations of the undersigned shall not be released, in whole or in part, (i) by any action or thing which might, but for this provision of this guaranty, be deemed a legal or equitable discharge of a surety or guarantor, or (ii) by reason of any waiver, extension, modification, forbearance or delay or other act or omission of the Company or its failure to proceed promptly or otherwise, or (iii) by reason of any action taken or omitted by the Company whether or not such action or failure to act varies or increases the risk of, or affects the rights or remedies of the undersigned. No modification of any of the obligations of the Debtor or the release of any collateral or security therefore by operation of law or by the action of any third party shall affect in any way the obligations of the Debtor under this Guaranty. The undersigned hereby expressly waives and surrenders any defense to its liability hereunder based upon any of the foregoing acts, omissions, things, agreements or waivers or any of them, it being the purpose and intent of the parties to this guaranty that the Indebtedness constitute the direct and primary obligations of the undersigned and that the covenants, agreements and all obligations of the undersigned be absolute, unconditional and irrevocable.

The undersigned expressly agree that its liability and obligations under this guaranty shall not in any way be affected by the institution by or against the Debtor or any other person or entity of any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or any other similar proceedings for relief under any bankruptcy law or similar law for the relief of Debtor and that any discharge of any of the Indebtedness pursuant to any such bankruptcy or similar law or other law shall not discharge or otherwise affect in any way the obligations of the undersigned under this guaranty, and that upon the institution of any of the above actions, at the sole discretion of the Company, such obligations shall be enforceable against the undersigned.

The undersigned agree that on or before May 1 of each year, they shall deliver to Company an annual financial statement of the undersigned for the immediately preceding year certified by the undersigned to be true and accurate and a signed copy of the undersigned's United States Federal Income tax return for the immediately preceding year.

The undersigned shall promptly notify Franchisor of any change to the addresses noted below.

This guaranty shall bind the heirs and legal representatives of the undersigned and inure to the benefit of Company and its successors and assigns. This guaranty has been delivered at the location of Company's then-current headquarters (currently, Estero, Florida), and shall be construed in accordance with and governed by the laws of the State in which Company's then-current headquarters is located (currently, Florida) without giving effect to the conflict of laws provisions of that State.

ANY SUIT, ACTION OR PROCEEDING WITH RESPECT TO THIS GUARANTY AGREEMENT SHALL BE BROUGHT EXCLUSIVELY IN THE APPROPRIATE STATE OR FEDERAL COURT OF GENERAL JURISDICTION WITHIN THE STATE IN WHICH COMPANY'S THEN-CURRENT HEADQUARTERS IS LOCATED (CURRENTLY, FLORIDA). THE UNDERSIGNED HEREBY IRREVOCABLY WAIVE ANY OBJECTIONS WHICH THEY MAY NOW OR HEREAFTER HAVE TO THE PERSONAL JURISDICTION OR VENUE OF ANY SUIT, ACTION OR PROCEEDING, ARISING OUT OF OR RELATING TO THIS GUARANTY AGREEMENT, BROUGHT IN SUCH COURTS, AND HEREBY FURTHER IRREVOCABLY WAIVE ANY CLAIM THAT SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. THE PARTIES HEREBY FURTHER IRREVOCABLY WAIVE ANY RIGHT TO A JURY TRIAL IN ANY ACTION ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER AGREEMENT WITH US OR OUR AFFILIATES OR OTHERWISE ARISING BETWEEN US OR OUR AFFILIATES.

The undersigned represents to Company that the undersigned has received substantial and valuable consideration and benefits from the Indebtedness and that it is in the undersigned's best interest to enter into this guaranty.

This guaranty is effective immediately upon execution. The undersigned hereby waives and releases any claim that the delivery or effectiveness of this guaranty is conditional in any way.

ATTACHMENT G TO FRANCHISE AGREEMENT
STATE ADDENDA

**AMENDMENT TO THE [FRANCHISOR]
FRANCHISE AGREEMENT
FOR THE STATE OF CALIFORNIA**

In recognition of the requirements of the California Franchise Investment Law, California Corporations Code §§ 31000 through 31516 (“**CFIL**”), and the California Franchise Relations Act, California Business and Professions Code §§ 20000 through 20044 (“**CFRA**”), the [FRANCHISOR], the parties to the Franchise Agreement attached hereto (the “**Agreement**”) agree to amend the Agreement as follows (the “**Amendment**”). Capitalized terms not defined in this Amendment have the meanings they are assigned in the Agreement.

1. If any of the provisions of the Agreement concerning termination, transfer and non-renewal of a franchise are inconsistent with either the California Franchise Relations Act or with the federal bankruptcy law (11 U.S.C. §101, et seq.) (concerning termination of the Agreement on certain bankruptcy-related events), then such laws will apply.

2. The Agreement requires that it be governed by Florida law. This requirement may be unenforceable under California law.

3. The Agreement requires Franchisee to sign a general release if Franchisee renews or transfers Franchisee’s franchise. California Corporations Code § 31512 voids a waiver of Franchisee’s rights under CFIL. California Business and Professions Code §§ 20010 and 200015 void a waiver of Franchisee’s rights under CFRA. Additionally, California Business and Professions Code § 20044 prohibits Franchisor from requiring Franchisee to sign a general release (or to modify the Agreement) in exchange for any assistance related to a declared state or federal emergency.

4. Franchisee and Franchisor agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier.

5. The Agreement allows Franchisor to set off against the purchase price of all inventory purchased by Franchisor from Franchisee pursuant to Section 18.6(m) upon expiration or termination of the Agreement all amounts due from Franchisee under the Agreement and the cost of appraisal of the value of such inventory. California Business and Professions Code § 20022(h) states that Franchisor may only offset against amounts owed to Franchisee thereunder any amounts owed to Franchisor, provided that Franchisee agrees to the amount owed or Franchisor has received a final adjudication of any amounts owed.

6. To the extent this Amendment is inconsistent with any terms or conditions of the Agreement or the Exhibits or Schedules thereto, the terms of this Amendment shall govern.

7. Each provision of this Amendment will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the California Franchise Investment Law and California Franchise Relations Act are met independently without reference to this Amendment.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this California Franchise Agreement Amendment on the same date as the Franchise Agreement was executed.

5. The following new paragraph is added to Section 29.2 of the Agreement, under the heading “Dispute Resolution,” and will be considered an integral part of the Agreement:

K. FOR THE STATE OF NEW YORK**

In recognition of the requirements of the New York General Business Law, Article 33, Sections 680 through 695, and of the regulations promulgated thereunder (N.Y. Comp. Code R. & Regs., tit. 13, §§ 200.1 through 201.16), the parties to the attached Franchise Agreement (the “**Agreement**”) agree to amend the Agreement as follows (the “**Amendment**”). Capitalized terms not defined in this Amendment have the meanings they are assigned in the Agreement.

1. Section 20.3(b) of the Agreement shall be deleted in its entirety, and shall have no force or effect; and the following paragraph shall be substituted in lieu thereof:

(b). The transferor shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its officers, directors, agents, and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state, and local laws, rules, and ordinances, provided, however, that all rights enjoyed by the transferor and any causes of action arising in its favor from the provisions of New York General Business Law Sections 680-695 and the regulations issued thereunder, shall remain in force; it being the intent of this provision that the non-waiver provisions of N.Y. Gen. Bus. Law Sections 687.4 and 687.5 be satisfied;

23.2. *Injunction for Violation.* Franchisee acknowledges that Franchisee’s violation of the terms of this Section 23.2 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Franchisee accordingly agrees that Franchisor may seek an injunction prohibiting any conduct by Franchisee in violation of the terms of this Section 23.2. Franchisor may further avail itself of any other legal or equitable rights and remedies which it may have under this Agreement or otherwise.

3. Section 29 of the Agreement, under the heading “Dispute Resolution,” shall be supplemented by the addition of the following new Section 29.14:

In recognition of the requirements of the Rhode Island Franchise Investment Act, §§ 19-28.1-1 through 19-28.1-34, the parties to the attached Franchise Agreement (the “**Agreement**”) agree to amend the Agreement as follows (the “**Amendment**”). Capitalized terms not defined in this Amendment have the meanings they are assigned in the Agreement.

1. Sections 6.1 and 20.3 of the Agreement each contain a provision requiring a general release as a condition of renewal and transfer of the franchise. Such release will exclude claims arising under the Rhode Island Franchise Investment Act.

2. This Agreement requires that it be governed by Florida law. To the extent that such law conflicts with Rhode Island Franchise Investment Act, it is void under § 19-28.1-14.

3. Section 29.7 of the Agreement, under the heading “Consent to Jurisdiction and Venue,” will be amended by the addition of the following, which will be considered an integral part of this Agreement:

F. § 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “a provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

5. No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by Franchisor, any franchise seller, or any other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

6. Each provision of this Amendment will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of Rhode Island Franchise Investment Act are met independently without reference to this Amendment.

7. To the extent this Amendment is inconsistent with any terms or conditions of the Agreement or the Exhibits or Schedules thereto, the terms of this Amendment shall govern.

**AMENDMENT TO THE [FRANCHISOR]
FRANCHISE AGREEMENT
FOR THE STATE OF WASHINGTON**

In recognition of the requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 through 19.100.940 (“**WFIPA**”), the parties to the attached Franchise Agreement (the “**Agreement**”) agree to amend the Agreement as follows (the “**Amendment**”). Capitalized terms not defined in this Amendment have the meanings they are assigned in the Agreement.

1. In the event of a conflict of laws, the provisions of WFIPA will prevail.
2. RCW 19.100.180 may supersede the Agreement in your relationship with Franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Agreement in your relationship with Franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of WFIPA, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under WFIPA or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under WFIPA, or rights or remedies under WFIPA such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect Franchisor’s reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Agreement or elsewhere are void and unenforceable in Washington.
8. No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by Franchisor, any franchise seller, or any other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. Each provision of this Amendment shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of WFIPA are met independently without reference to this Amendment.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Washington Franchise Agreement Amendment on the same date as the Franchise Agreement was executed.

CONFIDENTIALITY AGREEMENT

(Prospective Franchisee)

THIS CONFIDENTIALITY AGREEMENT (this “**Agreement**”) is entered into on _____, 20__ (the “**Effective Date**”), by and between Hertz System, Inc., a Delaware corporation with its principal place of business at 8501 Williams Road, Estero, Florida 33928 (the “**Company**”), and _____, a _____ with its principal place of business at _____ (“**Recipient**”).

RECITALS

- A. The Company, as a result of a significant expenditure of time, skill, effort, and money, has developed and owns a proprietary system (“**System**”) for the business of renting cars without drivers using the Hertz Marks (“**Franchised Business**”) and has the exclusive right to grant franchises to use the System to operate a Franchised Business;
- B. In connection with the consideration by Recipient of entering into a franchise agreement for a Franchised Business with the Company (together with any related transaction, the “**Transaction**”), Recipient wishes to be granted access to confidential information of the Company in order to evaluate the Transaction; and
- C. The Company is willing to disclose such confidential information to Recipient, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the Company’s consent to provide such confidential information to Recipient, the parties agree as follows:

1. For purposes of this Agreement, “**Confidential Information**” means: (i) any and all information, knowledge, or know-how (including, but not limited to, data, reports, analyses, compilations, studies, interpretations, forecasts, records and other materials) relating to the Company (and its affiliates), the System, the Franchised Business, or the Transaction which may be communicated to Recipient or its Representatives prior to, on, or after the Effective Date of this Agreement, whether communicated in writing, orally, electronically, by inspection, or by sample, exhibit, demonstration, or by other means; (ii) any information, report, or material prepared by Recipient which is derived from any information, knowledge, or know-how described in Section 1 (i), above; and (iii) the fact that discussions or negotiations are taking place between the Company and Recipient concerning the Transaction and all information related thereto with respect to the Transaction, including the status thereof. Confidential Information may include, but is not limited to, information relating to the development, financing, and operation of the System, the Franchised Business and the Transaction; advertising and marketing plans and materials; business plans; financial information concerning the Franchised Business, the Transaction or the Company; operating manuals; and any other financial information. The foregoing list of Confidential Information is illustrative only and does not necessarily include all matters considered confidential by the Company.
2. Recipient shall use the Confidential Information disclosed to it solely for the purpose of evaluating the Transaction. Recipient may share the Confidential Information only with its officers, directors, employees, agents and advisors (“**Representatives**”) that, in the reasonable judgment of Recipient, need to know any Confidential Information for the purpose of evaluating the Transaction and are informed of the confidential nature of the Confidential Information and agree to be bound by the terms and conditions of this Agreement. Recipient shall be responsible for any action or omission on the part of any Representative which, if committed by Representative, would be a breach of this Agreement. Moreover, Recipient shall take all reasonably necessary measures to restrain its Representatives from unauthorized disclosure or use of the Confidential Information.
3. Recipient acknowledges that the Confidential Information disclosed by the Company to Recipient or any

Representative under this Agreement may be deemed to be material non-public information under applicable securities laws and regulations and therefore shall not be disclosed by Recipient to any other person or legal entity other than as expressly permitted by this Agreement, and Recipient agrees not to use or disclose such Confidential Information for the benefit of Recipient or any other person or legal entity in connection with the purchase or sale of the equity or debt securities of the Company's affiliates. Such Confidential Information will be deemed to be non-public until it has been disclosed to the public by the Company or an affiliate via a press release, in a public filing made with the U.S. Securities and Exchange Commission or is available through a news wire service or daily newspaper of wide circulation, and a sufficient amount of time has passed (*e.g.*, at least two full business days) so that the information has had an opportunity to be digested by the marketplace.

4. Recipient shall not, at any time, without the prior written consent of the Company: (i) copy any Confidential Information; (ii) communicate or divulge any Confidential Information to any other person or legal entity; or (iii) use any Confidential Information for the benefit of Recipient or any other person or legal entity.

5. Recipient acknowledges that all Confidential Information is, and shall treat all Confidential Information as, the property of the Company, and upon the Company's request promptly shall: (i) return to the Company all documents containing such Confidential Information, including, without limitation, any and all copies thereof (regardless of whether such copies were permitted under this Agreement); and (ii) erase or destroy any of such Confidential Information contained in the computers or data storage devices under the control of Recipient (regardless of whether placement on such computers or data storage devices was permitted under this Agreement) and such destruction shall, if requested, be certified in writing to the Company by an authorized officer supervising such destruction.

6. Recipient acknowledges that any violation of this Agreement by Recipient or any Representative will cause irreparable harm for which no adequate remedy at law may be available. Accordingly, Recipient consents to the issuance of an injunction to prevent or to halt any such violation.

7. This Agreement imposes no obligation upon Recipient with respect to information that: (i) was in Recipient's possession before receipt from the Company; (ii) is or becomes publicly known without breach by Recipient; (iii) is rightfully received by Recipient from a third party without a duty of confidentiality; (iv) is disclosed by the Company to a third party without a duty of confidentiality on the third party; (v) is independently developed by Recipient; or (vi) is disclosed by Recipient with the Company's prior written approval.

8. In the event that Recipient becomes legally compelled to disclose any Confidential Information, Recipient shall provide the Company with prompt notice so that the Company may seek a protective order or other appropriate remedy, or both, or waive compliance with the provisions of this Agreement. In the event that the Company is unable to obtain a protective order or other appropriate remedy, or if it so directs Recipient, Recipient shall furnish only that portion of the Confidential Information that Recipient is advised by written opinion of its counsel is legally required to be furnished by it and shall exercise its reasonable best efforts to obtain reliable assurance that confidential treatment shall be accorded such Confidential Information.

9. Recipient acknowledges that the Company makes no representation or warranty as to the accuracy or completeness of any Confidential Information and Recipient agrees to assume full responsibility for all conclusions it derives from the Confidential Information.

10. Recipient understands and agrees that no contract, franchise or agreement providing for a Transaction with the Company shall be deemed to exist between Recipient and the Company unless and until a definitive Transaction agreement has been executed and delivered, and Recipient hereby waives, in advance, any claims in connection with a possible Transaction with the Company unless and until Recipient and the Company shall have entered into a definitive Transaction agreement. Recipient also agrees that unless and until a Transaction agreement between Recipient and the Company has been executed and delivered, the Company has no legal obligation whatsoever with respect to any such Transaction by virtue of this Agreement or any other written or oral expression with respect to

such Transaction except, in the case of this Agreement, for the matters specifically agreed to herein. At any time, and without notice to Recipient, the Company may cease providing Confidential Information to Recipient if the Company determines that it does not wish to proceed with the Transaction, or for any other reason.

11. If any part of this Agreement is held invalid by a court or agency, the rest of this Agreement shall remain enforceable, and the part held invalid shall be enforceable to the extent found reasonable by the court or agency.

12. This Agreement contains the entire agreement between Recipient and the Company concerning the confidentiality of the Confidential Information and related matters. This Agreement may be modified only by mutual agreement of the parties executed in writing.

WITNESSETH:

WHEREAS, Recipient has requested that Provider provide certain rate management support services in connection with Recipient’s vehicle rental businesses; and

WHEREAS, the parties desire to set forth the terms and conditions pursuant to which Provider agrees to provide such services.

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Rate Management Support Services.** During the term of this Agreement, Provider shall provide those rate management support services set forth in the service level addenda attached hereto (collectively, the “**Service Level Addenda**”) relating to the licensee’s vehicle rental businesses at the locations set forth in such Service Level Addenda (collectively, the “**Services**”), on the terms and conditions set forth herein and in the Service Level Addenda (which are incorporated into this Agreement by reference).

2. **Commencement of Services.** The Services contemplated by any particular Service Level Addendum shall commence on the date set forth in such Service Level Addendum.

3. **Designated Representative of Recipient.** In addition to any information required from Recipient pursuant to any Service Level Addendum, Recipient shall designate in writing the name of one officer or employee of Recipient who shall be authorized to make all decisions on behalf of Recipient in connection with the Services. Such individual is referred to herein as the “**Designated Representative.**” Recipient shall also designate in writing the name of one alternate officer or employee of Recipient who shall be authorized to act in lieu of the Designated Representative. Recipient shall use its best efforts to cause either the Designated

Representative or alternate contact person to be available at all times that Services are being performed. Provider shall be permitted to rely entirely on the guidance and decisions of such persons as the authorized acts of Recipient. The initial Designated Representative and alternate Designated Representative are identified on the signature page hereto. Recipient may change the Designated Representative or alternate Designated Representative upon prior written notice to Provider.

4. **Term.** The term of this Agreement shall commence on the Effective Date and shall terminate upon the expiration or earlier termination of all Service Level Addenda.

5. **Termination Without Cause.**

(a) Recipient has the right to terminate any Service Level Addendum without cause by providing thirty (30) days advance written notice to the Provider and paying together with such notice the Liquidated Damages Amount with respect to such Service Level Addendum. (b) Provider has the right to terminate any Service Level Addendum without cause by providing thirty (30) days’ advance written notice to the Recipient.

6. **Termination Upon Default.** If an “Event of Default” (as defined below) shall occur, then the party not in default may, by giving written notice of termination to the defaulting party, immediately terminate any Service Level Addendum or all Service Level Addenda. The occurrence of any of the following shall constitute an “**Event of Default**”:

(i) the material or repeated failure by a party to perform any of its duties or obligations under this Agreement or any Service Level Addendum after notice and reasonable opportunity to cure;

(ii) the failure by Recipient to make any payment within ten (10) days following the required payment date pursuant to **Section 7**;

(iii) any default by Recipient or any guarantor of the obligations of Recipient under any other agreement with Provider or its affiliates including, without limitation, any License Agreement; or

(iv) the occurrence of any of the following events: (a) the other party becomes insolvent or admits its inability to pay its debts generally as they come due; (b)

If any Service Level Addendum is terminated as a result of any Event of Default by Recipient, Provider shall be entitled to collect immediately: (a) all accrued but unpaid fees payable by Recipient as of the date of termination pursuant to such Service Level Addendum, and (b) the Liquidated Damages Amount described in **Section 5(a)** above with respect to such Service Level Addendum.

7. **Fees.** During the term of this Agreement, Recipient shall pay to Provider the fees set forth in all Service Level Addenda. Such fees shall be paid monthly, and any fees allocable to a month shall be due on or before the tenth (10th) day of the immediately succeeding month. Provider may change the fees payable by Recipient pursuant to any Service Level Addendum upon forty-five (45) days' prior notice to Recipient; provided, that Recipient will have the right following such notice of a fee increase to terminate such Service Level Addendum without the Liquidated Damages Amount contemplated by **Section 5** by delivering written notice of such termination to Provider no later than thirty (30) days prior to the effective date of any fee increase in such Service Level Addendum.

8. **Delegation; Recipients of Rate Management Support Services; Combined Resources.** By executing this Agreement, Recipient hereby acknowledges and agrees:

**SERVICE LEVEL ADDENDUM
TO
LICENSEE RATE MANAGEMENT SUPPORT
MASTER SERVICES AGREEMENT**

Revenue Management Reporting System Software

This Service Level Addendum is executed pursuant to, and is subject to the terms and conditions contained in, the Licensee Rate Management Support Master Services Agreement dated as of [____], 20[___] between the undersigned (the “**Master Services Agreement**”). Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Master Services Agreement.

1. Locations for Which Services Will be Provided.

[LIST ALL LOCATIONS BY NAME, ADDRESS, AND LOCATION CODE IF KNOWN]

2. Description of Services to be Provided. Provider grants to Recipient a nonexclusive license to use the internet based software program (the “**Software**”) known as the “Revenue Management Reporting System” (the “**RMRS**”), from Recipient’s principal places of business (“**Principal Locations**”), and all documentation relating thereto (the “**Documentation**”) during the term hereof which authorizes Recipient to (i) use the Software exclusively in conjunction with a compatible web-browser; and (ii) use the Documentation in support of the Software. For purposes of clarity, Recipient shall have no access to information relating to any “Market” (as defined below) not owned by Recipient.

3. Fees. Recipient shall pay to Provider a fee of \$150 per month for the first “Market”, and \$125 per month for each additional “Market” for up to 4 users. Each additional user is \$25 per month. For purposes of calculating this fee, a “**Market**” shall consist of an airport location of a particular brand and/or, as applicable, corresponding non-airport locations associated with that same brand and city name.

4. Term and Termination. This Service Level Addendum shall commence on [____], 20[___] (the “**Commencement Date**”) for a term ending on the one-year anniversary of the Commencement Date; provided, however, that this Service Level Addendum shall automatically renew on each anniversary of the Commencement Date for an additional term of one year, unless either party notifies the other in writing no less than thirty (30) days prior to the anniversary date of their intention to not renew or this Service Level Addendum is otherwise terminated by either party hereto as provided in the Master Services Agreement. Upon termination of this Service Level Addendum, all access to the RMRS and use of the Software shall terminate, and Recipient shall be required to return to Provider all Documentation related to the Software.

5. Acknowledgments. Recipient acknowledges and agrees:

(a) Recipient has been afforded an opportunity to discuss the Services to be performed hereunder by Provider with representatives of Provider and has received all information

reasonably requested by Recipient concerning the Services. However, Recipient acknowledges and confirms that representatives of Provider have not made, and information received from Provider does not contain, any statements, claims or projections concerning results, rental revenue, or profits which may be obtained by Recipient as a result of the performance of the Services by Provider hereunder, or any other statements, projections or claims, except as and to the extent expressly set forth herein and in the Master Services Agreement.

(b) Provider makes no representations or warranties of any kind whatsoever concerning the ability of the Software to achieve any particular goals or performance standards and makes no assurances concerning how the RMRS will impact Recipient's results, rental revenue, or profits. Provider shall not be liable for, and Recipient shall hold Provider harmless from, any perceived or actual loss of rental revenue or profits or other losses that Recipient may seek to attribute to the use of the Software or access to RMRS pursuant to this Service Level Addendum.

(c) The title to and ownership of the Software and Documentation and all portions and copies thereof and all upgrades, enhancements, revisions and modifications thereto are and shall remain at all times the sole and exclusive property of Provider.

(d) Recipient shall not share or disclose the Software or Documentation to others, in whole or in part, without the prior written permission of Provider. Recipient agrees to use its good faith effort to safeguard the confidentiality of the Software and the Documentation, the concept and/or the technology embodied therein. Recipient shall require any employee, consultant or independent third party that may have a need to know such information about the Software and Documentation in connection with work they are performing for Recipient to keep such information confidential.

(e) The Software is designed to be a web-based system. The Internet is the primary method used to access the RMRS. Except for an Internet connection or web-browser, Provider will provide reasonable technical support to Recipient necessary for access to the Software during the term of this Service Level Addendum. Recipient may request such technical support after consulting the RMRS Operating Manual by transmitting a written description of any problems to Provider via email to Andy England, Director, Licensee Rate Management at andy.english@dtag.com or andy.english@hertz.com, or to such other email address as Provider may designate from time to time. Provider agrees to use reasonable efforts to confirm upon identification by Recipient, in a timely manner, the existence of any error, malfunction or defect. Provider does not represent or warrant the service results or those errors, malfunctions or defects will be corrected.

AUTOMATED RATE COLLECTION ADDENDUM

[EXHIBIT D-3]

**SERVICE LEVEL ADDENDUM

LICENSEE RATE MANAGEMENT SUPPORT
MASTER SERVICES AGREEMENT**

Automated Rate Collection

This Service Level Addendum is executed pursuant to, and is subject to the terms and conditions contained in, the Licensee Rate Management Support Master Services Agreement dated as of [____], 20[___] between the undersigned (the “**Master Services Agreement**”). Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Master Services Agreement.

1. Locations for Which Services Will be Provided.

[LIST ALL LOCATIONS BY NAME, ADDRESS AND LOCATION CODE IF KNOWN.]

2. Information Required from Recipient.

(a) For each of the locations identified in **Section 1** above (the “**Locations**”), Recipient shall submit a statement in writing of the specific reports requested (the “**Statement**”), using the **New Shopper Request** attached hereto, in order for Provider to have adequate information to perform the Automated Rate Collection Services.

(b) As applicable, Recipient may modify its Statement from time to time by submitting an updated Statement in writing sufficiently in advance of the desired implementation in order to permit Provider to process and implement the modifications.

3. Description of Services to be Provided. Provider shall deliver or caused to be delivered to Recipient the reports specified on the attached **New Shopper Request** in electronic format, outlining certain competitor rates compiled using one or more of the following (as determined by Provider): specific branded sites, online data and/or GDS data.

4. Fees. Recipient shall pay a fee of \$.035 per “Shop” for the actual number of Shops within a given month, or \$50 per month, whichever is greater. A “**Shop**” is a single pickup and return date/time combination for a single specific airport location or market that results in no more than one hundred (100) competitor / car type results. If more than one hundred (100) competitor / car type results are to be reported, this will result in multiple Shops. The total number of Shops will be equal to the number of competitors multiplied by the number of car types to be reported, divided by one hundred (100), and rounded up to the nearest whole number. For purposes of illustration, if nine (9) competitors and fifteen (15) car types are to be reported, there will be one hundred thirty-five (135) competitor / car type results, and this will result in two (2) Shops.

5. Term. This Service Level Addendum shall commence on [____], 20[___] (the “**Commencement Date**”) for a term ending on the one-year anniversary of the Commencement Date; provided, however, that this Service Level Addendum shall automatically renew on each

anniversary of the Commencement Date for an additional term of one year, unless either party notifies the other in writing no less than thirty (30) days prior to the anniversary date of their intention to not renew or this Service Level Addendum is otherwise terminated by either party hereto as provided in the Master Services Agreement.

6. Acknowledgment. Recipient acknowledges that it has been afforded an opportunity to discuss the Services to be performed hereunder by Provider with representatives of Provider and has received all information reasonably requested by Recipient concerning the Services. However, Recipient acknowledges and confirms that representatives of Provider have not made, and information received from Provider does not contain, any statements, claims or projections concerning results, rental revenue, or profits which may be obtained by Recipient as a result of the performance of the Services by Provider hereunder, or any other statements, projections or claims, except as and to the extent expressly set forth herein and in the Master Services Agreement.

1. Locations for Which Services Will be Provided.

[LIST ALL LOCATIONS BY NAME, ADDRESS AND LOCATION CODE IF KNOWN]

2. Information Required from Recipient.

(a) For each of the locations identified in **Section 1** above (the “**Locations**”), Recipient shall submit a statement in writing of rate management instructions, strategy parameters and goals (the “**Statement**”), using the **New Shopper Request** and the **Rate Automation Form** attached hereto, in order for Provider to have adequate information to perform the Automated Rate Recommendation and Placement Services.

4. Fees.

(a) Recipient shall pay a fee of \$.0027 per “Rate” for the actual number of Rates generated within a given month. A “Rate” is a single rate identified for a particular competitor brand, for a particular pickup and return date/time combination, for a single

Franchise Disclosure Document - 2023

USED VEHICLE SALES ADDENDUM

This Used Vehicle Sales Addendum (this "Addendum"), made this [___] day of [____], [___], applies to the Franchise Agreement dated [____], (the "Franchise Agreement") between Hertz System, Inc. ("Franchisor"), and [____], a _____ corporation ("Franchisee").

In consideration of the mutual undertakings and commitments set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant and Acceptance of License.

(a) Subject to the provisions of this Addendum and the Franchise Agreement, Franchisor hereby grants to Franchisee, and Franchisee hereby accepts, for the term of this Addendum, a right and License to utilize the Marks and business methods in connection the sale of Used Vehicles (as defined herein) using the business methods and functioning within the Franchise System or under the Marks in accordance with the terms of the Franchise Agreement, as supplemented by this Addendum, in connection with Franchisee's Vehicle Rental Business (the "Used Vehicle Sales Business"). Franchisee may not offer and sell Used Vehicles from a location other than a location approved by Us ("Approved Location"). Franchisee may offer and sell to customers without regard to the domicile of the customer, but shall not operate the Used Vehicle Sales Business in conjunction with the Marks at or from a location outside of the Licensed Territory or from any location other than the Approved Location. One location in Franchisee's Territory will be approved as an Approved Location as long as the Franchisee also rents cars from that location and as long as the Used Vehicle Sales Business is not the predominant business of the Franchisee at that location. Franchisee may not relocate the Used Vehicles Sales Business without Our express written consent, which consent may be unreasonably withheld. The term "Used Vehicle" includes any Vehicle previously used as a rental vehicle in the Franchisee's Vehicle Rental Business. Used Vehicles does not include any vehicles acquired as the result of a trade-in.

(b) Notwithstanding the provisions of Section 1(a) above, We shall have the right to use and to license others to use the Marks, or any other marks, the business methods and the trade dress in connection with the offer and sale of vehicles both within and outside the Licensed Territory, regardless of proximity to or competitive impact on Franchisee's Business without the written consent of Franchisee.

2. Franchisee's Covenants. Franchisee covenants that the Used Vehicle Sales Business shall comply in all respects with the Our business methods and with all instructions, directives, requirements, and standards contained from time to time in the Operations Guide, including but not limited to inventory standards as to mileage, age and source of Used Vehicles offered for sale, advertising and promotion used in connection with the sale of Used Vehicles, image and customer service standards. Franchisee shall comply with all federal, state and local laws, rules, regulations, and ordinances applicable to the sale and advertising relating to the Used Vehicle Sales Business. Each Used Vehicle sold to a purchaser at retail shall be in satisfactory operating condition with no material defects known to Franchisee but concealed from such purchaser. Each Used Vehicle shall satisfy all warranties, expressed or implied, made to the purchaser thereof. Franchisee shall maintain all Used Vehicles offered for sale by Franchisee in the conduct of its Used Vehicle Sales Business in safe, efficient, clean and presentable condition, in first class mechanical and running order, and in conformity with odometer disclosure laws and all applicable safety and operating laws, regulations, rules, and standards as may be promulgated by governmental authorities or contained in the Operations Guide. Used Vehicles shall, at a minimum, be maintained in accordance with manufacturers' recommendations. Franchisee will maintain and disclose, in writing, the existence of repair

records and provide them to the purchaser upon request. Franchisee further covenants and agrees that it will maintain insurance according to the requirements as are necessary to sell and operate Franchisee's Used Vehicle Sales Business. Furthermore, Franchisee shall not conduct any Used Vehicle Sales Business from its Approved Location, unless such location also rents Vehicles from that location and the Vehicle Rental Business is the predominant operation of such location and the Vehicle Sales business is conducted as a Used Vehicle Sales Business in accordance with the terms of this Addendum.

3. Sales Agreements. Franchisee shall identify itself at all times as the owner of the Used Vehicle Sales Business in conjunction with any use of the marks, including, sales agreements, invoices, order forms, and receipts. Franchisee shall clearly identify that the Used Vehicle is being offered by Franchisee as an independent Franchisee of Us, and not as Our subsidiary, joint venture, partner, agent, or employee, and that We make no representations, warranties, or guaranties concerning the maintenance or condition of the Used Vehicle. Franchisee shall keep all executed sales agreements for a minimum period of three (3) years after the date of transaction and, if requested, provide Us copies in the prescribed manner.

4. Inspection by Franchisor. Franchisee shall permit Us, or Our representatives, at any time during normal business hours, without prior notice, to inspect Franchisee's business premises and all parts thereof including, without limitation, all Used Vehicles, business methods, service and management and records, to ensure compliance by Franchisee with the Franchise Agreement, this Addendum, and Operations Guide.

5. Administrative Fees. Franchisee shall pay Us an administrative fee of One Hundred Dollars (\$100.00) for each sale of a Used Vehicle by Franchisee from the Used Vehicle Sales Business during the prior calendar month. Sales shall not include the sale of Used Vehicles by Franchisee at wholesale prices to persons or entities considered to be licensed wholesale dealers, as such term is customarily understood in the vehicle sales industry. We shall have the right to increase such maximum administrative fee from time to time to an amount greater than One Hundred Dollars (\$100.00) to reflect increases in the CPI. For purposes of this Addendum, "CPI" means the Consumer Price Index for all Urban Customers, United States, "All Items" (1967=100) published by the Bureau of Labor Statistics of the U.S. Department of Labor. If such index is discontinued or amended, then the Consumer Price Index published by the U.S. Department of Commerce shall be used (with proper adjustment), and if the Department of Commerce index is discontinued, We shall determine a reasonable substitute.

6. Services and Products. In addition to and separate from the administrative fee, We reserve the right to offer and charge Franchisee for products and services to Franchisee in connection with the operation, promotion and administration of Used Vehicle Sales Business established by Franchisee under the Franchise System. Such amounts shall be determined by Us based on Our costs to develop and provide such products and services, including reasonable costs of administrative overhead. Such amounts shall be due and payable within thirty (30) days after Franchisee's receipt of the invoice related to such payments.

7. Reports. Franchisee shall submit to Us reports related to the sales of Used Vehicles in writing in such manner and form as We may prescribe in the Operations Guide or elsewhere. Reports shall be certified as true and correct by Franchisee and state, at a minimum, the number of retail sales of Used Vehicles during the preceding month.

8. Indemnification. Franchisee represents, warrants, and agrees that it shall protect, defend, indemnify and hold harmless Franchisor, its parents, subsidiaries, affiliates, stockholders, officers, directors, agents, employees, successors and assigns, from any and all claims, demands, actions, liabilities, losses, costs or expenses (including, without limitation, reasonable attorneys' fees and court costs) arising directly or indirectly from the operation of Franchisee's Used Vehicle Sales Business.

9. Operating Materials. We, in Our sole discretion, shall provide to Franchisee from time to time, as such are developed, supplements to the Operations Guide, written procedures, other directives and materials for use in the Used Vehicle Sales Business. Franchisee recognizes and agrees that such materials are, and shall remain, Our exclusive property and shall be treated as trade secrets in accordance with the Franchise Agreement.

10. Term of Addendum. This Addendum shall remain in force and effect so long as the Franchise Agreement remains in effect unless sooner terminated by Franchisee or Franchisor. Franchisee may renew its rights to operate the Used Vehicle Sales Business under the Franchise System if at the time Franchisee is renewing the Franchise Agreement: (a) Franchisee is in compliance with the terms of this Addendum; (b) We are still permitting franchisees to operate Used Vehicle Sales Businesses under the Franchise System; and (c) Franchisee executes any amendment to the Franchise Agreement or a new Franchise Agreement as may be necessary to conform to the then-current form of such type of agreement generally being offered by Us to prospective U.S. franchisee.

11. Termination. We or Franchisee may terminate this Addendum independently, or in connection with the termination of the Franchise Agreement, in accordance with the respective procedures for termination of the Franchise Agreement as set forth therein. This Addendum shall automatically terminate upon the termination of the Franchise Agreement. In addition to those causes for termination listed in the Franchise Agreement, this Addendum independently may be terminated without affecting the term of the Franchise Agreement upon the occurrence of any of the following: (a) by Us upon notice to Franchisee in the event that Franchisee (i) defaults in a material respect with a covenant set forth in Section 2 above, (ii) fails to make timely payments of any amounts due to Us under this Addendum, including, but not limited to, any administrative fees, payments for products and services, or advertising fees, (iii) submits a report in accordance with Section 5 above containing a material misstatement of the results of operations of the Used Vehicle Sales Business (which shall include, without limitation, any understatement by more than two percent (2%) of the Gross Receipts received by Franchisee from the Used Vehicle Sales Business during any reported period), or (iv) defaults under any other provision of this Addendum and Franchisee fails to cure such default within thirty (30) days from the date Franchisee receives notice of the default and opportunity to cure such breach.

12. Termination for Failure to Meet Integrity, Quality, Cleanliness. Product or Service Standards. You recognize the importance of Our high standards of image, quality, cleanliness, customer service standards, products and services to the System and the goodwill associated with the System and the Marks, as well as the need to protect the System, the Marks and such goodwill from harm or diminution resulting from your failure to meet those standards. Accordingly, you agree that in lieu of or in addition to invoking the termination procedures described in this Addendum and in the Franchise Agreement, if your Used Vehicle Sales Business is in material breach of any provision of this Addendum or the Operations Guide concerning image, quality, cleanliness, customer service standards, products or service, We may, at Our option, terminate this Addendum by giving you written notice of termination describing the default at least thirty (30) days before the effective date of termination, or any longer period as applicable law may require (the "Alternative Cure Period"). You may avoid termination by immediately initiating a cure for the default and curing it to Our satisfaction within the alternative cure period. Upon completion of the cure, you must promptly provide proof satisfactory to Us that the default has been cured. If any default is not cured within the Alternative Cure Period, this Addendum will terminate without further notice to you effective immediately upon the expiration of the Alternative Cure Period. Immediately upon receipt of notice of default from Us and continuing until such default has been cured to Our satisfaction, you must take such action as We designate to cease using the Marks (including obstructing from public view all signs bearing the Marks, removing all Marks from forms and contracts, and cease using the Marks in all advertising). We shall have the right to take any action necessary to restrict or discontinue your use of the Marks as We deem appropriate, including entering the premises of your Franchised Business for such

purpose, without being guilty of trespass. We shall also have the right to remove your Franchised Business from all advertising listings conducted or created by Us (including Internet listings and national, regional or local advertising conducted by Us) or, alternatively at Our option, to indicate to the public in a form and manner which We determine, that your Used Vehicle Sales Business is not then in compliance with Our image, integrity, quality, cleanliness, customer service standards, product or services. If you fail to cease using the Marks as described above or refuse Us entry upon the premises as described above, We shall have the right to terminate this Addendum and all rights granted under this Addendum, without affording you any opportunity to cure the default, effective immediately upon notice to you.

13. Obligations upon Termination. Upon termination of this Addendum, Franchisee shall (a) immediately cease and desist from further using Our business methods, or any part thereof, or using the Marks and Our trade dress or any variations or colorable imitations thereof, or any of the trade secrets, forms, slogans, variations or colorable imitations thereof, or any of the trade secrets, forms, slogans, signs, symbols, devices, special or national account customer lists or materials constituting or containing elements of Our business methods in connection with the Used Vehicle Sales Business; (b) return to Us all Operations Guides and supplements thereto, signs, advertising materials and/or other materials furnished by Us to Franchisee in connection with the Used Vehicle Sales Business, including, but not limited to, business names, corporate or company names, trading names, etc. or equivalent registration which contains any of the Marks, and shall furnish Us, within thirty (30) days after termination of this Addendum, evidence satisfactory to Us of its compliance with this obligation. Franchisee acknowledges that any breach by it of the obligations in this Section 12 shall cause irreparable injury to Us, suitable for remedy by temporary, preliminary, and permanent injunctive relief and damages, and that We shall also be entitled to recover an amount equal to the aggregate of Our costs of obtaining any such injunctive relief, order of specific performance or damages, including all costs of investigation and proof of facts, court costs and attorney fees. In addition to all of the remedies expressly granted to Us by this Addendum, We shall have the right to all other legal, equitable or administrative remedies, relief and recovery against any Person to which We are entitled at law or in equity.

14. No Assignment. This Addendum, or any interest or right therein, or in the Used Vehicle Sales Business, shall not be transferred, assigned, or sublicensed by Franchisee separate or apart from Franchisee's interest in the Franchise Agreement or the Franchised Business. All terms, conditions, and provisions contained in the Franchise Agreement pertaining to the transfer of any interest in the Franchised Business shall apply with the same force and effect to this Addendum.

15. Construction with Franchise Agreement. This Addendum is intended to supplement the Franchise Agreement and shall be fully incorporated therein. Unless otherwise defined in this Addendum, each capitalized defined term used herein shall have the same meaning as that attributed to such term in the Franchise Agreement. Whenever the terms of the Franchise Agreement or any exhibits thereto conflict with the terms of this Addendum, the terms of this Addendum shall control. All other terms and conditions of the Franchise Agreement remain in full force and effect. Without limitation of the foregoing, all terms and conditions contained in the Franchise Agreement concerning the use and protection of the Marks and Our business methods and all general provisions contained in the Franchise Agreement regarding its construction, applications, enforcement, or amendment or the giving of notices thereunder shall apply with equal force and effect to this Addendum.

Franchisee, on behalf of itself and its Owners, acknowledges that it has carefully read and understands the contents of this Addendum, the Franchise Agreement, the Operations Guide, and all other related documents to be executed concurrently or in conjunction with the execution of this Addendum, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this Addendum and the Operations Guide and be bound thereby.

THE HERTZ CORPORATION AND SUBSIDIARIES
REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder and the Board of Directors of The Hertz Corporation

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of The Hertz Corporation and subsidiaries (the Company) as of December 31, 2022 and 2021, the related consolidated statements of operations, comprehensive income (loss), changes in stockholder's equity (deficit) and cash flows for each of the three years in the period ended December 31, 2022, and the related notes and financial statement schedule listed in the Index at Item 15(a) (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2022 and 2021, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2022, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2022, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 7, 2023 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

THE HERTZ CORPORATION AND SUBSIDIARIES***Calculation of Non-Program Depreciation on Revenue Earning Vehicles in the Americas Rental Car (“RAC”) Segment***

Description of the Matter For the year ended December 31, 2022, total depreciation of revenue earning vehicles and lease charges, net in the Americas RAC segment was \$553 million, including gains and losses on disposals. As discussed in Note 2 to the consolidated financial statements, depreciation rates are reviewed on a quarterly basis based on management’s ongoing assessment of present and estimated future market conditions, the effect of these conditions on residual values at the expected time of disposal and the estimated holding period for the revenue earning vehicles. The Company’s fleet is comprised of vehicles that are subject to and are not subject to vehicle repurchase programs (“program vehicles” and “non-program vehicles,” respectively). For program vehicles, the manufacturers guarantee a specified price or depreciation rate upon disposal, versus non-program vehicles where the Company estimates the residual value of the vehicle at the expected time of disposal.

Auditing the Company’s calculation of depreciation for non-program vehicles related to the Americas RAC segment was complex due to the significant estimation uncertainty and management judgment to determine the estimated residual values at the expected time of disposal. The significant estimation uncertainty was primarily due to management’s assumptions related to market conditions and their effect on estimated residual values. Additionally, auditing the calculation of depreciation was challenging due to the volume of data inputs utilized in management’s calculation, including historical sales data from multiple sources at varying levels of disaggregation along with additional data specific to the Company’s current fleet.

How We Addressed the Matter in Our Audit We obtained an understanding, evaluated the design and tested the operating effectiveness of internal controls over the Company’s measurement of depreciation expense for non-program vehicles related to the Americas RAC segment. For example, we tested controls over management’s quarterly review of the depreciation rates, which included their procedures to validate the completeness and accuracy of the data used in the calculation and their assessment of significant assumptions, specifically the estimated residual values of non-program vehicles related to the Americas RAC segment.

To test the depreciation calculation for non-program vehicles, our audit procedures included, among others, testing the completeness and accuracy of the underlying data by comparing historical sales data and vehicle information used in the calculation (e.g., make, model, trim) to external sources and the Company’s records. We evaluated the reasonableness of other significant assumptions, such as resale market conditions, to assess the reasonableness of the residual value estimates made by management. Additionally, we performed analytical procedures to evaluate historical gains and losses recognized upon disposal in order to retrospectively review the reasonableness of management’s estimates.

Valuation of Self-insured Liabilities – Public Liability, Property Damage, and Liability Insurance Supplement

Description of the Matter As disclosed in Notes 2 and 15 to the consolidated financial statements, the Company is self-insured for public liability, property damage, general liability, liability insurance supplement, personal accident insurance, and workers’ compensation. The Company records liabilities for these matters based on actuarial analyses of historical claim activity and estimates of both reported accident claims not yet paid, and claims incurred but not yet reported. The estimated self-insured liabilities as of December 31, 2022 were \$472 million. The actuarial analyses that determine the claims incurred but not yet reported portion of the liability balances considers a variety of factors, including the frequency and severity of losses, changes in claim reporting and resolution patterns, insurance industry practices, the regulatory environment and legal precedent. The adequacy of the liabilities is regularly monitored based on evolving accident claim history and insurance related state legislation changes. If the Company’s estimates change or if actual results differ from these assumptions, the amount of the recorded liabilities are adjusted to reflect these results.

THE HERTZ CORPORATION AND SUBSIDIARIES

Auditing the public liability, property damage, and liability insurance supplement components of the self-insured liability reserves is complex and required the involvement of our actuarial specialists due to the significant valuation uncertainty associated with the estimates, management's application of complex judgments, and the use of actuarial methods. In addition, the public liability, property damage, and liability insurance supplement self-insured liability reserve estimates are sensitive to management's assumptions related to rental volume, actuarial evaluations of historical claim experience and trends, and future projections of ultimate losses used in the computation of these self-insured liabilities.

*How We
Addressed the
Matter in Our
Audit*

We obtained an understanding, evaluated the design and tested the operating effectiveness of internal controls over the Company's public liability, property damage, and liability insurance supplement self-insured liability estimation process. For example, we tested controls over management's review of the assumptions outlined above that are used in these self-insured liability calculations and the completeness and accuracy of the data underlying these self-insured liabilities.

To test the valuation of the public liability, property damage, and liability insurance supplement self-insured liability reserves, we performed audit procedures that included involving our internal actuarial specialists to assist us in developing an independent range and evaluating the methods used by management and the reasonableness of assumptions used in their models (e.g., actuarial evaluations of historical claim experience and future projections of ultimate losses). We compared the Company's reserve to estimates of the liability developed by our actuarial specialists based on the underlying claims data and independently selected assumptions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1—Background

Hertz Global Holdings, Inc. was incorporated in Delaware in 2015 to serve as the top-level holding company for Rental Car Intermediate Holdings, LLC, which wholly owns The Hertz Corporation, Hertz Global's primary operating company. Hertz was incorporated in Delaware in 1967 and is a successor to corporations that have been engaged in the vehicle rental and leasing business since 1918. Hertz operates its vehicle rental business globally primarily through the Hertz, Dollar and Thrifty brands from company-operated, licensee and franchisee locations in the U.S., Africa, Asia, Australia, Canada, the Caribbean, Europe, Latin America, the Middle East and New Zealand. The Company also sells vehicles through Hertz Car Sales and operates the Firefly vehicle rental brand and Hertz 24/7 car sharing business in international markets. As disclosed in Note 3, "Divestitures," on March 30, 2021 the Company completed the Donlen Sale, a business which provided vehicle leasing and fleet management services.

On May 22, 2020, as a result of the impact from the COVID-19 global pandemic, the Debtors filed voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code in the Bankruptcy Court. On June 10, 2021, the Plan of Reorganization was confirmed by the Bankruptcy Court and on June 30, 2021, the Plan of Reorganization became effective and the Debtors emerged from Chapter 11.

Going Concern

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern and contemplate the realization of assets and the satisfaction of liabilities in the normal course of business.

Note 2—Significant Accounting Policies

Accounting Principles

The Company's consolidated financial statements have been prepared in accordance with U.S. GAAP.

Reclassifications

Certain prior period amounts have been reclassified to conform with current period presentation.

Principles of Consolidation

The consolidated financial statements of Hertz Global include the accounts of Hertz Global, its wholly-owned and majority owned U.S. and international subsidiaries, and its VIEs, as applicable. The consolidated financial statements of Hertz include the accounts of Hertz, its wholly-owned and majority-owned U.S. and international subsidiaries, and its VIEs, as applicable. The Company consolidates a VIE when it is deemed the primary beneficiary. The Company accounts for its investment in joint ventures using the equity method when it has significant influence but not control and is not the primary beneficiary. All significant intercompany transactions are eliminated in consolidation.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and footnotes. Actual results could differ materially from those estimates.

Significant estimates inherent in the preparation of the consolidated financial statements include depreciation of revenue earning vehicles, reserves for litigation and other contingencies, accounting for income taxes and related uncertain tax positions, pension and postretirement benefit costs, the recoverability of long-lived assets, useful lives and impairment of long-lived tangible and indefinite-lived intangible assets including goodwill, valuation of stock-

based compensation, self-insured liabilities, allowance for doubtful accounts, the retail value of loyalty points, and fair value of financial instruments, among others.

Revenue Earning Vehicles

Revenue earning vehicles are stated at cost, net of related discounts and incentives from manufacturers. Holding periods typically range from six to thirty-six months. Generally, when revenue earning vehicles are acquired outside of a vehicle repurchase program, the Company estimates the period that the Company will hold the asset, primarily based on historical measures of the amount of rental activity (e.g., automobile mileage). The Company also estimates the residual value of the applicable revenue earning vehicles at the expected time of disposal, taking into consideration factors such as make, model and options, age, physical condition, mileage, sale location, time of the year and market conditions. Depreciation is recorded over the estimated holding period. Depreciation rates are reviewed on a quarterly basis based on management's ongoing assessment of present and estimated future market conditions, their effect on residual values at the expected time of disposal and the estimated holding periods. Gains and losses on the sale of vehicles, including the costs associated with disposals, are included in depreciation of revenue earning vehicles and lease charges in the accompanying consolidated statements of operations.

For program vehicles, the manufacturers agree to repurchase the vehicles at a specified price or guarantee the depreciation rate on the vehicles during established repurchase or auction periods, subject to, among other things, certain vehicle condition, mileage and holding period requirements. Vehicle repurchase programs guarantee on an aggregate basis the residual value of the program vehicle upon sale according to certain parameters which include the holding period, mileage and condition of the vehicles.

Self-insured Liabilities

Self-insured liabilities in the accompanying consolidated balance sheets include public liability, property damage, general liability, liability insurance supplement, personal accident insurance, and workers' compensation. These represent an estimate for both reported accident claims not yet paid, and claims incurred but not yet reported and are recorded on an undiscounted basis. Reserve requirements are based on rental volume and actuarial evaluations of historical accident claim experience and trends, as well as future projections of ultimate losses, expenses and administrative costs. The adequacy of the liability is monitored quarterly based on evolving accident claim history and insurance related state legislation changes. If the Company's estimates change or if actual results differ from these assumptions, the amount of the recorded liability is adjusted to reflect these results.

Recoverability of Goodwill and Indefinite-lived Intangible Assets

The Company tests the recoverability of its goodwill and indefinite-lived intangible assets by performing an impairment analysis on an annual basis, as of October 1, and at interim periods when circumstances require as a result of a triggering event.

A goodwill impairment charge is calculated as the amount by which a reporting unit's carrying amount exceeds its fair value. For goodwill, fair value is determined using an income approach based on the discounted cash flows of each reporting unit. A reporting unit is an operating segment or a business one level below that operating segment (the component level) if discrete financial information is prepared and regularly reviewed by segment management. Components are aggregated into a single reporting unit when they have similar economic characteristics. The Company has identified two reporting units (operating segments): Americas RAC and International RAC. The fair values of the reporting units are estimated using the net present value of discounted cash flows generated by each reporting unit and incorporate various assumptions related to discount rates, growth rates, cash flow projections, tax rates and terminal value rates specific to the reporting unit to which they are applied. Discount rates are determined based on the reporting unit's WACC. The Company's discounted cash flow projections are based upon reasonable and appropriate assumptions about the underlying business activities of the Company's reporting units.

In the impairment analysis for an indefinite-lived intangible asset, the Company compares the carrying value of the asset to its estimated fair value and recognizes an impairment charge whenever the carrying amount of the asset

THE HERTZ CORPORATION AND SUBSIDIARIES**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

exceeds its estimated fair value. The estimated fair value for a tradename utilizes a relief-from-royalty income approach, which includes the Company's revenue projections for each asset, along with assumptions for royalty rates, tax rates and WACC.

Income Taxes

The Company accounts for income taxes under the asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been included in the financial statements. Under this method, the Company determines deferred tax assets and liabilities on the basis of the differences between the financial statement and tax bases of assets and liabilities by using enacted tax rates in effect for the year in which the differences are expected to reverse. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date.

The Company recognizes deferred tax assets to the extent that the Company believes that these assets are more likely than not to be realized. In making such a determination, the Company considers all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax-planning strategies, carryback potential if permitted under the tax law, and results of recent operations.

The Company records uncertain tax positions in accordance with ASC 740 on the basis of a two-step process in which (1) the Company determines whether it is more likely than not that the tax positions will be sustained on the basis of the technical merits of the position and (2) for those tax positions that meet the more-likely-than-not recognition threshold, the Company recognizes the largest amount of tax benefit that is more than 50 percent likely to be realized upon ultimate settlement with the related tax authority.

The Company recognizes interest and penalties related to unrecognized tax benefits on the income tax expense line in the accompanying consolidated statements of operations. Accrued interest and penalties are included in the related tax liability line in the accompany consolidated balance sheets.

The Company has elected to record tax on global intangible low-tax income ("GILTI") on a current basis. "GILTI" is a U.S. tax on certain earnings of foreign subsidiaries that are subject to foreign tax below a certain threshold.

Revenue Recognition

The Company recognizes two types of revenue: (i) lease revenue; and (ii) revenue from contracts with customers.

The Company reports revenues for taxes or non-concession fees collected from customers on behalf of governmental authorities on a net basis.

Vehicle Rental and Rental Related Revenues

The Company recognizes revenue from its vehicle rental operations when persuasive evidence of a contract exists, the performance obligations have been satisfied, the transaction price is fixed or determinable and collection is reasonably assured. Performance obligations associated with vehicle rental transactions are satisfied over the rental period, except for the portion associated with loyalty points, as further described below. Rental periods are short term in nature. Performance obligations associated with rental related activities, such as charges to the customer for the fueling of vehicles and value-added services such as loss damage waivers, insurance products, navigation units, supplemental equipment and other consumables, are also satisfied over the rental period. Revenue from charges that are charged to the customer, such as gasoline, vehicle licensing and airport concession fees, is recorded on a gross basis with a corresponding charge to direct vehicle and operating expense. Sales commissions paid to third parties are generally expensed when incurred due to the short-term nature of the related transaction on which the commission was earned and are recorded within selling, general and administrative expense. Payments are due from customers at the completion of the rental, except for customers with negotiated payment terms, generally net 30 days or less, which are invoiced and remain as accounts receivable until collected.

**HERTZ GLOBAL HOLDINGS, INC. AND SUBSIDIARIES
THE HERTZ CORPORATION AND SUBSIDIARIES**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Loyalty Programs - The Company offers loyalty programs, primarily Hertz Gold Plus Rewards, wherein customers are eligible to earn loyalty points that are redeemable for free rental days or can be converted to loyalty points for redemption of products and services under loyalty programs of other companies. Each transaction that generates loyalty points results in the deferral of revenue equivalent to the retail value at the date the points are earned. The associated revenue is recognized when the customer redeems the loyalty points at some point in the future. The retail value of loyalty points is estimated based on the current retail value measured as of the date the loyalty points are earned, less an estimated amount representing loyalty points that are not expected to be redeemed ("breakage"). Breakage is reviewed on a quarterly basis and includes significant assumptions such as historical breakage trends and internal Company forecasts.

Customer Rebates - The Company has business customers that rent vehicles based on terms that have been negotiated through contracts with their employers, or other entities with which they are associated ("commercial contracts"), which can differ substantially from the terms on which the Company rents vehicles to the general public. Some of the commercial contracts contain provisions which allow for rebates to the entity based on achieving a specific rental volume threshold. Rebates are treated as lease incentives and are recognized as a reduction of revenue at the time of the rental based on the rebate expected to be earned by the entity.

Licensee Revenue

The Company has franchise agreements which allow an independent entity to rent their vehicles under the Company's brands, primarily Hertz, Dollar or Thrifty, for a franchise fee. Franchise fees are earned over time for the duration of the franchise agreement and are typically based on the larger of a minimum payment or an amount representing a percentage of net sales of the franchised business. Franchise fees that relate to a future contract term, such as initial fees or renewal fees, are deferred and recognized over the term of the franchise agreement.

Ancillary Retail Vehicle Sales Revenue

Ancillary retail vehicle sales represent revenues generated from the sale of warranty contracts, financing and title fees, and other ancillary services associated with vehicles disposed of at the Company's retail outlets. These revenues are recorded at the point in time when the Company sells the product or provides the service to the customer. These revenues exclude the sale price of the vehicle which is a component of the gain or loss on the disposition and is included in depreciation of revenue earning vehicles and lease charges in the accompanying consolidated statements of operations.

Contract Balances

The Company recognizes receivables and liabilities resulting from its contracts with customers. Contract receivables primarily consist of receivables from customers for vehicle rentals. Contract liabilities primarily consist of obligations to customers for prepaid vehicle rentals and related to the Company's points-based loyalty programs.

Cash and Cash Equivalents and Restricted Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and highly liquid investments with an original maturity of three months or less. The Company's cash and cash equivalents are invested in various investment grade institutional money market funds, and bank money market and interest-bearing accounts.

Restricted cash and cash equivalents include cash and cash equivalents that are not readily available for use in the Company's operating activities. Restricted cash and cash equivalents are primarily comprised of proceeds from the disposition of vehicles pledged under the terms of vehicle debt financing arrangements and are restricted for the purchase of revenue earning vehicles and other specified uses under the vehicle debt facilities, cash utilized as credit enhancement under those arrangements, proceeds from the Term Loan C which are utilized to collateralize letters of credit, and certain cash accounts supporting regulatory reserve requirements related to the Company's

THE HERTZ CORPORATION AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

self-insurance. These funds are primarily held in demand deposit and money market accounts or in highly rated money market funds with investments primarily in government and corporate obligations.

Deposits held at financial institutions may exceed the amount of insurance provided on such deposits. Generally, these deposits may be redeemed upon demand and are maintained with financial institutions with reputable credit and therefore bear minimal credit risk. The Company limits exposure relating to financial instruments by diversifying the financial instruments among various counterparties, which consist of major financial institutions.

Receivables, Net of Allowance

Receivables are stated net of allowances and primarily represent credit extended to vehicle manufacturers, customers that satisfy defined credit criteria, and amounts due from customers resulting from damage to rental vehicles. The estimate of the allowance for doubtful accounts is based on the Company's future expected losses and its judgement as to the likelihood of ultimate payment. Actual receivables are written-off against the allowance for doubtful accounts when the Company determines the balance will not be collected. Estimates for future credit memos are based on historical experience and are reflected as reductions to revenue, while bad debt expense is reflected as a component of direct vehicle and operating expense in the accompanying consolidated statements of operations.

Property and Equipment, Net

The Company's property and equipment, net consisted of the following:

(In millions)	December 31, 2022	December 31, 2021
Land, buildings and leasehold improvements	\$ 990	\$ 971
Service vehicles, equipment and furniture and fixtures	392	339
Less: accumulated depreciation	(745)	(702)
Total property and equipment, net	<u>\$ 637</u>	<u>\$ 608</u>

Land is stated at cost and reviewed annually for impairment as further disclosed above in "Long-lived Assets, Including Finite-lived Intangible Assets."

Property and equipment are stated at cost and are depreciated utilizing the straight-line method over the estimated useful lives of the related assets. Estimated useful lives are as follows:

Buildings	1 to 50 years
Furniture and fixtures	1 to 5 years
Service vehicles and equipment	1 to 25 years
Leasehold improvements	The lesser of the economic life or the lease term

Depreciation expense for property and equipment, net for the years ended December 31, 2022, 2021 and 2020 was \$97 million, \$108 million and \$129 million, respectively.

The Company follows the practice of expensing maintenance and repair costs for service vehicles, furniture and fixtures, and equipment, including the cost of minor replacements.

Long-lived Assets, Including Finite-lived Intangible Assets

Finite-lived intangible assets include concession agreements, technology, customer relationships and other intangibles. Long-lived assets and intangible assets with finite lives, including technology-related intangibles, are amortized using the straight-line method over the estimated economic lives of the assets, which range from one to forty years and two to fifteen years, respectively. Long-lived assets and intangible assets with finite lives are

HERTZ GLOBAL HOLDINGS, INC. AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. Determination of recoverability is based on an estimate of undiscounted future cash flows resulting from the use of the asset and its eventual disposition. Measurement of an impairment loss for long-lived assets that management expects to hold and use is based on the estimated fair value of the asset. Long-lived assets to be disposed of are reported at the lower of carrying value or estimated fair value less costs to sell.

Stock-Based Compensation

The Company measures the cost of employee services received in exchange for an award of equity instruments based on the grant date fair value of the award. That cost is to be recognized over the period during which the employee is required to provide service in exchange for the award. Forfeitures are accounted for when they occur. The Company has estimated the fair value of options issued at the date of grant using a Black-Scholes option-pricing model, which includes assumptions related to volatility, expected term, dividend yield and risk-free interest rate.

The Company accounts for restricted stock unit ("RSU") and performance stock unit ("PSU") awards when granted as equity classified awards. For RSUs the expense is based on the grant-date fair value of the stock and the number of shares that vest, recognized over the service period. For any PSUs and performance share awards ("PSAs") granted, the expense is based on the grant-date fair value of the stock, recognized over a service period depending upon the applicable performance condition. For any PSUs and PSAs, the Company re-assesses the probability of achieving the applicable performance condition quarterly and adjusts the recognition of expense accordingly. The Company includes the excess tax benefit within income tax expense in the accompanying consolidated statements of operations when realized.

Fair Value Measurements

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market or, if none exists, the most advantageous market, for the specific asset or liability at the measurement date (referred to as the "exit price"). Fair value is a market-based measurement that is determined based upon assumptions that market participants would use in pricing an asset or liability, including consideration of nonperformance risk.

The Company assesses the inputs used to measure fair value using the three-tier hierarchy promulgated under U.S. GAAP. This hierarchy indicates the extent to which inputs used in measuring fair value are observable in the market.

Level 1: Inputs that reflect quoted prices for identical assets or liabilities in active markets that are observable.

Level 2: Inputs other than quoted prices included in Level 1 that are observable either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; or model-derived valuations in which significant inputs are observable or can be derived principally from, or corroborated by, observable market data.

Level 3: Inputs that are unobservable to the extent that observable inputs are not available for the asset or liability at the measurement date and include management's judgment about assumptions market participants would use in pricing the asset or liability.

Financial Instruments

The Company is exposed to a variety of market risks, including the effects of changes in interest rates, gasoline and diesel fuel prices and foreign currency exchange rates. The Company manages exposure to these market risks through regular operating and financing activities and, when deemed appropriate, through the use of derivative financial instruments. Financial instruments are viewed as risk management tools and have not been used for speculative or trading purposes. In addition, financial instruments are entered into with a diversified group of major

THE HERTZ CORPORATION AND SUBSIDIARIES**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

financial institutions in order to manage the Company's exposure to counterparty nonperformance on such instruments. The Company measures all financial instruments at their fair value and does not offset the derivative assets and liabilities in its accompanying consolidated balance sheets. As the Company does not have financial instruments that are designated and qualify as hedging instruments, the changes in their fair value are recognized currently in the Company's operating results.

Foreign Currency Translation and Transactions

Assets and liabilities of international subsidiaries whose functional currency is the local currency are translated at the rate of exchange in effect on the balance sheet date; income and expenses are translated at the average exchange rates throughout the year. The related translation adjustments are reflected in accumulated other comprehensive income (loss) in the accompanying consolidated balance sheets. Foreign currency exchange rate gains and losses resulting from transactions are included in selling, general and administrative expense in the accompanying consolidated statements of operations.

Advertising

Advertising production costs are deferred and expensed when the advertising first takes place. Advertising communication costs are expensed as incurred. Advertising costs are reflected as a component of selling, general and administrative expenses in the accompanying consolidated statements of operations and for the years ended December 31, 2022, 2021 and 2020 were \$262 million, \$195 million and \$129 million, respectively.

Divestitures

The Company classifies long-lived assets and liabilities to be disposed of as held for sale in the period in which they are available for immediate sale in their present condition and the sale is probable and expected to be completed within one year. The Company initially measures assets and liabilities held for sale at the lower of their carrying value or fair value less costs to sell and assesses their fair value quarterly until disposed. When the divestiture represents a strategic shift that has (or will have) a major effect on the Company's operations and financial results, the disposal is presented as a discontinued operation.

Recently Issued Accounting Pronouncements

Adopted

Government Assistance

In November 2021, the FASB issued guidance that increases the transparency of government assistance transactions. The guidance requires disclosure of (1) the types of assistance, (2) an entity's accounting for the assistance, and (3) the effect of the assistance on an entity's financial statements. The guidance was effective for annual periods beginning after December 15, 2021. The Company adopted this guidance on January 1, 2022 on a prospective basis. As government assistance transactions were not material, the adoption of this guidance had no impact on the Company's financial position, results of operations or cash flows, and resulted in no associated disclosures.

Donlen Sale

On March 30, 2021, the Company completed the sale of substantially all of the assets and certain liabilities of its Donlen subsidiary. For the year ended December 31, 2021, the Company recognized a pre-tax gain in its corporate operations of \$400 million, net of the impact of foreign currency adjustments, based on the difference in cash proceeds received of \$891 million less \$543 million net book value of assets sold plus a \$53 million receivable in connection with the sale where cash proceeds were received in September 2021.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Termination of 767 Auto Leasing Agreement

In January 2018, Hertz entered into a Master Motor Vehicle Lease and Management Agreement (the “767 Lease Agreement”) pursuant to which Hertz granted 767 Auto Leasing LLC (“767”) the option to acquire certain vehicles from Hertz at rates aligned with the rates at which Hertz sold vehicles to third parties where 767’s payment obligations were guaranteed by American Entertainment Properties Corp. (“AEPC”). The 767 Lease Agreement was terminated effective October 31, 2021.

Prior to the termination of the 767 Lease Agreement, the Company determined that it was the primary beneficiary of 767 due to its power to direct the activities of 767 that most significantly impacted 767’s economic performance and the Company’s obligation to absorb 25% of 767’s gains/losses and, accordingly, 767 was consolidated by the Company as a VIE.

During the year ended December 31, 2021, 767 distributed \$38 million to AEPC along with the return of certain vehicles, and there were no cash contributions from AEPC to 767. During the year ended December 31, 2020, 767 distributed \$75 million to AEPC and there were no cash contributions from AEPC to 767, except for certain services.

Sale of Marketable Securities

In 2020, the Company sold marketable securities for \$74 million and recognized an immaterial gain on the sale in its corporate operations, which was included in other (income) expense, net in the accompanying consolidated statement of operations for the year ended December 31, 2020.

Sale of Non-vehicle Capital Assets

In 2019, the Company completed the sale of certain non-vehicle capital assets in its Americas RAC segment. In 2020, the Company received additional cash from the sale and recognized an additional \$20 million pre-tax gain on the sale, which was included in other (income) expense, net in the accompanying consolidated statement of operations for the year ended December 31, 2020.

Recoverability of Goodwill and Indefinite-lived Intangible Assets

On an annual basis as of October 1, and at interim periods when circumstances require as a result of a triggering event as defined by ASC 350 - Intangibles, Goodwill and Other ("Topic 350"), the Company tests the recoverability of its goodwill and indefinite-lived intangible assets by performing an impairment analysis. An impairment is deemed to exist if the carrying value of goodwill or indefinite-lived intangible assets exceed their fair value as determined using level 3 inputs under the GAAP fair value hierarchy. The reviews of fair value involve judgment and estimates, including projected revenues, long-term growth rates, royalty rates and discount rates. The Company believes that its valuation techniques and assumptions are reasonable for this purpose.

The Company performed the goodwill impairment analyses using the income approach, a measurement using level 3 inputs under the U.S. GAAP fair value hierarchy. In performing the impairment analyses, the weighted-average cost of capital used in the discounted cash flow model was calculated based upon the fair value of the Company's debt and stock price with a debt-to-equity ratio comparable to the vehicle rental car industry. This present value model requires management to estimate future cash flows and forecasted EBITDA margins and capital investments of each reporting unit. The assumptions the Company used to estimate future cash flows and EBITDA margins are consistent with the assumptions that the reporting units use for internal planning purposes, which the Company believes would be generally consistent with that of a market participant. The discount rate used for each reporting unit ranged from 14.0% to 15.0%. Each of the Company's reporting units had a fair value that exceeded its respective carrying value, the lowest of which was greater than 25%.

The Company performed the intangible impairment analyses for indefinite-lived intangible assets using the relief-from-royalty income approach, a measurement using level 3 inputs under the U.S. GAAP fair value hierarchy. The Company considered consistent factors as described above related to goodwill in addition to royalty rates. The assumptions the Company uses to estimate royalty rates are consistent with the assumptions that the reporting units use for internal planning purposes, which the Company believes would be generally consistent with that of a market participant. The discount rate used for each indefinite-lived intangible ranged from 14.0% to 15.5%. All indefinite-lived intangibles were noted to have fair values that exceeded their carrying values, the lowest of which was greater than 25%.

Technology-related Intangible and Other Assets

Due to uncertainty surrounding the Company's financial ability to complete certain information technology projects as a result of COVID-19 and the filing of the Chapter 11 Cases, the Company concluded in the second quarter of 2020 that there was an impairment of such technology-related intangible assets and capitalized cloud computing implementation costs and recorded an impairment charge of \$193 million in its corporate operations representing an impairment of the carrying value of the abandoned portion of such assets as of June 30, 2020.

First Lien Credit Agreement

Pursuant to the Plan of Reorganization, on the Effective Date, Hertz entered into the First Lien Credit Agreement that provided for the following:

- Term B Loan for term loans in an aggregate principal amount of \$1.3 billion;
- Term C Loan for term loans that are available to cash collateralize letters of credit in an aggregate principal amount of \$245 million; and
- the First Lien RCF for revolving loans and letters of credit up to an aggregate principal amount of \$1.3 billion.

Term B Loan and Term C Loan: The Term Loans bear interest based on an alternate base rate as per the First Lien Credit Agreement or adjusted LIBOR, in each case plus an applicable margin of (i) 2.25% in the case of the alternate base rate, or (ii) 3.25% in the case of the adjusted LIBOR. In each case, the margin may change depending on Hertz's consolidated total corporate leverage ratio, as defined in the First Lien Credit Agreement (the "Total Corporate Leverage Ratio"). The Term Loans include provisions for a transition to an alternative benchmark index other than LIBOR. The First Lien Credit Agreement requires the Term B Loan to be repaid in quarterly installments of \$3.3 million per quarter beginning on September 30, 2021 until maturity. The Term Loans mature on June 30, 2028.

First Lien RCF: The First Lien RCF bears interest, at a benchmark rate plus spread. Loans under the facility are available in various currencies including USD, Eurodollar, Australian dollar, Canadian dollar and Sterling. Benchmark rates for the relevant currencies include, the relevant LIBOR rate, the Prime rate, the Bank Bill Swap Reference Bid Rate for Australian dollars, Canadian prime rate, an adjusted Canadian Dollar Offered Rate ("CDOR") or the Daily Simple Sterling Overnight Index Average ("SONIA"). ABR Loans and Canadian Prime Rate Loans, as defined under the First Lien Credit Agreement, bear interest at the relevant benchmark rate plus an initial applicable margin of 2.50%. The First Lien RCF includes provisions for a transition to an alternative benchmark

index other than LIBOR and in March 2022, the First Lien RCF was amended to change the benchmark from USD LIBOR to the Secured Overnight Financing Rate ("SOFR") based rate. The margin for Euro currency Loans (including USD loans), SONIA loans and Canadian dollar BA Equivalent Loans, as defined in the First Lien Credit Agreement, is dependent upon the Company's Consolidated Total Corporate Leverage Ratio, as defined under the First Lien Credit Agreement. As of December 31, 2022, that margin was 3.00%. In each case, the margin may change depending on Hertz's Total Corporate Leverage Ratio. The First Lien RCF matures on June 30, 2026.

In March 2022, Hertz increased the aggregate committed amount of the First Lien RCF from \$1.3 billion to \$1.5 billion and the sublimit for letters of credit from \$1.1 billion to \$1.4 billion and amended the First Lien RCF to change the benchmark from USD LIBOR to the SOFR based rate.

Maturities

As of December 31, 2022, the nominal amounts of maturities of debt for each of the years ending December 31 are as follows:

<u>(In millions)</u>	<u>2023</u>	<u>2024</u>	<u>2025</u>	<u>2026</u>	<u>2027</u>	<u>After 2027</u>

Total	<u>\$ 677</u>	<u>\$ 5,890</u>	<u>\$ 1,443</u>	<u>\$ 2,529</u>	<u>\$ 983</u>	<u>\$ 2,461</u>

The Company has reviewed its debt facilities and determined that it is probable that the Company will be able, and has the intent, to refinance these facilities at such times as the Company determines appropriate prior to their respective maturities.

Borrowing Capacity and Availability

Borrowing capacity and availability comes from the Company's revolving credit facilities, which are a combination of variable funding asset-backed securitization facilities, cash-flow based revolving credit facilities, asset-based revolving credit facilities and the First Lien RCF. Creditors under each such asset-backed securitization facility and asset-based revolving credit facility have a claim on a specific pool of assets as collateral. With respect to each such asset-backed securitization facility and asset-based revolving credit facility, the Company refers to the amount of debt it can borrow given a certain pool of assets as the borrowing base.

The Company refers to "Remaining Capacity" as the maximum principal amount of debt permitted to be outstanding under the respective facility (i.e., with respect to a variable funding asset-backed securitization facility or asset-based revolving credit facility, the amount of debt the Company could borrow assuming it possessed sufficient assets as collateral) less the principal amount of debt then-outstanding under such facility and, in the case of the First Lien RCF, less any issued standby letters of credit. With respect to a variable funding asset-backed securitization facility or asset-based revolving credit facility, the Company refers to "Availability Under Borrowing Base Limitation" as the lower of Remaining Capacity or the borrowing base less the principal amount of debt then-outstanding under such facility (i.e., the amount of debt that can be borrowed given the collateral possessed at such time).

The following facilities were available to the Company as of December 31, 2022 and are presented net of any outstanding letters of credit:

Letters of Credit

As of December 31, 2022, there were outstanding standby letters of credit totaling \$691 million comprised primarily of \$431 million issued under the First Lien RCF and \$245 million issued under the Term C Loan. As of December 31, 2022, no capacity remains to issue additional letters of credit under the Term C Loan. Such letters of credit have been issued primarily to support the Company's insurance programs and to provide credit enhancement for the Company's asset-backed securitization facilities, as well as to support the Company's vehicle rental concessions and leaseholds. As of December 31, 2022, none of the issued letters of credit have been drawn upon.

Pledges Related to Vehicle Financing

Substantially all of the Company's revenue earning vehicles and certain related assets are owned by special purpose entities or are encumbered in favor of the lenders under the various credit facilities, other secured financings or asset-backed securities programs. None of the value of such assets (including the assets owned by Hertz Vehicle Financing III LLC and various other domestic and international subsidiaries that facilitate the Company's international securitizations) will be available to satisfy the claims of unsecured creditors unless the secured creditors are paid in full.

The Company has a 25% ownership interest in IFF No. 2, whose sole purpose is to provide commitments to lend under the European ABS in various currencies subject to borrowing bases comprised of revenue earning vehicles and related assets of certain of Hertz International, Ltd.'s subsidiaries. IFF No. 2 is a VIE and the Company is the primary beneficiary, therefore, the assets, liabilities and results of operations of IFF No. 2 are included in the accompanying consolidated financial statements. As of December 31, 2022 and 2021, IFF No. 2 had total assets of \$1.3 billion and \$734 million, respectively, comprised primarily of intercompany receivables, and total liabilities of \$1.3 billion and \$733 million, respectively, comprised primarily of debt.

Covenant Compliance

The First Lien Credit Agreement requires Hertz to comply with the following financial covenant: a First Lien Ratio of less than or equal to 3.00 to 1.00 in the first and last quarters of the calendar year and 3.50 to 1.00 in the second and third quarters of the calendar year. This financial covenant was effective beginning in the third quarter of 2021. As of December 31, 2022, Hertz was in compliance with the First Lien Ratio.

In addition to the financial covenant, the First Lien Credit Agreement contains customary affirmative covenants including, among other things, the delivery of quarterly and annual financial statements and compliance certificates, and covenants related to conduct of business, maintenance of property and insurance, compliance with environmental laws and the granting of security interest for the benefit of the secured parties under that agreement on after-acquired real property, fixtures and future subsidiaries. The First Lien Credit Agreement also contains customary negative covenants, including, among other things, restrictions on the incurrence of liens, indebtedness, asset dispositions and restricted payments. As of December 31, 2022, the Company was in compliance with all covenants in the First Lien Credit Agreement.

Accrued Interest

As of December 31, 2022 and 2021, accrued interest was \$19 million and \$12 million, respectively, which is included in accrued liabilities in the accompanying consolidated balance sheets.

Restricted Net Assets

As a result of the contractual restrictions on Hertz and certain of its subsidiaries' ability to pay dividends (directly or indirectly) under various terms of its debt, as of December 31, 2022, the restricted net assets of the subsidiaries of Hertz and Hertz Global exceed 25% of their total consolidated net assets, respectively.

Note 7—Employee Retirement Benefits

The Company sponsors multiple domestic and international employee retirement benefit plans where benefits are based upon years of service and compensation. The Hertz Corporation Account Balance Defined Benefit Pension Plan (the "Hertz Retirement Plan") is a U.S. cash balance plan, which was amended in 2014 to permanently discontinue future benefit accruals and participation under the plan for non-union employees. The majority of union employees have since discontinued participation in the Hertz Retirement Plan as the result of collective bargaining. Some of the Company's international subsidiaries have defined benefit retirement plans or participate in various insured or multiemployer plans. In certain countries, when the subsidiaries make the required funding payments, they have no further obligations under such plans. The Company's benefit plans are generally funded, except for certain non-qualified U.S. defined benefit plans and in Germany, France and Italy, where unfunded liabilities are recorded. The Company also sponsors defined contribution plans for certain eligible U.S. and non-U.S. employees, where contributions are matched based on specific guidelines in the plans. Additionally, the Company sponsors postretirement health care and life insurance benefits for a limited number of employees with hire dates prior to January 1, 1990.

Management makes certain assumptions relating to discount rates, salary growth, long-term return on plan assets, retirement rates, mortality rates and other factors when determining amounts to be recognized. These assumptions are reviewed annually by management, assisted by the enrolled actuary, and updated as warranted. The Company uses a December 31 measurement date for all of the plans and utilizes fair value to calculate the market-related value of pension assets for purposes of determining the expected return on plan assets and accounting for asset gains and losses.

Actual results that differ from the Company's assumptions are accumulated and amortized over future periods and, therefore, significant differences in actual experience or significant changes in assumptions would affect the Company's pension costs and obligations. The Company recognizes an asset for each over-funded plan and a liability for each underfunded plan in the consolidated balance sheets. Pension plan liabilities are revalued annually based on updated assumptions and information about the individuals covered by the plan. For pension plans, if accumulated actuarial gains and losses are in excess of a 10 percent corridor, the excess is amortized on a straight-line basis over the average remaining service period of active participants. Prior service cost is amortized on a straight-line basis from the date recognized over the average remaining service period of active participants, when applicable.

In 2022, discount rates increased, resulting in actuarial gains for the U.S. and Non-U.S. pension and postretirement plans, partially offset by census data updates and experience.

In 2021, discount rates increased, resulting in actuarial gains for the U.S. and Non-U.S. pension and postretirement plans. In addition, the Non-U.S. pension plans were revalued on new census data in 2021 resulting in an additional gain, which was mostly offset by a loss from an increase in the inflation assumption.

The discount rate used to determine the December 31, 2022 and 2021 benefit obligations for U.S. pension plans was based on the rate from the Mercer Pension Discount Curve-Above Mean Yield that is appropriate for the duration of the Company's plan liabilities. For its plans outside the U.S., the discount rate reflected the market rates for an optimized subset of high-quality corporate bonds currently available with the discount rate in a country determined based on a yield curve constructed from high quality corporate bonds in that country. The rate selected from the yield curve has a duration that matches its plan.

The expected return on plan assets for each funded plan is based on expected future investment returns considering the target investment mix of plan assets.

The U.S. Plan

The U.S. Plan (the "Plan") has a target asset allocation mix of 70% in investments intended to hedge the impact of capital market movements ("Immunizing Portfolio Investments"), comprised primarily of fixed income securities, and 30% in investments intended to earn more than the pension liability growth over the long-term ("Growth Portfolio Investments"). The Growth Portfolio Investments are primarily invested in passively managed equity funds, international and emerging market funds that are actively managed and non-investment grade fixed income funds. The overall strategy and the Immunizing Portfolio Investments are managed by professional investment managers. The investments within these asset classes are diversified in order to minimize the risk of large losses. The Plan assumes a 6.0% expected long-term annual weighted-average rate of return on assets.

The fair value measurements of the Company's U.S. pension plan assets are based upon inputs that reflect quoted prices for identical assets or liabilities in active markets that are observable (Level 1) and significant observable inputs (Level 2) that reflect quoted prices for similar assets or liabilities in active markets. The fair value measurements of the U.S. pension plan assets relate to common collective trusts and other pooled investment vehicles consisting of the following asset categories:

(2) The Level 2 investments relate to investment funds that publish daily NAV per unit. The daily NAV is available to participants in the funds and redemptions can be made daily at the current NAV. The fair value and units are determined and published and are the basis for current transactions. The investments are not eligible for the NAV practical expedient. However, they are measured at the published NAV because the quoted NAV per unit represents the price at which the investment would be sold in a transaction between independent market participants.

The U.K. Plan

The Company's United Kingdom defined benefit pension plan (the "U.K. Plan") has a target allocation of 25% actively managed diversified growth and multi-asset credit funds, 8% passive equity funds and 67% protection portfolio that consists of liability driven investments, Sterling liquidity fund and United Kingdom corporate bonds. The actively managed diversified growth and multi-asset credit funds are intended to deliver a long-term equity-like return but with reduced levels of volatility. The protection portfolio is designed to partially hedge the interest rate and inflation expectation exposure of the liabilities which are measured on a local regulatory basis. The amount that is required to be invested in each fund to maintain target hedge ratios will vary over time as the value of the liabilities

change and the allocations within the protection portfolio will be allowed to vary accordingly. All of the invested assets of the U.K. Plan are held via pooled funds managed by professional investment managers. The U.K. Plan assumes a 5.2% expected long-term weighted-average rate of return on assets for the Plan in total.

The Company's U.K. Plan comprises \$126 million of the \$131 million in fair value of Non-U.S. plan assets as of December 31, 2022 and comprises \$248 million of the \$255 million in fair value of Non-U.S. plan assets as of December 31, 2021. Contributions

The Company's policy for funded plans is to contribute annually, at a minimum, amounts required by applicable laws, regulations and union agreements. From time to time, the Company makes contributions beyond those legally required. In 2022 and 2021, the Company did not make any cash contributions to its U.S. qualified pension plan.

In 2022, the Company made no contributions to its U.S. non-qualified pension plans. In 2021, the Company made \$24 million of contributions to its U.S. non-qualified pension plans. In 2022, the Company made no discretionary contributions to its U.K. Plan. In 2021, the Company made discretionary contributions of \$3 million to its U.K. Plan.

The Company does not anticipate contributing to the U.S. qualified pension plan during 2023. The Company anticipates contributing approximately \$1 million to the U.K. Plan and approximately \$2 million to its other international plans during 2023. The level of 2023 and future contributions will vary, and is dependent on a number of factors including investment returns, interest rate fluctuations, plan demographics, funding regulations and the results of the final actuarial valuation.

Multiemployer Pension Plans

The Company contributes to several multiemployer defined benefit pension plans under collective bargaining agreements that cover certain of its union-represented employees. The risks of participating in such plans are different from the risks of a single-employer plan, in the following respects:

- a) Assets contributed to a multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- b) If a participating employer ceases to contribute to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- c) If the Company ceases to have an obligation to contribute to the multiemployer plan in which the Company had been a contributing employer, the Company may be required to pay to the plan an amount based on the underfunded status of the plan and on the history of its participation in the plan prior to the cessation of its obligation to contribute. The amount that an employer that has ceased to have an obligation to contribute to a multiemployer plan is required to pay to the plan is referred to as a withdrawal liability.

Amounts accrued for benefit payments under the Company's multiemployer pension plans of \$20 million represent the net present value of projected liabilities as of December 31, 2022. The Company's participation in multiemployer plans is outlined in the table below. For plans that are not individually significant to the Company, the total amount of contributions is presented in the aggregate.

During 2021, Hertz Global's Board approved the Hertz Global Holdings, Inc. 2021 Omnibus Incentive Plan (the "2021 Omnibus Plan"). The Company initially authorized 62,250,055 shares of its common stock pursuant to awards granted under the 2021 Omnibus Plan. In addition, beginning on June 30, 2022, and ending on June 20, 2031 (an "Evergreen Date"), the total authorized shares under the 2021 Omnibus Plan will automatically increase by a number of shares equal to 2% of the total number of shares of the Company's common stock outstanding on the June 29th immediately preceding the applicable Evergreen Date. Notwithstanding the foregoing, the Company's Board may act prior to the Evergreen Date of a given year to provide that there will be no automatic increase for such year, or that the increase for such year will be a lesser number of shares. As of December 31, 2022, 41,866,495 shares of the Company's common stock are authorized and remain available for future grants under the 2021 Omnibus Plan.

A summary of the total compensation expense and related income tax benefits recognized for grants made under the 2021 Omnibus Plan is as follows:

<u>(In millions)</u>	<u>Years Ended December 31,</u>	
	<u>2022</u>	<u>2021</u>
Compensation expense	\$ 129	\$ 7
Income tax benefit	(7)	(2)
Total	<u>\$ 122</u>	<u>\$ 5</u>

As of December 31, 2022, there was \$214 million of total unrecognized compensation cost expected to be recognized over the remaining 2.2 years, on a weighted average basis, of the requisite service period that began on the grant dates.

The 2021 Omnibus Plan provides for the award of stock options, stock appreciation rights ("SARs"), performance stock, PSUs, performance units ("PUs"), restricted stock, RSUs, share awards and deferred stock units to eligible recipients. Under the 2021 Omnibus Plan, the Compensation Committee of the Board (the "Compensation Committee") has the authority to determine the eligible recipients to whom awards may be granted, the types of awards and their terms or conditions.

Stock Options and SARs

The 2021 Omnibus Plan provides that stock option grants may be either incentive stock options or non-statutory stock options, however, the Company may not grant incentive stock options until such time as the plan has been approved by the Company's stockholders. Except in the case of replacement awards, stock options will have an exercise price per share that is no less than fair market value of the Company's common stock on the stock option grant date.

SARs may be granted to participants in tandem with stock options or on their own. Unless otherwise determined by the Compensation Committee at or after the grant date, tandem SARs will have substantially similar terms as the stock options with which they are granted. Generally, each SAR will entitle the participant upon exercise to an amount (in cash, shares or a combination of cash and shares, as determined by the Compensation Committee) equal to the product of (i) the excess of (A) the fair market value on the exercise date of one share of common stock, over (B) the strike price per share, times (ii) the number of shares of common stock covered by the SAR.

Performance Stock Awards, Performance Stock Units and Performance Units

PSAs, PSUs and PUs granted under the 2021 Omnibus Plan will vest based on the achievement of predetermined performance goals over performance periods determined by the Compensation Committee or upon the occurrence of certain events, as determined by the Compensation Committee. PSAs are awards of common stock that are subject to forfeiture until predetermined performance conditions have been achieved. A PSU is a contractual right to receive a stated number of shares of common stock, or if provided by the Compensation Committee on or after the grant date, cash equal to the fair market value of such shares of common stock or any combination of shares of common stock and cash having an aggregate fair market value equal to such stated number of shares of common stock, which right is forfeitable until the achievement of predetermined performance conditions. PUs represent the right to receive a cash denominated award, payable in cash or shares of common stock or a combination thereof, and are forfeitable until the achievement of predetermined performance conditions.

(1) Presented assuming the issuance at the original target award amount (100%).

Compensation expense for PSUs is based on the grant date fair value. For grants issued in 2022, vesting eligibility is based on market, performance and service conditions of one to five years. Accordingly, the number of shares issued at the end of the performance period could range between 0% and 200% of the original target award amount (100%) disclosed in the table above. Certain of these PSUs were valued on the grant date using a Monte Carlo simulation model that incorporates the assumptions noted in the following table:

As of December 31, 2022, there were no issued or outstanding grants of PSAs or PUs under the 2021 Omnibus Plan.

Restricted Stock and Restricted Stock Units

Restricted stock and RSUs granted under the 2021 Omnibus Plan vest based on a minimum period of service or the occurrence of events specified by the Compensation Committee. Restricted stock and RSUs are subject to forfeiture until vested. Compensation expense for RSUs is based on the grant date fair value, and is recognized ratably over the vesting period. RSU grants issued in 2022 vest over a period of two to four years. For grants issued in 2021, the vesting period is three years except for 500,000 shares that vested in the first half of 2022.

A summary of RSU activity as of and for the year ended December 31, 2022 under the 2021 Omnibus Plan is presented below:

Note 9—Leases

The Company enters into certain agreements as a lessor under which it rents vehicles and leases fleets to customers. The Company enters into certain agreements as a lessee to rent real estate, vehicles and other equipment and to conduct its vehicle rental operations under concession agreements. If any of the following criteria are met, the Company classifies the lease as a financing lease (as a lessee) or as a direct financing or sales-type lease (both as a lessor):

- The lease transfers ownership of the underlying asset to the lessee by the end of the lease term;
- The lease grants the lessee an option to purchase the underlying asset that the Company is reasonably certain to exercise;
- The lease term is for 75% or more of the remaining economic life of the underlying asset, unless the commencement date falls within the last 25% of the economic life of the underlying asset;
- The present value of the sum of the lease payments equals or exceeds 90% of the fair value of the underlying asset; or
- The underlying asset is of such a specialized nature that it is expected to have no alternative use to the lessor at the end of the lease term.

Leases that do not meet any of the above criteria are accounted for as operating leases.

The Company combines lease and non-lease components in its contracts under ASC 842, *Lease Accounting* ("Topic 842"), when permissible.

The following further describes the Company's leasing transactions.

Lessor

The Company's operating leases for vehicle rentals have rental periods that are typically short term (e.g., daily or weekly) and can generally be extended for up to one month or terminated at the customer's discretion. Rental charges are computed on a limited or unlimited mileage rate, or on a time rate plus a mileage charge. In connection with the vehicle rental, the Company offers supplemental equipment rentals (e.g., child seats and ski racks) which are deemed lease components. The Company also offers value-added services in connection with the vehicle rental, which are deemed non-lease components, such as loss or collision damage waiver, theft protection, liability and personal accident/effects insurance coverage, premium emergency roadside service and satellite radio. Additionally, the Company charges for variable services primarily consisting of tolls, refueling and recharging during the rental period, and for fees associated with the early or late termination of the vehicle lease. The Company mitigates residual value risk of its revenue earning vehicles by utilizing manufacturer repurchase and guaranteed depreciation programs, using sophisticated vehicle diagnostic and repair equipment to maintain the condition of its vehicles and through periodic reviews of vehicle depreciation rates based on management's ongoing assessment of present and estimated future market conditions.

Total revenues	<u>\$ 8,685</u>	<u>\$ 7,336</u>	<u>\$ 5,258</u>

Lessee

As a lessee, the Company has the following types of operating leases:

- Concession agreements which grant the Company the right to conduct its vehicle rental operations at airports, hotels and train stations and to use building space such as terminal counters and parking garages;
- Real estate leases for its off airport vehicle rental locations and other premises;
- Revenue earning vehicle leases; and
- Other equipment leases.

The Company's lease terms generally range from one month to thirty-five years and a number of agreements contain escalation clauses, which increase the payment obligation based on a fixed or variable rate and renewal options. The length of renewals vary and may result in different payment terms. Payment terms are based on fixed rates explicit in the lease, including guaranteed minimums and/or variable rates based on:

- Operating expenses, such as common area charges, real estate taxes and insurance;
- A percentage of revenues or sales arising at the relevant premises; and/or
- Periodic inflation adjustments.

The Company recognizes a right-of-use asset and lease liability in its accompanying consolidated balance sheets for leases with a term greater than twelve months. Options to extend or terminate a lease are included in the Company's right-of-use asset and lease liability when it is reasonably certain that such options will be exercised. The Company does not recognize right-of-use assets or lease liabilities for short-term leases (i.e., those with a term of twelve months or less) and recognizes lease expense on a straight-line basis over the lease term, as applicable.

To determine the present value of its lease payments, the Company utilizes the interest rate implicit in the lease agreement. If the implicit interest rate cannot be determined in the lease agreement, the Company utilizes the Company's collateralized incremental borrowing rate as of January 1, 2019, the adoption date of Topic 842, or the commencement date of the lease, whichever is later.

In determining valuation allowances, an assessment of positive and negative evidence was performed regarding realization of the deferred tax assets. This assessment included the evaluation of cumulative earnings and losses in recent years, scheduled reversals of deferred tax liabilities, the availability of carryforwards and the remaining period of the respective carry forward, future taxable income and any applicable tax-planning strategies that are available.

As of December 31, 2022, the Company has approximately \$1.3 billion of tax-effected U.S. federal net operating loss carryforwards ("Federal NOLs"), which have an indefinite carryforward period and may offset 80% of taxable income generate in any future year. The Company has approximately \$45 million of federal tax credits which begin expiring in 2025. The Company has approximately \$50 million of tax-effected federal deferred interest expense which has an indefinite carryforward period. The Company has not recorded a valuation allowance on its Federal NOLs, federal credits, or deferred interest expense as there were adequate U.S. deferred tax liabilities that could be realized within the carry forward periods.

As of December 31, 2022, the Company has approximately \$164 million of tax-effected U.S. federal capital loss carryforwards of which a valuation allowance of approximately \$162 million has been recorded.

As of December 31, 2022, the Company has approximately \$194 million of tax-effected state net operating loss carryforwards. Some of these net operating losses have an indefinite carryforward period, and those that do not will begin to expire in 2023 if not utilized. These net operating losses are offset, in part, by a valuation allowance totaling \$63 million. The Company has approximately \$37 million in state tax credits for which a full valuation allowance is recorded. The state tax credits expire over various years beginning in 2023 depending upon the period when they

were generated and the particular jurisdiction. The Company has approximately \$19 million of tax-effected deferred interest expense which has an indefinite carryforward period. The Company has approximately \$27 million of tax effected state capital losses that are fully offset by a valuation allowance. The tax effected amounts for all state tax attributes are net of federal benefit.

As of December 31, 2022, the Company has approximately \$243 million of tax-effected foreign net operating loss carry forwards. Some of the net operating losses have an indefinite carryforward period, and those that do not will begin to expire in 2031 if not utilized. These net operating losses are offset, in part, by a valuation allowance totaling \$187 million. The Company has no tax credits in foreign jurisdictions. The Company has approximately \$2 million of tax-effected foreign deferred interest which has an indefinite carryforward period. The Company has approximately \$3 million of tax-effected foreign capital loss carryforwards which a full valuation allowance has been recorded.

The Company recorded a valuation allowance against most of our deferred tax assets for several European operations as of both December 31, 2022, and December 31, 2021. We intend to continue maintaining a full valuation allowance on our deferred tax assets until there is sufficient evidence to support the reversal of all or some portion of these allowances. However, given our current earnings and anticipated future earnings, we believe that there is a reasonable possibility that within the next 12 months, sufficient positive evidence may become available to allow us to reach a conclusion that a portion of the valuation allowance will no longer be needed. Release of the valuation allowance would result in the recognition of certain deferred tax assets and a decrease to income tax expense for the period the release is recorded. However, the exact timing and amount of the valuation allowance release are subject to change on the basis of the level of profitability that we are able to actually achieve.

Due to the ownership changes before and upon emergence from Chapter 11, the utilization of the Company's Federal, State and Foreign NOLs may be subject to limitations. Estimates of these limitations have been reflected in the tax provision.

The significant items in the reconciliation of the statutory and effective income tax rates consists of the following items in the table below. Percentages are calculated from the underlying numbers in thousands, and as a result, may not agree to the amount when calculated in millions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

The change in tax provision in 2022 compared to 2021 is driven by improvements in financial performance in 2022, as well as the non-taxable change in fair value of Public Warrants, the tax benefits associated with the restructuring in Europe recognized in 2021, the impact of changes to state and foreign valuation allowances, and non-deductible bankruptcy costs incurred in 2021. Hertz Holdings exclusive items are comprised of transactions specific to Hertz Holdings only.

The Company recorded a tax provision in 2021 compared to a tax benefit in 2020. The change was primarily driven by improvements in the Company's financial performance in 2021, changes in the mix of earnings and losses in jurisdictions for which no tax benefit can be recognized, non-deductible bankruptcy expenses, and reduced by the tax benefits of the European reorganization.

A reconciliation of the beginning and ending amount of unrecognized tax benefits is as follows:

Hertz Global and Hertz

(In millions)	Years Ended December 31,		
	2022	2021	2020
Balance as of January 1	\$ 106	\$ 53	\$ 48
Increase (decrease) attributable to tax positions taken during prior periods	184	65	5
Increase (decrease) attributable to tax positions taken during the current year	9	19	1
Decrease attributable to settlements with taxing authorities	(1)	(31)	(1)
Balance as of December 31	\$ 298	\$ 106	\$ 53

The total amount of unrecognized tax benefits that, if recognized, would favorably impact the effective tax rate is \$200 million. Net, after-tax interest and penalties related to tax liabilities are classified as a component of income tax in the accompanying consolidated statements of operations which were not significant for the years ended December 31, 2022, 2021 and 2020. Net, after-tax interest and penalties were accrued as a component of tax in the Company's consolidated balance sheet in the amount of \$7 million and \$7 million as of December 31, 2022 and 2021, respectively.

During 2021 as part of a restructuring of European operations, we generated a tax loss of approximately \$1.3 billion, which was characterized as a capital loss in the 2021 provision. The Company is in the process of obtaining a pre-filing agreement with the Internal Revenue Services to determine whether the capital loss qualifies as an ordinary loss. It is reasonably possible that the total amounts of unrecognized tax benefits will significantly decrease by approximately \$190 million within 12 months of our reporting date if the IRS confirms that the loss we generated is ordinary in nature.

The Company is subject to examination by taxing authorities throughout the world. The tax years that are open for examination span from 2010 to 2022. Additionally, the Company is under audit in several U.S. states and other foreign jurisdictions, and it is reasonably possible that the amount of unrecognized tax benefits may change as the result of the completion of ongoing examinations, the expiration of the statute of limitations or other unforeseen circumstances.

During 2020, the IRS proposed transfer pricing adjustments to the Company's 2014 and 2015 tax years, for which the company is pursuing competent authority relief.

The Company's assumptions and estimates pertaining to uncertain tax positions require significant judgment. It is possible that the tax authorities could challenge the Company's estimates and assumptions used to assess the tax benefits, and the actual amount of the tax benefits related to uncertain tax positions may differ materially from these estimates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

The Company has provided for deferred taxes on undistributed earnings of foreign subsidiaries. However, it is not practicable to estimate the deferred taxes on other differences on investments in foreign subsidiaries.

Note 12—Financial Instruments

The Company employs established risk management policies and procedures, and, under the terms of our ABS facilities, may be required to enter into interest rate derivatives, which seek to reduce the Company's commercial risk exposure to fluctuations in interest rates and currency exchange rates. Although the instruments utilized involve varying degrees of credit, market and interest risk, the Company contracts with multiple counterparties to mitigate concentrations of risk and the counterparties to the agreements are expected to perform fully under the terms of the agreements. The Company monitors counterparty credit risk, including lenders, on a regular basis, but cannot be certain that all risks will be discerned or that its risk management policies and procedures will always be effective. Additionally, upon the occurrence of an event of default under the Company's International Swaps and Derivatives Association ("ISDA") master derivative agreements, the non-defaulting party generally has the right, but not the obligation, to set-off any early termination amounts under any such agreements against any other amounts owed with regard to any other agreements between the parties to each such agreement.

None of the Company's financial instruments have been designated as hedging instruments as of December 31, 2022 and 2021.

Interest Rate Risk

The Company uses a combination of interest rate caps and swaps to manage its exposure to interest rate movements and to manage its mix of floating and fixed-rate debt.

Currency Exchange Rate Risk

The Company uses foreign currency exchange rate derivative financial instruments to manage its currency exposure resulting from intercompany transactions and other cross currency obligations.

Fair Value

(1) In 2021, \$6 million of gains on interest rate instruments were recorded in other (income) expense, net, offset by \$3 million of losses on interest rate instruments which were recorded in selling, general and administrative expense.

(2) In 2020, all gains (losses) on financial instruments were recorded in selling, general and administrative expense.

The Company's foreign currency forward contracts and certain interest rate instruments are subject to enforceable master netting agreements with their counterparties. The Company does not offset such derivative assets and liabilities in its consolidated balance sheets, and the potential effect of the Company's use of the master netting arrangements is not material.

Note 13—Fair Value Measurements

Under U.S. GAAP, entities are allowed to measure certain financial instruments and other items at fair value. The Company has not elected the fair value measurement option for any of its assets or liabilities that meet the criteria for this option. Irrespective of the fair value option previously described, U.S. GAAP requires certain financial and non-financial assets and liabilities of the Company to be measured on either a recurring basis or on a nonrecurring basis.

Fair Value Disclosures

The fair value of cash, restricted cash, accounts receivable, accounts payable and accrued liabilities, to the extent the underlying liability will be settled in cash, approximates the carrying values because of the short-term nature of these instruments.

Debt Obligations

The fair value of the debt facilities is estimated based on quoted market rates as well as borrowing rates currently available to the Company for loans with similar terms and average maturities (i.e., Level 2 inputs).

Assets and Liabilities Measured at Fair Value on a Recurring Basis

The following table summarizes the Company's cash equivalents, restricted cash equivalents and Public Warrants that are measured at fair value on a recurring basis and are categorized using the fair value hierarchy as follows:

(In millions)	December 31, 2022				December 31, 2021			
	Level 1	Level 2	Level 3	Total	Level 1	Level 2	Level 3	Total

Liabilities:								
Public Warrants	\$ 617	\$ —	\$ —	\$ 617	\$ 1,324	\$ —	\$ —	\$ 1,324

Cash Equivalents and Restricted Cash Equivalents

The Company's cash equivalents and restricted cash equivalents primarily consist of investments in money market funds and bank money market and interest-bearing accounts. The Company determines the fair value of cash equivalents and restricted cash equivalents using a market approach based on quoted prices in active markets (i.e., Level 1 inputs).

Public Warrants

Hertz Global's Public Warrants are classified as liabilities and recorded at fair value in the accompanying consolidated balance sheets as of December 31, 2022 and 2021 in accordance with the provisions of ASC 480, *Distinguishing Liabilities from Equity* ("Topic 480"). See Note 19, "Public Warrants - Hertz Global," for further details. Upon issuance on the Effective Date, the initial fair value of the Public Warrants was \$800 million. The Company calculates the fair value based on the end-of-day quoted market price, a Level 1 input of the fair value hierarchy. For the years ended December 31, 2022 and 2021, the fair value adjustments resulted in a gain of \$704 million and a loss of \$627 million, respectively, and were recorded in change in fair value of Public Warrants in the accompanying consolidated statements of operations for Hertz Global for the years ended December 31, 2022 and 2021.

Financial Instruments

The fair value of the Company's financial instruments as of December 31, 2022 and 2021 are disclosed in Note 12, "Financial Instruments." The Company's financial instruments are classified as Level 2 assets and liabilities and are priced using quoted market prices for similar assets or liabilities in active markets.

Legal Proceedings

Self-Insured Liabilities

The Company is currently a defendant in numerous actions and has received numerous claims on which actions have not yet commenced for self-insured liabilities arising from the operation of motor vehicles rented from the Company. The obligation for self-insured liabilities on self-insured U.S. and international vehicles, as stated in the accompanying consolidated balance sheets, represents an estimate for both reported accident claims not yet paid and claims incurred but not yet reported. The related liabilities are recorded on an undiscounted basis and are based on rental volume and actuarial evaluations of historical accident claim experience and trends, as well as future projections of ultimate losses, expenses, premiums and administrative costs. As of December 31, 2022 and 2021, the Company's liability recorded for self-insured liabilities was \$472 million and \$463 million, respectively. The Company believes that its analysis is based on the most relevant information available, combined with reasonable assumptions. The liability is subject to significant uncertainties. The adequacy of the liability is regularly monitored based on evolving accident claim history and insurance related state legislation changes. If the Company's estimates change or if actual results differ from these assumptions, the amount of the recorded liability is adjusted to reflect these results.

Loss Contingencies

From time to time the Company is a party to various legal proceedings, typically involving operational issues common to the vehicle rental business. The Company has summarized below the material legal proceedings to

HERTZ GLOBAL HOLDINGS, INC. AND SUBSIDIARIES
THE HERTZ CORPORATION AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

which the Company was a party during the year ended December 31, 2022 or the period after December 31, 2022, but before the filing of this 2022 Annual Report.

Make-Whole and Post-Petition Interest Claims - On July 1, 2021, Wells Fargo Bank, N.A., in its capacity as indenture trustee of (1) 6.250% Unsecured Notes due 2022 (the "2022 Notes"), (2) 5.500% Unsecured Notes due 2024 (the "2024 Notes"), (3) 7.125% Unsecured Notes due 2026 (the "2026 Notes"), and (4) 6.000% Unsecured Notes due 2028 (the "2028 Notes") issued by The Hertz Corporation (collectively, the "Notes"), filed a complaint (the "Complaint") against The Hertz Corporation and multiple direct and indirect subsidiaries thereof (collectively referred to in this summary as "Defendants"). The filing of the Complaint initiated the adversary proceeding captioned *Wells Fargo Bank, National Association v. The Hertz Corporation, et al.* in the United States Bankruptcy Court for the District of Delaware, Adv. Pro. No. 21-50995 (MFW). The Complaint seeks a declaratory judgment that the holders of the Unsecured Notes are entitled to payment of certain redemption premiums and post-petition interest that they assert total approximately \$272 million or, in the alternative, are entitled to payment of post-petition interest at a contractual rate that they assert total approximately \$125 million. The Complaint also asserts the right to pre-judgment interest from July 1, 2021, to the date of any judgment. On December 22, 2021, the Bankruptcy Court dismissed Wells Fargo's claims with respect to (i) the redemption premium allegedly owed on the 2022 and 2024 Notes and (ii) post-petition interest at the contract rate. On November 9, 2022, the Bankruptcy Court ruled that the make-whole premium is the same as unmaturing interest and is disallowed under the U.S. Bankruptcy Code, granting summary judgment in the Defendants' favor. The Bankruptcy Court certified the matter directly to the U.S. Court of Appeals for the Third Circuit (the "Third Circuit") and, on January 25, 2023, the Third Circuit accepted Wells Fargo's appeal. The Defendants intend to continue to vigorously defend against the claims in this matter through the appellate process. The Company cannot predict the ultimate outcome or timing of this litigation.

Claims Related to Alleged False Arrests - A group of claims involving allegations that the police detained or arrested individuals in error after the Company reported rental cars as stolen have been advanced against the Company. These claims first arose from actions allegedly taken by the Company prior to its emergence from bankruptcy reorganization; some claims allege post-emergence behavior by the Company. These claims have been the subject of press coverage and the Company has received inquiries on the matter from certain members of government. The Company has policies to help ensure the proper treatment of its customers and to seek to protect itself against the theft of its services or assets, and has taken significant steps to modernize and update those policies. In December 2022, the Company entered into settlement agreements with 364 claimants in full and final resolutions of their claims for an aggregated amount of approximately \$168 million (the "Settlement"), all of which amount was paid by the Company during December 2022. The Settlement resolved nearly all of the false arrest-related claims being advanced in the U.S. Bankruptcy Court for the District of Delaware, Adv. Pro. No. 20-11247 (MFW) and state court in Delaware (captioned *Flannery, et al. v. Hertz Global Holdings, Inc., et al.*, C.A. No. N22C-07-100 and *Okoasia, et al. v. Hertz Global Holdings, Inc., et al.*, C.A. No. N22C-09-531). Also as a result of the Settlements, state court matters pending in Pennsylvania, captioned *Lovelace, et al. v. Hertz Global Holdings, Inc., et al.*, Case No. 220801729, and in Florida, captioned *Lizasoain, et al. v. Hertz Global Holdings, Inc., et al.*, Case No. 2022-015316-CA-1, were dismissed with prejudice. In the small number of claims remaining, the Company continues to vigorously defend itself and believes that the ultimate resolution of such remaining claims will not have a material adverse effect on the Company's business, financial condition, results of operations or cash flows. Relatedly, in May 2022, the Company filed a complaint against several of its insurers seeking a determination of its rights under its commercial general liability, and directors and officers liability, insurance policies for these alleged claims in a declaratory judgment action pending in Delaware Superior Court, *Hertz Global Holdings, Inc., et al. v. ACE American Insurance Co., et al.*, C.A. No. N22C-05-130 MMJ (CCLD). The Company believes that a meaningful portion of the amount being paid for the Settlements will ultimately be recovered from its insurance carriers.

The Company has established reserves for matters where the Company believes that losses are probable and can be reasonably estimated. Other than the aggregate reserve established for claims for self-insured liabilities, none of those reserves are material. For matters where the Company has not established a reserve, the ultimate outcome or resolution cannot be predicted at this time, or the amount of ultimate loss, if any, cannot be reasonably estimated. These matters are subject to many uncertainties and the outcome of the individual litigated matters is not predictable with assurance. It is possible that certain of the actions, claims, inquiries or proceedings could be decided unfavorably to the Company or any of its subsidiaries involved. Accordingly, it is possible that an adverse

THE HERTZ CORPORATION AND SUBSIDIARIES**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

outcome from such a proceeding could exceed the amount accrued in an amount that could be material to the Company's consolidated financial condition, results of operations or cash flows in any particular reporting period.

Other Proceedings

Litigation Against Former Executives - The Company filed litigation in the U.S. District Court for the District of New Jersey against former executives Mark Frissora, Elyse Douglas and John Jefferey Zimmerman on March 25, 2019, and in state court in Florida against former executive Scott Sider on March 28, 2019. The complaints predominantly alleged breach of contract and sought repayment of incentive-based compensation received by the defendants in connection with restatements included in the former Hertz Global Holdings, Inc. ("Old Hertz Holdings") Form 10-K for the year ended December 31, 2014 and related accounting for prior periods. The complaints also sought recovery for the costs of an SEC investigation that resulted in an administrative order on December 31, 2018 with respect to events generally involving the restatements included in Old Hertz Holdings Form 10-K for the year ended December 31, 2014 and other damages resulting from the necessity of the restatements. The Company is pursuing these legal proceedings in accordance with its clawback policy and contractual rights. In October 2019, the Company entered into a confidential settlement agreement with Elyse Douglas and, on April 14, 2021, the Bankruptcy Court approved a Settlement Agreement between the Company and Scott Sider, closing the Florida action. Additionally, on December 29, 2021, the Company entered into a confidential settlement agreement with Jeff Zimmerman, leaving Mark Frissora as the sole remaining defendant in the New Jersey action. Fact and expert discovery have been completed and competing dispositive motions were fully briefed as of October 26, 2022. Pursuant to the agreements governing the separation of Herc Holdings Inc. from Hertz Global that occurred on June 30, 2016, Herc Holdings Inc. is entitled to 15% of the net proceeds of any repayment or recovery from these cases.

Indemnification Obligations

In the ordinary course of business, the Company has executed contracts involving indemnification obligations customary in the relevant industry and indemnifications specific to a transaction such as the sale of a business. These indemnification obligations might include claims relating to the following: environmental matters; intellectual property rights; governmental regulations and employment-related matters; customer, supplier and other commercial contractual relationships and financial matters. Specifically, the Company has indemnified various parties for the costs associated with remediating numerous hazardous substance storage, recycling or disposal sites in many states and, in some instances, for natural resource damages. The amount of any such expenses or related natural resource damages for which the Company may be held responsible could be substantial. In addition, Hertz entered into customary indemnification agreements with Hertz Holdings and certain of the Company's stockholders and their affiliates pursuant to which Hertz Holdings and Hertz will indemnify those entities and their respective affiliates, directors, officers, partners, members, employees, agents, representatives and controlling persons, against certain liabilities arising out of performance of a consulting agreement with Hertz Holdings and each of such entities and certain other claims and liabilities, including liabilities arising out of financing arrangements or securities offerings. The Company has entered into customary indemnification agreements with each of its directors and certain of its officers. Performance under these indemnification obligations would generally be triggered by a breach of terms of the contract or by a third-party claim. In connection with the separation of the car rental business in 2016, the Company executed an agreement with Herc Holdings Inc. that contains mutual indemnification clauses and a customary indemnification provision with respect to liability arising out of or resulting from assumed legal matters. The Company regularly evaluates the probability of having to incur costs associated with these indemnification obligations and has accrued for expected losses that are probable and estimable.

Note 16—Related Party Transactions

Transactions and Agreements between Hertz Holdings and Hertz

In June 2019, Hertz entered into a master loan agreement with Hertz Holdings for a facility size of \$425 million with an expiration in June 2020 (the "2019 Master Loan"). As a result of the Chapter 11 Cases, the full amount outstanding under the 2019 Master Loan was deemed uncollectible, resulting in a charge of \$133 million during the second quarter of 2020. Additionally, the loan due to an affiliate, which represented a tax-related liability from Hertz

to Hertz Holdings, in the amount of \$65 million was subsequently settled via a non-cash distribution from Hertz to Hertz Holdings in 2021.

Other Relationships

In connection with its vehicle rental businesses, the Company enters into millions of rental transactions every year involving millions of customers. In order to conduct those businesses, the Company also procures goods and services from thousands of vendors. Some of those customers and vendors may be affiliated with members of the Company's Board. The Company believes that all such rental and procurement transactions involved terms no less favorable to the Company than those that it believes would have been obtained in the absence of such affiliation. The Company's Audit Committee oversees compliance through our Standards of Business Conduct, reviews conflicts of interest involving directors and determines whether to approve each transaction that involves the Company or any of its affiliates, on one hand, and (directly or indirectly) a director or member of his or her family or any entity managed by any such person, on the other hand.

767 Auto Leasing LLC

In January 2018, Hertz entered into the 767 Lease Agreement pursuant to which Hertz granted 767, an entity affiliated with a related party until May 2020, the option to acquire certain vehicles from Hertz. The 767 Lease Agreement was terminated effective October 31, 2021 as disclosed in Note 3, "Divestitures."

Under reorganized Hertz Global's revised articles of incorporation, 1,000,000,000 shares of reorganized Hertz Global common stock, par value \$0.01 per share, have been authorized for issuance. Each share represents one vote on matters presented to the voting stockholders of reorganized Hertz Global. The consideration received by reorganized Hertz Global upon the issuance of common stock that exceeded the par value was recorded in additional paid-in capital in the accompanying consolidated balance sheets of Hertz Global as of December 31, 2022 and 2021. The reorganized Hertz Global common stock is not convertible and does not accrue dividends. Dividends, if any, are paid only upon a valid declaration by the Board of reorganized Hertz Global, and such declarations are subject to customary legal and regulatory restrictions, restrictions related to any issued and outstanding preferred stock, and applicable debt covenants.

2021 Rights Offering

On the Effective Date, in accordance with the Plan of Reorganization, reorganized Hertz Global issued 89,049,029 Public Warrants. See Note 19, "Public Warrants - Hertz Global," for attributes of the Public Warrants, which are classified at fair value as a liability for financial reporting purposes under U.S. GAAP.

On December 21, 2021, all shares of the Series A Preferred Stock were repurchased at a price of \$1,250 per share for aggregate payments by Hertz Global of \$1.9 billion. Hertz Global funded such share repurchases with available cash, including proceeds from the offering of the Senior Notes Due 2026 and Senior Notes Due 2029 which were contributed to Hertz Global through a dividend distribution from Hertz. The repurchased shares of Series A Preferred Stock were simultaneously retired.

The difference between the carrying value of the Series A Preferred Stock and the redemption value paid by Hertz Global, including approximately \$7 million in certain fees, of \$450 million was recorded in Hertz Global's additional paid in capital as of December 31, 2021, and accordingly, was subtracted from net income available to common stockholders of Hertz Global for purposes of calculating basic and diluted earnings per share for the year ended December 31, 2021.

Nasdaq Listing

On November 8, 2021, reorganized Hertz Global successfully completed its Nasdaq listing, in which shares of its new common stock were registered with the SEC for a public offering by certain selling stockholders. On November 9, 2021, reorganized Hertz Global's common stock and Public Warrants began trading on Nasdaq under the trading symbols "HTZ" and "HTZWW," respectively. In 2022, the Company completed the 2021 Share Repurchase Program by repurchasing 80,677,021 shares of Hertz Global's common stock during the first and second quarters of 2022 at an average share price of \$19.74 for an aggregate purchase price of \$1.6 billion. In June 2022, Hertz Global's Board of Directors approved the 2022 Share Repurchase Program that authorized additional repurchases of up to an incremental \$2.0 billion worth of shares of Hertz Global's outstanding common stock. Between the inception and December 31, 2022, a total of 47,303,009 shares of Hertz Global's common stock were repurchased under the 2022 Share Repurchase Program at an average share price of \$17.64 for an aggregate purchase price of \$835 million.

Common shares repurchased are included in treasury stock in the accompanying Hertz Global consolidated balance sheets as of December 31, 2022 and 2021. Hertz Global funded the share repurchases with available cash and dividend distributions from Hertz.

Any repurchases will be made at the discretion of Hertz Global's management through a variety of methods, such as open-market transactions (including pre-set trading plans pursuant to Rule 10b5-1 of the Exchange Act), privately negotiated transactions, accelerated share repurchases, and other transactions in accordance with applicable securities laws. The share repurchase authorization has no initial time limit, does not obligate Hertz Global to acquire any particular amount of common stock, and can be discontinued at any time. There can be no assurance as to the timing or number of shares of any repurchases.

Note 18—Earnings (Loss) Per Common Share – Hertz Global

Basic earnings (loss) per common share has been computed based upon the weighted-average number of common shares outstanding. Diluted earnings (loss) per common share has been computed based upon the weighted-average number of common shares outstanding plus the effect of all potentially dilutive common stock equivalents, including Public Warrants, except when the effect would be anti-dilutive.

For the years ended December 31, 2022 and 2021, the diluted weighted-average shares outstanding included the dilutive impact of Public Warrants where the Company assumed share settlement of the Public Warrants as of the beginning of the reporting period. Additionally, the Company removes the change in fair value of Public Warrants when computing diluted earnings (loss) per common share, when the impact of Public Warrants is dilutive.

As disclosed in Note 17, "Equity – Hertz Global," in December 2021 all shares of the Series A Preferred Stock were repurchased by Hertz Global. The difference between the carrying value of the Series A Preferred Stock and the redemption value paid by Hertz Global was deemed a dividend to the holders of Hertz Global's Series A Preferred Stock, along with certain fees for purposes of computing basic and diluted earnings per share below. As dividends represent earnings that were not available to the holders of Hertz Global's common stock when computing basic and diluted earnings (loss) per common share, they are reflected as an adjustment to net income (loss) available to common stockholders when computing basic and diluted earnings (loss) per common share for Hertz Global for the year ended December 31, 2021.

Note 19—Public Warrants - Hertz Global

On the Effective Date, in accordance with the Plan of Reorganization and the Public Warrant Agreement, reorganized Hertz Global issued 89,049,029 Public Warrants with an initial exercise price of \$13.80 per Public Warrant, subject to certain conditions. The Public Warrants allow the holders to purchase up to 18% of the aggregate number of reorganized Hertz Global common interests issued and outstanding as of the Effective Date. Each Public Warrant will entitle the holders to receive one share of reorganized Hertz Global common stock. The Public Warrants have a 30-year term and are exercisable from the date of issuance until June 30, 2051, at which time any unexercised Public Warrants will expire, and the rights of the holders to purchase reorganized Hertz Global common stock will terminate. The exercise price of the Public Warrants is subject to adjustment from time to time upon any payment of cash dividends relating to reorganized Hertz Global's common stock and the occurrence of certain dilutive events as described in the Public Warrant Agreement. As of December 31, 2022, the exercise price remains \$13.80.

Between the Effective Date and December 31, 2021, 6,040,280 Public Warrants were exercised, of which 428,102 were cashless exercises and 5,612,178 were exercised for \$13.80 per share. Public Warrants began trading on Nasdaq under the trading symbol "HTZWW." The Public Warrants previously traded on the over-the-counter market.

The Company accounts for the Public Warrants in accordance with the provisions of Topic 480, under which the Public Warrants meet the definition of a freestanding financial instrument. Although these are publicly traded warrants, they are classified as liabilities due to certain settlement provisions that are only applicable in the event of change of control (as defined by the Public Warrant Agreement). The Public Warrants are recorded at fair value in the accompanying consolidated balance sheets as of December 31, 2022 and 2021. See Note 13, "Fair Value Measurements."

Note 20—Segment Information

The Company's chief operating decision maker assesses performance and allocates resources based upon the financial information for the Company's reportable segments. The Company has identified two reportable segments, which are consistent with its operating segments and organized based on the products and services provided and the geographic areas in which business is conducted, as follows:

- Americas RAC - Rental of vehicles, as well as sales of value-added services, in the U.S., Canada, Latin America and the Caribbean; and
- International RAC - Rental of vehicles, as well as sales of value-added services, in locations other than the U.S., Canada, Latin America and the Caribbean.

In the second quarter of 2021, as a result of the Donlen Sale, as disclosed in Note 3, "Divestitures," the All Other Operations reportable segment, which consisted primarily of the Company's former Donlen business, was no longer deemed a reportable segment.

In addition to its reportable segments and other operating activities, the Company has corporate operations ("Corporate") which includes general corporate assets and expenses and certain interest expense (including net interest on non-vehicle debt). Corporate includes other items necessary to reconcile the reportable segments to the Company's total amounts.

Note 1—Background and Basis of Presentation

Hertz Global Holdings, Inc. was incorporated in Delaware in 2015 and wholly owns Rental Car Intermediate Holdings, LLC which wholly owns Hertz, Hertz Global's primary operating company.

On May 22, 2020, Hertz Global, Hertz and certain of their direct and indirect subsidiaries in the U.S. and Canada filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code in the U.S. Bankruptcy Court for the District of Delaware. [EXHIBIT L]

Hertz System, Inc.
Franchise Disclosure Document - 2023

California Business and Professions Code Sections 20000 through 20044 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

Upon termination or nonrenewal of the franchise, the Franchise Agreement allows us to offset any amounts you owe us against any amounts we may owe you under the California Franchise Relations Act for the required repurchase of inventory, supplies, equipment, fixtures, and furnishings or our voluntary repurchase of your remaining inventory containing the Marks pursuant to the express terms of the Franchise Agreement. Under California law, we may only offset up to an amount which you agree that you owe us or for which we have received a final adjudication of amounts owed us by you.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101, et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a provision that may be interpreted as a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement contains provisions that may be interpreted as allowing us to modify the Franchise Agreement or to require you to execute a general release in exchange for assistance related to a declared state or federal emergency. Such provisions may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur at a suitable location chosen by the arbitrator in the city where Franchisor's then-current headquarters (presently in Estero, Florida) is located with the costs being equally borne by each party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Florida. This provision may not be enforceable under California law.

No statement, questionnaire, or acknowledgment signed or agreed to by a you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including the California Franchise Investment Law or the California Franchise Relations Act, including fraud in the inducement, or (ii) disclaiming reliance on any statement or representation made by us, any of our employees or agents, any franchise seller, or other person acting on our behalf, including any statement or representation made

DISCLOSURE DOCUMENT
FOR THE STATE OF WASHINGTON**

In recognition of the requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 through 19.100.940 (“**WFIPA**”), the Franchise Disclosure Document Agreement for HERTZ SYSTEM, INC. for use in the State of Washington shall be amended as follows:

1. In the event of a conflict of laws, the provisions of WFIPA will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with us including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with us including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of WFIPA, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under WFIPA or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under WFIPA, or rights or remedies under WFIPA such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect our reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
8. No statement, questionnaire, or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.
