What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation only in Vancouver, British Columbia, Canada and litigation only in Seattle, Washington. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate with the franchisor in British Columbia or litigate with the franchisor in Washington than in your own state.
2. **Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" in Exhibit I to see whether your state requires other risks to be highlighted.

Other Affiliates

1-800-GOT-JUNK? Commercial Services (USA) LLC is a Delaware corporation and has the same principal business address as our address. It operates as a general contractor or agent for national accounts in the United States in the same business as the type being franchised. It has ever operated a business similar to a 1-800-GOT-JUNK? business nor franchised any business.

Flywheel Accelerator Inc., a British Columbia, Canada corporation (“Flywheel Canada”), and Flywheel Accelerator USA Inc., a Nevada corporation (“Flywheel USA”), are together referred to in this disclosure document as “Flywheel”. Both Flywheel entities have a principal business address that is the same as ours. Flywheel was created to help facilitate a smooth transition of certain existing long-term franchise partners in their desired exit from the system. Flywheel did this by purchasing and operating the businesses as affiliate-owned franchises.

In April 2024, Flywheel USA entered into a joint venture with franchisee Southwind Waste Services LLC through the entity 604816 LLC, in which both parties transferred their 1-800-GOT-JUNK? franchised businesses to 604816 LLC, with Flywheel USA removing itself from the direct management of franchised businesses and retaining a minority ownership position in 604816 LLC.

Our Business Operations

We grant franchises to qualified candidates in the United States for the operation of retail junk removal businesses (“Franchised Businesses”) using the System and identified by the name 1-800-GOT-JUNK? and have offered these franchises since November 1999. We have no other business activities and have not operated businesses of the type being franchised; however, our parent company, Rubbish Boys, has been in operation in Canada for over 20 years and has offered franchises in Canada since December 1998.

We have not offered franchises in any other line of business. Other than as stated above, we have no predecessors or affiliates offering franchises in any line of business, or providing products or services to our franchisees.

The System

Brian Scudamore, our founder and CEO, developed a unique method for operating and franchising junk removal businesses (the “System”). The System includes proprietary software, brand development, training, marketing programs and access to the exclusive service of the call center and online booking system (the “Sales Center”), as well as the mark “1-800-GOT-JUNK?” and related marks (collectively, the “Marks”). Rubbish Boys manages the Sales Center in Vancouver, BC and Toronto, Ontario on our behalf, which receives telephone and web based orders and acts as a “point of sale” contact for each customer. The Sales Center schedules all appointments, maintains a detailed client database, conducts follow-up calls with all customers to gauge customer satisfaction and provides you with detailed reports so that you may more effectively manage the Franchised Business.

You will operate your 1-800-GOT-JUNK? Franchised Business in an assigned territory. Your territory will consist of subterritories. A subterritory is a geographic area we determine based on recently published census data.

Market and Regulatory Matters

For the type of junk removal services provided by 1-800-GOT-JUNK? businesses, that being residential and commercial junk removal services (the “Services”), there is a recognized and established business opportunity. Consumer demand for effective, professional and timely junk removal was the driving force behind the development of the System.

Each municipality has divisions that monitor businesses to ensure they follow all applicable laws. Each jurisdiction will issue a business license if required. You should consult your own local authority’s licensing and standards division for licenses or permits to do business, assumed name registrations and obtain sales tax permits. We are aware of industry-specific regulations including, but not limited to, labor and wage laws, health and safety and sanitation regulations, and safety requirements. There may be specific laws or regulations in your state or municipality regarding the operation of the Franchised Business. The laws in your state or municipality may be more or less stringent. You should examine these laws before purchasing a franchise from us. You may be required to obtain licenses, registrations, authorizations and permissions required under applicable federal, state or local laws to operate your Franchised Business.

Many jurisdictions will require a contractor’s license in order for you to be able to operate, which may require you to have experience in order for you to qualify. Among other things, you should investigate whether there are any local ordinances, or special license requirements pertaining to the Franchised Business, or whether any city, town, or other governmental agency has issued or granted an exclusive right or license to another garbage or waste hauler that would bar your operations in that area, or whether there may exist any special restrictions that may limit your right to access a local transfer site or landfill. You may want to obtain a complete copy of your state’s and other applicable statutes and regulations and discuss them with your attorney.

You will be required to follow all pertinent local, state and federal laws and regulations specific to the junk hauling and removal industries. You will also be required to comply with all general business and commercial vehicle licensure laws and regulations. The Franchised Business will remove and haul

upon order, non-hazardous junk for disposal, re-use and recycling. “Junk” is defined as items not removed in the normal municipal pick-up. We are not, and Franchised Businesses will not, be in the business of regular pick-up of trash along designated residential or commercial routes, or the hauling of liquids, gases, or flammable or hazardous waste. We urge you to make inquiries about laws that may be applicable to your Franchised Business. Because our industry is regulated, you must be aware of all regulations and keep apprised of changes that may have an impact on the Franchised Business. You are responsible for determining licensing requirements in your proposed territory before you sign the Franchise Agreement. Your business also may be limited by exclusive governmental licenses claimed by other garbage or waste collection companies, or by restrictions claimed on your right to access local transfer sites or landfills.

We operate nationally, leverage a national Sales Center, operate a sophisticated web-based dispatch system, and provide you with a comprehensive training program and ongoing business coaching and support. Our target market includes homeowners, property managers, contractors, realtors, and businesses. Your competitors include all other junk removal businesses.

Pending Actions:

Justin Serna, individually and on behalf of all others similarly situated v. 1-800-Got-Junk? LLC, Case No. 5:24-cv-47 (U.S. District Court for the Central District of California). Plaintiff filed this class action on January 9, 2024, alleging that 1-800-GOT-JUNK? LLC and its agents violated the California Invasion of Privacy Act by recording telephone calls of California customers without sufficient consent. Plaintiff seeks statutory damages, costs, and injunctive relief. We deny these allegations and intend to vigorously defend against this claim.

Other than the action noted above, no litigation is required to be disclosed in this Item.

ITEM 4. Bankruptcy

No bankruptcy information is required to be disclosed in this Item.

ITEM 5. Initial Fees

The initial franchise fee for a Franchised Business is \$8,125 per subterritory. We require a minimum purchase of eight subterritories, for a total minimum initial franchise fee of \$65,000. This initial franchise fee is payable to us in a lump sum when you sign the Franchise Agreement. We will only refund the entire initial franchise fee paid to date (without interest) if we do not approve your application. Except as described in this disclosure document, each portion of the initial franchise fee is fully earned upon receipt.

In the year ended December 31, 2023, initial franchisees fees charged for new franchises ranged from \$65,000 to \$81,250. Existing franchisees paid fees to expand their territories ranging from \$1,678 to \$32,500.

We reserve the right to charge higher or lower initial fees than those disclosed above for a particular territory. Some of the factors that may lead us to charge more are if a subterritory had been previously serviced and has a developed market, or if the demographics of the particular subterritory are such that it would be particularly suited for a 1-800-GOT-JUNK? franchise. Some of the factors that may lead

us to charge less are if a subterritory has been difficult to develop in the past or as an incentive to encourage a franchisee to purchase additional subterritories.

If you are granted multiple subterritories within which to operate the Franchised Business, we may (in our sole discretion) allow you to pay the initial franchise fee with respect to some of the subterritories in equal monthly installments for a specified period. If we do, we may also allow you to operate or service customers in subterritories for which you are paying the initial fee in installments. However, we may not allow you to operate or service customers in any subterritories until you pay the initial fees for those subterritories in full.

If a current 1-800-GOT-JUNK? franchisee refers a prospective franchisee to either WOW 1 DAY PAINTING LLC or Shack Shine Home Services LLC and that referral results in the launch of either a WOW 1 DAY PAINTING or Shack Shine franchise, the referring 1-800-GOT-JUNK? franchisee may receive a referral bonus of up to \$5,000, in addition to having their annual conference fee paid. The referred franchisee may also receive a discount on their initial franchise fees. Additional terms and conditions of the referral program are in our Operations Manual This referral program may change or cease at any time in our sole discretion. This is a referral program only. The existing franchisee does not represent us and is not authorized to make any sales or representations on our behalf.

You will also pay an Initial Marketing Expense of \$25,000 when you sign the Franchise Agreement. We will use this money to market and promote your Franchised Business prior to and during the first six months of operation. The timing, type and amount of marketing made with the Initial Marketing Expenses are at our sole discretion, but the monies will be spent in your local area (as we define it). The Initial Marketing Expense is non-refundable, unless we do not approve your application.

Unless otherwise disclosed above in this Item 5, fees are uniformly imposed and collected.

Notes:

- 1) Gross Revenue is defined in the Franchise Agreement to mean “the entire amount of the sale price, whether for cash, credit, payment in kind (valued at fair market value) or otherwise, of all sales from or in connection with the operation of the Franchised Business (including, but not limited to, the sale of any Services or products from or in connection with the operation of the Franchised Business). No deductions shall be allowed from Gross Revenue except for the following: (a) sums collected by or on behalf of Franchisee for any duly constituted governmental authority on account of sales taxes, good and services taxes or other taxes imposed directly upon the sale of goods or services (or both) from the Franchised Business, provided that the amount of any such tax has in fact been paid or otherwise accounted for by Franchisee to the appropriate governmental authority; (b) the amount of any refund or credit given in respect of any services or products provided to a customer of the Franchised Business for which a refund of the whole or part of the purchase price is made or for which a credit is given as long as such refund or credit is given in accordance with Franchisor’s policies and procedures in relation to refunds set out in the Operations Manual; (c) amounts for uncollected or uncollectable credit accounts as long as such credit accounts are deemed uncollected or uncollectable in accordance with Franchisor’s policies and procedures in relation to uncollected or uncollectable credit accounts set out in the Operations Manual; and (d) amounts uncollected for a customer of the Franchised Business due to discount coupons that were approved for use in advance by Franchisor. Where the operation of the Franchised Business has been interrupted, all sales assumed to have been lost by Franchisee by virtue of such interruption, being the basis upon which an insurer has paid business interruption insurance, shall also be included in the calculation of Gross Revenue.”
- 2) The Minimum Royalty is the following amount for each subterritory in your Territory: (i) \$1,200 in the calendar year which the Franchised Business commences operations, pro-rated as necessary to account for operations for a partial calendar year only; (ii) \$1,900 in the second calendar year of operations; (iii) \$2,500 in the third calendar year of operations; (iv) \$3,200 in the fourth calendar year of operations; (v) \$4,000 in the fifth calendar year of operations; and (vi) in the event of a renewal, no less than the Minimum Royalty payable during the last calendar year of the term or previous renewal term (as the case may be) plus an increase of no less than 10% (except as otherwise specified in any renewal agreement). The Minimum Royalty must be achieved in each subterritory in your Territory, regardless of the performance in other subterritories.

- 3) At this time, we impose continuing fees in a uniform manner for all new franchisees. Franchisees that were awarded franchises in prior years, franchisees that have prototyped new formats, and franchisees in which we or our affiliates have an ownership interest, may pay different continuing fees than new franchisees.

We retain discretion to reduce fees in individual cases in our discretion.

We also reserve the right to change the type and amount of fees that we require future franchisees to pay us.

Unless otherwise stated, all fees are uniformly imposed by and payable to 1-800-GOT-JUNK? and are non-refundable.

Notes:

- 1) This estimate represents the initial franchise fee of \$8,125 per subterritory, with the low estimate being a franchise with eight subterritories and the high estimate being a franchise with 12 subterritories. If your franchise is more than 12 subterritories, you will pay \$8,125 for each additional subterritory.
- 2) The Initial Marketing Expense will be used by us in our discretion to market and promote the Franchised Business prior to and/or during the first 6 months of operation.
- 3) You must establish and maintain a high-speed Internet connection for use in connection with your Franchised Business, and establish and operate such software, computer, communications and other systems hardware and software that we prescribe. These amounts represent the estimated cost to purchase and establish this equipment. Item 11 describes the required computer hardware and software in greater detail.
- 4) This estimates your initial miscellaneous start-up expenses, including your initial truck-based marketing kit, Universal Business Listing ads, uniforms, truck equipment, deposits, business licenses and legal expenses. Your expenses may vary depending upon the nature of your existing operations, whether you currently own computers, communications and related equipment and whether you currently have an office. You will also have to pay for fuel and maintenance costs for your trucks. These figures are estimates and we cannot guarantee that you will not have additional expenses in starting your business.

- 5) Truck total cost is estimated at \$74,962 per gasoline-powered truck and \$78,700 per diesel-powered truck, which includes an approved dump body at an estimated cost of \$23,060. The above figure assumes that the truck is leased or financed and does not include applicable taxes or shipping for the complete truck (chassis and dump body). You must obtain a truck equipped with a dump body from our designated supplier. Truck cost is estimated and will vary depending upon market prices. You are encouraged to check with your local auto dealership. We require a minimum of two trucks but you may require more if you have multiple subterritories. If you have multiple subterritories, we recommend that you commence operating all vehicles as soon as reasonably possible; however, you are only required to purchase or lease two trucks upon startup, and purchase or lease further trucks according to a schedule after startup to which we agree. You are required to use only those trucks in the operation of the Franchised Business, and permitted to use the trucks only for the Franchised Business and for no other reason.
- 6) You must secure a location from which you will operate your franchise at the commencement of operations. You must maintain sufficient space to operate computer, communications and related equipment and maintain records. We estimate that you will need a minimum of 300 to 400 sq. feet. The above estimate is based upon rental payments of \$750 per month, with payment of first and last month's rent and a damage deposit equal to one month's rent at the beginning of the lease.
- 7) You are required to expend 8% of your Gross Revenue on local advertising, but in any event no less than \$3,600 per quarter on local advertising during your first year of operations. A significant amount of working capital may be allocated to additional marketing during the start-up phase of the business. The prices for these items will vary depending upon your location and on market prices.
- 8) You must obtain and maintain at all times during the term of your franchise the types of insurance policies or coverage and the minimum policy limits or maximum deductibles of any policy as specified in the Operations Manual ("Coverages"), which are apt to change from time-to-time. This estimate includes your initial insurance expenses, but you must continually maintain insurance coverage in such amounts as we specify. You must also maintain at all times all insurance policies as required by the law in which your Franchised Business is operated. You must name us and our affiliates, agents, representatives, shareholders, directors, officers and employees as additional insureds on all policies of insurance, and include a waiver of subrogation against these additional insureds. The following are our current minimum requirements for Coverages:

Type	Coverage
Comprehensive Liability	Not less than \$2,000,000 per occurrence
Business Interruption	As required by Franchisor
Vehicle Liability	Not less than \$1,000,000 or as required by Franchisor
Employer's Liability Insurance	As required by Franchisor; not less than \$1,000,000
Umbrella Coverage	Not less than \$2,000,000
Worker's Compensation	As required by state law
Primary and Noncontributory Endorsement	
Blanket Contractual Liability Endorsement	
Other	As required by Franchisor

- 9) The training expenses are incurred by you for your travel, accommodations and meals while training at our training facility. Per person expected costs are based upon a 5-day estimated stay, with accommodations from \$150-300 per night; one meal per day (we provide breakfast and lunch during training); air transportation at \$500-1,000 per person, and local transportation at \$25-80 per day. We will train the Principal Operator and any other director, officer, or shareholder of your entity that we require, at no charge to you; however, you must pay for all related training expenses as outlined. Travel between Canada and the United States now requires a passport. You are responsible for making sure all training participants have the proper documentation to attend training at our facility in Vancouver, BC., or at another location to be determined.
- 10) This estimates your initial operating expenses, including working capital, marketing expenses, and certain insurance overages (if required by customers beyond the above recommended amounts) during the initial start-up months. Additional Funds relate only to costs associated with the Franchised Business and do not cover any owners' draw or personal, "living," unrelated business or other expenses you may have, such as royalty payments, debt service on any loans, state sales and/or use taxes on goods and service, and a variety of other amounts not expressly described and included in the notes above.
- 11) We relied on our experience in the business in the United States to compile these estimates. You should review these figures carefully with a business advisor before making any decision to invest in the franchise. Your expenses may vary depending upon the nature of your existing operations, whether you currently own computers and communications equipment and whether you have a home office. You will also have to pay for insurance on your truck and equipment, public liability and property insurance for your franchise, and fuel and maintenance costs for your truck. These figures are estimates and we cannot guarantee that you will not have additional expenses in starting your business.
- 12) We will only refund the initial franchise fee and Initial Marketing Expense (without interest) if we do not approve your application. Otherwise, all fees payable to us are nonrefundable under any circumstances. Refundability of fees paid to third parties, however, will depend on your negotiation with each party. Neither 1-800-GOT-JUNK? nor its affiliate offers financing of all or part of the initial investment, except we may, at our sole discretion, permit up to half of the initial franchise fee for multiple subterritories to be paid in equal monthly installments for up to 24 months, with no down payment (except the portion of the initial franchise fee not financed must

be paid at the time you sign the franchise agreement), and without interest if payments are made timely. The amount of your monthly payment will vary depending on the number of subterritory fees financed. For example, if you purchase 8 subterritories and finance the initial franchise fee for 4 subterritories for 24 months, your monthly installments would be \$1,354.17 [$4 \times \$8,125 = \$32,500 \div 24 = \$1,354.17$]. Late payments will incur interest from and after their respective due dates until paid in full at the rate of 24% per annum or such other rate as we may specify in writing from time to time or the maximum rate permitted by law if lower. (See Item 5 for additional details regarding the initial franchise fee, and Item 10 for additional details regarding financing of subterritory initial fees.)

ITEM 8. Restrictions on Sources of Products and Services

You must purchase or lease certain items for your Franchised Business from us or our approved supplier(s) or under our specifications. All orders for Services and customer inquiries must be placed and processed using our designated Sales Center, and our designated customer relationship management system (the “CRM System”). We are the only approved supplier of the Sales Center and CRM System. Items you must purchase or lease from our approved suppliers include trucks, truck dump bodies, signage, uniforms, marketing materials, tools, equipment, credit and debit card processing services, communications equipment, computers and software.

Sometimes we will provide only specifications, and it will be up to you to find suppliers that meet our specifications. Some supplier relationships are mandatory but for some items we may recommend a supplier, but we will not require you to use that supplier. These specifications include model of truck, standards for gross tonnage, performance, type and appearance for your truck; insurance; memory, capacity and software capabilities of your computer; credit card processing software; and capabilities of your communications equipment. We require you to obtain insurance of the types and policies or coverages and the minimum policy limits or maximum deductibles or any policy as specified in the Operations Manual, and such requirements are apt to change from time-to-time during the term of your franchise. Unless we have specified otherwise, you may currently purchase or lease these items from sources you choose so long as they meet our specifications. We reserve the right, in the future, to serve as, to change, or to designate, an approved supplier for any of these items. Specifications and standards for these items are included in the Operations Manual, and may be updated or modified periodically by us.

You must obtain and maintain at all times during the term of your franchise the types of insurance policies or coverage and the minimum policy limits or maximum deductibles of any policy as specified in the Operations Manual (“Coverages”), which are apt to change from time-to-time. You must also maintain at all times all insurance policies as required by the law in which your Franchised Business is operated. You must name us and our affiliates, agents, representatives, shareholders, directors, officers and employees as additional insureds on all policies of insurance, and include a waiver of subrogation against these additional insureds. The following are our current minimum requirements for Coverages:

Type	Coverage
Comprehensive Liability	Not less than \$2,000,000 per occurrence
Business Interruption	As required by Franchisor
Vehicle Liability	Not less than \$1,000,000 or as required by Franchisor
Employer's Liability Insurance	As required by Franchisor; not less than \$1,000,000
Umbrella Coverage	Not less than \$2,000,000
Worker's Compensation	As required by state law
Primary and Noncontributory Endorsement	
Blanket Contractual Liability Endorsement	
Other	As required by Franchisor

We require you to secure space from which to operate your Franchised Business. We estimate that you will need a minimum of 300 square feet.

Our criteria for supplier approval may also be included in the Operations Manual, or may be requested from us directly in writing. Generally, we apply the following criteria, among others, in considering whether the supplier will be designated as an approved supplier:

1. Ability to produce the products, services, supplies or equipment to meet both our standards and specifications for quality and uniformity and our customers' expectations;
2. Production and delivery capabilities and ability to meet supply commitments;
3. Integrity of ownership (to insure that its association with 1-800-GOT-JUNK? will not be inconsistent with our image or damage our goodwill);
4. Financial stability; and
5. The negotiation of a mutually satisfactory license to protect our intellectual property.

We will advise you within a reasonable time (no more than 30 days) whether the proposed items and supplier(s) meet our specifications, and our approval will not be unreasonably withheld. You will be notified in writing of our approval or disapproval and of revocation of approved suppliers. Suppliers must maintain our standards in accordance with written specifications and any modifications. Failure to correct a deviation from the System's specifications will result in the termination of status as an approved supplier. If our evaluation of your proposed supplier would require us to incur any non-trivial costs (such as purchase of sample products), we will ask you to pay such costs.

In our fiscal year ended December 31, 2023, we received no revenue from our franchisees for required purchases and leases. In the fiscal year ended December 31, 2023, our parent, Rubbish Boys, received revenues of approximately \$28,074,666 from fees paid by our franchisees for required purchases and leases.

Occasionally franchisees are required to purchase certain items from us for use in the Franchised Business. We charge franchisees for such items at our cost and at times with a markup. We have in the past been an approved supplier for some items, but we are not currently an approved supplier of any items for use in the Franchised Business, and except for the Sales Center and CRM System neither are our affiliates. Our CEO, Brian Scudamore, owns an interest in our parent, Rubbish Boys, but otherwise, none of our officers own an interest in any of our suppliers.

We currently negotiate purchase arrangements with some suppliers for the benefit of our franchisees. We may receive rebates, promotional allowances, discounts or other payments or benefits from designated suppliers as a result of the purchases made by 1-800-GOT-JUNK? franchisees. Currently, the amount of payments are determined at the discretion of the suppliers, and are made in sponsorship of our annual conference. In our fiscal year ended December 31, 2023, certain suppliers made payments to us in the amount of \$106,297 for such sponsorships.

If you lease your vehicle(s), the purchase and lease of items from approved suppliers or that meet our specifications represent approximately 10% to 30% of your total expenses in connection with the establishment of the Franchised Business, and approximately 40% to 50% of your total expenses in connection with the ongoing operation of the Franchised Business. If you purchase your vehicle(s), the purchase and lease of items from approved suppliers or that meet our specifications represent approximately 70% to 90% of your total expenses in connection with the establishment of the Franchised Business, and approximately 50% to 60% of your total expenses in connection with the ongoing operation of the Franchised Business.

There are no purchasing or distribution cooperatives.

We do not provide material benefits to you based solely on your use of designated or approved sources.

ITEM 10. Financing

We do not generally offer financing. However, we may, in our sole discretion, allow the initial franchise fee with respect to some of the subterritories to be made in equal monthly installments without interest if payments are timely made. Installment arrangements will be described in Schedule B of the Franchise Agreement. Outstanding amounts may be pre-paid at any time without penalty. Late payments will incur interest from and after their respective due dates until paid in full at the rate of 24% per annum or at such other rate as we may specify in writing from time to time or the maximum

rate permitted by law if lower. All owners of an entity franchisee must personally guarantee payment of initial franchise fees made through installment arrangements.

We may allow you to operate or service customers in subterritories for which you are paying the initial fee in installments, as long as payments are timely made. However, we reserve the right to not allow you to operate or service customers in any subterritories until you pay the initial fees for those subterritories in full.

Upon material default of installment payments we may, at our option and in our sole discretion, revise your Territory to remove any subterritories for which installment payments are in default, or terminate the Franchise Agreement. Your potential liabilities upon default also include acceleration of amounts due, and payment of collection costs. You are not required to waive defenses or other legal rights, and are not barred from asserting any defenses.

We do not intend to sell, assign, or discount to a third party all or any part of the financial arrangement.

We do not guarantee any debts, leases or other obligations for you. While not obligated to do so, we may, in our discretion, introduce you to third party financing sources that may, if you meet their qualifications, supply financing options for items required as part of the initial investment.

ITEM 11. Franchisor's Assistance, Advertising, Computer Systems and Training

You must pay our then current training fee, as prescribed by us from time to time, and may be required to reimburse us upon demand for all out of pocket costs incurred by us in connection with the retraining given at your Franchised Location, including all transportation and lodging incurred by our representatives providing the retraining.

Additional Training

You must attend, and must cause your Principal Operator, employees and representatives to attend, periodic refresher training, service training, management training and other training courses as required by us, at such times and locations as we may determine. We will determine the duration, curriculum and location of any such training sessions, which may be delivered in person or by web training, webinars or other such electronic means. You must pay our then current training fee, as prescribed by us from time to time, and must reimburse us upon demand for all out-of-pocket costs incurred by us in connection with any additional training provided to you, your Principal Operator, employees and representatives, including all transportation and lodging expenses incurred by our representatives providing the additional training. You will also be responsible for any and all travel and living expenses that you, your Principal Operator, your employees and representatives incur to attend and participate in such training, including all transportation, lodging and meal expenses.

Sales, Marketing and Technology Fund

In recognition of the value of a centralized call center, uniform order processing, customer relationship management software systems and uniform marketing and promotion to the goodwill and public image of the System, you must contribute to our sales, marketing and technology fund (the "Sales, Marketing and Technology Fund") an amount not less than 8% of your Gross Revenue. We administer and

maintain the Sales, Marketing and Technology Fund and use and expend the fund in our sole and absolute discretion to, among other things: (i) cover costs associated with the procurement, development, operation, and maintenance and replacement of all hardware, software, and other items used in connection with all technology that supports the contact with the customer on all platforms, including the Sales Center, the customer relationship management platform, field service management platform, E-commerce platform, business intelligence platform, customer communications platform, infrastructure platform, and any other online booking engine, and any related current or new technology and/or systems, including all costs associated with staffing the Sales Center (including all salaries, compensation, benefits and administrative costs for Sales Center staff employed by us or our affiliates) and overhead, operational and ongoing costs associated with maintaining the above platforms and systems; (ii) cover costs associated with media purchases, retaining advertising, marketing, digital and public relations agencies (either through an affiliate, or through an advertising or public relations agency formed by us or an affiliate for such purpose), commissions, marketing analytics, market research and concept research, website development and design, website search optimization, system development (including marketing technology platforms), loyalty programs, design and maintenance of coupon or gift card programs, social media management, brand strategy, brand development, creative and production costs, including, without limitation, the costs of creating promotions and artwork, as well as video and audio creative, marketing pilots, marketing innovations, printing costs, customer experience design, strategic partnerships, and other costs (including all salaries, compensation, benefits and administrative costs of staff employed by us or our affiliates for the purposes of marketing, promotion or related activities) relating to national, regional, or local advertising, marketing and promotional programs undertaken by us and all other overhead and ongoing costs associated therewith; (iii) cover costs associated with marketing to, acquiring, managing, billing and collecting from National Account Customers, as well as marketing to, acquiring, and managing local commercial services (including all salaries, compensation, benefits and administrative costs of staff employed by us or our affiliates for the purposes of marketing to, acquiring, managing, billing and collecting from National Account Customers, as well as marketing to, acquiring and managing local commercial services) and all other overhead and ongoing costs associated therewith; and (iv) defray our and any one or more of our affiliates' expenses in operating the Sales, Marketing and Technology Fund, including reasonable salaries, administrative costs and overhead (calculated on a fully allocated basis) as we or our affiliate(s) may incur in activities reasonably related to the administration or direction of the Sales, Marketing and Technology Fund and the expenditures from the Sales, Marketing and Technology Fund including the types of expenditures set out above. We may in our discretion retain one or more of our affiliates to assist with the administration of the Sales, Marketing and Technology Fund.

We select the types of media used and the location of the advertising campaigns administered through the Sales, Marketing and Technology Fund. We use or may use the following media: digital, print, radio, television, telephone, directories, internet and direct mail. The marketing focus is generally on national coverage and marketing development, but may include regional and local efforts in our discretion; and will be handled in-house at 1-800-GOT-JUNK? or outsourced to O2E Brands or another Affiliate or to a professional advertising or public relations firm. You may always use your own advertisements beyond those produced by the Sales, Marketing and Technology Fund, subject to our prior written approval of the advertising, which will be granted or denied no more than 30 days after receipt of the materials you submit. You may not create or maintain a website, social media account or other internet presence in connection with the Franchised Business without our express prior written consent, which consent may be withheld in our sole discretion.

All franchisees and franchisor-owned operations will contribute to the Sales, Marketing and Technology Fund on the same basis. The Sales, Marketing and Technology Fund will not be audited, but an in-house statement of operations of the fund will be prepared annually and made available to you upon request. The cost of preparing the statement will be paid out of the Sales, Marketing and Technology Fund.

We are not obligated to spend a specific amount on advertising in your Territory. Any unspent amounts in the Sales, Marketing and Technology Fund will be saved for later spending. No percentage of the Sales, Marketing and Technology Fund is used for the solicitation of franchisees; however, some of our advertising and marketing material does contain contact numbers for obtaining information about 1-800-GOT-JUNK? franchises.

During the fiscal year ended December 31, 2023 the Sales, Marketing and Technology Fund monies were used as follows: 18% on sales center agent wages, 40% on sales center administration and technology expenses, 10% on commercial sales administration, 20% on media/production/design, 11% on marketing administrative expenses, including in-house media personnel, 1% on social media and 0.1% on other expenses (“other” includes programs and program management).

Participation in System Marketing

Initial Marketing Expense

You must pay an Initial Marketing Expense of \$25,000 upon signing the Franchise Agreement (see Franchise Agreement Section 10.3). The Initial Marketing Expense will be spent by us, in our sole discretion, in your area (as we reasonably define it), in order to market and promote the Franchised Business prior to and during the first 6 months of the Franchised Business’ start up. We will provide you with backup of these expenditures upon request after your first 6 months of operations.

Minimum Local Advertising/Promotion Expenditure

In addition to your contribution to the Sales, Marketing and Technology Fund, you must spend a minimum of 8% of Gross Revenue quarterly on local (in the vicinity of the Franchised Location) advertising and promotions. In your first year of operation you must spend quarterly, on local advertising and promotions, the greater of a minimum of 8% of Gross Revenue or \$3,600.

Local and Regional Branding Cooperatives

We may organize mandatory branding cooperatives consisting of any number of franchisees. Branding cooperatives may be organized geographically, or along any other parameters that we designate. If your franchise is located in a geographic area where a branding cooperative is established, or meets the parameters that we designate for any other branding cooperative, then you will be obliged to participate in the branding cooperative, which may include traveling to attend meetings. If franchisees representing 65% of the revenue earned in a particular branding cooperative agree, then you will be required to contribute to the branding cooperative. However, you can never be required to contribute a total of more than 5% of your Gross Revenue for all branding cooperatives to which you belong, and the amount you contribute to branding cooperatives may be credited towards your minimum local marketing obligations discussed above. We may administer local or regional branding cooperates unless franchisees elect to administer the cooperative themselves. Membership will be defined as one vote per franchise, and franchisor-owned outlets will participate on the same basis as franchisee members. Governing documents, if any, for the cooperative will be available for franchisees to review.

Franchise Advisory Council

1-800-GOT-JUNK? has a Franchise Advisory Council (“FAC”) that is comprised of certain franchisees. The members are chosen by 1-800-GOT-JUNK? from a pool of interested franchisees. The FAC acts as an advisory board to the Franchisor’s management. FAC members serve at 1-800-GOT-JUNK?’s discretion and becoming a franchisee does not create a right to sit on the FAC. We can disband the FAC at any time.

Computer Systems

You must establish and maintain a high speed Internet connection for use in connection with your Franchised Business, and we may require you to obtain computer hardware and software (collectively, “Computer Systems”) and we may periodically modify specifications for the Computer Systems. The required Computer Systems currently include either a laptop or tablet computer with the ability to run current versions of Windows, Microsoft Office and have wireless internet capabilities; a printer; and a digital camera. We estimate the cost to purchase the Computer Systems and related equipment to our specifications will cost approximately \$1,500 to \$3,000.

We may charge a reasonable fee if we develop or have developed (and, once developed, for modifying and enhancing) proprietary software and for other computer maintenance and support services that we or any of our affiliates provide to you. You must sign any software license agreement or similar document that we or any of our affiliates prescribes to regulate your use with respect to the software, as applicable.

You must establish and operate at your own expense, such customer relationship management, order processing, point of sale, bookkeeping, accounting, record keeping, security, computer, communications and other systems and software we prescribe periodically. If we adopt new methods, procedures or systems, you must purchase and utilize such systems and software, pay all fees charged by us, our affiliates or others for the use of such systems and software, and purchase or lease all necessary Computer Systems. If we prescribe any such systems or software, you must use only such systems and software and not use any other system or software in operating your Franchised Business.

We will provide you with secure passwords to our proprietary CRM System and other Computer Systems used in the System. We will train you on how to use the CRM System. O2E Brands will maintain the CRM System and will provide updates as needed.

The Computer Systems must be kept up-to-date based on our specifications. There are no limitations on the frequency and cost of computer hardware and software upgrades. We are not responsible for providing on-going maintenance, repairs, upgrades or updates to your Computer Systems, except to the CRM System. The cost for maintaining your Computer Systems will vary based on the type of maintenance program, if any, you decide to purchase from third-party vendors. You have sole and complete responsibility for: (i) the acquisition, operation, maintenance and upgrading of the Computer Systems; (ii) the manner in which your Computer Systems interface with our computer system and those of third parties; and (iii) any and all consequences that may arise if the Computer Systems are not properly operated, maintained and upgraded.

We will have independent access at any time to information you enter into the CRM System. The CRM System will collect sales data associated with the jobs you record and provide reports to both of us in order that we may more efficiently manage the business. Information collected on the CRM

System includes financial information and the information you collect from your customers including names, addresses, telephone numbers, and payment details. There are no contractual restrictions on our access to this data. Compiled sales data regarding all franchised businesses in the System will be made available to other franchisees. We also retain the general right to inspect and audit your electronic records relating to the Franchised Business.

Site Selection

We require you to operate the Franchised Business exclusively from the location set forth in the Franchise Agreement (the “Franchised Location”). Your Franchised Location must be located anywhere within your Territory. We estimate that you will need a minimum of 300 - 400 square feet. In addition to the rent you will be required to pay, the cost to lease space will depend upon the amount of any deposit you must pay in connection with the rental, build-out costs, or pre-paid rent that the landlord may require. You may relocate your Franchised Location to another location within your Territory only after providing prior written notice to us and at your sole cost and expense. We do not provide you with assistance in selecting or securing your Franchised Location, and we do not approve your Franchised Location.

Opening of Franchised Business

The typical length of time between the signing of the Franchise Agreement and the opening of the Franchised Business is 6 to 11 weeks. Factors affecting this length of time usually include your availability for attending the pre-opening training.

ITEM 12. Territory

Protected Territory

Before signing the Franchise Agreement, we will determine your protected territory (“Territory”) by developing geographic areas with a population between 62,500 - 75,000 based on the most recently published data from the U.S. Census Bureau (or such other source as we may indicate to you). Your Territory will consist of a minimum of eight of these areas, and each one will be considered a “subterritory.”

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, the non-exclusivity extends only to our reserved rights with respect to national accounts as described below. Subject to our rights with respect to national accounts described below, so long as you are in full compliance with the terms and conditions of your Franchise Agreement, we will not establish, operate or grant to anyone else a franchise to establish or operate a 1-800-GOT-JUNK? business in your Territory. If you are in default under the Franchise Agreement, we may reduce the size of the Territory, remove any protection provided in the Territory (allowing us to franchise or operate other 1-800-GOT-JUNK? businesses in the Territory), or both.

We, for our self and for our affiliates, expressly reserve the right to:

- (a) offer for sale or sell the Services or other similar services using some or all of the Marks from any location or by any means whatsoever outside of your Territory;

- (b) offer for sale or sell the Services or other similar services using any trade names or trademarks other than the Marks from any location or by any means whatsoever either inside or outside of your Territory;
- (c) operate, establish, or grant to someone else a license or franchise to operate or establish, one or more businesses which offer for sale or sell any services which are the same as or similar to the Services using some or all of the Marks or using any trade names or trademarks other than the Marks at or from any location whatsoever outside of your Territory;
- (d) operate, establish, or grant to someone else a license or franchise to operate or establish, one or more businesses which offer for sale or sell any services which are the same as or similar to the Services using any trade names or trademarks other than the Marks at or from any location whatsoever either inside or outside your Territory, although we do not currently or plan to do so;
- (e) distribute, offer for sale, sell or grant to someone else the right or franchise to distribute, offer for sale or sell any services which are the same as or similar to the Services using some or all of the Marks or using any trade names or trademarks other than the Marks at any location whatsoever either inside or outside of your Territory, by means of other channels of distribution other than the Franchised Business, including through retail outlets, or as part of or in combination with any retail establishments;
- (f) distribute, offer for sale, sell or designate any entity to distribute, offer for sale or sell the Services to National Account Customers, either inside or outside of your Territory; and
- (g) purchase or be purchased by, or merge or combine with, competing businesses wherever located, including a chain of company-owned or franchised locations that compete directly with the Franchised Business.

You are prohibited from soliciting customers or providing services to premises located outside of your Territory, including through distribution channels such as the internet, telemarketing or other direct marketing.

You must operate the Franchised Business exclusively from the Franchised Location, and in full compliance with any applicable lease and the Franchise Agreement and Operations Manual. Your Franchised Location may be located anywhere within your Territory. We do not provide you with assistance in selecting or securing your Franchised Location, and we do not approve the Franchised Location. You may relocate the Franchised Location only after prior written notice to us, and at your sole cost and expense.

National Account Customers

We reserve the right to solicit or permit other franchisees or third parties designated by us to solicit customers located anywhere in your Territory in order to develop them as National Account Customers. “National Account Customers” means a customer, a group of customers or an entity acting on behalf of a customer group or customers (under common ownership or control) with offices, franchises, locations, or stores or who is otherwise conducting business both inside and outside of your Territory and for which we have arranged to provide the Services at multiple locations inside or outside of your Territory. National Account Customers may include corporations, non-profit organizations, federal,

state and local government entities and organizations and any other persons or entities that may have a need for purchasing the Services from us at multiple locations inside or outside of your Territory.

We have the sole and exclusive right to supply (in whole or in part) or designate any other entity (including you, other System franchisees or our affiliates) to supply the Services to National Account Customers, whether the Services are delivered to a location inside or outside of your Territory. We may, but are not required to, request that you provide the Services to a National Account Customer with premises located within your Territory in exchange for a payment to be made by us to you in an amount to be determined by us at the time of our request. We may require you to enter into our then current form of national account service agreement (the current form of which is attached as Exhibit H) in order to provide the Services to National Account Customers with premises located within your Territory. You will be deemed to have rejected our request to provide the Services to a National Account Customer if you have not accepted our request within one business day, in which case we may our self, through an affiliate, by a subcontractor or through another System franchisee provide the Services to the National Account Customer. Our policies and procedures with respect to the provision of the Services to National Account Customers may change from time to time as detailed in the Operations Manual.

Any customer that purchases local commercial services from you may at any time become or qualify to become a National Account Customer if the customer has offices, franchises, or stores, or is otherwise conducting business both inside and outside of the Territory, or otherwise meets the definition of a National Account Customer. In such cases, we may in our sole discretion (i) treat the local commercial customer as a National Account Customer, or (ii) allow you and the franchisee(s) for the customer's other location(s) to each serve and bill the customer in your applicable territories, subject to any service and pricing policies that we establish to provide consistency for the customer (subject to applicable law).

Additional Franchised Businesses/Subterritories

While we encourage you to expand to your maximum potential, including acquiring additional Franchised Businesses or subterritories, as appropriate, we have implemented the following minimum standards to encourage success. Our approval of an additional Franchised Business or subterritory is not a guarantee that any Franchised Business will be successful, but to gain our approval, you must meet the following minimum criteria:

- a) You must submit an annual financial statement and current personal net worth statement to show financial ability;
- b) In addition to the additional franchise fees payable, you must have a minimum of 3 to 6 months operating capital, based on your projections and living expenses;
- c) You must be in good standing and full compliance with all terms and conditions of the existing Franchise Agreement(s) (including minimum performance standards) and truck lease or purchase agreement; and
- d) You must have been in operations in your Franchised Business for at least 6 months before you may request additional subterritories and for at least a year before you may acquire a whole new Franchised Business.

We continue to reserve the right to grant or refuse to grant a Franchised Business or territory in our sole discretion. The foregoing are simply *minimum* standards and we will continue to make a determination of whether or not to grant a Franchised Business based on our own assessment of each Franchisee’s business acumen. If you wish to acquire an additional subterritory after you commence operations, as a condition to approving this, we may require that you terminate your existing Franchise Agreement(s) and execute our then-current Franchise Agreement covering all subterritories. Our then-current Franchise Agreement may have terms that differ materially from the terms of the original Franchise Agreement. The term of this new Franchise Agreement may, in our sole discretion, coincide with the remainder of the shortest terms left under your prior Franchise Agreement(s). We reserve the right to negotiate the initial fees for such an arrangements based on the facts and circumstances existing at the time.

ITEM 13. Trademarks

We license the right for you to operate a Franchised Business under the name “1-800-GOT-JUNK?” You may also use our other current or future System trademarks to operate your Franchised Business, as we designate. You may not license or sublicense to others any trademarks, service marks, trade names, logotypes or commercial symbols owned by us or our affiliates. Rubbish Boys has licensed to us the right to offer and sell licenses, and to sublicense to you the right to use the System, including the principal trademarks, for the operation of your Franchised Business (the “License Agreement”). The License Agreement expires in 2057 and will only terminate before that time if we fail to pay royalties to Rubbish Boys, become bankrupt or otherwise insolvent, or breach the terms of the License Agreement, which prohibit us from misusing or attempting to transfer the License Agreement. If the License Agreement is terminated, you may be required to stop using the trademarks. By principal trademarks we mean primary trademarks, service marks, names, logos, and commercial symbols used to identify your Franchised Business. There are no other agreements currently in effect which significantly limit our rights to use or license the use of such trademarks, service marks, trade names, logotypes or other commercial symbols in any manner material to the Franchised Business.

We do not know of any superior prior rights or infringing uses that could affect your use of the Marks.

ITEM 14. Patents, Copyrights, and Proprietary Information

We do not register claims in patents or copyrights that are material to our business, but Rubbish Boys does claim proprietary rights and copyright protection to the confidential information contained in the Operations Manual and the CRM System. Rubbish Boys also claims copyright protection on operational materials specifically associated with the System, including the proprietary advertisements, all materials presented to prospective customers, printed materials and forms associated with the operation of a Franchised Business. Rubbish Boys licenses to us the right to use and sublicense you

There are no other agreements currently in effect which significantly limit our rights to use or license the use of the copyrights in any manner material to the Franchised Business.

You must promptly tell us when you learn about unauthorized use of any of this proprietary information. We will take whatever action, if any, we deem appropriate and we have the exclusive right to control any litigation or administrative proceeding involving the proprietary information licensed to you. We have no obligation to defend you or to take any legal action against others with respect to any claim related to your use of our proprietary information, and we will not indemnify you for losses claimed by a third party concerning your use of this information.

We require that your Franchised Business be under the direct supervision at all times of a person who owns at least a minimum beneficial share ownership in the Franchised Business, as specified in Exhibit B to the Franchise Agreement (the “Principal Operator”). The minimum share ownership requirement is generally 20% though we reserve the right to require a different amount in our discretion before the Franchise Agreement is signed. The Principal Operator must devote his or her full time, attention and effort to the Franchised Business. You cannot change or replace your Principal Operator without our prior written consent. Your Principal Operator must successfully completed our initial training program and any additional training we designate. All your directors, officers, shareholders, partners or members, must guarantee personally all your obligations to us under the Franchise Agreement, including confidentiality and non-competition covenants. Spouses must sign a Consent to the Guarantee. A copy of our current form of Guarantee is attached as Exhibit F.

ITEM 18. Public Figures

1-800-GOT-JUNK? does not use any public figure to promote its franchises.

ITEM 19. Financial Performance Representations

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

HISTORICAL FINANCIAL PERFORMANCE INFORMATION

The following financial performance information is presented in three parts, and contains historical information on the Gross Revenue results of specified 1-800-GOT-JUNK? franchisees (including our Flywheel affiliates that own and operate outlets under franchise agreements). The information is compiled from data supplied by 1-800-GOT-JUNK? franchisees, which we have not audited. Unless otherwise specified, “Gross Revenue” means the amount of actual gross sales to consumers for products and services less taxes collected and credits or refunds given in accordance with our refund policy. For some tables in this Item 19, we include franchised businesses in Canada and Australia because these Canadian and Australian franchisees operate businesses that are substantially similar to those in the U.S., with substantially similar performance results and no material differences between the data of the three groups other than the currency.

PART I: Average 2023 Gross Revenue of U.S. Franchisees

The following tables present the average, median, highest and lowest Gross Revenue realized by the 149 Franchised Businesses (140 unaffiliated franchisees and 9 Flywheel franchisees) that were operating in the U.S. for more than one day and made any gross sales at any point during the 12-month period ending on December 31, 2023. For purposes of this table, outlets are grouped based on the number of years they have been operating.

Because our franchisees own different numbers of subterritories, we also provide in the charts below the average, median, highest and lowest Gross Revenue on a per-subterritory basis. Of the U.S. outlets reported in the chart below: the average number of subterritories owned is 23, with the fewest number owned being 5, and the largest number owned being 89; the median number of subterritories owned is 17.

There are no Flywheel franchisees that were in operation for less than 72 months (including the time such outlets were operated by franchisees). As of December 31, 2023, seven (7) of our sixteen (16) Flywheel locations (Cleveland East, Jacksonville, Richmond Metro, Virginia Beach, Foxboro, Allentown, and Lancaster) had been operated by Flywheel affiliates for less than 2 months after being acquired from franchisees, so they are included in the Franchisee Chart above.

General Notes to Chart:

1. The average is calculated by adding all figures up and dividing by the number of figures counted. The median is calculated by placing all figures being counted in order of ascending or descending value and finding the middle figure in the list. If there is an even number of figures, the median is calculated by adding the middle two figures and dividing by two.
2. The number of franchises column includes the number used to calculate the average for that subset.
3. The “per-subterritory” average, median, high, and low Gross Revenue figures were calculated by (i) first determining each franchisee’s average Gross Revenue per subterritory (dividing the Gross Revenue of the particular franchise by the number of subterritories owned by that franchise), and then (ii) using those results to calculate the overall per-subterritory average, and to determine the median, highest, and lowest per-subterritory performance.

The financial performance figures do not reflect the costs of sales or operating expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. Franchisees or former franchisees, listed in Exhibit A of this Franchise Disclosure Document, may be one source of this information.

2.1 **Grant.** Upon the terms, covenants and conditions set forth and referred to in this Agreement, Franchisor grants to Franchisee, and Franchisee accepts from Franchisor, the right and license, for the Term and any duly exercised Renewal Term:

- (a) to establish and operate within the territory identified in Schedule B (the “**Territory**”) the Franchised Business offering junk removal services (the “**Services**”) using the System to persons or entities with property located within the Territory, provided that the Services shall only be provided at premises located within the Territory;
- (b) to use the System, the Marks and the Copyright-Protected Materials in connection with the operation of the Franchised Business in accordance with this Agreement and the provisions of the Operations Manual, or in such manner as may be approved in advance in writing by Franchisor; and
- (c) to use the copyright-protected series of System manuals, including online materials, developed and owned by Franchisor, as revised by Franchisor from time to time (collectively, the “**Operations Manual**”).

2.2 **Territory and Subterritories.** So long as Franchisee is in full compliance with the terms and conditions of this Agreement, Franchisor shall refrain from establishing or operating or granting to anyone else a franchise to establish or operate a 1-800-GOT-JUNK? business within the Territory. The Territory will be divided into subterritories, which will be set out in Schedule B (the “**Subterritories**”). Franchisee shall pay an additional franchise fee for each Subterritory (“**Subterritory Initial Fees**”), as set out in Schedule B or as Franchisor and Franchisee may otherwise agree in writing. Franchisee shall not, without Franchisor’s prior written consent, begin offering the Services in any Subterritory until the Subterritory Initial Fee for that Subterritory has been paid in full. If Franchisor and Franchisee desire to add one or more additional Subterritories to the Territory, Franchisor may require, as a condition of granting such additional Subterritory, that Franchisee enter into an amending agreement, or at the election of Franchisor, Franchisor’s then current form of franchise agreement, in respect of such additional Subterritories, the term of which may coincide with the term of this Agreement. Without limiting Franchisee’s obligation to perform due diligence prior to entering into this Agreement, in the event Franchisee is unable to operate in any one or more Subterritory due to government regulations, Franchisor may, but is not obliged to, grant one or more alternative Subterritories to Franchisee that are contiguous with or within fifty (50) miles of the boundary of the Territory.

2.3 **Limitation on Grant / Territory.** The grant and license contained in this Agreement is non-exclusive and gives Franchisee the right to establish and operate the Franchised Business at the Franchised Location and to sell the Services to persons or entities with property located within the Territory, provided that the Services shall only be provided at premises located within the Territory. The grant and license shall not extend to any place, territory or premises located beyond the established boundaries of the Territory. Notwithstanding Section 2.2, Franchisor, for itself and its Affiliates, expressly reserves the right to:

- (a) offer for sale or sell the Services or other similar services using some or all of the Marks from any location or by any means whatsoever outside of the Territory;
- (b) offer for sale or sell the Services or other similar services using any trade names or trademarks other than the Marks from any location or by any means whatsoever either inside or outside of the Territory;

- (c) operate, establish, or grant to someone else a license or franchise to operate or establish, one or more businesses which offer for sale or sell any services which are the same as or similar to the Services using some or all of the Marks or using any trade names or trademarks other than the Marks at or from any location whatsoever outside of the Territory;
- (d) operate, establish, or grant to someone else a license or franchise to operate or establish, one or more businesses which offer for sale or sell any services which are the same as or similar to the Services using any trade names or trademarks other than the Marks at or from any location whatsoever either inside or outside the Territory;
- (e) distribute, offer for sale, sell or grant to someone else the right or franchise to distribute, offer for sale or sell any services which are the same as or similar to the Services using some or all of the Marks or using any trade names or trademarks other than the Marks at any location whatsoever either inside or outside of the Territory, by means of other channels of distribution other than the Franchised Business, including, without limitation, through retail outlets, or as part of or in combination with any retail establishments;
- (f) distribute, offer for sale, sell or designate any entity to distribute, offer for sale or sell the Services to National Account Customers, either inside or outside of the Territory; and
- (g) purchase or be purchased by, or merge or combine with, competing businesses wherever located, including a chain of company-owned or franchised locations that compete directly with the Franchised Business.

2.4 **National Account Customers.** Franchisor reserves the right to solicit or permit other franchisees or third parties designated by Franchisor to solicit customers located anywhere in the Territory in order to develop them as National Account Customers. Franchisee acknowledges and agrees that Franchisor shall have the sole and exclusive right to supply (in whole or in part) or designate any other entity (including, without limitation, Franchisee, other System franchisees or Affiliates of Franchisor) to supply the Services to National Account Customers, whether the Services are delivered to a location inside or outside of the Territory. Franchisor may, but is not required to, request Franchisee to provide the Services to a National Account Customer with premises located within the Territory in exchange for a payment to be made by Franchisor to Franchisee in an amount to be determined by Franchisor at the time of Franchisor's request. Franchisor may require Franchisee to enter into Franchisor's then current form of National Account Service Agreement in order to provide the Services to National Account Customers with premises located within the Territory. Franchisee may decline to provide the Services to a National Account Customer by providing a written notice to Franchisor within one (1) Business Day of receipt of a request by Franchisor to provide the Services to a National Account Customer, in which case Franchisor may itself, through an Affiliate, by a subcontractor or through another System franchisee provide the Services to the National Account Customer. Franchisee will be deemed to have rejected Franchisor's request to provide the Services to a National Account Customer if Franchisee has not accepted Franchisor's request within one (1) Business Day, in which case Franchisor may itself, through an Affiliate, by a subcontractor or through another System franchisee provide the Services to the National Account Customer. Franchisee acknowledges and agrees that Franchisor's policies and procedures with respect to the provision of the Services to National Account Customers may change from time to time as detailed in the Operations Manual. For the purposes of this Section 2.4 and this Agreement, "**National Account Customers**" means a customer, a group of customers or an entity acting on behalf of a customer group or customers (under common ownership or control) with offices, franchises or stores or who is otherwise conducting business both inside and outside of the Territory and for which the Franchisor has arranged to provide the Services at multiple locations inside or outside of the Territory. National Account Customers may include, without

limitation, corporations, non-profit organizations, federal, state and local government entities and organizations and any other persons or entities that may have a need for purchasing the Services at multiple locations inside or outside of the Territory. Franchisee acknowledges and agrees that any customer that purchases local commercial services from Franchisee may at any time become or qualify to become a National Account Customer if it has offices, franchises, or stores, or is otherwise conducting business both inside and outside of the Territory, or otherwise meets the definition of a National Account Customer. In such cases, Franchisor may in its sole discretion (i) treat such local commercial customer as a National Account Customer, subject to the rights of Franchisor under this Section and the then-current National Account Services Agreement, or (ii) allow Franchisee and the franchisee(s) for the customer's other location(s) to each serve and bill the customer in their applicable territories, subject to any service and pricing policies that Franchisor establishes to provide consistency for the customer (subject to applicable law).

2.5 ***Scheduled Opening Date and Subterritory Activation Dates.*** The Franchised Business shall commence operation on the date specified in Schedule B (the “**Scheduled Opening Date**”). Franchisee shall obtain and maintain all licenses, permits and inspection approvals required by law to operate the Franchised Business at the Franchised Location from and after the Scheduled Opening Date. Franchisor may extend the Scheduled Opening Date by up to 60 days on written notice from Franchisee. Franchisee may not offer the Services in any given Subterritory until the later of: (i) such time as the Subterritory Initial Fee for such Subterritory has been paid in full, or (ii) the activation date for such Subterritory specified in Schedule B. The Initial Fee or any Subterritory Initial Fee may be paid in full at any time prior to the due date in Franchisee's sole discretion. Franchisee may commence operations in a particular Subterritory prior to the Scheduled Opening Date, provided the Subterritory Initial Fee in respect of the particular Subterritory has been paid in full and Franchisee has provided written notice to Franchisor of its intended commencement date. Any extension or delay in the Scheduled Opening Date, whether or not approved by Franchisor, shall not thereby extend the due date for any Initial Fee or Subterritory Initial Fee.

2.6 ***Term.*** The term of this Agreement shall commence on the Scheduled Opening Date, whether or not the Franchised Location is open for business on that date and, unless sooner terminated as herein provided, shall continue for a term of 5 years until the expiration date shown in Schedule B (the “**Term**”), subject to the possibility of renewal pursuant to Article 19 of this Agreement.

2.7 ***Guarantee.*** The grant of license in Section 2.1 is made by Franchisor in reliance on the personal attributes of Franchisee's directors, officers, shareholders, partners or members, and in consideration of the trust and confidence which Franchisor places in those individuals who will participate personally in the ownership of the Franchised Business. Accordingly, each of Franchisee's directors, officers, shareholders, partners or members, as shall be required by Franchisor, shall execute and deliver Franchisor's current form of guarantee (each, a “**Guarantee**”) at the same time as Franchisee executes and delivers this Agreement.

2.8 ***Security Agreement.*** Franchisee shall execute and deliver concurrently with this Agreement a general security agreement (the “**Security Agreement**”) in a form prescribed by Franchisor, securing all present and future obligations of Franchisee to Franchisor under this Agreement, and any other agreement between Franchisor and Franchisee.

3. FEES

3.1 ***Initial Fee.*** In consideration of Franchisor entering into this Agreement, Franchisee shall pay to Franchisor the initial fee shown in Schedule B (the “**Initial Fee**”) on or before the due dates set forth

in Schedule B. The Initial Fee shall be non-refundable, either in whole or in part, and shall be deemed to be fully earned by Franchisor upon execution of this Agreement.

3.2 **Royalty.** In addition to the Initial Fee to be paid by Franchisee to Franchisor, Franchisee shall pay to Franchisor a continuing royalty fee equal to 8% of Franchisee's Gross Revenue (the "**Royalty**") during the Term and any Renewal Term, which Royalty shall be paid at the times and in the manner provided in Section 3.4.

3.3 **Definition of "Gross Revenue".** The term "Gross Revenue" as used in this Agreement means the entire amount of the sale price, whether for cash, credit, payment in kind (valued at fair market value) or otherwise, of all sales from or in connection with the operation of the Franchised Business (including, but not limited to, the sale of any Services or products from or in connection with the operation of the Franchised Business). No deductions shall be allowed from Gross Revenue except for the following:

- (a) sums collected by or on behalf of Franchisee for any duly constituted governmental authority on account of sales taxes, good and services taxes or other taxes imposed directly upon the sale of goods or services (or both) from the Franchised Business, provided that the amount of any such tax has in fact been paid or otherwise accounted for by Franchisee to the appropriate governmental authority;
- (b) the amount of any refund or credit given in respect of any services or products provided to a customer of the Franchised Business for which a refund of the whole or part of the purchase price is made or for which a credit is given as long as such refund or credit is given in accordance with Franchisor's policies and procedures in relation to refunds set out in the Operations Manual;
- (c) amounts for uncollected or uncollectable credit accounts as long as such credit accounts are deemed uncollected or uncollectable in accordance with Franchisor's policies and procedures in relation to uncollected or uncollectable credit accounts set out in the Operations Manual; and
- (d) amounts uncollected for a customer of the Franchised Business due to discount coupons that were approved for use in advance by Franchisor.

Where the operation of the Franchised Business has been interrupted, all sales assumed to have been lost by Franchisee by virtue of such interruption, being the basis upon which an insurer has paid business interruption insurance, shall also be included in the calculation of Gross Revenue.

3.4 **Calculation and Payment.** Franchisee shall pay the Royalty, the Sales, Marketing and Technology Fee and any other amount payable to Franchisor by Franchisee within three (3) Business Days of the 15th day and the last day of each Month. Franchisee shall pay the Royalty, the Minimum Royalty, the Sales, Marketing and Technology Fee and all other amounts payable to Franchisor by way of electronic funds transfer (automatic debit) directly from the bank account of Franchisee to that of Franchisor or by such other means or method as Franchisor may prescribe from time to time. Any other future or recurring amounts payable by Franchisee to Franchisor, including any Subterritory Initial Fees, shall also be paid by electronic transfer, when due. Franchisee shall execute all banking forms and documents and do all other things necessary to facilitate payment of the Royalty, the Minimum Royalty, the Sales, Marketing and Technology Fee and all other amounts payable to Franchisor by way of electronic funds transfer (automatic debit) or by such other method as Franchisor may prescribe from time to time. The automatic debit amount (or such other method of payment) of the Royalty, the Sales, Marketing and Technology Fee and all other amounts payable to Franchisor for each semi-monthly period shall be calculated by Franchisor based upon

the Semi-Monthly Report submitted by Franchisee pursuant to Section 8.3. Should Franchisee fail to submit a Semi-Monthly Report as required in a timely manner, Franchisor shall calculate the automatic debit amount (or such other method of payment) for the Royalty, the Sales, Marketing and Technology Fee and all other amounts payable to Franchisor based upon the most recent Semi-Monthly Report submitted by Franchisee. Any necessary reconciliation will be made during the semi-monthly period following receipt of the Semi-Monthly Report that was not timely submitted (assuming it is submitted by then). On each occasion when Franchisee fails to submit a Semi-Monthly Report as required by this Agreement, Franchisee shall pay to Franchisor an additional fee equal to 5% of the Royalty, the Sales, Marketing and Technology Fee and other amounts payable to Franchisor during the applicable semi-monthly period. Franchisee agrees that the additional fee represents a genuine estimate of the additional administrative costs and expenses to be incurred by Franchisor as a result of Franchisee's failure to submit the required Semi-Monthly Report.

3.5 **Minimum Royalty.** With respect to each Subterritory, if at the end of any calendar year of operations of the Franchised Business, the total of all Royalties that Franchisor has received from Franchisee during that year from that Subterritory (meaning the associated Gross Revenue is from services rendered in that Subterritory) is less than the Minimum Royalty for that year as set out in Schedule B, then Franchisee shall pay to Franchisor the amount that the Minimum Royalty for that year exceeds the total of all Royalties actually received for that year from that Subterritory. Amounts payable in respect of such difference, if any, shall be payable on or before January 15th of the following year, and shall be paid by the same means as the Royalty is payable under Section 3.4. Whether any Minimum Royalty payment is due is evaluated for each Subterritory separately, and independent of any Royalties paid with respect to other Subterritories. For certainty, the Royalties paid to Franchisor for each and every Subterritory must meet or exceed the amount of the applicable Minimum Royalty for each and every Subterritory each calendar year. Royalties paid in relation to one Subterritory will not be considered or taken into account in any way in determining whether the Minimum Royalty for another Subterritory has been met in a given calendar year.

3.6 **Reimbursement for Declined Transfers.** If the electronic funds transfer (automatic debit) of the Royalty, the Minimum Royalty, Sales, Marketing and Technology Fee or any other amounts payable by Franchisee is declined by Franchisee's bank for any reason, Franchisee shall immediately pay to Franchisor the amount of the Royalty, Minimum Royalty, Sales, Marketing and Technology Fee or any other amount payable by Franchisee that was declined and reimburse Franchisor for all costs incurred by Franchisor in connection with such declination, including any reasonable administrative fee as may be set by Franchisor from time to time.

3.7 **Trust Funds.** The portion of Gross Revenue equal to the Royalty provided for in Section 3.2, the Minimum Royalty provided for in Section 3.5, and the Sales, Marketing and Technology Fee provided for in Section 9.4 shall upon receipt by Franchisee become subject to a trust and shall be held by Franchisee as trustee for the benefit of Franchisor until they are effectively transferred to Franchisor. Franchisee is prohibited from dealing with such trust funds in any manner other than as permitted in this Agreement.

4. FRANCHISED LOCATION

4.1 **Franchised Location.** During the Term, Franchisee and all employees and representatives of Franchisee shall operate the Franchised Business exclusively from the location identified in Schedule B (the "**Franchised Location**"), in full compliance with any lease for the Franchised Location and the obligations set out in this Agreement and in the Operations Manual, as amended from time to time. Franchisee shall maintain the Franchised Location in a clean and attractive condition, use and maintain all office equipment at the Franchised Location as required by the Operations Manual or as otherwise specified by Franchisor, and operate and maintain the Franchised Location so as to preserve, maintain and enhance the reputation and goodwill of Franchisor, the System and the Marks.

4.2 **Relocation of Franchised Location.** If Franchisee wishes to relocate the Franchised Business from the Franchised Location to another location within the Territory, it may do so only after providing prior written notice to Franchisor and at Franchisee's sole cost and expense.

5. VEHICLE REQUIREMENTS

5.1 **Vehicle.** Franchisee shall purchase or enter into leases or subleases (each, a "**Vehicle Lease**") for at least two vehicles (each, a "**Vehicle**") for use in the Franchised Business. All Vehicles shall meet Franchisor's specifications at the time of purchase or lease (which current specifications are set out in Schedule C), and must be outfitted with Franchisor's designated form of components, including but not limited to, truck chassis, dump bodies and signage including all graphics, logos, decals and vehicle wraps specified by Franchisor in the Operations Manual or otherwise. Franchisee shall purchase all Vehicles, truck chassis, dump bodies, signage, decals and vehicle wraps only from Franchisor's designated or approved suppliers. Franchisee shall not use any vehicle other than the Vehicles in the operation of any part of the Franchised Business without Franchisor's prior written consent.

5.2 **Vehicle Lease.** Each Vehicle Lease shall only be entered into by Franchisee on the condition that Franchisor has approved the form of the Vehicle Lease prior to Franchisee executing any such document. Franchisor shall not unreasonably withhold its approval to the form of Vehicle Lease provided that Franchisee has delivered a complete copy of the proposed form of Vehicle Lease to Franchisor at least ten (10) days prior to executing the Vehicle Lease. Once Franchisor's approval has been obtained in accordance with this Section 5.2, Franchisee shall provide to Franchisor a complete copy of all executed Vehicle Leases as soon as practicable after execution along with the associated serial numbers for each of the Vehicles. Franchisee shall not assign or sublet any Vehicle Lease or otherwise part with possession of the whole or any portion of the Vehicle during the Term without first obtaining the prior written consent of Franchisor, which consent shall not be unreasonably withheld.

5.3 **Vehicle Maintenance, Repair and Replacement.** Franchisee shall keep and maintain all Vehicles and related components in good working order in accordance with all applicable safety standards (including, without limitation, annual motor vehicle inspections as required under applicable federal, state or municipal laws), and complete all repairs, servicing and maintenance required to keep such Vehicles and related components in good working order. Franchisee shall replace and fully decommission each Vehicle (including the chassis), dump body and all related components in accordance with Franchisor's then current requirements and specifications as set out in the Operations Manual or otherwise. On or before ceasing use of any Vehicle, Franchisee shall purchase or enter into a Vehicle Lease for a new Vehicle that meets Franchisor's then current requirements and specifications for a Vehicle as set out in the Operations Manual or otherwise.

5.4 **Repainting of Vehicles and Dump Bodies.** All Vehicles and related components must at all times display Franchisor's then current signage, graphics and logos, as specified by Franchisor in the Operations Manual or otherwise. Franchisee shall replace and update the signage, decals and vehicle wraps on all Vehicles and related components, and repaint all Vehicles and related components, from time to time as required to comply with Franchisor's then current standards and specifications.

6. SERVICES

6.1 **Sale of Services.** Franchisee acknowledges and agrees that the reputation and goodwill of the System is based upon, and can be maintained and enhanced only by, the continued sale and provision of high quality services and the satisfaction of customers who rely upon the uniformly high quality of services that are sold under the System, and that such continued uniformity is essential to the goodwill, success and continued public acceptance of the System. Accordingly, Franchisee agrees to sell or otherwise

deal in only the Services and such other services as Franchisor designates or approves in advance in writing, which approval may be given or withheld in the sole discretion of Franchisor.

6.2 **Pricing.** To the extent permitted by applicable law, Franchisor reserves the right to set and mandate the retail prices at which Franchisee shall sell the Services at or through the Franchised Business. This right to mandate retail prices includes the right to set a maximum price, a minimum price, or an authorized range of prices for Services. Should Franchisor exercise its right to set prices or a range of prices, it will do so only in writing or in the Operations Manual. Otherwise, Franchisee remains free to set its own prices for Services.

6.3 **Proposed Services.** If Franchisee proposes to offer for sale through the Franchised Business any services not previously designated or approved by Franchisor, then Franchisee must first submit the proposed service to Franchisor for consideration and approval. Franchisor shall consider the proposed service and respond to Franchisee within a reasonable time as to whether or not the service is approved for sale through the Franchised Business. Franchisor reserves the right to make alterations to the proposed service as a condition of approval and may or may not approve the proposed service in its sole and absolute discretion. Franchisor also reserves the right to adopt any such service for use as a standard service forming part of the Services so as to maintain consistency and enhance the System and the Marks without any compensation payable to Franchisee. Franchisee, in submitting any such proposal to Franchisor, understands and agrees that Franchisor may take such action, that each such submission by Franchisee to Franchisor shall constitute an irrevocable and perpetual assignment of the copyright and waiver of moral rights for the service to Franchisor, and that each such adopted submission shall be deemed to form part of the Know-How.

6.4 **System Changes.** From time to time, Franchisor may, at its discretion, by written notice to Franchisee, add to, subtract from, modify or otherwise change the System, including, without limitation, the deletion or adoption and use of new or modified Marks or Copyright-Protected Materials pursuant to Section 12.9, new or enhanced Services, or new techniques in connection therewith. Franchisee shall, at its own cost, promptly upon receipt of such notice accept, implement, use and display all such changes.

6.5 **Franchisee Programs.** Where Franchisor designates a voluntary program respecting the operation of the Franchised Business or the provision of the Services to specified accounts, and Franchisee consents to participate in such a program, then the respective obligations of Franchisor and Franchisee under such program shall be deemed to be obligations pursuant to this Agreement.

7. OPERATION OF FRANCHISED BUSINESS

7.1 **Standards of Operation.** Franchisee acknowledges that the Marks, the Services and every other component of the System are important to Franchisor and its franchisees, and Franchisee covenants and agrees to comply with the System, in its entirety as outlined in this Agreement, and the Operations Manual which may be modified by Franchisor from time to time. In particular Franchisee covenants and agrees that Franchisee shall:

- (a) ensure that the operation of the Franchised Business is at all times under the direct control of the Principal Operator as provided in Section 11.1. Where the Principal Operator is absent from the Franchised Location due to illness or vacation, Franchisee shall ensure that the Franchised Business is under the direct control of a director, officer or shareholder of Franchisee or another person who has completed Franchisor's employee training requirements applicable to the Principal Operator pursuant to this Agreement;

7.2 **Payments to Suppliers.** Franchisee shall make all payments to Franchisor and designated and approved suppliers promptly when due and shall provide proof of payment to other suppliers to Franchisor upon request. Franchisee acknowledges that failure of Franchisee to pay any other supplier in a timely manner could harm the reputation of the System and the relationship of Franchisor and its other franchisees with such supplier. If Franchisee fails to pay any other supplier in full when due, then Franchisor shall have the right, but not the obligation, to pay all or any portion of the sum due, together with accrued interest and penalties. If Franchisor makes any such payment, then Franchisor shall invoice Franchisee for such payment and Franchisee shall reimburse Franchisor immediately upon receipt of the invoice.

7.3 **Closure of Franchised Business.** If the Franchised Location or any significant assets used in the operation of the Franchised Business are significantly damaged or become inoperable or if the Franchised Business is forced to close for any reason, Franchisee shall promptly undertake all steps necessary to remedy such conditions and return the Franchised Business to full operation as soon as possible. If any closure of the Franchised Business takes place for any reason, Franchisee shall immediately notify Franchisor, submit a plan for re-opening (which sets out Franchisee's proposed budget, deadlines and any plans for possible relocation, if applicable, all of which are subject to Franchisor's approval) and diligently take, at Franchisee's own expense, all steps necessary to fully re-open the Franchised Business for business as soon as possible.

8. RECORDS AND REPORTING

8.1 **Sales Records.** Franchisee shall keep, and shall disclose to Franchisor, true and accurate records and books of account in relation to the Franchised Business, including daily records of all sales and all services provided to customers of the Franchised Business, in such form and detail as Franchisor specifies to Franchisee in writing from time to time, in Franchisor's discretion.

8.2 **Preservation of Records.** Franchisee shall keep and preserve for a period of at least eighty-four (84) Months after the end of each year all books and records (including point of sale records, computer generated records and evidence of all sources and amounts of individual sales and Gross Revenue) related to such year.

Any overpayment disclosed by such statement shall be credited to Franchisee’s Royalty account by Franchisor once verified and accepted by Franchisor;
- (b) complete financial statements, including balance sheet, income statement and statement of changes in financial position, all prepared in accordance with U.S. generally accepted accounting principles applied on a basis which is consistent with prior years; and

8.5 ***Inspection and Audit Rights.*** Franchisor and any of its representatives shall be entitled, during the regular business hours of the Franchised Business and without undue disturbance to it, to enter the premises of the Franchised Business to inspect and take copies of all paper and electronic records of Franchisee relating in any way to the Franchised Business, whether or not of a financial nature, all without prior notice to Franchisee. Franchisor may cause its auditor to conduct an audit of the Franchised Business for any fiscal year of Franchisee or any calendar year or other time period. Franchisee consents to Franchisor directly contacting and obtaining information from any creditors or suppliers of Franchisee. Upon request by Franchisor, Franchisee shall, within the time period prescribed in the Operations Manual from time to time, allow Franchisor and its representatives access to, or forward to Franchisor by reputable overnight courier, any and all business and financial records of the Franchised Business, including financial statements, accounting records, federal and state income, sales, business and occupation and other tax returns of Franchisee, and Franchisor at any time shall have the opportunity to take copies thereof at Franchisor’s expense. Franchisee shall pay to Franchisor immediately on demand any amounts found owing by Franchisee to Franchisor by such inspection or audit. If any such inspection or audit reveals a material deficiency in Franchisee's reporting (whether financial or otherwise), as determined by Franchisor

in its sole discretion, then Franchisee shall reimburse Franchisor for the reasonable costs of the inspection or audit and any related enforcement steps.

8.6 **Notice to Meet Standards.** Should any inspection or audit reveal any non-compliance with the System or failure to meet the standards of operation, management, production, employee training, service, cleanliness, environmental safety, consistency, quality control or advertising and promotion set by Franchisor from time to time, then Franchisee shall immediately upon receipt of notice from Franchisor specifying the particulars of the non-compliance or failure by Franchisee, do all things necessary to correct the non-compliance or failure, in addition to co-operating with the representatives of Franchisor in respect of any training or retraining determined necessary by Franchisor.

8.7 **Corporate Records.** Franchisee shall complete and remit Franchisor's company information form, and provide such other information and certificates regarding the company structure of Franchisee as required by Franchisor, and Franchisee agrees to update such information from time to time and promptly upon any change in such information.

8.8 **Use of Information.** Franchisee irrevocably consents to Franchisor obtaining, using and disclosing any financial or other information contained in or resulting from materials, statements and reports received by Franchisor or disclosed to Franchisor in accordance with this Agreement to third parties (including, without limitation, prospective franchisees, as well as financial institutions, legal and financial advisors), for any corporate purpose of Franchisor or as may be required by law. Franchisee acknowledges that any personal information collected about Franchisee by Franchisor may be used by Franchisor to provide services to Franchisee, and to ensure Franchisee's compliance with this Agreement and all other applicable agreements and laws. In addition, and without limiting the foregoing, Franchisor may disclose any information that Franchisee provides: (i) when Franchisor believes disclosure to be appropriate to comply with any law, regulation, or government request or to comply with judicial process; (ii) if such disclosure is necessary or appropriate; (iii) to protect the rights or property of Franchisor, or any of Franchisor's customers, franchisees, or Affiliates; (iv) to provide services to Franchisee; or (v) to ensure Franchisee's compliance with this Agreement and all other applicable agreements and laws. Franchisee irrevocably consents to Franchisor collecting, using and disclosing Franchisee's personal information for any of the above purposes. Franchisee also acknowledges that in the case of a proposed sale of the shares or assets of Franchisor, certain Franchisee financial information may be made available to qualified parties. 9.4 **Sales, Marketing and Technology Fund.** In recognition of the value of a centralized call center, uniform order processing, customer relationship management software systems and uniform marketing and promotion to the goodwill and public image of the System, Franchisee shall contribute to Franchisor’s sales, marketing and technology fund (the “**Sales, Marketing and Technology Fund**”) an amount equal to 8% of its Gross Revenue (the “**Sales, Marketing and Technology Fee**”). The Sales, Marketing and Technology Fee shall be calculated upon the same basis and paid to Franchisor at the same time as the Royalty is payable. Notwithstanding the foregoing, during the first year of operation of the Franchised Business, Franchisee shall not expend less than \$3,600 in a quarter of Franchisee's fiscal year on local marketing and promotions within the Territory.

10.3 **Initial Marketing Expense.** Upon execution of this Agreement, Franchisee shall pay to Franchisor the amount of \$25,000 (the "**Initial Marketing Expense**") for use in connection with initial marketing for the Franchised Business during the early stages of its operations. Franchisor shall use and expend the Initial Marketing Expense during the first six (6) Months of the Franchised Business's operations for marketing and promoting the Franchised Business in the Territory by such means, at such times, and in such manner, as Franchisor determines is desirable or appropriate in its sole discretion. Franchisor reserves the right to adopt any marketing or promotions submitted by Franchisee for approval for general use in marketing or promoting the Services in any part of the System. Franchisee, in submitting any such marketing or promotions, agrees that Franchisor may take such action, and that each such submission shall constitute an

irrevocable and perpetual assignment of the copyright and waiver of moral rights for such marketing or promotions, and each such adopted submission shall be deemed to form part of the Know-How;

- (d) Franchisee shall prominently display, at its own expense, in connection with the Franchised Business signs of such nature, form, color, number, location and size and containing such information and identifying marks as Franchisor may direct or approve in writing from time to time, and Franchisee shall purchase all such signs from Franchisor or from suppliers designated or approved by Franchisor; and

If other 1-800-GOT-JUNK? franchises are served by the same online pages or classified section, Franchisor shall have the right to require group listings therein, to make direct arrangements with the telephone company and to allocate an equitable part of the cost thereof to Franchisee.

10.5 **Branding Cooperative.** Franchisor may, but is not obliged to, establish one or more branding cooperatives of 1-800-GOT-JUNK? franchisees (each, a “**Branding Cooperative**”) operating within a particular geographic area, or using such other parameters as Franchisor may designate in its sole discretion, and which may comprise the entire System. Before hiring any employee to work for or in connection with the Franchised Business, Franchisee shall conduct a full background check on the prospective employee, including, without limitation, citizenship and criminal records checks. Franchisee shall exercise direction of and control over all employees of the Franchised Business so as to ensure compliance with the standards of customer service, production, product quality, cleanliness, environmental safety, occupational health and safety, consistency, staffing, employee training, operation, advertising, promotion and management, in accordance with the Operations Manual and this Agreement. At the direction of Franchisor, Franchisee shall cause such employees as may be designated by Franchisor who were not involved in initial training to complete training programs developed by Franchisor. Franchisee shall be solely responsible for all direct and indirect costs of such training in accordance with this Article 11.

11.4 **Employee Training.** Franchisee may provide initial training to its employees in accordance with the Operations Manual, but Franchisor reserves the right to require such employees to attend Franchisor's training at any time. In the event that Franchisor provides initial or additional training to any employees of Franchisee, Franchisor shall be entitled to charge its then current employee training fee to Franchisee for providing such training.

11.5 **Retraining.** In the event that Franchisee is not operating the Franchised Business in full accordance with the System and this Agreement, which determination Franchisor shall make at its sole discretion, Franchisor shall have the right to send its representatives to the Franchised Location to conduct such retraining of the representatives and employees of Franchisee as Franchisor determines to be appropriate in the circumstances. Franchisee shall pay Franchisor's then current training fee, as prescribed by Franchisor from time to time, and may be required to reimburse Franchisor upon demand for all out-of-pocket costs incurred by Franchisor in connection with the retraining given at the Franchised Location, including, but not limited to, all transportation and lodging expenses incurred by representatives of Franchisor providing the retraining.

11.6 **Additional Training.** Franchisee shall attend, and shall cause its Principal Operator, employees and representatives to attend, periodic refresher training, service training, management training and other training courses as required by Franchisor, at such times and locations as Franchisor may determine. Franchisor shall determine the duration, curriculum and location of any such training sessions, which may be delivered in person or by web training, webinars or other such electronic means. Franchisee shall pay Franchisor's then current training fee, as prescribed by Franchisor from time to time, and may be required to reimburse Franchisor upon demand for all out-of-pocket costs incurred by Franchisor in connection with any additional training provided to Franchisee, its Principal Operator, employees and representatives, including, but not limited to, all transportation and lodging expenses incurred by representatives of Franchisor providing the additional training. Franchisee shall also be responsible for any and all travel and living expenses that Franchisee, its Principal Operator, its employees and representatives incur to attend and participate in such training, including, but not limited to, all transportation, lodging and meal expenses.

12. LICENSE GRANTED TO FRANCHISEE

12.1 **Nature of Grant.** The license granted by this Agreement is a license to use the System, the Marks and the Copyright-Protected Materials only in connection with operation of the Franchised Business in the Territory, only while the license is in effect and only in accordance with this Agreement and the policies, specifications, directions and standards as stipulated by Franchisor, including, without limitation, those set out in the Operations Manual. Franchisee shall not assist, permit or encourage any other person to: (a) use the System, the Marks or the Copyright-Protected Materials in any other way or in association with any business, wares or services other than the Franchised Business; or (b) change the System, the Marks or the Copyright-Protected Materials in any way. Nothing in this Agreement shall give Franchisee any other right, title or interest in or to any part of the System, the Marks or the Copyright-Protected Materials.

12.2 **Inurement of Benefit/Assignment of Marks and System.** Franchisee acknowledges that Franchisee's use of the Marks, the System and any goodwill established by such use inures to the exclusive benefit of Franchisor. Franchisee hereby absolutely, irrevocably and unconditionally assigns and transfers to Franchisor any and all right, title and interest throughout the world that Franchisee may now have or may hereafter acquire in the Marks, the System and all related goodwill, other than the license granted hereby, and waives in favor of Franchisor and its licensees and assignees all non-transferrable rights, including, without limitation, moral rights, that Franchisee may have or acquire in, to or associated with the Marks or the System. If and to the extent that the foregoing assignment and transfer are not effective in respect of any of the Marks or the System, then Franchisee shall hold in trust for the sole benefit of Franchisor, and upon request shall irrevocably and unconditionally assign and transfer to Franchisor, all of Franchisee's right, title and interest throughout the world in, to and associated with the Marks and the System.

12.3 **Use of Name and Marks.** Franchisee shall operate the Franchised Business continuously throughout the Term and any duly exercised Renewal Term under the name "1-800-GOT-JUNK?" (or such alternate name or names as Franchisor may direct in writing from time to time), strictly in accordance with the written directions of Franchisor (many of which will be contained in the Operations Manual), and Franchisee's name shall be clearly marked on all documented and electronic representations of the Franchised Business as well as on all Franchisee's advertising, stationery, business cards, purchase orders, sales slips, checks, and other business documents in a manner specified or approved by Franchisor and which clearly indicates that Franchisee is the person, firm or corporation, as the case may be, operating the Franchised Business pursuant to a license from Franchisor. Franchisee shall not use, as part of the name of any corporation or other business entity which may operate the Franchised Business (or any other corporation or business entity in which Franchisee has any interest), any of the Marks or any variation or derivative thereof or any word or phrase or combination of words confusingly similar thereto or colorably

imitative thereof, nor may Franchisee use the Marks in connection with the sale or offering for sale of any service or item which has not been properly approved for sale pursuant to the requirements of this Agreement. Franchisee shall use ®, TM or some other symbol directed by Franchisor, to indicate to the public that each of the Marks is a trademark belonging to Franchisor and shall in such usage clearly indicate this by using the phrase “Trademark owned by RBDS Rubbish Boys Disposal Service Inc.” or some other phrase designated or approved by Franchisor. All provisions of this Agreement applicable to the Marks shall apply to any additional proprietary trademarks, service marks and commercial symbols hereafter authorized by Franchisor for use by Franchisee from time to time.

12.4 **Inspection and Samples.** Promptly when requested to do so by Franchisor, Franchisee shall (i) provide Franchisor reasonable access to enter the Franchised Location to permit Franchisor to observe Franchisee’s activities relating to any one or more of the Marks, and permit Franchisor to inspect material in Franchisee’s possession or control on which any one or more of the Marks appears; and (ii) provide Franchisor with samples of all wares, packaging, stationary, signage, advertising and other material used by or prepared by, for, or with the permission of Franchisee that bears or refers to any one or more of the Marks.

12.5 **Use of Copyright-Protected Materials.** Franchisee acknowledges that Franchisor is the owner of, or licensee of, the copyright in the Operations Manual, the CRM System and all other systems, binders, videotapes, software, and printed materials which from time to time form part of the System (as well as all revisions and additions of or to any of the foregoing) (collectively, the “**Copyright-Protected Materials**”). Franchisee acknowledges that Franchisee’s right to use the Copyright-Protected Materials is derived solely from this Agreement and is limited to the conduct of the Franchised Business by Franchisee pursuant to and in compliance with this Agreement and all applicable specifications, standards and operating procedures prescribed in writing by Franchisor during the Term and any duly exercised Renewal Term. Any unauthorized use of any of the Copyright-Protected Materials by Franchisee shall be an infringement of the rights of Franchisor in and to the Copyright-Protected Materials and shall constitute a breach of this Agreement. Franchisee agrees not to contest or oppose, nor to assist anyone else to contest or oppose, Franchisor’s application for registration or protection of any of the Copyright-Protected Materials in the United States, Canada, or any other country. Franchisee shall ensure that all Copyright-Protected Materials used by Franchisee bear whatever copyright notice that may be prescribed by Franchisor from time to time in writing.

12.6 **Inurement of Benefit of Assignment of Copyright-Protected Materials.** Franchisee acknowledges that Franchisee’s use of the Copyright-Protected Materials and any goodwill established by such use inures to the exclusive benefit of Franchisor and Franchisee hereby absolutely and irrevocably assigns to Franchisor all right, title and interest it may now have or may hereafter acquire in all Copyright-Protected Materials used under this Agreement and all copyright it may acquire from the creation of works derived from the Copyright-Protected Materials used under this Agreement, other than its right to use the Copyright-Protected Materials under this Agreement. If and to the extent that the foregoing assignment or transfer is not effective, Franchisee’s right, title and interest in and to the Copyright-Protected Materials will be held by Franchisee in trust for the sole benefit of Franchisor and assigned or transferred exclusively to Franchisor on demand.

12.7 **Notification of Infringement.** Franchisee shall notify Franchisor immediately upon learning of any apparent or potential infringement of or challenge or claim to any of the Marks or any of the Copyright-Protected Materials or any claim to any rights in or to any of the Marks or Copyright-Protected Materials made by anyone which comes to the attention of Franchisee, and Franchisee shall not make any admission in respect of any such allegation and shall not communicate with anyone other than Franchisor and its legal counsel in connection with any such infringement, challenge or claim. Franchisor shall have sole discretion to take such action as it deems appropriate and the right to defend and to control

exclusively any litigation or other proceeding arising out of any such infringement, challenge or claim. Franchisee agrees to execute all documents, to render such assistance and to do all acts and things as may, in the opinion of Franchisor or its legal counsel, be necessary or advisable to protect and maintain the interests of Franchisor in any such litigation or other proceeding or otherwise to protect and maintain the interests of Franchisor in the Marks and Copyright-Protected Materials.

12.8 ***No Act in Derogation of Franchisor's Rights.*** Franchisee acknowledges that all goodwill and ownership rights arising out of the use by Franchisee of the Marks, the Copyright-Protected Materials and any other part of the System shall accrue solely to Franchisor, and that now and hereafter Franchisee shall assert no claim to any goodwill by virtue of the licensed use thereof. Franchisee shall not dispute or impugn the validity of any of the Marks or the rights of Franchisor thereto, or do or assist others to do or permit any act or thing to be done in derogation of same. Franchisee shall take such action (including signature and assistance in preparation of documents or the giving of testimony) as may be requested by Franchisor to evidence, transfer, vest or confirm Franchisor or one or more of its Affiliates' rights and ownership in the Marks, the Copyright-Protected Materials and any other part of the System. If Franchisor is unable for any reason to secure Franchisee's signature to fulfill the intent of this paragraph, then Franchisee irrevocably appoints Franchisor and its authorized agents as agent and attorney in fact, to transfer, vest or confirm Franchisor's rights and to execute and file any such applications and to do all other lawful acts to further the intent of this Article 12 with the same legal force as if done by Franchisee.

12.9 ***Changes in Marks and Copyright-Protected Materials.*** If, during the Term or any duly exercised Renewal Term, Franchisor deems it advisable to modify or discontinue use of any Marks or Copyright-Protected Materials or to adopt for use in the System any additional or substitute marks or copyrights, then Franchisor shall give written notice thereof to Franchisee whereupon Schedule A hereto shall be deemed to be amended accordingly and Franchisee shall promptly comply with such amendment. All provisions of this Agreement applicable to Marks and Copyright-Protected Materials shall apply to all additional, substituted or modified Marks and Copyright-Protected Materials hereafter adopted by Franchisor or its Affiliates and authorized for use by Franchisee by written notice.

12.10 ***Use of Know-How.*** Franchisee acknowledges that Franchisor possesses know-how comprised of methods, techniques, specifications, materials, procedures, information, systems and knowledge of and experience in the provision of the Services through the Franchised Business (collectively, the "**Know-How**"). Franchisor will disclose the Know-How to Franchisee in the training program, the Operations Manual and in guidance furnished to Franchisee during the Term and any duly exercised Renewal Term. Franchisee shall not acquire any proprietary interest in the Know-How or any part of it, other than the right to use it in the development and operation of the Franchised Business during the Term and any duly exercised Renewal Term, in full compliance with this Agreement. Franchisee acknowledges that the Know-How is proprietary and, except to the extent that it is or becomes generally known in the junk removal industry, the Know-How and every part of it comprises a valuable trade secret of Franchisor.

12.11 ***Confidential Information.*** Franchisee acknowledges that the designs, materials and other features of the Services and the information, techniques, procedures, methods, systems and formats now and hereafter comprised in the System, including, without limitation, the Password and the Know-How, and revealed within or pursuant to this Agreement and the Operations Manual, as well as any and all System, customer or prospective customer information or data delivered or provided to Franchisee (collectively, the "**Confidential Information**") belong to the Franchisor and are so revealed in strictest confidence and Franchisee covenants to keep and respect the confidence so reposed. Franchisee shall neither use nor permit any of its directors, officers, shareholders, employees, agents or other representatives to use for any purpose inconsistent with this Agreement nor reveal to any person, firm or corporation, both while this Agreement is in force and for an unlimited time thereafter, any Confidential Information which Franchisee has acquired through or as a result of its relationship with Franchisor, including, without limitation, any contents of this

Agreement or any agreement ancillary to this Agreement, any amendment to this Agreement or any agreement ancillary to this Agreement, the CRM System and the Operations Manual. Franchisor reserves the right at any time upon written notice to Franchisee to more particularly specify or define any items of information or materials which Franchisor considers to be Confidential Information for the purposes of the ongoing application and survival of Franchisee's covenants herein. Upon request by Franchisor, Franchisee shall cause the employees of the Franchised Business to sign a form of confidentiality covenant prepared by Franchisor. Notwithstanding the foregoing, "Confidential Information" does not include information that: (a) Franchisee establishes through written records, is known to Franchisee prior to disclosure by Franchisor or its personnel; (b) is or becomes publicly available through no act or omission of Franchisee or its personnel; or (c) Franchisee establishes through written records, is lawfully received by Franchisee from a third party that is not under any confidentiality obligation to Franchisor.

12.12 **Internet Restriction.** Franchisor reserves the right to advertise on the Internet, including, without limitation, the creation of a website with a Uniform Resource Locator ("URL") address and to require Franchisee's assistance in the development of Internet advertising, including, without limitation, the use of pictures of Franchisee, the Franchised Location, the Vehicles and Franchisee's employees. In granting the rights hereunder, and without limiting any of the rights of Franchisor set out in this Agreement, it is understood, acknowledged and agreed to by Franchisee, that Franchisee is expressly prohibited from offering for sale services, products or other goods authorized by Franchisor for sale by 1-800-GOT-JUNK? franchisees through the Internet or the World Wide Web or any other computer or alternative network accessible to the public or from registering any website, web address, URL address or domain names using the Marks or any variations, modifications or part thereof. In addition, Franchisee shall not create or maintain a website or other Internet presence, or publish or advertise on the Internet, the World Wide Web or any other computer or alternative network accessible to the public without the prior written approval of Franchisor. Franchisee acknowledges and agrees that it is strictly prohibited from promoting the Franchised Business or using the Marks or any variations, modifications or part thereof in any manner whatsoever on social or networking websites including, but not limited to, Facebook, Instagram, LinkedIn, MySpace and Twitter or any other similar social networking site, without Franchisor's prior written consent.

13. OPERATIONS MANUAL

13.1 **Acknowledgement.** Franchisee acknowledges that Franchisor and its Affiliates are the sole and exclusive owners of all proprietary rights in and to the System and that the information revealed in the Operations Manual, in its entirety, constitutes confidential trade secrets and is protected by copyright. Without the prior written consent of Franchisor, Franchisee shall not use the contents of the Operations Manual for any purpose not related to this Agreement, and shall not disclose the contents of the Operations Manual to any person, except to employees of Franchisee for purposes related solely to the operation of the Franchised Business, nor shall Franchisee publish, reprint or reproduce the Operations Manual in whole or in part for any purpose. Franchisee shall take all safeguards and precautions specified by Franchisor from time to time or as would be expected to be exercised by a careful person entrusted with valuable property of another, to protect and maintain the confidentiality of the Operations Manual. The covenants contained in this Section 13.1 will survive the termination of this Agreement for such period of time as such information remains confidential to Franchisor and does not fall into the public domain. Franchisor reserves the right at any time upon written notice to Franchisee to more particularly specify or define any items of information or materials which Franchisor considers to be confidential trade secrets for the purposes of the ongoing application and survival of Franchisee's covenants herein. Franchisee hereby acknowledges that the Operations Manual is loaned to Franchisee and shall at all times remain the sole and exclusive property of Franchisor, and upon the expiration or termination of this Agreement for any reason whatsoever, Franchisee shall forthwith return the Operations Manual, together with all copies of any portion of the Operations Manual which Franchisee may have made, to Franchisor.

13.2 **Operations Manual.** Franchisor in its discretion shall either lend to Franchisee one (1) printed copy of the Operations Manual to be used by Franchisee throughout the term of this Agreement, or shall provide Franchisee with the permission necessary to view an electronic copy of the Operations Manual at an Internet site. Franchisor may make additions, deletions and other revisions to the Operations Manual from time to time, at its sole discretion. The provisions of the Operations Manual as revised from time to time shall constitute provisions of this Agreement to be observed and performed by Franchisee as though incorporated specifically into this Agreement. Franchisee shall not at any time copy or permit to be copied the whole or any portion of the Operations Manuals. When Franchisor makes revisions, it will provide revised pages of the Operations Manual to Franchisee by electronic means or any other means as determined by Franchisor. If Franchisee has received a printed copy of the Operations Manual, Franchisee shall keep the Operations Manual at the Franchised Location or at such other place approved by Franchisor, and shall keep the Operations Manual up-to-date with such revisions and inserts as may be provided to Franchisee from time to time by Franchisor. If Franchisee has been provided access to an Internet copy of the Operations Manual, Franchisee and the Principal(s) will ensure that the password used to obtain access to that Internet site is kept confidential and that no one acquires access to the Internet site other than Franchisee and the Principal(s). In the event of a dispute as to the contents of the Operations Manual, the master copy maintained by Franchisor shall govern.

13.3 **Compliance with Operations Manual.** Franchisee shall operate the Franchised Business strictly in accordance with all of the provisions set out in the Operations Manual as amended by Franchisor, in its discretion, from time to time. In particular, Franchisee shall promptly adopt and use exclusively the specifications, standards, methods and policies contained in the Operations Manual, now, and as they may be modified by Franchisor, in its discretion, from time to time.

14. FURTHER OBLIGATIONS OF FRANCHISEE

Franchisee shall cooperate with Franchisor in this regard.

14.7 **Credit Cards and Other Methods of Payment.** Franchisee shall maintain arrangements with Visa, American Express, MasterCard and additional or replacement credit card and debit card issuers or sponsors nominated by Franchisor from time to time, in order that the Franchised Business may accept customers' credit cards and debit cards. Whenever Franchisor designates a new payment system or financial institution for the System, Franchisee agrees to adopt and accommodate such changes promptly at Franchisee's sole expense.

14.8 **Computer Systems.** Franchisor requires that Franchisee establish and maintain a high speed Internet connection for use in connection with the Franchised Business and may require Franchisee to obtain specified computer hardware and software (collectively, "**Computer Systems**") and may periodically modify specifications for same, all at Franchisee's expense. Franchisor may charge Franchisee a reasonable fee if Franchisor develops or has developed (and, once developed, for modifying and enhancing) proprietary software and for other computer maintenance and support services that Franchisor or any of its Affiliates provides to Franchisee, and Franchisee agrees to sign any software license agreement or similar document that Franchisor or any of its Affiliates prescribes to regulate Franchisee's use of, and the respective rights and responsibilities of Franchisor, Franchisee, and others with respect to, the software, as applicable. Franchisee shall have sole and complete responsibility for: (i) the acquisition, operation, maintenance and upgrading of the Computer Systems; (ii) the manner in which Franchisee's Computer Systems interface with Franchisor's computer system and those of third parties; and (iii) any and all consequences that may arise if the Computer Systems are not properly operated, maintained and upgraded.

14.9 **Other Systems and Software.** Franchisee shall establish and operate, at its own expense, such customer relationship management, order processing, point of sale, bookkeeping, accounting, record keeping, security, computer, communications and other systems and software as prescribed by Franchisor from time to time. Franchisee shall pay all fees charged by Franchisor, its Affiliates or designated suppliers for the use of such systems and software and to purchase or lease all necessary Computer Systems. The foregoing obligation may include, without limitation, the use and retention of such records, documents and equipment as may from time to time be required by Franchisor. In the event that Franchisor adopts new methods, procedures or systems for its franchisees, or for the System generally, Franchisee agrees to purchase and utilize such systems and software, pay all fees charged by Franchisor, its Affiliates or others for the use of such systems and software, and purchase or lease all necessary Computer Systems. If Franchisor has prescribed any customer relationship management, order processing, point of sale, bookkeeping, accounting, record keeping, security, computer, communications or other systems or software for use by 1-800-GOT-JUNK? franchisees, Franchisee shall use only such systems and software and shall not use any other system or software in operating the Franchised Business.

14.10 **Passwords.** Franchisor will provide Franchisee with certain passwords for access to the CRM System and other systems and software used in the System (each, a “**Password**”). Franchisee shall at all times keep, and ensure that each and every one of its designated employees and representatives keep, all Passwords provided to Franchisee by Franchisor strictly confidential in accordance with Section 12.11. Franchisee shall not release or disclose the Passwords to any person, including any employees or representatives of Franchisee, without Franchisor’s prior written authorization, which authorization may be granted or withheld in Franchisor’s sole discretion for any reason.

14.11 **Maintain Minimum Capital.** Franchisee shall maintain, at all times throughout the Term and any duly exercised Renewal Term, sufficient capital to operate the Franchised Business. Franchisor may, in its discretion, specify a certain minimum amount which Franchisee is required to maintain as backup working capital or a contingency fund, in which case Franchisee shall maintain, at all times throughout the Term and any duly exercised Renewal Term, the minimum amount so specified by Franchisor.

15. INSURANCE

Franchisor may from time to time require that Franchisee cause such coverages to be added to or otherwise amended in accordance with recommendations of Franchisor's insurance broker. The foregoing insurance coverages, as so amended from time to time, are hereinafter called the "**Coverages**". Franchisee shall provide proof of insurance within three (3) Business Days of receiving a written request by Franchisor.

15.2 **Policy Requirements.** All policies of insurance for the Coverages shall expressly include Franchisee as a named insured and Franchisor and Franchisor's Related Parties as additional insureds (Franchisor and Franchisor's Related Parties are hereinafter collectively referred to as the "**Additional Insureds**"), and shall require the insurers to defend Franchisee, and the Additional Insureds, jointly and severally, in all claims and actions to which the Coverages are applicable. Such policies shall also include a waiver of subrogation against the Additional Insureds and require provision of at least thirty (30) days' notice to Franchisor prior to any amendment, termination, cancellation or modification.

15.3 **Group Insurance.** Franchisor may elect, at any time, upon the recommendation of its insurance broker, to require Franchisee, either individually or as part of a group of franchisees, to place the Coverages (or any of them) through Franchisor, in which case Franchisee shall pay its proportionate share (with other franchisees of the System) of all costs thereof, upon receiving invoice(s) therefore.

15.4 **Insurance Acknowledgement.** Franchisee appreciates that Franchisor is not an insurance broker. Nothing done by Franchisor pursuant to Sections 15.1, 15.2 or 15.3 shall constitute an assurance that Franchisee has adequate insurance for its assets, business and potential liabilities of the Franchised Business and Franchisee may place additional insurance as it sees fit, upon the advice of its own insurance broker.

- (a) without waiving any claim for default hereunder and without prior notice to Franchisee, take whatever steps Franchisor deems necessary to cure any default by Franchisee hereunder for the account of and on behalf of Franchisee, and Franchisee hereby irrevocably appoints Franchisor as its attorney to do so, and the related expenses incurred by Franchisor shall be due and payable forthwith by Franchisee upon demand and shall be deemed to be an amount owing to Franchisor hereunder;
- (b) without waiving any claim for default hereunder and without prior notice to Franchisee, enter upon any premises upon which the Franchised Business is conducted without being liable to Franchisee in any way for such entry, for the purposes of securing the return of any of Franchisor's property, performing or compelling performance of Franchisee's obligations to Franchisor and protecting Franchisor's rights upon expiration or termination of this Agreement;
- (c) (i) reduce the Territory; (ii) remove the exclusivity provided in the Territory (allowing Franchisor to grant or operate other Franchised Businesses in the Territory); (iii) withhold, postpone, or forgo any services or products, licenses, rights, payments, orders, access to strategic, regional, or national accounts, any electronic systems or other materials (including without limitation the CRM System or any successor system used to communicate orders to Franchisee), or any other obligations imposed on Franchisor by this Agreement until Franchisee cures its violation or otherwise remedies the default to Franchisor's satisfaction; or (iv) any combination of (i), (ii), and (iii);
- (d) require attendance of Franchisee and, or alternatively, one or more of its employees at such training programs as Franchisor in its sole discretion deems necessary or appropriate, and Franchisee shall pay Franchisor's then-applicable fee for such training as well as all costs related to attendance at such training; and
- (e) send a dedicated field advisor or trainer to the Franchised Location to perform such training with such employees as Franchisor determines is necessary for such time as specified by Franchisor, and Franchisee shall pay all costs related to the attendance of such field advisor or trainer, including travel-related costs and applicable training fees as specified by Franchisor.

17.7 **Damages Based on Default.** Upon termination of this Agreement due to any default by the Franchisee, or if the Franchisee wrongfully terminates this Agreement before its scheduled expiration date (which also will be considered a default by the Franchisee under this Agreement), Franchisor shall have the right to claim and recover consequential damages from Franchisee. The parties recognize that because such consequential damages are difficult to calculate with certainty, Franchisee shall pay, in addition to all other amounts due to Franchisor under this Agreement, liquidated damages, and not as a penalty, an amount derived from the following formula: Liquidated damages = $(X * Y) + 0.3(X * Z)$, where X equals the number of months (or portion thereof) remaining until expiration of the Agreement from the date of termination; where Y equals the greater of the Minimum Royalty due for a month, or the average of monthly Royalties due for the full 12 month period prior to termination; and where Z equals the average of monthly Sales, Marketing and Technology Fees due during the 12 full month period prior to termination.

17.8 **Telephone Number(s) and Email Addresses.** Rights to the telephone numbers, facsimile numbers and any and all email addresses and social media accounts including, but not limited to, Facebook, Twitter, Instagram and such other forms of social media, whether or not yet invented or created, which are utilized in connection with the operation or promotion of the Franchised Business from time to time shall be held by Franchisee in trust for Franchisor. On expiration or termination of this Agreement, Franchisee hereby irrevocably authorizes Franchisor to do whatever is necessary (including executing documents in the name of Franchisee) to transfer all rights to such telephone or facsimile numbers, email addresses and social media accounts to Franchisor or an assignee of Franchisor. Franchisee shall itself execute similar documents if the telephone company or Internet service provider or social media channel or account provider so requests. Franchisee shall not use any personal or residential telephone numbers in the operation of the Franchised Business. If Franchisee does so, those numbers shall be subject to the provisions of this Section 17.8.

17.9 **Liquidated Damages for Breach of Standards.** Compliance by Franchisee and all of its employees and representatives with all operational standards set out in this Agreement (including, without limitation, those set out in Section 7.1) and the Operations Manual (collectively, the “**Standards**”) is integral to maintaining and promoting the goodwill of the System. Accordingly, Franchisee agrees to pay as liquidated damages such amounts as set forth in the Operations Manual from time to time should Franchisor discover that Franchisee has breached any such Standard, which liquidated damages Franchisee acknowledges are a genuine and reasonable pre-estimation of the internal and, or alternatively, external cost to Franchisor related to such breaches. Such liquidated damages will range from \$25 to \$2,000 for each violation, depending on the nature of the violation, and may be assessed for each day Franchisee is found to be in violation. Any liquidated damages assessed shall be immediately due and payable by Franchisee within ten (10) days of Franchisor providing notice to Franchisee of a violation. Franchisee’s obligation to pay liquidated damages as provided for herein is *not* an exclusive remedy. Franchisor may elect to pursue any other remedies available to it in relation to a breach of any Standard, including, without limitation, the right to enjoin continuing violations or to terminate this Agreement.

17.10 **Remedies Cumulative.** The rights and remedies of Franchisor contained in this Article 17 and elsewhere in this Agreement or in a document referred to in this Agreement are cumulative and no exercise or enforcement of any right or remedy by Franchisor shall preclude its exercise or enforcement of any other right or remedy to which Franchisor is entitled by law, in equity or otherwise.

18. FRANCHISEE’S OBLIGATIONS UPON EXPIRATION OR TERMINATION

18.1 **Payment of Accounts.** Within fifteen (15) days after expiration or termination of this Agreement (or on such later date as such debts are due), Franchisee shall pay all outstanding Royalties, Minimum Royalties, Sales, Marketing and Technology Fees, amounts owing under any Branding Cooperative, all amounts due for Supplies, and all other amounts payable by Franchisee (whether to Franchisor or any of its Affiliates) together with accrued interest charges thereon in accordance with Section 23.1.

18.2 **Discontinuance.** Upon expiration or termination of this Agreement, Franchisee shall immediately discontinue use or display of the Marks, the CRM System, the Operations Manual, Copyright-Protected Materials and other materials provided by Franchisor such as advertising materials and training materials, trade secrets, systems, methods of operation, formats, customer information and data and goodwill of the System. Franchisee shall also forthwith change the color scheme of the Franchised Location and any Vehicles to one that differentiates it from the color scheme of the System and shall remove all signage related to the System from the Franchised Location and any Vehicles. Franchisee shall not thereafter operate or do business under any name or in any manner that might tend to give the general public the impression that Franchisee is directly or indirectly associated, affiliated, licensed by or related to

Franchisor or the System, and Franchisee shall not, directly or indirectly, use any Mark, or any other name, logo, signage, symbol, insignia, slogan, advertising, copyright, Copyright-Protected Materials, design, trade secret, process, system, method of operation or format confusingly similar to or colorably imitative of those used by the System. Franchisee acknowledges the proprietary rights of Franchisor as set out in this Agreement and agrees to return to Franchisor the Operations Manual, all advertising and training materials and all other confidential information relating to the System, as well as all other property of Franchisor, forthwith upon expiration or earlier termination of this Agreement. Additionally, Franchisee shall, upon termination or expiration of this Agreement, promptly remove any signage and murals from the Franchised Location and any other premises from which the Franchised Business is conducted which uses the Marks or otherwise and refers, directly or implicitly, to the System.

18.3 **Power of Attorney.** Following expiration or earlier termination of this Agreement, Franchisor may execute in Franchisee's name and on Franchisee's behalf all documents necessary or advisable in Franchisor's judgment to terminate Franchisee's use of the Marks and Franchisor is hereby irrevocably appointed as Franchisee's attorney to do so.

18.4 **Right of Franchisor to Repurchase.** In the event of expiration or termination of this Agreement, Franchisor shall have the option, exercisable by written notice to Franchisee within thirty (30) days after such expiration or termination, to purchase from Franchisee free and clear of any lien, charge, encumbrance or security interest not previously approved by Franchisor, all or any portion of Franchisee's Vehicles, equipment, leasehold improvements, signage and other assets utilized at the Franchised Location. The price of the assets which Franchisor elects to acquire shall be fair market value as at the date when notice is given, net of any costs associated with the purchase and valuation process. The fair market value shall be as agreed by Franchisor and Franchisee within twenty-one (21) days of such date, or if they cannot agree, as determined by a single arbitrator chosen by Franchisor who is a professional business valuator with a major U.S. firm of professional business valutors independent of Franchisor and Franchisee. Payment of the purchase price shall be net of all amounts owing to Franchisor and to parties holding security interests in such assets and the net amount shall be paid in two instalments of 50% each, the first on the date of transfer of such assets to Franchisor and the second six (6) Months after the transfer date, subject to payment of any valid claims against Franchisee which were not adjusted on the transfer date. The asset purchase agreement shall contain customary representations, warranties, and conditions for such transactions, including (should Franchisor purchase substantially all of the assets of the Franchised Business) customary non-competition covenants of Franchisee and its principals related to the sale of a business.

19. RENEWAL

19.1 **Right to Renew.** Provided that Franchisee is in full compliance with this Agreement and has not at any time committed a default as set out in Article 17, Franchisee will have the right to enter into a new franchise agreement with Franchisor for the renewal term(s) specified in Schedule B (each, a "**Renewal Term**") commencing on the day immediately following the last day of the Term or Renewal Term (as the case may be), subject to the terms and conditions set out in Section 19.2. Franchisee shall have the right to a maximum of three (3) Renewal Terms.

19.2 **Conditions of Renewal.** The following provisions shall be conditions precedent to the exercise of Franchisee's right of renewal contained in Section 19.1, such conditions are inserted herein for the benefit of Franchisor and may be waived by it in whole or in part in its discretion:

- (a) Franchisee must give written notice of the right of renewal to Franchisor not more than twelve (12) calendar months nor less than nine (9) calendar months prior to expiration of the Term or Renewal Term, as the case may be;

- (b) Franchisee shall, not less than six (6) calendar months prior to expiration of the Term or Renewal Term, as the case may be, execute Franchisor's then current form of franchise agreement (which shall include Franchisor's then current rates and then current definitions relating to its Royalty, Minimum Royalty, Sales, Marketing and Technology Fee and other amounts). Unless otherwise provided in any renewal franchise agreement, the Minimum Royalty payable during any duly exercised Renewal Term shall be no less than the Minimum Royalty payable during the last calendar year of the Term or previous Renewal Term (as the case may be) plus an increase of no less than 10% for each Subterritory;
- (c) Franchisee shall, not less than thirty (30) days prior to expiration of the Term or Renewal Term, as the case may be, pay to Franchisor a non-refundable renewal fee of \$7,500;
- (d) if directed by Franchisor, Franchisee shall replace any Vehicles, truck chassis, dump bodies or other related components of any Vehicle, as specified by Franchisor, in order to comply with Franchisor's then current standards and specifications, as specified in the Operations Manual or otherwise;
- (e) if directed by Franchisor, Franchisee shall fully repaint all Vehicles, dump bodies and update the signage, decals and vehicle wraps on all Vehicles and dump bodies to comply with Franchisor's then current standards and specifications, as specified in the Operations Manual or otherwise;
- (f) Franchisee shall execute and, if Franchisee is a corporation, partnership or joint venture, shall cause all of its then current shareholders (both legal and beneficial), directors, officers, partners and joint venturers to execute a general release, in a form provided by Franchisor, of any and all claims against Franchisor and its Related Parties with respect to the Term; and
- (g) at the time of execution of a renewal franchise agreement, Franchisee shall not have been given notice of a default under this Agreement or any other agreement or obligation Franchisee may have with Franchisor (such as, but not limited to, another franchise agreement within the System) including, but not limited to, all obligations to pay Royalties, Minimum Royalties, Sales, Marketing and Technology Fees, interest charges, audit fees and other amounts, and all obligations to comply with the Operations Manual, including trade name and logo guidelines.

19.3 ***Continuing to Operate.*** If Franchisee continues to operate after the end of the Term or any Renewal Term without exercising an option to renew, Franchisee shall be deemed to be operating on a month to month basis under the terms and conditions of this Agreement. In such circumstances, and notwithstanding the foregoing, Franchisor may terminate Franchisee's franchise agreement at any time on ten (10) days' written notice.

20. TRANSFER

20.1 ***Transfer by Franchisee.*** Franchisee acknowledges that the rights and duties created by this Agreement are personal to Franchisee and that Franchisor has entered into this Agreement in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of Franchisee's shareholders, directors and officers. Therefore, Transfers are prohibited except as expressly provided herein. Any Transfer not expressly permitted by this Agreement shall constitute a breach of this Agreement, shall be void, and shall not be effective to convey any interest in this Agreement or the Franchised Business.

Without limiting the foregoing, Franchisee shall not carry out, allow, or participate in any Transfer except upon the terms and conditions provided in this Article 20. Any such Transfer shall require the prior written consent of Franchisor, which Franchisor may withhold in its sole discretion, subject to applicable state law. In the event that Franchisee receives Franchisor's consent to a Transfer, Franchisee shall be subject to the conditions set out in Section 20.4. By way of illustration and without limitation of Franchisor's discretion to withhold consent to any Transfer, Franchisor may refuse to consent to a Transfer: (i) if any default has occurred and has not been remedied; (ii) if the proposed assignee or transferee does not meet Franchisor's then-current requirements for new franchisees, is and will remain involved in any way in another business similar to the Franchised Business, is not in Franchisor's opinion financially or operationally capable of performing the then-current obligations of System franchisees, or has had previous business experience or lack of experience which, in the sole discretion of Franchisor, suggests that the proposed assignee or transferee may not be a suitable franchisee of the System; (iii) if as a result of such Transfer, the assignee or any of its shareholders would own (by virtue of their ownership interest in the assignee and any other entity that is an existing 1-800-GOT-JUNK? franchisee pursuant to a franchise agreement with Franchisor or any of its Affiliates) or otherwise hold an interest in rights to five percent (5%) or more of the territories assigned to existing 1-800-GOT-JUNK? franchisees of Franchisor and its Affiliates, as of the date Franchisor's consent is sought with respect to the Transfer. Franchisor's consent to any Transfer shall not constitute a waiver of any claim, demand, action or cause of action which it may have against Franchisee, and shall not constitute a release of any Guarantee or other third party guarantee or covenant for performance of this Agreement by Franchisee.

20.2 **Legend on Share Certificates.** Franchisee shall cause all shares of its capital stock, unit certificates or similar agreements or indications of ownership, to include the following legend, with necessary changes:

The Company and the securities evidenced by this certificate are subject to, and the disposition and transfer of such securities are restricted by, a franchise agreement dated as of [Effective Date], between the Company and 1-800-GOT-JUNK? LLC, a Delaware limited liability company, a copy of which may, at the request of any [shareholder] of the Company, be examined at the principal business office of the Company during normal business hours.

20.3 **Transfer of Interest in Corporate Franchisee.** Franchisee represents and warrants to Franchisor that Schedule D hereto contains the complete and accurate names, mailing addresses and legal or beneficial ownership interest of each person holding any shares (or comparable units) or other form of equity ownership in Franchisee as of the Effective Date. Without limiting Section 20.1, any change in the legal or beneficial ownership of Franchisee, whether by agreement, court order, or by operation of law shall be deemed to be a Transfer of this Agreement by Franchisee. For the purposes of this section, a change in ownership of Franchisee will be any change in the legal or beneficial ownership of any shares (or comparable units) or any other form of equity ownership of or in Franchisee, including, without limitation, an assignment or transfer of legal or beneficial ownership of shares (or comparable units) by an existing shareholder of Franchisee to another existing shareholder or shareholders, or a third party.

20.4 **Conditions of Consent.** Any consent given by Franchisor to Franchisee to carry out, allow, or participate in a Transfer, shall be subject to the satisfaction of the following conditions (none of which limit in any way the discretion of Franchisor to grant or withhold its consent to any proposed Transfer):

- (a) Franchisee having submitted all proposed advertisements for the sale of the Franchised Business to Franchisor for prior written approval;
- (b) Franchisee having obtained Franchisor's approval of the material terms and conditions of any proposed Transfer;

- (c) Franchisee paying to Franchisor a non-refundable transfer fee of \$10,000, of which \$2,500 shall be payable upon Franchisee's declaration of an intent to Transfer the Franchised Business and the remainder shall be payable on execution by the proposed assignee of Franchisor's then current form of franchise agreement, at Franchisor's election;
- (d) Franchisor may charge the assignee a non-refundable administration fee of \$5,000, which shall be payable by Franchisee prior to and as a condition of any Transfer;
- (e) the assignee having executed Franchisor's then current form of franchise agreement (which shall include Franchisor's then current rates and then current definitions relating to its Royalty, Minimum Royalty, Sales, Marketing and Technology Fee and other amounts payable to Franchisor);
- (f) Franchisee having returned to Franchisor all manuals and materials provided hereunder, for re-issuance to the assignee or destruction, at Franchisor's sole discretion;
- (g) Franchisee and each of its principals, shareholders, directors and officers having executed and delivered to Franchisor a general release in the form prescribed by Franchisor and as described in Section 20.6. Notwithstanding any Transfer, Franchisee shall not be released from any of its obligations by Franchisor;
- (h) the assignee and its designated principal operator having each completed to Franchisor's satisfaction Franchisor's then current training program;
- (i) all obligations of Franchisee under this Agreement and under all documents relating hereto and any or all other agreements then in effect between Franchisor or its nominee and Franchisee being in good standing;
- (j) Franchisee having provided evidence sufficient to Franchisor, acting reasonably, that the assignee has either taken an assignment or deemed assignment of the Vehicle Lease (with the consent of the lessor), or that the Vehicle Lease has been terminated and the proposed assignee has entered into a new Vehicle Lease meeting Franchisor's then current specifications; and
- (k) the assignee and, if the assignee is a corporation or other business entity, all such directors, officers, shareholders, partners or members of the assignee entity as shall be required by Franchisor, having executed each of Franchisor's then current forms of security agreement and guarantee agreement.

20.5 **Consent Refusal.** If Franchisor withholds, delays or refuses to give consent to any request for a Transfer, whether or not Franchisor is entitled to do so, Franchisor shall not be liable for any direct or indirect losses or damages in any way resulting therefrom and Franchisee shall not be entitled to terminate this Agreement or exercise any other remedy whatsoever in respect thereof, except to seek an award or direction from an arbitrator pursuant to Section 23.14 compelling Franchisor to grant any such consent which Franchisor is obliged to grant pursuant to the terms of this Agreement.

20.6 **Franchisee's Release of Claims.** It shall be a condition of Franchisor's consent to any Transfer that Franchisee and each of its principals, shareholders, directors and officers execute and deliver to Franchisor a complete release of all claims against Franchisor and its Related Parties in respect of all obligations arising under or pursuant to this Agreement, which release shall be in a form prescribed by Franchisor.

20.7 Death, Incapacity or Permanent Disability. In the event of the death or permanent disability of the Principal Operator or the controlling shareholder of Franchisee, Franchisee shall, within six (6) Months after such event, assign this Agreement to an assignee who is, in Franchisor's opinion, financially and operationally capable of performing the obligations of Franchisee hereunder, provided that each of the conditions set out in Section 20.4 are fulfilled to the reasonable satisfaction of Franchisor. For the purposes of this Section 20.7, permanent disability means the inability of the Principal Operator or the controlling shareholder of Franchisee to manage effectively the day-to-day operation of the Franchised Business for a period of thirty (30) days. During any period of disability (permanent or otherwise) or pending assignment or in the event of death, Franchisor may appoint a competent and trained individual to manage the Franchised Business for the account of Franchisee. The individual who manages the Franchised Business pursuant to this Section 20.7 shall be deemed for all purposes to be the agent or employee of Franchisee. Franchisor shall not be liable to Franchisee or to any creditor of the Franchised Business for any debt, obligation, contract, loss or damage incurred, or for any purchase made during any period in which the Franchised Business is so managed. Franchisee must pay all the costs associated with any such assignment or pending assignment, including but not limited to any salary, benefits and other amounts payable by Franchisor to the substitute manager during the period in which the substitute manager is acting in the capacity of the Principal Operator of the Franchised Business (the "**Substitute Manager Amounts**"). In addition to the Substitute Manager Amounts, Franchisee shall pay to Franchisor a fee of up to \$750 per substitute manager per day for the period in which the substitute manager is acting in the capacity of the Principal Operator of the Franchised Business. Franchisee shall indemnify, save and hold Franchisor harmless from and against any and all damages, claims, losses, expenses and other costs, including but not limited to legal fees, arising as a result of the death or permanent disability of a controlling shareholder of Franchisee, the assignment of this Agreement pursuant to this Section 20.7, or the appointment of an individual to manage the Franchised Business on a day-to-day basis pursuant to this Section 20.7.

20.8 Right of First Refusal. If Franchisee or its shareholders shall at any time determine to sell, assign or transfer this Agreement or an interest in the Franchised Business or any equity interest in Franchisee, then Franchisee shall provide Franchisor with a copy of the written offer from a fully disclosed purchaser. Franchisor shall have the right, exercisable by written notice delivered to Franchisee within thirty (30) days from the date of delivery of a bona fide offer, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that Franchisor may substitute cash for any form of payment proposed in such offer and shall have not less than one hundred twenty (120) days to prepare for closing. Franchisor may, at closing, pay any of Franchisee's trade creditors out of the purchase price, and set off against the purchase price any unpaid debts of Franchisee to Franchisor. If Franchisor does not exercise its right of first refusal, Franchisee (or other vendor) may complete the sale to such purchaser pursuant to and on the terms of such offer, subject to compliance with the consent and approval requirements of this Article 20; provided, however, that if the sale to such purchaser does not complete within one hundred twenty (120) days after delivery of such offer to Franchisor, or if there is a material change in the terms of the sale, then Franchisor shall again have a new right of first refusal as herein provided.

20.9 Assignment by Franchisor. This Agreement may be assigned in whole or in part by Franchisor and, if Franchisor makes a full assignment to a third party and the third party agrees in writing to assume all of the obligations and liabilities of Franchisor hereunder, then Franchisor shall automatically be released from all obligations and liabilities hereunder. A partial assignment by Franchisor may include an assignment of the Royalties payable by Franchisee.

21. NON-COMPETITION

21.1 Non-Competition Obligation During Term. Except as expressly permitted by this Agreement or by any other written agreement between Franchisor and Franchisee, Franchisee agrees, on

behalf of itself and its directors, officers, shareholders, partners and members (collectively, the “**Franchisee Parties**”), that during the Term and any duly exercised Renewal Term, none of the Franchisee Parties shall not either directly or indirectly, either alone or in any relationship with any other person, firm, corporation, partnership, joint venture or other business organization, whether as an employee, consultant, principal, agent, member, partner, shareholder, director, officer, guarantor, indemnitor, creditor, supplier, landlord, sublandlord or in any other capacity whatsoever:

- (a) compete with the System (or any system owned by Franchisor or one of its Affiliates, at any time during the Term and any duly exercised Renewal Term); or
- (b) carry on, engage in, franchise, license, advise, supervise, manage, supply, loan money to, guarantee or indemnify the duties or obligations of, or be otherwise financially concerned or interested in any other person, firm, corporation, partnership, joint venture or other entity engaged in or concerned with or interested in any Competitive Business. For the purposes of this Agreement, “**Competitive Business**” means any retail business providing junk removal services at residential or commercial premises, including without limitation dumpster drop-off and pick-up services, but does not include the provision of municipal trash removal services.

21.2 Non-Competition Obligation After the Term. Except as expressly permitted by this Agreement or by any other written agreement between Franchisor and Franchisee, Franchisee agrees, on behalf of all Franchisee Parties, that for a period of eighteen (18) months after expiration or termination of this Agreement and (i) at the Franchised Location, (ii) within the Territory, (iii) within any territory of another duly authorized franchisee of Franchisor which is in existence at the date of expiration or termination of this Agreement, or (iv) within the metropolitan area in which the Territory is located, as more particularly described in Schedule B, none of the Franchisee Parties shall either directly or indirectly, either alone or in any relationship with any other person, firm, corporation, partnership, joint venture or other business organization, whether as an employee, consultant, principal, agent, member, partner, shareholder, director, officer, guarantor, indemnitor, creditor, supplier, landlord, sublandlord or in any other capacity whatsoever:

- (a) compete with the System (or any system owned by Franchisor, or one of its Affiliates, at the date of expiration or termination of this Agreement); or
- (b) carry on, engage in, franchise, license, advise, supervise, manage, supply, loan money to, guarantee or indemnify the duties or obligations of, or be otherwise financially concerned or interested in any other person, firm, corporation, partnership, joint venture or other entity engaged in or concerned with or interested in any Competitive Business.

21.3 Publicly Traded Shares. Notwithstanding anything else contained in this Agreement, the non-competition obligations contained in Sections 21.1 and 21.2 of this Agreement do not apply to shares owned or held by a Franchisee Party in the capital stock of any company that is traded on a stock exchange as long as Franchisee does not own more than 1% of the issued and outstanding shares of such company.

21.4 Application to Transfers and Survival. This Article 21 shall continue to be binding upon the Franchisee Parties in the case of any permitted Transfer of this Agreement or any sale of the Franchised Business. This Article 21 shall survive the expiration or termination of this Agreement.

21.5 Reasonable Restrictions. Franchisee acknowledges that by reason of the unique nature and considerable value of the Marks and the business reputation associated with Franchisor and the System, including methods of operating, format and related proprietary rights and by reason of the Franchisee

Parties' knowledge of and association and experience with the System, the provisions of this Article 21 are reasonable and commensurate for the protection of the legitimate business interests of Franchisor, its Affiliates and franchisees. In the event any portion of the covenants in this Article 21 violates laws affecting Franchisee, or is held invalid or unenforceable in a final judgment to which Franchisor and Franchisee are parties, then the maximum legally allowable restriction permitted by law shall control and bind the Franchisee Parties. Franchisor may, by written notice to Franchisee, reduce one or more of the temporal, territorial or scope of restricted activities aspects of non-competition provided in this Article 21.

21.6 ***Injunction.*** Franchisee acknowledges that a breach of the non-competition obligations set out in this Article 21 will result in loss to Franchisor for which Franchisor could not be adequately compensated in damages by a monetary award. Accordingly, Franchisee agrees that in the event of a breach of this Article 21, Franchisor shall, in addition to all of the remedies available to Franchisor at law or in equity, be entitled as a matter of right to a restraining order, injunction (including an interim injunction), decree of specific performance or otherwise, without the need to post any bond or other security in connection therewith, to ensure compliance by Franchisee with the provisions of this Article 21 and preservation of Franchisor's proprietary rights.

22. INDEMNITY

Except as otherwise provided in this Agreement, Franchisee agrees to indemnify and hold harmless Franchisor, its Related Parties, and other franchisees from and against, and to reimburse them for, all liabilities, obligations, and consequential damages, taxes, costs, losses and actual legal expenses incurred by them in connection with any claim, litigation or other action or proceeding arising out of the operation of the Franchised Business by Franchisee including any action or other proceeding related to a breach of this Agreement or any other agreement between Franchisee and Franchisor or any of its Affiliates. Franchisee shall be responsible for and shall pay and satisfy any judgment or settlement that may arise out of any such claim, litigation, action or proceeding. Without limiting the generality of the foregoing, Franchisee agrees that if Franchisor is made a party to any lawsuit or any other action or proceeding in connection with the Franchised Business or the activities of Franchisee or any of its affiliates, Franchisor may, at its sole option, either (a) permit Franchisee to conduct the defense or prosecution of the matter at the cost of Franchisee; or (b) take conduct of the defense or prosecution, in which case all expenses thereof shall be borne or reimbursed by Franchisee. This indemnity shall continue in full force after termination or expiration of this Agreement.

23. MISCELLANEOUS

23.1 ***Interest on Overdue Amounts.*** All payments required to be made by Franchisee to Franchisor under or pursuant to this Agreement shall bear simple interest from and after their respective due dates until paid in full at the rate of 24% per annum or such other rate as Franchisor may specify in writing from time to time or the maximum rate permitted by law if lower.

23.2 ***Application of Payments.*** Franchisor shall have sole discretion to apply any payments made by Franchisee to any past due indebtedness of Franchisee, including but not necessarily limited to Royalties, Minimum Royalties, Sales, Marketing and Technology Fee, purchases from Franchisor, or any of its Affiliates, interest or other indebtedness. Payments towards any particular account shall first be applied towards interest on arrears, if any, then towards the principal amount outstanding.

23.3 ***No Set-Off.*** Franchisee shall not, by way of set-off or otherwise, whether on the grounds of the alleged non-performance by Franchisor of any of Franchisor's obligations hereunder, or otherwise, withhold payment of any amount due to Franchisor or any of its Affiliates, whether on account of supplies or other products or services purchased by Franchisee, Royalties, Minimum Royalties, Sales, Marketing

and Technology Fee or otherwise, except to the extent that Franchisee has recovered an arbitral award against Franchisor pursuant to Section 23.14 and then only for the amount of the award so recovered.

23.4 *Parties are Independent Contractors.* The parties intend by this Agreement to establish the relationship of franchisor and franchisee, each as an independent contractor, and it is not the intention of either party to establish a fiduciary relationship, to undertake a joint venture, to make Franchisee in any sense an agent, employee, affiliate, associate or partner of Franchisor or to confer on Franchisee any authority to act in the name of or on behalf of Franchisor.

23.5 *Conformity with Laws.* If any statute, law, ordinance or regulation promulgated by any competent authority with jurisdiction over any part of this Agreement or the Franchised Business, or any arbitral award or direction or court order pertaining to this Agreement, requires a longer or different notice period than that specified herein, the notice period shall automatically be deemed to be amended so as to conform with the minimum requirements of such statute, law, ordinance, regulation, arbitral award or direction, or court order.

23.6 *Payment of Taxes.* Franchisee shall pay to Franchisor and its designees, as applicable, promptly when due all Taxes, which may be imposed upon Franchisee, but required to be collected or paid by Franchisor (i) on account of Franchisee's Gross Sales, or (ii) on account of fees collected by Franchisor from Franchisee (but excluding Franchisor's ordinary income taxes). "**Taxes**" means any sales, remittance, stamp, use, service, occupation, excise, import or export, value-added, or similar tax or duty, gross receipts, income, property, withholding, goods and services and value added taxes and any levies, imposts, duties, or other charges and taxes of whatsoever nature imposed upon any fees or payments payable to Franchisor (except taxes imposed on Franchisor's income) on account of the operation of the Franchised Business. "**Taxes**" includes any interest, penalties, late charges or other charges assessed against Franchisor as a result of Franchisee's failure to pay or delinquent payment of Taxes.

23.7 *Additional Franchises.* Franchisee acknowledges that Franchisor may from time to time grant franchises for additional franchised businesses on such terms and conditions as Franchisor deems appropriate, which terms may differ materially from the terms of this Agreement and that consequently Franchisor's obligations and rights with respect to its various franchises may from time to time differ materially from those provided in this Agreement.

23.8 *Waiver.* Franchisor reserves the right, from time to time, to waive observance or performance of any obligation imposed on Franchisee by this Agreement. No waiver of any default of any term, proviso, covenant or condition of this Agreement by Franchisor shall constitute a waiver by Franchisor of any prior, concurrent or subsequent default of the same or any other term, proviso, covenant or condition hereof. No waiver shall be effective unless executed by Franchisor in writing.

23.9 *Entire Agreement.* This Agreement, all Security Agreements, and all Guarantees set forth the entire agreement between Franchisor and Franchisee and contain all of the representations, warranties, terms, conditions, provisos, covenants, undertakings and conditions agreed upon by them with reference to the subject matter hereof. All other representations, warranties, terms, conditions, provisos, covenants, understandings and agreements, whether oral or written (including without limitation any letter of intent between the parties and other pre-contractual representations), are waived and are superseded by this Agreement. However, nothing in this Agreement or related agreements is intended to disclaim any representation made by Franchisor in the franchise disclosure document furnished to Franchisee as required prior to entering into this Agreement.

23.10 *Amendments.* This Agreement can be amended or added to only by a written document that has been executed by both Franchisor and Franchisee.

23.11 **Further Assurances.** Franchisor and Franchisee shall each acknowledge, execute and deliver all such further documents, instruments or assurances and shall each perform such further acts or deeds as may be necessary or advisable from time to time to give full effect to this Agreement.

23.12 **Severability.** If any article, section or subsection of this Agreement or any portion thereof is determined to be indefinite, invalid, illegal or otherwise void, voidable or unenforceable, then it shall automatically be severed from this Agreement and the balance of this Agreement shall continue in full force and effect.

23.13 **Governing Law.** This Agreement shall be interpreted and construed under the laws of the State of Delaware (without regard to, and without giving effect to, the application of Delaware conflict of laws rules) except to the extent governed by the federal Arbitration Act or the U.S. Trademark Act of 1946, 15 U.S.C. 1051, et seq. as amended.

23.14 **Arbitration.** Any dispute arising out of or relating to this Agreement, or in respect of the legal relationship arising from or associated with this Agreement, shall be referred to and finally resolved by arbitration administered by the American Arbitration Association (AAA”) in accordance with its then current Commercial Arbitration Rules in effect at the time of the dispute. The arbitration will be heard and determined by a single arbitrator, who shall have the exclusive authority to resolve all issues, including any issue relating to the arbitrability of the dispute, and all arbitrable disputes shall be resolved on an individual basis, and not on class-wide basis or consolidated with another dispute. The parties will attempt to mutually nominate an arbitrator, but if they are unable to agree on a single arbitrator within thirty (30) days after the first request to select an arbitrator by either Franchisor or Franchisee is made, then an arbitrator will be appointed by the AAA. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The language of the arbitration will be English. The decision of the arbitrator shall be final and binding on the parties. This agreement to arbitrate will survive the expiration or termination of this Agreement and will remain in full force and effect indefinitely thereafter. If either party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such party by default or otherwise notwithstanding such failure to appear. The exclusive venue for any dispute shall be in King County, Washington.

23.15 **Injunctive Relief.** Notwithstanding Section 23.13 or Section 23.14, nothing in this Agreement shall bar Franchisor’s from seeking a preliminary injunction or other interlocutory relief from a state or federal court in King County, Washington to protect the Marks, to enforce Franchisee’s Non-competition obligations in Section 21, or to preserve Franchisor’s right of first refusal under Section 20.8.

23.16 **Prevailing Party.** The prevailing party in any litigation commenced to resolve a dispute between Franchisor and Franchisee shall be entitled to recover from the losing party legal fees on a full indemnity basis plus any and all other expenses incurred by the prevailing party in bringing or defending such litigation. As used herein, the term “litigation” includes all arbitration proceedings as well as all proceedings in any and all courts, including appellate courts, and including any and all proceedings in any type of bankruptcy case under Title 11 of the United States Code.

23.17 **Limitation on Claims.** Franchisee agrees to deliver written notice to Franchisor of any legal claim which Franchisee may have arising out of or in connection with this Agreement or any related agreement or matter of which Franchisee has knowledge (actual or constructive) against Franchisor on or before the expiry of one (1) year after Franchisee first has knowledge (actual or constructive) of any claim. If Franchisee fails to notify Franchisor of any claims of which Franchisee has knowledge (actual or constructive) within that time, Franchisee acknowledges and agrees that all claims have been waived and extinguished by Franchisee, notwithstanding any provision of any statute of limitations to the contrary. To the extent permitted by applicable law, Franchisee agrees that the sole entity against which Franchisee may

seek damages or any remedy under law or equity for any claim arising out of or relating to this Agreement is Franchisor or its successor or assignees. Franchisee agrees that Franchisor's Related Parties shall not be liable nor named as a party in any legal action commenced by Franchisee. Franchisee acknowledges that Franchisor has relied upon this representation in executing this Agreement.

23.18 **Class Actions.** Franchisor and Franchisee agree that any permitted litigation shall be conducted on an individual, not a class-wide basis, and that a judicial or arbitration proceeding between Franchisor and its Related Parties, on the one hand, and Franchisee, on the other hand, may not be consolidated or otherwise joined with any other judicial or arbitration proceeding between Franchisor and any other person, corporation or partnership. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any proceedings hereunder, except to the extent such issue may have been determined in another proceeding between Franchisee and Franchisor or any person in privity with or claiming through, in the right of or on behalf of Franchisee or Franchisor.

23.19 **Cost of Enforcement.** If for any reason it becomes necessary for Franchisor to initiate any arbitration proceeding to enforce payment of the Royalties, Sales, Marketing and Technology Fees or any other amount owing by Franchisee to Franchisor or to enforce any of Franchisor's rights under this Agreement, Franchisor shall be entitled to recover any and all costs it incurs in relation thereto, including, but not limited to, collection costs paid to third parties and attorneys' fees and costs it incurs to enforce its rights against Franchisee.

23.20 **Force Majeure.** Each Party shall be excused from liability for the failure or delay in performance of any obligation other than a payment obligation under this Agreement by reason of any event (a "Force Majeure" event) that makes a Party's performance impossible or illegal and which is beyond such Party's reasonable control, including but not limited to Acts of God, fire, flood, explosion, earthquake, war, or any other event similar to those enumerated above, but excluding an event or condition affecting the general economy, such as the existence of a recession or economic contraction. Such excuse from liability shall be effective only to the extent and duration of the event(s) causing the failure or delay in performance and provided that the Party has not caused such event(s) to occur and continues to use diligent, good faith efforts to avoid the effects of such event and to perform the obligation. Notice of a Party's failure or delay in performance due to force majeure must be given to the unaffected Party promptly thereafter but no later than ten (10) days after its occurrence which notice shall describe the force majeure event and the actions taken to minimize the impact thereof. Should a Force Majeure event occur that prevents Franchisee from servicing customers in its Territory, but which another franchisee could perform, Franchisee consents to allowing another franchisee to handle or perform services for such customers during the duration of the Force Majeure event.

23.21 **Survival of Covenants.** The terms, provisions, covenants, conditions and obligations contained in or imposed by this Agreement which, by their terms, require performance by Franchisee after the expiration or other termination of this Agreement, shall be and remain enforceable after such termination.

23.22 **Inurement.** This Agreement inures to the benefit of and is binding upon Franchisor and Franchisee and their respective heirs, executors, administrators, legal personal representatives, permitted successors and permitted assigns.

23.23 **No Warranties or Representations.** Franchisee fully understands and acknowledges that the success of the Franchised Business to be established hereunder shall, to a great extent, be dependent upon the personal time and efforts contributed by Franchisee and Franchisee's employees (as well as Franchisee's partners or directors if Franchisee is a partnership or a corporation). Franchisee acknowledges that neither Franchisor nor anyone else has represented, warranted or guaranteed to Franchisee that

Franchisee shall enjoy financial success in owning and operating the Franchised Business. Franchisee also acknowledges that neither Franchisor nor anyone else has made any representation, warranty or guarantee regarding the level of Gross Revenue, net income or profit margins which may be achieved at the Franchised Business and that, in the final analysis, the results achieved at the Franchised Business will be particular to it, in the same way that financial results individually achieved by existing franchised businesses are particular to them. Franchisee accepts the risk of the Franchised Business not achieving the levels of gross revenue and net income during the Term which Franchisee hopes to achieve.

23.24 ***Acknowledgements by Franchisee.*** Franchisee acknowledges that:

- (a) he, she or it has received, has had ample time to read and study, and has read and studied this Agreement and fully understands its provisions. Franchisee further acknowledges that it has had an adequate opportunity to be advised by legal counsel and accounting professionals of its own choosing regarding all aspects of this Agreement and the relationship created thereby;
- (b) certain breaches of this Agreement would result in a loss to Franchisor for which Franchisor could not be adequately compensated in damages by a monetary award. Accordingly, Franchisee agrees that in the event of any such breach of this Agreement, Franchisor shall, in addition to all the remedies available to Franchisor at law or in equity, be entitled as a matter of right to a restraining order, injunction (including an interim injunction), decree of specific performance or otherwise, without the need to post any bond or other security in connection therewith, to ensure compliance by Franchisee with the provisions of this Agreement and preservation of Franchisor's proprietary rights;
- (c) all restrictions in this Agreement are necessary and fundamental to the protection of the legitimate business interests of Franchisor and all of its franchisees and, having regard to the interests of Franchisor and Franchisee, are reasonable, and all defenses to the strict enforcement thereof by Franchisor are hereby waived by Franchisee;
- (d) Franchisee is solely responsible for investigation of all regulations applicable to the Franchised Business and for obtaining all necessary permits to operate the Franchised Business, and Franchisor makes no representation as to such regulations, if any, or that such licenses or permits are available, nor has Franchisor undertaken any such investigation on its own; and
- (e) Franchisor may conduct investigations and make inquiries of any persons as Franchisor, in its reasonable judgment, deems appropriate concerning the credit standing, character and personal qualifications of Franchisee and the partners, shareholders, directors and officers of Franchisee, and Franchisee, by its execution hereof, hereby on its own behalf and on behalf of its partners, shareholders, directors and officers (whose authorization to do so Franchisee expressly represents that it has) consents and agrees to Franchisor conducting any investigations and making any inquiries that Franchisor considers appropriate.

23.25 ***Time of Essence.*** Time shall be of the essence for all purposes of this Agreement.

23.26 ***Notices.*** Any notice required or permitted to be given by this Agreement shall be in writing and shall be deemed to have been duly given if delivered by hand or mailed by certified or registered mail, postage prepaid, addressed to Franchisor or to Franchisee at their respective addresses set out on page 1 hereof or to such other address as the respective parties may give notice of in the same manner. 1-800-GOT-JUNK? LLC

Notes to Consolidated Financial Statements

(Unaudited - Amounts expressed in United States dollars, unless otherwise indicated)

For the period ended March 31, 2024

1. Nature of operations:

1-800-GOT-JUNK? LLC (the “LLC”) was incorporated under the laws of the State of Delaware as a limited liability company. The LLC was created to sell franchise rights for the operation of businesses that collect and dispose of non-hazardous refuse in the United States of America. The LLC is the master franchisor in the United States for 1-800-GOT-JUNK?.

As at March 31, 2024, the Company had 150 operating franchises and sold 1 franchises during the period then ended. The franchises sold included both 1 operating and nil non-operating franchises that have franchise agreements signed as at the period-then ended.

2. Significant accounting policies:

(a) Basis of presentation:

These consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). They include the accounts of the LLC’s wholly-owned subsidiary, 1-800-GOT-JUNK? Commercial Services (USA) LLC. All significant intercompany balances and transactions have been eliminated upon consolidation.

These consolidated financial statements were approved for issue by the member on April 29, 2024.

(b) Cash and short-term investment:

Cash includes cash on hand and investments greater than three months are included in short-term investments.

(c) Use of estimates:

The presentation of consolidated financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, as well as reported revenues and expenses for the periods being reported. Estimates include the valuation of accounts receivables, deferred income tax assets, contingent liabilities, and allocation of revenue consideration to performance obligations for initial franchise fees. Actual results may differ significantly from those estimates.

(d) Revenue recognition and deferred revenue:

(i) Royalty fees:

Revenue from royalty fees is based on a fixed percentage of sales earned by the franchise locations. Royalties are recorded as revenue as the fees are earned and become receivable from the franchisees and collection is reasonably assured.

(ii) Sales Centre and Ad Fund:

The Sales Centre schedules sales opportunities for individual franchisees. Franchisees contribute 7% of their gross revenue to the Sales Centre to cover the cost of maintaining

2. Significant accounting policies (continued):

(d) Revenue recognition and deferred revenue (continued):

(ii) Sales Centre and Ad Fund (continued):

and developing the Sales Centre and related software. These charges are recorded as the fees are earned and become receivable from the franchisees. In the event of a surplus in the Sales Centre, the LLC may, in its sole discretion, transfer funds to the Ad Fund from time to time.

Ad Fund is used to finance marketing campaigns and promotional programs that RBDS Rubbish Boys Disposal Service Inc. ("RBDS"), the LLC's Canadian parent company, undertakes on behalf of its franchisees to increase sales and enhance the reputation of the LLC and its franchise owners. Franchisees contribute 1% of their gross revenue to the Ad Fund and these contributions are recorded when the fees are earned and become receivable from the franchisees.

Costs related to supporting the Sales Centre and Ad Fund are incurred by RBDS. Ad Fund and Sales Centre fees collected are remitted to RBDS. The amounts remitted to RBDS are recorded as expenses in the LLC.

(iii) Franchise fees:

The LLC accounts for a contract with a customer when there is approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The LLC's revenues are measured based on consideration specified and revenue is recognized as the performance obligations are satisfied by transferring the control or rendering the services to a customer.

Revenues from franchise fees consist of initial franchise fees paid by the new franchise locations, franchise renewal fees and territory expansion fees. Initial franchise fees are recognized upon the provision of the two performance obligations under the franchise agreement: the pre-launch services provided to the franchisee and access of the license and territory. Revenue attributed to the pre-launch activities is recognized at the time services are provided, whereas revenue attributed to the access of the license and territory is deferred and recognized ratably over the related term of the franchise agreement. Costs relating to initial franchise sales are expensed as incurred. Franchise renewal fees and territory expansion fees are deferred and recognized ratably over the related term of the franchise agreement.

(e) Accounts receivables:

Receivables are recorded at contractual prices. Accounts receivables generally reflect amounts due for ongoing royalty, Sales Centre fees, Ad Fund fees, and National Accounts and Strategic Alliances ("NASA") customers. The Company maintains an allowance for doubtful accounts for estimated losses inherent in its accounts receivable portfolio. Management considers historical losses adjusted to take into account of current market

2. Significant accounting policies (continued):

(e) Accounts receivables (continued):

conditions and customers' financial condition, the amount of receivables in dispute, current aged receivables, and payment patterns.

The Company reviews its allowance for doubtful accounts on an ongoing basis and an assessment is made on collectability. Amounts are charged off against the allowance after all means of collection have been exhausted and recovery is considered remote.

(f) Capital assets:

Capital assets are stated at cost less accumulated amortization. Amortization is provided over the estimated useful life of the asset on a straight-line basis using the following annual rates:

Asset	Rate
Vehicle	20%

Capital assets are tested for impairment when events or changes in circumstances indicate that the carrying amount may not be recoverable. The Company assesses the carrying amount of capital assets based on the net recoverable amounts determined on an undiscounted cash flow basis.

(g) Income taxes:

The LLC has elected to be a taxable entity. The LLC follows the asset and liability method of accounting for income taxes. Under this method, current income taxes are recognized for the estimated income taxes payable for the current period. Deferred income tax assets and liabilities are provided based on the estimated future tax effects of temporary differences between financial statement carrying amounts of assets and liabilities and their respective tax bases, as well as the benefit of losses available to be carried forward to future years for income tax purposes.

Deferred income tax assets and liabilities are measured using enacted income tax rates that are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in income tax rates is recognized in operations in the period that includes the enactment date. A valuation allowance is recorded for deferred income tax assets when it is more likely than not that such deferred income tax assets will not be realized.

The LLC recognizes interest and penalties related to certain income tax positions in income tax expense.

(h) Related party transactions:

Related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Notes to Consolidated Financial Statements

(Unaudited - Amounts expressed in United States dollars, unless otherwise indicated)

For the period ended March 31, 2024

2. Significant accounting policies (continued):

(i) Foreign currency transactions:

The functional and reporting currency of the LLC and its subsidiary is the United States (“U.S.”) dollar. The U.S. dollar is used as the functional currency as the U.S. dollar is the currency of the primary economic environment in which the LLC operates.

Monetary assets and liabilities denominated in foreign currencies are translated at the period-end exchange rates. Revenue and expense items denominated in foreign currencies are translated using the monthly average exchange rate. Exchange gains and losses, if any, are recognized in the consolidated statement of net income and comprehensive income.

(j) Reacquired or repossessed franchise rights:

Upon reacquisition or repossession of franchise rights that constitute a cancellation by the LLC of the original sale, any refunds issued at management’s discretion are accounted for as a reduction of revenue in the period that the franchise rights are reacquired or repossessed. Any deferred revenue remaining is written-off at the time of cancellation.

(k) New accounting standards and accounting policy changes:

In December 2023, the FASB issued ASU No. 2023-09, *Income Taxes: Improvements to Income Tax Disclosures*. The ASU focuses on income tax disclosures for effective tax rates and cash income taxes paid. The ASU requires all entities to disclose the amount of net income taxes paid and the portions for federal, state, and foreign jurisdiction. The ASU is effective for the LLC for fiscal years beginning after December 15, 2025. Management is in the process of assessing the impact, if any, of the new standard.

3. Accounts receivables:

Accounts receivables are comprised of receivables from franchise partners and receivables from NASA customers where the LLC bills on behalf of the franchise partners.

	March 31, 2024
Receivables from NASA customers	\$ 5,605,568
Receivables from franchise partners	7,188,002

	March 31, 2024		
	Cost	Accumulated amortization	Net book value
Vehicles	\$ 174,156	\$ 36,956	\$ 137,200

5. Deferred income tax assets:

Deferred income tax assets reflect the net income tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for income tax purposes. The components of the deferred income tax assets are as follows:

	March 31, 2024
Deferred income tax assets:	
Deferred revenue	\$ 345,521
Accrued licensing fee expense	133,726
Allowance for doubtful accounts	110,985
Non-capital loss	1,303,842
Other	148,083
	<hr/>
	\$ 2,042,157

Deferred income tax assets are carried at their estimated net realizable value. Management considers the scheduled realization of deferred income tax assets, projected future taxable income and tax planning strategies when assessing net realizable value. Carrying values of deferred income tax assets are subject to change in the event that management's estimates of taxable income through the carry-forward period change.

Notes to Consolidated Financial Statements

(Unaudited - Amounts expressed in United States dollars, unless otherwise indicated)

For the period ended March 31, 2024

6. Income taxes:

The provision for income taxes differs from the amount computed by applying the statutory federal and state income tax rate to loss before income taxes as follows:

	March 31, 2024
Income taxes consist of:	
Provision for income taxes based on combined federal and state income tax rate of 26.34% (2023 - 26.34%)	\$ 32,803
Increase in income taxes resulting from:	
Permanent differences	143
Others	6
	<u>149</u>
	<u>\$ 32,952</u>

The other differences above are due to changes in state apportionment, revisions to prior year estimates and state income tax benefits.

The LLC files U.S. federal and various state income tax returns and tax positions are subject to income tax audits. The LLC is no longer subject to U.S. federal or state income tax examinations for fiscal years prior to December 31, 2018.

7. Related party transactions and balances:

During the period ended March 31, 2024, RBDS charged the LLC the following:

	March 31, 2024
Sales Centre	\$ 6,076,248

Ad Fund	2,025,440
Interest on outstanding balance due to RBDS	123,846
	<u>\$ 15,727,716</u>

7. Related party transactions and balances (continued):

Amounts charged to the LLC by RBDS are pursuant to a transfer pricing agreement between RBDS and the LLC that sets out formulas and calculation methodologies believed by management to result in fees that approximate those that third-party service providers or licensors would charge in similar situations.

During the period ended March 31, 2024, the LLC charged its related parties the following royalty fees, Ad Fund fees and Sales Centre fees which are included in revenue:

	March 31, 2024
Various Flywheel franchises	\$ 1,321,556

Notes to Consolidated Financial Statements

(Unaudited - Amounts expressed in United States dollars, unless otherwise indicated)

For the period ended March 31, 2024

8. Member's equity:

Since incorporation, the LLC has one membership unit with nominal value of \$1. The membership unit is owned by RBDS, a company incorporated under the laws of British Columbia, Canada.

9. Financial instruments:

Fair value:

The carrying value of cash, short term investment, accounts receivable, accounts payable and accrued liabilities, payable to franchise partners, due to/from related parties, approximate their fair value due to the short-term maturities of these instruments, or due to interest charged on a portion of the due to related party approximating prevailing rates.

Management does not believe that the LLC's financial instruments are exposed to any significant foreign exchange risk.

The standard establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1 - defined as quoted prices in active markets for identical instruments;
- Level 2 - defined as observable prices in active markets for similar instruments, prices for identical or similar instruments in non-active markets, directly observable market inputs, or market inputs not directly observable but derived from or corroborated by observable market data; and
- Level 3 - defined as unobservable inputs based on an entity's own assumptions.

Interest rate risk:

All of the LLC's financial assets and liabilities are non-interest bearing with the exception of the related party payable to RBDS (note 7) which has a fixed rate of interest.

Credit risk:

Management evaluates its customers to assess credit risk and believes it has made adequate provisions for uncollectible amounts.

Concentration of credit risk related to cash and short-term investment are limited by the use of reputable banks.

10. Contingent liabilities:

The LLC may, from time to time, be subject to claims and legal proceedings brought against it in the normal course of business. Management believes that adequate provisions have been made in the accounts where required and that the ultimate resolution of such contingencies will not have a material adverse effect on the consolidated financial position of the LLC.

The LLC was named as a defendant in a putative class action complaint relating to an alleged breach of privacy requirements. The case, which was filed on January 9, 2024 and amended on

INDEPENDENT AUDITORS' REPORT

The Member
1-800-GOT-JUNK? LLC:

Opinion

We have audited the consolidated financial statements of 1-800-GOT-JUNK? LLC and its subsidiary (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of net income (loss) and comprehensive income (loss), changes in member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1-800-GOT-JUNK? LLC

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2023 and 2022

1. Nature of operations:

1-800-GOT-JUNK? LLC (the “LLC”) was incorporated under the laws of the State of Delaware as a limited liability company. The LLC was created to sell franchise rights for the operation of businesses that collect and dispose of non-hazardous refuse in the United States of America. The LLC is the master franchisor in the United States for 1-800-GOT-JUNK?.

As at December 31, 2023, the Company had 149 (2022 - 141) operating franchises and sold 8 (2022 - 6) franchises during the year then ended. The franchises sold included both 8 operating and nil non-operating franchises that have franchise agreements signed as at the year-then ended.

2. Significant accounting policies:

(a) Basis of presentation:

These consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). They include the accounts of the LLC’s wholly-owned subsidiary, 1-800-GOT-JUNK? Commercial Services (USA) LLC. All significant intercompany balances and transactions have been eliminated upon consolidation.

These consolidated financial statements were approved for issue by the member on April 29, 2024.

(b) Cash and short-term investment:

Cash includes cash on hand and investments greater than three months are included in short-term investments. Short-term investments under three months are included in cash.

(c) Use of estimates:

The presentation of consolidated financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, as well as reported revenues and expenses for the periods being reported. Estimates include the valuation of accounts receivables, deferred income tax assets, contingent liabilities, and allocation of revenue consideration to performance obligations for initial franchise fees. Actual results may differ significantly from those estimates.

(d) Revenue recognition and deferred revenue:

(i) Royalty fees:

Revenue from royalty fees is based on a fixed percentage of sales earned by the franchise locations. Royalties are recorded as revenue as the fees are earned and become receivable from the franchisees and collection is reasonably assured.

Years ended December 31, 2023 and 2022

2. Significant accounting policies (continued):

(d) Revenue recognition and deferred revenue (continued):

(ii) Sales Centre and Ad Fund:

The Sales Centre schedules sales opportunities for individual franchisees. Franchisees contribute 7% of their gross revenue to the Sales Centre to cover the cost of maintaining and developing the Sales Centre and related software. These charges are recorded as the fees are earned and become receivable from the franchisees. In the event of a surplus in the Sales Centre, the LLC may, in its sole discretion, transfer funds to the Ad Fund from time to time.

Ad Fund is used to finance marketing campaigns and promotional programs that RBDS Rubbish Boys Disposal Service Inc. ("RBDS"), the LLC's Canadian parent company, undertakes on behalf of its franchisees to increase sales and enhance the reputation of the LLC and its franchise owners. Franchisees contribute 1% of their gross revenue to the Ad Fund and these contributions are recorded when the fees are earned and become receivable from the franchisees.

Costs related to supporting the Sales Centre and Ad Fund are incurred by RBDS. Ad Fund and Sales Centre fees collected are remitted to RBDS. The amounts remitted to RBDS are recorded as expenses in the LLC.

(iii) Franchise fees:

The LLC accounts for a contract with a customer when there is approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The LLC's revenues are measured based on consideration specified and revenue is recognized as the performance obligations are satisfied by transferring the control or rendering the services to a customer.

Revenues from franchise fees consist of initial franchise fees paid by the new franchise locations, franchise renewal fees and territory expansion fees. Initial franchise fees are recognized upon the provision of the two performance obligations under the franchise agreement: the pre-launch services provided to the franchisee and access of the license and territory. Revenue attributed to the pre-launch activities is recognized at the time services are provided, whereas revenue attributed to the access of the license and territory is deferred and recognized ratably over the related term of the franchise agreement. Costs relating to initial franchise sales are expensed as incurred. Franchise renewal fees and territory expansion fees are deferred and recognized ratably over the related term of the franchise agreement.

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2023 and 2022

2. Significant accounting policies (continued):

(e) Accounts receivables:

Receivables are recorded at contractual prices. Accounts receivables generally reflect amounts due for ongoing royalty, Sales Centre fees, Ad Fund fees, and National Accounts and Strategic Alliances (“NASA”) customers. The Company maintains an allowance for doubtful accounts for estimated losses inherent in its accounts receivable portfolio. Management considers historical losses adjusted to take into account of current market conditions and customers’ financial condition, the amount of receivables in dispute, current aged receivables, and payment patterns.

The LLC reviews its allowance for doubtful accounts on an ongoing basis. Past due balances for all customer balances are reviewed individually for collectability. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote.

(f) Equipment:

Equipment is stated at cost less accumulated amortization. Amortization is provided over the estimated useful life of the asset on a straight-line basis using the following annual rates:

Asset	Rate
Vehicle	20%

Equipment is tested for impairment when events or changes in circumstances indicate that the carrying amount may not be recoverable. The Company assesses the carrying amount of equipment based on the net recoverable amounts determined on an undiscounted cash flow basis.

(g) Income taxes:

The LLC has elected to be a taxable entity. The LLC follows the asset and liability method of accounting for income taxes. Under this method, current income taxes are recognized for the estimated income taxes payable for the current period. Deferred income tax assets and liabilities are provided based on the estimated future tax effects of temporary differences between financial statement carrying amounts of assets and liabilities and their respective tax bases, as well as the benefit of losses available to be carried forward to future years for income tax purposes.

Deferred income tax assets and liabilities are measured using enacted income tax rates that are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in income tax rates is recognized in operations in the period that includes the enactment date. A valuation allowance is recorded for deferred income tax assets when it is more likely than not that such deferred income tax assets will not be realized.

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2023 and 2022

2. Significant accounting policies (continued):

(g) Income taxes (continued):

The LLC recognizes interest and penalties related to certain income tax positions in income tax expense. The LLC had no provision for uncertain income tax positions or for interest or penalties related to uncertain tax positions as at December 31, 2023 and 2022.

(h) Related party transactions:

Related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

(i) Foreign currency transactions:

The functional and reporting currency of the LLC and its subsidiary is the United States ("U.S.") dollar. The U.S. dollar is used as the functional currency as the U.S. dollar is the currency of the primary economic environment in which the LLC operates.

Monetary assets and liabilities denominated in foreign currencies are translated at the year-end exchange rates. Revenue and expense items denominated in foreign currencies are translated using the monthly average exchange rate. Exchange gains and losses, if any, are recognized in the consolidated statements of net income (loss) and comprehensive income (loss).

(j) Reacquired or repossessed franchise rights:

Upon reacquisition or repossession of franchise rights that constitute a cancellation by the LLC of the original sale, any refunds issued at management's discretion are accounted for as a reduction of revenue in the period that the franchise rights are reacquired or repossessed. Any deferred revenue remaining is written-off at the time of cancellation.

(k) Comparative information:

Certain comparative information has been reclassified to conform to the financial statement presentation adopted in the current year with no impact to net loss and member's equity.

(l) New accounting standards and accounting policy changes:

In June 2016, the FASB issued ASU No. 2016-13, *Measurement of Credit Losses on Financial Instruments*. The ASU requires measurement and recognition of expected credit losses for financial assets held by the LLC. The ASU requires entities to estimate an expected lifetime credit loss on financial assets ranging from short-term trade accounts receivable to long-term financings. The ASU is effective for the LLC for fiscal years beginning after December 15, 2022. The new guidance was adopted during the year and management's assessment concluded that there was no material impact to the financial statements.

2. Significant accounting policies (continued):

(l) New accounting standards and accounting policy changes (continued):

In December 2023, the FASB issued ASU No. 2023-09, *Income Taxes: Improvements to Income Tax Disclosures*. The ASU focuses on income tax disclosures for effective tax rates and cash income taxes paid. The ASU requires all entities to disclose the amount of net income taxes paid and the portions for federal, state, and foreign jurisdiction. The ASU is effective for the LLC for fiscal years beginning after December 15, 2025. Management is in the process of assessing the impact, if any, of the new standard.

3. Accounts receivables:

Accounts receivables are comprised of receivables from franchise partners and receivables from NASA customers where the LLC bills on behalf of the franchise partners.

	2023	2022
Receivables from NASA customers	\$ 12,091,322	\$ 6,463,368

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2023 and 2022

5. Deferred income tax assets:

Deferred income tax assets reflect the net income tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for income tax purposes. The components of the deferred income tax assets are as follows:

	2023	2022
Deferred income tax assets:		
Deferred revenue	\$ 296,247	\$ 288,608
Accrued licensing fee expense	436,270	129,118
Allowance for doubtful accounts	84,105	-
Non-capital loss	1,134,984	1,388,561
Other	123,503	38,200
	<u>\$ 2,075,109</u>	<u>\$ 1,844,487</u>

The LLC has non-capital losses totalling \$4,308,215 (2022 - \$5,489,601) which are available to reduce its taxable income in future years. The non-capital losses can be carried forward indefinitely.

Deferred income tax assets are carried at their estimated net realizable value. Management considers the scheduled realization of deferred income tax assets, projected future taxable income and tax planning strategies when assessing net realizable value. Carrying values of deferred income tax assets are subject to change in the event that management's estimates of taxable income through the carry-forward period change.

6. Income taxes:

The provision for income taxes differs from the amount computed by applying the statutory federal and state income tax rate to loss before income taxes as follows:

	2023	2022
Income taxes consist of:		
Provision for income taxes based on combined federal and state income tax rate of 26.34% (2022 - 24.52%)	\$ (12,386)	\$ (46,566)
(Decrease) Increase in income taxes resulting from:

True-up adjustment due to tax rate change	(111,484)	23,023
Others	(1,964)	-
	<u>(108,489)</u>	<u>28,887</u>
	<u>\$ (120,875)</u>	<u>\$ (17,679)</u>

1-800-GOT-JUNK? LLC

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2023 and 2022

6. Income taxes (continued):

The other differences above are due to changes in state apportionment, revisions to prior year estimates and state income tax benefits.

During the year, non-capital loss carry forwards of \$1,181,386 (2022- nil) were utilized to reduce taxable income.

The LLC files U.S. federal and various state income tax returns and tax positions are subject to income tax audits. The LLC is no longer subject to U.S. federal or state income tax examinations for fiscal years prior to December 31, 2018.

7. Related party transactions and balances:

During the years ended December 31, 2023 and 2022, RBDS charged the LLC the following:

Amounts charged to the LLC by RBDS are pursuant to a transfer pricing agreement between RBDS and the LLC that sets out formulas and calculation methodologies believed by management to result in fees that approximate those that third-party service providers or licensors would charge in similar situations.

During the years ended December 31, 2023 and 2022, the LLC charged its related parties the following royalty fees, Ad Fund fees and Sales Centre fees which are included in revenue:

	2023	2022

Years ended December 31, 2023 and 2022

9. Financial instruments:

Fair value:

The carrying value of cash, short term investment, accounts receivable, accounts payable and accrued liabilities, payable to franchise partners, due to/from related parties, approximate their fair value due to the short-term maturities of these instruments, or due to interest charged on a portion of the due to related party approximating prevailing rates.

Management does not believe that the LLC's financial instruments are exposed to any significant foreign exchange risk.

The standard establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1 - defined as quoted prices in active markets for identical instruments;
- Level 2 - defined as observable prices in active markets for similar instruments, prices for identical or similar instruments in non-active markets, directly observable market inputs, or market inputs not directly observable but derived from or corroborated by observable market data; and
- Level 3 - defined as unobservable inputs based on an entity's own assumptions.

Interest rate risk:

All of the LLC's financial assets and liabilities are non-interest bearing with the exception of the related party payable to RBDS (note 7) which has a fixed rate of interest.

Credit risk:

Management evaluates its customers to assess credit risk and believes it has made adequate provisions for uncollectible amounts.

Concentration of credit risk related to cash and short-term investment are limited by the use of reputable banks.

10. Contingent liabilities:

The LLC may, from time to time, be subject to claims and legal proceedings brought against it in the normal course of business. Management believes that adequate provisions have been made in the accounts where required and that the ultimate resolution of such contingencies will not have a material adverse effect on the consolidated financial position of the LLC.

There are no outstanding claims or legal proceedings as at December 31, 2023.

11. Subsequent events:

The LLC evaluated subsequent events through April 29, 2024, the date these consolidated financial statements were available to be issued.

Subsequent to the year-end, the LLC was named as a defendant in a putative class action complaint relating to an alleged breach of privacy requirements. The case, which was filed on January 9, 2024 and amended on March 25, 2024, is captioned Justin Serna et al., individually and on behalf of all others similarly situated v. 1-800-Got-Junk? LLC, No. 5:24-cv-00047 (U.S. District Court for the Central District of California). The aggregate claims of all members of the class are alleged to be in excess of \$5,000,000 but due to the inherent uncertainties in matters of this type, and the early stage of the litigation process, the potential outcome of this matter is not currently determinable and no provision has been recognized in these financial statements.

Subsequent to the year-end, National Accounts, LLC was formed under the laws of the State of Delaware as a limited liability company and is a wholly-owned subsidiary of the LLC.

We have audited the consolidated financial statements of 1-800-GOT-JUNK? LLC and its subsidiary (the Company), which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of net loss and comprehensive loss, changes in member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1-800-GOT-JUNK? LLC

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2022 and 2021

1. Nature of operations:

1-800-GOT-JUNK? LLC (the “LLC”) was incorporated under the laws of the State of Delaware as a limited liability company. The LLC was created to sell franchise rights for the operation of businesses that collect and dispose of non-hazardous refuse in the United States of America. The LLC is the master franchisor in the United States for 1-800-GOT-JUNK?.

As at December 31, 2022, the Company had 141 (2021 - 133) operating franchises and sold 6 (2021 - 2) franchises during the year then ended. The franchises sold included both operating and non-operating franchises that have franchise agreements signed as at the year-then ended.

2. Significant accounting policies:

(a) Basis of presentation:

These consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). They include the accounts of the LLC’s wholly-owned subsidiary, 1-800-GOT-JUNK? Commercial Services (USA) LLC. All significant intercompany balances and transactions have been eliminated upon consolidation.

These consolidated financial statements were approved for issue by the member on April 28, 2023.

(b) Use of estimates:

The presentation of consolidated financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, as well as reported revenues and expenses for the periods being reported. Estimates include the valuation of accounts receivables, deferred income tax assets and contingent liabilities. Actual results may differ significantly from those estimates.

(c) Revenue recognition and deferred revenue:

(i) Royalty fees:

Revenue from royalty fees is based on a fixed percentage of sales earned by the franchise locations. Royalties are recorded as revenue as the fees are earned and become receivable from the franchisees and collection is reasonably assured.

(ii) Franchise fees:

The LLC accounts for a contract with a customer when there is approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The LLC’s revenues are measured based on consideration specified and revenue is recognized as the performance obligations are satisfied by transferring the control or rendering the services to a customer.

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2022 and 2021

2. Significant accounting policies (continued):

(c) Revenue recognition and deferred revenue (continued):

(ii) Franchise fees (continued):

Revenues from franchise fees consist of initial franchise fees paid by the new franchise locations, franchise renewal fees and territory expansion fees. Initial franchise fees are recognized upon the provision of the two performance obligations under the franchise agreements: the pre-launch services provided to the franchisees and access of the license and territory. Revenue attributed to the pre-launch activities is recognized at the time services are provided, whereas revenue attributed to the access of the license and territory is deferred and recognized over the related term of the franchise agreements as the services are provided. Costs relating to initial franchise sales are expensed as incurred. Franchise renewal fees and territory expansion fees are deferred and recognized over the related term of the franchise agreement as the services are provided.

(iii) Sales Centre and Ad Fund:

The Sales Centre schedules sales opportunities for individual franchisees. Franchisees contribute 7% of their gross revenue to the Sales Centre to cover the cost of maintaining and developing the Sales Centre and related software. These charges are recorded as the fees are earned and become receivable from the franchisees. In the event of a surplus in the Sales Centre, the LLC may, in its sole discretion, transfer funds to the Ad Fund from time to time.

Ad Fund is used to finance marketing campaigns and promotional programs that RBDS Rubbish Boys Disposal Service Inc. ("RBDS"), the LLC's Canadian parent company, undertakes on behalf of its franchisees to increase sales and enhance the reputation of the LLC and its franchise owners. Franchisees contribute 1% of their gross revenue to the Ad Fund and these contributions are recorded when the fees are earned and become receivable from the franchisees.

Costs related to supporting the Sales Centre and Ad Fund are incurred by RBDS. Ad Fund and Sales Centre fees collected are remitted to RBDS. The amount remitted to RBDS are recorded as expense in the LLC.

(d) Accounts receivables:

Receivables are recorded at contractual prices. Accounts receivables generally reflect amounts due for ongoing royalty, Sales Centre fees, Ad Fund fees, and National Accounts and Strategic Alliances ("NASA") customers. An allowance for doubtful accounts is maintained for estimated losses resulting from the inability of franchisees and other certain customers to make required payments.

Years ended December 31, 2022 and 2021

2. Significant accounting policies (continued):

(e) Capital assets:

Capital assets are stated at cost less accumulated amortization. Amortization is provided over the estimated useful life of the asset on a straight-line basis using the following annual rates:

Asset	Rate
Vehicle	20%

Capital assets are tested for impairment when events or changes in circumstances indicate that the carrying amount may not be recoverable. The Company assesses the carrying amount of capital assets based on the net recoverable amounts determined on an undiscounted cash flow basis.

(f) Income taxes:

The LLC has elected to be a taxable entity. The LLC follows the asset and liability method of accounting for income taxes. Under this method, current income taxes are recognized for the estimated income taxes payable for the current period. Deferred income tax assets and liabilities are provided based on the estimated future tax effects of temporary differences between financial statement carrying amounts of assets and liabilities and their respective tax bases, as well as the benefit of losses available to be carried forward to future years for income tax purposes.

Deferred income tax assets and liabilities are measured using enacted income tax rates that are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in income tax rates is recognized in operations in the period that includes the enactment date. A valuation allowance is recorded for deferred income tax assets when it is more likely than not that such deferred income tax assets will not be realized.

The LLC recognizes interest and penalties related to certain income tax positions in income tax expense. The LLC had no provision for uncertain income tax positions or for interest or penalties related to uncertain tax positions as at December 31, 2022 and 2021.

(g) Related party transactions:

Related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2022 and 2021

2. Significant accounting policies (continued):

(h) Foreign currency transactions:

The functional and reporting currency of the LLC and its subsidiary is the United States ("U.S.") dollar. The U.S. dollar is used as the functional currency as the U.S. dollar is the currency of the primary economic environment in which the LLC operates.

Monetary assets and liabilities denominated in foreign currencies are translated at the year-end exchange rates. Revenue and expense items denominated in foreign currencies are translated using the monthly average exchange rate. Exchange gains and losses, if any, are recognized in the consolidated statements of net income (loss) and comprehensive income (loss).

(i) Reacquired or repossessed franchise rights:

Upon reacquisition or repossession of franchise rights that constitute a cancellation by the LLC of the original sale, any refunds issued are accounted for as a reduction of revenue in the period that the franchise rights are reacquired or repossessed. Any deferred revenue remaining is written-off at the time of cancellation.

(j) Comparative information:

Certain comparative information has been reclassified to conform to the financial statement presentation adopted in the current year.

(k) New accounting standards and accounting policy changes:

In February 2016, the FASB established Topic 842, *Leases*, by issuing Accounting Standards Update No. 2016-02, which requires lessors to classify leases as a sales-type, direct financing, or operating lease. Topic 842 was subsequently amended by ASU No. 2018-01, *Land Easement Practical Expedient for Transition to Topic 842*; ASU No. 2018-10, *Codification Improvements to Topic 842, Leases*; and ASU No. 2018-11, *Targeted Improvements*. A lease is a sales-type lease if any one of five criteria are met, each of which indicate that the lease, in effect, transfers control of the underlying asset to the lessee. If none of those five criteria are met, but two additional criteria are both met, indicating that the lessor has transferred substantially all the risks and benefits of the underlying asset to the lessee and a third party, the lease is a direct financing lease. All leases that are not sales type or direct financing leases are operating leases. The new guidance is effective for fiscal years

2. Significant accounting policies (continued):

(k) New accounting standards and accounting policy changes (continued):

beginning after December 15, 2021. The new guidance was adopted during the year and management's assessment concluded that there was no material impact to the financial statements.

In December 2020, the FASB issued ASU No. 2019-12, *Simplifying the Accounting for Income Taxes*. This ASU removes certain exceptions for investments, intra-period tax allocations and interim calculations, and adds guidance to reduce complexity in accounting for income taxes. The ASU is effective for the LLC for fiscal years, beginning after December 15, 2021. The new guidance was adopted during the year and management's assessment concluded that there was no material impact to the financial statements.

In June 2016, the FASB issued ASU No. 2016-13, *Measurement of Credit Losses on Financial Instruments*. The ASU requires measurement and recognition of expected credit losses for financial assets held by the LLC. The ASU requires entities to estimate an expected lifetime credit loss on financial assets ranging from short-term trade accounts receivable to long-term financings. The ASU is effective for the LLC for fiscal years beginning after December 15, 2022. Management is in the process of assessing the impact, if any, of the new standard.

In May 2019, the FASB issued ASU No. 2019-05, *Financial Instruments - Credit Losses* ("Topic 326"). The ASU provides final guidance that allows entities to make an irrevocable one-time election upon adoption of the new credit losses standard to measure financial assets at amortized cost (except held-to-maturity securities) using the fair value option. The ASU is effective for the LLC for fiscal years beginning after December 15, 2022. Management is in the process of assessing the impact, if any, of the new standard.

5. Deferred income tax assets:

Deferred income tax assets reflect the net income tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for income tax purposes. The components of the deferred income tax assets are as follows:

	2022	2021
Deferred income tax assets:		
Deferred franchise fees	\$ 288,608	\$ 214,433
Accrued licensing fee expense	129,118	1,580,606
Non-capital loss	1,388,561	-

	\$ 1,844,487	\$ 1,812,114

The LLC has non-capital losses totalling \$5,662,554 (2021 - nil) which are available to reduce its taxable income in future years. The non-capital losses can be carried forward indefinitely.

Deferred income tax assets are carried at their estimated net realizable value. Management considers the scheduled realization of deferred income tax assets, projected future taxable income and tax planning strategies when assessing net realizable value. Carrying values of deferred income tax assets are subject to change in the event that management's estimates of taxable income through the carry-forward period change.

	2022	2021
Income taxes consist of:		
Provision for income taxes based on combined federal and state income tax rate of 24.52% (2021 - 24.64%)	\$ (46,566)	\$ (6,733)
Increase in income taxes resulting from:

Others	23,023	10,075

Under the Agreement, the LLC has been granted an exclusive license solely in the United States to grant sublicenses to third parties in accordance with a franchise agreement and to use certain intellectual property of RBDS amongst other things.

Amounts charged to the LLC by RBDS are pursuant to a transfer pricing agreement between RBDS and the LLC that sets out formulas and calculation methodologies believed by management to result in fees that approximate those that third-party service providers or licensors would charge in similar situations.

9. Financial instruments:

Fair value:

The carrying value of cash and equivalents, accounts receivable, accounts payable and accrued liabilities, payable to franchise partners, due to/from related parties, and deposits, approximate their fair value due to the short-term maturities of these instruments, or due to interest charged on a portion of the due to related party approximating prevailing rates.

Management does not believe that the LLC's financial instruments are exposed to any significant foreign exchange risk.

The standard establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1 - defined as quoted prices in active markets for identical instruments;
- Level 2 - defined as observable prices in active markets for similar instruments, prices for identical or similar instruments in non-active markets, directly observable market inputs, or market inputs not directly observable but derived from or corroborated by observable market data; and

Notes to Consolidated Financial Statements

(Amounts expressed in United States dollars, unless otherwise indicated)

Years ended December 31, 2022 and 2021

11. Subsequent events:

The LLC evaluated subsequent events through April 28, 2023, the date these consolidated financial statements were issued.

Subsequent to the year-end, the LLC was named as a defendant in a putative class action complaint relating to an alleged breach of privacy requirements. The case, which was filed on April 18, 2023, is captioned Valerie Torres, individually and on behalf of all others similarly situated v. 1-800-Got-Junk? LLC, No. 2:23-cv-02916 (U.S. District Court for the Central District of California). The aggregate claims of all members of the class are in excess of \$5,000,000 but due to the inherent uncertainties in matters of this type, and the early stage of the litigation process, the potential outcome of this matter is not currently determinable and no provision has been recognized in these financial statements.

(the “Franchisor”)

WHEREAS:

- B. In order to induce the Franchisor to enter into the Franchise Agreement with the Franchisee, the Guarantor has agreed to execute and deliver this Agreement.
- C. The Guarantor, who is a shareholder (directly or indirectly), director, officer, member or partner of the Franchisee and thereby benefits from the Franchise Agreement and stands to benefit from the grant of the licence to the Franchisee, has agreed to execute and deliver this Agreement.
- D. Capitalized terms used but not defined in this Agreement shall have their respective meanings as defined the Franchise Agreement.

THIS AGREEMENT WITNESSES that in consideration of the Franchisor entering into the Franchise Agreement and other good and valuable consideration (the receipt and sufficiency whereof is hereby acknowledged by the Guarantor), the Guarantor covenants and agrees with and in favor of the Franchisor as follows:

PART 1 - GUARANTEE

- 1. The Guarantor warrants that the facts contained in Recitals A, B, and C are correct.
- 2. The Guarantor shall at all times during the term of the Franchise Agreement and during any exercised extension or renewal of the term of the Franchise Agreement and until all of the terms, covenants and conditions of all agreements and dealings between the Franchisee and the Franchisor have been fully and completely performed by the Franchisee or otherwise discharged by the Franchisor:

- (a) guaranty the full and punctual payment and performance of all present and future obligations, liabilities, covenants and agreements required to be observed and performed or paid or reimbursed by the Guarantor under or relating to the Franchise Agreement, plus all costs, expenses and fees (including the reasonable fees and expenses of the Franchisor's counsel) in any way relating to the enforcement or protection of Franchisor's rights hereunder, including without limitation, (i) royalty, minimum royalty, marketing royalty, amounts owing for products and inventory purchased by the Franchisee, rent, additional rent, monies, charges and other amounts of any kind whatsoever payable by the Franchisee to the Franchisor pursuant to any agreements or dealings between the Franchisee and the Franchisor, and (ii) the prompt and complete performance of any and all terms, covenants and conditions on the part of the Franchisee to be kept, observed and performed under any agreements or dealings between the Franchisee and the Franchisor, including without limitation the terms, covenants and conditions on the part of the Franchisee to be kept, observed and performed under the Franchise Agreement; and
- (b) indemnify and save harmless the Franchisor from any loss, costs or damages arising out of any failure by the Franchisee to observe or perform any and all of the terms, covenants and conditions contained in the Franchise Agreement,

(collectively the “**Obligations**”).

3. The Guarantor covenants and agrees with the Franchisor as follows:

- (a) the liability of the Guarantor to the Franchisor shall be for all purposes as if the Guarantor was primary obligor under the Franchise Agreement and any other agreement between the Franchisee and the Franchisor, and not merely a surety for the Obligations of the Franchisee, and the Franchisor shall not be obliged to resort to or exhaust any recourse which the Franchisor may have against the Franchisee or any other person who may be liable to the Franchisor in respect of the Obligations before being entitled to claim against the Guarantor, and the Guarantor renounces all benefits of discussion and division;
- (b) the liability of the Guarantor to the Franchisor is for the full amount of the Obligations, without apportionment, limitation or restriction of any kind, and is absolute, unconditional and irrevocable by the Guarantor and will not be affected by any act, omission, law or circumstance that would reduce, release or prejudice its liability under this Agreement, or might constitute a legal or equitable defense to or a discharge, limitation or reduction of the Guarantor’s liability under this Agreement, and the Guarantor expressly and unconditionally waives any right to terminate this Agreement;
- (c) no dealings between the Franchisor and the Franchisee of any kind, including without limitation any amendment of any agreement between the Franchisee and the Franchisor (including without limitation the Franchise Agreement) or any waiver or release of any of the Obligations therein or performance thereof by the Franchisee, whether with or without notice to the Guarantor, shall affect the liability of the Guarantor hereunder and the Franchisor may take, abstain from taking or perfecting, vary, exchange, renew, discharge, give up, realize on or otherwise deal with securities and guarantees in such manner as the Franchisor may see fit, and the Franchisor may apply all moneys received from the Franchisee or others or from securities or guarantees upon such parts of the Obligations as the Franchisor may see fit and change any such application in whole or in part from time to time;

- (d) any account settled or stated or any other settlement made between the Franchisor and the Franchisee, and any determination made pursuant to any of the Obligations which is expressed to be binding upon the Franchisee shall be binding upon the Guarantor;
 - (e) the Guarantor shall make payment of any amount properly payable by the Franchisee to the Franchisor in respect of the Obligations upon demand by the Franchisor, and shall, upon demand by the Franchisor, perform every part of the Obligations that the Franchisee has failed to perform;
 - (f) no complete or partial assignment of the Franchise Agreement, or any other dealings therewith by the Franchisee, whether with or without the consent of the Franchisor, will affect the guarantee, postponement, covenant and other agreements herein contained;
 - (g) the provisions herein contained are not limited to any particular period of time but shall continue until all of the terms, covenants and conditions of the Franchise Agreement have been fully, completely and indefeasibly performed by the Franchisee or otherwise discharged by the Franchisor, and the Guarantor shall not be released from any liability under this Agreement so long as there is any claim of the Franchisor against the Franchisee arising out of the Obligations that has not been fully performed, settled or discharged nor shall this Agreement be affected by the death, disability or reorganization (whether by way of amalgamation, transfer, sale, lease or otherwise) of the Franchisee or any of its directors, officers or shareholders, or any change in the Guarantor's financial condition or in the business or financial condition of the Franchisee or any of its directors, officers or shareholders (including by way of insolvency, bankruptcy or receivership); and
 - (h) in the event of any payment by or recovery from the Guarantor under this Agreement, the rights of the Guarantor shall in respect of such payment rank subsequent to the rights of the Franchisor and in the event of any recovery from the Franchisee or realization of any assets of the Franchisee, the Guarantor shall not be entitled to rank for payment in competition with the Franchisor. Until the Franchisor shall have received indefeasible payment in full of all moneys due and owing by the Franchisee in respect of the Obligations, the Guarantor shall not have any right, claim or demand against the Franchisee ranking equally with or in priority to the rights of the Franchisor against the Franchisee.
4. Until all Obligations of the Franchisee have been indefeasibly satisfied in full, the Guarantor unconditionally waives any benefit of, and any right to participate in, any security which is now held or may hereafter be held by the Franchisor. The Guarantor unconditionally waives any right to receive from the Franchisor any communication whatsoever with respect to performance of the Obligations by the Franchisee (including any subsequently created obligation or liability of the Guarantor to the Franchisor). The Guarantor assumes the entire responsibility for remaining informed as to the business, financial condition and liabilities of the Franchisee, and of all other circumstances bearing upon the risk of non-satisfaction of any of the Obligations by the Franchisee.

PART 2 - POSTPONEMENT

5. The Guarantor defers, postpones and subordinates in the manner hereinafter set forth all debts and liabilities, whether direct or indirect, absolute or contingent, whether now or at any time hereafter owing by the Franchisee to the Guarantor, including without limitation all loans, interest, dividends of all kinds, salaries, bonuses, fees, gifts, advances, benefits or otherwise (collectively the “**Guarantor's Claims**”) to the obligations guaranteed hereby and the Guarantor hereby assigns and

transfers to the Franchisor every right and power of the Guarantor relating to the Guarantor's Claims.

6. So long as the provisions of this Agreement continue in effect:
 - (a) any right of the Guarantor to receive at any time any payment of or on account of any of the Guarantor's Claims will be subordinated to every right of the Franchisor to receive payment of or on account of any of the Obligations and the Guarantor shall not commence any action, take any proceeding, collect or receive any payment upon, by set-off or counterclaim or in any other manner, any of the Guarantor's Claims, or assign, charge, mortgage, pledge, sell, transfer or otherwise encumber or give a security interest in or to any of the Guarantor's Claims;
 - (b) any money received by the Guarantor in payment of any of the Guarantor's Claims shall be received and held in trust by the Guarantor;
 - (c) all dividends, compositions, proceeds of securities, securities valued or payments received by the Franchisor from the Franchisee or others or from estates in respect of the guaranteed liabilities shall be regarded, for all purposes, as payments in gross without any right on the part of the Guarantor to claim the benefit thereof in reduction of the liability under this Agreement; and
 - (d) the Guarantor shall not claim any set-off or counterclaim against the Franchisee in respect of any liability of the Franchisee to the Guarantor, claim or prove in the bankruptcy or insolvency of the Franchisee in competition with the Franchisor. The Guarantor hereby waives any and all present or future right to be subrogated to the Franchisor, and hereby releases any and all present or future right to enforce any such subrogated claims until all Obligations of the Franchisee have been indefeasibly satisfied in full. The Guarantor hereby agrees at any time and from time to time, upon request by the Franchisor and at the expense of the Guarantor, to execute such further documents and instruments as may be necessary to implement and give effect to this waiver of rights of subrogation and release, including without limitation any documents or instruments as may be necessary to allow the Franchisor, the Franchisee or any other person to rely upon or to enforce this waiver of rights of subrogation and release.

PART 3 – PERSONAL COVENANTS

7. As additional personal covenants (and without limiting the generality of the other provisions of this Agreement) the Guarantor as primary obligor unconditionally covenants and agrees to be bound personally to comply with each of the terms, covenants, and conditions contained in the Franchise Agreement, including without limitation, the following provisions of the Franchise Agreement, as if the Guarantor personally was the Franchisee: Section 3 (Fees), Section 6 (Services), Section 7.1 (Standards of Operation), Section 8.5 (Inspection and Audit Rights), Section 10 (Marketing), Section 12 (License Granted to Franchisee), Section 13 (Operations Manual), Section 14 (Further Obligations of Franchisee), Section 18 (Franchisee's Obligations Upon Expiration or Termination), Section 20 (Assignment or Transfer), Section 21 (Non-Competition), Section 22 (Indemnity) and Section 23.6 (Payment of Taxes).
8. Without limiting the generality of Section 7 or other provisions of this Agreement, the Guarantor shall neither use nor permit any of its agents or other representatives to use for any purpose inconsistent with the Franchise Agreement nor reveal to any person, firm or corporation, both while

this Agreement is in force and for an unlimited time thereafter, any confidential information which the Guarantor has acquired through or as a result of its relationship with the Franchisor including, without limitation, any contents of this Agreement, the Franchise Agreement and the Operations Manuals (as defined in the Franchise Agreement) unless such information becomes public knowledge through no fault of the Guarantor.

9. Without limiting the generality of Section 7 or other provisions of this Agreement:
- (a) except as expressly permitted by the Franchise Agreement or by any other written agreement between the Franchisor and the Guarantor, the Guarantor agrees that during the term of the Franchise Agreement and any exercised extension or renewal of the term of the Franchise Agreement, the Guarantor shall not directly or indirectly, either alone or in any relationship with any other person, firm, corporation, partnership, joint venture or other business organization, whether as an employee, consultant, principal, agent, member, partner, shareholder, director, officer, guarantor, indemnitor, creditor, supplier, landlord, sublandlord or in any other capacity whatsoever, (1) compete with the System (or any system owned by Franchisor or one of its Affiliates, at any time during the Term and any duly exercised Renewal Term), or (2) carry on, engage in, franchise, license, advise, supervise, manage, supply, loan money to, guarantee or indemnify the duties or obligations of, or be otherwise financially concerned or interested in any other person, firm, corporation, partnership, joint venture or other entity engaged in or concerned with or interested in any Competitive Business. For the purposes of this Agreement, “**Competitive Business**” means any retail business providing junk removal services at residential or commercial premises, but does not include the provision of municipal trash removal services;
 - (b) except as expressly permitted by the Franchise Agreement or by any other written agreement between the Franchisor and the Guarantor, the Guarantor agrees that for a period of eighteen (18) months after expiration or termination of the Franchise Agreement the Guarantor shall not directly or indirectly, either alone or in any relationship with any other person, firm, corporation, partnership, joint venture or other business organization, whether as an employee, consultant, principal, agent, member, partner, shareholder, director, officer, guarantor, indemnitor, creditor, supplier, landlord, sublandlord or in any other capacity whatsoever, (1) compete with the System (or any other system owned by the Franchisor, or one of its Affiliates, at the date of expiration or termination of the Franchise Agreement), or (2) carry on, engage in, franchise, license, advise, supervise, manage, supply, loan money to, guarantee or indemnify the duties or obligations of, or be otherwise financially concerned or interested in any other person, firm, corporation, partnership, joint venture or other entity engaged in or concerned with or interested in any Competitive Business located: (i) at the Franchised Location, (ii) within the Territory, (iii) within any territory of another duly authorized franchisee of the Franchisor which is in existence at the date of expiration or termination of the Franchise Agreement; or (iv) within the metropolitan area in which the Territory is located, as more particularly described in Schedule B of the Franchise Agreement;
 - (c) notwithstanding anything else contained in this Agreement and the Franchise Agreement, the non-competition obligations contained in Sections 9(a) and 9(b) of this Agreement do not apply to shares owned or held by the Guarantor in the capital stock of any company that is traded on a stock exchange as long as the Guarantor does not either individually or collectively with the Franchisee own more than 5% of the issued and outstanding shares of such company;

- (d) this Section 9 shall continue to be binding upon the Guarantor in the case of any permitted assignment of the Franchise Agreement or any sale of the Franchised Business. This Section 9 shall survive the expiration or termination of this Agreement and the Franchise Agreement;
- (e) the Guarantor acknowledges that by reason of the unique nature and considerable value of the Marks (as defined in the Franchise Agreement) and the business reputation associated with the Franchisor and the System (as defined in the Franchise Agreement), including methods of operating, format and related proprietary rights and by reason of the Franchisee's and the Guarantor's knowledge of and association and experience with the System, the provisions of this Section 9 are reasonable and commensurate for the protection of the legitimate business interests of the Franchisor, its affiliates and franchisees. In the event any portion of the covenants in this Section 9 violates laws affecting the Guarantor, or is held invalid or unenforceable in a final judgment to which Franchisor and Guarantor are parties, then the maximum legally allowable restriction permitted by law shall control and bind Franchisee. The Franchisor may, by written notice to the Guarantor, reduce one or more of the temporal, territorial or scope of restricted activities aspects of non-competition provided in this Section 9; and
- (f) the Guarantor acknowledges that a breach of the non-competition obligations set out in this Section 9 will result in loss to the Franchisor for which the Franchisor could not be adequately compensated in damages by a monetary award. Accordingly, the Guarantor agrees that in the event of a breach of this Section 9, the Franchisor shall, in addition to all of the remedies available to the Franchisor at law or in equity, be entitled as a matter of right to a restraining order, injunction (including an interim injunction), decree of specific performance or otherwise, without the need to post any bond or other security in connection therewith, to ensure compliance by the Guarantor with the provisions of this Section 9 and preservation of the Franchisor's proprietary rights.

PART 4 – GENERAL

- 10. This Agreement is binding upon the Guarantor and his or her respective heirs, personal representatives and assigns, and inures to the benefit of the Franchisor, its successors and assigns. The Franchisor may assign this Agreement in whole or in part with written notice to the Guarantor, and in such event the assignee and any subsequent assignees shall have the same rights and remedies as if originally named herein as the Franchisor, free of any and all intervening equities. The Guarantor shall pay all amounts due to accountants, lawyers and other professional advisors which are incurred by the Franchisor in connection with the creation, execution, administration and enforcement of this Agreement. The Guarantor may not assign nor delegate any of the Obligations.
- 11. This Agreement shall be in addition to and not in substitution for any other guarantees or other securities that the Franchisor may now or hereafter hold in respect of the Obligations and the Franchisor shall be under no obligation to marshal in favour of the Guarantor any other guarantees or other securities or any moneys or other assets that the Franchisor may be entitled to receive or may have a claim upon, and no loss of or in respect of or unenforceability of any other guarantees or other securities that the Franchisor may now or hereafter hold in respect of the guaranteed liabilities, whether occasioned by the fault of the Franchisor or otherwise, shall in any way limit or lessen the Guarantor's liability.
- 12. No alteration or amendment hereof or waiver of any provision of this Agreement shall be binding on the Franchisor, unless it is in writing signed by a duly authorized officer of the Franchisor.

13. In the event that there is more than one Guarantor, or if the Guarantor should be comprised of more than one legal entity, their liability hereunder shall be both joint and several. A breach hereunder by one such entity or Guarantor shall be deemed to be a breach by both or all.
14. This Agreement embodies all the agreements between the parties hereto relative to the guarantee, assignment and postponement by the Guarantor under this Agreement and none of the parties shall be bound by any representation or promise made by any person relative thereto which is not embodied herein, and it is specifically agreed that the Franchisor shall not be bound by any representations or promises made by the Franchisee to the Guarantor. Possession of this instrument by the Franchisor shall be conclusive evidence against the Guarantor that the instrument was not delivered in escrow or pursuant to any agreement that it should not be effective until any condition precedent or subsequent has been complied with and this Agreement shall be operative and binding notwithstanding the non-execution thereof by any proposed signatory.
15. This Agreement shall be interpreted and construed in accordance with, and governed by, the laws that govern the Franchise Agreement.
16. The Guarantor agrees that the provisions of Sections 23.14 (Arbitration), 23.15 (Injunctive Relief), 23.16 (Prevailing Party), 23.18 (Class Actions), and 23.25 (Time of Essence) of the Franchise Agreement are applicable to this Agreement and are incorporated herein by reference.
167. The Guarantor acknowledges that he or she has obtained or had the opportunity to obtain independent legal advice before signing this Agreement.
18. Except as prohibited by applicable law, the Guarantor, in execution of this Guaranty, hereby:
 - (a) Waives notice of acceptance of this Guaranty, and generally, except as set forth in Section 3 above, waives all demands and notices of every kind in connection with this Agreement.
 - (b) Waives diligence, demand of payment, all notices (whether of non-performance, nonpayment, protest or otherwise) with respect to the Franchise Agreement, and all rights to require the Franchisor to: (a) proceed against the Franchisee; (b) proceed against or exhaust any other security for the Obligations; (c) pursue any other remedy it may now or hereafter have against the Franchisee; (d) make any presentment, protest, demand, or notice of any kind, including notice of any nonpayment of the indebtedness or any nonpayment related to collateral, or notice of any action or non-action on the part of the Franchisee, the Franchisor, and surety, endorser, or other guarantor in connection with the Obligations or in connection with the creation of new or additional loans or other obligations; (e) to resort for payment or to proceed directly or at once against any person, including the Franchisee or any other guarantor(s) or letter of credit issuers; (f) to proceed directly against or exhaust any collateral held by Franchisor from the Franchisee, any other guarantor(s), or any other person; or (g) to pursue any other remedy within the Franchisor's power.
19. The Guarantor represents and warrants to the Franchisor that: (a) no representations or agreements of any kind have been made to the Guarantor that would limit or qualify in any way the terms of this Agreement; (b) this Agreement is executed at the Guarantor's request and not at the request of the Franchisor; and (c) the Guarantor has full power, right and authority to enter into this Agreement.

IN WITNESS WHEREOF the Guarantor and Franchisor have signed this Agreement under seal with effect from the date first above written.

(j) do, make and execute, from time to time at the Secured Party's request, all such financing statements, further assignments, documents, acts, matters and things as may be reasonably required by the Secured Party with respect to the Collateral or any part thereof or as may be required to give effect to these presents, and the Debtor hereby constitutes and appoints the Secured Party or any receiver, manager or receiver-manager appointed by the Court or the Secured Party as hereafter set out (all of whom are hereinafter referred to as the "**Receiver**"), the true and lawful attorney and agent of the Debtor irrevocably with full power of substitution to do, make and execute all such assignments, documents, acts, matters or things with the right to use the name of the Debtor whenever and wherever it may be deemed necessary or expedient. The Receiver shall, from the date of the appointment, be an agent and officer of the Debtor. The Debtor shall be solely responsible for the acts, costs, defaults and remuneration of the Receiver and the Secured Party shall bear no liability therefor;

(k) give immediate notice to the Secured Party in the event of a change of the individual, corporate or trade name or of a change of the residential or business address of the Debtor;

(l) give immediate notice to the Secured Party of any sale of any of the Collateral and of the serial number, year, make and model of all Serial Numbered Goods at any time included in the Collateral or such other information as may be necessary from time to time for Secured Party to properly perfect its security interest in the Collateral;

- (g) if the Secured Party in good faith believes upon commercially reasonable grounds that the prospect of payment or performance on the part of the Debtor of any of its obligations is, or is about to be, impaired or that the Collateral, or any part thereof, is, or is about to be, in jeopardy including danger of being lost, damaged or confiscated or removed from the jurisdiction in which it is situate.

ARTICLE VIII - ENFORCEMENT AND REMEDIES

- (a) the Secured Party may appoint by instrument in writing a Receiver of all or any part of the Collateral and remove or replace such Receiver from time to time or may institute proceedings in any Court of competent jurisdiction for the appointment of such a Receiver. Any such Receiver or Receivers so appointed shall have power to take possession of the Collateral hereby charged or to carry on the business of the Debtor and to concur in selling any of such Collateral or any part thereof, and for such purposes to occupy and use any real or personal property of the Debtor without charge therefor for so long as may be necessary;
- (b) the Secured Party may demand that the Debtor assemble the Collateral or any part thereof, in any convenient place designated by the Secured Party and deliver possession of all of the Collateral or any part thereof to the Secured Party;
- (c) the Secured Party may take such steps as it considers necessary or desirable to obtain possession of all or any part of the Collateral, and to that end the Debtor agrees that the Secured Party may by its servants, agents or Receiver at any time during the day or night enter upon lands and premises, and if necessary enter into houses, buildings and other enclosures where the Collateral may be found for the purpose of taking possession of and removing the Collateral or any part thereof;
- (d) the Secured Party may seize, collect, realize, borrow money on the security of, release to third parties or otherwise deal with the Collateral or any part thereof in such manner, upon such terms

and conditions and at such time or times as may seem to it advisable and without notice to the Debtor (except as otherwise required by any applicable law);

(e) the Secured Party may charge the Debtor for any expense incurred by the Secured Party (including taxes, insurance, legal fees and disbursements on a solicitor and own client basis, site inspection costs, and appraisal, accounting and receiver fees) in protecting, seizing, collecting, realizing, borrowing on the security of, selling or obtaining payment of the Collateral or any part thereof and may add the amount of such sums to the indebtedness of the Debtor;

(f) the Secured Party may elect to retain all or any part of the Collateral in satisfaction of the obligations, indebtedness and liabilities of the Debtor to the Secured Party;

(g) the Secured Party may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release any part of the Collateral to third parties and otherwise deal with the Debtor, debtors of the Debtor, sureties and others and with the Collateral and other securities as the Secured Party may see fit without prejudice to the liability of the Debtor or the Secured Party's right to hold and realize the Collateral;

(h) in the event of the Secured Party taking possession of the Collateral, or any part thereof in accordance with the provisions of this Agreement, the Secured Party shall have the right to maintain the same upon the premises on which the Collateral may then be situate and for the purpose of such maintaining shall be entitled to the free use and enjoyment of all necessary buildings, premises, housing, stabling, shelter and accommodation for the proper maintaining, housing and protection of the Collateral so taken possession of by the Secured Party as aforesaid, and for its servant or servants, assistant or assistants and the Debtor covenants and agrees to provide the same without cost or expense to the Secured Party until such time as the Secured Party shall determine in its discretion to remove, sell or otherwise dispose of the Collateral so taken possession of by it as aforesaid;

(i) to facilitate the realization of the Collateral, the Secured Party may carry on or concur in the carrying on of all or part of the business of the Debtor and may, to the exclusion of all others, including the Debtor, enter upon, occupy and use all or any of the premises, buildings, plant and undertaking of the Debtor or occupied or used by the Debtor, and use all or any of the tools, machinery and equipment of the Debtor for such time as the Secured Party sees fit, free of charge, to manufacture or complete the manufacture of any inventory and to pack and ship the finished product, and the Secured Party shall not be liable to the Debtor for any neglect in so doing or in respect of any rent, rent charges, depreciation or damages in connection with such actions;

(j) the Secured Party may, if it deems it necessary for the proper realization of all or any part of the Collateral, pay any encumbrance, lien, claim or charge that may exist or be threatened against the Collateral and in every such case the amounts so paid together with costs, charges and expenses incurred in connection therewith shall be added to the Obligations at the date of payment thereof by the Secured Party;

(k) the Secured Party may sell, lease or otherwise dispose of all or any part of the Collateral, whether by public or private sale or lease or otherwise, in such manner, at such price as can be reasonably obtained therefore and on such terms as to credit, including deferring payment for the Collateral so disposed of, and with such conditions of sale and stipulations as to title or conveyance or evidence of title or otherwise as to the Secured Party may seem reasonable, provided that if any sale is on credit the Debtor will not be entitled to be credited with the proceeds of any such sale, lease or other disposition until the monies therefor are actually received; and

(l) all monies collected or received by the Secured Party in respect of the Collateral may be applied on account of such parts of the indebtedness and liability of the Debtor as to the Secured Party seems best or may be held inappropriate in a Collateral account or in the discretion of the Secured Party may be released to the Debtor, all without prejudice to the Secured Party's claims upon the Debtor.

8.2 Notwithstanding anything contained in Article 8.1 herein, the Secured Party shall have the right to collect any payment arising from any Account Receivables or Intangibles both before and after default.

8.3 The rights and remedies herein conferred upon the Secured Party shall be cumulative and not alternative and shall be in addition to and not in substitution for or in derogation of rights and remedies conferred by applicable laws.

ARTICLE IX - WAIVER

9.1 The Secured Party may permit the Debtor to remedy any default without waiving the default so remedied, and the Secured Party may waive any default without having waived any other subsequent or prior default by the Debtor. A waiver shall only be binding on the Secured Party if it has been given in writing.

9.2 The Debtor shall not be discharged by any extension of time, additional advances, renewals and extensions, the taking of further security, releasing of security, extinguishment of the security interest created herein as to all or any part of the Collateral, the failure to perfect the security interest or any other act except a release or discharge of the said security interest upon the full payment of the obligations, indebtedness and liabilities secured by this Agreement, including charges, expenses, fees, costs and interest.

EXHIBIT H

National Account Service Agreement

1-800-GOT-JUNK?
NATIONAL ACCOUNT SERVICE AGREEMENT

The 1-800-GOT-JUNK? National Account Service Agreement is between 1-800-GOT-JUNK? LLC (“**Franchisor**”), 1-800-GOT-JUNK? Commercial Services (USA) LLC (“**Commercial Services**”), and the undersigned franchisee of the 1-800-GOT-JUNK? franchise system (“**Franchisee**”).

WHEREAS:

- A. Franchisor and Franchisee have entered into a franchise agreement dated as of the date noted on the signature page hereto (the “**Franchise Agreement**”) whereby Franchisee has been granted the right to carry on a Franchised Business in the 1-800-GOT-JUNK? franchise system (the “**System**”).
- B. The existence of multiple franchisees in the System creates opportunities to enter into agreements with other entities that have multiple locations in more than one territory in the System (each, a “**National Account**”) for the benefit of participating franchisees by leveraging the national scope of the System.
- C. The establishment of National Accounts is best facilitated by the establishment of a program, upon the terms set out herein, whereby Franchisor will have the authority to negotiate and manage National Accounts on behalf of the System as a whole, whether acting as agent or as principal (the “**Program**”).

Now therefore, Franchisor, Commercial Services and Franchisee agree as follows:

- 1. **Interpretation.** All capitalized terms not otherwise defined herein shall have the same meaning as under the Franchise Agreement.
- 2. **Agency or General Contractor.** Franchisor, Commercial Services, or an affiliate of either of them, may enter into National Account agreements as agent or as general contractor as follows:
 - (a) Where Franchisor, Commercial Services or the affiliate enters into a National Account agreement as agent, it shall act as agent on behalf of Franchisee, and Franchisee hereby appoints Franchisor, Commercial Services or the affiliate, as the case may be, as its attorney-in-fact to do so.
 - (b) Where Franchisor, Commercial Services or the affiliate enters into a National Account agreement as general contractor, it shall enter into such agreement as principal, and may subcontract the services to such National Account to Franchisee, provided that Franchisee services such National Account in accordance with the terms and conditions of the particular National Account agreement and is otherwise in compliance with the obligations of client expectations set by Franchisor from time to time.
- 3. **National Account Terms.** Franchisor, Commercial Services or an affiliate of either of them, may enter into National Account agreements upon any terms it determines, in good faith, to be commercially viable for the System, including, without limitation:
 - (a) The provision of discounts off of regular retail pricing to the National Account, whether or not based upon volume.

- (b) The payment of commissions to the National Account or any party referring the National Account whether on a one-time or on an ongoing basis.
- (c) The establishment of fixed pricing or pricing models unique to the National Account.
- (d) The provision of service levels or standards unique to the National Account, including the requirement to provide service within required time periods, the provision of regularly scheduled service, or the use of specialized equipment or vehicles.
- (e) The provision of centralized billing for the National Account through Franchisor or its affiliate.
- (f) The requirement for Franchisee to obtain and maintain insurance levels required by the National Account, including the addition of the National Account or Franchisor's assignee as a named insured or additional insured on applicable insurance policies.
- (g) The requirement that Franchisee comply with additional terms of service required by the National Account, including but not limited to employee training and investigation, reporting, and invoicing procedures.

4. ***Services to National Accounts.*** Franchisee acknowledges and agrees that:

- (a) Franchisor reserves the right to solicit or permit other franchisees or third parties designated by Franchisor to solicit customers located anywhere in the Territory in order to develop them as National Accounts;
- (b) Franchisor, Commercial Services, or an affiliate of either of them, may enter into National Account agreements for services to be provided within or outside of the Territory;
- (c) unless the Franchise Agreement expressly provides otherwise, Franchisor has the sole and exclusive right to supply (in whole or in part) or designate any other entity (including, without limitation, Franchisee, other System franchisees or affiliates of Franchisor) to supply the services to National Accounts, whether the services are delivered to a location inside or outside of the Territory; and
- (d) Franchisor may, but is not required to (unless the Franchise Agreement expressly provides otherwise), request Franchisee to provide the services to a National Account with premises located within the Territory in exchange for a payment to be made by Franchisor to Franchisee in an amount to be determined by Franchisor at the time of Franchisor's request.
- (e) If Franchisee timely accepts Franchisor's request and begins to provide services to a National Account with premises located within the Territory, Franchisee shall have the right to continue providing services to that National Account until Franchisee withdraws, its right is terminated, or the Program is discontinued, as provided in section 7 of this Agreement; provided, however, that nothing shall restrict the right of Franchisor, Commercial Services, and their affiliates, as applicable, to negotiate or modify the terms of the agreement or arrangement with any such National Account that Franchisee is providing services to.

5. ***ANS Jobs; Travel Costs.*** Franchisor may, but is not required to, request Franchisee to provide the services to a National Account in an area not serviced by any franchisee in the System (an "ANS Job"). If Franchisee performs an ANS Job, Franchisee shall be paid a flat mileage rate, determined by Franchisor in

its sole discretion from time to time, for distance traveled to the ANS Job, in addition to any applicable fee for the ANS Job so performed. The distance traveled shall be measured as a return trip from the closest outside edge of Franchisee's nearest Subterritory to the ANS Job location.

6. ***Special Equipment.*** If the terms of the applicable National Account agreement so require, Franchisee may obtain special equipment to perform a job for that National Account on the condition that Franchisee obtains written approval from Franchisor prior to obtaining such special equipment. Franchisee will be entitled to claim the cost of obtaining such special equipment from the National Account, either directly in the case of direct billed accounts or through Franchisor in the case of centrally billed accounts. In the case of claims for special equipment costs made through Franchisor, Franchisor will reimburse Franchisee for such costs when Franchisor is paid such special equipment costs by the applicable National Account.

7. ***Acknowledgements.*** Franchisee acknowledges and agrees to the following:

(a) Franchisor may discontinue the Program for any reason, at any time.

(b) Franchisor's policies and procedures with respect to the provision of services to National Accounts may change from time to time as detailed in the Operations Manual.

(c) Franchisor, Commercial Services and, or alternatively, their affiliates have sole responsibility for and authority to negotiate, modify and agree to any terms of any National Account agreement or arrangement. Franchisee will not purport to make any modifications or additions to any National Account agreement or arrangement, nor attempt to negotiate any additional or different terms from those agreed to by Franchisor, Commercial Services and, or alternatively, their affiliate(s), as the case may be.

(d) Franchisor, Commercial Services, and, or alternatively, their affiliates, as the case may be, own all National Account customer data. Franchisee will not contact any National Account for marketing or any other purposes or make any other use of the National Account customer data without the consent of Franchisor.

(e) Franchisee may elect to withdraw from the Program upon 30 days' written notice to Franchisor, provided that Franchisee acknowledges that withdrawal from the Program will result in Franchisee being precluded from servicing any National Account, and that Franchisor will continue to be allowed to offer other franchisees or other third parties the opportunity to service National Accounts anywhere, including within any part of the Territory, without liability or compensation payable to Franchisee.

(f) Franchisee may elect to withdraw from servicing a particular National Account, by submitting such election to the Franchisor in writing, in the event that:

i. Franchisee's aggregate gross margin for that National Account falls below 35% for a fourth consecutive month; or

ii. Franchisee cannot meet the service standards applicable to that National account.

Once Franchisor accepts such election, Franchisee will no longer be eligible to perform services for that National Account until such time as Franchisee applies to Franchisor in writing to service such National Account and Franchisor, in its sole discretion, accepts such application in writing. Any such application will include a description of the circumstances

that have changed such that Franchisee has changed its position vis-à-vis that National Account.

(g) Franchisor may at any time and without prior notice terminate Franchisee from the Program as a whole, or from the right to service one or more particular National Accounts, if Franchisee:

- i. commits a default under the Franchise Agreement, whether or not such default amounts to a material default under the terms of the Franchise Agreement;
- ii. fails to service any National Account strictly in accordance with the terms of service applicable to that National Account;
- iii. fails to obtain and provide evidence to Franchisor of having obtained the required insurance coverage; or
- iv. fails to comply with the service obligations in the Franchise Agreement to any of Franchisee's customers, whether a National Account or otherwise.

(h) In the event that Franchisor terminates Franchisee's participation in the Program or Franchisee's right to service one or more National Accounts, Franchisee may send a written request to Franchisor for reinstatement to the Program or for authorization to service the National Account(s), as the case may be. It is a condition precedent to Franchisor's consideration of such request that Franchisee has fully cured the reason for termination. If the reason for termination included Franchisee's failure to meet the National Account(s)'s service obligations, Franchisee must submit to Franchisor along with the request for reinstatement a written plan detailing how Franchisee will meet all applicable National Account service obligations.

(i) In the event that Franchisor terminates Franchisee's participation in the Program or Franchisee's right to service one or more National Accounts, or Franchisee refuses to service one or more National Accounts, pursuant to this Agreement or otherwise, Franchisor may allow another franchisee in the System or a third party, in its sole discretion, to provide service to any National Account for which Franchisee's rights to service that account have been terminated or that Franchisee has refused to service without liability or compensation payable to Franchisee.

(j) Franchisor makes no representation to Franchisee that any particular National Account will be of any direct or indirect benefit to Franchisee, or that Franchisee will in fact have the opportunity to service any National Account.

(k) In addition to any other available remedy, Franchisor may withhold partial or complete payment from Franchisee for any centrally-billed National Account work where Franchisee fails to comply with the terms of the Franchise Agreement or the applicable National Account agreement and that failure results in:

- i. partial or non-payment for the work by the National Account; or
- ii. Franchisor, Commercial Services or their affiliate incurring cost to remedy such failure.

In such case, Franchisor may withhold the amount of the non- or partial-payment, and, or alternatively, the cost, as applicable, from Franchisee.

(l) Franchisor may withhold applicable Royalties and Sales Center and Marketing Fees (or their equivalents under the Franchise Agreement) (together, “Fees”) on National Account work or any other amounts owing to Franchisor from any payments to Franchisee on account of services provided to a National Account.

(m) Franchisor may assign this Agreement to any of its Affiliates from time to time.

(n) Franchisor may include such other terms from time to time as may be set out in the Operations Manual.

8. **Credit Check Responsibility.** Franchisor will conduct credit checks on all centrally-billed National Accounts and will provide to Franchisee a list of best practices in relation to performing credit checks. Franchisee will perform credit checks on all direct-billed National Accounts. If Franchisee, acting reasonably, determines that a direct-billed National Account is an unacceptable credit risk, Franchisee may refuse to perform work for that National Account.

9. **Risk of Non-Payment for National Account Work – Centrally Billed Accounts.** Subject to sections 11 and 12 of this Agreement, in the case of National Accounts that by their terms are to be centrally billed by Franchisor, in the event that Franchisor is not paid in full for National Account work within 180 days of submitting demand for payment, Franchisor will notify Franchisee of such non-payment and Franchisor will withdraw from Franchisee’s bank account one half of the job total amount that remains unpaid less any Royalties paid by Franchisee on the job total. In the event that Franchisor is paid any amount for such unpaid National Account work at any time after Franchisor has withdrawn an amount from Franchisee’s bank account pursuant to this provision, Franchisor will as soon as practicable notify Franchisee of such payment and pay to Franchisee half of the total of such payment received less any and all Fees and any other amounts owing on the amount of such payment.

10. **Risk of Non-Payment for National Account Work – Direct Billed Accounts.** Subject to sections 11 and 12 of this Agreement, in the case of National Accounts that by their terms are to be directly billed by Franchisee:

(a) If the National Account job is to be performed less than five (5) business days after having been put on Franchisee’s schedule, in the event that Franchisee is not paid in full for National Account work within 180 days of submitting demand for payment, Franchisee will notify Franchisor of such non-payment and Franchisor will deposit into Franchisee’s bank account one half of the job total amount that remains unpaid. In the event that Franchisee is paid directly any amount for such unpaid National Account work at any time after Franchisor has deposited an amount to Franchisee pursuant to this provision, Franchisee will as soon as practicable notify Franchisor of such payment and pay to Franchisor half of such payment received plus any and all Fees and any other amounts owing on the amount of such payment.

(b) If the National Account job is to be performed five (5) business days or more after having been put on Franchisee’s schedule, and Franchisee performs the job, in the event that Franchisee is not paid in full for that National Account work, Franchisee may apply for a Cost of Goods Sold (“COGS”) rebate on the conditions that:

i. no amounts have been owing to Franchisee from that National Account for more than 30 days prior to the date of the job, and

- ii. Franchisee provides to Franchisor all of the following:
 - (1) A completed then-current bad debt template;
 - (2) A copy of the original invoice for the job;
 - (3) Notification to Accounts Receivable (accounts.receivable@1800gotjunk.com) in writing once the amount is ten (10) days past due;
 - (4) Evidence of a minimum of 90 days of collection efforts;
 - (5) Evidence of the National Account customer's bankruptcy, if applicable; and
 - (6) Total COGS for the job and all related receipts.

Once Franchisor approves Franchisee's COGS rebate, Franchisor will pay to Franchisee all Royalties paid by Franchisee to Franchisor for that job as well as 50% of the following amount: COGS minus the Royalties paid. In the event that Franchisee is paid any amount for such unpaid National Account work at any time after Franchisor has paid any amount to Franchisee pursuant to this provision, Franchisee will as soon as practicable notify Franchisor of such payment and repay to Franchisor any and all amounts paid by Franchisor to Franchisee pursuant to this provision.

11. ***Non-Payment for National Account Work due to Franchisee Default.*** Notwithstanding section 9 or 10 of this Agreement, if any non-payment for National Account work is a result of Franchisee's, its employees', or agents' failure to comply with the applicable terms of the National Account agreement or other wrongful or negligent act, Franchisor will have no liability to make any payment to Franchisee related to such work and Franchisor may exercise any and all remedies for such failure, wrongful act and, or alternatively, negligence, pursuant to this Agreement or otherwise, including but not limited to withdrawing from Franchisee's bank account the full amount of any amounts paid to Franchisee by Franchisor for that work.

12. ***Proof of Collection Efforts.*** Prior to making any payment pursuant to section 9 or 10 of this Agreement, Franchisor may request that Franchisee provide proof, or additional proof, of demand, attempts at collection, and non-payment in a form satisfactory to Franchisor. In the event that Franchisee fails to provide such information, or such information is not satisfactory to Franchisor, Franchisor will have no obligation to make any payment to Franchisee pursuant to section 9 or 10 of this Agreement.

13. ***Indemnity.*** Franchisee agrees to indemnify and save harmless Franchisor and Commercial Services together with their subsidiaries, affiliates, shareholders, directors, officers, employees, agents and assignees from and against, and to reimburse them for, all liabilities, obligations, and consequential damages, taxes, costs, losses and actual legal expenses incurred by them in connection with any claim, litigation or other action or proceeding related to Franchisee's participation and servicing of a National Account and/or a breach of this Agreement, or any other agreement between Franchisee and Franchisor or any of its affiliates (including Commercial Services). Franchisee shall be responsible for and shall pay and satisfy any judgment or settlement that may arise out of any such claim, litigation, action or proceeding. Without limiting the generality of the foregoing, Franchisee agrees that if Franchisor, Commercial Services, or any of their affiliates is made a party to any lawsuit or any other action or proceeding in connection with this Agreement and Franchisee's participation and servicing of a National Account, Franchisor and/or Commercial Services may, at its sole option, either (a) permit Franchisee to conduct the defense or prosecution of the matter at the cost of Franchisee; or (b) take conduct of the defense or prosecution, in which case all expenses thereof shall be borne or reimbursed by Franchisee. This indemnity shall continue in full force after termination or expiration of this Agreement.

14. **Term.** This Agreement shall commence on the Effective Date (defined below) and shall automatically expire upon the expiration or earlier termination of the Franchise Agreement, or the date on which the Franchisee executes a new franchise agreement for the Territory, whichever is earlier.

15. **Incorporation of Other Franchise Agreement Provisions.** To the extent the Franchise Agreement is silent on a specific subject, or a conflict exists between a provision of this Agreement and a provision of the Franchise Agreement, the provision of this Agreement shall control. The sections of the Franchise Agreement related to the following matters that apply to Franchisor or Franchisee, or both, and their respective rights and obligations thereunder, are hereby incorporated into this Agreement by reference and shall apply in the same manner to their respective rights and obligations under this Agreement: Assignment and Transfer; Indemnity; Interest on Overdue Amounts; Application of Payments; No Set-Off By Franchisee; Parties as Independent Contractors; Conformity with Laws; Payment of Taxes; Waiver; Amendments; Further Assurances; Severability; Governing Law; Arbitration (and any other Dispute Resolution); Injunctive Relief; Prevailing Party; Limitation on Claims; Class Actions; Cost of Enforcement; Survival; No Warranties or Representations; Time of Essence; and Notices.

State Specific Addenda

**STATE SPECIFIC ADDENDA
TO FRANCHISE DISCLOSURE DOCUMENT
AND FRANCHISE AGREEMENT**

The following are state specific changes for certain franchise registration states and are applicable to you only if you are covered by the franchise law of the referenced state:

CALIFORNIA

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Disclosure Document.

You must sign a general release of claims if you renew or transfer your franchise rights. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 - 20043).

Neither we, nor any person or franchise broker disclosed in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in this association or exchange.

The Franchise Agreement requires application of the laws of the State of Delaware. This provision may not be enforceable under California law.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec 101 et seq.).

The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause, which, under Civil Code Sec. 1671, may not be enforceable

The Franchise Agreement contains a provision that allows us to recover liquidated damages or termination payments, and if that provision is held unenforceable by an arbitrator or court of competent jurisdiction or if we waive that provision, then we are permitted instead to recover contractual damages caused by any breach of contract or default by you.

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement requires binding arbitration. The arbitration will occur in King County, Washington with the costs being borne by losing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

Section 31125 of the California Corporation Code requires us to give you a Disclosure Document, in the form and containing the information as the Commissioner of Corporations may by rule or order require, before we ask you to consider a proposed material modification of your franchise agreement.

ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

Under California law, an agreement between a seller and a buyer regarding the price at which the buyer can resell a product (known as vertical price-fixing or resale price maintenance) is illegal. Therefore, requirements on franchisees to sell goods or services at specific prices set by the franchisor may be unenforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

California franchisees shall not answer or complete the Franchisee Disclosure Questionnaire and Certification in Exhibit J to the Franchise Disclosure Document as attached.

Section 23.23 of the Franchise Agreement is deleted and replaced with the following language: “Franchisor makes no representations, warranties or guarantees to Franchisee that Franchisee shall enjoy financial success in owning and operating the Franchised Business. Franchisee acknowledges that the results achieved at the Franchised Business will be particular to it, in the same way that financial results individually achieved by existing franchised businesses are particular to them.”

Section 23.24(a) of the Franchise Agreement is deleted.

FRANCHISE DISCLOSURE QUESTIONNAIRE AND CERTIFICATION,
AND RELATED AGREEMENTS

This Addenda is an amendment to the Disclosure Document and Franchise Agreement. The following modifications are made to the Disclosure Document and the Franchise Agreement:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the Franchise Agreement and the outlet is opened. Items 5 and 7 of the Disclosure Document and Section 3.1 and Schedule B of the Franchise Agreement are amended accordingly.

Item 17 of the Disclosure Document and any provision in the Franchise Agreement providing for termination upon your bankruptcy may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.).

Item 17 of the Disclosure Document and sections of the Franchise Agreement requiring that you sign a general release as a condition of renewal, sale and assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The Franchisee Disclosure Questionnaire and Certification attached as Exhibit J to the Franchise Disclosure Document does not apply to Maryland franchisees and should not be signed by Maryland franchisees.

The Franchise Agreement is revised to state that any claims under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

Item 17 of the Disclosure Document and any provisions of the Franchise Agreement requiring you to file any lawsuit in a court outside the State of Maryland may not be enforceable under the Maryland Franchise Registration and Disclosure Law. Item 17v of the Disclosure Document and Section 21.12 of the Franchise Agreement are amended to state that you may sue in Maryland for claims under the Maryland Franchise Registration and Disclosure Law, to the minimum extent required by Maryland law.

We reserve the right to set and mandate the retail prices at which you sell the Services, including setting a maximum price, a minimum price, or an authorized range of prices.

Section 23.23 of the Franchise Agreement is deleted and replaced with the following language: "Franchisor makes no representations, warranties or guarantees to Franchisee that Franchisee shall enjoy financial success in owning and operating the Franchised Business. Franchisee acknowledges that the results achieved at the Franchised Business will be particular to it, in the same way that financial results individually achieved by existing franchised businesses are particular to them."

Section 23.24(a) of the Franchise Agreement is deleted.

MICHIGAN DISCLOSURE PAGE

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on your right to join an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel that deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits us to terminate a franchise before the expiration of its term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure the failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure the failure.
- (d) A provision that permits us to refuse to renew your franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials that have no value to us and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applied only if: (i) the term of the franchise is less than 5 years and (ii) you are prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area after the expiration of the franchise or you do not receive at least 6 months advance notice of our intent not to renew the franchise.
- (e) A provision that permits us to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude you from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision that permits us to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet our then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of us or our subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) You or your proposed transferee's failure to pay any sums owing to us or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants to us a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a franchise for the market or appraised value of the assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in subdivision (c).

(i) A provision that permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this notice should be directed to:

Michigan Department of Attorney General
Consumer Protection Division
Attn: Franchise Section
525 W. Ottawa Street
G. Mennen Williams Building, 1st Floor
Lansing, Michigan 48933
Telephone Number: (517) 373-7117

Any provision in the Franchise Agreement specifying that litigation between us and you is to take place outside of Michigan is amended to provide instead that litigation will be brought either in the forum designated in the Franchise Agreement or in the state or federal courts located in Detroit, Michigan, and the parties consent to the jurisdiction of those courts; provided, however, that we reserve the right to seek relief in any other jurisdiction as may be necessary or desirable to obtain declaratory, injunctive, or other relief to enforce the provisions and restrictions of the Franchise Agreement. This amendment will have no effect on the forum or venue of any arbitration proceeding between us and you.

MINNESOTA

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the 1-800-GOT-JUNK? LLC Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

Minn. Stat. Sec. 80C.21 and Minn. Rule Part 2860.4400J, may prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

We will comply with Minnesota Statute 80C.14 subdivisions 3, 4, and 5, which require (except in certain specified cases), that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement; and that consent to the transfer will not be unreasonably withheld.

We will protect your right to use the primary trademark, service mark, trade name, logotype or other commercial symbol or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of our primary trade name.

Minnesota Rule 2860.4400D may prohibit us from requiring you to assent to a general release.

In accordance with Minnesota Rule 2860.4400J, to the minimum extent required by law, the Disclosure Document and the Franchise Agreement are modified so that we can not require you to waive your rights to a jury trial or to waive rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or to consent to liquidated damages, termination penalties, or judgment notes; provided that this part shall not bar an exclusive arbitration clause.

Any statements in the Disclosure Document and Franchise Agreement stating that we are entitled to injunctive relief are amended to read "we may seek injunctive relief." A court will determine if a bond is required.

Provisions in the Disclosure Document and Franchise Agreement limiting your right to file claims, that are inconsistent with Minnesota Statute Sec. 80C.17, Subd. 5, are amended to the minimum extent required by Minnesota law.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

NEW YORK

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the 1-800-GOT-JUNK? LLC Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT D OR YOUR PUBLIC LIBRARY FOR RESOURCES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

Except as provided above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has pending actions, other than routine litigation incidental to the business, that is significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten years immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive

or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by a franchisee”:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements — No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts — Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earliest of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

Sections of the Disclosure Document and Franchise Agreement requiring you to consent to the jurisdiction of courts outside of North Dakota or providing for resolution of disputes to be outside North Dakota may not be enforceable under North Dakota law, and are amended accordingly to the minimum extent required by law.

Sections of the Franchise Agreement requiring you to arbitrate or mediate disputes may require you to consent to a waiver of trial by jury. A waiver of trial by jury may not be enforceable under North Dakota law and any such provisions are amended accordingly to the minimum extent required by law.

Sections of the Disclosure Document and Franchise Agreement relating to choice of law, may not be enforceable under North Dakota law, and are amended accordingly to the minimum extent required by law.

Sections of the Disclosure Document and Franchise Agreement requiring you to sign a general release upon renewal of the Franchise Agreement may not be enforceable North Dakota law, and are amended accordingly to the minimum extent required by law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. WASHINGTON

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, FRANCHISE DISCLOSURE QUESTIONNAIRE AND CERTIFICATION, AND RELATED AGREEMENTS

The following modifications are to the 1-800-GOT-JUNK? LLC Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Franchisees who receive financial incentives to refer franchise prospects to the franchisor may be required to register as franchise brokers under the laws of Washington State.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The Franchisee Disclosure Questionnaire and Certification attached as Exhibit J to the Disclosure Document does not apply to Washington franchisees.

Items 5 and 7 of the disclosure document and Section 3.1 and Schedule B of the Franchise Agreement are amended to provide that all initial fees and payments shall be deferred until such time as we complete our pre-opening obligations to you under the Franchise Agreement and you are open for business.

ACKNOWLEDGMENT:

It is agreed that the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise Disclosure Document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as the state law remains in effect.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

The following modifications are to the 1-800-GOT-JUNK? LLC Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

With respect to Franchise Agreements governed by Wisconsin law, the following shall supersede any inconsistent provision:

The Wisconsin Fair Dealership Law applies to most franchise agreements in the state and prohibits termination, cancellation, nonrenewal or substantial change in the competitive circumstances of a dealership agreement without good cause. The Law further provides that 90 days' prior written notice of the proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is so cured the notice is void. The Disclosure Document and Franchise Agreement are hereby modified to state that the Wisconsin Fair Dealership Law, to the extent applicable, supersedes any provisions in the Franchise Agreement that are inconsistent with that Law. Wis. Stats. Ch. 135, The Wisconsin Fair Dealership Law. SEC 32.06(3), Wis. Adm. Code.
