What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, and/or litigation only in Pennsylvania. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Pennsylvania than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Intangible Assets.** Intangible Assets represents a substantial portion of the franchisor's total assets.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN

NOTICE REQUIRED BY THE MICHIGAN FRANCHISE INVESTMENT LAW

The following statement is required to be provided to you under the Michigan Franchise Investment Law. By providing this statement, we do not represent or warrant that any of the following provisions of the law are enforceable. We reserve the right to contest the enforceability of any of the following provisions.

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation or endorsement by the attorney general.

ITEM 1: THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

The Franchisor is Main Line Brands LLC. For ease of reference, Main Line Brands LLC will be referred to as “we,” “us,” or “Fitness Machine Technicians FMT,” which is the name under which you will operate. We will refer to the person or entity who buys the franchise as “you” throughout the Disclosure Document. If you are a corporation, limited liability company, partnership or other corporate entity, certain provisions of the agreement also apply to your owners and will be noted.

Our agents for service of process are disclosed in Exhibit A.

We are a Delaware limited liability company, originally formed as Authority Franchising, LLC on September 10, 2020, and we changed our name to Main Line Brands LLC effective on March 18, 2021.

We conduct business under the names “Fitness Machine Technicians FMT”, “Mosquito Authority” and “Pest Authority.” We do not do business under any other name. Our principal business address is 22359 Perimeter Pointe Parkway, Suite 250, Charlotte, North Carolina 28208.

We began offering franchises for Fitness Machine Technicians FMT in May 2023. We acquired in 2023 and currently operate 1 business of the type being franchised, which business is located in Nebraska.

Our Parents, Predecessors and Affiliates

Our predecessor is Proexco, LLC, a Pennsylvania limited liability company established on October 14, 2011 (“Proexco”). Proexco began offering franchises for Fitness Machine Technicians FMT in 2012 under the name “Exertech”, before rebranding in 2015 as “Fitness Machine Technicians FMT”, and offered and sold franchises through May 2023. Proexco’s last known principal address is 134 Pennsylvania Avenue, Malvern, Pennsylvania 19355.

We acquired all of the outstanding ownership interests in Proexco by a transaction in May 2022 (“Transaction”). Proexco continued to offer franchises “Fitness Machine Technicians FMT after the Transaction until we transitioned the franchisor role in the United States to us in May 2023.

After acquiring all of its outstanding ownership interests in the Transaction, we also became the direct parent and sole member of our affiliated company, DP and Partners, LLC, a Pennsylvania limited liability company formed on April 28, 2020 (“DP”). DP offered franchises for Fitness Machine Technicians FMT businesses in Canada from late 2020 to September 2023 when we transitioned the franchisor role in Canada to us in September 2023. DP’s last known principal business address was 134 Pennsylvania Avenue, Malvern, Pennsylvania 19355.

After acquiring all of its outstanding ownership interests in the Transaction, we are also the direct parent and sole member of our affiliated company, Powersmith, LLC, a Pennsylvania limited liability company originally formed as Powersmith, Inc. on October 17, 2002, and which was converted to a limited liability company effective on May 3, 2022 (“Powersmith”). Powersmith owns and operates 1 business of the type being franchised (in Pennsylvania beginning in 2002), and licenses to us the right to use and sublicense the use of certain trademarks, including the principal mark “Fitness Machine Technicians FMT”. Powersmith has not offered franchises in this or any other lines of business previously. Powersmith’s principal business address is 134 Pennsylvania Avenue, Malvern, Pennsylvania 19355.

We currently operate 1 business of the type being franchised in Nebraska, which we acquired from a franchisee in 2023. We do not currently have any affiliates that offer franchises in any line of business or provide products or services to our franchisees.

However, we separately offer franchises for mosquito, tick, fly and spotted lantern fly control specialty businesses under the name and mark “Mosquito Authority,” and also separately offer franchises for outdoor and indoor pest control and moisture control services and equipment under the name and mark “Pest Authority”. We have offered Mosquito Authority and Pest Authority franchises since October 2020.

Our direct parent is Main Line Brands Holdings, LLC, a Delaware limited liability company originally formed as Authority Franchising Holdings, LLC on September 10, 2020, and which changed its name to Main Line Brands Holdings, LLC effective on March 18, 2021 (“Holdings”). The current principal business address for Holdings is 2359 Perimeter Pointe Parkway, Suite 250, Charlotte, North Carolina 28208. Holdings is majority owned and controlled by Authority Franchising Partners, LLC, a Delaware limited liability company formed on September 10, 2020 (“Partners”). Partners is ultimately controlled by Susquehanna Private Capital Fund II, LLP, a Delaware limited liability partnership formed on December 27, 2019 (“Susquehanna”). The current principal business address for Partners and Susquehanna is 401 E. City Avenue, Bala Cynwyd, Pennsylvania 19004. None of Holdings, Partners nor Susquehanna have offered franchises in this or any other lines of business previously.

Susquehanna became the indirect parent of Soccer Shots Franchising, LLC, a Pennsylvania limited liability company formed on January 15, 2005, effective December 31, 2021. Soccer Shots Franchising, LLC has offered franchises for the “Soccer Shots” brand since February 1, 2005. The current principal business address of Soccer Shots Franchising, LLC is 401 E. City Avenue #220, Bala Cynwyd, Pennsylvania 19004.

Susquehanna became the indirect parent of Little Kickers Canada Management ULC, a British Columbia unlimited liability company, on October 21, 2022. Little Kickers Canada Management ULC and its affiliates, including Little Kickers International Holdings ULC and Little Kickers Franchising Ltd and Little Kickers Canada Operations ULC, own, operate and franchise the Little Kickers system in the United Kingdom, Canada and certain other countries in the world. The current principal business address of Little Kickers Canada Management ULC is 401 City Ave., Bala Cynwyd, PA 19004.

The Franchise Offered

We franchise a system for businesses that provide maintenance and repair services for exercise equipment under the name and mark “FMT” or “Fitness Machine Technicians FMT” (the “Marks” or “Proprietary Marks”).

The franchise grants you the right to own and operate a single “Fitness Machine Technicians FMT” business (the “Business” or “Franchised Business”) and offer all of the products and services which comprise the System in a single designated territory. In addition, you are granted an exclusive right to use and display the Proprietary Marks and trade names and to use the Fitness Machine Technicians FMT copyrighted materials and trade secrets in a defined geographical location called a “Territory.” You must sign our Franchise Agreement, which is attached to this Disclosure Document as Exhibit B. If you wish to own and operate your Franchised Business in more than one designated territory, you must sign a separate Franchise Agreement for each designated territory.

We offer a Full-Size Franchise or a Hometown Franchise to those who meet our then current standards and qualifications, in our determination. The only difference between a Full-Size Franchise and a Hometown Franchise is that a Hometown Franchise territory contains fewer people in the Territory and

therefore pays a reduced Initial Franchise Fee. The specific type of Franchise you will purchase and the specific Initial Franchise Fee you pay will be described in your Franchise Agreement.

For Full-Size Franchises, we will use commercially reasonable efforts to grant only one license to a franchisee for every 600,000 people in a designated geographical area.

For Hometown Franchises, we take into account the number of combined population but we do not have any specific minimum level of total population in a specific geographic area for a Hometown Franchise since this type of Hometown Franchise is meant to serve a smaller community. We will use commercial reasonable efforts, including the use of the most recent information available in the U.S. Census Data, or other statistical sources of our choosing, to determine these demographics. We reserve the right to change, modify, or delete the Population Limits in our sole discretion.

As a Full-Size Franchise or Hometown Franchise operator, you may operate one Franchised Business for each Franchise Agreement you sign with us.

If permitted by your local ordinances, you may operate the Franchised Business from your home, or you may choose to lease a garage or light industrial space for your Franchised Business.

We strongly recommend that you be certified by each exercise equipment manufacturer to provide maintenance and repair services for their equipment. Not having the manufacturer's certification does not stop you from offering repair and maintenance services for that manufacturer's equipment. However, as a certified technician, the manufacturer is more likely to forward service requests to you than if you have not achieved certification. The manufacturer may require you to periodically be recertified.

Competition and Market

The market for exercise equipment repair services is developing, but is not seasonal in nature.

You will offer maintenance and repair services to companies owning exercise equipment, including colleges, universities, hotels and apartment buildings, as well as individuals owning exercise equipment. You will compete with companies offering similar services, including local, regional or national companies, some of which may be franchise systems. Fitness Machine Technicians FMT Businesses offer maintenance and repair services for a variety of manufacturers and are not exclusive to a specific manufacturer.

Industry Specific Laws

You must comply with any state or local licensing or regulatory requirements that may apply to the Franchised Business, which may require you to obtain a special permit to operate a business from your home. You must meet all local, state, or federal contracting laws that may apply to offering this Franchised Business. You should seek counsel or contact your state and local agencies for detailed information about applicable laws and regulations. There may be other laws of general applicability that could impact your operation.

ITEM 4: BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5: INITIAL FEES

Initial Franchise Fee for Full-Size Franchise and Hometown Franchise

When you sign the Franchise Agreement, you must pay us an Initial Franchise Fee (“Initial Franchise Fee”) in full. The Initial Franchise Fee will differ if you are purchasing a Full-Size Franchise or a Hometown Franchise, which is based on the number of people in your proposed territory and identified and added to the Franchise Agreement before you sign.

The Initial Franchise Fee for a Full-Size Franchise is \$45,000, which is based on a proposed territory of approximately 600,000 persons.

The Initial Franchise Fee for a Hometown Franchise is \$25,000.

The initial franchise fee is imposed uniformly on all franchisees. The initial franchise fee is fully earned upon receipt and is not refundable.

During 2023, we sold franchises to existing franchisees for a reduced Initial Franchise Fee of \$10,000.

If you sign two or more Franchise Agreements at the same time for multiple territories when you are signing your first Franchise Agreement with us, we will discount your initial franchise fee by 30% for the second and each additional Franchise Agreement you concurrently sign with us.

From time to time, we may offer special incentive programs as part of our franchise development activities. We reserve the right to offer, modify or withdraw any incentive program without notice to you. We offer a 15% discount of the Initial franchise fee to Veterans of the U.S and Canadian armed forces via the VetFran program.

We will not hold any area in reserve for you, and you are not granted a right of first refusal to any territory, including those territories that are adjacent to yours.

There are no other payments to or purchases from us or our Affiliate that you must make before your Franchised Business begins operating.

During the initial term of the Franchise Agreement, you will maintain rights to your Territory even though the demographics in your Territory may increase or decrease. However, on renewal, we will have the right to reconfigure the Territory (including, for example, changing from a Hometown Territory to a Full-Size if the demographics increase and puts it over the population threshold for a Hometown Territory or vice versa.)

Additional Territories

We do not offer an area development or multi-territory franchise rights, but at our option you may be offered the opportunity to purchase additional Territories. Each Territory must be purchased by paying the then-current Initial Franchise Fee and by signing the then-current Franchise Agreement. However, if you sign two or more Franchise Agreements at the same time for multiple territories when you are signing your first Franchise Agreement with us, we will discount your initial franchise fee by 30% for the second and each additional Franchise Agreement you concurrently sign with us.

In general, none of the expenses listed in the above chart are refundable, except any security deposits you must make may be refundable. The low amount is generally applicable for Hometown Franchises and the high amount is generally applicable for Full-Size Franchises.

1. **Initial Franchise Fee** – The Initial Franchisee Fee is \$25,000 for a Hometown Franchise and is \$45,000 for a Full-Size Franchise. We do not offer a multi-territory agreement, but if you sign two or more Franchise Agreements at the same time for multiple territories when you are signing your first Franchise Agreement with us, we will discount your initial franchise fee by 30% for the second and each additional Franchise Agreement you concurrently sign with us.
2. **Rent; Leasehold Improvements** – The low end of our estimates assume that you will operate the Franchised Business from a home-based office and you will not incur costs for rent or leasehold improvements. If you will operate from a leased space, you will need approximately 2,000 square feet of space in a garage or light industrial location. We anticipate that any space you choose to lease will not need extensive renovation or leasehold improvements.
3. **Equipment, Furnishings and Fixtures** – You will need basic office furnishings, such as a desk, chair, filing cabinet and shelving.
4. **Signage** – The estimate includes the cost of wrapping your service vehicle. If you choose to lease space you may purchase additional signage, but these costs are not included in our estimate.

5. ***Initial Inventory and Operating Supplies*** – You will need to purchase assorted hand tools and testing equipment. If you currently own some of the hand tools we require, you may use these tools if they meet our specifications.
6. ***Security Deposits*** – If you lease space from which to operate your Franchised Business, you may have to pay security deposits to your landlord and your local utility companies.
7. ***Insurance*** – The estimate reflects average quarterly premiums for the insurance you must have for your Franchised Business. Some insurance companies may require you to pay your premiums quarterly, semi-annually, or annually. See Item 8 for a more detailed description of the insurance you must have.
8. ***Training Expenses*** – We will provide our initial training program to three people, one of whom must be you. You must pay for the travel, lodging, meals and applicable wages for you and your trainees. The low end of the estimate assumes that you are the sole trainee and are within driving distance of our training facility and will not incur additional costs. The high end of the estimate assumes that you will need to travel and arrange accommodations to attend initial training. Your actual costs will depend on how far you and your trainees must travel and the accommodations you choose. You must also pay directly to QuickBooks a training fee for small business accounting training.
9. ***Computer System/Software*** – You must have a computer system for your Franchised Business, including hardware and software components (such as Qvinci Software) and a printer. You must also have a tablet computer. See Item 11 for a further discussion of the computer system. The low end of our estimate assumes that you own a computer that we have approved for use in your Franchised Business, and includes the cost of buying the printers. The high end of our estimate assumes you will purchase a new computer system. You will also spend about \$50/month on CRM software as a service.
10. ***Permits/Licenses*** – You must obtain the business permits required by the state or town in which your Franchised Business is located. You may have to obtain a special permit to allow you to operate the Franchised Business from your home. We strongly encourage you to determine which permits and licenses you will need to obtain and the cost of these permits and licenses before you sign the Franchise Agreement.
11. ***Service Vehicle*** – You must purchase or lease the make & model of service vehicle that we specify for your Franchised Business. Each vehicle you obtain for your Franchised Business must be wrapped according to our specifications and must be in excellent condition (including no visible rust or body damage). If you have more than one service vehicle, you are permitted to have branded magnets on the body of the vehicle in lieu of wrapping for a period of 6 months. All additional vehicles operated for the benefit of your Franchised business must be wrapped to our specifications no later than 6 months after obtaining the vehicle. Our estimate assumes three months of vehicle lease payments and \$100 to \$300 per month in fuel. If you choose to purchase a vehicle rather than lease, your initial costs will likely be higher.
12. ***Professional Fees*** – We strongly recommend that you retain an attorney and/or an accountant to assist you in reviewing this franchise offering. You may also wish to form a corporate entity to own the franchise.

13. **Grand Opening Advertising** – You will be required to spend up to \$14,000 on our grand opening marketing plan, at the time and in the manner we specify. If you purchase more than one territory, you will be required to spend a minimum of \$3,000 to \$8,000 per each additional territory.
14. **Service Technician** – It is anticipated that you will hire or contract with a service technician, initially on a part-time basis. Estimate assumes an average of 20 to 32 hours per week, at \$18/hr, for 13 weeks
15. **Additional Funds – 3 Months** – You will need additional capital to support on-going expenses, such as payroll and continuing fees payable to us, if these costs are not covered by sales revenue. We estimate that the amount given will be sufficient to cover on-going expenses for the start-up phase of the business, which we calculate to be three months, but does not include any revenue that you may earn during this period. We have relied on our personnel (including those that previously worked with our predecessor Proexco) and on Founder and Consultant Don Powers in formulating the amount of additional funds described in this Item. We do not finance your initial investment.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

All equipment, fixtures, furnishings, computer hardware and software, supplies and materials required for the operation of your Franchised Business must be purchased by you only from suppliers designated or approved in writing by us (which may include us or our affiliates), or from suppliers selected by you and whom we approve. Currently neither we nor our Affiliate are an approved supplier for any products or services you must purchase or lease, but we reserve the right to designate ourselves or our Affiliate as an approved supplier in the future. None of our officers has an ownership interest in any approved supplier.

The estimated proportion of required purchases and leases to all purchases and leases by you of goods and services in establishing the Franchised Business is approximately 25% to 40% and in operating your Franchised Business ranges approximately from 10% to 20%.

We will give you specifications for the minimum standards of any products, equipment (including your vehicles) and supplies. We reserve the right to require you to purchase certain equipment, tools and supplies for the operation of the Franchised Business, and we reserve the right to specify the make and model for your vehicle. Our specifications, minimum standards and approved suppliers lists will be included in our confidential brand standards manuals (“Brand Standards Manuals”), which is loaned to you for the term of your Franchise Agreement. We may also establish an intranet website for our franchisees to access this and other information. Any changes to our specifications, minimum standards, approved suppliers or the Brand Standards Manuals will be provided to you in writing, including e-mail and/or newsletters.

You must have a reliable vehicle for your Franchised Business. We reserve the right to specify the make of a service vehicle you must purchase or lease, but in any event we must approve of the service vehicle you use. Each vehicle obtained for your Franchised Business must be lettered or painted according to our specifications and must be in excellent condition (including no visible rust or body damage). Each vehicle you obtain for your Franchised Business must be wrapped according to our specifications. You may operate additional vehicles for each technician and these vehicles may operate with branded magnets for a period of 6 months. All additional vehicles utilized for the operation of your franchised business must be wrapped to our specifications no later than 6 months after purchasing them. We prefer that your vehicle be not more than four years old.

You must purchase all replacement parts for repair of exercise equipment from the equipment manufacturers as long as the part is still being manufactured. You may only purchase replacement parts from another source, such as an “after market” seller, if a part has been discontinued or if we have given our prior written approval for you to do so.

We currently require you to obtain and use Qvinci Software (from Qvinci, Two Barton Skyway, 1601 S MoPac Expy #350, Austin, TX 78746, (512) 637-7337)) as your sole financial reporting software for your Franchised Business.

In processing customer payments for your Franchised Business, we have contracted with a credit card service management company that will be responsible for processing credit card payments made to your Franchised Business. The credit card processing company we designate will be the only approved supplier of credit card processing services for the franchise system. We may at our discretion change service providers for these services at any time, in our sole discretion. We will not grant our approval of any request by you to use any alternative suppliers of credit card processing services. You will pay monthly account and transaction fees directly to the credit card processing company as incurred.

We may permit you to contract with alternative suppliers who meet our criteria. If you wish to use a supplier or product that has not previously been approved by us, you must make a request to us in writing for our approval of the supplier or product, including any pertinent information we require and payment of our then-current fee (see Item 6). We will notify you in writing within 30 days if and when a supplier or product is approved. We reserve the right to re-inspect any supplier or product to ensure that the supplier continues to conform to our specifications and standards. If a supplier or product fails to conform to our specifications and standards, we may revoke our approval of the supplier or product, and you must discontinue using the unapproved supplier or product after notice from us. We do not generally make available the criteria for evaluating suppliers and/or products that we deem confidential. If we notify you that a particular product or supplier’s approval has been revoked by us, you must immediately stop using that product and/or stop purchasing from that supplier.

Neither we nor our affiliate collect or retain any and all allowances, rebates, credits, incentives, or benefits (collectively, “Allowances”) offered by manufacturers, suppliers, and distributors to you, to us, or to our affiliates, based upon your purchases of products and services from manufacturers, suppliers, and distributors; however we retain the right to do so in the future. If we do collect and retain such Allowances, any net benefit will be contributed by us, to the Brand Development Fund. Such contributions will be in gross, and will not be allocated to or offset required fund contributions by any particular franchisee(s). Neither we nor our affiliates or predecessors received any Allowances from required purchases or leases by FMT franchisees for the most recent fiscal year ending on December 31, 2023.

There are no purchasing or distribution cooperatives established by us, nor have we negotiated any terms of any purchases that you will make. We reserve the right to establish purchasing or distribution cooperatives in the future, in our discretion. We may negotiate purchase arrangements, such as price terms, for the benefit of all Businesses in the System. We do not give you any benefits, like successor terms or the granting of additional franchises, based on your buying any items from our approved suppliers.

In addition to the purchases described above, you must obtain and maintain, at your own expense, insurance coverage. Our System may regulate the types, amounts, terms and conditions of insurance coverage required for your franchise and standards for underwriters of policies providing required insurance coverage; our protection and rights under the policies as an additional named insured; required or impermissible insurance contract provisions; assignment of policy rights to us; periodic verification of insurance coverage that must be furnished to us; our right to obtain insurance coverage at your expense if you fail to obtain required coverage; our right to defend claims; and similar matters relating to insured and

uninsured claims. Our standards and requirements for insurance coverages will be included in our Brand Standards Manuals and will periodically be updated.

The following are the current insurance requirements: (1) commercial liability insurance with coverage of not less than \$2,000,000 per occurrence, \$4,000,000 aggregate; (2) automobile insurance, including hired and non-hired vehicle coverage and uninsured/underinsured motorist coverage, in amounts not less than \$1,000,000 combined single limit; (3) workers' compensation, employer liability and any other insurance required by law or statute for the state in which the Franchised Business is located, but not less than \$500,000 per accident; and (4) any insurance required by the terms of your lease, if you choose to lease space for your Franchised Business, or that may be required by us in the future.

You must purchase your insurance policies from insurers that are qualified to sell insurance in the state in which your Franchised Business is located and that are rated at least A- by A.M. Best Company. Each insurance policy must name us, our officers, directors, parent, subsidiaries and affiliates as additional insureds, and must provide us with 30 days prior written notice of any change to or cancellation of any insurance policy. Before you complete our initial training program, and then upon renewal of each policy, you must provide us with a Certificate of Insurance showing that you have obtained the required insurance coverage.

Currently, we do not derive any revenue, rebates or other material consideration based on required purchases or leases by the franchisee.

ITEM 10: FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Franchise Agreement

Before you open your Franchised Business, we will:

1. Designate your Franchised Business as a Hometown Franchise or Full-Size Franchise, and designate your Territory (See Cover Page and Section 2.1.3 of the Franchise Agreement and Attachment 1 to the Franchise Agreement). Other than designating your Territory in which you will operate your Franchised Business, we do not approve a site for your Franchised Business.

2. Lend you one copy of our Brand Standards Manuals (Franchise Agreement – Section 5.1). We will provide you specifications for the minimum standards of the products, equipment (including your vehicles) and supplies you need for the development of the Franchised Business, but we do not provide any of these items directly and only provide you names of approved suppliers, and we do not deliver or install any of these items in your Franchised Business.

3. Provide our Initial Training Program (which is described below) to up to three people at no additional charge (Franchise Agreement – Section 5.3).

4. Approve or designate the particular computer hardware and peripheral equipment which you must use for your Franchised Business (Franchise Agreement – Section 5.6).

5. Approve or designate the service vehicle you wish to use for your Franchised Business (Franchise Agreement – Section 5.11).

6. Provide assistance and approved suppliers for your Grand Opening Advertising Campaign (Franchise Agreement – Section 10.3).

Continuing Obligations

During your operation of the Franchised Business we will:

1. In addition to the training program, we may occasionally furnish you with instructions, forms or other information developed by us in connection with the operation of the System (Franchise Agreement – Section 5.2).

2. At all times during the term of the Franchise Agreement, provide information pertaining to sources of supply for products and services used in our System (Franchise Agreement – Section 5.5).

3. Maintain a Brand Development Fund for the benefit of all Fitness Machine Technicians FMT Businesses in the System (Franchise Agreement – Section 10.2).

4. Following the opening of your franchise, we will be available for consultation with you to discuss any problems in the operation of the business (Franchise Agreement – Section 5.3.3).

5. Conduct an annual meeting of franchisees, which shall be mandatory for all franchisees unless the absence is excused by us. The annual meeting will be to discuss sales techniques, instructional methods, training of personnel, performance standards, advertising, and merchandising procedures (Franchise Agreement – Section 5.10). We will not hold a franchisee meeting until we believe it is beneficial to do so.

6. Provide additional training as you may request at your Franchised Business, or as we may offer at our headquarters. Currently the per diem fee for this is \$500.00. (Franchise Agreement – Section 5.12).

7. Determine the minimum and/or maximum prices you may charge, to the extent allowed by applicable law (Franchise Agreement – Section 5.7).

We will not own or lease to you the premises for your home office or any leased office space you select. We do not have specific requirements for any site you may select and we will not assist you in locating a site.

We estimate that between 30 to 60 days will elapse from the date you sign the Franchise Agreement to the opening of your Franchised Business for business. Factors that may affect this timeframe include your ability to obtain financing or required licenses and permits, when you successfully complete our initial training program, or delayed installation of equipment, fixtures and signs. Your Franchised Business must be opened for business within 90 days after you sign the Franchise Agreement. You may not open your Franchised Business for business until: (1) the initial training program we provided has been completed to our satisfaction by all required persons; (2) the initial franchise fee and all other amounts due to us have been paid; (3) you have furnished us with all certificates of insurance required by the Franchise Agreement; (4) you have obtained all required governmental permits, licenses and authorizations necessary for the operation of your Franchised Business; and (5) you are in full compliance with all the terms of the Franchise Agreement.

Advertising and Promotion

Grand Opening Advertising

Our grand opening marketing plan will be outlined in our Brand Standards Manuals. You will spend up to \$14,000, at the time and in the manner we specify. If you purchase more than one territory, you will be required to spend \$3,000 to \$5,000 in grand opening marketing per each additional Territory. We are not required to spend any amount on grand opening advertising in your Territory.

Brand Development Fund

We have established a brand development fund (“Fund”) to promote the System, Franchised Businesses and the products and services offered by Franchised Businesses. You must pay a non-refundable monthly Brand Development Fee in an amount up to 2% of Gross Sales. The current amount payable as a Brand Development Fee is 1% of Gross Sales, but we may modify or increase it up to 2% upon written notice to you. The Fund will be used for national and regional advertising, publicity and promotion relating to our business. We will determine, in our fully unrestricted discretion, the manner in which the Fund will be spent. Some portion of the Fund may be used for creative concept production, marketing surveys, test marketing and related purposes. We have the right to direct all advertising activities with sole discretion over creative concepts, materials and media used, as well as their placement and allocation. There is no requirement for that we or the Brand Fund to spend any amount on advertising in your area or territory

We also have the right to determine, in our sole discretion, the composition of all geographic and market areas for the implementation of these advertising and promotional activities. The Fund is intended to maximize general public recognition in all media of the Proprietary Marks and patronage of Franchised Businesses, and we have no obligation to make sure that expenditures of the Fund in or affecting any geographic area are proportionate or equivalent to payments of the Brand Development Fee by franchisees operating in that geographic area, or that any Franchised Business will benefit directly or in proportion to the Brand Development Fees paid for the development of advertising and marketing materials or the placement of advertising. No amount of the Fund will be spent for advertising that is principally a solicitation for the sale of franchises, however printed materials and/or the system website may include the words “franchises available”, “own an Fitness Machine Technicians FMT franchise” or other words to this effect, with a link/tab or instructions for how those interested may obtain more information.

We have the right to reimburse ourselves out of the Fund for the total costs (including indirect costs) of developing, producing and distributing any advertising materials, the system website and collecting the Brand Development Fee (including attorneys’, auditors’ and accountants’ fees and other expenses incurred in connection with collecting any Brand Development Fee). The Fund and its earnings will not otherwise inure to our benefit except that any resulting technology and intellectual property will be deemed our property.

Fitness Machine Technicians FMT Businesses owned by us or our affiliates will contribute to the Fund on the same basis as you. Funds from the Brand Development Fees paid will be kept separate and distinct and will be accounted for separately from our other funds. These funds will not be used to defray any of our general operating expenses, except as described in the paragraph above. Any sums paid to the Fund that are not spent in the year they are collected will carry over to the following year. We will prepare, and furnish to you upon written request, an annual, unaudited statement of funds collected and costs incurred.

The Fund was established during the 2018 fiscal year by our predecessor Proexco. In the most recent fiscal year ending December 31, 2023, Proexco's Fund expenditures were spent as follows: 44% Franchisee growth programs, 43% Trade show advertisement, 12% Print and Internet advertising and 1% Association memberships.

Local Advertising

We require, that you spend a minimum of the greater of \$1,000 per month or 1% of your Gross Sales on approved local advertising and promotion to promote your Franchised Business in your Territory including a required minimum on internet advertising through our approved supplier, as further detailed in the Brand Standards Manuals. Any advertising produced by you or on your behalf may not be used until it has received our prior approval.

If you would like to use advertising that we have either not prepared or not approved within the immediately preceding 12 month period, you must submit the proposed materials to us for our review. We will have 15 days after receipt of the proposed materials to notify you whether the materials are approved. Unless we provide our specific approval of your proposed advertising materials, they are deemed not approved.

At our request, you must include certain language in your local advertising materials, such as "Franchises Available" and our website address and telephone number.

We are not required to spend any amount on local advertising in your Territory.

Advertising Cooperatives

We may approve the establishment of local cooperative advertising associations ("Cooperative") consisting of all franchises and any of our company-owned units within a designated geographical area. You must participate in a Cooperative if one is formed for an area that includes all or a portion of your Territory. You will not have to participate in more than one Cooperative. Each Cooperative may adopt its own written governing documents, a copy of which must be given to us. Each Cooperative shall determine its own voting procedures. Fitness Machine Technicians FMT Businesses owned by us or our Affiliate are entitled to vote on the same basis as you and other franchisees in the Cooperative. If we do not own a unit, we do not vote. No franchisee or commonly controlled group of Fitness Machine Technicians FMT Businesses will have greater than 25% of the total vote. We will have the power to require Cooperatives to be formed, changed, dissolved or merged.

The members of a Cooperative will determine the amount and frequency of contributions to the Cooperative. Any amounts you contribute to a Cooperative are in addition to, and do not offset, the Brand Development Fee you must pay. The Cooperative is not required to provide its members with financial statements. Any advertising developed by a Cooperative that is intended to be used by the Cooperative or by its members must first be approved by us, as described above for local advertising materials.

Website / Intranet

Websites (as defined below) are considered as "advertising" under the Franchise Agreement and are subject (among other things) to our review and prior written approval before they may be used (as described above). As used in the Franchise Agreement the term "Website" means an interactive electronic document contained in a network of computers linked by communications software that you operate or authorize others to operate and that refers to the Business, Proprietary Marks, us, or the System. The term Website includes Internet and World Wide Web home pages.

In connection with any Website, the Franchise Agreement provides that you may not establish a Website related to the Proprietary Marks or the System, nor may you offer, promote, or sell any products or services, or make any use of the Proprietary Marks, through the Internet without our prior written approval. As a condition to granting any consent, we will have the right to establish any requirement that we deem appropriate, including a requirement that your only presence on the Internet will be through one or more web pages that we establish on our Website.

We will have the right to establish a website or other electronic system providing private and secure communications (*e.g.*, an intranet) between us, our franchisees, and other persons and entities that we decide are appropriate. If we require, you must establish and maintain access to the intranet in the manner we designate. Additionally, we may periodically prepare agreements and policies concerning the use of the intranet that you must acknowledge and/or sign.

You are strictly prohibited from promoting your Franchised Business or using the Proprietary Marks in any manner on social or networking Websites, such as Facebook, LinkedIn, MySpace and Twitter, without our prior written consent. If we approve the use of any such websites, other online presences or electronic mediums, including social or networking Websites, in the operation of your Fitness Machine Technicians FMT Business, or the posting of messages relating to your Fitness Machine Technicians FMT Business on other websites, you will do so only in accordance with our guidelines. We reserve the right to require our approval of any message you compose for a social networking website or commentary for any other website before you post such message or commentary, and we reserve the right to require you to allow us editing privileges on any such website or electronic medium. We also reserve the right to revoke your approval to use any website at any time.

Advisory Councils

We may form one or more advisory councils to work with us to improve the System, the products and services offered, advertising conducted for the benefit of all Fitness Machine Technicians FMT Businesses, and other matters. If an advisory council is formed it will act in an advisory capacity only and will not have decision making authority. An advisory council will include our representatives and franchisee representatives. The franchisee representatives may be chosen by us or by other franchisees in the System. If you participate on any advisory council, you must pay for the costs you incur related to your involvement, such as travel, lodging and living expenses to attend advisory council meetings. We may form, change, merge or dissolve any advisory council at any time.

Computer System

You must purchase or lease the computer system we specify in our Brand Standards Manuals, including hardware, software and peripheral equipment. You must use the QuickBooks accounting program for your Franchised Business, connected with Qvinci. Qvinci allows us to independently and remotely access your QuickBooks, and provides financial data consolidation, automated reporting, workflow management and royalty payments. Additionally, you must have a system to back up your files, which may be an on-line service such as Carbonite or IDrive. While we do not currently designate a specific type of computer you must purchase or lease, the computer must meet our minimum criteria. You may purchase the computer from the vendor of your choice. If you wish to use an existing computer system for your Franchised Business, this computer system must be approved by us first. We estimate that the cost of your computer system will be between \$1,200 and \$2,500.

We do not require you to obtain a maintenance contract for your computer system, although you may find it beneficial to have this contract. We estimate that a maintenance contract for your computer system could cost up to \$1,000 each year.

We may require you to purchase updates and/or upgrades for your computer system or the software you use in the Franchised Business. There is currently no contractual limitation on either the frequency or the cost for you to obtain these updates and/or upgrades. Neither we nor our Affiliate will provide you with any maintenance, updates or upgrades for your computer system or any required software.

You must at all times have a high speed internet connection for your computer system. We will have independent access to the information and data you collect at all times, as well as the right to download information related to your Franchised Business, and you must make sure that we have electronic access, at your expense. The information and data we obtain will include your revenues, the number of jobs you perform and the products and services provided, customer information, and similar data. There are no contractual limits on our access to the information and data on your computer system, and all data we download will become our property.

Confidential Brand Standards Manuals

We will loan to you our confidential Brand Standards Manuals containing mandatory and suggested brand standards. The Table of Contents of our Brand Standards Manuals is attached as Exhibit C to this Disclosure Document. Our current Brand Standards Manuals includes approximately 179 pages.

Training Program

Within 60 days after the Franchise Agreement is signed, we will offer to you a training program to be conducted at our headquarters in Malvern, Pennsylvania or at another location we designate for approximately five days. There is no additional fee to train the first three people. If you wish to send additional people to our training program, you must pay to us our then-current training fee (see Item 6). The training program will include training regarding the operational, management and marketing pertaining to the "Fitness Machine Technicians FMT" System. If you fail to complete the training program to our satisfaction, you may re-take the training program at your expense, including payment of our then-current training fee. If you fail to complete the training program to our satisfaction a second time, we may elect to terminate the Franchise Agreement.

We will not pay compensation for any services performed by you or any other trainee in the course of training. You will pay all expenses incurred in connection with and during training, including transportation, meals, lodging, applicable wages and other expenses.

We will provide additional advisory assistance and training that we feel is advisable in the operation of the System, on the terms and conditions as we set forth in our Brand Standards Manuals. We may periodically telephone or visit you for the purposes of rendering advice and consultation with respect to the operation of the Franchised Business, assessing your overall performance and determining whether you are conducting the Franchised Business in compliance with the standards of the System.

We may train any number of individuals from any number of franchises at the same time. We may also change our training program at any time to suit the individual needs or experience of any particular trainee. The instructional materials we use in our training program include our Brand Standards Manuals, equipment manufacturer information, hand-outs and any other instructional materials that we believe will be beneficial to our franchisees. We do not currently have a set schedule for our training program. We will

provide our training program on an “as-needed” basis. The following is a breakdown of the training program currently in effect:

Our training program is conducted under the supervision of Don Powers (21 years of experience in training with us or our predecessors) and Pat Cahill (21 years of experience in training with us or our predecessors). The minimum experience of the instructors in the field that is relevant to the subject taught and our operations is from 6 to 10 years.

When we believe it is beneficial to do so, we will hold an annual meeting of our franchisees to conduct additional training, announce new products and/or services or discuss any other matters of interest. The annual meeting will be mandatory for all franchisees, unless your absence is excused by us. You will bear all costs related to attending the annual meeting, including travel, lodging, meals, and applicable wages. The annual meeting will be held in Pennsylvania or any other location of our choice. You must use the hotel that we specify for the annual meeting, which will not be unreasonably expensive.

We may require you and any of your employees that we specify to attend periodic refresher training and we may designate that attendance at any refresher training session is mandatory, unless your absence is excused by us. You must pay our then-current fee for any mandatory refresher training (see Item 6, currently \$200 to \$700 per course), as well as any expenses you and your trainees occur while attending refresher training, including travel, lodging, meals and applicable wages.

If you request that we provide additional training or assistance on-site at your Franchised Business, or if we determine that you require additional training or assistance, you must pay our then-current per diem fee (currently, \$500) for each representative we send to you to provide training or assistance, and you must reimburse each representative’s travel, lodging and meals expenses while providing the additional on-site training or assistance.

In addition to our training and refresher training requirements, we strongly recommend that you obtain and maintain certification from each exercise equipment manufacturer, according to the manufacturer's requirements, in the maintenance and repair of that manufacturer's exercise equipment. Any fees related to recertification must be paid to the manufacturer or another third party supplier.

ITEM 12: TERRITORY

Franchise Agreement

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You have the right to operate your Franchised Business at the single location designated in the Franchise Agreement, which we anticipate will be a home-based office, and will have the right to operate your Franchised Business within a designated territory ("Territory").

Our standard size Franchise is a Full-Size Franchise, and the minimum Territory we grant to you for a Full-Size Franchise is based on an area with a combined population of approximately 600,000 people based on the most recent U.S. Census data.

For Hometown Franchises, we take into account the number of combined population but we do not have any specific minimum level of total population in a specific geographic area for a Hometown Franchise since this type of Hometown Franchise is meant to serve a smaller community. We will use commercial reasonable efforts, including the use of the most recent information available in the U.S. Census Data, or other statistical sources of our choosing, to determine these demographics. You will maintain rights to your Territory even though the population in your Territory may increase or decrease. We have the exclusive right to determine the boundaries of your Territory in our sole discretion.

We will not hold any area in reserve for you, and you are not granted a right of first refusal to any territory, including those territories that are adjacent to yours, however, you may purchase additional at the same time, as further detailed in Item 5.

You may not relocate your Franchised Business without our prior approval. We will not unreasonably withhold our approval, except that the new location must be within your Territory and must not have any adverse impact on the sales of franchisees in any adjoining Territory. If you wish to relocate your Franchised Business to a location outside of your Territory, the area to which you wish to relocate your Franchised Business must be available (not sold to another franchisee in the System) and you must be in compliance with your Franchise Agreement. If you operate the Franchised Business from a home office and you choose to sell your home and move to a new area, we reserve the right to require you to lease premises within your Territory for the Franchised Business.

You may sell our products and services to customers within your Territory. You may not engage in any promotional activities or sell our proprietary products or similar products or services, whether directly or indirectly, through or on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system (collectively, the "Electronic Media"); through catalogs or other mail order devices sent or directed to customers or prospective customers located anywhere; or by telecopy or other telephonic or electronic communications, including toll-free numbers, directed to or received from customers or prospective customers located anywhere. While you may place advertisements in printed media and on television and radio that are targeted to customers and prospective customers located within

your Territory, and you will not be deemed to be in violation of the Franchise Agreement if those advertisements, because of the natural circulation of the printed media or reach of television and radio, are viewed by prospective customers outside of your Territory, you may not make any sales or deliver any products to customers located outside of your Territory, unless the customer is located in an area where there is not another Fitness Machine Technicians FMT Business in operation. You have no options, rights of first refusal, or similar rights to acquire additional franchises. You may not sell any products at wholesale.

We and our affiliates may sell products under the Proprietary Marks within and outside your Territory through any method of distribution other than a dedicated Fitness Machine Technicians FMT Business, including sales through channels of distribution such as our toll-free number, the Internet, catalog sales, telemarketing or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Territory except as described in the following paragraph and you will not receive any compensation for our sales through alternative distribution channels except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web or other computer network site or sell through any other alternative distribution channel, including our toll-free number, and we receive orders for any products or services offered by an Fitness Machine Technicians FMT Business calling for delivery or performance in your Territory, then we will offer the order to you. If you choose not to fulfill the order or are unable to do so, then we, one of our affiliates or a third party we designate (including another franchisee) may fulfill the order, and you will not be entitled to any compensation in connection with this.

Except for the Fitness Machine Technicians FMT Business operated by our Affiliate, neither we nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned businesses which sell our products or services under a different trade name or trademark, but we reserve the right to do so in the future, without first obtaining your consent.

Continuation of territorial exclusivity does not depend on you achieving any certain sales volume, market penetration, or other contingency, and we do not have any right to modify or alter your Territory, but we may terminate your franchise if you breach your Franchise Agreement and you fail to timely cure the breach.

National Account Program

We also maintain National Account and Regional Account programs. A National Account is a customer that has multiple properties across multiple Territories and/or states. A Regional Account is a customer that has multiple properties in a single Territory and/or state. You may not negotiate any contract terms with a prospective National Account or Regional Account. We will have sole discretion to negotiate terms with the National Accounts and/or Regional Accounts. We anticipate that you will participate in the National Accounts program, which will require you to provide products and services to the National Account and/or Regional Account according to the agreement we have negotiated with them. We will collect all payments from the National Account for products and services provided by you and other franchisees in the System. You will invoice us each month for any parts and services you delivered to such National Account, less your share of the revenue after deduction of any fees owed to us (such as Royalty Fees and Brand Development Fees). You will be solely responsible for collecting all payments from the Regional Account for products and services provided by you and other franchisees in the System. Upon receipt of payment by any Regional Account, you will be required to remit payment to any Regional Account salesperson, as we may designate.

If you choose not to participate in the National Account or Regional Account program, or if you are unable or unwilling to provide products and services to the National Account or Regional Account as requested, we, our affiliate or a third party (which may be another franchisee) may enter your Territory and service the National Account or Regional Account, and you are not entitled to any portion of the revenue in these circumstances. We also reserve the right to terminate your participation in the National Account or Regional Account program if you are not providing products and services according to the terms we have negotiated or your participation is not otherwise in compliance with our policies.

ITEM 13: TRADEMARKS

You are granted the right to use the Proprietary Marks under the terms of the Franchise Agreement. We license from Powersmith the exclusive right to use or license to use the Marks, including Registration Nos. 4863883, 4863882 and 5003053 (collectively, the “Registered Marks”). The Registered Marks are registered on the Principal Register of the United States Patent and Trademark Office (USPTO) (“Principal Register”):

Mark	Registration Date	Registration Number	Register
	07/19/2016	5003053	Principal
FITNESS MACHINE TECHNICIANS FMT	12/1/2015	4863883	Principal
	12/1/2015	4863882	Principal

Powersmith has granted us a license to use and sublicense to use the above mentioned Marks, dated May 4, 2023. The license continues on in perpetuity, subject to termination by agreement, or upon notice and a failure to cure any material misuse of the Marks. If our license is terminated, according to the terms of the license agreement, our franchise agreements will be automatically assigned to Powersmith or to a new licensee that is acceptable to Powersmith. Except as provided in this license agreement, there are no agreements in effect that significantly limit our rights to use or to license the use of the Marks in any manner material to the Franchised Business.

There are no effective determinations of the USPTO, the Trademark Trial and Appeal Board, the Trademark Administrator of any State, or any Court; nor is there any pending infringement, opposition or cancellation proceeding or any pending material litigation involving the above-referenced service marks which is relevant to their use in this State or any state in which the Franchised Business may be located.

None of the above mentioned Registered Marks have come up for renewal. Therefore, Powersmith has not yet renewed any of the above mentioned Registered Marks. However, Powersmith intends to renew the Registered Marks when renewal(s) are due.

Powersmith has filed all required affidavits to maintain its rights in the Proprietary Marks.

We do not know of either superior prior rights or infringing uses that could materially affect your use of the Proprietary Marks in this state or the state in which the Franchised Business is to be located.

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights

There are no patents that are material to the Franchised Business. We deem all work appearing in a tangible medium of expression, whether published or unpublished, to fall within the class of our copyrights, including our Brand Standards Manuals, all advertisements, video tapes, documents and audio tapes. We have not filed any copyrights. Our right to use or license these copyrights are not materially limited by any agreement or known infringing use.

There are no current material determinations of the United States Patent and Trademark Office, the United States Copyright Office, or a court regarding any patent or copyright material to the franchise and the Franchised Business.

There are no material proceedings pending in the United States Patent and Trademark Office or any court regarding any patent or copyright material to the franchise and the Franchised Business.

There are no agreements that limit the use of any patent, patent application, or copyright material to the franchise and the Franchised Business.

We have no obligation to protect any patent, patent application, or copyright material to the franchise and the Franchised Business; or to defend you against claims arising from your use of any patented or copyrighted items material to the franchise and the Franchised Business.

We do not know of any patent or copyright infringement that could materially affect material to the franchise and the Franchised Business.

The Brand Standards Manuals is described in Item 11 and below. Although we have not filed an application for a copyright registration for the Brand Standards Manuals, we claim a copyright and the information in it is proprietary and confidential. You must also promptly tell us when you learn about unauthorized use of this proprietary and confidential information. We are not obligated to take any action, but will respond to this information as we think appropriate.

Confidential Information

You must not, during the term of your Agreement or after the term of your Agreement, communicate, divulge or use for the benefit of any other person, partnership, association, or corporation any confidential information, knowledge or know-how concerning the methods of operation of the Franchised Business which may be communicated to you or which you may learn because of your operation under the terms of your agreement with us. You may divulge this confidential information only to those of

your employees who have access to and who operate your Franchised Business. Any and all information, knowledge, know-how, techniques and other data which we designate as confidential will be deemed confidential for purposes of your Agreement.

At our request, you must have your manager and any personnel having access to any of our confidential information sign agreements that say that they will maintain the confidentiality of information they receive in connection with their employment by you at your Franchised Business. The agreements must be in a form satisfactory to us, including specific identification of us as a third party beneficiary of the covenants with the independent right to enforce them and that they prohibit any direct or indirect ownership in a competing business.

ITEM 15: OBLIGATIONS TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Franchise Agreement

You must at all times faithfully, honestly, and diligently perform your contractual obligations. System Standards may regulate the staffing levels and employee and/or independent contractor's qualifications, training, dress, and appearance of the Franchised Business. For the first six months of operation, you are required to oversee the daily operations of the Franchised Business. Thereafter, we expect that you will participate full-time in the day-to-day operation of the Franchised Business. If you do not participate in the daily operations after the first six months of operation, you must hire a manager to oversee the Franchised Business' daily operation with our prior consent. You and the manager must satisfactorily complete our initial training. The manager need not have an equity interest in the Franchised Business but must agree in writing to preserve confidential information to which he or she has access. We may regulate the form of agreement that you use and be a third party beneficiary of that agreement with independent enforcement rights.

For at least the first 3 months of operation, you are required to hire a trained professional to perform the administrative duties required to properly operate your business. This administrative professional's duties will vary but he or she will handle several day-to-day operation duties outside of what the you or your general manager may handle. These duties will be determined based on the capacity and skill of your administrative professional.

If you are a corporation, limited liability company, or partnership, your owners must personally guarantee your obligations under the Franchise Agreement and must be bound personally by every contractual provision, whether containing monetary or non-monetary obligations, including the covenant not to compete. If we do not require one of your owners to sign the full Guaranty, that owner still must comply with all non-monetary obligations, including the covenant not to compete, as if he or she were the franchise owner.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Each component of the System is vital to us, to other franchisees of the System and to the operation of the Franchised Business. Therefore, you must operate your Fitness Machine Technicians FMT Business in compliance with the System.

You must operate the Franchised Business in an efficient and professional manner following the highest ethical and moral standards. You must comply with all standards of quality and service prescribed by us.

Due to changes in competitive circumstances, we may periodically change the System to better serve our interests, our franchisees and the System. We may change the components of the System, including revising the services, policies and procedures of the System, and modifying products, materials, and services which you are authorized to offer. There are no limits on our right to change the types of goods and services you must offer, and you must comply with these modifications. However, these changes will not increase your obligations under the Franchise Agreement.

We may determine the prices you may charge your customers, where permitted by applicable law. We do not guarantee that by following our pricing requirements you will earn any specific level of Gross Sales or achieve any level of profitability.

W I T N E S S E T H:

WHEREAS, we, our affiliate and our predecessor have developed, and we are in the process of further developing, a unique, proprietary and evolving system (“System”) relating to the establishment and operation of a business that provides maintenance and repair products and services for exercise equipment using the Proprietary Properties, Copyrights, Know How, and Proprietary Marks, all as defined in further detail below;

WHEREAS, you desire to enter into the business of owning and operating an “Fitness Machine Technicians FMT” Franchised Business (“FMT Business” or “Franchised Business”) in accordance with the System and wish to obtain a franchise from us for that purpose, as well as to receive the training and other assistance provided by us in connection therewith;

WHEREAS, you understand and acknowledge the importance of and benefits to be derived from the System, as well as our high standards of quality and service and the necessity of operating the Franchised Business in conformity with our standards and specifications;

WHEREAS, you desire to obtain a Franchise to use the System and the Proprietary Marks at the location described in Attachment 1 pursuant to the provisions of this Agreement, and you have had a full and adequate opportunity to be thoroughly advised of the terms and conditions of this Franchise Agreement by counsel of your own choosing, and you represent and warrant that you have the business experience and financial ability to operate an FMT Business;

WHEREAS, you acknowledge that you have read this Agreement and our Disclosure Document and that you understand and accept the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain uniform high standards of quality at all locations and to protect the goodwill of the Proprietary Marks;

WHEREAS, you acknowledge that you have no knowledge of, nor have you received or relied upon, any representations or warranties by us, our officers, directors, shareholders or representatives about the franchise offered hereunder, about us or our franchising programs and policies that are contrary to the statements in our Disclosure Document or to the terms of this Agreement, or regarding the potential revenues, profits or success of the business venture contemplated hereunder; and

WHEREAS, you acknowledge that this Agreement places detailed and substantial obligations on you including strict adherence to our reasonable present and future requirements regarding facilities, equipment, suppliers, operating procedures, licensing requirements, management protocols and procedures, merchandising strategies, sales promotion programs and related matters. You acknowledge that future

NOW, THEREFORE, for and in consideration of the mutual undertakings, covenants, premises and commitments contained above and below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **IT IS AGREED**, as follows:

ARTICLE 1: DEFINITIONS

1.1 In addition to any other terms defined in this Agreement, the following definitions shall govern this Agreement:

1.1.1 “Agreement” means this document, including all exhibits hereto and documents referenced and incorporated herein, and any properly executed documents or agreements modifying the System.

1.1.2 “Copyrights” means all work rendered in a tangible medium of expression as defined under U.S. Copyright Law, 17 U.S.C. Sec. 101, *et seq.*, that relates to the FMT Business, whether published or unpublished, whether confidential or not, whether created by us, our affiliates or one (1) or more of our franchisees, assigned hereunder to and owned by us and licensed for use by you as part of the FMT Business under this Agreement, including without limitation, the Brand Standards Manuals.

1.1.3 “Franchised Business” or “FMT Business” means the business that you are licensed to conduct in the Territory.

1.1.4 “Know How” means our: (a) trade secrets and know-how, whether existing now or created during the term of this Agreement by us, our affiliates and/or one (1) or more of our franchisees (and assigned back to us), as conveyed to you, that relate to, *inter alia*, our products and/or processes, marketing practices, and business methods, affairs, tools and techniques, as well as including our client lists and trade relationships including pricing information, which tends to give us and our network of franchisees a competitive edge over others who provide the same or similar products or services in the field of exercise equipment maintenance and repair; (b) inventions that may be protected by the filing of U.S. patent applications under Title 35 of the United States Code and/or foreign statutory counterparts; and (c) all unpublished or otherwise confidential work that has been rendered and “work made for hire” protected under Title 17 of the United States Code and other applicable foreign copyright statutes. Know How need not take the form of any particular tangible medium of expression, but may also be found or contained in the form of records, magnetic media, papers, photographs, catalogs, books, cassettes, videotapes, computer files, or stored or fixed on computer hard or soft disks or diskettes.

1.1.5 “Proprietary Marks” means all the Proprietary Marks, service marks, logos, emblems, and indicia of origin used or contemplated to be used by us and/or one (1) or more of our franchisees and other such trade names, service marks and Proprietary Marks as may be designated now or hereafter by us.

1.1.6 “Proprietary Properties” means the Copyrights, Know How, and Proprietary Marks.

1.1.7 “System” means the conglomerate of Proprietary Properties created as a result of the expenditure of time, skill, effort, and money, for the provision of exercise equipment maintenance and repair services, consisting of all services provided and the marketing of such services.

1.1.8 “Territory” means and constitutes the territorial limits of the exclusive license granted to you hereunder (geographically defined in Attachment 1) to use the Proprietary Marks, Know How, Copyrights, and any other Proprietary Properties as part of the System in connection with the Franchised Business, in accordance with the definitions and terms of this Agreement. A typical Territory will include an area containing a population of approximately six hundred thousand (600,000) people.

ARTICLE 2: GRANT OF FRANCHISE AND LICENSE

2.1 Grant of Franchise

Subject to the provisions of this Agreement and all documents or other agreements ancillary thereto:

2.1.1 We hereby grant to you, and you hereby accept, the exclusive franchise and license to operate an FMT Business within your Territory, in accordance with our specifications and this Agreement, and subject to our approval. This license is not sub-licensable, sub-contractable, nor assignable, except as may be set forth in this Agreement.

2.1.2 You agree to use the Proprietary Properties solely for the Franchised Business in your Territory, and for no other purpose.

2.1.3 The Initial Franchise Fee for a Full-Size Franchise is \$45,000, which is based on an area with a combined population of up approximately 600,000 people based on the most recent U.S. Census data. The Initial Franchise Fee for a Hometown Franchise is \$25,000. See the Cover Page of this Agreement.

2.2 Relocation of the Franchised Business

You may not relocate your Franchised Business without our prior approval. We will not unreasonably withhold our approval, except that the new location must be within your Territory and must not have any adverse impact on the sales of franchisees in any adjoining Territory. If you wish to relocate your Franchised Business to a location outside of your Territory, the area to which you wish to relocate your Franchised Business must be available (not sold to another franchisee in the System) and you must be in compliance with this Agreement. If you operate the Franchised Business from a home office and you choose to sell your home and move to a new area, we reserve the right to require you to lease premises within your Territory for the Franchised Business.

ARTICLE 3: TERRITORIAL SCOPE, RESTRICTIONS ON YOU AND OUR RESERVED RIGHTS

3.1 Restriction on Use of Proprietary Properties

Your right to operate the Franchised Business and the right to use and display the Proprietary Marks and other Proprietary Properties is restricted to the Territory described in Attachment 1. No use of any part or all of the Proprietary Properties is permitted outside of the Territory, unless in accordance with this paragraph.

3.2 Limitations on Your Activities

Your activities are limited to offering and selling those products and services permitted by way of this Agreement under the System from the approved location(s) in the Territory. You have been granted no right of ownership in and/or to any part or all of the Proprietary Properties.

3.3 Rights Reserved to Us

We reserve the right: (i) of ownership in, and control over the Proprietary Properties; (ii) to grant additional franchises, whether similar or dissimilar to the franchise granted by this Agreement, outside of the Territory; (iii) to engage fully and freely and without limitation in each and every aspect of the business of selling related services, products and equipment; (iv) to offer to the public-at-large, separately, jointly or with others, all related services and/or products of every type and kind; and (v) to employ and exploit the Proprietary Marks, Copyrights, and Know How in connection therewith.

3.4 National and Regional Account Programs

We maintain National Account and Regional Account programs. A National Account is a customer that has multiple properties across multiple Territories and/or states. A Regional Account is a customer that has multiple properties in a singly Territory and/or state. You may not negotiate any contract terms with a prospective National Account or Regional Account. We will have sole discretion to negotiate terms with the National Accounts and/or Regional Accounts. We anticipate that you will participate in the National Accounts program, which will require you to provide products and services to the National Account and/or Regional Account according to the agreement we have negotiated with them. We will collect all payments from the National Account for products and services provided by you and other franchisees in the System. You will invoice us each month for any parts and services you delivered to such National Account, less your share of the revenue after deduction of any fees owed to us (such as Royalty Fees and Brand Development Fees). You will be solely responsible for collecting all payments from the Regional Account for products and services provided by you and other franchisees in the System. Upon receipt of payment by any Regional Account, you will be required to remit payment to any Regional Account salesperson, as we may designate.

If you choose not to participate in the National Account or Regional Account program, or if you are unable or unwilling to provide products and services to the National Account or Regional Account as requested, we, our affiliate or a third party (which may be another franchisee) may enter your Territory and service the National Account or Regional Account, and you are not entitled to any portion of the revenue in these circumstances. We also reserve the right to terminate your participation in the National Account or Regional Account program if you are not providing products and services according to the terms we have negotiated or your participation is not otherwise in compliance with our policies. Should you choose to participate in the National Account and Regional Account programs, you shall execute the Accounts Program Participation Agreement, annexed hereto as Attachment 10.

ARTICLE 4: TERM AND SUCCESSOR OPTION

4.1 Initial Term

The term of this Agreement shall be ten (10) years commencing on the date of this Agreement, unless sooner terminated in accordance with the provisions of this Agreement (the "Initial Term").

4.2 Successor Option

Subject to the provisions of this Section, you shall have an option (exercisable only by written notice delivered to us less than nine (9) months, but more than six (6) months, prior to the end of the Initial Term of this Agreement exercisable only by written notice delivered to us less than nine (9) months, but more than six (6) months, prior to the end of the Initial Term of this Agreement) to enter into a new franchise agreement with other agreements and legal instruments and documents customarily employed by us and in the form then generally being offered to prospective franchisees in the state in which the Franchise Business is located (the “Successor Franchise Agreement”) for two (2) additional periods of ten (10) years each, if:

4.2.1 you have been, throughout the Initial Term of this Agreement, in substantial compliance, and at the expiration of such Initial Term are in full compliance, with this Agreement, the lease and all other agreements between you and us or companies associated or affiliated with us;

4.2.2 you enter into our then-current Franchise Agreement and all other ancillary agreements, instruments and documents then customarily used by us in the granting of franchises (which then-current Franchise Agreement may materially differ from this Agreement, including a higher rate of fees, different methods of calculating fees due, and different payment methods, which shall be the same as those set out in the franchise agreements being executed at the time of the successor term);

4.2.3 at the time the successor option is exercised and at the time such successor term commences, all monetary obligations to us and any affiliate of ours must be current and must have been current at all times during the preceding twelve (12) months;

4.2.4 you execute a general release running in favor of us, our affiliates and our respective officers, directors and shareholders releasing all claims against us, our officers, directors and shareholders; and

4.2.5 you pay to us a Successor Agreement fee equal to \$3,500.

4.3 Refusal to Grant a Successor Franchise Agreement

We can refuse to grant a successor term for your franchise if you fail to substantially comply with the terms of this Agreement, you fail to pay amounts owed to us when due, or you fail to cure of any defaults incurred during the initial term of this Agreement, if applicable.

4.4 Successor Term Under Law

Even though we decline the to grant you a successor term for your franchise, it is possible that we can be required to grant you a successor term under a law, rule, regulation, statute, ordinance, or legal order that is applicable at the time. If that happens, to the extent it is allowed by the concerned law, rule, regulation, statute, ordinance or order, your successor term will be subject to the conditions of the Franchise Agreement we are using for new franchisees at the time the successor term begins. If we are not then offering new franchises, your successor term will be subject to the terms in the Franchise Agreement that we indicate. If for any reason that is not allowed, the successor term will be governed by the terms of this Agreement.

4.5 Your Election Not to Sign a Successor Franchise Agreement

For the purposes hereof, you shall be deemed to have irrevocably elected not to sign a Successor Franchise Agreement hereunder (and the option to do so shall thereupon terminate) if you fail to execute and return to us our then-standard Franchise Agreement and other ancillary documents required by us for a successor franchise within thirty (30) days after we have delivered them to you.

ARTICLE 5: OUR DUTIES

5.1 Brand Standards Manuals

We will, in conjunction with our training program and in conformity with the terms and conditions of this Agreement, loan to you for the Initial Term one (1) copy of our brand standards manuals (the “Brand Standards Manuals”). Use of any part or all of the Brand Standards Manuals shall be only as permitted under this Agreement, and during its term.

5.2 Additional Documentation

In addition to any other training offered to you, we will from time to time furnish to you other documents and things comprising the Copyrights or Know How, including instructions, data, materials, forms or other information to the extent developed by us in connection with the operation of the System. We have the right to reasonably incorporate such matters in the Brand Standards Manuals and you are required to conduct the operations of the Franchised Business in accordance therewith.

5.3 Initial Training Program and Additional Assistance

With respect to all franchisees, within sixty (60) days after signing this Agreement, we will offer and you will be required to complete to our satisfaction a training program (the “Training Program”) of such duration as we deem necessary at our headquarters or at such location(s) as we designate. The Training Program will include training regarding operational, management and marketing training pertaining to the FMT System for you and up to two (2) additional persons, for a maximum of three (3) trainees. You shall pay for all of the expenses your trainees incur while attending training, including, but not limited to, travel, lodging, meals and applicable wages.

5.3.1 We will pay no compensation for any services performed by the trainees in the course of training.

5.3.2 We reserve the right to determine and change the subject matter and content of the Training Program.

5.3.3 We will provide such additional advisory assistance and training as we deem advisable in the operation of the System, on such terms and conditions as we determine and set forth in the Brand Standards Manuals or otherwise. We may, in our sole and exclusive discretion, cause our representatives to telephone or visit you from time to time for the purpose of rendering advice and consultation with respect to the operation of the Franchised Business, assessing your overall performance and determining whether you are conducting the Franchised Business in compliance with the standards of the System. You will comply with all such requests and visitations, and provide all information requested upon reasonable notice. If we generate an inspection report as a result of any such telephone call or visit, then we shall supply a copy of that inspection report to you, upon your reasonable written request.

5.3.4 We may, at your reasonable request, enroll additional individuals in the Training Program, provided that you pay us our then-current training fee (as set forth in the Brand Standards Manuals), as well as the expenses of the additional trainees, including travel, lodging, meals and applicable wages. Such requests will be honored in accordance with the availability of our training staff.

We may charge a fee for refresher training, and you must pay all expenses you and your trainees incur while attending any refresher training, including travel, lodging, meals and applicable wages.

5.5 Purchases of Materials; Approved Suppliers

In order to maintain uniformity of concept, color and quality, all proprietary materials and forms, the FMT equipment and materials bearing the Proprietary Marks (including letterhead, business cards, brochures, labels, uniforms, etc.) that are used by you in the operation of your Franchised Business must be purchased from us, our affiliates or the suppliers we designate. We and our affiliate, if an approved supplier of any item, reserve the right to earn a profit on the sale of such items to you. The use or sale of unapproved products or services constitutes a material and incurable breach of this Agreement unless such use or sale occurs as a consequence of an extreme situation and does not constitute a normal business activity.

We will, at all times during the term of this Agreement, provide information pertaining to sources of supply of those proprietary and non-proprietary products and services which may be used in this System. A list of approved suppliers for the System will be included in the Brand Standards Manuals and may be modified or updated by us at any time upon written notice to you. If you wish to use a supplier or product that has not previously been approved by us, you must make a request to us in writing for our approval of the supplier or product, including any pertinent information we require. We will notify you in writing within thirty (30) days if and when a supplier or product is approved, and our approval will not be unreasonably withheld. You or the supplier must reimburse us for our costs related to evaluating the proposed supplier or product. We reserve the right to re-inspect any supplier or product to ensure that the supplier or product continues to conform to our reasonable specifications and standards. If a supplier or product fails to conform to our reasonable specifications and standards, we may revoke our approval of the supplier or product, and you must discontinue using the unapproved product or purchasing from the unapproved supplier after notice from us.

We reserve the right to specify the particular required or approved computer hardware, software and peripheral equipment which you must purchase or lease in order to effectively operate your Franchised Business.

5.7 Pricing

We may advise you in writing, from time to time and to the extent permitted by applicable law, concerning the minimum and/or maximum prices which you shall charge your customers for services provided or goods sold under the System. You understand and acknowledge that you are required to adhere to our pricing requirements, but nothing contained herein shall be deemed a representation by us that if you comply with our requirements you will, in fact, generate or optimize profits.

5.8 Brand Development Fund

We will administer the Brand Development Fund, as described in Article 10 hereof.

5.9 Force Majeure

Delays in the performance by either party of any obligations that are not the fault of nor within the reasonable control of the delayed or non-performing party, including fire, flood, natural disasters, acts of God, governmental acts or orders, or civil disorders, do not give rise to a default by the other party. Rather, the other party will be required to extend the time of performance of any such obligations for the period of such delay or for such other reasonable period of time as may be appropriate in the circumstances. In no event shall any “force majeure” event as described herein include your lack of sufficient operating capital.

5.10 Meetings of Franchisees

In our discretion, we may choose to hold an annual meeting of FMT franchisees to conduct additional training, announce new products and/or services or discuss any other matters of interest. We reserve the right to designate that the annual meeting will be mandatory for all franchisees, unless your absence is excused by us. You will bear all costs related to attending the annual meeting, including travel, lodging, meals and wages for all of your attendees.

5.11 Service Vehicles

We shall approve each vehicle you proposed to use in connection with your Franchised Business, which shall include the signage and/or vehicle wrap we require. We will not unreasonably withhold our approval of a service vehicle you propose, provided that it meets our specifications and requirements. We reserve the right to designate a specific make and model of vehicle that you must use in the operation of the Franchised Business. Each vehicle you obtain for your Franchised Business must be wrapped according to our specifications and must be in excellent condition (including no visible rust or body damage). If you have more than one service vehicle, you are permitted to have branded magnets on the body of the vehicle in lieu of wrapping for a period of 6 months. All additional vehicles operated for the benefit of your Franchised business must be wrapped to our specifications no later than 6 months after obtaining the vehicle.

5.12 Additional Assistance or Training

During the term of this Agreement, if you request that we provide additional training or assistance on-site at your Franchised Business, or if we determine that you require additional training or assistance (including, without limitation, related to a mystery shop as described in Section 9.18 below), you must pay our then-current per diem fee for each representative we send to you to provide training or assistance, and you must reimburse each representative’s travel, lodging and meals expenses while providing the additional on-site training or assistance. We require you to pay a deposit to us of a portion of the estimated costs related to such additional assistance or training, and the balance due is payable by you to us within seven (7) days after your receipt of our invoice.

5.13 Preventative Maintenance Estimate Review

During your first year of operation, we strongly encourage you to forward to us for our review the preventative maintenance estimates you prepare for your customers. Our review of any estimates you forward to us will assist us in providing training to you to refine your operation of the Franchised Business. We reserve the right to require you to provide us with copies of your preventative maintenance estimates at any time for our review, including if we receive a complaint from one of your customers.

ARTICLE 6: CONFIDENTIAL BRAND STANDARDS MANUALS

6.1 Operation of Franchised Business in Accordance with Brand Standards Manuals

The Brand Standards Manuals will at all times remain our sole property, and shall be returned to us immediately upon the expiration or termination of this Agreement.

6.4 Revisions to the Brand Standards Manuals

We may, from time to time, revise the contents of the Brand Standards Manuals when we reasonably consider such revisions to be necessary to improve or maintain the standards of the System and you expressly agree to comply with each new or changed standard, provided, however, that such revisions relate solely to operational matters, are made for all franchisees, are reasonable in nature, and comply with the conditions of Section 5.2 above. Any such revisions to the contents of the Brand Standards Manuals are deemed effective seven (7) days after the date of notification to you unless otherwise specified by us.

6.5 Precedence of Terms

All documents and other information concerning any such improvements will be disclosed to us promptly after creation or invention. We will, in our sole reasonable discretion, determine whether such improvements are worthy of inclusion in the System, and the best and most practical method of implementation and protection. You will execute all documents reasonably necessary to perfect our ownership in and to any such improvements, and will cooperate with us in the creation, implementation, use and protection thereof.

ARTICLE 7: PROPRIETARY MARKS, TRADE NAMES AND COPYRIGHTED MATERIALS

7.1 No License to the Proprietary Properties

The license granted in Section 2.1 does not grant you any right, title or interest, at law or in equity, in or to any of the Proprietary Properties, including the Proprietary Marks, Copyrights, and Know How, beyond the license. Further, the license applies only to those portions of the Proprietary Properties which have been or may in the future be designated in writing by us for use by you in conjunction with the operation of the Franchised Business. You will not represent to others, or conduct yourself in any manner that might indicate to others, that you possess any other legal or equitable rights in or to the Proprietary Properties by virtue of the license granted hereunder. The execution of this Agreement by you further establishes your consent that the Proprietary Marks, Copyrights and Know How are valid and enforceable (without defense or recourse), and owned by us or our affiliates. You represent and warrant that you will not attack the validity or, enforceability or ownership of any of the Proprietary Properties, or assist another in any such attack, during the course of this Agreement or thereafter. The terms of this Section shall survive termination or expiration of this Agreement for any reason, in addition to any of the other remedies or survival provisions otherwise contained in this Agreement.

7.2 No Act in Derogation

You will not do or permit any act in derogation of any of the rights of us or our affiliates to the Proprietary Properties.

7.3 No Contest or Dispute

You will not contest or dispute our or our affiliates’ title to any part or all of the Proprietary Properties.

7.4 Use of Proprietary Properties

You shall use the Proprietary Properties solely in accordance with this Agreement and the Brand Standards Manuals.

7.5 Restriction on Use of Proprietary Properties

You shall not use the Proprietary Properties, or any words, phrases, symbols, trade dress, colors, logos or materials which we deem confusingly similar thereto, in your trade name (or for any other purpose) without our prior written approval. In that connection, you will identify yourself to the public as an independent contractor using such language as we shall specify.

7.6 Discontinuance of Use; Telephone Numbers

In addition to all post-termination provisions contained in this Agreement, you agree that after the expiration or termination of this Agreement, you will discontinue the use of the telephone number(s) of the Franchised Business and any internet websites or domain names, whether or not established with our consent; you will not advertise in any telephone directory under the name “FMT” or any other name, phrase or logo used by the System; you will discontinue the use of any or all of the Proprietary Properties; and you will not use any words, phrases, logos, designs, colors, trade dress or the like that in any manner may cause customer confusion, or resemble, be confusingly similar to, or be a colorable imitation of the Proprietary Properties. Additionally, upon our demand, you will direct your local telephone company and internet service provider(s) to transfer the telephone number(s) and any internet websites, domain names or listings to us or our designee by utilization of the forms annexed hereto as Attachment 4, to be signed by you concurrently with signing this Agreement. If you fail promptly to direct your telephone company and internet service provider(s) to effect such transfer, you hereby irrevocably appoint us as your attorney-in-fact to so act.

7.7 Notification of Claim

If you receive notice or learn of any actual or potential claim, suit or demand that has been or may be asserted against you or us involving any alleged infringement, unfair competition, or similar matter relating to the use of the Proprietary Properties, you will promptly notify us of any such actual or potential claim, suit or demand (a “Claim”) and provide complete disclosure of all information concerning or relating to such Claim, including, if requested, affidavit or other sworn testimony as we shall reasonably request to evaluate the Claim. Thereupon, we will promptly take such action as we may deem necessary in our sole discretion to address the Claim. We shall have the sole right to defend, compromise or settle the Claim using attorneys of our own choosing, and you agree to cooperate fully with us in connection with the defense of the Claim. We shall protect, defend and indemnify you in connection with the Claim unless it arises out of or relates to your use of the Proprietary Properties in violation of this Agreement, the Brand Standards Manuals, the Training Program or otherwise.

7.8 Notification of Unauthorized Use

If you learn of any unauthorized use of the Proprietary Properties, you will promptly notify us of the facts relating to such alleged infringing use. We will, in our discretion, determine whether or not to take any action with respect to such information. You have no right to take any action with respect to any unauthorized use of the Proprietary Properties without our prior written consent. We will exercise our discretion based upon, among other things, a cost/benefit analysis of the specific situation as well as the status of any cost sharing agreements that exist or may be arranged with the franchisees to support the subject litigation. We have no obligation, expressed or implied, to take any action with respect to any unauthorized use of the Proprietary Properties when such action does not, at our sole discretion, satisfy our cost/benefit requirements.

You expressly consent and agree that representation of you (or any other franchisee, including its principals) in any Claim by our legal counsel is not substantially related to any issue that may arise between you and us under this Agreement, and that any conflict of interest, actual or implied, as a result of the representation of you in any such Claim by our designated legal counsel is hereby waived. You expressly agree that you will take no action whatsoever to attempt to create any such conflict of interest, nor shall you seek the disqualification of our legal counsel as a consequence of the representation of you in any such Claim. Violation of this provision governing the status of our designated legal counsel shall result in automatic and incurable breach of this Agreement.

7.9 No Ownership; Modification of Proprietary Properties (including Proprietary Marks)

You understand and agree that the limited license to use the Proprietary Properties granted by this Agreement applies only to such properties as are designated by us, together with those which may hereafter be designated by us in writing. You expressly understand and agree that you are bound not to represent in any manner that you have acquired any ownership or equitable rights in any of the Proprietary Properties by virtue of the limited license granted under this Agreement, or by virtue of your use or creation of any of the Proprietary Properties, or upon any other basis.

7.9.1 If it becomes advisable at any time, in our discretion, to modify or discontinue use of any aspect of the Proprietary Properties and/or to adopt or use one or more additional or substitute items, then you shall be obligated to comply with any such instruction by us, at your own expense. We shall have no obligation in such event to reimburse you for any expenses of compliance, such as changing signs, stationery, uniforms, advertising, etc., and you waive any claim arising from or relating to any change, modification or substitution to the Proprietary Properties. You covenant not to commence or join in any litigation or other proceeding against us for any of these expenses.

7.9.2 We represent and warrant that our affiliate, Powersmith, LLC (formerly Powersmith, Inc.), owns the Proprietary Marks free and clear from any liens or encumbrances, that our affiliate has granted to us a license to use and to sub-license the use of the Proprietary Marks, and to the best of our knowledge the license conveyed by this Agreement does not infringe any valid or enforceable trademark rights owned by any other party. We hereby indemnify you from any claims, costs or fees associated with any violation of this provision, subject to the requirement that we be immediately notified of all facts and circumstances that may give rise to liability under this Subsection, and be permitted to control the defense of the action.

7.9.3 Neither we nor you shall take any steps or actions that would in any manner impair, dilute or devalue the Proprietary Marks, and such action shall constitute a material breach of this Agreement. For the purposes of this Subsection, dilution shall be *prima facie* demonstrated by a use of the Proprietary Marks in connection with any other word, phrase or logo confusingly similar with, or otherwise not authorized or licensed under this Agreement.

7.10 Website

As used in this Agreement, the term “Website” means an interactive electronic document, series of symbols, or otherwise, that is contained in a network of computers linked by communications software. The term Website includes, but is not limited to, Internet and World Wide Web home pages. In connection with any Website, you agree to the following:

7.10.1 We shall establish and maintain a Website which may, without limitation, promote the Proprietary Marks, any or all of the services, FMT Businesses, the franchising of FMT Businesses, and/or the System. We shall have the sole right to control all aspects of the Website, including without limitation its design, content, functionality, links to the websites of third parties, legal notices, and policies and terms of usage. We shall also have the right to discontinue operation of the Website.

7.10.2 We shall designate one or more web page(s) to describe you and/or your Franchised Business, with such web page(s) to be located within our Website. You shall comply with our policies with respect to the creation, maintenance and content of any such web pages; and we shall have the right to refuse to post and/or discontinue posting any content and/or the operation of any web page.

7.10.3 You shall not establish a separate Website related to the Proprietary Properties or the System, nor may you offer, promote, or sell any products or services, or make any use of the Proprietary Marks, through the Internet without our prior written approval (which we shall not be obligated to provide). If approved to establish a Website, you shall comply with our policies, standards and specifications with respect to the creation, maintenance and content of any such Website. You specifically acknowledge and agree that any Website owned or maintained by you or for your benefit shall be deemed “advertising” under this Agreement, and will be subject to (among other things) our approval under Article 10 below. Notwithstanding the foregoing, you agree to work with our approved supplier to establish a Website for your Franchised Business according to our standards and specifications, and to pay such supplier’s initial set-up fee and any continuing maintenance fees for such Website. You understand and acknowledge that we will be the sole and exclusive owner of all domain names used by our franchisees’ Websites, including all information posted thereon. We shall have the right, if you are in default under this Agreement, to suspend operation of your Website until such default has been cured to our satisfaction.

7.10.4 We shall have the right to modify the provisions of this Article 7 relating to Websites as we shall solely determine is necessary or appropriate.

7.10.5 You understand and acknowledge that you are strictly prohibited from using any Proprietary Properties or promoting your Franchised Business in any manner on social and/or networking Websites, including, but not limited to, Facebook, LinkedIn, MySpace and Twitter, without our prior written consent. You further understand and acknowledge that we shall have the right to control all social media initiatives.

ARTICLE 8: PAYMENTS TO US

8.1 Initial Franchise Fee

Upon execution of this Agreement and to initiate the Franchise rights conveyed under this Agreement, you shall pay to us an Initial Franchise Fee, as described in Section 2.1, herein. The Initial Franchise Fee is not refundable in whole or in part and is deemed fully earned by us upon execution of this Agreement.

8.2 Royalty Fee

In addition to the Initial Franchise Fee and in accordance with the report required under Section 8.6, you shall pay to us a monthly royalty fee (“Royalty Fee”) equal to six percent (6%) of the first \$499,999 of Gross Sales of the Franchised Business (as defined below) each calendar year; five percent (5%) of Gross Sales in excess of \$500,000 each calendar year.

Franchisees shall have their financials reconciled by the fifth (5th) business day of each month so that Royalty Fees to be collected by the Franchisor can be collected on the eighth (8th) business day of the month.

Royalty Fees are subject to a monthly minimum of five hundred dollars (\$500) beginning in your thirteenth (13th) month, and continuing through the term of the Agreement and any successor terms

8.3 Brand Development Fee

In addition to the Initial Franchise Fee and Royalty Fee, and in accordance with the report required under Section 8.6, you shall pay to us a Brand Development Fee (to be expended as provided in Section 10.2) in an amount up to two percent (2%) of Gross Sales, as defined below, into the Brand Development

Fund (“Brand Development Fee”). The Brand Development Fee is payable to us at the same time and in the same manner as the Royalty Fee.

8.4 Software Fee

You shall pay to us, or the third party provider we designate, a monthly software fee (“Software Fee”) of up to Two Hundred Fifty Dollars (\$250). The Software Fee is payable at the same time and in the same manner as the Royalty Fee, unless we designate a third party provider and require you to pay such third party provider directly.

8.5 Definition of Gross Sales

The term “Gross Sales” means all monies received by you (including actual deposits in your bank accounts as well as undeposited cash receipts) from, through, by or on account of the operation of your Franchised Business, whether received in cash, in services or in kind, less: (i) the amount of all sales tax receipts or similar tax receipts which, by law, are chargeable to customers; and (ii) the amount of any documented refunds, credits and allowances given in good faith to customers by you.

8.6 Report of Gross Sales

You will submit to us, and we will receive, not later than the fifth (5th) day of each month, a report of your Gross Sales for the preceding calendar month. Such reports shall be transmitted by you to us in the manner specified by us (*i.e.*, by e-mail, facsimile or by a computer-generated report). You represent and warrant that you shall use your best efforts to provide the information, that we are relying upon such provision, and that errors may jeopardize the franchise or other rights granted under this Agreement. If we have not received the report of your Gross Sales for the preceding month by the (15th) day of any month, we reserve the right to charge you a late fee of one hundred dollars (\$100).

If you do not report your Gross Sales, we may debit your account for one hundred twenty percent (120%) of the last Royalty Fee and Brand Development Fee (described below) that we debited. If the Royalty Fee and Brand Development Fee we debit are less than the Royalty Fee and Brand Development Fee you actually owe us, we will debit your account for the balance on a day we specify. If the Royalty Fee and Brand Development Fee we debit are greater than the Royalty Fee and Brand Development Fee you actually owe us, we will credit the excess against the amount we otherwise would debit from your account for the next payment.

8.7 Obligation to Pay Fees

Except as otherwise specified herein, your obligation to pay the Royalty Fee and the Brand Development Fee accrues on the day that you commence operation of the Franchised Business. “Commencement of the Business” is defined as the first (1st) day on which the Franchised Business receives revenues, offers services, or conducts any of the activities contemplated by this Agreement.

8.9 Interest on Overdue Amounts

In the event you fail to pay to us any amounts owed by you hereunder to us or any of our affiliates, you shall pay, in addition to such overdue amounts, interest on the overdue amount at the rate of eighteen percent (18%) per annum or the highest legal contract interest rate we can charge, whichever amount is less. Any default by you in the timely payment of any indebtedness of you owing to us, or to any affiliate of ours, or your default in the payment of any indebtedness of yours with respect to which we or any of our affiliates is a guarantor, co-signer, endorser or obligor, shall constitute a breach of this Agreement, rendering the same subject to termination in accordance with the provisions of Article 16.

8.10 Payment of Taxes and Assessments

You agree to pay promptly, when due, all taxes and assessments that may be assessed or otherwise due against your income, premises, equipment and/or supplies used in connection with your Franchised Business, to discharge all liens and encumbrances of every kind and character created or placed upon or against any of said property and to pay all accounts and other indebtedness of every kind incurred by you in the conduct of your Franchised Business. In the event you should default in making any such payment and have failed to stay enforcement through a proper legal contest, we shall be authorized, but not required, to pay the same on your behalf, and you covenant promptly to reimburse us for any such payment. We shall also maintain the right of set off, to permit deductions of any such amounts from payments that may be due to you hereunder. Any such amounts advanced by us shall be due and payable immediately on your receipt of written demand from us, and if not paid within five (5) days shall be subject to interest as set forth in Section 8.9 of this Agreement.

8.11 Waiver of Claims; Application of Payments

You waive any and all existing and future claims and set offs against any amounts due us under this Agreement, which amounts shall be paid when due regardless of any other claims which you may have against us. However, we shall be entitled to apply or cause to be applied against amounts due to us any amounts which may from time to time be held by us on your behalf or be owed to you by us. Notwithstanding any designation by you, we shall use sound business judgment and be reasonable in applying any payments received from you, whether designated as payable to us, the Brand Development Fund or otherwise, to any past due or other indebtedness of yours for fees, purchases, late fees, interest or otherwise. We may set off from any amounts that may be owed to you any amount that you owe to us or with respect to any payment overdue for over thirty (30) days. In particular, we may retain any amounts we have received for your account (whether rebates or other funds and whether paid by or due from suppliers or otherwise) as a credit and payment against any amounts that you owe or will owe to us, should you be then overdue in any payments due to us for at least thirty (30) days. We may do so without notice at any time.

You understand and acknowledge that you do not have the right to offset or withhold payments owed to us for amounts purportedly due to you from us. We may condition your participation in any program (including, but not limited to, the National Account program or any program involving payments from third party suppliers or otherwise) as we determine in our reasonable discretion, including, but not limited to, your being an "FMT" franchisee in good standing and not in default under this or any other agreement with us. You agree that you will not withhold any amounts otherwise due us as a result of any dispute of any nature, but will pay such amounts to us and only thereafter seek reimbursement.

In each case in which we are required to be an additional insured the

endorsement for the additional insured status must be worded and have such coverage as specified by us and the additional insured endorsement may not have any exclusions or limitations not allowed by us.

9.15.6 Nothing contained herein shall be deemed to constitute an undertaking or representation by us that any such insurance will insure you against any or all insurable risks of loss which may or can arise out of or in connection with the operation of the Franchised Business.

9.16 Good Faith

Each of the parties hereto will act in good faith and use its best efforts to comply with its obligations under this Agreement, and will cooperate with the other in accomplishing the purposes of this Agreement. Further, you shall not directly or indirectly engage in any activities which would be detrimental to or interfere with the operation or reputation of the Franchised Business, us, the System, or the operations of any other franchisee.

9.17 Guaranty

Upon execution of this Agreement, your majority owners (if a corporate entity), the General or Managing Partner (if a limited partnership) or the individual partners (if a standard partnership) shall each execute the Guaranty in the form annexed hereto as Attachment 5 of all obligations, including payment of money under this Agreement. We agree that unless you are guilty of having misappropriated trust money or otherwise unjustifiably or willfully breached any material term of this Agreement, we will not seek enforcement of our right to money damages against the primary residence of any guarantor under this Subsection.

9.18 Manufacturer Certification

We strongly recommend, but do not require, that you become certified by each applicable exercise equipment manufacturer to perform maintenance and repair services for such manufacturer's equipment. You understand and acknowledge that obtaining such certification shall be at your own expense and that the manufacturer may require you to be recertified from time to time, also at your expense. You understand and acknowledge that we cannot guarantee that any specific manufacturer will award you such certification.

9.19 Mystery Shopping Service

We reserve the right to establish and use a mystery shopping service to assist us in verifying that each FMT Business is providing products and services according to our requirements and standards. If we elect to use such a service we will pay the expenses related to any mystery shops related to your Franchised Business; provided, however, that such mystery shops reflect a minimum score as determined by us. In the event a mystery shop of your Franchised Business reflects less than the required minimum score, then you shall (a) reimburse us for the costs related to said mystery shop; and (b) participate, at your expense, in additional training as may be required by us.

ARTICLE 10: ADVERTISING

10.1 Advertising to be Approved by Us

You shall use for your advertising and promotional activities only those materials, concepts and programs which have been furnished or approved in advance by us by specification in the Brand Standards Manuals or otherwise. Our approval will not be unreasonably withheld. Any materials, concepts and/or programs submitted to us for our review shall become our property.

If you would like to use advertising that we have either not prepared or not approved within the immediately preceding 12 month period, you must submit the proposed materials to us for our review. We will have 15 days after receipt of the proposed materials to notify you whether the materials are approved. Unless we provide our specific approval of your proposed advertising materials, they are deemed not approved. At our request, all advertising shall include the language “Franchises Available” and our Website address and telephone number.

10.2 Brand Development Fund

Recognizing the value of uniform advertising and promotion to the goodwill and public image of the System, you agree that we or our designee shall have the right to establish, maintain and administer a brand development fund (hereinafter referred to as the “Brand Development Fund”) for such national and regional advertising programs as we may deem necessary or appropriate, in our sole discretion, as follows:

10.2.1 We shall direct all national and regional advertising programs with sole discretion over the creative concepts, materials, endorsements and media used therein, and the placement and allocation thereof. You understand and acknowledge that the Brand Development Fund is intended to maximize general public recognition and acceptance of the System and the Proprietary Marks for the benefit of all FMT Businesses operating under the System, and that we undertake no obligation in administering the Brand Development Fund to ensure that expenditures from the Brand Development Fund are proportionate or equivalent to your contributions made for your Franchised Business, or that any particular FMT Business or franchisee benefits directly or pro rata from the placement of any such advertising;

10.2.2 You agree that the Brand Development Fund may be used to meet any and all costs of maintaining, administering, directing and preparing national and/or regional advertising materials, programs and public relations activities (including, without limitation, the cost of preparing and conducting television, radio, magazine, billboard, newspaper, direct mail and other media programs and activities, for conducting marketing surveys, test marketing, employing advertising agencies to assist therewith, and providing promotional brochures, coupons and other marketing materials to all franchisees of the System). The Brand Development Fund shall be accounted for separately from our other funds and shall not be used to defray any of our general operating expenses, except we have the right to reimburse ourselves out of the Brand Development Fund for the total costs (including indirect costs) of developing, producing and distributing any advertising materials and collecting the Brand Development Fee (including attorneys’, auditors’ and accountants’ fees and other expenses incurred in connection with collecting any Brand Development Fee);

10.2.3 an unaudited statement of the operations of the Brand Development Fund shall be prepared annually by our accountants and shall be made available to you on written request. The cost of the statement shall be paid by the Brand Development Fund. Except as expressly provided in this Section 10.2, we assume no direct or indirect liability or obligation to you with respect to the maintenance, direction or administration of the Brand Development Fund;

10.2.4 Each FMT Business owned by us or our affiliates shall make contributions to the Brand Development Fund as are required to be contributed by franchisees generally within the System. Any sums paid to the Brand Development Fund that are not spent in the year they are collected will carry over to the following year.

10.3 Grand Opening Advertising

You are required to conduct a grand opening advertising campaign to promote the opening of your FMT Business. The details of the program will be provided to you prior to the opening.

10.4 Local Advertising

You acknowledge that the proper conduct of all promotion programs is not only necessary to the success of the Franchised Business, but is also likely to affect the goodwill and reputation of us, the Proprietary Marks, and that of the System. It is therefore agreed as follows:

10.4.1 You are required to spend a minimum of the greater of \$1,000 per month or 1% of your Gross Sales on local advertising and promotion, all or a portion of which we may direct you to spend on a specific campaign and/or with a specific supplier.

10.4.2 You shall not use any advertising or sales promotion materials of any kind other than those approved and/or produced and distributed by us, or conduct any print or broadcast advertising, or any promotion, without first obtaining our approval in the manner described in Section 10.1.

10.5 Advertising Cooperatives

We may approve the establishment of local cooperative advertising associations (“Cooperative”) consisting of all franchises and any of our company-owned units within a designated geographical area. You must participate in a Cooperative if one is formed for an area that includes all or a portion of your Territory. You will not have to participate in more than one Cooperative. Each Cooperative must adopt its own written governing documents, a copy of which must be given to us. Each Cooperative may determine its own voting procedures. Our company-owned units, if any, are entitled to vote on the same basis as you and other franchisees in the Cooperative. If we do not own a unit, we do not vote. No franchisee or commonly controlled group of FMT Businesses will have greater than twenty-five percent (25%) of the total vote. We will have the power to require Cooperatives to be formed, changed, dissolved or merged.

The members of a Cooperative will determine the amount and frequency of contributions to the Cooperative. Any amounts you contribute to a Cooperative are in addition to, and do not offset, the Brand Development Fee you must pay. The Cooperative is not required to provide its members with financial statements. Any advertising developed by a Cooperative that is intended to be used by the Cooperative or by its members must first be approved by us, as described in Section 10.1 above.

10.6 Advisory Council

We may form one or more advisory councils to work with us to improve the System, the products and services offered, advertising conducted for the benefit of all FMT Businesses, and other matters. If an advisory council is formed it will act in an advisory capacity only and will not have decision making authority. An advisory council will include our representatives and franchisee representatives. The franchisee representatives may be chosen by us or by other franchisees in the System. If you participate on any advisory council, you must pay for the costs you incur related to your involvement, such as travel, lodging and living expenses to attend advisory council meetings. We may form, change, merge or dissolve any advisory council at any time.

ARTICLE 11: REPORTING AND FINANCIAL MANAGEMENT REQUIREMENTS

11.1 Records Retention

You shall keep true and accurate records, including those which may be specified by us from time to time, from which all sums payable under this Agreement and the dates of accrual thereof may be readily determined. You shall keep such records on your business premises at all times, unless we permit them to be kept at another location. In any event, you shall at all times inform us of any change in the location of your records. You will make these records available to us at the business premises during normal business

hours. All records relating to the Franchised Business shall be retained by you at all times during the Initial Term (and any Successor Term), and for a period of three (3) years after this Agreement or any Successor Franchise Agreement expires or is terminated.

11.2 Reporting Systems

You agree to utilize such reporting and financial control systems as we may reasonably direct.

11.2.1 You will maintain on forms approved or provided by us a monthly sales report and profit and loss statement accurately reflecting the operations and condition of the Franchised Business.

11.2.2 You will employ such methods of filing, record-keeping, bookkeeping, accounting and reporting as we may from time to time reasonably require.

11.2.3 You will be required to utilize a Bookkeeping firm that we specify. This Bookkeeping firm that we will require will be utilized for Education as well as Account adjustments within the Bookkeeping software we require. The fee to utilize for this Bookkeeping service shall be equal to Five Hundred Dollars (\$500) which shall be paid one time directly to the Bookkeeping firm we specify at the time of initially setting up the service.

11.2.3 You will adopt and shall strictly adhere to such methods for control and protection of cash receipts (and of records pertaining thereto) as we may from time to time direct.

11.3 Annual Reports

You will have prepared and furnished to us each year your annual financial statements, consisting of a balance sheet, statement of earnings or loss, and statement of changes in financial position, including all notes to all such statements and any schedules of partners' or shareholders' capital. The annual statements must be furnished to us no later than one hundred twenty (120) days following the close of your fiscal year. We reserve the right to require you to use the same fiscal year end that we use. All accounting must be on a cash basis. If you are unable, for any reason, to provide such statements in a suitable format or if we have a reasonable suspicion that such statements are inaccurate, we may require such statements to be compiled and/or reviewed by a certified public accountant ("CPA") admitted to practice accountancy in the state in which the Territory is situated, and be published on the stationery of, and signed by, the CPA. Should you be deemed by us to have under-reported or improperly reported or paid any amount (as determined under Section 11.4 or Subsections 11.4.1 or 11.4.2), we may, at our sole discretion, require that all future statements provided you be audited by the CPA.

In addition to the reports described above, you shall also provide to us copies of all federal, state and local tax returns (including, without limitation, sales tax returns and income tax returns). You agree to provide us with copies of such tax returns within fifteen (15) days after such returns are filed.

Reports shall be deemed timely made if personally delivered to our offices, electronically transmitted to and received by us, or postmarked by the U.S. Postal Service (with proper first-class postage prepaid) on or before the required date.

11.4 Inspections

We and our authorized representatives shall have the right at all times during the business day to enter your Franchised Business or any other location where books and records relative to the Franchised Business are kept, and to inspect, copy and audit such books and records, including your state and federal income tax returns and state sales and use tax and personal property tax returns, and you waive any

privileges with regard to any tax returns. You will cooperate completely and in good faith with the audit, and will provide and explain all records requested by the auditor or necessary to provide information sought by the auditor. All records produced will be maintained by us in confidence, except for the uses intended under this Agreement.

11.4.1 If an audit or inspection discloses that you have underpaid any sums due us under this Agreement, you will pay the amount underpaid immediately. Any such underpayment amounts shall also be subject to applicable interest as set forth in Section 8.9. If an audit or inspection reveals any overpayment by you, the amount of the overpayment will be credited against Royalty Fees and Brand Development Fees next falling due.

11.4.2 If any audit of your books and records reveals that you have underpaid and/or understated any amount paid and/or reported to us by two percent (2%) or more, then in addition to paying such understated amount with interest thereon as set forth in Section 8.9, you agree to reimburse us for any fees and expenses related to the audit, including, but not limited to, auditor's fees and travel, lodging, meals and local transportation expenses, but not less than One Thousand Dollars (\$1,000).

ARTICLE 12: INDEPENDENT CONTRACTOR AND INDEMNIFICATION

12.1 No Fiduciary Relationship

It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them (unless otherwise stated), that you are, and shall at all times be and remain an independent contractor, and that nothing in this Agreement is intended to constitute either party as an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

12.2 Notice of Independent Contractor

During the Initial Term and Successor Term of this Agreement, you shall hold yourself out to the public as an independent contractor operating the business pursuant to a Franchise granted by us. You will take such affirmative action as may be necessary to indicate same, including exhibiting a notice of that fact in a conspicuous place within the Approved Location, the content of which we reserve the right to specify.

12.3 Indemnification by You

You agree at all times to defend, at your own cost, and indemnify and hold harmless to the fullest extent permitted by law, us, our corporate parent, the corporate subsidiaries, affiliates, successors, assigns, and designees of either entity and the respective directors, officers, employees, agents, shareholders, designees, and representatives of each (collectively, the "Indemnitees") from all losses and expenses (as hereinafter defined) incurred in connection with any action, suit, proceeding, claim, demand, investigation, or formal or informal inquiry (regardless of whether reduced to judgment) or any settlement thereof which arises out of or is based upon any of the following: your infringement or any other violation of any patent, trademark or copyright or other proprietary right owned or controlled by third parties; your violation or breach of any contract, federal, state, or local law, regulation, ruling, standard, or directive or of any industry standard; libel, slander or any other form of defamation by you; your violation or breach of any warranty, representation, agreement, or obligation in this Agreement; any acts, errors, or omissions of you or any of your agents, servants, employees, contractors, partners, proprietors, affiliates, or representatives at the Approved Location or in any manner in connection with the Franchised Business; the inaccuracy, lack of authenticity, or non-disclosure of any information by you or any customer or client of yours; any service provided by you at, from, or related to the operation at the Approved Location; any services provided by

any affiliated or non-affiliated participating entity; and any action by any customer or client of yours. For the purpose of this Section, the term “losses and expenses” is deemed to include all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, attorneys’ fees, experts’ fees, court costs, settlement amounts, judgments, compensation for damages to our reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting, or replacing same, and any and all expenses of recall, refunds, compensation, public notices, and other such amounts incurred in connection with the matters described. You agree to give us notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. The foregoing indemnification shall not apply to losses or expenses arising from our gross negligence or willful acts.

12.3.1 At your expense and risk, we may elect to assume (but under no circumstance are obligated to undertake) the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation, provided that we will seek your advice and counsel and shall keep you informed with regard to any such proposed or contemplated settlement(s). Such an undertaking by us shall in no manner or form diminish your obligation to indemnify us and to hold us harmless.

12.3.2 All losses and expenses incurred under this Section 12.3 shall be chargeable to and paid by you pursuant to your obligations of indemnity under this Section, regardless of any actions, activity or defense undertaken by us or the subsequent success or failure of such actions, activity or defense.

12.3.3 The Indemnitees do not assume any liability whatsoever for acts, errors, or omissions of those with whom you may contract, regardless of the purpose. You hold harmless and indemnify the Indemnitees for all losses and expenses that arise out of any acts, errors, or omissions of these third parties.

12.3.4 Under no circumstances will the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against you. You agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable by the Indemnitees from you.

12.4 Indemnification by Us

We agree at all times to defend, at our own cost, and to indemnify and hold harmless to the fullest extent permitted by law, you, your corporate parent, the corporate subsidiaries, affiliates, successors, assigns, and designees of either entity, and the respective directors, officers, employees, agents, shareholders, designees, and representatives of each from all losses and expenses (as hereinafter defined) incurred in connection with any action, suit, proceeding, claim, demand, investigation, or formal or informal inquiry (regardless of whether reduced to judgment) or any settlement thereof which arises out of or is based upon any of the following: our infringement or any other violation of any patent, trademark, or copyright or other proprietary right owned or controlled by third parties; our violation or breach of any contract, federal, state, or local law, regulation, ruling, standard, or directive or of any industry standard; libel, slander, or any other form of defamation by us; our violation or breach of any warranty, representation, agreement, or obligation in this Agreement; any acts, errors, or omissions of us or any of our agents, servants, employees, contractors, partners, proprietors, affiliates, or representatives at the Approved Location. For the purpose of this Section, “losses and expenses” are deemed to include all losses, compensatory, exemplary, or punitive damages, fines, charges, costs, expenses, lost profits, attorneys’ fees, experts’ fees, court costs, settlement amounts, judgments, compensation for damages to your reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting, or replacing same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described. We agree to give you notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation.

The foregoing indemnification shall not apply to losses or expenses arising from your gross negligence or willful acts.

ARTICLE 13: CONFIDENTIAL INFORMATION

13.1 Non-Disclosure of Confidential Information

You will not, during the term of this Agreement or at any time thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, association or corporation any confidential information or Know How concerning, as well as the methods of operation of, the FMT Business hereunder which may be communicated to you or of which you may become apprised by virtue of the operation at the Approved Location under this Agreement. You will divulge such confidential information only to such of your employees or officers and directors who must have access to it in order to operate the Franchised Business. All information, knowledge and know how, including, without limitation, the materials, equipment, specifications, techniques, and other data which we designate as confidential shall be deemed confidential for purposes of this Agreement, except information which you can demonstrate came to your attention prior to disclosure thereof by us; or which, at the time of disclosure by us to you, had become a part of the public domain through publication or communication by others; or which, after disclosure to you by us, becomes a part of the public domain through publication or communication by others.

13.2 Covenants

Prior to any disclosure of Know How, you will require all personnel having access to any Know How or confidential information provided by us, or otherwise playing a role in the solicitation or provision of services to customers, to sign covenants that they will maintain the confidentiality of information they receive in connection with their employment or engagement by you, in accordance with the form provided as Attachment 3 hereto. It is expressly understood that we are designated as a third party beneficiary of such covenants with the independent right to enforce them.

13.3 Failure to Comply

You acknowledge that any actual or threatened failure to comply with the requirements of this Article 13 will cause us to suffer immediate and irreparable injury, non-compensable by the payment of mere money damages, permitting us with or without notice to seek immediate injunctive relief. The losing party agrees to pay all court costs and reasonable attorneys' fees incurred by the prevailing party when we seek to obtain specific performance or an injunction against violation of the requirements of this Article 13, and succeed.

ARTICLE 14: COVENANTS NOT TO COMPETE

14.1 In-Term Covenants

You specifically acknowledge that, pursuant to this Agreement, you shall receive valuable training and confidential information, including, without limitation, information regarding the promotional, operational, sales, and marketing methods and techniques of us and the System, and that the covenants not to compete set forth below are fair and reasonable and will not impose any undue hardship on you, since you have other considerable skills, experience, and education which afford you the opportunity to derive income from other endeavors. You covenant that during the term of this Agreement and for a period of two (2) years thereafter, except as otherwise approved in writing by us, you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person, persons, or legal entity:

14.1.1 Divert or attempt to divert any member, business or customer of the Franchised Business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks and the System;

14.1.2 Knowingly employ or seek to employ any person who is at that time employed by us, or otherwise directly or indirectly induce or seek to induce such person to leave his or her employment; or

14.1.3 Own, maintain, advise, help, invest in, make loans to, be employed by, engage in, or have any interest in any business specializing, in whole or in part, in the activities conducted by you under this Agreement, and any other type of service which you have rendered under this Agreement and sell any other products and services which you have sold under this Agreement.

14.2 Post-Term Covenants

You covenant that, except as otherwise approved in writing by us, you shall not, for a continuous uninterrupted period commencing upon the expiration or termination of this Agreement, regardless of the cause for termination, or upon transfer of this Agreement or the Franchised Business pursuant to Article 15 of this Agreement, and continuing for two (2) years thereafter (and in case of any violation of this covenant, for two (2) years after the violation ceases), either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, advise, help, invest in, make loans to, be employed by, engage in, or have any interest in any business that is substantially the same as an FMT Business:

14.2.1 Within your Territory;

14.2.2 Within a radial distance of twenty (20) miles of the perimeter of the Territory; or

14.2.3 Within a radial distance of twenty (20) miles of the location of any business using the System and/or the Proprietary Marks, whether franchised, licensed or owned by us or any subsidiary or affiliated companies of ours; or

14.2.4 Within a radial distance of twenty (20) miles of any FMT customer location.

14.3 Unenforceability

The parties agree that each of the foregoing covenants are construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Article is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which we are a party, you expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made part of this Article 14.

14.4 Modification of Covenants

You understand and acknowledge that we shall have the right, in our sole discretion, to reduce the scope of any covenant set forth in Sections 14.2 and 14.3, or any portion thereof, without your written consent, effective immediately upon receipt by you of written notice. You agree that you shall comply forthwith with any covenant as so modified, which will be fully enforceable notwithstanding the provisions of this Article.

14.5 Claim is Not a Defense

You expressly agree that the existence of any claim that you may have against us, regardless of whether arising from this Agreement, shall not constitute a defense to our enforcement of the covenants in this Article. Your remedies, should we default, consist of specific performance and damages arising from the default, but such remedies do not constitute a defense to enforcement of this Article.

14.6 Failure to Comply

You acknowledge that any threatened or actual failure to comply with the requirements of this Article would cause us to suffer immediate and irreparable injury for which no adequate remedy at law may be available, and you hereby accordingly consent to the *ex parte* entry of an injunction prohibiting any conduct by you in violation of the terms of this Article. We may further avail ourselves of any other legal or equitable rights and remedies which we may have under this Agreement, statute, common law or otherwise.

14.7 Covenants from Key Persons

At our request, you will require and obtain execution of covenants identical in scope to those set forth in this Article (including covenants applicable upon the termination of a person's relationship with you) from any or all of the following persons:

14.7.1 Any key person employed or engaged by you who has been given access to or otherwise receives knowledge of the Know How;

14.7.2 All officers, directors and holders of a beneficial interest of five percent (5%) or more of your securities, and of any corporation or limited liability company directly or indirectly controlling you, if you are a corporation or limited liability company;

14.7.3 The general partners and any limited partners (including any corporation, and the officers, directors, and holders of a beneficial interest of five percent (5%) or more of the securities of any corporation which controls, directly or indirectly, any general or limited partner), if you are a partnership; and

14.7.4 Each covenant required to be signed pursuant to this Section 14.7 shall be on a form supplied by us, including specific identification of us as a third party beneficiary of such covenants with the independent right to enforce them. Your failure to obtain execution of a covenant required by this Section 14.7 shall constitute a default under Section 16.2.

ARTICLE 15: ASSIGNMENT AND RIGHT OF FIRST REFUSAL

15.1 Our Right to Assign

We shall have the right to assign this Agreement and all of our attendant rights and privileges to any person, firm, corporation or other entity provided that, with respect to any assignment resulting in the subsequent performance by the assignee of our functions the assignee shall expressly assume and agree to perform such obligations.

You expressly affirm and agree that we may sell our assets, our rights to the Proprietary Marks or to the System outright to a third party; may go public; may engage in a private placement of some or all of our securities; may merge, acquire other corporations, or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and, with

regard to any or all of the above sales, assignments and dispositions, you expressly and specifically waive any claims, demands or damages arising from or related to the loss of said Proprietary Marks (or any variation thereof) and/or the loss of association with or identification of “Main Line Brands LLC” as Franchisor. Nothing contained in this Agreement shall require us to remain in the same business or to offer the same products and services, whether or not bearing the Proprietary Marks, in the event that we exercise our right to assign our rights in this Agreement.

15.2 Assignment by You

Neither your interest in this Franchise Agreement nor any of your rights or privileges under this Agreement, nor the Franchised Business nor any interest therein, may be assigned, transferred, shared or divided, voluntarily or involuntarily, directly or indirectly, without our prior written consent, which shall not be unreasonably withheld, and without your first complying with this Section 15.2. (The use of the term “assignment” encompasses any actual or purported assignment, sale, transfer or other arrangement having the purpose or effect of shifting ownership or control in the Franchised Business.) Any actual or purported assignment of this Agreement or of the Franchised Business in violation of the terms is null and void and constitutes an incurable breach of this Agreement. The actual or purported transfer in the aggregate of more than fifty percent (50%) of the Franchised Business shall be deemed to be an “assignment” under this Agreement.

15.2.1 Our consent to any assignment is subject to the following conditions:

(a) The proposed assignee must demonstrate that it has the skills, qualifications and economic resources necessary, in our reasonable judgment, to conduct the Franchised Business and to fulfill its obligations to you and to us.

(b) The assignee must expressly assume in writing all of your obligations under the most current version of our Franchise Agreement in existence at the time of assignment (the “new Franchise Agreement”), which will be the prevailing agreement.

(c) As of the date of any such assignment, you shall have fully complied with all of your obligations to us, whether under this Agreement or any other agreement, arrangement or understanding with us.

(d) The assignee must execute the new Franchise Agreement in the form and on the terms and conditions then being offered by us to franchisees (except that the assignee shall not be obligated to pay another Initial Franchise Fee and the term of such new Franchise Agreement shall expire on the expiration date of this Agreement).

(e) We shall be paid a transfer fee equal to \$7,500 U.S. if the transferee does not have any existing relationship with us (for Mosquito Authority, Pest Authority or Fitness Machine Technicians) or \$2,500 U.S. if the transferee has an existing relationship with us (for Mosquito Authority, Pest Authority or Fitness Machine Technicians).

(f) The assignee must satisfactorily complete the training then required of all new franchisees, unless otherwise waived by us.

(g) We will be furnished copies of the signed contract between you and any such assignee and all related documentation in advance of the assignment, and for our prior written approval, which contract shall be contingent upon our approval, which shall not be unreasonably withheld.

(h) You must have executed a general release in a form satisfactory to us of any and all claims against us, our subsidiaries, affiliates, and designees, and their respective officers, directors, shareholders and employees in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances. At your request, we will sign a general release running in your favor having the same scope as the release signed by you, except for those matters which survive termination.

(i) The assignee shall not be affiliated in any way with a competitor of ours.

15.2.2 The grant of rights under this Agreement is personal to you and on the death or permanent disability of you or any of your Principals, the executor, administrator, conservator or other personal representative of yours or of the deceased principal, as the case may be, shall be required to transfer your or your principal's interest in this Agreement within ninety days (90) from the date of death or permanent disability to a third party approved by us. Failure to transfer in accordance with the forgoing will constitute a material default and the franchise granted by this Agreement will terminate. For purposes of this Agreement, the term "permanent disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent such person from providing continuous and material supervision of the operation of the Franchise business during the ninety (90) day period from its onset.

(a) The heirs, legatees, personal representatives, conservators, or surviving owner(s) meet our standards for qualification of new franchisees and agree in writing to be bound by the terms and conditions of this Agreement.

(b) Within ninety (90) days after your death or permanent disability, a person designated by your heirs, legatees, personal representative(s), conservator(s), or surviving owner(s) shall have satisfactorily completed our then-current Training Program. If at the time of such death or permanent disability you have employed a manager who has satisfactorily completed any version of our Training Program, this requirement shall be deemed satisfied for the duration of that manager's management of the Franchised Business.

(c) In the event that the conditions in this Section 15.2.2 are not satisfied, we shall have the right in our sole discretion to terminate this Agreement by notice, in the case of death, to your estate and, in the case of your permanent disability, to you.

15.3 Transfer to a Corporate Entity

If you desire to transfer your interests in this Agreement to a corporate entity formed by you solely for the convenience of ownership, you must obtain our prior written consent of such transfer, which consent shall be granted if:

15.3.1 You are the owner of all the voting interests of the entity or, if you are comprised of more than one (1) individual, each such individual has the same proportionate ownership interest in the entity as it held in the Franchised Business before the contemplated transfer; and

15.3.2 Appropriate forms of corporate resolutions and minutes, which have been duly adopted, are furnished to us before the transfer.

A transfer pursuant to this Section 15.3 may occur one (1) time only without payment of the transfer fee described in Section 15.2.1 above.

15.4 Our Right of First Refusal

Your right to assign, transfer or sell your interest in this Agreement (voluntarily or by operation of law) and/or the Franchised Business, as provided above, is subject to our right of first refusal. (We maintain the option of waiving this right, in writing.) That is, we have the right to be offered by you the opportunity to purchase such interest in the Franchise Agreement and/or the Franchised Business on the terms and conditions which have been offered to and accepted by a bona fide third party in a wholly arms-length transaction. Our right of first refusal will be exercised in the following manner:

15.4.1 You shall serve upon us a written notice setting forth all of the terms and conditions of the proposed assignment specifying the purchase price established by the parties and including reasonably complete information concerning the identity, financial standing and character of the proposed purchaser. You will attach to the notice a copy of a binding agreement between you and the proposed purchaser, which agreement is subject to cancellation if we exercise our right of first refusal or disapprove of the proposed transfer under Section 15.2.

15.4.2 Within fifteen (15) days after our receipt of such notice (or, if we shall request additional information, within fifteen (15) days after receipt of such additional information), we may, at our option, purchase the Franchised Business upon the terms and conditions specified in the notice and the agreement.

15.4.3 If we elect not to exercise our right of first refusal and consent to an assignment, you are, subject to the provisions of this Article 15, free to assign this Franchise Agreement and/or the Franchised Business to the proposed assignee on the terms and conditions specified in the notice and the agreement. If, however, the terms of the agreement are materially modified after submission to us, we have the right to evaluate the modified agreement for an additional thirty (30) days and, if we choose to do so, to exercise our right of first refusal on the modified terms.

15.5 No Right to Pledge

You do not have the right to pledge, encumber, hypothecate or otherwise give any third party any security interest in this Agreement or in the Proprietary Properties or the Franchised Business in any manner whatsoever without our express written permission, which permission may be withheld for any reason. The foregoing does not apply to the lease, financing, or purchase money security interest granted to a lender in connection with the procurement of equipment or service vehicles by you for the Franchised Business.

ARTICLE 16: DEFAULT AND TERMINATION

16.1 Automatic Termination

You shall be in default under this Agreement, and all rights granted to you herein shall automatically terminate without notice to you, if you, or any of your partners, if you are a partnership, or any of your officers, directors, shareholders, or members, if you are a corporation or limited liability company, shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by you or such a petition is filed against and not opposed by you; if you are adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver or other custodian for you or your business or assets is filed and consented to by you; if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against you; if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a *supersedeas* bond is filed); if you are dissolved; if execution is levied against your business

or property; if suit to foreclose any lien or mortgage against the premises or equipment of the Franchised Business is instituted against you and not dismissed within thirty (30) days; or if the real or personal property of the Franchised Business shall be sold after levy thereupon by any sheriff, marshal, or constable.

16.2 Termination Upon Notice – No Right to Cure

Upon the occurrence of any of the following events, you are deemed to be in default and we may, in our sole and exclusive discretion, terminate this Agreement and all rights granted hereunder without affording you any opportunity to cure the default. Termination under this Section shall be effective immediately upon the earlier of the occurrence of any of the following or receipt of notice you:

16.2.1 If you abandon the Franchised Business by failing to operate such business for a period of five (5) consecutive days, or any shorter period after which it is reasonable for us to conclude that you do not intend to continue to operate the Franchised Business, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond your reasonable control; provided, however, that your lack of adequate financing shall not be considered beyond your reasonable control;

16.2.2 If you are or any of your owners is convicted of a felony, a fraud, a crime involving moral turpitude or any other crime or offense that is reasonably likely to have an adverse effect on the System, the Proprietary Marks, or the goodwill associated therewith;

16.2.3 If you make any material misrepresentation relating to the creation, acquisition or operation of the Franchised Business or engage in conduct which reflects materially and unfavorably upon the operation and reputation of the Franchised Business, us or the System;

16.2.4 If you fail, for a period of ten (10) days after notification of non-compliance by any duly constituted authority, to comply with any federal, state or local law, regulation or requirement applicable to the operation of the Franchised Business and fail promptly to notify us of such notification and to satisfy us of the steps taken to cure any such non-compliance;

16.2.5 If you repeatedly fail (i.e., at least three (3) or more times) to comply with any one requirement of this Agreement, whether or not such failures are ultimately corrected;

16.2.6 If your default under this Agreement is by its very nature incapable of being cured;

16.2.7 If you fail to attend and successfully complete our Training Program or fail to attend any mandatory refresher training course or meeting of franchisees unless such requirement is waived by us;

16.2.8 If you (or any of your shareholders, directors, officers, managers, members, partners or employees) acquire any interest in a business similar to or competitive with the Franchised Business, except that you or such other persons may own less than five percent (5%) of the shares of any company listed on any national or regional securities exchange and may own more than one (1) FMT Business pursuant to a valid Franchise Agreement with us;

16.2.9 If you engage in the unauthorized use or duplication of any aspect of our business, services or products;

16.2.10 If you engage in the unauthorized use or disclosure of any confidential information or Know How relating to us, the Franchised Business or the System;

16.2.11 If you sell, sublicense, assign or transfer any interest in this Agreement or the Franchised Business in violation of this Agreement, or if your representatives fail to nominate a manager for the Franchised Business upon your death or disability;

16.2.12 If you violate any covenant not to compete set forth in Article 14 of this Agreement;

16.2.13 If you misrepresent, substitute or “palm off” non-authentic services and/or products for or as our services and/or products;

16.2.14 If you knowingly maintain false books or records or submit any false reports to anyone;

16.2.15 If you purport to transfer any rights or obligations under this Agreement or any interest in you to any third party without our prior written consent or otherwise in violation of the terms of this Agreement;

16.2.16 If you violate any state or federal law or ordinance that in any manner relates to or impacts upon the provision of or ability to provide any of the services that you are required to offer and provide hereunder by the Franchised Business as an entity, or by any individuals who exercise any level of dominion or control over the operations of the Franchised Business, including, without limitation, a conviction based upon such a violation, allegation or charge of such violation without explanation that we shall deem to be reasonably satisfactory, or failure on your part to inform us of the existence of, threat of, charge or allegation of, or conviction of such violation;

16.2.17 If you or any of your owners violate any Anti-Terrorism Law;

16.2.18 If you incur three (3) insufficient funds fees in any twelve (12) month period during the Initial Term; or

16.2.19 If you fail to comply with any other provision or requirement of this Agreement or the Brand Standards Manuals after written notice and an opportunity to cure, under Section 16.3.

16.3 Notice of Termination – Right to Cure

Except as provided in Sections 16.1 and 16.2 of this Agreement, you shall have ten (10) days (for monetary defaults) and thirty (30) days (for non-monetary defaults) after receipt from us of a written notice of termination in which to remedy the default (or, if the default cannot reasonably be cured within such period, to initiate within that time substantial and continuing action to cure the default) and to provide evidence of such cure to us. If any default is not cured within that time (or if substantial and continuing action to cure the default is not initiated within that time), or such other period as applicable law may require, this Agreement shall terminate without further notice to you effective immediately upon expiration of the cure period, or such longer period as applicable law may require. Defaults under this Section include the occurrence of any of the following events:

16.3.1 If you fail, refuse or neglect promptly to pay when due any monies owed to us (or our affiliates, subsidiaries or designees) or fail, refuse or neglect promptly to submit financial or other information required by us under this Agreement, or make any false statements in connection therewith;

16.3.2 If you fail to maintain and operate the Franchised Business in accordance with the provisions or requirements of this Agreement or the Brand Standards Manuals;

16.3.3 If you fail to obtain our prior written approval or consent where the same is required pursuant to this Agreement;

16.3.4 If you misuse, or use in an unauthorized manner, any of the Proprietary Marks, Know How, Copyrights or materially impair the goodwill associated therewith or our rights therein;

16.3.5 If you participate in any business or in the marketing of any service or product under a name or mark which, in our reasonable opinion, is confusingly similar to or a colorable imitation of any of the Proprietary Marks;

16.3.6 If you offer or sell, as part of the Franchised Business, any unapproved product or service or fail to offer or provide on a regular basis all products and services which comprise part of the System;

16.3.7 If you, by act or omission, knowingly permit a violation of any law, ordinance, rule or regulation of any governmental entity to remain uncorrected in the absence of a good faith dispute over its applicability or legality and without promptly resorting to an appropriate administrative or judicial forum for relief therefrom; or

16.3.8 If you fail to obtain and maintain all required insurance policies or fail to name us and other required parties as an additional insured thereunder in accordance with the terms of this Agreement.

16.4 Cross Default

Any default by you (or any person/company affiliated with you) under this Agreement may be regarded as a default under any other agreement between us (or any of our affiliates) and you (or any of your affiliates). Any default by you (or any person/company affiliated with you) under any other agreement, including, but not limited to, any lease and/or sublease, between us (or any of our affiliates) and you (or any person/company affiliated with you), and any default by you (or any person/company affiliated with you) under any obligation to us (or any of our affiliates) may be regarded as a default under this Agreement. Any default by you (or any person/company affiliated with you) under any lease, sublease, loan agreement, security interest or otherwise, whether with us, any of our affiliates and/or any third party may be regarded as a default under this Agreement and/or any other agreement between us (or any of our affiliates) and you (or any of your affiliates).

In each of the foregoing cases, we (and any of our affiliates) will have all remedies allowed at law, including termination of your rights (and/or those of any person/company affiliated with you) and our (and/or our affiliates') obligations. No right or remedy which we may have (including termination) is exclusive of any other right or remedy provided under law or equity and we may pursue any rights and/or remedies available.

16.5 Amendment Pursuant to Applicable Law

Notwithstanding anything to the contrary contained in this Article, if any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this franchise and the parties hereto shall limit our rights of termination under this Agreement or shall require longer notice periods than those set forth above, this Agreement is deemed amended to satisfy the minimum notice periods or restrictions upon such termination required by such laws and regulations; provided, however, that such constructive amendment shall not be deemed a concession by us that the grounds for termination set forth in this Agreement do not constitute "good cause" for termination within the meaning ascribed to that term

by any applicable law or regulation. We shall not be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, hearing or proceeding relating to this Agreement or the termination of this Agreement.

16.6 Our Right to Discontinue Services to You

If you are in breach of any obligation under this Agreement, and we deliver to you a notice of termination pursuant to this Article 16, we have the right to suspend our performance of any of our obligations under this Agreement including, without limitation, the sale or supply of any services or products for which we are an approved supplier to you and/or suspension of your Website, until such time as you correct the breach.

ARTICLE 17: FURTHER OBLIGATIONS AND RIGHTS OF THE PARTIES UPON TERMINATION OR EXPIRATION

17.1 Discontinuance of Use of Proprietary Properties

Upon the termination or expiration of this Franchise Agreement, you shall forthwith discontinue the use of the Proprietary Marks, Know How, Copyrights and Brand Standards Manuals, and you will not thereafter operate or do business under any name or in any manner that might tend to give the general public the impression that you are in any manner affiliated with us or an “FMT” Business, or any business similar thereto, or any words, phrases or logos confusingly similar thereto or colorable imitations thereof, and you shall not thereafter use, in any manner, or for any purpose, directly or indirectly, any of our confidential information, knowledge or Know How concerning the operation, products, services, trade secrets, procedures, policies, techniques or materials or customers acquired by you by virtue of the relationship established by this Agreement, including the following:

17.1.1 Standards, specifications or descriptions of our products and services;

17.1.2 Our Brand Standards Manuals and any supplements thereto;

17.1.3 Any forms, advertising matter, marks, devices, signs, insignia, slogans or designs used from time to time in connection with the Franchised Business;

17.1.4 Any copyrights, Proprietary Marks, trade names and patents now or hereafter applied for or granted in connection therewith, or any marks, logos, words or phrases confusingly similar thereto or colorable imitations thereof;

17.1.5 Any telephone number listed in any telephone directory under the name “FMT” or any similar designation or directory listing which relates to the Franchised Business;

17.1.6 Any internet Websites, listings, advertisements and/or domain names, whether or not established in accordance with this Agreement; and

17.1.6 Any and all of the systems, procedures, techniques, criteria, concepts, designs, advertising and promotional techniques, products or service specifications, and all other components, specifications and standards which comprise (or in the future may comprise) part of the System.

17.2 Cancellation of Assumed Names

Upon termination or expiration of this Agreement, you will take such action as may be necessary to cancel any assumed name or equivalent registration which contains any name or mark identical or similar to “FMT” or any other name, trademark or service mark of ours, or colorable imitations thereof, and you shall furnish us with proof of discharge of this obligation within thirty (30) days following the termination or expiration of this Agreement.

17.3 We are Attorney-In-Fact

We may, if you fail or refuse to do so, sign in your name and on your behalf any and all documents necessary to cause discontinuation of your use of the name “FMT” or any other related or similar name or use thereunder, and we are hereby irrevocably appointed by you as your attorney-in-fact to do so.

17.4 Survival of Obligations

The expiration or termination of this Agreement shall be without prejudice to the rights of one party against the other party, and such expiration or termination shall not relieve a party of any of its obligations to the other party existing at the time of expiration or termination or terminate those obligations of a party which by their nature survive the expiration or termination of this Agreement.

17.5 Telephone and Internet Listings

Upon termination or expiration of this Agreement, you will cease and desist from using (or renewing the listing for) any telephone number(s) listed in the “Yellow Pages” or “White Pages” of any telephone directory under the name “FMT” or any other name similar thereto and, upon our demand, shall direct the telephone company servicing the Franchised Business to transfer said telephone number(s) to us, or to such other person or persons at such location or locations as we shall direct. You shall likewise cease and desist from using (or renewing the listing for) any internet Websites, advertising, domain names or the like under the name “FMT” or any other name similar thereto, whether or not established in compliance with this Agreement, and upon our demand shall direct the appropriate companies to transfer said Websites, advertising, domain names and the like to us or to such other person or persons we designate.

17.6 Payment of Monies Owed

Upon termination or expiration of this Agreement, you will promptly pay all sums owing to us (and our subsidiaries, affiliates or designees). In the event of termination based upon a default by you, such sums shall include all damages, costs and expenses (including actual attorneys’ fees) incurred by us as a result of the default. The obligation created under this Section shall give rise to and remain, until paid in full, a lien in our favor against any and all of the personal property, furnishings, equipment, signs, inventory, fixtures or other assets owned by you at the time of default.

17.7 Compliance with Post-Term Covenants

Upon termination or expiration of this Agreement, you will comply with the post-term covenants not to compete set forth in Article 14 hereof.

17.8 Our Right to Repurchase Trademarked Items

Upon termination or expiration of this Agreement for any reason whatsoever, you will immediately return to us all materials which bear any of the Proprietary Marks, trade names or copyrighted material. To the extent that we may make use of these materials, we will pay to you your documented and verified costs for those useful materials. You will destroy any and all materials not otherwise required to be returned to us in accordance with this Agreement or the Brand Standards Manuals. Contemporaneously, you will return

to us all copies in your possession of materials and documents (including, among other things, the Brand Standards Manuals, corporate records and files, correspondence, brochures, agreements, and disclosure statements) relating to the grant or operation of the Franchised Business.

You agree fully to cooperate with us in effectuating any repurchase transaction contemplated hereunder, and you undertake to use your best efforts to provide us and our designees with all data and documentation as reasonably may be required to give effect to the purposes of this Section.

17.9 No Right to Proprietary Properties

Upon expiration or termination, you shall immediately discontinue the use of each and every aspect of the Proprietary Properties, including the Proprietary Marks and trade dress, and Know How, and thereafter shall no longer use or have the rights to use the Proprietary Properties, or any colorable or confusingly similar variations thereof, or any word, logo or figure similar to the Proprietary Marks, or Know How. In the event of any litigation between the parties hereto with respect to the subject matter hereof, the party in any such litigation in whose favor a judgment is entered shall be entitled to have and recover, and the other party agrees to pay, its reasonable attorneys' fees, court costs, collection fees and expenses, with interest, in addition to any award to which the prevailing party may be otherwise entitled.

ARTICLE 18: MODIFICATION OF SYSTEM

18.1 You understand and agree that the System must not remain static if it is to meet (without limitation) presently unforeseen changes in technology, competitive circumstances, demographics, populations, consumer trends, societal trends and other market place variables, and if it is to best serve the interests of us, you, the network of all other franchisees, and FMT customers. Accordingly, you expressly understand and agree that we may, from time to time, change the components of the System including altering the products, programs, services, methods, standards, forms, policies and procedures of that System; abandoning the System altogether in favor of another system in connection with a merger, acquisition, other business combination or for other reasons; adding to, deleting from or modifying those products, programs and services which your Franchised Business is authorized and required to offer modifying or substituting entirely the building, premises, equipment, signage, trade dress, décor, color schemes and uniform specifications and all other unit construction, design, appearance and operation attributes which you are required to observe hereunder; and changing, improving, modifying or substituting the Proprietary Properties. You expressly agree to comply with any such modifications, changes, additions, deletions, substitutions and alterations; provided, however, that such changes shall not materially and unreasonably increase your obligations under this Agreement.

18.2 You shall accept, use and effectuate any such changes or modifications to, or substitution of, the System as if they were part of the System at the time that this Agreement was signed.

18.3 We shall not be liable to you for any expenses, losses or damages sustained by you as a result of any of the modifications contemplated hereby. You hereby covenant not to commence or join in any litigation or other proceeding against us or any third party complaining of any such modifications or seeking expenses, losses or damages caused thereby. Finally, you expressly waive any claims, demands or damages arising from or related to the foregoing activities including, without limitation, any claim of breach of contract, breach of fiduciary duty, fraud, and/or breach of the implied covenant of good faith and fair dealing.

ARTICLE 19: GENERAL PROVISIONS

19.1 Sums of Money

All references in this Agreement to sums of money shall be deemed to refer to lawful money of the United States of America.

19.2 Severability

Except as otherwise stated in this Agreement, each provision of this Agreement, and any portion of any provision, is severable and the remainder of this Agreement will continue in full force and effect. To the extent that any provision restricting your competitive activities is deemed unenforceable, you and we agree that such provisions will be enforced to the fullest extent permissible under governing law. This Agreement is deemed automatically modified to comply with governing law if such law requires: (a) a greater time period for notice of the termination of, or refusal to renew, this Agreement; or (b) the taking of some other action not described in this Agreement. We may modify any invalid or unenforceable provision to the extent required to be valid and enforceable and you will be bound by the modified provisions.

19.3 Waiver

A party's waiver of any breach(es) under this or any other agreement (whether by failure to exercise a right available, failure to insist on strict compliance with the terms of any agreement, development of a custom or practice which is at variance with the terms of any agreement, acceptance of partial or other payments or otherwise) will not affect the party's rights with regard to any breach by the other party or anyone else. The rights and remedies provided in this Agreement are cumulative and neither party will be prohibited from exercising any rights or remedies provided under this Agreement or permitted under law or equity.

19.4 Acknowledgments

You and we agree that there does not exist any fiduciary, trust or similar relationship between you and us, that the relationship between you and us is a normal commercial relationship between independent businesspeople intended for mutual but independent economic benefit and is not in any sense nor is intended to be a fiduciary, trust or similar relationship.

19.4.1 You and we, each agreeing on the critical practical business importance of our relationship being governed solely by written documents signed by you and us (including any concurrently executed written personal guarantees, Confidentiality (and Non-Competition) Agreements, Franchisee Disclosure Acknowledgment Statement and/or exhibits, schedules, addenda, promissory note(s), security agreement(s) or other written documents signed by the party to be bound thereby, all of which will be deemed to be part of this Agreement for the purposes of this Subsection) and not wishing to create misunderstandings, confusion and possible conflict through reference to any alleged prior and/or contemporaneous oral and/or written representations, understandings, agreements or otherwise, jointly intend and agree that (i) this Agreement contains the final, complete and exclusive expression of the terms of the parties' agreement and entirely supersedes and replaces any and all prior and/or concurrent understandings, agreements, inducements, prior course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (whether oral or written) between you and us, (ii) there are no prior and/or concurrent understandings, agreements, inducements, course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (whether oral or written) which are not fully expressed in this Agreement, and (iii) no prior and/or concurrent understandings, agreements, inducements, course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (whether

oral or written) of any kind or nature whatsoever have been made by us or anyone else, nor have been relied upon by you nor will have any force or effect. Notwithstanding the foregoing, nothing in this or any related agreement is intended to disclaim the representations made by us in the Disclosure Document that was furnished to you by us.

19.4.2 You acknowledge and represent that you have not been promised, nor have we or any of our representatives, employees or agents made any promises, representations and/or warranties, nor have you received or relied on any promises, representations or warranties, that (i) any payments by you are refundable at your option, (ii) we will repurchase any rights granted under this Agreement (or any associated business) or will be able to assist you in any resale, (v) you will have any exclusive rights of any type other than as specifically set forth in this Agreement, or (vi) you will receive any level of advertising (television or otherwise), marketing assistance, site location, development or other services, operational assistance or otherwise other than as expressly set forth in this Agreement. No contingency, condition, prerequisite, prior requirement, or otherwise (including obtaining financing, obtaining a site or otherwise) exists with respect to your fully performing any or all of your obligations under this Agreement.

19.4.3 You acknowledge that you and each person signing this Agreement as Franchisee (and/or having any investment and/or interest in the Franchised Business) have received, reviewed, understood and fully read and all questions have been answered regarding a copy of our Disclosure Document with all exhibits at least fourteen (14) calendar days before the earlier of you and/or any such person (a) signing any binding documents or (b) paying any sums.

19.4.4 You acknowledge and agree that in all of your dealings with us, our officers, directors, employees, and agents act only in a representative capacity and not in an individual capacity. You further acknowledge that this Agreement, and all business dealings between you and such individuals as a result of this Agreement, are solely between you and us. You further represent to us, as an inducement to our entry into this Agreement, that you have made no misrepresentations in obtaining the Franchised Business.

19.4.8 You are aware of the fact that some present or future franchisees of ours may operate under different forms of Franchise Agreements and, consequently, that our obligations and rights in respect to our various franchisees may differ materially in certain circumstances. This fact will not be used to unfairly discriminate against you.

19.5 Notices

Except as otherwise provided in this Agreement, any notice, demand or communication provided for in this Agreement shall be in writing, signed by the party giving the same, and personally delivered or sent by overnight courier as set forth in the introductory paragraph of this Agreement, or at such other address or addresses as the parties may from time to time designate in writing

Either party may change its address for notice purposes by giving the other party written notice of such change.

19.6 Gender

Reference to you as male, female, or no gender shall include male or female franchisee, general or limited partnership, joint venture, corporation, limited liability company, trust, or any other association or business entity, as relevant in the context.

19.7 Headings

Headings and captions in this Agreement are for convenience of reference only and shall not be taken into account in construing or interpreting this Agreement.

19.8 References

Any reference in this Agreement to any paragraph or other part of this Agreement shall be deemed to include a reference to every subordinate part and/or subparagraph.

19.9 Delays in Performance

It is acknowledged and agreed by both parties that any delay in the performance of its obligations under this Agreement would irreparably and irrevocably injure the other party in the conduct of its business and the value of its property. The parties agree that time is of the essence of this Agreement. Except as otherwise specifically permitted in this Agreement, no extension of time shall be implied, nor any delay allowed, in the timely and complete performance of all covenants contained in this Agreement.

19.10 Variances

Complete and detailed uniformity under many varying conditions may not be possible or practicable, and we therefore reserve the right and privilege, in our sole and absolute discretion and as we may deem in the best interest of all concerned in any specific instance, to vary standards to accommodate special needs of you, or those of any other franchisee, based upon the peculiarities of a particular site or location, density of population, business potential, population of trade area, existing business practices, requirements of local law or local custom, or any other condition which we deem to be of importance to the successful operation of such franchisee's business. Further, we may from time to time allow certain franchisees to depart from normal System standards and routines in certain respects in order to experiment with or test new products or services, equipment, service vehicles, designs, procedures and the like. In no event shall such variance, or such testing, be deemed a waiver of any of our rights, or an excuse from performance of any of your duties hereunder. We may at any time require you to commence full compliance with all of our standards and procedures. We shall not under any circumstances be required to grant any variance to you. Nothing contained in this Article is intended to confer on you any right to compel us to grant a variance to you or to grant, withdraw or modify any variance given to any other franchisee. Such matters shall at all times remain within our sole and absolute discretion.

19.11 Resolution of Conflicts

The parties are urged, but are not required, to discuss and seek resolution of any conflicts that may arise under this Agreement prior to resorting to litigation. The foregoing notwithstanding, in any instance in which we demonstrate by affidavit evidence to a court of competent jurisdiction that we will suffer immediate and irreparable injury as a consequence of your violation of this Agreement, then you agree to the entry of *ex parte* injunctive relief.

19.12 Provisions are Self-Executing

Each provision of this Article and those provisions in this Agreement relating to covenants against post-termination/expiration use of the Proprietary Marks, Know How, and Copyrights will be deemed to be self-executing and continue in full force and effect subsequent to and notwithstanding the expiration, termination, setting aside, cancellation, rescission, unenforceability or otherwise of this Agreement (or any part of it) for any reason, and will survive and will govern any claim for rescission or otherwise. Each party reserves the right to challenge any law, rule or judicial or other construction which would have the effect of varying or rendering ineffective any provision of this Agreement.

19.13 Acceptance of Agreement

This Agreement becomes valid when signed and accepted by us at our headquarters.

19.14 Binding Effect; No Modification

This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns, and successors in interest, and will not be modified except by written agreement signed by both parties.

19.15 Construction

Nothing in this Agreement is intended, nor will be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. Except where this Agreement expressly provides otherwise, we have the right to condition, withhold and/or refuse, in our sole and absolute discretion, any request by you and our approval of, or consent to, any action or omission by you. The headings of the several articles and sections hereof are for convenience only and do not define, limit, or construe the contents of such articles or sections. The term “attorneys’ fees” will include, without limitation, legal fees, whether incurred prior to, in preparation for or in contemplation of the filing of any written demand or claim, action, hearing or proceeding to enforce the obligations of this Agreement. References to a “controlling interest” in you will mean more than fifty percent (50%) of the voting control of you if you are a corporate entity. The term “Franchisee” as used herein is applicable to one or more persons, a corporation, limited liability company or a partnership, as the case may be. The singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two (2) or more persons are at any time the Franchisee under this Agreement, whether or not as partners or joint venturers, their obligations and liabilities to us will be joint and several. This Agreement will be executed in multiple copies, each of which will be deemed an original. Each of the provisions of this Article shall apply to any claim brought (or which could be brought) by any principal of yours or by you or on your behalf.

19.16 You Shall Not Withhold Sums

If you in good faith believe that we have or any other person/entity has violated any legal duty to you, you will nevertheless not withhold any sums due us, any affiliate or any Brand Development Fee until such matter has been finally determined.

19.17 Governing Law

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other applicable federal law, this Agreement shall be interpreted under the laws of the State of North Carolina, and any dispute between the parties shall be governed by and determined in accordance with the substantive laws of the State of North Carolina, which laws shall prevail in the event of any conflict of law. We and you have negotiated regarding a forum in which to resolve any disputes which may arise between them and have agreed to select a forum in order to promote stability in their relationship. Therefore, if a claim is asserted in any legal proceeding involving you, your officers or directors and us, our officers, directors, shareholders, members, employees or Affiliates both parties agree that the exclusive venue for disputes between them shall be in the State of North Carolina and each waive any objection either may have to the personal jurisdiction of or venue in the State of North Carolina. You irrevocably submit to the jurisdiction of such courts and waives any objection you may have to either the jurisdiction or venue in such court.

19.18 Operation in the Event of Absence or Disability

In order to prevent any interruption of the Franchised Business operations which would cause harm to the Franchised Business, thereby depreciating the value thereof, you authorize us, who may, at our option,

in the event that you are absent for any reason or are incapacitated by reason of illness and are unable, in our sole and reasonable judgment, to operate the Franchised Business, operate the Franchised Business for so long as we deem necessary and practical, and without waiver of any other rights or remedies we may have under this Agreement. All monies from the operation of the Franchised Business during such period of operation by us shall be kept in a separate account, and the expenses of the Franchised Business, including reasonable compensation and expenses for our representative, shall be charged to said account. If, as herein provided, we temporarily operate the Franchised Business franchised herein for you, you agree to indemnify and hold harmless us and any representative of ours who may act hereunder, from any and all acts which we may perform, as regards the interests of you or third parties.

19.19 Step-In Rights

If we determine in our sole judgment that the operation of your Franchised Business is in jeopardy, or if a default occurs, then in order to prevent an interruption of the Franchised Business which would cause harm to the System and thereby lessen its value, you authorize us to operate your Franchised Business for as long as we deem necessary and practical, and without waiver of any other rights or remedies which we may have under this Agreement. In our sole judgment, we may deem you incapable of operating the Franchised Business if, without limitation, you are absent or incapacitated by reason of illness or death; you have failed to pay when due or have failed to remove any and all liens or encumbrances of every kind placed upon or against your Franchised Business; or we determine that operational problems require that we operate your Franchised Business for a period of time that we determine, in our sole discretion, to be necessary to maintain the operation of the Franchised Business as a going concern.

We shall keep in a separate account all monies generated by the operation of your Franchised Business, less the expenses of the Franchised Business, including reasonable compensation and expenses for our representatives. In the event of our exercise of the Step-In Rights, you agree to hold harmless us and our representatives for all actions occurring during the course of such temporary operation. You agree to pay all of our reasonable attorneys' fees and costs incurred as a consequence of our exercise of the Step-In Rights. Nothing contained herein shall prevent us from exercising any other right which we may have under this Agreement, including, without limitation, termination.

19.20 Required NASAA Statement.

The following only applies in *California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington and Wisconsin*: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ARTICLE 20: DISPUTE RESOLUTION

20.1 Arbitration

20.1.1 Except as otherwise provided in this Section, any controversy or dispute arising out of, or relating to the franchise or this Agreement shall be submitted to final and binding arbitration as the sole and exclusive remedy for any such controversy or dispute. Subject to this Section, the right and duty of the parties to this Agreement to resolve any disputes by arbitration shall be governed exclusively by the Federal Arbitration Act, as amended, and arbitration shall take place according to the commercial arbitration rules of the American Arbitration Association in effect as of the date the demand for arbitration

is filed. The arbitration shall be held in Charlotte, North Carolina. However, arbitration will not be required to be used for any dispute which involves the Franchisee's continued unauthorized usage of any of the Marks or the System, business concept or any issue involving injunctive relief against you or any issues related to disclosure or misuse of Confidential Information or Trade Secrets, all of which issues may be submitted to a state or federal court within the State of North Carolina. The parties expressly consent to personal jurisdiction in the State of North Carolina and agree that such court(s) will have exclusive jurisdiction over any such issues not subject to arbitration.

20.1.2 The proceedings will be held by a single arbitrator agreed upon by the parties from a panel of neutral arbitrators provided by the American Arbitration Association and shall be chosen by the striking method. The parties each shall bear all of their own costs of arbitration; provided, however, the fees of the arbitrator shall be divided equally between the parties. The arbitrator shall have no authority to amend or modify the terms of this Agreement. The award or decision by the arbitrator shall be final and binding on the parties and may be enforced by judgment or order of a court having subject matter jurisdiction in the state where the arbitration took place. The parties consent to the exercise of personal jurisdiction over them by such courts and to the propriety of venue of such courts for the purpose of carrying out this provision; and they waive any objections that they would otherwise have concerning such matters.

20.1.3 Parties to arbitration under this Agreement shall include, by consolidation, joinder or in any other manner, any person other than you and any person in privity with or claiming through, in the right of or on behalf of you or us, unless both parties consent in writing. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any arbitration hereunder, except to the extent such issue may have been determined in another proceeding between us and you or any person in privity with or claiming through, in the right of or on behalf of us or you.

20.1.4 The parties agree that any arbitration, court action or other matter between the parties will be conducted on an individual basis, and not as part of a common, consolidated or class action.

20.1.5 YOU EXPRESSLY ACKNOWLEDGE THAT YOU HAVE READ THE TERMS OF THIS BINDING ARBITRATION PROVISION AND AFFIRM THAT THIS PROVISION IS ENTERED INTO WILLINGLY AND VOLUNTARILY AND WITHOUT ANY FRAUD, DURESS OR UNDUE INFLUENCE ON OUR PART OR ANY OF OUR AGENTS OR EMPLOYEES.

20.2 Prior Notice of Claims by You

Prior to your taking any legal or other action against us, whether for mediation, arbitration, damages, injunctive, equitable or other relief (including but not limited to rescission) and whether by way of claim, counterclaim, cross-complaint, raised as an affirmative defense or otherwise, based on any alleged act or omission of ours, you will first give us sixty (60) days' prior written notice and opportunity to cure such alleged act or omission.

20.3 Periods In Which to Make Claims

20.3.1 The parties agree that, except as provided below, no arbitration proceeding, action or suit (whether by way of claim, counterclaim, cross-complaint, raised as an affirmative defense or otherwise) by either party will lie against the other (nor will any action or suit by you against any person and/or entity affiliated with us), whether for damages, rescission, injunctive or any other legal and/or equitable relief, in respect of any alleged breach of this Agreement, or any other claim of any type, unless such party will have commenced such arbitration proceeding, action or suit before the expiration of the earlier of:

(a) One hundred eighty (180) days after the date upon which the state of facts giving rise to the cause of action comes to the attention of, or should reasonably have come to the attention of, such party; or

(b) One (1) year after the initial occurrence of any act or omission giving rise to the cause of action, whenever discovered.

20.3.2 Notwithstanding the foregoing limitations, where any federal, state or provincial law provides for a shorter limitation period than above described, whether upon notice or otherwise, such shorter period will govern.

20.3.3 The foregoing limitations may, where brought into effect by our failure to commence an action within the time periods specified, operate to exclude our right to sue for damages but will in no case, even upon expiration or lapse of the periods specified or referenced above, operate to prevent us from terminating your rights and our obligations under this Agreement as provided herein and under applicable law nor prevent us from obtaining any appropriate court judgment, order or otherwise which enforces and/or is otherwise consistent with such termination.

20.3.4 The foregoing limitations shall not apply to our claims arising from or related to: (1) your under-payment or non-payment of any amounts owed to us or any affiliated or otherwise related entity; (2) indemnification by you; (3) your confidentiality, non-competition or other exclusive relationship obligations; and/or (4) your unauthorized use of the Proprietary Properties.

20.4 Withholding Consent

In no event will you make any claim, whether directly, by way of setoff, counter-claim, defense or otherwise, for money damages or otherwise, by reason of any withholding or delaying of any consent or approval by us. Your sole remedy for any such claim is to submit it to arbitration as described in this Agreement and for the arbitrator to order us to grant such consent.

20.5 Survival and Construction

Each provision of this Article 20, together with the provisions of Article 19, will be deemed to be self-executing and continue in full force and effect subsequent to and notwithstanding the expiration, termination, setting aside, cancellation, rescission, unenforceability or otherwise of this Agreement (or any part of it) for any reason, will survive and will govern any claim for rescission or otherwise. Each provision of this Agreement will be construed as independent of, and severable from, every other provision; provided that if any part of this Agreement is deemed unlawful in any way, the parties agree that such provision will be deemed interpreted and/or modified to the minimum extent necessary to make such provision lawful or, if such construction is not permitted or available, the remainder of this Agreement will continue in full force and effect. Each party reserves the right to challenge any law, rule or judicial or other construction which would have the effect of varying or rendering ineffective any provision of this Agreement.

20.6 Costs and Attorneys' Fees

Except as expressly provided otherwise in this Agreement with respect to appeal of an arbitration award, each party will each bear their respective costs of enforcement and/or defense (including but not limited to attorneys' fees) in any claim or dispute between the parties (including your and/or our affiliates, related persons/entities, etc.) and will make no claim against the other with regard thereto.

20.7 Waiver of Punitive Damages; Waiver of Jury Trial

You and we hereby waive, to the fullest extent permitted by law, any right to or claim or any punitive, exemplary, incidental, indirect, special, consequential or other damages (including, without limitation, loss of profits) against either party, their officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees, in their corporate and individual capacities, arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of a dispute, either party shall be limited to the recovery of any actual damages sustained by it. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions of waiver by agreement of punitive, exemplary, incidental, indirect, special, consequential or other damages (including, without limitation, loss of profits) shall continue in full force and effect. We and you irrevocably waive trial by jury in any action, proceeding, or counterclaim, whether at law or in equity, brought by either of us against the other.

ARTICLE 21: SUBMISSION OF AGREEMENT

The submission of this Franchise Agreement to you does not itself constitute an offer to sell a franchise. This Franchise Agreement becomes effective only upon the signing by us and you. I HAVE READ THE AGREEMENT AND I AGREE TO AND ACCEPT EACH OF ITS PROVISIONS.

The parties hereto have executed this Agreement under seal as of the day and year first above written.

5. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchised Business during the term of the Franchise Agreement, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

7. Except as otherwise approved in writing by the Company, I shall not, while in my position with the Franchisee, either directly or indirectly for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, act as a consultant for, perform services for, or have any interest in any retail business or e-commerce business which: (a) is the same as, or substantially similar to, a Franchised Business; or (b) offers to sell or sells any products or services which are substantially the same as the products Franchised Business (a "Competitive Business"); and for a continuous uninterrupted period commencing upon the cessation or termination of my position with Franchisee, regardless of the cause for termination, or upon the expiration, termination, transfer, or assignment of the Franchise Agreement, whichever occurs first, and continuing for two (2) years thereafter, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, act as a consultant for, perform services for, or have any interest in any Competitive Business that is, or is intended to be, located at or within:

7.3 Twenty (20) miles of any Franchised Business operating under the System and the Proprietary Marks; or

7.4 Twenty (20) miles of any FMT customer location.

The prohibitions in this Paragraph 7 do not apply to my interests in or activities performed in connection with a Franchised Business. This restriction does not apply to my ownership of less than five percent (5%) beneficial interest in the outstanding securities of any publicly held corporation.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that the Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

 - (c) The Franchise Agreement requires application of the laws of Pennsylvania. This provision may not be enforceable under California law.
 - (d) The franchise agreement requires binding arbitration. The arbitration will occur in Chester

County, Pennsylvania with each party bearing its own costs of arbitration and the parties sharing the costs of arbitrators.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

6. It is hereby acknowledged and agreed that:

(a) California Business and Professions Code sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). 3. Attachment 2 of this Franchise Agreement is revised to delete paragraph 5 in its entirety

4. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee’s investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

ILLINOIS

1. Item 5 of the FDD and all relevant sections of the Franchise Agreement are amended such that:

All fees paid to the franchisor by the franchisee, shall be deferred until franchisor has satisfied its pre-opening obligations and the franchisee has commenced doing business. The Illinois Attorney General's Office imposed this deferral requirement due to Franchisor's financial condition.

2. Illinois law governs the Franchise Agreement(s).

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

3. A National Account is a customer who conducts business in more than one location. The Franchisor has the exclusive right to negotiate and enter into agreements to provide services to national accounts. You may be offered the opportunity to service a national account. If you decline or are unable to service the account, the Franchisor, an affiliate or another franchise may provide the service with no compensation to you (even if the service is provided within your exclusive territory).

4. The franchisor estimates the time between signing the Franchise Agreement and opening to be 30 to 60 days. The franchisor will offer a training program at headquarters within 60 days after you sign the Franchise Agreement. Your Franchised Business must be opened for business within 90 days after signing the Franchise Agreement, or the franchisor may elect to terminate your Franchise Agreement.

MARYLAND

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 5 of the Franchise Disclosure Document and all relevant sections of the Franchise Agreement are amended such that:

All fees paid to the franchisor by the franchisee, including payments for goods and services received from the franchisor before the business opens, shall be deferred until all of the franchisor's pre-opening obligations to the franchisee have been satisfied.

The Franchise Agreement, Attachment 2 to the Franchise Agreement and Exhibit G to the Franchise Disclosure Document are each amended to add the following:

All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

MINNESOTA

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14 Subds. 3,4 and 5, which require, (except in certain specified cases) that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement; and that consent to the transfer of the franchise will not be unreasonably withheld.

The following language amends the Governing Law, Jurisdiction and Venue, and Choice of Forum sections of the Franchise Disclosure Document and agreement(s): “Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(j) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce any of franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C, or franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. Further, Franchisee cannot consent to Franchisor obtaining injunctive relief. Franchisor may seek injunctive relief.

To the extent of any inconsistencies, Section 2.1.3 of the Franchise Agreement is amended such that:

To the extent of any inconsistencies, Section 8.10 of the Franchise Agreement is amended such that the insufficient funds fee is Thirty Dollars (\$30.00).

Item 13 of the Franchise Disclosure Document and the applicable sections of the franchise agreement(s) are modified to state that the franchisor will protect the franchisee's right to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. See Minnesota Statutes, Section 80C.12, Subd. 1(g).

The Limitations of Claims section is amended to comply with Minnesota Statutes, Section 80C.17. Subd. 5.

Minnesota Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee's assent to a general release other than as part of a voluntary settlement of disputes. To the extent of any inconsistencies with the Minnesota Rules requirement contained in Sections 4.2.4 or 15.2.1(h) of the Franchise Agreement, such inconsistent provisions are hereby deleted.

NORTH DAKOTA

1. The North Dakota Securities Commissioner requires that certain provisions contained in franchise documents be amended to be consistent with North Dakota law, including the North Dakota Franchise Investment Law, North Dakota Century Code Annotated Chapter 51-19, Section 51-19-09 (1993). To the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. If Franchisee is required in the Franchise Agreement to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate North Dakota Law, or a rule or order under North Dakota Law, such release shall exclude claims arising under North Dakota Law, and such acknowledgments shall be void with respect to claims under the Law.
- b. Covenants not to compete during the term of and upon termination or expiration of the Franchise Agreement are enforceable only under certain conditions according to North Dakota Law. If the Franchise Agreement contains a covenant not to compete which is inconsistent with North Dakota Law, the covenant may be unenforceable.
- c. If the Franchise Agreement requires litigation to be conducted in a forum other than the State of North Dakota, the requirement is void with respect to claims under

North Dakota Law.

- d. If the Franchise Agreement requires that it be governed by a state's law, other than the State of North Dakota, to the extent that such law conflicts with North Dakota Law, North Dakota Law shall control.
 - e. If the Franchise Agreement requires mediation or arbitration to be conducted in a forum other than the State of North Dakota, the requirement may be unenforceable under North Dakota Law. Arbitration involving a franchise purchased in the State of North Dakota must be held either in a location mutually agreed upon prior to the arbitration or if the parties cannot agree on a location, the location shall be determined by the arbitrator.
 - f. Section 17.6 of the Franchise Agreement entitled "Payment of Monies Owed" is amended to reflect that the sums owing to us upon termination or expiration of the Franchise Agreement will not include any liquidated damages, and you will not be required to consent to any termination of the Franchise Agreement.
 - g. Section 20.6 of the Franchise Agreement entitled "Costs and Attorneys' Fees" is amended to state the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

2. In all other respects, the Franchise Agreement will be construed and enforced according to its terms.

RHODE ISLAND

In recognition of the requirements of the Rhode Island Franchise Investment Act, the parties to the attached Main Line Brands LLC Franchise Agreement (the "Franchise Agreement") agree as follows:

1. The following language shall be added at the end of Section 20.1 of the Franchise Agreement:

Notwithstanding the above, Rhode Island franchisees are permitted to bring a lawsuit in Rhode Island for claims arising under the Rhode Island Franchise Investment Act.

VIRGINIA

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Agreement for Main Line Brands LLC for use in the Commonwealth of Virginia shall be amended as follows:

1. The following statements are added to Article 16 of the Franchise Agreement:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON

The collection of initial franchise fees will be deferred until the franchisor has fulfilled its initial pre-opening obligations and the franchisee is open for business.

Section 19.4 of the Franchise Agreement entitled “Acknowledgments” is deleted in its entirety.

The Costs and Attorneys fees section of Item 6 is revised to indicate such costs and attorneys’ fees are only payable if franchisor is the substantially prevailing party in an action.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

If any one of the preceding Addenda for specific states (“Addenda”) is checked as an “Applicable Addenda” below, then that Addenda shall be incorporated into the Franchise Disclosure Document, Franchise Agreement and any other specified agreement(s) entered into by us and the undersigned Franchisee. W I T N E S S E T H:

WHEREAS, we and our affiliate have developed, and are in the process of further developing, a unique, proprietary and evolving system (“System”) relating to the establishment and operation of a business that provides maintenance and repair products and services for exercise equipment using the Proprietary Properties, Copyrights, Know How, and Proprietary Marks;

WHEREAS, the existence of multiple franchisees in the System creates opportunities to enter into accounts with other entities having multiple locations in more than one territory in the System (each, a “National Account”) and accounts with other entities having multiple locations in a single territory in the System (each, a “Regional Account”) for the benefit of the System as a whole;

WHEREAS, the Company has and may in the future negotiate and enter into agreements for National Accounts (each, a “National Contract”) and Regional Accounts (each, a “Regional Contract”) with other companies or organizations (individually, a “Customer” or collectively, “Customers”) for the purpose of providing maintenance and repair products and services for exercise equipment;

WHEREAS, the Customers under such National Contracts and Regional Contracts agree to purchase significant quantities of their requirements for outsourced exercise equipment maintenance and repair products and services;

WHEREAS, the Company from time to time does not have the capacity or ability to service certain locations of the Customers; and

WHEREAS, the Participant desires to furnish Fitness Machine Technicians maintenance and repair products and services for exercise equipment to Customers under such terms and conditions as negotiated in the national Contract in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual undertakings, covenants, premises, and commitments contained above and below, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **IT IS AGREED**, as follows:

1. Pursuant to the terms of this Agreement, the Company shall endeavor to promote and develop National Contracts and Regional Contracts with Customers as determined by the Company in its sole and exclusive business judgment both within and outside of any Protected Territory serviced by the Participant and Participant agrees to honor and abide by the terms and conditions of such National Contracts and Regional Contracts, on an individual basis, in furnishing the services to each Customer as identified and designated by the Company to the Participant and to otherwise maintain the Company’s performance and operational standards as set forth in the Company’s Brand Standards Manuals and attachments to this Agreement.

2. Participant agrees to provide Fitness Machine Technicians maintenance and repair products and services for exercise equipment to each Customer location designated by the Company. The specific pricing, services and other details for a specific Customer to be serviced by the Participant under a National Contract or Regional Contract will be set forth in such National Contract or Regional Contract. Company agrees that for any National Contract or Regional Contract the billing, invoicing, servicing and any other items related to Participant servicing Customer will be consistent with Company's and Participant's Brand Standards Manuals.

3. Participant agrees to provide goods and services to each Customer location strictly in accordance with the terms and conditions of the National Contract or Regional Contract for such customer issued by the Company.

4. Participant shall pay any and all royalties due in the same manner and amount for servicing a National Contract or Regional Contract as they would for any other customer.

5. Participant shall at all times indemnify, defend and save harmless Company, its employees, officers, partners, successors and assigns against any and all claims, actions, demands, costs, damages, loss of expense of any kind whatsoever asserted by parties other than Company, resulting from or in connection with or arising out of Participant's performance of the services called for herein, or from the omission or commission of any act, lawful or unlawful, by Participant. Participant shall immediately notify Company of any such claim, action, or demand and shall be solely liable for all resulting costs, damages, expenses, and legal fees.

6. For all National Accounts, Participant shall provide the Company with an invoice of work completed for the National Account Customer pursuant to the terms of the National Contract for such National Account Customer. Company agrees to remit payment of such invoices upon payment of the invoice by the respective National Account Customer. Participant acknowledges and agrees that each invoice shall be calculated as follows: (i) for the first year of any National Contract, the contractual terms of the National Contract less twenty percent (20%); and (ii) for the second and any subsequent years of any National Contract, the contractual terms of the National Contract less ten percent (10%).

Participant shall not solicit, nor enter into for any purpose whatsoever, any separate agreement with any Customer during the term of this Agreement without the prior written consent from Company and Participant shall not do anything to interfere with Company's National Contract or Regional Contract with any Customer. Notwithstanding the foregoing, in the event Participant has a pre-existing contract with a local affiliate of National Account Customer, any conflict or discrepancy between the National Accounts program contract and the local contract, including, but not limited to, compensation and/or commission due thereunder, shall be resolved by Franchisor, at its sole discretion.

9. The term of this Participant Agreement will commence on the date of execution of this Participant Agreement, and, with respect to each Customer location, extend until the date of expiration of the then current contract term or unaltered renewal or extension of each contract term with respect to such Customer location serviced by Participant; provided, however that the Company may amend the terms of

11. Participant acknowledges that the Company is the sole and exclusive owner of the service marks "Fitness Machine Technicians" and related trademarks, if any (collectively, the "Mark"). Participant also acknowledges that this Agreement does not constitute a license to use any such Mark, and Participant acknowledges that, except as otherwise expressly granted by the Company to Participant in writing, Participant has no right or right whatsoever to use the Marks. Participant further acknowledges and agrees that the National Contracts and the relationships referenced therein are the Company's sole and exclusive property, and shall constitute confidential information of the Company.

13. This Agreement sets forth the entire agreement and understanding between the parties with respect to the subject matter hereof. This Agreement may not be changed or modified, except by agreement in writing, signed by each of the parties. The Company may assign this Agreement, in whole or in part. The Participant may not assign this Agreement without the express written consent of the Company.

14. If any provision of this Agreement shall be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

Consolidated Financial Statements for the

and Independent Auditors' Report

INDEPENDENT AUDITORS' REPORT

To the Member of Main Line Brands LLC & Subsidiaries:

Opinion

We have audited the consolidated financial statements of Main Line Brands LLC & Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of income and changes in member's equity and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and cash flows for the years then ended in accordance with generally accepted accounting principles in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with generally accepted auditing standards in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

Greenville Office Wells Fargo Center | 15 South Main St., Suite 800 | Greenville, SC 29601 | USA | Tel 864.752.0080

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

MAIN LINE BRANDS LLC & SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

1. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Operations - Main Line Brands LLC ("MLB") and its wholly owned subsidiaries are engaged in pest control, fitness machine maintenance, and the sale of franchise agreements. Additionally, MLB sells equipment, uniforms, and marketing materials to its franchises throughout the United States.

Principles of Consolidation - The consolidated financial statements include the accounts of MLB and its wholly owned subsidiaries Proexco, LLC ("Proexco"), Powersmith, LLC ("Powersmith"), and DP and Partners, LLC ("DP") (collectively the "Company"). All significant intercompany transactions and balances have been eliminated in consolidation.

Use of Accounting Estimates - The preparation of consolidated financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Adoption of New Accounting Standard - On January 1, 2023, the Company adopted Accounting Standards Update ("ASU") 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* ("ASC 326"). This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. CECL requires an estimate of credit losses for the remaining estimated life of the financial asset using historical experience, current conditions, and reasonable and supportable forecasts and generally applies to financial assets measured at amortized cost and some off-balance sheet credit exposures such as unfunded commitments to extend credit. Financial assets measured at amortized cost will be presented at the net amount expected to be collected by using an allowance for credit losses.

The Company adopted ASC 326 and all related subsequent amendments thereto effective January 1, 2023 using the modified retrospective approach for all financial assets measured at amortized cost and off-balance sheet credit exposures. The transition adjustment related to the adoption of CECL included an increase in the allowance for expected credit losses on notes receivable of \$40,000, which is presented as a reduction to notes receivable. The Company recorded a decrease to member's equity of \$40,000 as of January 1, 2023 for the cumulative effect of adopting CECL, which reflects the transition adjustment noted above. Results for reporting periods beginning after January 1, 2023 are presented under CECL while prior period amounts continue to be reported in accordance with previously applicable accounting standards ("incurred loss").

Revenue Recognition - The following sections present the Company's revenue recognition considerations for each of its revenue streams:

Franchise revenue

In connection with its franchising operations, the Company receives initial and renewal franchise fees for pre-opening services. Under ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* ("ASC 606"), the Company has applied the practical expedient to treat the pre-opening services as a single performance obligation. Franchise fees are non-refundable and are recognized as income when substantially all of the services to be performed by the Company and conditions relating to the sale of the franchise are performed or satisfied, which generally occurs concurrently with the execution of a franchise agreement. The transaction price is agreed upon in the contract.

The following is a summary of franchise openings and closings for the years ended December 31, 2023 and 2022:

	<u>Mosquito & Pest Franchises</u>	<u>Fitness Machine Maintenance Franchises</u>
Franchises operating at December 31, 2021	200	-
Franchises acquired through acquisition	-	47
New franchises opened during the year	28	-
Franchises closed during the year	<u>(2)</u>	<u>(3)</u>
Franchises operating at December 31, 2022	226	44
New franchises opened during the year	13	9
Franchises closed during the year	<u>(1)</u>	<u>(1)</u>
Franchises operating at December 31, 2023	<u><u>238</u></u>	<u><u>52</u></u>

Royalty revenue

The Company earns revenue from royalties on the licensing of the use of its intellectual property. The Company must approve the use of the intellectual property prior to each specific application to ensure proper quality and a consistent image. The performance obligations of the on-going royalty fees are considered to be the advertising and other services provided. These fees are based on a percentage of sales by the franchisee, subject to certain annual minimum royalties, and are recognized as the services are provided, the fees are charged, and when they are deemed collectible. The transaction price in these contracts is primarily fixed in nature. The Company satisfies its performance obligations over time as those services are performed whereby the customer simultaneously receives and consumes the benefits of such services under the agreement.

The Company has elected an optional exemption under ASC 606 that allows it to recognize the royalty income as sales at the franchisee occur instead of estimating the sales over the period of the agreement and recognizing ratably.

Product sales revenue

The Company has contracts with customers for product sales under standard ship and bill arrangements. The contracts are generally accounted for as having a single performance obligation for each of the products, which are considered the only distinct promises in the contract, and are short term in nature, not exceeding one year in duration. The transaction price is agreed upon in the contract. Revenue is recognized upon satisfaction of the performance obligations which is at a point in time when control is transferred to the customer. Typically, control is transferred upon shipment to the customer.

Services revenue

The Company has contracts with customers for pest control and fitness machine maintenance services under standard service arrangements. The contracts are generally accounted for as having a single performance obligation for each of the services, which are considered the only distinct promises in the contract, and are short term in nature, not exceeding one year in duration. The transaction price is agreed upon in the contract. The Company satisfies its performance obligation over time as the services are performed whereby the customer simultaneously receives and consumes the benefits of such services under the agreement.

Incremental costs incurred to obtain contracts, such as sales commissions, are expensed when incurred as the amortization period of any related assets would be less than one year.

Various economic factors affect the Company's revenues and cash flow. The timing of revenue recognition, billings and cash collections results in billed accounts receivable and notes receivable. The balance of accounts receivable and notes receivable, net of allowances, resulting from contracts with customers was \$1,082,469, \$1,148,309, and \$1,199,187 as of December 31, 2023, 2022, and 2021, respectively.

Cash - The Company maintains cash deposits with financial institutions that at times may exceed federally insured limits.

Accounts and Notes Receivable - For accounts receivable, the Company extends credit to its customers under standard payment terms, generally requiring payment within 30 days from the invoice date. For notes receivable, the Company has a program whereby certain franchisees can finance their initial franchise fee with the Company. The notes are repaid over periods ranging from 12 to 48 months, accrue interest at rates ranging from 5% to 8%, and are collateralized by the underlying franchise.

Accounts and notes receivable are reduced by an allowance for expected credit losses, which reflects management's estimate of the risk of loss due to credit default. The Company recognizes the amount of change in current expected credit losses as an allowance gain or loss in operating expenses in the accompanying consolidated statements of income. Accounts are written-off against the allowance when the Company has no reasonable expectation of recovering the receivable, either in its entirety or a portion thereof.

Changes in the allowance for credit losses during the year ended December 31, 2023 were as follows:

	<u>Accounts Receivable</u>	<u>Notes Receivable</u>
Balance at January 1, 2023	\$ 8,334	\$ 45,666
Impact of the adoption of CECL	-	40,000
Provision for credit losses	1,751	52,882
Write-offs	<u>(5,085)</u>	<u>(98,548)</u>
Balance at December 31, 2023	<u>\$ 5,000</u>	<u>\$ 40,000</u>

Management estimates the allowance for expected credit losses by applying historical credit loss rates to accounts and notes receivable aging categories. Management considers historical loss information to be a reasonable base for its estimate as the composition of accounts and notes receivable and the risk characteristics of its customers and lending practices have not changed significantly over time. In addition, accounts are pooled by aging category as the change in risk characteristics is similar as accounts age. Management has determined that the current and reasonable and supportable forecasted economic conditions are consistent with the economic conditions included in the historical information.

Goodwill and Intangible Assets - Goodwill represents the excess of the purchase price over the fair value of net assets acquired. The Company amortizes goodwill on a straight-line basis over 10 years. Intangible assets acquired, including amounts allocated to trade names, franchise agreements, and customer lists, are amortized over their estimated useful lives (See Note 4). The Company tests goodwill and intangible assets for impairment whenever a triggering event occurs which indicates that the fair value of the entity may be below its carrying amount. The Company's evaluation of goodwill and intangible assets during the years ended December 31, 2023 and 2022 resulted in no impairment losses.

Property - Property is classified as vehicles and is recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets.

Leases - The Company assesses whether an arrangement is a lease, or contains a lease, upon inception of the contract. This assessment is based on: (1) whether the contract explicitly or implicitly involves the use of a distinct asset, (2) whether the Company obtains substantially all of the economic benefits from the use of that underlying asset during the term of the contract, and (3) whether the Company has the right to direct the use of the asset. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company recognizes a certain lease on its consolidated balance sheets as a right-of-use ("ROU") asset representing the right to use an underlying asset and lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Leases are classified as either finance leases or operating leases based on certain criteria. Classification of the lease affects the pattern of expense recognition in the consolidated statements of income and changes in member's equity. All current leases are classified and accounted for as operating leases. Lease expense for operating leases, consisting of lease payments, is recognized on a straight-line basis over the lease term and is included in operating expenses in the consolidated statements of income and changes in member's equity.

The Company made an accounting policy election to not recognize ROU assets and lease liabilities for short-term leases which are leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease. The ROU assets also include any initial direct costs incurred and lease payments made on or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Company uses the rate explicit or implicit in the lease. For leases where the explicit rate is not stated in the contract and implicit rate is not readily determinable, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date.

Income Taxes - For income tax purposes, the Company is considered to be a partnership. Accordingly, no provision for federal or state income taxes has been made in the accompanying consolidated financial statements since the member includes its allocable share of the Company's taxable income or loss in its respective individual income tax return.

The Company records liabilities for income tax positions taken or expected to be taken when those positions are deemed uncertain to be upheld in an examination by taxing authorities. No liabilities for uncertain income tax positions were recorded as of December 31, 2023 and 2022.

Advertising and Marketing - The Company expenses the costs of advertising and marketing as incurred. For the years ended December 31, 2023 and 2022, the Company incurred approximately \$416,000 and \$472,000, respectively, of advertising and marketing expenses.

Subsequent Events - In preparing its consolidated financial statements, the Company has evaluated subsequent events through April 4, 2024, which is the date the consolidated financial statements were available to be issued.

2. ACQUISITIONS

Effective February 13, 2023, the Company acquired Mosquito Masters, LLC for total consideration of \$35,000 which was paid in cash at closing. The acquisition was performed to expand the Company's product offerings. The transaction was accounted for as an asset acquisition. The entirety of the purchase price was allocated to goodwill.

INDEPENDENT AUDITORS' REPORT

To the Member of Main Line Brands LLC:

Opinion

We have audited the financial statements of Main Line Brands LLC (the "Company"), which comprise the balance sheet as of December 31, 2021, and the related statements of operations and changes in member's equity and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021, and the results of its operations and cash flows for the years then ended in accordance with generally accepted accounting principles in the United States of America ("GAAP").

Basis for Opinion

We conducted our audit in accordance with generally accepted auditing standards in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MAIN LINE BRANDS LLC

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021

1. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Operations - Main Line Brands LLC (the "Company") is an outdoor pest control business engaged in the sale of franchise agreements. Additionally, the Company sells equipment, uniforms, and marketing materials to those franchises throughout the United States.

On March 11, 2021, the Company changed its name from Authority Franchising, LLC to Main Line Brands LLC.

Variable Interest Entity - In March 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-07 *Consolidation*, which amends FASB Accounting Standards Codification 810, *Consolidation*. This ASU provides private company lessees the alternative to elect not to apply variable interest entity (VIE) guidance to a lessor entity given certain conditions. The Company has determined that it has a variable interest in, and is the primary beneficiary of, TKS Holdings, LLC. The Company leases the building in which it operates from TKS Holdings, LLC. The Company's leasing arrangement with the VIE meets the conditions to allow for the accounting alternative method. The Company elected this alternative and has excluded TKS Holdings, LLC from its financial statements (See Note 4).

Use of Accounting Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Revenue Recognition - The following sections present the Company's revenue recognition considerations for each of its revenue streams.

Franchise revenue

In connection with its franchising operations, the Company receives initial and renewal franchise fees for pre-opening services. Under the adoption of Topic 606, the Company has applied the practical expedient to treat the pre-opening services as a single performance obligation. Franchise fees are non-refundable and are recognized as income when substantially all of the services to be performed by the Company and conditions relating to the sale of the franchise are performed or satisfied, which generally occurs concurrently with the execution of a franchise agreement. The transaction price is agreed upon in the contract.

The following is a summary of franchise openings and closings for the year ended December 31, 2021.

	<u>Mosquito Franchises</u>	<u>Pest Franchises</u>
Franchises operating at the beginning of the year	153	23
New franchises opened during the year	12	15
Franchises closed during the year	<u>(1)</u>	<u>(3)</u>
Franchises operating at the end of the year	<u>164</u>	<u>35</u>

Royalty revenue

The Company earns revenue from royalties on the licensing of the use of its intellectual property. The Company must approve the use of the intellectual property prior to each specific application to ensure proper quality and a consistent image. The performance obligations of the on-going royalty fees are considered to be the advertising and other services provided. These fees are based on a percentage of sales by the franchisee, subject to certain annual minimum royalties, and are recognized as the services are provided, the fees are charged, and when they are deemed collectible. The transaction price in these contracts is primarily fixed in nature. The Company satisfies its performance obligations over time as those services are performed whereby the customer simultaneously receives and consumes the benefits of such services under the agreement.

The Company has elected an optional exemption under ASC 606 that allows it to recognize the royalty income as sales at the franchisee occur instead of estimating the sales over the period of the agreement and recognizing ratably.

Product sales revenue

The Company has contracts with customers for product sales under standard ship and bill arrangements. The contracts are generally accounted for as having a single performance obligation for each of the products, which are considered the only distinct promises in the contract, and are short term in nature, not exceeding one year in duration. The transaction price is agreed upon in the contract. Revenue is recognized upon satisfaction of the performance obligations which is at a point in time when control is transferred to the customer. Typically, control is transferred upon shipment to the customer.

Incremental costs incurred to obtain contracts, such as sales commissions, are expensed when incurred as the amortization period of any related assets would be less than one year.

The Company's standard terms and conditions require payment within 30 days of the invoice date; however, timing of payment with specific customers may be separately negotiated.

Various economic factors affect the Company's revenues and cash flow. The timing of revenue recognition, billings and cash collections results in billed accounts receivable and notes receivable. The balance of accounts receivable and notes receivable, net of allowances, resulting from contracts with customers was \$1,199,187 and \$1,089,517 as of December 31, 2021 and 2020, respectively.

Cash - The Company maintains cash deposits with financial institutions that at times may exceed federally insured limits.

Accounts Receivable - The Company extends credit to its customers. By their nature, accounts receivable involve risk, including the credit risk of nonperformance by customers. Accounts receivable are considered past due based on contractual and invoice terms. Accounts deemed uncollectible are charged directly to bad debt expense or against the allowance for doubtful accounts, as applicable. The Company maintains an allowance (\$62,500 as of December 31, 2021), which management believes is adequate to absorb estimated losses to be incurred in realizing the recorded amounts of its accounts receivable. This allowance is determined by management through a specific identification process.

During the year ended December 31, 2021, the Company recognized bad debt expense of \$62,500 on customer accounts.

Goodwill and Intangible Assets - Goodwill represents the excess of the purchase price over the fair value of net assets acquired. The Company amortizes goodwill on a straight-line basis over 10 years. Intangible assets acquired, including amount allocated to trade names and franchise agreements, are amortized over their estimated useful lives (See Note 3). The Company tests goodwill and intangible assets for impairment whenever a triggering event occurs which indicates that the fair value of the entity may be below its carrying amount. The Company's evaluation of goodwill and intangible assets during the year ended December 31, 2021 resulted in no impairment losses.

Property - Property is classified as vehicles and is recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets.

Income Taxes - For income tax purposes, the Company is considered to be a partnership. Accordingly, no provision for federal or state income taxes has been made in the accompanying financial statements since the member includes its allocable share of the Company's taxable income or loss in its respective individual income tax return.

The Company records liabilities for income tax positions taken or expected to be taken when those positions are deemed uncertain to be upheld in an examination by taxing authorities. No liabilities for uncertain income tax positions were recorded as of December 31, 2021.

Advertising and Marketing - The Company expenses the costs of advertising and marketing as incurred. For the year ended December 31, 2021, the Company incurred approximately \$312,000 of advertising and marketing expenses.

Subsequent Events - In preparing its financial statements, the Company has evaluated subsequent events through March 9, 2022, which is the date the financial statements were available to be issued.

The Company maintains a qualified retirement plan under which eligible employees may defer a portion of their annual compensation, pursuant to Section 401(k) of the Internal Revenue Code. The Company matches 100% of employee contributions up to 4% of the employee's annual compensation. Company contributions to the plan were approximately \$43,000 for the year ended December 31, 2021.

6. OPERATING AGREEMENT

The member of the Company is subject to an operating agreement that specifies the rights and obligations of each member. In accordance with the terms of this agreement, the member's liability is limited to the capital it has contributed to the LLC.

7. CONTINGENCIES

As of December 31, 2021, the Company is contingently liable as a co-borrower with the Company's member on certain notes payable maturing in October 2025. The principal balance on the notes payable was \$6,930,980 as of December 31, 2021, with interest payable monthly at a rate of Prime (3.25% as of December 31, 2021) plus 4.25%. The principal is due in annual payments of 0.986%, 2.486%, 3.0%, 5.014%, and 7.5% before each of the first five anniversaries, respectively, of the closing date of October 9, 2020, with the final installment payment of the remaining principal due on the fifth anniversary of the closing date of October 9, 2020.

Management has allocated the entire balance of this note payable to the Company's member as of December 31, 2021, as it expects the member will be responsible for making the remaining payments. Historically, these payments have been made with distributions paid from the Company to the Company's member. Should the Company's member be delinquent on any debt payments, the Company will be obligated to perform under the agreement by making the required payments, including late fees and penalties.

As of December 31, 2021, the Company is contingently liable as a co-borrower with the Company's member on a revolving note. The revolving note allows for borrowings up to a maximum of \$2,500,000 and expires in October 2025. Interest accrues at Prime plus 2.25%. There were no outstanding borrowings on the revolving note as of December 31, 2021.

The notes payable and revolving note are collateralized by substantially all assets of the Company. The notes payable and revolving note are subject to certain financial covenants, of which the Company was in compliance as of December 31, 2021.

8. SUBSEQUENT EVENT

In February 2022, the Company completed a purchase from The Mosquito Authority, Inc. for all of its assets. In accordance with the purchase agreement, the Company paid \$600,000 in cash to complete the purchase.

WASHINGTON

The collection of initial franchise fees will be deferred until the franchisor has fulfilled its initial pre-opening obligations and the franchisee is open for business.

The Costs and Attorneys fees section of Item 6 is revised to indicate such costs and attorneys' fees are only payable if franchisor is the substantially prevailing party in an action.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

The following Risk Factor is added to the Special Risks to Consider About This Franchise section of this Disclosure Document:

Use of Franchise Brokers. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.
