How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit H.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit F includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only YESCO business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a YESCO franchisee?	Item 20 or Exhibit H lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Utah. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Utah than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty, and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise and loss of your investment

Certain states may require other risks to be highlighted. Check the "State-Specific Addenda" to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchise to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value, at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(g) A provision which permits a franchisor to refuse to permit a transfer or ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed franchisee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisor or proposed transferee to remit any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, “we,” or “us,” means YESCO Franchising LLC, the franchisor, and “you” means the person or entity that buys the franchise. If an entity is the Franchisee, “you” includes the Franchisee’s owners.

The Franchisor, Any Parents, and Its Predecessors and Affiliates

We are a Utah limited liability company, formed on December 20, 2010, and we conduct business under the following names: YESCO Franchising LLC, YESCO Franchising and YESCO. We do not do business under any other name. We maintain a principal office address at 2401 Foothill Drive, Salt Lake City, Utah 84109. Our telephone number is 801.464.4600.

We have no predecessors. Our affiliates are YESCO LLC (“**YESCO LLC**”), YESCO Financial Solutions LLC (“**YFS**”), and YESCO Administration LLC (“**YESCO Administration**”), all Utah limited liability companies (“**US Affiliates**”), and YESCO Canada ULC (“**YESCO Canada**”), an unlimited liability company formed in the Province of British Columbia, Canada (YESCO Canada and US Affiliates collectively referred to as “**Affiliates**”). Our Managing Member is Young Electric Sign Company (“**Young**”), a Utah corporation. Our US Affiliates and Young’s mailing address is 2401 Foothill Drive, Salt Lake City, Utah 84109. YESCO Canada’s mailing address is 1315 Pickering Parkway, Suite 300, Pickering, Ontario L1V 7G5, Canada. Except as described below, neither our Affiliates nor Young have ever engaged in a business similar to the YESCO businesses we are franchising or offered franchises for any product or service.

Other than as described above, we have no parents, predecessor or affiliates that must be disclosed in this Disclosure Document.

Our agent for service of process in your state is disclosed in Exhibit A.

Prior Business Experience of Franchisor and its Affiliates

YESCO LLC and Young have developed a system for establishing, operating, and marketing a sign and lighting service and maintenance business (the “**System**”) under the YESCO service mark and other trademarks, service marks and trade names (the “**Marks**”). YESCO LLC currently operates 42 businesses in the United States similar to the YESCO businesses we franchise. These businesses are referred to as “Company-Owned Businesses” in ITEM 20, and as “affiliate-owned businesses” throughout the rest of this Disclosure Document. Our Affiliate, YESCO Administration owns the YESCO Software and the Marks and has licensed us the right to use and license others to use the YESCO Software, as well as other Marks as described in ITEM 13.

We began offering and selling YESCO franchises in the United States in March 2011, and began offering and selling YESCO franchises in Canada in February 2012.

Pursuant to an Asset Purchase Agreement between us and YESCO Canada dated July 1, 2020 (“**Purchase Agreement**”), we sold to YESCO Canada substantially all of the assets we used in the operation of our YESCO business in Canada, including without limitation the franchise agreements with all of our then-existing YESCO franchisees in Canada. As a result of the Purchase Agreement, as of July 1, 2020, YESCO Canada became the franchisor of the YESCO system in Canada, while we remain the franchisor of the YESCO system in the United States and elsewhere.

As of December 31, 2022, there were 52 franchised YESCO businesses open and operating in the United States under franchise agreements with us, and 7 franchised YESCO businesses open and operating in Canada under franchise agreements with YESCO Canada. We have never engaged in any business other than as the franchisor of the System. We have never offered franchises in any other line of business.

Franchised Business

We grant you the right to operate a single franchised YESCO business (“**Business**”) which will operate in a specific geographic territory (“**Territory**”) under the terms of the YESCO franchise agreement (the “**Franchise Agreement**”) attached as Exhibit B to this Disclosure Document. You must operate your Business using our System and Marks. The Business will offer sign and lighting service and maintenance services to other businesses.

As a means of providing sign and lighting services to your customers, you may create relationships, via employment or subcontractor agreements, with various trades (“**Trades**”) that have the necessary skills and knowledge to provide the services and work required by your customers. The Trades are an important part of delivering sign and lighting services. The Trades shall include, but not be limited to: carpenters, electricians, mechanics, information technology professionals, permitting specialists, bookkeepers, accountants, painters, service sales specialists, cleaning service providers and Sign Patrol specialists. It is not a requirement that you have the skills of any of the Trades in order to operate this Business though it may prove helpful if you have some knowledge of these industries.

As described above and in ITEM 12, you will have the opportunity to execute an agreement with YESCO LLC. The terms of the agreement are set forth in Exhibit G of the Franchise Agreement.

Renewal Programs

Standard Renewal Program. As further described in ITEM 17 and Section 6.2 of the Franchise Agreement, if you meet the all of the applicable renewal qualifications and conditions, you will have the option to renew your franchise rights for 2 additional 5-year terms (each a “**Successor Franchise**”), under the terms and conditions of our then-current YESCO franchise agreement as modified by our then-current standard renewal addendum. Our current form standard renewal addendum (the “**Standard Renewal Addendum**”) is attached as Exhibit J to this Disclosure Document. We refer to this as our “**Standard Renewal Program**”). Under the Standard Renewal Program, if eligible, you will: (i) pay us a \$15,000 “**Successor Franchise Fee,**” for each Successor Franchise as further described in ITEM 6; (ii) pay us the royalties, marketing fees and other fees set forth in the Successor Franchise Agreement (as defined below), as described in ITEM 6; and (iii) be eligible for a loan from us or our affiliate, YFS, to finance the Successor Franchise Fee at an interest rate of 3% per annum, as further described in ITEM 10, provided we or YFS are still offering such financing at the time of renewal.

Early Renewal Program. As of the issuance date of this Disclosure Document, we also offer an early renewal program (the “**Early Renewal Program**”) to our existing franchisees that are in compliance with their existing franchise agreements and meet certain qualifications and conditions. Under the Early Renewal Program, you will have the option to renew your franchise rights under all of your existing franchise agreements in advance of their applicable expiration dates, prior to the expiration of your first agreement, under the terms and conditions of our then-current YESCO franchise agreement as modified by our then-current early renewal program addendum. Our current form early renewal program addendum (the “**Early Renewal Program Addendum**”) is attached as Exhibit K to this Disclosure Document. If you qualify and elect to participate in the Early Renewal Program, prior to the expiration of your first franchise agreement, you will sign a separate copy of our then-current YESCO franchise agreement as modified by our then-current early renewal program addendum for the renewal of each of your existing franchise agreements. The term “**Successor Franchise**

Agreement’ shall mean our then-current YESCO franchise agreement as modified by our then-current early renewal program addendum or standard renewal addendum, as applicable.

Under the current Early Renewal Program, if eligible, you will: (i) pay us a \$15,000 Successor Franchise Fee for each existing franchise agreement being renewed, as further described in ITEM 6; (ii) receive an extended 10-year renewal term under each of your existing franchise agreements beginning on the date of the expiration of each agreement’s current term (the “**Extended Successor Term**”), as further described in ITEM 17; (iii) participate in a tiered royalty program (“**Tiered Royalty Program**”) under each franchise agreement beginning with the Extended Successor Term of each agreement, as further described in ITEM 6, which may allow you reduce total monthly royalties; and (iv) be eligible for a no-interest loan from us or YFS to finance the Successor Franchise Fee due under each franchise agreement being renewed, as further described in ITEM 10, provided we or YFS are still offering such financing at the time of the early renewal. We reserve the right to discontinue, modify, or change the Early Renewal Program at any time.

Referral Program

As of the issuance date of this Disclosure Document, we have established a referral program for our existing franchisees, subject to certain qualifications. Generally, if an existing franchisee refers a qualified candidate to us with whom we have not had previous communications and we execute a franchise agreement with that candidate within a certain period of time, we will pay the referring franchisee a referral fee we establish. We reserve the right to either modify or cancel this referral program at any time.

Competition

The market for servicing and maintaining signs and lighting is well developed and very competitive. As such, you will be competing for customers with other individuals, companies and organizations who offer similar services. Competitors may include individuals and small companies, as well as similar franchise systems and large corporations.

Laws Affecting the Business

You are responsible for obtaining all necessary licenses that are required by the city, county and state in which you will be operating your Business. You will also be required to conform to any taxation requirements of your locale.

There may be specific laws or regulations in your state or municipality regarding the operation of a Business (See Exhibit G). You should also familiarize yourself with federal, state, and local laws of a more general nature, which may affect the operation of your Business. You must comply with all applicable federal, state, and local laws relating to employment, health and safety, workers’ compensation, insurance, licensing, privacy, data security, data protection, direct marketing, consumer protection, and workplace privacy laws, and other similar and related laws, rules, requirements and regulations. The laws in your state or municipality may be more or less stringent. You should examine these laws before purchasing a franchise from us. Further, virtually all states will require that you and your Trades have licenses necessary to operate your Business.

ITEM 3

LITIGATION

Prior Action

We issued a statement of claim before the Ontario Superior Court of Justice dated October 8, 2015, against 2261116 Ontario Inc. (“**226**”), 2470322 Ontario Ltd. (“**247**”), Wilf Goldlust and Gerald Patt alleging, inter alia, breach of contract and seeking an injunction to enjoin the defendants from engaging in a competitive business with us, from soliciting our customers, agents, suppliers and employers, and from using our proprietary and confidential information. 226 was our franchisee for the Province of Ontario pursuant to a franchise agreement dated November 7, 2012 (the “**226 Franchise Agreement**”). Wilf Goldlust was the principal owner and Gerald Patt was the primary operator of 226. We terminated the 226 Franchise Agreement on October 8, 2015, for, among other things, failure to pay the balance of initial franchise fees and royalty fees owing, and for breach of the restrictive covenants under the 226 Franchise Agreement. Gerald Patt is the director of 247, which we allege is operating a competitive business. We have proposed that the matter be tried in the City of Toronto, Ontario. As of the date of this Disclosure Document, 247 and Patt have served a Statement of Defence, which contained no Counterclaims. Wilf Goldlust and 226 have delivered a Statement of Defence and Counterclaim against us and certain of our current and former officers (i.e., Joshua Young and Michael Wardle) alleging, among other things, breach of contract, breach of the duty of good faith and fair dealing, misrepresentation and violations of the Arthur Wishart Act (Franchise Disclosure), 2000. In September 2016, we moved for summary judgment on our claim that 226's counterclaims are barred by the applicable limitations period and on the merits of our other claims. In November 2016, 226 moved for summary judgment on its claims. In June 2017, the Court held a hearing on our and 226's summary judgment motions. In July 2017, the Court granted partial summary judgment to us dismissing 226's misrepresentation claims. In September 2017, our claims against Wilf Goldlust and 226 and the claims by Wilf Goldlust against us and our current and former officers were resolved. Our remaining claims against Gerald Patt and 247 were settled in August 2018. As part of the settlement, Gerald Patt and 247 agreed to refrain from operating a competitive business within Ontario for one year.

Other than this action, no litigation is required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5

INITIAL FEES

The initial franchise fee (“**Franchise Fee**”) is typically \$50,000. If you are a qualifying, existing franchisee in good standing and are purchasing your second or subsequent YESCO business, we will offer you an opportunity to secure additional territory through our area development program. As of the issuance date of this Disclosure Document, our reduced Franchise Fee under this program ranges from \$25,000 to \$50,000. We have the right, however, to periodically decrease or increase the amount of any reduced Franchise Fee, or how we calculate it, and to discontinue our multiple business development program or any arrangements we negotiate.

The Franchise Fee must be paid in full in one lump sum, by wire transfer, when you sign the Franchise Agreement. Once you have signed the Franchise Agreement, no portion of the Franchise Fee is refundable to you, except in the event we determine that you are not qualified to manage the Business. In that circumstance, we will refund 40% of the Franchise Fee, after payment of any fees or commissions that are not refundable. As described in ITEM 10, we or our Affiliate, YFS, may finance up to 66.67% of the Franchise Fee, 100% of Successor Franchise Fee due if you renew your Franchise Agreement under the Standard Renewal Program or Early Renewal Program, or the purchase of trucks or working capital relating to your Business. In connection with such financing, you will be assessed an origination fee not to exceed \$350.

Before you open for business, you must subscribe to our Internet site and enterprise software and email systems and are responsible for fees, which will, among other things, provide you with “yesco.com” email addresses for each employee and your contact information, on our Internet site, that provides the address, phone number, fax number and email address for your Business office in the Territory. The cost of the subscription for the enterprise email system is currently \$150 per email user and per archived email account per year. Before you open for business, you must also purchase one of three office branding packages (the “**Office Branding Package**”) from us, ranging from \$500 to \$800 based on the package you select. The Office Branding Package may consist of as corporate letterheads, envelopes, business cards, signs, corporate brochures and multi-media presentations for use in the promotion of your Business. All fees and payments described in this paragraph are not refundable.

During our 2022 fiscal year (January 1, 2022, to December 31, 2022), YESCO franchisees paid us initial fees ranging from \$25,000 to \$50,000. Franchisees that paid us less than \$50,000 in initial fees during our 2022 fiscal year generally were participants in our area development program.

perform all acts and deliver and sign all documents, including authorization (in the form attached to the Franchise Agreement as Exhibit C or any other form that we may accept) for direct debits from your business bank operating account, which may be necessary to assist in or accomplish payment by this method. You shall make the funds available to us for withdrawal by electronic transfer no later than the payment due date.

NOTES:

- (1) The term “**Gross Revenue**” means the total aggregate amount of the total sales and receipts from the sales of all services and goods whether or not actually collected by you or by us, whether for cash, check, or credit, bartered or otherwise, at, from or in connection the Business or the Marks. Gross Revenue excludes any federal, state or municipal or other sales tax or any similar tax on the supply of goods and services collected from customers at the point of sale and paid by you to appropriate tax authorities. YESCO has the right to modify the royalty fee structure for any successor term.
- (2) Beginning with the Extended Successor Term of each Successor Franchise Agreement entered into under the Early Renewal Program, royalty due under that individual agreement will be calculated monthly on a tiered basis as follows:

	If the Monthly Gross Revenue for a given Successor Franchise Agreement Territory is between:			Then the corresponding monthly Royalty for that Successor Franchise Agreement is:
Tier 0	\$0	and	\$41,666	6%
Tier 1	\$41,667	and	\$62,500	4%
Tier 2	or if it is greater than		\$62,501+	2%

To be eligible for a reduction in monthly royalties as set forth in the table above, you must have reported your Gross Revenue under each Successor Franchise Agreement by the 5th calendar day after the end of each month, and be in compliance with your obligations under all existing franchise agreements between you and us (including, without limitation, compliance with territory restrictions, chart of account requirements, payments due and owing to us and/or YFS, and insurance requirements). If you fail to meet the preceding conditions, your monthly royalty due under all of the Successor Franchise Agreements will be 6% of aggregate Gross Revenue for all such agreements in effect during that month. In addition, if the aggregate monthly royalty due under all of your Successor Franchise Agreements for any given month is less than the number of all Successor Franchise Agreements in effect between you and us multiplied by \$1,000 (the “**Minimum Royalty Fee**”), then you agree to pay the Minimum Royalty Fee for that month.

- (3) You must spend at least \$1,000 to advertise and market the start-up (“**Grand Opening**”) of your Business. We must approve of the advertising used in this program, which will include an email campaign and direct mailing campaign to a list of business professionals in the Territory, as well as print media local advertising. Such expenditures are in addition to, not in lieu of, other advertising requirements described in this Disclosure Document and the Manuals.
- (4) Upon 30 days’ written notice, we can require you to contribute up to 3% of your Gross Revenue to our National Advertising Fund (“**National Advertising Fund**”). The amount you contribute (“**National Advertising Fee**”) is payable monthly together with and in the same manner as

Royalties. The combined National Advertising Fee and Local Advertising Fee (referenced below under Note 5) will not exceed 3% of Gross Revenue.

- (5) We require that you spend at least 2% of your Gross Revenue annually for advertising and promotion of your business within your Territory. This advertising and promotion, (“**Local Advertising Fee**”) is in addition to the National Advertising Fee. We have the right to increase this amount to 3% of your Gross Revenue with 60 days’ prior notice. If you fail to spend the minimum amount required under this Section for any calendar year, we have the right to require you to pay us the difference between what you should have spent on approved local advertising and marketing during that year and what you actually spent on those items during that year. We will deposit any such amounts into the National Advertising Fund, if we have established one that includes the United States, or use them to cover the cost of advertising, marketing or promotional activities reasonably related to the System, if we have not established a National Advertising Fund that includes the United States. The combined National Advertising Fee (referenced above under Note 4) and Local Advertising Fee will not exceed 3% of Gross Revenue.
- (6) If you understate Gross Revenue by less than 2%, we will not charge for the audit but you must pay all fees and interest due on understated amounts. If you understate Gross Revenue by 2% or more, the fee will be the costs for the audit, which we estimate to be between \$3,000 and \$5,000 depending on the auditor, plus interest on the understated amounts.
- (7) The transfer fee is to defray expenses incurred by us in connection with the transfer, including, without limitation, training of the assignee, accounting fees, credit and other investigation charges and evaluation of the assignee and the terms of the transfer. You and the transferee must also comply with the other conditions for transfer in the Franchise Agreement.
- (8) Under the Standard Renewal Program, you must pay us immediately upon our approval of the renewal a \$15,000 Successor Franchise Fee for each 5-year renewal term for a total of \$30,000 for both renewal terms. In addition to this Successor Franchise Fee, you will be required, according to the terms for the extension of your rights under the Franchise Agreement to operate the Business, to make such changes and upgrades as outlined and bring your franchise up to the same standards as any new franchise being currently offered and to sign the then-current version of our general release of claims. If you qualify, we or our affiliate, YFS, will offer to finance the Successor Franchise Fee, provided we or YFS are still offering such financing at the time of the renewal (see ITEM10).
- (9) Under the Early Renewal Program, you must pay us a \$15,000 Successor Franchise Fee for each of your franchise agreements being renewed, which is due and payable upon the commencement of each Extended Successor Term. In addition to these Successor Franchise Fees, at our reasonable request, you will be required, according to the terms for the extension of your rights under each franchisee agreement being renewed to operate the respective business, to make such changes and upgrades as outlined and bring your franchise up to the same standards as any new franchise being currently offered. If you qualify, we or YFS will offer to finance all of the Successor Franchise Fees, provided we or YFS are still offering such financing at the time of the early renewal (see ITEM10).
- (10) All Royalties Fees, National Advertising Fees, amounts due for purchases by you from us or our Affiliates and other amounts which you owe to us or our Affiliates will bear interest after the due date at the highest applicable legal rate for open account business credit, or if there is no maximum at the rate of 1.5% per month. All sums to be paid and reports to be submitted under the Franchise Agreement shall be assessed a \$50 per day late fee, until paid in full, if not received in our offices on or before the due date.

- (11) If you do not purchase and maintain the insurance required by the Franchise Agreement and name us and our Affiliates as additional named insured's, we may purchase the required insurance on your behalf and charge you the premiums we paid for such insurance plus an administrative fee, currently 15%. See ITEM 7.
- (12) You must indemnify and hold us harmless against, and reimburse us for, any loss, liability, taxes or damages (actual or consequential) and all reasonable costs and expenses of defending any claim brought against us or any action in which we are named as a party (including, without limitation, reasonable accountants', attorneys' and expert witness' fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses) which we may incur, or sustain by reason or arising from or in connection with your ownership or operation of your Business.
- (13) After opening the Business, we will provide training (subject to reasonable limitations prescribed by us as to frequency and time) to any new manager of the Business. We expect to offer annual training sessions. We have the right to assess reasonable charges for this training. We have the right to require that you and any managers attend supplemental and refresher training programs during the term of the Franchise Agreement, to be furnished at the time and place we designate. We currently charge \$800 per day for any additional training sessions held at our corporate offices in Salt Lake City, Utah and \$800 per day plus travel reimbursement for additional training sessions that may be held at your Business.
- (14) If your Business at any time is not being managed by you or your manager (who has successfully completed the training program) we are authorized, but are not required, to immediately appoint a manager to maintain the operations of the Business for and on your behalf. We have the right to charge a reasonable fee for such management services and to cease to provide such management services at any time. We estimate the cost of management services to be approximately 5 – 10% of monthly Gross Revenue. In the case of your death or permanent disability, we are authorized, but not required, to immediately appoint a manager to maintain operations. All other conditions outlined above apply.
- (15) You must pay this fee if you elect to have a separate landing page on our website that is unique to your Business.
- (16) You must comply with all policies and procedures we periodically establish regarding operation outside of your Territory, as set forth in the Manuals or otherwise in writing. You acknowledge and agree that these policies and procedures may require you to pay compensation and/or fees to us, our affiliates and other YESCO® franchisees if you violate them, including but not limited to disgorgement of any Gross Revenue received in connection with operation outside of your Territory, and reimbursement of our and our affiliates' administrative costs incurred in connection with your failure to comply with our Territory policies and procedures.

This Table reflects your estimated initial investment for a single Business operated under a Franchise Agreement. Unless otherwise noted, all fees that you pay to us or an Affiliate are non-refundable. Third party lessors, contractors and suppliers will decide if payments to them are refundable.

NOTES:

- (1) The Franchise Fee is for a specific geographic territory. The Franchise Fee is earned upon payment, and there is no refund except as described in Note 3 below. The Territory will be determined by geographic, physical, and other boundaries before the Franchise Agreement is signed. Our Affiliate, YFS, may finance up to 66.67% of the Franchise Fee, as described in ITEM 10.
- (2) You may lease office space in industrial or commercial areas. The office may be of any size that you determine at any location within your Territory. Rent is an estimate only and will vary depending upon the market in your location, availability of space, and other factors. As part of leasing space, you may spend this amount, or more, for rental improvements, such as putting in new carpet or painting walls. As part of your lease requirements, you will also likely be required to pay deposits for the office space and deposits for utilities and suppliers. You may initially choose to operate the Business from a home office or out of a vehicle, therefore, the initial investment for rent, rental improvements and related deposits is \$0 until such time as you lease actual office space. You may not operate your office out of your home for more than 6 months.
- (3) Before opening your Business, your Primary Owner and Principal Operator (as defined in ITEM 15) must attend our initial training program on the operations of the Business. No fee is charged for your Primary Owner and your Principal Operator to attend the initial training program; however, you will be responsible for the compensation, travel, lodging and living expenses incurred in connection with the attendance at this initial training program or at any supplemental or refresher training programs. See ITEM 11 for additional information.

If, during any training program, we determine that any proposed Principal Operator is not qualified to manage the business, we will notify you and you may select and enroll a substitute Principal Operator in this training program. If, during the initial training program, we determine that you are not qualified to manage the Business, we will have the right to terminate the Franchise Agreement, effective upon delivery of written notice to you. Upon termination under these circumstances, we shall refund (without interest) 40% of the Franchise Fee you paid to us, after payment of any broker fees or commissions that are not refundable, so long as you and any other owners sign general releases, in form and substance satisfactory to us, of any and all claims against us and our affiliates, officers, directors, employees and agents.

- (4) This includes a telephone, a fax machine, copier, scanner, printer, software (See ITEM 11), a desk, chair and filing cabinets. This amount will change depending on whether you already have these items. We have no specifications for the telephone or fax machine. The desk and chair must be of professional quality. The copier must copy at least 50 pages per minute and have the ability to scan documents to a PDF file. The computer must have software that has the latest version of the Microsoft operating system and the most recent version of Microsoft Office.
- (5) You will be required to have certain off-the-shelf computer hardware, including, without limitation, Microsoft Office and QuickBooks. You may already have equipment that meets this need. You are required to have high-speed Internet accessibility. You are also required to subscribe to our enterprise software and email systems and pay data storage fees for your data. See ITEM 11.
- (6) You must spend at least \$1,000 on grand opening to announce the opening of your business. You must also purchase an Office Branding Package, which may include materials such as corporate letterheads, envelopes, business cards, signs, corporate brochures and multi-media presentations depending on the package you select. You will also purchase from us or an approved vendor a marketing list (“**List**”) which includes but is not limited to: general contractors, architects, civil engineers, real estate developers, etc. that operate in your Territory. We will provide you with direction as to the items you will need. See ITEM 11.
- (7) You must purchase and maintain all insurance coverage for the Business as described in the Manuals. See ITEM 8.
- (8) You may need to employ an attorney, an accountant and other consultants as needed to assist you in establishing your Business. These fees may vary from location to location depending upon the prevailing rate of attorneys’, accountants’ and consultants’ fees.
- (9) You will need to acquire vehicle(s) that we approve. These vehicle(s) must be able to carry and secure the materials and equipment necessary to access signs and lighting. The average cost of a properly-equipped service vehicle is approximately \$85,000. You may already have vehicle(s) that meet our requirements; if so, you may not have to make an investment in vehicle(s).
- (10) Equipment and materials inventory includes ballasts, lamps, wiring, various fasteners, vinyl, plexiglass, paint, etc., and the associated tools and equipment necessary for accessing and servicing signs and lighting.
- (11) The estimate of additional funds for the initial phase of your business is based on recurring expenses and operating expenses for the first three (3) months of operation. This estimate is based on our Affiliates’ over 90 years of experience operating similar businesses. The estimate of additional funds does not include an owner’s salary or draw or staff salaries. You may incur other or higher costs or fees. You may also need operating capital when running the Business that is in addition to what is estimated here.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To ensure a uniform image and uniform quality of services and products throughout the YESCO system, you must maintain and comply with our quality standards.

Designated Suppliers

We have the right to designate the specific brand and/or manufacturer of any of the Approved Supplies (as defined below), and we have the right to designate a single source or sources from whom you must purchase any Approved Supplies. We and/or our Affiliates may be that single source (if we only designate a single source) or one or more of the sources (if we designate more than a single source). Under all circumstances and without limiting the above, we have the right to designate, as applicable, the specific brand and/or manufacturer, and/or the single source of supply (which may be or include us or one of our Affiliates), of the following: (i) your computer system (and all components that make up the computer system, including without limitation designated software); (ii) signs for your Business, including interior way-finding signs; (iii) design professionals; (iv) media services; (v) standard attire and uniforms; and (vi) the Office Branding Package. We will periodically notify you of these requirements, and changes to these requirements, through the Manuals, the Approved Supplies List or the Approved Suppliers List (as defined below), or other means.

As of the issuance date of this Disclosure Document, you must use the YESCO Software and our designated email account, and pay us any applicable fees. In addition, you must purchase from us or an approved supplier, and maintain an inventory of letterhead, envelopes business cards, signs and sales literature, including brochures, other promotional materials that contain our Marks, and supplies, materials, parts, tools and equipment needed for servicing and maintaining your customer's signs and/or lighting fixtures. In addition, you must purchase from us or approved suppliers all wireless communication equipment. In the future, we or one of our Affiliates may be the sole supplier for these and other items. You may purchase all other equipment from any source so long as it meets our minimum requirements.

Approved Supplies and Suppliers

You must offer or sell in connection with the Business all services and products, and only those services and products, we periodically approve as being suitable for sale from YESCO businesses and meeting our standards of quality and uniformity for the System, and may not offer or sell any other service or product in connection with the Business without our prior written approval (see ITEM 16). In addition, you must use the approved services and products, goods, equipment, advertising, marketing and promotional materials, and any other items we periodically approve and require as part of the operation of the YESCO businesses (collectively, "**Approved Supplies**").

We will provide you with a list of Approved Supplies ("**Approved Supplies List**") and a list of approved suppliers ("**Approved Supplier List**"). We have the right to periodically revise the Approved Supplies List and Approved Suppliers List, as we deem appropriate. We have the right to approve the brand, manufacturer, supplier and/or distributor of any of the Approved Supplies. We also have the right to require you to use approved suppliers. For some Approved Supplies and approved suppliers, however, we may only describe the specifications and/or standards they must meet, without reference to a particular brand, manufacturer, supplier and/or distributor. In addition, as further described above, we have the right to designate a single source or sources from whom you must purchase any Approved Supplies, and we and/or our Affiliates may be that single source or one or more of the sources. For certain Approved Supplies and other products and services, we, an Affiliate or a third party manufacturer, supplier or distributor may be the only approved supplier even though we have not designated a single source of supply for those items. All products, services, inventory, materials and other items and supplies used in the operation of the Business that

are not included in the Approved Supplies List or Approved Suppliers List must conform to any specifications and standards we periodically establish.

If we have not designated the brand and/or manufacturer, or the source or sources, of any of the Approved Supplies, you may request that we approve an alternative to that item, or an alternative supplier for that item. In that case, you must first notify us in writing and provide us (upon our request) sufficient specifications, photographs, drawings and other information or samples for us to determine whether the alternative item complies with our specifications and standards, or the alternative supplier meets our approved supplier criteria. We will notify you in writing as to whether or not the proposed alternative item or supplier is approved within 30 days. We may develop procedures for the submission of requests for approved alternative items or suppliers, and obligations that approved suppliers must assume (which may be incorporated in a written agreement to be signed by approved suppliers). We will have the right to charge you and/or each proposed supplier a fee in reviewing a proposed alternative item or supplier. We may impose limits on the number of alternative items and/or suppliers to be used by you for the Business and/or in conjunction with the System. We have the right to revoke our approval of alternative items or suppliers.

We apply certain general criteria in approving (or revoking) a proposed supplier, including the supplier's quality and pricing of products/services, reputation, ability to provide products/services that meet our specifications, responsiveness, ability to provide products/services within the parameters required by the YESCO system, quickness to market with new items, financial stability and insurance coverage, credit program for franchisees, freight costs and the ability to provide support to the YESCO system. To the extent we make these general criteria available to franchisees, we will do so through the Manuals or other written communication.

Insurance

You must purchase and maintain in full force and effect, at your expense, policies of insurance with the minimum coverage we periodically prescribe. As of the date of this Disclosure Document, this coverage consists of the following policies of insurance:

1. Comprehensive general liability insurance covering liability claims for bodily injury and property damage, personal and advertising injury and medical expense claimed by any person or organization arising from premises, on-going operations, independent contractors, and products-completed operations, and contractual liability coverage assumed under an insured contract (including the tort liability of another assumed in a business contract). The limits of liability will not be less than \$1,000,000 each occurrence, \$2,000,000 General Aggregate applicable separately to each project, \$2,000,000 Products/Completed Operations Aggregate, and \$10,000 Medical Expense. You also must agree to continue to procure and maintain product-completed operations coverage for a period of at least 7 years after expiration of the Franchise Agreement;
2. Employers' liability insurance in an amount not less than \$1,000,000 each accident, \$1,000,000 each disease, and \$1,000,000 per occurrence;
3. Automobile liability insurance in reference to the vehicle or vehicles that are used in the operation of the Business: automobile liability coverage for owned, non-owned, scheduled and hired vehicles with a combined single limit of \$1,000,000;
4. Follow-form excess liability coverage for general, employers' and automobile liability in an amount of not less than \$4,000,000;
5. Worker's compensation insurance as required by state law in the state(s) where the Business is operated; and

6. Employment Practices Liability Insurance (“EPLI”) coverage in an amount not less \$200,000.

Each of the required policies of insurance must comply the additional requirements we periodically prescribe. As of the date of this Disclosure Document, all required insurance policies must be provided by an insurance company rated A-VII or better by Best Insurance Ratings Service, provide primary, noncontributory coverage, provide us actual notification in case of material alteration, termination, non-renewal, cancelation, and/or your failure to make timely premium payments, waive subrogation rights against us, our Affiliates, and their officers, directors, employees, and agents, and be written on an occurrence basis. In addition, all required insurance policies must name us, our Affiliates, and us and our Affiliates’ respective directors, officers, employees, and agents as non-contributory additional insureds on such policies (with the exception of workers’ compensation insurance and EPLI) by a policy provision or an endorsement form we periodically prescribe, which as of the date of this Disclosure Document, must be an endorsement form at least as broad as Insurance Service Office (ISO) forms CG 2010 and CG 2037 for general liability insurance.

You must provide to us prior to commencing operations of the Business and thereafter at least 30 days prior to the expiration of any such policy or policies or upon our request, a copy of the actual policy or policies of insurance issued by the insurer, along with all certificates of insurance, endorsements and other proof of insurance we periodically prescribe evidencing compliance with all insurance requirements identified above. The policy limits identified above must be raised if we notify you in writing of the increase in such limits.

Miscellaneous

We and our Affiliates have the right to receive fees, payments, rebates, commissions or other consideration from third party manufacturers, suppliers and/or distributors which may or may not be reasonably related to services we or our Affiliates provide to these third parties. We and our Affiliates have the right to receive fees and payments from third party manufacturers, suppliers, and/or distributors of up to 10% or more of each of these third parties’ sales of products, services, equipment, goods and supplies to YESCO franchisees. We and our Affiliates have the right to increase or decrease this percentage in the future. We and our Affiliates will retain and use any fees, payments, rebates, commissions or other consideration as we deem appropriate or as required by a particular manufacturer, supplier or distributor. During our last fiscal year ending December 31, 2022, we did not receive any revenue from required purchases of products and services by franchisees, as described in this ITEM 8. During this same period, our affiliate, YESCO LLC, received \$291,186 in National Lead Admin Fees from franchisees under the National Accounts Program, as further described Item 12.

We may negotiate prices for products or services for the benefit of the YESCO system, but not on behalf of individual franchisees. There is no purchasing or distribution cooperative. We will try to receive volume discounts for the YESCO system. Because we try to receive volume discounts for the benefit of the YESCO system as a whole, you are prohibited from forming buying groups, conglomerates, or pooling purchases of products or services with other franchisees in an effort to negotiate better pricing with suppliers. We do not provide material benefits to you because of your use of approved suppliers. During our last fiscal year ending December 31, 2022, YESCO LLC did not receive any rebates from vendors.

You can expect items purchased or leased in accordance with our specifications will represent approximately 70% to 85% of total purchases you will make to begin operations of the Business, and 20% to 60% of the ongoing costs to operate the Business.

One of our officers owns an interest in Young. Otherwise, there are no suppliers in which an officer of us owns a material interest.

FINANCING

If you meet the then-current financial and credit qualifications, our Affiliate, YFS, may offer financing to you under the terms of a secured promissory note attached as Exhibit I (the “**Note**”), for up to 66.67% of the Franchise Fee. In addition, if you meet the then-current financial and credit qualifications, we or YFS may offer financing to you under the terms of the Note: (i) for up to 100% of the Successor Franchise Fee due if you renew your Franchise Agreement under the Standard Renewal Program or Early Renewal Program; or (ii) for the purchase of trucks or working capital relating to your Business.

For the Franchise Fee, you will be charged interest at the rate that will vary between 400-800 basis points above the current prime rate of YFS’s primary lender (currently, KeyBank) as of the date you sign the Note. You will pay principal and interest due to us under the Note in consecutive monthly installments. The

term of the Note will vary between 12 and 60 months. In addition, you will be assessed an origination fee not to exceed \$350.

For the Successor Franchise Fee due under the Standard Renewal Program, you will be charged interest at a rate of 3% per annum on the unpaid balance of the principal beginning as of the date you sign the Note. You will pay principal and interest due to us under the Note in consecutive monthly installments. The term of the Note will be 36 months. In addition, you will be assessed an origination fee not to exceed \$350.

For all of the Successor Franchise Fees due under the Early Renewal Program, you will not be charged interest. You will pay principal due to us under the Note in consecutive monthly installments. The term of the Note will be 36 months. The Note will be required to be signed concurrently with the Early Renewal Program Addendum, however, payment of the Successor Franchise Fee for each Successor Franchise will begin on the date of the commencement of the applicable Extended Successor Term. In addition, you will be assessed an origination fee not to exceed \$350.

For the purchase of trucks or working capital relating to your Business, you will be charged interest at an annual rate that will vary between 400-1200 basis points above the current prime rate of YFS's primary lender (currently, KeyBank) beginning as of the date you sign the Note; the actual interest rate depends on the purpose of the financing, the amount of the financing, the credit worthiness of the borrower and available collateral. You will pay principal and interest due to us under the Note in consecutive monthly installments. The term of the Note will vary, again depending on what is being financed and the amount of the financing. In addition, you will be assessed an origination fee not to exceed \$350.

For each Note, you will pay your monthly installment via ACH (Electronic Funds Transfer) from your primary operating account. Additionally, all Note payments will be first applied to the accrued interest due under the Note (if applicable) and then applied to the principal of the Note.

The entire unpaid principal balance and all accrued but unpaid interest (if applicable) under the Note will be immediately due and payable as a balloon payment upon the earlier of: (1) the maturity date of the Note; (2) the termination of the Franchise Agreement or any Successor Franchise Agreement entered into under the Standard Renewal Program or the Early Renewal Program; or (3) if a transfer occurs (as defined in the Franchise Agreement or any Successor Franchise Agreement). You can prepay the Note at any time without penalty.

To secure the performance of your obligations under the Note, you will grant YFS or us a security interest in all of your business assets, including all insurance policies covering those assets. All individuals who guarantee your obligations under the Franchise Agreement or any Successor Franchise Agreements also must guarantee the Note. You are responsible for all costs of collecting and enforcing payment or performance of this Note, including YFS's or our costs and attorneys' fees.

Any default under the Franchise Agreement or any Successor Franchise Agreement is a default under the Note, and any default under the Note is a default under the Franchise Agreement or any Successor Franchise Agreement. In addition, if you default on any obligation to pay borrowed money that results in the acceleration of the maturity of such borrowed money, such default is also a default under the Note. If you default under the Note or the Franchise Agreement or any Successor Franchise Agreement and the default is not cured, the entire principal balance and accrued but unpaid interest under the Note will be immediately due and payable at our option. If your obligation to pay the principal is accelerated due to a default under the Note or the Franchise Agreement or any Successor Franchise Agreement, interest will accrue on all unpaid amounts from the date of acceleration until the entire principal balance and accrued but unpaid interest is paid at the lesser of 18% per year or the maximum rate permitted by law.

You must notify us if you default under the Note or any event occurs that could result in a default under the Note. You waive certain defenses and other legal rights under the Note, including presentment,

protest and demand, delinquency, notice of protest, demand and dishonor, and other notice requirements, and you agree that the Note (or any payment) may be extended or subordinated without affecting your liability.

We or YFS reserves the right to sell, assign or discount to a third party all or part of the Note and you may lose all your defenses against the assignee as a result of the sale or assignment.

Other than as described above, we and our Affiliates do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

YESCO® franchisees may be eligible for expedited Small Business Administration (the “SBA”) loan processing through the SBA’s Franchise Registry Program, www.franchiseregistry.com.

Your Primary Owner and Principal Operator, and at least one other person of your choosing (if your Primary Owner and Principal Operator are the same person), are required to attend (and each such person must complete to our satisfaction) the initial training program. Prior to attending the Initial Training Program, each attendee must complete the pre-training self-study online program described below. Up to three individuals initially designated by you are eligible to participate in the Initial Training Program without charge of a tuition or fee. You and any others attending the training must sign the Confidentiality and Non-Competition Agreement and the Training Waiver of Liability and Hold Harmless Agreement (“Training Liability Waiver”) that are attached to the Franchise Agreement as Exhibits D and H. The initial training program will be conducted over a period of approximately 5-10 days. Training will typically be offered in Salt Lake City, Utah or Las Vegas, Nevada, but may be held elsewhere in the future at our discretion. You will be responsible for the expenses of travel, lodging and meals, as well as all other expenses incurred while traveling to and from and while attending this training. In addition, to the extent we provide on-the-job training to you in your territory as part of the initial training program or any refresher or additional training program, we reserve the right to charge you for the travel and living expenses our trainers incur while conducting the on-the-job training.

We will determine whether each of your trainees has satisfactorily completed the initial training program. If your Primary Owner or Principal Operator, or any other person you have designated to attend the

initial training program, fails to complete the program to our satisfaction, or if we determine that these persons cannot complete the program to our satisfaction, or if a Principal Operator ceases to hold his or her position at your Business, you must designate a replacement to promptly attend and complete to our satisfaction the initial training program, at your expense. You are responsible for all expenses incurred by you or your personnel who attend the initial training program and any other training programs, including, but not limited to, the cost of travel, lodging, meals and wages.

Advertising

As of the issuance date of this Disclosure Document, we currently do not operate a National Advertising Fund for the United States or Canada. If established, the National Advertising Fund will be utilized to market and enhance the products and services provided by YESCO® Businesses across large geographic areas or targeted to customers or potential customers with a national presence.

We have the right to establish and operate separate National Advertising Funds for the United States and Canada, or a National Advertising Fund that is for both the United States and Canada. Upon 30 days' written notice to you, we may require you to participate in a separate National Advertising Fund for the United States or in a National Advertising Fund that is for both the United States and Canada, or to switch from one of these National Advertising Funds to the other. You will not, however, be required to participate in more

than one National Advertising Fund at the same time. YESCO® businesses owned by us or our Affiliates in the United States and Canada will contribute to any National Advertising Funds we establish at the same respective amount as similarly situated franchised YESCO® businesses in the United States and Canada based on Gross Revenue for all products and services described in Section 10.2.2 of the Franchise Agreement. If at any time we decrease the rate of the National Advertising Fees franchised YESCO® businesses in the United States and Canada pay us, we have the right to make a similar respective decrease to the rate YESCO® businesses owned by us or our Affiliates in the United States and Canada contribute to the applicable National Advertising Fund.

Upon our 30-day written notice, you must pay us up to 3% of your Gross Revenue into the applicable National Advertising Fund as the National Advertising Fee. The National Advertising Fee will be due at the same time that the Royalty is due. The National Advertising Fees will be placed in an interest bearing checking account, savings account, or any other account of our determination. Any monies not used in any year will be carried to the next year. The National Advertising Fund will be administered by us at our sole discretion and may be used by us for all advertising expenditures reasonably intended to benefit some or all franchisees, including the cost of formulating, developing, and implementing marketing, advertising and promotional campaigns and materials and any other activities we determine, and for the payments to us or our Affiliates of costs related to administering the National Advertising Fund such as reasonable salaries and benefits paid to our and our Affiliates' employees, accounting expenses, administrative costs, costs allocated to any conferences, travel expenses, and overhead, payments to us or our designated website programmers for expenses related to maintenance of our website or websites, and payments to us or our Affiliates or designees for market research, surveys and testing, and for secret shopper programs.

We make no guarantee to you or to any other franchisee that advertising expenditures from the National Advertising Fund will benefit you or any other franchisee directly or on a pro rata basis. We will assume no other direct or indirect liability or obligation to you with respect to collecting amounts due to the National Advertising Fund or with respect to maintaining, directing or administering the National Advertising Fund. We have no obligation to spend any amount on advertising in your Territory. Notwithstanding the above, if we establish and operate a separate National Advertising Fund for the United States, we will use National Advertising Fees paid to that Fund for advertising expenditures reasonably intended to benefit some or all franchisees located in the United States.

We reserve the right, upon 30 days' prior written notice to you, to allocate all or a portion of the National Advertising Fund to a regional advertising program for the benefit of Businesses located within a particular region. We have the right to determine the composition of all geographic territories and market areas for the implementation of such regional advertising and promotion campaigns and to require that you participate in such regional advertising programs as and when they may be established by us. If a regional advertising program is implemented on behalf of a particular region, we will only use contributions from franchisees within such region for the particular regional advertising program, to the extent reasonably calculable by us. Other than as described above, you are not required to participate in any local or regional advertising cooperative.

The National Advertising Fee will be used for the creation of various advertising and promotional products. The media in which such advertising may be disseminated may include, but is not limited to: targeted national email campaign, printed and electronic materials, posters, window clings, marketing danglers and door hangers, creation of radio, print, or outdoor advertising on a local or regional basis, and franchise incentive trips. The advertising will be produced by us, our Affiliates, or a national or international advertising agency. Any amounts not expended in any year may be carried over to and expended in a following year. Other than incidental amounts, we will not use any portion of the National Advertising Fee to solicit new franchisees.

Upon your prior written request, we will make available to you, no later than 120 days after the end of each calendar year, an annual unaudited financial statement for the National Advertising Fund for the previous fiscal year.

As of the issuance date of this Disclosure Document, we have established the YESCO Service Advisory Council (“**Council**”) comprised of franchise owners and employees of our Affiliates. The Council serves in a purely advisory capacity on many matters, including advertising. We have the power to change or dissolve the Council at our sole discretion.

Local Advertising

You are required to place line ads in the directory listings in your Territory. You must spend at least 2% of your Gross Revenue on local advertising. This amount includes maintaining a listing in the white and yellow pages of the principal telephone directory in your Territory. We have the right to increase the amount you must spend on local advertising to up to 3% of Gross Revenue. We will provide you with a minimum of 60 days’ notice before you are obligated to begin spending this additional amount. You may spend any additional amount on local advertising and such advertising may take any form; we must, however, approve all yellow pages or other advertising before being placed. You must deliver the proposed advertising to us no less than 15 calendar days before its insertion into any medium. If you do not receive written notice within 15 calendar days, it is deemed to be disapproved.

You may not have a website that is separate from ours without our express written permission, which may be granted or denied for any reason or for no reason at all.

Cap on Required National and Local Advertising Fees

Although you may be required to spend up to 3% of your Gross Revenue on local advertising and up to 3% of your Gross Revenue on national advertising, the maximum combined local and national advertising fees we can require you to spend is 3% of Gross Revenue.

Grand Opening

Within the 30-day period before and the 30-day period after commencing operations of your Business, you will be required to hold a grand opening to advertise the startup of your Business. Some of the advertising programs and activities might include: Sending electronic and print media describing your services to and visiting with General Contractors, Civil Engineers, Architects, Electrical Engineers, Real Estate Agents, Mechanical Engineers and Commercial, Retail and Industrial Property Owners. We must approve of the advertising used in this program.

Computer Equipment

You will be required to purchase the following computer and related electrical equipment in order to operate your Business:

- b. Each of the following: a high speed printer and copier and scanner;
- c. Cable, DSL or T-1 Internet Access;

e. A smart mobile phone with the latest version of the Android or iOS operating systems and the data feature enabled. This phone will be used for the sign patrol process and can be the smart mobile phone listed in item (d.) It is required that this phone has installed on it the Servizio MobileSM Application.

f. An electronic tablet or smart mobile phone with the latest version of the Android or iOS operating systems that has the data feature enabled. This will be used for the ServizioSM Application.

g. QuickBooks Online (QBO) accounting software.

The cost to purchase this hardware and software if required may be between \$1,000 and \$8,500 and may require ongoing service charges. You will be required to maintain the software with all patches and material upgrades that may come from the manufacturer of the software. The annual cost for optional or required maintenance, updating, upgrading and support ranges from \$0 to \$1,000, including Internet service provider fees.

We will have independent access to the information and data generated by and stored in your computer system, your accounting system, the YESCO Software, and your “yesco.com” email accounts and we reserve the right to use such information and data in any way we choose, at our discretion, to benefit the System. You are responsible to pay for the data storage space that your data utilizes on the enterprise software systems. Currently the storage rate is twenty-five cents per gigabyte per month.

We do not now, but may in the future require you to purchase from us or our Affiliates proprietary software for use in the business. We will notify you in writing of this, and you will have a reasonable time (not to exceed 60 days) within which to purchase and install such software.

We have the right at any time to change or substitute hardware or software at your expense, however we will not require you to purchase a new computer more often than once every two years.

Location Selection

You may operate the business out of your home or industrial or commercial office space. Home-based offices are acceptable for start-up purposes only (not to exceed six months), unless authorized in writing by us. We do not select or approve the site for the office, however, the location must present a professional image and must be located in your Territory and we have the right at any time to inspect the office to insure that it meets these minimum specifications. If it does not, we reserve the right to require you to make the changes necessary to meet these specifications. If you are allowed to put up signage, the signs must contain only our Marks. We will not own the premises or lease it to you.

Schedule for Opening

The typical length of time between signing a Franchise Agreement and opening for a Business is approximately 90 days. Factors affecting this length of time include financing arrangements, property lease terms, construction or conversion requirements, and scheduling and completion of the training program.

You will be required to open for business within 90 days of executing the Franchise Agreement. We may extend the required opening date for a reasonable time (not to exceed 30 days) in the event factors beyond your reasonable control prevent you from meeting the deadline, if you request an extension of time from us at least 30 days before the beginning of the opening date.

You must secure all necessary business permits and licenses; purchase or lease and have installed all of the equipment required; and obtain and provide evidence of the requisite insurance within the 90-day period described in the paragraph immediately above.

Table of Contents of Manuals

The Table of Contents of the Manuals is found in Exhibit C to this Disclosure Document. The estimated number of pages devoted to each subject is set forth in Exhibit C. Each section of the Manuals will be provided as a separate electronic page, or series of pages, that may vary in size and number depending on the settings you select on your computer. As of the date of this disclosure document, we estimate that the Manuals have a total of 283 pages.

ITEM 12

TERRITORY

You will be assigned a Territory. The Territory will be non-exclusive as per Section 2.2.1 of the Franchise Agreement. Your Territory will usually be delineated by County lines, boundary streets, highways, city, county, state and/or United States Post Office Zip Code boundaries. A typical Territory will have approximately 10,000 businesses, however, in certain smaller markets the Territory may have a minimum of 1,000 businesses. In calculating the approximate number of businesses in your Territory we will rely on the “business density” of the particular geographic area. Business density will be based on 2012 U.S. Census information found at www.census.gov for businesses with paid employees within the United States and Puerto Rico. Data is available on businesses at the national, state, and county levels. The data does not include statistics on self-employed businesses, employees of private households or most governmental activities. In an effort to limit the business density of a particular geographic area to only those businesses that are likely to have signage and lighting needs, we will eliminate from the total number of businesses within that area the following categories from the data: “Admin & support & waste mgmt & remediation svcs, Agriculture, forestry, fishing and hunting, mining, quarrying, and oil and gas extraction, industries not classified, and transportation & warehousing.”

While the number of businesses is the primary factor we will use to determine your Territory, we may also use other factors, including without limitation, population, economic strength, projected future growth of a geographic area, and the number of existing competitors. Once established, the boundaries of the Territory will not be adjusted without our written consent, regardless of whether the number of businesses or the business density in the Territory increases or decreases, or other factors relating to the Territory change, over time, and we cannot unilaterally modify the Territory during the term of the Franchise Agreement. You may operate your Business only from the location approved according to your Franchise Agreement within your Territory. You will not receive an exclusive territory. You may face competition from other franchises, from businesses we and our Affiliates own, or from other channels of distribution or competitive brands that we control. You may not open or operate another Business or office at any other location inside or outside of your Territory unless we approve and you sign another franchise agreement with us. You have no right of first refusal to acquire additional Businesses inside or outside of your Territory.

Although the license granted by us to you is non-exclusive, so long as you are in compliance with all of your obligations under the Franchise Agreement, and subject to our reservation of rights, we will not establish another YESCO Business offering the products and services described in ITEM 16 in your Territory under the Marks or any other trademarks.

Continuation of your territorial rights is dependent upon achievement of a certain sales volume. See “Territory Sales Quota” below.

You may not advertise, conduct sign patrols, solicit business or otherwise operate the Business outside of your Territory including, without limitation, conducting sign patrols, direct mail solicitations and advertising which specifies areas outside of your Territory except under the following circumstances:

1. You have our prior written consent, which we have the right to withhold for any or no reason;
or

2. You receive a Lead (as defined in the Franchise Agreement) from outside of your Territory that is not the result of advertising or solicitation of business by you, or you have an existing client that requires authorized products and services, and the work: (i) will be performed by you in the United States, (ii) is not within a territory that already has been assigned to another franchisee, us or our affiliates, (iii) does not require the use of a subcontractor, and (iv) does not require one-way travel time in excess of three hours.

You must comply with all policies and procedures we periodically establish regarding operation outside of your Territory, as set forth in the Manuals or otherwise in writing. As further described in ITEM 6, you acknowledge and agree that these policies and procedures may require you to pay compensation and/or fees to us, our affiliates and other YESCO® franchisees if you violate them.

You may not use other channels of distribution, such as the Internet.

You may relocate your business only within your Territory. You must notify us of the physical address of your location, including the physical address of any relocation site within your Territory, within 10 days of relocating your office.

We and our Affiliates currently have no plans to operate or franchise a business under a different trademark selling goods or services similar to those a YESCO Business will offer.

Territory Sales Quota

You must produce a minimum of \$400,000 in Gross Revenue within the first 24 months of operation of your Business (“**Territory Sales Quota**” or “**TSQ**”) and a minimum annual TSQ of \$250,000 for each 12-month period thereafter. If you fail to meet your TSQ, we may reduce the geographic size of the Territory to an area we determine that you can appropriately service, sell an additional franchise in your Territory or terminate the Franchise Agreement.

Reservation of Rights

We reserve the right for us and our Affiliates (without compensation to you), among others, to:

1. own and operate, and grant franchises or licenses to others to own and operate, YESCO businesses outside the Territory;

2. own and operate, and grant franchises or licenses to others to own and operate, YESCO businesses within the Territory if you fail to meet a TSQ, as described above;

3. own and operate, and grant franchises or licenses to others to own and operate, any business of any kind, other than a business located within your Territory selling the services and products described in ITEM 16 under the Marks or any names, trademarks, service marks, logos and other commercial symbols other than the Marks, at any locations within or outside your Territory;

4. use the Marks and the System to offer, sell or distribute or grant franchises or licenses to others to offer, sell or distribute any products or services (which may be similar to those that you will sell) through

any alternate channels of distribution or other methods of distribution at any location within or outside of the Territory. “Other channels of distribution” mean any channels of distribution other than the operation of a YESCO business and include without limitation hardware stores, big box stores and other locations where products are sold. “Other methods of distribution” include without limitation wholesale, resale, the Internet (or any other existing or future form of electronic commerce, catalogs, mail order and television);

5. grant licenses or other rights to others to use the YESCO Software, or software similar to the YESCO Software, for purposes of operating businesses other than providing the approved products and services described in Section 10.2.2 of the Franchise Agreement in the Territory;

6. offer, sell, and distribute the products and services described in Section 10.2.2 of the Franchise Agreement in combination with other products and services;

7. acquire businesses that are the same as or similar to the Business or other YESCO businesses and operate such businesses regardless of where such businesses are located, and to be acquired by any third party which operates businesses that are the same as or similar to the Business or other YESCO businesses regardless of where such businesses are located;

8. advertise the System on the Internet (or any other existing or future form of electronic commerce) and to create, operate, maintain and modify, or discontinue the use of a website using the Marks; and

9. service, or license or allow others to service, sales leads in your Territory under certain circumstances.

National Account Program

Our Affiliate YESCO LLC operates a lead management system for national accounts in the United States and Canada (“**National Accounts Program**”). The National Accounts Program is designed to address the needs of National Accounts Program Customers. “**National Accounts Program Customers**” are customers who: (i) own (either themselves or through their Affiliates) or have the ability to impose purchasing requirements on (like a franchisor who has the ability to impose purchasing requirements on its franchisees) multiple facilities with sign and lighting service and maintenance needs; (ii) desire to negotiate a single agreement for the delivery of approved services and products offered by YESCO businesses to some or all of those facilities; and/or (iii) meet any other requirements we or YESCO LLC periodically prescribe.

YESCO LLC has the right to solicit and negotiate agreements with all current and potential National Accounts Program Customers, including without limitation current and potential National Accounts Program Customers with facilities located within your Territory, but neither YESCO LLC, we nor our other Affiliates are obligated to negotiate or enter into an agreement with any current or potential National Accounts Program Customers. YESCO LLC will manage the accounts and agreements with all National Accounts Program Customers. You may not negotiate agreements with current and potential National Accounts Program Customers within or outside your Territory.

You will be allowed to participate in the National Accounts Program, provided you satisfy, and continue to satisfy, our and YESCO LLC’s qualifications for participation, which we and YESCO LLC have the right to further develop and periodically modify. Without limiting the preceding sentence or the other requirements in this Item, your participation in the National Accounts Program is conditioned upon you: (a) attending and completing to our or YESCO LLC’s satisfaction all required training, (b) conducting sign patrols of National Accounts Program Customers within the Territory as frequently as we or YESCO LLC prescribe and in compliance with all sign patrol requirements set forth in the Manuals (c) meeting your Territory Sales Quota, (d) being in and remaining in compliance with all other terms, covenants and conditions of the Franchise

Agreement (including the payment on a timely basis of all Royalty Fees, National Advertising Fees, and other fees), (e) being in and remaining in compliance with all of the terms, covenants and conditions of the Affiliate Services Agreement attached to the Franchise Agreement as Exhibit G, (f) not rejecting or failing to pursue more than two National Leads in any six-month period, and (g) properly providing requested services to National Accounts Program Customers in compliance with all customer requirements. We and YESCO LLC also have the right to require you to sign a national accounts program agreement with us or YESCO LLC, in the form we or YESCO LLC designate, as a condition of your participation, or continued participation, in the National Accounts Program. You understand that, for the National Accounts Program, we and/or YESCO LLC have the right to: (i) establish the rules under which you, other YESCO businesses, us and our Affiliates participate in it, including the compensation you and other participants will receive and circumstances under which compensation may be withheld, (ii) receive compensation for YESCO LLC's solicitation or management of it, (iii) negotiate pricing for it, and (iv) terminate or modify it at any time. In addition, without limiting the other requirements in this Item, we and YESCO LLC have the right to disqualify you from participation in the National Accounts Program if we or YESCO LLC have evidence that you negotiated, or attempted to negotiate, an agreement with a current or potential National Accounts Program Customer within or outside your Territory, without our or YESCO LLC's prior written consent. In such case, we or YESCO LLC may, upon notice to you, immediately disqualify you from participation in the National Accounts Program or terminate the Franchise Agreement.

There is no guaranty that you will satisfy or continue to satisfy our or YESCO LLC's qualifications for participation in the National Accounts Program. In addition, even if you qualify for and participate in the National Accounts Program, neither YESCO LLC, we nor our other Affiliates guaranty the number of National Accounts Program Customers you may have the opportunity to work with or the level or percentage of Gross Revenue you may receive from National Accounts Program Customers. Further, one franchisee may have more National Accounts Program Customers and receive a higher level and percentage of Gross Revenue from National Accounts Program Customers than another franchisee.

You must refer to YESCO LLC, as YESCO LLC or we direct, all sales leads from current or potential National Accounts Program Customers (a "**National Lead**"). If you refer a National Lead located within the United States that is not from a current National Accounts Program Customer to YESCO LLC, as YESCO LLC or we direct, you will receive our then-current lead referral fee (a "**National Lead Fee**"), which YESCO LLC or we have the right to periodically modify, for that referral. As of the issuance date of this Disclosure Document, the National Lead Fee for National Lead referrals described in the previous sentence was equal to 1% of the aggregate amount of the total sales and receipts collected, whether for cash, check, on credit, bartered or otherwise, and which arise from the sale of services or goods in connection with the particular National Lead you referred to YESCO LLC, as YESCO LLC or we directed, excluding any federal, state or municipal sales tax or any similar tax collected from the sales lead and paid to the appropriate tax authorities, for a period of one year from the date of the National Lead referral.

YESCO LLC, at its option, will administer the sign and lighting service and maintenance work pursuant to such National Lead in accordance with the agreement that is executed between you and YESCO LLC in the form of Affiliate Services Agreement attached as an exhibit to the Franchise Agreement. YESCO LLC will pay you for such work at the then-current rates less an administrative fee of up to 6% on the amount received from any National Lead located within the United States (a "**National Lead Admin Fee**").

If you receive a sales lead for a National Accounts Program Customer facility located within the Territory from YESCO LLC and (i) you are unable to service that lead because you are not a qualified participant in the National Accounts Program (or we or YESCO LLC have disqualified you from participating in it), (ii) you reject or fail to pursue that lead, or fail to properly provide requested services to that lead (even though you are a qualified participant in the National Accounts Program), or (iii) if a customer specifically requests that YESCO LLC or another YESCO franchisee or subcontractor service that lead, YESCO LLC has

the right to service, or license or allow others (including without limitation other YESCO franchisees and subcontractors located within or outside of the Territory) to service that lead in your Territory.

Other Lead Referrals

As of the issuance date of this Disclosure Document, the following applies to non-National Accounts Program Customer leads, except for those described in the paragraph above. You may refer non-National Accounts Program Customer leads to other franchisees, or to us or our Affiliates (as applicable) for potential sign and lighting service and maintenance work outside your Territory if the work is in the territory of another franchisee, us or our Affiliate. You also may receive non-National Accounts Program Customer leads from other franchisees, or from us or our Affiliates (as applicable) for potential sign and lighting service and maintenance work within your Territory. If we or our Affiliates generate a non-National Accounts Program Customer lead within your Territory, we will refer that sales lead to you at no charge. Similarly, you agree not to charge a fee if you refer a non-National Accounts Program Customer lead to us or our Affiliates. You may, however, negotiate the receipt or payment of lead fees for the referral of non-National Accounts Program Customer leads between you and other franchisees in accordance with this paragraph.

Notwithstanding the paragraph above, we have the right, upon 30 days' written notice to you, to periodically develop, modify and discontinue voluntary or mandatory lead referral programs, which may require the payment of lead fees, through the Operations Manual or otherwise. You acknowledge and agree that you will participate in any mandatory lead referral programs we develop. You also acknowledge and agree that we have the right to develop different lead referral programs for YESCO businesses located in the United States (as opposed to YESCO businesses located in Canada and other countries) to take into account country-specific conditions, like the economy, culture, product and service availability and customs.

If you receive any Customer facility located within the Territory from us or our Affiliates or another YESCO franchisee and (i) you reject or fail to pursue that lead within a time frame we determine, (ii) you fail to properly provide requested services to that lead, (iii) you do not have the qualifications or resources to properly provide requested services to that Lead, or (iv) if a customer specifically requests that we or another YESCO franchisee, an Affiliate, or subcontractor service that Lead, we have the right to service, or license or allow others (including without limitation other YESCO franchisees not located within the Territory, our Affiliates, and third party subcontractors located within or outside the Territory) to service that lead in your Territory.

There is no guaranty that you will receive any sales leads from us, our Affiliates or our franchisees, or if you receive a sales lead that it will result in the generation of Gross Revenue. Further, we do not guaranty the number or frequency of any such sales leads, and one franchisee may receive more sales leads than another franchisee.

ITEM 13

TRADEMARKS

Under the Franchise Agreement, we grant you the right to offer services and products using the Marks, which include the service mark YESCO, as well as other trade names, trademarks, service marks, logos, décor, trade dress, lay out, and commercial symbols and similar and related words or symbols, that we own or license and that we have designed or may in the future designate for us in the System or the Business. We may modify, discontinue, add to or substitute the Marks used in the System.

The Marks are owned by our Affiliate, YESCO Administration. YESCO Administration licensed us the right to use the Marks in the operation of our business and to license the Marks to our franchisees through a trademark license agreement dated March 31, 2011 (“**License Agreement**”).

Listed below are the Marks that YESCO Administration has registered with the United States Patent and Trademark Office (USPTO). All required affidavits and renewals have been filed.

Mark	Application/Registration Number	Application/Registration Date	Status/Register
YESCO	1045133	July 27, 1976	Principal
EXPERT SIGN AND LIGHTING SERVICE.....IT'S WHAT WE DO	4093512	January 31, 2012	Principal
	5674395	February 12, 2019	Principal
	4720401	April 14, 2015	Principal

We also license you the right to use the service mark “ServizioSM,” but we do not have a federal registration for this service mark. Therefore, this service mark does not have as many legal benefits and rights as a federally registered service mark. If our right to use the service mark is challenged, you may have to change to an alternative service mark, which may increase your expenses.

Under the License Agreement, YESCO Administration has licensed us the right to use the Marks, including the principal Marks listed above, and to sublicense the use of the Marks to operate Businesses, until March 28, 2031. YESCO Administration may terminate the License Agreement if we declare bankruptcy, for an unauthorized transfer, or if we fail to cure a breach under it within 30 days of YESCO Administration’s notice to us of that breach. Breaches under the License Agreement include our failure or refusal to perform a required duty under the License Agreement and our use of the Marks in a manner that violates YESCO’s standards for use the Marks. If the license agreement is terminated, any then-existing sublicenses (franchises) will continue for the current term of the sublicenses, provided that the franchisees comply with all other terms of their franchise agreements. The License Agreement contains no other limitations.

You must follow our rules when you use the Marks. You are prohibited from using any name or Mark as part of any corporate name or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we license to you). In addition, you may not use any name or Mark in connection with the sale of any unauthorized product or service or in any other matter not specifically authorized in writing by us.

There are presently no effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court; or any pending infringement, opposition, or cancellation proceeding respecting the Marks. In addition, there is no pending material federal or state court litigation regarding our or YESCO Administration’s ownership of the Marks. Other than as described above, there are no currently effective agreements that significantly limit our rights to use or license the use of the Marks.

We have the right to control any administrative proceedings or litigation involving a Mark licensed by us to you. If you learn of any claim against you for alleged infringement, unfair competition, or similar claims about the Marks, you must promptly notify us. We will take the action we deem necessary. We will not indemnify you for any action taken against you by a third party based solely on alleged infringement, unfair competition, or similar claims about the Marks. We have no obligation to defend or indemnify you if the claim against you is related to your use of the Marks.

We have the right to require you to modify or discontinue your use of any of the Marks. If, we exercise this right, you must use the substitute Marks, at your expense, within 20 days after receipt of our written notice.

There may be infringing uses or superior previous rights that may materially affect your use of the Marks in the Territory and said infringement may materially impact the ability of the Business to continue to operate as a franchisee.

ITEM 14

PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We do not own any patents or patent applications that are material to the franchise.

We do, however, own proprietary rights in a number of trade-secrets, among them being our software solutions, all information, knowledge, and know-how not generally known in the sign and lighting service business, standards, specifications, systems, procedures and techniques, including our Manuals, the YESCO Software, accounting and management techniques and systems. We require that you maintain the confidentiality of each component of the System, YESCO Software, our Marks and our copyrighted materials, and that you adopt reasonable procedures to prevent unauthorized disclosure of any such information.

If you learn of, or believe that any other person or entity is using our Marks, any component of the System, or any of our copyrighted materials without our permission, you must immediately notify us in writing. We will take any action that we deem appropriate.

You may never during the term of the Franchise Agreement, or at any time after the termination or expiration of the Franchise Agreement, reveal any of component of our System to any person or entity, and you cannot use it for any other business. You may not copy any portion of the System, YESCO Software, or the Marks unless we specifically authorize it in writing. ITEM 18

PUBLIC FIGURES

There is no compensation or other benefit given or promised to any public figure arising from either the use of the public figure in the name or symbol of the Franchise, or the endorsement or recommendation of the Franchise by the public figure in advertisements. There are no public figures presently involved in our management.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchise and/or franchisor-owned businesses if there is a reasonable basis for this information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in ITEM 19 may be given only if: (1) a franchisor provides the actual records of an existing business you are considering buying; or (2) a franchisor supplements the information provided in this ITEM 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The data presented in this ITEM 19 reflects information from the 56 franchised YESCO® businesses (50 in the United States and 6 in Canada) that were open and continuously operated by franchisees during the period from January 1, 2022, to December 31, 2022 (the "**Franchised Businesses**"). Open and continuously operated is defined as achieving monthly Gross Revenue (see note #1 below) of \$1,000 or more in 10 or more of the 12 months during the period noted above. We excluded 2 franchised YESCO® businesses because they did not meet the definition of being open and continuously operated during 2022. In addition, we combined the information of 2 franchised YESCO® businesses in Arkansas for purposes of this ITEM 19. The 2 franchised businesses have Territories which are contiguous, have the same Primary Owner and Principal Operator, and report consolidated financial statements. However, we list them as separate franchised YESCO® businesses in Item 20 and Exhibit H because they have different owner groups. No franchised YESCO® businesses closed during 2022 after being open less than 12 months.

As further described in ITEM 20, there were 59 franchised YESCO® businesses operating as of December 31, 2022 (52 in the United States and 7 in Canada). As further described in Item 1, the franchised YESCO® businesses located in Canada are operated under franchise agreements with our Affiliate YESCO Canada.

The term "**Franchised Business**" refers to each franchised YESCO® business that operates independently and provides financial reports to us as a single, consolidated operation. "**Territory**" means the specific geographic area within which a Franchised Business is granted the right to operate, with the understanding that a Franchised Business may consist of more than one Territory (see ITEM 12 and ITEM 20 and Exhibit H). As noted in Table 5 and Exhibit H of this Disclosure Document, a number of franchisees have multiple Territories.

Tables 1-7 below provide certain information relating to the Franchised Businesses for the 2022 calendar year.

All dollar amounts in Tables 1-7 below are in U.S. dollars. Revenue for the Franchised Businesses located in Canada has been converted from Canadian dollars to U.S. dollars based on the Bank of Canada daily close exchange rate (www.bankofcanada.ca/rates/exchange). For weekends and holidays, the exchange rate for the first previous day with a reported daily close exchange rate was used.

Except as described above, the data in this ITEM 19 for the Franchised Businesses is based on information each respective franchisee reported to us. We have not audited or verified this information.

Notes to Tables:

- (1) Gross Revenue. “Gross Revenue” is calculated using the definition of Gross Revenue in ITEM 6 and is calculated only on the sign, lighting, and maintenance services provided by the Franchised Businesses.
- (2) Quartile. The Franchised Businesses were divided into four categories based on the amount of Gross Revenue and are classified as: Top Quartile, Second Quartile, Third Quartile and Bottom Quartile. The reported average value for each of the categories was calculated by adding the value of all Franchised Businesses within each quartile and dividing by the total number of Franchised Businesses within such quartile. These same quartiles based on the amount of Gross Revenue described in Table 1 above also were use for Tables 3-7 above.

- (3) YESCO National Service (YNS). This is a division of the company focused on service and support of customers with physical locations in multiple franchised and/or affiliate-owned territories to centrally manage sign and lighting service for their locations. Bids are coordinated through YNS with input from the franchised and affiliate-owned businesses and awarded work is then directed to the respective locations.
- (4) Time in Business. “Time in Business” is measured in relation to the first complete calendar month of operation with recorded Gross Revenue as a YESCO Franchised Business which is defined as “Month 1.” “Month 2” is the next consecutive calendar month after Month 1, and so forth. “Year 1” is defined as the total of the first twelve consecutive calendar months beginning with Month 1. “Year 2” is the next 12 calendar months after Year 1, and so forth.
- (5) Daily Leads. These figures are the total number of unique patrol records logged in a year for the same Franchised Business divided by 250 working days per year.
- (6) Sales Activities. A record denoting a scheduled or completed communication (including but not limited to phone, email, fax or written letter) associated with a lead or customer.
- (7) Average Gross Revenue per Invoice. These figures are calculated by dividing the yearly average Gross Revenue by the total number of Invoices produced in a year for the same Franchised Business.
- (8) Invoices. The total number of unique invoice records logged in a year for the same Franchised Business.

We recommend that you make your own independent investigation to determine whether or not to purchase this franchise, and consult with an attorney and other advisors before signing any Franchise Agreement. The information in the tables above do not reflect the following: (i) selling expenses like commissions, sign patrol or sales administration; (ii) office expenses like accounting, billing costs and postage; (iii) indirect operating expenses like building rental, utilities, and security expenses not directly related to operations; (iv) truck operation expenses like depreciation, fuel, registration, and truck repairs; (v) advertising and marketing costs; or (vi) other costs or expenses that must be deducted from Gross Revenue to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating the Business. You are responsible for developing your own business plan for the Business.

Some Franchised Businesses have earned these amounts. Your individual results may differ. There is no assurance you’ll earn as much.

Written substantiation for the information provided in this ITEM 19 will be made available to you upon written request.

Other than the preceding financial performance representation, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised businesses. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing business, however, we may provide you with the actual records of that business. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Samuel Fisher at 2401 Foothill Drive, Salt Lake City, Utah 84109, 801.464.4600 or sfisher@yesco.com, the Federal Trade Commission, and the appropriate state regulatory agencies

ARTICLE 2

GRANT OF FRANCHISE; TERRITORY RESERVATIONS OF RIGHTS; AND TERRITORY SALES QUOTA

2.1 Grant of Franchise

Subject to the provisions in this Agreement, we grant to you, and you accept, the non-exclusive right to use the Marks, YESCO® Software, and System in connection with the establishment and operation of a Business within the Territory. You agree to use the Marks and the System as they may be changed, improved, and further developed by us and/or our Affiliates, only in accordance with the terms and conditions of this Agreement.

2.2 Scope of Franchise Operations

You will continuously use your best efforts to promote and operate the Business. You will utilize the Marks, System, and Manuals to operate all aspects of the Business in accordance with the methods and systems we develop and prescribe from time to time. As further described in Section 10.2, you will offer and sell from or through the Business the Authorized Products and Services. You are restricted from offering or selling any other products or services in connection with the Business, YESCO® Software, System or Marks unless previously approved by us in writing.

2.3 Territory

2.3.1 The Parties agree on the non-exclusive Territory identified in Exhibit B. Once established, the boundaries of the Territory will not be adjusted without our prior written consent regardless of whether the number of businesses in the Territory increases or decreases, or other factors relating to the Territory change, over time. Except as described in Section 2.3.2, your Business will not be insulated or protected from competition from any other YESCO® businesses using the System.

2.3.2 Although the license granted by us to you is non-exclusive during the Initial Term and any Interim Period, so long as you are in compliance with all of your obligations under this Agreement and subject to our reservation of rights described in Sections 2.4 and 2.5, we will not establish any company-owned or Affiliate-owned YESCO® businesses, or grant an additional franchised YESCO® business in the Territory, under the Marks or any other trademark for a business offering the Authorized Products and Services.

2.3.3 You may not advertise, conduct sign patrols, solicit business or otherwise operate the Business outside your Territory except under the following circumstances:

a) You have our prior written consent, which we have the right to withhold for any or no reason; or

b) You receive a Lead (defined in Section 5.5 below) from outside of your Territory that is not the result of advertising or solicitation of business by you, or you have an existing client that requires Authorized Products and Services, and the work: (i) will be performed by you in the United States, (ii) is not within a territory that already has been assigned to another franchisee, us or our Affiliates, (iii) does not require the use of a subcontractor, and (iv) does not require one-way travel time in excess of three hours.

You must comply with all policies and procedures we periodically establish regarding operation outside of your Territory, as set forth in the Manuals or otherwise in writing. You acknowledge and agree that these policies and procedures may require you to pay compensation and/or fees to us, our affiliates and other YESCO® franchisees if you violate them.

2.3.4 The license for the Territory granted to you under this Agreement is personal in nature. Except as stated in this Section 2.3, the license granted to you under this Agreement does not include the right to offer or sell any services or products identified by the Marks, or any other names, trademarks, service marks, logos or other commercial symbols outside the Territory, or through any “other channels of distribution” or “other methods of distribution” (as described in Section 2.4) within or outside the Territory.

2.3.5 Except to the extent you may subcontract certain services you provide to your customers in accordance with the terms of this Agreement, you may not subfranchise or sublicense any of your rights under this Agreement.

2.3.6 Except as stated in this Section 2.3, there is no exclusive right to any territory, and you acknowledge and agree that you do not have any right to exclude, control or impose conditions on our development of future franchised, company-owned or Affiliate-owned YESCO® businesses at any time or at any location.

2.4 Reservation of Rights

We reserve any and all rights not expressly granted to you under this Agreement. Without limiting the preceding sentence, we (for ourselves and our Affiliates) specifically reserve the right, from any location at any time, without any compensation to you or any other franchisee and regardless of whether it competes with the Business to:

2.4.1 own and operate, and grant franchises or licenses to others to own and operate, YESCO® businesses outside the Territory;

2.4.2 own and operate, and grant franchises or licenses to others to own and operate, YESCO® businesses within the Territory if you fail to meet a TSQ, as further described in Section 2.5, or if you fail to pay Royalty Fees when due as described in Section 4.3;

2.4.3 own and operate, and grant franchises or licenses to others to own and operate, any business of any kind, other than a business located within your Territory selling the Authorized Products and Services (except as described in Section 2.3.2 or otherwise in this Section 2.4), under the Marks or any names, trademarks, service marks, logos and other commercial symbols other than the Marks, at any locations within or outside your Territory;

2.4.4 use the Marks and the System to offer, sell or distribute or grant franchises or licenses to others to offer, sell or distribute any products or services (which may be similar to the Authorized Products and Services) through any alternate channels of distribution or other methods of distribution at any location within or outside of the Territory. “Other channels of distribution” mean any channels of distribution other than the operation of a YESCO® business and include without limitation hardware stores, big box stores and other locations where products are sold. “Other methods of distribution” include without limitation wholesale, resale, the Internet (or any other existing or future form of electronic commerce, catalogs, mail order and television);

2.4.5 grant licenses or other rights to others to use the YESCO® Software, or software similar to the YESCO® Software, for purposes of operating businesses other than providing the Authorized Products and Services in the Territory;

2.4.6 offer, sell, and distribute the Authorized Products and Services in combination with other products and services;

2.4.7 acquire businesses that are the same as or similar to the Business or other YESCO® businesses and operate such businesses regardless of where such businesses are located, and to be acquired by any third party which operates businesses that are the same as or similar to the Business or other YESCO® businesses regardless of where such businesses are located;

2.4.8 advertise the System and the Authorized Products and Services on the Internet (or any other existing or future form of electronic commerce) and to create, operate, maintain and modify, or discontinue the use of websites using the Marks;

2.4.9 service, or license or allow others (including without limitation other YESCO® franchisees not located within the Territory and third party subcontractors located within or outside the Territory) to service any Lead (as described in Section 5.5 below) within the Territory that we or our Affiliates or other YESCO® franchisees provide to you that: (i) you reject or fail to pursue in a time frame that we determine; (ii) to whom you fail to properly provide requested services; (iii) you are unable to service because you lack the necessary qualifications or resources as we or our Affiliate determine (including, without limitation, lacking the necessary qualifications to participate in the National Accounts Program); or (iv) a customer specifically requests that we or another YESCO® franchisee, an Affiliate, or subcontractor service that Lead.

2.5 Modification of Territory; Territory Sales Quota

You will be responsible for producing a minimum of \$400,000 in Gross Revenue within the first 24 months of operation, and a minimum of \$250,000 in Gross Revenue for each 12-month period thereafter (each minimum referred to as a “**Territory Sales Quota**” or “**TSQ**”). If you fail to meet a TSQ, we have the right to terminate this Agreement or, in our sole discretion, reduce the geographic size of the Territory to an area we determine that you can appropriately service, establish a company-owned or Affiliate-owned YESCO® business, or grant an additional franchised YESCO® business, in the Territory, and/or disqualify you from participation in the National Accounts Program. **THE INCLUSION OF THE TSQ IS IN NO WAY INTENDED TO IMPLY THAT YOU WILL EXPERIENCE GROSS REVENUE OF ANY PARTICULAR LEVEL.**

ARTICLE 3

OFFICE, SOFTWARE AND EQUIPMENT

3.1 Business Office Location

3.1.1 You will operate the Business from office space located in a commercial/industrial area within the Territory (“**Office**”). The Office must comply with our office brand standards. Before opening your Office, you must purchase our then-current office branding package (“**Office Branding Package**”) through our marketing portal. You will pay the then-current fee for the Office Branding Package. The Office may be of any size that you determine at any location

within your Territory. We or our designees have the right to inspect the Office to ensure that it meets these minimum standards. If it does not, we reserve the right to require changes. There are no other requirements for any such office space. Notwithstanding the above, you may locate your Office in your home for start-up period only, which period may not exceed six months after you commence operations of your Business.

3.1.2 You agree that you have the sole responsibility for selecting the location of your Office and that we make no promise, warranty or guaranty of any kind about the Office location, or the success or profitability of the Business.

3.1.3 You will prevent the use of the Office for illegal purpose or for any other purpose, business activity, use or function that is not expressly authorized by this Agreement. In addition, you agree to obtain, repair, maintain and replace all equipment, signs and other Office items at your sole cost.

3.1.4 You must open the Office and begin operating your Business within 90 days of the Effective Date. We may extend this period if you request an extension of time (not to exceed 30 days) from us at least five days before the end of the 90-day period, but are not obligated to do so.

3.1.5 If you fail to open or find an Office within the time provided in this subsection, we will have the right to terminate this Agreement.

3.2 Relocation

You may relocate the Business to another Office anywhere within the Territory. You must notify us of the physical address of your location, including the physical address of any relocation site within the Territory at least ten business days prior to relocating. Your new Office location must meet our then-current standards and specifications.

3.3 Furniture, Fixtures, Signs, and Equipment

You must purchase or otherwise obtain for use in the Business all equipment that complies with our standards and specifications. You acknowledge and agree that the type, quality, configuration, capability, and/or performance of the same are all standards and specifications which are a part of the System, and therefore each must be purchased, leased, or otherwise be obtained in accordance with our standards and specifications and only from us, our Affiliates, or suppliers or other sources designated or approved by us, all as may be more fully set forth in the Manuals or otherwise in writing.

You will ensure that the Office is wired for Internet access via a high-speed connection. You must maintain your Internet service at all times and must permit us the right to access your computers and network for any reasonable business purpose.

You will purchase signs for the Office. The signs shall be paid for by you and approved by us prior to purchase.

Your service vehicles must meet our standards as set forth in the Manuals. You will paint and mark all of your service and sign patrol vehicles in accordance with our vehicle graphic standards as set forth in the Manuals at your expense.

3.4 YESCO® Software, Third-Party Software, and Hardware

3.4.1 You are granted a license for the entire suite of applications comprising the YESCO® Software for up to ten users at no charge to you. You may assign each license to users that are employed by you. You may not assign any user licenses to subcontractors, independent contractors, or other third parties without our prior written consent, which we have the right to deny for any or no reason. You may not sublicense the YESCO® Software or allow any third-party to use the YESCO® Software.

3.4.2 You may only use the YESCO® Software in connection with providing the Authorized Products and Services.

3.4.3 You may not modify, decompile, alter, reverse engineer, or alter the YESCO® Software and you may not permit or assist anyone else in doing the same.

3.4.4 We have the right to charge a per user subscription fee of up to \$100 per month for each YESCO® Software user in excess of ten users. Such fees shall be added to and paid according to the same terms as the Royalty Fee (defined below). We have the right to charge you \$150 per email user and per archived email account per year. We further have the right to charge you 25 cents per gigabyte per month of data storage that you use in connection with the enterprise software systems and the YESCO® Software. We reserve the right to increase these fees at the same rate that our third-party email and data storage providers increase their fees to us or our Affiliates and you will be liable for the additional increases upon 30 days written notice to you.

3.4.5 You must purchase the equipment, computer systems, wireless devices, cell phones, and other hardware (“**Hardware**”) and other third-party software we require in order to operate the YESCO® Software and Business, as described in the Manuals. Although we do not now, we have the right to require you to purchase Hardware components from us, and we may receive certain fees and commissions from the vendor of the same, which we will disclose to you.

3.4.6 You must maintain the YESCO® Software and third-party software with all updates, patches, and material upgrades.

3.4.7 We do not now, but reserve the right in the future to require you to purchase from us new YESCO® Software applications for use in the Business. We will notify you in writing of the implementation of this requirement, and you will have a reasonable time (not to exceed 60 days) within which to purchase and install the same. We have the right to charge you a subscription fee for the new YESCO® Software on a per application or package basis at the rates set forth in our then current Franchise Agreement.

3.4.8 We have the right at any time to change or substitute the Hardware, YESCO® Software, or the third-party software and will notify you in writing of the same after which you will have a reasonable amount of time (not to exceed 60 days) within which to make the changes at your expense; however, we will not require you to purchase a new computer any more often than once every two years.

3.4.9 You will maintain current records of the Business as required under this Agreement, the Manuals, and applicable laws and regulations, and securely backup electronic files and records at least once a week.

3.5 Before you Commence Operations

Before you commence operations of the Business, you must:

- a) subscribe to our designated Internet website(s), enterprise software programs, and enterprise email system, which will, among other things, provide you with “yesco.com” email addresses for each of your employees, and which will provide you with the posting of your contact information, on the website or page, including your address, phone number, fax number and email address for your Office in the Territory. - f) obtain our approval for commencing operations of your Business.

ARTICLE 4

FEES AND PAYMENTS

4.1 Initial Franchise Fee

You must pay to us an initial franchise fee (“**Initial Franchise Fee**”) of \$50,000, by wire transfer, when you sign this Agreement. You acknowledge and agree that the Franchise Fee has been fully earned by us by the grant of this franchise. The Initial Franchise Fee is not refundable, in whole or part, under any circumstances unless we terminate this Agreement because of a reason set forth in Section 12.1.14. We will notify you in writing that we are exercising our right to terminate this Agreement pursuant to Section 12.1.14, in which case we will refund to you 40% of the remaining Initial Franchise Fee, after we pay any fees or commissions that are not refundable, within 30 days of our notice of termination.

4.2 Gross Revenue

The term “Gross Revenue” means the aggregate amount of the total sales and receipts from the sale of all services and goods whether or not actually collected by you or by us, whether for cash, check, on credit, bartered or otherwise, at, from or in connection with the Business or the Marks, regardless of whether such services and goods are Authorized Products and Services. Gross Revenue excludes any federal, state or municipal or other sales tax or any similar tax on the supply of goods and services collected from customers at the point of sale and paid by you to appropriate tax authorities. For purposes of fees charged in this ARTICLE 4, a sale is made to a customer at the

earlier of the customer's payment for the services and goods (whether paid in full or in part) or when the services and goods are provided.

4.3 Royalty

You will pay us a royalty ("**Royalty Fee**") of either \$1,000 per month or 6% of Gross Revenue, whichever is greater. The Royalty Fee is due and payable on or before the 15th day of each month based on the Gross Revenue for the previous month, pursuant to the method of payment we designate, as further described below in this ARTICLE 4.

4.4 Electronic Transfer of Funds

4.4.1 You must sign the electronic funds transfer ("**EFT**") Authorization Agreement for Preauthorized Payment Services authorization attached as Exhibit C, as well as any other documents we periodically designate or approve, to authorize your bank to transfer, either electronically or through some other method of payment we designate or approve, directly to our or our Affiliates' account and to charge your account all amounts due to us or our Affiliates from you. Your authorization will permit us or our Affiliates to designate the amount to be transferred from your account. You must maintain a balance in your account sufficient to allow us and/or our Affiliates to collect the amounts owed when due. You are responsible for any penalties, fines or other similar expenses associated with the transfer of funds described in this Section. You agree to sign all documents we designate in accordance with this Section no later than ten days prior to the date you commence operating the Business.

4.5 Computation and Remittances

4.5.1 We will compute the amount of Royalty Fees due and owing to us at the end of each calendar month's operation and collect these amounts from your account, electronically or through some other method of payment we designate, on the day the Royalty Fees are due. We may also collect from your account, electronically or through some other method of payment we designate, any other amounts that become due and owing to us under this Agreement, including without limitation National Advertising Fees, interest charges and services charges. All calculations will be based on figures you provide to us and/or we acquire electronically or otherwise. You must certify the computation of the amounts in the manner and form we specify, and you must supply to us any supporting or supplementary materials as we require to verify the accuracy of amounts we collect from your account. If you do not provide us with required Gross Revenue reports as required under Section 10.1, we have the right to estimate the Business' Gross Revenue for the missing period and collect from your account an amount equal to the Royalty Fees that would be due based on such estimation. In making our estimate, we may consider prior Gross Revenue reports that we received from you, any system-wide averages and other pertinent information available to us. Further, if you are delinquent in the payment of any amounts owed to us, we have the right, without prejudice to any other rights or remedies we may have under this Agreement or any other agreements between us, to require you to prepay estimated Royalty Fees. We have the right to change the method of payment of Royalty Fees and any other fees due to us and our Affiliates under this Agreement at any time upon 30 days' written notice to you.

4.6 Application of Payments

We have the right to apply or cause to be applied against amounts due to us or any of our Affiliates any payments received from you or any indebtedness that we or our Affiliates owe to you. Notwithstanding any designation by you as to the application of your payment, we have the right to allocate any payments you make to us or our Affiliates first to any late fees and interest you owe to us and our Affiliates, then to any Royalty Fees or other fees or expenses which are past due, and then to the current Royalty Fees and other fees you owe. The allocation we make pursuant to this Section will not serve to postpone any payments that are due on any current or future due date.

We will also have the right to allocate in the same manner as stated above in this Section any payments or any credits from third-party vendors which are delivered to us or our Affiliates on your behalf. To the extent necessary to carry out the intent of this Section, you hereby appoint us and our Affiliates as your attorney-in-fact and grant us and our Affiliates a power of attorney for the sole purpose of allocating any such funds received. This power of attorney shall continue throughout the term of this Agreement, any extension thereof, and, if applicable, after the termination of this Agreement, but in the latter case, only to the extent that you still owe money to us or our Affiliates from your operation of the Business.

4.7 Withholding Payments Unlawful

You agree that you will not withhold payment of any Royalty Fees, National Advertising Fees or any other amount due to us or our Affiliates under this Agreement, and that the alleged non-performance or breach of any of our obligations under this Agreement or any other agreement does not establish a right at law or in equity to withhold payment to us of Royalty Fees or National Advertising Fees, or payment of any other amounts due to us or our Affiliates under this Agreement. In addition to our other rights and remedies available under this Agreement, we have the right to suspend any of our obligations under this Agreement in the event you fail to make a payment to us when due.

4.8 Interest Charges; Late Payment Service Charges

Any and all amounts that you owe to us or our Affiliates will bear interest at the rate of 1½% per month or the maximum contract rate of interest permitted by governing law, whichever is less, from and after the date of accrual. In addition to interest charges on late payments, you must pay to us a service charge of up to \$50 for each delinquent payment, due when the delinquent payment is due, and up to \$50 for each delinquent report, due when the delinquent report is due. We have the right to continue to charge a late fee for each day that each payment or report remains delinquent. A payment is delinquent for any of the following reasons: (i) we or our Affiliate do not receive the payment on or before the date due; or (ii) there are insufficient funds in your bank account to collect the payment by a transfer of funds on or after the date due. A report is delinquent if we do not receive it on or before the due date and remains delinquent for each day until we receive it. The service charge is not interest or a penalty, it is only to compensate us for increased administrative and management costs due to late payment or reporting. You acknowledge and agree that this Section does not constitute our or our Affiliates' agreement to accept such payments after they are due or a commitment to extend credit to or otherwise finance the operation of the Business. The collection of any late fee and the acceptance of any late payment will not diminish our or our Affiliates' right to any other remedies available under this Agreement.

4.9 Payment of Debts

You agree to pay promptly when due: (i) all payments, obligations, assessments and taxes due and payable to us and our Affiliates, vendors, suppliers, manufacturers, distributors, landlords, lessors, federal, state and local governments, and creditors in connection with your Business; (ii) all liens and encumbrances of every kind and character created or placed upon or against any of the property used in connection with the operation of the Business; and (iii) all accounts and other indebtedness of every kind incurred by you in the operation of the Business. In the event you default in making any such payment, you must notify us within 30 days and we are authorized, but not required, to pay the same on your behalf and you agree promptly to reimburse us on demand for any such payment.

ARTICLE 5

ADVERTISING

5.1 Local Advertising

5.1.1 You must use your best efforts to promote and advertise the Business and must participate in all advertising and promotional programs we establish in the manner we direct. You must use only such advertising materials as we furnish, approve or make available, and the materials must be used in the manner we prescribe. In addition, any promotional activities you conduct in connection with the Business are subject to our approval. You must obtain our written approval of all marketing, advertising, and promotional materials before use. You must submit to us such materials 15 calendar days before use. If you do not receive written notice from us within 15 calendar days, it is deemed disapproved.

5.1.2 In addition to your obligations described in Sections 5.2 and 5.6, you must spend at least 2% of your Gross Revenue each calendar year on approved local advertising and marketing activities (“**Local Advertising Fee**”). We reserve the right to increase the Local Advertising Fee up to 3% of the Gross Revenue, upon 60 days’ written notice to you. We encourage you, however, to spend additional amounts on local advertising and marketing activities beyond the annual minimum amounts required under this Agreement. In calculating the applicable annual minimum amount, the Parties agree to use pro rata calculations for any partial calendar years. On or before January 31 of each year, you will provide us with an accounting of the funds that you have spent on approved local advertising and marketing activities for the preceding calendar year. If you fail to spend the minimum amount required under this Section for any calendar year, we have the right to require you to pay us the difference between what you should have spent on approved local advertising and marketing during that year and what you actually spent on those items during that year. We will deposit any such amounts in the National Advertising Fund, if we have established one, or use them to cover the cost of advertising, marketing or promotional activities reasonably related to the System, if we have not established a National Advertising Fund.

5.1.3 You must place line ads in the yellow pages in the Territory once each calendar year and maintain a listing in the white pages of the principal telephone directory in the Territory and/or any other established local listing service we designate. The cost of these items will be credited toward your Local Advertising Fee described in Section 5.1.2.

5.2 National Advertising

5.2.1 We have the right to establish and operate separate National Advertising Funds for the United States and Canada, or a National Advertising Fund that is for both the United States and Canada (“**National Advertising Fund**”). Upon 30 days’ written notice to you, we may require you to participate in a separate National Advertising Fund for the United States or in a National Advertising Fund that is for both the United States and Canada, or to switch from one of these National Advertising Funds to the other. You will not, however, be required to participate in more than one National Advertising Fund at the same time. If we have not yet established a National Advertising Fund that includes the United States as of the date you open your Business, you will not be required to pay us a National Advertising Fee (as defined in Section 5.2.3 below) until a National Advertising Fund that includes the United States is established. We will provide you with 30 days’ written notice of our intent to establish a National Advertising Fund that includes the United States.

5.2.2 If established, the National Advertising Fund will be utilized to market and enhance the products and services provided by YESCO® businesses across large geographic areas or targeted to customers or potential customers with a national presence. The National Advertising Fund will also be used for the creation of various advertising and promotional products. The media in which such advertising may be disseminated includes printed materials, outdoor advertising, posters, window clings, creation of radio and print on a local or regional basis. The advertising will be produced by us, our Affiliates, or an advertising agency.

5.2.3 You must contribute up to 3% of Gross Revenue to the National Advertising Fund (“**National Advertising Fee**”). Unless we otherwise direct, the National Advertising Fee will be due and payable in the same manner as the Royalty Fee. All National Advertising Fees you pay to us will be placed in an interest-bearing checking account, savings account, or any other account of our determination that we own and manage. YESCO® businesses owned by us or our Affiliates in the United States and Canada will contribute to any National Advertising Funds we establish at the same respective amount as similarly situated franchised YESCO® businesses in the United States and Canada based on Gross Revenue for all Authorized Products and Services. If at any time we decrease the rate of the National Advertising Fees franchised YESCO® businesses in the United States and Canada pay us, we have the right to make a similar respective decrease to the rate YESCO® businesses owned by us or our Affiliates in the United States and Canada contribute to the applicable National Advertising Fund. The term “National Advertising Fund” shall mean the National Advertising Fund that you are required to participate in, if any.

5.2.4 We have the right to determine the expenditures of the amounts collected and the methods of marketing, advertising, media employed and contents, terms and conditions of marketing campaigns and promotional programs. We have the right to make disbursements from the National Advertising Fund for expenses incurred in connection with the cost of formulating, developing and implementing marketing, advertising and promotional campaigns and materials, and any other activities we, in our sole judgment, believe are appropriate to enhance, promote and protect the YESCO® brand. Disbursements may include without limitation payments to us or our Affiliates for the expense of administering the National Advertising Fund, including without limitation reasonable salaries and benefits paid to our and our Affiliates’ employees, accounting expenses, administrative costs, costs allocated to any conferences, travel expenses and overhead. Disbursements also may include payments to us or designated website programmers for expenses relating to the

maintenance of our website(s), and payments to us or our Affiliates or designees for market research, surveys and testing and for secret shopper programs.

5.2.5 We make no guarantee to you or to any other franchisee that advertising expenditures from the National Advertising Fund will benefit you or any other franchisee directly or on a pro-rata basis. We assume no liability or obligation to you with respect to collecting amounts due to the National Advertising Fund or with respect to maintaining, directing or administering the National Advertising Fund. We have no obligation to spend any amount on advertising in your Territory. Notwithstanding the above, if we establish and operate a separate National Advertising Fund for the United States, we will use National Advertising Fees paid to that Fund for advertising expenditures reasonably intended to benefit some or all franchisees located in the United States. The National Advertising Fund is not a trust or escrow account, and we have no fiduciary obligations regarding the National Advertising Fund.

5.2.6 Upon your prior written request, we will make available to you, no later than 120 days after the end of each calendar year, an annual unaudited financial statement for the National Advertising Fund for the most recent calendar year. In addition, we have the right to spend in any fiscal year an amount greater or less than the aggregate contributions to the National Advertising Fund in that year and we or our Affiliates have the right to make loans to the National Advertising Fund bearing interest to cover any deficits of the National Advertising Fund and cause the National Advertising Fund to invest any surplus for future use by the National Advertising Fund. If we or our Affiliates make a loan to the National Advertising Fund, we may use any subsequent contributions to the National Advertising Fund to pay back the loan and any interest. Once established, we have the right to discontinue the National Advertising Fund, but will not do so until all of the monies in the National Advertising Fund have been expended or rebated to franchisees on a pro-rata basis.

5.2.7 We reserve the right, upon 30 days' prior written notice to you, to allocate all or a portion of the National Advertising Fund to a regional advertising program for the benefit of franchisees located within a particular region. We have the right to determine the composition of all geographic territories and market areas for the implementation of such regional advertising and promotion campaigns and to require that you participate in such regional advertising programs as and when we may establish them. If a regional advertising program is implemented on behalf of a particular region, we will only use contributions from franchisees within such region for the particular regional advertising program, to the extent reasonably calculable by us.

5.3 Cap on Required National and Local Advertising Fees

Although we have the right to require you to spend up to 3% of Gross Revenue on Local Advertising Fees and up to 3% of Gross Revenue on National Advertising Fees, the combined amount of Local Advertising Fees and National Advertising Fees we will require you to spend will not exceed 3% of Gross Revenue. We have the right to determine the allocation of advertising fees amongst Local Advertising Fees and National Advertising Fees at any time upon 60 days' written notice to you.

5.4 National Account Programs

Our Affiliate YESCO operates a lead management system for national accounts in the United States and Canada (“**National Accounts Program**”). The National Accounts Program is designed to address the needs of National Accounts Program Customers. “National Accounts Program

Customers” are customers who: (i) own (either themselves or through their affiliates) or have the ability to impose purchasing requirements on (like a franchisor who has the ability to impose purchasing requirements on its franchisees) multiple facilities with sign and lighting service and maintenance needs; (ii) desire to negotiate a single agreement for the delivery of Authorized Products and Services offered by YESCO® businesses to some or all of those facilities; and/or (iii) meet any other requirements we or YESCO periodically prescribe.

YESCO has the right to solicit and negotiate agreements with all current and potential National Accounts Program Customers, including without limitation current and potential National Accounts Program Customers with facilities located within your Territory, but neither YESCO, we nor our other Affiliates are obligated to negotiate or enter into an agreement with any current or potential National Accounts Program Customers. YESCO will manage the accounts and agreements with all National Accounts Program Customers. You acknowledge and agree that you may not negotiate agreements with current and potential National Accounts Program Customers within or outside your Territory.

You will be allowed to participate in the National Accounts Program, provided you satisfy, and continue to satisfy, our and YESCO’s qualifications for participation, which we and YESCO have the right to further develop and periodically modify. Without limiting the preceding sentence or the other requirements in this Section, your participation in the National Accounts Program is conditioned upon you (a) attending and completing to our or YESCO’s satisfaction all required training, (b) conducting sign patrols of National Accounts Program Customers, within the Territory as frequently as we or YESCO prescribe and in compliance with all sign patrol requirements set forth in the Manuals, (c) meeting your Territory Sales Quota, (d) being in and remaining in compliance with all other terms, covenants and conditions of this Agreement (including the payment on a timely basis of all Royalty Fees, National Advertising Fees and other fees due hereunder and the requirements of Section 2.3.3), (e) being in and remaining in compliance with all of the terms, covenants, and conditions of the Affiliate Services Agreement attached as Exhibit G, (f) not rejecting or failing to pursue more than two National Leads in any six-month period, and (g) properly providing requested services to National Accounts Program Customers in compliance with all customer requirements.

We and YESCO also have the right to require you to sign a national accounts program agreement with us or YESCO, in the form we or YESCO designate, as a condition of your participation, or continued participation, in the National Accounts Program. You understand that, for the National Accounts Program, we and/or YESCO have the right to: (i) establish the rules under which you, other YESCO® businesses, us and our Affiliates participate in it, including the compensation you and other participants will receive and circumstances under which compensation may be withheld (ii) receive compensation for YESCO’s solicitation or management of it, (iii) negotiate pricing for it, and (iv) terminate or modify it at any time. In addition, without limiting the other requirements in this Section, we and YESCO have the right to disqualify you from participation in the National Accounts Program if we or YESCO have evidence that you negotiated, or attempted to negotiate, an agreement with a current or potential National Accounts Program Customer within or outside your Territory, without our or YESCO’s prior written consent. In such case, we or YESCO may, upon notice to you, immediately disqualify you from participation in the National Accounts Program or terminate this Agreement pursuant to Section 12.1.

There is no guaranty that you will satisfy or continue to satisfy our or YESCO’s qualifications for participation in the National Accounts Program. In addition, even if you qualify for and participate

in the National Accounts Program, neither YESCO, we nor our other Affiliates guaranty the number of National Accounts Program Customers you may have the opportunity to work with or the level or percentage of Gross Revenue you may receive from National Accounts Program Customers. Further, one franchisee may have more National Accounts Program Customers and receive a higher level and percentage of Gross Revenue from National Accounts Program Customers than another franchisee.

If you receive a Lead (as defined in Section 5.5) for a National Accounts Program Customer facility located within the Territory from us or YESCO and (i) you are unable to service that Lead because you are not a qualified participant in the National Accounts Program (or we or YESCO have disqualified you from participating in it), (ii) you reject or fail to pursue that Lead, or fail to properly provide requested services to that Lead (even though you are a qualified participant in the National Accounts Program), or (iii) a customer specifically requests that YESCO or another YESCO® franchisee, an Affiliate, or subcontractor service that Lead, YESCO has the right to service, or license or allow others (including without limitation other YESCO® franchisees and subcontractors located within or outside of the Territory) to service that Lead.

5.5 Referral of Leads and Fees

Our marketing efforts, or the marketing efforts of our Affiliates or other franchisees may result in sales leads that have the possibility of generating opportunities to provide the Authorized Products and Services to customers within your Territory. Likewise, your marketing efforts may result in the generation of sales leads that have the possibility of generating opportunities to provide the Authorized Products and Services in a territory assigned to us, an Affiliate or another franchisee. Such sales leads are individually referred to as a “**Lead**.”

There is no guaranty that you will receive any Leads, or if you receive a Lead that it will result in the generation of Gross Revenue. Further, neither YESCO, we nor our other Affiliates guaranty the number or frequency of any such Leads, and one franchisee may receive more Leads than another franchisee.

You are required to refer to YESCO all Leads from current or potential National Accounts Program Customers (a “**National Lead**”). If you refer a National Lead located within the United States that is not from a current National Accounts Program Customer to YESCO, as we or YESCO direct, you will receive the then-current lead referral fee (“**National Lead Fee**”), which we and YESCO have the right to periodically modify, for that referral. As of the Effective Date of this Franchise Agreement, the National Lead Fee for National Lead referrals described in the previous sentence was equal to 1% of the aggregate amount of the total sales and receipts collected, whether for cash, check, on credit, bartered or otherwise, and which arise from the sale of Authorized Products and Services in connection with the particular National Lead you referred to YESCO, as YESCO or we directed, excluding any federal, state or municipal or other sales tax or any similar tax collected from the sales lead and paid to the appropriate tax authorities, for a period of one year from the date of the National Lead referral.

YESCO, at its option, will administer the sign and lighting service and maintenance work pursuant to any National Lead referrals it receives from you in accordance with the agreement that is executed between you and YESCO in the form of Affiliate Services Agreement attached as Exhibit G. YESCO will pay you for such work at the then-current rates, less an administrative fee of up to

6% on the amount received from any National Lead located within the United States (a “**National Lead Admin Fee**”).

As of the Effective Date of this Agreement, the following applies to non-National Accounts Program Customer Leads, except as described above. You may refer non-National Accounts Program Customer Leads to other franchisees, or to us or our Affiliates (as applicable) for potential sign and lighting service and maintenance work outside your Territory if the work is in the territory of another franchisee, us or our Affiliate. You also may receive non-National Accounts Program Customer Leads from other franchisees, or from us or our Affiliates (as applicable) for potential sign and lighting service and maintenance work within your Territory. If we or our Affiliates generate a non-National Accounts Program Customer Lead within your Territory, we will refer that Lead to you at no charge. Similarly, you agree not to charge a fee if you refer a non-National Accounts Program Customer Lead to us or our Affiliates. You may, however, negotiate the receipt or payment of lead fees for the referral of non-National Accounts Program Customer Leads between you and other franchisees in accordance with this paragraph.

Notwithstanding the paragraph above, we have the right, upon 30 days’ written notice to you, to periodically develop, modify and discontinue voluntary or mandatory Lead referral programs, which may require the payment of lead fees, through the Manuals or otherwise. You acknowledge and agree that you will participate in any mandatory Lead referral programs we develop. You also acknowledge and agree that we have the right to develop different Lead referral programs for YESCO® businesses located in the United States (as opposed to YESCO® businesses located in Canada and other countries) to take into account country-specific conditions, like the economy, culture, product and service availability and customs.

If you receive a Lead for a non-National Accounts Program Customer facility located within the Territory from us or our Affiliates or another YESCO® franchisee and (i) you reject or fail to pursue that Lead, (ii) you fail to properly provide requested services to that Lead, (iii) you do not have the qualifications or resources to properly provide requested services to that Lead, or (iv) a customer specifically requests that we or another YESCO® franchisee or subcontractor service that Lead, we have the right to service, or license or allow others (including without limitation other YESCO® franchisees not located within the Territory and third-party subcontractors located within or outside the Territory) to service that Lead.

5.6 Grand Opening Advertising

Within the 30-day period before and the 30-day period after commencing operations of your Business, you must spend at least \$1,000 to advertise the start up (“**Grand Opening**”) of the Business. We must approve of the advertising used in this program, which will include an email campaign and direct mailing campaign to a list of potential customers in the Territory, as well as print media advertising. Such expenditures are in addition to, not in lieu of, other advertising requirements set forth herein.

ARTICLE 6

TERM AND SUCCESSOR FRANCHISE RIGHTS

6.1 Effective Date and Term

6.1.1 The initial term of this Franchise Agreement shall be for a period of ten years from the Effective Date, unless terminated earlier (“**Initial Term**”). If we are required by law to give you notice before the termination or expiration of this Agreement, and if we fail to do so, this Agreement will remain in effect until we have given the required notice.

6.2 Successor Franchise Rights

At the end of the Initial Term you will have the option to renew your franchise rights for two additional five-year terms (each referred to as a “**Successor Franchise**”). If we continue to offer an early renewal program and you meet our then-current compliance, performance, and other qualifications for that renewal program, you will be able to renew this Franchise Agreement or any Successor Franchise Agreement according to the then-current early renewal program. Renewal of this Franchise Agreement, whether pursuant to the exercise of a five-year renewal term or pursuant to participation in the early renewal program is subject to the following conditions:

6.2.1 We have not exercised our right to refuse to offer a Successor Franchise Agreement, as permitted under Section 6.3;

6.2.2 You have remained in substantial compliance with all of the terms, covenants and conditions of this Agreement (including the payment on a timely basis of all Royalty Fees, National Advertising Fees, and other fees due hereunder) during the then-current term of this Agreement (the Initial Term or first Successor Franchise, as applicable);

6.2.3 You exercise the option to enter into a Successor Franchise Agreement by giving written notice of such exercise to us not earlier than one year or later than 180 days prior to the scheduled expiration of the then-current term;

6.2.4 You sign our then-current form of Successor Franchise Agreement that may contain materially different terms and conditions than this Agreement, including without limitation, higher Royalty Fees, National Advertising Fees, and other fees, and required guarantees of performance. In addition, we have the right in any Successor Franchise Agreement we offer to you to alter the boundaries of the Territory we granted to you during the then-current term in accordance with our then-current standards for granting territories, provided we will not, at the time of offering a Successor Franchise Agreement to you, decrease the size of your Territory to a geographic area that has a number of businesses less than the number of businesses at the time the original franchise was granted. You must sign and deliver the Successor Franchise Agreement to us no later than 45 days before the end of the then-current term. The Successor Franchise Term shall begin on the day following the end of the Initial Term, assuming we have signed it. If you do not deliver it to us, then you will be deemed to have withdrawn your decision to enter into a Successor Franchise Agreement, and such rights will thereafter no longer be available to you;

6.2.5 You sign a general release in the form we require;

6.2.6 You pay a Successor Franchise Fee of \$15,000 (“**Successor Franchise Fee**”) for each additional 5-year term. The Successor Franchise Fee is deemed to be earned when you pay it and is not refundable under any circumstances; and

6.2.7 Your Primary Owner, Principal Operator and any other of your employees we designate, comply with our then-current training requirements, at your sole expense.

6.3 Conditions of Refusal

We will not be obligated to offer you a Successor Franchise Agreement upon the expiration of this Agreement if you:

6.3.1 have not remained in substantial compliance with all terms, covenants and conditions of this Agreement (including the payment on a timely basis of all Royalty Fees, National Advertising Fees, and other fees due hereunder) during the then-current term of this Agreement;

6.3.2 fail to comply with any of the conditions necessary to obtain a Successor Franchise Agreement as described in Section 6.2;

6.3.3 are in breach of this Agreement at the time that you attempt to exercise your right to enter into a Successor Franchise Agreement; or

6.3.4 we have determined, in good faith and after using Reasonable Business Judgment, not to enter into a Successor Franchise Agreement with you.

In such event, we shall give notice of expiration at least 60 days prior to the expiration of the then-current term, and such notice shall set forth the reasons for such refusal to enter into a Successor Franchise Agreement.

6.4 Interim Period

If you do not sign a Successor Franchise Agreement prior to the expiration of this Agreement and continue to accept the benefits of this Agreement after the expiration of this Agreement, then, at our option, this Agreement may be treated either as (i) expired as of the date of expiration with you then operating without a franchise to do so and in violation of our rights; or (ii) continued on a month-to-month basis (“**Interim Period**”) until one Party provides the other with written notice of such Party’s intent to terminate the Interim Period, in which case the Interim Period will terminate 30 days after receipt of the notice to terminate the Interim Period. In the latter case, all your obligations will remain in full force and effect during the Interim Period as if this Agreement had not expired, and all obligations and restrictions imposed on you upon expiration of this Agreement shall be deemed to take effect upon termination of the Interim Period.

ARTICLE 7

7.1.2 You will only use the Marks, the YESCO® Software, and System as specified in the Manuals. MARKS, COPYRIGHTS, SYSTEM, AND CONFIDENTIAL INFORMATION

8.1 Marks and Copyrights

8.1.1 You agree that we or our Affiliates own each component of the System, including without limitation: the YESCO® Software, the Manuals, the standards and specifications necessary to operate the Business; the specifications for hardware and third-party software; marketing techniques; written promotional materials; advertising; and accounting systems. You acknowledge and agree that we and our Affiliates have valuable rights in and to each component of the System.

8.1.2 You also agree that our Affiliate owns the Marks and YESCO® Software and has authorized us, as its exclusive agent, to license the Marks and YESCO® Software to you.

8.1.3 We or our Affiliates further claim copyrights and copyright protection in and on all of the components of the System, including without limitation the Manuals and related materials, the YESCO® Software, training modules and techniques, our method of generating Leads, all advertisements in any medium including the Internet, and other promotional and written materials.

8.1.4 Along with the Marks, each and every component of the YESCO® Software and the System is our or our Affiliates' proprietary trade secret and Confidential Information. Any component of the System will be used by you only as described in this Agreement.

8.1.5 You and your Principal Owners and any other owners may never during the Initial Term or any Interim Period, or at any time after the termination or expiration of this Agreement, disclose any Confidential Information, including without limitation any component of the System or any copyrighted materials, to any person or entity, and you cannot use the Confidential Information for any other business.

8.1.6 You will not copy any portion of the System, YESCO® Software, Marks, or any portion of the copyrighted materials unless we specifically authorize it in writing, and said authorization may be granted or denied for any reason or for no reason at all. If you are a business entity, then your officers, directors, Principal Owners and all other owners, Principal Operator, and all others who may take an active role in the operation of the Business must sign nondisclosure and confidentiality agreements and non-competition agreement, in the form we designate. A copy of our current form Confidentiality and Non-Competition Agreement is attached as Exhibit D, although we have the right to periodically modify this form document.

8.1.7 You agree that you have not acquired and will not acquire in the future any right, title, or interest in any component of the System, YESCO® Software, Manuals, Marks or any portion of the copyrighted materials, except as permitted by this non-exclusive license.

8.1.8 You will not: (a) directly or indirectly contest nor aid in contesting the validity of the ownership of the Marks or the YESCO® Software; (b) nor in any manner interfere with or attempt to prohibit our or our Affiliates' use of the Marks, the YESCO® Software, any component of the System or derivatives thereof, any of the copyrighted materials or any other name that is or becomes a part of our System; or (c) interfere with the use of the Marks or the YESCO® Software by our other franchisees or licensees at any time.

8.1.9 You may from time to time create, invent, fashion and otherwise propose changes to the Marks, the YESCO® Software or the System which will have the effect of improving the same (“**Improvements**”). You will notify us of all such Improvements and you agree that we and our Affiliates have the perpetual right to use and authorize others to use the Improvements without any obligation to you for royalties or other compensation. You also agree, upon our request, to assign to us or our Affiliates, as we designate, all right, title and interest in and to the Improvements, including the right to grant sublicenses to any of the Improvements. We and our Affiliates have the right to make application for and own copyrights, patents, trade names, trademarks and service marks relating to any of the Improvements and you shall cooperate with us and our Affiliates in securing those rights. In return, we and our Affiliates will allow you to utilize any Improvements that other franchisees develop and we authorize for use in the System.

8.2 Infringement

8.2.1 You will notify us in writing of any possible infringement of the Marks, YESCO® Software, any component of the System, and any part of the copyrighted materials or the illegal use by others of any Mark, any portion of the System, or any copyrighted materials that may be the same as, or confusingly similar to, that used by us.

8.2.2 You agree that we have the right to determine whether any action will be taken on account of any possible infringement or illegal use. We have the right to commence or prosecute such action in our own name and may join you as a party to the action if we determine it to be reasonably necessary for the continued protection and quality control of the Marks, YESCO® Software, and each component of the System. You must fully cooperate with us in any such litigation. In addition, there may be infringing uses or superior previous rights that may materially affect your use of the Marks in the Territory and said infringement may materially impact the ability of the Business to continue to operate as a franchisee.

8.3 Business Name

You agree that we and our Affiliates have a prior and superior claim to each portion of the Marks. You will not use the phrase “YESCO,” “Expert Sign and Lighting Service.....It’s What We Do,” or any portion of the Marks in the legal name of your corporation, partnership, or any other business entity used in conducting the business provided for in this Agreement. You also agree not to register or attempt to register a trade name with a state division of corporations or similar state authority or register or attempt to register an internet domain name using the Marks or anything confusingly similar to the Marks in your name or that of any other person or business. You may do business as “YESCO” so long as this is only an unregistered “doing business as” or fictitious name and not part of the business entity or your name, and may not use another name without approval from us. You may list “YESCO” or the Marks as unregistered “doing business as” or fictitious names with your banking institution(s) for the purpose of authorizing your financial institution(s) to process payments for your YESCO® Business and for other banking purposes necessary for the operation of your YESCO® Business.

8.4 Use and Change of Marks

8.4.1 If we or YESCO Administration determines it necessary to modify or discontinue use of any proprietary Marks, the YESCO® Software or to develop additional or substitute

marks or software, you will, within 20 days after receipt of written notice of such a modification or discontinuation from us, take such action, at your sole expense, as may be necessary to comply with such modification, discontinuation, addition, or substitution.

8.4.2 You agree that we have the sole right to license and control your use of the names, Marks, the YESCO® Software, other logos, and copyrighted material associated with the System, including the Manuals and Marks. You also agree that you have not acquired any right, title, or interest in the Marks or the YESCO® Software or any of our intellectual property.

8.4.3 Except for the limited instances described in Section 2.3.3, you have the right to use the Marks and the YESCO® Software only in the Territory and only for so long as you shall fully perform and comply with all of the conditions, terms, and covenants of this Agreement and the policies and procedures that we may periodically prescribe.

8.4.4 All other use of the Marks in advertising must be with our prior written approval as set forth in this Agreement and in the Manuals.

8.4.5 You further agree to execute any and all additional documents and assurances in connection with the Marks as reasonably requested by us and agree to fully cooperate with us or any of our other franchisees or licensees in securing all necessary and required consents of any state agency or legal authority for the use of the Marks or any other names that are or become a part of the System.

8.4.6 Any and all goodwill associated with the Marks, the YESCO® Software and the System, including any goodwill that might be deemed to have arisen through your activities, shall inure directly, and exclusively to our and our Affiliates' benefit, except as otherwise provided herein or by applicable law.

8.5 No Use of Other Marks

No marks, logotypes, trade names, trademarks or the like, other than specifically approved by us shall be used in the identification, marketing, promotion, or operation of the Business.

8.6 System

8.6.1 The System, including the YESCO® Software is our and our Affiliates' proprietary, confidential, and trade secret information. The System includes, but is not limited to: forms, business procedures, techniques, the Marks; the manner and method of training that we deliver to you; the software, operations, Manuals, and other related documentation, and standards and procedures that you will use in the day-to-day operation of the Business; the methods to be used by you for finding customers and the Trades; the names and other identifying information of Trades who will participate in the System; the economic and financial characteristics of the System; and any copyrighted information owned by us and our Affiliates.

8.6.2 You must operate in accordance with the System. You agree that we own and control the distinctive plan for the establishment, operation, and promotion of the Business and all related systems and methods, which includes, but is not limited to, our standards and specifications for equipment, supplies, materials, technical equipment standards, customer relations, marketing techniques, written promotional materials, advertising, accounting systems, and each component of the Confidential Information, all of which constitute our confidential trade secrets and which have

previously been identified as or is now added to the definition of the System. All of your Customer Lists and Trades Lists must be stored and maintained on our back office software application, subject to the requirements of applicable law.

8.6.3 You acknowledge and agree that we have valuable rights in and to the System. You further agree that you have not acquired any right, title, or interest in the System, except that you have been granted a limited, non-exclusive license to use the System in the operation of the Business as it is governed by this Agreement, and that you are obligated to maintain the confidentiality thereof pursuant to this Agreement.

8.6.4 You may not alter, change, or modify the System in any way without our prior written consent and approval, which we have the right to grant or deny for any or no reason.

8.7 Confidential Information

You acknowledge and agree that you do not acquire any interest in the Confidential Information, other than the right to use it in developing and operating the Business pursuant to this Agreement, and that the use, duplication or reverse engineering of the Confidential Information in any other business constitutes an unfair method of competition. You agree that the Confidential Information is proprietary and is our trade secret and is disclosed to you solely on the condition that you agree that you: (i) will not use the Confidential Information in any other business or capacity; (ii) will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement; (iii) will not make unauthorized copies of any Confidential Information disclosed in written form; (iv) will adopt and implement all procedures we direct to prevent unauthorized use or disclosure of the Confidential Information, including without limitation restrictions on disclosure to Business employees; and (v) will sign a nondisclosure and confidentiality agreement, and will require the Principal Owners and all other owners, the Principal Operator, and any other managers, employees and agents with access to Confidential Information to sign a nondisclosure and confidentiality agreement, in a form we designate. In addition, we may require that you obtain nondisclosure and confidentiality agreements in a form we designate from your potential investors, financial institutions, and suppliers. You must provide executed copies of all of the agreements described above to us prior to commencing operations of the Business and following the addition of new or replacement owners, employees or agents. A copy of our current form Confidentiality and Non-Competition Agreement is attached as Exhibit D, although we have the right to periodically modify this document.

The restrictions on your disclosure and use of the Confidential Information will not apply to disclosure of Confidential Information in judicial or administrative proceedings to the extent you are legally compelled to disclose this information, if you use your best efforts to maintain the confidential treatment of the Confidential Information, and provide us the opportunity to obtain an appropriate protective order or other assurance satisfactory to us of confidential treatment for the information required to be so disclosed. Notwithstanding any other provision of this Agreement, there may be certain, limited circumstances where applicable law allows for the disclosure of certain trade secrets in limited circumstances, as specified in the Manuals.

8.8 Ownership of Customer List and List of Trades

In operating the Business, you will create a list of names and other identifying information of persons and businesses that have used your sign and lighting services (“**Customer List**”). You will also

create a list of the Trades that provide services to your Customer List (“**Trades List**”). You must store, update, and maintain the Customer List and the Trades List using the YESCO® Software. You agree that the Customer List and Trades List are or were obtained through the use of the System and the Marks. As a result, the Customer List and the Trades List are and remain our sole and exclusive property. At the termination of this Agreement for any reason, said lists shall be our sole and exclusive property.

8.9 Restrictions on Internet and Website Use

We retain the sole right to advertise the System on the Internet and to create, operate, maintain and modify, or discontinue the use of, a website or websites, and/or an intranet/extranet system or systems using the Marks. You will not register, as Internet domain names, any of the Marks now or hereafter owned by us or our Affiliates or any abbreviation, acronym or variation of the Marks, or any other name that could be deemed confusingly similar. Further, you may not market, advertise or promote your Business or conduct any related business on the Internet without our prior written approval, including without limitation using social and professional networking sites to promote your Business. You acknowledge that we also may impose prohibitions on you posting or blogging comments about us, your Business of the System. The foregoing prohibition includes personal blogs, common social networks like Facebook, Instagram, TikTok, Twitter, Snapchat and Pinterest; professional networks, business profiles or online review or opinion sites like LinkedIn, Google Business Profile or Yelp; live-blogging tools like Twitter and Snapchat; virtual worlds, metaverses, file, audio and video-sharing sites, and other similar social networking or media sites or tools.

8.10 Limitation on Business Operations

Notwithstanding any other provision in this Agreement, you are prohibited from providing any Authorized Products and Services to, or otherwise operating the Business in support of, any business that we, in our sole discretion, periodically determine may be detrimental to the goodwill associated with the System and the Marks, as further described in the Manuals or otherwise in writing.

8.11 Talent Release

You, your Principal Operator, Primary Owner, Principal Owners, Guarantors and each of your employees agree that we and our Affiliates have the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made in connection with our training, marketing, and other materials utilized or developed in connection the System and we and our Affiliates are authorized to reproduce, copyright, exhibit, broadcast, and distribute the photographs/film/videotapes/electronic representations and/or sound recordings at our discretion without limitation and compensation.

ARTICLE 9

TRAINING

9.1 Initial Training Program

9.1.1 Your Primary Owner and Principal Operator, and at least one other person of your choosing (if your Primary Owner and Principal Operator are the same person), are required to attend (and each such person must successfully complete) the initial training program, before you can

commence operation of the Business (the “**Initial Training Program**”). The Initial Training Program consists of an online, self-study training curriculum and in-person training, which is offered by us at one of our designated training facilities or at another location we designate. Up to three individuals initially designated by you are eligible to participate in the Initial Training Program without charge of a tuition or fee. You will be responsible for any and all travel expenses, living expenses, and wages and benefits incurred by the people who attend the Initial Training Program. Training participants will not receive any compensation from us while attending our training. In addition, to the extent we provide on-the-job training to you in the Territory as part of the Initial Training Program or otherwise, we reserve the right to charge you for the travel and living expenses our trainers incur while conducting the on-the-job training.

9.1.2 You will be responsible for full compliance with the requirements taught at the initial and any other training program and as provided in the Manuals. You will cause your employees to be trained in those requirements with respect to performing their respective duties.

9.2 Seminar and Other Education Development Programs

9.2.1 From time to time, we may present seminars, webinars, conventions, or continuing development programs, or we may conduct meetings for the benefit of all franchisees. Some of these programs may be optional and some may be mandatory. We have the right to require your Primary Owner and/or Principal Operator to attend any ongoing, mandatory seminars, conventions, programs, or meetings as may be offered by us. We will give you at least 60 days’ prior written notice of any ongoing seminar, webinar, convention, or program which is deemed mandatory. We shall not require that your Primary Owner and/or Principal Operator attend any national convention or ongoing training more often than once a year, but we may require participation in webinars or conference calls more frequently than yearly.

9.2.2 We have the right to require your Primary Owner and/or Principal Operator, and other designated employees to attend a local or regional meeting up to four times per year. All mandatory training will be offered without charge of a tuition or fee, provided, however, you will be responsible for all traveling and living expenses that are associated with attendance at such mandatory regional training meetings.

9.3 Additional Training

You may also request additional training, although we have the right to decide whether or not to provide it to you. All costs associated with such training will be your responsibility, including any fees that we charge to provide such services. Such services are more fully described in the Manuals, as are the current charges that we assess for our services.

ARTICLE 10

SYSTEM STANDARDS

10.1 Records, Inspections and Audits

10.1.1 You agree to retain all computer records, charge account records, sales slips, orders, return vouchers, sales tax reports, and all of your other Business records and related background

material for at least seven years following the end of the year in which the items were or should have been generated.

10.1.2 You will deliver or provide us access to, in a form and manner and within the timeframe we specify, at your expense, reports and other information relating to the operation of the Business, including without limitation: (i) statements relating to Gross Revenue; (ii) upon our request, copies of your most recent sales tax return, monthly sales summary after the end of each calendar month; (iii) within 15 days of the end of each month, monthly balance sheet and statement of profit and loss, including without limitation a summary of your costs for labor, rent and other material cost items; (iv) within 90 days following each fiscal year, an annual balance sheet and profit and loss statement and all tax returns relating to the Business and each of the Principal Owners; and (v) upon our request, all such books and records to verify your Gross Revenue and to separate Gross Revenue created from the sale of Authorized Products and Services and Gross Revenue generated from other sources as we may require under our audit policies. Further, you also must, at your expense, prepare and, upon our request, submit to us, in a form and manner and within the timeframe we specify, annual reports and other information, including without limitation a detailed balance sheet, profit and loss statement and statement of cash flows for such fiscal year, prepared on an accrual basis and containing all adjustments necessary for fair presentation of the financial statements. We may require that these annual financial statements be reviewed by a certified public accountant. You must certify all reports to be true and correct. You agree that we have the right to impose these requirements on you regardless of whether we impose the same requirement on our other franchisees.

10.1.3 We have the right to share any reports, financial statements and other information you provide to us with other YESCO® franchisees and to include your financial information in our franchise disclosure document. Except for this right, we will keep your financial books, records, reports, financial statements and other information confidential, unless the information is: (i) requested by tax authorities; (ii) used as part of a legal proceeding; or (iii) included in a financial performance representation included in our franchise disclosure document.

10.1.4 We or our authorized representative have the right to inspect the Office, and vehicles used in your Business at all times without prior notice to you for the purpose of making periodic evaluations and inspections of any aspect of the Business. During the course of such inspections, we may photograph or record electronically any part of the Business, regardless of whether or not you or your representatives are present. We may require you to remove any item which does not conform to our specifications and/or standards. If we determine that any condition of the Office, vehicles, or, your operation of the Business, presents a threat to customers, or public health or safety, we may take whatever measures we deem necessary, including without limitation requiring you to immediately cease offering services and products until the situation is remedied to our satisfaction. In addition, we have the right to inspect and evaluate the services you provide to your customers. Our inspections and evaluations may include contacting or soliciting information from your current or former customers, or, upon prior notice to you, accompanying you on customer visits. Our inspections and evaluations also may involve the use of secret shoppers. You agree to cooperate with us to allow us to conduct these inspections and evaluations. You acknowledge and agree that our inspections and evaluations may be conducted by our authorized representatives. Any audit or inspection we conduct is solely for determining your compliance with contractual obligations and does not constitute control over your day-to-day operation of the Business.

10.1.5 You will allow us or our authorized representatives to access your Office, without prior notice, during regular business hours or at all times to inspect, audit, photocopy, and videotape your business operations and records, and to interview the Business' employees and current and prospective customers. Instead of or in addition to the foregoing, you will, upon our written request, make photocopies of all records we request and forward them to us or our authorized representatives at such address as we designate in writing at your cost. You agree that we shall have the right to examine your books and records, and to perform such audits, inspections, tests and other analyses as we deem appropriate to verify Gross Revenue. You also grant us permission to examine without prior notice to you, all records of any supplier relating to your purchases, and you hereby authorize such suppliers to release your purchase records to us at such times and places as we request. You must allow us electronic and manual access to any and all records relating to the Business, including your accounting software and related records.

10.1.6 You will pay us, if we or our authorized representatives determine that you under-reported or failed to report any portion of Gross Revenue, the Royalty Fees and National Advertising Fee that were not paid, plus interest and service charges as provided in Section 4.8. We may estimate your Gross Revenue to determine whether you under-reported Gross Revenue. Unless any under-reporting is due to an error or omission caused or created by us, if reported Gross Revenue for any calendar year is less than 98% of the actual Gross Revenue for that period, you will reimburse us for all costs of the investigation, including without limitation salaries, outside accountant fees, outside attorneys' fees, travel, meals, and lodging. Unless any under-reporting is due to an error or omission caused or created by us, if reported Gross Revenue for any calendar year is less than 95% of the actual Gross Revenue for that period, we have the right to immediately terminate this Agreement. You agree to pay for all costs of any audit that did not occur due to your failure to produce your books and records at the time of audit if we notified you in writing of the audit at least five days before the scheduled date. We reserve the right to collect any delinquent amounts that you owe to us under this Section by electronic funds transfer, in accordance with Sections 4.4 and 4.5.

10.2 Authorized Products and Services, Product Purchases, and Approval Method

10.2.1 You will offer or sell in connection with the Business, all services and products that we periodically approve as being suitable for sale from YESCO® businesses and meeting our standards of quality and uniformity for the System, and may not offer or sell any other service or product in connection with the Business without our prior written consent, which we have the right to withhold for any or no reason. If we determine that we will no longer approve a service or product as being suitable for sale from a YESCO® business, you must cease offering that service or product upon 30 days written notice from us.

10.2.2 As of the Effective Date of this Agreement, you are only able to offer and sell the Authorized Products and Services. We have the right to add, delete, change, or supplement the Authorized Products and Services, as well as the distribution channels in which they are provided, and there are no limits on our right to do so.

10.2.3 Except as described above, you and your subcontractors cannot provide any other services and products using the System and/or the Marks without our prior written consent, which we have the right to withhold for any or no reason. In no event will you or your subcontractors be allowed to sell, manufacture, fabricate, install, or modify any structural component of any sign, lighting device, or other building component or fixture, utilize a crane, or sell any sign-related products

or services other than those products and services incident to the Authorized Products and Services without our prior written consent, which we have the right to withhold for any or no reason. At a minimum, our approval of the sale of products and services other than Authorized Products and Services will require that you are licensed, properly equipped, and insured to provide the product and/or service.

10.2.4 You must use the approved services and products, goods, equipment, advertising, marketing and promotional materials, software, and any other items we periodically approve and require as part of the operation of the YESCO® businesses (collectively, “**Approved Supplies**”). We will provide you with a list of Approved Supplies (“**Approved Supplies List**”) and a list of approved suppliers (“**Approved Supplier List**”). We have the right to periodically revise the Approved Supplies List and Approved Suppliers List, as we deem appropriate. We have the right to approve the brand, manufacturer, supplier and/or distributor of any of the Approved Supplies. We also have the right to require you to use approved suppliers. In addition, we have the right to designate the specific brand and/or manufacturer of any of the Approved Supplies. Further, we have the right to designate a single source or sources from whom you must purchase any Approved Supplies, and we and/or our Affiliates may be that single source (if we only designate a single source) or one or more of the sources (if we designate more than a single source). Under all circumstances and without limiting the above, we have the right to designate, as applicable, the specific brand and/or manufacturer, and/or the single source of supply (which may be or include us or one of our Affiliates), of the following: (i) your computer system (and all components that make up the computer system, including without limitation designated software, including accounting software); (ii) interior way-finding signs; (iii) design professionals; (iv) media services; and (v) wireless devices and related services; (vi) standard attire and uniforms; and (vii) the Office Branding Package. We will periodically notify you of these requirements, and changes to these requirements, through the Manuals, the Approved Supplies List or the Approved Suppliers List, or other means. For certain Approved Supplies and other services and products, we, an Affiliate or a third-party manufacturer, supplier or distributor may be the only approved supplier even though we have not designated a single source of supply for those items. All products, services, inventory, materials and other items and supplies used in the operation of the Business that are not included in the Approved Supplies List or Approved Suppliers List must conform to any specifications and standards we periodically establish.

You must timely pay all costs for products or services procured in accordance with the payment terms established by the product or service provider. Because we attempt to receive volume discounts for the benefit of the YESCO® system, you are prohibited from forming buying groups, conglomerates, or pooling purchases of products or services with other franchisees in an effort to negotiate better pricing with suppliers.

We reserve the right to designate different Approved Supplies and different designated and approved suppliers for YESCO® businesses located in the United States (as opposed to YESCO® businesses located in Canada and other countries) to take into account country-specific conditions, like the economy, culture, product and service availability, customs and sourcing, and you agree to comply with these designations.

If we have not designated the brand and/or manufacturer, or the source or sources, of any of the Approved Supplies, you may request that we approve an alternative to that item, or an alternative supplier for that item. In such case, you must first notify us in writing and provide us (upon our request) sufficient specifications, photographs, drawings and other information or samples for us to

determine whether the alternative item complies with our specifications and standards, or the alternative supplier meets our approved supplier criteria. We will notify you in writing as to whether or not the proposed alternative item or supplier is approved. We may develop procedures for the submission of requests for approved alternative items or suppliers, and obligations that approved suppliers must assume (which may be incorporated in a written agreement to be signed by approved suppliers). We will have the right to charge you and/or each proposed supplier a fee in reviewing a proposed alternative item or supplier. We may impose limits on the number of alternative items and/or suppliers to be used by you for the Business and/or in conjunction with the System.

ALTHOUGH APPROVED BY US, WE AND OUR AFFILIATES MAKE NO WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE AND NON-INFRINGEMENT, WITH RESPECT TO ALL SERVICES, PRODUCTS, EQUIPMENT, VEHICLES, THE COMPUTER SYSTEM (AND ALL COMPONENTS THAT MAKE UP THE COMPUTER SYSTEM, INCLUDING THE COMPUTER SOFTWARE), SUPPLIES, THE YESCO® SOFTWARE OR OTHER ITEMS THAT ARE MANUFACTURED OR DISTRIBUTED BY AFFILIATES OR THIRD PARTIES AND THAT WE APPROVE FOR USE IN THE SYSTEM. WE MAKE NO PROMISES OR GUARANTEES AS TO THE EFFECTIVENESS OF ANY SERVICES AND PRODUCTS PROVIDED UNDER THIS AGREEMENT, EITHER WITH RESPECT TO YOU OR ANY OF YOUR CUSTOMERS.

10.3 Customer Service

You will give prompt, courteous, and efficient service to your customers and shall otherwise operate the Business in strict compliance with the System and the policies, practices and procedures contained in the Manuals (or otherwise communicated to us in writing) so as to preserve, maintain, and enhance the reputation and goodwill of the Business and the System. You must warrant your products and services against defects in materials and workmanship for a period of 90 days. We have the right to require you to expand and extend warranty terms.

10.4 Specifications, Standards and Procedures

You acknowledge and agree that we have the right to establish quality standards regarding the appearance and operation of YESCO® businesses to protect the distinction, goodwill and uniformity symbolized by the Marks, the YESCO® Software, and the System. You also acknowledge and agree that each and every detail of the appearance and operation of the Business is important to us and other YESCO® businesses. You agree to maintain the highest standards of quality and service in the Business and agree to comply with all mandatory specifications, standards and operating procedures (whether contained in the Manuals or any other written or oral communication to you) we periodically establish relating to the appearance or operation of a YESCO® business. We reserve the right to periodically modify and add to these specifications, standards and operating procedures, and that you are obligated to conform to any mandatory modified or additional specification, standard or operating procedure. You also acknowledge and agree that any required specifications, standards and operating procedures exist to protect our interests in the System and the Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to you.

10.5 Modification

We may reasonably change or modify the System, the Manuals, the YESCO® Software, and the Marks, and you agree to accept, be bound by, use, implement, and display any such changes to the System. You will make whatever expenditures are reasonably required to implement such changes or modifications. We shall have complete ownership and control of any changes, modifications, enhancements, or suggestions, whether made by you or us.

10.6 Disclosure

We may disclose, in our disclosure document or otherwise, any information concerning you and the Business, including your name, address, telephone number, financial, and other information, during the Initial Term, any Successor Franchise Term, Interim Period or after the termination or expiration of this Agreement.

10.7 Variances

We may approve exceptions to, or changes in, the uniform standards for you or other franchisees that we believe are necessary or desirable under particular circumstances. You have no right to object to such variances or to obtain the same variances.

10.8 Our Right to Operate the Business

To assure protection of the public, the Marks and System for our benefit and the benefit of all other franchisees, you hereby make, constitute and appoint us, or our designee, as your true and lawful attorney in fact, with the powers set forth hereafter, which we may exercise if any of the following events occurs: (i) you are indicted for or charges are filed against you alleging that you committed a criminal act that could involve imprisonment for more than 30 days; (ii) charges are brought by any federal, state or local governmental authority that could affect any license of the Business; or (iii) you, your Primary Owner, or your Principal Operator die or become mentally or physically incapacitated. Upon the occurrence of any of the foregoing events, we have the right, but are not obligated, to take possession and control of and operate the Business for your benefit. Such right shall continue only for such period of time as the reason or reasons for our taking possession and control of the Business, as set forth above, continues. We shall act in a commercially reasonable manner in our actions hereunder. In furtherance of the foregoing, we may:

10.8.1 collect any and all revenues due and payable to the Business and endorse your name on checks received;

10.8.2 pay any and all expenses incurred to operate the Business including, but not limited to, wages, salaries and other compensation to your employees, to persons we employ on your behalf to manage the Business and to others for professional services;

10.8.3 pay any amounts due to us or our Affiliates, including Royalty Fees, National Advertising Fees, amounts due for purchases of product and supplies and amounts due under any financing agreements;

10.8.4 incur debts in the ordinary course of business for inventory, materials, supplies and other items needed for the operation of the Business;

10.8.5 execute documents or instruments on your behalf;

10.8.6 receive a reasonable fee for our services hereunder;

10.8.7 institute legal or administrative proceedings on behalf of and defend actions brought against the Business; and

10.8.8 take any other action we deem necessary or appropriate in furtherance of this provision.

We shall maintain separate books and records of our actions hereunder in accordance with the format required by the System. The net proceeds, if any, from our operation of the Business shall be deposited into a separate bank account or accounts under our direction and control as trustee for you. Upon our termination of the rights granted hereunder, such net proceeds, if any, shall be distributed to you or as you direct. We shall not be liable to you except to the extent of our willful misconduct or gross negligence. You shall indemnify, defend, and hold us harmless from and against any loss, claim, expense, damage, liability or other obligation of any nature, including legal fees and expenses arising from or in any manner connected with our actions hereunder, excepting only those to the extent caused by our willful misconduct or gross negligence. Your appointment of us as attorney in fact is irrevocable and is coupled with an interest.

10.9 Management of the Business

You must have a Primary Owner at all times during the term of this Agreement. In addition, you must designate a Principal Operator at all times after you commence operation of the Business. Your Primary Owner and Principal Operator may be the same individual. The Primary Owner must ensure that the Business is operated in accordance with the terms and conditions of this Agreement, although this in no way relieves you of your responsibility to do so. The Primary Owner also must be readily and continuously available to us. Your Primary Owner and Principal Operator must attend and successfully complete, to our satisfaction, all training we require.

Your Principal Operator must devote his or her time, best efforts and constant personal attention to the day-to-day operation of the Business and must be present at the Office on a daily basis, excluding customary personal leave. In addition, your Principal Operator may not engage in any other business or other activity, directly or indirectly, that requires any significant management responsibility, time commitments, or that otherwise may conflict with the Principal Operator's obligations. You acknowledge and agree that the selection of your Principal Operator is an extremely important decision and that this person will play a key role in the success of your Business. If your Primary Owner is not also your Principal Operator, your Primary Owner must be present at the Office a sufficient number of hours each week, as you determine, to allow your Primary Owner to oversee your Principal Operator and the Business. At all times, the Business must be under the direct supervision of your Primary Owner or Principal Operator.

If at any time the Primary Owner or Principal Operator is not managing the operations of the Business on a full-time basis, we have the right to immediately appoint a manager to manage the operations of the Business on your behalf. Our appointment of a manager of the Business does not relieve you of your obligations or constitute a waiver of our right to terminate the Agreement under ARTICLE 12. We are not liable for any debts, losses, costs or expenses you incur in operating the

Business or to any creditor of yours for any products, materials, supplies or services purchased by the Business while it is managed by our appointed manager. We may charge a reasonable fee for management services and cease to provide management services at any time.

10.10 Participation in Websites, Intranet/Extranet Systems or Other Online Communications

You must participate in our designated website(s), enterprise software programs, enterprise email systems, and any designated intranet/extranet systems we develop and maintain, including related YESCO® Software applications, in accordance with our written standards, which we have the right to periodically modify. We have the right to determine the content and use of our websites and any intranet/extranet systems and will establish the rules under which franchisees may or must participate. You may not separately register any domain name containing any of the Marks, and may not have a website for the Business other than websites or web pages that may be developed as part of our designated websites; if you do so, you will be required to assign such domain names or sites to us at no cost to us. In addition, without our prior written approval, you may not link or frame any of our websites, conduct any business or offer to sell or advertise any services or products on the Internet (or any other existing or future form of electronic communication) or use any email address which we have not authorized for use in operating the Business. We retain all rights relating to our websites, your websites or web pages, and any intranet/extranet systems, including without limitation all rights to the data stored therein, and may alter or terminate any of our websites, your websites or web pages, or any of our intranet/extranet systems. We also have the right to access, at all times, all information and data contained on our websites and email system, including without limitation your separate websites or web pages that are part of any of our websites, and any intranet, extranet, or enterprise systems. Your general conduct on our websites and email system and any intranet, extranet, or enterprise systems or other online communications and specifically your use of the Marks or any advertising is subject to the provisions of this Agreement. You acknowledge and agree that certain information related to your participation in our website(s), enterprise software programs, enterprise email systems, or any intranet, extranet, or enterprise systems may be considered Confidential Information, including without limitation access codes and identification codes.

10.11 Compliance - Local, State and Federal

You must become familiar with and comply with all applicable laws, ordinances and regulations in operating your Business. You must obtain all licenses, registrations, authorizations or other permissions as required under federal, state, city, county and other local governmental laws, ordinances and regulations necessary to operate your Business in addition to complying with laws, ordinances and regulations that apply to businesses generally. You will also be required to conform to any taxation requirements relating to the Business. Further, virtually all state and local governments will have laws and regulations that require you and your Trades to have licenses necessary to deliver the services contemplated herein. You must abide by all federal, state and local governmental laws and regulations regarding the employment or independent contractor status of the Trades. You must comply with all federal, state, and local laws, ordinances and regulations relating to site location and building construction, waste management, health, sanitation and safety, including without limitation occupational safety laws, and the environment, including without limitation environmental laws relating to the collection and disposal of hazardous waste, such as lighting devices. You must comply with all federal, state, and local laws, ordinances and regulations relating to advertising, the collection, storage and use of email addresses, privacy, data security, data protection, direct marketing, consumer

protection, and workplace privacy laws, employee and transactional information, payment card industry data security standards, wage, hour and employment laws, and other similar and related laws, rules, requirements and regulations.

You must continually research and comply with all laws, ordinances and regulations that apply to the operation of your Business.

You must notify us in writing within five days of the commencement of any action, suit, proceeding or investigation, and of the issuance of any order, writ, injunction, award of decree, by any court, agency, or other governmental instrumentality which may adversely affect the operation or financial condition of you or the Business.

10.12 Best Efforts

You agree that during the term of this Agreement you will use your best efforts to promote the Business and to conduct the Business pursuant to the System.

10.13 No Unbecoming Acts

You agree not to engage in any act that violates community standards or otherwise brings or tends to bring any of the Marks into disrepute or impairs or tends to impair your or our reputation or the goodwill associated with any of the Marks or the Business.

ARTICLE 11

TRANSFERS

11.1 Sale or Assignment by Us

This Agreement and all rights and obligations hereunder are fully assignable and transferable by us and, if so assigned or transferred, shall be binding upon and inure to the benefit of our successors and assigns. We may be sold, or we may sell any or all of our intellectual property, including our Marks and the YESCO® Software, or other assets to any other entity, including to a competitor. In addition, we may go public, may engage in a private or other placement of some or all of our securities, may merge, or may acquire other entities or assets which may be competitive with the System, or not; we may be acquired by a competitor or other entity and/or may undertake any refinancing, leveraged buy-out, or other transaction. You waive all claims, demands, and damages with respect to any transaction allowed under this section or otherwise. You will fully cooperate with any such proposal, merger, acquisition, conversion, sale, or financing.

11.2 Transfer by You

11.2.1 This Agreement is personal as to you and is being entered into in reliance upon, and in consideration of, the qualifications and representations of you and your Principal Owners, if you are an entity. Therefore, this Agreement, any of its rights or privileges, any equitable, capital, voting, non-voting or other interest in you, if you are an entity, or the Business may be marketed for sale, assigned, sold, transferred, or divided in any manner by you or any of your Principal Owners and other owners only after you have obtained our express prior written approval in accordance with the terms and conditions of this Agreement.

11.2.2 Except as expressly allowed under this Agreement, any Transfer or attempted Transfer will constitute a material breach of this Agreement. In that event, we will have the right to terminate this Agreement upon written notice to you. We will not be bound by any attempted Transfer in any manner whatsoever, by law or otherwise, of any of your rights or interests under this Agreement and reserve the right to declare any such Transfer void upon written notice to you.

11.2.3 If you are an entity, each stock certificate or other evidence of an ownership interest in your entity shall have endorsed upon its face, as set forth in Section 11.5.2(e), that any assignment or transfer thereof is subject to the restrictions of this Agreement. You and your Principal Owners and all other owners agree to provide us with a copy of each such certificate so that we can ensure compliance with this provision

11.2.4 You may not place in or on the location of the Business, or in any communication media or any form of advertising, any information relating to the sale of the Business or the rights under this Agreement, without our prior written consent.

11.3 Conditions to Approval of any Transfer

11.3.1 To obtain our written approval to any Transfer, you will provide us with all documentation relating to the proposed transfer of the franchise or the Business. We will not unreasonably withhold our approval to a proposed Transfer, provided we determine that all of the conditions described in this Section have been satisfied.

11.3.2 In determining the acceptability of the proposed transferee, we will consider, among other things, our then-current standards for new franchisees, including the net worth, credit worthiness, background, training, personality, reputation and business experience of the proposed transferee, the terms and conditions of the transfer, and any circumstances that would make the transfer contrary to the System.

11.3.3 We have the right to meet and candidly discuss all matters relating to this Agreement and the Business with the potential transferee. In no case may you or a proposed transferee rely on us to review or evaluate any proposed Transfer. We will not be liable to you, your Principal Owners and all other owners or the transferee or any other person or entity relating to the Transfer.

11.3.4 As a condition of any Transfer otherwise permitted under this Agreement, you agree as follows:

- a) You must be in full compliance with this Agreement and not be in default hereunder;
- b) All accounts payable and other monetary obligations to us or any of our any Affiliates must be paid in full prior to the Transfer;
- c) You must have submitted all required reports, financial statements, and other documents;
- d) The terms and conditions of the proposed Transfer must be provided in writing to us;

e) The transferee must agree to sign the then-current form of franchise agreement and fully renovate the Business to the level required of new franchisees;

f) If the Transfer is to one of our existing franchisees, the transferee and its owners and employees must complete any training that we require at its expense (including travel, room, and board at its expense), and if the Transfer is not to one of our existing franchises, the transferee and its owners and employees, as we require, must attend and complete to our satisfaction the Initial Training Program and pay tuition (if any) that is then being charged to new franchisees (and travel, room, and board at its expense), and we reserve the right to charge tuition for each owner/employee for the Initial Training Program notwithstanding the tuition and fee waiver for the first three individuals as set forth in Section 9.1.1;

g) You must pay the then-current transfer fee (which is currently the greater of \$5,000 or 4% of your Gross Revenue for the 12 months immediately preceding the effective date of the Transfer);

h) You and each of your Principal Owners and guarantors must execute a general release;

i) The transferee, or the stockholders, partners, members, or trustees and beneficiaries of a proposed entity transferee, must agree to each execute a personal guaranty of the transferee's franchise agreement, jointly and severally guaranteeing the performance of the proposed transferee's obligations;

j) All restrictive covenants found in this Agreement, including any post-term covenant not-to-compete, any indemnification covenants, and confidentiality obligations and the provisions relating to dispute resolution will survive any Transfer;

k) You and the transferee must work out a transition plan to address the needs of your current and prospective customers, which is acceptable to us;

l) The purchase price and terms of the Transfer must not negatively impact the capability of the Business to profit after the Transfer; and

m) You must have complied with any other conditions that we periodically require as part of our transfer policies.

11.4 Invalidity of Transfers

11.4.1 To the fullest extent permitted by law, involuntary transfers of this Agreement by you, such as by legal process including bankruptcy, assignment for the benefit of creditors, assignment as security for any financial or non-financial matter or otherwise, are not permitted, are not binding on us, and are grounds for the termination of this Agreement. You agree that using this Agreement as security for a loan, or otherwise encumbering this Agreement, is prohibited unless we specifically consent to any such action in writing prior to the proposed transaction.

11.5 Transfer Among Owners or to a Controlled Entity

11.5.1 If a proposed Transfer is only among existing Principal Owners and your other owners, there will be no transfer fee, as set forth in Section 11.3.4(g), and we will not be entitled to exercise our “Right of First Refusal,” as set forth in Section 11.7. If a proposed Transfer is from existing Principal Owners and your other owners to new owner(s), and the total amount of ownership interest transferred is less than 25% of the outstanding equity in you (if you are an entity), then the transfer fee, as set forth in Section 11.3.4(g), will be reduced to \$2,500, and we will not be entitled to exercise our “Right of First Refusal,” as set forth in Section 11.7.

11.5.2 Notwithstanding the requirements of Section 11.2 and 11.3, you may Transfer your rights and obligations under this Agreement without our consent, to an entity in which you own 100% of the outstanding equity, provided:

- a) You remain a party to the Agreement and the entity is added as a co-party and sign a Guaranty of this Agreement in the form attached to this Agreement as Exhibit F;
- b) You, or your Principal Operator approved by us, continues to devote his or her full time and best efforts to manage the daily operations of the Business;
- c) The entity’s activities are confined exclusively to operating the Business;
- d) The entity assumes joint and several liability with you of all obligations under this Agreement; and
- e) You will cause to be printed on each certificate or other document of ownership of the entity a legend referencing the restrictions contained herein, which will read substantially as follows:

The transfer of ownership in this company is subject to the terms and conditions of a Franchise Agreement with YESCO Franchising LLC. Reference is made to such Franchise Agreement and to the restrictive provisions contained in the organization documents of this company.

We may expand upon, and provide more details related to, the conditions for Transfer and our consent as described in this Section 11.5, and may do so in the Manuals or otherwise in writing.

11.6 Death or Incapacity

11.6.1 Upon the death or Permanent Disability of your Primary Owner, the executor, administrator, conservator, guardian, trustee, or other personal representative of such person shall transfer your interest in this Agreement or such interest in your entity to an approved third party, who may be the heirs or successors of the deceased or disabled individual. Such Transfer shall be completed within a reasonable time, not to exceed 180 days from the date of death or Permanent Disability, and shall be subject to all terms and conditions applicable to Transfers contained in this ARTICLE 11 as though the transferee were being introduced to us by the deceased or disabled Primary Owner, provided, however, that for purposes of this Section 11.6 there shall be no transfer fee charged by us.

11.6.2 Failure to transfer the interest in this Agreement or such interest in your entity within said period of time shall constitute a breach of this Agreement.

11.6.3 For the purposes hereof, the term “**Permanent Disability**” shall mean a mental or physical disability, impairment, or condition that is reasonably expected to prevent or actually does prevent the Primary Owner from supervising the management and operation of the Business for a period of 120 days from the onset of such disability, impairment, or condition.

11.7 Right of First Refusal

You agree that any Transfer is subject to our right of first refusal to purchase such rights, interest, or assets on the same terms and conditions as are contained in the written offer for the Transfer (“**Right of First Refusal**”), and the following additional terms and conditions shall apply:

11.7.1 You must notify us of such offer by sending a written notice to us (which notice may be the same notice of the proposed Transfer as required by Section 11.3 above) and enclose a copy of the written offer from the proposed transferee;

11.7.2 We shall have a period of 30 days to accept or not accept the terms of the Transfer and the transferee or exercise our Right of First Refusal;

11.7.3 Such Right of First Refusal is effective for each proposed Transfer and any material change in the terms or conditions of the proposed Transfer shall be deemed a separate offer on which a new Right of First Refusal shall be given to us, as required by this Section 11.7;

11.7.4 In lieu of the consideration or manner of payment offered by a transferee, we may purchase the interest that is proposed to be sold for the reasonable cash equivalent. If the Parties cannot agree within a reasonable time on the cash value of the consideration proposed to be paid by the transferee, we shall designate an independent appraiser, whose determination will be binding upon the Parties. All expenses of the appraiser shall be paid for equally between the Parties; and

11.7.5 If we do not exercise our Right of First Refusal, you will be free to complete the sale, transfer, or assignment, subject to compliance with this ARTICLE 11. Our failure to reply to your notice of a proposed sale within the 30-day period is deemed a waiver of such Right of First Refusal. Such waiver shall not apply to any subsequent Transfer. In addition, our failure to exercise our Right of First Refusal under this Section 11.7 shall not affect our right to approve any Transfer under this ARTICLE 11.

ARTICLE 12

12.1.4 if you, your Principal Operator or any of your Principal Owners are convicted of, or plead no contest to, a crime (whether a petty offense, misdemeanor, or felony) involving moral turpitude; are convicted of, or plead no contest to, a felony of any nature; or are convicted of, or plead no contest to, any crime (whether a petty offense, misdemeanor, or felony) or civil offense that is reasonably likely, in our sole discretion, to materially and unfavorably affect the System, Marks, or the goodwill or reputation thereof, or if we have evidence that any such individuals have committed any of these crimes or offenses;

12.1.5 if you fail to pay any Royalty Fees, National Advertising Fees, fees, payments, or any other amounts due to us, including any amounts which may be due as a result of any agreements between you and us or our Affiliates within five days after receiving notice that such fees or amounts are overdue;

12.1.17 you violate Section 2.3.3 following the receipt of a prior written notice of default in connection with Section 2.3.3 even if such prior default was timely cured; or

12.1.18 you violate any other covenant or condition in any other agreement between you and us and fail to cure such default according to the method provided for such default.

12.2 Termination by Us - Thirty-Days Notice

12.2.1 Except as described in Section 12.1, we will have the right to terminate this Agreement (subject to any state laws to the contrary, in which case such state law shall prevail) effective upon 30 days' written notice to you, if you breach any other term, covenant, or condition of this Agreement (including any matter pertaining to your use or misuse of the Marks, or any portion of the System), and fail to cure the default during such 30-day period.

12.2.2 After the passage of said 30-day period without cure, this Agreement will terminate without further notice to you.

12.3 Expiration at the End of the Initial Term

Unless it is terminated earlier, if you fail to elect to enter into a Successor Franchise Agreement, this Agreement shall expire at 5:00 PM Mountain Time on the last day of the Initial Term, subject to our rights described in Section 6.4 if you continue to accept the benefits of this Agreement after its expiration. If you enter into a Successor Franchise Agreement, then expiration shall be in accordance with the terms of the Successor Franchise Agreement.

12.4 Our Rights to Damages

If you fail to cure any event of default within the time period specified above, or if no cure is provided, we have the right to proceed to enforce any or all of the following non-exclusive remedies or any other remedy, claim, cause of action, award, or damages allowed by law or equity, with the understanding that the pursuit of any one remedy shall not be deemed an election or waiver by us to pursue additional remedies as all remedies are cumulative and are not exclusive:

12.4.1 Bring one or more actions for lost profits as measured by the Royalty Fees and other fees that would have been due and payable had breach and default not occurred; penalties and interest as provided for in this Agreement; and for all other damages sustained by us as a result of your breach of this Agreement.

12.4.2 Accelerate the balance of any outstanding installment obligation due hereunder and bring an action for the entire accelerated balance.

12.4.3 Bring an action for temporary or permanent injunctions and orders of specific performance enforcing the provisions of this Agreement and otherwise stop you, your Principal Operator, Principal Owners and other owners, and Affiliates from engaging in actions prohibited hereby, including, without limitation: (a) improper use of the Marks or System; (b) unauthorized assignment of this Agreement; (c) violation of any of the restrictive covenants; and (d) your failure to meet or perform your obligations upon termination or expiration of this Agreement.

12.4.4 Terminate this Agreement and proceed to enforce our rights under the appropriate provisions of this Agreement.

12.4.5 If you operate the Business after Transfer, repurchase, termination or expiration; use any of the Marks or any aspect of the System; violate any restrictive covenant after any termination, or Transfer, then, in addition to any remedies provided above, and in addition to any other remedies in law or equity (all of which shall be cumulative and shall not be deemed to be an election of remedies to the exclusion of other remedies), our remedies will include, but will not be limited to, recovery of the greater of: (a) all profits earned by you in the operation of the business using our or our Affiliates' Marks or System after such Transfer, repurchase, termination, or expiration; and/or (b) all Royalty Fees, advertising contributions, and other amounts which would have been due if such Transfer, repurchase, termination, or expiration had not occurred; and/or (c) any other remedies available in law or equity.

12.4.6 Further, you agree that, in the event you continue to operate or subsequently begin to operate any other business, you will not use any reproduction, counterfeit, copy, or colorable imitation of the Marks, either in connection with such other business or in the promotion thereof, which is likely to cause confusion, mistake, or deception, or which is likely to dilute our exclusive rights in and to the Marks and the System, and you further agree not to utilize any designation of origin or description or representation which falsely suggests or represents an association or connection with us or our Affiliates.

12.5 State or Federal Law Prevails

IF ANY MANDATORY PROVISIONS OF GOVERNING STATE LAW PROHIBIT TERMINATION OF THE FRANCHISE AGREEMENT AS DESCRIBED HEREIN, OR IF THE SAME OTHERWISE LIMIT OUR RIGHTS TO TERMINATE BY IMPOSING DIFFERENT RIGHTS OR OBLIGATIONS AS ARE FOUND HEREIN, THEN SUCH MANDATORY PROVISIONS OF STATE LAW SHALL BE DEEMED INCORPORATED INTO THE AGREEMENT BY REFERENCE AND SHALL PREVAIL OVER ANY INCONSISTENT TERMS IN THE AGREEMENT. IF NO SUCH LAW EXISTS, OR IF SUCH LAW EXISTS BUT PERMITS YOU TO AGREE TO ABIDE BY THE TERMINATION

PROVISIONS AS SET FORTH HEREIN INSTEAD OF THAT STATE LAW, THEN YOU AGREE THAT THE TERMS OF THIS AGREEMENT SHALL PREVAIL.

12.6 Action Against Us

Subject to the limitations of actions as found in Section 12.5 that requires you to take any action before the expiration of the time limit found therein, prior to starting any legal action against us or any of our officers, agents, or employees, you agree to first give us 60 days' prior written notice and an opportunity to cure any alleged act or omission within that time period. If such act or omission cannot be cured within such 60-day period, and we are diligently continuing efforts to attempt to cure such alleged act or omission, you will give us such additional time as is reasonably necessary to cure, which time shall not exceed an additional 60 days. If we fail to complete such cure in a timely fashion, then you have such rights as are permitted in this Agreement.

ARTICLE 13

YOUR OBLIGATIONS UPON TERMINATION OR EXPIRATION

13.1 Obligations upon Termination or Expiration

13.1.1 Upon termination or expiration of this Agreement for any reason, your rights under this Franchise Agreement shall terminate and you shall:

d) immediately modify the Business premises so that it will be easily distinguished from the standard appearance of a YESCO® business. You agree that if you fail or refuse to immediately complete such modifications, we or our designated agents have the right but not the obligation to enter the premises of the former Business to make such modifications, at your risk and expense, without responsibility for any actual or consequential damages to your property or others, and without liability for trespass or other tort or criminal act. You agree that your landlord and any other relevant parties may accept this Agreement as evidence of our right to effect such modifications and you appoint us as your attorney-in-fact for the above modifications;

e) immediately modify the former Business vehicles(s) so that they are easily distinguished from the standard appearance of YESCO® vehicles. Such modifications include changing the color of the vehicle(s) so that they are no longer red, and removing any graphics associated with the Marks. You agree that if you fail or refuse to immediately complete such modifications, we or our designated agents have the right but not the obligation to tow and/or impound such vehicle(s) and make such modifications, at your risk and expense, without responsibility for any actual or consequential damages to your property or others, and without liability for trespass or other tort or criminal act. You agree that any relevant parties may accept this Agreement as evidence of our right to undertake such actions and effect such modifications, and you appoint us as your attorney-in-fact to undertake such actions and effect such modifications. ;

13.2.3 you will have no equity or other continuing interest in this Agreement.

ARTICLE 14

RIGHT TO PURCHASE

14.1 Right to Purchase

Except as otherwise provided in ARTICLE 11, which shall prevail in the instance of a Transfer, upon expiration or termination of this Agreement you hereby grant to us and our designees the right, but not the obligation, to acquire all or any part of your inventory, equipment, signs and accessories, and other personal property relating to the Business or this Agreement at the then-existing “Fair Market Value” (as below defined) of such item or items as of the date of expiration or termination of this Agreement.

14.1.1 For purposes of this Agreement, “**Fair Market Value**” shall be deemed to be the value that a reasonable person who is under no duress or obligation would pay for the item that is being sold by a seller who is under no duress or obligation. If the Parties do not agree to the Fair Market Value, it will be established by an independent appraisal. The appraisal shall be done at our expense by an appraiser selected by us but who is independent and disinterested in the outcome of any such valuation.

14.1.3 We must exercise this option within 30 days of such expiration or termination by giving written notice to you of our intent to exercise our option to purchase. Unless otherwise agreed by you, the purchase price as determined hereunder shall be paid in cash within the option period.

RELATIONSHIP BETWEEN THE PARTIES

15.1 Independent Contractor

15.1.1 In all matters as between you and us, or between you and the public, you are an independent contractor. Nothing in this Agreement or in the franchise relationship constitutes a partnership, agency, joint venture or other arrangement between you and us or our Affiliates. Neither Party is liable for the debts, liabilities, taxes, duties, obligations, defaults, compliance, intentional acts, wages, negligence, errors, or omissions of the other.

15.1.2 You are responsible for the management and control of the Business and this Agreement, including, without limitation, (i) the daily operations of the Business, (ii) locating,

interviewing, hiring, managing, scheduling, supervising, directing, compensating, disciplining and firing all employees and salespersons of the Business, and (iii) paying all costs and expenses of the Business.

15.1.3 The Parties agree not to hold themselves out by action or inaction, contrary to the foregoing.

15.1.4 None of your employees shall be deemed our employee or subject to our supervision or control, and each employee shall be so notified by you. As used herein, “we” also means our predecessors, Affiliates, and our officers, directors, shareholders, employees, agents, or others whose conduct we are responsible for.

15.1.5 Neither Party shall act or have the authority to act as agent for the other, and neither Party shall guaranty the obligations of the other or in any way become obligated for the debts or expenses of the other unless agreed to in writing in advance.

15.2 No Fiduciary Relationship

It is understood and agreed between us that this Franchise Agreement does not establish a fiduciary relationship between us or any of our Affiliates and you, and that nothing in this Agreement is intended to constitute either Party an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of the other for any purpose whatsoever.

15.3 Posting of Signs

You agree to post promptly and maintain any signs or notices specified by us or by applicable law indicating the status of the parties as described above.

ARTICLE 16

INDEMNIFICATION

16.1 Indemnification

16.1.1 You agree to and will indemnify and hold harmless us, our Affiliates, and their respective shareholders, directors, officers, managers, members, employees, agents, successors, and assignees (the “**Indemnified Parties**”), and to reimburse them for all “**Claims**” (as defined below), obligations, and damages, and any and all claims and liabilities directly or indirectly arising out of or relating to your operation of the Business or the Office; your ownership or possession of real or personal property; any negligent act, misfeasance or inaction by you or any of your agents, contractors, servants, employees, licensees or invitees; your use of the Marks and System, and, your performance or non-performance of this Agreement.

16.1.2 For purposes of indemnification, “**Claims**” shall include any claim against us or any of the other Indemnified Parties arising out of or relating to your performance under this Agreement, the System, the Manuals and the Marks and will include, and not be limited to, any claim for breach of contract, premises liability, or claims arising from: your operation of the Business and the premises in which the Business is located; your performance under this Agreement; your performance under the System; your use of the Manuals; your use of the Marks; your obligations of indebtedness or other financial obligations, or any other damages, causes of action, tort claims, or any

other claim in law or equity against us which may arise from or relate to your negligent or otherwise wrongful acts or omissions in connection with this Agreement or your operation of the Business, including without limitation any claims that you or your owners, employees, agents or independent contractors are our employees, agents or independent contractors or claims regarding violations of labor or employment laws or regulations or negligent or otherwise insufficient or improper training by you, us, or our Affiliates.

16.1.3 Included in indemnification shall be the reimbursement or direct payment by you of any award, damage, consequential damages, and costs reasonably incurred in the defense of any claim against the Indemnified Parties, including, without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses.

16.1.4 You are obligated to defend the Indemnified Parties against any Claims and we have the right to control any litigation or other proceeding arising out of any Claims against the Indemnified Parties. Notwithstanding your obligation to defend the Indemnified Parties, we have the right to hire counsel of our own choosing to represent our interests, the reasonable cost of which you shall pay.

16.1.5 In any and all Claims against the Indemnified Parties by any of your employees, anyone directly or indirectly employed by you or anyone for whose acts you may be liable, the indemnification shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for you under workers' compensation acts, disability benefit acts or other employee benefit acts.

16.1.6 This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement and shall continue for any applicable limitation of actions statute.

ARTICLE 17

RESTRICTIVE COVENANTS

17.1 In-Term Covenant Not to Compete

17.1.1 The Parties share a common interest in avoiding situations where persons or companies who are, or have been franchisees within the System, operate or otherwise become involved with a similar competing business either during or after the termination of this Franchise Agreement for any reason.

17.1.2 Therefore, during the Initial Term, any Interim Period and any Successor Franchise Terms, you agree that you, your Principal Operator and Owners, and all others in active concert or participation with you in the Business shall refrain in any capacity or at any location from: directly or indirectly owning, operating, leasing, franchising, conducting, consulting with, engaging in, having any interest in, assisting any person or entity engaged in for your own account, acting as an employee, consultant, partner, officer, director or shareholder of any other person, firm, entity, partnership or corporation engaged in a Competitive Business, except with our prior written consent, which we have the right to withhold for any or no reason. In addition, you shall not participate in

conflicting enterprises or any other activities that would be detrimental to, or interfere with, the operations of the Business.

17.1.3 You, your Principal Operator, and your Principal Owners and all other owners, as well as any agents, servants, employees and all others in active concert or participation with you in the Business shall execute a non-competition agreement, in the form we designate. A copy of our current form Confidentiality and Non-Competition Agreement is attached as Exhibit D, although we have the right to periodically modify this form document. Any Confidentiality and Non-Competition Agreements signed pursuant to this Agreement shall survive the termination or expiration of this Agreement.

17.2 Post-Term Covenant Not to Compete

17.2.1 Upon termination or expiration of this Agreement for any reason, or upon the occurrence of any transfer, repurchase, or termination of your rights hereunder, and for a period of two years thereafter, you agree that you, your Principal Operator, your Principal Owners and all other owners, agents, servants, and employees, shall refrain from: directly or indirectly owning, operating, leasing, franchising, conducting, consulting with, engaging in, having any interest in, assisting any person or entity engaged in, for your own account, or acting as an employee, consultant, partner, officer, director, or shareholder of any other person, firm, entity, partnership, or corporation engaged in any Competitive Business which operates within the Territory, within 50 miles of the outer boundary of the Territory, or within 50 miles of the outer boundary of, the territory of any other YESCO® business owned by us, our Affiliate, or any other YESCO® franchisee. You agree that the two-year period described in this Section will not run during any period in which you are in breach of the covenant or any other period during which we seek to enforce this Agreement.

17.3 No Disclosure

You, and your Principal Operator, and Principal Owners and all other owners, agree that during the Initial Term and any Successor Franchise Term or at any other time after the termination of this Agreement (or any Successor Franchise Agreement) for any reason, each will refrain from making any unauthorized disclosure or use of any component of the System or the Confidential Information.

17.4 Protection of Employees, Trades and Customers

17.4.1 During the Initial Term, any Successor Franchise Term, and after termination or earlier expiration of this Agreement for a period of the lesser of: (i) five years, or (ii) the maximum period allowed by applicable law:

a) neither you, nor any employee, Principal Operator, or Principal Owner or any other owners will divert or attempt to divert any business or customer of the Business, or of any other YESCO® Business, to any business or entity that provides services similar to YESCO® business or our Affiliates by direct or indirect inducement or advertising or otherwise do or perform, directly or indirectly, any other act which is injurious or prejudicial to the goodwill associated with the System or the value of the Marks; and

b) you, and your Principal Operator, and your Principal Owners and all other owners agree not to seek to induce the customer of any YESCO® business to a Competitive Business.

17.4.2 You agree that any violation of this ARTICLE 17 would result in irreparable injury to us, our Affiliates and the System and that we would be without an adequate remedy at law. Therefore, you agree that in the event of a breach or threatened breach of this Agreement, we will not be required to prove actual or threatened damage from such breach in order to obtain a temporary or permanent injunction and a decree for specific performance of the terms of this ARTICLE 17. In addition to injunctive relief, we shall be entitled to any other remedies which we may have under this Agreement, at law or in equity.

17.4.3 The Parties agree that each of these covenants will be construed as independent of each other and of any other covenant or provision of this Agreement. If all or any portion of a covenant in this ARTICLE 17 is held unenforceable by a court having valid jurisdiction, you expressly agree to be bound by the remaining portion of such covenant.

17.5 Survival

The foregoing restrictive covenants shall survive the termination or expiration of this Agreement and shall apply regardless of whether this Agreement was terminated by lapse of time, by default of either Party, or for any other reason.

17.6 Reasonable Restriction and Savings Clause

17.6.1 The covenants found in this ARTICLE 17 are intended to be a reasonable restriction on you and those others identified above. The Parties agree that the purpose of these restrictions is to protect the entire franchise system from unfair competition and to protect the goodwill, and time and effort spent by us in creating the Marks, the System, the YESCO® Software, and the Confidential Information. You acknowledge and agree that we would not have shared the System and Confidential Information with you unless you agreed to be bound by the terms of this ARTICLE 17.

17.6.2 You further represent that you have skills of a general and specific nature and have other opportunities, or will have other opportunities, to use such skills, and that the enforcement of these covenants will not unduly deprive you of the opportunity to earn a living.

17.6.3 For purposes of interpretation of the covenants found in this ARTICLE 17, every location of a Business, every month of time, each mile of distance, or any other restriction shall be considered severable. In the event a court of competent jurisdiction interprets a spatial, temporal, or other limitation in any of the above restrictive covenants to be overly broad, then the court shall adjust the offending limitation, in the most limited manner possible, so as to fashion a reasonably enforceable covenant which upholds the restrictive nature of this ARTICLE to the fullest extent of the law.

17.6.4 If you are a business entity of any nature and are otherwise not signing this Agreement individually, this ARTICLE 17 will apply to your Principal Operator and Principal Owners and all other owners, and all entities under common control with you, as well as all those acting in active consent or participation with you.

ARTICLE 18

DISPUTE RESOLUTION

18.1 Resolution Before Litigation

The Parties acting on behalf of their respective officers, directors, shareholders, members, managing members, and any holder of an equitable interest in any limited liability entity, as well as their agents, servants, employees, and all others participating with them believe that it is important to resolve any disputes amicably, quickly, cost effectively, and professionally and to return to business as soon as possible. The Parties agree that the provisions of this ARTICLE 18 support these mutual, practical business objectives, and, therefore, agree as follows:

18.1.1 Except as described below, any litigation, claim, dispute, suit, action, controversy, or proceeding of any type whatsoever, including any claim for equitable relief and/or where you are acting as a “private attorney general” suing pursuant to a statutory claim, or otherwise, between or involving us (and/or any Affiliates of any Party) on whatever theory and/or facts-based, will be processed in the following manner:

a) First, the Party complaining and the Party against whom the complaint is alleged agree to meet in a face-to-face meeting held within 15 days after any Party gives written notice to the other. In the event that either Party fails to have a face-to-face meeting for any reason within 15 days following written notice, then the complaining Party may file an action in accordance with the terms of this Agreement.

b) Second, if the issues between the Parties cannot be resolved within the 15-day time period following written notice, with or without a face-to-face meeting, upon the agreement of both Parties, the matter may be submitted to non-binding mediation, with each Party paying an equally proportionate amount of the cost. Any Party may be represented by counsel and may, with permission of the mediator, bring persons appropriate to the proceeding. The Parties shall agree upon the mediator. If the Parties cannot agree upon the mediator, or any Party is non-responsive to requests for mediation after 15 days written notice, then the complaining Party may file an action in accordance with the terms of this Agreement.

c) If the mediation does not resolve the matter, or if any Party refuses to mediate, or fails to cooperate reasonably in mediating, or the Parties are unable to agree to mediate within three business days of an offer to mediate then the Parties to the controversy agree that the disagreement shall be submitted to and finally resolved by litigation, as set forth in Sections 18.2 through 18.10.

18.2 Litigation

Any dispute not resolved by mediation or other negotiation may only be submitted to a court of competent jurisdiction for resolution in accordance with the limitations described in this ARTICLE 18.

18.3 Confidentiality

The parties to any meeting/mediation/litigation will sign confidentiality agreements, excepting only public disclosures and filings as are required by law.

18.4 Venue and Jurisdiction

Any meetings or mediations that arise pursuant to Section 18.1.1 will be conducted exclusively at a neutral location in Salt Lake County, Utah, unless the Parties mutually agree on another location in writing. Except as described in Section 18.5, any disputes, claims and controversies between the Parties not resolved by mediation or other negotiation may only be submitted for resolution to the federal or state courts situated in Salt Lake County, Utah, and the Parties hereby irrevocably submit to the jurisdiction of these courts. Notwithstanding the above, if any court determines that this provision is unenforceable for any reason, mediation or litigation (and any appeal) will be conducted at a location determined by the court, but within the State of Utah.

18.5 Disputes Not Subject to the Mediation Process

The following claims are not subject to the mediation and litigation provisions of this ARTICLE 18:

18.5.1 an action for injunctive relief and any related incidental damages;

18.5.2 an action for disputes or claims related to or based on the Marks or the Confidential Information;

18.5.3 an action arising from your notice of intent to cease operation of the Business;

18.5.4 an action to enforce any covenant not to compete; and

18.5.5 an action to prevent the disclosure of or misuse of Confidential Information or trade secrets.

Subject to the requirements of applicable law, either Party may bring a claim based on the foregoing in the federal or state courts situated in Salt Lake County, Utah, or in any other court of competent jurisdiction, and the Parties hereby submit to the jurisdiction of these courts. The Parties agree that the other may obtain such injunctive relief after posting a bond or bonds totaling no more than \$500. In event of the entry of such injunctive relief, the sole remedy of the enjoined Party shall be to seek the dissolution of such injunctive relief, if warranted, upon hearing duly had; provided, however, all claims for damages by reason of the wrongful issuance of any such injunction are hereby expressly waived.

18.5.6 THE PARTIES BOTH AGREE TO WAIVE THE RIGHT TO A JURY TRIAL AND TO BE AWARDED EXEMPLARY, TREBLE, PUNITIVE, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES IN ANY ACTION BROUGHT IN REFERENCE TO THE RELATIONSHIP BETWEEN THE PARTIES OR THIS AGREEMENT. THIS WAIVER DOES NOT AFFECT, AND WILL NOT LIMIT IN ANY MANNER, THE DAMAGES THAT WE CAN SEEK UNDER THE DAMAGES PROVISION IN SECTION 12.4 AND THE INDEMNIFICATION PROVISIONS OF ARTICLE 16.

18.6 Governing Law and Waiver

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Section 1051 *et seq.*), the Federal Arbitration Act or other federal law, the Parties' rights under this Agreement, and the relationship between the Parties is governed by, and will be interpreted in accordance with, the laws (statutory and otherwise) of the State of Utah. You waive, to the fullest extent permitted by law, the rights and protections that might be provided through the laws of any state relating to franchises or business opportunities, other than those of the state where the Territory is located.

18.7 Our Rights

Whenever this Agreement provides that we have a certain right, that right is absolute and the Parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

18.8 Our Reasonable Business Judgment

Whenever we reserve or are deemed to have reserved discretion in a particular area or where we agree or are deemed to be required to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise Reasonable Business Judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System include without limitation enhancing the value of the Marks, improving customer service and satisfaction, improving service or product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System. We are not required to consider any of your or any other franchisee's particular economic or other circumstances when exercising our Reasonable Business Judgment. Decisions we make using our Reasonable Business Judgment will not affect all franchisees equally, and some may be benefited while others are not. Neither you nor any third party (including without limitation a court of competent jurisdiction), shall substitute its judgment for our Reasonable Business Judgment.

As part of our use of Reasonable Business Judgment, and in order to timely respond to market conditions and the needs and wishes of customers to the Businesses, we reserve the right to vary any standard of the System, the Marks or the Manuals.

18.9 The Intentions of the Parties

The Parties mutually agree, have expressly had a meeting of the minds, and expressly intend that notwithstanding any contrary provisions of state or other law, and/or any statements in the franchise disclosure document required by a state as a condition to registration or for some other purpose:

18.9.1 all issues and disputes relating to litigation of issues (including whether or not any particular claim, the limitation of damages, venue, choice of laws, shortened periods in which to

bring claims, jurisdiction, or the interpretation or enforcement of any of the dispute-resolution-related provisions of this Agreement) will be decided by the applicable court of competent jurisdiction;

18.9.2 all provisions of this Agreement (including the language of this ARTICLE) will be fully enforced, including, but not limited to, those relating to dispute resolution, waiver of jury trial, limitation of damages, venue, choice of laws, and shortened periods in which to bring claims; and

18.9.3 the terms of this Agreement (including, but not limited to, this ARTICLE) will control with respect to any matters of choice of law.

18.10 Mutual Waivers; Injunction Excepted

18.10.1 The Parties each agree that each specifically recognizes that each has the right to a trial by jury in a court and, being advised of the same, each hereby waives such right;

18.10.2 The Parties each understand and agree that any matters concerning the relationship between each Party shall be done on an individual basis and shall not be brought as a class action, or with multiple unrelated franchisees (whether as a result of attempted consolidation, joinder, or otherwise).

18.10.3 The Parties agree that the limitations of this Section are prudent from a business standpoint because: (a) the mediation and litigation procedures contemplated by this Agreement function most effectively on an individual case basis; (b) there are significant factors present in each individual Party's situation which should be respected; and (c) class-wide or multiple plaintiff disputes do not foster quick, amicable, and economic dispute resolutions.

18.10.4 EACH PARTY AGREES THAT IT HAS THE RIGHT TO SEEK DAMAGES THAT ARE IN ADDITION TO THE ACTUAL MONETARY LOSS THAT CAN BE PROVEN, WHICH WOULD INCLUDE, BUT NOT BE LIMITED TO, SUCH DAMAGES AS CONSEQUENTIAL, EXEMPLARY, TREBLE, SPECIAL, INDIRECT AND PUNITIVE DAMAGES. BEING ADVISED OF THE SAME, EACH PARTY WAIVES SUCH DAMAGES THAT MAY BE IN ADDITION TO ANY ACTUAL MONETARY DAMAGES SUFFERED. THIS WAIVER DOES NOT AFFECT, AND WILL NOT LIMIT IN ANY MANNER, THE DAMAGES THAT WE CAN SEEK UNDER THE DAMAGES PROVISION IN SECTION 12.4 AND THE INDEMNIFICATION PROVISIONS OF ARTICLE 16.

18.10.5 In any event, any federal, state or local governmental limitations on punitive, exemplary, multiple, or similar damages will apply, and any award by a court in excess of such limitations will be in excess of legal authority and void.

18.11 One Year Limitation of Action

18.11.1 Except for an alleged violation of the Marks (which may be brought at any time) and for actions described under Section 18.11.3, no litigation, action, or suit (whether by way of claim, counter-claim, cross-complaint, raised as an affirmative defense, offset, or otherwise) between us will be permitted, whether for damages, rescission, injunctive, or any other legal and/or equitable relief in respect of any alleged breach of this Agreement, or any other claim of any type, unless such Party commences such proceeding, action, or suit before the expiration of one year from the date on which the facts giving rise to the cause of action comes to the attention of, or using reasonable diligence

should have come to the attention of, such Party. The one-year period will begin to run and will not be tolled merely because the claiming Party was unaware of legal theories, statutes, regulations, or case law upon which the claim might be based.

18.11.2 Notwithstanding the foregoing, if any federal, state or local governmental law provides for a shorter limitation period than is described in this Section, then such shorter period will govern.

18.11.3 This subsection will not apply to issues of nonpayment of royalties and other fees or indemnification and such actions under the indemnification covenant may be brought within the period provided by any limitation-of-action statute under the laws of the State of Utah.

18.12 Survival of Obligations

Each provision of this ARTICLE 18 will be deemed to be self-executing and continue in full force and effect subsequent to and notwithstanding the expiration, termination, rescission, or finding of unenforceability of this Agreement (or any part of it) for any reason.

ARTICLE 19

INSURANCE

19.1 Insurance is Required

Prior to commencing operation of the Business, you will purchase and maintain in full force and effect during the Initial Term of this Agreement and any Interim Period an insurance policy or policies protecting the Parties, and the officers, directors, Principal Owners and all other owners, Affiliates and employees of each against any loss, liability, personal injury, death, property damage or expense whatsoever arising or occurring upon or in connection with the operation of the Business.

19.2 Insurance Coverage

You agree to obtain, before commencing operation of the Business, and will maintain in full force and effect during the Initial Term and any Interim Period, at your sole cost and expense, policies of insurance with the minimum coverage we periodically prescribe that include policies of insurance protecting the Parties against any and all loss, liability or occurrence, arising out of or in connection with the construction, condition, operation, use or occupancy of the Business, the Office and the Office premises, which as of the Effective Date, include the following:

19.2.1 Comprehensive general liability insurance covering liability claims for bodily injury and property damage, personal and advertising injury and medical expense claimed by any person or organization arising from premises, on-going operations, independent contractors, and products-completed operations, and contractual liability coverage assumed under an insured contract (including the tort liability of another assumed in a business contract). The limits of liability will not be less than \$1,000,000 each occurrence, \$2,000,000 General Aggregate applicable separately to each project, \$2,000,000 Products/Completed Operations Aggregate, and \$10,000 Medical Expense. You agree to continue to procure and maintain product-completed operations coverage for a period of at least seven years after expiration of the Initial Term and any Interim or Period;

19.2.2 Employers' liability insurance in an amount not less than \$1,000,000 each accident, \$1,000,000 each disease, and \$1,000,000 per occurrence;

19.2.3 Automobile liability insurance in reference to the vehicle or vehicles that are used in the operation of the Business: automobile liability coverage for owned, non-owned, scheduled and hired vehicles having combined single limit of \$1,000,000;

19.2.4 Follow-form excess liability coverage for general, employers' and automobile liability in an amount of not less than \$4,000,000;

19.2.5 Workers' Compensation Insurance as required by state law in the states where the Business is operated; and

19.2.6 Employment Practices Liability Insurance ("EPLI") coverage in an amount not less \$200,000.

19.3 Insurance Coverage Additional Requirements

Each of the policies of insurance required by Section 19.2 must comply the additional requirements we periodically prescribe, which, as of the Effective Date, include the following:

19.3.1 Be provided by an insurance company rated A- VII or better by Best Insurance Ratings Service;

19.3.2 Provide primary, noncontributory coverage;

19.3.3 Provide us actual notification in case of material alteration, termination, non-renewal, cancelation, and/or your failure to make timely premium payments;

19.3.4 Waive subrogation rights against us, our Affiliates, and their officers, directors, employees, and agents;

19.3.5 Be written on an occurrence basis; and

19.3.6 Name us, our affiliates, and us and our affiliates' respective directors, officers, employees, and agents as non-contributory additional insureds on such policies (with the exception of workers' compensation insurance and EPLI) by a policy provision or an endorsement form we periodically prescribe, which as of the Effective Date, must be an endorsement form at least as broad as Insurance Service Office (ISO) forms CG 2010 and CG 2037 for general liability insurance.

19.4 Policies, Endorsements, and Insurance Certificates

Prior to commencing operations of the Business and thereafter at least 30 days prior to the expiration of any such policy or policies or upon our request, you shall deliver to us a copy of the actual policy or policies of insurance issued by the insurer, along with all certificates of insurance, endorsements and other proof of insurance we periodically prescribe evidencing the proper coverage with limits not less than those required in this Agreement. You agree that our acceptance of an insurance certificate that does not comply with our insurance coverage requirements does not constitute a waiver of our right to require your full compliance with this ARTICLE 19.

19.5 No Limitations on Coverage

Your obligation to obtain and maintain, or cause to be obtained and maintained, the above policy or policies in the amounts specified shall not be limited in any way by reason of any insurance that may be maintained by us, nor shall your performance of these obligations relieve you of liability under the indemnity provisions set forth herein. Your obligation to obtain and maintain insurance in accordance with this ARTICLE 19 shall not be limited in any way by reason of applicable workers' compensation statutes, nor any insurance that we may maintain. Your procurement of insurance will not relieve you of liability under the indemnification obligations described in ARTICLE 16. Your insurance procurement obligations under this ARTICLE 19 are separate and independent of your indemnification obligations. We do not represent or warrant that any insurance that you are required to purchase will provide adequate coverage for you. The requirements of insurance specified in this Agreement are for our protection. You should consult with your own insurance agents, brokers, attorneys and other insurance advisors to determine the level of insurance protection you need and desire, in addition to the coverage and limits we require.

19.6 Subcontractor Coverage

You agree that you will require all of your subcontractors and independent agents to maintain the same levels of insurance as is required by this Agreement.

19.7 We May Procure Insurance Coverage

Should you, for any reason, fail to procure or maintain the insurance required by this Agreement, as described from time to time by the Manuals or otherwise in writing, we shall have the right and authority (but no obligation) to procure such insurance and to charge the same to you; said charges, together with a reasonable fee for our expenses in so acting, shall be immediately payable to us by you.

ARTICLE 20

MISCELLANEOUS

20.1 Modification

This Agreement may only be modified in a written agreement which is signed by all Parties to this Agreement. You acknowledge and agree that we have the right to modify our standards, specifications, and operating and marketing procedures, including those set forth in the Manuals, unilaterally and under any conditions and to the extent to which we deem necessary to protect, promote, or improve the Marks and the quality of the System in general, and the same shall be binding on you.

20.2 Terms of Offer

This Agreement describes the terms and conditions on which we currently offer YESCO® franchises to new franchisees. We may offer YESCO® franchises under different terms and

conditions in order to enhance, build, and preserve the system and are not required to offer the same terms to you.

20.3 Your Representations

You covenant, represent, and warrant as follows and acknowledge and agree that we are relying upon such covenants, representations, and warranties in making your decision to enter into this Agreement:

a) You acknowledge and agree that you have received and have read this Agreement and all Exhibits attached hereto. Specifically, you have been advised by us to seek out and use professional counsel of your choosing in order to interpret any terms, covenants, or conditions of this Agreement and advise on the relationship overall. It is your sole and exclusive obligation to obtain such counsel, and we will not provide any legal, financial, or other counsel in reference to this Agreement.

b) You have adequate funding to purchase and operate the Business and, as a result, are financially capable of undertaking the risks involved in the opening and operation of any business.

c) All statements made by you in writing in connection with your application for this Agreement were true when made and continue to be true as of the date of this Agreement.

d) Any training, support, advice, assistance or resources we provide to you in connection with the Business is solely for the purpose of protecting the Marks and goodwill associated with the System and assisting you in the operation of the Business, and not for the purpose of controlling or in any way exercising or exerting control over your decisions or the day-to-day operation of the Business, including your personnel-related decisions.

e) You are not a party to any litigation or legal proceedings other than those which have been disclosed to us by you in writing. You know of no circumstances that would lead to litigation against you in the future.

f) You and your Principal Owners and all other owners agree to comply with and/or to assist us to the fullest extent possible in our efforts to comply with Anti-Terrorism Laws. As a result, you and your owners certify, represent, and warrant that: (1) none of their property or interests is subject to being “blocked” under any of the Anti-Terrorism Laws and that you and your owners are not otherwise in violation of any of the Anti-Terrorism Laws; (2) none of them is listed in the Annex to Executive Order 13224; (3) you will refrain from hiring (or, if already employed, retain the employment of) any individual who is listed in the Annex; (4) you have no knowledge or information that, if generally known, would result in you, your owners, employees, or anyone associated with you to be listed in the Annex to Executive Order 13224; (5) you are solely responsible for ascertaining what actions it must take to comply with the Anti-Terrorism Laws, and you specifically acknowledge and agree that your indemnification responsibilities set forth in this Agreement pertain to your obligations under this subsection; and (6) any misrepresentation under this subsection or any violation of the Anti-Terrorism Laws by you, your owners, agents, and/or employees shall constitute grounds for immediate termination of this Agreement and any other agreement you have entered with us or any of our Affiliates.

For purposes of this Agreement, “Anti-Terrorism Laws” means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations, and other regulations found at 31 CFR 515, 595, 597, and any laws which now pertain or which may in the future pertain to the matters of this Section.

20.4 Entire Agreement - Merger

20.4.1 This Agreement, including all exhibits and addenda, including without limitation the Closing Acknowledgment attached as Exhibit E, contains the entire agreement between the Parties and supersedes any and all prior oral, written, express, or implied agreements, statements or understandings concerning the subject matter hereof. However, nothing in this Agreement or any related agreement is intended to disclaim the representations we have made in the Franchise Disclosure Document we provided to you.

20.4.2 You agree and understand that we will not be liable or obligated for any oral representations or commitments made prior to the execution hereof or for claims of negligent or fraudulent misrepresentation based on any such oral representations or commitments and that no modifications of this Agreement shall be effective except those in writing and signed by both Parties.

20.5 Delegation

In the event a second trip becomes necessary, you must obtain written approval from us prior to dispatch.

3.4. Materials and Equipment

We may, but do not have to, provide you goods and equipment in connection with the Work. Any goods or equipment provided to you will remain our sole property. Upon receipt of goods or equipment, you will assume full responsibility of handling and safekeeping the same until the Work is completed and accepted. You must inspect the goods or equipment for damage and appropriate quantities and must provide us with a signed freight bill denoting such damage, defect, or shortage within twenty-four (24) hours of receipt. Shipping damages, while in transit, are the responsibility of the common carrier. Visible damage or incorrect quantities should be noted by you on the delivery receipt before accepting delivery. Concealed damage must be reported to the carrier within fifteen (15) days after receipt of shipment and a concealed damage report secured. If damage has occurred it is your responsibility to provide us with photos that clearly evidence the damage. Do not destroy or remove cartons and/or crates until the inspection has been completed. Your claim can be filed with the carrier and costs recovered from them. All damage must be repaired or corrected before the goods or

equipment are dispatched. Upon acceptance of the Work, and remaining goods or equipment must be immediately returned to us.

3.5. Check-in/Check-out Procedures

You will be required to follow certain procedures when accessing and leaving a Work location. These procedures will be designated in the applicable Work Order, the Manuals, or in writing from time to time.

3.6. Subcontracting

Issuance of a Work Order shall constitute a binding agreement between us and you and shall remain in force until completion or other disposition is made. No Work associated with this Agreement is to be further subcontracted by you, except that portion which you are not equipped or licensed to perform. You must notify us in writing, provide us with a copy of the Subcontractors Insurance Certificate for the same coverage that is required of you, and obtain permission from us in writing before any subcontracting will be permitted under any circumstance.

3.7. Changes to the Work

We have the right, by written change order, to modify the scope of the Work in a particular Work Order or to modify the General Work Standards in this section 3 in order to meet the demands of specific customers, or to improve the same. The Parties will use reasonable best efforts to determine the adjusted compensation resulting from such modification(s). Should the Parties be unable to agree as to the value of any work to be added, deleted or altered, you must proceed with the Work promptly upon written order from us, and the amount due for the disputed Work shall be resolved as provided herein.

3.8. Acceptance of the Work

Upon completion of the Work pursuant to a Work Order, you must obtain the customer's acceptance of the Work. We may designate certain methods of acceptance to you in writing from time to time, which may be different depending on the customer. You must obtain acceptance from the Customer in the manner we designate. We may reject or revoke acceptance of any of your Work that is, in our sole discretion, defective and/or does not conform to the requirements set forth herein or does not conform to the terms of a particular Work Order.

3.9. Obligations to Owner

You agree to assume all obligations and responsibilities that we assume to the Customer (including, without limitation, warranty obligations) pursuant to our agreements with the Customer, the ultimate beneficiary of the Work. Where a provision of such agreements between YESCO and the Customer are inconsistent with a provision of this Agreement, this Agreement shall govern, except in the case of warranty terms that exceed the terms of this Agreement. All agreements between us and the Customer are available to you upon written request; provided, however, that we may redact confidential information pertaining to such agreements in our discretion. You agree to obligate any of your permitted

subcontractors to the provisions of this paragraph to the same extent that you are obligated to us and the Customer.

4. NON-SOLICITATION

During the term of this Agreement you agree not to engage in any activity either independently, or by agreement, or by any arrangement with another person or entity in the solicitation of business or the direct solicitation of Work arising from any Work that we refer to you without our prior written consent, which we may withhold for any reason.

5. COMPENSATION

We agree to pay you pursuant to the schedule of compensation set forth in the Manuals or as is designated in a particular Work Order. Unless otherwise set forth in the Manuals, the Work Order, or otherwise approved in advance and in writing, we won't be liable for any other compensation or reimbursements (including charges for shipping, packaging, storage, insurance, duties, regulatory fees and applicable taxes) relating to performance of the Work, including overtime charges. We may designate a dollar limit or NTE (not to exceed) amount in a Work Order. You are required to notify us to obtain prior written approval if the charge for Work pertaining to the Work Order is going to exceed the NTE amount. No additional payment will be made unless written approval is obtained, prior to service being rendered. We have the right to offset payment to you with reasonably estimated amounts resulting from your breach of this Agreement. We may also withhold or offset payments to you to account for instances of non-payment by National Accounts Program Customers or other customers, including without limitation any such customers' bankruptcy or insolvency, or withholding of payment in connection with performance issues.

We have the right to set off any payment owed to you under this Agreement against any obligation you may have to any Affiliate of Franchisor, including royalty fees and payments under any applicable promissory note.

6. INVOICES

You will submit to us for approval a detailed monthly invoice of the services performed and the charges incurred. Each invoice must provide an itemized list the Work performed, the days, dates and hours worked, materials consumed, and any other charges in the compensation designated in the Manuals, the Work order, or otherwise as designated by us in writing. We have the right to approve or disapprove such invoices. We will pay approved invoices in accordance with our standard payment practices; otherwise, we will notify you that we disapproved, in whole or in part, the invoice(s) and the reasons for such disapproval. We may, in our sole discretion, deduct from the payment a late fee of \$50.00 per invoice in the event that the Work is not completed within the applicable deadline. Invoices submitted without the required documentation will not be considered received until all required documentation is submitted. The following must be included with your invoice:

- a. A copy of the Work Order(s) pertaining to the invoice. The Work Order must have a customer signature and/or stamp (if required).
- b. Photos of completed work (night and day, if lighted, including service work), if requested;

- c. Photos of damage, if applicable; and
- d. Copies of any required permit(s).

7. LIENS AND ENCUMBRANCES

You must timely pay for all materials and labor used in conjunction with the Work, and must keep all personal property at the worksite(s) and all associated real property free and clear of all liens and encumbrances. In our discretion, we may require as a condition precedent to payment that you provide us partial and complete lien and claim waivers, releases, and affidavits, as applicable in a form reasonably acceptable to us, from you and also from all lower tier subcontractors and suppliers who have contributed to the Work.

8. CONFIDENTIALITY

You agree that any information previously or hereafter obtained directly or indirectly from us, or as a result of this Agreement, is our confidential property. You agree not to disclose or use such information except to the extent the same can be shown, by documented evidence, to be in the public domain, generally known in the relevant trade, to have been in your possession prior to receipt from us, or to have been received from a third-party not having confidentiality obligations to us, or unless compelled by judicial process or a regulatory authority having legal jurisdiction.

9. INSURANCE

You agree to comply at all times with the insurance requirements set forth in the Franchise Agreement, including naming us as an additional insured on the policies of insurance required therein.

10. INDEMNIFICATION

You agree to indemnify, defend, and hold us harmless, and waive and release claims made against us to the same extent that you are required to do the same in favor of Franchisor in accordance with Article 16 of the Franchise Agreement, which is incorporated into this Agreement by this reference. Your obligations in this paragraph will survive the termination of this Agreement.

11. REGULATORY COMPLIANCE

You agree and warrant that the Work will be performed in accordance with the applicable laws, regulations, rules, ordinances, actions, and industry standards that may be applicable to the Work. You specifically warrant that you will have the necessary contractors' licenses and other licenses necessary for performing the Work, and that the Work will be in compliance with all safety and environmental laws and regulations applicable to the Work.

12. SAFETY

You are required to perform the Work in a safe and reasonable manner. You must establish a safety program and designate a safety representative; both must implement and establish safety measures, policies, and standards that conform to all applicable rules, regulations, and other lawful requirements established to prevent injury, loss, or damage to persons or property. You must

immediately notify us in writing of any accident requiring medical attention beyond basic first aid or property loss exceeding \$500.00, which results from or relates to your performance of the Work.

13. WARRANTY

You warrant that all Work will be performed in professional, skillful, and workmanlike manner and goods and services provided will be free from defects in workmanship. You must repair and/or replace, at your expense, any defects in materials or workmanship which appear within a period of one (1) year from the date the Work is completed and must remedy any damage resulting therefrom at your sole expense.

14. ASSIGNMENT

You may not delegate your duties under this Agreement or assign this Agreement without YESCO's prior written consent. No assignment of rights or delegation of duties will relieve you from your obligations in this Agreement. Any assignment or delegation of rights not previously approved may be declared void in our discretion. The Parties acknowledge and agree that, in the event of a change in the controlling interest of YESCO, the entity whose controlling interest has changed or its successor in interest, as the case may be, shall have the right to cancel its respective obligations under this Agreement upon written notice to the other Parties.

15. DEFAULT

If you fail to meet any of your obligations under this Agreement, it shall constitute an event of default. In the event of default, we have the right to delegate the Work to a third party in our discretion, and we have the option of no longer referring Work to you. If we chose to refer Work to you after an event of default, it will not preclude us from withholding any subsequent Work. No failure or delay by us in exercising any right, power, or privilege under this Agreement will operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or privilege preclude any other or further exercise thereof.

16. DISPUTES

Any Dispute arising from this Agreement must be resolved in accordance to the dispute resolution provisions set forth in ARTICLE 18 the Franchise Agreement (including without limitation the provisions relating to mediation, litigation, venue and jurisdiction, and governing law and waiver), as if we were the Franchisor party in the Franchise Agreement. The prevailing party in any action arising under this Agreement is entitled to an award of its attorneys' fees and costs.

17. TERM AND TERMINATION

The term of this Agreement will run concurrently with the term of the Franchise Agreement. This Agreement must terminate at the expiration or earlier termination of the Franchise Agreement. In the event that the Franchise Agreement is renewed, we may, in our discretion, require you to sign a new Affiliate Services Agreement with materially different terms.

18. CONTINUING EFFECT

In the event that you furnish services or materials to us during the term of this Agreement, or after, not pursuant to this Agreement or another written agreement between the Parties, such services and materials so provided shall be subject to all of the terms and conditions in this Agreement. The terms of this Agreement shall control over any conflicting provision in a Work Order, purchase order, work authorization, or similar document issued in furtherance of this Agreement.

19. INTERPRETATION

Headings in this Agreement shall not be used to interpret the meaning of any provision hereunder and otherwise shall be given no legal effect.

20. MISCELLANEOUS

Invalidity or unenforceability of one or more provisions in this Agreement shall not affect the validity or enforceability of any other provision. No provision in this Agreement is to be construed for or against any party because that party drafted such provision.

EXECUTED AND AGREED AS OF THE DATE AND YEAR FIRST ABOVE WRITTEN.

Our indemnification obligation will not apply to any franchisee residing outside the state of Minnesota who purchases a franchise to be located outside of Minnesota.

2. Any release executed in connection with the Franchise Agreement shall not apply to any claims arising under Minnesota Statutes 1973 Supplement, Sections 80C.01 to 80C.22, providing that a franchisee cannot be required to assent to a release, assignment, or waiver that would relieve any person from liability imposed by such statutes; provided, however that this shall not bar the voluntary settlement of disputes. Item 17(c) and 17(m) are revised to provide that we cannot require you to sign a release of claims under the Minnesota Franchise Act as a condition to renewal or assignment.

3. With respect to the franchises governed by Minnesota law, we will comply with Minnesota Statute Sec. 80C.14, subdivisions 3, 4 and 5 which require, except in certain specific cases, that we give you 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement, and that consent to the transfer of the franchise not be unreasonably withheld.

4. Minnesota Statute Sec. 80C.21 and Minnesota Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the disclosure document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to a jury trial or any procedure, forum, or remedies provided for by the laws of the jurisdiction. Those provisions also provide that no condition, stipulation or provision in the Franchise Agreement will in any way abrogate or reduce any of your rights under the Minnesota Franchises Law, including, if applicable, the right to submit matters to the jurisdiction of the courts of Minnesota.

5. In the event you breach or threaten to breach any of the terms of this Agreement, we may seek an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining said equitable relief, until such time as the Court makes a final decision. The Court will determine if a bond is required.

6. Item 13 is revised to include the following language:

"To the extent required by the Minnesota Franchise Act, we will protect your rights to use the trademarks, service marks, trade names, logo types or other commercial symbols related to the trademarks or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the trademarks, provided you are using the names and marks in accordance with the Franchise Agreement."

7. Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than three years after the cause of action accrues.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Our indemnification obligation will not apply to any franchisee residing outside the state of Minnesota who purchases a franchise to be located outside of Minnesota.

2. Application of Minnesota Law. Sections 17 and 18 of the Franchise Agreement are amended by adding the following sentences at the end of each Section: “Minnesota law provides franchisees with certain termination and nonrenewal rights. Minnesota Statutes Section 80C.14, subs. 3, 4 and 5 require, except in certain specified cases, that a Franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for nonrenewal of the Franchise Agreement.”

3. Applicable Law and Waiver. Section 18.4 of the Franchise Agreement is amended by adding the following provision at the end of such Section: “Under Minnesota Statutes Section 80C.21, this section will not in any way abrogate or reduce any rights of the franchisee as provided for in Minnesota Statutes, Chapter 80C, including the right to submit non-arbitrable matters to the jurisdiction of the courts in Minnesota. Minnesota statutes Section 80C.21 and Minnesota Rule 2860.4400J prohibit a franchisor from requiring litigation to be conducted outside Minnesota.”

4. Release. No release language stated in the Franchise Agreement will relieve us or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Minnesota, provided, that this part will not bar the voluntary settlement of disputes.

5. Injunctive Relief. Section 17.4.2 of the Franchise Agreement is amended by replacing the second sentence with the following:

It is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement the other party will forthwith be entitled to seek an injunction restraining such breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys’ fees and other costs incurred in obtaining said equitable relief, until such time as the Court makes a final decision. The Court will determine if a bond is required.

6. Limitations of Claims. Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than three years after the cause of action accrues.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. Construction. In all other respects, the Franchise Agreement will be construed and enforced with its terms.

Each of the undersigned hereby acknowledges having read and understood this Addendum and consents to be bound by all of its terms.

**NORTH DAKOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT
YESCO FRANCHISING LLC**

The Securities Commissioner has held certain provisions in franchise agreements to be unfair, unjust or inequitable to North Dakota franchises (Section 51-19-09, N.D.C.C.). If any of the following provisions are in these franchise documents, the provisions may not be enforceable:

1. The North Dakota Securities Commissioner has determined that it is unfair and unequitable under the North Dakota Franchise Investment Law for the franchisor to require the franchisee to sign a general release upon renewal of the Franchise Agreement. Therefore, the requirement that the franchisee signs a release upon renewal of the Franchise Agreement is deleted from Item 17c. and from any other place it appears in the Disclosure Document or in the Franchise Agreement.
2. Item 17r. is revised to provide that covenants not to compete, such as those mentioned in Item 17r. of the Disclosure Document are generally considered unenforceable in the state of North Dakota.
3. Any references in the Disclosure Document and in the Franchise Agreement and to any requirement to consent to a waiver of exemplary and punitive damages are deleted.
4. Any references in the Disclosure Document and in the Franchise Agreement to any requirement to consent to a waiver of trial by jury are deleted.
6. Any claims arising under the North Dakota franchise law will be governed by the laws of the State of North Dakota.
7. The prevailing party in any enforcement action is entitled to recover all costs and expenses, including attorneys' fees.
8. Any references in the Disclosure Document and in the Franchise Agreement requiring franchisee to consent to termination penalties or liquidated damages are deleted.
9. The North Dakota Securities Commissioner has determined that it is unfair, unjust, or inequitable under the North Dakota Franchise Investment Law for the franchisor to require the franchisee to consent to the jurisdiction of courts located outside of North Dakota or to arbitration or mediation at a site that is remote from the site of the franchisee's business. Therefore, any references in Item 17(v) of the Disclosure Document and any requirement in the Franchise Agreement that the franchisee consents to the jurisdiction of courts located outside of North Dakota or to arbitration or mediation at a site located outside of North Dakota are deleted.
10. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Waiver. Any references in the Franchise Agreement and to any requirement to consent to a waiver of exemplary and punitive damages are deleted.

3. Release. The North Dakota Securities Commissioner has determined that it is unfair and inequitable under the North Dakota Franchise Investment Law for the franchisor to require the franchisee to sign a general release upon renewal of the Franchise Agreement. Therefore, the requirement that the franchisee signs a release upon renewal of the Franchise Agreement is deleted from any place it appears in the Franchise Agreement.

4. Jury Trial. Any references in the Franchise Agreement to any requirement to consent to a waiver of trial by jury are deleted.

5. Governing Law. Any claims arising under the North Dakota franchise law will be governed by the laws of the State of North Dakota.

6. Venue. To the extent North Dakota laws prohibit a franchisor from requiring a North Dakota franchisee to litigate outside North Dakota, Sections 18.2.1 and 18.4 of the Franchise Agreement are amended to provide that any litigation involving claims arising under the North Dakota franchise law will be brought in federal district court in North Dakota.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of YESCO Franchising LLC, which comprise the balance sheets as of December 31, 2022, 2021, and 2020, and the related consolidated statements of income, member’s equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of YESCO Franchising LLC as of December 31, 2022, 2021, and 2020, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of YESCO Franchising LLC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about YESCO Franchising LLC’s ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of YESCO Franchising LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about YESCO Franchising LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

YESCO FRANCHISING LLC
Notes to the Consolidated Financial Statements
December 31, 2022, 2021, and 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

Description of Business

YESCO Franchising LLC (the Company) is a privately held franchisor and a wholly owned subsidiary of Young Electric Sign Company (YESCO), which is the single managing member of the Company. The Company was founded in the year 2011 to further develop and franchise the service business model of the parent company, YESCO, which has been in business since 1920. The Company plans to build a national network of YESCO franchises that provide sign and lighting services to local businesses and national customers. The Company's mission is to provide franchisees with the best training, support, technology and materials so they in turn can provide their customers with signs and services of the highest quality and the greatest possible value.

Principles of Consolidation

The consolidating financial statements include the accounts of YESCO Canada ULC, which is a wholly owned subsidiary of the Company. This entity was created in 2020 and all of its operations were related to franchising activities in Canada, so they have been consolidated with the Company to reflect its full operations.

Cash Equivalents

Cash equivalents consist primarily of money market accounts that have a maturity date at acquisition of less than 90 days. For the purposes of the statement of cash flows, the Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Receivables

Trade accounts receivable are recorded at the invoiced amount and may or may not bear interest. Management, considering current information and events regarding the borrowers' ability to repay their obligations, considers a receivable to be uncollectible when it is probable that the Company will be unable to collect all amounts due according to the contractual terms of the agreement. The Company does not accrue interest when a receivable is considered uncollectible. When a receivable is considered to be uncollectible, losses are included in the allowance for doubtful accounts through a charge to bad debt expense. The Company has not and does not intend to sell its receivables.

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are computed using the straight-line method over the estimated useful life of the asset. Upon retirement or other disposition, the cost and related accumulated depreciation and amortization are removed from the accounts. The resulting gain or loss is included in other income, net. Major renewals and betterments are capitalized while minor expenditures for maintenance and repairs are charged to expenses as incurred.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES (CONTINUED)

Contract Liabilities

Contract liabilities include nonrefundable collections from customers for area development plans that have not been formalized into franchise agreements yet, other contract obligations, as well as collections from sponsors for the annual convention. As such, these liabilities represent unsatisfied performance obligations for the Company to fulfill based on time or purpose requirements. The revenue is recognized when the related service is rendered

Revenue Recognition

Revenues from franchise fees and royalties are recognized when they are earned and due according to the franchise agreements. Revenues consist of initial fees, marketing fees, software license fees, and royalties calculated as a percent of revenue from franchisee operated branches.

In May 2014, FASB issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers*. Subsequently, FASB created Accounting Standards Codification (ASC) Topic 606, *Revenue from Contracts with Customers*, and Subtopic 340-40, *Other Assets and Deferred Costs— Contracts with Customers*. On January 1, 2019, the Company adopted this Standard, which requires a principle-based approach for determining revenue recognition. An entity should recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. It defines a five-step process to achieve this core principle by applying the following steps: 1) Identify the contract(s) with a customer; 2) Identify the performance obligations in the contract; 3) Determine the transaction price; 4) Allocate the transaction price to the performance obligations in the contract; and 5) Recognize revenue when (or as) the entity satisfies a performance obligation.

Management adopted this standard under the modified retrospective method and determined that its adoption did not materially change the timing or amount of revenue recognized based on “point in time” and “over time” revenue recognition. The majority, if not all, of the Company’s revenue recognition is based on goods or services transferred over time.

Income Taxes

The Company is a one member LLC and is included in the consolidated tax return of YESCO. The Company does not pay income taxes directly, but is allocated its share of YESCO’s total tax expense or benefit based on the Company’s share of pre-tax income or loss. YESCO is no longer subject to U.S. federal or state and local income tax examinations by tax authorities for years before 2019.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Company to make estimates and assumptions regarding the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising Costs

The Company expenses advertising costs as incurred as reported on the Statement of Income.

Fair Value of Financial Instruments

The Company's financial instruments consist primarily of cash, accounts receivable, accounts payable, and advances. The carrying amounts of these instruments as reflected in the balance sheet approximate the fair values due to the short-term maturities of these instruments.

Recent Accounting Pronouncements

Effective January 1, 2022, the Company adopted the new lease accounting guidance in Accounting Standards Update No. 2016-02, *Leases* (Topic 842). The Company has elected the package of practical expedients permitted in ASC Topic 842. Accordingly, the Company accounted for its existing operating leases as an operating lease under the new guidance, without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the operating lease would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in ASC Topic 842 at lease commencement. The Company currently has no leases that qualify under this standard, and as such, no right of use asset or lease liability has been recorded by the Company.

2. FRANCHISING

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The franchise agreements require the franchisee to pay an initial, non-refundable fee, typically \$50,000. However, if a qualifying, existing franchisee in good standing desires to purchase a second or subsequent YESCO franchise through the Company's area development program, the initial franchise fee under this program ranges from \$25,000-\$50,000 depending on the existing business revenue. The Company has the right, however, to periodically decrease or increase the amount of any reduced franchise fee and to discontinue the multiple business development program. The franchisee is also required to pay continuing royalty fees based upon a percentage of sales, generally 6%, with a monthly minimum of \$1,000. Subject to the Company's approval and payment of a renewal fee, a franchisee may generally renew its agreement upon its expiration. Direct costs of sales and servicing of franchise agreements are charged to general and administrative expenses as incurred. However, costs related to contract renewals may be capitalized to prepaid expenses, if significant, and then subsequently amortized over the renewal period.

2. FRANCHISING (CONTINUED)

When an individual franchise is sold, the Company agrees to provide certain services to the franchisee, including training, systems implementation, and design of a quality control program. The Company recognizes initial fees as revenue when substantially all initial services required by the franchise agreement are performed, which is generally upon execution of the franchising agreement. Royalty fees are recognized as earned, with an appropriate provision for estimated uncollectible amounts charged to general and administrative expense. The Company recognizes renewal fees as a contract liability when a renewal agreement becomes effective and will subsequently recognize this fee ratably over the period of the renewal contract.

4. RECEIVABLES

The allowance for doubtful accounts is the Company's best estimate of the amount of probable credit losses in the Company's existing receivables. The Company determines the allowance based on a percentage of revenues, past due balances and specified amounts individually identified for collectability. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. The activity in the allowance for doubtful accounts for the years ended December 31, 2022, 2021, and 2020 is as follows:

	2022	2021	2020
Allowance for doubtful accounts, beginning of year	\$ 400	\$ 2,400	\$ 6,992

5. EMPLOYEE BENEFITS

The parent company, YESCO, has a qualified profit sharing 401(k) retirement plan and trust covering employees of the Company and employees that are leased to the Company from YESCO LLC, another wholly owned subsidiary of YESCO. The plan covers employees who are 20 ½ years of age or older who have completed six months of service. Plan participants may elect to make voluntary contributions to the plan up to a specified amount of their compensation. Contributions by the Company to the plan are discretionary. The Company made profit sharing and 401(k) match contributions to the plan of \$24,655, \$4,010, and \$15,992, respectively, for the years ended December 31, 2022, 2021, and 2020.

The Company transfers funds to the affiliate which acts as an agent in paying the bills and collecting some receivables of the Company.

7. COMMITMENTS AND CONTINGENCIES

In the normal course of business, the Company is involved in litigation and claims which are not considered unusual nor is the outcome expected by management, after discussion with legal counsel, to have a material impact on the Company's financial position, results of operations, or liquidity.

***SUMMARY OF
INDUSTRY-SPECIFIC LAWS***

SUMMARY OF INDUSTRY-SPECIFIC LAWS AND REGULATIONS PERTAINING TO THE BUSINESS

The operation of a YESCO Business is subject to all of the laws, codes and regulations (referred to below generally as “laws”) normally applicable to consulting businesses. These include: (1) federal, (2) state, and (3) in most instances, city, county, parish, borough, municipality or other local laws.

All franchisees are required to be generally familiar with the laws. As all of these laws change frequently, no attempt can be made to compile a current and comprehensive list. It is your responsibility to know the current laws and pending legislation that might affect the franchised business.

1. Federal. Examples of federal laws affecting many small businesses include wage and hour, occupational health and safety, health care, equal employment opportunity, taxes, hazardous materials, communication to employees, privacy of consumer, employee and transactional information, payment card industry data security standards, product-related advertising and labeling requirements, products liability, hazardous waste and environmental, Fair and Accurate Credit Transaction Act (FACTA), the Americans With Disabilities Act (ADA), Occupational Safety and Health Act (OSHA), the Family Medical Leave Act, the Patient Protection and Affordable Care Act, and the USA Patriot Act and Executive Order 13224 regarding certain issues related to fighting terrorism in the United States.
2. State. State laws may cover the same topics as federal laws. Examples of other state laws affecting many small businesses include products liability, environmental, occupational health and safety, fire, taxes, antidiscrimination, occupational and professional licensing, and health laws.
3. Local. Local laws may cover the same topics as federal and state laws. Examples of other local laws affecting many small businesses include health and sanitation and business licensing.

It is important to do a thorough check to determine if a contractor’s license is required to perform sign and lighting repair or other work. If it is, it may be necessary to obtain a contractor’s license or licenses before you advertise, give prices to do work, or perform work.

Some states do not require contractor’s licenses. Some states may not require a state license, but individual jurisdictions such as a city or county may require contractor’s licenses. In these cases the company doing the work obtains the license. Some states require the individual performing the work obtain a license.

Contractor’s License regulations often require that a person be designated as a “qualifier.” This is the person who has knowledge and may require some amount of experience. This person may be required to pass exams to become a qualifier. Frequently there is a business/law exam and a trade exam. Many jurisdictions allow one person to be the business/law qualifier and another person to be the trade qualifier.

Below is an example from the State of Florida. In Florida, a Sign Specialty Electrical Contractor License is required to perform sign repairs. A Lighting Maintenance Specialty Electrical Contractor may perform repairs on signs and lighting. Both of these are specialty contractors within the electrical contracting regulations.

Florida Administrative Code (FAC)
61G6-7.001 Specialty Electrical Contractors

The following types of specialty electrical contractors may apply to be certified under the provisions of Part II, Chapter 489, F.S., and Chapter 61G6-5, F.A.C., above. In order to be admitted to a specialty contractor examination, the person must show 6

years of comprehensive training, technical education, or broad experience on the type of electrical or alarm system work for which certification is desired.

(1) Lighting Maintenance Specialty Electrical Contractor. The scope of certification of a lighting maintenance specialty contractor is limited to the installation, repair, alteration, or replacement of lighting fixtures in or on buildings, signs, billboards, roadways, streets, parking lots and other similar structures. However, the scope of the certification does not include the provision of, or work beyond, the last electrical supplying source, business, or disconnecting means.

(2) Sign Specialty Electrical Contractor. The scope of certification includes the structural fabrication including concrete foundation, erection, installation, alteration, repair, service and wiring of electrical signs and outline lighting. The scope of certification shall not include the provision of, or any electrical work beyond, the last disconnect mean or terminal points. However, a contractor certified under this section may provide the electrical entrance requirements for metering and main disconnect of remote billboards or signs which are independent of any structure or building and which require no more than twenty-five (25) kilowatts at two hundred fifty (250) volts maximum.

Again, the foregoing is intended to be only examples of some, but not all of the laws that may be applicable to the franchised business described in the Disclosure Document. The Franchise Agreement places the responsibility for complying with all applicable laws and regulations upon you, the franchisee. You should research these requirements before you invest in a YESCO Business.

Exhibit I
PROMISSORY NOTE

SECURED PROMISSORY NOTE

\$ _____

Date: _____, 20____
("Note Date")

The undersigned ("You," "Your"), for value received, jointly and severally promise to pay to the order of **YESCO Financial Solutions LLC**, a Utah limited liability company ("We," "Us," "Our"), at 2401 Foothill Drive, Salt Lake City, Utah 84109 or at such other place as the holder of this Promissory Note ("Note") periodically may designate in writing, the principal sum of \$ _____, together with interest computed at the rate of ___% per annum on the unpaid balance of the principal, beginning as of the date hereof, until fully paid. Principal and interest are due and payable in ____ consecutive monthly installments of \$ _____.

Installments will commence on _____, _____, 20____. The Note payments will be first applied to the accrued interest under this Note and then applied to the principal of the Note. The Note payments must be made via electronic funds transfer, as described in Section 4.4 of the Franchise Agreement (as defined below). You agree to pay a processing fee of \$ _____ due on the Note Date.

The entire unpaid principal balance and all accrued but unpaid interest under this Note will be immediately due and payable as a balloon payment upon the earlier of: (1) the termination of the Franchise Agreement; or (2) a "transfer" occurs (as defined in the Franchise Agreement).

You may prepay this Note in whole at any time or in part from time to time, in multiples of \$100.00 without penalty, provided that such prepayments are made on dates when installments of principal are due. Each such prepayment will be applied first against accrued interest and the balance, if any, to the reduction of principal. Our failure or delay to exercise any right or remedies hereunder or afforded by applicable law will not operate as a waiver thereof. Such failure or delay will not be construed as a bar to or waiver of such right or remedy on a future occasion.

You agree to pay all costs of collecting or enforcing payment or performance under this Note, together with reasonable attorneys' fees and legal expenses at any time paid or incurred by the holder hereof, whether suit be brought or not.

You waive presentment, protest and demand, delinquency, notice of protest, demand and dishonor, and any other notice otherwise required to be given by law in connection with the delivery, acceptance, performance, default, enforcement or collection of this Note, and expressly agrees that this Note or any payment hereunder, may periodically be extended or subordinated, without affecting your liability.

You acknowledge that the principal amount of this Note arose under and remains due under the YESCO® Franchise Agreement between you and **YESCO Franchising LLC**, dated _____, 20____ (the "Franchise Agreement"), and that our acceptance of this Note does not represent a cure, satisfaction, or discharge of any of your obligations under the Franchise Agreement, and does not represent a waiver or relinquishment of any rights or remedies that we may have under the Franchise Agreement.

Any default by you under the Franchise Agreement after the date of this Note will constitute a default under this Note. Any default under this Note will constitute a default under the Franchise Agreement. Any default by you in the obligation to pay borrowed money that results in the acceleration of the maturity of such borrowed money shall also constitute an event of default under this Note. If any default by you occurs under this Note, or any default by you occurs under the Franchise Agreement and such default is not cured under the terms thereof, the entire principal balance and accrued but unpaid interest under this Note will immediately become due and payable at our option. Upon any acceleration of the principal balance under this Note due to a default under the Note or the Franchise Agreement, interest will accrue on all unpaid amounts from the date of acceleration at a rate of 18% per annum or the maximum rate permitted by law, whichever is less, until the entire principal balance and all accrued but unpaid interest is paid.

You agree to notify us in accordance with the notification procedures set forth in the Franchise Agreement upon any event of default under this Note or any occurrence that could reasonably be expected to mature into an event of default under this Note.

We reserve the right to sell, assign or discount to a third party all or part of the Note and you may lose all its defenses against the assignee as a result of the sale or assignment.

To secure your payment of the Note and your performance of its obligations hereunder, you grant to us a security interest in and to your accounts receivable, inventory, chattel paper, equipment, general intangibles, furniture, fixtures, machinery and all other business assets; whether owned now or acquired later; and all additions, located at or arising from transactions related to the Business as defined in the Franchise Agreement, all policies of insurance covering such assets and all proceeds thereof. This Note may not be amended or modified, and no waiver of any provision hereof will be effective, except by an instrument in writing signed by the party against whom enforcement of any amendment, modification, or waiver is sought. If you consist of two or more individuals, the liability of each individual will be joint and several.

This Note is governed by the laws of the State of Utah.

**EARLY RENEWAL PROGRAM ADDENDUM
FOR
[FIRST] SUCCESSOR FRANCHISE TERM**

This Early Renewal Program Addendum for [First] Successor Franchise Term (“**Addendum**”) is entered into as of the date set forth below between the undersigned franchisee (“**You**”, “**Your**”) and YESCO Franchising LLC, a Utah limited liability company (“**YESCO**”). YESCO may be referred to in this Addendum as “**We**”, “**Us**”, “**Our**.” Each party to this Addendum may be referred to individually as a “**Party**” and collectively as the “**Parties**.”

* Current Term refers to the Initial Term or, Extended Successor Term, or Successor Franchise term, as the case may be.

2. We have established an early renewal program that provides favorable terms to those franchisees who qualify for and desire to participate in such program (the “**Early Renewal Program**”).

3. You have expressed a desire to participate in the Early Renewal Program according to the terms of this Addendum. Accordingly, you are executing the following renewal franchise agreement(s) with the following terms (collectively, the “**Renewal Franchise Agreement(s)**”) concurrently with the signing of this Addendum:

Renewal Franchise Agreement(s)			
Effective Date	Territory	[First] Extended Successor Term Commences	[First] Extended Successor Term Ends

4. We have determined that you are eligible to participate in the Early Renewal Program and desire to apply the benefits of the program to the Renewal Franchise Agreement(s).

NOW, THEREFORE, in consideration of the mutual promises herein, and for other good and valuable consideration, the adequacy of which is admitted by you and us, it is agreed as follows:

AGREEMENTS

1. BACKGROUND

The above background is an integral part of this Addendum and are not merely recitals.

2. APPLICABILITY OF THIS ADDENDUM

The terms of this Addendum amend and supersede the terms and conditions of each and all of the Renewal Franchise Agreement(s).

3. ORIGINAL FRANCHISE AGREEMENT(S) REMAIN IN EFFECT

Although you are concurrently signing the Renewal Franchising Agreement(s), the Original Franchise Agreement(s) remain in full force and effect until the Initial Term, Extended Successor Term (defined below), or Successor Franchise term (for each, if there are more than one) expires. If more than one Current Franchise Agreement(s) are in effect, each Franchise Agreement will expire on the applicable term end date, which may result in one or more Current Franchise Agreement(s) expiring at different times than the other Current Franchise Agreement(s). The terms of this Addendum will not be effective with respect to any given Renewal Franchise Agreement until the corresponding Current Franchise Agreement expires, and the Extended Successor Term (defined below) of the corresponding Renewal Franchise Agreement commences.

4. SPECIAL TERMS APPLICABLE TO RENEWAL FRANCHISE AGREEMENT(S)

The Renewal Franchise Agreement(s) are Successor Franchise Agreement(s). Upon the commencement of the Extended Successor Term of a Renewal Franchise Agreement term, the following terms and conditions supersede any conflicting terms set forth in the Renewal Franchise Agreement:

4.1. Extended Successor Term

Pursuant to the Original Franchise Agreement(s), you are entitled to the option of two, five-year Successor Franchise terms. Upon the commencement of the applicable Renewal Franchise Agreement(s), this Addendum combines both terms into a single 10-year Extended Successor Term (the “**Extended Successor Term**”). All references to the Initial Term and

Successor Franchise terms in the Renewal Franchise Agreement are replaced with this single, 10-year Successor Term.

4.2. Expiration of the Extended Successor Term

At the end of the Extended Successor term, you will have the option to participate in the then-current Early Renewal Program if you qualify to do so; if you do not so qualify, you will have the right to renew each Successor Franchise Agreement(s) for two additional five-year terms according to the terms and conditions set forth in Section 6.2 of each Renewal Franchise Agreement.

4.3. Tiered Royalty Fees

The Royalty Fees for each Renewal Franchise Agreement will be calculated monthly based on a tiered basis for each individual Successor Franchise Agreement as follows:

	If the Monthly Gross Revenue for a given Renewal Franchise Agreement Territory is between:			Then the corresponding monthly Royalty Fee for that Renewal Franchise Agreement is:

Tier 1	\$41,667	and	\$62,500	4%
Tier 2	or if it is greater than		\$62,501+	2%

Notwithstanding the foregoing, if (i) you fail to report your Gross Revenue for any Successor Franchise Agreement by the 5th calendar day after the end of the month, or if (ii) you are not in compliance with your obligations under any franchise agreement between you and us (including, without limitation, compliance with Territory restrictions, chart of account requirements, payments due and owing to us and/or YESCO Financial Solutions, and insurance requirements), you agree to pay a flat 6% Royalty Fee on the aggregate Gross Revenue for all Successor Franchise Agreement(s) in effect during that month. In addition, if the aggregate Royalty Fees for any given month are less than the number of all Franchise Agreement(s) in effect between you and us multiplied by \$1,000 (the **“Minimum Royalty Fee”**), then you agree to pay the Minimum Royalty Fee for that month.

4.4. Waiver of Initial Franchise Obligations

So long as you are compliant with your obligations under the Current Franchise Agreement(s), you have no obligation to fulfill the following initial commencement obligations: (i) payment of the Initial Franchise Fee; (ii) purchasing an Office Branding Package; (iii) purchasing a sign; and (iv) any obligations in connection with a Grand Opening, including incurring Grand Opening advertising expenditures. Your Office must be open on the Effective Date of the applicable Renewal Franchise Agreement(s) and we waive our right to approve the commencement of your operations. You agree that we have no obligation to provide the services set forth in Section 7.2 of the Renewal Franchise Agreement(s).

4.5. Successor Franchise Fee

Capitalized terms not defined herein shall have the meaning as set for in the applicable Original Franchise Agreement or Successor Franchise Agreement, as the case may be.

8. MISCELLANEOUS

Invalidity or unenforceability of one or more provisions in this Addendum shall not affect the validity or enforceability of any other provision. No provision in this Addendum is to be construed for or against any party because that party drafted such provision.
