Parlor Doughnuts Franchising, LLC (“Parlor Doughnuts” or “Parlor”) offers a franchise for owning and operating craft doughnut and coffee shops offering an array of unique bakery items, including but not limited to our original layered doughnuts; vegan, gluten-friendly, and low-carb/keto-friendly products; artisanal breakfasts; and specialty coffee under the name, “Parlor Doughnuts®.” Our vision is to create an upscale, but accessible, craft doughnut and coffee environment that welcomes all with exceptional customer service.

The total investment necessary to begin operation of one PARLOR DOUGHNUTS® franchise ranges from \$373,000-\$722,000 (excluding a drive-thru window and digital menu). This includes \$35,000 that must be paid to us.

The estimated initial investment necessary to operate multiple Parlor franchises depends on the number of franchises that we grant you. If you enter into a Multi-Unit Development Agreement (“MUDA”), the development fee is equal to 75% of the Initial Franchise Fee (for the second and third franchised businesses) and equal to 50% of the Initial Franchise Fee (for the fourth and additional franchised businesses) that must be paid to us upon signing the MUDA.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the Franchise Agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in **Exhibit A**.

Your state also may have laws that require special disclosures or amendments be made to your Franchise Agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider about *This Franchise*

Certain states require the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Indiana. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Indiana than in your own state.
2. **Royalty Payments, Advertising and Other Payments.** You must make minimum royalty, advertising, and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Spousal Confidentiality, Non-Disclosure, and Non-Competition Agreement.** You and your spouse will be required to sign a Confidentiality, Non-Disclosure, and Non-Competition Agreement in the form that is provided by Parlor. These agreements will ensure that the confidential information disclosed to you as part of the Franchise Agreement will remain protected in the event that your spouse learns confidential information during the course of the Franchise Agreement, and will restrict your spouse in the same way you will be restricted when you execute the Franchise Agreement.

**DISCLOSURE APPLICABLE TO FRANCHISEES COVERED BY THE MICHIGAN
FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DISCLOSURE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - i. The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - ii. The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - iii. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- iv. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).

- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE MICHIGAN ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE MICHIGAN ATTORNEY GENERAL.

Any questions regarding the notice should be directed to the State of Michigan Department of Attorney General, Franchise Section – Consumer Protection Division, P.O. Box 30213, Lansing, MI 48909 or by telephone at 517-373-1140

Note 1. Description of Expense.

All fees and expenditures represented in the above table in reference to us are non-refundable. All fees and expenditures represented in the above table to third parties, including suppliers, advertisers, various professionals, and governmental licensing agencies may be non-refundable subject to their guidelines. We do not offer direct or indirect financing for any part of the Estimated Initial Investment. These estimated ranges are based on our affiliates' experience in owning and operating company-owned locations. You should review these figures carefully with a business advisor as part of your due diligence before deciding to purchase a Parlor franchise.

In compiling this Item 7, we relied on our and our affiliates' industry knowledge and experience. The amounts shown are estimates only and may vary for many reasons, including the capabilities of your management team and employees, where you locate your franchised business and your business experience and acumen. You should review these estimates carefully with an accountant or other business advisor before making any decision to buy a franchise.

Note 2. Initial Franchise Fee.

The Initial Franchise Fee and its refund policy are described in Item 5 of this FDD.

Note 3. Lease, Utilities, and Security Deposits.

You are required to have a full-service, brick and mortar location in your Territory in order to operate the franchised business and you may either own or lease the building, subject to our approval. The building must be properly zoned, and the franchised business must legally be permitted to operate on the premises. The space for the franchised business should range from approximately 1,700-2,500 square feet with appropriate kitchen and seating areas. We highly recommend that you consider having a drive thru, but

doing so is within your discretion. Outdoor/patio seating, on-site parking, high visibility, easy ingress/egress, Class A tenant mix, commuter traffic (e.g. morning side of the commute), and high foot-traffic areas are positive features and strongly encouraged. Further, we typically discourage strip mall/store front locations and do not permit spaces inside a mall. While strip mall locations are discouraged, if options are otherwise limited in a community, we highly recommend an end cap location.

If you lease the premises for your franchised business, the monthly rent will vary depending upon the geographic location, size of the building, type of building, and other economic factors and may include common area maintenance fees and real estate taxes. The cost of the required build-out will depend upon the size of the premises, location, material costs, labor costs, amount the landlord is willing to assume, and other economic factors. In a build-to-suit lease, the landlord may include some or all of the improvements, fixtures, equipment, and signs which may be factored into your lease payments.

If you purchase the land and build, your estimated cost for the construction will vary depending upon the geographic location, size of the building, and other economic factors. If you build, you will likely not have to factor monthly rent into your estimated initial investment; however, you will have to factor in additional costs for financing and construction of the building, as well as any other associated costs.

Regardless of whether you own or lease the building for your franchised business, you must construct or renovate, as the case may be, the premises (hereinafter referred to as “the Approved Location”) in accordance with our standards and specifications outlined in the Operations Manual or otherwise designated in writing by us. Prior to commencing such construction, renovation, or refurbishment, you must obtain all the necessary permits and certifications as may be required by law, ordinance, or regulation. If you elect or are required by us or the Franchise Agreement to perform construction work or significant renovations or refurbishment of the Approved Location affecting the design, character, or appearance of it, you must obtain our prior approval. We reserve the right to require you to renovate the Franchised Business and such renovations may require you to invest additional capital.

Note 4. Drawings for Permitting and/or Drawings for Construction

The Drawings for Permitting Fees range between \$5,000 and \$10,000. If required to have Drawings for Construction, such Drawing For Construction Fees may cost up to \$30,000. These drawings are not typically required, and as of today, only one location located in California has needed such drawings.

Note 5. Build-out of Approved Location (Second Generation)

The franchise model contemplated herein relies on locations that are second generation. As of the issuance date hereof, we have one open corporate store that is not a second generation location. If the location that you select and we approve is not a second generation location, please know that there may be additional costs associated with a full build-out. Based on the opinion of our architect, such additional cost may be up to \$200 per sq./ft.

Note 6. Furniture, Fixtures, Décor, and Equipment.

You must purchase and/or lease and install furniture, fixtures, décor, and equipment necessary to operate your franchised business from Approved Suppliers which may be limited to us or an Affiliate in our sole discretion. **The equipment, furniture, and fixtures you are required to purchase and/or lease will include but not be limited to the products and materials listed in the Confidential Operations Manual and our brand guidelines. They all must be approved by Parlor.** The cost of the furniture, fixtures, décor, and equipment will vary according to local market conditions, the size of the order, the supplier used, whether the supplier permits you to lease the item, and other related factors. You may be

able to purchase much of your light fixtures and décor through Parlor Doughnuts Brands or through other vendors with specific options approved by Parlor Doughnuts. If the restaurant does not have a grease trap, fire suppression hood, and/or a walk-in cooler, your estimated cost will be on the higher end of the range provided in the table (and lower end if your restaurant already has all of the above).

Note 7. Pre-Opening & Grand Opening Marketing and Advertising.

You are required to conduct pre-opening and grand opening marketing and advertising for your franchised business subject to a marketing plan approved by us beginning at least one month before beginning operations and continuing for sixty days after you open your franchised business.

You are required to spend the minimum amount listed above, but you may spend more than that if you choose to do so. The factors that may affect the actual amount you spend include the type of media used, the size of the area you advertise to, local media cost, location of the franchised business, time of year and customer demographics in the surrounding area.

Note 8. Legal and Accounting Fees Related to Startup Assistance.

We strongly recommend you employ an attorney, an accountant and other consultants to assist you in establishing your franchised business. These fees may vary from location to location depending on the prevailing rates of local attorneys, accountants and consultants.

Note 9. Computer System and Required Hardware and Operating System.

You must purchase, or lease, and install such computer hardware, modems, printers, and other computer-related equipment that meet our standards and specifications outlined in the Operations Manual or otherwise designated by us in writing. You must also use the designated software for use in the operation of the franchised business and update it as required by us from time to time, including the POS system, loyalty reward program, and on-line ordering program. In addition, security alarm and video camera systems are strongly recommended.

Note 10. Insurance.

You are required to maintain insurance, at your expense, prior to beginning construction or any other operations, with insurers which must have an A.M. Best Company Rating of A- VII or better. Parlor Doughnuts Franchising, LLC must be named an additional insured for operational liability, including product liability, and for any and all damages that could occur to any person as a result of contact with items sold at your franchised business. In addition, all insurances shall be primary and non-contributory and include a waiver of subrogation in favor of Parlor Doughnuts Franchising, LLC. Coverages shall also contain a provision obligating all insurers to provide written notice to us upon any cancellation or modification of coverage at least one week prior to the effective date of such a change.

Within sixty days of signing the Franchise Agreement, but not later than the time which you begin construction or any other business operations under the Parlor name, a certificate of insurance showing compliance with the requirements below must be furnished to us for approval. Such form shall state policies cannot be cancelled or altered without at least one week prior written notice to us and shall reflect proof of paid premiums.

The minimum limits below may be modified from time to time, by written notice to you. Should you, for any reason, not comply and maintain such insurance coverage as is required, we shall have the right and authority (but no obligation) to procure such coverages and charge the same to you, plus a reasonable fee for expenses related to the procurement of such policies. This will be payable immediately upon notice.

Insurance costs will vary based on a number of factors: for example - policy limits, state requirements, asset values, specific lease requirements, quantity of employees, leased space, and location. The estimate provided in the table above is for quarterly premium on insurance with the following required limits:

Type of Insurance	Minimum Level of Coverage
Worker's Compensation	No less than \$500,000 each accident, \$500,000 each employee, and \$500,000 policy limit.
General Liability (including Personal and Advertising Injury)	\$1,000,000 per occurrence, \$2,000,000 aggregate.
Property Damage	You must maintain a minimum coverage sufficient to completely rebuild your location in the event of total loss. All real estate, betterments, and personal property required to adequately run your business must be insured, with 'all risk' coverage commonly included. You must also carry business interruption insurance for your location, commonly listed as "Actual Loss Sustained" for 12 months.
Auto Coverage	Commercial coverage with \$1,000,000 combined single limit for bodily injury and property damage, plus any other state requirements.
Umbrella/Excess Liability	You must maintain an additional \$1,000,000 umbrella liability coverage to protect against personal injury, bodily injury, and property damage associated with the operations of your Parlor location.
Specialty Coverage	\$2,000,000 product liability for any and all damages related to any person as a result of handling, eating, or ingesting any product at your Parlor location.

Note 10(a). Workers Compensation

Workers Compensation is required when employees begin employment and in addition to the minimum level of coverage, there may also be additional coverages required by your home state, which would also be required by us.

Note 10(b). Auto Coverage

Commercial auto coverage is only required if there is a vehicle associated with the franchise, including for the purposes of delivery, catering, or transportation of products.

Note 11. Additional Funds for Initial Three Months

This estimates your possible start-up expense for the initial three months. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: how well you follow our methods and procedures; your ability to manage the business; your experience and business acumen; local economic conditions; the local market for your product; the prevailing wage rate; competition; and the sales level reached during the initial period.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

You may only offer and sell services and products that the Franchisor authorizes as further defined and described herein and within the Franchise Agreement. To ensure that our standards are maintained, you must operate your Parlor franchise in strict conformity with the Franchise Agreement and the methods, specification, and sources of supply that we designate and require within the Franchise Agreement and the Confidential Operations Manual.

You must develop and operate the franchised business according to our standards and specifications, subject to any laws, rules, and regulations governing the services provided by the franchised business. We require that you purchase certain types, models, and brands of fixtures, furnishings, equipment, services, advertisements, software, materials, ingredients, inventory, and other items required for the operation of the franchised business. To maintain quality and consistency, we require that you purchase these items, as referenced in the Confidential Operations Manual, from designated suppliers approved by us, which may include and be limited to us or our affiliates. The list of Approved Suppliers for other required items is contained in our Confidential Operations Manual, which we will loan to you after you sign the Franchise Agreement.

Even where purchases are not required to be made from Approved Suppliers, they must still meet any specifications and standards we designate. The Confidential Operations Manual also contains specifications for the products, supplies, equipment, materials, and other items you are required to use in your franchised business including the standards for quality, price, performance and functionality. These standards and specifications are based on our Affiliates' experience in operating a business of the type we are franchising and through use in our Affiliates' businesses. We communicate our standards and specifications to you during training and periodic visits to your franchised business, and through the Confidential Operations Manual.

We may periodically issue new standards and specifications through written notices, and we may review our prior approval of any goods, services, equipment, or suppliers. We will notify you in writing if we revoke our approval of goods, services, tools, equipment, or suppliers, and you must immediately stop purchasing disapproved goods, services, or equipment, or you must immediately stop purchasing from a disapproved supplier.

We estimate that the items you are required to purchase will represent approximately 70% to 85% of the total purchases you will make to begin operations. Once you begin operating, we expect the items you are required to purchase will represent approximately 85% to 90% of your total expenses.

Request for Approval of New Supplier, Good, Service, or Piece of Equipment

You may request to obtain approval for a new supplier, good, service, or piece of equipment by submitting such request, including the basis for the request, via email to franchising@parlordoughnuts.com. Approval is made on a case-by-case basis, and determined by us, in our sole discretion, and we will make commercially reasonable efforts to decide within thirty (30) days after receiving the required information whether the supplier, good, service, or equipment is approved. Our criteria for approving or revoking approval of suppliers may include the supplier's ability to provide sufficient quantity of goods; the quality of goods or services; the price; production and delivery capability of the supplier; and the dependability and general reputation of the supplier. We will notify you in writing of our approval or disapproval. If your request is approved, you may make purchases from the new supplier or purchase the new good,

service, product, or piece of equipment. You will be responsible for ensuring that all products, goods, services, and equipment will continue to conform to our standards and specifications.

Revenue from Franchisee Purchases

We may derive revenue as a result of your and other franchisees purchasing the required products, supplies, equipment, materials, services, and other items from us, our affiliates, or Approved Suppliers. Parlor's total revenues are reflected in the attached **Exhibit G**. Last year, Parlor did not obtain any revenue from Franchisee's required purchases, and thus your required purchases represent 0% of Parlor's total revenues. Darrick Hayden and Josh Tudela have an ownership interest in Parlor Brands, which is the exclusive supplier of certain branded products such as t-shirts, mugs, cups, boxes, fabricated items, decor, etc. In the year ending on December 31, 2022, Parlor Brands' revenues from the sale of these products was \$782,354, or 100% of Parlor Brands' total revenues; however, this amount was offset by various operating expenses, including cost of goods sold which were 90% of revenue. As a result, Parlor Brands did not make a profit and ended the year at a negative net income of \$5,066.

Computer and Software Requirements

You must purchase, or lease, and install such computer hardware, modems, printers, and other computer-related equipment that meet our standards and specifications outlined in the Confidential Operations Manual or otherwise designated by us in writing.

You are required to use the designated software for use in the operation of the franchised business and update such software as required by us from time to time, including POS system, loyalty reward program, and on-line ordering program.

We reserve the right, without limitation, to modify or supplement the hardware or software required in the operation of the franchised business and you may be required to make and install substantial modifications to the computer system, software, or hardware during the Initial Term of the Franchise Agreement or any renewal terms to efficiently operate the franchised business.

Cooperatives

We may, in our sole discretion, negotiate purchase agreements, including pricing terms, with certain suppliers for goods and services on behalf of the System. We may set up preferred vendor programs with suppliers on behalf of the businesses operating under this System and, in doing so, we may limit the number of approved vendors and/or suppliers that you may purchase from and we may designate one vendor as your sole supplier. Presently, we have entered into an agreement with Sysco Louisville, Inc. for them to provide food and product-related services through other subsidiaries, divisions, and affiliated entities of Sysco Corporation which are full-line foodservice distributors. We have also entered into an agreement with Vie de France Yamazaki Inc. to assist with proprietary dough recipes and product creation, and research and development efforts.

Material Benefits

We negotiate with suppliers and vendors for pre-arranged, discounted prices for our franchisees. You may receive benefits from these purchase arrangements for your use of Approved Suppliers but these benefits are not promised.

Except as described in this Item 8, you do not receive any material benefit from us based upon your use of the Approved Suppliers. However, we consider a variety of factors when determining whether to renew or grant additional franchises, including compliance with the requirements described in Item 8.

FINANCING**

We do not offer direct or indirect financing for any amount due under the Franchise Agreement or MUDA. We do not guarantee your notes, leases or other obligations.

**ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING**

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance

Before you open your Franchised Business, we will perform the following services:

1. Territory (Section 5 of the Franchise Agreement).

We will designate and approve your Territory as described below in Item 12.

If you enter into a MUDA, we will designate and approve your Development Area. (MUDA, Section 2).

The typical time between signing the Franchise Agreement and opening the franchised business is approximately nine (9) to twelve (12) months. The factors that affect opening time include, but are not limited to, completing the training program, renovating the space, ordering and receiving inventory and equipment, hiring personnel, and obtaining financing. You must open your franchised business and be operational within twelve (12) months after signing the Franchise Agreement, unless otherwise authorized in writing by us.

If you sign a Multi-Unit Development Addendum, you will be subject to a Development Schedule outlining the required opening dates for opening the additional franchised businesses. You must open and operate your franchised businesses by the required opening dates, unless otherwise authorized in writing

by us. (MUDA, Section 2).

2. Site Selection (Section 6 of the Franchise Agreement).

You are required to have a full-service, brick and mortar location within your Territory in order to operate the franchised business and you may either own or lease the building, subject to our approval. We must approve the location before you sign a purchase agreement or lease. The location must meet our criteria for demographic characteristics, parking, character of neighborhood, competition from and proximity to other businesses and other Parlor franchises, the nature of other businesses in proximity to the site and other commercial characteristics, and the size, appearance and other physical characteristics of the proposed site. We will make commercially reasonable efforts to approve or disapprove a location you propose within ten (10) days after we receive the complete report of the site and other materials we request. You must have an approved site for your franchised business within six (6) months after signing the Franchise Agreement, unless otherwise authorized in writing by us. If we cannot agree on a location within six (6) months after the effective date of the Franchise Agreement, we may terminate the Franchise Agreement.

We or our designee will review proposed sites for your location and we may, at our discretion, propose sites that we recommend you select. However, neither our review and/or acceptance of a site constitute a representation or guarantee that the site will be successful. When evaluating your site, we will consider factors such as size, lease terms and conditions, and other factors such as demographics. It is solely your responsibility to obtain a mutually acceptable site.

We suggest you use a qualified real estate company to review and negotiate your lease. We are not obligated to assist you in reviewing your lease, but we may do so at our discretion. **However, prior to your execution of a lease, we must review and approve your proposed lease for the Approved Location.** We may condition our approval of any proposed lease on, among other things, your execution of a separate collateral assignment of the lease.

3. Approved Suppliers (Section 10 of the Franchise Agreement).

To maintain quality and consistency, we may require that you purchase required products, supplies, equipment, materials, services, apparel, and other items solely from our Approved Suppliers, which may include and be limited to us or our affiliates. The list of Approved Suppliers is contained in our Confidential Operations Manual, which we will loan to you after you sign the Franchise Agreement. Other than providing you with the Approved Suppliers list, we do not provide direct assistance in obtaining equipment, signs, fixtures, opening inventory, or supplies (unless such items are purchased through us or our affiliate) and we do not install such items.

4. Pre-Opening Inspection (Section 12 of the Franchise Agreement).

We will conduct one (1) pre-opening inspection of the franchised business, at our expense, to ensure you are following our standards and specifications. The franchised business may not open for business without written authorization from us after the pre-opening inspection has been completed and you have successfully demonstrated that you are complying with our standards and specifications. Our authorization for opening of the franchised business is limited solely to reviewing and confirming compliance with our standards and specifications and does not warrant, represent, guarantee, or assure that your franchised business will be successful, profitable, or meet your expectations.

5. Training (Section 8 of the Franchise Agreement).

The cost for initial training of the owner (if having any hands-on involvement in the operation of the shop), shop manager and department managers (5-6 individuals) is included in the Initial Franchise Fee. However, you are responsible for all travel, lodging, and meal expenses incurred by you and your staff for attending and participating in the Initial Training Program. Additionally, you are responsible for our travel, lodging, and meal expenses incurred by our representatives for providing on – site training at your franchised business. Our Initial Training Program consists of in-person training at our headquarters or designated facility and at your franchised business, as well as online and video training.

See Training Program below for more information.

6. Website and Social Media (Section 14 of the Franchise Agreement).

All digital media and marketing must be approved by us. We will provide information about your franchise on our website or such other websites as we may designate for the System. In addition, we will establish, manage, and control social media accounts on your behalf for your local market/territory. You will have the right to submit content to us for posting in coordination with the overall marketing plan.

7. Grand Opening Assistance (Section 14 of the Franchise Agreement).

We will provide you with grand opening assistance at your franchised location for at least two (2) days before you open and two (2) days after you open your franchised business. You are responsible for our travel, lodging, and meal expenses incurred by our representatives for providing the grand opening assistance at your franchised business.

8. Operations Manual (103Pages) (Section 9 of the Franchise Agreement).

We will loan you a complete copy of our Confidential Operations Manual after you sign the Franchise Agreement. The Confidential Operations Manual contains mandatory and suggested specifications, standards, and procedures and is confidential and remains our property. We may modify the Confidential Operations Manual from time to time, but the modification will not alter your status and rights under the Franchise Agreement. The Table of Contents of the Confidential Operations Manual is attached to this FDD as **Exhibit F**.

The Approved Supplier list, which contains the Approved Suppliers that you are required to utilize in the operation of the franchised business, is included in the Confidential Operations Manual.

Post-Opening Assistance

During the operation of your franchised business, we will perform the following services:

1. Development of New Products and Services (Section 10 of the Franchise Agreement).

We periodically develop new products and services for use in the franchised business and to further improve and develop the franchise System. You will be required to provide any new products or services we deem mandatory and you may incur additional cost associated with providing said products or services. You may determine the price for the products and services, subject to the recommended and maximum prices established by us.

2. Additional/Continuing Training and Consulting Assistance (Section 8 of the Franchise Agreement).

We provide you and/or your employees with additional in-person training sessions as needed at our headquarters, the franchised business, or at another location designated by us. Currently, the charge for additional training is \$100 per hour, plus our travel expenses, meals and lodging that we incur in providing the additional training.

We will provide mandatory additional training if during the Franchise Agreement you hire new shop managers who have not successfully completed our training program. New shop managers must attend and complete our training program within thirty (30) days of being hired and shall not manage or provide services on behalf of the franchised business until they have satisfactorily completed the training program.

Additionally, if you feel you need more assistance outside of our regularly scheduled training sessions, we will provide you with consulting assistance at your franchised business, upon your written request. You must pay us the Consulting Assistance Fee in exchange for the consulting assistance, which is currently set at \$100 per hour, as well as pay for all travel costs and expenses incurred by us for providing the consulting assistance. We have the right, without limitation, to modify the amount of the Consulting Services Fee in our discretion.

3. Post-Opening Inspection (Section 12 of the Franchise Agreement).

We may conduct an annual post-opening inspection of the franchised business, at our expense, to determine compliance with our standards and specifications. We may conduct the inspections during regular business hours and without giving prior notice to you. We may conduct more than one (1) post-opening inspection per year as we deem necessary and in our sole discretion. If additional post – opening inspections are necessary because of a default of the Franchise Agreement, you will be required to cover our travel expenses associated with conducting the post – opening inspection.

4. Website and Social Media (Section 14 of the Franchise Agreement).

We will continue to include you on our website and national social media accounts during the term of the Franchise Agreement. In addition, we will post on the local social media account(s) on your behalf for your local market/territory. You will have the right to submit content to us for posting in coordination with the overall marketing plan. Parlor staff will also work with you to review and respond, as appropriate, to online comments, reviews, questions, and complaints, such as Google reviews.

5. General Business Guidance and Support (Section 8 of the Franchise Agreement).

We periodically advise you and offer general business guidance to you by telephone, e-mail, newsletters, and other methods. Our guidance is based on our and our affiliates' knowledge and experience. We may offer you advice and guidance on a variety of business matters, including operational methods, accounting procedures, authorized services or products and marketing and sales strategies. Our advice related to the operation of the franchised business is for educational purposes and to ensure compliance with our standards and specifications. If you follow our advice, it does not warrant, represent, guarantee, or assure that your franchised business will be successful, profitable, or meet your expectations.

1. National Marketing Fund (Section 14 of the Franchise Agreement).

We have established a National Marketing Fund (“Marketing Fund”) that you are required to contribute, on a weekly basis, an amount currently equal to one percent (1%) of the total weekly Gross Sales of the franchised business. We may, in our sole discretion, decide to terminate or suspend the Marketing Fund at any time, decrease, or increase the amount (not to exceed 3% of your weekly Gross Sales) of the required contribution upon written notice to you. Parlor locations owned by us and our affiliates may, but shall not be obligated to, contribute to the Marketing Fund on the same basis as franchisees.

We have the exclusive right to direct all marketing programs financed by the Marketing Fund, including the right to control the creative concepts, materials, and endorsements. We have the right to determine the geographic market, media placement, and allocation of the Marketing Fund and have no obligation to administer the Marketing Fund in such a manner as to ensure that expenditures by the Marketing Fund in any geographic area are proportionate or equivalent to contributions to the Marketing Fund by franchisees or that you will benefit directly or in proportion to your contribution to the Marketing Fund from the conduct of marketing programs or the placement of advertising.

The Marketing Fund may be used to pay the costs for your local social media sites and online activity. The Marketing Fund may also be used to pay the costs of preparing and producing video, audio, and printed marketing materials; administering multi-regional and national marketing programs, including purchasing television, radio, magazine, billboard, newspaper, online, social media, and other media advertising; employing advertising agencies and/or public relations firms or graphic designers to assist with marketing and advertising; and providing marketing materials to franchisees. The Marketing Fund may also be used to meet any and all costs reasonably related and incident to administering the Marketing Fund and its related programs, including administrative costs. Under no circumstance will we use the Marketing Fund to solicit new franchisees.

The Marketing Fund will be accounted for separately from our other funds. However, the Marketing Fund is not a trust or escrow account, and we have no fiduciary obligations to our franchisees with respect to the Marketing Fund or with the monies collected. We are permitted to spend in any fiscal year an amount greater or less than the aggregate contributions of franchisees to the Marketing Fund in that year. Any part of the Marketing Fund contributions that were not spent during the fiscal year would remain in the Marketing Fund to be used in the next fiscal year. An unaudited statement of monies collected, and expenditures made by the Marketing Fund will be prepared annually and provided to you upon written request.

At this time, there is not a franchise advisory council. However, we reserve the right to establish one to advise and consult with us in connection with the establishment, modification, continuance, or other decisions or considerations affecting marketing programs. In the event we establish said council, we will have the exclusive right to determine their organizational structure and manner of operation.

2. Local Advertising & Community Support (Section 14 of the Franchise Agreement).

You are required to conduct local advertising and to spend one percent (1%) of monthly Gross Sales of the franchised business on such advertising and community support, including product donations. Additionally, you must sponsor a minimum of two community engagements, events, or activities per year. The specific engagement, event, or activity must be pre – approved in writing by us before you sign any agreement to sponsor such engagement, event, or activity.

You must provide us with monthly reports of your local advertising expenditures no later than the tenth (10th) day of the following month. You are permitted to create and use your own marketing and advertising materials to locally advertise your franchised business; provided, however, that such marketing and advertising materials are submitted to and pre-approved in writing by us before they are used. We will make commercially reasonable efforts to notify you of our approval or disapproval of the proposed advertising material within thirty (30) days after we receive all the necessary information for review. We may approve, disapprove, or revoke approval of any advertising materials for any reason and at any time and you must not use any marketing materials that we have disapproved.

You are restricted from establishing a presence on, or marketing on the Internet without our consent. We retain the sole right to market on the Internet, including the use of websites, domain names, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, e-commerce, social media, and co-branding arrangements. You may be requested to provide content for our Internet marketing, and you must follow our Internet usage rules, policies and requirements. We retain the sole right to use the Proprietary Marks on or sell products containing the Proprietary Marks over the Internet, including on websites, as domain names, directory addresses, search terms and meta-tags, and in connection with linking, marketing, co-branding and other arrangements. We retain the sole right to approve any linking to, or other use of, the Parlor website.

3. Grand Opening Advertising (Section 14 of the Franchise Agreement).

You are required to conduct grand opening marketing and advertising for your franchised business subject to a marketing plan approved by us beginning at least one month before beginning operations and continuing for sixty days after opening. You are required to spend the minimum amount listed in Item 7 above, but you may spend more than that if you choose to do so. The factors that may affect the actual amount you spend include the type of media used, the size of the area you advertise to, local media cost, location of the franchised business, time of year and customer demographics in the surrounding area.

We will provide you with grand opening assistance at your franchised location for two (2) days before and two (2) days after your grand opening. You are responsible for our travel, lodging, and meal expenses incurred by our representatives for providing the grand opening assistance at your franchised business.

Computer Requirements (Section 11 of the Franchise Agreement).

You must purchase, or lease, and install such computer hardware, modems, printers, and other computer-related equipment that meet our standards and specifications outlined in the Confidential Operations Manual or otherwise designated by us in writing. As stated in Item 7, the estimated expense in purchasing or leasing the required computer system will be between \$4,000 and \$10,000 payable in accordance with the terms of your acquisition.

You are required to use the designated software for operating the franchised business and provide us with access to your software including but not limited to your point-of-sale system (“POS”), loyalty reward program, and on-line ordering program. In order to use this software, you must pay a fee to the designated vendor and such fee may be modified in our designated vendor’s sole discretion. Currently, you are required to use Toast for your POS.

We reserve the right, without limitation, to modify or supplement the hardware or software required in the operation of the franchised business and you may be required to make and install substantial modifications to the computer system, software, or hardware during the Initial Term of the Franchise Agreement or any renewal terms to efficiently operate the franchised business.

We will have the free and unfettered right to retrieve such data and information stored on your hard drive, either internally or externally, as we deem necessary, desirable, or appropriate and there are no contractual rights that limit our ability to do so. The business information or data that will be collected or generated includes, but is not limited to, sales data, trend analysis, records, social media accounts, email, customer reviews, pricing information, customer demographics, and the like.

Training (Section 8 of the Franchise Agreement).

We provide you with our Initial Training Program which covers most aspects of the operation of the franchised business such as food preparation, customer service, community relations, communication, purchasing, policies, and marketing. The training program is conducted by our staff (certified trainers), utilizing our operations and training manual and other materials. The classroom training may be conducted through a combination of in-person and virtual instruction. The on-the-job portions of the training may be conducted in a combination of both our company – owned locations, including in Evansville, IN, and at your franchised business.

The owner (if having any hands-on involvement in the operation of the shop), shop manager and department managers must complete the initial training to our satisfaction prior to commencing the operation of your franchised business. As part of the training program outlined below, owners and shop managers are expected to work 40 hours in an Approved Location prior to opening their shop. Further, training for owners and managers in subsequent shops, within a territory, must be completed to our satisfaction prior to commencing the operation of your franchised business.

We expect that attendees will advance through the Initial Training Program at different rates depending on a variety of factors, including background and experience. As such, the time frames provided in the chart are an estimate of the time it will take to complete training. The charge for the Initial Training Program for the shop manager and department managers (five people) is included in the Initial Franchise Fee, but you must pay for all travel costs and living expenses incurred by you and / or your shop manager and department managers in attending and participating in the initial training. Additionally, you are responsible for our travel, lodging, and meal expenses incurred by our representatives for providing on – site training at your franchised business. The franchised business must at all times be under the day-to-day supervision of someone who has completed the Initial Training Program to our satisfaction.

Additional staff may be included in the training for an additional fee. If a new shop manager is hired or an existing employee is promoted to shop manager, the franchisor must be notified within seven (7) days. In addition, new shop managers must complete the program to our satisfaction within thirty (30) days of being hired. You will be responsible for all travel, lodging, meals, and other expenses incurred in providing the additional training to staff and / or new shop managers, which will typically be held in one of our corporate locations.

In addition to any required training provided by us, your shop manager and all department managers, as well as any other employees required in accord with local regulations, are required to complete ServSafe® training at your expense.

You are solely responsible for recruiting, hiring, firing, training, and supervising employees to operate the franchised business and the terms and conditions of their employment. We may provide you with standardized interviewing and hiring information, but you are not obligated to use said information in making your hiring decisions. Any material or information related to hiring employees is for informational purposes only and the employees of the franchised business will only be your employees, and are not in any way our employees or agents. The following table provides an overview of the current training program:

The training will occur at our one of our corporate shops, your franchised business, virtually, or at other locations designated by us. The dates and location of the training will be communicated to you in the Confidential Operations Manual. Training will be conducted by Darrick Hayden, Jennifer Hayden, Nicole Hunsaker, certified trainers (managers from our shops), or a third-party hired by us to provide training to our franchisees.

Substitute trainers, trainers brought in by our approved third-party vendors, or hired experts may provide training to you if the training schedule requires it or is necessary for other reasons. Any substitute or additional trainer that we use will have a minimum of one (1) year of experience in the doughnut or coffee industry and/or the subject they are teaching. There are no limits on our right to assign a substitute trainer to provide training.

We intend, though we are not obligated, to prepare and offer various seminars and conferences to franchisees in addition to the Initial Training Program. All details concerning any programs, if offered, such as time, location, duration, cost, and other matters, will be determined on a case-by-case basis. We may require the participation in these programs under the terms of the Franchise Agreement.

ITEM 12 TERRITORY

Franchise Agreement

You will receive an exclusive territory which will be described and depicted in **Exhibit A** attached to the Franchise Agreement (the “Territory”). The Territory will be based on community boundaries, population density, drive times, and distance. We determine the boundaries of the geographic area based on a variety of factors, including proximity to competitors, proximity to other franchisees and natural and physical boundaries. The typical territory for a shop is a 3-5 mile radius. You are not permitted to solicit consumers outside of your Territory.

For your initial location, you are required to have a full-service, brick and mortar location within your Territory in order to operate the franchised business and you may either own or lease the building, subject to our approval. You shall not relocate the Approved Location without our prior written authorization. We reserve the right to approve or deny your relocation request in our discretion based upon, without limitation, our own business judgment, your compliance with the Franchise Agreement, and the proposed new location. If we approve your relocation request, you must pay us a Relocation Fee which is currently set at \$5,000.

You may sell the authorized goods and services to customers residing outside of your Territory; provided, however, that you are only permitted to sell the authorized goods and services at and from the Approved Location. Otherwise, you are not permitted to solicit consumers outside of its Territory.

You are prohibited from setting up, maintaining, or utilizing an Internet website, home page, or other social media site to sell products and services. You must not cause or allow the Proprietary Marks to be used or displayed, in whole or in part, as an Internet domain name, or on or in connection with any Internet website, home page, or social media site without our express prior written consent, which we may grant or withhold in our sole discretion. If we provide our consent to such use, then you may only use the Proprietary Marks in such a manner authorized by us and in accordance with our procedures, standards and specifications as established from time to time.

You do not receive the right of first refusal for additional territories unless you have entered into a MUDA with us.

Except for the rights expressly reserved to us in this Item 12 and the Franchise Agreement, we will not open for business, grant a franchise, license or otherwise authorize any other person or entity to open for business, a Parlor franchise within your designated Territory. As long as you are in compliance with the Franchise Agreement, there are no other circumstances under which we will modify your territorial rights.

Multi-Unit Development Agreement

If you are granted the right to establish and operate multiple Parlor franchises under our form of the MUDA, then we will provide you with a Development Area upon execution of the MUDA. The size of your Development Area will be based on: (i) the number of franchises you agree to open and operate; and (ii) the location, demographics, and population of the general area where we mutually agree these locations will be operated. The boundaries of your Development Area may be described in terms of zip codes, streets, landmarks (both natural and man-made) or county lines, or otherwise delineated on a map attached to the MUDA.

Each franchise opened and operating in the Development Area must be operated under our then-current

form of the Franchise Agreement and will each have its own designated territory. Except for the rights expressly reserved to us in this Item 12 and the MUDA, we will not operate or recruit any person or entity to operate a Parlor franchise within your designated Development Area until the expiration or termination of the MUDA for any reason.

In order to maintain your rights to the Development Area, you must comply with your Development Schedule. If you fail to comply with your Development Schedule, we may terminate your MUDA. Upon expiration or termination of the MUDA for any reason, your rights in the Development Area will terminate, except that each franchise opened and operating in the Development Area will continue to maintain the rights to their respective territories under their Franchise Agreements. Except for the expiration or termination of the MUDA, we will not modify your Development Area or your rights therein unless mutually agreed to in writing by you and us.

Without our prior written consent, you cannot, by operation of law or otherwise, sell, assign, transfer, convey, give away or encumber any part of your interest in the MUDA, your interest in the development rights granted under the MUDA or the interest in any entity that owns any interest in the MUDA, and you shall not offer, permit or suffer the same to be sold, assigned, transferred, conveyed, given away or encumbered in any way.

Reserved Rights

Except as otherwise provided, we retain the right to:

- i. Operate and grant others the right to operate a Parlor franchise anywhere outside of your Territory or Development Area;
- ii. Develop, operate, and grant others the right to operate any future concepts that are not included within the franchise System at any location anywhere;
- iii. Use and license the use of other trademarks or methods which are not a part of the franchise System at any location anywhere;
- iv. Operate any business that primarily offers doughnuts or coffee (whether under development or already in operation) included in any business acquisition at any location outside of the Territory or Development Area; and
- v. Distribute or license any goods, services, or concepts, in or outside of your Territory, regardless of whether such products are authorized for Parlor franchises or are distributed or licensed under the Proprietary Marks, through other channels of distribution, including, but not limited to the Internet or through consulting services.

Currently, we do not have any plans to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those you will offer.

ITEM 13 TRADEMARKS

Parlor has licensed us the right to use the name PARLOR DOUGHNUTS® and other trademarks listed below and permits us to sub-license the right to use these trademarks to you. This agreement with our affiliate does not significantly limit our right to use or license the use of the trademarks listed below and such agreement will remain in effect so long as the companies are affiliated. Accordingly, we hereby grant you the right to use the name PARLOR DOUGHNUTS®, OUR FAMOUS LAYERED DOUGHNUTS®, and any other

proprietary marks, trade names, logos, and the like (“Proprietary Marks”) that we require you to use in the operation of the franchised business. You shall not represent in any manner that you have acquired any ownership rights in the Proprietary Marks, and you shall not use any of the Proprietary Marks or any marks, names, or indicia which are, or may be confusingly similar, in your own entity or business name. You must obtain a fictitious or assumed name registration if required by your state or local law. All goodwill associated with the Parlor franchise System and identified by the Proprietary Marks shall inure directly and exclusively to our benefit.

We have applied for federal registration with the United States Patent and Trademark Office (“USPTO”) of the following Proprietary Marks:

Service Mark	Serial Number	Application Date	Register
Parlor Doughnuts	90486862	01/25/2021	Principal
THE DOUGHNUT PARLOR	87232920	11/10/2016	Principal
	90793425	06/24/2021	Principal
	90793320	06/24/2021	Principal
	97331140	03/23/2022	Principal
	97756745	01/17/2023	Pending

We are not aware of any effective determinations of the USPTO, the trademark administrator of any state, or any court, nor is there any pending interference, opposition, or cancellation proceeding, or any pending

material litigation involving the Proprietary Marks which may be relevant to its use in any state. We are not aware of any superior prior rights or infringing uses that could materially affect your use of the Proprietary Marks in any state.

We are not obligated to defend your right to use the Proprietary Marks or against claims of infringement or unfair competition arising out of your use of the Proprietary Marks.

You do not receive any rights to the Proprietary Marks other than the nonexclusive and nontransferable right to use them in the operation of the franchised business. You must follow our rules, including any style requirements, when you use the Proprietary Marks. You may not use any Proprietary Marks in connection with the sale of any unauthorized services or products, or in any other manner that we do not authorize in writing. Any unauthorized use of the Proprietary Marks by you is a breach of the Franchise Agreement and an infringement of our rights in the Proprietary Marks. You must not contest the validity or ownership of the Proprietary Marks, including any Proprietary Marks that we license to you after you sign the Franchise Agreement. You must not assist any other person in contesting the validity or ownership of the Proprietary Marks. You must not register or seek to register as a trademark or service mark, either with the USPTO or any state or foreign country, any of the Proprietary Marks or a trademark or service mark that is confusingly similar to any of our Proprietary Marks. Your right to use the Proprietary Marks does not extend beyond the termination or expiration of the Franchise Agreement.

If we require, you must modify or discontinue the use of any Proprietary Marks and use other trademarks or service marks we designate. We do not have to reimburse you for modifying or discontinuing the use of a Proprietary Mark or for substituting another trademark or service mark for a discontinued Proprietary Mark, or for any loss of goodwill associated with a modified or discontinued Proprietary Mark. If we adopt and use new or modified Proprietary Marks, you must add or replace equipment, signs, supplies and fixtures, and you must make other modifications we designate as necessary to adapt your franchised business for the new or modified Proprietary Marks.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We filed a patent with the USPTO on October 20, 2021 titled “A Method for Forming a Baked Good”. The application was given provisional application number 63/257,932. After the lapse of the provisional application, we filed a non-provisional application for the same process that was assigned U.S. Non-Provisional Application No. 17/970,045. This application is currently pending. We have no registered copyrights that are material to the purchase of a franchise. However, we claim copyright interest in our written materials and other materials that are critical to the franchise System, including, but not limited to, our Confidential Operations Manual, training material, sales process, advertising material, website, and other publications. While we claim copyrights in these and similar items, we have not registered these copyrights with the United States Copyright Office. You may use these items only as we specify while operating the franchised business and you must stop using them if we direct you to do so.

There is no current material determination of the USPTO, United States Copyright Office or a court regarding any patent or copyright. There is no forum, case number, claims asserted, issues involved, and effective determinations for any material proceeding pending in the USPTO or any court. We do not know of any patent or copyright infringement that could materially affect the franchised business.

We have developed certain trade secrets and other confidential information, including methods of business management, design, sales and promotion techniques, and know-how, knowledge of, and experience in, operating a Parlor business. We will provide our trade secrets and other confidential information to you during training, in the Confidential Operations Manual and as a result of the assistance we furnish you

during the term of the Franchise Agreement. You may only use the trade secrets and other confidential information for the purpose of operating the franchised business. You may only divulge trade secrets and other confidential information to employees who must have access to it to operate the franchised business and you are responsible for enforcing the confidentiality provisions as to your employees. Your use of the Confidential Operations Manual, trade secrets or other confidential information in an unauthorized manner is a default of the Franchise Agreement for which we may terminate the agreement.

Individuals with access to our trade secrets or other confidential information, including your shareholders, officers, directors, partners, members, managers, executives, spouse, vendors, employees, and staff will be required to sign nondisclosure and non-competition agreements in a form the same as or similar to the Confidentiality, Nondisclosure and Non-Competition Agreement attached to the Franchise Agreement as **Exhibit E**.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are required at all times to perform your contractual obligations faithfully, honestly, and diligently, fully exploit your Franchise Agreement rights, and devote your time and best efforts to the operation, promotion, and enhancement of your franchised business. The franchised business must always be under your direct, full-time, day-to-day supervision or the supervision of someone who has successfully completed our Initial Training Program. Direct, full-time, day-to-day supervision means a minimum of forty (40) hours per week. Further, any owner who has hands-on involvement in the operation of the shop must successfully complete our Initial Training Program.

Individuals with access to our trade secrets or other confidential information, including shareholders, individuals who executed a personal guaranty, officers, directors, partners, members, managers, executives, spouses, vendors, employees and staff, as applicable, will be required to sign nondisclosure and non-competition agreements in a form the same as or similar to the Confidentiality, Nondisclosure, and Non-Competition Agreement attached to the Franchise Agreement as **Exhibit E**. Additionally, your shareholders, officers, directors, partners, members, managers, and executives, as applicable, must personally guaranty the performance of all of the franchisee's obligations under the Franchise Agreement and agree to be personally liable for any breaches of the Franchise Agreement by signing the personal guaranty attached to the Franchise Agreement as **Exhibit C**.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer the services and products we specify under the Parlor brand. You may not sell any services or products under the Parlor brand that we have not authorized, and you must discontinue offering any services or products under the Parlor brand that we disapprove. You are not permitted to wholesale our products, without our express consent, or sell "day old" layered doughnuts.

We have the right, without limit, to modify, add, or enhance the types of authorized services and products you are required to offer and sell under the Parlor brand. We may take action, including but not limited to, terminating your franchise if you purchase or sell unapproved products or make purchases from unapproved suppliers.

We may allow certain services or products that are not otherwise authorized for general use as a part of the franchise System to be offered locally or regionally based on various factors, including test marketing, your qualifications, and regional or local differences.

B. Renewal Terms.

Franchisee has the right to renew this Agreement at the expiration of the Initial Term by entering into a new agreement, which shall be in the Franchisor's then current form of Franchise Agreement for two 5-year

periods. Franchisor shall provide Franchisee written notice of its approval of the renewal not less than six (6) months before the end of the Initial Term, if the following conditions have been fulfilled and continue to be met as of the last day of the Initial Term:

- Franchisee makes all required renovations and upgrades to the Approved Location to comply with then-current standard required of new franchisees;
- Franchisee signs the then-current standard Franchise Agreement which may contain terms and conditions that are materially different from those in the original Agreement and which will supersede this Agreement in all respects;

Failure or refusal by Franchisee to execute any agreements, instruments, and/or documents required by Franchisor in connection with such renewal within thirty (30) days after delivery to Franchisee (unless otherwise agreed) shall be deemed an election by Franchisee not to renew the Agreement.

SECTION 4 - INITIAL FRANCHISE FEE

Franchisee shall pay Franchisor an Initial Franchise Fee of Thirty-Five Thousand Dollars (\$35,000.00). The Initial Franchise Fee is fully earned by Franchisor when Franchisee signs the Franchise Agreement and is payment, in part, for costs and expenses incurred by Franchisor in providing assistance and services to Franchisee, including general sales and marketing expenses, training, legal, accounting and other professional fees.

If Franchisee does not complete the Initial Training Program to Franchisor's satisfaction, then Franchisor may terminate this Agreement and refund Franchisee fifty percent (50%) of the Initial Franchise Fee. The retention of fifty percent (50%) of the Initial Franchise Fee shall not be construed as or considered to be a penalty.

SECTION 5 - TERRITORY

A. Territory

During the Initial Term, and provided Franchisee is not in default of this Agreement or any other agreement between Franchisor and Franchisee, neither Franchisor nor its Affiliates shall open for business, grant a franchise, license or otherwise authorize any other person or entity to open for business, a Parlor business within the Territory designated on the attached **Exhibit A**.

Otherwise, Franchisee is not permitted to solicit consumers outside of its Territory.

B. Rights Reserved

Franchisee acknowledges that except to the extent provided herein, Franchisor and its Affiliates expressly retain the right to:

- Operate and grant others the right to operate a Parlor franchise anywhere outside of its Territory;
- Develop, operate and grant others the right to operate any future concepts that are not included within the franchise System at any location anywhere;
- Use and license the use of other trademarks or methods which are not a part of the franchise System at any location anywhere;
- Operate any business that offers bakery items, artisanal breakfast items, or specialty coffee (whether under development or already in operation) included in any business acquisition at any location outside of the Territory; and
- Distribute or license any goods, services, or concepts, in or outside of the Territory, regardless of whether such goods, services, or concepts are authorized for Parlor franchises or are distributed or licensed under the Proprietary Marks, through other channels of distribution, including, but not limited to the Internet or through consulting services.

SECTION 6 - APPROVED LOCATION

A. Approval of Location

Franchisee is required to have a full-service, brick and mortar location to operate the Franchised Business and, if a location has not been selected and approved at the time this Agreement is executed, it must be located and approved within six (6) months from the Effective Date. Franchisee must either own or lease a building for the Franchised Business within the Territory and Franchisee must obtain Franchisor's approval before purchasing or leasing the building. Approval of a location is based on Franchisor's sole discretion as to whether the proposed location meets Franchisor's site selection criteria.

B. Build-Out of Approved Location

After selecting the location for the Approved Location, Franchisee must commence build-out of the Approved Location within three (3) months of receiving Franchisor approval, unless otherwise agreed. Franchisor may, in its sole discretion, furnish Franchisee with prototype design plans, specifications, décor and/or layout for the Approved Location, including requirements for design, color scheme, image, interior layout for fixtures, equipment, signs, and furnishings and space requirements relative to the Franchised Business. These samples are merely to provide guidance on the design and layout of other Parlor locations and Franchisor makes no representation or warranty concerning the suitability of the samples for building out the Approved Location.

Franchisee is required to ensure that any construction plans and specifications provided by Franchisor comply with Franchisee's local ordinances, building codes and permit requirements, and with lease requirements and restrictions. Franchisee must make changes specified by Franchisor to the construction plans from time to time during the build-out and Franchisee must not begin construction, remodeling or other development of the Approved Location until Franchisor has approved the plans. Franchisee must not make changes to the approved construction plans unless such changes are presented to and approved by Franchisor in writing.

Without limiting Franchisee's foregoing obligations, Franchisee agrees, at its own expense, to do the following with respect to developing the Approved Location:

- Sign a lease or otherwise obtain the right to occupy the Approved Location within six (6) months of the Effective Date;
- Obtain all building, utility, sign, health, sanitation, business and other permits and licenses required to construct and operate the Franchised Business;
- Construct all required improvements to the Approved Location in compliance with construction plans and specifications approved by Franchisor;
- Provide Franchisor with notice of commencement of the build-out within ten (10) days of the date it began;
- Receive the review and approval of Franchisor for your commercial lease prior to signing;
- Commence the build-out of the Approved Location in accordance with Franchisor's standards and specifications within three (3) months following approval of the location by Franchisor;
- Ensuring that any design, working drawings, specifications, construction, renovation, or refurbishment complies with any applicable law, including any requirements relating to disabled persons;
- Be responsible for any errors or omissions or discrepancies (of any nature) in any drawings or specifications; and

- Cause the discharge or release of record of any and all liens which may be recorded or perfected or which may otherwise attach to all or any portion of the Franchised Business as result of work done by or for the Franchisee within ten (10) days after notification of the existence of any such lien.

C. Relocation of Approved Location

Franchisee shall not change the location of the Approved Location without Franchisor's prior written authorization. Franchisor reserves the right to approve or deny Franchisee's relocation request in Franchisor's discretion based upon, without limitation, Franchisor's own business judgment, Franchisee's compliance with this Agreement, and the proposed new location. In the event Franchisor approves Franchisee's relocation request, Franchisee will be required to pay Franchisor a Relocation Fee of Five Thousand Dollars (\$5,000).

SECTION 7 - OPENING AND OPERATION OF THE FRANCHISED BUSINESS

A. Opening of the Franchised Business

Franchisee shall not open the Franchised Business for business without written authorization from the Franchisor. Franchisor shall provide its authorization for opening the Franchised Business once Franchisee has: (i) completed the Initial Training Program to Franchisor's satisfaction; (ii) hired any necessary personnel required for operating the Franchised Business and such personnel has completed any required training; (iii) provided Franchisor with copies of all required insurance policies or such other acceptable evidence of insurance coverage; (iv) satisfactorily demonstrated that Franchisee is ready to open and able to meet Franchisor's specifications and standards for operating the Franchised Business; and (v) paid all amounts due to Franchisor or its Affiliates.

Franchisee must meet these conditions and open the Franchised Business to the public within twelve (12) months of the Effective Date, unless otherwise authorized in writing by the Franchisor. Time is of the essence. In the event Franchisee fails to open the Franchised Business within the specified time period, Franchisor has the right to terminate this Agreement. If the Agreement is terminated under these circumstances, Franchisor shall have the right to retain the entire Initial Franchise Fee paid by Franchisee for consideration of the Franchisor's services, time expended, work performed, and other efforts of Franchisor. The retention of the Initial Franchise Fee shall not be construed as or considered to be a penalty.

B. Operation of the Franchised Business

The Franchised Business shall only be operated by Franchisee, if Franchisee is an individual, or by a manager, if Franchisee is a legal entity, after such individual has successfully completed the Initial Training Program. If Franchisee is a legal entity, Franchisee shall notify Franchisor in writing of the identity of all individuals who will be managers and department managers at the time they are hired. If at any time a new shop manager is hired, such individual must complete the Initial Training Program to the satisfaction of the Franchisor within thirty (30) days of hiring.

Franchisee is solely responsible for recruiting, hiring, firing, and supervising employees to operate the Franchised Business and the terms and conditions of their employment. The employees of the Franchised Business will only be employees of Franchisee, and are not employees or agents of the Franchisor.

C. Step-In Rights

Franchisee shall operate the Franchised Business in accordance with the standards, specifications, and procedures set forth in the Confidential Operations Manual and shall comply with any modifications to the standards, specifications, and procedures in the Confidential Operations Manual, or as otherwise directed in writing by the Franchisor, subject to laws, rules, and regulations governing restaurants and food – service businesses. If, in the Franchisor’s judgment, the Franchised Business is not being managed properly, the Franchisor may, but need not, assume the Franchised Business’ management.

All funds from the Franchised Business’ operation while the Franchisor assumes its management will be kept in a separate account, and all of Franchisor’s expenses will be charged to this account, including all travel, food, and lodging expenses incurred in the course of providing such services. Franchisor may charge Franchisee the Management Fee, plus the Franchisor’s direct out-of-pocket costs and expenses for managing the Franchised Business. Such fee would be in addition to the Royalty Fee and all other fees due under this Agreement.

In the event the Franchisor assumes management of the Franchised Business, Franchisor has a duty to utilize only reasonable efforts and will not be liable to Franchisee for any debts, losses or obligations the Franchised Business incurs, or be liable to any of Franchisee’s creditors. Franchisor will cease managing the Franchised Business and return management responsibilities to Franchisee at such time that Franchisor, in its sole discretion and as it sees fit, determines that Franchisee can manage the Franchised Business in accordance with this Agreement and Franchisor’s standards and specifications; provided, however, that if Franchisee does not resume management of the Franchised Business after six (6) months from the time Franchisor exercises its step-in rights, Franchisor may terminate this Agreement.

Notwithstanding the foregoing, prior to Franchisor operating the Franchised Business pursuant to the terms of this Section 7, the Franchisor shall have provided the Franchisee with notice of the nature and extent of Franchisee’s failure to comply with Franchisor’s operational requirements, standards, and specifications and the reasonable opportunity to cure the failure, so long as the opportunity to cure is expressly provided for under this Agreement.

SECTION 8 - TRAINING

A. Initial Training Program

The Initial Training Program will be made available to Franchisee, if Franchisee is an individual, or the managers, if Franchisee is a legal entity, and the department managers at no additional cost. However, Franchisee shall be responsible for all travel, lodging, meals, and other expenses Franchisee and its representatives incur in providing the training and the travel, lodging, meals, and other expenses that Franchisor incurs in providing the portion of the training that takes place at Franchisee’s Approved Location. Additionally, Franchisee is responsible for all Franchisor’s travel, lodging, meals, and other expenses incurred by Franchisor’s representatives for providing on – site training at Franchisee’s Approved Location. The Initial Training will take place at Franchisor’s headquarters, online, at Franchisee’s Approved Location, or at another location designated by Franchisor.

Franchisee (if having any hands-on involvement in the operation of the shop), its shop manager, and its department managers must complete the Initial Training Program to the Franchisor’s satisfaction prior to opening the shop. In the event Franchisee fails to complete the Initial Training Program to the Franchisor’s satisfaction, Franchisor has the right to terminate this Agreement. If this Agreement is terminated, Franchisor shall refund Franchisee fifty percent (50%) of the Initial Franchise Fee. The retention of fifty percent (50%) of the Initial Franchise Fee shall not be construed as or considered to be a penalty. As part

of the training program, owners and shop managers are expected to work forty (40) hours in an Approved Location prior to opening the shop. Further, training for owners and managers in subsequent shops within a territory must be completed to our satisfaction prior to commencing the operation of your franchised business.

B. Additional Training

Franchisor provides additional and on - going training to Franchisee as needed and when new shop managers are hired. If a new shop manager is hired or an existing employee is promoted to shop manager, Franchisee must provide seven (7) days' notice to Franchisor of the new hire or promotion. New shop managers must attend and complete training to Franchisor's satisfaction within thirty (30) days of being hired. In addition to paying Franchisor the additional training fee for the shop manager, Franchisee will be responsible for all travel, lodging, meals, and other expenses Franchisor incurs in providing the additional training. Additional staff may be included in the training for an additional fee.

Franchisee will also be required to participate in mandatory on – going training provided periodically by Franchisor.

In addition to any required training provided by us, your shop manager and all department managers, as well as any other employees required in accord with local regulations, are required to complete ServSafe® training at your expense.

C. Consulting Assistance

In its sole discretion, Franchisor will periodically advise and offer general business guidance to Franchisee by telephone, e-mail, newsletters, and other methods on a variety of business matters, including operational methods, accounting procedures, authorized services or products and marketing and sales strategies. Upon such written request, Franchisor will provide Franchisee with consulting assistance at the Franchised Business in exchange for the Consulting Assistance Fee. Additionally, Franchisee must pay for all travel costs and expenses incurred by Franchisor for providing the consulting assistance. Franchisor has the right, without limitation, to modify the amount of the Consulting Services Fee in its sole discretion.

SECTION 9 - CONFIDENTIAL OPERATIONS MANUAL AND CONFIDENTIAL INFORMATION

A. Confidential Operations Manual

During the Initial Term, Franchisor shall loan Franchisee one (1) copy of the Confidential Operations Manual. Franchisee shall conduct the Franchised Business in strict compliance with the provisions of the Confidential Operations Manual. The Confidential Operations Manual may consist of one (1) or more separate manuals and other materials as designated by Franchisor and may be in written or electronic form. The Confidential Operations Manual shall, at all times, remain the sole property of Franchisor and shall be promptly returned to Franchisor upon the expiration or termination of this Agreement.

Franchisor has the right to add to or otherwise modify the Confidential Operations Manual from time to time to reflect changes in the specifications, standards, operating procedures, and rules prescribed by Franchisor; provided, however, that no such addition or modification shall materially alter Franchisee's fundamental status and rights under this Agreement. Franchisor may make such additions or modifications without prior notice to Franchisee. Upon receiving notice of the additions or modifications, Franchisee must immediately adopt any such changes and shall ensure that its copy of the Confidential Operations Manual is up-to-date at all times. Franchisee understands and acknowledges that such compliance may require Franchisee to incur increased costs.

If a dispute as to the contents of the Confidential Operations Manual arises, the terms of the master copy of the Confidential Operations Manual maintained by Franchisor at Franchisor's headquarters shall be controlling.

B. Confidential Information

Franchisee acknowledges and agrees that the methods, processes, skills, know-how, formula, recipes, techniques, information, trade practices, customer lists or databases, software and other proprietary data relating to the development and operation of the Franchised Business is derived entirely from information disclosed to Franchisee by Franchisor and that such information is proprietary, confidential, and constitutes trade secrets of the Franchisor. Franchisee shall at all times use its best efforts to keep the Confidential Information confidential and shall limit access to the information to employees and independent contractors of Franchisee on a need-to-know basis. Franchisee agrees to adhere fully and strictly to all confidentiality attached to such information and to exercise the highest degree of diligence in safeguarding Confidential Information during and after the term of this Agreement. Franchisor has the right to require certain individuals employed by or involved with the Franchised Business, including but not limited to, significant others and spouses, to execute a standard form confidentiality, nondisclosure, and non-competition agreements in a form the same as or similar to the Sample Confidentiality, Non-Disclosure and Non-Competition Agreement attached as **Exhibit E**.

Franchisee acknowledges that the unauthorized use or disclosure of Confidential Information will cause irreparable injury to the Franchisor and that damages are not an adequate remedy. Franchisee accordingly covenants that it shall not at any time, without Franchisor's prior written consent, disclose, use, permit the use thereof, copy, duplicate, reverse engineer, record, transfer, transmit, or otherwise reproduce such Confidential Information, in any form or by any means, in whole or in part, or otherwise make the same available to any unauthorized person or source, except as may be required by applicable law or authorized by this Agreement. Disclosure of the Confidential Information may be made in judicial or administrative proceedings, but only to the extent Franchisee is legally compelled to disclose the Confidential Information and provided that Franchisee first gives Franchisor the opportunity to obtain an appropriate protective order or other assurance that the confidential nature of the material to be disclosed will be maintained.

SECTION 10 - AUTHORIZED PRODUCTS AND APPROVED SUPPLIERS

A. Authorized Products and Services

Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality Products and Services to its customers. Accordingly, Franchisee shall provide or offer for sale or use only those products and services that Franchisor from time to time approves and that comply with Franchisor's specifications and quality standards. Franchisee agrees that it shall not sell any products and

services that Franchisor has not authorized, and Franchisee agrees to discontinue offering or selling any products or services that are disapproved by Franchisor. Franchisor has the right to terminate this Agreement if unapproved products or services are offered, sold, or provided by the Franchised Business. Franchisee is not permitted to wholesale Franchisor's products, without Franchisor express consent, or sell "day old" layered doughnuts.

Franchisor has the right, without limit, to modify, add, or enhance the types of authorized Products and Services that Franchisee is required to offer and sell. Franchisor has the right to set maximum prices for the authorized products and services that Franchisee is required to sell, and Franchisee must not exceed the maximum price, even if the prices are lower than prevailing prices in the relevant market, unless otherwise approved by Franchisor. Franchisee may determine the price for the products and services subject to the recommended and maximum prices established by Franchisor.

Franchisor has the right to allow certain products and services that are not otherwise authorized for general use as a part of the System to be offered locally or regionally based on various factors, including test marketing, a franchisee's qualifications, and regional or local differences.

B. Improvements to System

Franchisee acknowledges and agrees that if Franchisee develops any concept, process, design, service, or improvement in the operation or promotion of the Franchised Business, Franchisor will be deemed to own the improvements and may use them and authorize other franchisees to use them in the operation of their respective businesses without any obligation to compensate Franchisee. Any such improvements will also constitute Confidential Information.

Franchisee shall, at any time requested by Franchisor, execute assignments or other similar documents of all such intellectual property to the Franchisor, including but not limited to, worldwide copyrights, moral rights, patents, right to obtain registrations, renewals, and reissues, and any and all such other rights of whatever kind now known or hereafter devised.

C. Approved Suppliers

Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality products and services to its customers. Accordingly, Franchisee agrees to purchase products, supplies, equipment, materials, services, and other items required for the operation of the Franchised Business from designated suppliers approved by Franchisor, which may include and be limited to Franchisor or its Affiliates ("Approved Suppliers").

A list of Approved Suppliers and standards and specifications for the products, supplies, equipment, materials, and other items required for operation of the Franchised Business are included in the Confidential Operations Manual and Franchisor may modify the list of Approved Suppliers or standards and specifications from time to time. If Franchisor or its Affiliates are designated as an Approved Supplier for any such products, suppliers, signs, equipment or other specified items and services, Franchisee shall execute a standard form purchase or supply agreement for the items to be supplied by Franchisor or its Affiliates.

Franchisor has the right to issue new standards and specifications through written notices and may review its prior approval of any goods, services, equipment, or suppliers in its sole discretion and as it sees fit. Franchisor shall notify Franchisee in writing if Franchisor's approval of goods, services, equipment, or

suppliers is revoked. Franchisee must immediately cease purchasing disapproved goods or services, or must immediately cease purchasing goods or services from a disapproved supplier.

D. Request for Approval of New Supplier, Good, Service, or Equipment

If Franchisee desires to utilize any services, products, supplier, or equipment that Franchisor has not approved (for services and products that require supplier approval), Franchisee must submit such request, including the basis for the request, via email to Franchisor's designated representative. Approval is made on a case-by-case basis, and determined by Franchisor, in its sole discretion. Franchisor will make commercially reasonable efforts to determine whether to approve the requested service, product, supplier, or equipment within thirty (30) days after receiving the required information and Franchisor will provide written notice of its approval or disapproval to Franchisee. Approval is at Franchisor's sole discretion and as it sees fit, and may be conditioned on the ability to provide sufficient quantity of goods or equipment, the quality of goods, services or equipment, the price of the goods, services, or equipment, the production and delivery capability of the supplier, and the dependability and general reputation of the supplier or goods, services, or equipment. If the request is approved, Franchisee may make purchases from the new supplier or purchase the new good, service, or equipment.

Nothing in this Section 10 shall be construed to require Franchisor to approve any particular supplier, or to require Franchisor to make available to prospective suppliers, any standards and specifications that Franchisor deems confidential.

SECTION 11 - COMPUTER AND SOFTWARE REQUIREMENTS

Franchisee must purchase, or lease, and install such computer hardware, modems, printers, and other computer-related equipment that meet Franchisor's standards and specifications outlined in the Confidential Operations Manual or otherwise designated by Franchisor in writing.

Franchisee is required to use the designated software to track all customer contact information, purchases, pricing, analytics, and accounting, and provide Franchisor access to your software, including but not limited to, your point-of-sale system ("POS"), loyalty reward program, and online ordering program. Franchisee must pay the designated vendor pursuant to the terms and conditions of Franchisee's agreement with the vendor in order to use this software. Currently, Franchisee is required to use Toast for its POS. The fee to use the software may be modified in the designated vendor's discretion.

Franchisor reserves the right, without limitation, to modify or supplement the hardware or software required in the operation of the Franchised Business and Franchisee may be required to make and install substantial modifications to the computer system, software, or hardware during the Initial Term to efficiently operate the Franchised Business.

Franchisee acknowledges and agrees that Franchisor has the free and unfettered right, subject to state and federal law, to retrieve data and information stored in the software or on Franchisee's hard drive, either internally or externally, that Franchisor deems necessary, desirable, or appropriate. The business information or data that will be collected or generated includes, but is not limited to, sales data, trend analysis, records, social media accounts, email, customer reviews, pricing information, customer demographics, and the like.

SECTION 12 - INSPECTIONS

A. Pre-Opening Inspection

Franchisor will conduct one (1) pre-opening inspection of the Franchised Business to ensure Franchisee is following Franchisor's standards and specifications. The Franchised Business may not open without Franchisor's written authorization after the pre-opening inspection has been completed and Franchisee has successfully demonstrated that it is complying with Franchisor's standards and specifications. Franchisor's authorization for opening the Franchised Business is limited solely to reviewing and confirming compliance with Franchisor's standards and specifications and does not warrant, represent, guarantee, or assure that the Franchised Business will be successful, profitable, or meet Franchisee's expectations.

B. Post-Opening Inspections

Franchisor reserves the right to conduct post-opening inspections of the Franchised Business in Franchisor's sole discretion to determine compliance with Franchisor's standards and specifications. Franchisor will conduct the inspections during regular business hours and without giving prior notice to Franchisee. Franchisor reserves the right to conduct as many post-opening inspections per year as it deems necessary.

SECTION 13 - FEES

A. Royalty Fee

On the Friday of each week, Franchisee shall pay to Franchisor an amount equal to five percent (5%) of the Gross Sales of the Franchised Business for the preceding week. The Royalty Fee shall be paid by electronic funds transfer ("EFT") from Franchisee's bank account through an automatic debit system. Additionally, Franchisor shall have access to Franchisee's point of sale system and Franchisee shall provide a report of the Gross Sales for the preceding week by email on the Friday of each week and the weekly report shall be in a form specified by Franchisor. The report shall fully disclose all information requested and Franchisee must supply documentation supporting the information disclosed on the reports upon Franchisor's written request.

B. Annual Convention Fee

If scheduled by Franchisor, the Franchisee, if Franchisee is an individual, or an owner, if Franchisee is a legal entity, the managers, and the department managers will have the option to attend the annual convention for continuing education and training. To attend the annual convention, Franchisee must pay the Annual Convention Fee and will be responsible for all costs and expenses incurred by Franchisee and its employees in attending the convention including but not limited to all travel, lodging, meals, and other expenses.

C. Late Fee

If any fee or any other amount due under this Agreement is not received within five (5) days after such payment is due, Franchisee shall pay Franchisor a Late Fee of Ten Percent (10%) of the balance due. In addition, Franchisee shall pay interest equal to twelve percent (12%) per annum on the overdue amount per year for each day such amount is past due.

D. Electronic Transfer

Franchisor requires all Royalty Fees, Marketing Fund contributions, Consulting Assistance Fee, and other amounts due to Franchisor to be paid through EFT. Franchisee shall give Franchisor authorization, in a form designated or approved by Franchisor, to initiate debit entries or credit correction entries to the Franchised Business' operating account for payments of any fees due to Franchisor and other amounts due under the Franchise Agreement, including any applicable interest charges. Franchisor does not have a standard form of an EFT authorization document, but a sample form of one is attached hereto and incorporated by reference as **Exhibit F**. The form may vary based on Franchisee's or Franchisor's banking institution. Franchisee shall make the funds available in the operating account for withdrawal by electronic transfer no later than the due date of the payment.

E. Franchisor's Right to Offset

Franchisor shall have the right at any time before or after termination of this Agreement, without notice to Franchisee, to offset any amounts or liabilities that may be owed by the Franchisee to Franchisor against any amounts or liabilities that may be owed by Franchisor to Franchisee under this Agreement or any other agreement, transaction, or relationship between the parties. Under no circumstances shall Franchisee have the right to offset any amounts or liabilities that may be owed by the Franchisor to Franchisee against any amounts or liabilities that may be owed by Franchisee to Franchisor under this Agreement or any other agreement, transaction, or relationship between the parties.

SECTION 14 - ADVERTISING AND PROMOTIONAL ACTIVITIES

A. National Marketing Fund

Franchisor has established a Marketing Fund and each week Franchisee is required to contribute an amount equal to one percent (1%) of the total weekly Gross Sales of the franchised business. Company-owned locations owned by Franchisor and/or its Affiliates may, but shall not be obligated to, contribute to the Marketing Fund on the same basis as franchisees.

Franchisor reserves the right to adjust the amount of the Marketing Fund contribution (such amount shall not exceed 3% of Franchisee Weekly Gross Sales) at any time and in its discretion; provided, however, that Franchisor shall notify Franchisee at least thirty (30) days before imposing or changing Marketing Fund Contribution requirements.

Franchisor has the exclusive right to direct all marketing programs financed by the Marketing Fund, including the right to control the creative concepts, materials, and endorsements. Franchisor has the right to determine the geographic market, media placement, and allocation of the Marketing Fund and has no obligation to administer the Marketing Fund in such a manner as to ensure that expenditures by the Marketing Fund are pro rata or that Franchisee will benefit directly from the conduct of marketing programs or from the placement of advertising.

The Marketing Fund may be used to pay the costs for your local social media sites and online activity. The Marketing Fund may also be used to pay the costs of preparing and producing video, audio, and printed marketing materials; administering multi-regional and national marketing programs, including but not limited to purchasing television, radio, magazine, billboard, newspaper, digital, and other media advertising; employing advertising agencies and/or public relations firms to assist with marketing and advertising; and providing marketing materials to franchisees. The Marketing Fund may be used to meet any and all costs reasonably related and incident to administering the Marketing Fund and its related

programs, including administrative costs. Franchisor will not use the Marketing Fund to solicit new franchisees under any circumstances.

The Marketing Fund will be accounted for separately from Franchisor's other funds. However, the Marketing Fund is not a trust or escrow account, and Franchisor has no fiduciary obligations to its franchisees with respect to the Marketing Fund or with the monies collected. Franchisor is permitted to spend in any fiscal year an amount greater or less than the aggregate contributions of franchisees to the Marketing Fund in that year. Any part of the Marketing Fund contributions that are not spent during the fiscal year would remain in the Marketing Fund to be used in the next fiscal year. An unaudited statement of monies collected, and expenditures made by the Marketing Fund will be prepared annually and provided to Franchisee upon written request.

Franchisor may, in its sole discretion, decide to terminate or suspend the Marketing Fund at any time; provided, however, that the Marketing Fund will not be terminated unless and until all Marketing Fund contributions have been expended for advertising and promotional purposes or returned to franchisees on a pro rata basis based on the total Marketing Fund contributions made by each franchisee.

B. Local Advertising and Community Support

Franchisee is required to conduct Local Advertising to promote the Franchised Business. Accordingly, every month, Franchisee must spend an amount equal to one percent (1%) of the total monthly Gross Sales of the franchised business per month on Local Advertising within the Territory, including community support and product donations. Additionally, Franchisee must sponsor a minimum of two (2) community engagements, events or activities per year. The specific engagement, event, or activity must be pre-approved in writing by Franchisor before Franchisee signs any agreement or otherwise commits in writing to sponsor such engagement, event, or activity. Local Advertising expenditures shall be made directly by Franchisee and Franchisee must provide monthly reports of its Local advertising expenditures to Franchisor no later than the tenth (10th) day of the following month.

Franchisee is permitted to create and use its own marketing and advertising materials to advertise the Franchised Business; provided, however, that such marketing and advertising materials are submitted to and pre-approved in writing by Franchisor before such materials are used and all materials expressly state that Franchisee is an independently owned and operated franchise of Parlor Doughnuts Franchising, LLC. Franchisor will make commercially reasonable efforts to notify Franchisee of its approval or disapproval of the proposed advertising material within thirty (30) days after Franchisor receives all the necessary information for review. If Franchisor does not approve of the proposed materials within the specified timeframe, then they shall be deemed to be disapproved. Franchisor may approve, disapprove, or revoke approval of any advertising materials for any reason and at any time. Franchisee shall not use any marketing materials that Franchisor has disapproved.

C. Grand Opening Advertising

Franchisee is required to conduct a Grand Opening Campaign subject to a marketing plan approved by Franchisor and to spend a minimum of Two Thousand Dollars (\$2,000) on such Grand Opening Campaign at least one (1) month before opening the Franchised Business. The Grand Opening Campaign expenditures shall count toward Franchisee's local advertising requirement. Franchisee must provide a report of its Grand Opening Campaign expenditures to Franchisor no later than forty-five (45) days after the end of the Grand Opening Campaign as defined by the marketing plan.

Franchisor will provide Franchisee with grand opening assistance at the Franchised Business for at least the two (2) days before and two (2) days after Franchisee grand opening. Franchisee is responsible for Franchisor's travel and lodging expenses incurred by Franchisor's representatives for providing the grand opening assistance at the Franchised Business.

D. Internet and Social Media

Franchisee shall not set up, maintain, or utilize an Internet website, home page, or other social media account to advertise the Franchised Business or sell Products and Services. Franchisor retains the sole right to advertise and sell the Products and Services online and to use the Proprietary Marks on the Internet, including the use of websites, domain names, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, e-commerce, social media, and co-branding arrangements. In addition, all digital media and marketing must be approved by us. We will provide information about your franchise on our website or such other websites as we may designate for the System. In addition, we will establish, manage, and control social media accounts on your behalf for your local market/territory. You will have the right to submit content to us for posting in coordination with the overall marketing plan.

Franchisor has established and maintains an Internet website that provides information about the System and the services and products that Franchisor and its franchisees provide. Franchisor reserves the right to use this uniform resource locator, or any other that it may acquire in the future, in Franchisor's sole discretion. Franchisor will include a section or an interior page containing information about the Franchised Business. Franchisor has the right to require Franchisee to prepare all or a portion of the section or page, at Franchisee's expense, using a template that Franchisor provides. All such information shall be subject to Franchisor's approval prior to posting.

Franchisee shall not cause or allow the Proprietary Marks to be used or displayed, in whole or in part, as an Internet domain name, or on or in connection with any Internet website, home page, or social media account without the Franchisor's express prior written consent, which Franchisor may grant or withhold in its sole discretion. If Franchisor provides its consent to such use, then Franchisee may only use the Proprietary Marks in accordance with Franchisor's procedures, standards and specifications as established from time to time.

SECTION 15 - PROPRIETARY MARKS

Upon the terms and conditions of this Agreement, Franchisor hereby grants you the right to use the Proprietary Marks in the operation of the Franchised Business. Franchisee expressly acknowledges that Franchisor is the owner of the Proprietary Marks and understands that Franchisee's right to use the Proprietary Marks is derived solely from this Agreement, is non-exclusive, and is limited to use in the operation of the Franchised Business in compliance with this Agreement and Franchisor's standards, specifications, and operating procedures. Franchisee shall not acquire any ownership rights in the Proprietary Marks and shall not represent in any manner that Franchisee has acquired such ownership rights. Franchisee acknowledges and agrees that any and all goodwill associated with the System and identified by the Proprietary Marks shall inure directly and exclusively to the benefit of the Franchisor.

Franchisee shall use the Proprietary Marks only in such manner as authorized by the Franchisor and shall not use the Proprietary Marks in Franchisee's business entity name (if Franchisee is a business entity) or in connection with offering, selling, or advertising any unauthorized products or services. Any unauthorized use of the Proprietary Marks by Franchisee shall constitute a breach of this Agreement. Franchisee

understands and agrees that any use of the Proprietary Marks other than in accordance with this Agreement, the Confidential Operations Manual, or otherwise directed in writing by the Franchisor, without the Franchisor's prior written consent, is an infringement of Franchisor's rights in the Proprietary Marks. Franchisee expressly covenants that, during the Initial Term and thereafter, Franchisee shall not, directly or indirectly, commit any act of infringement or contest the validity of the ownership of the Proprietary Marks or Franchisor's right to use and sublicense the Proprietary Marks, or aid others in infringing or contesting the Franchisor's right, title, and interest in the Proprietary Marks. Franchisee acknowledges that the unauthorized use of the Proprietary Marks will cause irreparable injury to the Franchisor and that damages are not an adequate remedy.

Franchisor reserves the right to modify or discontinue use of any Proprietary Mark, or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols in Franchisor's sole discretion. If Franchisor exercises such right, Franchisee agrees to comply with Franchisor's directions to modify or otherwise discontinue the use of such Proprietary Marks within fifteen (15) days after notice from the Franchisor. Any and all expenses or costs incurred by Franchisee associated with such modification or discontinuance of any new, modified, or substitute Proprietary Marks shall be the sole responsibility of Franchisee. In no event, will the Franchisor be liable to Franchisee for any purported loss or damage to the Franchised Business due to the modification or discontinued use of the Proprietary Marks.

Franchisee must notify the Franchisor immediately of any infringing or unauthorized use of or claim by any person of any rights in the System or the Proprietary Marks. Franchisee shall not communicate with any person other than Franchisor and its counsel in connection with any such infringement, challenge or claim; provided, however, Franchisee may communicate with Franchisee's counsel at Franchisee's expense. Franchisor shall have the sole right to handle disputes with third-parties concerning the Proprietary Marks and/or the System. If Franchisor undertakes the defense or prosecution of any litigation pertaining to the Proprietary Marks, Franchisee must reasonably sign any documents and do acts and things as may, in Franchisor's attorneys' opinion, be necessary to the defense or prosecution. Franchisor is not obligated to defend Franchisee's right to use the Proprietary Marks or against claims of infringement or unfair competition arising out of Franchisee's use of the Proprietary Marks.

Franchisor may terminate this Agreement for good cause without prejudice to the enforcement of any legal or equitable right or remedy immediately upon giving written notice of such termination and the reason or cause for the termination, and, except as hereinafter provided, without providing Franchisee an opportunity to cure the default. Without in any way limiting the generality of the meaning of the term "good cause," the following occurrences shall constitute sufficient basis for Franchisor to immediately terminate the Agreement:

- Franchisee fails to select a location for the Approved Location within six (6) months of the Effective Date;
- Franchisee fails to open the Franchised Business within twelve (12) months of the Effective Date;
- Franchisee does not execute **Exhibit E** of this Agreement, and/or does not require its managers, staff, spouse, or any other required personnel that has access to Confidential Information to sign the appropriate version of the **Exhibit E** of this Agreement; or

- Franchisee makes any materially false statement or report to Franchisor in connection with acquiring the Franchised Business;
- Franchisee sells or offers for sale any products or services which have not been previously approved by the Franchisor in writing, or which have been subsequently disapproved;
- Franchisee uses the Proprietary Marks in an unauthorized manner contrary to, or inconsistent with, this Agreement or Franchisor's policies, standards or specifications as stated in the Confidential Operations Manual, or as otherwise directed in writing by the Franchisor;
- Franchisee discloses or causes to be disclosed any Confidential Information provided to Franchisee contrary to the provisions of this Agreement or fails to exercise reasonable care to prevent such disclosure;
- Franchisee operates or is involved in a Competitive Business during the Initial Term, except as a Parlor franchisee;
- Franchisee makes or attempts to make an unauthorized transfer without Franchisor's approval or fails or refuses to assign the Franchised Business or the interest in Franchisee of a deceased or incapacitated Principal thereof as required by this Agreement (for the avoidance of doubt, an assignment by the Franchisee to a third party without the prior written consent of the Franchisor shall be considered an unauthorized transfer);
- Franchisee fails to operate the Franchised Business in strict compliance with all applicable laws, ordinances, rules, regulations and orders of governmental authorities pertaining to the maintenance and operation of the Franchised Business including, without limitation, those relating to health, safety, sanitation, employment, licensure, and taxation;
- Franchisee receives more than three (3) valid notices of default in the same twelve (12) month period, regardless of whether previous defaults have been cured;
- Franchisee understates its Gross Sales by more than five percent (5%) for any month on two (2) or more separate occasions at any time during the Initial Term and such understatement is not due to inadvertent error;
- Franchisee, or if Franchisee is a legal entity, its Principals, are convicted of, or pleads no contest to, any felony or crime of moral turpitude regardless of the nature thereof, or any other crime or offense relating to the operation of the Franchised Business;
- Franchisee engages in any conduct which reflects materially and unfavorably upon the operation of the Franchised Business, the Proprietary Marks, or the System generally;
- Franchisee defaults under any other agreement between Franchisor and Franchisee or Affiliate and Franchisee and such default authorizes Franchisor or Affiliate to terminate the agreement;
- Franchisee fails to pay any amount due to Franchisor within five (5) days of receiving notice of default; or

- Franchisee becomes insolvent, is adjudicated as bankrupt, or files any action or petition of insolvency; if a receiver or other custodian is appointed for the Franchised Business or assets; if Franchisee make a general assignment for the benefit of its creditors; or if a final judgment remains unsatisfied of record for at least thirty (30) days.

Franchisor has the right to terminate this Agreement if Franchisee is in default of any of the terms of this Agreement, other than those calling for immediate termination set forth above, if Franchisee fails to cure such default within thirty (30) days after receiving written notice of the default from Franchisor. Franchisor reserves the right to modify the time period within which Franchisee must cure defaults in its discretion. The Wisconsin Fair Dealership Law Title XIV-A Ch. 135, Sec. 135.01-135.07 shall supersede any conflicting terms of the Franchise Agreement.

B. Termination by Franchisee

Franchisee may not terminate this Agreement prior to the expiration of the Initial Term, except through dispute resolution as set forth herein based upon a material breach of this Agreement by Franchisor; provided, however, that in the event that Franchisee claims that Franchisor has failed to meet any obligation under this Agreement, Franchisee shall provide Franchisor with written notice of such claim specifically enumerating all alleged deficiencies and providing Franchisor with an opportunity to cure, which shall in no event be less than sixty (60) days from the date of receipt of notice by Franchisor from Franchisee. Failure by Franchisee to give notice shall constitute a waiver by Franchisee of any alleged default.

C. Force Majeure

Notwithstanding anything contained in this Agreement to the contrary, no party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations to make payments to the other party hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("Impacted Party") control, including, without limitation, the following force majeure events ("Force Majeure Event(s)": (a) acts of God; (b) flood, fire, earthquake, epidemics, pandemics, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; (f) national or regional emergency; (g) strikes, labor stoppages or slowdowns, or other industrial disturbances; and (h) shortage of adequate power or transportation facilities.

SECTION 20 - POST-TERMINATION OBLIGATIONS

A. Franchisee Post-Termination Obligations

Upon expiration or other termination of this Agreement, all rights granted under this Agreement to Franchisee will immediately terminate, and Franchisee shall:

- immediately cease to operate the Franchised Business and will not directly or indirectly represent or give the impression to the public that it is a present or former franchisee of Franchisor;

- pay all amounts due to Franchisor, including Liquidated Damages, within five (5) days of the termination or expiration of the Agreement;
- return the Confidential Operations Manual, other proprietary information, software, and all Trade Secrets and confidential materials owned or licensed by the Franchisor and provide a certificate of compliance within fifteen (15) days of the termination or expiration of the Agreement;
- return or discontinue use of all forms, agreements, advertising material, marks, devices, insignias, slogans, designs, signs, trade dress, and any computer systems including proprietary software and/or hardware and provide a certificate of compliance within fifteen (15) days of the termination or expiration of the Agreement;
- cease to use any methods, procedures, or techniques associated with the System in which the Franchisor has a proprietary right, title, or interest and provide a certificate of compliance within fifteen (15) days of the termination or expiration of the Agreement;
- discontinue the use of all copyrights, Proprietary Marks, trade names and patents now or hereafter applied for or granted in connection with the operation of the Franchised Business and provide a certificate of compliance within fifteen (15) days of the termination or expiration of the Agreement;
- take such action as may be necessary to transfer all phone numbers for the Franchised Business to the Franchisor and to cancel any fictitious, trade, or assumed name or equivalent registration that contains any Proprietary Marks or any variations thereof; and
- strictly comply with all other provisions of this Agreement pertaining to post-termination obligations, including, without limitation, all post-term restrictive covenants.

B. Franchisor's Right to Repurchase Products and Supplies

Upon the expiration or termination of this Agreement, Franchisor has the right, but not the obligation, to purchase any or all assets of the Franchised Business including equipment, supplies, and other inventory at Fair Market Value within sixty (60) days of the termination or expiration date. If Franchisor elects to exercise this option to purchase, it has the right to offset the purchase price against any other amounts owed by Franchisee to Franchisor pursuant to this Agreement or any other agreement between Franchisee and Franchisor.

SECTION 21 - TRANSFERS

A. Transfer by Franchisor

Franchisor has the right to assign this Agreement and any or all of its rights, obligations and privileges hereunder, in whole or in part, to any other person or entity without Franchisee's prior consent; provided, however, the assignee shall assume the obligations of Franchisor and Franchisor shall have no liability for performance of any obligations of this Agreement after the date of the assignment.

B. Transfer by Franchisee

Franchisee acknowledges and agrees that its rights and duties stated in this Agreement are personal to Franchisee (or its Principals), and that Franchisor has entered into this Agreement in reliance on the business skill, financial capacity, and character of Franchisee (or its Principals). Accordingly, except as otherwise provided in this Section 21, neither Franchisee nor any Principal may sell, assign, convey, give away, pledge, mortgage, sublicense or otherwise transfer, whether by operation of law or otherwise, any interest in this Agreement, the Franchised Business, the Franchised Business' assets, or any part or all of the ownership interest in Franchisee without the prior written approval of Franchisor ("Transfer"). Transfer shall include an asset sale, an equity sale, a merger, or any other agreement that would constitute a change of control of the Franchised Business. Any and all unauthorized transfers without Franchisor's approval shall be void and shall constitute a material breach of this Agreement.

Franchisor's consent to a Transfer may be conditioned upon fulfilling the following requirements:

- Franchisee notified Franchisor in writing of any bona fide proposed transfer and set forth a complete description of all terms, conditions, and fees of the proposed transfer in the manner prescribed by the Franchisor to comply with Franchisor's right of first refusal as set forth in Section 21(E) of this Agreement;
- Franchisee complied with the requirements of this Agreement, including paying all amount due to Franchisor or its Affiliates;
- The transferee meets all of Franchisor's then-current standards and requirements, including management, business and financial standards, and possessing the character, reputation, and capabilities Franchisor requires to satisfactorily demonstrate transferee's ability to operate the Franchised Business;
- The transferee (and its owners) shall execute the then-current form of the Franchise Agreement generally being offered to franchisees and such agreement shall generally provide for a new term and may be materially different from this Agreement;
- The transferee, or its owners if transferee is a legal entity, execute a personal guaranty in a form the same or similar to the Guaranty attached as **Exhibit C**, agreeing to be personally bound jointly and severally by all provisions of the Franchise Agreement;
- The transferee agrees that the transferee shall complete the Initial Training Program to Franchisor's satisfaction before assuming the management of the day-to-day operation of the Franchised Business;
- Franchisee signs a general release in a form the same as or similar to the General Release attached as **Exhibit D** of any and all claims against Franchisor and its Affiliates, including its owners, managers, members, partners, employees and agents (in their corporate and individual capacities), including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this Agreement or to the Transfer of Franchisee's interest herein or to the Transfer of Franchisee's ownership of all or any part of the Franchised Business, except to the extent prohibited by the laws of the state where the Franchised Business is located;

- Franchisee or transferee shall pay a transfer fee in an amount equal to fifty percent (50%) of the then-current Initial Franchise Fee, which is intended to cover Franchisor's costs and expenses associated with the Transfer. Franchisee and transferee acknowledge that such a transfer fee is appropriate; and
- Transferee has obtained all necessary types of insurance as described in this Agreement.

Franchisor has the right to provide the transferee any and all records Franchisor maintains relating to this Agreement or the Franchised Business. Franchisee hereby agrees to release and hold Franchisor harmless from and against any claim, loss, or injury resulting from providing transferee with such records.

C. Transfer to a Controlled Entity

Franchisee may transfer this Agreement or any interest herein to a legal entity wholly owned by Franchisee that is formed for the financial planning, tax, or other convenience of Franchisee with the prior approval of Franchisor ("Controlled Entity"). Franchisor shall approve a transfer to a Controlled Entity if the following conditions are fulfilled:

- the Controlled Entity is newly organized and its charter or articles of formation provides that its activities are confined exclusively to the operation of the Franchised Business;
- Franchisee or all holders of a legal or beneficial interest in Franchisee own all of the equity and voting power of the outstanding stock or other capital interest in the Controlled Entity;
- all obligations of Franchisee to Franchisor or any Affiliate are fully paid and satisfied; provided, however, that neither Franchisee nor the Controlled Entity shall be required to pay a transfer fee as required pursuant to this Agreement;
- the Controlled Entity has entered into a written agreement with Franchisor expressly assuming the obligations of this Agreement and all other agreements relating to the operation of the Franchised Business. If the consent of any other party is required, Franchisee has obtained such written consent and provided the same to Franchisor prior to consent by Franchisor. The term of the transferred franchise shall be the unexpired term of this Agreement;
- all holders of a legal or beneficial interest in the Controlled Entity have entered into an agreement with Franchisor jointly and severally guaranteeing the full payment of the Controlled Entity's obligations to Franchisor and the performance by the Controlled Entity of all the obligations of this Agreement;
- each stock certificate or other ownership interest certificate of the Controlled Entity has conspicuously endorsed upon the face thereof a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon transfers and assignments by this Agreement; and
- copies of the Controlled Entity's articles of incorporation or organization, bylaws, operating agreement, federal tax identification number and other governing regulations or documents, including resolutions of the board of directors authorizing entry into this Agreement, have been

promptly furnished to Franchisor. Any amendment to any such documents shall also be furnished to Franchisor immediately upon adoption.

D. No Encumbrance

Franchisee shall not in any event have the right to pledge, encumber, hypothecate, or otherwise give any third party a security interest in this Agreement in any manner whatsoever.

E. Right of First Refusal

If Franchisee (or any of its Principals) desire to sell or otherwise transfer the Franchised Business or any of its assets or an ownership interest in Franchisee, Franchisee shall obtain and deliver a bona fide, written offer to purchase and any supporting documents to Franchisor. Within thirty (30) days after Franchisor's receipt of the bona fide offer (or if Franchisor shall request additional information, within thirty (30) days after receipt of such additional information), Franchisor has the right to exercise its right of first refusal to purchase the offered assets or interest for the price and on the same terms and conditions contained in the bona fide offer delivered to Franchisor. After providing notice of Franchisor's intent to exercise its right of first refusal, Franchisor shall have sixty (60) days to purchase the offered assets or ownership interest. Franchisor has the right to substitute an equivalent sum of cash for any consideration other than cash specified in said notice.

If Franchisor does not elect to exercise its right of first refusal within the specified time period above, Franchisee (or its Principals) may accept the offer or proposal by the third-party, subject to Franchisor's prior written approval. If Franchisee does not close the sale within six (6) months after the offer is delivered to Franchisor or the terms of the offer or proposal are materially changed, Franchisor's right of first refusal shall renew and Franchisee must comply with the conditions of this Section 21(E) before selling the assets or ownership interest to a third-party.

F. Transfer Upon Franchisee's Death or Incapacity

Upon Franchisee's death or Incapacity (if Franchisee is an individual) or any Principal (if Franchisee is a business entity), the appropriate representative shall within a reasonable time, not to exceed ninety (90) days from the date of death or Incapacity, transfer the interest in the Franchised Business or Franchisee to a third party approved by Franchisor and subject to the conditions of Section 21(B); provided, however, if the Franchised Business is transferred by gift, devise or inheritance, it is not subject to Franchisor's right of first refusal. Failure to dispose of such interest within the specified period of time will constitute a material breach of this Agreement and Franchisor reserves the right to terminate this Agreement.

Following the death or Incapacity of Franchisee (if Franchisee is an individual) or any Principal (if Franchisee is a business entity), Franchisor may, but need not, assume the Franchised Business' management and provide services on behalf of the Franchised Business until the interest is transferred to a third party approved by Franchisor. All funds from the Franchised Business' operation while the Franchisor assumes its management will be kept in a separate account, and all of Franchisor's expenses will be charged to this account, including all travel, food, and lodging expenses incurred in the course of providing such services. Franchisor may charge Franchisee the Management Fee for the provision of services on behalf of the Franchised Business, plus the Franchisor's direct out-of-pocket costs and expenses for managing the Franchised Business. Such fee would be in addition to the Royalty Fee and all other fees due under this Agreement. In the event the Franchisor assumes management of the Franchised Business, the Franchisor

has a duty to utilize only reasonable efforts and will not be liable to Franchisee for any debts, losses, or obligations the Franchised Business incurs, or be liable to any of Franchisee's creditors.

SECTION 22 - RESTRICTIVE COVENANTS

A. Non-Competition

During the Initial Term and for a period of three (3) years after the expiration or termination of this Agreement, regardless of the cause for termination, Franchisee shall not, either directly or indirectly:

- Own an interest in, manage, operate, or provide assistance to any Competitive Business as a proprietor, partner, investor, lender, shareholder, director, officer, member, manager, employee, principal, agent, representative, advisor, franchisor, franchisee, consultant or otherwise within (i) the Territory; (ii) within a fifteen (15) mile radius of the Territory; or (iii) within a fifteen (15) mile radius of any other Parlor franchisee's territory operating at the time of termination or expiration of this Agreement; or
- Solicit or otherwise attempt to induce or influence any customer, employee, vendors, or suppliers to terminate or modify their business relationship with Franchisor, other Parlor franchisees, or to compete with Franchisor or other Parlor franchisees.

If Franchisee commits a breach of the restrictive covenants, the three (3) year restrictive period shall be tolled and start on the date that the former Franchisee is enjoined from competing or stops competing, whichever is later.

Nothing in this Agreement shall prevent Franchisee from owning for investment purpose up to an aggregate of two (2%) of the capital stock of any Competitive Business that is a publicly held corporation whose stock is listed and traded on a national or regional stock exchange, or through the National Association of Securities Dealers Automated Quotation System (NASDAQ) as long as Franchisee does not Control any such company.

B. Severability and Reasonableness of Restrictive Covenants

Franchisee acknowledges and agrees that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. Franchisee further acknowledges and agrees that the foregoing restrictions limit Franchisee's right to compete only to the extent necessary to protect Franchisor from unfair competition. Should any part of one or more of these restrictions be found to be unenforceable by virtue of its scope in terms of area, business activity prohibited, or length of time, and should such part be capable of being made enforceable by reduction of any or all thereof, Franchisee and Franchisor agree that the same shall be enforced to the fullest extent permissible under the law. Franchisee expressly acknowledges that Franchisee possesses skills and abilities of a general nature and have other opportunities for exploiting these skills and enforcing the non-competition provisions in this Agreement will not deprive Franchisee of personal goodwill or the ability to earn a living.

C. Enforcement of Restrictive Covenants

Franchisee acknowledges and agrees that a violation of the terms of the restrictive covenants in this Agreement would result in immediate and irreparable injury to Franchisor for which no adequate remedy

at law is available. Accordingly, Franchisee hereby consents to the entry of an injunction, without bond, prohibiting any conduct by Franchisee in violation of the terms of the restrictive covenants set forth in this Agreement.

SECTION 23 - NOTICES

All notices, requests, demands, payments, consents, and other communications required under this Agreement shall be transmitted in writing and shall be deemed to have been duly given when sent by registered or certified United States mail, postage prepaid, or other form of delivery which provides for a receipt and otherwise agreed to in writing by the parties, to the addresses listed below. Either party may change its address by a written notice sent in accordance with this Section 23.

SECTION 24 - DISPUTE RESOLUTION AND GOVERNING LAW

A. Mediation

All claims or disputes between Franchisee and Franchisor (or its Affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its Affiliates), or any of the parties' respective rights and obligations arising from such agreement must be submitted to non-binding mediation to take place in the State of Franchisor's then-current corporate headquarters in accordance with the American Arbitration Association ("AAA") Commercial Mediation Rules then in effect, unless otherwise mutually agreed in writing by the parties. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. Notwithstanding this, Franchisor shall not be required to first attempt to mediate a controversy, dispute, or claim through mediation if such controversy, dispute, or claim concerns an allegation that Franchisee has violated (or threatens to violate, or poses an imminent risk of violating) any intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information; any of the restrictive covenants contained in this Agreement; or any of Franchisee's payment obligations under this Agreement.

B. Litigation

Franchisee and Franchisor agree that any claim, dispute, suit, action, controversy, or proceeding of any type whatsoever including any claim for equitable relief and/or where either party is suing pursuant to a statutory

claim or otherwise, between or involving Franchisee and Franchisor on whatever theory, and whether or not arising out of this Agreement (“Claim”) that was not resolved during mandatory non-binding mediation must be submitted by the parties to a state or federal court whose jurisdiction encompasses Vanderburgh County, Indiana.

C. Governing Law

This Agreement shall be interpreted under the laws of the State of Indiana and any dispute between the parties shall be governed by and determined in accordance with the internal substantive laws, of the State of Indiana, which laws shall prevail in the event of any conflict of law.

D. Injunctive Relief

Franchisee acknowledges and agrees that adherence to the terms and conditions of this Agreement are necessary to protect the value of the Franchisor’s business. Franchisee therefore acknowledges and agrees that in the event of a breach or a threatened breach by Franchisee relating to Confidential Information, the Proprietary Marks, or restrictive covenants would result in irreparable injury to Franchisor. Accordingly, Franchisor shall be entitled to obtain injunctive relief, without posting bond, against any such breach. Franchisee acknowledges and agrees that seeking or obtaining injunctive relief shall not preclude Franchisor from making a claim for damages or other relief available at law or in equity.

E. Liquidated Damages

If this Agreement is terminated before its expiration due to Franchisee breaching its obligations under this Agreement, Franchisee shall pay to the Franchisor an amount equal to ten percent (10%) of the average monthly Gross Sales multiplied by the past twelve (12) months (the “Liquidated Damages”). The parties intend that the Liquidated Damages constitute compensation, and not a penalty. The parties acknowledge and agree that the Franchisor’s harm caused by a breach by Franchisee that led to termination of the Agreement would be impossible or very difficult to accurately estimate, and that the Liquidated Damages are a reasonable estimate of the anticipated or actual harm that might arise from such termination.

F. Waiver of Jury Trial

FRANCHISEE AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

G. Attorneys’ Fees

In any action arising out of or related to this Agreement (whether in state or federal court), the prevailing party must pay the non-prevailing party costs and attorney’s fees if successful in bringing an action against other party arising out of, or related to the Franchise Agreement, including, but not limited to, an action to collect amounts owed to prevailing party. If both parties are awarded a judgment in any dollar amount, the court shall determine which party is the prevailing party taking into consideration the merits of the claims asserted by each party, the amount of the judgment received by each party in relation to the remedies sought and the relative equities between the parties.

SECTION 25 - COMPLIANCE WITH LAWS

Franchisee shall comply with all applicable federal and state laws, ordinances, rules, regulations and orders of governmental authorities pertaining to the maintenance and operation of the Franchised Business including, without limitation, those relating to health, safety, sanitation, employment, licensure and taxation. Franchisor has no obligation to advise Franchisee of any legislative or other legal developments that may affect its Franchised Business. Franchisee acknowledges and agrees that it is solely responsible for inquiring about and becoming familiar with all applicable laws, rules and regulations, and determining those actions required for compliance. Franchisee shall obtain any and all permits, certificates, and licenses required for the full and proper conduct of the Franchised Business. Any information Franchisor provides to Franchisee regarding applicable laws, rules or regulations does not relieve Franchisee of its responsibility to consult with its own legal advisor and otherwise take appropriate action to inquire about and comply with applicable laws, rules and regulations. Any violation of such laws, rules or regulations, as set forth in this paragraph, shall be deemed a default of this Franchise Agreement, and Franchisor may immediately terminate this Agreement.

SECTION 26 - MISCELLANEOUS

A. Waiver

No failure of Franchisor to enforce any rights or powers under this Agreement or to require strict compliance by Franchisee shall be construed as the waiver of such rights. Any waiver, including waiver of default, or acceptance of money or other performance by Franchisor from Franchisee, in any one instance, shall not constitute a continuing waiver or a waiver in any other instance. Franchisee shall not be deemed to have been excused from performance of any of its obligations pursuant to this Agreement, unless otherwise agreed to in writing and signed by an authorized representative of Franchisor and Franchisee.

B. Severability

If any part, Section, sentence, or clause of this Agreement shall be held to be indefinite, invalid or otherwise unenforceable, the provision which is indefinite, invalid or unenforceable shall be deemed deleted, and the remaining part of this Agreement shall continue in full force and effect.

C. Modification

No amendment, change, or variance from this Agreement shall be binding upon either Franchisor or Franchisee except by mutual written agreement.

D. Construction

All terms and words used herein shall be construed to include the number and gender as the context of this Agreement may require. The parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement. As used in this Agreement, the words “include”, “includes” or “including” are used in a non-exclusive sense. Unless otherwise expressly provided herein to the contrary, any consent, approval or authorization of Franchisor that Franchisee may be required to obtain hereunder may be given or withheld by Franchisor in its sole discretion. In addition, on any occasion where Franchisor is required or permitted hereunder to make any judgment or determination, including any decision as to whether any condition or circumstance meets Franchisor’s standards or satisfaction, Franchisor may do so in its sole judgment. Section titles used in this Agreement are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this Agreement.

SECTION 27 - ENTIRE AGREEMENT

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document that Franchisor furnished to Franchisee. Franchisee acknowledges that Franchisee is entering into this Agreement as a result of its own independent investigation of the Franchised Business and not as a result of any representations about Franchisor made by its officers, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus or other similar document required or permitted to be given to Franchisee pursuant to applicable law.

SECTION 28 - ACKNOWLEDGEMENTS

Franchisee hereby acknowledges the following:

- A. FRANCHISEE WARRANTS AND REPRESENTS THAT FRANCHISEE HAS FULL POWER AND AUTHORITY TO ENTER INTO AND BE BOUND BY THIS AGREEMENT.
- B. FRANCHISEE IS AWARE OF THE FACT THAT OTHER PRESENT OR FUTURE FRANCHISEES OF FRANCHISOR MAY OPERATE UNDER A DIFFERENT FORM OF AGREEMENT, AND CONSEQUENTLY THAT FRANCHISOR'S OBLIGATIONS AND RIGHTS WITH RESPECT TO ITS VARIOUS FRANCHISEES MAY DIFFER MATERIALLY IN CERTAIN CIRCUMSTANCES.
- C. FRANCHISEE ACKNOWLEDGES THAT FRANCHISOR MAY APPOINT AN INDEPENDENT CONTRACTOR OR MULTI-UNIT DEVELOPER TO FULFILL FRANCHISOR'S OBLIGATIONS TO PROVIDE ASSISTANCE TO FRANCHISEE.
- D. NO STATEMENT, QUESTIONNAIRE, OR ACKNOWLEDGMENT SIGNED OR AGREED TO BY A FRANCHISEE IN CONNECTION WITH THE COMMENCEMENT OF THE FRANCHISE RELATIONSHIP SHALL HAVE THE EFFECT OF (I) WAIVING ANY CLAIMS UNDER ANY APPLICABLE STATE FRANCHISE LAW, INCLUDING FRAUD IN THE INDUCEMENT, OR (II) DISCLAIMING RELIANCE ON ANY STATEMENT MADE BY ANY FRANCHISOR, FRANCHISE SELLER, OR OTHER PERSON ACTING ON BEHALF OF THE FRANCHISOR. THIS PROVISION SUPERSEDES ANY OTHER TERM OF ANY DOCUMENT EXECUTED IN CONNECTION WITH THE FRANCHISE.

IN WITNESS WHEREOF, Franchisee and Franchisor have duly executed and delivered this Agreement, as of the Effective Date written above.

The undersigned jointly and severally agree to pay all expenses paid or incurred by Franchisor in attempting to enforce the Obligations and this Guaranty against Franchisee and against the undersigned and in attempting to collect any amounts due thereunder and hereunder, including reasonable attorneys’ fees if such enforcement or collection is by or through an attorney-at-law. EXHIBIT E
CONFIDENTIALITY, NON-DISCLOSURE AND NON-COMPETITION AGREEMENT
(SAMPLE –MANAGERS)

In consideration of, and as an inducement to, employment with _____ (“Franchisee”), this Confidentiality, Non-Disclosure and Non-Competition Agreement is entered into by and between Franchisee and _____ (“Employee”) on this __ day of _____, _____. Franchisee has entered into a Franchise Agreement for the operation of the Franchised Business. Franchisee desires Employee to have access to and review certain trade secrets and Confidential Information through the course of employment at the Franchised Business and Franchisee is required by its Franchise Agreement to have Employee execute this Agreement prior to providing access to the trade secrets and Confidential Information. Accordingly, in consideration of the receipt and/or use of information proprietary to the Franchisor by Franchisee, agrees as follows:

1. CONFIDENTIALITY

Employee acknowledges and agrees that Franchisee has access to Trade Secrets and Confidential Information relating to the development and operation of the Franchised Business. For the purposes of this Agreement, Confidential Information means any information used in or related to the Franchised Business and not commonly known by or available to the public, including but not limited to the methods, processes, skills, know-how, formulas developed for use in the franchise System, techniques, information, trade practices, customer lists or databases, software, proprietary data, trade secrets, and any other information identified or labeled by Franchisee as confidential when provided to Employee. Confidential Information shall not include, however, any information that: (a) is now or subsequently becomes generally available to the public through no fault of Employee; (b) Employee can demonstrate was rightfully in its possession, without obligation of nondisclosure, prior to disclosure pursuant to this Agreement; (c) is independently developed without the use of any Confidential Information; or (d) is rightfully obtained from a third party who has the right, without obligation of nondisclosure, to transfer or disclose such information.

Employee agrees to exercise the highest degree of diligence in safeguarding Confidential Information during and after the term of this Agreement and to adhere fully and strictly to all confidentiality attached to such information. Employee acknowledges that the unauthorized use or disclosure of Confidential Information will cause irreparable injury to the Franchisee and that damages are not an adequate remedy. Employee accordingly covenants that it shall not at any time, without Franchisee’s prior written consent, disclose, use, permit the use thereof, copy, duplicate, record, transfer, transmit, or otherwise reproduce such Confidential Information, in any form or by any means, in whole or in part, or otherwise make the same available to any unauthorized person or source, except as may be required by applicable law or authorized by this Agreement. Disclosure of the Confidential Information may be made in judicial or administrative proceedings, but only to the extent Employee is legally compelled to disclose the Confidential Information and provided that Employee first gives Franchisee the opportunity to obtain an appropriate protective order or other assurance that the confidential nature of the material to be disclosed will be maintained.

2. NON-COMPETITION

During Employee’s employment with Franchisee and for a period of two (2) years after the termination of Employee’s employment with Franchisee, regardless of the cause for termination, Employee shall not, either directly or indirectly:

- Own an interest in, manage, operate, or provide assistance to any Competitive Business as a proprietor, partner, investor, lender, shareholder, director, officer, member, manager, employee, principal, agent, representative, advisor, franchisor, franchisee, consultant or otherwise within (i) Franchisee’s Territory; or (ii) within a fifteen (15) mile radius of Franchisee’s Territory; provided, however,

that this restrictive covenant shall not prevent Employee from becoming a Parlor franchisee if Employee is otherwise deemed qualified by Parlor Doughnuts Franchising, LLC; or

- Solicit or otherwise attempt to induce or influence any customer or employee to terminate or modify their business relationship with Franchisee or to compete with Franchisee.

For purposes hereof, Competitive Business shall mean any business that offers or provides (or grants franchises or licenses to others to operate a business that primarily offers or provides) (I) bakery items, including but not limited to donuts (II) artisanal breakfast items; (III) specialty or gourmet coffee; or (IV) other goods that are the same as or similar to the goods being offered by Parlor under the franchise System.

If Employee commits a breach of these restrictive covenants, the two (2) year restrictive period shall be tolled and start on the date that Employee is enjoined from competing or stops competing, whichever is later.

Nothing in this Agreement shall prevent Employee from owning for investment purpose up to an aggregate of two (2%) of the capital stock of any Competitive Business that is a publicly held corporation whose stock is listed and traded on a national or regional stock exchange, or through the National Association of Securities Dealers Automated Quotation System (NASDAQ) as long as Employee does not Control any such company.

3. INJUNCTIVE RELIEF

Employee acknowledges and agrees that adherence to the terms and conditions of this Agreement are necessary to protect the value of the Franchisee's business. Employee therefore acknowledges and agrees that in the event of a breach or a threatened breach of the restrictive covenants by Employee, Franchisee shall be entitled to obtain injunctive relief, without posting bond, against any such breach. Employee acknowledges and agrees that seeking or obtaining injunctive relief shall not preclude Franchisee from making a claim for damages or other relief available at law or in equity or that the existence of any claim or cause of action Employee may have against Franchisee predicated on this Agreement or otherwise shall not constitute a defense to the enforcement of this Agreement.

4. SEVERABILITY AND REASONABLENESS

The parties agree that each of the provisions of this Agreement shall be construed as independent of any other covenant or provision of this Agreement. The parties further agree that the foregoing restrictions limit Employee's right to compete only to the extent necessary to protect Franchisee from unfair competition. Should any part of one or more of these restrictions be found to be unenforceable by virtue of its scope in terms of area, business activity prohibited or length of time, and should such part be capable of being made enforceable by reduction of any or all thereof, Employee and Franchisee agree that the same shall be enforced to the fullest extent permissible under the law. Employee expressly acknowledges that Employee possesses skills and abilities of a general nature and has other opportunities for exploiting these skills and enforcing the non-competition provisions in this Agreement will not deprive Employee of personal goodwill or the ability to earn a living.

5. WAIVER

No failure of Franchisee to enforce any rights or powers under this Agreement shall be construed as the waiver of such rights. Any waiver in any one instance, shall not constitute a continuing waiver or a waiver in any other instance. Employee shall not be deemed to have been excused from performance of any of its obligations pursuant to this Agreement, unless otherwise agreed to in writing and signed by an authorized representative of Franchisee.

6. GOVERNING LAW

This Agreement shall be governed and construed in accordance with the laws of the State in which the Franchisee is located. Any action to enforce, challenge, or construe the terms of this Agreement or bring an action to recover for breach of this Agreement shall be litigated exclusively in a state or federal court whose jurisdiction encompasses the then-current principal office of the Franchisee. The parties hereby consent to personal jurisdiction and venue therein. Parties waive any right to object to personal jurisdiction or venue.

IN WITNESS WHEREOF, Employee and Franchisee have duly executed and delivered this Agreement, as of the Effective Date written above.

At Franchisor's request, Developer shall require its employees and any other person to whom Developer wishes to disclose any Trade Secrets or other Confidential Information to execute a nondisclosure agreement in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached to the Initial Franchise Agreement.

SECTION 6 - TRANSFERS

B. By Developer.

The development rights set forth in this MUDA are personal to Developer and are granted in reliance upon the personal qualifications of Developer. Developer has represented, and hereby represents, that it is entering into this MUDA with the intention of complying with its terms and conditions and not for the purpose of resale of the development rights hereunder.

Developer, without Franchisor's prior written consent, by operation of law or otherwise, shall not sell, assign, transfer, convey, give away or encumber any part of its interest in this MUDA, its interest in the development rights granted hereby or its interest in any entity that owns any interest in such rights, and shall not offer, permit or suffer the same to be sold, assigned, transferred, conveyed, given away or encumbered in any way. Developer shall not, without the prior written consent of Franchisor, fractionalize any of the development rights granted pursuant to this MUDA. Any purported sale, assignment, transfer, conveyance, gift, or encumbrance of any of Developer's rights herein not having Franchisor's express consent shall be null and void and shall constitute a material default of this MUDA.

So long as Developer is in full compliance with this MUDA, and should Franchisor not elect to exercise its right of refusal as provided in Section 6(D), Franchisor shall not unreasonably withhold its approval of an assignment or Transfer to proposed assignees or transferees if:

- Developer has complied with the requirements of Section 6(D);
- All monetary obligations owed to Franchisor by Developer are fully paid and satisfied;
- Developer (and any transferring owners, if Developer is a business entity) has executed a general release, in a form the same as or similar to the General Release attached to the Initial Franchise Agreement, of any and all claims against Franchisor, its owners, officers, directors and employees, in their corporate and individual capacities including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this MUDA or to the transfer of Developer's interest herein or to the transfer of Developer's ownership of all or any part of the development rights;
- The prospective transferee has satisfied Franchisor that it meets Franchisor's management, business and financial standards, and otherwise possesses the character and capabilities, including business reputation and credit rating, as Franchisor may require to demonstrate its ability to carry out the obligations contained herein;

- Developer has provided Franchisor with a complete copy of all contracts and agreements and related documentation between Developer and the prospective transferee relating to the intended sale or transfer of the development rights;
- Developer, or the transferee, has paid to Franchisor a transfer fee in the amount of 50% of the remaining Franchise Fee for each Franchise to be developed under the MUDA;
- The transferee has obtained all necessary consents and approvals by third parties and all applicable federal, state and local laws, rules, ordinances and requirements applicable to the transfer have been complied with or satisfied; and
- Developer has, and if Developer is an entity, all of the holders of a legal and beneficial interest in Developer have, executed and delivered to Franchisor a non-competition agreement in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached to the Initial Franchise Agreement.

C. Transfer by Death or Incapacity

Upon the death or Incapacity (as determined by a court of competent jurisdiction) of Developer or any holder of a legal or beneficial interest in Developer, if Developer is an entity, the appropriate representative of such person (whether administrator, personal representative or trustee) will, within a reasonable time not exceeding ninety (90) days following such event, transfer such individual's interest herein or transfer such individual's ownership of all or any part of the development rights to a third party approved by Franchisor. Such Transfers, including Transfers by will or inheritance, shall be subject to the conditions for assignments and Transfers contained in this MUDA.

D. Franchisor's Right of First Refusal

If Developer or its owners shall at any time determine to sell, assign, transfer, convey, give away or encumber the development rights under this MUDA or any of their respective ownership interests in Developer, or any of Developer's assets (except in the ordinary course of business), Developer or its owners shall first offer in writing any bona fide proposed transfer and set forth a complete description of all terms, conditions and fees of the proposed transfer in the manner prescribed by the Franchisor. Franchisor shall, for a period of thirty (30) days from the date of delivery of such offer (or if Franchisor shall request additional information, within thirty (30) days after receipt of such additional information), have the right, exercisable by written notice to Developer, to purchase such interests upon the terms and conditions specified in the offer. Franchisor may substitute an equivalent sum of cash for any consideration other than cash specified in said notice. If Franchisor does not elect to exercise its right of first refusal, Developer may offer to transfer to third parties on the same terms and conditions as offered to Franchisor and subject to the conditions set forth in Section 6(B) of this Agreement. If Developer does not consummate the Transfer, in accordance with the terms offered to Franchisor, within three (3) months after Developer gives notice of the Transfer to Franchisor, Developer shall not make the Transfer without again first offering to make the Transfer to Franchisor. Additionally, if the terms of the offer to third parties are materially changed, such changed terms shall be deemed a new proposal subject to Franchisor's right of first refusal.

SECTION 7 - DEFAULT AND TERMINATION

Franchisor has the right to immediately terminate this MUDA by delivering a notice to Developer stating that Franchisor elects to terminate this MUDA as a result of any of the breaches set forth below:

- Developer makes or attempts to make an unauthorized sale, assignment, transfer, conveyance, gift or encumbrance of any part of its interest in this MUDA or an ownership interest in Developer;
- Developer has made any material misrepresentation or omission in its application for the development rights conferred by this Agreement;
- Developer (or any of its Principals) is convicted of or pleads no contest to a felony or other crime or offense that may adversely affect the goodwill associated with the Proprietary Marks;
- Developer makes any unauthorized use of the Proprietary Marks or unauthorized use or disclosure of the Confidential Information;
- Franchisor has delivered a notice of termination for a Franchise Agreement between Franchisor and Developer in accordance with its terms and conditions, or Developer has terminated a Franchise Agreement without cause; or
- Developer fails to comply with any other provision of the MUDA and does not correct within thirty (30) days after written notice from Franchisor.

The Wisconsin Fair Dealership Law Title XIV-A Ch. 135, Sec. 135.01-135.07 shall supersede any conflicting terms of this Agreement.

SECTION 8 - RIGHTS AND DUTIES ON TERMINATION OR EXPIRATION

A. Loss of Development Rights.

Upon termination or expiration of this MUDA, the development rights granted to Developer under this MUDA shall automatically terminate. Developer shall have no additional rights to establish Parlor businesses, including within the Development Area. No default under this MUDA shall constitute a default under any Franchise Agreement between the parties, except to the extent that any default under this MUDA constitutes a default under any Franchise Agreement in accordance with the terms of the Franchise Agreement. Notwithstanding the above, the terms and conditions of the Franchise Agreement must be complied with by the Developer thereunder and shall control in determining whether any default exists under such Franchise Agreement.

B. Amounts Owed to Franchisor.

Developer shall immediately pay to Franchisor upon termination or expiration of the MUDA any amounts owed by Developer to Franchisor that are then unpaid, plus any interest due.

C. Confidential Information.

Upon termination or expiration of this MUDA, Developer and all of its employees, agents or other representatives shall immediately sign a confidentiality agreement, if not done already, and will cease to use and shall continue to maintain the absolute confidentiality of any Trade Secrets and other Confidential

Information disclosed or otherwise learned or acquired by Developer and shall not use such Trade Secrets and other Confidential Information in any other business or venture.

D. Covenant Not to Compete.

During the term and after the termination of this Agreement, Developer and any Principal of Developer, if Developer is an entity, shall be subject to all of the restrictive covenants set forth in the Initial Franchise Agreement, which covenants by this reference are incorporated herein.

E. Continuing Obligations.

All obligations of Franchisor and Developer under this MUDA that expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this MUDA and until they are satisfied in full or by their nature expire.

SECTION 9 - RELATIONSHIP OF THE PARTIES

Nothing in this MUDA is intended by the parties to create a fiduciary relationship between them, nor to constitute Developer or Developer's employees or contractors as agents, legal representatives, subsidiaries, joint ventures, partners, or employees of Franchisor for any purpose whatsoever. It is understood and agreed that Developer is an independent contractor and is in no way authorized to make any contract, warranty, or representation or to create or imply any obligation on behalf of Franchisor. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt, or any other obligation of Developer.

Unless otherwise specifically provided in this MUDA with respect to certain issues, whenever this MUDA requires Developer to obtain Franchisor's written consent or permits Developer to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Developer or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

SECTION 10 - INDEMNIFICATION

Developer shall hold harmless and indemnify Franchisor, its owners, and all of Franchisor's officers, directors, executives, managers, employees, agents, successors and assigns (collectively "Franchisor Indemnitees") from and against all losses, damages, fines, costs, expenses or liability (including attorneys' fees and all other costs of litigation) incurred in connection with any action, suit, demand, claim, investigation or proceeding, or any settlement thereof, that arise from, are based upon or are related to Developer's (a) development, ownership or operation of any Parlor business; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation or rule; (c) breach of any representation, warranty, covenant, or provision of this MUDA or any other agreement between Developer and Franchisor; (d) defamation of Franchisor or the System; (e) acts, errors or omissions by Developer or any of its officers, directors, employees or agents, committed or incurred in connection with the recruitment of franchisees, including any negligent or intentional acts; or (f) infringement, violation or alleged infringement or violation of any Proprietary Mark, patent or copyright or any misuse of the Confidential Information.

SECTION 11 - DISPUTE RESOLUTION AND GOVERNING LAW

A. Dispute Resolution

During the term and after the termination of this Agreement, Developer and any Principal of Developer, if Developer is an entity, shall be subject to all of the dispute resolution provisions set forth in the Initial Franchise Agreement, which covenants by this reference are incorporated herein.

B. Governing Law.

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other United States federal law, this Agreement shall be interpreted under the laws of the State of Indiana and any dispute between the parties shall be governed by and determined in accordance with the internal substantive laws, and not the laws of conflict, of the State of Indiana, which laws shall prevail in the event of any conflict of law.

SECTION 12 - MISCELLANEOUS PROVISIONS

A. Owners of Developer.

Developer represents and warrants, and Franchisor enters into this MUDA in reliance upon such representation and warranty, that the individuals identified in Exhibit B as owners are the sole holders of a legal or beneficial interest (in the stated proportions) of Developer.

B. Superiority of Franchise Agreement.

Developer acknowledges that any and all Franchise Agreements executed by Developer are independent of this MUDA. The continued existence of any such Franchise Agreement shall not depend on the continuing existence of this MUDA. If any conflict shall arise in connection with this MUDA and any such Franchise Agreement, the latter shall have precedence and superiority over the former.

C. No Waiver.

No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Developer with any obligation or condition hereunder, and no custom nor practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this MUDA. Waiver by Franchisor of any particular default by Developer shall not be binding unless in writing and executed by Franchisor and shall not affect nor impair Franchisor's right with respect to any subsequent default of the same or of a different nature. Subsequent acceptance by Franchisor of any payment(s) due shall not be deemed to be a waiver by Franchisor of any preceding breach by Developer of any terms, covenants or conditions of this MUDA.

D. Injunctive Relief.

Developer acknowledges and agrees that a violation or contemplated violation of the restrictions contained in Sections 5, 8(C), or 8(D) would result in immediate and irreparable injury to Franchisor for which no adequate remedy at law is available. Accordingly, Developer hereby consents to the entry of an injunction, without bond, prohibiting any conduct by Developer in violation of the restrictions contained in Sections 5, 8(C), or 8(D). Developer further agrees to pay all costs and expenses (including reasonable attorney's fees at all levels) incurred by Franchisor in connection with the enforcement of this MUDA.

E. Notices.

All notices, requests, demands, payments, consents and other communications required under this Agreement shall be transmitted in writing and shall be deemed to have been duly given when sent by

registered or certified United States mail, postage prepaid, or other form of delivery which provides for a receipt and otherwise agreed to in writing by the parties, addressed as follows:

H. Construction.

All terms and words used herein shall be construed to include the number and gender as the context of this MUDA may require. J. Third-Party Beneficiaries.

Anything to the contrary notwithstanding, nothing in this MUDA is intended, nor shall be deemed, to confer any rights or benefits upon any person or legal entity other than Franchisor or Developer, and their respective permitted successors and assigns.

SECTION 13 - ACKNOWLEDGEMENTS

Developer hereby acknowledges the following:

- A. DEVELOPER WARRANTS AND REPRESENTS THAT DEVELOPER HAS FULL POWER AND AUTHORITY TO ENTER INTO AND BE BOUND BY THIS MUDA.
- B. DEVELOPER IS AWARE OF THE FACT THAT OTHER PRESENT OR FUTURE DEVELOPERS OF FRANCHISOR MAY OPERATE UNDER A DIFFERENT FORM OF MUDA, AND CONSEQUENTLY THAT FRANCHISOR’S OBLIGATIONS AND RIGHTS WITH RESPECT TO ITS VARIOUS DEVELOPERS MAY DIFFER MATERIALLY IN CERTAIN CIRCUMSTANCES.
- C. NO STATEMENT, QUESTIONNAIRE, OR ACKNOWLEDGMENT SIGNED OR AGREED TO BY A DEVELOPER IN CONNECTION WITH THE COMMENCEMENT OF THE FRANCHISE RELATIONSHIP SHALL HAVE THE EFFECT OF (I) WAIVING ANY CLAIMS UNDER ANY APPLICABLE STATE FRANCHISE LAW, INCLUDING FRAUD IN THE INDUCEMENT, OR (II) DISCLAIMING RELIANCE ON ANY STATEMENT MADE BY ANY FRANCHISOR, FRANCHISE SELLER, OR OTHER PERSON ACTING ON BEHALF OF THE FRANCHISOR. THIS PROVISION SUPERSEDES ANY OTHER TERM OF ANY DOCUMENT EXECUTED IN CONNECTION WITH THE FRANCHISE.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Parlor Doughnuts Franchising, LLC

Opinion

We have audited the accompanying financial statements of Parlor Doughnuts Franchising, LLC, (Company), which comprise the balance sheet as of December 31, 2022, the related statement of income and members' deficit and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and; therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 1— Nature of Business and Significant Accounting Policies

Nature of Business

Parlor Doughnuts Franchising, LLC (Company) was established on January 8, 2021, and is a franchisor of Parlor Doughnuts, LLC. The Company provides franchises and licenses to locations in Alabama, Arizona, Arkansas, Colorado, Florida, Georgia, Indiana, Kansas, Kentucky, Louisiana, Maryland, Missouri, Nevada, Ohio, Pennsylvania, South Carolina, Tennessee, and Texas. The Company also provides training, site selection assistance, and consulting for the benefit of the franchisees.

Limited Liability Company

Since the Company is a limited liability company, no member is liable for the debts, obligations, or liabilities of the Company, except as otherwise legally obligated. The term of the Company shall be perpetual unless and until it is dissolved pursuant to state law or as provided in the limited liability company agreement.

COVID-19 Pandemic

On January 30, 2020, the World Health Organization declared the COVID-19 outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of COVID-19 include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The impacts of COVID-19 and actions taken to mitigate it have had and may continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Company operates. While it is unknown how long these conditions will last and what the complete financial effect will be to the Company, it cannot estimate, with any degree of certainty, the full impact of COVID-19 on future operations and financial results.

Concentrations of Credit Risk

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist principally of cash and accounts receivable. At times, such cash in banks may be in excess of the Federal Deposit Insurance Corporation insurance limit.

Revenue Recognition

The Company recognizes revenue in accordance with ASC Topic 606, *Revenue from Contracts with Customers*, which provides a five-step model for recognizing revenue from contracts with customers as follows:

1. Identify the contract with a customer
2. Identify the performance obligations in the contract
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations in the contract
5. Recognize revenue when or as performance obligations are satisfied

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 1— Nature of Business and Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

The Company's revenue is primarily derived from franchise fees, pre-opening activity fees, advertising fees from the Company's franchisees, and royalties from the Company's franchisees. Revenue from franchise fees consists of one-time up-front nonrefundable payments in accordance with the applicable franchise agreement. The initial term of the franchise agreements is typically ten years. Revenues from royalties and advertising fees are calculated as a percentage of weekly gross revenues of the franchised location for the preceding week. Revenue from franchise fees, pre-opening activity fees, advertising fees, and royalties and advertising are subject to economic conditions and may fluctuate based on changes in the industry, trade policies, and financial markets.

The Company assesses the contract term as the period described in the Franchise Agreement in which the parties to the contract have enforceable rights and obligations. The contract term can differ from the stated term in agreements that include certain termination, renewal, or assignment rights. Franchisee agreements generally are standardized and noncancellable for the duration of the stated contract term. Franchise fees and pre-opening activity fees from franchisees are due up-front when agreements are signed. Royalties and advertising fees are due on Friday each week for the preceding week's gross sales.

The Company has elected the practical expedient under ASC 606 for nonpublic company franchisors to account for certain pre-opening activities as a separate performance obligation and distinct from the franchise agreement. The pre-opening activities are recognized as revenue over time as the customer simultaneously receives and consumes the benefits over the pre-opening period.

The nature of the franchise agreements provided to the Company's franchisees is generally as follows:

1. **Franchise fees:** Revenue from the franchise fee paid by franchisees in order to enter into a franchise agreement with the Company is recognized over the term of the agreement, which is typically ten years.
2. **Pre-opening activity fees:** Revenue for the pre-opening activities is recognized over time from the initial signing of the agreement until the performance obligation is satisfied, which is generally when the store opens and commences operations but no longer than one year from the initial agreement.
3. **Royalties:** Revenue from royalties collected from franchisees is recognized over time as the royalties are earned.
4. **Advertising fees:** Revenue from advertising fees collected from franchisees is recognized over time as the advertising fees are earned.

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring goods and services to the customer. Revenue is recorded based on the transaction price, which includes fixed consideration and estimates of variable consideration such as early sign-on discounts.

Note 1— Nature of Business and Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

The amount of variable consideration included in the transaction price is constrained and is included only to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur when the uncertainty associated with the variable consideration is subsequently resolved. Variable consideration is as follows:

Sign-on discounts: The Company provides sign-on discounts to certain franchisees for initial franchise fees and royalties. Sign-on discounts are known at December 31, 2022 based on review of specific transactions.

The Company does not have significant financing components in its customer contracts.

The Company has elected to apply the practical expedient to expense associated costs as incurred when the expected amortization period is one year or less.

See Note 2 for customer contract balances.

Accounts Receivable

The Company's accounts receivable are due from franchisees. The Company reviews a franchisee's credit history before extending credit and, generally, collateral is not required. The direct charge-off method is used to account for losses in collection of accounts receivable. An allowance for uncollectible accounts receivable is considered unnecessary by management because all significant accounts expected to be uncollectible have been written-off.

Intangible Assets

Intangible assets consist of a defensive intangible incurred in connection with the Company's trademark. Amortization is provided for by the straight-line method over the estimated useful life of the asset. This asset will be tested for impairment annually using a fair value based approach. No indicators of impairment were identified during the year ended December 31, 2022.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recently Adopted Accounting Standards

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases* (Topic 842). The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. A modified retrospective transition approach is required. An entity may adopt the guidance, as well as certain practical expedients, either (1) retrospectively to each prior reporting period presented in the financial statements with a cumulative-effect adjustment recognized at the beginning of the earliest comparative period presented, or (2) retrospectively at the beginning of the period of adoption through a cumulative-effect adjustment. The Company adopted ASU 2016-02 effective for the year ended December 31, 2022, which did not have a material effect on the Company's financial statements.

Note 2 — Contract Balances

Contract balances as of December 31, 2022 and January 1, 2022 are as follows:

	December 31, 2022	January 1, 2022
Accounts receivable	\$ 7,356	\$ 25,000
Contract liabilities - deferred revenue	\$ 826,952	\$ 166,000

The Company records accounts receivable when it has the unconditional right to issue an invoice and receive payment.

If payment has been received and revenue has not been recognized, deferred revenue is recorded.

In our opinion, the accompanying balance sheet presents fairly, in all material respects, the financial position of the Company as of December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Balance Sheet section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Balance Sheet

Management is responsible for the preparation and fair presentation of the balance sheet in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the balance sheet that is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Balance Sheet

Our objectives are to obtain reasonable assurance about whether the balance sheet as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and; therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the balance sheet.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the balance sheet, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the balance sheet.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the balance sheet.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO BALANCE SHEET

Note 1 – Nature of Business and Significant Accounting Policies

Nature of Business

Parlor Doughnuts Franchising, LLC (Company) was established on January 8, 2021 and is a franchisor of Parlor Doughnuts, LLC. The Company provides franchises and licenses to locations in Alabama, Colorado, Florida, Kentucky, Missouri, South Carolina, and Texas. The Company also provides training, site selection assistance, and consulting for the benefit of the franchisees.

COVID-19 Pandemic

On January 30, 2020, the World Health Organization declared the COVID-19 outbreak a “Public Health Emergency of International Concern” and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of COVID-19 include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The impacts of COVID-19 and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Company operates. While it is unknown how long these conditions will last and what the complete financial effect will be to the Company, it cannot estimate, with any degree of certainty, the full impact of COVID-19 on future operations and financial results.

Limited Liability Company

Since the Company is a limited liability company, no member is liable for the debts, obligations, or liabilities of the Company, except as otherwise legally obligated. The term of the Company shall be perpetual unless and until it is dissolved pursuant to state law or as provided in the limited liability company agreement.

Concentrations of Credit Risk

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist principally of cash and accounts receivable. At times, such cash in banks may be in excess of the Federal Deposit Insurance Corporation insurance limit.

Revenue Recognition

Effective January 8, 2021, the date of formation of the Company, the Company recognizes revenue in accordance with ASC Topic 606, *Revenue from Contracts with Customers*, which provides a five-step model for recognizing revenue from contracts with customers as follows:

1. Identify the contract with a customer
2. Identify the performance obligations in the contract
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations in the contract
5. Recognize revenue when or as performance obligations are satisfied

The Company's revenue is primarily derived from franchise fees, pre-opening activity fees, and royalties from the Company's franchisees. Revenue from franchise fees consists of one-time up-front nonrefundable payments in accordance with the applicable franchise agreement. The initial term of the franchise agreements is typically ten years. Revenue from royalties is calculated as a percentage of weekly gross revenues of the franchised location for the preceding week. Revenue from franchise fees, pre-opening activity fees, and royalties are subject to economic conditions and may fluctuate based on changes in the industry, trade policies, and financial markets.

The Company assesses the contract term as the period described in the Franchise Agreement in which the parties to the contract have enforceable rights and obligations. Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. In June 2020, FASB issued ASU 2020-05, which defers the effective date of ASU 2016-02, making it effective for annual reporting periods beginning after December 15, 2021. A modified retrospective transition approach is required. An entity may adopt the guidance, as well as certain practical expedients, either (1) retrospectively to each prior reporting period presented in the financial statements with a cumulative-effect adjustment recognized at the beginning of the earliest comparative period presented, or (2) retrospectively at the beginning of the period of adoption through a cumulative-effect adjustment.
