What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in **Exhibit A**. Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Wisconsin. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Wisconsin than in your own state.
2. **Short operating history.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Mandatory minimum payments.** You must make minimum royalty or marketing fund payments regardless of your sales levels. Your inability to make payments may result in termination of your franchise and loss of your investment.
4. **Sales performance required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN DISCLOSURE NOTICE

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, marketing, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first

refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, the words “we,” “our,” “us,” and “The Wellness Way” refer to The Wellness Way Franchise LLC, the franchisor of this business. “You” and “your” refer to the person who buys the franchise, whether you are a corporation, limited liability company, other business entity, or an individual. If you are a corporation, limited liability company or other business entity, certain provisions of this disclosure also apply to your owners and will be noted.

The Franchisor

We were formed in Wisconsin in March 2022 to offer The Wellness Way franchises. Our principal business address is 2525 W Mason Street, Green Bay, WI 54303. We do business under our corporate name and the name “The Wellness Way.” We began offering franchises as of July 1, 2022.

The Wellness Way is a network of health restoration clinics that think and act differently to solve the health challenges that others cannot. The franchise, franchised business, or Franchised The Wellness Way Clinic, subject to State law requirements, does business under the trade name, “The Wellness Way”, and also uses our other related service marks, trademarks or logos (our “Marks”). The franchise must be located in a professional office. The franchise operates using our standards, methods, procedures and specifications, called our “System.” We do not operate a business of the type being franchised, but our affiliates do. We are not involved in any other business activities.

Our Parents, Predecessors and Affiliates

Our parent company, The Wellness Way, LLC, has a principal address is 2525 W Mason Street, Green Bay, WI 54303. Our parent does not offer and has not ever offered franchises in this or any other line of business. Our parent does not provide goods or services to franchisees.

We have two affiliates which offer goods and services to franchisees. Wellness Way Enterprises LLC, (“WWE”) offers nutritional supplements and other inventory to franchisees and also provides direct sales of nutritional supplements to consumers. DPCF Management, LLC, (“DPCF MGMT”) offers administrative consulting services to franchisees. Both WWE’s and DPCF MGMT’s principal business addresses are 2525 W Mason Street, Green Bay, WI 54303. Neither WWE nor DPCF MGMT operates a business of the type being franchised, and neither offers franchises in this or any other line of business.

We also have several affiliates which operate The Wellness Way clinics of the type being franchised in various geographical locations. These affiliates which operate The Wellness Way Clinics do not provide goods or services to our franchisees and do not offer franchises in this or any other line of business. Neither we nor any of our affiliates offer or have offered franchises in any other line of business.

Our Business

The Wellness Way is a network of health restoration clinics that think and act differently to solve the health challenges that others cannot. We franchise the right to own and operate a chiropractic and health restoration clinic to persons or legal entities that meet our qualifications and are willing to undertake the investment and effort to own and operate The Wellness Way Clinic. The Wellness Way franchise owns and operates clinics providing chiropractic and wellness services through licensed chiropractors. If you are an unlicensed person, you may own and operate a clinic only if it is permissible under applicable law. As of the issuance date of this Disclosure Document, we do not offer franchises to management companies who do not meet the applicable state’s legal requirements to own and operate a chiropractic and wellness clinic.

General Description of the Market and Competition

The market for chiropractic and wellness services is well developed. You may have to compete with other businesses, including franchised operations, national chains, and independently owned companies offering chiropractic, health restoration, wellness and similar services. You may also encounter competition from other The Wellness Way franchises and us or our affiliates. Our affiliate, WWE, sells nutritional supplements and other products to retail consumers online and through direct sales channels, and you may face competition in the sales of these products from WWE. Changes in local and national economic conditions and population density affect this industry and are generally difficult to predict. You will face other business risks that could have an adverse effect on your business, including pricing policies of competitors, changes to laws or regulations, changes in supply and demand, new technologies and competition from internet-based organizations that provide wellness services, supplements, and some related services or products.

Regulations Specific to the Industry

The provision of chiropractic and wellness services is highly regulated. Clinics providing chiropractic and wellness services may be subject to numerous federal and state laws, including but not limited to those set forth below. We strongly recommend that you hire a local healthcare lawyer to advise you on healthcare laws that will apply to your franchised business.

State Licensing and Company Structure

State licensing laws provide the requirements for becoming a licensed chiropractor and for the behavior and conduct of licensed professionals. In general, chiropractic services may only be provided by a chiropractor licensed in the State in which the services are provided. A non-licensed person or entity may NOT provide or direct the administering of any chiropractic services to patients and may NOT supervise, direct, control, or suggest to licensed chiropractors the manner in which chiropractic services are provided to patients. Regardless of whether you are licensed or an unlicensed person or entity (as described below), you, as the franchisee must NOT engage in the practice of chiropractic medicine, nursing, or any other profession that requires specialized training or certification, unless you are properly licensed to do so. The Franchise Agreement will not interfere with, affect, or limit the independent exercise of medical judgment by the licensed professionals providing services to patients.

In some states the business providing the chiropractic and wellness services must be a professional corporation (“P.C.”) or a professional limited liability company (“P.L.L.C.”), and in some states ownership of the P.C. or P.L.L.C must be limited to licensed professionals. You are responsible for ensuring that your business entity is formed and operates with an ownership structure in compliance with applicable state laws. Under our current franchise program, every franchisee must be legally able to provide chiropractic and wellness services through one or more licensed chiropractors. You must conduct your own due diligence and investigation into the laws in your state and make your own determination as to the required regulatory standards to be legally compliant to own or operate a chiropractic clinic at your location and the proper legal structure for your business entity. The laws applicable to your clinic may change. If there are any chiropractic laws or regulations that would render your operation of your franchised The Wellness Way Clinic in violation, you must immediately advise us of the issue and your proposed corrective action to comply with the applicable law or regulation. Similarly, if we discover a change in any law or regulation applicable to your franchise, you agree to immediately make such changes as are necessary to comply with the applicable law or regulation.

Patient Privacy Laws

The Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) is a comprehensive nation-wide policy regarding patient privacy, enacted via a series of rules, including the Privacy, Security, and Enforcement Rules in 2003 (as updated from time to time) and the Breach Notification Rule in 2013.

See 45 C.F.R. Part 160 and Part 164, Subpart E. Under HIPPA, covered individuals and entities must designate a privacy officer; they must train their workforce on HIPAA requirements, emphasizing privacy policies and procedures; they must put in place administrative safeguards; and they must notify patients when there has been a privacy breach. Some states have more stringent patient privacy laws. You are responsible for compliance with HIPPA and all other applicable patient privacy laws.

Mandatory Reporting and Duty to Warn Laws

Some states may have mandatory reporting requirements covering a wide spectrum of reportable events, including births, deaths, infectious diseases, child and elderly abuse, cancer, abortions, and others. Some states have duty to warn laws imposing a duty to warn a third party of a communicable illness of the physician's patient, or the duty to warn a third party of the violent propensities of the physician's patient. You are responsible for knowing and complying with any mandatory reporting and duty to warn requirements applicable to your chiropractic and wellness clinic.

Anti-Kickback and Fee Splitting Laws

Both the federal government and many states have laws prohibiting kickbacks and fee splitting in exchange for referral of patients or in exchange for furnishing or arranging for the furnishing of items or services. See e.g. 42 U.S.C. § 1320a-7b(b). You are responsible for knowing and complying with all applicable anti-kickback and fee splitting laws.

The False Claims Act

The Federal False Claims Act prohibits a person from "knowingly" submitting claims or making a false record or statement in order to secure payment of a false or fraudulent claim by the federal government. 31 U.S.C. §§ 3729 et seq. You are responsible for ensuring that all billing is accurate and that any submissions to governmental entities (including Medicare and Medicaid) reflect only services actually provided and for which you are eligible for the reimbursement sought.

General Laws

Most states and local jurisdictions have enacted laws, rules, regulations and ordinances which may apply to the operation of all businesses, including occupational health and safety; labor; licensing and bonding; insurance; and advertising. Also, some jurisdictions have passed laws that require businesses to pay their employees a higher minimum wage than what is required under federal law, which laws may disproportionately affect franchised businesses. In addition to the chiropractic licensing discussed above, you may need to obtain other certifications or licenses depending on your local or state requirements. You must also comply with federal, state, and local intellectual property laws and escheat laws. You must investigate and comply with all applicable federal, state, county and city laws and regulations. You alone are responsible for complying with all applicable laws and regulations despite any advice or information that we may give you.

You pay us a \$15,000 initial franchise fee when you sign the Franchise Agreement for The Wellness Way franchise. (California residents and South Dakota residents, see State Addendum.) Clinics who were affiliated with The Wellness Way pursuant to a written Practitioner Program Agreement prior to the formation of the franchise system may not pay the same fee. We offer a discount of \$5,000 to existing franchisees opening an additional location. To qualify for the existing franchisee discount, the same individual owners must own 51% or more of both franchise entities.

Before opening, you must also purchase from our affiliate an initial inventory package in the amount of \$7,700 to \$20,000, depending on the size of the Clinic.

Franchisees are offered an option of electing to acquire Marketing services from The Wellness Way. If a franchisee elects to participate in the Marketing program, the franchisee will pay TWW's monthly consulting fee, currently \$499. Plus, you will pay third-party vendors the actual cost of all marketing/advertising to be placed (currently estimated at \$2,000 to \$10,000 before opening). We estimate that franchisees participating in the Marketing program for assistance with Grand Opening Marketing will

incur approximately 1-2 months of Marketing fees (\$499 - \$998) before opening, plus the costs of the marketing/advertising they will spend with third party vendors.

Franchisees are offered an option to contract with our affiliate, DPCF Management LLC, to acquire administrative services. If a franchisee contracts with DPCF Management LLC for pre-opening administrative services, the Franchisee will pay \$750 per month. We estimate that franchisees contracting with DPCF Management LLC for pre-opening administrative services will incur 1-2 months of payments before opening (\$750 - \$1,500).

The initial fees are uniform, except as set forth in this Item 5. The initial franchise fee and inventory package are nonrefundable. The initial fees are compensation to us for our efforts in offering and selling a franchise to you, our franchise sales and marketing activities to promote the sale of a franchise to qualified franchisees, our participation in the franchise sale, our legal compliance with franchise laws and regulations, the development and hosting of initial training programs, our participation in terminating the franchise, and our lost or deferred opportunity to enter into a Franchise Agreement with others. We reserve the right to modify the initial fees in the future to reflect the changing costs of doing business and changes in the value of the franchises being offered. NOTES

¹“Gross Revenue” means the aggregate of all revenue and receipts from sales conducted at, from, or through The Franchised Wellness Way Clinic (whether or not in compliance with this Agreement), (including but not limited to chiropractic services, wellness services, other services, testing, gift cards, products and supplements), whether in cash, by check, credit card, debit card, digital currency, exchange, other credit transactions, or otherwise, but excluding (1) applicable sales taxes collected and paid to the appropriate taxing authority and (2) reduced by the amount of any documented refunds, credits, and discounts granted to customers in good faith. Gross Revenue includes gift certificates, gift cards, and similar program payments at the time the gift card or other instrument is purchased. Gross Revenue also includes all insurance proceeds you receive for the loss of business due to a casualty or similar event. Gross Revenue excludes the resale of products and/or commissions on Approved Non-Royalty Direct Marketing Products, as set forth in the Operations Manual, provided that those products are not sold or processed through the System Technology and point of sale system. If your actual Gross Revenues for any month are less than your Minimum Performance Requirement, you will pay Royalties in the amount of five percent (5%) of the Minimum Performance Requirement. You do not have a minimum performance requirement for the first year. Your performance requirements thereafter are set forth as monthly gross revenue requirements per year, measured from the first full month following your opening. The chart below sets forth the performance requirements:

CALENDAR YEAR	GROSS MONTHLY REVENUE
First Year	No Minimum Requirement
Second Year	\$20,000 per month
Third Year	\$35,000 per month
Fourth Year and thereafter	\$50,000 per month

² If you elect to participate in TWW’s Marketing program, you will pay our then current fee which may change from time to time, currently \$499 per month, plus the actual costs of the third party marketing/advertising expenses, which will vary depending on the size of the Clinic and the market in which the Clinic is located. Some larger TWW clinics may spend \$50,000 per month on marketing.

³ If you elect to purchase administrative services from TWW's Affiliate, you will pay its then current monthly fee which may change from time to time. The fee is payable in advance monthly based on the Gross Revenues of the previous month as set forth in the chart below:

\$50,000 - \$74,999	\$1,000

⁴ Costs vary depending on factors, including prevailing auditor's rates in your area, the business activity being audited and how well you keep your books and records. You pay our actual costs only. You should investigate these costs by contacting auditors in your area.

⁵ Late fees begin from the date payment was due, but not received, or date of underpayment. The maximum interest rate in California is ten percent (10%) per annum.

⁶ Costs vary depending on the availability of product samples for testing, shipping costs or travel costs to review the product, the type of product under review, whether the product or supplier has been rated and other similar factors. You pay our actual costs only.

⁷ Costs vary depending on factors, including nature of the complaint, expertise needed and the time involved. You pay our actual costs, including any amounts paid to settle/satisfy a claim, along with attorneys' fees & costs of defense.

⁸ You must attend our ongoing training programs. We may charge you an attendance fee for some ongoing training programs and may not charge for some ongoing training programs. The estimate in the chart is a range from \$0 to \$3,000, as we may not charge a fee for some ongoing training programs, and, if a fee is charged, the fee for a particular training program may vary. In addition to paying any fee charged, you must pay your costs to attend. Costs vary depending on the number of people attending, how far you travel and the type of accommodations you choose. You should investigate these costs. For further reference, review the estimated costs to attend our initial training program included in ITEM 7.

NOTES

¹ Franchise Fee. The franchise fee and its refund policy are described in greater detail in ITEM 5. We do not finance any fee. (California and South Dakota Residents please see addendum)

² Real Estate. You must operate your franchised business from an approved location. The low estimate is based on the assumption that you are not required to submit a security deposit. The high estimate is based on the assumption that you will lease a unit and will pay one months' rent and a security deposit equal to 1 months' rent to lease the unit. It is difficult to estimate lease acquisition costs because of the wide variation in these costs between various locations. Lease costs will vary based upon square footage and cost per square foot. Your approved location will be approximately 1,200 to 1,500 square feet and may be located in a variety of locations including strip centers, medical centers, and office complexes. Some lessors may refund the security deposit if you cancel the lease before you occupy the premises. Estimated rental costs for 3 months are included with the category "Additional Funds," (see Note 17 below).

³ Utility Deposits. If you are a new customer of your local utilities, you will generally have to pay deposits to obtain services, including electric, telephone, gas and water. The amount of the deposit and whether the deposit is refundable will vary depending on the local utilities. You should contact your local utilities for more information.

⁴ Leasehold Improvements. You must build out your location pursuant to our plans and specifications. The low estimate assumes you will be making minimum improvements to an existing clinic or have tenant buildout funds from the landlord, and the high estimate allows for buildout from a white box. The cost of the leasehold improvements will vary depending on factors, including the size, condition and location of the facility, local wage rates and the cost of materials. The amounts you pay for leasehold improvements are typically non-refundable. You should inquire about the refund policy of the contractor at or before the time of hiring.

⁵ Insurance. You must purchase the insurance we specify from time to time, currently:

- a. workers' compensation insurance and employer liability coverage with a minimum of \$100,000 for each accident and \$100,000 for each disease or such higher limit as your state law requires;
- b. comprehensive general liability insurance with a minimum liability coverage of \$1,000,000 per occurrence and \$2,000,000 in the aggregate, plus a \$5,000,000 umbrella policy, or higher if your state law requires (this policy must include coverage for contractual indemnity);
- c. owned and non-owned automobile liability insurance of at least \$1,000,000;
- d. cyber security/data breach insurance of \$1,000,000 per occurrence and \$1,000,000 in the aggregate;

- e. employment liability insurance of \$1,000,000 per occurrence and \$2,000,000 in the aggregate;
- f. such insurance as is necessary to provide coverage under the indemnity provisions set forth in Section 23; PLUS

In addition, the franchisee must ensure that every chiropractor or other licensed professional providing patient care at or through the Franchised The Wellness Way Clinic maintains professional liability / medical malpractice insurance of at least \$1,000,000 per occurrence and \$3,000,000 in the aggregate

⁶ Office Equipment and Supplies. You must purchase chiropractic and professional equipment, general office furniture, supplies, computers, including stationery, business cards and typical office equipment. The low estimate assumes you have elected a lease or financing arrangement for some equipment and that you have one doctor, while the high estimate assumes you have paid in full for the equipment and that you have 3 doctors.

⁷ Costs of Attending Initial Training. The fee for initial training for the Designees: Managing Owner, Managing Chiropractor, Office Manager, and Marketing Coordinator and such other owners and staff persons designated by Franchisee and who attend training at the same time as the Designees (one or two total in-person initial training sessions) is included in the franchise fee, but you will incur additional costs for any additional training or ongoing training. For any training program, you are responsible for transportation and expenses for meals and lodging while attending training. The total cost will vary depending on the number of people attending, how far you travel and the type of accommodations you choose. In addition, each person who will work in your franchised The Wellness Way Clinic must complete HIPPA Privacy Compliance Training and obtain a certification from an approved third party provider. We currently estimate that you will incur fees of \$30 per person for the HIPPA training, and the cost for up to 4 persons is included in this estimate. All of these expenses are typically non-refundable. Before making airline ticket, hotel, rental car or other reservations, you should inquire about the refund policy in the event you need to cancel any reservation.

⁸ Signage. You must install signage according to our specifications. The signage requirements and costs for a commercial office will vary based upon the local market for signage and landlord requirements. The amounts you pay for signage are typically non-refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchase.

⁹ Initial Inventory Start-Up Package. You must purchase an initial package of nutritional supplement inventory and other start-up supplies from our affiliate WWE. Your cost will vary depending on the size of your Clinic.

¹⁰ TWW Marketing. If you elect to participate in TWW's Marketing program, you will pay our then current fee which may change from time to time, currently \$499 per month, plus the actual costs of the third party marketing/advertising expenses, which will vary depending on the size of the Clinic and the market in which the Clinic is located. The high estimate assumes you are participating in 1-2 months of the TWW Marketing Program before opening.

¹¹ Opening Marketing. You must spend a minimum amount we specify on grand opening marketing during the first 3 months of operation, which will not be less than \$2,000. We determine the minimum based on our assessment of your marketing costs in your area and the time of year that you are opening. You may choose to spend more than the amount we specify for grand opening marketing. See ITEM 11. Factors that may affect the actual amount you spend include the type of media used, the size of the area you advertise to, local media cost, location of the franchised The Wellness Way Clinic, time of year and customer demographics in the surrounding area. The amounts you spend for grand opening marketing are typically non-refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing. You may elect to incur higher opening marketing than the estimate. Some larger TWW clinics may spend \$50,000 per month on marketing.

¹²Licenses & Permits. State and local government agencies typically charge fees for occupancy permits, operating licenses, and permits to make improvements to your office. The low estimate represents the costs of standard occupancy permits and operating licenses. The high estimate represents the costs of standard occupancy permits and operating licenses, costs for building permits. Your actual costs may vary from the estimates based on the requirements of state and local government agencies. These fees are typically non-refundable. You should inquire about the cancellation and refund policy of the agencies at or before the time of payment. This estimate assumes that you already have a licensed chiropractor who will manage your Clinic and does not include the costs of the education, testing, and licensing required by the Chiropractic or Medical Licensing Board in your state.

¹³ Legal & Accounting. You will need to employ an attorney, an accountant and other consultants to assist you in establishing your franchised The Wellness Way Clinic. These fees may vary from location to location depending on the prevailing rates of local attorneys, accountants and consultants. In addition, you are required to have your QuickBooks accounting files and standard chart of accounts set-up and maintained in accordance with our system standards. The cost for QuickBooks accounting software is included in computer costs included in the estimate for Furniture, Equipment, Computers & Supplies. Accounting and legal fees are typically non-refundable. You should inquire about the refund policy of the attorney, accountant or consultant at or before the time of hiring.

¹⁴ Administrative Services. Franchisees are offered an option to contract with our affiliate, DPCF Management LLC, to acquire administrative services. If a franchisee contracts with DPCF Management LLC for pre-opening administrative services, the Franchisee will pay \$750 per month. We estimate that franchisees contracting with DPCF Management LLC for pre-opening administrative services will incur 1-2 months of payments before opening (\$750 - \$1,500).

¹⁵ Additional Funds. We recommend that you have a minimum amount of money available to cover operating expenses, including rent, utilities and employees' salaries, for the first 3 months that the franchised The Wellness Way Clinic is open. We cannot guarantee that our recommendation will be sufficient. Additional working capital may be required if income is low or operating costs are high. These expenses are typically non-refundable. In determining the estimate for additional funds, we relied on our affiliates' industry knowledge and experience in starting and operating clinics similar to the franchised business being offered.

We do not offer direct or indirect financing to you for any items.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Franchisor as Designated Supplier

Currently, we are the only approved supplier of The Wellness Way System Technology. Our affiliate, Wellness Way Enterprises LLC ("WWE"), is currently an approved supplier of nutritional supplements, of items bearing The Wellness Way marks, of educational materials, of marketing materials, and of marketing services. WWE is also an approved supplier of vibration plates. You must enter into the Supplier Agreement with WWE attached to the Franchise Agreement as **Exhibit 10**. Our affiliate, DPCF Management, LLC is an approved supplier of administrative services (e.g. human resources, technical support, payroll, bookkeeping, & business consulting). If you elect to have DPCF Management provide these services to you, you will enter into the Administrative Services Agreement attached to the Franchise Agreement as **Exhibit 12**. We retain the right to designate The Wellness Way Franchise LLC, WWE, DPCF Management, or another affiliate of us as a designated supplier of other products or services, to charge a fee for products or services offered, and to earn a profit on those products or services.

You must purchase all items bearing the Wellness Way Marks, all software, chiropractic and diagnostic equipment, all nutritional supplements, all laboratory testing, and diagnostic and office management software from approved suppliers that we specify from time to time.

We have developed and may develop from time to time various standards and specifications for products, equipment, signage, computers, and testing. We have and will continue to periodically approve specifications, suppliers and/or distributors of the above products, which may include us or our affiliates, that meet our standards and requirements, including standards and requirements relating to product quality, prices, consistency, reliability, financial capability, labor relations and customer relations. We may approve a single distributor or other supplier (collectively “supplier”), for any product and may approve a supplier only as to certain products. We may concentrate purchases with one or more suppliers to obtain lower prices or better marketing support or services for any group of The Wellness Way Clinics franchised or operated by us. You acknowledge that we will derive revenue from the products and services we offer to you. We do not provide material benefits to franchisees based on a franchisee’s purchase of particular products or services or use of particular approved suppliers.

Furniture, Fixtures and Equipment

You must purchase any furniture, fixtures, equipment, or signage from approved suppliers pursuant to our specifications set forth in The Wellness Way Confidential Operations Manual (“Confidential Operations Manual”). These specifications include standards and specifications for the appearance, quality, price, performance and functionality. These standards and specifications are based on our Affiliate’s experience in operating a business of the type we are franchising and on research and testing in our Affiliate’s business. We may communicate our standards and specifications directly to suppliers who wish to supply you with furniture, fixtures, equipment, and signage under specifications. We communicate our standards and specifications to you when we evaluate your proposed location for the franchised The Wellness Way Clinic, during training, before you conduct your grand opening marketing, during on-site opening assistance, during periodic visits to your franchise location, and through the Confidential Operations Manual (including periodic bulletins). We will periodically issue new standards and specifications (if any) and new approved suppliers (if any) through written notices. While we have created standards and specifications for the development of your franchised The Wellness Way Clinic, we have not designated any vendors and suppliers, except as mentioned under this Item 8 and no officer of the franchisor, except as disclosed herein, has any ownership or other interest in any supplier.

Some state corporate practice of medicine laws restrict layperson-franchisees from determining the medical equipment and supplies to be used in the operation of the franchised business. Nothing in our Franchise Agreement, Operations Manual, or specifications will restrict the Designated Managing Chiropractor from exercising independent professional judgment in determining the medical equipment and supplies to be used.

New Products and Services, Review Criteria

If you would like to use any goods or services in establishing and operating the franchised The Wellness Way Clinic that we have not approved (for goods and services that must meet our standards and specifications or that require our approval of the supplier), you must first send us sufficient information, specifications and samples for us to determine whether the goods or services comply with our standards and specifications or the supplier meets our approved supplier criteria. We do not permit franchisees to work with alternative suppliers who meet our criteria unless we have evaluated and approved the alternative supplier. We have the right to inspect the proposed supplier’s facilities and to require product samples and testing. You must pay our expenses to evaluate goods, services or suppliers. We will decide within a reasonable time (usually 30 days) after receiving the required information whether you may purchase or lease the goods or services or whether the supplier is approved. Our criteria for approving or revoking approval of suppliers includes: the supplier’s ability to provide sufficient quantity of goods; quality and reliability of goods or services at competitive prices; production and delivery capability; dependability and general reputation; system uniformity; and impact on other supplier agreements. We are not required to approve any proposed supplier and we may disapprove a proposed supplier who does not meet our requirements. We may also disapprove a proposed supplier if the purchase would violate a contract with an existing supplier.

Periodically, we may review our approval of any goods, services or suppliers. We will notify you if we revoke our approval of goods, services or suppliers, and you must immediately stop purchasing disapproved goods or services, or must immediately stop purchasing from a disapproved supplier. Additionally, we may negotiate pricing arrangements, including volume discounts, on behalf of our franchisees with our suppliers. Volume discounts may not be available to franchisees located in outlying markets that a particular supplier does not serve in significant volume.

We do not currently have any purchasing or distribution cooperatives. We reserve the right to establish both voluntary participation and mandatory participation in purchasing or distribution cooperatives in the future.

In 2023, our total revenue was \$1,363,072, and \$0 or 0% of our total revenue was derived from required purchases or leases of products or services acquired by franchisees. In 2023, the total revenue of our affiliate Wellness Way Enterprises LLC was \$11,292,951, and \$7,688,416 or 68% of WWE’s revenue was derived from required purchases or leases of products or services acquired by franchisees.

We estimate that approximately 80% to 90% of your expenditures for leases and purchases in establishing your franchised The Wellness Way Clinic will be for goods and services that must be purchased from us, our Affiliate or an approved supplier or according to our standards and specifications. We estimate that approximately 20% to 30% of your expenditures on an ongoing basis will be for goods and services that must be purchased from either us, our Affiliate, or an approved supplier or according to our standards and specifications.

We and our affiliate currently receive rebates or other compensation from certain suppliers of equipment, supplies, and merchant services, based on purchases made by franchisees, and we reserve the right to receive compensation from suppliers in the future. In 2023, we did not receive any rebates or other compensation from suppliers. In 2023, our affiliate WWE received \$175,816 from vendors of equipment and supplies based on purchases by franchisees. Some vendors and suppliers who may provide services to The Wellness Way franchisees may pay a sponsorship fee in order to present information at conferences sponsored by The Wellness Way. We do not provide any material benefits to franchisees based upon a franchisee’s purchase of particular products and/or services or the use of particular suppliers.

Before you open your franchised The Wellness Way Clinic, we will:

1. provide you with our criteria for equipment and supplies necessary for the buildout and operation of the franchised business. (Section 6.1)
2. provide you with our site selection criteria. You are responsible for locating the proposed site for your The Wellness Way Clinic, and you must submit your selection to us for approval. We will review your proposal and communicate acceptance or denial within a reasonable time after receipt of all information requested (usually 1-2 business days). In determining whether to approve your site we will consider a variety of legal, construction, economic, and demographic factors including but not limited to: willingness of landlord to consent to our required lease terms and execute the lease rider, the square footage of the proposed premises (must be a minimum of 1,500 square feet), feasibility of building out premises to meet our requirements, demographics, neighboring businesses, traffic counts, signage and visibility, parking, accessibility for disabled persons, and electrical service/wiring. If you and we cannot agree on an Approved Location, you will be required to locate an alternative site and resubmit a request for approval. If we are not able to agree on an Approved Location within the time frame for Opening, the franchise agreement may be terminated without refund. We do not typically own the premises leased to franchisees.
3. provide an initial training program. This training is described in detail later in this ITEM. (Section 9.1)

The approximate total number of pages in the written portion of the Confidential Operations Manual as of the date of this Disclosure Document is 128. The Table of Contents of the Confidential Operations Manual, along with number of pages devoted to each section, is included as **Exhibit D** to this Disclosure Document. (Section 11.1)

After the opening of the franchised The Wellness Way Clinic and while you are in compliance with your obligations under the Franchise Agreement, we:

1. Will provide access to our The Wellness Way System Software (or such other software or technology which may be later developed)
2. Will provide you with a list of approved suppliers for testing, supplements, and other inventory purchases
3. May periodically advise you and offer general guidance to you by telephone, video conference, e-mail, intranet, facsimile, newsletters and other methods. May make periodic visits to the franchised The Wellness Way clinic to provide you with consultation, assistance and guidance in various aspects of the operation and management of the franchised The Wellness Way Clinic. We may prepare written reports suggesting changes or improvements in the operations of the franchised The Wellness Way Clinic and detailing deficiencies that become evident as a result of a visit. If we prepare a report, we may provide you with a copy. (Section 16.2)
5. May make available to you operations assistance and ongoing training as we think necessary. (Section 9.4) Ongoing training programs are described later in this ITEM and in ITEM 6. (See also ITEM 9.d.)
6. May approve forms of marketing materials you may use for local marketing, social media, SEO, Adwords, and online marketing. (Section 13.1) Our marketing programs are described later in this ITEM. (See also ITEM 9.o.)
7. May provide you with modifications to the Confidential Operations Manual as they are made available to franchisees. (Section 11.2) The Confidential Operations Manual is described in ITEM 14. (See also ITEM 9.g.)

Advertising and Promotion

We do not have an obligation to conduct marketing on behalf of the franchise system. You are restricted from establishing a presence on, or marketing on, the Internet without our consent.

If we provide you with a webpage on the franchise system website, you must (i) provide us the information and materials we request to develop, update and modify your webpage; (ii) notify us whenever any information on your webpage is not accurate; and (iii) if we give you the right to modify your webpage, notify us whenever you change the context of your webpage. We may also establish or authorize a third party to establish an email system in which you are required to participate. You must execute any agreements required by the third party provider and pay the provider any fees required to participate in the email system. We will maintain the franchise system website. We periodically may update and modify the franchise system website (including your webpage), and we have final approval rights over all information on the franchise system website (including your webpage). We will only maintain your webpage while you are in full compliance with the franchise agreement and all system standards, and we reserve the right to remove your webpage if you are in default of such until you cure such default. You may not develop, maintain or authorize any other webpage, internet site or social networking site (including but not limited to Facebook, Instagram, and Twitter) that mentions or describes you, your Franchised The Wellness Way Clinic, or the services provided through your clinic or which displays any of the Marks without our prior written permission. You may request our consent to establish a social media or other online page using the Marks by using the form attached to the Franchise Agreement as **Exhibit 9**. In the event we authorize you to use the Marks in an online or social media forum, you agree that we will have administrative access to such forum and agree to provide us with all access, login and password information for such online and/or

social media forums. As set forth in **Exhibit 9**, our approval of a Franchisee's use of a social media platform contemplates you administering/posting on the platform with us only exercising our rights when we deem necessary. We have no obligation to agree to your use of the Marks in any online media or platform.

Local Marketing Requirement

You are required to contribute to the marketing of your The Wellness Way Clinic in your local market area, but the amount you will spend is determined by you in your reasonable business judgment. Your Local Marketing is separate from amounts you will contribute to the Global Marketing Fund. You may only use marketing that has been approved by Us. We have the right, by providing written notice to you, to require you to spend all or a portion of your Local Marketing with approved suppliers. We reserve the right to collect such amounts directly from you via EFT to pay such required suppliers. If we request information from you regarding your local marketing, you must provide us (in a form we approve or designate) evidence of your required local marketing expenditures within thirty (30) days following our request for the period specified in the request. We may require, upon written notice to you, that you submit to us a 12 month plan outlining your proposed local marketing for a specified twelve month period.

You have the option of participating in The Wellness Way Marketing Program by signing up with us and paying our monthly fee, currently \$499 per month and which may fee be changed from time to time with notice to you. If you elect to participate in The Wellness Way Marketing Program, we will prepare online marketing for your use and will work with you in developing, tracking the effectiveness of, and implementing a marketing campaign for your Franchised The Wellness Way Clinic.

Advertising Cooperatives

The Wellness Way does not currently have formal advertising cooperatives, but franchisees in neighboring territories may choose to form marketing cooperatives when they deem it beneficial to do so. Additionally, we may require you to join and participate in any Marketing Cooperative encompassing the territory in which your franchised The Wellness Way Clinic is operated. We reserve the right to form, change, dissolve, or merge, Marketing Cooperatives.

The Global Marketing Fund

The Wellness Way has implemented a Global Marketing Fund wherein franchisees are required to contribute 1% of their Gross Revenue to the Global Marketing Fund. (Section 4.3). Franchisor and Affiliate owned outlets operating The Wellness Way Clinics will contribute to the Global Marketing Fund at the same rate as franchisees. The Wellness Way is not required to spend any Global Marketing Funds in any franchise territory. Existing franchisees may have varying rates of participation based on their franchise agreements. The Wellness Way reserves the right to include caps or limits on contributions to the Marketing Fund. In addition to the Global Marketing Fund Contributions, you must also spend an amount determined by you in your reasonable business judgment on local marketing each month. (Section 13)

We will administer the Global Marketing Fund as follows:

(a) We will control the creative concepts and the materials and media to be used, and we will determine the placement and allocation of advertisements and marketing resources. We may use any media or venue for advertisements and promotions including without limitation print, television, radio, internet or other media;

(b) We may use your contributions to meet or reimburse us for any cost of producing, maintaining, administering and directing consumer marketing (including the cost of preparing and conducting television, radio, internet, magazine, direct mail, social media, and newspaper marketing campaigns and other public relations activities; hosting an internet web page of similar activities; employing marketing agencies to assist therein; providing promotional brochures; conducting market research and

analytics; and providing other marketing materials to franchisees). We will maintain your contributions in a separate account from our funds, and we will not use them for any of our general operating expenses, except for our reasonable administrative costs and overhead related to the administration of the Global Marketing Fund, creation of marketing materials, and any employees or contractors used specifically for consumer marketing. We will not use Global Marketing Fund contributions for the direct solicitation of franchise sales;

(c) We expect to use all contributions in the fiscal year they are made or the following fiscal year. We will use any interest or other earnings of the Global Marketing Fund before we use current contributions. We intend for the Global Marketing Fund to be perpetual, but we have the right to terminate it if it is desirable to do so. We will not terminate the Global Marketing Fund until all contributions and earnings have been used for marketing and promotional purposes or we have returned your *pro rata* share of the unused portion of the fund;

(d) We will have an accounting of the Global Marketing Fund prepared each year and will provide you with a copy if you request it. We are not required to have the annual accounting be reviewed or audited and reported on by an independent certified public accountant, but may require such review or audit at the Global Marketing Fund's expense;

(e) The Global Marketing Fund is not a trust, and we assume no fiduciary duty in administering the Global Marketing Fund;

In 2023, The Wellness Way collected \$339,787.89 in Global Marketing Fund fees. The 2023 Global Marketing Fund fees were used as follows:

Marketing Category	Percentage
Marketing Technology and Software	40%
Social Media Advertising	30%
Online/Search Engine Advertising	30%

Except for salaries of any marketing personnel that may be employed by us and the reimbursement of overhead expenses directly related to the administration of the fund, we do not and will not receive compensation for providing goods or services to the fund. No Global Marketing Fund fees were used for solicitation of new franchisees in 2023. See ITEMS 6 and 9 for other marketing information.

Computer/Point-of-Sale System

You must purchase and use any hardware and software programs we designate. (Section 14.4) Presently, we require you to install and use the following hardware and software:

Hardware
A laptop computer or a desktop computer(s) and tablet(s)
High speed internet access
Scanner/Printer
Software
Adobe PDF
Microsoft Office
QuickBooks
Xray Marking Software
The Wellness Way System Software

The approximate cost of the hardware and software will depend on the number of consultation rooms in your The Wellness Way Clinic and ranges from approximately \$8,000 to \$12,000. This cost is included in the category of “Furniture, Equipment, Computers, and Supplies” in Your Estimated Initial Investment chart in ITEM 7. You are also required to maintain a subscription to QuickBooks, which is currently estimated at \$30 per month. You must obtain a subscription to the Xray Marking Software we designate from our Approved Supplier which is currently estimated at \$3,600 (included in estimate above). The Quickbooks subscription and Xray Marking Software are included in the category of “Furniture, Equipment, Computers, and Supplies” in Your Estimated Initial Investment chart in ITEM 7. You must also use The Wellness Way System Software. We do not currently charge a fee for The Wellness Way System Software.

You do not currently have to enter into any ongoing maintenance or support agreements for the maintenance of a computer or point-of-sale system, but you may find it advantageous to do so. We reserve the right to require an ongoing maintenance program in the future. You may periodically be required to update or upgrade computer hardware and software, if we believe it is necessary. We may introduce new requirements for computer and point-of-sale systems or modify our specifications and requirements. There are no limits on our rights to do so, except as disclosed in ITEM 16. We have the right to independently access all information you collect or compile (except personally identifiable information about patients of your clinic) at any time without first notifying you. Other than the access to patient information and patient records, (See HIPAA information below), there are no contractual limits imposed upon our access to your computer information. (Section 14).

The Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) is a comprehensive nation-wide policy regarding patient privacy, enacted via a series of rules, including the Privacy, Security, and Enforcement Rules in 2003 (as updated from time to time) and the Breach Notification Rule in 2013. See 45 C.F.R. Part 160 and Part 164, Subpart E. In compliance with HIPAA, we will not access your patient information and patient records. As set forth in section 14 of the Franchise Agreement, Franchisee shall have exclusive rights to access and duty to maintain any Patient Information and Patient Records.

Typical Length of Time Before Operation

We estimate that the typical length of time between the signing of the Franchise Agreement and the opening of the franchise is 12-16 weeks. Factors that may affect your beginning operations include your location of an Approved Location and timely submission of all requested information to us for approval, ability to secure licenses and permits, zoning and local ordinances, weather conditions, and your ability to complete our training program. You must open your franchised The Wellness Way Clinic within 180 days after signing the Franchise Agreement or obtain our written consent to an extension of time to open for good cause. (Sections 6.2 and 6.3) You will be deemed to have commenced operations of your Franchised The Wellness Way Clinic when you have completed the initial training program described below, completed build-out of your commercial location, and obtained our consent to open.

Training

We provide you an initial training program that covers material aspects of the operation of the franchised The Wellness Way Clinic. The topics covered are listed in the chart below. The hours for training are estimates, and actual timeframes will vary depending on the background and experience of the trainees. This training is offered on a periodic basis at our headquarters in Green Bay, Wisconsin, or another location we designate. We expect that your attendees will advance through the training program at different rates depending on a variety of factors, including background and experience. The time frames provided in the chart are an estimate of the time it will take to complete training.

You must designate to us the following designees who must each complete our initial training program: Designated Managing Owner, Designated Managing Chiropractor, Designated Office Manager, Designated Marketing Coordinator. With our approval, an individual may hold one, two, or three, of these

four designated positions (as explained below), but you must: (a) designate to us the person or persons who will hold the positions; (b) obtain our approval for an individual to hold multiple designated positions; and (c) ensure that the designated individual completes all required training for all of the approved designated positions. We may allow (and we may require) your Designated Managing Owner be a licensed chiropractor and also serve as your Designated Managing Chiropractor. If your Designated Managing Owner is not a licensed chiropractor, you must also designate a licensed chiropractor who has authority to manage the chiropractic and medical professionals in your clinic, and your Designated Managing Chiropractor must also satisfactorily complete the initial training program before opening. Your Designated Office Manager and Designated Marketing Coordinator must also complete initial training programs for those positions and must do so before or within six months after opening. The position of Designated Marketing Coordinator may be held by your Designated Managing Owner, Designated Managing Chiropractor or Designated Office Manager. If you request that your Designated Office Manager and/or Designated Marketing Coordinator complete the initial training program within six (6) months after opening your clinic, their initial training is also included in the initial franchise fee. Other owners and/or staff members may attend the training program for no additional charge provided that they attend training at the same time as the Designees (one or two total in-person initial training sessions). We recommend that every stakeholder in your Franchised Business attend our training program.

We do not charge for initial training for owners/staff members completing training at the same time as the Designated Managing Owner/Designated Managing Chiropractor or the Designated Office Manager/Designated Marketing Coordinator (one or two total in-person initial training sessions depending on your staffing prior to opening). You must pay for all travel costs and living expenses for yourself and any of your other attendees. These costs are estimated in ITEM 7. If you replace your Designated Managing Owner, Designated Managing Chiropractor, Designated Office Manager, or Designated Marketing Coordinator your new designee must attend our training program within 6 months. You may be charged fees for additional training. Our current fees for replacement designee training are described in ITEM 6. You are responsible for training your own employees and other management personnel. Your franchised The Wellness Way Clinic must at all times be under the day-to-day supervision of a Designated Managing Chiropractor and Designated Office Manager who have satisfactorily completed our training program. (Section 9).

Practitioner Program Franchisees: Clinics who were affiliated with The Wellness Way pursuant to a written Practitioner Program Agreement prior to the issuance date of this disclosure document may apply to The Wellness Way to have some or all of the initial training requirements waived based on their demonstrated understanding of The Wellness Way System Standards and their completion of prior training programs and seminars.

The charts below outline the training program for the Designated Managing Owner/Designated Managing Chiropractor, the Designated Office Manager, and the Designated Marketing Coordinator.

Any additional or substitute trainers will be required to have at least 6 months experience with The Wellness Way family of companies in the area in which they are training. There are no limits on our right to assign a substitute trainer to provide training. Certain segments of the training may vary from the chart shown above based on schedule changes due to business requirements and other factors. We will attempt to give you advance notice when this occurs.

Training Materials: The training will include the following instructional materials: The Wellness Way Confidential Operations Manual, including The Wellness Way University, videos and one or more position specific training manuals. The dates and location of the training will be communicated to you in the Confidential Operations Manual or via other written communication.

Time to Complete Initial Training: All Designees must complete the online portion of the initial training program within sixty (60) days after signing the Franchise Agreement. Your Designated Managing Owner and Designated Managing Chiropractor must complete the in-person portion of the initial training program at least thirty (30) days prior to opening your Franchised The Wellness Way Clinic. Your Designated Managing Office Manager and Designated Marketing Coordinator must complete the in-person portion of the initial training program within 280 days of signing the Franchise Agreement.

HIPAA Privacy Training: In addition to the training described above, each person who will work in your Franchised The Wellness Way Clinic must successfully complete an online HIPAA Privacy Training Course and obtain a certification of successful completion. This online course must be completed through an approved third party provider, and we estimate that your cost will be approximately \$30 per person. Upon

completion of the HIPAA Privacy Training Course, you must provide us with a copy of the certificate of completion for each employee.

New Practitioner Training: Every practitioner (e.g. Chiropractors, Nurse Practitioners, Doctors, Naturopaths, etc.) who will be providing patient consultations and/or patient care must complete the approximately 60 hour online training program listed in the Designated Managing Owner/Designated Managing Chiropractor training chart above, and this online training must be completed within 6 months of being hired. The Table of Contents for the written Operations Manual is attached to this Disclosure Document as Exhibit D.

ITEM 12. TERRITORY

The franchise is for a specific, approved location, and you may only operate your Franchised The Wellness Way Clinic from the Approved Location. You may not relocate your Franchised The Wellness Way Clinic from the Approved Location without first obtaining our written consent. We will apply the same criteria for approving a relocation as we apply for granting approval of the Approved Location for a new franchisee. For example, and not as a limitation, we may consider rights of other franchisees, our current franchise sales plans and activities, market demographics, and whether the location meets our site selection criteria.

We will grant you a protected territory surrounding your Approved Location known as (the "Area of Primary Responsibility"), which will be mutually acceptable to you and us. We will define the Area of Primary Responsibility in the Franchise Agreement (if an Approved Location is already known) or in an addendum to the Franchise Agreement after you select and we accept the location of your franchised The Wellness Way Clinic. Typically, the Area of Primary Responsibility will be a 3 mile or greater radius from the Approved Location for your The Wellness Way Clinic. We will describe the Area of Primary Responsibility using coordinates or fixed geographical features on a map. The geographic size of the Area of Primary Responsibility will vary based upon the population density and a variety of demographic factors.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Other The Wellness Way franchisees, as well as us and our affiliates, will not be granted rights to open The Wellness Way Clinic inside your Area of Primary Responsibility, but there are no restrictions on the residence of any patient or customer, and there are no restrictions on the right of any professional to provide telehealth or remote wellness consultations with a patient in any geographic location. Additionally, our affiliate, WWE, offers direct online sales of The Wellness Way branded nutritional supplements and other

products, and there are no restrictions on the right of WWE to sell to consumers located in your territory. We will not provide compensation to you for sales conducted to consumers located in your territory.

You agree to limit targeted or direct solicitation and marketing (including but not limited to direct marketing, telemarketing, or other direct solicitation) to persons in your Area of Primary Responsibility unless such person (regardless of where they live) has voluntarily signed up to receive communications with you or you have obtained our written permission. You are permitted to use public media with a broad reach, such as newspaper, radio, television and other electronic means of general solicitation to attract patients. You must obtain our permission to use the Marks on the internet. You may serve any customer from your Approved Location who has voluntarily signed up as your customer, regardless of where such customer lives. You may sell and ship products to any of your customers, regardless of their location, and you may provide telehealth/consultations to your customers regardless of the customer's location (subject to state licensing laws). If Franchisee desires to conduct targeted or direct marketing outside of Franchisee's Area of Primary Responsibility, and the area of desired marketing both (a) neighbors Franchisee's Area of Primary Responsibility and (b) is not the Area of Primary Responsibility of any other Franchisee, Franchisee may submit a written request to Franchisor for approval of the proposed out of territory marketing. Franchisor reserves the right to approve or deny any request for marketing approval outside of the Area of Responsibility in its sole and absolute discretion. Any approval granted may be granted on a non-exclusive basis and may be revoked at any time with Franchisor's notice to Franchisee. Except as set forth above, you do not have rights to use other channels of distribution such as the Internet, catalog sales, telemarketing, or other direct marketing to make sales outside of your territory.

Your purchase of a franchise does not provide you with any options, rights of first refusal, or similar rights to acquire additional franchises.

We reserve all other rights for ourselves, including (by way of example and not as a limitation): a) the right to develop and operate or grant others the right to develop and operate a Franchised The Wellness Way Clinic located anywhere outside your Area of Primary Responsibility on terms and conditions we deem appropriate, b) the right to develop and operate or grant others the right to develop and operate Clinics that may offer products and services which are identical to products and services offered by your The Wellness Way franchise, under trade names, trademarks, service marks and commercial symbols which are different from the Marks; c) the right to produce and sell products using the Marks or other commercial symbols through other channels of distribution (including the internet) including products and/or services that are identical or similar to, and/or competitive with, those of your The Wellness Way franchise, regardless of the nature or location of the customers; d) the right to require the assets or ownership interest of one or more businesses providing products and services similar to those provided at your The Wellness Way franchise, and franchise, license or create similar arrangements with respect to these businesses once required (even if the business is located within the territory); e) the right to be acquired by a business providing products and services similar to those provided at your The Wellness Way franchise, or by another business, even if such business operates franchises or other competitive businesses in the territory; f) the right to operate other retail outlets or enter into other lines of businesses offering dissimilar products or services under trademarks or service marks other than the Marks; and g) engage in all other activities not prohibited by the franchise agreement. Neither we nor any of our affiliates currently have any plans to operate or franchise a business under a different trademark which will sell goods or services similar to those The Wellness Way franchisees will offer. The Wellness Way is not required to pay you if we exercise any of the rights specified above inside or outside the area where you conduct business.

To maintain your territorial rights, you are required to meet minimum performance requirements, with generally increasing gross revenues, the more experience you have as a franchise. There are no minimum performance requirements during the first year following the opening of your Franchised The Wellness Way Clinic. Your performance requirements thereafter are set forth as monthly gross revenue requirements per year, measured from the first full month following your opening. The chart below sets forth the performance requirements:

CALENDAR YEAR	GROSS MONTHLY REVENUE
First Year	No Minimum Requirement
Second Year	\$20,000 per month
Third Year	\$35,000 per month
Fourth Year and thereafter	\$50,000 per month

If the Franchise Agreement is renewed following the initial term of seven (7) years, the Franchisee agrees that the 4th year and thereafter requirements will apply to each year of any successor term. Franchisee agrees that Franchisee’s failure to receive the Minimum Required Gross Revenue constitutes a material default in this Agreement and entitles The Wellness Way to terminate the Franchise Agreement.

The Wellness Way does not represent or warrant that any Franchisee will achieve any specific level of Gross Revenues or that any Franchisee will make any profit. The Minimum Required Gross Revenues set forth above do not constitute a representation that you will achieve these results. Instead, these Minimum Required Gross Revenues reflect what The Wellness Way requires for the Franchise Agreement to remain in effect.

ITEM 13. TRADEMARKS

You receive the right to operate your business under the name The Wellness Way, which is the primary Mark used to identify our System. You may also use any other current or future Marks to operate your franchised Business that we designate, including the logo on the front of this Disclosure Document and the service marks listed below. By “Mark,” we mean any trade name, trademark, service mark or logo used to identify your business. We have obtained a registration for the following Marks on the U.S. Patent and Trademark Office (“USPTO”) Principal Register:

Mark	Registration Number	Registration Date
THE WELLNESS WAY CLINICS	4816305	July 7, 2015
	6607457	January 4, 2022
THE WELLNESS WAY	7040061	May 2, 2023

We intend to file all required affidavits to maintain our registrations.

There are no effective material determinations of the USPTO, trademark trial and appeal board, the trademark administrator of any State or any court; pending infringement, opposition or cancellation; or pending material litigation involving the Marks.

There are no agreements currently in effect that will significantly limit our rights in the future to use or license the use of the Marks in any manner material to your franchise.

We know of no infringing or prior superior uses that could materially affect your use of the Marks in the franchised business.

You do not receive any rights to the Marks other than the nonexclusive right to use them in the operation of your franchised The Wellness Way Clinic. You must follow our rules when you use the Marks. You must use the Marks as the sole trade identification of the franchised The Wellness Way Clinic, subject to applicable State laws. You cannot use a Mark as part of a corporate, partnership or limited liability company name and will instead register a d/b/a or fictional name in the format “The Wellness Way – *[insert TWW assigned geographic designator]*”. You cannot use the Mark with modifying words, designs or symbols except for those which we license to you. You may not use any Mark in connection with the sale of any unauthorized products or services, or in any other manner that we do not authorize in writing. You must obtain a fictitious or assumed name registration if required by your state or local law, and you must ensure that such registration is done in accordance with laws governing chiropractors in your state. Any unauthorized use of the Marks by you is a breach of the Franchise Agreement and an infringement of our rights in the Marks. You must not contest the validity or ownership of the Marks, including any Marks that we license to you after you sign the Franchise Agreement. You must not assist any other person in contesting the validity or ownership of the Marks.

You must immediately notify us when you learn about an infringement of, or challenge to your use of, any Mark, or any claim by any person (other than us and our owners and affiliates) of any rights in any Marks, and you must not communicate with any person other than us and our counsel regarding any infringements, challenges or claims unless you are legally required to do so. However, you may communicate with your own counsel at your own expense. We will take the action we think appropriate in these situations; we have exclusive control over any settlement or proceeding concerning any Mark. You must take any actions that, in the opinion of our counsel, may be advisable to protect and maintain our interests in any proceeding or to otherwise protect and maintain our interests in the Marks.

While we are not required to defend you against a claim arising from your use of our Marks, we will reimburse you for all of your expenses reasonably incurred in any legal proceeding disputing your authorized use of any Mark, but only if you notify us of the proceeding in a timely manner and you have complied with our directions with regard to the proceeding. We have the right to control the defense and settlement of any proceeding. If we elect to defend you in such a proceeding, we will not reimburse you for your expenses and legal fees for separate, independent legal counsel. In any event, we will not reimburse you for expenses incurred in removing signage or discontinuing your use of any Mark. We will not reimburse you for disputes where we challenge your use of a Mark.

If we so require, you must modify or discontinue the use of any Mark and use other trademarks or service marks we designate. We do not have to reimburse you for modifying or discontinuing the use of a Mark or for substituting another trademark or service mark for a discontinued Mark. If we adopt and use new or modified Marks, you must add or replace equipment, signs, supplies and fixtures, and you must make other modifications we designate as necessary to adapt your franchised The Wellness Way Clinic for the new or modified Marks. You do not have to spend more than \$15,000 during the initial term of the Franchise Agreement to conform your franchised The Wellness Way Clinic to changes to the Marks and other System modifications. We do not reimburse you for any loss of goodwill associated with a modified or discontinued Mark.

You must notify us if you apply for your own trademark or service mark registrations for any business. You must not use or register or seek to register as a trademark or service mark, either with the USPTO or any state or foreign country, any of the Marks or a trademark or service mark that is confusingly similar to any of our Marks.

You may not advertise on the Internet using, or establish, create or operate an Internet site or website using, any domain name containing the words “The Wellness Way” or any variation of “Wellness Way” without our prior written consent. You can apply for consent by using the form attached to the Franchise Agreement.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the franchise. We own copyrights in the Confidential Operations Manual, including the Wellness Way University, our website, our marketing materials, our system software, and other copyrightable items that are part of the System. While we claim copyrights in these and similar items, we have not registered these copyrights with the United States Register of Copyrights. You may use these items only as we specify while operating the franchised The Wellness Way Clinic and you must stop using them if we direct you to do so.

We know of no effective determinations of the U.S. Copyright Office or any court regarding any of our copyrighted materials. Our right to use or license copyrighted items is not materially limited by any agreement or known infringing use.

We have developed certain trade secrets and other confidential information, including methods of business management, sales and promotion techniques, and know-how, knowledge of, and experience in, operating The Wellness Way Clinic. We will provide our trade secrets and other confidential information to you during training, in the Confidential Operations Manual and as a result of the assistance we furnish you during the term of the franchise. You may only use the trade secrets and other confidential information for the purpose of operating your franchised The Wellness Way Clinic. You may only divulge trade secrets and other confidential information to employees who must have access to it to operate the franchised The Wellness Way Clinic. You are responsible for enforcing the confidentiality provisions as to your employees.

Certain individuals with access to trade secrets or other confidential information, including your shareholders (and members of their immediate families or households), officers, directors, partners, and members, if you are a corporation, limited liability company or other business entity, and your managers, executives, employees and staff, may be required to sign nondisclosure and non-competition agreements in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached to the Franchise Agreement. We will be a third-party beneficiary with the right to enforce those agreements.

All ideas, concepts, techniques or materials concerning the franchised The Wellness Way Clinic and/or the System, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be our sole and exclusive property and a part of the System that we may choose to adopt and/or disclose to other franchisees, and you agree to assign to us all right, title and interest in any intellectual property so developed. Likewise, we will disclose to you concepts and developments of other franchisees that we make part of the System. You must also assist us in obtaining intellectual property rights in any such concept or development if requested.

Your use of the Confidential Operations Manual, trade secrets or other confidential information in an unauthorized manner is a default of the Franchise Agreement that may result in automatic termination of the Franchise Agreement. Further information about termination of the Franchise Agreement following a default is included in ITEM 17.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED THE WELLNESS WAY CLINIC

The franchised The Wellness Way Clinic must always be under the supervision of a Designated Managing Chiropractor and Office Manager, who regularly spend 25 hours or more in the Franchised The Wellness Way Clinic, unless you have received a written approval from TWW for an alternate arrangement. If you are an individual, you must also be the Designated Managing Owner and Designated Managing Chiropractor of the franchise, and you must obtain our consent to select another individual to replace you as the Designated Managing Owner or Designated Managing Chiropractor. If you are a corporation or other business entity, you will select a Designated Managing Owner, a Designated Managing Chiropractor (DMO and DMC may require be the same person), an Office Manager, and a Marketing Coordinator for the franchise, and we may require that the Designated Managing Owner and/or Designated Managing

With our approval, an individual may hold multiple designated positions (as described below), but you must: (a) designate to us the person or persons who will hold the positions; (b) obtain our approval for an individual to hold multiple designated positions; and (c) ensure that the designated individual completes all required training for all of the approved designated positions. We may allow (and we may require) that the Designated Managing Chiropractor also be your Designated Managing Owner. Your Designated Managing Owner, Designated Chiropractor, or Designated Office Manager may also hold the position of Designated Marketing Coordinator. The Designated Managing Owner and Designated Managing Chiropractor must satisfactorily complete our initial training program before opening the franchised The Wellness Way Clinic.

The Designated Office Manager and Designated Marketing Coordinator must complete our initial training program before opening or within six (6) months of opening. If you must replace the Designated Managing Owner, Designated Managing Chiropractor, Office Manager, or the Marketing Coordinator, the replacement must satisfactorily complete our initial training program. You are not a passive investor, and, instead, you must be actively engaged in the operations of the franchise, and you should not expect to derive profits solely from the efforts of others. Your Designated Managing Chiropractor and Office Manager must select, train, evaluate, and supervise all staff of your Franchised The Wellness Way Clinic.

As described in ITEM 14, certain individuals associated with your franchised The Wellness Way Clinic, including your owners (and members of their immediate families or households), officers, directors, partners, managers, executives, employees and staff may be required to sign nondisclosure and non-competition agreements the same as or similar to the Nondisclosure and Non-Competition Agreement attached to the Franchise Agreement. We will be a third-party beneficiary with the independent right to enforce the agreements.

If you are a corporation or other business entity, anyone who owns a 5% or greater interest in the entity must personally guarantee the performance of all of your obligations under the Franchise Agreement and agree to be personally liable for your breach of the Franchise Agreement, by signing the Unlimited Guaranty and Assumption of Obligations attached to the Franchise Agreement.

Under the Franchise Agreement, you and your owners must at all times faithfully, honestly and diligently perform your and their obligations under the Franchise Agreement. You and they must continuously exert your and their best efforts to promote and enhance your The Wellness Way Clinic. Neither you nor your owners can engage in any other business or activity that may conflict with your or their obligations under the Franchise Agreement.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer the products and services we specify. You may not sell any products or services that we have not authorized, and you must discontinue offering any products or services that we may disapprove. We may take action, including terminating your franchise, if you purchase or sell unapproved products or make purchases from unapproved suppliers. We may periodically change required or authorized products or services. There are no limits on our right to do so, except that your investment required to change authorized or required services and products will not be unreasonably disproportionate to your initial investment during the initial term of the franchise.

Periodically, we may allow certain products or services that are not otherwise authorized for general use as a part of the System to be offered locally or regionally based on factors, including test marketing, your qualifications, and regional or local differences.

We do not place restrictions on you with respect to who may be a customer of your franchised The Wellness Way Clinic. You are prohibited from offering the products or services identical to the products or services offered by us through any means or through any other entity in which you may have an interest, other than your franchised The Wellness Way Clinic.

ITEM 18. PUBLIC FIGURES

We do not presently use any public figures to promote our franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in ITEM 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this ITEM 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Written substantiation pertaining to these financial performance representations is available for inspection at our principal business address and will be provided upon reasonable request.

The financial performance representations in this Item 19 are a historic representation based on the past performance of existing outlets. The financial performance representations below are based on the historic gross revenues of existing corporate affiliate The Wellness Way Clinics and existing franchised The Wellness Way Clinics for the calendar year 2023. For purposes of this Item 19, gross revenues is defined as total gross receipts, without deductions.

Tables 1 – 4 show the top 3 corporate affiliate clinics, the bottom 3 corporate affiliate clinics and the top 3 franchise clinics and bottom 3 franchise clinics, based on the gross revenues received by all corporate affiliate clinics and franchise clinics open for the entire year. The financial performance representations in tables 1-4 are disclosed by geographic region of The Wellness Way Clinic. The financial performance representation in this Item 19 is listed by geographic region of the corporate affiliate clinic location. For purposes of this Item 19 the geographic regions include clinics in the following states: West (Arizona,

California, Colorado, Montana, Oregon, and Utah); Central (Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Ohio, South Dakota, Texas, and Wisconsin); East (Florida, Georgia, Massachusetts, New Hampshire, North Carolina, and Tennessee). The geographic location of future operational franchised outlets may differ materially from the geographic location of the affiliate-owned outlets.

Tables 5 -6 show the average and mean gross revenues by quarter of corporate affiliate units and franchise units, based on all clinics open for the entire quarter represented. The total number of clinics included is reflected in each table.

The financial performance representation in this Item 19 was prepared using the historic financials of the corporate affiliates and franchised units, provided to us by such corporate affiliates and franchisees.

The financial performance representations do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue figures to obtain your net income or profit. Differences in location and/or geographic region of your franchise location may result in significantly different costs. Differences and/or changes in laws can also cause costs to change. You may also incur costs or expenses not incurred by the company affiliate locations. You should make an independent investigation of your own costs. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

If the Approved Location is determined as of the Effective Date, then this Section shall be inapplicable. A detailed description of the geographic area or boundaries of the Designated Search Area is:

2.4 Area of Primary Responsibility

Franchisee will be granted a protected territory called the “Area of Primary Responsibility” to be mutually agreed upon by Franchisor and Franchisee and depicted in the map attached. The Area of Primary Responsibility will typically be a 3 or more mile radius from the Approved Location. Franchisee will operate the Franchised The Wellness Way Clinic from the Approved Location within the designated Area of Primary Responsibility and shall limit all direct marketing, advertising and business activities within such area, as stated in Section 2.6. As long as this Agreement is in full force and effect and Franchisee is not in default under any of the terms hereof, Franchisor shall not limit or alter the boundaries of Franchisee’s Area of Primary Responsibility and will not establish or grant others the right to establish The Wellness Way Clinic within Franchisee’s Area of Primary Responsibility. - a. The Area of Primary Responsibility shall be defined by and exist within the following zip codes or other physical, political or natural boundaries:

- b. The map of the Area of Primary Responsibility will be attached hereto.

2.5 Sub-franchising/Agents

Franchisee shall not sublicense the use of the System or Marks to any person or entity. Franchisee shall not grant any person or entity the right to perform any part of Franchisee’s rights or obligations licensed hereunder.

2.6 Marketing and Solicitation Restrictions

You agree to limit targeted or direct solicitation and marketing to persons in your Area of Primary Responsibility unless such person (regardless of where they live) has voluntarily signed up to receive communications with you or you have obtained our written permission. You are permitted to use public media with a broad reach, such as newspaper, radio, television and other electronic means of general solicitation to attract patients. If Franchisee desires to conduct targeted or direct marketing outside of Franchisee’s Area of Primary Responsibility and the area of desired marketing both (a) neighbors Franchisee’s Area of Primary Responsibility and (b) is not the Area of Primary Responsibility of any other Franchisee, Franchisee may submit a written request to Franchisor for approval of the proposed out of territory marketing. Franchisor reserves the right to approve or deny any request for marketing approval outside of the Area of Responsibility in its sole and absolute discretion. Any approval granted may be granted on a non-exclusive basis and may be revoked at any time with Franchisor’s notice to Franchisee. 2.7 Minimum Performance Requirements

To maintain your rights to the Area of Primary Responsibility, you are required to meet minimum performance requirements, with generally increasing gross revenues, the more experience you have as a franchise. There are no minimum performance requirements during the first year following the opening of your Franchised The Wellness Way Clinic. Your performance requirements thereafter are set forth as monthly gross revenue requirements per year, measured from the first full month following your opening. In the event Franchisee fails to meet the Minimum Performance Requirements for a particular month, the monthly gross revenue for all months in the same calendar year will be averaged. If the average for the calendar year exceeds the Performance Requirements, Franchisee will not be deemed to be in default of this section. The chart below sets forth the monthly performance requirements for each calendar year:

CALENDAR YEAR	GROSS MONTHLY REVENUE
First Year	No Minimum Requirement
Second Year	\$20,000 per month
Third Year	\$35,000 per month
Fourth Year and thereafter	\$50,000 per month

If this Agreement is renewed following the initial term of seven (7) years, the Franchisee agrees that the 4th year and thereafter requirements will apply to each year of any successor term. Franchisee agrees that Franchisee's failure to receive the Minimum Required Gross Revenue constitutes a material default in this Agreement and entitles The Wellness Way to terminate this Agreement. Provided, however, Franchisor will not terminate the Franchise Agreement based solely on Franchisee's failure to achieve Minimum Required Gross Revenue without Franchisor first providing Franchisee with notice and an opportunity to cure of not less than 3 months.

The Wellness Way does not represent or warrant that any Franchisee will achieve any specific level of Gross Revenues or that any Franchisee will make any profit. The Minimum Required Gross Revenues set forth above do not constitute a representation that you will achieve these results. Instead, these Minimum Required Gross Revenues reflect what The Wellness Way requires for this Agreement to remain in effect.

8.4. Exclusive Relationship

Franchisee acknowledges that Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among The Wellness Way franchisees if owners of The Wellness Way Clinics and members of their immediate families or households were permitted to hold an interest in or perform services for any In-Term Competitive Business. Except as otherwise expressly provided in this Section 9, Franchisee shall be responsible for training its management and other employees. Following the completion of Franchisor's initial training program, if Franchisee does not feel adequately trained in any area, Franchisee may request additional training, and Franchisor will provide additional training to Franchisee. Franchisor may charge a fee for any mandatory or optional ongoing training. If a training program is designated as mandatory, Franchisee will be responsible for the fee for the program for all required attendees. Franchisor may also require additional training as a condition of curing a default, and Franchisee acknowledges that it may be required to complete and pay a fee for any such training required to cure a default in addition to other mandatory ongoing training. Franchisee shall be responsible for all travel costs, room and board and its employees' salaries incurred in connection with the individual's attendance at such training. Failure of Franchisee to cause the specified owner/staff to attend any required ongoing training without obtaining a written waiver from Franchisor for good cause shown shall be a material default.

10. COMPLIANCE

10.1. Professional Judgment

Franchisee shall ensure that its chiropractors and other licensed professionals exercise independent professional judgment and are supervised and directed only by the Designated Managing Chiropractor or other licensed professionals, in compliance with all applicable laws governing the professionals. Nothing in this Agreement shall be construed as directing or limiting the professional judgment of any licensed

professional. Franchisor has the right to add to or otherwise modify the Confidential Operations Manual from time to time to reflect changes in the specifications, standards, operating procedures and rules prescribed by Franchisor; provided, however, that no such addition or modification shall materially alter Franchisee's fundamental status and rights under this Agreement. Franchisor may make such additions or modifications without prior notice to Franchisee. Franchisee shall immediately, upon notice, adopt any such changes and

If a dispute as to the contents of the Confidential Operations Manual arises, the terms of the master copy of the Confidential Operations Manual maintained by Franchisor at Franchisor's headquarters shall be controlling.

11.3. Not A Substitute For Independent Professional Judgment

Franchisee and Franchisor acknowledge and agree that the specifications, standards and operating procedures are not intended to limit or replace the professional judgment of your Designated Managing Chiropractor or any other licensed professional. The specifications, standards, and operating procedures represent only the minimum standards, and you, your Designated Managing Owner, and your Designated Managing Chiropractor are solely responsible for ensuring that all licensed professionals provide services according to all applicable legal requirements and standards of care. Nothing in the Operations Manual shall obligate you or your Designated Managing Chiropractor to perform any act that is contrary to the Designated Managing Chiropractor's professional judgment. You agree to immediately notify us in the event you determine that anything in the Operations Manual or any System Standard is contrary to your or your Designated Managing Chiropractor's professional judgment.

11.4. Confidentiality

Franchisee recognizes that from time to time, Franchisor may introduce, as part of the System, other methods or technology which require certain System modifications including, without limitation, the adoption and use of modified or substitute Marks, new computer hardware and software, equipment or signs. Franchisee agrees to make all required upgrades and modifications at its expense as may be required by Franchisor; provided, however, that Franchisee shall not be required to make any expenditures during the first year of the initial term or any expenditures which are unreasonably disproportionate to Franchisee's initial investment to establish the Franchised Business during the initial term and otherwise not to exceed \$15,000.00. If such additional investment is required to be made in the last year of the initial term, Franchisee may avoid making the investment by providing notice of intent not to renew the Franchise unless the investment is in connection with a modification to the System required by law or court order. Franchisee acknowledges that any required expenditures for changes or upgrades to the System shall be in addition to expenditures for repairs and maintenance as required in Section 15.2 of this Agreement. Notwithstanding the foregoing, Franchisee shall be required to make any and all improvements or modifications whenever such are required by law, regulation, agency decision, or court order.

12.3. Variance

Franchisor has the right to vary standards or specifications for any franchisee based upon that particular franchisee's qualifications, the peculiarities of the particular site or circumstances, the demographics of the trade area, business potential, existing business practices or any other condition which Franchisor deems to be of importance to the successful operation of any particular The Wellness Way Clinic. Franchisor shall use reasonable efforts to provide notice of approval or disapproval within thirty (30) days from the date all such material is received by Franchisor. If Franchisor does not approve submitted materials by the end of such thirty (30) day period, such materials shall be deemed to have received the required approval. Franchisee shall not use any marketing or promotional material prior to approval by Franchisor. We shall have the absolute right, at our sole discretion, to terminate any approval at any time upon written notice to you. The Wellness Way may, but is not required to, specify from time to time in the Operations Manual certain online social media postings that, when made in accordance with the System Standards on an approved platform (**Exhibit 9**), do not require pre-approval prior to posting. 15. STANDARDS OF OPERATION

15.1. Authorized Products, Services and Suppliers

Franchisee acknowledges that the reputation and goodwill of the System are based in large part on offering uniform high quality products and services to its customers. Accordingly, Franchisee shall provide or offer for sale or use at the Franchised The Wellness Way Clinic only those products, supplies, signs, equipment and other items and services that Franchisor from time to time approves (and which are not thereafter disapproved) and that comply with Franchisor's specifications and quality standards. You must offer all products at retail prices, and you will not offer or sell any products at wholesale prices.

If required by Franchisor, any such items or services shall be purchased only from “Approved Suppliers” that Franchisor designates or approves (which might include, or be limited to, Franchisor or an Affiliate). Franchisee acknowledges that Franchisor may approve a supplier for one or more particular products or services and may disapprove the supplier for other products or services. Franchisee shall be responsible for ensuring that all products and services are purchased from an approved supplier of those products or services. Franchisee shall not offer for sale, sell or provide through the Franchised The Wellness Way Clinic or from the Franchised The Wellness Way Clinic any products or services that Franchisor has not approved. Franchisee agrees that Franchisor and/or Franchisor’s affiliates may be an Approved Supplier and/or may be the only Approved Supplier and that Franchisor and its affiliates reserve the right to earn a profit on any goods or services supplied to Franchisee.

Franchisor shall provide Franchisee, in the Confidential Operations Manual or other written or electronic form, with a list of specifications and, if Franchisor requires Franchisee to purchase goods or services from Approved Suppliers, a list of Approved Suppliers for some or all of the required products, supplies, signs, equipment and other approved or specified items and services, and Franchisor may from time to time issue revisions to such list. If Franchisee desires to acquire any products or services that Franchisor has not approved, Franchisee shall submit a request for approval to Franchisor. Franchisor may, in its discretion, require Franchisee to have the service or product and/or supplier evaluated by an independent agency to determine whether the service or product complies with Franchisor’s standards and specifications or whether the supplier meets its Approved Supplier criteria. Franchisee shall bear all of the expenses for such independent evaluation. Franchisor will decide within a reasonable time (usually within thirty [30] days) after receiving the required information whether Franchisee may acquire such items or whether the supplier shall be designated as an Approved Supplier, as the case may be. Failure to receive written approval of a supplier from Franchisor will be a denial of the proposed supplier. Approval of a supplier may be conditioned on a variety of criteria, as determined by Franchisor from time to time, including but not limited to, the supplier’s ability to provide a sufficient quantity of product; quality of products or services at competitive prices; production and delivery capability; and dependability and general reputation. Nothing in this Section shall be construed to require Franchisor to approve any particular supplier, or to require Franchisor to make available to prospective suppliers, standards and specifications that Franchisor deems confidential.

Notwithstanding anything contrary in this Agreement, Franchisor has the right to reconsider from time to time its approval of any items or suppliers. Franchisor may revoke its approval of any item, service or supplier at any time by notifying Franchisee. Franchisee shall, at its own expense, promptly cease using, selling or providing any items or services disapproved by Franchisor and shall promptly cease purchasing, leasing or licensing from suppliers disapproved by Franchisor.

Franchisor has the right to designate certain products and services, not otherwise authorized for general use as part of the System, to be offered locally or regionally based upon such factors as Franchisor determines including, but not limited to, franchisee qualifications, test marketing and regional or local differences. Franchisor has the right to permit one (1) or more franchisees to provide certain products or services not authorized for general use as part of the System. Such consent will be based upon the factors set forth in Section 12.3 and shall not create any rights in Franchisee to provide the same products or services.

Franchisor has the right to retain volume rebates, markups and other benefits from suppliers or in connection with the furnishing of Approved Suppliers. Franchisee shall have no entitlement to or interest in any such benefits.

15.2. Appearance and Condition of the Franchised The Wellness Way Clinic

- e. If Franchisor elects not to receive an assignment or sublease of the Franchised Clinic, Franchisee shall make such modifications or alterations to the Approved Location (including changing telephone and facsimile numbers) immediately upon termination or expiration of this Agreement as may be necessary to prevent any association between Franchisor or the System and any business subsequently operated by Franchisee or others at the Approved Location.

21. OPTION TO BUY / RIGHT OF FIRST REFUSAL

21.1. Submission of Offer

If Franchisee, or any of its owners, proposes to sell or otherwise transfer (including a transfer by death or Incapacity pursuant to Section 20.6) the Franchised The Wellness Way Clinic (or any of its assets outside of the normal course of business), any ownership interest in Franchisee or any interest in the Franchise granted hereunder, Franchisee shall obtain and deliver to Franchisor a bona fide, executed written offer or proposal to purchase, along with all pertinent documents including any contract or due diligence materials. The offer must apply only to an approved sale of the assets or interests mentioned above and may not include any other property or rights of Franchisee or any of its owners.

21.2. Franchisor's Right to Purchase

Franchisor shall, for thirty (30) days from the date of delivery of all such documents, have the right, exercisable by written notice to Franchisee, to purchase the offered assets or interest for the price and on the same terms and conditions contained in such offer communicated to Franchisee. Franchisor has the right to substitute cash for the fair market value of any other form of payment proposed in such offer. Franchisor's credit shall be deemed at least equal to the credit of any proposed buyer. After providing notice to Franchisee of Franchisor's intent to exercise this right of first refusal, Franchisor shall have up to sixty (60) days to close the purchase. Franchisor shall be entitled to receive from Franchisee all customary representations and warranties given by Franchisee as the seller of the assets or such ownership interest or, at Franchisor's election, the representations and warranties contained in the proposal.

21.3. Non-Exercise of Right of First Refusal

If Franchisor does not exercise its right of first refusal within thirty (30) days from the date of delivery of all such documents, the offer or proposal may be accepted by Franchisee or its owner or owners, as the case may be, subject to Franchisor's prior written approval as required by Section 20. Should the sale be terminated or fail to close within one hundred twenty (120) days after the offer is delivered to Franchisor, Franchisor's right of first refusal shall renew and be implemented in accordance with this Section.

21.4. Buyback

In addition to the rights set forth above, Franchisor shall have the right, in its sole discretion, to purchase your Franchised The Wellness Way Clinic, at any time by providing notice to you as set forth in this section, pursuant to an Asset Sale for the greater of \$100,000 or four (4) times the EBITDA of your Franchised The Wellness Way Clinic over the previous twelve (12) months, or such shorter time as your Franchised The Wellness Way Clinic may have been in operation. You understand that this is a premium price above fair value and does not vest any rights in you. The EBITDA of your Franchised The Wellness Way Clinic shall be determined by a certified public accountant selected by us after such accountant has reviewed your books and records prepared according to our standard chart of accounts. Our Buyback rights may be exercised by providing written notice to you of our intent to exercise our Buyback rights, which notice shall include a list of financial reporting to be submitted and the identification of our designated certified public accountant. Following our notice of intent, you must submit all requested information to our designated certified public accountant within thirty (30) days. Following receipt of the EBITDA determination, we will have five (5) business days within which we may withdraw or notice of intent to buyback without penalty. If we do not withdraw, we will close on the purchase and transfer the Buyback purchase price to you within thirty (30) days of the designated certified public accountant's determination of the EBITDA for your Franchised The Wellness Way Clinic. As a part of the Closing, we will assume the lease for your Franchised The Wellness Way Clinic pursuant to the terms and conditions set forth in the lease rider attached hereto as **Exhibit 11**, and you will convey all assets free and clear of all encumbrances, with the parties making standard representations and warranties. You will indemnify us for all obligations of the Franchised The Wellness Way Clinic arising out of operations of the Franchised The Wellness Way Clinic through closing, and we will indemnify you for all obligations arising out of operations of the business post-closing.

22.2. Relationship

This Agreement is purely a contractual relationship between the parties and does not appoint or make Franchisee an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever. Franchisee may not represent or imply to third parties that Franchisee is an agent of Franchisor, and Franchisee is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on Franchisor's behalf. During the term of this Agreement, and any extension or renewal hereof, Franchisee shall hold itself out to the public only as a franchisee and an owner of the Franchised The Wellness Way Clinic operating the Franchised The Wellness Way Clinic pursuant to a franchise from Franchisor. Franchisee shall take such affirmative action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place on the Approved Location and on all email forms, stationery or other written materials, the content of which Franchisor has the right to specify. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt, or any other obligation of Franchisee. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the operation of the Franchised The Wellness Way Clinic. Any third party contractors and vendors retained by Franchisee to convert or construct the premises or to provide goods or services to Franchisee are independent contractors of Franchisee alone.

22.3. Standard of Care

This Agreement does not establish a fiduciary relationship between the parties. Unless otherwise specifically provided in this Agreement with respect to certain issues, whenever this Agreement requires Franchisee to obtain Franchisor's written consent or permits Franchisee to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Franchisee or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

23.2. Right to Retain Counsel

Franchisee shall give Franchisor immediate notice of any such action, suit, demand, claim, investigation or proceeding that may give rise to a claim for indemnification by a Franchisor Indemnitee. Franchisor has the right to retain counsel of its own choosing in connection with any such action, suit, demand, claim, investigation or proceeding. In order to protect persons, property, Franchisor's reputation or the goodwill of others, Franchisor has the right to, at any time without notice, take such remedial or corrective actions as it deems expedient with respect to any action, suit, demand, claim, investigation or proceeding if, in Franchisor's sole judgment, there are grounds to believe any of the acts or circumstances listed above have occurred. If Franchisor's exercise of its rights under this Section causes any of Franchisee's insurers to refuse to pay a third party claim, all causes of action and legal remedies Franchisee might have against such insurer shall automatically be assigned to Franchisor without the need for any further action on either party's part. Under no circumstances shall Franchisor be required or obligated to seek coverage from third parties or otherwise mitigate losses in order to maintain a claim against Franchisee. The failure to pursue such remedy or mitigate such loss shall in no way reduce the amounts recoverable by Franchisor from Franchisee.

24. GENERAL CONDITIONS AND PROVISIONS

24.1. No Waiver

No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom nor practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular obligation of or default by Franchisee shall not be binding unless in writing and executed by Franchisor and shall not affect nor impair Franchisor's right with respect to any other obligation or subsequent default of the same or of a different nature. Subsequent acceptance by Franchisor of any payment(s) due shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

24.2. Injunctive Relief

Nothing in this agreement bars The Wellness Way's right to obtain specific performance of the provisions of this agreement and injunctive relief against threatened conduct that will cause Us, the Marks, and/or the system loss or damage, under customary equity rules, including applicable rules for obtaining restraining orders and preliminary injunctions. You agree that we may obtain such injunctive relief in addition to such further or other relief as may be available at law or in equity. You agree that we may seek injunctive relief in a state or federal court of competent jurisdiction in Brown County, Wisconsin without complying with any conditions precedent set forth herein. You agree that we will not be required to post a bond to obtain injunctive relief and that your only remedy if an injunction is entered against you will be the dissolution of that injunction, if warranted, upon due hearing (all claims for damages by injunction being expressly waived hereby). You agree to waive any claims for damage in the event there is a later determination that an injunction or specific performance order was issued improperly.

24.3. Notices

All notices required or permitted under this Agreement shall be in writing and shall be deemed received: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the next business day after transmission by facsimile or other reasonably reliable electronic communication system; (c) two (2) business days after being sent via guaranteed overnight delivery by a commercial courier service; or (d) five (5) business days after being sent by Certified Mail, return receipt requested, postage prepaid. Either party may change its address by a written notice sent in accordance with this Section 24.3. 24.4. Cost of Enforcement or Defense

In any action for the collection of fees due under this Agreement or seeking injunctive relief, the prevailing party shall be entitled to reimbursement of its costs, including reasonable accounting and attorneys' fees, in connection with such proceeding.

24.5. Unlimited Guaranty and Assumption of Obligations

All holders of a legal or beneficial interest in Franchisee of five percent (5%) or greater shall be required to execute, as of the date of this Agreement, the Unlimited Guaranty and Assumption of Obligations attached as **Exhibit 3**, through which such holders agree to assume and discharge all of Franchisee's obligations under this Agreement and to be personally liable hereunder for all of the same.

24.6. Approvals

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor for such approval, and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request for approval.

24.7. Entire Agreement

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document that Franchisor furnished to Franchisee. Franchisee acknowledges that Franchisee is entering into this Agreement as a result of its own independent investigation of the Franchised The Wellness Way Clinic and not as a result of any representations about Franchisor made by its shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus or other similar document given to Franchisee pursuant to applicable law.

24.8. Severability and Modification

Except as noted below, each paragraph, part, term and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision herein is ruled to be unenforceable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties; and such unenforceable or invalid paragraphs, parts, terms or provisions shall be deemed not part of this Agreement. If Franchisor determines that a finding of invalidity adversely affects the basic consideration to be received by Franchisor under this Agreement, Franchisor has the right to, at its option, terminate this Agreement.

Notwithstanding the above, each of the covenants contained in Sections 8 and 19 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any such covenant is held to be unenforceable, unreasonable or invalid, then it shall be amended to provide for

limitations on disclosure of Trade Secrets or other Confidential Information or on competition to the maximum extent permitted by law.

If any lawful requirement or court order of any jurisdiction 1) requires a greater advance notice of the termination or non-renewal of this agreement than is required under this Agreement, or the taking of some other action which is not required by this Agreement, or 2) makes any provision of this agreement or any specification, standard, or operating procedure we prescribed invalid or unenforceable, the advance notice and/or other action required or revision of the specification, standard, or operating procedure will be substituted for the comparable provisions of this Agreement in order to make the modified provision enforceable to the greatest extent possible. You agree to be bound by the modification to the greatest extent lawfully permitted.

24.9. Construction

All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

24.10. Force Majeure

Whenever a period of time is provided in this Agreement for either party to perform any act, except pay monies, neither party shall be liable or responsible for any delays due to casualties, acts of God, war, terrorism, governmental regulation or control or other causes beyond the reasonable control of the parties, and the time period for the performance of such act shall be extended for the amount of time of the delay. This clause shall not result in an extension of the term of this Agreement.

24.11. Timing

Time is of the essence. Except as set forth in Section 24.10, failure to perform any act within the time required or permitted by this Agreement shall be a material breach.

24.12. Withholding Payments

Franchisee shall not, for any reason, withhold payment of any Administration and Processing Fees or other amounts due to Franchisor or to an Affiliate. Franchisee shall not withhold or offset any amounts, damages or other monies allegedly due to Franchisee against any amounts due to Franchisor. No endorsement or statement on any payment for less than the full amount due to Franchisor will be construed as an acknowledgment of payment in full, or an accord and satisfaction, and Franchisor has the right to accept and cash any such payment without prejudice to Franchisor's right to recover the full amount due or pursue any other remedy provided in this Agreement or by law. Franchisor has the right to apply any payments made by Franchisee against any of Franchisee's past due indebtedness as Franchisor deems appropriate. Franchisor shall set off sums Franchisor owes to Franchisee against any unpaid debts owed by Franchisee to Franchisor.

24.13. Further Assurances

Each party to this Agreement will execute and deliver such further instruments, contracts, forms or other documents, and will perform such further acts, as may be necessary or desirable to perform or complete any term, covenant or obligation contained in this Agreement.

24.14. Third-Party Beneficiaries

Anything to the contrary notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisor or Franchisee, and their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under this Agreement.

24.15. Multiple Originals

Both parties may execute multiple copies of this Agreement and may execute this Agreement in counterparts, and each executed copy will be deemed an original. Signatures transmitted and received via email, electronic signature program, or other agreed electronic transmission are true and valid signatures for all purposes hereunder and shall bind the parties to the same extent as that of an original signature.

25. DISPUTE RESOLUTION

25.1. Choice of Law

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946, the Defend Trade Secrets Act, or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the state of Wisconsin (without reference to its conflict of laws principles). The Federal Arbitration Act shall govern all matters subject to arbitration. References to any law refer also to any successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental agency also refer to any regulatory body that succeeds the function of such agency.

25.2. Consent to Jurisdiction

Any action brought by either party, except those claims required to be submitted to arbitration, shall only be brought in the appropriate court located in or serving Brown County, Wisconsin, forsaking all other forums. The parties waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. Claims for injunctive relief may be brought by either party in Brown County, Wisconsin. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of the parties to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.

25.3. Cumulative Rights and Remedies

No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing contained herein shall bar Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.

25.4. Limitations of Claims

Any claim concerning the Franchised The Wellness Way Clinic or this Agreement or any related agreement will be barred unless an action for a claim is commenced within one (1) year from the date on which Franchisee or Franchisor knew or should have known, in the exercise of reasonable diligence, of the

facts giving rise to the claim. Any proceeding will be conducted on an individual, not a class wide basis and a proceeding between The Wellness Way and you or your owners may not be consolidated with another proceeding between The Wellness Way and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between The Wellness Way and you. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

25.5. Limitation of Damages

Franchisee and Franchisor each waive, to the fullest extent permitted by law, any right or claim for any punitive or exemplary damages against the other and agree that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and legal fees as provided in Section 24.4. Franchisee waives and disclaims any right to consequential damages in any action or claim against Franchisor concerning this Agreement or any related agreement. In any claim or action brought by Franchisee against Franchisor concerning this Agreement, Franchisee's contract damages shall not exceed and shall be limited to refund of Franchisee's Franchise Fee and Administration and Processing Fees.

25.6. Waiver of Jury Trial

FRANCHISEE AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

25.7. Arbitration

This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained herein. All disputes arising out of or relating to this Agreement or to the acquisition or operation of the franchise or any other agreements between the parties, or with regard to interpretation, formation or breach of this or any other agreement between the parties, shall be settled by binding arbitration conducted in Brown County, Wisconsin, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings will be held by a single arbitrator agreed upon by the parties or otherwise appointed by a court of competent jurisdiction located in Brown County, Wisconsin. The decision of the arbitrator will be final and binding upon the parties. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction. Any dispute arising out of or in connection with this arbitration provision, including any question regarding its existence, validity, scope, or termination shall be referred to and finally resolved by arbitration.

Franchisee acknowledges that it has read the terms of this binding arbitration provision and affirms that this provision is entered into willingly and voluntarily and without any fraud, duress or undue influence on the part of Franchisor or any of Franchisor's agents or employees.

25.8. Mediation Condition Precedent

As a condition precedent to filing any action for arbitration, the Parties agree that all disputes, claims and disagreements which are subject to arbitration and which they are not able to resolve after negotiating in good faith shall be mediated by non-binding, mandatory mediation. The complaining Party must provide written notice to the other Party describing the nature of the dispute. The Parties shall then

agree on a mediator within ten (10) days. If the parties are unable to agree on a mediator, the mediator shall be appointed in accordance with the Commercial Mediation Rules and Regulations of the American Arbitration Association. Mediation may be held via web meeting or telephone or in Brown County, Wisconsin and shall be held within thirty (30) days after a mediator has been selected or appointed.

25.9. Injunctive Relief

Notwithstanding the foregoing requirements to arbitrate all disputes and the mediation condition precedent, either party may pursue injunctive relief as appropriate, without first engaging in mediation, to enforce any provisions of this Agreement to prevent ongoing harm.

5. Post-Term Non-Competition

- a) For a period of three (3) years after the expiration or termination of Individual's relationship with Franchisee, or Company regardless of the cause of expiration or termination, Individual shall not, directly or indirectly, for the benefit of Individual or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity, divert or attempt to divert any business or customer of Franchisee or Company to any In-Term Competitive Business, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with (i) the Company's service mark "The Wellness Way" and such other trade names, trademarks, service marks, trade dress, designs, graphics, logos, emblems, insignia, fascia, slogans, drawings and other commercial symbols as the Company designates to be used in connection with The Wellness Way Clinics or (ii) the Company's uniform standards, methods, procedures and specifications for the establishment and operation of The Wellness Way Clinics.
- b) For a period of three (3) years after termination of Individual's relationship with Franchisee or Company, regardless of the cause of termination, Individual shall not, directly or indirectly, for the benefit of Individual or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity, carry on, be engaged in or take part in, render services to, or own or share in the earnings of any Post-Term Competitive Business located or operating (a) within a ten (10) mile radius of the Area of Primary Responsibility for The Wellness Way Clinic.
- c) During the term of Individual's relationship with Franchisee or Company and for a period of three (3) years thereafter, regardless of the cause of termination, Individual shall not, directly or indirectly, solicit or otherwise attempt to induce or influence any employee or other business associate of Franchisee, Company or any other The Wellness Way Clinic, with whom The Wellness Way has a business relationship, to compete against, or terminate or modify his, her or its employment or business relationship with Franchisee, Company or any other The Wellness Way Clinic. Provided, however, nothing herein shall be interpreted to prevent any employee of any The Wellness Way Clinic from accepting employment with or owning another The Wellness Way Clinic.

6. Specific Acknowledgements

Without limiting the Confidentiality and Non-Competition obligations set forth in paragraphs 3 and 4 above, Individual specifically acknowledges and agrees to the following:

- a) When accessing, downloading, using or disclosing Patient Information, Trade Secrets, or Confidential Information, Individual must make all reasonable efforts to limit the amount of Patient Information, Trade Secrets or Confidential Information accessed and will access only the minimum necessary to accomplish the task/job/function specified by The Wellness Way Clinic.
- b) Individual will not allow or participate in viewing, accessing, downloading, photographing, using or disclosing Patient Information, Trade Secrets, or Confidential Information for any purpose other than carrying out legitimate job-related responsibilities.
- c) Unless specifically required for Individual to carry out Individual's legitimate job-related responsibilities, Individual will not share any Patient Information, Trade Secrets, or Confidential

Information with any other individual including without limitation, other employees, co-workers, family, friends.

- d) Individual will follow all instructions of Franchisee designed to maintain and protect confidentiality.
- e) Individual will not share any passwords used to access any Patient Information, Trade Secrets or Confidential Information or to access any of The Wellness Way systems or technology and will not use any password belonging to any other individual.
- f) Individual will not shred, destroy, alter, dismantle, disfigure, prevent rightful access to or otherwise interfere with the integrity of any Patient Information, Trade Secrets, or Confidential Information without appropriate authorization.
- g) Individual will protect the confidential relationship between the patient and The Wellness Way Clinic and coaches. The relationship that a The Wellness Way Health Restoration Coach has with a patient is a sensitive, confidential, and professional relationship which Individual agrees to protect. Confidences about patients, their illnesses, or their personal lives, which Individual may learn should never be repeated to other patients, friends, or family. "Confidences" means anything of a confidential nature about which a patient might be uncomfortable having others know. Curious patients or individuals may ask Individual personal questions about other patients, the cases at The Wellness Way Clinic, or the Health Restoration Coaches at The Wellness Way Clinic. Individual must firmly, without giving offense, refuse to give information. Individual could say "I'm sorry, but the wellness coach-patient relationship is confidential, and we can't give information about other patients." or "I'm not permitted to give information about our staff members or coaches." Individual agrees to provide a tactful, courteous refusal to any request for information and to discourage further questioning.

7. Reasonableness of Restrictions

Individual acknowledges that each of the terms set forth herein, including each restrictive covenant, is fair and reasonable and is reasonably required for the protection of Franchisee, Company, and Company's Trade Secrets and other Confidential Information, the Company's business system, network of franchises and trade and service marks, and Individual waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable. If, however, an arbitrator or a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then such activity, time period or geographic restriction shall be reduced to the extent necessary to enable the arbitrator or court to enforce such restrictions to the fullest extent permitted under applicable law. It is the desire and intent of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought.

8. Waiver of Jury Trial

FRANCHISEE AND INDIVIDUAL EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

9. Arbitration

This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained herein. All disputes arising out of or relating to this Agreement, or with regard to interpretation, formation or breach of this or any other agreement between the parties, shall be settled by binding arbitration conducted in Brown County,

Wisconsin, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings will be held by a single arbitrator agreed upon by the parties or otherwise appointed pursuant to the AAA rules of Commercial Arbitration. The decision of the arbitrator will be final and binding upon the parties. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction. Any dispute arising out of or in connection with this arbitration provision, including any question regarding its existence, validity, scope, or termination shall be referred to and finally resolved by arbitration.

INDIVIDUAL acknowledges that it has read the terms of this binding arbitration provision and affirms that this provision is entered into willingly and voluntarily and without any fraud, duress or undue influence on the part of Franchisor or any of Franchisor's agents or employees.

10. Mediation Condition Precedent

As a condition precedent to filing any action for arbitration, the Parties agree that all disputes, claims and disagreements which are subject to arbitration and which they are not able to resolve after negotiating in good faith shall be mediated by non-binding, mandatory mediation. The complaining Party must provide written notice to the other Party describing the nature of the dispute. The Parties shall then agree on a mediator within ten (10) days. If the parties are unable to agree on a mediator, the mediator shall be appointed in accordance with the Commercial Mediation Rules and Regulations of the American Arbitration Association. Mediation may be held via web meeting or telephone or in Brown County, Wisconsin and shall be held within thirty (30) days after a mediator has been selected or appointed.

11. Relief for Breaches of Confidentiality, Non-Solicitation and Non-Competition

Individual further acknowledges that an actual or threatened violation of the covenants contained in this Agreement will cause Franchisee and Company immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, notwithstanding the foregoing requirements to arbitrate all disputes and the mediation condition precedent, either party may pursue injunctive relief as appropriate, without first engaging in mediation, to enforce any provisions of this Agreement to prevent ongoing harm. Franchisee and Company shall be entitled, as a matter of right, to an injunction from any court of competent jurisdiction restraining any further violation by Individual of this Agreement without any requirement to show any actual damage or to post any bond or other security. Such right to an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisee and Company may have at law or in equity.

12. Miscellaneous

- a) This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof. This Agreement supersedes any prior agreements, negotiations and discussions between Individual and Franchisee.
- b) Any action brought by either party, shall only be brought in the appropriate state or federal court located in or serving Brown County, Wisconsin. The parties waive all objections to personal jurisdiction or venue for the purposes of carrying out this provision. Claims for injunctive relief may be brought where Franchisee is located. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of the parties to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.
- c) Individual agrees if any legal or arbitration proceedings are brought for the enforcement of this Agreement, in addition to any other relief to which the successful or prevailing party may be entitled, the successful or prevailing party shall be entitled to recover attorneys' fees, investigative fees, administrative fees billed by such party's attorneys, court costs and all expenses, including,

without limitation, all fees, taxes, costs and expenses incident to arbitration, appellate, and post-judgment proceedings incurred by the successful or prevailing party in that action or proceeding.

- d) This Agreement shall be effective as of the date this Agreement is executed and shall be binding upon the successors and assigns of Individual and shall inure to the benefit of Franchisee, its subsidiaries, successors and assigns. Company is an intended third-party beneficiary of this Agreement with the independent right to enforce the terms hereof, including, for example, confidentiality and non-competition provisions contained herein.
- e) The failure of either party to insist, in any one (1) or more instances, upon performance of any terms and conditions of this Agreement shall not be construed a waiver of future performance of any such term, covenant or condition of this Agreement and the obligations of the other party with respect thereto shall continue in full force and effect.
- f) The paragraph headings in this Agreement are included solely for convenience and shall not affect, or be used in connection with, the interpretation of this Agreement.
- g) Subject to Section 6 above, in the event that any part of this Agreement shall be held to be unenforceable or invalid, the remaining parts hereof shall nevertheless continue to be valid and enforceable as though the invalid portions were not a part hereof.
- h) This Agreement may be modified or amended only by a written instrument duly executed by Individual, Franchisee and Company. Provided, however, in the event any portion of this Agreement is unenforceable under any applicable law, such unenforceable portion shall be amended such that this Agreement is enforceable to the maximum extent permitted by applicable law.
- i) The existence of any claim or cause of action Individual might have against Franchisee or Company will not constitute a defense to the enforcement of this Agreement by Franchisee or Company.
- j) Except as otherwise expressly provided in this Agreement, no remedy conferred upon Franchisee or Company pursuant to this Agreement is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given pursuant to this Agreement or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power or remedy pursuant to this Agreement shall preclude any other or further exercise thereof.

INDIVIDUAL CERTIFIES THAT HE OR SHE HAS READ THIS AGREEMENT CAREFULLY AND UNDERSTANDS AND ACCEPTS THE OBLIGATIONS THAT IT IMPOSES WITHOUT RESERVATION. NO PROMISES OR REPRESENTATIONS HAVE BEEN MADE TO SUCH PERSON TO INDUCE THE SIGNING OF THIS AGREEMENT.

THE PARTIES ACKNOWLEDGE THAT THE COMPANY IS A THIRD-PARTY BENEFICIARY OF THIS AGREEMENT AND THAT THE COMPANY SHALL BE ENTITLED TO ENFORCE THIS AGREEMENT WITHOUT THE COOPERATION OF FRANCHISEE. INDIVIDUAL AND FRANCHISEE AGREE THAT THIS AGREEMENT CANNOT BE MODIFIED OR AMENDED WITHOUT THE WRITTEN CONSENT OF THE COMPANY.

THE WELLNESS WAY**

FOR THE STATE OF CALIFORNIA

This Addendum to the Franchise Agreement is agreed to this _____
 (“Effective Date”) is by and between The Wellness Way Franchise LLC and _____
_____.

1. The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the offering circular.

2. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee’s investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

3. Section 4.1 of the Franchise Agreement and Item 5 of the FDD are amended to add the following:

- All Franchise Fees payable by California Franchisees will be deferred until the Franchisor has completed all of its pre-opening obligations and Franchisee is open for business and operational.

4. In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§31000-31516 and the California Franchise Relations Act, Cal. Bus. And Prof. Code §§20000-20043, the Franchise Agreement of The Wellness Way is amended as follows:

- The California Franchise Relations Act provides rights to Franchisee concerning termination or non-renewal of the Franchise Agreement, which may supersede provisions in the Franchise Agreement, specifically Sections 5.2 and 18.
- Section p, which terminates the Franchise Agreement upon the bankruptcy of Franchisee, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, *et seq.*).
- Section 19.2 contains a covenant not to compete that extends beyond the expiration or termination of the Agreement; this covenant may not be enforceable under California Law.
- Paragraph 1 of this Addendum contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
- Section 25.7 requires binding arbitration. The arbitration will occur at the forum indicated in Section 25.7, with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement restricting venue to a forum outside of the State of California.

5. Neither We nor any person or franchise broker in Item 2 of the FDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities

Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

6. The franchise agreement requires application of the laws of the state of Wisconsin. This provision may not be enforceable under California law.

7. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

8. You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

9. “The earnings claims figure(s) does (do) not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.”

10. To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or exhibits or attachments thereto, the terms of this Addendum shall govern.

1. In recognition of the requirements of the Washington Franchise Investment Protection Act, Washington Rev. Code §§19.100.010 – 19.100.940, the Franchise Agreement for The Wellness Way is amended as follows:

- The Washington Franchise Investment Protection Act provides rights to Franchisee concerning non-renewal and termination of the Franchise Agreement. If the Agreement contains a provision that is inconsistent with the Act, the Act shall control.
- Sections 4.2.8, 18.2.3 and 18.2.6 require Franchisee to sign a general release as a condition of renewal or transfer; such release shall exclude claims arising under the Washington Franchise Investment Protection Act.
- Section 25.1 requires that the Franchise be governed by the laws of the State of Wisconsin; such a requirement may be unenforceable in the event of a conflict with the Washington Franchise Investment Protection Act. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.
- Sections 25.2 and 25.7 require litigation or arbitration to be conducted in the State of Wisconsin; the requirement shall not limit any rights Franchisee may have under the Washington Franchise Investment Protection Act to bring suit in the State of Washington.
- Provisions such as those that unreasonably restrict or limit the statute of limitations period for claims under the Act, or restrict or limit rights or remedies available to a franchisee under the Act, such as a waiver of the right to a jury trial, may not be enforceable.
- Transfer fees are collectable to the extent that they reflect Franchisor’s reasonable estimated or actual costs in effecting a transfer.

2. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the Washington Law applicable to the provisions are met independently of this Addendum. To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or exhibits or attachments thereto, the terms of this Addendum shall govern.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Addendum, and understands and consents to be bound by all of its terms.

**EXHIBIT 10 TO THE WELLNESS WAY FRANCHISE AGREEMENT
WELLNESS WAY ENTERPRISES SUPPLIER AGREEMENT**

This **Supplier Agreement** ("**Agreement**") is made and entered into as of this _____ ("Effective Date"), by and between **Wellness Way Enterprises LLC**, a Wisconsin limited liability company with its principal place of business at 2525 W. Mason Street, Green Bay, WI 54303, ("**Supplier**"), and _____ **d/b/a The Wellness Way** - _____, a _____ with its principal place of business at _____, ("**Purchaser**").

WHEREAS, Supplier is a supplier of certain nutritional supplements and Wellness Way clinic equipment, marketing materials, and other supplies;

WHEREAS, Purchaser is a franchisee of The Wellness Way Franchise LLC, and Purchaser would like to purchase Supplier's products pursuant to the terms and conditions set forth herein.

NOW THEREFORE consideration of the mutual promises contained herein and other good and valuable consideration, the parties agree as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. The Goods. The Goods being purchased are nutritional supplements and Wellness Way clinic equipment, marketing materials, posters, books, merchandise and other items bearing The Wellness Way Marks, and other supplies as may be offered by Supplier and ordered by Purchaser from time to time.
3. Orders. This Agreement does not pose any obligation on Purchaser to purchase any specified number of units, and such order requests may be placed from time to time. Upon receipt of an order from Purchaser, Purchaser shall immediately pay the purchase price together with all costs of shipping. All orders between the Parties shall be deemed to be made pursuant to the terms and conditions of this Agreement from the Effective Date through the Date of Termination. Supplier makes no guarantee that a particular good will be available at any particular time and agrees to promptly notify Purchaser in the event that a good ordered is unavailable.
4. Compensation. Pricing for the Goods is subject to change upon Supplier's posting of price changes on its online ordering platform. Purchaser shall pay the purchase price, together with all costs of shipping prior to shipment of the Goods. Supplier shall have no obligation to ship the Goods in the event Purchaser has not paid in full. Payment shall be made by Purchaser to Supplier via credit card or ACH at the time of order. Purchaser's submission of a purchase order shall be deemed authorization for Supplier to process a credit card payment for the purchase price and cost of shipping.
5. Delivery. Delivery shall be freight on board Supplier's place of business. Purchaser

may be responsible for all shipping costs, which shall be paid in full prior to shipment.

6. Inspection of Non-conforming Goods and Notice of Defect. Purchaser has the right to inspect the Goods within seventy-two (72) hours of receipt. If Purchaser's inspection indicates that all or a portion of the Goods are defective, Purchaser shall provide Supplier with written notice describing the defect and Purchaser's proposed resolution (the "Notice of Defect Claim"), which notice must be received by Supplier within seven (7) days of Purchaser's receipt of the Goods. The Notice of Defect Claim shall include photographic or video documentation of the defect. Supplier shall respond to any Notice of Defect Claim within 48 hours of receipt of such notice. Supplier shall, at Supplier's option, repair, replace, or refund all Goods found by Supplier to be defective. The Parties shall negotiate in good faith to resolve any Notice of Defect Claims made in accordance with this paragraph, and Purchaser shall take steps to preserve any evidence of defect. In the event, the Parties are not able to reach a resolution within seven (7) days of Supplier's receipt of the Notice of Defect Claim, the Parties agree that the Supplier may, in its discretion, arrange for return shipment of the Goods to Supplier. The Parties agree to utilize the dispute resolution procedures set forth in paragraph 16 of this Agreement with respect to any Notice of Defect Claim not resolved within seven (7) days. In the event that no Notice of Defect Claim is timely submitted, it shall be conclusively presumed that the Goods were received in good condition and without defect. THIS PROVISION IS EXPRESSLY MADE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

7. Disclaimer of Warranty. SUBJECT TO THE NOTICE OF DEFECT PROCEDURE SET FORTH IN PARAGRAPH 7 ABOVE, ALL GOODS ARE PROVIDED "AS IS," "WITH ALL FAULTS." SUPPLIER HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

8. Indemnification. Supplier will not assume any liability or be deemed liable for any agreements, representations, or warranties Purchaser makes that are not expressly authorized under this Agreement, nor will Supplier be obligated for any damages to any person or property directly or indirectly arising out of the operation of the business Purchaser conducts, whether or not caused by either party's negligent or willful action or failure to act. Supplier will have no liability for any sales, use, excise, income, gross receipts, property, or other taxes levied against Purchaser or Purchaser's assets or on Supplier in connection with the business Purchaser conducts, or any payments you make to Supplier pursuant to this Agreement (except for Supplier's own income taxes). **Purchaser agrees to indemnify, defend, and hold harmless Supplier, Supplier's affiliates, and Supplier's and its affiliates' respective shareholders, members, directors, officers, employees, agents, successors, and assignees (the "Indemnified Parties") against, and to reimburse any one or more of the Indemnified Parties for, all claims, obligations, and damages directly or indirectly arising out of Purchaser's business operation, Purchaser's utilization or resale of the Goods, or Purchaser's breach of this Agreement, including, without limitation, those alleged to be caused by the Indemnified Party's negligence,**

unless (and then only to the extent that) the claims, obligations, or damages are determined to be caused solely by Supplier's gross negligence or willful misconduct in a final, unappealable ruling issued by a court with competent jurisdiction. For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, or otherwise), and costs that any Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys', and expert witnesses' fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, regardless of whether litigation, arbitration, or alternative dispute resolution is commenced. Each Indemnified Party may defend any claim against it at your expense and agree to settlements or take any other remedial, corrective, or other actions. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against you under this Section. Purchaser agrees that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from Purchaser under this Section.

9. Intellectual Property. The Parties acknowledge and agree that the Goods, the manufacturing process, and the recipe or formula for the Goods is Supplier's confidential, proprietary, trade secret information, and Purchaser acquires no intellectual property rights by virtue of any purchase with Supplier. Purchaser further agrees that its purchase of the Goods is for clinic use and retail resale distribution in the case of nutritional supplements and, in the case of Wellness Way posters and marketing materials, for use in marketing Purchaser's Franchised The Wellness Way Clinic. Purchaser acknowledges and agrees that Supplier retains the right to sell the Goods directly to consumers and others, in Supplier's sole discretion. The provisions in this paragraph shall survive the termination of this Agreement.

10. Restrictions on Purchaser's Use and Resale of Goods. Purchaser covenants and warrants the following:

- Purchaser will use and/or sell the Goods ONLY from the Approved Location of Purchaser's Franchised The Wellness Way Clinic;
- Purchaser will not sell or offer for sale the Goods through any website or online platform and expressly agrees that any online postings regarding any of the Goods will be in compliance with Purchaser's obligations under its Franchise Agreement with The Wellness Way Franchise LLC;
- Purchaser will only offer and sell the Goods for Supplier's suggested retail price unless Purchaser has obtained written approval from Supplier for an alternate resale price;
- Purchaser, its agents, employees, owners, officers, and directors will not make any attempts to reverse engineer or duplicate the Goods; and

- Purchaser its agents, employees, owners, officers, and directors will not provide the Goods to any other manufacturer for the purpose of analyzing, duplicating, or replacing the Goods.

11. Independent Contractor. Supplier and purchaser are independent contractors; and neither is an agent, servant, fiduciary, partner, joint venturer, employee or representative of the other. Neither Supplier nor Purchaser has any power or authority to bind the other in contract. Neither Purchaser nor Supplier is under the direct control or supervision of the other. The Parties agree not to represent to anyone that either of them has any power or authority to obligate the other to any obligation whatsoever or to act in any capacity whatsoever. Except as expressly authorized by this Agreement, neither Supplier nor Purchaser will make any express or implied agreements, warranties, guarantees or representations, or incur any debt, in the name of or on behalf of the other.

12. Confidential Information. The Parties acknowledge that during the Term of this Agreement they may disclose to each other and/or develop certain confidential information, which is defined as (a) confidential and/or proprietary information and materials disclosed orally or in writing or developed during the term of this Agreement, which may include but shall not be limited to: proprietary information, technical data, trade secrets or know-how, including, but not limited to, data, concepts, files, layouts, artwork, models, patents, copyrights, documents, photographs, notes, research, product plans, products, services, customers, customer lists, markets, software, developments, inventions, processes, formulas, technology, designs, drawings, litigation strategy, marketing, finances or other business information disclosed either directly or indirectly in writing, electronically, orally, visually, or by drawings or inspection of parts or equipment, or otherwise identified as being Confidential Information; and (b) any modifications or derivatives prepared by the Receiving Party that contain or are based upon any Confidential Information obtained from the Disclosing Party, including any analysis, reports, or summaries of the Confidential Information.

13. Limitations on Use. Unless the Disclosing Party expressly authorizes otherwise in writing in advance of such use, the Receiving Party must only use the Confidential Information in connection with performing the Services set forth in this Agreement and shall use reasonable efforts to maintain the confidentiality of the Confidential Information and avoid inadvertent disclosure. Under no circumstances shall Confidential Information be used with any third party desiring to offer similar services as Disclosing Party or the Company.

14. Non-Confidential Information. Nothing in this Agreement will prohibit or limit Receiving Party's use of information (including but not limited to intangible ideas, concepts, know-how, techniques, and methodologies) that is: (a) previously known to Receiving Party; (b) independently developed by the Receiving Party without the use of Confidential Information by any personnel, including but not limited to employees, agents, and independent contractors, that have not had access to the Confidential Information, as can be substantiated by reasonable evidence; (c) acquired by the Receiving Party from a third party which was not under an obligation to the Disclosing Party not to disclose such information; or (d) which is or becomes publicly available through no breach by the Receiving Party or the Receiving Party's personnel. In the event the Receiving Party has any questions

or concerns regarding whether something constitutes Confidential Information, the Receiving Party shall seek written clarification from Disclosing Party before disclosing or otherwise distributing said information.

15. Term. The term of this Agreement shall be identical to the term of the Franchise Agreement between Purchaser and The Wellness Way Franchise LLC. This Agreement shall automatically terminate upon the termination or expiration without renewal of Purchaser's Franchise Agreement with The Wellness Way Franchise LLC. In the event of termination of this Agreement, any pending orders shall be cancelled. Any provisions of this Agreement which, by their terms, impose obligations or duties beyond the term of this Agreement, including without limitation the obligations of Purchaser to respect the intellectual property of Supplier and maintain the confidentiality of all Confidential Information, shall survive termination or expiration of this Agreement.

16. Choice of Law. Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946, the Defend Trade Secrets Act, or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the state of Wisconsin (without reference to its conflict of laws principles). The Federal Arbitration Act shall govern all matters subject to arbitration.

17. Arbitration. This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained herein. All disputes arising out of or relating to this Agreement or to the acquisition or operation of the franchise or any other agreements between the parties, or with regard to interpretation, formation or breach of this or any other agreement between the parties, shall be settled by binding arbitration conducted in Brown County, Wisconsin, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings will be held by a single arbitrator agreed upon by the parties or otherwise appointed by a court of competent jurisdiction located in Brown County, Wisconsin. The decision of the arbitrator will be final and binding upon the parties. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction. Any dispute arising out of or in connection with this arbitration provision, including any question regarding its existence, validity, scope, or termination shall be referred to and finally resolved by arbitration.

Purchaser acknowledges that it has read the terms of this binding arbitration provision and affirms that this provision is entered into willingly and voluntarily and without any fraud, duress or undue influence on the part of Supplier or any of Supplier's agents or employees.

18. Mediation Condition Precedent. As a condition precedent to filing any action for arbitration, the Parties agree that all disputes, claims and disagreements which are subject to arbitration and which they are not able to resolve after negotiating in good faith shall be mediated by non-binding, mandatory mediation. The complaining Party must provide written notice to the other Party describing the nature of the dispute. The Parties shall then agree on a mediator within ten (10) days. If the parties

are unable to agree on a mediator, the mediator shall be appointed in accordance with the Commercial Mediation Rules and Regulations of the American Arbitration Association. Mediation may be held via web meeting or telephone or in Brown County, Wisconsin and shall be held within thirty (30) days after a mediator has been selected or appointed.

19. Injunctive Relief. Notwithstanding the foregoing requirements to arbitrate all disputes and the mediation condition precedent, either party may pursue injunctive relief as appropriate, without first engaging in mediation, to enforce any provisions of this Agreement to prevent ongoing harm.

20. Jurisdiction: Claims Not Subject to Arbitration. Any action brought by either party, except those claims required to be submitted to arbitration, shall only be brought solely in the appropriate court located in or serving Brown County, Wisconsin, forsaking all other forums. The parties waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. Claims for injunctive relief may be brought by either party in Brown County, Wisconsin. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of the parties to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.

21. Dispute Resolution. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Wisconsin, United States of America, without reference to its principles of conflict of laws, except to the extent a Federal Law such as the Trade Secrets Act is applicable. The Parties agree to mediate any dispute arising out of this Agreement as a condition prerequisite to proceeding with arbitration or any legal action. Subject to the Notice of Defect Procedures and the mediation condition precedent, and in the event mediation is unsuccessful, any unresolved dispute between the Parties arising out of or relating to this Agreement shall be, pursuant to the Federal Arbitration Act, resolved exclusively by binding arbitration conducted in Green Bay, Wisconsin in accordance with the Commercial Rules of Arbitration of the American Arbitration Association. Each party hereby agrees to submit to arbitration and to cooperate with reasonable good faith diligence in the conduct of resolving all disputes arising hereunder or under any purchase order arising pursuant to this Agreement. Each party agrees to be finally bound for all purposes by the decision reached in arbitration, unless the contesting party can prove that the arbitration award was infected with fraud, misconduct or is manifestly contrary to law. Any dispute arising out of or in connection with this arbitration provision, including any question regarding its existence, validity, scope, or termination shall be referred to and finally resolved by arbitration. Each party agrees to submit to personal jurisdiction in the courts located in or serving Brown County, Wisconsin with respect to any proceeding to enforce an award in arbitration. Each party also agrees that venue in the courts located in or serving Brown County, Wisconsin is proper. Each party agrees not contest venue or personal jurisdiction in any matter involving the interpretation or enforcement of any award granted in any arbitration conducted in accordance with this Agreement. In any action for the collection of fees due under this Agreement or seeking injunctive relief, the prevailing party shall be entitled to reimbursement of its costs, including reasonable accounting and attorneys' fees, in connection with such proceeding.

22. Limitation of Claims. Any claim arising from or related to this Agreement or any Good

purchased pursuant to this Agreement will be barred unless an action for a claim is commenced within one (1) year from the date on which Supplier or Purchaser knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim. Any proceeding will be conducted on an individual, not a class wide basis and a proceeding between Supplier and Purchaser and may not be consolidated with another proceeding between Supplier and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between Supplier and Purchaser. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

23. Waiver of Jury Trial. PURCHASER AND SUPPLIER EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

24. Waiver of Punitive and Consequential Damages. The Parties hereby waive to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against each other arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of a dispute, that their recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

25. Force Majeure. Neither party will be liable to the other for any delay or failure in performing its obligations under any accepted purchase order to the extent that such delay or failure is caused by an event or circumstance that is beyond the reasonable control of that party, without such party's fault or negligence, and which by its nature could not have been foreseen by such party or, if it could have been foreseen, was unavoidable, for example and not by way of without limitation, strikes, Acts of God, unavailability of materials or supplies, terrorism.

26. Confidentiality of this Agreement. The Parties expressly agree that, except for disclosures to their legal and accounting advisors and as may be required by law, the Parties shall keep the terms and conditions of this Agreement and all pricing strictly confidential.

27. Severability. If any provision in this Agreement shall be found or be held to be invalid or unenforceable in any jurisdiction in which this Agreement is being performed, then the meaning of said provision shall be construed, to the extent feasible, so as to render the provision enforceable, and if no feasible interpretation would save such provision, it shall be severed from the remainder of this Agreement which shall remain in full force and effect. In such event, the parties shall negotiate, in good faith, a substitute, valid and enforceable provision which most nearly effects the parties' intent in entering into this Agreement.

28. No Waiver. The failure of either party to enforce at any time any of the provisions of this Agreement, or the failure to require at any time performance by the other party of any of the provisions of this Agreement, shall in no way be construed to be a present or future waiver of such provisions, nor in any way affect the right of either party to enforce each and every such provision thereafter. The express waiver by either party of any provision, condition or requirement of this Agreement shall not constitute a waiver of any future obligation to comply with such provision, condition or requirement.

29. Notices. All notices, requests, consents, claims, demands, waivers and other communications hereunder (each a "Notice") will be in writing and addressed to the Parties at their principal place of business designated above or such other address as shall have been provided by such party in writing. All Notices shall be delivered by personal delivery, nationally recognized overnight courier (with all fees prepaid), or certified or registered mail (in each case, return receipt requested, postage prepaid). Provided, however, that electronic delivery of any Notice (e.g. email, facsimile) shall be effective provided that the receiving party acknowledges receipt.

30. Counterparts. This Agreement may be signed in counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument. Signature by electronic signature program or email scan is hereby authorized and shall have the same force and effect as an original.

INTENDING TO BE BOUND, the parties hereto have caused to be executed or executed this Supplier Agreement as of the day and year first above written.

EXHIBIT 11 TO FRANCHISE AGREEMENT

FRANCHISE LEASE RIDER & STIPULATIONS

The Landlord and Tenant, defined in the chart below, agree that the provisions of this Franchise Lease Rider are incorporated into the Lease referenced in the chart below. To the extent of any conflict, the provisions of this Rider shall govern and control.

LEASE AGREEMENT DATED:	
LANDLORD:	
TENANT:	
PREMISES ADDRESS:	

1. Franchise Acknowledgement. Landlord acknowledges that Tenant intends to operate a Franchised The Wellness Way Clinic in the Premises, and that Tenant's rights to operate The Wellness Way Clinic and to use The Wellness Way name, trademarks and service marks are solely pursuant to a franchise agreement ("Franchise Agreement") between Tenant and The Wellness Way Franchise LLC ("Franchisor"). Tenant's operations at the Premises are independently owned and operated, and Tenant alone is responsible for all obligations under the Lease unless and until Franchisor or another franchisee expressly assumes such obligations and takes actual possession of the Premises. The Leased Premises may only be used for the operation of a The Wellness Way clinic and for no other purpose, without the consent of Franchisor.

2. Tenant's Signage and Installations. Notwithstanding anything in the Lease contained to the contrary or in conflict, Landlord hereby grants and approves the following signage and/or installation rights:

- a. Landlord agrees to allow Tenant to use Franchisor's standard signage and painting packages to the maximum extent permitted by local governmental authorities.
- b. Tenant shall be provided, at Tenant's sole cost and expense, with a panel on any pylon/monument/directory sign for the development in which the Premises is located, and shall be permitted to install a standard sign thereon as approved by Franchisor, including without limitation Franchisor's logo.
- c. Landlord agrees to allow Tenant to install all items of Franchisor's 'trade dress' on the interior of the Premises, including but not limited to signage, specific paint colors, and floor covering that aligns with Franchisor's 'trade dress.' Tenant shall have the right to remodel, modify, paint and make installations in the interior of the leased premises as may be required by Franchisor from time to time, including without being liable under any continuous operation covenant.

- d. Landlord acknowledges that Tenant's use of the Premises requires Tenant to construct an Xray room with lead shielding pursuant to the manufacturer's instructions, and Landlord agrees that Tenant may make any modification to the Premises necessary to meet the Xray manufacturer's recommendations.

3. Notice and Cure Rights to Franchisor. Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Wellness Way Franchising LLC, which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of operations, member's equity (deficit), and cash flows for the year ended December 31, 2023 and the period from March 2, 2022 (Inception Date) to December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Wellness Way Franchising LLC as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the year then ended and the period from March 2, 2022 (Inception Date) to December 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Wellness Way Franchising LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2023 the Company adopted a new accounting guidance for the measurement of credit losses on financial instruments. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Member
The Wellness Way Franchising LLC

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Wellness Way Franchising LLC's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

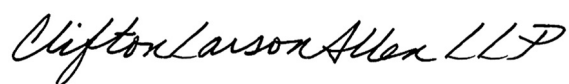

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Wellness Way Franchising LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Wellness Way Franchising LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Wellness Way Franchising LLC (the Company), a wholly owned subsidiary of The Wellness Way, LLC (the Parent), will operate a franchising business under the concept name The Wellness Way®. The Company will sell franchises in a majority of the states. The Company was organized in the state of Wisconsin. The Company's year-end is December 31.

Basis of Accounting

The accompanying financial statements has been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Accounting Estimates

Management uses estimates and assumptions in preparing the financial statement in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Accounts Receivable and Allowance for Credit Losses

Accounts receivables are stated at the amount management expects to collect from Outstanding balances. At the beginning of 2023, the Company adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-13, Financial Instruments – Credit Losses (Topic 326: Measurement of Credit Losses on Financial Instruments, as amended, which modifies the measurement of expected credit losses. The Company adopted this new guidance utilizing the modified retrospective transition method. The adoption of the Standard did not have a material impact on the Company's financial statements but did change how the allowance for credit losses is determined. The Company extends credit terms to customers, primarily franchisees, in the normal course of business. The Company performs ongoing credit evaluations of its customers' financial conditions and generally requires no collateral. Accounts receivables are recorded at their estimated net realizable value, net of an allowance for credit losses. The Company's estimate of the allowance for credit losses is based upon historical experience, its evaluation of the current status of receivables, current economic conditions, certain forward looking information and unusual circumstances, if any. Expected credit losses are recorded through a charge to earnings and a credit to the allowance for expected credit losses based on its assessments. Balances that are still outstanding after management has used reasonable collection efforts are written off. The Company determined no allowance was necessary at December 31, 2023 and 2022.

Deferred Revenue

Deferred revenue represents franchise fees received that have not been fully earned and will be recognized in future periods.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company elected under the Internal Revenue Code and comparable state laws to become a limited liability company in the form of a single-member limited liability company subsidiary and files combined federal and Wisconsin income tax returns with its Parent. Accordingly, income is not taxable at the Company level but passes through to the Parent. Consequently, the Company may declare distributions periodically to the Parent to enable it to pay its income tax liabilities. Primarily due to the limited liability company subsidiary tax status, the Company does not have any significant tax uncertainties that would require recognition or disclosure. As the Company was incorporated in 2022, all income tax returns are open for examinations upon filing.

Revenue Recognition

The Financial Accounting Standards Board (FASB) issued new guidance that created Topic 606, Revenue from Contracts with Customers, which requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The guidance also added Subtopic 340-40, Other Assets and Deferred Costs-Contracts with Customers, to the ASC to require the deferral of incremental costs of obtaining a contract with a customer. The Company adopted the requirements of Topic 606 and Subtopic 340-40 for the period ended December 31, 2022, utilizing the modified retrospective method of transition.

The primary impact of ASC 606 on the Company's revenue recognition policies is a change in the accounting for initial franchising fees and related commission expense. Upon the initial sale of a franchise, the Company is obligated to provide franchisees access to certain proprietary programs, written materials, trademarks, tools, and support associated with their franchise business. Under ASC 606, initial franchise fees are recognized as the Company satisfies the performance obligation over the franchise term on a straight-line basis, which is generally ten years. The unrecognized portion of initial franchising fees is recorded as deferred franchise fees. Similarly, commissions are an incremental cost of obtaining a contract under ASC 606, which are capitalized as deferred franchise costs and amortized over the term of the franchise agreement. There were no commissions paid during the years ended December 31, 2023 and 2022.

The Company generates revenue primarily through royalties and franchise fees.

Franchise Fees

The Company requires the entire nonrefundable initial franchise fee to be paid upon execution of a franchise agreement, which typically has an initial term of ten to twelve years. Initial franchise fees are recognized pro rata at the date the franchise agreement is signed or upon opening, depending on franchise agreement terms. The Company's services under the franchise agreement include: training of franchisees and staff, site selection, the right to use trademarks and proprietary information, and ongoing operations support. The Company does not provide financing to franchisees and offers no guarantees on their behalf. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Franchise Fees (Continued)

Franchisees have the option to renew the franchise agreement at the end of the initial franchise term. When a franchisee chooses to renew their agreement, a nonrefundable renewal fee is charged to the franchisee similar to the initial franchise fee.

Royalties Revenue

The Company collects royalties, as stipulated in the franchise agreement, currently equal to 4% of gross sales. Royalties are calculated as a percentage of sales over the term of the franchise agreement. The franchise agreement royalties, represent sales-based royalties that are related entirely to the Company's performance obligation under the franchise agreement and are recognized as franchisee store level sales occur. Royalties are collected monthly.

Adoption of New Accounting Standard

At the beginning of 2023, the Company adopted FASB ASU 2016-13, Financial Instruments— Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which modifies the measurement of expected credit losses. The Company adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Company's financial statements but did result in changes to the Company's accounting policies, including the recognition of credit losses based on expected future credit losses rather than incurred credit losses. The Company also updated its accounting policies for determining the recoverability of accounts receivable and held-to-maturity investments.

NOTE 1 CONTRACT ASSETS AND CONTRACT LIABILITIES

The Company's contract assets and contract liabilities are as follows:

	<u>December 31, 2023</u>	<u>December 31, 2022</u>

Contract Liabilities: Deferred Franchise Fees	\$71,250	\$ -

FRANCHISE DISCLOSURE DOCUMENT**

FOR THE STATE OF CALIFORNIA

In registering this franchise, the California Department of Financial Protection and Innovation has not reviewed, and makes no statements concerning, the franchisor's compliance with state and federal licensing and regulatory requirements relating to the practice of medicine. You should consult with your attorney concerning these laws, regulations, and ordinances that may affect the operation of your business. If the California Medical Board, or any other agency overseeing the practice of medicine in this state, determines that the operation of the franchise fails to comply with state law, the franchisor may be required to cease operations of the franchised business in California. This may result in the termination of your franchise and loss of your investment.

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

2. Section 31125 of the California Corporations Code requires us to give you a Disclosure Document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

Neither the franchisor nor any person or franchise broker in ITEM 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in the association or exchange.

3. ITEM 5 of the Disclosure Document is amended to add the following:

The Department has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business. For California franchisees who sign a development agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.

4. ITEM 17 of the Disclosure Document is amended to add the following:

- The California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.
- The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

- The Franchise Agreement contains a covenant not to compete that extends beyond the term of the agreement. This provision might not be enforceable under California law.
- The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
- The Franchise Agreement requires binding arbitration. The arbitration will occur at the forum indicated in ITEM 17 with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement restricting venue to a forum outside the State of California.

FOR THE STATE OF MARYLAND

1. ITEM 17 of the Disclosure Document is amended to add the following:
 - Under the Maryland Franchise Registrations and Disclosure Law, Md. Code Ann. Bus. Reg. §14-201 et seq., no general release shall be required as a condition of renewal, termination and/or transfer that is intended to exclude claims under the Maryland Franchise Registration and Disclosure Law.
 - Any litigation between Franchisee and Franchisor may be instituted in any court of competent jurisdiction, including a court in the State of Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.
 - Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.
 - In the event of a conflict of laws if required by the Maryland Franchise Registration and Disclosure Law, Maryland law shall prevail.
 - The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, *et seq.*).

FOR THE STATE OF MICHIGAN

1. THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- A prohibition of your right to join an association of Franchisees.
- A requirement that you assent to a release, assignment, novation, waiver or estoppel that deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.
- A provision that permits us to terminate a franchise prior to the expiration of this term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure the failure after being given written notice of the failure and a reasonable opportunity, which in no event need be more than 30 days, to cure the failure.
- A provision that permits us to refuse to renew a franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures and furnishings. Personalized materials that have no value to us and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the Franchised The Wellness Way Clinic are not subject to compensation. This subsection applies only if: (a) the term of the franchise is less than 5 years, and (b) you are prohibited by the franchise agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, marketing or other commercial symbol in the same area subsequent to the expiration of the franchise or you do not receive at least 6 months advance notice of our intent not to renew the franchise.
- A provision that permits us to refuse to renew a franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- A provision requiring that litigation be conducted outside this state. This shall not preclude you from entering into an agreement, at the time of litigation, to conduct litigation at a location outside this state.
- A provision that permits us to refuse to permit a transfer of ownership of a franchise, except for good cause. The subdivision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - The failure of the proposed transferee to meet our then-current reasonable qualifications or standards.

- The fact that the proposed transferee is our or Subfranchisor's competitor.
- The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- Your or proposed transferee's failure to pay us any sums or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants us a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a franchise for the market or appraised value and has failed to cure the breach in the manner provided in ITEM 17 (g).
- A provision that permits us to directly or indirectly convey, assign or otherwise transfer our obligations to fulfill contractual obligations to you unless a provision has been made for providing the required contractual services.

2. If our most recent financial statements are unaudited and show a net worth of less than \$100,000.00, you may request that we arrange for the escrow of initial investment and other funds you paid until our obligations, if any, to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At our option, a surety bond may be provided in place of escrow.

3. THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENFORCEMENT BY THE ATTORNEY GENERAL.

4. Any questions regarding this notice should be directed to:

Sec. 80C.12(g), we will reimburse you for any costs incurred by you in the defense of your right to use the Marks, so long as you were using the Marks in the manner authorized by us, and so long as we are timely notified of the claim and given the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

2. ITEM 17 of the Disclosure Document is amended as follows:
 - With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5, which require, except in certain specified cases, that you be given 90 days notice of termination (with 60 days to cure) and 180 days notice of non-renewal of the Agreement.
