What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the Franchise Agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your Franchise Agreement. If so, you should check the State Specific Addenda (if any). See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Ohio. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Ohio than in your own state.
2. **Mandatory Minimum Payments**. You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Short Operating History**. The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, according to the Michigan Department of Attorney General, Consumer Protection Division (the “Division”), the provisions are void and cannot be enforced against you:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided by the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor’s intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This subsection does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market value or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c) above.

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General of Michigan does not constitute approval, recommendation, or endorsement by the Attorney General.

**ITEM 4
BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

**ITEM 5
INITIAL FEES**

You will pay us an initial franchise fee of \$40,000 (the “Initial Franchise Fee”). The Initial Franchise Fee is due at the time you sign the Franchise Agreement and is nonrefundable. We may offer to prospects who meet our qualifications, including creditworthiness, financing of up to the full amount of the Initial Franchise Fee. See Item 10 for additional information. In 2023 we charged an Initial Franchise Fee that ranged from \$0 to \$40,000.

For existing franchisees, or franchisees who have a demonstrated record of success operating a franchise in our or our affiliate brands, we may offer to waive the Initial Franchise Fee in exchange for an increase to the Continuing Royalty rate by an additional 2.5% of Gross Consumer Sales (example the 5% royalty will increase to 7.5%) for 10 years (the initial 7-year term and an additional 3 years during the first renewal term, if the franchise is renewed). We refer to this program as our “Franchise Option Program”. See Franchise Agreement, Exhibit 5 and Item 6 for more information related to this program.

For new franchisees who desire to participate in the Franchise Option Program, we will refund your Initial Franchise Fee within 10 days of the opening of your Franchised Business so long as it opens within the

time required under the Franchise Agreement and you are not otherwise in default under the Franchise Agreement or any other agreement between you and us or any of our affiliates. You will enter into the Franchise Option Amendment attached to the Franchise Agreement as Exhibit 5.

If you are a current member of the United States Armed Forces or you received an honorable discharge from the United States Armed Forces you may be eligible for a 20% reduction of the Initial Franchise Fee on your first Franchised Business. We also offer a “First Responders” discount. If you are a police officer, firefighter, or paramedic/emergency medical technician (EMT) you may be eligible for a 20% reduction of the Initial Franchise Fee on your first Franchised Business.

We currently offer a multi-unit discount. If you purchase three or more Heating + Air Paramedics franchises, you may be eligible to receive a 25% reduction of the Initial Franchise Fee off the second and any additional franchises you purchase at the time you purchase the initial Heating + Air Paramedics franchise.

If a qualified individual or entity has offered heating and air conditioning services similar or identical to the services provided by a Heating + Air Paramedics franchisee for at least 12 months and that have generated more than \$250,000 in sales during the immediately preceding 12 month period (a “Conversion Franchisee”), then we offer the opportunity to enter into a Conversion Franchise Addendum to our Franchise Agreement, under the terms of which we will (i) waive the Initial Franchise Fee, and (ii) reduce the monthly Continuing Royalty to 2% of Gross Sales for the first 24 months of the Franchise Agreement term.

We may offer a discount of up to 10% off the Initial Franchise Fee to prospects who will be operating their franchise in a hard-to-serve or underserved market, whether geographic or demographic.

We pay a referral fee (“Referral Fee”) to any current franchisee for each candidate referred to us who meets our qualifications and signs a Franchise Agreement. Currently, the Referral Fee is \$10,000 for each successful referral of a candidate who is not a current franchisee of our brand or any of our affiliate brands.

Any waiver of, or reduction in, the Initial Franchise Fee will be granted in our sole discretion. We evaluate each situation on an individual basis. We reserve the right to change, modify or discontinue any of these discount/waiver and referral programs at any time.

The low estimate is for the lease of a vehicle meeting our specifications. The high estimate is for the purchase of this vehicle. Currently you can acquire one of five specific models of Ford vehicle for use in the operation of the Franchised Business: (i) Ford 250 Tall-Top Transit 148 WB; (ii) Ford Transit Connect; (iii) Ford Transit w/14 ft century box truck; (iv) Ford E350 w/14 ft century box truck; or (v) Ford F150 4-Door Pickup. Airfare and hotel costs may be refundable by the vendor, but our training fees and other costs are non-refundable. The training costs assume a minimum of 1 and a maximum of 3 attendees, participating in the full Initial Training Program at our founder's franchise location in Noblesville, IN.

Note 5

These costs are non-refundable. You must purchase certain equipment to operate the business, including a hammer drill, a duct cleaning machine, shelving and other storage equipment.

Note 6

These costs are non-refundable. This amount represents an estimate, based on our business experience, of the costs of the first three months lease for a facility that meets our specifications, including furnishings, utilities improvements and build-out. The estimates assume a 1,000 square foot facility with a rental rate of \$10 per square foot for the low estimate and a rental rate of \$18 per square foot for the high estimate. The estimates also assume the payment of one month's rent as a security deposit. These costs may vary based on the location of your facility. These estimates are for a site meeting our specifications including the size range discussed above, suitable phone/internet service and power, a front door, an overhead door, an office work space and a warehouse or garage space suitable for storing a vehicle and necessary inventory and equipment. Note 9

These costs are non-refundable. This estimate includes insurance, uniforms, printed materials, legal costs and utilities.

Note 10

These costs are non-refundable. The low estimate assumes you only spend the minimum required amount of \$6,500 per month in local advertising during the first 3-months of operation. The high estimate assumes you spend \$10,000 during this period. The estimate also includes the Digital Marketing Fee for the first three-months of operation. These are only minimum amounts and we recommend that you spend more. Conversion franchisees may have different marketing needs than new franchise locations.

Note 11

This amount includes estimated operating expenses you should expect to incur during the first 3 months of operation, which includes permits and licensure, insurance premiums, maintenance and repair costs. It excludes real estate lease costs which are covered above, any revenue generated by your Franchised Business, taxes, and compensation for your employees as compensation depends on the region of the country your Franchised Business is in as well as the location of your Franchised Business in that region.

Note 12

This is only an estimate of your initial investment and is based on our estimate of costs and market conditions prevailing as of the date of this disclosure document. You should review these figures carefully with a business and a legal advisor before making any decision to purchase a franchise. We do not offer financing for any part of the initial investment. The availability and terms of financing will depend on factors like the availability of financing generally, your credit worthiness, your relationship with local banks, your business experience, and any additional collateral you may offer to a lender to secure the loan. Our estimates do not include any finance charges, interest or debt service obligations. We relied on our experience operating a corporate location from 2021 to 2023 and information provided by our franchisees to prepare these estimated expenses.

We do not provide specifications for standard commercial products or services, but we may develop specifications for customized products and services. If we designate a sole supplier, or if we create product specifications, you may request our approval for alternate suppliers or products if you can demonstrate that such alternate suppliers or products meet our quality, price and performance standards and we have not named a single supplier for the item. All such requests must be submitted in writing. We do not charge a fee for our review of an alternative supplier. We will generally notify you of our approval or disapproval within 30 days of our receipt of all the information and samples we request.

We may receive rebates, volume discounts, promotional incentives or other revenue arising from your purchase of specified products and services. If any payment is not made within 30 days after the due date we may impose an additional late charge of 5% of the unpaid amount plus a 5% late charge of the unpaid amount for each 30 day period that the amount remains unpaid. (Section 1)

Under the Promissory Note, you waive: (1) the right to claim or enforce any right of offset, counterclaim, recoupment or breach in any action brought to enforce your obligations under the Note (Section 7); (2) the right to demand, presentment for payment, notices of nonperformance or nonpayment, protest and notice of protest, notice of dishonor, diligence in bringing suit and notice of acceleration (Section 8); (3) questions of governing law, personal jurisdiction and convenience of forum and venue (Section 12 and 14); (4) trial by jury (Section 13); and (5) all claims that you may have against us and any persons and entities related to us, other than our obligations under the Franchise Agreement, accruing on or before the date of the Promissory Note (Section 16). If any of the events of default described in Section 5 of the Note occur, the entire unpaid principal and accrued interest, if any, of the Note will become immediately due and payable without further notice. Under Section 8 of the Note, you must pay all of our expenses and costs of collection, including attorneys' fees and expenses, court costs, costs of sale and costs of maintenance and repair we incur in connection with the enforcement of the Note, collection of amounts due and sale or other disposition of any collateral.

A default under the Franchise Agreement or any other agreement with us constitutes a default under the Promissory Note (Section 5). A default under the Promissory Note constitutes a default under the Franchise Agreement, which gives us the right, among other remedies, to terminate the Franchise Agreement.

We may sell, assign or discount the Promissory Note. If we do assign the Promissory Note we will not remain primarily obligated under the Note. You will also lose all of your defenses against us as they relate to the Promissory Note as a result of the sale or assignment (Section 17).

We will approve or reject your site based on specified criteria, including a minimum size of 1,000 square feet, suitable phone/internet service and power, a front door, an overhead door, an office work space and a warehouse or garage space suitable for storing a vehicle and necessary inventory and equipment. You must submit to us information and materials we require and obtain our approval of the site. We will generally approve or reject a site that you have proposed within 30 days of your submission of complete site information that we require. You must obtain our approval for your site and open the Franchised Business within one hundred twenty (120) days of the date you sign the Franchise Agreement. If you are unable to find a permanent site that we approve within this period, we can approve a temporary location for the operation of the Franchised Business. You must obtain our approval for a permanent site no later than one (1) year from the date you sign the Franchise Agreement. If you do not obtain our approval and open the Franchised Business within one hundred twenty (120) days, or if you do not obtain our approval for a permanent site within one (1) year, we can terminate the Franchise Agreement and retain all amounts you have paid us. (Franchise Agreement – Sections 10 and 16).

(2) Although we will provide a sample facility design, you are not obligated to follow our design and we do not conform your premises to local ordinances or building codes or obtain any required permits on your behalf. (Franchise Agreement – Section 5(b)). You must secure and occupy a location we approve no later than 12-months after you begin operating, but we will approve you to use a temporary space for that 12-month period. If you do not find a location to operate your Franchised Business from that we approve within one (1) year from the Effective Date, we may terminate the Franchise Agreement and retain all fees you have paid us. (Franchise Agreement – Section 10).

(3) We provide the Initial Training Program to the principal owner of the franchise and up to 2 other persons selected by you. You must complete the Initial Training Program no later than 90 days after the date you sign the Franchise Agreement. If you fail to timely complete the Initial Training we may terminate the Franchise Agreement and retain all fees you have paid us. (Franchise Agreement – Section 6).

(4) We will loan you a copy of our manual that contains various information including mandatory and suggested specifications, standards and procedures. We may modify any manual periodically in our discretion. (Franchise Agreement – Sections 9 and 34). As of the issuance date of this Disclosure Document, the Operations Manual contains 175 pages. A copy of the table of contents of the Operations Manual is attached to this disclosure document as Exhibit H.

Opening

You must open the Franchised Business within 120 days from the date you sign the Franchise Agreement. We expect the length of time from signing the Franchise Agreement to the opening of your Franchised Business to be no more than 120 days. Some factors that may affect your ability to meet this deadline include how long it takes you to select a suitable site for your Franchised Business and obtaining a lease or sublease; any shortages of, or delays in obtaining any furniture, fixtures, equipment, inventory and supplies, vehicles, and signs; your ability to secure any necessary financing; finding employees; and obtaining any licenses and permits. The Continuing Royalty is due after the first calendar month which is more than 120 days after the signing of the Franchise Agreement or after you open the Franchised Business, whichever is earlier. If you fail to open the Franchised Business within 120 days of signing we can terminate the Franchise Agreement and retain all amounts you have paid us. (Franchise Agreement – Section 6).

Our Post-Opening Assistance

- (1) We will provide access to and support for your use of our required job costing, invoicing and inventory management software. (Franchise Agreement – Section 7).
- (2) We will attempt to negotiate with vendors and suppliers for the introduction of new products and services, and for favorable pricing, delivery and return terms. Although we may provide you with suggestions for pricing your services and products we have no obligation to do so and you are solely responsible for setting these prices. (Franchise Agreement – Section 10).
- (3) We will periodically update our standards, including our vehicle standards and branding requirements. (Franchise Agreement – Sections 9, 10 and 34).
- (4) We will provide you with recommendations, and sometimes requirements, for equipment, vehicles, office space, warehouse and storage design, inventory, marketing and office management practices. (Franchise Agreement – Section 10). We do not deliver or install these items.
- (5) We will set accounting and revenue tracking guidelines and standards for creating and submitting monthly profit & loss statements to us. (Franchise Agreement – Section 7).
- (6) We will provide you with a platform for building and hosting a website for your franchise. (Franchise Agreement – Sections 10 and 12).
- (7) We will furnish you with reasonable operating assistance through our representatives as we deem appropriate. (Franchise Agreement – Section 2(f)).

Advertising Programs

We have no obligation to conduct advertising. However, we are currently collecting a monthly Brand Fund Fee. The Brand Fund Fee is 2% of your monthly Gross Sales. The Brand Fund Fee is non-refundable and is due at the time the Continuing Royalty must be paid. (Franchise Agreement – Sections 11(d)).

Although we did not collect a Brand Fund Fee in 2023 we did collect a Marketing Fee and those funds were expended as follows: (i) Digital Advertising – 50.4%, (ii) Marketing/Website – 32.2%; (iii) Administrative – 17.4%.

Brand Fund Fees are paid into the Brand Fund which is administered by us. The purpose of the Brand Fund is to develop programs that benefit the Heating + Air Paramedics brand. This means we may use monies in the Fund for any purpose that promotes the Heating + Air Paramedics name or any other names we choose to use in the Heating + Air Paramedics System, including the creation, production and placement

of commercial advertising; to pay for agency costs and commissions; to pay the costs to create and produce video, audio and written advertisements; to pay for direct mail and other media advertising, including internet advertising, internet search engine campaigns, direct email marketing, and the cost to maintain and update our websites, web pages, social media and social networking sites, profiles and accounts; for the costs to create and maintain any applications, whether web-based or otherwise, and for the costs of search engine optimization; in-house staff assistance, including salaries, and related administrative costs; local and regional promotions; public relations campaigns including the cost of retaining public relations firms; market research; and other advertising and marketing activities. We may also use money in the Fund to pay for coaching and training for the franchisees in marketing, advertising, recruiting and sales. It is our responsibility to determine how monies in the Brand Fund are spent. (Franchise Agreement – Section 12(f))

We will decide whether to use advertising agencies and which ones or whether to create advertising materials in-house; and decide which media to use, which may include Internet, print, radio, television, direct mail, or local in-store promotions. The Brand Fund will prepare annual income and expense statements that will be available to you upon request. Excess funds not spent in any given fiscal year will be carried forward to the next fiscal year. If any taxes become due based upon the activities of the Brand Fund, these taxes may be paid out of the funds in the Brand Fund. We can terminate the Fund only after all monies have been spent for advertising and promotion. As our franchise system expands, we may create an advertising council. (Franchise Agreement – Section 12(g))

All Heating + Air Paramedics franchisees must contribute to the Brand Fund based on the terms of their Franchise Agreements, other than our founder who does not contribute to the Brand Fund. Neither we nor our affiliates, with respect to Heating + Air Paramedics businesses operated by us or our affiliates, contribute to the Brand Fund. No portion of the funds collected will be used principally to sell franchises. However, a brief statement about availability of information regarding the purchase of Heating + Air Paramedics franchises may be included in advertising and other items produced and/or distributed using the Brand Fund. We may collaborate with the advertising and marketing funds of certain franchise systems affiliated with us. There can be no assurance that the Brand Fund's participation in these collaborations and joint efforts will benefit Heating + Air Paramedics franchisees proportionately or equivalently to the benefits received by the other franchised businesses or the other franchised systems affiliated with us that also participate. We are not obligated to make proportionate expenditures of your contributions per market area or otherwise. (Franchise Agreement – Section 12(g)). We do not guarantee that expenditures from the Fund will benefit you or any other franchisee directly, on a pro rata basis, or at all. We may, but have no obligation to, loan amounts to the Fund and can determine the repayment obligation of the Fund, including interest rate of the loan and repayment terms, as we see fit.

Local Advertising

You must spend a minimum of \$6,500 per month on advertising the Franchise to customers and potential customers in your territory. We may approve you to spend more or less than \$6,500 per month based on the success of your Franchised Business and the quality of your advertising program. (Franchise Agreement – Section 12). You may advertise in any medium, including radio, digital, social media, tv, print and billboards. You may develop and produce your own advertising, provided it meets our standards and we approve it.

We do not have an advertising cooperative and you are not required to participate in an advertising cooperative. We do not have an advertising council that advises us on advertising policies. If we form one, we anticipate it will only be advisory, as we will make all final decisions as it relates to advertising.

You must use our digital marketing services. The current fee is \$375 per month. You may also elect to purchase additional services from us for an additional fee, including advanced search engine optimization and strategic counselling. See Item 6 for the costs of these additional services,

Computer Equipment, Software, Hardware, and Systems

You must have the computer equipment that we require, including either a desktop or laptop computer, a printer, a scanner, a copier, full internet access with appropriate network security, point-of-sale software, estimating and proposal software, job costing software, financial and accounting software, a mobile device (e.g., iPad or Android tablet) that is suitable to run our job costing software, and a mobile credit card processor. The types of data to be generated or stored in these systems include customer data, cost data, job data and financial data. You must be PCI-DSS compliant. You are responsible for all costs of upgrading, improving, replacing and maintaining your computer equipment. (Franchise Agreement – Section 7). We estimate the cost of the computer equipment to range between \$1,250 and \$8,000. We estimate the cost of annual updates and upgrades to range between \$275 and \$750.

We will have independent access to all of your computer systems and software, including all customer and financial information you maintain.

Neither we, nor any affiliate nor any third party has an obligation to provide ongoing maintenance, repairs, upgrades or updates to your computer systems.

ITEM 12 **TERRITORY**

You must operate the business from a location that we approve. You must receive our written approval before changing locations. You may operate from more than one location within your territory, provided we approve the locations. When considering whether to allow you to change the location of your Franchised Business or operate from additional locations, the new or additional locations must be in your territory, may not be within the territory of another of our franchisees and must meet our other then-current requirements for a location.

You will be awarded a territory that includes a minimum of population of 100,000 residences at the time the Franchise Agreement is signed, determined by us through reference to census data published by the United States government. The territory will be delineated by zip codes, Census Tract or other boundaries. As long as you are in compliance with your Franchise Agreement and any other agreements with us and any of our affiliates, we will not operate or grant a third party the right to operate under the Heating + Air Conditioning Paramedics name a business providing residential heating and air conditioning installation, repair, replacement and maintenance services that is operated from a site physically located in your territory. Other than this limitation there are no other prohibitions on us in your territory.

You may serve customers outside your territory provided that the customer is not located within the territory of another Heating + Air Conditioning Paramedics franchisee. If we subsequently grant a territory to another franchisee that includes customers you currently service, you will lose the right to service those

customers. If you are providing services to a customer outside of your territory under a periodic maintenance agreement, and the customer is included in a territory granted to another franchisee, you may continue to service the customer until the end of the maintenance agreement or for a period of up to 1 year, whichever comes first. At the end of that period you must cease providing service and transfer the customer. You must perform all warranty work for all of these customers, even if that warranty work is required to be performed after you have ceased service.

Except as disclosed above, you may not perform services at a residence outside of your territory. You cannot solicit customers via the Internet, telemarketing or other direct marketing efforts unless we approve of those efforts. In any event, all of your advertising must be approved by us, and you must obtain our written approval before you establish any website, web page, or social networking or social media site, profile, account or hashtag, relating to or making reference to us, your Franchised Business or the System.

Reserved Rights

Among other things, we and our affiliates have the right to (a) establish or license franchises and/or company-owned heating and air conditioning services businesses offering similar or identical products and services, (i) under the Marks or other marks anywhere outside of the territory or (ii) under names, symbols, or marks other than the Heating + Air Paramedics mark inside the territory; (b) sell or offer, or license others to sell or offer, any products and services using the Marks or other marks through any similar and dissimilar channels of distribution, including, without limitation, through telephone, mail order, kiosk, retail, co-branded sites and sites located within other retail businesses, Intranet, Internet, web sites, wireless, email or other forms of e-commerce, for distribution inside and outside of the territory; (c) advertise, or authorize others to advertise, using the Marks anywhere, including inside and outside of the territory; and (d) acquire, be acquired by, or merge with other parties that provide heating and/or air conditioning services, and other related services anywhere (including inside or outside of the Territory) and, even if such businesses are located in the Territory, and that following an acquisition we may operate, franchise or license those other businesses and/or facilities under any names or marks, including the Licensed Marks, regardless of the location of these businesses and/or facilities, which may be inside or outside the Territory. We will not compensate you for any of our activities, including soliciting or accepting orders in your territory, even if they have an impact on your Franchised Business. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We cannot unilaterally change your territory, and there are no minimum quotas required. You will not receive any options, rights of first refusal, or similar rights to acquire additional franchises. We will not pay you any compensation for soliciting or accepting orders in your territory.

ITEM 13 **TRADEMARKS**

The principal Heating + Air Paramedics commercial symbol which we will license to you appears on the cover of this disclosure document.

You may also use any other current or future trademarks that we may designate to identify Heating + Air Paramedics franchisees. By trademark, we mean trade names, trademarks, service marks, URLs, domain names, website addresses, email addresses, digital cellular addresses, wireless web addresses and the like (“e-names”) and associated logos, designs, symbols, trade dress and other commercial symbols and logos used to identify your business.

The following is a description of the principal trademarks registered on the Principal Register of the United States Patent and Trademark Office (USPTO), which we will license to you (the “Marks”):

Mark	Registration No.	Registration Date
HEATING + AIR PARAMEDICS	7,101,840	July 4, 2023
	7,101,841	July 4, 2023
	7,101,842	July 4, 2023

There are no effective determinations of the USPTO or of the trademark administrator of any state or court, of any pending interference, opposition, or cancellation proceedings involving any of the above Marks. Nor are there any pending proceedings of material federal or state litigation involving the Marks and their use. All registrations for the Marks have been renewed on a timely basis and all appropriate maintenance affidavits have been filed with the USPTO, in each case if applicable. We do not know of any superior prior rights or infringing uses that could materially affect your use of the principal trademarks discussed above. Except as discussed below, there are no currently effective agreements that limit our right to use or license the use of these Marks.

You must notify us immediately when you learn about an infringement of, or challenge to your use of, our trademarks. We have no obligation to protect your right to use any of our trademarks or to protect you against claims of infringement or unfair competition arising out of use of the trademarks. You must notify us of the use of, or claims of rights to, a trademark that is identical to or confusingly similar to our trademarks. If you notify us, we have no obligation under the franchise agreement to take any action, but we may. We, not you, have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you. If we elect to control the defense and settlement of a claim we will indemnify you against all damages you are held liable for in the proceeding as long as you cooperate fully with us in the defense of the proceeding. But we will not indemnify or reimburse you if we have elected not to assume or control the defense and settlement of the claim, or if the claim against you arises out of your use of the trademarks in violation of the franchise agreement.

You must modify or discontinue the use of a trademark if we modify or discontinue it. You have no rights to compensation or otherwise under the Franchise Agreement if we require you to modify or discontinue a trademark. You must not directly or indirectly contest our right to our trademarks, trade secrets or business techniques that are part of our business.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We have no patents nor patent applications pending that are material to a Heating + Air Paramedics franchise.

We claim trade secret and copyright protection for our manuals, intranet and database of materials, forms, video and audio recordings, social media postings, documents, images, training materials, advertising materials, trademarks, trade names, service marks, word marks and trade dress, financial information, our trade secrets and other proprietary and confidential materials whether or not marked or designated as confidential (the “Confidential Information”). These copyrights have not been registered with the United States Registrar of Copyrights. We grant you the rights to use these items for the term of the Franchise Agreement. You may not use our Confidential Information in an unauthorized manner and must take reasonable steps to prevent its disclosure to others.

There currently are no effective determinations of the Copyright Office (Library of Congress) or any court regarding any of the materials we claim copyright protection in nor are there any agreements currently in effect which significantly limit our right to use or authorize franchisees to use the copyrighted materials. Furthermore, there are no infringing uses actually known to us which could materially affect a franchisee’s use of the copyrighted materials in any state. We are not required by any agreement to protect or defend our copyrights.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

You must participate personally in the operation of the Franchise. You or one of your owners if you are an entity must be the license holder for the Franchised Business, if required by applicable law.

If you want to retain and use an on-site supervisor other than yourself, they must complete our Initial Training Program and be approved by us. You will be solely responsible for all costs of registering your supervisor for and attending the Initial Training Program. We recommend that any on-site supervisor be a properly licensed technician or person with similar heating and/or air conditioning services experience. Your on-site supervisor must agree to maintaining the confidentiality of our Confidential Information, and any other proprietary and trade secret material. The on-site supervisor need not have any ownership interest in your Franchised Business.

If you are a legal or business entity or you transfer your Franchise Agreement to a corporation, limited liability company or partnership, you and any other owners must sign a personal guaranty of all obligations under the Franchise Agreement. The form of personal guaranty is attached as an exhibit to the Franchise Agreement. We do not require your spouse or domestic partner to sign the Franchise Agreement or personal guaranty, but we do require that your spouse or domestic partner sign a Spousal Non-Disclosure and Non-Competition Agreement, attached as an exhibit to the Franchise Agreement. If your spouse or domestic partner breaches this Agreement we can seek remedies and enforce the provisions of that Agreement against both you and your spouse or domestic partner. We can also terminate your Franchise Agreement.

ITEM 16
RESTRICTIONS ON SERVICES OFFERED BY FRANCHISE

You must offer and provide all the products and services we require. You may not offer or provide any products and services not authorized by us, or which you are not licensed to provide. We may add additional

products and services you must offer and can withdraw any products or services we authorize you to provide. You are specifically limited to providing approved products and services to customers who are located in your territory unless we otherwise agree. For example, you may serve customers outside your territory provided that the customer is not located within the territory of another Heating + Air Paramedics franchisee. If we subsequently grant a territory to another franchisee that includes customers you currently service, you will lose the right to service those customers. If you are providing services to a customer outside of your territory under a periodic maintenance agreement, and the customer is included in a territory granted to another franchisee, you may continue to service the customer until the end of the maintenance agreement or for a period of up to 1 year, whichever comes first. At the end of that period you must cease providing service and transfer the customer. You must perform all warranty work for all of these customers, even if that warranty work is required to be performed after you have ceased service.

You must follow our policies, procedures, methods, and techniques and comply with all of our mandatory standards and specifications when providing services through your Franchised Business. Unless we otherwise approve, you cannot operate other businesses from your Franchised Business.

You may not create or issue your own gift cards or gift certificates. You must also participate in all gift card and gift certificate programs we establish. We can also implement pricing policies, such as maximum price policies, and minimum advertised price policies, and you must abide by these policies.

If you solicit customers or advertise or market in your territory via any means that may extend such solicitation or advertisement or marketing beyond your territory (for example, a mass-market radio or television advertisement), you must notify us in advance and obtain our written approval for the proposed solicitation, advertisement or marketing.

Independent Auditor's Report

RSM US LLP

Board of Directors
HS Group Holding Company LLC and Subsidiaries d/b/a Threshold Brands

Opinion

We have audited the consolidated financial statements of HS Group Holding Company, LLC and Subsidiaries d/b/a Threshold Brands (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the related consolidated statements of operations, changes in members' equity and cash flows for the years ended December 31, 2023, 2022, and 2021, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of their operations and their cash flows for the years ended December 31, 2023, 2022, and 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of presentation: The consolidated balance sheets are presented as of December 31, 2023 and 2022. The consolidated statements of operations, changes in members' equity, and cash flows are presented for the years ended December 31, 2022, 2021, and 2021. The accompanying consolidated financial statements of the Company include its wholly owned subsidiaries.

All intercompany transactions have been eliminated. The accompanying consolidated financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets generally accepted accounting principles (GAAP) that the Company follows to ensure its financial condition, results of operations, and cash flows are consistently reported. References to GAAP issued by the FASB in these notes to the consolidated financial statements are to the FASB Accounting Standards Codification (ASC).

Revenue recognition policy: The Company recognizes revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers, which provides a five-step model for recognizing revenue from contracts with customers as follows: identify the contract with a customer, identify the performance obligations in the contract, determine the transaction price, allocate the transaction price to the performance obligations in the contract, and recognize revenue when or as performance obligations are satisfied.

Significant accounting policies:

Nature of services

The Company's franchise agreements include (a) the right to use its symbolic intellectual property over the term of each franchise agreement, (b) preopening services, such as training, (c) ongoing services, such as management of the advertising fund contributions and support services for the franchisees, and (d) a license to use the Company's internal-use software which is hosted on the Company's software as a service (SaaS) platform. These promises are highly dependent upon and interrelated with the franchise right granted in the franchise agreement, so they are not considered to be individually distinct and therefore are accounted for as a single performance obligation. The performance obligation under the franchise agreement is the promise to provide daily access to the symbolic intellectual property over the term of each franchise agreement, which is a series of distinct services that represents a single performance obligation. Although the franchisor's underlying activities associated with the symbolic intellectual property will vary both within a day and day-to-day, the symbolic intellectual property is accessed over time and the customer (the franchisee) simultaneously receives and consumes the benefit from the franchisor's performance of providing access to the symbolic intellectual property (including other related activities). Revenue earned from providing these services is collectively referred to as franchise revenue.

Note 1. Summary of Significant Accounting Policies (Continued)

The Company's revenue consists primarily of recurring revenue, which includes franchise royalties, advertising fund contributions, and support services performed for franchisees. Franchise revenue (Initial franchise fees) is based on the market type selected and are paid at the time an individual franchise agreement is signed. Territory fees are for the purchase of additional territory over and above the minimum qualified households allowable based on the market type selected and are also paid at the time an individual franchise agreement is signed.

The Company also operates certain franchise locations. The revenue for these consists of revenue recognized at a point in time as the service is completed.

Payment terms

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring goods and services to the customer. Agreements may include initial and renewal franchise fees, sales-based royalties, and fees for administrative services performed for the franchisee.

The Company believes its franchising agreements do not contain a significant financing component because (a) the timing of the upfront payment does not arise for the reason of provision of financing to the Company and (b) the sales-based royalty is variable and based on factors outside the Company or the franchisee's control.

Revenue recognition

Initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement beginning when the agreement is signed. Franchise agreements typically have a term of five to ten years with the option to renew for an additional years if the franchisee is in compliance with the terms of the franchise agreement.

Continuing royalties are calculated as a percentage of franchisees' reported sales that are related entirely to the Company's performance obligation under the franchise agreement. These royalties are considered variable consideration, but because they relate to a license of intellectual property, they are not included in the transaction price. Instead, royalty revenue is recognized as franchisee sales occur. Advertising contributions received from the Company's franchisees are recorded as a component of franchise royalties and fees in the consolidated statements of operations.

Contract balances

The Company records accounts receivable when it has the unconditional right to issue an invoice and receive payment, regardless of whether revenue has been recognized. If revenue has not yet been recognized, a contract liability (deferred franchise and territory fees) also is recorded.

Commission costs

The Company defers those direct and incremental costs associated with the sale of franchises. Deferred costs are charged to earnings when the related deferred franchise and territory fees are recognized as revenue over the term of the respective agreement. The Company has determined the period of benefit for direct and incremental costs associated with the sale of franchises to be the initial term of the franchise agreement. Amortization is recognized on a straight-line basis commensurate with the pattern of revenue recognition.

Note 1. Summary of Significant Accounting Policies (Continued)

Advertising funds

The Company collects funds from its franchisees for advertising pursuant to the Company's franchise agreements at a percentage of franchisee sales. These advertising services are not considered distinct because they are highly dependent and interrelated to the franchise right. Advertising contributions are considered part of the transaction price for the franchise right and recognized as revenue as the underlying sales occur. The advertising costs incurred for franchisees will be expensed in accordance with the Company's normal policy.

Cash and cash equivalents: The Company considers all short-term, highly liquid investments with original maturities of 90 days or less to be cash and cash equivalents. Cash equivalents consist of money market accounts.

The following table provides a reconciliation of cash and cash equivalents reported in the consolidated balance sheets for continuing operations that sums to the total of the amounts shown in the consolidated statements of cash flows for the years ended December 31:

	2023	2022	2021
Cash - continuing operations	\$7,292,172	\$2,848,939	\$6,701,825
Cash reclassified to discontinued operations	213,960	291,909	479,252
	<u>\$7,506,132</u>	<u>\$3,140,848</u>	<u>\$7,181,077</u>

Accounts receivable: Accounts receivable are recorded at transaction price. The allowance for credit losses on accounts receivable represents the Company's estimate of expected credit losses over the lifetime of the receivables. This estimation process is based on historical experience, current conditions, asset-specific risk characteristics and reasonable and supportable forecasts about future economic and market conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded when received. The allowance for credit loss was approximately \$813,000 and \$542,000 for the years ended December 31, 2023 and 2022, respectively. The Company will continue to monitor and evaluate the adequacy of the allowance for credit losses on accounts receivable on a regular basis and make adjustments as necessary in response to changes in economic conditions and credit quality indicators.

The Company adopted Accounting Standards Update (ASU) 2016-13, Financial Instruments – Credit Losses (Topic 326), on January 1, 2023. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instruments which would include accounts receivables. Prior to the adoption of this accounting standard, the Company recorded incurred loss reserves against account receivable balances based on current and historical information. The adoption of this ASU did not have a material effect on the Company's financial statements.

Concentration of credit risk: The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents and accounts receivable. The Company maintains its cash and cash equivalents in bank deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents. The Company grants credit to its franchisees and customers. Consequently, the Company's ability to collect the amounts due from franchisees and customers is affected by economic fluctuations. The Company routinely assesses the financial strength of its franchisees and customers and believes that its accounts receivable credit risk exposure is limited.

Franchisor advertising: Advertising costs of the franchisor are charged against income during the period the advertising is displayed. Advertising costs are expensed as incurred and totaled approximately \$938,000, \$1,863,000, and \$2,148,000 for the years ended December 31, 2023, 2022, and 2021 respectively.

Software development costs: Costs for software developed for internal use are accounted for in accordance with ASC 350, Intangibles – Goodwill and Other - Internal-Use Software. ASC 350 requires the capitalization of certain costs incurred in connection with developing or obtaining internal-use software. In accordance with ASC 350, the Company expenses costs incurred in the preliminary project stage of developing or acquiring internal use software, such as research and feasibility studies, as well as costs incurred in the post-implementation/operational stage, such as maintenance and training. Capitalization of software development costs occurs only after the preliminary project stage is complete,

management authorizes the project, and it is probable that the project will be completed and the software will be used for the function intended. Costs associated with the purchase and development of computer software are capitalized and amortized on a straight-line basis over the estimated useful life of the related asset. Software development costs are recorded in property and equipment in the accompanying consolidated balance sheets. The Company capitalized software development costs. There were approximately \$72,000 and \$0 of capitalized costs for the year ended December 31, 2023 and 2022, respectively.

Property and equipment: Property and equipment is stated at cost, net of accumulated depreciation and amortization. Expenditures for additions and improvements are capitalized while maintenance and repair expenditures are charged to operations as incurred. When assets are sold or otherwise retired from service, their cost and related accumulated depreciation and amortization are removed from the accounts and any gain or loss is included in the results of operations. Depreciation and amortization is computed using the straight-line method based on the following estimated useful lives:

	Years
Equipment	5-10
Vehicles	5-10
Furniture and fixtures	3-5
Leasehold improvements	Lesser of useful life or lease term
Software development costs	3-7

Goodwill and intangibles: Goodwill is recognized for the excess of the fair value of an acquired business over the fair value of the identifiable net assets acquired. Under FASB ASC Topic 350, Intangibles—Goodwill and Other, the Company elected the accounting alternative to amortize goodwill on a straight-line basis over 10 years.

The Company has elected the provisions of FASB ASU 2014-18, *Business Combinations (Topic 805): Accounting for Identifiable Intangible Assets in a Business Combination*. ASU 2014-18 specifies that a private company that elects the accounting alternative to recognize or otherwise consider the fair value of intangible assets as a result of any in-scope transactions should no longer recognize separately from goodwill: (1) customer-related intangible assets unless they are capable of being sold or licensed independently from the other assets of the business and (2) noncompetition agreements.

HS Group Holding Company, LLC and Subsidiaries d/b/a Threshold Brands

Notes to Consolidated Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

The Company tests its recorded goodwill for impairment upon a triggering event. Factors that could trigger an impairment test include, but are not limited to, underperformance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the overall business, significant negative industry or economic trends and a sustained period where market capitalization, plus an appropriate control premium, is less than member's equity. Goodwill is tested using a fair-value approach at the entity level. No impairment expense was recognized for the years ended December 31, 2023, 2022 and 2021.

Intangible assets include franchise agreements, trade names, trade secrets and software. Intangible assets are amortized on a straight-line basis over their estimated useful lives, which range between 7 to 25 years.

Long-lived assets: Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. If impairment is considered, recoverability of these assets is measured by a comparison of the carrying amount of the asset to estimated future undiscounted cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount of which the carrying amount of the asset exceeds the fair value of the asset. No impairment expense was recognized for the years ended December 31, 2023, 2022 and 2021.

Fair value measurements: The Company uses the fair value measurement and disclosure guidance for all assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements. The guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company uses various methods including market, income and cost approaches. Based on these approaches, the Company often utilizes certain assumptions that management believes market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date.

Level 2: Inputs to the valuation methodology include quoted prices in markets that are not active or quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3: Inputs to the valuation methodology are unobservable, reflecting the entity's own assumptions about assumptions market participants would use in pricing the asset or liability.

Note 1. Summary of Significant Accounting Policies (Continued)

Leases: In February 2016, the FASB issued ASC Topic 842, Leases, to increase transparency and comparability among organizations related to their leasing arrangements. The update requires lessees to recognize most leases on their balance sheets as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Topic 842 also requires additional disclosure of key quantitative and qualitative information for leasing arrangements. Similar to the previous lease guidance, the update retains a distinction between finance leases (similar to capital leases in Topic 840, Leases) and operating leases, with classification affecting the pattern of expense recognition in the income statement. The Company adopted Topic 842 on January 1, 2022, using the optional transition method to the modified retrospective approach, which eliminates the requirement to restate the prior-period financial statements. Under this transition provision, the Company has applied Topic 842 to reporting periods beginning on January 1, 2022, while prior periods continue to be reported and disclosed in accordance with the Company's historical accounting treatment under ASC Topic 840, Leases.

The Company elected the "package of practical expedients" under the transition guidance within Topic 842, in which the Company does not reassess (1) the historical lease classification, (2) whether any existing contracts at transition are or contain leases, or (3) the initial direct costs for any existing leases. The Company has not elected to adopt the "hindsight" practical expedient, and therefore will measure the ROU asset and lease liability using the remaining portion of the lease term upon the adoption of Topic 842 on January 1, 2022.

The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company made an accounting policy election available under Topic 842 not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of Topic 842). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of Topic 842).

The Company has made an accounting policy election to account for lease and non-lease components in its contracts as a single lease component for its various asset classes. The non-lease components typically represent additional services transferred to the Company, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

Adoption of Topic 842 resulted in the recording of additional ROU assets and lease liabilities related to the Company's operating leases of approximately \$6.67 million and \$6.71 million, respectively, at January 1, 2022. The adoption of the new lease standard did not materially impact consolidated net earnings or consolidated cash flows and did not result in a cumulative-effect adjustment to the opening balance of retained earnings.

Note 1. Summary of Significant Accounting Policies (Continued)

Income taxes: As a limited liability company, the Company is treated as a partnership for federal and state income tax purposes. As such, the taxable income of the Company is allocated in the tax returns of its members for federal and state tax purposes in accordance with their respective percentage ownership. Accordingly, no provision for federal income taxes is included in the consolidated financial statements. Entity-level, composite state and local income taxes (benefits) are accrued at the applicable rates, if any, and are included in the consolidated statements of operations.

The FASB provides guidance for how uncertain tax provisions should be recognized, measured, disclosed, and presented in the consolidated financial statements. The Company identifies its tax positions taken or expected to be taken in the course of preparing its tax returns and determines whether any tax positions are more likely than not of being sustained when challenged or when examined by the applicable tax authority. Management has determined that there are no uncertain tax positions at December 31, 2023, 2022, and 2021.

Debt issuance costs: Debt issuance costs are carried at cost less accumulated amortization as a direct deduction from the carrying amount of the related loan. The costs are amortized over the term of the related loan using a method that approximates the effective interest rate method. Amortization expense is classified in interest expense in the accompanying consolidated statements of operations.

Foreign currency translation: The functional currency of the Company's international subsidiary is the Canadian dollar. Foreign currency denominated assets and liabilities are translated into United States dollars at the rate of exchange in effect at year-end. Income and expenses are translated at a weighted average rate of exchange for the years ended December 31, 2023, 2022 and 2021. The aggregate effect of translating the consolidated financial statements is included in foreign currency translation in the consolidated statements of changes in members' equity.

Use of estimates: The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events: On January 31, 2024, the Company sold PHP in exchange of 300 Class A units owned by the buyer that were valued at \$630,000 (see Note 9).

The Company evaluated subsequent events for potential required disclosure through April 24, 2024, which is the date the consolidated financial statements were available to be issued.

Note 2. Acquisition of Businesses

Men in Kilts Canada: On February 8, 2021, the Company acquired 100% of the assets in MIKC for total consideration of \$1,450,854.

The acquisition was funded through equity contributions and the issuance of member units to the sellers.

The goodwill arising from the above acquisition is largely due to the fair value of certain intangible assets along with the assembled workforce being subsumed into goodwill, the Company's presence in the marketplace, and its long-term expected revenue growth. Goodwill is deductible for income tax purposes.

The business combination was accounted for under the acquisition method of accounting. The following table summarizes the consideration paid and assets acquired, and liabilities assumed recognized at the preliminary fair value at the date of acquisition:

Consideration:

Cash	\$ 1,300,854

Accrued expenses and other liabilities	<u>(69,593)</u>
Total identifiable net assets acquired	891,907
Goodwill	558,947
	<u>\$ 1,450,854</u>

The fair value of the 150 Class A Units was determined based on the value of the Company at the acquisition date, using unobservable inputs.

In connection with the transaction, the Company incurred \$252,478 of transaction expenses, which were expensed as incurred in the accompanying consolidated statement of operations.

Of the \$927,000 of identified intangible assets, \$829,000 was assigned to franchise agreements (10-year life) and \$98,000 was assigned to trade names (20-year life).

The goodwill arising from the above acquisition is largely due to the fair value of certain intangible assets along with the assembled workforce being subsumed into goodwill, the Company's presence in the marketplace, and its long-term expected revenue growth. A tax election was filed; therefore, goodwill is deductible for income tax purposes.

The fair value of the 3,000 Class A Units was determined based on the value of the Company at the acquisition date, using unobservable inputs.

In connection with the transaction, the Company incurred \$669,400 of transaction expenses, which were expensed as incurred in the accompanying consolidated statement of operations.

The \$905,000 of identified intangible assets were assigned to trade names (20-year life).

Certain current and prior year amounts were reclassified to discontinued operations as of December 31, 2023 and 2022.

Note 7. Commitments and Contingencies

Legal matters: From time to time, the Company may be involved in legal actions arising in the ordinary course of business or, conditions may exist that may result in a loss but will only be resolved when one or more future events occur or fail to occur. Each of these actions or matters is assessed by the Company's management and legal counsel to evaluate the perceived merits of any proceeding or claim, as well as any relief sought or expected to be sought. Such assessment involves the exercise of judgment. The Company establishes accruals for losses that management deems to be probable and subject to reasonable estimate. If the assessment indicates that a potentially material loss contingency is not probable but reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss, if determinable and material, would be disclosed.

Related-party transaction: A company related to the Company's majority member charges the Company for financial and management services under a management services agreement for reimbursement of reasonable direct expenses, which is included in general and administrative expense on the accompanying consolidated statements of operations. The total expense for the years ended December 31, 2023, 2022, and 2021, is approximately \$530,000, \$295,000, and \$294,000, respectively.

Note 8. Members' Equity

Members' equity consisted of the following membership units:

	2023	
	Units Authorized	Units Outstanding
Class A Units	1,000,000	88,117
Class B Units	11,431	5,250

Class A Units have voting rights on all matters requiring the consent, approval or vote of the Members. The Class A Units receive preference on distributions.

Class B Units are profit interests that do not have voting rights and have been issued to designated management employees of the Company without any corresponding capital contribution. The holders of these units are entitled to share in the appreciation of the Company's assets that occur subsequent to the date of grant. The Class B Units are dilutive to the participating preferred units.

Note 8. Members' Equity (Continued)

The Company has issued 11,431, 8,415, and 6,452 units to certain management employees as of December 31, 2023, 2022, and 2021, respectively. The units substantially vest upon a change in control of the Company, if still employed. The fair value of the awards at the date of grant is estimated using option pricing models. The expected terms assumption reflects the period for which the Company believes the awards will remain outstanding and is based on the expected behavior of the award holders. The Company determined the volatility of the fair value of its units through comparison to similar entities considering such characteristics as industry, stage of life cycle, size, and financial leverage. The risk free rate reflects the U.S. Treasury yield curve for similar expected life instruments in effect at the time of grant. During the years ended December 31, 2023 and 2022, and 2021 there were 6,181, 4,231, and 1,314 cumulative units forfeited, respectively. Class B units have no compensation expense recorded as their vesting condition is not considered probably until a change in control occurs.

Note 9. Discontinued Operations

GGFA was sold by the Company on December 31, 2023, in exchange of 300 Class A units owned by the buyer that were valued at \$221,000. This entity operated as a separate business. In addition, on January 31, 2024, the Company sold PHP in exchange of 300 Class A units owned by the buyer that were valued at \$630,000. Finally, MM is being marketed for sale and it is probable that a transaction will occur in the next year. PHP and MM are classified as held-for-sale.

The sale of GGFA, subsequent sale of PHP and the anticipated sale of MM businesses are considered to be a strategic change in operations as they are all non-franchisors so the Company can focus on the franchisor business. GGFA, PHP, and MM are therefore being accounted for as discontinued operations. The results of the operations and sale GGFA business are being presented as loss from discontinued operations in the accompanying consolidated statements of operations for the years ended December 31, 2023, 2022, and 2021.

(m) You will notify us, in writing, within twenty-four (24) hours of receipt of notice of the commencement of, or the threat of, any action, suit or proceeding against you, and of the issuance of or the threat of any inquiry, subpoena, order, writ, injunction, award or decree of any court, agency or other governmental instrumentality which arises out of, concerns, or may affect the operation or financial condition of the Franchise, us, or the goodwill associated with the Licensed Marks including, without limitation, any criminal action or proceedings brought by you against your employees, customers, or other persons. (b) You must spend a minimum of Six Thousand Five Hundred Dollars (\$6,500) per month to advertise and market the Franchise within the Territory. decide whether to use advertising agencies and which ones or whether to create advertising materials in-house.

(i) We solely determine how monies in the Brand Fund are spent. We may collaborate with the advertising and marketing funds of certain franchise systems affiliated with us. There can be no assurance that the Brand Fund's participation in these collaborations and joint efforts will benefit you or other Heating + Air Paramedics franchisees proportionately or equivalently to the benefits received by you or the other franchised businesses or the other franchised systems affiliated with us that also participate. We are not obligated to make proportionate expenditures of your contributions per market area or otherwise. We do not guarantee that expenditures from the Fund will benefit you or any other franchisee directly, on a pro rata basis, or at all. We may, but have no obligation to, loan amounts to the Fund and can determine the repayment obligation of the Fund, including interest rate of the loan and repayment terms, as we see fit. If any taxes become due based upon the activities of the Brand Fund, these taxes may be paid out of the funds in the Brand Fund. We reserve the right to terminate the Fund after all monies have been spent.

If an inspection or audit discloses an understatement of Gross Sales for any period or periods, you will reimburse us for all of our costs and expenses incurred to conduct the inspection or audit.

This Agreement is fully assignable by us and shall inure to the benefit of any assignee or other legal successor to our interest. We shall have no obligations to you after our assignment of this Agreement.

21. Upgrades and Improvements.

We may from time-to-time require you to upgrade or improve the Franchise to reflect changes to the Licensed Marks or required changes in the operation of the System. Such changes may include the installation of new signs or fixtures, remodeling or reconstruction of your facility, replacement or repair of your vehicles, the purchase of new uniforms or equipment, changes to your inventory or supplies, updates to software and hardware, re-design of websites or social media platforms and the purchase, use, refinishing or replacement of branded materials. You are required to make such upgrades or improvements at the time and in the manner prescribed by us. You are solely responsible for all costs of such upgrades or improvements.

22. Death, Disability or Permanent Incapacity of the Franchisee.

(a) In the event of your death or permanent disability or that of any person with a controlling interest in the Franchisee, the executor, administrator, or personal representative of that person (the "Representative") shall work with us to ensure that not later than one hundred and eighty (180) days after such death or permanent disability, a suitable transferee has been identified and a transfer of control or a transfer of the Franchise under Section 19 has been completed. The term "permanent disability" shall mean a mental, physical or emotional disability, incapacity, impairment, or condition that is reasonably expected to

prevent or actually does prevent you (or an owner controlling you) from supervising the management and operation of the Franchise for a period of one hundred and twenty (120) days from the onset of such disability, incapacity, impairment or condition.

(b) Immediately upon receiving notice of an event of death or permanent disability, the Representative will notify us and take all reasonable steps necessary to ensure the continued operation of the Franchise, including the appointment of a manager approved by us.

(c) If control of the Franchise has transferred through a devise or inheritance by operation of law, and if the heirs or beneficiaries of any deceased person are unable to fully satisfy the conditions contained in this Agreement, the personal representative of the deceased Franchisee shall have a reasonable time, in our sole discretion, to dispose of the deceased's interest in the Franchise in accordance with Section 19 of this Agreement.

(d) If the Franchise is not transferred in accordance with Section 22(a) we may terminate this Agreement without further notice to you.

23. Covenants of Non-Disclosure, Non-Solicitation and Non-Competition.

(a) Franchisee and its supervisors, shareholders, directors, officers and guarantors (the "Covenant Parties") specifically acknowledge that they will receive valuable specialized training, trade secrets, and confidential information, including, without limitation, information regarding the management, operations, marketing, advertising, and related information, materials, methods and techniques of ours and the System which are beyond their present skills and experience, and that the value of this information arises not only from the time, effort and money that went into its compilation but also from its usage by all franchisees. The Covenant Parties acknowledge that such specialized training, trade secrets, and confidential information provide a competitive advantage and will be valuable to them in the operation of the Franchise, and that gaining access to such specialized training, trade secrets, and confidential information is therefore a primary reason why Franchisee is entering into this Agreement. You understand and agree that the restrictions contained in this Section are reasonable and necessary to protect our legitimate business interests.

(b) In consideration for the benefits described in Section 23(a), the Covenant Parties agree that:

- i. during the Term they will not, directly or indirectly, for themselves or through or on behalf of or in conjunction with any person, partnership, corporation or other business entity:
 - (a) solicit, divert or attempt to solicit or attempt to divert any business or customer of the Franchise to any competitor, by direct or indirect inducement or otherwise; or
 - (b) own, manage, maintain, operate, engage in, advise, consult with, invest in, be employed by or perform services as a director, officer, manager, representative, agent, or otherwise, or have any direct or indirect interest in any business or other venture specializing, in whole or in part, in offering to the public substantially similar products and services as those offered by Franchisor.
- ii. For a period of eighteen (18) months after the Term, within the Territory, including from the facility of the Franchise, and any immediately adjacent territories licensed

to other Heating + Air Paramedics franchisees, they will not, directly or indirectly, for themselves or through or on behalf of or in conjunction with any person, partnership, corporation or other business entity:

- (a) solicit, divert or attempt to solicit or attempt to divert any business of customer of the Franchise to any competitor, by direct or indirect inducement of otherwise; or
- (b) own, manage, maintain, operate, engage in, advise, consult with, invest in, be employed by or perform services as a director, officer, manager, representative, agent, or otherwise, or have any direct or indirect interest in any business or other venture specializing, in whole or in part, in offering to the public substantially similar products and services as those offered by Franchisor.

(c) The Covenant Parties expressly acknowledge that they possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, you acknowledge that enforcement of the covenants made in this Section will not deprive any Covenant Parties of personal goodwill or the ability to earn a living.

(d) It is the express intention of the Parties to this Agreement to comply with all laws applicable to the covenants contained in this Agreement. If any of the covenants contained in this Section are found to exceed in duration, geography or scope those permitted by applicable law, the Parties expressly agree that such restrictive covenant may be reformed or modified by the final judgment of a court of competent jurisdiction or other lawful constituted authority to reflect a lawful and enforceable restriction, whether in duration, geography or scope, and that the covenants contained in this Section shall automatically be deemed to be amended and modified so as to comply with the judgment or order of such court or authority to the maximum extent permitted. If any one or more of the provisions contained in this Section shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, and this Agreement shall be construed as if it never contained such invalid, illegal or unenforceable provisions.

(e) You agree that, if any Covenant Parties engage as an owner, member, partner, shareholder, officer, consultant, agent, operator, or in any managerial capacity in any similar business, it shall be conclusively presumed as a violation of the terms of this Section and Section 9 as an improper utilization of our Confidential Information and Section 8 as an infringement of the Licensed Marks.

(f) The provisions of this Section shall survive any termination or expiration of this Agreement.

24. Spousal Agreements.

Your spouse or domestic partner (and if you are a business entity, then the spouses or domestic partners of all shareholders, members, or partners) shall execute Confidentiality and Non-Competition Agreements in a form approved by us, at the time of the signing of this Agreement. The Confidentiality and Non-Competition Agreement shall prohibit spouses or domestic partners from disclosing or using any trade secrets, customer lists or other information, knowledge or know-how deemed confidential or proprietary by us concerning the System or the operation of Franchise and from competing with us during the Term and for eighteen (18) months following termination or expiration of this Agreement to the extent of the restrictions set forth in this Agreement.

25. Choice of Law; Jurisdiction; Waiver of Jury Trial.

(a) Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act; 15 U.S.C. § 1050 et seq.), as amended, or the Federal Arbitration Act, this Agreement, including all exhibits and ancillary agreements, shall be governed by the law of the State of Ohio.

(b) You consent to personal jurisdiction in the State of Ohio over you in all claims, actions, suits, disputes, arbitrations, demands and other proceedings related to or arising out of this Agreement and waive any defense you may have of lack of personal jurisdiction or improper venue in any such proceeding. All claims, actions and suits must be brought in the state or federal courts located in Cleveland, Ohio and the Parties waive any objections they may have to either the jurisdiction or the venue in such courts and hereby consent to personal jurisdiction and venue in such courts. The only exception to the foregoing shall be: (1) if the courts of Ohio would have no jurisdiction over a named party in the litigation, and such party's involvement in the litigation is integral to the underlying claims and not principally for the purpose of circumventing the intent of the parties to name Ohio as the exclusive venue for any actions, then the action may be venued in any court having jurisdiction over all the parties and a significant nexus to the parties; and (2) to the extent that Franchisor believes it is necessary to seek injunctive relief against Franchisee, Franchisor may initiate that action in the county in which Franchisee has its principal office (which shall be the county in which Franchisee is domiciled, or the county in which the Franchise is located).

(c) The Parties irrevocably waive their right to a trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either Party. You and we acknowledge that this waiver of jury trial rights provides the Parties with the mutual benefit of uniform interpretation of this Agreement and resolution of any dispute arising out of this Agreement and any aspect of the Parties' relationship.

(d) The Parties agree to settle, mediate, litigate, arbitrate, or compromise disputes with third parties, without having the disposition of such disputes directly affect the contract or relationship between them. The Parties therefore each agree that a decision of an arbitrator or court of law in a dispute to which one of us is not a party will not in any manner prevent the other Party from making similar arguments, or taking similar positions, in any subsequent action between them or between us and any other franchisee. The Parties therefore waive the right to assert that principals of collateral estoppel prevent either of us from raising any claim or defense in an action between them as a result of one of them having lost a similar claim or defense in another action.

(e) Any provision of this Agreement, which contemplates performance of any Party following termination of this Agreement or expiration of the Term, including, but not limited to, the non-competition, confidentiality and indemnification provisions of this Agreement, will survive such termination or expiration.

(f) Should any provision of this Agreement require judicial interpretation, the Parties agree that the court interpreting or construing the provision will not apply the assumption that any of the terms of this Agreement will be more strictly construed against the Party preparing the Agreement. Accordingly, you specifically acknowledge that: (i) we advised you to obtain legal counsel to review this Agreement, (ii) you obtained all professional advice that you believe necessary for your full understanding of the terms of this Agreement and the consequences of those terms, and (iii) you are entering into this Agreement intentionally and voluntarily and with full knowledge of its terms and conditions.

26. Binding Arbitration.

(a) This Agreement is a written agreement evidencing a transaction involving commerce and is, therefore, subject to the terms and provisions of the Federal Arbitration Act, Title 9, of the United States Code. Except as set forth in Section 29, any and all controversies or claims whatsoever arising out of or relating to this Agreement or to any ancillary agreement between the Parties or with regard to their interpretation, formation or breach, shall be settled by binding arbitration according to the commercial rules of the American Arbitration Association as hereinafter provided.

(b) Prior to submitting any claim or dispute to arbitration, you shall give notice thereof to us setting forth in reasonable detail the nature and basis of the claim or dispute. The Parties shall then seek to negotiate and resolve the dispute by direct negotiation between you and us over a period of not less than thirty (30) days. If the dispute is not resolved through negotiation or mediation, either Party may send written notice to (1) the other Party, and (2) the Regional Office of the American Arbitration Association in or closest to the location of our principal offices at that time invoking the binding arbitration provisions of this Subsection.

(c) You agree that any arbitration brought under this Section 26 shall be conducted on an individual basis and not a class-wide, multiple plaintiff or similar basis and that such disputes shall not be consolidated with the arbitration of any other disputes which might arise between us and any other Heating + Air Paramedics franchisees.

(d) Any arbitration shall be conducted in Cleveland, OH or such other location as the Parties mutually agree before a single arbitrator who has been actively engaged in the practice of law for at least ten (10) years and has franchise law experience. If the Parties cannot agree upon an arbitrator, the arbitrator shall be selected in accordance with the American Arbitration Association rules. Prior to the commencement of hearings, the arbitrator shall provide an oath of undertaking of impartiality. The Parties agree that discovery prior to arbitration shall be restricted solely to exchanging lists of those witnesses and documents which may be presented at the hearing before the arbitrator. The award of the arbitrator shall be final. The Parties' further consent to the jurisdiction in any appropriate court to enforce the provisions of this Section and/or to enter a judgment upon any award rendered by the arbitrator. The costs and expenses of arbitration, including the prevailing party's attorney's fees and costs and the compensation and expenses of the arbitrator, shall be borne by the non-prevailing party.

(e) In the event that any such controversy or claim involves any of your officers, directors, shareholders, employees, representatives or agents, then any such controversy or claim shall also be submitted to binding arbitration in the same manner as set forth above.

(f) In proceeding with arbitration and in making determinations hereunder, the arbitrator shall not extend, modify or suspend any terms of this Agreement or the reasonable standards of business performance and operation established by us in good faith. However, if an arbitrator determines that any contractual limitations period provided for in this Agreement is not applicable or enforceable, then the parties agree to be bound by the provision of any statute of limitations which would otherwise be applicable to the controversy, dispute or claim which is the subject of any arbitration proceeding initiated hereunder. Notice of or request to or demand for arbitration shall not stay, postpone or rescind the effectiveness of this Agreement or any termination thereof. In the event that either Party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such Party notwithstanding said failure to appear.

(g) **YOU EXPRESSLY ACKNOWLEDGE THAT YOU HAVE READ THE TERMS OF THIS BINDING ARBITRATION PROVISION AND SPECIFICALLY AFFIRM THAT THIS**

PROVISION IS ENTERED INTO WILLINGLY AND VOLUNTARILY AND WITHOUT ANY FRAUD, DURESS, OR UNDUE INFLUENCE ON THE PART OF US OR ANY OF OUR AGENTS OR EMPLOYEES.

27. Indemnification.

(a) You agree at all times to defend at your own cost, and to indemnify and hold harmless to the fullest extent permitted by law, us, our subsidiaries, affiliates, successors, assigns and designees, and our directors, members, managers, officers, employees, agents, shareholders, attorneys, designees, and representatives (collectively the "Indemnitees") from all costs, damages and expenses incurred in connection with any action, suit, proceeding, claim, demand, arbitration, mediation, investigation, or formal or informal inquiry (regardless of whether same is reduced to judgment) or any settlement thereof which arises out of or is based upon, directly or indirectly: (i) your operation of the Franchise, (ii) your conduct or the conduct of your directors, officers, managers, members, employees or agents or, (iii) the terms of this Agreement.

(b) For the purpose of this Section, the terms "costs, damages and expenses" include but are not limited to all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, attorneys' fees, experts' fees, court costs, settlement amounts, judgments, compensation for damages to our reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing same, and any and all expenses of recall refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

28. Independent Contractor.

(a) You understand and agree that you are and shall be an independent contractor. Nothing in this Agreement shall be construed to create a partnership, joint venture, agency, employment or fiduciary relationship of any kind. You shall not, without our prior written approval, have any power to obligate us for any expenses, liabilities or other obligations, other than as is specifically provided for in this Agreement. We shall not have the power to hire or fire or control your employees and, except as herein expressly provided, we may not control or have access to your funds or the expenditure thereof, or in any other way exercise dominion or control over the Franchise.

(b) It is expressly understood and agreed that neither you nor any employee of yours will, in any way, directly or indirectly, expressly or by implication, be construed to be an employee of ours for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state or federal government agency.

(c) **YOU SHALL CONSPICUOUSLY IDENTIFY YOURSELF IN ALL DEALINGS WITH YOUR CUSTOMERS, CONTRACTORS, SUPPLIERS, PUBLIC OFFICIALS AND OTHERS, AS AN INDEPENDENT FRANCHISEE OF OURS, AND SHALL PLACE SUCH NOTICE OF INDEPENDENT OWNERSHIP ON ALL FORMS, BUSINESS CARDS, STATIONERY, ADVERTISING, SIGNS AND OTHER MATERIALS AND IN SUCH FASHION AS WE MAY, IN OUR SOLE AND EXCLUSIVE DISCRETION, SPECIFY AND REQUIRE FROM TIME TO TIME, IN OUR MANUALS (AS SAME MAY BE AMENDED FROM TIME TO TIME) OR OTHERWISE.**

29. Injunctive Relief.

You agree that we have the right to seek injunctive relief to: (i) enforce our rights to terminate this Agreement, (ii) prevent the infringement of the Licensed Marks, (iii) enforce your post-termination covenants, including the non-competition covenants, (iv) to prevent the disclosure of or improper or unauthorized use of the Confidential Information, (v) to enforce our right to binding arbitration, and (vi) for any other reason we, in our sole discretion, deem necessary to prevent you from irreparably damaging the System. If we seek injunctive relief it shall not be deemed or construed as a waiver by us of our right to invoke the binding arbitration provisions of this Agreement.

30. Enforcement Costs and Expenses.

You shall pay us on demand any and all costs and expenses we incur in successfully enforcing the terms of this Agreement, including legal fees and expenses and our administrative costs, whether such enforcement action is formal or informal, privately negotiated, mediated, arbitrated, tried or resolved through any other form of legal proceeding. Your duty to pay all of the above costs and expenses shall survive the termination or expiration of this Agreement.

31. Cross-Default; No Right to Set-Off.

(a) Any default by you of any other agreement between you and us shall be deemed a default under this Agreement, and any default by you under this Agreement shall be deemed a default under any and all other agreements between you and us. If the nature of such default under any other agreement would have permitted us to terminate this Agreement had said default occurred hereunder, we shall have the right to terminate this Agreement and all of the other agreements between you and us in the same manner as provided herein for termination of this Agreement.

(b) You shall not, for any reason, set-off against any amounts due to us any claims you assert to payment from us under this Agreement (as amended), the exhibits hereto and any ancillary agreements we may enter now or in the future. The existence of any claim or cause of action that you assert against us will not constitute a defense or bar to the enforcement of any of the provisions of this Agreement and must be pursued by you through a separate action.

32. Limitation of Actions.

You agree that you must bring any cause of action, claim, demand, or suit, arising out of or under this Agreement against us no later than one (1) year from the act, transaction or occurrence upon which such action is based. Any action or claim not brought within this one (1) year period shall be barred as a claim, counterclaim, defense, or set-off. You understand that this time limit might be shorter than otherwise allowed by law.

33. Step-in Rights.

If, at any time during the Term, we determine that the operation of the Franchise is in jeopardy for any reason, then we shall have the right but not the obligation to “step-in” to your place as the operator of the Franchise and to operate the Franchise on your behalf until we determine, in our sole discretion, that the Franchise is no longer in jeopardy. You acknowledge that this right to “step-in” is necessary to preserve the value and integrity of the System and the Licensed Marks, and You authorize us to exercise the rights described here. You will reimburse us for all costs incurred when exercising step-in rights. You will indemnify and hold harmless Franchisor its officers, managers, members, agents, representatives, affiliates and employees, or anyone else acting on our behalf, against any claims, actions, losses, damages, harms

and liabilities, including reasonable attorney's fees, incurred by us as the result of exercising our step-in rights under this Agreement.

34. Entire Agreement; Modification.

This Agreement, and attached exhibits and ancillary documents, constitute the entire agreement between the Parties with respect to its subject matter, and this Agreement supersedes all prior and contemporaneous oral and/or written agreements between the Parties. Nothing in this or in any related agreement, however, is intended to disclaim any representations we made in the Franchise Disclosure Document that we provided to you. No change, modification, termination or attempted waiver of any of the provisions of this Agreement shall be binding upon us or you unless in writing and signed by an authorized officer of both you and us; provided, however, we may unilaterally modify any of our manuals.

35. Notices.

All notices required under this Agreement shall be made in writing and delivered to Franchisor by hand, certified mail or e-mail. If by hand, all notices shall be delivered to the Franchisor, attention Brand Leader, at Franchisor's principal place of business, 17700 Saint Clair Avenue, Cleveland, Ohio 44110. If by certified Mail, all notices shall be mailed to the Franchisor, attention Brand Leader, to Franchisor's principal place of business stated herein. If by email, all notices shall be delivered to our Brand Leader at court@phparamedics.com, and carbon copied to the Franchisor's legal department at rhuelin@thresholdbrands.com.

36. Miscellaneous.

(a) The titles of the sections and paragraphs are for convenience only and are not a part of the text of this Agreement.

(b) All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all invalid or unenforceable provisions were not contained herein, and all partially valid and enforceable provisions shall be interpreted and enforced to the extent they are intelligible, valid and enforceable.

(c) You shall not, on grounds of an alleged non-performance by us of any of our obligations or for any other reason, withhold payment of any amount due pursuant to us under this Agreement (as amended), the exhibits hereto or any ancillary agreements we may enter with you now or in the future. No endorsement or statement on any check or payment of any sum less than the full sum due to us shall be construed as an acknowledgement of payment in full or an accord and satisfaction, and we may accept and cash such check or payment without prejudice to its right to recover the balance due or pursue any other remedy provided herein or by law. We may apply any payments made by you against any past due indebtedness of yours as we may see fit. We may set off against any sums payable to you hereunder any unpaid debts due from you to us.

(d) Except as otherwise expressly stated in this Agreement, any consent or approval required to be obtained from us, or decision to be made by us, may be granted or made by us in our sole and exclusive business judgment, which may take into account our assessment of, among other things, the long-term interests of us, the System and the Licensed Marks, without regard to its effect on you or any other Heating + Air Paramedics franchisee. Our business judgment will prevail even in cases where other alternatives may be reasonable, so long as we intend to benefit or act in a way that could benefit the System, enhance the value of the Licensed Marks, increase customer satisfaction, or minimize possible consumer, brand or location confusion or harm. If our activities or decisions are supported by our business judgment no court

or judge or trier of fact, or any other person reviewing those activities or decisions may substitute his, her or its judgment for our judgment, in recognition of the fact that the long-term goals of a franchise system, and the long-term interests of both us and our franchisees, require that we have the latitude to exercise our business judgment in administering, managing, and overseeing the System.

(e) Neither Party hereto shall be liable for any loss or damage due to any delay in the performance of the terms hereof by reason of strikes, lockouts and other labor troubles, fires, riots, wars, embargos and commotion, or acts of God; provided, however, the forgoing shall not apply to a Party's payment obligations hereunder. Any such delay shall extend performance only so long as such event is in progress.

(f) In all respects, time shall be of the essence under this Agreement (as amended), the exhibits hereto, and any ancillary agreements we may enter into with you now or in the future.

(g) The provisions hereof shall be binding upon, and shall inure to the benefit of, the Parties hereto and their respective heirs, successors and assigns unless otherwise specifically restricted by the terms of this Agreement.

37. Acknowledgements.

(b) Prior to the execution of this Agreement, you have had the opportunity to contact all of our existing franchisees, if any.

(g) You affirm that all information set forth in any and all applications, financial statements and submissions to us is true, complete and accurate in all respects, with you expressly acknowledging that we are relying upon the truthfulness, completeness and accuracy of such information.

(h) You agree and acknowledge that fulfillment of any and all of our obligations written in this Agreement or based on any oral communications which may be ruled to be binding in a court of law shall be our sole responsibility and none of our agents, employees, representatives, nor any individuals associated with us or our affiliates shall be personally liable to you for any reason.

TELEPHONE LISTING AGREEMENT

THIS TELEPHONE LISTING AGREEMENT (the "Telephone Listing Agreement") is made and entered into as of _____ (the "Effective Date"), by and between PHP Franchise, LLC (the "Franchisor"), and _____, a(n) _____ (the "Franchisee").

1. DEFINITIONS

All terms used but not otherwise defined in this Telephone Listing Agreement shall have the meanings set forth in the Franchise Agreement executed by Franchisor and Franchisee. "Termination" of the Franchise Agreement shall include, but shall not be limited to, the voluntary termination, involuntary termination, or natural expiration thereof.

2. TRANSFER; APPOINTMENT

2.1 Interest in Telephone Numbers and Listings. Franchisee has, or will acquire, during the term of the Franchise Agreement, certain right, title, and interest in and to those certain telephone numbers and regular, classified, yellow-page, and other telephone directory listings (collectively, the "Numbers and Listings") related to the Franchise or the Marks (all of which right, title, and interest is referred to herein as "Franchisee's Interest").

2.2 Transfer. On Termination of the Franchise Agreement, if Franchisor directs Franchisee to do so, Franchisee will immediately direct all telephone companies, telephone directory publishers, and telephone directory listing agencies (collectively, the "Telephone Companies") with which Franchisee has Telephone Numbers and Listings: (i) to transfer all Franchisee's Interest in such Telephone Numbers and Listings to Franchisor; and (ii) to execute such documents and take such actions as may be reasonably necessary to effectuate such transfer. In the event Franchisor does not desire to accept any or all such Telephone Numbers and Listings, Franchisee will immediately direct the Telephone Companies to terminate such Telephone Numbers and Listings or will take such other actions with respect to the Telephone Numbers and Listings as Franchisor directs.

2.3 Appointment; Power of Attorney. Franchisee hereby constitutes and appoints Franchisor and any officer or agent of Franchisor, for Franchisor's benefit under the Franchise Agreement and this Telephone Listing Agreement or otherwise, with full power of substitution, as Franchisee's true and lawful attorney-in-fact with full power and authority in Franchisee's place and stead, and in Franchisee's name or the name of any affiliated person or affiliated company of Franchisee, on Termination of the Franchise Agreement, to take any and all appropriate action and to execute and deliver any and all documents that may be necessary or desirable to accomplish the purposes of this Telephone Listing Agreement. Franchisee further agrees that this appointment constitutes a power coupled with an interest and is irrevocable until Franchisee has satisfied all of its obligations under the Franchise Agreement and any and all other agreements to which Franchisee and any of its affiliates on the one hand, and Franchisor and any of its affiliates on the other, are parties, including, without limitation, this Telephone Listing Agreement. Without limiting the generality of the foregoing, Franchisee hereby grants to Franchisor the power and right to do the following:

2.3.1 Direct the Telephone Companies to transfer all Franchisee's Interest in and to the Telephone Numbers and Listings to Franchisor;

2.3.2 Direct the Telephone Companies to terminate any or all of the Telephone Numbers and Listings; and

2.3.3 Execute the Telephone Companies' standard assignment forms or other documents in order to affect such transfer or termination of Franchisee's Interest.

2.4 Certification of Termination. Franchisee hereby directs the Telephone Companies that they shall accept, as conclusive proof of Termination of the Franchise Agreement, Franchisor's written statement, signed by an officer or agent of Franchisor, that the Franchise Agreement has terminated.

2.5 Cessation of Obligations. After the Telephone Companies have duly transferred all Franchisee's Interest in such Telephone Numbers and Listings to Franchisor, as between Franchisee and Franchisor, Franchisee will have no further Interest in, or obligations under, such Telephone Numbers and Listings. Notwithstanding the foregoing, Franchisee will remain liable to each and all of the Telephone Companies for the sums Franchisee is obligated to pay such Telephone Companies for obligations Franchisee incurred before the date Franchisor duly accepted the transfer of such Interest, or for any other obligations not subject to the Franchise Agreement or this Telephone Listing Agreement.

3. MISCELLANEOUS

3.1 Release. Franchisee hereby releases, remises, acquits, and forever discharges each and all of the Telephone Companies and each and all of their parent corporations, subsidiaries, affiliates, directors, officers, stockholders, employees, and agents, and the successors and assigns of any of them, from any and all rights, demands, claims, damage, losses, costs, expenses, actions, and causes of action whatsoever, whether in tort or in contract, at law or in equity, known or unknown, contingent or fixed, suspected or unsuspected, arising out of, asserted in, assertable in, or in any way related to this Telephone Listing Agreement.

3.2 Indemnification. Franchisee is solely responsible for all costs and expenses related to Franchisee's performance, Franchisee's nonperformance, and Franchisor's enforcement of this Agreement, which costs and expenses Franchisee will pay Franchisor in full, without defense or setoff, on demand. Franchisee agrees that it will indemnify, defend, and hold harmless Franchisor and its affiliates, and the directors, officers, shareholders, partners, members, employees, agents, and attorneys of Franchisor and its affiliates, and the successors and assigns of any and all of them, from and against, and will reimburse Franchisor and any and all of them for, any and all loss, losses, damage, damages, claims, debts, claims, demands, or obligations that are related to or are based on this Telephone Listing Agreement.

3.3 No Duty. The powers conferred on Franchisor under this Telephone Listing Agreement are solely to protect Franchisor's interests and shall not impose any duty on Franchisor to exercise any such powers. Franchisee expressly agrees that in no event shall Franchisor be obligated to accept the transfer of any or all of Franchisee's Interest in any or all such Telephone Numbers and Listings.

3.4 Further Assurances. Franchisee agrees that at any time after the date hereof, it will perform such acts and execute and deliver such documents as may be necessary to assist in or accomplish the purposes of this Telephone Listing Agreement.

3.5 Successors, Assigns, and Affiliates. All Franchisor's rights and powers, and all Franchisee's obligations, under this Telephone Listing Agreement shall be binding on Franchisee's successors, assigns, and affiliated persons or entities as if they had duly executed this Telephone Listing Agreement.

3.6 Effect on Other Agreements. Except as otherwise provided in this Telephone Listing Agreement, all provisions of the Franchise Agreement and exhibits thereto shall remain in effect as set forth therein.

3.7 Survival. This Telephone Listing Agreement shall survive the Termination of the Franchise Agreement.

3.8 Joint and Several Obligations. All Franchisee's obligations under this Telephone Listing Agreement shall be joint and several in the event there is more than one party constituting Franchisee hereunder.

3.9 Governing Law. This Telephone Listing Agreement shall be governed by and construed under the laws of the state of Ohio, without regard to the application of Ohio's conflict of law rules.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Telephone Listing Agreement as of the Effective Date.

WHEREAS, Franchisor has taken and intends to take all reasonable steps to maintain the confidentiality and secrecy of Franchisor’s Trade Secrets;

WHEREAS, Franchisor and Franchisee are entering into a Franchise Agreement which will grant Franchisee a limited right to operate a franchised business within a territory using the HEATING + AIR PARAMEDICS SYSTEM and Franchisor’s Trade Secrets for a period defined in the Franchise Agreement (“Franchise Agreement”);

WHEREAS, Franchisor and Franchisee have agreed in the Franchise Agreement on the importance to Franchisor and to Franchisee and other licensed users of the HEATING + AIR PARAMEDICS SYSTEM of restricting use, access and dissemination of Franchisor’s Trade Secrets; and

WHEREAS, it is anticipated that Signer may have access to Franchisor’s Trade Secrets as Franchisee develops and maintains Franchisee’s business using the HEATING + AIR PARAMEDICS SYSTEM.

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties agree as follows:

1. Franchisee may disclose to Signer some or all of Franchisor's Trade Secrets relating to the HEATING + AIR PARAMEDICS SYSTEM.

2. Signer shall receive Franchisor's Trade Secrets in confidence, maintain them in confidence, and shall use them only in connection with the development and/or maintenance by Franchisee of the Franchise (as defined in the Franchise Agreement) using the HEATING + AIR PARAMEDICS SYSTEM for so long as Franchisee is licensed by Franchisor to use the HEATING + AIR PARAMEDICS SYSTEM.

3. Signer shall not at any time make copies of any documents or compilations containing some or all of Franchisor's Trade Secrets without the express written permission of Franchisor.

4. Signer shall not disclose or permit the disclosure of Franchisor's Trade Secrets to anyone.

6. Signer shall not, directly or indirectly, do any act or omit to do any act, which would or would likely be injurious or prejudicial to the goodwill associated with the HEATING + AIR PARAMEDICS SYSTEM.

7. In order to protect the goodwill and unique qualities of HEATING + AIR PARAMEDICS SYSTEM and the confidentiality and value of Franchisor's Trade Secrets, and in consideration for the disclosure to Signer of Franchisor's Trade Secrets, Signer further undertakes and covenants that, during the time Franchisee is a franchisee of Franchisor and for the eighteen (18) months following the termination or expiration of Franchisee's Franchise Agreement, Signer will not, directly or indirectly, for themselves or through or on behalf of or in conjunction with any person, partnership, corporation or other business entity:

Dated: _____

FOR VALUE RECEIVED, the undersigned, [FRANCHISEE ENTITY] a [STATE] corporation/limited liability company with a principal place of business at [ADDRESS] (collectively referred to as “Maker”) promises to pay to the order of **PHP FRANCHISE, LLC**, a Delaware limited liability company, (herein with its successors and/or assigns, “Payee”) having its principal place of business at 17700 Saint Clair Avenue, Cleveland, Ohio 44110, or at such other place as the Payee or other holder hereof may direct in writing, the aggregate principal sum of [AMOUNT] (\$XX,XXX) together with interest payable as follows:

1. **Interest**. The unpaid principal amount of this Promissory Note (“Note”) from time to time outstanding shall bear interest at the rate of twelve percent (12%) per annum. If Maker fails to pay any installment or make any payment on this Note for ten (10) days after the same shall become due, whether by acceleration or otherwise, Payee may, at its option, impose a late charge on the undersigned in an amount equal to five percent (5%) of such installment or payment. If any payment or installment is not made within thirty (30) days after the same shall become due, Payee may, at its option, impose an additional late charge on the undersigned in an amount equal to five percent (5%) of such installment or payment. Such installment or payment shall be subject to an additional five percent (5%) late charge for each additional period of thirty (30) days thereafter that such installment or payment remains past due. The late charge shall apply individually to all installments and payments past due. This provision shall not be deemed to excuse a late installment or payment or be deemed a waiver of any other rights Payee may have, including, but not limited to, the right to declare the entire unpaid balance due under this Note immediately due and payable. In no event shall the rate of interest payable hereunder at any time exceed the highest rate of interest allowed under applicable usury laws.

2. **Principal and Interest Payments**. This Note shall be due and payable by electronic funds transfer in _____ consecutive equal monthly installments of [AMOUNT] (\$0,000.00), with the initial installment being due and payable on **DATE**, and the remaining installments being due and payable on the same day of each consecutive month thereafter. The final installment shall be due and payable on **DATE** and shall consist of the remaining principal balance of this Note, and all unpaid interest, accrued thereon. In the event any payment date shall fall due on a Saturday, Sunday or United States banking holiday, payment shall be made on the next succeeding business day, and interest will continue to accrue on the unpaid amount during the interim. All payments of principal and interest are to be made in lawful money of the United States of America in immediately available funds.

3. **Payment Application**. Payments shall be applied first to expenses, costs, and attorney’s fees which are payable under this Note, secondly to interest and finally to the reduction of principal; provided, such payments may at the option of Payee or other holder hereof, be applied to the payment of delinquent taxes, installments of special assessments, insurance premiums and/or other legal charges.

4. **“Event of Default”**. An “Event of Default” shall be deemed to have occurred in the event that: (a) any amount due hereunder is not paid after becoming due and payable; or (b) any default by Maker occurs in the performance of the covenants, obligations or other provisions under the Franchise Agreements between Maker and Payee (the “Franchise Agreement(s)”), or any other agreement between Maker (or its affiliates) and Payee; or (c) any representation or warranty of the Maker set forth in the Franchise

Agreement(s), or any other agreement between Maker and Payee proves to have been incorrect in any material respect; or (d) Maker becomes subject to any bankruptcy, insolvency or debtor relief proceedings; or (e) Maker fails to comply with or perform any provision of this Note not constituting a default under the previous items of this paragraph and such failure continues for fifteen (15) days after notice thereof to Maker; or (f) a default occurs causing the acceleration of any material obligation of Maker to any other creditors; or (g) any guarantors of the Franchise Agreement(s) revoke or renounce their guaranty; or (h) the Franchise Agreement(s) is terminated by Maker or by Payee or is declared terminated in any judicial proceeding.

5. **Default and Remedies.** Upon the occurrence of an Event of Default as defined herein or at any time thereafter, the entire principal and accrued interest of this Note shall become immediately due and payable, without further notice to Maker, at the option of Payee or other holder hereof. To the extent permitted by applicable law, all benefits, rights and remedies hereunder shall be deemed cumulative and not exclusive of any other benefit, right or remedy herein. The failure of Payee or other holder hereof to exercise any right or remedy hereunder shall not be deemed to be a release or waiver of any obligation or liability of the Maker.

6. **Obligations Absolute.** All obligations of Maker hereunder are absolute and unconditional, irrespective of any offset or counterclaim of Maker against Payee or other holder hereof. Maker hereby waives the right to claim or enforce any right of offset, counterclaim, recoupment or breach in any action brought to enforce the obligations of Maker under this Note.

7. **Waivers.** Maker and any co-makers, sureties, endorsers and guarantors of this Note, hereby jointly and severally waive presentment for payment, notices of non-performance or nonpayment, protest, notice of protest, notice of dishonor, diligence in bringing suit hereon, against any party hereto and notice of acceleration. Payee reserves the right, in its sole and exclusive discretion, to waive the requirement in Section 2 above that all payments hereunder be due by electronic funds transfer.

11. **Limitation on Interest.** All agreements between Maker and Payee, whether now existing or hereafter arising and whether written or oral, are hereby limited so that in no contingency, whether by reason of demand or acceleration of the maturity hereof or otherwise, shall the interest contracted for charged, or received by Payee, or any subsequent holder hereof, exceed the maximum amount permissible under applicable law. If any interest in excess of the maximum amount of interest allowable by said applicable laws is inadvertently paid to Payee or the holder hereof, at any time, any such excess interest shall be refunded by the holder to the party or parties entitled to the same after receiving notice of payment

of such excess interest. All interest paid or agreed to be paid to Payee shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full period until payment in full of the principal (including the period of any renewal or extension hereof) so that the interest hereon for such full period shall not exceed the maximum amount permitted by applicable law. This paragraph shall control all agreements between Maker and Payee as to the payment of interest.

12. **Jurisdiction and Venue.** It is hereby agreed that any and all claims, disputes or controversies whatsoever arising from or in connection with this Note, shall be commenced, filed and litigated, if at all, in the judicial district in which Cleveland, OH is located, unless the conduct of such litigation is not within the subject matter jurisdiction of the court of such district. The parties waive all questions of personal jurisdiction, convenience of forum and venue for purposes of carrying out this provision.

15. **Amount Owning.** The records of Payee or other holder of this Note shall be prima facie evidence of the amount owing on this Note.

16. **Release.** In consideration of the credit given to the Maker as evidenced by this Note, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of the undersigned, for himself and his agents, employees, representatives, associates, heirs, successors and assigns (collectively the "Franchisee Entities"), does hereby fully and finally release and forever discharge the Payee ("PHP FRANCHISE, LLC"), and its officers, shareholders, directors, agents, employees, representatives, associates, successors and assigns (collectively, the "Franchising Entities") of and from any and all actions and causes of action, suits claims, demands, damages, judgments, accounts, agreements, covenants, debts, levys and executions, including without limitation attorneys' fees, whatsoever, whether known or unknown, liquidated or unliquidated, fixed, contingent, direct or indirect, whether at law or in equity, which the Franchisee Entities, or any one or more of them, have had, now have or may in the future, have against the Franchising Entities, or any one or more of them, arising out of, in connection with or relating in any way to that certain franchise agreement between the undersigned and **PHP FRANCHISE, LLC**, dated _____, 20__ (the "Franchise Agreement"), or any other agreement between the undersigned and **PHP FRANCHISE, LLC**, including but not limited to, any actions for fraud or misrepresentation, violation of any franchise laws, violation of any state or federal antitrust or securities laws, or violation of any common law, from the beginning time to the date of this Note; provided, however, specifically excluded from the release provisions of this Note shall be all obligations of **PHP FRANCHISE, LLC**, under the Franchise Agreement first accruing on and after the date hereof.

1. Franchisor hereby acknowledges that Franchisee has completed the selection of the office location as set forth in **Section 5** of the Franchise Agreement.
2. Franchisor waives the Initial Training Program requirement in **Section 6** of the Franchise Agreement.
3. The Initial Franchise Fee stated in **Section 11** of the Franchise Agreement is waived and Franchisee shall not pay to Franchisor the Initial Franchise Fee.
4. [IF THIS IS A RENEWAL OF AN OPTION FRANCHISE]: Franchisee entered into the "Franchise Option" amendment to the Franchise Agreement upon the initial purchase of the Franchise. After the thirty-six month period is ended, you will pay the Continuing Royalty as stated in Section 11 of the Franchise Agreement.
5. Franchisee acknowledges that the Franchise Business is fully operational as of the Effective Date of the Franchise Agreement. Franchisee further acknowledges that Franchisee is responsible for all payments due upon commencement of operations (including minimum royalties) as of the Effective Date of the Franchise Agreement.
6. Franchisor and Franchisee agree that the Local Advertising spending requirement in **Section 12** applicable to the first six (6) months of operation shall not apply.
7. Release. In consideration for Franchisor's consent to renewal of the franchise, Franchisee, for itself, its affiliates, and its successors and assigns, hereby remises, releases and forever discharges Franchisor, its affiliates, successors and assigns, as well as the shareholders, members, principals, officers, directors, employees, attorneys, agents, heirs and executors of Franchisor, its affiliates, successors and assigns (collectively, the "Released Parties"), of and from any and all debts, demands, losses, actions, causes of action, suits, accounts, covenants, contracts, warranties, agreements, damages and any and all claims, demands and liabilities whatsoever, of every name

B. [IF FRANCHISEE IS A CALIFORNIA CORP OR DOMICILED IN CALIFORNIA] The foregoing release is intended as a general release of all claims, demands, actions, causes of action, obligations, damages and liabilities of any kind or nature whatsoever that relate to the matters recited therein, and is intended to encompass all known and unknown, foreseen and unforeseen claims which the releasing party may have against any party being released. Section 1542 of the California Civil Code provides:

A General Release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the Release, which if known by him might have materially affected his settlement with the debtor.

Franchisee expressly waives the provisions of Section 1542 of the California Civil Code and expressly releases each parties to be released from all liability or claims arising out of any matters recited in the release.

C. The general release does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

ADDENDUM TO PHP FRANCHISE, LLC
FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF MARYLAND

Amendments to Item 17 of the Disclosure Document:

The general release required as a condition of renewal, sale, and /or assignment shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

You may bring suit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

You must bring any claims arising under the Maryland Franchise Registration and Disclosure Law within 3 years after the grant of the franchise.

Termination for bankruptcy filing may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.).

The Franchise Agreement provides that disputes are resolved through arbitration. A Maryland Franchise Regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

AMENDMENT TO PHP FRANCHISE, LLC
FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF MARYLAND

THIS AMENDMENT (the "Amendment") is effective as of _____, 20____ (the "Agreement Date"), and amends the Franchise Agreement dated _____, 20____ (the "Agreement"), between PHP FRANCHISE, LLC (the "we," "us," "our" or "Franchisor") and _____ ("you", "your" or "Franchisee"), whose mailing address is _____.

The Franchise Agreement is amended by the addition of the following provisions and the parties agree to these amendments:

Sections 4 and 19 of the Agreement allow the Franchisor to require you to sign a general release of claims as a condition of renewal or transfer of your franchise. Under Maryland law (COMAR 02.02.08.16L), this condition will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

Section 4-216(c) (25) of the Maryland Franchise Registration and Disclosure Law requires a franchisor to file an irrevocable consent to be sued in Maryland. Section 25 of the Agreement contains provisions requiring a franchisee filing any litigation against the franchisor to agree to file the litigation only in the State of Ohio. Accordingly, the Agreement is amended to permit a franchisee to bring litigation in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Section 26 of the Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its rights to file a lawsuit in Maryland claiming a violation of the Maryland Franchise law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

Section 37 of the Franchise Agreement is hereby deleted in its entirety.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

1. The following statements are added to Item 17.h of the Virginia Disclosure Document:

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO PHP FRANCHISE, LLC
FRANCHISE DISCLOSURE DOCUMENT

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because Franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens with a multi-unit purchase, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until Franchisor has met all its pre-opening obligations under the Franchise Agreement and Franchisee is open for business with respect to each such location.

Item 5 of this Disclosure Documents is amended as follows:

“Franchisees who receive financial incentives to refer franchise prospects to Franchisors may be required to register as franchise brokers under the laws of Washington State.”

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

You are required to sign a general release before renewing the Franchise Agreement. Any general release does not waive any claims under the Franchise Investment Protection Act, Chapter 19.100 RCW, or the rules adopted thereunder in accordance with RCW 19.100.220(2).

If you execute a general release, in a form prescribed by the Franchisor, of any and all claims against the Franchisor and its affiliates, and their respective officers, directors, agents, and employees, the release excludes such claims that you may have that have arisen under the Franchise Investment Protection Act, Chapter 19.100 RCW, or the rules adopted thereunder in accordance with RCW 19.100.220(2).

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act, or any rule, or order thereunder, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement,

when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee, in any way, from (i) soliciting or hiring any employee of a franchisee of the same franchisor, or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement, or elsewhere, are void and unenforceable in Washington.

Use of Franchise Brokers. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experiences with the franchisor.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO THE
FRANCHISE AGREEMENT AND ANY RELATED AGREEMENTS

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because Franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens with a multi-unit purchase, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until Franchisor has met all its pre-opening obligations under the Franchise Agreement and Franchisee is open for business with respect to each such location.

Sections 37(a) and 27(e) of the Franchise Agreement are deleted in their entirety.

Section 3(B)(x) of the Conditional Consent to Transfer Agreement is amended by adding the following language at the end:

Nothing contained herein constitutes a waiver of rights the Franchisee may have to bring actions against the Franchisor under state and federal law. Franchisee is not precluded from filing complaints with state and federal regulators.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

You are required to sign a general release before renewing this Franchise Agreement. Any general release does not waive any claims under the Franchise Investment Protection Act, Chapter 19.100 RCW, or the rules adopted thereunder in accordance with RCW 19.100.220(2).

If you execute a general release, in a form prescribed by the Franchisor, of any and all claims against the Franchisor and its affiliates, and their respective officers, directors, agents, and employees, the release excludes such claims that you may have that have arisen under the Franchise Investment Protection Act, Chapter 19.100 RCW, or the rules adopted thereunder in accordance with RCW 19.100.220(2).

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee, in any way, from (i) soliciting or hiring any employee of a franchisee of the same franchisor, or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement, or elsewhere are void and unenforceable in Washington.

Nothing set forth in the Franchise Agreement shall waive any liability Franchisor may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rule adopted thereunder.

Section 37 of the Franchise Agreement is hereby deleted in its entirety.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this addendum.

WHEREAS, Franchisor has been notified of Franchisee’s desire to sell the Franchise to Transferee and Franchisee has requested that Franchisor consent to the Transfer under Section 19 of said Existing Franchise Agreement, or exercise its right of first refusal; and

WHEREAS, Franchisor is willing to grant its consent to the proposed sale and transfer, subject to the terms and conditions in this Agreement.

AGREEMENT:

NOW, THEREFORE, in consideration of the mutual covenants and conditions herein contained, and other good and valuable consideration, receipt of which is hereby acknowledged by each of the Parties hereto, the Parties agree as follows:

1. Condition Precedent. It is a necessary condition precedent to the performance of all obligations of all parties to this Agreement, specifically the grant of Franchisor’s consent, that the Transferee and Franchisee enter into the Purchase Agreement and that they complete the Transfer on the Transfer Date. If

the Transfer is not completed on the Transfer Date, or on such alternate date as agreed upon by all parties in writing, this Agreement is void and Franchisor's consent is revoked.

2. Conditions of Transfer. As a condition of Franchisor's consent, Transferee and Franchisee collectively represent and warrant the following regarding the performance of the Transfer:

A. On the Transfer Date, Franchisee will transfer either all of the stock, shares, interests or other form of equity in Franchisee ("Franchisee Equity"), or substantially all Franchisee's assets related to the operation of the Franchise, including but not limited to vehicles, facilities, equipment, inventory, uniforms, marketing materials, social media accounts, contracts, accounts receivable/payable, and customer data (the "Franchise Assets") to Transferee. As of the Transfer Date, Transferee shall either have all right, title to and interest in the Franchise Assets, or control of the Franchisee Equity.

B. [Transferee / Franchisee] shall pay to the Franchisor the Transfer Fee of [AMOUNT] on the Transfer Date.

C. [OPTIONAL CLAUSE] No later than [DATE], the [Transferee / Franchisee] will make improvements to the Franchise Assets as directed by Franchisor to meet Franchisor's prevailing design and branding criteria and will pay all costs, fees and expenses related to or arising out of the improvements.

D. Franchisee and Transferee acknowledge and agree that they have negotiated the Transfer without involvement by Franchisor and that, except for the preparation and execution of this Agreement for the purpose of exercising Franchisor's right to consent, Franchisor has not participated in the transaction between them and, therefore, has no knowledge of, and does not attest to, and has no obligations for, the accuracy of any representations or warranties made by or between Franchisee and Transferee in connection with this transfer.

3. Obligations and Representations. As a further condition of Franchisor's consent, Franchisee and Transferee separately represent and warrant the following:

A. Transferee Obligations and Representations. Transferee represents and warrants that:

i. Transferee has received disclosure of all franchise documents, including the New Franchise Agreement and Franchisor's FDD, and that it has reviewed and acknowledged disclosure and receipt of the same.

ii. Transferee, not later than the Transfer Date, will execute Franchisor's New Franchise Agreement and all related and ancillary documents.

iii. Transferee has complied, and will continue to comply, with all requirements of the Franchisor, including participation in training, purchasing inventory and equipment, updating fixtures and other preparations for operating the Franchise beginning on the Transfer Date, or at such other time as Transferee and Franchisor may agree.

iv. If necessary for the continued operation of the Franchise, Transferee has entered into a lease or taken assignment of an existing lease or entered into a sublease for or purchased the premises of the Franchise, effective as of the Transfer Date, and has provided evidence of such lease, sublease, assignment or purchase to the Franchisor in a form satisfactory to Franchisor. It is not the expectation of the Parties that Transferee will take possession of Franchisee's personal residence, if such residence is used as the premises of the Franchise, but rather that Transferee shall

be obligated to find a new premises for the continued operation of the Franchise no later than the Transfer Date.

B. Franchisee Obligations and Representations. Franchisee represents and warrants that:

i. Franchisee agrees that the Existing Franchise Agreement will terminate as of the Transfer Date. All post-termination obligations under the Existing Franchise Agreement, and all obligations of the Guarantors under their individual Guaranty, shall remain in full force and effect after the Transfer Date, until they expire according to their terms.

ii. Franchisee has complied, and will continue to comply, with all obligations under the Existing Franchise Agreement, including but not limited to payment of all amounts due and owing to the Franchisor, whether under the Existing Franchise Agreement or any other agreement, and, where necessary, the return of customer data and trademarked and proprietary materials to Franchisor.

iii. Franchisee is not in default of the Existing Franchise Agreement, or, to the extent Franchisee is in default, Franchisor and Franchisee have agreed in a separate writing on the resolution of such default.

iv. Franchisee has no right or title to the Trademark Assets and has not represented to Transferee or any other person, natural or fictitious, that it has right or title to the Trademark Assets. Franchisee has not entered into any agreement to sell or transfer the Trademark Assets. As of the Transfer Date, Franchisee will cease to identify itself or any other business it operates (excluding other Heating + Air Paramedics franchises owned by the Franchisee) as a current or former Heating + Air Paramedics franchise and will cease to use any Trademark Asset, including any Heating + Air Paramedics trademark, trade name or trade dress, or any colorable imitation of the same, or other indicia of a Heating + Air Paramedics franchise in any manner or purpose. This representation shall not apply to any franchise locations operated by Franchisee after the Transfer Date under the terms of other, active franchise agreements with Franchisor.

v. Franchisee will continue to operate the Franchise until the Transfer Date. Franchisee shall remain obligated to pay Franchisor any amounts due and owing under the Franchise Agreement that arise on or before the Transfer Date.

vi. As of the Transfer Date, Franchisee has no security interest in the Franchise Assets or any assets related to the business of the Franchise, that are the subject of the Transfer, and no such security interest in the same will exist at any time after the Transfer Date. Franchisee waives any rights it has, had or ever will have to foreclose on, levy upon or repossess the Franchise Assets or any assets related to the business of the franchise that are the subject of the Transfer.

vii. Franchisee, its officers, directors, members, principals, employees, representatives, successors and assigns, will not make any disparaging, derogatory or negative comments, statements or other communications, orally, in writing, or in any medium, to any person or organization about Franchisor or the Heating + Air Paramedics system or any parties or persons associated therewith, nor take any action that could have the effect of damaging the reputation of Franchisor, the Heating + Air Paramedics system or any parties or persons associated therewith.

4. Release. In consideration for Franchisor's consent, Franchisee, for itself, its affiliates, and its successors and assigns, hereby remises, releases and forever discharges Franchisor, its affiliates, successors and assigns, as well as the shareholders, members, principals, officers, directors, employees, attorneys, agents, heirs and executors of Franchisor, its affiliates, successors and assigns (collectively, the "Released Parties"), of and from any and all debts, demands, losses, actions, causes of action, suits, accounts, covenants, contracts, warranties, agreements, damages and any and all claims, demands and liabilities whatsoever, of every name and nature, both in law and in equity, including without limitation causes of action arising out of alleged conspiracy, violations of any contract, express or implied, any covenant of good faith and fair dealing, *quantum meruit*, or any federal, state or municipal statute, regulation or ordinance, that the Franchisee, its affiliates, successors or assigns may now have or ever had against the Released Parties, whether under this Agreement, the Existing Franchise Agreement, or any other agreement, transaction, relationship, duty, obligation or in any other form, known and unknown, from the beginning of the world until the Transfer Date, it being the intent of the Franchisee to grant in favor of the Released Parties hereby a general release. Without otherwise limiting the generality of the foregoing release, the foregoing release will not apply to obligations of Franchisor to Franchisee specifically set forth in this Agreement.

A. [IF FRANCHISE IS IN MARYLAND] The foregoing release shall not be construed to release any of Franchisees claims or rights to claims under the Maryland Franchise Registration and Disclosure Law, if such release is in contravention of the Maryland Franchise Registration and Disclosure Law.

B. [IF FRANCHISEE IS A CALIFORNIA CORP OR DOMICILED IN CALIFORNIA] The foregoing release is intended as a general release of all claims, demands, actions, causes of action, obligations, damages and liabilities of any kind or nature whatsoever that relate to the matters recited therein, and is intended to encompass all known and unknown, foreseen and unforeseen claims which the releasing party may have against any party being released. Section 1542 of the California Civil Code provides:

A General Release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the Release, which if known by him might have materially affected his settlement with the debtor.

Franchisee expressly waives the provisions of Section 1542 of the California Civil Code and expressly releases each parties to be released from all liability or claims arising out of any matters recited in the release.

C. The general release does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

5. Franchisor Consent and Representations. Under Section 19 of the Existing Franchise Agreement, the Transfer cannot take place without the consent of Franchisor. Contingent upon Franchisee's and Transferee's compliance with the terms and conditions of this Agreement, on or before 12:01 am of _____ (the "Transfer Date"), Franchisor consents, represents and warrants as follows:

A. Franchisor consents to the Transfer.

B. Franchisor waives its right of first refusal under Section 18 of the Existing Franchise Agreement.

C. Franchisor has reviewed the suitability of Transferee as a franchisee and Transferee has demonstrated to the sole satisfaction of Franchisor that the Transferee has the financial resources, character and ability to operate the Franchise.

D. Franchisor directs Franchisee to deliver to Transferee at the Transfer Date, for Transferee's use in accordance with the terms of the New Franchise Agreement, any and all physical Trademark Assets in the possession of Franchisee.

6. Singular Consent. Franchisee and Transferee acknowledge and agree that Franchisor's execution of this Agreement is not intended to provide, and will not be construed as providing, Franchisor's consent with regard to a transfer of any right or interest under any other agreement not specifically identified herein. Such consent must be separately obtained.

7. Changed Circumstances. Franchisee and Transferee understand and acknowledge that Franchisor may, in the future, approve transfers under different terms, conditions and policies than those stated in this Agreement. Franchisor's consent and waivers of the right of first refusal under this Agreement will not be relied upon in future transactions as indicative of Franchisor's position or the conditions which might be attached to future consents or waivers of its right of first refusal.

8. Indemnification.

A. Franchisee agrees to indemnify, defend and hold harmless Franchisor, its officers, directors, principals, employees and representatives from and against any claims, losses, liabilities, costs or damages arising out of or related to a breach of any representation or warranty in this Agreement, or a breach of any obligations or provisions of this Agreement, by Franchisee, its officers, directors, members, principals, employees, representatives, successors and assigns. CONVERSION FRANCHISE ADDENDUM

This Conversion Addendum (this "Addendum") is made and entered into as of _____ between PHP FRANCHISE, LLC (hereinafter, "Franchisor"), and _____ whose principal address is _____, an individual/business entity organized in the State of _____ (hereinafter, "Conversion Franchisee") Collectively Franchisor and Conversion Franchisee are the "Parties". The Parties agree as follows:

1. Conversion Franchisee presently owns and operates a heating and air conditioning services business similar, if not identical, to the Heating + Air Paramedics franchises offered by Franchisor, has done so for a period of not less than twelve (12) continuous months, and has achieved gross sales in excess of \$250,000 during the most recent 12-month period.
2. The Parties have entered into a Franchise Agreement for the operation of a Heating + Air Paramedics franchise with an effective date as of the date hereof (the "Franchise Agreement").
3. This Addendum shall amend and supplement the Franchise Agreement. The terms, covenants, and conditions of this Addendum are incorporated into the Franchise Agreement, and with respect to any conflict between the two (2) agreements, the terms of this Addendum shall be controlling with respect to the subject matter thereof. All other terms and conditions of the Franchise Agreement are unaltered hereby, and remain in full force and effect. Any capitalized terms used herein but not defined herein shall have the meanings ascribed to them in the Franchise Agreement.
4. Franchisor waives its right to payment of the Initial Franchise Fee.
5. For the first twenty-four (24) calendar months after the date of the Franchise Agreement, the Continuing Royalty will be two percent (2%) of Conversion Franchisee's monthly Gross Sales, or One Thousand Five Hundred Dollars (\$1,500) per month, whichever is greater. The Continuing Royalty, or the minimum Continuing Royalty of \$1,500 (whichever is greater) will be applicable immediately as of the Effective Date of the Franchise Agreement.
6. Conversion Franchisee shall have ninety (90) days from the Effective Date of the Franchise Agreement to re-brand its existing business as a Heating + Air Paramedics franchise, including but not limited to wrapping vehicles, changing interior and exterior signage, updating social media or website platforms, and updating uniforms and equipment.
7. Conversion Franchisee shall provide Franchisor with all requested information regarding the facility from which the Conversion Franchisee will operate and will take all necessary steps to remodel, renovate or improve the facility to ensure that the facility complies with all of Franchisor's standards and specifications.
8. Conversion Franchisee must provide Franchisor a list of all of its customers (including, but not limited to customer addresses and such other information Franchisor requests) as of the Effective Date. If any customers are located in territories of other Heating + Air Paramedics franchisees, Franchisee must transfer those extra-territorial customers to the franchisee in whose territory the customers are located not later than two (2) years after the Effective Date. Failure to transfer those customers after such time period is a breach of the Franchise Agreement. This breach may be cured by the payment to the franchisee to whom such customer was required to be transferred of all Gross

Revenue (as defined in the Franchise Agreement) from the customers that should have been transferred and the payment to Franchisor of a fee equal to 5% of the Gross Revenue of such customers, in each case generated during the time Franchisee serviced such customers after the two (2) year time period discussed above.

9. Conversion Franchisee shall have ninety (90) days from the Effective Date of the Franchise Agreement to terminate all business relationships with unapproved suppliers or vendors and to dispose of any unapproved products and replace such products with products approved by Franchisor. Conversion Franchisee shall during this time period notify all existing customers to whom it is providing unapproved services and take all necessary steps to convert those customers to Heating + Air Paramedics services or to terminate the business relationship with those customers.
10. Conversion Franchisee may benefit from financial or other benefits provided by Franchisor's approved suppliers; such benefits or financial incentives shall accrue only from the date hereof and shall be pro-rated if necessary.
11. Conversion Franchisee acknowledges, warrants and represents to Franchisor that:
 - a. Conversion Franchisee is not subject to any covenant against competition.
 - b. Conversion Franchisee is not an exclusive dealer, distributor, licensee or franchisee of any competitor business to Franchisor.
 - c. Conversion Franchisee acknowledges that by virtue of the terms and conditions of the Franchise Agreement and this Addendum the manner and operation of its business must be in strict compliance with Franchisor's standards and specifications and furthermore acknowledges that its ability to directly or indirectly engage in any other business which offers or sells services or products which compete with the products or services authorized by Franchisor is prohibited.
12. Counterparts. This Agreement may be executed in one or more counterparts (including digital or electronic signatures) each of which will be deemed an original, but all of which together will constitute one and the same instrument.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties hereto have duly executed this Addendum on the day and year first set forth above.
