What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business Model Can Change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restriction. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Check the “State Specific Addenda” (if any) to see whether your state requires risks to be highlighted.

THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED BY
MICHIGAN FRANCHISE INVESTMENT LAW ONLY

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- a. A prohibition on the right of a franchisee to join an association of franchisees.
- b. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- c. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- d. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- e. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- f. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- g. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(1) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(2) The fact that the proposed transferee is competitor of the franchisor or sub-franchisor.

(3) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(4) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

h. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

i. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1: The Franchisor, and any Parents, Predecessors, and Affiliates

The Franchisor

The franchisor is Domino's Pizza Franchising LLC. To simplify the language in this disclosure document "we", "us" or "DPF" means Domino's Pizza Franchising LLC. "You" means the person who is buying a franchise. If you are an approved corporation, partnership, limited liability company or other entity, your owners must guarantee and be bound by the Franchise Agreement or other agreement with us as more fully described in this disclosure document. In addition, certain provisions in the Franchise Agreement or other agreement with us apply to your affiliates. You should take this into account when purchasing a franchise.

We are a Delaware limited liability company organized on March 2, 2007. Our principal business address is 24 Frank Lloyd Wright Drive, Ann Arbor, Michigan 48105-9484. Our agents for service of process are disclosed in Exhibit A, as applicable.

Parents and Predecessors

We are a direct wholly-owned subsidiary of Domino's Pizza Master Issuer LLC, a Delaware limited liability company ("DPMI"). Its principal business address is 24 Frank Lloyd Wright Drive, Ann Arbor, Michigan 48105-9484. We are an indirect wholly-owned subsidiary of Domino's Pizza LLC ("DPL"), a Michigan limited liability company. Its principal business address is 30 Frank Lloyd Wright Drive, Ann Arbor, Michigan 48106-0997. DPL was the franchisor of Domino's Pizza franchises before the closing of the 2007 Securitization Transaction described below. DPL is the indirect parent company of DPMI and an indirect wholly-owned subsidiary of Domino's Pizza, Inc., a Delaware corporation ("Domino's" or "DPI"). Domino's is the parent company, directly or indirectly, of all Domino's Pizza related entities.

We and our affiliates are the successors to the business founded by Mr. Thomas S. Monaghan in 1963. In December 1998, Mr. Monaghan sold a substantial portion of his ownership interest in DPI, to investment funds affiliated with Bain Capital, LLC, a private equity firm based in Boston, Massachusetts and retired from the active management of the business. In July 2004, Domino's and certain of its shareholders sold shares in an initial public offering and since that date, Domino's has been a publicly traded company.

Affiliates

We became the franchisor of U.S. franchise agreements entered into after April 2007 as well as other agreements described below as a result of a securitization financing transaction that closed in April 2007 (the "2007 Securitization Transaction"). At the time of the closing of the 2007 Securitization Transaction, DPL entered into a management agreement with DPF and DPMI to provide the required support and services to franchisees under their franchise agreements. DPL also acts as DPF's franchise sales agent. If DPL fails to perform its obligations under its franchise management agreement, then DPL may be replaced as the franchise servicer. However, as the franchisor, DPF is responsible and accountable to you to make sure that all services DPF promises to perform under your franchise agreement, or other agreement you sign with us are performed in

compliance with the applicable agreement, regardless of who performs those services on DPF's behalf.

All U.S. Domino's Pizza trademarks and certain other intellectual property, including substantially all intellectual property related to the operation of Domino's Pizza stores in the United States, are owned by Domino's IP Holder LLC, a Delaware limited liability company ("DP IP Holder") and wholly-owned subsidiary of DPMI. In April 2007 DP IP Holder entered into license agreements with DPF and DPMI for a term of 99 years authorizing these companies to use and sublicense the use of the applicable trademarks and intellectual property in the operation of their respective businesses.

Domino's Pizza Distribution LLC ("DPD"), a Delaware limited liability company and wholly-owned subsidiary of DPMI, sells food products, ingredients, supplies and equipment, and licenses software to Domino's Pizza franchisees and company-owned stores located in the U.S. DPD purchases certain products and items from DPL and certain other affiliated companies for resale to franchisees.

Domino's National Advertising Fund Inc. ("DNAF"), a not-for-profit corporation and a wholly-owned subsidiary of DPL, administers the collections and expenditures of the Advertising Fund. See Item 11. DPL also provides services to DNAF relating to the administration of advertising funds.

Domino's GC Inc., a Florida corporation and a wholly-owned subsidiary of DPL, is in the business of managing the Domino's Pizza gift card program. Its principal business address is 30 Frank Lloyd Wright Drive, Ann Arbor, MI 48106-0997.

Domino's Pizza International Franchising Inc. ("DP International Franchising"), a Delaware corporation and wholly-owned subsidiary of DPMI, acts as franchisor in countries and territories outside of the U.S. As of December 31, 2023, DP International Franchising (directly or through its Master Franchisees) has granted 13,649 franchises.

Domino's Pizza International Franchising of Michigan LLC ("DP International Franchising – Belarus"), a Michigan limited liability company and wholly-owned subsidiary of DP International Franchising, acts as franchisor in Belarus. As of December 31, 2023 DP International Franchising – Belarus has granted 35 franchises.

Various entities affiliated with Domino's entered into several additional secured financing transactions subsequent to the 2007 Securitization Transaction. However, there have been no material changes to the structure of Domino's and its affiliates described in this Item 1 as a result of these subsequent transactions.

Franchise Offering

We are in the business of franchising Domino's Pizza Traditional Stores and Domino's Pizza Non-Traditional Stores. In certain of our branding campaigns, we may reference the brand as "Domino's".

Domino's Pizza Traditional Stores are retail outlets located primarily in shopping centers, strip centers and similar retail locations with appropriate parking for delivery vehicles and customers of the store. In addition, Domino's has entered into an agreement with Walmart which allows for the opening of Domino's Pizza Traditional Stores in select Walmart locations. Domino's Pizza Traditional Stores sell pizza and other authorized products through delivery and carry-out services.

Domino's Pizza Non-Traditional Stores sell pizza and other authorized products and services at non-traditional locations like office buildings, shopping malls, stadiums, toll roads, airports, zoos, convenience stores and similar retail locations. Domino's Pizza Non-Traditional Stores ordinarily offer only carry-out service.

Domino's Pizza Traditional Stores and Domino's Pizza Non-Traditional Stores (collectively referred to as "Store" or "Stores" unless otherwise stated) operate under a unique system which includes special recipes and menu items; distinctive design and furnishings; standards and operating procedures; quality control procedures; training and advertising programs (the "System" or "Domino's Pizza System"). These Stores are also identified with certain trade names, service marks, trademarks, logos and emblems, including, the mark "Domino's Pizza" and other names and marks which we designate (the "Marks").

If you are acquiring a Domino's Pizza Traditional Store or a Domino's Pizza Non-Traditional Store selling pizza and other authorized products through delivery and/or carry-out service, you will sign our Traditional Store Franchise Agreement attached as Exhibit E ("Standard Franchise Agreement") or our Non-Traditional Store Franchise Agreement attached as Exhibit F ("Non-Traditional Store Franchise Agreement"), as applicable. Unless otherwise stated, the Standard Franchise Agreement and Non-Traditional Franchise Agreement are collectively referred to as "Franchise Agreement".

In appropriate circumstances, we may give you the right to open a limited number of Domino's Pizza Stores within a development area under our Development Agreement attached as Exhibit G ("Development Agreement"). You must sign our then current form of Franchise Agreement for Domino's Pizza Stores you open within your development area.

Experience

We or our predecessors or affiliates have operated Domino's Pizza Traditional Stores since 1960 and Domino's Pizza Non-Traditional Stores since 1990. As of December 31, 2023, there were 6,888 Domino's Pizza Traditional Stores (288 company-owned and 6,600 franchisee-owned). There were 21 Domino's Pizza Non-Traditional Stores, all of which are franchised. DPL granted franchises for Domino's Pizza Traditional Stores beginning in 1967 and granted franchises for

Domino's Pizza Non-Traditional Stores beginning in 1990. Company-owned stores are owned and operated by DPL.

Neither we nor any of our affiliates or predecessors have granted franchises in any other lines of business. Unless otherwise noted, the principal business address of our parents, affiliates and predecessors described above is or were 24 Frank Lloyd Wright Drive, Ann Arbor, Michigan 48105 or 30 Frank Lloyd Wright Drive, Ann Arbor, Michigan 48106.

Franchisee Qualifications

A franchise applicant must have been a Store manager or Store supervisor for at least 12 months to be eligible for a single Store franchise and must also have attended certain classes on operating a Store. These requirements apply whether he/she is building a new Store or buying a company-owned or franchised Store. We may from time to time accelerate or modify the basic eligibility and training requirements at our discretion based on your operational experience, business acumen and other factors, such as your agreement to open Stores in designated markets where few Domino's Pizza Stores are open. There are also minimum net worth and liquidity requirements depending on the number of Stores to be developed or purchased. We require that an individual owns 51% or more of the legal entity (the "Controlling Person"). The Controlling Person of a Domino's Pizza franchise may not have financial or operational involvement in another business outside of the Domino's Pizza System without our written approval which may be withheld in our sole judgment. There are additional factors that will be considered when reviewing a franchise application to the extent permissible under applicable law, including, but not limited to, the review of credit reports, criminal background history, reputation in the community, motor vehicle records, and, unless prohibited by applicable state law, the ability to speak the English language fluently.

Competition

Domino's Pizza Stores compete with national and regional "chains" and local businesses which sell similar products and offer carry-out or delivery services. The products Domino's Pizza Stores sell can also be prepared at home. However, we believe that customers purchase from Domino's Pizza Stores because of the timeliness of delivery and/or carry-out services, including our online ordering, the difficulty of duplicating the taste and texture of our products, convenience and the service we offer.

Government Regulation

There are no regulations specific to operating a Store. However, you must comply with all local, state and federal health and sanitation laws in operating your Store and other laws applicable to businesses generally, such as federal and state wage and hour and related laws, including laws that regulate mileage reimbursement paid to delivery drivers. DPL has been involved in litigation over whether the managers of Domino's Pizza stores are exempt employees under wage and hour laws. Certain franchisees pay store managers on a non-exempt basis. Whether store managers are classified as exempt or non-exempt employees under applicable law may affect store profitability because of overtime and other benefits due non-exempt employees. There may be local laws

regulating delivery service, including laws which may prohibit businesses offering delivery service or from refusing to provide delivery service to certain customers or areas. In addition, DPL entered into an agreement with the Department of Justice in June 2000 to ensure that decisions affecting delivery service will not be based on factors such as race, national origin, age or other characteristics protected by law. At the time, DPL adopted, on a system-wide basis, limited delivery service standards which applied to all company-owned and franchised Stores. DPL also adopted procedures for implementing these standards which are applicable to all Domino's company-owned Stores and provided to all franchisees as guidelines which franchisees may adopt to comply with these standards. These standards and procedures relate, in part, to the circumstances under which stores may limit delivery in certain areas for safety of store employees. All of these standards and procedures are applicable to all new and existing Domino's Pizza franchisees and company-owned Stores. There may be other laws which apply to your business. You should investigate these laws and their impact on your business.

Pending Actions

Ronald D. Traer, on behalf of himself and all similarly situated persons, v. JP Pizza, Inc., Domino's Pizza Franchising LLC, and Domino's National Advertising Fund, Inc. (Case No. 2:21-CV-06187-MWF-SK, United States District Court for the Central District of California). On July 30, 2021, Plaintiff – a customer of a franchised Domino's store - filed a putative class action lawsuit against Domino's Pizza LLC and Domino's Pizza, Inc. alleging that these entities misrepresented the pricing structure of the "Mix & Match" promotion. After Domino's Pizza LLC and Domino's Pizza, Inc. were dismissed, the complaint was amended on January 25, 2023 to add Domino's Pizza Franchising LLC and Domino's National Advertising Fund, Inc. (hereinafter collectively referred to as "Domino's") as defendants. The operative complaint alleges the following claims against Domino's: (1) Violation of the California Consumer Legal Remedies Act; and (2) Fraud. Plaintiff alleges that he was overcharged for purchases based on Domino's disclosures and seeks to represent a potential class of individuals who never placed any online orders and are therefore allegedly not subject to arbitration. Plaintiff seeks statutory, compensatory, treble, and punitive damages, expenses and costs of suit, reasonable attorneys' fees, and pre-judgment interest. The litigation is currently in the discovery phase. Domino's denies the allegations contained in the complaint and intends to vigorously dispute these claims.

RPM Pizza LLC v. Risk & Insurance Consultants, Inc., Applied Risk Solutions, LLC, Robert Kitchen, Jr., and Steve Molina v. Domino's Pizza, LLC, Domino's Pizza Franchising, LLC, and Joe Paweski (Case No. 1:23-CV-41 HSO-BWR, United States District Court for the Southern District of Mississippi). Franchisee RPM Pizza, LLC ("RPM") has a pending suit against its former insurance broker and affiliated entities and individuals, Risk & Insurance Consultants, Inc., Applied Risk Solutions, LLC, Robert Kitchen, Jr., and Steve Molina ("RIC, *et al.*") seeking to recoup its legal defense and costs incurred in an auto collision claim. As part of that suit, RIC, *et al.* filed a third-party complaint on May 31, 2023 against Domino's and its Director of Risk Management that includes the following claims: tortious interference with business relations; intentional/fraudulent/negligent misrepresentation; fraud; promissory estoppel; negligence; and attorneys' fees. The complaint also includes a libel claim against Domino's Director of Risk Management. RIC, *et al.* alleges that Domino's and its Director of Risk Management approved of the insurance program offered by RIC, *et al.* to Domino's franchisees, including RPM, but thereafter informed franchisees that their insurance was non-compliant with the terms of their franchise agreements. As a result, RIC, *et al.* contends that it was forced to transition franchisees, including RPM, to a replacement insurance carrier, allegedly resulting in significant financial loss to RIC, *et al.* RIC, *et al.* seek relief that includes financial reputational harm damages, indemnification, and attorneys' fees and costs. On July 21, 2023, Domino's filed a motion to dismiss all claims against it and its Director of Risk Management, which the court

granted in part, dismissing all claims but RIC's implied indemnity claim. Domino's believes that the claim is entirely without merit and intends to vigorously defend that allegation.

Additionally, DPL has been named as a defendant in several labor and employment lawsuits brought by employees of our franchisees, alleging that we are joint employers with our franchisees. These lawsuits allege employment and wage and hour violations. We strongly disagree with the joint employment allegations and intend to vigorously defend these actions.

Concluded Actions

Domino's Pizza International Franchising Inc. v. Rutger-Jan Van Spaandonk, (Case No. 4:14-cv-11289-MAG-MJH (United States District Court for the Eastern District of Michigan) and Rutger-Jan Van Spaandonk, Rodney Ichikowitz, Keith Warren and International Food Service Concepts Limited v. Domino's Pizza International Franchising Inc., Taste Holdings Limited and Abraham Carel Viljoen, Case No. 17846/14 (High Court of South Africa, Gauteng Local Division, Johannesburg). In March 2014, Domino's Pizza International Franchising Inc. ("International") filed a lawsuit against Van Spaandonk, an individual with whom it had been negotiating regarding the possible execution of a Master Franchise Agreement for certain countries in Africa. International sought a declaration that no contract existed between it and Van Spaandonk, an injunction enjoining Van Spaandonk from interfering with Domino's dealings with its actual master franchisee, and damages for interference with those dealings. In May 2014, Van Spaandonk, Rodney Ichikowitz, Keith Warren and International Food Service Concepts Limited (collectively, the "Applicants") commenced a proceeding against International, Taste Holdings Limited (an affiliate of International's master franchisee for South Africa and certain other countries in Africa), and Abraham Carel Viljoen (collectively, the "Respondents") in the High Court of South Africa. The Applicants sought an order enjoining the Respondents from implementing a master franchise agreement in South Africa, Swaziland or Lesotho with Taste Holdings Limited, declaring that an agreement existed between them and International, and directing International to execute the Master Franchise Agreement, as well as costs incurred. In October of 2015, the parties entered into a Settlement Agreement under which International paid the Applicants \$400,000 and Applicants filed a Notice of Withdrawal with the High Court of South Africa and International voluntarily dismissed its Michigan lawsuit.

Jeff Smorowski, on behalf of himself and all similarly situated persons, v. Domino's Pizza LLC, Domino's Pizza, Inc., and Does 1 through 100, inclusive (Case No. 2:20-CV-10739-MWF-SK, United States District Court for the Central District of California). On December 2, 2020, the plaintiff filed a putative class action lawsuit against Domino's Pizza LLC and Domino's Pizza, Inc. (hereinafter collectively referred to as "Domino's") alleging Domino's misrepresented the pricing structure of its "Mix & Match" promotion. The complaint was amended on February 15, 2021 to add an additional plaintiff. The complaint alleged six claims: (1) Violation of the California Consumer Legal Remedies Act; (2) Violation of the California Unfair Competition Law; (3) Violation of the California False Advertising Law; (4) Breach of Express Warranty; (5) Unjust Enrichment; and (6) Fraud. Plaintiffs alleged that they were overcharged for purchases based on Domino's disclosures. Domino's denied the allegations contained in the complaint and intended to vigorously dispute these claims.

Domino's filed a motion to dismiss the claims and the Court on July 23, 2021 found that plaintiffs were required to arbitrate the scope of the arbitration provision of Domino's online terms of use. The plaintiffs then filed individual arbitration claims and asked the arbitrators to determine whether their claims must be arbitrated. The arbitrators ruled that they were required to arbitrate their claims. Domino's and the plaintiffs subsequently resolved their claims.

Actions Commenced Against Franchisees During Last Fiscal Year

No other actions are required to be disclosed in this Item.

Item 4: Bankruptcy

No bankruptcy is required to be disclosed in this Item.

Item 5: Initial Fees

Depending upon the type of Store to be developed, purchased or opened and whether you are participating in one of our incentive programs as discussed below and in Item 6, you will pay an initial franchise application processing fee ("Initial Fee") ranging from \$0 to \$10,000. The range of the Initial Fees paid to us during the year ending December 31, 2023, was from \$0 to \$10,000. Our current policy for determining the amount of the Initial Fee is (subject to the terms of an incentive program):

- (1) If you are constructing a Store you will pay an Initial Fee of up to \$10,000.
- (2) If you are refranchising a closed Store you will pay an Initial Fee of up to \$10,000.
- (3) If you are purchasing an existing Store you will pay a transfer fee of \$1,500.

The Initial Fee is payable prior to us issuing the applicable agreement and is not refundable for any reason. Also, at our discretion, all or a portion of the fees described in (1), (2) and (3) above may be required to be paid when the initial franchise application is submitted for our review and approval, however, in practice, we generally do not bill and collect the Initial Fee until you are operating the Store. Additionally, at our discretion, this fee may be applied to the initial operational and classroom training of the individual who will own 51% or more of the equity and voting interest in the franchise. We may charge a reasonable training fee up to \$1,250 for these training programs or classes which you must complete to our satisfaction. We may waive all or a portion of the Initial Fee under incentive programs we implement from time to time to encourage system growth.

If you are developing a store under our new Store build incentive program, you must pay us a reservation fee of \$25,000 under certain circumstances. The reservation fee when paid is not refundable. Our store incentive programs are described in more detail in Item 6.

You must purchase inventory and supplies, equipment, fixtures, furnishings and signage to open your Store. DPD and approved vendors supply these items to franchisees. We estimate that these payments together with Initial Fee payments will range from \$88,950 to \$196,500 for a Domino's Pizza Traditional Store and \$69,950 to \$187,500 for a Domino's Pizza Non-Traditional Store, based upon the experience with store openings during the last year. See Item 7 for our current estimate of these costs. You must also make certain payments to DPD when you acquire the proprietary computer and point of sale system. See Items 6, 7 and 11.

Item 6: Other Fees

Development Agreement

There is no recurring or isolated fee or payment required under the Development Agreement. However: (i) if you do not provide a copy of the executed lease for a Store ninety (90) days after its respective Required Open By Date described in the Development Agreement; or (ii) you have not begun approved construction on a Store within one hundred and eighty (180) days of the Required Open By Date, you will be required to pay a \$25,000 fee ("Reservation Fee") to us for such Store required under the Development Agreement. Further, if you do not open all of your required new Stores under the Development Agreement, you must pay us the Reservation Fee for each of the new Stores not opened. All Reservation Fee payments will be due within thirty (30) days written notice from us. Additionally, you must pay other required recurring or isolated fees under our then-current franchise agreement for the Stores you open in your development area. Except as noted, these fees are non-refundable and not collected on behalf of any third party.

- (1) All fees are imposed by and payable to us or our affiliates. All fees are non-refundable.
- (2) We may from time to time implement incentive programs to encourage system growth, improve store performance or accomplish other objectives designed to benefit the System. Under these incentive programs, we may reduce weekly royalty fees and/or reduce or eliminate advertising contributions payable by a participating franchisee for a period of time, including national and mandatory local advertising contributions (but not voluntary local co-op amounts approved by the local co-ops). We may impose limits on the amount of the incentives received under a particular program. The participating franchisee may also be asked to pay a reservation fee (which is currently \$25,000) for the right to develop one or more stores under an incentive program, which will ordinarily only be payable if the store or stores are not leased, constructed and/or opened within the time periods we specify. We reserve the right to modify or terminate these incentive programs in our sole discretion and to implement and grant these and other new or modified incentive programs to franchisees who we determine to be eligible for these programs under terms we deem appropriate.
- (3) Royalty Sales do not include sales and equivalent taxes and coupons and similar discounts we approve. For Non-Traditional Pizza Stores located in stadiums and airports, commissions payable to the stadium or airport authorities other than up-front fees are deducted from total receipts in computing Royalty Sales. Premium items or similar items are included in computing Royalty Sales unless these items have been sold at or below cost. Unless we otherwise specify, premium items or similar items do not include any food or beverage item.
- (4) The obligations of franchisees who signed Franchise Agreements before 2013 to contribute to the Advertising Fund may differ (see Item 11). The percentage currently charged for a Domino's Pizza Traditional Store is 4% of the weekly Royalty Sales.

You must pay up to 4% of the weekly Royalty Sales as an advertising contribution if you operate a Domino's Pizza Non-Traditional Store to an advertising fund. (see Item 11).

We may waive, in our sole discretion, the payment of a portion of the advertising fund contribution made by franchisees (i.e., reduce the percentage of the required contribution) for a period of time we designate based upon market conditions or other relevant factors.

We and our affiliates may set up a separate advertising fund for Domino's Pizza Non-Traditional Stores.

- (5) If you operate a Domino's Pizza Non-Traditional Store, we may rebate quarterly (or give you a credit for) up to 3½% of the 4% advertising contribution you pay for local advertising. We recommend you spend all credits in the calendar year in which they are given on local advertising expenditures.
- (6) If a cooperative exists and if 65% or more of the Stores in the cooperative agree or are contractually obligated to contribute a specified percentage of Royalty Sales, then you must make the same percentage contribution to the cooperative. Each store we operate in the market contributes to advertising funds, and is entitled to vote, on the same basis as franchised stores. We have the right to require that you contribute no less than 2% of your weekly Royalty Sales to the cooperative. If there is no advertising cooperative or if the Stores have not agreed upon a percentage of Royalty Sales to contribute to the cooperative, franchisees are required to expend or contribute to the cooperative, as the case may be, an amount we specify up to and including 2% of the weekly royalty sales of your Store for local advertising. The maximum amount we can require that you contribute to the national advertising fund and local and regional advertising expenditures will be 9% of the weekly Royalty Sales of your Store.
- (7) You must acquire the Domino's PULSE point of sale computer system ("Domino's PULSE") if you are building a new Store or purchasing an existing Store that is not already equipped with Domino's PULSE. The specifications of the Domino's PULSE system are discussed below in more detail in Item 11. You must sign a Domino's PULSE Software License Agreement with our affiliate, DPD, in the form attached as Exhibit J, to use the Domino's PULSE software. The \$743.10 per year enhancement fee may be increased in subsequent years, however, it will not be increased by more than five percent (5%) in any given year, unless a higher amount is recommended by the Domino's Technology Advisory Board. In connection with the Domino's PULSE License Agreement you will also be required to sign a Participation Agreement with Microsoft which contains a right to use certain Microsoft software that is part of Domino's PULSE at a more favorable price than retail. You must acquire the Domino's PULSE hardware from a vendor approved by us. You will be required to enter into a Domino's Pizza Help Desk Services Agreement with DPL, in the form attached as Exhibit H, for Help Desk and Software Support Services for the entire term of the Domino's PULSE License Agreement. If we modify the computer and related technology requirements you may be required to incur costs to purchase, lease and/or license new or modified computer hardware and/or software and to obtain service and support. The cost to you of obtaining the software licenses, or additions, substitutions,

replacements or modifications thereto, may not be fully amortizable over the term of the Franchise Agreement. The current cost estimate per store to acquire the hardware and software required, including payments due us, is \$15,000 to \$25,000 (other installation and service fees may apply) and is due as incurred. The difference between the high and low range is attributable in part to the number of order entry stations and additional Domino's PULSE related optional services. The current estimated cost per store for required maintenance and support contracts, third party software license fees, and upgrades or updates to the Domino's PULSE software should not exceed an average of \$7,000 annually. This estimated cost per store covers the annual enhancement fee due, system support services, third party license fees and software upgrades and maintenance including help desk and support services provided by a third party vendor. We may require that you continuously maintain high speed broadband connectivity, where available. All fees are imposed by and payable to DPD or our designated third party vendor. All fees are non-refundable.

We may develop or contract with third parties to develop centralized or technology based methods of taking, processing, routing, and delivering orders in addition to the methods and technology we currently use or authorize (collectively "Additional Order Systems"). These may become mandatory at any time during the term of the Franchise Agreement and may require you to spend money to add or replace equipment, wiring, hardware and software; to pay licensing fees, support and maintenance fees, fees paid to third parties; to incur other costs, and to sign agreements with us and with third parties. To the extent these products and services are owned by us or provided to you by us, we may charge up front and/or ongoing fees that may be included as part of the Technology Transaction Fee. However, to the extent all the direct and indirect costs to develop, test and implement an Additional Order System are paid from other sources, then such up-front and ongoing fees charged by us would be intended only to cover our ongoing expenses, including direct costs and reasonable allocations. You currently must participate in an Additional Order System provided by a designated third-party vendor. Currently, no additional fees or costs are associated with the requirement to participate in such Additional Order System.

- (8) You will be required to accept and process applications for store-level positions through an online platform provided by SmartRecruiters. SmartRecruiters bills DPD annually and DPD then bills franchisees at cost for the use of the SmartRecruiters online platform every October. Currently, this amount is \$432.00 annually per Store. Currently, a call to GlobalCare for technical support with your SmartRecruiters online platform will result in a charge of \$44.

The amounts specified for leasehold improvements and security deposits on a lease and rent are based on our business experience. These costs depend on the size, condition, and location of the leased premises, and the costs the landlord assumes.

- (4) This amount is for opening advertising and promotion and does not include Advertising Fund or cooperative contributions.
- (5) Training expenses include fees for training materials for each session required for all new employees, manager candidates, managers and prospective franchisees. The travel expenses are the participant's responsibility.
- (6) We estimate that annual insurance premiums for a traditional Domino's Pizza Traditional Store to range from \$25,000 to \$75,000; and from \$15,000 to \$50,000 for a Domino's Pizza Non-Traditional. However, this cost may be significantly higher depending on the state coverage requirements, store location and your loss history.
- (7) The Miscellaneous Opening Costs are our best estimate of the costs and deposits for and installation of telephones, connectivity, internet, deposits for gas, electricity and related items. These are paid as incurred to various utilities and suppliers.
- (8) This item estimates your initial startup expenses for 3 months. This item does not include ongoing inventory purchases, royalty or advertising payments or the cost of any financing interest or amount of debt service obligation. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on the following factors: how much you follow our methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for your products and services; the prevailing wage rate; competition; and the sales level reached during the initial period.

- (9) We relied on over 50 years of our affiliates and predecessors business experience to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.
- (10) From time to time we sell company-owned stores to franchisees. The form of agreement DPL currently use to sell the assets of company owned stores to franchisees is attached as Exhibit I (the “Sale of Assets Agreement”). The purchase price of the store will vary and may be more or less than the amounts set forth in the tables. Of all the sales of company owned stores in 2023, zero exceeded the upper range of the Total Estimated Initial Investment in the Item 7 Table.

Development Agreement

An initial investment is not required when you sign the Development Agreement. However, an initial investment is required each time a Store is opened within your development area.

Item 8: Restrictions on Sources of Products and Services

We will provide you with specifications for pizza, other authorized food and beverage preparation, dispensing, storage and display equipment, delivery and related motor vehicles, other equipment, fixtures, furniture, exterior and interior signs and decorating that we require you to use or install in the Store. We may specify brands, types or models for any of these items. You may purchase items meeting our specifications from any source unless we designate an approved source or sources for any of these items. If you propose to purchase or lease items not previously approved by us as meeting our specifications or from a vendor not approved by us, you must first notify us and we may require submission of sufficient specifications, photographs, drawings and/or other information and samples to determine whether any such item or supplier meets our specifications or our approved vendor criteria. We will advise you within a reasonable time whether any proposed item or vendor meets our specifications or our approved vendor criteria. You must use only such items that meet our specifications in the operation of the Store and to purchase them from approved vendors, if we so require. We or our affiliates or an approved vendor may be the only source for some of these items and we may otherwise limit the number of approved vendors. We reserve the right to charge you for our reasonable expenses in testing and/or evaluating any proposed item or vendor submitted by you.

Unless otherwise agreed to by us in writing, if the property which the Store is located is not owned by you, you must maintain a lease for the site of the Store (including the lease for the site of the commissary, if any, which has been approved by us to be operated by you) which must contain such terms as we specify from time to time for all leases of a similar type. Each original lease, renewal leases and lease addenda and modification of any type must be submitted to us prior to execution for our examination and approval that it contains the terms we require in all leases. You must provide us with a copy of the executed lease, any renewal lease, and any addenda and modification or other instrument or agreement governing occupancy of the premises within thirty

(30) days after execution by you and the landlord. Attached as Exhibit L is a Rider to Lease which contains the terms we currently require. This Rider must be signed at the time the lease is executed.

You must use in the development and operation of the Store the management system and computer hardware and software and related technology designated by us, including without limitation, features such as high-speed broadband connectivity, high-speed broadband monitoring, online ordering, methods and means of encryption and access to our network resources, and other internet based technology and peripheral devices that we specify from time to time (the “Brand Technology”). We may modify all aspects and the components of the Brand Technology from time to time. As part of the Brand Technology, we may require you to obtain computer hardware and/or software we specify from a single vendor designated by us and we or our affiliates may be the sole supplier of all or any part of the Brand Technology. You may use only such items and services as we specify in connection with the Brand Technology. We may require that you enter into a license exclusively with us or our affiliates to use proprietary software developed by or for us. You may also be required to enter into agreements with others for use of third party software incorporated or used in connection with the Brand Technology. Our modification of such specifications or components for the Brand Technology may require you to incur costs to purchase, lease and/or license new or modified computer hardware and/or software and to obtain service and support for the Brand Technology during the term of the Franchise Agreement. The cost to you of obtaining the Brand Technology (including software licenses) (or additions, substitutions, replacements or modifications thereto) may not be fully amortizable over the remaining term of the Franchise Agreement. You must incur such costs in connection with obtaining the computer hardware and software comprising the Brand Technology (or additions, substitutions, replacements or modifications to the Brand Technology), provided you will not be required to make aggregate expenditures for any additions, substitutions, replacements or modifications to the Brand Technology in excess of one and one half percent (1 ½ %) of the Royalty Sales of the Store from the date of its opening to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology not to exceed the ten (10) year period prior to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology or, except in connection with a renewal of the franchise, to make any additions, substitutions, replacements or modifications to the Brand Technology during the last twelve (12) months of the initial term of the franchise. We have the right to charge reasonable fees for software or systems modifications and enhancements specifically made for us that are licensed to you and other maintenance and support services that we or our affiliates furnish to you related to the Brand Technology. You may also incur charges from third parties who render services or provide products that we require you to purchase or use. We shall have independent access to data on your Brand Technology, including sales figures. There are no contractual limitations on our right to access this information and data.

Our affiliate, DPD, is the only approved supplier of the Domino’s PULSE software used in Domino’s Pizza stores (see Item 11 for additional information about Domino’s PULSE). Any Domino’s PULSE hardware and/or agreement for support and maintenance of the computer hardware must be acquired through a vendor or supplier approved by us. Currently Getronics is the approved vendor for the purchase of new hardware. DPL provides help desk services. There are currently no third party vendors for help desk services. Getronics is the approved hardware warranty and service vendor. At the time you acquire the Domino’s PULSE system, you will also

be required to enter into an agreement for help desk support and maintenance with DPL during the term of the Domino's PULSE Software License Agreement. We reserve the right to offer help desk and support services and to charge a fee for these services. In connection with the Domino's PULSE License Agreement you will also be required to sign a Participation Agreement with Microsoft which is a sublicense of certain Microsoft software that is part of Domino's PULSE. The Microsoft Participation Agreement is Attachment C to the Domino's PULSE Software License Agreement (Please see Exhibit J to this disclosure document). Help desk and support services providers may also require you to sign an agreement for their services.

You will be required to enter into a Domino's Pizza Online Ordering Franchisee Services Agreement with DPL, the form attached as Exhibit P, for online ordering services. You will be responsible for the fees and charges associated with your use of online ordering and the requisite internet usage and connections, including the fees charged by the service provider. Currently the fees are \$0.355 per transaction and are subject to increase each year.

As noted in Items 6 and 7, we may develop or contract with third parties to develop Additional Order Systems. These may become mandatory at any time during the term of the Franchise Agreement and may require you to spend money to add or replace equipment, wiring, hardware and software; to pay licensing fees, support and maintenance fees, fees paid to third parties; to incur other costs, and to sign agreements with third parties. You must also comply with all standards, operations and procedures related to e-mail capabilities of the Store and other electronic communication methods (including high-speed broadband connectivity, high-speed broadband monitoring, and methods and means of encryption and access to our network resources) and devices to facilitate communication with us or our offices, including the exchange of information between the Store and us. You currently must participate in an Additional Order System provided by a designated third-party vendor.

As previously noted in Item 6, you will be required to accept and process applications for store-level positions through an online platform provided by SmartRecruiters under a contractual agreement with SmartRecruiters. SmartRecruiters bills DPD for the use of the SmartRecruiters online platform and you must make annual payments every October to DPD to utilize this service. Currently, this amount is \$432 annually per Store. You will have full discretion to determine and control the contents of the online platform and are solely responsible for making hiring and other employment decisions for your store(s). You are solely responsible for ensuring your compliance with applicable laws, rules, regulations, and ordinances. You may accept applications for store-level positions through other methods as an accommodation of an applicant's disability or as otherwise required by applicable laws, rules, regulations, or ordinances. We will not have access to the content (including applicant information) you maintain on this online platform.

You are required to participate in the Domino's Pizza Gift Card Program and obtain and use Gift Cards, transaction processors and related services, from vendors approved by us and pay the fees associated with the Gift Card Program. The Gift Card is an electronic cash card available for purchase and redemption at Domino's Pizza stores and online, for use as a payment method for food and beverage purchases. Customers may also increase, replenish or restore balances available on the Gift Card at any Domino's Pizza store if we so designate. We will debit or credit your bank account for the net amount of Gift Card purchases / balance increases and redemption

transactions. The funds collected are not and will not be the asset of any franchisee. You must obtain and use gift cards and transaction processors, including internet or other connections, from vendors designated by us. You will also be required to use the designated transaction processor which at the present time is Ceridian Stored Value Solutions. Cards are issued by CARDCO CXXV, Inc. and distributed by Domino's GC Inc.

DPL's Quality Assurance Department maintains, on our behalf, a listing of approved products and suppliers. This is the only list franchisees may use to verify approval status. If you wish to purchase or lease items we have not approved, you may propose a request through your Franchise Business Consultant. Along with the request, you must include any photographs, drawings, information source of items, samples or any materials or information necessary to adequately describe the request. You will be advised within a reasonable time (not to exceed 180 days) whether any item meets the criteria to forward to the Standards Committee for further consideration and final approval, including any additional requirements which may be imposed by the Standards Committee as a condition for the proposed supplier to receive final approval. We may charge you for reasonable expenses that we or our affiliates incur in evaluating any proposed item. The number of suppliers of any item may depend on the availability of these items and whether suppliers manufacture items meeting our specifications.

You must purchase food ingredients, beverage products, cooking, packaging and cleaning materials, other products, utensils, uniforms, menus, forms, and other supplies and materials used in the Store that meet our standards. You must use paper and plastic products imprinted with the Marks that we establish. We may require you to purchase the ingredients, supplies and materials used exclusively from us, our affiliates or from approved suppliers or distributors. We or our affiliates may examine the facilities of any approved supplier or distributor, including the commissary, if any, you operate and test the ingredients, materials or supplies. We or our affiliates may charge fees for evaluating proposed and approved suppliers or distributors and inspecting commissary operations. We may impose limitations on the number of approved suppliers or distributors of any product or service. As noted, we or our affiliates may be the exclusive supplier of certain products. A list of approved suppliers will be made available to you. Approval of a supplier or distributor may be conditioned on delivery schedule and service, among other things. In addition, your ability to purchase from other suppliers, including those who sell to us or our affiliates, depends on factors including suppliers' willingness to sell to you and the availability of various products and services that meet our standards. To protect the confidentiality of our proprietary products, including sauce, dough and cheese, we may limit the sources of supply of these products. Any supplier which has access to customer data or confidential or proprietary information shall be required to sign our then-current form of our Rider to Services Agreement attached as Exhibit S (the "Domino's Rider to Services Agreement").

We and our affiliates have established business relationships with a group of nationally recognized vendors who have agreed to provide goods and services at discounted prices to our franchise system as part of a program known as the "Pie Perks Program". The discounts are based in part on our relationship with these vendors and our ability to purchase goods and services from them in larger quantities. The program is designed to help reduce expenses on various items and services, including, but not limited to, supplies, telecommunications services, accounting and payroll services, repairs and maintenance. You may, at your option, participate in this program

and take advantage of the discounts without additional cost to you. Other than the same discounts that are available to you under the program, neither we nor our affiliates receive any revenue from the vendors as a result of this program.

DPL entered into a beverage marketing agreement with The Coca-Cola Company with an effective date of January 1, 2019 for a term ending the later of December 31, 2023 or until such time as certain volume commitments are reached which entitles franchised and company-owned locations to qualify for volume incentive funding based upon the number of cases of Coca-Cola beverage products purchased from participating Coca-Cola bottlers. The aforementioned agreement did not meet the certain volume commitments as of the expiration date of December 31, 2023, and remains in effect until December 31, 2024. The Coca-Cola Company has also agreed to pay DPL certain fixed funding along with variable funds for national marketing, media programs and promotions under the terms of the beverage marketing agreement. Coca-Cola beverages has been designated as the company standard for beverages for sale at Domino's Pizza Stores. Although franchisees can only offer Coca-Cola beverages at their Domino's Pizza Stores, they can purchase these products from any supplier or retailer, including participating Coca-Cola bottlers.

DPLLC, DNAF and DP IP Holder entered into a co-promotion agreement with Dairy Management Inc., a company dedicated to promoting the dairy industry and dairy products on behalf of dairy products, for a term commencing on January 1, 2022 through December 31, 2023, which entitles DNAF and DPL to receive payments to fund dairy-centric initiatives.

DPLLC entered into a marketing agreement with Paypal, Inc. with an effective date of November 1, 2023 for a term ending no later than December 31, 2024 to establish promotional campaigns in which customers can get discounts on Domino's when ordering with VenmoPay on Domino's eCommerce channels. Venmo has agreed to fund implementation costs for VenmoPay, as well as reimbursement for promotional offers redeemed by Domino's customers tied to VenmoPay within marketing funding limits established for 2023 and 2024.

In 2023, DNAF received an estimated \$23,058,116.96, and DPL received an estimated \$4,380,000.00 under the programs described above. Except for these payments, neither we nor our affiliates receive any payments or credits from suppliers for the purchase of products by or for the benefit of franchisees, although we and our affiliates reserve the right to do so.

DPD supplies certain of these products and items to franchisees. DPD will derive revenue from the sale of these items by selling them above cost. DPD offers an optional profit sharing plan for franchisees. Prior to the Securitization Transaction, Domino's Pizza Distribution entered into these profit sharing arrangements with franchisees. These were assigned to DPD as part of the Securitization Transaction. Under this plan, franchisees must purchase their required food products from DPD for a period of 10 years in exchange for a share of the profits of the DPD centers in the United States servicing Domino's Stores nationally. Franchisees can terminate their participation in the plan by giving 1 year notice or immediately refunding profit sharing payments for the previous year or if DPD breaches, and does not cure, a material obligation or commitment under the plan.

DPD is an approved supplier of fresh dough balls for our original screen product and fresh pan pizza and is the supplier of a parbaked and then frozen shell for our thin crust pizza. If we or our designee give written approval for you to operate a commissary, you can make your own dough if it complies with our food safety, product and quality standards. There are currently no third party suppliers of fresh or pan pizza dough balls or parbaked and then frozen shells for our thin crust pizza. Commissary operators will be required to purchase a pre-mix package from approved suppliers to produce these different types of dough. DPD is an approved supplier of pre-mix for our screen and pan dough products. In addition, there are two approved manufacturers of pre-mix from whom franchisees can purchase directly.

For the benefit of the System, we and/or our affiliates have and will continue to test and develop other dough products. We have approved the original screen product, pan pizza, a thin crust and a frozen par-baked Gluten Free crust for Domino's Pizza Stores. We have also approved a frozen par-baked crust for a limited number of non-traditional Domino's Pizza Stores. Currently, DPD is the only approved supplier of thin crust to our franchisees. In addition, there is 1 approved supplier of Gluten Free crust.

When we and/or our affiliates periodically test new products in Stores, we may require you to purchase these products exclusively from DPD or otherwise limit the distribution and use of these products.

We or our affiliates may from time to time offer or make available other services or products to franchisees, such as online ordering and gift cards. We or our affiliates may derive revenue from the sale of these services and products to franchisees or from the participation by franchisees in these programs.

You must maintain at your sole expense: (a) property insurance on a replacement cost basis at minimum limits based on the total value of your assets (all risk coverage); (b) general liability insurance (including coverage for personal injury, products and contractual liability); (c) automobile liability insurance (including owned automobiles, titled or leased in your name and the name of your owners and used at any time, whether principally or occasionally in the business, hired and non-owned coverage); and (d) worker's compensation insurance (in your name) as required by law. If no worker's compensation law exists, then you must participate in comparable insurance we require. If you or your owners do not use a vehicle owned or leased in your name or the name of any of your owners in the business, you must provide written evidence, satisfactory to us. We require you to have minimum limits of \$1,500,000 per occurrence for general liability insurance and for automobile liability insurance. If your state recognizes and permits self-insurer programs, your participation in a program will satisfy our requirements under Section 15.7(d) of the Franchise Agreement. If deductible plans are approved and used in your state, you may purchase this coverage subject to the requirements of your insurance carrier. An insurance carrier rated B⁺ or better by Alfred M. Best & Company, Inc. or meeting such other criteria we may establish from time to time must issue all insurance policies, except workers' compensation insurance. All liability insurance policies must name us and any subsidiaries and affiliates that we designate, as additional insureds and provide us with 30 days prior written notice of termination, expiration, cancellation or modification of any policy. The terms and conditions of all such policies, including the amount of any deductibles, will be consistent with the requirements

prescribed from time to time by us. We may also reasonably increase the minimum liability "limit" protection requirement annually and modify the insurance requirements. You must provide us annually with satisfactory evidence of the renewal or extension of each insurance policy or any modifications to any insurance policy that must describe the applicable deductibles for each policy.

If you fail to carry any insurance coverage we require or to furnish satisfactory evidence of the insurance, we or our designee may obtain insurance coverage for you and you must promptly sign any documents required and pay to us on demand amounts we incur. Your obligation to maintain the required insurance is not limited by insurance we maintain. Your failure to carry required insurance at our specified limits could result in default.

Depending on whether you purchase certain products from us or our affiliates, we could provide you with approximately 90% of your total purchases in establishing your Store and generally between 25%-40% of your total ongoing operating expenses for your Store. Total operating expenses include all of your ongoing expenses in operating a Store, including rent and labor. In the fiscal year that ended December 31, 2023, DPD's revenue from the sale of these items to all franchisees was \$2.5 billion or 55.8% of DPL's total revenues of \$4.5 billion. In the fiscal year that ended December 31, 2023, DPL also collected revenue of \$134.3 million for online ordering fees, technology fees, credit card fees, help desk fees, and other miscellaneous fees and expenses from franchisees representing 3% of DPL's total revenues of \$4.5 billion.

There are no approved suppliers in which any of our officers has an ownership interest.

As noted in Item 1, we have entered into a servicing agreement with DPL for the provision of support and services to franchisees. We remain, however, responsible for all of the support and services required under the various agreements described below.

Development Agreement

Except as listed below, we need not provide any assistance to you under the Development Agreement.

Before you open your business we will:

- (1) Grant you the right to open a limited number of Stores within a development area. (Development Agreement – Section 1 and Section 4);
- (2) Not unreasonably withhold approval of a site that meets our requirements. (Development Agreement – Section 5); and
- (3) Deliver our then-current form of Franchise Agreement to you. (Development Agreement – Section 6) However, our approval of a location depends on whether we determine that:

- (a) you and your owners have the financial capacity and necessary skills and experience to develop and operate the Store based upon criteria established by us from time to time;
- (b) the site proposed is within the Development Area and suitable site for a Domino's Pizza Store based upon criteria established by us from time to time;
- (c) you and your owners comply with your Development Agreement and all other Domino's Pizza Franchise Agreements. (Development Agreement - Section 5); and
- (d) you and your owners have furnished all information we may reasonably require in evaluating your application.

Franchise Agreement

Except as listed below, we need not provide any assistance to you under the Franchise Agreement.

Before you open the Store, we will:

- (1) Approve the lease or other document for occupancy of the premises. (Standard Franchise Agreement - Section 7.4; Non-Traditional Store Franchise Agreement - Section 7.4)

(Franchise Agreement – Section 15.4). Exhibit N contains a copy of the table of contents of the Operating Standards as of February 2024 which contains 26 pages, Product Standards as of February 2024 which contains 53 pages, and the Oven Standards as of June 2022 which contains 6 pages.

Advertising and Promotion

We have the authority to determine the composition of all geographic territories and market areas for the advertising and promotion programs. All formulation, development and production costs of advertising and promotion (including the proportionate compensation of our employees for advertising functions) are paid from a separate fund administered by the DNAF.

Item 6 describes your Advertising Fund contribution. Your contribution will depend on the Standard Franchise Agreement or Non-Traditional Store Franchise Agreement. The advertising fee for a Domino's Pizza Traditional Store is currently 4% of Royalty Sales of the Store. You must pay up to 4% of the weekly Royalty Sales as an advertising contribution if you operate a Domino's Pizza Non-Traditional Store to an advertising fund. We may waive, in our sole discretion, the payment of a portion of the advertising fund contribution made by

franchisees (i.e., reduce the percentage of the required contribution) for a period of time we designate based upon market conditions or other relevant factors. A Domino's Non-Traditional Store does not contribute to regional or local cooperatives. It is therefore not affected by any advertising fund roll-up. All Stores owned by DPL contribute to the advertising and promotions programs on at least the same basis as the majority of domestic franchisees in the Domino's Pizza System. Vendors and suppliers may contribute to the Advertising Fund. We or our affiliates may hire advertising source(s) with money from the Advertising Fund to develop, produce and conduct the advertising and promotion programs.

The Advertising Fund is intended to maximize recognition of the Marks and patronage of the Stores. We do not have to ensure that Advertising Fund expenditures are proportionate or equivalent to your contributions for the market area of the Store or that the Store will benefit directly or in proportion from the advertising.

During the fiscal year that ended December 31, 2023, the Advertising Fund spent a total of \$575,573,463.74; 5.31% was spent on production; 88.52% was spent on media placement; 3.06% was spent on administrative expenses; and 3.11% was spent on other items (research, talent, public relations and brand promotions). The Advertising Fund does not spend all advertising funds in the same fiscal year that they are accrued in. The funds that are not used in the same fiscal year are used in future years. An annual statement of monies collected, and costs incurred by the Advertising Fund are available on an annual basis. The Advertising Fund did not spend money to solicit new franchisees. The Advertising Fund may place advertising in any media. The coverage is typically national in nature. Advertising is developed by our in-house marketing department and national advertising agencies and other advertising partners.

We or our affiliates may also spend or advance our own funds for promotional materials and the conduct of advertising programs for the benefit of the Domino's System.

The Domino's Marketing Advisory Council ("DMAC") provides advice on marketing and advertising programs. The DMAC whose membership is currently selected by DPL on behalf of the Domino's System, currently has 8 franchisees and 2 or more corporate representatives. Two of the 8 franchisees on DMAC are selected by DPL to participate on the DNAF board as well. We (or DPL on behalf of the Domino's System) may change or dissolve the DMAC at any time.

We may require you to participate in local and regional advertising cooperatives for advertising and promotional programs administered by us or by other franchisees of the System. In addition to the national advertising contribution (Standard Franchise Agreement – Section 13.1; Non-Traditional Store Franchise Agreement –Section 13.1), you must pay any contributions that we require to these local or regional cooperatives or that may be otherwise approved by these cooperatives. Your contributions to these local or regional cooperatives, as described below, is calculated by multiplying the percentage outlined in your Franchise Agreement and/or supplemental contribution agreement by the Royalty Sales of your Store (e.g., 8,000 (weekly Royalty Sales) x 2% = \$160).

The advertising contributions you must make to the local or regional cooperatives under the Traditional Store Standard Franchise Agreement (Section 13.2); and the Non-Traditional Store

Franchise Agreement (Section 13.2) established for Domino's Pizza Stores are as follows: if 65% or more of the Stores in the cooperative agree or are contractually obligated to contribute a specified percentage of the Royalty Sales, then you must make the same percentage contribution to the cooperative, although we can still require that you contribute no less than 2% of your Royalty Sales to the cooperative. If the Stores have not agreed upon a percentage of Royalty Sales to contribute to the cooperative, you must contribute an amount we specify up to and including 2% of the Royalty Sales of your Store. The maximum amount we can require that you contribute for advertising fund contributions and local and regional advertising expenditures will be 9% of the weekly Royalty Sales of your Store. Your obligations to contribute to your cooperative under the Franchise Agreement will not affect your obligations to contribute a greater percentage of the Royalty Sales of the Store under any separate agreement or understanding you have with any local or regional advertising or promotional cooperative.

We or our affiliates may hire advertising source(s) to develop, produce and conduct the advertising and promotion programs for the cooperatives with the cooperative advertising budget or contributions you made. (Standard Franchise Agreement – Section 13.2; Non-Traditional Store Franchise Agreement - Section 13.2).

The geographic area for these local and regional advertising cooperatives is defined according to the Nielsen designated marketing areas ("DMA"). The county location of the Store will determine the DMA.

Each cooperative is governed by the Co-op By-laws. A copy of the Co-op By-Laws are given to each new franchisee when they sign their franchise agreement. Before signing the Franchise Agreement, organizational documents may be available to you from the local or regional cooperative. DMAC will be informed of any changes to the Co-op By-laws, and the amended Co-op By-Laws are mailed or made available upon request to all franchisees. We or our affiliates may from time to time, change, dissolve or merge any cooperatives. Members of a Co-op may administer the Co-op or delegate administration to a board of directors.

An independent certified public accountant annually audits the Advertising Fund and cooperatives funds (*i.e.*, one combined audit for all Funds). The results of the combined audit are sent to the DNAF board members and are available to you upon request.

From time to time in the past, we have applied, collected or retained a portion of the contributions or payments made by franchisees under Section 13.2 of the Franchise Agreement for expenditure by the Advertising Fund with the consent of the regional cooperatives ("Roll-Up"). Beginning in May 2009, we began asking all existing and new domestic franchisees to amend Section 13 ("Advertising and Promotion") of their Franchise Agreement (the "2010 Amendment") to authorize us to apply, collect or retain all or part of up to 2% of the Royalty Sales they are required to contribute under Section 13.2 of the Franchise Agreement starting in 2010 for expenditure by the Advertising Fund ("Roll-Up"). Under the 2010 Amendment, which was approved by franchisees, the obligations of franchisees to contribute to the Advertising Fund was reduced to 3½%. The terms of the 2010 Amendment were incorporated into Section 13 of the Franchise Agreement in April 2012. In the fourth quarter of 2012 and the first quarter of 2013, we entered into amendments to the 2010 Amendment and the Franchise Agreements containing the

terms of the 2010 Amendment where franchisees agreed to pay 4% of Royalty Sales to the Advertising Fund notwithstanding the existence of a Roll-Up. However, we agreed that, if total cumulative same store sales changes were not positive over 2013 and 2014, a franchisee who signed the 2010 Amendment or the Franchise Agreement incorporating the terms of the 2010 Amendment could ask for a vote of franchisees who signed the 2010 Amendment and Franchise Agreement containing the terms of the 2010 Amendment to reinstate the reduced contribution to the Advertising Fund as set forth in their 2010 Amendment and Franchise Agreement. The procedures for calling for a vote and for reinstatement of the reduced rate are the same as the procedures set forth below for suspension of a Roll-Up. Franchisees who sign Franchise Agreements in 2013 and thereafter are obligated under the terms of the Franchise Agreement to pay 4% of Royalty Sales to the Advertising Fund notwithstanding a vote of the franchisees who signed the 2010 Amendment or have the terms of the Amendment in Section 13 of their Franchise Agreement. All contributions made by the franchisee that are included in the Roll-Up will be construed as if such allocated funds were paid to the cooperative or for local advertising purposes for purposes of determining the amount of the franchisee's contribution or payments due under Section 13.2.

If we commence a Roll-Up, we may continue the Roll-Up for a period of up to 5 years. Thereafter, we can continue the Roll-Up for additional periods of up to 5 years each unless the consecutive domestic same store sales percentage change reported by Domino's Pizza, Inc. measured from the Roll-Up commencement date until the last day of the fourth year of any such 5 year Roll-Up period is less than .1%. If the same store sales change is less than .1%, we can, nevertheless, continue a Roll-Up for additional periods of up to 5 years unless (a) during the 1st quarter of the 5th year of any such Roll-Up period, a vote is requested in writing by any franchisee in good standing (including, but not limited to, any franchisee not then in default) and who is operating under the Amendment or a Franchise Agreement containing the Roll-Up provision, and (b) 65% of Domino's Pizza stores in good standing and operating under the Amendment or a Franchise Agreement containing the Roll-Up provision vote to suspend such Roll-Up (a "Suspension Vote"). If there is a Suspension Vote, then such Roll-Up will be suspended (the "Suspension") at the conclusion of the 5th year of such Roll-Up. Such Suspension will remain in effect until 65% of Domino's Pizza Stores in good standing and operating under the Amendment or a Franchise Agreement containing the Roll-Up provision vote to reinstate our ability to commence a Roll-Up (the "Reinstatement Vote") after which our ability to effectuate a Roll-Up will be as described above until such time that it is suspended under the procedures described above. For purposes of the Suspension Vote and the Reinstatement Vote, all Domino's Pizza Stores in good standing and operating under the Amendment or a Franchise Agreement containing the Roll-Up provision at the time of such vote and all corporate or affiliate owned Domino's Pizza Stores are entitled to vote on the basis of one vote per Store. We commenced a Roll-Up on January 4, 2010, which is currently in effect.

Computer Systems

All Stores located in the United States are required to install and use the current version of Domino's PULSE. "Current version of Domino's PULSE" means the then current version of software as designated by DPL, or the immediately preceding version of Software.

Domino's PULSE includes the following functions:

- Pizza order and tracking
- Pizza/driver/order tracking
- Employee time clock and labor scheduling
- Cash control and audit capability
- Automated key indicator reporting with ability to transmit keys and other data to DPF
- Cost management and reporting
- Customer database
- Password security and control
- Automated commissary ordering
- Caller ID integration
- Capability to interface with a payroll company or a commercial accounting package
- Capable of polling and reporting in a multi-store environment

You must acquire the Domino's PULSE hardware from a vendor approved by us. The Domino's PULSE hardware includes a Domino's PULSE Server, 3 order taking devices, 1 driver dispatch device, 1 make line device, internet device such as a modem, 1 uninterruptible power supply network hub, router and 3 printer devices. The computer hardware is not proprietary to us or our affiliates. At the present time you must purchase the hardware for Domino's PULSE from Getronics. Service for problems with the Domino's PULSE hardware under warranty can be obtained from Getronics. Service for problems not covered by warranty can be obtained through Getronics or an approved third party service provider.

The current cost estimate per store for the hardware and software required, including payments due DPD, is \$15,000 to \$25,000 (other installation and service fees may apply). The current estimated cost per store for required maintenance and support contracts, third party software license fees, and upgrades or updates should not exceed \$7,000.00 annually. This estimated cost covers the annual enhancement fee, system support services, third party license fees and software upgrades and maintenance, including help desk and support.

DPD is the only approved source for the Domino's PULSE software and you must acquire a license from DPD to use that software (Exhibit J). In connection with the Domino's PULSE License Agreement you will also be required to sign a Participation Agreement with Microsoft (Attachment C to Exhibit J) which is a sublicense of certain Microsoft software that is part of Domino's PULSE.

As noted in Item 8, you have an obligation to make additions, substitutions, replacements and modifications to the Brand Technology. You will not, however, be required to make aggregate expenditures for any additions, substitutions, replacements or modifications to the Brand Technology in excess of one and one half percent (1 ½ %) of the Royalty Sales of the Store from the date of its opening to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology, not to exceed the ten (10) year period prior to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology or, except in connection with a renewal of the franchise to make any additions, substitutions, replacements or modifications to the Brand Technology during the last twelve (12)

months of the initial term of the franchise. This limitation shall not apply to our right to require that you acquire and install the Domino's PULSE store computer system or other components of the Brand Technology upon execution of the franchise agreement nor shall the provisions of any prior franchise agreement governing the operation of the Store restrict our right to require that you acquire and install the Domino's PULSE store computer system or other components of the Brand Technology under the terms of the franchise agreement.

We and our affiliates will have independent access to the computer data and equipment containing the information, records and reports required by the Franchise Agreement. There are no contractual limitations on our right to access this information. (Franchise Agreement – Sections 9, 14).

As noted in Items 6, 7, and 8, we may develop or contract with third parties to develop Additional Order Systems. These may become mandatory at any time during the term of this Agreement and may require you to spend money to add or replace equipment, wiring, hardware and software; to pay licensing fees, support and maintenance fees, fees paid to third parties; to incur other costs, and to sign agreements with third parties. You currently must participate in an Additional Order System provided by a designated third-party vendor. To the extent these products and services are owned by us or provided to you by us, we may charge up front and/or ongoing fees that may be included as part of the Technology Transaction Fee. However, to the extent all the direct and indirect costs to develop, test and implement an Additional Order System are paid from other sources, then such up-front and ongoing fees charged by us would be intended only to cover our ongoing expenses, including direct costs and reasonable allocations. Regardless of the sources of funds to develop any Additional Order System we shall be the sole owner of all direct and related rights and assets, including software and hardware, intellectual property and all data generated by the Additional Order Systems, but excluding hardware or equipment you purchase directly for the purpose of gaining access to the Additional Order System. You must also comply with all standards, operations and procedures related to e-mail capabilities of the Store and other electronic communication methods (including high-speed broadband connectivity, high-speed broadband monitoring, and methods and means of encryption and access to our network resources) and devices to facilitate communication with us or our offices, including the exchange of information between the Store and us.

We have developed a Global Positioning System technology platform, including a Driver App, that enables the location-tracking of deliveries electronically. Pursuant to the Global Positioning System Technology Platform Agreement attached as Exhibit R ("Global Positioning System Technology Platform Agreement") and operating standards, stores must have the approved Domino's Global Positioning System ("GPS") and Digital Shoulder Surfing ("DSS") technology platforms operational and active during store hours and must use the tracking functionality of the Driver App with a minimum percentage of the store's delivery orders each period as set forth in the current operating standards.

Site Selection

You have the primary responsibility for locating a site. We will approve the location before issuing the franchise agreement for the Store.

We may make a store siting model available to franchisees to use in considering where to locate a Domino's Pizza store. This is a model for site location which has been developed in conjunction with a third party vendor. The model is only a business tool based in part on statistics.

Under the Development Agreement, our approval of a location and the delivery of a Franchise Agreement is conditioned upon our determination that: (i) you have the financial capacity and skills necessary to develop and operate the Store; (ii) the proposed site is within the development area and is suitable based upon our criteria; and (iii) you and your owners comply with the Development Agreement and all Franchise Agreements signed under the Development Agreement and have furnished all information that we requested.

We estimate that there will be an interval of 1 to 6 months between submitting an application and the opening of the Store, but this interval will depend on the location and condition of the site. You must open the Store for business within 6 months after signing the Franchise Agreement unless we agree otherwise.

Training

Prior to applying for and obtaining our approval for the rights to franchise and operate a Domino's Pizza store, you, as the Controlling Person, must complete all training required to operate the Store. The type and duration of the training will depend on whether you have at least twelve (12) consecutive months of current management or supervisory experience within the Domino's Pizza system. All training programs will be held online or at times and places we designate. Generally, our trainers have a minimum of two years of operations experience and are required to be certified General Managers. Brian Trier, Vice President of Global Operations Innovation and Support, oversees training and has been employed by us since July 2004 in the following capacities: International Business Consultant, International Managing Director, and Vice President – Americas Region. Prior to working for the company, Mr. Trier spent twelve years working for a Domino's franchisee in Canada. We may charge a reasonable training fee of up to \$1,250 for these training programs. You must complete all training to our satisfaction. You must pay for travel, living expenses and any other costs incurred during the training.

Once you have completed at least twelve (12) consecutive months of recent successful management or supervisory experience within the Domino's Pizza system, you will be required to complete the franchise pre-qualification process. If qualified, you will be required to complete all of the required tracks of the Franchise Management School ("FMS") to obtain Qualified Franchisee Candidate status. A complete list of these training programs and the dates and times they are offered is provided by Domino's. The materials for these required training programs generally consist of workbooks, manuals, online courses and facilitator-led PowerPoint presentations.

We also may require that you or your owners complete supplemental or additional training programs which we periodically may offer. You must pay for the reasonable costs of these programs, not to exceed \$500 per class, and for the travel and living expenses and any other costs incurred during these programs. You must complete this supplemental or additional training within 1 year of the time in which it is originally offered to you by us.

We will make available the following programs which you will need to successfully complete to qualify to become a franchisee:

Item 11 TABLE

Franchise Management School (FMS) – Grad School	Approximately 8 hours per day for 2 days	0	Ann Arbor, Michigan or online at our sole discretion

* *Estimated hours of on-the-job training is based on the Team Member dividing his/her time between training and working.*

Currently, we grant single store franchises only to applicants who have recently been a successful manager or supervisor of a Store for at least 12 months. The applicant also must have completed certain classes we require as set forth in the chart above. You must complete all training programs and classes to our satisfaction. Some training may be provided by the store manager or franchisee for whom you worked prior to the time you applied for a franchise. We may from time to time accelerate or modify the basic eligibility and training requirements at our discretion based on your operational experience and business acumen. We require that the Controlling Person own 51% or more of the Store. There are also minimum net worth and liquidity requirements depending on the number of Stores to be developed or purchased. The Controlling Person of a Domino's Pizza franchise may not have financial or operational involvement in another business outside of their Domino's Pizza business, without our prior written approval which may be withheld in our sole judgment. There are additional factors that will be considered while reviewing a franchise application.

Franchisees are responsible for training all of their managers and team members.

Once all of the required training has been completed to our satisfaction, the franchise candidate will have 1 year to acquire a franchise otherwise they could be required to attend some or all of the programs as deemed necessary by us, at our sole discretion.

Item 12: Territory

Development Agreement

We have a program for the development of Domino's Pizza Stores in markets in which we have determined, based on studies, to be appropriate for the development of additional Domino's Pizza Stores. We may sign the Development Agreement with franchisees who are given the opportunity to further develop these markets.

You will not receive an exclusive territory under the Development Agreement. You may face competition from other franchisees, from outlets that we own or from other channels of distribution or competitive brands we control. You will receive a development area in which to develop the Stores. Neither we nor our affiliates will operate or grant a franchise for a Store other than to you within this development area during the term of the Development Agreement (unless earlier terminated). The development area, which is outlined on a map, and a corresponding written description is attached to the Development Agreement when it is signed. Enclosed malls, institutions (such as hospitals), airports, parks (including theme parks), sports arenas, convention centers and other facilities or venues where events are scheduled are excluded from the area granted. You will have the first option to service such facility if you meet the legal and/or venue requirements, subject to our approval. The number of Stores you must open each year under the Development Agreement will be inserted when the Development Agreement is signed and will be based, in part, upon the market potential of the development area but must be for a minimum of 1 Store. Each Store location must be approved by us.

We may terminate the Development Agreement, including your territorial rights, upon notice to you if (a) you do not meet the Development Requirements described in Section 4 of the Development Agreement; (b) you or your owners do not comply with any other provision of the Development Agreement; (c) any Domino's Pizza Development Agreement or Franchise Agreement with any entity that you or your Controlling Person directly or indirectly, owns in whole or in part, is terminated by us in accordance with its terms; (d) you and your owners fail to maintain the financial capacity and necessary skills and experience to meet the Development Requirements and timely develop and operate the Stores required to be opened and operated under this Agreement based upon criteria established by us from time to time; or (e) the Controlling Person of the Developer under the Development Agreement is not at any time the Controlling Person of all approved entities operating Stores in the Development Area.

The termination of your Development Agreement will not alter your territorial protection for the Stores you develop as a franchisee. The Development Agreement does not prohibit us or

our affiliates from establishing other franchises or company-owned outlets selling similar products or services under a different trade name or trademark within your development area or from distributing products or services offered at Domino's Pizza Stores through other channels of distribution. Only the mutual written agreement of the parties may alter your development area.

Traditional Store Standard Franchise Agreement

You may operate the Store only at a location approved by us. You will not receive an exclusive territory under our Traditional Store Franchise Agreement. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You will be assigned an area of primary responsibility. The boundaries of the area of primary responsibility will be inserted in the Standard Franchise Agreement when it is signed. The area of primary responsibility will generally be a 1 mile radius around the Store, a 1 mile radius from a street intersection or a written description equivalent to a 1 mile radius, except that in densely populated areas, it generally will be a ½ mile radius. During the term of the Standard Franchise Agreement, neither we nor our affiliates will operate or grant a franchise for a Store whose area of primary responsibility overlaps your area of primary responsibility.

When the Standard Franchise Agreement is signed, we will define the parameters of the delivery and service area in accordance with our policy. You may periodically be assigned boundaries in which the Domino's Pizza Traditional Store may not offer delivery service. We have the right, in our sole discretion, to adjust the size of your delivery and service area to account for changes in market conditions, population changes or other considerations. During approved hours of operation, you must offer delivery to customers within your delivery and service area according to the rules we periodically establish. You are not required to offer delivery in areas which might present a danger to you or any of your employees. However, you will remain solely responsible for investigating and reviewing periodically, but not less than annually, any decisions by you to limit your delivery area for safety reasons, subject to the procedures and standards we may prescribe from time to time, and for obtaining and maintaining information that supports your decisions to limit delivery service. You understand and agree that you may not change the boundaries of your delivery and service area without our prior written consent. When making deliveries, you and your employees must comply with all laws, regulations and rules of the road and due care and caution.

Enclosed malls, institutions (such as hospitals), airports, parks (including theme parks), sports arenas, convention centers and other facilities or venues where events are scheduled are excluded from your area of primary responsibility and your delivery and service area, unless otherwise specified by us in writing. You will have the first option to service such facility if you meet the legal and/or venue requirements, subject to our approval.

In the event the Store is destroyed or rendered unusable, we may grant permission for the Store to be repaired, restored or reconstructed at the existing location. Any repair, restoration, reconstruction or relocation will be at your sole expense. The Store, whether we grant permission for you to repair, restore, reconstruct or relocate, must be open and operating no later than 6 months after its closure. In addition, within 10 days of vacating the Store premises, you must make such

reasonable modifications to the exterior and interior of the Store (including signage, menu boards, job aids, product photos and the like) as we require to fully eliminate its identification and appearance as a Domino's Pizza Store.

We may require that you relocate the Store upon renewal of the Franchise.

The Standard Franchise Agreement does not prohibit us or our affiliates from establishing other franchises or company-owned outlets selling similar products or services under a different trade name or trademark within your area of primary responsibility or from distributing products or services offered at Domino's Pizza Traditional Stores through other channels of distribution.

Continuation of your area of primary responsibility does not depend on your achieving a certain sales volume or market penetration. Provided you are in compliance with the terms of the Standard Franchise Agreement, only the mutual written agreement of the parties may alter your area of primary responsibility.

Non-Traditional Store Franchise Agreement

You may operate the Store only at a location approved by us. You will not receive an exclusive territory under our Non-Traditional Store Franchise Agreement. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. If you are opening a Domino's Pizza Non-Traditional Store, your area of primary responsibility will be the premises of the store.

In the event the Store is destroyed or rendered unusable, we may grant permission for the Store to be repaired, restored or reconstructed at the existing location. Any repair, restoration, reconstruction or relocation will be at your sole expense. The Store, whether we grant permission for you to repair, restore, reconstruct or relocate, must be open and operating no later than 6 months after its closure. In addition, within 10 days of vacating the Store premises, you must make such reasonable modifications to the exterior and interior of the Store (including signage, menu boards, job aids, product photos and the like) as we require to fully eliminate its identification and appearance as a Domino's Pizza Store.

We may require that you relocate the Store upon renewal of the Franchise.

The Non-Traditional Store Franchise Agreement does not prohibit us or our affiliates from establishing other franchises or company-owned outlets selling similar products or services under a different trade name or trademark within the area of primary responsibility, if any, or from distributing products or services offered at Domino's Pizza Stores through other channels of distribution.

Continuation of the area of primary responsibility, if any, does not depend on your achieving a certain sales volume or market penetration. Provided you are in compliance with the terms of the Non-Traditional Store Franchise Agreement, only the mutual written agreement of the parties may alter the area of primary responsibility.

Item 13: Trademarks

Under the Development Agreement you do not receive any rights to use the Marks. You receive these rights under the Franchise Agreement and License Agreement.

The primary trademarks and service marks are the "Domino's & Design", "Domino's Pizza", "Domino Design Symbol", "Combination Domino Design" and "Domino's Pizza Logo" and names and associated designs (the "Marks"). Under the Franchise Agreements, and License Agreement, we grant you the non-exclusive right to use the Marks to operate the Store. The Marks are owned by DP IP Holder, a wholly owned subsidiary of DPMI. We are authorized to use and sublicense the use of these Marks under a license agreement with DP IP Holder. (described below). DP IP Holder has registration and ownership of these marks on the Principal Register of the United States Patent and Trademark Office ("USPTO") as follows: "Domino's Pizza", Registration Numbers 1,166,751; 1,519,402; and 1,249,196, Registration Dates (August 25, 1981); (January 3, 1989); and (August 23, 1983); "Domino Design Symbol", Registration Numbers 1,529,014; 1,192,280; and 1,296,677, Registration Dates (March 7, 1989); (March 16, 1982); and (September 18, 1984); and "Domino's Game Piece Logo", Registration Number 4,389,262 (August 20, 2013); "Domino's Game Piece Logo", Registration Number 4,354,128 (June 18, 2013); and "Domino's", Registration Number 2,736,837 (July 15, 2003), "Domino's and Design", Registration Number 4,692,802 (February 24, 2015), "Domino's & Design", Registration Number 4,692,804 (February 24, 2015). These are the primary trademarks and service marks but other related trademarks and service marks which have been registered are described in the Operating Manuals. All required affidavits and renewal applications have been filed.

Your right to use the Marks is non-exclusive, and we and our affiliates have the right, among others: (a) to use the Marks to sell products and services; (b) to grant others licenses for the Marks; (c) to develop and establish other systems using the same or similar Marks, or any other proprietary marks, and to grant licenses or franchises in those systems without providing any rights to you; and (d) to regulate the use of the Marks in any form of electronic media including web sites or web pages or as a domain name or electronic media identifier.

Your usage of the Marks and any goodwill you establish is to our and our affiliates exclusive benefit and you retain no right in the Marks when the Franchise Agreement terminates or expires. You must follow our rules when you use the Marks. You may not use the Marks as a part of any corporate or trade name or with any name or symbol you use to operate your Store, nor may you use any trade name, trademark, service mark, emblem or logo other than the Marks we periodically designate.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor are there any pending infringement, opposition or cancellation proceedings or material litigation, involving the Marks. There are no other agreements currently in effect which significantly limit our right to use or license the use of the Marks that are material to the franchise. We do not actually know of either superior prior rights or infringing uses that could materially affect a franchisee's use of the principal marks in any state.

As part of the Securitization Transaction, the Marks were assigned to DP IP Holder. On the same date, a license agreement between DP IP Holder and DPF was entered into giving DPF the right and license to use and sublicense the use of the Marks. The term of the license agreement is 99 years. DP IP Holder has certain enforcement rights in the event we default under the license agreement, including the right to terminate the license agreement if we fail to cure a default within the time period specified in the license agreement. However, these enforcement rights will not affect your right to operate your Domino's Pizza Store under the Marks or use the Marks under the terms of the Franchise Agreement.

You must immediately notify us of any use by others of names or marks which are the same or confusingly similar to any Marks. We will indemnify you against and reimburse you for all damages you are held liable for in any proceeding from your authorized use of any Mark and for all costs reasonably incurred defending any claim against you or in any proceeding you are named as a party, if you have timely notified us, you have given us sole control of the defense and settlement of any claim, and you have otherwise complied with the Franchise Agreement.

We may require you to modify or discontinue use of any Mark or use one or more additional or substitute Marks in the event a dispute arises over our right to the use of any Mark. If we do, our sole obligation will be to reimburse you for your tangible costs of complying with these requirements.

Item 14: Patents, Copyrights and Proprietary Information

Under the Development Agreement, you do not have the right to use any patents or copyrights. Under the Franchise Agreement and License Agreement, you will have the right to use certain equipment and processes which are described below.

DPI IP Holder has obtained registration of the following patents: Vehicle, PN D743,302, Registered: November 17, 2015; Vehicle Door, PN D743,311, Registered: November 17, 2015; Vehicle Advertising Sign, PN D754,250, Registered: April 19, 2016; Storage Module, PN 9,387,786, Registered: July 12, 2016; Vehicle with Upwardly Mobile Door, PN 9,452,703, Registered: September 27, 2016; Pizza Order Display Panel with a Transitional Graphical User Interface, PN D907,657, Registered: January 12, 2021; Pizza Order Display Panel with a Transitional Graphical User Interface, PN D932,509, Registered October 05, 2021; Pizza Order Display Panel with a Transitional Graphical User Interface, PN D1,012,118, Registered January 23, 2024; Pizza Order Display Panel with a Transitional Graphical User Interface, SN 29/916,806, filed November 15, 2023; Method and System for Centralized Order Status Tracking in a Decentralized Ordering System (Pizza Tracker), PN 10,262,281, Registered: April 16, 2019; Food Assembly Line, PN 10,136,742, Registered: November 27, 2018.

In addition, we and/or our affiliates claim copyright protection in the Operating Manuals, Training Manuals, videotapes and related materials, certain proprietary software, middleware and advertising and promotional materials although these items may or may not be registered with the United States Registrar of Copyrights. The materials are considered proprietary and confidential.

You may only use these materials according to our rules, regulations and guidelines. We have obtained a license to use the patent and various materials under the license agreement described above.

There currently are no effective determinations of the United States Patent and Trademark Office, the United States Copyright Office or any court regarding any of the patented or copyrighted materials. There are no agreements in effect which significantly limit our right to use or license the patented or copyrighted materials. There are no infringing uses actually known to us which could materially affect your use of the patented or copyrighted materials in any state. We are not required by any agreement to protect or defend patents or copyrights.

The dough, sauce and cheese used in Domino's Pizza Stores are proprietary and we may restrict the sources of supply of these products. Information, knowledge, or know-how, including drawings, materials, equipment, marketing, recipes, and other data, that we designate as confidential will be deemed confidential for purposes of the Franchise Agreement. We will disclose to you certain confidential or proprietary information and trade secrets. You must not make an unauthorized use of our confidential or proprietary information or trade secrets and must take steps to prevent its disclosure to others.

Item 15: Obligation to Participate in the Actual Operation of the Franchise Business

If you are a franchisee developing stores under a Development Agreement, you must devote your full time (excepting reasonable vacation periods) to the management and/or supervision of Stores in your development area and make a total commitment to the Domino's Pizza system. If you are an approved entity, the Controlling Person must devote his/her full time (excepting reasonable vacation periods) to the management and/or supervision of Stores within the development area. During the term of the Development Agreement, the Controlling Person may not have financial or operational involvement in another business outside of the Domino's Pizza System, without our written approval which may be withheld in our sole judgment.

The Store must always be under the on-premises supervision of you or the Controlling Person. You or the Controlling Person must devote his/her full time as manager of the Store or to the management of other Stores (or other related activities we approved). You must commit yourself fully to the Store(s) and no other businesses. During the term of the Franchise Agreement, the Controlling Person may not have financial or operational involvement in another business outside of the Domino's Pizza System, without our written approval which may be withheld in our sole judgment. If you own more than one Store, each Store must also be under the on-premises supervision of a properly trained manager whose identity has been disclosed to us, and who has signed an agreement not to divulge any trade secret or confidential or proprietary information, or to engage in or have any interest in any other carry-out or delivery pizza store business.

If you are a corporation, partnership or limited liability company, the Controlling Person must personally guarantee the obligations under the Franchise Agreement or Development Agreement, agree to be personally bound by, and personally liable for every breach of, the

Franchise Agreement or Development Agreement, agree to be bound by the confidentiality, non-disclosure and non-competition provisions of the Franchise Agreement and agree to certain restrictions on his/her ownership interests. Every other shareholder, member or partner must personally guarantee the obligations under the Franchise Agreement or Development Agreement based upon his/her ownership interest in the franchise and must agree to be bound by each provision of the Franchise Agreement or Development Agreement including the confidentiality, non-disclosure and non-competition provisions.

Item 16: Restrictions on What the Franchisee May Sell

You must offer for sale all products we require and make all menu items available for carry-out and delivery from the Store. You may not offer for sale any products that we have not approved (See Items 8 and 9). We can periodically change the types of authorized products and services and there is no limit on our right to make these changes.

We may periodically adjust the boundaries in which your Store offers delivery service to reflect changing market conditions, population changes and other relevant considerations. If we revise these boundaries, you must adjust the size of your delivery service area. During the approved hours of operation, you must offer delivery from your Store to customers within your delivery service area, following the rules we periodically establish. We may permit you to offer delivery services from your Non-Traditional Store. You may serve any customer provided you do so from the Store under our standards. (See Item 12)

Item 18: Public Figures

We do not use any public figure to promote our franchise.

Item 19: Financial Performance Representations

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provided the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

Set forth below is information concerning the average weekly unit sales (“AWUS”) and other financial data of franchised and company-owned Domino's Pizza Traditional Stores located in the United States (not including Stores located in U.S. territories of Guam, Puerto Rico and U.S. Virgin Islands), for the calendar years 2018 through 2022. AWUS is calculated by dividing the total Royalty Sales reported by all Stores operating during the year by the number of weeks reported. Royalty Sales means the total receipts from all sales by the Stores of all pizza, beverages and other products or services authorized for sale at the Stores or at any approved off-site location but exclusive of sales or equivalent taxes, coupon and similar discounts, and beverage container deposits approved by us.

OTHER FINANCIAL DATA

Set forth below are calculations of EBITDA as a percentage of Royalty Sales and other financial indicators based upon AWUS of <\$15,000, \$15,001 - \$20,000, \$20,001 - \$25,000, \$25,001 - \$30,000 and \$30,001+. These pro forma statements have been derived from profit and loss statements submitted by franchised stores in operation as of the end of the fiscal year 2022 that have operated for at least twelve (12) months. At the end of 2022, there were 6,385 franchised stores in operation. These calculations are based on the information received from 5,648 Stores. 584 Stores did not submit or submitted incomplete or improperly prepared profit and loss statements and 153 Stores were not operational for the full year. Accordingly, these 737 Stores were excluded from these calculations.

Average Weekly Unit Sales	<\$15,000	\$15,001-\$20,000	\$20,001-\$25,000	\$25,001-\$30,000	\$30,001+

\$30,001+ range, and 798, or 51% of these stores achieved or exceeded the 13.7% EBITDA.

Explanatory Notes:

Total Variable Costs: Includes operating expenses that tend to vary with a change in sales. These expenses include food costs; variable labor costs (which may vary depending on each store's local labor market and applicable wage and working condition requirements), excluding manager salary; bonus; payroll taxes; worker's compensation insurance; mileage reimbursement and related delivery expenses; advertising expenses; royalty expense; and operating supplies.

Total Cash Fixed Costs: Includes operating expenses that tend to not vary with a change in sales. These expenses include telephone and utilities, rent, repairs and maintenance, professional fees, small equipment and computer expenses, other taxes (real and personal property taxes and business taxes), insurance (excluding worker's compensation), manager salary, and miscellaneous operating expenses.

EBITDA: Earnings before interest, taxes, depreciation and amortization. EBITDA is calculated as follows: Royalty Sales minus Total Variable Costs minus Total Cash Fixed Costs plus Supply Chain Profit Sharing and Volume Discount rebates.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Some Stores have achieved these sales or earned these amounts. Your individual results may differ. There is no assurance that you will achieve these sales or earn as much.

We or our affiliates also may furnish supplemental data concerning specific proposed store locations or Delivery Service Areas ("DSA") that are prepared using a siting model program known as "Domino's Strategic Integrated Mapping and Modeling System". We or our affiliates may also furnish supplemental data concerning specific proposed store locations in connection with the proposal by existing Domino's Pizza franchisees to open an additional store in a DSA in which such franchisee has an existing store (a "Store Split") or to open one or more additional stores in contiguous DSAs in which such franchisee has existing stores and to redraw the boundaries of the DSAs ("Store Realignment"). If data generated by the Siting Model is furnished to you, you will be provided with a Supplemental Financial Performance Representation explaining the Siting Model in greater detail and the way in which the information differs from the information contained in this disclosure concerning average weekly unit sales and other financial data of Domino's Pizza stores.

Other than the preceding financial performance representations and the information set forth above and data to substantiate and support the information set forth above, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are

purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Joseph P. Devereaux, Assistant Secretary of DPF and Director of Franchise Services, at joe.devereaux@dominos.com, (734) 930-3267, the Federal Trade Commission, and the appropriate state regulatory agencies.

**ADDENDUM TO THE
DOMINO'S PIZZA FRANCHISING LLC
MULTI-STATE DISCLOSURE DOCUMENT**

The following are additional disclosures to the Domino's Pizza Franchising LLC Multi-State Franchise Disclosure Document required by various state franchise laws. Each provision of these additional disclosures will not apply unless, with respect to that provision, the jurisdictional requirements of the applicable state franchise registration and disclosure law are met independently without reference to these additional disclosures.

State-Specific Requirements

NO WAIVER OR DISCLAIMER OF RELIANCE IN CERTAIN STATES:

1. The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

CALIFORNIA:

DISCLOSURES REGARDING THE CALIFORNIA FAST FOOD ACT (CALIFORNIA ASSEMBLY BILL 1228)

1. The following language is added to the end of Item 1:

To the extent it is applicable, you must comply with California Assembly Bill 1228, codified at Cal. Lab. Code §§ 1474-1475 (the "Fast Food Act"). The Fast Food Act establishes: (a) a minimum wage of \$20 per hour for certain fast food restaurant employees effective April 1, 2024; and (b) a Fast Food Council (the "Council"), which is authorized to adopt fast food restaurant standards for wages, working hours and other working conditions, including health and safety standards and training. The Council has the authority, subject to state agency review, to annually raise the minimum wage by up to 3.5% from January 1, 2025 through December 31, 2028, depending on the increases in the cost of living from year to year.

2. The following language is added to the end of Items 5, 6, and 11:

We currently do not provide any training or assistance related to, or charge any initial or ongoing fees related to, the development or implementation of any standards, policies, or procedures that may be required under the Fast Food Act. It is solely your responsibility to determine whether the Fast Food Act applies to your

Store and, to the extent it does apply, to comply with the Fast Food Act when developing and constructing your restaurant, operating your Store, and training and supervising your employees.

3. The following language is added to the end of Item 7:

Since the Council has not, as of the date of this Disclosure Document, issued any standards under the Fast Food Act dealing with working conditions, we are unable to estimate the effects any such standards might have on the estimated initial investment.

4. The last sentence of Note (8) to the Item 7 charts, which corresponds to the “Additional Funds – 3 Months” line item, is hereby deleted in its entirety and replaced with the following:

Your costs will depend on the following factors: how much you follow your methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for your products and services; the prevailing wage rate (which will likely increase under the Fast Food Act); competition; and the sales level reached during the initial period.

ILLINOIS:

1. The following language is added to the table in Item 17 at the end of the Summary Section of Provision (v) entitled **Choice of Forum:**

(except for any claims arising under the Illinois Law).

2. The following language is added to the table in Item 17 at the end of the Summary Section of Provision (w) entitled **Choice of Law:**

(except for Illinois Law).

MARYLAND:

1. The following language is added to the end of the “Summary” sections of Item 17(c), entitled **Requirements for franchisee to renew or extend**, and Item 17(m), entitled **Conditions for franchisor approval of transfer:**

Any release required as a condition of renewal and/or assignment/transfer will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

2. The following language is added to the end of the “Summary” section of Item 17(g), entitled **“Cause” defined –defaults which cannot be cured:**

Termination upon insolvency might not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.), but we will enforce it to the extent enforceable.

3. The following language is added to the end of the chart in Item 17:

You must bring any claims arising under the Maryland Franchise Registration and Disclosure Law within 3 years after the grant of the franchise.

MINNESOTA:

1. The following language is added to the table in Item 17 at the end of the Summary Section of Provision (v) entitled **Choice of Forum:**

Pursuant to Minn. Stat. 80C.21 and Minn. Rule Part 2860.4400J, this section shall not in any way abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C.

2. The following language is hereby added to the table in Item 17 at the end of the Summary Section of Provision (w) entitled **Choice of Law:**

With respect to franchises governed by Minnesota law, DPF will comply with Minn. Stat. Sec. 80C.14 Subds. 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days' to cure) and 180 days' notice for non-renewal of the franchise agreement.

WASHINGTON:

1. The following additional disclosures are added to the franchise disclosure document:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party

seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

ASSURANCE OF DISCONTINUANCE STATE OF WASHINGTON

To resolve an investigation by the State of Washington Attorney General's Office, Domino's Pizza LLC entered into an Assurance of Discontinuance ("AOD") in October 2018 regarding provisions in its franchise agreements that restricted a franchisee from soliciting and/or hiring the employees of other franchisees or Domino's. The position of the Attorney General's Office' was that such provisions violate Washington state and federal antitrust and unfair practices laws. While Domino's had previously notified its franchisees that it would no longer include such provisions in future franchise agreements, and would not enforce those provisions in any existing franchise agreements, Domino's agreed to include those commitments in the AOD. Therefore, as part of the AOD, Domino's agreed to no longer include the non-solicitation provisions in our franchise agreements and to not enforce those provisions in existing franchise agreements and notified our franchisees accordingly. Domino's did not admit any liability in the AOD and was not assessed any fines or other monetary penalties.

**DOMINO'S PIZZA FRANCHISING LLC
FINANCIAL STATEMENTS**

Domino's Pizza Franchising LLC and Subsidiary

**Consolidated Financial Statements
December 31, 2023 and January 1, 2023**

Report of Independent Auditors

To the Board of Managers of Domino's Pizza Franchising LLC

Opinion

We have audited the accompanying consolidated financial statements of Domino's Pizza Franchising LLC and its subsidiary (the "Company"), which comprise the consolidated balance sheets as of December 31, 2023 and January 1, 2023, and the related consolidated statements of income, of member's interest and of cash flows for the three years ended December 31, 2023, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and January 1, 2023, and the results of its operations and its cash flows for the three years ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

DOMINO'S PIZZA FRANCHISING LLC AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(1) Description of Business and Summary of Significant Accounting Policies

Description of Business

Domino's Pizza Franchising LLC (the "Company") is a single member Delaware limited liability company and is a wholly-owned subsidiary of Domino's Pizza Master Issuer LLC (the "Parent"), whose ultimate parent is Domino's Pizza, Inc. ("DPI"). The Company commenced operations on April 17, 2007. The Company is primarily engaged in franchising certain Domino's Pizza stores in the United States, and to a lesser extent, Puerto Rico, Guam and the U.S. Virgin Islands (collectively, the "American Territories" and collectively with the Domino's Pizza stores in the United States, the "Domestic Territories"). Revenues are derived from the receipt of royalties and, to a lesser extent, franchise and related fees from Domino's Pizza stores in the Domestic Territories.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of the Company and its subsidiary. All significant intercompany accounts and transactions have been eliminated.

Fiscal Year

The Company's fiscal year ends on the Sunday closest to December 31. The 2023 fiscal year ended on December 31, 2023, the 2022 fiscal year ended on January 1, 2023 and the 2021 fiscal year ended on January 2, 2022. The 2023, 2022 and 2021 fiscal years each consisted of fifty-two weeks.

Restricted Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with original maturities of three months or less at the date of purchase. These investments are carried at cost, which approximates fair value. The restricted cash and cash equivalents balance was \$16.1 million in 2023 and \$1.7 million in 2022. All cash and cash equivalents are restricted under the terms of the Parent's debt agreements (Note 3).

Accounts Receivable / Accounts Payable with Affiliated Companies

Accounts receivable from affiliated companies represent amounts owed to the Company by other subsidiaries of DPI. Accounts payable to affiliated companies represent amounts due to subsidiaries of DPI by the Company.

Allowances for Credit Losses

The Company closely monitors accounts and notes receivable balances and estimates the allowance for credit losses. These estimates are based on historical collection experience and other factors, including those related to current market conditions and events. The Company's allowances for accounts and notes receivable have not historically been material.

Property

Additions to property are recorded at cost. Depreciation and amortization expense for financial reporting purposes is recorded using the straight-line method over the estimated useful lives of the related assets. The estimated useful life for buildings is generally 20 years.

Revenue Recognition

Franchise royalties and fees are primarily comprised of royalties and fees from Domino's Pizza franchisees with operations in the Domestic Territories. Each franchisee is generally required to pay a 5.5% royalty fee on sales. In certain instances, the Company will collect lower rates based on area development agreements, sales initiatives, store relocation incentives and new store incentives. Royalty revenues are based on a percentage of franchise retail sales and are recognized when the items are delivered to or carried out by franchisees' customers. Payments for royalties and fees from U.S. franchisees are generally due within seven days of the prior week end date and payments for royalties and fees from franchisees in the American Territories are due at least monthly.

Disaggregation of Revenue

Current accounting standards require that companies disaggregate revenue from contracts with customers into categories that depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors. \$1.8 million of the Company's royalties and fees revenues were derived from the American Territories in each of 2023, 2022 and 2021.

Fair Value Measurements

Fair value measurements enable the reader of the consolidated financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The Company classifies and discloses assets and liabilities carried at fair value in one of the following three categories:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

The fair values of the Company's restricted cash equivalents are based on quoted prices in active markets for identical assets.

The following table summarizes the carrying amounts and fair values of the Company's restricted cash equivalents at December 31, 2023 and January 1, 2023 (in thousands):

	Carrying Amount	At December 31, 2023		
		Fair Value Estimated Using		
		Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Restricted cash equivalents	\$ 14,355	\$ 14,355	\$ —	\$ —

	Carrying Amount	At January 1, 2023		
		Fair Value Estimated Using		
		Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Restricted cash equivalents	\$ 3	\$ 3	\$ —	\$ —

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Pronouncements

The Company has considered all new accounting pronouncements issued by the Financial Accounting Standards Board. There are no accounting pronouncements issued that are expected to have a material impact on the Company's consolidated financial statements.

Subsequent Events

The Company evaluated subsequent events occurring after December 31, 2023 through the date the consolidated financial statements were available to be issued on March 18, 2024. Based on this evaluation, the Company determined there were no subsequent events that required recognition or disclosure.

(2) Taxation

The Company is a single member limited liability company and is treated as a disregarded entity for federal and state income tax purposes and therefore does not record an allocation of income taxes paid by the Parent in its consolidated financial statements. The provision for taxes reflected in these consolidated statements primarily represents non-resident withholding taxes incurred by the Company. The Company recorded total non-resident withholding tax expense of \$0.4 million in each of 2023, 2022 and 2021.

As required by authoritative accounting guidance, the Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the “more likely than not” threshold, the amount recognized in the consolidated financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority.

(3) DPI Recapitalizations and Company Guarantees of Related Debt Obligations

DPI has completed recapitalization transactions in 2021, 2019, 2018, 2017 and 2015. As noted below with respect to guarantees and covenants of the notes, the Company has, along with certain other affiliates, guaranteed the interest and principal obligations of the Notes. The 2021 Notes, 2019 Notes, 2018 Notes, 2017 Notes and 2015 Notes (each, as defined below) are collectively referred to as the “Notes.”

2021 Recapitalization

On April 16, 2021, DPI completed a recapitalization (the “2021 Recapitalization”) in which certain of DPI’s subsidiaries issued notes pursuant to an asset-backed securitization. The notes consist of \$850.0 million Series 2021-1 2.662% Fixed Rate Senior Secured Notes, Class A-2-I with an anticipated term of 7.5 years (the “2021 7.5-Year Notes”) and \$1.0 billion Series 2021-1 3.151% Fixed Rate Senior Secured Notes, Class A-2-II with an anticipated term of 10 years (the “2021 Ten-Year Notes”, and, collectively with the 2021 7.5-Year Notes, the “2021 Notes”). Gross proceeds from the issuance of the 2021 Notes were \$1.85 billion. A portion of the proceeds from the 2021 Recapitalization were used to repay the remaining \$291.0 million in outstanding principal under DPI’s 2017 Floating Rate Notes and \$582.0 million in outstanding principal under DPI’s 2017 Five-Year Notes, prefund a portion of the interest payable on the 2021 Notes and pay transaction fees and expenses.

Concurrently, certain of DPI’s subsidiaries also issued a variable funding note facility which allows for advances of up to \$200.0 million of Series 2021-1 Variable Funding Senior Secured Notes, Class A-1 Notes and certain other credit instruments, including letters of credit (the “2021 Variable Funding Notes”). On May 15, 2023, certain of DPI’s subsidiaries executed an amendment to DPI’s 2021 Variable Funding Notes to affect the transition from LIBOR to Secured Overnight Financing Rate, plus a spread adjustment (“Adjusted Term SOFR”). Certain clarifying amendments were effectuated on September 19, 2023. The interest rate on the 2021 Variable Funding Notes is payable at a per year rate equal to Adjusted Term SOFR, plus 150 basis points.

As of December 31, 2023 and January 1, 2023, the Company had no outstanding borrowings and \$157.8 million of available borrowing capacity under its 2021 Variable Funding Notes, net of letters of credit issued of \$42.2 million.

2019 Recapitalization

On November 19, 2019, DPI completed a recapitalization (the “2019 Recapitalization”) in which certain of DPI’s subsidiaries issued \$675.0 million Series 2019-1 3.668% Fixed Rate Senior Secured Notes, Class A-2 with an anticipated term of 10 years (the “2019 Ten-Year Notes”) pursuant to an asset-backed securitization. Gross proceeds from the issuance of the 2019 Notes were \$675.0 million.

2018 Recapitalization

On April 24, 2018, DPI completed a recapitalization (the “2018 Recapitalization”) in which certain of DPI’s subsidiaries issued notes pursuant to an asset-backed securitization. The notes consist of \$425.0 million Series 2018-1 4.116% Fixed Rate Senior Secured Notes, Class A-2-I with an anticipated term of 7.5 years (the “2018 7.5-Year Notes”), and \$400.0 million Series 2018-1 4.328% Fixed Rate Senior Secured Notes, Class A-2-II with an anticipated term of 9.25 years (the “2018 9.25-Year Notes” and, collectively with the 2018 7.5-Year Notes, the “2018 Notes”). Gross proceeds from the issuance of the 2018 Notes were \$825.0 million.

2017 Recapitalization

On July 24, 2017, DPI completed a recapitalization (the “2017 Recapitalization”) in which certain of DPI’s subsidiaries issued notes pursuant to an asset-backed securitization. The notes consisted of \$300.0 million Series 2017-1 Floating Rate Senior Secured Notes, Class A-2-I with an anticipated term of five years (the “2017 Floating Rate Notes”), \$600.0 million Series 2017-1 3.082% Fixed Rate Senior Secured Notes, Class A-2-II with an anticipated term of five years (the “2017 Five-Year Notes”), and \$1.0 billion Series 2017-1 4.118% Fixed Rate Senior Secured Notes, Class A-2-III with an anticipated term of ten years (the “2017 Ten-Year Notes” and, collectively with the 2017 Floating Rate Notes and the 2017 Five-Year Notes, the “2017 Notes”). The interest rate on the 2017 Floating Rate Notes was payable at a rate equal to LIBOR plus 125 basis points. Gross proceeds from the issuance of the 2017 Notes were \$1.9 billion. The 2017 Floating Rate Notes and the 2017 Five-Year Notes were repaid in connection with the 2021 Recapitalization.

2015 Recapitalization

On October 21, 2015, DPI completed a recapitalization transaction (the “2015 Recapitalization”) in which certain of DPI’s subsidiaries issued new notes pursuant to an asset-backed securitization. The notes consisted of \$500.0 million Series 2015-1 3.484% Fixed Rate Senior Secured Notes, Class A-2-I (the “2015 Five-Year Notes”) and \$800.0 million Series 2015-1 4.474% Fixed Rate Senior Secured Notes, Class A-2-II (the “2015 Ten-Year Notes” and, together with the 2015 Five-Year Notes, the “2015 Notes”). Gross proceeds from the issuance of the 2015 Notes were \$1.3 billion. The 2015 Five-Year Notes were repaid in connection with the 2018 Recapitalization.

2022 Variable Funding Notes

On September 16, 2022, DPI issued a new variable funding note facility which allows for advances of up to \$120.0 million of Series 2022-1 Variable Funding Senior Secured Notes, Class A-1 Notes (the “2022 Variable Funding Notes”). The facility was undrawn at closing. Interest on the 2022 Variable Funding Notes is payable at a per year rate equal to Adjusted Term SOFR plus 150 basis points. The unused portion of the 2022 Variable Funding Notes is subject to a commitment fee of 50 basis points. It is anticipated that any amounts outstanding on the 2022 Variable Funding Notes will be repaid in full on or prior to April 2026, subject to two additional one-year extensions at the option of DPI, subject to certain conditions. Following the anticipated repayment date (and any extensions thereof), additional interest will accrue on the 2022 Variable Funding Notes equal to 5% per annum.

As of December 31, 2023 and January 1, 2023, DPI had no outstanding borrowings and \$120.0 million of available borrowing capacity under its 2022 Variable Funding Notes.

Guarantees and Covenants of the Notes

The Notes, the 2022 Variable Funding Notes and the 2021 Variable Funding Notes were issued by certain of DPI’s subsidiaries which hold substantially all of DPI’s revenue-generating assets, excluding DPI’s U.S. Company-owned stores. The Notes are guaranteed by certain of DPI’s subsidiaries and secured by a security interest in substantially all of the assets of the DPI’s subsidiaries, including royalty and certain other income from all U.S. and international stores, domestic supply chain income and intellectual property. The restrictions placed on certain of DPI’s subsidiaries require that the principal and interest obligations have first priority and amounts are segregated weekly to ensure appropriate funds are reserved to pay the quarterly principal and interest amounts due. The amount of weekly cash flow that exceeds the required weekly principal and interest reserve is generally remitted to the Parent in the form of a dividend. However, once the required obligations are satisfied, there are no further restrictions, including payment of dividends, on the cash flows of the subsidiaries. The Company has, along with certain other affiliates, guaranteed the interest and principal obligations of the Notes.

The Notes are subject to certain financial and non-financial covenants, including a debt service coverage ratio calculation. The covenant requires a minimum coverage ratio of 1.75x total debt service to securitized net cash flow, as defined in the related agreements. The covenants, among other things, may limit the ability of the Company and its subsidiary to declare dividends, make loans or advances or enter into transactions with affiliates. In the event that certain covenants are not met, the Notes may become partially or fully due and payable on an accelerated schedule. In addition, DPI may voluntarily prepay, in part or in full, the Notes at any time, subject to certain make-whole interest obligations.

Distributions

The Company is required to distribute its excess cash flows to the Parent pursuant to an operating agreement with the Parent. The Parent uses the funds distributed to it by the Company to, among other things, service its debt obligations. The Company distributed \$440.2 million, \$414.0 million and \$403.3 million in 2023, 2022 and 2021, respectively, pursuant to this operating agreement.

Management Fee

The Parent and certain of its subsidiaries have a management agreement with Domino's Pizza LLC, a subsidiary of DPI, (the "Manager") whereby the Manager will service new and existing franchise agreements, certain intellectual property and distribution assets for the Domino's Pizza system.

In fiscal 2021 and 2022 prior to September 16, 2022 upon issuance of the 2022 Variable Funding Notes, the Parent and certain of its subsidiaries were obligated to pay a total annual fee to the Manager in an amount equal to the sum of (i) \$26.5 million, (ii) \$600,000 for every 100 Domino's Pizza stores open in the contiguous United States, and (iii) a 2% increase as of each anniversary of the initial closing date of the Parent's March 16, 2012 recapitalization transaction. As of September 16, 2022, the Parent and certain of its subsidiaries were obligated to pay a total annual fee to the Manager in an amount equal to the sum of (i) \$14.0 million and (ii) \$4.7 thousand for every integer multiple of \$100.0 thousand in aggregate Retained Collections (excluding PULSE Maintenance Fees and Technology Fees), as defined in the related agreements. The Company's portion of the management fee was allocated based on its percentage of earnings before interest, taxes, depreciation and amortization and other, referred to as Segment Income, in comparison to the other subsidiaries of the Parent. Management believes this allocation method to be reasonable. Of the total required management fee, the Company expensed approximately \$22.4 million, \$30.5 million, and \$31.3 million for this Management Fee in 2023, 2022 and 2021, respectively.

Additionally, the management fee includes reimbursement of an allocation of certain operating expenses incurred by the Manager. The allocation of these expenses was based on a review of the historical relationships of the amounts and types of expenses incurred by the Manager.

Capital Contributions and Return of Capital

In 2022, the Company recorded a non-cash capital contribution of \$0.5 million associated with the issuance a note receivable in connection with the Parent's refranchising of certain assets to a franchisee.

(5) Purchase and Sale Agreement

In the fourth quarter of 2023, a subsidiary of the Company entered into a purchase and sale agreement with a developer to sell one of the Company's owned supply chain center buildings and the associated land for \$14.9 million. The Company recognized a gain on the disposal of the related assets of \$13.5 million.

FINANCIAL STATEMENTS**

Domino's Pizza LLC and Subsidiaries

**Consolidated Financial Statements
December 31, 2023 and January 1, 2023**

Report of Independent Auditors

To the Board of Managers of Domino's Pizza LLC

Opinion

We have audited the accompanying consolidated financial statements of Domino's Pizza LLC and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2023 and January 1, 2023, and the related consolidated statements of income and comprehensive income, of member's deficit and of cash flows for the three years ended December 31, 2023, including the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and January 1, 2023, and the results of its operations and its cash flows for the three years ended January 1, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Domino's Pizza LLC and Subsidiaries
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Tabular amounts in thousands, except percentages, share and per share amounts)

(1) Description of Business and Summary of Significant Accounting Policies

Description of Business

Domino's Pizza LLC ("DPLLC"), a Michigan limited liability company, is a wholly-owned subsidiary of Domino's, Inc. ("Domino's"). Domino's is the wholly-owned subsidiary of Domino's Pizza, Inc. (the "Parent"). DPLLC and its wholly-owned subsidiaries (collectively, the "Company") are primarily engaged in the following business activities: (i) retail sales of food through Company-owned Domino's Pizza stores; (ii) sales of food, equipment and supplies to franchised Domino's Pizza stores through Company-owned supply chain centers in the U.S. and Canada; (iii) receipt of royalties, advertising contributions and fees from U.S. Domino's Pizza franchisees; and (iv) receipt of royalties and fees from international Domino's Pizza franchisees.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of DPLLC and its subsidiaries. All significant intercompany accounts and transactions have been eliminated.

Fiscal Year

The Company's fiscal year ends on the Sunday closest to December 31. The 2023 fiscal year ended on December 31, 2023, the 2022 fiscal year ended on January 1, 2023 and the 2021 fiscal year ended on January 2, 2022. The 2023, 2022 and 2021 fiscal years each consisted of fifty-two weeks.

Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with original maturities of three months or less at the date of purchase. These investments are carried at cost, which approximates fair value.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents at December 31, 2023 included \$149.1 million of restricted cash and cash equivalents held for future principal and interest payments and other working capital requirements of the Company's asset-backed securitization structure, \$51.6 million of restricted cash equivalents held in a three-month interest reserve as required by the related debt agreements and \$0.2 million of other restricted cash. As of December 31, 2023, the Company also held \$88.2 million of advertising fund restricted cash and cash equivalents, which can only be used for activities that promote the Domino's Pizza brand.

Restricted cash and cash equivalents at January 1, 2023 included \$141.2 million of restricted cash and cash equivalents held for future principal and interest payments and other working capital requirements of the Company's asset-backed securitization structure, \$49.9 million of restricted cash equivalents held in a three-month interest reserve as required by the related debt agreements and \$0.2 million of other restricted cash. As of January 1, 2023, the Company also held \$143.6 million of advertising fund restricted cash and cash equivalents, which can only be used for activities that promote the Domino's Pizza brand.

Allowances for Credit Losses

The Company closely monitors accounts and notes receivable balances and estimates the allowance for credit losses. These estimates are based on historical collection experience and other factors, including those related to current market conditions and events. The Company's allowances for accounts and notes receivable have not historically been material.

The Company also monitors its off-balance sheet exposures under its letters of credit (Note 2), lease guarantees (Note 4) and surety bonds. Total conditional commitments under surety bonds were \$14.7 million in each of December 31, 2023 and January 1, 2023, respectively. None of these arrangements has had or is likely to have a material effect on the Company's results of operations, financial condition, revenues, expenses or liquidity.

Inventories

Inventories are valued at the lower of cost (on a first-in, first-out basis) or net realizable value. Inventories at December 31, 2023 and January 1, 2023 were comprised of the following:

	December 31, 2023	January 1, 2023
Food	\$ 72,525	\$ 74,052
Equipment and supplies	10,439	7,518
Inventories	<u>\$ 82,964</u>	<u>\$ 81,570</u>

Other Assets

Current and long-term other assets primarily include prepaid expenses such as insurance, taxes, deposits, notes receivable, software licenses, implementation costs for cloud-based computing arrangements, covenants not-to-compete and other intangible assets primarily arising from franchise acquisitions.

Other long-term assets included implementation costs for cloud-based computing arrangements (primarily related to certain enterprise systems) of \$11.1 million and \$11.9 million, net of accumulated amortization of \$6.2 million and \$3.5 million as of December 31, 2023 and January 1, 2023, respectively. Amortization expense for implementation costs for cloud-based computing arrangements was \$2.7 million, \$1.9 million and \$1.3 million in 2023, 2022 and 2021, respectively.

Property, Plant and Equipment

Additions to property, plant and equipment are recorded at cost. Repair and maintenance costs are expensed as incurred. Depreciation and amortization expense are recorded using the straight-line method over the estimated useful lives of the related assets. Estimated useful lives are generally as follows (in years):

Buildings	20
Leasehold and other improvements	5 – 15
Equipment	3 – 15

Depreciation and amortization expense on property, plant and equipment was \$52.4 million, \$51.8 million and \$48.6 million in 2023, 2022 and 2021, respectively.

Impairments of Long-Lived Assets

The Company evaluates the potential impairment of long-lived assets at least annually based on various analyses including, on an annual basis, the projection of undiscounted cash flows and whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. If the Company determines that the carrying amount of an asset (or asset group) may not be recoverable, the Company compares the net carrying value of the asset group to the undiscounted net cash flows to be generated from the use and eventual disposition of that asset group. For Company-owned stores, the Company performs this evaluation on an operating market basis, which the Company has determined to be the lowest level for which identifiable cash flows are largely independent of other cash flows. If the carrying amount of a long-lived asset exceeds the amount of the expected future undiscounted cash flows of that asset, the Company estimates the fair value of the assets. If the carrying amount of the asset exceeds the estimated fair value of the asset, an impairment loss is recognized, and the asset is written down to its estimated fair value. There were no triggering events in 2023, 2022 and 2021 and accordingly, the Company did not record any impairment losses on long-lived assets in 2023, 2022 and 2021.

Investments in Marketable Securities

Investments in marketable securities consist of investments in various mutual funds made by eligible individuals as part of the Company's deferred compensation plan (Note 7). These investments are stated at aggregate fair value, are restricted and have been placed in a rabbi trust whereby the amounts are irrevocably set aside to fund the Company's obligations under the deferred compensation plan. The Company classifies and accounts for these investments in marketable securities as trading securities.

Goodwill

The Company's goodwill amounts primarily relate to franchise store acquisitions. The Company performs its required impairment tests in the fourth quarter of each fiscal year and did not recognize any goodwill impairment charges in 2023, 2022 and 2021.

Capitalized Software

Capitalized software is recorded at cost and includes purchased, internally-developed and externally-developed software used in the Company's operations. Amortization expense is provided using the straight-line method over the estimated useful lives of the software, which range from one to ten years. Capitalized software amortization expense was \$28.2 million, \$28.5 million and \$24.3 million in 2023, 2022 and 2021, respectively.

Investment in DPC Dash

The Company holds a non-controlling interest in DPC Dash Ltd ("DPC Dash"), the Company's master franchisee in China that owns and operates Domino's Pizza stores in that market. Prior to March 28, 2023, the Company's investment in DPC Dash's senior ordinary shares, which were not in-substance common stock, represented an equity investment without a readily determinable fair value and was recorded at cost with adjustments for observable changes in prices resulting from orderly transactions for the identical or a similar investment of the same issuer or impairments.

On March 28, 2023, DPC Dash completed its initial public offering on the Hong Kong Exchange (HK: 1405), at which point the Company's 18,101,019 DPC Dash senior ordinary shares automatically converted to DPC Dash ordinary shares pursuant to the terms of the investment. The Company is required to hold the DPC Dash ordinary shares for at least 360 days from the date of the initial public offering of March 28, 2023. The Company accounts for its investment in DPC Dash as a trading security and records it at fair value at the end of each reporting period, with gains and losses recorded in other income or expense in its consolidated statements of income. Refer to Note 3 for fair value disclosures related to the Company's investment in DPC Dash.

Debt Issuance Costs

Debt issuance costs are recorded as a reduction to the Company's debt balance and primarily include the expenses incurred by the Company as part of the 2021, 2019, 2018, 2017 and 2015 Recapitalizations. Refer to Note 2 for a description of the 2021, 2019, 2018, 2017 and 2015 Recapitalizations. Amortization is recorded on a straight-line basis (which is materially consistent with the effective interest method) over the expected terms of the respective debt instrument to which the costs relate and is included in interest expense. Debt issuance cost amortization expense was \$5.5 million, \$5.6 million and \$7.5 million in 2023, 2022 and 2021, respectively.

Insurance Reserves

The Company has retention programs for workers' compensation, general liability and owned and non-owned automobile liabilities for certain periods prior to December 1998 and for periods after December 2001. The Company is generally responsible for up to \$2.0 million per occurrence under these retention programs for workers' compensation and general liability exposures. The Company is also generally responsible for between \$500,000 and \$5.5 million per occurrence under these retention programs for owned and non-owned automobile liabilities depending on the year. Total insurance limits under these retention programs vary depending on the year covered and range up to \$110.0 million per occurrence for general liability and owned and non-owned automobile liabilities and up to the applicable statutory limits for workers' compensation.

Casualty insurance reserves relating to the Company's retention programs are based on undiscounted actuarial estimates. These estimates are based on historical information and on certain assumptions about future events. Changes in assumptions for such factors as medical costs and legal actions, as well as changes in actual experience, could cause these estimates to change in the near term. The Company generally receives estimates of outstanding casualty insurance exposures from its independent actuary twice per year and differences between these estimated actuarial exposures and the Company's recorded amounts are adjusted as appropriate. The Company had reserves for these programs of \$56.3 million and \$57.6 million as of December 31, 2023 and January 1, 2023, respectively.

In addition, the Company maintains reserves for its share of employee health costs as part of the health care benefits offered to its employees. Reserves are based on estimated claims incurred that have not yet been paid, based on historical claims and payment lag times.

Contract Liabilities

Contract liabilities consist primarily of deferred franchise fees and deferred development fees. Deferred franchise fees and deferred development fees of \$5.3 million and \$5.5 million were included in current other accrued liabilities as of December 31, 2023 and January 1, 2023, respectively. Deferred franchise fees and deferred development fees of \$19.9 million and \$22.7 million were included in long-term other accrued liabilities as of December 31, 2023 and January 1, 2023, respectively.

Changes in deferred franchise fees and deferred development fees in 2023 and 2022 were as follows:

	Fiscal Year Ended	
	December 31, 2023	January 1, 2023
Deferred franchise fees and deferred development fees, beginning of period	\$ 28,225	\$ 29,694

The Company expects to recognize revenue associated with deferred franchise fees and deferred development fees as follows in the table below. The Company has applied the sales-based royalty exemption which permits exclusion of variable consideration in the form of sales-based royalties from the disclosure of remaining performance obligations.

Other Accrued Liabilities

Current and long-term other accrued liabilities primarily include accruals for income, sales, property and other taxes, legal reserves, operating expenses, dividends payable, deferred compensation, unredeemed gift cards and contract liabilities. The Company had \$38.9 million and \$29.2 million included in other current accrued liabilities related to unredeemed gift cards as of December 31, 2023 and January 1, 2023, respectively.

Foreign Currency Translation

The Company's foreign entities use their local currency as the functional currency. For these entities, the Company translates net assets into U.S. dollars at year end exchange rates, while income and expense accounts are translated at average annual exchange rates. Currency translation adjustments are included in accumulated other comprehensive income (loss) and foreign currency transaction gains and losses are included in determining net income.

Revenue Recognition

U.S. Company-owned stores revenues are comprised of retail sales of food through Company-owned Domino's Pizza stores located in the U.S. and are recognized when the items are delivered to or carried out by customers. Customer payments are generally due at the time of sale. Sales taxes related to these sales are collected from customers and remitted to the appropriate taxing authority and are not reflected in the Company's consolidated statements of income as revenue.

U.S. franchise royalties and fees are primarily comprised of royalties and fees from Domino's Pizza franchisees with operations in the U.S. Each franchisee is generally required to pay a 5.5% royalty fee on sales. In certain instances, the Company will collect lower rates based on area development agreements, sales initiatives, store relocation incentives and new store incentives. Royalty revenues are based on a percentage of franchise retail sales and are recognized when the items are delivered to or carried out by franchisees' customers. U.S. franchise fee revenue primarily relates to per-transaction technology fees that are recognized as the related sales occur. Payments for U.S. royalties and fees are generally due within seven days of the prior week end date.

Supply chain revenues are primarily comprised of sales of food, equipment and supplies to franchised Domino's Pizza stores located in the U.S. and Canada. Revenues from the sale of food are recognized upon delivery of the food to franchisees and payments for food purchases are generally due within 30 days of the shipping date. Revenues from the sale of equipment and supplies are recognized upon delivery or shipment of the related products to franchisees, based on shipping terms, and payments for equipment and supplies are generally due within 90 days of the shipping date. The Company also offers profit sharing rebates and volume discounts to its franchisees. Obligations for profit sharing rebates are calculated based on actual results of its supply chain centers and are recognized as a reduction to revenue. Volume discounts are based on annual sales. The Company estimates the amount that will be earned and records a reduction to revenue throughout the year.

International franchise royalties and fees are primarily comprised of royalties and fees from Domino's Pizza franchisees outside of the U.S. Royalty revenues are recognized when the items are delivered to or carried out by franchisees' customers. Franchise fees received from international franchisees are recognized as revenue on a straight-line basis over the term of each respective franchise store agreement, which is typically ten years. Development fees received from international master franchisees are also deferred when amounts are received and are recognized as revenue on a straight-line basis over the term of the respective master franchise agreement, which is typically ten years. International franchise fee revenues primarily relate to per-transaction technology fees that are recognized as the related sales occur. International franchise royalties and fees are invoiced at least quarterly, and payments are generally due within 60 days.

U.S. franchise advertising revenues are comprised of contributions from Domino's Pizza franchisees with operations in the U.S. to the Domino's National Advertising Fund Inc. ("DNAF"), the Company's consolidated not-for-profit subsidiary that administers the Domino's Pizza system's national and market level advertising activities in the U.S. Each franchisee is generally required to contribute 6.0% of their retail sales to fund national marketing and advertising campaigns (subject, in certain instances, to lower rates based on certain incentives and waivers). Beginning on March 27, 2023, the Company effectuated a temporary reduction of 0.25% to its standard 6.0% advertising contribution, which will expire on March 24, 2024. These revenues are recognized when items are delivered to or carried out by franchisees' customers. Payments for U.S. franchise advertising revenues are generally due within seven days of the prior week end date. Although these revenues are restricted to be used only for advertising and promotional activities to benefit franchised stores, the Company has determined there are not performance obligations associated with the franchise advertising contributions received by DNAF that are separate from its U.S. royalty payment stream and as a result, these franchise contributions and the related expenses are presented gross in the Company's consolidated statements of income.

Disaggregation of Revenue

Current accounting standards require that companies disaggregate revenue from contracts with customers into categories that depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors. The Company has included its revenues disaggregated in its consolidated statements of income to satisfy this requirement.

Supply Chain Profit-Sharing Arrangements

The Company enters into profit-sharing arrangements with U.S. and Canadian franchisees that purchase all of their food from the Company's supply chain centers. These profit-sharing arrangements generally offer Company-owned stores and participating franchisees 50% of the pre-tax profit from the Company's supply chain center operations. Profit-sharing obligations are recorded as a reduction to supply chain revenues in the same period as the related revenues and costs are recorded, and were \$138.7 million, \$110.0 million and \$148.3 million in 2023, 2022 and 2021, respectively.

Cost of Sales

Cost of sales consists primarily of U.S. Company-owned store and supply chain costs incurred to generate related revenues. Components of consolidated cost of sales primarily include food, labor, delivery, occupancy costs (including rent, telephone, utilities and depreciation) and insurance expense.

General and Administrative

General and administrative expense consists primarily of labor cost (including variable performance-based compensation expense and non-cash Parent equity-based compensation expense), depreciation and amortization, computer expenses, professional fees, travel and entertainment, rent, insurance and other corporate administrative costs.

Advertising

U.S. stores are generally required to contribute 6.0% of sales to DNAF (subject, in certain instances, to lower rates based on certain incentives and waivers). Beginning on March 27, 2023, the Company effectuated a temporary reduction of 0.25% to its standard 6.0% advertising contribution, which will expire on March 24, 2024.

U.S. franchise advertising costs are accrued and expensed when the related U.S. franchise advertising revenues are recognized, as DNAF is obligated to expend such revenues on advertising and other activities that promote the Domino's brand. U.S. franchise advertising costs expended by DNAF are included in U.S. franchise advertising expenses in the Company's consolidated statements of income. Advertising costs funded by Company-owned stores are generally expensed as incurred and are included in general and administrative expense. Contributions from Company-owned stores that have not yet been expended are included in advertising fund assets, restricted on the Company's consolidated balance sheets.

Advertising expense included \$473.2 million, \$485.3 million and \$479.5 million of U.S. franchise advertising expense in 2023, 2022 and 2021, respectively. Advertising expense also included \$33.5 million, \$33.8 million and \$42.1 million in 2023, 2022 and 2021, respectively, primarily related to advertising costs funded by U.S. Company-owned stores and other general marketing expenses which are included in general and administrative expense in the consolidated statements of income.

As of December 31, 2023, advertising fund assets, restricted of \$106.3 million consisted of \$88.2 million of cash and cash equivalents, \$14.0 million of accounts receivable and \$4.1 million of prepaid expenses. As of December 31, 2023, advertising fund cash and cash equivalents included \$2.1 million of cash contributed from U.S. Company-owned stores that had not yet been expended.

As of January 1, 2023, advertising fund assets, restricted of \$162.7 million consisted of \$143.6 million of cash and cash equivalents, \$13.1 million of accounts receivable and \$6.0 million of prepaid expenses. As of January 1, 2023, advertising fund cash and cash equivalents included \$4.8 million of cash contributed from U.S. Company-owned stores that had not yet been expended.

Leases

The Company leases certain retail store and supply chain center locations, vehicles, equipment and its corporate headquarters. The Company determines whether an arrangement is or contains a lease at contract inception. The majority of the Company's leases are classified as operating leases, which are included in operating lease right-of-use assets and operating lease liabilities in the Company's consolidated balance sheets. Finance leases are included in property, plant and equipment, current portion of long-term debt and long-term debt on the Company's consolidated balance sheets.

Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement date for leases exceeding 12 months. Minimum lease payments include only the fixed lease component of the agreement, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Lease terms may include options to renew when it is reasonably certain that the Company will exercise that option.

The Company estimates its incremental borrowing rate for each lease using a portfolio approach based on the respective weighted average term of the agreements. This estimation considers the market rates of the Company's outstanding collateralized borrowings and interpolations of rates outside of the terms of the outstanding borrowings, including comparisons to comparable borrowings of similarly rated companies with longer term borrowings.

Operating lease expense is recognized on a straight-line basis over the lease term and is included in cost of sales or general and administrative expense. Amortization expense for finance leases is recognized on a straight-line basis over the lease term and is included in cost of sales or general and administrative expense. Interest expense for finance leases is recognized using the effective interest method. Variable lease payments that do not depend on a rate or index, payments associated with non-lease components and short-term rentals (leases with terms less than 12 months) are expensed as incurred.

Contributions

During the normal course of business, the Company receives contributions from the Parent related to the proceeds received from the issuance of shares of the Parent's common stock and from the exercise of Parent stock options. The Company received contributions from the Parent related to proceeds from the exercises of Parent stock options of \$8.7 million, \$3.3 million and \$19.7 million in 2023, 2022 and 2021, respectively.

Distributions

During the normal course of business, the Company makes discretionary distributions to Domino's and the Parent allowing for the payment of certain taxes, declaration and payment of dividends and repurchases of shares of the Parent's common stock. The Company made discretionary distributions to the Parent of \$444.2 million, \$462.0 million and \$1.47 billion in 2023, 2022 and 2021, respectively.

Parent Stock Options and Other Parent Equity-Based Compensation Arrangements

The cost of all of the Parent's stock options, as well as other equity-based compensation arrangements, is reflected in the financial statements based on the estimated fair value of the awards (Note 8).

Supplemental Disclosures of Cash Flow Information

The Company paid interest of \$186.8 million, \$188.5 million and \$174.6 million during 2023, 2022 and 2021, respectively, on its Notes (Note 2). Cash paid for income taxes was \$136.3 million, \$134.4 million and \$106.3 million in 2023, 2022 and 2021, respectively.

The Company had non-cash investing activities related to accruals for capital expenditures of \$6.7 million, \$6.9 million and \$5.4 million at December 31, 2023, January 1, 2023 and January 2, 2022, respectively. As of December 31, 2023, the Company also had \$2.6 million in non-cash financing activity related to accruals for excise taxes on share repurchases of the Parent. The Company had \$0.1 million, \$0.1 million and \$0.4 million of non-cash investing activities related to lease incentives in 2023, 2022 and 2021 respectively.

New Accounting Pronouncements

Recently Adopted Accounting Standards

The Company has considered all new accounting standards issued by the Financial Accounting Standards Board ("FASB") and adopted the following accounting standards.

Accounting Standards Update ("ASU") 2020-04, Facilitation of the Effects of Reference Rate Reform on Financial Reporting, updated by *ASU 2022-06, Deferral of the Sunset Date of Topic 848 ("ASU 2022-06")*

In March 2020, the FASB issued *ASU 2020-04, Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting ("ASU 2020-04")*, which provides temporary optional expedients and exceptions for applying generally accepted accounting principles to contracts, hedging relationships and other transactions affected by reference rate reform. On May 15, 2023, certain of the Company's subsidiaries executed an amendment to the Company's 2021 variable funding notes to affect the transition from LIBOR to the Secured Overnight Financing Rate ("Term SOFR"), plus a spread adjustment. In connection with this contract amendment, the Company adopted ASU 2020-04 (as updated by ASU 2022-06) in the second quarter of 2023. The amendment to the Company's 2021 variable funding notes and the adoption of this accounting standard did not have a material impact on the Company's consolidated financial statements.

ASU 2022-03, Fair Value Measurement (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions

In June 2022, the FASB issued *ASU 2022-03, Fair Value Measurement (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions ("ASU 2022-03")*, which clarifies and amends the guidance of measuring the fair value of equity securities subject to contractual sale restrictions. ASU 2022-03 also requires disclosure of the fair value of equity securities subject to contractual sale restrictions, the nature and remaining duration of the restrictions and the circumstances that could cause a lapse in the restrictions. The Company's investment in DPC Dash (Note 5) is subject to contractual restrictions that prohibit the Company from selling the security for 360 days following DPC Dash's initial public offering. The Company early adopted ASU 2022-03 in the second quarter of 2023 and the adoption of this accounting standard did not have a material impact on the Company's consolidated financial statements.

Accounting Standards Not Yet Adopted

The Company has considered all new accounting pronouncements issued by the FASB. The Company has not yet adopted the following standard:

ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures

In December 2023, the FASB issued *ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which requires disclosure on an annual basis, a tabular reconciliation, including both reporting currency and percentages of specific categories of the effective tax rate reconciliation, including state and local income taxes (net of Federal taxes), foreign taxes, effects of changes in tax laws and regulations, effects of cross-border tax laws, tax credits, changes in valuation allowances, nontaxable and nondeductible items and changes in unrecognized tax benefits. Additional disclosures are required for certain items exceeding five percent of income from continuing operations multiplied by the statutory income tax rate. The standard also requires disclosure of income taxes paid between Federal, state and foreign jurisdictions, including further disaggregation of those payments exceeding five percent of the total income taxes paid.

ASU 2023-09 is effective for fiscal years beginning after December 15, 2025, and early adoption is permitted. The Company is currently evaluating the impact of this accounting standard on its consolidated financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company evaluated subsequent events occurring after December 31, 2023 through the date the consolidated financial statements were available to be issued on March 18, 2024. Based on this evaluation, the Company determined there were no subsequent events that required recognition or disclosure.

The 2019 Variable Funding Notes allowed for advances of up to \$200.0 million and issuance of certain other credit instruments, including letters of credit. The letters of credit are primarily related to our casualty insurance programs and certain supply chain center leases. Debt Issuance Costs and Transaction-Related Expenses

During 2022 and in connection with the issuance of the 2022 Variable Funding Notes, the Company capitalized \$1.6 million of financing costs, which are recorded in long-term other assets in the Company's consolidated balance sheets and are being amortized into interest expense over the remaining term of the 2022 Variable Funding Notes.

During 2021 and in connection with the 2021 Recapitalization, the Company incurred approximately \$2.8 million of net pre-tax expenses, primarily related to \$2.0 million in expense related to the write-off of debt issuance costs associated with the repayment of the 2017 Five-Year Notes and 2017 Floating Rate Notes. The Company also incurred approximately \$0.3 million of interest expense on the 2017 Five-Year Notes and the 2017 Floating Rate Notes subsequent to the closing of the Company's 2021 Recapitalization, but prior to the repayment of the 2017 Five-Year Notes and the 2017 Floating Rate Notes, resulting in the payment of interest on both the 2017 Five-Year Notes and the 2017 Floating Rate Notes as well as the 2021 Notes for a short period of time. Further, the Company incurred \$0.5 million of 2021 Recapitalization-related general and administrative expenses, including legal and professional fees. In connection with the 2021 Recapitalization, the Company recorded \$14.9 million of debt issuance costs, which are being amortized into interest expense over the respective terms of the 2021 Notes.

Guarantees and Covenants of the Notes

The Notes are guaranteed by certain subsidiaries of DPLLC and secured by a security interest in substantially all of the assets of the Company, including royalty and certain other income from all U.S. and international stores, U.S. supply chain income and intellectual property. The restrictions placed on the Company's subsidiaries require that the Company's principal and interest obligations have first priority and amounts are segregated weekly to ensure appropriate funds are reserved to pay the quarterly principal and interest amounts due. The amount of weekly cash flow that exceeds the required weekly principal and interest reserve is generally remitted to the Company in the form of a dividend. However, once the required obligations are satisfied, there are no further restrictions, including payment of dividends, on the cash flows of the subsidiaries.

The Notes are subject to certain financial and non-financial covenants, including a debt service coverage ratio calculation. The covenant requires a minimum coverage ratio of 1.75x total debt service to securitized net cash flow, as defined in the related agreements. The covenants, among other things, may limit the ability of certain of the Company's subsidiaries to declare dividends, make loans or advances or enter into transactions with affiliates. In the event that certain covenants are not met, the Notes may become partially or fully due and payable on an accelerated schedule. In addition, the Company may voluntarily prepay, in part or in full, the Notes at any time, subject to certain make-whole interest obligations.

While the Notes are outstanding, scheduled payments of principal and interest are required to be made on a quarterly basis. The payment of principal of the Notes may be suspended if the leverage ratio for the Company is less than or equal to 5.0x total debt, as defined, to adjusted EBITDA, as defined in the related agreements. Scheduled principal payments will resume upon failure to satisfy the aforementioned leverage ratio on an ongoing basis and no catch-up provisions are applicable.

As of the fourth quarter of 2020, the Company had a leverage ratio of less than 5.0x, and accordingly, did not make the previously scheduled debt amortization payment in the first quarter of 2021. Subsequent to the closing of the 2021 Recapitalization, the Company had a leverage ratio of greater than 5.0x and, accordingly, the Company resumed making the scheduled amortization payments on its then outstanding notes in the second quarter of 2021.

(3) Fair Value Measurements

Fair value measurements enable the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The Company classifies and discloses assets and liabilities carried at fair value in one of the following three categories:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

Fair Value of Cash Equivalents and Marketable Securities

The fair values of the Company's cash equivalents and investments in marketable securities are based on quoted prices in active markets for identical assets.

Fair Value of Investments

The Company holds a non-controlling interest in DPC Dash, the Company's master franchisee in China that owns and operates Domino's Pizza stores in that market.

As of December 31, 2023, the fair value of the Company's investment in DPC Dash is based on the active exchange quoted price for the equity security of HK\$61.95 per share. The Company recorded a total net adjustment to the carrying amount of its investment in DPC Dash of \$17.7 million in 2023, with the gain recorded in other income in its consolidated statements of income. As of January 1, 2023, the fair value of the Company's investment in DPC Dash was not readily determinable and was categorized in Level 3 of the fair value hierarchy. The Company did not record any adjustments to the carrying amount of its investment in 2022. In 2021, the Company recorded positive adjustments of \$2.5 million and \$34.3 million resulting from the observable change in price from the valuation of the additional investments made by the Company during the 2021 fiscal year. The Company transferred its investment from Level 3 to Level 1 on March 28, 2023, concurrent with DPC Dash's initial public offering.

The following table summarizes the carrying amounts and fair values of certain assets at December 31, 2023:

Fair Value of Debt

The estimated fair values of the Company's Notes (Note 2) are classified as Level 2 measurements, as the Company estimates the fair value amount by using available market information. The Company obtained quotes from two separate brokerage firms that are knowledgeable about the Company's Notes and, at times, trade these Notes. The Company also performed its own internal analysis based on the information gathered from public markets, including information on notes that are similar to those of the Company. However, considerable judgment is required to interpret market data to estimate fair value. Accordingly, the fair value estimates presented are not necessarily indicative of the amount that the Company or the noteholders could realize in a current market exchange. The use of different assumptions and/or estimation methodologies may have a material effect on the estimated fair values stated below.

Management estimated the approximate fair values of the Notes as follows:

	December 31, 2023		January 1, 2023	
	Principal Amount	Fair Value	Principal Amount	Fair Value
2015 Ten-Year Notes	\$ 744,000	\$ 727,632	\$ 752,000	\$ 717,408

In the fourth quarter of 2023, a subsidiary of the Company entered into a purchase and sale agreement with a developer to sell one of the Company's owned supply chain center buildings and the associated land for \$14.9 million. Concurrently, a separate subsidiary of the Company entered into a lease agreement with the developer to construct a new supply chain center which includes both the existing building as well as an adjoined new construction on the adjacent properties owned by the developer.

The leaseback of the Company's building on a standalone basis for the construction period plus the 20-year term using the discount rate implicit in the lease resulted in a finance lease classification, and therefore, the transaction was accounted for as a failed sale leaseback. The Company retained the existing land and buildings on its consolidated balance sheet which are included in property, plant and equipment and the Company continues to depreciate the building as if it owned it. The \$14.9 million cash proceeds from the transaction were recorded as a financing obligation which is classified as long-term debt in the Company's consolidated balance sheet and will be amortized into principal and interest expense over the term of the lease agreement. The \$119.5 million of future minimum rent payments associated with the new construction on a standalone basis is included in the disclosure for material leases not yet commenced, below.

As of December 31, 2023, in addition to the lease for the new supply chain construction on a standalone basis discussed above, the Company also had additional leases for certain supply chain and U.S. Company-owned store vehicles that had not yet commenced. The total estimated future minimum rental commitments for all of these arrangements is \$146.3 million. These leases are expected to commence in 2024 and 2025 with lease terms of up to 20 years. These undiscounted amounts are not included in the table above.

The Company has guaranteed lease payments related to certain franchisees' lease arrangements. The maximum amount of potential future payments under these guarantees was \$18.5 million and \$24.5 million as of December 31, 2023 and January 1, 2023, respectively. The Company does not believe these arrangements have or are likely to have a material effect on its results of operations, financial condition, revenues or expenses, capital expenditures or liquidity.

(5) Commitments and Contingencies

The Company is a party to lawsuits, revenue agent reviews by taxing authorities and legal proceedings, of which the majority involve workers' compensation, employment practices liability, general liability and automobile and franchisee claims arising in the ordinary course of business. The Company records legal fees associated with loss contingencies when they are probable and reasonably estimable. Litigation is subject to many uncertainties, and the outcome of individual litigated matters is unpredictable. These matters could be decided unfavorably and could require the Company to pay damages or make other expenditures in amounts or a range of amounts that cannot be estimated with accuracy. However, the Company does not believe these matters, individually or in the aggregate, will have a material adverse effect on the business or financial condition of the Company, and the Company expects that the established accruals adequately provide for the estimated resolution of such claims.

(6) Income Taxes

The Parent files a consolidated Federal income tax return which includes the Company's operations. For financial reporting purposes, the Company accounts for income taxes as if it files its own consolidated Federal income tax return.

Income before provision for income taxes in 2023, 2022 and 2021 consisted of the following:

	<u>2023</u>	<u>2022</u>	<u>2021</u>
U.S.	\$ 640,255	\$ 560,115	\$ 611,267

Income before provision for income taxes	<u>\$ 652,440</u>	<u>\$ 572,833</u>	<u>\$ 625,705</u>

The differences between the U.S. Federal statutory income tax provision (using the statutory rate of 21%) and the Company's consolidated provision for income taxes for 2023, 2022 and 2021 are summarized as follows:

	<u>2023</u>	<u>2022</u>	<u>2021</u>

Provision for income taxes	<u>\$ 133,322</u>	<u>\$ 120,570</u>	<u>\$ 115,238</u>

Excess tax benefits from Parent equity-based compensation activity resulted in a decrease in the Company's provision for income taxes of \$3.4 million, \$2.2 million and \$18.9 million in 2023, 2022 and 2021, respectively, primarily due to the recognition of excess tax benefits for options exercised and the vesting of equity awards.

The components of the 2023, 2022 and 2021 consolidated provision for income taxes were as follows:

	<u>2023</u>	<u>2022</u>	<u>2021</u>

Net deferred income taxes	<u>\$ 13,680</u>	<u>\$ (5,835)</u>

Realization of the Company's deferred tax assets is dependent upon many factors, including, but not limited to, the Company's ability to generate sufficient taxable income. Although realization of the Company's deferred tax assets is not assured, on an ongoing basis, management assesses whether it remains more likely than not the deferred tax assets will be realized.

As of December 31, 2023 and January 1, 2023, the Company had total foreign tax credits of \$16.8 million and \$13.5 million, respectively, which were fully offset with a corresponding valuation allowance. As of December 31, 2023 and January 1, 2023, the Company also had valuation allowances related to interest deductibility in separately filed states of \$1.4 million and \$1.5 million, respectively. Management believes the remaining deferred tax assets will be realized. For financial reporting purposes, the Company's investment in foreign subsidiaries does not exceed its tax basis. Therefore, no deferred income taxes have been provided. In 2023 and 2021, the Company recorded certain unrealized gains on its non-controlling interest in DPC Dash as disclosed in Note 3, and accordingly, has also recorded a deferred tax liability representing the book basis over tax basis related to these unrealized gains.

The Company recognizes the financial statement benefit of a tax position if it is more likely than not that the position is sustainable, based solely on its technical merits and consideration of the relevant taxing authorities widely understood administrative practices and precedents. For tax positions meeting the "more likely than not" threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company recognizes accrued interest related to unrecognized tax benefits in interest expense and recognizes penalties in income tax expense.

A reconciliation of the beginning and ending amount of unrecognized tax benefits as of December 31, 2023, January 1, 2023 and January 2, 2022 is as follows:

	December 31, 2023	January 1, 2023	January 2, 2022
Unrecognized tax benefits at beginning of period	\$ 3,902	\$ 7,690	\$ 3,318

As of January 1, 2023, the amount of unrecognized tax benefits was \$3.9 million of which, if ultimately recognized, \$3.6 million would be recognized as an income tax benefit and reduce the Company's effective tax rate. As of January 1, 2023, the Company had \$0.3 million of accrued interest and no accrued penalties.

There are currently no Internal Revenue Service audits in progress for the Company. The Company continues to be under examination by certain states. The Company believes appropriate provisions for all outstanding tax issues have been made for all jurisdictions and all open years.

(7) Employee Benefits

The Company has a retirement savings plan which qualifies under Internal Revenue Code Section 401(k). All employees of the Company who have completed 1,000 hours of service and are at least 18 years of age are eligible to participate in the plan. Beginning in fiscal 2024, employees aged 18 or older who have also worked at least 60 days for the Company will be eligible to participate in the plan. The plan requires the Company to match 100% of the first 5% of each employee's elective deferrals. The Company's matching contributions are made in the form of cash and vested immediately. The expenses incurred for Company contributions to the plan were \$12.5 million, \$12.4 million and \$12.9 million in 2023, 2022 and 2021, respectively.

The Company has established a non-qualified deferred compensation plan available for certain key employees. Under this self-funding plan, the participants may defer up to 40% of their base salary and up to 80% of their bonus compensation. The participants direct the investment of their deferred compensation within several investment funds. The Company is not required to contribute and did not contribute to this plan during 2023, 2022 and 2021.

The Parent has an employee stock payroll deduction plan (the "ESPDP"). Under the ESPDP, eligible employees may deduct up to 15% of their eligible wages to purchase the Parent's common stock at 85% of the market price of the stock at the purchase date. The ESPDP requires employees to hold their purchased common stock for at least one year. The Company purchases Parent common stock on the open market for the ESPDP at the current market price. There were 18,439 shares, 17,378 shares and 16,382 shares of Parent common stock in 2023, 2022 and 2021, respectively, purchased on the open market for participating employees at a weighted-average price of \$341.76 in 2023, \$391.23 in 2022 and \$424.90 in 2021. The expenses incurred under the ESPDP were \$0.9 million, \$1.0 million, and \$1.0 million in 2023, 2022 and 2021, respectively.

(8) Equity Incentive Plans

The Parent's current equity incentive plan, named the Domino's Pizza, Inc. 2004 Equity Incentive Plan (the "2004 Equity Incentive Plan"), benefits certain of the Company's employees and members of the Parent's Board of Directors. As of December 31, 2023, the maximum number of shares that may be granted under the 2004 Equity Incentive Plan is 15,600,000 shares of voting Parent common stock of which 2,172,419 shares were authorized for grant but have not been granted.

The cost of all employee Parent stock options, as well as other equity-based compensation arrangements, is reflected in the consolidated statements of income based on the estimated fair value of the awards and is amortized over the requisite service period of each award. All non-cash equity-based compensation expense amounts are recorded in general and administrative expense. The Parent accounts for forfeitures as they occur.

The Company recorded total non-cash equity-based compensation expense of \$37.5 million, \$28.7 million and \$28.7 million in 2023, 2022 and 2021, respectively. The Company recorded a deferred tax benefit related to non-cash equity-based compensation expense of \$6.3 million, \$4.9 million and \$4.3 million in 2023, 2022 and 2021, respectively.

Parent Stock Options

As of December 31, 2023, the number of Parent stock options granted and outstanding under the 2004 Equity Incentive Plan was 686,348 options. Parent stock options granted in fiscal 2014 through fiscal 2020 were granted with an exercise price equal to the market price at the date of the grant, expire ten years from the date of grant and generally vest over four years from the date of grant, generally subject to the holder's continued employment. Parent stock options granted after fiscal 2020 were granted with an exercise price equal to the market price at the date of the grant, expire ten years from the date of grant and generally vest over three years from the date of grant, generally subject to the holder's continued employment. Additionally, all stock options granted become fully exercisable upon vesting. These awards also contain provisions for accelerated vesting upon the retirement of holders that have achieved specific service and age requirements.

This unrecognized compensation cost is expected to be recognized over a weighted average period of 1.9 years.

Management estimated the fair value of each Parent option grant made during 2023, 2022 and 2021 as of the date of the grant using the Black-Scholes option pricing method. The risk-free interest rate is based on the estimated expected life and is estimated based on U.S. Treasury Bond rates as of the grant date. The expected life is based on several factors, including, among other things, the vesting term and contractual term as well as historical experience. The expected volatility is based principally on the historical volatility of the Parent's share price. Option valuation models require the input of highly subjective assumptions and changes in assumptions can significantly affect the estimated fair value of the Parent's stock options.

The weighted average assumptions used in estimating the fair value of each Parent stock option granted in 2023, 2022 and 2021 using the Black-Scholes option pricing method are presented in the following table:

	2023	2022	2021
Risk-free interest rate	4.0%	2.0%	1.0%
Expected life	5.25 years	5.25 years	5.25 years
Expected volatility	32.0%	31.0%	30.0%
Expected dividend yield	1.6%	1.1%	1.0%
Weighted average fair value per stock option	\$ 91.25	\$ 109.05	\$ 93.46

Other Equity-Based Compensation Arrangements

The Parent granted 4,553 units, 3,792 shares and 3,292 shares of restricted stock in 2023, 2022 and 2021, respectively, to members of the Parent's Board of Directors. Restricted stock units and awards granted to members of the Parent's Board of Directors were granted with a fair value equal to the market price of the Parent's common stock on the grant date and generally vest one year from the date of grant, generally subject to the director's continued service. These awards also contain provisions for accelerated vesting upon the retirement eligibility of holders that have achieved specified service and age requirements. The Company recorded total non-cash equity-based compensation expense of \$1.6 million in 2023 and \$1.4 million in each of 2022 and 2021, related to these restricted stock grants. As of December 31, 2023, there was \$0.1 million of total unrecognized compensation cost related to these restricted stock grants.

The Parent granted 125,285 units, 81,739 units and 49,963 units of restricted stock in 2023, 2022 and 2021, respectively, to certain employees of the Company. These restricted stock units were granted with a fair value equal to the market price of the Parent's common stock on the grant date. These restricted stock units are generally separated into three tranches and have time-based vesting conditions with the last tranche of the award vesting three years from the grant date, generally subject to the holder's continued employment. These awards generally also contain provisions for accelerated vesting upon the retirement of holders that have achieved specified service and age requirements. The Company recorded total non-cash equity-based compensation expense of \$14.1 million, \$11.1 million and \$5.4 million in 2023 and 2022, respectively, related to these restricted stock units. As of December 31, 2023, there was \$24.9 million of total unrecognized compensation cost related to these restricted stock units.

The Parent granted 37,677 units, 8,921 units and 6,546 units of performance-based restricted stock in 2023, 2022 and 2021, respectively, to certain employees of the Company. These restricted stock units were granted with a fair value equal to the market price of the Parent's common stock on the grant date, certain of which were adjusted for the estimated fair value of the market condition included in the award. These performance-based restricted stock units may vest three years from the date of grant, generally subject to the holder's continued employment, and have time- and performance-based vesting conditions which provide for potential payouts of the target award amount between zero percent and two hundred percent, based on the Parent's three-year achievement as compared to the specified target performance conditions. Certain of the performance-based restricted stock units also include provisions for a potential modifier (upward or downward) based on the Parent's cumulative three-year common stock total shareholder return performance relative to that of a pre-established peer group. These awards contain provisions for full or partial vesting if holder retires during the performance period, after achieving specified service and age requirements. For the awards with a market condition, Management estimated the fair value of each performance-based restricted stock unit using a Monte-Carlo simulation pricing method. The risk-free interest rate is based on the estimated expected life and is estimated based on U.S. Treasury Bond rates as of the grant date. The Monte-Carlo simulation also includes assumptions for expected volatility based principally on the historical volatility of the Parent's share price, as well as the correlation of the Parent's share price as compared to that of the pre-established peer group. The Company recorded total non-cash equity-based compensation expense of \$12.8 million, \$3.4 million and \$1.4 million in 2023, 2022 and 2021, respectively, related to these performance-based restricted stock units. As of December 31, 2023, there was \$24.2 million of total estimated unrecognized compensation cost based on current attainment projections related to these performance-based restricted stock units.

The weighted average assumptions used in estimating the fair value of the performance-based restricted stock units granted in 2023, 2022 and 2021 that include a market condition using the Monte-Carlo simulation pricing method are presented in the following table:

	<u>2023</u>	<u>2022</u>	<u>2021</u>
Risk-free interest rate	4.3%	1.9%	0.3%
Expected life	2.80 years	2.81 years	2.75 years
Expected volatility	30.2%	33.2%	33.9%
Weighted average fair value per performance-based restricted stock unit \$	306.19	\$ 396.87	\$ 375.85

The Parent previously granted performance-based restricted stock to certain employees of the Company. These performance-based restricted stock awards are separated into four tranches and have time-based and performance-based vesting conditions with the last tranche vesting four years from the issuance date, generally subject to the holder's continued employment. These awards contain provisions for full or partial vesting if holder retires during the performance period, after achieving specified service and age requirements. These awards were considered granted for accounting purposes when the performance target was established, which was generally in the fourth quarter of each year. The Company recorded total non-cash equity-based compensation expense of \$3.2 million, \$8.0 million and \$12.7 million in 2023, 2022 and 2021, respectively, related to these awards. As of December 31, 2023, there was an estimated \$0.5 million of total unrecognized compensation cost related to performance-based restricted stock.

In 2018, the Parent granted 28,570 shares of restricted stock to two executives of the Company. These awards had a fair value equal to the market price of the Parent's common stock on the grant date and vested in 2022, four years from the date of the grant. The Company recorded total non-cash equity-based compensation expense of \$0.6 million in 2022 and \$2.1 million in 2021 related to these restricted stock awards.

Activity related to restricted stock awards and units and performance-based restricted stock awards and units awarded under the 2004 Equity Incentive Plan is summarized as follows in the table below. The unrecognized compensation cost related to restricted stock awards and units and performance-based restricted stock awards and units is expected to be recognized over a weighted average period of 2.3 years.

1. INTRODUCTION.

We are in the business of franchising retail outlets specializing in the sale of pizza and other authorized food and beverage products and featuring carry-out and delivery services. We have obtained the license to use and the right to sublicense the use of certain valuable trademarks, service marks and commercial symbols in connection with the operation of Domino's Pizza Stores including the mark "Domino's Pizza" (the "Marks").

You have applied to us for a franchise to operate a Domino's Pizza Store utilizing the Domino's System and the Marks at the location identified in this Agreement. Your application has been approved by us in reliance upon all of the representations made in your application including those concerning your financial resources, your other investments and interests and the manner in which the franchise will be owned and operated.

You understand and agree that the terms and conditions contained in this Agreement are necessary to maintain our high standards of quality and service and the uniformity of those standards at all Domino's Pizza Stores.

2. GRANT AND TERM OF FRANCHISE.

2.1 Grant.

Subject to the terms of this Agreement, DPF grants to you a franchise to operate a Domino's Pizza Store (the "Store") under the Domino's System and a sublicense to use the Marks in the operation of the Store at the following location: Domino's Pizza Store # located at:

2.2 Term of Franchise.

The term of this Agreement shall be for a period of ten (10) years, commencing on the date of opening of the Store (or if this Agreement is being signed in connection with a renewal or transfer of the franchise, commencing on the day following the expiration or termination of the previous franchise agreement, as the case may be).

3. RENEWAL OF FRANCHISE.

3.1 Option to Renew.

You may, at your option, renew the franchise for one additional ten (10) year term by signing a new franchise agreement with us, provided:

(a) you are not in material default of any provision of this Agreement or any other agreement with us or our subsidiaries or affiliates or any other creditor or supplier of the Store and have substantially complied with the terms and conditions of these agreements during their terms. For purposes of this Section 3.1(a), "substantial compliance" shall mean that you have not (i) breached or violated the terms of this Agreement on six (6) or more occasions during the term of this Agreement or on three (3) or more occasions during the last twenty four (24) months prior to the expiration of the term of this Agreement regardless of whether or not you cured any such breach or violation, or (ii) engaged in any conduct or act described in Section 18.2.1 of this Agreement at any time during the term of this Agreement regardless of whether or not you cured any such breach or violation;

(b) you are able to maintain possession of the Store premises or to secure and develop a suitable alternative site approved by us;

(c) you refurbish the site as provided in Sections 9 and 15 of this Agreement or, if we require, agree to relocate the premises of the Store to a location approved by us and develop the premises in accordance with our then current requirements. If we require you to relocate the premises of the Store, you will be entitled to credit the costs of developing the new premises toward any refurbishing obligations you may have under the franchise agreement executed in connection with such renewal; and

The option to renew is personal to you and may not be exercised by any other person or entity without our prior written consent.

You understand that the renewal franchise agreement may provide for higher royalty fees and greater expenditures for advertising and promotion than are provided for in this Agreement and may contain other terms materially different from the terms of this Agreement. The area of primary responsibility of the Store will not be modified unless such modification is consistent with criteria then in effect for comparable market areas. There will be no initial franchise or similar fee charged upon a renewal of the franchise. You will also be entitled to renew the franchise at the end of the renewal term in accordance with the renewal provisions, if any, contained in the franchise agreement executed by you in connection with your renewal of the franchise.

3.3 Notification of Expiration.

Provided you are in compliance with this Agreement, including the provisions of Section 3.1, we will send all agreements relating to renewal of the franchise for your review and execution approximately six (6) months prior to the expiration of this Agreement along with a notification of the expiration of this Agreement. Your failure to return these agreements to us within thirty (30) days of receipt will be deemed an election by you not to renew this Agreement. Our notice will also state what actions, if any, you must take to correct the deficiencies in your operation of the Store or whether we will require you to relocate or refurbish the premises of the Store as provided in Section 3.1 above. We also will specify the time period in which these deficiencies must be corrected or by which the refurbishing or relocation and development of the new premises must be completed, provided that, in the event that the then current term of your lease or any renewal lease does not expire concurrently with the expiration of this Agreement, we will not require you to complete a relocation of your Store and development of the new premises until the expiration of the then current term of your lease or any renewal lease. If we require you to relocate the Store, our notice will identify the reasons for requiring relocation. Renewal of the franchise will be conditioned on your continued compliance with all the terms and conditions of this Agreement and all other agreements with us and our affiliates and subsidiaries and all other creditors and suppliers of the Store up to the date of expiration.

4. TERRITORIAL RIGHTS AND OBLIGATIONS.

4.1 Area of Primary Responsibility.

The following geographic territory will be your Area of Primary Responsibility:

A one (1) mile radius from the store located at:

Provided you are in compliance with the terms of this Agreement, and except as otherwise provided in Section 4.3, we will not operate or grant a franchise for the operation of a Domino's Pizza Store during the term of this Agreement whose area of primary responsibility overlaps your Area of Primary Responsibility.

4.2 Delivery Service.

We shall have the right to prescribe from time to time the boundaries outside of which the Store may not offer delivery service. You further understand that in revising these boundaries we may in our discretion make adjustments to the size of your delivery and service area to account for, among other things, changing market conditions, population changes and other relevant considerations, including but not limited to the reasons contained in Section 4.3. You further agree that the Store will at all times during approved hours of operation offer delivery service to all customers located within your delivery and service area, provided, however, you are not required to offer delivery service in areas which might present a danger to you or your employees. However, you will remain solely responsible for investigating and reviewing periodically, but not less than annually, any decisions by you to limit your delivery area for safety reasons, subject to procedures and standards we may prescribe from time to time, and for obtaining and maintaining information that supports your decisions to limit delivery service. You understand and agree that you may not change the boundaries of your delivery and service area without our prior written consent. When making deliveries, you and your employees must strictly comply with all laws, regulations and rules of the road and due care and caution in the operation of delivery vehicles.

4.3 Exclusions.

Notwithstanding the provisions of Sections 4.1 and 4.2, enclosed malls, institutions (such as hospitals), airports, parks (including theme parks), sports arenas, convention centers and other facilities or venues where events are scheduled shall be excluded from your Area of Primary Responsibility and your delivery and service area, unless otherwise specified by us in writing. We retain the right on our behalf and behalf of our affiliates to open a Domino's Pizza store at any of these facilities or venues wherever the facility or venue is located, in order to service the facility or venue, or grant franchises or licenses for others to do so; provided, however, that you shall have the first option to operate the store and to service such facility or venue if you meet the legal and/or venue requirements, subject to your completion of our approval process and satisfaction of our conditions for approval. You shall be granted a reasonable period of time to consider the option. "Reasonable" shall be defined on a case-by-case basis by reference to the time allowed by the venue and competitive circumstances. In the event we decide to open a Domino's Pizza store at any of these facilities or venues; or grant a franchise or license for others to do so, the delivery and service area of the Store shall be automatically adjusted to exclude such facility or venue.

5. OPENING ADVERTISING AND PROMOTION EXPENDITURE.

If you (or the Controlling Person if you are an Approved Entity) are opening your (or his or her) first Domino's Pizza Store, you must submit to us proof no later than ninety (90) days after opening of the Store that you have spent at least Three Thousand Dollars (\$3,000.00) on grand opening advertising and promotion.

6. ROYALTY FEE AND OTHER CHARGES.

6.1 Amount and Payment.

During the term of the franchise, you agree to pay us a royalty fee of five and one-half percent (5-1/2%) of the weekly royalty sales of the Store. This fee must be paid by Thursday of each week on royalty sales for the week ending on the preceding Sunday. Payment must be made by electronic funds transfer as provided in Section 6.4 below or as we may otherwise designate from time to time.

6.2 Definition of Royalty Sales.

The term "royalty sales" means the total receipts from all sales by the Store of all pizza, beverages and other products or services authorized for sale at the Store or at any approved off-site location but exclusive of sales or equivalent taxes, coupon and similar discounts, and beverage container deposits approved by us. Premium or similar promotional items must be included in computing royalty sales unless these items have been sold at or below cost by the Store. Premium or similar promotional items shall not be deemed to include any food or beverage item unless otherwise specified by us.

6.3 Interest on Late Payments.

All royalty fees, advertising contributions and all other amounts owed to us pursuant to this Agreement will bear interest after the due date at the rate of one and one-half percent (1½%) per month or at the highest legal rate for open account business credit in the state in which the Store is located, whichever is lower.

6.4 Electronic Funds Transfer.

You must participate in an electronic funds transfer program under which royalty fees and advertising contribution payments are deducted or paid electronically from your bank account. We may permit you to initiate payments via a system established or approved by us, or at our option, require you to authorize us to initiate debit and/or credit entries and/or credit correction entries to your Store bank operating account (the "Account") for payment of royalty fees and advertising contributions on forms we prescribe. In the event you are required to authorize us to initiate debit entries, you agree to make the funds available in the Account for withdrawal by electronic transfer no later than the due date for payment. The amount actually transferred from the Account to pay royalty fees and advertising contributions will be based on the Store's royalty sales reported to us. If you have not reported royalty sales of the Store to us for any reporting period, we will be authorized to debit the Account in an amount equal to the royalty fee transferred

from the Account for the last reporting period for which a report of the royalty sales of the Store was provided to us. If at any time we determine that you have under-reported the royalty sales of the Store or underpaid royalty fees or advertising contributions due us under this Agreement, we will be authorized to initiate immediately a debit to the Account in the appropriate amount in accordance with the foregoing procedure, including interest as provided for in this Agreement. An overpayment will be credited to the Account through a credit effective as of the first reporting date after we and you determine that such credit is due. Our use of electronic funds transfers as a method of collecting royalty fees and advertising contributions due us does not constitute a waiver of any of your obligations to provide us with weekly sales reports as provided in Section 14.2 nor shall it be deemed a waiver of any of the rights and remedies available to us under this Agreement. If, for any reason other than your fault or neglect, the electronic funds transfer program in which we require you to participate is not functioning so as to allow you to pay the amounts due under this Agreement to us, you may seek permission from us to make payment by mail for the period of time that the electronic funds transfer system is not functioning. If we grant permission for you to make payment by mail, we will specify the day by which payment must be postmarked and paid for any week on royalty sales for the week ending on the preceding Sunday.

6.5 Application of Payments.

When we receive a payment from you, we have the right in our sole discretion to apply it as we see fit to any past due indebtedness of yours due to us or our affiliates, whether for royalties, advertising contributions, purchases, interest, or for any other reason, regardless of how you may designate a particular payment to be applied. In addition, we may offset any amount otherwise due under any discount or rebate program against any amount owed to us.

7. STORE LOCATION.

7.1 Location and Use.

You may operate the Store only at the location specified in Section 2.1 and you may not relocate the Store except with our prior written consent. The Store may only be used for the operation of a Domino's Pizza Store and other related activities approved by us in writing. You shall not allow the premises of the Store to be used for any purpose which in our judgment, adversely affects the reputation of the Store or the goodwill associated with the Marks or involves dishonesty, fraud, deceit, illegal conduct, misrepresentation, or moral turpitude.

7.2 Relocation; Damage, or Condemnation.

In the event the Store is destroyed or rendered unusable, we may grant permission for the Store to be repaired, restored or reconstructed at the existing location or any other agreed upon location. Any repair, restoration, reconstruction or relocation will be at your sole expense. The Store, whether we grant permission for you to repair, restore, reconstruct or relocate, must be open and operating no later than six (6) months after its closure. In addition, within ten (10) days of vacating the Store premises, you must make such reasonable modifications to the exterior and interior of the Store (including signage, menu boards, job aids, product photos and the like) as we require to fully eliminate its identification and appearance as a Domino's Pizza Store. If you fail or refuse to fully de-identify the Store to the extent and in the manner required by this Agreement,

we may, at our option and in addition to other rights and remedies we may have, make the modifications that are contemplated by this Agreement on your behalf and you agree to promptly pay and reimburse us on demand for any costs incurred by us including, without limitation, the proportionate compensation of our employees who devote time and render services in the de-identification of the Store.

7.3 Location and Operation of Commissary.

Any commissary operated by you in connection with the Store may be located only at the premises of the Store or other premises approved by us in writing and must be operated in accordance with commissary standards prescribed by us from time to time. Such commissary must be owned by you and operated by you and your employees exclusively for the benefit of the Store or other Domino's Pizza Stores owned by you and may not be owned or operated by any other person or entity without our prior written consent. You may not open or operate a commissary unless you have received prior written notification from us that you have satisfied in advance all of our requirements for the operation of a commissary, including all required training of commissary personnel.

7.4 Store Lease.

Unless otherwise agreed to by us in writing, if the property on which the Store is located is not owned by you, you must maintain a lease for the site of the Store (including the lease for the site of the commissary, if any, to be operated by you in connection with the Store) which shall contain such terms as we specify from time to time for all leases of a similar type. Each original lease, renewal leases, and lease addenda and modification of any type must be submitted to us prior to execution for our examination and approval that it contains the terms we require in all leases. You must provide us with a copy of the executed lease, any renewal lease, and any addenda and modification within thirty (30) days after execution by you and the landlord.

7.5 Assumption of Lease on Termination or Expiration.

Upon the termination or expiration of the franchise for any reason, other than a termination by you for cause, we or our designee shall have the right to assume your status and replace you as lessee. You agree to execute an assignment of your interest in the lease promptly upon our request. Upon exercise of our right to assume, your status as lessee, and your compliance with the other provisions of this section, you will be fully released and discharged from all liability for rent and all other future liability under the lease (although not from any liability for unpaid rent or any other then existing liability to the lessor under the lease, including, without limitation, any damages to the premises or restoration costs). If we exercise our right to assume your lease, we will indemnify you and hold you harmless against any claim made for future rent or other future liability under the lease. We will also notify you within ninety (90) days of obtaining your written assignment of your interest in the lease of any damages to the premise or restoration costs for which you are liable or responsible.

7.6 Ownership of Store Premises.

If you, or any entity that you own or control, owns any interest in the real estate where

the Store is located, you agree to furnish to us upon request, a copy of the deed and any other document relating to the title to the real estate and a copy of your owner's policy of title insurance.

8. STORE DEVELOPMENT.

8.1 Development and Construction.

You agree that promptly after obtaining possession of the site for the Store you will:

(a) cause to be prepared and submit for approval by us a site plan and any modifications to our basic architectural plans and specifications for the Store, including requirements for dimensions, exterior design, materials, interior layout, equipment, fixtures, furniture, signs, and decorating. You understand that you may modify our basic plans and specifications only to the extent required to comply with applicable ordinances, building codes and permit requirements and only with our prior written approval;

(b) obtain all required zoning changes; all required building, driveway, utility, health, sanitation, and sign permits and any other required permits;

(c) purchase or lease fixtures, furniture and signs meeting our specifications or requirements and, if we so require, from an approved vendor or vendors designated by us;

(d) acquire through purchase, lease and/or license the Brand Technology as required by Section 15.9.1.

(e) complete the construction and/or remodeling, equipment, fixture, furniture and sign installation and decorating of the Store in full and strict compliance with plans and specifications approved by us and all applicable ordinances, building codes and permit requirements;

(f) obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services; and,

(g) fully investigate and become familiar with the Store's delivery area and its boundaries.

8.2 Equipment, Fixtures, Furniture and Signs.

We will provide you with specifications for pizza, other authorized food and beverage preparation, dispensing, storage and display equipment, delivery and related motor vehicles, other equipment, fixtures, furniture, exterior and interior signs and decorating that we require you to use or install in the Store. We may specify brands, types or models for any of these items. You may purchase items meeting our specifications from any source unless we designate an approved source or sources for any of these items. If you propose to purchase or lease items not previously approved by us as meeting our specifications or from a vendor not approved by us, you must first notify us and we may require submission of sufficient specifications, photographs, drawings and/or other information and samples to determine whether any such item or supplier meets our

specifications or our approved vendor criteria. We will advise you within a reasonable time whether any proposed item or vendor meets our specifications or our approved vendor criteria. You agree to use only such items that meet our specifications in the operation of the Store and to purchase them from approved vendors, if we so require. You understand, however, that we or our affiliates or an approved vendor may be the only source for some of these items and that we may otherwise limit the number of approved vendors. We reserve the right to charge you for our reasonable expenses in testing and/or evaluating any proposed item or vendor submitted by you.

8.3 Store Opening.

You agree to complete development of the Store and have the Store ready to open within a reasonable time after obtaining possession of the site for the Store. If you do not open the Store within six (6) months from the effective date of this Agreement, we will have the option to terminate this Agreement upon the giving of written notice to you.

9. STORE REFURBISHING.

You have an obligation to maintain the Store in a manner which contributes positively to the then current image of the Domino's Pizza brand. You agree to refurbish the Store (in addition to regular maintenance and repair), within six (6) months of receipt of written notice from us, as we may from time to time require to maintain or improve the appearance and efficient operation of the Store, to increase its sales potential or to comply with our then current standards, image or identity. Refurbishing may include:

- (a) replacement of worn out or obsolete equipment, fixtures, furniture and signs;
- (b) the substitution or addition of new or improved equipment, including safes, fixtures, furniture, and signs, designated by us;
- (c) redecorating;
- (d) renovation of the interior and exterior of the premises and restoration and resurfacing of parking facilities; and
- (e) structural modifications and remodeling of the premises.

You will not be required to make aggregate expenditures for refurbishing of the Store in excess of one and one half percent (1 ½ %) of the royalty sales of the Store from the date of its opening to the date of any required refurbishing not to exceed the ten (10) year period prior to the date of any such required refurbishing or, except in connection with a renewal of the franchise, to effect any refurbishing of the Store during the last twelve (12) months of the initial term of the franchise.

For purposes of this Section 9, the term equipment shall not include computer hardware or other components of the Brand Technology (as defined in Section 15.9.1). Any additions, substitutions, replacements or modifications to the Brand Technology shall be governed by the provisions of Sections 15.9.1. and 15.9.2 of this Agreement.

10. TRAINING.

10.1 Initial Training.

If you (or the Controlling Person if you are an Approved Entity) are opening your (or his or her) first Domino's Pizza Store, you (or the Controlling Person) must enroll in and complete all training programs and classes which we require for the operation of a Domino's Pizza Store. These training programs and classes will be furnished at such times and places as we designate. We have the right to charge a reasonable training fee for these training programs or classes. All training programs and classes must be completed to our satisfaction. You will be responsible for the travel, living expenses and any other costs incurred during these training programs and classes.

10.2 Training of Employees.

You agree to implement a training program for employees of the Store and to be solely responsible for training the employees to legally, safely and properly perform his or her duties while inside the Store and while outside the Store for business purposes, including training your employees to follow appropriate procedures for their safety and well-being as well as the safety and well-being of the public. You agree not to employ any person who fails or refuses to complete your training programs or is unqualified to perform his or her duties in accordance with the requirements established for the operation of a Domino's Pizza Store. You acknowledge and understand that implementing a training program for employees of the Store and training your employees to follow safe and proper procedures for the operation of the Store will remain your sole responsibility even if, from time to time, you obtain advice, certifications or suggestions from us or our affiliates about these topics. You further acknowledge and understand that it is not our responsibility or duty to implement a training program for your employees, nor do we have the responsibility or duty to instruct your employees about matters of safety and security in or around the Store or delivery service area or on the way to or from the Store. By providing advice, certifications or suggestions, we do not assume any of your responsibilities or duties.

10.3 Additional Training.

We may also, at our option, require you (or the Controlling Person if you are an Approved Entity) to attend supplemental or additional training programs which may be offered from time to time by us or our affiliates during the term of the franchise. The fee for such training shall range from between One Hundred Dollars (\$100.00) and Five Hundred Dollars (\$500.00) per training class. You will be responsible for the reasonable costs of such programs and for the travel and living expenses and any other costs incurred during these programs. You must complete this supplemental or additional training within one (1) year of the time in which it is originally offered by us or our affiliates.

11. OPERATING ASSISTANCE.

11.1 Advice and Guidance.

We will furnish you with such reasonable operating assistance as we determine from time to time to be necessary for the operation of the Store. Operating assistance will include advice and guidance regarding:

(a) methods of pizza, other authorized food and beverage preparation, packaging and sale; and

(b) the establishment of administrative, bookkeeping, accounting, inventory control and general operating procedures.

You acknowledge and understand that it is not our responsibility or duty to operate the Store and we do not have the legal right to direct your employees in the operation of the Store. Those functions remain your sole responsibility and duty. Further, you understand that the assistance provided to you under this Section 11 does not obligate us to provide the accounting, bookkeeping, administrative, inventory control or marketing services required for the operation of the Store or to otherwise operate the Store. By providing advice or suggestions, we do not assume any of your responsibilities or duties.

11.2 Operating Problems.

We will advise you from time to time of operating problems of the Store disclosed by reports submitted to or inspections made by us or our designee. We will make no separate charge for operating or marketing assistance except that we may make reasonable charges for forms and other materials supplied to you and for operating assistance made necessary in our judgment as a result of your failure to comply with any provision of this Agreement or for operating assistance requested by you in excess of that normally provided by us. By providing advice, certifications or suggestions, we do not assume any of your responsibilities or duties.

12. STORE PRODUCTS.

12.1 Store Menu.

You agree that you will offer for sale and sell at the Store for final consumption and not for resale, all pizza and other authorized food and beverage products and perform the carry-out and delivery services that we from time to time authorize; provided, however, you may offer for resale authorized products for certain programs approved by us. Such approval will not be unreasonably withheld and the decision to approve shall be based upon: (i) quality assurance; (ii) brand image; (iii) and such other factors as we determine. You also agree that you will not offer for sale or sell at the Store any other products or services.

12.2 Pizza Ingredients, Supplies and Materials.

All pizza and other food ingredients, beverage products, cooking materials, containers, packaging materials, other paper and plastic products, utensils, uniforms, menus, forms, cleaning and sanitation materials and other supplies and materials used in the operation of the Store must conform to the specifications and quality standards established by us from time to time. You must use in the operation of the Store boxes, containers and other paper or plastic products imprinted with the Marks as prescribed from time to time by us. We may in our sole discretion require that ingredients, supplies and materials used in the storage, preparation, packaging, and delivery of pizza and other authorized food products be purchased exclusively from us, our affiliates or from approved suppliers or distributors. You agree to request delivery of food products to the Store in quantities and in a manner that is consistent with policies prescribed from time to time by us. Any

ingredient, supply or material not previously approved by us as conforming to our specifications and quality standards must be submitted for examination and/or testing prior to use. We reserve the right from time to time to examine the facilities of any approved supplier or distributor, including the commissary operated by you, if any, and to conduct reasonable testing and inspection of the ingredients, materials or supplies to determine whether they meet our standards and specifications. We also reserve the right to charge fees for testing and evaluating proposed suppliers or distributors and examining and inspecting commissary operations and to impose reasonable limitations on the number of approved suppliers or distributors of any product. Approval of a supplier or distributor may be conditioned on requirements relating to frequency of delivery and standards of service including prompt attention to complaints and the ability to service and supply Stores within areas designated by us.

13. ADVERTISING AND PROMOTION.

13.1 By DPF.

We or our designee will from time to time formulate, develop, produce and conduct advertising and promotional programs in the form and media as we or our designee determines to be most effective. You agree to participate in all national and local and regional advertising and promotions as we determine to be appropriate for the benefit of the Domino's System. We reserve the right, in our sole discretion, to determine the composition of all geographic territories and market areas for the development and implementation of advertising and promotion programs. All costs of the formulation, development and production of any such advertising and promotion (including without limitation the proportionate compensation of our employees who devote time and render services in the formulation, development and production of such advertising and promotion programs or the administration of the funds), will be paid from a separate fund administered by a separate not for profit entity (the "Advertising Fund"). You will be obligated to pay four percent (4%) of the weekly royalty sales of the Store to the Advertising Fund. Your contribution to the Advertising Fund must be paid by Thursday of each week on royalty sales for the week ending on the preceding Sunday. Payment must be made by electronic funds transfer as provided in Section 6.4 of this Agreement or as we may otherwise designate from time to time. All Domino's Pizza Stores owned by us or our affiliates will contribute to the cost of such advertising and promotion programs on at least the same basis as the majority of domestic franchisees in the Domino's System. We will submit to you upon request an annual statement of monies collected and costs incurred by the Advertising Fund. We reserve the right to engage the services of an advertising source or sources to formulate, develop, produce and conduct the advertising and promotion programs, the cost of such services to be payable from the Advertising Fund.

You acknowledge and understand that the Advertising Fund is intended to maximize general public recognition and patronage of the Marks in the manner determined to be most effective by us and our affiliates and that neither we nor our affiliates undertake any obligation in developing, implementing or administering these programs to ensure that expenditures which are proportionate or equivalent to your contributions are made for the market area of the Store or that any Domino's Pizza Store will benefit directly or pro rata from the placement of advertising or from other promotional programs.

From time-to-time we may, in our sole and absolute discretion, apply, collect or retain all or part of up to two percent (2%) of royalty sales that you are required to contribute or spend under Section 13.2 for expenditure by the Advertising Fund under this Section 13.1 (a "Roll-Up"). In the event of a Roll-Up, all contributions or payments made by you under Section 13.2 and allocated to the Advertising Fund ("Allocated Funds") shall be construed as if such Allocated Funds were made to the cooperative or for local advertising expenditures for purposes of determining your amount of contribution or payments to your cooperative or your required expenditures under Section 13.2.

In the event we commence a Roll-Up, we may continue such Roll-Up for a period of up to five (5) years commencing on the Roll-Up commencement date (the "Roll-Up Commencement Date") and ending on the day before the fifth (5th) anniversary of the Roll-Up Commencement Date, and, thereafter, we can continue such Roll-Up for additional periods of up to five (5) years each unless the cumulative domestic same-store sales percentage change reported by Domino's Pizza, Inc., measured from the Roll-Up Commencement Date until the last day of the fourth year of any such five year Roll-Up period (the "Same Store Sales Change"), shall be less than one-tenth of one percent (0.1%). If the Same Store Sales Change is less than one-tenth of one percent (0.1%), we can, nevertheless, continue the Roll-Up for additional periods of up to five (5) years unless (a) during the first (1st) quarter of the fifth (5th) year of such a Roll-Up, a vote is requested in writing by any franchisee in good standing (including, but not limited to, any franchisee not then in default) and operating under this provision, and (b) sixty-five percent (65%) of Domino's Pizza stores in good standing and operating under this provision vote to suspend such Roll-Up (a "Suspension Vote"). If there is a Suspension Vote, then such Roll-Up shall be suspended (the "Suspension") at the conclusion of the fifth (5th) year of such Roll-Up. Such Suspension shall remain in effect until sixty-five percent (65%) of Domino's Pizza Stores in good standing and operating under this provision vote to reinstate our ability to commence a Roll-Up (the "Reinstatement Vote") after which our ability to effectuate a Roll-Up will be as described above until such time that it is suspended pursuant to this Section 13.1. For purposes of the Suspension Vote and the Reinstatement Vote, all Domino's Pizza Stores in good standing and operating under this provision at the time of such vote and all corporate or affiliate owned Domino's Pizza Stores shall be entitled to vote on the basis of one vote per Store.

13.2 Local and Regional Advertising Cooperatives.

We reserve the right to require that you participate in local and regional advertising cooperatives administered by us or our affiliates or other franchisees of the Domino's System or, in the event no such cooperative has been established, to require you to conduct local advertising for your Store. In addition to the advertising contribution payable by you under Section 13.1, you agree to pay any contributions that we require you to make for expenditures by these local or regional cooperatives or that may be otherwise approved by these cooperatives or for local advertising if no cooperative exists. If there is no advertising cooperative or if the Domino's Pizza Stores participating in a cooperative have not agreed upon a percentage of royalty sales to be contributed to the cooperative, you must expend or contribute to the cooperative, respectively, an amount we specify up to and including two percent (2%) of royalty sales. If a cooperative exists and sixty-five percent (65%) or more of the Domino's Pizza Stores agree to contribute or are contractually obligated to contribute a specified percentage of royalty sales to the cooperative, then we can require you to make the same percentage contribution to the cooperative as the other Stores

in the cooperative. All Domino's Pizza Stores participating in a cooperative shall contribute no less than 2% of royalty sales. All Stores which are contractually obligated to contribute the specified percentage of royalty sales voted upon by the cooperative shall be counted as a favorable vote, whether or not they attend or vote at the meeting. We agree that the maximum aggregate amount we can obligate you to contribute for advertising and promotion under this Section 13.2 and Section 13.1 will be nine percent (9%) of the royalty sales of your Store. All contributions payable under this Section 13.2 must be paid by Thursday of each week on royalty sales for the week ending on the preceding Sunday. Payment must be made by electronic funds transfer as provided in Section 6.4 of this Agreement or as we may otherwise designate from time to time. Nothing contained in this Section 13.2 shall limit, affect or supersede any obligation on your part to contribute a greater percentage of the royalty sales of the Store pursuant to any separate agreement or understanding you may have with any such local or regional advertising or promotional cooperative. We reserve the right, on our behalf and on behalf of our affiliates, to engage the services of an advertising source or sources to formulate, develop, produce and conduct the advertising and promotion programs for the cooperatives or for local advertising if no cooperatives exists with the cost of these services payable from the cooperative advertising budget or contributions made by you in accordance with this provision.

13.3 By Franchisee.

All of your advertising, promotions and media relations, including, but not limited to, all public relations, social media, events and all advertising and promotions conducted by you or your employees whether through public appearances or in print, or on radio, television, the Internet, and other electronic media ("Your Advertising"), must be completely factual and shall conform to the highest standards of ethical advertising and be consistent with the then current image and policies relating to advertising and promotional programs of a Domino's Pizza Store. In the event Your Advertising, in our judgment, is deemed to be inappropriate in any way, you shall immediately terminate or remove Your Advertising upon receipt of notice from us. We do not assume any of your duties and responsibilities related to Your Advertising.

14. RECORDS AND REPORTS.

14.1 Bookkeeping and Recordkeeping.

You agree to establish and retain a bookkeeping, recordkeeping, computer and point of sale system (including a record of the names, addresses, telephone numbers and order history of the customers in your Store's delivery area all in form and format designated by us) conforming to the requirements prescribed by us, relating, without limitation, to the use and retention of daily sales information, counts of pizza types and other approved menu items sold, coupons, purchase orders, purchase invoices, payroll records, check stubs, bank statements, sales tax records and returns, cash receipts and disbursements, checks and credit card sales, journals and general ledgers, including any comparable electronically generated information or any supporting records or materials we may require or prescribe. You agree to retain all business records and reports (whether paper or electronically generated) relating to the Store in accordance with record retention policies and guidelines prescribed by us, from time to time, and for the time limits required by all applicable laws, ordinances and regulations. You also agree to maintain an emergency back-up order taking system and other back-up operational procedures identified by us

in accordance with policies and procedures we may prescribe from time to time. You agree that we shall have full access, either on-site or from a remote location, to all of your computer data, equipment and systems containing any and all of the information, records and reports required by this Section 14.1 or any other provision of this Agreement or any other agreement with our affiliates. In addition, you agree to provide us with access to all such data, equipment and systems to facilitate the exchange of information you are required to provide us under this Agreement. Any information provided by you shall be used by us in a lawful manner.

14.2 Sales Reports and Financial Statements.

You agree to submit to us, in accordance with requirements prescribed by us from time to time and in a format which we may designate from time to time:

- (a) with the royalty fee due, a weekly report of the sales of the Store and all other information and supporting records as we may require;
- (b) within sixty (60) days of the end of each fiscal year of the Store;
 - (i) a statement of cash flow and cash on hand, an unaudited balance sheet as of the end of the year and an unaudited annual statement of profit and loss and financial condition of the Store prepared on an accrual basis;
 - (ii) if you are a corporation, partnership or other approved entity, a statement of cash flow and cash on hand, an unaudited balance sheet as of the end of the year and an unaudited statement of profit and loss of the corporation, partnership or approved entity prepared on an accrual basis; and
 - (iii) if you have additional Domino's Pizza Stores, a consolidated statement of profit and loss for all of your operations, including any additional Domino's Pizza Stores which you own and all administrative and commissary operations. The statements must be prepared in accordance with generally accepted accounting principles by an accountant in the manner prescribed by us;
- (c) promptly upon our request and within twenty (20) days of the end of the month or period, in the manner as we may prescribe, and continuing for such period of time as we may from time to time designate:
 - (i) a statement of cash flow and cash on hand, an unaudited balance sheet as of the end of the month or period and an unaudited statement of profit and loss of the Store prepared on an accrual basis for each month or period;
 - (ii) if you are a corporation, partnership or other approved entity, a statement of cash flow and cash on hand, an unaudited balance sheet as of the end of the month or period and an unaudited statement of profit and loss of the corporation, partnership or approved entity prepared on an accrual basis for each month or period; and

(iii) a consolidated statement of profit and loss for all of your Domino's Pizza Stores for each month or period;

(d) if you are in default under any of the terms or conditions of this Agreement, statements submitted on a quarterly basis affirming that all federal, state and local taxes have been paid;

(e) upon our written request, exact copies of your and your owners federal, state and local business income tax returns and state sales tax or equivalent tax returns for any period; and

(f) such other information as we may reasonably require to determine you and your owners' compliance with this Agreement or to assist you in the operation of the Store or to otherwise evaluate the performance of the Store, including information about the sales and receipts of the Store.

14.3 Right to Require Audit.

We reserve the right to audit the sales reports, financial statements, tax returns, information from the Store's computer system, and any other records you are required to retain or submit to us. In the event any audit discloses an understatement of the royalty sales of the Store for any period or periods (regardless of whether the understatement is intentional or not), we shall have the right to require that you pay on the amount of such understatement the royalty fee of five and one-half percent (5-1/2%), all advertising contributions due under this Agreement and the amount, if any, required to be paid to your local or regional cooperative as provided in this Agreement, plus interest due. Further, in the event such understatement for any period or periods shall be two percent (2%) or more of the royalty sales of the Store or such inspection or audit is made necessary by your intentional or negligent underreporting (including, without limitation, underreporting that arises out of your insufficient supervision of your employees) or your failure to furnish reports, supporting records, financial statements or other information required by this Agreement or to furnish these reports, records, information or financial statements on a timely basis, you will be obligated to reimburse us for the cost of the audit, including the charges of any independent certified public accountant used and the travel expenses, room and board and compensation of our employees or anyone we engage to conduct the audit. In the event you dispute the results of any audit conducted by us or our representatives, you will have the right, upon written notice to us within ten (10) days of your receipt of the results of our audit, to have the results verified by an independent certified public accounting firm selected by our outside accounting firm. The expense of this audit shall be borne by you unless this further audit discloses that no deficiency is due in which case we will be obligated to pay for the audit. We will notify you within ten (10) days of our receipt of your notice when the independent audit will commence. You agree to cooperate with all personnel conducting the audit. The results of the independent audit shall be binding upon the parties. You agree to pay any deficiencies within ten (10) days after receipt of our audit or, if applicable, the independent audit requested by you. You acknowledge and agree that conducting an audit as authorized by this section is one but not the only way we may determine or establish that you have underreported the royalty sales

of the Store for any period or periods. You and your owners agree to fully comply and cooperate with any and all audits, including, but not limited to, you, your owners and your employees treating our personnel in a professional manner.

15. OPERATING REQUIREMENTS.

15.1 Operating Procedures.

You agree to fully comply with all specifications, standards and operating procedures and rules from time to time prescribed for the operation of a Domino's Pizza Store, including, but not limited to, specifications, standards and operating procedures and rules relating to:

(a) the safety, maintenance, cleanliness, sanitation, function and appearance of the Store premises and its equipment, (including computer hardware, software, peripheral devices, high speed broadband connectivity, high speed broadband monitoring, and methods and means of encryption and access to our network resources), image, fixtures, furniture, decor and signs;

(b) qualifications, dress, grooming, general appearance and demeanor of you and your employees, including, but not limited to, engaging in any conduct which, in our judgment, adversely affects the reputation of the Store or the Domino's System or the goodwill associated with the Marks or involves dishonesty, fraud, deceit, illegal conduct, misrepresentation or moral turpitude;

(c) quality, taste, portion control and uniformity, and manner of storage, preparation and sale, of all pizza and other authorized food and beverage products sold by the Store and of all ingredients, supplies and materials used in the storage, preparation, packaging and sale of these items;

(d) methods and procedures relating to receiving, preparing, delivering and storing customer orders, including without limitation, online ordering;

(e) the hours during which the Store will be open for business;

(f) use and illumination of exterior and interior signs, posters, displays, menu boards and similar items;

(g) the handling of customer complaints;

(h) advertising on the Internet or other electronic media, including websites, home pages and the use of domain names;

(i) e-mail capabilities of the Store and other electronic communication methods (including high speed broadband connectivity, high speed broadband monitoring, and methods and means of encryption and access to our network resources) and devices to facilitate communication with us or our offices, including the exchange of information between the Store and us; and,

- (j) the method and manner of payment which will be accepted from customers.

By entering into this Agreement, you agree to abide by these specifications, standards, operating procedures and rules and to fully adopt and implement them.

15.2 Compliance with Laws and Other Business Practices.

You agree to secure and maintain in force all required licenses, permits and certificates and operate the Store in full compliance with all applicable laws, ordinances and regulations. You also agree to pay when due all amounts payable pursuant to any provision of this Agreement or any other agreement with us or our affiliates or subsidiaries or pursuant to any agreement with any other creditor or supplier of the Store. You shall file all tax returns and pay all taxes before they become delinquent. You agree not to permit any levy or warrant to be issued by any taxing authority or other creditor, (excluding mechanics liens and other immaterial liens), against any of your assets, nor allow any of your assets to be seized or frozen by any taxing authority or other creditor. Furthermore, if you are subject to any withholding taxes on royalty fees or other payments due, you shall provide us with quarterly evidence that such tax has been remitted to the appropriate governmental agency on a quarterly basis.

You agree to abide by the Payment Card Industry Data Security Standards enacted by the applicable Card Associations, applicable to your business. If you know or suspect a security breach, you shall immediately notify us. You shall promptly identify and remediate the source of the compromise. You assume all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transactions concerning your customers. Without limiting the generality of other provisions of this Agreement, you agree to defend, indemnify and hold us and our affiliates harmless from and against any and all claims, demands, duties, obligations, damages, fines and/or penalties imposed upon you as a result of non-compliance with the Payment Card Industry requirements.

You and your owners acknowledge that Executive Order 13224 (the "Executive Order") prohibits transactions with terrorists and terrorist organizations and that the government of the United States has adopted and may in the future adopt other anti-terrorism measures (the "Anti-Terrorism Measures"). You certify that neither you or your owners nor any of your employees, affiliates or any other person or entity associated with the Store is: (1) a person or entity listed in the Annex to the Executive Order; (2) a person or entity otherwise determined pursuant to the Executive Order to have committed acts of terrorism or to pose a significant risk of committing acts of terrorism (such a person or entity and those persons and entities listed in the Annex to the Executive Order are referred to herein as "Terrorists"); (3) a person or entity who assists, sponsors or who supports Terrorists or acts of Terrorism ("Sponsors of Terrorism"); or (4) owned or controlled by Terrorists or Sponsors of Terrorism. Furthermore, you covenant that neither you or your owners, nor any of your employees, affiliates or any other person or entity associated with the Store shall, during the term of this Agreement, become a person or entity described in clause (1), (2) or (3) above, or shall otherwise become a target of any Anti-Terrorism Measures. Should you or any of your owners, employees, affiliates, or any person or entity associated with the Store, violate the provisions of this paragraph, we will have the right to immediately terminate this Agreement.

15.3 Pricing.

We reserve the right, to the fullest extent allowed by applicable law, to establish maximum, minimum, or other pricing requirements with respect to the prices you may charge for products and services, including pricing we prescribe from time to time for any national, regional or local advertising or promotion.

15.4 Operating Manual.

We will loan to you during the term of the franchise one or more copies of an operating manual or operational bulletins or similar materials containing mandatory and suggested specifications, standards and operating procedures and rules prescribed from time to time by us and information relative to your other obligations under this Agreement and the operation of the Store (the "Operating Manual"). We will provide you with a manual or electronic copy of the Operating Manual. The entire contents of the Operating Manual will remain confidential and are proprietary to us and our affiliates. We will have the right to add to and otherwise modify the Operating Manual from time to time, if deemed necessary to improve the standards of service or product quality or the efficient operation of the Store, to protect or maintain the goodwill associated with the Marks, to take advantage of advancements in technology, or to meet competition. No such addition or modification, however, shall alter your fundamental status and rights under this Agreement. The provisions of the Operating Manual as modified from time to time, including the mandatory specifications, standards and operating procedures and rules prescribed from time to time by us and communicated to you in writing, will constitute provisions of this Agreement as if contained in this Agreement.

15.5 New Concepts.

If you develop any new concept, process or improvement or any slogan in the operation or promotion of the Store, or technology used in connection with the operation of the Store, you agree to promptly notify us and provide us with all necessary information without compensation. You acknowledge that any such concept, process, improvement or slogan shall become our property and that we may utilize or disclose this information to our affiliates and other franchisees.

15.6 Franchisee Must Directly Supervise Store.

The Store shall at all times be under the direct, on-premises supervision of you (or the Controlling Person if you are an Approved Entity). You (or the Controlling Person if you are an Approved Entity) must devote full time and efforts (excluding reasonable vacation periods) as manager of the Store or to the management of other Domino's Pizza Stores (or other related activities approved by us in accordance with Section 7.1 of this Agreement). You shall be solely responsible for recruiting, hiring, training, scheduling for work, supervising and paying the persons who work in the Store and those persons shall be your employees, and not our agents or employees. Further, neither you nor any of your owners may, during the term of this Agreement, without our prior written consent, which may be withheld in our sole judgment, (i) engage, or own any interest, in any other business activity, (ii) be employed by any other business, (iii) engage in any activity which may impair your ability to fulfill your obligations under this Agreement, or (iv) engage in any conduct which, in our judgment, adversely affects the reputation of the Store or the Domino's

System or the goodwill associated with the Marks or involves dishonesty, fraud, deceit, illegal conduct, misrepresentation or moral turpitude.

If you own more than one (1) Store, each Store must also be under the direct, on-premises supervision of a manager, whose conduct (including, without limitation, acts or failure to act) you will be responsible for, and:

(a) who has been properly trained by you on all specifications, standards, operating procedures and rules from time to time prescribed for the operation of a Domino's Pizza Store including, without limitation, proper reporting of royalty sales;

(b) whose identity has been disclosed to us; and

(c) who shall have executed, upon our request, an agreement in the form provided by us agreeing not to divulge any trade secret or confidential or proprietary information, including the contents of the Operating Manual, or to engage in or have any interest in any other carry-out or delivery pizza store business.

15.7 Insurance.

You shall at all times during the term of the franchise maintain in force at your sole expense:

(a) property insurance on a replacement cost basis at a minimum limit based on the total value of your assets (including, but not limited to, fire, extended coverage, vandalism and malicious mischief),

(b) general liability insurance with a minimum limit of \$1,500,000.00 per occurrence (including, but not limited to, coverage for personal injury, products and contractual liability),

(c) automobile liability insurance with a minimum limit of \$1,500,000.00 per occurrence (including, but not limited to, owned automobiles titled or leased in the name of you or your owners and used at any time, whether principally or occasionally in your business, hired and non-owned coverage). If you or your owners do not use a vehicle owned or leased in the name of you or any of your owners in your business, you must provide written evidence of that fact, satisfactory to us, and

(d) workers' compensation insurance (in your name) as required by applicable law. If no such law exists, then you must participate in such other comparable insurance or benefit programs for your employees as required by us. If your state recognizes and permits self insurer programs, your participation in such a program will satisfy our requirements under this subsection (d). If deductible plans are approved and used in your state, coverage may be purchased on this basis subject to the requirements of your insurance carrier.

All liability insurance policies must name us, and any subsidiaries and affiliates which we designate, as additional insureds entitled to the coverage afforded to all named insureds, without

regard to any other insurance or self-insured program which we or our affiliates or subsidiaries may have in effect, and also provide that we receive thirty (30) days prior written notice of termination, expiration, cancellation, modification or reduction in coverage or limits of any such policy. The terms and conditions of all such policies, including the amount of any deductibles, shall be consistent with the requirements prescribed from time to time by us. You agree to promptly pay when requested by the insurer the amount of the deductible applicable to, and in the event of, any covered loss.

All insurance policies (excluding workers' compensation policies) must be issued by an insurance carrier rated B+ or better by Alfred M. Best & Company, Inc. or meeting such other rating or criteria we may establish from time to time. We may also reasonably increase the minimum liability "limit" protection requirement annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in public, product or motor vehicle litigation or other relevant changes in circumstances. You must submit to us annually a copy of the certificate of insurance or evidence of the renewal or extension of each such insurance policy or any modifications to any such insurance policies, which must describe the applicable deductibles for each such policy. If at any time you fail or refuse to maintain in effect any insurance coverage required by us, or to furnish satisfactory evidence of such insurance, we may, at our option and in addition to other rights and remedies we may have, obtain insurance coverage, on your behalf, and you agree to promptly execute any applications or other forms or instruments required to obtain any such insurance and pay to us on demand any costs and premiums incurred by us. Your obligation to obtain and maintain the insurance described in this Agreement shall not be limited in any way by reason of any insurance maintained by us.

15.8 Identification as Franchisee.

You agree to exhibit (a) on the Store premises and (b) on all delivery vehicles (or on car top signs on all delivery vehicles) signs of sufficient prominence and wording as we may prescribe from time to time so as to advise the public that the Store is owned, operated and maintained by you and that each such delivery vehicle is owned, operated and maintained by you or the driver of the vehicle, as the case may be. All business cards, letterheads and other business materials shall clearly identify that you are the owner of the Store in accordance with the rules or policies we may establish from time to time in the Operating Manual or otherwise in writing. In addition, subject to rules and policies that may be established from time to time, all local advertising, including yellow page listings and advertisements that are placed by you or on your behalf, and which do not contain phone numbers or addresses that are associated with stores that we own or operate, shall either indicate that you are the owner of the store or stores in the print material, or that the store or stores are locally owned and operated.

15.9 Computer Hardware and Software and Other Technology.

15.9.1 Brand Technology.

You agree to use in the development and operation of the Store the management system and computer hardware and software and related technology designated by us, including without limitation, features such as high speed broadband connectivity, high speed broadband monitoring, online ordering, methods and means of encryption and access to our network resources, and other

brand technology and peripheral devices that we specify from time to time (the "Brand Technology"). You acknowledge that we may modify all aspects and the components of the Brand Technology from time to time. As part of the Brand Technology, we may require you to obtain computer hardware and/or software we specify from a single vendor designated by us and we or our affiliates may be the sole supplier of all or any part of the Brand Technology. You agree to use only such items and services as we specify in connection with the Brand Technology. We may require that you enter into a license exclusively with us or our affiliates to use proprietary software developed by or for us. You may also be required to enter into agreements with others for use of third party software incorporated or used in connection with the Brand Technology. Our modification of such specifications or components for the Brand Technology may require you to incur costs to purchase, lease and/or license new or modified computer hardware and/or software and to obtain service and support for the Brand Technology during the term of this Agreement. You acknowledge that the cost to you of obtaining the Brand Technology (including software licenses) (or additions, substitutions, replacements or modifications thereto) may not be fully amortizable over the remaining term of this Agreement. Nonetheless, subject to the provisions of Section 15.9.2 below, you agree to incur such costs in connection with obtaining the computer hardware and software comprising the Brand Technology (or additions, substitutions, replacements or modifications thereto). You further acknowledge and agree that we have the right to charge reasonable fees for software or systems modifications and enhancements specifically made for us that are licensed to you and other maintenance and support services that we or our affiliates furnish to you related to the Brand Technology. You may also incur charges from third parties who render services or provide products that we require you to purchase or use. We shall have independent access through monitoring programs or otherwise to data on your Brand Technology, including sales figures. There are no contractual limitations on our right or timing to access this information and data.

Without limiting the generality of the foregoing, we reserve the right to require you to acquire, install and continuously use the Domino's PULSE store computer system and to obtain a license to use the software from us or our affiliate by signing our standard license agreement and to acquire hardware approved by us from a vendor or vendors which we designate. We also reserve the right to require you to participate in online ordering by entering into an agreement with an approved online ordering service company that we designate. You will be responsible for the fees and charges associated with your use of online ordering and the requisite internet usage and connections, including the fees charged by the service provider. We may also require that you continuously maintain high speed broadband connectivity, where available and to charge you a reasonable fee if you do not maintain high speed broadband connectivity, which you agree to pay on demand. You acknowledge and agree that changes to technology are dynamic and not predictable within the term of this Agreement. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, you agree that we shall have the right to establish, in writing, reasonable new standards for the implementation of technology in the Domino's System; and you agree to abide by and fully adopt and implement those reasonable new standards established by us as if this Section 15.9.1 were periodically revised by it for that purpose.

15.9.2 Aggregate Expenditures for Brand Technology.

You will not be required to make aggregate expenditures for any additions, substitutions, replacements or modifications to the Brand Technology in excess of one and one half percent (1

½ %) of the royalty sales of the Store from the date of its opening to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology not to exceed the ten (10) year period prior to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology or, except in connection with a renewal of the franchise to make any additions, substitutions, replacements or modifications to the Brand Technology during the last twelve (12) months of the initial term of the franchise. This limitation shall not apply to our right to require that you acquire and install the Domino's PULSE store computer system or other components of the Brand Technology upon execution of this Agreement nor shall the provisions of any prior franchise agreement governing the operation of the Store restrict our right to require that you acquire and install the Domino's PULSE store computer system or other components of the Brand Technology under the terms of this Agreement.

15.9.3 Domino's PULSE and Other Computer and Technology Training.

If you (or the Controlling Person if you are an Approved Entity) have not installed and used Domino's PULSE, or any other computer system or technology that we require, in a Domino's Pizza store, you (or the Controlling Person) must enroll in and complete all training programs and classes which we require for the operation of Domino's PULSE, or any other computer system or technology. These training programs and classes will be furnished at such times and places as designated by us or the entity or entities that we approve to provide the training. We may furnish training. The entity furnishing the training (including us) has the right to charge a reasonable training fee for these training programs or classes, which you agree to pay. All training programs and classes must be completed to our satisfaction. You will be responsible for the travel, living expenses and any other costs incurred during these training programs and classes.

15.9.4 Additional Order Processing Systems.

We reserve the right to develop or contract with third parties to develop centralized or technology based methods of taking, processing, routing, and delivering orders in addition to the methods and technology we currently use or authorize (collectively "Additional Order Systems"). These may become mandatory at any time during the term of this Agreement and may require you to spend money to add or replace equipment, wiring, hardware and software; to pay licensing fees, support and maintenance fees, fees paid to third parties; to incur other costs, and to sign agreements with third parties. To the extent these products and services are owned by us or provided to you by us, we may charge up front and/or ongoing fees. However, to the extent all the direct and indirect costs to develop, test and implement an Additional Ordering System are paid from other sources, then such up-front and ongoing fees charged by us would be intended only to cover our ongoing expenses, including direct costs and reasonable allocations. Regardless of the sources of funds to develop any Additional Ordering System we shall be the sole owner of all direct and related rights and assets, including software and hardware, intellectual property and all data generated by the Additional Ordering Systems, but excluding hardware or equipment you purchase directly for the purpose of gaining access to the Additional Ordering System.

16. MARKS.

16.1 Usage.

You acknowledge that we have the right to sublicense the Marks and that any goodwill relating to your use of the Marks will inure to our benefit and the benefit of our affiliates. You shall use the Marks in full compliance with rules prescribed from time to time by us. You agree not to engage in any conduct which, in our sole judgment, could disparage or impair the reputation of the Store or the Domino's System or the goodwill associated with the Marks. You understand and acknowledge that our right to regulate the use of the Marks, includes, without limitation, any use of the Marks in any form of electronic media such as web sites or web pages or as a domain name or electronic media identifier. Any unauthorized use of the Marks will constitute a breach of this Agreement and an infringement of our rights in and to the Marks. You will not use any Mark as part of any corporate name or with any prefix, suffix or other modifying words, terms, designs or symbols or in conjunction or association with any name or symbol used by you in connection with the operation of the Store, nor may you use any Mark in connection with the sale of any unauthorized product or service or in any other manner not explicitly authorized in writing by us. All provisions of this Agreement applicable to the Marks will apply to any additional proprietary trademarks and commercial symbols we hereafter authorize you to use.

16.2 Infringements.

You agree to immediately notify us of any infringement of or challenge to your or our use of any Mark or claim by any person of any rights in any Mark. You agree that you will not communicate with any person other than us and our counsel in connection with any such infringement, challenge or claim. We will have sole discretion to take such action as we deem appropriate and the right to exclusively control any litigation or Patent and Trademark Office or other proceeding arising out of any infringement, challenge or claim or otherwise relating to any Mark. You agree to execute any and all instruments and documents, render such assistance and do such acts and things as may, in the opinion of our counsel, be necessary or advisable to protect and maintain our interests in any such litigation or Patent and Trademark Office or other proceeding or to otherwise protect and maintain our interest in the Marks.

16.3 Indemnification.

We will indemnify you against and reimburse you for all damages for which you are held liable in any proceeding arising out of the use of any Mark in compliance with this Agreement. If it becomes advisable at any time in our sole discretion for you to modify or discontinue use of any Mark and/or use one or more additional or substitute Marks, you agree to do so and our sole obligation will be to reimburse you for your tangible costs of complying with this obligation.

17. INSPECTIONS.

We or our designee will have the right at any time during business hours and without prior notice to conduct reasonable inspections of the Store, its operations and its business records, including, but not limited to, information from the Store's computers, and records and documents relating to the ownership and control of the Approved Entity and any other entity that has an interest in the operation of the Store, wherever located and to take a physical inventory of the assets

of the Store. You agree that we may conduct all or part of an inspection, either on-site or from a remote location. Inspections of the Store will be made at our expense, unless we are required to make any additional inspections in connection with your failure to comply with this Agreement. In such event, we will have the right to charge you for the costs of making all additional inspections in connection with your failure to comply, including without limitation the travel expenses, room and board and compensation of our or our designee's employees. You and your owners agree to fully comply and cooperate with any and all inspections, including, but not limited to, you, your owners and your employees treating our personnel in a professional manner.

If you are in compliance with this Agreement and we breach this Agreement and fail to cure any breach within thirty (30) days after written notice is delivered to us, you may terminate this Agreement and the franchise effective ten (10) days after delivery of notice to us. A termination of this Agreement and the franchise by you without complying with these requirements or for any reason other than our breach of this Agreement and our failure to cure the breach within thirty (30) days after receipt of written notice from you shall be deemed a termination by you without cause and not in accordance with the provisions of this Agreement.

(b) take such action as may be required to cancel all assumed name or equivalent registrations relating to the use of any Mark;

(c) notify the telephone company, postal service, and all listing agencies in writing of the termination or expiration of your right to use all telephone numbers, post office boxes, and all classified and other directory listings relating to the Store and to authorize in writing the transfer of these to us or our franchisee or designee. You acknowledge that we have the sole rights to and interest in all telephone numbers, post office boxes, and directory listings relating to any Mark, and you authorize us to direct the telephone company, the postal service, and all listing agencies to transfer all telephone numbers, post office boxes, and directory listings to us, our franchisee or designee and if you fail or refuse to do so, the telephone company, postal service, and all listing agencies may accept our direction as evidence of our exclusive rights in the telephone numbers, post office boxes, and directory listings and our authority to direct the transfer. Upon execution of this Agreement or at any time thereafter, you agree to execute any written authorizations or pre-approved authorizations in the form prescribed by us directing the telephone company, postal service, and any listing agencies to transfer all telephone numbers, post office boxes, and directory listing to us, our franchisee or designee upon the occurrence of any such termination or expiration;

(d) immediately pay all royalty fees, advertising contributions and other charges which are due and owing under this Agreement;

(e) immediately cease using the Marks and identifying yourself as a Domino's Pizza Store or as being associated with the Domino's System, including, without limitation, disabling and ceasing to permit the continued operation of any website relating to the Store or the Domino's System or which utilizes the Marks;

(f) if you retain possession of the Store premises, at your expense, make such reasonable modifications to the exterior and interior of the Store (including signage, menu boards, job aids, product photos and the like) as we require to fully eliminate its identification and appearance as a Domino's Pizza Store. If you fail or refuse to fully de-identify the Store to the extent and in the manner required by this Agreement, we may, at our option and in addition to other rights and remedies we may have, make the modifications that are contemplated by this Agreement on your behalf and you agree to promptly pay and reimburse us on demand for any costs incurred by us or our designee including, without limitation, the proportionate compensation of our or our designee's employees who devote time and render services in the de-identification of the Store; and

(g) make the Store accessible and available for us to operate pursuant to Section 19.8 of this Agreement if we elect to do so.

19. OPTION TO PURCHASE STORE.

19.1 Option.

Upon the termination or expiration of this Agreement, except termination by you for cause, we shall have the exclusive option, but not the obligation, to purchase the assets of the Store. For

purposes of this section, the term "assets" shall mean the equipment, inventory, leasehold interests and improvements and favorable rights and covenants of the Store, but exclusive of delivery vehicles. Our option shall commence upon expiration of this Agreement or on the date of termination as applicable, and shall continue for thirty (30) days thereafter, subject to extension as provided in this Section. You agree that if the termination is stayed, either by us or by judicial proceedings, or if we are not permitted to manage the Store pursuant to section 19.8, we will not be able to exercise our option within the 30 day period and you also agree that under those circumstances our option to purchase shall be extended, without further notice to you, for an additional time which shall include the entire time we are unable to exercise our option.

19.2 Formula Price.

The purchase price for these assets shall be equal to fifteen percent (15%) of the first Three Hundred Thousand Dollars (\$300,000.00) of royalty sales ("Base Amount") of the Store during the fifty two (52) full weeks immediately preceding the date of termination or expiration plus twenty-five (25%) of royalty sales in excess of the Base Amount up to Five Hundred Thousand Dollars (\$500,000.00) ("Second Level Base Amount") during this period plus fifty percent (50%) of royalty sales in excess of the Second Level Base Amount during this period. The purchase price shall be allocated among the assets and covenants in the manner prescribed by us.

If the Store has been in operation less than fifty two (52) full weeks, the option price shall be the documented cost of the Store. The term "cost" shall be defined as your documented expenditures for the equipment, inventory and leasehold improvements of the Store, but shall not include any charges for labor performed by you or your family members in connection with the development of the Store or any undocumented costs.

19.3 Purchase of Commissary.

In the event you operate a commissary in connection with the Store, we shall also have the option to purchase the assets of the commissary. The purchase price for the assets of the commissary will be the net book value (based upon a seven year depreciation schedule).

19.4 Deductions From Purchase Price.

In the event we elect to purchase the assets of the Store, the purchase price will be reduced by:

- (a) the total current and long term liabilities of the Store assumed by us as described below; and,
- (b) the amount necessary to upgrade and renovate the Store to meet our then current standards for a Domino's Pizza Store; and,
- (c) our reasonable attorney's fees incurred in connection with enforcing this Agreement or in securing possession of the Store.

We will assume all current and long term liabilities, whether or not included on your financial statements up to the amount of the purchase price subject, however, to all defenses

available to you. Further, the amount we charge for upgrading and renovating the Store will not exceed one and one-half percent (1-1/2%) of the royalty sales of the Store from the date of opening to the date of termination or expiration reduced by an amount equal to the total expenditures made by you for renovation and upgrading of the Store at our request up to the date of termination or expiration.

19.5 Payment of Purchase Price.

The balance of the purchase price, after deductions described above will be payable as follows: ten percent (10%) of the balance at the time of closing and the remainder in sixty (60) equal monthly installments of principal plus interest at a rate of interest per annum equal to the prime lending rate charged by Morgan Guaranty Trust Company of New York (or other bank or financial institution we may designate) determined as of the closing date with annual adjustments based on the prime rate charged on each anniversary date. The first payment will be due on the first day of the second succeeding calendar month following closing and the remaining payments on the first day of each month thereafter. On the first payment date, interest from the date of closing shall also be paid. If we elect to pay the entire purchase price at closing, we shall have the right to escrow such portion of the purchase price as we deem appropriate for a period of six (6) months to cover liabilities of the Store. We shall notify you of claims asserted by creditors of the Store against the escrow monies. You shall have forty-eight (48) hours to settle any claim with such creditor prior to disbursement of funds from the escrow. If there is a good faith dispute between you and a creditor of the Store, you shall have thirty (30) days to reach a settlement with any such creditor as to the amount owed before we will disburse any escrow monies to such creditor. If you are unable to resolve the discrepancy with the creditor within the thirty (30) day period, we shall have the right to use the escrow monies to satisfy the claim of any such creditor. At the end of such six (6) month period, any remaining purchase price shall be remitted to you along with a statement prepared by us indicating the manner in which these funds were expended.

19.6 Real Property.

(a) In the event you or your owners own the real property on which the Store or commissary is located, and such property is not a multi-tenant unit, we will also have the exclusive option to purchase this property. We shall exercise this option within the same period of time as provided in section 19.1, as that time may be extended. The purchase price will be the fair market value as determined by an independent appraiser selected by both of us. If we cannot agree on an independent appraiser, we each shall select an independent appraiser who shall select a third independent appraiser. The independent appraiser selected by our appraisers shall determine the fair market value of the real property and his determination shall be final and binding on the parties, provided, in the event the independent appraiser does not render its appraisal within ninety (90) days of selection, the appraisal shall be made by the appraiser we have selected. The purchase price will be payable in full at the closing minus customary prorations including the pay-off of existing mortgage liens.

(b) If we do not elect to purchase the real property, or if the property is in a multi-tenant unit, we or our designee will have the option to enter into a lease for a term of not less than five (5) years with an option by the lessee to extend the term of the lease for an additional term of five (5) years. The lease shall contain the terms and conditions contained in the form of lease then used

by us or our affiliates in connection with Domino's Pizza Stores owned and operated by us or our affiliates. The rental under the lease for the initial five (5) year term shall be the fair rental value of the property as determined by an independent appraiser selected in the manner described above. The rental shall be modified during the second five (5) year option term by the percentage that the National Consumer Price Index for Urban Wage Earnings and Clerical Workers as determined by the United States Department of Labor for the region in which the Store is located (or a comparable index if such Index is not then being issued) has increased or decreased from the commencement date of the initial term until the last day of the initial term of the lease.

19.7 Closing.

The closing shall occur within thirty (30) days after we exercise our option to purchase the assets and/or real property or such later date as may be necessary to comply with applicable bulk sales or similar laws. At the closing, we both agree to execute and deliver all documents necessary to vest title in the purchased assets and/or real property in us free and clear of all liens and encumbrances, except those assumed by us and/or to effectuate the lease of the Store premises. You also agree to provide us with all information necessary to close the transaction. We reserve the right to assign our option to purchase the Store or commissary, if any, operated in connection with the Store (and the real property to the extent applicable) or designate a substitute purchaser for the Store. We agree, however, to be responsible for and shall guarantee payment of any deferred portion of the purchase price as provided in Section 19.5 of this Agreement in the event we designate a substitute purchaser of the assets of the Store. If you do not execute and deliver any documents required, by execution of this Agreement you irrevocably appoint us as your lawful attorney-in-fact with full power and authority to execute and deliver in your name all these documents. You also agree to ratify and confirm all of our acts as your lawful attorney in fact and to indemnify and hold us harmless from all claims, liabilities, losses or damages suffered by us in so doing.

19.8 Operation During Option Period.

We will have the right, upon written notice to you, to manage, or designate one of our affiliates to manage, the Store during the period in which we have the option to purchase the Store as provided in section 19.1 and for the period following the exercise of our option and prior to the closing, on the same terms and conditions as described in Section 21.7.

19.9 Formula Price.

The parties agree that the formula price described in this Section 19 is the agreed upon method of arriving at a price for the assets of the Store in the event we exercise the option contained in this Section 19 and is not to be deemed a conclusive indication of the value of the Store under other circumstances or where an agreement to purchase the Store has been negotiated by you or your owners.

20. RESTRICTIVE COVENANTS.

20.1 In-Term Covenant.

In addition to all other obligations in the Agreement, you agree that, during the term of this Agreement, you or your owners will not, directly or indirectly for the benefit of you or your owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any other interest, whether financial or otherwise, in any other carry-out or delivery pizza store business (except for other Domino's Pizza Stores operated under franchise agreements entered into with us or other Domino's Pizza Stores in which you or your owners have an ownership interest).

20.2 Post-Term Covenant.

You agree that, for a period of one (1) year after termination or expiration of this Agreement, or the date on which you cease to operate the Store, whichever is later, you or your owners will not, directly or indirectly for the benefit of you or your owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any other interest, whether financial or otherwise, in any carry-out or delivery pizza store business located at the premises of the Store or within ten (10) miles of the premises of the Store (except for other Domino's Pizza Stores operated under franchise agreements with us or other Domino's Pizza Stores in which you or your owners shall have an ownership interest). The covenant contained in this section shall not be deemed to impair, modify or change any covenant not to compete contained in any agreement for the purchase and sale of the Store and shall be in addition to all other obligations you have under this Agreement to us or our affiliates upon termination or expiration of this Agreement.

20.3 Ownership of Public Companies.

The covenants contained in this Section 20 shall not apply to ownership of less than a five percent (5%) beneficial interest in the outstanding equity securities of any corporation whose stock is publicly traded.

20.4 Customer Lists and Trade Secrets.

You agree to maintain the absolute confidentiality of the Operating Manual and all other information concerning the Domino's System, whether provided by us or a third party, during and after the term of the franchise, disclosing this information to the other employees of the Store only to the extent necessary for the operation of the Store in accordance with this Agreement, and that you will not use the Operating Manual or such other information in any other businesses or in any manner not specifically authorized or approved by us in writing. The customer lists and all historical data relating to the sale of all pizza and beverage products at the Store (the "Customer Lists") also shall be deemed confidential and (a) you shall not use the Customer Lists in any other business or capacity; and (b) you shall maintain the absolute secrecy and confidentiality of the Customer Lists.

20.5 Owners of Approved Entity.

If you are an Approved Entity, the owners, by executing this Agreement, shall be bound by the provisions contained in this Agreement, including the restrictions set forth in this Section 20. Further, a violation of any of the provisions of this Agreement, including the covenants contained in this Section 20, by any owner shall also constitute a violation by you of your obligations under this Agreement.

20.6 Distribution of Products Related to the Domino's System.

During and after the term of this Agreement, you and your owners agree not to sell or otherwise distribute any products, or items bearing any of the Marks or which are used at any time in connection with any advertising, promotional or operational program other than to customers of your Store in the ordinary course of business or to another Domino's Pizza franchisee in good standing at the time of any proposed transfer approved by us.

20.7 Ownership Structure.

You, your owners and affiliates agree to fully comply with all rules, policies and procedures from time to time prescribed by us relating to the ownership structure of an Approved Entity. If you are an Approved Entity, you agree that the Controlling Person who has been approved by us will at all times during the term of this Agreement own and control fifty-one percent (51%) or more of the absolute voting and ownership interests of the Approved Entity, unless the Controlling Person obtains our prior written approval for a different ownership structure. You also agree to submit to us for our review and prior written approval any proposed change before attempting any change in the ownership or control of the Approved Entity or its affiliates, or any documents governing the ownership or control of the Approved Entity or its affiliates.

20.8 Non-Disclosure.

Except as may be required or permitted by applicable law, you agree that neither you nor your affiliates, owners, representatives, agents or employees will make any statements or communications, directly or indirectly, about us or our affiliates, officers, employees, franchisees (including you or your affiliates), businesses, properties, financial condition, sales trends, management, ownership, past or current business practices or strategies to any person, including, without limitation, the media or any financial analysts, whether verbally or in writing, including, without limitation, any communications or statements that would reasonably be expected to adversely affect our business or reputation or the Domino's System or shareholders of Domino's Pizza, Inc. or its affiliated companies.

20.9 Irreparable Injury and Injunctive Relief.

You acknowledge and agree that the provisions of this Section 20, including, without limitation, the provisions of Sections 20.1, 20.2, 20.5 and 20.9, are necessary to protect our legitimate business interests and the Domino's System, to prevent the unauthorized dissemination of marketing, promotional and other confidential information to our competitors and others outside of the Domino's System, to protect our trade secrets and the integrity of the Domino's System, and to prevent the duplication of the Domino's System. You also acknowledge and agree that damages

alone cannot adequately compensate us if there is a violation of these provisions by you or your owners, that we will suffer irreparable harm arising out of any such violation, and that injunctive relief against you and your owners is essential for the protection of us and our franchisees. Accordingly, we will have the right to petition a court of competent jurisdiction for injunctive relief against you and your owners without posting any bond or security whatsoever, in addition to all other remedies that may be available to us under this Agreement or applicable law.

21. ASSIGNMENT.

21.1 By DPF.

This Agreement is fully assignable by us and the assignee or other legal successor to our interests will be entitled to all of the benefits of this Agreement.

21.2 By Franchisee.

This Agreement is personal to you and your owners (if you are an Approved Entity). Accordingly, neither you nor any of your owners may assign or transfer this Agreement, any interest in this Agreement or, if you are an Approved Entity, any interest in an Approved Entity except as specifically authorized under this Agreement. A transfer of ownership of the Store (or its assets) may only be made in conjunction with a transfer of this Agreement. Any attempted assignment or transfer not in accordance with this Agreement shall have no effect and shall constitute a breach of this Agreement.

21.3 Assignment to an Approved Entity.

We will allow you to assign this Agreement and the Store (and its assets) to an Approved Entity for the convenience of ownership of the Store, provided:

- (a) the Approved Entity conducts no business other than the operation of the Store or other Domino's Pizza Stores (or other related activities authorized under this Agreement);
- (b) the Approved Entity is actively managed by you;
- (c) the person designated as the Controlling Person owns and controls not less than fifty-one percent (51%) of the general partnership interest of such partnership, the equity and voting power of all classes of issued and outstanding capital stock of such corporation, the membership interest in the limited liability company or the voting and ownership interests of such entity; and
- (d) all owners meet our requirements as established from time to time by us and agree to guarantee the obligations of the Approved Entity under this Agreement and to be bound by the terms of this Agreement in the manner prescribed by us.

If you are an Approved Entity or if this Agreement is assigned to an Approved Entity, you must comply with the requirements set forth in this Section 21.3 throughout the term of this Agreement. The organization documents of any Approved Entity owning the franchise, including

all stock certificates, shall recite that they are subject to all restrictions contained in this Agreement. We shall also have the right to require, as a condition of any assignment of this Agreement to an Approved Entity or the operation of the franchise by an Approved Entity, that the owners enter into a buy/sell agreement among themselves in a form and containing such terms as we prescribe for transfers of ownership interests in such Approved Entity. You shall provide us with all documents to be executed in connection with any such assignment and we shall use our reasonable efforts to approve or disapprove these within thirty (30) days after receipt.

21.4 Assignment or Transfer to Others.

We will permit sales, transfers or assignments of this Agreement or, if you are an Approved Entity, of an ownership interest in the Approved Entity to others provided:

- (a) you (and your owners) are not in default under this Agreement or any other agreement with us or our subsidiaries or affiliates or any other creditor or supplier of the Store;
- (b) the proposed transferee or assignee (and its Controlling Person and all other owners if it is an Approved Entity) meets our then applicable standards for franchisees or owners;
- (c) the proposed transferee or assignee (and its owners) is not engaged in any other business activity without our prior written consent, except other Domino's Pizza Stores;
- (d) the proposed transferee or assignee (and its owners if it is an Approved Entity) must sign our then-current form of standard franchise agreement for a term equal to the remaining term of this Agreement or, at our election, the then current term if longer;
- (e) the proposed transferee or assignee (or the person designated by us) must complete all required training to the extent required by us;
- (f) at our request, the proposed transferee or assignee refurbishes the Store in the manner and subject to the provisions prescribed in Sections 9 and 15;
- (g) the proposed transferee or assignee pays us a transfer fee of \$1,500.00; and
- (h) this Agreement is terminated according to the terms of our customary form of mutual termination agreement and customary form of release.

The provisions of (d), (e), (f), (g), and (h) above shall not apply to an approved sale, transfer or assignment by an owner owning a forty-nine percent (49%) or less interest in the Approved Entity except that the proposed transferee or assignee must guarantee the performance by Franchisee of its obligations under this Agreement and agree to be bound by all of the provisions of this Agreement in the form prescribed by us. You must provide us with all documents to be executed by you and/or your owners and the proposed purchasers in connection with any transfer or assignment at least thirty (30) days prior to signing.

21.5 Death or Permanent Disability.

Upon your death or permanent disability or the death or permanent disability of the Controlling Person, this Agreement or the ownership interest of such deceased or permanently disabled Controlling Person must be transferred to a party approved by us. Any transfer, including, without limitation, transfers by devise or inheritance or trust provisions, shall be subject to the same conditions for transfers which are contained in this Agreement. Except as otherwise prescribed by us in writing, your personal representative or the personal representative of such Controlling Person shall submit to us a proposal meeting the requirements for transfer of this Agreement or such ownership interest within one hundred and twenty days (120) days of your death or permanent disability or the death or permanent disability of such Controlling Person. We agree to communicate our approval or disapproval of any such proposal within fifteen (15) days of receipt. We will not unreasonably withhold our consent to the transfer of this Agreement or such ownership interest to your spouse, heirs or relatives or the spouse, heirs or relatives of such deceased or permanently disabled Controlling Person, provided the requirements of Section 21.4 are satisfied. Your personal representative or the personal representative of such deceased or permanently disabled Controlling Person shall complete the transfer of this Agreement or such ownership interest within sixty (60) days from the date of our approval of any such proposal. Upon the death of any other owner, the interest of such owner shall be transferred within a reasonable time to a person meeting our requirements. All such transfers must also comply with Section 21.4 of this Agreement. Your or any of your owners' failure to transfer the interest in accordance with the provisions of this Section shall be considered a breach of this Agreement.

21.6 Definition of Permanent Disability.

You or your Controlling Person, will be deemed to have a "permanent disability" if you or your Controlling Person's usual, active participation in the Store as contemplated by this Agreement is for any reason curtailed for a continuous period of six (6) months.

21.7 Operation by DPF After Death or Permanent Disability.

We shall have the right to appoint a manager for the Store if in our judgment the Store is not being managed properly after your death or permanent disability or the death or permanent disability of the Controlling Person. Our right to appoint a manager for the Store includes the right to temporarily or permanently cease operations at the Store, if in our reasonable judgment continued operation of the Store will adversely affect the Marks, the long term reputation of the Store or the Domino's System, or present a risk to public health, welfare and safety, including the well-being of the employees of the Store. All funds from the operation of the Store during the management by our appointed manager will be kept in a separate fund, and all expenses of the Store including compensation, other costs, and travel and living expenses of our manager will be charged to this fund. We will charge a management fee of five and one-half percent (5 1/2%) (in addition to the royalty fee and advertising contributions payable under this Agreement) during the period in which the Store is managed on your behalf. In managing the Store, our obligation will be to use our reasonable efforts to ensure the Store is properly managed, and neither we nor our affiliates will be liable for any debts, losses or obligations of the Store, to any of your creditors for any products, materials, supplies or services purchased by the Store prior to or during the time of management by our appointed manager. If the separate fund that is established is insufficient to

pay the expenses of the Store, we will notify you or your executor, administrator, conservator or other personal representative and this person must deposit in the fund within five (5) business days, any amount required by us to attain a reasonable balance in the fund.

21.8 Right of First Refusal of DPF.

If you or your owners propose to sell or transfer all or any part of the Store (or its assets) or, if you are an Approved Entity, any ownership interest in an Approved Entity and you or your owners obtain a bona fide, executed written offer to purchase or otherwise transfer or acquire this interest, you or your owners are obligated to deliver a copy of the bona fide offer to us along with all documents to be executed by you or your owners and the proposed assignee or transferee. Our right of first refusal shall commence upon the date of our receipt of the following: (i) the bona fide, executed written offer to purchase, transfer or acquire; (ii) all documents to be executed by you or your owners and the proposed assignee or transferee; (iii) all documents related to the operation of the Store which you are required to provide us, including, but not limited to a current copy of the lease for the Store and such financial statements as are required of you under Section 14.2 of this Agreement; and (iv) your notice that you are specifically submitting the documents to give us the right to exercise our right of first refusal, and shall continue for a period of thirty (30) days thereafter. Failure to submit any one or more of the items, including the notice of the purpose of the submission, shall result in our right of first refusal being extended until 30 days after we receive all of the required documents and the notice. We shall exercise the right to purchase or otherwise acquire the Store (or its assets) or such ownership interest for the price and on the terms and conditions contained in the offer by giving written notice to you or your owners. We may substitute equivalent cash for any form of payment proposed in such offer or designate a substitute purchaser or transferee for the Store (or the assets) or the ownership interest being offered, provided that we will assume responsibility for the performance of any other purchaser we may designate. If the offer is to purchase the interest of a Controlling Person and is for less than all of the outstanding interests of the Approved Entity, we shall also have the right, during the same period of time described above and upon written notice to the other owners, to purchase or otherwise acquire the remaining shares of capital stock, partnership interest or membership interest at a per share or per unit or interest price (or other terms) equivalent to the price (or other terms) being offered under the bona fide offer to the Controlling Person. If we do not exercise this right of first refusal, the offer may be accepted by you or your owners, subject to our prior written approval as provided in this Agreement. If the offer is not accepted by you or your owners, within sixty (60) days, we will again have the right of first refusal to purchase or otherwise acquire the Store as described above. This section will not apply to transfers made in accordance with Section 21.3 of this Agreement.

22. CONTRACT INTERPRETATION AND ENFORCEMENT.

22.1 Effect of Waivers.

No waiver by us of any breach or a series of breaches of this Agreement shall constitute a waiver of any subsequent breach or waiver of the performance of any of your obligations under this Agreement. Our acceptance of any payment from you or the failure, refusal or neglect by us or you to exercise any right under this Agreement or to insist upon full compliance with our or

your obligations under this Agreement or with any specification, standard or operating procedure or rule will not constitute a waiver of any provision of this Agreement.

22.2 Cost of Enforcement.

If any legal or equitable action is commenced, either to challenge, interpret, or to secure or protect our rights under or to enforce the terms of this Agreement, in addition to any judgment entered in our favor, we shall be entitled to recover such reasonable attorney's fees as we or anyone acting on our behalf may have incurred together with court costs and expenses of litigation.

22.3 Indemnification of DPF.

If we or any of our subsidiary or affiliated companies or any of our or their agents or employees are required to produce records or testify at trial or in deposition or are subjected to any claim, demand or penalty or become a party to any suit or other judicial or administrative proceeding brought by any person or persons (including your employee or prior employee) or any other person or entity by reason of any claimed act or omission by you, your employees or agents, or by reason of any act or omission occurring on the Store premises, or in your delivery service area, or while on the way to or from the delivery service area, by reason of an act or omission with respect to the business or operation of the Store, including but not limited to acts or omissions arising out of the maintenance or use of a motor vehicle or while making a delivery or returning from making a delivery, or any limitations on delivery service, you shall defend and indemnify and hold us, our subsidiary and affiliated companies, or any of our or their agents or employees, harmless against all judgments, settlements, penalties, and expenses, including attorney's fees, court costs and other expenses of litigation or administrative proceeding, incurred by or imposed on us, our subsidiary and affiliated companies, or any of our or their agents or employees, in connection with the testimony, production, investigation or defense relating to such claim or litigation or administrative proceeding. Your indemnification obligations described above will continue in full force and effect after, and notwithstanding, the expiration or termination of this Agreement.

22.4 Construction and Severability.

Section headings are for convenience only and shall not limit the enforceability or obligations contained therein. All references in this Agreement to the singular shall include the plural where applicable, and all references to the masculine shall include the feminine and vice-versa. If any part of this Agreement for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. If any applicable law or rule requires a greater prior notice of the termination of or election not to renew this Agreement, or the taking of some other action than is required under this Agreement, the prior notice or other requirements required by this law or rule shall be substituted for the requirements of this Agreement. If any covenant in this Agreement which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity, prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, the parties agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. For purposes of this Agreement, the term "affiliate or affiliates" shall mean any entity or entities controlled by,

controlling, or under common control or common ownership with Franchisee (or any of its Owners) or DPF, as the case may be.

The rights and remedies of each party under this Agreement are cumulative, and no exercise or enforcement by a party of any right or remedy hereunder will preclude the exercise or enforcement of any other right or remedy hereunder.

22.5 Scope and Modification of Agreement.

This Agreement constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties regarding the subject matter of this Agreement, provided that nothing in this Agreement or in any related agreement is intended to disclaim the representations we made in any franchise disclosure document we delivered to you in connection with this Agreement. No modification, waiver, termination, rescission, discharge or cancellation of this Agreement shall affect the right of any party to enforce any claim or right under this Agreement, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge or cancellation.

22.6 Governing Law.

The terms and provisions of this Agreement shall be interpreted in accordance with and governed by the laws of the State in which the Store is located.

22.7 Notices.

All written notices permitted or required to be delivered by the provisions of this Agreement or of the Operating Manual shall be deemed so delivered when delivered to you or the Store by: (i) hand delivery; (ii) three (3) days after having been placed in the United States Mail by Registered or Certified Mail; (iii) one (1) day after being placed in the hands of a commercial courier service for next day delivery; or (iv) one (1) day after transmission by facsimile or other electronic system (including via e-mail and including e-mails which you are the only addressee or one of multiple addressees). Notices delivered pursuant to this section including, without limitation, e-mail, shall be addressed to us at our most current principal business address or to you at the most current principal business address, e-mail address or home address of which we have been notified in writing. You are obligated to provide us with a correct current address for your home and business and to notify us of any change in address within ten (10) business days. If you maintain an e-mail address for your business you agree to provide us with your business e-mail address and notify us of any change in your e-mail address within ten (10) business days. You understand and agree that providing us with notice of changes in addresses (including e-mail address) shall be made in the manner provided in this section for giving notices. If you fail to timely notify us of a change of address (including e-mail, business or home), all notices sent to the prior address will be deemed properly delivered.

22.8 Independent Contractors.

The parties to this Agreement are independent contractors and no training, assistance or supervision which we may give or offer to you shall be deemed to negate such independence or create a legal duty on our part. Neither we nor any of our affiliates shall be liable for any damages

to any person or property arising directly or indirectly out of the operation of the Store, including but not limited to those damages which may occur while your employees are making or returning from making deliveries, or arising out of your delivery service policies. Nor shall we or any of our affiliates have any liability for any taxes levied upon you, your business, or the Store. The parties further acknowledge and agree the relationship created by this Agreement and the relationship between us is not a fiduciary relationship nor one of principal and agent. Furthermore, neither we nor our affiliates have any relationship with your employees and have no rights, duties, or responsibilities with regard to their employment by you. You acknowledge and agree that you do not have the authority to act for or on our behalf or to contractually bind us or our affiliates to any agreement. No party to this Agreement shall have any authority to assume any liability for the acts of the other, or to alter the legal relationships of the other. Only the named parties to this Agreement shall have rights hereunder and you shall not have any rights under any other franchise agreement to which you are not a party.

22.9 Standard of Reasonableness.

Unless otherwise stated in this Agreement, we agree to exercise reasonable judgment with respect to all determinations to be made by us under the terms of this Agreement.

22.10 Acknowledgments.

(a) The following acknowledgments are made by and binding upon all franchisees signing this Agreement, except those franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

(i) You acknowledge that you have read this Agreement and our Franchise Disclosure Document and been given an opportunity to obtain clarification of any provision that you did not understand.

(ii) You acknowledge that you have conducted an independent investigation of the business contemplated by this Agreement and recognize that it involves business risks making the success of the venture largely dependent upon your business abilities.

(iii) We expressly disclaim the making of, and you acknowledge that you have not received or relied upon, any warranty or guarantee, express or implied, as to the potential volume, profits or success of the business venture contemplated by this Agreement.

(b) You acknowledge that you have conducted an independent investigation of the Store's delivery and service area and are familiar with the boundaries and the nature and extent of any areas that might present a danger to you or your employees. In addition, you acknowledge and agree that this Agreement may not be modified, amended or changed except by a writing signed by all parties. You also acknowledge that this Agreement has been executed by us in the State of Michigan and that this Agreement is to be performed in part through services rendered in the State of Michigan.

22.11 Binding Effect.

This Agreement is binding upon the parties and their heirs, approved assigns and successors in interest.

22.12 No Waiver or Disclaimer of Reliance in Certain States.

The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by DPF, any franchise seller, or any other person acting on behalf of DPF. This provision supersedes any other term of any document executed in connection with the franchise.

22.13 Effective Date of this Agreement.

This Agreement shall become effective upon the date of its acceptance and execution by us.

COVENANTS OF OWNERS

The undersigned individuals (the "Owners") represent and warrant to DPF that they are all of the owners of Franchisee or otherwise have a direct or indirect interest in the success of Franchisee and that the person designated below as the Controlling Person is the Controlling Person of the Approved Entity under this Agreement. Further, to induce DPF to enter into this Agreement and grant the franchise to Franchisee, each of the Owners, on behalf of themselves and each of their affiliates, hereby jointly and severally guarantees the performance by Franchisee of its obligations under this Agreement and agrees to be bound by all of the provisions of this Agreement, including, without limitation, the restrictions contained in Sections 20 and 21 of this Agreement, provided that the liability of the Owners and their affiliates to DPF under their guarantee, other than the Controlling Person and his or her affiliates, shall be based upon the percentage of such Owner's ownership interest in Franchisee.

Each Owner acknowledges and agrees that:

(1) The Approved Entity shall be managed solely by the Controlling Person and that the Controlling Person may not be removed by any action of the Approved Entity or its Owners without the prior written consent of DPF;

(2) The Controlling Person shall at all times during the continuation of this Agreement have not less than fifty one percent (51%) of the equity and voting power and/or interests in the Approved Entity unless otherwise approved in writing by DPF and any provision or term in the governing or establishing documents for the Approved Entity or any agreement between the Owners to the contrary is and shall be void for all purposes;

(3) The establishing or governing documents for the Approved Entity do not provide for a "supermajority" or other voting structure that would require the Controlling Person to have more than 51% of the equity and voting structure in order to maintain control over the Approved Entity and that no Owner(s) has any type of "veto" rights and that no voting trusts have been established which would restrict or limit the voting control of the Controlling Person. If such provision or term exists in the establishing or governing documents or other agreements, the Owners agree that it shall be void for all purposes;

(4) The Controlling Person has, as of the date of execution of this Agreement, the option, but not the obligation, exercisable on thirty (30) days notice, to purchase any or all of the equity and voting interest owned by the other Owners for a sum certain which has been determined prior to the execution of this Covenant of Owners (which may be modified by the Owners). If for any reason all Owners have not agreed upon a purchase price, the undersigned Owner(s) agree that the purchase price for their interest shall be the fair market value for all of the Domino's Pizza Stores, Domino's Pizza Non-Traditional and Domino's Pizza Transitional Stores which the Approved Entity operates as determined by an independent appraiser selected by the Controlling Person and the Owners holding a majority of the remaining interests. If the Controlling Person and the Owners holding a majority of the remaining interests cannot agree on an independent appraiser, the Controlling Person shall select an independent appraiser and the

Owners holding a majority of the remaining interests shall select an independent appraiser and those two (2) appraisers shall select a third independent appraiser. The third independent appraiser selected by the two (2) appraisers shall determine the fair market value of the equity and voting interest owned by the Owners and the determination of the third independent appraiser shall be final and binding on all parties. If an independent appraiser is not selected through this process within sixty (60) days, DPF shall have the right to select an independent appraiser whose determination of the fair market value shall be binding and final on all parties and DPF shall incur no liability for doing so. The result of such computation shall be multiplied by the ratio that the Owner's interest bears to all outstanding ownership interests in the Approved Entity. Upon tendering the purchase price for each Owner's interest, the Owners hereby agree to convey such interest and such commitment shall be subject to enforcement by any court of competent jurisdiction through specific performance;

(5) If the Controlling Person receives a bona-fide offer and desires to sell the franchise, the Franchisee can require the other Owners to sell his/her interest in accordance with the terms of the bona-fide offer.

(6) None of the Owners has given, received or taken any security interest in this Agreement or any pledge of any equity or interest in the Approved Entity and no such security interest or pledge shall be given, received or taken during the continuation of this Agreement;

Each Owner also acknowledges and agrees, on behalf of such Owner and each of their affiliates, that DPF may apply any monies DPF may owe to any Owner or any of his/her affiliates, including, without limitation, from any profit sharing arrangements, to satisfy or offset amounts owed by Franchisee or any Owner or their affiliates to us or our affiliates under the Franchise Agreement or any other agreement. Each Owner also acknowledges and agrees, on behalf of himself/herself and each of their affiliates, that DPF shall have recourse against and be entitled to pursue the assets of any other Domino's Pizza store owned by such owner and his or her affiliates to recover or satisfy any amounts owed by Franchisee or any Owner or their affiliates to us or our affiliates under the Franchise Agreement or any other agreement.

These Covenants of Owners are intended to modify and supersede any provisions of the establishing or governing documents for the Approved Entity or other agreement between the Owners which are inconsistent with its terms. In the event of any inconsistency between these Covenants of Owners and any other agreement or governing or establishing document, these Covenants of Owners shall control. The undersigned acknowledge that the execution of these Covenants of Owners are conditions to approval by DPF of assignment or entry of this Agreement with DPF, and DPF shall be entitled to refuse to acknowledge or recognize any provisions of the governing or establishing documents of the Approved Entity which are inconsistent with the terms of these Covenants of Owners or this Agreement. Each of the Owner(s) agree that in the event that any of the governing or establishing documents for the Approved Entity are inconsistent with the provisions of these Covenants of Owners, the Controlling Person is granted the authority and power to modify or amend such provision and each Owner agrees to cast any necessary vote in favor of the amendment of such document or to execute such agreement as will reconcile these Covenants of Owners and the applicable document or agreement. The undersigned further agree

that the governing and establishing documents of the Approved Entity shall not be amended, modified, deleted, novated or otherwise changed in any manner without the prior written consent of DPF.

WASHINGTON STANDARD FRANCHISE AGREEMENT ADDENDUM

The following language is added to the end of the Standard Franchise Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

Dated this _____ day of _____ 20_____.

DOMINO'S PIZZA FRANCHISING LLC

NON-TRADITIONAL STORE FRANCHISE AGREEMENT

This Non-Traditional Store Franchise Agreement, including the Covenants of Owners (this "Agreement") is being entered into between Domino's Pizza Franchising LLC, a Delaware liability company ("we", "DPF" or "us" in this Agreement), and

"you" or "franchisee" in this Agreement). If you are a corporation, partnership, limited liability company or other entity approved by us (the "Approved Entity"), the term "owners" in this Agreement shall refer to your shareholders, affiliates, partners, members or other interest holders. Unless otherwise approved by DPF, the term "Controlling Person" refers to the person who owns fifty one percent (51%) or more of: the general partnership interest of such partnership; the equity and voting power of all classes of the issued and outstanding capital stock of such corporation; the membership interests of such limited liability company or the voting and ownership interests of such other entity.

1. INTRODUCTION.

We are in the business of franchising retail outlets specializing in the sale of pizza and other authorized food and beverage products and featuring carry out and delivery services. These outlets are known as "Domino's Pizza" stores and conduct business under a uniform business format, with specially designed equipment, computer hardware and software designated by us, and specifications for the preparation and sale of pizza and certain authorized food products (the "Domino's System"). We have obtained the license to use and the right to sublicense the use of certain valuable trademarks, service marks and commercial symbols in connection with the operation of Domino's Pizza Stores including the mark "Domino's Pizza." We grant franchises for the sale of Domino's Pizza and other authorized products and services at or from nontraditional locations and venues, alternative sites and mobile stores utilizing the Domino's System. These locations are identified as Domino's Pizza Pizzazz Stores, Domino's Pizza C Stores, Domino's Pizza Express Stores, Domino's Pizza Micro Market Stores or other names associated with Domino's Pizza depending upon the site, location or venue (individually or collectively known as "Domino's Pizza Non-Traditional Store(s)").

You have applied to us for a franchise to operate a Domino's Pizza Non-Traditional Store at the location identified in this Agreement using the trademarks, service marks and commercial symbols as we may approve or designate from time to time (the "Marks.") Your application has been approved by us in reliance upon all of the representations made in your application including those concerning your financial resources, your other investments and interests and the manner in which the franchise will be owned and operated.

You understand and agree that the terms and conditions contained in this Agreement are necessary to maintain our high standards of quality and service and the uniformity of those standards.

You understand that a Domino's Pizza Non-Traditional Store is intended to serve a certain niche market by offering carry-out service only, with dine in facilities only at such times and locations as we may from time to time approve in advance. Domino's Pizza Non-Traditional Stores do not offer delivery services.

2. GRANT AND TERM OF FRANCHISE.

2.1 Grant.

Subject to the terms of this Agreement, DPF grants to you a franchise to operate a Domino's Pizza Non-Traditional Store (the "Store") and a sublicense to use the Marks at the following location:

Store # at: _____

Except as otherwise provided herein, you understand that your rights are non-exclusive and that nothing in this Agreement shall entitle you to any rights to operate a Store at any other location or to prohibit DPF to operate or franchise the operation of a Domino's Pizza Store, Domino's Pizza Non-Traditional Store or any other retail outlet at any other site, location or venue.

2.2 Term of Franchise.

The term of this Agreement shall be for a period of ten (10) years, commencing on the date of opening of the Store (or if this Agreement is being signed in connection with a renewal or transfer of the franchise, commencing on the day following the expiration or termination of the previous franchise agreement, as the case may be).

3. RENEWAL OF FRANCHISE.

3.1 Option to Renew.

You may, at your option, renew the franchise for one additional ten (10) year term, provided:

- (a) you are not in material default of any provision of this Agreement or any other agreement with us or our subsidiaries or affiliates or any other creditor or supplier of the Store and have substantially complied with the terms and conditions of these agreements during their terms. For purposes of this Section 3.1(a), "substantial compliance" shall mean that you have not (i) breached or violated the terms of this Agreement on six (6) or more occasions during the term of this Agreement or on three (3) or more occasions during the last twenty four (24) months prior to the expiration of the term of this Agreement regardless of whether or not you cured any such breach or violation, or (ii) engaged in any conduct or act described in Section 18.2.1 of this Agreement at any time during the term of this Agreement regardless of whether or not you cured any such breach or violation;

(b) you refurbish the site as provided in Sections 9 and 15 of this Agreement or, if we require, agree to relocate the premises of the Store to a location approved by us and develop the premises in accordance with our then current requirements. If we require you to relocate the premises of the Store, you will be entitled to credit the costs of developing the new premises toward any refurbishing obligations you may have under the franchise agreement executed in connection with such renewal; and

(c) subject to applicable laws, you and your owners agree to execute a general release, in a form then prescribed by us, of any claims arising out of this Agreement against us and our affiliates, and our and their officers, directors, managers, agents, representatives and employees.

This option to renew may not be exercised unless all of the preceding conditions are fully satisfied. The option to renew is personal to you and may not be exercised by any other person or entity without our prior written consent.

3.2 Manner of Renewal.

The new franchise agreement you must execute to renew the franchise shall be our then current form of standard franchise agreement. You must also sign all other agreements we customarily require at the time of the renewal of the franchise. You understand that the renewal franchise agreement may provide for higher royalty fees and greater expenditures for advertising and promotion than are provided for in this Agreement and may contain other terms materially different from the terms of this Agreement. The area of primary responsibility of the Store, if any, will not be modified unless such modification is consistent with criteria then in effect for comparable market areas. There will be no initial franchise or similar fee charged upon a renewal of the franchise. You will also be entitled to renew the franchise at the end of the renewal term in accordance with the renewal provisions, if any, contained in the franchise agreement executed by you in connection with your renewal of the franchise.

3.3 Notification of Expiration.

Provided you are in compliance with this Agreement, including the provisions of Section 3.1, we will send all agreements relating to renewal of the franchise for your review and execution approximately six (6) months prior to the expiration of this Agreement along with a notification of the expiration of this Agreement. Your failure to return these agreements to us within thirty (30) days of receipt will be deemed an election by you not to renew this Agreement. Our notice will also state what actions, if any, you must take to correct the deficiencies in your operation of the Store or whether we will require you to relocate or refurbish the premises of the Store as provided in Section 3.1 above. We also will specify the time period in which these deficiencies must be corrected or by which the refurbishing or relocation and development of the new premises must be completed, provided that, in the event that the then current term of your lease or any renewal lease does not expire concurrently with the expiration of this Agreement, we will not require you to complete a relocation of your Store and development of the new premises until the expiration of the then current term of your lease or any renewal lease or other instrument or agreement granting you the right to occupy the premises of the Store. If we require you to

relocate the Store, our notice will identify the reasons for requiring relocation. Renewal of the franchise will be conditioned on your continued compliance with all the terms and conditions of this Agreement and all other agreements with us and our affiliates and subsidiaries and all other creditors and suppliers of the Store up to the date of expiration.

4. TERRITORIAL RIGHTS AND OBLIGATIONS.

4.1 Area of Primary Responsibility.

The premises of the Store will be your Area of Primary Responsibility

Provided you are in compliance with the terms of this Agreement, and except as otherwise provided in Section 4.3, neither we nor our affiliates will not operate or grant a franchise for the operation of a Domino's Pizza Non-Traditional Store during the term of this Agreement whose area of primary responsibility overlaps your Area of Primary Responsibility.

5. OPENING ADVERTISING AND PROMOTION EXPENDITURE.

If you (or the Controlling Person if you are an Approved Entity) are opening your (or his or her) first Domino's Pizza Store, Domino's Pizza Pizzazz Store or Domino's C Store, you must submit to us proof no later than ninety (90) days after opening of the Store that you have spent at least Three Thousand Dollars (\$3,000.00) on grand opening advertising and promotion.

6. ROYALTY FEE AND OTHER CHARGES.

6.1 Amount and Payment.

During the term of the franchise, you agree to pay us a royalty fee of five and one half percent (5½%) of the weekly royalty sales of the Store. This fee must be paid by Thursday of each week on royalty sales for the week ending on the preceding Sunday. Payment must be made by electronic funds transfer as provided in Section 6.4 below or as we may otherwise designate from time to time.

6.2 Definition of Royalty Sales.

The term "royalty sales" means the total receipts from all sales by the Store of all pizza, beverages and other products or services authorized for sale at the Store or at any approved off site location but exclusive of sales or equivalent taxes, coupon and similar discounts, and beverage container deposits approved by us. Premium or similar promotional items must be included in computing royalty sales unless these items have been sold at or below cost by the Store. Premium or similar promotional items shall not be deemed to include any food or beverage item unless otherwise specified to us.

6.3 Interest on Late Payments.

All royalty fees, advertising contributions and all other amounts owed to us pursuant to this Agreement will bear interest after the due date at the rate of one and one half percent (1½%) per

month or at the highest legal rate for open account business credit in the state in which the Store is located, whichever is lower.

6.4 Electronic Funds Transfer.

You must participate in an electronic funds transfer program under which royalty fees and advertising contribution payments are deducted or paid electronically from your bank account. We may permit you to initiate payments via a system established or approved by us, or at our option, require you to authorize us to initiate debit and/or credit entries and/or credit correction entries to your Store bank operating account (the "Account") for payment of royalty fees and advertising contributions on forms we prescribe. In the event you are required to authorize us to initiate debit entries, you agree to make the funds available in the Account for withdrawal by electronic transfer no later than the due date for payment. The amount actually transferred from the Account to pay royalty fees and advertising contributions will be based on the Store's royalty sales reported to us. If you have not reported royalty sales of the Store to us for any reporting period, we will be authorized to debit the Account in an amount equal to the royalty fee transferred from the Account for the last reporting period for which a report of the royalty sales of the Store was provided to us. If at any time we determine that you have under reported the royalty sales of the Store or underpaid royalty fees or advertising contributions due us under this Agreement, we will be authorized to initiate immediately a debit to the Account in the appropriate amount in accordance with the foregoing procedure, including interest as provided for in this Agreement. An overpayment will be credited to the Account through a credit effective as of the first reporting date after we and you determine that such credit is due. Our use of electronic funds transfers as a method of collecting royalty fees and advertising contributions due us does not constitute a waiver of any of your obligations to provide us with weekly sales reports as provided in Section 14.2 nor shall it be deemed a waiver of any of the rights and remedies available to us under this Agreement. If, for any reason other than your fault or neglect, the electronic funds transfer program in which we require you to participate is not functioning so as to allow you to pay the amounts due under this Agreement to us, you may seek permission from us to make payment by mail for the period of time that the electronic funds transfer system is not functioning. If we grant permission for you to make payment by mail, we will specify the day by which payment must be postmarked and paid for any week on royalty sales for the week ending on the preceding Sunday.

6.5 Application of Payments.

When we receive a payment from you, we have the right in our sole discretion to apply it as we see fit to any past due indebtedness of yours due to us or our affiliates, whether for royalties, advertising contributions, purchases, interest, or for any other reason, regardless of how you may designate a particular payment to be applied. In addition, we may offset any amount otherwise due under any discount or rebate program against any amount owed to us.

7. STORE LOCATION.

7.1 Location and Use.

You may operate the Store only at the location specified in Section 2.1 and you may not relocate the Store except with our prior written consent. The Store premises may only be used for

the operation of a Domino's Pizza Non-Traditional Store and other related activities approved by us in writing. You shall not allow the premises of the Store to be used for any purpose which in our judgment, adversely affects the reputation of the Store or the goodwill associated with the Marks or involves dishonesty, fraud, deceit, illegal conduct, misrepresentation, or moral turpitude.

7.2 Relocation; Damage, or Condemnation.

In the event the Store is destroyed or rendered unusable, we may grant permission for the Store to be repaired, restored or reconstructed at the existing location. Any repair, restoration, reconstruction or relocation will be at your sole expense. The Store, whether we grant permission for you to repair, restore, reconstruct or relocate, must be open and operating no later than six (6) months after its closure. In addition, within ten (10) days of vacating the Store premises, you must make such reasonable modifications to the exterior and interior of the Store (including signage, menu boards, job aids, product photos, and the like) as we require to fully eliminate its identification and appearance as a Domino's Pizza Store. If you fail or refuse to fully de-identify the Store to the extent and in the manner required by this Agreement, we may, at our option and in addition to other rights and remedies we may have, make the modifications that are contemplated by this Agreement on your behalf and you agree to promptly pay and reimburse us on demand for any costs incurred by us including, without limitation, the proportionate compensation of our employees who devote time and render services in the de-identification of the Store.

7.3 Location and Operation of Commissary.

Any commissary operated by you in connection with the Store may be located only at the premises of the Store or other premises approved by us in writing and must be operated in accordance with commissary standards prescribed by us from time to time. Such commissary must be owned by you and operated by you and your employees exclusively for the benefit of the Store or other Domino's Pizza Stores or Domino's Pizza Non-Traditional Stores owned by you and may not be owned or operated by any other person or entity without our prior written consent. You may not open or operate a commissary unless you have received prior written notification from us that you have satisfied in advance all of our requirements for the operation of a commissary, including all required training of commissary personnel.

7.4 Store Lease.

Unless otherwise agreed to by us in writing, if the property on which the Store is located is not owned by you, you must maintain a lease for the site of the Store (including the lease for the site of the commissary, if any, to be operated by you in connection with the Store) which shall contain such terms as we specify from time to time for all leases of a similar type. Each original lease, renewal leases and lease addenda and modification of any type must be submitted to us prior to execution for our examination and approval that it contains the terms we require in all leases. You must provide us with a copy of the executed lease, any renewal lease, and any addenda and modification or other instrument or agreement governing occupancy of the premises within thirty (30) days after execution by you and the landlord.

7.5 Assumption of Lease on Termination or Expiration.

Upon the termination or expiration of the franchise for any reason, other than a termination by you for cause, we or our designee shall have the right to assume or designate one of our affiliates to assume, your status and replace you as lessee or occupant of the premises. You agree to execute an assignment of your interest in the lease promptly upon our request. Upon exercise of our or our affiliate's right to assume your status as lessee, and your compliance with the other provisions of this section, you will be fully released and discharged from all liability for rent and all other future liability under the lease or the instrument or agreement by which you occupy the premises (although not from any liability for unpaid rent or charges or any other then existing liability to the lessor or owner, including, without limitation, any damages to the premises or restoration costs). If we exercise our right to assume, or have our affiliates assume your lease or other instrument or agreement by which you occupy the premises, we will indemnify you and hold you harmless against any claim made for future rent or charges or other future liability under the lease or instrument or agreement. We will also notify you within ninety (90) days of obtaining your written assignment of your interest in the lease of any damages to the premises or restoration costs for which you are liable or responsible.

7.6 Ownership of Store Premises.

If you, or any entity that you own or control, owns any interest in the real estate where the Store is located, you agree to furnish to us upon request, a copy of the deed and any other document relating to the title to the real estate and a copy of your owner's policy of title insurance.

We may specify brands, types or models for any of these items. You may purchase items meeting our specifications from any source unless we designate an approved source or sources for any of these items. If you propose to purchase or lease items not previously approved by us as meeting our specifications or from a vendor not approved by us, you must first notify us and we may require submission of sufficient specifications, photographs, drawings and/or other information and samples to determine whether any such item or supplier meets our specifications or our approved vendor criteria. We will advise you within a reasonable time whether any proposed item or vendor meets our specifications or our approved vendor criteria. You agree to use only such items that meet our specifications in the operation of the Store and to purchase them from approved vendors, if we so require. You understand, however, that we or our affiliates or an approved vendor may be the only source for some of these items and that we may otherwise limit the number of approved vendors. We reserve the right to charge you for our reasonable expenses in testing and/or evaluating any proposed item or vendor submitted by you.

8.3 Store Opening.

You agree to complete development of the Store and have the Store ready to open within a reasonable time after obtaining possession of the site for the Store and in accordance with the lease or other agreement for occupancy of the premises. Your advertising contribution must be postmarked on Monday and paid by Wednesday of each week on royalty sales for the week ending on the preceding Sunday or by Thursday, if paid by electronic funds transfer as provided in Section 6.4 of this Agreement. All Domino's Pizza Non-Traditional Stores owned by us or our affiliates will contribute to the cost of such advertising and promotion programs on at least the same basis as you. In addition to the advertising contribution payable by you under Section 13.1, you agree to pay any contributions that we require you to make for expenditures by these local or regional cooperatives or that may be otherwise approved by these cooperatives or for local advertising if no cooperative exists. If there is no advertising cooperative or if the Stores participating in a cooperative have not agreed upon a percentage of royalty sales to be contributed to the cooperative, you must expend or contribute to the cooperative, respectively, an amount we specify up to and including two percent (2%) of royalty sales. If a cooperative exists and sixty-five percent (65%) or more of the Stores agree to contribute or are contractually obligated to contribute a specified percentage of royalty sales to the cooperative, then we can require you to make the same percentage contribution to the cooperative as the other Stores in the cooperative. All Domino's Pizza Stores participating in a cooperative shall contribute no less than 2% of royalty sales. All Stores which are contractually obligated to contribute the specified percentage of royalty sales voted upon by the cooperative shall be counted as a favorable vote, whether or not they attend or vote at the meeting. We will notify you within ten (10) days of our receipt of your notice when the independent audit will commence. You agree to cooperate with all personnel conducting the audit. The results of the independent audit shall be binding upon the parties. You agree to pay any deficiencies within ten (10) days after receipt of our audit or, if applicable, the independent audit requested by you. You and your owners agree to fully comply and cooperate with any and all audits, including, but

not limited to, you, your owners and your employees treating our personnel in a professional manner.

You acknowledge that specifications, standards or procedures may differ for a Domino's Pizza Store and Domino's Pizza Non-Traditional Store. By entering into this Agreement, you agree to abide by these specifications, standards, operating procedures and rules and to fully adopt and implement them.

15.2 Compliance with Laws and Other Business Practices.

You agree to secure and maintain in force all required licenses, permits and certificates and operate the Store in full compliance with all applicable laws, ordinances and regulations. You also agree to pay when due all amounts payable pursuant to any provision of this Agreement or any other agreement with us or our affiliates or subsidiaries or pursuant to any agreement with any other creditor or supplier of the Store. You shall file all tax returns and pay all taxes before they become delinquent. You agree not to permit any levy or warrant to be issued by any taxing authority or other creditor (excluding mechanics liens and other immaterial liens), against any of your assets, nor allow any of your assets to be seized or frozen by any taxing authority or other creditor. Furthermore, if you are subject to any withholding taxes on royalty fees or other payments, you shall provide us with quarterly evidence that such tax has been remitted to the appropriate governmental agency on a quarterly basis.

You agree to abide by the Payment Card Industry Data Security Standards enacted by the applicable Card Associations, applicable to your business. If you know or suspect a security breach, you shall immediately notify us. You shall promptly identify and remediate the source of the compromise. You assume all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transactions concerning your customers. Without limiting the generality of other provisions of this Agreement, you agree to defend, indemnify and hold us and our affiliates harmless from and against any and all claims, demands, duties, obligations, damages, fines and/or penalties imposed upon you as a result of non-compliance with the Payment Card Industry requirements.

You and your owners acknowledge that Executive Order 13224 (the "Executive Order") prohibits transactions with terrorists and terrorist organizations and that the government of the United States has adopted and may in the future adopt other anti-terrorism measures (the "Anti-Terrorism Measures"). You certify that neither you or your owners nor any of your employees, affiliates or any other person or entity associated with the Store is: (1) a person or entity listed in the Annex to the Executive Order; (2) a person or entity otherwise determined pursuant to the Executive Order to have committed acts of terrorism or to pose a significant risk of committing acts of terrorism (such a person or entity and those persons and entities listed in the Annex to the Executive Order are referred to herein as "Terrorists"); (3) a person or entity who assists, sponsors or who supports Terrorists or acts of Terrorism ("Sponsors of Terrorism"); or (4) owned or controlled by Terrorists or Sponsors of Terrorism. Furthermore, you covenant that neither you or your owners, nor any of your employees, affiliates or any other person or entity associated with the Store shall, during the term of this Agreement, become a person or entity described in clause (1), (2) or (3) above, or shall otherwise become a target of any Anti-Terrorism Measures. Should you or any of your owners, employees, affiliates, or any person or entity associated with the Store,

violate the provisions of this paragraph, we will have the right to immediately terminate this Agreement.

15.3 Pricing.

We reserve the right, to the fullest extent allowed by applicable law, to establish maximum, minimum, or other pricing requirements with respect to the prices you may charge for products and services, including pricing we prescribe from time to time for any national, regional or local advertising or promotion.

15.4 Operating Manual.

We will loan to you during the term of the franchise one or more copies of an operating manual or operational bulletins or similar materials containing mandatory and suggested specifications, standards and operating procedures and rules prescribed from time to time by us and information relative to your other obligations under this Agreement and the operation of the Store (the "Operating Manual"). We will provide you with a manual or access to an electronic copy of the Operating Manual. The entire contents of the Operating Manual will remain confidential and is proprietary to us and our affiliates. We will have the right to add to and otherwise modify the Operating Manual from time to time, if deemed necessary to improve the standards of service or product quality or the efficient operation of the Store, to protect or maintain the goodwill associated with the Marks, to take advantage of advancements in technology, or to meet competition. No such addition or modification, however, shall alter your fundamental status and rights under this Agreement. The provisions of the Operating Manual as modified from time to time, including the mandatory specifications, standards and operating procedures and rules prescribed from time to time by us and communicated to you in writing, will constitute provisions of this Agreement as if contained in this Agreement.

15.5 New Concepts.

If you develop any new concept, process or improvement or any slogan in the operation or promotion of the Store, or technology used in connection with the operation of the Store, you agree to promptly notify us and provide us with all necessary information without compensation. You acknowledge that any such concept, process or improvement or slogan shall become our property and that we may utilize or disclose this information to other franchisees.

15.6 Franchisee Must Directly Supervise Store.

The Store shall at all times be under the direct, on premises supervision of you (or the Controlling Person if you are an Approved Entity). You (or the Controlling Person if you are an Approved Entity) must devote full time and efforts (excluding reasonable vacation periods) as manager of the Store or to the management of other Domino's Pizza Stores or Domino's Pizza Non-Traditional Stores (or other related activities approved by us in accordance with Section 7.1 of this Agreement). You shall be solely responsible for recruiting, hiring, training, scheduling for work, supervising and paying the persons who work in the Store and those persons shall be your employees, and not our agents or employees. Further, neither you nor any of your owners may, during the term of this Agreement, without our prior written consent, which may be withheld in our sole judgment, (i) engage, or own any interest, in any other business activity, (ii) be employed

by any other business, (iii) engage in any activity which may impair your ability to fulfill your obligations under this Agreement or (iv) engage in any conduct which, in our judgment, adversely affects the reputation of the Store or the Domino's System or the goodwill associated with the Marks or involves dishonesty, fraud, deceit, illegal conduct, misrepresentation or moral turpitude.

If you own more than one Store, each Store must also be under the direct, on premises supervision of a manager, whose conduct (including, without limitation, acts or failure to act) you will be responsible for, and:

- (a) who has been properly trained by you on all specifications, standards, operating procedures and rules from time to time prescribed for the operation of a Domino's Pizza Store including, without limitation, proper reporting of royalty sales;
- (b) whose identity has been disclosed to us; and
- (c) who shall have executed, upon our request, an agreement in the form provided by us agreeing not to divulge any trade secret or confidential or proprietary information, including the contents of the Operating Manual, or to engage in or have any interest in any other carry out or delivery pizza store business.

15.7 Insurance.

You shall at all times during the term of the franchise maintain in force at your sole expense:

- (a) property insurance on a replacement cost basis at a minimum limit based on the total value of your assets (including, but not limited to, fire, extended coverage, vandalism and malicious mischief),
- (b) general liability insurance with a minimum limit of \$1,500,000.00 per occurrence (including, but not limited to, coverage for personal injury, products and contractual liability),
- (c) automobile liability insurance with a minimum limit of \$1,500,000.00 per occurrence (including, but not limited to, owned automobiles titled or leased in the name of you or your owners and used at any time, whether principally or occasionally in your business, hired and non-owned coverage). If you or your owners do not use a vehicle owned or leased in the name of you or any of your owners in your business, you must provide written evidence of that fact, satisfactory to us; and
- (d) workers' compensation insurance (in your name) as required by applicable law. If no such law exists, then you must participate in such other comparable insurance or benefit programs for your employees as required by us. If your state recognizes and permits self-insurer programs, your participation in such program will satisfy our requirements under this subsection (d). If deductible plans

are approved and used in your state, coverage may be purchased on this basis subject to the requirements of your insurance carrier.

All liability insurance policies must name us, and any subsidiaries and affiliates which we designate, as additional insureds entitled to the coverage afforded to all named insureds, without regard to any other insurance or self insured program which we or our affiliates may have in effect, and also provide that we receive thirty (30) days prior written notice of termination, expiration, cancellation, modification or reduction in coverage or limits of any such policy. The terms and conditions of all such policies, including the amount of any deductibles, shall be consistent with the requirements prescribed from time to time by us. You agree to promptly pay when requested by the insurer the amount of the deductible applicable to, and in the event of , any covered loss.

All insurance policies (excluding workers' compensation policies) must be issued by an insurance carrier rated B+ or better by Alfred M. Best & Company, Inc. or meeting such other rating or criteria we may establish from time to time. We may also reasonably increase the minimum liability "limit" protection requirement annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in public, product or motor vehicle litigation or other relevant changes in circumstances. You must submit to us annually a copy of the certificate of insurance or evidence of the renewal or extension of each such insurance policy or any modifications to any such insurance policies, which must describe the applicable deductibles for each such policy. If at any time you fail or refuse to maintain in effect any insurance coverage required by us, or to furnish satisfactory evidence of such insurance, we may, at our option and in addition to our other rights and remedies we may have, obtain insurance coverage, on your behalf, and you agree to promptly execute any applications or other forms or instruments required to obtain any such insurance and pay to us on demand any costs and premiums incurred by us. Your obligation to obtain and maintain the insurance described in this Agreement shall not be limited in any way by reason of any insurance maintained by us.

15.8 Identification as Franchisee.

You agree to exhibit on the Store premises signs of sufficient prominence and wording as we may prescribe from time to time so as to advise the public that the Store is owned, operated and maintained by you. All business cards, letterheads and other business materials shall clearly identify that you are the owner of the Store in accordance with the rules or policies we may establish from time to time in the Operating Manual or otherwise in writing. In addition, subject to rules and policies that may be established from time to time, all local advertising, including yellow page listings and advertisements that are placed by you or on your behalf, and which do not contain phone numbers or addresses that are associated with stores that we own or operate, shall either indicate that you are the owner of the store or stores in the print material, or that the store or stores are locally owned and operated.

15.9 Computer Hardware and Software and other Technology.

15.9.1 Brand Technology.

You agree to use in the development and operation of the Store the management system and computer hardware and software and related technology designated by us, including without

limitation, features such as high speed broadband connectivity, high speed broadband monitoring, online ordering, methods and means of encryption and access to our network resources, and other internet based technology and peripheral devices that we specify from time to time (the "Brand Technology"). You acknowledge that we may modify all aspects and the components of the Brand Technology from time to time. As part of the Brand Technology, we may require you to obtain computer hardware and/or software we specify from a single vendor designated by us and we or our affiliates may be the sole supplier of all or any part of the Brand Technology. You agree to use only such items and services as we specify in connection with the Brand Technology. We may require that you enter into a license exclusively with us or our affiliates to use proprietary software developed by or for us. You may also be required to enter into agreements with others for use of third party software incorporated or used in connection with the Brand Technology. Our modification of such specifications or components for the Brand Technology may require you to incur costs to purchase, lease and/or license new or modified computer hardware and/or software and to obtain service and support for the Brand Technology during the term of this Agreement. You acknowledge that the cost to you of obtaining the Brand Technology (including software licenses) (or additions, substitutions, replacements or modifications thereto) may not be fully amortizable over the remaining term of this Agreement. Nonetheless, subject to the provisions of Section 15.9.2 below, you agree to incur such costs in connection with obtaining the computer hardware and software comprising the Brand Technology (or additions, substitutions, replacements or modifications thereto). You further acknowledge and agree that we have the right to charge reasonable fees for software or systems modifications and enhancements specifically made for us that are licensed to you and other maintenance and support services that we or our affiliates furnish to you related to the Brand Technology. You may also incur charges from third parties who render services or provide products that we require you to purchase or use. We shall have independent access through monitoring programs or otherwise to data on your Brand Technology, including sales figures. There are no contractual limitations on our right or timing to access this information and data.

Without limiting the generality of the foregoing, we reserve the right to require you to acquire, install and continuously use the Domino's PULSE store computer system and to obtain a license to use the software from us or our affiliate by signing our standard license agreement and to acquire hardware approved by us from a vendor or vendors which we designate. We also reserve the right to require you to participate in online ordering by entering into an agreement with an approved online ordering service company that we designate. You will be responsible for the fees and charges associated with your use of online ordering and the requisite internet usage and connections, including the fees charged by the service provider. We may also require that you continuously maintain high speed broadband connectivity, where available and to charge you a reasonable fee if you do not maintain high speed broadband connectivity, which you agree to pay on demand.

You acknowledge and agree that changes to technology are dynamic and not predictable within the term of this Agreement. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, you agree that we shall have the right to establish, in writing, reasonable new standards for the implementation of technology in the Domino's System; and you agree to abide by and fully adopt and implement those reasonable new standards established by us as if this Section 15.9.1 were periodically revised by it for that purpose.

15.9.2 Aggregate Expenditures for Brand Technology.

You will not be required to make aggregate expenditures for any additions, substitutions, replacements or modifications to the Brand Technology in excess of one and one half percent (1 ½ %) of the royalty sales of the Store from the date of its opening to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology not to exceed the ten (10) year period prior to the date we require you to make any additions, substitutions, replacements or modifications to the Brand Technology or, except in connection with a renewal of the franchise to make any additions, substitutions, replacements or modifications to the Brand Technology during the last twelve (12) months of the initial term of the franchise. This limitation shall not apply to our right to require that you acquire and install the Domino's PULSE store computer system or other components of the Brand Technology upon execution of this Agreement nor shall the provisions of any prior franchise agreement governing the operation of the Store restrict our right to require that you acquire and install the Domino's PULSE store computer system or other components of the Brand Technology under the terms of this Agreement.

15.9.3 Domino's PULSE and Other Computer and Technology Training.

If you (or the Controlling Person if you are an Approved Entity) have not installed and used Domino's PULSE, or any other computer system or technology that we require, in a Domino's Pizza store, you (or the Controlling Person) must enroll in and complete all training programs and classes which we require for the operation of Domino's PULSE, or any other computer system or technology. These training programs and classes will be furnished at such times and places as designated by us or the entity or entities that we approve to provide the training. We may furnish training. The entity furnishing the training (including us) has the right to charge a reasonable training fee for these training programs or classes, which you agree to pay. All training programs and classes must be completed to our satisfaction. You will be responsible for the travel, living expenses and any other costs incurred during these training programs and classes.

15.9.4 Additional Order Processing Systems.

We reserve the right to develop or contract with third parties to develop centralized or technology based methods of taking, processing, routing, and delivering orders in addition to the methods and technology we currently use or authorize (collectively "Additional Order Systems"). These may become mandatory at any time during the term of this Agreement and may require you to spend money to add or replace equipment, wiring, hardware and software; to pay licensing fees, support and maintenance fees, fees paid to third parties; to incur other costs, and to sign agreements with third parties. To the extent these products and services are owned by us or provided to you by us, we may charge up front and/or ongoing fees. However, to the extent all the direct and indirect costs to develop, test and implement an Additional Ordering System are paid from other sources, then such up-front and ongoing fees charged by us would be intended only to cover our ongoing expenses, including direct costs and reasonable allocations. Regardless of the sources of funds to develop any Additional Ordering System we shall be the sole owner of all direct and related rights and assets, including software and hardware, intellectual property and all data

generated by the Additional Ordering Systems, but excluding hardware or equipment you purchase directly for the purpose of gaining access to the Additional Ordering System.

16. MARKS.

16.1 Usage.

You acknowledge that we have the right to sublicense the Marks and that any goodwill relating to your use of the Marks will inure to our benefit and the benefit of our affiliates. You shall use the Marks in full compliance with rules prescribed from time to time by us. You agree not to engage in any conduct which, in our sole judgment, could disparage or impair the reputation of the Store or the Domino's System or the goodwill associated with the Marks. You understand and acknowledge that our right to regulate the use of the Marks, includes, without limitation, any use of the Marks in any form of electronic media such as web sites or web pages or as a domain name or electronic media identifier. Any unauthorized use of the Marks will constitute a breach of this Agreement and an infringement of our rights in and to the Marks. You will not use any Mark as part of any corporate name or with any prefix, suffix or other modifying words, terms, designs or symbols or in conjunction or association with any name or symbol used by you in connection with the operation of the Store, nor may you use any Mark in connection with the sale of any unauthorized product or service or in any other manner not explicitly authorized in writing by us. All provisions of this Agreement applicable to the Marks will apply to any additional proprietary trademarks and commercial symbols we hereafter authorize you to use.

16.2 Infringements.

You agree to immediately notify us of any infringement of or challenge to your or our use of any Mark or claim by any person of any rights in any Mark. You agree that you will not communicate with any person other than us and our counsel in connection with any such infringement, challenge or claim. We will have sole discretion to take such action as we deem appropriate and the right to exclusively control any litigation or Patent and Trademark Office or other proceeding arising out of any infringement, challenge or claim or otherwise relating to any Mark. You agree to execute any and all instruments and documents, render such assistance and do such acts and things as may, in the opinion of our counsel, be necessary or advisable to protect and maintain our interests in any such litigation or Patent and Trademark Office or other proceeding or to otherwise protect and maintain our interest in the Marks.

16.3 Indemnification.

We will indemnify you against and reimburse you for all damages for which you are held liable in any proceeding arising out of the use of any Mark in compliance with this Agreement. If it becomes advisable at any time in our sole discretion for you to modify or discontinue use of any Mark and/or use one or more additional or substitute Marks, you agree to do so and our sole obligation will be to reimburse you for your tangible costs of complying with this obligation.

17. INSPECTIONS.

We or our designee will have the right at any time during business hours and without prior notice to conduct reasonable inspections of the Store, its operations and its business records,

including but not limited to, information from the Store's computers, and records and documents relating to the ownership and control of the Approved Entity and any other entity that has an interest in the operation of the Store, wherever located and to take a physical inventory of the assets of the Store. You agree that we may conduct all or part of an inspection, either on-site or from a remote location. Inspections of the Store will be made at our expense, unless we are required to make any additional inspections in connection with your failure to comply with this Agreement. In such event, we will have the right to charge you for the costs of making all additional inspections in connection with your failure to comply, including without limitation the travel expenses, room and board and compensation of our or our designee's employees. You and your owners agree to fully comply and cooperate with any and all inspections, including, but not limited to, you, your owners and your employees treating our personnel in a professional manner.

If you are in compliance with this Agreement and we breach this Agreement and fail to cure any breach within thirty (30) days after written notice is delivered to us, you may terminate this Agreement and the franchise effective ten (10) days after delivery of notice to us. A termination of this Agreement and the franchise by you without complying with these requirements or for any reason other than our breach of this Agreement and our failure to cure the breach within thirty (30) days after receipt of written notice from you shall be deemed a termination by you without cause and not in accordance with the provisions of this Agreement.

(g) make the Store accessible and available for us to operate pursuant to Section 19.8 of this Agreement if we elect to do so.

19. OPTION TO PURCHASE STORE.

19.1 Option.

Upon the termination or expiration of this Agreement, except termination by you for cause, we or our designee shall have the exclusive option, but not the obligation, to purchase the assets of the Store. For purposes of this section, the term "assets" shall mean the equipment, inventory, leasehold interests and improvements and favorable rights and covenants of the Store. Our option shall commence upon expiration of this Agreement or on the effective date of termination as applicable and shall continue for thirty (30) days thereafter, subject to extension as provided in this Section. You agree that if the termination is stayed, either by us or by judicial proceedings, or if we are not permitted to manage the Store pursuant to section 19.8, we will not be able to exercise our option within the 30 day period and you also agree that under those circumstances our option to purchase shall be extended, without further notice to you, for an additional time which shall include the entire time we are unable to exercise our option.

19.2 Formula Price.

The purchase price for these assets shall be equal to fifteen percent (15%) of the first Three Hundred Thousand Dollars (\$300,000.00) of royalty sales ("Base Amount") of the Store during the fifty two (52) full weeks immediately preceding the date of termination or expiration plus twenty five percent (25%) of royalty sales in excess of the Base Amount up to Five Hundred Thousand Dollars (\$500,000.00) ("Second Level Base Amount") during this period plus fifty percent (50%) of royalty sales in excess of the Second Level Base Amount during this period. The purchase price shall be allocated among the assets and covenants in the manner prescribed by us.

If the Store has been in operation less than fifty two (52) full weeks, the option price shall be the documented cost of the Store. The term "cost" shall be defined as your documented expenditures for the equipment, inventory and leasehold improvements of the Store, but shall not include any charges for labor performed by you or your family members in connection with the development of the Store or any undocumented costs.

19.3 Purchase of Commissary.

In the event you operate a commissary in connection with the Store, we or our designee shall also have the option to purchase the assets of the commissary. The purchase price for the assets of the commissary will be the net book value (based upon a seven year depreciation schedule).

19.4 Deductions From Purchase Price.

In the event we elect to purchase the assets of the Store, the purchase price will be reduced by:

- (a) the total current and long term liabilities of the Store assumed by us as described below; and,
- (b) the amount necessary to upgrade and renovate the Store to meet our then current standards for a Domino's Pizza Non-Traditional Store; and
- (c) our reasonable attorney's fees incurred in connection with enforcing this Agreement or in securing possession of the Store.

We will assume all current and long term liabilities (except liabilities to you or your owners) up to the amount of the purchase price subject, however, to all defenses available to you. Further, the amount we charge for upgrading and renovating the Store will not exceed one and one half percent (1 1/2%) of the royalty sales of the Store from the date of opening to the date of termination or expiration reduced by an amount equal to the total expenditures made by you for renovation and upgrading of the Store at our request up to the date of termination or expiration.

19.5 Payment of Purchase Price.

The balance of the purchase price, after deductions described above will be payable as follows: ten percent (10%) of the balance at the time of closing and the remainder in sixty (60) equal monthly installments of principal plus interest at a rate of interest per annum equal to the prime lending rate charged by Morgan Guaranty Trust Company of New York (or other bank or financial institution we may designate) determined as of the closing date with annual adjustments based on the prime rate charged on each anniversary date. The first payment will be due on the first day of the second succeeding calendar month following closing and the remaining payments on the first day of each month thereafter. On the first payment date, interest from the date of closing shall also be paid. If we elect to pay the entire purchase price at closing, we shall have the right to escrow such portion of the purchase price as we deem appropriate for a period of six (6) months to cover liabilities of the Store. We shall notify you of claims asserted by creditors of the Store against the escrow monies. You shall have forty eight (48) hours to settle any claim with such creditor prior to our disbursement of funds from the escrow. If there is a good faith dispute between you and a creditor of the Store, you shall have thirty (30) days to reach a settlement with any such creditor as to the amount owed before we will disburse any escrow monies to such creditor. If you are unable to resolve the discrepancy with the creditor within the thirty (30) day period, we shall have the right to use the escrow monies to satisfy the claim of any such creditor. At the end of such six (6) month period, any remaining purchase price shall be remitted to you along with a statement prepared by DPF indicating the manner in which these funds were expended.

19.6 Real Property.

(a) In the event you or your owners own the real property on which the Store or commissary is located, and such property is not a multi-tenant unit, we will also have the exclusive option to purchase this property. We shall exercise this option within the same period of time as provided in section 19.1, as that time may be extended. The purchase price will be the fair market value as determined by an independent appraiser selected by both of us. If we cannot agree on an independent appraiser, we each shall select an independent appraiser who shall select a third independent appraiser. The independent appraiser selected by our appraisers shall determine the fair market value of the real property and his determination shall be final and binding on the parties, provided, in the event the independent appraiser does not render its appraisal within ninety (90) days of selection, the appraisal shall be made by the appraiser we have selected. The purchase price will be payable in full at the closing minus customary prorations including the pay-off of existing mortgage liens.

(b) If we do not elect to purchase the real property, or if the property is in a multi-tenant unit, we or our designee will have the option to enter into a lease for a term of not less than five (5) years with an option by the lessee to extend the term of the lease for an additional term of five (5) years. The lease shall contain the terms and conditions contained in the form of lease then used by us or our affiliates in connection with Domino's Pizza Stores owned and operated by us or our affiliates. The rental under the lease for the initial five (5) year term shall be the fair rental value of the property as determined by an independent appraiser selected in the manner described above. The rental shall be modified during the second five (5) year option term by the percentage that the National Consumer Price Index for Urban Wage Earnings and Clerical Workers as determined by the United States Department of Labor for the region in which the Store is located (or a comparable index if such Index is not then being issued) has increased or decreased from the commencement date of the initial term until the last day of the initial term of the lease.

19.7 Closing.

The closing shall occur within thirty (30) days after we exercise our option to purchase the assets and/or real property or such later date as may be necessary to comply with applicable bulk sales or similar laws. At the closing, we both agree to execute and deliver all documents necessary to vest title in the purchased assets and/or real property in us free and clear of all liens and encumbrances, except those assumed by us and/or to effectuate the lease of the Store premises. You also agree to provide us with all information necessary to close the transaction. We reserve the right to assign our option to purchase the Store or commissary, if any, operated in connection with the Store (and the real property to the extent applicable) or designate a substitute purchaser for the Store. We agree, however, to be responsible for and shall guarantee payment of any deferred portion of the purchase price as provided in Section 19.5 of this Agreement in the event we designate a substitute purchaser of the assets of the Store. If you do not execute and deliver any documents required, by execution of this Agreement you irrevocably appoint us as your lawful attorney in fact with full power and authority to execute and deliver in your name all these documents. You also agree to ratify and confirm all of our acts as your lawful attorney in fact and to indemnify and hold us harmless from all claims, liabilities, losses or damages suffered by us in so doing.

19.8 Operation During Option Period.

We will have the right, upon written notice to you, to manage, or designate one of our affiliates to manage, the Store during the period in which we have the option to purchase the Store as provided in section 19.1 and for the period following the exercise of our option and prior to the closing, on the same terms and conditions as described in Section 21.7.

19.9 Formula Price.

The parties agree that the formula price described in this Section 19 is the agreed upon method of arriving at a price for the assets of the Store in the event we exercise the option contained in this Section 19 and is not to be deemed a conclusive indication of the value of the Store under other circumstances or where an agreement to purchase the Store has been negotiated by you or your owners.

20. RESTRICTIVE COVENANTS.

20.1 In Term Covenant.

In addition to all other obligations in the Agreement, you agree that, during the term of this Agreement, you or your owners will not, directly or indirectly for the benefit of you or your owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any other interest, whether financial or otherwise, in any other carry out or delivery pizza store business or business similar to that being conducted pursuant to this Agreement (except for other Domino's Pizza Stores or Domino's Pizza Non-Traditional Stores operated under franchise agreements entered into with us or other Domino's Pizza Stores or Domino's Pizza Non-Traditional Stores in which you or your owners have an ownership interest).

20.2 Post Term Covenant.

You agree that, for a period of one (1) year after termination or expiration of this Agreement, or the date on which you cease to operate the Store, whichever is later, you or your owners will not, directly or indirectly for the benefit of you or your owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any other interest, whether financial or otherwise, in any carry out or delivery pizza store business or business similar to that being conducted pursuant to this Agreement located at the premises of the Store or within ten (10) miles of the premises of the Store (except for other Domino's Pizza Stores or Domino's Pizza Non-Traditional Stores operated under franchise agreements with us or other Domino's Pizza Stores or Domino's Pizza Non-Traditional Stores in which you or your owners shall have an ownership interest). The covenant contained in this section shall not be deemed to impair, modify or change any covenant not to compete contained in any agreement for the purchase and sale of the Store and shall be in addition to all other obligations you have under this Agreement to us or our affiliates upon termination or expiration of this Agreement.

20.3 Ownership of Public Companies.

The covenants contained in this Section 20 shall not apply to ownership of less than a five percent (5%) beneficial interest in the outstanding equity securities of any corporation whose stock is publicly traded.

20.4 Customer Lists and Trade Secrets.

You agree to maintain the absolute confidentiality of the Operating Manual and all other information concerning the Domino's System, whether provided by us or a third party, during and after the term of the franchise, disclosing this information to the other employees of the Store only to the extent necessary for the operation of the Store in accordance with this Agreement, and that you will not use the Operating Manual or such other information in any other businesses or in any manner not specifically authorized or approved by us in writing. The customer lists and all historical data relating to the sale of all pizza and beverage products at the Store (the "Customer Lists") also shall be deemed confidential and (a) you shall not use the Customer Lists in any other business or capacity; and (b) you shall maintain the absolute secrecy and confidentiality of the Customer Lists.

20.5 Owners of Approved Entity.

If you are an Approved Entity, the owners, by executing this Agreement, shall be bound by the provisions contained in this Agreement, including the restrictions set forth in this Section 20. Further, a violation of any of the provisions of this Agreement, including the covenants contained in this Section 20, by any owner shall also constitute a violation by you of your obligations under this Agreement.

20.6 Distribution of Products Related to the Domino's System.

During and after the term of this Agreement, you and your owners agree not to sell or otherwise distribute any products, or items bearing any of the Marks or which are used at any time in connection with any advertising, promotional or operational program other than to customers of your Store in the ordinary course of business or to another Domino's Pizza franchisee in good standing at the time of any proposed transfer approved by us.

20.7 Ownership Structure.

You, your owners and affiliates agree to fully comply with all rules, policies and procedures from time to time prescribed by us relating to the ownership structure of an Approved Entity. If you are an Approved Entity, you agree that the Controlling Person who has been approved by us will at all times during the term of this Agreement own and control fifty-one percent (51%) or more of the absolute voting and ownership interests of the Approved Entity, unless the Controlling Person obtains our prior written approval for a different ownership structure. You also agree to submit to us for our review and prior written approval any proposed change before attempting any change in the ownership or control of the Approved Entity or its affiliates, or any documents governing the ownership or control of the Approved Entity or its affiliates.

20.8 Non-Disclosure.

Except as may be required or permitted by applicable law, you agree that neither you nor your affiliates, owners, representatives, agents or employees will make any statements or communications, directly or indirectly, about us or our affiliates, officers, employees, franchisees (including you or your affiliates), businesses, properties, financial condition, sales trends, management, ownership, past or current business practices or strategies to any person, including, without limitation, the media or any financial analysts, whether verbally or in writing, including, without limitation, any communications or statements that would reasonably be expected to adversely affect our business or reputation or the Domino's System or shareholders of Domino's Pizza, Inc. or its affiliated companies.

20.9 Irreparable Injury and Injunctive Relief.

You acknowledge and agree that the provisions of this Section 20, including, without limitation, the provisions of Sections 20.1, 20.2, 20.5 and 20.9, are necessary to protect our legitimate business interests and the Domino's System, to prevent the unauthorized dissemination of marketing, promotional and other confidential information to our competitors and others outside of the Domino's System, to protect our trade secrets and the integrity of the Domino's System, and to prevent the duplication of the Domino's System. You also acknowledge and agree that damages alone cannot adequately compensate us if there is a violation of these provisions by you or your owners, that we will suffer irreparable harm arising out of any such violation, and that injunctive relief against you and your owners is essential for the protection of us and our franchisees. Accordingly, we will have the right to petition a court of competent jurisdiction for injunctive relief against you and your owners without posting any bond or security whatsoever, in addition to all other remedies that may be available to us under this Agreement or applicable law.

21. ASSIGNMENT.

21.1 By DPF.

This Agreement is fully assignable by us and the assignee or other legal successor to our interests will be entitled to all of the benefits of this Agreement.

21.2 By Franchisee.

This Agreement is personal to you and your owners (if you are an Approved Entity). Accordingly, neither you nor any of your owners may assign or transfer this Agreement, any interest in this Agreement or, if you are an Approved Entity, any interest in an Approved Entity except as specifically authorized under this Agreement. A transfer of ownership of the Store (or its assets) may only be made in conjunction with a transfer of this Agreement. Any attempted assignment or transfer not in accordance with this Agreement shall have no effect and shall constitute a breach of this Agreement.

21.3 Assignment to an Approved Entity.

We will allow you to assign this Agreement and the Store (and its assets) to an Approved Entity for the convenience of ownership of the Store, provided:

- (a) the Approved Entity conducts no business other than the operation of the Store or other Domino's Pizza Stores (or other related activities authorized under this Agreement);
- (b) the Approved Entity is actively managed by you;
- (c) the person designated as the Controlling Person owns and controls not less than fifty-one percent (51%) of the general partnership interest of such partnership, the equity and voting power of all classes of issued and outstanding capital stock of such corporation, the membership interest in the limited liability company or the voting and ownership interests of such entity; and
- (d) all owners meet our requirements as established from time to time by us and agree to guarantee the obligations of the Approved Entity under this Agreement and to be bound by the terms of this Agreement in the manner prescribed by us.

If you are an Approved Entity or if this Agreement is assigned to an Approved Entity, you must comply with the requirements set forth in this Section 21.3 throughout the term of this Agreement. The organization documents of any Approved Entity owning the franchise, including all stock certificates, shall recite that they are subject to all restrictions contained in this Agreement. We shall also have the right to require, as a condition of any assignment of this Agreement to an Approved Entity or the operation of the franchise by an Approved Entity, that the owners enter into a buy/sell agreement among themselves in a form and containing such terms as we prescribe for transfers of ownership interests in such Approved Entity. You shall provide us with all documents to be executed in connection with any such assignment and we shall use our reasonable efforts to approve or disapprove these within thirty (30) days after receipt.

21.4 Assignment or Transfer to Others.

We will permit sales, transfers or assignments of this Agreement or, if you are an Approved Entity, of an ownership interest in the Approved Entity to others provided:

- (a) you (and your owners) are not in default under this Agreement or any other agreement with us or our subsidiaries or affiliates or any other creditor or supplier of the Store;
- (b) the proposed transferee or assignee (and its Controlling Person and all other owners if it is an Approved Entity) meets our then-applicable standards for franchisees or owners;

(c) the proposed transferee or assignee (and its owners) is not engaged in any other business activity without our prior written consent, except other Domino's Pizza Stores;

(d) the proposed transferee or assignee (and its owners if it is an Approved Entity) must sign our then-current form of standard franchise agreement for a term equal to the remaining term of this Agreement or, at our election, the then-current term if longer;

(e) the proposed transferee or assignee (or the person designated by us) must complete all required training to the extent required by us;

(f) at our request, the proposed transferee or assignee refurbishes the Store in the manner and subject to the provisions prescribed in Sections 9 and 15;

(g) the proposed transferee or assignee pays us a transfer fee of \$1,500.00; and

(h) this Agreement is terminated according to the terms of our customary form of mutual termination agreement and customary form of release.

The provisions of (d), (e), (f), (g), and (h) above shall not apply to an approved sale, transfer or assignment by an owner owning a forty-nine percent (49%) or less interest in the Approved Entity except that the proposed transferee or assignee must guarantee the performance by Franchisee of its obligations under this Agreement and agree to be bound by all of the provisions of this Agreement in the form prescribed by us. You must provide us with all documents to be executed by you and/or your owners and the proposed purchasers in connection with any transfer or assignment at least thirty (30) days prior to signing.

21.5 Death or Permanent Disability.

Upon your death or permanent disability or the death or permanent disability of the Controlling Person, this Agreement or the ownership interest of such deceased or permanently disabled Controlling Person must be transferred to a party approved by us. Any transfer, including, without limitation, transfers by devise or inheritance or trust provisions, shall be subject to the same conditions for transfers which are contained in this Agreement. Except as otherwise prescribed by us in writing, your personal representative or the personal representative of such Controlling Person shall submit to us a proposal meeting the requirements for transfer of this Agreement or such ownership interest within one hundred and twenty days (120) days of your death or permanent disability or the death or permanent disability of such Controlling Person. We agree to communicate our approval or disapproval of any such proposal within fifteen (15) days of receipt. We will not unreasonably withhold our consent to the transfer of this Agreement or such ownership interest to your spouse, heirs or relatives or the spouse, heirs or relatives of such deceased or permanently disabled Controlling Person, provided the requirements of Section 21.4 are satisfied. Your personal representative or the personal representative of such deceased or permanently disabled Controlling Person shall complete the transfer of this Agreement or such ownership interest within sixty (60) days from the date of our approval of any such proposal. Upon the death of any other owner, the interest of such owner shall be transferred within a reasonable

time to a person meeting our requirements. All such transfers must also comply with Section 21.4 of this Agreement. Your or any of your owners' failure to transfer the interest in accordance with the provisions of this Section shall be considered a breach of this Agreement.

21.6 Definition of Permanent Disability.

You or your Controlling Person, will be deemed to have a "permanent disability" if you or your Controlling Person's usual, active participation in the Store as contemplated by this Agreement is for any reason curtailed for a continuous period of six (6) months.

21.7 Operation by DPF After Death or Permanent Disability.

We shall have the right to appoint a manager for the Store if in our judgment the Store is not being managed properly after your death or permanent disability or the death or permanent disability of the Controlling Person. Our right to appoint a manager for the Store includes the right to temporarily or permanently cease operations at the Store, if in our reasonable judgment continued operation of the Store will adversely affect the Marks, the long term reputation of the Store or the Domino's System, or present a risk to public health, welfare and safety, including the well-being of the employees of the Store. All funds from the operation of the Store during the management by our appointed manager will be kept in a separate fund, and all expenses of the Store including compensation, other costs, and travel and living expenses of our manager will be charged to this fund. We will charge a management fee of five and one-half percent (5 1/2%) (in addition to the royalty fee and advertising contributions payable under this Agreement) during the period in which the Store is managed on your behalf. In managing the Store, our obligation will be to use our reasonable efforts to ensure the Store is properly managed, and neither we nor our affiliates will be liable for any debts, losses or obligations of the Store, to any of your creditors for any products, materials, supplies or services purchased by the Store prior to or during the time of management by our appointed manager. If the separate fund that is established is insufficient to pay the expenses of the Store, we will notify you or your executor, administrator, conservator or other personal representative and this person must deposit in the fund within five (5) business days, any amount required by us to attain a reasonable balance in the fund.

21.8 Right of First Refusal of DPF.

If you or your owners propose to sell or transfer all or any part of the Store (or its assets) or, if you are an Approved Entity, any ownership interest in an Approved Entity and you or your owners obtain a bona fide, executed written offer to purchase or otherwise transfer or acquire this interest, you or your owners are obligated to deliver a copy of the bona fide offer to us along with all documents to be executed by you or your owners and the proposed assignee or transferee. Our right of first refusal shall commence upon the date of our receipt of the following: (i) the bona fide, executed written offer to purchase, transfer or acquire; (ii) all documents to be executed by you or your owners and the proposed assignee or transferee; (iii) all documents related to the operation of the Store which you are required to provide us, including, but not limited to a current copy of the lease for the Store and such financial statements as are required of you under Section 14.2 of this Agreement; and (iv) your notice that you are specifically submitting the documents to give us the right to exercise our right of first refusal, and shall continue for a period of thirty (30) days thereafter. Failure to submit any one or more of the items, including the notice of the purpose of

the submission, shall result in our right of first refusal being extended until 30 days after we receive all of the required documents and the notice. We shall exercise the right to purchase or otherwise acquire the Store (or its assets) or such ownership interest for the price and on the terms and conditions contained in the offer by giving written notice to you or your owners. We may substitute equivalent cash for any form of payment proposed in such offer or designate a substitute purchaser or transferee for the Store (or the assets) or the ownership interest being offered, provided that we will assume responsibility for the performance of any other purchaser we may designate. If the offer is to purchase the interest of a Controlling Person and is for less than all of the outstanding interests of the Approved Entity, we shall also have the right, during the same period of time described above and upon written notice to the other owners, to purchase or otherwise acquire the remaining shares of capital stock, partnership interest or membership interest at a per share or per unit or interest price (or other terms) equivalent to the price (or other terms) being offered under the bona fide offer to the Controlling Person. If we do not exercise this right of first refusal, the offer may be accepted by you or your owners, subject to our prior written approval as provided in this Agreement. If the offer is not accepted by you or your owners, within sixty (60) days, we will again have the right of first refusal to purchase or otherwise acquire the Store as described above. This section will not apply to transfers made in accordance with Section 21.3 of this Agreement.

22. CONTRACT INTERPRETATION AND ENFORCEMENT.

22.1 Effect of Waivers.

No waiver by us of any breach or a series of breaches of this Agreement shall constitute a waiver of any subsequent breach or waiver of the performance of any of your obligations under this Agreement. Our acceptance of any payment from you or the failure, refusal or neglect by us or you to exercise any right under this Agreement or to insist upon full compliance with our or your obligations under this Agreement or with any specification, standard or operating procedure or rule will not constitute a waiver of any provision of this Agreement.

22.2 Cost of Enforcement.

If any legal or equitable action is commenced, either to challenge, interpret, or to secure or protect our rights under or to enforce the terms of this Agreement, in addition to any judgment entered in our favor, we shall be entitled to recover such reasonable attorney's fees as we or anyone acting on our behalf may have incurred together with court costs and expenses of litigation.

22.3 Indemnification of DPF.

If we or any of our subsidiary or affiliated companies or any of our or their agents or employees are required to produce records or testify at trial or in deposition or are subjected to any claim, demand or penalty or become a party to any suit or other judicial or administrative proceeding brought by any person or persons (including your employee or prior employee) or any other person or entity by reason of any claimed act or omission by you, your employees or agents, or by reason of any act or omission occurring on the Store premises, or in your delivery service area, or while on the way to or from the delivery service area, by reason of an act or omission with respect to the business or operation of the Store, including but not limited to acts or omissions

arising out of the maintenance or use of a motor vehicle or while making a delivery or returning from making a delivery, or any limitations on delivery service, you shall defend and indemnify and hold us, our subsidiary and affiliated companies, or any of our or their agents or employees, harmless against all judgments, settlements, penalties, and expenses, including attorney's fees, court costs and other expenses of litigation or administrative proceeding, incurred by or imposed on us, our subsidiary and affiliated companies, or any of our or their agents or employees, in connection with the testimony, production, investigation or defense relating to such claim or litigation or administrative proceeding. Your indemnification obligations described above will continue in full force and effect after, and notwithstanding, the expiration or termination of this Agreement.

22.4 Construction and Severability.

Section headings are for convenience only and shall not limit the enforceability or obligations contained therein. All references in this Agreement to the singular shall include the plural where applicable, and all references to the masculine shall include the feminine and vice-versa. If any part of this Agreement for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. If any applicable law or rule requires a greater prior notice of the termination of or election not to renew this Agreement, or the taking of some other action than is required under this Agreement, the prior notice or other requirements required by this law or rule shall be substituted for the requirements of this Agreement. If any covenant in this Agreement which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity, prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, the parties agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. For purposes of this Agreement, the term "affiliate or affiliates" shall mean any entity or entities controlled by, controlling, or under common control or common ownership with Franchisee (or any of its Owners) or DPF, as the case may be.

The rights and remedies of each party under this Agreement are cumulative, and no exercise or enforcement by a party of any right or remedy hereunder will preclude the exercise or enforcement of any other right or remedy hereunder.

22.5 Scope and Modification of Agreement.

This Agreement constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties regarding the subject matter of this Agreement, provided that nothing in this Agreement or in any related agreement is intended to disclaim the representations we made in any franchise disclosure document we delivered to you in connection with this Agreement. No modification, waiver, termination, rescission, discharge or cancellation of this Agreement shall affect the right of any party to enforce any claim or right under this Agreement, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge or cancellation.

22.6 Governing Law.

The terms and provisions of this Agreement shall be interpreted in accordance with and governed by the laws of the State in which the Store is located.

22.7 Notices.

All written notices permitted or required to be delivered by the provisions of this Agreement or of the Operating Manual shall be deemed so delivered when delivered to you or the Store by: (i) hand delivery; (ii) three (3) days after having been placed in the United States Mail by Registered or Certified Mail; (iii) one (1) day after being placed in the hands of a commercial courier service for next day delivery; or (iv) one (1) day after transmission by facsimile or other electronic system (including via e-mail and including e-mails which you are the only addressee or one of multiple addressees). Notices delivered pursuant to this section including, without limitation, e-mail, shall be addressed to us at our most current principal business address or to you at the most current principal business address, e-mail address or home address of which we have been notified in writing. You are obligated to provide us with a correct current address for your home and business and to notify us of any change in address within ten (10) business days. If you maintain an e-mail address for your business you agree to provide us with your business e-mail address and notify us of any change in your e-mail address within ten (10) business days. You understand and agree that providing us with notice of changes in addresses (including e-mail address) shall be made in the manner provided in this section for giving notices. If you fail to timely notify us of a change of address (including e-mail, business or home), all notices sent to the prior address will be deemed properly delivered.

22.8 Independent Contractors.

The parties to this Agreement are independent contractors and no training, assistance or supervision which we may give or offer to you shall be deemed to negate such independence or create a legal duty on our part. Neither we nor any of our affiliates shall be liable for any damages to any person or property arising directly or indirectly out of the operation of the Store, including but not limited to those damages which may occur while your employees are making or returning from making deliveries, or arising out of your delivery service policies. Nor shall we or any of our affiliates have any liability for any taxes levied upon you, your business, or the Store. The parties further acknowledge and agree the relationship created by this Agreement and the relationship between us is not a fiduciary relationship nor one of principal and agent. Furthermore, neither we nor our affiliates have any relationship with your employees and have no rights, duties, or responsibilities with regard to their employment by you. You acknowledge and agree that you do not have the authority to act for or on our behalf or to contractually bind us or our affiliates to any agreement. No party to this Agreement shall have any authority to assume any liability for the acts of the other, or to alter the legal relationships of the other. Only the named parties to this Agreement shall have rights hereunder and you shall not have any rights under any other franchise agreement to which you are not a party.

22.9 Standard of Reasonableness.

Unless otherwise stated in this Agreement, we agree to exercise reasonable judgment with respect to all determinations to be made by us under the terms of this Agreement.

22.10 Acknowledgments.

(a) The following acknowledgments are made by and binding upon all franchisees signing this Agreement, except those franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

(i) You acknowledge that you have read this Agreement and our Franchise Disclosure Document and been given an opportunity to obtain clarification of any provision that you did not understand.

(ii) You acknowledge that you have conducted an independent investigation of the business contemplated by this Agreement and recognize that it involves business risks making the success of the venture largely dependent upon your business abilities.

(iii) We expressly disclaim the making of, and you acknowledge that you have not received or relied upon, any warranty or guarantee, express or implied, as to the potential volume, profits or success of the business venture contemplated by this Agreement.

(b) You acknowledge that you have conducted an independent investigation of the Store's delivery and service area and are familiar with the boundaries and the nature and extent of any areas that might present a danger to you or your employees. In addition, you acknowledge and agree that this Agreement may not be modified, amended or changed except by a writing signed by all parties. You also acknowledge that this Agreement has been executed by us in the State of Michigan and that this Agreement is to be performed in part through services rendered in the State of Michigan.

22.11 Binding Effect.

This Agreement is binding upon the parties and their heirs, approved assigns and successors in interest.

22.12 No Waiver or Disclaimer of Reliance in Certain States.

The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the

effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by DPF, any franchise seller, or any other person acting on behalf of DPF. This provision supersedes any other term of any document executed in connection with the franchise.

22.13 Effective Date of this Agreement.

This Agreement shall become effective upon the date of its acceptance and execution by us.

COVENANTS OF OWNERS

The undersigned individuals (the "Owners") represent and warrant to DPF that they are all of the owners of Franchisee or otherwise have a direct or indirect interest in the success of Franchisee and that the person designated below as the Controlling Person is the Controlling Person of the Approved Entity under this Agreement. Further, to induce DPF to enter into this Agreement and grant the franchise to Franchisee, each of the Owners, on behalf of themselves and each of their affiliates, hereby jointly and severally guarantees the performance by Franchisee of its obligations under this Agreement and agrees to be bound by all of the provisions of this Agreement, including, without limitation, the restrictions contained in Sections 20 and 21 of this Agreement, provided that the liability of the Owners and their affiliates to DPF under their guarantee, other than the Controlling Person and his or her affiliates, shall be based upon the percentage of such Owner's ownership interest in Franchisee.

Each Owner acknowledges and agrees that:

(1) The Approved Entity shall be managed solely by the Controlling Person and that the Controlling Person may not be removed by any action of the Approved Entity or its Owners without the prior written consent of DPF;

(2) The Controlling Person shall at all times during the continuation of this Agreement have not less than fifty one percent (51%) of the equity and voting power and/or interests in the Approved Entity unless otherwise approved in writing by DPF and any provision or term in the governing or establishing documents for the Approved Entity or any agreement between the Owners to the contrary is and shall be void for all purposes;

(3) The establishing or governing documents for the Approved Entity do not provide for a "supermajority" or other voting structure that would require the Controlling Person to have more than 51% of the equity and voting structure in order to maintain control over the Approved Entity and that no Owner(s) has any type of "veto" rights and that no voting trusts have been established which would restrict or limit the voting control of the Controlling Person. If such provision or term exists in the establishing or governing documents or other agreements, the Owners agree that it shall be void for all purposes;

(4) The Controlling Person has, as of the date of execution of this Agreement, the option, but not the obligation, exercisable on thirty (30) days notice, to purchase any or all of the equity and voting interest owned by the other Owners for a sum certain which has been determined prior to the execution of this Covenant of Owners (which may be modified by the Owners). If for any reason all Owners have not agreed upon a purchase price, the undersigned Owner(s) agree that the purchase price for their interest shall be the fair market value for all of the Domino's Pizza Stores, Domino's Pizza Non-Traditional and Domino's Pizza Transitional Stores which the Approved Entity operates as determined by an independent appraiser selected by the Controlling Person and the Owners holding a majority of the remaining interests. If the Controlling Person and the Owners holding a majority of the remaining interests cannot agree on an independent appraiser, the Controlling Person shall select an independent appraiser and the

Owners holding a majority of the remaining interests shall select an independent appraiser and those two (2) appraisers shall select a third independent appraiser. The third independent appraiser selected by the two (2) appraisers shall determine the fair market value of the equity and voting interest owned by the Owners and the determination of the third independent appraiser shall be final and binding on all parties. If an independent appraiser is not selected through this process within sixty (60) days, DPF shall have the right to select an independent appraiser whose determination of the fair market value shall be binding and final on all parties and DPF shall incur no liability for doing so. The result of such computation shall be multiplied by the ratio that the Owner's interest bears to all outstanding ownership interests in the Approved Entity. Upon tendering the purchase price for each Owner's interest, the Owners hereby agree to convey such interest and such commitment shall be subject to enforcement by any court of competent jurisdiction through specific performance;

(5) If the Controlling Person receives a bona-fide offer and desires to sell the franchise, the Franchisee can require the other Owners to sell his/her interest in accordance with the terms of the bona-fide offer.

(6) None of the Owners has given, received or taken any security interest in this Agreement or any pledge of any equity or interest in the Approved Entity and no such security interest or pledge shall be given, received or taken during the continuation of this Agreement;

Each Owner also acknowledges and agrees, on behalf of such Owner and each of their affiliates, that DPF may apply any monies DPF may owe to any Owner or any of his/her affiliates, including, without limitation, from any profit sharing arrangements, to satisfy or offset amounts owed by Franchisee or any Owner or their affiliates to us or our affiliates under the Franchise Agreement or any other agreement. Each Owner also acknowledges and agrees, on behalf of himself/herself and each of their affiliates, that DPF shall have recourse against and be entitled to pursue the assets of any other Domino's Pizza store owned by such owner and his or her affiliates to recover or satisfy any amounts owed by Franchisee or any Owner or their affiliates to us or our affiliates under the Franchise Agreement or any other agreement.

These Covenants of Owners are intended to modify and supersede any provisions of the establishing or governing documents for the Approved Entity or other agreement between the Owners which are inconsistent with its terms. In the event of any inconsistency between these Covenants of Owners and any other agreement or governing or establishing document, these Covenants of Owners shall control. The undersigned acknowledge that the execution of these Covenants of Owners are conditions to approval by DPF of assignment or entry of this Agreement with DPF, and DPF shall be entitled to refuse to acknowledge or recognize any provisions of the governing or establishing documents of the Approved Entity which are inconsistent with the terms of these Covenants of Owners or this Agreement. Each of the Owner(s) agree that in the event that any of the governing or establishing documents for the Approved Entity are inconsistent with the provisions of these Covenants of Owners, the Controlling Person is granted the authority and power to modify or amend such provision and each Owner agrees to cast any necessary vote in favor of the amendment of such document or to execute such agreement as will reconcile these Covenants of Owners and the applicable document or agreement. The undersigned further agree

that the governing and establishing documents of the Approved Entity shall not be amended, modified, deleted, novated or otherwise changed in any manner without the prior written consent of DPF.

WASHINGTON NON-TRADITIONAL STORE FRANCHISE AGREEMENT ADDENDUM

The following language is added to the end of the Non-Traditional Store Franchise Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

DEVELOPMENT AGREEMENT

This Development Agreement (this "**Agreement**") is being entered into between Domino's Pizza Franchising LLC, a Delaware limited liability company ("**we**", "**DPF**" or "**us**" in this Agreement), and ("**you**" or "**Developer**" in this Agreement). If you are a corporation, partnership, limited liability company or other entity approved by us (the "**Approved Entity**"), the term "owners" in this Agreement refers to the shareholders, affiliates, partners, members or other interest holders. Unless otherwise approved by DPF, the term "Controlling Person" refers to the person who owns fifty-one percent (51%) or more of the general partnership interest of such partnership, equity and voting power of all classes of issued and outstanding capital stock of such corporation, the membership interest of such limited liability company or the voting and ownership interests of such other entity.

This Agreement sets forth the understanding of DPF and Developer with respect to your development of Domino's Pizza stores ("**Store**" or "**Stores**") in the area described in Section 1 of this Agreement, which is as follows:

1. **Grant of Development Rights.** Subject to the terms of this Agreement, DPF grants to you the exclusive right to develop Stores within the area described in Exhibit A to this Agreement (the "**Development Area**"). Enclosed malls, institutions (such as hospitals), airports, parks (including theme parks), sports arenas, convention centers and other facilities or venues where events are scheduled are excluded from the Development Area.

2. **Term of Agreement.** The term of this Agreement shall commence on the effective date of this Agreement and expire on _____ (the "**Term**").

3. **Territorial Protection.** During the Term, we agree that neither we nor our affiliates will operate (directly or indirectly) or grant a franchise for the operation of a Store to anyone else in the Development Area, provided that you: (a) timely meet the development obligations set forth in Section 4 of this Agreement; and (b) otherwise comply with the provisions of this Agreement.

4. **Development Requirements.** You agree to open the following number of Stores during the Term by the dates set forth below:

By The Following Dates

**Total Number of Stores
To Be Open and Operating**

5. **Grant of Franchises.** We will grant you a franchise for the operation of a Store at a proposed site within the Development Area upon our approval of a completed application submitted by you in the form prescribed by us, provided that we determine in our sole judgment that:

(a) you and your owners have the financial capacity and necessary skills and experience to develop and operate the Store based upon criteria established by us from time to time;

(b) the site which you have proposed for the Store within the Development Area is a suitable site for a Store based upon criteria established by us from time to time;

(c) you and your owners are in compliance with this Agreement and all Domino's Pizza Franchise Agreements; and

(d) you and your owners have furnished all information we may reasonably require in evaluating your application.

6. **Agreements to be Executed.** You and your owners agree to execute our then-current form of franchise agreement (the "**Franchise Agreement**") for each Store developed pursuant to this Agreement, providing for an initial franchise fee (or similar fee) equivalent to that provided in the then current Franchise Agreement as reflected in the policies adopted from time to time by us.

7. **Management and/or Supervision of Stores.** You must devote your full time and efforts (excepting reasonable vacation periods) to the management and/or supervision of Stores within the Development Area. If you are an Approved Entity, the Controlling Person must devote his/her full time and efforts (excepting reasonable vacation periods) to the management and/or supervision of Stores within the Development Area.

8. **Payments.** You agree to pay a Development Fee in the amount of thousand dollars and zero cents (\$,000.00).

9. **Termination.**

9.1 **Mutual Termination.** This Agreement and all rights and obligations of the parties may be terminated at any time by the mutual agreement of the parties.

9.2 **By DPF.** We may terminate this Agreement effective upon delivery of written notice to you if:

(i) you fail to meet the Development Requirements set forth in Section 4 hereof;

(ii) you or your owners fail to comply with any other provision of this Agreement;

(iii) any Domino's Pizza Area Agreement, Development Agreement or Franchise Agreement with any entity that you or your Controlling Person directly or indirectly, owns in whole or in part, is terminated by us in accordance with its terms;

(iv) you and your owners fail to maintain the financial capacity and necessary skills and experience to meet the Development Requirements and timely develop and operate the Stores required to be opened and operated under this Agreement based upon criteria established by us from time to time; or

(v) the Controlling Person of the Developer under this Agreement is not at any time the Controlling Person of all approved entities operating Stores in the Development Area.

10. **Trade Secrets of DPF.** You agree that you will maintain the absolute confidentiality of all information and methods provided by us with respect to the operation of a Store and will not use any such information in any other business or in any manner not specifically authorized or approved in writing by DPF.

11. **Conflicting Business Interests.** Neither you nor any of your owners may, during the term of this Agreement, without our prior consent, which may be withheld in our sole judgment, (i) engage, or own any interest, in any other business activity, (ii) be employed by any other business, (iii) engage in any activity which may impair your ability to fulfill your obligations under this Agreement, or (iv) engage in any conduct which, in our judgment, adversely affects the reputation of the Store or the Domino's System or the goodwill associated with the Marks or involves dishonesty, fraud, deceit, illegal conduct, misrepresentation or moral turpitude.

12. **Assignment by DPF.** This Agreement is fully assignable by us and the assignee or other legal successor to DPF's interests will be entitled to receive all of the benefits of this Agreement.

13. **Assignment by Developer.** This Agreement and the development rights contained in this Agreement are personal to you and your owners and may not be voluntarily, involuntarily, directly or indirectly, assigned or otherwise transferred or encumbered by you or your owners. For purposes of this paragraph, a sale, assignment or transfer of the interests of any owner shall be deemed an assignment or transfer of this Agreement.

14. **Miscellaneous.** Section headings are for convenience only and shall not limit the enforceability or obligations contained therein. This Agreement is binding on the parties to this Agreement and their heirs, assigns and successors in interest. By accepting this Agreement, you and your owners will be jointly and severally liable for the performance of the obligations set forth herein. Further, there are no other oral or written understandings or agreements between the parties. To the extent that this Agreement is inconsistent with any provision of any Franchise Agreement executed by you in connection with the operation of a Store, the terms of this Agreement shall govern.

15. **Notices.** All written notices permitted or required to be delivered shall be deemed so delivered when delivered to you by: (i) hand delivery, (ii) three (3) days after having been placed in the United States Mail by Registered or Certified Mail, (iii) one (1) day after being placed in the hands of a commercial courier service for next day delivery, or (iv) one (1) day after transmission by telecopy or other electronic system (including via e-mail and including e-mails which you are the only addressee or one of multiple addressees). Notices delivered pursuant to this section, including, without limitation, e-mail, shall be addressed to us at our most current principal business address or to you at the most current principal business address or home address of which we have been notified in writing. You are obligated to provide us with a correct current address for your home and business and to notify us of any change in address within ten (10) business days. If you maintain an e-mail address for your business you agree to provide us with your business e-mail address and notify us of any change in your e-mail address within ten (10) business days. You understand and agree that providing us with notice of changes in addresses (including e-mail address) shall be made in the manner provided in this section for giving notices. If you fail to timely notify us of a change of address (including e-mail, business or home), all notices sent to the prior address will be deemed properly delivered.

16. **Governing Law.** The terms and provisions of this Agreement shall be interpreted in accordance with and governed by the laws of the State in which the Development Area is predominantly located.

17. **No Waiver or Disclaimer of Reliance in Certain States.** The following provision applies only to developers and development arrangements that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by DPF, any franchise seller, or any other person acting on behalf of DPF. This provision supersedes any other term of any document executed in connection with the franchise.

18. **Effective Date of this Agreement.** This Agreement shall take effect upon the date of its acceptance and execution by all parties hereto.

COVENANTS OF OWNERS

The undersigned individuals (the "**Owners**") represent and warrant to DPF that they are all of the owners of Developer or otherwise have a direct or indirect interest in the success of Developer and that the person designated below as the Controlling Person is the Controlling Person of the Approved Entity under this Agreement. Further, to induce DPF to enter into this Agreement and grant the franchise to Developer, each of the Owners, on behalf of themselves and each of their affiliates, hereby jointly and severally guarantees the performance by Developer of its obligations under this Agreement and agrees to be bound by all of the provisions of this Agreement, provided that the liability of the Owners and their affiliates to DPF under their guarantee, other than the Controlling Person and his or her affiliates, shall be based upon the percentage of such Owner's ownership interest in Developer.

Each Owner acknowledges and agrees that:

(1) The Approved Entity shall be managed solely by the Controlling Person and that the Controlling Person may not be removed by any action of the Approved Entity or its Owners without the prior written consent of DPF;

(2) The Controlling Person shall at all times during the continuation of this Agreement have not less than fifty one percent (51%) of the equity and voting power and/or interests in the Approved Entity, unless otherwise approved in writing by DPF and any provision or term in the governing or establishing documents for the Approved Entity or any agreement between the Owners to the contrary is and shall be void for all purposes;

(3) The establishing or governing documents for the Approved Entity do not provide for a "supermajority" or other voting structure that would require the Controlling Person to have more than 51% of the equity and voting structure in order to maintain control over the Approved Entity and that no Owner(s) has any type of "veto" rights and that no voting trusts have been established which would restrict or limit the voting control of the Controlling Person. If such provision or term exists in the establishing or governing documents or other agreements, the Owners agree that it shall be void for all purposes;

(4) The Controlling Person has, as of the date of execution of this Agreement, the option, but not the obligation, exercisable on thirty (30) days notice, to purchase any or all of the equity and voting interest owned by the other Owners for a sum certain which has been determined prior to the execution of this Covenant of Owners (which may be modified by the Owners). If for any reason all Owners have not agreed upon a purchase price, the undersigned Owner(s) agree that the purchase price for their interest shall be the fair market value for all of the Domino's Pizza Stores (including Domino's Pizza Pizzazz Stores and Domino's C Stores) which the Approved Entity operates as determined by an independent appraiser selected by the Controlling Person and the Owners holding a majority of the remaining interests. If the Controlling Person and the Owners holding a majority of the remaining interests cannot agree on an independent appraiser, the Controlling Person shall select an independent appraiser and the Owners holding a majority of the remaining interests shall select an independent appraiser and those two (2) appraisers shall select a third independent appraiser. The third independent appraiser selected by the two (2) appraisers shall determine the fair market value of the equity

and voting interest owned by the Owners and the determination of the third independent appraiser shall be final and binding on all parties. If an independent appraiser is not selected through this process within sixty (60) days, DPF shall have the right to select an independent appraiser whose determination of the fair market value shall be binding and final on all parties and DPF shall incur no liability for doing so. The result of such computation shall be multiplied by the ratio that the Owner's interest bears to all outstanding ownership interests in the Approved Entity. Upon tendering the purchase price for each Owner's interest, the Owners hereby agree to convey such interest and such commitment shall be subject to enforcement by any court of competent jurisdiction through specific performance;

(5) If the Controlling Person receives a bona-fide offer and desires to sell the franchise, the Franchisee can require the other Owners to sell his/her interest in accordance with the terms of the bona-fide offer.

(6) None of the Owners has given, received or taken any security interest in this Agreement or any pledge of any equity or interest in the Approved Entity and no such security interest or pledge shall be given, received or taken during the continuation of this Agreement;

Each Owner also acknowledges and agrees, on behalf of such Owner and each of their affiliates, that DPF may apply any monies DPF may owe to any Owner or any of his/her affiliates, including, without limitation, from any profit sharing arrangements, to satisfy or offset amounts owed by Franchisee or any Owner or their affiliates to us or our affiliates under the Franchise Agreement or any other agreement. Each Owner also acknowledges and agrees, on behalf of himself/herself and each of their affiliates, that DPF shall have recourse against and be entitled to pursue the assets of any other Domino's Pizza store owned by such owner and his or her affiliates to recover or satisfy any amounts owed by Franchisee or any Owner or their affiliates to us or our affiliates under the Franchise Agreement or any other agreement.

These Covenants of Owners are intended to modify and supercede any provisions of the establishing or governing documents for the Approved Entity or other agreement between the Owners which are inconsistent with its terms. In the event of any inconsistency between these Covenants of Owners and any other agreement or governing or establishing document, these Covenants of Owners shall control. The undersigned acknowledge that the execution of these Covenants of Owners are conditions to approval by DPF of assignment or entry of this Agreement with DPF, and DPF shall be entitled to refuse to acknowledge or recognize any provisions of the governing or establishing documents of the Approved Entity which are inconsistent with the terms of these Covenants of Owners or this Agreement. Each of the Owner(s) agree that in the event that any of the governing or establishing documents for the Approved Entity are inconsistent with the provisions of these Covenants of Owners, the Controlling Person is granted the authority and power to modify or amend such provision and each Owner agrees to cast any necessary vote in favor of the amendment of such document or to execute such agreement as will reconcile these Covenants of Owners and the applicable document or agreement. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

DOMINO'S PIZZA HELP DESK SERVICES AGREEMENT

Domino's Pizza Help Desk Services Agreement

This Help Desk Services Agreement (this "Agreement"), dated _____, 20____, is by and between Domino's Pizza LLC ("Domino's") and _____ ("Franchisee").

WHEREAS, Domino's has agreed to offer help desk services via a toll-free telephone number and online chat (the "Services") for Domino's Pizza franchisees who own Domino's Pizza stores (each a "Store" and collectively, the "Stores") operating the Domino's PULSE computer system. The Services shall include assistance with Domino's PULSE problem resolution, answering of questions and general assistance in Domino's PULSE use.

WHEREAS, Franchisee desires to have the Stores listed on Exhibit A, as may be updated from time to time, receive the Services according to the terms of this Agreement and the rules, standards and policies set from time to time related to the Services.

NOW THEREFORE, in consideration of the premises, the mutual promises contained herein, and other good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

1. Term; Termination

1.1 The term of the Agreement shall commence upon acceptance of this Agreement by Domino's at its offices in Ann Arbor, Michigan, and shall remain in force for a period of one (1) year (the "Original Term"), except as otherwise stated. At the end of the Original Term, this Agreement shall automatically renew for successive one (1) year terms (each, a "Renewal Term" and collectively with the Original Term, the "Term"), unless cancelled by either party by giving not less than sixty (60) days' written notice prior to the expiration of the Initial Term or a Renewal Term, as the case may be.

1.2 Either party may terminate this Agreement in the event of any breach by the other party which breach is not cured within thirty (30) days after receipt of written notice of such breach. If Franchisee terminates the Agreement due to the breach of Domino's to comply with the Service Level Agreements set forth in Section 2.8 below, Franchisee is entitled to reimbursement equal to the Fees paid by Franchisee for any remaining unused incidents.

1.3 Domino's may terminate the Agreement: (i) at any time on forty-five (45) day written notice to Franchisee; or (ii) in the event of nonpayment by Franchisee if such breach is not cured within ten (10) days after receipt of written notice.

1.4 Franchisee may terminate this Agreement at any time upon forty-five (45) day written notice to Domino's.

1.5 This Agreement shall terminate immediately upon (a) Franchisee's bankruptcy or insolvency; (b) the cessation of Franchisee's business operations as a Domino's Pizza franchisee or the termination or non-renewal of the Standard Franchise Agreement for the Store; or (c) the cessation of Franchisee's use of the Domino's PULSE system.

1.6 Franchisee may assign this Agreement to a purchaser of the Stores who has entered into a Standard Franchise Agreement with Domino's and agrees to be bound by the terms hereof. Franchisee shall provide Domino's with written notification that this Agreement has been assigned.

2. Fees and Charges; Invoices and Payment The fees for the Services (the "Fees") are stated in United States dollars and are assessed per incident at the rates as follows and are subject to change at any time with sixty (60) days' prior written notice to Franchisee:

Incident Type	Per Incident Fee
Call	44.00
Chat	28.00

2.1 During the Term of the Agreement, Franchisee shall be invoiced on a monthly basis for the Fees utilized by Franchisee during the prior month. Such monthly Fees shall be calculated by multiplying (i) the Per Incident Fee by (ii) the number of incidents closed by GlobalCare under that FCode during the prior month. Tickets are closed after they have been in a "Resolved" state for 30 days. For example, if GlobalCare closed two phone incidents and one chat incident in the prior month, that Franchisee would be billed $(\$44.00 \times 2) + (\$28.00 \times 1) = \$116.00$.

2.2 An incident shall be defined as an occurrence in which Franchisee, or its agent, contacts Domino's for the remedy of such occurrence. Incidents shall remain open until mutual agreement is reached between the initiator of the incident and Domino's that the issue instigating the incident has been rectified.

2.3 Franchisee agrees to accept an invoice from Domino's for all fees and remit payment via the Domino's Online Payment System or as otherwise from time to time instructed by Domino's. Domino's will send the invoice to the Franchisee's corporate address. Payment is due upon receipt of invoice, without set-off or claim. If payment is not received within thirty

(30) days from receipt of invoice Domino's may: (i) assess a charge not to exceed one and a half percent (1.5%) per month on all amounts due; and/or (ii) pursue other remedies available at law, or pursuant to other agreements between Franchisee and Domino's, or pursuant to this Agreement. All prices and payments are in U.S. dollars.

2.4 Services shall include remote support of the Domino's Pulse application, approved credit card processing applications, and the approved, standard hardware required to operate Domino's Pulse. The Services shall be available twenty-four (24) hours a day, seven (7) days a week, three hundred sixty-five (365) days a year unless notice has been sent out through Domino's communications notifying of temporary closure. Domino's communications may include but are not limited to DPZ Communication sent via email, IVR put up on the incoming call line, email sent to Franchisee email on file or the Rush published by Domino's.

2.5 Domino's represents that the following Service Levels, as measured by Services provided to all franchisees receiving Services, will be maintained through the term of this Agreement:

-Calls will be answered within seven (7) minutes at least ninety-five and one-half percent (95.5%) of the time

-First day resolution of incidents sixty-six percent (66%) of the time

-Incidents not resolved on the first call will be responded to according to the following:

- Severity One within one (1) hour; Severity One is an incident that involves the inability of the store to process orders
- Severity Two within twenty-four (24) hours; Severity Two is an incident that involves operational disruption to the store.
- Severity Three within forty-eight (48) hours; Severity Three is an incident that involves all other issues not categorized as a Severity One or Two.

3. No Warranties ALL PRODUCTS AND SERVICES DELIVERED BY DOMINOS PURSUANT TO THIS AGREEMENT ARE PROVIDED "AS IS" AND WITHOUT ANY WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE TERMS AND CONDITIONS OF THIS AGREEMENT CONSTITUTE A SERVICE CONTRACT AND NOT A PRODUCT WARRANTY.

4. Limitation of Liability DOMINO'S SHALL HAVE NO LIABILITY WHATSOEVER UNDER THIS AGREEMENT FOR ANY DAMAGES, INCLUDING BUT NOT LIMITED TO SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, LOSS OF PROFITS OR EXEMPLARY DAMAGES UNDER ANY CIRCUMSTANCES, WHETHER BASED ON TORT OR BREACH OF CONTRACT CLAIMS OR ON ANY OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. DOMINO'S SHALL NOT BE LIABLE FOR ANY MATTER BEYOND ITS REASONABLE CONTROL.

5. General

5.1 This Agreement and all addenda supersede in full all prior discussions and agreements, oral and written, between the parties relating to the Services and constitutes the entire agreement between the parties relating to the Services. This Agreement may be modified or supplemented only in writing signed by an authorized representative of each party.

5.2 Neither party shall be liable for delays in any of its performance hereunder due to causes beyond its reasonable control, including, but not limited to, acts of God, pandemics, strikes or inability to maintain labor or materials on time.

5.3 If any provision of this Agreement shall be deemed illegal or otherwise unenforceable, that portion shall be severed, and the remainder of this Agreement shall remain in full force and effect. A waiver shall be effective only if made in writing and signed by an authorized representative of both parties. The waiver of any right or election of any remedy in one instance shall not affect any rights or remedies in another instance.

5.4 All required notices under this Agreement shall be sent to the recipient party's address stated in this Agreement, unless otherwise changed in writing by the respective party. All notices shall be given by certified or registered mail, or overnight carrier. Such notices shall be deemed given on the date of receipt (or refusal) of delivery of said notice.

5.5 This Agreement shall be governed by the laws of the State of Michigan.

6.6 Neither party to this Agreement is, or shall represent itself to be, an agent, partner, or employee of the other. Nothing in this Agreement shall be interpreted or construed as creating or establishing a joint venture, agency, or partnership, or any relationship other than independent parties to a contract. Each party retains control of the day to day activities of its respective business.

6.7 Failure by either party to enforce any provision of this Agreement shall not constitute a waiver or affect its right to require future performance thereof, nor shall its waiver of any breach of any provision of this Agreement constitute a waiver of any subsequent breach or nullify the effectiveness of any provision. No waiver shall be binding

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the date first written above.

Buyer waives any claim that such jurisdiction is inconvenient, and hereby irrevocably authorizes and directs the judge in any court other than ones named above to promptly dismiss any such suit or action, with prejudice and at plaintiff's costs, unless Seller shall have consented in writing to the venue and jurisdiction of the suit or action.

Buyer shall defend, indemnify and hold Seller harmless from any liability under the leases from and after the close of business on _____, including Seller's attorneys' fees. Unless its liability ends sooner, Seller shall have no liability under the leases for the Stores upon the first to occur of any of the following: (i) the termination or expiration of the present term of the lease; (ii) a material modification of the lease; or, (iii) Seller's release from liability under the lease. Buyer will not exercise any option to renew or extend any lease unless Seller is released from any further liability under the lease as of the expiration of the current term.

XVIII. Assumption Of Seller's Other Contractual Obligations

Buyer shall assume those contracts listed and disclosed on Exhibit I, by executing an Assignment of Contracts in the form of Exhibit E. Conditioned on the Closing, Buyer agrees to defend, indemnify and hold Seller harmless from and against any obligation, breach or other liability arising out of an assigned contract, which accrues subsequent to Closing. Seller agrees to defend, indemnify and hold Buyer harmless from and against any obligation, breach or other liability arising out of an assigned contract, which accrues prior to Closing. Seller's liability under these contracts shall end upon termination or expiration of the current term of those contracts and Buyer agrees that the terms of any renewal or continuation of these contracts by Buyer shall be without further liability to Seller.

XIX. Tenancy

Buyer acknowledges and agrees that Seller does not own the building or real estate where the Assets are located and Seller does not warrant that it has a continuing right to possession of the Stores' premises.

XX. Bill of Sale

Upon payment in full of all sums due and owing Seller hereunder and upon full and faithful performance of all the terms of this Agreement by the Buyer on its part to be performed, Seller shall execute and deliver to Buyer a Bill of Sale in the form of Exhibit F, evidencing conveyance of the Assets to Buyer.

XXI. Severability

Seller and Buyer agree that if any provision of this Agreement is capable of two constructions, one of which would render the provision illegal or otherwise voidable or unenforceable and the other of which would render the provision valid and enforceable, such provision shall have the meaning that renders it valid and enforceable. The language of all provisions of this Agreement shall be construed simply according to its fair meaning and not strictly against Buyer or Seller. It is the desire and intent of Buyer and Seller that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies in force. If any provision is nonetheless held to be void or unenforceable, all of the others shall remain in full force and effect.

XXII. Confirmation of Prior Acts or Performance

In the event that any act or performance required by the parties hereto has occurred prior to the date of execution of this Agreement, all of the same are hereby agreed to and ratified as being in performance hereof.

XXIII. Headings

The headings of each article are for the convenience of the parties only, are not part of this Agreement, and shall not be considered when interpreting or enforcing the terms of this Agreement.

XXIV. Proof of Proper Insurance Coverage

Notwithstanding any other provision of this Agreement, it is expressly agreed between the parties that this sale is contingent upon Buyer obtaining and maintaining proper insurance coverage for all aspects of the operation of the Stores in compliance with the Franchise Agreements and the real estate leases for the premises where the Stores are located, effective on or before Closing. Buyer agrees to furnish Seller with proof of such insurance coverage at or prior to Closing. The provisions of this article shall survive the closing. Nothing set forth in this Article shall limit any other right or remedy granted Seller.

XXV. Confidentiality

Buyer and _____ each agree to keep the terms of this Agreement confidential and to maintain this confidentiality after Closing. Information regarding this transaction may be released if required by law. Buyer and _____ may discuss this transaction with Buyer's accountant, attorney, lender and insurance agent on a need-to-know basis provided those persons are informed of this confidentiality provision and agree to keep the terms confidential.

XXVI. Continued Operation

Buyer shall be responsible for transferring or obtaining new any business licenses and permits and taking any other action necessary for the continued operation of the Stores. Any additional expense or improvements required to continue operation of the Stores shall be the responsibility of Buyer.

XXVII. Employment Matters

Seller will terminate the employment of all persons working at the Stores as of the close of business on the day before Closing and Buyer may hire those persons to continue to work on and after that date and time. With respect to each Store, Buyer has advised Seller that it intends to offer substantially similar jobs with substantially similar wages and benefits to all persons employed in the Stores just prior to the Closing, other than those individuals set forth in Exhibit K.

Seller agrees to pay all salary, vacation pay and benefits due Seller's store employees for amounts due prior to the close of business on the day before Closing, in the normal course of Seller's payroll cycle and shall indemnify Buyer from any liability therefore. It is understood that depending on the date of closing, these payments may be made after Closing. Notwithstanding the foregoing Seller shall comply with state law concerning payment of wages to terminated employees.

Buyer further agrees to cooperate with Seller regarding COBRA continuation coverage, if such cooperation is necessary.

XXVIII. Delivery Areas

Buyer is familiar with the approved delivery areas for the Stores as those areas are described on maps attached to the Franchise Agreements. Buyer agrees to independently evaluate delivery service for the Stores within thirty (30) days after Closing, and to independently determine Buyer's own delivery service policies, in accordance with standards and the Franchise Agreements. Buyer shall not assert, as a defense or as a claim, that Buyer is not familiar with any delivery area or that Seller is responsible for delivery service policies or limitations in any delivery area of the Stores from on and after Closing. Buyer agrees to make deliveries only to the addresses within the Delivery and Service Area for the Stores. Buyer also agrees not to make deliveries to any address outside of the approved Delivery and Service Area for the Stores.

XXIX. Domino's PULSE System

Buyer has entered into the standard form of License Agreement with Domino's Pizza Distribution LLC, including the standard agreement for maintenance and support services. Buyer shall, at Buyer's expense, ensure that Buyer and _____ and Buyer's employees are properly trained in the use of the Domino's PULSE system. Buyer or _____ shall be responsible for any costs associated with the training. Buyer shall subscribe for the standard maintenance and support of the system and shall pay the fees associated with maintenance and support as set out in an Addendum to the License Agreement, as the same may be modified as permitted by the License Agreement and shall pay the costs and fees when due.

XXX. Other Provisions

- A. Any other special provisions or agreements between Buyer and Seller shall be set forth on a page attached hereto and shall be signed and dated by both parties. When any provision hereof contemplates action by a party on or after Closing, that provision shall survive the Closing.
- B. The parties represent and warrant to each other that said party has the authority and legal capacity to enter this Agreement and to carry out the terms thereof and the parties intend for the other to rely on the representations and warranties contained herein.
- C. Each party shall be solely responsible for its own costs and expense (including attorneys' fees and accountants' fees) incurred in connection with this Agreement and the consummation of the transactions contemplated hereby.
- D. To the extent that either party receives funds on or after the closing date which are attributable to the other party's period of ownership (including but not limited to receipts from credit card sales, Coca-Cola rebates, and the like), then the party receiving such funds agrees to immediately notify the other party and to forward such funds to the other party.
- .
- E. Buyer authorizes Seller to insert the date and to complete any blank spaces in this Agreement and any exhibit and execution copy of any document related to this transaction in a manner that is consistent with the circumstances and the agreement of the parties.

XXXI. JURY WAIVER.

BUYER AND SELLER HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, UNCONDITIONALLY AND IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING ARISING OUT OF, RELATING TO, OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY.

The parties acknowledge reading, understanding and fully agreeing to all of the terms hereof.

[Remainder of Page Left Intentionally Blank]

1. Grant of License

1.1 Domino's Pizza Distribution LLC ("DPD") grants to License Holder a limited, nonexclusive license to use executable copies of the software products listed on attachment A ("Software") at the Domino's Pizza store owned by License Holder (each, a "Store" and collectively, the "Stores"). License Holder agrees not to move the Software from that address where it is installed except with the prior written consent of DPD.

DPD shall deliver to License Holder one (1) set of the Software for each of the Stores, in object code form, including the applicable user documentation (in either electronic interface, hard copy or other format). Unless the context indicates otherwise, all references to the Software herein shall be deemed to refer to and include the applicable user documentation. DPD, or its designated representative, shall install the Software on certified hardware either in each Store or at a designated location from which the hardware with installed Software will be delivered to a Store. Unless License Holder notifies DPD in writing to the contrary, License Holder shall be deemed to have accepted the Software ten (10) days after the Installation Date.

1.2 The Software shall only be used by License Holder in connection with License Holder's own internal business activities as a Domino's Pizza franchisee or licensee and only at the Store where the Software is required or permitted to be used in accordance with this Agreement. For clarification purposes, the Software shall only be used in connection with the sale of Domino's Pizza products without the prior written consent of DPD.

1.3 License Holder may transfer the Software to another Store with DPD's prior written approval, which shall not be unreasonably withheld. If the License Holder was provided with a copy of the Software at a discounted amount, DPD reserves the right to charge the then current price of the Software prior to the transfer/sale of the store or Software. DPD may condition its consent upon License Holder's written certification that all copies of the Software at the original Store have either been destroyed or transferred to the new Store.

1.4 License Holder shall not copy the Software, in whole or in part, except for disaster recovery, program error verification, and for back-up purposes. License Holder shall maintain and furnish to DPD, upon reasonable request, competent records of the number and location of all copies of the Software, in whole or in part.

1.5 License Holder must maintain all proprietary notices imposed by DPD in the Software, including all copies thereof. License Holder shall not, and shall not allow any third party, including License Holder's employees, to: (i) reverse engineer, decompile, modify, adapt, translate, disassemble or attempt to ascertain or discover any source code or underlying ideas or algorithms of the Software, merge the Software with any other work or create derivative works based on the Software; (ii) use or provide the Software for the benefit of any third party; (iii) reset or disable the Software except with the prior written consent of DPD; or (iv) except with the prior written consent of DPD, which shall not be unreasonably withheld, use for call or order centers. Interfaces and other additional functions that are external to the Software and its database may be created only with the prior written consent and at the sole discretion of DPD.

1.6 License Holder may assign this license to a qualified purchaser (as defined by DPD) of any of the Stores as provided in License Holder's Franchise Agreement(s) or License Agreement(s) with the written approval of DPD. There will be no assignment fee due from License Holder as a result of such assignment. Except as provided in this Section 1.6, License Holder shall not transfer, assign or sublicense its rights or obligations under this Agreement to any other party, in whole or in part, without the prior written consent of DPD,

which consent shall not unreasonably be withheld or delayed. If the License Holder was provided with a copy of the Software at a discounted amount, DPD reserves the right to charge the then current price of the Software prior to the transfer/sale of the store or Software. Any such prohibited assignment shall be void. In the event of a Store sale or transfer, DPD reserves the right to issue a new Agreement to the new franchisee or licensee. If the License Holder is replaced with a new License Holder but the Controlling Owner remains the same, this Agreement shall continue and such new License Holder shall assume all the obligations and rights hereunder,

2. Term; Termination

2.1 The term of the Agreement shall commence upon acceptance of this Agreement by DPD at its offices in Ann Arbor, Michigan, and shall continue until (i) License Holder is no longer a Domino's Pizza franchisee or licensee and ceases using the Software; (ii) DPD gives written notice that Domino's Pulse is no longer the appropriate computer system for use in all domestic Domino's Pizza stores and License Holder ceases using the Software after that notice; or (iii) Domino's Pulse (or a potential successor or substitute system as designated by DPD, which may be based on similar or entirely different methodologies or technology) is no longer used in a majority of company-owned stores, and upon License Holder ceasing to use the Software.

2.2 Either party may terminate this agreement in the event of any material breach by the other party which material breach is not cured within thirty (30) days after receipt of written notice of such material breach, except as otherwise provided in Section 4.3

2.3 DPD may terminate this Agreement in the event of nonpayment by License Holder of the fees and charges described below in section 3, if such breach is not cured within ten (10) days after receipt of written notice.

2.4 This Agreement shall terminate immediately upon (a) License Holder's bankruptcy or insolvency; (b) the cessation of License Holder's business operations as a Domino's Pizza franchisee or licensee; (c) for any individual Store, the termination or expiration and nonrenewal of the Franchise Agreement or License Agreement for the operation of the Store where the Software is required to be used in accordance with this Agreement; or (d) for the reasons set out below in section 4.3.

2.5 Upon any termination of the Agreement, License Holder shall within thirty (30) days return the Software to DPD or, at DPD's direction, destroy the Software, including user documentation, and shall also warrant in writing that all copies and partial copies have been returned to DPD or have been destroyed. The provisions of this Agreement relating to title and nondisclosure as set forth in Section 4 shall survive any termination of this Agreement. This provision does not require License Holder to destroy License Holder's data and records but License Holder may not retain any customer data, including, but not limited to, customer information and order history. License Holder may copy and retain License Holder's records and data.

2.6 License Holder will not be in default under its Domino's Pizza Franchise Agreement or License Agreement for failing to use Domino's Pulse if: (i) License Holder validly terminates this Agreement according to section 2.2; or, (ii) DPD terminates this Agreement as a result of a claim of infringement by a third party after DPD determines that it is not commercially reasonable to procure the right for License Holder to continue to use the Software, or replace or modify the Software so as to make it noninfringing pursuant to section 5.2; or, (iii) License Holder is enjoined or prohibited by law or regulation from using the Software through no fault of License Holder.

3. Fees and Charges; Payment; Taxes

3.1 The License fees, annual Software enhancement fees, and other charges set forth in Attachment A shall be invoiced by DPD upon delivery of the Software to License Holder. All license fees, annual Software enhancement fees, and other charges are due thirty (30) days after date of invoice, without set-off or claim. A charge not to exceed one and a half percent (1 ½%) percent per period may be assessed on late payments. All prices and payments are in U.S. dollars.

3.2 License Holder shall also pay sums equal to all shipping and handling charges (such handling charges shall be without markup to DPD or rebate to DPD), and all custom duties and taxes, paid or payable, however designated, arising from the licensing or use of the Software by License Holder, but exclusive of DPD's franchise taxes and federal, state and local taxes based on DPD's net income.

4. Title; Nondisclosure

4.1 Title to and ownership of the Software, and all copies, partial copies and any and all revision and modifications thereto, shall remain with DPD and/or with the respective manufacturer or author. All rights to patents, copyrights, trademarks and trade secrets in the Software or any modifications shall remain with DPD and/or with the respective manufacturer or author.

4.2 License Holder shall take all steps necessary to maintain the Software in confidence and shall not, nor shall it permit its employees or its agents or consultants to sell, transfer, disclose, display or otherwise make accessible the Software, or any copies thereof, in whole or in part to any third party. The internal dissemination of the Software or any information relating thereto by License Holder to its agents and consultants shall require a written agreement to maintain the confidentiality of the Software and information and restrict the use thereof.

4.3 Breach of any provision of this Section 4 shall be the basis for immediate termination by DPD of this Agreement and the license(s) granted herein.

5. Limited Warranty

5.1 Provided that License Holder has currently paid for annual Software Enhancement Services and uses the Software in the manner required by this Agreement and the applicable documentation, the Software as delivered by DPD will perform in all material respects in accordance with the then current applicable user documentation delivered by DPD (in either electronic interface, hard copy or other format). DPD's sole obligation and liability under this Section 5.1 shall be to replace or correct the Software so that it will perform in substantial conformance with the applicable user documentation. In the event DPD fails or is unable for any reason to replace or correct the Software so that it will so perform, DPD shall, as its sole obligation and liability, refund the applicable license fee paid by the License Holder, upon return of the Software, less an amount equal to ten percent (10%) of such fee for each twelve (12) month period, or part thereof, since the license term commencement date.

5.2 DPD warrants that it has the right to authorize the use of the Software by License Holder under this Agreement. DPD shall hold harmless and defend License Holder against suits based on any claim that the delivered Software under this Agreement infringes on any United States patent, copyright, trademark or other proprietary right, provided that License Holder gives DPD prompt written notice of such suits and permits DPD to control the defense and the settlement thereof. In the event, as a result of any such claim of infringement, License Holder is enjoined from using the Software, or if DPD believes that the Software is likely to become the subject of a claim of infringement, DPD at

Its option and expense may procure the right for License Holder to continue to use the Software, or replace or modify the Software so as to make it noninfringing, provided that the performance thereof is not adversely affected in a material manner. If DPD, in its sole discretion, determines that neither of these options is commercially reasonable, DPD may terminate the license granted herein with the respect to the affected Software and, as its sole liability, except for indemnities stated above in this Section 5.2, refund to License Holder the applicable license fee to the extent then paid by License Holder upon return of the affected Software, less an amount equal to ten percent (10%) of such fee for each twelve (12) month period, or part thereof, since the license term commencement date.

5.3 IN THE EVENT THAT LICENSE HOLDER, EMPLOYEE, OFFICER, OR AGENT OF LICENSE HOLDER MODIFIES ANY PORTION OF THE SOFTWARE WITHOUT DPD'S PRIOR WRITTEN APPROVAL, WARRANTIES WITH RESPECT TO THAT PORTION OF THE SOFTWARE ARE VOIDED AND WARRANTIES, IF ANY, WITH RESPECT TO THE UNMODIFIED PORTION OF THE SOFTWARE ARE VOIDED SHOULD THE FAILURE OF THE UNMODIFIED PORTION TO CONFORM TO THE FUNCTIONAL SPECIFICATIONS HAVE BEEN DIRECTLY AND PROXIMATELY CAUSED BY THE MODIFICATION.

DPD DOES NOT AND CANNOT WARRANT THE RESULTS THAT MAY BE OBTAINED BY USE OF THE SOFTWARE OR THAT THE FUNCTIONS WILL BE UNINTERRUPTED OR ERROR OR BUG FREE. DPD MAKES NO WARRANTIES EITHER EXPRESS OR IMPLIED WITH RESPECT TO ANY THIRD PARTY SOFTWARE.

5.4 DPD HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND THE WARRANTY OF FITNESS FOR USE OR FOR A PARTICULAR PURPOSE. THE WARRANTIES SET FORTH IN THIS SECTION 5 SHALL CONSTITUTE DPD'S SOLE AND EXCLUSIVE LIABILITY AND THE REMEDIES SET FORTH IN THIS SECTION 5 SHALL CONSTITUTE LICENSE HOLDER'S SOLE AND EXCLUSIVE REMEDIES FOR ANY ACTION, WHETHER BASED IN CONTRACT OR IN TORT.

5.5 Some states and jurisdictions do not allow limitations on duration of an implied warranty. Consequently, the above limitations may not apply to License Holder with respect to a Store located in those states.

6. Limitation of Liability

6.1 DPD SHALL HAVE NO LIABILITY WHATSOEVER FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR EXEMPLARY DAMAGES UNDER ANY CIRCUMSTANCES, WHETHER BASED ON TORT OR BREACH OF CONTRACT CLAIMS OR ON ANY OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL DPD'S LIABILITY, EXCEPT AS STATED IN SECTION 5.2, EXCEED THE INITIAL LICENSE FEE PAID BY LICENSE HOLDER TO DPD.

6.2 DPD SHALL HAVE NO LIABILITY FOR (a) LOSS OF DATA OR OTHER LOSS RELATED TO FAILURE TO BACK UP THE DATA; OR (b) ANY FAILURE OF ANY MEDIA RESULTING FROM ABUSE, ACCIDENT, OR MISAPPLICATION OF THE HARDWARE, SOFTWARE, DOCUMENTATION OR SYSTEM; OR (c) LICENSE HOLDER'S FAILURE TO INCORPORATE IN THE SOFTWARE ANY UPDATES OR CORRECTIONS WHICH DPD HAS PROVIDED TO LICENSE HOLDER.

7. Support Services

7.1 License Holder shall enter into an agreement with DPD, one of its affiliates or a third party supplier certified by DPD for Help Desk and Software support services, during the term of this Agreement, or for such other shorter period of time as DPD may agree. License Holder acknowledges that in order to obtain full benefit of the Help Desk and Support Services, License Holder shall not have modified the Software, failed to incorporate in the Software any updates which DPD has provided to License Holder, or failed to use the then currently support version(s) of the Software.

License Holder may negotiate directly with any Help Desk and Support Service certified by DPD. DPD will, however, attempt to obtain the best prices and cost structures for Help Desk Services by negotiating with providers based on, among other things, volume discounts, and License Holder agrees not to unreasonably impair DPD's ability to do so.

8. Dispute Resolution

8.1 The parties desire to resolve disputes arising out of this Agreement without litigation. Accordingly, except for action seeking injunctive relief related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the parties agree to use the following alternative dispute resolution procedure as their sole remedy with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

8.2 At the written request of a party, each party will appoint a knowledgeable, responsible nonlawyer business representative to meet and negotiate in good faith to resolve any dispute arising under this Agreement. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as confidential information developed for purposes of settlement, exempt from discovery and production, which shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted, and may, if otherwise admissible, be admitted in evidence in the arbitration or lawsuit.

8.3 If the negotiations do not resolve the dispute within sixty (60) days of the initial written request, or such other period of time as agreed to by the parties but not to exceed 180 days, the dispute shall be submitted to binding arbitration by a single arbitrator selected pursuant to the Commercial Arbitration Rules of the American Arbitration Association. A party may demand such arbitration in accordance with the procedures set out in those rules. The provisions of this Agreement shall control in the event there is any conflict between this Agreement and the Commercial Arbitration Rules of the American Arbitration Association. Discovery shall be controlled by the arbitrator and shall be permitted to the extent set out in this section. Each party may submit in writing to a party, and that party shall so respond, to a maximum of any combination of thirty-five (35) (none of which may have subparts) of the following: interrogatories, demands to produce documents, and requests for admission. Each party is also entitled to take the oral deposition of one individual of another party. Additional discovery may be permitted upon mutual agreement of the parties. The arbitration hearing shall be commenced within sixty (60) days of the demand for arbitration. The arbitration shall be held in Ann Arbor, Michigan. The arbitrator shall control the scheduling so as to process the matter expeditiously. The parties may submit written briefs. The arbitrator shall rule on the dispute by issuing a written opinion within thirty (30) days after the close of

hearings. The arbitrator shall follow the law of the State of Michigan without regard to its conflict of law provisions. The times specified in this section may be extended upon mutual agreement of the parties or by the arbitrator upon a showing of good cause. In no event shall an award in an arbitration initiated under this section exceed the Limitations on Liability set out above in section 6 and no award shall include any equitable relief.

Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction within one year from the date of the award, subject to either party's right to apply to the court to vacate the award within 21 days after delivery of a copy of the award to the applicant.

On application of a party, the court shall vacate an award if: (i) the award was procured by corruption, fraud, or other undue means; (ii) there was evident partiality or misconduct prejudicing a party's rights; (iii) the arbitrator exceeded his or her powers (including a material error in law or failure to give a fair and plain meaning to the License Agreement); or (iv) the arbitrator refused to postpone the hearing on a showing of sufficient cause, refused to hear evidence material to the controversy, or otherwise conducted the hearing to prejudice substantially a party's rights.

8.4 Each party shall bear its own costs of the procedures set out in section 8.2 and 8.3. A party seeking discovery pursuant to the procedures in section 8.3 shall reimburse the responding party for the costs of production of documents (including search time and reproduction costs). The parties shall equally split the fees of the arbitration and of the arbitrator provided for in subsection 8.3. If any action is brought seeking injunctive relief related to the purposes of this Agreement, or to compel compliance with this dispute resolution process, as contemplated by section 8.1, the prevailing party in such an action shall be entitled to an award of its reasonable attorney's fees and costs of litigation.

9. Transfer of Data

License Holder agrees that DPD is merely accepting data from License Holder as it exists on License Holder's computer system, without independent review or verification, and that DPD has no duty to do so. By accepting data from License Holder's system DPD is not approving the customer addresses as being within License Holder's Delivery and Service Area. Nothing herein shall prevent Domino's Pizza Franchising LLC ("DPF") or its affiliates, successor or assigns from strictly enforcing all of the terms of the Franchise Agreement or License Agreement for the Store. License Holder waives any claim that DPD has breached any duty disclaimed by DPD in this paragraph.

10. License Holder's Indemnity

License Holder, at its own cost, shall indemnify and defend DPD and its affiliates and their respective agents, officers, directors, employees, successors and assigns against any and all suits, proceedings, hearings, investigations, charges, complaints, claims, demands, injunctions, judgments, orders, rulings, damages, penalties, fines, costs, amounts paid in settlement, liabilities, obligations, taxes, expenses, and fees, including court costs and reasonable attorneys' fees and expenses (as same are incurred) which arise out of or in connection with:

(a) a claim or threatened claim which is or may be brought by any third party, which is based in whole, or in part, upon an assertion that this Agreement infringes upon, or interferes with, the contractual relationship or other rights between such third party and License Holder;

(b) all claims that result from any copyright or other infringements of third party rights that occur as a result of License Holder providing its own technical support and maintenance or from any errors or malfunctions that occur as a result of License Holder providing its own technical support and maintenance;

(c) all claims arising out of the performance or nonperformance by License Holder and its employees of the obligations arising under this Agreement; or,

(d) all claims arising out of data furnished or made available to DPD for uploading or converting to the Domino's Pulse system, or transferring from License Holder's old system to a new system, including the accuracy of delivery addresses and whether the addresses are located within or outside the boundaries of the License Holder's approved Delivery and Service Area.

11. License Holder Data

License Holder agrees that DPD, DPF (and their affiliates and successors and assigns) may, at any time, have full access, both on-site and from a remote location, to all of License Holder's computer data, equipment and systems containing any and all of the information, records and reports required to be maintained by License Holder pursuant to its Franchise Agreement or License Agreement and to use the data in the evaluation of product and service, store performance, tests, EBITDA performance, and as an analytical tool to improve the operation of the Domino's system. DPD will use the same degree of care to protect against the unauthorized use of the information by third parties as it does with respect to its own information of a similar type. In addition, DPD is responsible for the security of cardholder data that DPD possesses or stores, processes or transmits on behalf of the License Holder, or to the extent that they could impact the security of the License Holder's cardholder data environment.

12. Use of Telephone Numbers

License Holder may receive a marketing list from an outside vendor which contains telephone numbers of potential customers of License Holder for use in connection with the Software licensed pursuant to this agreement. Any such list is included within the definition of "Customer List" as that term is defined in the Franchise Agreement. License Holder acknowledges that the list and the telephone numbers have not been compared to the National Do Not Call Registry and that some of the names on the list may have placed their telephone numbers on the National Do Not Call Registry.

License Holder agrees that it will only use the information contained in the marketing list described above in manner consistent with and for purposes permitted by law. License Holder agrees not to call any telephone number on the marketing list for telemarketing purposes unless License Holder first obtains access to the National Do Not Call Registry on its own behalf and abides by the restrictions placed on calling telephone numbers that appear on the Do Not Call Registry.

License Holder agrees to defend, indemnify and hold DPD, the supplier of the marketing lists and the supplier of the telephone numbers, and their directors, officers, agents, employees, contractors, licensors, and affiliated companies, harmless from any liability for any loss or injury arising out of, or caused in whole or in part by License Holder's use of the information provided in the marketing list described above.

13. Technology Advisory Board

DPD will maintain a Technology Advisory Board ("TAB") consisting of Domino's Pizza Franchisees and/or Licensees selected by DPD. DPD will from time to time present DPD's plans for the direction and prioritization of future development of the Software and related

technologies to the TAB. The TAB will review these plans, provide the advice of the TAB, and collaborate with DPD on these future initiatives.

14. Procedures Review

DPD will use a "Procedures Review" whereby approximately once each year, DPD will have the key enhancement, maintenance, and support expenditures on Pulse and related technologies (including but not limited to Domino's Real Time) from collected enhancement fees reviewed by independent auditors. DPD will review the results of the independent auditor review with the TAB for purposes of demonstrating that annual Software enhancement fees are spent only on the enhancement, maintenance, and support of Domino's Pulse and related store and internet-based technologies.

15. General

15.1 This Agreement and all addenda supersedes in full all prior discussions and agreements, oral and written, between the parties relating to the Software and constitutes the entire agreement between the parties relating to the Software. This Agreement may be modified or supplemented only in writing signed by an authorized representative of each party.

15.2 Neither party shall be liable for delays in any of its performance hereunder due to causes beyond its reasonable control, including, but not limited to, acts of God, strikes or inability to maintain labor or materials on time.

15.3 If any provision of this Agreement shall be deemed illegal or otherwise unenforceable, that portion shall be severed, and the remainder of this Agreement shall remain in full force and effect. A waiver shall be effective only if made in writing and signed by an authorized representative of both parties. The waiver of any right or election of any remedy in one instance shall not affect any rights or remedies in another instance.

15.4 All required notices under this Agreement (except for the notice in section 2.1) shall be sent to the recipient party's address stated in this Agreement, unless otherwise changed in writing by the respective party. Notices to DPD shall be sent to the attention of the Chief Information Officer and notices to the License Holder shall be sent to the attention of the person signing this Agreement on behalf of the License Holder. All notices shall be given by certified or registered mail, or overnight carrier or via facsimile or other electronic system. Such notices shall be deemed given on the date of receipt (or refusal) of delivery of said notice.

15.5 This Agreement shall be governed by the laws of the State of Michigan.

15.6 Neither party to this Agreement is, or shall represent itself to be, an agent, partner, or employee of the other. Nothing in this Agreement shall be interpreted or construed as creating or establishing a joint venture, agency, or partnership, or any relationship other than licensor - licensee. Each party retains control of the day to day activities of its respective business.

Attachment C To Domino's Pulse Software License Agreement Participation Agreement

This Participation Agreement is entered into by the party signing below ("you") for the benefit of MSLI, GP ("Microsoft") and shall be enforceable against you by Microsoft in accordance with its terms. You acknowledge that Microsoft and **Domino's Pizza Distribution LLC** and/or its affiliates (the "customer") are parties to Microsoft Select Enrollment, No. 6645248 (the "agreement"), under which you desire to sublicense certain Microsoft products. As used in this Participation Agreement, the term to "run" a product means to copy, install, use, access, display, run or otherwise interact with it. You acknowledge that your right to run a copy of any version of any product sublicensed under the agreement is governed by the applicable product use rights for the product and version licensed as of the date you first run that copy. Such product use rights will be made available to you by the customer, or by publication at a designated site on the World Wide Web, or by some other means. Microsoft does not transfer any ownership rights in any licensed product and it reserves all rights not expressly granted.

I. Acknowledgment and Agreement. You hereby acknowledge that you have received a copy of the product use rights applicable to the products acquired under the above-referenced agreement; you have read and understood the terms and conditions as they relate to your obligations; and you agree to be bound by such terms and conditions, as well as to the following provisions:

- a. **Restrictions on use.** You may not:
- o Separate the components of a product made up of multiple components by running them on different computers, by upgrading or downgrading them at different times, or by transferring them separately, except as otherwise provided in the product use rights;
 - o Rent, lease, lend or host products without the express written consent of Microsoft;
 - o Reverse engineer, de-compile or disassemble products, except to the extent expressly permitted by applicable law despite this limitation;
 - o Transfer licenses to, or sublicense, products to the U.S. Government.

You acknowledge that products licensed under the agreement are of US-origin. You agree to comply with all applicable international and national laws that apply to these products, including the U.S. Export Administration Regulations, as well as end-user, end-use and country destination restrictions issued by U.S. and other governments. For additional information on exporting Microsoft products, see <http://microsoft.com/exporting/>.

b. **Limited product warranty.** Microsoft warrants that each version of a commercial product will perform substantially in accordance with its user documentation. This warranty is valid for a period of 90 days from the date you first run a copy of the version. Any warranties imposed by law concerning the products are limited to the same 90-day period. This warranty does not apply to components of products which you are permitted to redistribute under applicable product use rights, or if failure of the product has resulted from accident, abuse or misapplication. If you notify Microsoft within the warranty period that a product does not meet this warranty, then Microsoft will, at its option, either (i) return the price paid for the product or (ii) repair or replace the product. This is your exclusive remedy for any failure of any commercial product to function as described in this paragraph.

c. **Free and beta products.** Free and beta products, if any, are provided "as-is," without any warranties.

d. **NO OTHER WARRANTIES.** TO THE EXTENT PERMITTED BY APPLICABLE LAW, MICROSOFT DISCLAIMS ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED OR STATUTORY, OTHER THAN THOSE IDENTIFIED EXPRESSLY IN THIS SECTION, INCLUDING BUT NOT LIMITED TO WARRANTIES OR CONDITIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE PRODUCTS AND RELATED MATERIALS.

e. **Limitation of liability.** There may be situations in which you have a right to claim damages or payment from Microsoft. Except as otherwise specifically provided in this paragraph, whatever the legal basis for your claim, Microsoft's liability will be limited, to the maximum extent permitted by applicable law, to direct damages up to the amount you have paid for the product giving rise to the claim. In the case of free product, or code you are authorized to redistribute to third parties without separate payment to Microsoft, Microsoft's total liability to you will not exceed US\$5000, or its equivalent in local currency.

f. **No liability for certain damages.** To the maximum extent permitted by applicable law, neither you, your affiliates or suppliers, nor Microsoft, its affiliates or suppliers will be liable for any indirect damages (including, without limitation, consequential, special or incidental damages, damages for loss of profits or revenues, business interruption, or loss of business information) arising in connection with any agreement, product or service, even if advised of the possibility of such damages or if such possibility was reasonably foreseeable.

g. **Application.** The limitations on and exclusions of liability for damages set forth herein apply regardless of whether the liability is based on breach of contract, tort (including negligence), strict liability, breach of warranties, or any other legal theory.

h. **Verifying compliance.** You must keep records relating to the products you run. Microsoft has the right to verify compliance with these terms and any applicable product use rights, at its expense, during the term of the agreement and for a period of one year thereafter. To do so, Microsoft will engage an independent accountant from a nationally recognized public accounting firm, which will be subject to a confidentiality obligation. Verification will take place upon not fewer than 15 days notice, during normal business hours and in a manner that does not interfere unreasonably with your operations. As an alternative, Microsoft may require you to accurately complete its self-audit questionnaire relating to the products you use. If verification or self-audit reveals unlicensed use of products, you must promptly order sufficient licenses to permit all product usage disclosed. If material unlicensed use is found (license shortage of 5% or more), you must reimburse Microsoft for the costs it has incurred in verification and acquire the necessary additional licenses as single retail licenses within 30 days. If Microsoft undertakes such verification and does not find material unlicensed use of products, it will not undertake another such verification for at least one year. Microsoft and its auditors will use the information obtained in compliance verification only to enforce its rights and to determine whether you are in compliance with these terms and the product use rights. By invoking the rights and procedures described above, Microsoft does not waive its rights to enforce these terms or the product use rights, or to protect its intellectual property by any other means permitted by law.

i. **Dispute Resolution; Applicable Law.** This Participation Agreement will be governed and construed in accordance with the laws of the jurisdiction whose law governs the agreement. You consent to the exclusive jurisdiction and venue of the state and federal courts located in such jurisdiction.

Your violation of the above-referenced terms and conditions shall be deemed to be a breach of this Participation Agreement and shall be grounds for immediate termination of all rights granted hereunder.

RECITALS

WHEREAS, concurrently with the execution of this Rider, Tenant, a franchisee of Domino's Pizza Franchising LLC ("DPF"), and Landlord have entered into a lease (the "Lease") for the premises of Tenant's Domino's Store located at:

_____ (the "Premises"); and

(Print "Complete Store Address" Above)

WHEREAS, as a condition to DPF's grant of a franchise to a franchisee, DPF requires that certain provisions be contained in the lease entered into by its franchisees to establish an alignment and approval of certain subjects and activities within the Franchise Agreement that the franchisee has signed, or will be signing, to operate the store covered by the Lease Agreement; and

WHEREAS, to evidence Landlord's and Tenant's agreement to these terms, the parties hereby enter this Rider to Lease;

NOW, THEREFORE, the parties agree as follows:

1. **Inconsistency between Lease and Rider.** In the event of any inconsistency between the terms of the Lease and this Rider, the terms of this Rider shall prevail.

2. **Definitions.** In this Rider, the following words or phrases will have the following meanings:

Domino's Pizza Franchising LLC "DPF" **Franchisor.**
Domino's subsidiary issuing franchise agreements to domestic franchisees within United States.

Domino's Pizza LLC "DPL"
Domino's subsidiary of which manages and oversees the primary operations of all Domino's subsidiaries and business.

Domino's Pizza LLC – Manager "DPL-M"
DPL as Manager for DPF providing required support and services to franchisees under their franchise agreements.

Franchise Agreement "FA"
The agreement between franchisor and franchisee allowing for the operation of the Domino's store at the leased premises.

Successor Tenant
The Domino's franchisee, or corporate entity, that purchases the Domino's store from the currently operating Tenant in accordance with terms set forth in this Rider.

3. **Use and Occupancy.** Tenant may only use the leased premises (the "Premises") as a quick service pizza restaurant for the preparation, consumption, dine-in, carry-out and delivery of pizza, sandwiches, salads, chicken items, pastas and related foods and beverages and those items customarily sold, either now or in the future, in a Domino's Store or other similar enterprise or establishment so long as such future use does not conflict with any applicable governmental laws, rules and regulations or any exclusive use granted prior to the date of this Lease to other tenants within the shopping center.

4. **Assignment of Lease.** Anything contained in the Lease to the contrary notwithstanding, Landlord agrees that the Lease and the right, title and interest of the Tenant and any subsequent or successor Tenant thereunder, shall be sold and assigned by Tenant, but only upon and with the sole authorization and management of DPF in accordance to the terms of the Tenant's FA with DPF, to Domino's Pizza LLC or to a Successor Tenant provided Landlord receives notice of such assignment, and further provided, that the assignee shall execute such documents evidencing its agreement to thereafter keep and perform, all of the obligations of Tenant arising under the Lease from and after the time of such assignment. Further, Successor Tenant shall have no responsibility for prior defaults under the Lease and Landlord shall not terminate the Lease upon assignment.

In addition, anything contained in the Lease to the contrary notwithstanding, Landlord agrees to allow a change in the controlling interest of the Tenant and any subsequent or successor Tenant thereunder, in the event such controlling owner is Domino's Pizza LLC or an approved franchisee of DPF, without the consent of Landlord, provided, however, that Landlord shall be provided notice of such change in controlling interest.

5. **Notice of Default.** Landlord shall give written notice to Domino's Pizza LLC, as Manager, Attn: Franchise Services Department (via email at franchise.services@dominos.com), (concurrently with the giving of such notice to Tenant), of any default by Tenant under the Lease and Domino's Pizza LLC may cure such default at its sole option within thirty (30) days receipt of said notice. Notice shall be sent via USPS mailing services to PO Box 485, Ann Arbor, MI 48105-0485, or via any overnight courier services requiring a street address to 24 Frank Lloyd Wright Drive, Suite F1200, Ann Arbor, MI 48105-9484.

6. **Adequate Parking.** Notwithstanding any parking provisions defined in the Lease, Landlord agrees that Tenant's active Retail Delivery Drivers will be exempt from any mandated "employee parking" designated by Landlord. Rather, the retail delivery drivers may be permitted to park as near or adjacent to the Premises as possible for the loading and unloading of their vehicles in service of Tenant's Delivery Customers. Drivers must not park in front of other tenant's spaces when the businesses are open. Tenant's in-store employees shall abide by any employee parking requirements defined in the Lease.

7. **Standard Signage.** It is requested that Tenant be permitted to install the customary and usual Domino's Pizza display signs (including pole-type or tenant-shared signs if they are permitted and/or available) on and adjacent to the Premises, subject to the conditions set forth in the Lease or any Lease Exhibits. Renderings of the signs, advertisements, notices, logos, lettering, standard images, and advertising practices of the Domino's Pizza LLC advertising program, are attached to this rider to provide general guidance of the Domino's signage program. Tenant shall be responsible for coordinating with a professional signage company for the actual signage design to be manufactured and installed upon the Premises once all approvals and permissions have been received.

8. **Adjoining Uses.** No operation currently exists, and Landlord shall not permit, directly or indirectly, another quick service pizza restaurant which sells pizza for delivery or carry out ("Competing Business") to be operated within the Shopping Center including out parcels and pad sites that is a direct competitor (including, but not limited to, Pizza Hut, Papa John's, Little Caesars and Papa's Pizza, (list other major regional competitors if applicable)). The aforementioned restriction shall not apply to: (i) any existing leases at the Shopping Center as the same may be renewed, extended, modified or amended (except that no such renewal, extension, modification or amendment shall grant a tenant the right to engage in the Exclusive Use where such tenant did not previously have that right), or (ii) any store measuring 5,000 sq. ft. or more; or (iii) a full service sit-down restaurant; or (iv) a buffet style pizza restaurant; or (v) any portion of the Shopping Center that is not owned by Landlord.

Should Landlord violate this provision, all rent shall abate in full until such time that the Competing Business no longer occupies space in the Shopping Center. Should the Competing Business remain open and in business for a period in excess of three hundred sixty-five (365) days Tenant may terminate the Lease forthwith with thirty (30) days written notice thereof delivered to Landlord.

9. **Damage to Premises.** In the event the Premises or any material portion thereof or any adjoining property

shall be damaged by fire or other casualty during the term hereof so as to render the Premises, including any common area, untenable, Landlord shall promptly restore the same to their previous condition, and a just proportion of the rent, according to the extent to which the Premises and any common areas have been rendered untenable, shall abate until the Premises shall have been restored and put in proper condition for use and occupancy by Tenant. However, per terms of tenant's FA with Franchisor that require that a closed store be re-opened within one hundred eighty (180) days of the casualty, if the damaged Premises cannot be made tenable within one hundred twenty (120) days after the occurrence of such damage, for reasons including, but not limited to, insurance issues, building and permitting issues and construction delays, Tenant may terminate this Lease forthwith upon thirty (30) days' written notice thereof delivered to Landlord and any rent paid in advance of such termination by Tenant shall forthwith be refunded to it. If any authority having jurisdiction thereof shall determine that the Premises or any building of which the Premises are a part should be demolished and removed because of damage, this Lease shall terminate within 30 days of receiving notice of same and any rent paid in advance of such determination by Tenant shall be refunded to it.

10. **De-identification.** Landlord acknowledges that Tenant is entering the Lease to operate a Domino's Pizza franchise, as an independent business entity. Tenant is required upon termination or expiration of the Lease, or upon termination or expiration of the Franchise Agreement, that Tenant shall, at Tenant's sole expense, and within ten (10) business days, make such reasonable modifications to the exterior and interior of the Leased Premises (including interior and exterior signage, menu boards, job aids, product photos, and the like) as is necessary or useful to fully eliminate all identification and appearance as a Domino's Store.

If Tenant fails or refuses to timely and fully de-identify the Leased Premises to the extent and in the time and manner required by the foregoing paragraph of this Rider to Lease, Domino's Pizza LLC may, at its sole option and in addition to other rights and remedies it may have, make said modifications on Tenant's behalf, so long as Domino's contacts Landlord prior to commencing any activity to do so, and both parties enter into a reasonable written agreement to be executed of the scope of work to be done, the timing and conditions related to said work, access to the Premises and indemnifications as needed. Whether it is Domino's or Landlord that ultimately does the de-identification of the space due to Tenant's failure to do so, all expenses incurred in the activity shall be the responsibility of the Tenant. The foregoing shall not give Landlord or any other entity additional rights to require the restoration or repair of the Leased Premises beyond that which is agreed to between Landlord and Tenant. Landlord acknowledges that Domino's Pizza LLC will not be required to make any repairs, restorations, or de-identifications of the Lease Premises unless it exercises its option to make said modifications.

11. **Payment of Rent.** Notwithstanding anything in the Lease to the contrary Tenant and Landlord acknowledge that Tenant's rent or lease obligations shall not be determined based upon Tenant's sales.

IN WITNESS, WHEREOF, the parties have executed this Rider on or as of the date first above written.

SPATIAL RELATIONSHIP:
The tile logo should always have a safe area around it at least 100% the diameter of the white dot, or "pip", in the logo. This gives our logo room to breathe and helps them stand out. Height of inset of "o" = distance between type and tile. No Elements may be positioned within the protected zone.

RIDER TO PURCHASE AGREEMENT

RIDER TO PURCHASE AGREEMENT

THIS RIDER TO PURCHASE AGREEMENT (the “Rider”) is made this _____ day of _____ 20____, by and between: _____ (the “Seller”) and _____ (the “Purchaser”).

WHEREAS, concurrently with the execution of this Rider, Seller, a franchisee of Domino’s Pizza Master Issuer LLC (DPMI”) and/or Domino's Pizza Franchising LLC (“DPF”), and Purchaser, have entered into a Purchase Agreement for the sale of Seller’s assets used in the operation of the Domino's Pizza Store(s) listed on the attached Exhibit A (the "Store(s)") to Purchaser.

WHEREAS, Purchaser has applied to Domino’s Pizza LLC, as Manager (“DPL”), for approval to operate the Store(s) as a Domino’s Pizza franchisee and approval of Purchaser’s application is conditioned, among other things, upon certain provisions being contained in the Purchase Agreement for the Store(s).

WHEREAS, to evidence Seller’s and Purchaser's agreement to include these terms in the Purchase Agreement, the parties hereby enter into this Rider.

NOW, THEREFORE, the parties agree as follows:

1. **Purchase Agreement.** For the purposes of this Rider, the term “Purchase Agreement” shall mean the documents executed or delivered by and between Seller and Purchaser for the transfer of the assets of the Store(s) from Seller to Purchaser, regardless of the name or title on the documents.

2. **Inconsistency Between Agreements.** In the event of any inconsistency between the terms of the Purchase Agreement, any and all other related documents executed in connection with the purchase of the assets of the Store(s), and this Rider, the terms of this Rider shall prevail. If there is any inconsistency between any franchise agreement(s) to which Seller or Purchaser is a party (the “Franchise Agreement(s)”), and the Purchase Agreement, including this Rider, the terms of the Franchise Agreement(s) shall prevail. Without limiting the generality of the foregoing, sales or transfers of all or a part of any interest in the assets of a Domino’s Pizza store, or the entity owning the Store(s) remain subject to the prior rights of DPMI, DPF and/or DPL as provided in the Franchise Agreement(s).

3. **Disclaimer of Interest in Telephone Numbers/Intellectual Property.** The assets to be transferred pursuant to the Purchase Agreement do not include, nor shall any value be assigned to: (i) telephone numbers, (ii) the Domino’s trademarks/tradenames, (iii) the Franchise Agreement(s), (iv) geographic areas or (v) any rights granted under the Franchise Agreement(s).

Further, Seller and Purchaser acknowledge that the rights to the current telephone number(s) to the Store(s) (the “Phone Number(s)”) are held by DPL. However, as the telephone service provider(s) of the Phone Number(s) may not recognize this right of DPL, Seller agrees to provide the necessary documentation to the telephone service provider(s) to assign such Phone Numbers to the Purchaser.

4. **Outstanding Debts/DMA Co-op Obligations.** All outstanding debts owed to DPMI, DPF, Domino's Pizza Distribution LLC ("DPD") and any of their affiliates or subsidiaries, contractual and local DMA commitments accrued as of the date of closing, must be paid in full prior to or at the closing. DPL may, at its discretion, require outstanding debts to be paid via wire transfer to the appropriate creditor.

Purchaser hereby formally assumes all of Seller's obligations under all contractual and local DMA Co-op commitments and contracts.

5. **Clearance Letter/Purchaser's Joint Liability.** Prior to taking possession of the subject of the Purchase Agreement, or paying any part of the price therefor, Purchaser shall obtain written verification from DPL of amounts owed by Seller to DPMI, DPF, DPD and any of their affiliates or subsidiaries and local DMA commitments. Purchaser may satisfy this obligation by obtaining a completed "Clearance Letter" in a form of the Exhibit B attached to this Rider which must be signed by DPL and Seller at least one (1) business day prior to the closing. By signing this Rider, Seller authorizes Purchaser to pay the amounts to the respective entities as set out on the applicable Clearance Letter by *Wire Transfer on the day of the closing*. For failure to comply with the provisions of this paragraph, Purchaser agrees to be liable with Seller for payment of the liabilities set out on the Clearance Letter and the individual signing this Rider for the Purchaser shall also be personally liable for payment of the liabilities set out on the Clearance Letter, and such liabilities may be enforced against Seller, Purchaser, and Purchaser's signatory, jointly and severally. Purchaser and Purchaser's signatory also authorize DPF to withhold profit sharing and volume discount payments otherwise due Purchaser for payment of liabilities assumed by Purchaser under this paragraph.

In addition, Seller, Purchaser, and Purchaser's signatory shall be jointly liable for interest at the rate of twelve percent (12%) per annum on any amount not paid to the payee according to the Clearance Letter by Wire Transfer on the day of the closing, as well as all of the payee's costs (including attorney's fees) incurred in collecting the amounts due according to the Clearance Letter.

Nothing set forth in this paragraph relieves Seller of any liability to pay amounts due at closing.

6. **No Security Interest.** Purchaser acknowledges and agrees that it shall not grant a security interest in, or pledge as collateral of, any interest in any premise lease, franchisee, Franchise Agreement(s), or any franchise rights thereunder, and Seller acknowledges that it will not attempt to acquire any such security interest.

7. **Delivery Area.** Neither Seller nor Purchaser has the authority to change the boundaries of the delivery area of any Store(s) without the written consent of DPL or DPF. If there are any discrepancies over the exact boundaries of the delivery area of any Store(s), the boundaries that are set out on the map maintained by DPL or DPF shall control.

Seller agrees to disclose to Purchaser, prior to closing any limitations Seller has placed on delivery service offered by the Store(s) and furnish Purchaser with copies of documents supporting Seller's reasons for, and other information about, the limitations.

Purchaser acknowledges that it is familiar with the boundaries of all delivery areas and further agrees to make an independent review and evaluation of the entire delivery area(s) of

the Store(s) within thirty (30) days after closing and Purchaser shall adopt and implement its delivery service policy in accordance with the Domino's Pizza Limited Delivery Service Policy and Standard.

8. **Sale Information.** Seller and Purchaser agree that DPL, DPF, DPMI and their subsidiaries and affiliates do not represent or warrant the accuracy of any information Seller has provided to Purchaser in connection with this transaction and DPL, DPF, DPMI and their subsidiaries and affiliates shall have no liability for the information or failure to provide information.

IN WITNESS WHEREOF, the parties have executed this Rider on or as of the date first above written.

This Online Ordering Franchisee Services Agreement (this "Agreement"), dated _____, 20__, is by and between Domino's Pizza Distribution LLC, its parents, subsidiaries and affiliates, ("Domino's") and <<Franchisee Name>>("Controlling Owner") and all corporations, partnerships, limited liability companies or other business entities owned by the Controlling Owner (referred to collectively herein as "Franchisee").

WHEREAS, Domino's has developed an online ordering engine ("OLO") for internet based orders ("Web Orders") to be used by Domino's Pizza franchisees in Domino's Pizza stores (each a "Store" and collectively, the "Stores") operating the Domino's PULSE computer system. Franchisees will be responsible for payment of the OLO Fees in the Franchisee's Stores and Domino's will invoice and collect from participating franchisees the OLO Fees in the Franchisee's Stores; and

WHEREAS, Franchisee desires to have all Stores in which Franchisee owns a controlling interest receive Web Orders according to the terms of this Agreement and the rules, standards and policies set from time to time related to Web Orders. For purposes of this Agreement "owns a controlling interest" shall mean any Store in which the Franchisee has at least a 51% ownership interest.

NOW THEREFORE, in consideration of the premises, the mutual promises contained herein, and other good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

1. Term; Termination

1.1 The term of the Agreement shall commence upon acceptance of this Agreement by Domino's at its offices in Ann Arbor, Michigan, and shall remain in force for a period of five (5) years (the "Original Term"), except as otherwise stated. At the end of the Original Term, this Agreement shall automatically renew for successive one (1) year terms (each, a "Renewal Term"), unless cancelled by either party by giving not less than sixty (60) days' written notice prior to the expiration of the Initial Term or a Renewal Term, as the case may be.

1.2 Either party may terminate this agreement in the event of any breach by the other party which breach is not cured within thirty (30) days after receipt of written notice of such breach, except for termination in accordance with Section 3.2 below.

1.3 Domino's may terminate the Agreement: (i) at any time on written notice to Franchisee; or (ii) in the event of nonpayment by Franchisee if such breach is not cured within ten (10) days after receipt of written notice.

1.4 Franchisee may terminate this Agreement at any time.

1.5 This Agreement shall terminate immediately upon (a) Franchisee's bankruptcy or insolvency; (b) the cessation of Franchisee's business operations as a Domino's Pizza franchisee or the termination or non-renewal of the Franchise Agreement for the Store; (c) the cessation of Franchisee's use of the Domino's Pulse system; or (c) for the reasons set out below in section 3.

1.6 Upon any termination of the Agreement, Franchisee shall immediately terminate the use of the OLO and Domino's shall have the right to terminate Franchisee's use of OLO. Franchisee is still responsible to pay for any orders that were placed prior to termination of agreement. The provisions of this Agreement relating to title and ownership as set forth in Section 3 and the confidentiality provisions in Section 6.7 shall survive any termination of this Agreement.

2. Fees and Charges; Invoices and Payment

2.1 Franchisee agrees to pay \$0.355 per Web Order for all Web Orders occurring in the Stores. A Web Order shall include any order transferred to the Store via the OLO system including orders not fulfilled by the Store for any reason. The transaction fees to be paid by Franchisee shall be invoiced by Domino's on a quarterly basis, or on such other periodic basis as Domino's determines in its sole discretion. Domino's shall provide the Franchisee with data supporting the transaction count used to determine the total Web Order transaction fees via Domino's Online including Domino's Pulse order identification, Web Order date, Web Order time and Web Order ticket amount and Franchisee agrees to provide information and documents requested by Domino's pertaining to Web Orders.

Domino's will send the electronic invoice to the Franchisee's email address provided to Domino's. Payment is due upon receipt of invoice, without set-off or claim. If payment is not received within fifteen (15) days from receipt of invoice Domino's may: (i) assess a charge not to exceed one and a half percent (1.5%) per month on all amounts due; and/or (ii) pursue other remedies available at law, or pursuant

to other agreements between Franchisee and Domino's, or pursuant to this Agreement. All prices and payments are in U.S. dollars.

2.3 The Web Order transaction fee invoiced by Domino's pursuant to Section 2.1 of this Agreement may be affected by external pressures including but not limited to changes in third party charges, overall usage of OLO by the Domino's Pizza system and technological advances. Accordingly, Domino's reserves the right to adjust (either increase or decrease) the Web Order transaction fee described in Section 2.1 of this Agreement at any time with ninety (90) days prior notice to Franchisee. The Domino's Technology Advisory Board will review any Web Order transaction fee increases. Such changes to the Web Order transaction fee, if any, would apply only to Web Orders completed after such notice of such a Web Order transaction fee adjustment is given.

3.2 Domino's may immediately terminate this Agreement in the event Franchisee violates or infringes on the intellectual property rights of another with respect to OLO, or challenges the ownership rights as set out above in section 3.1.

4. Limitation of Liability

DOMINO'S SHALL HAVE NO LIABILITY WHATSOEVER UNDER THIS AGREEMENT FOR ANY DAMAGES, INCLUDING BUT NOT LIMITED TO SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, LOSS OF PROFITS OR EXEMPLARY DAMAGES UNDER ANY CIRCUMSTANCES, WHETHER BASED ON TORT OR BREACH OF CONTRACT CLAIMS OR ON ANY OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

5. Franchisee Data

Franchisee agrees that Domino's may, at any time, have full access, both on-site and from a remote location, to all of Franchisee's computer data, equipment and systems containing any and all of the information, records and reports relating to OLO and to use the data in the evaluation of OLO and in the preparation of invoices for OLO in accordance with this Agreement. Domino's will use the same degree of care to protect against the unauthorized use of the information by third parties as it does with respect to its own information of a similar type. In addition, Domino's is responsible for the security of cardholder data that Domino's possesses or stores, processes or transmits on behalf of the Franchisee, or to the extent that they could impact the security of the Franchisee's cardholder data environment.

6. General

6.1 This Agreement and all addenda, if any, supersedes in full all prior discussions and agreements, oral and written, between the parties relating to OLO and Web Orders and constitutes the entire agreement between the parties relating to OLO and Web Orders. This Agreement may be modified or supplemented only in writing signed by an authorized representative of each party.

6.2 Neither party shall be liable for delays in any of its performance hereunder due to causes beyond its reasonable control, including, but not limited to, acts of God, strikes or inability to maintain labor or materials on time.

6.3 If any provision of this Agreement shall be deemed illegal or otherwise unenforceable, that portion shall be severed and the remainder of this Agreement shall remain in full force and effect. A waiver shall be effective only if made in writing and signed by an authorized representative of both parties. The waiver of any right or election of any remedy in one instance shall not affect any rights or remedies in another instance.

6.4 All required notices under this Agreement shall be given by regular mail, facsimile or other electronic system such as email.

If to Domino's: Domino's Pizza Distribution LLC

Such notices shall be deemed given on the date of receipt (or refusal) of delivery of said notice.

6.5 This Agreement shall be governed by the laws of the State of Michigan.

6.6 Neither party to this Agreement is, or shall represent itself to be, an agent, partner, or employee of the other. Nothing in this Agreement shall be interpreted or construed as creating or establishing a joint venture, agency, or partnership, or any relationship other than independent parties to a contract. Each party retains control of the day to day activities of its respective business.

6.7 Domino's reserves the right to enter into agreements with third-party providers for any part of the OLO functionality without Franchisee consent during the term of this Agreement.

6.8 Franchisee acknowledges that during the term of this Agreement, it may obtain access to confidential and proprietary information, trade secrets and financial information (the "Confidential Information") relating to OLO and Web Orders. Franchisee acknowledges that Domino's would be irreparably damaged by the disclosure of the Confidential Information to others. Therefore, Franchisee agrees to keep secret and confidential and not to disclose the Confidential Information of Domino's relating to OLO and Web Orders without the prior written consent of Domino's. NOW THEREFORE, in consideration of the premises, the mutual promises contained herein, and other good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

1. Term; Termination

1.1 The term of the Agreement shall commence upon acceptance of this Agreement by Domino's at its offices in Ann Arbor, Michigan, and unless terminated sooner as set forth below, shall remain in force for a period of three years (the "Original Term"). At the end of the Original Term, this Agreement shall automatically renew for successive one year terms (each, a "Renewal Term"), unless terminated sooner by either party as set forth below.

1.2 Either party may terminate this Agreement at any time and for any or no reason by providing written notice to the other party.

7.2 Neither party shall be liable for delays in any of its performance hereunder due to causes beyond its reasonable control including, but not limited to, acts of God, strikes, or inability to maintain labor or materials on time.

7.3 If any provision of this Agreement shall be deemed illegal or otherwise unenforceable, that portion shall be severed and the remainder of this Agreement shall remain in full force and effect. A waiver shall be effective only if made in writing and signed by an authorized representative of both parties. The waiver of any right or election of any remedy in one instance shall not affect any rights or remedies in another instance.

7.4 All required notices under this Agreement shall be sent to the recipient party's address. All notices shall be given by certified or registered mail, or overnight carrier. Such notices shall be deemed given on the date of receipt (or refusal) of delivery of said notice.

Nothing in this Agreement shall be interpreted or construed as creating or establishing a joint venture, agency, or partnership, or any relationship other than independent parties to a contract. Each party retains control of the day-to-day activities of its respective business. As an independent business owner, Franchisee remains solely responsible for the persons who work in its Stores and those persons are Franchisee's employees, and not employees of Domino's.
