What You Need To Know About Franchising *Generally*

Continuing Responsibility to Pay Fees. You may have to pay royalties and other fees even if you are losing money.

Business Model Subject to Change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier Restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating Restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When Your Franchise Ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by litigation only in Massachusetts. Out of state litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to litigate with us in Massachusetts than in your home state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third-party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, "SRLHF," "we" or "us" means Sonesta RL Hotels Franchising Inc., the franchisor. "You" means the person (or persons) who signs the franchise agreement - the "franchisee." If the franchisee will be a corporation, partnership, limited liability company or other entity, "you" also includes both the business entity and those persons that have a 20% or greater legal or beneficial ownership interest in the franchisee entity, who will have to guarantee your obligations and be bound by the provisions of your franchise agreement (the "Franchise Agreement"), the form of which is attached as Exhibit B to this disclosure document, and the other agreements as described in this disclosure document.

Our agents for service of process in the states whose franchise laws require us to name an agent for service are shown on Exhibit A to this disclosure document.

About the Franchisor, its Parent and Predecessors

We are a corporation formed in the State of Washington on December 24, 1986, as Vance Hotels, Inc. On September 19, 2005, we changed our name to Red Lion Hotels Franchising, Inc., and, on September 23, 2021, we subsequently changed our name to Sonesta RL Hotels Franchising Inc. Our principal business address is 400 Centre Street, Newton, Massachusetts 02458; however, we or our parent, Red Lion Hotels Corporation ("RLHC"), may provide certain support services to Signature Inn Hotels (defined below) from our offices at 315 East Robinson Street, Orlando, Florida 32801. Our parent corporation was incorporated in the State of Washington on April 25, 1978, and changed its name from WestCoast Hospitality Corporation to Red Lion Hotels Corporation on September 19, 2005, and redomiciled as a Maryland corporation on March 31, 2021. RLHC maintains a principal business address at our principal business address. We and RLHC, directly and indirectly through its subsidiaries and affiliates, have been active in the ownership and management of hotels since our incorporation.

On April 30, 2015, we purchased the intellectual property assets and hotel franchise agreements of GuestHouse International, LLC, a South Dakota limited liability company. This acquisition added the GuestHouse and Settle Inn brands to the Network Brands (as defined below).

On September 30, 2016, we purchased substantially all of the operating assets of Vantage Hospitality Group, Inc., a Florida corporation now known as VHGI, Inc. ("VHGI"), its subsidiary Vantage Franchising, Inc., a Florida corporation ("VFI"), its subsidiary LHINDI, Inc., a Florida corporation, and certain other affiliates, including the intellectual property relating to the Acquired Vantage Brands and the related hotel franchise agreements. "Acquired Vantage Brands" refers to each of the following brands and their various extensions: Lexington, Jameson Inn, Americas Best Value Inn, Country Hearth Inn, Signature Inn, America's Best Inn, 3 Palms Hotels and Resorts, Canadas Best Value Inn, Value Hotel Worldwide, and Value Inn Worldwide.

On May 14, 2018, we acquired the intellectual property assets and hotel franchise agreements related to the Knights Inn hotel brand from Wyndham Hotel Group, LLC and its affiliates, through RLHC's acquisition of Knights Franchise Systems, Inc., and certain assets related to the Knights Inn brand in Canada from Wyndham Hotel Group Canada, ULC, which were assigned to us.

On March 17, 2021, RLHC and Sonesta International Hotels Corporation (“Sonesta”) completed a merger transaction, as a result of which RLHC became a wholly-owned subsidiary of Sonesta. Sonesta is a subsidiary of Sonesta Holdco Corporation (“Sonesta Holdco”). Sonesta and Sonesta Holdco both share our principal business address.

On April 26, 2022, our affiliate, Sonesta NYC LLC (“Sonesta NYC”), acquired the intellectual property assets for The James hotel brand and the license agreement for the existing The James New York – NoMad, a The James-branded hotel. This acquisition added The James brand to the Network Brands (as defined below).

Except as set forth in this Item 1, we do not have any other parents, nor do we have any predecessors from whom we acquired, directly or indirectly, the major portion of our assets within the past 10-year period.

The Franchised Business

We grant franchises for the operation of affordable boutique properties in the economy lodging segment under the service mark Signature InnSM and certain other proprietary marks to franchisees (collectively, the “Franchisees”). A franchise grants you the right to operate a Signature Inn-branded hotel at a specific location (your “Hotel”). Hotels that are authorized to operate under the Brand (defined below) are known as “Signature Inn Hotels.”

The franchise concept allows experienced, professional hotel operators greater autonomy in their operations than conventional hotel franchises, while also providing brand standards that may be less elaborate or rigid compared to conventional hotel franchises. All Franchisees must be experienced in the hotel industry (or must engage an experienced hotel management company on their behalf) and must have qualified professional hotel management onsite.

Signature Inn Hotels offer a unique lodging experience combining fun, retro mid-century styling with modern features and creative design elements, which we call “modern-retro,” at an affordable price. The Brand offers owners an opportunity to distinguish their properties from their competition, with custom design services consistent with the Brand theme.

Each Signature Inn Hotel must have at least 40 Guest Rooms (as defined in Item 5) and must be able to qualify for at least a 2-diamond rating from the Canadian Automobile Association or the American Automobile Association, although official appointment is not necessary; in certain circumstances, substantially equivalent standards may be acceptable to us. We anticipate that a typical Signature Inn Hotel will have 40 to 50 Guest Rooms. Signature Inn Hotels must offer complimentary high-speed internet access in Guest Rooms and in the lobby (which must meet our “Hello Wi-Fi” standards and utilize our Brand-authorized landing page), offer complimentary newspapers in the lobby, and must participate in our loyalty program, “Hello Rewards.” All Signature Inn Hotels will be 100% smoke-free and pet-friendly; however, we may waive either or both of these requirements under certain circumstances.

We expect Signature Inn Hotels to be operated according to our Brand Standards and you may be required to make future investments to continue to meet them. “Brand Standards” means the mandatory specifications, standards, operating procedures, and rules that we periodically prescribe for constructing, equipping, furnishing, supplying, operating, maintaining and marketing Signature Inn Hotels, including your Hotel. Brand Standards may be included in the Brand Manual or otherwise distributed by us in writing. “Brand Manual” means one or more documents or guides commonly referred to as the brand standards manual together with supporting documentation.

The Brand Manual may include the Brand Standards and information on suggested procedures and your other obligations under the Franchise Agreement.

One of the hallmarks of the Brand is its “Signature Moments,” which are those brand-required (or, in some instances, strongly recommended) elements and features that are intended to delight guests and take their stay out of the ordinary. This is reflected in such features as our mid-century décor; retro-styling; superior lobby coffee service; and distinct beds and bedding. These are in addition to other Brand requirements or Brand Standards that we may establish. Signature Moments and Brand Standards are subject to further specifications set out in the Brand Manual or otherwise in writing from us. We periodically may change our Brand Standards or Signature Moments.

References to the “Brand” currently includes the Marks (as defined in Item 13); access to a reservation service; training programs and materials, standards, specifications and policies for construction, furnishing, operation, appearance and service of the Hotel; other elements we refer to in the Franchise Agreement, the Brand Standards, the Brand Manual or in other communications to you; and programs for our inspecting your Hotel and consulting with you.

Laws, Rules and Regulations

Your Hotel must conform to innkeeper liability laws, privacy laws, laws and regulations regarding food handling and preparation, truth in menu and labeling laws, alcoholic beverage control laws and dram shop acts, license, certificate and permit requirements for hotel and restaurant operation and occupancy, laws regulating the posting of hotel room rates, hotel room occupancy tax laws, minimum wage and labor laws, anti-trafficking laws, environmental laws, and laws applicable to public accommodations and services such as the Americans with Disabilities Act. In addition, the laws, rules and regulations that apply to businesses in general will affect you. Consult your lawyer about them. Discuss with your architect or other appropriate professionals the Americans with Disabilities Act and its architectural guidelines, and state and local accessible facilities requirements.

The Market and Competition

The market for your services will depend on your Hotel's location, size and the nature of your services (e.g., your Hotel is suited for guests on frequent business travel; traveling sports teams; and so on). Our franchisees seek customers and business referrals from the local community and typically solicit business from tour and travel groups on a local, regional and national level. Business and leisure travelers, meeting planners and attendees, and organizers of and attendees of social functions make up the primary market of SRLHF customers. In general, you will compete with national hotel and motel chains and independently-operated local hotels and food outlets offering similar types of hotel rooms and food and beverage services to the same clientele. In addition to competing with hotels that offer services comparable to the Brand, you also may compete with lodging designed to serve particular segments of the market and to fill particular lodging demands.

ITEM 3. LITIGATION

Pending Litigation:

Federal Securities Exchange Act Lawsuits

Four lawsuits were filed by purported AlerisLife, Inc. ("Aleris") stockholders in the United States District Court for the Southern District of New York in connection with the proposed merger

of Aleris and ABP Acquisition 2 LLC and ABP Acquisition LLC (together “ABP”), pursuant to which ABP will acquire all outstanding shares of Aleris common stock for \$1.31 per share in cash (“Proposed Merger”):

Finger v. AlerisLife, Inc., et al., Case No. 1:23-cv-01771, Filed March 1, 2023
Johnson v. AlerisLife, Inc. et al., Case No. 1:23-cv-01824, Filed March 2, 2023
Ryan v. AlerisLife, Inc., et al., Case No. 1:23-cv-01873, Filed March 3, 2023
Gross v. AlerisLife, Inc., et al., Case No. 1:23-cv-01881, Filed March 3, 2023

In each of these four lawsuits, the purported Aleris stockholder filed a complaint against Aleris and the members of the Aleris board of directors, including Adam Portnoy (“Portnoy”) and Jennifer Clark (“Clark”), alleging that the recommendation statement filed by Aleris on February 17, 2023 in connection with the Proposed Merger failed to provide certain information allegedly material to Aleris stockholders in violation of Sections 14(a) and 20(a) of the Securities and Exchange Act of 1934 (as amended, the “Exchange Act”) and Rule 14a-9 promulgated thereunder. The requested relief in each of the complaints were generally the same and included an injunction enjoining the Proposed Merger until the allegedly omitted material information is disclosed and disseminated, rescission of the Proposed Merger in the event the defendants consummate the Proposed Merger (or an award of rescissory damages), an order for dissemination of a recommendation statement that does not contain allegedly untrue statements of material fact and that does not omit allegedly material information, and an award of plaintiff’s attorneys’ and experts’ fees; and other relief. As of March 21, 2023, all four lawsuits were voluntarily dismissed.

State Anti-Takeover and Fiduciary Duty Lawsuits

Two class action lawsuits were filed by purported Aleris stockholders in the Maryland Circuit Court for the Baltimore City Circuit (8th Circuit) in connection with the Proposed Merger:

Burns, et al., v. AlerisLife, Inc., et al., Case No. 24-C-23-001390, Filed March 6, 2023
Whitfield v. AlerisLife, Inc., et al., Case No. 24-C-23-001465, Filed March 7, 2023

In the *Burns* action, purported Aleris stockholders filed a complaint against Aleris and the members of the Aleris board of directors, including Portnoy and Clark, alleging that the Proposed Merger would violate Maryland’s “Anti-Takeover” statute because the Proposed Merger was scheduled to go forward without stockholder votes that were allegedly necessary under Maryland’s “Anti-Takeover” statute. Further, the *Burns* complaint alleged that Portnoy and Clark violated their fiduciary duties as directors of Aleris by allowing Aleris to be acquired in a manner that would violate Maryland’s “Anti-Takeover” statute and failing to provide stockholders with material information to evaluate how to tender their shares after the offer for the Proposed Merger. In the *Whitfield* action, a purported Aleris stockholder filed a complaint against Aleris and the members of the Aleris board of directors, including Portnoy and Clark, alleging that the directors breached their fiduciary duties by allegedly approving the Proposed Merger at an inadequate price and failing to provide certainly allegedly material information to Aleris stockholders. The requested relief in each of the complaints were generally the same and included an injunction enjoining the Proposed Merger until the Proposed Merger’s offer complies with the “Anti-Takeover” statute and/or additional information about the Proposed Merger is disclosed, rescission of the Proposed Merger in the event the defendants consummate the Proposed Merger (or an award of rescissory damages), damages, and an award of the named plaintiff’s costs and disbursements, including attorneys’ and experts’ fees. As of March 20, 2023, the defendants have not yet answered the complaints.

Concluded Litigation Relating to the Merger:

Eight lawsuits were filed by purported RLHC stockholders in United States District Courts in connection with the merger (the “Merger”) of RLHC with and into a wholly owned subsidiary of Sonesta:

Van Cleave v. Red Lion Hotels Corporation, et al., Case No. 1:21-cv-00177, Filed February 9, 2021 (U.S. District Court for the District of Delaware)

Raul v. Red Lion Hotels Corporation, et al., Case No. 1:21-cv-01208, Filed February 10, 2021 (U.S. District Court for the Southern District of New York)

Romero v. Red Lion Hotels Corporation, et al., Case No. 1:21-cv-01307, Filed February 12, 2021 (U.S. District Court for the Southern District of New York)

Babiker v. Red Lion Hotels Corporation, et al., Case No. 1:21-cv-00440, Filed February 15, 2021 (U.S. District Court for the District of Colorado)

Finger v. Red Lion Hotels Corporation, et al., Case No. 1:21-cv-00513, Filed February 22, 2021 (U.S. District Court for the District of Colorado)

Franchi v. Red Lion Hotels Corporation, et al., Case No. 1:21-cv-00558, Filed February 24, 2021 (U.S. District Court for the District of Colorado)

Waterman v. Red Lion Hotels Corporation, et al., Case No. 21-cv-00916, Filed February 26, 2021 (U.S. District Court for the Eastern District of Pennsylvania)

Anderson v. Red Lion Hotels Corporation, et al., Case No. 21-cv-00617, Filed March 2, 2021 (U.S. District Court for the District of Colorado)

In each of these eight lawsuits, the purported RLHC stockholder filed a complaint against RLHC and the members of the RLHC board of directors alleging that the preliminary proxy statement filed by RLHC on January 26, 2021, or the definitive proxy statement filed by RLHC on February 9, 2021, in connection with the Merger failed to provide certain information allegedly material to RLHC stockholders in violation of Sections 14(a) and 20(a) of the Securities and Exchange Act of 1934 (as amended, the “Exchange Act”) and Rule 14a-9 promulgated thereunder. The requests for relief under each of the complaints were generally the same, and included a request: for an injunction enjoining the proposed Merger and any vote on the proposed Merger until defendants disclosed and disseminated the allegedly omitted material information; for rescission of the Merger in the event the defendants consummated the Merger (or an award of rescissory damages); for dissemination of a proxy statement that did not contain allegedly untrue statements of material fact and that did not omit allegedly material information; a declaratory judgment that the defendants violated Sections 14(a) and/or 20(a) of the Exchange Act and Rule 14a-9 promulgated thereunder; and an award of plaintiff’s attorneys’ and experts’ fees; and other relief. In response to those lawsuits, RLHC filed a Form 8-K (Current Report) on March 9, 2021, which included certain supplemental disclosures in order to moot plaintiffs’ disclosure claims and avoid further nuisance and business delays. As of March 31, 2021, the plaintiffs in each of these eight lawsuits voluntarily dismissed their respective claims, and on September 8, 2021, the parties entered into an agreement that provided for a mutual release of claims and for RLHC to pay the plaintiffs’ attorneys an aggregate amount of \$240,000 in fees.

Concluded Litigation Unrelating to the Merger:

Radisson Hotels International, Inc. v. Red Lion Hotels Corporation d/b/a RLH Corporation, and Red Lion Hotels Franchising, Inc., Case No. 2:18-cv-00303 (U.S. District Court for the Eastern District of Washington). On September 26, 2018, plaintiff, which is a competitor of RLHC and SRLHF, filed a lawsuit against RLHC and SRLHF for tortious interference with franchise

license agreements and a global settlement agreement as a result of SRLHF entering into franchise agreements with nine properties that were previously licensees of plaintiff, which properties allegedly exited plaintiff's franchise system prior to the expiration of their franchise license agreements. On August 25, 2021, plaintiff, RLHC and SRLHF entered into a Settlement Agreement and Release in which plaintiff, on the one hand, and RLHC and SRLHF, on the other hand, agreed to mutually release one another from all claims, and, without admitting any liability, RLHC and SRLHF agreed to pay plaintiff \$500,000. On September 2, 2021, the court granted the parties' Stipulated Motion for Dismissal, dismissing all of the parties' claims with prejudice.

Red Lion Hotels Franchising, Inc. v. Remo Polselli, Case No. 2:19-cv-00082 (U.S. District Court for the Eastern District of Washington). On March 14, 2019, SRLHF filed a lawsuit against defendant, the guarantor of a former franchisee, for breach of its guarantee as a result of defendant's failure to ensure the former franchisee's performance under the franchise license agreement, including payment of amounts due. SRLHF requested monetary damages. On August 9, 2019, defendant filed a motion to quash personal service and dismiss the lawsuit for lack of personal jurisdiction; defendant filed an amended motion on August 16, 2019. On October 24, 2019, the court denied defendant's motion. On November 18, 2019, defendant filed an answer and an affirmative defense of lack of authorization or forgery, claiming the guarantee was signed by an unauthorized party and is therefore voidable at the option of defendant, or was forged and is void *ab initio*. On February 24, 2020, defendant filed an amended answer, additional affirmative defenses and a counterclaim for attorneys' fees and costs incurred in defending against the lawsuit. On October 9, 2020, the court granted the parties' stipulated motion and entered an Order of Dismissal without Prejudice, dismissing all of the parties' claims without prejudice.

Linger Chu and His-Hsieh Chu v. Jim Tang, Red Lion Hotels Franchising, Inc. and Does 1-100, Case No. BC712103 (Superior Court of the State of California, County of Los Angeles). On June 28, 2018, plaintiffs filed a lawsuit against SRLHF and third parties for intentional misrepresentation, negligent misrepresentation, and declaratory relief resulting from plaintiffs' sale of their Red Lion-branded hotel in violation of their franchise agreement. Following the sale, SRLHF sought to enforce its rights resulting from plaintiffs' unapproved transfer, and plaintiffs allege they were told they could proceed with the sale without violating their franchise agreement. Plaintiffs sought an unspecified amount of monetary damages and declaratory relief. On March 28, 2019, the plaintiffs and SRLHF entered into a Settlement and Release Agreement in which the plaintiffs and SRLHF agreed to mutually release one another from all claims and the plaintiffs agreed to pay SRLHF \$250,000 and execute a confession of judgment. On April 2, 2019, the court entered a Stipulation and Order for Final Dismissal, dismissing all of plaintiffs' claims with prejudice.

Red Lion Hotels Franchising, Inc. v. Ghazanfar Khan, et al., Case No. 2:17-cv-00094, Case No. 2:17-cv-00155 (U.S. District Court for the Eastern District of Washington). On March 13, 2017, SRLHF filed a lawsuit against two former franchisees and their guarantors for trademark infringement, false designation of origin and breach of contract as a result of their failure to comply with their post-termination obligations under their franchise agreements (the "Franchise Agreement Lawsuit"). In May 2017, SRLHF filed a second lawsuit against the guarantors for breach of contract as a result of their failure to comply with their post-termination obligations under their guaranties and the underlying franchise agreements (the "Guaranty Lawsuit," together with the Franchise Agreement Lawsuit, the "Khan Lawsuits"). In August 2017, the defendants in the Khan Lawsuits filed respective amended answers and asserted amended counterclaims against SRLHF for breach of contract, violation of the Washington Franchise Investment Protection Act and violation of Washington Consumer Protection Act alleging that SRLHF charged additional fees which were not identified in the applicable franchise agreements. On November 29, 2017,

the court issued an order compelling arbitration of defendants' counterclaims in both Khan Lawsuits, denying all pending motions as moot, and staying SRLHF's pending claims pending the outcome of arbitration. On December 28, 2018, the parties entered into a Confidential Settlement and Mutual Release Agreement in which the parties agreed to mutually release each other from all claims, defendants paid to SRLHF \$500,000, and defendants agreed to immediately cease all use of our proprietary service marks and trademarks. The court subsequently issued final judgment and orders in the Khan Lawsuits (in May 2019 for the Franchise Agreement Lawsuit, and in June 2019 for the Guaranty Lawsuit) permanently enjoining defendants from further use of SRLHF's marks and dismissing all claims and counterclaims in the Khan Lawsuits with prejudice, pursuant to the stipulation and agreement between the parties.

Red Lion Hotels Franchising, Inc. v. Kumar and Sadikila Vemulapalli, Case No. 16-2-01814-3 (Superior Court of Washington, County of Spokane). On May 12, 2016, SRLHF filed a complaint against guarantors of a former franchisee seeking to enforce their personal guaranty of a franchise agreement. On December 15, 2017, defendants filed an answer, affirmative defenses and counterclaims for breach of contract, breach of the implied covenant of good faith and fair dealing, promissory estoppel/reliance damages, and fraud in the inducement/fraud alleging that SRLHF: (1) failed to provide services and support under the franchise agreement, (2) demanded payment of fees other than what defendants allege was agreed upon, (3) countersigned a copy of the franchise agreement that did not contain defendants handwritten changes and therefore was not what defendants believed to be the contract, and (4) interfered with hotel operations following termination. On December 18, 2018, the parties entered into a Settlement and Release Agreement in which the parties agreed to mutually release each other from all claims and defendants agreed to pay SRLHF \$80,000. On June 13, 2019, the court dismissed all claims with prejudice.

Red Lion Hotels Franchising, Inc. v. Minnesota Hospitality, Inc., Case No. 2:19-cv-00061 (U.S. District Court for the Eastern District of Washington). On February 22, 2019, SRLHF filed a lawsuit against defendant, the guarantor of a former franchisee, for breach of its guarantee as a result of defendant's failure to ensure the former franchisee's performance under the franchise license agreement, including payment of amounts due. SRLHF requested monetary damages. On April 26, 2019, defendant filed an answer and counterclaim requesting a declaratory judgment that the guarantee of the franchise license agreement is unenforceable and void as a result of SRLHF's alleged fraud in the inducement based on SRLHF providing information and representations that defendant alleges were false and inaccurate. On October 7, 2019, defendant and SRLHF entered into a settlement and release agreement in which defendant and SRLHF agreed to mutually release one another from certain claims and the defendant agreed to pay SRLHF \$150,000 and execute a confession of judgment. On October 22, 2019, the court granted the parties' stipulated motion to dismiss.

Red Lion Hotels Corporation v. Tiya Hospitality, LLC, Case No. CV-2017-902126.00 (Circuit Court of Jefferson County, Alabama). In May 2017, RLHC filed a lawsuit against a former brand member for failure to pay amounts due and breach of contract for failure to pay amounts due. On July 3, 2017, defendant filed an answer and counterclaim, alleging that RLHC breached the membership agreement, and seeking monetary damages and declaratory judgment. The parties entered into a Confidential Mutual Release and Settlement Agreement on February 19, 2018, under which defendant paid to RLHC \$10,500 and the parties agreed to mutually release each other from all claims. On August 9, 2018, the court entered an Order of Dismissal.

Red Lion Hotels Franchising, Inc. v. JS Three Star Investment Inc., Case No. 96777-422 (District Court of the 422nd Judicial District, Kaufman County, Texas). In December 2016, SRLHF

filed a lawsuit against a former franchisee for failure to pay its account, unjust enrichment and breach of contract as a result of its failure to pay amounts due under the membership agreement. On March 8, 2017, defendant filed an answer and counterclaim alleging that SRLHF failed to provide services under the membership agreement, which defendant alleges was a violation of the Texas Deceptive Trade Practices Act, requesting damages in the amount of \$81,000. On December 11, 2017, the parties entered into a confidential settlement agreement in which the parties agreed to mutually release each other from all claims. On January 18, 2018, the court dismissed the case with prejudice.

ITEM 4. BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5. INITIAL FEES

Initial Fee

You must pay us an initial fee equal to the sum of (a) \$20,000 plus (b) the product of \$150 times the number of Guest Rooms in excess of 70 (the “Initial Fee”) when you sign the Franchise Agreement. The Initial Fee is fully earned and non-refundable and must be paid before we will countersign the Franchise Agreement, unless we have agreed to permit you to make installment payments, in which case you will sign a promissory note and make payments as provided under the promissory note. See Item 10 for additional details relating to initial fee installment payments. During the 2022 fiscal year, we charged discounted Initial Fees ranging from \$12,500 to \$20,000.

“Guest Rooms” means transient hotel rooms located at the Hotel and is not dependent upon occupancy of the hotel rooms. By way of example, if your Hotel has 90 Guest Rooms, the Initial Fee will be \$23,000 (\$20,000 plus \$150 times 20).

If you are a new franchisee that is acquiring an existing Signature Inn Hotel from a current franchisee of the Brand, that particular franchisee’s franchise agreement may provide for a particular transfer fee to be paid as part of the transfer, which is calculated pursuant to our current “application fee”. As shown above, we now call the “application fee” the “Initial Fee,” and as such, any references to “application fee” in existing franchise agreements of the Brand are referred to, and calculated, as the Initial Fee, as described above.

Other Initial Fees

You will pay us an onboarding administration fee of \$1,000 for the onboarding services we provide to you in connection with the opening of your Hotel under the Brand. This fee is non-refundable and is due during or immediately after the onboarding process.

You will be required to pay a \$445 property management system (“PMS”) Interface and Tokenization Set Up Fee, which is charged by our third-party central reservation system (“CRS”) provider, for setting up an interface with your PMS. We will collect this PMS Interface and Tokenization Set Up Fee from you and remit to our CRS provider. This fee will be due when billed and is non-refundable.

If you are converting an existing hotel into a Signature Inn Hotel, we may issue you a Property Improvement Plan (“PIP”) to which you must agree as a condition of approval that sets forth a list of items you must perform to conform your Hotel to the Brand Standards prior to your Opening Date (or within such timeframe as may be stated in the PIP). If we issue you a PIP, we may require you to pay us a non-refundable \$1,000 fee, before we approve you as a Franchisee, to cover the cost of preparing or verifying completion of the PIP (the “PIP Fee”). “Opening Date” means the date your Hotel opens for business under the Brand. If we are required to reinspect your Hotel to ensure you have complied with the PIP, you must pay us a PIP reinspection fee of \$1,000. These fees will be due when billed and are non-refundable.

You will pay us a fee in the amount of \$1,500 for the pre-opening brand training we provide to you. The initial brand training fee is due when you sign the Franchise Agreement and is non-refundable. In the event the initial brand training is conducted in-person rather than virtually, you must also reimburse us for our personnel’s travel, meals, and lodging expenses, which we estimate to be up to \$2,500. These costs are due when billed and are non-refundable.

If your Hotel requires certain custom architecture and design review by us, you will pay us up to \$10,000 for those services. This fee is due when billed and is non-refundable.

Note 1 – Except as indicated otherwise, all fees in this Item 6 are payable to us, are nonrefundable, and may not be uniformly applied. We may periodically reduce or waive fees.

Note 2 – You must pay us by means of an automated payment system using automatically recurring electronic funds transfer that we initiate (“Recurring EFT”), also known as Auto Pay. We may process the transfers at the time any payment is due and owing. Failure to fund your account at the time of a Recurring EFT withdrawal, or failing to enroll in Recurring EFT payments, will constitute a breach of your Franchise Agreement. If we permit you to pay by any other means, we may condition our approval on the payment of the alternative payment fee per transaction. We also may periodically change your required method of payment with at least 30 days’ prior written notice.

Note 3 – Your obligation to make monthly payments of the Brand Fee will begin on the Opening Date. If you sign a Franchise Agreement in connection with the acquisition of an existing Signature Inn Hotel, your obligation to make monthly payments of the Brand Fee will begin on the date you close the acquisition of the Hotel. Whether a conversion, new construction or acquisition, you must make payments for all other fees and commissions from the time those fees are incurred, regardless of the Opening Date.

Note 4 – Subject to a \$2,000 per month minimum, the Brand Fee is based on the number of Guest Rooms at your Hotel and is not dependent upon the Hotel’s occupancy. The Brand Fee includes marketing and distribution services; access to our proprietary loyalty program; dynamic web and mobile website with organic and paid search set-up including initial key word research readied for activation; on hold messaging and voice prompts; mobile payment solution; one email account; and IT Help Desk support. However, the Brand Fee does not cover your costs of participating in any optional programs and promotions offered by us in which you voluntarily choose to participate, including our optional Revenue Strategy Support consultative program (currently, \$169 to \$269 per month, depending on property size and market scale, which we may periodically change), or our optional Pricing Recommendation Software, currently at \$2 per room per month. These fees also do not cover the cost of operating your Hotel in accordance with the Brand Standards. We may offer additional optional programs to you during the Term. The Brand Fee may be increased during the Term upon 30 days prior written notice to you, by a maximum of 3% per calendar year.

Note 5 – You must honor the terms of any discount or promotional programs (including any loyalty program) that we or our affiliates offer to the public on your behalf and that we decide to adopt for the Brand, unless we designate the program as one for which an opt-in or opt-out choice is available. You also must honor any room rate quoted to any guest at the time the guest makes an advance reservation and any complimentary stays provided to guests participating in the programs we adopt for the Brand.

Note 6 – Your Hotel must participate in our loyalty program (as it may be modified) for as long as we choose to offer such a program. We may run periodic promotions in which guests that participate in our loyalty program receive discounts on room stays. See Item 11 for additional details related to our current loyalty program.

Note 7 – We participate in most major distribution channels and we or our affiliates have established enterprise-level agreements with many of the leading intermediaries, including online travel agencies (“OTAs”), that allow them to offer your hotel room inventory through their websites including, in some cases, rooms at our loyalty program member rates (collectively, the “Third-

Party Distribution Program”). You must participate in the Third-Party Distribution Program, under the terms and conditions we have negotiated, including pricing terms. You are responsible for the payment of all reservation fees, including third-party booking fees, GDS fees, and fees associated with the CRO (call center) and CRS, in connection with stays booked at your Hotel through their websites. Those fees are subject to change by the applicable third-parties. You must connect to all third-parties through our CRS, unless such third-party does not directly or indirectly offer interfaces to the CRS. You must maintain rates and inventory in the CRS on a rolling 12-month basis. If you fail to maintain rates and inventory on a rolling 12-month basis, you will be given seven days’ written notice to do so, after which, we will extend your rates on your behalf. Upon our first written notice to you for failing to maintain rates and inventory on a rolling 12-month basis, you must pay us \$250. For repeated occurrences requiring additional notice to you, we may charge you additional fees. You may request that we assist you with updating the CRS rate and inventory database for an additional Reservation System Maintenance Fee of \$150 per occurrence (e.g., rate changes; inventory adjustments; non-emergency CRS close-outs).

Note 8 – You will pay us this continuing monthly fee for Revenue Management Insights required of all Franchisees. We may periodically increase this Revenue Management Insights Fee. Revenue Management Insights includes periodic competitor benchmarking reports and pricing reports. We may periodically add additional reports and change the components or restructure the program.

Note 9 – You must participate in all required quality assurance programs and maintain minimum performance standards and scores that we may establish as required by the Brand Standards for your Hotel. We may provide these programs through our affiliates or agents. We (or our affiliates or agents) will conduct an evaluation of your Hotel using the Brand Standards. You will pay an initial inspection fee of \$1,000 each time we inspect your Hotel, which we may do from time to time or when we otherwise become concerned about the condition of the Hotel based on feedback we receive, such as online reviews, guest complaints, or regulatory inquiries. The inspection entails a review of Brand Standards and hotel operations. At the conclusion, the results, in a written and numerical report, will be provided to your Hotel management and to us. Your Hotel must write off folio charges (room, tax, food and beverage and incidental charges) for the inspector in connection with the inspection and any necessary reinspections.

Note 10 – Under our Guest Relations Program, you will pay us a \$25 fee for every guest or other complaint we receive. If the issue raised is not resolved to our satisfaction within 48 hours of our communication to your Hotel, then the fee will be raised to \$75. If it becomes necessary for us to resolve it, then the fee will be raised to \$125 per issue, plus we will charge you the cost of the resolution (such as a refund provided to a guest).

Note 11 – Under our Online Review Response Program, if you do not respond to any negative online reviews within 72 hours of the posting of such reviews, we may do so (directly or through a third-party) on your behalf, in which case you will pay us \$39 to \$150 for each response. These fees may increase based on the frequency and nature of complaints and negative reviews, and your responsiveness (e.g., the time it takes you to respond to guest reviews). We may periodically modify these programs, including an increase or otherwise change in fee structure.

Note 12 – If we terminate your Franchise Agreement for cause, or you terminate your Franchise Agreement without cause, you must pay us lost revenue damages as a lump-sum equal to the Brand Fees, Conference Fees, PMS-to-CRS Enhanced Connectivity Fees, Operations Insights Fees and Revenue Management Insights Fees payable for the period from the termination date through the earlier of (a) the end of the term or (b) 36 months following the

termination date. These lost revenue damages are in addition to any other damages and remedies to which we may be entitled under applicable law.

Note 13 – You must pay us this lump sum amount of damages if we terminate the Franchise Agreement for your breach before the authorized opening of your Hotel.

Note 14 – In the event we deploy our public relations and crisis management team as a result of a situation at your Hotel, we will charge you a fee of \$1,000 plus actual costs we incur. We also may, but are not obligated to, initiate this service to act on behalf of your Hotel for the benefit of the Brand, us or RLHC or our and their affiliates. In that case, we may charge you an additional \$300 per hour for such services. The fee and hourly rates are subject to change.

Note 15 – We may use, or require you to use, a travel agent commission settlement program operated by a third-party provider selected by us. We expect settlement fees to be no more than \$0.85 per transaction, but this fee may periodically change as third-party fees increase. These settlement fees may be paid directly to the third-party provider or we may collect them and further remit your payment to the third-party provider, less an administrative fee per transaction.

Note 16 – We may advance certain booking fees, reservation fees and commissions incurred in connection with the operation of your Hotel to third-parties and bill you directly for reimbursement. Reservation fees are based on third-party fees and are subject to change. Currently, the fees based on reservation channel are as follows: direct connect, \$3.25 per reservation; web and mobile direct, \$2.75 per reservation; IDS, \$4.00 per reservation; GDS, \$8.00 per reservation; and CRO (call center), \$7.00 per reservation. Reservation or booking fees will be charged for cancelled reservations unless they are cancelled through the same channel in which they were made.

Total	\$3,339,745 to \$6,394,745	\$245,945 to \$1,037,945			

Note 1 – We have estimated costs based on a 40-room Signature Inn Hotel. We have relied on our and our affiliates’ management’s years of experience in the lodging business to compile these estimates.

Note 2 – The Initial Fee for a Signature Inn Hotel with more than 40 Guest Rooms is \$20,000, but if the number of Guest Rooms is above 70, the Initial Fee is \$20,000, plus \$150 times the number of Guest Rooms in excess of 70. The Initial Fee is non-refundable.

Note 3 – Your Hotel Representative(s) must complete our initial training program. The initial training is conducted virtually, unless otherwise determined, for a fee of \$1,500. In the event of in-person training, you must also reimburse us for our personnel’s travel, meals, and lodging expenses, which we estimate to be up to \$2,500. These costs are due when billed and are non-refundable. The amount expended will depend on the distance those persons must travel and the type of accommodation chosen.

Note 4 – We estimate that you will pay \$1,000 to \$2,000 for accommodations and wages for your employees during the initial training program.

Note 5 – We may issue you a PIP that sets forth a list of all items you must perform prior to your Opening Date (or within some other timeframe stated in the PIP) to conform your hotel to the Brand Standards. If we issue you a PIP, we may charge you a non-refundable \$1,000 fee to cover the cost of preparing or verifying completion of that PIP.

Note 6 – You may choose (or your lender, if applicable, may require you) to conduct a market study before selecting a location for your Hotel. A market study will look at local demographics and potential sources of business and other business drivers in a market; analyze the current demand and supply for hotels in a particular market; forecast the demand and supply in a market; determine the availability of workers in a particular market; and analyze the competition in a market, among other things.

Note 7 – It is difficult to estimate real estate costs. These costs vary widely by reason of location, type of market, size of parcel, competitive market conditions and type of interest acquired; we anticipate that a 40-room Signature Inn Hotel will have a building area of approximately 25,000 square feet and be located on approximately one and a half acres of land. Additional costs incident to real estate may include legal fees and title recording expenses, all which vary by location.

Note 8 – These amounts include the cost of architects and engineers and construction plans, as well as local fees (including building permits, licenses and environmental impact fees), which vary widely depending on your specific location and situation, as well as the design selected by you, and may be significantly greater than shown in this table. You should consult with your attorney to determine any applicable licensing or permit fees you must obtain to operate your Hotel.

Note 9 – For conversions, you will incur costs to bring your existing property into conformity with the Brand Standards as specified in your Franchise Agreement. We cannot estimate these costs with more precision as they vary significantly based upon the amount, type and physical condition of the hotel's existing property, fixtures, equipment, furnishings, furniture, signage, and similar items.

Note 10 – Construction costs may vary due to unusual conditions associated with site, preparation, foundations, etc., as well as the size and configuration of the site, the market and the cost of labor and materials.

Note 11 – For new developments, these estimates include FF&E for public spaces and Guest Rooms but does not include kitchen equipment, back-of-the-house equipment, or pools, as those vary significantly by property and build. For conversions, the lower end of these estimates assumes that current FF&E is in good condition and meets Brand Standards, with only Brand-specific FF&E acquired, and the higher end of the estimate assumes substantially all FF&E is replaced.

Note 12 – This estimate includes a vendor site survey (if needed); and fabrication and installation of exterior signage. The estimate includes the cost of painting cabinets and poles but does not include any electrical/wiring; permits; or freight/shipping. Your actual cost will depend on factors such as the sign size, material, height, ease of access, and equipment needed for location, and may exceed the estimates indicated.

Note 13 – These amounts include estimates for the cost of a telephone switch and other telephone and communications equipment, including the cost of high-speed Internet access equipment that meet our Brand Standards.

Note 14 – These amounts include the computer hardware and software necessary to operate your Hotel, including the initial license of a PMS. The exact cost of your computer system will depend on the other technology options you select, subject to our minimum standards.

Note 15 – This amount is charged by our third-party CRS provider for setting up an interface with your PMS. We will collect this PMS Interface and Tokenization Set Up Fee from you and remit to our third-party CRS provider.

Note 16 – These amounts include operating supplies & equipment (“OS&E”) for Guest Rooms and common area marketing materials. The amount may differ based on the mix of room types at your Hotel. Estimates do not include food and beverage equipment (e.g., coffee equipment), housekeeping equipment, or other OS&E, or freight charges, taxes, tariffs, installation or similar fees.

Note 17 – These amounts include additional estimated expenses for the approximate three-month period prior to your Opening Date, including startup expenses, such as utilities and security deposits, labor costs, pre-opening marketing costs, and costs of professional advisors. Your market, your pace of ramping up the property’s occupancy and average daily rate, the seasonality of your opening, the quality of your property management team, and other factors will impact the funding you require for this category of expense.

Note 18 – You must, at your own expense, keep in force insurance policies for your Hotel. We may change types and amounts of coverage. This estimate is based on our current requirements which are described in detail in Item 8 of this disclosure document. You will likely have to prepay all or a portion of the first year’s premiums for insurance. The premiums may vary widely depending on a number of factors, such as insurance carrier, market conditions, the type of building construction, location of your Hotel, revenue of your Hotel, number of employees, your credit worthiness, and your loss history. The low end of the estimate for a conversion hotel assumes you have the specified minimum insurance.

Note 19 – You must install a branded internet landing page for your Hotel through which guests of the Hotel will log into and access the Hotel’s Wi-Fi.

Note 20 – You must maintain wireless highspeed internet access meeting our minimum specifications (including as relates to bandwidth, multiple device usage, area coverage and security) and must provide an in-room entertainment system for your Hotel’s guests. For conversions, the low end estimate assumes you have adequate Wi-Fi and an in-room entertainment system meeting our specifications, and therefore you will not incur the cost to install the Wi-Fi and the required guest in-room entertainment system. The cost to install Wi-Fi and the required guest in-room entertainment system is based on the number of Guest Rooms, servers, and entertainment devices.

Note 21 –You must hire a professional photographer to take photographs of your Hotel prior to the opening of your Hotel.

Note 22 – If we have to reinspect your Hotel because you fail the PIP inspection, we may charge you an additional PIP fee.

Note 23 – This fee will only be required if your new construction involves a unique layout or elaborate plan, or your conversion requires elaborate remodeling to meet our Brand Standards.

Note 24 – This is to cover our administrative fees arising from review and processing of lender comfort letter requests.

Note 25 – This fee is payable only if you request and we agree to grant an extension of the construction start date identified by us in writing.

Note 26 – The additional funds represent certain expenses that you will incur in the operation of the business. You may need these funds to operate your Hotel during its three month initial phase following activation in our CRS. The estimated amount covers items such as payroll costs, rent, utilities, on-going advertising, facility expenses, security, and maintenance - but does not include any salary or allowance for an owner's draw, any amounts you must pay us, or any additional inventory you may need after your initial inventory is consumed. The actual amount of additional funds you will need during the initial phase of operating will depend on factors such as: the size and location of your Hotel; the extent to which you follow our suggested methods and procedures; your management skill, experience, and business acumen; local economic conditions; the local market for your Hotel; competition; and other factors. We do not finance any portion of your initial investment other than the possible financing of a portion of the Initial Fee.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Authorized Specifications and Suppliers

In order to maintain quality and uniformity among Signature Inn Hotels, each Signature Inn Hotel must meet the Brand Standards. These standards require that your Hotel and most of the items you use or sell at your Hotel meet our specifications. You must strictly comply with all Brand Standards. In renovating (or constructing) and operating your Hotel, you must use only those products, supplies, equipment, furnishings, and services that we have approved according to our Brand Standards for appearance, function, and performance, including: FF&E; operating supplies and equipment (“OS&E”); décor; layout and floorplan; signage; advertising materials; uniforms; photography; logoed items; operating supplies; guest room amenities; consumable inventories; food and beverage services; wireless high-speed internet access; in-room entertainment; computer systems, including CRS, PMS, and revenue management systems; insurance; telephone; security items; and such other products and services for which we periodically issue Brand Standards (collectively, the “Supplies”). The Brand Standards may include minimum requirements for delivery, performance, design, and quality of the Supplies. We will provide you this information in our Brand Manual, which we may revise from time to time, or otherwise in writing.

To facilitate consistency and quality among Signature Inn Hotels and our ability to leverage volume purchasing power, we reserve the right to approve or designate all vendors and suppliers of Supplies and services you use in developing, operating and promoting your Hotel. We may designate a sole supplier or approved suppliers (which may be us or our affiliates) (the “Approved Suppliers”) from which you will be required to purchase certain Supplies, and you will purchase those Supplies only from the Approved Suppliers when required. You may be required to sign such Approved Suppliers’ form agreements for the purchase of such Supplies or services. We will provide the list of Approved Suppliers to you. We may provide your contact information to our Approved Suppliers and you may be contacted by our Approved Suppliers. We provide access to a third-party online procurement platform customized for the Network Brands, and we may

require you to make certain purchases through that platform. Although we have the right to require the platform or Approved Suppliers to charge you a 2% to 3% procurement fee, which would be remitted to us, we currently do not require them to charge such fee. We currently do not maintain any other purchasing or distribution cooperatives.

None of our officers or affiliates own a material interest in any Approved Supplier. However, from time to time, our officers may own non-material interests, for investment purposes only, in publicly-held companies that are suppliers to Signature Inn Hotels.

Neither we nor any of our affiliates currently is an Approved Supplier, although we may designate ourselves or an affiliate as an Approved Supplier (including as an exclusive supplier). You periodically may pay us for purchases from designated third parties.

If you want to purchase goods or services from an unapproved supplier, then you may submit a written request for us to approve the supplier. You must submit to us all information, specifications and samples that we request. Any goods or services from suppliers must be in accordance with Brand Standards. We will review all of the pertinent information. While we have no obligation to respond within a certain time frame, our review typically takes 30 days to complete. We have the right to require as a condition of our initial and continued approval that our representatives are permitted to inspect the supplier's facilities, and that the supplier attend our brand conference and enter into our then-applicable supplier agreement. We currently do not charge a fee for the supplier approval process, but we may do so. We may change our approval process or supplier criteria at any time. If we approve a supplier as to any goods, services, suppliers or materials, we must grant our approval in writing. We may condition our initial and continued approval of a supplier on certain requirements, such as delivery frequency, standards of service (including prompt attention to complaints), concentration of purchases, insurance protection, the supplier's willingness to enter into indemnity and confidentiality agreements, payment of reasonable license fees (if Marks are used), and other criteria. Other than this description of our criteria, we do not disclose any further details of our criteria for approving suppliers to franchisees.

We may approve suppliers on a temporary basis and/or revoke approval of Approved Suppliers who no longer satisfy our criteria for suppliers or do not pass reinspection, and if that happens, we will provide reasonable written notice of such disapproval to you. We do not provide any material benefit to a franchisee based on a franchisee's use of designated or pre-approved suppliers, except that your purchase or lease of goods or services as required is an essential element of your compliance with the Franchise Agreement and the Brand Standards, and your failure to do so is a breach of the Franchise Agreement and may result in your loss of material benefits, up to and including the termination of the Franchise Agreement.

We may negotiate purchase arrangements with Approved Suppliers, which we currently anticipate will be volume-based pricing. We may receive volume-based allowances from certain Approved Suppliers with whom we have negotiated contracts, generally as a percentage of net or gross sales made by franchisees or by Network Hotels we own or manage. The allowances we receive generally range from 1% to 4% of net or gross sales on such items as FF&E, operating/maintenance equipment and supplies, merchant processing, services, and food and beverage products from purchases made by franchisees or by Network Hotels we own or manage.

Computer System

Other than certain required credit card interface hardware, we do not currently have any specific hardware requirements. However, before commencing operation of your Hotel, you must ensure the PMS that we designate is installed at your Hotel in compliance with the specifications described in the Brand Manual or otherwise in writing, that it is fully operational, and that your staff is properly trained in its use. We periodically may revise the specifications and we may require you to use our designated suppliers.

Please see the further discussion related to your PMS and other technology requirements in “Computer Systems” under Item 11, below.

Insurance

You must procure and maintain, at your expense, such types of insurance coverage in the types and amounts we periodically require, in addition to any other insurance that may be required by applicable law, your landlord, your mortgagee, or otherwise. At a minimum, such policies shall include the following (primary and excess/umbrella policies may be used in any combination as long as the total minimum limit requirements are met):

- Commercial general liability (“CGL”) insurance for any claims or losses arising or resulting from the operations/premises of the hotel with limits of not less than \$1,000,000 per occurrence and a general aggregate limit not less than \$3,000,000; limits shall apply on a per location aggregate basis if the hotel is insured under a blanket policy;
- Property/all risk and contents insurance (or builder’s risk insurance during any period of construction) on all building(s) and contents against loss or damage by fire, lightning and all other risks associated and covered by the “all risks” policy form, all in an amount not less than 90% of the replacement cost;
- Boiler & machinery insurance against loss or damage from explosion of boilers or pressure vessels to the extent applicable;
- Business interruption insurance covering at least 12 months loss of profits and necessary continuing expenses for interruptions caused by a covered occurrence;
- Workers’ compensation insurance in statutory amounts for all your employees and employer’s liability insurance in amounts not less than \$1,000,000 per accident/disease;
- Liquor liability (applicable only when or if you distribute, sell, serve, or furnish alcoholic beverages) with limits of not less than \$1,000,000 per occurrence; limits shall apply on a per location aggregate basis if the hotel is insured under a blanket policy;
- Automobile liability insurance including owned, non-owned and hired vehicles for combined single limits of bodily injury and property damage of not less than \$1,000,000 per occurrence and a general aggregate limit not less than \$3,000,000; and
- Garage-keeper’s liability to the extent that the hotel operations include parking operations, with a limit adequate to cover the full actual value of all automobiles that are in your care, custody, and control at any one time.

Additionally, we strongly recommend that you carry employment practices liability insurance, cyber liability insurance, and crime insurance that covers employee dishonesty.

Each of the insurance policies must: (i) be written by an insurance company with an A.M. Best rating of “A” or better; (ii) to the extent legally permissible, name us, our affiliates, and our and their respective officers, directors and employees as additional named insureds and loss payees for all liability coverage policies; (iii) provide that the coverages will be primary and that any insurance carried by us will be excess and non-contributory; and (iv) provide that all coverages afforded to us (and our affiliates) will be coextensive with the coverage provided to you or any named insured on such policy, and any language in such policy that purports to limit the coverage available to us (and our affiliates) will be deemed deleted as to us (and our affiliates). We periodically may change the amounts of coverage required under the insurance policies and require different or additional kinds of insurance, including excess liability insurance. All insurance may be effected under policies of blanket insurance which cover your other properties and affiliates so long as such blanket insurance satisfies our requirements, as they periodically are modified. Within 10 days of the date you sign the Franchise Agreement, you must provide us certificates of insurance showing compliance with the insurance requirements; the certificate of insurance must include a statement that the policies will not be canceled without at least 30 days’ prior written notice to us. Upon our request, you must supply us with copies of all insurance policies and proof of payment. You also must deliver renewal certificates to us not less than 10 days prior to each insurance policy’s renewal date.

General

In the year ended December 31, 2022, RLHC received \$5,075 from vendors based on purchases by all Network Hotels (including our franchisees, licensees, and owned and managed Network Hotels). Neither we nor any other affiliates received revenue from vendors based on franchisee purchases in fiscal year ended December 31, 2022. However, we and our affiliates may do so in the future.

During fiscal year ended December 31, 2022, RLHC derived \$830,716 and SRLHF derived \$11,781,850 (or 29.1% of SRLHF’s revenue of \$40,512,542), from purchases of goods and services by franchisees and licensees of all Network Brands.

We estimate that 15% to 20% of the products, services, supplies, furniture, fixtures, equipment and inventory used to establish a new Signature Inn Hotel, 5% to 10% used to convert an existing hotel into a Signature Inn Hotel, and 2% to 5% used to operate a Signature Inn Hotel are subject to our specifications.

During the term of the Franchise Agreement and any term extensions, we may require you to make additional expenditures and investments to maintain your Hotel in accordance with the Brand Standards and to remove any deficiencies in your Hotel’s operations.

ITEM 10. FINANCING

We generally require payment of the Initial Fee in a lump sum when you sign the Franchise Agreement. However, we may allow you to pay up to 75% of the Initial Fee in installments (typically 3 – 12 monthly payments), all of which must be paid before the start of construction or renovation work on your Hotel. If we permit you to pay the Initial Fee in installments, you will sign a promissory note in the form attached as Exhibit C-1 (the "Initial Fee Note"), when you sign the Franchise Agreement. We may, in our discretion, agree to forgive a portion of the principal amount of the Initial Fee Note if you are not in default under the Initial Fee Note; the amount that may be forgiven will be identified in the Initial Fee Note before you sign it. You may prepay the unpaid amount of the Initial Fee at any time, without penalty. If you default under the Franchise Agreement, the outstanding balance of the Initial Fee Note will become immediately due and payable, along with any court costs and attorneys' fees for collection. No interest will accrue on the outstanding Initial Fee, except in the event of default, then the unpaid amount of the Initial Fee will accrue interest at the lower of 1.5% per month or the highest rate allowed by law, beginning on the 15th day after the date of default. See Item 5 for more details regarding the Initial Fee.

We may, in our sole discretion, offer incentives for hotels that are new to the Brand. An "Incentive" is a financial contribution that we make to assist with the development or conversion of your Hotel, and will be in an amount that we determine. If an Incentive is granted to you, the amount of the Incentive shall typically comprise, at our discretion, between \$500 and \$2,500 per Guest Room of your Hotel. To receive an Incentive, you and your principals must sign a development incentive promissory note in the form attached as Exhibit C-2 (the "Incentive Note," together with the Initial Fee Note referred to as the "Notes"), when you sign the Franchise Agreement. An Incentive does not have to be repaid unless the Franchise Agreement is terminated before its expiration date or a transfer occurs as described below. The Incentive will be disbursed to you within 30 days after the Hotel opens under the Brand with our approval, as long as you have completed any PIP and there have been no material adverse changes to the Hotel since approval (for example, a decrease in the number of Guest Rooms or a significant delay in opening under the Brand). For each year that your Hotel is open, the repayable amount is reduced by an equal annual percentage based on the term of the Franchise Agreement. For example, if the Franchise Agreement has a 20-year term, the repayable amount is reduced by 1/20th of the original amount annually. If your franchise terminates before the expiration of the Franchise Agreement, you must pay us the then-current repayable amount of the Incentive. If you transfer your Hotel you also must pay us the then-current repayable amount of the Incentive. An Incentive bears no interest. However, if an Incentive becomes repayable and payment is not made in full when due, the outstanding amount is subject to interest at 1.5% per month or the highest rate allowed by law, and we may collect court costs and attorneys' fees incurred to collect the

repayable amount of the Incentive. We may negotiate these Incentives when business circumstances warrant.

We do not require security interest under either Note. Each person that has a 20% or greater legal or beneficial ownership interest in the franchisee entity must sign the Guaranty attached to the Franchise Agreement, personally guaranteeing your obligations under the Note(s).

Any default under the terms of either the Franchise Agreement or the Notes shall be deemed a default of both the Franchise Agreement and the Notes and we may pursue all remedies as available under the Franchise Agreement and Notes, and at law.

Both Notes provide for a waiver of presentment, demand for payment, protest, notices of protest, dishonor, nonpayment of the Note and all notices of every kind are waived by you. We may grant renewals, extensions, modifications, compositions, compromises, releases or discharges of other parties without notice to any guarantor or co-maker.

It is not our practice or intent to sell, assign or discount to a third party all or part of the Notes, nor do we receive any consideration for placing the Notes with a lender.

Except for the Initial Fee financing and the development incentive program described above, neither we nor our affiliates offer, directly or indirectly, financing arrangements to franchisees nor do we guarantee any note, lease, or other obligations. These programs may be modified, limited, extended or terminated at any time without advance notice.

Site Selection and Lease

We do not lease the premises to you, nor provide assistance with site selection or negotiations of your purchase or lease of the property.

Hotel Specifications

If you are converting an existing hotel into a Signature Inn Hotel, you will sign the Conversion Rider, attached as Exhibit D-1 to the Franchise Agreement. We will provide written specifications for necessary upgrading, renovation, construction and furnishing of your Hotel (the “Renovation Work”) in the form of a PIP, which will be included in the Conversion Rider. The PIP details required Renovation Work and alterations for compliance with the Brand Standards, as well as the required start date and completion date of such Renovation Work. Prior to commencing the Renovation Work, you must obtain all necessary insurance, including builder’s risk, and all permits and certifications required for lawful renovation of your Hotel, including zoning, access, sign, building permits, consents, and licenses.

If you are constructing a new Signature Inn Hotel, you will sign the New Construction Rider, attached as Exhibit D-2 to the Franchise Agreement. We will provide written specifications for necessary construction and furnishing of your Hotel (the “Construction Work”), as well as the required start date and completion date of such Construction Work. Prior to commencing the Construction Work, you must obtain all necessary insurance, including builder’s risk, and all permits and certifications required for lawful construction of your Hotel, including zoning, access, sign, building permits, consents, and licenses.

You must submit to us your Plans and Designs with respect to the Renovation Work or Construction Work, as applicable. We may supply you with representative prototype guest room and public area plans and schematic building plans as a guide for preparation of the Plans and Designs. Our approval of such Plans and Designs does not warrant the depth of our analysis or assume any responsibility for the efficacy of the Plans and Designs, or the resulting Renovation Work or Construction Work, as applicable.

We do not review the Plans and Designs to check for compliance with any local, state, and federal law, including any obligations imposed by the Americans with Disabilities Act. All legal compliance with respect to the Renovation Work or Construction Work and Plans and Designs are your responsibility.

Computer Systems

Before commencing operation of your Hotel, you must ensure the PMS that we designate (currently, ASI Front Desk or ASI Cloud by Anand Systems) is installed at your Hotel in compliance with the specifications described in the Brand Manual or otherwise in writing, that it is fully operational, and that your staff is properly trained in its use. The Brand Fee will cover the licensing fees for the designated PMS. You may not maintain any PMS other than the PMS we designate in connection with the operation of your Hotel and all OTAs and other distribution channels must be connected to our CRS, or, if no connectivity is available for a particular distribution channel, through the designated PMS, unless directed or approved by us in advance in writing.

You must enable the PMS to provide direct full two-way connectivity with our CRS (currently, SynXis, by Sabre) and loyalty program. We also require that you implement the Shift4 credit card interface. We may require additional interfaces in the future. We periodically may revise the specifications for your PMS, point-of-sale system, and related interfaces, and we may require you to use our authorized or designated suppliers.

You must make periodic upgrades and updates to the PMS that we require, including establishing interfaces to new programs that may become Brand Standards in the future. There are no contractual limitations on the frequency and cost of this requirement. We do not have any obligation to provide ongoing maintenance, repairs, upgrades or updates to your computer system. We require that you pay us a non-refundable onboarding administration fee of \$1,000 (as detailed in Item 5). If we change the Brand-designated PMS in the future, you may be required to purchase, lease or license new or modified computer hardware, software and PMS.

You may be responsible for certain one-time fees (for example, for implementation, training and interfacing with our CRS). More elaborate features and additional PMS interfaces (which we do not require but that you may select for other reasons) could cost significantly more.

Other than the hardware required to operate Shift4 or other systems described above, we currently do not have specific hardware requirements. We estimate that the initial costs to acquire and implement the hardware and software necessary to open your Hotel to be \$12,000 to \$25,000 for new construction and \$2,000 to \$25,000 for conversions, which includes the cost of the initial license of the PMS software.

An on-property Wi-Fi network for the benefit of hotel guests is also required. The estimated cost to implement a Wi-Fi network meeting our standards ranges from approximately \$525 to \$725 per Guest Room. The ongoing cost of the Wi-Fi network is estimated to be approximately \$3.00 to \$5.50 per month per Guest Room. These amounts are payable directly to our approved third-party vendors. Additionally, high-speed internet access may cost from \$750 per month to \$1,500 per month depending on your location and the amount of bandwidth you purchase. We may require you to use the software we designate to provide our exclusive authorized branded internet landing page through which guests of your Hotel will log into and access your Hotel's Wi-Fi. The installation cost to you will depend on your Hotel's integrator, network, and gateway, but is expected to range between \$1,000 to \$10,000 payable to a third-party provider (which is subject to increase).

Additionally, you must provide an in-room entertainment system for your Hotel's guests subject to our Brand Standards. The one-time cost to implement a Guest Room entertainment system is approximately \$23,500, plus \$220 per guestroom. We estimate the cost for ongoing

support, maintenance, and subscriptions for the in-room entertainment system to be approximately \$10 per Guest Room per month, plus a \$50 per month flat fee.

You must use our designated learning management system, which we may change in the future. You will not need to incur any installation costs for the learning management system, but you may be required to incur certain expenses in connection with its maintenance and support, which we estimate to be no more than \$500 per month.

We have the right to independently access and retrieve any data and information from your PMS. You must provide us with access and any assistance we require to provide us with this independent access. There are no contractual limits on our right to access this information and data.

Training

Initial Training

We do not assist in the hiring of your employees, but we will train your Hotel Representative(s) virtually, at your Hotel, or at another location we designate, at our election. The initial brand training program covers the areas of operations, marketing, sales, loyalty, and brand culture. We offer the training program on an as-needed basis throughout the year depending on our trainers' and attendees' availability.

Prior to opening your Hotel, or within 90 days of activating your Hotel in our system, your Hotel Representative(s) must complete our training program to our satisfaction. If at any time during the term of your Franchise Agreement your trained Hotel Representative is no longer employed by you, a new Hotel Representative will be required to attend and complete our training program to our satisfaction. If we determine that your Hotel Representative cannot complete initial training to our satisfaction, we may terminate the Franchise Agreement. If space permits, we may allow you to send additional attendee(s) to the initial brand training. Any individual attending our training program who has not signed the Franchise Agreement or Guaranty may be required to sign a confidentiality agreement. You will pay us a fee in the amount of \$1,500 for the pre-opening brand training. In the event the initial brand training is conducted in-person rather than virtually, you must also reimburse us for our personnel's travel, meals, and lodging expenses, which we estimate to be up to \$2,500.

You (or your Principal) may request additional training at the end of the initial training program, to be provided at our then current fees as outlined, if your Hotel Representative does not feel sufficiently trained in the operation of a Signature Inn Hotel. We and you will jointly determine the duration of this additional training. However, if your Hotel Representative completes our initial training program to our satisfaction and you have not expressly informed us in writing at the end of that program that your Hotel Representative does not feel sufficiently trained in the operation of a Signature Inn Hotel, then your Hotel Representative will be deemed to have been trained sufficiently to operate a Signature Inn Hotel.

Training materials include the Brand Manual, and certain other training modules and courses designed to assist you in understanding programs related to Signature Inn Hotels. Best practices in the hospitality industry will be made readily available in our designated learning management system.

Our training is conducted under the supervision of Derek Fournier, Vice President, Training and Engagement. Mr. Fournier has over 25 years of hospitality experience in operations, management, training, and development, and has 3 years of experience with us and our affiliates. He leads the training function for us and our affiliates and oversees a team of internal and independent subject matter experts who develop and deliver our training.

Currently, our initial brand training program includes the following topics:

Note 1: The hours devoted to each subject are estimates and may vary based on class size, participation, the attendee's experience with the subjects taught, and schedule.

Note 2: We may also elect to conduct training at another location we designate, or virtually, at our election.

Ongoing Training

We may require you, your Hotel Representative(s), and/or previously trained and experienced employees to attend and complete to our satisfaction various training courses that we periodically choose to provide at the times and locations that we designate, including courses and programs provided by third parties we designate. Training may be conducted in-person/on-site or virtually ad hoc at our current fees (currently, \$2,000 per day plus reimbursement of our personnel's travel costs and expenses for in-person/on-site and \$200 per hour for virtual ad hoc) and at our discretion. Besides attending these courses, you must attend the Brand Conference each year at a location we designate. All training and the Brand Conference may be held virtually, in our sole discretion. Attendance will not be required for more than five days during any calendar year.

Marketing and Advertising

Periodically, we may include your Hotel, or cause your Hotel to be included in (i) national or regional group advertising of some or all Signature Inn-branded hotels, and (ii) international, national and regional market programs offered by us subject to and in accordance with our general practice for Signature Inn-branded hotels. We may modify references to the address of your Hotel to help optimize marketing programs and opportunities; provided, however, if there is a significant change in a reference to your Hotel's address, we will confer with you, but we will have sole discretion in how your Hotel's address is referenced.

We may pay for various expenses and programs that, in our view, benefit, in the short-term or the long-term, the Network Brands, but we are not obligated to do so. We may enter into arrangements for development, marketing, operations, administrative, technical and support functions, facilities, programs, services or personnel with any other entity, including our affiliates. Any expenditures are intended for the benefit of the Network Brands.

Local Marketing

You must provide us, for our approval, all materials you intend to use for local marketing (and all other advertising and promotional materials and Online Presence (as defined below)), unless we have already approved them or they consist solely of materials provided by us. We will attempt to review these materials within 10 business days from when we receive them. If you do not receive written approval within those 10 business days, the submitted materials are considered disapproved. All materials on which the Marks are used must include the applicable designation of service mark SM, trademark TM, registered trademark [®], copyright [©], or such other designation as we may specify. If, in our judgment, such materials or advertising may injure or harm the Brand, we may notify you to withdraw or discontinue the use of any advertising or promotional materials or Online Presence, even if previously approved. Within five days after delivery of such notice, you must withdraw and discontinue use of the relevant advertising and promotional materials or use of such Online Presence.

We currently do not require you to join a regional or local advertising cooperative, or any other advertising fund. We may form brand advisory boards in the future (see Item 20), which may provide input on advertising policies and other matters. Once established, we may suspend or disband it, at our discretion.

Websites, Social Media and Other Online Presence

You may not register, own, maintain or use any domain name, website, email address, social media account, username, other online presence or presence on any electronic medium of any kind (collectively, the "Online Presence") relating to Network Brands or your Hotel or that includes the Network Marks, except as approved in advance by us. As a general rule, we do not permit franchisees to maintain vanity or other independent Online Presences for Signature Inn Hotels. You may not list the details or contact information of your Hotel on any vanity or other independent websites or other Online Presence, including any OTAs, without our prior approval. You must establish any Online Presence that we may require, and only establish any other Online Presence that we authorize. All use of Online Presences must be in accordance with the Brand Standards and our other guidelines. Given the changing nature of this technology, we have the right to withhold our approval and to withdraw any prior approval to modify our requirements.

You may not, without a legal license or other legal right, post on any Online Presence any material in which any third-party has any direct or indirect ownership interest, including video clips, photographs, sound bites, copyrighted text, trademarks or service marks, or any other text or image in which any third-party may claim intellectual property ownership interests without obtaining prior written consent from the content owner. You must incorporate on any Online Presence any other information we require in the manner we consider necessary to protect the Network Marks.

Your use of all Online Presence shall be subject to our Brand Standards as we may implement during the term of your Franchise Agreement. You must adhere to our Online Presence guidelines and procedures, which include but are not limited to: appropriate content, relevance, behavior related to communications, frequency and responsiveness to communications, etiquette, naming conventions and use of the Network Marks and posting messages or commentary on third-party websites. We must approve your social media pages and they shall be linked to the social media pages we designate for any of the Network Brands. We have the right to require you to remove your social media page(s) if you fail to comply with our guidelines and procedures.

We will own the rights to each Online Presence. At our request, you must grant us access to each Online Presence and to take whatever action we request to prove that we own each Online Presence or help us obtain exclusive administrative rights in such Online Presence.

Upon the expiration or termination of the Franchise Agreement, you must irrevocably assign and transfer to us (or to our designee) all of your right, title and interest in any domain name listings and registrations and other Online Presence which contain any references to the Network Marks or any of the Network Brands, and must notify the applicable domain name registrar(s) or other third-party of the termination of your right to use any domain name or Online Presence associated with the Network Marks or any of the Network Brands, and will authorize and instruct the cancellation or transfer of the Online Presence to us (or our designee), as directed by us. You also must delete all references to the Network Marks and any of the Network Brands from any other Online Presence you own, maintain or operate beyond the expiration or termination of the Franchise Agreement.

You must ensure, on an ongoing basis, that the description of your Hotel and its amenities and features, including those you believe make the Hotel and its premises accessible to persons with disabilities, is current and accurate in the CRS, on any Online Presence, and in any third-party distribution channels.

Loyalty Program

We may administer and manage loyalty programs that will provide participating guests of your Hotel with certain rewards or benefits when staying at your Hotel. Such loyalty programs may apply specifically for the Brand or any or all of the Network Brands. Currently, Signature Inn Hotels participate in our loyalty program referred to as "Hello Rewards," which permits participating guests to accumulate "Hello Bucks," that may be applied as credits towards stays in the future. Members of the Hello Rewards program also may receive promotional discounts on reservations; surprise amenities; and other methods of recognition, all of which are designed to be meaningful to the guest but affordable to the franchisee. This is not a points-based system and there is no additional cost to participate. Currently, you will receive (i) 90% of the amount the guest pays for all room nights on any booking in which Hello Bucks are applied, (ii) plus 90% of the value of the Hello Bucks applied, (iii) less all fees payable to us or our affiliated entities related

to such booking. We may either credit the amounts due to you against amounts you owe us or our affiliated entities, or we may issue payment of such amounts to you. We may periodically modify or discontinue the Hello Rewards program or any other loyalty program that we designate. You must participate in and honor the terms of any and all loyalty, discount or other promotional program applicable to Signature Inn Hotels and pay all applicable fees or charges associated with such programs (including any fees assessed by us, room discounts given to guests, or rewards provided to guests, that are applicable to your Hotel) that we offer to the public on your behalf and any room rate quoted to any guest at the time the guest makes an advance reservation. You must take all action necessary to participate in any loyalty program and you must grant all necessary rights in and to any photographs, video and/or other marketing materials used in connection with any loyalty programs.

Time between Signing Your Franchise Agreement and Opening the Signature Inn Hotel

If you are converting your existing hotel into a Signature Inn Hotel, the typical length of time between signing your Franchise Agreement and opening your hotel as a Signature Inn Hotel is expected to be 90 to 180 days. Factors that may affect this typical time period include your ability to install equipment, fixtures, furniture, and signage that comply with Brand Standards, recruit competent staff, and complete any required renovation work, including any PIP that we issue (including obtaining any requisite building permits, certificates of occupancy, and local licenses, as applicable). If your Hotel is new construction, we require that you commence construction (start pouring the foundation) within 12 months of the date your Franchise Agreement is signed, and open your Hotel as a Signature Inn Hotel within 12 months of commencing construction. We estimate the time from the date on which you sign your Franchise Agreement to the date you open your hotel as a Signature Inn Hotel to be 12 to 24 months (or 12 months from the time you commence construction). This estimate will vary depending on numerous factors, including location, your ability to obtain a lease, if applicable, construction schedules and unanticipated construction delays, weather conditions, and financing, as well as those factors identified above in connection with conversions. If you fail to commence the renovation work by the commencement date specified in the PIP or complete the renovation work by the completion date specified in the PIP, or if you fail to commence construction work by the commencement date specified in the Franchise Agreement or complete the construction work by the completion date specified in the Franchise Agreement, we may terminate the Franchise Agreement.

ITEM 12. TERRITORY

We grant franchisees a non-exclusive license to operate Signature Inn Hotels at a specified location. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We and our affiliates retain the right to engage in any and all activities that we (or they) deem appropriate and are not expressly prohibited under the Franchise Agreement, at all times, anywhere in the world, including the right to:

(a) establish and operate, and allow others to establish and operate Signature Inn Hotels at any location on such terms and conditions we deem appropriate;

(b) establish, operate, and license others to establish and operate, anywhere in the world other than the premises of your Hotel, Network Hotels and other businesses that offer products

and services which are identical or similar to the products and services offered by Signature Inn Hotels under any trade names, trademarks, service marks, and commercial symbols;

(c) purchase, merge, acquire, be acquired or affiliate with an existing competitive or non-competitive franchise network, chain or any other business regardless of the location of that network's, chain's, or business' facilities, and to operate, franchise, or license those businesses under the Marks or any other marks following the purchase, merger, acquisition, or affiliation, regardless of the location of those businesses (or the franchisees or licensees of those businesses);

(d) sell our ownership interests, our assets, the Marks, and/or the Brand to a third party; become publicly-traded; engage in a private placement of some or all of our securities; merge, acquire other corporations or entities, or be acquired by another corporation or entity; and/or undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and

(e) engage in all other activities not expressly prohibited by the Franchise Agreement.

We are not required to pay you if we exercise any of the rights specified above. We have and continue to use all channels of distribution, including internet, telemarketing, or other direct marketing sales to make sales anywhere using any of the Network Marks or future marks we may acquire or create. We are not obligated to compensate you for sales made to customers located near your Hotel. Franchisees of all Network Brands may solicit or accept customer reservations from customers located anywhere, and likewise, you may solicit or accept customer reservations from customers located anywhere. However, you may not solicit or accept customer reservations through any Online Presence except as expressly permitted by the Brand Standards.

We do not permit the relocation of Signature Inn Hotels. Your Franchise Agreement does not grant you any options, rights of first refusal, or similar rights to acquire additional franchises.

In special circumstances, we may grant a Signature Inn Hotel an exclusive or protected area in which we will not grant a franchise for another Signature Inn Hotel, if in our sole judgment we believe the circumstances warrant the grant of such protection.

There currently may be franchised or company-owned Network Hotels situated near your Hotel. We and our affiliates or subsidiaries may establish and operate new franchised, company-owned or company-managed Network Hotels in or near your area. We may offer and grant franchises for new franchised hotels under any of the Network Marks in or near your area. We continue to provide brand management and related services to franchisees of certain Network Brands for which we no longer offer new franchises, which Network Hotels may be located in or near your area. Our affiliates also provide connectivity and distribution services to independent hotels that may be located within close proximity to your Hotel, and may solicit or accept reservations from guests visiting near your Hotel.

There is no mechanism for resolving any conflicts that may arise between franchised or company-owned Network Hotels and franchised Signature Inn Hotels. Any resolution of conflicts regarding location, customers, support, or services will be entirely within your and our business judgment. We utilize the same principal business address as identified in Item 1 of this disclosure document for all Network Brands and do not maintain physically separate offices and training facilities for each Network Brand. While we do not anticipate conflicts between franchisees of

different brands, we will analyze any future conflict and take action (if any) that we deem appropriate.

ITEM 13. TRADEMARKS

Principal Service Marks

Under your Franchise Agreement, we grant you the non-exclusive right to operate your Hotel under the service marks displayed below. You may not use the Marks or similar names in your corporate name, however, nor in any internet domain or social media site. These are the principal service marks used to identify your Hotel. We own the Marks and all rights in and goodwill from the use of the Marks accrue to us and our affiliates.

The following table summarizes the status of the service marks registered with the U.S. Patent and Trademark Office (“PTO”) on the Principal Register of the principal mark licensed to you under the Franchise Agreement. For the following registrations, we have filed all required affidavits and renewals.

SERVICE MARKS REGISTERED ON THE U.S. PATENT AND TRADEMARK OFFICE’S PRINCIPAL REGISTER		
SERVICE MARK	REGISTRATION NO.	REGISTRATION DATE
	5,587,761	OCTOBER 16, 2018
	5,829,671	AUGUST 6, 2019

“Marks” means each of the trademarks and service marks listed in the table above, and all other trademarks, service marks, trade names, logos, and commercial symbols that we authorize for Signature Inn Hotels.

Currently Effective Trademark Determinations

There are no currently-effective material determinations of the U.S. Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state or any court; pending infringement, opposition or cancellation proceedings; or pending material litigation involving the principal marks.

Agreements Significantly Limiting Your Rights to Use the Marks

There are no agreements that significantly limit our right to use or license the use of our principal marks.

Protection of Your Right to Use the Trademarks

We are not required to protect your right to use the Marks, or to protect you against claims of infringement or unfair competition arising out of your use of the Marks. If you become aware of any claim of infringement, unfair competition, or other challenge to your right to use the Marks, you must notify us in writing within seven business days. We will determine whether to take any action in connection with any infringement, challenge or claim, and have the right to exclusively control any litigation or other proceeding arising out of any infringement, challenge or claim.

We are not required to indemnify you for any expenses or damages if you are a party to an administrative or judicial proceeding involving the Marks, or if the proceeding is resolved unfavorably to you.

If we believe that it is appropriate to modify or discontinue using any Mark or use one or more additional or substitute names or marks, you must, at your cost, modify or discontinue the use of that Mark within 30 days of our request (or a longer period that we may allow).

Knowledge of Superior Rights or Infringing Uses

We have no actual knowledge of superior prior rights or infringing uses that could materially affect your use of the principal marks in any state.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Neither we nor any of our affiliates own any patents or pending patent applications that are material to the franchise.

The Brand Manual and our websites may be subject to state and federal copyright protection, although we have not filed federal copyright applications for these materials.

There are no determinations of the U.S. Copyright Office (Library of Congress) or any court, nor are there any pending infringement, opposition or cancellation proceedings or material litigation, involving the copyrighted materials which are relevant to their use by our franchisees.

No agreements limit our right to use or license the use of our copyrighted materials. We are not obligated under any agreement to protect or defend our copyrights, although we intend to do so. We do not know of any infringing uses of or superior rights in our copyrighted materials.

You must maintain the confidentiality of the Brand Manual, as well as all knowledge, know-how, technologies, techniques and other proprietary information that we reveal to you as being confidential and treat this information as trade secrets. You must strictly limit access to the Confidential Information to your employees who have a “need to know” in order to perform their jobs. All persons to whom you grant access to the Brand Manual or any other Confidential Information must be required to comply with the confidentiality provisions of your Franchise Agreement.

“Proprietary Property” means the Marks, Confidential Information, Brand Standards, and copyrighted (or copyrightable) or trade secret information of our affiliates or of us that you may use under the Franchise Agreement.

“Confidential Information” includes the Brand Standards; our Brand Manual; the Brand and the know-how related to its use; plans, specifications, size and physical characteristics of Signature Inn Hotels; site selection criteria and site development methods; methods in obtaining licensing and meeting regulatory requirements; sources and design of equipment, furniture, forms, materials and suppliers; information regarding potential marketing, advertising and promotional programs and strategies related thereto, and analyses of the performance and results of such programs once implemented; training programs and methods; any computer software we make available or recommend for Signature Inn Hotels; methods, techniques, formats, specifications, procedures, information, guest data, and systems related to and knowledge of and experience in the development, operation and franchising of Signature Inn Hotels; knowledge of specifications for and suppliers of certain materials, supplies, furniture, furnishings and equipment; knowledge of operating results and financial performance of Signature Inn Hotels (including your Hotel); e-commerce related data (e.g., guest data, click-stream data, cookies, user data, hits and the like); and patent rights that have not been disclosed in any public filing.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are not required to participate personally in the direct operation of your Hotel, although we recommend that you do so. If you do not personally manage your Hotel, you must employ an on-premises general manager that is sufficiently skilled and experienced to operate your Hotel. The general manager is not required to have an ownership interest in you if you are an entity. We may require the general manager to execute an individual undertaking, in a form approved by us, agreeing to protect the Confidential Information from unauthorized use, access or disclosure, and to use the Confidential Information only in the operation of your Hotel.

If you are a corporation, partnership, limited liability company, or other legal entity, any person with a 20% or greater legal or beneficial ownership interest (which may be persons who hold title in the ownership interests, or persons who do not hold title in the ownership interests but enjoy equitable rights) in you must sign the Guaranty of Franchise Agreement attached to the Franchise Agreement guaranteeing the performance of all of your obligations under the Franchise Agreement.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We do not restrict the customers to whom you sell goods and services. You must operate your Hotel in conformity with the Brand Standards, including complying with the terms of all mandatory marketing, reservation, advertising, promotional, training and other operations programs we may periodically implement. You must use your Hotel’s premises solely for the operation of a Signature Inn Hotel. You may not provide any guest service or offer any product except as prescribed in the Brand Manual or otherwise in writing, and you must offer all Brand-wide products, services and programs we establish or that we determine to be in the best interests of the Brand, including any loyalty or similar program. Currently, you are required to participate in the Hello Rewards loyalty program. We have the right to change the types of products and services that we approve or authorize, so long as the products and services are compatible with the franchise system.

FRANCHISE AGREEMENT

SIGNATURE INNSM FRANCHISE AGREEMENT

This FRANCHISE AGREEMENT (this “**Agreement**”) is entered into by and between SONESTA RL HOTELS FRANCHISING INC. (“**we**,” “**us**” or “**our**”), and _____ (“**you**”), as of the date signed by us and set forth below our signature on this Agreement (the “**Effective Date**”), and pertains to the hotel (the “**Hotel**”) located (or to be located) at _____ (the “**Premises**”). The parties agree as follows:

1. **Term.** The term of this Agreement (the “**Term**”) commences on the Effective Date and expires twenty (20) years from the Opening Date (as defined in Section 7.(b)), subject to earlier termination as set forth in this Agreement. You acknowledge and agree that this Agreement is non-renewable and that this Agreement confers upon you absolutely no rights of renewal whatsoever following the termination or expiration of the Agreement. You also acknowledge and agree that should we exercise our discretion to offer you a new agreement on renewal, the terms of the agreement offered on renewal may be substantially different than the terms of this Agreement.

2. **Grant of License.**

(a) **Brand.** We and our affiliates own a special system related to the operations, marketing, and distribution of information pertaining to hotels under the Signature InnSM brand (the “**Brand**”). Owners of hotels authorized to operate under the Brand (“**Brand Hotels**”) are known as “**Brand Franchisees**.” Subject to the terms and conditions contained in this Agreement, you are a Brand Franchisee.

(b) **Grant of License.** We grant you the right, and you undertake the obligation, to operate your Hotel and to use the Proprietary Property (defined in Section 9.(a)) as authorized under this Agreement and in accordance with the Brand Standards (defined in Section 7.(d)) during the Term (the “**License**”). The Hotel expressly includes only the hotel located at the Premises and you may not transfer the License to another hotel or another location without our prior written permission. The License is non-exclusive, non-transferable and non-sublicensable. You acknowledge and agree that the License does not extend to any bar, restaurant or other facility located at the Premises, unless separately approved by us in writing. The License granted to you does not include the right to use “**Signature Inn**,” “**Signature**” or any other variation resembling the Brand in your Entity (as defined in Section 13(c)(i)) name, in an Internet domain name, website, email address, social media account, username, other online presence or presence on any electronic medium of any kind.

(c) **No Exclusivity; Reservation of Rights.** We do not grant any, and you have no, exclusive rights or territorial protection around your Hotel. We (and our affiliates) retain the right at all times during and after the Term to engage in any and all activities that we (and they) deem appropriate and that have not been expressly granted to you in this Agreement, wherever and whenever we (and they) desire, and whether or not such activities compete with your Hotel, including the right, anywhere in the world, to do any of the following: (1) establish and operate, and allow others to establish and operate Brand Hotels at any location on such terms and conditions we deem appropriate; (2) establish, operate, and license others to establish and operate, anywhere in the world (other than the Premises), any hotel operating under any of the Network Brands (as defined in Section 5.(e)) and other businesses that offer products and services which are identical or similar to the products and services offered by Brand Hotels under any trade names, trademarks, service marks and commercial symbols; (3) purchase, merge, acquire, be acquired or affiliate with one or more existing franchise networks, chains or any other businesses, regardless of the location of such chains’ or businesses’ facilities, and to operate, franchise or license those businesses under the Marks (as defined in Section 9(a)) or any other marks following the purchase, merger, acquisition or affiliation, regardless of the location of those businesses (or the franchisees or licensees of those businesses); (4) sell our ownership interests, our assets, the Marks and/or the Brand to a third party; become publicly traded; engage in a private placement of some of or all our securities; merge, acquire other corporations or entities, or be acquired by another corporation or entity; and/or undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and (5) engage in all other activities not expressly prohibited by this Agreement.

3. **Fees.** All fees payable to us under this Agreement are fully earned by us upon payment and are non-refundable, except as otherwise expressly provided in this Agreement. You will pay us the following fees:

(a) **Initial Fee.** You must pay us at the time of your execution of this Agreement a non-refundable initial fee equal to the sum of (x) \$20,000 plus (y) the product of \$150 times the number of Guest Rooms (as defined in Section 3.(b)) in excess of 70 (the "**Initial Fee**"). The Initial Fee must be made to us by cashier's check, bank certified check, wire transfer, ACH, or credit card.

(b) **Brand Fee.** You will pay us a monthly Brand fee equal to \$50 per Guest Room ("**Brand Fee**"), subject to a minimum Brand Fee of \$2,000 per month. "**Guest Rooms**" means transient hotel rooms located at the Hotel, and is not dependent upon occupancy of the hotel rooms. Upon 30 days' prior written notice to you, we may increase the Brand Fee by a maximum of 3% per calendar year.

(c) **Conference Fee.** You will pay us a conference fee of \$100 per month (the "**Conference Fee**"), which is subject to change at our discretion from time to time. The Conference Fee covers the attendance for one person at the Brand Conference (as defined in Section 5.(d)). If you are permitted to send additional attendees, you will be required to pay an additional \$695 per attendee prior to their attendance at the conference. We may also increase this fee from time to time. You will also be responsible for the travel costs and expenses for your attendees.

(d) **Property Improvement Plan Fees.** In connection with our quality assurance inspections of your Hotel and issuance of any property improvement plan ("**PIP**"), and if applicable, reinspection following a failed PIP inspection, you will pay us our then-current PIP fee (currently, \$1,000).

(e) **Onboarding Administration Fee.** You will pay us an onboarding administration fee of \$1,000 for onboarding services we provide to you in connection with the opening of your Hotel under the Brand. This fee is non-refundable and is due during or immediately after the onboarding process.

(f) **Initial Brand Training Fee.** In connection with your initial brand training obligations under Section 5.(b) below, you must pay us our initial brand training fee, which is currently \$1,500. In the event the initial brand training is conducted in-person rather than virtually, you must also reimburse us for our personnel's travel, meals, and lodging expenses. You are also responsible for all of the expenses you and your employees incur in connection with attending the brand training.

(g) **Quality Assurance Inspection Program Fees.** To determine whether you and your Hotel are complying with this Agreement and all Brand Standards, we and our designated agents or representatives, may at all times and without prior notice to you: (1) inspect your Hotel; (2) photograph your Hotel and observe and videotape the operation of your Hotel for consecutive or intermittent periods we deem necessary; (3) remove samples of any products and supplies; (4) inspect your Hotel's computer systems, including hardware, software, security, configurations, connectivity and data access, and other technology used in the operation of your Hotel; (5) interview the Management Company (as defined in Section 14.(p)), personnel, and customers of your Hotel; (6) inspect and copy any books, records, and documents relating to the operation of your Hotel including tax returns and financial statements for your Hotel; and (7) contract with third parties to conduct mystery-shopper visits or other market-research testing, and quality assurance inspections at your Hotel, the cost of which you will be required to reimburse to us. You must pay our then-current quality assurance inspection program fees, including any third-party fees. If we exercise any of the foregoing rights, we will not interfere unreasonably with the operation of your Hotel. You agree to cooperate with us fully.

You acknowledge that your obligation to comply with the Brand Standards is unconditional. You agree to present to your customers the evaluation forms that we periodically prescribe and to participate and request your customers to participate in any surveys performed by or for us. We retain the right to enforce, at our discretion, the Brand Standards as we deem necessary or appropriate in furtherance of our interest in the Brand Hotels. You will be required to provide overnight accommodations at your Hotel, free of charge, to our representatives in connection with an inspection or reinspection made necessary due to us or our designated representatives being prevented from properly inspecting any or all of your Hotel (including because you or your personnel refuse entry to any part of the Hotel).

(h) **Operations Insights Fee.** You will pay us a non-refundable fee of \$69.50 per month (the “**Operations Insights Fee**”), which is subject to change. The Operations Insights Fee covers your participation in Operations Insights, which is required of all Brand Franchisees.

(i) **PMS-to-CRS Enhanced Connectivity Fee.** You will pay us a non-refundable aggregate monthly fee (the “**PMS-to-CRS Enhanced Connectivity Fee**”) of \$99 in association with connecting your property management system (“**PMS**”) to our central reservation system (“**CRS**”) and in connection with our utilization of a data enrichment platform. The amount of the PMS-to-CRS Enhanced Connectivity Fee is subject to increase from time to time as the third-party fees included in the PMS-to-CRS Enhanced Connectivity Fee increase.

(j) **Revenue Management Insights Fee.** You will pay us a non-refundable fee of \$79.50 per month (the “**Revenue Management Insights Fee**”), which is subject to change. The Revenue Management Insights Fee covers your participation in Revenue Management Insights, which is required of all Brand Franchisees.

(k) **Third-Party Fees.** We may periodically require you to pay us fees due from you to third parties, which we will collect on behalf of such third parties and remit to such third parties.

(l) **Other Fees/Rename Programs.** You will pay us such other fees designated in this Agreement, in the Brand Manual (defined in [Section 5.\(c\)](#)) or otherwise provided to you in writing. We have the right to rename certain programs, add or remove programs, and modify fees for various elements of the Brand and other programs or services as described in this Agreement, the Brand Manual or otherwise provided to you in writing, at our sole, but reasonable discretion. If you request that we provide extraordinary services, such as amendments you request, amendments necessitated by your action or inaction, a lender comfort letter, or other documentation outside the ordinary course of business, you must pay us an administrative fee for each such amendment, letter or similar document (currently \$2,000 per lender comfort letter and up to \$2,500 for any amendment or other documentation), plus any additional costs we may incur in preparing or reviewing such amendment, letter or other documentation, including reasonable attorneys’ fees.

4. **Payments.**

(a) **Billing Start Date.** Unless otherwise specified in this Agreement, your obligation to make monthly payments of the Brand Fee will begin on the Opening Date, and you will pay all invoiced amounts within 30 days of the date of the applicable invoice. Notwithstanding the foregoing, you will be obligated to make payments for all other fees and commissions from the time those fees are incurred, regardless of the Opening Date. Your obligations to pay amounts due to us or any of our designees will not be suspended as a result of any interruption to your business regardless of the cause. In the event you are executing this Agreement in connection with your acquisition of an existing Signature Inn-branded hotel, your obligation to make monthly payments of the Brand Fee will commence on the date you consummate the acquisition of the Hotel; you will be responsible for all booking and transaction fees incurred in connection with consumed reservations from the date of your acquisition.

(b) **Payment System.** Unless otherwise directed by us, all payments required to be provided by you to any of our affiliates or us will be effectuated by an automated payment system using automatically recurring electronic funds transfer that we initiate (“**Recurring EFT**”), also known as Auto Pay. You will authorize automatically Recurring EFT payments prior to activation in the Brand and will cooperate with us to implement and maintain the efficient process of Recurring EFT payments. You must ensure that we have up-to-date viable payment instructions (e.g., bank account and routing numbers) at all times during the Term of this Agreement. You also shall maintain such bank account(s) for such payments and shall maintain an account balance that at least covers your Brand Fee and any other fee described in [Section 3](#). You shall not alter or close any such account, except with our prior written approval. If we permit you to pay by any other means, we may require payment of an alternative payment fee that is subject to change. We may, at any time, modify the required method of payment by providing you with at least 30 days’ prior notice. Your obligation to pay amounts due to us or to any of our designees will not be suspended as a result of any interruption to your business, regardless of the cause. All amounts payable by you or your owners to us or our affiliates must be in United States Dollars (\$USD), unless we specify otherwise.

(c) **No Right of Setoff.** Your obligations to make payments in accordance with this Agreement are absolute and unconditional. They are not subject to any setoff for any reason whatsoever.

(d) **Late Charges.** If any payment under this Agreement or any other agreement between you and us is overdue for any reason you will pay to us on demand a late charge equal to the lesser of (a) 1.5% of the overdue amount or (b) the maximum rate allowed by law. If a greater amount than may be lawfully collected is inadvertently collected, it will be applied to reduce outstanding amounts owed under this Agreement. You acknowledge and agree that if you fail to pay any amounts when due, we may report your delinquent payment to credit bureaus.

(e) **Taxes.** If any gross receipts, sales, use, excise or any similar tax that is based upon gross income or revenues is imposed upon us for the receipt of any payments you are required to make to us under this Agreement, then you must also pay us, as applicable, an amount equal to such tax. If any gross receipts, sales, use, excise or any similar tax that is based upon gross income or revenues is imposed upon the payment made pursuant to this Section 4.(e), the amount due under this Section 4.(e) will be an amount such that the net amount retained by us, after payment of such tax, equals the tax imposed on all payments made under this Agreement.

(f) **Booking Fees and Commissions.** You are responsible for the payment of all booking fees, reservation fees and commissions incurred in connection with the operation of your Hotel, whether payable directly to a third-party or advanced by us to such third-party and billed to you. You agree to timely pay all such fees and commissions. A summary of the currently applicable booking fees and commissions is set forth on Schedule 4.(f). These booking fees and commissions are subject to change.

(g) **Rebates.** You acknowledge that suppliers from which you choose to acquire products or services may pay us rebates, or provide us with other benefits, based on your purchases of those products and services.

5. **Our Duties.** We will consult with you, assist you, and provide certain services to you (as long as you are not in default under this Agreement), as follows:

(a) **Central Reservation System.** We will provide you with access to the brand-designated CRS. The Hotel may not book reservations through any other electronic reservation system, booking engine, unapproved third-party distribution system, or other technology. Prior to the Opening Date, we will gather all information we need from you to build your Hotel into the CRS. We reserve the right to change, modify or eliminate the CRS at any time.

(b) **Brand Training.** Prior to opening your Hotel, or within 90 days of activating your Hotel in our system, we will provide initial brand training for one of your Hotel Representative(s), which person must complete the initial brand training to our satisfaction. “**Hotel Representative**” refers to your general manager or other representative having equivalent authority and responsibilities (such as your owner). We will conduct initial brand training virtually, or at a location we designate, as we may determine in our discretion. The initial brand training typically will consist of up to four (4) days of training (although the specific number of days depends on our opinion of your Hotel Representative’s experience and needs). If space permits, we may allow you to send additional attendee(s) to the initial brand training. If we determine that your Hotel Representative cannot complete initial brand training to our satisfaction, we may terminate this Agreement. You will pay our initial brand training fee (currently, \$1,500). You also will be responsible for our personnel’s travel and living expenses, and your employee’s travel and living expenses, wages, and workers’ compensation insurance while attending training, if applicable.

The initial brand training program will cover material aspects of operating a Brand Hotel including (a) brand culture, (b) the loyalty program and certain related software, and (c) brand programs, marketing, and sales.

We may require that select personnel, in addition to your Hotel Representative, complete our required training within a designated time period, prior to or after your Opening Date. All training must be completed to our satisfaction and verification of successful completion must be presented upon our request.

You (or your Principal) (as defined in Section 13.(c)(v)) may request additional training at the end of the initial brand training program, to be provided at our then-current fees if your Hotel Representative does not feel sufficiently trained in the operation of a Brand Hotel. We and you will jointly determine the duration of this additional training. However, if your Hotel Representative completes our initial brand training program to our satisfaction and you have not expressly informed us in writing at the end of that program

that your Hotel Representative does not feel sufficiently trained in the operation of a Brand Hotel, then your Hotel Representative will be deemed to have been trained sufficiently to operate a Brand Hotel. Attendance will not be required for more than five (5) days during any calendar year. You agree to pay all costs to attend, including the attendance fees we then charge. You will also have access to our IT Help Desk for support with one email account we provide and our owner's information portal.

We may require your Hotel Representative(s), you (or your Principal), and/or previously trained and experienced employees to attend and complete to our satisfaction various training courses that we periodically choose to provide at the times and locations that we designate, including courses and programs provided by third parties we designate. You will pay our then-current ongoing training fees for such training (currently (i) \$2,000 per day, plus our personnel's travel costs and expenses for in-person, on-site training, and (ii) \$200 per hour of training for virtual training). We will not require attendance at more than two such courses, or for more than a total of three (3) business days, during a calendar year. Besides attending these courses, you agree to attend the Brand Conference each year at a location we designate. All training and the Brand Conference may be held virtually, in our sole discretion.

If at any time during the Term your trained Hotel Representative is no longer employed by you, a new Hotel Representative must complete to our satisfaction our then current initial brand training program. We may charge our then current training fee for training new Principals and Hotel Representatives. You also agree to pay all travel and living expenses which your Principal or Hotel Representative(s) incurs during all training courses and programs.

You acknowledge and agree that any specific ongoing training or advice we provide does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which we may discontinue and modify from time to time. We reserve the right to require any of your employees attending training to sign a confidentiality agreement.

(c) **Brand Manual.** We will provide you, for your use during the Term, with one or more documents or guides commonly referred to as the brand standards manual together with supporting documentation (collectively, the "**Brand Manual**"). The Brand Manual may include the Brand Standards and information on suggested procedures and your other obligations under this Agreement. We may change the Brand Manual periodically. We may provide the Brand Manual in an electronic medium, including by download from our website.

(d) **Brand Conference.** We will convene a Brand conference (the "**Brand Conference**") no less frequently than every 18 months, at which Brand Franchisees may gather to network and participate in educational seminars. If you have paid all of your Conference Fees in accordance with this Agreement, one of your representatives may attend the Brand Conference for no additional registration fee, and you will be solely responsible for your attendees' expenses of travel, lodging, certain meals, and other out-of-pocket costs (as well as the registration fee for each additional attendee).

(e) **Marketing.** Periodically, we may include your Hotel, or cause your Hotel to be included in (i) national or regional group advertising of some or all Brand Hotels, and (ii) international, national and regional market programs offered by us subject to and in accordance with our general practice for Signature Inn-branded hotels. We may modify references to the address of your Hotel to help optimize marketing programs and opportunities; provided, however, if there is a significant change in a reference to your Hotel's address, we will confer with you, but we will have sole discretion in how your Hotel's address is referenced.

We may pay for various expenses and programs that, in our view, benefit, in the short-term or the long-term, the Network Brands (defined below), but we are not obligated to do so. We may enter into arrangements for development, marketing, operations, administrative, technical and support functions, facilities, programs, services or personnel with any other entity, including our affiliates. Any expenditures are intended for the benefit of the Network Brands.

"**Network Brands**" refers to each of the following brands, and their various extensions: The James®, Sonesta® Hotels and Resorts, Royal Sonesta®, Sonesta ES Suites®, Sonesta® Simply Suites, Sonesta® Select, Sonesta Essential™, Red Lion Hotel® and Red Lion Inn & Suites®, Hotel RL®, Lexington®, Jameson Inn®, Americas Best Value Inn®, Country Hearth Inn®, SignatureSM, Signature InnSM, GuestHouse®, GuestHouse Extended StaySM, Canadas Best Value InnSM, 3 Palms Hotels &

Resorts®, America's Best Inn®, Knights Inn® and any other brands that we or our affiliates own, license, create or acquire from time to time.

(f) ***Third-Party Distribution Program.***

(i) We participate in most major distribution channels and have established enterprise-level agreements with many leading intermediaries for various distribution channels, pursuant to which such distribution channels and online travel agencies, or OTAs, will offer your hotel room inventory through their websites including, in some cases, rooms at our loyalty program member rates (the "**Third-Party Distribution Program**"). You must participate in the Third-Party Distribution Program under the terms and conditions we have negotiated, including pricing terms. You are responsible for the payment of all reservation fees, including third-party booking fees, global distribution system ("**GDS**") fees, and fees associated with the CRO (call center) and CRS, in connection with stays booked at your Hotel through their websites. Those fees are subject to change by the applicable third parties.

(ii) You must connect to all third parties through our CRS, unless such third-party does not directly or indirectly offer interfaces for the CRS. You may not bypass the CRS by connecting such third-party distribution channel to your PMS. You must maintain rates and inventory in the CRS on a rolling 12-month basis. If you fail to maintain rates and inventory on a rolling 12-month basis, you will be given seven (7) days' written notice to do so, after which, we will extend your rates on your behalf. Upon our first written notice to you for failing to maintain rates and inventory on a rolling 12-month basis, you must pay us a fee of \$250. For repeated occurrences requiring additional notice to you, we may charge you additional fees. You may request that we assist you with updating the CRS rate and inventory database for an additional reservation system maintenance fee of \$150 per occurrence (e.g., rate changes; inventory adjustments; non-emergency CRS close-outs).

(g) ***Approved Products, Services, and Suppliers.*** We and our affiliates reserve the right to periodically designate and approve standards and specifications of the furniture, fixtures, and equipment and the products and services that we periodically authorize for use at your Hotel. We and our affiliates also reserve the right to designate and may approve, from time to time, manufacturers, vendors, distributors, suppliers, and producers (collectively referred to herein as "**vendors**"), terms, and distribution methods for any goods or services (which include, but are not limited to, services, insurance, products, equipment, supplies, and materials). You shall purchase all goods and services required for the operation of your Hotel in accordance with the standards and specifications we periodically set, and from approved or designated vendors if we have specified approved or designated vendors for a particular good or service (which we may concentrate purchases with one or more vendors to obtain lower prices, better advertising support, and/or better services for any group of franchisees for any given good or service, which may be us or an affiliate) under terms, in the manner, and from the source designated by us or any of our affiliates. We may, at our option, arrange with approved vendors to collect or have our affiliates collect fees and expenses associated with goods and services they provide to you and, in turn, pay the vendor on your behalf for such goods or services. If we elect to do so, you agree that we or our affiliates may auto-debit your bank account for such amounts in the same manner and using the same authorization that you grant us with respect to payment of Brand Fees and other fees. We or any of our affiliates may be a supplier, distributor, or otherwise party to these transactions, and may derive revenue or profit from such transactions. We and any of our affiliates may use such revenue or profit without restriction.

In the event you desire to purchase equipment, products, services, supplies, or materials, or from vendors, other than those previously approved by us and our affiliates, you shall, prior to purchasing any such equipment, products, services, supplies, or materials, or from such vendor, give us a written request to approve such change and submit to us all information, specifications, and samples that we request. Any goods or services from vendors must be in accordance with the then-current Brand Standards. Our approval of any products, services, supplies, materials, or vendors must be made by us in writing and may also be conditioned on requirements relating to the frequency of delivery, standards of service, including prompt attention to complaints, concentration of purchases and other criteria, and may be conditioned on the vendor providing us with adequate insurance protection, the vendor's execution of reasonable indemnity and confidentiality agreements, and the vendor's payment of reasonable license fees to us if the Marks are to be used, and may be temporary or conditional, pending our further evaluation of the vendor. We and our affiliates may, for any reason, withhold or revoke approval of a good, service or vendor at any time, and

you must discontinue using the good, service or vendor that we disapprove promptly upon receiving our written notice of disapproval. You acknowledge and agree that suppliers may share your data with us, including your purchase history and quantities purchased, to facilitate discount programs, to allow us to enforce compliance with this Agreement or otherwise. You agree to take all actions or sign all documentation reasonably requested by us or the third-party supplier to allow such exchange of information.

From time to time, we may require you to enter into, and comply with all of the provisions of, agreements with certain designated suppliers or vendors. The terms of each of these agreements may not be amended by you in any manner and may be subject to change by the third parties without notice.

WE MAKE NO WARRANTY WITH RESPECT TO ANY PRODUCTS, SERVICES, EQUIPMENT, SUPPLIES OR OTHER ITEMS WE APPROVE AND WE EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO ANY SUCH PRODUCTS, EQUIPMENT, SUPPLIES, OR OTHER APPROVED ITEMS.

(h) **Loyalty Program.** We may administer and manage loyalty programs that will provide participating guests of your Hotel with certain rewards or benefits when staying at your Hotel. Such loyalty programs may apply specifically for the Brand or any or all of the Network Brands. Currently, Brand Franchisees participate in our loyalty program referred to as Hello Rewards. We may modify or discontinue any loyalty program at any time at our sole discretion. You must participate in and honor the terms of any and all loyalty, discount or other promotional program applicable to Brand Franchisees and pay all applicable fees or charges associated with such programs (including any fees assessed by us, room discounts given to guests, or rewards provided to guests, that are applicable to your Hotel) that we offer to the public on your behalf and any room rate quoted to any guest at the time the guest makes an advance reservation. You agree that you will take all action necessary to participate in any loyalty program, and that you will grant us all necessary rights in and to any photographs, video and/or other marketing materials that we may require in order to reasonably undertake such programs on behalf of your Hotel.

(i) **Call Center and Consumer Booking.** We will provide you access to the CRO (call center) and include you in our consumer booking website (currently, www.redlion.com).

(j) **Duties Solely to You; Delegation of Duties.** All of our obligations under this Agreement are owed solely to you. No other party may rely on, enforce, or obtain relief for breach of such obligations either directly or by subrogation. You acknowledge and agree that we have the right to delegate the performance of any portion or all of our obligations under this Agreement to third-party designees, whether these designees are any of our present or future owners, subsidiaries or affiliated entities, our agents, or independent contractors with whom we have contracted to perform these obligations.

6. **Websites and Internet Marketing.** You may not register, own, maintain or use any domain name, website, email address, social media account, username, other online presence or presence on any electronic medium of any kind (collectively, "**Online Presence**"), relating to the Brand or the Hotel or that includes any service marks of the Network Brands that we own and license to franchisees ("**Network Marks**"), except as approved in advance by us in writing. As a general rule, we do not permit franchisees to maintain vanity or other independent Online Presences for Signature Inn-branded hotels. You may not list the details or contact information of your Hotel on any vanity or other independent websites or other Online Presence, including any OTAs without our prior written approval. You must establish any Online Presence that we may require and only establish any other Online Presence that we authorize. All use of Online Presences must be in accordance with the Brand Standards and our other guidelines, including the implementation and maintenance of or compliance with privacy policies, as applicable. Given the changing nature of this technology, we have the right to withhold our approval, and to withdraw any prior approval, and to modify our requirements, at our sole discretion. You acknowledge and agree that the restrictions on your use of the Brand, the Marks and the Network Marks will survive the expiration or earlier termination of this Agreement and that we retain the right to pre-approve your use of linking and framing between your Internet (or other network) web pages and all other websites as further described below. We have the right to determine the content and use of online or electronic media associated with any of the Marks or Network Marks. You may not participate in any Online Presence that markets goods and services under the Marks

or Network Marks unless it is first approved in writing by us. We will establish and host three e-mail addresses for your Hotel. You may not use any other e-mail addresses in the operation of your Hotel.

You acknowledge that you may not, without a legal license or other legal right, post on your Online Presence any material in which any third-party has any direct or indirect ownership interest (including video clips, photographs, sound bites, copyrighted text, trademarks or service marks, or any other text or image in which any third-party may claim intellectual property ownership interests). You also agree to incorporate on your Online Presence any other information we require in the manner we deem necessary to protect the Marks and Network Marks.

We will own the rights to each Online Presence. At our request, you agree to grant us access to each such Online Presence, and to take whatever action (including signing assignment or other documents) we request to evidence our ownership of such Online Presence, or to help us obtain exclusive administrative rights in such Online Presence. Upon the expiration or termination of this Agreement, you must irrevocably assign and transfer to us (or to our designee) all of your right, title and interest in any domain name listings and registrations and other Online Presence which contain any references to the Network Marks, and must notify the applicable domain name registrar(s) or other third-party of the termination of your right to use any domain name or Online Presence associated with the Network Marks, and will authorize and instruct the cancellation or transfer of the Online Presence to us (or our designee), as directed by us. You must also delete all references to the Network Marks or Brand from any other Online Presence you own, maintain or operate beyond the expiration or termination of this Agreement.

Provided we have reviewed and approved the content of your Hotel's informational web pages, we will provide you the right, at your expense, to have your Hotel's informational web pages linked from the Brand information web page we maintain.

Your use of all Online Presence shall be subject to the Brand Standards as we may implement during the Term. You must adhere to our Online Presence guidelines and procedures that include but are not limited to: appropriate content, relevance, behavior related to communications, frequency and responsiveness to communications, etiquette, naming conventions, use of the Marks and posting messages or commentary on third-party websites. We must approve your social media pages and they shall be linked to the Brand social media pages we maintain. We have the right to require you to remove your social media page(s) if you fail to comply with our guidelines and procedures, as they may change from time to time.

7. Your Duties.

(a) Hotel Development.

(i) If you are converting an existing hotel into a Brand Hotel, you will execute the Conversion Rider, attached hereto as Exhibit D-1, simultaneously with this Agreement.

(ii) If you are constructing a new Brand Hotel, you will execute the New Construction Rider, attached hereto as Exhibit D-2, simultaneously with this Agreement.

(b) Conditions Precedent to Opening. You will not operate the Hotel as a Brand Hotel or otherwise hold yourself out as being affiliated with the Brand until:

(i) we notify you in writing that your Hotel meets our Brand Standards and specifications;

(ii) you have obtained all applicable licenses and permits;

(iii) you have complied with our training and Brand introduction requirements (unless we have agreed in writing to allow you to complete them after the Opening Date);

(iv) you hire a staff to operate your Hotel and train such staff to protect the Marks in compliance with the Brand Standards;

(v) you have complied with all your development obligations specified in Exhibit D-1 or Exhibit D-2, as applicable, and we notify you in writing that your Renovation Work (as defined in Exhibit D-1) or Construction Work (as defined in Exhibit D-2), as applicable, has been completed to our satisfaction;

(vi) you have provided to us, and otherwise cooperated with us to gather from external sources, on a timely basis, information about your Hotel to enable us to represent your Hotel on any designated websites and in a global distribution system and other tour and travel distribution outlets;

(vii) the Initial Fee has been paid in full and you pay other amounts then due to us and our affiliates;

(viii) you provide us with all requested documentation, including but not limited to certificates for all required insurance policies; and

(ix) you satisfy any other conditions that we reasonably impose.

You agree to open your Hotel for business by the date set forth on Exhibit A (the “**Opening Date**”), unless we otherwise agree in writing. If you are acquiring an existing Brand Hotel, the Opening Date will be the date you close on the acquisition of the existing Brand Hotel.

Opening your Hotel under the Marks before we authorize you to open will constitute unauthorized use of the Marks and a material breach of this Agreement. Recognizing the difficulty of ascertaining damages for such a breach, you agree to pay to us, as liquidated damages, solely for the damage to Marks, and not as a penalty, \$5,000 per day to compensate us for the damage to the Marks. You also agree to reimburse us for our costs, including attorneys’ fees, incurred in enforcing our rights. These damages do not limit any other remedies we may have, at law or in equity.

(c) **Use of the Premises.** Without our consent, you will not use or permit the use of the Premises for any purpose other than operating the Hotel and you will not use any trademarks or service marks on the Premises or to operate the Hotel other than the Marks and any others we may designate in writing.

(d) **Operational Requirements.** To ensure that the highest degree of quality and service is consistently maintained, you must operate the Hotel in conformity with our mandatory specifications, standards, operating procedures, and rules that we periodically prescribe for constructing, equipping, furnishing, supplying, operating, maintaining and marketing Signature Inn-branded hotels, including your Hotel (collectively, the “**Brand Standards**”). You must actively participate in any loyalty program established for the Brand, all of the Network Brands, or a select group of the Network Brands (including paying program-associated fees that may be imposed by or in connection with the program and providing guest discounts). Once you have commenced operating the Hotel, you must actively and continuously operate the Hotel for the entire duration of the Term. You agree to participate in all distribution channels that we deem appropriate and maintain inventory and price parity among the various distribution channels. If we maintain a brand-level or corporate-level agreement with any distribution channel (such as Expedia, Travelocity, or any other online travel agency), you authorize us to enter into a sub-agreement or participation agreement with any distribution channel on your behalf. You must ensure, on an ongoing basis, that the description of your Hotel and its amenities, features, and rooms, including those you believe make the Hotel and its premises accessible to persons with disabilities, is current and accurate in the CRS, on any Online Presence, and in any third-party distribution channels. You must participate in quality assurance and customer satisfaction programs.

(e) **Property Management System.** Before commencing operation of the Hotel, you will ensure that the Brand-designated PMS is installed at the Premises. You will not maintain any PMS other than the PMS we designate in connection with the operation of the Hotel and all OTAs and other distribution channels must be connected to our CRS, or, if no connectivity is available for a particular distribution channel, through the designated PMS, unless directed or approved by us in advance in writing. You must enable the PMS to provide direct full two-way connectivity with our CRS and loyalty program. You will pay a one-time reservation implementation fee of \$445 upon the Hotel becoming active in the CRS and a monthly interface fee, both of which are charged by our third-party CRS provider but invoiced and collected by us. If we change the Brand-designated PMS in the future, you may be required to purchase, lease or license new or modified computer hardware, software and PMS.

The PMS software will provide us with complete real-time cloud-based or web-based access (read only). You will provide any assistance we require to allow us to independently access and retrieve, at any time, such data and information from your PMS as we, at our discretion, deem necessary, desirable or advisable, and you expressly authorize us to do so. You are exclusively responsible for the cost of such access and retrieval. You acknowledge that we have the right to use such data and information (whether

we retrieve it from your PMS or it is transmitted to the CRS from your PMS) for any lawful purpose so long as we comply with all applicable laws and our consumer privacy policy then in place. Notwithstanding the foregoing, we will not sell or rent such data and information to any third-party without your prior written approval unless it is part of a set of aggregated data that does not identify your Hotel, the data specifically associated with your Hotel or you.

You must process all reservations through the PMS and report all no-shows and cancelled reservations for which revenue was received (other than cancellation fees or deposits, which also must be processed through the PMS). Any failure to do so will constitute a material breach of this Agreement.

Your PMS and merchant processor must utilize tokenization provided by an approved vendor.

(f) **Employees.** You are solely responsible for making and performing all employment decisions and functions, including those related to recruiting, hiring, firing, compensation, work hours and schedules, work assignments, safety and security, training, disciplining, and supervising. Under no circumstances will your employees or other persons working at the Hotel be deemed to be employees of any of our affiliates or us.

(g) **Compliance with Laws, Rules, and Regulations.**

(i) You will comply with all applicable federal, state, and local laws, rules, and regulations, including, without limitation, antiterrorism laws.

(ii) Unless any order issued by any federal, state, or local authority requires closure of the Hotel, you will not close the Hotel unless you obtain our prior written consent. You will timely obtain, maintain, and renew when required any and all permits, certificates, licenses or franchises necessary for the full and proper conduct of the Hotel under this Agreement. No assistance, guidance, standards, or requirements that we provide you constitute a representation or warranty of any kind, express or implied, that your Hotel is compliant with federal, state, or local laws, rules, or regulations.

(iii) Without limiting the generality of anything in this Section 7.(g)(iii), you will comply with the Americans with Disabilities Act (“**ADA**”) to the extent it applies to the Premises and the improvements constructed thereon. Prior to the Opening Date, and as of each anniversary of the Opening Date (or such other period of time as we may specify in writing), we may require you to certify to us (via an architect, general contractor, or recognized ADA standards consultant reasonably acceptable to us), on a form satisfactory to us, that the Premises is ADA compliant.

(iv) You must immediately provide us with a copy of any and all notices and correspondence that you receive from any person, entity, or government authority claiming that you or your Hotel may have violated any laws, regulations, permits, licenses, or agreements, or that an audit, investigation, or similar proceeding has been threatened and/or commenced against you or your Hotel.

(h) **Information Security.** You must implement, at a minimum, all industry-standard administrative, physical and technical safeguards advisable to protect any information that can be used to identify an individual, including names, addresses, telephone numbers, e-mail addresses, employee identification numbers, signatures, passwords, financial information, credit card information, biometric or health data, government-issued identification numbers and credit report information (“**Personal Information**”). You must use best efforts to protect guests against a cyber-event, identity theft or theft or other inadvertent disclosure of Personal Information. No assistance, guidance, standards, or requirements that we provide you constitute a representation or warranty of any kind, express or implied, that your Hotel is compliant with federal, state, or local laws, or acceptable industry standards. It is your responsibility to confirm that the safeguards you use to protect Personal Information comply with all laws and industry best practices related to the collection, access, use, storage, disposal, and disclosure of Personal Information. You will ensure that all necessary consents have been obtained in order to use, and to transfer or disclose to us any Personal Information (as defined in the applicable privacy legislation). If you become aware of a suspected or actual breach of security or unauthorized access involving Personal Information, you will notify us immediately and specify the extent to which Personal Information was compromised or disclosed. You also agree to follow our instructions regarding curative actions and public statements relating to the breach.

(i) **Insurance.** You will at all times comply with the insurance requirements set forth in Schedule 7.(i).

(j) **Guest Relations Program.** Your staff and you will treat guests and other members of the public with courtesy and respect, and will attempt to resolve all guest complaints promptly and to the guests' reasonable satisfaction. If we become aware of a guest complaint, we will notify you of the same by e-mail; you will have five days from the date of that e-mail to respond with an explanation of the issue and your proposed resolution. If we disagree with your proposal, we may address the guest complaint on your behalf and in the best interests of the Brand. You will pay us a \$25 fee for every guest or other complaint we receive. If the issue raised is not resolved to our satisfaction within 48 hours of our communication to your Hotel, then the fee will be raised to \$75 per issue. If it becomes necessary for us to resolve it, then the fee will be raised to \$125 per issue, plus we will charge you the cost of the resolution. Repeated guest complaints (whether or not resolved) may result in your suspension under Section 11.(a) or termination of this Agreement.

(k) **Online Review Response Program.** If you do not respond to any negative online review within 72 hours of the posting of such review, we (or our designee) may respond (either directly or indirectly on your behalf), in which case you will pay us \$39 to \$150 for each response. These fees may be increased based on the frequency and nature of complaints and negative online reviews and your responsiveness (e.g., the time it takes you to respond to guest reviews). Repeated negative online reviews (whether or not responded to) may result in your suspension under Section 11.(a) or termination of this Agreement.

(l) **Local Marketing.** You must provide us, for our approval, all materials to be used for local marketing (and all other advertising and promotional materials and Online Presence), unless they have already been approved or consist solely of materials provided by us. If, within 10 business days from the date we receive such submitted materials, you do not receive our approval of your proposed materials, they are considered disapproved. All materials on which the Marks are used must include the applicable designation service mark SM, trademark TM, registered trademark [®], copyright [©], or such other designation as we may specify. If, in our judgment, such materials or advertising may injure or harm the Brand, we may notify you to withdraw or discontinue the use of any advertising or promotional materials or Online Presence, even if previously approved. Within five days after delivery of such notice, you must withdraw and discontinue use of the relevant advertising and promotional materials or use of such Online Presence.

(m) **Products and Services the Hotel Offers.** You agree that you (1) will offer and sell from your Hotel the products and services that we periodically specify or otherwise authorize; (2) will not offer or sell at your Hotel or any other location any products or services we have not authorized; and (3) will discontinue selling and offering for sale any products or services that we at any time disapprove.

(n) **STR Reporting Requirement.** You will report your rooms sold and Gross Rooms Revenue to STR (formerly Smith Travel Research) on a monthly basis. "**Gross Rooms Revenue**" means all revenue calculated based on the sale or rental of Guest Rooms of the Hotel, whether or not collected, including guaranteed no-show revenue, revenue calculated on reservations cancelled outside of your Hotel's cancellation policy or outside of the reservation channel in which it was made, credit transactions, and the proceeds from any business interruption insurance applicable to loss of revenues due to the non-availability of Guest Rooms. Excluded from Gross Rooms Revenue are allowances for any Guest Room rebates and overcharges; separate charges to guests for food and beverage, and room service; actual telephone charges, key forfeitures, and entertainment fees (including Internet fees and commission); vending machine receipts; and federal, state, and local taxes collected directly from patrons or guests.

(o) **Professional Photography.** You must hire a professional photographer to take photographs of your Hotel prior to the opening of your Hotel. If at any time during the Term your Hotel undergoes significant revisions, or you make improvements in accordance with an issued PIP that we issue to you, we may require you to hire a professional photographer, approved by us and at your expense, to conduct an additional photo session for your Hotel.

8. Records, Reports, and Financial Statements. You agree to establish and maintain at your own expense a bookkeeping, accounting, and recordkeeping system conforming to the requirements and formats we prescribe from time to time. You agree to provide us with the following:

(a) Within 60 days after the end of each fiscal year, a balance sheet and profit and loss statement for your Hotel as of the end of that fiscal year, prepared in accordance with generally accepted accounting

principles. We reserve the right to require that you have these financial statements, and the financial statements of any prior fiscal years, audited by an independent accounting firm designated by us in writing;

(b) within ten days after our request, exact copies of federal and state income tax returns, sales tax returns, and any other forms, records, books, and other information we periodically require relating to your Hotel;

(c) at our request, current financial information for your guarantors sufficient to demonstrate such guarantors' ability to satisfy their financial obligations under their individual guarantees; and

(d) such other information and reports as we request from time to time.

We may disclose data derived from these reports for any reason we deem necessary or appropriate, including making a financial performance representation in our franchise disclosure document. Moreover, we may, as often as we deem appropriate (including daily), access your bookkeeping, accounting, and recordkeeping systems and retrieve all information relating to the operation of your Hotel. You agree to preserve and maintain all records in a secure location at your Hotel for at least seven years (including sales checks, purchase orders, invoices, payroll records, customer lists, check stubs, sales tax records and returns, cash receipts and disbursement journals, and general ledgers), or for any longer period that may be required by law.

9. **Proprietary Property.**

(a) **Definitions of Marks and Proprietary Property.** "Marks" means the service mark Signature InnSM and all other trademarks, service marks, trade names, logos, and commercial symbols that we authorize you to use as part of the Brand. "Proprietary Property" means the Marks, Confidential Information (defined in Section 9.(c)), Brand Standards and copyrighted (or copyrightable) or trade secret information of our affiliates or of us that you may use under this Agreement.

(b) **Your Use of the Proprietary Property.** You may use the Proprietary Property only in accordance with the Brand Standards and as permitted by this Agreement and the attached Schedule 9.

(c) **Confidential Information.**

(i) To protect our reputation and goodwill, you will conduct your Hotel in accordance with the Brand Standards, including those contained in the Brand Manual and other writings provided by us. The Brand Standards are an integral part of this Agreement and have the same force and effect as if fully set forth in this Agreement. In connection with your franchise under this Agreement, you and your owners and personnel may from time to time have access to, be provided with, or otherwise be exposed to certain information about the Brand and the operation of Brand Hotels, including your Hotel (some, but not all, of which may be "trade secrets" under applicable law), that we consider and protect as confidential (regardless of whether they are marked as such), including the following (collectively, the "**Confidential Information**"): (a) the Brand and the know-how related to its use; (b) plans, specifications, size and physical characteristics of Brand Hotels; (c) site selection criteria and site development methods; (d) methods in obtaining licensing and meeting regulatory requirements; (e) sources and design of equipment, furniture, forms, materials and suppliers; (f) information regarding potential marketing, advertising and promotional programs and strategies related thereto, and analyses of the performance and results of such programs once implemented; (g) training programs and methods; (h) any computer software we make available or recommend for Brand Hotels; (i) methods, techniques, formats, specifications, procedures, information, guest data, and systems related to and knowledge of and experience in the development, operation and franchising of Brand Hotels; (j) knowledge of specifications for and suppliers of certain materials, supplies, furniture, furnishings and equipment; (k) knowledge of operating results and financial performance of Brand Hotels (including your Hotel); (l) e-commerce related data (e.g., guest data, click-stream data, cookies, user data, hits and the like); and (m) patent rights that have not been disclosed in any public filing. At all times, you and your owners must maintain the confidentiality of the Confidential Information. Without our prior consent, you will not copy, record, or otherwise reproduce any of the Confidential Information, in whole or in part. You acknowledge that any unauthorized use or disclosure of Confidential Information would be an unfair method of competition and a breach of trust and confidence and will result in irreparable harm to our affiliates and us.

(ii) You agree that you and your owners will adopt and implement reasonable procedures to prevent unauthorized use or disclosure of Confidential Information, including by establishing reasonable security and access measures, restricting its disclosure to key personnel, and/or by requiring persons who have access to the Confidential Information to execute a non-disclosure agreement that we approve.

(iii) We may periodically combine, update, amend, revise and change the Brand Standards. You will comply with each new or changed provision and the current version periodically in effect will supersede all prior versions. We may notify you of updates to the Brand Standards by posting them on our intranet, or in any other manner we elect. In the event of any dispute as to the contents of the Brand Standards (including those contained in the Brand Manual), the terms contained in the standards we maintain at our home office are controlling.

(iv) We may, at our discretion and as we may deem in the best interests of all concerned in any specific instance, vary standards for any Brand Franchisee based upon the particular site or circumstances. You are not entitled to any similar variation under this Agreement.

10. **Transfers.**

(a) **Transfer by Us.** We maintain a staff to manage and operate the Brand and staff members can change as employees come and go. You represent that you have not signed this Agreement in reliance on any particular manager, owner, director, officer, or employee remaining with us in any capacity. We may change our ownership or form or assign this Agreement and any other agreement to a third-party without restriction.

(b) **Transfer by You.**

(i) Unless otherwise expressly permitted by this Agreement, without our prior consent, you may not sell, assign or otherwise dispose of this Agreement or any direct or indirect interest in this Agreement, your Hotel or substantially all of its assets. Any purported or attempted transfer by you—by operation of law or otherwise—in violation of this Agreement is null and void, and a material breach of this Agreement. Notwithstanding the foregoing, we will not unreasonably withhold, condition, or delay our consent to a transfer if all of the conditions of Section 10.(b)(iv) are satisfied.

(ii) You will provide us with at least five days' prior written notice of any transfer of voting or ownership interests in you if you are an Entity, or in any of your owners if such owners are Entities, and a transfer of 33% or more of such voting or ownership interests—individually or in the aggregate, directly or indirectly—is considered a transfer of an interest in this Agreement by you, as is a transfer of a material portion of your assets.

(iii) Neither you nor your owners (or their respective owners) may create, permit, or suffer a lien against, or pledge, mortgage, hypothecate, grant a security interest in, or in any manner encumber this Agreement (or any interest in this Agreement). Each of the acts described in the foregoing sentence, along with any leasing of your Hotel to another individual or Entity, shall be considered a transfer of an interest by you under Section 10.(b)(i).

(iv) If you (and your owners) are in full compliance with this Agreement, then you may request our consent to a proposed transfer. We will give your request reasonable consideration but may condition our consent on compliance with certain requirements, including the following:

- (A) all your accrued monetary obligations and all other outstanding obligations to our affiliates and to us have been satisfied;
- (B) you are not in default under any provision of this Agreement or any other agreement between you and us, our affiliates, or any supplier or vendor;
- (C) you have executed a general release of all claims against us, our affiliates, and our and their respective officers, directors, owners, representatives, agents and employees;
- (D) you provide us all information or documents we request about the proposed transfer, the transferee, and its owners;

- (E) the transferee enters an assumption agreement, in form and substance satisfactory to us, under which it assumes all of your obligations under this Agreement; or, if we require, the transferee enters the form of franchise agreement we then offer to new Brand Franchisees (for a term at least equal to the then remaining Term of this Agreement) and such other ancillary agreements as we may require;
- (F) the transferee or you pay us a transfer fee equal to our then-current Initial Fee for new Brand Franchisees (the “**Transfer Fee**”);
- (G) the transferee has satisfactorily completed our application procedures and meets our criteria for new Brand Franchisees in effect at that time;
- (H) the transferee has or you have completed all maintenance, refurbishing, renovating, and upgrading of the Hotel required to conform the Hotel to the Brand Standards then in effect (or the transferee has agreed to a PIP with a time-frame for completion acceptable to us);
- (I) if the Premises is leased, the landlord allows you to transfer the lease or sublease the Premises to the transferee;
- (J) if your owners or you finance any part of the purchase price, we reserve the right to require that you and your owners subordinate any of the transferee's obligations under promissory notes or agreements with you or your security interests reserved in your Hotel, to the transferee's obligation to pay Brand Fees, PMS-to-CRS Enhanced Connectivity Fees, Conference Fees, Revenue Management Insights Fees, Operations Insights Fees and other amounts due to us, our affiliates, and third-party vendors and otherwise to comply with this Agreement;
- (K) you and your transferring owners will not directly or indirectly at any time or in any manner (except with respect to other hotels you own and operate) identify yourself or themselves or any business as a current or former Hotel or as one of our Brand Franchisees; use any Mark, any colorable imitation of a Mark, or other indicia of a Hotel in any manner or for any purpose, including in advertising any prospective transfer that would require our approval under Section 10.(b); or utilize for any purpose any trade name, trade or service mark, or other commercial symbol that suggests or indicates a connection or association with us;
- (L) the timing of the transfer is reasonably acceptable to us;
- (M) the transferee provides us with an insurance certificate for the Hotel that complies with the requirements under Section 7.(i);
- (N) you have paid us any past due balance owed by you; and
- (O) the transferee and you timely satisfy any other conditions we reasonably impose.

Upon any transfer of voting or ownership interests in you if you are an Entity, or in any of your owners if such owners are Entities, you or your transferee must immediately pay us an onboarding administration fee in the amount of \$1,000 for such transfer for the onboarding services we provide in connection with new ownership of the Hotel. This subsequent onboarding administration fee applies to each transfer and is subject to change in our sole discretion.

Our approval of a proposed transfer is not an expression of our opinion concerning the appropriateness or fairness of the terms of the transfer or the likelihood of the transferee's success. Notwithstanding anything in this Agreement to the contrary, you may not make, permit, or suffer any transfer of this Agreement or any interest in this Agreement if you, or any of your direct or indirect owners, are the subject of either a voluntary or involuntary bankruptcy proceeding.

11. **Default and Termination.**

(a) **Suspension.** If you fail to comply with any obligation or requirement imposed by this Agreement and you fail to cure such default within two days, unless a longer cure period is specified in a notice of default we deliver to you, then, without any further notice to you, (i) you will immediately be suspended from the CRS, and (ii) we have the right, at our sole discretion, to suspend your access to any revenue-generating or revenue-related programs (such as group and corporate leads, and Revenue Management

Insights). However, all fees continue to accrue during the suspension period. We will reinstate your rights only if you: (a) take all actions necessary to correct any deficiencies detected during any quality assurance inspection visits, or cure such default and provide evidence of cure satisfactory to us within the time frame stated in the notice, whichever is applicable; and, if required, (b) pay our then current reactivation fee. Exercising our suspension rights pursuant to this Section 11.(a) does not preclude us from exercising any other rights and remedies—including our right to terminate this Agreement pursuant to Sections 11.(b) or 11.(c)—if the applicable default has not been cured within any permitted cure period. Notwithstanding anything set forth in this Agreement, we reserve the right to immediately suspend your rights under this Agreement, without prior notice, if we reasonably believe the operation or condition of the Hotel presents a potential threat to the life or safety of any person, or if you have been cited with the violation of any health, safety, or sanitation law, ordinance, or regulation.

(b) Termination by Us—After Notice and Right to Cure. In addition to the defaults specified in Section 11.(c), you are in default under this Agreement if:

(i) you fail to pay us, any of our affiliates, or any required third-party any amount due under this Agreement or any other agreement when such amount is due, or you fail to enroll with us to initiate automatic recurring payments;

(ii) a serious or imminent threat or danger to public health or safety results from constructing, maintaining, or operating the Hotel and such threat or danger remains uncorrected for five days after we or any governmental authority deliver written notice of the threat or danger, regardless of any longer period of time that any governmental authority may have given you to cure such threat or danger, unless a cure cannot be reasonably completed in such time, in which event you will immediately begin to take all reasonable steps to cure;

(iii) you or any of your officers, directors, owners or managerial employees engage in conduct that is harmful to, or reflects unfavorably on, you, us, or the Brand; or engage in conduct that exhibits a reckless disregard for the physical or mental well-being of employees, guests, our representatives, or the public at large;

(iv) we become aware of guest complaints (whether resolved or not) that we deem to be excessive;

(v) you fail to procure or maintain any insurance required by this Agreement;

(vi) you (or any of your owners) (a) fail on three or more separate occasions within any 12 consecutive month period to comply with this Agreement, whether or not you correct the failures after our delivery of notice to you; or (b) fail on two or more separate occasions within any six consecutive month period to comply with the same obligation under this Agreement, whether or not we notify you of the failures, and, if we do notify you of the failures, whether or not you correct the failures after our delivery of notice to you;

(vii) you have three or more guest complaints that have not been resolved to our reasonable satisfaction;

(viii) you fail to comply with any Brand Standards; or

(ix) you fail to comply with any other obligation or requirement under this Agreement.

Prior to terminating this Agreement for any of the above defaults, we will provide you a notice of default briefly describing the nature of the default and the cure period, which will be five days unless a longer cure period is specified in the notice of default. Except as otherwise provided in Section 11.(c), or elsewhere in this Agreement, if any default described in a notice of default is not cured and evidence of such cure provided to us by the end of the cure period—or such longer period as applicable law may require—without any further notice to you, we may immediately terminate this Agreement. To the extent a cure is permitted under this Agreement, you have the burden of proving you properly and timely cured any default.

(c) Termination by Us—After Notice, No Right to Cure. Upon the occurrence of any of the following events, without providing you with any opportunity to cure, we may, by notice, immediately terminate this Agreement:

(i) you or any of your owners have made or make any material misrepresentation in obtaining the License, including in any franchise application submitted to us, or operating your Hotel;

(ii) you abandon the Hotel or, for more than seven consecutive days or 14 days in any calendar year, you cease to conduct the Hotel at the Premises; you lose the right to possess the Premises; or you otherwise forfeit the right to do or transact business in the jurisdiction where the Premises is located;

(iii) you fail to start operating your Hotel by the Opening Date;

(iv) you deny us the right—or otherwise interfere with, impede, or impair our exercise of our right—to inspect the Hotel or retrieve information from the PMS;

(v) any person attempts or purports to transfer any rights or obligations under this Agreement without our prior consent or otherwise breaches any of the provisions of Section 10;

(vi) any breach occurs under Section 9, or any other provisions related to Confidential Information or Proprietary Property;

(vii) you become insolvent or make a general assignment for the benefit of creditors; a petition in bankruptcy is filed by you or such a petition is filed against or consented to by you and such petition is not dismissed within 45 days; you are adjudicated as bankrupt; a bill in equity or other proceeding for the appointment of a receiver of you or other custodian for your business or assets is filed and consented to by you; a receiver or other custodian (permanent or temporary) of your business or assets is appointed by any court of competent jurisdiction; proceedings for a composition with creditors under federal or any state law is instituted by or against you; execution is levied against your operation or property, or suit to foreclose any lien or mortgage against the Premises or your other assets is instituted against you and not dismissed within 45 days; a substantial portion of your real or personal property used in the Hotel is sold after levy thereupon by any sheriff, marshal, or constable; or

(viii) you or any of your affiliates default under any other agreement with our affiliates or us (including any other franchise agreement or any agreement with any supplier or vendor) and fail to cure such default within any applicable cure period, if any.

(d) **Right to Perform.** If you default in performing any of your obligations under this Agreement, we have the right (but not the duty) to perform your obligations. If we do, you will immediately reimburse us for the actual costs of so performing. If we exercise our rights under this provision, that will not affect our right to terminate this Agreement under Sections 11.(b) or 11.(c) above.

(e) **Condemnation.** You will, at the earliest possible time, give us notice of any proposed taking of any portion of the Hotel by eminent domain. If we agree that the Hotel or a substantial part of the Hotel is to be taken, we may, at our sole discretion and within a reasonable time of the taking (within four months) transfer this Agreement to a nearby location you select. If we approve a new location, and if within one year of the closing of the Hotel you open a new hotel (or are diligently proceeding toward opening a new hotel and ultimately do so) at the new location in accordance with our specifications and in accordance with our timing requirements, then the new hotel will be deemed to be the Hotel licensed under this Agreement. If a condemnation takes place and a new hotel does not, for whatever reason, become the Hotel under this Agreement within one year of the closing of the Hotel, then we may terminate this Agreement immediately upon notice to you, and we will require you to pay us the Lost Revenue Damages under Section 12.(b).

(f) **Casualty.** If the Hotel is damaged by fire or other casualty, you will immediately notify us. If the damage or repair requires closing the Hotel, you may choose to repair or rebuild the Hotel according to the Brand Standards, provided you (i) immediately notify us, (ii) begin reconstruction within six months after closing, and (iii) re-open the Hotel for continuous business operations as soon as practicable (but in any event within 18 months after the closing of the Hotel), giving us ample advance notice of the date of reopening. The Term shall be extended the number of days the property is not open for business operations. We each have the right to terminate this Agreement, without penalty, if you elect not to repair or rebuild the Hotel.

12. **Your Obligations upon Termination or Expiration.** Upon the expiration or sooner termination of this Agreement, all rights granted under this Agreement to you terminate immediately, and the provisions of this Section 12 apply to the rights and obligations of the parties.

(a) **Payment of Outstanding Amounts.** Within 10 days after the effective date of termination or expiration, you will pay all Brand Fees, PMS-to-CRS Enhanced Connectivity Fees, Conference Fees, Revenue Management Insights Fees, Operations Insights Fees, amounts owed for products or services you purchased from our affiliates or us, and all other unpaid amounts you owe to us, our affiliates and all suppliers and vendors.

(b) **Lost Revenue Damages.**

(i) If we terminate this Agreement pursuant to Sections 11.(b) or 11.(c), or you terminate this Agreement without cause, you will pay us a lump-sum payment equal to the Brand Fees, Conference Fees, PMS-to-CRS Enhanced Connectivity Fees, Revenue Management Insights Fees and Operations Insights Fees payable for the period from the termination date through the end of the Term (“**Lost Revenue Damages**”). This is not a penalty, but a bona fide estimate of our liquidated damages arising from such early termination. You and we agree that the calculation described in this Section is a calculation only of the damages that we would suffer due to the loss or interruption of the revenue stream we would have derived from your continued payment of Brand Fees, Conference Fees, PMS-to-CRS Enhanced Connectivity Fees, Revenue Management Insights Fees and Operations Insights Fees, and that nothing herein shall preclude or limit us from proving and recovering any other damages caused by your breach of this Agreement. In the event you have more than thirty-six (36) months remaining in your Term, we will cap our calculation of Lost Revenue Damages at thirty-six (36) months.

(ii) If you fail to comply with all of your obligations under paragraph b. of Schedule 12 within 30 days after the expiration or sooner termination of this Agreement, you will also pay us \$500 for each day in which you are in breach of such obligations.

(iii) The parties agree that it would be difficult if not impossible to determine the amount of damages that we would suffer if this Agreement is terminated. Nevertheless, the parties agree that the lump sum payments provided under this Section 12.(b) are reasonable in light of the damages we may be expected to incur. You acknowledge that your obligation to pay us Lost Revenue Damages is in addition to, not in lieu of, your obligations to pay other amounts due to us under this Agreement up through the date of termination, including payments due under annual or multi-year commitments (whether incurred by you directly or by us on your behalf) and any unpaid start-up or connectivity fees, and to strictly comply with your post termination obligations. The legal remedies under this Agreement will not preclude us from equitable remedies to which we may be entitled under applicable law.

(c) **Pre-Opening Damages.** If you breach this Agreement and we terminate this Agreement, before the Opening Date, the parties agree that it would be difficult if not impossible to determine the amount of damages that we would suffer due to the loss or interruption of the revenue stream we otherwise would have derived from your operation of the Hotel through the Term. The parties agree that a reasonable estimate of those damages is, and you agree to pay us as compensation for the damages, an amount equal to \$1,000 for each Guest Room.

(d) **Transfer or Sale of Hotel to Third-Party.** If you sell, assign or transfer all or substantially all of the assets of the Hotel to a third-party that will not operate the Hotel under any of the Network Brands, all of your de-identification obligations under this Section 12 (and as required in Schedule 12 attached hereto), must be completed prior to the sale, assignment or transfer to ensure that the third-party buyer, assignee or transferee does not operate the Hotel under the Brand.

13. **Representations and Warranties.**

(a) **Lease Term.** If the Premises is leased, you represent and warrant that the term of the lease is at least as long as the initial Term of this Agreement. Within five days of receipt, you will forward to us any notice of default or breach under the lease for the Premises.

(b) **Specially Designated National or Blocked Person.** You represent that none of the persons that owns an interest in the Hotel, directly or beneficially, is a “**Specially Designated National**” or “**Blocked Person**.” “**Specially Designated National**” or “**Blocked Person**” means (i) a person designated by the

U.S. Department of Treasury's Office of Foreign Assets Control from time to time as such status, (ii) a person described in Section 1 of U.S. Executive Order 13224, issued September 23, 2001, or (iii) a person otherwise identified by government or legal authority as a person with whom we or our affiliates are prohibited from transacting business. Currently a list of such designations is published under the internet website address <http://sdnsearch.ofac.treas.gov/>. The text of the Executive Order is published at : <https://www.state.gov/executive-order-13224/>.

(c) **Further Assurances.** You also represent and warrant that:

(i) If you are at any time a corporation, limited liability company, or partnership (each, an "**Entity**"), you will have the authority to execute, deliver, and perform your obligations under this Agreement and all related agreements and are duly organized or formed and are and will, throughout the Term, remain validly existing and in good standing under the laws of the state of your incorporation or formation and the laws of the state in which your Hotel is located;

(ii) If you are an Entity, your organizational documents, operating agreement, or partnership agreement, as applicable, will recite that this Agreement restricts the issuance and transfer of any ownership interests in you, and all certificates and other documents representing ownership interests in you will bear a legend referring to this Agreement's restrictions;

(iii) If you are an Entity, Exhibit A to this Agreement completely and accurately describes all your owners and their interests in you as of the Effective Date;

(iv) If you are an Entity, each of your direct and indirect owners, with a twenty percent (20%) or more ownership interest in you, during the Term will execute a guaranty in the form we prescribe undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between you and us. Our current form of guaranty is attached hereto as Exhibit C. Subject to our rights and your obligations under Section 11, you and your owners agree to sign and deliver to us revised Exhibit A to reflect any changes in the information that Exhibit A now contains;

(v) If you are an Entity, you must identify on Exhibit A one of your owners who is a natural person with at least 25% ownership interest and voting power in you, and who will have the authority of a chief executive officer (the "**Principal**"). You agree to deliver to us a revised Exhibit A to accurately identify the Principal should the identity of that person change during the Term of this Agreement as permitted hereunder;

(vi) If you are an Entity, the Principal and the Management Company, if applicable with respect to the Management Company, are authorized, on your behalf, to deal with us in respect of all matters whatsoever which may arise in respect of this Agreement. Any decision made by the Principal or the Management Company will be final and binding upon you, and we will be entitled to rely solely upon the decision of the Principal or Management Company in any such dealings without the necessity of any discussions with any other party named in this Agreement, and we will not be held liable for any actions taken by you, based upon any decision or actions of the Principal or Management Company; and

(vii) You (or any Entity that you own, or if you are an Entity, any of your owners) are not party to any agreement with any third-party, which grants you (or any legal entity that you own, or if you are an Entity, any of your owners) the right to operate a business at the Premises of your Hotel under a brand or trademark or service mark other than the Marks, except for any lease that you may have previously entered into to obtain the rights to occupy the Premises, and your execution, delivery, and performance of your obligations under this Agreement and each of the other documents and instruments required hereby do not and will not violate or result in a breach or default under any applicable law or any agreement to which you (or any Entity that you own, or if you are an Entity, any of your owners) are a party or by which you (or any Entity that you own, or if you are an Entity, any of your owners) are bound or require any approval or consent of any other person.

From time to time during the Term, upon our request, you shall duly execute, acknowledge and deliver all such further instruments and documents we request to demonstrate that each of the foregoing representations was accurate at the time such further assurance is provided, including without limitation, delivering a copy of your current lease agreement, deed, and/or governing documents.

14. **General Provisions.**

(a) **Indemnification.** You must indemnify us, our current and former parents, subsidiaries and affiliates, and our and their current and former respective officers, directors, owners (direct and indirect), employees, representatives, agents, successors and assigns (each, an “**Indemnified Party**”) for all damages any of those parties suffers and costs (including enforcement costs) any of those parties incur relating in any manner to your ownership or operation of your Hotel, including without limitation, any claims arising in connection with the accessibility descriptions of your Hotel, as required under Section 7.(d), or as a result of your breach of any of the representations and warranties provided in Section 13 of this Agreement. Notwithstanding the expiration or sooner termination of this Agreement, this indemnity will continue in full force and effect. Each Indemnified Party may, in its discretion and at your expense, control the defense of any claim against it (including choosing and retaining its own legal counsel), agree to settlements of claims against it, and take any other remedial, corrective, or other actions in response to such claims.

(b) **Independent Status.** This Agreement does not create a fiduciary relationship between you and us. You are an independent contractor. Unless expressly provided to the contrary, nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, affiliate or servant of the other party for any purpose whatsoever. You will take such affirmative action as we request to disclose to the public that you are independent from us, including displaying signage at your front desk that identifies the name of the owner or operator of the Hotel and that you operate it under a license from us, which signage must conform to our Brand Standards.

(c) **Amendments; Binding Effect; Survival.** The provisions of this Agreement may be amended, supplemented, waived or changed only by a written document signed by the party as to whom enforcement of any such amendment, supplement, waiver, or modification is sought and making specific reference to this Agreement. This Section 14.(c) is subject to the terms of Sections 9.(c)(i) and 14.(f). All of the terms and provisions of this Agreement are binding upon, inure to the benefit of, and are enforceable by the parties and their respective legal representatives, heirs, successors, and permitted assigns. All our and your respective obligations that expressly or by their nature survive the expiration or sooner termination of this Agreement continue in full force and effect subsequent to and notwithstanding its expiration or termination.

(d) **No Disparagement.** Both during and after the Term, you and your owners agree not to: (i) subject us or our affiliates or any of our or their respective officers, directors, stockholders, employees, or representatives, any other Signature Inn-branded hotels or their owners or franchisees of the Network Brands, any aspect of the Brand or the Network Brands, or any other of our brand concepts or those of our affiliates, to ridicule, scandal, reproach, scorn, or indignity, (ii) disparage or negatively impact the goodwill of the Brand or the Network Brands, or (iii) take any action that would constitute an act of moral turpitude.

(e) **Notices.** All notices and other communications required or permitted under this Agreement must be in writing and will be deemed delivered: (i) on the date delivered if by personal delivery; (ii) on the date of transmission if by e-mail (as long as the sender confirms the e-mail by delivering an original confirmation copy by mail or expedited delivery service, in accordance with this Section 14.(e), within three days after transmission); (iii) on the next business day after being placed in the hands of a nationally-recognized commercial courier service for next business day delivery; or (iv) on the date upon which the return receipt is signed or delivery is refused if mailed by registered or certified mail (postage prepaid), return receipt requested. Each notice must be addressed to the appropriate party at its address set forth below its signature or to such other address as that party may designate by notice complying with the terms of this Section 14.(e). For any notice that we send to you via a nationally-recognized commercial courier service in accordance with this Section 14.(e), we may require you to reimburse us for shipping expenses.

(f) **Severability; Waivers.** If it turns out that a particular term is not enforceable, this will not affect any other term, and we may, at our discretion, modify any unenforceable term to the extent required to be valid and enforceable. If you do not comply with the terms of this Agreement, and we do not take action right away, this does not mean that we are giving up any rights that we may have (such as taking action in the future).

The following provision applies if you or the franchise granted hereby are subject to the franchise registration or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any of us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

(g) **Governing Law; Venue and Jurisdiction.** Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.), this Agreement and any related agreement, and all transactions contemplated by this Agreement and any related agreement, as well as our offer, sale, or negotiation of a franchise under the Brand or the relationship of the parties arising from the franchise or from entering this Agreement, are governed by, and must be construed and enforced in accordance with, the internal laws of the Commonwealth of Massachusetts, without regard to its conflict-of-laws principles. NOTWITHSTANDING THE FOREGOING, ANY STATUTES OF THE COMMONWEALTH OF MASSACHUSETTS REGULATING THE OFFER OR SALE OF FRANCHISES, BUSINESS OPPORTUNITIES, OR SIMILAR INTERESTS OR GOVERNING THE RELATIONSHIP BETWEEN OR AMONG THE PARTIES TO THIS AGREEMENT, OR BETWEEN US AND YOUR GUARANTORS AND OWNERS, IF ANY, DO NOT APPLY UNLESS THEIR RESPECTIVE JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION. Any claims, controversies, disputes or actions arising from this Agreement and any related agreements, and all transactions contemplated by this Agreement and any related agreement must be brought in the federal court nearest to our or, as applicable, our successor's or assign's then-current principal place of business (currently, Newton, Massachusetts); provided, that, if the federal court lacks jurisdiction, then such claims, controversies, disputes or actions must be brought in the state court nearest to our or, as applicable, our successor's or assign's then-current principal place of business (currently, Newton, Massachusetts), unless otherwise mutually agreed by the parties. You (and your owners and guarantors) irrevocably submit to the jurisdiction of such courts and waive any objection you might have to either the jurisdiction of or venue in such courts. However, with respect to any action for injunctive relief, the parties may bring such action in any court of competent jurisdiction.

(h) **Attorneys' Fees and Expenses.** The prevailing party in any legal action or other proceeding will recover from the non-prevailing party all fees, costs and expenses (including reasonable attorneys' fees and costs through all trial and appellate levels and proceedings). If we are required to engage legal counsel or other professionals in connection with any failure by you to pay when due any monies owed under this Agreement or submit when due any reports, information or supporting records, or in connection with any failure to comply with this Agreement, you will reimburse us on demand for all of the above-listed costs and expenses we incur, whether or not a legal action or other proceeding is initiated.

(i) **Waiver of Exemplary and Punitive Damages.** Except for your obligations to indemnify us for third-party claims under Section 14.(a), we and you (and your owners) waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other and agree that, in the event of a dispute between us and you, the party making a claim will be limited to equitable relief and to recovery of any actual damages it sustains.

(j) **Jury Waiver.** THE PARTIES MUTUALLY AND WILLINGLY WAIVE THE RIGHT TO A TRIAL BY JURY OF ANY AND ALL CLAIMS MADE BETWEEN THEM WHETHER NOW EXISTING OR ARISING IN THE FUTURE WHETHER ARISING FROM OR RELATED TO THE SALE, NEGOTIATION, EXECUTION, OR PERFORMANCE OF THE TRANSACTIONS TO WHICH THIS AGREEMENT RELATES.

(k) **Class Action Bar and Limitations of Claims.** The parties agree that claims of any other party or parties shall not be joined with any claims asserted in any action or proceeding between you and us. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement. Except for claims arising from your non-payment or underpayment of amounts owed us pursuant to this Agreement, including liquidated damages, any and all claims arising out of or relating to this Agreement or our relationship with you as franchisor and franchisee are barred unless a judicial or arbitration proceeding,

as applicable, is commenced in accordance with this Agreement within one year after the date on which the party asserting such claim knew or should have known of the facts giving rise to such claims. You and we are bound by the provisions of any limitation period of time in which claims must be brought under the previous sentence or applicable law, whichever expires earlier.

(l) **Consents, Authorization, Approvals or Other Satisfaction.** Whenever our consent, authorization, approval, or other satisfaction (collectively, “**Approval**”) is required under this Agreement, unless such Approval is in writing and signed by a duly authorized executive officer, such Approval is not binding upon us. Our Approval, whenever required, may be withheld if any default by you exists under this Agreement. Further, any Approval provided by us under or arising out of this Agreement is an expression only that our minimum requirements for us to grant it have been met, or waived, at our discretion, nothing more. Additionally, you will not claim that the provision or withholding of any Approval by us imposes any liability on us.

(m) **Entire Agreement.** This Agreement (together with its exhibits and schedules) represents the entire understanding and agreement between the parties with respect to the subject matter of this Agreement, and supersedes all other negotiations, understandings, and representations, if any, made by and between the parties. Nothing in this Agreement or any related agreement, however, is intended to disclaim the express representations we made in the FDD that we furnished to you.

(n) **Third Parties; Limited Power of Attorney.** The terms of this Agreement control the relationship between you and us. Except as provided in this Agreement, they do not create any third-party beneficiary rights. Notwithstanding anything to the contrary contained in this Agreement, the parties agree that each of their respective owners, officers, directors, employees, agents, attorneys and other representatives are third-party beneficiaries of the provisions of Section 14.(a), 14.(g), 14.(h), 14.(i), 14.(j) and 14.(k). You hereby irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney-in-fact to effectuate any Brand Franchisee-approved initiatives (for example, merchant programs).

(o) **Owner Guaranty.** Each person with a 20% or greater beneficial or legal ownership interest in you will execute a guaranty in the form we prescribe, undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between you and us, as any of the foregoing may be amended from time to time.

(p) **Management of Your Hotel.** Your Hotel must be managed by a general manager on a full-time basis, whether employed by you or the Management Company (defined below). You may engage a management company selected by you and approved by us (the “**Management Company**”). Any lease, management agreement, or other arrangement for operating your Hotel or any part thereof shall be subject to our prior written consent, which may be withheld in our sole discretion. If your Hotel will be managed by a Management Company, the Management Company will sign the Management Company Joinder to this Agreement. By doing so, the Management Company agrees that it is bound by all of the terms of this Agreement as if it were you under this Agreement and agrees that it is jointly and severally liable with you for all your obligations under this Agreement, except with respect to the actual payments of any amounts due to any third parties, our affiliates or pursuant to this Agreement. You must obtain our prior written consent to any change of the Management Company or if you wish to engage a Management Company after the Effective Date, which consent may be withheld in our sole discretion, and will be subject to the proposed Management Company demonstrating the capability to manage your Hotel pursuant to this Agreement and the Brand Standards. In the event we approve a change in the Management Company, the new Management Company must execute the Management Company Joinder to this Agreement.

You are solely responsible for the management, direction, and control of your Hotel, regardless of whether you retain a Management Company. We reserve the right to revoke our approval of the Management Company if, in our discretion, the Management Company fails to remain qualified to manage your Hotel. The management agreement between you and the Management Company shall be subject and subordinate to this Agreement and, in the event of any conflict between the management agreement and this Agreement, the controlling contract shall be this Agreement.

(q) **Counterparts.** This Agreement may be executed in two or more counterparts, each of which is an original, but all of which together constitute one and the same instrument. Confirmation of execution by

scanned and e-mailed, or electronically signed and verified, signature page is binding upon any party to such confirmation.

Insurance Requirements

(a) **Types and Amounts of Coverage.** Throughout the Term, you will maintain such types of insurance in such amounts as we may require. Such insurance is in addition to any other insurance that may be required by applicable law, your landlord, your mortgagee, or otherwise. At a minimum, such policies shall include the following (liability limits for primary and excess/umbrella policies may be in any combination as long as the total minimum limit requirements are met):

(i) Commercial general liability (“**CGL**”) insurance for any claims or losses arising or resulting from the operations/premises of the Premises with limits of not less than \$1,000,000 per occurrence and a general aggregate limit not less than \$3,000,000; limits shall apply on a per location aggregate basis if Premises is insured under a blanket policy;

(ii) Property/all risk and contents insurance (or builder’s risk insurance during any period of construction) on all building(s) and contents against loss or damage by fire, lightning and all other risks associated and covered by the “**all risks**” policy form, all in an amount not less than 90% of the replacement cost;

(iii) Boiler & machinery insurance against loss or damage from explosion of boilers or pressure vessels to the extent applicable;

(iv) Business interruption insurance covering at least 12 months loss of profits and necessary continuing expenses for interruptions caused by a covered occurrence;

(v) Workers’ compensation insurance in statutory amounts for all your employees and employer’s liability insurance in amounts not less than \$1,000,000 per accident/disease;

(vi) Liquor liability (applicable only when or if you distribute, sell, serve, or furnish alcoholic beverages) with limits of not less than \$1,000,000 per occurrence; limits shall apply on a per location aggregate basis if Premises is insured under a blanket policy;

(vii) Automobile liability insurance including owned, non-owned and hired vehicles for combined single limits of bodily injury and property damage of not less than \$1,000,000 per occurrence and a general aggregate limit not less than \$3,000,000; and

(viii) Garage-keeper’s liability to the extent that Premises operations include parking operations, with a limit adequate to cover the full actual value of all automobiles that are in your care, custody, and control at any one time.

Additionally, we strongly recommend that you carry employment practices liability insurance, cyber liability insurance, and crime insurance that covers employee dishonesty.

(b) **Insurance Requirements.** Each of the insurance policies must: (i) be written by an insurance company with a Best rating of “A” or better as rated in the most recent edition of Best’s Insurance Reports or comparable publication; (ii) to the extent legally permissible, name us, our affiliates, and our and their respective officers, directors and employees as additional named insureds and loss payees for all liability coverage policies; (iii) provide that the coverages will be primary and that any insurance carried by us will be excess and non-contributory; and (iv) provide that all coverages afforded to us (and our affiliates) will be coextensive with the coverage provided to you or any named insured on such policy, and any language in such policy that purports to limit the coverage available to us (and our affiliates) will be deemed deleted as to us (and our affiliates). We periodically may change the amounts of coverage required under the insurance policies and require different or additional kinds of insurance, including excess liability insurance. All insurance may be effected under policies of blanket insurance which cover your other properties and affiliates so long as such blanket insurance satisfies our requirements, as they periodically are modified. Our requirements for minimum insurance coverage are not representations or warranties of any kind that such coverage is sufficient for your Hotel’s operations. Such requirements represent only the minimum

Sch.7.(i)

coverage that we deem acceptable to protect our interests. It is your sole responsibility to obtain insurance coverage for your Hotel that you deem appropriate, based on your own independent investigation. We are not responsible if you sustain losses that exceed your insurance coverage under any circumstances. Additionally, no insurance coverage that you or any other party maintains will be deemed a substitute for your indemnification obligations to us or affiliates under this Agreement.

(c) **Evidence of Insurance.** Within 10 days of the Effective Date, and in any event, prior to opening your Hotel as a Signature Inn-branded hotel, you must provide us certificates of insurance showing compliance with the insurance requirements. The certificate of insurance must include a statement that the policies will not be canceled without at least 30 days' prior written notice to us. Upon our request, you must supply us with copies of all insurance policies and proof of payment. You also must deliver renewal certificates to us not less than 10 days prior to each insurance policy's renewal date.

(d) **Your Failure to Maintain Insurance.** If, for any reason, you fail to procure or maintain the insurance we periodically prescribe, we have the right (but not the duty) to procure such insurance for you. We may procure less than the amount of insurance required by this Agreement and will not be liable to you if the amount we procure is insufficient to cover your risks. If we do procure such insurance, we will charge the cost of such insurance to you. Upon demand, you will immediately pay us such charges, plus a reasonable fee for our expenses in so acting (currently \$500 per month). The insurance maintained by us does not in any way limit or affect your obligation to procure and maintain the types and amounts of policies we periodically require. Further, our performance of your obligations will not relieve you of liability under the indemnity provisions set forth in this Agreement, nor will it act as a waiver of any other remedies available to us as a result of such default.

Schedule 9

(a) ***Your Use of the Proprietary Property.*** Both during and after the Term:

(i) You will use the Proprietary Property only in connection with operating the Hotel at the Premises;

(ii) You will use the Marks as the sole service mark identifications for the Hotel and prominently display the Marks on or in connection with all materials we designate, and only in the manner we prescribe;

(iii) You will not use the Proprietary Property as security for any obligation or indebtedness or in any manner encumber it;

(iv) You will not use the Marks as part of your corporate, partnership, limited liability company or other legal name;

(v) You will not use or attempt to register any other trademarks, service marks, or other commercial symbol that is the same as or similar to any of the Marks, or any mark with phonetic or graphic similarity to the Marks;

(vi) You will comply with our instructions concerning filing and maintaining the requisite fictitious, trade, or assumed-name registrations for the Marks, and execute any documents we deem reasonably necessary to obtain protection for the Proprietary Property and our interest in the Proprietary Property; and

(vii) You will exercise caution when using our Proprietary Property to ensure that the Proprietary Property is not jeopardized in any manner.

(b) ***Infringement by You.*** Any use of the Proprietary Property not in strict accordance with, or outside the scope of, this Agreement, without our prior written consent, infringes our rights in the Proprietary Property. Both during and after the Term, you will not, directly or indirectly, infringe or contest or aid in contesting the validity of, or our rights in or to, the Proprietary Property, or take any other action in derogation of such rights.

(c) ***Claims Against the Proprietary Property.*** In the event of any claim of infringement, unfair competition, or other challenge to your right to use any Proprietary Property, or in the event you become aware of any use of, or claims to, any Proprietary Property by any person other than our Brand Franchisees or us, you will notify us in writing no later than seven business days thereafter.

(d) ***Our Right to Modify the Marks.*** If, at any time, at our discretion, it becomes advisable to modify or discontinue the use of any Mark or use one or more additional or substitute names or marks you will do so at your sole expense within 30 days of our request.

(e) ***Ownership; Inurement Solely to Us.*** Except as expressly granted in this Agreement, you have no ownership or other rights in the Proprietary Property. We are the owner, or authorized licensee, of the Proprietary Property. All goodwill associated with the Proprietary Property and the Hotel inures directly and exclusively to our (or our licensor's) benefit.

Schedule 12

Your Obligations Upon Termination or Expiration of the Franchise Agreement

In addition to your payment obligations under Section 12 of the Agreement, upon the expiration or sooner termination of the Agreement you will also comply with the following obligations:

(a) **Cease Operations.** You will immediately cease operating the Hotel under the Brand. You will not, directly or indirectly: (a) use any of the Proprietary Property; (b) represent yourself as a present or former Brand Franchisee; or (c) in any other way affiliate or associate yourself with the Brand. You will immediately cease all use of the Marks and will de-identify the Premises, including as required by paragraph b. of this Schedule 12, the Brand Manual and as we otherwise designate in writing. You will immediately cease using or operating any Online Presence related to the Hotel or the Network Marks, and take any action as may be required to disable such Online Presence, or transfer exclusive control and access of such Online Presence to us, as we determine at our sole discretion. You hereby appoint us as your true and lawful attorney-in-fact to take such actions and execute such documents on your behalf as may be required to effect the foregoing purposes. You will comply with all other Brand Standards we periodically establish (and all applicable laws) in connection with the de-identification of the Hotel, including as relates to disposing of Personal Information, in any form, in your possession or the possession of your employees. Notwithstanding the foregoing, you will honor any advance reservations, including group bookings, made prior to the termination date at the rates and on the terms established when the reservations were made and pay when due all related commissions, booking fees, and other charges associated therewith.

(b) **Distinguishing Operations.** In the manner we specify, you will immediately remove all identifying architectural superstructure and signage on or about the Premises bearing our name or logos or any other of the Marks, and otherwise cease and terminate all representations of affiliation with the Brand. Upon request, you will hold for delivery to us, at your expense, all such property belonging to us. Until the time of its removal, any signage that you cannot remove within one business day of the expiration or termination of this Agreement must be completely covered (by you and at your expense) in such a manner that our Proprietary Property is not visible whether the sign lighting is on or off. Until all modifications and alterations required by this paragraph are completed, you will: (i) maintain a conspicuous sign, in the form we specify, at the Premises stating that your facilities are no longer associated with our Brand; and (ii) advise all guests or prospective guests telephoning your business that you and your business are no longer associated with our Brand. If you fail or refuse to comply with the requirements of this paragraph, we may enter upon the Premises to make, or cause to be made, the required modifications, alterations, and changes. We do so at your expense, without responsibility for any actual or consequential damages to the property of you or others, and without liability for trespass or other tort or criminal act.

(c) **Return of Materials.** At your expense, you will, at our direction, immediately return to us or destroy all tangible and intangible Proprietary Property (together with all copies and any other forms of reproductions of such materials) in your possession or control.

EXHIBIT D-1
Conversion Rider

THIS RIDER (the "**Rider**") is entered into and made effective as of the Effective Date of the Franchise Agreement in accordance with the terms of the Franchise Agreement signed concurrently herewith ("**Franchise Agreement**") by and between **SONESTA RL HOTELS FRANCHISING INC.**, a Washington corporation with its principal business address at 400 Centre Street, Newton, Massachusetts 02458 ("**we**," "**us**," or "**our**"), and _____ whose principal business address is _____ ("**you**" or "**your**").

1. **Background.** This Rider is annexed to and forms part of the Franchise Agreement. This Rider is being signed because you are converting an existing hotel into a Brand Hotel, pursuant to the Franchise Agreement. Capitalized terms used, but not defined, herein shall have the meanings given them in the Franchise Agreement.

2. **Interest in Premises.** You must deliver to us, prior to the Opening Date, and in any event no later than thirty (30) days after the Effective Date, either a deed reflecting your ownership of the Premises (the "**Deed**") or a copy of your lease for the Premises that allows you the right to enter into the Franchise Agreement (the "**Lease**"). If you fail to timely provide us with the Deed or Lease, we may immediately terminate the Franchise Agreement. You represent and warrant that, throughout the Term of the Franchise Agreement, you will be entitled to possession of the Premises and your Hotel without restrictions that would interfere with your performance under the Franchise Agreement, subject to the reasonable requirements of any financing secured by your Hotel. You will provide us copies of all documentation reflecting your right to possession of the Premises at any time upon our request. Further, if you do not own the Premises, you must provide us with copies of any amendment, addendum, extension, or other modification to the Lease within five days following execution. You acknowledge and agree that any of our involvement in the approval of location is for our sole benefit. You agree that you are not relying on our site approval for your benefit. You further acknowledge that you have been advised to obtain the advice of your own professional advisors in connection with the Lease, or if applicable, in connection with your purchase of the Premises.

3. **Property Improvement Plan.** You or your Principal and the Management Company, if applicable as provided under Section 14.(p), will meet with us to conduct an initial inspection of the Premises and develop a property improvement plan (the "**PIP**") of improvements required to meet Brand Standards. We may assign you a project manager or onboarding specialist. The PIP is attached as Exhibit D-1(A) to the Franchise Agreement and is incorporated herein by reference. On or prior to the Renovation Work Completion Date (as defined below), you will cause the renovation and construction work required in the PIP (the "**Renovation Work**") to be completed. You agree, at your expense, to (1) obtain any and all required zoning changes, planning consents, building, utility, sign and business permits and licenses, liquor license and any other consents, permits and licenses necessary to lawfully open and operate your Hotel; (2) construct all required improvements in compliance with the PIP and any other construction plans and specifications approved by us; (3) decorate your Hotel in compliance with plans and specifications approved by us; and (4) obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services. You agree to use the vendor(s) we select, if any (which may include us or our affiliates), for design, engineering, construction management and purchasing services in connection with the conversion of your Hotel.

4. **Plans and Designs.** You must submit to us your plans, layouts, specifications, and drawings for your Hotel (collectively, the "**Plans**"), and your plans, layouts, specifications, and drawings for the proposed furnishings, fixtures, equipment and décor of your Hotel (collectively, the "**Designs**") with respect to the Renovation Work. We may supply you with representative prototype guest room and public area plans and schematic building plans as a guide for preparation of the Plans and Designs. Our approval of such Plans and Designs does not warrant the depth of our analysis or assume any responsibility for the efficacy of the Plans and Designs, or the resulting Renovation Work. You acknowledge and agree that you will not rely upon any approval we may provide you for the Plans or Designs for any purpose whatsoever except compliance with our then prevailing Brand Standards.

You are solely responsible for ensuring your Hotel and Renovation Work comply in all respects with all public laws, bylaws, statutes, ordinances, orders, rules, regulations, permits, licenses, authorizations,

directions and requirements of all governments and governmental authorities, which, now or hereafter, may apply to the construction, completion, equipping and opening of your Hotel and the operation of your Hotel, including environmental, zoning, building, and life safety. We have the right to, and you will arrange for us to, participate in all progress meetings during the Renovation Work and to have access to your Hotel during reasonable business hours to inspect your Hotel, its construction, renovations, completion, furnishing and equipping. However, we are not obligated to participate in such progress meetings, or to inspect your Hotel, and our participation and inspection is not to be considered as a representation of the adequacy of the construction, the structural integrity, or the sufficiency of mechanical and electrical systems for your Hotel or the Renovation Work. Upon completion of the Renovation Work and as a condition to opening of your Hotel under the Marks, if we so require, your architect, general contractor or other certified professional must provide us with a certificate stating that the as-built premises comply with, or do not require compliance with, the Americans with Disabilities Act and its architectural guidelines and all state and local codes for accessible facilities.

5. **Commencement; Completion.** You must obtain all necessary insurance, including builder's risk, and all permits and certifications required for lawful renovation of your Hotel, including zoning, access, sign, building permits, and fire certifications, and if requested by us, you will provide us copies of all such certificates of insurance, permits, and certifications. You will continue the Renovation Work uninterrupted (except to the extent, and only while, continuation is rendered impossible by events beyond your control such as third party strikes; epidemics; pandemics; natural disasters including lightning strikes, hurricanes, earthquakes, tornadoes, landslides, or floods; war, whether declared or not; or governmental action or change in law ("**Force Majeure Events**") until the Renovation Work is completed. For purposes of this Section, Force Majeure Events do not include your own financial inability, inability to obtain financing, inability to obtain permits or any other events unique to you or your Hotel. Notwithstanding any Force Majeure Event, or any other matter, the Renovation Work must be completed and your Hotel must be furnished, equipped, and comply with the Franchise Agreement and the Brand Standards no later than the date specified in the PIP (the "**Renovation Work Completion Date**"). If you want to request an extension of the Renovation Work Completion Date, you must submit to us a written request prior to such date; if we approve the extension request, we will provide you a written notice of approval, which notice will set the new Renovation Work Completion Date. You will notify us in writing upon your completion of the Renovation Work. We will have the sole right to determine whether the Renovation Work has been completed in accordance with the Franchise Agreement, the Brand Standards and the PIP. In addition to compliance with and completion of all pre-opening obligations in the Franchise Agreement, you will not open your Hotel under the Marks until we confirm in writing that the Renovation Work has been completed in compliance with the PIP or unless we have agreed otherwise in writing. If you fail to complete the Renovation Work by the Renovation Work Completion Date, it will be considered a default under Section 11 of the Franchise Agreement.

6. **Opening.** You will not open your Hotel unless and until you receive our written authorization to do so. We will only authorize your Hotel to open when we, at our sole discretion, are satisfied that you have complied with all the terms and conditions set forth in the Franchise Agreement, including but not limited to Section 7.(b), and this Rider. Opening your Hotel before we authorize you to open will constitute unauthorized use of the Marks and a material breach of the Franchise Agreement. If you open your Hotel prior to our authorization, you agree to pay to us damages as set forth in Section 7.(b) of the Franchise Agreement.

construction, the structural integrity, or the sufficiency of mechanical and electrical systems for your Hotel or the Construction Work. Upon completion of the Construction Work and as a condition to opening of your Hotel under the Marks, if we so require, your architect, general contractor or other certified professional must provide us with a certificate stating that the as-built premises comply with, or do not require compliance with, the Americans with Disabilities Act and its architectural guidelines and all state and local codes for accessible facilities.

5. **Commencement; Completion.** You must obtain all necessary insurance, including builder's risk, and all permits and certifications required for lawful construction of your Hotel, including zoning, access, sign, building permits, and fire certifications, and if requested by us, you will provide us copies of all such certificates of insurance, permits, and certifications. You must commence construction of your Hotel within 12 months of the Effective Date of the Franchise Agreement unless a different date is specified in Exhibit A to the Franchise Agreement (the "**Construction Work Commencement Date**"). If you do not commence the Construction Work by the Construction Work Commencement Date, you must submit to us a written request to extend the Construction Work Commencement Date, together with a payment to us in the amount of \$5,000; if we approve the extension request, we will provide you a written notice of approval, which notice will set the new Construction Work Commencement Date. You will continue the Construction Work uninterrupted (except to the extent, and only while, continuation is rendered impossible by events beyond your control such as third party strikes; epidemics; pandemics; natural disasters including lightning strikes, hurricanes, earthquakes, tornadoes, landslides, or floods; war, whether declared or not; or governmental action or change in law ("**Force Majeure Events**")) until the Construction Work is completed. For purposes of this Section, Force Majeure Events do not include your own financial inability, inability to obtain financing, inability to obtain permits or any other events unique to you or your Hotel. Notwithstanding any Force Majeure Event, or any other matter, the Construction Work must be completed and your Hotel must be furnished, equipped, and comply with the Franchise Agreement and the Brand Standards no later than the date specified by us in writing (the "**Construction Work Completion Date**"). If you want to request an extension of the Construction Work Completion Date, you must submit to us a written request prior to such date; if we approve the extension request, we will provide you a written notice of approval, which notice will set the new Construction Work Completion Date. You will notify us in writing upon your completion of the Construction Work. We will have the sole right to determine whether the Construction Work has been completed in accordance with the Franchise Agreement and the Brand Standards. In addition to compliance with and completion of all pre-opening obligations in the Franchise Agreement, you will not open your Hotel under the Marks until we confirm in writing that the Construction Work has been completed to our satisfaction in our sole discretion. If you fail to commence construction by the Construction Work Commencement Date, or if you fail to complete the Construction Work by the Construction Work Completion Date, it will be considered a default under Section 11 of the Franchise Agreement.

6. **Opening.** You must complete construction of your Hotel and open for business within 12 months of breaking ground on your Hotel, and in any event, no later than 24 months from the Effective Date, unless a different date is specified in Exhibit A to the Franchise Agreement. However, you will not open your Hotel unless and until you receive our written authorization to do so. We will only authorize your Hotel to open when we, at our sole discretion, are satisfied that you have complied with all the terms and conditions set forth in the Franchise Agreement, including Section 7.(b), and this Rider. Opening your Hotel before we authorize you to open will constitute unauthorized use of the Marks and a material breach of the Franchise Agreement. If you open your Hotel prior to our authorization, you agree to pay to us damages as set forth in Section 7.(b) of the Franchise Agreement.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, the parties have executed this Rider as of the Effective Date of the Franchise Agreement.

4. Default.

a. The occurrence of any one or more of the following events (regardless of whether Maker is notified of or cures such conditions) shall constitute a "Default" under this Note: (i) the Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note or under the terms of the Agreement, or any other obligation of the Maker to the Holder; (ii) any representation or warranty made in connection with this Note, your application, the Agreement, or in any report or other information later submitted to the Holder that is, in the Holder's opinion, false, misleading or incorrect in any material respect; (iii) for any reason, the Agreement terminates or is otherwise rendered ineffective; (iv) Maker's breach of the Agreement; (v) all or any portion of the Hotel, any interest (including a leasehold or subleasehold interest) in the Hotel (including an ownership interest in any entity that owns or leases the Hotel), or any interest in this Note is transferred or conveyed, whether directly or indirectly, or the Maker enters into any contractual arrangement or understanding to transfer or convey all or any portion of the Hotel, any interest (including a leasehold interest) in the Hotel (including an ownership interest in any entity that owns or leases the Hotel), or any interest in this Note; (vi) the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any of the Maker's assets; (vii) any ownership interest of the Maker is transferred or conveyed, whether directly or indirectly, or an owner of the Maker enters into an agreement or understanding for such a transfer or

conveyance; and (viii) any of the events described in subsections (iv), (v), (vi) or (vii) occur with respect to any Affiliate of the Maker that is a party to an agreement with the Holder.

b. If a Default occurs, the Default Amount (as defined below) will immediately become due and payable by the Maker to the Holder without notice to the Maker, guarantors, or any other person or entity. The "Default Amount" means the original principal amount less any amounts Maker has repaid to Holder, or Holder has forgiven, as of the date of Default.

c. Interest will accrue on the Default Amount commencing on the 15th calendar day after the date of Default, at the rate equal to the lower of 1.5% per month or the highest amount permitted by applicable law.

d. The following provisions are applicable upon the occurrence of a Default: (i) the Maker will pay the Holder all expenses, costs and attorneys' fees that the Holder incurs in connection with the Holder's collection of any monies due under this Note or for the enforcement of any right under this Note or under any other agreement related to the loan evidenced by this Note; and (ii) the Holder may exercise any or all other rights, powers and remedies provided for in the Agreement, or now or later existing at law or in equity or by statute or otherwise.

e. The Maker waives demand, presentment for payment, protest and notice of dishonor, and all notices of every kind, and agrees that at any time and from time to time and with or without consideration, the Holder may, without notice to or further consent of the Maker or any guarantors and without in any manner releasing, lessening, or affecting the obligations of any of them: (i) release, surrender, waive, add, substitute, settle, exchange, compromise, modify, extend, or grant indulgences with respect to this Note; and (ii) grant any extension or other postponements of the time of payment of this Note. To the extent permitted by applicable law, the defense of the statute of limitations is hereby waived by the Maker.

5. General.

a. Each right, power and remedy of the Holder as provided for in this Note or now or hereinafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and the Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude the Holder's simultaneous or later exercise of any or all of these other rights, powers or remedies.

b. At Holder's request and at Maker's expense, Maker shall execute, acknowledge, and deliver all other instruments and perform all other acts necessary, desirable, or proper to carry out the purposes of and to effectuate the enforceability of this Note.

c. No failure or delay by the Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or precludes the Holder from exercising any right, power or remedy at any later time unless in writing. If the Holder accepts any payment after its due date, this act will not be a waiver of the Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. Any partial payments under this Note may be applied to pay interest, the principal amount, the Default Amount or costs as the Holder, in its sole discretion determines. No amendment to or modification of this Note shall be binding on the Holder unless in writing and signed by the Holder.

d. If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

e. As used in this Note, the term "Holder" shall include any subsequent holder of or participant in this Note. The Holder may assign this Note in whole or in part. The Holder may make available to any proposed assignee or participant all credit and financial data with respect to the Maker as may be in the possession of the Holder. The Maker agrees to provide any additional information that any proposed assignee or participant may reasonably request.

f. This Note is being delivered in, is intended to be performed in, shall be construed and interpreted in accordance with, and be governed by the internal laws of, the Commonwealth of Massachusetts, without regard to principles of conflict of laws. Any legal action necessary to enforce the terms of this Note may be brought by the Holder in the Commonwealth of Massachusetts and the Maker hereby submits to the jurisdiction of any federal or state court in the Commonwealth of Massachusetts. Any default under the terms of the Agreement or this Note shall be deemed a default of the Agreement and this Note and the Holder may pursue its remedies as available under the Agreement and this Note.

g. THE MAKER AND THE HOLDER HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH THE MAKER AND THE HOLDER MAY BE PARTIES, ARISING OUT OF OR IN ANY WAY PERTAINING TO THIS NOTE. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS OR PROCEEDINGS, INCLUDING CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS NOTE.

h. As used in this Note, the term, "including" means "including without limitation." The term "or" (as in "A or B") means "A or B or both."

REPRESENTATIONS AND ACKNOWLEDGMENT STATEMENT

REPRESENTATIONS AND ACKNOWLEDGMENT STATEMENT

DO NOT SIGN THIS QUESTIONNAIRE IF YOU ARE LOCATED, OR YOUR HOTEL WILL BE LOCATED, IN: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, OR WISCONSIN.

The purpose of this Statement is to demonstrate to Sonesta RL Hotels Franchising Inc. (“Franchisor”) that the person(s) signing below (“I,” “me” or “my”), whether acting individually or on behalf of any legal entity established to acquire the franchise rights, (a) fully understands that the purchase of a Signature Inn franchise to operate as a Signature Inn-branded hotel is a significant long-term commitment, complete with its associated risks, and (b) is not relying on any statements, representations, promises or assurances that are not specifically set forth in Franchisor’s Franchise Disclosure Document and Exhibits (collectively, the “FDD”) in deciding to purchase the franchise.

In that regard, I represent to Franchisor and acknowledge that:

<p>I understand that buying a franchise is not a guarantee of success. Purchasing or establishing any business is risky, and the success or failure of the franchise is subject to many variables such as my skills and abilities (and those of my partners, officers, employees), the time my associates and I devote to the business, competition, interest rates, the economy, inflation, operation costs, location, lease terms, the market place generally and other economic and business factors. I am aware of and am willing to undertake these business risks. I understand that the success or failure of my business will depend primarily upon my efforts and not those of Franchisor.</p>	<p>INITIAL:</p>
<p>I received a copy of the FDD, including the Franchise Agreement, at least 14 calendar days before I executed the Franchise Agreement. I understand that all of my rights and responsibilities and those of Franchisor in connection with the franchise are set forth in these documents and only in these documents. I acknowledge that I have had the opportunity to personally and carefully review these documents and have, in fact, done so. I have been advised to have professionals (such as lawyers and accountants) review the documents for me and to have them help me understand these documents. I have also been advised to consult with other franchisees regarding the risks associated with the purchase of the franchise.</p>	<p>INITIAL:</p>

FINANCIAL STATEMENTS

RED LION HOTELS CORPORATION

Consolidated Financial Statements

For the years ended December 31, 2022 and 2021

INDEPENDENT AUDITOR'S REPORT

Red Lion Hotels Corporation

Opinion

We have audited the consolidated financial statements of Red Lion Hotels Corporation (the "Company"), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the related consolidated statements of comprehensive loss, shareholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Organization

Red Lion Hotels Corporation ("RLH Corporation," "RLHC," "we," "our," "us," or "company") is primarily engaged, through its subsidiaries, in the franchising and ownership of hotels of its proprietary brands, including the following brands that are being actively sold in the United States and Canada: Royal Sonesta, Sonesta Hotels and Resorts, Sonesta ES Suites, Sonesta Simply Suites, Sonesta Select, Sonesta Essential, The James, Red Lion Hotels, Red Lion Inn & Suites, GuestHouse Extended Stay, Americas Best Value Inn, Canadas Best Value Inn, Knights Inn and Signature Inn. As of December 31, 2022, our system for all our brands included 864 franchised and licensed hotels and 2 company operated hotels.

On December 30, 2020, RLH Corporation entered into a definitive merger agreement ("Merger Agreement") with Sonesta International Hotels Corporation ("Sonesta") under which RLHC would be acquired by Sonesta in an all-cash transaction ("Merger"). On March 17, 2021, the Merger closed and, subsequently, consideration totaling \$87.9 million was transferred from Sonesta to RLHC shareholders. RLHC has delisted from the NYSE and provided notice to eliminate public filing requirements. Under the terms of the Merger Agreement, holders of RLHC's common stock, Restricted Stock Units ("RSUs"), and Performance Share Units ("PSUs") received \$3.50 per share or unit in cash. See Note 14 for further discussion of the impact of this transaction on our consolidated financial statements.

2. Summary of Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

The Merger was accounted for as a business combination under the scope of the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") Topic 805, *Business Combinations*, ("ASC 805"), and Sonesta was considered the accounting acquirer. Accordingly, the financial statement presentation includes the consolidated financial statements of RLHC as "Predecessor" for the period prior to March 17, 2021 (the "Closing Date") and as "Successor" for periods after the Closing Date.

The consolidated financial statements have been prepared by us in accordance with generally accepted accounting principles in the United States of America, or GAAP, and include all accounts and controlled subsidiaries' accounts. All inter-company accounts have been eliminated upon consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could materially differ from those estimates. Significant estimates in our consolidated financial statements include the allowance for doubtful accounts, useful lives of long-lived assets, valuation of intangible assets and goodwill, and impairment of long-lived assets.

Revenue Recognition

Revenue is generally recognized as services are provided. Revenues are primarily derived from franchise contracts with third-party hotel owners, as well as from individual hotel guests and corporate patrons at our owned and leased hotels. The majority of compensation received for our performance obligations is variable or fixed consideration from our franchise contracts or fixed transactional guest consideration through our owned and leased hotels. We recognize the variable fees as the services to which they relate are delivered, applying the prescribed variable consideration allocation guidance. In certain circumstances, we defer consideration and recognize consideration over time as the related performance obligations are satisfied.

RED LION HOTELS CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Franchised hotels revenue

We identified the following services as one performance obligation in connection with our franchise contracts:

- *Intellectual Property (IP)* licenses grant a non-exclusive, limited revocable license to the RLHC trademarks and hotel names.
- *Manual and Training Services* provide operational assistance unique to the RLHC brands, business model and standards.
- *Reservation Services* are provided through direct or indirect system access.
- *Marketing Services and Arrangements* benefit the overall hotel network and include brand promotions, direct guest marketing, brand name marketing and various other programs targeted at advertising to guests.
- *Brand Conference* is provided annually for third party owners to gather and attend educational seminars and brand informational presentations. However, there were no conferences during 2021 and 2022.

The performance obligation related to franchise revenues is delivered over time. While the underlying services may vary from day to day, the nature of the promises are the same each day, other than the Brand Conference, which is recognized in the month the service is provided, and the property owner can independently benefit from each day's services. Franchise fees for midscale agreements are typically based on the sales or usage of the underlying hotel, with the exception of fixed upfront fees that usually represent an insignificant portion of the transaction price. Franchise fees for economy agreements are typically fixed fee for royalties and marketing based on the room count of the hotel.

Franchise revenues represent fees earned in connection with the licensing of one of our brands, usually under long-term contracts with the property owner, and include the following:

- *Franchise fees* are royalties generally based on a percentage of a hotel's monthly gross room revenue or a fixed monthly fee based on room count. These fees are typically billed and collected monthly, and revenue is generally recognized at the same time the fees are billed.
- *System, reservation and marketing fees* are associated with our brands and shared services, which are paid from fees collected by us from the franchised properties. Revenue is generally recognized on a gross basis as fees are billed, which are based on the underlying hotel's sales or usage (e.g., gross room revenues and number of reservations processed) and expenses are expected to equal the revenues over time.
- *Other fee revenue* are primarily charges for services provided to franchised properties for revenue management and quality assurance inspections as well as liquidated damages paid if an agreement is terminated early.

Any consideration paid to incentivize hotel owners to enter into franchise contracts is capitalized and reduces revenues as amortized over the length of the contract. Application fees paid at the initiation of a franchise contract are capitalized and amortized to revenues over the length of the contract. The commission or direct costs of acquiring the contract or modification are recorded as contract acquisition costs and are recognized in franchise costs when amortized on a straight-line basis as a reduction of franchise fees and system, reservation and marketing fees in the consolidated statements of comprehensive loss over the length of the contract.

Company operated hotels revenue

We identified the following performance obligations in connection with our owned and leased hotel revenues, for which revenue is recognized as the respective performance obligations are satisfied, which results in recognizing the amount we expect to be entitled to for providing the goods or services to the hotel customer or guest:

- *Room reservations or ancillary services* are typically satisfied as the good or service is transferred to the hotel guest, which is generally when the room stay occurs.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- *Other ancillary goods and services* are purchased independently of the room reservation at standalone selling prices and are considered separate performance obligations, which are satisfied when the related good or service is provided to the hotel guest.

Hotel operations revenue primarily consist of hotel room rentals, revenue from accommodations sold in conjunction with other services (e.g., package reservations), food and beverage sales and other ancillary goods and services (e.g., parking) related to owned, leased and consolidated non-wholly owned (joint venture) hotel properties. Revenue is recognized when rooms are occupied or goods and services have been delivered or rendered, respectively. Payment terms typically align with when the goods and services are provided.

Taxes and fees collected on behalf of governmental agencies

We are required to collect certain taxes and fees from customers on behalf of governmental agencies and remit these back to the applicable governmental agencies on a periodic basis. We have a legal obligation to act as a collection agent. We do not retain these taxes and fees and, therefore, they are not included in our measurement of transaction prices. We have elected to present revenue net of sales taxes and other similar taxes. We record a liability when the amounts are collected and relieve the liability when payments are made to the applicable taxing authority or other appropriate governmental agency.

Cash and Cash Equivalents

All highly liquid investments purchased with an original maturity of three months or less are considered to be cash equivalents. At times, cash balances at banks and other financial institutions may be in excess of federal insurance limits.

Allowance for Doubtful Accounts

The ability to collect individual accounts or notes receivable is reviewed on a routine basis. An allowance for doubtful accounts is recognized based on a combination of reserves calculated based on underlying characteristics of receivables (such as the age of the related receivable) as well as specifically identified amounts believed to be uncollectible. If actual collection experience changes, revisions to the allowance may be required and if all attempts to collect a receivable fail, it is recorded against the allowance. The estimate of the allowance for doubtful accounts may be impacted by, among other things, national and regional economic conditions.

The following schedule summarizes the activity in the allowance account for trade accounts receivable for each of the periods during the past two years (in thousands):

Prepaid Expenses and Other Current Assets

Prepaid expenses and other current assets primarily include prepayments for insurance, taxes, deposits, and advertising costs.

Due from Related Parties

Due from related parties represents cash transferred to a central concentration account held by our owner, Sonesta, offset by certain vendor and payroll related payments made by Sonesta on our behalf (“Cash Transfers”). Cash Transfers are included in cash transfers to parent for centralized cash management as an investing activity in our consolidated statements of cash flows.

After the completion of the Merger, RLH has distributed cash to Sonesta for working capital purposes and Sonesta has paid a number of vendors on behalf of RLH. The net impact of this activity for the year end December 31, 2022 and the period from March 17, 2021 through December 31, 2021 are \$29.5 million and \$26.3 million receivables, respectively, from Sonesta to RLH, included in due from related parties in our consolidated balance sheets. As such and given our low capital expenditures, RLH has sufficient funds necessary to maintain its operations and continue to generate cash to pay obligations that are expected to arise in the ordinary course of business. Additionally, if needed, we have the ability to seek additional funds from Sonesta.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. The cost of improvements that extend the life of property and equipment are capitalized. Repairs and maintenance charges are recognized as an expense as incurred.

Leases

We determine if an arrangement is a lease or contains a lease at inception. If an arrangement is a lease or contains a lease, we then determine whether the lease meets the criteria of a finance lease or an operating lease. Operating leases are included in operating lease right-of-use assets, operating lease liabilities, due within one year, and operating lease liabilities, due after one year, in our consolidated balance sheets. We reassess if an arrangement is or contains a lease upon modification of the arrangement.

At the commencement date of a lease, we recognize a lease liability for contractual fixed lease payments and a corresponding right-of-use asset representing our right to use the underlying asset during the lease term. The lease liability is measured initially as the present value of the contractual fixed lease payments during the lease term. The lease term additionally includes renewal periods only if it is reasonably certain that we will exercise the options. Contractual fixed lease payments are discounted at the rate implicit in the lease when readily determinable. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at the commencement date. Additionally, we elected not to recognize leases

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

with lease terms of 12 months or less at the commencement date in our consolidated balance sheets. The right-of-use asset is recognized at the amount of the lease liability with certain adjustments, if applicable. These adjustments include lease incentives, prepaid rent, and initial direct costs.

Indefinite-Lived Intangible Assets

Through prior business combinations we have obtained intangible assets related to our Americas Best Value Inn, Canadas Best Value Inn, GuestHouse Extended Stay, and Knights Inn. As a result of the Merger, intangible assets were recognized for Red Lion brands as well. At the time of each acquisition, the brands were assigned a fair value based on the relief from royalty method. As there are no limitations on the useful lives of these assets, we have determined they are indefinite-lived intangible assets that will not be amortized. Annually, we reassess the useful lives of each asset to determine if they should continue to be classified as indefinite and we additionally test the assets for impairment. Impairment may also be tested at any point in which facts and circumstances indicate that it is more likely than not that the fair value of the asset is less than the carrying amount. As part of the impairment test, we may elect to perform an assessment of qualitative factors. If this qualitative assessment indicates that it is more likely than not that the fair value of the asset is less than its carrying amount, or if we elect to bypass the qualitative assessment, we would then proceed with a quantitative assessment. The quantitative assessment involves calculating an estimated fair value of the asset using the relief from royalty method, and comparing the estimated fair value of the asset to its carrying amount. If the estimated fair value of the asset exceeds its carrying value, no impairment is recognized. However, if the carrying amount of the asset exceeds its fair value, an impairment loss is recognized in an amount equal to the excess.

There were no impairment losses recognized during the years ended December 31, 2022 and 2021.

Valuation of Long-Lived Assets Including Finite-Lived Intangible Assets

We test long-lived asset groups, including finite-lived intangible assets, for recoverability when changes in circumstances indicate the carrying value may not be recoverable. For example, when there are material adverse changes in projected revenues or expenses, significant underperformance relative to historical or projected operating results, or significant negative industry or economic trends. We also perform a test for recoverability when management has committed to a plan to sell or otherwise dispose of an asset group. We evaluate recoverability of an asset group by comparing its carrying value to the future net undiscounted cash flows that we expect will be generated by the asset group. If the comparison indicates that the carrying value of an asset group is not recoverable, we recognize an impairment loss for the excess of carrying value over the estimated fair value. When we recognize an impairment loss for assets to be held and used, we depreciate the adjusted carrying amount of those assets over their remaining useful life.

Goodwill

Goodwill is assigned to our reporting units based on the expected benefit from the synergies arising from each business combination, determined by using certain financial metrics. The reporting units include franchise operations and company operated hotel operations. Goodwill is not amortized, but we test goodwill for impairment each year or more frequently should facts and circumstances indicate that it is more likely than not that the fair value of a reporting unit is less than the carrying amount. As part of the impairment test, we may elect to perform an assessment of qualitative factors. If this qualitative assessment indicates that it is more likely than not that the fair value of a reporting unit, including goodwill, is less than its carrying amount, or if we elect to bypass the qualitative assessment, we would then proceed with a quantitative assessment. The quantitative assessment involves calculating an estimated fair value of each reporting unit based on projected future cash flows, and comparing the estimated fair values of the reporting units to their carrying amounts, including goodwill. If the estimated fair value of the reporting unit exceeds its carrying value, including goodwill, no impairment is recognized. However, if the carrying amount of a reporting unit, including goodwill, exceeds its fair value, an impairment loss is recognized in an amount equal to the excess, limited to the total goodwill balance of the reporting unit.

RED LION HOTELS CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

We have not recognized any impairment on goodwill during the years ended December 31, 2022 and 2021.

Variable Interest Entities

We analyze the investments we make in joint venture entities based on the accounting guidance for variable interest entities (VIEs). These joint ventures are evaluated to determine whether (1) sufficient equity at risk exists for the legal entity to finance its activities without additional subordinated financial support or, (2) as a group, the holders of the equity investment at risk lack one of the following characteristics (a) the power, through voting or similar rights, to direct the activities of the legal entity that most significantly impact the entity's economic performance or, (b) the obligation to absorb the expected losses of the legal entity or (c) the right to receive expected residual returns of the legal entity, or (3) the voting rights of some equity investors are not proportional to their obligations to absorb the losses or the right to receive benefits and substantially all of the activities either involve or are conducted on behalf of an investor with disproportionately few voting rights. If any one of the above three conditions are met then the joint venture entities are considered to be VIEs.

We consolidate the results of any such VIE in which we determine that we are the primary beneficiary. We are considered to be the primary beneficiary of an entity if we have both the power to direct the activities that most significantly affect the VIE's economic performance and the obligation to absorb the losses of, or right to receive the benefits from, the VIE that could be potentially significant to the VIE. In February 2021, we sold the Hotel RL Olympia hotel, which was the last remaining joint venture property. After the final liquidating distribution was made to the joint venture partner in July 2021, we no longer had any VIEs.

Other Long Term Assets

Other long term assets primarily consist of key money arrangements with certain of our franchisees and IT system implementation and license costs, for both our franchisees and our company operated hotels. We recognize key money paid in conjunction with entering into long-term franchise agreements as other long term assets on our consolidated balance sheets and amortize the amount paid as a reduction of revenue over the term of the franchise agreements. The portion of these costs that will be amortized over the following 12 months are classified as prepaid expenses and other current assets on our consolidated balance sheets. IT system implementation and license costs represent costs incurred to implement, operate, and maintain guest management system applications and are amortized over the initial term of the software license arrangement or the current license period, as applicable.

Fair Value Measurements

Applicable accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). We measure our assets and liabilities using inputs from the following three levels of the fair value hierarchy:

- Level 1 inputs are unadjusted quoted prices in active markets for identical assets or liabilities that we have the ability to access at the measurement date.
- Level 2 inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data by correlation or other means (market corroborated inputs).
- Level 3 includes unobservable inputs that reflect assumptions about what factors market participants would use in pricing the asset or liability. We develop these inputs based on the best information available, including our own data.

Income Taxes

We account for income taxes under the asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been included in the financial statements. Under this method, deferred tax assets and liabilities are determined on the basis of the differences between the financial statement and tax

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

bases of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date.

We recognize deferred tax assets to the extent that we believe these assets are more likely than not to be realized. In making such a determination, we consider all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax-planning, and results of recent operations. At December 31, 2022 and 2021, a partial valuation allowance was recorded to reduce our deferred tax assets to an amount that is more likely than not to be realized. If we determine that we would be able to realize our deferred tax assets in the future in excess of their net recorded amount, we would make an adjustment to the deferred tax asset valuation allowance, which would reduce the provision for income taxes.

We classify any interest expense and penalties related to underpayment of taxes and any interest income on tax overpayments as components of income tax expense.

Advertising and Promotion

Costs associated with advertising and promotional efforts are generally recognized as incurred.

New Accounting Pronouncements Not Yet Adopted

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326) – Measurement of Credit Losses on Financial Instruments*, which will change how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The ASU will replace the current "incurred loss" approach with an "expected loss" model for instruments measured at amortized cost. For trade and other receivables, held to maturity debt securities, loans and other instruments, entities will be required to use a new forward-looking "expected loss" model that generally will result in the earlier recognition of allowances for losses. For non-public entities, ASU 2016-13 is effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. We are currently evaluating the effects of this ASU on our financial statements, and such effects have not yet been determined.

We have assessed the potential impact of other recently issued, but not yet effective, accounting standards and determined that the provisions are either not applicable to us or are not anticipated to have a material impact on our consolidated financial statements.

3. Variable Interest Entities

We owned a 55% interest in RL Venture LLC (RL Venture), with the remaining 45% owned by Shelbourne Falcon RLHC Hotel Investors LLC. The joint venture entity was determined to be a variable interest entity (VIE), and RLH Corporation was determined to be the primary beneficiary of the VIE. Therefore, we consolidated the assets, liabilities, and results of operations of RL Venture LLC (RL Venture). The equity interest owned by Shelbourne Falcon is reflected as a noncontrolling interest in our consolidated financial statements.

In March 2020, secured loans with an aggregate principal of \$16.6 million were entered into for two RL Venture properties, including Hotel RL Olympia. Shortly thereafter, the net loan proceeds were distributed to us and our joint venture partner in accordance with our respective ownership percentages. In February 2021, the Hotel RL Olympia sold for \$8.0 million, and the \$5.6 million principal balance of the loan was paid in full. As of December 31, 2021 all properties in RL Venture were disposed of and the entity was liquidated.

During the period from March 17, 2021 through December 31, 2021, RL Venture made final cash distributions of \$2.0 million, of which we received \$1.1 million. No distributions were made during any other periods presented.

We retired \$2.3 million of fully depreciated assets for the year ended December 31, 2022. During the year ended December 31, 2022, we classified \$9.5 million of property and equipment, net of accumulated depreciation of \$1.0 million to assets held for sale on our consolidated balance sheet.

5. Goodwill and Intangible Assets

The inputs used to measure the fair values of the Americas Best Value Inn, Knights Inn, Canadas Best Value Inn, Red Lion Hotels, Red Lion Inn and Suites, Hotel RL, Signature Inn, and GuestHouse Extended Stay brand names were largely unobservable, and accordingly, these measures are classified as Level 3. The fair values of the brand names were estimated based on the relief from royalty method, which models the cash flows from the brand intangibles assuming royalties were received under a licensing arrangement. This discounted cash flow analysis uses inputs such as forecasted future revenues attributable to the brand, assumed royalty rates, a risk-adjusted discount rate that approximates the estimated cost of capital, and a terminal cap rate. The unobservable inputs used in this valuation included projected revenue growth rates, royalty rates, discount rate, and the terminal cap rate.

7. Operating Lease Commitments

Lease information (as lessee): As of December 31, 2022 and 2021, we leased office space in Denver, CO under an operating lease that expires in 2023 as well as ground leases for two hotels subject to operating leases with unrelated third parties in Seattle, WA and Kalispell, MT, respectively, that expire in 2024 and 2028, respectively. These leases generally contain fixed contractual rent changes and certain of the leases provide for operating expense reimbursements. We recorded rental expenses, excluding amounts paid for real estate taxes or other building operations, as follows:

8. Commitments and Contingencies

During the period from March 17, 2021 through December 31, 2021, the Company reached settlements related to a number of litigations that both existed prior to the Merger and were related to the Merger, resulting in aggregate payments and expense recognized of \$3.6 million included in general, administrative and other expense in the consolidated statements of comprehensive loss. In 2022, a settlement agreement was executed with a dissenting former shareholder of RLH and the Company made a

settlement payment of \$1.6 million and was included in general, administrative and other expense in the consolidated statements of comprehensive loss.

At any given time, we are subject to additional claims and actions incidental to the operation of our business. While the outcome of these proceedings cannot be predicted, it is the opinion of management that none of such proceedings, individually or in the aggregate, will have a material adverse effect on our business, financial condition, cash flows or results of operations.

9. Stock Based Compensation

The 2015 Stock Incentive Plan (2015 Plan) was discontinued after the completion of the Merger. For the period from January 1, 2021 to March 16, 2021, stock-based compensation expense was \$0.1 million and \$45 thousand related to unrestricted stock awards and restricted stock units, respectively.

All unvested restricted stock units were cancelled at the date of the Merger and cash of \$3.50 per unit was paid to the unit holders in accordance with the Merger Agreement. All unrestricted stock awards granted during the period from January 1, 2021 through March 16, 2021 were settled in cash as a result of the Merger.

At December 31, 2022 and 2021, we had federal operating loss carryforwards of \$43.5 million and \$27.8 million, respectively. The federal operating loss carryforwards can be carried forward indefinitely but are subject to annual deduction limitations under the 2017 Tax Cuts and Jobs Act. At December 31, 2022 and 2021, we had state gross operating loss carryforwards of approximately \$36.5 million and \$32.2 million, respectively. We had federal and state tax credit carryforwards of approximately \$5.1 million and \$5.6 million at December 31, 2022 and 2021, respectively. The state net operating loss carryforwards started to expire beginning in 2022; the tax credit carryforwards will begin to expire in 2024.

We assess the available positive and negative evidence to estimate whether sufficient future taxable income will be generated to permit use of the existing deferred tax assets. As of December 31, 2022, a total valuation allowance of \$20.0 million was recorded to reduce deferred tax assets to an amount that is more likely than not to be realized. Should we determine we will be able to realize additional deferred tax assets, the tax benefits relating to any reversal of the valuation allowance will be accounted for as a reduction of income tax expense.

For the year ended 2022 and for period from March 17, 2021 to December 31, 2021, our provision for income taxes is \$0.4 million and \$39 thousand respectively, and the related effective tax rate is (15.9)% and (0.4)%, respectively.

11. Fair Value

Applicable accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). We measure our assets and liabilities using inputs from the Level 1, Level 2 and Level 3 of the fair value hierarchy.

Cash, accounts receivable, and accounts payable carrying values on our consolidated balance sheets approximate fair value due to the short-term nature of these items.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

We estimate the fair value of our notes receivable using expected future payments discounted at risk-adjusted rates, both of which are Level 3 inputs. We estimate the fair value of our finance lease obligations using expected future payments discounted at risk-adjusted rates, both of which are Level 3 inputs. Estimated fair values of financial instruments (in thousands) are shown in the table below.

12. Related Party Transactions

During the period from January 1, 2021 through March 16, 2021, the Company paid \$21,000 in management fees to Merritt Hospitality, LLC (“Merritt”), an affiliate of HEI Hotels and Resorts (“HEI”), for management of certain company operated properties. One of the former members of the Predecessor’s Board of Directors, was an officer of HEI. These management fees were included in hotel operations expense in the consolidated statements of comprehensive loss.

Additionally, five hotels managed by Merritt purchased services provided by us through our all-in-one cloud-based hospitality management suite, Canvas Integrated Systems, operated by our wholly owned subsidiary, RLabs, Inc. During the period from January 1, 2021 through March 16, 2021, we recognized revenue of \$0.2 million for services sold to these hotels. These amounts were included in other fee revenue in the consolidated statements of comprehensive loss.

The relationship with Merritt was no longer considered a related party after the completion of the Merger.

13. Dispositions

In February 2021, we disposed of one company operated hotel, comprising net assets of \$7.7 million, for cash proceeds of \$7.5 million. This disposition resulted in a loss of \$0.2 million.

As of December 31, 2022, we held for sale a hotel in Baltimore, MD. We expect to sell these assets in March 2023. The following table presents the assets of the hotel within assets held for sale and liabilities within liabilities held for sale in our consolidated balance sheets as of December 31, 2022.

Subsequent to the Acquisition Date, \$0.8 million in cash was exchanged in settlement of certain restricted and preferred stock units, or RSU/PSU Settlement. In accordance with the applicable accounting guidance, we included \$0.2 million of the RSU/PSU Settlement in the RLH Consideration and a corresponding liability for purchase price accounting.

Opinion

We have audited the consolidated financial statements of Red Lion Hotels Corporation (the "Company"), which comprise the consolidated balance sheet as of December 31, 2021, and the related consolidated statements of comprehensive loss, shareholders' equity, and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Predecessor Auditor's Opinion on 2020 Financial Statements

The financial statements of the Company as of and for the year ended December 31, 2020 were audited by other auditors whose report, dated March 22, 2021, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Organization

Red Lion Hotels Corporation ("RLH Corporation," "RLHC," "we," "our," "us," or "company") is primarily engaged, through its subsidiaries, in the franchising and ownership of hotels of its proprietary brands, including the following brands that are being actively sold in the United States and Canada: Sonesta Hotels and Resorts, Sonesta ES Suites, Sonesta Simply Suites, Sonesta Select, Hotel RL, Red Lion Hotels, Red Lion Inn & Suites, GuestHouse Extended Stay, Americas Best Value Inn, Canadas Best Value Inn, Knights Inn and Signature Inn. As of December 31, 2021, our system for all our brands included 854 franchised and licensed hotels and 3 company operated hotels.

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which we operate.

While it is unknown how long these conditions will last and what the complete financial effect will be to the company, it is reasonably possible that estimates made in our consolidated financial statements have been, or will be, materially and adversely impacted in the near term as a result of these conditions. Although we expect our revenues to increase in 2022 compared to 2021 as a result of hotel performance due to increases in expected travel because of pandemic related risk mitigation factors such as vaccination plans and vaccine boosters, we cannot be certain of the extent of the impact of the adverse conditions discussed above on our revenues and cash flows from operations.

On December 30, 2020, RLH Corporation entered into a definitive merger agreement ("Merger Agreement") with Sonesta International Hotels Corporation ("Sonesta") under which RLHC would be acquired by Sonesta in an all-cash transaction ("Merger"). Under the terms of the Merger Agreement, holders of RLHC's common stock, RSUs, and PSUs would receive \$3.50 per share or unit in cash. On March 16, 2021, RLHC's shareholders voted and approved the Merger Agreement with Sonesta. On March 17, 2021, the Merger closed and, subsequently, consideration totaling \$87.9 million was transferred from Sonesta to RLHC shareholders. RLHC has delisted from the NYSE and provided notice to eliminate public filing requirements. See Note 15 for further discussion of the impact of this transaction on our consolidated financial statements.

2. Summary of Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

As a result of the Merger, for accounting purposes, RLHC was acquired by Sonesta. The Merger was accounted for as a business combination under the scope of the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") Topic 805, *Business Combinations*, ("ASC 805"), and Sonesta was considered the accounting acquirer. Accordingly, the financial statement presentation includes the consolidated financial statements of RLHC as "Predecessor" for periods prior to March 17, 2021 (the "Closing Date") and as "Successor" for periods after the Closing Date.

The consolidated financial statements have been prepared by us in accordance with generally accepted accounting principles in the United States of America, or GAAP, and include all accounts and controlled subsidiaries' accounts. All inter-company accounts have been eliminated upon consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could materially differ from those estimates.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Reclassifications

For the year ended December 31, 2020, amounts received as rebates from preferred vendors used by our franchised hotels were presented as revenues in the other fee revenue line item in our consolidated statements of comprehensive loss. These rebates were previously presented as a reduction to general, administrative and other expenses. We have reclassified this item in our consolidated statements of comprehensive loss for 2020 resulting in increases of \$0.1 million to other fee revenue and general, administrative and other expenses, respectively. This had no impact on previously reported net loss.

Revenue Recognition

Revenue is generally recognized as services are provided. Revenues are primarily derived from franchise contracts with third-party hotel owners, as well as from individual hotel guests and corporate patrons at our owned and leased hotels. The majority of compensation received for our performance obligations is variable or fixed consideration from our franchise contracts or fixed transactional guest consideration through our owned and leased hotels. We recognize the variable fees as the services to which they relate are delivered, applying the prescribed variable consideration allocation guidance. In certain circumstances, we defer consideration and recognize consideration over time as the related performance obligations are satisfied.

Franchised hotels revenue

We identified the following services as one performance obligation in connection with our franchise contracts:

- *Intellectual Property (IP)* licenses grant a non-exclusive, limited revocable license to the RLHC trademarks and hotel names.
- *Manual and Training Services* provide operational assistance unique to the RLHC brands, business model and standards.
- *Reservation Services* are provided through direct or indirect system access.
- *Marketing Services and Arrangements* benefit the overall hotel network and include brand promotions, direct guest marketing, brand name marketing and various other programs targeted at advertising to guests.
- *Brand Conference* is provided typically annually for third party owners to gather and attend educational seminars and brand informational presentations. However, there was no conference during 2021 and only a virtual conference during 2020.

The performance obligation related to franchise revenues is delivered over time. While the underlying services may vary from day to day, the nature of the promises are the same each day, other than the Brand Conference, which is recognized in the month the service is provided, and the property owner can independently benefit from each day's services. Franchise fees for midscale agreements are typically based on the sales or usage of the underlying hotel, with the exception of fixed upfront fees that usually represent an insignificant portion of the transaction price. Franchise fees for economy agreements are typically fixed fee for royalties and marketing based on the room count of the hotel.

Franchise revenues represent fees earned in connection with the licensing of one of our brands, usually under long-term contracts with the property owner, and include the following:

- *Franchise fees* are royalties generally based on a percentage of a hotel's monthly gross room revenue or a fixed monthly fee based on room count. These fees are typically billed and collected monthly, and revenue is generally recognized at the same time the fees are billed.
- *System, reservation and marketing fees* are associated with our brands and shared services, which are paid from fees collected by us from the franchised properties. Revenue is generally recognized on a gross basis as fees are billed, which are based on the underlying hotel's sales or usage (e.g., gross room revenues and number of reservations processed) and expenses are expected to equal the revenues over time.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- *Other fee revenue* are primarily charges for services provided to franchised properties for revenue management and quality assurance inspections as well as liquidated damages paid if an agreement is terminated early.

Any consideration paid to incentivize hotel owners to enter into franchise contracts is capitalized and reduces revenues as amortized over the length of the contract. Application fees paid at the initiation of a franchise contract are capitalized and amortized to revenues over the length of the contract. The commission or direct costs of acquiring the contract or modification are recorded as contract acquisition costs and are recognized in franchise costs when amortized on a straight-line basis as a reduction of franchise fees and system, reservation and marketing fees in the consolidated statements of comprehensive loss over the length of the contract.

Company operated hotels revenue

We identified the following performance obligations in connection with our owned and leased hotel revenues, for which revenue is recognized as the respective performance obligations are satisfied, which results in recognizing the amount we expect to be entitled to for providing the goods or services to the hotel customer or guest:

- *Room reservations or ancillary services* are typically satisfied as the good or service is transferred to the hotel guest, which is generally when the room stay occurs.
- *Other ancillary goods and services* are purchased independently of the room reservation at standalone selling prices and are considered separate performance obligations, which are satisfied when the related good or service is provided to the hotel guest.

Hotel operations revenue primarily consist of hotel room rentals, revenue from accommodations sold in conjunction with other services (e.g., package reservations), food and beverage sales and other ancillary goods and services (e.g., parking) related to owned, leased and consolidated non-wholly owned (joint venture) hotel properties. Revenue is recognized when rooms are occupied or goods and services have been delivered or rendered, respectively. Payment terms typically align with when the goods and services are provided.

Taxes and fees collected on behalf of governmental agencies

We are required to collect certain taxes and fees from customers on behalf of governmental agencies and remit these back to the applicable governmental agencies on a periodic basis. We have a legal obligation to act as a collection agent. We do not retain these taxes and fees and, therefore, they are not included in our measurement of transaction prices. We have elected to present revenue net of sales taxes and other similar taxes. We record a liability when the amounts are collected and relieve the liability when payments are made to the applicable taxing authority or other appropriate governmental agency.

Cash and Cash Equivalents

All highly liquid investments purchased with an original maturity of three months or less are considered to be cash equivalents. At times, cash balances at banks and other financial institutions may be in excess of federal insurance limits.

Restricted Cash

Restricted cash was comprised solely of an earnest money deposit related to the purchase and sale agreement for the Hotel RL Olympia hotel prior to the closing of the sale. See Notes 3 and 7 for further information on this hotel and Note 14 for additional information regarding the hotel disposition.

Allowance for Doubtful Accounts

The ability to collect individual accounts or notes receivable is reviewed on a routine basis. An allowance for doubtful accounts is recognized based on a combination of reserves calculated based on underlying characteristics of receivables (such as the age of the related receivable) as well as specifically identified amounts believed to be uncollectible. If actual collection experience changes, revisions to the allowance may be required and if all attempts to collect a receivable fail, it is recorded against the allowance. The estimate of the allowance for doubtful accounts may be impacted by, among other things, national and regional economic conditions.

The following schedule summarizes the activity in the allowance account for trade accounts receivable for each of the periods during the past two years (in thousands):

Prepaid Expenses and Other Current Assets

Prepaid expenses and other current assets primarily include prepayments for insurance, taxes, deposits, and advertising costs. This caption also consists of a small number of notes receivable to franchisees. We carry notes receivable at their estimated collection amount, and they are classified as either current or long-term depending on the expected collection date. Interest income on notes receivable is recognized using the interest method.

Due from Related Parties

Due from related parties represents cash transferred to a central concentration account held by our owner, Sonesta, offset by certain vendor and payroll related payments made by Sonesta on our behalf (“Cash Transfers”). Cash Transfers are included in cash transfers to parent for centralized cash management as an investing activity in our consolidated statements of cash flows.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. The cost of improvements that extend the life of property and equipment are capitalized. Repairs and maintenance charges are recognized as an expense as incurred.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Leases

We determine if an arrangement is a lease or contains a lease at inception. If an arrangement is a lease or contains a lease, we then determine whether the lease meets the criteria of a finance lease or an operating lease. Operating leases are included in operating lease right-of-use assets, operating lease liabilities, due within one year, and Operating lease liabilities, due after one year, in our consolidated balance sheets. We reassess if an arrangement is or contains a lease upon modification of the arrangement.

At the commencement date of a lease, we recognize a lease liability for contractual fixed lease payments and a corresponding right-of-use asset representing our right to use the underlying asset during the lease term. The lease liability is measured initially as the present value of the contractual fixed lease payments during the lease term. The lease term additionally includes renewal periods only if it is reasonably certain that we will exercise the options. Contractual fixed lease payments are discounted at the rate implicit in the lease when readily determinable. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at the commencement date. Additionally, we elected not to recognize leases with lease terms of 12 months or less at the commencement date in our consolidated balance sheets. The right-of-use asset is recognized at the amount of the lease liability with certain adjustments, if applicable. These adjustments include lease incentives, prepaid rent, and initial direct costs.

Indefinite-Lived Intangible Assets

Through prior business combinations we have obtained intangible assets related to our Americas Best Value Inn, Canadas Best Value Inn, Guesthouse, and Knights Inn. As a result of the Merger intangible assets were recognized for Red Lion brands as well. At the time of each acquisition, the brands were assigned a fair value based on the relief from royalty method. As there are no limitations on the useful lives of these assets, we have determined they are indefinite-lived intangible assets that will not be amortized. Annually, on October 1, we reassess the useful lives of each asset to determine if they should continue to be classified as indefinite and we additionally test the assets for impairment. Impairment may also be tested at any point in which facts and circumstances indicate that it is more likely than not that the fair value of the asset is less than the carrying amount. As part of the impairment test, we may elect to perform an assessment of qualitative factors. If this qualitative assessment indicates that it is more likely than not that the fair value of the asset is less than its carrying amount, or if we elect to bypass the qualitative assessment, we would then proceed with a quantitative assessment. The quantitative assessment involves calculating an estimated fair value of the asset using the relief from royalty method, and comparing the estimated fair value of the asset to its carrying amount. If the estimated fair value of the asset exceeds its carrying value, no impairment is recognized. However, if the carrying amount of the asset exceeds its fair value, an impairment loss is recognized in an amount equal to the excess.

On October 1, 2020, we recognized impairment losses on the Americas Best Value Inn, Knights Inn and Canadas Best Value Inn brand name indefinite-lived intangible assets of \$8.0 million, \$1.9 million and \$0.3 million, respectively. The impairment losses are included in asset impairment in our consolidated statements of comprehensive loss. See further discussion of the impairment and reclassification at Note 5. There were no impairment losses recognized during the year ended December 31, 2021.

Valuation of Long-Lived Assets Including Finite-Lived Intangible Assets

We test long-lived asset groups, including finite-lived intangible assets, for recoverability when changes in circumstances indicate the carrying value may not be recoverable. For example, when there are material adverse changes in projected revenues or expenses, significant underperformance relative to historical or projected operating results, or significant negative industry or economic trends. We also perform a test for recoverability when management has committed to a plan to sell or otherwise dispose of an asset group. We evaluate recoverability of an asset group by comparing its carrying value to the future net undiscounted cash flows that we expect will be generated by the asset group. If the comparison indicates that the carrying value of an asset group is not recoverable, we recognize an impairment loss for the excess of carrying value over the estimated fair value. When we recognize an impairment loss for assets to be held and used, we depreciate the adjusted carrying amount of those assets over

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

their remaining useful life.

During the year ended December 31, 2020, we recognized an impairment loss on our Red Lion Hotel Seattle Airport property of \$2.5 million and an impairment loss of \$3.2 million on our Hotel RL Olympia joint venture property. These losses are included in asset impairment in our consolidated statements of comprehensive loss. See further discussion of the impairment losses at Note 4. There were no impairment losses recognized during the year ended December 31, 2021.

Goodwill

Goodwill is assigned to our reporting units based on the expected benefit from the synergies arising from each business combination, determined by using certain financial metrics. The reporting units include franchise operations and company operated hotel operations. Goodwill is not amortized, but we test goodwill for impairment each year as of October 1, or more frequently should facts and circumstances indicate that it is more likely than not that the fair value of a reporting unit is less than the carrying amount. As part of the impairment test, we may elect to perform an assessment of qualitative factors. If this qualitative assessment indicates that it is more likely than not that the fair value of a reporting unit, including goodwill, is less than its carrying amount, or if we elect to bypass the qualitative assessment, we would then proceed with a quantitative assessment. The quantitative assessment involves calculating an estimated fair value of each reporting unit based on projected future cash flows, and comparing the estimated fair values of the reporting units to their carrying amounts, including goodwill. If the estimated fair value of the reporting unit exceeds its carrying value, including goodwill, no impairment is recognized. However, if the carrying amount of a reporting unit, including goodwill, exceeds its fair value, an impairment loss is recognized in an amount equal to the excess, limited to the total goodwill balance of the reporting unit.

We have not recognized any impairment on goodwill during the years ended December 31, 2021 and 2020.

Variable Interest Entities

We analyze the investments we make in joint venture entities based on the accounting guidance for variable interest entities (VIEs). These joint ventures are evaluated to determine whether (1) sufficient equity at risk exists for the legal entity to finance its activities without additional subordinated financial support or, (2) as a group, the holders of the equity investment at risk lack one of the following characteristics (a) the power, through voting or similar rights, to direct the activities of the legal entity that most significantly impact the entity's economic performance or, (b) the obligation to absorb the expected losses of the legal entity or (c) the right to receive expected residual returns of the legal entity, or (3) the voting rights of some equity investors are not proportional to their obligations to absorb the losses or the right to receive benefits and substantially all of the activities either involve or are conducted on behalf of an investor with disproportionately few voting rights. If any one of the above three conditions are met then the joint venture entities are considered to be VIEs.

We consolidate the results of any such VIE in which we determine that we are the primary beneficiary. We are considered to be the primary beneficiary of an entity if we have both the power to direct the activities that most significantly affect the VIE's economic performance and the obligation to absorb the losses of, or right to receive the benefits from, the VIE that could be potentially significant to the VIE. In February 2021, we sold the Hotel RL Olympia hotel, which was the last remaining joint venture property. After the final liquidating distribution was made to the joint venture partner in July 2021, we no longer had any VIEs.

Other Long Term Assets

Other long term assets primarily consist of key money arrangements with certain of our franchisees and IT system implementation and license costs, for both our franchisees and our company operated hotels. We recognize key money paid in conjunction with entering into long-term franchise agreements as other long term assets on our consolidated balance sheets and amortize the amount paid as a reduction of revenue over the term of the franchise agreements. The portion of these costs that will be amortized over the following 12 months are classified as prepaid expenses and other current assets on our consolidated balance sheets. IT system

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

implementation and license costs represent costs incurred to implement, operate and maintain RevPak, our proprietary guest management system application and are amortized over the initial term of the software license arrangement or the current license period, as applicable.

Fair Value Measurements

Applicable accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). We measure our assets and liabilities using inputs from the following three levels of the fair value hierarchy:

- Level 1 inputs are unadjusted quoted prices in active markets for identical assets or liabilities that we have the ability to access at the measurement date.
- Level 2 inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data by correlation or other means (market corroborated inputs).
- Level 3 includes unobservable inputs that reflect assumptions about what factors market participants would use in pricing the asset or liability. We develop these inputs based on the best information available, including our own data.

Income Taxes

We account for income taxes under the asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been included in the financial statements. Under this method, deferred tax assets and liabilities are determined on the basis of the differences between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date.

We recognize deferred tax assets to the extent that we believe these assets are more likely than not to be realized. In making such a determination, we consider all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax-planning, and results of recent operations. At December 31, 2021 and 2020, a partial valuation allowance was recorded to reduce our deferred tax assets to an amount that is more likely than not to be realized. If we determine that we would be able to realize our deferred tax assets in the future in excess of their net recorded amount, we would make an adjustment to the deferred tax asset valuation allowance, which would reduce the provision for income taxes.

We classify any interest expense and penalties related to underpayment of taxes and any interest income on tax overpayments as components of income tax expense.

If applicable, we record uncertain tax positions in accordance with Accounting Standards Codification (ASC) 740 on the basis of a two-step process whereby (1) we determine whether it is more likely than not that the tax positions will be sustained on the basis of the technical merits of the position and (2) for those tax positions that meet the more-likely-than-not recognition threshold, we recognize the largest amount of tax benefit that is more than 50 percent likely to be realized upon ultimate settlement with the related tax authority. There were no uncertain tax positions during the years ended December 31, 2021 and 2020.

Advertising and Promotion

Costs associated with advertising and promotional efforts are generally recognized as incurred.

New Accounting Pronouncements Not Yet Adopted

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326) – Measurement of Credit Losses on Financial Instruments*, which will change how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The ASU will replace the current "incurred loss" approach with an "expected loss" model for instruments measured at amortized cost. For trade and other receivables, held to maturity debt securities, loans and other instruments, entities will be required to use a new forward-looking "expected loss" model that generally will result in the earlier recognition of allowances for losses. For non-public entities, ASU 2016-13 is effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. We are currently evaluating the effects of this ASU on our financial statements, and such effects have not yet been determined.

We have assessed the potential impact of other recently issued, but not yet effective, accounting standards and determined that the provisions are either not applicable to us or are not anticipated to have a material impact on our consolidated financial statements.

3. Variable Interest Entities

Our joint venture entities have been determined to be variable interest entities (VIEs), and RLH Corporation has been determined to be the primary beneficiary of each VIE. Therefore, we consolidate the assets, liabilities, and results of operations of RL Venture LLC (RL Venture) and RLS DC Venture LLC (RLS DC Venture). Subsequent to the hotel sales in the first quarters of 2020 and 2021 discussed further below, RL Venture and RLS DC Venture have had no additional financial statement activity and have no remaining asset or liability balances.

RL Venture

We own a 55% interest in RL Venture, with the remaining 45% owned by Shelbourne Falcon RLHC Hotel Investors LLC (Shelbourne Falcon), an entity that is led by Shelbourne Capital LLC (Shelbourne). The hotels owned by RL Venture were managed by RL Management, one of our wholly-owned subsidiaries, subject to a management agreement until December 2018, at which point management of the hotels was outsourced to a third party management company. RL Venture is considered a variable interest entity because our voting rights are not proportional to our financial interest and substantially all of RL Venture's activities are conducted on our behalf. We have determined that we are the primary beneficiary as (a) we exert power over two of the entity's key activities (hotel operations and property renovations) and share power over the remaining key activities with Shelbourne Falcon, which does not have the unilateral ability to exercise kick-out rights, and (b) we have the obligation to absorb losses and right to receive benefits that could be significant to the entity through our 55% equity interest and management fees. As a result, we consolidate RL Venture. The equity interest owned by Shelbourne Falcon is reflected as a noncontrolling interest in our consolidated financial statements.

In March 2020, secured loans with an aggregate principal of \$16.6 million were entered into for two RL Venture properties, Hotel RL Salt Lake City and Hotel RL Olympia. Shortly thereafter, the net loan proceeds were distributed to us and our joint venture partner in accordance with our respective ownership percentages.

In December 2020, the Hotel RL Salt Lake City sold for \$33.0 million. Proceeds from this sale were used to repay in full the secured loan for the Hotel RL Salt Lake City property as discussed further in Note 7. In February 2021, the Hotel RL Olympia sold for \$8.0 million. Proceeds from this sale were used to repay in full the secured loan for the Hotel RL Olympia property as discussed further in Note 7. As of December 31, 2021 all properties in RL Venture had been disposed of and the entity has been liquidated.

Cash distributions may also be made periodically based on calculated distributable income. During the period from March 17, 2021 through December 31, 2021, RL Venture made a final cash distributions of \$2.0 million, of which we received \$1.1 million.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

No distributions were made during year ended December 31, 2020 or during the period from January 1, 2021 through March 16, 2021.

RLS DC Venture

We own 55% of RLS DC Venture, and Shelbourne Falcon DC Investors LLC (Shelbourne Falcon IV), an entity led by Shelbourne, owns 45%. RLH DC LLC, which is wholly-owned by RLS DC Venture, owned a Hotel RL in Washington DC, which was managed by RL Management until December 2018, at which point management of the hotel was outsourced to a third party management company. RLS DC Venture was considered a variable interest entity because our voting rights were not proportional to our financial interest, and substantially all of RLS DC Venture's activities were conducted on our behalf. We determined that we were the primary beneficiary as (a) we exerted power over the entity's key activities (hotel operations and property renovations) and shared power over the remaining key activities with Shelbourne Falcon IV, which did not have the unilateral ability to exercise kick-out rights, and (b) we had the obligation to absorb losses and right to receive benefits that could be significant to the entity through our 55% equity interest and management fees. As a result, we consolidated RLS DC Venture.

In February 2020, the Hotel RL in Washington DC, which was wholly-owned by RLS DC Venture, was sold for \$16.4 million. Using proceeds from the sale, together with the release of \$2.3 million in restricted cash held by CP Business Finance I, LP, RLS DC Venture repaid the remaining outstanding principal balance and accrued exit fee under the secured loan agreement. The \$2.4 million balance remaining in non-controlling interest for the entity was reclassified to additional paid-in capital in our consolidated balance sheets as no remaining distributions to the joint venture partner were required.

4. Property and Equipment

Property and equipment used in continuing operations is summarized as follows (in thousands):

<u>Asset Description</u>	<u>Successor</u>		<u>Predecessor</u>		<u>Estimated Useful Lives</u>
	<u>December 31, 2021</u>		<u>December 31, 2020</u>		
Land	\$	3,800	\$	5,595	N/A
Buildings and equipment		6,822		31,818	Up to 25 years
Furniture and fixtures		6,375		2,442	Up to 7 years
Landscaping and land improvements		25		294	Up to 10 years
Construction in progress		162		575	N/A
		<u>17,184</u>		<u>40,724</u>	
Accumulated depreciation		<u>(2,955)</u>		<u>(13,191)</u>	
Real estate property, net	\$	<u>14,229</u>	\$	<u>27,533</u>	

In the first quarter of 2020, we considered the actual and anticipated economic impacts of the COVID-19 pandemic on our financial results to be an indicator that the carrying value of our long-lived assets might not be recoverable. Accordingly, we performed a test for recoverability using probability-weighted undiscounted cash flows on our long-lived assets as of March 31, 2020. Only the Red Lion Hotel Seattle Airport ("RLH Seattle"), one of our company operated hotel properties under a lease through February 2024, did not recover the carrying value of the long-lived asset group in the test for recoverability, due to the short useful life and lack of terminal value. After calculating the fair value of the RLH Seattle property long-lived asset group, we recognized an impairment loss of \$1.8 million in the first quarter of 2020.

During the third quarter of 2020, we noted an additional indicator that the carrying value of our long-lived assets might not be recoverable at RLH Seattle as the impacts of COVID-19 on business travel have been worse than initially projected in the first quarter of 2020, particularly impacting this airport location. We performed an updated test for recoverability using probability-weighted cash flows on the long-lived assets of RLH Seattle as of September 30, 2020, noting they did not recover the carrying value of the long-lived asset group. After calculating the fair value of the property's asset group, we recognized an additional impairment loss of \$0.7 million in the third quarter of 2020.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Fair values for the RLH Seattle property were determined based on a discounted cash flow analysis, which is a Level 3 fair value measurement. Key inputs to the fair value measurement for these assets included forecasted revenues expected to be generated by the hotel, factoring in the market it serves, as well as forecasted operating costs and capital expenditures that would be incurred by a market participant. The impairment losses were allocated to the assets within the long-lived asset group on a pro rata basis, with \$2.1 million applied against the hotel building leasehold interest and other equipment, included within property and equipment, net and \$0.4 million applied against the operating lease right-of-use asset in our consolidated balance sheets.

In the fourth quarter of 2020, we entered into a non-binding sales agreement with a third party for the Hotel RL Olympia, another of our company operated properties. Due to the potential for disposal within 12 months, we performed an updated test for recoverability using probability-weighted cash flows on the long-lived assets of the Hotel RL Olympia as of December 31, 2020, noting they did not recover the carrying value of the long-lived asset group. After calculating the fair value of the property's asset group, we recognized an impairment loss of \$3.2 million in the fourth quarter of 2020. The fair value was determined based on the contractual selling price less expected costs to sell, which is a Level 3 fair value measurement. The impairment loss was allocated within the long-lived asset group on a pro rata basis, with the \$3.2 million applied against the hotel land and building, included within property and equipment, net in our consolidated balance sheets. There were no other impairments of our long-lived assets in 2020.

During the period from January 1, 2021 through March 16, 2021, we sold one hotel for a loss of \$0.2 million and during the year ended December 31, 2020, we sold two hotel properties for a gain of \$7.9 million. There were no dispositions during the period from March 17, 2021 through December 31, 2021. See further discussion of these dispositions at Note 14.

Depreciation expense for property and equipment was \$3.3 million, \$1.1 million and \$6.6 million for the period from March 17, 2021 to December 31, 2021, the period from January 1, 2021 to March 16, 2021, and the year ended December 31, 2020, respectively.

5. Goodwill and Intangible Assets

2020 Impairment

During the fourth quarter of 2020, as part of our annual impairment testing of indefinite lived intangible assets, we identified an impairment of \$8.0 million on our Americas Best Value Inn indefinite lived brand name, an impairment of \$1.9 million on our Knights Inn indefinite lived brand name, and an impairment of \$0.3 million on our Canadas Best Value Inn indefinite lived brand name. The impairment losses recognized on these brands resulted primarily from deterioration in the overall economy due to the impact of COVID-19, which significantly impacted unobservable inputs, such as the discount rate and terminal cap rate, used in our discounted cash flow analysis. These brand name assets continue to be classified as indefinite lived intangible assets as we are committed to the support and growth of these brands as part of our long term business strategy. The impairment losses are included in the *Asset Impairment* caption in our consolidated statements of comprehensive loss. No impairments were identified in the annual impairment testing of our goodwill and other indefinite lived intangible assets during either of the periods in the year ended December 31, 2021.

The inputs used to measure the fair values of the Americas Best Value Inn, Knights Inn and Canadas Best Value Inn brand names were largely unobservable, and accordingly, these measures are classified as Level 3. The fair values of the brand names were estimated based on the relief from royalty method, which models the cash flows from the brand intangibles assuming royalties were received under a licensing arrangement. This discounted cash flow analysis uses inputs such as forecasted future revenues attributable to the brand, assumed royalty rates, a risk-adjusted discount rate that approximates the estimated cost of capital, and a terminal cap rate. The unobservable inputs used in this valuation included projected revenue growth rates, royalty rates, discount rate, and the terminal cap rate. The Company used a discount rate of 14.5% and a terminal cap rate of 11.5%.

At December 31, 2021 and 2020, our intangible assets were as follows (in thousands):

Inner Circle

In July 2019, the parent entities for eight Inner Circle franchisees and the operating entities for two other Inner Circle franchisees all filed for voluntary bankruptcy protection under Chapter 11 of the United States Bankruptcy Code.

Of the \$7.1 million in accounts receivable and notes receivable balances related to these franchisees, including unamortized key money converted to notes receivable upon termination of contracts, we recognized bad debt expense and an allowance of \$0.8 million in 2019 and bad debt expense and an allowance for the remaining \$6.3 million in the first quarter of 2020 when the reduction in fair value of collateral combined with timing of bankruptcy proceedings made it apparent the balances were highly unlikely to be recoverable. These balances were written off in the fourth quarter of 2020 when it was confirmed no proceeds would be received from the bankruptcy proceedings.

Other Allowances

We recognized additional bad debt expense of \$4.9 million in the year ended December 31, 2020, primarily related to large balances under legal dispute and aged balances from terminated agreements that were negatively impacted by the economic effects of the COVID-19 pandemic, along with terminated franchise agreements.

7. Debt and Line of Credit

Our only debt as of December 31, 2020 was a mortgage note for the Hotel RL Olympia property for \$5.6 million that was classified as a current liability. There was no debt as of December 31, 2021 as the Hotel RL Olympia mortgage note was paid in full during 2021 as described below.

RL Venture - Olympia

In March 2019, RL Olympia, LLC, a subsidiary of RL Venture, executed a secured debt agreement with Umpqua Bank for a term loan with a principal balance of \$5.6 million. The loan was secured by the Hotel RL Olympia property, on a nonrecourse basis. The loan had a maturity date of March 18, 2021 and a variable interest rate of LIBOR plus 2.25%, payable monthly. There were no principal payment requirements prior to the maturity date and the loan included a financial covenant to be calculated semi-annually in which the property must maintain a minimum debt service coverage ratio of not less than 1.6 to 1.0. We incurred approximately \$33,000 of debt discounts and debt issuance costs in connection with the issuance of the loan.

In February 2021, the Hotel RL Olympia property was sold and the \$5.6 million principal balance of the loan was paid in full.

RLH DC

In May 2019, RLH DC executed a new mortgage loan agreement with CP Business Finance I, LP ("RLH DC Venture - CPBF"), secured by the Hotel RL Washington DC and a \$10.5 million principal guarantee by RLH Corporation. The initial principal amount of the loan was \$16.5 million. The proceeds from the loan were immediately used to pay off the existing mortgage loan on the property held by Pacific Western Bank, which had an outstanding principal balance of \$15.9 million at the time of closing.

The RLH DC Venture - CPBF loan had an initial maturity date of June 21, 2019, with a first extension option through May 31, 2020 that was exercised in June 2019, and a second extension option through May 31, 2021. There was a fee of \$330,000 to

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

exercise the first extension option. The RLH DC Venture - CPBF had a cash interest rate of 7.0% in addition to PIK interest of 3.0% through May 31, 2020.

The RLH DC Venture - CPBF loan contained an exit fee equal to 5.0% of the outstanding principal balance if the loan was paid off prior to May 31, 2020. Additionally, if the loan was paid down prior to May 31, 2020, a prepayment premium had to be paid. The prepayment premium was equal to the remaining cash and PIK interest that would have been payable from the prepayment date through May 31, 2020.

As the exit fee was payable regardless of loan repayment prior to or at maturity, we had accrued the projected exit fee of \$851,000 as part of the outstanding debt balance with an offsetting debt discount. Inclusive of the accrued exit fee, we had incurred cumulative debt discounts and debt issuance costs of \$1.4 million, which were to be amortized to interest expense through the first extended maturity date of May 31, 2020.

In February 2020, we sold the Hotel RL Washington DC for \$16.4 million. Using proceeds from the sale, together with the release of \$2.3 million in a loan reserve held by the lender, CP Business Finance I, LP, RLH DC repaid the remaining outstanding principal balance and accrued exit fee under the RLH DC Venture - CPBF loan agreement of \$17.7 million. Due to the early extinguishment of this debt, in the first quarter of 2020, we recognized a loss on early retirement of debt of \$1.1 million, including a prepayment penalty of \$0.6 million.

Paycheck Protection Program ("PPP") Loan

On April 21, 2020, RLHC received \$4.2 million in loan proceeds issued pursuant to the PPP of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). In accordance with the CARES Act, RLHC planned to use proceeds from the Loan primarily for payroll costs, rent, and utilities as we concluded we met the certification criteria under the initial requirements of the PPP. However, on April 24, 2020, the U.S. government published additional guidance regarding PPP eligibility. As a result of this new guidance, we determined it was no longer clear that we met the eligibility requirements and accordingly repaid the full amount of the loan in May 2020.

8. Operating Lease Commitments

Lease information (as lessee): As of December 31, 2021 and 2020, we leased office space for our corporate headquarters in Denver, CO under an operating lease that expires in 2023 as well as ground leases for two hotels subject to operating leases with unrelated third parties in Seattle, WA and Kalispell, MT, respectively, that expire in 2024 and 2028, respectively. These leases generally contain fixed contractual rent changes and certain of the leases provide for operating expense reimbursements. We recognize rental expense on leases that contain fixed contractual rent changes on a straight line basis over the terms of the respective leases. We recorded rental expenses, excluding amounts paid for real estate taxes or other building operations, as follows:

	Successor	Predecessor	
	Period from March 17, 2021 to December 31, 2021	Period from January 1, 2021 to March 16, 2021	Year ended December 31, 2020
Office leases ⁽¹⁾	\$ 98	\$ 22	\$ 425
Hotel leases	470	123	1,227
Total	\$ 568	\$ 145	\$ 1,652

(1) Rental expense for our Denver office leases was reduced by \$0.3 million, \$0.1 million, and \$0.3 million of income received under subleases for the period from March 17, 2021 through December 31, 2021, the period from January 1, 2021 through March 16, 2021, and the year ended December 31, 2020, respectively.

RED LION HOTELS CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Rental expenses for our office space leases and our hotel leases are included in general, administrative and other expenses in our consolidated statements of comprehensive loss.

At December 31, 2021, our right of use assets and related lease liabilities totaled \$3.9 million and \$4.8 million, respectively, which represented our future obligations under our operating leases that are determined to be material and are included in operating lease right of use assets and operating lease liabilities, respectively, in our consolidated balance sheets. As of December 31, 2021, the future maturities of lease liabilities are as indicated below (in thousands):

	Total
2022	\$ 1,486
2023	1,449
2024	595
2025	581
2026	593
Thereafter	809
Total lease payments	5,513
Less: imputed interest	(717)
Present value of lease liabilities ⁽¹⁾	\$ 4,796

(1) The weighted average discount rate used to calculate the lease liability and the weighted average remaining term for our leases was 5.80% and 5 years (range of 23 months to 6 years), respectively.

9. Commitments and Contingencies

During the period from March 17, 2021 through December 31, 2021, the Company reached settlements related to a number of litigations that both existed prior to the Merger and were related to the Merger, resulting in aggregate payments and expense recognized of \$3.6 million included in general, administrative and other expense in the consolidated statements of comprehensive loss. There were no settlements or related expenses recognized during the period from January 1, 2021 through March 16, 2021 and the year ended December 31, 2020.

At any given time, we are subject to additional claims and actions incidental to the operation of our business. While the outcome of these proceedings cannot be predicted, it is the opinion of management that none of such proceedings, individually or in the aggregate, will have a material adverse effect on our business, financial condition, cash flows or results of operations.

10. Stock Based Compensation

Stock Incentive Plans

The 2015 Stock Incentive Plan (2015 Plan) authorizes the grant or issuance of various option and other awards including restricted stock units and other stock-based compensation. The 2015 Plan was approved by our shareholders in 2015, and amended in 2017, and as amended provides for awards of 2.9 million shares. As of December 31, 2020, there were 1.3 million shares of common stock available for issuance pursuant to future stock option grants or other awards under the 2015 Plan. This plan was discontinued after the completion of the Merger.

Stock based compensation expense reflects the fair value of stock based awards measured at grant date, including an estimated forfeiture rate, and is recognized over the relevant service period. For the periods during 2021 and 2020, stock-based compensation expense is as follows (in thousands):

Restricted Stock Units, Shares Issued as Compensation

During the year ended December 31, 2020, we granted 235,251 unvested restricted stock units to executive officers and other key employees, which typically vest 25% each year for four years on each anniversary of the grant date. No unvested restricted stock units were granted at any point in 2021. While all of the shares are considered granted, they are not considered issued or outstanding until vested. There were no unvested restricted stock units outstanding at December 31, 2021 as all unvested restricted stock units were cancelled at the date of the Merger and cash of \$3.50 per unit was paid to the unit holders in accordance with the Merger Agreement.

A summary of restricted stock unit activity for the period from January 1, 2021, through March 16, 2021, is as follows:

Balance, March 16, 2021	<u>-</u>	<u>\$ -</u>

Unrestricted Stock Awards

Unrestricted stock awards are granted to members of our Board of Directors as part of their compensation. Awards are fully vested and expense is recognized when granted. The fair value of unrestricted stock awards is the market close price of our common stock on the date of the grant. During the period ended January 1, 2021 through March 16, 2021 and the year ended December 31, 2020, we recognized approximately \$0.1 million and \$0.4 million, respectively, in compensation expense related to these grants. Awards granted during the period from January 1, 2021 through March 16, 2021 were settled in cash as a result of the Merger. No expense for these grants was recognized during the period from March 17, 2021 through December 31, 2021.

Employee Stock Purchase Plan

The employee stock purchase plan (ESPP) was approved in 2008, and amended in 2017, and as amended authorizes 600,000 shares for purchase by eligible employees under the ESPP. The ESPP was suspended upon the announcement of the Merger Agreement and is to be terminated upon closing of the Merger. All outstanding employee contributions for the second half of 2020 were refunded. The ESPP plan was discontinued after the completion of the Merger.

Prior to suspension of the ESPP, eligible employees could purchase shares of our common stock at a 15% discount through payroll deductions. No employee could purchase more than \$25,000 worth of shares, or more than 10,000 total shares, in any calendar year. As allowed under the ESPP, a participant could elect to withdraw from the plan, effective for the purchase period in progress at the time of the election with all accumulated payroll deductions returned to the participant at the time of withdrawal. During the year ended December 31, 2020, there were 32,834 shares issued, and approximately \$28,000 was recognized in compensation

expense related to the discount associated with the plan.

11. Income Taxes

The Company is subject to federal and certain state income taxes on its taxable income and/or gross receipts notwithstanding its historical net operating losses. The company is subject to audit for tax years ending December 31, 2021, December 31, 2020, and December 3, 2019.

At December 31, 2021 and 2020, we had federal operating loss carryforwards of \$27.8 million and \$20.3 million, respectively. The federal operating loss carryforwards can be carried forward indefinitely, but are subject to annual deduction limitations under the 2017 Tax Cuts and Jobs Act. At December 31, 2021 and 2020, we had state gross operating loss carryforwards of approximately \$32.2 million and \$29.8 million, respectively. We had federal and state tax credit carryforwards of approximately \$5.6 million and \$5.1 million at December 31, 2021 and 2020, respectively. The state net operating loss carryforwards will expire beginning in 2021; the tax credit carryforwards will begin to expire in 2024.

On March 27, 2020, President Trump signed into law the CARES Act, which generally allows for unlimited use of net operating losses generated in 2020 and 2021 as well as a five year carryback provision and shortening the recovery period for qualified improvement property. The income tax benefit recognized for the year ended December 31, 2021 is principally related to the provisions of the CARES Act.

We assess the available positive and negative evidence to estimate whether sufficient future taxable income will be generated to permit use of the existing deferred tax assets. As of December 31, 2021, the total valuation allowance of \$14.6 million was recorded to reduce deferred tax assets to an amount that is more likely than not to be realized. The amount of the deferred tax asset considered realizable, however, could be adjusted if objective negative evidence in the form of cumulative losses is no longer present and additional weight may be given to subjective evidence such as forecasted taxable income and our projections for growth. Should we determine we will be able to realize additional deferred tax assets, the tax benefits relating to any reversal of the valuation allowance will be accounted for as a reduction of income tax expense.

A reconciliation of the statutory income tax rate to the effective tax rate is as follows:

ASC 740, *Income Taxes*, provides a model for how a company should recognize, measure and present in its financial statements uncertain tax positions that have been taken or are expected to be taken with respect to all open years and in all significant jurisdictions. Pursuant to this accounting standard, we recognize a tax benefit only if it is "more likely than not" that a particular tax position will be sustained upon examination or audit. To the extent the "more likely than not" standard has been satisfied, the benefit associated with a tax position is measured as the largest amount that is greater than 50% likely of being realized upon settlement.

12. Fair Value

Applicable accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). We measure our assets and liabilities using inputs from the Level 1, Level 2 and Level 3 of the fair value hierarchy.

Cash, restricted cash and accounts receivable carrying values on our consolidated balance sheets approximate fair value due to the short-term nature of these items.

We estimate the fair value of our notes receivable using expected future payments discounted at risk-adjusted rates, both of which are Level 3 inputs. We estimate the fair value of our long-term debt and finance lease obligations using expected future payments discounted at risk-adjusted rates, both of which are Level 3 inputs. The fair values provided below are not necessarily indicative of the amounts we or the debt holders could realize in a current market exchange. In addition, potential income tax ramifications related to the realization of gains and losses that would be incurred in an actual sale or settlement have not been taken into consideration. Estimated fair values of financial instruments (in thousands) are shown in the table below.

	Successor		Predecessor

13. Related Party Transactions

During the fourth quarter of 2018, we transitioned management of our company operated Hotel RL Baltimore Inner Harbor and Hotel RL Washington DC from RL Management, Inc., to Merritt Hospitality, LLC ("Merritt"), an affiliate of HEI Hotels and Resorts, of which one of the former members of our Board of Directors, Ted Darnall, is currently the Chief Executive Officer. Additionally, during the first quarter of 2019, management of our company operated hotel Red Lion Hotel Seattle Airport was

RED LION HOTELS CORPORATION

also transitioned from RL Management, Inc. to Merritt. During the period from January 1, 2021 through March 16, 2021 and the year ended December 31, 2020, we paid \$21,000 and \$0.6 million, respectively, in management fees to Merritt for management of these properties. These amounts were included in hotel operations expense in the consolidated statements of comprehensive loss. This relationship was no longer considered a related party after the completion of the Merger.

Additionally, five hotels managed by Merritt purchased services provided by us through our all-in-one cloud-based hospitality management suite, Canvas Integrated Systems, operated by our wholly owned subsidiary, RLabs, Inc. During the period from January 1, 2021 through March 16, 2021 and the year ended December 31, 2020, we recognized revenue of \$0.2 million and \$0.7 million, respectively, for services sold to these hotels. These amounts were included in other fee revenue in the consolidated statements of comprehensive loss. This relationship was no longer considered a related party after the completion of the Merger.

After the completion of the Merger, RLH has distributed cash to Sonesta for working capital purposes and Sonesta has paid a number of vendors on behalf of RLH. The net impact of this activity for the period from March 17, 2021 through December 31, 2021 is a \$26.5 million receivable from Sonesta to RLH, included in due from related parties in our consolidated balance sheets.

14. Dispositions

During the years ended December 31, 2021 and 2020, we continued the execution of a hotel asset sales initiative consistent with our previously stated business strategy to focus on moving towards operations as primarily a franchise company, and disposed of three company operated hotel properties. In February 2021, we disposed of one company operated hotel, comprising net assets of \$7.7 million, for cash proceeds of \$7.5 million. This disposition resulted in a loss of \$0.2 million. During the first quarter of 2020, we disposed of two company operated hotel properties, comprising net assets of \$30.2 million, for cash proceeds of \$37.9 million. These dispositions resulted in a combined gain of \$7.9 million. The dispositions in 2021 and 2020 did not meet the criteria for discontinued operations.

The following summarizes the results of operations for the three properties sold during 2021 and 2020 (in thousands):

	<u>Period from March 17, 2021 to December 31, 2021</u>	<u>Period from January 1, 2021 to March 16, 2021</u>	<u>Year ended December 31, 2020</u>

As of December 31, 2021 and 2020, we had no properties meeting the criteria to be classified as held for sale in our consolidated balance sheets.

15. Business Combination

On March 17, 2021, or the Acquisition Date, the Sonesta completed acquisition of RLH pursuant to a Merger Agreement, where Sonesta acquired 100% of the outstanding common stock and voting interest of RLH.

Total consideration for the RLH Acquisition was \$87.9 million, which the company paid in cash to RLH shareholders. Subsequent to the Acquisition Date, \$0.8 million in cash was exchanged in settlement of certain restricted and preferred stock units, or RSU/PSU Settlement. In accordance with the applicable accounting guidance, we included \$229 of the RSU/PSU Settlement in the RLH Consideration and a corresponding liability for purchase price accounting.

The following table (in thousands) summarizes the estimated fair values of the assets acquired and liabilities assumed at the Acquisition Date. We are in the process of finalizing our calculations related to goodwill and certain deferred tax liabilities;

thus, the provisional measurements of goodwill and deferred tax liabilities (included within assumed non-interest bearing liabilities below) are subject to change.

We reserve all rights with respect to any subsequent transfer to which rights would apply under the Existing Franchise Agreement or the New Franchise Agreement (defined in Section 4 below). Notwithstanding the foregoing, if any term or condition of this Consent is not met by the Franchisee Parties as of the Closing Date (including any representation or warrant that is not true as of the Effective Date or the Closing Date), or the Transfer is not consummated on or before the Outside Date, we may terminate this Agreement and withdraw our consent to the Transfer.

3. **Termination of Existing Franchise Agreement.** Franchisee Parties agree that the Existing Franchise Agreement is terminated as of the Closing Date and shall thereafter be of no further force or effect except as provided in this Agreement. Notwithstanding the foregoing, Assignor Parties acknowledge that (a) the termination does not affect any obligations under the Existing Franchise Agreement that arose or accrued prior to the Closing Date, and (b) the termination does not affect or release Assignor Parties from, and Assignor Parties hereby agree to comply with, any obligations under the Existing Franchise Agreement that, either expressly or by their nature are intended to survive termination of the Existing Franchise Agreement, including, for example, the post-termination obligations (except those obligations pertaining to the de-imaging of the Hotel) and indemnification obligations with respect to claims arising from or based on events which occurred prior to termination.

4. **New Franchise Agreement.** Assignee shall, concurrently with the execution of this Agreement, execute our current form of franchise agreement and related agreements (to reflect that the agreement is executed in connection with a transfer of the rights under the Existing Franchise Agreement) (the "**New Franchise Agreement**"), and Assignee Owner[s] shall execute the Guaranty and Assumption of Obligations attached thereto. The New Franchise Agreement will govern Assignee's ownership and operation of the Hotel from and after the Closing Date. If the Transfer is not consummated on or prior to the Outside Date, and we terminate this Agreement and withdraw our consent to the Transfer, then Assignee acknowledges and agrees that the New Franchise Agreement becomes null and void.

5. **Conditions to Consent.** Our consent to the Transfer is conditioned on all of the following terms and conditions being met on or prior to the Closing Date:

(a) All of the representations and warranties made in this Agreement by the Franchisee Parties must be true and correct as of the Closing Date, and the Franchisee Parties further represent and warrant that, upon the consummation of the Transfer: (i) the Hotel's assets and the [Real Estate / Lease] will be held solely in the name of the Assignee, [and] (ii) neither Assignor nor Assignor Owner[s] provides Assignee or Assignee Owner[s] with any financing in connection with the Transfer[, and (iii) under the Lease, Assignee will have the right to occupy the Hotel's premises during the entire term of the New Franchise Agreement];

(e) Assignor pays or causes to be paid to us a transfer fee of \$_____, as required under the Existing Franchise Agreement, which shall be fully earned by us and is non-refundable;

(f) Assignor pays or causes to be paid to us \$_____, representing the amounts due and owing to us through the Closing Date, including but not limited to any past due amounts related to [insert as applicable]; and

6. **Financing.** Regardless of any provision in any other agreement between any of the Franchisee Parties, if Assignor Parties provide financing for any part of any consideration given or to be given by Assignee Parties for the Transfer, Assignor Parties agree that all of Assignee Parties' and/or their affiliates' obligations under promissory notes, agreements, or security interests reserved in the Hotel are subordinate to our rights and Assignee's obligations under the New Franchise Agreement and any guaranty executed by the Assignee Owner[s] pursuant thereto.

7. **Release.** The Franchisee Parties, and each of them, on behalf of themselves and their respective current and former parents, affiliates, and subsidiaries, and each such foregoing person's or entity's respective agents, spouses, heirs, principals, attorneys, owners, officers, directors, employees, representatives, predecessors, successors, and assigns (collectively, the "**Releasing Parties**"), hereby fully and forever unconditionally release and discharge us and our current and former parents, subsidiaries, and affiliates, and our and each such foregoing entity's respective current and former owners, officers, directors, employees, managers, agents, representatives, predecessors, successors, and assigns (the "**Released Parties**"), of and from any and all claims, obligations, debts, proceedings, demands, causes of actions, rights to terminate and rescind, liabilities, losses, damages, and rights of every kind and nature whatsoever (collectively, "**Claims**"), whether at law or in equity, and known or unknown, which any of the Releasing Parties had, has, or may have had, in any way arising out of or relating to any relationship or transaction with any of the Released Parties, however characterized or described, from the beginning of time until the date set forth below each of the Franchisee Parties' signature to this Agreement, including, without limitation, any and all Claims in any way arising out of or relating to the Existing Franchise Agreement, this Agreement, the relationships created by any of the foregoing, or the development, ownership, or operation of the Hotel, or any other agreements entered into between any of the Released Parties and any of the Releasing Parties. The Releasing Parties further covenant not to sue any of the Released Parties on any of the Claims released by this Section, and warrant and represent that they have not assigned or otherwise transferred any Claims released by this Section.

If the Hotel is located in California or if any of the Franchisee Parties are residents of California, the following shall apply:

Section 1542 Acknowledgment. It is the Franchisee Parties' intention, on their own behalf and on behalf of the Releasing Parties, in executing this release that this Section be and is a general release which shall be effective as a bar to each and every claim, demand, or cause of action released by the Franchisee Parties or the Releasing Parties. The Franchisee Parties recognize that they or the Releasing Parties may have some claim, demand, or cause of action against the Released Parties of which he, she, or it is totally unaware and unsuspecting, which he, she, or it is giving up by executing this release. It is the Franchisee Parties' intention, on their own behalf and on behalf of the Releasing Parties, in executing this instrument that it will deprive him, her, or it of

each such claim, demand, or cause of action and prevent him, her, or it from asserting it against the Released Parties. In furtherance of this intention, the Franchisee Parties, on their own behalf and on behalf of the Releasing Parties, expressly waive any rights or benefits conferred by the provisions of Section 1542 of the California Civil Code, which provides as follows:

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

The Franchisee Parties acknowledge and represent that they have consulted with legal counsel before executing this release and that they understand its meaning, including the effect of Section 1542 of the California Civil Code, and expressly consent that this release shall be given full force and effect according to each and all of its express terms and provisions, including, without limitation, those relating to the release of unknown and unsuspected claims, demands, and causes of action.

If the Hotel is located in Maryland or if any Franchisee Party is a resident of Maryland, the following shall apply:

Any general release provided for hereunder shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

If the Minnesota Franchise Act, Minn. Stat. §§ 80C.01 et seq, governs the parties' franchise relationship, the following shall apply:

Any general release provided for hereunder shall not apply to any liability under the Minnesota Franchise Act.

If the Hotel is located in Washington or if any Franchisee Party is a resident of Washington, the following shall apply:

Any general release provided for hereunder shall not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

8. **Acknowledgment.** In agreeing to the Transfer and entering into this Agreement, the Franchisee Parties acknowledge that: (a) they are relying upon their own judgment regarding the suitability of the terms they have negotiated among themselves; (b) they have read, understand, and fully agree to the terms of this Agreement; (c) they have had the time and opportunity to review this Agreement with counsel of their choice; (d) we have made no promise, inducement or agreement or any representations and warranties not expressed herein to procure their agreement hereto; and (e) our sole role in connection with the Transfer has been to exercise our right under the Existing Franchise Agreement to consent to the Transfer, and if we reviewed certain agreements between or among the Franchisee Parties, neither such review nor the execution of this Agreement shall be deemed our approval or endorsement of such documents (or the terms therein) or a modification of any agreement between us or any Franchisee Party.

9. **Governing Law; Dispute Resolution.** This Agreement will be construed and enforced in accordance with, and is governed by, the laws of the Commonwealth of Massachusetts and any disputes arising hereunder shall otherwise be resolved pursuant to Section 13 (General Provisions) of the Existing Franchise Agreement. Each party hereby irrevocably submits to, and waives any objection it might have to, jurisdiction of and venue in the courts of general jurisdiction nearest to our or, as applicable, our successor's or assign's then current principal place of business (currently, Newton, Massachusetts).

10. **Attorneys' Fees.** Each party shall be responsible for their own costs and fees associated with the preparation of this Agreement. However, in the event of a dispute arising under this Agreement,

the prevailing party in such dispute shall be entitled to an award of reasonable attorneys' fees, costs and expert witness fees.

11. **Confidentiality of this Agreement.** The Franchisee Parties agree that the existence of this Agreement and its terms are strictly confidential and that, therefore, the Franchisee Parties and the other Releasing Parties shall not provide or disclose to any third party, unless authorized in writing to do so by us or properly directed or ordered to do so by public authority, any information regarding the existence of this Agreement, the terms or conditions contained in this Agreement, or any dealings or negotiations with us or any of the Released Parties related to this Agreement.

12. **Non-Disparagement.** Franchisee Parties agree not to disparage or otherwise speak or write negatively, directly or indirectly, of us or any of the Released Parties, the Signature Inn brand, the Signature Inn franchise system, or any other service-marked or trademarked concept of ours or of any Released Party, or which would subject the Signature Inn brand to ridicule, scandal, reproach, scorn, or indignity or which would negatively impact our goodwill or that of the Signature Inn brand.

13. **Miscellaneous Provisions.** This Agreement may not be modified or amended or any term hereof waived or discharged except in writing signed by the party against whom such amendment, modification, waiver or discharge is sought to be enforced. The headings of this Agreement are for convenience and reference only and will not limit or otherwise affect the meaning hereof. This Agreement may be executed in any number of counterparts and sent via email, each of which will be deemed an original but all of which taken together will constitute one and the same instrument.

FOR THE FOLLOWING STATES: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, OR WISCONSIN.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

2. SECTION 31125 OF THE FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE YOU A FRANCHISE DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF FINANCIAL PROTECTION & INNOVATION BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR FRANCHISE AGREEMENT.

3. OUR WEBSITE, www.redlion.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITES MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION AT www.dfpi.ca.gov.

4. The following statement is added to the end of Item 3:

Neither we, our parent, predecessor or affiliate nor any person in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. Sections 78a et seq., suspending or expelling such persons from membership in that association or exchange.

5. The following sentence is added to: (i) the end of the "Remarks" section for the line item entitled, "Late Payment Charge" within the Item 6 Table; and (ii) the end of Item 10:

The highest interest rate allowed in California is 10% annually.

6. The following paragraphs are added to the end of Item 17:

The California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, and the law applies, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sections 101 et seq.).

The Franchise Agreement requires application of the laws of the Commonwealth of Massachusetts. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code, Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement requires you to sign a general release of claims on renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 might void a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000 – 31516). Business and Professions Code Section 20010 might void a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).

7. The following is added to the end of the Special Risks to Consider About This Franchise page:

Spousal liability: A spousal guarantee is not required under the franchise agreement, however, your spouse may be liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

1. The "Summary" section of Item 17(v), entitled **Choice of forum**, is deleted in its entirety.
2. The "Summary" section of Item 17(w), entitled **Choice of law**, is deleted and replaced with the following:

Any release as a condition of renewal and/or transfer/assignment will not apply to the extent prohibited by applicable law with respect to claims arising under Minn. Rule 2860.4400D.

NORTH DAKOTA

1. **Termination Fee and Liquidated Damages.** The Item 6 line items of the Franchise Disclosure Document entitled "Termination Fee Upon Early Termination Following your Default or Termination by you Without Cause," "Liquidated Damages for Unauthorized Opening" and "Pre-Opening Termination Fee" will not be enforced to the extent prohibited by applicable law.

2. The following is added to the end of the "Summary" section of Item 17(m), entitled **Conditions for franchisor approval of transfer:**

However, any release required as a condition of renewal and/or assignment/transfer will not apply to the extent prohibited by the North Dakota Franchise Investment Law.

3. The "Summary" section of Item 17(v), entitled **Choice of forum,** is deleted and replaced with the following:

To the extent required by North Dakota Franchise Investment Law, you may bring an action in North Dakota. Otherwise, litigation must be brought in the federal court nearest to our or, as applicable, our successor's or assign's then current principal place of business (currently, Newton, Massachusetts). If the federal court lacks jurisdiction, then such litigation must be brought in the state court nearest to our or, as applicable, our successor's or assign's then current principal place of business (currently, Newton, Massachusetts), unless otherwise mutually agreed by the Parties. VIRGINIA

1. The following language is added to the end of the "Summary" section of Item 17(e), entitled **Termination by franchisor without cause:**

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON

1. The following is added to the end of the Special Risks to Consider About This Franchise page:
We use the services of franchise brokers to assist us in selling franchises. A franchise broker represents us and is paid a fee for referring prospects to us and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting our current and former franchisees to ask them about their experience with us.

2. The following language is added to the end of Item 17:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW (the "Act"), will prevail.

RCW 19.100.180 may supersede the Franchise Agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Act or any rule or order thereunder, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in the State of Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

The Franchise Disclosure Document does not waive any liability we may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

**RIDER TO THE SONESTA RL HOTELS FRANCHISING INC.
FRANCHISE AGREEMENT, REPRESENTATIONS AND ACKNOWLEDGMENT STATEMENT, AND
RELATED AGREEMENTS
FOR USE IN WASHINGTON**

THIS RIDER is by and between **SONESTA RL HOTELS FRANCHISING INC.**, a Washington corporation with its principal business address at 400 Centre Street, Newton, Massachusetts 02458 ("we," "us," or "our"), and _____, whose principal business address is _____ ("you" or "your").

1. **BACKGROUND.** We and you are parties to that certain Franchise Agreement dated _____, 20____ (the "Franchise Agreement") that has been signed concurrently with the signing of this Rider. This Rider is annexed to and forms part of the Franchise Agreement. This Rider is being signed because (a) you are domiciled in the State of Washington; and/or (b) the Signature Inn Hotel that you will operate under the Franchise Agreement will be located in Washington; and/or (c) any of the offering or sales activity relating to the Franchise Agreement occurred in Washington.

2. **WASHINGTON LAW.** The following paragraphs are added to the end of the Franchise Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW (the "Act"), will prevail.

RCW 19.100.180 may supersede the Franchise Agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor, including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Act or any rule or order thereunder, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in the State of Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

The Franchise Disclosure Document does not waive any liability we may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, the parties have executed and delivered this Rider to be effective as of the effective date of the Franchise Agreement.
