What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risks be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by arbitration only in Whatcom County or King County, Washington. Out-of-state arbitration may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate with the franchisor in Washington than in your own state.
2. **Franchisor's Financial Condition**. The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1. The Franchisor, and any Parents, Predecessors, and Affiliates

To simplify the language in this disclosure document “Stevenstone,” “us,” “our” and “we” means Stevenstone Inc., a Washington corporation, the Franchisor. “You” means the entity that buys a franchise, and includes your owners.

The Franchisor, its Predecessors, Parents and Affiliates

Stevenstone Inc. was formed on March 20, 2017. Our principal business address is 13215 SE Mill Plain Blvd, Suite C8 #504, Vancouver, Washington 98684. We conduct business under our corporate name and under the name NEW CREATIONS. We grant franchises to qualified candidates in the United States for the operation of franchises (the “Franchised Business”) using the System and identified by the name NEW CREATIONS and have offered these franchises since February 2019. We have no other business activities, do not operate businesses of the type being franchised, and do not offer franchises in other lines of business. We have no parents required to be disclosed in this disclosure document.

On June 1, 2016, L&H Stevenson Enterprises Inc., a British Columbia corporation formed in July 2007, and New Creations Mobile Restorations Inc., formerly known as New Creations Repairs & Dyeing, a British Columbia corporation formed in 1993, amalgamated as one company under the name New Creations Mobile Restorations Inc. (“New Creations Mobile”). New Creations Mobile has a principal place of business at #12 – 1833 Coast Meridian Road, Port Coquitlam, BC V3C 6G5 Canada. New Creations Mobile owns the System and related marks, including the trademark “NEW CREATIONS,” and its related design, and licenses them to us for our exclusive use and sublicensing in the United States. New Creations Mobile, through its principals and predecessors, has conducted and engaged in this line of business since 1989, and has been franchising in Canada since 1997. New Creations Mobile does not offer franchises in the United States and does not offer franchises anywhere in any other line of business.

Our affiliate, Larry Stevenson Holdings Inc. (“LSH”), is a British Columbia corporation formed on April 21, 2016 and has a principal business address of #12 – 1833 Coast Meridian Road, Port Coquitlam, BC V3C 6G5 Canada. LSH owns a 50% interest in us. LSH conducts no other business activity and does not offer franchises in any line of business.

Our affiliate, New Creations USA, LLC (“New Creations U.S.”) is a Washington limited liability company formed on January 15, 1998 and has a principal business address of 13215 SE Mill Plain Blvd, Suite C8 #504, Vancouver, Washington 98684. New Creations U.S. is wholly-owned by David and Kelly Stone, who own a 50% interest in us. New Creations U.S. has operated businesses of type being franchised since 2000. New Creations U.S. conducts no other business activity and does not offer franchises in any line of business.

Our agents for service of process are disclosed in Exhibit D to this disclosure document.

The System

The New Creations system is a unique method for the mobile repair and restoration of surface materials and items generally found in automobiles, recreational vehicles, airplanes, and boats, as well as restoration and repairs in homes, offices, public buildings, restaurants, and other premises (the “System”). The System includes a uniform business format, standardized equipment and methods, designs and materials, and a marketing programs under the trademark “NEW CREATIONS” and related marks (collectively, the “Marks”).

You will be trained to repair and restore a multitude of materials including: leather, vinyl, plastic, fabric, wood, stone, tile, windshields, as well as other synthetic, fiberglass coatings and natural materials. You will also learn to restore automotive finishes and paint. You will operate your New Creations Franchised Business in a designated geographic area (the “Territory”).

Market and Regulatory Matters

The market for your services is competitive, developed to some extent and fragmented. You will be competing with other local, regional, and mobile, mail order, and home improvement retail outlets. In particular, your main competitors may include Fibrenew, Color Glo, Surface Specialists, Surface Experts, and Leather Medic. Mobile restoration and repair services are generally not seasonal, although there may be local seasonal variations.

Each municipality has agencies or departments that monitor business and trades to ensure they follow all applicable laws. Each jurisdiction will issue a business license if required. You should consult your own local authority’s licensing and standards division for licenses or permits to do business, assumed name registrations and obtain sales tax permits. We are aware of industry-specific regulations including, but not limited to, labor and wage laws, health and safety and sanitation regulations, and safety requirements. There may be specific laws or regulations in your state or municipality regarding the operation of the Franchised Business. The laws in your state or municipality may be more or less stringent. You should examine these laws before purchasing a franchise from us. You may be required to obtain licenses, registrations, authorizations and permissions required under applicable federal, state or local laws to operate your Franchised Business.

You will be required to research and to follow all pertinent local, state and federal laws and regulations specific to your business. You will also be required to comply with all general business and commercial vehicle licensing laws and regulations. The Franchised Business will perform specialized mobile restoration and repair services. We urge you to make inquiries about laws that may be applicable to your Franchised Business. Because regulations are subject to change, you must be aware of all regulations and keep apprised of changes that may have an impact on the Franchised Business. We have not determined the licensing requirements in your proposed Territory, or whether it is possible to obtain necessary licenses. You are solely responsible for determining licensing requirements in your proposed Territory before you sign the Franchise Agreement. You may want to obtain a complete copy of your state’s and other applicable statutes and regulations and discuss them with your attorney.

Notes:

- (1) You must obtain computer, software, telephone and other related equipment for use in your Franchised Business. If you already have equipment that meets our requirements, you may use such existing equipment in your Franchised Business. These amounts represent the estimated cost to acquire this equipment. Item 11 describes the required computer hardware and software in greater detail. Upon termination or expiration of the Franchise Agreement, you must upon our request, transfer to us all interest in and rights to all telephone numbers, directory listings, email addresses and websites related to the Franchise Business.
- (2) The above figures assume you lease one vehicle and represent the initial lease deposit for that vehicle. Costs may vary substantially, especially if you elect to purchase a vehicle rather than lease one, so you may choose to spend more than the amounts in this estimate. You must purchase or lease vehicles which meet our standards and specifications, and you are required to use only those vehicles in the operation of any part of the Franchised Business. Our current requirements are that the vehicle must be 10 years or newer with no rest, dents, or primer; must be a solid color (white is preferred, but it can be wrapped) truck or van with an enclosed cargo area; and must display our decal package. You are permitted to use those vehicles for occasional personal use so long as such use will not in any way tarnish the reputation or standing of us or the System, in our sole discretion. You are required to abide strictly to our vehicle requirements and standards, including our requirements for your vehicles to be outfitted, wrapped or decaled to our specifications, the cost of which is included in the above estimated figures.
- (3) We recommend that you operate your Franchised Business from your personal residence, in which case there would be no cost to you for rent. We do not require you to do so, but if you choose to you may operate your Franchised Business from a commercial location. The cost for rent will vary depending on a number of factors, including size, condition and location of the facility. The high estimate above assumes you rent up to 1,000 square feet of office space at the rate of \$1,500 per month during the initial six months of operations.
- (4) Training fees for up to two people are included in your Initial Franchise Fee if both people attend the same training sessions, but you are responsible for travel, accommodations and meals for all trainees attending training. Costs will vary depending on your proximity to training locations in Vancouver, Washington, or Canada in Port Coquitlam, British Columbia; Saint John, New Brunswick; or Calgary, Alberta; the number of people attending training, and the class of airfare and hotel accommodations you choose. The low end of the estimate assumes you live in close proximity to training and do not require airfare or accommodations while attending training. The high end of the estimate assumes costs for two people to attend training for 21 days at \$1,000 per person for airfare,

\$100 per night for shared accommodations, \$30 per person per day for food, and shared local transportation at \$40 per day. You may choose to spend more than the amounts in this estimate.

- (5) You must purchase insurance in accordance with our specifications. All insurance shall be written by a qualified insurance company satisfactory to us and shall be in amounts we specify. All policies must name us as an additional named insured, and must provide that the coverage under the respective policy may not be cancelled or altered (except to increase coverage) without at least 30 days' prior written notice to us. You must provide us with a copy of the certificates of insurance. If you fail to obtain such required insurance, we may at our option obtain all or any part of the insurance in your name and on your behalf and you must make timely payment of all premiums and other charges for such insurance. If we receive notice from any insurer regarding an impending cancellation or lapse due to non-payment, we may at our option pay the required amounts on your behalf and you must promptly reimburse us for all amounts paid.
- (6) The initial supplies, equipment and marketing materials required for your Franchised Business are included in the Start-up Kit. You may purchase additional equipment, supplies, inventory and signage as you may need.
- (7) You must use Jobber software in your Franchised Business. The amount of the license fee will depend on the plan you choose, and whether you pay the fee monthly or annually in advance to receive a discount. The Connect plan is the minimum for our system, but you may choose to upgrade to the Grow plan. The low end of the estimate assumes you choose the Core plan and pay the fee monthly and is calculated for six months. The high end of the estimate assumes choose the Grow plan and pay the fee annually in advance.
- (8) We anticipate implementing a Technology Fee, which will include access to EZee Assist, one newcreations.com email address, and training software that you must use in your Franchised Business. When we implement the Technology Fee you must pay the monthly fee, which we anticipate will be \$89. The low end estimate assumes we do not implement the Technology Fee during the initial six months and you do not pay the fee. The high end estimate assumes you pay the monthly fee for six months.
- (9) Government agencies typically charge fees for permits and operating licenses. Your actual costs may vary from the estimates based on the requirements of federal, state and local government agencies. See also Item 1 of this disclosure document.
- (10) You will likely need to retain a lawyer, an accountant and other consultants to assist you in establishing your Franchised Business. These fees may vary from location to location depending upon the prevailing rates of local lawyers, accountants and consultants. These fees are typically non-refundable.
- (11) This estimates your initial operating expenses, including working capital, during the initial start-up months. Additional Funds relate only to costs associated with the Franchised Business and do not cover any owners' draw or personal, "living," unrelated business or other expenses you may have, such as royalty payments, debt service on any loans, state sales and use taxes on goods and service, and a variety of other amounts not expressly described and included in the notes above.
- (12) We relied on the experience of our affiliates to compile these estimates. You should review these figures carefully with a business advisor before making any decision to invest in the franchise. Your expenses may vary substantially, upward or downward, depending upon the nature of your existing

operations, whether you currently own computers and telephone equipment and whether you have a home office. You will also have to pay for fuel and maintenance costs for your vehicle.

- (13) Unless otherwise noted, all fees payable to us are nonrefundable under any circumstances. Refundability of fees paid to third parties will depend on your negotiation with each party. We and our affiliates do not offer financing for all or any part of the initial investment.

ITEM 8. Restrictions on Sources of Products and Services

You must offer and sell only those services and products we authorize for use in your Franchised Business. You must use in the operation of your Franchised Business only the equipment, supplies, products, inventory and signs we approve. Many of the items needed must be purchased through us or from suppliers we designate unless we agree otherwise in writing.

Items that must be purchased through us include our Start-up Kit including a Leather Kit, Vinyl Kit, Fabric Kit, Windshield Kit, Wood Kit, Furniture Kit, Stainless Steel Kit, Tub and Tile Kit, tool boxes and miscellaneous tools, and clothing and promotional items. You must also use at least one newcreations.com email account in the operation of your Franchised Business. We anticipate implementing EZee Assist software, which you will be required to use once implemented. The cost of one newcreations.com email address and access to EZee Assist software will be included in the monthly Technology Fee. We or our affiliates are the only approved supplier for the Start-up Kit, email accounts, and EZee Assist software. We and our affiliates are not currently, but may in the future be, a supplier of other items. Items that must be purchased from suppliers we approve include the Jobber software license, vehicle wrap, signs, uniforms, and miscellaneous promotional materials.

Sometimes we will provide only specifications, and it will be up to you to find suppliers that meet our specifications for items such as your vehicles, computer hardware and software, telephone equipment, and insurance.

We require you to obtain insurance coverage of the types and in the amount that we specify. Our minimum requirement currently is general liability with coverage not less than \$1,000,000 per incident. All insurance shall be written by a qualified insurance company satisfactory to us. All policies must name us as an additional named insured and must provide that the coverage under the respective policy may not be cancelled or altered (except to increase coverage) without at least 30 days' prior written notice to us. You must provide us with a copy of the certificates of insurance. You must also obtain worker's compensation, unemployment insurance, and other coverage as required by your state law and local laws.

Sometimes we may recommend a supplier, but we will not require you to use that supplier, while other supplier relationships are mandatory. We reserve the right, in the future, to serve as, to change, or to designate, an approved supplier for any of these items.

Specifications and standards for these items are included in the Operations Manual, and may be updated or modified periodically by us. Our criteria for supplier approval, as may be needed, may also be found in the Operations Manual, or may be requested from us directly in writing on a case-by-case basis. The intent of the specifications, standards and supplier approval is to create brand consistency. Criteria used to designate or approve a supplier include: the ability meet our standards, specifications and supply commitments; the integrity of ownership (to ensure that the supplier's association with us will not be inconsistent with our image or damage our goodwill); financial stability; and the negotiation of a mutually satisfactory license to protect our intellectual property.

We will advise you within a reasonable time (not to exceed 30 days) whether the proposed items and supplier(s) meet our specifications, and our approval will not be unreasonably withheld. You will be notified in writing of our approval or disapproval and of any revocation of approved suppliers. Suppliers must maintain our standards in accordance with written specifications and any modifications. Failure to correct a deviation from the System's specifications will result in the termination of an approved supplier's status. We reserve the right to require you to reimburse us for reasonable expenses we incur in evaluating new items or suppliers you submit to us for approval.

We may derive revenue from your purchases of items from us, or our affiliate. Currently we or our affiliate sell you the Start-up Kit and charge a markup in doing so. In our fiscal year ended December 31, 2023, we received \$101,750 in revenue from required purchases of the Start-up Kit by our franchisees, which amount is approximately 52% of our total revenue of \$194,340 as shown on our audited financial statements.

We do not currently but may negotiate other purchase arrangements with suppliers and distributors of approved products and supplies, and we may receive rebates or payments on your purchases of those items. There are no restrictions on our use of payments received from approved or designated suppliers on account of their transactions with you or on payments that we or our affiliate receives from their transactions with you. In the year ending December 31, 2023, we and our affiliates did not receive any payments from suppliers.

We and our affiliates are not currently approved suppliers of any items except for those disclosed above. None of our officers or directors currently owns an interest in any of our suppliers. The purchase and lease of items from approved suppliers or that meet our specifications are anticipated to represent approximately 50% to 100% of your total expenses in connection with the establishment of the Franchised Business, and approximately 2.5% to 20% of your total expenses in connection with the ongoing operation of the Franchised Business.

There are no purchasing or distribution cooperatives.

We do not provide material benefits to you based solely on your use of designated or approved sources.

ITEM 10. Financing

We do not offer direct or indirect financing. We do not guarantee any debts, leases or other obligations for you.

ITEM 11. Franchisor’s Assistance, Advertising, Computer Systems, Training

Except as listed below, we are not required to provide you with any assistance.

A. Before you open your business, we will:

1. designate a protected Territory (Franchise Agreement, Section 1.2);
2. provide an initial training program for up to two of your representatives (Franchise Agreement, Section 3.1);
3. provide you with access to our confidential and copyright-protected Operations Manual, as revised periodically (the “Operations Manual”) (Franchise Agreement Section 4(a)(viii) and Section 8). A copy of the Table of Contents of the Operations Manual is attached as Exhibit C to the disclosure document, and it contains a total of 162 pages. You may not copy the Operations Manual other than in the normal operation of the Franchised Business without our permission;
4. provide guidance regarding opening of your Franchised Business (Franchise Agreement, Section 2.2); and
5. Sell required items for use in your Franchised Business.

Site Selection

We expect you will operate the Franchised Business from your personal residence. If you choose to use commercial premises, we do not provide you with assistance to locate a site, negotiate the purchase or lease for the site, conform the premises to local ordinances or building codes, obtain building permits, or construct the premises.

Opening of Franchised Business

You must give us at least 30 days’ prior written notice of your proposed opening date. You may not open without our prior written consent, and you must open for business within five days after we provide such consent. The typical length of time between the signing of the Franchise Agreement and the opening of the Franchised Business is five to ten weeks. Factors affecting this length of time usually include your availability for attending the training session in Vancouver, Washington, or Canada in Port Coquitlam, British Columbia; Saint John, New Brunswick; or Calgary, Alberta; obtaining the required equipment, vehicle and signage, administration and accounting setup.

B. During the operation of the Franchised Business, we will:

1. provide you with advertising and promotional materials at a reasonable cost, including an email address and the setup of your social media platform (Franchise Agreement, Section 6.2);
2. review and approve or disapprove your local marketing materials within 30 days of submission to us;
3. if an advertising Fund is established, administer and maintain the Fund (Franchise Agreement, Section 6.4);

4. provide refresher training for you and your employees, at no cost if we require such training, and at your cost if you request such training (Franchise Agreement, Section 3.2);
5. provide you with continuing advice and guidance regarding the operation of your Franchised Business (Franchise Agreement, Section 3.4);
6. periodically inspect your Vehicle and test your equipment (Franchise Agreement, Section 4(m)); and
7. provide such additional assistance as you reasonably request and as determined by us, at your expense (Franchise Agreement, Section 3.5).

Advertising and Marketing

Marketing Fund

We do not currently maintain a marketing fund (the “Fund”). If such Fund is established, you will be required to contribute up to 2% of your monthly Gross Sales (Franchise Agreement, Section 6.4). If we establish the Fund, we will provide you with 180 days’ advance written notice, and such notice shall specify the amount of the Fund contribution. The Fund will be used and expended for media costs, commissions, market research costs, creative, and production costs, including the costs of creating promotions and artwork, printing costs, and other costs relating to advertising and promotional programs we undertake, including the cost of electronic or technical devices or medium necessary to facilitate the advertising or promotional programs of the Fund. We will select the types of media used and the location of the advertising campaigns administered through the Fund. We will not be obligated to spend a specific amount on advertising in your area. We may utilize the Fund or a portion thereof for advertising and promotions on the Internet or Internet-like services (i.e.: social media) including creation and maintenance fees for websites, or production of promotional or marketing materials, videos, commercials, or other media, any of which you may be required from time to time to broadcast or display, without modification, in the Premises at any time. The Fund shall be accounted for separately from our other funds and shall not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs and overhead (calculated on a fully allocated basis), if any, as we may incur in activities reasonably related to the administration or direction of the Fund and its advertising programs (including conducting market research). The fund will not be audited. A statement shall be prepared annually on the use of the Fund and provided to you upon request, at the expense of the Fund. We reserve the right to place and develop such advertisements and promotions and to market same as agent for and on your behalf, or other franchisees, either directly or through an advertising agency retained or formed for such purpose or through co-operative advertising groups composed of System franchisees designated by us, and we agree to pay all reasonable costs in connection with such advertising and promotions. All franchisees and company-owned operations will contribute on the same basis. Any unspent amounts in the Fund will be saved for later spending. We will not use the Fund principally to solicit new franchisees, but our advertising and marketing material may contain contact numbers for obtaining information about New Creations franchises.

Advertising Council

There is no advertising council yet formed to advise us on advertising policies. If one is formed, we will have the power to select and approve the members and to change, dissolve or merge the advertising council.

Local Advertising

You must advertise your Franchised Business using social media as determined by us. The rights to any and all social media accounts shall be held by you in trust for us and must be transferred to us upon expiration or termination of your Franchise Agreement. You are not otherwise required, but have the right to, conduct local marketing and promotions for your Franchise business, provided that your marketing reflects favorably on us and the System. We must approve in writing all marketing materials before your use. We reserve the right to adopt any marketing and promotions submitted by you for approval for general use in any part of the System. By submitting marketing materials for our approval, you agree that each submission will constitute an irrevocable and perpetual assignment of the copyright for such marketing or promotions to us.

Branding Cooperatives

We do not currently require you to participate in any local or regional advertising cooperatives, but reserve the right to do so in the future.

Hardware, Software and Internet Connectivity

You must acquire and maintain a computer and establish, purchase or license a bookkeeping, accounting and record-keeping system, and other software conforming to our requirements (Franchise Agreement, Sections 2.8, 7.1). You must pay licensing fees required by software suppliers, which may be us. We currently require you to license and use Jobber software for invoicing, estimating, and scheduling. We anticipate implementing EZee Assist software in the near future, which you will be required to license from us and use for access to training, marketing materials, and other information related to the New Creations system. Access to EZee Assist software will be included in the monthly Technology Fee, which we anticipate will be \$89 per month, but may increase periodically. Your bookkeeping, accounting and recording-keeping system must be able to record all transactions, along with receipts for sales or other transactions, whether for cash or credit, in a manner we approve. You must subscribe for internet service. We estimate the cost to purchase a computer and the bookkeeping, accounting and record-keeping system to our specifications will be approximately \$300 to \$1,000.

You must, at your cost and expense, keep your hardware and software systems up to date based on our specifications. There are no limitations on the frequency and cost of hardware and software upgrades, but we estimate the cost to you will be approximately \$500 per year. We are not responsible for providing on-going maintenance, repairs, upgrades or updates to your system. The cost for maintaining your system will vary based on the type of maintenance program, if any, you decide to purchase from third-party vendors.

We will have independent access to information you enter into your bookkeeping, accounting and record-keeping system, but not to information entered or stored elsewhere on your computer system. We will collect sales and financial data to verify and determine the royalty fees payable. There are no contractual restrictions on our access to this data.

General Outline of Training

You must complete our initial training to our satisfaction before you open your Franchised Business. Training will be scheduled on an as needed basis and will be provided at no additional charge for you and up to one additional representative if both people attend the same training sessions. You will be responsible for all travel, living and other expenses incurred by you and your representatives to attend training. ITEM 12. Territory

Protected Territory

You will receive a non-exclusive but protected Territory in which to operate the Franchised Business. The Franchise Agreement will contain a written description of your Territory, as well as a map of the area. Standard Territories typically have a population of approximately 250,000 people based on published data from the U.S. Census Bureau (or such other source as we may indicate to you). However, as part of our early adopter incentive package we will, without additional charge to you, add an additional 100,000 bonus population to the standard Territory for a total population of approximately 350,000. Qualified U.S. Military veterans will receive, without additional charge, an additional 100,000 bonus population. A candidate that qualifies for both the early adopter incentive and is a qualified U.S. Military veteran would receive a Territory of approximately 450,000 in population.

You may apply for an expanded Territory, which applications are reviewed based on various criteria including: whether the location of your Territory will accommodate an increased population; your plans for servicing the expanded Territory; and other criteria that may be relevant to each specific Territory. If we approve an expanded Territory, you may purchase additional population up to a total population of approximately 1,400,000, which amount includes up to 400,000 in bonus population for the early adopter incentive program, or approximately 1,500,000 for U.S. Military veterans.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Other franchisees may perform work within your territory, just as you will be allowed to perform work within other franchisees' territory under the terms outlined, but only if permission is first granted by the franchisee of the territory where the location for the services is located. However, so long as you are not in default under any terms of the Franchise Agreement, we will not operate or grant to any other person a franchise to operate a franchised business within your protected Territory. Continuation of your protected Territory rights are not affected by your sales volume, market penetration or other contingency.

Restrictions On Soliciting or Accepting Orders Outside Your Territory

You may not solicit new orders or new customers outside of your Territory. However, you may perform services to locations outside your Territory, and other franchisees may perform services inside your Territory. If you perform services in a Territory that has not yet been awarded to another franchisee, you must pay us an outside-territory fee. The fee generally is 20% of Gross Sales from such customers, but has been reduced to 5% as part of our early adopter incentive package. If you perform services in a territory franchised to another franchisee, you must pay to that franchisee an outside-territory fee of 15% of Gross Sales from such customers, or otherwise as negotiated between you and that franchisee.

Other Channels of Distribution

We do not currently and do not have any plans for the foreseeable future, but do reserve the right to in the future use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your Territory using our principal Marks. We will not be required to compensate you for soliciting or accepting such orders from inside your Territory. Except for social media advertising that we approve, you may not use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing to make sales outside of your Territory, and any sales.

Right to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises. We reserve the right to grant or refuse to grant a Franchised Business in our sole discretion.

ITEM 13. Trademarks

We have been granted the license by New Creations Mobile to use and license others to use the System and Marks in the United States (the "License Agreement"). The term of the License Agreement is perpetual and will only terminate if we materially breach the terms of the License Agreement, become bankrupt or otherwise insolvent, dissolve either voluntarily or involuntarily, or fail to have any operational activity for a twelve-month consecutive period. If the License Agreement is terminated, we will assign your Franchise Agreement to New Creations Mobile and it will assume our obligations to you under your Franchise Agreement. During the term of your Franchise Agreement, we will grant you the right to use the System and Marks in the operation of your Franchised Business within a Territory. By Marks we mean the trade names, trademarks, service marks and logos used to identify the System. There are no other agreements currently in effect which significantly limit our rights to use or license the use of such trademarks, service marks, trade names, logotypes or other commercial symbols in any manner material to the Franchised Business.

New Creations Mobile has registered the following Marks on the U.S. Patent and Trademark Office (“USPTO”) Principal Register:

Mark	Registration Date	Registration Number	Status
NEW CREATIONS	June 6, 2017	5,216,457	Registered
	December 12, 2017	5,353,005	Registered
	July 17, 2018	5,516,443	Registered

New Creations Mobile has filed all required affidavits with the USPTO.

New Creations Mobile and we also claim common law rights to the Marks upon our continuous, exclusive and extensive use and advertising.

You must use the names and Marks in full compliance with the provisions of the Franchise Agreement and in accordance with our rules. You cannot use any name or Mark as a part of any entity name with any prefix, suffix or other modifying words, terms, designs or symbols. In addition, you may not use any name or mark associated with the sale of any unauthorized product or service or in any other manner not explicitly authorized in writing by us.

You may not directly or indirectly oppose our right to our trademarks, trade names, trade secrets or business techniques that are part of our business. You must notify us immediately if you learn about a claim against your use of our Marks. We will take whatever action, if any, we deem appropriate and we have the exclusive right to control any litigation or administrative proceeding involving the Marks licensed to you. We will reimburse you for all damages for which you are held liable in any proceeding arising out of your use of the Marks in compliance with the Franchise Agreement, and for all costs you reasonably incur in the defense of any such claim.

We have the unlimited right to change or discontinue use of any Mark or adopt additional or substitute Marks. If we change, discontinue, add or substitute any of the Marks, then you must comply with our instructions in this regard, at your expense. Upon termination of the Franchise Agreement, you must immediately cease all use of the Marks.

There is no currently effective material determination of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition or cancellation proceeding or any pending material federal or state court litigation involving the trademarks, service marks, trade names, logotypes or other commercial symbols licensed to us. We do not know of any superior prior rights or infringing uses that could affect your use of the Marks.

ITEM 14. Patents, Copyrights, and Proprietary Information

We do not register claims in patents or copyrights that are material to our business, but New Creations Mobile does claim proprietary rights and copyright-protection to the confidential information contained in the Operations Manual. New Creations Mobile also claims copyright-protection on operational materials specifically associated with the System, including proprietary advertisements, all materials presented to prospective customers, printed materials and forms associated with the operation of a Franchised Business.

New Creations Mobile licenses to us the right to use the Marks in the operation of the System. You must promptly tell us when you learn about unauthorized use of any of this proprietary information. We are not obligated to take any action but will respond to this information as we deem appropriate. Our interests are to protect the integrity of the brand. We will reimburse you for losses claimed by a third party concerning your use of this information in compliance with the Franchise Agreement.

ITEM 15. Obligation to Participate in the Actual Operation of the Franchise Business

We require that your Franchised Business be under the direct supervision at all times of a manager or trained and competent employee when your manager is absent due to illness, vacation or other similar cause. You must keep us informed of the identity of the employee acting as manager. During the term of the Franchise Agreement, you and your owners are prohibited from directly or indirectly being involved with any business competitive with or similar to the Franchised Business (namely a business involved in providing restoration services), unless you receive our prior written approval.

There is no requirement that your manager own equity in the franchisee or the Franchised Business. We may request that you cause your employees and subcontractors to sign a form of confidentiality agreement approved or provided by us.

All your directors, officers, shareholders, partners or members must guarantee personally all your obligations to us under the Franchise Agreement, including confidentiality and non-competition covenants. A copy of our current form of Guarantee is attached as Exhibit F.

ITEM 16. Restrictions on What the Franchisee May Sell

You must operate the Franchised Business and perform all services in accordance with the operating guidelines and quality standards that we establish. You may only sell the products and services approved by us. We have the unlimited right to change the types of authorized goods and services. You may not solicit for customers or services outside of your Territory, but you may provide services outside of your Territory if you pay outside-territory fees.

ITEM 18. Public Figures

We do not use any public figure to promote our franchises.

ITEM 19. Financial Performance Representations

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Stevenstone Inc., 13215 SE Mill Plain Blvd, Suite C8 #504, Vancouver, Washington 98684; phone: (604) 944-0664; the Federal Trade Commission; and the appropriate state regulatory agencies.

(m) To permit the Franchisor or its authorized agents to inspect the Vehicle(s) and to examine and test equipment, goods, and services. due based on the Franchisee's Gross Sales for the preceding Accounting Period. Not earlier than ten (10) days following the close of each Accounting period, the Franchisor will implement an EFT for payment of such Royalties. The acceptance by the Franchisor of payments of royalties shall be without prejudice to the Franchisor's rights to examine the Franchisee's books and records as contemplated in Article 7, and to require adjustment if warranted by such examination.

5.3 Outside-Territory Fees. The Franchisee is not permitted to solicit new orders or customers outside of the Protected Territory, but Franchisee may perform services outside the Protected Territory upon payment of outside-territory fees as follows.

(a) In the event the Franchisee provides services to a location in a territory that has not been awarded to a franchisee, then the Franchisee will pay to the Franchisor an additional territory fee of twenty percent (20%) of Gross Sales arising from the services conducted in such territory, all under the same terms and conditions as shall apply to the Territory of the Franchisee as set forth herein. In this instance, the Gross Sales shall be allocated as follows:

(i)	Royalty fee to the Franchisor	7%
(ii)	Outside-Territory fee payable to the Franchisor	20%*
(iii)	Remainder of the Gross Sales to the Franchisee performing the work	73%

(b) Franchisee must obtain written permission from another franchisee before performing services at a location inside that franchisee's territory. In the event the Franchisee provides services to a location in another franchisee's territory, then the Franchisee will pay to the franchisee of the territory where services are performed a fee of fifteen percent (15%) of Gross Sales (or a different amount if one has been negotiated between the two franchisees). In this instance, the Gross Sales shall be allocated as follows:

(i)	Royalty fee to the Franchisor	7%

ARTICLE 6 ADVERTISING AND PROMOTION

6.1 Local Advertising. The Franchisee is not required to, but shall have the right to, conduct local marketing and promotions for the Franchised Business as Franchisee shall, in its reasonable discretion choose, provided that:

(a) The Franchisee shall advertise and promote only in a manner that will reflect favorably on the Franchisor, the Franchisee, the products and services offered for sale, and the good name, goodwill, and reputation of the System.

(b) The Franchisee shall not use any marketing and promotions material without the Franchisor's prior written approval, which shall not be unreasonably withheld or unduly delayed. In no event shall the Franchisor take more than thirty (30) days either to approve or to reject the Franchisee's local marketing or promotions material. The Franchisor reserves the right to adopt any marketing or promotions submitted by the Franchisee for approval for general use in marketing or promoting products and services in any part of the System. The Franchisee, in submitting any such marketing or promotions, agrees that each such submission shall constitute an irrevocable and perpetual assignment of the copyright for such marketing or promotions to the Franchisor.

(c) The Franchisee may not advertise or solicit orders outside of the Protected Territory without the prior approval of the Franchisor, and neither the Franchisee nor the Franchisor may advertise or solicit orders within the territory of another franchisee unless such advertising is cooperative as set forth herein.

6.2 Advertising Fee. Recognizing the value of uniform advertising and promotion to the goodwill and public image of the System, the Franchisee hereby agrees that Franchisor or its designee shall have the right to establish, maintain, and administer an advertising fund in the future (the "Fund") for such local, regional, and national advertising programs as Franchisor may deem necessary or appropriate in the future, to which the Franchisee shall be required to contribute up to a maximum 2% of monthly Gross Sales. Should Franchisor elect to establish the Fund during the term of this Agreement, Franchisor shall provide 180 days' prior written notice, and such notice shall specify the amount of the Fund contribution.

6.3 Use of Advertising Funds. If established, the Fund will be used and expended for media costs, market research costs, creative, and production costs, including without limitation the costs of creating promotions and artwork, printing costs, and other costs relating to advertising and promotional programs undertaken by Franchisor, including the cost of electronic or technical devices or medium necessary to facilitate the advertising or promotional programs of the Fund. Franchisor reserves the right to place and develop such advertisements and promotions and to market same as agent for and on the Franchisee's behalf. Without in any way limiting the foregoing, Franchisor may, but is in no way obliged, utilize the Fund or a portion thereof for advertising and promotions on the Internet or Internet-like services (i.e.: social media) including creation and maintenance fees for websites, or production of promotional or marketing materials, videos, commercials, or other media. The Fund shall be accounted for separately from

the other funds of Franchisor and shall not be used to defray any of Franchisor's general operating expenses, except for such reasonable salaries, administrative costs and overhead (calculated on a fully allocated basis), if any, as Franchisor may incur in activities reasonably related to the administration or direction of the Fund and its advertising programs (including, without limitation, conducting market research). A statement shall be prepared annually on the use of a Fund and provided to the Franchisee upon request, at the expense of the Fund. Franchisor reserves the right to place and develop such advertisements and promotions and to market same as agent for and on the Franchisee's behalf, or other franchisees, either directly or through an advertising agency retained or formed for such purpose or through co-operative advertising groups composed of System franchisees designated by Franchisor, and the Franchisee hereby agrees to pay all reasonable costs in connection with such advertising and promotions.

6.4 No Pro Rata Rights. The Franchisee acknowledges and agrees that any Fund is intended for the benefit of the System and/or the Concepts, and that Franchisor undertakes no obligation in administering the Fund to ensure that any particular franchisee, including the Franchisee, benefits directly or pro rata from the creation or use of such advertising and promotional materials.

ARTICLE 7 FRANCHISED BUSINESS RECORDS AND REPORTING

7.1 Bookkeeping, Accounting and Records. The Franchisee shall establish, purchase, or license a bookkeeping, accounting and record-keeping system, and other software conforming to the requirements prescribed by the Franchisor. The Franchisee shall grant the Franchisor access to such bookkeeping, accounting and record-keeping system to allow the Franchisor to review all sales and financial data required to verify and determine the royalty fees payable.

7.2 Reports and Financial Information. The Franchisee shall furnish to the Franchisor in the form from time to time prescribed by the Franchisor:

- (a) The Franchisee must provide the Franchisor and its designee with electronic access to the Franchisee's accounting system which enables such designee to review, obtain, and calculate the current Gross Sales.

(b) As soon as practicable, and in any event within 60 days after the end of the first six Accounting Periods in each fiscal year of the Franchised Business, a balance sheet for the Franchised Business as at the close of such six-month period together with a profit and loss statement and a statement of retained earnings for such period, all in reasonable detail and signed and verified by the Franchisee;

(c) As soon as practicable, and in any event within 60 days of the end of each fiscal year of the Franchised Business, a balance sheet as at the close of such fiscal year together with a profit and loss statement setting forth in comparative form the corresponding figures for the same period in the previous fiscal year, all in reasonable detail and prepared by a firm of independent chartered accountants or certified general accountants acceptable to the Franchisor.

(d) Should the Franchisor provide any other services to Franchisees, including but not limited to group benefits plans, liability insurance, and like matters, the Franchisee agrees to pre-authorize payment for such services.

Except to the extent necessary to protect the interests of the Franchisor under this Agreement, all information referenced in this section shall be kept confidential by the Franchisor. The Franchisee acknowledges that such financial information will be furnished solely for the information of the Franchisor, and the Franchisor undertakes no obligation to review such financial information or to advise the Franchisee in connection therewith.

7.3 Franchisor's Right to Audit. The Franchisor shall have the right, at any time during normal business hours and without prior notice to the Franchisee, to inspect and audit, or cause to be inspected and audited, the business records, bookkeeping and accounting records, cash register tapes, invoices, purchase orders, payroll records, check stubs, and bank deposit receipts of the Franchised Business, the monthly reports, financial statements, tax returns or schedules, and other forms, information and supporting records which the Franchisee is required to submit to the Franchisor hereunder and the books and records of any corporation or partnership which owns or operates the Franchised Business. The Franchisee shall fully cooperate with representatives of the Franchisor and its accountants to conduct any such inspection or audit. In the event any such inspection or audit shall disclose an understatement of Gross Sales for any period or periods, the Franchisee shall pay to the Franchisor, within 15 days after receipt of the inspection or audit report, the royalty and other sums due on account of such understatement. Further, in the event that such inspection or audit is made necessary by the failure of the Franchisee to furnish reports, financial statements, tax returns or schedules, or any other documentation as herein required, or if an understatement of Gross Sales for any period is determined to be greater than 3 percent by any such inspection or audit, the Franchisee shall promptly reimburse the Franchisor for the cost of such inspection or audit, including without limitation, the charges of any accountant and the travel expenses, room, board, and compensation of employees of the Franchisor, and any understated amounts (with interest on payment at the Prime Bank Rate plus 7 percent from the date that payments originally were due to the actual date of payment).

This Agreement shall not be construed so as to constitute the Franchisee a partner, joint venture, agent, employee or representative of the Franchisor for any purpose whatsoever. The Franchisee shall use its own name in obtaining or executing contracts or making purchases so that the transaction shall clearly indicate that the Franchisee is acting on its own behalf and not for the Franchisor.

ARTICLE 16

The Prime Bank Rate shall be determined on each interest payment date, shall apply to all amounts owing by the Franchisee to the Franchisor at such payment date, and shall be without prejudice to the Franchisor's rights to terminate this Agreement in respect of such default.

ARTICLE 17
TAXES

The Franchisee agrees to promptly pay when due all taxes levied or assessed by reason of its performance hereunder and its operation of the Franchised Business, including any sales or tax on equipment purchased or leased. In the event of a bona fide dispute as to the liability for tax assessed against the Franchisee, the Franchisee may contest the validity of the procedures of the relevant taxing authority; provided that the Franchisee shall in no event permit a tax sale procedure by levy of execution or similar writ or warrant to occur against the Franchised Business or the inventory, fixtures or furnishings thereof.

ARTICLE 18
CONTRACT PROVISIONS

18.1 Right of Off-Set. Notwithstanding any other provision of this Agreement, upon the failure of the Franchisee to pay to the Franchisor when due any sums of money, the Franchisor may deduct any and all such sums remaining unpaid from any monies or credit held by the Franchisor for the account of the Franchisee.

18.2 Waiver of Obligations. The Franchisor may by written instrument unilaterally waive any obligation of or restriction upon the Franchisee under this Agreement. No acceptance by the Franchisor of any payment by the Franchisee and no failure, refusal, or neglect of the Franchisor to exercise any right under this Agreement or to insist upon full compliance by the Franchisee with its obligations hereunder, including without limitation, any mandatory specification, standard or operating procedure, shall constitute a waiver of any provision of this Agreement.

18.3 Franchisee may not withhold payments due the Franchisor. The Franchisee shall not, on grounds of the alleged non-performance by the Franchisor of any of its obligations under the terms of this Agreement, withhold payments of any royalty or other amounts due to the Franchisor, its affiliates, or subsidiaries, whether on account of goods purchased by the Franchisee or otherwise.

18.4 Rights of the Franchisor are Cumulative. The rights of the Franchisor are cumulative and no exercise or enforcement by the Franchisor of any right or remedy contained in

this Agreement shall preclude the exercise or enforcement by the Franchisor of any other right or remedy the Franchisor is otherwise entitled by contract or law to enforce.

18.5 Law Applicable. This Agreement shall be governed by and construed in accordance with the laws of Washington State, except the Washington Franchise Investment Protection Act and the Washington Consumer Protection Act shall not apply unless such statutes would apply independent of this choice of law provision.

18.6 Resolution of Disputes. Except as provided below in subsection (a), you and we must resolve any and all disputes, claims, or issues that is or are based upon, or arise out of this Agreement, or the parties' franchisee/franchisor relationship ("Dispute") by arbitration administered by the American Arbitration Association ("AAA") before a single arbitrator, and, except as amended here, subject to the AAA's Commercial Arbitration Rules in effect as of the date of the Dispute. The arbitrator shall have sole authority to determine the arbitrability of any Dispute.

(a) Disputes not required to be Arbitrated. Either you or we may initiate in any state or federal court an action that seeks only preliminary or permanent injunctive relief based on a party's alleged infringement of any trademarks, or a party's use, misuse, or misappropriation of the other party's intellectual property, including protectable trade dress, trade secrets, or information deemed confidential under any agreement between the parties. A party may also commence an action seeking to compel arbitration or to enforce the dispute resolution provisions of this Agreement as provided for under the Federal Arbitration Act.

(b) Exclusive Venue for Dispute Resolution. Unless the parties should otherwise agree in writing, arbitration (or where allowed, litigation before a court) of a Dispute shall be conducted exclusively in either Whatcom County or King County, Washington. The parties hereby irrevocably consent to jurisdiction in Washington State.

(c) Arbitration. Except as the parties may otherwise agree, if arbitration is commenced with the AAA, the arbitration hearing shall be conducted within 180 days after an arbitrator has been selected. Unless the arbitrator determines that additional discovery is essential to the fair resolution of a dispute, discovery in any arbitration proceeding shall be limited to 15 document production requests and 2 depositions per side. The arbitration shall be subject to the provisions of the Federal Arbitration Act.

(d) Counterclaims and Pleadings. In any arbitration proceeding, you and we must each submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. If a party does not submit a claim as required by the preceding sentence, then such claim is forever barred. Any claim asserted in any arbitration proceeding must be asserted or pled with specificity, and the arbitrator shall dismiss on the merits any vague or conclusory claim.

(e) Class and Other Third Party Joinder of Claims Not Permitted. Any arbitration under this Section 15 must be conducted on an individual, and not a class-

wide, basis; provided however, that a claim between the parties may be joined with a claim against the owner, officer, or guarantor of a party if all claims arise out of the same or common nucleus of operative facts, and such claim is otherwise arbitrable.

(f) Limitations of Claims. Except for claims arising from your non-payment or underpayment of amounts owed us pursuant to this Agreement, any and all claims arising out of or relating to this Agreement or our relationship with you as franchisor and franchisee are barred unless a judicial or arbitration proceeding, as applicable, is commenced within one (1) year after the date on which the party asserting such claim knew or should have known of the facts giving rise to such claims. You and we are bound by the provisions of any limitation period of time in which claims must be brought under the previous sentence or applicable law, whichever expires earlier.

(g) Power of Arbitrator; Waiver of Exemplary and Punitive Damages. In any arbitration of a Dispute, the arbitrator may award appropriate relief, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs. The arbitrator may not, however, award exemplary or punitive damages, and you and we waive any right to seek or obtain any award for exemplary or punitive damages.

(h) Compensation of Arbitrator. You and we shall share equally the costs, including fees, of any arbitrator, and the administrative fees assessed by the AAA.

(i) Attorneys' Fees and Expenses. The substantially prevailing party in any arbitration, suit or other action arising out of or related to this Agreement is entitled to recover its reasonable attorneys' fees, as well as all reasonable costs and expenses incurred that are related to the action or the Dispute, including all fees and expenses assessed by the AAA, costs of court reporters incurred by a party, expert witness fees, and the substantially prevailing party's Dispute-related travel expenses.

18.7 Entire Agreement. This Agreement constitutes the entire agreement between the parties and supersedes all previous agreements and understandings between the parties in any way relating to the subject matter of this Agreement. It is expressly understood and agreed that the Franchisor has made no representation, inducements, warranties or promises whether direct, indirect or collateral, oral or otherwise, concerning the terms or subject matter of this Agreement. Notwithstanding the foregoing, nothing in this section is intended to disclaim any of the disclosures made in the franchise disclosure document accompanying this Agreement.

18.8 Severability. If any of the terms or provisions of this Agreement are deemed invalid, illegal, or incapable of being enforced by reason of any rule of law or public policy, such covenant or other provision shall be severed; all other conditions and provisions of this Agreement shall remain in full force and effect and no term or provision shall be deemed dependent upon any other term or provision unless so expressed herein.

18.9 Time of Essence. Time shall be of the essence of this Agreement.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
and Stockholders of Stevenstone Inc.
Vancouver, Washington

Opinion

I have audited the accompanying financial statements of Stevenstone Inc. (a Washington State corporation), which comprise the balance sheet as of December 31, 2023, and the related statements of income, stockholders' deficit, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Stevenstone Inc. as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Stevenstone Inc. and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matters

As discussed in Note 3 to the financial statements, the Company's management has evaluated its ability to continue operations, including cash flows and liquidity. My opinion is not modified with respect to that matter.

As discussed in Note 2 to the financial statements, Stevenstone Inc. has advances and operating expenses with a total balance of \$382,054 at December 31, 2023 due to related parties. My opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stevenstone Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stevenstone Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stevenstone Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

STEVENSTONE INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization

Stevenstone Inc. (the Company) was incorporated on March 20, 2017, in the State of Washington. The First Amended and Restated Articles of Incorporation agreement states that the Company will have perpetual existence. The Company is the franchisor of “New Creations” mobile restoration service units. These units repair, restore, and renew auto interiors, boat interiors, furniture upholstery repair and home restoration.

As of December 31, 2023, there were fifteen operating New Creations franchisees (in the States of: Washington, Michigan, Texas, South Carolina, New Mexico, Alaska, and Indiana). There were also five franchisees (in Washington, Nebraska, Tennessee, and Texas) that had signed their franchise agreement but are expected to open for operations subsequent to December 31, 2023.

Revenue recognition

The Company’s revenues include franchise fees, royalty fees, marketing fees, and revenues from sale of start-up packages for initial franchisees. Revenue is recognized when the following four criteria are met: there is persuasive evidence of an arrangement, the service has been or is being provided to the customer, the collection of the fees is reasonably assured, and the amount of fees to be paid by the customer is fixed or determinable.

A description of the Company’s principal revenue generating activities is as follows:

- Licensing fees are assessed at the commencement of the franchise agreement to operate a business and are recognized over the period of time covered by the respective franchise agreement, typically 10 years.
- Royalty fees are assessed based on a percent of gross revenues, as reported by the franchisee owners, and are recognized as revenue commensurate with the month in which the gross sales occurred.
- Marketing fees may be assessed by management based on a percent of gross revenues, as reported by the franchisee owners, and are recognized as revenue commensurate with the month in which the gross revenues occurred. The related marketing costs are expensed as incurred. During 2023, no amounts were charged to the franchisee owners for marketing fees.
- Start-up package fees are recognized as revenue at the point in time that the start-up materials and supplies are transferred to the franchisee.
- Brand building fees consists of a flat monthly fee that a franchisee can opt into to receive brand building consulting each month.

As applicable, revenues are reported net of sales tax.

Cash equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

STEVENSTONE INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Intellectual property

The Company has been granted the sole license to use intellectual property, for an indefinite term (see Note 2, "Ownership"). This intellectual property is essential to the Company, its value cannot be, and has not been, determined.

Deferred costs

Sales commissions are incremental costs incurred to find and secure a franchisee and are recognized as costs ratably on a straight-line basis over the term of the underlying franchise period. Deferred costs balances at December 31, 2023 and January 1, 2023 were \$364,214 and \$87,968.

Deferred revenue

Deferred revenue represents cash received from franchisees for licensing fees for which revenue recognition criteria has not yet been met. Deferred revenue balances at December 31, 2023 and January 1, 2023 were \$676,988 and \$302,138.

Advertising costs

The Company expenses the costs of advertising as incurred. The Company incurred advertising expenses of \$53,679 for the year ended December 31, 2023.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Federal income taxes

Income taxes are calculated on all revenue less expense items, except for items representing permanent differences, regardless of the period in which such items are recognized for tax purposes. Tax credits are recognized under the flow through method in the period in which the qualifying items are placed in service or otherwise incurred.

Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the financial statements to comply with the authoritative guidance from ASC Topic 740 for disclosure of uncertain tax positions. This guidance requires management to analyze all open tax years, as defined by the statutes of limitations, for all major jurisdictions.

Subsequent events

Management has evaluated subsequent events through March 27, 2024, the date on which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
and Stockholders of Stevenstone Inc.
Vancouver, Washington

Opinion

I have audited the accompanying financial statements of Stevenstone Inc. (a Washington State corporation), which comprise the balance sheet as of December 31, 2022, and the related statements of income, stockholders' deficit, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Stevenstone Inc. as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Stevenstone Inc. and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matters

As discussed in Note 5 to the financial statements, the Company's management has evaluated its ability to continue operations, including cash flows and liquidity. My opinion is not modified with respect to that matter.

As discussed in Note 2 to the financial statements, Stevenstone Inc. has advances and operating expenses with a total balance of \$323,316 at December 31, 2022 due to related parties. My opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stevenstone Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stevenstone Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stevenstone Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

STEVENSTONE INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization

Stevenstone Inc. (the Company) was incorporated on March 20, 2017, in the State of Washington. The First Amended and Restated Articles of Incorporation agreement states that the Company will have perpetual existence. The Company is the franchisor of “New Creations” mobile restoration service units. These units repair, restore, and renew auto interiors, boat interiors, furniture upholstery repair and home restoration.

As of December 31, 2022, there were six operating New Creations franchisees (in the locations of Washington State: Spokane, South Puget Sound, Tacoma; Boise, Idaho; Coeur d’Alene, Idaho; and Myrtle Beach, South Carolina). There were also two franchisees (in Dallas, Texas and Grand Rapids, Michigan) that had signed their franchise agreement but are expected to open for operations subsequent to December 31, 2022.

Revenue recognition

The Company’s revenues include franchise fees, royalty fees, marketing fees, and revenues from sale of start-up packages for initial franchisees. Revenue is recognized when the following four criteria are met: there is persuasive evidence of an arrangement, the service has been or is being provided to the customer, the collection of the fees is reasonably assured, and the amount of fees to be paid by the customer is fixed or determinable.

A description of the Company’s principal revenue generating activities is as follows:

- Licensing fees are assessed at the commencement of the franchise agreement to operate a business and are recognized over the period of time covered by the respective franchise agreement, typically 10 years.
- Royalty fees are assessed based on a percent of gross revenues, as reported by the franchisee owners, and are recognized as revenue commensurate with the month in which the gross sales occurred.
- Marketing fees may be assessed by management based on a percent of gross revenues, as reported by the franchisee owners, and are recognized as revenue commensurate with the month in which the gross revenues occurred. The related marketing costs are expensed as incurred. During 2022, no amounts were charged to the franchisee owners for marketing fees.
- Start-up package fees are recognized as revenue at the point in time that the start-up materials and supplies are transferred to the franchisee.

As applicable, revenues are reported net of sales tax.

Cash equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

DECEMBER 31, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Intellectual property

The Company has been granted the sole license to use intellectual property, for an indefinite term (see Note 2, "Ownership"). This intellectual property is essential to the Company, its value cannot be, and has not been, determined.

Deferred costs

Sales commissions are incremental costs incurred to find and secure a franchisee and are recognized as costs ratably on a straight-line basis over the term of the underlying franchise period. Deferred costs balances at December 31, 2022 and January 1, 2022 were \$87,968 and \$19,059.

Deferred revenue

Deferred revenue represents cash received from franchisees for licensing fees for which revenue recognition criteria has not yet been met. Deferred revenue balances at December 31, 2022 and January 1, 2022 were \$302,138 and \$127,063.

Advertising costs

The Company expenses the costs of advertising as incurred. The Company incurred advertising expenses of \$63,479 for the year ended December 31, 2022.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Federal income taxes

Income taxes are calculated on all revenue less expense items, except for items representing permanent differences, regardless of the period in which such items are recognized for tax purposes. Tax credits are recognized under the flow through method in the period in which the qualifying items are placed in service or otherwise incurred.

Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the financial statements to comply with the authoritative guidance from ASC Topic 740 for disclosure of uncertain tax positions. This guidance requires management to analyze all open tax years, as defined by the statutes of limitations, for all major jurisdictions.

Subsequent events

Management has evaluated subsequent events through March 21, 2023, the date on which the financial statements were available to be issued.

NOTE 4 INCOME TAXES

Deferred income taxes reflect the net tax effects of the temporary differences between carrying amounts of assets and liabilities for financial reporting purposes and the amounts determined for income tax purposes. Significant components of deferred tax assets and liabilities at December 31, 2022 are as follows:

Long-term deferred tax assets (liabilities):	
Net operating loss carryforward	\$ 27,000
	<hr/>
Total	\$ 27,000
	<hr/> <hr/>

NOTE 5 CONSIDERATION OF ABILITY TO CONTINUE

Management has evaluated the results of operations, the cash flows, and its liquidity. While management expects revenues to increase due to the sales of franchises, the Company's two stockholders have adequate resources to advance funds to the Company to meet its obligations in a timely manner, if necessary.

NOTE 6 ECONOMIC DEPENDENCY, CONCENTRATIONS, RISKS AND UNCERTAINTIES

The Company's services are concentrated in the franchise and restoration industries and are dependent on market conditions affecting these respective industries.

Failure to anticipate or respond adequately to changes in customer requirements, and changes in regulatory requirements or industry standards, including monetary and lending policies, could have a material adverse effect on the Company's business and operating results. Additionally, certain other factors could affect the Company's future operating results and cause actual results to differ materially from expectations, including but not limited to, difficulties in managing growth, dependence on key personnel, and difficulties in attracting and retaining qualified personnel.

Concentration of credit risk

The Company's financial instruments that are exposed to concentrations of credit risk consist of accounts receivable. The Company grants credit on an unsecured basis and controls credit risk on its accounts receivable through monitoring procedures.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
and Stockholders of Stevenstone Inc.
Vancouver, Washington

Opinion

I have audited the accompanying financial statements of Stevenstone Inc. (a Washington State corporation), which comprise the balance sheet as of December 31, 2021, and the related statements of income, stockholders' deficit, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Stevenstone Inc. as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Stevenstone Inc. and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matters

As discussed in Note 5 to the financial statements, the Company's management has evaluated its ability to continue operations, including cash flows and liquidity. My opinion is not modified with respect to that matter.

As discussed in Note 2 to the financial statements, Stevenstone Inc. has advances and operating expenses with a total balance of \$217,796 at December 31, 2021 due to related parties. My opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stevenstone Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stevenstone Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stevenstone Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Guarantor waives the benefit of any statute of limitations or other provision of law which in any way affects or limits Guarantor’s liability under this Guarantee, to the extent permitted at law.

The provisions of the Franchise Agreement or other obligation involving Franchisee may be changed at any time and without the consent of or notice to Guarantor. Guarantor waives any right it may have to enforce any remedies that Franchisor may now have against Franchisee, or may have at a later time. Guarantor further waives all presentments, protests, demands of any type, notices of any type, including notices of protest, notices of dishonour, and notices of acceptance of this Guarantee. STATE SPECIFIC ADDENDA

The following modifications are made to the Stevenstone Inc. New Creations Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement.

The following are state specific changes for and are applicable to you only if you are covered by the franchise law of the referenced state:

ILLINOIS

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the Stevenstone Inc. New Creations Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside the State of Illinois is void. However, arbitration may take place outside of Illinois.

Franchisees' rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Items 5 and 7 of the disclosure document and Section 5.1 of the Franchise Agreement are amended to provide that all initial fees shall be deferred until such time as the franchisor has satisfied its pre-opening obligations to the franchisee and the franchisee has commenced doing business. The Illinois Attorney General's Office imposed this deferral requirement due to the franchisor's financial condition.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise Disclosure Document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.

- (b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel that deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits us to terminate a franchise before the expiration of its term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure the failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure the failure.
- (d) A provision that permits us to refuse to renew your franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials that have no value to us and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applied only if: (i) the term of the franchise is less than 5 years and (ii) you are prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area after the expiration of the franchise or you do not receive at least 6 months advance notice of our intent not to renew the franchise.
- (e) A provision that permits us to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude you from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision that permits us to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet our then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of us or our subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) You or your proposed transferee's failure to pay any sums owing to us or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants to us a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a franchise for the market or appraised value of the assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in subdivision (c).

(i) A provision that permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

NEW YORK

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the Stevenstone Inc. New Creations Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT D OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CAN NOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

With the exception of what is stated above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “**Requirements for a franchisee to renew or extend,**” and Item 17(m), entitled “**Conditions for franchisor approval of transfer**”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “**Termination by franchisee**”:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “**Choice of forum,**” and Item 17(w), titled “**Choice of law**”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements — No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts — Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise Disclosure Document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the Stevenstone Inc. New Creations Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for us to cancel your franchise without reasonable cause. If any ground for default or termination stated in the Franchise Agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by you to us until we have completed our pre-opening obligations under the Franchise Agreement.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise Disclosure Document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.

WASHINGTON

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, AND RELATED AGREEMENTS

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

The undersigned does hereby acknowledge receipt of this Addendum.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the Stevenstone Inc. New Creations Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

With respect to franchise agreements governed by Wisconsin law, the following shall supersede any inconsistent provision:

The Wisconsin Fair Dealership Law applies to most franchise agreements in the state and prohibits termination, cancellation, nonrenewal or substantial change in the competitive circumstances of a dealership agreement without good cause. The Law further provides that 90 days' prior written notice of the proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is so cured the notice is void. The disclosure document and Franchise Agreement are hereby modified to state that the Wisconsin Fair Dealership Law, to the extent applicable, supersedes any provisions in the Franchise Agreement that are inconsistent with that Law. Wis. Stats. Ch. 135, The Wisconsin Fair Dealership Law, SEC 32.06(3), Wis. Adm. Code.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise Disclosure Document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.
