How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits, or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit G.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit I includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Midwest Shooting Center business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a Midwest Shooting Center franchisee?	Item 20 or Exhibit G and Exhibit H lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in the disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Ohio. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Ohio than in your own state.
2. **Governing Law.** The Franchise Agreement states that Ohio law governs the agreement, and this law may not provide the same protections and benefits as local laws. You may want to compare these laws.
3. **Territory.** You will not receive an exclusive territory. Your territory may face competition from other franchisees, from outlets owned by us or our affiliates or from other channels of distribution or competitive brands that we own as further described under Item 12 titled territory.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
5. **Trademarks.** Our trademarks are not federally registered therefore they do not have as many legal benefits and rights as federally registered trademarks. If our right to use and license any of our trademarks is challenged, you may have to use an alternative trademark that is licensed to you by us. This may increase your expenses.
6. **Operating History.** The Franchise is at an early stage of development and has a limited operating history. This franchise is likelier to be a riskier investment than a franchise in a system with a longer operating history.

ADDITIONAL DISCLOSURES FOR THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

1. A prohibition on the right to join an association of franchisees.
2. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years old and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of the franchisor's intent to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation is to be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of the arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - a) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - b) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

- c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
8. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in the subdivision (c).
9. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited, and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Our Business and the Franchises Offered:

The Midwest Shooting Center® business model has been developed to offer a wide selection of different styles, types and brands of firearms, supplies and accessories for sale in addition to a full-size indoor shooting range for free-style target shooting or firearm training sessions. Our philosophy is centered on educating people about firearms and breaking down barriers about firearms so they are not only comfortable about their weapon but also professionally trained how to use it. This is a retail store and shooting range under one roof typically located within a strip center, industrial space or free-standing structure (all of which must be approved by us). Each Midwest Shooting Center® franchise will have an open-style sales floor that is split up into various sections for different types of merchandise complimented by an indoor shooting range that offers: a wide section of different brands of firearms for sale, firearm supplies for sale (such as: ammunition, shooting targets, cleaning kits, etc.), firearm accessories for sale (such as: firearm parts, scopes, reduction devices, carrying cases, holsters, stands, etc.), our proprietary warranty management programs, apparel items for sale (such as: vests, shirts, hats, outerwear, etc.), firearm cleaning and repair services, shooting range lane rentals (with lanes at various distances and rented by the hour and per participant), shooting range firearm rentals, our proprietary shooting range membership packages, group and private event packages in addition to private, semi-private and group training classes, programs and workshops for various skill levels using our proprietary curriculum (“Curriculum”) led by professionally trained instructors and other firearm-related merchandise and services approved by us. We may authorize you to sell additional products and offer additional services in the future such as: sunglasses, non-alcoholic beverages, firearm certification services, reality-based training simulator services, league formations, competitions and other firearm and/or self-defense related products and services approved by us.

Competition includes local and national firearm retail stores, shooting range centers and firearm training businesses operated by national chains, local chains and independent operators and to some extent sporting goods stores, Internet websites selling products, competitive shooting centers and other firearm related businesses selling similar products and offering similar services to those offered by Midwest

Shooting Center® businesses. Generally, there is no seasonality to this business. The firearm industry in general is becoming highly competitive throughout the United States as the market is continuously changing and evolving. We plan controlled expansion into areas that we determine can support a Midwest Shooting Center® business to improve name recognition and our reputation through Franchised Businesses.

The Midwest Shooting Center® business is characterized by our: build out specifications with our proprietary sound-proofing system, unique décor, color scheme and signage; business format that is simple and efficient offering our wide selection of different types and brands of firearms, accessories and supplies for purchase; services offered including our proprietary membership packages, classes, programs and workshops; our Curriculum along with specific methods, processes and techniques when executing our classes, programs and workshops; specifications for all equipment and products used in the Business, product knowledge and merchandising strategies, relationships with vendors and suppliers, purchasing strategies, inventory management systems, safety and operational procedures, quality and uniformity of all products offered and services performed; website, franchise website housed within our national website and intranet system, third-party software, photographs, videos, contracts, forms, administrative and record keeping procedures; guidelines for hiring and training and retaining employees; our proprietary sales presentations, customer and member acquisition programs, advertising, marketing, social media and promotional strategies and materials; the Midwest Shooting Center® confidential operations manual (“Operations Manual”) and other manuals and materials which are made available either in hard copy or electronically; all of which may be changed, improved and further developed by us periodically (collectively, the “System”).

The System is identified by means of certain trade names, service marks, trademarks, slogans, logos, emblems, and indicia of origin, including the design marks “Midwest Shooting Center”, which is registered on the principal register of the United States Patent and Trademark Office (“USPTO”), and bears the registration number 7113824, and “MSC”, which is pending registration on the principal register of the USPTO, and bears the serial number 97460485. You will be licensed to use not only these marks and designs, but also all other service marks, trademarks, slogans, logos, and emblems as we may designate for use in connection with the System (collectively, the “Marks” and each a “Mark”).

Laws and Regulations:

In addition to the laws and regulations that apply to businesses generally, the firearm industry is heavily regulated. You must obtain and maintain a federal firearm license Type 1 as required by the Bureau of Alcohol, Tobacco and Firearms (“ATF”) which typically requires a combination of the following: a series of phone interviews, background checks (including fingerprinting), in person interviews and an onsite visit performed by an ATF agent. Typically this is a ninety day process. If you do not have such federal firearm license Type 1 or any other type of license or certification as required by your state, then you or any Owner (if you are an entity) must obtain such license prior to signing the Franchise Agreement. You acknowledge that you are prohibited from selling fully-automatic firearms and machine guns built after 1986. You do not need to secure federal firearm license Type 3 for your Business. Your federal firearm license Type 1 (or if you do not have such license, then the federal firearm license of any Owner) must remain in good standing throughout the term of your Franchise Agreement. If you or any Owner who secures a federal firearm license Type 1 for your Business does not maintain such license in good standing throughout the term of your Franchise Agreement and it is revoked, suspended or restricted, or if an action to do so is begun by a governmental agency, we may terminate your Franchise Agreement. You are responsible for knowing and complying with all laws, regulations and licensing requirements.

In addition to ATF licensing requirements, it is required that you and any Owner (and anyone representing the Business who will be executing our classes, programs and workshops) are certified by the National Rifle Association (“NRA”) as an NRA instructor in pistols and rifles with a Range Safety Officer (“RSO”) certification. To secure a RSO certification, it requires the completion of NRA accredited program

that is typically nine hours and passing the examination. RSO certification programs can be completed online. If you do not have RSO certification, then you or any Owner (if you are an entity) must obtain such certification prior to signing the Franchise Agreement. If your or any Owner's RSO certification expires or if such certification is revoked, suspended or restricted, or if an action to do so is begun by a governmental agency, you must immediately notify us. As your Business grows, you will need to hire additional instructors to execute our classes, programs and workshops. It is also your responsibility to ensure that any individual who plans on instructing any classes, programs or workshops have and maintain such RSO certification. If you, any Owner or anyone you hire who instructs any class, program or workshop and does not have or fails to maintain such RSO certification in good standing and you fail to immediately prohibit such person from instructing; or if you fail to ensure anyone instructing any of our classes, programs or workshops has such certification as mentioned above, we may terminate your Franchise Agreement.

There are also consumer protection laws that exist in several states that regulate the offering and selling of membership packages. Some states prescribe the term of memberships that can be sold, the escrowing of membership package fees before the business opens for operation, stipulation for membership agreements and terminology that can be used in selling membership packages. Some states have laws governing memberships which automatically renew each month and require specific cancellation instructions be prominently noted on the member's membership packet, posted onsite at your facility as well as on any website utilized by the member. In some states, there are bonding requirements before selling prepaid membership packages and/or before a business can open for operation. Other than what is stated above, currently there are no regulations specific to the operation of a Midwest Shooting Center® Business. However, in your state, province or county, there may be local codes, ordinances, zoning requirements, statutes or laws which license or regulate firearm retail sales and shooting range facilities such as the one being offered in this Disclosure Document and such regulations could affect the operation of your Business. For example you must also ensure that the site you select for the Business is properly zoned for a shooting range and you must secure whatever permits your state, city or local jurisdiction requires. Such local codes, ordinances, zoning requirements, statutes or laws vary from place to place, can change over time. You must know such laws, regulations, registrations and zoning requirements in your locality. You must make sure that you and all your employees who work in your Business comply with any such laws and regulations as well as obtain any licenses, certifications, permits or registrations required by your locality for performing work in your Business. You should consider both their effect on your Business and the cost of compliance.

In addition to laws and regulations that apply to businesses generally, there are other consumer protection laws that exist in several states. Certain requirements, including compliance with federal and/or state solicitation, telemarketing (for example, the "do not call" registry), email solicitation, privacy and consumer credit and collection laws are generally applicable to all businesses that sell directly to the end-user. You must comply with all local, state, and federal laws that apply to your Business and to the public. Those laws include Equal Employment Opportunity Commission ("EEOC"), Federal Trade Commission ("FTC"), occupational hazards and health, including the Occupational Safety and Health Administration ("OSHA"), pricing laws and employment laws. Such employment laws include regulations concerning wage rates, mandated employee benefits, employment taxes, worker safety, unemployment compensation, workers' compensation, child labor practices, disabled employees, and discrimination in employment practices. There are also many state and local laws and regulations detailing how to define independent contractors for different purposes, such as tax, effect of applicable employment laws, unemployment compensation and workers' compensation that you are responsible for knowing. You will be subject to the Americans with Disabilities Act which prohibits practices that discriminate against physically and mentally challenged individuals regarding access to public accommodations and employment opportunities. There may be other laws and codes applicable to your business and we urge you to make further inquiries about those laws and codes.

It is your sole responsibility to investigate, satisfy and remain in compliance with all local, state and federal laws in addition to obtaining and keeping in force all necessary licenses, certifications,

registrations and permits required by public authorities, since they vary from place to place and can change over time. Although we monitor legal requirements that affect our franchisees and we make our information available to you, because of the number of potential state and local issues, we cannot guarantee that it will be complete, current and accurate. Therefore, we recommend that before signing the Franchise Agreement, you engage an attorney or other professional advisor to assist you in both determining what laws, ordinances and regulations may affect your establishment or operation of a Midwest Shooting Center® Business, and in complying with them. You are responsible for obtaining all certifications, licenses, registrations, and permits required to operate your Business.

We have not offered franchises in other lines of businesses in the past. We do not engage in any business other than the offer of franchises.

ITEM 5 **INITIAL FEES**

The Initial Franchise Fee for a single area Franchise (“Initial Franchise Fee”) is \$30,000 for a Midwest Shooting Center® business in a protected area. The protected area of a Franchise is determined once a specific location is identified and approved by us. The Initial Franchise Fee includes the development of a custom local affiliate website for your Franchise housed within our national website that will include online scheduling functionality and access to our intranet system that provides ongoing educational, operational, advertising and marketing materials to support your Business; web server setup for your website; our proprietary Operations Manual, access to a self-study program (and related materials) to be completed prior to attending our initial training program, a comprehensive two part initial training program that consists of six days (part one completed within sixty days after you secure the space for your facility) and three weeks (part two completed no earlier than sixty days prior to when you anticipate physically opening your Business for operation) both at our corporate headquarters and up to an additional five days of assistance and guidance at your location for either pre-opening or grand opening assistance. You must purchase and maintain an inventory of equipment, products and supplies from us, our affiliates or our approved vendors and/or suppliers and the cost for these items may not be refundable (as described in Item 7 and Item 8). You will be provided with a written list of approved equipment, products, supplies and services you are authorized to use, offer and sell and a written list of approved vendors and/or suppliers during the training program. At the time you sign your Franchise Agreement and anytime you are in good standing under your Franchise Agreement, you may purchase additional franchises for \$20,000 each if we offer additional franchises to you and if you meet the following minimum conditions: (a) you must satisfy our then-current qualifications and training requirements; (b) you must not be in default of the Franchise Agreement; and (c) you must execute our then-current franchise agreement.

The Initial Franchise Fee is paid in a lump sum at the time the Franchise Agreement is signed, is nonrefundable and is deemed fully earned upon the opening of the Business for the deliverables described above and as provided in the Franchise Agreement. In certain states, as required by state authorities based on a review of our financial statements, we may defer our receipt of the Initial Franchise Fee and all other initial payments or deposit them into escrow until we have met our initial obligations to you (see state addenda in Exhibit D).

We may choose to offer you an option to be awarded a Midwest Shooting Center® Franchise, on the terms set forth in the Option Agreement attached as Exhibit F (“Option”). Under the Option Agreement, you have six (6) months (the “Option Term”) to enter into a Franchise Agreement for your first Franchised Business or additional Franchised Businesses. In exchange for the Option, you pay a nonrefundable fee of \$10,000 (“Option Fee”) that: (i) will be credited toward the Initial Franchise Fee if you exercise the Option to purchase an initial franchise during the Option Term; or (ii) will be credited toward the franchise fee for an additional franchise if you exercise your Option to buy an additional franchise during the Option Term following the purchase of the Option to buy an additional franchise. The Initial Franchise Fee upon exercise of an Option will be the same as the Initial Franchise Fee without an Option. Whether you buy an initial franchise or an additional one, you must complete the purchase during the Option Term of the Option Agreement.

The Option Fee is not refundable and is payable in full when you sign the Option Agreement, as applicable, except as provided in Exhibit F.

We have established a program for qualified veterans of the United States who have been honorably discharged to receive a discount of 20% off the Initial Franchise Fee when purchasing a franchise. This program does not apply to additional franchises. We retain the right in our sole discretion to modify or terminate this veteran discount program at any time with or without notice. The factors concerning our decision to modify or terminate the veteran discount program include the number of franchises that we sell, the number of veterans that are interested in purchasing a franchise and the quality of veteran applicants that we receive.

At this time, we do not offer a referral fee program, whereby Franchisees can receive a flat referral fee for referring a third-party franchise prospect to us; however, we retain the right to create a referral fee program in the future.

Expenses for the equipment, furnishing and fixtures do not include shipping or delivery costs and may or may not be refundable depending on the terms of the manufacturer's or dealer's invoice, finance or purchase agreement (Franchise Agreement Sections XII.H, XII.I and XX.D).

Note 3: A typical Midwest Shooting Center[®] Business is located within a strip center, industrial space or free-standing structure with approximately 10,000-30,000 square feet of space. This estimate represents rents that range from \$.85 per square foot per month (approximately \$10 per square foot annualized) on the low end to \$2.35 per square foot per month (approximately \$28 per square foot annualized) on the high end. We used these figures for the low and high estimates given above when leasing a space with moderate to high visibility. These estimates are taking into consideration the bigger the space you lease, traditionally the lower the cost is per square foot. Real estate costs depend on location, size, visibility, economic conditions, accessibility and competitive market conditions. Our estimate includes first month's rent and a security deposit; however you may be successful at negotiating zero or a reduced rent for your first month or longer with your landlord and if that is the case then your cost for rent may be lower than the estimates provided. These sums do not include common area maintenance fees which (if applicable) will vary depending on your location or any sums for the purchase of real property, as we do not expect you to buy real property. You may be able to reduce this expense if you are able to occupy a space in an existing location that complements another business that is approved by us. The space must be enclosed and separate from such other business with its own locking door or completely converted into a Midwest Shooting Center[®]. We base our estimate on the costs that our affiliate has incurred in leasing space for their company-owned locations. Lease payments for periods of time that you occupy your premises may not be refundable. In the event you leave your leased premises before the termination of your lease, you may owe the landlord payment for the entire lease term depending on the terms and conditions of your lease. Whether or not any lease payments are refundable depend on the terms and conditions of your lease agreement.

Note 4: We suggest you find a space needing minimal leasehold improvements or fixtures, however in every situation you will need to alter the interior of your Business to build out separate areas for your retail center in addition to your indoor shooting range. A typical Midwest Shooting Center® has a reception area, retail counter area, one large open sales floor split up into various areas for different types of merchandise, a lounge area, training rooms (different size classrooms), a firearm rental area, a gun repair workshop, management and sales offices, bathrooms, one multi-purpose event room, one conference room/breakroom, one storage area and one indoor shooting range that typically includes ten lanes for a 10,000 sq. foot facility and twenty lanes for a 30,000 sq. foot facility. Regardless of the size of your facility and if your space is adjacent to other businesses, you will need to install our proprietary sound-proofing system for the indoor shooting range. Leasehold improvement costs will vary widely and may be significantly higher than what is projected in the table above depending on factors such as: property location, the condition of the property, the extent of alterations required for the property and your ability to negotiate leasehold improvement amounts incurred by the landlord. Both estimates take into account that 30% of your leasehold improvement amounts will be incurred by the landlord (this is a conservative percentage for the contribution your landlord may make towards your leasehold improvements as our affiliates have experienced higher landlord contributions percentages). The high estimate also reflects the need to demo the existing space and modify the HVAC system, lighting, bathrooms, fire sprinklers and/or fire alarms all of which entails mechanical, electrical and plumbing costs. We base our estimates on the costs that our affiliate incurred in building out their company-owned locations. You should investigate all these costs in the area in which you wish to establish a Midwest Shooting Center® Business. We will provide you with standard layouts and design options for your Business; however, it is your responsibility to hire an architect to create a complete set of drawings based on the size of your facility and local permitting requirements. Architect and permitting costs are not included in this estimate. You may incur greater or lesser leasehold improvement costs depending on your ability to negotiate leasehold improvements with your landlord. Whether or not any leasehold improvements or build out expenses are refundable depends on the terms and conditions of your contracts with construction and mechanical contractors, as well as your lease agreement (Franchise Agreement Section XII.S and XII.T).

Note 5: You must purchase products and supplies for the general operation of your Business as specified in the Operations Manual. You must purchase only approved products and supplies and you must purchase such items that meet our specifications, which may change from time to time. The types of products and supplies include, but are not limited to: different types and brands of firearms, firearm supplies (such as: ammunition, shooting targets, cleaning kits, etc.), firearm accessories (such as: firearm parts, scopes, reduction devices, carrying cases, holsters, stands, etc.), mats, label printers, shipping scales, trash receptacles, various small hand tools, apparel items for sale (such as: vests, shirts, hats, outerwear, etc.), disposables (such as: wrapping tissue, bubble wrap, plastic bags, boxes, etc.), supplies (such as: box cutters, hangers, tags, fasteners, general office and cleaning supplies) in addition to fire extinguishers and first aid kits and other products or supplies as specified by us. Your initial inventory of products and supplies will vary according to your geographical area, time of year, size of your facility, availability of products, your decisions regarding the appropriate mix of products for your market, anticipated sales volume and current market prices. We will provide you with a written list of approved products you must offer for sale and a written list of approved vendors and/or suppliers you must purchase products and supplies from to operate your Business. All items mentioned above must be purchased through us, our affiliates or approved vendors and/or suppliers, except all advertising and promotional materials and miscellaneous forms must be purchased directly from us or our affiliates. We base our estimate of startup inventory costs that has been incurred by our affiliate when opening their company-owned locations. This estimate does not include shipping costs which (if applicable) are your responsibility. Whether or not any of the purchases for products and supplies are refundable depends on the terms of the invoice or purchase agreement with suppliers (Franchise Agreement Sections XII.I and XX.I).

Note 6: You must purchase and maintain an inventory of approved uniforms for the operation of your Business. You must purchase logoed polo shirts for your managers and all employees either from us, our

affiliates and/or our approved vendors. All uniforms must meet our specifications, which may change from time to time. You will need a minimum inventory of polo shirts that incorporate our logo and approved graphics for your managers and employees for your Business, however the number of polo shirts you will need will vary depending upon the number of employees you hire. This estimate does not include any laundry costs or shipping costs which (if applicable) are your responsibility. Whether or not any of the purchases for uniforms are refundable depends on the terms of the invoice or purchase agreement with suppliers (Franchise Agreement Sections XII.I and XX.I)

Note 7: This estimated amount represents twelve months of pre-paid insurance premiums that does not take into account workers' compensation insurance which may vary greatly by state, payroll and classification. You must obtain and keep general liability insurance, product liability insurance (covers you for damages that result in injury from products that you distribute) and an umbrella liability policy (extended coverage for damages that result in injury, property damage and personal liability situations) with minimum policy limit of \$1,000,000 per occurrence and \$2,000,000 aggregate or in amounts we may require to reflect inflation, identification of new risks, changes in law or other relevant changes in circumstances. You are also required to obtain property and casualty insurance that covers the assets of the Business, "All Risk" insurance coverage for property that is not included in other insurance policies, employer's liability insurance, employment practices liability insurance, cyber liability insurance and business interruption insurance. Due to varying factors that affect the cost of workers' compensation, the cost of workers' compensation is not included in this estimate. We may change insurance requirements on reasonable notice to you. We base our estimates on the insurance costs incurred by our affiliate at their company-owned locations. Whether or not insurance premiums are refundable depends on the terms of your insurance policies. In general, the cost of insurance coverage will vary depending on the carrier's charges, terms of payment and your claims history (Franchise Agreement Section XIII).

You may need other insurance such as: tenant's liability insurance, statutory workers' compensation insurance (if applicable), professional liability insurance (covers you for damages that you create that do not result in property or bodily injury), employee dishonesty insurance and automobile liability insurance as all such insurance coverage is optional; however, we may require you to obtain this coverage in the future with liability limits of amounts we may reasonably specify. We may change these insurance requirements on reasonable notice to you. There are no other insurance requirements. Whether or not any insurance premiums are refundable depends on the terms and conditions of your insurance policies.

Note 8: The estimate includes minimum working capital for the startup of your Business. Estimate includes minimum working capital for the startup of your Business for a period of three (3) months. This also includes estimates of miscellaneous startup costs such as: rent for an additional two months (your first month's rent is already included above), purchasing additional technology items, equipment, products and supplies; printing setup expenses, shipping and delivery costs, additional payroll expense, workman's compensation insurance payments (if applicable), tax deposits, prepaid expenses, additional permits, architect fees, legal fees, accounting fees and other miscellaneous costs. You may be able to secure a revolving line of credit with a lender or different vendors which will minimize the amount of working capital you need for additional inventory.

Total Estimated Initial Investment. The total estimated initial investment is an estimate only of the range of startup expenses you may incur. We relied on our principals' combined experience when preparing these figures. We base our estimates on the costs that our affiliate incurred in opening their company-owned locations. The actual amount of funds you will need depends on a variety of factors, including, but not limited to, the size of your facility, the location of your facility, build-out expenses, supply chain disruptions, leasehold improvement negotiations with your landlord, the time of year when you start your Business, if you choose to finance the POS system rather than purchase it outright, some of the equipment and fixtures; the amount of equipment, products and supplies you purchase; how many employees you hire;

implementation of a marketing plan, your own management skill, economic conditions, competition in your area and other factors. The estimate of initial investment funds is based on an owner-operated business and does not include benefits for your employees. As your Business grows, you may choose to hire additional employees to carry out support service tasks.

These figures are just estimates and we cannot guarantee that you will not have higher costs. Competitive conditions described in Item 1 will affect these costs. This estimate of startup costs is calculated for a period of one month (except as stated otherwise), with additional operating capital to be available as may be needed during the initial phase. These costs do not include the cost of a bond for your Business, which you may be required to purchase in certain states. Because bond requirements vary by state and may depend on your estimate of prepaid memberships, we cannot estimate the amount you will need to obtain a bond. These costs also do not include your Royalties and System Brand Fees which begin immediately once you start collecting membership fees or any type of fees for classes, program or workshops; or once your Business is physically open for operation (whichever comes first). These fees should be included in your projections of overall operations costs beginning with your first month of operation. You should review the figures carefully with a business advisor and identify your individual expenses along with cash flow projections before making any decision to buy the Franchise.

We do not offer financing, directly or indirectly, for any part of the initial investment for a Franchise. The availability and terms of third-party financing will depend on factors such as the availability of financing generally, your creditworthiness, collateral you may have and the lending policies of financial institutions. The estimate does not include any finance charges, interest or debt service obligation or your living expenses. You should have sufficient capital or other means to pay for your living expenses for at least six months.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We may offer or designate others to offer certain equipment, products, supplies or services and we may become approved suppliers or the only approved supplier(s) for such items. The equipment, products, supplies and services include: equipment (such as: door entry key fob system, target retrievers with master control panel, armorer equipment and tool set, commercial vacuums, floor scrubber, etc. as described in Item 7), furniture and fixtures, technology items (such as: POS system, server, computers, laptops, software, printers, modems and routers, pager system, flat screen televisions, camera surveillance system, security alarm system, telephones and a sound system), products (such as: different types and brands of firearms, firearm supplies, firearm accessories, mats, label printers, shipping scales, retail items for sale, etc. as described in Item 7), supplies (such as: disposables, packaging materials, cleaning supplies, office supplies, etc.), uniforms, signage, third party software, promotional merchandise, printed advertising materials, merchant service providers, software support service providers, music service providers, shows and event marketing opportunities and vendor, co-branding, affinity programs. You cannot purchase unapproved equipment, products, supplies and services from any vendors and/or suppliers that are not on our pre-approved list without our written permission. We will provide you with: a written list of approved equipment, products and supplies you can use and offer for sale in your Business; recommended procedures and strategies when purchasing equipment, products and supplies for your Business; and a written list of approved vendors and/or suppliers to purchase such items from during our initial training program. Currently we are not the only approved supplier of such equipment, products, supplies or services that you are required to use for the operation of your Business, except you may be required purchase all advertising, promotional and marketing materials, miscellaneous forms and updates from us. As of the date of this Disclosure Document, all updates to such promotional and marketing materials are optional, but we may in the future mandate that you purchase certain updates at your expense. We require this in order for you to offer services and sell products from our approved services and products list. If we develop proprietary products, any equipment or software in the future, you must purchase such products, equipment and/or

software from us, our affiliates or approved suppliers. We may become approved suppliers or the only approved supplier(s) for other equipment, products and services. We have negotiated purchase arrangements with vendors and/or suppliers on the approved equipment, product and supplies list for the benefit of you in the areas of costs and customer support. There are no supply contracts at this time. None of our officers or directors owns any interest in any vendor or supplier other than us.

You are required to adhere to the standards and specifications established periodically by us with respect to your Midwest Shooting Center® Business (referred to as the “Facility”), services offered (which include our different membership packages, classes, programs and workshops), products and equipment offered for use and sale, our Curriculum, administrative and operational procedures; purchasing strategies, pricing guidelines, merchandising and presentation standards; cleanliness standards, website, advertising, marketing, vendors and suppliers, equipment, products and services to be used and/or offered in the operation of your Facility. We will provide you with a written list of pricing guidelines, merchandising and presentation standards during our initial training. You must operate the Facility in strict conformity with the methods, standards, and specifications that we prescribe in the Operations Manual or otherwise in writing. You must maintain in sufficient supply, use, sell and offer at all times only the equipment, products and supplies and use our Curriculum all of which meet our standards and specifications. We may change our standards and specifications, as a result of experience or changes in the marketplace and we will issue such changes to all franchisees. You must not deviate from these standards and specifications by using or offering of non-conforming equipment, products or services, without obtaining our prior written consent. You are not permitted to: use any equipment, products or services of an unapproved vendor; use any unapproved curriculum; purchase any type of equipment, products or supplies from an unapproved supplier; or sell and/or offer any other services (including any type of different membership package, class, program and/or workshop), products or other items not approved by us, unless you first submit a written request to us for approval and agree to be responsible for all product, vendor and equipment assessment fees as described in Item 6. We will use best efforts to advise you in writing within thirty (30) days whether such services, products, equipment, vendors or suppliers are approved as further described in Item 8 below. The notice of approval or disapproval may come by mail or by email.

We base our specifications for all equipment, products, vendor and supplier approvals on our discretionary determination of demand, relevance to the System, price, value, quality, durability, reliability, accuracy of product claims, safety, warranty, prompt attention to complaints, product recalls, reputation, frequency of delivery, appearance and contributions or other benefits to us and/or any marketing fund. Some of these specifications are contained in our Operations Manual and others will be set forth in periodic written notices to our franchisees. A list of approved vendors and suppliers from whom all equipment, products, supplies and services may be purchased will be provided to you and may be amended by us periodically. We have the right to disapprove your equipment, product and/or supply sources that are not on our approved vendor list. We may require vendors and/or suppliers to provide certain information, sign a nondisclosure agreement, and agree to guarantee our level of quality and produce sufficient samples to allow us to test the sample at your expense. We may require you to submit to us sufficient specifications, photographs, drawings or other information and samples to determine whether the items meet our specifications and require third party testing, in which case you will pay the actual cost of the tests in addition to the product, vendor and equipment assessment fee described in Item 6. We may issue specifications in manuals or directives, in writing or orally, and we may modify them at any time. Our response to an adequate request to approve a piece of equipment, products, vendor and/or supplier will be made within 30 days after we receive it. Approval may be revoked in our sole discretion where an approved piece of equipment, product, vendor and/or supplier does not adhere to our specifications described above. We will notify you either by email or any other written form of communication of our approval of, disapproval of or revocation of any prior approval of any equipment, product, vendor or supplier.

You must use, offer, perform and sell only the equipment, products, supplies, services and Curriculum that we specify in writing which may be amended or modified by us periodically. If any piece

of equipment, product, service (including any type of membership package, class, program, workshop or curriculum), vendor or supplier is not authorized by us, you are prohibited from using, offering, performing, or selling it in your Business. You will be required to maintain a minimum inventory of products to offer for sale in your Business. We will provide you with a written list of minimum inventory requirements after signing the Franchise Agreement and during the initial training program. If we change our minimum inventory requirements we will notify you by email or any other form of written communication and you will be given 90 days to comply with the new requirements at your cost. We will also provide you with a written list of approved services (including our different membership packages, classes, programs and workshops), you are authorized to offer, perform and/or sell in your Business after signing the Franchise Agreement and during the initial training program. We will enforce these limitations by using “secret shoppers” or unannounced on-site visits to your Facility on a regular basis. When we make other visits to Midwest Shooting Center® businesses, such as to assist you, we may also take that opportunity to visibly inspect your inventory and determine if unauthorized products are being sold; unauthorized services are being offered or performed; if our Curriculum is being used or unauthorized curriculum is being used; or if unauthorized equipment is being used. In addition, we expect to receive information from other Midwest Shooting Center® businesses, customers or members reporting that unauthorized products and services are being sold, offered or performed and/or unauthorized equipment or products are being used or sold in a Midwest Shooting Center® Business. You must permit us or our agents, at any reasonable time, to remove any piece of equipment or products from your Facility free of charge for testing by us or by an independent laboratory, to determine whether such items meet our then-current standards and specifications. Besides any other remedies we may have, we may require you to pay for the testing, as described above, if we have not previously approved the supplier of the item or if the equipment or the product fails to conform to our specifications. We reserve the right to take whatever action we deem necessary in our absolute and sole discretion to prevent you from using, offering or selling unauthorized equipment, products or services (including any other type of membership package, course or program) or curriculum including seeking injunctive relief or terminating your Franchise Agreement.

We may derive profit through markups of the prices charged to you for equipment, products, supplies or services we supply. We may derive revenue through license fees, promotional fees, advertising allowances, rebates, commissions or other monies paid by approved suppliers. We do not know the precise basis of these payments because we have never previously collected them. If we require you to buy from us or our affiliates, the equipment or product’s price and quality will be comparable to similar equipment and products from other sources. We may take a portion of that income to spend on advertising or place it in a separate franchise advertising account. If we require you to buy equipment, products or services from a vendor that pays such allowances, at our discretion we may spend all such fees on related advertising or place them in the separate franchisee advertising account, described in Item 11 below. No such revenues were received from required purchases made by franchisees in the prior fiscal year.

To maintain uniform quality standards, all equipment, products, supplies, services, uniforms, signage, advertising, trademark usage, trade dress and other items or services you use to operate the Franchised Business must meet our standards and specifications. In addition, you must participate in and cooperate with promotional programs, gift certificate or gift card programs we may establish and follow our requirements and guidelines. We will require you to use specific software, operational forms, contracts, checklists, marketing and/or promotional items; and we may require you to use or contribute to specific software support service providers, music service providers, merchant service providers, vendor discounts, allowances, and rebates.

We maintain specifications for the construction and build out of your Facility, leasehold improvements, furnishings, fixtures, equipment, technology items, signage and décor to be used for the interior and exterior of your Facility. You may not install or permit to be installed on the Facility premises any fixtures, furnishings, equipment, décor items, signs, games, vending machines, or other items without our written consent or that do not comply with our specifications. Some of these specifications are contained

in our Operations Manual and others will be set forth in periodic written notices to our franchisees. In most cases, the specifications involve confidential and proprietary information regarding the specifications of a piece of equipment and content or formulation of a product and such detail will only be made available to a supplier who agrees to sign a confidentiality agreement with us. We develop these specifications either through our research and development staff or with a particular manufacturer and they may be modified periodically, through periodic notices to our franchisees.

One of our primary methods of communication with franchisees is through emails, text messaging, announcements and/or newsletters we may periodically publish and through our intranet system provided to all franchisees on our website. You are responsible for knowing all the information contained in the emails, text messages, announcements and/or newsletters and our intranet system and complying with any standards and specifications provided within them. We may establish and change the standards and specifications for the operation of your Business through our emails, text messages, announcements or newsletters and intranet system.

All marketing and promotion of your Franchise by you in any medium must be conducted in a professional and dignified manner and must conform to our specified standards and requirements. You must submit samples of all advertising, promotional programs or plans and materials that you desire to use to us for approval if such has not been prepared or previously approved by us. You may not use any marketing or promotional materials that we have disapproved. This includes any media or website promotion over the Internet to promote your Facility. You must submit a request to us for any type of website and/or Internet promotion you wish to do in addition to any edits, changes, or updates to your website. Internet promotions, edits, changes, or updates to your website must be done by us, our affiliates, or approved vendors with our consent. We may charge a fee for this approval (as described in Item 6). Upon approval of your request, you may be responsible for any website maintenance cost. Our response to your request for such advertising, promotional program or plans and materials and Internet promotions, edits, changes, or updates to your website will be made within 30 days after we receive it. We will notify you by email or any other written form of communication of our approval or disapproval. You must not conduct any advertising without our written permission, in any Social Media such as Twitter, Facebook, LinkedIn, Pinterest, Yelp and others (currently franchisees are authorized to participate on Yelp, Facebook and Instagram). You must also supervise your employees to assure they do not post any material on Social Media sites or any internet sites, regarding us, your Franchise, or the System whatsoever. We will provide you with our written standards and guidelines for using social networking sites during the initial franchise training program.

You are obligated to purchase equipment, furniture, fixtures, technology items, uniforms, signage and an inventory of products and supplies for the operation of your Business. It is estimated that all your initial expenditures from us, our affiliates or the vendors that we specify and/or approve that meet our standards and specifications will represent approximately 35%-45% of your total initial purchases. It is anticipated that during the operation of your Franchised Business, required purchases from us, our affiliates, or the vendors that we specify or approve (not including rent, royalties, or labor costs) are estimated to be approximately 65%-80% of your total monthly purchases in the continuing operation of your Business (this depends on the size of your Facility and sales volume).

We do not provide material benefits (for example renewal or additional franchises) to you based solely on your use of designated or approved sources. We may require you to belong to purchasing or distribution cooperatives, we also retain the right to establish them and to require your membership therein.

When you decide to open a location for your Franchise under a lease, per the Franchise Agreement, you must submit the proposed lease to us for approval before it is signed. We have the option to require that the lease (i) be collaterally assigned to us by a collateral assignment agreement in a form and substance reasonably acceptable to us in order to secure performance of your liabilities and obligations to us or (ii) contain the following terms and conditions:

1. The lessor must agree that without its consent, the lease and your right, title and interest under the lease may be assigned by you, to our designee or us (provided such assignment shall not relieve you of your obligations under the lease or cause us or our designee to have any obligations or liability under the lease).
2. The lessor must provide written notice to us (at the same time it gives such notice to you) of any default by you under the lease and we must have, after the expiration of the period during which you may cure such default, an additional 15 days to cure, at our sole option, any such default and, upon the curing of such default, the right to enter upon the leased premises and assume your rights under the lease as if the lease had been assigned by you to us.
3. You are required to furnish complete copies of all insurance policies required by the Franchise Agreement and by the lease, to us, or such other evidence of insurance coverage and payment of premiums as we request or permit or under the lease.

Before you open a Midwest Shooting Center[®] Business for operation, you must obtain the insurance coverage for the Business as specified below. The insurance coverage must be maintained during the term of the Franchise Agreement and you must provide evidence of insurance to us, and that the insurance has been obtained from a responsible carrier or carriers acceptable to us.

8. Cyber liability insurance that covers you and your business against data breaches that involve sensitive customer information
9. Business Interruption insurance in such amount as will reimburse you for direct or indirect loss of earnings attributed to all perils commonly insured against by prudent business

Business interruption insurance is optional; however we may require you to obtain this coverage in the future with liability limits in amounts we may reasonably specify which will relate to the right to be reimbursed for direct or indirect loss of earnings attributed to all perils commonly insured against by prudent business owners;

10. Professional liability insurance (optional) that covers you for damages that you create that do not result in property or bodily injury with a minimum policy limit of \$1,000,000 and \$2,000,000 aggregate or an amount we reasonably specify;

Automobile liability coverage (optional), including coverage of owned, non-owned and hired vehicles, with coverage in amounts not less than \$1,000,000 for hired and non-owned coverage including uninsured motorist with a minimum of \$100,000 limit or what is in accordance with your state guidelines;
12. Workers' compensation insurance in amounts provided by applicable law or, if permissible under applicable law, any legally appropriate alternative providing substantially similar compensation to injured workers, subject to the conditions set forth in the Franchise Agreement.
13. Crime insurance (optional) for employee dishonesty in the amount of \$10,000 combined single limit;
14. Tenant's liability insurance;
15. Any other Insurance required by the state or locality in which the Facility is located and operated in such amounts as required by statute; and
16. Other insurance coverage, as we, your state or the landlord may reasonably require.

With regard to any construction, renovation, or remodeling of the Business, you may be required to maintain builder's risks insurance and performance and completion bonds in forms and amounts, and written by a carrier or carriers, satisfactory to us. All the policies must name us and our affiliates, as additional insureds and must include a waiver of subrogation in favor of all those parties.

All insurance coverage shall be taken out in your name and shall name us an additional insured and be placed with insurers designated by us or acceptable by us. You must furnish us with certified copies of each of the insurance policies described above on the earlier of your opening of the Business for operation (defined as immediately once you either start collecting membership fees and/or any type of fees for classes, programs or workshops; selling products; or once your Facility is physically open for operation whichever comes first) or 365 days following the date that the Franchise Agreement is executed. You must purchase "A" rating insurance policies. Each such policy shall provide that it cannot be canceled without 30 days' prior written notice to us and that we shall receive at least 30 days prior written notice of its expiration. You shall promptly refer all claims or potential claims against you or us to each of us and our insurer.

The cost of insurance purchased in accordance with our specifications is expected to represent approximately 2% of your total purchases in connection with the establishment of your Business and less than 5% of your total purchases during the operation of your Business. These percentages do not include workers' compensation insurance that will vary with the payroll amount and category of employees.

ITEM 10 **FINANCING**

Neither we, nor our affiliate currently offers, directly or indirectly, any financing arrangements to you. Neither do we guarantee your note, lease, or any other obligation. We may assist franchisees in obtaining financing in the future or make other financing arrangements available to you by referring you to third parties and we do not guarantee that you will qualify or obtain financing from any third party. If we do refer you to third parties, you will be free to accept or reject such financing.

ITEM 11 **FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS & TRAINING**

Except as listed below, we [**the Franchisor**] need not provide any assistance to you under the Franchise Agreement.

Before you open your Business, we will:

- (1) Provide you with written guidelines for site selection. You must, on your own initiative and at your own expense locate, obtain, and occupy the site and negotiate the lease for your

Business. You must select the site of your Business within the Territory provided in the Franchise Agreement. We do not generally own the site and lease it back to you; however, we retain the rights in the future to do so. You may not sign a lease for the site (or contract to purchase the premises, if applicable) in which you wish to operate your Business until you have obtained our written approval. Additionally, you must not invest any money for the site in which you have not received our written approval. We must accept the site if we feel in our sole discretion that it meets or exceeds our standards, but our acceptance does not ensure that your Business will be profitable at the approved location. If we do not approve the site, you will be given a second opportunity to locate a site. If we do not approve the second site, we may terminate the Franchise Agreement. The factors that we consider in acceptance of the site include cost, competition, population density, demographics, freeway access, visibility, convenience, adequate parking, safety, zoning ordinances, neighborhood and physical characteristics of the premises such as size, configuration, and layout. We evaluate each proposed site and accept or reject each one on a case-by-case basis and will notify you by email or any other form of written communication of our acceptance or rejection of any proposed site within 30 days after we receive your request (Franchise Agreement, Sections XII.S and XX.C).

Neither we nor any of our employees have special expertise in selecting sites; we make no representations that your Business will be profitable or successful by being located at the approved site. Any approval is intended only to indicate that the proposed site meets our minimum criteria based upon our general business experience.

- (2) Insert the accepted site into your Franchise Agreement. However, the acceptance of a location and entering it on your Franchise Agreement by us is conditioned upon our determination, in our reasonable judgment, that:
 - (i) the site which you have submitted for the Facility is a suitable site based upon criteria we establish periodically; and
 - (ii) you and your Owners are in compliance with the Franchise Agreement.
- (3) Approve your execution of the lease for your Business. You must submit the lease to us for our approval at least ten days before you sign the agreement. You must send us a signed copy of the lease within five days of both parties signing the lease. We do not offer legal services or commercial real estate brokerage services, to you and you should consult your independent legal counsel for a legal review of the lease (Franchise Agreement, Sections XII.S and XX.C).
- (4) Offer you recommendations when obtaining registrations, licenses, certifications and applying for permits if required by your locality to operate your Business. It is your responsibility to comply with all laws, ordinances and regulations as you are responsible for obtaining all necessary approvals, certifications, registrations, licenses and permits to operate your Business (Franchise Agreement Section XX.A).
- (5) Inform you of any mandatory specifications, architectural and design plans, floor plans, schematics, interior and exterior signage, décor, designs and layout to you for the Business at the accepted location. We will provide you with guidelines for the layout and design of your Facility and you may need to hire an architect to create a complete set of drawings based on your building size and local permitting requirements. You will be required to confirm that your Business satisfies all state and local zoning ordinances, regulations, fire, health and building codes. We may, if needed, review your final set of drawings. It is your

responsibility to comply with all laws, ordinances, regulations, zoning and building codes for your Business (Franchise Agreement, Sections XII.T and XX.D).

- (6) Provide you with written specifications for all equipment, technology items, furnishings, fixtures, and signage (as described in Item 8) necessary for the operation of your Business. You are obligated to repair and maintain all equipment, technology items and related software necessary for the operation of your Business. You will be responsible for these expenses as these expenses are necessary for the operation of your Business. We will deliver these written specifications for all the above items, and you are responsible for the delivery and installation of all these items. You are required to purchase the items listed above from us, our affiliates, approved vendors and/or suppliers (Franchise Agreement Sections XII.I, XX.A, XX.D and XX.I).
- (7) Provide you with: a written list of approved products (including pricing guidelines, merchandising and presentation standards) and services (including our different membership packages, classes, programs and workshops) and products you are authorized to offer, perform and sell; a written list of approved equipment, products, supplies and services (as described in Item 8) you are authorized to use; a written list of approved vendors and suppliers to purchase all equipment, products, supplies and services from; a written list minimum inventory requirements; and the Curriculum you are authorized to use. We will provide you with strategies for purchasing such items for your Business. You are responsible for the cost, delivery, installation and maintenance of these items as they are necessary for the operation of your Business. You are required to purchase all items listed above from us, our affiliates and/or approved vendors or suppliers (Franchise Agreement Sections XII.I, XX.A, XX.H, XX.I and XX.K).
- (8) Provide you with a written list of cleaning standards and recommended guidelines for hiring and training employees and/or independent contractors (if you choose to use independent contractors in your Business) in addition to general guidance. You are responsible for all day-to-day activities, including hiring, training, disciplining and/or firing your employees. At no time will you, your employees or independent contractors be deemed an employee of ours. You are still responsible for all employees and independent contractors (if applicable) you hire, determining their compensation, determining their benefits, tax withholding and their behavior during the operation of your Business (Franchise Agreement Sections XII.F, XX.A and XX.E).
- (9) Provide you with a self-study program (and related materials) immediately after executing the Franchise Agreement intended to help you prepare for our initial training program. We will provide you with part one of our initial training program, within sixty days after you secure the space for your facility. We will provide you with part two of our initial training program, no earlier than 60 days before you anticipate physically opening your Business for operation (only after you or an Owner has obtained a federal firearm license Type 1 for your Business and it has been identified who will be your lead instructor and such person has an RSO certification, as described in Item 1), designed to assist you and your staff in the operation of your Business, at no additional charge. The initial franchise training program is designated for you, one Owner, one general manager (if this person is someone other than you), membership manager and a lead instructor or any combination thereof (a total of five people). If more than five people attend the initial franchise training program, we may impose a training fee of \$400 per person for each day of training and your expenses (Franchise Agreement, Sections XII.U and XX.A).

- (10) Advise you about operating challenges faced by other Midwest Shooting Center[®] businesses disclosed by reports submitted to us or inspections made by us. We will furnish to you such guidance and assistance in connection with the operation of your Business, as we deem appropriate. Such guidance and advice will include methods and operating procedures utilized by other Midwest Shooting Center[®] businesses including: different membership packages, membership sales and retention; introduction of new services such as additional classes, programs or workshops; how to use our Curriculum and teaching techniques; merchandising and inventory control methods, pricing of products and services, controlling costs, advertising, marketing and promotional strategies; general operating procedures, efficiencies to manage high volume, level of service, safety and cleanliness standards, hiring guidelines, general operating procedures, using third-party software and bookkeeping and accounting strategies,. You must pay all costs and expenses associated with these items. Additional guidance and assistance may be made available to you at your written request and in our sole discretion at fees and charges established by us (Franchise Agreement, Sections XII.H, XX.A and XX.E).
- (11) Loan to you during the term of the Franchise Agreement one copy of our confidential Operations Manual, which may include other manuals or other written materials for the operation of a Midwest Shooting Center[®] business, containing mandatory and suggested specifications, standards and operating procedures required by us and information relative to your other obligations under the Franchise Agreement. We have the right to add to, and otherwise modify, any manual, including the Operations Manual, to reflect changes in authorized equipment, products and services, as well as changes in specifications, standards and operating procedures of a Midwest Shooting Center[®] Business. You must keep the Operations Manual confidential and current and may not copy any part of the Operations Manual. The Operations Manual contains 456 pages and the table of contents for the Operations Manual, as of our last fiscal year end is included with this Disclosure Document as Exhibit E (Franchise Agreement, Section XX.G).
- (12) Deliver to you a website that includes online scheduling functionality and access to our intranet system that houses different educational, operational, advertising and marketing materials to support your Business (Franchise Agreement Sections IX.A, XX.A and XX.B).
- (13) Approve or disapprove any promotions, edits, changes or updates to your website. All modifications to your website must be performed by us, our affiliates, or approved vendors and you will be responsible for all related costs (Franchise Agreement, Sections IX.A, X.H, XX.A and XX.B).
- (14) Approve or disapprove samples of all advertising, promotional programs or plans and materials not prepared or previously approved by us which are submitted by you (Franchise Agreement, Sections X.C, XII.L, XX.A and XX.J).
- (15) Provide up to five days of either pre-opening or grand opening assistance to you and your staff at your Facility. Such assistance will be provided to you as part of your Initial Franchise Fee and at our cost (Franchise Agreement Section XX.A).

During your operation of your Business, we may:

- (1) Provide additional on-site supervision and assistance as we deem necessary and in our discretion. Additional visits are for the purpose of advising you with respect to products, sales, executing services, our Curriculum, equipment operation and maintenance, products,

operational, marketing and sales matters related to your Business. You will be responsible for the transportation, room and board and miscellaneous expenses incurred by our personnel during the visits, which will take place per the terms of the Franchise Agreement, or at your request, and at times and dates selected by us (Franchise Agreement, Section XII.Q and XX.A).

- (2) Provide to you, any Owner, general manager (if this person is someone other than you) and your lead instructor refresher and/or continuing education meetings at locations designated by us, which we expect to be our headquarters with a fee not to exceed \$400 per person per day plus your expenses, which can vary from area to area. We reserve the right to increase the per day fee in a reasonable amount based on reasonable criteria (Franchise Agreement, Section XX.A).
- (3) Conduct quarterly meetings or an annual convention at such place as shall be designated by us, at our current fees which can change based on our cost (Franchise Agreement, Section XX.A).
- (4) Establish a franchisee elected peer group whose main purpose is to mentor and support each other.

During your operation of your Business, we will:

- (1) Continue to consult with you at no additional charge regarding: our products, services (including approved membership packages, classes, programs and workshops), our Curriculum, equipment and products you are authorized to use and offer, merchandising, industry regulations, inventory management and operational strategies; changes in the industry, sales, marketing and promotional programs as well as provide assistance to you to resolve operational problems that you may encounter outside the scope of the Operations Manual (Franchise Agreement, Sections XII.V and XX.A).
- (2) Provide you with updated written lists of approved products and services (including our different membership packages, classes, programs and workshops or any other membership package, class, program or workshop we may develop in the future) you are authorized to offer, perform, and sell; updated Curriculum and lists of equipment, products and services (as described in Item 8) you are authorized to use in the operation of your Business. We will train you how to use our Curriculum. We will also continue to add and approve new vendors and suppliers and provide you with updated and current lists of such approved vendors and suppliers that you are allowed to use to purchase such items from for your Business. We will provide you with specifications and guidelines, but not the actual items as you are responsible for purchasing such items. We will continue to review and approve or disapprove any piece of equipment, product, supply, service, vendor or supplier you wish to use, offer, or sell in the operation of your Business (Franchise Agreement, Sections XII.H, XII.I, XII.J, XX.H and XX.I).
- (3) Provide you with updated minimum inventory requirements, updated pricing guidelines, merchandising and presentation standards for all products you are required to offer and sell and suggested pricing for all products and rates for all services (including membership packages, classes, programs and workshops) you offer in the Business. We may establish minimum and maximum prices and/or rates you can charge to the extent allowed by law. We will continue to research new products, equipment and services for the System as we deem necessary (Franchise Agreement, Section XX.K).

- (4) Provide a dedicated telephone line, only for our franchisees, to answer questions from you or your staff (during regular business hours Eastern Time Zone). You will be able to contact us for questions, suggestions, and guidance (Franchise Agreement Sections VII.V and XX.A).
- (5) Review and approve advertising, promotional programs, plans and materials in addition to any promotions, edits, changes or updates to your website that you submit to us, by notifying you in writing or by email of such approval or disapproval (Franchise Agreement, Sections XII.L, XII.H and XX.J).
- (6) Provide continuing education to you and we may provide continuing education to you, any Owner, general manager, membership manager (if such person is someone other than you or an Owner) and lead instructor of your Business as noted in paragraph 13 (iii) below. We may require that you (or if you are an Entity or an Owner) and any manager(s) or lead instructor to complete supplemental and refresher training programs during the term of the Franchise Agreement (Franchise Agreement, Section XX.A).
- (7) Offer assistance in establishing and using administrative, record keeping and accounting procedures in accordance with our Operations Manual; guidance with regards to managing a professional booking and accounting service; and various policies communicated by us to you in writing from time to time (Franchise Agreement, Section XX.A).
- (8) Provide you with all update and upgrade requirements for your technology items and all related software in response to changes in the Operations Manual or changes in our policies that are communicated to you in writing. You are required to purchase such items to operate your Business. The cost of such items will range from \$52,500 to \$62,000 (see Item 7). The cost for hardware and software upgrades for such items is estimated to be approximately \$1,000 per year. If we develop proprietary software in the future, we will provide you with update and upgrade requirements, however, we are not obligated to provide any upgrades to any third-party software programs. We are not obligated to provide maintenance or repairs to any piece of equipment, technology item, hardware or software that you use in the operation of your Business. You are responsible for the installation of all technology-related hardware and software. We reserve the right to have independent access to all information that you store in any POS system, computer, server, laptop, tablet, social media platform, mobile app platform or software related to the Business (Franchise Agreement Sections X.E, XII.H, XII.I, XIV.A and XX.A).
- (9) Reserve the right at our discretion to institute, maintain and administer a System Brand Fee (referred to as the “Fund” or “System Brand Fund”) to support ongoing technology and new equipment, product or curriculum development to be made available to franchisees, and such national advertising (including media production costs) as we, in our sole discretion, may deem appropriate to promote the Midwest Shooting Center® name to benefit all franchised businesses as described in Item 6. We will direct all such programs and will have sole discretion over the creative concepts, materials and endorsements and media used in such programs, and the placement or allocation of such programs. The source of the advertising will come from our advertising department or may in the future come from a national or local advertising agency. We reserve the right to determine in our sole discretion the composition of all geographic territories and market areas for the implementation and development of such programs. The advertising programs may be national, regional, or local at our sole discretion. We are not obligated to spend a specific dollar amount on advertising in your territory (Franchise Agreement, Section X.B).

- (i) You will pay us 1% of monthly Gross Revenue per calendar month for your System Brand Fee contribution as designated in the Franchise Agreement. We may raise, discontinue, or reduce the contribution, but your total contribution will not exceed 3% of your Gross Revenue per month in any calendar year for the term of your Agreement. Increases of contributions will not exceed ½ % per year and we will provide a 90 day advance notice to you of any such increase. Contributions are due by the tenth day of the month (for the prior month) which will begin immediately once you start collecting membership fees or any fees for classes, programs or workshops; or once your Facility is physically open for operation then continues for the term of your Franchise (as described in Item 6). Refer to Item 6 for the definition of Gross Revenue.
- (ii) The contributions will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Fund and its programs, including conducting evaluation of new equipment, products, services and technologies; product and/or equipment development, market research, media production costs, preparing advertising, promotional and marketing materials, and collecting and accounting for contributions to the Fund. Usage of the Fund may include ongoing development of the national website, a social media platform, a mobile app platform; and development of new equipment, products, services, curriculum and software to be made available to franchisees. The media in which advertisements may be disseminated include print ads, signs, billboards, radio, television or Internet and may be conducted on a regional or national basis. We may spend on behalf of the Fund, in any fiscal year an amount greater or lesser than the aggregate contribution of all Midwest Shooting Center® franchises in that year, and the Fund may borrow from us or others to cover deficits or invest any surplus for future use.
- (iii) In the future, we may form a franchisee-elected Franchisee Advisory Council or cooperative whose sole purpose is to advise on System Brand Fund usage and advertising policies. We retain all operational and decision-making authority concerning advertising and the Advisory Council will serve only in an advisory capacity. The membership of any Franchisee Advisory Council will be national in scope. The Franchisee Advisory Council will not be separately incorporated, and therefore, it will not have any written documents. If one is formed, we will have the power to select and approve the members and to form, change, dissolve or merge the Franchisee Advertising Council as described below.
- (iv) Neither we nor any Franchisee Advisory Council will undertake any obligation to ensure that expenditures by the Fund in or affecting any geographic area are proportionate or equivalent to contributions to the Fund by franchisees operating in such geographic area or that you or your Business will benefit directly or in proportion to your contribution to the Fund. Neither the Fund nor we shall be liable to you with respect to the maintenance, direction, or administration of the Fund, including without limitation, with respect to contributions, expenditures, investments, or borrowings, except for acts constituting willful misconduct.
- (v) Any businesses we own will have the same voting rights as franchisee members in the Fund. We administer the Fund, which is not audited. If contributions paid into the Fund are not spent in the fiscal year in which they accrue, we can use the

remaining amounts for the same purposes in future years. All interest earned on monies contributed to the Fund may be used to pay advertising and technology development costs before other assets of the Fund are expended. Fund contributions are not used to sell additional franchises. We will prepare an annual un-audited statement of monies collected and costs incurred by the Fund and furnish it to you upon written request. All financial statements will be available 120 days after the end of our fiscal year. We reserve the right not to spend all of the funds in the System Brand Fund in any one year and such funds may be accrued into the next year. The System Brand Fund has not been established before the issuance date of this Disclosure Document.

- (vi) We expect to receive advertising and promotional allowances and fees from third party vendors, suppliers and advertisers who enter into cooperative advertising programs with us (and possibly also franchisees). For example, vendors and/or suppliers may pay promotional allowances for joint advertising promotional material. We may disclose the identity of vendors or suppliers who pay the promotional allowances to you upon request. In addition, if we require you to buy items from a vendor or supplier who pays these allowances, we may place the funds in the System Brand Fund or spend it on related promotions. Our obligation to provide advertising and marketing will be limited in cost to the amount of contributions and promotional allowances (if we approve) from third parties actually paid into the Fund.
- (10) We do not now, but may require you to join, participate in and pay into, one or more franchisee marketing councils for your region, determined by the penetration area of local advertising media used (for example, the area of a regional newspaper's circulation). Because, we have not yet formed any franchisee marketing councils, we do not know how the area, or the membership of any franchisee marketing council will be determined. Because we have not formed any franchisee marketing councils, we have not determined whether or not any of our company-owned businesses will be contributing to any advertising spent by any franchisee marketing council. In the event that we choose to establish a franchisee marketing council, we will be responsible for administering it. If we do create any franchisee marketing councils, they must operate in accordance with bylaws (or an operating agreement if it is a limited liability company). If we do create any franchisee marketing councils, the franchisee marketing council will prepare annual financial statements that you can review, but which will be unaudited. We will have the right to form, dissolve, and merge any specific franchisee marketing council. Even though we have not yet formed any franchisee marketing councils, we may require that all franchisees within close proximity to a consumer show, convention or exhibition where firearm-related services and products are being offered or sold to participate in the cost and benefit of the show. We reserve the right to issue binding policies to coordinate marketing councils and/or advertising cooperative programs. We intend to direct and coordinate all franchisee Internet advertising. All such programs and policies are our proprietary trade secrets.
- (11) You must spend a minimum of \$90,000 per calendar year on local advertising and promotion for your Business (pro-rated for your first year), in addition to the System Brand Fee contribution you pay to us. You will also spend at least \$44,500 on "grand opening" promotion for five months (three months prior to opening and two months after the opening of your Business), therefore your local advertising requirement will not only be pro-rated for your first year but will also take into account the monies you are required to spend on "grand opening" during the three months prior and two months after your Business is open

for operation. You must report your local advertising expenditures to us by the tenth day after the end of each calendar year, or at times, on forms and in a manner we determine.

You will not use any independent advertising, marketing or sales promotion materials in any media (including electronic) without our prior review and written approval. We will approve or disapprove in writing the materials you submit to us within thirty (30) days, if we do not respond within such period, all such materials will be deemed automatically disapproved. You will make reasonable efforts to participate in and cooperate with all advertising programs selected by us or by any approved group of franchisees, except that you may not need to follow or maintain any sales price or suggested promotional pricing. You are responsible for any expenses of this independent advertising.

Unless we approve otherwise in writing, you may not establish a separate Website and will only have one website, as we designate and approve, within our website. The term "Website" includes: Internet and World Wide Web home pages, as well as other electronic sites (such as business citations, Google and Bing business listings, social networking sites like Facebook, Instagram, Twitter, LinkedIn, Pinterest, Yelp, blogs, and other applications). You must provide us with all login and password information for all Websites and acknowledge that we have the right to monitor, remove, edit, and delete any content (including posts) as we consider appropriate. You must comply with our requirements regarding selling, advertising, discussing, or disseminating any information, or otherwise having a presence on a Website, regarding the Business. If we approve another Website for you (currently franchisees are authorized to participate in Yelp, Facebook and Instagram), we will provide you with guidelines for establishing and maintaining such other Websites and while participating on our approved Websites each of the following provisions will apply: (i) you may neither establish nor use any Website without our prior written approval; (ii) before establishing any Website, you must submit to us, for our prior written approval, a sample of the proposed Website, including its domain name, format, visible content (including, without limitation, proposed screen shots), and non-visible content (including meta-tags), in the form and manner we may require and all such work (except for social networking sites) must be performed by us, our affiliates or approved vendors (as described in Item 8); (iii) you must not use or modify a Website (except for social networking sites) without our prior written approval; (iv) you must comply with the standards and specifications for Websites that we may periodically prescribe in the Operations Manual or otherwise in writing; (v) if we require, you must establish hyperlinks to our website and other Websites; (vi) you must not engage in any link building activities unless approved by us; and (vii) we may revoke our approval at any time by providing written or email notice to you of such revocation.

- (12) We estimate that there will be an interval of 365 days between the signing of the Franchise Agreement and opening your Business for operation. Factors that may affect this length of time include obtaining a location that is approved by us for your Business, permits and licenses from your state (if applicable), build-out expenses, time of year you open the Business for operation; completion of your pre-market entry study to determine any customization of services and products to be offered through your Business, satisfactory completion of our initial training program by you (or your managing partners, members or shareholders) and availability of equipment, products and supplies. You have 120 days to enter into a lease (or purchase agreement, if applicable), at your expense, for commercial real estate that is properly zoned for the use of your Business under the Franchise Agreement. You must submit to us, in the form we specify, a copy of the location plan and other such information or materials we may require, together with an option contract, letter of intent, or other evidence satisfactory to us which confirms your affirmative prospects

for obtaining the location. We will have 30 days following receipt of this information and materials from you to approve or disapprove the proposed location of your Business and will notify you of the same by e-mail or other form of written communication. We reserve the right to extend the period for you to acquire a lease as described above based on our reasonable judgment that you will likely find a location. Failure to acquire a lease and/or open your Business within the timeframes mentioned above, will constitute a default under the Franchise Agreement, for which we may terminate the Franchise Agreement. Such default notice, under which we may terminate the Franchise Agreement, shall be given to you in writing.

- (13) Within sixty days after you secure the space for your facility and prior to accepting any membership fees, selling products and/or accepting fees for classes, programs or workshops, yourself and any Owner and membership manager are required to attend part one of our initial training program at our corporate headquarters in Lima, Ohio unless such headquarters is moved. Before physically opening your Business for operation (no earlier than sixty days prior to when you anticipate physically opening your Business for operation), yourself, any Owner and/or proposed general manager, membership manager (if such person is someone other than you or an Owner) and lead instructor you designate are required to attend part two of our initial franchise training program at our corporate headquarters in Lima, Ohio unless such headquarters is moved. We maintain a regular calendar for the training program and the trainings are held approximately six to eight times per year (or more frequently if needed). Both parts of the initial training program are included in your Initial Franchise Fee. You are responsible for all costs associated with attending both parts of our initial training program such as travel, room, and board.
- (i) If you, any Owner or any proposed general manager, membership manager (if such person is someone other than you or an Owner) or lead instructor does not satisfactorily complete either part of our initial training program, we will notify you, and you may then select and enroll a substitute general manager, membership manager or lead instructor in our training program. If, during the initial training program we determine, in our sole discretion, that you, any Owner, general manager (if applicable), membership manager or lead instructor you appoint are not qualified to manage a Midwest Shooting Center[®] Business or fill the role of a general manager, membership manager or lead instructor, you can appoint someone else to be trained at your expense. If such persons do not satisfactorily complete our training program, we have the right to require you to send a replacement and if such replacement person is still not qualified, we have the right to terminate the Franchise Agreement. The criteria that we will use to determine whether or not we deem you, any Owner, general manager, membership manager or any lead instructor is qualified to manage a Midwest Shooting Center[®] Business or perform services includes, but is not limited to, lack of business experience; inability to understand costs and expenses; if it is determined that the person's personality makes it difficult to obtain customers or members; if you (including any Owner, general manager or any lead instructor) are unable to execute our classes, programs or workshops and/or any other type of class, program or workshop we develop; or if you are unable to obtain the appropriate registrations, licenses or permits as required by your state or locality to operate a Midwest Shooting Center[®] Business. We will send you a written termination notice upon our determination of qualification.
- (ii) After the completion of the initial training program by you, any Owner, general manager, membership manager (if such person is someone other than you or an

Owner) or lead instructor, we will provide training to any new general manager or lead instructor of your Business at your request for which an additional training fee of up to \$400 per day per person may be required. The trainee(s) will be responsible for all costs related to attending training such as travel, room, and board. In addition, we have the right to require that you (and if you are an Entity, any Owner) and any manager or lead instructor complete supplemental and refresher training programs during the term of the Franchise Agreement, to be held at our corporate headquarters (currently in Lima, Ohio). There may be additional costs for supplemental and refresher training programs. You are responsible for all costs associated with attending such training opportunities we may provide for you such as travel, room, and board.

- (iii) After the opening of your Franchise, we will provide to you and your general manager, membership manager (if such person is someone other than you or an Owner) and lead instructor, access to information and support through our intranet system online. Support will also be available from our corporate headquarters and we may provide regularly scheduled conference calls or webinars that will require your participation. We may provide refresher training and continuing education programs either through phone, web based (“webinars”), video or at locations designated by us (most likely at our headquarters). Such refresher or continuing education sessions (other than by phone, webinars, or video) may have a registration charge to you which will not exceed \$400 per person per day. You are responsible for costs associated with you attending the programs such as travel, room and board or our expenses if we come to you. The refresher and/or continuing education programs will normally not exceed one day and we expect to conduct programs subject to special need. The content will cover particular aspects including but not limited to: new products, services, advertising and promotional programs; industry updates, changes and additions to our Curriculum and the services you are authorized to offer and perform; vendor and supplier relationship updates, industry developments, operational standards, inventory management strategies, technology and software developments, sales and marketing and administration. We may conduct an annual convention at such place as shall be designated by us for all franchisees. A registration fee for each participant may be required which we will work in good faith to maintain at our cost and you will be responsible for costs associated with attending the convention such as travel, room and board. The fees charged above may be increased based on the increase of actual costs incurred by us.
- (iv) Within sixty days after you secure the space for your facility and before you start either: collecting membership fees or any other type of fees for classes, programs or workshops; selling products; we will provide the first part of the initial training program for you. No earlier than sixty days before you anticipate physically opening your Facility for operation (and only after you or an Owner has obtained a federal firearm license Type 1 for your Business and it has been identified who will be your lead instructor and such person has an RSO certification, as described in Item 1), we will provide the second part of the initial training for you as noted in the following training schedule. This training curriculum is fully detailed in our Operations Manual and may change periodically. The corporate training team may include members of our management team, staff from our corporate headquarters in Lima, Ohio, members of our website development team, and members from our approved suppliers and service providers.

**Additional software training may be provided to franchisees and may be performed by our approved vendors after the initial training is completed.

**The actual hours of classroom and on-the-job training may vary. For example, it may take less time to cover a subject in a smaller class than in a larger class and depending on your experience and skillset prior to training.

Additional Assistance:

In addition to the initial training program mentioned above, we will provide up to five days of either pre-opening or grand opening assistance and guidance to you at your location for sales and operational assistance at our cost. For your second and subsequent Business that you open, we will (at your option) provide the same type of assistance and guidance at your location; however, you will be responsible for all costs and expenses incurred by us, including, but not limited to, compensation for our staff and travel expenses. We will provide you with invoices for amounts you owe us, and we may require you to pre-pay all or a portion of our expenses.

Ongoing Training:

We will provide you with announcements and/or newsletters that will contain ongoing training relating to your Business. We will also provide you with access to additional or refresher training programs that may be conducted through the telephone, webinars or video training at no cost to you. In very rare instances, we may periodically require that you or your Owners (if you are an entity), managers and/or lead instructor complete additional training or refresher training programs to correct, improve and/or enhance the operations of your Business. Such additional or refresher training programs may be conducted through

the telephone, webinars, video training or at annual conferences. Anyone attending additional or refresher training programs (training other than by telephone, webinars or video training) will be subject to an additional training fee and all costs associated with attending the training program such as travel, room, and board (as described in paragraph 13 (iii) above).

ITEM 12 **TERRITORY**

You must operate your Midwest Shooting Center® Business within the specific location identified in your Franchise Agreement. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You are awarded a protected territory (“Territory”) that will include up to 5 miles driven in any direction from your Franchised Business as defined by Google Maps or a similar mapping program. We reserve the right to grant a territory that is larger or smaller than the 5-mile area described above, to account for more densely or sparsely populated areas. You may not conduct business at any other site or sites (facility where you operate your Business) other than the accepted site that has been entered in your Franchise Agreement or made part of by an addendum attached to your Franchise Agreement. You can provide virtual training classes, programs and workshops (if we authorize you to offer virtual training classes, programs and workshops in the future) to people within your Territory who cannot or choose not to attend in-person classes, programs and workshops, however we restrict your ability to promote and offer virtual training classes, programs and workshops only to people within your Territory. You can conduct business at off-site events (for example: firearm and personal safety fairs, expos, community events, festivals, etc.) to sell products and promote services (including different membership packages, classes, programs and workshops) as long as such events are within your Territory. You may conduct business at off-site events in other geographical areas where there is not a Midwest Shooting Center® business only after providing notice to us and after obtaining our written approval; however, you cannot perform Target Marketing outside your Territory, as described below. We shall approve or deny your request, which approval is in our sole discretion, within three business days of receipt of your written request and will respond by email or any other form of written communication (as described below). If we approve your request to conduct business at off-site events in another geographical area, you must be prepared to immediately lose any accounts you have established when that area is purchased and immediately refrain from conducting business at such off-site events. You can directly market and solicit people only within the accepted Territory that has been entered in your Franchise Agreement or made part of by an addendum attached to your Franchise Agreement. You may also sell and ship products to anyone located outside your Territory so long as your sales do not result from any Target Marketing (as defined below) activities by you.

We cannot establish a company-owned business, franchise nor license any other person or entity to locate a Midwest Shooting Center® business within your Territory during the term of the Franchise Agreement.

Your licensed Territory is determined by population, household incomes, competition, demographics of the surrounding area, market penetration or other conditions important to the successful operation of a Midwest Shooting Center® business. Your licensed Territory is determined by us once a location is chosen and will not be altered even if there is a population increase or decrease. It will also not be affected by the number of people you attract, number of memberships packages or products you sell, number of members you retain, your revenues or your sales volume. Certain locations, such as major metropolitan areas may have smaller territories of densely populated areas. We must have consented to the location for your Midwest Shooting Center® Business within your defined Territory in writing before you open for operation. Relocation of your Facility requires our written acceptance. Our consent to your relocation is based on the following factors: population, business potential, traffic patterns, proximity to major roads, demographics of the surrounding area, market penetration or other conditions important to the

successful operation of a Midwest Shooting Center[®], as we deem appropriate and as identified in your Franchise Agreement.

Establishment of additional Midwest Shooting Center[®] Businesses requires our written acceptance. If other geographical areas are unassigned, we have the right to sell or assign it, or part of it, at any time, without notice to you and you might not have the right of first refusal or option to buy the territory that was unassigned. You must submit a separate application for each franchised business to be established by you. You must pay the fee for each additional acquisition mentioned in Item 5 and must be in compliance with all the terms and conditions of the Franchise Agreement. We must approve the location of any additional Facility as mentioned in Items 11 and 12 above.

The Territory described above will affect where you and other franchisees may solicit business, sell products and promote services (such as: different membership packages, classes, programs and workshops). You are encouraged to directly advertise and market to attract people to your Facility within your Territory, however you can sell products and services (such as different membership packages, classes, programs and workshops) to anyone from anywhere (except for virtual training classes, programs and workshops as mentioned above that must be offered and sold to people only within your Territory) so long as your sales do not result from any direct solicitation activities by you and the products you sell are shipped from your Facility (and/or sold at off-site events as described below) and the services you provide are being performed from your Facility. We, other franchisees and company-owned businesses reserve the same right to sell products and offer services (such as different membership packages, classes, programs and workshops) to anyone from anywhere (however virtual training classes, programs and workshops are offered and sold to people only with their respective areas) without compensation to you. You are prohibited from soliciting and marketing in general to anyone by any means outside of your respective Territory and you must not specifically engage in target marketing (“Target Marketing”) within the Territory of another Midwest Shooting Center[®] business (franchise and/or a company/affiliate owned business). Target Marketing means a concerted effort by a franchisee to solicit and obtain customers or members through any type of advertisement or marketing, directed at all or a portion of another franchisee’s territory (this includes soliciting for virtual training classes, programs and workshops). We will use commercially reasonable efforts to enforce this requirement regarding Target Marketing if you or any other franchisee violates it.

If you are asked to conduct business at off-site events to sell products and promote services in geographical areas in which there is another franchise or company-owned business, you must immediately refer that request to the Midwest Shooting Center[®] business in that geographical area or directly to us. Whether the other Midwest Shooting Center[®] business is a franchise or company-owned location, you must not conduct business at off-site events in that geographical area. If the other franchisee or company-owned business gives you permission to conduct business at such off-site events, then you must immediately inform us in writing and you can then proceed to conduct business at such off-site event, however you are prohibited from offering and promoting virtual training classes, programs and workshops. If there is not a Midwest Shooting Center[®] business in that geographical area, then you must submit a written request to conduct business at such off-site event to us and upon our written approval you can proceed with the understanding that you are prohibited from offering and promoting virtual training classes, programs and workshops. We shall approve or deny your request to conduct business at off-site events in other geographical areas not owned by us, our affiliates or other franchisees, which approval is in our sole discretion, within three business days of your written request. Our response to your request will be made by email or any other form of written communication. Approval may be revoked in our sole discretion. However, you must be prepared to immediately cease conducting such events in that other geographical area when that unassigned area is purchased. We may allow you and other franchisees or company-owned businesses to sell products and promote services (such as different membership packages, classes, programs and workshops) through an alternative channel of distribution (such as on the Internet or Websites). If you are granted permission to sell products and promote services (such as different membership packages, classes, programs and workshops) through an alternative channel of distribution, per our written approval,

you may sell such products and/or services to anyone from anywhere (except for virtual training classes, programs and workshops which can only be offered to people only within your Territory) without compensation to the other franchisee or company-owned business. However, all products must be sold and shipped from your Facility or sold at off-site events within your Territory and all services must be performed from within your Facility. We, other franchisees, and company-owned businesses reserve the same right to sell products (including shipping such items) and services (including different membership packages, classes, programs and workshops) to anyone from anywhere (except for virtual training classes, programs and workshops that must be offered and sold to people only with their respective areas) without compensation to you.

If during the term of the Franchise Agreement, you are unable to promptly and properly provide service to anyone, you must refer such person(s) to another franchisee, company-owned business or to us. If you fail to refer off-site events or person(s) as set forth herein, we will have the right to terminate the Franchise Agreement. For any default of the Franchise Agreement, as an alternative to termination, we may modify or completely eliminate any rights that you may have with respect to the Territory, effective ten days after delivery of written notice to you. In addition, we may modify or eliminate completely, the Territory (Franchise Agreement Sections VI and XXIII.F).

We encourage Midwest Shooting Center[®] businesses, when owned by different individuals, to work out a referral relationship and advertising strategy or arrangement if they are within close proximity of each other. We must be notified of all such arrangements.

We have the exclusive right to negotiate and enter into agreements or approve forms of agreements to provide products and services to any business or organization which owns, manages, controls or otherwise has responsibility for locations in more than one area whose presence is not confined to any one particular franchisee's territory regardless of the contract amount of products to be provided or services to be performed (a "National Account"). After we sign a contract with a National Account, we may, at our option, provide you the option to provide products and/or perform services at negotiated rates under the National Account contract. If you choose not to provide services and/or perform services such products at the negotiated rates, there will be no consequence and if you choose not to provide products and/or perform services to a National Account, then we may provide such products and/or perform services directly ourselves, or through another franchisee or third party even if the products sold and/or services to be performed are within your Territory without compensation to you.

We reserve the right to issue binding policies to coordinate marketing councils and/or advertising cooperative programs. For example, we may require that all franchisees within close proximity to consumer shows, conventions or exhibitions where firearm-related products or services are being offered or sold to participate in the cost and benefit of the show. We intend to direct and coordinate all franchisee Internet advertising. All such programs and policies are our proprietary trade secrets. In such programs, we may require the person that is acquired through such programs to be served by the closest other franchisee and you will not be charged or receive any type of referral fee.

Any rights not expressly granted to you are reserved to us. Such rights reserved to us include, but are not limited to:

- (1) Advertise, market and sell Midwest Shooting Center[®] services, branded and/or trademarked products or equipment (if we choose to sell equipment in the future) in your Territory;
- (2) Advertise, offer and sell services and products and/or any type of equipment (if we choose to sell equipment in the future) to promote the System through the Internet no matter where the person is based to brand the System and/or fulfill the demand in your Territory;

- (3) Sell, offer or distribute services or products or any type of equipment (if we choose to sell equipment in the future) to persons or businesses located anywhere through any alternative or other channel of distribution, other than local business operations (franchised or owned by us) providing services and products under the Marks and System and on any terms and conditions we deem appropriate. We have this right whether or not we are using the Marks or System or are acting inside or outside the Territory designated on your Franchise Agreement;
- (4) Develop, manufacture and distribute any labeled product or piece of equipment that has been branded with our Marks or logo or different branded products or equipment through any outlet located anywhere (including, by way of illustration, discount warehouses, retail stores, sporting goods stores, over the Internet and/or similar venues) and on any terms and conditions we deem appropriate. If we decide to develop and distribute products or any type of equipment, you will receive no compensation from us for such sales inside your Territory unless otherwise agreed in writing by us;
- (5) Implement advertising cooperative programs which may allow us or others to solicit or sell to anyone located anywhere. We also reserve the right to issue mandatory policies to coordinate such advertising cooperative programs;
- (6) Own and/or operate ourselves or authorize others to own and/or operate (a) any business located outside the Territory as designated on your Franchise Agreement, whether or not using the Marks and/or System, (b) any business anywhere, whether using the Marks and/or System or not, which is not substantially similar to the business franchised to you under the Franchise Agreement and/or (c) any business anywhere which does not use the Marks; and
- (7) Acquire, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not), with businesses located anywhere, including arrangements in which we are acquired, and/or company-owned, franchised, or other businesses (including your own Midwest Shooting Center[®] Business) are converted to another format or we acquire a similar business which will be maintained under the System or otherwise. If we acquire or merge with a business similar to a Midwest Shooting Center[®] business within your Territory, we will make commercially reasonable efforts to maintain the protected status of your Territory. You will fully participate in any conversion subject to any person/entity merging with, or acquiring us or when we acquire, reimbursing you for reasonable costs directly related to the conversion.

We are not responsible for paying any compensation to you concerning the sale of products, services or any type of equipment (if we choose to sell equipment in the future) by use over the Internet, World Wide Web, other similar venues, by alternative means of distribution, advertising cooperative programs, outlets, businesses that are or are not substantially similar to the Franchised Business or any business that does not use the Marks. For clarity, the Franchise Agreement grants you no rights to sell or distribute products or any type of equipment, offer and/or provide services through any alternative channels of distribution (other than our approved list of channels of distribution) without our permission or share in any of the proceeds from our activities through alternative channels of distribution.

We have not established other franchises or company-owned businesses, except as disclosed in Item 1 of this Franchise Disclosure Document, offering similar services, or selling products under a trade name or trademark different from the Midwest Shooting Center[®] Marks.

ITEM 13 **TRADEMARKS**

Under the Franchise Agreement, we grant you the nonexclusive right to use the Marks in connection with the operation of your Franchise. Our principal trademark is “Midwest Shooting Center” as it appears on the first page of this Disclosure Document. We have the right to use and to license others to use the Marks and under any other trade name, trademarks, taglines, service marks and logos currently used or that may hereafter be used in the operation of the Facility. You must use the Marks only for the operation of your Franchise and in the manner authorized by us.

The design mark “Midwest Shooting Center” is registered on the principal register of the United States Patent and Trademark Office (referred to as “USPTO”), (registration number 7113824, dated July 18, 2023), owned by Midwest Shooting Center Brand Holdings, LLC, licensed to us, and is sublicensed to you. The design mark “MSC” is pending registration on the principal register of the USPTO (serial number 97460485, dated June 15, 2022), owned by Midwest Shooting Center Brand Holdings, LLC, licensed to us, and is sublicensed to you. We also claim common law rights in our trademarks based on our prior use. We do not yet have a federal registration for some of our trademarks. Therefore, some of our trademarks do not have many of the legal benefits and rights as a federally registered trademark. We are aware of at least one other business using names and marks similar to the “Midwest Shooting Center[®]” Mark. We will aggressively oppose any challenges to our Marks. If our right to use any of our Marks is successfully challenged, you may have to change to an alternative trademark, which may increase your expenses.

There are no presently effective determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor any pending infringement, opposition or cancellation proceeding or material litigation involving the Marks. We have not yet filed an affidavit of use because our trademark applications were recently filed and do not need an affidavit. We do intend to renew all our trademark registrations.

There are no effective agreements that limit our right to sublicense you the trademarks, other than a perpetual, exclusive, non-transferable, worldwide, royalty free license to use, sub-license and display the Marks from Midwest Shooting Center Brand Holdings, LLC pursuant to a trademark license agreement. The trademark license agreement may be modified or terminated if we fail to follow the operating, safety, merchandising and advertising policies, and such other quality standards that are established by Midwest Shooting Center Brand Holdings, LLC. In addition, Midwest Shooting Center Brand Holdings, LLC has the right to substitute alternative trademarks for license at any time. Therefore, you may have to change the trademarks that you use in operating your Franchised Business at your expense. The trademark license agreement will remain in effect for as long as we offer franchises unless we are in default of the trademark license agreement.

Upon termination of the trademark license agreement for any reason, we and franchisees must discontinue all use of the Marks in any form, remove the Marks from our website(s) and any of our franchisees’ website, modify any and all identification of the Franchised Business with, or reference to, the Marks, and refrain from making any subsequent representation, advertisement or published statement or product sales using or in reference to the Marks, or the business previously conducted using the Marks, and take such action as shall be necessary to change any corporate name, assumed name or equivalent registration which mentions or refers to the Marks, or any mark similar thereto.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Marks or claim by any person of any rights in any Mark or any similar trade name, trademark, or service mark of which you become aware. We have the sole discretion to take such action as we deem appropriate and the right to exclusively control any litigation, USPTO proceeding or other administrative proceeding.

We are not obligated by the Franchise Agreement to protect any rights granted to you to use the Marks or participate in your defense, protect you against claims of infringement or unfair competition with respect to them. The Franchise Agreement does not require that we participate in your defense or indemnify you for expenses or damages if you are a party to a judicial or administrative proceeding involving one of the Marks or if the proceeding gets resolved unfavorably to you. Although we are not contractually obligated to protect the Marks or your right to use them, as a matter of corporate policy, we intend to defend the Marks vigorously (Franchise Agreement Section XV.B).

You may not, without our written consent, in our sole discretion, commence or prosecute, or seek leave to intervene in, any litigation or other proceeding, including any arbitration proceeding, in which you purport to enforce any right or recover any element of damage arising from the use or infringement of any of the Marks or unfair competition.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any Mark, and/or use one or more additional or substitute trademarks or service marks, you must comply with our directions with respect to such modification, substitution, or discontinuation within a reasonable time after notice by us. You, in connection with the use of a new or modified Mark, may be required, at your own expense, to remove existing signs from your Facility and to purchase and install new signs. We have no liability to you for such modification or discontinuance.

There are no infringing uses actually known to us as of the Issuance Date of this Disclosure Document that could materially affect your use of the Marks in the State of Ohio or in any other state. You should understand that there could be other businesses using trademarks, trade names or other symbols similar to our Marks with superior rights to our rights. Before starting your business, you should research this possibility, using telephone directories, trade directories, Internet directories, or otherwise avoid the possibility of having to change your business name.

All your usage of the Marks granted under the Franchise Agreement is nonexclusive and we retain the right, among others: (a) to use the Marks in connection with selling services, products and equipment (if we choose to sell equipment in the future); (b) to grant other licenses for the Marks, in addition to those licenses already granted to existing franchisees; (c) to develop and establish other systems using the same or similar Marks, or any other proprietary marks, and to grant licenses or franchises in those systems without providing any rights to you as described in Item 12.

All your usage of the Marks and any goodwill you establish are to our exclusive benefit and you retain no right or rights in the Marks on the termination or expiration of your Franchise Agreement. You may not use the Marks as a part of any corporate or trade name, nor may you use any trade name, trademark, service mark, emblem, or logo other than the Marks, as we may designate periodically. You must prominently display the Marks on such items and in the manner we designate. You must obtain such fictitious or assumed name registrations as we require or under applicable law. You must also prominently display in your Business that we are not a joint employer of you and that you are solely responsible for all employment-related decisions and matters. You must identify yourself as the owner of your Franchise by placing your name on the Business and on all checks, invoices, receipts, contracts, and other documents that bear any of the Marks, and on all printed materials your name must be followed by the phrase "A franchise of Midwest Shooting Center Franchisor, LLC" or such other phrase as we occasionally direct.

ITEM 14 **PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION**

We do not own any registered patents or copyrights or have any pending patent applications which are material to the Franchise; however, we claim copyright and common law trade secret protection for several aspects of our System, methods, techniques and operational procedures; our different membership

packages, classes, programs and workshops that incorporates our Curriculum (including all workbooks, handouts and materials); equipment and product specifications, systems, designs, schematics, décor, signage, photographs, video presentations, website, Operations Manual and all related workbooks and materials including advertisement, marketing, promotional programs and materials although such materials may not have been registered with the United States Copyright Office. These materials are considered proprietary and confidential and are considered our property and may be used by you only as provided in your Franchise Agreement. We reserve the right to register any of our copyrighted materials at any time we deem appropriate. We also reserve the right to renew any and all such copyright registrations at our discretion.

There currently are no effective determinations of the United States Copyright Office or any court regarding any of the copyrighted materials. There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. There are no infringing uses actually known to us, which could materially affect your use of the copyrighted materials in any state.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of our copyrighted materials or trade secrets or claim by any person of any rights in any copyright or trade secret of which you become aware. We have the sole discretion to take such action, as we deem appropriate and the right to exclusively control any litigation, United States Copyright Office proceeding or other administrative proceeding. We may require you to discontinue use or modify any materials that may in our opinion infringe on the copyright, trade secret, or patent rights of any other person or business.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any copyrighted materials or trade secrets, and/or use one or more additional or substitute copyrighted materials or trade secrets, you must comply with our directions with respect to such modification, substitution, or discontinuation within a reasonable time after notice by us. We have no liability to you concerning substitution or modification of copyrighted materials or trade secrets.

We possess certain confidential information that includes our: strategies for site acquisition, build-out and design specifications with our proprietary sound-proofing system, unique designs, schematics, décor, color schemes and signage; different types and brands of firearms, selection of accessories and supplies, our proprietary warranty management program in addition to services offered (which include our proprietary classes, programs and workshops), our proprietary membership packages, group and private event packages; our Curriculum (including all workbooks, handouts and materials) necessary for executing for our classes, programs and workshops; product and merchandising knowledge, operational strategies to manage high volume, specific methods, processes and techniques for all aspects of the Business; relationships with vendors and suppliers, purchasing, cost and pricing strategies, inventory management systems, specifications for all equipment, products and supplies used; procedures for cleanliness, customer service standards, safety, sanitation and quality control; guidelines for hiring, training and retaining employees and independent contractors (if you choose to hire independent contractors) in addition to our proprietary sales training programs, instructor training programs and management training programs; Operations Manual, workbooks and materials, photographs, video presentations, website, intranet system, third-party software, forms, contracts, record keeping and reporting procedures; our proprietary sales presentations for retail products and membership sales presentations, customer and member acquisition programs; sales, advertising, marketing, networking, social media and promotional strategies and materials in addition to systems and knowledge of, and experience in, the operation and franchising of a Midwest Shooting Center® business (the “Confidential Information”). We will disclose Confidential Information to you during our initial franchise training program, seminars, workshops, continuing education sessions and conventions sponsored by us in the Operations Manual and in guidance furnished to you during the term of your Franchise Agreement.

If you or your partners, members, managers, directors, shareholders, employees, agents, or independent contractors develop any new piece of equipment, service, curriculum, class, program, workshop, product, video presentation, photograph, concept, method, technique, formula, recipe, process or improvement in the operation or promotion of your Business, you are required to promptly notify us with all necessary related information, without compensation. However, as a matter of corporate policy, we may create an incentive program to reward you, your partners, members, managers, directors, shareholders, employees, agents, or independent contractors for any new piece of equipment, service, curriculum, class, program, workshop, product, video presentation, photograph, concept, method, technique, formula, recipe, process, or improvement that we implement throughout the System. You and if you are an Entity, then one of your Owners acknowledge that any such equipment, service, class, program, workshop, product, video presentation, photograph, concept, method, technique, formula, recipe, process, technique, or improvement will become our property and we may use or disclose such information to other franchisees as we deem appropriate.

The Franchise Agreement provides that you will not acquire any interest in the Confidential Information other than the right to utilize it in the development and operation of your Business during the term of your Franchise Agreement, and that the use or duplication of the Confidential Information in any other business would constitute unfair competition. You also agree that the Confidential Information is proprietary to us and is disclosed to you solely on the condition that you: (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of your Franchise Agreement; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed in written or electronic form; and (4) will adopt and implement all reasonable procedures required by us to prevent unauthorized use or disclosure of the Confidential Information, including without limitation, restrictions on disclosures to employees and independent contractors of your Franchise and any other business(es) owned by you and if you are an Entity, any of your Owners, and the use of nondisclosure and non-competition clauses in employment agreements with your employees, independent contractors and Owners where enforceable under state law.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The Franchise Agreement provides that a Midwest Shooting Center[®] Franchise must at all times be under your direct, day-to-day, full-time supervision (or if you are an Entity such as a limited liability company, partnership or corporation, then a managing Owner of such Entity, approved by us) or a non-Owner manager of your Business who is approved by us. This person must have successfully completed our training program and use his/her best efforts in the operation of a Midwest Shooting Center[®] Business.

You are required to retain a general manager (referred to as “General Manager”) for the management and operation of the Business in addition to one membership manager and a lead instructor to perform services (such as classes, programs and workshops) and supervise all other instructors and ensure all such classes, programs and workshops are executed according to our standards. The General Manager, membership manager and lead instructor may, but need not, be you or one of the Owners of the Business. The General Manager, membership manager and lead instructor must meet all our standards and criteria for such positions as set forth in the Operations Manual. The General Manager need not have any set percentage of the equity of the Franchised Business. Your General Manager must devote all of his or her time and effort to the personal supervision of the Business, must be present at the Facility whenever it is open for operation (within reason) and must use his or her best efforts in the operation of the Facility. This individual and their replacements must also satisfy the applicable training requirements as outlined in the Franchise Agreement. We have the right to require that the General Manager, membership manager (or any other

manager) and your lead instructor be at the Facility for any inspection we conduct (Franchise Agreement Section XII.F).

If we, in our sole discretion, find that your General Manager, membership manager (or any other manager) or lead instructor is not properly performing his or her duties, we will advise you and you must immediately take steps to correct the situation. However, we are not responsible for the hiring, discipline or termination of any General Manager, membership manager (or any other manager), lead instructor or any other person that you employ. Upon termination of employment of your General Manager, membership manager or lead instructor, you must appoint a successor General Manager within 60 days and a successor membership manager or lead instructor within 30 days. Any replacement General Manager or membership manager (who we may disapprove in our sole and absolute discretion) must be trained by you in accordance with our standards. Any lead instructor (if that person is someone other than you) must also be trained by a master instructor in accordance with our standards. To clarify, any replacement General Manager and membership manager (or any other manager you employ) is to be trained by you at your expense and any lead instructor (if such persons is someone other than you or an Owner) is to be trained by a master instructor at your expense.

Our approval of a General Manager, membership manager and/or lead instructor other than you is conditional upon that person entering into a confidentiality and restriction of like business agreement containing covenants like those contained in the Franchise Agreement and Schedule 9 of the Franchise Agreement against engaging in competing businesses and use and/or disclosure of our confidential business information during the tenure of employment with you and for a period of three years following the termination of such person's employment with you. You will provide us with copies of the same upon request.

If you are an Entity, each of your Owners that holds more than 10% interest in the Franchise Business must personally guarantee your obligations under the Franchise Agreement and also agree to be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement, agree to be bound by the confidentiality provisions and non-competition provisions of the Franchise Agreement and agree to certain restrictions on their ownership interests. Franchisee's spouse must also sign the personal guaranty. The required Guaranty of Obligations is attached as Schedule 6 of the Franchise Agreement.

ITEM 16 **RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

Due to the differing nature of markets across the United States, and because the size of each individual Facility will vary, you will have a wide variety of possible sites to choose from which to conduct your business operations with our approval. You may not use the Midwest Shooting Center® Business premises for any other purpose than the operation of a Midwest Shooting Center® Business, unless otherwise approved by us in writing. Alternative operation sites that may be approved can include for example, incorporating your Franchise operations within the premises of an existing complementary business so long as such space is enclosed and separate from the complementary business or the complementary business is converted into a Midwest Shooting Center® Business.

You must comply with all of our standards and specifications relating to the purchase and use of all equipment, products, supplies, furniture, fixtures, technology items, uniforms, décor items, signage, printed advertising materials and other items to be used or sold in the Business (see Item 8).

You are required to sell and offer only our approved products and services as specified by us that include but are not limited to: a wide selection of different brands of firearms for sale, firearm supplies for sale (such as: ammunition, shooting targets, cleaning kits, etc.), firearm accessories for sale (such as:

firearm parts, scopes, reduction devices, carrying cases, holsters, stands, etc.), our proprietary warranty management programs, apparel items for sale (such as: vests, shirts, hats, outerwear, etc.), firearm cleaning and repair services, shooting range lane rentals (with lanes at various distances and rented by the hour and per participant), shooting range firearm rentals, our proprietary shooting range membership packages, group and private event packages in addition to private, semi-private and group training classes, programs and workshops for various skill levels using our Curriculum and other products and services as expressly authorized by us in writing or in the Operations Manual, or developed by us as a result of your pre-market entry study to meet the needs of your unique market and any updates to be incorporated in the Operations Manual periodically. You must not deviate from our standards and specifications without first obtaining our written consent. We will provide you with a written list of products you are authorized to sell and a written list of services (which include our different classes, programs, workshops and membership packages) and equipment you are authorized to offer, perform and use during our initial training program. You must sell only the products, offer and perform only the services (including our different membership packages, classes, programs and workshops) and use only the Curriculum that we have expressly approved in writing. We will provide you with the Curriculum you are required to use during our initial training program. We reserve the right to change, modify or discontinue such products, services and Curriculum you are authorized to sell, offer, perform and use at any time upon 90 days' written notice to you, and you may be required to participate in any promotion we offer which may change from time to time. To clarify, you must: offer for sale and use only the products and equipment we specify; adhere to our merchandising and presentation standards; offer, perform and use only the services and Curriculum we specify; comply with our standards pertaining to the execution of all services and using our Curriculum; and use and maintain the equipment, technology items, products, supplies and services for the operation of your Business as described in the Operations Manual or other written instructions (Franchise Agreement Sections XII.H and XII.I).

You must sell all products and perform all services only from your Facility (the only exception are virtual training classes, programs and workshops that you can provide to persons within your Territory who cannot or choose not to attend in-person classes, programs and/or workshops if we authorize you to offer such virtual training classes, programs and workshops in the future) either from your Facility or at off-site events within your defined Territory; and you acknowledge that we allow you and other franchisees or company-owned businesses the same right to sell products and offer services (including our memberships, classes, programs and workshops) to anyone from anywhere so long as such sales do not result in Target Marketing (as described in Item 12). You may offer additional products and services that are unique to your area in an effort to blend in with your community; however, you must obtain our written approval before such products and services are offered and the time to approve or deny your request is 30 days (as described in Item 8). You can sell products and provide services at any price and/or rate you establish as we will suggest pricing and rate strategy and will establish minimum and maximum prices for products (including map pricing for certain products as required by manufacturers) and/or rates for services to the extent allowed by federal and state laws. You must discontinue selling, offering, performing and using any product, service, Curriculum or piece of equipment that we may disapprove in writing at any time, whether a product, service, Curriculum, or piece of equipment is being submitted for approval or currently in use. We can and expect to change the types of products, services, Curriculum and equipment we authorize. There are no limits on our right to do so. We will inform you by email or by any other form of written communication of such changes and/or modifications. You may not: sell any products, promote, offer or perform any services (including but not limited to other training classes, programs or workshops or any other type of services including other membership packages); or use any other curriculum or piece of equipment that has not been specifically approved by us in writing. You may not independently act as an exclusive distributor for any third-party vendor or secure any exclusive rights to sell any product or piece of equipment for any manufacturer or vendor inside or outside your Territory without our written consent.

In addition, you acknowledge that we may, in our discretion, allow you and other franchisees or company-owned businesses to sell products and promote services (including different membership

packages, classes, programs and workshops) through an alternative channel of distribution (such as on the Internet or Websites) provided you adhere to our standards. You acknowledge that this may create competition and you will not receive any compensation from such sales made by other franchisees or company-owned businesses. If we authorize you to sell products or promote services through an alternative channel of distribution, all products must be sold and shipped from your Facility or at off-site events within your Territory and all services must be performed from within your Facility. Unless otherwise approved by us in writing, you are not authorized to offer or sell any products and/or any type of equipment or services on the Internet, World Wide Web or in any other media, whether now known or hereinafter invented.

You must participate in any gift certificate, gift card, rewards, or loyalty program we establish. You may not create or issue your own gift certificates, gift cards, loyalty or rewards program unless otherwise approved by us.

You must maintain proper permits and licenses to operate a Midwest Shooting Center® Business and provide products and services in your area. You must not engage in any trade, practice or other activity that is harmful to our goodwill or reflects unfavorably on our reputation, that constitutes deceptive or unfair competition, or that is in violation of any applicable law.

You are encouraged to directly advertise and market to promote, offer and sell products and services to anyone located within your Territory (except for virtual training classes, programs and workshops which can only be promoted, offered and provided to people within your Territory). Besides virtual training course, programs and workshops, we place no restrictions upon your ability to promote, offer and sell products and services to anyone from anywhere; provided all such products are shipped only from your Facility and all services are performed from your Facility. You can also promote and sell products and offer services (such as our different membership packages, classes, programs and workshops) and at off-sites events within your Territory in accordance with our standards. You are prohibited from conducting business at off-site locations in any other geographical area or through any alternative channels of distribution without our permission (see Item 12).

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. I. FRANCHISEE'S ACKNOWLEDGEMENT OF BUSINESS RISK & ABSENCE OF GUARANTEE

Franchisee (and each Owner) hereby represents that Franchisee has conducted an independent investigation of our business and System and recognizes that the business venture contemplated by this Agreement involves business risks and that its success will depend upon Franchisee's abilities as an independent businessperson. We expressly disclaim the making of, and Franchisee acknowledges that it has not received any, warranty or guarantee, express or implied, as to the potential volume, profits or success of the Business contemplated by this Agreement. Franchisee further acknowledges that none of our employees, or agents has any authority to make any statement, warranty, or guaranty of the potential volume, revenues, gross income, margins, profits or success of the Business contemplated by this Agreement and that we have expressly instructed all of our employees not to make any warranty, guaranty, statement, or representation regarding the potential volume, revenues, gross income, margins, profits or success of the Business contemplated by this Agreement. Franchisee acknowledges that Franchisee is given the opportunity to clarify any provision of this Agreement that Franchisee may not have initially understood and that we have advised Franchisee to have this Agreement reviewed by an attorney. Franchisee hereby releases us, our employees, shareholders, managers, our affiliated companies, and agents from liability based on such representations or agreements, to the extent permitted by law or regulation.

Franchisee acknowledges that we have not made, and do not hereby make, any representation or warranty as to potential revenues, income, margin, gross income, profits, volume or success of the Franchise or merchantability, performance, accuracy of informational content, system integration, quality of any computer programs or software that we may provide the Franchisee, condition, fitness or suitability for the Franchisee's purposes of any component of the System, or any other representation or warranty with respect to the System. We shall not be liable to Franchisee for, nor shall Franchisee's obligations hereunder be affected by, any loss, claim, liability, cost, damage or expense of any kind caused, or alleged to be caused, directly or indirectly, by the System, any Products or Services, or by an inadequacy of the System for any purpose, or by any defect in, the use or maintenance of, any repairs, servicing or adjustments of, or any interruption or loss of service or use of, the Business, or any loss of business, profits, consequential or other damage of any nature.

II. FRANCHISEE'S ACKNOWLEDGMENTS CONCERNING RECEIPT AND THOROUGH EVALUATION OF AGREEMENT

Franchisee acknowledges having received, read, and understood this Agreement, the Franchise Disclosure Document, and attachments thereto. Franchisee further acknowledges that we have accorded Franchisee ample time and opportunity to consult with independent legal counsel and other advisors of its own choosing concerning the potential benefits and risks of entering into this Agreement. Franchisee acknowledges that it has received a completed copy of this Agreement, exhibits, attachments and schedules (collectively, the "Schedules") referred to herein, and agreements relating hereto, as well as the Franchise Disclosure Document at least fourteen (14) calendar days prior to the date on which this Agreement was executed and any money paid for the franchise.

Franchisee acknowledges that it has read and understands this Agreement, the Schedules and any agreements relating thereto, and that Franchisee has been advised by a representative of ours to consult with an attorney or advisor of Franchisee's own choosing about the potential benefits and risks of entering into this Agreement prior to its execution.

Franchisee acknowledges that any statements, oral or written, by us or our agents preceding the execution of this Agreement were for informational purposes only and do not constitute any representation or warranty by us. The only representations, warranties, and obligations we have made are those specifically set forth in the Franchise Disclosure Document and this Agreement. Franchisee must not rely on, and the Parties do not intend to be bound by, any statement or representation not contained therein.

Franchisee acknowledges that we will not provide or designate locations for Franchisee, will not provide financial assistance to Franchisee and have made no representation that we will buy back from Franchisee any equipment, products, supplies, technology items (such as: POS system, server, computers, laptops, software, printers, modems and routers, pager system, flat screen televisions, camera surveillance system, security alarm system, telephones and a sound system), furnishings, fixtures or signage purchased by Franchisee in connection with the Business, except where we are otherwise required by law or regulation to buy back such items upon expiration or termination of this Agreement.

III. NO PROJECTED OR FORECASTED FRANCHISE SALES, PROFITS OR EARNINGS

We do not make Financial Performance Representations and have not included any such representations in the Franchise Disclosure Document.

Franchisee, and each Owner or other person related to Franchisee who executes this Agreement, acknowledges that neither we nor any officer, director, employee or agent of ours have made, and Franchisee has not received or relied upon, any express written or verbal information, representations, assurances, warranties, guarantees, inducements, promises or agreements concerning the actual, average, projected or forecasted franchise sales, revenues, profits, earnings, margins, volumes, or likelihood of

success that Franchisee might expect to achieve from operating the Business (defined as “Financial Performance Representations”), except as may be in the Franchise Disclosure Document reviewed by Franchisee or its representatives.

IV. RELATIONSHIP OF THE PARTIES

A. Franchisee Is an Independent Contractor

During the term of this Agreement, and any renewals or extensions hereof, the Franchisee shall hold itself out to the public at all times, as an independent contractor operating its Business pursuant to a franchise from us. This Agreement is not intended to create, and shall not be interpreted as creating, a partnership, joint venture, agency, employment or personal services or similar relationship between us and Franchisee. Franchisee agrees to take such affirmative action as may be necessary, including, without limitation, exhibiting multiple public notices of that fact, the content and display of which we shall have the right to specify. For example, such notices shall be provided on letterhead, business cards, bank account names, bank checks and signs at the place of business. Franchisee is responsible for collecting and remitting Social Security, Medicare, unemployment contributions and/or any other mandated county, state or federal obligations and benefits on behalf of its employees. Franchisee acknowledges that we have no responsibility to ensure that Franchisee’s Business is developed and operated in compliance with all applicable laws, ordinances, and regulations and that we shall have no liability in the event the development or operation of the Business violates any law, ordinance, or regulation.

B. Franchisor Is Not in a Fiduciary Relationship with Franchisee

It is understood and agreed by the Parties hereto that this Agreement does not establish a fiduciary relationship between them, and that nothing in this Agreement is intended to constitute either party as an agent, legal representative, subsidiary, joint venturer, partner, employee or servant of the other for any purpose whatsoever. In addition, we shall not have any fiduciary relationship to the Franchisee by virtue of the fact that we may operate a System Brand Fund (as defined in Section X.B of this Agreement).

It is understood and agreed that nothing in this Agreement authorizes the Franchisee, and the Franchisee shall have no authority, to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name; and that we shall in no event assume liability for, or be deemed liable hereunder or thereunder as a result of any such action; nor shall we be liable by reason of any act or omission of the Franchisee in its conduct of the Business or for any claim, liability or judgment arising therefrom against the Franchisee or us.

The Franchisee represents, warrants and agrees as follows: the Franchisee is duly organized and is in good standing in all jurisdictions where legally required in order to carry on its Business, has duly authorized the execution, delivery and performance of this Agreement and all other documents contemplated hereby, which are, or upon signing, will be binding on the Franchisee, such documents do not and will not contravene any other instrument or agreement to which the Franchisee is party and there is no pending litigation, tax claim, proceeding or dispute that may adversely affect the Franchisee’s financial condition or impair its ability to perform its obligation under the terms of this Agreement.

It is understood that Franchisee will have sole responsibility for its employees and independent contractors (if Franchisee chooses to hire independent contractors) and all acts of its employees and independent contractors in addition to all employment-related decisions involving wages, benefits, hours of work, scheduling, hiring, firing, discipline, supervision, record keeping, withholding income tax, Social Security contributions, Medicare contributions, unemployment fund contributions and all other terms and conditions of employment (as described in Section XII.F). Franchisee must disclose to each of its employees and independent contractors in writing, in a form approved by us in advance, that we are not a “joint employer” of the Franchisee’s employees or independent contractors. Franchisee acknowledges that

we do not control the Franchisee's personnel policies, including establishing wage and hour requirements, hiring, firing, setting wages, disciplining, supervising and record keeping of its employees and independent contractors.

V. FRANCHISE GRANT

We hereby grant to Franchisee, upon the terms and conditions herein contained and subject to this Agreement, the right, license, and privilege, and Franchisee hereby accepts a franchise under the terms and conditions set forth herein, to operate a Business that has been assigned a protected territory as set forth in Section VI (referred to as the "Territory") for the entire term of this Agreement, with the right to use solely in connection therewith our Names and Marks, Products, Services, advertising and merchandising methods, and our System, as they may be changed, improved and further developed from time to time only at the accepted location of the Franchisee's Business as set forth in Section VI and provided the Franchisee shall adhere to the terms and conditions hereof.

It is understood and agreed that, except as expressly provided herein or if any other agreement is executed, this franchise includes no right of Franchisee to sub franchise.

Except as provided in this Agreement, Franchisee shall be free to use the materials provided by us in the manner that Franchisee, in Franchisee's sole and absolute discretion, deems most appropriate for the operation of a Midwest Shooting Center® business, provided that Franchisee shall not violate any applicable law, regulation or provision of this Agreement in exercising such discretion.

VI. TERRITORY

Franchisee is not granted an exclusive territory. The Territory is a protected marketing territory as defined in this Agreement. The location of the Franchise Business (referred to as the "Facility") shall be: within the State of _____ in the county of _____. If the actual Franchise Business address has not yet been chosen, Franchisee's Accepted Location shall be within an area referred to as the "Search Area".

The Search Area is:

The exact "Accepted Location" of the Facility is:

The protected Territory will be: _____ driven from any direction of the Facility.

If the Parties do not select a territory (area in which franchisee wants to conduct business) prior to the signing of this Franchise Agreement, then it shall be entered at a later date, under the terms of this Agreement. Failure to agree on a Territory, secure a lease or secure a site for the Business within one hundred and twenty (120) days of execution of this Agreement and/or failure of Franchisee to open the Business for operation within three hundred and sixty-five (365) days after the execution of this Agreement will permit us to terminate this Agreement, as provided in Section XXIII.C. The Territory, under the terms of this Agreement, will include up to five (5) miles driven in any direction from the Facility as defined by Google Maps or a similar computer mapping program. We reserve the right to grant a Territory that is larger or smaller than the five (5) mile area described above, in order to account for more densely or sparsely populated areas. Franchisee may not conduct business at any other location or locations other

than the Accepted Location identified above. However, Franchisee can: provide virtual training classes, programs and workshops (if we authorize Franchisee to offer virtual training classes, programs and workshops in the future) to people within its Territory who cannot or choose not to attend in-person classes, programs and workshops, however we restrict Franchisee's ability to promote and offer such virtual training classes, programs and workshops only to people within its Territory; and conduct business at off-site events (for example at firearm and personal safety fairs, expos, community events, festivals, etc.) to sell Products and promote Services as long as such events are within Franchisee's Territory. Franchisee may be able to conduct business at off-site events in unassigned geographic areas outside its Territory with written permission by us as described below.

The size of the Territory which normally will be up to five (5) miles driven in any direction from the Facility (as described above), will be determined by population base, demographics of the surrounding area, household incomes, competition, availability of appropriate sites, adequate square footage, reasonable rent, business potential or other conditions important to the successful operation of a Franchised Business as we deem appropriate. The Territory is determined once a location is chosen and approved by us and will not be altered even if there is a population increase or decrease during the term of this Agreement. The Territory is not dependent upon achievement of certain revenues, number of Products or membership packages sold, number of people Franchisee attracts, number of memberships Franchisee retains, market penetration or any other contingency. The boundaries of the Territory described above may be determined by major topographical features which clearly define contiguous areas such as: streets, highways, freeways or other roadways, rivers, streams, mountains and underdeveloped land. We determine the size and boundaries of the protected Territory.

Franchisee must operate its Facility within the specific Territory as identified in this Section VI. If not determined when this Agreement is executed, Franchisee is responsible for selecting the site for the Accepted Location within the designated Territory specified above and in accordance with this Agreement. We must approve the site where Franchisee intends to operate the Business within its Territory prior to Franchisee becoming obligated on a lease or purchase agreement or if Franchisee already has space, then prior to any leasehold improvements. Franchisee may not open the Business at any other site other than the Accepted Location that has been set forth in this Agreement or made part hereof by an addendum attached to this Agreement.

Franchisee shall not relocate the Business without our express prior written consent and must operate only a Midwest Shooting Center® Business out of such location (specified in Section XXII.A). During the term of this Agreement, we shall not establish or license another party or entity to establish, the same type of Midwest Shooting Center® business within Franchisee's Territory outlined above. If Franchisee decides to open additional Businesses and buys the rights to additional franchises, then those separate franchise agreement(s) will dictate the terms of the applicable territory (a separate Franchise Agreement is required for each additional Business as defined in Section IX.D of this Agreement). If a geographical area is unassigned, we have the right to sell or assign it, or part of it, at any time, without notice to Franchisee and Franchisee might not have right of first refusal or the option to buy the territory that was formally unassigned.

Franchisee is encouraged to directly advertise and market to solicit business, sell Products, promote and offer Services within its Territory. Franchisee can offer and sell Products and perform Services to anyone from anywhere (except for virtual training classes, programs and workshops that must be offered and sold only to people within Franchisee's Territory) so long as all Products Franchisee sells are being sold and/or shipped from the Facility or sold at off-site events within the Franchisee's Territory and all Services are performed only from Franchisee's Facility as described below. We, other franchisees, and company-owned businesses reserve the same right to promote and sell Products and Services to anyone from anywhere (however virtual training classes, programs and workshops are offered and sold to people only within their respective areas) without compensation to Franchisee. However, Franchisee cannot perform any Target Marketing into any other territory of another franchisee or company-owned business.

The term “Target Marketing” means a concerted effort by Franchisee to solicit and obtain customer or members by any type of advertising or marketing directed at all or a portion of another franchisee's territory, company-owned business, or any unassigned area (this includes soliciting for virtual training classes, programs and workshops). We shall use commercially reasonable efforts to deal with any franchisee that violates this policy.

Franchisee is also prohibited from promoting and selling Products and/or Services through any alternative channels of distribution (such as Websites as defined below) without our written approval. If Franchisee is granted permission to promote and sell Products and/or Services through an alternative channel of distribution, per our written approval, Franchisee may sell such Products (including shipping Products) and/or Services to anyone from anywhere (except for virtual training classes, programs and workshops which can only be offered to people only within Franchisee's Territory) without compensation to the other franchisee or company-owned business so long as all Products are sold and shipped from the Facility or sold at off-site events within the Territory and all Services are performed from the Facility. Currently we authorize our franchisees to promote Services on Yelp, Facebook and Instagram. We, other franchisees and company-owned businesses are subject to the same restrictions and reserve the same right to promote and sell Products and Services to anyone from anywhere (except for virtual training classes, programs and workshops that must offered and sold to people only within their respective areas) through an alternative channel of distribution so long as such Products are sold from such business locations and all Services are performed from such company-owned or franchise locations without compensation to Franchisee. Our response to Franchisee's request to promote and sell Products and Services through an alternative channel of distribution will be made within thirty (30) days after we receive such request by email or any other form of written communication (as described in Sections XII.H and XII.I of this Agreement). Approval may be revoked in our sole discretion by a written communication to Franchisee.

If Franchisee is asked to conduct business at off-site events (such as at firearm and personal safety fairs, expos, community events, festivals, etc.) in geographical areas in which there is another franchisee or company-owned business, Franchisee must immediately refer that request to the Midwest Shooting Center® business in that geographical area or directly to us. Franchisee must not conduct business at off-site events in that geographical area if another franchisee or company-owned business is operating in that geographic area. If the other franchisee or company-owned business gives Franchisee permission to conduct business at such off-site events, then Franchisee must immediately inform us in writing and Franchisee can then proceed to conduct business at such off-site event; however, Franchisee is prohibited from offering and promoting virtual training classes, programs and workshops. If there is not a Midwest Shooting Center® business in that geographical area, then Franchisee must submit a request to conduct business at off-site events to us and upon our written approval, Franchisee can proceed with the understanding that Franchisee is prohibited from offering and promoting virtual training classes, programs and workshops. Our response to Franchisee's request will be made within three (3) days after we receive it, and we will respond by email or any other form of written communication. Approval may be revoked in our sole discretion by a written communication to Franchisee. Franchisee must be prepared to immediately cease conducting such events in that other geographical area when that unassigned area is purchased or if a company-owned business is placed in such area. We and other franchisees and company-owned businesses must refer off-site events within Franchisee's Territory to Franchisee.

If during the term of this Agreement, Franchisee is unable to promptly and properly perform services to anyone due to excessive work or for any other cause, Franchisee must refer such person(s) to another franchisee, company-owned business or to us. If Franchisee fails to: (i) refrain from Target Marketing; or (ii) refer off-site events or person(s) as described herein, we will have the right to terminate this Agreement as described in Section XXIII.C of this Agreement. For any default of this Agreement which triggers our ability to terminate, as an alternative to termination, we will have the right, in our sole discretion, to modify or completely eliminate any rights Franchisee may have with respect to the protected status of the Territory, effective ten (10) days after delivery of written notice to Franchisee as provided in Section XXIII.F.

We encourage Midwest Shooting Center® Businesses, when owned by different individuals, to work out a referral and advertising strategy and/or arrangement if they are within close proximity of each other. We must be notified in writing of and consent to all such arrangements.

We may, from time to time, establish certain programs for the benefit of franchisees and the System whereby Midwest Shooting Center® franchisees will be permitted to provide Products and/or Services in accordance with the specifications described in any particular program established by us. Currently in effect is our National Account program. The National Account program is defined as follows:

- i. The term “National Account” means a special class of people which may include but are not limited to large businesses, national organizations or non-profit organizations with outlets located in multiple territories and government agencies who on their own behalf or through agents, franchisees or other third parties owns, manages, controls or otherwise has responsibility for products, buildings or common-services in more than one location whose presence is not confined within any one particular franchisee’s Territory regardless of the aggregate contract amount of Products and/or Services the Franchisee performs or provides. Any dispute as to whether a particular account is a National Account shall be determined by us in our sole and absolute discretion and our determination shall be final and binding;
- ii. We shall have the exclusive right, unless otherwise specified in writing, on behalf of ourselves, Franchisee and/or any other franchisees utilizing the Marks, to negotiate and enter into agreements or approve forms of agreements to offer and provide Products and/or Services to a National Account, including any affiliate, company-owned or franchised locations within the Territory;
- iii. Following the execution of a contract with or the acceptance of a bid by a National Account which contemplates the provision of Products or Services to one or more National Account locations within the Territory, we will, if Franchisee is qualified and not in default under any terms of this Agreement and any addendum, provide Franchisee the option to offer and perform Products and/or Services pursuant to the terms and conditions of the National Account contract or on such terms and conditions as we in our sole discretion determine;
- iv. If Franchisee elects not to provide or perform Products and/or Services to a National Account in conformity with the terms and conditions of the National Account bid or contract, or fails to make an election within the time specified by us, of being offered the opportunity by us, then we shall have the right, exercisable in our sole discretion, to:
 1. Provide directly or through any other affiliate or franchisee utilizing our Marks, the Products and/or Services to a National Account location(s) within the Territory on the terms and conditions contained in the National Account bid or contract; and/or
 2. Contract with another party to provide Products and/or Services to a National Account location(s) within the Territory on the terms and conditions contained in the National Account bid or contract between us and the National Account, utilizing our Marks or any trademarks, service marks or trade names.

- v. Neither the direct provision by us (or a franchisee, affiliate or agent of ours) of Products or Services to a National Account as authorized in (i) above, nor if we contract with another party to provide Products or Services as authorized in (ii) above, shall constitute a violation of Section VI of this Agreement relating to the Franchisee's Territory, even if such Products are offered or Services are performed from a location within the Territory. Franchisee disclaims any right to compensation for Products provided or Services performed by others in the Territory pursuant to this section.

Franchisee's rights in the Territory are exactly (and only) as expressly set forth in this Section VI. Except as expressly provided in this Agreement, Franchisee has no right to exclude, control or impose conditions on the location, operation or otherwise of present or future Midwest Shooting Center® (or any other brand) units or distribution channels of any type, franchised or company-owned, regardless of their location or proximity to the Business and whether or not they provide Products or Services within the Territory. Franchisee does not have any rights with respect to other and/or related businesses, services, products and/or equipment, in which we or any of our related persons or entities may be involved, now or in the future.

Any rights not expressly granted to the Franchisee are reserved to us. Such rights reserved to us include but are not limited to the following:

- 1) Own and/or operate ourselves, and/or authorize others to own and/or operate:
 - a) Any kind of business in the Territory, which is not substantially similar to a Midwest Shooting Center® business, whether or not using the Marks and System and on any terms and conditions we deem appropriate; and
 - b) Any kind of business outside of the Territory, including, without limitation, Midwest Shooting Center® businesses, whether or not using the Marks and System and on any terms and conditions we deem appropriate;
- 2) Develop, manufacture, distribute and sell Midwest Shooting Center® labeled and branded (or any other brand) of products or equipment to anyone located anywhere (including within the Territory) using any channel of distribution and on any terms and conditions we deem appropriate (including, but not limited to, discount warehouses, retail stores, sporting goods stores, over the Internet and other similar venues and other channels of distribution such as television, mail, catalog sales, wholesale to other businesses or over the Internet) other than Franchisee's Business and on any terms and conditions we deem appropriate;
- 3) Develop or become associated with other concepts (including dual branding and/or other franchise systems), whether or not using the System and/or the Marks, and award franchises under such other concepts for businesses located and/or operating anywhere;
- 4) Acquire, be acquired by, sell our assets, sell our stock, membership units, or partnership units to, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not), with units located anywhere. Such transactions may include (but are not limited to) arrangements involving competing outlets and brand conversions (to or from the Midwest Shooting Center® Marks and System). Franchisee agrees to participate at its expense in any such conversion as

instructed by us. However, if we acquire or merge with a business within Franchisee's Territory that is similar to a Midwest Shooting Center® business, we will make commercially reasonable efforts to maintain the protected status of Franchisee's Territory;

- 5) We may choose in our Business Judgment (as defined in Section XXI of this Agreement) to advertise to offer and sell Products, Services and equipment (if we choose to sell equipment in the future) through the Internet, World Wide Web, and other similar venues (no matter where the person(s) is located) without paying any compensation to Franchisee. The Internet is a channel of distribution reserved exclusively to us and Franchisee may not independently market on the Internet or conduct e-commerce, without our written consent; and

- 6) Acquire any Websites utilizing a domain name incorporating one or more of the words: class, course, defense, firearm, group, member, midwest, personal, program, range, safe, service, shoot, solution, supply, training, virtual and workshop. The term "Website" includes: Internet as well as other electronic sites (such as business citations, Google and Bing business listings, social networking sites including, but not limited to, Facebook, Twitter, LinkedIn, Instagram, Pinterest, Yelp, and blogs). Franchisee hereby certifies that he or she has reviewed the estimated initial investment and start-up costs as detailed in the Franchise Disclosure Document and has sufficient cash resources available to meet said expenses. These start-up costs include the Initial Franchise Fee.

IX. FRANCHISEE'S INITIAL FRANCHISE FEE

A. Initial Franchise Fee and Payment

By executing this Agreement, the applicant agrees to become a Franchisee and pay an Initial Franchise Fee in the amount of thirty thousand dollars (\$30,000) for a Midwest Shooting Center® business. This Initial Franchise Fee includes the right to operate a Midwest Shooting Center® Franchise within a protected Territory that is up to five (5) miles driven in any direction from the Accepted Location determined by boundaries as described in Section VI of this Agreement. The Initial Franchise Fee includes a website housed within our national website that will include online scheduling functionality and access to our intranet system, access to a self-study program (and related materials) to be completed prior to attending our initial training program; a comprehensive two part initial training program that consists of six days (part one completed within sixty days after you secure the space for your facility) and three weeks (part two completed no earlier than sixty days prior to when you anticipate physically opening your Business for operation); our Operations Manual (and other materials) and up to five (5) days of onsite assistance and guidance at Franchisee's location for either pre-opening or grand opening assistance.

The Initial Franchise Fee per this Agreement (i) is due upon execution of this Franchise Agreement; (ii) is uniform as to all persons currently acquiring a Franchise; and (iii) is non-refundable. The Initial Franchise Fee shall be paid in a lump sum in United States funds and shall be deemed fully earned upon the opening of the Business for the deliverables as described above in Section IX.A.

B. Time Limit for Starting Business

Franchisee shall maintain the Facility in accordance with the provisions and requirements of Section XII hereof and must secure a lease that has been approved by us or secure a site that has been approved by us (as described in Section XII.S) within one hundred and twenty (120) days of the execution of this Franchise Agreement; and open the Facility for operation (the "Opening") within three hundred and sixty-five (365) days of the date of execution of this Franchise Agreement. The Opening requires that Franchisee has qualified for and has obtained all necessary registrations, licenses and permits needed to offer Products and perform Services. We may grant Franchisee, in our sole discretion, a period no longer than sixty (60) days past the allotted time within which to secure a lease and/or open the Facility.

Upon Franchisee's failure to (i) acquire a lease or secure a site within one hundred and twenty (120) days from the Effective date; or (ii) satisfy the Opening requirement within three hundred and sixty-five (365) days from the Effective Date then we may, in our sole discretion, terminate the Franchise and this Agreement and retain all fees paid by Franchisee, without breach of this Agreement as specified in Section XXIII.C.

During the term of this Agreement, the Facility shall be located solely within the Territory and the Accepted Location shall be used exclusively for the purpose of operating a franchised Midwest Shooting Center® business. In the event the Facility shall be damaged or destroyed by fire or other casualty, or be required to be repaired, Franchisee shall commence the required repair of the Facility within thirty (30) days from the date of such casualty or notice of such governmental requirement (or such lesser period as shall be designated by such governmental requirement), and shall complete all required repairs as soon as possible thereafter, in continuity, but in no event later than ninety (90) days from the date of such casualty or requirement of such governmental notice. The minimum acceptable appearance for the restored Facility will be that which existed just prior to the casualty; however, every effort should be made to have the restored Facility include the then-current image, design, and specifications of a Midwest Shooting Center® business.

As between us and the Franchisee, the Franchisee shall bear the entire risk of any damage, loss, theft or destruction to the Facility from any cause whatsoever or requisition of the Facility by any governmental entity or the taking of title to the Facility by eminent domain or otherwise (collectively, "Loss"). The Franchisee shall advise us in writing within ten (10) days of any such Loss. No such Loss shall relieve the Franchisee of the obligation to pay Royalty Fees and all other amounts owed hereunder. In the event of any such Loss, we, at our option, may: (a) if the Loss has not materially impaired the Facility (in our reasonable Business Judgment), require that the Franchisee, upon our demand, place the Facility in good condition and repair reasonably satisfactory to us as mentioned above; or (b) if the Loss has materially impaired the Facility and it is substantially destroyed (in our sole judgment), we may require the Franchisee to repair the existing Facility or find an alternative location within the Territory within ninety (90) days. We may extend this period an additional thirty (30) days at our discretion and failure of Franchisee to comply may result in termination of this Agreement. Upon termination, the Franchisee must return to us all Business and System related materials, and we have the first right of refusal to purchase all Assets (as described in Section XXIV.G), but any such purchase price will be reduced to account for the Loss the Franchisee incurred.

It is understood and agreed that, except as expressly provided herein, this Agreement includes no right of Franchisee to sub franchise.

C. Cooperation Required

Franchisee shall cooperate reasonably with us to ensure that the various actions occur which are necessary to obtain acceptance by us of the Business location. In particular, Franchisee shall furnish any pertinent information as may be reasonably requested by us regarding Franchisee's Business and finances.

X. OTHER FEES

A. Royalty Fees

In addition to the Initial Franchise Fee described in Section IX above, the following recurring payments are required to be made by the Franchisee. The Franchisee pays to us a “Royalty Fee” of three percent (3%) of total Gross Revenues for each calendar month and is to be received as we specify in writing. The Royalty Fee is due on the tenth (10th) day of each month (for the prior month) and begins immediately once Franchisee either: starts collecting membership fees or any type of fees for Services; starts selling Products; or the Accepted Location is physically open for operation (whichever comes first) then continues for the term of this Agreement. The Royalty Fee is uniform as to all persons currently acquiring a Midwest Shooting Center® Franchise and is nonrefundable. If the Franchise Agreement is terminated, Franchisee may be required to continue such royalty payments as described in Section XXIV.H.

As used in this Agreement, “Gross Revenue” shall include all revenue accrued from the performance of Services and sales of all Products and other merchandise in, at, upon, about, through or from the Business, whether for cash or credit and regardless of collection in the case of credit, and income of every kind and nature related to the Business. This includes all membership-related fees (such as initiation fees, enrollment fees, processing fees, paid-in-full dues, renewal fees; monthly, semi-annual, or yearly dues and all revenues generated and derived during any presale of membership packages) regardless of the amount of membership fees Franchisee collects. Gross Revenue also includes fair market value for any product or service Franchisee receives in barter or exchange for its Products and Services; the retail value of any donated and/or complimentary (free) Products or Services (including membership packages) given to customers or members in addition to all insurance proceeds and/or condemnation awards for loss of sales, profits, or business. However, Gross Revenue shall not include: (i) service fees for credit card transactions; (ii) revenues from any sales taxes or other add on taxes collected by Franchisee for transmittal to the appropriate taxing authority, (iii) gratuities paid by customers or members to Franchisee’s employees; (iv) and the amount of refunds the Franchisee in good faith provides to its customers or members; and (v) the retail value of any donated and complimentary (free) services or products offered to customers, members or employees up to a maximum of one half percent (½ %) of Gross Revenues for the Business. For clarity, in no event may Franchisee exclude or deduct from Franchisee’s Gross Revenues more than the one half percent (½ %) under circumstances as described above. We have the right to change, modify or discontinue Franchisee’s ability to exclude donated and complimentary Products and/or Services, from Franchisee’s Gross Revenue calculation for any reason whatsoever upon ninety (90) days’ written notice to Franchisee. The sale and delivery of all Products and the sale and performance of Services away from the Facility (such as off-site events) is included in computing Gross Revenue.

Any payment or report not actually received by us on or before the specified date shall be deemed overdue. If any payment is overdue, in addition to the right to exercise all rights and remedies available to us under this Agreement, Franchisee shall pay us a fee of twenty-five dollars (\$25), in addition to the overdue amount, interest on such amount from the date it was due until paid at the rate of one and a half percent (1.5%) per month or the maximum rate allowed by the laws of the State in which Franchisee’s Business is located or any successor or substitute law (referred to as the “Default Rate”), until paid in full.

B. System Brand Fee

Franchisee will pay a System Brand Fee equal to one percent (1%) of Gross Revenues per calendar month to be paid in the same manner and same time as the royalty obligation (as defined in Section X.A) and will continue for the term of the Agreement. The System Brand Fee can be increased by us, and such increase will not exceed three percent (3%) of Franchisee's Gross Revenues per month in any calendar year. For clarity, we will not increase the System Brand fee more than one half percent (½ %) of Franchisee's Gross Revenue per calendar year. If we increase the System Brand Fee, Franchisee will be given ninety (90) days' notice prior to such increase.

The System Brand Fee is to be received by us on or before the tenth (10th) day of each month for the prior month's Gross Revenue (as defined above in Section X.A). This fee will be deposited into our System Brand Account (the "Fund" or "System Brand Fund") for ongoing technology, new equipment, software and product development, and such national advertising or public relations programs (including media production costs) as we, in our sole discretion, may deem appropriate to promote the mark Midwest Shooting Center®. The Fund may also be used for local franchisee group advertising or marketing and Franchisee advisory council expenses; local, regional, national, or international advertising or marketing; administration of advertising and marketing (including salaries, accounting, collection, legal and other costs), related expenses and any media (including media production costs) or agency costs. We will direct all such programs, and will have sole discretion over the creative concepts, materials, endorsements, and media used in such programs, and the placement or allocation of such programs. We reserve the right to determine in our sole discretion the composition of all geographic territories and market areas for the implementation and development of such programs.

We may disclose the identity of vendors who pay promotional allowances to us upon request and only after Franchisee has signed an appropriate non-disclosure agreement. If we require Franchisee to buy items from a vendor who pays these allowances, we may do one of the following: (i) place all or some of the allowances in the Fund; or (ii) spend them directly on related advertising. This does not apply to fees we receive from purchases that are not required to be made by Franchisee from a specified source. We are not obliged to spend more on advertising and marketing than the amount of the Fund. Any unspent balance in the Fund at the end of the year may be carried over to later years and used for the purposes described in this Agreement. Neither we nor any of our owners, managers, officers, or employees has any fiduciary duty to the Franchisee regarding any System Brand Account.

Franchisee's failure to pay required System Brand Fees is a material breach of this Agreement, subjecting Franchisee to all remedies at law and as set forth in this Agreement. We may remove Franchisee from advertising or marketing materials without notice if Franchisee fails to timely remit its System Brand Fee.

C. Local Advertising Requirement

Franchisee must spend a minimum of ninety thousand dollars (\$90,000) per calendar year on local advertising and promotion, in addition to payment of the System Brand Fee required above. This local advertising requirement starts the third (3rd) month after the Franchisee's Business is open for operation (as defined in Section X.A). We shall have the right to approve or disapprove any advertising proposed for use by Franchisee. Franchisee will spend at least forty-four thousand five hundred dollars (\$44,500) on "grand opening" marketing and promotion within five (5) months (three months prior to the Business being open for operation and two months after the Facility is open for operation); therefore, the Local Advertising Requirement for Franchisee's first year will be pro-rated taking into account the amount spent for grand opening during the three months prior and two months after Franchisee's Business was open for operation. Franchisee may choose to advertise the Business any way it chooses so long as such advertisements and marketing materials are approved by us (as described in Section XII.L) and are in the format as specified in our operations manual.

D. Electronic Funds Transfer

We reserve the right to require Franchisee to remit fees and other amounts due to us hereunder via electronic funds transfer or other similar means utilizing our approved computer system or otherwise. If we notify Franchisee to use such payment method, Franchisee agrees to comply with procedures specified by us and/or perform such acts and deliver and execute such documents including authorization, the attached Schedule 2 “Electronic Funds Authorization Agreement” for direct debits from Franchisee’s business bank operating account, as may be necessary to assist in or accomplish payment by such method. Under this procedure, Franchisee shall authorize us to initiate debit entries and/or credit correction entries to a designated checking or savings account for payments of fees and other amounts payable to us and any interest and related processing fees charged due thereon. Franchisee shall make funds available to us for withdrawal by electronic transfer no later than the due date for these payments. If Franchisee has not timely reported the Business’s Gross Revenue to us (as defined in Section X.A) for any reporting period, then we shall be authorized, at our option, to debit Franchisee’s account in an amount equal to (a) the fees transferred from Franchisee’s account for the last reporting period for which a report of the Business’s Gross Revenue was provided to us as required hereunder; or (b) the amount due based on information retrieved from our approved POS system, computer system, server or software (whichever is greater).

A. Follow Operations Manual and Directives of Franchisor

Franchisee agrees that use of our System, adherence to our Operations Manual (the "Operations Manual" or "Manual"), compliance with our standardized design and specifications for décor, signage and the uniformity of the Business are essential to the image and goodwill thereof. The Manual contains mandatory and suggested specifications for the Business, standards and operating procedures and further defines Franchisee's obligations under this Agreement. We may change or add to the Manual to reflect changes in our image, specifications and procedures and methods of operation and will lend Franchisee copies of any changes or additions. Franchisee shall cooperate and assist us with any customer, member or marketing research program, which we may institute from time to time. Franchisee's cooperation and assistance shall include, but not be limited to, the distribution, display and collection of surveys, comment cards, questionnaires, evaluations and similar items.

B. Operate Franchised Business Only

Neither Franchisee, nor any of its employees, may conduct any business at the Facility other than that authorized pursuant to this Agreement, without our prior written approval. Neither Franchisee, nor any of its employees, may conduct any activity at the Facility or in connection therewith which is illegal, or which could result in damage to the Names and/or Marks or our reputation and goodwill. Franchisee will not allow the Franchised Business to be used for any immoral, unethical, unauthorized or illegal purpose.

The firearm industry is heavily regulated. Franchisee must obtain and maintain a federal firearm license Type 1 as required by the Bureau of Alcohol, Tobacco and Firearms (“ATF”) which typically requires a combination of the following: a series of phone interviews, background checks (including fingerprinting), in person interviews and an onsite visit performed by an ATF agent. Typically this is a ninety (90) day process. If Franchisee does not have such federal firearm license Type 1 or any other type of license or certification as required by its state, then Franchisee or any Owner must obtain such license prior to signing the Franchise Agreement. Franchisee acknowledges that Franchisee is prohibited from selling fully-automatic firearms and machine guns built after 1986. Franchisee does not need to secure federal firearm license Type 3 for the Business. Franchisee’s federal firearm license Type 1 (or if Franchisee does not have such license, then the federal firearm license of any Owner) must remain in good standing throughout the term of your Franchise Agreement. If you or any Owner who secures a federal firearm license Type 1 for the Business does not maintain such license in good standing throughout the term of your Franchise Agreement; if such license is revoked, suspended or restricted; and/or if any action is instituted by any governmental agency all of which require immediate notice to us, shall, in our sole discretion, be deemed a material breach of this Agreement as set forth in Section XXIII.C.

In addition to ATF licensing requirements, it is required that Franchisee and any Owner (and anyone representing the Business who will be executing our classes, programs and workshops) are certified by the National Rifle Association (“NRA”) as an NRA instructor in pistols and rifles with a Range Safety Officer (“RSO”) certification. If Franchisee does not have RSO certification, then Franchisee or any Owner must obtain such certification prior to signing the Franchise Agreement. If Franchisee or any Owner’s RSO certification expires or if such certification is revoked, suspended or restricted, or if an action to do so is begun by a governmental agency, you must immediately notify us. As Franchisee’s Business grows Franchisee will need to hire additional instructors to execute our classes, programs and workshops. There are also many state and local laws and regulations detailing how to define independent contractors for different purposes, such as tax, effect of applicable employment laws, unemployment compensation and workers’ compensation that Franchisee is responsible for knowing. It is Franchisee’s responsibility to know all such laws and requirements in its state. In addition, some states regulate the offering and selling of membership packages. Some of these states prescribe the term of memberships that can be sold, the escrowing of membership package fees before such business opens for operation, stipulation for membership agreements and terminology that can be used in selling membership packages and may have bonding requirements. Some states have laws governing memberships which automatically renew each month and require specific cancellation instructions be prominently posted on the membership packet, posted onsite at Franchisee’s Facility as well as on any website utilized by the members. With respect to credit card transactions and customer or member information obtained through credit card usage, Franchisee agrees to diligently comply with all laws and rules regarding such usage and Franchisee will protect the privacy of credit card holders and must at all times be compliant with the payment card industry data security standards (“PCI Compliant”) as well as any laws relating to automatic renewal of memberships and cancellations rules relating to same.

Franchisee is prohibited from heavily discounting Products offered for sale and Services offered and must adhere to our minimum and maximum pricing and rate guidelines, except as otherwise provided by applicable federal or state laws. If Franchisee elects to offer or sell any Product and/or Service at any price and/or rate recommended by us, Franchisee acknowledges that we have made no guarantee, statement or warranty that offering such Products and/or Services at the recommended price or rate will enhance Franchisee's sales, revenues, margins or profits. I. Use Approved Equipment, Products, Supplies, Vendors and Suppliers

Franchisee acknowledges that we have spent considerable time in identifying the Products, developing the Services, processes, methods and technology used in the operation of a Midwest Shooting Center® Business. Accordingly, Franchisee acknowledges that Franchisee is to use only our approved equipment, products, supplies and services that include, but are not limited to: equipment (such as door entry key fob system, target retrievers with master control panel, armorer equipment and tool set, commercial vacuums, floor scrubber, etc.), furniture and fixtures, technology items (such as: POS system, server, computers, laptops, software, printers, modems and routers, pager system, flat screen televisions, camera surveillance system, security alarm system, telephones and a sound system), products (such as: different types and brands of firearms, firearm supplies, firearm accessories, mats, label printers, shipping scales, retail items for sale, etc.), supplies (such as: disposables, packaging materials, cleaning supplies, office supplies, etc.), signage, third party software, printed advertising materials, merchant service providers, software support service providers, music service providers, promotional merchandise, printed advertising materials, shows and event marketing opportunities, and vendor, co-branding, affinity programs. We may derive income through license fees, promotional fees, advertising allowances, rebates or other monies paid by approved vendors and/or suppliers. We do not know the precise basis of these payments because we have never previously collected them. If we require Franchisee to buy from us or our affiliate, the equipment and/or product's price and quality will be comparable to similar equipment and/or products from other sources. We may take a portion of that income to spend on advertising or place in the System Brand Fund. If we require Franchisee to buy equipment, products, supplies or services from a vendor that pays such allowances, we may spend all such fees on related advertising or we may place them in the System Brand Fund as described in Section X.B of this Agreement. If we don't require the purchase, we need not place such fees in a separate account or use them on advertising. Franchisee agrees that we may periodically and upon written notice, add to, modify, or change such approved equipment, products, supplies, vendors, and suppliers. Franchisee promises to promptly accept and implement, in the operation of the Business, all such additions, modifications and changes at Franchisee's expense. In addition, Franchisee acknowledges that:

1. We have spent considerable time designing the decoration and outfitting of a Midwest Shooting Center® business with equipment, furnishings, fixtures, décor items and signage. This is part of our trade dress. Franchisee must purchase such items from us and/or our affiliates or approved vendors as specified in the Operations Manual and Section XII.T of this Agreement.
2. To ensure the consistent high quality and uniformity of Products and Services provided by Midwest Shooting Center® franchised businesses, Franchisee must purchase all equipment, products, supplies and services (as described above) from us, our affiliates or approved vendors who demonstrate to our continuing satisfaction an ability to meet our standards and specifications. We are not liable to Franchisee for any loss or damage, or deemed to be in breach of this Agreement, if we, our affiliates or approved vendors and/or suppliers cannot deliver or cause to be delivered, Franchisee's order of equipment, products or supplies where such items are out-of-stock or discontinued. Franchisee is prohibited from purchasing equipment, products, supplies and services from unapproved vendors and/or suppliers who are not on our approved list without our written approval. All vendors and suppliers that Franchisee purchases from must be approved in writing by us and may be disapproved by us anytime thereafter. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Such approval or disapproval shall be made by e-mail or any other form of written communication. If Franchisee purchases any equipment, products, supplies or services from any unapproved vendor or supplier without our permission, as described above, it may result in termination of this Agreement as specified in Section XXIII.C.
3. In approving any vendor or supplier we may consider factors such as: price, quality, composition, performance, accuracy of product claims, durability, safety, technical specifications, frequency of delivery, design, service maintenance programs, determination of quality control, value, customer service strength, prompt attention to complaints, litigation against the supplier, reputation of supplier, any product recalls instituted by the United States Consumer Product Safety Commission, the supplier's financial strength and capacity to supply franchisee's needs promptly, reliably and cost effectively. All vendors and suppliers must be approved in writing by us and may be disapproved by us anytime thereafter. If Franchisee desires to use, sell and/or offer products or offer a service that has not been approved by us or that is unique to Franchisee's area; purchase unapproved equipment, products or supplies from or use the services of unapproved vendors or suppliers then Franchisee must submit to us a written request for such approval. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Such approval or disapproval shall be made by e-mail or any other form of written communication. We shall have the right to require, as a condition of our approval and review, that our representatives are permitted to inspect the facilities of the proposed vendor and that the proposed item is delivered to us or our designee for testing. The cost of such inspection and testing shall be paid by Franchisee, vendor or supplier and we shall not be liable for damage to or for the return of any sample and Franchisee may be responsible for the product, vendor and equipment testing fee as described in Section X.I of this Agreement. We may require Franchisee's vendors to sign our pre-approved Confidentiality and Nondisclosure Agreement and guarantee our level of quality. We reserve the right, at any time, to re-inspect the facilities and to retest any piece of equipment or Product of any approved vendor and to revoke any approval if the vendor fails to continue to meet our high standards.

4. Franchisee will not make any claims against us or our affiliates with respect to any vendor and/or related supplier (including our affiliates) for equipment, products, supplies or services (as described above) necessary for the operation of the Business (and/or our designation of, or our relationship with, any vendor/supplier/). WE MAKE NO WARRANTIES REGARDING ANY VENDOR, EQUIPMENT, PRODUCTS OR SUPPLIES, AND HEREBY DISCLAIM THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, THE IMPLIED WARRANTY OF QUALITY OF COMPUTER PROGRAMS, THE IMPLIED WARRANTY OF SYSTEM INTEGRATION, AND THE IMPLIED WARRANTY OF INFORMATION CONTENT. WE MAKE NO WARRANTY THAT ANY VENDOR PROVIDED SOFTWARE WILL BE BUG FREE, VIRUS FREE, OR FREE OF TROJAN HORSES OR WORMS. FRANCHISEE HEREBY AGREES THAT SUCH DISCLAIMER IS AN ESSENTIAL PART OF THE BARGAIN, AND THAT THE FRANCHISOR WOULD NOT HAVE ENTERED INTO THIS TRANSACTION ABSENT SUCH DISCLAIMER. Any claim with respect to any vendor-related and/or similar matters shall be made only against the vendor in question. Franchisee will provide us with written notice prior to taking any action in connection with such a claim. We will use diligent efforts to assist franchisees in resolving any disputes with vendors approved and/or designated by us.
5. Franchisee may be required to use and offer for sale all privately labeled and branded merchandise or Proprietary Products developed by us, which will be listed in the Operations Manual (currently not in effect). The term "Proprietary Products" is defined as all equipment, products, supplies, marketing materials and branded equipment and products all of which must be purchased by the Franchisee directly from us or our approved vendors, unless the Franchisee has submitted and received written approval from us to use an alternate supplier. Currently we do not have Proprietary Products that Franchisee is required to offer for sale in its Business. Failure of Franchisee to use and/or offer for sale Proprietary Products (if we develop proprietary products for sale in the future) will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
6. Franchisee acknowledges that we do require Franchisee to maintain in inventory a minimum representation of products in its Facility and may require Franchisee to maintain a minimum representation of equipment and Proprietary Products (if we develop Proprietary Products in the future) in its Facility. "Minimum Representation" shall be defined as the continuous maintenance of an amount of products, Proprietary Products and/or equipment meeting requirements as defined in the Operations Manual. Franchisee shall at all times comply with our Minimum Representation requirements and the terms of any auto-ship requirements (currently we do not have any auto-ship requirements, however we may require that Franchisee purchase updates for all advertising, promotional and marketing materials when designated as mandatory by us and as specified in the Operations Manual). If we require Franchisee to carry a Minimum Representation of products, Proprietary Products and/or equipment in the future, we will provide Franchisee with written notice and Franchisee will have ninety (90) days to comply with such requirement. If a particular product or piece of equipment does not sell well in the Franchisee's Business, Franchisee may request that that specific item be removed from the Business and the required Minimum Representation list (if applicable). We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Such approval or disapproval shall be made by e-mail or any other form of written communication.

7. Franchisee shall not make any changes to any piece of equipment, Product, Proprietary Product or any third-party product including modifying any piece of equipment, changing containers, packaging, labeling, promotional materials, advertising, cartons or the like without our or the manufacturer's prior written approval, which may be withheld in our sole discretion or manufacturer's sole discretion. Failure to adhere to these guidelines will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
8. Franchisee may not independently act as an exclusive distributor for any third-party vendor or secure any exclusive rights to distribute any equipment, Products and/or Proprietary Products and/or third-party products inside or outside of Franchisee's Territory without our written consent. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Failure to adhere to these guidelines will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
9. Franchisee shall not manufacture or produce any piece of equipment or any product that is similar to, or competes with any of our equipment, Products, Proprietary Products or third-party equipment or product or in any channel of distribution selling similar equipment or products without the advanced written consent of us or manufacturer, which may be granted or denied in our or the manufacturer's sole discretion. Violation of this provision shall be grounds for immediate termination as specified in Section XXIII.C of this Agreement.
10. Franchisee must inspect all equipment and products promptly upon receipt and may reject any piece of equipment or product that fails in any material respect to conform to manufacturer's description. Any product that has not been rejected within 5 (five) business days upon receipt shall be considered accepted. Rejected equipment or products must be returned to the manufacturer within three (3) days of the date on which manufacturer authorizes the return or as manufacturer specifies.
11. Notwithstanding anything to the contrary contained in this Agreement, Franchisee acknowledges and agrees that, at our sole option, we may establish one or more strategic alliances or preferred vendor programs with one or more nationally or regionally-known suppliers who are willing to supply all or some Midwest Shooting Center® businesses with some or all of the equipment, products, supplies or services (as defined above) that we require for use and/or sale in the development and/or operation of the Business. In this event, we may limit the number of approved vendors and/or suppliers with whom Franchisee may deal, designate sources that Franchisee must use for some or all of the above items and/or refuse any of Franchisee's requests to approve vendors or suppliers if we believe that this action is in the best interests of the System. We shall have unlimited discretion to approve or disapprove of the vendors or suppliers who may be permitted to sell such items to franchisees.
12. Franchisee agrees to purchase, use, maintain and update at Franchisee's expense all technology items (as described above) and software that meet our specifications, as we may modify them. Franchisee will be required to purchase such items from us, our affiliates or approved vendors. We reserve the right to have independent and direct access to all information that Franchisee stores in any POS system, computer, server, laptop, tablet, social media platform, mobile app platform or software related to the Business. Franchisee agrees to comply with our then-current Terms of Use and Privacy Policies and any other upgrade requirements regarding all such items and software, including Internet usage. Supplier and/or licensor charges for use, maintenance, support and/or updates of such required items are the Franchisee's responsibility.

13. Franchisee may be required to use our proprietary software for the operation of the Business (currently not in effect). If we develop proprietary software and require Franchisee to use such software, we will provide Franchisee with a ninety (90) day written notice to purchase (if applicable) and use such software for the operation of its Business. If developed, we will provide all update and upgrade requirements for the proprietary software, as necessary. The installation, maintenance, repair and upgrade costs for the proprietary software will be the responsibility of the Franchisee. Usage of any proprietary software (“Software”), if developed, will be subject to the following terms:
- a. Franchisee will use our Software on a POS system, computer, server, laptop or tablet that: (i) meets our hardware specifications; and (ii) is located at its Facility or on a backup system if the original POS system, computer, server, laptop or tablet is inoperable. Franchisee will be licensed to use our Software only for Franchisee’s internal, in-house data processing and data communications purposes and only in connection with the Business and not for re-marketing or redistribution under any circumstances.
 - b. Franchisee acknowledges and agrees that we (or any of our affiliates) will be the sole and exclusive owner of all right, title and interest in and to our Software, including all trade secrets and copyrights related to the Software, subject only to the rights we expressly license to Franchisee in this Agreement. This license will not provide Franchisee with title or ownership of the Software, but only a limited right of use. Franchisee agrees that Franchisee will not contest or otherwise seek to share, diminish, or invalidate our ownership rights in our Software;
 - c. Franchisee will not modify the Software in any way without our prior written consent. Franchisee will promptly disclose to us all ideas and suggestions for modifications or enhancements to the Software that Franchisee conceives or develops, and we will have the right to use such ideas and suggestions. We shall own all copyrights and other intellectual property rights to all modifications and suggestions proposed by Franchisee. The term “all copyrights and other intellectual property rights” shall mean all means, methods, and processes, by all media whether now known or hereinafter invented, including complete and entire interactive rights and rights to derivative works. This Agreement shall be a work for hire. In the event that a court of competent jurisdiction holds that this Agreement is not a work for hire, then the Franchisee agrees to execute all documents that we deem is necessary to assign all copyright and other intellectual property rights to us. All modifications or enhancements made to the Software will be our property and belong exclusively to us, without regard to the source or creator of the modification or enhancement, however we may provide incentive programs for such contribution;
 - d. We will have the right at all times to access Software and to retrieve, analyze and use all the data in Franchisee’s files stored on Franchisee’s computers, laptops or tablets or any other type of system used in connection with the Business. Additionally, Franchisee will electronically transfer all files and reports to us on our request. All information that Franchisee stores in any POS system, computer, server, laptop or tablet shall become our confidential and proprietary information, and subject to all the terms and conditions of this Agreement regarding our Confidential Information.
 - e. Franchisee and its Employees will not make available the Software, or portions thereof, to any person other than Franchisee’s or our employees without our prior

written consent. Franchisee agrees that Franchisee will not: (i) copy the Software except as necessary for use in the Business; (ii) translate, reverse engineer, reverse compile, disassemble, create interactive works, or create derivative works based on the Software; or (iii) sublicense, rent, lease sell or otherwise transfer the Software or any portion thereof, or any rights therein, to any person or entity. Failure to adhere to these guidelines or allowing unauthorized usage of the Software may result in termination of this Agreement as specified in Section XXIII.C of this Agreement;

- f. Franchisee acknowledges and agrees that the Software, if developed, will be our valuable, proprietary product, the design and development of which took the investment of considerable time, money, and effort of skilled computer programmers. Franchisee will keep the Software and any data generated by the use of the Software confidential during and after the term of this Agreement and will maintain security precautions to maintain the confidentiality of the Software and to prevent unauthorized access or use of the Software. Franchisee agrees that it will treat the Software as confidential, and that the Software will contain substantial trade secrets of ours that we have entrusted to Franchisee in confidence to use only as we authorize under this Agreement. We hereby claim and reserve all rights and benefits afforded under copyright law, patent law, trade secret law, intellectual property law and other laws relating to confidential and proprietary material. Franchisee agrees not to improperly use, disseminate, or disclose the Software, and to ensure that Franchisee's employees who gain access to the Software will protect the Software against improper use, dissemination or disclosure;
- g. THE SOFTWARE SHALL BE PROVIDED ON AN "AS-IS" BASIS WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL WARRANTIES AGAINST INFRINGEMENT ARE HEREBY DISCLAIMED EXCEPT WE REPRESENT THAT WE HAVE SUFFICIENT AUTHORIZATION TO LICENSE THE SOFTWARE TO FRANCHISEE. WE DO NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE MEET FRANCHISEE'S REQUIREMENTS OR THAT THE USE OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. WE MAKE NO WARRANTIES THAT THE SOFTWARE IS FREE FROM BUGS, VIRUSES, TROJAN HORSES, OR WORMS. WE MAKE NO WARRANTY REGARDING ANY OPEN-SOURCE SOFTWARE CONTAINED IN THE SOFTWARE. In no event will we be liable to Franchisee for damages, including any lost profits, lost savings, or other incidental or consequential damages, relating to the use of or inability to use the Software, even if we have been advised of the possibility of such damages, or for any claim by any other party. The foregoing limitations of liability are intended to apply without regard to whether other provisions of this Agreement have been breached or proven ineffective;
- h. Franchisee acknowledges and agrees that Franchisee's license to the Software will terminate immediately and automatically should Franchisee fail to adhere to any of Franchisee's obligations under this license or if this Agreement expires or is terminated for any reason;
- i. Franchisee acknowledges and agrees that any violation by Franchisee of the provisions of the Software license would cause us irreparable harm for which we

would not have an adequate remedy at law; and that, in addition to other remedies available to us, we will be entitled to seek injunctive relief against any such violation;

- j. In the event Franchisee fails to adhere to any of Franchisee's obligations under this Agreement, or is no longer a franchisee of ours, or this Agreement expires or terminates for any reason, Franchisee will immediately (within five (5) days) terminate the use of the Software and destroy any and all material or information related to the Software, or any data generated by use of the Software unless we specifically instruct otherwise; and
 - k. Franchisee must update all technology items upon our request to optimize performance of the Software.
14. Franchisee acknowledges that neither we nor our affiliates, will have any liability and/or obligation (and neither Franchisee or any of its managing partners, managing members, members, shareholders or other Owners of Franchisee will make any claims) about any loss of data, loss of information, inability to use, failures, errors, bugs, viruses, Trojan horses, worms, loss of data, or any other occurrences relating to any POS system, computer, server, laptop or tablet or system hardware, or software without an express written warranty from us, even if recommended or specified by us. Franchisee acknowledges and agrees that Franchisee is solely responsible for protecting themselves from these problems. Franchisee must also take reasonable steps to verify that information about Franchisee's suppliers, lenders, landlords, customers, members and governmental agencies on which Franchisee relies, is reasonably protected. This may include taking reasonable steps to secure Franchisee's systems, including, but not limited to, firewalls, access code protection, anti-virus systems and use of backup systems.
15. We may set standards or specifications for leases and real estate, at our discretion. We have set standards and specifications for the construction and build-out of the Facility; and all equipment, furniture, fixtures, décor items and signage used, including our subjective determinations relating to quality, value and appearance.

Nothing in this Agreement shall be construed to be a promise or guarantee by us as to the continued existence of any particular piece of equipment, product or supply, nor shall any provision herein imply or establish an obligation on our part and our affiliates to sell equipment, products or supplies to Franchisee if Franchisee is in arrears on any payment to us our affiliates, or any other designated vendor or approved supplier, or otherwise is in default under this Agreement. If Franchisee fails to pay for each shipment of items purchased, we or our affiliates shall not be obligated to sell such items to Franchisee.

J. Use Approved Design and Signage for Business

In operating a Midwest Shooting Center® Business, Franchisee must adhere to our signage standards, and utilize signage designs (including on any vehicle if Franchisee chooses to use a vehicle to advertise the Business) in accordance with the standards and specifications recommended by us, or that will continue to be recommended by us. Franchisee may use an approved supplier for signage or submit an alternate supplier to us for approval. Franchisee shall purchase or lease, subject to local building codes and regulations, such signs that provide maximum displays of our Names and Marks. Franchisee shall be solely responsible for obtaining and equipping the Facility with the signage that is approved for use by us from time to time. The color, size, design, and location of said signage shall be as specified and/or approved by us. Franchisee shall not place additional signs, posters, newspaper racks, video games, juke boxes, gaming machines, gum machines, games, rides, vending machines or other similar devices and décor items in the Facility without our prior written consent.

K. Participation in the Operation of the Business

Franchisee acknowledges that a Midwest Shooting Center® business involves hard work and sometimes long hours, similar to most small businesses that are owner operated. Franchisee acknowledges that we have not represented that this business is going to be easy for Franchisee (or any of its Owners) and agrees the Business must be under direct, day-to-day, full-time supervision. Franchisee may assign the overall supervision of the Business to an Owner or General Manager and the supervision of all instructors to a lead instructor once approved by us. Franchisee agrees that the General Manager will supervise all Employees and its lead instructor will supervise all other instructors. The General Manager will also be responsible for providing continuing guidance, oversight, day-to-day management, instruction and properly process all reports or complaints.

L. Advertising the Business

Franchisee agrees to create a local advertising and marketing plan by which Franchisee shall place local advertising in any media it desires, provided that such advertising conforms to the standards and our requirements as set forth in our Operations Manual or otherwise designated by us. Such advertising may include but is not limited to: Any telephone, email, Internet, domain name, electronic network, directory and listings of the Business per our written approval. All items mentioned are our property and upon expiration or termination of this Agreement will revert to us. Franchisee agrees to execute any and all documents needed to perfect such reversions. Franchisee shall not advertise the Business in connection with any other business, except with our prior written approval. Franchisee shall obtain our prior approval of all unapproved advertising, promotional programs and plans and materials (including photographs and video presentations) that Franchisee desires to use thirty (30) days before the start of any use of such plans. Franchisee shall submit such unapproved plans and materials to us (by personal delivery, electronically or through the mail, return receipt requested). Franchisee shall not use such plans or materials until they have been approved by us and shall promptly discontinue use of any advertising or promotional plans and material upon our request. We shall approve or deny Franchisee's request by email or any other form of written communication, which approval is in our sole discretion within thirty (30) days of receipt of Franchisee's request. Any plans or materials submitted by Franchisee to us, which have not been approved or disapproved in writing, within such thirty (30) day period shall automatically be deemed not approved.

Franchisee will not independently advertise or promote in any media (including on any Website as defined in Section VI) without our prior written approval, except when using materials previously approved by us. We, our affiliates and/or approved vendors will perform all website content revision and Franchisee is responsible for any costs related to such revisions. Any requests for changes, edits or updates to Franchisee's website or any type of website promotion over the Internet must be approved by us in writing. We shall approve or deny Franchisee's request by e-mail or any other form of written communication, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Franchisee will participate in at its own expense and cooperate with all advertising and promotional programs that we or any advertising group of franchisees selects, including any franchise marketing council that we may implement. Franchisee may be required to follow or maintain sales pricing for Products and Services. We will set minimum and maximum prices and/or rates and suggest pricing and rates to the extent allowed by law.

Franchisee shall at all times use its best efforts to promote and increase recognition of the Products and Services offered by the Business pursuant to the System and Operations Manual, to affect the widest and best possible distribution of Products and Services from the Business and to devote its best efforts to growing the Business.

M. Maintain Regular Business Hours

Franchisee's Business must be open for operation a minimum of six (6) days a week from 10am-8pm each operational day, except for holidays (as specified in the Operations Manual). The only exception to the above is if Franchisee is given written permission by us to operate at a lesser period; or if the hours of operation for the Business are required by the lease of the premises on which the Business is operated. It is required that Franchisee maintains a telephone answering system to take messages and monitor an e-mail address for the Business.

N. Maintain Uniform Operating Standards

Franchisee understands and acknowledges that every detail in the operation of the Business is important to the Franchisee, us and other franchisees in order to develop and maintain uniform operating standards, to increase the demand for the Products and Services offered by the Business under the System, and to protect our trademarks, service marks, reputation, and goodwill.

Franchisee acknowledges and agrees that the System must continue to evolve to reflect changing market conditions and meet new and changing consumer demands. As a consequence, changes, modifications and variations to the System's standards may be required from time to time to preserve and enhance the public image of the System and to enhance the operational efficiency of all franchises.

Franchisee therefore agrees that we may periodically and upon written notice, add to, modify or change the System, including without limitation changes to our approved Products, Services and Curriculum Franchisee is authorized to offer, sell, perform and use; equipment, products, methods, strategies and techniques as used in the operation of the Business; our Confidential Information, the adoption and use of new or modified trademarks, uniform dress requirements (if implemented in the future as described in Section XII.F), signage, Software and third-party software, sales, advertising, promotion and marketing materials. Franchisee promises to promptly accept, implement, use, and display in the operation of the Business, all such additions, modifications and changes at Franchisee's expense.

Franchisee agrees to maintain high standards of honesty, integrity, fair dealing and ethical conduct in all business activities. Franchisee will not engage in any services, trade practices, abusive, excessive, or illegal collection techniques or other activity; sell any product or offer any service or which we determine to be unsafe or harmful to our goodwill or to reflect unfavorably on us or our reputation, the Franchised Business, our trademarks, or the Products and Services sold thereof; or which constitutes deceptive or unfair competition, results in unfounded litigation against us or Franchisee's customers or members or otherwise is in violation of any applicable laws. The above limitations are closely related to the business image, purpose, and marketing strategy of the System and therefore any change therefrom would fundamentally change the nature of the business.

We will not require Franchisee to make any changes, modifications and/or variations to the System that are not required of all franchisees (unless such change, modification or variation relates only to certain franchisees due to one or more unique factors such as geographic location, local laws, regulations, or customs); further we may periodically meet with representative groups of franchisees and solicit their input prior to the implementation of any material change or modification. Franchisee's failure to comply with additions, modifications or changes to the System within ninety (90) days of such written notice is an incurable default as described in Section XXIII.C of this Agreement.

O. Telephone Number of Business and Web Page

Franchisee understands and agrees that the telephone number(s), the URL address, website, Websites for the Business (in addition to any mobile phone numbers) constitute a part of the System and are subject to the restrictions of this Agreement. Accordingly, Franchisee shall not change the telephone

number(s), URL address, website or Websites for the Business without prior notice and our written approval. Franchisee shall advertise and publicize the permitted telephone number(s), URL address, website and Website for the Business in the manner prescribed by us. As stated above, all telephone numbers, URL addresses, website, Websites, Internet or similar connections, directory and listings used in the Franchised Business are our property and upon termination will revert to us.

Franchisee hereby acknowledges and agrees that all such products, equipment, discoveries, concepts, methods, techniques, recipes, formulas, processes, service, curriculum, class, program, workshop, video presentations, photographs, promotions, operational procedures, inventions, or ideas are our exclusive property, and that we shall have no obligation to compensate the Franchisee for any such item, discovery, or idea. However, as a matter of corporate policy, we may, in our sole discretion, create an incentive program to reward Franchisee, its officers, directors, managers, members, partners or shareholders for any such new product, equipment, discovery, concept, method, technique, recipe, formula, process, service, curriculum, class, program, workshop, video presentation, photograph or improvement that we implement throughout the System. Franchisee, its officers, directors, managers, members, partners, or shareholders agree to execute all documents deemed reasonably necessary by us to assign all such patent, trade secret, trademark and copyright rights in any Franchisee discovery or idea to us. Franchisee, its officers, directors, agents, and employees agree to execute any and all documents deemed reasonably necessary by us to carry out such assignment. The term "all copyright and intellectual property rights" shall mean all means, methods, and processes, whether now known or hereinafter invented, by all media whether now known or hereinafter invented, including complete and entire interactive rights and rights to derivative works. The purpose of this clause is to ensure that any such items and/or ideas for improvements to the System that may be generated by franchisees within the System will be distributed to the other franchisees as a benefit of belonging to the System. The Franchisee agrees to execute all documents that we deem reasonably necessary to carry out such transfer of intellectual property rights to us.

Q. Permit Franchisor to Enter Business

Franchisee shall permit us and our agents or representatives to enter the Business during normal business hours for the purpose of conducting inspections without notice to Franchisee and inspect the operations of the Business, (which includes photographing and taking video or digital recordings of the operations of the Business and execution of Services for observation purposes) and to remove samples of products or equipment, without payment, for us review to determine if such samples meet our then-current standards and specifications. In addition, we may use secret shoppers to inspect and ensure that unauthorized equipment, products, supplies, curriculum and services are not being used, offered, performed or sold. Franchisee shall cooperate fully with our representatives in such inspections by rendering such assistance as they may reasonably request, and, upon notice from us or our agents, and without limiting our other rights under this Agreement, shall take such steps as may be deemed necessary to immediately correct any deficiencies detected during such inspections. In the event Franchisee fails or refuses to promptly correct any deficiency detected during such inspection, we shall have the right to make or cause to be made such changes as may be required, at Franchisee's expense, which expense Franchisee agrees to pay upon demand. The foregoing shall be in addition to any other remedies we may have pursuant to this Agreement.

If Franchisee is or becomes a business trust, Franchisee shall furnish us a copy of its trust agreement, and any other documents we may reasonably request, and any amendments thereto, from time to time. If such change to a Franchisee to an entity is proposed (or has occurred), we shall have the right to do any of the following: (i) require the new entity to sign the Franchise Agreement and all Owners sign guarantees; (ii) require the new entity to sign the Franchise Agreement and treat it plus all Owners as franchisees; or (iii) take no action;
7. S. Site Selection

Franchisee assumes all costs, liability, expense, and responsibility for locating, obtaining and developing a site for the Business to be established under the Franchise Agreement and for the build out and equipping the business at such premises. A typical Midwest Shooting Center® business has approximately ten thousand to thirty thousand (10,000-30,000) square feet of space. The space for a Midwest Shooting Center® Business must be enclosed and separate from other businesses with its own locking door. Franchisee may buy or lease the required real property and improvements from any source and on terms approved by us in writing. Franchisee may not sign a lease (or a contract to purchase the premises, if applicable) for the Business until Franchisee has obtained our written approval. Franchisee must not invest any monies for a site which Franchisee wishes to open a Business until Franchisee has obtained our written approval for the site which will be made by email or any other form of written communication. On the execution of any lease for the Business, Franchisee will deliver to us a copy of the executed lease and an option to assume the lease executed by the lessor in favor of us in a form acceptable to us. All improvements to the Facility must be approved by us.

FRANCHISEE ACKNOWLEDGES THAT OUR ACCEPTANCE OF A PROSPECTIVE SITE AND THE RENDERING OF ASSISTANCE IN THE SELECTION OF A SITE DOES NOT CONSTITUTE A REPRESENTATION, PROMISE, WARRANTY, OR GUARANTEE BY US

THAT A MIDWEST SHOOTING CENTER® FRANCHISE OPERATED AT THAT SITE WILL BE PROFITABLE OR OTHERWISE SUCCESSFUL.

Franchisee acknowledges that we have spent a considerable amount of time choosing and creating the decoration and outfitting of a Midwest Shooting Center® Business. It is part of our trade dress. Franchisee acknowledges and agrees that the design, layout and other characteristics of the Business constitute and/or contain Confidential Information and/or trade secrets of ours. Franchisee agrees that the Facility shall be maintained and operated as follows:

1. Franchisee will maintain the Facility and every component of the equipment, furnishings, fixtures, technology items and signage in good order and repair at all times as specified in the Operations Manual and Franchisee may be required to upgrade such items as technology advances or in our sole discretion because of new functionality, so as to always use and be in compliance with our then-current specifications;
2. Franchisee will keep the Facility fully insured as specified in this Agreement and in the Operations Manual;
3. Franchisee will keep the Facility at all times in a clean and tidy condition and free of any advertising and promotional material other than that required by law or the Operations Manual, and will exhibit such signage, décor, colors and logos in the Facility and upgrade or review the same as specified in the Operations Manual;
4. Franchisee will not alter or in any way amend the appearance of the Facility or any equipment, furnishings, fixtures, technology items and signage contained within the Facility as specified in the Operations Manual;
5. Franchisee shall meet and maintain the highest level of health standards and ratings applicable to the operation of the Facility. Franchisee shall furnish to us, within five (5) days after receipt thereof, a copy of all inspection reports, warnings, citations, certificates and/or ratings resulting from inspections conducted by any federal, state, or local governmental authority with jurisdiction over the Facility; and
6. Franchisee may be required to use only approved service centers and vendors for repairs and maintenance of equipment, furnishings, fixtures, technology items and signage for the Facility.

Franchisee shall not execute a lease or sublease for the Business or make any modifications or amendments to the lease or sublease, without our prior written consent, which we may grant, condition, or withhold in our Business Judgment (as defined in Section XXI of this Agreement). Franchisee will deliver to us a copy of any lease or sublease for our review at least ten (10) days before execution. Franchisee must deliver a copy of the signed lease or sublease to us within five (5) business days after it is signed. We do not offer legal services to Franchisee and Franchisee is encouraged to consult with independent legal counsel for a legal review of the lease. Franchisee shall ensure that the lease or sublease for the Business contains, in an addendum or otherwise, the following provisions which:

- 1) Permit Franchisee to operate the Business in accordance with this Agreement and the Manuals;
- 2) Provide that the site will be used only for the operation of a Midwest Shooting Center® business, and prohibit Franchisee from assigning or modifying any of Franchisee's lease rights, or extending the term without our prior written consent;

- 3) Require the lessor to concurrently provide us with a copy of any written notices of default to Franchisee under the lease and give us the right to cure any default if we so choose; within fifteen (15) days following the expiration of the Franchisee's cure period under the lease;
- 4) Provide us with a right to take assignment and possession of the Midwest Shooting Center® Business, without the landlord's consent or any additional consideration. If we exercise this right and Franchisee is in good standing, we will sign a sublease with Franchisee for the same rent Franchisee is paying. In any case, we will not assume any liability for any obligations incurred prior to our occupancy. Franchisee agrees to take whatever actions are necessary to accomplish such assignment and will, when Franchisee signs this Agreement or prior to signing a lease if Franchisee has not secured a space, also sign the Collateral Assignment of Lease attached as Schedule 7. If Franchisee loses lease rights to the site in connection with any bankruptcy, the landlord will, on our request, enter into a new lease with us on essentially the same terms as the terminated lease;
- 5) Provide that the landlord consents to the use of the Marks, signage, trade dress and other aspects of the System, as modified from time-to-time, and give us the right to enter the premises during normal business hours for purposes of inspection, to take steps to protect the Marks, signage, and trade dress and/or prevent/cure any default; and
- 6) Not contain any clause providing that if the Franchisee sells the assets of its Business, or the stock/membership or units/partnership units of the Business, Franchisee must pay the landlord a certain percentage or a flat amount of the sale. Provided, that nothing in this sentence shall impair the Franchisee from entering into a lease that allows its landlord to impose a reasonable administrative fee for processing the assignment or sublease.

T. Development and Construction of the Facility

Franchisee must select and employ licensed contractors reasonably acceptable by us for the complete build out and/or any leasehold improvements of the Facility. Franchisee is solely responsible for the selection and work of any contractor selected and/or employed by Franchisee, even if referred by us, and for the preparation of architectural and working drawings necessary to complete construction and/or build out at the Approved Location. Franchisee will be provided with mandatory requirements and specifications (interior and exterior) for the build out of the Business which includes specifications for Facility layout, sound-proofing, equipment, storage, furnishings, fixtures, technology items, décor and signage. We may if needed, review Franchisee's final set of drawings and plans prior to implementation. Such drawings, plans and specifications are subject to alteration as may be necessary in our sole discretion and Franchisee must be in full and strict compliance with plans and specifications approved by us. Franchisee is responsible for the cost and installation of all build out specifications. We reserve the right to receive rebates, commissions or other forms of consideration from designated or approved suppliers involved in the construction or fixturing of the Facility and to use such rebates, commissions or other consideration in any way we deem appropriate in our sole discretion, without obligation to share or remit any portion of such rebates, commissions or other consideration to Franchisee.

We expect that a Midwest Shooting Center® Business location will need some construction improvements because in every situation, Franchisee will need to alter the interior of the Facility to build out separate areas for the retail center in addition to the indoor shooting range. Costs may vary widely depending on such factors as property location, size of the property, the condition of the property, possible supply chain disruptions, the extent of alterations required for the property. Franchisee shall be responsible

for obtaining all zoning classifications, health, sanitation, clearances, permits and certifications which may be required by state or local laws, ordinances, or regulations or which may be necessary or advisable owing to any restrictive covenants relating to Franchisee's location. After having obtained such approvals and clearances, Franchisee shall submit to us, for our approval, final plans for construction based upon the preliminary plans and specifications. Once approved by us, such final plans shall not thereafter be changed or modified without our prior written permission. Any such change made without our prior written permission shall constitute a material default under this Agreement, and we may withhold our authorization to open the Business until the unauthorized change is rectified (or reversed) to our reasonable satisfaction.

Franchisee shall comply with all federal, state, and local laws, codes, and regulations, including without limitation, the applicable provisions of the ADA regarding the construction, design, and operation of the Business. If Franchisee receives any complaint, claim or other notice alleging a failure to comply with the ADA or other law or regulation related to health or safety, Franchisee agrees that it shall provide us with a copy of such notice within five (5) days after receipt thereof.

Except as provided in Section IX.B of this Agreement, Franchisee shall construct, furnish and open the Business according to the requirements contained herein, and Franchisee shall open the Facility for operation no later than three hundred and sixty-five (365) days from the Effective Date. Time is of the essence. Prior to opening for business, Franchisee shall provide us with evidence of lien-free completion of all work (including, without limitation, any and all mechanic liens) and to comply with all pre-opening requirements set forth in this Agreement (including without limitation those with respect to the grand opening advertising program), the Operations Manual and/or elsewhere in writing by us.

Franchisee shall not open the Business until we have determined that all construction has been substantially completed, and that such construction conforms to our standards including, but not limited to: materials, quality of work, equipment, furnishings, fixtures, signage, decor, paint and we have given Franchisee written approval to open, which approval shall not be unreasonably withheld. Our approval to open the Business does not constitute a waiver of our right to require Franchisee to conform its Facility to our standards.

U. Training

Prior to Franchisee's opening of the Business to the public, Franchisee, any Owner (who will be participating in the operations of the Business), General Manager, membership manager and lead instructor shall complete to our satisfaction our self-study program and our entire initial training program which consists of two (2) parts. Within sixty (60) days after Franchisee secures the site for its Facility and prior to: the launch of any membership pre-sales program; any advertising or marketing initiated to promote the Business; Franchisee starts accepting any membership fees; Franchisee sells any Products; and/or Franchisee starts accepting fees for classes, programs or workshops; Franchisee (and any Owner who will be participating in the operations of the Business) and its membership manager are required to attend part one of our initial training program. Part one of our initial training program is six (6) days held at our corporate headquarters or any other location we may specify. No earlier than sixty (60) days before Franchisee anticipates physically opening its Facility for operation and only after Franchisee or an Owner has obtained a federal firearm license Type 1 for the Business and Franchisee has been identified who will be Franchisee's lead instructor and such person has an RSO certification, as described in Section XII.C of this Agreement. Franchisee, any Owner (who will be participating in the operations of the Business), General Manager, membership manager and its lead instructor are required to attend part two of our initial training program. Part two of our initial training program is three (3) weeks held at our corporate headquarters or any other location we may specify.

We may, at our discretion, make available additional training programs, certifications, seminars, as well as refresher courses available to the Franchisee, any Owner, General Manager, membership manager and/or its lead instructor from time to time. We may, at any time, discontinue management

training and decline to certify Franchisee, any Owner, its General Manager, membership manager and/or its lead instructor or designated individual(s) who fail to demonstrate an understanding of the training acceptable to us. If Franchisee, any Owner, its General Manager, membership manager and/or its lead instructor's training is discontinued by us, Franchisee shall have thirty (30) days to present an alternative acceptable candidate for management training to us. If Franchisee's new candidate does not adequately complete the training, then we shall have the option of terminating this Agreement. We shall provide instructors and training materials for all required training programs; and Franchisee, any Owner, its General Manager, membership manager and/or its lead instructor who attend the training shall be responsible for all other expenses incurred in connection with any training programs, including, without limitation, the cost of transportation, lodging, meals and wages.

V. Ongoing Training and Support

Franchisee will have access to our personnel for questions, ongoing training and support by phone and e-mail during regular business hours (Eastern Time Zone). We will continue to consult with and advise Franchisee free of charge, to answer any questions from Franchisee, its Owners and management staff (Section XX.A of this Agreement); provide the Manual, specifications, supplier, equipment, product, marketing and operational updates as they become available; review advertising, equipment, product, and/or supplier approval requests; and administer the System Brand Fund.

XIII. OBLIGATIONS OF FRANCHISEE RELATING TO INSURANCE

A. Overall Coverage Required

Before Franchisee opens its Business, Franchisee must purchase insurance coverage from a responsible carrier with a performance rating of A or higher as rated in the most recent edition of Best Insurance Reports (or comparable criteria as we may specify) and Franchisee must maintain such insurance throughout the duration of the initial term of the Franchise Agreement and any renewal terms. Franchisee will procure and maintain general liability insurance, product liability insurance (covers you for damages that result in injury from products that you distribute) and an umbrella liability policy (extended coverage for damages that result in injury, property damage and personal liability situations) with a minimum policy limit of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate (this policy should include general tort, premises damage, personal and advertising injury and should be at least \$1,000,000) or an amount specified by us. Franchisee must also procure and maintain property and casualty insurance that covers the assets of the Business, "All Risks" or "Special Form" insurance (coverage for the full cost of replacement of the premises and all other property); employer's liability insurance, employment practices liability insurance, cyber liability insurance and business interruption insurance to fully insure loss of earnings for a period of one hundred eighty (180) days or longer as we may specify. Franchisee must also procure and maintain statutory workers' compensation insurance with limits of greater than one hundred thousand dollars (\$100,000) or the minimum limits required by law. Each insurance policy that we require under this Agreement must contain a provision that the policy cannot be canceled without thirty (30) days' written notice to us.

For any construction, renovation, refurbishment or remodeling of the site, Franchisee may be required by us to require that its general contractor maintain, with an approved insurer, commercial general liability insurance (with comprehensive automobile liability coverage for both owned and non-owned vehicles, builders risk, product liability and independent contractor's coverage) with limits of no less than one million dollars (\$1,000,000) per claim, naming Franchisee and us as additional insureds, as our interests may appear, together with workers' compensation and employer's liability insurance as required by law and as required by the lease. It is Franchisee's responsibility to obtain certificates of insurance from the contractor prior to the initiation of any construction.

To the extent available, we may also require Franchisee to obtain: professional liability insurance (which covers Franchisee for damages that do not result in property or bodily damages), tenant's liability insurance, employee dishonesty insurance, automobile liability insurance with coverage of owned and hired vehicles with minimum coverage in amounts not less than one hundred thousand dollars (\$100,000) combined single limit for bodily and property damage (or what is in accordance with Franchisee's state guidelines) as well as other disability benefits type insurance as may be required by the statute or rule of each state, with policy limits of one million dollars (\$1,000,000) or in the amount we specify.

All insurance policies will name Franchisee as certificate holder and us and our affiliates as an additional named insured with waiver of subrogation by Franchisee for our benefit. We may establish minimum standards for coverage to be met by underwriters for insurance. Before beginning operations, Franchisee will obtain any other liability insurance required by law, provide us with certificates of insurance and a complete copy of all insurance policies within ten (10) days of issuance and maintain all required insurance during the term of this Agreement. Franchisee shall also furnish us with certificates and endorsements evidencing insurance coverage within ten (10) days after each of the following events (i) at all policy renewal periods, no less often than annually and (ii) at all instances of any change to, addition to or replacement of any insurance. Lapses, alterations, or cancellations require immediate notice to us and shall, in our sole discretion, be deemed an immediate material breach of this Agreement as set forth in Section XXIII.C. If Franchisee fails to obtain the required insurance and to keep the same in full force and effect, we may, but shall not be obligated to, pay the premiums, or acquire insurance, and bill Franchisee. Franchisee shall reimburse us for the full cost of such insurance, along with a reasonable service charge to compensate us for the time and effort expended to secure or maintain such insurance. We may change these insurance requirements on reasonable notice to Franchisee.

Franchisee's insurance will cover all claims for injury, damage and death or otherwise, arising directly or indirectly out of the Franchised Business.

Franchisee shall notify us immediately in writing of the occurrence of any material event that does or could give rise to an insurable claim by Franchisee or the Franchised Business, and no later than the date on which Franchisee notifies its insurance carrier.

We reserve the right to change or modify (including increasing) the required minimum coverage limits. We make no representation or warranty to Franchisee that the amount of insurance to be carried by Franchisee under the terms of this Agreement is adequate to fully protect Franchisee's interest. If Franchisee believes that the amount of any such insurance is insufficient, Franchisee is encouraged to obtain, at its sole cost and expense, such additional insurance as it may deem desirable or adequate. Franchisee agrees to seek the advice of its insurance advisor regarding the appropriate types of coverage and coverage limits Franchisee may need to sufficiently protect its Business. Franchisee acknowledges that we shall not, by the fact of approving, disapproving, waiving, accepting, or obtaining any insurance, incur any liability for or with respect to the amount of insurance carried, the form or legal sufficiency of such insurance, the solvency of any insurance companies or the payment or defense of any lawsuit in connection with such insurance coverage, and Franchisee hereby expressly assumes full responsibility therefore and all liability, if any, with respect thereto.

Franchisee's compliance with insurance requirements shall not relieve Franchisee of its liability under the indemnity provisions of Section XVIII of this Agreement. Obligations to maintain insurance coverage will not be affected by reason of any separate insurance maintained by us, nor will the maintenance of such insurance relieve Franchisee of any obligations under this Agreement.

Franchisee shall also acquire tenant's liability insurance (if applicable); any other insurance required by the state or locality in which the Business is located and operated, in such amounts as required by statute; and other insurance coverage, as we or the landlord may reasonably require.

Franchisee shall furnish us with certified copies of each of the insurance policies described above on either the earlier of the opening of the Business for operation (defined as once Franchisee either: starts collecting membership package fees, any type of fees for Services; starts selling Products; or the Facility is physically open for operation, whichever comes first) or three hundred and sixty-five (365) days following the date this Agreement is executed.

XIV. OBLIGATIONS OF FRANCHISEE RELATING TO ACCOUNTING AND RECORDS

A. Record keeping, Accounting, and Records

Franchisee acknowledges that the maintenance of accurate financial records and the preparation of financial statements on a timely basis are essential to the efficient operation of the Business. If Franchisee is not qualified to maintain accurate financial records, in our reasonable determination, the Franchisee agrees to hire a qualified bookkeeper who will maintain the financial records of the Franchisee and who will attend to the bookkeeping for the Business not less twice a week for that purpose.

Franchisee shall maintain during the term of this Agreement and shall preserve for a minimum of seven (7) years, full, complete accurate records of sales, payroll, accounts payable and accounts receivable in accordance with the standard accounting system described by us in the Operations Manual or otherwise specified in writing. Franchisee will keep its books and records related to the Business separate from any other business owned by Franchisee or its principals. Any such separate business will be conducted by a separate entity.

Franchisee will provide us all hard copy and digital copies as we prescribe on or before the tenth (10th) day of each month or daily if we require. Franchisee will deliver or provide electronic access to business records (we will have independent access to all information that Franchisee stores in any POS system, computer, server, laptop, tablet, social media platform, mobile app platform or software), including an itemized report of Franchisee's Gross Revenue for the prior period on a form we prescribe, which will include payment for that period's or month's fees due, and may include, to the extent that we require:

4. Copies of Franchisee's most recent sales tax report and/or sales tax return;

6. Copies of all merchant account printouts received from the Franchisee's merchant account banking provider (i.e. records of credit and debit card transactions);
7. Copies of all bank deposits, and bank deposit records made by the Franchisee; and
8. A complete list of all customers and members with their email addresses, physical addresses, and telephone numbers, who: (i) are prospective customers or members; (ii) have canceled or terminated membership; (iii) filed a complaint internally or with third parties (such as the Better Business Bureau); (iv) are seeking to take or who have taken advantage of our Warranty Management Program; or (v) sought refunds or have had a

chargeback for Products and/or Services during the preceding month, by the tenth (10th) day of each month.

Franchisee acknowledges and agrees that we, at all times during the term of this Agreement and after termination, expiration or cancellation of this Agreement, have the right to access (electronically or otherwise) all Business Records of the Business. We may use, transfer, copy or analyze such Business Records as we determine in our sole discretion to be in the best interest of the System. For purposes of this Agreement, "Business Records" means all records, documents, insurance policies, databases and the like (whether in print, electronic or other form), including all names, addresses, phone numbers, email addresses, member contracts, purchase agreements, vendor and/or supplier records and all other records contained in databases created and maintained by Franchisee pertaining to the operation of the Business, including but not limited to records of customers, members, employees, vendors, and other professionals related to the Business.

Franchisee will be required by us to obtain specific technology items and use specific software in the operation of its Business, including, without limitation, a license to use our Software (if developed by us), or any of our vendors in accordance with Section XII.I of this Agreement and the Operations Manual. Franchisee agrees to pay all costs in connection with obtaining the technology items and software and Franchisee agrees to pay any software license or maintenance fee (if required). Franchisee agrees to pay all costs in connection with maintaining, upgrading, updating, etc. all hardware and software and any additional licenses for any software as necessary to operate its Business (upgrades, maintenance, and support for our proprietary software (if developed) will be provided by us as described in Section XX.I). We have the right to charge a reasonable fee for any additional licenses, modification, maintenance and/or support of Software (if developed) that we may license to Franchisee and other products and services that we may furnish to Franchisee related to its technology items and other systems.

Franchisee will adopt a fiscal year as approved by us and prepare all financial reports in accordance with U.S. generally accepted accounting principles, consistently applied. Franchisee must periodically deliver to us accounting, tax and other information or copies of documents, as we request.

B. Franchisor's Right to Audit

We or our agents may enter the Franchisee's location to examine or audit Franchisee's business at any time without notice. We may examine, inspect, or audit Franchisee's database and Business Records, which records will include, but will not be limited to: payroll records, ledgers, purchase agreements, sales reports, timecards, check stubs, bank deposits, bank statements, merchant account printouts, receipts, sales tax records and returns, insurance policies and other documents. We will bear the cost of the audit, unless Franchisee fails to report as required or understates Gross Revenue by one percent (1%) or more for any reported time period, in which case Franchisee will pay the audit costs plus, in addition to the amount owed to us, interest at eighteen percent (18%) per annum (1.5% per month) for all understated Gross Revenues or the maximum rate allowed by the laws of the state in which Franchisee's business is located as specified in the Operations Manual. Franchisee will immediately pay us all sums owed. The foregoing remedies shall be in addition to any other remedies we may have pursuant to this Agreement and as provided at law and in equity.

In addition to the cost of the audit described above, Franchisee shall reimburse us for any and all costs and expenses relating to the inspection (including, without limitation, travel, lodging and wage expenses and reasonable accounting and legal costs), and, at our discretion, submit audited financial statements prepared, at Franchisee's expense, by an independent certified public accountant satisfactory to us. If an inspection discloses an understatement in any payment to us of one percent (1%) or more, twice within any two (2) year period, such act or omission shall constitute grounds for immediate termination of this Agreement, as set forth in Section XXIII.C. The foregoing remedies shall be in addition to any other remedies we may have pursuant to this Agreement and as provided at law and in equity.

C. Method of Payment

All payments Franchisee makes to us will be by any method we specify, including cash, check, certified check, money order, credit card, automatic pre-authorized payment plan, Internet, or electronic funds transfer (as described in Section X.D of this Agreement). All payments to us and dollar amounts stated in this Agreement are in United States dollars unless otherwise expressed. Notwithstanding any other provision in this Agreement to the contrary, in the event the United States currency is redeemed, re-nominated or another currency is issued in its place the new currency will be required. If a conversion of royalties or other payments from another currency is made, the conversion shall be made as of the date the payment is due, or the date the payment is actually made, whichever is more beneficial to us. Franchisee is responsible for any fees associated with payment methods other than cash, check, or electronic transfer.

D. Submission of Financial Statements

Franchisee will provide us with a copy of Franchisee's year-end annual financial statements including a profit and loss statement and a balance sheet and containing complete notes and disclosures. Such statements will be prepared in accordance with United States Generally Accepted Accounting Principles ("GAAP"), by an independent accountant, and will be delivered to us within ninety (90) days after Franchisee's fiscal year end.

E. Disclosure of Financial Statements

Any unsuccessful challenge made by us shall not constitute a ground for the termination of this Agreement. In the event we determine in our sole judgment that challenging any such third party's use of the Marks will not likely be successful, or would not be economically feasible to

achieve, or if Franchisee shall be required to cease using the Marks (or any of them) by court order, or as a result of any settlement of any such trademark claim by a prior registrant or any pre-existing user, or any other such trademark claim, or if we shall deem it necessary or appropriate to change the name of the Franchise in order to mitigate any potential exposure or damages arising under any trademark claim, Franchisee shall promptly change the name of its Franchise, and thereafter utilize an alternative name established by us. 4. Unless otherwise authorized or required by us, Franchisee shall operate and advertise the Business under the Name and Mark "Midwest Shooting Center®";
5. Franchisee's right to use the Names and Marks is limited to such usages as are authorized under this Agreement, and any unauthorized use shall constitute an infringement of our rights and a material breach of this Agreement;
6. Franchisee must obtain our approval for any use of any item of printed or digital material of any kind bearing any of the Names or Marks, unless we supplied the item. We shall approve or deny Franchisee's request, which approval is at our sole discretion, within thirty (30) days of receipt of Franchisee's written request. If we fail to respond to Franchisee's request within said thirty (30) day period, Franchisee's request shall be deemed denied. Franchisee shall use such notices of trademark registrations and copyrights as we specify.
7. Franchisee shall not use the Names and Marks to incur any obligations or indebtedness on our behalf;

8. Franchisee shall not use the Names and Marks or any part thereof as part of its corporate or other legal name;
9. Except as otherwise permitted in this Agreement, Franchisee shall not use the Names and Marks or any part thereof in any form on the Internet, including but not limited to, addresses, domain names, URL's, Websites, links, metatags, locators and search techniques;
10. Franchisee shall comply with our instructions in filing and maintaining the requisite trade name or fictitious name registration, and shall execute any documents deemed necessary by us or our counsel to obtain protection for the Names and Marks or to maintain their continued validity and enforceability; and
11. In the event any litigation involving the Names and Marks is instituted or threatened against Franchisee, Franchisee shall promptly notify us and shall cooperate fully with us in defending such litigation. Franchisee agrees to execute any and all instruments and documents, render such assistance, and do such acts or things as may, in our sole opinion, be reasonably necessary or advisable to protect and maintain the interests of us or any other interested party in the Names and Marks. Other than what is stated in this Agreement, we are not obligated to protect Franchisee's right to use the Marks or protect Franchisee against claims of infringement or unfair competition with respect to them and may direct Franchisee not to use the Marks or to change the Marks at Franchisee's expense. We will control any and all such litigation, arbitration, and mediation involving our Marks. The Franchisee has no authority to institute any litigation, file an arbitration, or institute any request for mediation regarding our trademarks, nor does the Franchisee have any authority to enter into any settlement negotiations. Although we are not contractually obligated to protect the Marks or Franchisee's right to use them, as a matter of corporate policy, we intend to defend the Marks vigorously.
12. During the term of this Agreement and any renewal, Franchisee shall identify itself as the owner of the Business in conjunction with any use of the Names and Marks, including, but not limited to, on invoices, order forms, receipts and contracts, as well as at such conspicuous locations on the premises as we may designate in writing. The form and content of such identification shall comply with standards set forth in the Operations Manual; and
13. Franchisee further agrees to follow all of our quality standards that are inherent in the Names and Marks. Such quality standards are contained in the Operations Manual, as well as various memos or policy statements issued by us, and may be changed from time to time at our sole discretion.

C. Franchisee Will Not Challenge Franchisor's Rights in Its Use of Names and Marks

Franchisee agrees and acknowledges that:

1. As between the Parties hereto, Midwest Shooting Center Brand Holdings, LLC is the owner of all right, title, and interest in and to the Names and Marks and the goodwill associated with and symbolized by them;
2. The Names and Marks are valid and serve to identify the System and those who are franchised under the System;

3. Franchisee shall not directly or indirectly contest the validity or the ownership of the Names and Marks;
4. Franchisee's use of the Names and Marks pursuant to this Agreement does not give Franchisee any ownership interest or other interest in or to the Names and Marks, except the non-exclusive Franchise granted herein;
5. Any goodwill arising from Franchisee's use of the Names and Marks in its Business under the System shall inure solely and exclusively to our benefit, and upon expiration or termination of this Agreement and the Franchise herein granted, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the System or the Names and Marks;
6. We reserve the right to substitute different Names and Marks for use in identifying the System, the Business and other franchised businesses operating thereunder;
7. Franchisee hereby agrees to comply, at Franchisee's expense, with any directions from us to discontinue, modify, substitute or add Names and Marks. We cannot and do not make any guaranty that a modification, discontinuance or otherwise will not be required for any reason. In such event, we have no liability to Franchisee. Franchisee agrees to make no claim in connection with any modification, discontinuance or other action, and/or with any dispute regarding the Names and Marks. There is always a possibility that there might be one or more businesses using a name and/or marks similar to us with superior rights; and we are aware of at least one other business using names and marks similar to the "Midwest Shooting Center[®]" Mark. We will aggressively oppose any challenges to our Marks;
8. Franchisee hereby agrees not to register or attempt to register the Names and Marks in Franchisee's name or that of any other firm, person or corporation;

 - c. To grant other franchises or licenses using the Names and Marks, in addition to those already granted to existing franchisees; and
 - d. To develop and establish other systems using similar Names and Marks, or any other proprietary marks and to grant licenses or franchises thereto at any location(s) whatsoever without providing any rights therein to Franchisee.
10. Franchisee understands and acknowledges that we have the unrestricted right to engage, directly or indirectly, through our employees, representatives, licensees, assigns, agents and others, at wholesale, retail and otherwise, in the production, distribution and sale of Products, equipment (if we choose to sell equipment in the future) and/or Software bearing

the Names and Marks licensed or other names or marks, including without limitation, products included as part of the System. Franchisee acknowledges that we shall own all intellectual property rights to any materials provided to the Franchisee by us, or developed by the Franchisee pursuant to this Agreement, and regarding all such materials, this Agreement shall constitute a "work for hire." Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by us in obtaining specific performance of, or an injunction against, violation of requirements of this Section XVI. 4. Any goodwill arising from Franchisee's use of the Confidential Information, trade secrets, copyrights, and patents in its Business under the System shall inure solely and exclusively to our benefit, and upon expiration or termination of this Agreement and the Franchise herein granted, no monetary amount shall be assigned as attributable to any licensed Confidential Information, trade secrets, copyrights, and patents;
5. We reserve the right to substitute different Confidential Information, trade secrets, copyrights, and patents for use in operating and maintaining the System;

The Franchisee shall give us advance written notice of Franchisee's intent to institute legal action against us, specifying the basis for such proposed action, and shall grant us thirty (30) days from receipt of said notice to cure the alleged act upon which such legal action is to be based.

B. Franchisee Must Pay Taxes Promptly

Franchisee shall promptly pay when due all taxes levied or assessed, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of any kind incurred by Franchisee in the conduct of the Business. Franchisee shall pay us an amount equal to any sales tax, gross receipts tax or similar tax imposed on us with respect to any payments to us required under this Agreement, unless tax is credited against income tax otherwise payable by us.

C. Franchisee May Contest Tax Assessments

In the event of any bona fide dispute as to any liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law. However, in no event shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor to occur against the site of the Business, or any improvements thereon.

XVIII. SPECIFIC OBLIGATION OF FRANCHISEE RELATING TO INDEMNIFICATION

Franchisee understands and agrees that nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty or representation on our behalf, or to incur any debt or other obligation in our name or the name of any of our officers, owners, members, managers, agents, directors, shareholders or employees. Franchisee further understands and agrees that we, and our officers, owners, members, managers, agents, directors, shareholders and employees, shall in no event have or assume liability for, or be deemed liable as a result of, any such action, or by reason of any act or omission of Franchisee in its conduct of the Business or any claim or judgment arising there from against Franchisee.

For the purposes of this indemnification, the terms “claim, loss or obligation” will include compensatory, special, exemplary or punitive damages; fines and penalties; attorneys’ fees; experts’ fees; court costs; costs associated with investigating and defending against claims; settlement amounts, judgments, compensation for damages to our reputation and goodwill; and all other costs associated with any of the foregoing claims, losses or obligations.

Franchisee shall defend, indemnify and hold us and our officers, owners, members, agents, directors, shareholders and employees harmless against all fines, suits, proceedings, claims (including but not limited to, any safety and security claims, claims of injury, claims of theft, claims arising as a result of the sale of any Product, claims arising as a result of the operation and/or maintenance of any equipment and/or vehicles, claims of neglect, abuse, death, vicarious or other liability), demands, actions, losses, damages, costs, expenses, fees (including legal fees, disbursements and related expenses), penalties and/or any other liability of any kind or nature, however arising, growing out of or otherwise connected with and/or related to any act, error and/or omission of Franchisee (including Franchisee’s ownership, operation and/or management of the Business) and/or any referral, service provider, supplier or other agent/independent contractor or employee of Franchisee including acts, errors or omissions committed or incurred, negligent or intentional acts in connection with Franchisee’s operation of the Business and infringement, violation or alleged infringement or violation of any Mark, patent or copyright or any misuse of the Confidential Information. This provision includes any liability arising from labor or employment law violations as well as any liability related to joint employer claims and harassment claims. This provision includes all claims as indicated above, of us, directly against Franchisee (without a third-party involvement) due to acts or omissions of Franchisee in which we suffer damages including but not limited to, harm to our goodwill and reputation.

We will have the right to control all litigation, including selection and management of counsel and defend and/or settle any claim, against and/or including us and/or our-related persons/entities, or affecting our and/or their interests with no obligation to Franchisee and without affecting our rights under this indemnity or otherwise. Franchisee may appoint separate independent counsel to represent Franchisee’s interest in such suits, proceedings, claims, etc., all at Franchisee’s expense. Franchisee’s indemnification obligations survive termination of this Agreement.

XIX. MISCELLANEOUS COVENANTS OF FRANCHISEE

A. Covenants are Independent

The Parties agree that each covenant herein shall be construed to be independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Agreement is held to be unenforceable or unreasonable by a court or agency having competent jurisdiction in any final decision to which we are a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resultant covenant were separately stated in and made a part of this Agreement.

B. Franchisee's Principals

The term "Franchisee's Principals" shall include, collectively and individually, Franchisee's spouse, if Franchisee is an entity, all managing partners, general partners, members, managers, shareholders, officers, directors and other operational personnel whom we designate as Franchisee's Principals and all holders of an ownership interest in any entity directly or indirectly controlling Franchisee, and any other person or entity controlling, controlled by or under common control with Franchisee. The initial Franchisee's Principals shall be listed on Schedule 8 of this Agreement.

C. Franchisee Will Not Compete Against Franchisor

Franchisee specifically acknowledges that, pursuant to this Agreement, Franchisee will receive valuable specialized training, our Confidential Information and our System.

Franchisee agrees that, except as otherwise approved in writing by us, Franchisee shall not, during the term of this Agreement and for a period of two (2) years from the date of (i) a transfer permitted under this Agreement; (ii) the expiration or termination of this Agreement (regardless of the cause for termination); or (iii) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to the enforcement of this Section XIX.C, for itself, or through, on behalf of, or in conjunction with, any person, persons, or legal entity, own, maintain, operate, engage in, be employed by, or have any interest in any type of firearm-related business or any type of business using any aspect of the System, using the overall Midwest Shooting Center® Business concept, with similar Products and/or Services within a ten (10) mile radius of the Accepted Location designated hereunder, or within a ten (10) mile radius of any other System franchise or company-owned business in existence or planned as of the time of termination or expiration of this Agreement, as identified in the Franchise Disclosure Document in effect as of the date of expiration or termination of this Agreement. For purposes of clarification, Franchisee may not, during the term of this Agreement, operate a competing business any place.

The unenforceability of all or part of this covenant not to compete in any jurisdiction will not affect the enforceability of this covenant not to compete in any other jurisdictions, or the enforceability of the remainder of this Agreement. This covenant not to compete is given in part in specific consideration for access to trade secrets provided as a part of our training or ongoing support programs. In any jurisdiction in which the covenant contained in this Section XIX or any part of it is deemed not enforceable in whole or in part, Franchisee hereby grants us an option to purchase Franchisee's Business on expiration or termination of this Agreement. In such case, we may exercise this option by giving thirty (30) days' written notice to Franchisee (Sections XXII.C and XXII.E). On termination or expiration, Franchisee will deliver to us a list of these Assets (as described in Section XXIV.G). All of Franchisee's post termination obligations under this Agreement and by law remain in effect on termination or expiration of this Agreement.

D. Exception to Covenant Not to Compete

Section XIX.C hereof shall not apply to ownership by Franchisee or any of its Owners of less than a five percent (5%) beneficial interest in the outstanding equity securities of any Publicly-Held Corporation. As used in this Agreement the term "Publicly-Held Corporation" shall be deemed to refer to a corporation which has securities that have been registered under the Federal Securities Exchange Act of 1934.

E. Franchisee Will Not Divert Business

During the term of this Agreement and for a period of two (2) years following the expiration or termination of this Agreement, Franchisee agrees that it will not, for itself, or through, on behalf of, or in conjunction with any person, persons, or legal entity:

1. Solicit, service, sell or attempt to divert business to any competitor by direct inducement or otherwise or any customer or member of its Business or any other franchisees including company-owned businesses, with which or with whom Franchisee has had business contact during the term of this Agreement; or
2. Do or perform any other act injurious or prejudicial to the goodwill associated with the Names and Marks or the System or both.

F. Franchisor Is Entitled to Injunctive Relief

In addition to any and all other remedies and damages to which we are entitled, in order to protect our Names, Marks, Services, Products, Confidential Information, proprietary materials and rights, and goodwill, we may seek a permanent injunction and the preliminary or temporary equitable relief we deem necessary, to restrain the violation of this Agreement by Franchisee or any persons, parties, and entities acting for Franchisee. Franchisee agrees that we may obtain injunctive relief and enter it in any court or arbitration forum that we deem appropriate.

In recognition of the difficulty in determining on an expedited basis the value of, and the necessity of us to avoid irreparable harm and to protect, our Names and Marks, Products, Services, Confidential Information, methods of operation, copyrighted materials, patents, trade secrets, proprietary materials and rights, and goodwill, Franchisee waives, to the extent permitted by law, the right to interpose the defense that we have an adequate remedy at law. Franchisee further waives any requirement that we post a bond or other security, to the extent permitted by law.

G. Covenants Are Enforceable Independent of Claims

Franchisee expressly agrees that the existence of any claim it may have against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of the covenants of this Section XIX. Franchisee further agrees that we shall be entitled to set off any amounts owed by us to Franchisee against any loss or damage to us resulting from Franchisee's breach of this Section XIX.

H. No Right of Set-Off

Franchisee expressly agrees that the existence of any claims it may have against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of the covenants in this Section XIX and there shall be no set off for Franchisee's claim. Franchisee agrees to pay all damages, costs and expenses (including reasonable attorney's fees) incurred by us in connection with the enforcement of this Section XIX.

I. Disclosure of Contact Information in FDD

Franchisee acknowledges that its contact information will be included in our Franchise Disclosure Document in the future, as required by Ohio and other state agencies and the Federal Trade Commission, and that such inclusion may result in prospective franchisees contacting Franchisee.

XX. OBLIGATIONS OF THE FRANCHISOR: SUPERVISION, ASSISTANCE AND SERVICES

We shall provide the Franchisee with the following assistance and services:

A. The Training Program

We will provide access to a self-study program (and related materials) that must be completed prior to attending our initial training program which consists of two parts. Part one of our initial training will take place after Franchisee pays the Initial Franchisee Fee and within sixty (60) days after Franchisee secures the site for its Facility and prior to: the launch of any membership pre-sales program; any advertising or marketing initiated to promote the Business; Franchisee starts accepting any membership fees; Franchisee sells any Products; and/or Franchisee starts accepting fees for classes, programs or workshops. Part one of our initial training program is six (6) days at our headquarters or another location of our choice. Franchisee (and any Owner who will be participating in the operations of the Business) and its membership manager are required to attend part one of our initial training program. We will provide part two of our initial training program no earlier than sixty (60) days before Franchisee anticipates physically opening its Facility for operation and only after Franchisee or an Owner has obtained a federal firearm license Type 1 for the Business and Franchisee has been identified who will be Franchisee's lead instructor and such person has an RSO certification, as described in Section XII.C of this Agreement. It is required that Franchisee, any Owner (who will be participating in the operations of the Business), Franchisee's General Manager, membership manager and its lead instructor attend part two of our initial training program which is three (3) weeks held at corporate headquarters or any location we specify. We will provide both parts of our initial training without charge to Franchisee and up to four (4) additional individuals (total of five (5) people), being the Franchisee, Owner, General Manager, membership manager and lead instructor or any combination thereof as designated by Franchisee. Franchisee will, however, be responsible for travel, accommodation, food, and other costs for all its attendees and such persons must attend and satisfactorily complete such training within the timeframe mentioned above. If Franchisee, any Owner, General Manager, membership manager and its lead instructor fails to complete the initial training program to our satisfaction, Franchisee has the right to appoint another person to be trained by us at Franchisee's expense and if the other person does not satisfactorily complete the training to our satisfaction, then we may terminate this Agreement as described in Section XXIII.C. Any General Manager or membership manager designated by Franchisee who is replacing a previously trained General Manager or membership manager must be trained by Franchisee at its expense within sixty (60) days of first employment. Any lead instructor replacing a previously trained lead instructor must be trained by a master instructor within thirty (30) days of first employment at Franchisee at its expense. For a second or subsequent Business Franchisee purchases, we are not obligated to provide additional training to Franchisee at no cost.

We may reasonably require Franchisee, its Owners, General Manager, membership manager and/or lead instructor to receive or attend and complete to our satisfaction additional or advanced training from time to time. Franchisee may be required to pay a fee for such training of up to four hundred dollars (\$400) per person per day. Franchisee must also pay for travel, food, and accommodations and all other related expenses. We will attempt to use virtual learning techniques where possible, to minimize these costs.

Depending on availability, we may provide additional training to Franchisee, its Owners, General Manager, membership manager and/or lead instructor at Franchisee's request. Franchisee may be required to pay us any additional costs over and above the additional training fees such as travel that we reasonably incur should training be held at Franchisee's Facility. If additional training is held at our corporate headquarters, Franchisee will be responsible for travel, food and accommodations and other expenses of all its trainees.

We offer training resources, such as an Operations Manual, to assist franchisees at their business location. Franchisee acknowledges that its compliance with the Operations Manual is vitally important to us and other System franchisees and is necessary to protect our representation and the guidance of the Names and Marks and to maintain the uniform quality of operation throughout the System. However, while the Operations Manual is designed to protect our reputation and the goodwill of the Names and Marks, the Operations Manual is not designed to control the day-to-day operation of the Business. Franchisee shall give us not less than thirty (30) days' notice of the dates and times when Franchisee is available for training. Training dates must be mutually agreed upon by Franchisee and us.

- (i) We shall also offer additional training resources to the Franchisee to be determined by us, for the operation, advertising and promotion of the Business including refresher training programs, seminars, workshops, annual conferences and information available through the franchise website for the benefit of the Franchisee and its Owners, General Manager, membership manager and lead instructor. We may charge a reasonable fee for additional training if deemed appropriate (distinct from continuing education) but not to exceed a pro-rated amount of the advanced/additional training fee. All traveling, food, accommodations and other expenses incurred by the Franchisee or Franchisee's representatives attending our training shall be paid by Franchisee.
- (ii) We may conduct an annual conference at such place as shall be designated by us for all franchisees but initially will most likely be at our headquarters. A registration fee for each participant may be required not to exceed one thousand dollars (\$1,000) per person and plus expenses and Franchisee will be responsible for all costs associated with attending the conference such as travel, food, accommodations and other expenses. We reserve the right to increase the fee a reasonable amount based on reasonable criteria.
- (iii) We may provide continuing education sessions ("Continuing Education") at locations designated by us but most likely at our headquarters. Continuing Education sessions may have a registration charge of four hundred dollars (\$400) per day per person. Franchisee is also responsible for costs associated with attending the meetings such as travel, food and accommodations or our expenses (such as travel, food and accommodations) if we provide Continuing Education sessions onsite at Franchisee's Facility. The Continuing Education sessions will normally not exceed one (1) day and it is expected we will at least have quarterly programs subject to special need. The content will cover particular aspects of the franchise including but not limited to: new Products, Services, updated Curriculum, advertising and promotional programs; industry developments, technology updates, software updates and developments, operational standards, sales, marketing, administration and so forth. We reserve the right to increase the per day fee a reasonable amount based on reasonable criteria.

We reserve the right, in our sole discretion, to add, modify, change or discontinue any Product, Service or Curriculum from time to time as specified in Sections XII.H and XII.I of this Agreement. Franchisee will be responsible for all costs associated with the administration of such changes.

We will provide Franchisee with any Software, if developed. Basic initial training for the Software and all other software programs necessary to run the Business will be provided as part of the initial franchise training program. In addition, we may provide technical support, ongoing assistance, consultation and upgrade requirements for Franchisee's POS system, server, computers, laptops, tablets and software. Franchisee shall give us not less than thirty (30) days' notice of when Franchisee wants us to provide either the pre-opening or grand opening assistance. The dates for our visit for such assistance and guidance must be mutually agreed upon by Franchisee and us. Such assistance shall be completed no earlier than sixty (60) days prior to the Opening Date and completed no later than ninety (90) days after the Facility is open for operation. Any costs incurred by us in connection with either the pre-opening or grand opening assistance onsite at Franchisee's Business within the timeframe as described above will be paid by us. If Franchisee does not take advantage of this onsite assistance and guidance within the timeframe described above, then we are not obligated to provide such assistance to Franchisee without charging Franchisee for the actual wages and travel expenses incurred by us. For Franchisee's second and subsequent Businesses, if any, we will provide the same pre-opening or grand opening supervision and assistance as described above; however, Franchisee will be responsible for actual wages and travel expenses incurred by us. In such circumstances where Franchisee is responsible for actual wages and travel expenses, we will provide Franchisee with invoices for amounts owed and we may require Franchisee to pre-pay all or a portion of the actual amounts incurred by us. Additional support requested by Franchisee will be subject to the training charges as described in Section XX.A.

We will provide additional guidance during the operation of the Business in an effort to provide assistance to resolve operational challenges Franchisee may encounter outside the scope of the Operations Manual. This guidance can be furnished in whatever manner we consider appropriate in our Business Judgment, including electronically via an intranet system, free of charge, to answer questions from Franchisee and its staff (during regular business hours Eastern Time Zone). Guidance may also be furnished in writing, telephonically, through training programs and/or onsite consultations, web-based computer training, among other methods. Onsite consultations are subject to additional training fees as mentioned above in addition to any and all travel, food, accommodations and other expenses incurred by us and shall be paid by Franchisee.

We may provide guidance to Franchisee in its efforts to obtain all certifications, licenses and permits required to operate the Business. Ultimately, however it is Franchisee's responsibility and obligation to obtain and maintain all such certifications, licenses and permits and all out of pocket costs associated with obtaining and maintaining such certifications, licenses and permits as described in Section XII.C of this Agreement.

We may, from time to time, provide to Franchisee, at Franchisee's expense, such advertising, promotional programs, plans and materials for local advertising and may direct the discontinuance of such plans and materials, from time to time. In addition, we may provide such communication concerning Products, Services, Curriculum, third party software, industry developments, promotional programs and improvements to the management of the Business that we determine are relevant to the operation of the Business and communication with other franchisees by means of our intranet system. We may also establish a Franchisee elected peer group whose main purpose will be to mentor, support each other and regularly communicate to franchisees. We have the power to dissolve, merge, or change such peer advisory groups.

We shall provide guidance and specifications for all equipment, furniture, fixtures, technology items, décor and signage Franchisee must purchase all of which is necessary to operate the Business. We shall also provide guidance for establishing standardized accounting, record keeping, cost management and inventory tracking systems. We will also provide Franchisee with all update and upgrade requirements for its technology items and related software programs in response to changes in the Operations Manual or changes in our policies that are communicated to Franchisee in writing. The cost for such updates and/or upgrades is Franchisee's responsibility.

We will consult with Franchisee at no additional charge regarding policies, sales, marketing and operational issues. Franchisee will also be able to send us questions and suggestions using Internet email or the intranet system as described above and in Section XII.H of this Agreement.

B. Web Page

We will provide to Franchisee a Midwest Shooting Center® website which is a URL housed within the corporate website that will include online scheduling functionality and access to our intranet system that houses additional training, advertising, operational and support materials. Franchisee may customize parts of the website with our approval; however, the look must remain consistent as specified in the Operations Manual. Franchisee agrees and acknowledges that maintenance and any changes, edits or updates to the website and/or any Website promotions over the Internet must be performed by us, our affiliates and/or approved vendors. Upon approval of Franchisee's request, which must be submitted in writing, Franchisee is responsible for the cost of such changes. Franchisee may neither establish nor use any Website without our prior written approval and if such approval is granted Franchisee must comply with our requirements regarding discussing, advertising or disseminating any information on a Website, regarding the Business as described in Section VI of this Agreement. Such approval may be revoked at any time by us in our sole and absolute discretion. We shall own all copyright and other intellectual property rights to the website, as well as the contents of the corporate website or any other Website upon expiration

or termination of this Agreement as described in Section XXIV.E. This shall include ownership rights in all media, whether now known or hereinafter invented, by all means, methods, and processes, whether now known or hereinafter invented, including interactive rights and rights to derivative works.

C. Site Selection

Franchisee has the responsibility for selecting a site for the Business. If Franchisee is leasing a space for the Business, we must review and approve the lease prior to the lease being signed. If the Franchisee is purchasing property, we must review and approve the purchase contract prior to it being signed. We will review and approve or disapprove the location of the Business and will not unreasonably withhold our approval. We shall have the right, but not the obligation, to inspect the site for the Business prior to opening. Franchisee is also responsible for all lease negotiations.

We do not represent that we have any special expertise in selecting sites. Our approval of a site is not a representation or warranty that Franchisee's Business will be profitable or that Franchisee's sales will attain any predetermined levels. Approval is intended only to indicate that the proposed site meets our minimum criteria for identifying sites. Franchisee agrees that our approval or disapproval of a proposed site does not impose any liability on us.

D. Facility Layout and Design

We will assist the Franchisee in the review of the layout and design of the Facility prior to the Franchisee signing a lease or sublease. We will provide Franchisee with guidelines of the layout and design of its Facility; however, Franchisee may need to hire its own architect, at its own expense, to create a complete set of drawings based on the Facility size and local permitting requirements. We must review and approve Franchisee's architect's final plan. We do not represent that we have any special expertise in approving Franchisee's final set of drawings. Our approval of Franchisee's architectural plan is not a representation or warranty that such plan will meet local permitting requirements or that such plan will not have to be revised or done over again in order to get final approval by local authorities. Approval is intended only to indicate that the Facility layout meets our minimum criteria. Franchisee agrees that our approval or disapproval of Franchisee's architectural plans do not impose any liability on us. The costs of leasehold improvements, furniture, fixtures, equipment, technology items, signage and décor for finishing out the Facility are the responsibility of the Franchisee.

We will make available, at no charge to Franchisee, and advise Franchisee with regard to, design plans, floor plans, schematics and mandatory specifications for the construction and layout of the Facility which includes the exterior and interior design. Franchisee acknowledges that Franchisee is responsible for all costs associated with architectural, floor plans and all setup required for the Facility. Franchisee acknowledges that such specifications shall not contain the requirements of any federal, state or local law, code or regulation (including without limitation those concerning the Americans with Disabilities Act (the "ADA") or similar rules governing public accommodations or commercial facilities for persons with disabilities). Franchisee must adhere to all local zoning ordinances, regulations, fire, health and building codes, compliance with all of which shall be Franchisee's responsibility and at Franchisee's expense. Franchisee shall adapt, at Franchisee's expense, standard plans, and specifications for the Facility, subject to our approval, as provided in Section XII.T of this Agreement, which will not be unreasonably withheld, provided that such plans and specifications conform to our criteria.

Franchisee understands and acknowledges that we have the right to modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications as we deem appropriate, periodically (however we will not modify the final set of drawings, architectural plans, floor plans, schematics and/or specifications for the Facility developed pursuant to this Agreement once those final set of drawings, architectural plans, floor plans, schematics and/or specifications have been approved by us and given to Franchisee).

E. Hiring Employees

We will provide Franchisee with recommended hiring guidelines when hiring Employees (defined in Section XII.F of this Agreement) and independent contractors (if Franchisee chooses to use independent contractors) for the Business; however, Franchisee acknowledges Franchisee is solely responsible for final employment and termination decisions. Such recommendations and suggestions will be covered in the initial training program and are listed in the Operations Manual. Franchisee understands that such recommendations and suggestions will be updated and may change periodically at our discretion. Franchisee can negotiate any rate for Employees. Franchisee acknowledges that we have made no guarantee or warranty that using any such suggested rates or wages will enhance Franchisee's sales or profits. Rates, benefits, hours, and/ or wage negotiations with Employees are the sole responsibility of the Franchisee. Franchisee acknowledges that it is fully in charge of hiring of all Employees (and independent contractors if applicable) and for managing such individuals on an on-going basis. Our input as to hiring and management of Employees and independent contractors are suggestions and guidelines which we believe are important, and except for specific requirements set forth in this Agreement or the Manual, Franchisee is responsible for making all employment related decisions.

Failure of Franchisee to adhere to our guidelines and standards when hiring Employees, which must include performing background checks for all prospective employees and any independent contractors (if Franchisee chooses to use independent contractors), will be considered a breach of this Agreement and we may terminate the Agreement in our sole discretion, except where the Franchisee has reasonable cause to deviate from our standards as described in Section XXIII.C of this Agreement.

F. No Warranties Other Than in Writing

With respect to equipment, products, supplies and/or services (as described in Section XII.I) provided by us or our affiliates and/or any person/company referred/approved by us or our affiliates, other than specific written warranties expressly provided in connection with such items, such items are provided without any warranties, express or implied, the warranties of merchantability and suitability for a particular purpose being expressly disclaimed. In addition, we make no warranties regarding any open source code contained in any software that we may provide to the Franchisee. We do not warrant that any such software shall be free of bugs, viruses, worms, or Trojan horses.

We are not liable for any guarantee or warranty that Franchisee or any Owners, managers, Employees or independent contractors (if Franchisee chooses to use independent contractors) make to a customer, member or third party. Franchisee will fully comply with our membership packages and Warranty Management Program in addition to any other warranty programs, any promotional programs, loyalty programs, gift certificate, gift card or promotions developed and designed by us as described in Section XII.H of this Agreement. Franchisee will not misrepresent or omit or fail to state any warranty or guarantee when such programs are implemented.

G. Operations Manual

We will revise the Operations Manual and the contents of any other manuals and materials created or approved for use in the operation of the Business, from time to time as we deem necessary to improve on its methods of operations. Franchisee expressly agrees that each new or changed standard shall be deemed effective upon receipt by Franchisee or as specified in such standard. We will lend Franchisee the confidential Operations Manual for the initial Franchisee training session and if Franchisee satisfactorily completes training, for the term of this Agreement. If the copy of the Operations Manual loaned to Franchisee is lost, stolen or destroyed before Franchisee returns it to us, Franchisee must replace such manual its own expense.

The Operations Manual is designed to protect the System and the Names and Marks associated with the System, and not to control the day-to-day operation of the Business. Franchisee at all times will remain responsible for the operation of the Business and all activities occurring at the Business.

Franchisee shall at all times treat the Operations Manual and any of our written directives, any business plans and specifications, and any other manuals created for or approved for use in the operation of the Business, and any supplements thereto, and the information contained therein, in trust and as Confidential Information, as well as the trade secrets of ours, and shall use all reasonable efforts to maintain such information as secret and confidential. Franchisee shall not at any time copy, duplicate, record, or otherwise reproduce the foregoing materials, in whole or in part, nor otherwise make the same available to any unauthorized person.

The Operations Manual, written directives, other manuals and materials, and any other confidential communications provided or approved by us, shall at all times remain our sole property and shall at all times be kept and maintained in a secure place at the Business.

Franchisee shall at all times ensure that its copy of the Operation Manual is kept current and up to date; and, in the event of any dispute as to the contents of the Operation Manual, the master copy of the Operations Manual maintained by us at the corporate offices shall be controlling.

Any suggestions the Franchisee may have concerning the improvement of our website or Websites, facilities, Products, Services, Curriculum, vendors and/or suppliers, equipment, products, advertising, promotional programs, plans and marketing materials are encouraged and shall be considered by us when adopting or modifying the standards, specifications and procedures for the System.

H. Selecting Vendors

We shall provide Franchisee with a written list of approved vendors and suppliers that may include or be limited to us or our affiliates for equipment, products, supplies and services (as described in Section XII.I) necessary for the operation of the Business. We will provide Franchisee with a list of all approved equipment, products, supplies and services that Franchisee is authorized to use, offer or sell in the operation of its Business; and a written list of all approved vendors and suppliers to purchase such items from during the initial training program. Franchisee understands that such lists will be updated and may change periodically at our discretion and Franchisee agrees to implement such updates at Franchisee's expense as described in Section XII.I of this Agreement. We will train Franchisee on purchasing, cost management and inventory strategies during the initial training program. Franchisee will be required to submit in writing alternate equipment, products, supplies, services, vendors or suppliers to us for approval as described in Section XII.I of this Agreement. Franchisee acknowledges that we may receive rebates and/or other payments from some or all of the approved vendors.

I. Availability of Equipment, Products and Supplies

We will use commercially reasonable efforts to ensure that authorized vendors and suppliers, which may include or be limited to us and our affiliates, maintain a reasonable supply of equipment, products, supplies and services (as described in Section XII.I) for purchase by Franchisee. We require that the Franchisee purchase such items from us, our affiliates or approved vendors and/or suppliers. We will provide Franchisee with a list of written specifications for such items along with a list of our approved vendors and Franchisee is responsible for acquiring all such items as they are necessary for the operation of the Business. All items that are provided by us or our affiliates will be competitively priced, taking into account equivalent quality and other reasonable considerations.

We reserve the right to establish prices for Products (including map pricing for certain Products as required by manufacturers) and rates for Services from time to time based on competition prevalent within

the firearm industry (as further described in Section XX.K). We shall publish inventory and Minimum Representation requirements in the Operations Manual and such requirements may be amended from time to time by us in our sole discretion.

We reserve the right to implement a centralized purchasing system for franchisees and to negotiate prices and terms with vendors and suppliers and to receive rebates or other financial incentives from such purchases by franchisees. We may utilize such rebated funds in any manner we choose in our sole discretion and we reserve the right to require franchisees to purchase all equipment, products and services as more fully described in Section XII.I. We also reserve the right to require franchisees to purchase all equipment, products, supplies and services through our intranet system.

J. Advertising and Promotion

We shall develop and provide creative materials (at our expense) that could be used for local and regional advertising and make such advertising and promotional materials available to our franchisees. Publication or distribution of such materials in the Franchisee's market area shall be at Franchisee's own expense. We will provide specific guidelines for advertising, marketing and promotions initiated by individual franchisees and shall reserve the right to disapprove any advertising, marketing and promotions, which, in our opinion, are not in accordance with these guidelines. However, no such approval shall be unreasonably withheld or denied. Immediately upon notification to do so, Franchisee shall discontinue any advertising that would, in our Business Judgment, be detrimental to any franchisee or any part of the System or the Franchise.

K. Suggested Pricing for Products and Rates for Services

We will provide Franchisee with guidance and suggested pricing for Products and rates for Services offered by our franchisees. Franchisee shall have the right to sell and offer Products and Services at any price and/or rate Franchisee may determine and we reserve the right, to establish minimum and maximum pricing for any given Product (including map pricing for certain Products as required by manufacturers) and rates for Services nationwide to the extent allowed by federal and state laws as explained in Sections XII.H and XII.I of this Agreement. Suggested pricing for Products and rates for Services may vary from region to region to the extent necessary to reflect differences in costs and other factors applicable to such regions. If Franchisee elects to offer and sell any Product or Service at any price or rate recommended by us, Franchisee acknowledges that we have made no guarantee or warranty that selling and offering such Products or Services at the recommended prices or rates will enhance Franchisee's sales or profits.

We will provide Franchisee with recommended procedures when accepting returns for Products and refunding memberships. We will also provide Franchisee with sample sets of forms including policies, contracts, waivers, agreements, advertising, promotional and marketing materials in addition to various operational forms for use in the Business during the initial training program. We do not warrant the completeness, legality or enforceability of any agreements or forms. Franchisee must retain its own counsel to review and revise such agreements and forms to comply with applicable federal and state laws. At our discretion, any and all forms used by Franchisee shall be subject to our review and approval and our decision of such approval will be provided within thirty (30) days after such forms are received by us.

We will continue to research and develop new Products and Services as we deem appropriate in our sole discretion. We may conduct market research and testing to determine consumer trends and salability of new Products and Services. If we select Franchisee, Franchisee can choose to participate in a market research program to test market new Products and Services in the Facility and provide us with timely reports and other relevant information regarding that market research. If Franchisee participates in any test marketing, Franchisee agrees to purchase, at Franchisee's expense, a reasonable quantity of products or services being tested and to effectively promote and make a good faith effort to offer and/or

sell them. Franchisee shall participate in and comply with our proprietary tiered membership packages, promotional programs and all other types of packages, loyalty programs, sales and promotional programs and/or Product promotions established by us.

L. Business Planning Assistance

After Franchisee signs this Agreement, we may review and comment on any business plan and pro forma financial projections Franchisee prepares. We do not represent that we have any special expertise in reviewing or developing business plans, or that any business plan developed by us will result in any profits, revenues, incomes, margins, or sales. Our review and commentary of a business plan or financial proforma is not a representation or warranty that the Franchisee's business will be profitable, that the Franchisee will earn any revenues, or that Franchisee's sales will attain any pre-determined sales levels. Our review and commentary is intended only to provide information sharing to Franchisee and Franchisee agrees that such review and commentary does not impose any liability on us. Franchisee specifically acknowledges that we have not reviewed or commented on any business plan or pro-forma prior to the Effective Date of this Agreement.

XXI. VARYING STANDARDS

Because complete and detailed uniformity under many varying conditions may not be possible or practical, we specifically reserve the right and privilege, in our sole and absolute discretion and as we may deem to be in the best interests of all concerned in any specific instance, to vary standards for any franchisee based upon the peculiarities of a particular Business or circumstance, physical characteristics, freeway access, density of population or trade area, existing business practices, or any other condition which we deem to be of importance to the successful operation of such franchisee's Business. Franchisee shall not have any right to object to a variation from standard specifications and practices granted to any other franchisee and shall not be entitled to require us to grant to Franchisee a like or similar variation, unless the laws of the Franchisee's state expressly requires us to grant such a similar variation.

Franchisee acknowledges that when we use the phrases "sole and absolute discretion," "sole discretion" and/or "Business Judgment," whether in this Agreement or another context, Franchisee and we agree that we have the wholly unrestricted right to make decisions and/or take (or refrain from taking) actions, except that we will not do so arbitrarily. We shall use our judgment in exercising such discretion based on our assessment of the interests we consider appropriate and will not be required to consider Franchisee's individual interests or the interests of any other franchisee(s). Franchisee, we and all other franchisees have a collective interest in working within a franchise system with the flexibility to adjust to business conditions, including but not limited to the competitive environment, new regulatory developments and emerging business opportunities. Therefore, Franchisee and we agree that the ultimate decision-making responsibility for the System must be vested in us. So long as we act in material compliance with the requirements of this Agreement, we will have no liability for the exercise of our discretion in accordance with the provisions of this Agreement.

XXII. RELOCATION, ASSIGNMENT, TRANSFER, SALE OR REPURCHASE OF FRANCHISED BUSINESS

A. Relocation

Any relocation (1) shall be to a location within the Territory (unless waived by us), (2) requires our prior written consent, which we may grant, condition or withhold in our Business Judgment (and may be withheld, in any case, if Franchisee is not in good standing), (3) will be at Franchisee's sole expense and (4) will require that Franchisee (and each Owner if an Entity) sign a general release.

B. General Requirements for Assignment by Franchisee

Franchisee shall not voluntarily or involuntarily transfer, sell, assign or encumber any interest in or ownership or control of Franchisee, the Franchised Business, and/or its assets, the Business or this Agreement (however Franchisee is allowed to transfer up to twenty percent (20%) of its shares or other ownership interests as described below), except in the ordinary course of business, or make any lease or sublease of any property Franchisee is leasing or subleasing in connection with the Business, without our prior written consent. Any attempted sale, assignment or transfer of any interest in Franchisee, the Franchised Business, and/or its assets, the Business or this Agreement without our prior written consent will be a default under the terms of this Agreement, and will be voidable by us. In granting any such consent, we may impose reasonable conditions, including, without limitation, the following:

1. Franchisee must be in full compliance with the terms of this Franchise Agreement, including being paid in full on all fees due and having settled all outstanding accounts with us, our affiliates and all suppliers;
2. The proposed transferee (or its partners, members, managers, directors, officers, or controlling shareholders, if it is a corporation, limited liability company or partnership) must meet our then-applicable standards;
3. The proposed transferee (or if an Entity, its owners, managers, directors, or officers) must not operate a franchise, license another or operate businesses offering services and products similar to those offered by a Midwest Shooting Center® Business;
4. We shall charge a flat transfer fee of five thousand dollar (\$5,000) to Franchisee when transferring a part of its Franchise Business (defined as up to 49% of the stock, membership units, partnership units or share of any business trust); or a flat transfer fee of fifteen thousand dollars (\$15,000) when Franchisee transfers its entire Franchise Business (defined as 49% or more of the stock, membership units, partnership units or share of the business trust) upon our written consent (defined as all other transfers). The term “flat transfer fee” means that Franchisee shall pay this amount regardless of whether our actual cost to process the transfer is higher or lower than such amount. The flat transfer fee will include, but not be limited to, reasonable attorney’s fees actually incurred, the cost of investigating the transferee and our administrative expenses (including employee salaries, sales staff commissions, travel costs, out of pocket costs properly attributable to the transfer). In addition, if the transferee was already in our lead database at the time of first contact between Franchisee and the transferee, we may require Franchisee to pay a referral fee, in addition to the flat five thousand dollar (\$5,000) or the fifteen thousand dollars (\$15,000) fee described above, plus the amount of any broker fees that we are responsible for paying to third parties (does not include our employees);
5. Transferee, its General Manager, membership manager and lead instructor must successfully complete the training programs then required of new Franchisees at a cost of four hundred dollars (\$400) per person per day and expenses, subject to increase from time to time.
6. Franchisee shall have substantially complied with all of the terms and provisions of this Agreement, any amendment hereof or successor hereto, or any other agreements between the Franchisee and our subsidiaries or affiliates and, at the time of transfer, shall not be in default;
7. Franchisee shall have executed a general release, in a form satisfactory to us, of any and all claims against us and our officers, directors, shareholders and employees, in their

corporate and individual capacities, including, without limitation, claims arising under federal, state, and local laws, rules, and ordinances;

8. The transferee (and, if the transferee is other than an individual, such principals and/or owners of a beneficial interest in the transferee as we may request) shall enter into a written assumption agreement, in a form satisfactory to us, assuming and agreeing to discharge all of Franchisee's obligations, known by transferee after reasonable inquiry, under this Agreement and/or any new franchise agreement, hereinafter provided;
9. The transferee must meet our subjective and objective standards, including all quality standards, experience, talent, skills, educational, managerial, business and financial capacity and must; have secured a federal firearm license Type 1 for the Business; either have RSO certification and be its own lead instructor or have a plan to hire such a lead instructor with the required certification; have the aptitude and ability to operate a Midwest Shooting Center® business; have adequate financial resources and capital to operate the Business; and the transferee's General Manager, membership manager and lead instructor must complete our initial training program to our satisfaction;
10. The transferee (and, if an Entity, its Owners of a beneficial interest in the transferee as we may request) shall execute and agree to be bound by the then current form of this Agreement, which form may contain provisions that materially alter the rights or obligations under this Agreement. Alternatively, we may in our sole discretion require the transferee to sign the then current form of this Agreement then being used by us, but where the term will end on the expiration date of this Agreement and with such renewal term, if any, as may be provided by this Agreement and the following requirements apply: (i), the transferee shall sign all other ancillary agreements as we may require for the Franchise Business as required under the then current form of this Agreement, which agreements shall supersede this Agreement in all respects, and (ii) additional changes to the terms of the Agreement may be made at our sole discretion, which include, without limitation, higher royalty fee payments, advertising contributions and renewal rights;
11. The transferee, at its expense, shall upgrade the Business to conform to the then-current standards and specifications of the System and shall complete the upgrading and other requirements within the time specified by us;
12. Franchisee shall remain liable for all of the obligations to us in connection with the Business incurred prior to the effective date of the transfer and shall execute any and all instruments reasonably requested by us to evidence such liability;
13. Franchisee must obtain and submit satisfactory evidence of transfer or consent of lenders, lessors and governmental authorities for all material permits, approvals and licenses;
14. Franchisee may transfer up to twenty percent (20%) of its shares or other ownership interests to any person or entity, in the aggregate, without invoking this provision, provided that in connection with any such transfer of more than ten percent (10%) ownership, the transferee executes the same Guaranty and other agreements which would be required upon execution of this Agreement by Franchisee, if such transferee had then been the owner of such percentage of Franchisee's shares or other ownership interests. Franchisee's transfer of an ownership interest without complying with the foregoing, or transfers of more than twenty percent (20%) ownership in the Franchisee's entity, in one or more transfers, without our prior written approval is a material breach of this Agreement;

15. The transferee shall agree to a sublease or to a transfer and assignment, and assumption of the lease of the Business from the original Franchisee and shall obtain the landlord's approval if required prior to any transfer or sublease, if applicable;
16. The transfer must be completed in compliance with the terms of any applicable leases and other agreements and with all applicable laws, including but not limited to licensing and operations-related laws and/or laws governing franchise sales;
17. Franchisee agrees that we may (but are not required to) discuss with Franchisee and/or the proposed transferee any matters related to any transfer at any time which we consider to be appropriate in our Business Judgment without liability (including our opinion of the terms of sale, performance of the Franchise, etc.). Franchisee expressly consents to any such discussions by us and we may contact any proposed transferee directly regarding such matters or otherwise;
18. Neither Franchisee nor any transferee shall rely on us to assist in the evaluation of the terms of any proposed transfer. Franchisee acknowledges and agrees that an approval of a proposed transfer shall not be deemed to be an approval of the terms, nor any indication as to any likelihood of success or economic viability;
19. Franchisee and its Owners and/or Principals will agree not to compete, not to divert our customers or members, or attempt to hire Employees, after the transfer in accordance with restrictions acceptable to us and substantially similar to those described in Section XIX.C of this Agreement; and
20. Franchisee and its Owners and/or Principals will not directly or indirectly at any time or in any manner (except with respect to other Midwest Shooting Center® Businesses that Franchisee or its Principals own and operate) identify itself or any business as a current or former Midwest Shooting Center® business or as one of our franchise owners; use any Mark, any colorable imitation of a Mark, or other indicia of a Midwest Shooting Center® business in any manner or for any purpose; or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with us as described in Sections XXIV.A and XXIV.C of this Agreement.

In addition, the Franchisee must submit copies of the draft Asset Purchase Agreement or Ownership Purchase Agreement, all draft Promissory Notes, and Security Agreements, with the transferee, regardless of whether they are Franchisee financed or lender financed. In addition to all other grounds for rejection, we have the right to reject any proposed purchase of the assets of the Franchised Business or any type of ownership interest in the Franchisee or Franchised Business on the grounds that the proposed transferee has in our sole opinion taken on too much debt.

C. Transfer, Sale or Assignment by Franchisor and Franchisor's Right of First Refusal

Franchisee acknowledges that we have an unrestricted right to sell, transfer or assign our rights or obligations under this Agreement to any transferee or legal successor of ours.

We will have a right of first refusal regarding any proposed transfer, by Franchisee or an Owner of Franchisee, subject to this Agreement. During the term of this Agreement, if Franchisee, and any of its Owners wish to sell, assign or otherwise transfer an interest in this Agreement, the Franchised Business and/or its assets, or an ownership interest in Franchisee (collectively the "Interest"), then Franchisee will comply with the requirements of Sections XXII.B, XXII.C, XXII.E and XXIV.G of this Agreement.

Franchisee will notify us within ten (10) days after Franchisee has commenced discussions or communications even if preliminary, regarding such a proposed sale, assignment or transfer and then send us written updates of the status of such discussions or communications every thirty (30) days thereafter unless and until such discussions or communications have ceased, in which case Franchisee must notify us in writing within five (5) days that such discussions or communications have ceased. Whether the discussions have ceased or not, at our option, we may require Franchisee to send us, by certified mail or other receipted delivery, copies of any materials or information sent to the proposed buyer or transferee regarding the possible transaction as well as any materials Franchisee sends to the buyer or transferee. Before agreeing to any such transaction, Franchisee and its Owners agree to obtain from a responsible and fully disclosed buyer, and then send us, a true and complete copy of a bona fide, executed written offer (which may include a letter of intent) relating to any proposed transfer. The offer must include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. The bona fide offer with the proposed purchase price must be in a dollar amount, and the proposed buyer must submit with its offer a fifteen thousand dollars (\$15,000) earnest money deposit (if a proposed disposition is part of a transaction involving additional Midwest Shooting Center® businesses, operating under other franchise agreements or license agreements with us, the proposed buyer must pay Franchisee this earnest money deposit for each Midwest Shooting Center® Business involved).

To enable us to determine whether we will exercise our option, Franchisee or its Owners, shall provide such information and documentation, including financial statements, as we may require (as noted below). In the event that we elect to purchase said Interest, closing on such purchase must occur within ninety (90) days from the date of notice to the Franchisee of our election to purchase said Interest. Failure of us to exercise the option afforded by this Section XXII.C shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of Section XXII.B, with respect to a proposed transfer of any Interest. Any later change in the terms of any offer prior to closing shall constitute a new offer subject to the same rights of first refusal by us as in the case of an initial offer.

We may, by delivering written notice to Franchisee or its Owners within thirty (30) days after we receive both an exact copy of the offer and the Preliminary Due Diligence Package (the date on which we have received the exact copy of the offer and the Preliminary Due Diligence Package is called the “Trigger Date”), notify Franchisee of our non-binding preliminary intent to purchase or not to purchase the interest proposed to be sold. The “Preliminary Due Diligence Package” is information and copies of documents (where applicable) that Franchisee supplies to us which consists of Franchisee’s financial statements (including monthly revenue information) for the preceding three (3) years, a copy of the Business’s current lease or sublease (if we do not already have it), payroll tax records for the past three (3) years, business income tax records for the past three (3) years, information about the number and compensation of Employees working at the Facility, customer and member records, Franchisee’s merchant account printouts for the past three (3) years, Franchisee’s bank deposits for the past three (3) years, and a description of competing firearm-related businesses and/or any other type of businesses offering similar Products and Services operating within the Territory. If we notify Franchisee within thirty (30) days after the Trigger Date (the “First Notice Deadline”) that we are preliminarily interested in exercising our right of first refusal, we will have an additional thirty (30) days after the First Notice Deadline both to conduct our due diligence and then to notify Franchisee of either our binding intent to exercise our right of first refusal or our decision not to exercise this right. This additional period is called the “Due Diligence Deadline”. If we elect to purchase the interest proposed to be sold for the price and on the terms and conditions contained in the offer:

- 1) We may substitute cash for any other form of payment proposed in the offer (such as ownership interests in a privately-held entity);
- 2) Our credit will be deemed equal to the credit of any proposed buyer (meaning that, if the proposed consideration includes promissory notes; we may provide promissory notes with the same terms as those offered by the proposed buyer, except as to subordination).

Regarding subordination, Franchisee acknowledges and agrees that our obligations under the promissory notes then outstanding to any and all lenders, although senior to the equity rights of our owners will also be senior to the promissory notes given to Franchisee;

- 3) We will have an additional thirty (30) days after the Due Diligence Deadline to close; and
- 4) We must receive, and Franchisee agrees to provide, all customary representations and warranties given a seller of assets of a similar business or the ownership interests in a similar legal entity, as applicable, including, without limitation, representations and warranties regarding:
 - (i) Ownership and condition of and title to ownership interests and/or;
 - (ii) Liens and encumbrances relating to ownership interests and/or assets;
 - (iii) Validity of contracts and the liabilities, contingent or otherwise, of the entity whose ownership interests are being purchased;
 - (iv) All equipment, products, supplies, technology items, software and vehicles (if applicable) are in good working condition and suitable for use;
 - (v) No litigation or administrative proceedings pending against the Franchisee, or any of its officers, directors, or Owners arising out of the Franchisee's Business;
 - (vi) There are no notices from any federal, state, or local governmental authority to make any changes to the Business or that negatively affect it;
 - (vii) The Franchisee has the authority to sell the assets of its Business, including a copy of all director and/or Owner resolutions;
 - (viii) The Franchisee will comply with the Bulk Sales Act, if it is required under the laws of the Franchisee's state;
 - (ix) There will be no material adverse change in the operation of the Franchisee's Business between the date of signature of any Asset Purchase Agreement, and the date of settlement;
 - (x) There are no tax or employee claims or issues; and
 - (xi) The Franchisee will not enter into any transaction between the date of signature and the date of settlement other than in the ordinary course of business.

D. Transfer Upon Death or Disability

The use of the term "Disability" in this provision means any temporary or permanent mental or physical incapacity that results in the person being unable to operate the Franchised Business as a typical franchisee properly operating a franchise would do so. Upon the death or Disability of any person with an interest in a Midwest Shooting Center® business, the executor, administrator, or personal representative of that person must transfer such interest to a third party approved by us within six (6) months after death or Disability. These transfers, including, without limitation, transfers by devise or inheritance, will be subject to the same restrictions and conditions as any inter vivos transfer. However, in the case of a transfer by

devise or inheritance, if the heirs or beneficiaries of any deceased person are unable to meet the conditions of this Agreement, the personal representative of the deceased Franchisee shall have six (6) months to dispose of the deceased's interest in the Business, which disposition will be subject to all the terms and conditions for transfer contained in this Agreement. If the interest is not disposed of within six (6) months, we may terminate this Agreement.

Upon the death of the Franchisee or if an Entity, an Owner who owns more than forty nine percent (49%) or more of the Business or in the event of any Disability of such person, a manager shall be employed for the operation of the Business who has successfully completed our training courses to operate the Business on behalf of the Franchisee. If after the death or Disability of the named Owner, the Business is not being managed by such trained manager, we may at our option, appoint a manager to maintain the operation of the Business until an approved transferee or manager will be able to assume the management and operation of the Business, but no such operation and management of the Business will continue for more than ninety (90) days without the approval of the personal representative of the named Owner (renewable as necessary for up to one year) and we will periodically discuss the status of the Business with the personal representative of the named Owner; such manager shall be deemed an employee of the Franchisee. All funds from the operation of the Business during the period of management by such appointed or approved manager shall be kept in a separate fund and all expenses of the Business, including compensation of such manager, other costs and travel and living expenses of such appointed or approved manager (the "Management Expenses"), shall be charged to such fund. As compensation for the management services provided, in addition to any other fees due, we shall charge such fund the full amount of the direct expenses incurred by us during such period of management for and on behalf of Franchisee, provided that we shall only have a duty to utilize reasonable efforts and shall not be liable to Franchisee, the named Owner or personal representative of the named Owner, the Entity or any person or entity having an interest therein for any debts, losses or obligations incurred by the Business, or to any creditor of Franchisee or the named Owner during any period in which it is managed by our appointed or approved manager.

Within thirty (30) days after the effective date of legal transfer of the franchise to Franchisee's heirs or successors of Franchisee's Owners, the heirs or successors must notify us in writing and make application for approval of such transfer. The application for such transfer is subject to the same conditions, procedures and costs as any other transfer except that there will be no transfer fee.

E. Transfer, Sale or Assignment to Third Party

If we do not exercise our right to purchase within thirty (30) days pursuant to Section XXII.C, Franchisee may thereafter transfer, sell or assign the Interest to a third party, but not at a lower price or on more favorable terms than disclosed to us in writing. The sale is subject to our prior written approval as specified in this Agreement.

If Franchisee does not complete the sale to the proposed buyer within ninety (90) days after we notify Franchisee that we do not intend to exercise our right of first refusal (whether or not the First Notice Deadline or the Due Diligence Deadline has expired) or if there is a material change in the terms of the sale (which Franchisee must communicate promptly to us), we will have an additional right to accept the sale during the thirty (30) day period following either the expiration of that ninety (90) day period or our receipt of notice of the material change(s) in the sale's terms, either on the terms originally offered or the modified terms, at our option. If Franchisee does not complete the sale to the proposed buyer within an additional ninety (90) days, then any proposed sale or transfer thereafter once again must comply with all of the provisions under Sections XXII.B, XXII.C and XXII.E, as though there had not previously been a proposed sale or transfer.

In addition to its other obligations, such as obtaining our prior written approval, if Franchisee sells or offers to sell ownership interests, the sale of which is regulated by any applicable law, Franchisee must:

(i) fully comply with all applicable laws, (ii) disclose to offerees and purchasers that neither we nor our employees, affiliates or agents are an issuer or underwriter, or are in any way liable or responsible for the offering, (iii) ensure that we have a reasonable time to review any reference to us or our franchisees in any prospectus or offering documents before their distribution or use, (iv) pay our actual legal costs incurred for our review, (v) indemnify us, our officers, owners, directors, employees, affiliates and agents from any liability, cost, damage, claim, and expense and from any and all obligations to any person, entity or governmental agencies arising out of or relating to the offer, sale or continuing investment, (vi) sign such further indemnities and provide such further assurances as we may reasonably require and (vii) disclose our ownership and/or licensing rights to all trademarks, service marks, trade names, logos, trade secrets, copyrights and patents.

If any provision of this Agreement is inconsistent with a valid applicable law, the provision will be deemed amended to conform to the minimum standards required. We and Franchisee may execute an addendum setting forth certain of these amendments applicable in certain jurisdictions, so long as and to the extent that, then applicable laws referred to in the addenda remain in effect.

F. Resale Assistance of Franchised Business

Franchisee may, at any time, request our assistance in locating a buyer for its Business. We may, at our option, provide such assistance in accordance with the policies and procedures as set forth in the Operations Manual. We reserve the right to charge Franchisee a fee to cover our reasonable costs and expenses (including the time committed by our employees) incurred in providing such assistance. If we elect to assist Franchisee in finding a buyer for the Business in any way, we make no promises or commitments to Franchisee that a buyer will be located or that anyone will be willing to purchase the Business at a price acceptable to Franchisee. We reserve the right to reject any proposed sale based on our determination, in our sole discretion, that the purchase price or purchase terms agreed to between Franchisee and any prospective buyer is excessive or will not enable the buyer to succeed as a franchisee in the System, and by requesting our assistance Franchisee waives any liability claims it may have against us for such rejection.

XXIII. TERMINATION OF FRANCHISE

A. Impact of Statutes Upon Franchise Agreement

Some state laws provide certain rights to franchisees located in a particular state, including: (1) limitations on our ability to terminate a franchise except for good cause; (2) restrictions on our ability to deny renewal of a franchise; (3) circumstances under which we may be required to purchase certain inventory when a franchise is terminated or not renewed in violation of the statute; and (4) provisions relating to arbitration. To the extent that the provisions of this Franchise Agreement are inconsistent with the terms of such state laws, the terms of the applicable state laws may control in those states.

Termination or modification of a lease or contract upon the bankruptcy of one of the Parties may be unenforceable under the Bankruptcy Act of 1978, Title II, U.S. Code, as amended.

B. Termination by Franchisor with Right to Cure

Except as otherwise provided in this Agreement, upon any material default by Franchisee under this Agreement or any other agreement between Franchisee and us or our affiliates, we may terminate this Agreement only by giving written notice of termination stating the nature of such default to Franchisee at least thirty (30) days prior to the effective date of termination; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction, and by promptly providing proof thereof to us within the thirty (30) day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall

terminate without further notice to Franchisee effective immediately upon the expiration of the thirty (30) day period or such longer period as applicable law may require. Any breach relating to any violation of health or safety laws must be cured within seventy-two (72) hours of notice or such shorter period prescribed by law. Any default for failure to pay monetary amounts must be cured within five (5) days or shorter period as is provided by law.

We may invoke our rights under this Section XXIII.B if, among other things, Franchisee fails to pay any required sums contemplated by this Agreement or any other agreement between Franchisee and us (and/or our respective affiliates).

C. Termination of Franchise Without Right to Cure

Notwithstanding the foregoing, Franchisee shall be deemed to be in breach and we, at our option, may terminate this Agreement and all rights granted under it without affording Franchisee any opportunity to cure the breach, effective immediately upon us notifying Franchisee in writing of such breach, if Franchisee or any of its Owners does any of the following:

1. XXIV. FRANCHISEE'S OBLIGATIONS UPON TERMINATION OR EXPIRATION

A. Franchisee Shall Cease Using the Names and Marks

Franchisee further agrees that, upon termination or expiration of this Agreement, Franchisee shall immediately and permanently cease to use, by advertising, or any manner whatsoever, any Confidential Information, methods, trade secrets, procedures, Products and Services associated with us and the Names and Marks and any proprietary marks and distinctive forms, slogans, symbols, signs, logos or devices associated with the System. In particular, Franchisee shall cease to use, without limitation, all signage, advertising materials, stationery, forms and any other articles, which display our Names and Marks. Franchisee shall make or cause to be made, at its expense, changes directed by us in signs, buildings and structures so as to effectively distinguish the surviving business entity, if any, from its former appearance as a Midwest Shooting Center® business, and from other existing Midwest Shooting Center® businesses. Franchisee shall comply with the covenant not to compete and the agreement to maintain the confidentiality of proprietary information, as well as return all information that is considered to be Confidential Information under the terms and conditions of this Agreement back to us.

B. Franchisee Shall Cease Operating Business, Refrain from Notifying Customers, Members, Refund and Transfer Memberships

Franchisee shall immediately cease to operate its Midwest Shooting Center® Business and shall not thereafter, directly or indirectly, represent itself to the public or hold itself out as a present or former franchisee of ours.

Franchisee shall not give notice of termination or expiration of this Agreement to Franchisee's customers or members without our prior written consent. We shall have the sole right to notify all of Franchisee's customers and members of the termination or expiration of this Agreement at the time and manner we determine to be most appropriate. All of Franchisee's existing lists and contact information for prospective and actual customers and members shall be our property. In addition, Franchisee must, upon our request, within five (5) days after termination or expiration of this Agreement, contact all customers and members who prepaid for their classes, programs, workshops and/or for any type of membership package; offer full refunds of any unearned payments calculating the unearned payments on the basis of the number of days during the prepayment period the Business operated under the terms of this Agreement and the number of days for which payment was made by the member. By way of example only, if a member prepaid for a twelve (12) month package and used only six (6) months of that package when this Agreement terminates or expires, then Franchisee would be obligated to return to member approximately six (6) months of the prepayment Franchisee received.

In addition, Franchisee must, upon our request, within five (5) days of our request, assign to another franchisee, company-owned business or to us any membership package agreements Franchisee has with its members for re-assignment.

Franchisee must immediately tender all new or used inventory of our Proprietary Products, décor, signage, apparel, promotional, advertising and marketing materials and/or anything that displays our Marks in addition to all Confidential Information to us and/or our designated affiliates or destroy, if notified by us in writing to do so, all inventory of such items in a timely manner in accordance with the terms of the Operations Manual and as specified in Section XXIV.G of this Agreement.

C. Franchisee May Not Adopt Confusingly Similar Names and Marks

Franchisee agrees, in the event it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Names and Marks, either in connection with such other business or in the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our exclusive rights in and to the Names and Marks, and further agrees not to utilize any designation of origin or description or representation which falsely suggests or represents an association or connection with us or a former association or connection with us.

D. Franchisee Shall Cancel Assumed Names and Transfer Phone Numbers

Franchisee further agrees that upon termination or expiration of this Agreement, Franchisee shall take all action necessary to cancel all assumed names or equivalent registrations relating to its use of any or all of the Names and Marks. Franchisee shall take all actions necessary to transfer all phone numbers, addresses, domain names, Websites, email, listings, and location contacts for the Business and/or used in the Business to us or our designee, including but not limited to authorizing all telephone, Internet, Websites, email, electronic network, directory, and listing entities to effectuate the same.

E. Franchisee Shall Transfer or Terminate Domain Name, Web Page and Websites

Upon termination or expiration of this Agreement, Franchisee agrees that, we will have the absolute right to notify InterNIC, ICANN and all other Internet authorities of the termination or expiration of Franchisee's right to use all domain names, website, Websites, mobile app platforms and other search engines for the Business and to authorize the above and other search engines to transfer to us or our designee all domain names, website, Websites, mobile app platforms and search engines associated with the Business. Franchisee acknowledges and agrees that we have the absolute right to, and interest in, all domain names, website, Websites, mobile app platforms and search engines related to the Business and that we have the full right and authority to direct the above Internet authorities and all search engines to transfer Franchisee's domain names, website, Websites, mobile app platforms and search engines to us or our designee if this Agreement expires or is terminated for any reason. Franchisee further acknowledges that this Agreement will constitute a release by Franchisee of the above Internet authorities from any and all claims, liabilities, actions, and damages that Franchisee may, at any time, have the right to allege against them in connection with this provision.

F. Franchisee Must Return Operations Manual and Other Materials

Franchisee further agrees that upon termination or expiration of this Agreement, Franchisee will immediately return to us all copies of the Operations Manual, training materials and any other materials, which have been loaned to Franchisee by us. Franchisee further agrees to turn over to us all items containing any of our Marks, and all customer lists and contracts for the Franchised Business.

G. Franchisor May Purchase Assets

We shall have the right of first refusal to purchase or assume Franchisee's interest in the Franchised Business or in its assets on the same terms as those contained in a bona fide offer from a third party. As used in this Section, "Assets" means leasehold improvements, equipment, technology items (as described in Section XII. I), furnishings, fixtures, signage, décor items, products, inventory (such as non-perishable products and merchandise in addition to all advertising and marketing materials), vehicles (if applicable) and the lease, sublease or property (if applicable) for the Business. This right is governed by time limits and procedures described in this Agreement with respect to our right of first refusal in the event of an assignment. If we exercise our right of first refusal, Franchisee must transfer Franchisee's interest in the Franchised Business and in the Assets.

If Franchisee is selling its Assets, we shall have the right (but not the duty), to be exercised by notice of our intent to do so within thirty (30) days after termination or expiration of this Agreement, to purchase any or all Assets and items bearing our Names and Marks, at fair market value (less the amount of any outstanding liens or encumbrances). In the event that we and Franchisee cannot agree on fair market value, then the fair market value shall be determined in good faith by an independent third-party appraisal. We and Franchisee shall mutually agree upon an appraiser. If we and Franchisee cannot agree on an appraiser, then we and the Franchisee shall each select one independent, qualified appraiser and the two shall select a third appraiser and all three shall determine the fair market value of the Assets we have elected to purchase. If the difference between the appraisal of the Franchisee's appraiser is greater than the difference between the appraisal of our appraiser and the independent appraiser, the Franchisee shall pay all costs and expenses of the three appraisers. Otherwise all expenses of the third appraiser shall be equally shared by us and we and Franchisee shall each be responsible for the expenses incurred by our respective appraisers. For any items that display the Marks such as: any décor, signage, advertising, marketing and/or promotional materials (regardless of when the item was purchased), the fair market value is agreed to be zero, except for any vehicles. However, for any products, Proprietary Products or equipment that display our Marks, fair market value shall be deemed to be ten percent (10%) of the Assets' original cost, regardless of when such items were purchased (however if any such items are expired, broken or damaged for example: for products the seals are broken, packages are either torn, stained, discolored and/or if such items

are broken, destroyed or otherwise unusable or unsellable) the fair market value is agreed to be zero. We and Franchisee agree that the terms and conditions of our right and option to purchase the Assets may be recorded, if deemed appropriate by us. If we elect to exercise any option to purchase the Assets as herein provided, we shall have the right to set off any amounts due from Franchisee.

H. Franchisee Must Pay Monies Owed to Franchisor; Liquidated Damages

Franchisee shall pay to us, within sixty (60) days after the effective date of termination or expiration of this Agreement, such Royalty Fees, System Brand Fund contributions, other advertising fees, payments or any other sums owed to us or our affiliates by Franchisee, which are then unpaid. Franchisee shall pay to us or our affiliates all damages, costs, and expenses, including reasonable attorney's fees, incurred by us in obtaining injunctive or other relief for the enforcement of any provisions of Sections XIX and XXIV.

In the event of termination of this Agreement prior to its expiration date, Franchisee acknowledges that the parties have considered the following in determining the amount of liquidated damages ("Damages"): (i) that the amount of Damages is reasonable under the circumstances existing at the time this Agreement is made; (ii) that the amount of Damages bears a rational relationship to the damages the parties anticipate would flow from the breach of this Agreement; (iii) the agreement to the amount of the Damages is necessary because actual damages are difficult or impossible to prove; and (iv) the amount of the Damages are not so large that they act as a penalty. Franchisee accordingly agrees that in such event it shall be obligated to pay to us, the amount of the Damages which is the total of all Royalty Fees and System Brand Fee payments that we would have received, if this Agreement remained in effect until its scheduled expiration date, subject to the following: the amount of Damages shall be calculated by adding together the average monthly Royalty Fee payments and the average System Brand Fee payments that were paid to us during the previous twelve (12) months for either the remaining term of this Agreement or two (2) years (whichever comes first). If the Franchisee has not made twelve (12) months of payments, then the number of payments it has made will be used to calculate the average of Royalty Fee and System Brand Fee payments. Such payments shall be due to us within sixty (60) days after the effective date of termination or expiration.

Except as otherwise provided in this Agreement, Franchisee shall retain whatever interest it may have in the Assets of the Franchised Business.

XXV. ENFORCEMENT

A. Franchisee May Not Withhold Payments Due Franchisor

Franchisee agrees that Franchisee will not withhold payments of any Royalty Fees, System Brand Fees or any other amounts of money owed to us for any reason, on grounds of alleged nonperformance by us of any obligation. All such claims by Franchisee shall, if not otherwise resolved by us and Franchisee, be submitted to mediation and/or arbitration as provided in this Agreement. Franchisee has no right of offset or set off to any amounts due and owing to us.

B. Severability

All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and any partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. If any applicable law or rule requires a greater prior notice of the termination of this Agreement than is required hereunder, or requires the taking of some other action not required hereunder, the prior notice or other action required by such law or rule shall be substituted for the notice or other requirements.

C. Mediation

The Parties agree to mediate any dispute or claim arising between them out of this Agreement, or any resulting transaction before resorting to arbitration as set forth in Section XXV.D. Any party to this Agreement may initiate mediation by serving a written demand on the other party stating the particulars of the demand being served. Mediation fees shall be divided equally among the parties involved. Before any mediation commences, the Parties will agree to a date and/or certain event which will constitute a completion of the mediation process. All mediations shall be held in Allen County, Ohio. If, for any dispute or claim to which this paragraph applies, any party commences an action without first attempting to resolve the matter through mediation or refuses to mediate within ninety (90) days after a request has been made, then the other party (“Mediating Party”) shall be entitled to recover attorney’s fees and costs, even if such Mediating Party was not otherwise entitled to recover its attorney fees and costs in any arbitration or legal action between the Parties pursuant to the terms of this Agreement. This mediation provision applies whether or not the arbitration provision is initiated. The requirement to pay the Mediating Party’s attorney’s fees and costs apply regardless of whether the other party waits until the expiration of the ninety (90) day period to file the arbitration and applies as long as said party refuses to attend mediation. Mediation shall be held at the same venue as for arbitration as described in Section XXV.D.

D. Arbitration

Except as we elect to enforce this Agreement by judicial process, injunction, or specific performance (as provided below), all disputes and claims relating to any provision hereof, any specification, standard or operating procedure, or any other obligation of Franchisee prescribed by us, or any obligation of ours, or the breach thereof (including, without limitation, any specification, standard or operating procedure or any other obligation of Franchisee or us, which is illegal or otherwise unenforceable or voidable under any law, ordinance, or ruling) shall be settled by mandatory binding arbitration in Allen County, Ohio. Arbitration must be in accordance with the then current Commercial Rules of the American Arbitration Association (“AAA”) and, where applicable, the provision of the Federal Arbitration Act, i.e. 9 USC §1, et al; and provided that at our option or the Franchisee that the arbitrator shall be selected from a list of retired federal or state judges supplied by the American Arbitration Association which could include an attorney with twenty (20) years or more of franchise experience. The actual selection of the arbitrator from the list will be in accordance with the procedures for selecting an arbitrator under the Commercial Rules of the AAA. The Parties agree that, in connection with any such arbitration proceeding, each will submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 1-3 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. The Parties further agree that arbitration will be conducted on an individual and not a class-wide or multiple plaintiff basis.

The party having an arbitrable claim will have one (1) year from the date of discovery but not to exceed two (2) years from the date the claim occurred, in which to settle the claim or to commence arbitration on the claim. Otherwise the claim or demand will be deemed abandoned and shall be barred. The arbitrator shall allow discovery in accordance with the Ohio Rules of Civil Procedure and may apply the sanctions relating to noncompliance with discovery orders therein provided. The arbitrator shall issue a written opinion explaining the reasons for his or her decision and award and the arbitrator shall have the right to award or include in the award the specific performance of this Agreement. Unless specifically provided for by applicable statute, no punitive or exemplary damages shall be awarded against either us or Franchisee, or entities related to them, in an arbitration proceeding or otherwise, and are hereby waived. Judgment upon the award of the arbitrator will be entered in any court having competent jurisdiction thereof or of us or of Franchisee. During the pendency of any arbitration proceeding hereunder, we and Franchisee shall fully perform our respective obligations pursuant to the terms and conditions of this Agreement. Arbitration fees shall be shared equally and the prevailing party shall be entitled to their attorney fees, provided should there be no prevailing party each party shall pay their own attorney fees.

The requirement to arbitrate under this arbitration provision as well as to mediate under the mediation provision in Section XXV.C shall not apply to any of the following disputes or controversies: any action for injunctive or other provisional relief including but not limited to enforcement of liens, security agreements, or attachment, as we deem to be necessary or appropriate to compel Franchisee to comply with Franchisee's obligations to us and/or to protect the Names and Marks or any claim or dispute involving or contesting the validity of any of the Names and Marks, or any claim or dispute involving any of the Confidential Information, trade secrets, or copyrights provided by us to the Franchisee under this Agreement.

E. Rights of Parties are Cumulative

The rights of us and Franchisee are cumulative and the exercise or enforcement by us or Franchisee of any right or remedy shall not preclude the exercise or enforcement by us or Franchisee of any other right or remedy hereunder which we or Franchisee are entitled by law to enforce by the provisions of this Agreement or of the Operations Manual. In addition, both Parties agree that during any type of dispute or claim neither Party will attempt to: publish any proceedings, make any publicly available claims; or make any disparaging statement which could tarnish the reputation of the other Party.

F. Judicial Enforcement, Injunction and Specific Performance

Notwithstanding anything to the contrary contained in Section XXV.D above relating to arbitration, we shall have the right to enforce by judicial process our right to terminate this Agreement for the causes enumerated in Section XXIII of this Agreement, to collect any amounts owed to us for any unpaid Royalty Fees, or other unpaid fees or charges due hereunder, arising out of the Business conducted by Franchisee pursuant hereto, and to pursue any rights we may have under any leases, subleases, sales, purchases, or security agreements or other agreements with Franchisee. We shall be entitled, without bond, to the entry of temporary or permanent injunctions and orders of specific performance enforcing any of the provisions of this Agreement. If we secure relief by judicial enforcement, Franchisee agrees to pay to us an amount equal to the aggregate costs of obtaining such relief, including, without limitation, reasonable attorneys' fees, costs of investigation, court costs, and other litigation expenses, travel, accommodations, food, other expenses and any damages incurred by us as a result of the Franchisee's breach of any provision of this Agreement.

G. Ohio Law Applies

Except to the extent governed by the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C., Section 1051 et. seq.) or the U.S. Arbitration Act, this Agreement shall be governed by the laws of the State of Ohio, and the sole and exclusive venue for arbitration or litigation shall lie in Allen County, Ohio, or in the applicable United States District Court for Ohio.

H. Attorney Fees

In the event that either party incurs any expenses (including but not limited to reasonable attorney fees and reasonable expert witness fees) in enforcing the provisions of this Agreement by mediation, arbitration or legal action, the prevailing party shall be entitled to recover such expenses directly from the other subject only to limitations pursuant to Section XXV.C.

I. Binding Effect

This Agreement is binding upon the Parties hereto and their respective permitted assigns and successors in interest.

J. Entire Agreement/Integration/No other Agreements/Manual(s) May Change

This Agreement and the exhibits to this Agreement constitute the final, complete and exclusive agreement of the Parties with respect to the subject matter hereof and supersedes and merges all prior discussions between the Parties. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to Franchisee. No amendment to this Agreement shall be binding on either party unless mutually agreed to by the Parties in writing. The Operations Manual may be amended at any time by us, and Franchisee shall adopt its methods or procedures to comply with the requirements thereof.

K. Force Majeure

Except for monetary obligations or as otherwise specifically provided in this Franchise Agreement, if either party to this Agreement shall be delayed or hindered in or prevented from the performance of any act required under this Agreement by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war, pandemics or other causes beyond the reasonable control of the party required to perform such work or act under the terms of this Agreement through no fault of such party, then performance of such act shall be excused for the period of the delay, but in no event to exceed ninety (90) days from the stated time periods as set forth in this Franchise Agreement.

XXVI. NOTICES

Any and all notices permitted or required to be given hereunder shall be deemed duly given: (i) upon actual receipt if delivery is by hand; or (ii) upon receipt by the transmitting party of a confirmation or return response when delivery is by facsimile or email; (iii) forty-eight (48) hours after deposit to a reputable overnight carrier with confirmation sent or being available, or (iv) seventy-two (72) hours after deposit into the United States mail if delivery is by postage prepaid, registered or certified, return receipt requested mail. Each such notice shall be sent to the respective party at the address indicated in this Agreement or to any other address as the respective party may designate by notice delivered pursuant to this Agreement.

XXVII. COUNTERPARTS

This Agreement and any amendments or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of which counterparts together shall constitute but one and the same instrument. This Agreement shall become effective upon the execution of a counterpart hereof by both of the Parties hereto. A signed copy of this Agreement delivered by email, DocuSign, or other means of electronic transmission (to which a PDF copy is attached) will be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

XXVIII. TIME IS OF THE ESSENCE

Time is of the essence. The Parties to this Agreement hereby agree that time is of the essence with respect to each of their respective duties and obligations under this Agreement.

XXIX. APPROVALS AND WAIVERS

Whenever this Agreement requires our prior approval or consent, Franchisee shall make a timely written request to us and such approval or consent shall be obtained in writing.

We make no warranties or guarantees upon which Franchisee may rely, and assume no liability or obligation to Franchisee, by providing any waiver, approval, consent, or suggestion to Franchisee or in connection with any consent, or by reason of any neglect, delay, or denial of any request thereof.

No failure of us to exercise any power reserved to us by this Agreement or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of our right to demand exact compliance with any of the terms herein. Waiver by us of any particular default or breach by Franchisee shall not affect or impair our rights with respect to any later default or breach of the same, similar or different nature, nor shall any delay, forbearance, or omission, breach or default by us to exercise any power or right arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants hereof, affect or impair our right to exercise the same, nor shall such constitute a waiver by us of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

SCHEDULE 7
MIDWEST SHOOTING CENTER FRANCHISOR, LLC
COLLATERAL ASSIGNMENT OF LEASE

Franchisee: _____

Franchisor: Midwest Shooting Center Franchisor, LLC

Date of this Collateral Assignment of Lease (the "Assignment"): _____

The Franchisee, to effect various provisions of that certain Franchise Agreement dated _____, 20 __, by and between Franchisee and Franchisor (the "Franchise Agreement"), hereby collaterally assigns to Franchisor (subject to the terms and conditions below) all of Franchisee's right, title and interest in, to and under that certain lease (the "Lease") dated _____ 20__, between Franchisee and _____, ("Landlord"), for that property commonly known as: _____ (the "Premises"), a copy of which Lease is attached to this Assignment.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and notwithstanding anything in the Lease to the contrary, it is hereby agreed as follows:

No material modification or amendment of the Lease shall occur or be effective without the prior written consent of Franchisor. Landlord will not consent or allow Franchisee to assign the Lease or sublease the Premise without Franchisor's prior written consent, which shall not be unreasonably withheld.

Except as provided in the Franchise Agreement, Franchisor will not take possession of the Premises under this Assignment until and unless there is a default by Franchisee under the Lease or a termination, cancellation, rescission or expiration of the Franchisee's rights, or a default by Franchisee, under the Franchise Agreement. In such event(s), we (or our designee) may (but has no obligation to) take possession of the Premises and assume the Franchisee's rights under the Lease, and, in such event, Franchisee will have no further right, title or interest in or under the Lease or to the Premises, all such rights thereby passing to us or our designee, without the Landlord's further consent. The Franchisee will fully cooperate therewith, and do all acts necessary or appropriate thereto. Franchisor will have no liabilities or obligations of any kind arising from, or in connection with, this Assignment, the Lease, the Premises or otherwise until and unless we take possession of the Premises pursuant to this Assignment and, in any event, Franchisor will only be responsible for those obligations accruing with respect to the Lease after the date of such express assumption. Upon taking possession of the Premises, we shall be obligated from that date forward to perform all of the duties and obligations of Franchisee under the Lease. Franchisor shall notify Landlord, in writing, within five (5) days of taking possession of the Premises.

The Franchisee will not permit any surrender, termination, amendment or modification of the Lease and will elect and exercise all options to extend the term of or renew, or assume in bankruptcy, the Lease not less than thirty (30) days prior to the last day that said rights must be exercised. If the Franchisee does not do so, Franchisor may to the extent consistent with the United States Bankruptcy Code (but has no obligation to) do such acts for the account of Franchisee and without any liability or obligation of the Franchisor. Failure of the Franchisor to exercise any remedy hereunder shall not be a waiver of any of its rights. The rights and remedies of the Franchisor under this Assignment are in addition to those which the Franchisor has under the Franchise Agreement or otherwise. This Assignment shall bind, and benefit, Franchisor and Franchisee, and their respective successors and assigns. With respect to Franchisor and Franchisee the dispute resolution provisions (including, but not limited to, mediation, binding arbitration,

waiver of jury trial and limitation of damages) of the Franchise Agreement shall apply to this Assignment, and/or any matter related in any way to it, but the Franchisor may, in any event and at its option, proceed with any action in court for possession of the Premises and any related remedies. If there is more than one Franchisee, their obligations are joint and several. As between Landlord and Franchisor and/or Franchisee, the dispute resolution provisions of the Lease shall apply.

In the event Franchisee shall fail to perform or observe any of the terms, conditions or agreements in the Lease, Landlord shall give written notice thereof to Franchisor and Franchisor shall have the right (but not the obligation) to cure such default. Landlord shall not take any action with respect to such default under the Lease, including without limitation any action in order to terminate, rescind or avoid the Lease, for a period of fifteen (15) days following expiration of any cure period Franchisee may have under the Lease with respect to such default; provided, however, that in the case of any default which cannot with diligence be cured within said additional fifteen (15) day period, if Franchisor shall proceed promptly to cure such default and thereafter prosecute the curing of such default with diligence and continuity, the time within which such default may be cured shall be extended for such period as may be necessary to complete the curing of such default with diligence and continuity.

Landlord will recognize and accept the performance by Franchisor of any act or thing required to be done by Franchisee under the terms of the Lease and will accept such performance as if it were performed by Franchisee.

Landlord agrees that in any case commenced by or against Franchisee under the United States Bankruptcy Code, the Franchisor shall have standing to appear and act as a party to the Lease for purposes of the Bankruptcy Code, (but shall not have any obligations under the Lease unless Franchisor expressly assumes the Lease). Landlord shall, during Franchisee's bankruptcy case, serve on the Franchisor a copy of all notices, pleadings or documents which are given to Franchisee, and service shall be in the same manner as given to Franchisee. If the Lease or Franchisee's rights under the Lease are terminated, whether by reason of default of Franchisee or Landlord, rejection of the Lease in any bankruptcy case, voluntary surrender and acceptance, or otherwise, then Landlord shall give written notice of such termination to Franchisor. Franchisor or its nominee shall have the option, exercisable by written notice to Landlord delivered not later than the 30th day after written notice that the termination has occurred, to receive from Landlord a new lease of the Premises on the same terms and conditions as the Lease, for the remaining term of the Lease (that is, the portion of the term that would remain absent the termination and the conditions or events causing the same), and such same terms and conditions shall include any extension rights provided for in the Lease.

Any notice or other communication required or permitted to be given under this Assignment shall be in writing and addressed to the respective party as set forth below. Notices shall be effective (i) on the next business day if sent by a nationally recognized overnight courier service, (ii) on the date of delivery by personal delivery and (iii) on the date of transmission if sent by facsimile during business hours on a business day (otherwise on the next business day) (with receipt of confirmation). Any party may change the address at which it is to receive notices to another address in the United States at which business is conducted (and not a post-office box or other similar receptacle), by giving notice of such change of address in accordance with this provision.

Notices to Franchisor, Franchisee or Landlord shall be addressed as follows:

Landlord: _____

This Assignment may be executed in one or more counterparts, each of which when so executed shall be deemed to be an original, but all of which when taken together shall constitute one and the same instrument.

If any portion or portions of this Assignment shall be held invalid or inoperative, then all of the remaining portions shall remain in full force and effect, and, so far as is reasonable and possible, effect shall be given to the intent manifested by the portion or portions held to be invalid or inoperative.

This Agreement shall be governed by and construed in accordance with the laws of the State of _____.

INDIANA Indiana franchisees should note that Indiana Law provides that it is unlawful for a Franchise Agreement to contain certain provisions in the area of required purchases, modification, competition, increases in the price of goods on order termination and non-renewal, covenants not to compete, and limitations on litigation. Indiana law also prohibits franchisors from engaging in certain acts and practices, including coercion, refusing delivery of goods or services, denying the surviving spouse or estate of the Franchisee an opportunity to participate in the ownership of the franchise, unreasonable competition, unfair competition, unfair discrimination among franchisees, and using deceptive advertising.

MINNESOTA law requires that with respect to the franchises governed by Minnesota law, the Franchisor will comply with Minnesota. Statute 80C.14 subdivisions 3, 4, and 5 which require except in certain specific cases, that a Franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement.

Minn. Stat. Sec. 80C.21 and Minn. Rule Part 2860.4400J, may prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

In accordance with Minnesota Rule 2860.4400J, and to the extent required by law, the Disclosure Document and the Franchise Agreement are modified so that the Franchisor cannot require a franchisee to waive his or her rights to a jury trial or to waive rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or to consent to liquidated damages, termination penalties, or judgment notes; provided that this part shall not bar an exclusive arbitration clause.

Pursuant to Minn. Stat. Sec. 80C.12, to the extent required by this Minnesota law, the Franchise Agreement and Item 13 of the Disclosure Document are amended to state that

the Franchisor will protect your right to use the primary trademark, service mark, trade name, logotype or other commercial symbol or indemnify us from any loss, costs or expenses arising out of any claim, suit, or demand regarding the use of the Franchisor's primary trade name.

All statements in the Disclosure Document and Franchise Agreement that state that Franchisor is entitled to injunctive relief are amended to read: "franchisor may seek injunctive relief" and a court will determine if a bond is required.

Minnesota Rule 2860.4400D prohibits the Franchisor from requiring a Franchisee to assent to a general release. The Disclosure Document and Franchise Agreement are modified accordingly, and to the extent required by law.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17.Subd.5.

V. STATE ADDENDUMS

CALIFORNIA

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise to be delivered together with the Disclosure Document 14 days prior to execution of the agreement.

The franchisor, any person or franchise broker in Item 2 of the FDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et. Seq., suspending or expelling such persons from membership in such association or exchange.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et. seq.)

The Franchise Agreement contains a covenant not to compete, which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement may contain a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires binding arbitration. The arbitration will occur in Allen County, Ohio with the costs being borne by the prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the law of Ohio. This provision may not be enforceable under California law.

Section 31125 of the California Corporation Code requires us to give you a disclosure document, in a form and containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law

(California Corporations Code §§31 000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

The highest interest rate allowed by law in California for late payments is 10% annually.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Section 4 of the Illinois Franchise Disclosure Act provides that any provision in the Franchise Agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a Franchise Agreement may provide for arbitration in a venue outside of Illinois.

The governing law or choice of law clause described in the Disclosure Document (including a risk factor on the cover page) and contained in the Franchise Agreement may not be enforceable under Illinois law. This governing law clause shall not be construed to negate the application for the Illinois Franchise Disclosure Act in all situations to which it is applicable.

- III. Section XXIV(H), providing for liquidated damages on termination of the Franchise Agreement, is hereby amended to read as follows:

A. Pay to Franchisor royalty fees and other ongoing fees, and other amounts Franchisee owes to Franchisor, as though Franchisee were still an active Franchisee, for so long as Franchisee or its assignee or successor continues to use the trademarks in any way. Franchisor is also entitled to all other applicable remedies.

- IV. Section XXV is amended to read as follows:

In any action to enforce this Agreement or to seek remedies on default by either party, each party shall bear its own expenses of litigation or enforcement.

- V. A. Section XXV (G) is amended to add the following:

THIS AGREEMENT AND THE RIGHTS OF THE PARTIES HEREUNDER TAKE EFFECT ON ACCEPTANCE AND EXECUTION BY THE COMPANY AND SHALL BE INTERPRETED AND CONSTRUED UNDER THE LAWS OF NORTH DAKOTA, EXCEPT TO THE EXTENT GOVERNED BY THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT 15, U.S.C. SECTIONS 1015, ET. SEQ.)

- B.** Section XXV (G) providing for exclusive jurisdiction in Allen County, Ohio is deleted.
- C.** Paragraph XXV to the extent it provides for a limitation of one year on actions under the Franchise Agreement is hereby deleted.
- D.** Section XXV to the extent it provides for a waiver of punitive or exemplary damages, and a waiver of jury trial, is deleted.

VI. The Arbitration section (Section XXV.C-D) shall be deleted and amended to read as follows:

Except as specifically otherwise provided in this Agreement, the parties agree that all contract disputes that cannot be amicably settled shall be determined by arbitration under the Federal Arbitration Act as amended and in accordance with the rules of the American Arbitration Association or any successor thereof. Arbitration shall take place at an appointed time and place in the County and State in which Franchisee's franchised business is located. However, nothing contained herein shall be construed to limit or to preclude the parties from bringing any action in any court of competent jurisdiction for injunctive or other provisional relief as the parties deem to be necessary or appropriate to compel either party to comply with its obligations hereunder or to protect the marks or other property rights of franchisor.

VII. The Acknowledgement section is amended to add the following:

Franchisee acknowledges that Franchisee received a copy of this Franchise Agreement, the attachments hereto, if any, and agreements relating thereto, if any, at least seven (7) days prior to the date on which this Agreement was executed.

VIII. The Covenants section is amended to add the following:

Covenants not to compete on termination or expiration of the Franchise Agreement are generally unenforceable in the State of North Dakota except in limited instances as provided by law.

RHODE ISLAND

§19-28.1-14 of the Rhode Island Franchise Investment Act provides that:

A provision in a Franchise Agreement restricting jurisdiction of venue to a forum outside this state or requiring the application of the laws of another state are void with respect to a claim otherwise enforceable under this Act.

VIRGINIA

In recognition of the restrictions contained in 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Midwest Shooting Center Franchisor, LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure: The following statements are added to Item 17.h.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute ‘reasonable cause’ as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Estimated Initial Investment. The franchisee will be required to make an estimated initial investment ranging from \$1,818,650 to \$3,546,600. This amount exceeds the franchisor’s stockholders’ equity as of December 31, 2022, which is \$100,000.

WASHINGTON

This section operates as an addendum to the Franchise Agreement.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or **mediation** site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

The Disclosure Document and Franchise Agreement are amended to reflect that the Franchisor will defer collection of all initial fees until the Franchisor has provided all of its pre-opening obligations under the Franchise Agreement and the franchisee is open for business.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained

in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

INDEPENDENT AUDITOR'S REPORT

To the Member of
Midwest Shooting Center Franchisor, LLC
Lima, OH

Opinion

We have audited the accompanying financial statements of Midwest Shooting Center Franchisor, LLC (an Ohio Limited Liability Company), which comprise the balance sheet as of December 31, 2022, and the related statements of income, changes in members' equity, and cash flows for the period from inception (June 6, 2022) to December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Midwest Shooting Center Franchisor, LLC as of December 31, 2022, and the results of its operations and its cash flows from inception (June 6, 2022) to December 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Midwest Shooting Center Franchisor, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Shooting Center Franchisor, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Midwest Shooting Center Franchisor, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Shooting Center Franchisor, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

MIDWEST SHOOTING CENTER FRANCHISOR, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD ENDED DECEMBER 31, 2022

NOTE 1 - BUSINESS ACTIVITY

Midwest Shooting Center Franchisor, LLC was formed in the state of Ohio on June 6, 2022; the Company is in the business of offering franchises for the operation of a firearm retail store and indoor shooting range. Unless otherwise indicated, the terms "we," "us," "our," and "Company" refer to Midwest Shooting Center Franchisor, LLC. The Company is in its initial start-up phase and is currently in the process of acquiring franchisees to operate in various states.

Our Parent and Affiliate

Our parent, Midwest Shooting Center Corporate Holdings, LLC ("MSCCH"), is an Ohio limited liability company that was formed on June 6, 2022. MSCCH provides only administrative assistance and support. We and MSCCH are independent entities and MSCCH does not assume any of our legal or other obligations, nor us of theirs. MSCCH does not offer franchises.

Our affiliate, Midwest Shooting Center Brand Holdings, LLC ("MSCBH"), is an Ohio limited liability company that was formed on November 17, 2022. MSCBH owns all intellectual property. We and MSCBH are independent entities and MSCBH does not assume any of our legal or other obligations, nor us of theirs. MSCBH does not offer franchises.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company's policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when received, and expenses are recognized when the obligation is incurred rather than when cash is disbursed.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounts Receivable and Bad Debts

Customer accounts receivable are stated at the amount management expects to collect on balances. The Company uses the direct write-off method for bad debts; management closely monitors outstanding balances and writes off, as of period-end, any balances that are considered to be uncollectible. Accordingly, no allowance for doubtful accounts is required. Bad debts amounted to \$0 for the period ended December 31, 2022.

Compensated Absences

The company does not have a policy on compensated absences at this time.

Advertising

Advertising costs are expensed as incurred.

FOR THE PERIOD ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are generally provided using the straight-line method over the estimated useful lives of the related assets which ranges between 3 to 10 years. At December 31, 2022, the Company did not own any fixed assets.

Income Taxes

Certain transactions of the Company may be subject to accounting methods for income tax purposes that differ significantly from the accounting methods used in preparing the financial statements in accordance with generally accepted accounting principles. Accordingly, the taxable income of the Company reported for federal and state income tax purposes may differ from net income in these financial statements.

As a limited liability company, income or loss of the Company is allocated to the members. No provision for federal or state income taxes is necessary because any income or loss is includable in the tax returns of the individual members. Local income taxes, if any, are paid by the Company. The Company was not subject to any local income taxes for the period ended December 31, 2022.

The Company's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

The Company accounts for uncertain tax positions in accordance with ASC 740-10, *Accounting for Uncertainty in Income Taxes*. ASC 740-10 prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10 also provides guidance on de-recognition, classification, interest and penalties, and disclosure and transition accounting. The Company has concluded that no liability for uncertain tax positions is required at December 31, 2022.

Revenue Recognition

The Company's revenue recognition policies are in compliance with accounting standards ASC Topic 606, *Revenue from Contracts with Customers*. The new guidance includes the following five-step revenue recognition model:

- Identify the contract with the customer.
- Identify the performance obligation in the contract.
- Determine the transaction price.
- Allocate the transaction price to performance obligations.
- Recognize revenue when (or as) each performance obligation is satisfied.

MIDWEST SHOOTING CENTER FRANCHISOR, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Revenue Recognition (continued)

In 2020, the Financial Accounting Standards Board (FAB) issued Accounting Standards Update (ASU), *Franchisors-Revenue from Contracts with Customers (Subtopic 952-606) Practical Expedient*. This new practical expedient will allow franchisors that are not public business entities to account for pre-opening services provided to a franchise as a single performance obligation in the services are in line with the services listed within the guidance, and they meet certain other conditions.

The Company recognizes franchise royalties and brand fund fees on a weekly and monthly basis, which are generally based upon a percentage of sales made by the Company's franchises, when they are earned and deemed collectible.

The following services are provided by the Company prior to the opening of a franchised location:

- Development of a custom local affiliate website housed within our national website that includes online scheduling functionality and access to intranet system that provides ongoing educational, operational, advertising and marketing materials to support the business.
- Webserver setup for the website.
- Copy of proprietary Operations Manual.
- Access to a self-study program (and related materials) to be completed prior to attending our initial training program, a comprehensive two part initial training program that consists of six days (part one completed within sixty days after you secure the space for your facility) and three weeks (part two completed no earlier than sixty days prior to when you anticipate physically opening your Business for operation) both at our corporate headquarters and up to an additional five days of assistance and guidance at your location for either pre-opening or grand opening assistance.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include, but are not limited to, allowances for doubtful accounts and contracts receivable, the allowance for losses on contracts in process and the percentage of completion on uncompleted contracts. Actual results could materially differ from those estimates.

MIDWEST SHOOTING CENTER FRANCHISOR, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Fair Value of Financial Assets and Liabilities continued

We measure and disclose certain financial assets and liabilities at fair value. ASC Topic 820, Fair Value Measurements and Disclosures, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 also establishes a fair value hierarchy. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

We utilize the active market approach to measure fair value for our financial assets and liabilities. We report separately each class of assets and liabilities measured at fair value on a recurring basis and include assets and liabilities that are disclosed but not recorded at fair value in the fair value hierarchy.

Concentrations of Credit Risk

The Company maintains cash in bank and deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

Recently Issued and Adopted Accounting Pronouncements

The Company's management has evaluated recently issued accounting pronouncements through the date of this report and concluded that they will not have a material effect on the financial statements as of December 31, 2022.

In February 2016, the FASB issued a new accounting standard on leases. The new standard, among other changes, will require lessees to recognize a right-of-use asset and a lease liability on the balance sheet for all leases. The lease liability will be measured at the present value of the lease payments over the lease term. The right-of-use asset will be measured at the lease liability amount, adjusted for lease prepayments, lease incentives received and the lessee's initial direct costs (e.g., commissions). The new standard is effective for annual reporting periods beginning after December 15, 2021, including interim reporting periods within those annual reporting periods. The adoption will require a modified retrospective approach for leases that exist or are entered into after the beginning of the earliest period presented. Effective January 1, 2022, the Company adopted the new lease standard. At December 31, 2022 the Company had no lease agreements in place.

NOTE 3 - INITIAL FRANCHISE FEE REVENUE

Deferred revenue represents initial franchise sales for which substantially all the services to be provided by the Company have not yet been performed. These revenues are fully recognized when Franchisees open their doors for business. The amounts deferred as of December 31, 2022 was \$0.

NOTE 4 - MEMBER'S EQUITY

During the initial period ended December 31, 2022, the Company's member contributed \$100,000.

NOTE 5 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 28, 2023, the date which the financial statements were available to be issued and the following was noted.

Effective January 1, 2023, the company issued additional membership units.

INDEPENDENT AUDITOR'S REPORT

To the Member of
Midwest Shooting Center Franchisor, LLC
Lima, OH

Opinion

We have audited the accompanying financial statements of Midwest Shooting Center Franchisor, LLC (an Ohio Limited Liability Company), which comprise the balance sheet as of October 31, 2022, and the related statements of income, members' equity, and cash flows for the period from inception (June 6, 2022) to October 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Midwest Shooting Center Franchisor, LLC as of October 31, 2022, and the results of its operations and its cash flows from inception (June 6, 2022) to October 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Midwest Shooting Center Franchisor, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Shooting Center Franchisor, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Midwest Shooting Center Franchisor, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Shooting Center Franchisor, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company’s policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when received, and expenses are recognized when the obligation is incurred rather than when cash is disbursed.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounts Receivable and Bad Debts

Customer accounts receivable are stated at the amount management expects to collect on balances. The Company uses the direct write-off method for bad debts; management closely monitors outstanding balances and writes off, as of period-end, any balances that are considered to be uncollectible. Accordingly, no allowance for doubtful accounts is required. Bad debts amounted to \$0 for the period ended October 31, 2022.

Compensated Absences

The company does not have a policy on compensated absences at this time.

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are generally provided using the straight-line method over the estimated useful lives of the related assets which ranges between 3 to 10 years. At October 31, 2022, the Company did not own any fixed assets.

Advertising

Advertising costs are expensed as incurred.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Income Taxes

Certain transactions of the Company may be subject to accounting methods for income tax purposes that differ significantly from the accounting methods used in preparing the financial statements in accordance with generally accepted accounting principles. Accordingly, the taxable income of the Company reported for federal and state income tax purposes may differ from net income in these financial statements.

As a limited liability company, income or loss of the Company is allocated to the members. No provision for federal or state income taxes is necessary because any income or loss is includable in the tax returns of the individual members. Local income taxes, if any, are paid by the Company. The Company was not subject to any local income taxes for the period ended October 31, 2022.

The Company's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

The Company accounts for uncertain tax positions in accordance with ASC 740-10, *Accounting for Uncertainty in Income Taxes*. ASC 740-10 prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10 also provides guidance on de-recognition, classification, interest and penalties, and disclosure and transition accounting. The Company has concluded that no liability for uncertain tax positions is required at October 31, 2022.

Revenue Recognition

The Company's revenue recognition policies are in compliance with accounting standards ASC Topic 606, *Revenue from Contracts with Customers*. The new guidance includes the following five-step revenue recognition model:

- Identify the contract with the customer.
- Identify the performance obligation in the contract.
- Determine the transaction price.
- Allocate the transaction price to performance obligations.
- Recognize revenue when (or as) each performance obligation is satisfied.

In 2020, the Financial Accounting Standards Board (FAB) issued Accounting Standards Update (ASU), *Franchisors-Revenue from Contracts with Customers (Subtopic 952-606) Practical Expedient*. This new practical expedient will allow franchisors that are not public business entities to account for pre-opening services provided to a franchise as a single performance obligation in the services are in line with the services listed within the guidance, and they meet certain other conditions.

The Company recognizes franchise royalties and brand fund fees on a weekly and monthly basis, which are generally based upon a percentage of sales made by the Company's franchises, when they are earned and deemed collectible.

Revenue Recognition (continued)

The following services are provided by the Company prior to the opening of a franchised location:

- Development of a custom local affiliate website housed within our national website that includes online scheduling functionality and access to intranet system that provides ongoing educational, operational, advertising and marketing materials to support the business.
- Webserver setup for the website.
- Copy of proprietary Operations Manual.
- Access to a self-study program (and related materials) to be completed prior to attending our initial training program, a comprehensive two part initial training program that consists of six days (part one completed within sixty days after you secure the space for your facility) and three weeks (part two completed no earlier than sixty days prior to when you anticipate physically opening your Business for operation) both at our corporate headquarters and up to an additional five days of assistance and guidance at your location for either pre-opening or grand opening assistance.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP[®]) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include, but are not limited to, allowances for doubtful accounts and contracts receivable, the allowance for losses on contracts in process and the percentage of completion on uncompleted contracts. Actual results could materially differ from those estimates.

Fair Value of Financial Assets and Liabilities

We measure and disclose certain financial assets and liabilities at fair value. ASC Topic 820, Fair Value Measurements and Disclosures, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

MIDWEST SHOOTING CENTER FRANCHISOR, LLC
NOTES TO FINANCIAL STATEMENTS
For the initial period ended October 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Fair Value of Financial Assets and Liabilities(continued)

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

We utilize the active market approach to measure fair value for our financial assets and liabilities. We report separately each class of assets and liabilities measured at fair value on a recurring basis and include assets and liabilities that are disclosed but not recorded at fair value in the fair value hierarchy.

Concentrations of Credit Risk

The Company maintains cash in bank and deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

Recently Issued Accounting Pronouncements

In February 2016, the FASB issued a new accounting standard on leases. The new standard, among other changes, will require lessees to recognize a right-of-use asset and a lease liability on the balance sheet for all leases. The lease liability will be measured at the present value of the lease payments over the lease term. The right-of-use asset will be measured at the lease liability amount, adjusted for lease prepayments, lease incentives received and the lessee's initial direct costs (e.g., commissions). The new standard is effective for annual reporting periods beginning after December 15, 2022, including interim reporting periods within those annual reporting periods. The adoption will require a modified retrospective approach for leases that exist or are entered into after the beginning of the earliest period presented. The Company is currently evaluating the impact of this new accounting standard on its financial position and results of operations. The Company does not believe that any other recently issued accounting pronouncements would have a material effect on the accompanying financial statements.

NOTE 3 – INITIAL FRANCHISE FEE REVENUE

Deferred revenue represents initial franchise sales for which substantially all the services to be provided by the Company have not yet been performed. These revenues are fully recognized when Franchisees open their doors for business. The amounts deferred as of October 31, 2022 was \$0.

NOTE 4 – MEMBER'S EQUITY

During the initial period ended October 31, 2022, the Company's member contributed \$100,000.

NOTE 5 – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through November 11, 2022, the date which the financial statements were available to be issued and nothing has occurred that would require disclosure.
