FRANCHISE DISCLOSURE DOCUMENT

MIDAS INTERNATIONAL, LLC
A Delaware Limited Liability Company
4300 TBC Way, Palm Beach Gardens, Florida 33410

midasfranchise@midas.com www.midasfranchise.com www.midas.com

The franchise is to operate an automotive maintenance and service center called a **Midas Shop**, which sells and installs, in a retail environment, motor vehicle exhaust systems, brake components, suspension parts, heating and cooling system parts, tires and batteries and other motor vehicle parts, performs services in connection with these sales, and performs general and scheduled vehicle maintenance services. We also offer Midas/Speedee **Co-Branding Shop** franchises under this Disclosure Document on a limited basis only to existing Co-Branding Shop franchisees and their transferees.

The total investment necessary to begin operation of a new 8-bay Midas Shop franchise ranges between \$209,150 and \$884,890. This includes between \$107,650 and \$637,000 that may be paid to the franchisor or its affiliates. The total investment necessary to convert an operating or previously operated automotive repair facility to a Midas Shop ranges between \$103,650 and \$885,640. This includes between \$30,150 and \$637,000 that may be paid to the franchisor or its affiliates. The total investment necessary to convert or begin operation of a Co-Branding Shop franchise ranges between \$120,200 and \$1,042,640. This includes between \$30,150 and \$746,000 that may be paid to the franchisor or its affiliates. If you sign an Area Development Agreement for multi-unit development, then you must pay the franchisor or its affiliate a development fee equal to the total initial franchise fees for the number of additional Midas Shops you agree to develop in advance, which initial franchise fees will range from \$10,000 to \$35,000 per Shop.

How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibits A-1, A-2, A-3, and A-4.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit B includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Midas business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a Midas franchisee?	Item 20 or Exhibits A-1, A-2, A-3, and A-4 lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit I.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED BY
MICHIGAN FRANCHISE INVESTMENT LAW ONLY**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state. The foregoing language has been included in this Disclosure Document as a condition for registration. We and you do not agree that the parties are restricted from choosing to conduct arbitration outside of Michigan and believe that each of the provisions of the Franchise Agreement, including each of the arbitration provisions, is fully enforceable. We and you intend to rely on the federal pre-emption under the Federal Arbitration Act.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1: THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The franchisor is MIDAS INTERNATIONAL, LLC (“Midas”). To simplify the language in this Franchise Disclosure Document (this “Disclosure Document”), we will use certain terms. Midas is referred to as “we,” “us,” and “our.” “You” means the person, corporation, partnership, limited liability company or other business entity and the individual owners of any business entity to whom we grant a franchise. If you are a corporation, partnership, limited liability company, or other business entity, your owners must sign an owner undertaking and our Personal Guaranty, which means that all of the provisions of our Franchise Agreement (“Franchise Agreement”) (Exhibit D-1) will also apply to your owners (See Item 15). When this Disclosure Document makes reference to our Franchise Agreement and related agreements, the reference is to the standard forms we currently offer for the operation of a franchised Midas shop (“Midas Shop” or “Shop”). If you are purchasing a Midas franchise for an operating Shop from an existing Midas franchisee, both you and the selling franchisee will execute the Consent to Transfer (Exhibit D-7) (“Consent to Transfer”) in addition to other related franchise documents. Under the Consent to Transfer, the purchaser/transferee of an existing Midas franchise will be subject to the then-current terms and conditions of the Franchise Agreement, which may be materially different than the form signed by the transferring franchisee. The terms of franchises we offer in the future may also differ. If you are an existing franchisee of a Co-Branding Shop (as defined below) and desire to open a new Co-Branding Shop or transfer your existing Co-Branding Shop, in addition to all other documents, you (or the transferee) will be signing, you (or the transferee) will also execute the Co-Branding Amendment (“Co-Branding Amendment”) (Exhibit D-4). We may grant you multi-unit rights under the terms of an Area Development Agreement (Exhibit D-17) for a designated territory with sufficient population and demographics to support multiple Midas Shops.

We conduct business under the name “Midas” and the other trademarks listed in Item 13 (the “Marks”). Except as described in this Disclosure Document, we do not, and do not intend to, do business under any other name; however, we reserve the right to do so in the future. For reference purposes in this Disclosure Document, we call the shops in the Midas franchise system (the “Franchised System”) “Midas Shops” and we call the Midas Shop that you will operate the “Franchised Unit”.

If we have an agent in your state for service of process, we disclose that agent in Exhibit I.

The Franchisor

Midas was originally formed as a corporation named Midas International Corporation under the laws of Delaware on September 11, 1959, but was converted to a limited liability company under the laws of Delaware on June 26, 2019. From January 1972 through January 29, 1998, we were a wholly-owned subsidiary of Whitman Corporation (originally IC Industries, Inc.). Effective January 30, 1998, we were spun-off from Whitman as part of a dividend distribution to Whitman shareholders. See “Our Parents” below for more information about our current parents and ownership.

Our principal business is the franchising of Midas Shops located in the United States. We, through a predecessor entity, have been engaged in the automotive exhaust business since 1954 and, since 1956, we (through a predecessor entity) have granted franchises for and, in the past, have operated Midas Shops. A Midas Shop sells and installs automotive parts, including: brake shoes, pads, drums, rotors, calipers, wheel cylinders and other brake system parts, tires, mufflers, catalytic converters, exhaust pipes, tail pipes, exhaust system hardware, shock absorbers and struts, suspension and steering, batteries, filters, belts, wiper blades and hoses, and renders the following services: brake system repair and replacement, tire mounting, balancing, installation and repair and other tire related services, scheduled and general maintenance services, exhaust system services, suspension services, wheel alignment services, installation of batteries, starting and charging services, heating and cooling system services, and CV joints and drive shaft services. As of March 31, 2023, there were 963 franchised Midas Shops in the United States, not

including Co-Branding Shops (as defined below). We also license the use of the Midas trademarks for the operation of Midas Shops in Algeria, Angola, Australia, Austria, Belgium, Benin, France, Italy, Ivory Coast, Luxembourg, Mexico, Morocco, New Zealand, Portugal, Senegal, Spain, Tunisia and Turkey. Our affiliate, Midas Canada Inc., franchises retail automotive repair shops internationally in Canada. As of March 31, 2023 there were 974 Midas Shops located internationally (including in Canada). Midas does not currently operate any Midas Shops of the type being franchised under the Franchise Agreement. However, COSMIC Holdings, LLC, our wholly-owned subsidiary (“COSMIC”) operated Midas shops on a company-owned basis from 2001 to 2016 as described below.

Except as described in this Disclosure Document, Midas does not offer, nor has Midas ever offered, franchises in any other line of business.

We also sell equipment and tires to Midas Shops. We previously engaged in the manufacture and/or sale of mufflers, exhaust and tail pipes and other exhaust system components; shock absorbers and struts; brake pads, shoes, calipers, rotors, drums and other brake system components; suspension, steering and limited driveline parts; heating and cooling system parts; wiper blades; engine belts and hoses; filters and other parts under various trademarks, including the Marks, to Midas Shops.

The principal business address of Midas is 4300 TBC Way, Palm Beach Gardens, Florida 33410. Except as stated below, the principal business address for Midas’ parents and affiliates is also 4300 TBC Way, Palm Beach Gardens, Florida 33410.

Our Parents

We are owned by TBC Retail Holdings, LLC (“TBC Retail”), a limited liability company formed under the laws of Delaware on March 10, 2023. TBC Retail is the successor in interest to our former parent TBC Retail Group, Inc. (d/b/a Tire Kingdom, formerly known as Tire Kingdom, Inc.) (“TBC Retail Group”). TBC Retail Group was the successor in interest to our former parent Midas, Inc., which was publicly traded on the New York Stock Exchange under the symbol MDS from January 30, 1998 through April 30, 2012. Midas, Inc. was merged into TBC Retail Group on June 26, 2019.

The principal business address of TBC Retail is 4300 TBC Way, Palm Beach Gardens, Florida 33410.

TBC Retail is a wholly-owned subsidiary of TBC Shared Services, Inc. (“TBC Shared Services”), a Delaware corporation. TBC Shared Services is a wholly-owned subsidiary of TBC Corporation, a Delaware corporation (“TBC”). TBC is in turn wholly owned by TBC Holdings, LLC, a Delaware limited liability company (“TBC Holdings”). TBC Holdings was formed on March 9, 2018, and acquired ownership of TBC on April 5, 2018. The principal business address of TBC Shared Services, TBC, and TBC Holdings is the same as ours.

TBC is a marketer and distributor of tires and other products for the automotive replacement market. TBC sells products or supply services to Midas franchisees. TBC Shared Services also owns Big O Tires, LLC (see below).

Our Affiliates

Midas Canada Inc., a subsidiary of ours (“Midas Canada”), has granted franchises for the operation of Midas Shops located in Canada since 1961. As of March 31, 2023, there were 140 franchised Midas Shops operating in Canada. From 1969 to 2000, Midas Canada, through an affiliated company, Midas Automotive Ltd., operated a number of Midas Shops on a company-owned basis in Canada. Starting June 15, 2007, Midas Canada directly engaged in the business of owning and operating

Midas shops in Canada, although as of March 31, 2023 Midas Canada did not own or operate any Midas shops. Midas Canada's principal business address is the same as ours.

COSMIC was engaged in the business of owning and operating company-owned Midas Shops in the United States. COSMIC does not offer, nor has it ever offered, franchises in any line of business. COSMIC does not currently own or operate any Midas Shops.

Midas Realty, LLC, formerly known as Midas Realty Corporation ("Midas Realty") and Midas Property, LLC, formerly known as Midas Properties, Inc. ("Midas Property"), both our subsidiaries, may select, purchase, lease and develop Midas Shops and lease/sublease them to franchisees. Midas Realty and Midas Property have been engaged in the business of owning, leasing and managing real estate for the purpose of operating Midas Shops since 1959 and 1974, respectively. Neither Midas Realty nor Midas Property offer, nor have they ever offered, franchises in any line of business. Midas Realty and Midas Property both have a principal business address the same as ours.

Big O Tires, LLC ("Big O") is a Nevada limited liability company and a wholly-owned subsidiary of TBC Shared Services. Big O was originally incorporated as a Nevada corporation on December 30, 1982 and subsequently converted to a limited liability company on September 28, 2007. It does business under its current organizational name Big O Tires, LLC as well as "Big O" and "Big O Tires" and no other name. Big O offers franchises for the operation of retail stores selling and servicing tires and related automotive products and services ("Big O Stores"). Big O also sells tires and automotive accessories to its franchisees. In addition, Big O and its affiliates sell or lease other items to Big O franchisees such as real estate, equipment, signs and services. Big O also conducts wholesale operations under which it sells non-Big O brand tires and other automotive accessories to Big O franchisees and to other purchasers.

Big O has offered franchises for the operation of retail stores selling and servicing tires and related automotive products since approximately 1982. Its principal predecessor, Big O Tire Dealers, Inc., offered franchises in its line of business since 1980 and offered dealer agreements in its line of business from approximately 1962. Big O Stores operate under the service marks "BIG O" or "BIG O TIRES" and other trademarks and trade names, service marks and other logos and symbols periodically designated by Big O. Big O Stores also license from Big O certain proprietary methods of doing business. The Big O Stores are serviced through regional sales and distribution centers, which are either owned or leased, and operated, by Big O. As of March 31, 2023, Big O had 460 franchised outlets and 17 company owned outlets. The principal business address of Big O is 4300 TBC Way, Palm Beach Gardens, Florida 33410.

TBC has operated, through its subsidiaries, non-Big O and non-Midas retail outlets for tires and related products, although it does not operate any such retail outlets as of the date of this Disclosure Document.

TBC sells products or supply services to Midas franchisees. Carroll's, LLC, a Georgia limited liability company, is a subsidiary of TBC and also sells products to Midas franchisees. Carroll's, LLC sometimes does business under the name National Tire Wholesale. The principal business address of Carroll's is 4260 Design Center Drive, Palm Beach Gardens, Florida 33410. Franchisees may also, periodically purchase tires from TBC Brands, LLC, a Delaware limited liability company ("TBC Brands"), which also is a wholly-owned subsidiary of TBC. The principal business address of TBC Brands is 4300 TBC Way, Palm Beach Gardens, Florida 33410.

The Franchise Offered

As described above, the franchise offered under this Disclosure Document is a Midas Shop and is offered under the terms of the Franchise Agreement. The Franchised System consists of a distinctive business system for the operation of automotive repair and maintenance service centers under the Marks. A Midas Shop sells and installs automotive parts, including: brake shoes, pads, drums, rotors, calipers, wheel cylinders and other brake system parts, tires, mufflers, catalytic converters, exhaust pipes, tail pipes, exhaust system hardware, shock absorbers and struts, suspension and steering, batteries, filters, belts, wiper blades and hoses, and renders the following services: brake system repair and replacement, tire mounting, balancing, installation and repair and other tire related services, scheduled and general maintenance services, exhaust system services, suspension services, wheel alignment services, installation of batteries, starting and charging services, heating and cooling system services, and CV joints and drive shaft services as specified in the Midas Policy Manual (the “Manual”). However, we may periodically add or eliminate additional products and services. You may not offer at your Franchised Unit any goods or services that we have not approved. (See Item 16.)

The Co-Branding Shop Franchise

In addition to our standard Midas franchise concept, pursuant to a license from Speedee Worldwide, LLC (“Speedee”), a former affiliate of ours, we also offer under this Disclosure Document a co-branding franchise for a Midas/Speedee co-branding shop (“Co-Branding Shop”) to existing co-branding franchisees and their transferees. Speedee is the franchisor of stand-alone “Speedee Oil Change & Auto Service” shops (“Speedee Shops”) that provide car care services, including oil changes, tune-ups, factory scheduled maintenance, transmission services, radiator flushes, brake system repair and replacement services, air conditioner recharges, emission control system services, replacement of filters, fuel systems cleaning, replacement of wiper blades, radiator caps, tire and tire related services, and other automotive care services. Co-branding involves the operation of both the Midas and Speedee brands at one location. The Midas/Speedee co-branding franchise offered by us consists of the operation of a blended automotive car care service center under our Marks and certain designated Speedee trademarks (the “Speedee Marks”). The Co-Branding Shops offer most of the services available at either a stand-alone Speedee shop or stand-alone Midas Shop, as described in this Disclosure Document, but at one location.

The Midas/Speedee co-branding concept was offered jointly by Speedee and us from 2008 until 2017, at which time Speedee was sold by us to a third party not affiliated with us. As part of the sale of Speedee, Speedee transferred to us its franchisor rights and obligations under certain of the co-branding franchise agreements and we transferred to Speedee our franchisor rights and obligations under other franchise agreements.

Co-Branding Shop franchises will only be offered to existing co-branding franchisees and their transferees. If you acquire a Co-Branding Shop franchise, you and we will sign the Co-Branding Amendment attached as Exhibit D-4. All terms in this Disclosure Document that apply to “Midas Shops” and the Midas franchise will also apply to and include Co-Branding Shops and the Co-Branding Shop franchise except as otherwise noted. As of March 31, 2023, there were 58 Co-Branding Shops franchised by us.

Pursuant to the sale of Speedee, we granted Speedee a reciprocal license for Speedee to use our Marks in the operations and franchising of co-branding Midas/Speedee retail outlets through Speedee. Outlets operated or franchised by Speedee rather than us are not included in the term “Co-Branding Shop” as used in this Disclosure Document.

Area Developer Rights

We may grant multi-unit rights under the terms of an Area Development Agreement (Exhibit D-17) for territories with sufficient population and demographics to support multiple Midas Shops. Franchisees that we grant multi-unit rights must be new franchisees and will each develop two Midas Shops in a designated geographic area (the “Designated Territory”) according to a mandatory development schedule (the “Development Schedule”). We do not offer Area Development Agreements to develop Co-Branding Shops. The area developer does not have the right to grant or sell unit franchises to third parties, although it may enter into a franchise agreement through a Controlled Affiliate, as defined below. Franchisees who sign an Area Development Agreement must commit to establish two Midas Shops at a rate of one every 12 months. These multi-unit franchisees must have substantial prior business experience and substantial financial resources. If we offer and you sign an Area Development Agreement, you or your Controlled Affiliate will sign a separate franchise agreement in our then-current form for each Midas Shop you develop under that Area Development Agreement at the time you proceed with opening each Midas Shop. That franchise agreement may be materially different from the form of Franchise Agreement attached to this Disclosure Document. “Controlled Affiliate(s)” means a corporation, limited liability company or other business entity of which you or one or more of your majority owners owns at least 51% of the total authorized ownership interests, but only if you or the owner(s) have the right to control the entity’s management and policies. All references to “you” in this disclosure document in the context of multi-unit rights shall be interpreted to include you and any of your Controlled Affiliates that sign franchise agreements for Midas Shops covered by an Area Development Agreement.

Franchise Referral Program

We encourage referrals from our existing franchisees of a prospective franchisee to us. Our referral program offers a \$10,000 referral fee to the person who refers to us a franchisee prospect that we are not currently in discussions with and have not previously contacted. The referral fee is payable only if the referred prospect becomes a Midas franchisee. The referral fee is applied as a credit against an existing franchisee’s trade account 30 days after the new Midas Shop opens for business to the public. The incoming prospective franchisee must have signed a Franchise Agreement and the initial franchise fee must have been paid to us before we will apply the credit. We reserve the right at any time to cancel, modify, amend, or terminate our referral program. If a franchisee wants to benefit from the referral program, the referring franchisee must be in good standing.

Competition and Industry Specific Laws

You will sell our recommended automotive products and our approved services to the general public from your Franchised Unit. The primary markets for our products and services include customers of all income levels who own vehicles. The auto repair and maintenance business is somewhat seasonal, especially in the northern states where driving is reduced in the winter months. In addition, the automobile maintenance and repair market is well developed and highly competitive. Midas Shops will compete with individual and chain automotive service centers that offer similar automobile services, as well as other Midas Shops, Co-Branding Shops and Big O Shops, including those which we or our affiliates may own and operate, other specialty exhaust and brake shops, quick lube shops, tire shops (many of which are franchised), service stations, general garages, new car dealers, and the automotive repair facilities of mass merchandisers and department stores. The demand for the products and services offered by Midas Shops could be adversely affected by continuing developments in automotive technology, including the improvement in original equipment manufacturers’ parts quality, as well as longer and more inclusive manufacturers’ warranty periods.

In addition to laws that apply to all businesses, you must comply with all laws and regulations specific to the car care and oil change and tune-up industry and those that apply to the operation of motor vehicle repair and maintenance shops, including, but not limited, to consumer-orientated legislation. Some states require special licenses to operate car repair facilities. Various federal, state and local environmental laws and regulations apply to the use, handling, treatment, storage, disposal and recycling of tires, oil, used oil, oil filters and other substances, materials and wastes considered hazardous. You may need to obtain state and other certifications that the Franchised Unit is an approved waste oil and filter remover/handler/disposer. In addition, if you utilize underground or on-site storage tanks, they must pass any required local environmental quality inspections. We are not obligated to provide you with guidance about these laws and regulations, and you are solely responsible for knowing about and complying with all laws and regulations applicable to your Franchised Unit. As such, it is important that you consult your legal advisor to determine what laws apply to your Franchised Unit.

ITEM 3: LITIGATION

Pending:

Midas International, LLC f/k/a Midas International Corporation v. NRA Enterprises, Inc., Automotive Limited, Inc., and Albert Agdaian (Case No.: 01-22-0004-3411, American Arbitration Association, filed October 14, 2022). This arbitration arose out of a lawsuit filed against Midas by NRA Enterprises, Inc. and Albert Agdaian in the Superior Court of the State of California, County of Los Angeles – Central Judicial District (Case No. 22AHCV00195) asserting claims for conversion, breach of agreement, unfair business practices under California statute, unjust enrichment, claims for amounts due for an account stated and for goods and services rendered, and violation of the California Franchise Relations Act, based on allegations that Midas improperly terminated their franchise agreements and failed to compensate them for their inventory and other assets. The plaintiffs sought to recover \$133,766.50 in damages, plus interest, treble damages, special damages including punitive damages, and attorneys’ fees and costs, in unspecified amounts. Midas subsequently removed the Superior Court action to the United States District Court, Central District of California (Case No. 2:22-CV-03016-AB-AGR). Midas then successfully moved to stay the court action pending arbitration. Next, Midas filed this arbitration action against NRA Enterprises, Inc., Albert Agdaian, and their affiliate Automotive Limited, Inc. (collectively, the “Agdaian Franchisees”) seeking a declaratory judgment that Midas’ actions were proper and that Midas owes no damages to the Agdaian Franchisees. Although the Agdaian Franchisees brought counterclaims for the same claims made in the court case, now claiming to seek \$1,500,000 in damages, the arbiter rejected the counterclaims because the Agdaian Franchisees did not pay the required filing fee. Midas intends to vigorously pursue declarations that the Agdaian Franchisees’ claims in the original action filed in California Superior Court have no merit and then have any successful declaration authenticated in the U.S. District Court action. The parties are currently engaged in discovery. This matter is scheduled for an arbitration hearing starting July 24, 2023.

Concluded:

Midas International Corporation v. VieRican, LLC (Case No.:01-20-0000-4296, American Arbitration Association, filed January 31, 2020). This arbitration arose out of a lawsuit filed against Midas on November 13, 2019 in the United States District Court for the District of Hawaii by VieRican, LLC (“VieRican”), a former Midas franchisee. The federal court case was titled VieRican, LLC v. Midas

International, LLC f/k/a Midas International Corporation (Case No. 1:19-cv-620) (the “Hawaii Action”). On December 23, 2019, Midas moved to stay the Hawaii Action and compel arbitration pursuant to the arbitration clause in the franchise agreement. Midas then filed for arbitration with the American Arbitration Association as noted above (the “Arbitration Action”). Midas’ motion to stay the Hawaii Action was granted on July 31, 2020 and on December 12, 2020, the parties stipulated to dismiss the Hawaii Action and proceed solely with the Arbitration Action. VieRican contended Midas wrongfully terminated VieRican’s franchise agreement, by falsely alleging a payment default. In addition, VieRican raised claims for violation of the Hawaii franchise relationship and investment law, breach of the implied covenant of good faith and fair dealing, and tortious interference with contractual relations and prospective business advantage relating to Midas exercising its rights under a conditional assignment of lease and assuming control of the lease where VieRican’s franchise was located. VieRican also alleged that Midas failed to properly reimburse it for advertising activities pursuant to an agreement entered into related to local advertising, but later dropped these claims. Midas firmly denied all of VieRican’s allegations, and asserted that it never enforced the franchise termination, that VieRican failed to mitigate its damages by refusing Midas’ offers for reinstatement and, when the premises lease expired, failed to go forward on Midas’ approval of VieRican’s relocation request. Midas sought a declaratory judgment that the termination of VieRican’s franchise was justified due to VieRican’s failure to pay royalties. An arbitration hearing occurred on June 7 through June 11, 2021, at which VieRican sought \$2,100,000 in damages. Both parties sought their attorney fees and costs. On July 12, 2021, the Arbitrator rendered a ruling finding that the termination of the franchise agreement by Midas was justified and done in good faith because VieRican improperly failed to pay its royalties. The Arbitrator also found that Midas did not violate the Hawaii franchise and investment law, commit a breach of contract, or commit tortious interference with contractual relations or prospective business advantage. But the Arbitrator also found that Midas improperly assumed the lease where the franchise was located. VieRican was awarded no damages for this because the location was required to be operated as a Midas Shop and the lease, therefore, had no value to VieRican after its franchise agreement was properly terminated. The Arbitration Award required VieRican to turn over its equipment and inventory to Midas, and required Midas to pay VieRican \$145,537.12 for that equipment and inventory. Midas was also required to pay VieRican \$102,169.11 for its attorney fees, and \$28,425 of its arbitration fees. On August 7, 2021, the parties settled this matter whereby Midas paid VieRican \$203,362.67 and waived its rights to the equipment and inventory. The Settlement Agreement also provided for mutual releases.

TBC Retail Group Wage and Hour Cases. JCCP Case No. 4701. This action coordinated two class actions that were pending in two different California Superior Courts on February 10, 2012. This action coordinated Paul Quintana, as an Individual and on Behalf Of All Similarly Situated Employees v. Big O Tires, LLC, Case No. BC451272, Superior Court of California for the County of Los Angeles (the “Quintana Action”) and Brian Goegan, et al. v. TBC Retail Group, et al., Case No. 30-2011-00510643, Superior Court of California, Orange County Superior Court (the “Goegan Action”). Both actions involved claims for unpaid overtime, failure to provide meal periods, failure to provide rest periods, unfair competition, and related claims under California state law. The Goegan Action also asserted a nationwide claim for wages under the Fair Labor Standards Act (“FLSA”) and the plaintiffs conditionally certified a class of approximately 1,735 individuals who received payroll pay cards and charged fees. The Quintana Action encompassed the entire putative class of the Goegan Action with respect to the state law claims. These claims related only to Big O company-owned Stores. Parties in both the Goegan and Quintana actions settled in 2018, with Big O agreeing to pay a total of \$1.84 million, and the final order approving settlement was issued in March 2019.

The People of the State of California v. CRC Luxury Motors, LLC, Soscol Auto Repair d/b/a Midas/Speedee, Curtis Correll, and Midas International Corporation (Case No. 18CV001526, Superior Court for the State of California in and for the County of Napa). This matter is a Final Judgment Pursuant to Stipulation the District Attorney for the County of Napa and Midas voluntarily agreed to file on November 13, 2018. Napa County, on behalf of its citizens and the citizens of Sonoma and Solano

Counties, alleged that a Midas franchisee was violating the California Automotive Repair Act, the California Hazardous Waste Control Act, and otherwise engaging in fraudulent behavior; such as, overcharging its customers for repairs, misleading its customers as to repair work needed, unlawfully disposing of hazardous waste, and engaging in false advertising. The Deputy District Attorney for Napa County contacted Midas setting forth these concerns and alleging the franchisee was an agent of Midas and therefore Midas was responsible for its actions. Although Midas disagreed with the Deputy District Attorney factually and legally, Midas determined it would be best for Midas and the customers of the franchisee if Midas agreed to a settlement with the County. Thus, Midas agreed to the stipulated judgment. In the judgment, Midas agreed to take certain actions as to this franchisee. Specifically, Midas agreed to: (1) ensure the franchisee satisfactorily satisfied any consumer complaints, (2) keep a log of any such complaints, (3) ensure customers knew how to reach Midas if a consumer had an issue with the franchisee, and (4) conduct twice-yearly in-person audits of the franchisee's shops for various compliance matters. Midas further agreed to remit \$150,000 into a fund to assist in making the franchisee's customers whole, remit \$50,000 to the counties as a civil penalty and remit \$10,000 to reimburse the counties for investigative costs. Midas satisfied its monetary obligations. The oversight obligations (enumerated as 1-4 above) are to last for five years or to when the franchisee no longer had an ownership interest in any Midas franchise. On March 28, 2019, the County filed a Partial Satisfaction of Judgment because Midas had made its required payments and the franchisee sold its shops existing the Midas system, thereby ending Midas' oversight obligations. Midas and the County agreed the County would file a Full Satisfaction of Judgment in 2023, assuming the franchisee does not re-enter the Midas system, which would re-activate Midas' oversight obligations.

8435758 Canada Inc., Sheriza Mohamed, and Faizul Haniff v. Midas Canada Inc. and Midas Realty Corporation of Canada, Inc. (Case No. CV-15-542171, Ontario Superior Court of Justice). On December 8, 2015, a Midas Canada franchisee and its owners commenced an action against Midas Canada and Midas Realty Corporation of Canada, Inc. claiming, inter alia, declaratory relief relating to the franchisee's and its owners' rescission of the Franchise Agreement, Sublease, Guarantee and related franchise agreements, and for damages under section 6 of the Arthur Wishart Act in excess of Cdn \$600,000. The Parties resolved their dispute with Defendants agreeing to pay Plaintiffs Cdn \$414,359. The Court dismissed the case on June 16, 2016.

MESA S.p.A. v. Midas International Corporation (Case No.: not applicable, Court of Appeal, Milan, Italy). MESA S.p.A. ("MESA") is an Italian company which operated the Midas system in Europe under a License Agreement ("License Agreement") and an Agreement of Strategic Alliance (together, the "Agreements") with Midas. MESA filed suit against Midas on December 28, 2011 claiming that Midas breached the License Agreement by failing to cooperate with MESA to improve the Midas system in Europe. MESA sought damages up to €5,782,000, representing a portion of the royalties MESA paid to Midas for the period from June, 2009, through October, 2011. MESA also sought a declaratory judgment suspending MESA's obligation to pay 80% of its future royalty payments owed to Midas under the License Agreement and also sought its costs of the litigation. The parties ultimately resolved their disputes. In exchange for (1) terminating the License Agreement, (2) recognizing the Agreement of Strategic Alliance had been terminated, and (3) Mesa paying \$35 million over a period of time, Midas agreed to grant a new trademark license agreement to MESA for Europe and most of the countries in Africa. This resolution took place on October 2, 2014.

Hutchins, David, et al v. Midas International Corporation, et al. (Case No. 37-2012-00083884-CU-OE-CTL, Superior Court of California, San Diego County). A purported class action lawsuit was filed on behalf of all exempt store managers in California on October 19, 2012. The complaint stated three claims: (1) failure to pay overtime premium pay (due to the alleged misclassification of Store Managers in California); (2) waiting time penalties under Labor Code section 203; and (3) unlawful and unfair business practices in violation of California Business & Professions Code section 17200. A settlement agreement was reached between the parties in which Midas agreed to pay a gross settlement of \$475,000,

inclusive of attorneys' fees and administrative expenses. Final approval of the settlement was granted by the Court on March 21, 2014.

405341 Ontario Limited v. Midas Canada Inc. (formerly Landsbridge Auto Corp. and 405341 Ontario Limited v. Midas Canada Inc. and Midas International Corporation) (Court File No. 07-CV-333934 CP, Ontario Superior Court of Justice). An action was commenced in the Ontario Superior Court of Justice by Notice of Action issued May 31, 2007 and Statement of Claim dated June 29, 2007 (Court File No. 07-CV-333934 CP) by two franchisees, Landsbridge Auto Corp. ("Landsbridge") and 405341 Ontario Limited, against Midas and Midas Canada seeking, among other things, damages for breach of contract, derogation from the grant, breach of the duty of fair dealing in the amount of Cdn. \$75 million or in the alternative, compensation and restitution for unjust enrichment in the amount of Cdn. \$75 million. In addition, the Statement of Claim sought an abatement of royalties payable under the Midas Canada franchise agreement and other declaratory and injunctive relief as well as punitive damages, interest and legal costs. On March 26, 2009, the action was dismissed as against Midas. The same Order dismissed the claims of Landsbridge Auto Corp., but otherwise certified the action as a class proceeding against Midas Canada only with respect to claims related to whether Midas Canada breached its common law and statutory duties of good faith/fair dealing when Midas Canada implemented its new supply chain in 2003, and, if so, whether Midas Canada could properly maintain the same royalty structure after ceasing to supply products to its franchisees, with all other claims rejected by the Court. In its decision, the Court ruled that Midas Canada did not breach its franchise agreement when it closed its manufacturing and distribution operations in 2003 or accepted rebates from its supplier. The Court granted a motion by plaintiff to declare the releases executed by class members on renewal or assignment of their respective franchise agreements as void under Ontario law on October 16, 2009, with costs in favor of the plaintiff. An appeal of this order by Midas Canada was dismissed on July 6, 2010. The parties reached a settlement on April 3, 2013 under which Midas Canada agreed to pay \$8.5 million for the benefit of the class members in return for all claims by any class member which were or could have been brought against Midas Canada and other related parties being dismissed and forever barred, and the class members being refrained from disparaging Midas Canada in relation to matters raised in the lawsuit. The Court approved the settlement on September 12, 2013.

ITEM 4: BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5: INITIAL FEES

Application Deposit

You must complete and submit an Application for a Midas Shop Franchise ("Application") (Exhibit C-1) and other related informational documents pertaining to your operational background, credit history and financial resources to be awarded a Midas Shop franchise. This is also the case if you are already a Midas franchisee and would like to open another Midas Shop. If you sign an Area Development Agreement, you will only have to sign the Application for your first Midas Shop. As we designate, if you do not sign a Franchise Agreement and pay your initial franchise fee (described below)

upon us accepting your Application, then you must remit a \$10,000 deposit in a lump sum with your approved Application. This deposit is applied towards the initial franchise fee. If the initial franchise fee is waived or reduced due to you participating in an applicable incentive program (as defined below) upon signing a Franchise Agreement for a Shop we will apply the deposit toward the Minimum Site Payment, as defined below, if applicable, or, if no Minimum Site Payment is required, apply a one-time credit that equals the deposit towards your trade account. We may require you to pay this deposit regardless of whether you are an existing franchisee or not. The deposit is not refundable unless we reject or otherwise terminate the Application. **Your application will not be processed until all required associated documents and information have been submitted and verified.**

The Application may be terminated by either party at any time before the execution of the Franchise Agreement and any lease documents by giving written notice to the other party. The deposit is only refundable to you upon rejection or termination of the Application by us.

If you are applying to acquire a Midas Shop franchise in a transfer, you must pay a \$5,000 deposit with the Application. This deposit is not refundable under any circumstances and is not applied or credited toward the transfer fee or any other fees. If you pay the Initial Franchise Fee when you sign your Franchise Agreement without a site, and an existing Midas Shop is subsequently transferred to you, you will receive a credit against your trade A/R account in an amount equal to the amount you paid for the Initial Franchise Fee less (i) the amount of the transfer fee that would have been applicable to the transfer, and (ii) any additional amount that would have been required to extend the term of the transferred Shop franchise agreement term to 20 years, if applicable.

Initial Franchise Fee

You will sign the Franchise Agreement (the “Franchise Agreement”) (Exhibit D-1) either upon our acceptance of your Application or following our acceptance of the Application but within 30 days of us submitting the Franchise Agreement to you, as we may designate. Upon execution of the Franchise Agreement, you must pay our standard initial franchise fee of \$35,000. However, you may qualify for a lower initial franchise fee. If you are a new franchisee who converts an existing independent automotive business to a Midas Shop, you will qualify for a reduced initial franchise fee of \$17,500. If you own one Other Shop (defined below) and meet the criteria below, the initial franchise fee may be reduced to \$10,000 under the existing Midas franchisee incentive program for the first additional Midas Shop so opened and to \$5,000 for each additional Midas Shop so opened under a Franchise Agreement signed at the same time, provided that these additional Shops are open by June 30, 2025. You will qualify for the lower initial franchise fee under the existing franchisee incentive program if you satisfy all of the following criteria: (1) you own (as verified by our records) at least 51% of the Franchised Unit and also own at least 51% of at least one other Midas Shop (the “Other Shop(s)”); (2) the Other Shops are currently, and have been for at least one year, open for business and are being operated under a valid Franchise Agreement; (3) you (or any franchisee entity of which you own any percentage interest) are not in default under any Franchise Agreement or any other agreement with (or obligation to) us or any of our affiliates or any policy (including, but not limited to, any real estate policy) of ours or any of our affiliates; and (4) you have previously completed our Operations Training Program (described in Item 11) in connection with the Other Shop(s). This arrangement does not mean that we are obligated to grant you additional franchises and we may decline to offer or sell you an additional franchise in our sole discretion.

Except as described in the “Incentive Programs” section below and for the deposit described above, the initial franchise fee must be paid in a lump sum upon the execution of the Franchise Agreement and other related documents by wire transfer, cashier’s check, money order or other certified funds. Currently, we are offering the incentive programs described below.

Except as provided below, the initial franchise fee is fully earned when charged and is non-refundable under any circumstance. If you sign a Franchise Agreement (without any franchise broker being involved in the acquisition or sale of the franchise) without a Site (as defined in Section 1.4 of the Franchise Agreement) identified and you are unable to locate and obtain our approval of a Site within 30 days of the end of the Site Selection Period, as defined in Item 11, we may terminate the Franchise Agreement at our option, in which event we will refund the initial franchise fee actually paid to us less the greater of 75 percent of such fee or \$10,000. We will be entitled to keep the remainder for the site selection services we provided to you. In the event you sign a Franchise Agreement without a Site being identified and your initial franchise fee is waived or reduced due to qualifying for any of our incentive programs, you must deposit with us \$10,000 upon signing the Franchise Agreement (the “Minimum Site Payment”) and we will provide you a credit on your trade account for the amount of the Minimum Site Payment upon signing Schedule B to your Franchise Agreement identifying the Site, but if you are unable to locate and obtain our approval of a Site within 30 days of the end of the Site Selection Period, we may terminate the Franchise Agreement at our option, in which event we will retain the Minimum Site Payment paid to us for the site selection services we provided to you. If you sign a Franchise Agreement in a situation where a franchise broker has been involved in the acquisition or sale of the franchise, the initial franchise fee paid by you when you sign a Franchise Agreement is non-refundable under any circumstances.

If you are purchasing a Midas franchise for an operating Midas Shop from an existing Midas franchisee after we have notified the existing Midas franchisee that we will not extend the franchise relationship (renew the franchise) at the expiration of the term of the existing Franchise Agreement or that we will do so only upon the existing Midas franchisee complying with special conditions, you will enter into a new 20-year Franchise Agreement and will be required to pay us an initial franchise fee equal to one-half of the franchise fee charged new franchisees at the time of the sale (which, as of the date hereof, would be \$17,500, i.e., one-half of \$35,000).

If you pay the Initial Franchise Fee when you sign your Franchise Agreement without having selected a site, and an existing Midas Shop is subsequently transferred to you, you will receive a credit against your trade account with us in an amount equal to the amount you paid for the Initial Franchise Fee less (i) the amount of the transfer fee that would have been applicable to that transfer, and (ii) any additional amount that would have been required to extend the term of the transferred Shop franchise agreement term to 20 years, if applicable.

Incentive Programs

Periodically and at our sole and absolute discretion, we may offer qualified existing and prospective franchisees incentives to purchase or develop Midas Shops, to reopen previously operated Midas Shops, or to convert their operating automotive repair business to a Midas Shop or to purchase a company-owned Midas Shop. These incentives may include, but are not limited to, reduced or deferred payment of the initial franchise fee/royalties, and/or contributions toward the purchase of marketing or inventory. Incentives are not offered to all franchisees or for all Midas Shops. We will select the franchisees and Midas Shops to offer these incentive programs based on then-current market conditions. Currently, our primary incentive programs are categorized for two types of franchisees who sign a Franchise Agreement, and for one of those incentive programs the corresponding Incentive Rider (see Exhibits D-12 and D-13), by June 30, 2024 and open for business by June 30, 2025.

First, an existing Midas franchisee who currently operates a Midas Shop in good standing with Midas and either (i) opens a new Midas Shop, (ii) re-opens a closed Midas Shop, or (iii) acquires a non-Midas retail automotive services store that is open and operating before it becomes a Midas Shop (“Existing Franchisee”) shall: (a) be entitled to pay a reduced initial franchise fee of \$10,000 for the first additional Midas Shop, and a reduced initial franchise fee of \$5,000 for each further Franchise

Agreement signed simultaneously with the Franchise Agreement for the first additional Midas Shop, provided that such Midas Shops are opened for business on or before June 30, 2025, (b) receive an 80% royalty reduction during the first 12 months of operation, a 60% royalty reduction during the second 12 months of operation, and a 40% royalty reduction during the third 12 months of operation (with the full royalty commencing in the 37th month of operation), which reduction shall not apply to royalties paid on sales of tires or batteries, (c) receive a grand opening marketing contribution from us under the Marketing Support Program of \$10,000, provided the franchisee has contributed at least \$20,000 toward such marketing (see “Marketing Support Program,” below and Exhibit D-11), (d) be entitled to place an initial tire order of at least 160 units and an equipment order of up to \$100,000 with TBC within 60 days after opening the Midas Shop, with payment due in 12 equal monthly installments commencing the month after delivery, and (e) receive a \$5,000 credit toward the purchase of any tire changer from TBC with an initial tire order of 320 tires or more. The payment terms for the initial tire and equipment order must be memorialized by a Promissory Note and secured by a Security Agreement. See the Exhibits D-19 and D-20. If you receive this incentive but do not continue to meet the ownership requirement for at least two years after acquiring the franchise or if you fail to open in the time stated above, you must pay the difference between the initial franchise fee you actually paid and the full initial franchise fee which would have been due had you not qualified for the Existing Franchisee incentive (which is currently \$35,000), which amount becomes due immediately at the time you no longer meet the ownership requirement or fail to open by the stated deadline.

Second, a new franchisee who is not a current franchisee of Midas that opens a brand new Midas Shop (“New Franchisee”) shall: (a) receive a grand opening marketing contribution from us under the Marketing Support Program of \$10,000, provided the franchisee has contributed at least \$20,000 toward such marketing (see “Marketing Support Program,” below, and Exhibit D-11), and (b) receive a 60% royalty reduction during the first 12 months of operation, and a 40% royalty reduction during the second 12 months of operation (with the full royalty commencing in the 25th month of operation), which reduction shall not apply to royalties paid on sales of tires or batteries.

U.S. Military Veterans & First Responders

We will waive the initial franchise fee for franchisees that are U.S. military veterans and first responders (as established in accordance with our policies as we may adopt periodically) and for franchisees that are corporations, limited liability companies or other entities for which a U.S. military veteran or first responder owns a majority of the equity interest (“U.S. Military Veteran & First Responder Program”), except that if the franchisee has not initially identified a Site for its Franchised Unit in the Franchise Agreement it will be required to pay us the Minimum Site Payment described above. The U.S. Military Veteran & First Responder Program is available to all qualified individuals who either have received an honorable discharge from one of the U.S. Armed Forces (i.e., Army, Navy, Air Force, Coast Guard or Marine Corps), or are currently serving in one of the U.S. Armed Forces and eligible to receive an honorable discharge, or their entities as noted above. It is also available to first responders who were employed for a minimum of five years as a law enforcement officer, medical doctor, nurse, emergency medical technician or fire fighter, and who apply for a franchise after ending their service as a first responder. This waiver applies only to the first franchise established by the veteran, first responder or the veteran’s or first responder’s company. This waiver does not apply to a Shop acquired in a transfer. If you do not continue to meet this ownership requirement for at least two years after acquiring the new franchise, you must pay us the full initial franchise fee (\$35,000) which would have been due had you not qualified for the U.S. Military Veteran & First Responder Program, which becomes due immediately at the time you no longer meet the ownership requirement. We reserve the right to extend, change or discontinue the U.S. Military Veteran & First Responder Program at any time. See Exhibit D-15 for limitations on this incentive.

Associate Franchise Discount

Full-time employees (also referred to as “associates”) of Midas, or certain affiliated companies (such as TBC Retail) who have been employees of Midas or affiliated companies on an uninterrupted basis for at least five years will be eligible for an “Associate Franchise Discount” under which the initial franchise fee will be discounted by 50% for a newly developed Midas Shop. The employee must resign his or her position with Midas or the affiliated company and assume full-time active management of the Midas franchise under this program. The associate will not be entitled to the Associate Franchise Discount if the associate purchases an existing Midas franchise. Also, to be entitled to receive the Associate Franchise Discount, the associate must be acquiring a majority interest in the new franchise. If the associate does not continue to meet this ownership requirement for at least two years after acquiring the new franchise, the associate must pay us the difference between the amount of the initial franchise fee (which is currently \$35,000) which would have been due had the associate not qualified for the incentive and the discounted amount actually paid.

Automotive Leadership Discount

If an applicant has been a majority owner or a senior manager of one or more automotive repair facilities for ten or more consecutive years, Midas will discount the initial franchise fee for a newly developed Midas Shop by 50%. This incentive does not apply to the purchase of an existing Midas Shop franchise. To be entitled to receive this incentive discount, the qualifying owner or manager must be acquiring a majority interest in the new Midas franchise. If that individual does not continue to meet this ownership requirement for at least two years after acquiring the new franchise, the franchisee must pay us the difference between the initial franchise fee which would have been due had the individual not qualified for the waiver (which is currently \$35,000) and the discounted fee actually paid.

Big O Franchisee

If you are currently a franchisee of Big O in good standing under your franchise agreement with Big O and desire to acquire a Midas Shop franchise, you will be eligible for Existing Franchisee incentives described above. If you do not continue to meet this ownership requirement for at least two years after acquiring the franchise, you must pay the difference between the initial franchise fee you actually paid and the full initial franchise fee which would have been due had you not qualified for the Big O franchisee incentive (which is currently \$35,000), which amount becomes due immediately at the time you no longer meet the ownership requirement. We reserve the right to extend, change or discontinue the Big O franchisee incentive at any time.

Transfer Incentive Program

If you purchase a Midas Shop from an unrelated third party that is open and operating with annual Net Revenues that are less than or equal to \$625,000 calculated on a rolling 12 month basis prior to your acquisition, then we may, in our sole discretion, agree that (i) the transfer fee will be \$5,000, (ii) the royalties for each month of your first two years of operations will be capped based on the amount of Net Revenues at the purchased Midas Shop during the corresponding month in the 12-month period prior to your purchase of the Midas Shop, and (iii) you may place an initial tire order of at least 160 units with TBC within 60 days after you take ownership of the Midas Shop, with payment due in 12 equal monthly installments commencing the month after delivery. The full royalty amount will be charged starting the first of the 25th month of operations and thereafter. You will sign a rider in the form attached as Exhibit D-16 for this incentive, if we offer it to you. See Exhibit D-16 for additional information and the limitations on this incentive.

A maximum of one incentive program listed above is generally available for the acquisition of any particular franchise, regardless of whether the qualifications for multiple incentives are met.

Marketing Support Program

We are currently offering a marketing support program (“Marketing Support Program”) for all franchisees who sign a Franchise Agreement prior to June 30, 2024 for a new Midas Shop (not renewal or transfer), an additional Midas Shop, the reopening of a previously operated Midas Shop, or to acquire and convert an operating automotive repair business to a Midas Shop and open for business prior to June 30, 2025 (each, a “New Shop”). This includes Midas Shops opened under an Area Development Agreement as described below.

All Midas franchisees are required to participate in the Marketing Support Program. New franchisees, existing franchisees and area developers are required to contribute \$20,000 (“the Franchisee Commitment Funds”) for consumer targeted advertising, merchandising, public relations programs and other marketing activities intended to directly benefit the Franchised Unit (“Grand Opening Activities”).

Franchisees will pay the Franchisee Commitment Funds to us in one lump sum payment upon signing the Franchise Agreement unless a site for the franchisee’s Midas Shop has not yet been identified, in which case the franchisee will pay the Franchise Commitment Funds to us in one lump sum payment upon receiving approval from us for the site location.

Under the Marketing Support Program, we agree to provide funds in an amount equal to \$10,000 (“Midas Contributed Funds”), which with the Franchisee Commitment Funds, will be applied toward your Grand Opening Activities. The Franchisee Commitment Funds and the Midas Contributed Funds are intended to be spent within the first 12 months of the opening date of your Franchised Unit. The Midas Contributed Funds are not payable to you. We will expend the funds under this program on your behalf. The Franchisee Commitment Funds are non-refundable under any circumstance. To demonstrate your commitment to participate in this program, you are required to execute the Marketing Funds Agreement. (See Exhibit D-11.) We reserve the right to extend, change or discontinue the Marketing Support Program at any time.

Equipment

The equipment and tools, including installation and freight charges (collectively, “Operating Assets”) needed to operate a new Midas Shop, that may be purchased from us are estimated to cost between \$52,500 and \$375,000 (excluding applicable sales and use tax, if any). The Operating Assets needed to reopen a previously operating Midas Shop or to convert an operating automotive repair facility to a Midas Shop, that may be purchased from us are estimated to cost from \$0, if you already have the Operating Assets, to \$375,000 (excluding applicable sales and use tax, if any). If you are acquiring a Co-Branding Shop franchise, then you will be required to purchase additional Operating Assets if you do not already have them, including an emissions (smog) analyzer and possibly an oil change bay lift depending on how you choose to configure your bays, all of which may also be purchased from us at a cost of up to \$104,000. If the Operating Assets are purchased from us, you will receive a monthly trade account statement, which encompasses, approximately, a 30-day billing period (the “Trade Account Statement”). The Trade Account Statement reflects all open invoices and credit memos and indicates the date by which the net balance is due for payment, which is, in most cases (depending on the billing cycle), by the 17th day of the month. Otherwise, payment will be made directly to the third party or vendor according to its payment terms. Generally, this expenditure is not refundable nor do we finance it. However, we may assist you in locating financing opportunities from third parties for this expenditure.

Inventory

The cost of initial product inventory that may be purchased from us (consisting of tires) is estimated to be between \$25,000 and \$100,000 (excluding applicable sales and use tax, if any). Items purchased from us will be included on the Trade Account Statement, which net balance is due for payment, in most cases (depending on the billing cycle), by the 17th day of the month. If you are acquiring a Co-Branding Shop franchise, then you will be required to purchase additional inventory, some of which may be available from us at a cost of up to \$5,000. Please see Item 7 for details on total estimated inventory investment. For items purchased from third party vendors, payment will be due according to the vendors' credit terms. This expenditure is non-refundable and we do not finance it, except as described in this Item 5 and in Item 10 under certain incentive programs. However, we may assist you in locating financing opportunities from third parties for this expenditure.

Rental Payments

Typically, you will enter into a third party lease for the property of the Franchised Unit and negotiate your own terms, or you may acquire the land and construct the building and improvements yourself. Alternatively, if Midas Realty or Midas Property own the premises or lease it from a third party, Midas Realty or Midas Property, as applicable, will lease or sublease the Franchised Unit's premises to you on a so-called "triple-net" basis. Under a triple-net lease or sublease, the tenant (in addition to paying the fixed and percentage rent) pays all real estate taxes and assessments and any common area charges and is obligated to perform all maintenance, repairs and replacements of the premises (non-structural, structural, interior, exterior), to provide all required insurance and to pay all other costs associated with the use, occupancy, leasing and ownership of the premises. When you lease or sublease the property from Midas Realty or Midas Property, you must submit a security deposit equal to two months' rent and taxes upon execution of the lease or sublease, and pay the first month's rent and taxes on the designated commencement date of the lease. The rent and taxes typically range from \$5,000 to \$20,000 per month, meaning that the security deposit will be in the amount of \$10,000 to \$40,000. The security deposit is held to secure performance of your obligations under the lease or sublease and may be applied to cover any payments owed and any losses, costs, or damages incurred by Midas Realty or Midas Property, as applicable. Any amount of the security deposit that is not used is refunded to you upon termination or expiration of the lease or sublease. Otherwise, these expenditures are non-refundable and they are not financed by us, Midas Realty or Midas Property (except to the extent described in Item 10).

Development Fee and Area Development Incentives

If you sign an Area Development Agreement, you will pay us a fee for the right to develop two franchise units (the "Development Fee") when you sign that agreement. Only new franchisees who do not currently operate a Midas Shop may sign an Area Development Agreement. The Development Fee is equal to \$40,000, being the total initial franchise fees payable for the two Midas Shops that you will develop under the Area Development Agreement, discounted as set forth below. The Development Fee is nonrefundable and fully earned by us when you sign an Area Development Agreement, but we will apply the portion of the Development Fee you have paid applicable to each Midas Shop to satisfy the initial franchise fee due under the franchise agreement you sign for that Midas Shop covered by your Area Development Agreement. As an area developer, we will provide you a discounted initial franchise fee for the second Shop. The full \$35,000 initial franchise fee will apply for your first Shop, and a reduced initial franchise fee of \$5,000 will apply for your second Shop. We will also provide to our area developers a grand opening marketing contribution under the Marketing Support Program of \$10,000 for each Shop provided the area developer has contributed at least \$20,000 toward such marketing for each Shop (see Exhibit D-11), to be spent for each Shop within 12 months after opening. Additionally, an area developer shall be entitled to receive a 60% royalty reduction during each Shop's first 12 months of operation, and

a 40% royalty reduction during the second 12 months of operation (with the full royalty commencing in the 25th month of operation), which reduction shall not apply to royalties paid on sales of tires or batteries. An area developer shall also be entitled to place an initial tire order of at least 160 units with TBC within 60 days after opening each Midas Shop with payment due in 12 equal monthly installments commencing the month after delivery. These incentives are collectively referred to as the “Area Development Incentives” and are not assignable without our consent. In order to receive the discounted initial franchise fee for the second Midas Shop under the Area Development Incentives, the second Midas Shop must be open and recognized by Midas no later than 12 months after the official opening date of the first Midas Shop in the Area Development Agreement (provided that this deadline may be extended by six months for a newly constructed Shop). If you fail to open the second Midas Shop under the Area Development Agreement within 12 months of the first Shop (as such deadline may be extended), then you must pay us the difference between the \$5,000 discounted number under the Area Development Incentives and the full initial franchise fee which would have been due had you not qualified for the Area Development Incentives (which is currently \$35,000), which amount becomes due immediately at the time you fail to open the second Shop by the stated deadline. You must be in compliance with the terms of the Area Development Agreement, including the Development Schedule. The Area Development Incentives only apply to those Midas Shops opened pursuant to the Area Development Agreement, and they will apply in lieu of any other incentive programs described in this Item 5.

One of the two Midas Shops opened under an Area Development Agreement may be an existing Midas Shop acquired in a transfer. In that event, you will still pay the full Development Fee calculated based on the initial franchise fee applicable for that Shop as described above, but you will receive a credit against your trade account with us in an amount equal to the amount you paid for the initial franchise fee for that Shop (as part of the Development Fee) less (i) the amount of the transfer fee that would have been applicable to that transfer and (ii) any additional amount that would have been required to extend the term of the transferred Shop franchise agreement term to 20 years, if applicable. The grand opening marketing match incentive and the initial tire order payment terms incentive under the Marketing Support Program described above are not available for a Shop acquired in a transfer.

No Incentives for Co-Branding Shops

The incentives described above in this Item 5 are not offered or provided to franchisees acquiring Co-Branding Shop franchises.

Alternative Incentive Programs

Prior to June 29, 2023, we offered different incentives than those listed above. If a prospective franchisee signed an Application, paid a deposit, and opens its Midas Shop by the dates specified in those previous incentive programs as described in the applicable Franchise Disclosure Document disclosed at the time or that we otherwise agree upon, the franchisee may receive those prior period incentives instead of the incentives set forth above even if the Franchise Agreement is entered after June 29, 2023. Further, we may offer any of the above incentives or any combination of incentives, and modify or waive some or all of the qualification requirements for these incentives, in situations involving the transfer of a Midas Shop franchise, the re-opening of a closed Midas Shop, or the opening of additional Midas Shops on terms presented to existing franchisees at the annual Midas convention in our sole discretion. We may also offer a credit against your trade account for improvements you make to the transferred Midas Shop’s facility and equipment, in our sole discretion.

NOTES:

General Note: Unless otherwise noted, all fees in this Item 6 are imposed and payable to us or our affiliates, Midas Realty or Midas Property. **All fees payable to us, Midas Realty and Midas Property are non-refundable, unless otherwise provided.** Except as described in this Disclosure Document, these fees are currently uniform as to all franchisees who receive this offer. We may, periodically, offer qualified prospective franchisees incentives to develop Midas Shops. See the “Incentive Programs” section of Item 5 for a description of these incentives. We reserve the right to change the type and amount of fees offered to new or renewing franchisees in the future, but have no immediate plans to do so.

- A. Except as described below, you are required to pay to us, within 10 days after the close of each calendar month a royalty in the amount of 10% of the Franchised Unit’s Net Revenues from the preceding month. Net Revenue includes all revenue from the Franchised Unit, exclusive of sales, use or gross receipts taxes. Except as described below, each calendar year, we will expend an amount equal to not less than one-half of the royalties we actually receive from our Midas franchisees for media costs, commissions and fees, production and other associated costs for marketing and promoting the products and services sold and performed by Midas Shops. For Co-Branding Shop franchises, the Net Revenues will be divided between those from the Midas segment of the business (the “Midas Net Revenues”) and the SpeedDee segment of the business (the “SpeedDee Net Revenues”) as we designate, with the Midas Net Revenues being applied as set forth in the preceding sentence or as otherwise described in this paragraph and 50% or 54.5% of the royalties based on the SpeedDee Net Revenues (5% or 6% of the total SpeedDee Net Revenues) being contributed to SpeedDee’s separate advertising program. (See “Marketing Program” in Item 11). Under the Franchise Agreement (Exhibit D-1): (a) the royalty applicable to sales of motor vehicle tires and certain tire-related products and services (as described in the Franchise Agreement) is at a reduced rate of 6%; (b) the royalty applicable to sales of batteries (excluding related products and starting and charging services, including cables, mounting plates and brackets, installation, labor, diagnostic testing, road service and all other battery-related products, labor and services) is at a reduced rate of 2%; and (c) the royalty applicable to all “Exempt Sales” is at a rate of 0%. Under the Franchise Agreement, “Exempt Sales” means and is limited solely to the following: third party towing, third party rental car services and the cost of state inspection stickers. The reduced rate for Exempt Sales is expressly contingent upon you charging the applicable customer only an amount equal to your actual cost of providing the Exempt Sale in question. If you elect to charge a fee or other amount in excess of your actual cost of providing the Exempt Sale in question, the fee or other amount will be subject to the standard 10% royalty rate. In addition to the Franchise Agreement, you may, at your option, participate in the Fleet Program by signing the Fleet Amendment to the Franchise Agreement (the “Fleet Amendment”) (Exhibit D-6). Under the Fleet Amendment, during the period from execution of the Fleet Amendment through January 31, 2025, the royalty percentage applicable to all fleet sales to “Qualifying Fleet Customers” is at a reduced rate of 7%. Under the Fleet Amendment, “Qualifying Fleet Customers” means any national or local fleet customer who participates in the Fleet Program and whose sales are processed by our designated transaction processor(s)/service provider(s). All other fleet transactions are subject to the royalty rates as described in the Franchise Agreement. The reduced fleet royalty will be effectuated through a two-step process. First, you will pay the full 10% royalty on your Net Revenue from Qualifying Fleet Customers. Next, we will, in a subsequent month, issue a corresponding credit to your trade account in an amount equal to 3% of your Net Revenue from Qualifying Fleet Customers for the applicable month. Under the Fleet Amendment, we will only be required to expend 2% of the Net Revenue from Qualifying Fleet Customers for the marketing described above during the period from execution of the Fleet Amendment through January 31, 2025. See the “Fleet Program” section in Item 8 for more information on the Fleet Program. If you acquire a Co-Branding Shop franchise and your Co-Branding Shop is located in a Designated Market Area, as defined by Nielsen Media Research, Inc. or its successor (“DMA”), in

which there are two or more then-currently operating SpeedDee retail outlets franchised by SpeedDee that pay SpeedDee a 6% advertising fee (the “SpeedDee DMAs”), your standard royalty rate on any SpeedDee Net Revenues shall increase to 11%. Currently the SpeedDee DMA’s are: San Francisco, California; Sacramento/Stockton/Modesto, California; Salinas/Monterey, California; Fresno/Clovis, California; New Orleans, Louisiana; Boston, Massachusetts; Charlotte, North Carolina; Providence, Rhode Island/New Bedford, Massachusetts; Charleston, South Carolina; and Dallas/Ft. Worth, Texas. We reserve the right to modify the list of SpeedDee DMAs in the future.

- B. You must pay the royalties on or before the 10th day of each month for the preceding month throughout the term and any renewal of the Franchise Agreement. You are required to pay the royalties by electronic payment transactions through automated clearing house debits (“ACH Debit”). At the same time you sign the Franchise Agreement (and at any other time during the term of the Franchise Agreement upon our request), you will be required to execute the “Authorization for Automated Clearing House Debits” (the “ACH Agreement”) (Exhibit D-5). Under the ACH Agreement, you authorize us to debit funds from your bank account on or after the 10th day of each month for the amount of each monthly royalty due to us. The ACH Agreement also authorizes us, Midas Realty and Midas Property to debit from your account, on or after the first day of each month, the amount of trade account, rent, real estate taxes and other monetary obligations owed by you. Under the ACH Agreement, you will submit your monthly M2 sales report electronically, as required by Section 4.2 of the Franchise Agreement, by the 5th day of each month.
- C. These warranty registration fees are required under the warranty registration program that became effective January 1, 2008. The current warranty program provides that we will assess a warranty registration fee against each Midas Shop’s trade account in each instance that a Midas lifetime muffler, brake shoe, brake pad, shock or strut is installed and the corresponding warranty is registered with us. Under this warranty program, each Midas Shop’s warranty registration expense will be clearly and separately identified on the Midas Shop’s Trade Account Statement. See the “Midas Warranty Program and Registration Fees” section in Item 8 below.
- D. The maximum cap on the transfer fee for transfers of additional Midas Shops after the first Midas Shop will only apply to the extent that the transfer has a simultaneous closing, not closings that are days, months or years apart. For instance, if you are currently transferring three shops at one time, the transfer fee for the first shop is \$5,000, and the transfer fee for the second and third shops is \$1,250 each, for a total transfer fee due to us of \$7,500.
- E. In addition to the Franchise Agreement, you may, at your option, participate in the Fleet Program by signing the Fleet Amendment. If you choose to participate in the Fleet Program, our third party billing processor, Sound Billing, LLC, a Wisconsin limited liability company doing business as “MyFleetCenter”, charges a processing fee of 1.25% of the sales transactions billed to National Fleet Customers (defined in the Fleet Amendment). See the “Fleet Program” section in Item 8 for more information on the Fleet Program.

NOTES: General Note: We are relying on our years of experience in the automotive repair and service business to compile these estimates. The initial investment, as well as the availability and terms of financing, will also vary considerably depending on the methods and amount of financing, your

creditworthiness, collateral you may have and lending policies of financial institutions. The equipment and other items are shown in full, although they may be financed or leased. You are encouraged to discuss the operations of the Midas Shop with Midas franchisees. (See Exhibits A-1 and A-2 for lists of current and former Midas franchisees.) You should also review these figures carefully with a business advisor before making any decision to purchase the Midas Shop franchise. **None of the fees or payments to us listed in this Item are refundable, unless otherwise provided. Payments to third parties may or may not be refundable depending on your agreement with such third parties; however, usually such payments are nonrefundable.**

- A. **Initial Franchise Fee or Minimum Site Payment.** See Item 5 for a description of the range of initial franchise fees (under applicable incentive programs this fee may be waived or reduced) and the Minimum Site Payment. If an Application deposit is required, the deposit of \$10,000 is applied towards the initial franchise fee or Minimum Site Payment, as applicable. All initial franchise fees are deemed fully earned once we receive them and are non-refundable, except that the \$10,000 Application deposit may be refundable under limited circumstances where we reject or terminate the Application, and a portion of the initial franchise fee paid may be refundable if we and you are unable to obtain our approval of a site, all as described above in Item 5.
- B. **Marketing Support Program or Other Grand Opening Advertising.** If applicable, you will pay the Franchisee Commitment Funds as described in the “Marketing Support Program” section in Item 5 to us upon signing the Franchise Agreement or at the later date that your site is selected. You will sign the Marketing Funds Agreement in Exhibit D-11.
- C. **Travel & Living Expenses While Training.** You are responsible for all transportation, lodging, meals and other expenses associated with the Operations Training Program for you and your managers and employees. There is no charge for the training itself. The expenses estimated in this Item are for 1 person to attend training. The amount will vary depending on travel distance and mode of travel, lodging requirements, and other related personal costs.
- D. **Security Deposit, Licenses & Permits.** You may be required to pay a security deposit for the leased premises. Typically, a security deposit will be equal to the amount of one or two months’ rent and taxes, but this amount may vary depending upon negotiations with the landlord. Generally, the security deposit is refundable to the extent it is not applied. Various permits may be required and may include building inspection fees and occupational license fees. Utility companies may also require a deposit before the installation of utilities and telephones. We cannot provide a meaningful estimate of these expenses, as these fees depend on local market conditions unknown to us.
- E. **Rent and Real Estate Taxes.** Common locations for Midas Shops are in retail and commercial areas. A Midas Shop (8-bay) generally has 4,500 to 5,500 square feet. Typically, you will enter into a third party lease for the property of your Franchised Unit and negotiate your own payment terms. If Midas Realty or Midas Property own or lease the property, Midas Realty or Midas Property will lease or sublease the Franchised Unit to you. Alternatively, you may acquire the land and construct the improvements yourself. The cost of purchasing acceptably located real estate is estimated to be between \$600,000 and \$1,200,000. The cost of constructing a typical Midas Shop is estimated to range between \$900,000 and \$1,200,000. These estimates in this table assume that you will lease your premises. You may also be required to pay property taxes and other leasehold costs. Your rent and taxes will vary depending upon the location of the retail space, size and condition of the premises, local market conditions, and other factors. Where the rent is lower, remodeling the premises may require \$25,000 to \$150,000 in additional expense.
- F. **Warranty Registration Fee.** These warranty registration fees are required under the warranty registration program that became effective January 1, 2008. The current warranty program provides that we will assess a warranty registration fee against each Midas Shop’s trade account in each

instance that a Midas lifetime muffler, brake shoe, brake pad, shock or strut is installed and the corresponding warranty is registered with us. Under this warranty program, each Midas Shop's warranty registration expense will be clearly and separately identified on the Midas Shop's Trade Account Statement. See the "Midas Warranty Program and Registration Fees" section in Item 8 below.

- G. **Equipment & Tools.** You must have the following equipment for the operation of your Franchised Unit: oil lubrication and dispensing, tune-up, brake lathes and accessories, air conditioning, radiator flush, lifts, transmission flush, alignment, fluid maintenance, exhaust, compressors, tire machines, tools and other miscellaneous equipment. The equipment and tools may be used. The cost of this equipment may vary depending upon whether the equipment is purchased new, purchased used or leased. The cost estimates shown here assume the equipment is purchased new. The equipment cost estimates do not include applicable sales and use tax, if any. If the equipment is purchased from us, you will receive a monthly Trade Account Statement, which encompasses, approximately, a 30-day billing, and reflects all open invoices and credit memos and indicates the date by which the net balance is due for payment, which is, in most cases (depending on the billing cycle), by the 17th day of the month. Otherwise, payment will be made directly to the third party or vendor according to their payment terms. We do not finance any of these costs. However, we may assist you in locating financing opportunities from third party vendors.
- H. **Office & Waiting Room Furniture.** You must purchase or lease furniture for your business office and customer lounge and fixtures as well as point-of-sale materials according to our specifications, as described in the Manual or other written communications. The amount in the tables includes shipping and installation.
- I. **Branding.** You must purchase certain interior and exterior signs for the identification of your Franchised Unit according to our specifications, as described in the Manual or other written communications.
- J. **Initial Inventory & Supplies.** You must purchase initial inventory and supplies for the operation of the Franchised Unit. Items purchased from us will be included on the Trade Account Statement, the net balance of which is due for payment, in most cases (depending on the billing cycle), by the 17th day of the month. For items purchased from third party vendors, payment will be due according to the vendors' credit terms.
- K. **R.O. Writer System.** The fees related to the R.O. Writer system are paid to our third party supplier, CRI (defined in Item 8). This system is required to be used by new franchisees, and is recommended for other franchisees. Prices are as of the date of this Disclosure Document, which CRI may increase or otherwise change periodically.
- L. **Insurance.** This is the estimated cost for the required insurance described in Item 8.
- M. **Legal & Accounting.** This item is the estimated cost of basic legal and accounting services provided to you by legal and accounting firms and includes legal and administrative fees and costs for corporate or other business entity organization start-up.
- N. **Additional Funds.** The disclosure laws require us to include this estimate of all costs and expenses to operate your Franchised Unit during the "initial period" of the business, which is defined as three months or a longer period if "reasonable for the industry." We are not aware of any established longer "reasonable period," so our disclosures cover a three-month period. This entry estimates additional funds you may need for the first three months of operation, including payroll costs (but not including any draw or salary for you) and working capital for other expenses that could exceed

receipts. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the Franchised Unit. Your costs will depend on factors such as: to what extent you follow our methods and procedures; your management skill, experience, and business acumen; local economic conditions; the local market for our services; the prevailing wage rate; competition; and the sales level reached during the initial period.

- O. **Miscellaneous.** You may incur other expenses due to local requirements and/or to purchase additional items of equipment.
- P. **Total Estimated Initial Investment.** This table does not include royalties. This total assumes that the real property and building for the Franchised Unit will be leased by you. Amounts for the lease depend on factors such as rental rates and land and building costs in your area, and whether or not the landlord requires you to pay first and last month's rent in advance. These figures also do not include the cost of any investigation into or compliance with various Federal, state or local environmental laws, statutes, regulations or ordinances relating to the use, handling, treatment, storage, disposal and recycling of oil, used oil, oil filters and other substances which are designated to be hazardous.

**YOUR ESTIMATED INITIAL INVESTMENT
TO SIGN AN AREA DEVELOPMENT AGREEMENT**

Except for the Development Fee (see Item 5), there is no additional initial investment required under the Area Development Agreement. A portion of the Development Fee is applied against the initial franchise fee for each Midas Shop you open under the Area Development Agreement. You will incur the estimated initial investment described above for each Midas Shop franchise that you open and operate whose Franchise Agreement is covered by your Area Development Agreement.

**YOUR ESTIMATED INITIAL INVESTMENT
FOR ADDITIONAL AMOUNTS TO ACQUIRE A CO-BRANDING SHOP FRANCHISE**

If you sign a Co-Branding Amendment to acquire a Co-Branding Shop franchise, then, in addition to those expenses listed in the first or second table of this Item 7, as applicable, you will incur the following additional expenses:

(1) Type of Expenditure	(2) Estimated Amount or Low- High Range	(3) Method of Payment	(4) When Due	(5) To Whom Payment Is To Be Made
Oil Change Bay Lift Costs	\$0 - \$28,000 -see Note A	As incurred	Before opening	Third Parties or Us

TOTAL ESTIMATED ADDITIONAL INITIAL INVESTMENT	\$16,550 - \$157,000			
Total Investment Under Preceding Tables	\$103,650 - \$885,640			
TOTAL ESTIMATED INVESTMENT FOR CO- BRANDING SHOP	\$120,200 - \$1,042,640 - see Note F			

NOTES: General Note: We are relying on our years of experience in the automotive repair and service business to compile these estimates. The initial investment, as well as the availability and terms of financing, will also vary considerably depending on the methods and amount of financing, your creditworthiness, collateral you may have and lending policies of financial institutions. The equipment and other items are shown in full, although they may be financed or leased. You are encouraged to discuss the operations of the Co-Branding Shop with Co-Branding Shop franchisees. (See Exhibits A-3 and A-4 for lists of current and former Co-Branding Shop franchisees.) You should also review these figures carefully with a business advisor before making any decision to purchase the Co-Branding Shop franchise. **None of the fees or payments to us listed in this Item are refundable, unless otherwise provided. Payments to third parties may or may not be refundable depending on your agreement with such third parties; however, usually such payments are nonrefundable.**

This table represents the additional initial cost beyond the costs set forth in the first or second table of this Item 7, as applicable, for these items needed to make your Midas Shop into a Co-Branding Shop.

- A. **Oil Change Bay Lift Costs.** There are basically two options in converting a Midas Shop into a Co-Branding Shop: (a) utilizing the two lifts in bays #1 and #2 that will use for your Midas Shop, or (b) adding additional specialty lifts in bays #1 and #2.
- B. **Equipment & Tools.** You must obtain the following additional equipment to make your Midas Shop into a Co-Branding Shop (to the extent you do not already own these pieces of equipment): oil lubrication and dispensing, and emissions (smog) analyzer (if applicable). The cost of this equipment may vary depending upon whether the equipment is purchased new, purchased used or leased. The cost estimates shown here assume the equipment is purchased new. The provided cost range includes a bulk oil distribution capability for 5W20 oil and contemplates using existing bulk waste oil and 5W30 tanks. The equipment cost estimates do not include applicable sales and use tax, if any. If the equipment is purchased from us, you will receive a monthly Trade Account Statement, which encompasses, approximately, a 30-day billing, and reflects all open invoices and credit memos and indicates the date by which the net balance is due for payment, which is, in most cases (depending on the billing cycle), by the 17th day of the month. Otherwise, payment will be made directly to the third party vendor according to its payment terms. Emissions (smog) analyzer costs, if applicable, can vary greatly depending on whether your Franchised Unit is located in an “enhanced” area or not. We do not finance any of these costs. However, we may assist you in locating financing opportunities from third party vendors.
- C. **Office & Waiting Room.** You must purchase additional point of purchase materials for your customer waiting area according to our specifications, as described in the Manual or other written communications.
- D. **Branding & Exterior Improvements.** You must purchase certain additional interior and exterior signs for the identification of your Midas Shop as a Co-Branding Shop according to our specifications, as described in the Manual or other written communications. These costs represent the minimum requirements for Shops facing the street or that are perpendicular to the street.
- E. **Initial Inventory.** You must purchase additional inventory and supplies for the operation of your Midas Shop as a Co-Branding Shop. Items purchased from us will be included on the Trade Account Statement, the net balance of which is due for payment, in most cases (depending on the billing cycle), by the 17th day of the month. For items purchased from third party vendors, payment will be due according to the vendors’ credit terms
- F. **Total Estimated Additional Initial Investment.** This table does not include royalties. This total assumes that the real property and building for your Franchised Unit will be leased by you. Amounts

for the lease depend on factors such as rental rates and land and building costs in your area, and whether or not the landlord requires you to pay first and last month's rent in advance. These figures also do not include the cost of any investigation into or compliance with various Federal, state or local environmental laws, statutes, regulations or ordinances relating to the use, handling, treatment, storage, disposal and recycling of oil, used oil, oil filters and other substances which are designated to be hazardous.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

In order to maintain the reputation, goodwill, high standards, quality and uniformity of the Franchised System, there are certain goods, services, supplies, fixtures, equipment, inventory, computer hardware and software and real estate ("Products & Services") that you are required to purchase or lease directly from us, from our designated sources, from our approved suppliers or according to our specifications. Except as described below, you can currently purchase Products & Services from any supplier, without obtaining our prior approval. However, we reserve the right to require that in the future you purchase or lease certain Products & Services from us, our affiliate, designee, named supplier or according to other restrictions we may place on suppliers.

We issue specifications regarding certain Products & Services that you are required to purchase or lease to operate your Franchised Unit ("Required Products & Services"). Our specifications may include minimum requirements or standards for building size and style, zoning, signs, equipment, quality, quantity, delivery, performance, design, appearance, durability, style, warranties, price range and other related restrictions. We consider these specifications to be of critical importance to the success of the Franchise System. The specifications we issue on Required Products & Services are described in the Manual or other written communications. We may periodically update these specifications as described below. The current list of Required Products & Services is described in this Item 8.

Except as noted below and for your warranties and Fleet Program, you can purchase Required Products & Services from any supplier (the exclusive providers for your warranties and Fleet Program are described below) without our approval. However, to ensure quality control, uniformity, marketing, and obtain marketing contribution benefits, we reserve the right to require that in the future you purchase or lease certain Required Products & Services from us, our affiliate, designee, named supplier or according to other restrictions we may place on suppliers. In the event we designate an approved supplier and that supplier agrees to make marketing contributions and/or other payments with respect to the approved product, conditioned on use, sales or otherwise, all payments will be made to us or an entity approved by us and will be spent by us in a manner consistent with restrictions or conditions imposed by the approved supplier. We may also benefit from the marketing contribution and other programs of approved suppliers.

We will periodically issue and modify our specifications applicable to Products & Services and any restrictions applicable to your purchase of Required Products & Services from suppliers in the Manual, other written communications or upon the request of a franchisee.

If you propose to purchase or lease any Products & Services that we have not approved in writing or if you propose that we designate your proposed supplier as an approved supplier, because you believe they meet our specifications, you must first notify us of your proposal in writing and provide us information we may require to determine whether the proposed Products & Services and/or supplier meet our specifications. We may require that your proposal include, among other things, submission of sufficient specifications, photographs, drawings, samples, financial information, delivery capabilities, integrity of ownership and other related information we may request to determine whether the Products & Services and/or supplier meets our specifications. We may also require, as part of our evaluation process, that the supplier or manufacturer of your proposed Products & Services or your proposed supplier meet with us at one of our corporate offices. These costs will typically be borne by the supplier or

manufacturer. If you use Products & Services that do not meet our specifications, we may force you to stop using them.

We will advise you within a reasonable time, which will typically be within 30 days of our receipt of all of the information that we request, whether the proposed Products & Services and/or supplier meets our specifications. If approved, Products & Services and/or designated suppliers must maintain our standards in accordance with written specifications and any modifications to the specifications. Failure to correct a deviation from our specifications will result in the termination of status as approved Products & Services and/or designated supplier. You will be notified, in writing, of our approval or disapproval of the proposed Products & Services and/or supplier and of revocation of any approved Products & Services and/or designated suppliers.

Neither we nor our affiliates derive revenue from the sale of the Required Products & Services, except as described in this Disclosure Document.

Bulk Oil and Lubricants. You are required to purchase and only use the approved brands of bulk oil and lubricants that meet or exceed American Petroleum Institute (“API”) and any other required performance certifications such as those manufactured by a nationally recognized brand. We recommend, but do not currently require, that you purchase Valvoline brand bulk oil and lubricants from Valvoline due to Valvoline’s competitive pricing, brand recognition, specific marketing & support programs.

If you choose to participate in our recommended program with Valvoline you will receive our pre-negotiated competitive pricing and terms as part of that program. We may designate other approved brands or suppliers for bulk oil in the future, and you must comply with any requirements on brands and suppliers of bulk oil that we establish.

Participation in any bulk oil and lubricant programs or the signing of any contracts with any bulk oil supplier is entirely voluntary and is not required by us. Any documents pertaining to your relationship with any bulk oil supplier are prepared solely by that bulk oil supplier and are subject to change at their discretion. In some cases you may be required to sign certain supply and reimbursement contracts whereby you agree to purchase a minimum percentage of certain, specified product needs from that bulk oil supplier. We do not recommend that you sign a supply contract that requires you to purchase a minimum amount of product from the supplier. One or more of these bulk oil suppliers may permit you to purchase the approved brands of bulk oil from them without participating in any programs and without signing any contracts, but subject to their credit approval of you.

While you are required to purchase only approved brands of bulk oil and lubricants, you may also purchase other quality brands of case good motor oil and lubricant product needs from other suppliers, although, in some instances, you may not be permitted to use non-Shell, non-Valvoline, non-Exxon Mobil or non-Chevron products in conjunction with equipment purchased from or financed by Shell, Valvoline, Exxon Mobil or Chevron, respectively. If you do enter into a contract with an oil supplier, it is your responsibility to ensure that you are not prohibited from purchasing another supplier’s brand of case good motor oil, ensuring that you retain the ability to meet your customer brand needs.

Equipment and Inventory. You are required to purchase certain equipment and inventory to operate your Franchised Unit. Currently, the types of equipment you are required to purchase are as follows: oil lubrication and dispensing, tune-up, brake lathes and accessories, air conditioning, radiator flush, lifts, computer hardware and software, transmission flush, alignment, fluid maintenance, exhaust, compressors, tire machines, tools and other miscellaneous equipment. You are also required to purchase the types of inventory necessary for you to sell the products and services described in the Franchise Agreement and in the Manual, including but not limited to, those products and services listed on Schedule A to the Franchise Agreement, including brake system services, exhaust system services, suspension

services, wheel alignment, starting and charging services, heating and cooling services, tire related services, and scheduled and general maintenance services. At the present time, you may purchase the required equipment and inventory from any supplier, including, for certain equipment and inventory, from us. We can recommend suppliers for certain equipment and inventory. We evaluate these recommended suppliers by reviewing their product quality, product pricing, product performance, product availability, services provided, product guarantees and through internal and external referrals. If we or our affiliates sell or lease equipment and inventory to you, we or our affiliates may mark-up the prices charged to franchisees and derive a reasonable amount of income from these transactions. We may negotiate for discounted prices for equipment and inventory with suppliers, and you may, in that event, purchase at the discounted price.

We may establish minimum inventory and inventory mix requirements for any items from time to time, and you are required to comply with any such policies and procedures. As of the date of this Disclosure Document, our policies require that each Midas Shop maintain a tire inventory of no less than 160 tires.

Midas Products. You are required to purchase approved Midas products from Midas, Midas' affiliates or Midas' approved suppliers to fulfill the public demands of the Shop. We issue and periodically modify these specifications and the names of approved products or approved suppliers. You may purchase the approved Midas products from any supplier as long as they meet our specifications.

Point-of-Sale System and Technical Information Systems. To promote uniformity and quality in your operations and services you render, we require you to use certain designated computer components. You are required to purchase hardware according to our specifications to operate a point-of-sale software system and perform certain functions at your Franchised Unit. You are required to license a point-of-sale software system for your Franchised Unit that can perform the functions that we require (as described in Item 11).

If you are a new franchisee (not an existing franchisee exercising successor franchise rights for a Midas Shop or acquiring a franchise for an additional Midas Shop), you are required to use the R.O. Writer point-of-sale system in your Franchised Unit. In other cases, you may purchase the hardware and license the software from any supplier. However, we nonetheless recommend that you use the R.O. Writer point-of-sale system in your Franchised Unit. In addition to providing the functions we require, R.O. Writer software offers an integrated customer management and marketing tool as well as an external accounting system interface and data management application. The R.O. Writer point-of-sale software is owned by Constellation R.O. Writer Inc. ("CRI"), a company with whom we are not affiliated. Currently, the R.O. Writer point-of-sale software system is comprised of the R.O. Writer shop management software and Smart eCat Epicor online parts and labor guide. CRI licenses the R.O. Writer System to new Midas franchisees and franchisees in good standing. CRI reserves the right to change the fees or require new fees to be charged for the licensing and use of the R.O. Writer system periodically.

If you are required to acquire the R.O. Writer software, you must hire CRI or its designated supplier to install that software for you. Also, if you are purchasing a Franchised Unit that currently uses R.O. Writer software or you are converting to R.O. Writer from another point-of-sale system, you must hire CRI to install, upgrade, and configure the R.O. Writer system for the same installation fee. Otherwise, you may hire CRI or its designated supplier for that purpose in your discretion. If you are a new franchisee, you must purchase and participate in initial training and go-live support from CRI. Further, any franchisees that use the R.O. Writer point-of-sale system are required to purchase software support from CRI, which includes periodic software updates. There are additional modules available for the R.O. Writer point-of-sale system for additional charges. You will pay the fees associated with the installation and ongoing license, and any additional modules, directly to CRI.

Regardless of the point-of-sale software system you choose, you are also solely responsible for updating the system in a timely manner, as we require and/or as new electronic parts catalogs, pricing and/or software updates become available. In addition, we may, from time to time and at any time, change the software and hardware specifications and require that you purchase or license other products.

You are required to have high-speed Internet access if available in your area to receive software updates and for e-mail communication with us.

Midas Warranty Program and Registration Fees. An important feature of the Franchised System is the requirement that the retail customer be provided a written warranty on certain products which will be honored at all Midas Shops. You are required to honor these warranties, regardless of who issues the warranties, in accordance with their terms and with the policies we periodically issue in the Manual or other written communications. For example, the current warranty on most Midas-lifetime warranted mufflers provides for free replacement of the muffler (labor charges extra after the first year) for as long as the customer owns the vehicle on which it was installed. Under the Midas warranty program, you are reimbursed for replacement parts provided to customers under properly registered warranties. Under our current policy, we credit you with 100% of the cost* of the current equivalent of the newly installed part, but only if the product is an approved product, properly registered with us on or after January 1, 2008 and the request for warranty reimbursement is submitted in the proper manner following the applicable manufacturers' 12-month defective product warranty period. This credit is 83% of the cost* of the current equivalent of the newly installed part if the product meets the above criteria and is purchased from an approved vendor but was properly registered with us prior to January 1, 2008. A similar warranty program exists with respect to brake shoes, brake pads, shocks and struts, except that we credit you with 100% of the cost* of the current equivalent of the newly installed part if the request for warranty reimbursement is submitted in the proper manner following the applicable manufacturers' defective warranty period. The initial registration of the warranted product and all requests for credit under these warranty programs are required to be submitted to the Midaslink Warranty Department electronically through the R.O. Writer point-of-sale system, or another Midas approved point-of-sale system, in order to qualify for reimbursement. (See Item 11.) We may periodically, on a prospective basis, modify, add to, or discontinue our product warranties and our policy with respect to warranty reimbursement without liability to our franchisees.

* The cost amount you will be reimbursed is the current preferred vendor equivalent stocking cost of purchasing Midas approved brake pads, brake shoes, mufflers, shocks and struts.

Under our current warranty program, we assess and you are required to pay us a warranty registration fee that is charged against your Franchised Unit's trade account each time a lifetime guaranteed muffler, brake shoe, brake pad, shock or strut is installed and the corresponding warranty is registered with us. Under this program, your Franchised Unit's warranty registration expense will be clearly and separately identified on your Trade Account Statement. The warranty registration fees we collect from Midas Shop franchisees will be used to redeem future warranty claims on parts originally installed on or after January 1, 2008. The warranty registration fees for each lifetime product category are established in consultation with the International Midas Dealers Association, a North American Midas franchisee association, and can be adjusted by us at any time. The current warranty registration fees are:

Brake pads or shoes:	\$2.43 per axle
Mufflers	\$4.80 each
Shocks and Struts	\$1.04 each

The Midas warranty program described above does not apply to road hazard damage to tires, which is covered by a separate warranty as described below.

Midas Touch Road Hazard Warranty Program and Fees. Midas also has established a “Midas Touch Road Hazard Warranty Program” for tires. We currently designate a single supplier, Sonsio, to administer this program. Franchisees are not currently required to offer the Midas Touch Road Hazard Warranty Program or any other warranty on the tires they sell that is not provided by the manufacturer. However, franchisees will be required to offer only the designated Midas Touch Road Hazard Warranty Program if they offer a road hazard tire warranty. In certain cases and at our discretion, we may permit a franchisee to offer a different warranty program upon the franchisee’s request, provided that the program meets our current requirements, which requirements may vary by state and will include demonstrating to us that such program complies with the warranty laws in their states. Franchisees who offer the Midas Touch Road Hazard warranty must honor the the Midas Touch Road Hazard warranty sold by any Midas Shop, subject to certain reimbursement rights related to such services as dictated by the current warranty program. The fees associated with the Midas Touch Road Hazard Warranty Program are paid to Sonsio. The fees and payment terms are subject to change from time to time upon notice from us or Sonsio. The full terms related to the Midas Touch Road Hazard Warranty Program are described in the Manual and in other standards and specifications we provide to you. The supplier, warranty program, and warranty requirements related to tires may be modified by us upon notice to you. If you elect to participate in this warranty program, you will be required to enter into the User Agreement attached as Exhibit H with Sonsio.

Insurance. You are required to obtain and maintain, at your own expense, General Liability or Garage Liability insurance (\$2 million aggregate minimum requirement), Garage Keeper Liability insurance (\$60,000 direct primary minimum requirement), Workers’ Compensation/Employers’ Liability insurance (\$1 million/\$1 million/\$1 million minimum requirement), and Auto Liability insurance (\$2 million minimum requirement) for each location and Midas Shop that you own and operate. Umbrella policies may satisfy the limits required. We require that the insurance you procure be with an insurance company rated A- with a financial size of VI or better by Best Key Rating Guide and authorized to do business in the jurisdiction where your Shop is located. Additional limits of liability are required when you own and operate more than one Midas Shop. In addition, you must maintain insurance on the property as required by the real estate documents you execute. During the term of the Franchise Agreement and any renewal term, you are responsible for all insurance premiums specified in the Franchise Agreement and in the Manual. However, you can purchase the required insurance from any reputable insurance agent. You must name Midas International, LLC and any other party required in your real estate agreements and documents as an Additional Insured, at your expense, and furnish us with certificates providing that the insurance is not cancelable without 30 days’ prior notice to us, along with evidence that the premiums have been paid. You are liable for any expense, including attorneys’ fees, which we incur in connection with the insurance required under the Franchise Agreement. Some lenders may require you to provide life insurance on your principal owners to get financing.

Real Estate Documents. You are not required to purchase, lease or sublease any real property or equipment from us or any of our affiliates that has an economic involvement or interest, or to utilize our services or the services of any real estate brokers with which we have an economic relationship, *except* in those instances where the franchise location and/or business is owned by or leased to us or one of our affiliates. However, we require that you sign one of the real estate documents described below (the “Real Estate Documents”) with Midas Realty or Midas Property giving Midas Realty or Midas Property, as applicable, the ability to occupy the Franchised Unit’s premises in the event of termination or expiration of the Franchise Agreement (or in the event you default or fail to exercise a renewal option under your lease) in order to ensure that the premises may continue to be operated as a Midas Shop if we choose. If Midas Realty or Midas Property owns the real estate or has the head lease on the Franchised Unit’s premises, you will be required to lease or sublease the Franchised Unit from Midas Realty or Midas Property, as applicable. The form of lease and sublease currently used by Midas Realty and Midas Property are attached as Exhibits F-1 and F-2, respectively. (See Item 10 of this Disclosure Document.) If you or any of your owners (if you are a business entity or trust) own the real estate on which the

Franchised Unit is located, own an interest in an entity that owns the real estate (including an entity such as a trust of which you are a beneficiary), or if such real estate is owned by an immediate family member as defined in the Franchise Agreement, you will be required to enter into an Option and Shop Lease with Midas Realty (Exhibit F-3). The Option and Shop Lease permits Midas Realty to lease the Franchised Unit's premises in the event that the Franchise Agreement is terminated or expires and Midas Realty chooses to exercise its option. If you lease the real estate upon which the Franchised Unit is located from an unaffiliated third party, we will require that you grant to Midas Realty a Conditional Assignment of Lease (Exhibit F-4) to take effect upon the termination or expiration of the Franchise Agreement, your default under the lease, or your failure to exercise a renewal option under the lease, if exercised by us. In addition, if you are the purchaser of an existing Midas Shop franchise for an operating Shop from an existing Midas franchisee and the Franchised Unit's premises is leased or subleased from Midas Realty or Midas Property, you will be required to execute an Assignment of Midas Lease/Sublease (the "Assignment of Lease/Sublease") (Exhibit F-5). Under the Assignment of Lease/Sublease you will assume and agree to perform and keep all agreements, conditions and obligations of, as well as assume responsibility for any uncured breaches and defaults by the tenant/subtenant under the lease or sublease. However, if you are the purchaser of an existing Midas Shop franchise for an operating Shop from an existing Midas franchisee and the Franchised Unit's premises is subject to an Option and Shop Lease or Conditional Assignment of Lease, you will be required to either execute a new similar document or an acknowledgement of the existing document. If you purchase an existing Midas Shop franchise from an existing Midas franchisee you will be required to sign a Deferred Maintenance Agreement which requires the buyer or seller of the Midas Shop franchise to repair conditions of the Midas Shop from our inspection of the Midas Shop within 90 days of the purchase. See Exhibit F-6.

Shop Design and Appearance. Because the design and appearance of both the exterior and interior of the Franchised Unit is an integral part of the Franchise System and the Marks, and because a large degree of uniformity must be maintained among Midas franchisees, you must purchase and maintain exterior building facades, signage, painting, paneling, office and waiting room furniture, and other items of interior and exterior décor and image, according to our specifications. You can purchase these products and services from any supplier, including, for certain products and services, from us. We can recommend suppliers for certain of these products and services. You will make no change, addition or alteration of any kind to the Franchised Unit's structural elements of the building or to adjacent areas without our prior consent. You are also required to change, at your expense, exterior building facades, signage, painting, paneling, office and waiting room furniture, and other items of interior and exterior decor and image, as we periodically require. You must also follow the reasonable instructions as to floor layout and character of interior furnishings, and may display only the signs, emblems, logos, lettering and pictorial materials we periodically prescribe.

Fleet Program. National fleet management companies direct thousands of vehicles to their participating national account providers. Under the Fleet Program, we are a national account provider for many national fleet management companies for which franchisees participating in the Fleet Program may benefit. In order to attract more national fleet management companies as customers to your Franchised Unit, you may voluntarily choose to participate in the Fleet Program. If you do choose to participate in the Fleet Program and sign the Fleet Amendment, you agree to offer and make available to all National Fleet Customers (defined in the Fleet Amendment) (i.e. those fleet customers whose business operations are conducted in more than one designated marketing area) the standard menu of services and prices listed on Exhibit B to the Fleet Amendment, as well as any additional menu items we designate. We have the right, in our sole discretion, to make reasonable changes to the menu items and designated prices. You may purchase the necessary inventory from any supplier, including, for certain inventory, from us. In addition, if you sign the Fleet Amendment, you will enter into one or more separate agreements with one or more processor(s)/service provider(s) that we designate. Our currently designated service provider is Sound Billing, LLC doing business as "MyFleetCenter". Sound Billing, LLC charges a service provider processing fee of 1.25% of the sales transactions billed to National Fleet Customers. Furthermore, your

agreement to participate in the Fleet Program includes your agreement to fully comply with all of the Fleet Program requirements, policies and procedures as we designate periodically. Currently, these policies include the offering of specific warranties for parts purchased by National Fleet Customers (Exhibit A to the Fleet Amendment). At the present time, if you participate in the Fleet Program, you are not required to purchase additional types of products to service the fleet customers. Your decision to sign the Fleet Amendment and participate in the Fleet Program is in your sole and absolute discretion and is totally voluntary. You will not be subject to any penalty or other adverse action by us if you elect not to sign the Fleet Amendment and participate in the Fleet Program.

Private Label Credit Card. Franchisees may choose to participate in a private label credit card program that we designate, which is currently offered through our designated supplier Comenity Capital Bank (“Comenity”). You must meet Comenity’s credit criteria to participate in the program. While you are not required to participate in this program, the Comenity program is the only approved private label “Midas” credit card program for franchisees and you may not establish, provide, originate, process, accept, market or promote any private label credit card (including “Category Cards” which are private label credit cards generally accepted only at participating merchants in auto and auto-adjacent categories) other than those issued by Comenity, even if the credit card does not contain the “Midas” tradename. Franchisees may, however, accept (but not originate) any major general purpose credit card, general purpose debit card, and any customer’s existing Category Cards.

Material Benefits. We may derive revenues from purchases by franchisees from us or companies affiliated with us as follows:

Our officers may have minority ownership interests in a variety of publicly traded companies. Some of these publicly traded companies or their affiliates could be approved or designated suppliers to our franchisees. Other than this type of minority ownership, no current officer of ours has any ownership interest in any of your suppliers or any franchisor affiliate that provides products and services to franchisees.

In addition, in the past, we have, and in the future, we and our parent and affiliates may enter into agreements with suppliers of Products & Services. As part of these arrangements, we have, in the past, and we and our affiliates may, in the future, receive early payment discounts, revenues, rebates and other material consideration from suppliers, including on account of purchases or leases by franchisees. These arrangements vary over time and we cannot guaranty that they will be in place at the time you sign the Franchise Agreement or throughout the term of your Franchise Agreement.

We have supplier arrangements under which we receive discounts/rebates. We currently receive discounts/rebates ranging from 2% to 10% of products and services purchased from certain suppliers by Midas and Midas franchisees. The rebates are calculated based upon an agreed upon percentage with the supplier and the amount of certain products and services purchased. These rebates are received by Midas, who then pays an allocated amount of the rebates to each franchisee who actually purchased the eligible products/services from the supplier who provided the discount/rebate, according to the agreed upon percentage and the amount of products/services actually purchased by that specific franchisee receiving the rebate. We reserve the right to discontinue passing through these rebates to our franchisees and to change our rebate programs periodically.

Cooperatives and Negotiated Prices. There are currently no purchasing or distribution cooperatives. We may negotiate purchase arrangements with suppliers (including price terms) for the benefit of the Franchised System. We do not provide material benefits to you (for example, renewal or granting additional franchises) based on your purchase of particular products or services or the use of particular suppliers.

Estimated Expenditures. Collectively, the source restricted purchases and leases described above that are required to be purchased from us, one of our affiliates, one of our approved suppliers or according to our specifications comprise approximately 10% to 30% of your overall required purchases and leases in establishing a new Franchised Unit. The source restricted purchases and leases described above that are required to be purchased from us, one of our affiliates, one of our approved suppliers or according to our specifications comprise 10% to 60% of your overall required purchases and leases in operating the Franchised Unit. However, these amounts may vary.

Revenue from Franchisee Purchases of Required Products & Services. In the fiscal year ending March 31, 2023, our total revenue was \$115.4 million, including \$56.3 million (which includes purchases of equipment, inventory, warranty registration and Fleet Program processing) received by us from Midas Shop franchisees' purchases of Required Products & Services, as described above. This amount was 48.79% of our revenues. During that same period, rental income received by Midas Realty or Midas Property from real estate leases for affiliated-owned or affiliated-leased properties leased to Midas franchisees located in the United States was \$27.1 million.

Except as described above in this Item 8, there are no other requirements for you to purchase or lease from us, one of our affiliates, one of our approved suppliers or according to our specifications.

Depending on the form of lease, your obligation to obtain the site, develop it, and pay rent will vary. The other obligations will not be affected.

ITEM 10: FINANCING

We are unable to estimate whether you will be able to procure financing from third parties or upon what terms. However, we may refer you to a lending institution or leasing company under which credit-qualified franchisees may be granted loans and/or leases for certain equipment for use in your Franchised Unit. Generally, these lending institutions require that the Franchised Unit's assets secure the loans. They may also require that you secure the loan with your residence. Currently, we do not receive any fees for the placement of loans.

Renewal Fee

If you are renewing an existing Franchise Agreement, we will permit you to pay your full renewal fee in either 2 or 12 installments, at your option, over the course of a year as described in Item 6, as provided in the Renewal Agreement (Exhibit D-10). However, if you have more than one Midas Shop franchise being extended within any 12-month period, the total of all the renewal fees must be paid in the same number of equal annual installments as the number of franchises so extended, up to 10 installments, from the date of the first extension. This financing is provided by us with no interest or financing charges, and we do not require any security interest for this financing. If you are a corporation, partnership, limited liability company, or other business entity, your owners must sign, individually, our Personal Guaranty (Exhibit D-2), guarantying all obligations including payment of the renewal fee. This financing can be prepaid by you without penalty.

Existing Franchisee Incentive Program, Transfer Incentive Program, and Area Developer Incentive Program – Initial Tire Order and Equipment Financing

Under the Existing Franchisee incentive program, as described in Item 5, we may permit you to pay for an initial tire order and equipment order in 12 equal monthly installments over 12 months with no interest (Exhibit D-20). Under the transfer incentive program and Area Developer Incentive program, as described in Item 5, we may permit you to pay for an initial tire order in 12 equal monthly installments over 12 months with no interest (Exhibit D-20). No finance charges apply. You must be financially qualified under our current standards, and meet the requirements for an applicable incentive program as described in Item 5 in order to receive this financing. The amount financed may be up to the purchase price for an initial order of at least 160 tires and up to \$100,000 for the initial equipment order, as

applicable. Such amounts may be exceeded in our sole discretion. The Promissory Note will be secured by your accounts receivable, inventory, equipment, fixtures, intangibles and other assets of the Shop, personal guaranty of the owners and others as described in the Security Agreement (Exhibit D-19). If you are a corporation, partnership, limited liability company, or other business entity, your owners must sign, individually, our Personal Guaranty (Exhibit D-2), guarantying all obligations including payment of this Promissory Note. Under the Promissory Note, you must waive delinquency of collection, presentment for payment, demand for payment, protest and notice of protest, demand and dishonor and nonpayment, and duty to enforce security. Under the Security Agreement, you must waive any right to have us seek collection from a third party or for us to make presentment on payments made to us with respect to collateral. Upon default, the payment under the Promissory Note may be accelerated by us, the interest rate will increase to 18 percent per annum, and you will be required to pay our costs of collection, including attorneys' fees. A default under the Promissory Note or Security Agreement may also constitute a default under your Franchise Agreement. This financing can be prepaid by you without penalty.

We do not have a practice of selling, assigning, or discounting to a third party all or part of any franchisee financing arrangement, but nothing prevents us from doing so in the future.

Except as described above, we do not offer direct or indirect financing from other sources, nor do we guarantee your note, lease or other obligations. Except as noted below and as provided under the Personal Guaranty (Exhibit D-2), we do not currently offer financing that requires you to waive notice, confess judgment or waive a defense against us.

Real Estate Documents

Except as described below, you are not required to lease the property where your Franchised Unit is located from Midas Realty or Midas Property. In the event Midas Realty or Midas Property own or lease the Midas Shop, you will be required to lease (Exhibit F-1) or sublease (Exhibit F-2) the Franchised Unit from Midas Realty or Midas Property, as applicable. In these instances, the amount financed will, in the case of a lease, be the costs associated with acquiring the site plus the costs of constructing the building plus all related project costs and will be payable over the term of the lease as a portion of the rent. Your annual fixed minimum rent for the first year of the 20 year lease term will be calculated by multiplying this total project cost by Midas Realty or Midas Property's, as applicable, then-current rental constant, which is currently .07%. In the case of a sublease, the fixed minimum rent will be the rent payable by Midas Realty or Midas Property under the third-party head lease marked up by 12% plus the amount of any construction or renovation costs multiplied by Midas Realty or Midas Property's then-current rental constant for the length of the sublease term provided, however, that if the third-party head lease is a ground lease, the fixed minimum rent will not be limited to the 12% mark-up and instead will be an amount determined by Midas Realty or Midas Property appropriate for both the land and the building. The term of the sublease will vary depending upon the term of the third-party head lease. Fixed minimum rent is payable in equal monthly installments by ACH Debit. Also, if you are required to pay rent, real estate taxes and other monetary obligations under a lease or sublease to Midas Realty or Midas Property, the ACH Agreement authorizes Midas Realty or Midas Property, as applicable, to debit these amounts from your account on or after the 1st day of each month.

If you lease or sublease the premises from Midas Realty or Midas Property, the current form leases and subleases have the following other provisions and requirements:

- (a) Security Deposit: Two months' rent and taxes unless waived by Midas Realty or Midas Property. (Lease Section 4; Sublease Section 8.)

(b) Rent: In the case of both the lease and sublease, your rent will be the fixed minimum rent calculated in the manner described above. If you are renewing your Franchise Agreement and extending the term of your sublease or lease with Midas Realty or Midas Property, or acquiring an existing Midas Franchised Unit that is being subleased or leased from Midas Realty or Midas Property, your rent may be the greater of the fixed minimum rent or 7% of the Franchised Unit's Gross Sales ("Percentage Rent"). The Percentage Rent may be higher than 7% if you are subleasing from Midas Realty or Midas Property and Midas Realty's or Midas Property's lease with the landlord has a higher Percentage Rent amount. Under the lease (Exhibit F-1), each year the fixed minimum rent will be increased according to a schedule that you and we agree upon, and every 5 years during the lease term Midas Property or Midas Realty has the option of establishing a rent based on fair market value as described in the lease. Under the sublease, the fixed minimum rent will increase in accordance with increases in the third party head lease rent and the amortization schedule for any construction or renovation costs; and Midas Property or Midas Realty shall also have the option every 5 years during the sublease term of establishing a rent based on fair market value as described in the lease. You must submit by March 1st of each year a statement of annual gross revenues for the preceding year, certified to be correct by you and signed by your accountant, and pay any remaining Percentage Rent due. Records supporting each statement must be preserved for 5 years after delivery of the annual statement. (Lease Section 3; Sublease Section 4.)

(c) Other Monetary Obligations: The lease and sublease require you to pay for real estate taxes, utilities, public liability and building insurance coverage, and the costs associated with maintaining your Franchised Unit and its premises. (Lease Sections 6, 9, 11 and 30; Sublease Sections 4, 5, 11, 13, 14 and 20.)

(d) Term: In the case of a lease, 20 years. In the case of a sublease, the same as the term of the third-party head lease, but not including options to extend the term. (Lease Section 2; Sublease Section 3.)

(e) Prepayment Penalty: None.

(f) Guaranty: The personal guarantee of you and other partners, or shareholders if you operate as a corporation, or members if you operate as a limited liability company, will be required. (Lease Section 22; Sublease Section 22.)

(g) Consequences of Default: If (a) you fail to cure a default in the payment of rent within 15 days after receipt of written notice, (b) you fail to cure any other default within 30 days after receipt of written notice, (c) you engage in a pattern of repeated defaults (i.e. any four defaults during twelve consecutive months or any three defaults occurring in three consecutive months), (d) there is an insolvency filing against you, (e) you vacate or abandon the premises, (f) you willfully falsify any statement or report submitted to Midas Realty or Midas Property, as applicable, or (f) your Franchise Agreement is in default or an event which constitutes immediate and automatic termination has occurred, Midas Realty or Midas Property, as applicable, has the right to terminate the lease or sublease and your right to occupy your Franchised Unit's premises, or, without terminating the lease or sublease, terminate your right to occupy your Franchised Unit's premises, take over possession, terminate your Franchise Agreement, and hold you liable for rent for the remainder of the lease or sublease term. You are also obligated to pay Midas Realty or Midas Property, as applicable, interest for any rent or other monetary obligations not paid when due at a rate equal to the lesser of 18% per year or the

maximum rate of interest allowed by law. (Lease Sections 23 and 30; Sublease Sections 20 and 21.)

(h) Waivers: The lease and sublease contain a waiver by you of any notices regarding default and termination other than those expressly provided for in the lease and sublease. (Lease Section 23; Sublease Section 21.)

Note: If you are the purchaser of an existing Midas Shop franchise for an operating Midas Shop from an existing Midas franchisee and you enter into an Assignment of Midas Lease/Sublease, the terms and conditions of the underlying lease or sublease that you assume and agree to may be different than those described above.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your Franchised Unit, we will:

1. Provide general site selection guidelines and consultation. We must approve a Site for your Franchised Unit, but we are not required to locate the Site or negotiate your lease. If a Site has not been determined upon the execution of the Franchise Agreement, then within 18 months thereof (the "Site Selection Period"), you are required to select and present to us a Site and all other information and materials related to the Site that we may require. This information may include, but not be limited to, a completed site evaluation questionnaire, a description of the proposed Site, a letter of intent or other evidence that satisfactorily confirms to us that you have a favorable chance of obtaining the proposed Site, and any other information we may reasonably require. We must approve or disapprove any Site you select within 30 days after we receive the required information and materials. If we do not approve of the Site by written notice within that 30 day period, the proposed Site will be deemed disapproved. (Section 6.18 of the Franchise Agreement.) You must obtain our approval of the Site for your Franchised Unit within 30 days of the end of the Site Selection Period. Concurrently with our approval of the Site, we will execute with you the Site Selection Addendum to the Franchise Agreement. (Section 1.1(a)(ii) of the Franchise Agreement.) Our approval of a Site is not a guarantee or warranty of the Site's eventual performance. The methods and factors we use to evaluate the location of your business and others are based, in part, on the population of your targeted market within a given geographic area, site demographics, population patterns, income statistics, national and local industry trends, the presence of competitors in the geographic area, parking in the area, size of the location, physical characteristics of existing buildings, lease terms, sales volume in the area, consumer shopping patterns, experience of the owners, density of the market area, traffic flow and patterns, access and other commercial criteria. Midas Realty, Midas Property, or one of our other affiliates may own the Site and lease it to you or lease the Site and then sublease it to you. Regardless of whether you or one of our affiliates owns or leases the Site, you must sign the appropriate Real Estate Documents. (Section 6.20 of the Franchise Agreement.) See the "Shop Opening" section below in this Item 11 and the "Real Estate Documents" section in Item 8.

2. Make available to you standard building plans and signage specifications for a prototype Midas Shop and consult with you regarding the Franchised Unit's layout, exterior design, signage, floorplan and equipment. (Section 3.1(b) of the Franchise Agreement.) You will need to modify these plans for your Site at your own expense in order to address site-specific factors, subject to our approval.

3. Furnish general marketing materials, ideas and suggestions for the Franchised Unit's grand opening campaign, as determined by us. (Section 3.1(c) and 6.19 of the Franchise Agreement.)

4. Provide operations training to you and your Designated Owner (defined below), if any, as well as others you may designate. (Section 3.1(d) of the Franchise Agreement.) The Operations Training Programs are described in the "Training Requirements" section below in this Item 11.

5. Make available to you via the Internet a copy of the Manual. (Section 3.1(e) of the Franchise Agreement.) See the "Midas Policy Manual" section below in this Item 11 for more information.

Continuing Obligations

During your operation of the Franchised Unit, we will:

1. Make available to you all improvements and additions to the Franchised System. (Section 3.1(f) of Franchise Agreement.)

2. Counsel with you from time to time with respect to your Franchised Unit. (Section 3.1(g) of Franchise Agreement.)

3. Make available to you the benefits of our information, experience, advice, guidance and know-how. (Section 3.1(g) of Franchise Agreement.)

4. Have the right, at reasonable times, to visit your Franchised Unit, to inspect the merchandise, equipment and nature of the goods sold and services rendered, to examine your books and records, to observe generally the manner and method of operation of the Franchised Unit, and to address operating problems. (Section 6.16 of Franchise Agreement.)

5. Reimburse you (or otherwise ensure that you are reimbursed) in part or in full for the cost of a part used by you to replace a product which is covered by a valid Midas warranty, if applicable (not including any warranty program administered by a third party), subject to submission by you of the proper data through the point-of-sale computer system discussed below and in Item 8. (Section 5.3(f) of Franchise Agreement.)

6. Purchase and place marketing for the products and services sold by you and other franchisees. Except as described in the "Marketing Program" section below, we will spend an amount equal to at least one-half of the royalties collected from our standard Midas Shop franchisees and a portion of the royalties collected from our Co-Branding Shop franchisees for the cost of this marketing (which includes media costs, commissions and fees, production costs, and other associated costs of the marketing) during the calendar year in which the royalties are received or during the following calendar year. (Section 3.1(h) of Franchise Agreement.)

7. Generate certain data summaries and compilations, and generate comparative market-level data compilations which specifically relate to the Franchised Unit and make these summaries and compilations available to you as and when reasonably requested. (Section 6.17 of Franchise Agreement.)

8. Let you use our confidential information (Article 2 of the Franchise Agreement.)

9. Let you use the Marks (Article 2 of the Franchise Agreement.)

10. Make available to you via the Internet a copy of the Manual. (Section 3.1(e) of the Franchise Agreement.) See the “Midas Policy Manual” section below in this Item 11 for more information.

Assistance Under Area Development Agreement

If you sign an Area Development Agreement, then during the terms of that Area Development Agreement, we will grant you franchises for Midas Shops if we approve of your financial and operation ability. We must also approve the Site for each Midas Shop to be developed. We describe our current site selection process above in this Item. Our then current site selection process and requirements will apply for each Midas Shop to be opened under an Area Development Agreement. You must sign our then current form of franchise agreement, real estate control documents, and related documents for each Midas Shop franchise (the “Updated Franchise Documents”), the terms of which may differ substantially from those in the Franchise Agreement attached to this disclosure document, including in relation to requirements and standards for site selection and approval. The Development Fee paid at the time you sign the Area Development Agreement shall be applied toward each initial franchise fee. You may not sign any lease or sublease for a Site without our approval and without first signing, and complying with, our Updated Franchise Documents. (Area Development Agreement – Sections 1 to 7). See Items 5, 6 and 15.

Marketing Program

Except as provided under the Fleet Amendment and as described below, each calendar year, we will expend an amount not less than one-half of the royalties we actually receive from our Midas franchisees for media costs, commissions and fees, production and other associated costs for marketing and promoting the products and services sold and performed by Midas franchisees. Under the Fleet Amendment, we will only be required to expend 2% of Net Revenue from Qualifying Fleet Customers for the marketing described below during the period from execution of the Fleet Amendment through January 31, 2025. (Section 10 of the Fleet Amendment.)

For any Co-Branding Shop franchises, the Net Revenues will be divided into Midas Net Revenues and SpeeDee Net Revenues as described in Item 6, and we will expend royalties based on the Midas Net Revenues on marketing and promotion on the same basis as described in the preceding paragraph. With regard to the royalties based on the SpeeDee Net Revenues, we will pay those amounts to SpeeDee and at least one-half of those royalties, or approximately 54.5% of those royalties if your Co-Branding Shop is located in a SpeeDee DMA, are utilized by SpeeDee for its own National Marketing Program for the SpeeDee system. Different terms apply for Co-Branding Shop franchisees who have signed franchise agreements in previous years, and we reserve the right to modify the marketing rates paid by Co-Branding Shop franchisees in the future. SpeeDee is further required to pay us an advertising fee of one-half of the net revenues generated by its own Midas/SpeeDee co-branding franchisees from the Midas segments of their businesses, which amounts we will also contribute to the marketing and promotion costs for the Midas system.

The combined amounts to be used by us for marketing and promotion purposes will be used as described below. In addition, company-owned Midas Shops and company-owned Co-Branding Shops contribute to amounts spent on marketing on the same basis as the respective franchisees.

We direct all use of the marketing and promotional budget, and all decisions regarding the creative concepts and materials used, whether national, regional or local marketing, or some combination. The particular media and marketing content are within our sole discretion. We may use video, audio, and written materials and electronic media; develop, implement and maintain a Website and/or related strategies; administer regional and multi-regional marketing and marketing programs, including

purchasing trade journal, direct mail, and other media marketing; use promotion and marketing agencies and other advisors to provide assistance; and support public relations, market research, and other promotion and marketing activities. We may utilize national and regional advertising agencies, media-buying agencies, our own in-house creative department and other outside sources for the creation of advertising copy, media purchasing and other services which are necessary for the creation and dissemination of these marketing and promotional materials. We may advertise locally, regionally, and/or nationally in printed materials, on radio or television, and/or on the Internet, whatever we think is best. We may provide you with samples of advertising, marketing and promotional formats and materials at no cost. Additional copies of these materials are available to purchase from our catalog.

We pay for the costs associated with these services out of our general business operating account. These costs are counted toward the amount required to be spent each year for marketing and promoting the products and services sold and performed by franchisees. We are not required to spend a minimum dollar amount in any area or territory where a particular franchisee is located. If we spend an amount in excess of one-half of the royalties actually received during any year for marketing, the excess may be applied toward a later year's minimum spending requirement.

Periodic Reporting: The royalties received by Midas franchisees that are allocated to marketing are audited annually. By June 1st of each year, we will provide you with a certificate signed by one of our officers stating the amount of royalties actually received from Midas franchisees and the amount spent for marketing and promotions in the preceding year that was collected from Midas franchisees. We will also provide you with details of the amounts collected from Midas franchisees and expended for media costs, commissions and fees, and production costs relating to the marketing. (Section 3.1(h) of Franchise Agreement.)

In fiscal year ending March 31, 2023, Midas spent a total of \$58.5 million, which was collected from Co-Branding Franchisees and Midas Franchisees. These funds were spent as follows: 72.9% on media placement, 3.3% on production (which included talent costs, prints, tapes, shipping, research and network integration), 17.5% on administrative expenses, and 6.4% on other expenses. Other expenses included travel and entertainment expenses.

Franchisee Marketing and Advertising: You may also conduct advertising and marketing promotions for your Franchised Unit at your own expense and without deduction or credit from royalties or other monies due to us. Your marketing must be conducted in a dignified manner and conform to our standards and requirements. We or our advertising agencies will provide samples of advertising, promotional and marketing materials to you for this purpose. Any advertising, promotional or marketing materials not provided by us or our advertising agencies, nor previously approved by us, must be submitted to us for approval before you use them. (Section 6.8 of the Franchise Agreement.)

See also a description of the Marketing Support Program in Item 5 above.

Advertising Councils and Committees: We have a marketing committee comprised of franchisees that we select in our discretion that advises on marketing decisions for the system. The marketing committee serves in an advisory capacity only. We have the power to change and dissolve this committee.

Advertising Cooperatives: Franchisees are not required to participate in local or regional advertising cooperatives.

Solicitation of New Franchisees: We do not use the money allocated to advertising for advertising that is principally to solicit new franchise sales.

Point-of-Sale System and Computer System

We require that all Midas Shops have in operation a point-of-sale system capable of transmitting to us all customer and sales information for each transaction occurring in the Midas Shop. The system is currently utilized for the purposes of registration, redemption and credit processing under the warranty program, estimating and invoicing consumer product sales and service transactions, inventory management, electronic parts catalog access, parts ordering and transmission of other customer information and offers an integrated customer management and marketing tool as well as interfaces with external accounting and data management applications. In the future, we may change the method by which transmission, registration, redemption and credit processing under the warranty program is conducted, as well as how the system will be utilized for estimating and invoicing consumer transactions, inventory management, electronic parts catalog access, transmission of additional customer information and data, and other functions. We may modify our requirements for your computer systems, which may include adding required computer systems and software and designating specific suppliers for those items, from time to time in our sole discretion without any contractual limitation.

As described in Item 8, we require the use of the R.O. Writer point-of-sale system for new franchisees, and recommend it for all franchisees. The R.O. Writer software management system offers an integrated customer management and marketing tool as well as an external accounting system interface and data management application that captures customer and sales information for each transaction occurring in the Midas Shop. The R.O. Writer point-of-sale software is owned by CRI. Currently the R.O. Writer point-of-sale software system is comprised of the R.O. Writer shop management software and Smart eCat Epicor online parts and labor guide. CRI licenses the R.O. Writer System to new Midas franchisees and franchisees in good standing. CRI reserves the right to change the fees or require new fees to be charged for licensing and use of the R.O. Writer system and its optional modules and capabilities periodically. If you acquire the R.O. Writer software, you must pay a one-time software fee that is currently in the amount of \$1,000 per each location. If you currently operate a Midas Shop in good standing, have previously paid the R.O. Writer software fee for the existing location, and you are acquiring an existing Midas Shop that already uses the R.O. Writer system, then this software fee will be waived for your new location. The R.O. Writer software licenses and agreements are not transferable. If you hire CRI to install the R.O. Writer software, there is also currently a one-time installation fee of \$1,500 for each location. If you are required to acquire the R.O. Writer software, you must hire CRI or its designated supplier to install that software for you. Also, if you are acquiring a Franchised Unit that currently uses R.O. Writer software or you are converting to R.O. Writer from another point-of-sale system, you must hire CRI to install and upgrade the R.O. Writer system for the same installation fee, which includes upgrading the version of the system to a current release and configuring the system for optimal usage, including enabling its newer features. Otherwise, you may, in your sole discretion, hire CRI or its designated supplier to install the R.O. Writer software for you. CRI also charges this installation fee in the event that you require the R.O. Writer software to be reset and updated. CRI currently charges a \$750 Data Conversion Fee if you are converting an independent automotive repair shop that does not utilize the R.O. Writer point-of-sale system to a Midas Shop.

If you are a new franchisee, you must acquire initial training and go-live support related to the R.O. Writer system from CRI. Currently, the CRI initial training and go-live support fee is generally in the range of \$6,000 to \$10,000 depending on the costs of CRI for travel, lodging, and expenses. Further, any franchisees that use the R.O. Writer software are required to subscribe to maintenance with CRI. Currently, the CRI software maintenance fee is \$399.99 per month (\$4,799.88 per year) for each Franchised Unit. Under your agreement with CRI, either CRI or another CRI affiliate will provide ongoing maintenance and upgrades for the R.O. Writer software. Neither we nor any of our affiliates are obligated to provide ongoing maintenance, repairs, upgrades, etc. for the R.O. Writer point-of-sale system. Except as may be provided under your agreement with CRI, neither CRI nor any of its affiliates

are obligated to provide ongoing maintenance, repairs, upgrades, etc. for the R.O. Writer point-of-sale system.

You also must subscribe through CRI to the Smart eCat Epicor Parts & Labor Guide for additional charges that are currently \$129.99 per month.

All of the prices stated for the R.O. Writer system and related services are CRI's fees as of the date of this Disclosure Document, which are subject to change by CRI.

In order to use the R.O. Writer software management system, you will need a minimum of one Windows-based computer (2-3 are recommended) and one printer. Although neither we nor CRI specifies the supplier or provide an approved list of components, CRI will advise you of the minimum hardware specifications necessary to operate the various releases of the R.O. Writer software. Currently, the minimum hardware required to run the most current release of R.O. Writer consists of the following: Intel® Core™i3, i5, i7, or i9 processor or equivalent competitive processor (1.6 GHZ or faster); minimum RAM of 4GB or greater for client only or server only / 6GB or greater for Server and Client on the same computer; Microsoft® Windows® 8.x Professional, Microsoft Windows 10 Professional, Window Server® 2016, or Window Server 2019 (Note: Server not required for multiuser R.O. Writer); minimum of 75GB free space on the hard drive, 7200 RPM or better; 17" or larger monitor that supports a resolution of at least 1024x768; 1Gpbs network card; and a laser printer.

You must have high-speed Internet access to receive software updates.

You must electronically transmit to us, on a daily basis (or less frequently if we agree), using the electronic means we determine periodically, your shop-level sales data. We currently do not have direct or on-line access to your computer or the data generated by your computer, but we may require this type of access in the future. In addition, we reserve the right to require independent, unlimited access to other information and data in your system in the future through use of the Internet or other medium. (Section 6.17 of Franchise Agreement.)

You are solely responsible for updating your point-of-sale system in a timely manner, as we require and/or as new electronic parts catalogs, pricing and/or software updates become available. There are no contractual limitations on the cost or frequency of this obligation.

In addition, we recommend that you utilize a high-speed Internet connection. You may also be required periodically to upgrade hardware and other software in order to meet either the requirements of CRI or any other software vendor you select, or our requirements with respect to data collection, retention and transmittal. These updates will be your responsibility and at your cost. Maintenance, repair and support will vary depending upon the vendor you select for the hardware and software, and are also your responsibility and at your cost. The current estimated cost of the computer, hardware and telephone systems for a Midas Shop is about \$10,000 to \$13,000.

If you elect to sign the Fleet Amendment and participate in the Fleet Program, you agree to fully comply with all of the Fleet Program requirements, policies and procedures as we designate periodically. Currently, these requirements include your use of a point-of-sale system that supports single step fleet interface (when available from point-of-sale vendors), high-speed Internet access, point-of-sale hardware that supports Windows operating systems. (Exhibit A to Exhibit D-6.)

Other than as described in this Item 11, neither we nor any of our affiliates are obligated to provide ongoing maintenance, repairs, upgrades, etc. for your computer systems including your point-of-sale system.

Midas Policy Manual

Franchisees have access to our Manual via the Internet. The Manual is confidential and remains our property. We may modify the Manual periodically. You will be permitted to review the Manual before you purchase the Midas Franchise. The Manuals can be reviewed at our corporate headquarters located at 4300 TBC Way, Palm Beach Gardens, Florida. Attached to this Disclosure Document as Exhibit L is the table of contents of our Manual. There are 95 total pages in our Manual. The Manual is designed to protect our reputation and the goodwill of the Marks, it is not designed to control the day-to-day operations of your Midas Shop.

Shop Opening

Typically we expect the length of time between signing the Franchise Agreement and opening a new Midas Shop is between 12 to 24 months. If you purchase an open and operating Midas Shop, the time period between signing the Franchise Agreement and assuming operations is usually about 1 to 2 months to ensure you satisfy all training obligations. If you are converting your automotive shop into a Midas Shop, the time period between signing the Franchise Agreement and opening as a Midas Shop is typically between 2 to 3 months depending on the amount of conversion construction (e.g., sign permitting, etc.) and completing your training requirement. After successfully completing the Operations Training Program, you must wait a minimum of 48 hours before you can officially open your Midas Shop. Factors affecting the length of time include site selection, financing arrangements, completing construction, obtaining licenses and permits, the complexity of zoning and local ordinances, real estate title and environmental problems, delivery and installation of equipment, delivery of inventory, hiring of staff, the completion of our initial franchisee Operations Training Program to our satisfaction, your personal involvement and level of activity, and changes in personal circumstances. You are required to select and present a Site and all information and materials we require to evaluate the Site within the Site Selection Period (Section 6.18(a) of the Franchise Agreement.). We have 30 days after receipt of all requested information to approve or disapprove, in our sole and absolute discretion, the Site as a location for your Franchised Unit. The proposed Site is deemed disapproved if we do not approve it within this time frame. We may terminate the Franchise Agreement if (a) you do not select and present a proposed Site for the location of the Franchised Unit to us within the Site Selection Period or (b) you fail to obtain our approval for the proposed site location for the Franchised Unit within 30 days after the expiration of the Site Selection Period. (Sections 6.18(e) and 8.2(d)(ix) of the Franchise Agreement.) You may be entitled to a partial refund of the initial franchise fee upon this termination, as described above in Item 5.

You or your landlord must employ a qualified licensed general contractor at your expense to construct the Franchised Unit and complete all improvements and employ a qualified architect, engineer or other licensed and professionally qualified individual to modify plans to conform to local legal requirements and specifications. (Section 6.18(b) of the Franchise Agreement.) You must complete construction and open a new Midas Shop within 12 months after final site approval. (Section 6.18(c) of the Franchise Agreement.) If you fail to meet any of these construction and opening timelines, we may terminate the Franchise Agreement. (Sections 6.18(e) and 8.2(d)(ix) of the Franchise Agreement.) However, it is our current policy to allow extensions of time if you have been unable to meet these deadlines after diligent efforts, provided you continue to make diligent efforts to find a location and construct and open the Franchised Unit. In that case, if you do not open a new Midas Shop for business within any extension period, we may elect to terminate the Franchise Agreement at that time, notwithstanding any previous extensions of time granted.

You must submit an Application to be awarded a Midas Shop franchise. As we designate, if we approve your Application you will be required to either sign the Franchise Agreement (and related documents) and pay the initial franchise fee or deposit with us a deposit to conduct site selection. You must sign the Franchise Agreement and related agreements before you can open the Franchised Unit for

business. Either you or we may terminate the Application at any time before the execution of the Franchise Agreement and other related agreements by giving written notice to the other party. If we do not accept your Application within 90 days of our receipt of your Application, it will be deemed rejected. In addition, we may terminate your Application if you do not execute and return the Franchise Agreement and related agreements to us within 30 days of your receipt thereof and pay any applicable fees. If the Application is terminated: (a) all of your rights provided in the Application will automatically terminate; and (b) we will have no further obligations to you under the Application (except for refunding the deposit in those limited circumstances expressly provided for in the Application).

Training Requirements

After you have signed the Franchise Agreement and other related agreements, but before your Franchised Unit opens, you (or if you are a corporation, partnership, or limited liability company, your Designated Owner (defined below)), and any other management or supervisory personnel of yours that you designate must complete one of our initial operations training programs (“Operations Training Program”). If you replace your Designated Owner the replacement Designated Owner must attend and complete, to our satisfaction, the Operations Training Program before the assumption of those responsibilities. The Operations Training Program must be completed, to our satisfaction, by these individuals before the opening of your Franchised Unit. The “Designated Owner” is the Franchisee or, if the Franchisee is a business entity, an owner of the Franchisee that is designated in Section 6.4 of the Franchise Agreement to: (a) devote his or her full time and effort to the active management and operation of the Franchised Unit, (b) reserve and exercise ultimate authority and responsibility regarding the management and operation of the Franchised Unit, and (c) represent and have authority to act on your behalf in all dealings with us. (Sections 3.1(d) and 6.4 of the Franchise Agreement.)

The Operations Training Program is conducted in 3 parts. Part 1 of the Operations Training Program consists of a minimum of two meetings with the Regional Sales Manager or another individual we designate, a minimum of 5 business days of in-shop observation at an operating Midas Shop of our choosing as determined by the Regional Sales Manager or another representative that we designate, the completion of an initial business plan and an analysis of the local competition. Part 2 of the Operations Training Program is an instructional program held at our training center in Palm Beach Gardens, Florida, which lasts a minimum of 4 days, with an additional 28 hours over 4 days for Shops that are operating on the R.O. Writer point-of-sale system. In addition, at our option, you may also be required to spend a minimum of 5 additional business days to practice and demonstrate competence on necessary skills (which is Part 3 of the Operations Training Program). This additional training, as applicable, will be at an operating Midas Shop or at a different regional location, as determined by the Regional Sales Manager or another individual we designate. The second part of the Operations Training Program is conducted approximately nine times throughout the calendar year, depending on participation levels. The Operations Training Program is scheduled based on participation levels throughout the year.

Rather, the actual time it takes to complete each portion of the initial training is based on the ability and the desire of the individual to learn. Completion of all activities outlined in the Pre-Classroom Assignment and Details Workbook, which we will provide to you, as well as Regional Sales Manager meetings are necessary prior to attendance at the classroom portion of the initial training program.
- B. The subjects covered in this part of the training include: Customer Service, Image Standards, Midas Processes, Standards of Service, Vehicle Inspection, Telephone Management, Sales Skills, Marketing & Advertising, Inventory Management, Midas Paperwork, Point-of-Sale Systems, Shop Scheduling, Bay Management, Shop Equipment, Business Measures, and Business Plans.

INSTRUCTIONAL MATERIALS: We may use manuals, handouts, multimedia, shop equipment, computer hardware and software, and various other instructional materials in conducting the Operations Training Program.

INSTRUCTORS: The shop operations training and certification portion of Part 1 of the Operations Training Program and the new franchisee orientation follow up and certification of Part 3 of the Operations Training Program may be conducted by an existing franchisee of ours who we have certified to conduct the training and certification. Each individual receiving this certification training program must sign a Certification Program Agreement in the form of Exhibit D-18 with us and the franchisee providing the training and certification. Part 2 of the Operations Training Program may be led by our Manager of Training, Glen Nicholson, who facilitates and manages this training in Palm Beach Gardens, Florida. Mr. Nicholson was TBC's Director of Learning and Development from 2002 to 2020. He was an independent training consultant from 2020 to 2022, and has been the Manager of Training for Midas since September, 2022. Mr. Nicholson has 41 years of experience in the field. In addition, we utilize department leaders, field service representatives (including Regional Sales Managers) and guest speakers for training. Other employees of ours, in addition to our training managers, give instruction in areas of their specialty, such as inventory management, shop management, marketing and customer service. In addition to our employees, instructors at the Operations Training Program may include several non-Midas employees (financial specialists, equipment company representatives, etc.).

We do not currently impose any charge for attending the Operations Training Program. However, we are financially responsible for tuition and materials only for the Operations Training Program. You and your employees will be responsible for all meals, travel, lodging and other living expenses incurred in attending initial and subsequent training program(s).

We will assess your performance and qualifications to become a franchisee on an ongoing basis throughout your participation in the Operations Training Program. We may terminate our preliminary approval of you as a prospective franchisee at any time if we determine that you and/or whomever attends the Operations Training Program with you cannot or has not completed the Operations Training Program to our satisfaction, or if the Training Manager otherwise is of the opinion, in his or her sole discretion, that you and/or the persons attending the Operations Training Program with you do not possess the attributes necessary to be a Midas franchisee.

We recommend that you not make any changes in your present employment situation or lifestyle until construction of your Franchised Unit commences and you have completed our Operations Training Program to our satisfaction. You should not resign from your present employment, begin sale of your home, or take any steps toward relocation prior to that time. Final approval for a Midas franchisee requires, in addition to other factors, completion to our satisfaction of all parts of the Operations Training Program and approval by the Vice President of Franchise Operations or his designee.

Additional Training for all Midas Shops

At our option, we may require that you and/or any of your managers you designate successfully complete additional training program(s) or course(s) after the opening of your Franchised Unit. These requirements will be described in the Manual or other written communications. We reserve the right to change, modify or amend these additional training requirements and to charge a fee for additional training courses at any time.

We may also offer supplemental training sessions for you and your managers to be held at various locations after your Franchised Unit opens. Periodically, we provide our franchisees written instructional materials and conduct training seminars in the field.

ITEM 12: TERRITORY

Franchise Agreement

The Franchise Agreement will grant to you the right to operate your Franchised Unit at a specific location only, that we approve, and does not in any way grant, confer or imply any geographic area, market or exclusive territorial right to you. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we or our affiliates franchise or own, or from other channels of distribution or competitive brands that we control.

Since the franchise does not grant to you any exclusive rights to an area, market or territory, there are no restrictions on you, us, our affiliates, or other franchisees with respect to soliciting or obtaining business from any geographic area. However, you do not have the right to use other channels of distribution (such as the Internet, catalog sales, telemarketing, or other direct marketing) to make sales using the Marks, whether at your Franchised Unit or otherwise. The sales and customer trading patterns of your Franchised Unit may change for a variety of reasons, including on-going development of the Franchised System.

If your right to possession of the Franchised Unit's premises is terminated without your fault or affirmative action on your part at any time during the term of the Franchise Agreement (or in any other case where we approve the termination at the premises), then if you notify us that: (a) this loss of possession has occurred, or (b) this loss of possession will occur within 6 months of the date of your notice, you will have the right to relocate your Franchised Unit to a new location subject to our approval. You will be required to pay us a relocation fee of \$1,000 to compensate us for our time in reviewing your new site, unless the reason for the relocation is that you lease your premises from us or our affiliates and the head lease has expired. If you do not relocate within one year of the date of the closing of your previous location, your Franchise Agreement will automatically terminate. You may not relocate the Franchised Unit under any other circumstances. (Section 8.4 of the Franchise Agreement.)

Except as provided in an Area Development Agreement, as described below, you do not receive any options, rights of first refusal, or similar rights to acquire additional franchises. You do not receive any right to exclude, control or impose conditions upon the location or development of future Midas Shops. The continuation of your rights under the Franchise Agreement does not depend on you achieving a certain sales volume, market penetration, or other contingency. We may not alter your Designated Territory or any territorial rights.

We and our parents and affiliates have the right to establish other franchised or company-owned Midas Shops and Co-Branding Shops at any other location whatsoever, including what may, at any point in time, be considered within close proximity to your Franchised Unit. We and our parents and affiliates also have the right to operate or license others to operate similar or different businesses under any trade name, at any location, which may compete with your Franchised Unit. We and our parents and affiliates also reserve the right to (i) develop and operate any type of business, including a competitive business that does not use the Marks at any location whatsoever, including what may, at any point in time, be considered within close proximity to your Franchised Unit, (ii) acquire competitive businesses of any kind, in any location, for the purpose of selling the competitive business' assets or merging it into an existing business, including a competitor, (iii) operate, or franchise third parties to operate, competitive businesses anywhere whatsoever, (iv) sell products the same as, similar to, or different from those identified by the Marks described in Item 13 below and other products identified by the Marks, or identified by different trademarks, anywhere through other channels of distribution (such as the Internet, catalog sales, telemarketing or direct marketing), and (v) acquire and retain, directly or indirectly, the rights and obligations of any other franchisor or licensor of any business similar to or different from a Midas Shop operating under the same or different trademarks as the Marks. We are not required to pay you if we exercise any of these reserved rights.

Area Development Agreement

If we offer and you sign the Area Development Agreement, you will develop two Midas Shops within the Designated Territory. We and you will identify the Designated Territory in the Area Development Agreement before signing it. Sizes and boundaries for Designated Territories will vary widely depending on factors like economic conditions in the market you are developing, demographics, and site availability. There is no minimum size for Designated Territories. We will describe the Designated Territory using either longitude and latitude coordinates or a map that will generally describe the Designated Territory using streets or other natural boundaries or, in some markets, city or county boundaries. We and you will negotiate the Development Schedule establishing the dates by which you must sign a franchise agreement for each Midas Shop. We and you then will complete the Development Schedule in the Area Development Agreement before signing it. Generally, unless we agree otherwise, the Development Schedule will provide that the first Shop must be opened within 12 months after the effective date of the Area Development Agreement, and the second Shop must be opened within the following 12 months. The opening date is extended by six months for any newly constructed Shop.

One of the two Midas Shops opened under an Area Development Agreement may be an existing Midas Shop acquired in a transfer.

You must obtain our approval of the Site for each Franchised Unit to be opened pursuant to the Area Development Agreement. You will be required to comply with our then current requirements and standards in selecting each of these Sites.

You are not granted any exclusivity rights to your Designated Territory. We may offer and grant franchises or development rights for, or operate, other Midas Shops, or engage in any other businesses activities, within the Designated Territory without restriction during or after the term of the Area Development Agreement.

There are no other restrictions on us or our affiliates under the Area Development Agreement. We may terminate the Area Development Agreement (but not franchise agreements with you) if you do not satisfy your development obligations according to the Development Schedule. Except as described above, continuation of any territorial rights in the Designated Territory does not depend on your achieving a certain sales volume, market penetration, or other contingency.

Other Concepts and Businesses

As discussed in Item 1, we offer franchises to others to operate Co-Branding Shops under the Marks and the Speedee Marks, and Speedee likewise separately offers franchises to others to operate Midas/Speedee co-branded retail outlets under the Marks and Speedee Marks. The Co-Branding Shops and Speedee's co-branded outlets offer most of the services available at either a stand-alone Midas Shop or Speedee Shop, as described in this Disclosure Document, but at one location. These outlets may be owned and operated by co-branding franchisees, by Speedee, or by us or our affiliates. The owners of Co-Branding Shops and Speedee's co-branded outlets may solicit and accept customers in any geographic region where Midas Shops are located. It is possible that Co-Branding Shops may be operated in close proximity to your Franchised Unit or in your Designated Territory. See Item 20 below for information regarding the number of franchisee-owned and company-owned Co-Branding Shops as of the date of this Disclosure Document. We will resolve conflicts between us and the Co-Branding Shop franchisees and those between the Co-Branding Shop franchisees and the Midas franchisees regarding territory, customers and franchisor support as we deem appropriate under the circumstances. Our principal business address for purposes of both the Midas franchise system and the Co-Branding Shop franchise system is 4300 TBC Way, Palm Beach Gardens, Florida 33410.

Also as discussed in Item 1, Big O franchises others to operate Big O Stores under the Big O name, trademarks, trade names, service marks and other logos and symbols periodically designated by Big O, which are franchises for the operation of retail stores selling and servicing tires and related automotive products and services ("Big O Stores"). Some of these services may be identical to and in competition with those provided at Midas shops. Big O also owns and operates Big O Stores. See Item 1 above for information regarding the number of franchisee-owned and company-owned Big O Shops as of March 31, 2023. The owners of Big O Stores may solicit and accept customers in any geographic region where Big O Stores and Midas Shops are located. It is possible that Big O Stores may be operated in close proximity to your Franchised Unit or in your Designated Territory. We will resolve conflicts between us and the Big O Store franchisees regarding territory, customers and franchisor support as we deem appropriate under the circumstances. Big O's and our principal business address is 4300 TBC Way, Palm Beach Gardens, Florida 33410.

We currently share training facilities with Big O.

TBC and its subsidiaries distribute products in the automotive replacement market, including tires and tubes, through channels of distribution not involving Midas franchisees. The primary brand names for tires distributed by TBC include Interstate, Delta, Eldorado, Harvest King, Multi-Mile, National, Power King, Prinx, Sailun, Sumitomo, Towmax, Towstar, and Trailer King. Other brands TBC markets and distributes include Arctic Claw, Crosswind, Doral, Grand Prix, Mirada, Mud Claw, Solar, Sumic, Tourmax, Trail Guide, Trailcutter, Velozza, Wild Spirit, Wild Trac, and Wild Trail. TBC Retail, an indirect TBC subsidiary, also makes wholesale sales of tires and other automotive products under well-known brand names such as Bridgestone, Dunlop, Firestone, Goodyear, Hankook, Kelly Springfield, Michelin, Nexen, BFGoodrich, Uniroyal, Pirelli, Nitto, Cooper, and Toyo. TBC distributes its products through a network of distributors in the United States, Canada and Mexico. Some of these distributors act as wholesalers, retailers, and both wholesalers and retailers. Retail outlets carrying products of (or which are owned by) TBC and its subsidiaries may be located in close proximity to your Franchised Unit or in your Designated Territory, and may solicit and accept customers from within your Designated Territory.

ITEM 13: TRADEMARKS

The Midas Marks

If you are approved and execute the proper documents, we will grant you the non-exclusive right, privilege and obligation to use our trade names, trademarks, service marks, trade dresses and logos that we may make available to you from time to time in connection with the operation of your Franchised Unit under the Franchised System at the designated location. You may only use our current or future proprietary Marks (as defined below), as we may periodically direct to operate your Franchised Unit.

Our principal marks include, among others, “Midas”, the Midas Oval and those listed in the table below (the “Marks”):

MIDAS’ FEDERAL REGISTERED MARKS

We own the above Marks. We have filed, and we intend to continue to file, all affidavits and renewals for the Marks when required. In addition, we have established certain common law rights to the Marks acquired by virtue of our continuous and extensive use of and marketing utilizing the Marks.

Co-Branding Shops

If you sign a Co-Branding Amendment and acquire a Co-Branding Shop franchise, then we will also license you the right to use the following SpeedDee Marks:

SPEEDEE'S FEDERAL REGISTERED TRADEMARKS

<u>Trademark</u>	<u>Registration Number</u>	<u>Registration Date</u>
	1425159	01/13/1987
SPEEDEE OIL CHANGE & TUNE-UP	3017115	11/22/2005

SPEEDEE OIL CHANGE & AUTO SERVICE	4631872	11/4/2014

SpeedDee owns the SpeedDee Marks. SpeedDee has filed, and SpeedDee intends to continue to file, all affidavits and renewals for the SpeedDee Marks when required.

SpeedDee has granted us, in a Co-Brand Agreement dated effective January 31, 2017 (the “SpeedDee License Agreement”), a non-exclusive, royalty-free license to use and to permit our franchisees to use, the SpeedDee Marks in Co-Branding Shops. The SpeedDee License Agreement remains in effect for so long as any Co-Branding Shops of ours or co-branded Midas/SpeedDee outlets of SpeedDee are in existence, and may not be sooner terminated except upon the mutual agreement of the parties. Under the SpeedDee License Agreement, we likewise granted SpeedDee the reciprocal non-exclusive, royalty-free license to use and permits its own franchisees to use our Midas Marks in operating Midas/SpeedDee co-branded outlets, on substantially similar terms.

If you sign a Co-Branding Amendment and acquire a Co-Branding Shop franchise, all references to the Marks herein include the SpeedDee Marks, unless otherwise noted.

Information Regarding Marks

By granting you a franchise, we are granting you a license for the use of the Marks consistent with our brand requirements. We require all franchisees to comply with reasonable requirements that we may periodically set regarding the use of the Marks. You must use all Marks in full compliance with provisions of the Franchise Agreement and in accordance with our rules. You may not use the Marks or our name as a part of your corporate name whether with or without any prefix, suffix or other modifying words, terms, designs or symbols (other than logos that we license to you). In addition, you may not use any Mark in connection with the sale of any unauthorized product or service or otherwise in connection with the sale of any authorized product or service in any other manner not explicitly authorized in writing by us.

The Application and Area Development Agreement do not grant you rights to use the Marks. These rights arise only under the Franchise Agreement.

You must notify us immediately when you learn about any infringement of or challenge to your use of the Marks, including any litigation brought against you involving any of the Marks. We may take the action we deem appropriate (including no action) to preserve and protect the ownership, identity and validity of the Marks and control exclusively any litigation, United States Patent and Trademark Office (“USPTO”) proceeding, or other administrative or legal proceeding arising from any infringement, challenge or claim, including the prosecution or defense of any claim involving your use of the Marks. Upon our request, you must cooperate with us in precluding unauthorized use of the Marks or any confusing similar mark or indicia and in defending or settling an infringement, challenge or litigation matter, at our expense. If we decide to take action, we will do so at our expense. If we do not take action, then you must protect yourself at your expense. We are not obligated to indemnify you in litigation involving a suit for infringement of the Marks.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, nor any pending infringement, opposition or cancellations, proceedings or material litigation involving the Marks that are relevant to their use by you in accordance with the Franchise Agreement. We do not know of any infringing uses or superior rights that could materially affect your use of the Marks in accordance with the Franchise Agreement in any state. No agreement limits our right to use or license the Marks.

We may acquire or develop additional trademarks, and may use those trademarks ourselves, make those trademarks available for use by you and other franchisees, or make those trademarks available for use by other persons or entities. We may modify or provide a substitute for any Mark. If we modify or discontinue a Mark or use additional or substitute names or marks, you must pay the costs relating to your Franchised Unit associated with the change (for example, changing signs, exterior and interior decor and appearance). In particular, if you acquire a Co-Branding Shop franchise, we may terminate the Co-

Branding Amendment upon notice, in the event we lose the rights to license the SpeedDee Marks. In that case, you must cease using the SpeedDee Marks and pay all costs relating to changing your Franchised Unit to solely use the Midas Marks.

We may also require you to use and display a notice, in a form that we approve, that you are a franchisee under the Franchised System using the Marks under a Franchise Agreement.

You may not directly or indirectly contest our ownership, title, right or interest in any of the Marks, names, trademarks, indicia, or any other word which incorporates the word "Midas", nor contest our right to register, use or license others to use those Marks, names, trademarks, indicia and other words or use such Marks in any way to disparage or negatively affect the goodwill of the Marks.

ITEM 14: PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

No patents or pending patent applications are material to the franchise.

We assert copyright protection on most publications we issue, including, among others, our Manual, operational materials, and any other proprietary materials specifically created by us in connection with the Franchised System, including all proprietary advertisements, printed materials and forms. We are not required to register these copyrights with the United States Registrar of Copyrights to protect them. You must use the Manual and other copyrighted materials in a manner consistent with our ownership rights and solely for the promotion of your Franchised Unit.

You must promptly tell us when you learn about any unauthorized use of our copyrighted information. The Franchise Agreement does not require us to take affirmative action to protect or defend your rights to use our copyrights when notified of a possible infringement, although we intend to do so if we deem appropriate. We may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We need not participate in your defense and/or indemnify you for damage or expenses in a proceeding involving a copyright.

There currently are no pending copyright applications relating to our copyrighted materials. There are no effective adverse determinations of the USPTO, the United States Copyright Office or any court, nor is there any pending infringement, opposition or cancellation proceedings or material litigation, involving our copyrighted materials which are relevant to their use by you.

There are no agreements currently in effect which significantly limit our right to use or to license the use of our copyrighted materials in any manner material to your operation of the Franchised Unit.

We do not actually know of any infringing uses of our copyrights that could materially affect your use of those copyrighted materials in connection with your operation of the Franchised Unit under the Franchise Agreement in any state.

Our Manual and other materials contain our confidential information (some of which constitutes trade secrets under applicable law). This information includes, without limitation, product catalogs, price lists, training and policy manuals, sales promotion aids, business forms, methods of operations, business processes and techniques, accounting procedures, marketing and advertising reports, informational bulletins, staffing models, inventory systems, business strategies and goals, and other methods, formats, specifications, standards, systems, procedures, knowledge and experience used in developing and operating Midas Shops, marketing and advertising programs for Midas Shops, any technology that is proprietary to the Franchised System, knowledge of specifications for any suppliers of products and financial performance of Midas Shops other than your Franchised Unit, and graphic designs and related intellectual property.

You and your officers, directors, shareholders, partners and members are required to comply with the confidentiality and non-disclosure obligations described in the Franchise Agreement. You may not use our confidential information in an unauthorized manner. The Application and Franchise Agreement require that, both during and after their terms, you will not reveal any of our confidential information, nor will you use such confidential information in connection with any business or venture other than the operation of the Franchised Unit. You must take reasonable steps to prevent improper disclosure of our confidential information to others.

In addition to the reports you are required to submit to us, you agree to electronically transmit to us, on a daily basis (or such lesser frequency as may be agreed to by you and us) using such electronic means as determined by us from time to time, your Midas Shop-level sales data by part number/labor operation and by customer (hereinafter referred to collectively as the "Data"). You are permitted to use the Data only for purposes of operating the Midas Shop or any other Midas Shop(s) you own. You shall not use the Data in any manner that is inconsistent with, or in violation of, any other provision of the Franchise Agreement. For so long as this Franchise Agreement remains in effect, you shall refrain from selling, renting, disclosing, releasing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or by electronic or other means, the Data to another business or a third party for monetary or other valuable consideration, unless otherwise agreed to in writing by us. We are permitted to use the Data as we deem appropriate without obtaining any further written consent from you than what you provide in the Franchise Agreement. We will not identify you as the source of the Data, unless your Midas Shop is being sold and in which case we may disclose the Data to a prospective purchaser of the Midas Shop with your identification disclosed or if required to enforce any provision of the Franchise Agreement. In addition, within the Franchise Agreement, you will provide us permission to disclose any such information to potential purchasers (and their employees, agents and representatives) of us or our parents, subsidiaries, affiliates in connection with the sale or transfer of any of us or our parents, subsidiaries, or affiliates' equity interests or assets or any merger, reorganization or similar restructuring of the Midas business. We may share Data Compilations (as defined below) containing Midas Shop-specific Data with any third party without your consent. All Data transmitted by you to us shall be jointly owned, with no duty on the part of either you or us to account to the other with respect to its use and exploitation of the same. In the event of any termination or expiration of the Franchise Agreement (other than by us pursuant to Section 8.2 of the Franchise Agreement), both you and us shall continue to have an undivided ownership interest in the Data. Notwithstanding anything contained herein to the contrary, we shall be the sole and exclusive owner of any and all summaries and compilations (i.e., non-Midas Shop-specific data) generated or created by or for us from the Data (hereinafter referred to collectively as "Data Compilations"). However, we agree to make available to you, as and when reasonably requested, comparative market-level Data Compilations which specifically relate to your Midas Shop.

ITEM 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We believe that the success of your Franchised Unit will depend upon your personal and continued efforts, supervision and attention. Unless we agree otherwise in writing, you must personally participate and devote full time and effort in the direct on-premises management and operation of your Franchised Unit. If you are a corporation, limited liability company or partnership, you must designate at least one individual as the Designated Owner to have managerial responsibility of the Franchised Unit. In this case, the Designated Owner must devote full time and effort in the direct on-premises management and operation of the Franchised Unit. If your Designated Owner is responsible for supervising the day-to-day operations of the Franchised Unit, we will have the right to deal directly with him or her on matters pertaining to the day-to-day operations of the Franchised Unit. A Designated Owner is required to own an equity interest in a franchisee that is a business entity, unless we agree otherwise. You must diligently monitor and be responsible for the performance of any Designated Owner. The appointment of a

Designated Owner, if any, will not relieve you of any duties and obligations under the Franchise Agreement.

The philosophy of the Midas franchise system is based upon your direct, personal and active ownership and management of the business. Accordingly, unless we agree otherwise in writing, we require you and your shareholders, members or partners (in the case of a corporation, limited liability company or partnership, respectively) to meet the qualifications we establish and to complete to our satisfaction the Operations Training Program described in Item 11 above (as well as completion of the Operations Training Program by any other individuals we periodically designate).

If you are a corporation, limited liability company or partnership, each of your owners must personally guarantee to us, Midas Realty and Midas Property (and our affiliates) the prompt and full payment of all debts of the corporation, limited liability company or partnership, and must subordinate his or her claims against the corporation, limited liability company or partnership in our favor. We may, in our sole discretion, limit or waive this requirement. In addition, each of your owners is required to be personally bound by and personally liable for the breach of the franchisee under the Franchise Agreement including, but not limited to the confidentiality and non-disclosure obligations. (See Exhibit D-1.)

You are solely responsible for recruiting, hiring, firing, and supervising employees to operate the Franchised Unit. The employees of the Franchised Unit will be your employees, and they are not employees or agents of us. It is your sole responsibility to implement training and other programs for your employees related to the legal, safe, and proper performance of their work, regardless of the fact that we may provide advice, suggestions, and certain training programs. Any advice, suggestions, and training we provide are to protect our brand and the Marks and not to control the day-to-day operation of your Midas Shop. You will have sole authority and control over the day-to-day operations of the Midas Shop and its employees and other representatives.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell only the products and services that we authorize and/or require as described in the Franchise Agreement, the Manual or in other communications that we send to you. You may not offer or sell any products or perform any services that we have not authorized or approved. See the subsection titled “Midas Products” in Item 8 for additional information. If you want to sell unapproved products or services, you must request our approval, in writing, and send to us information on your proposed products or services. We have the right to approve or disapprove of the proposed products or services in our sole discretion. We periodically may change the required and/or authorized products and services. There are no limits on our right to do so. You are required to comply with any policies that we implement regarding minimum inventory levels and inventory mix. Currently, we require that you maintain an inventory of at least 160 tires.

We do not impose any restrictions or conditions that limit your access to customers. However, you are expected to concentrate on the market in which your Franchised Unit is located.

Unless prohibited by applicable law, we may periodically set a maximum or minimum price that you may advertise and charge for products and services offered by your Shop. If we establish a maximum price for any products or services, you shall not offer or sell those products or services at any greater price. If we establish a minimum price for any products or services, you shall not offer or sell those products or services at any lesser price. If we do not establish pricing limits, we may establish suggested prices. You must abide by our advertising policies related to advertising prices.

ITEM 18: PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable

basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following information is provided for the purpose of helping you evaluate the potential earnings capability of a Midas Shop. Please carefully read all information in this Item 19, including the statements following the tables, which explain the information provided in the tables below and the limitations on this and the other information contained in this Item 19.

A. Annual Gross Revenues

Part A of this financial performance representation includes the historical average annual Gross Revenues for U.S. Midas Shops that operated from January 1, 2021 through December 31, 2022 and met the following criteria: (i) the Shop had operated for at least 24 consecutive months as of December 31, 2022, and (ii) the Shop reported Gross Revenues data to us for each month of the 2021 and 2022 years. There were 967 total operating Shops in the U.S. as of December 31, 2022, however only 936 met the criteria (the “Part A Reporting Shops”), representing approximately 96.8% of the total franchised U.S. Shops. The 58 Shops operating as Midas/Speedee Co-Branding Shops as of December 31, 2022 are excluded from this Part A. There were 40 Shops that closed for various reasons during 2021 and 2022, one of which had been open less than 12 months. “Gross Revenues” means all revenue from a franchised outlet as reported by royalty sales.

We separated the Part A Reporting Shops into 4 quartiles based on average Gross Revenues, with the Top Quartile reflecting the results of those with the highest average Gross Revenues for the 2021 and 2022 years and the 4th Quartile reflecting those with the lowest average. The 2nd and 3rd Quartiles reflect results of those Midas Shops with the second highest and second lowest average, respectively. The results of the Top 10% and Bottom 10% of Part A Reporting Shops, in terms of Gross Revenues, are also shown.

Of the Part A Reporting Shops included, 40.7% exceeded the overall average annual Gross Revenues of all Part A Reporting Shops of \$1,114,417.

Part B of this financial performance representation includes the average Total Income, Gross Profit, and Net Income, in addition to certain expense and margin information for U.S. Midas Shops that operated from January 1, 2022 through December 31, 2022 under the same business entity and met the following criteria: (i) the Shop had operated for at least 12 consecutive months as of December 31, 2022, and (ii) the Shop furnished financial data to us for year 2022 with information regarding expenses that we believe to be reliable. There were 967 total operating Shops in the U.S. as of December 31, 2022 and 343 met the criteria (the “Part B Reporting Shops”), representing approximately 87.1% of the total franchised U.S. Shops. The accompanying footnotes are an integral part of these tables and should be read in their entirety for a full understanding of the information contained in them.

FOOTNOTES:

- (1) Both of the tables show historic financial performance representations. Part A is an historic financial performance representation reflecting the average franchisee Annual Gross Revenues for the Part A Reporting Shops on an annual basis for the most recent two calendar years of January 1, 2021 through December 31, 2022. Part B is an historic financial performance representation reflecting the average franchisee Total Income, Gross Profit, and Net Income for the Part B Reporting Shops for the year from January 1, 2022 through December 31, 2022. For purposes of this Item 19, “Gross Revenues” or “Total Income” means the total revenue of a Midas Shop, less taxes, discounts, rebates, and returns. In Part B, “Gross Profit” means the Total Income less the Cost of Goods Sold, and “Net Income From Operations” means the Gross Profit less those “Operating Expenses” identified in the table (total labor, the royalty paid to us, advertising expenses, total occupancy expenses, utilities, and other expenses). See footnote 4 below regarding these expenses. In Part B, we have also disclosed the percentage of the Total Income represented by each of the line items of expenses, Gross Profit, and Net Income From Operations. Additionally, the tables each disclose the maximum (highest) and the minimum (lowest) figures achieved by a Shop in each grouping.
- (2) Part A also sets forth the median of annual Gross Revenues for each grouping of Shops, and Part B also sets forth the median of Total Income, Gross Profit, and Net Income for each quartile of Shops. The “median” for purposes of these tables means the results of the Shops falling in the middle of each group in terms of each relevant category of data, or, where there is an even number of Shops, the average of the results of the two Shops falling in the middle of the group.
- (3) Each of the tables also indicates the number and percentage of the applicable Shops within each group that meet or exceed the averages stated.
- (4) Part B contemplates the Cost of Goods Sold and the expenses identified in the “Total Operating Expenses” portion of the table. The Costs of Goods Sold generally includes the cost of products sold which may include the cost of exhaust systems, brake components, suspension parts, heating and cooling system parts, tires and batteries and other motor vehicle parts, and other goods purchased for resale from Midas or others, but does not include labor costs. The “Other Expenses” portion of the Total Operating Expenses generally includes other expenses incurred toward generating income, but excluding the labor, royalty, advertising, occupancy and utility expenses otherwise noted. Expenses vary substantially and are based on particular factors relevant to each Shop. Your additional expenses may include wages and reimbursements for yourself, personal expenses, and other fees and expenses. You may incur operating expenses different from those stated above as well as other isolated or recurring expenses. See Items 5, 6, and 7 for fees and other expenses you may incur. Further, the tables do not show any taxes paid by the Shops, including any sales taxes, payroll taxes, and income taxes that may be applicable. Taxes vary widely between geographic areas and from Shop to Shop. You should conduct an independent investigation of the costs and expenses you will incur in operating your Midas Shop. Franchisees or former franchisees listed in Exhibits A-1 and A-2 to this disclosure document may be one source of this information.

- (5) We offered substantially the same services to all of the Shops included in each chart, which offered substantially the same products and services to the public.
- (6) The foregoing tables cover only standard Midas Shop franchises and not any Co-Branding Shop franchises. In a Co-Branding Shop franchise, you will be offering additional service and products but will have additional expenses and fees as described in Items 6 and 7. We do not provide any financial performance representation related to the performance of Co-Branding Shop franchises.
- (7) The revenue and income information in the tables was compiled based on actual reported sales by our existing U.S. Midas Shop outlets during the applicable periods based on monthly sales reports submitted to us by Midas franchisees for the purpose of computing royalty fees. The expense and Net Income data in Part B was compiled based on the financial data of the Part B Reporting Shops that were submitted to us.
- (8) There were no company-owned Midas Shops as of December 31, 2022, and no company-owned Midas Shops are reflected in these tables.

Written substantiation of the data used in preparing the information set forth in this Item 19 will be made available to you on reasonable request.

We encourage you to consult with your financial advisors in reviewing the information in this Item 19, in particular, in estimating the categories and amount of expenses that may be incurred in establishing and operating a Midas Shop.

Some outlets have earned these amounts. Your individual results may differ. There is no assurance you will earn as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our President, Leonard Valentino, either at 4300 TBC Way, Palm Beach Gardens, Florida 33410 or (561) 383-3000, the Federal Trade Commission, and the appropriate state regulatory agencies.

⁽¹⁾ For many of the transfers listed for 2022, the transferor franchisees each operated multiple outlets and transferred some but not all of their outlets to a third party, or else the transfer involved only an equity sale in the franchisee entity. As a result, these transfers did not result in a franchisee leaving the system. The franchisees are not listed in Exhibit A-2 with the franchisees who left the system because they remain in the system and are included on the list of current franchisees in Exhibit A-1.

Exhibit A-3 to this Disclosure Document lists the names of all active Co-Branding Shop franchisees and the addresses and telephone numbers of their Co-Branding Shops as of March 31, 2023. Additional Information

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the Franchised System.

In some instances, during our last three fiscal years, current and former franchisees have signed provisions restricting their ability to speak openly about their experience with us. You may want to speak with current and former franchisees, but be aware that not all of these franchisees will be able to communicate with you. The circumstances under which franchisees have signed confidentiality agreements in the past include when we have purchased assets from, or entered into other forms of settlement with, a current or former franchisee as we require that the terms of the transaction remain confidential and the franchisee agree to a non-disparagement commitment.

We have created and sponsor three advisory committees comprised of franchisees that we select, including an operations committee, a marketing committee, and an IT committee. These committees may be contacted at our address, telephone number, and e-mail address.

The following trademark-specific franchise association has requested to be included in this Disclosure Document: International Midas Dealers Association, 4919 Lamar Avenue, Mission, Kansas 66202. Telephone: (877) 543-6203. Email: imda@dci-kansascity.com. Website: www.imda.today.

Report of Independent Auditors

To the Management of TBC Holdings, LLC

Opinion

We have audited the accompanying consolidated financial statements of TBC Holdings, LLC and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of March 31, 2023 and 2022, and the related consolidated statements of operations and comprehensive income, of members' equity and of cash flows for the years then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 2 to the consolidated financial statements, the Company changed the manner in which it accounts for leases for the year ended March 31, 2022. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Ownership Structure

On January 2, 2018, a definitive merger agreement was entered into between Michelin North America, Inc. (“MNAI”) and Sumitomo Corporation of Americas (“SCOA”), also referred to as (“Members”) to form a joint venture under the name of TBC Holdings, LLC and Subsidiaries. The joint venture formed through SCOA contributing TBC Corporation (“TBC”) to Holdings for 50% joint venture ownership and MNAI contributing Tire Centers, LLC (“TCi”), its wholesale company, and \$457.4 million in cash for 50% joint venture ownership.

2. Summary of Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of TBC Holdings, LLC and its wholly owned subsidiaries. All intercompany transactions and balances have been eliminated in consolidation.

TBC Holdings, LLC and Subsidiaries

(A Joint Venture of Michelin North America, Inc. and Sumitomo Corporation of Americas)

Notes to Consolidated Financial Statements

March 31, 2023 and 2022

(USD in thousands, unless otherwise noted)

Use of Estimates

The consolidated financial statements are prepared in conformity with accounting principles generally accepted in the United States of America. The preparation of such consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, and expenses, as well as certain consolidated financial statement disclosures.

Actual results could differ from those estimates. Significant estimates relate primarily to the realizability of accounts receivable, inventory excess and obsolescence reserves, impairment assessments of intangible assets, goodwill, lease assets and long-lived assets inventory assessment of lower of cost and net realizable value, workers compensation, auto, and general insurance accruals.

Cash and Cash Equivalents

The Company's cash consists of balances in the Company's operating bank accounts. The Company maintains cash in financial institutions insured by the Federal Deposit Insurance Corporation ("FDIC"). All highly liquid investments with an original maturity of three months or less are considered cash equivalents.

Accounts and Notes Receivables and Allowance for Doubtful Accounts

As of March 31, 2023 and 2022, the Company's accounts and notes receivable included approximately 88% of domestic and 12% of international customer accounts, which vary in terms and become due periodically until Fiscal 2023. The long-term portion of notes receivable is included in other assets within the accompanying consolidated balance sheets. The Company maintains an allowance for doubtful accounts and notes for estimated losses resulting from the inability of its customers to make required payments. The allowance is based upon review of the overall condition of receivable balances, both trade accounts and notes receivable, and review of past-due accounts. Receivables determined to be uncollectible are charged against the established allowance. The Company evaluated its allowance for doubtful accounts as of March 31, 2023 and 2022, and determined that the amounts were adequate, based on facts and conditions known at that time and evaluation of current economic conditions domestically and internationally. If the financial condition of the Company's customers were to deteriorate in such a way as to impair their ability to make payments, additional allowances may be required. For the years ended March 31, 2023 and 2022, bad debt expense is \$486 and \$1,406, respectively.

Inventories

Inventories, consisting of tires and other automotive products held for resale, are valued at the lower of cost and net realizable value, under the weighted average cost method. In addition, certain vendor allowances that are related to inventory purchases are considered to reduce the product cost. The Company adjusts its inventory for slow-moving and discontinued products. Any adjustments are evaluated and determined based upon current market conditions, aging of inventories, and product offering changes.

Concentrations of Credit Risk

The Company performs ongoing credit evaluations of its customers, primarily wholesale and retail-franchisees, and typically requires some form of security, including collateral, guarantees, or other documentation. The Company maintains allowances for potential credit losses.

(A Joint Venture of Michelin North America, Inc. and Sumitomo Corporation of Americas)
Notes to Consolidated Financial Statements
March 31, 2023 and 2022

(USD in thousands, unless otherwise noted)

The Company maintains cash balances with financial institutions with high credit ratings. The Company has not experienced any losses with respect to bank balances in excess of government-provided insurance.

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash deposits in excess of FDIC-insured limits. In addition, the Company invests excess funds in an overnight investment account with Wells Fargo Bank, N.A. While the funds in the overnight investment account are not federally insured, the account selected by the Company invests only in government-backed securities.

Property and Equipment

Depreciation and amortization are computed using the straight-line method, over the lesser of the useful life or, in the case of leasehold improvements, the lease term of the asset. The useful life for buildings and leasehold improvements ranges from 7 to 40 years or coincides with the respective lease terms. Furniture and equipment, which include computer hardware and software, typically have useful lives of 3 to 10 years. Amounts expended for repairs and maintenance are charged to operations as incurred, and expenditures for major renewals and betterments are capitalized.

The Company applied Accounting Standards Codification ("ASC") Subtopic 350-40, *Internal-Use Software*, to certain software development costs and capitalized approximately \$3,130 and \$7,949 as of March 31, 2023 and 2022, respectively, which have been placed in service and included in the accompanying consolidated balance sheets in property and equipment. The useful life of capitalized software varies between 3 to 10 years. The Company capitalized certain software not yet placed in service of approximately \$4,884 and \$1,208 as of March 31, 2023 and 2022, respectively, which is included in the accompanying consolidated balance sheets in property and equipment; however, it is not being depreciated.

Goodwill and Intangible Assets

The Company elected to early adopt Accounting Standards Update ("ASU") 2017-04, *Intangibles Goodwill and Other* (Topic 350) as of March 31, 2020. The ASU modifies the measurement of a goodwill impairment loss from the portion of the carrying amount of goodwill that exceeds its implied fair value to the excess of the carrying amount of a reporting unit that exceeds its fair value. This eliminates step two of the goodwill impairment test under current guidance.

The Company performs its annual impairment assessment of its three reporting units as of September 30 of each fiscal year unless circumstances dictate more frequent assessments. For the years ended March 31, 2023 and 2022, the Company performed its annual impairment assessment and determined there was no impairment of goodwill.

The Company presents definite-lived intangible assets, net of accumulated amortization on the consolidated balance sheets. The intangible assets are amortized on a straight-line basis over their estimated useful lives, which approximates the pattern of expected economic benefit.

The Company reviews intangible assets for impairment annually, or more frequently if changes in circumstances or the occurrence of events suggest an impairment exists. The Company has evaluated impairment for intangible assets as of March 31, 2023 and 2022 and determined that no impairments exist.

Long-Lived Assets

The Company periodically reviews the recoverability of intangible and other long-lived assets. If facts or circumstances indicate the possibility of impairment, the Company will prepare a projection of the undiscounted future cash flows of the specific assets and determine if the assigned value is recoverable or if an adjustment to the carrying value of the assets is necessary. The Company did not identify any other facts or circumstances that indicated an impairment of recorded intangible and long-lived assets during Fiscal 2022 and Fiscal 2021.

Net Revenues

Topic 606 outlines basic criteria for recognizing revenue, including on a basis of timing related to the transfer of goods and services. Net revenues include sales of products and services, franchise and royalty fees charged to Big O and Midas franchisees, and rental income from sublease agreements with franchisees and third parties, less returns and customer rebates. These revenue streams can be disaggregated into performance obligations satisfied over time and at a point in time, as discussed below.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products or services. For product sales, transfer of control occurs at a point in time, either upon transfer to the third-party carrier or upon delivery to the customer. For automotive and tire services, the transfer of control and satisfaction of the performance obligation occurs at the time the customers take possession of their vehicles. Performance obligations for extended service agreements sold to retail customers, such as road hazard, are satisfied over time and the related revenue is recognized based on a pattern of when the associated costs are expected to be incurred in performing such services. Revenues for franchise and royalty fees are recognized over time as the Company satisfies its performance obligations to its franchisees, as described below. Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to governmental authorities. The Company records reductions to revenue for customer programs and incentive offerings including special pricing agreements, certain promotions, and other volume-based incentives.

Franchising revenue consists primarily of royalties, national advertising fund contributions, and initial and renewal franchise fees. The basic terms of the franchise agreements are as follows: the initial franchise fee is due upon the signing of the franchise agreement, royalty fees are due from franchisees monthly and are equal to a percentage of gross sales for the previous month, the initial term of the agreement is 10 to 20 years with the ability to renew for an additional 10 to 20 years subject to certain conditions and a renewal fee, and the location must be pre-approved.

Monthly royalty fees are earned and recognized when franchisee sales occur. During Fiscal 2022 and 2021, Big O franchise and royalty fees typically ranged between 3.5% and 5% and 2% and 6%, respectively, of franchisees' adjusted gross sales. Midas royalty fees ranged between 2% and 10% of net sales for both periods presented. Under Topic 606, our franchisees' contributions to national advertising funds specified in the franchise agreements are reported gross as part of the royalty revenues because the advertising services were determined not to be distinct from the symbolic franchise right.

The Company expenses costs related to securing initial franchise agreements and performing the required services under such agreements as incurred.

Revenues for lease income are accounted for in accordance with applicable accounting guidance for leases and are excluded from the scope of Topic 606.

Under various arrangements with vendors, the Company receives a delivery commission and reimbursement for the cost of tires that it delivers to customers on their behalf. The commission earned from these transactions is as an agent and the net amount retained is recorded as revenues. The Company recognizes its delivery commission at the time of acceptance of delivery of the product.

Sales Taxes

The Company presents revenues net of sales taxes and value-added tax ("VAT").

Warranty Allowances

For non-Midas programs, the Company or the vendors supplying its products provide its customers limited warranties on certain products. In most cases, the Company's vendors are primarily responsible for warranty claims. Warranty costs relating to merchandise sold or services provided not covered by vendors are estimated and recorded as warranty obligations at the time of sale. The Company periodically assesses the adequacy of its recorded warranty liability and adjusts the amount as necessary.

The following table is a reconciliation of the changes in the Company's non-Midas warranty liability for the years ended March 31, 2023 and 2022:

	2023	2022
Warranty allowance, beginning of year	\$ 3,092	\$ 2,844
Allowances established	449	547
Allowances utilized	<u>(502)</u>	<u>(299)</u>
Warranty allowance, end of year	<u>\$ 3,039</u>	<u>\$ 3,092</u>

For certain Midas products, customers are provided a written warranty from Midas for products purchased from Midas shops in North America, namely brake friction, mufflers, shocks, and struts. The warranty will be honored at any Midas shop in North America and is valid for the lifetime of the vehicle but is voided if the vehicle is sold. The Company maintains a warranty accrual to cover the estimated future liability associated with outstanding warranties. The Company determines the estimated value of outstanding warranty claims based on 1) an estimate of the percentage of all warranted products sold and registered in prior periods at retail that are likely to be redeemed and 2) an estimate of the future cost of redemption of each future warranty. Management develops these estimates based on actual historical registration and redemption data as well as actual cost information on current redemptions.

The Midas warranty program in the United States was funded directly by Midas franchisees. The franchisees are charged a fee for each warranted product sold to customers and are issued credits for all warranties that are redeemed. The fees billed to franchisees are recorded as a receivable to Midas on behalf of the warranty fund, and the redemption credits issued to franchisees are recorded as a liability to the fund. As such, there are no revenues or expenses recorded to Midas and the current warranty program will have no net impact on the results of operations.

	2023	2022
Warranty allowance, beginning of year	\$ 9,060	\$ 8,629
Warranty fees charged to franchisees and Company-operated shops	1,305	1,378
Warranty credits issued to franchisees and Company-operated shops	<u>(988)</u>	<u>(947)</u>
Warranty allowance, end of year	<u>\$ 9,377</u>	<u>\$ 9,060</u>

The Company's total obligation under its warranty programs is included in accrued expenses and other liabilities and other noncurrent liabilities in the accompanying consolidated balance sheets.

Deferred Revenue

Certain of the Company's services (alignments, tire balancing and rotating, and road hazard) are sold through annual or multiyear contracts for a one-time upfront payment. The liability for future performance obligations related to the Company's extended service agreements totaled approximately \$10,713 and \$4,964 as of March 31, 2023 and 2022, respectively. Direct costs of these contracts are expensed as incurred. The Company recognizes revenue over the expected service life of the contract.

Vendor Funds

The Company receives vendor funds in its normal course of operations from volume-based rebate agreements, early payment discounts, and cash incentives to promote vendor products. The Company accounts for these vendor funds in accordance with the ASC Subtopic 705-20, *Accounting for Consideration Received from a Vendor*, which states that cash consideration received from a vendor is presumed to be a reduction of the price of the vendor's products or services and should, therefore, be characterized as a reduction of cost of sales and a portion of these amounts be capitalized into ending inventory. Vendor funds are treated as a reduction of inventory costs unless they represent a reimbursement of specific, incremental, and identifiable costs incurred by the customer to sell the vendor's product. The Company accrues for these vendor funds based upon the vendor agreements in place and the projected amount of vendor purchases. Accrued vendor funds are recorded as a reduction to inventory. During the year, the Company monitors and adjusts the amount accrued by comparing actual purchases to projected purchases. Vendor funds are earned when the Company either sells the vendor's product or completes performance of certain provisions of the vendor agreement. Earned vendor funds are recorded as a reduction in costs of sales.

Cost of Sales

Cost of sales includes the cost of tire and parts products sold in the Company's retail locations, cost of products such as tires and equipment delivered from the Company's wholesale locations, and costs attributable to franchise operations such as product and warranties.

Selling, Administrative, and Retail Store Expenses

The Company records direct payroll and payroll related costs for retail store employees who provide services to the Company's customers within selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income. For the years ended March 31, 2023 and 2022, these expenses totaled \$2,211 and \$3,658, respectively.

Self-Insured Reserves

The Company is self-insured for general and automobile liability, workers' compensation, and healthcare claims and maintains stop-loss coverage with third-party insurers to limit its total liability exposure. A reserve for liabilities associated with these losses is established for claims filed and claims incurred but not yet reported ("IBNR") based upon the Company's estimate of ultimate cost, which is calculated using analyses of historical data, severity factors, and valuations provided by third-party actuaries. The Company monitors new claims and claim development as well as negative trends related to the IBNR in order to assess the adequacy of its insurance reserves. The Company also reviews its assumptions with its third-party actuaries, which occurs twice a year. While the Company does not expect the amounts ultimately paid to differ from its estimates, the Company's self-insurance reserves and corresponding selling, administrative, and retail store expenses could be affected if future claim experience differs from historical trends and actuarial assumptions. Due to the length of timing of claim payments for the various lines of insurance, the Company discounts certain of its liabilities.

Leases

Lessee arrangements

The Company leases certain equipment, vehicles, furniture, office space, and property yards under various operating and finance leases. The Company determines if an arrangement is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use an identified asset and whether the Company obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. Leases with an initial term of twelve months or less are not recorded on the balance sheets.

At the lease commencement date, the Company recognizes a lease liability and right-of-use ("ROU") asset, representing its right to use the underlying asset over the lease term. The initial measurement of the lease liability is calculated based on the present value of the remaining lease payments and the ROU asset is measured on the basis of this liability, adjusted by prepaid and accrued rent, lease incentives, and initial direct costs. The subsequent measurement of a lease is dependent on whether the lease is classified as an operating lease or a finance lease. Operating lease cost is recognized on a straight-line basis over the lease term, with the cost presented as a component of Selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income. Finance lease cost is comprised of a separate interest component and amortization component and is presented in the Interest expense, net and Selling, administrative, and retail store expenses line items, respectively, in the accompanying consolidated statements of operations and comprehensive income.

Notes to Consolidated Financial Statements

(USD in thousands, unless otherwise noted)

The Company's leases require other payments such as costs related to service components, real estate taxes, common area maintenance, and insurance. These costs are generally variable in nature and based on the actual costs incurred and required by the lease. As the Company has elected to not separate lease and non-lease components for all classes of underlying assets, all variable costs associated with the lease are expensed in the period incurred and presented and disclosed as variable lease costs. The Company's lease agreements do not contain any material residual value guarantees or material restrictive financial covenants.

The Company utilizes the provisions of ASU No. 2016-02, *Leases* which includes ASC Topic 842 ("Topic 842"). As of the application date of Topic 842, the Company's leases have remaining terms ranging from 1 to 21 years, with some of those leases including options that grant the Company the ability to renew or extend the lease term. When determining the lease term, the Company does not include renewal options unless the renewals are deemed to be reasonably certain of being exercised at the lease commencement date.

Topic 842 requires that a lessee use the rate implicit in the lease when measuring the lease liability and ROU asset, unless that rate is not readily determinable. Alternatively, the Company is permitted to use its incremental borrowing rate which is defined as the rate of interest that the Company would have to pay to borrow on a collateralized basis over a similar term an amount equal to the lease payments in a similar economic environment. Since the rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate when measuring its leases. The Incremental Borrowing Rate ("IBR") is calculated by utilizing the daily treasury yield curve rates, as published by the U.S. Department of the Treasury, adjusted with a risk-based spread.

Lessor arrangements

The Company, as part of its business, enters into lease arrangements with its customers that grants the customer the right to use certain retail space. These leases are in the form of leases of owned properties or subleases of leased properties. The Company determines if an arrangement with its customer is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use an identified asset and whether the customer obtains substantially all of the economic benefits from and has the ability to direct the use of the asset.

If it is determined that the contract is or contains a lease, the Company then assesses lease classification considering the lease term and assumptions that exist at the lease commencement date. Depending on this assessment, the Company will account for its lease agreements as either an operating, direct financing, or sales-type lease, with the resulting accounting dependent on this lease classification. The Company's leases of owned properties and subleases of leased properties are classified as operating leases. There are no leases that are classified as direct financing leases.

For leases classified as operating leases, the underlying property is recorded on the Company's consolidated balance sheets and continues to be depreciated in accordance with the Company's depreciation policies for similar assets. Rental income for operating leases is recognized on a straight-line basis over the lease term.

Notes to Consolidated Financial Statements

(USD in thousands, unless otherwise noted)

The Company's lease agreements with its customers include fixed lease payments and, in certain scenarios, variable lease payments based on a percentage of gross sales. In addition to the lease payments, certain of the Company's contracts include non-lease components which come in various forms, such as common area maintenance, utilities, and parking. Topic 842 requires that the consideration in the contract be allocated between lease and non-lease components on a relative standalone selling price basis unless a provided practical expedient is elected. Specifically, Topic 842 includes a practical expedient that permits a lessor, as an accounting policy election by underlying asset class, to choose not to separate non-lease components from lease components when the lease component, if accounted for separately, would be classified as an operating lease and when the timing and pattern of transfer for the lease and non-lease components associated with the lease component are the same. The Company has elected this practical expedient for all customer lease agreements that meets these conditions.

The Company assesses the lease term at the lease commencement date. The lease term is defined as the noncancelable period plus any period subject to a renewal option that is deemed reasonably certain of being exercised or subject to a termination option that is reasonably certain of not being exercised. Certain of the Company's lease contracts do include renewal options that allow the customer to extend the lease term for an additional period of 1 to 5 years. The Company does not include the renewal options as part of the lease term as it does not believe that it is reasonably certain that such options will be exercised. In addition, lease agreements do not include purchase options.

The Company has included additional disclosures about its leases in Note 12.

The Company owns real estate in the United States (U.S.) and Canada that is leased to franchisees and third parties. A majority of franchise leases and Company owned real estate are subleased to franchisees as well as third parties and are recorded within net sales in the consolidated statements of operations and comprehensive income.

Foreign Currency Translation

Under ASC Topic 830, *Foreign Currency Matters*, the financial statements of foreign subsidiaries are translated into U.S. dollars at current exchange rates, except for revenue, costs, and expenses, which are translated at average current exchange rates during each reporting period.

Gains and losses resulting from the translation of financial statements are excluded from the consolidated net income and are credited or charged to a separate component of other comprehensive income within the accompanying consolidated statements of members' equity.

Shipping and Handling Costs

Freight costs incurred to deliver merchandise to retail stores and warehouses are included as a component of inventory and reflected in costs of goods sold as product is sold. Warehouse and distribution costs for items such as payroll, rent, and insurance, as well as freight costs incurred to ship merchandise to customers, are recorded as a component of selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income. For the years ended March 31, 2023 and 2022, freight costs incurred to ship merchandise to customers totaled \$106,472 and \$89,865, respectively.

Fair Value of Financial Instruments – Short-Term Assets and Liabilities

The fair values of accounts receivable, accounts payable, due to parents and affiliates, accrued expenses, and other current liabilities approximate their carrying values because of their short-term nature.

Income Tax Accounting

The Company determines its income tax provision using the asset-and-liability method. Under this method, deferred tax assets and liabilities are recognized for the expected future tax consequences of temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. The Company also recognizes future tax benefits associated with tax loss and credit carryforwards as deferred tax assets. The Company's deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. The Company measures deferred tax assets and liabilities using enacted tax rates in effect for the year in which it expects to recover or settle the temporary differences. The effect of a change in tax rates on deferred taxes is recognized in the period that the change is enacted.

Advertising

General advertising costs are charged to expense when incurred. General advertising costs were \$6,210 and \$9,071 for the years ended March 31, 2023 and 2022, respectively.

The Company expenses the expected accrued advertising costs for the period specifically related to the advertising funds. Advertising expenses specifically related to the Company's advertising funds were \$74,225 and \$70,184, respectively, for the years ended March 31, 2023 and 2022.

Pre-Store Opening Expenses

Pre-store opening expenses, which consist primarily of payroll and occupancy related costs, are expensed as incurred.

Asset Retirement Obligations

The Company utilizes the provisions of ASC Topic 410, *Asset Retirement and Environmental Obligations* ("ASC 410"). ASC 410 requires the capitalization of any retirement obligation costs as part of the carrying amount of the long-lived asset and the subsequent allocation of the total expense to future periods using a systematic and rational method. The Company has determined that certain leases require that the premises be returned to their original condition, reflecting normal wear and tear, upon lease termination. As a result, the Company will incur costs, primarily related to the removal of signage and equipment from its retail stores, at lease termination and requires that these costs be recorded at their fair value at lease inception.

As of March 31, 2023 and 2022, the Company had a liability pertaining to the asset retirement obligation of \$4,270 and \$4,960, respectively, which is included in noncurrent liabilities in the accompanying consolidated balance sheets. Accretion expense associated with the asset retirement obligations is recorded as selling, administrative, and retail store expense in the accompanying consolidated statements of operations and comprehensive income. From time to time, the Company reviews its methodology and costs associated with asset retirement primarily for its retail locations and head lease obligation locations.

Environmental Obligations

The Company has identified a number of Midas franchise and Company operated shops that contain soil, groundwater, or other types of contamination from improper usage and maintenance of equipment or disposal of certain hazardous chemicals used in the operation of automotive retail locations. Due to its association with a substantial portion of Midas franchise properties as primary lessee or guarantor, the Company believes that it will ultimately be responsible for incurring costs for environmental remediation at many locations, although there is the right to subrogate against the dealer for payment remediation. As of March 31, 2023 and 2022, the accrued balance of the liability was \$3,914 and \$4,173, respectively, and is included in other noncurrent liabilities in the accompanying consolidated balance sheets. The company recorded \$113 and \$148, respectively, of environmental expense within the statements of operations and comprehensive income for the years ended March 31, 2023 and 2022.

The Company does not believe that similar obligations exist for its non-Midas locations due to the existence and enforcement of policies and procedures surrounding equipment usage and maintenance, as well as disposal of hazardous substances.

Recent Accounting Pronouncements

On December 18, 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes* ("ASC 740"). The ASU removes certain exceptions from the guidance in ASC 740 related to intra-period tax allocations, interim calculations, and the recognition of deferred tax liabilities for outside basis differences and clarifies and simplifies several other aspects of accounting for income taxes. Different transition methods apply to the various income tax simplifications. For all non-public entities, the guidance is effective for fiscal years beginning after December 15, 2021, and for interim periods beginning after December 15, 2022. Early adoption for these entities is also permitted, including adoption in interim or annual periods for which financial statements have not yet been made available for issuance. The Company adopted this guidance on April 1, 2022. The adoption of this guidance did not have a material impact on the consolidated financial statements and related disclosures for the year ended March 31, 2023.

Reclassifications

Certain prior-period amounts have been reclassified in the consolidated statement of operations and comprehensive income to conform to current-year presentation.

New Accounting Standards

ASU No. 2016-02, *Leases*, that added Topic 842, is designed to increase transparency and comparability among organizations with leasing activities. The most significant provision of the new lease accounting standard is the requirement that lessees recognize on the balance sheet ROU assets and lease liabilities for leases that have a term greater than 12 months. Additionally, Topic 842 aligns certain of the underlying principles of lessor accounting with those in ASC Topic 606. The new lease accounting standard also includes significantly enhanced disclosures.

The Company adopted Topic 842 on April 1, 2021 using the modified retrospective approach as permitted in ASU No. 2018-11. In accordance with this approach, the effective date of Topic 842 is also the application date of the new requirements, with the prior comparative periods presented in the financial statements in accordance with the legacy requirements of ASC Topic 840, *Leases*

("Topic 840"). Topic 842 includes various transition practical expedients that are available when adopting the new lease accounting standard. The Company elected the package of practical expedients which allows for the carryforward of certain accounting conclusions for arrangements that qualified as a lease under Topic 840. As a result, the Company was not required to nor did it reassess (i) whether existing or expired contracts met the definition of a lease, (ii) lease classification for any existing or expired leases, or (iii) whether lease origination costs qualified as initial direct costs. The Company did not elect the practical expedient to use hindsight in determining the lease term and in assessing impairment conclusions on the ROU assets.

Topic 842 similarly includes various other practical expedients that can be elected for new leases that are executed after the adoption of the new requirements. The Company elected the lessee practical expedient to not separate lease and non-lease components. In addition, the Company elected the lessor practical expedient for certain of its customer contracts. The Company also elected to apply the short-term lease recognition exemption which eliminates the requirement to present on the consolidated balance sheets leases with a term of 12 months or less. These practical expedients were elected for all classes of underlying assets. For those arrangements where the Company is acting in the role of a lessee, the adoption of Topic 842 resulted in the recognition of \$1,050,509 and \$1,021,712, respectively, in operating lease liabilities and operating lease ROU assets on the consolidated balance sheets as of April 1, 2021. The impact of adopting Topic 842 did not have a material impact on the Company's consolidated statements of operations and comprehensive income, consolidated statements of members' equity, and consolidated statements of cash flows. Similarly, the adoption of Topic 842 did not have a material impact on the accounting for those arrangements where the Company is acting in the role as lessor (Note 12).

3. Acquisitions and Dispositions

In November, 2022, Big O Tires, LLC entered into an asset purchase agreement with an existing franchisee to assume the leases, purchase inventory and fixed assets and operate 13 of the company operated Big O Retail stores under a Big O Franchise agreement. The assets and liabilities from the company operated stores were assumed by the franchisee who paid total consideration of \$6,565. The Company recorded a pre-tax gain on disposition of \$2,498 which is recorded in gain on sale of business operations in its consolidated statements of operations and comprehensive income.

Effective March 31, 2022 the Company disposed of its subsidiary, Tire America, LLC, an ecommerce retail seller of tires. The assets derecognized as part of this sale included, but were not limited to, intangible assets related to the software development that was associated with the functionality of the website specifically for Tire America, LLC. The Company recorded a pre-tax loss on disposition of \$15,554 which is recorded in impairment on closure of business in its consolidated statements of operations and comprehensive income.

4. Discontinued Operations

On April 18, 2023, the Company entered into a stock purchase agreement with Mavis Tire Supply LLC (“Mavis Discount Tire”) to sell all of its shares of TBC Retail Group, Inc. (“TBC Retail”) for an initial purchase price of \$525,000, subject to certain adjustments specified in the purchase agreement, including adjustments for indebtedness, cash, working capital and transaction expenses of TBC Retail at the closing of the transaction. The sale is expected to be completed on May 31, 2023.

In connection with the sale of TBC Retail, the Company entered into a transition service agreement with Mavis Discount Tire pursuant to which the Company is providing services, including, but not limited to, business support services for TBC Retail after the divestiture, for monthly fees of \$1,222. These agreements will commence with the close of the transaction and have minimum initial terms ranging of three months and can be extended if agreed upon by both parties two weeks prior to expiration.

The financial results of TBC Retail are presented as income from discontinued operations, net of income taxes on our consolidated statements of operations and comprehensive income. The following table presents financial results of TBC Retail for the year ending March 31, 2023 and 2022:

In assessing the realization of the Company's deferred tax assets, the Company considers whether it is more likely than not the deferred tax assets will be realized. The ultimate realization of the Company's deferred income tax assets depends upon generating future taxable income during the periods in which the temporary differences become deductible and before the net operating loss carryforwards expire. The Company evaluates the recoverability of the deferred tax assets by assessing the need for a valuation allowance. After consideration of all of the evidence, the Company has determined that a valuation allowance of approximately \$16,537 and \$14,549 is necessary as of March 31, 2023 and March 31, 2022, respectively. The net change in the valuation allowance was \$1,988 for the year ended March 31, 2023.

The Company had \$382,643 and \$384,533 of gross state net operating loss carryforwards as of March 31, 2023 and March 31, 2022. The Company has determined that a valuation allowance of

approximately \$172,326 and \$194,607 is necessary against the balance of gross state net operating loss carryforwards. State loss carryforwards expire in various years between 2022 through 2037 with certain net operating losses having an unlimited carryforward period. The Company had \$3,027 and \$2,365 of Canadian net operating loss carryforwards as of March 31, 2023 and March 31, 2022. These losses can be carried forward 20 years and will expire between 2029 and 2037.

The Company had \$8,699 and \$4,552 of gross federal tax credit carry forwards with valuation allowances of \$8,699 and \$4,552 as of March 31, 2023 and March 31, 2022. These credits can be carried forward up to 20 years and will expire between 2029 and 2038.

As of March 31, 2023 and March 31, 2022, withholding taxes and income taxes on basis differences were not provided on the Company's Canadian foreign subsidiaries, as the Company has invested or expects to invest the undistributed earnings indefinitely. If in the future these entities are sold or dividends are paid then additional tax provisions may be required. It is not practical to determine the amount of unrecognized deferred tax liabilities on the undistributed earnings.

The U.S. tax provision for the period beginning April 5, 2018 and non-U.S. tax provisions for all periods have been determined on a stand-alone basis affiliate. The Company is open to future examinations by the IRS for tax years 2017 through 2019. The Company and its subsidiaries' state income tax returns are open to audit under the statute of limitations for the years 2015 through 2019. The Company and its subsidiaries' foreign income tax returns are open to audit under the statute of limitations for the years 2009 through 2019.

ASC Subtopic 740 10, *Income Taxes* ("ASC 740"), provides that a tax benefit from an uncertain tax position may be recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Income tax positions must meet a more likely than not recognition threshold at the effective date to be recognized upon the adoption of ASC 740 and in subsequent periods. This interpretation also provides guidance on measurement, derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. The Company recognizes interest and penalties accrued related to unrecognized tax benefits as components of the income tax provision and recognized expenses of \$11 and \$23 for the years ended March 31, 2023 and 2022, respectively. As of March 31, 2023 and 2022, the liability for uncertain tax positions, including interest and penalties, is recorded in the accompanying consolidated balance sheets within other current liabilities.

14. Retirement Plans - 401(k) Plans

The Company maintains employee savings plans under Section 401(k) of the Internal Revenue Code. Eligible employees are permitted to make tax-deferred contributions from 1% to 85% of their eligible pay, subject to certain IRS limitations. Contributions are typically made by the Company to the 401(k) plans based on specified percentages of eligible employee contributions but may also include discretionary contributions. TBC contributions are fully and immediately vested. Expenses recorded for the Company's contributions totaled \$6,259 and \$6,541 for the years ended March 31, 2023 and 2022, respectively, which are included in selling, administrative and retail store expenses.

15. Other Benefit Plans

Long-Term Incentive Plans

As of April 1, 2018, the Company established the Long-Term Incentive Compensation Plan "the Plan". The Plan is administered by the Nominations and Compensation Committee of the board of managers and allows for grants of Long-Term Incentive Awards. The Plan's Performance Measurement period is three consecutive fiscal years over which the awards vest and are payable at the end of the third and final fiscal year (certain exceptions are applicable for death, retirement, disability, or a change in control). Targeted Incentive Awards are based upon specified corporate financial metrics. Performance measures and relative weights are set annually.

The Company recorded a liability of \$4,581 and \$9,346 as of March 31, 2023 and 2022, respectively, in the accompanying consolidated financial statements related to this plan. Bonus income of \$831 and bonus expense of \$7,373 was recorded for the years ended March 31, 2023 and 2022, respectively, which was classified within selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income.

Deferred Compensation Plan

The Company adopted the TBC Holdings, LLC Deferred Compensation Plan, which allows certain key employees to defer up to 80% of their base salary and/or 100% of their bonuses on a tax deferred basis. All deferral elections are required to be made prior to the beginning of the respective plan year. Participants receive returns on amounts they deferred based on investment elections they make, which are added to their deferrals. Deferrals into the Plan and any related earnings are 100% vested. The Company purchased life insurance contracts that may be used to fund the Company's obligation under this plan. As of March 31, 2023 and 2022, the Company had a liability of \$7,444 and \$7,408 and an asset of \$10,351 and \$13,503, respectively, recorded in the accompanying consolidated balance sheets related to this plan. The related asset is included in other assets and the liability is included in other noncurrent liabilities within the accompanying consolidated balance sheet.

16. Financial Guarantees and Credit Risks

From time to time, the Company's franchise business unit provides certain financial guarantees associated with franchisee's real estate leases and certain financing items. Although the guarantees were issued in the normal course of business to meet the financing needs of its franchisees, they may represent credit risk in excess of the amounts reported in the consolidated balance sheets. As of March 31, 2023 and 2022, there were no contractual amounts owed as it related to these guarantees to the Company by any franchisee or by the Company on behalf of any franchisee. These various guarantees that are in place have remaining terms that range from 1 to 16 years.

17. Commitments and Contingencies

The Company is involved in various legal proceedings, which are routine to the conduct of its business. None of the ongoing legal claims against the Company had a material impact to the financial results as of and for the year ended March 31, 2023 and March 31, 2022, nor does the Company believe that any such litigation will have a material adverse effect on its consolidated financial position or results of operations in future periods.

18. Subsequent Events

The Company has reviewed and evaluated material subsequent events from the balance sheet date as of March 31, 2023 through the financial statement issuance date, or May 30, 2023.

Report of Independent Auditors

To the Management of TBC Holdings, LLC

Opinion

We have audited the accompanying consolidated financial statements of TBC Holdings, LLC and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of March 31, 2022 and 2021, and the related consolidated statements of statement of operations and comprehensive income (loss), of members' equity and of cash flows for the years then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 2 to the consolidated financial statements, the Company changed the manner in which it accounts for leases due to the adoption of ASC Topic 842 for the year ended March 31, 2022. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The Company’s operating activities are comprised of its retail, franchise, and wholesale divisions. The Company operates or acts as a franchisor of retail tire and automotive service centers throughout the United States of America, Canada, Europe, and other countries under the following trade names: Tire Kingdom, National Tire & Battery, Big O Tires (“Big O”) and Midas. The Company operates as a wholesaler of tire and automotive parts primarily in the United States of America, Canada, and Mexico under the following trade names: TBC Brands, NTW, and TBC de Mexico. As of March 31, 2022, the Company had a total 2,254 retail locations consisting of 653 Company-operated, 2 mobile operations and 1,599 franchised stores. The Company operated 156 warehouse locations as of March 31, 2022. As of March 31, 2021, the Company had a total 2,269 retail locations consisting of 666 Company-operated, 2 mobile operations and 1,601 franchised stores. The Company operated 159 warehouse locations as of March 31, 2021.

Ownership Structure

On January 2, 2018, a definitive merger agreement was entered into between Michelin North America, Inc. (“MNAI”) and Sumitomo Corporation of Americas (“SCOA”), also referred to as (“Members”) to form a joint venture under the name of TBC Holdings, LLC and Subsidiaries. The joint venture formed through SCOA contributing TBC Corporation (“TBC”) to Holdings for 50% joint venture ownership and MNAI contributing Tire Centers, LLC (“TCi”), its wholesale company, and \$457.4 million in cash for 50% joint venture ownership.

On April 5, 2018, the joint venture transaction closed and the Members entered into an operating agreement, which provides each Member 50% of the Membership Interest in Holdings. Each Member shall be liable only to make such Member’s capital contribution to the Company and certain other payments expressly provided within the operating agreement. The Company is to be managed by a joint Board of Managers (the “Board”), consisting of three designated MNAI managers and three designated SCOA managers.

Definition of Fiscal Year

As used in these consolidated financial statements and related notes to consolidated financial statements, “Fiscal 2020,” refers to the year ended March 31, 2021, and “Fiscal 2021”, “Fiscal 2022”, “Fiscal 2023” and “Fiscal 2024” refer to the years ending March 31, 2022, 2023, 2024, and 2025, respectively.

2. Summary of Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of TBC Holdings, LLC and its wholly owned subsidiaries. All intercompany transactions and balances have been eliminated in consolidation.

Use of Estimates

The consolidated financial statements are prepared in conformity with accounting principles generally accepted in the United States of America. The preparation of such consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, and expenses, as well as certain consolidated financial statement disclosures.

Actual results could differ from those estimates. Significant estimates relate primarily to the realizability of accounts receivable, inventory excess and obsolescence reserves, and impairment assessments of intangible assets, goodwill, lease assets and long-lived assets.

Cash and Cash Equivalents

The Company's cash consists of balances in the Company's operating bank accounts. The Company maintains cash in financial institutions insured by the Federal Deposit Insurance Corporation. All highly liquid investments with an original maturity of three months or less are considered cash equivalents.

Accounts and Notes Receivables and Allowance for Doubtful Accounts

As of March 31, 2022 and 2021, the Company's accounts and notes receivable included approximately 89% of domestic and 11% of international, customer accounts, which vary in terms and become due periodically until Fiscal 2023. The long-term portion of notes receivable is included in other assets within the accompanying consolidated balance sheets. The Company maintains an allowance for doubtful accounts and notes for estimated losses resulting from the inability of its customers to make required payments. The allowance is based upon review of the overall condition of receivable balances, both trade accounts and notes receivable, and review of past-due accounts. Receivables determined to be uncollectible are charged against the established allowance. The Company evaluated its allowance for doubtful accounts as of March 31, 2022 and 2021, and determined that the amounts were adequate, based on facts and conditions known at that time and evaluation of current economic conditions domestically and internationally. If the financial condition of the Company's customers were to deteriorate in such a way as to impair their ability to make payments, additional allowances may be required. For the years ended March 31, 2022 and 2021, bad debt expense is \$1,847 and \$6,043, respectively.

Inventories

Inventories, consisting of tires and other automotive products held for resale, are valued at the lower of cost and net realizable value, under the weighted average cost method. In addition, certain vendor allowances that are related to inventory purchases are considered to reduce the product cost. The Company adjusts its inventory for slow-moving and discontinued products. Any adjustments are evaluated and determined based upon current market conditions, aging of inventories, and product offering changes.

Concentrations of Credit Risk

The Company performs ongoing credit evaluations of its customers, primarily wholesale and retail-franchisees, and typically requires some form of security, including collateral, guarantees, or other documentation. The Company maintains allowances for potential credit losses.

The Company maintains cash balances with financial institutions with high credit ratings. The Company has not experienced any losses with respect to bank balances in excess of government-provided insurance.

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash deposits in excess of FDIC-insured limits. In addition, the Company invests excess funds in an overnight investment account with Wells Fargo Bank, N.A. While the funds in

the overnight investment account are not federally insured, the account selected by the Company invests only in government-backed securities.

Property and Equipment

Depreciation and amortization are computed using the straight-line method, over the lesser of the useful life or, in the case of leasehold improvements, the lease term of the asset. The useful life for buildings and leasehold improvements ranges from 7 to 40 years or coincides with the respective lease terms. Furniture and equipment, which include computer hardware and software, typically have useful lives of 3 to 10 years. Amounts expended for repairs and maintenance are charged to operations as incurred, and expenditures for major renewals and betterments are capitalized.

The Company applied Accounting Standards Codification (“ASC”) Subtopic 350-40, *Internal-Use Software*, to certain software development costs and capitalized approximately \$21,954 and \$27,539 as of March 31, 2022 and 2021, respectively, which have been placed in service and included in the accompanying consolidated balance sheets in furniture and equipment. The useful life of capitalized software varies between 3 to 10 years. The Company capitalized certain software not yet placed in service of approximately \$1,208 and \$1,855 as of March 31, 2022 and 2021, respectively, which is included in the accompanying consolidated balance sheets in property and equipment; however, it is not being depreciated.

Goodwill

The Company elected to early adopt Accounting Standards Update (“ASU”) 2017-04, *Intangibles-Goodwill and Other* (Topic 350) as of March 31, 2020. The ASU modifies the measurement of a goodwill impairment loss from the portion of the carrying amount of goodwill that exceeds its implied fair value to the excess of the carrying amount of a reporting unit that exceeds its fair value. This eliminates step two of the goodwill impairment test under current guidance

The Company performs its annual impairment assessment of its three reporting units as of September 30 of each fiscal year unless circumstances dictate more frequent assessments. For the year ended March 31, 2022 and 2021, the Company performed its annual impairment assessment and determined there was no impairment of goodwill.

Long-Lived Assets

The Company periodically reviews the recoverability of intangible and other long-lived assets. If facts or circumstances indicate the possibility of impairment, the Company will prepare a projection of the undiscounted future cash flows of the specific assets and determine if the assigned value is recoverable or if an adjustment to the carrying value of the assets is necessary. The Company did not identify any other facts or circumstances that indicated an impairment of recorded intangible and long-lived assets during Fiscal 2021 and Fiscal 2020.

Net Revenues

Topic 606 outlines basic criteria for recognizing revenue, including on a basis of timing related to the transfer of goods and services. Net revenues include sales of product and services, franchise and royalty fees charged to Big O and Midas franchisees, and rental income from sublease agreements with franchisees and third parties, less returns, and customer rebates. These revenue streams can be disaggregated into performance obligations satisfied over time and at a point in time, as discussed below.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products or services. For product sales, transfer of control occurs at a point in time, either upon transfer to the third-party carrier or upon delivery to the customer. For automotive and tire

(A Joint Venture of Michelin North America, Inc. and Sumitomo Corporation of Americas)
Notes to Consolidated Financial Statements
March 31, 2022 and 2021

services, the transfer of control and satisfaction of the performance obligation occurs at the time the customers take possession of their vehicles. Performance obligations for extended service agreements sold to retail customers, such as road hazard, are satisfied over time and the related revenue is recognized based on a pattern of when the associated costs are expected to be incurred in performing such services. Revenues for franchise and royalty fees are recognized over time as the Company satisfies its performance obligations to its franchisees, as described below. Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to governmental authorities. The Company records reductions to revenue for customer programs and incentive offerings including special pricing agreements, certain promotions and other volume-based incentives.

Franchising revenue consists primarily of royalties, national advertising fund contributions, and initial and renewal franchise fees. The basic terms of the franchise agreements are as follows: the initial franchise fee is due upon the signing of the franchise agreement, royalty fees are due from franchisees monthly and are equal to a percentage of gross sales for the previous month, the initial term of the agreement is 10 to 20 years with the ability to renew for an additional 10 to 20 years subject to certain conditions and a renewal fee, and the location must be pre-approved.

Monthly royalty fees are earned and recognized when franchisee sales occur. During Fiscal 2021 and 2020, Big O franchise and royalty fees typically ranged between 2% and 6% and 2% and 5%, respectively, of franchisees' adjusted gross sales. Midas royalty fees ranged between 2% and 10% of net sales for both periods presented. Under Topic 606, our franchisees' contributions to national advertising funds specified in the franchise agreements are reported gross as part of the royalty revenues because the advertising services were determined not to be distinct from the symbolic franchise right.

The Company expenses costs related to securing initial franchise agreements and performing the required services under such agreements as incurred.

Revenues for lease income are accounted for in accordance with applicable accounting guidance for leases and are excluded from the scope of Topic 606.

Under various arrangements with vendors, the Company receives a delivery commission and reimbursement for the cost of tires that it delivers to customers on their behalf. The commission earned from these transactions is as an agent and the net amount retained is recorded as revenues. The Company recognizes its delivery commission at the time of acceptance of delivery of the product.

Sales Taxes

The Company presents revenues net of sales taxes, and value-added tax ("VAT").

Warranty Allowances

For non-Midas programs, the Company or the vendors supplying its products provide its customers limited warranties on certain products. In most cases, the Company's vendors are primarily responsible for warranty claims. Warranty costs relating to merchandise sold or services provided not covered by vendors are estimated and recorded as warranty obligations at the time of sale. The Company periodically assesses the adequacy of its recorded warranty liability and adjusts the amount as necessary.

TBC Holdings, LLC and Subsidiaries
(A Joint Venture of Michelin North America, Inc. and Sumitomo Corporation of Americas)
Notes to Consolidated Financial Statements
March 31, 2022 and 2021

The following table is a reconciliation of the changes in the Company's non-Midas warranty liability for the years ended March 31, 2022 and 2021:

	2022	2021
Warranty allowance, beginning of year	\$ 2,844	\$ 3,172
Allowances established	547	232
Allowances utilized	<u>(299)</u>	<u>(560)</u>
Warranty allowance, end of year	<u>\$ 3,092</u>	<u>\$ 2,844</u>

For certain Midas products, customers are provided a written warranty from Midas for products purchased from Midas shops in North America, namely break friction, mufflers, shocks, and struts. The warranty will be honored at any Midas shop in North America and is valid for the lifetime of the vehicle but is voided if the vehicle is sold. The Company maintains a warranty accrual to cover the estimated future liability associated with outstanding warranties. The Company determines the estimated value of outstanding warranty claims based on 1) an estimate of the percentage of all warranted products sold and registered in prior periods at retail that are likely to be redeemed and 2) an estimate of the future cost of redemption of each future warranty. Management develops these estimates based on actual historical registration and redemption data as well as actual cost information on current redemptions.

The Midas warranty program in the United States was funded directly by Midas franchisees. The franchisees are charged a fee for each warranted product sold to customers and are issued credits for all warranties that are redeemed. The fees billed to franchisees are recorded as a receivable to Midas on behalf of the warranty fund, and the redemption credits issued to franchisees are recorded as a liability to the fund. As such, there are no revenues or expenses recorded to Midas and the current warranty program will have no net impact on the results of operations.

The following table is a reconciliation of the changes in the Company's warranty liability under the current Midas program for the years ended March 31, 2022 and 2021:

	2022	2021
Warranty allowance, beginning of year	\$ 8,629	\$ 8,213
Warranty fees charged to franchisees and Company-operated shops	1,378	1,203
Warranty credits issued to franchisees and Company-operated shops	<u>(947)</u>	<u>(787)</u>
Warranty allowance, end of year	<u>\$ 9,060</u>	<u>\$ 8,629</u>

The Company's total obligation under its warranty programs is included in accrued expenses and other liabilities and other noncurrent liabilities in the accompanying consolidated balance sheets.

Deferred Revenue

Certain of the Company's services (alignments, tire balancing and rotating, and road hazard) are sold through annual or multiyear contracts for a one-time upfront payment. The liability for future performance obligations related to the Company's extended service agreements totaled approximately \$22,084 and \$23,007 as of March 31, 2022 and 2021, respectively. Direct costs of

these contracts are expensed as incurred. The Company recognizes revenue over the expected service life of the contract.

Vendor Funds

The Company receives vendor funds in its normal course of operations from volume-based rebate agreements, early payment discounts, and cash incentives to promote vendor products. The Company accounts for these vendor funds in accordance with the ASC Subtopic 705-20, *Accounting for Consideration Received from a Vendor*, which states that cash consideration received from a vendor is presumed to be a reduction of the price of the vendor's products or services and should, therefore, be characterized as a reduction of cost of sales and a portion of these amounts be capitalized into ending inventory. Vendor funds are treated as a reduction of inventory costs unless they represent a reimbursement of specific, incremental, and identifiable costs incurred by the customer to sell the vendor's product. The Company accrues for these vendor funds based upon the vendor agreements in place and the projected amount of vendor purchases. Accrued vendor funds are recorded as a reduction to inventory. During the year, the Company monitors and adjusts the amount accrued by comparing actual purchases to projected purchases. Vendor funds are earned when the Company either sells the vendor's product or completes performance of certain provisions of the vendor agreement. Earned vendor funds are recorded as a reduction in costs of sales.

Cost of Sales

Cost of sales includes the cost of tire and parts products sold in the Company's retail locations, cost of products such as tires and equipment delivered from the Company's wholesale locations, and costs attributable to franchise operations such as product and warranties.

Selling, Administrative, and Retail Store Expenses

The Company records direct payroll and payroll related costs for retail store employees who provide services to the Company's customers within selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income (loss). For the years ended March 31, 2022 and 2021, these expenses totaled \$95,980 and \$96,262, respectively.

Self-Insured Reserves

The Company is self-insured for general and automobile liability, workers' compensation, and healthcare claims and maintains stop-loss coverage with third-party insurers to limit its total liability exposure. A reserve for liabilities associated with these losses is established for claims filed and claims incurred but not yet reported ("IBNR") based upon the Company's estimate of ultimate cost, which is calculated using analyses of historical data, severity factors, and valuations provided by third-party actuaries. The Company monitors new claims and claim development as well as negative trends related to the IBNR in order to assess the adequacy of its insurance reserves. The Company also reviews its assumptions with its third-party actuaries, which occurs twice a year. While the Company does not expect the amounts ultimately paid to differ from its estimates, the Company's self-insurance reserves and corresponding selling, administrative, and retail store expenses could be affected if future claim experience differs from historical trends and actuarial assumptions. Due to the length of timing of claim payments for the various lines of insurance, the Company discounts certain of its liabilities.

Leases

Lessee arrangements

The Company leases certain equipment, vehicles, furniture, office space, and property yards under various operating and finance leases. The Company determines if an arrangement is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use

TBC Holdings, LLC and Subsidiaries
(A Joint Venture of Michelin North America, Inc. and Sumitomo Corporation of Americas)
Notes to Consolidated Financial Statements
March 31, 2022 and 2021

an identified asset and whether the Company obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. Leases with initial term of twelve months or less are not recorded on the balance sheets.

At the lease commencement date, the Company recognizes a lease liability and right-of-use ("ROU") asset, representing its right to use the underlying asset over the lease term. The initial measurement of the lease liability is calculated on the basis of the present value of the remaining lease payments and the ROU asset is measured on the basis of this liability, adjusted by prepaid and accrued rent, lease incentives, and initial direct costs. The subsequent measurement of a lease is dependent on whether the lease is classified as an operating lease or a finance lease. Operating lease cost is recognized on a straight-line basis over the lease term, with the cost presented as a component of Selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income (loss). Finance lease cost is comprised of a separate interest component and amortization component and is presented in the Interest expense, net and Selling, administrative, and retail store expenses line items, respectively, in the accompanying consolidated statements of operations and comprehensive income (loss).

The Company's leases require other payments such as costs related to service components, real estate taxes, common area maintenance, and insurance. These costs are generally variable in nature and based on the actual costs incurred and required by the lease. As the Company has elected to not separate lease and non-lease components for all classes of underlying assets, all variable costs associated with the lease are expensed in the period incurred and presented and disclosed as variable lease costs. The Company's lease agreements do not contain any material residual value guarantees or material restrictive financial covenants.

In February 2016, the Financial Accounting Standards Board ("FASB") issued ASU No. 2016-02, *Leases* that added ASC Topic 842 ("Topic 842"). As of the application date of Topic 842, the Company's leases have remaining terms ranging from 1 to 21 years, with some of those leases including options that grant the Company the ability to renew or extend the lease term. When determining the lease term, the Company does not include renewal options unless the renewals are deemed to be reasonably certain of being exercised at the lease commencement date.

Topic 842 requires that a lessee use the rate implicit in the lease when measuring the lease liability and ROU asset, unless that rate is not readily determinable. Alternatively, the Company is permitted to use its incremental borrowing rate which is defined as the rate of interest that the Company would have to pay to borrow on a collateralized basis over a similar term an amount equal to the lease payments in a similar economic environment. Since the rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate when measuring its leases. The Incremental Borrowing Rate ("IBR") is calculated by utilizing the daily treasury yield curve rates, as published by the U.S Department of the Treasury, adjusted with a risk base spread.

Lessor arrangements

The Company, as part of its business, enters into lease arrangements with its customers that grants the customer the right to use certain retail space. These leases are in the form of leases that are of owned properties or subleases of leased properties. The Company determines if an arrangement with its customer is or contains a lease at the lease inception date by evaluating whether the arrangement conveys the right to use an identified asset and whether the customer obtains substantially all of the economic benefits from and has the ability to direct the use of the asset.

If it is determined that the contract is or contains a lease, the Company then assesses lease classification considering the lease term and assumptions that exist at the lease commencement

TBC Holdings, LLC and Subsidiaries
(A Joint Venture of Michelin North America, Inc. and Sumitomo Corporation of Americas)
Notes to Consolidated Financial Statements
March 31, 2022 and 2021

date. Depending on this assessment, the Company will account for its lease agreements as either an operating, direct financing, or sales-type lease, with the resulting accounting dependent on this lease classification. The Company's leases of owned properties and subleases of leased properties are classified as operating leases. There are no leases that are classified as a direct financing lease.

For leases classified as operating leases, the underlying property is recorded on the Company's Consolidated Balance Sheets and continues to be depreciated in accordance with the Company's depreciation policies for similar assets. Rental income for operating leases is recognized on a straight-line basis over the lease term.

The Company's lease agreements with its customers include fixed lease payments and, in certain scenarios, variable lease payments based on a percentage of gross sales. In addition to the lease payments, certain of the Company's contracts include non-lease components which comes in various forms, such as common area maintenance, utilities, and parking. Topic 842 requires that the consideration in the contract be allocated between lease and non-lease components on a relative standalone selling price basis, unless a provided practical expedient is elected. Specifically, Topic 842 includes a practical expedient that permits a lessor, as an accounting policy election by underlying asset class, to choose not to separate non-lease components from lease components when the lease component, if accounted for separately, would be classified as an operating lease and when the timing and pattern of transfer for the lease and non-lease components associated with the lease component are the same. The Company has elected this practical expedient for all of its customer lease agreements that meets these conditions.

The Company assess the lease term at the lease commencement date. The lease term is defined as the noncancelable period plus any period subject to a renewal option that is deemed reasonably certain of being exercised or subject to a termination option that is reasonably certain of not being exercised. Certain of the Company's lease contracts do include renewal options that allow the customer to extend the lease term for an additional period of 1 to 5 years. The Company does not include the renewal options as part of the lease term as it does not believe that it is reasonably certain that such options will be exercised. In addition, lease agreements do not include purchase options.

The Company has included additional disclosures about its leases in Note 11.

The Company owns real estate in the United States (U.S.) and Canada that is leased to franchisees and third parties. A majority of franchise leases and Company owned real estate are subleased to franchisees as well as third parties and are recorded within net sales in the consolidated statements of operations and comprehensive income (loss).

Foreign Currency Translation

Under ASC Topic 830, *Foreign Currency Matters*, the financial statements of foreign subsidiaries are translated into U.S. dollars at current exchange rates, except for revenue, costs, and expenses, which are translated at average current exchange rates during each reporting period.

Gains and losses resulting from the translation of financial statements are excluded from the consolidated net income (loss) and are credited or charged to a separate component of other comprehensive income (loss) within the accompanying consolidated statements of members' equity.

Shipping and Handling Costs

Freight costs incurred to deliver merchandise to retail stores and warehouses are included as a component of inventory and reflected in costs of goods sold as product is sold. Warehouse and distribution costs for items such as payroll, rent, and insurance, as well as freight costs incurred to

ship merchandise to customers, are recorded as a component of selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income (loss). For the years ended March 31, 2022 and 2021, freight costs incurred to ship merchandise to customers totaled \$99,986 and \$76,379, respectively.

Fair Value of Financial Instruments – Short-Term Assets and Liabilities

The fair values of accounts receivable, accounts payable, due to parents and affiliates, accrued expenses, and other current liabilities approximate their carrying values because of their short-term nature.

Income Tax Accounting

The Company determines its income tax provision using the asset-and-liability method. Under this method, deferred tax assets and liabilities are recognized for the expected future tax consequences of temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. The Company also recognizes future tax benefits associated with tax loss and credit carryforwards as deferred tax assets. The Company's deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. The Company measures deferred tax assets and liabilities using enacted tax rates in effect for the year in which it expects to recover or settle the temporary differences. The effect of a change in tax rates on deferred taxes is recognized in the period that the change is enacted.

Advertising

General advertising costs are charged to expense when incurred. General advertising costs were \$37,575 and \$39,295 for the years ended March 31, 2022 and 2021, respectively.

The Company expenses the expected accrued advertising costs for the period specifically related to the advertising funds. Advertising expenses specifically related to the Company's advertising funds was \$70,184 and \$56,596, respectively for the years ended March 31, 2022 and 2021, respectively.

Pre Store Opening Expenses

Pre store opening expenses, which consist primarily of payroll and occupancy related costs, are expensed as incurred.

Asset Retirement Obligations

The Company utilizes the provisions of ASC Topic 410, *Asset Retirement and Environmental Obligations* (ASC 410). ASC 410 requires the capitalization of any retirement obligation costs as part of the carrying amount of the long-lived asset and the subsequent allocation of the total expense to future periods using a systematic and rational method. The Company has determined that certain leases require that the premises be returned to its original condition, reflecting normal wear and tear, upon lease termination. As a result, the Company will incur costs, primarily related to the removal of signage and equipment from its retail stores, at the lease termination and requires that these costs be recorded at their fair value at lease inception.

As of March 31, 2022 and 2021, the Company had a liability pertaining to the asset retirement obligation of \$12,535 and \$13,000, respectively, which is included in noncurrent liabilities in the accompanying consolidated balance sheets. Accretion expense associated with the asset retirement obligations is recorded as selling, administrative, and certain wholesale and retail store expense in the accompanying consolidated statements of operations and comprehensive income (loss). From time to time, the Company reviews its methodology and costs associated to asset retirement primarily for its retail locations and head lease obligation locations.

Environmental Obligations

The Company has identified a number of Midas franchise and Company operated shops that contain soil, groundwater, or other types of contamination from improper usage and maintenance of equipment or disposal of certain hazardous chemicals used in the operation of automotive retail locations. Due to its association with a substantial portion of Midas franchise properties as primary lessee or guarantor the Company believes that it will ultimately be responsible for incurring costs for environmental remediation at many locations, although there is the right to subrogate against the dealer for payment remediation. As of March 31, 2022 and 2021, the accrued balance of the liability was \$4,173 and \$4,849, respectively, and is included in other noncurrent liabilities in the accompanying consolidated balance sheets. The company recorded \$228 and \$862, respectively, of environmental expense within the statements of operations and comprehensive income (loss) for the years ended March 31, 2022 and 2021.

The Company does not believe that similar obligations exist for its non-Midas locations due to the existence and enforcement of policies and procedures surrounding equipment usage and maintenance, as well as disposal of hazardous substances.

Recent Accounting Pronouncements

On December 18, 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes*. The ASU removes certain exceptions from the guidance in ASC 740 related to intra-period tax allocations, interim calculations and the recognition of deferred tax liabilities for outside basis differences and clarifies and simplifies several other aspects of accounting for income taxes. Different transition methods apply to the various income tax simplifications. For all non-public entities, the guidance is effective for fiscal years beginning after December 15, 2021, and for interim periods beginning after December 15, 2022. Early adoption for these entities is also permitted, including adoption in interim or annual periods for which financial statements have not yet been made available for issuance. The Company has not adopted the standard and does not anticipate that the adoption of the new standard will have a material impact to its financial statements.

COVID-19

Since COVID-19 was first reported in December 2019, it has extensively impacted the global health and economic environment, with the World Health Organization characterizing COVID-19 as a global pandemic on March 11, 2020. As a result, the Company's operations were impacted by varying degree depending on location based on the exercise of emergency executive authority invoked by state and local governments in order to combat the spread of COVID-19.

The Company is closely monitoring pandemic-related developments and has taken, and continue to take, numerous steps to address them. As the facts and circumstances surrounding the COVID-19 pandemic remain fluid, the Company is actively managing its response and has assessed potential impacts to its financial position and operating results for Fiscal 2021. The extent of the effect on the Company's future operational and financial performance will depend on future developments, including the duration, spread and intensity of the pandemic, and governmental, regulatory and private sector responses, all of which are uncertain and difficult to predict.

Reclassifications

Certain prior-period amounts have been reclassified in the consolidated statement of operations and comprehensive income (loss) to conform to current-year presentation.

New Accounting Standards

ASU No. 2016-02, Leases, that added Topic 842, is designed to increase transparency and comparability among organizations with leasing activities. The most significant provision of the new lease accounting standard is the requirement that lessees recognize on the balance sheet ROU assets and lease liabilities for leases that have a term greater than 12 months. Additionally, Topic 842 aligns certain of the underlying principles of lessor accounting with those in ASC Topic 606. The new lease accounting standard also includes significantly enhanced disclosures.

The Company adopted Topic 842 on April 1, 2021 using the modified retrospective approach as permitted in ASU No. 2018-11. In accordance with this approach, the effective date of Topic 842 is also the application date of the new requirements, with the prior comparative periods presented in the financial statements in accordance with the legacy requirements of ASC Topic 840, Leases ("Topic 840"). Topic 842 includes various transition practical expedients that are available when adopting the new lease accounting standard. The Company elected the package of practical expedients which allows for the carryforward of certain accounting conclusions for arrangements that qualified as a lease under Topic 840. As a result, the Company was not required to nor did it reassess (i) whether existing or expired contracts met the definition of a lease, (ii) lease classification for any existing or expired leases, or (iii) whether lease origination costs qualified as initial direct costs. The Company did not elect the practical expedient to use hindsight in determining the lease term and in assessing impairment conclusions on the ROU assets.

Topic 842 similarly includes various other practical expedients that can be elected for new leases that are executed after the adoption of the new requirements. The Company elected the lessee practical expedient to not separate lease and non-lease components. In addition, the Company elected the lessor practical expedient for certain of its customer contracts. The Company also elected to apply the short-term lease recognition exemption which eliminates the requirement to present on the consolidated balance sheets leases with a term of 12 months or less. These practical expedients were elected for all classes of underlying assets. For those arrangements where the Company is acting in the role of a lessee, the adoption of Topic 842 resulted in the recognition of \$1,050,509 and \$1,021,712, respectively, in operating lease liabilities and operating lease ROU assets on the consolidated balance sheets as of April 1, 2021. The impact of adopting Topic 842 did not have a material impact on the Company's consolidated statements of operations and comprehensive income (loss), consolidated statements of members' equity, and consolidated statements of cash flows. Similarly, the adoption of Topic 842 did not have a material impact on the accounting for those arrangements where the Company is acting in the role as lessor (see Note 11).

In assessing the realization of the Company's deferred tax assets, the Company considers whether it is more likely than not the deferred tax assets will be realized. The ultimate realization of the Company's deferred income tax assets depends upon generating future taxable income during the periods in which the temporary differences become deductible and before the net operating loss carryforwards expire. The Company evaluates the recoverability of the deferred tax assets by assessing the need for a valuation allowance. After consideration of all of the evidence, the Company has determined that a valuation allowance of approximately \$14,549 and \$13,911 is necessary as of March 31, 2022 and March 31, 2021, respectively. The net change in the valuation allowance was \$638 for the year ended March 31, 2022.

The Company had \$0 and \$118,110 in gross federal net operating loss carryforwards for the years ended March 31, 2022 and March 31, 2021, respectively. The losses relate to operations after the formation of TBC Holdings.

TBC Holdings, LLC and Subsidiaries
(A Joint Venture of Michelin North America, Inc. and Sumitomo Corporation of Americas)
Notes to Consolidated Financial Statements
March 31, 2022 and 2021

The Company had \$384,533 and \$472,370 of gross state net operating loss carryforwards as of March 31, 2022 and March 31, 2021. The Company has determined that a valuation allowance of approximately \$194,607 and \$187,431 is necessary against the balance of gross state net operating loss carryforwards. State loss carryforwards expire in various years between 2021 through 2037 with certain net operating losses having an unlimited carryforward period. The Company had \$2,365 and \$2,687 of Canadian net operating loss carryforwards as of March 31, 2022 and March 31, 2021. These losses can be carried forward 20 years and will expire between 2029 and 2037.

The Company had \$4,552 and \$9,480 of gross federal tax credit carry forwards with valuation allowances of \$4,552 and \$4,675 as of March 31, 2022 and March 31, 2021. These credits can be carried forward up to 20 years and will expire between 2029 and 2038.

As of March 31, 2022 and March 31, 2021, withholding taxes and income taxes on basis differences were not provided on the Company's Canadian foreign subsidiaries, as the Company has invested or expects to invest the undistributed earnings indefinitely. If in the future these entities are sold or dividends are paid then additional tax provisions may be required. It is not practical to determine the amount of unrecognized deferred tax liabilities on the undistributed earnings.

The U.S. tax provision for the period beginning April 5, 2018 and non-U.S. tax provisions for all periods have been determined on a stand-alone basis affiliate. The Company is open to future examinations by the IRS for tax years 2017 through 2019. The Company and its subsidiaries' state income tax returns are open to audit under the statute of limitations for the years 2015 through 2019. The Company and its subsidiaries' foreign income tax returns are open to audit under the statute of limitations for the years 2009 through 2019.

ASC Subtopic 740 10, *Income Taxes* (ASC 740), provides that a tax benefit from an uncertain tax position may be recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Income tax positions must meet a more likely than not recognition threshold at the effective date to be recognized upon the adoption of ASC 740 and in subsequent periods. This interpretation also provides guidance on measurement, de recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. The Company recognizes interest and penalties accrued related to unrecognized tax benefits as components of the income tax provision and recognized expenses of \$23 and \$229 for the years ended March 31, 2022 and 2021, respectively. As of March 31, 2022 and 2021, the liability for uncertain tax positions, including interest and penalties, is recorded in the accompanying consolidated balance sheets within other current liabilities.

13. Retirement Plans - 401(k) Plans

The Company maintains employee savings plans under Section 401(k) of the Internal Revenue Code. Eligible employees are permitted to make tax-deferred contributions from 1% to 85% of their eligible pay, subject to certain IRS limitations. Contributions are typically made by the Company to the 401(k) plans based on specified percentages of eligible employee contributions but may also include discretionary contributions. TBC contributions are fully and immediately vested. Expenses recorded for the Company's contributions totaled \$8,281 and \$7,400 for the years ended March 31, 2022 and 2021, respectively.

14. Other Benefit Plans

Long-Term Incentive Plans

As of April 1, 2018, the Company established the Long Term Incentive Compensation Plan "the Plan". The Plan is administered by the Nominations and Compensation Committee of the board of managers and allows for grants of Long Term Incentive Awards. The Plan's Performance Measurement period is three consecutive fiscal years over which the awards vest and are payable at the end of the third and final fiscal year (certain exceptions are applicable for death, retirement, disability, or a change in control). Targeted Incentive Awards are based upon specified corporate financial metrics. Performance measures and relative weights are set annually.

The Company recorded a liability of \$9,346 and \$1,974 as of March 31, 2022 and 2021, respectively, in the accompanying consolidated financial statements related to this plan. Bonus expense of \$7,373 and \$2,655 was recorded for the years ended March 31, 2022 and 2021, respectively, which was classified within selling, administrative, and retail store expenses in the accompanying consolidated statements of operations and comprehensive income (loss).

Deferred Compensation Plan

The Company adopted the TBC Holdings, LLC Deferred Compensation Plan, which allows certain key employees to defer up to 80% of their base salary and/or 100% of their bonuses on a tax-

deferred basis. All deferral elections are required to be made prior to the beginning of the respective plan year. Participants receive returns on amounts they deferred based on investment elections they make, which are added to their deferrals. Deferrals into the Plan and any related earnings are 100% vested. The Company purchased life insurance contracts that may be used to fund the Company's obligation under this plan. As of March 31, 2022 and 2021, the Company had a liability of \$7,409 and \$12,100 and an asset of \$13,746 and \$13,416, respectively, recorded in the accompanying consolidated balance sheets related to this plan. The related asset is included in other assets and the liability is included in other noncurrent liabilities within the accompanying consolidated balance sheet.

15. Financial Guarantees and Credit Risks

From time to time, the Company's franchise business unit provides certain financial guarantees associated with franchisee's real estate leases and certain financing items. Although the guarantees were issued in the normal course of business to meet the financing needs of its franchisees, they may represent credit risk in excess of the amounts reported in the consolidated balance sheets. As of March 31, 2022 and 2021, there were no contractual amounts owed as it related to these guarantees to the Company by any franchisee or by the Company on behalf of any franchisee.

16. Commitments and Contingencies

The Company is involved in various legal proceedings, which are routine to the conduct of its business. None of the ongoing legal claims against the Company had a material impact to the financial results as of and for the year ended March 31, 2022 and March 31, 2021, nor does the Company believe that any such litigation will have a material adverse effect on its consolidated financial position or results of operations in future periods.

17. Subsequent Events

The Company has reviewed and evaluated material subsequent events from the balance sheet date as of March 31, 2022 through the financial statement issuance date, or May 27, 2022.

(e) To issue and honor the various Midas guarantees in connection with such of said products and services as may be subject to guarantee from time to time.

1.2 Non-Exclusivity. The right, franchise, and license granted herein shall be non-exclusive. Midas shall at all times have the right either to establish and operate itself, or to license any other party or parties to establish and operate or to grant rights to others to develop, a Midas Shop or Midas Shops at any other location or locations whatever. In addition, Midas on behalf of itself and its parent companies, subsidiaries, and affiliates, reserves the sole and absolute right:

(a) to acquire and continue to operate, directly or indirectly, any business operating under the same or different trademarks than the Proprietary Marks;

(b) to provide, offer, sell and grant others the right to provide, offer and sell goods and services the same as, similar to, and/or competitive with those provided at a Midas Shop as provided in Schedule A, whether identified by the Proprietary Marks or other trademarks or service marks, via alternative channels of distribution (including the Internet, catalog sales, telemarketing, or other direct marketing);

(c) to acquire and retain, directly or indirectly, the rights and obligations of any franchisor or licensor of any business similar to or different from a Midas Shop operating under the same or different trademarks than the Proprietary Marks;

(d) to establish and promote other franchise systems involving different services or products using different trademarks than the Proprietary Marks, and to establish company-owned or franchised outlets for those systems, without offering Franchisee the right to participate;

(e) to acquire, be acquired, or merge with any other business entity or to sell some or all of their assets to any other entity, including any competitor; or

(f) to delegate the performance of any portion or all of Midas' obligations under this Agreement to third party designees, whether these designees are Midas' agents or independent contractors with whom Midas has contracted to perform these obligations.

1.3 Term. The term of this Agreement and of the right, franchise, and license herein granted shall commence on _____, 20__, and shall run through and include _____, 20__, unless sooner terminated in accordance with the terms hereof ("Term"). Franchisee agrees to operate its Midas Shop for the full Term. If Franchisee continues to operate its Shop with Midas's express or implied consent following the expiration of this Agreement, the continuation will be a month-to-month extension of this Agreement. This Agreement will then be terminable by either party on 30 days written notice. Otherwise, all provisions of this Agreement will apply while Franchisee continues to operate its Midas Shop.

1.4 Initial Franchise Fee. Franchisee has paid to Midas, or will concurrently with the execution of this Agreement pay to Midas, the sum of _____ dollars (\$_____) as an initial fee for the right, franchise and license hereby granted ("Franchise Fee"). Except as provided below, the Franchise Fee is fully earned by Midas upon the execution and delivery of this Agreement by Midas. If Franchisee is unable to locate and obtain Midas's approval of the site for its Shop (the "Site") within 30 days of the end of the Site Selection Period (defined below), Midas will be entitled at its option to terminate this Agreement pursuant to Section 8.2(d)(ix) below, in which event Midas will refund to Franchisee the actual amount of the Franchise Fee received from Franchisee less the greater of (i) seventy five percent (75%) of such Franchise Fee, or (ii) \$10,000, which amount shall be retained in compensation for the site selection services that Midas provided to Franchisee. In the event the Franchise Fee is waived or reduced due to Franchisee qualifying for an incentive program, Franchisee must deposit with Midas \$10,000 upon signing this Agreement (the "Minimum Site Payment") and Midas will provide Franchisee a credit on Franchisee's trade account in the amount of the Minimum Site Payment upon signing Schedule B of this Agreement identifying the Site, but if Franchisee is unable to locate and obtain Midas's approval of the Site within 30 days of the end of the Site Selection Period, Midas will be entitled at its option to terminate this Agreement pursuant to Section 8.2(d)(ix) below, in which event Midas will retain the Minimum Site Payment paid by Franchisee in compensation for the site selection services that Midas provided to Franchisee. If a franchise broker has been involved in the acquisition or sale of the franchise under this Agreement, the initial franchise fee paid by Franchisee is non-refundable in its entirety under any circumstances.

1.5 Independent Contractor. It is understood and agreed that Franchisee is an independent contractor of Midas and is in no way authorized to make any contract, warranty, or representation or to create or imply any obligation on behalf of Midas. Neither this Agreement nor the course of conduct between Midas and Franchisee is intended, nor may anything in this Agreement or the course of conduct be construed, to state or imply that Midas is the employer of Franchisee's employees or agents, or vice versa. Notwithstanding any other provisions in this Agreement, Midas shall not be responsible for supervising the activities of Franchisee's Midas Store or ensuring that the Midas Store is operated in compliance with applicable laws.

1.6 Incorporation of Riders. To the extent that any rider to the Agreement for a specific state is applicable, such rider is incorporated herein and this Agreement is modified accordingly. The provisions in any applicable rider are included as a condition to registration or use in certain jurisdictions, and Midas is not precluded from contesting the validity, enforceability, or applicability of such provisions in any action relating to this Agreement or its rescission or termination.

Article Two: Proprietary Marks, Indicia, and Confidential Information

2.1 Validity and Use of Proprietary Marks. Franchisee hereby acknowledges the validity of the Proprietary Marks, and acknowledges that the Proprietary Marks are the sole property of Midas. Franchisee shall use the Proprietary Marks only for so long as the right, franchise, and license granted herein remains in force, and only in connection with the sale and installation of approved Midas products and the rendition of authorized Midas services, in the manner and for the purposes specified in this Agreement. Franchisee shall not, either during or after the Term, do anything, or aid or assist any other party to do anything, which would infringe upon, harm, or contest the rights of Midas in any of the Proprietary Marks or in any other mark or name, which incorporates the word "Midas." Franchisee shall not use any mark or name other than as herein licensed in connection with the sale of any approved Midas products or services, and shall not place any name or mark, other than the names or marks originally appearing thereon, on any products, packages, or other materials which Franchisee obtains from Midas.

2.2 Designation of Shop and Firm Name. Franchisee shall operate, advertise and promote the Shop under the designation "Midas", without the addition of any prefix or suffix, or under such other name or names as Midas, in its sole discretion, may from time to time designate, and under no other name or designation. However, Franchisee shall not use the name "Midas Shop", any other name containing the word "Midas" or any other Proprietary Mark in or as part of the firm or corporate name of Franchisee. Franchisee shall, upon the demand of Midas at any time, promptly discontinue the use of any such name or word (or any confusingly similar name or word) in its firm or corporate name, and shall promptly take such steps as may be necessary or appropriate in the opinion of Midas to eliminate any such name or word from Franchisee's firm or corporate name.

2.3 Validity and Use of Midas Indicia. Franchisee acknowledges that the Midas indicia are the exclusive property of Midas. Franchisee shall not, either during or after the Term, utilize any of the Midas indicia, or any indicia confusingly similar thereto, except in accordance with the terms of this Agreement. Franchisee agrees that any further rights that may develop in any Proprietary Marks or in any of the Midas indicia in the future as trade names, trademarks, or service marks shall inure and accrue to the benefit of Midas.

2.4 Confidential Nature of Midas System.

(a) **Non-Disclosure of Confidential Information.** Franchisee hereby acknowledges that Midas is the sole owner of all proprietary rights in and to the Midas System and each and every part thereof and all material and information now or hereafter revealed to Franchisee under this Agreement relating to the System. Franchisee further acknowledges that the Midas System, in its entirety, constitutes trade secrets of Midas which are revealed to Franchisee in confidence, solely for the purpose of enabling Franchisee to establish and operate the Shop herein licensed in accordance with the terms of this Agreement. Such trade secrets include, but are not limited to, product catalogues, price lists, training manuals and workbooks, policy manuals, sales promotion aids, business forms, accounting procedures, marketing reports, informational bulletins, and inventory systems. Franchisee agrees that both during and after the Term, (a) he will not reveal any of such trade secrets to any other person, firm, or entity, and (b), he will not use any of such trade secrets in connection with any business or venture in which he has a direct or indirect interest, whether as proprietor, partner, joint venturer, shareholder, officer, director, or in any other capacity whatever, other than in connection with the operation of the Shop herein licensed.

(b) **In-Term Non-Competition Obligations.** Franchisee acknowledges that the Midas System is unique and distinctive and has been developed by Midas at great effort, time and expense; that Franchisee has regular and continuing access to valuable and confidential information, training, and trade secrets regarding the Midas System; that as a result of the foregoing, it would be impossible for

Franchisee to engage in a similar business without making use of or revealing Midas' confidential information, procedures, and trade secrets; and that Franchisee has an obligation to promote sales under the Midas System. Franchisee accordingly agrees that during the Term, including any renewals or extensions thereof, Franchisee shall not, without the prior written consent of Midas, directly or indirectly, individually or as a member of any business organization, engage or have an interest, as an employee, owner, investor, partner (inactive or otherwise) or agent, or as a stockholder, director or officer of a corporation, or otherwise, in any business whose activities include the sale at wholesale or the sale or installation at retail of exhaust system components, shock absorbers, or any other product or service nationally offered by Midas Shops and which conducts such activities as found in Schedule A at any location.

The terms "*direct*", "*directly*", "*indirect*" and "*indirectly*", as used in this Section 2.4, shall include, but not be limited to, any interest described herein held by, or any activities described herein engaged in, by or through a member of Franchisee's immediate family. Franchisee's "*immediate family*" includes Franchisee's spouse, parents, step-parents, children, step-children, brothers and sisters, mothers- and fathers-in-law, sons- and daughters-in-law, and brothers- and sisters-in-law and any person (other than a tenant or employee) sharing Franchisee's household. In the event that Franchisee is a corporation, the foregoing restrictions shall apply to each shareholder owning 25% or more of the capital stock thereof, and in the event that Franchisee is more than one person, the foregoing restrictions shall apply to them jointly and severally; provided that the foregoing restrictions shall not apply to investment in the shares or stock of a public company which at the time of investment is listed on a recognized stock exchange so long as such shares or stock are listed. The restrictions contained in this Section 2.4 shall be severable in accordance with the provisions of Section 10.7 of this Agreement.

(c) **Post-Termination Non-Competition Obligations.** Franchisee covenants that, except as otherwise approved in writing by Midas, Franchisee shall not, for a continuous uninterrupted period commencing upon any termination or expiration of this Agreement, regardless of the cause for termination, and continuing for two (2) years thereafter, either directly or indirectly, for himself or herself or through, on behalf of or in conjunction with any person, corporation, limited liability company, limited liability partnership, partnership or other business association or non-individual legal entity own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any interest in any business which is the same as or substantially similar to the Shop or any other Midas Shop which is located: (i) within 15 miles of the Shop licensed herein or (ii) within 15 miles of any other then-existing Midas Shop. If Franchisee commits a breach of this Section 2.4(c), the two (2) year period shall start on the date that Franchisee is enjoined from competing or stops competing, whichever is later.

(d) **Remedy.** Franchisee acknowledges that any violation of the covenants not to compete contained in this Agreement would result in immediate and irreparable injury to Midas for which no adequate remedy at law will be available. Accordingly, Franchisee hereby consents to the entry of an injunction prohibiting any conduct by Franchisee in violation of the terms of the covenants not to compete set forth in this Agreement. Franchisee expressly agrees that any violation of the terms of said covenants not to compete can be conclusively presumed to have been accomplished by and through Franchisee's unlawful utilization of Midas' confidential information. Further, Franchisee expressly agrees that the existence of any claims that he or she may have against Midas, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Midas of the covenants not to compete set forth in this Agreement.

(e) **Fairness and Reasonableness.** Franchisee acknowledges and agrees that the covenants not to compete set forth above are fair and reasonable and will not impose any undue hardship on Franchisee (and/or on the owners of its equity interests), as Franchisee and the owners of its equity interests, as applicable, have other considerable skills, experience and education which afford Franchisee and the owners of its equity interests, as applicable, the opportunity to derive income from other endeavors.

2.5 Goodwill. Franchisee acknowledges that all goodwill which may arise from Franchisee's use of the Proprietary Marks, the Midas indicia, or the Midas System, is and shall at all times remain the sole and exclusive property of Midas and shall inure to the sole benefit of Midas. Nothing contained in the preceding sentence shall be construed to prohibit Franchisee from receiving for a sale of the Shop made in compliance with the provisions of Article Seven a price which includes payment for any goodwill belonging to Franchisee.

2.6 Unauthorized Use. Franchisee shall promptly report to Midas any unauthorized use of the Proprietary Marks or Midas indicia that comes to Franchisee's attention in any manner whatsoever. If requested by Midas, Franchisee will cooperate with Midas in precluding unauthorized use of the Proprietary Marks and Midas indicia, or any confusingly similar mark or indicia, but at the sole expense of Midas.

2.7 Manuals. Midas has and will continue to develop proprietary manuals containing specifications, standards and procedures applicable to the Midas System and the operations of a Midas Shop (collectively, the "Manual(s)"). To protect the reputation and goodwill of the business operating under the Midas System, and to maintain high standards of operation under the Proprietary Marks, Franchisee shall conduct business of Franchisee's Shop strictly in accordance with the Manuals. The Manuals are and will remain the exclusive property of Midas. In the event of a conflict between this Agreement and any Manual, this Agreement will control. Franchisee agrees that Midas may modify the Midas System, and that modifications to the Midas System may require modifications to the Manual and to any additional Manuals or materials Midas develops. Franchisee agrees to operate the Midas Shop in conformance with any modifications to the Manuals and any additional Manuals or materials Midas develops. The Manuals are designed to protect Midas' reputation and the goodwill of the Proprietary Marks, they are not designed to control the day-to-day operations of Franchisee's Midas Shop. Modifications will be effective on receipt by Franchisee. Midas will either e-mail or provide access via intranet to Franchisee of the modified Manual. Franchisee takes the sole responsibility for failing to read and abide by any modifications stated within the Manual.

Article Three: Continuing Obligations of Midas

3.1 Services to be Rendered by Midas. Midas agrees that it will perform the following initial (prior to opening the Shop) and continuing services for the benefit of Franchisee:

(a) Midas, an affiliate of Midas or Midas' designee shall provide general site selection guidelines and consultation.

(b) Midas, an affiliate of Midas or Midas' designee shall make available to Franchisee standard building plans and signage specifications for a prototype Midas Shop and shall consult with Franchisee with respect to the site layout, exterior design, signage, floor plan and equipment for the Shop.

(c) Midas or its designee shall furnish such general advertising materials, ideas and suggestions for the Shop's grand opening campaign as Midas deems appropriate.

(d) If Franchisee's Shop has not yet opened, Midas will instruct Franchisee, prior to the opening of Franchisee's Shop, in all aspects of the Midas System by providing a training program which must be attended by Franchisee and such of Franchisee's management and supervisory personnel as Franchisee designates. Part of this training program may be provide online at Midas' option. From time to time after the opening of Franchisee's Shop, Midas may, at its option, provide a training program or programs to Franchisee and such of Franchisee's managers and supervisory personnel as Franchisee designates, and Franchisee must attend and cause all such designated managers and supervisory personnel to attend such

training program or programs. All expenses of travel, lodging, meals, and other living expenses, incurred by Franchisee and/or such managers or supervisory personnel in attending such initial or subsequent program or programs shall be borne and paid by Franchisee.

(e) Midas shall make available to Franchisee, via Intranet, a copy of the Manual, subject to the provisions of Section 2.4(a) and 2.7 above.

(f) Midas agrees to make available to Franchisee from time to time all improvements and additions to the Midas System, to the same extent and in the same manner as they are made available to Midas franchisees generally.

(g) Midas agrees to make available to Franchisee the benefits of Midas' information, experience, advice, guidance and know-how.

(h) Midas agrees that it will purchase and place from time to time advertising and marketing promoting the products and services sold by Midas franchisees, including search engine marketing and optimization. Subject to the provisions hereafter set forth, all decisions regarding whether to utilize national/regional, or local advertising, or some combination thereof, and regarding selection of the particular media and advertising content, shall be within the sole discretion of Midas and such agencies or others as Midas may appoint. Midas agrees that it will expend for media costs, commissions and fees, production costs, and other costs of such advertising, with respect to all Midas franchisees, an amount not less than one-half of the royalties actually received by Midas from all Midas franchisees (not including franchisees under any different concepts or concepts co-branded by Midas and another brand, and not including any reduced royalties under any fleet program). Such amounts, as so computed, shall be expended for advertising which is published, broadcast, displayed, or otherwise disseminated either during the calendar year within which such royalties are received by Midas, or during a succeeding calendar year. Nothing herein shall be deemed to prohibit Franchisee from engaging in any advertising or promotion of their Shop, in addition to the advertising paid for by Midas, provided such advertising or promotion shall be at the sole cost of Franchisee and without deduction or credit against royalties or other amounts owed by Franchisee to Midas, and shall be subject to the provisions of Section 6.8.

(i) On or before June 1st of each year, Midas shall provide Franchisee with a document stating with respect to the preceding calendar year, (1) the amount of royalties actually received, and (2) the amount expended for advertising pursuant to this Section 3.1. Midas shall also provide Franchisee with details of the amounts expended for media costs, commission and fees, and production costs relating to the advertising. In the event Midas expends for such advertising an amount in excess of one-half of royalties actually received in any calendar year as described in Section 3.1(h), then such excess may be applied by Midas in satisfying the expenditure requirement during the succeeding calendar year.

If Franchisee is in default of this Agreement for any reason (such as for failure to make payments or maintain any standards or requirements stated in the Manual), or any other agreement Franchisee has entered into with Midas, Midas may, at any time while that default remains uncured, suspend Franchisee's rights to receive any support services from Midas of any kind.

3.2 Sales of Products to Franchisee. During the Term and for so long as Franchisee is in good-standing with Midas and each affiliate, subsidiary, or parent of Midas and meets the then-current credit criteria, Midas will make reasonable best efforts to make available to Franchisee any products that Midas offers to similarly situated franchisees. Franchisee hereby acknowledges that Midas does not have any obligation to offer the sale of automotive repair products to Franchisee.

Article Four: Royalties

4.1 Payment of Royalty. (a) Except as set forth in Sections 4.1(b), 4.1(c) and 4.1(d), Franchisee agrees to pay to Midas, within ten days after the close of each calendar month during the Term, a royalty in an amount equal to ten percent (10%) of Franchisee's Net Revenue for said preceding month. For purposes of this Section 4.1, Net Revenue is defined as the total gross revenue derived by Franchisee from the operation of his Shop, whether from sales for cash or credit, and irrespective of the collection thereof, including sales of both merchandise and services, and including installation charges for installation of automobile mufflers or any other products which may be permitted pursuant to the terms of the Midas guarantees on such mufflers and other products, but exclusive of all sales taxes, use taxes, gross receipts taxes, and other similar taxes added to the sales price and collected from the customer, and less any bona fide refunds, rebates, and discounts. Royalties received by Midas pursuant to this Section 4.1 shall not be deemed trust funds nor shall Midas be required to segregate such funds in any way, but they shall be deemed general funds of Midas for all purposes.

(b) Franchisee agrees to pay to Midas a reduced royalty of six percent (6%) of Franchisee's Net Revenue for the preceding calendar month on the sale of motor vehicle tires ("Tire Royalty"). The Tire Royalty will also apply to sales of valve stems and wheel weights, as well as mounting, balancing, tire repair and road hazard. All other products, labor, and services are subject to the full ten percent (10%) royalty provided in Section 4.1(a). Franchisee shall pay the Tire Royalty at the same time the royalties provided for in Section 4.1(a) are payable.

(c) During the Term, Franchisee agrees to pay to Midas, at the same time the royalties provided for in Section 4.1(a) are payable, a reduced royalty in an amount equal to two percent (2%) of Franchisee's Net Revenue for the preceding calendar month from the sale of motor vehicle batteries only (hereinafter referred to as the "Battery Royalty"). The Battery Royalty shall apply solely with respect to the sale of motor vehicle batteries by Franchisee during the Term. Accordingly, the ten percent (10%) royalty rate specified in Section 4.1(a) shall apply with respect to sales of related products and starting and charging services, including cables, mounting plates and brackets, installation, labor, diagnostic testing, road service and all other battery-related products, labor and services. As a condition to qualifying for the Battery Royalty, Franchisee agrees to break out and list separately all battery-related parts, labor and services on each customer invoice and on Franchisee's monthly Net Revenue report required under Section 4.2.

(d) Except as otherwise provided herein, at all times during which Franchisee is in compliance with the requirements for transmission of Data (as defined below) set forth in Section 6.17(a) below, the royalty rate applicable to all Exempt Sales (as defined below) which are provided at or in connection with the Shop shall be zero percent (0%). "Exempt Sales" shall mean, and shall be limited solely to, the following: third party vehicle towing, third party rental car services and the cost of state inspection stickers. Midas' agreement to a zero percent (0%) royalty rate on Exempt Sales is expressly contingent upon Franchisee charging the applicable customer only an amount equal to the actual cost to Franchisee of providing the Exempt Sale in question. Accordingly, in the event that Franchisee elects to charge a fee or other amount in excess of the actual cost to Franchisee of providing the Exempt Sale in question, such fee or other amount (hereinafter referred to as the "Additional Fee") shall be subject to the ten percent (10%) royalty rate specified in Section 4.1(a). The determination as to whether Franchisee has charged a customer an Additional Fee for an Exempt Sale shall be made solely by Midas, and such determination shall be final and binding on Franchisee.

4.2 Reports and Records. (a) Franchisee shall submit electronically to Midas, with and at the time each monthly payment of royalty is required pursuant to Section 4.1 above, a true, correct and complete statement of Net Revenue (as defined in Section 4.1) as Midas requires, containing all information called for by Midas and certified to by Franchisee. Franchisee must submit any and all reports, records, or

statements for its Shop electronically using computerized record-keeping and/or electronic accounting systems as Midas requires from time-to-time. If Midas is requested or must manually calculate and create the monthly statement of Net Revenue, then Franchisee will pay to Midas its then-current fee for performing this service.

(b) If the Term commences or ends on a day other than the first or last day of a calendar month, respectively, the royalty for such month shall be based upon Net Revenue for the portion of the month commencing or ending with the date of commencement, termination or expiration of the Term, as the case may be.

(c) Within sixty days after the close of Franchisee's fiscal year, Franchisee shall furnish a statement, on forms provided by Midas, containing all the information requested on such forms, certified to by Franchisee and signed by Franchisee's accountant, showing the total Net Revenue for said preceding fiscal year, as finally adjusted and reconciled after the closing and review of Franchisee's books and records for such fiscal year. If such statement disclosed any underpayment of royalties for such fiscal year, Franchisee shall pay to Midas, at the time of submitting such statement, the amount of any such underpayment. Any overpayment shall be credited to Franchisee's account.

(d) Franchisee shall maintain its computerized record keeping, electronic accounting systems and records in such manner as to clearly and accurately reflect Net Revenue as defined in Section 4.1. All such records shall also be maintained in accordance with the minimum standards as prescribed from time-to-time by Midas, and shall be preserved for a period of not less than five years after the close of Franchisee's fiscal year to which they relate and shall be open at all reasonable times to inspection and verification by Midas or any of its representatives. Midas shall be entitled, at any time, without prior notice, to have Franchisee's and Franchisee's Guarantor's computerized record keeping, electronic accounting systems and records (including Federal, State and local tax returns, bank statements and such other business documents relating to the Shop as determined by Midas) examined or audited at Midas' sole expense. Midas shall be entitled at any time to have Franchisee's books and records (including federal, state and local tax returns) examined or audited at Midas' expense, and Franchisee shall cooperate fully with the party or parties making such examination or audit on behalf of Midas. Midas may also require at any time the records from Franchisee or its affiliated parties be sent to Midas' offices or another location to permit the inspection or audit of such records to be conducted at Midas' place of business or other location. If Midas notifies Franchisee that documents are to be sent to a location other than the Shop location for the purpose of conducting an inspection or audit at that location, Franchisee shall provide the requested documents to Midas within the time period set forth in Midas' notice. Franchisee will be responsible for any expenses associated with collecting and delivering any documents requested by Midas for its inspection or audit. All documents provided for Midas' inspection or audit must be certified by Franchisee and the appropriate affiliated party, if applicable, as true, complete and correct. Franchisee shall promptly pay to Midas, or Midas shall credit to Franchisee's account, as the case may be, any underpayment or overpayment of royalties disclosed by such examination or audit. If any examination or audit is necessitated by Franchisee's failure to submit statements of Net Revenue or to maintain books and records as required by this Section 4.2, or in the event that the Net Revenues reported by Franchisee for any period of twelve consecutive months are more than five percent (5%) below the actual Net Revenues of Franchisee for such period as determined by any such examination or audit, or if Franchisee obstructs or otherwise fails to cooperate with such examination or audit, then Franchisee shall immediately pay to Midas the cost of such examination or audit (including reasonable compensation for any time necessarily expended by Midas' own employees and reimbursement for expenses necessarily incurred by them), as well as any additional amount of royalties shown to be due. Such payments shall be without prejudice to any right of Midas to terminate this Agreement on account of such defaults by Franchisee, in accordance with the terms of Section 8.2 below.

(e) Any amount properly owing from Franchisee to Midas for royalties, if not paid when due, whether such amount has been shown on any report required to be submitted by Franchisee or has subsequently been determined by verification, examination, or audit to have been due for any month, shall bear interest at a rate which is the lower of eighteen percent (18%) per annum or the highest rate permitted by law (“Interest Rate”), beginning ten (10) days after the date such amount was or would have been due until paid, except that if the amount is not paid within thirty (30) days after the due date, it shall bear the said interest from the due date. The Interest Rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to this Agreement. The payment of such interest shall not be deemed to authorize any delay in payment of any amounts owed hereunder. In addition, the payment of such interest shall be without prejudice to any rights Midas maintains to terminate this Agreement on account of such defaults by Franchisee, in accordance with the terms of Article Eight below. Franchisee acknowledges and agrees that Midas may modify the periods in which fees are due and/or calculated and the acceptable payment methods thereof and agrees to comply with any modifications or directives related to the fees payable under this Agreement as may be given by Midas from time to time.

Article Five: Warranties and Guarantees

5.1 Exclusion of Warranties and Guarantees. There are no warranties or guarantees, expressed or implied, made by Midas either to Franchisee or to any of Franchisee’s customers, with respect to any products purchased by Franchisee from or through Midas, except as expressly set forth in Sections 5.2 and 5.3 below. Franchisee shall make no warranties or guarantees to his customers with respect to any such product or with respect to any services licensed hereunder except as expressly set forth in said Sections 5.2, 5.3, and 5.8. Midas shall not be liable to Franchisee or to any of his customers, on account of any alleged warranty, express or implied, except to the extent and in the manner set forth in Sections 5.2 and 5.3.

5.2 Warranty Against Factory Defects. Certain approved Midas products purchased by Franchisee, including those covered by specific guarantees as set forth in Section 5.3, are warranted by Midas to the ultimate consumer from the date of such consumer’s purchase against defects in materials and workmanship. Midas shall provide the period of days of the warranty required to be provided to the consumer to Franchisee, which Midas reserves the right to change from time-to-time. If a product disclosing any such defect is returned to Franchisee within that time, whether the product was installed by Franchisee or any other Midas franchisee, Franchisee shall replace the product by installation of another approved Midas product of like grade and quality and which is proper for the application as specified in the Midas parts catalogue or product bulletins issued pursuant thereto, and shall make no charge whatever to the customer either for the product or for installation thereof. Upon compliance with policies and procedures then in force governing the return of such defective products, Franchisee shall be entitled to credit in an amount equal to the then current price at which such product is being offered by Midas to Franchisee, plus the cost of shipping such product back to Midas or its supplier if and as directed by Midas, but exclusive of any other freight or any other applicable charges.

5.3 Midas Guarantees. Certain approved Midas products purchased by Franchisee are and may from time to time be guaranteed by Midas to the ultimate consumer in accordance with the terms of a “Guarantee”, furnished by Midas. With respect to those products as to which Midas from time to time furnishes such a Guarantee, it is agreed by Midas and Franchisee as follows:

(a) Franchisee will issue to each and every customer who purchases such a product (except such classes of customers as Midas may from time to time expressly exclude from the operation of such Guarantee) the Midas Guarantee applicable thereto, and will not issue, deliver, or otherwise furnish any other warranty or guarantee whatsoever in connection therewith.

(b) Franchisee will not deliver or otherwise furnish any such Midas Guarantee in connection with any product other than the approved Midas product to which such Guarantee is made applicable by Midas.

(c) Franchisee will honor each Midas Guarantee presented to Franchisee by the holder thereof, in accordance with the respective terms thereof and in accordance with policies and procedures promulgated by Midas from time to time, irrespective of whether such Guarantee was furnished by Franchisee or by any other Midas franchisee. Franchisee will replace the part so guaranteed only with another approved Midas part of like grade and quality, and which is proper for the application as specified in the Midas parts catalogue or product bulletins issued pursuant thereto, and shall deliver to the customer a like Guarantee in connection with such replacement part.

(d) Franchisee will make no charge to the customer for honoring any such Guarantee, except to the extent permitted by the express terms of the Guarantee. Where such terms permit the making of an installation charge, such charge shall not exceed an amount which is reasonable for the labor involved in installing the part so installed pursuant to the Guarantee.

(e) Franchisee will comply with all policies and procedures promulgated from time to time by Midas relating to such Guarantees, including but not limited to the delivery and validation thereof, the honoring thereof, and the presentation thereof to Midas for credit.

(f) Upon presentation to Midas of proper evidence of having duly honored any such Guarantee and upon having complied with all applicable policies and procedures then in force with respect to requests for credit thereunder, Franchisee shall be entitled to full or partial credit from Midas, if any, in such amounts and in such manner as may be prescribed from time to time by Midas, subject to the provisions of paragraph (g) below.

(g) Midas may from time to time furnish such Guarantees with respect to additional categories of products, or may discontinue or modify said Guarantees or the policies of reimbursement to its franchisees therefor, with respect to any category or categories of products now or hereafter covered, without any liability to Franchisee, provided however, that notwithstanding any such discontinuance or modification by Midas, Franchisee shall honor, in accordance with the terms thereof, all Guarantees delivered to customers prior to the date of such discontinuance or modification, and Franchisee shall remain entitled, with respect to all such previously delivered Guarantees, to credit from Midas in the same amounts as were available at the time of delivery of such Guarantees.

5.4 No Set-Off. Franchisee will not be allowed to set off amounts owed to Midas for royalties or other amounts due hereunder, against any monies owed to Franchisee, which right of set off is expressly waived by Franchisee. No endorsement or statement on any check or payment of any sum less than the full sum due to Midas shall be construed as an acknowledgment of payment in full or an accord and satisfaction, and Midas may accept and cash such check or payment without prejudice to its right to recover the balance due or pursue any other remedy provided herein or by law.

5.5 Misrepresentation and Disclosure. Franchisee shall make no untrue or misleading representations to customers or potential customers, whether written or oral, concerning the warranties or Guarantees described in Sections 5.2 and 5.3 above, and shall make all affirmative disclosures which may at any time be required by Midas or by law in order to properly advise customers with respect to such warranties and Guarantees and to avoid possible deception or confusion in connection therewith.

5.6 Improper Work and Unauthorized Guarantees. In the event any Midas franchisee replaces or does corrective work with respect to a product sold or installed by Franchisee, whether or not pursuant to any warranty or Guarantee, and such replacement or corrective work is the result of an improper,

incorrect, faulty, or defective installation by Franchisee, or any such Guarantee was issued in violation of the provisions of Section 5.3 or of the policies and procedures applicable thereto, Franchisee shall promptly pay to Midas for reimbursement to the Midas Shop making such replacement or doing such corrective work the total cost to the Midas Shop of all parts and the total labor cost involved, or if Franchisee is the Midas Shop making such replacement or doing such corrective work, then Franchisee shall receive no credit from Midas with respect thereto. Subject to the right of reimbursement as provided in the preceding sentence, Franchisee shall honor all Midas warranties and Guarantees presented by customers, irrespective of whether Franchisee or any other Midas franchisee made an improper, incorrect, faulty, or defective installation or issued such a Guarantee in violation of the provisions of Section 5.3 or of the policies and procedures applicable thereto. Nothing contained in this Section 5.6 shall authorize a violation of such provisions, policies, or procedures, or shall impair any remedy given Midas elsewhere in this Agreement for such violation.

5.7 Post-Termination Obligations. Midas agrees that every warranty or Guarantee properly issued to Franchisee's customers during the Term pursuant to Section 5.2 or 5.3 will be honored by Midas or by an authorized Midas franchisee. Upon termination of this Agreement under any circumstances, Franchisee shall not honor any further warranties or Guarantees and shall not be entitled to credit with respect to any such further warranties or Guarantees honored by Franchisee in violation of the provisions of this Section 5.7. Franchisee shall thereafter refer all requests for honoring of such warranties and Guarantees to Midas or to such other Midas franchisee or franchisees as Midas may from time to time designate.

5.8 Other Warranty Programs. Midas may, from time to time, establish requirements to honor, offer, and/or otherwise participate in certain designated warranty programs for certain products not covered by the warranties and guarantees described in Sections 5.2 and 5.3 above, such as road hazard programs for tires. Midas may require participation in a single designated warranty program for those products, or the satisfaction of certain minimum requirements for such programs administered by Midas, Franchisee or by third parties. These requirements may vary by location, including due to variations in state warranty laws. Franchisee shall comply with any requirements applicable for its location. Franchisee acknowledges that these requirements may include payments to Midas, its affiliates, and any third party administrator for participation in the warranty programs, funding of the warranty programs, and other services related to those warranty programs, which fees are subject to change from time to time upon notice from Midas to Franchisee. Franchisee must comply with any applicable laws with regard to any warranties and guarantees that it offers.

Article Six: Agreements of Franchisee with Respect to Operation of Shop

6.1 General. Franchisee will keep the Shop open to the public during those days and hours throughout the year during the Term as specified by Midas in the Manual from time to time, and will at all times operate the Shop diligently so as to maximize the revenues and profits.

6.2 Promotion and Purchase of Approved Products and Services. (a) Franchisee will at all times actively promote the sale of Midas approved products and services and will use its best efforts to cultivate, develop, and expand the market presence of Midas. Franchisee shall not sell any product or perform any service not listed on Schedule A to this Agreement without the prior written consent of Midas.

(b) Franchisee agrees to purchase from Midas, Midas's affiliates, subsidiaries, parents, or Midas' approved suppliers (collectively, the "Suppliers"), during the Term and subject to the terms hereafter set forth, such quantities of those approved products as necessary to fulfill the public demands of the Shop. Midas may at any time and from time to time, in its sole discretion, remove its approval for a Supplier to sell a certain approved product(s) to all Midas franchisees, in the sole discretion of Midas.

(c) The prices, delivery terms, terms of payment, and other terms relating to the sale of such approved products shall be as prescribed by the Suppliers from time to time, and shall be subject to change without prior notice at any time.

(d) Upon the giving by Franchisee of notice of termination of this Agreement pursuant to Section 8.1, or upon the giving by Midas of notice of termination pursuant to Section 8.2 (subject to the provisions of paragraph (e) of such Section 8.2), or upon the termination of this Agreement pursuant to Section 8.3 the Suppliers shall not be obligated to fill or ship any orders for merchandise at any time after the termination.

(e) In no event shall Midas be liable to Franchisee for any unavailability, or any delay in shipment or receipt, of products or merchandise due to temporary product shortages or unavailability, order backlogs, production difficulties, delays in or unavailability of transportation, fire, strikes, work stoppages, acts of God including, without limitation, natural disasters such as hurricanes, tornadoes and earthquakes, acts of terrorism, declared acts of war, or any other causes beyond the reasonable control of Midas, or any other causes that effect any orders or shipments placed by Franchisee. Midas shall have the right to receive and accept rebates and/or other forms of compensation or benefits from the Suppliers and other parties from the sale of products to Franchisee and Midas shall have no duty to disclose or account to Franchisee or any other party with respect to any such rebates, other compensation or benefits.

6.3 Maintenance of Inventory. During the Term, Franchisee will only purchase inventory for the Shop directly from Midas, Midas' affiliates, or from Midas' approved suppliers. Accordingly, Franchisee agrees during the Term to maintain inventory or have daily delivery access to inventory from Midas' approved suppliers which is adequate both in terms of range of items covered and in terms of quantities of the respective items, to fulfill the public demand at Franchisee's Shop for such products and to promptly satisfy customers seeking such the approved Midas products at the Shop, including customers' requests for replacement under the terms of the Midas Guarantees. Midas may establish minimum inventory and inventory mix requirements for any items from time to time, and Franchisee must comply with any such policies and procedures. Franchisee must purchase and only use the approved brands of bulk oil and lubricants that Midas specifies from time-to-time and Franchisee may purchase the approved brands of bulk oil and lubricants from any Midas approved supplier.

6.4 Managerial Responsibility. (a) Subject to the provisions of paragraphs (b) and (c) of this Section 6.4, it is agreed that at all times during the Term, _____ ("Designated Owner(s)"): (i) shall devote its full time and effort to the active management and operation of Franchisee's Shop, (ii) shall, irrespective of any delegation of authority not inconsistent with clause (i), reserve and exercise ultimate authority and responsibility with respect to the management and operation of the Shop, and (iii) shall represent and act on behalf of Franchisee in all dealings with Midas. If two or more individuals are named in this paragraph (a), each of them shall fulfill the requirements of clause (i), and both or all of them shall jointly fulfill the requirements of clauses (ii) and (iii).

(b) If Franchisee operates or hereafter commences to operate under license from Midas, one or more additional Midas Shops, and if the Designated Owner(s) is or are also named in the corresponding provision of such other agreement or agreements, then such provisions shall be deemed to apply to all such shops in the aggregate.

(c) In the event of the resignation, disability, or death of such individual or individuals, the provisions of Article Seven shall govern, provided however that if two or more individuals are named as Designated Owners in paragraph (a) of this Section 6.4, then upon the resignation, disability, or death of one or more but less than all of such individuals, the provisions of Article Seven shall not govern and the provisions of this Section 6.4 shall apply to the remaining or surviving individual or individuals.

6.5 Shop Design and Appearance. Franchisee acknowledges that the design and appearance of both the exterior and interior of his Shop building are part of the Midas indicia, subject to modification of such indicia from time to time by Midas, and that it is essential to the integrity of said indicia that as great a degree of uniformity as possible be maintained among the various Midas Shops premises of Midas franchisees. Accordingly, Franchisee agrees to:

(a) Make no change, addition, or alteration of any kind to the structural elements of the Shop building or to the adjacent areas, without the prior written consent of Midas.

(b) Maintain, at Franchisee's sole expense, the interior and exterior painting and decor in such manner and form as is prescribed from time to time by Midas.

(c) Follow the instructions of Midas with respect to floor layout and character of interior furnishings.

(d) Purchase and display, on and about the interior and exterior of the Shop building, such and only such signs, emblems, logos, lettering, and pictorial materials as may be reasonably prescribed by Midas from time to time.

6.6 Shop Maintenance. Franchisee will at all times maintain the Shop premises in a clean, wholesome, attractive, and safe condition, and will keep the Shop in good maintenance and repair.

6.7 Standards of Operation. Franchisee will at all times: (i) give prompt, courteous, and efficient service to the public; (ii) perform all services competently and in a workmanlike manner; and (iii) in all dealings with the public act with the highest standards of honesty, integrity, fair dealing, and ethical conduct. Franchisee will not do anything that could discredit, dishonor, reflect adversely upon, or in any manner injure the reputation of Midas, Franchisee, or any other Midas franchisee.

6.8 Advertising Materials and Website. Franchisee will not use, display, publish, broadcast, or in any manner disseminate any advertising or promotional material unless it has been preapproved in writing by Midas. In the event that Midas furnishes to Franchisee any advertising, promotional or informational materials to be used, displayed, or distributed in or about Franchisee's Shop, Franchisee agrees to follow the instructions of Midas in connection therewith. Franchisee agrees that Midas may display advertising within the Shop to promote the selling of Midas franchises. Midas will maintain a website on the Internet or any comparable electronic network of computers to advertise and promote Midas' franchise system, and services and products marketed by Midas and Midas' franchisees. Midas will permit Franchisee to maintain a standard webpage on Midas' website at Franchisee's sole cost, and Midas may provide Franchisee an enhanced webpage specifically for the Shop. Franchisee agrees not to register any domain name or place an advertisement using domain names that contain the Proprietary Marks without Midas' prior written approval. Any representations and warranties of any kind what so ever, express or implied, regarding Midas' website(s), including representations and warranties as to the operation, functionality, lack of interruption or resources of Midas' website(s), are expressly excluded. Without limiting the foregoing, Midas hereby disclaims any implied warranties of merchantability and fitness for a particular purpose as to Midas' website(s). As to any malfunctioning of Midas' website(s), Midas will not be liable to Franchisee for any consequential, incidental, indirect, economic, special, exemplary or punitive damages, such as, but not limited to, loss of revenue or anticipated profits at the Shop, even if Franchisee advised Midas that such damages are possible as a result of any breach of warranty or malfunction.

6.9 Indemnification and Insurance. Franchisee and Franchisee Guarantor shall be responsible for all loss or damage arising out of or relating to the operation of the Shop or arising out of the acts or omissions of Franchisee or any of Franchisee's agents, servants, or contractors in connection with the sale

of products or rendering of services by Franchisee or Franchisee's employees and agents, the failure to observe any laws in the operation of the Shop including any environmental, labor, or employment laws, and for all claims for damage to property or for injury or death of any persons directly or indirectly resulting therefrom, and Franchisee agrees to indemnify and hold Midas and Midas' affiliates, subsidiaries, parents, successors and assigns, shareholders, officers, directors, employees and agents harmless against and from any and all such claims, damages, and expenses. As used in this Section 6.9, the word "expenses" includes all losses, compensatory, exemplary or punitive damages, fines, charges, costs, lost profits, attorneys' fees, accountants' fees, expert witness fees, expenses, court costs, settlement amounts, judgments, compensation for damages to reputation or goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing the same, and costs of recall, refunds, credits, compensation and public notices. Franchisee shall obtain and at all times during the Term maintain in force and pay the premiums for general liability/garage liability, garage keepers liability, workers compensation, employer's liability, auto liability, and property insurance for the Midas Shop, with insurance companies acceptable to Midas, with coverage and limits of liability as described in Midas' manuals, from time to time. Franchisee acknowledges and agrees that Midas may increase, modify, or require additional types of insurance coverage or limits of liability during the Term and Franchisee will obtain such insurance when Midas reasonably requests, at Franchisee's sole cost. All insurance policies shall provide coverage on an "occurrence" rather than a "claims made" basis. Additional limits of liability are required if Franchisee operates more than one Shop. Said policies of insurance shall expressly protect both Franchisee and Midas and shall require the insurer to defend both Franchisee and Midas in any such action. Franchisee shall furnish to Midas a certified copy or certificate with respect to each such policy, evidencing coverage as set forth above, naming Midas as an additional insured, stating that coverage applies to "all operations during the policy period" and providing that such policy shall not be canceled, amended, or modified except upon 30 days prior written notice to Midas. The additional insured endorsement must provide coverage at least as broad as the ISO CG2010 1001 together with the CG2037 1001. The coverage afforded Midas as an additional insured must provide that such insurance shall be primary to any liability insurance carried by Midas. Maintenance of the insurance required under this Section 6.9 shall not relieve Franchisee of the obligations of indemnification contained in the first sentence of this Section 6.9. If Franchisee fails to procure or maintain in force any insurance as required by this Section 6.9 or to furnish the certified copies or certificates thereof required hereunder, Midas may, in addition to all other remedies it may have, procure such insurance and/or certified copies or certificates, and Franchisee shall promptly reimburse Midas for all premiums and other costs incurred in connection therewith.

6.10 Financial Information. In addition to the reports required of Franchisee pursuant to Sections 4.2(a) and 4.2(c) above. Franchisee shall submit to Midas, within ninety days after the end of each fiscal year of Franchisee, complete financial statements in form prescribed by Midas, including balance sheet, profit and loss statement, and statement of source and disposition of funds. In addition, Franchisee and Franchisee's Guarantor shall submit to Midas such other reports and financial information as Midas may from time to time require, including by way of example and not limitation, sales and cost data and analyses, data on jobs performed under the Midas Guarantee, and personal financial statements of any persons having a material financial interest in the Shop. If any report actually submitted willfully and materially understates Net Revenue, then Midas may, in addition to its other rights under this Agreement including termination, require Franchisee to have its annual financial statement audited by a certified public accountant and submitted to Midas, beginning for the fiscal year in which the request is made, and for each subsequent year thereafter until Midas, determines that Franchisee's books and records clearly and accurately reflect the business of the Shop.

6.11 Payment of Bills. Franchisee will pay all indebtedness to Midas and Midas' affiliates, as reflected by invoices and customer statements rendered by Midas, in strict accordance with the payment and credit terms applicable thereto from time to time. Franchisee agrees to sign and deliver to Midas the forms required from time-to-time (including, without limitation, the Authorization for Automated

Clearing House Debits form) to authorize Midas and its parent companies, subsidiaries, and affiliates to debit Franchisee's checking account automatically for fees and other amounts due under this Agreement and other agreements with Midas and/or Midas' parent companies, subsidiaries, and affiliates (the "Authorization for Automated Clearing House Debits" or "ACH"). Midas may at its option withdraw via ACH these amounts on their due dates. Franchisee agrees to ensure that funds are available to cover all ACH withdrawals. If there are insufficient funds to cover any such amount owed, Midas will charge Franchisee the then-current insufficient funds fee to compensate Midas for the additional administrative expense. Any amounts not paid when due, shall bear interest at the Interest Rate, beginning ten (10) days after the date such amount was or would have been due until paid, except that if the amount is not paid within thirty (30) days after the due date, it shall bear the said interest from the due date. The payment of such interest shall not be deemed to authorize any delay in payment of such invoices, statements or other amounts. Franchisee will further pay when due all bills and other amounts owed to third parties, but Midas shall not by virtue hereof become liable to any such third party. The Interest Rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to this Agreement. The payment of such interest shall not be deemed to authorize any delay in payment of any amounts owed hereunder. In addition, the payment of such interest shall be without prejudice to any rights Midas maintains to terminate this Agreement on account of such defaults by Franchisee, in accordance with the terms of Article Eight below. Franchisee acknowledges and agrees that Midas may modify the periods in which fees are due and/or calculated and the acceptable payment methods thereof and agrees to comply with any modifications or directives related to the fees payable under this Agreement as may be given by Midas from time-to-time.

6.12 Compliance With Laws. Franchisee shall comply with all federal, state, county, municipal or other statutes, laws, ordinances, regulations, rules, or orders of any governmental or quasi-governmental entity, body, agency, commission, board, or official applicable to the Shop. Midas has no obligation to advise Franchisee of any legislative or other legal developments that may affect its Shop. Franchisee is solely responsible for inquiring about and becoming familiar with all applicable statutes, laws, ordinances, regulations, rules, or orders and determining those actions required for compliance. Any information Midas provides to Franchisee regarding applicable statutes, laws, ordinances, regulations, rules, or orders does not relieve Franchisee of its responsibility to consult with its own legal advisor and otherwise take appropriate action to inquire about and comply with applicable statutes, laws, ordinances, regulations, rules, and orders. Nothing herein shall prevent Franchisee from engaging in a bona fide contest of the validity or applicability thereof in any manner permitted by law.

6.13 Employment Relations. Franchisee is solely responsible for recruiting, hiring, firing, and supervising employees to operate the Shop. The employees of the Shop will be employees of Franchisee. They are not employees or agents of Midas and Midas is not the joint employer of those persons. Franchisee will have sole authority and control over the day-to-day operations of the Midas Shop and its employees and agents. Midas will have no right or obligation to direct Franchisee's employees and agents or to operate the Midas Shop. It is Franchisee's responsibility to determine compensation of employees and agents, terms of employment, safety regulations, work assignments, work schedules, and working conditions. Any information regarding any of those issues provided to Franchisee by Midas are mere suggestions and Franchisee shall have the sole discretion to utilize such information or not. Franchisee is solely responsible for implementing training and other programs for its employees related to the legal, safe, and proper performance of their work, regardless of the fact that Midas may provide advice, suggestions, and certain training programs as described in this Agreement. Any such advice, suggestions, and training offered by Midas are provided to protect Midas' brand and the Proprietary Marks and not to control the day-to-day operation of Franchisee's Midas Shop.

6.14 Franchisee Not Agent of Midas. This Agreement does not in any way create the relationship of principal and agent between Midas and Franchisee, and in no circumstances shall Franchisee be considered an agent of Midas. Franchisee shall not act or attempt to act, or represent himself, directly, or

by implication, as an agent of Midas or in any manner assume or create or attempt to assume or create any obligation on behalf of or in the name of Midas, nor shall Franchisee act or represent himself as an affiliate of any other authorized Midas franchisee.

6.15 Compliance with Policies, Regulations, and Procedures. Franchisee shall at all times comply with and implement, at Franchisee's sole cost, all policies, regulations, and procedures promulgated or prescribed and changed from time to time by Midas in connection with the operation of the Shop, including but not limited to standards, techniques, and procedures in the installation or servicing of products or the rendering of other services, products sold, advertising, and promotional techniques, programs, customer service programs, and procedures, maintenance and appearance of the Shop and the Shop's premises, policies and procedures relating to warranties or guarantees, payment, credit, and accounting, and financial reporting policies and procedures.

6.16 Right To Inspect Shop. Midas, through its authorized representatives, shall have the right at all reasonable times, to visit Franchisee's Shop for the purpose of inspecting the merchandise and equipment on hand, inspecting the nature and quality of goods sold and services rendered, examining and auditing Franchisee's books and records, and observing the manner and method of operating the Shop. If any of Franchisee's books, records, or inventory is located outside the Shop premises, Midas shall have similar rights with regard to the outside Shop premises.

6.17 Data Sharing and Computer System. (a) In addition to the reports required of Franchisee pursuant to Section 4.2, and without limiting the generality of Section 6.10, Franchisee agrees to electronically transmit to Midas, on a daily basis (or such lesser frequency as may be agreed to by Midas) using such electronic means as determined by Midas from time to time, Shop-level sales data by part number/labor operation and by customer (hereinafter referred to collectively as the "Data").

(b) (i) Franchisee shall be permitted to use the Data only for purposes of operating the Shop or any other Midas Shop(s) owned by Franchisee. Franchisee shall not use the Data in any manner that is inconsistent with, or in violation of, any other provision of this Agreement. For so long as this Agreement remains in effect, Franchisee shall refrain from selling, renting, disclosing, releasing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or by electronic or other means, the Data to another business or a third party for monetary or other valuable consideration (other than for purposes of increasing business and improving operations at the Shop or in connection with a Transfer in accordance with Article Seven), unless otherwise agreed to in writing by Midas.

(ii) Midas shall be permitted to use the Data as Midas deems appropriate without obtaining any further written consent of Franchisee. Midas will not identify Franchisee as the source of the Data, unless Franchisee's Shop is being sold and in which case Midas may disclose the Data to a prospective purchaser of the Shop with Franchisee's identification disclosed or if required to enforce any provision of this Agreement. In addition, Franchisee hereby expressly provides Midas permission to disclose any such information to potential purchasers (and their employees, agents and representatives) of Midas or Midas' parents, subsidiaries, affiliates in connection with the sale or transfer of any of Midas' or Midas' parents, subsidiaries, or affiliates' equity interests or assets or any merger, reorganization or similar restructuring of the Midas business. Midas shall be entitled to share Data Compilations (as defined below) containing Shop-specific Data with any third party without Franchisee's consent. All Data transmitted by Franchisee to Midas pursuant to this Section 6.17 shall be jointly owned by Midas and Franchisee, with no duty on the part of either party to account to the other with respect to its use and exploitation of the same. In the event of any termination or expiration of this Agreement (other than by Midas pursuant to Section 8.2), both Midas and Franchisee shall continue to have an undivided ownership interest in the Data. However, in such event, the restrictions on use contained in Subsection 6.17(b) shall no longer apply. Notwithstanding anything contained herein to the contrary, Franchisee acknowledges

and agrees that Midas shall be the sole and exclusive owner of any and all summaries and compilations (i.e., non-Shop-specific data) generated or created by or for Midas from the Data (hereinafter referred to collectively as "Data Compilations"). However, Midas agrees to make available to Franchisee, as and when reasonably requested, comparative market-level Data Compilations which specifically relate to the Shop.

(c) Nothing in this Agreement shall operate as an authorization by either party in favor of the other party to breach any applicable privacy laws or regulations or act as an agreement to do so.

(d) Franchisee hereby agrees to use in operating the Shop, the computer hardware, software and related service and support ("Computer System") that Midas specifies from time to time in the Manual. Midas may require Franchisee to obtain the Computer System from Midas or its designated supplier. Midas may modify specifications for and components of the Computer System from time to time. Midas' modification of specifications for the Computer System and/or other technological developments or events might require Franchisee to purchase, lease, and/or license new or modified computer hardware and/or software and to obtain additional or substitute service and support for the Computer System. Franchisee agrees to sign any software license agreement, maintenance and support agreement, or similar document that Midas or its designated supplier prescribes. Midas or its designated supplier may charge Franchisee an upfront software license fee and a monthly or other fee for any software or technology that Midas or its designated supplier licenses or sublicenses to Franchisee and for other maintenance and support services that Midas or its designated supplier provides to Franchisee during the term of this Agreement. Franchisee agrees and acknowledges that Midas' main communication channel with Franchisee shall be through the Computer System and electronic mail. Franchisee agrees that it and its Designated Owner(s) shall attentively read and respond to all electronic mail from Midas. Franchisee understands that certain standards and specifications of the Midas System, other policy changes and other material information as to the operation of the Shop will be sent via electronic mail and Franchisee will take all steps necessary to implement any and all such standards or policy changes upon receipt of any electronic mail from Midas.

6.18 Initial Construction and Opening Schedule.

(a) If a location for the Shop has not been agreed to at the time of the parties' execution of this Agreement, Franchisee shall conduct a diligent and continuous search for a location for the Shop upon execution of this Agreement. Within eighteen (18) months after the execution of this Agreement (the "Site Selection Period"), Franchisee must select and present a site and all information and materials relating thereto for Midas's approval. This information may include, without limitation, a completed site evaluation questionnaire, a description of the proposed site, such other information as Midas may require, and a letter of intent or other evidence satisfactory to Midas which confirms Franchisee's ability to obtain the proposed site. Midas shall have thirty (30) days after receipt of such information and materials from Franchisee to approve or disapprove, in Midas's sole and absolute discretion, the site as a location for the Shop (if approved by Midas, the "Approved Location"). The proposed site shall be deemed disapproved by Midas if not approved by written notice sent to Franchisee within such thirty (30) day period. Concurrently with Midas's approval of the Approved Location or Midas approval of a Transfer of a currently open and operating Approved Location, Franchisee shall execute the Site Selection Addendum attached hereto as Schedule B. If the parties fail to execute Schedule B and begin operating a Shop pursuant to this Agreement, then the parties hereby agree that the missing address on Section 1.1(a) of this Agreement shall automatically be that address upon which the parties are operating under for this Agreement and failure to fill in Section 1.1(a) shall not be a waiver of any of Midas' rights hereto. Concurrently with Franchisee's execution of a lease for, or acquiring ownership of, the Approved Location, Franchisee and Midas shall execute the appropriate Real Estate Documents, as described in Section 6.20. APPROVAL OF ANY LOCATION BY MIDAS SHALL IN NO WAY BE DEEMED A REPRESENTATION, WARRANTY, PROMISE, COMMITMENT OR GUARANTY BY MIDAS

REGARDING THE LIKELIHOOD OF FINANCIAL SUCCESS OF THE SHOP AT SUCH LOCATION.

(b) Franchisee shall, at its own expense, employ a qualified licensed general contractor acceptable to Midas to construct the Shop and to complete all improvements in accordance with approved plans. Franchisee shall, at its own expense, employ a qualified architect, engineer or other licensed and professionally qualified individual to modify such plans to conform to local legal requirements and specifications. Written approval shall be obtained from Midas for any modifications or deviations from the approved plans.

(c) Franchisee shall complete construction (including all exterior and interior carpentry, electrical, painting and finishing work, and installation of all furniture, fixtures, equipment, and signs) in accordance with the approved final plans, at Franchisee's expense, within twelve (12) months after final site approval by Midas, or sooner if required by Franchisee's lease (the "Construction Period"). This shall not include time lost due to an "Unforeseen Delay," which shall mean delays in or unavailability of transportation, fire, strikes, work stoppages, acts of God including, without limitation, natural disasters such as hurricanes, tornadoes and earthquakes, acts of terrorism, declared acts of war, or any other causes beyond the reasonable control of and not reasonably anticipated by Franchisee.

(d) Franchisee shall not open the Shop for business to the general public and commence operations until at least 48 hours have passed from its completion of Midas's initial training program and Midas has granted authorization to open. Franchisee must open the Shop within 30 days after Midas has granted authorization to open. If Franchisee is delayed from opening, Franchisee must immediately provide Midas with a written request to delay the opening. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that Franchisee is making to proceed with the opening; and (4) an anticipated opening date. In considering the request, Midas will not unreasonably withhold its consent to a delay if Franchisee has been diligently pursuing the opening.

(e) If Franchisee has not presented a proposed site for the Shop within the Site Selection Period, Franchisee does not obtain Midas' approval of a proposed site for the Shop within thirty (30) days of the end of the Site Selection Period, Franchisee fails to complete construction of the Shop within the Construction Period, or Franchisee fails to open the Shop within 30 days after Midas has granted its authorization to open the Shop, Midas shall have the right to terminate this Agreement pursuant to Section 8.2 below.

6.19 Grand Opening Campaign. If applicable, Franchisee shall conduct a grand opening marketing campaign in conjunction with, and in order to promote, the opening of the Shop, re-opening of the Shop (if the Shop was closed a minimum of 120 days) or conversion of the Shop from a non-Midas business to a Midas Shop ("Grand Opening Campaign"). In connection therewith, Franchisee shall sign the then-current form of Marketing Funds Agreement (which is hereby incorporated by reference) upon signing this Agreement.

6.20 Real Estate Documents. Franchisee shall execute Midas's then current Real Estate Documents (as hereinafter defined). "Real Estate Documents" shall be defined as, and consist of, the following: (a) if Midas or an affiliate or subsidiary of Midas (the "Midas Related Company") owns, or holds the head lease on, the Shop's premises, Franchisee shall lease or sublease, as applicable, the Shop's premises from Midas or such Midas Related Company pursuant to the then current form of such document used by Midas or the Midas Related Company; (b) if Franchisee or any owner or immediate family member of Franchisee, in whole or in part (directly or indirectly) owns the Shop's premises or an interest in any entity that owns the Shop's premises (including an entity such as a trust of which Franchisee is a beneficiary), Franchisee (the owner of the real estate) shall enter into an Option and Shop Lease with a Midas Related Company, pursuant to the then current form of such document used by Midas or the Midas

Related Company, which would give the Midas Related Company the right to lease the Shop's premises in the event that this Agreement is terminated or expires (if the Midas Related Company chooses to exercise such option); (c) if Franchisee leases the Shop's premises from a third party that is not owned by Franchisee or an owner of Franchisee in whole or in part, Franchisee shall enter into a Conditional Assignment of Lease with a Midas Related Company, pursuant to the then current form of such document used by Midas or the Midas Related Company, which would take effect upon any termination or expiration of this Agreement, any default by Franchisee under the lease, or any failure by Franchisee to exercise a renewal option under the lease and would give the Midas Related Company the right to accept an assignment of Franchisee's lease (if the Midas Related Company so chooses); and (d) any additional documentation required by the Midas Related Company to put the other Real Estate Documents of record and to make such Real Estate Documents binding on any mortgagee or other lien holder. If Franchisee fails to execute the applicable Real Estate Documents upon the earlier of: (i) signing the Site Selection Addendum found in Schedule B; (ii) signing all agreements for a Transfer; (iii) the day prior to the opening or re-opening the Shop for business or (iv) the sixteenth (16th) day after written demand from Midas or the Midas Related Company (which shall not be demanded prior to the Shop location being approved by Midas), then Midas shall have the right to terminate this Agreement pursuant to Section 8.2 below.

6.21 Pricing. Unless prohibited by applicable law, Midas may periodically set a maximum or minimum price that Franchisee may advertise and charge for products and services offered by its Shop. If Midas establishes a maximum price for any products or services, Franchisee shall not offer or sell those products or services at any greater price. If Midas establishes a minimum price for any products or services, Franchisee shall not offer or sell those products or services at any lesser price. If Midas does not establish pricing limits, it may establish suggested prices. Franchisee must abide by Midas' advertising policies related to advertising prices.

6.22 Contact Information Disclosure and Communications. Franchisee expressly authorizes Midas and its Suppliers to contact Franchisee by e-mail, telephone, mail, or any other means related to any aspect of the Shop, authorized products and services, this Agreement, or the Midas System, for so long as this Agreement remains in effect. Franchisee expressly authorizes Midas to disclose Franchisee's contact information to Midas' Suppliers to enable such Suppliers to contact Franchisee. Franchisee acknowledges that these communications are necessary to facilitate and keep Franchisee updated regarding the ongoing relationship.

Article Seven: Transferability

7.1 General. Except as set forth in sections 7.2 through 7.10, inclusive, and subject to all the terms and provisions thereof and of Section 7.11, Franchisee shall not make or suffer any transfer of this Agreement or of any rights or interest herein. For all purposes of this Agreement, each of the following shall be deemed to be a "Transfer" of this Agreement:

(a) Any sale, assignment, transfer, subfranchise, or sublicense by Franchisee of or with respect to this Agreement or any rights or interest herein.

(b) Any pledge, encumbrance, or grant of any security interest herein by Franchisee.

(c) Sale at judicial sale or under power of sale, conveyance or retention of collateral in satisfaction of debt, or other procedure to enforce the terms of any pledge, encumbrance, or security interest in this Agreement which results in disposition of Franchisee's interest herein.

(d) The passing by operation of law to any other party or parties of Franchisee's interest in this Agreement or any part thereof.

(e) In the event Franchisee is a corporation, partnership, or other form of business association, any act, transaction, or event of a nature described in paragraphs (a), (b), (c), or (d) above which, instead of operating upon this Agreement as such, operates upon or affects any interest in such corporation, partnership, or association, or any other corporation, partnership, or association holding a direct or indirect ownership in such Franchisee entity, and results in any change in the present direct or indirect controlling interest in the Franchisee entity, whether by means of one or a sequence of more than one transaction or event. If Franchisee herein is two or more individuals, Franchisee shall be deemed to be a partnership for all purposes of this Article Seven, irrespective of whether or not such individuals are designated herein as a partnership.

(f) In the event the Designated Owner(s) cease to comply with any one or more of the provisions of that Section, whether by reason of voluntary action or inaction, disability, death, or other cause, subject however, to the proviso of paragraph (c) of Section 6.4.

Any Transfer, other than in accordance with and subject to all the terms and provisions of Sections 7.2 through 7.11 inclusive, shall constitute a breach of this Agreement, shall be subject to the provisions of Section 8.2(d)(iv), and shall confer no rights or interest whatever under this Agreement upon any other party.

7.2 Transfer To Controlled Corporation. If Franchisee is an individual or a partnership, Franchisee may at any time Transfer this Agreement to a corporation organized and operated for the sole purpose of conducting the business for which Franchisee is franchised and licensed hereunder, subject to the following conditions:

(a) Franchisee shall be and remain the owner of one hundred percent (100%) of the issued and outstanding capital stock of said corporation, provided that Franchisee may cause stock possessing not more than forty-nine percent (49%) of the total voting power in said corporation to be issued to an immediate family member. An immediate family member is defined as a spouse, child, sibling, or parent, or a trust or similar entity created for the benefit of any of the foregoing persons.

(b) The Designated Owner(s) shall continue to comply with all the requirements of that Section.

(c) Such assignment and transfer shall be evidenced by a written instrument, in form satisfactory to Midas, in which said corporation expressly assumes all obligations of Franchisee hereunder, whether accrued at the time of such assignment or arising thereafter, and agrees to be bound by all the terms and provisions of this Agreement to the same extent and in the same manner as Franchisee. A copy of said instrument, executed by both Franchisee and said corporation, shall be promptly delivered to Midas.

(d) Franchisee shall execute and deliver to Midas its then standard forms of personal guaranty of such corporation's debts to Midas and of subordination agreement. Further, Franchisee shall not be released from but shall remain personally bound and liable to Midas, notwithstanding said assignment and transfer, with respect to all non-monetary obligations of Franchisee under this Agreement then accrued or thereafter arising, and to evidence such obligations shall execute the personal undertaking set forth at the end of this Agreement, following the signatures of Midas and Franchisee. Any individual who becomes an owner in Franchisee must (if they have not already) sign a personal guaranty.

7.3 Sale of Business. In the event it is proposed to sell the business operated pursuant to this Agreement, whether by sale of assets thereof, by sale of a controlling interest in Franchisee if Franchisee is a corporation, partnership, or other form of business association, or by any other means which directly or indirectly transfers said business or control thereof, there shall first be submitted to Midas a copy of any bona fide written offer made or received, or if none, a statement in writing of all the terms of the

proposed sale and the identity of any proposed purchaser. Midas shall have the irrevocable first right and option to purchase the business on the same terms as stated therein, exercisable by notifying Franchisee in writing of its election to do so within 14 days after its receipt of such written offer or statement. If Midas does not so notify Franchisee within said 14-day period, then a sale of the business to a third party may be consummated, but only on all the same terms as are set forth in said written offer or statement and to the same party, if any, identified therein, and subject to all the provisions, conditions, and limitations of Sections 7.1 and 7.4. If such a sale is not consummated with the third party within 120 days after receipt by Midas of such written offer or statement, then the proposed sale shall be deemed withdrawn, and all the provisions of this Section 7.3 shall again become fully applicable, as if no such sale had been proposed. Nothing contained in this Section 7.3 shall abrogate, impair, or limit the application of any of the provisions of Section 7.1 or 7.4.

7.4 Consent of Midas to Voluntary Assignment. In the event Franchisee desires or proposes to voluntarily sell, assign, or transfer this Agreement to any party other than a corporation described in Section 7.2, or if Franchisee is a corporation, partnership, or other form of business association, then in the event Franchisee and/or the holder or holders of any interest in such corporation, partnership, or association desire or propose to take any action which would constitute or create a Transfer within the meaning of Section 7.1, Franchisee or the holders of such interest, as the case may be, shall first notify Midas in writing of such proposed sale, assignment, transfer, or other action, setting forth in detail the nature of the item or interest to be sold, assigned, transferred, or otherwise acted upon, the name and address of the proposed purchaser, assignee, or transferee, or party acquiring any interest, and the consideration, if any, therefor. Subject to prior compliance with the provisions of Section 7.3, Midas shall consent to the proposed transaction provided that each of the following conditions is fulfilled:

(a) It shall be demonstrated to the satisfaction of Midas that the proposed purchaser, assignee, transferee, or person otherwise to acquire an interest, is of good moral character, and possesses the business experience and capability, credit standing, health, and financial resources necessary to successfully operate the Shop in accordance with the terms of this Agreement. If the proposed purchaser, assignee, or transferee is a corporation, partnership, or other business association, the provisions of the preceding sentence shall apply to the individuals who are to own such corporation, partnership, or association. Franchisee shall cooperate with Midas in making available such information as Midas may require to make the above-described determinations.

(b) The proposed transferee shall submit an application and pay any application deposits or fees then required by Midas. The person(s) who is to be substituted as Designated Owner(s) shall have been approved by Midas and shall have successfully completed the training course then in effect for Midas franchisees. Upon consummation of the transaction, this Agreement shall be deemed amended to insert the name of such person(s) as the Designated Owner(s).

(c) Franchisee shall not be in default under any provision of this Agreement, and shall pay in full all amounts owed to Midas at or prior to the closing of the transaction.

(d) Any sale, assignment or transfer of this Agreement as such to be made by Franchisee shall be evidenced by a written consent to transfer agreement (“Consent to Transfer”), in form satisfactory to Midas. The transferee (including any person with a beneficial interest in the transferee if it is a legal entity) executes Midas’ then-current standard franchise agreement for a Term equal to the remaining portion of the Term on the transferor’s franchise agreement and signs all related agreements (including any guaranty agreements). The then-current franchise agreement may contain terms substantially different from those in this Agreement, including different fees, Term and termination rights (all then-current fees, except as stated herein must be paid by transferee). If the purchaser, assignee or transferee is a corporation, limited partnership, or other entity any of the owners of which enjoy limited liability by law, the individual or individuals who own interests therein shall execute and deliver to Midas its then

standard forms of personal guaranty and subordination agreement and shall further execute the personal undertaking set forth at the end of this Agreement following the signatures of Midas and Franchisee. If Franchisee executes this Agreement to purchase a currently existing Midas Shop prior to the actual closing, then upon closing or no later than sixteen (16) calendar days after requested by Midas, Franchisee will sign the Schedule B provided herein, the Consent to Transfer, the Real Estate Documents as provided in Section 6.20 and any other related agreements required to be signed for the Transfer.

(e) In the case of any party or parties who are to acquire an interest in Franchisee, the individual or individuals who are to acquire, directly or indirectly, the controlling interest in Franchisee shall have executed and delivered to Midas its then standard forms of personal guaranty and subordination agreement, and shall further execute the personal undertaking set forth at the end of this Agreement following the signatures of Midas and Franchisee.

(f) Franchisee and each of its stockholders, directors, and officers shall have executed and delivered to Midas a general release of any and all claims and causes of action against Midas, its affiliated corporations, and their respective officers, agents, and employees.

(g) The transferee and its general manager, if any, have agreed to successfully complete (at the transferee's expense and to Midas' satisfaction) any then-current initial training programs.

(h) That Franchisee shall have paid Midas a transfer fee equal to the greater of (i) \$5,000 or (ii) fifteen percent (15%) of the standard initial franchise fee Midas charges new franchisees (i.e., franchisees who own no other Midas Shops) at the time of the closing of the proposed transaction. However, if Franchisee transfers more than one Midas Shop at the same time in a simultaneous closing, then the transfer fee for each Midas Shop after the first Midas Shop transferred shall be capped at \$1,250 per Midas Shop. If the Shop is sold following the refusal of Midas to extend the franchise relationship as provided for in Section 9.6, no transfer fee shall be due Midas. If upon a Transfer, the transferee or transferee's bank requests a longer Term than the remaining portion of the Term on the transferor's franchise agreement, Midas will provide to transferee a Term equal to the full then-current Term under the then-current franchise agreement (currently, 20 years); so long as transferee pays to Midas upon signing the consent to transfer agreement a prorated portion of the 9.6 Renewal Fee (defined in Section 9.6) corresponding to the remaining portion of the Term on the transferor's franchise agreement (e.g. if the 9.6 Renewal Fee is \$5,000 and 10 years remain on Term of transferor's franchise agreement, then transferee shall pay to Midas \$2,500 representing adding 10 years for a full 20 year Term). The payment of this prorated portion of the 9.6 Renewal Fee is in addition to the payment of the transfer fee.

7.5 Consent of Midas To Pledge. In the event Franchisee desires or proposes to pledge, encumber, or grant any security interest in this Agreement, or, if Franchisee is a corporation, partnership, or other form of business association, then in the event the holder of any interest in such corporation, partnership, or association desires or proposes to pledge, encumber, or grant any security interest therein under circumstances which would constitute or create a Transfer within the meaning of Section 7.1, Franchisee or the holder of such interest, as the case may be, shall first notify Midas in writing of such proposed transaction. Midas shall not unreasonably withhold its consent to such transaction, subject, however, to the following conditions:

(a) Any consent so granted shall not be deemed a consent to such pledgee, encumbrancer, or secured party exercising any rights or prerogatives of Franchisee under this Agreement, nor to its exercise of any rights or prerogatives of a holder of an ownership interest in Franchisee.

(b) Any consent so granted shall not be deemed a consent to any subsequent disposition described in Section 7.1(c) or so much of Section 7.1(e) as refers to Section 7.1(c). Any such subsequent

disposition shall be deemed a Transfer within the meaning of Section 7.1, and shall be subject to the provisions of Section 7.6.

(c) The pledgee, encumbrancer, or secured party shall have executed and delivered to Midas an instrument in writing agreeing to be bound by the provisions of this Article Seven.

7.6 Consent of Midas To Disposition To or By Secured Party. In the event any party proposes to acquire the interest of Franchisee in this Agreement, if Franchisee is an individual, in a transaction described in Section 7.1(c), or any such party proposes to acquire the interest of any party or parties having an interest in Franchisee, if Franchisee is a corporation, partnership, or other business association, in a transaction described in Section 7.1(e) of a type described in Section 7.1(c), the party proposing to acquire such interest shall notify Midas thereof in writing. Subject to prior compliance with the provisions of Section 7.3, Midas shall consent to the proposed transaction, provided that each of the following conditions is fulfilled:

(a) It shall be demonstrated to the satisfaction of Midas that such party is of good moral character, and possesses the business experience and capability, credit standing, health, and financial resources necessary to successfully operate Franchisee's Shop in accordance with the terms of this Agreement. If such party is a corporation, partnership, or other business association, other than a corporation whose stock is publicly traded, the provisions of the preceding sentence shall apply to the individuals who own the same.

(b) The person(s) who is to be substituted as Designated Owner(s) shall have been approved by Midas and shall have successfully completed the training course then in effect for Midas franchisees. Upon consummation of the transaction, this Agreement shall be deemed amended to insert the name of such person(s) as Designated Owner(s).

(c) There shall be no existing default in any of the obligations of Franchisee under this Agreement, and all amounts owed to Midas shall be paid in full at or prior to the consummation of such transaction.

(d) Such party shall have submitted to Midas satisfactory evidence that they have acquired and have become entitled to all rights of Franchisee hereunder, or to all rights in Franchisee belonging to the party or parties whose interests have been acquired as the case may be. If the interest of Franchisee hereunder is to be acquired, the party acquiring such interest shall have executed and delivered to Midas a written instrument, in form reasonably satisfactory to Midas, by which he expressly assumes all obligations of Franchisee hereunder, whether then accrued or thereafter arising, and agrees to be bound by all the terms and provisions of this Agreement to the same extent and in the same manner as Franchisee. In addition, if such acquiring party is a corporation other than a corporation whose stock is publicly traded or is a limited partnership or other entity any of whose owners enjoy limited liability by law, the individual or individuals who own the controlling interest therein shall execute and deliver to Midas its then standard forms of personal guaranty and subordination agreement, and shall further execute the personal undertaking set forth at the end of this Agreement, following the signatures of Franchisee and Midas. If an interest in Franchisee is to be acquired, the individual or individuals who are to acquire, directly, or indirectly, the controlling interest in Franchisee shall have executed and delivered to Midas said forms of guaranty and subordination agreement and shall have executed the said personal undertaking set forth at the end of this Agreement.

7.7 Death. In the event of the death of Franchisee, if Franchisee is an individual, or, if Franchisee is a corporation, partnership, or other form of business association, then in the event of the death of any party or parties owning an interest in Franchisee, which death results in a Transfer within the meaning of Section 7.1, Midas shall consent to a Transfer to the executor, administrator, or other personal

representative of the deceased, and subsequently to the person or persons entitled to distribution from the deceased's estate, (or directly to the latter persons if no probate proceedings are instituted with respect to the estate), provided that each of the following conditions is fulfilled with respect to each such Transfer:

(a) It shall be demonstrated to the satisfaction of Midas that such executor, administrator, personal representative, or distributee is of good moral character, and possesses the business experience and capability, credit standing, health, and financial resources necessary to successfully operate Franchisee's Shop in accordance with the terms of this Agreement. Such executor, administrator, personal representative, or distributee shall cooperate with Midas in making available such information as Midas may require to make the above-described determinations.

(b) The person who is to be substituted as Designated Owner shall have been approved by Midas and shall have successfully completed the training course then in effect for Midas franchisees. Upon such approval and completion, this Agreement shall be deemed amended to insert the name of such person as Designated Owner.

(c) There shall not be an existing default in any of the obligations of Franchisee hereunder, and all amounts owed to Midas as of the date of death shall be paid in full.

(d) Such executor, administrator, personal representative, or distributee shall have submitted to Midas satisfactory evidence that he has succeeded or otherwise become entitled to all rights of Franchisee hereunder, or to all rights of the deceased in Franchisee, as the case may be. If the deceased was the Franchisee, such executor, administrator, personal representative, or distributee shall have executed and delivered to Midas a written instrument, in form satisfactory to Midas, by which he expressly assumes all obligations of Franchisee hereunder, whether accrued at the date of Franchisee's death or arising thereafter, and agrees to be bound by all the terms and provisions of this Agreement to the same extent and in the same manner as Franchisee. If the deceased was the owner of an interest in Franchisee, such executor, administrator, personal representative, or distributee shall execute and deliver to Midas its then standard forms of personal guaranty and subordination agreement (limited, in the case of an executor, administrator, or personal representative to his representative capacity), and shall execute the personal undertaking (similarly limited to such representative capacity) set forth at the end of this Agreement, following the signatures of Midas and Franchisee.

Any consent by Midas to a Transfer to the executor, administrator, or personal representative of the deceased shall not constitute a consent to any subsequent Transfer thereof from such executor, administrator, or personal representative of the estate. Any consent by Midas to such subsequent Transfer shall be subject to fulfillment, with respect to said subsequent Transfer separately and specifically, of all the conditions stated in this Section 7.7.

7.8 Consent to Transfer of Managerial Responsibility. In the event the person designated as Designated Owner ceases to comply with any one or more of the provisions thereof, whether by reason of voluntary action or inaction, disability, death, or other cause, (or, if two or more persons are designated as Designated Owners, then in the event all of them cease to comply as aforesaid), other than in connection with a transaction described in Sections 7.4, 7.6, or 7.7, Midas shall consent to the designation by Franchisee of another person or persons to be substituted therein, and Section 6.4 hereof shall be amended accordingly, but only if Midas in its discretion finds such person or persons acceptable and he or they shall thereafter successfully complete the training course then in effect for Midas franchisees.

7.9 Time Limitation. In the case of any transaction described in Section 7.2, 7.4, 7.5, 7.6, or 7.7, Midas shall not be required to give its consent to such transaction unless each condition precedent to such consent requiring action by Franchisee or any third party has been fulfilled within 90 days from the date of the event giving rise to the requirements of such consent, provided however, if in any case the person

who is to be substituted as Designated Owner has been unable, within said 90-day period, to complete the required training course solely by reason of such course not having been offered by Midas at an earlier date, and if all other conditions to Midas' consent have been fulfilled within said 90-day period, then Midas shall consent to such transaction conditioned upon successful completion of such training course by such person at the earliest practicable date.

7.10 Exclusion. Nothing contained in this Article Seven shall be deemed to refer to any event referred to in paragraph (b), (c), or (d) of Section 8.3.

7.11 Arbitration. In the event that Midas is requested, pursuant to Section 7.4, 7.5, 7.6, 7.7, or 7.8, to grant any consent, subject to the conditions set forth in said sections and in Section 7.9, and if Midas fails or refuses to grant such consent, then upon written demand made by Franchisee upon Midas at any time within 10 days after Franchisee's receipt of written refusal by Midas to grant such consent, or if no such written refusal is sent by Midas, then at any time within 10 days after expiration of the period defined in Section 7.9 within which the conditions to Midas' consent are to be fulfilled or within 10 days after earlier written notice of Franchisee's binding election to waive the balance of such period and to stand upon the circumstances then existing, such dispute shall be submitted to arbitration in accordance with and subject to all the same terms, provisions, and conditions as are set forth in paragraph (e) of Section 8.2 (including all subparagraphs thereof except subparagraphs (v) and (vi), and except that the time within which such arbitration is to be requested shall be as provided in this Section 7.11, and except further that the issues of fact and law referred to in subparagraph (ii) of said paragraph (e) shall be those the determination of which is necessary to determine whether Midas is required, pursuant to and subject to all the conditions of Section 7.4, 7.5, 7.6, 7.7, or 7.8, and of Section 7.9, to grant such consent. If Franchisee fails to serve proper written demand for arbitration as set forth in this Section 7.11 within the time specified herein, Franchisee shall be barred from seeking any relief, whether by way of arbitration or by way of action or defense in any court, with respect to any matter or issue which was subject to arbitration pursuant to this Section 7.11. If Franchisee makes proper and timely written demand for arbitration pursuant to this Section 7.11, then Midas shall grant the required consent promptly upon termination of the proceedings in favor of Franchisee, either by rendition of final decision or award by the arbitrator or by entry of a final and non-appealable order of any court of competent jurisdiction in which lawful review of such decision or award may be sought by Midas or Franchisee. Midas shall not be liable to Franchisee for any damage alleged to have accrued to Franchisee by reason of the fact that such consent shall have been delayed until termination of the proceedings as aforesaid.

7.12 Assignability by Midas. This Agreement may be assigned by Midas or by any hereafter referred-to successor, to any corporation which may succeed to the business of Midas or of such successor by sale of assets, merger, or consolidation, and may also be assigned by Midas or by such successor to the shareholder or shareholders thereof in connection with any distribution of the assets of said corporation. Midas may, as it deems appropriate, without Franchisee's consent, assign this Agreement to its parent companies, subsidiaries, and affiliates.

Article Eight: Default and Termination

8.1 Termination By Franchisee. Franchisee may terminate this Agreement at any time, at the will of Franchisee and without cause, by giving to Midas written notice of such termination no less than thirty days prior to the date of termination.

8.2 Termination By Midas. (a) In the event Franchisee fails to make any payment of money owed to Midas or a company affiliated with Midas when due, or fails to submit to Midas when due any report required by Section 4.2 or 6.10 hereof, and such default is not totally cured within fifteen days after Midas gives written notice of such default to Franchisee, then Midas may terminate this Agreement at any time thereafter by giving written notice of such termination to Franchisee.

(b) In the event Franchisee fails to perform any obligation imposed upon Franchisee by this Agreement, other than those referred to in paragraph (a) or (d) of this Section 8.2, and such default is not totally cured within thirty days after Midas gives written notice of such default to Franchisee, then Midas may terminate this Agreement at any time thereafter by giving written notice of such termination to Franchisee, provided however, that if the default is of such nature that it is not capable of being totally cured with reasonable diligence by Franchisee within said thirty-day period, then this Agreement shall not be terminated by Midas if Franchisee has commenced, immediately upon receipt of such notice, to exercise reasonable diligence to cure such default, Franchisee continues to be diligently engaged in curing same upon the expiration of said thirty-day period, and the curing thereof is completed as soon thereafter as is reasonably practicable.

(c) In the event Franchisee has been given written notice of default by Midas three times within any period of twelve consecutive months pursuant to paragraphs (a) and/or (b) above, and in each of such prior instances Franchisee has cured the default within the time permitted, then in the event Franchisee again fails, within said twelve-month period, to perform any obligation referred to in paragraph (a) or (b), Midas may at any time thereafter terminate this Agreement forthwith, without giving prior notice of such default and without affording Franchisee any period in which to cure such default, by giving written notice of such termination to Franchisee.

(d) Midas may terminate this Agreement forthwith, by giving written notice to Franchisee, on account of any of the following matters:

(i) Any willful and material falsification by Franchisee of any report, statement, or other written data furnished to Midas. Any report submitted pursuant to Section 4.2 shall be conclusively deemed to be materially false if it willfully understates Net Revenue.

(ii) Any willful and repeated deception of customers by Franchisee, relating to the source, nature, or quality of goods or services sold, or relating to the terms or applicability of any of the Midas Guarantees.

(iii) Any willful and repeated refusal to honor any of the Midas Guarantees in accordance with the provisions of Article Five, or any willful and repeated issuance of guarantees other than those permitted and authorized by said Article Five.

(iv) Any attempted or purported Transfer (as defined in Section 7.1) not in compliance with Sections 7.2 through 7.11, provided that if Midas does not elect to exercise its right to terminate this Agreement pursuant to this Section 8.2(d)(iv), such inaction shall not be deemed to constitute a consent to such Transfer nor to confer any rights or interest whatever upon the purported assignee, but this Agreement shall remain binding and in full force and effect as between Midas and Franchisee herein unless and until Midas elects to terminate the same.

(v) The conviction of, or a plea of guilty or no contest to, any crime for which the maximum penalty includes imprisonment for one year or more and/or such conduct in Midas' sole and absolute judgment, that has an adverse effect on the Midas System (to include, without limitation, Midas receiving credible evidence, to Midas' satisfaction, that Franchisee, its owners, any of its Designated Owners, or any other management level employee of Franchisee, has sexually harassed or intimidated any individual, or has intentionally engaged in any racial, ethnic, religious, sexual or other offensive discrimination against any individual or group), the Proprietary Marks, the goodwill associated with the Midas System, or Midas' interest in the Midas System or the Proprietary Marks.

(vi) Franchisee or any individual listed as Designated Owner does not successfully complete the New Franchisee Orientation Training, Operations Training and/or any other training to the reasonable satisfaction of Midas prior to the opening of the Shop or at any time during the Term.

(vii) Franchisee fails to comply with an audit of the Midas Shop pursuant to Section 4.2(d) hereof following the written request of Midas.

(viii) Franchisee ceases to do business at the Shop or otherwise abandons the business franchised hereunder. Without limiting the generality of the foregoing, the Shop will be deemed abandoned by Franchisee if it is not open and operating for business for any seven (7) consecutive days or for fourteen (14) consecutive or non-consecutive days during any thirty (30) consecutive day period (other than pursuant to a force majeure event as described in Section 10.13).

(ix) Franchisee does not present a proposed site for the Shop within the Site Selection Period, Franchisee does not obtain Midas' approval of a proposed site for the Shop within thirty (30) days of the end of the Site Selection Period, Franchisee does not complete construction of the Shop within the Construction Period, or Franchisee does not open the Shop within 30 days after Midas has granted authorization to open.

(x) Franchisee fails to execute the applicable Real Estate Documents as required by Section 6.20.

(xi) Any other franchise agreement, lease, sublease or other agreement that Franchisee or its affiliates has with Midas or its parent companies, subsidiaries, or affiliates is terminated as a result of: failure to pay any sums owing; transfer of any interest in such agreement without prior written consent; or operation of another business using the Proprietary Marks in a manner which creates a threat or danger to public health or safety.

(xii) Franchisee or any of its owners violates the in-term non-competition obligations contained in Section 2.4(b).

(xiii) Franchisee or any of its affiliated parties files or otherwise commences litigation, arbitration, or any other legal action against Midas or any of its affiliated parties that is not in compliance with the dispute resolution terms agreed upon in Section 7.11, 8.2(e), 9.7, and/or 10.12, as applicable, as may be modified by any applicable state rider, and fails to dismiss such action within seven (7) days after notification from Midas.

Any act or omission described in subparagraph (ii) or (iii) above shall be conclusively deemed to be willful and repeated if it occurs after written notice from Midas to cease and desist therefrom, but nothing in this sentence shall be construed to mean that acts or omissions described in either of said subparagraphs may not be considered to be willful and repeated in the absence of such notice from Midas. Any notice of termination given by Midas pursuant to this paragraph (d) shall be fully effective, and this Agreement shall thereby be terminated, notwithstanding that Franchisee may have ceased engaging in, or may not at the time of such notice be engaged in, any of the acts which give rise to such notice, and notwithstanding that Franchisee may have taken steps to counteract the effects of any such acts.

(e) (i) In the event that Midas gives to Franchisee a notice of termination pursuant to paragraph (a), (b), (c), or (d) of this Section 8.2, and Franchisee disputes the right of Midas to terminate this Agreement pursuant to said notice or notices, then upon written demand made by Franchisee upon Midas at any time prior to or within ten days after notice of termination, such dispute shall be submitted to arbitration. Arbitration pursuant to this Section 8.2(e) shall be conducted in accordance with the Emergency Measures of Protection of the American Arbitration Association commercial arbitration rules,

if permitted by the American Arbitration Association, or otherwise in accordance with the expedited procedures of the American Arbitration Association commercial arbitration rules. The terms and conditions for arbitration set forth in Section 10.12 below shall apply to arbitration under this Section 8.2(e) except to the extent different terms are expressly set forth in this Section 8.2(e).

(ii) The arbitrator or arbitrators shall have full power to determine all issues of fact and of law necessary to determine whether Midas has the right to terminate this Agreement pursuant to the notice or notices given, and the determination of the arbitrators thereon shall be final and conclusive upon the parties, subject only to the provisions of the Uniform Arbitration Act as in force in the State of Delaware. Any such determination of an issue of fact or law made by the arbitrators, however, shall be binding upon the parties only with respect to and in connection with the particular arbitration proceeding and the specific final decision or award of the arbitrators made therein, and shall not be binding upon the parties nor shall it be admissible in any other proceeding or for any other purpose, provided that nothing herein shall prevent any party from enforcing the specific decision or award of the arbitrators by any appropriate and lawful means.

(iii) The costs of arbitration (not including attorney's fees) shall be taxed and borne as provided in said Uniform Arbitration Act.

(iv) The arbitrators shall not have the power to determine or decide any issue or matter other than those hereinabove expressly set forth, and shall in no event have any right or power to award or assess damages to or against any party. The arbitrator's right to establish an award described in Section 10.12(b) shall not apply to any arbitration conducted pursuant to this Section 8.2(e).

(v) The serving of any demand for arbitration shall not suspend or otherwise affect the running of any period for curing a default or the effectiveness of any termination of this Agreement, as the case may be. It shall likewise not suspend or affect the requirement for Franchisee to comply with those obligations that apply upon and following termination of this Agreement. If this Agreement is terminated and such arbitration decision or award is in favor of Franchisee, the arbitrator may order that this Agreement be reinstated.

(vi) If Franchisee fails to serve proper written demand for arbitration as set forth in subparagraph (i) above within the time specified in said subparagraph, Franchisee shall be barred from seeking any relief, whether by way of arbitration or by way of action or defense in any court, with respect to any matter or issue which was subject to arbitration in accordance with this paragraph (e).

(f) The right of Midas to terminate this Agreement pursuant to this Section 8.2, whether or not exercised, shall not be exclusive of any other remedies given Midas by this Agreement or by law on account of any default of Franchisee hereunder.

8.3 Automatic Termination. This Agreement shall terminate immediately upon the occurrence of any of the following events, without the necessity of notice of any kind by Midas or Franchisee:

(a) Any termination of Franchisee's right to possession of the premises designated in Section 1.1(a), subject however, to the provisions of Section 8.4.

(b) The adjudication of Franchisee a bankrupt, or the filing of any petition by or against Franchisee, under the Federal Bankruptcy laws or the laws of any State or territory relating to relief of debtors, for reorganization, arrangement, or other similar relief provided therein, unless such petition filed against Franchisee is dismissed within 30 days, or the making by Franchisee of a general assignment for the benefit of creditors.

(c) The appointment of any receiver, trustee, sequestrator, or similar officer to take charge of Franchisee's business, or any attachment, execution, levy, seizure, or appropriation by any legal process of Franchisee's interest in this Agreement, unless the appointment of such officer is vacated or discharged or the effect of such legal process is otherwise released within thirty days.

(d) If Franchisee is a corporation, partnership, or other business association, the occurrence of any act of a type described in paragraph (b) or (c) above which relates to, involves, or affects the interest of any person owning a controlling interest in Franchisee.

8.4 Relocation of Shop In Certain Events. (a) If Franchisee's right to possession of the premises designated in Section 1.1(a) is terminated, prior to expiration of the Term specified in Section 1.3, without fault or affirmative action on the part of Franchisee, including without limitation,

(i) expiration of the Term of Franchisee's lease or sublease by lapse of time,

(ii) destruction by casualty or taking by eminent domain of all or part of the premises resulting in termination of such lease or sublease by its terms or by action of a party other than Franchisee, or

(iii) the taking by eminent domain of all or a material part of the premises if such premises are owned by Franchisee,

or in any other case where Midas approves the termination of the operation at the Premises and relocation of the Shop, then if Franchisee notifies Midas in writing that such event has occurred or will occur on a date certain not more than six months after the date of such notice, Franchisee shall have the right to relocate the Midas Shop to a new location subject to the approval of Midas. Franchisee shall be solely responsible for selecting the new location, constructing the Shop at the new location, and paying all expenses associated therewith. Midas shall not be required to provide any assistance related to the proposed relocation other than the review and approval or disapproval described in this Section 8.4. Upon providing notice of its intent to relocate, Franchisee shall pay Midas a relocation fee of \$1,000 ("Relocation Fee"), to compensate Midas for its services in reviewing the proposed new location, except that this Relocation Fee shall not be required to be paid if the premises are subleased from Midas or its affiliates and the head lease for the premises expires. If Franchisee does not locate a new location approved by Midas within one year of the Shop closing, the right to relocate provided herein shall become null and void and this Agreement shall automatically terminate. The Relocation Fee is non-refundable, provided that if the right to relocate becomes null and void as described in the previous sentence, Midas shall refund the Relocation Fee less any expenses it has incurred in reviewing Franchisee's relocation request.

(b) The location as provided in paragraph (a) of this Section 8.4 shall be within the trading area of the Shop theretofore operated by Franchisee, provided however, that if Midas determines that no appropriate location is available within said trading area, then Midas may approve in its sole discretion the next nearest location determined by it to be appropriate and available. The definition of the trading area of Franchisee's Shop, the selection of a particular location within such trading area, the determination that an appropriate location is not available within such trading area, and the determination, if necessary, of the next nearest appropriate and available location outside Franchisee's trading area, shall all be within the sole and absolute discretion of Midas, and its decisions thereon shall be final, provided however, that a given location within or without the trading area of the Shop theretofore operated by Franchisee shall not be deemed inappropriate or unavailable pursuant to this paragraph (b) solely because of a determination by Midas to establish and operate itself, or to license any party other than Franchisee to establish and operate, a Shop at such location, if Midas has not become legally committed with respect thereto.

(c) The approval by Midas of a new location at which Franchisee's Shop may be operated, as provided in paragraphs (a) and (b) of this Section 8.4, must be obtained by Franchisee in writing from an officer of Midas. Franchisee shall execute Midas's then current Real Estate Documents related to the new location, as applicable, as described in Section 6.20. Midas shall not submit to Franchisee any lease or sublease with Midas or any affiliated entity the term of which extends beyond the Term specified in Section 1.3.

(d) If Franchisee gives to Midas written notice of acceptance of such proposal (within the time periods stated above), and either enters into such tendered lease, sublease, or sale contract, or if none is tendered, agrees in writing to comply with any and all requirements prescribed by Midas relating to construction or alteration of improvements on the premises, including but not limited to those requirements in Sections 6.18(b) through (d) above, then notwithstanding the provisions of paragraph (a) of Section 8.3, this Agreement shall be reinstated for the remainder of the Term specified in Section 1.3 as if it has not been terminated, and paragraph (a) of Section 1.1 shall be deemed amended to refer to such new location. If Franchisee fails to comply with the provisions of this paragraph (d) within said 30-day period, then the termination of this Agreement pursuant to Section 8.3(a) shall be and remain effective and Franchisee shall have no further rights under or by virtue of this Section 8.4.

8.5 Relief In Equity Against Certain Defaults. Franchisee agrees that neither termination of this Agreement, nor an action at law, nor both, would be an adequate remedy for a breach or default by Franchisee, or by any other persons bound hereby, in the performance of any obligation relating to the Midas Proprietary Marks or indicia, the trade secrets revealed to Franchisee in confidence hereunder, the Midas Guarantees, or the obligations of Franchisee and such others upon and after termination of this Agreement, including, but not limited to, the provisions of Sections 2.1, 2.2, 2.3, 2.4, 2.5, 5.1, 5.2, 5.3, 5.5, 5.6, 5.7, 6.4, 6.5, 6.6, 6.7, 6.8, 6.14, 6.15 (including any policies, regulations and procedures referred to therein), 6.16, 6.17, 8.7 and 8.8(c). It is agreed that in the event of any such breach or default, in addition to all other remedies provided elsewhere in this Agreement or by law, Midas shall be entitled to relief in equity (including a temporary restraining order, temporary or preliminary injunction, and permanent mandatory or prohibitory injunction), to restrain the continuation of any such breach or default or to compel compliance with such provisions of this Agreement.

8.6 Liquidated Damages. Midas, Franchisee, and the other parties bound hereunder, mutually acknowledge that it would be difficult to ascertain the exact amount of damages incurred by Midas in the event of any breach or default described in Section 8.5, and that in addition to all other remedies provided elsewhere in this Agreement or by law, Midas shall be entitled to recover from all such parties jointly and severally, as and for its liquidated damages, the sum of \$300.00 for each day's continuance of such breach or default after written notification thereof by Midas to Franchisee, it being agreed that said sum represents a reasonable estimate of the damage which would thereby accrue to Midas, reserving to Midas the right to recover such other or additional damages as may be provided by law.

8.7 Obligations Upon and After Termination or Expiration. Upon termination or expiration of this Agreement, whether by lapse of time, by termination pursuant to any provision of this Article Eight, by mutual consent of the parties, by operation of law, or in any other manner, Franchisee shall cease to be an authorized Midas franchisee as to any products or services whatever, and Franchisee and all persons directly or indirectly owning any interest in Franchisee or in any way associated with or related to Franchisee shall:

(a) Promptly cause Franchisee to pay Midas all liquidated or ascertainable sums owing from Franchisee to Midas, without set-off or other diminution on account of unliquidated claims.

(b) Immediately and permanently discontinue the use of any of the Proprietary Marks, any of the Midas indicia or the Midas System, or any marks, names or indicia which in the opinion of Midas are confusingly similar thereto, or any other materials which may in any way indicate or tend to indicate that Franchisee is or was an authorized Midas franchisee or is or was in any way associated with Midas.

(c) Immediately and permanently remove, destroy, or obliterate, at Franchisee's expense, all signs containing any of the marks, names, indicia, or other things the use of which is prohibited by paragraph (b) above, and shall also sell to Midas, f.o.b. Franchisee's Shop, such of the aforesaid signs as Midas may request, at a price equal to the original installed cost thereof to Franchisee minus a reasonable allowance for depreciation, wear and tear, and obsolescence.

(d) Promptly destroy or surrender to Midas all stationery, letterheads, forms, printed matter, promotional displays, and advertising containing any of the marks, names, indicia, or other things the use of which is prohibited by paragraph (b) above.

(e) Immediately and permanently discontinue all advertising placed by Franchisee as an authorized Midas franchisee or which contains or makes reference to any of the marks, names, indicia, or other things the use of which is prohibited by paragraph (b) above, and will cancel all such advertising already placed or contracted for which would otherwise be published, broadcast, displayed, or disseminated after the date of termination hereof.

(f) Immediately cease using or claiming any right to use any telephone number, social media website, or social media account which Midas, as the subscriber therefor, has allowed Franchisee to use during the Term and pay all bills incurred for the period during which Franchisee used such number or numbers. Franchisee shall immediately transfer and assign to Midas (or to such person or firm as Midas may designate) the telephone number(s) and any social media website(s) or account(s) for Franchisee's Shop and shall immediately execute such instruments (whether required by the phone carrier, Midas or any other party) and take such steps as in the opinion of Midas may be necessary or appropriate to transfer and assign each such telephone number and social media website and account. Franchisee further irrevocably appoints a duly authorized officer of Midas as Franchisee's duly authorized agent and attorney-in-fact to execute all such instruments and take all such steps to transfer and assign each such telephone number and social media website or account. Franchisee agrees to promptly pay all outstanding phone bills (including any interest and penalties) and any other bills or debts owed for each such telephone number, listing, or social media website or account to be assigned.

(g) Immediately and permanently discontinue any use of the word "Midas" or any word confusingly similar thereto in Franchisee's firm name, corporate name, or trade name, and take such steps as may be necessary or appropriate in the opinion of Midas to change such names to eliminate therefrom the word "Midas" or any word confusingly similar thereto.

(h) Thereafter refrain from doing anything tending to indicate that Franchisee is or was an authorized Midas franchisee, or is or was in any way associated with Midas.

(i) Immediately cease issuing and honoring warranties or Guarantees on approved Midas products and provide the Midas Link Warranty Registration information to Midas. Franchisee shall not be entitled to any warranty or Guarantee credit with respect to any such further warranties or Guarantees on approved Midas products after the date of termination. Franchisee must refer all requests for honoring of such warranties and Guarantees to Midas or to such other Midas franchisee or franchisees as Midas may from time to time designate.

8.8 General Provisions Regarding Termination. (a) Termination of this Agreement under any circumstances shall not abrogate, impair, release, or extinguish any debt, obligation, or liability of

Franchisee to Midas which may have accrued hereunder, including without limitation, any such debt, obligation, or liability which was the cause of termination or arose out of such cause.

(b) All covenants and agreements of Franchisee which by their terms or by reasonable implication are to be performed, in whole or in part, after the termination of this Agreement, including but not limited to those set forth in Subsections 2.4(a) and (c), shall survive such termination.

(c) In the event this Agreement is Transferred by Franchisee within the meaning of Section 7.1, and such Transfer is consented to by Midas pursuant to the provisions of Sections 7.4, 7.6, or 7.7, this Agreement shall be deemed to have terminated as to the assignor or assignors as of the date of such consent, and such assignor or assignors shall thereupon be bound by all the provisions of Section 8.7 and this Section 8.8, to the same extent and in the same manner as if this Agreement had been terminated in its entirety as of said date.

(d) Nothing contained in Section 8.7 shall be deemed to apply to or affect the operation by Franchisee or by any other party bound thereby of a Midas Shop at any other location pursuant to and in accordance with the provisions of any other valid and outstanding agreement with Midas.

Article Nine: Extension of Franchise Relationship

9.1 Notification Regarding Extension. Prior to the expiration of the Term as set forth in Section 1.3, Midas will notify Franchisee in writing whether or not Midas will extend the franchise relationship with Franchisee with respect to the Shop, and under what special conditions, if any, such extension will be granted.

9.2 Grounds for Refusal to Extend or Imposition of Conditions. If there is good cause, Midas may refuse to extend the franchise relationship with Franchisee or impose special conditions for such extension. As the basis for refusing to extend, good cause shall mean the failure of Franchisee through act or omission to achieve and maintain those standards of operation reasonably required by Midas to maximize the sale of goods and services or to preserve the goodwill of the Midas indicia and franchise program. By way of illustration, but not limitation, inadequate inventory, chronic late payment of sums due Midas, failure to devote sufficient personal time to the business, poor quality or workmanship performed and or products sold, substandard maintenance of Shop premises, unsatisfactory customer relations as evidenced by the number of complaints, and inadequate hours of operation shall constitute good cause for refusing to extend. Special conditions which Midas may impose for extending the franchise relationship are those changes in Franchisee's operations which Midas reasonably requires to maximize the sale of goods and services by Franchisee and to preserve the goodwill of the Midas indicia and franchise program, and could include by way of illustration, but not limitation, renovation of Shop premises or relocation of the Shop. It is agreed and understood that good cause as used herein includes conduct by Franchisee which would not constitute grounds for termination of this Agreement under Article Eight.

9.3 Terms of Franchise during Extension Period. The Term of the extension of the franchise relationship shall be twenty (20) years, and the franchise fee for such extension shall be one-half of the franchise fee which, at the time of the extension, Midas charges franchisees who own three or more Midas Shops. In all other respects, the form of agreement governing the extension of the franchise relationship shall be the same as that granted to new franchisees at the time of such extension except for special conditions, if any, which are imposed in connection with the extension. Franchisee and each of its stockholders, directors, and officers shall as a condition for the extension of the franchise relationship, execute and deliver to Midas a general release of any and all claims and causes of action against Midas, its affiliated corporations, and their respective officers, agents, and employees.

9.4 Payment of Franchise Fees Upon Extension. Midas will provide Franchisee payment terms for the payment of the franchise fee charged for the extension of the franchise relationship as follows (at Franchisee's choice): (i) via two (2) equal installments, with the first installment paid on the date the Term of the extension begins and the second installment paid on the one year anniversary thereof, or (ii) via twelve (12) equal monthly payments, beginning the month the Term of the extension begins, through Franchisee's trade account via ACH. Notwithstanding the foregoing, if Franchisee has more than one Midas Shop franchise (including franchises granted to corporations controlled by Franchisee or its principals) for which extensions are to be granted within any 12-month period, then the total of all the franchisee fees must be paid in the same number of equal annual installments as the number of franchises so extended, but not to exceed ten (10) installments, beginning on the date of the first extension and on the same date each year thereafter until fully paid.

9.5 Extension Under Special Conditions. If Midas notifies Franchisee that it will extend the franchise relationship, but only under special conditions, Midas shall set forth in detail the nature of such conditions and, if applicable, the time within which such conditions shall be met by Franchisee.

9.6 Franchisee's Right to Sell Franchised Shop. If Midas notifies Franchisee that the franchise relationship will not be extended upon the expiration of the Term or that the franchise relationship will be extended only upon compliance with special conditions, Midas shall, in such notice set forth the reasons therefor. Franchisee may thereafter at its option if Franchisee is not in default under this Agreement sell the Shop. Midas shall grant the transferee a new franchise agreement, provided the provisions of Section 7.4 are satisfied and the transferee agrees to perform all of the special conditions, if any, set forth by Midas in its notice to Franchisee. The Term of the franchise agreement granted to the transferee shall be twenty (20) years, and the franchise fee that must be paid to Midas shall be one-half of the then-current initial franchise fee charged to a new franchisee by Midas (without reduction for owning multiple locations or any incentives being offered) at the time of the sale ("9.6 Renewal Fee"). In all other respects, the form of the franchise agreement shall be the same as that granted to new franchisees at the time of such sale.

9.7 Arbitration. (a) If Franchisee disputes the refusal of Midas to extend the franchise relationship or disputes the imposition of special conditions for extending the franchise relationship, then upon written demand made by Franchisee upon Midas at any time within sixty (60) days after receipt of notice of such refusal or imposition of special conditions, the dispute shall be submitted to arbitration. The terms and conditions for arbitration set forth in Section 10.12 below shall apply to arbitration under this Section 9.7 except to the extent different terms are expressly set forth in this Section 9.7.

(b) The arbitrators shall have full power to determine whether Midas has good cause to refuse to extend the franchise relationship or to impose special conditions for extending the franchise relationship pursuant to the notice or notices given. The determination of the arbitrators thereon shall be final and conclusive upon the parties, subject only to the provisions of said the Uniform Arbitration Act as in force in the State of Delaware. Any determination of an issue of fact or law made by the arbitrators, however, shall be binding upon the parties only with respect to and in connection with the particular arbitration proceeding and the specific final decision or award of the arbitrators made therein, and shall not be binding upon the parties nor shall it be admissible in any other proceeding or for any other purpose, provided that nothing herein shall prevent any party from enforcing the specific decision or award of the arbitrators by an appropriate and lawful means.

(c) The cost of arbitration (not including attorney's fees) shall be taxed and borne as provided in said Uniform Arbitration Act.

(d) The arbitrators shall not have the power to determine or decide any issue or matter other than those hereinabove expressly set forth, and shall in no event have any right or power to award or assess

damages to or against any party. The arbitrator's right to establish an award described in Section 10.12(b) shall not apply to any arbitration conducted pursuant to this Section 9.7.

(e) If Franchisee fails to serve proper written demand for arbitration as set forth in Section 9.7(a) within the time specified therein, Franchisee shall be barred from seeking any relief, whether by way of arbitration or by way of action or defense in any court, with respect to any matter or issue which was subject to arbitration under this Article Nine. Even though a dispute is referred to arbitration, and even though the arbitration should result in an award favorable to Midas, Franchisee may sell its Shop as permitted in Section 9.6, provided that the transferee agrees to meet any special conditions imposed by Midas which are sustained by arbitration.

Article Ten: Miscellaneous Provisions

10.1 Grammar. The masculine of any pronoun shall include the feminine and/or the neuter thereof, and the singular of any noun or pronoun shall include the plural, or vice-versa, wherever the context shall require.

10.2 Franchisee. Upon any effective Transfer of Franchisee's interest in this Agreement pursuant to Article Seven, any and all references herein to "Franchisee" shall, unless the context otherwise requires, mean and refer to such assignee.

10.3 Section Headings. Section headings are for convenience of reference only, and shall not be construed as part of this Agreement, nor shall they limit or define the meaning of any provision herein.

10.4 Cost of Enforcement or Defense. In the event Midas is required to employ legal counsel or to incur other expense to enforce any obligation of Franchisee hereunder, or to defend against any claim, demand, action, or proceeding by reason of Franchisee's failure to perform any obligation imposed upon Franchisee by this Agreement, including in arbitration pursuant to Section 10.12 below, and provided that legal action is filed by or against Midas and such action or the settlement thereof establishes Franchisee's default hereunder, then Midas shall be entitled to recover from Franchisee the amount of all reasonable attorneys fees of such counsel and all other expenses incurred in enforcing such obligation or in defending against such claim, demand, action, or proceeding, whether incurred prior to or in preparation for or contemplation of the filing of such action or thereafter. Nothing contained in this Section 10.4 shall relate to arbitration proceedings pursuant to Section 7.11, 8.2(e), or 9.7.

10.5 Remedies Cumulative. All rights and remedies conferred upon Midas by this Agreement and by law shall be cumulative of each other, and neither the exercise nor the failure to exercise any such right or remedy shall preclude the exercise of any other such right or remedy.

10.6 Non-Waiver. No failure by Midas to take action on account of any default by Franchisee, whether in a single instance or repeatedly shall constitute a waiver of any such default or of the performance required of Franchisee. No express waiver by Midas of any provision or performance hereunder or of any default by Franchisee shall be construed as a waiver of any other or future provision, performance, or default.

10.7 Invalidity. If any provision of this Agreement, including but not limited to any of the restrictive covenants contained in Section 2.4 hereof, shall be invalid or unenforceable for any reason (including for purposes of the restrictive covenants, reasons that the areas of restriction exceed the reasonable maximum time period, geographic area or scope), either in its entirety or by virtue of its scope or application to given circumstances, then the parties hereby request and authorize the arbitrator or court to "blue pencil" such provision so as to make it enforceable and to best carry out the intent of the parties, or to deem such provision severed from this Agreement if it cannot be so modified. The holding, declaration or

pronouncement shall not adversely affect any other provisions of this Agreement, which shall otherwise remain in full force and effect, it being the stated intention of the parties that had they known of such invalidity or unenforceability at the time of entering into this Agreement, they would have nevertheless contracted upon the terms contained herein, either excluding such provisions, or including such provisions only to the maximum scope and application permitted by law, as the case may be. In the event such total or partial invalidity or unenforceability of any provision of this Agreement exists only with respect to the laws of a particular jurisdiction, this Section 10.7 shall operate upon such provision only to the extent that the laws of such jurisdiction are applicable to such provision.

10.8 Notices. Any notice or demand given or made pursuant to this Agreement must be given in writing and will be deemed to be delivered, unless specified otherwise herein: (i) at the time delivered by hand; (ii) one (1) business day after transmission by facsimile or other electronic system (e.g. E-mail) if the sender has confirmation of successful transmission; (iii) one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery; or (iv) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid. All notices to Midas must be sent to the 4300 TBC Way, Palm Beach Gardens, Florida 33410, although Midas may change this address for notice by giving Franchisee notice of the new address. Any notice that Midas sends to Franchisee may be sent only to the address on this Agreement, the Shop address as stated in this Agreement or any other contact information that Franchisee has provided to Midas in writing. Any demand for arbitration pursuant to Section 7.11 or 8.2(e) or any notice pursuant to Section 8.4(d) shall be deemed to have been made or given and shall be deemed effective when sent in accordance with this Section 10.8, provided that it is received by Midas within one (1) business day after expiration of the period for making or giving such demand or notice.

10.9 Entire Agreement. This Agreement (including all schedules hereto), together with any written lease or sublease of the Site entered into between Franchisee and Midas or any of its subsidiaries or affiliated corporations, constitutes and contains the entire agreement and understanding of the parties with respect to the subject matter hereof and thereof. There are no representations, undertakings, agreements, terms or conditions not contained or referred to herein or in any such lease or sublease. This Agreement supersedes and extinguishes any prior written agreement between the parties or any of them relating to the operation of the Shop at the Site, provided that it shall not abrogate, impair, release, or extinguish any debt, obligation or liability of Franchisee to Midas accrued immediately prior to the execution of this Agreement nor cancel any credit owed by Midas to Franchisee at said time, nor shall it abrogate or impair any action heretofore taken by Midas or Franchisee under any Application for a Midas Shop Franchise (or similar document) or area development agreement, executed by Midas and Franchisee or their predecessors, or any understandings or approvals relating to plans and specifications for the Shop building and premises or the equipment and opening inventory to be installed or placed therein. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require Franchisee to waive reliance on any representation made by Midas in its most recent disclosure document (including exhibits and amendments) delivered to Franchisee or its representative.

10.10 Binding Effect. Subject to all the provisions of Article Seven and Section 8.8(c), this Agreement shall be binding upon and shall inure to the benefit of the parties hereto (including the parties whose signatures follow those of Midas and Franchisee) and their respective heirs, executors, administrators, personal representatives, successors, and assigns.

10.11 Modification. (a) No amendment, change, or variance from this Agreement shall be binding upon either Midas or Franchisee except by mutual written agreement or, at Midas' option upon notice of the approval of a Super-Majority (as defined below).

(b) This Agreement may be modified by Midas at its option whenever Midas and a Super-Majority, as hereinafter defined, of franchisees of Midas agree to any such modification. A "Super-

Majority” of Midas franchisees shall consist of the franchisees who represent at least 75 percent of all Midas Shop franchise locations in the United States, or, if only a portion of Midas Shops are affected by the modification, by the franchisees who represent at least 75 percent of those Midas Shop franchise locations in the United States affected by the modification. Whenever a modification is approved by a Super-Majority, Midas may elect to treat the modification as effective to all franchisees in the United States or the applicable group thereof, including Franchisee, to the same extent and in the same manner as if the modification was unanimously approved by them, and regardless of whether Franchisee may or may not desire to be bound by the modification. Midas shall provide Franchisee with notice of any modification to this Agreement based upon a Super-Majority approval at least 30 days prior to the date such modification is to be effective. By signing this Agreement, Franchisee appoints the officers of Midas as its attorneys in fact with irrevocable power and authority to execute any such modification so approved.

(c) If an amendment of this Agreement is executed at Franchisee’s request, legal fees or costs of preparation of such amendment and any registration in connection therewith shall be paid by Franchisee.

10.12 Dispute Resolution and Controlling Law. (a) **Arbitration.** Except for actions related to or based on the Proprietary Marks or the copyrights of Midas or to enforce the provisions of Section 2.4 or 8.7 of this Agreement, which Midas may bring in a court of competent jurisdiction, all controversies, disputes claims, causes of action and/or alleged breaches or failures to perform between Midas, its subsidiaries and affiliated companies or their shareholders, officers, directors, agents, employees and attorneys, in their representative capacity, and Franchisee, and its employees, officers, directors, owners, guarantors or agents, arising out of or related to: (1) this Agreement; (2) the relationship of the parties; (3) the validity of this Agreement; or (4) any aspect of the Midas Shop licensed herein (collectively, “Claims”) shall be submitted for binding arbitration to the American Arbitration Association. Notwithstanding the language above, if the action is based on a separate agreement or instrument between Franchisee or any party affiliated with Franchisee and Midas or any party affiliated with Midas, such as a promissory note or lease, the dispute resolution procedure in that agreement or instrument will control rather than this Section 10.12(a); provided, that, at Midas’ sole option, any claim of Midas or its affiliate against Franchisee or its affiliate based on such separate agreement or instrument may be brought in arbitration in conjunction with a dispute between the parties that is subject to arbitration under this Section, regardless of any provisions to the contrary contained in the separate agreement or instrument. Arbitration proceedings will be conducted in Palm Beach Gardens, Florida and will be heard by one arbitrator in accordance with the then current rules of the American Arbitration Association that apply to commercial arbitration. The decision as to whether a claim is subject to mandatory arbitration shall be made by an arbitrator, not a court, except that the decision whether the arbitration may proceed as a class action shall be made by the court. Any party to an arbitration proceeding may apply to the arbitrator for reasonable discovery from the other. In this Agreement “reasonable discovery” means a party may submit no more than 10 interrogatories, including subparts, 25 requests for admission, 25 document requests, and three depositions per side of the dispute. The foregoing discovery rights and limitations shall control over any contradictory discovery rules of the American Arbitration Association, unless the parties agree otherwise. The parties further agree that, in connection with any such arbitration proceeding, each will file any compulsory counterclaim, as defined by Rule 13 of the Federal Rules of Civil Procedure, within 30 days after the date of the filing of the claim to which it relates. Any arbitration conducted pursuant to Section 7.11, 8.2(e), or 9.7 of this Agreement shall be conducted separately from the arbitration of any other disputes hereunder. For purposes of arbitration pursuant to Section 7.11, 8.2(e), or 9.7 of this Agreement, the terms set forth in those sections shall control over any conflicting terms in this Section 10.12. This provision will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

(b) **Arbitration Award.** Subject to Section 10.12(e) below, the arbitrator will have the right to award or include in the award any relief available and appropriate under applicable law (as set forth in

Section 10.12(d)) and this Agreement. Any award shall be based on established law and shall not be made on broad principles of justice and equity. The award and decision of the arbitrator will be conclusive and binding upon all parties hereto and judgment upon the award may be entered in any court of competent jurisdiction.

(c) Limitations on Proceedings.

(i) Midas and Franchisee agree that arbitration will be conducted on an individual basis only. Neither party shall commence any arbitration with a third party against the other, or join with any third party in any arbitration involving Midas and Franchisee. Further, neither Midas nor Franchisee shall attempt to consolidate or otherwise combine in any manner an arbitration proceeding involving Midas and Franchisee with another arbitration of any kind, nor shall Midas or Franchisee attempt to certify a class or participate as a party in a class action against the other.

(ii) The foregoing notwithstanding, in the event Franchisee controls, is controlled by or is in active concert with another franchisee or distributor of Midas, or there is a guarantor of some or all of the Franchisee's obligations to Midas, then the joinder of those parties to any arbitration between Midas and Franchisee shall be permitted, and in all events, the joinder of an owner, director, officer, manager, partner or other representative or agent of Franchisee shall be permitted.

(d) Governing Law/Consent to Jurisdiction/Waiver of Jury Trial. The United States Federal Arbitration Act shall govern all questions about the enforceability of Sections 7.11, 8.2(e), 9.7, and 10.12, and the confirmation of any arbitration awards pursuant to such procedures, and no arbitration issues are to be resolved pursuant to any other statutes, regulations or common law. Otherwise, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other United States federal law, this Agreement shall be interpreted under the laws of the State of Delaware and any dispute between the parties shall be governed by and determined in accordance with the internal substantive laws, and not the laws of conflict, of the State of Delaware, which laws shall prevail in the event of any conflict of law. Notwithstanding the foregoing, the parties agree that the Delaware Deceptive Trade Practices Act (DEL. CODE ANN. tit. 6, § 2531 et seq.) and Delaware Consumer Fraud Act (DEL. CODE ANN. tit. 6, § 2511 et seq.) shall not apply to this Agreement or any disputes between the parties. Franchisee and Midas have agreed upon a forum in which to resolve any disputes that arise between them and have agreed to select a forum in order to promote stability in their relationship. Therefore, if a claim is asserted in any legal proceeding not subject to mandatory arbitration, as specified in Section 10.12(a), involving Franchisee, its employees, officers or directors (collectively, "Franchisee Affiliates") and Midas, its employees, officers or directors (collectively, "Midas Affiliates"), both parties agree that the exclusive venue for disputes between them shall be in the state courts for Palm Beach County, Florida or federal courts located in or nearest to West Palm Beach, Florida and each waive any objection either may have to the personal jurisdiction of or venue in the state and federal courts of Florida. Notwithstanding the foregoing, any legal proceeding by Midas or any Midas Affiliate not subject to mandatory arbitration may be brought in any court of competent jurisdiction in the country, state, province, or other geographic area in which Franchisee's Shop is located or in which Franchisee or any Franchisee Affiliate resides or own assets. **IF A CLAIM MAY BE BROUGHT IN COURT, THEN MIDAS, THE MIDAS AFFILIATES, FRANCHISEE AND THE FRANCHISEE AFFILIATES EACH WAIVE THEIR RIGHTS TO A TRIAL BY JURY.**

(e) No Punitive or Consequential Damages. Except as specifically permitted elsewhere in this Agreement, neither Midas or any of the Midas Affiliates, on the one side, nor Franchisee or any of the Franchisee Affiliates, on the other side, shall be liable to the other for punitive or other damages not measured by the other party's actual damages in any action between the parties, whether of the type subject to mandatory arbitration under Section 10.12(a) or otherwise, and whether such action is brought in arbitration, litigation, or any other legal proceeding.

(f) **No Recourse Against Others.** Franchisee agrees that its sole recourse for claims (whether in contract or in tort, in law or in equity, or granted by statute) arising between the parties shall be against Midas, TBC Corporation, TBC Holdings, LLC, or their successors and assigns. Franchisee agrees that the officers, employees, managers, members, attorneys, and agents of Midas and its affiliates (the “Nonparty Affiliates”) shall not be personally liable nor named as a party in any action between Midas and Franchisee. To the maximum extent permitted by law, Franchisee waives any such claims against such Nonparty Affiliates.

10.13 Force Majeure. Except for the payment of monies under this Agreement, neither party will be liable to the other party, nor will such party be deemed to be in breach of this Agreement, if it exercises best efforts to perform its obligations under this Agreement, but is unable to perform its obligations because of any of the following reasons which were not reasonably foreseeable by it: (a) strikes or other labor disturbance; (b) acts of God or the public enemy, terrorism, riots or other civil disturbances, fire, or flood; (c) interference by civil or military authorities; (d) compliance with governmental laws, rules, or regulations that were not in effect as of the date of this Agreement; (e) transportation shortages, inadequate supply of labor, material or energy, or embargoes; or (f) any other cause beyond its control and without its fault or negligence. Any delay resulting from any of these causes will extend performance by the party so delayed accordingly or excuse performance by such party in whole or in part, as may be necessary. If a force majeure event as described in this Section occurs, continues for a period of 12 consecutive months or longer, and prevents either party from performing its obligations hereunder, Midas will have the right, at its option, to terminate this Agreement effective upon written notice to Franchisee.

10.14 Varying Standards. Midas has the right, at its sole determination, to vary the franchise agreement and/or standards for any franchisee based upon the peculiarities of a particular site or circumstance, density of population, business potential, population or trade area, existing business practices, the franchisee’s positive contributive attitude, or any other condition that Midas deems to be of importance or otherwise desirable. Franchisee shall not have any right to complain about a variation in the franchise agreement or from standard specifications and practices, granted to any other franchisee; and Franchisee shall not be entitled to require Midas to grant to Franchisee a like or similar variation.

10.15 Counterparts. This Agreement may be executed in any number of identical counterparts and via electronic signature, and each such counterpart shall be deemed a duplicate original hereof.

IN WITNESS WHEREOF, Midas and Franchisee have caused this Agreement to be executed and entered into as of the Effective Date (defined below).

PERSONAL GUARANTY

With reference to the Franchisee(s) holding a Franchise Agreement(s) for the Midas Shop(s) at the address(es) listed below (“**Debtor**”), it is and will be to the interest and advantage of the undersigned person(s) or entity(ies) (“**Guarantor**”), that Debtor obtain credit, procure goods or services, or obtain other financial assistance from Midas International, LLC, Midas Realty, LLC, Midas Property, LLC and their parents, subsidiaries, and affiliates (collectively “**Midas**”). If there is more than one Guarantor, their obligations hereunder shall be joint and several.

Accordingly, Guarantor requests that Midas extend credit or other financial accommodation, sell goods, lease real estate, equipment, or other property, with or without security, to or for the account of Debtor, or in respect of which Debtor may be liable to Midas in any capacity. Midas is authorized to purchase, accept as collateral or as security, or otherwise acquire from Debtor, accounts receivable, notes, evidences of indebtedness, contracts, leases, agreements, purchase orders, choses in action, conditional sale or lease agreements, chattel mortgages, real estate mortgages or trust deeds, liens, other security instruments, drafts, bills, acceptances, trust receipts, warehouse receipts, guarantees, securities, certificates of beneficial interest in trust agreements, or other obligations (collectively “**Receivables**”). Midas may factor any sales or finance the Receivables. Midas may refrain from collecting sums due from Debtor for Receivables, royalties, franchise fees, rents, or any other sums due Midas. Guarantor consents to and waives notice of any and all agreements, terms and arrangements, and changes thereof. Midas is authorized to make loans or advance funds to Debtor whether or not secured, and if secured, secured by Debtor’s Receivables. Midas may otherwise directly or indirectly advance money or give or extend credit to Debtor, or otherwise assist Debtor in financing the business or sales of Debtor without obligating Midas to do so.

Guarantor, for value received, hereby unconditionally guarantees to Midas the prompt payment in full when due or declared due and at all times thereafter of any and all indebtedness, liability or liabilities, primary, secondary or contingent, of any and every kind or nature, now or hereafter owing or to become owing by Debtor to Midas however arising, incurred or evidenced, and of any and all Receivables heretofore or hereafter acquired by Midas from Debtor by assignment, pledge or otherwise, made, executed and/or delivered to Midas by Debtor, or in respect of which Debtor has, or may become, in any way liable. Guarantor guarantees to Midas the prompt, full, and faithful performance and discharge by Debtor of each and every one of the terms, conditions, agreements, representations, warranties, covenants, guarantees and provisions on the part of Debtor contained in any agreement or arrangement, note, lease, sublease, security instrument, schedule and assignment of accounts or other instrument heretofore or hereafter given by or on behalf of Debtor in connection with the sale, assignment, or pledge of any Receivables to Midas, or any agreement or indebtedness assigned to Midas of any kind or nature, or in any renewal, extension, modification or addenda of any of the foregoing. Guarantor also hereby agrees on demand to reimburse Midas for all expenses, collection charges, court costs, arbitration expenses and attorney’s fees incurred in endeavoring to collect or enforce any of the foregoing against Debtor and/or Guarantor or any other person or entity liable thereon. For all of these obligations with interest at the highest contract rate provided for in any of the foregoing instruments, after due until paid, Guarantor hereby agrees to be directly, unconditionally, and primarily liable jointly and severally with Debtor, and Guarantor agrees that the same may be recovered in the same or separate actions brought to recover the principal indebtedness.

Notice of acceptance of this guaranty, or pledge, the giving or extension of credit to Debtor, the purchase, acquisition, or pledge of notes, Receivables, security instruments or other instruments, or the advancement of money or credit thereon, and presentment, demand, notices of default, nonpayment or partial payments and protest, notice of protest and all other notices of formalities to which Debtor might

otherwise be entitled are hereby waived. Guarantor waives notice of, and consents to, the granting of extension(s) of time for payment, the taking and releasing of security in respect to any note, indebtedness or liabilities so guaranteed hereunder, or Midas accepting partial payments thereon or Midas settling, subordinating, compromising, compounding, discharging or releasing any obligations as Midas may deem advisable, without in any way impairing or affecting Guarantor's liability to the full amount thereof. Midas shall not be required to prosecute collection, enforcement or other remedies against Debtor or against any person liable on any said notes, Receivables, security instruments, instruments, agreements, obligations, indebtedness or liabilities so guaranteed, or to enforce or resort to any security, liens, collateral or other rights or remedies before calling on Guarantor for payment or performance. Guarantor's liability shall not in any way be released or affected by reason of any failure or delay on Midas' part to take that action.

This guaranty is absolute, unconditional and continuing, and payment of the sums for which Guarantor becomes liable shall be made to Midas at its office from time to time, on demand, or as the same become or are declared due, notwithstanding that Midas holds Receivables against which Midas may be entitled to resort for payment; and one or more successive or concurrent actions may be brought hereon against Guarantor, either in the same action in which Debtor is sued or in separate actions, as often as deemed advisable. Guarantor expressly waives any right to set-off, recoup or counter-claim any claim or demand against Midas, or against any other person or concern liable on the Receivables; and, as further security to Midas, any assets of Guarantor of any kind, nature, or description in Midas' possession, custody or control, may without further notice, be reduced to cash, or if cash or an indebtedness owed to Guarantor by Midas, may be applied by Midas in reduction or payment of any liability incurred hereunder, and all debts or liabilities now or hereafter owing to Guarantor by Debtor or by any other person are hereby subordinated to Midas and are hereby assigned to Midas.

The acceptance of any partial payment by Midas, after the time when it becomes due as herein set forth, shall not be held to establish a custom or waive any rights Midas has to enforce prompt payment of this guaranty. Demand, presentment for payment, protest, notice of a non-payment, or protest of any notes pledged hereunder, is hereby waived by Guarantor. Midas shall not be required to look to the Receivables for the payment of this guaranty, but may proceed against Guarantor in such manner as Midas may deem desirable. Midas shall not be required to demand or obtain payment from any other guarantor of Debtor, prior to making demand upon Guarantor. None of the rights or remedies Midas has is to be deemed waived or affected by failure to exercise or delay in exercising same. All remedies conferred by Guarantor upon Midas or any of the collateral pledged hereunder shall be cumulative, and none is exclusive, and Midas may, at its option, exercise such remedies concurrently or consecutively. Guarantor agrees to be bound by the audit provisions contained in the Franchise Agreement and any other agreements with Midas.

This guaranty shall inure to the benefit of Midas and its successors and assigns. The arbitration, litigation, injunctive relief, governing law and jurisdiction provisions contained in the Franchise Agreement any other applicable agreement with Midas shall govern this Guaranty, and such provisions are incorporated into this Guaranty by this reference.

**CO-BRANDING AMENDMENT
TO MIDAS FRANCHISE AGREEMENT**

This Co-Branding Amendment to the Midas Franchise Agreement (“**Amendment**”), dated effective as of _____, 20__ (the “**Effective Date**”), is by and between Midas International, LLC (“**Midas**”) and _____ (“**Franchisee**”). Midas and Franchisee may jointly be referred to herein as the “**Parties**” or individually as a “**Party**.”

RECITALS

Whereas, Midas and Franchisee are parties to a Midas Franchise Agreement (“**Franchise Agreement**”) which grants Franchisee the right to operate a Midas Shop (as defined in the Franchise Agreement) at the following location: _____ (the “**Shop**”).

Whereas, Speedee Worldwide, LLC (“**Speedee**”) operates and grants franchises to third parties to operate Speedee Oil Change & Auto Service centers that primarily provide fast fluid exchange and lubrication services to customers utilizing certain Speedee trademarks, logos, emblems and other indicia, including the mark “Speedee Oil Change & Auto Service” (hereinafter the “**Speedee Proprietary Marks**”).

Whereas, Speedee has granted Midas the right to license to certain Midas franchisees the Speedee Proprietary Marks in connection with fluid exchange and lubrication services and certain other designated services in a “Midas/Speedee” co-branding shop.

Whereas, Franchisee desires to obtain a license to use the Speedee Proprietary Marks in the operation of its Shop as a “Midas/Speedee” co-branding shop upon the terms and subject to the conditions described herein.

AGREEMENT

NOW, THEREFORE, it is mutually agreed that the Franchise Agreement shall be amended in the following respects:

1. Definitions. Capitalized terms used in this Amendment and not otherwise defined herein shall have the meaning set forth in the Franchise Agreement.

2. Term of Amendment. The term of this Amendment shall commence on the Effective Date and shall end on the expiration or any termination of the Franchise Agreement or upon any earlier termination of this Amendment in accordance with its terms. Midas reserves the right to terminate this Amendment upon notice to Franchisee, in the event that Midas loses the right to license the Speedee Proprietary Marks for any reason. Upon such termination, the terms of the Franchise Agreement, without the modifications under this Amendment, shall apply. Upon such termination of this Amendment, Franchisee shall modify its Shop to remove the Speedee Proprietary Marks and as otherwise necessary to meet the then-current standards for a standard, single-brand Midas Shop as dictated by Midas.

3. Grant of Rights to Speedee Proprietary Marks. Midas hereby grants to Franchisee, and Franchisee hereby accepts from Midas, the limited right to use the Speedee Proprietary Marks designated by Midas in conjunction with the Proprietary Marks in the operation of the Shop pursuant to the terms of the Franchise Agreement and this Amendment. Franchisee acknowledges the validity of the Speedee Proprietary Marks, that the same are the sole and exclusive property of Speedee, that Speedee has

granted Midas the right to license the same, and that Franchisee may use the SpeedDee Proprietary Marks with the Proprietary Marks only for so long as the right and license granted in this Amendment remains in force, and as directed by Midas. Except with respect to the identity of the owner of the SpeedDee Proprietary Marks, which is addressed above, any and all references in the Franchise Agreement to the Proprietary Marks are deemed to and shall include the SpeedDee Proprietary Marks as well as any combined usage of the Midas Proprietary Marks and SpeedDee Proprietary Marks, such as “Midas/SpeedDee Shop.” All obligations and restrictions established by Midas for the Proprietary Marks under the Franchise Agreement shall apply equally to the SpeedDee Proprietary Marks unless Midas provides otherwise. The applicable sections of the Franchise Agreement, including in particular Sections 2.1 and 2.2, are amended accordingly.

4. SpeedDee Services and Products. The SpeedDee Proprietary Marks shall be used only in connection with the offer and sale of those authorized SpeedDee services and products that Midas authorizes from time to time (the “**SpeedDee Services and Products**”), which may be offered through the Shop in addition to those authorized Midas services and products designated in Schedule A to the Franchise Agreement. Midas may impose standards and requirements on the SpeedDee Services and Products to the same extent as the Midas services and products. The applicable sections of the Franchise Agreement, including in particular Section 6.2, are amended accordingly. For avoidance of doubt, Franchisee acknowledges that the Net Revenue as defined in Section 4.1 of the Franchise Agreement on which the royalty fees are based include all revenues derived by Franchisee from the sale of SpeedDee Services and Products.

5. Standards Related to Co-Branding Operations. Midas may impose standards and requirements for the Shop to be operated as a co-branding outlet that are different from and/or in addition to those that apply to a standard Midas Shop. This includes but is not limited to different terms for warranties and guarantees on SpeedDee Services and Products purchased and sold than those described in Article 5, product purchases and supplies in Section 6.2, Shop design and appearance in Section 6.5, Franchisee advertising in Section 6.8, Shop policies, regulations, and procedures in Section 6.15, and the Shop build-out in Section 6.18.

6. Increased Royalty Fees. If Franchisee’s Shop is located in a Designated Market Area, as defined by Nielsen Media Research, Inc. or its successor, in which there are two or more then-currently operating SpeedDee retail outlets franchised by SpeedDee that pay SpeedDee a six percent (6%) advertising fee (the “**SpeedDee DMAs**”), then Franchisee will pay Midas an additional royalty equal to one percent (1%) of Franchisee’s Net Revenue for the preceding month derived from SpeedDee Services and Products. Section 4.1 of the Franchise Agreement is modified accordingly. Furthermore, any royalties paid based on Net Revenues derived from the SpeedDee Services and Products shall be excluded from the amounts which Midas has agreed to expend on media costs, commissions and fees, production costs, and other advertising pursuant to Section 3.1(h) of the Franchise Agreement, although a portion of such amounts may be used by SpeedDee for its own marketing programs. Franchisee may be required by Midas to participate in and cooperate with SpeedDee in those marketing programs.

7. Indemnification and Insurance. All references to Midas in Section 6.9 of the Franchise Agreement shall include SpeedDee.

8. Conflict/Ratification. In the event of any conflict between the provisions of this Amendment and any provision of the Franchise Agreement, this Amendment shall control. Except as expressly modified by this Amendment, the provisions of the Franchise Agreement, including any amendments thereto, shall remain in full force and effect.

9. Authority. The person signing this Amendment on behalf of Franchisee represents and warrants that he/she has the authority to bind Franchisee.

10. Termination. Section 8.1 of the Franchise Agreement, titled “Termination By Franchisee,” is deleted from the Franchise Agreement.

11. Guarantor Consent. Franchisee represents that all individuals who have executed a Personal Guaranty guarantying the performance of Franchisee under the Franchise Agreement, if any, have signed the Guarantor Consent set forth below.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed and entered into as of the date first above written.

To ensure prompt payment of royalties due Midas pursuant to the Franchise Agreement, Franchisee hereby authorizes Midas to debit from its account, as identified below, the amount of each monthly royalty due to Midas, as calculated from Franchisee’s monthly M2 sales report, on or after the 10th day of each month, commencing immediately. Franchisee agrees to deliver its monthly M2 sales report electronically, as required by Section 4.2 of the Franchise Agreement, by the 5th day of each month. In the event Franchisee fails to deliver its monthly M2 sales report electronically to Midas on or before the 5th day of each month, Franchisee hereby authorizes Midas to debit from its account, as identified below, the estimated monthly royalty amount due to Midas, as calculated by Midas, on or after the 10th day of each month, commencing immediately.

In addition, in order to ensure prompt payment of the trade account, rent, real estate taxes, rent tax, sales tax, common area charges and any other monetary obligations due Midas or its parent companies, subsidiaries, or affiliates (the “Midas Parties”), Franchisee hereby authorizes the Midas Parties to debit the amount of trade account charges, rent (both fixed minimum rent and percentage rent), real estate taxes, rent tax, sales tax, common area charges and other monetary obligations from Franchisee’s account, as identified below, on or after the first of each month (or otherwise when due), commencing immediately. This ACH Authorization is also applicable to any other account now or hereafter maintained by Franchisee, should the above-referenced account be closed, deemed inactive, have a zero balance or for any other reasonable determination by Midas. Further, if the ACH debit is unsuccessful and Midas incurs any bank fees or other charges as a result thereof, Franchisee agrees that Midas may subsequently debit Franchisee’s account in the amount of such fees or charges. This ACH Authorization is to remain in full force and effect until the bank has received joint written notification from Midas and Franchisee of Franchisee’s termination of such authority in such time and in such manner as to afford the bank a reasonable opportunity to act on it.

FLEET AMENDMENT TO THE FRANCHISE AGREEMENT

This Fleet Amendment to the Franchise Agreement (this “**Amendment**”), dated effective as of _____, 20____ (the “**Effective Date**”), is by and between Midas International, LLC (“**Midas**”) and _____ (“**Franchisee**”).

Midas and Franchisee are parties to a Franchise Agreement (the “**Franchise Agreement**”), which grants Franchisee the right to operate a Midas Shop at the following location: _____ (the “**Shop**”).

Midas has developed a program (the “**Program**”) that provides Midas franchisees the opportunity to sell automotive aftermarket products and services to commercial fleet customers and national rebillers and resellers of aftermarket automotive goods and services (collectively, “**Fleet Customers**”).

Midas and Franchisee wish to amend the Franchise Agreement to authorize Franchisee to participate in the Program, upon the terms and subject to the conditions described herein.

NOW, THEREFORE, it is mutually agreed that the Franchise Agreement shall be amended in the following respects:

1. Definitions. Capitalized terms used in this Amendment and not otherwise defined herein shall have the meaning set forth in the Franchise Agreement.

2. Term of Amendment. The term of this Amendment (such term, including any and all extension terms, referred to herein as the “**Amendment Term**”) shall commence on the Effective Date and shall end on the earlier to occur of (i) the expiration or any termination of the Franchise Agreement, (ii) any date that Midas notifies Franchisee of Midas’ election to terminate this Amendment pursuant to Section 7 hereof, or (iii) January 31, 2025.

Midas shall have the right, but not the obligation, in its sole discretion, to extend the Program for one or more consecutive five (5) year extension terms. Midas shall notify Franchisee of any such decision to extend by providing Franchisee with written notice thereof no later than three (3) months prior to the expiration of the then-current term. Within ninety (90) days of its receipt of Midas’ notice of extension, Franchisee shall notify Midas, in writing, as to whether Franchisee wishes to continue its participation in the Program for the next upcoming extension term. Any failure by Franchisee to provide Midas with the foregoing notification shall constitute Franchisee’s formal, irrevocable notice to Midas of its decision not to continue its participation in the Program following the then-current term.

Notwithstanding the foregoing, and without limiting the generality of Section 7 below, Midas reserves the right to cancel any then upcoming extension term in the event that less than ninety percent (90%) (or such other percentage as determined by Midas, in its sole discretion) of the then-existing Midas shops located in the United States provide notice to Midas of their intention to participate in the Program during the next upcoming extension term as of the expiration date of the then-current term or extension term.

3. Program Requirements. In consideration of the agreements of Midas contained herein, Franchisee hereby agrees to participate in the Program and to fully comply with all Program requirements, policies and procedures described on Exhibit A attached hereto and made a part hereof, as well as any and all additional Program requirements, policies and procedures that Midas may from time to time hereafter adopt in connection with the Program (collectively, the “**Program Requirements**”), at all times during the Amendment Term.

4. Program Guidelines; National Fleet Customer Contracts. In order to meet the specific automotive aftermarket products and services needs of Fleet Customers whose business operations are conducted in more than one Designated Marketing Area, as determined by Nielsen Media Research, Inc. or its successor (each a “**National Fleet Customer**”), Franchisee agrees to offer and make available to all National Fleet Customers, and otherwise to fully comply with, at all times during the Amendment Term, the standard menu of services and prices (and the guidelines relating to products and/or services not appearing on said standard menu) set forth on Exhibit B attached hereto and made a part hereof, as well as any and all additional menu items and/or guidelines that Midas may from time to time hereafter adopt for the Program (collectively, the “**Program Guidelines**”). Franchisee further agrees to fully comply with the Program Guidelines at all times during the Amendment Term. Franchisee hereby acknowledges and agrees that Midas shall be entitled to make changes and adjustments to the Program Guidelines, including the prices appearing thereon, from time to time during the Amendment Term, and Franchisee agrees to abide by such changes and/or adjustments. Franchisee hereby further acknowledges and agrees that, at all times during the Amendment Term, Midas shall be authorized to enter into, on behalf of Franchisee and other Program participants, contracts with National Fleet Customers which are consistent with the Program Guidelines (each a “**National Fleet Customer Contract**”). Franchisee agrees to fully comply with any and all National Fleet Customer Contracts to the full extent provided therein.

Franchisee acknowledges and agrees that the Program Guidelines apply specifically to National Fleet Customers only and are not required to be used by Franchisee for any other customers or any other purposes whatsoever, including, without limitation, for purposes of determining Franchisee’s standard retail pricing and local fleet customer pricing (which pricing shall at all times be determined by Franchisee in its sole and absolute discretion). The parties understand and agree that Franchisee’s decision whether to enter into this Amendment and whether to continue to participate in the Program is voluntary and within Franchisee’s sole and absolute discretion. Accordingly, Franchisee shall not be subject to any penalty or other adverse action by Midas if Franchisee elects not to enter into this Amendment and/or participate in the Program.

5. Service Provider Agreement(s). As part of Franchisee’s agreement to participate in the Program, Franchisee shall enter into one or more separate agreements (each a “**Service Provider Agreement**”) with such processor(s)/service provider(s) as from time to time may be designated by Midas for the Program (each a “**Service Provider**”). Franchisee further acknowledges that Midas may, in its sole discretion, designate a different and/or additional Service Provider(s) for the Program at any time or times hereafter. Franchisee agrees to fully comply with all of the terms and conditions of any and all Service Provider Agreements to the full extent provided therein.

6. List of Participating Midas Shops. Midas agrees, and Franchisee hereby authorizes Midas, to include the Shop in Midas’ master list of Midas shops participating in the Program during the Amendment Term.

7. Termination of Amendment. Franchisee agrees that its failure to fully comply with the Program Requirements, the Program Guidelines, the National Fleet Customer Contracts and the Service Provider Agreement(s), as well as the terms and conditions of this Amendment, shall constitute a breach of this Amendment. In the event of any such breach, Midas shall have the right, in its sole discretion, to immediately terminate this Amendment upon delivery of written notice thereof to Franchisee. Such right to terminate shall be in addition to all other rights and remedies as may be available to Midas at law, in equity or by contract; provided, however, that, notwithstanding anything contained herein to the contrary, the parties hereto agree that Franchisee’s breach of this Amendment shall not, in and of itself, constitute a breach under, nor grounds for termination of, the Franchise Agreement (unless and only to the extent that the action or inaction giving rise to the breach under this Amendment would also give rise to a breach under the Franchise Agreement in the absence of this Amendment). Upon any such termination of this Amendment, Franchisee shall no longer be entitled to participate in the Program.

In addition to the foregoing, Midas shall have the right, in its sole discretion, to immediately terminate this Amendment upon delivery of written notice thereof to Franchisee in the event that, at any time during the Amendment Term, less than ninety percent (90%) of the then existing Midas shops located in the United States are participating in the Program (as evidenced by the then-effective Fleet Program Participation Amendments), but only to the extent that such termination is in connection with a corresponding termination of the entire Program by Midas.

In the event of the expiration or any termination of this Amendment, Franchisee shall immediately cease using any and all materials regarding the Program, and shall cease advertising, promoting, holding itself out as a participant of, or otherwise attempting to participate in, the Program. Further, in such event, Franchisee agrees to return to Midas, at Franchisee's cost, all Program-related materials then in its possession or otherwise under its control.

Franchisee acknowledges and agrees that nothing contained in this Amendment shall be deemed to constitute a promise, commitment or guarantee on the part of Midas that the Program will remain in effect for the entire Amendment Term. Rather, Franchisee understands and agrees that Midas shall have the right, in its sole discretion, to terminate, discontinue and/or cease maintenance of the Program, for any or no reason, at any time prior to the commencement of, during or after the Amendment Term.

8. Amendment to Section 3.1(h). Section 3.1(h) of the Franchise Agreement is hereby amended by adding "Except as otherwise provided in Section 4.3 below," to the beginning of the third sentence thereof.

9. Amendment to Section 4.1(a). Section 4.1(a) of the Franchise Agreement is hereby amended by deleting the first sentence thereof in its entirety and replacing it with the following:

"Except as set forth in Sections 4.1(b), 4.1(c), 4.1(d) and 4.3 (as applicable) below, Franchisee agrees to pay to Midas, within ten (10) days after the close of each calendar month during the term of this Agreement, a royalty in an amount equal to ten percent (10%) of Franchisee's Net Revenue for said preceding month."

10. Addition of New Section 4.3. The Franchise Agreement is hereby further amended by adding the following as a new Section 4.3 thereto:

"4.3 Royalty on Qualifying Fleet Customer Sales. From time to time during the term of this Agreement, Midas may, in its sole discretion, implement and administer a National Fleet Program for the Midas System (hereinafter referred to as the "**Fleet Program**"). Franchisee may participate in such Fleet Program by executing a written amendment to this Agreement (the "**Fleet Amendment**"). In such event and notwithstanding the foregoing to the contrary, during the Amendment Term (as defined in the Fleet Amendment), Franchisee agrees to pay to Midas, at the same time the royalties provided for in Section 4.1 above are payable, a reduced royalty (the "**Fleet Royalty**") as follows:

- (a) for the period commencing on the effective date of the Fleet Amendment and ending on July 31, 2025, seven percent (7%) of Franchisee's Net Revenue for the preceding calendar month from sales to Qualifying Fleet Customers (as hereinafter defined); provided, however, that Franchisee understands and agrees that only an amount equal to 2% of such Net Revenue is required to be expended by Midas for advertising pursuant to Section 3.1(h) above; and
- (b) for the remainder of the term of this Agreement, ten percent (10%) of Franchisee's Net Revenue for the preceding calendar month from sales to all Qualifying Fleet Customers, in accordance with Section 4.1(a) above.

For purposes of this Section 4.3, a “**Qualifying Fleet Customer**” shall mean any National Fleet Customer (as defined in the Fleet Amendment) who participates in the Fleet Program or local fleet customer, in either case whose sales are processed by the processor(s)/service provider(s) designated by Midas from time to time for the Fleet Program.

Franchisee agrees that the foregoing reduced Fleet Royalty shall be effectuated pursuant to a two-step process. Franchisee shall first pay the full ten percent (10%) royalty on Franchisee’s Net Revenue under the Fleet Program referenced in Section 4.3(a) above. Midas shall then, in a subsequent month, issue a corresponding credit to Franchisee’s trade account in an amount equal to three percent (3%) of Franchisee’s Net Revenue under the Fleet Program for the applicable month.

Franchisee understands and agrees that the Fleet Royalty shall apply solely with respect to Franchisee’s sales of automotive aftermarket products and services to Qualifying Fleet Customers, and then only with respect to those sales which are processed through Midas’ then designated processor(s)/service provider(s), during the specific periods described above. Accordingly, unless otherwise provided in Section 4.1 above, the royalty rate of ten percent (10%) of Franchisee’s Net Revenue, as specified in Section 4.1 above, shall apply with respect to all other Net Revenue, whether relating to Qualifying Fleet Customers or otherwise. Royalties received by Midas pursuant to this Section 4.3 shall not be deemed trust funds nor shall Midas be required to segregate such funds in any way, but they shall be deemed general funds of Midas for all purposes.”

11. Indemnification. Franchisee acknowledges and agrees that Midas is not and shall not be responsible, for any reason, for any claims or liabilities that may arise out of Franchisee’s participation in the Program, including, without limitation, those related to services provided to Fleet Customers or otherwise arising under any National Fleet Customer Contracts, any Service Provider Agreement(s), or any other contracts or agreements entered into by Franchisee in connection with the Program (collectively, “**Losses**”). Accordingly, Franchisee agrees to indemnify, defend and hold Midas harmless from and against any and all such Losses.

12. Conflict; Ratification. In case of any conflict between the provisions of this Amendment and any provision of the Franchise Agreement, this Amendment shall control. Except as expressly modified by this Amendment, the provisions of the Franchise Agreement, including any amendments thereto, shall remain in full force and effect.

13. Authority. The person signing this Amendment on behalf of Franchisee represents and warrants that he/she has the authority to bind Franchisee.

IN WITNESS WHEREOF, the parties have caused this Amendment to be executed and entered into as of the date first above written.

Notwithstanding anything to the contrary that may be contained in Article 5 of the Franchise Agreement, Franchisee agrees that the limited warranty applicable to parts purchased by National Fleet Customers shall be as follows:

1. Midas lifetime guaranteed brake pads and shoes, mufflers, shocks and struts shall be sold by Franchisee to National Fleet Customers with the same limited lifetime guarantee terms and according to the same procedures applicable to retail purchasers of Midas lifetime guaranteed brake pads and shoes, mufflers, and shocks and struts, subject to the limitations described in Item 5 below.

3. Batteries shall be sold by Franchisee to National Fleet Customers with the applicable battery manufacturer's warranty passed through to the National Fleet Customer by Franchisee.
4. All parts, except for tires, batteries and Midas lifetime guaranteed brake pads and shoes, mufflers, shocks and struts shall be sold by Franchisee to National Fleet Customers with a 12 month/12,000 mile limited warranty covering replacement of the warranted part and the labor involved in installing the part, subject to the limitations described in Item 5 below. Fluid exchange services and diagnostic services are NOT warranted for 12 months/12,000 miles.
5. Franchisee shall not be required to honor the above-referenced 12 month/12,000 mile limited warranty or the Midas lifetime guarantee on brake pads and shoes, mufflers, and shocks and struts if the vehicle for which warranty coverage is requested is: (i) driven under conditions that do not constitute normal use, (ii) used primarily off-road or (iii) abused or neglected.

Franchisee agrees to abide by and honor the foregoing warranty terms at all times during the Amendment Term with respect to all National Fleet Customers, regardless of the fact that a National Fleet Customer's warranty may have been issued prior to the Effective Date.

Franchisee agrees that, except with respect to Midas lifetime guaranteed brake pads and shoes, mufflers, and shocks and struts, all warranties provided by Franchisee to National Fleet Customers during the Amendment Term shall be self-funded by Franchisee, and, as such, Franchisee shall not be entitled to any credit or reimbursement from Midas for such warranty service, regardless of the date that the warranty was initially issued to the National Fleet Customer. With respect to Midas lifetime guaranteed brake pads and shoes, mufflers, and shocks and struts sold to National Fleet Customers, Franchisee shall be entitled to receive warranty credit from Midas in accordance with Midas' then standard warranty reimbursement policies and procedures applicable to Midas lifetime guaranteed brake pads and shoes, mufflers, and shocks and struts.

Exhibit B

Standard Menu of Services and Prices for National Fleet Customers

Given the nature of the national fleet business and the business need to establish a consistent, competitive price for automotive aftermarket products and services for National Fleet Customers, it is necessary for each franchisee desiring to participate in the Program to agree to a specified menu of services, prices, discounts and pricing methods. Accordingly, Franchisee agrees to offer the services, prices and discounts as described herein, to all National Fleet Customers.

Menu Services

Menu services are services commonly performed by Franchisee for which National Fleet Customers require standard pricing. Franchisee agrees to provide the menu services listed in Table B.1 attached hereto to all National Fleet Customers (collectively, the “**Menu Services**”).

Non-Menu Services

Non-menu services are any other services performed by Franchisee not otherwise listed as Menu Services (collectively, the “**Non-Menu Services**”).

List Price for National Fleet Customers

“List Price” is the standard price Franchisee agrees to charge National Fleet Customers, subject to the applicable Discount (as defined below), for Menu Services and Non-Menu Services. List Price is the starting point for all National Fleet Customer pricing scenarios and will function as a “Not to Exceed” threshold.

List Price for Menu Services

List Price for Menu Services is described in Table B.1 attached hereto.

List Price for Non-Menu Services

List Price for Non-Menu Services shall be determined using zoned hourly labor rates, labor times, PQL (as defined below) parts and tire pricing, as follows:

- Zoned Hourly Labor Rates – Franchisee agrees to charge the hourly labor rate applicable to the zone in which the Midas Shop is located. The four (4) zones are described in Table B.2 attached hereto. The zones are comprised of entire States, except for certain metro and major metro cities, which are also listed in Table B.2 attached hereto.
- Labor Times – Franchisee agrees to use the labor times listed in the Identifix, Epicor (formerly Activant), Mitchell, Alldata or Wrenthead catalog to determine the appropriate repair time for Non-Menu Services.
- Non-Menu Service Labor Charge – In order to establish the labor charge for a Non-Menu Service, Franchisee shall multiply the labor rate applicable to the zone in which the Midas Shop is located by the repair time listed in the Identifix, Epicor (formerly Activant), Mitchell, Alldata or Wrenthead catalog. Franchisee will charge the National Fleet Customer the resulting labor charge for the Non-Menu Service.
- Aftermarket Parts – Aftermarket parts not otherwise included in the provision of Menu Services and not sourced from OEMs (through auto dealerships) will be priced on a Price Quoted Locally (“PQL”) basis. Per PQL, Franchisee may sell such part or tire at the current market rate for

National Fleet Customers, as determined by Franchisee. Franchisee agrees to sell PQL parts and tires at a price that is competitive within its market.

- OEM Dealer Parts – Aftermarket parts not otherwise included in the provision of Menu Services that are sourced from OEMs (through auto dealerships) will be priced per PQL with a mark-up not to exceed 20% above dealer list price. Franchisee agrees to this mark-up cap for OEM dealer parts.

Discount Off List Price

Franchisee agrees that a discount not to exceed twelve percent (12%) (the “**Discount**”) may be applied to the List Price for Menu Services and Non-Menu Services offered to National Fleet Customers. The exact Discount applicable to each National Fleet Customer will be based upon the specific requirements of each National Fleet Customer. In no event shall the Discount exceed twelve percent (12%). The Discount may be offered as a rebate to the National Fleet Customer or deducted from the applicable List Price at the time of sale.

Taxes and Environmental Fees

Calculation and payment of sales tax and environmental and other fees levied by municipal, county, State, Federal, etc. governments are the responsibility of Franchisee. Franchisee shall calculate said taxes and fees following the laws provided by the applicable government agencies.

Transferor, Transferor Guarantor, Transferee, and Transferee Guarantor shall collectively be referred herein as the “**Transferring Parties**”.

WHEREAS, Transferor and the Franchisor are parties to a certain Franchise Agreement dated _____ (“**Franchise Agreement**”) (together with all related documents and any amendments, addendums, letters, riders, and personal guaranty through the Effective Date, the “**Franchise Documents**”) pursuant to which Transferor purchased the rights to operate a Midas® franchised business pursuant to Franchisor’s systems within Transferor’s retail location at _____ (“**Shop**”);

WHEREAS, Transferor Guarantor personally guaranteed Transferor’s obligations under the Franchise Documents;

WHEREAS, Transferor Guarantor desires to sell and Transferee desires to purchase the Shop (the “**Transfer**”) and have entered into a purchase agreement dated the ___ day of _____, 20__ providing for the Transfer (the “**Sale**”);

WHEREAS, Transferee will enter into a New Franchise Agreement (defined below) with Franchisor upon the Transfer;

WHEREAS, Transferee Guarantor will personally guaranty Transferee’s obligations under the New Franchise Agreement;

WHEREAS, pursuant to Section 7.4 of the Franchise Agreement the Transfer requires Franchisor’s consent, which may be conditioned, among other things, on Transferor and Transferor Guarantor signing a general release agreement of the Franchised Documents attached hereto as Exhibit A and Transferee entering into the New Franchise Agreement attached hereto as Exhibit B; and

WHEREAS, Franchisor is willing to provide its consent to the Transfer and Sale, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Termination of Franchise Documents.** As of _____ :
 - (a) the Franchise Documents will hereby terminate in all respects and will be of no further force or effect, subject to any rights or obligations that survive such termination and (b) Transferor and Transferor Guarantor shall sign the termination and release agreement attached as Exhibit A (“**Termination and Release Agreement**”).

2. **Franchisor's Consent.** Franchisor, upon its execution hereof, consents to the Transfer and Sale, subject to the terms and conditions stated herein.

3. **Execution of New Franchise Agreement.** Unless previously executed, as of the Effective Date, Franchisor, Transferee, and Transferee Guarantor shall enter into the New Franchise Agreement documenting the grant to Transferee to operate the Midas franchised business within the Shop, copies of which are attached as Exhibit B (the "**New Franchise Agreement**"). If Franchisor and Transferee previously entered into a franchise agreement without designating the Approved Location (as defined in the New Franchise Agreement), Franchisor and Transferee shall execute as of the Effective Date all additional agreements to recognize the Transfer, including without limitation, Schedule B to the franchise agreement previously signed and the Real Estate Documents (as defined in the New Franchise Agreement). Further, in this instance, the previously signed franchise agreement by the Transferee shall become the New Franchise Agreement.

4. **LSA Assumption.** Transferee hereby assumes, and covenants to perform, the liabilities, obligations and undertakings of Transferor (or its principal) under any Local Sales Accelerator (LSA) agreement entered into by Transferor (or its principal) for the Shop including, without limitation, all past due (if any) and future contribution and payment obligations thereunder prior and subsequent to the Effective Date. Transferor and Transferor Guarantor (and not Franchisor) shall be responsible for making any proration calculations.

5. **Assumption of Shop Obligations.** Transferee hereby agrees that it shall honor, and assume the obligations and liabilities that specifically relate to: (i) all "in Shop" non-Midas warranties issued or redeemable at the Shop; (ii) all pre-paid services agreements, plans and programs (for oil changes, maintenance services, tire service programs, etc., lifetime or otherwise) which were sold, or are redeemable or presented for redemption, at the Shop; and (iii) all coupons, certificates and similar offers which are redeemable, or presented for redemption, at the Shop (all the foregoing, collectively, "**Shop Obligations**"). Franchisor shall have no liability, responsibility or obligations whatsoever (monetary or otherwise) with respect to Shop Obligations. Transferee agrees to indemnify and hold Franchisor harmless from all costs, damages, claims and awards relating to Shop Obligations. Nothing herein, however, shall relieve Franchisor from its obligations under Section 5.3 of the Franchise Agreement.

6. **Subordination.** Transferee and Transferee Guarantor hereby request that Franchisor extend credit to Transferee. To induce Franchisor to extend Transferee credit, Transferee and Transferee Guarantor hereby agree that any past, current or future indebtedness owed by Transferee to Transferee Guarantor ("**Indebtedness**") shall at all times be subordinate to any royalty, trade, rent, promissory note or other account owed by Transferee to Franchisor ("**Money Owed Midas**"). Transferee and Transferee Guarantor hereby agree that as long there is any Money Owed Midas, Transferee shall not pay, and Transferee Guarantor shall not accept payment of, any Indebtedness, directly or indirectly via payments, loans, advances, gifts or any other form or manner of cash or other consideration, other than Transferee Guarantor's agreed compensation, without Franchisor's prior written consent.

7. **Transfer Fee.** Pursuant to Section 7.4(h) of the Franchise Agreement, a transfer fee equal to the greater of: (i) \$5,000 or (ii) fifteen percent (15%) of the standard initial franchise fee Midas charges new franchisees (i.e., franchisees who own no other Midas Shops) at the time of the closing of the proposed transaction must be paid to Franchisor ("**Transfer Fee**"). The Transferring Parties hereby agree and acknowledge that they are jointly and severally liable to Franchisor for the payment of the Transfer Fee and the Transfer will not be approved by the Franchisor until the Transfer Fee is paid in full.

8. Prorated Initial Franchise Fee. If Transferee requests a longer Term for the New Franchise Agreement versus just taking on the remaining portion of the Term on the Transferor's Franchise Agreement, Franchisor will grant to Transferee a full twenty (20) year Term, but Transferee must pay to Franchisor upon signing this Agreement a prorated portion of the 9.6 Renewal Fee (as defined in the Franchise Agreement) corresponding to the remaining portion of the Term on the Transferor's Franchise Agreement (e.g. if the 9.6 Renewal Fee is \$5,000 and 10 years remain on Term of Transferor's Franchise Agreement, then Transferee shall pay a prorated initial franchisee fee to Franchisor of \$2,500 representing adding 10 years for a full 20 year term). If applicable, this prorated initial franchise fee is in addition to the payment of the Transfer Fee. If Franchisor and Transferee previously entered into a franchise agreement for a full twenty (20) year term without identifying the Approved Location prior to entering into this Agreement (which is becoming the New Franchise Agreement) and Transferee paid to Franchisor an initial franchise fee for a full twenty (20) year term, Franchisor will apply a credit towards Transferee's Transfer Fee to be paid to Franchisor or if greater than the Transfer Fee amount or any other amounts owed to Franchisor at the time of the Transfer, Franchisor will provide Transferee an applicable credit on their accounts receivable with Franchisor for the remaining portion of the Term on the Transferor's Franchise Agreement, as calculated by Franchisor in their sole discretion.

9. Good Standing and Payment of Amounts Owed. Prior to or concurrently with the execution of this Agreement, Transferor and Transferor Guarantor must be in good standing with Franchisor and pay all amounts due and owing to Franchisor, including, without limitation, all remaining accounts receivable due and owing for any Midas Shops connected with Transferor or Transferor Guarantor. The Transfer will not be approved by the Franchisor until Transferor and Transferor Guarantor have paid all amounts due and owing to Franchisor.

10. Release of the Franchisor Parties by Transferee Parties and Covenant Not to Sue. Transferee and the Transferee Guarantor, on behalf of themselves and their respective past, present and future officers, directors, members, managers, affiliates, shareholders, equity partners, employees, representatives and agents, and all of their respective successors, heirs, executors, administrators, personal representatives and assigns (collectively, the "**Transferee Parties**"), hereby irrevocably and unconditionally release and forever discharge and covenant not to sue Franchisor, its present and former officers, directors, equity holders, employees, attorneys, agents, predecessors, successors, assigns and all other persons connected with or to Franchisor, in their corporate and individual capacities (collectively, the "**Franchisor Parties**"), from any and all claims, demands, causes of action, suits, losses, liabilities, costs, expenses (including attorney's fees) and damages of any kind or nature, in law or in equity (collectively, the "**Claims**") which any of the Transferee Parties ever had, may have had, or may now have arising from any matter of any kind, against any of the Franchisor Parties, whether known or unknown, including, without limitation, any matter arising under federal, state and local laws, rules and ordinances, or otherwise relating to or arising directly or indirectly in connection with the relationship between any of the Transferee Parties and any of the Franchisor Parties, at any time prior to or on the Effective Date. Transferee and the Transferee Guarantor, for themselves and the Transferee Parties, further covenant not to sue any of the Franchisor Parties on any Claims released by this Agreement or any matter arising from or involving any obligation related to the Shop.

The following provision applies for any Transferee Parties in California:

It is intended that this Agreement shall be effective as a bar to each and every action and cause of action related to the released Claims, whether known or unknown, foreseen or unforeseen, suspected or unsuspected, that each Transferee Party may have against the Franchisor Parties and each Transferee Party expressly waives any and all rights under Section 1542 of the California Civil Code, which

The Shop is being opened as a new location in addition to the Franchisee’s current location(s), and as an incentive to Franchisee in opening and operating an additional Midas franchise location, Franchisor is providing the incentives stated herein.

2. Initial Franchise Fee. Franchisor agrees that the initial franchise fee described in Section 1.4 of the Franchise Agreement shall be in the reduced amount of [**\$10,000/\$5,000**]. Franchisee is required to hold the rights to the Franchise Agreement, and if applicable the qualifying majority interest owner in the Franchisee entity will continue to hold that majority interest, for at least two continuous years following the Effective Date, and to open the Shop on or before June 30, 2025. If Franchisee does not do so, Franchisee must pay Franchisor for the difference between the standard initial franchise fee amount (\$35,000) and the reduced amount that Franchisee has paid, which amount becomes due immediately at the time Franchisee no longer satisfies the ownership requirement or fails to meet the opening deadline.

3. Royalty Fees. The monthly royalties described in Section 4.1 of the Franchise Agreement shall be reduced by 80% after the Shop opens and through the first full 12 months thereafter. Commencing the 13th full month following the opening of the Shop through the 24th full month thereafter, the monthly royalty shall be reduced by 60%, and commencing the 25th full month following the opening of the Shop through the 36th full month thereafter, the monthly royalty shall be reduced by 40%. Commencing on the 37th full month following the opening of the Shop and thereafter, the full royalty will be charged. This royalty rate reduction does not apply to royalties paid based on sales of tires and batteries.

4. Initial Tire Order Incentive. If Franchisee places an initial order for at least 160 tires with TBC Corporation within 60 days of opening or taking ownership of the Shop, Franchisee may pay for the tires over 12 months in 12 equal payments commencing the month after delivery, subject to credit approval. If Franchisee places an initial tire order with TBC Corporation for 320 or more tires within 60 days of opening the Shop, in addition to the 12 equal monthly payment terms, TBC Corporation will provide Franchisee a \$5,000 credit toward an approved tire changer purchased from TBC Corporation. This paragraph 4 will not apply if the Midas Shop is an existing Midas outlet transferred to Franchisee from another Midas franchisee.

5. Initial Equipment Order Incentive. If Franchisee places an initial order of up to \$100,000 in Shop equipment with TBC Corporation within 60 days of opening or taking ownership of the Shop,

Franchisee may pay for the equipment over 12 months in 12 equal payments commencing the month after delivery, subject to credit approval.

6. Conversion Construction. Franchisee must perform the construction changes provided in Exhibit A to this Rider to the Shop, if applicable, within 30 days after the Effective Date to Franchisor's satisfaction and brand standards.

7. Termination. In the event of the termination of the Franchise Agreement prior to the expiration of its term for any reason, the incentives contained in this Rider shall be null and void and Franchisee shall reimburse Franchisor for the full value of any incentive contained in this Rider within thirty days after such termination.

Except as amended by this Rider, all of the terms of the Franchise Agreement, including any riders, addenda and amendments thereto, shall not be affected. The incentives contained in this Rider are personal to Franchisee and are non-transferrable.

IN WITNESS WHEREOF, the Parties have executed and delivered this Rider as of the Effective Date.

1. Background. Franchisor and Franchisee are parties to that certain Midas Franchise Agreement for the Midas Shop located at _____ (“**Shop**”) that has been signed at the same time as the signing of this Rider (the “**Franchise Agreement**”; all capitalized terms used but not defined herein shall have the meanings set forth in the Franchise Agreement). Franchisor is offering to reduce the initial franchise fee for franchisees satisfying Franchisor’s “Veteran & First Responder Program,” by having received an honorable discharge from one of the U.S. Armed Forces (i.e., Army, Navy, Air Force, Coast Guard or Marine Corps) or currently serving in one of the U.S. Armed Forces and eligible to receive an honorable discharge, or being an entity in which such veteran owns a majority interest. This incentive is also available to first responders who were employed for a minimum of five years as a law enforcement officer, medical doctor, nurse, emergency medical technician or fire fighter, and who apply for a Midas franchise after ending their service as a first responder, or an entity in which such first responder owns a majority interest. Franchisor may establish other qualification requirements that will be provided in writing to Franchisee. Franchisee hereby represents and warrants to Franchisor, that Franchisee (or, if Franchisee is a business entity, Franchisee’s majority owner) satisfies the veteran or first responder requirements, which Franchisee authorizes and will assist Franchisor to verify, and desires to participate in Franchisor’s Veteran & First Responder Program. The Parties have agreed to amend the Franchise Agreement in accordance with the terms and conditions of this Rider. This Rider is part of the Franchise Agreement. The incentives under this Rider apply only to the first Midas franchise established by the veteran or first responder, or its entity.

2. Initial Franchise Fee. Based upon Franchisee’s representation and warranty that Franchisee meets the requirements of Franchisor’s Veteran & First Responder Program, Franchisor hereby waives the initial franchise fee.. Notwithstanding the foregoing, in the event Franchisee has signed the Franchise Agreement without identifying a site for the Shop, Franchisee must deposit with Franchisor the Minimum Site Payment as defined in the Franchise Agreement on the terms set forth therein. Franchisee is required to hold the rights to the Franchise Agreement, and if applicable the qualifying majority interest owner in the Franchisee entity will continue to hold that majority interest, for at least two continuous years following the Effective Date. If Franchisee does not do so, Franchisee must pay Franchisor the standard initial franchise fee amount (\$35,000), which becomes due immediately at the time Franchisee no longer satisfies the ownership requirement.

3. Interpretation. If there is any conflict between the provisions of this Rider and any of the provisions of the Franchise Agreement, the provisions of this Rider will prevail.

4. Effect. This Rider shall be deemed a part of and is hereby incorporated into the Franchise Agreement and all terms and conditions not expressly modified by this Rider shall remain in full force and effect as written. Franchisor is providing the incentives stated herein for this acquisition. Franchisor and Franchisee are entering into a Franchise Agreement for the Shop at the same time as this Rider (“**Franchise Agreement**”; all capitalized terms used but not defined herein shall have the meanings set forth in the Franchise Agreement). This Rider is part of the Franchise Agreement.

2. Transfer Fee. Franchisor agrees that the transfer fee to be paid (by Franchisee or its transferor) for the initial transfer of the franchise rights to Franchisee shall be \$5,000, notwithstanding any other terms to the contrary in the transferor’s franchise agreement. This shall not modify the transfer fee under Section 7.4 of the Franchise Agreement for any future Transfers.

3. Royalty Fees. AREA DEVELOPMENT AGREEMENT

AREA DEVELOPMENT AGREEMENT

THIS AREA DEVELOPMENT AGREEMENT (“Agreement”) is made and entered into on the Effective Date (defined below) by and between **MIDAS INTERNATIONAL, LLC**, having a principal business address at 4300 TBC Way, Palm Beach Gardens, FL 33410 (“**Franchisor**”), and _____, having a principal business address at _____ (“**Area Developer**”).

RECITALS

Franchisor has designed and developed a method of developing and operating a retail automotive business that features the “Midas” brand which utilizes a business format for a total car care automotive shop known as a “Midas Shop(s)”. A Midas Shop sells and installs automotive products and services for consumers. Franchisor has developed, and uses, promotes and licenses (and may in the future develop, use, promote and license additional), certain trademarks, service marks and other commercial symbols for use in operating a Midas Shop, including the “Midas” name (“**Mark**”). Franchisor and Area Developer are signing this Agreement because Area Developer desires the right to develop and operate two (2) Midas Shops within a certain geographic area over a certain period of time, and Franchisor is willing to grant Area Developer such rights according to this Agreement’s terms.

NOW, THEREFORE, in consideration of the mutual covenants set forth in this Agreement, Franchisor and Area Developer hereby agree as follows:

1. Grant of Multi-Unit Development Rights. Subject to Area Developer’s compliance with this Agreement, Franchisor hereby grants Area Developer (and/or any of Area Developer’s approved Controlled Affiliates) the right to develop two (2) new Midas Shops according to the mandatory development schedule (“**Development Schedule**”) identified in Section 2 below and within the geographic area described on Exhibit A attached (“**Designated Territory**”). In this Agreement, the term “**Controlled Affiliate**” means any corporation, limited liability company or other business entity of which Area Developer or one or more of its majority owners owns at least fifty-one percent (51%) of the total authorized ownership interests, as long as Area Developer or such owner(s) have the right to control the entity’s management and policies.

2. Development Schedule. Area Developer agrees to sign Franchisor’s then-current franchise agreement (“**Franchise Agreement**”) and pay the then-current fees under that Franchise Agreement (except as modified herein) for each of the two (2) Midas Shops within the Designated Territory (which are in addition to any Midas Shop Area Developer already has located in the Designated Territory) according to the following Development Schedule:

Midas Shop(s) to Be Developed	Opening Date	Cumulative Number of New Midas Shops (in Previous Column)

The opening date for any Midas Shop shall be extended by six (6) months if that Midas Shop will be a newly constructed Shop. One of the two (2) Midas Shops hereunder may be acquired in a transfer from an existing Midas franchisee in compliance with the terms of the applicable franchise agreement, but the remaining Midas Shop may not be an existing Midas Shop acquired in a transfer.

3. **No Territorial Rights.** Area Developer hereby acknowledges and agrees that Area Developer is granted no exclusive rights to the Designated Territory under this Agreement. Franchisor may offer and grant franchises or other development rights for, or operate, other Midas Shops, or engage in any other business activities, within the Designated Territory without restriction.

4. **Development Fee.** Simultaneously with signing this Agreement, Area Developer must pay Franchisor a “Development Fee” of Forty Thousand and 00/100 Dollars (\$40,000.00), representing the total initial franchise fees that will be payable under the Franchise Agreements for all of the Midas Shops that Area Developer agrees to develop under the Development Schedule, after applying the area development incentives set forth in Exhibit B hereto (the “**Area Development Incentives**”). The Development Fee is fully earned by Franchisor when this Agreement is signed and is non-refundable, subject to Section 5 below concerning its credit toward initial fees payable under future franchise agreements between Area Developer and Franchisor. The Development Fee is consideration for this Agreement only and shall not be deemed or construed as consideration for any Franchise Agreement or other agreement with between Area Developer and Franchisor, except as expressly set forth in Section 5 below. In the event a Midas Shop hereunder is a transfer, Area Developer will still pay the Development Fee calculated as described above based on the applicable initial franchise fee for that Shop (pursuant to the Area Development Incentives), but Midas will grant Area Developer a credit against Area Developer’s trade account with Midas for an amount equal to the difference between the portion of the Development Fee paid for the initial franchise fee for that Shop, less (i) the amount of the transfer fee that would have been applicable to that transfer, and (ii) any additional amount that would have been required to extend the term of the transferred Shop Franchise Agreement term to 20 years, if applicable.

5. **Development Obligations.** To maintain Area Developer’s rights under this Agreement, Area Developer and/or approved Controlled Affiliates must sign Franchisor’s then-current Franchise Agreement and pay then-current fees under that Franchise Agreement for the agreed-upon number of Midas Shops within the Designated Territory by the date(s) set forth on the Development Schedule in Section 2 above. Area Developer or a Controlled Affiliate will operate each Midas Shop under a separate Franchise Agreement (and related documents) with Franchisor and Franchisor’s affiliates. Franchisor will apply that portion of the total Development Fee paid by Area Developer under this Agreement for the relevant Midas Shop to satisfy the initial franchise fee owed under the applicable Franchise Agreement that Area Developer or its Controlled Affiliates sign pursuant to this Agreement. The Franchise Agreement (and related documents) that Area Developer or its Controlled Affiliate will sign for each Midas Shop will be Franchisor’s and Franchisor’s affiliates then current form of Franchise Agreement (and related documents), including, without limitation, personal guarantees and real estate control documents (collectively, the “**Franchise Documents**”), any or all of the terms of which may differ substantially from the terms contained in any existing agreements between the parties, except that the initial franchise fee will be determined by applying those Area Development Incentives described on Exhibit B and the applicable portion of the Development Fee will be applied to satisfy the initial franchise fee due. The Area Development Incentives only apply to those Midas Shops opened pursuant to the Development Schedule within the Designated Territory if Area Developer is in compliance with this Agreement. In addition to Area Developer’s obligation to comply with the Development Schedule, certain of the Area Development Incentives shall only apply if the second Midas Shop opened hereunder is opened with Franchisor’s approval within 12 months of the opening date for the first Midas Shop opened hereunder, subject to the six-month extension for a newly constructed Midas Shop as described in Section 2 above. Upon termination or expiration of this Agreement, the Area Development Incentives shall no longer apply and may not be used by Area Developer at any time in the future under any future Franchise Agreements signed by Area Developer, but they will continue to apply to those Franchise Agreements signed pursuant to this Agreement prior to termination to the extent those Franchise Agreements remain in effect. To retain Area Developer’s rights under this Agreement, each Midas Shop opened pursuant to this Agreement must operate continuously throughout this Agreement’s term.

6. **Sublicensing Rights.** This Agreement does not grant Area Developer any right to license others to operate a Midas Shop. Only Area Developer (and its approved Controlled Affiliates) may open and operate a Midas Shop pursuant to this Agreement and only under Franchise Documents with Franchisor.

7. **Grant of Franchises.** Area Developer agrees to give Franchisor all information and materials it requests to assess each proposed Midas Shop site and Area Developer's (or its Controlled Affiliate's) financial and operational ability to develop and operate each proposed Midas Shop and obtain Franchisor's approval thereof. Any site Area Developer proposes must meet Franchisor's then current criteria for population density and other demographic characteristics, traffic patterns, parking, character of neighborhood, competition, accessibility, parking, size, and other physical and commercial characteristics. Franchisor has the absolute right to disapprove any site that does not meet these criteria. Franchisor shall review and approve or disapprove each site that Area Developer (or its Controlled Affiliate) proposes in accordance with the terms of the applicable Franchise Agreement. After Area Developer (or its Controlled Affiliate) signs the Franchise Documents, their terms and conditions will control the development and operation of the Midas Shop.

This Agreement is not a franchise agreement and does not grant Area Developer the right to engage in the business of offering, selling or distributing goods and services under the Mark or to use the Mark in any manner. These rights are granted only by Franchise Documents signed by Area Developer (or its approved Controlled Affiliates) and Franchisor. Subject to Section 9 below, any and all Franchise Documents are independent of this Agreement.

8. **Term.** This Agreement's term begins on the Effective Date and ends on the earlier of the date when (a) the final Midas Shop under the Development Schedule has been opened, (b) the deadline set forth in the Development Schedule for Area Developer to execute the Franchise Agreement for the last of its Midas Shops to be developed hereunder occurs, or (c) this Agreement otherwise is terminated.

9. **Termination.** Franchisor may terminate this Agreement and Area Developer's right to develop additional Midas Shops within the Designated Territory at any time, effective upon delivery of written notice of termination, if: (a) Area Developer fails to satisfy either its development obligations under the Development Schedule or any other obligation under this Agreement, which defaults Area Developer has no right to cure; or (b) any currently effective franchise agreement between Franchisor and Area Developer (or any Controlled Affiliate) for a Midas Shop is terminated by Franchisor or Area Developer (or the Controlled Affiliate) for any reason. Upon termination of this Agreement pursuant to the foregoing sentence, all remaining development rights granted to Area Developer under this Agreement shall automatically be revoked and shall be null and void. Area Developer shall not be entitled to any refund of any portion of the Development Fee under any circumstances. Area Developer shall have no right to establish or operate any Midas Shop for which a Franchise Agreement has not been executed by both Area Developer and Franchisor. If this Agreement is terminated due solely to a failure by Area Developer to meet the Development Schedule, Franchisor and Area Developer agree that such termination shall not constitute a default or result in a termination of any Franchise Agreements executed between Area Developer and Franchisor in effect as of the date of termination of this Agreement. In that case, those Franchise Agreements shall continue in full force and effect notwithstanding the termination of this Agreement. Franchisor and Area Developer agree that any statements to the contrary in the Franchise Agreements executed by them, including any cross-default and cross-termination provisions, will be inapplicable in the situation of a termination of this Agreement based solely on Area Developer's failure to meet the Development Schedule. If this Agreement is terminated by Franchisor for any reason other than a failure by Area Developer to meet the Development Schedule, all Franchise Agreements executed in furtherance of this Agreement and all other agreements between Franchisor and Area

Developer or any of Area Developer's affiliates may, at Franchisor's sole option, be terminated. The Designated Territory shall terminate immediately and automatically upon termination of this Agreement or upon full satisfaction of the Development Schedule.

10. Assignment. Area Developer (and its owners) acknowledges that Franchisor is granting Area Developer the rights under this Agreement because of Franchisor's perception of Area Developer's (and its owners') individual and collective character, skill, business acumen, financial capability and ability to operate Midas Shop according to Franchisor's standards. These rights are personal to Area Developer and its owners. Therefore, Area Developer and its owners may not assign this Agreement or any of Area Developer's ownership interests without Franchisor's prior written approval, which Franchisor may grant or withhold for any or no reason. A condition of Franchisor's approval of a transfer of this Agreement is that Area Developer must transfer all of its interest under this Agreement, and shall not be permitted to transfer any portion of this Agreement separate and apart from the remainder of this Agreement. Any transfer shall include the rights to all Franchise Agreements entered into between Franchisor and Area Developer hereunder. Area Developer and the transferee shall comply with the requirements under each Franchise Agreement entered into between Franchisor and Area Developer for the transfer of each such Franchise Agreement, including the payment of the applicable transfer fee and training fee for each Franchise Agreement. Franchisor may assign this Agreement or any of Franchisor's ownership interests without restriction.

11. Area Developer as Independent Contractor. The parties understand and acknowledge that this Agreement does not establish a fiduciary relationship between Franchisor and Area Developer, that Area Developer (and/or its Controlled Affiliates) is and will be an independent contractor, and that nothing in this Agreement is intended to make either party a general or special agent, joint venturer, partner, or employee of the other for any purpose.

No party may make any representation tending to create an apparent partnership, joint venture, fiduciary, parent/subsidiary, principal/agent or employer/ employee relationship between Franchisor and Area Developer. Neither party may act for or on behalf of the other in any manner to create obligations or debts binding on the other party, nor may make any agreement, warranty or representation on behalf of the other party. Neither party is responsible for any obligations, debts or expenses of the other party.

12. Indemnification. Area Developer agrees to indemnify Franchisor, its affiliates, successors and assigns, and its partners, shareholders, officers, directors, employees and agents, for any expenses arising out of any claim directly or indirectly related to Area Developer's or any Controlled Affiliate's development or operation of a Midas Shop (as contemplated in this Agreement) or Area Developer's or any Controlled Affiliate's performance or lack of performance under this Agreement. Area Developer also must promptly notify Franchisor of any claim by or against Area Developer directly or indirectly related to Area Developer's or any Controlled Affiliate's development or operation of a Midas Shop (as contemplated in this Agreement) and, on request, must furnish Franchisor with copies of any filings in any proceeding involving the claim. As used in this Section, the word "**expenses**" includes all losses, compensatory, exemplary or punitive damages, fines, charges, costs, lost profits, attorneys' fees, accountants' fees, expert witness fees, expenses, court costs, settlement amounts, judgments, compensation for damages to reputation or goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing the same, and costs of recall, refunds, compensation and public notices. The indemnification obligations under this Section 12 will survive the expiration or termination of this Agreement for as long as any potential for liability under any applicable law, rule, ordinance, statute or judicial decision remains. In this regard, to the maximum extent permitted by law, the Parties each waive the effect of any statute of limitation which would, by lapse of time, limit these indemnification obligations.

13. Partial Invalidity. If any Section of this Agreement is determined to be wholly invalid, that determination will not be deemed to affect the validity of any other Section. The parties agree that the remaining Sections will be deemed to be in full effect as if they had been executed by the parties after removal of the invalid Section. If any Section is determined to be partially invalid, the remainder of that Section will continue to be enforceable if in accordance with the intent of the parties. If any applicable and binding law or rule of any jurisdiction requires greater prior notice of the termination of or refusal to renew the franchise than is required by this Agreement or the taking of some other action not required by this Agreement, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure required by Franchisor is invalid or unenforceable, the notice and/or action required by the law or rule will be substituted for the notice or action requirements of this Agreement, or the invalid or unenforceable provision, specification, standard or operating procedure will be modified to the extent required to be valid and enforceable. The modifications to this Agreement will be effective only in the jurisdiction requiring them, and this Agreement will be enforced as originally made and entered into in all other jurisdictions.

14. Waiver and Estoppel; Force Majeure. Neither Franchisor's failure to exercise any right reserved to Franchisor under this Agreement, nor to insist on compliance by Area Developer with any term of this Agreement, nor any custom or practice of the parties at variance with any term of this Agreement, shall constitute a waiver of Franchisor's right to demand compliance with any term of this Agreement. Franchisor's waiver of any default will not affect or impair Franchisor's rights as to any subsequent default of the same or a different nature; nor will any delay, forbearance or omission by Franchisor to exercise any right as to any default of any term of this Agreement affect, impair or be deemed as Franchisor's waiver of any right as to any subsequent default. Franchisor's rights and remedies under this Agreement are cumulative, and its exercise or enforcement of any right or remedy under this Agreement will not preclude it from exercising or enforcing any other right or remedy to which it is entitled.

The parties will not be considered to be in default of any obligations hereunder, other than the obligation of a party to make payment of amounts due to the other, if the failure of performance is due to a force majeure event, including without limitation drought, flood, earthquake, storm, fire, lightning, epidemic, war, riot, civil disturbance, sabotage, theft, vandalism, strike or labor difficulty, or casualty to equipment (collectively, "**Force Majeure**"). If any party is affected by a Force Majeure event, that party will give written notice within fourteen (14) days to the other stating the nature of the event, its anticipated duration and any action being taken to avoid or minimize its effect. The suspension of performance will be of no greater scope and no longer duration than is required, and the non-performing party will use its best efforts to remedy its inability to perform. The obligation to pay any amount in a timely manner is absolute and will not be subject to these Force Majeure provisions, except to the extent prohibited by governmental rule or regulation.

15. Covenants. During the term of this Agreement, Area Developer and its officers, directors, shareholders, partners, members, owners, managers, representatives, and agents and their immediate family members shall be subject to all restrictive covenants as set forth in the initial Franchise Agreement executed pursuant to this Agreement, which covenants by this reference are incorporated herein. Upon termination of this Agreement, Area Developer and its officers, directors, shareholders, partners, members, owners, managers, representatives, and agents and their respective immediate families, shall be subject to all restrictive covenants as set forth in the final Franchise Agreement executed hereunder.

16. Jurisdiction and Venue. This Agreement takes effect upon its acceptance and execution by Franchisor and, except to the extent governed by United States federal law, shall be interpreted and construed under the laws of the State of Delaware, U.S.A. Franchisor and Area Developer agree that any

dispute between the parties arising out of the terms of this Agreement shall be governed by the applicable provisions of the last Franchise Agreement entered into between Franchisor and Area Developer at the time of the dispute, which terms and conditions are by this reference incorporated herein, and shall apply regardless of whether the applicable Franchise Agreement is in full force and effect at the time of the dispute. Nothing herein contained shall bar Franchisor's right to obtain injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

17. Waiver of Punitive Damage/Waiver of Jury Trial. EXCEPT FOR AREA DEVELOPER'S OBLIGATION TO INDEMNIFY FRANCHISOR FOR THIRD PARTY CLAIMS UNDER SECTION 12, AND EXCEPT FOR PUNITIVE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, THE PARTIES WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN THE PARTIES, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS. EACH OF THE PARTIES IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM.

18. Construction and Modification. The Recitals above and any attachments to this Agreement are incorporated as part of this Agreement by this reference. This Agreement constitutes the parties' entire agreement and supersedes all prior oral or written understandings, representations or agreements between the Parties concerning the subject matter of this Agreement. Nothing in this Agreement is intended to disclaim or require Area Developer to waive reliance on any representations Franchisor has made in the most recent disclosure document (including its exhibits and amendments) delivered to Area Developer or its representative. Any words contained in the headings and subheadings of the provisions above are intended solely for the Parties' ease of understanding. This Agreement may only be modified by written agreement signed between the Parties.

19. Notices. All written notices, reports, and payments permitted or required to be delivered by this Agreement will be deemed to be delivered:

- (a) at the time delivered by hand;
- (b) one (1) business day after transmission by facsimile or other electronic system if the sender has confirmation of successful transmission;
- (c) one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery; or
- (d) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid.

Any notice to Franchisor must be sent to the address specified on the first page of this Agreement, although Franchisor may change this address for notice by giving Area Developer notice of the new address. Any notice that Franchisor sends to Area Developer may be sent only to the address of the Midas Shop as stated in this Agreement or any other address Area Developer may specify to Franchisor in writing.

20. Acceptances, Approvals, Consents, and Effective Date. Acceptances, approvals and consents required by this Agreement will not be unreasonably withheld or delayed. Whenever this

Agreement requires Franchisor's prior acceptance, approval, or consent, Area Developer will make a timely written request to Franchisor, which will be obtained in writing. Franchisor assumes no liability or obligation to Area Developer by providing any acceptance, approval, consent or suggestion to Area Developer, or by delaying action on or denying any request for an acceptance, approval or consent. This Agreement will become effective and binding upon the parties when Franchisor signs and dates this Agreement as written below ("**Effective Date**").

21. Riders. To the extent that any of the Riders to Area Development Agreement for Specific States attached as Exhibit C are applicable, such rider is incorporated herein and this Agreement is modified accordingly. The provisions in any applicable rider are included as a condition to registration or use in certain jurisdictions, and Franchisor is not precluded from contesting the validity, enforceability, or applicability of such provisions in any action relating to this Agreement or its rescission or termination.

Each of the undersigned agrees to the terms of this Agreement.

AREA DEVELOPMENT INCENTIVES

During the term of this Agreement, the Area Development Incentives listed below shall only apply to a Midas Shop that Area Developer opens pursuant to the Development Schedule within the Designated Territory:

- The standard initial franchise fee of \$35,000 shall apply for the first Midas Shop and a discounted initial franchisee fee of \$5,000 shall apply for the second Midas Shop. If the second Midas Shop is not opened within the required timeframe described in Section 5 of the Area Development Agreement, Area Developer shall pay Franchisor the difference between the then-standard initial franchise fee and this discounted amount upon expiration of the 12-month period (as it may be extended).
- Area Developer will pay Franchisor \$20,000 (“**Franchisee Commitment Funds**”) in one lump sum payment upon signing the Area Development Agreement for each Midas Shop with an identified site location (\$40,000 in the aggregate). If the site location of any Midas Shop has not been identified by the Effective Date of the Area Development Agreement, Area Developer will pay the Franchise Commitment Funds for such Shop upon receiving approval from Franchisor for the site location of that Shop. Franchisor will allocate funds in the amount of \$10,000 (the “**Midas Contribution Amount**”) to be spent together with the Franchisee Commitment Funds on each Midas Shop within 12 months after opening of each Shop on opening marketing, pursuant to the terms of Midas’ Marketing Funds Agreement, which shall be executed by the parties for each Shop. The Franchise Commitment Funds and Midas Contribution Amount shall be used by Franchisor in accordance with Franchisor’s current marketing funds program. This incentive will be subject to the terms and conditions generally established by Franchisor from time to time for these incentives for area developers. This incentive will not apply if the Midas Shop is an existing Midas outlet transferred to Area Developer from another Midas franchisee.
- Franchisor will reduce the royalty rate by 60% during the first year for each Midas Shop after it opens, and by 40% during the second year, with the full royalty rate commencing upon the 25th month after opening and continuing throughout the remainder of each Shop’s Franchise Agreement term. This royalty rate reduction does not apply to royalties paid based on sales of tires and batteries.
- If Area Developer places an initial order for at least 160 tires with TBC Corporation within 60 days of opening or taking ownership of each Shop, Area Developer may pay for the tires over 12 months in 12 equal payments commencing in the month following the delivery, subject to credit approval. This incentive will not apply if the Midas Shop is an existing Midas outlet transferred to Area Developer from another Midas franchisee.

Debtor shall at all times meet and maintain the responsibilities imposed upon it by any Franchise Agreement(s), including its obligation to maintain working capital and a net worth which is sufficient, in Secured Party's opinion as the Franchisor, to enable Debtor as Franchisee to fulfill its Obligations hereunder and as Franchisee thereunder.
- 9.16. The Debtor shall maintain such Collateral pursuant to the terms of any Franchise Dealer Agreement(s) and as may from time to time be required by Secured Party.
- 9.17. Upon the good faith belief by Secured Party that the Obligations are or have become inadequately or under secured by the then existing Collateral, Debtor shall either provide to Secured Party such additional collateral of such value and kind as shall be acceptable to Secured Party, or shall reduce the amount of the Obligations to any amount acceptable to Secured Party based on the value of the then existing Collateral, or both.
- 10. **Events of Default.** The occurrence of any of the following events shall constitute an event of default under this Agreement:
 - 10.1. Failure to pay any of the Obligations when due;
 - 10.2. Failure to perform or observe any other covenant (after the applicable cure period has expired) contained in this Agreement and any loan agreements, or other loan documents, credit agreement(s), Franchise Agreement(s), joint venture agreement(s), consignment and warehouse agreement(s), if applicable, or any other documents or instruments evidencing any obligation of Debtor to Secured Party, whether now or hereafter in existence;
 - 10.3. Any warranty, representation or statement of Debtor in this Agreement, or any other agreement, document or instrument, or otherwise made or furnished to Secured Party by or on behalf of Debtor, proves to have been false in any material respect when made or furnished;
 - 10.4. Any uninsured loss, theft, damage, destruction, sale, liens or encumbrance to, or of, any of the Collateral (except as specifically allowed herein), or any levy, seizure or attachment thereof or thereon;
 - 10.5. Death of any individual who is a Debtor under this Agreement (unless a co-owner or new owner of the Debtor's Business is approved by Secured Party); dissolution or termination of existence of Debtor without Secured Party's consent; insolvency, business failure, appointment of a receiver of any part of the property of, assignment for the benefit of creditors by, or the commencement of any proceeding under any bankruptcy or insolvency laws of, by or against, Debtor or any guarantor or surety of Debtor of any of the Obligations;
 - 10.6. The Collateral, or any part thereof, or interest therein, is sold, conveyed or is otherwise transferred outside the normal and ordinary course of business, or is pledged, mortgaged, leased, hypothecated or abandoned;
 - 10.7. The sale or transfer of Debtor's interest in Debtor's Business or any part thereof, or interest therein, without the prior written consent of Secured Party; or if Debtor is a corporation, the sale or transfer of any of the issued and outstanding capital stock of

Debtor or the issuance of additional capital stock that reduces the holdings in the issued and outstanding capital stock of Debtor, without the prior written consent of Secured Party; or if Debtor is a partnership, the sale or transfer of the partnership interests in Debtor without the prior written consent of Secured Party; or

- 10.8. The good faith belief by Secured Party that the Obligations are inadequately or under secured or that the prospect of payment or performance of any of the Obligations is impaired.

11. **Rights and Remedies of Secured Party.**

- 11.1. Upon the occurrence of any event of default and at any time thereafter, Secured Party shall have, in addition to all other rights and remedies, the remedies of a secured party under the Uniform Commercial Code as then in effect (“UCC”), regardless of whether the UCC applies to the secured transactions covered by this Agreement, including without limitation the right to accelerate the maturity of the Obligations, without notice or demand, and to take possession of the Collateral and any proceeds thereof wherever located. Debtor shall assemble the Collateral and make the Collateral and all records relating thereto available to Secured Party at a place to be designated by Secured Party that is reasonably convenient for both parties. If notice is required, Secured Party shall give to Debtor at least five (5) days’ prior written notice of the time and place of any public sale of the Collateral or of the time after which any private sale or any other intended disposition is to be made.
- 11.2. During the time that Secured Party is in possession of the Collateral, and to the extent permitted by law, Secured Party shall have the right to hold, use, operate, manage and control all or any part of the Collateral; to make all such repairs, replacements, alterations, additions and improvements to the Collateral as it may deem proper; and to demand, collect and retain all earnings, proceeds from such use and all other costs, expenses, charges, damage or loss by reason of such use. Notwithstanding the foregoing, Secured Party has no obligation to clean-up or otherwise prepare the Collateral for sale.
- 11.3. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if it takes such action for that purpose as Debtor shall request, but failure to honor any such request shall not of itself be deemed a failure to exercise reasonable care. Secured Party shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties nor to protect, preserve or maintain any security interest given to secure any of the Collateral. Debtor waives any right it may have to require Secured Party to pursue any third person for any of the Obligations.
- 11.4. After an Event of Default as set forth in Section 10 hereof, Debtor hereby irrevocably appoints Secured Party as the attorney-in-fact of the Debtor, with full powers of substitution and at the cost and expense of Debtor, to reasonably exercise any of the following powers with respect to any of the accounts;
- a. Demand, sue for, collect and give receipts for any payments due thereon or by virtue thereof;

- b. Receive, take, endorse, assign and deliver chattel paper, documents, instruments and all other property taken or received by Secured Party in connection therewith;
- c. Settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;
- d. Sell, transfer, assign or otherwise deal therein or therewith as fully and effectually as if Secured Party were the absolute owner thereof; and
- e. Extend the time of payment thereof and make allowances and other adjustments with reference thereof.

In exercising any power herein granted, Secured Party may act in its name or the name of the Debtor. This power of attorney appointment, being coupled with an interest, shall be irrevocable.

If Secured party in good faith believes that any state or federal law prohibits or restricts the customary manner of sale or distribution of any of the Collateral, Secured Party may sell such Collateral privately or in any other manner deemed commercially reasonable by Secured Party at such price or prices as Secured Party determines in its sole discretion. Debtor recognizes that such prohibition or restriction may cause the Collateral to have less value than it otherwise would have and that, consequently, such sale or disposition by Secured Party may result in a lower sales price than if the sale were otherwise held.

- 11.5. To the extent allowed by law, Debtor shall pay Secured Party all expenses of retaking, holding, preparing for sale, selling and the like, including reasonable attorneys' fees and legal expenses, and such costs shall be paid out of the proceeds of disposition of the Collateral. Such proceeds may be applied to the Obligations in any order of priority.
- 11.6. As a supplementary or additional remedy, Secured Party shall also be entitled, without notice or demand and to the extent permitted by law, to exercise or continue all of the rights granted to Secured Party above and/or to have a receiver appointed, upon ex-parte application, without notice to Debtor, to take charge of all or any part of the Collateral, exercising all of the rights granted to Secured Party above.
- 11.7. Secured Party may recover from Debtor any deficiency between the amount due under any of the Obligations and the proceeds of such sale or disposal together with all costs and expenses, including, without limitation, reasonable attorneys' fees incurred or paid by Secured Party in exercising any right, power or remedy provided by this Security Agreement or by law.
- 11.8. Notwithstanding that which is granted and provided herein, Secured Party shall be under no duty to exercise, or to withhold the exercise of any of the rights, powers, privileges and options expressly or implicitly granted to Secured Party under this Agreement, and shall not be responsible for any failure to do so or delay in doing so.

12. **Collection of Accounts.** Until revocation of this authority, Debtor, as agent of Secured Party, and at the expense of Debtor:

12.1. Shall use its best efforts to collect all amounts due and owing on the accounts, including the taking of such action to repossess goods, impose liens or enforce payment as Secured Party or Debtor may deem proper.

12.2. Shall receive such goods as may be returned or rejected by or repossessed from account debtors, and, upon an event of default as set forth in Section 10 hereof, hold such goods and the proceeds therefrom in trust for the account of Secured Party, separate and identified by suitable markings as Secured Party's property, without intermingling them with Debtor's property, and remit promptly any proceeds of sales or lease of such goods in the manner described in Section 13 below.

12.3. May, in the ordinary course of business, grant to account debtors any rebate, refund or allowance to which they are entitled, and in connection therewith may accept the return of any goods, the sale or lease of which gave rise to the accounts.

13. **Payment of Proceeds to Secured Party.**

13.1. After an event of default as set forth in Section 10 hereof, Debtor shall receive all payments with respect to the Collateral in trust for Secured Party, without intermingling them with any other funds or property of Debtor and (until such authority is revoked or different instructions are given by Secured Party) shall immediately deliver them to Secured Party in the exact form received, bearing Debtor's full-recourse endorsement or assignment when necessary, for application on the Obligations in any order of priority determined by Secured Party. Debtor shall have the liability of a general endorser with respect to such payments and hereby waives presentment, notice of dishonor, protest, demand and all other notices with respect thereto, whether or not Debtor endorses the instruments or other evidences of payment and regardless of the form of payment or Debtor's endorsement or assignment thereon.

13.2. After an event of default as set forth in Section 10 hereof, at the election of Secured Party, all payments described in the preceding Section 13.1 shall be deposited in a separate bank account maintained by Secured Party (the "Collateral Account"), from which Debtor shall have no right to withdraw funds. All instruments evidencing payment shall be deposited in the Collateral Account subject to final payment, and all deposits therein shall be held as security for the Obligations. From time to time in its discretion, Secured Party may (and if requested by Debtor shall, but not more often than once a week) apply all or any of the balance in the Collateral Account to payment of the Obligations in any order of priority determined by Secured Party. Additionally, Secured Party in its discretion may release all or any of the balance in the Collateral Account to Debtor.

14. **General.**

14.1. The terms "Debtor," "Debtor's Business," "Secured Party," "Collateral" and "Obligations" are defined in paragraphs 1, 2, 3 and 6. Where Debtor and the obligor on the Obligations are not the same, the term "Debtor" herein means the owner of the Collateral in any provision dealing with the Collateral, the obligor in any provision dealing with the Obligations, and both where the context so requires.

- 14.2. No defaults shall be waived by Secured Party except in writing and no waiver of any payment or other right under this Agreement shall operate as a waiver of any other payment or right.
- 14.3. Secured Party may assign or transfer its rights under this Agreement to any transferee. Debtor hereby agrees that; (a) on such assignment or other transfer, all rights, powers and remedies of Secured Party hereunder shall belong to and be exercisable by the transferee, and, on receipt of notice of such assignment or other transfer, Debtor will tender performance of Debtor's obligations hereunder, if requested, to such transferee rather than to Secured Party; (b) upon delivery of Secured Party's security interest in the Collateral to the transferee, Secured Party shall thereafter be fully discharged from all responsibility with respect to such Collateral; and (c) in any action brought by the transferee against Debtor to recover any sums under this Agreement or to recover possession of the Collateral, Debtor will not assert as a defense, counterclaim, set off, cross complaint, or otherwise, any claim, known or unknown, which Debtor now has or hereafter acquires against Secured Party.
- 14.4. If there is more than one Debtor, all of the terms and conditions of this Agreement shall apply to each and any of them jointly and severally.
- 14.5. Without affecting any Obligations of Debtor under this Agreement, Secured Party without notice or demand may renew, extend or otherwise change the terms and conditions of any of the Obligations; take or release any other collateral as security for any of the Obligations, and add or release any guarantor, endorser, surety or other party to any of the Obligations.
- 14.6. Any notice, request, consent and demand which is required or given hereunder shall be deemed delivered when a record has been (a) personally delivered to the proper party, (b) transmitted by telecopier, if transmitted on a business day during normal business hours, and if not transmitted on a business day during normal business, the first business day thereafter, to the proper party via the telecopier number stated on the first page hereof, (c) transmitted through the Internet, (d) three (3) business days after deposited in the United States mail by registered or certified mail, postage prepaid, return receipt requested, addressed to the proper party at the address stated on the first page hereof, or (e) one (1) business day after deposited with an air express carrier, fare prepaid, addressed to the proper party at the address stated on the first page hereof. Each of the parties hereto may designate such other address and/or telecopier number as either of such parties may hereafter specify to the other party in accordance with this Section 14.6.
- 14.7. A carbon, photographic or other reproduction of this Agreement or a financing statement shall be sufficient as a financing statement.
- 14.8. All of the rights of Secured Party under this Agreement shall be cumulative and shall inure to the benefit of its successors and assigns. All obligations of Debtor hereunder shall be binding upon the heirs, legal representatives, successors or assigns of Debtor.
- 14.9. Any provision hereof contrary to, prohibited by, or invalid under applicable laws or regulations shall be inapplicable and deemed omitted herefrom, but shall not invalidate

the remaining provisions hereof. Debtor acknowledges receipt of a true copy and waives acceptance hereof.

14.10. This Agreement may be signed in one or more counterparts, each of which shall have the effect of an original, but all such counterparts shall be deemed one and the same agreement.

14.11. This Agreement shall be construed under and governed by the laws of the state of Delaware .

14.12. This Agreement represents the entire agreement and understanding between Secured Party and Debtor and supersedes all prior agreements. Any modification or amendments to this Agreement shall be in writing and signed by the party to be charged.

This Note is entered into for a business and commercial purpose and the proceeds hereof will not be used primarily for personal, family, agricultural or household purposes. Maker realizes and acknowledges that the provisions of the Federal Regulation Z (“**Truth-In-Lending**”) of the Federal Reserve Board do not apply to, nor govern this transaction.

If any interest rate, fee or cost provided for herein or in the other Loan Documents shall exceed that which is allowed pursuant to any applicable statute or law, such amount shall be deemed by the parties hereto to be modified so as to conform to and equal the maximum amount allowed by such statute or law. All sums paid hereunder in excess of those lawfully collectible as interest, damages, penalties, fees or costs shall, without further agreement or notice between or by any party hereto, be applied toward reduction of the principal hereof with the same force and effect as though such extra sums were specifically designated to be so applied to principal and Holder had agreed to accept such extra payment as a premium-free prepayment, or if there is then no outstanding principal indebtedness owed to Holder by Maker hereunder, or if such outstanding principal indebtedness is less than the amount to be applied as a reduction, such excess shall be refunded by Holder to Maker.

This Note is the joint and several obligation of Maker, Co-Makers, and any sureties, guarantors and endorsers without regard to liability of any other party and is binding on them, their executors, administrators, successors and assigns; and each of such persons or entities liable or to become liable on this Note jointly and severally waive delinquency in collection, presentment for payment, demand for payment, protest and notice of protest, demand and dishonor and nonpayment of this Note and all duty or obligation of Holder to effect, protect, perfect, retain or enforce any security for payment of the Note; and consent to any and all renewals and extensions in the time of payment hereof, and to any further and additional advances of funds made hereunder by Holder in excess of the amount set forth herein; and agree, further, that at any time without notice the terms of payment herein may be modified or the security described in the Security Instruments may be released in whole or in part or increased, changed or exchanged by agreement between Holder and any owner of the property affected by the other Loan Documents; and that additional makers, sureties, guarantors or endorsers may become liable hereon or existing makers, sureties, guarantors or endorsers may be released, without in any way affecting the liability of any party to this Note or any person or entity liable or to become liable with respect to any indebtedness evidenced hereby.

In the event it should become necessary for Holder to employ counsel for advice regarding the Note and/or any of the other Loan Documents, any default under this Note and any of the other Loan Documents, or to respond, intervene or otherwise become involved in any suit or proceeding relating to this Note and/or the other Loan Documents, or to collect payment on or enforce the obligations of this Note and/or any of the other Loan Documents, or to protect or foreclose the security given in connection herewith, Maker agrees to pay upon demand reasonable attorneys’ fees incurred by Holder for services of

such counsel, whether or not suit is brought, plus costs incurred in connection therewith, including interest thereon at the Default Interest Rate.

The terms and provisions of this Note are intended to be and shall be governed, interpreted and construed pursuant to the internal laws of the State of Delaware applicable to promissory notes, without reference to any choice or conflict of law principles. If any provision hereof is in conflict with any applicable statute or law and is determined to be invalid or unenforceable, then each such provision shall be deemed null and void, but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof. Any terms that are capitalized in this Note but are not defined in this Note that are capitalized and defined in the Franchise Agreement shall have the respective meanings set forth in the Franchise Agreement.

Any notice, request, consent and demand which is required or given hereunder shall be in writing and shall be deemed effective and received (a) upon personal delivery to the proper party, (b) on the day transmitted by telecopier, if on a business day, and if not transmitted on a business day, the first business day thereafter, to the proper party via the telecopier number stated below, (c) three (3) business days after deposit in the United States mail by registered or certified mail, postage prepaid, return receipt requested, addressed to the proper party at the address stated below, or (d) one (1) business day after deposit with an air express carrier, fare prepaid, addressed to the proper party at the address stated below. Each of the parties hereto may designate such other address and/or telecopier number as either of such parties may hereafter specify in writing to the other party.

This Agreement may be executed in counterparts, and all counterparts shall constitute one and the same document. This Note may not be amended or modified except by an instrument in writing expressing such intention executed by the parties sought to be bound thereby which writing must be so firmly attached to this Note as to become a permanent part thereof.

AUTHORIZATION AGREEMENT
FOR PREAUTHORIZED PAYMENT SERVICE

AGREEMENT:

I (or We if there are joint owners of the account referenced later in this agreement) authorize and request the company named below, now referred to as the Company, to obtain payment for amounts I (we) owe to the Company as these amounts become due by initiating a payment entry to my (our) account. The account number, name of financial institution, payment amount, and date on or immediately after which payment should be deducted from the account are identified below. In addition, I (we) authorize and request the financial institution, now referred to as the Bank, to accept the payment entries presented to the Bank and to deduct them from my (our) account without responsibility for the correctness of these payments.

I (we) understand that this agreement can be terminated at any time as long as I (we) have given either the Company or the Bank written notification. This written notification to either the Company or Bank shall be effective for only those payments to be issued by the Company or received by the Bank after they either or both receive notification and have sufficient and reasonable opportunity to act upon it.

I (we) understand that I (we) have all the rights shown below as these rights relate to all payment entries initiated by the Company and to which this agreement pertains.

I (we) understand that all payment entries initiated by the Company and covered under this agreement are subject to the following:

If the amount of the initial payment entry initiated by the Company differs from the amount of the previous entry initiated under this agreement, the Company will send me (us) a written notification of this change in not less than ten (10) calendar days before this payment amount will be deducted from the account. In addition, if the Company makes any change in the date of the billing cycle on which payment is to be deducted from the account, the Company will send me (us) a written verification of the new date on or after which payment entries will be deducted from the account. This provision does not apply if my (our) authorization agreement is in effect for a single payment entry to the account or if I (we) have agreed that payment entries representing my (our) indebtedness may be deducted from the account after such indebtedness has been incurred.

I (we) may, by notice to the Bank, stop payment of any payment entry initiated or to be initiated by the Company to the account under this agreement. Notice of such stop payment must be received by the Bank in such a time and manner that will allow the Bank a reasonable time to act on it and if my (our) notice is oral, it will be binding on the Bank for only fourteen (14) calendar days unless I (we) confirm it in writing within this period.

If a payment entry is erroneously initiated by the Company to the account, I (we) will have the right to have the amount of this entry added back to the account by the Bank if I (we) send or deliver a written notice to the Bank within fifteen (15) calendar days following the date on which the Bank sent or made available to me (us) a statement of account or notification pertaining to the erroneous payment entry. My (our) written notice will identify the payment entry, state that the payment entry was in error and request the Bank to add the amount of the payment entry to the account balance.

MIDAS SHOP LEASE

This Midas Shop Lease (“**Lease**”), made as of _____, 20____, is by and between Midas Realty, LLC, a Delaware limited liability company (“**Lessor**”), having its office at 4300 TBC Way, Palm Beach Gardens, Florida, 33410, and _____, a _____ (“**Lessee**”), having its office at _____. Lessor and Lessee agree as follows:

1. LEASE OF PREMISES: Subject to any easement, restriction, covenant, condition or other matter of record, Lessor hereby leases to Lessee, and Lessee hires from Lessor, on the terms and conditions hereinafter set forth, those certain premises together with the building, improvements and appurtenances thereto, commonly known as _____, more particularly described in Exhibit A attached hereto and made a part hereof (“**Premises**”). Lessee hereby acknowledges and agrees that this Lease is a triple net lease.

2. TERM: (a) The term of this Lease will commence on _____ (“**Commencement Date**”), and expire on _____. The initial term including any extensions or renewals shall be defined as the “Term.” If the Commencement Date is a day other than the first day of the calendar month, then the initial term shall include that period of time from the Commencement Date up to the first day of the next calendar month and any subsequent lease year shall be the twelve (12) month period beginning on the first day of such month.

(b) In conjunction with the execution of this Lease, Lessee is entering into a franchise agreement with Midas International, LLC (Lessor’s affiliate, “**Franchisor**”) (“**Franchise Agreement**”). The term Franchise Agreement shall include any extension of the franchise agreement or franchise relationship, any renewal Franchisor franchise agreement and, in Lessor’s sole discretion, any operating agreement or license under which the business continues to operate following the termination or expiration of the Franchise Agreement.

(c) Lessee agrees that if the Franchise Agreement expires or is terminated for any reason by Lessee or Franchisor or in any manner, Lessor shall have the unqualified and absolute right to terminate this Lease upon written notice to Lessee. Upon giving such notice, Lessor shall have the right to immediately re-enter and take possession of the Premises or it may institute summary or holdover proceedings to evict Lessee and all those in possession of the Premises by reason of the termination of this Lease as herein provided. Lessee acknowledges and agrees that the foregoing termination provision is a material business term of this Lease (and is in addition to, and separate and distinct from, the termination of this Lease as a Lessor remedy upon an Event of Default, as hereinafter defined).

3. RENT: (a) The rent payable by Lessee to Lessor during each year of the Term shall be: (i) fixed minimum rent specified in the below table (“**Fixed Minimum Rent**”) or (ii) 7% of “Gross Sales” (as hereinafter defined) during such year (“**Percentage Rent**”); **WHICHEVER SHALL BE THE LARGER AMOUNT**. Fixed Minimum Rent may also be increased as described in Section 3(e) below. “**Rent**” shall

mean Fixed Minimum Rent and Percentage Rent, collectively. “**Additional Rent**” shall mean all other monetary obligations of Lessee under this Lease including, but not limited to, Taxes (as hereinafter defined).

Fixed Minimum Rent:

Period	Monthly Fixed Minimum Rent	Annual Fixed Minimum Rent

(b) Rent and Additional Rent shall be absolutely net to Lessor without any right of offset, deduction, claim or withholding by Lessee, so that this Lease shall yield to Lessor the Rent and Additional Rent specified during the Term. All costs, expenses and obligations of every kind and nature whatsoever relating to the Premises shall be paid and performed by Lessee.

(c) Fixed Minimum Rent installments shall be paid on the first day of each month in advance. All payments of Fixed Minimum Rent, Percentage Rent, Taxes (as defined below) and other Additional Rent due under this Lease shall be made by electronic payment transactions through automated clearing house debits. Lessee hereby authorizes Lessor to debit from its bank account the amount of such payments on the first day of each month or on such other applicable due date or any time thereafter. The foregoing authorization shall be self-operative and need no further written agreement; provided, however, Lessee shall, upon request, sign Lessor’s standard “ACH Agreement”. If Lessor directs Lessee in writing to do so, the foregoing payments shall be made to Lessor at P.O. Box 205256, Dallas, TX 75320-5256, or at such other place, or in such other manner, designated by Lessor.

(d) With respect to Percentage Rent and Gross Sales:

(i) “**Gross Sales**” shall mean and include all sales of merchandise or products of any kind and all charges for service or labor done in, on and from the Premises for cash or credit regardless of the collection thereof, but excluding sales taxes and bona fide refunds.

(ii) Lessee shall deliver to Lessor, on or before March 1st of each year of the Term (or within 60 days after the termination or expiration of the Term, if the Term does not end on December 31st), a statement of Gross Sales for the previous year, which statement shall be certified by Lessee and signed by Lessee’s accountant.

(iii) Concurrently with the delivery of said statement, Lessee shall pay as Percentage Rent owing for the previous year, the total Percentage Rent payable for the year (or partial year) less the total Fixed Minimum Rent paid for the previous year.

(iv) Lessee shall keep and preserve for at least three (3) years after delivery of the annual statement under the above (ii) full, complete and true records of all sales and business transactions, including bank statements, in manner and form satisfactory to Lessor. Lessor’s representatives shall have access to said records at any and all reasonable times for the purposes of examination or audit thereof to verify said annual statements.

(v) For purposes of Section 3, “year” shall mean calendar year ending December 31st.

(e) On or before 120 days prior to the 5th anniversary of the Commencement Date, Lessor may, in its sole discretion, make and submit to Lessee, a written Fair Market Rent proposal to apply beginning on the 5th anniversary of the Commencement Date. “**Fair Market Rent**” shall be defined as the then fair

market rent for the Premises reflecting the physical condition of the Premises at such time (including an adjustment for any needed repairs or maintenance).

(i) Lessor's Fair Market Rent proposal shall become the Fixed Minimum Rent beginning on the 5th anniversary of the Commencement Date for the remainder of the Term, unless within 30 days following Lessee's receipt of Lessor's proposal:

(1) Lessor and Lessee agree on a different Fair Market Rent which shall then become the Fixed Minimum Rent; or

(2) Lessee makes a written, alternate Fair Market Rent proposal to Lessor ("**Lessee's Proposal**"). If the parties do not agree on the Fair Market Rent within 15 days after Lessor receives Lessee's Proposal, the Fair Market Rent shall be determined by arbitration conducted by the American Arbitration Association ("**AAA**") in accordance with the process set forth in Subsection 3(e)(ii) hereof;

(ii) if the Fair Market Rent is to be determined by arbitration, Lessor and Lessee shall jointly submit the arbitration to the AAA. If either party fails to sign the joint submission within five days after request by the other party, either party shall have the right to initiate the arbitration alone. Submission of the arbitration to the AAA under this Subsection 3(e)(ii) is sometimes referred to herein as "**Submission**". The arbitration shall be conducted:

(1) pursuant to the AAA's "Arbitration Rules for the Real Estate Industry", except as otherwise stated herein;

(2) by a single arbitrator appointed by the AAA; provided, however, either party shall have the right to require that the arbitration be conducted by three arbitrators provided that such right is exercised no later than the time of Submission, in which event each party shall select an arbitrator within 15 days following Submission and the two arbitrators shall appoint a third arbitrator;

(3) in the city of the AAA's local or regional office nearest the Premises;

(4) under the AAA's "Expedited Procedures" process;

(5) without depositions, but with document discovery;

(6) on documents submitted by each party and without a hearing;

(7) in the "baseball arbitration" style with the arbitrator(s) being limited to choosing either Lessee's Proposal or Lessor's Proposal;

(8) without a reasoned opinion;

(9) with the arbitrator(s) being required to issue his/her/their decision within 45 days after Submission, and, to that end, the arbitrator(s) shall have the right to schedule the arbitration process accordingly;

(10) with each party paying its own costs and expenses (including, but not limited to, appraiser and attorney fees). In a single arbitrator proceeding, Lessor shall pay the arbitrator's fee, the AAA's fee and the administrative costs of the arbitration. In a three arbitrator proceeding, each party shall pay the fee of the arbitrator it selected, one-half of the AAA's fee for a single arbitrator proceeding and one-half of the administrative costs of a single arbitrator proceeding, and the party requesting the three

arbitrator proceeding shall pay the third arbitrator's fee, any additional fee charged by the AAA for a three arbitrator proceeding and the administrative costs in excess of those for a single arbitrator proceeding; and

(11) with the decision of the arbitrator(s) being binding on Lessor and Lessee. Notwithstanding anything to the contrary contained herein, the decision of the arbitrator shall not reduce the Fixed Minimum Rent below the amount of the Fixed Minimum Rent in effect when the Lessor's Proposal was initially submitted to Lessee.

(f) Additionally, Lessor shall be entitled to submit a written Fair Market Rent proposal 120 days prior to the 10th, 15th, and 20th anniversary (if applicable) of the Commencement Date as provided herein for a new determination of Fair Market Rent for the Premises utilizing the same time frames and processes described herein (with the new Fixed Minimum Rent amount becoming effective on each such anniversary date).

4. SECURITY DEPOSIT: Upon execution of this Lease, Lessee shall deposit with Lessor an amount equal to two month's Fixed Minimum Rent and Taxes as a security deposit ("**Security Deposit**"). Lessor shall have the right from time-to-time during the Term to increase the required Security Deposit to an amount equal to the two-twelfths of the total of the then-current annual Fixed Minimum Rent and Taxes. The Security Deposit shall be held by Lessor, without any obligation to pay interest thereon, as security for the performance by Lessee of its covenants and obligations under this Lease, it being expressly agreed that the Security Deposit is not an advance payment of Rent or a measure of Lessor's damages in the event of any breach or default by Lessee. If at any time during the Term any Rent or Additional Rent is overdue or if Lessee fails to perform and keep any of its covenants or obligations under this Lease, Lessor may, at its option, apply any portion of the Security Deposit to the payment of such overdue Rent or Additional Rent or to compensate Lessor for loss, cost or damage sustained, incurred or suffered by it due to such breach by Lessee. If the Security Deposit or any portion thereof is applied by Lessor, Lessee shall, upon written demand of Lessor, remit to Lessor a sufficient amount to restore the Security Deposit to the amount required to be on deposit at that time. Any portion of the Security Deposit on deposit at the expiration or termination of this Lease shall be returned Lessee at such time (if any) as Lessor determines that Lessee had fulfilled its obligations under this Lease; provided, however, Lessee expressly acknowledges and agrees that the return of any portion of the Security Deposit by Lessor shall not be deemed to be an admission by Lessor that Lessee has fulfilled any of its obligations under this Lease. If Lessor applies the Security Deposit in accordance with the terms of this paragraph, such application shall not constitute a waiver of any of Lessor's rights or remedies under this Lease, nor shall such application constitute an accord and satisfaction. Lessor shall have the right to commingle the Security Deposit with Lessor's other funds, and Lessee hereby consents thereto.

5. USE: (a) Lessee shall use the Premises solely for the activities authorized by the Franchise Agreement and none other.

(b) Lessee shall, during the Term, occupy the Premises and diligently operate its business at the Premises and keep the business open to the public during the business days and hours which Franchisor from time-to-time prescribes.

(c) Lessee, in its use, occupancy, maintenance and repair of the Premises, shall comply with all the terms and conditions of this Lease and the Franchise Agreement.

6. CONDITION OF PREMISES; MAINTENANCE: (a) Lessee acknowledges and agrees that it has inspected, or has had a sufficient opportunity to inspect, the Premises and hereby accepts the Premises "AS-IS" and "WHERE-IS" with no representation or warranty by Lessor as to the condition of the Premises or the fitness of the Premises for any particular purpose or use.

(b) Lessee shall, at its expense, at all times during the Term keep the entire Premises including, but not limited to, the interior and exterior, structural and non-structural elements, foundation, floor, roof and roof system, utility systems and installations, parking area and driveways, sidewalks, landscaping, immediately surrounding areas, appurtenances, fixtures and equipment in good, safe, clean, sanitary, debris-free and well-maintained condition and shall do and make, on a timely and diligent basis, all maintenance, repairs and replacements as are necessary and appropriate to keep the Premises in the condition required by this Lease, regardless whether the benefit of such maintenance, repairs and replacements may extend beyond the Term. Without limiting the foregoing, Lessee shall keep and maintain the Midas Shop at the Premises in accordance with the requirements of the Franchise Agreement relating to interior and exterior design and appearance, Franchisor indicia, painting and décor, floor layout, character of interior furnishings, signs, emblems, logos, lettering, pictorial materials and condition of the Midas Shop premises.

(c) Upon expiration or termination of this Lease, Lessee shall deliver the Premises to Lessor in the condition required by Section 6(b), reasonable wear and use excepted.

7. LESSOR RIGHTS: Lessor and its agents shall have right to enter the Premises at all reasonable times for the purpose of inspecting, testing (including doing environmental tests and interior and exterior borings), maintaining or repairing the Premises (without having any obligation to do so) or showing the Premises to prospective buyers, tenants or lenders. During the 120 days prior to the expiration or termination of this Lease, Lessor may display “for rent” type signs on the Premises. Lessor shall have the right to display “property for sale” type signs at any time. Lessor shall have the right to display “franchise available” type signs on the Premises and to show the Premises to prospective franchisees any time Lessee has indicated to Franchisor that it intends to terminate, or not renew, the Franchise Agreement or any time the Franchise Agreement is subject to termination for any reason.

8. ALTERATIONS: Lessee shall not make any alterations, improvements or additions to the Premises (“**Alterations**”) without first obtaining the written consent of Lessor, which Lessor may grant or deny in its sole discretion. In the event Lessor consents to Alterations, the same shall be made by Lessee at Lessee’s sole expense by a licensed contractor and according to plans and specifications approved by Lessor and subject to such other conditions as Lessor may require. Any Alterations shall be prosecuted diligently to completion, shall be of good workmanship and materials and shall comply with all Laws (as hereinafter defined) and all terms of this Lease. Upon completion of any Alterations, Lessee shall promptly give Lessor: (i) evidence of full payment to all laborers and materialmen together with all appropriate final lien waiver and release documents; (ii) an architect’s certificate certifying the Alterations to have been completed in conformity with the approved plans and specifications; and (iii) a certificate of occupancy. Lessee shall file or record, as appropriate, a “notice of non-responsibility”, disclaiming Lessor’s responsibility, or any equivalent notice permitted under Laws, with respect to the Alterations. Any Alterations shall be deemed a part of the Premises and belong to Lessor, and Lessee shall execute and deliver to Lessor such instruments as Lessor may require to evidence Lessor’s ownership. Upon expiration or termination of this Lease, Lessee, if directed by Lessor, shall remove any Alterations and restore the Premises to its original condition, making any repairs at Lessee’s sole cost and expense.

9. TAXES; UTILITIES: (a) Lessee shall pay prior to delinquency pursuant to bills procured and timely submitted to Lessee by Lessor any and all (including annual or annualized) taxes and assessments levied, imposed or assessed on the Premises (“**Tax(es)**”) subsequent to the Lease commencement date, and Lessor shall be required to pay no Taxes during the Term. Lessee shall exhibit receipts for Tax payments to Lessor promptly upon payment thereof. Lessee may, at its expense, contest Taxes, in the name of Lessor if necessary, at all times indemnifying and holding Lessor harmless from liability for all Taxes. Taxes accrued but not yet paid as of the date of this Lease shall be paid by Lessee notwithstanding that such Taxes relate to periods prior to the Commencement Date. Taxes for the year in which this Lease terminates or expires shall be prorated so that Lessee shall pay the Taxes for any year falling partially within the existing

Term, said proration to be based upon the number of days of the then current tax fiscal year falling within the existing Term.

(b) Lessee shall also pay promptly when due any tax levied, imposed or assessed on or against the rent paid or collected under this Lease, whether the same be called a rent tax, sales tax, excise tax, gross receipts tax, general services tax, or otherwise, irrespective of whether such tax is in lieu of or in addition to taxes and assessments levied, imposed or assessed on the Premises (“**Rent Tax**”). Lessee shall reimburse Lessor any Rent Tax which Lessor is required to pay or, in fact, pays.

(c) At Lessor’s sole discretion, Lessee shall deposit with Lessor (in addition to paying Fixed Minimum Rent) on the first day of each month a sum equal to one-twelfth (1/12th) of the annual or annualized Taxes due and payable for that particular calendar year, and (if applicable) Rent Tax so that as each installment becomes due and payable, Lessee shall have on deposit with Lessor a sum sufficient to pay it. If the actual Taxes have not been ascertained at the time a monthly deposit is due under this Lease, Lessee shall deposit such amount as is reasonably estimated by Lessor. Lessor shall have the right, to be exercised in its reasonable discretion, to determine and set the amount of the monthly deposit from time to time. Lessor shall also have the right to require Lessee to deposit a lump sum sufficient to pay each Tax installment and to also pay the Taxes for the current period. When a Tax bill is received, if the actual Taxes are more than the amount deposited by Lessee for the period covered by the Tax bill, Lessee shall pay such amount to Lessor forthwith upon demand. If the actual Taxes are less than the amount deposited by Lessee for the period covered by the Tax bill, Lessor may retain the excess on deposit for the payment of future Taxes. Lessor shall not be responsible for the validity, accuracy or reasonableness of Taxes. Lessor shall have no obligation to pay interest on Lessee’s Tax and Rent Tax deposits, and Lessee hereby expressly waives any right, statutory or otherwise, to have Lessor pay interest. Upon expiration or termination of this Lease, when the actual Taxes for the last year(s) of the Term are billed, Lessee shall pay Lessor, upon demand, the difference between the actual Taxes and the amount of Taxes previously deposited for such year(s), or portion thereof, by Lessee. Notwithstanding anything to the contrary herein, if Lessee should fail to pay any Tax payment required herein, in addition to any other remedies provided herein, Lessor may, if it so elects, pay such Taxes. Any sums so paid by Lessor shall be deemed to be Additional Rent owing by Lessee to Lessor and due and payable upon demand as Additional Rent plus interest pursuant to Section 30 from the date of payment by Lessor until repaid by Lessee.

(d) Lessee shall pay for all water, gas, electricity, phone, data transmission, wireless services and other utilities serving the Premises.

10. LICENSES AND COMPLIANCE WITH LAWS: Lessee shall comply with all Laws and shall not use, or permit the use of, the Premises in violation of any Laws. “**Laws**” shall be defined as all applicable governmental and quasi-governmental laws, statutes, ordinances, regulations and orders including, but not limited to Environmental Laws (as hereafter defined) and the ADA (as hereafter defined). Lessee agrees that it shall be responsible for complying in all respects with the Americans with Disabilities Act of 1990, as such act may be amended from time to time, and all regulations promulgated thereunder, and all state and local Laws relating to disabled or handicapped persons (collectively, “**ADA**”), affecting the Premises including, but not limited to, making required so-called readily achievable or reasonable changes to remove any architectural or communications barriers and providing auxiliary aides and services at the Premises. Lessee shall maintain and procure at its own expense and responsibility all licenses, permits or inspection certificates required by any governmental authority respecting Lessee’s use of, or business at, the Premises. Lessee may contest any Laws and, if required, may join Lessor’s name as a nominal party in any such contest. In such event Lessee shall indemnify Lessor against any costs, penalties or attorney’s fees incurred by or asserted against Lessor by virtue thereof.

11. INSURANCE: (a) During the entire Term, Lessee shall obtain, maintain in force and pay the premiums for, public liability insurance with completed operations coverage, with insurance companies

acceptable to Lessor, with \$2,000,000 combined single limit coverage per occurrence (or such other amount as may be prescribed by Lessor from time to time in its sole and absolute discretion), as well as all other insurance policies and coverages as described in the Franchise Agreement or as otherwise prescribed by Lessor from time to time in its sole and absolute discretion. Such limits of liability shall be increased and/or modified, or additional types of coverage shall be obtained at the direction of Lessor, as and when changed circumstances so require. Said policies of insurance shall provide coverage on an “occurrence” rather than “claims made” basis. Said policies of insurance shall expressly protect Lessee, Lessor, Franchisor, Midas, Inc. and Lessor’s mortgagee (Lessor, Franchisor, Midas, Inc. and Lessor’s mortgagee, individually and collectively, “**Insureds**”) and shall require the insurer to defend Insured in any such action. Lessee shall furnish to Lessor a certified copy of each policy or a certificate with respect to each such policy evidencing the required coverage and naming Insureds as additional insureds, stating that coverage applies to “all operations during the policy period” and providing that such policy shall not be canceled, amended or modified except upon ten (10) days’ prior written notice to Insureds. The additional insured endorsement must provide coverage at least as broad as the ISO CG2010 1001 together with the CG2037 1001. The coverage afforded Insureds must provide that such insurance shall be primary to any other insurance otherwise carried by Insured. Maintenance of the insurance required under this section shall not relieve Lessee of its indemnification obligations contained in this Lease. Lessee fails to procure or maintain in force any insurance as required by this section, or to furnish to Lessor the certified copies or certificates thereof required hereunder, Lessor may, in addition to all other rights and remedies available at law, in equity or by contract, procure such insurance, and, in such event, Lessee shall, upon demand by Lessor, reimburse Lessor for all premiums and other costs incurred in connection therewith.

(b) Lessee agrees, at its cost and expense during the Term, to keep the building and improvements on the Premises insured at full replacement value by reliable companies against damages caused by fire and against other risks covered by standard extended coverage with Insureds as additional insureds and with proceeds payable to Lessor or Lessor’s mortgagee and Lessee, as their interests may appear. In the event Lessee fails to provide, or maintain in effect at any time during the Term, the required fire and extended coverage insurance, Lessor shall have the right to obtain such insurance on Lessee’s behalf. The insurance obtained by Lessor shall be subject to certain loss deductible amounts depending upon the nature of the casualty, and Lessee shall be responsible for such loss deductible amounts. Such loss deductible amounts shall be subject to change from time to time. The insurance obtained by Lessor pursuant to this subparagraph may be via Lessor’s blanket policies. Lessee shall, upon demand by Lessor, reimburse Lessor for all premiums and other costs incurred in connection with obtaining insurance pursuant to this subparagraph.

12. INDEMNIFICATION: Lessee agrees to indemnify, save harmless and defend (with counsel acceptable to Lessor) Lessor, its members, managers, officers, agents, employees, representatives, affiliates, subsidiaries, parents and any and all persons acting by, through, under or in concert with them, or any of them, from and against all claims of whatever nature arising from all of the following: (i) any act, omission or negligence of Lessee, or Lessee’s contractors, agents, servants or employees; (ii) any accident, injury or damage whatsoever caused to any person, or to the property of any person, occurring during the Term in or on or about the Premises, where such accident, damage or injury results or is claimed to have resulted from an act or omission on the part of Lessee or Lessee’s agents or employees; (iii) any act, omission or default under any of Lessee’s obligations or undertakings in this Lease; and (iv) any alleged violation of Laws including, without limitation, Environmental Laws and the ADA. This indemnity and hold harmless clause shall include indemnity against all costs, expenses and liabilities in or in connection with any such claim, governmental investigation, administrative proceeding or civil or criminal litigation arising therefrom, and the defense thereof, including reasonable attorney’s fees and costs.

13. WAIVER OF SUBROGATION RIGHTS: Neither Lessor nor Lessee shall be liable to the other for any loss or damage from risks ordinarily insured against under fire insurance policies with extended

coverage endorsements, irrespective of whether such loss or damage results from their negligence or that of any of their agents, servants, employees, licensees or contractors.

14. DESTRUCTION OF PREMISES: In the event of damage to, or destruction of, the Premises by fire, act of God, or by any other cause, Lessee shall, at its cost, repair and restore the Premises within 150 days after the event of damage or destruction. Such damage or destruction shall not terminate this Lease, but Lessee shall be entitled to a proportionate reduction of rent from the event of damage or destruction until the Premises have been restored (but not to exceed 150 days) to be based on the extent to which the repairs or restoration interferes with the operation of Lessee's business. The determination of the amount and duration of the proportionate reduction shall be made by Lessor in its reasonable judgment. In the event Lessee fails to complete such repairs or restoration within said 150 days, Lessor shall have the right to terminate this Lease on 15 days written notice to Lessee. Lessor shall have the alternative right of completing said repairs or restoration, in which event Lessor's costs and expenses shall be paid by Lessee as Additional Rent within 15 days after demand by Lessor.

15. EMINENT DOMAIN: (a) "**Taking**" shall be defined as a taking of all or any part of the Premises or the commencement of any proceedings or negotiations which might result in a taking for any public or quasi-public purposes by exercise of the right of eminent domain, similar government power or agreement between Lessor, Lessee and/or the entity authorized to exercise such power or conduct such negotiations. If Lessee is notified of a Taking, Lessee shall promptly give written notice thereof to Lessor describing the nature and extent of the Taking together with copies of any documents or notices received in connection therewith.

(b) In case of a Taking of the entire Premises ("**Total Taking**"), this Lease shall terminate as of the date of the Total Taking, and all Rent, Taxes and Additional Rent shall be apportioned and paid to the date of the Total Taking. Total Taking shall include a taking of substantially all the Premises if, in the sole determination of Lessor, the remainder of the Premises cannot reasonably be made useable for the permitted use. Lessor shall be entitled to receive the entire award or payment in connection with a Total Taking without deduction for Lessee's leasehold estate. Lessee hereby expressly assigns to Lessor all of its right, title and interest (including, without limitation, its leasehold interest) in and to every such award or payment. Lessee shall be entitled to claim and receive any award or payment from the condemning authority expressly granted for the taking of Lessee's personal property and moving expenses, but only if such claim or award does not adversely affect or interfere with the prosecution of, or reduce, Lessor's claim or award for the Total Taking. Lessee shall be responsible for filing its own claim and for paying all costs including, but not limited to, attorney's fees, related thereto. Lessee shall promptly send Lessor copies of all correspondence and pleadings relating to any such claim.

(c) In case of a temporary use of all or any part of the Premises by a Taking ("**Temporary Taking**"), this Lease shall remain in full force and effect without any reduction or abatement of Rent, Taxes or Additional Rent. Except as provided below, Lessee shall be entitled to the entire award for a Temporary Taking, unless the period of use shall extend beyond the termination or expiration of this Lease, in which case the award made for such Temporary Taking shall be apportioned between Lessor and Lessee as of the date of termination or expiration. At the end of a Temporary Taking, Lessee shall, at its own cost and expense promptly commence and complete the restoration of the Premises.

(d) In the event of a Taking other than a Total Taking or a Temporary Taking ("**Partial Taking**"), all awards, compensation or damages shall be paid to Lessor, and Lessor shall have the right to terminate this Lease or continue this Lease, in either case upon notice to Lessee. If Lessor elects to terminate this Lease, this Lease shall terminate on such reasonable date as is selected by Lessor based on the circumstances of the Partial Taking. Lessee shall thereupon vacate and surrender the Premises, and all further obligations of the parties shall cease from and after the termination date (but obligations accruing, or relating to acts or omissions occurring, up to and including the termination date shall not cease or be released). If Lessor

elects to continue this Lease, then (i) this Lease shall continue and Rent, Taxes, Additional Rent and obligations due under this Lease shall continue unabated and (ii) Lessee shall promptly commence and diligently complete the restoration of the Premises, subject to the approval of Lessor, to the same condition, as nearly as practicable, as prior to the damage, destruction or alterations resulting from the Partial Taking. In such event, Lessor shall make available in installments as restoration progresses an amount up to but not exceeding the amount of any award, compensation or damages received by Lessor, upon request of Lessee accompanied by evidence reasonably satisfactory to Lessor that such amount has been paid or is due and payable and is properly a part of such costs and that Lessee has complied with the requirements in Section 8 (with respect to Alterations) in connection with the restoration. Lessor shall be entitled to keep any portion of such award, compensation or damages which may be in excess of the cost of restoration, and Lessee shall bear all additional costs, fees and expenses of such restoration in excess of the amount of any such award, compensation or damages.

16. LIENS: If any act or omission of Lessee or claim against Lessee results in a lien or claim of lien against the Premises (“Lien”), Lessee upon notice thereof shall promptly remove or release the Lien by posting of bond or otherwise. If not so removed or released in 15 days after notice from Lessor, Lessor may (but need not) pay or discharge the Lien without inquiry as to the validity thereof at Lessee’s expense. Lessee may contest the Lien by first furnishing Lessor with a sufficient surety bond issued by a reputable surety company satisfactory to Lessor and its title insurance company.

17. ENCUMBRANCES: This Lease shall be subordinate to any mortgage or deed of trust presently or hereafter placed upon the Premises. Although the foregoing subordination shall be self-operative and no future instrument of subordination shall be required, upon request by Lessor, Lessee shall execute and deliver whatever subordination instruments may be required by the mortgagee (or other lienholder), and if Lessee fails so to do within ten (10) days, Lessee hereby makes, constitutes and irrevocably appoints Lessor as its agent and attorney-in-fact, which appointment shall be deemed coupled with an interest, with authority to execute and deliver such instruments on Lessee’s behalf.

18. LESSOR’S EXPENDITURES FOR LESSEE’S BREACH: Lessor may (but need not), in the event of Lessee’s breach of any of its obligations or undertakings in this Lease, perform and satisfy any such obligations or undertakings or cure such breach. Lessor’s costs and expenditures in connection therewith shall be at Lessee’s expense and shall be payable by Lessee as Additional Rent on demand by Lessor.

19. QUIET ENJOYMENT: Lessor represents that it is the owner of the Premises and that it is legally empowered to execute this Lease. Lessor covenants that Lessee, on payment of the Rent and Additional Rent and performance of Lessee’s obligations herein, shall peacefully and quietly have, hold and enjoy the Premises.

20. ASSIGNMENT AND SUBLETTING: (a) Without first obtaining the written consent of Lessor, which Lessor may grant or withhold in its sole discretion, Lessee shall not: (i) assign this Lease or any interest herein; (ii) sublet the Premises or any part thereof; (ii) permit any other party to occupy or use the Premises or any part thereof. Notwithstanding the foregoing, if Franchisor consents to the assignment of the Franchise Agreement, Lessor shall not unreasonably withhold its consent to the assignment of this Lease; provided, however, in such event the assignee shall be required, as a condition of Lessor’s consent, to amend this Lease to delete any rent or other concessions or exceptions to Lessor’s standard policies that were granted to Lessee.

(b) If the Franchise Agreement is terminated or expires and Lessor does not terminate this Lease in connection therewith (this Lease and all of Lessee’s obligations hereunder shall remain in effect), Lessee shall have the right to sublease the Premises but only upon receiving the advance written consent of Lessor, which consent shall not be unreasonably withheld. If Lessee proposes to sublease the Premises, Lessee

shall submit to Lessor all the material terms of the proposed sublease (together with a copy of the proposed sublease), the identity of the proposed subtenant and any guarantors, the proposed use of the Premises and the business background and experience of the proposed subtenant. Upon receipt of all the foregoing information, Lessor shall within 30 days notify Lessee whether Lessor consents to the proposed sublease, consents to the sublease subject to certain conditions being met, refuses to consent to the proposed sublease or exercises its right to terminate this Lease. Failure of Lessor to respond within 30 days shall be deemed to be Lessor's refusal to consent to the proposed sublease. If Lessor consents to a sublease, Lessee shall remain liable for all obligations under this Lease.

21. SIGNS AND FIXTURES: (a) Subject to compliance with applicable laws and ordinances, Lessee shall have the right at all times during the Term to erect and maintain such free-standing signs and interior and exterior building signage as is approved in advance by Lessor for the sole purpose of advertising the business authorized by the Franchise Agreement. Lessee shall not install or erect or permit others to install or erect billboards or other advertising media on the Premises, said right being hereby exclusively reserved by Lessor.

(b) Any signs, equipment, trade fixtures or other personal property (collectively, "**Personalty**") that Lessee has a right to remove from the Premises shall be removed by Lessee by the earliest to occur of expiration of this Lease, termination of this Lease, termination of Lessee's right to possession of the Premises, or the vacating or abandonment of the Premises by Lessee. Any Personalty remaining at the Premises after such period shall, at Lessor's election which may be made at any time following expiration of such period, be deemed abandoned in which event Lessor shall have all right, title and interest in and to the remaining Personalty available to landlords under law in such circumstances and also including, without limitation, the right (but not the obligation), at Lessee's expense, to remove and store and/or dispose of such remaining Personalty. Lessee shall be liable for any damage to the Premises caused by the removal of Personalty by, or on behalf of, Lessee or its lienholders or their agents, contractors or employees. Lessee shall promptly pay Lessor 115% of the cost and related expenses of any repairs or replacements incurred by Lessor as a result of such damage (Lessor and Lessee hereby expressly agreeing that 15% is a reasonable amount to compensate Lessor for its administrative expenses) plus attorneys' fees incurred and court costs incurred by Lessor.

(c) Lessor hereby expressly claims, and reserves, the benefit of any and all landlord lien rights available to landlords under applicable law.

22. GUARANTY FOR CORPORATE LESSEE: Each party signing this Lease as a guarantor ("**Guarantor**"), as an owner (stockholder, member, partner, etc.) of, or otherwise financially interested in, Lessee, hereby jointly and severally guarantees to Lessor the payment of Rent and Additional Rent to be paid by Lessee and the performance by Lessee of all of the terms and conditions of, and Lessee's obligations under this Lease. Guarantor waives any notices hereunder or acceptance hereof and consents to any extension of time, indulgence or waivers granted by Lessor to Lessee or any other action or modification of the Lease terms whereby the liability of the Guarantor but for this provision would be released. Guarantor agrees to pay all of Lessor's expenses, including attorney's fees, incurred by Lessor in enforcing this guarantee or the obligations of Lessee herein.

23. DEFAULT AND REMEDIES: (a) The occurrence of any one or more of the following events shall constitute an event of default by Lessee ("**Event of Default**") and shall trigger Lessor's rights and remedies listed and referenced below:

(i) failure by Lessee to pay when due any Rent or Additional Rent ("**Monetary Breach**"), unless such failure is cured within 15 days after notice from Lessor;

(ii) failure by Lessee to observe or perform any term or condition of, or obligation under, this Lease other than an Event of Default described in items (i) or (iii) of this subsection, unless such failure is cured within 30 days after notice from Lessor; or

(iii) (1) making by Lessee or any Guarantor of a general assignment for the benefit of creditors, (2) filing by or against Lessee or any Guarantor of a petition to have Lessee or such Guarantor adjudged a bankrupt or of a petition for reorganization or arrangement under any Laws relating to bankruptcy, insolvency or inability to pay debts (unless, in the case of a petition filed against Lessee or such Guarantor, the petition is dismissed within 30 days), (3) appointment of a trustee or receiver to take possession of substantially all of Lessee's assets at the Premises or of Lessee's interest in this Lease, where such possession or interest is not restored to Lessee within 30 days, (4) attachment, execution or other judicial seizure of substantially all of Lessee's assets at the Premises or of Lessee's interest in this Lease, (5) Lessee's or any Guarantor's insolvency or admission of the inability to pay its debts as they mature, (6) Lessee vacating or abandoning the Premises (this Event of Default being separate and distinct from a breach of Section 5(b) of this Lease), (7) falsification by Lessee of any statement or report required to be submitted to Lessor under this Lease, (8) any Monetary Breach or any Event of Default or any combination of any Monetary Breach and/or any Event of Default in three consecutive months or in any four months during any twelve consecutive months regardless of whether Lessee has cured any or all of such previous Monetary Breach(es) or Event(s) of Default, or (9) default by the Franchisee under the Franchise Agreement or any event which constitutes immediate and automatic termination of the Franchise Agreement.

(b) Lessee hereby agrees that the only notices necessary to notify it of a breach or Event of Default or to terminate this Lease are those enumerated herein and that any and all other notices and demands required by Laws are hereby expressly waived by Lessee (to the fullest extent legally permissible). The notice and cure periods provided herein are in lieu of, and not in addition to, any notice and cure periods provided by Laws, but Lessor may at any time elect to comply with such notice and cure periods provided by Laws in lieu of the notice and cure periods provided herein.

(c) If an Event of Default occurs, Lessor shall have the following rights and remedies to the fullest extent permitted by Laws, which shall be distinct, separate and cumulative with, and in addition to, any other right or remedy allowed under Laws or this Lease:

(i) With or without terminating this Lease, Lessor may terminate Lessee's right of possession, reenter and repossess the Premises by detainer suit, summary proceedings or other lawful means (and if Laws permit and Lessor shall not have expressly terminated this Lease by written notice, any such action shall be deemed a termination of Lessee's right of possession only). In such event, Lessor shall be entitled to recover from Lessee: (1) any unpaid Rent and Additional Rent as of the date possession is terminated; (2) the amount by which (A) any unpaid Rent and Additional Rent which would have accrued after the termination date during the balance of the existing Term exceeds (B) the rent (less any and all costs and expenses Lessor would reasonably incur in re-letting the Premises) Lessee proves that Lessor should receive for the Premises under a lease substantially similar to this Lease for the balance of the existing Term (considering, among other things, the condition of the Premises, market conditions, the period of time the Premises may remain vacant before Lessor is able to re-lease the Premises to a suitable replacement tenant); and (3) all other damages incurred by Lessor proximately caused by Lessee's failure to perform its obligations under this Lease. The amounts computed in accordance with foregoing subpart (2) (not including Lessor's costs and expenses of re-letting) shall be discounted to present value in accordance with accepted financial practice at the rate of three percent (3%) per year.

(ii) With or without terminating this Lease, Lessor may terminate Lessee's right of possession, reenter and repossess the Premises by detainer suit, summary proceedings or other lawful means (and if Laws permit and Lessor shall not have expressly terminated this Lease by written notice, any such action shall be deemed a termination of Lessee's right of possession only). In such event, Lessor shall be

entitled to recover from Lessee: (1) any unpaid Rent and Additional Rent as of the date possession is terminated; (2) any unpaid Rent and Additional Rent which accrues during the existing Term from the date possession is terminated through the time of judgment (or which may have accrued from the time of any earlier judgment obtained by Lessor), less any consideration received from replacement tenants as further described below; and (3) all other damages incurred by Lessor proximately caused by Lessee's failure to perform its obligations under this Lease, including without limitation, all costs of re-letting the Premises. Lessee shall pay all such amounts to Lessor as the same accrue or after the same have accrued from time-to-time upon demand. At any time after terminating Lessee's right to possession as provided herein, Lessor may terminate this Lease as provided in this Lease, and Lessor may pursue such other remedies as may be available to Lessor under this Lease or Laws.

(iii) If this Lease or Lessee's right to possession is terminated, Lessor may, at Lessee's cost and expense: (1) enter and secure the Premises, change the locks, install barricades, remove any improvements, fixtures or personal property of Lessee, perform any decorating, remodeling, repairs, alterations, improvements or additions and take such other actions as Lessor shall determine in Lessor's sole discretion to prevent damage or deterioration to the Premises or prepare the same for reletting, and (2) relet all or any portion of the Premises for any rent, use or period of time, and upon any other terms as Lessor shall determine in Lessor's sole discretion, directly or as Lessee's agent (if permitted or required by Laws). The consideration received from such reletting shall be applied pursuant to the terms of Section 23(c)(v) hereof, and if such consideration, as so applied, is not sufficient to cover all Rent, Additional Rent and damages to which Lessor may be entitled hereunder, Lessee shall pay any deficiency to Lessor as the same accrues or after the same has accrued from time to time upon demand, subject to Lessor's right to accelerate such payments as provided herein.

(iv) Lessor shall at all times have the right without prior demand or notice (except as required by Laws) to: (1) seek any declaratory, injunctive or other equitable relief, and specifically enforce this Lease or restrain or enjoin a violation of any provision hereof, and Lessee hereby waives any right to require that Lessor post a bond in connection therewith; and (2) sue for and collect any unpaid Rent or Additional Rent which has accrued.

(v) No re-entry or repossession, repairs, changes, alterations and additions, reletting, acceptance of keys from Lessee, or any other action or omission by Lessor shall be construed as an election by Lessor to terminate this Lease or Lessee's right to possession, or accept a surrender of the Premises, nor shall the same operate to release Lessee in whole or in part from any of Lessee's obligations hereunder, unless express written notice of such intention is sent by Lessor to Lessee. Lessor may bring suits for amounts owed by Lessee hereunder or any portions thereof, as the same accrue or after the same have accrued, and no suit or recovery of any portion due hereunder shall be deemed a waiver of Lessor's right to collect all amounts to which Lessor is entitled hereunder, nor shall the same serve as any defense to any subsequent suit brought for any amount not theretofore reduced to judgment. Lessor may pursue one or more remedies against Lessee and need not make an election of remedies until findings of fact are made by a court of competent jurisdiction. All rent and other consideration paid by any replacement tenants shall be applied, at Lessor's option: first, to the costs of reletting, second, to the payment of all costs of enforcing this Lease against Lessee or any Guarantor, third, to the payment of all interest and service charges accruing hereunder, fourth, to the payment of Rent and Additional Rent previously accrued, and the residue, if any, shall be held by Lessor and applied to the payment of other obligations of Lessee to Lessor as the same become due (with any remaining residue to be retained by Lessor). Lessor shall be under no obligation to observe or perform any provision of this Lease on its part to be observed or performed which accrues after the date of an Event of Default. Lessee hereby irrevocably waives any right otherwise available under Laws to redeem or reinstate this Lease or Lessee's right to possession after this Lease or Lessee's right to possession is terminated based on an Event of Default.

24. WAIVER AND CUMULATIVE RIGHTS: No waiver by Lessor of any provision or undertaking hereunder shall be valid unless in writing signed by an officer of Lessor. No waiver by Lessor of any breach of, or default under, this Lease by Lessee shall be deemed a waiver of any other or subsequent breach or default. All rights and remedies of Lessor herein provided or allowed by law shall be cumulative.

25. HAZARDOUS MATERIALS AND SUBSTANCES: (a) “**Hazardous Materials**” means any substance, material, waste, gas or particulate matter which now or at any time during the Term is regulated by any local governmental authority, the State in which the Premises is located, or the United States Government, including, but not limited to, any material or substance which is: (i) defined as a “hazardous waste,” “hazardous material,” “hazardous substance,” “extremely hazardous waste,” or “restricted hazardous waste” under any provision of State law; (ii) petroleum; (iii) asbestos; (iv) polychlorinated biphenyl; (v) radioactive material; (vi) designated as a “hazardous substance” pursuant to Section 311 of the Clean Water Act, 33 U.S.C. Sec. 251 et seq. (33 U.S.C. Sec. 1317); (vii) defined as “hazardous waste” pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. Sec. 6901 et seq. (42 U.S.C. Sec. 6903); or (viii) defined as a “hazardous substance” pursuant to Section 101 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Sec. 9601 et seq. (42 U.S.C. Sec. 9601).

(b) “**Environmental Laws**” means all statutes specifically described in the foregoing paragraph and all federal, state and local environmental health and safety statutes, ordinances, codes, rules, regulations, orders and decrees regulating, relating to or imposing liability or standards concerning or in connection with Hazardous Materials.

(c) Lessee represents and warrants to Lessor that: (i) no Hazardous Materials will be located on the Premises (except the proper and lawful storage of petroleum products and used oil incident to the lawful use of the Premises in accordance with Section 5 hereof), or will be released into the environment, or discharged, placed or disposed of at, on or under the Premises; (ii) no underground storage tanks will be located on the Premises; (iii) the Premises will not be used as a dump for Hazardous Materials; and (iv) the Premises and the use thereof will at all times comply with Environmental Laws.

(d) Lessee agrees to indemnify, defend and hold harmless Lessor and its parent, subsidiaries, and assignees, from and against any and all debts, liens, claims, causes of action, administrative orders and notices, costs (including, without limitation, response and/or remedial costs), personal injuries, losses, damages, liabilities, demands, interest, fines, penalties and expenses, including reasonable attorneys’ fees and expenses, consultants’ fees and expenses, court costs and all other out-of-pocket expenses, suffered or incurred by Lessor or its subtenants and assignees as a result of: (i) the breach of any representation or warranty made by Lessee herein; and (ii) any occurrence, matter, condition, act or omission involving Environmental Laws or Hazardous Materials which arises subsequent to the Commencement Date and which fails to comply with the Environmental Laws in effect as of the date thereof or any existing common law theory based on nuisance or strict liability in existence as of the date thereof, regardless of whether or not Lessee had knowledge of same as of the date thereof.

26. HOLDING OVER: If Lessee remains in possession of the Premises after the termination or expiration of the existing Term, Lessor may (in Lessor’s sole discretion), upon notice to Lessee, deem Lessee a tenant on a month-to-month basis with all Lessee’s obligations, liabilities, covenants, representations and warranties in this Lease, except that Fixed Minimum Rent shall be automatically increased by 50% and the Percentage Rent rate increased by 3%. In the absence of such month-to-month notice being given by Lessor, Lessee shall be deemed a hold over tenant and nothing herein or the acceptance or retention of Rent by Lessor shall be deemed a consent to holding over by Lessee.

27. LESSOR’S LIABILITY: Notwithstanding anything to the contrary provided in this Lease, it is specifically understood and agreed, such agreement being a primary consideration for the execution of this

Lease by Lessor, that (i) there shall be absolutely no personal liability on the part of Lessor, its successors or assigns, and its/their officers, directors, employees and agents, to Lessee with respect to any of the terms, covenants and conditions of this Lease, (ii) Lessee waives all claims, demands and causes of action against Lessor's officers, directors, employees and agents in the event of Lessor's breach of any of the terms, covenants and conditions of this Lease, and (iii) Lessee shall look solely to Lessor's interest in the Premises for the satisfaction of each and every remedy of Lessee in the event of any breach by Lessor of this Lease or any other matter in connection with this Lease or the Premises or the Franchise Agreement, such exculpation of liability to be absolute and without any exception whatsoever.

28. LESSOR'S CONSENT: Unless specified otherwise herein, Lessor's consent to any request of Lessee may be conditioned or withheld in Lessor's sole discretion. Lessor shall have no liability for damages resulting from Lessor's failure to give any consent, approval or instruction reserved to Lessor, Lessee's sole remedy in any such event being an action for injunctive relief.

29. EASEMENTS: Lessor shall have the right to grant utility easements on, over, under and above the Premises without the prior consent of Lessee, provided that such easements do not materially interfere with Lessee's long-term use of the Premises.

30. INTEREST: Any monetary obligation of Lessee which is not paid when due shall bear interest from the due date at a rate which is the lower of eighteen percent (18%) per annum or the highest rate permitted by law. This interest rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to this Lease. This provision does not limit any other remedies as provided hereunder.

31. TIME OF ESSENCE. Time is of the essence with respect to each and every provision of this Lease in which time is a factor.

32. ATTORNEY'S FEES: In the event of any dispute or any judicial or other adversarial proceeding between the parties concerning this Lease, to the extent permitted by law, the prevailing party shall be entitled to recover all of its reasonable attorneys' fees and other costs in addition to any other relief to which it may be entitled. In addition, Lessor shall, upon demand, be entitled to all attorneys' fees and all other costs incurred in the preparation and service of any notice or demand hereunder, whether or not a legal action is subsequently commenced, and in otherwise enforcing Lessor's rights or Lessee's obligations or undertakings under this Lease. References in this Lease to Lessor's attorneys' fees and/or costs shall mean both the fees and costs of independent counsel retained by Lessor and the compensation and costs of Lessor's in-house counsel incurred in connection with, or attributable to, the matter.

33. WAIVER OF JURY TRIAL: LESSOR AND LESSEE HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EITHER MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY AND ALL ISSUES PRESENTED IN ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER OR ITS SUCCESSORS WITH RESPECT TO ANY MATTER ARISING OUT OF OR IN CONNECTION WITH THIS LEASE, THE RELATIONSHIP OF LESSOR AND LESSEE, LESSEE'S USE OR OCCUPANCY OF THE PREMISES, AND/OR ANY CLAIM FOR INJURY OR DAMAGE, OR ANY EMERGENCY OR STATUTORY REMEDY. THIS WAIVER BY THE PARTIES HERETO OF ANY RIGHT EITHER MAY HAVE TO A TRIAL BY JURY HAS BEEN NEGOTIATED AND IS AN ESSENTIAL ASPECT OF THEIR BARGAIN.

34. NOTICES: All notices required or permitted under this Lease shall be in writing, and either (i) personally delivered, (ii) sent by Certified U.S. Mail, return receipt requested, or (iii) sent by reputable, recognized overnight courier service to:

with a copy to the General Counsel at the same address.

Lessee:

The parties may change their address for notice at any time by notifying the other party in the manner prescribed in this Section.

35. SUCCESSORS AND ASSIGNS: The covenants and conditions hereof shall be binding upon and for the benefit of the heirs, executors, administrators, successors, sublessees and assigns of the parties hereto.

36. ENTIRE AGREEMENT: This Lease constitutes the entire agreement between the parties regarding the leasing of the Premises and, excepting any obligations or liabilities that survived the termination or expiration of any prior lease or sublease (which obligations/liabilities shall continue to survive), supersedes any prior agreements or understandings relating thereto. Notwithstanding the foregoing, in the event that Lessee was disclosed with a Franchise Disclosure Document by Franchisor in conjunction with executing this Lease (“FDD”), then nothing in this Lease is intended to disclaim any representations by Franchisor in such FDD. This Lease may be modified or amended by, and only by, a written instrument executed by Lessor and Lessee.

37. SURVIVAL: Any rights, obligations and liabilities under this Lease which shall have previously accrued shall expressly survive the expiration or termination of this Lease.

38. COUNTERPARTS AND ELECTRONIC COPIES. This Lease may be executed in two or more counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same agreement. Any copy of this Lease and the signatures thereon sent by facsimile, PDF or other electronic format shall be binding upon such transmission and the facsimile, PDF or other electronic format copy shall be deemed an original for the purposes of this Lease.

39. CALIFORNIA ONLY: REQUIRED ACCESSIBILITY DISCLOSURE. The Premises has not undergone an inspection by a Certified Access Specialist (CASp). The parties acknowledge and agree a CASp can inspect the Premises and determine whether the Premises complies with all of the applicable construction-related accessibility standards under California state law. Although state law does not require a CASp inspection of the Premises, Lessor may not prohibit Lessee from obtaining a CASp inspection of the Premises for the occupancy of the Lessee, if requested by Lessee. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises. Any necessary repairs or modifications to bring the Premises into compliance with construction-related accessibility standards, which are disclosed by the CASp inspection report, are presumed to be the responsibility of Lessee unless otherwise agreed to by the parties in writing.

IN WITNESS WHEREOF, the parties have executed this Lease the day and year first above written.

EXHIBIT F-2: SUBLEASE

MIDAS SHOP SUBLEASE

Street
City

This Midas Shop Sublease (“Sublease”), dated _____, 20___, is by and between Midas Realty, LLC, a Delaware limited liability company, of 4300 TBC Way, Palm Beach Gardens, Florida 33410 (“Sublessor”), and _____, a _____, of _____ (“Sublessee”).

1. SUBLEASE: (a) This is a Sublease and is subject to and subordinate in all respects to a certain lease dated _____ (“Head Lease”), between Sublessor as the lessee and _____, as the lessor (“Landlord”). A copy of the Head Lease is attached hereto as Exhibit A and by reference is incorporated herein. Sublessee hereby acknowledges and agrees that this Sublease is a triple net lease.

(b) Sublessee expressly assumes and agrees to perform under this Sublease all of the covenants made by, and obligations imposed on, Sublessor as the lessee under the Head Lease. Sublessee agrees that nothing herein contained shall be deemed to grant Sublessee any rights which would conflict with any of the covenants and conditions of the Head Lease, and Sublessee agrees that it will do nothing in, on or about the Premises (as hereinafter defined) or fail to do anything which would result in the breach by Sublessor of its covenants and obligations under the Head Lease.

(c) Further, nothing contained herein shall be construed as a guarantee by Sublessor of any of the obligations, covenants, warranties, agreements or undertakings of the Landlord or as an absolute or unconditional undertaking by Sublessor on the same terms as are contained in the Head Lease. Notwithstanding anything herein to the contrary, in the event Sublessor becomes entitled as the lessee under the Head Lease, to make or forbear making any election, give or receive any notice, grant or withhold any approval, do any act, or otherwise enforce any right or exercise any remedy under any of the provisions of the Head Lease, Sublessor, in its sole and absolute discretion, may either take or forbear taking such action as it deems appropriate for the protection of its interests as the lessee, or may assign to Sublessee, without recourse upon or liability of any kind to Sublessor, such rights as Sublessor may have in the matter under the Head Lease. Without limiting the generality of the foregoing, Sublessee shall in no event have the right to exercise any right, privilege, or prerogative conferred upon the lessee in the Head Lease which relates in any way to construction, alteration, remodeling, reconstruction, restoration, or rebuilding of any improvements on the Premises, but Sublessor alone, as the lessee in the Head Lease, shall exercise all such rights, privileges, and prerogatives and shall enforce all such provisions so as to bring about, to the best of its ability, the construction, alteration, remodeling, reconstruction, restoration or rebuilding of improvements of substantially the character provided for in the Head Lease. Sublessee hereby expressly acknowledges that Sublessor has made no representations or warranties, express or implied, as to the adequacy, condition or usefulness of the building on the premises and any such representation or warranty, statutory or otherwise is hereby waived by Sublessee.

(d) This Sublease is and shall be subject and subordinate to any existing mortgage, deed of trust or other encumbrance now or hereafter placed against title to the Premises or the property of which the Premises are a part.

2. PREMISES: Sublessor hereby subleases to Sublessee and Sublessee hires from Sublessor the premises together with the Midas Shop building thereon at _____ (“Premises”) as described in the Head Lease.

3. TERM: The term of this Sublease shall commence on _____ (“Commencement Date”), and expire on _____. The initial term including any extensions or renewals shall be defined as the “Term.” If the Commencement Date is a day other than the first day of the calendar month, then the initial term shall include that period of time from the Commencement Date up to the first day of the next calendar month and any subsequent lease year shall be the twelve (12) month period beginning on the first day of such month.

4. RENT: (a) The rent payable by Sublessee to Sublessor during each year of the Term shall be: (i) fixed minimum rent specified in the below table (“**Fixed Minimum Rent**”) (which Fixed Minimum Rent may be increased as described in Section 4(g) below); or (ii) 7% of “Gross Sales” (as hereinafter defined) during such year (“**Percentage Rent**”); WHICHEVER SHALL BE THE LARGER AMOUNT. “Rent” shall mean Fixed Minimum Rent and Percentage Rent collectively. “Additional Rent” shall mean all other monetary obligations of Sublessee under this Sublease including, but not limited to, Taxes (as hereinafter defined).

Period	Monthly Fixed Minimum Rent	Annual Fixed Minimum Rent

(b) Rent and Additional Rent shall be absolutely net to Sublessor without any right of offset, deduction, claim or withholding by Sublessee, so that this Sublease shall yield to Sublessor the Rent and Additional Rent specified during the Term. All costs, expenses and obligations of every kind and nature whatsoever relating to the Premises shall be paid and performed by Sublessee.

(c) Fixed Minimum Rent installments shall be paid on the first day of each month in advance. All payments of Fixed Minimum Rent, Percentage Rent, Taxes and other Additional Rent due under this Sublease shall be made by electronic payment transactions through automated clearing house debits. Sublessee hereby authorizes Sublessor to debit from its bank account the amount of such payments on the first day of each month or on such other applicable due date or any time thereafter. The foregoing authorization shall be self operative and need no further written agreement; provided, however, Sublessee shall, upon request, sign Sublessor’s standard “ACH Agreement”. If Sublessor directs Sublessee in writing to do so, the foregoing payments shall be made to Sublessor at P.O. Box 205256, Dallas, TX 75320-5256, or at such other place, or in such other manner, as designated in writing by Sublessor.

(d) With respect to Percentage Rent and Gross Sales:

(i) “Gross Sales” shall mean and include all sales of merchandise or products of any kind and all charges for service or labor done in, on and from the Premises for cash or credit regardless of the collection thereof, but excluding sales taxes and bona fide refunds.

(ii) Sublessee shall deliver to Sublessor, on or before March 1st of each year of the Term (or within 60 days after the termination or expiration of the Term, if the Term does not end on December 31st), a statement of Gross Sales for the previous year, which statement shall be certified by Sublessee and signed by Sublessee’s accountant.

(iii) Concurrently with the delivery of said statement, Sublessee shall pay as Percentage Rent owing for the previous year, the total Percentage Rent payable for the year (or partial year) less the total Fixed Minimum Rent paid for the previous year.

(iv) Sublessee shall keep and preserve for at least three (3) years after delivery of the annual statement under the above (ii) full, complete and true records of all sales and business transactions, including bank statements, in manner and form satisfactory to Sublessor. Sublessor's representatives shall have access to said records at any and all reasonable times for the purposes of examination or audit thereof to verify said annual statements.

(v) For purposes of this Paragraph 4, "year" shall mean calendar year ending December 31st.

(e) In the event the Head Lease contains a provision which results in the rent payable by Sublessor under the Head Lease being adjusted on the basis of the cost of constructing, altering or remodeling improvements on the Premises, or being adjusted because of cost of living index changes or other cause, or being increased based on percentage rent, and in the event such an adjustment or increase is made under the Head Lease, the Fixed Minimum Rent payable hereunder shall be adjusted by the same percentage.

(f) In the event this Sublease is assigned under the provisions of Paragraph 16 hereof or if the ownership of Sublessee is transferred, at the election of Sublessor, Fixed Minimum Rent or Percentage Rent, as the case may be, shall be the larger of the following:

- (i) the annual rental then currently being paid by Sublessee under this Sublease;
- (ii) the annual rental then provided for in the Head Lease plus that percentage mark-up then currently charged by Sublessor; or
- (iii) the percentage of Sublessee's Gross Sales during such year as is then charged by Sublessor.

(g) On or before 120 days prior to the 5th anniversary of the Commencement Date, Sublessor may, in its sole discretion, make and submit to Sublessee, a written Fair Market Rent proposal to apply beginning on the 5th anniversary of the Commencement Date. "Fair Market Rent" shall be defined as the then fair market rent for the Premises reflecting the physical condition of the Premises at such time (including an adjustment for any needed repairs or maintenance).

(i) Sublessor's Fair Market Rent proposal shall become the Fixed Minimum Rent beginning on the 5th anniversary of the Commencement Date for the remainder of the Term, unless within 30 days following Sublessee's receipt of Sublessor's proposal:

(1) Sublessor and Sublessee agree on a different Fair Market Rent which shall then become the Fixed Minimum Rent; or

(2) Sublessee makes a written, alternate Fair Market Rent proposal to Sublessor ("Sublessee's Proposal"). If the parties do not agree on the Fair Market Rent within 15 days after Sublessor receives Sublessee's Proposal, the Fair Market Rent shall be determined by arbitration conducted by the American Arbitration Association ("AAA") in accordance with the process set forth in Subsection 4(g)(ii) hereof;

(ii) if the Fair Market Rent is to be determined by arbitration, Sublessor and Sublessee shall jointly submit the arbitration to the AAA. If either party fails to sign the joint submission within five days after request by the other party, either party shall have the right to initiate the arbitration alone. Submission of the arbitration to the AAA under this Subsection 4(g)(ii) is sometimes referred to herein as "Submission". The arbitration shall be conducted:

(1) pursuant to the AAA's "Arbitration Rules for the Real Estate Industry", except as otherwise stated herein;

(2) by a single arbitrator appointed by the AAA; provided, however, either party shall have the right to require that the arbitration be conducted by three arbitrators provided that such right is exercised no later than the time of Submission, in which event each party shall select an arbitrator within 15 days following Submission and the two arbitrators shall appoint a third arbitrator;

(3) in the city of the AAA's local or regional office nearest the Premises;

(4) under the AAA's "Expedited Procedures" process;

(5) without depositions, but with document discovery;

(6) on documents submitted by each party and without a hearing;

(7) in the "baseball arbitration" style with the arbitrator(s) being limited to choosing either Sublessee's Proposal or Sublessor's Proposal;

(8) without a reasoned opinion;

(9) with the arbitrator(s) being required to issue his/her/their decision within 45 days after Submission, and, to that end, the arbitrator(s) shall have the right to schedule the arbitration process accordingly;

(10) with each party paying its own costs and expenses (including, but not limited to, appraiser and attorney fees). In a single arbitrator proceeding, Sublessor shall pay the arbitrator's fee, the AAA's fee and the administrative costs of the arbitration. In a three arbitrator proceeding, each party shall pay the fee of the arbitrator it selected, one-half of the AAA's fee for a single arbitrator proceeding and one-half of the administrative costs of a single arbitrator proceeding, and the party requesting the three arbitrator proceeding shall pay the third arbitrator's fee, any additional fee charged by the AAA for a three arbitrator proceeding and the administrative costs in excess of those for a single arbitrator proceeding; and

(11) with the decision of the arbitrator(s) being binding on Sublessor and Sublessee. Notwithstanding anything to the contrary contained herein, the decision of the arbitrator shall not reduce the Fixed Minimum Rent below the amount of the Fixed Minimum Rent in effect when the Sublessor's Proposal was initially submitted to Sublessee.

(h) Additionally, Sublessor shall be entitled to submit a written Fair Market Rent proposal 120 days prior to the 10th, 15th, and 20th anniversary (if applicable) of the Commencement Date as provided herein for a new determination of Fair Market Rent for the Premises utilizing the same time frames and processes described herein (with the new Fixed Minimum Rent amount becoming effective on each such anniversary date).

(i) If the Fixed Minimum Rent is adjusted to the Fair Market Rent as discussed in Sections 4(g) or 4(h), and thereafter the Fixed Minimum Rent plus mark-up as determined in accordance with Sections 4(a) and 4(e) becomes greater than such Fair Market Rent amount, then the Fixed Minimum Rent determined in accordance with Sections 4(a) and 4(e) shall apply upon notice to Sublessee from Sublessor.

5. **CONDITION OF PREMISES; MAINTENANCE:** (a) Sublessee acknowledges and agrees that it has inspected, or has had a sufficient opportunity to inspect, the Premises and hereby accepts the Premises “AS-IS” and “WHERE-IS” with no representation or warranty by Sublessor as to the condition of the Premises or the fitness of the Premises for any particular purpose or use.

(b) Except to the extent that Landlord is clearly and expressly obligated under the Head Lease to do so, Sublessee shall, at its expense, at all times during the Term keep the entire Premises including, but not limited to, the interior and exterior, structural and non-structural elements, foundation, floor, roof and roof system, utility systems and installations, parking area and driveways, sidewalks, landscaping, immediately surrounding areas, appurtenances, fixtures and equipment in good, safe, clean, sanitary, debris-free and well-maintained condition and shall do and make, on a timely and diligent basis, all maintenance, repairs and replacements as are necessary and appropriate to keep the Premises in the condition required by this Sublease, regardless whether the benefit of such maintenance, repairs and replacements may extend beyond the Term. Without limiting the foregoing, Sublessee shall keep and maintain the Midas Shop at the Premises in accordance with the requirements of the Franchise Agreement relating to interior and exterior design and appearance, Franchisor indicia, painting and décor, floor layout, character of interior furnishings, signs, emblems, logos, lettering, pictorial materials and condition of the Midas Shop premises. With respect to any maintenance, repair and replacement obligations of Landlord, Sublessor’s sole obligation shall be to make reasonable efforts to require Landlord to perform such obligations; provided, however, in no event shall Sublessor be required to institute or maintain legal or arbitration proceedings. In no event shall Sublessor have any obligation to do or make any maintain, repair or replacements to or of the Premises.

(c) Upon expiration or termination of this Sublease, Sublessee shall deliver the Premises to Sublessor in the condition required by Paragraph 5(b), reasonable wear and use excepted.

6. **USE:** (a) Sublessee shall use the Premises solely for the activities authorized by the Franchise Agreement and none other.

(b) Sublessee shall, during the Term, occupy the Premises and diligently operate its business at the Premises and keep the business open to the public during the business days and hours as Franchisor may from time-to-time prescribe.

(c) Sublessee, in its use, occupancy, maintenance and repair of the Premises, shall comply with all the terms and conditions of this Sublease and the Franchise Agreement.

6. **CALIFORNIA ONLY: (d) REQUIRED ACCESSIBILITY DISCLOSURE.** The Premises has not undergone an inspection by a Certified Access Specialist (CASp). The parties acknowledge and agree a CASp can inspect the Premises and determine whether the Premises complies with all of the applicable construction-related accessibility standards under California state law. Although state law does not require a CASp inspection of the Premises, Sublessor may not prohibit Sublessee from obtaining a CASp inspection of the Premises for the occupancy of the Sublessee, if requested by Sublessee. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises. Any necessary repairs or modifications to bring the Premises

into compliance with construction-related accessibility standards, which are disclosed by the CASp inspection report, are presumed to be the responsibility of Sublessee unless otherwise agreed to by the parties in writing.

7. SUBLESSEE'S FRANCHISE AGREEMENT: In conjunction with the execution of this Sublease, Sublessee is entering into a franchise agreement with Midas International, LLC (Sublessor's affiliate, "Franchisor") ("Franchise Agreement"). The term Franchise Agreement shall include any extension of the franchise agreement or franchise relationship, any renewal Franchisor franchise agreement and, in Sublessor's sole discretion, any operating agreement or license under which the business continues to operate following the termination or expiration of the formal Franchise Agreement. Sublessee agrees that if the Franchise Agreement shall expire or be terminated for any reason by Sublessee or by Franchisor or in any manner, Sublessor shall have the unqualified and absolute right to terminate this Sublease upon written notice to Sublessee. Upon giving said notice, Sublessor shall have the right to immediately re-enter and take possession of the Premises or it may institute summary or holdover proceedings to evict Sublessee and all those in possession of the Premises by reason of the termination of this Sublease as herein provided. Sublessee agrees that the notice provided for herein shall be the only notice required and expressly waives all other notices provided for by statute or law. Sublessee acknowledges and agrees that the foregoing termination provision is a material business term of this Sublease (and is in addition to, and separate and distinct from, the termination of this Sublease as a Sublessor remedy upon an Event of Default, as hereinafter defined).

8. SECURITY DEPOSIT: Upon execution of this Sublease, Sublessee shall deposit with Sublessor an amount equal to two month's Fixed Minimum Rent and Taxes as a security deposit ("Security Deposit"). Sublessor shall have the right from time-to-time during the Term to increase the required Security Deposit to an amount equal to the two-twelfths of the total of the then-current annual Fixed Minimum Rent and Taxes. The Security Deposit shall be held by Sublessor, without any obligation to pay interest thereon, as security for the performance by Sublessee of its covenants and obligations under this Sublease, it being expressly agreed that the Security Deposit is not an advance payment of Rent or a measure of Sublessor's damages in the event of any breach or default by Sublessee. If at any time during the Term any Rent or Additional Rent is overdue or if Sublessee fails to perform and keep any of its covenants or obligations under this Sublease, Sublessor may, at its option, apply any portion of the Security Deposit to the payment of such overdue Rent or Additional Rent or to compensate Sublessor for loss, cost or damage sustained, incurred or suffered by it due to such breach by Sublessee. If the Security Deposit or any portion thereof is applied by Sublessor, Sublessee shall, upon written demand of Sublessor, remit to Sublessor a sufficient amount to restore the Security Deposit to the amount required to be on deposit at that time. Any portion of the Security Deposit on deposit at the expiration or termination of this Sublease shall be returned Sublessee at such time (if any) as Sublessor determines that Sublessee had fulfilled its obligations under this Sublease; provided, however, Sublessee expressly acknowledges and agrees that the return of any portion of the Security Deposit by Sublessor shall not be deemed to be an admission by Sublessor that Sublessee has fulfilled any of its obligations under this Sublease. If Sublessor applies the Security Deposit in accordance with the terms of this paragraph, such application shall not constitute a waiver of any of Sublessor's rights or remedies under this Sublease, nor shall such application constitute an accord and satisfaction. Sublessor shall have the right to commingle the Security Deposit with Sublessor's other funds, and Sublessee hereby consents thereto.

9. LICENSES AND COMPLIANCE WITH LAWS: Sublessee shall comply with, and shall not use or permit the use of the Premises in violation of, all Laws (as hereinafter defined). "Laws" shall be defined as all applicable governmental and quasi-governmental laws, statutes, ordinances, regulations and orders including, but not limited to Environmental Laws and the ADA (as hereinafter defined). Sublessee agrees that it shall be responsible for complying in all respects with the Americans with Disabilities Act of

1990, as such act may be amended from time to time, and all regulations promulgated thereunder, and all state and local Laws relating to disabled or handicapped persons (collectively, "ADA"), affecting the Premises including, but not limited to, making required so-called readily achievable or reasonable changes to remove any architectural or communications barriers and providing auxiliary aides and services at the Premises. Sublessee shall maintain and procure at its own expense and responsibility all licenses, permits or inspection certificates required by any governmental authority respecting Sublessee's use of, or business at, the Premises. Sublessee may contest the Laws and, if required, may join Sublessor's name as a nominal party in any such contest. In such event Sublessee shall indemnify Sublessor against any costs, penalties or attorney's fees incurred by or asserted against Sublessor by virtue thereof.

10. HEAD LEASE INCLUSIONS AND EXCLUSIONS: The parties hereby agree that all of the provisions (including addenda and exhibits) of the Head Lease are by reference hereby adopted and included in this Sublease as if fully written herein and as if the word "Sublessor" was written wherever the word "Lessor" or "Landlord" appears in the Head Lease and the word "Sublessee" was written wherever the word "Lessee" or "Tenant" appears in the Head Lease. The provisions or portions thereof of the Head Lease which are amended by this Sublease and/or in conflict with this Sublease shall not apply and in the event of any conflict between the Head Lease and this Sublease, the Sublease shall control. In the event a provision appearing in this Sublease covers the same (or equivalent) subject matter as an adopted and included provision of the Head Lease, both provisions (to the extent possible) and the stricter obligations or requirements shall apply. For avoidance of doubt, any right of first refusal, rental rates, term, or renewal options in the Head Lease are hereby excluded from this Sublease.

11. INSURANCE: (a) With respect to the adopted and included provisions of the Head Lease pertaining to insurance obligations, which are assumed by Sublessee, it is agreed as follows:

(i) The insured parties under all of said policies shall be as their interests may appear and shall include Sublessee, Sublessor, the lessor under the Head Lease, and the mortgagee of the lessor under the Head Lease.

(ii) In the event Sublessee fails to provide, or maintain in effect at all times during the term of this Sublease including any extensions or renewals thereof, the requisite fire and extended coverage insurance specified in the Head Lease, Sublessor shall have the right to obtain such insurance on Sublessee's behalf. The insurance obtained by Sublessor shall be subject to certain loss deductible amounts depending upon the nature of the casualty, and Sublessee shall be responsible for such loss deductible amounts. Such loss deductible amounts shall be subject to change from time to time. The insurance obtained by Sublessor may be via Sublessor's blanket policies. The cost of the insurance obtained by Sublessor shall be owed by Sublessee as Additional Rent payable by Sublessee to Sublessor on the first day of the next month.

(iii) The public liability insurance required pursuant to the Head Lease shall be promptly obtained and maintained by Sublessee at his own cost and responsibility, with certificates thereof to be supplied to Sublessor.

(b) Neither Sublessor nor Sublessee shall be liable to the other for any loss or damage from risks ordinarily insured against under fire insurance policies with extended coverage endorsements, regardless whether such loss or damage results from their negligence or that of any of their agents, servants, employees, licensees or contractors.

(c) Sublessee acknowledges that the Franchise Agreement may obligate it (as the Franchisee) to provide separate and additional insurance coverage and may impose separate and additional insurance requirements than are contained in this Sublease (including any from the Head Lease).

(d) The insurance required under this Sublease (including any requirements from the Head Lease) or the Franchise Agreement shall in no way limit or cap Sublessee's indemnification and hold harmless obligations under this Sublease.

12. INDEMNITY: Sublessee agrees to indemnify, save harmless and defend (with counsel acceptable to Sublessor) Sublessor, its members, managers, officers, agents, employees, representatives, affiliates, subsidiaries, parents and any and all persons acting by, through, under or in concert with them, or any of them, from and against all claims of whatever nature arising from all of the following: (i) any act, omission or negligence of Sublessee or its contractors, agents, servants or employees; (ii) any accident, injury or damage whatsoever caused to any person, or to the property of any person, occurring during the Term in or on or about the Premises, where such accident, damage or injury results or is claimed to have resulted from an act or omission on the part of Sublessee or its contractors, agents, servants or employees; (iii) any act, omission or default under any of Sublessee's obligations or undertakings in this Sublease; and (iv) any alleged violation of Laws including, without limitation, Environmental Laws and the ADA. This indemnity and hold harmless Section shall include indemnity against all costs, expenses and liabilities in or in connection with any such claim, governmental investigation, administrative proceeding or civil or criminal litigation arising therefrom, and the defense thereof, including reasonable attorney's fees and costs.

13. TAXES; RENT TAX: (a) Sublessee shall pay prior to delinquency pursuant to bills procured and timely submitted to Sublessee by Sublessor any and all (including annual or annualized) taxes and assessments levied, imposed or assessed on the Premises including, but not limited to, any such taxes, assessments or other governmental charges payable by Sublessee pursuant to the incorporated provisions of the Head Lease ("Tax(es)") subsequent to the Commencement Date, and Sublessor shall be required to pay no Taxes during the Term. Sublessee will exhibit receipts for Tax payments to Sublessor promptly upon payment thereof. Sublessee may, at its expense, contest Taxes in the name of Sublessor if necessary, at all times indemnifying and holding Sublessor harmless from liability for all Taxes. Taxes accrued but not yet paid as of the date of this Sublease shall be paid by Sublessee notwithstanding that such Taxes relate to periods prior to the Commencement Date. All Taxes for the year in which this Sublease terminates or expires shall be prorated so that Sublessee shall only pay the Taxes for any year falling partially within the existing Term, said pro-rata share to be based upon the number of days of the then current tax fiscal year, falling within the existing Term.

(b) Sublessee shall also pay promptly when due any tax levied, imposed or assessed on or against any Rent or Additional Rent paid or collected under this Sublease, whether the same be called a rent tax, sales tax, excise tax, gross receipts tax, general services tax, or otherwise, irrespective of whether such tax is in lieu of or in addition to taxes and assessments levied, imposed or assessed on the Premises ("Rent Tax"). Sublessee shall reimburse Sublessor any Rent Tax which Sublessor is required to pay or, in fact, pays.

(c) At Sublessor's sole discretion, Sublessee shall deposit with Sublessor (in addition to paying Fixed Minimum Rent) on the first day of each month a sum equal to one-twelfth (1/12th) of the annual or annualized Taxes due and payable for that particular calendar year, and (if applicable) Rent Tax so that as each installment becomes due and payable, Sublessee shall have on deposit with Sublessor a sum sufficient to pay it. If the actual Taxes have not been ascertained at the time a monthly deposit is due under this Sublease, Sublessee shall deposit such amount as is reasonably estimated by Sublessor. Sublessor shall have the right, to be exercised in its reasonable discretion, to determine and set the amount of the monthly deposit from time to time. Sublessor shall also have the right to require Sublessee to deposit a lump sum sufficient to pay each Tax installment and to also pay the Taxes for the current period. When a Tax bill is received, if the amount thereof is in excess of the amount deposited by Sublessee for the period covered by

the Tax bill, Sublessee shall pay such amount to Sublessor forthwith upon demand. If the amount thereof is less than the amount deposited by Sublessee for the period covered by the Tax bill, the excess on deposit may be retained by Sublessor to be used for the payment of future Taxes. Sublessor shall not be responsible for the validity, accuracy or reasonableness of Taxes and shall not be required to pay any interest on Sublessee's deposits of Taxes and Rent Tax. Sublessor shall have no obligation to pay interest on Sublessee's deposits, and Sublessee hereby expressly waives any right, statutory or otherwise, to have Sublessor pay interest. If applicable, upon expiration or termination of this Sublease, when the actual Taxes for the last year(s) of the Term are determined, Sublessee shall pay Sublessor, upon demand, the difference between the actual Taxes and the amount of Taxes previously deposited for such year(s), or portion thereof, by Sublessee. Notwithstanding anything to the contrary herein, if Sublessee should fail to pay any tax payment required herein, in addition to any other remedies provided herein, Sublessor may, if it so elects, pay such taxes. Any sums so paid by Sublessor shall be deemed to be Additional Rent owing by Sublessee to Sublessor and due and payable upon demand as Additional Rent plus interest at the rate set forth in Section 20 from the date of payment by Sublessor until repaid by Sublessee.

14. UTILITIES: Sublessee shall pay for all water, gas, electricity, phone, data transmission, wireless services and other utilities serving the Premises.

15. ALTERATIONS: Sublessee shall not make any alterations, improvements or additions to the Premises ("Alterations") without first obtaining the written consent of Sublessor, which Sublessor may grant or deny at its sole discretion. In the event Sublessor consents to Alterations, the same shall be made by Sublessee at Sublessee's sole expense by a licensed contractor and according to plans and specifications approved by Sublessor and subject to such other conditions as Sublessor and the Head Lease may require. Any Alterations shall be prosecuted diligently to completion, shall be of good workmanship and materials and shall comply with all Laws and all terms of this Sublease. Upon completion of any Alterations, Sublessee shall promptly give Sublessor: (i) evidence of full payment to all laborers and materialmen together with all appropriate final lien waiver and release documents; (ii) an architect's certificate certifying the Alterations to have been completed in conformity with the approved plans and specifications; and (iii) a certificate of occupancy. Sublessee shall file or record, as appropriate, a "notice of non responsibility", disclaiming Sublessor's responsibility, or any equivalent notice permitted under Laws, with respect to the Alterations. Any Alterations shall be deemed a part of the Premises. Upon expiration or termination of this Sublease, Sublessee, if directed by Sublessor, shall remove any Alterations and restore the Premises to its original condition, making any repairs at Sublessee's sole cost and expense.

16. ASSIGNMENT AND SUBLETTING: (a) Without first obtaining the written consent of Sublessor, which Sublessor may grant or withhold in its sole discretion, Sublessee shall not: (i) assign this Sublease or any interest herein; (ii) sublet the Premises or any part thereof; (iii) permit any other party to occupy or use the Premises or any part thereof. Notwithstanding the foregoing, if Franchisor consents to the assignment of the Franchise Agreement, Sublessor shall not unreasonably withhold its consent to the assignment of this Sublease; provided, however, in such event the assignee shall be required, as a condition of Sublessor's consent, to amend this Sublease to delete any rent concessions or other concessions or exceptions to Sublessor's standard policies that were applicable to Sublessee.

(b) If the Franchise Agreement is terminated or expires and this Sublease has not been terminated by Sublessor in connection therewith, this Sublease and all of Sublessee's obligations hereunder shall remain in effect and Sublessee shall have the right to sublease the Premises but only upon receiving the advance written consent of Sublessor, which shall not be unreasonably withheld. If Sublessee proposes to sublease the Premises, Sublessee shall submit to Sublessor all the material terms of the proposed sublease (together with a copy of the proposed sublease), the identity of the proposed subtenant and any guarantors, the proposed use of the Premises, and the business background and experience of the proposed subtenant.

Upon receipt of all the foregoing information, Sublessor shall within 30 days notify Sublessee whether Sublessor consents to the proposed sublease, consents to the sublease subject to conditions being met, refuses to consent to the proposed sublease or exercises its right to terminate this Sublease. Failure of Sublessor to respond within 30 days shall be deemed to be Sublessor's refusal to consent to the proposed sublease. If Sublessor consents to a sublease, Sublessee shall remain liable for all obligations under this Sublease.

17. HAZARDOUS MATERIALS AND SUBSTANCES: (a) To induce Sublessor to enter into this Sublease, Sublessee represents and warrants to Sublessor that: (i) no Hazardous Materials (as defined below) will be located on the Premises (except the proper and lawful storage and use of petroleum products, used oil and other chemicals and substances incident to use of the Premises in accordance with the terms of this Sublease) or will be released into the environment, or discharged, placed or disposed of at, on or under the Premises; (ii) no underground storage tanks will be placed on the Premises by Sublessee; (iii) the Premises will not be used as a dump for any Hazardous Materials; and (iv) the Premises and its use will at all times comply with Environmental Laws (as defined below).

(b) Sublessee agrees to indemnify, defend and hold harmless Sublessor and its parents, subsidiaries and assignees, from and against any and all debts, liens, claims, causes of action, administrative orders and notices, costs (including without limitation response and/or remedial costs), personal injuries, losses, damages, liabilities, demands, interest, fines, penalties and expenses, including reasonable attorneys' fees and expenses, consultants' fees and expenses, court costs and all other out-of-pocket expenses, suffered or incurred by Sublessor or its subtenants and assignees as a result of: (i) the breach of any of the representations and warranties set forth herein; and (ii) any occurrence, matter, condition, act or omission involving Environmental Laws or Hazardous Materials which arises on or subsequent to the Commencement Date and which fails to comply with the Environmental Laws in effect on such date or any existing common law theory based on nuisance or strict liability in existence as of such, regardless of whether or not Sublessee had knowledge thereof.

(c) "Hazardous Materials" means any substance, material, waste, gas or particulate matter which now or at any time during the term hereof is regulated by any local governmental authority, the State in which the Premises is located, or the United States Government, including, but not limited to, any material or substance which is: (i) defined as a "hazardous waste," "hazardous material," "hazardous substance," "extremely hazardous waste," or "restricted hazardous waste" under any provision of State law; (ii) petroleum; (iii) asbestos; (iv) polychlorinated biphenyl; (v) radioactive material; (vi) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. Sec. 1251 et seq. (33 U.S.C. Sec. 1317); (vii) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. Sec. 6901 et seq. (42 U.S.C. Sec. 6903); or (viii) defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response Compensation and Liability Act, 42 U.S.C. Sec. 9601 et seq. (42 U.S.C. Sec. 9601).

(d) "Environmental Laws" means all statutes specifically described in the foregoing paragraphs and all federal, state and local environmental health and safety statutes, ordinances, codes, rules, regulations, orders and decrees regulations, relating to or imposing liability or standards concerning or in connection with Hazardous Materials.

18. SUBLESSOR RIGHTS: Sublessor and its agents shall have right to enter any portion of the Premises at all reasonable times for the purpose of inspecting, testing (including doing environmental tests and interior and exterior borings), maintaining or repairing the Premises (without having any obligation to do so) or showing the Premises to prospective buyers, tenants or lenders. During the 120 days prior to the expiration or termination of this Sublease, Sublessor may display the usual and ordinary "for rent" signs on

the Premises. Sublessor shall have the right to display “property for sale” signs at any time. Sublessor shall have the right to display “franchise available” signs on the Premises and to show the Premises to prospective franchisees any time Sublessee has indicated to Franchisor that it intends to terminate, or not renew, the Franchise Agreement or any time the Franchise Agreement is subject to termination for any reason.

19. ABANDONED PROPERTY: (a) Any signs, equipment, trade fixtures or other personal property (collectively, “Personalty”) that Sublessee has a right to remove from the Premises shall be removed by Sublessee by the earliest to occur of expiration of this Sublease, termination of this Sublease, termination of Sublessee’s right to possession of the Premises, or the vacating or abandonment of the Premises by Sublessee (or such shorter period as is allowed under the Head Lease). Any Personalty remaining at the Premises after such period shall, at Sublessor’s election which may be made at any time following expiration of such removal period, be deemed abandoned in which event Sublessor shall have all right, title and interest in and to the remaining Personalty available to landlords under law in such circumstances and also including, without limitation, the right (but not the obligation), at Sublessee’s expense, to remove and store and/or dispose of such remaining Personalty. Sublessee shall be liable for any damage to the Premises caused by the removal of Personalty by, or on behalf of, Sublessee or its lienholders or their agents, contractors or employees. Sublessee shall promptly pay Sublessor 115% of the cost and related expenses of any repairs or replacements incurred by Sublessor as a result of such damage (Sublessor and Sublessee hereby expressly agreeing that 15% is a reasonable amount to compensate Sublessor for its administrative expenses) plus attorneys’ fees incurred and court costs incurred by Sublessor.

(b) Sublessor hereby expressly claims, and reserves, the benefit of any and all landlord lien rights available to landlords under applicable law.

20. INTEREST: Any Rent or Additional Rent which is not paid when due shall bear interest from the due date at a rate which is the lower of eighteen percent (18%) per annum or the highest rate permitted by law. This interest rate shall apply as the post-judgment interest rate, regardless of the applicable statutory rate, in the event of any legal actions related to this Sublease. This provision does not limit any other remedies as provided hereunder.

21. DEFAULT AND REMEDIES: (a) The occurrence of any one or more of the following events shall constitute an event of default by Sublessee (“Event of Default”) and shall trigger Sublessor’s rights and remedies listed and referenced below:

(i) failure by Sublessee to pay when due any Rent or Additional Rent (“Monetary Breach”), unless such failure is cured within 15 days after notice from Sublessor;

(ii) failure by Sublessee to observe or perform any term or condition of, or obligation under, this Sublease other than an Event of Default described in items (i) or (iii) of this subparagraph, unless such failure is cured within 30 days after notice from Sublessor; or

(iii) (1) making by Sublessee or any Guarantor of a general assignment for the benefit of creditors, (2) filing by or against Sublessee or any Guarantor of a petition to have Sublessee or such Guarantor adjudged a bankrupt or of a petition for reorganization or arrangement under any Laws (as hereinafter defined) relating to bankruptcy, insolvency or inability to pay debts (unless, in the case of a petition filed against Sublessee or such Guarantor, the petition is dismissed within 30 days), (3) appointment of a trustee or receiver to take possession of substantially all of Sublessee’s assets at the Premises or of Sublessee’s interest in this Sublease, where such possession or interest is not restored to Sublessee within

30 days, (4) attachment, execution or other judicial seizure of substantially all of Sublessee's assets at the Premises or of Sublessee's interest in this Sublease, (5) Sublessee's or any Guarantor's insolvency or admission of the inability to pay its debts as they mature, (6) Sublessee vacating or abandoning the Premises (this Event of Default being separate and distinct from a breach of Paragraph 6(b) of this Sublease); (7) falsification by Sublessee of any statement or report required to be submitted to Sublessor under this Sublease; (8) any Monetary Breach or any Event of Default or any combination of any Monetary Breach and/or any Event of Default in three consecutive months or in any four months during any twelve consecutive months regardless of whether Sublessee has cured any or all of such previous Monetary Breach(es) or Event(s) of Default; or (9) default by the Franchisee under the Franchise Agreement or any event which constitutes immediate and automatic termination of the Franchise Agreement.

(b) Sublessee hereby agrees that the only notices necessary to notify it of a breach or Event of Default or to terminate this Sublease are those enumerated herein and that any and all other notices and demands required by Laws are hereby expressly waived by Sublessee (to the fullest extent legally permissible). The notice and cure periods provided herein are in lieu of, and not in addition to, any notice and cure periods provided by Laws, but Sublessor may at any time elect to comply with such notice and cure periods provided by Laws in lieu of the notice and cure periods provided herein.

(c) If an Event of Default occurs, Sublessor shall have the following rights and remedies to the fullest extent permitted by Laws, which shall be distinct, separate and cumulative with, and in addition to, any other right or remedy allowed under Laws or this Sublease:

(i) With or without terminating this Sublease, Sublessor may terminate Sublessee's right of possession, reenter and repossess the Premises by detainer suit, summary proceedings or other lawful means (and if Laws permit and Sublessor shall not have expressly terminated this Sublease by written notice, any such action shall be deemed a termination of Sublessee's right of possession only). In such event, Sublessor shall be entitled to recover from Sublessee: (1) any unpaid Rent and Additional Rent as of the date possession is terminated; (2) the amount by which (A) any unpaid Rent and Additional Rent which would have accrued after the termination date during the balance of the existing Term exceeds (B) the rent (less any and all costs and expenses Sublessor would reasonable incur in re-letting the Premises) Sublessee proves that Sublessor should receive for the Premises under a sublease substantially similar to this Sublease for the balance of the existing Term (considering, among other things, the condition of the Premises, market conditions, the period of time the Premises may remain vacant before Sublessor is able to re-lease the Premises to a suitable replacement tenant); and (3) all other damages incurred by Sublessor proximately caused by Sublessee's failure to perform its obligations under this Sublease. The amounts computed in accordance with foregoing subpart (2) (not including Sublessor's costs and expenses of re-letting) shall be discounted to present value in accordance with accepted financial practice at the rate of three percent (3%) per year.

(ii) With or without terminating this Sublease, Sublessor may terminate Sublessee's right of possession, reenter and repossess the Premises by detainer suit, summary proceedings or other lawful means (and if Laws permit and Sublessor shall not have expressly terminated this Sublease by written notice, any such action shall be deemed a termination of Sublessee's right of possession only). In such event, Sublessor shall be entitled to recover from Sublessee: (1) any unpaid Rent and Additional Rent as of the date possession is terminated; (2) any unpaid Rent and Additional Rent which accrues during the existing Term from the date possession is terminated through the time of judgment (or which may have accrued from the time of any earlier judgment obtained by Sublessor), less any consideration received from replacement tenants as further described below; and (3) all other damages incurred by Sublessor proximately caused by Sublessee's failure to perform its obligations under this Sublease including, without limitation, all costs of re-letting the Premises. Sublessee shall pay all such amounts to Sublessor as the

same accrue or after the same have accrued from time-to-time upon demand. At any time after terminating Sublessee's right to possession as provided herein, Sublessor may terminate this Sublease as provided in this Sublease, and Sublessor may pursue such other remedies as may be available to Sublessor under this Sublease or Laws.

(iii) If this Sublease or Sublessee's right to possession is terminated, Sublessor may, at Sublessee's cost and expense: (1) enter and secure the Premises, change the locks, install barricades, remove any improvements, fixtures or personal property of Sublessee, perform any decorating, remodeling, repairs, alterations, improvements or additions and take such other actions as Sublessor shall determine in Sublessor's sole discretion to prevent damage or deterioration to the Premises or prepare the same for reletting, and (2) relet all or any portion of the Premises for any rent, use or period of time, and upon any other terms as Sublessor shall determine in Sublessor's sole discretion, directly or as Sublessee's agent (if permitted or required by Laws). The consideration received from such reletting shall be applied pursuant to the terms of Paragraph 21(c)(v) hereof, and if such consideration, as so applied, is not sufficient to cover all Rent, Additional Rent and damages to which Sublessor may be entitled hereunder, Sublessee shall pay any deficiency to Sublessor as the same accrues or after the same has accrued from time to time upon demand, subject to Sublessor's right to accelerate such payments as provided herein.

(iv) Sublessor shall at all times have the right without prior demand or notice (except as required by Laws) to: (1) seek any declaratory, injunctive or other equitable relief, and specifically enforce this Sublease or restrain or enjoin a violation of any provision hereof, and Sublessee hereby waives any right to require that Sublessor post a bond in connection therewith; and (2) sue for and collect any unpaid Rent or Additional Rent which has accrued.

(v) No re-entry or repossession, repairs, changes, alterations and additions, reletting, acceptance of keys from Sublessee, or any other action or omission by Sublessor shall be construed as an election by Sublessor to terminate this Sublease or Sublessee's right to possession, or accept a surrender of the Premises, nor shall the same operate to release Sublessee in whole or in part from any of Sublessee's obligations hereunder, unless express written notice of such intention is sent by Sublessor to Sublessee. Sublessor may bring suits for amounts owed by Sublessee hereunder or any portions thereof, as the same accrue or after the same have accrued, and no suit or recovery of any portion due hereunder shall be deemed a waiver of Sublessor's right to collect all amounts to which Sublessor is entitled hereunder, nor shall the same serve as any defense to any subsequent suit brought for any amount not theretofore reduced to judgment. Sublessor may pursue one or more remedies against Sublessee and need not make an election of remedies until findings of fact are made by a court of competent jurisdiction. All rent and other consideration paid by any replacement tenants shall be applied, at Sublessor's option: first, to the costs of reletting, second, to the payment of all costs of enforcing this Sublease against Sublessee or any Guarantor, third, to the payment of all interest and service charges accruing hereunder, fourth, to the payment of Rent and Additional Rent previously accrued, and the residue, if any, shall be held by Sublessor and applied to the payment of other obligations of Sublessee to Sublessor as the same become due (with any remaining residue to be retained by Sublessor). Sublessor shall be under no obligation to observe or perform any provision of this Sublease on its part to be observed or performed which accrues after the date of an Event of Default. Sublessee hereby irrevocably waives any right otherwise available under Laws to redeem or reinstate this Sublease or Sublessee's right to possession after this Sublease or Sublessee's right to possession is terminated based on an Event of Default.

22. GUARANTY FOR CORPORATE SUBLESSEE: In consideration of the making of this Sublease by Sublessor at the request of the undersigned guarantor, Guarantor hereby guarantees to Sublessor the payment of the Rent and Additional Rent to be paid by Sublessee and the performance by Sublessee of all of the terms and conditions of, and Sublessee's obligations under, this Sublease. Guarantor hereby waives any notices hereunder or acceptance hereof, waives the requirement, if any, that Sublessor

exhaust all remedies against Sublessee prior to enforcement of this guaranty, and consents to any extension of time, indulgence or waivers granted by Sublessor to Sublessee, or any other action or modification of the Sublease terms whereby the liability of Guarantor but for this provision would be released. Guarantor agrees to pay all of Sublessor's expenses, including attorneys' fees, incurred by Sublessor in enforcing this guaranty and Sublessee's obligations. If there is more than one Guarantor, they shall be jointly and severally obligated under this guaranty.

23. NOTICES: All notices required or permitted under this Sublease shall be in writing, and either (i) personally delivered, (ii) sent by certified mail, return receipt requested, or (iii) sent by reputable, recognized overnight courier service regularly providing proof of delivery to:

Sublessee:

The parties may change their address for notice at any time by notifying the other party in the manner prescribed in this Section.

24. HOLDING OVER: If Sublessee remains in possession of the Premises after the termination or expiration of the existing Term, Sublessor may (in Sublessor's sole discretion), upon notice to Sublessee, deem Sublessee a tenant on a month-to-month basis with all Sublessee's obligations, liabilities, covenants, representations and warranties in this Sublease, except that Fixed Minimum Rent shall be automatically increased by 50% and the Percentage Rent rate increased by 3%. In the absence of such month-to-month notice being given by Sublessor, Sublessee shall be deemed a hold over tenant and nothing herein or the acceptance or retention of Rent by Sublessor shall be deemed a consent to holding over by Sublessee.

25. LIENS: If any act or omission of Sublessee or claim against Sublessee results in a lien or claim of lien against the Premises ("Lien"), Sublessee upon notice thereof shall promptly remove or release the Lien by posting of bond or otherwise. If not so removed or released in 15 days after notice from Sublessor, Sublessor may (but need not) pay or discharge the Lien without inquiry as to the validity thereof at Sublessee's expense. Sublessee may contest the Lien by first furnishing Sublessor with a sufficient surety bond issued by a reputable surety company satisfactory to Sublessor and its title insurance company.

26. TERMS. The words "Sublessor" and "Sublessee" shall mean respectively all parties Sublessor or Sublessee, regardless of number, and the word "he" shall be synonymous with "she," "it" and "they," and the word "his" shall be synonymous with "her," "its" and "their."

27. WAIVER: No waiver by Sublessor of any provision or undertaking hereunder shall be valid unless in writing signed by an officer of Sublessor. No waiver by either party hereto of any provision or

default hereunder, whether in a single instance or repeatedly, shall be deemed a future waiver of such provision or default.

28. SUCCESSORS AND ASSIGNS: The covenants and conditions hereof shall be binding upon and for the benefit of the heirs, executors, administrators, successors and assigns of the parties hereto.

29. ENTIRE AGREEMENT: MODIFICATIONS: This Sublease constitutes the entire agreement between the parties regarding the subleasing of the Premises and, excepting any obligations or liabilities that survived the termination or expiration of any prior lease or sublease (which obligations/liabilities shall continue to survive), supersedes any prior agreements or understandings relating thereto. As a material condition hereof, if Sublessee or any owner of Sublessee acquires legal or equitable title to the Premises, then Sublessee shall simultaneously and promptly execute and enter into, or shall cause the titleholder to the Premises to simultaneously and promptly execute and enter into, Sublessor's standard option and shop lease document or whatever other real estate control documents Sublessor generally uses at such time as part of the Midas franchise disclosure document. This Sublease may be modified or amended by, and only by, a written instrument executed by Sublessor and Sublessee.

30. SURVIVAL: Any rights, obligations and liabilities under this Sublease which shall have previously accrued shall expressly survive the expiration or termination of this Sublease.

31. COUNTERPARTS; ELECTRONIC COPIES: This Sublease may be executed in two or more counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same agreement. Any copy of this Sublease and the signatures thereon sent by facsimile, PDF or other electronic format shall be binding upon such transmission and the facsimile, PDF or other electronic format copy shall be deemed an original for the purposes of this Sublease.

32. ATTORNEY FEES: In the event of any dispute or any judicial or other adversarial proceeding between the parties concerning this Sublease, to the extent permitted by law, the prevailing party shall be entitled to recover all of its reasonable attorneys' fees and other costs in addition to any other relief to which it may be entitled. In addition, Sublessor shall, upon demand, be entitled to all attorneys' fees and all other costs incurred in the preparation and service of any notice or demand hereunder, whether or not a legal action is subsequently commenced, and in otherwise enforcing Sublessor's rights or Sublessee's obligations or undertakings under this Sublease. References in this Sublease to Sublessor's attorneys' fees and/or costs shall mean both the fees and costs of independent counsel retained by Sublessor and the compensation and costs of Sublessor's in house counsel incurred in connection with, or attributable to, the matter.

33. TIME OF THE ESSENCE. Time is of the essence with respect to each and every provision of this Sublease in which time is a factor.

This Option and Shop Lease, dated _____, 201__, is by and between _____, with an office at _____ (“Lessor”), and Midas Realty, LLC, with an office at 4300 TBC Way, Palm Beach Gardens, Florida 33410 (“Lessee”).

WHEREAS, Lessor (or its owner(s)) is, owns or controls, in whole or in part, or is otherwise affiliated with or related to, the “Franchisee” under the Franchise Agreement (“Franchise Agreement”) with Lessee’s parent company, Midas International, LLC (“Midas”), for the Midas Shop at _____ (“Shop”); and

WHEREAS, Midas requires as a condition for the grant of the Franchise Agreement, that Midas (through Lessee) have the right to maintain control of the Shop real estate in the event of the termination or expiration of the Franchise Agreement in order to ensure the continued presence of the Shop; and

WHEREAS, Lessor and Lessee intend for this Option and Shop Lease to establish the right and option of Lessee to lease the Shop real estate in the event of the termination or expiration of the Franchise Agreement and to establish the terms and provisions of such lease.

NOW, THEREFORE, in consideration of the mutual promises and undertakings hereinafter set forth, the sufficiency of which are hereby acknowledged, the parties, intending to be fully and completely bound, hereby agree as follows:

A. RIGHT TO LEASE. Lessor hereby grants to Lessee the right and option to lease (“Option”), on the terms and conditions hereinafter set forth, the real estate commonly known as _____, including the automotive repair facility thereat and the easements, appurtenances, hereditaments, rights and privileges appurtenant thereto, which real estate is legally described on Exhibit A hereto (“Premises”). Lessee may exercise the Option by giving written exercise notice to Lessor (“Exercise Notice”) within 30 days following the termination or expiration of the Franchise Agreement. If Lessee does not give Lessor an Exercise Notice within such 30-day period, this Option and Shop Lease shall automatically terminate. In this agreement: (i) the termination of the Franchise Agreement shall include a termination for any reason or due to any cause or circumstance and shall mean the date the termination is effective as opposed to the date of the termination notice; and (ii) the expiration

of the Franchise Agreement shall mean the expiration date of the term of the Franchise Agreement. In this Agreement, the term "Franchise Agreement" shall from time to time include, in Lessee's sole discretion, an operating agreement or license under which the Shop continues in operation following the termination or expiration of the Franchise Agreement. Notwithstanding anything to the contrary contained herein, Lessee shall not be required to exercise the Option when the Franchise Agreement is terminated in association with a transfer approved by Midas and the transferee executes a new Franchise Agreement with Midas and an acknowledgment of this Option and Shop Lease or a new Option and Shop Lease.

B. LEASE TERMS. If Lessee exercises the Option, the terms and provisions of the lease ("Lease") shall be those set forth in Sections 1 through 33 of this Option and Shop Lease.

C. LIMITATION OF LIABILITY. Lessee shall have no obligations or liabilities with respect to the Premises until the Commencement Date (as hereinafter defined). Lessor shall defend, indemnify and hold Lessee harmless from and against all claims, demands, causes of action and liabilities arising out of or resulting from the ownership, occupancy, use or maintenance of the Premises prior to the Commencement Date.

D. SUBORDINATION AND NON-DISTURBANCE. Any mortgage or trust deed encumbering title to the Premises at the time of execution of this Option and Shop Lease, at any time while this Option and Shop Lease is in effect or during the Term (as hereinafter defined) of the Lease, is herein called a "Mortgage" and the holder of, or the beneficiary under, the Mortgage is herein called a "Mortgagee". Lessor shall use commercially reasonable efforts to cause each Mortgagee to execute and deliver to Lessee an agreement on a form provided by Lessee setting forth the following ("Non-disturbance Agreement"): (i) Mortgagee consents to this Option and Shop Lease and the Lease and covenants and agrees that the exercise of any of the rights, options and remedies herein shall not constitute a default under the Mortgage; and (ii) Mortgagee agrees that so long as Lessee has not received written notice of a default in the performance of its obligations under the Lease: (1) Lessee shall not be named or joined as a party to an action to enforce or foreclose the Mortgage; (2) Lessee's rights under this Option and Shop Lease and the Lease, including the right to possession of the Premises if Lessee exercises the Option, shall not be disturbed, affected or impaired, nor will this Option and Shop Lease or the Lease be terminated or otherwise affected by any default under the Mortgage or note secured thereby, any suit or action to enforce or foreclose the Mortgage or the note secured thereby, or any judicial sale or execution of the Premises; and (3) all condemnation awards and insurance proceeds paid or payable with respect to the Premises and received by Mortgagee shall be applied and paid for the restoration and/or repair of the Premises except in the case of a condemnation which results in a termination of this Option and Shop Lease or the Lease; (iii) Lessee's rights under this Option and Shop Lease and the Lease shall be subject and subordinate to the Mortgage without regard to the priority of recording, subject to the other provisions of the Non-disturbance Agreement; (iv) if Mortgagee or its successor becomes owner of the Premises by reason of foreclosure or otherwise, this Option and Shop Lease and the Lease shall continue in full force and effect; and (v) Mortgagee or such new owner shall assume the terms, conditions, covenants, obligations and undertakings of Lessor under this Option and Shop Lease and the Lease. Provided Mortgagee executes and delivers a Non-disturbance Agreement to Lessee, Lessee agrees that if requested by Mortgagee or such new owner, Lessee will subordinate its interest under this Option and Shop Lease and the Lease to the Mortgage and will attorn to Mortgagee or such new owner. If Mortgagee requires, as a condition of executing a Non-disturbance Agreement with respect to a Mortgage which encumbers title to the Premises at the time of execution of this Option and Shop Lease, that a memorandum of this Option and Shop Lease or the Lease be recorded, Lessee shall pay the recording fee. Notwithstanding the foregoing, the failure of Mortgagee to execute a Non-disturbance Agreement shall not constitute a default by Lessor hereunder.

E. MEMORANDUM OF OPTION AND SHOP LEASE. The parties shall execute a recording memorandum contemporaneously with execution of this Option and Shop Lease. Lessee may, at its sole option and cost, record such memorandum. Upon expiration of Lessee's rights under this Option and Shop

Lease or the expiration or termination of the Lease, Lessee shall provide Lessor with a release, in recordable form, of such memorandum.

F. EFFECTIVE PERIOD. This Option and Shop Lease and the rights conferred hereunder shall remain valid and enforceable: (i) during the term of the Franchise Agreement, including any extensions thereof, and including any assignments thereof to successor franchisees; (ii) for the 30 days following the termination or expiration of the Franchise Agreement; (iii) for any extensions of the franchise relationship under the Franchise Agreement, i.e., during any renewal Franchise Agreement as referenced in Article Nine of the Franchise Agreement; and (iv) for the Term (as hereinafter defined).

G. SHOP SALE - LEASE TO BUYER. Subject to Lessee's continuing right and option to lease the Premises under this Option and Shop Lease in the event of the termination or expiration of the Franchise Agreement (i.e., the Option), Lessor may lease the Premises directly to a buyer of the Shop, provided Lessor has complied with all the following conditions: (i) the sale of the Shop must be in conjunction with an assignment of the Franchise Agreement to which Midas consents in writing; (ii) Lessor must provide Lessee with a copy of the fully-executed lease at the time of the closing; (iii) said lease must contain an express provision disclosing to the tenant Lessee's rights pursuant to this Option and Shop Lease; and (iv) said lease must contain an express provision which provides for the automatic termination of said lease in the event the Franchise Agreement is terminated or expires and Lessee exercises the Option.

H. LESSEE'S RIGHT OF FIRST REFUSAL. (a) Lessor hereby grants Lessee a right of first refusal to purchase the Premises upon the same terms, provisions and conditions as may be contained in any offer for the purchase thereof which Lessor shall be ready and willing to accept at any time prior to Lessee giving its Exercise Notice. Lessor shall give Lessee a full and complete copy of said offer including all terms, provisions and conditions, and Lessee shall have 30 days from and after the receipt of such offer to exercise this right of first refusal by giving written notice to Lessor of its intent to purchase. If Lessee does not so notify Lessor within said 30-day period, the sale of the Premises may be consummated but only on substantially the same terms, provisions and conditions of said offer and to the same party. A reduction of the actual selling price by up to 7.5% of the offer price submitted to Lessee shall be deemed substantially the same terms. If the sale is not so consummated within 120 days after receipt by Lessee of the terms of the offer, the proposed sale shall not thereafter be consummated without Lessor again submitting to Lessee the proposed sale as herein provided, as if such proposed sale had not been previously submitted.

(b) This Option and Shop Lease and Lessee's rights hereunder shall continue in full force and effect following the consummation of such sale unless at the time of the closing: (i) the Midas franchisee (and all of its owners, officers and directors) which is then operating the Shop executes and delivers Midas' standard form franchise termination agreement and general release of Midas; and (ii) the purchaser of the Premises executes and delivers to Lessee a covenant (on a form provided by Lessee) prohibiting the use of the Premises for any Automotive Use (as hereinafter defined) for a period of five years following the date the purchaser acquires fee title to the Premises. Said covenant shall be recorded in the public records and shall constitute a covenant running with the land. Upon receipt of such items and the consummation of the sale, this Option and Shop Lease shall terminate and Lessee shall provide the purchaser a recordable release of the memorandum recorded by Lessee pursuant to Section E hereof.

(c) Intentionally omitted.

(d) Lessee's right of first refusal shall not apply to sales or transfers to members of the immediate family of Lessor or Lessor's shareholders, to a different corporation owned or controlled by Lessor or Lessor's shareholders or members of their immediate family, to a partnership comprised of Lessor, Lessor's shareholders or members of their immediate family, or to a trust established by Lessor or Lessor's shareholders and under which members of their immediate family constitute a majority of the beneficiaries.

I. NOTICES. All notices required or permitted hereunder shall be in writing and either (i) personally delivered, (ii) sent Certified U.S. Mail, return receipt requested, or (iii) sent by reputable, recognized overnight courier service regularly providing proof of delivery, to Lessor at the address designated by Lessor (or in the absence of such designation, at Lessor's address in the heading hereof) and to Lessee at 4300 TBC Way, Palm Beach Gardens, Florida 33410, Attention: Vice President – Development, with a copy to the General Counsel, or at such other place as either party may designate. Notice shall be effective upon delivery (if personally delivered) or on the delivery date indicated by the post office or courier on its proof of delivery receipt or electronic version thereof.

J. SUCCESSOR AND ASSIGNS. The covenants and conditions hereof shall be binding upon and/or inure to the benefit of the heirs, executors, administrators, successors, sublessees and assigns of the parties hereto, including but not limited to subsequent owners of fee title to the Premises, whether by purchase or otherwise, and shall be and remain covenants running with the land during the term of this Option and Shop Lease and the Term which may result from the exercise of the rights herein granted to Lessee. Upon a conveyance of the Premises, Lessor shall be relieved of all further obligations under this Option and Shop Lease except as to the obligations set forth in Section C hereof for the period prior to such conveyance by Lessor.

K. ENTIRE AGREEMENT. This Option and Shop Lease constitutes the entire agreement between the parties regarding Lessee's right to lease the Premises (when triggered by the termination or expiration of the Franchise Agreement) and, excepting any obligations or liabilities that survived the termination or expiration of any prior lease, sublease, option or lease assignment (which obligations/liabilities shall continue to survive), supersedes any prior agreements or understandings relating thereto. Notwithstanding the foregoing, in the event that Lessor was disclosed with a Franchise Disclosure Document by Franchisor in conjunction with executing this Option and Shop Lease ("FDD"), then nothing in this Option and Shop Lease is intended to disclaim any representations by Franchisor in such FDD. This Option and Shop Lease may be modified or amended by, and only by, a written instrument executed by Lessor and Lessee.

L. ENFORCEMENT. Lessor and Lessee agree that they shall pay the reasonable costs and expenses incurred by the prevailing party in any action or proceeding (not including any rent arbitration pursuant to Section 3 hereof) to enforce the provisions of this Option and Shop Lease, including reasonable attorneys' fees.

M. TERMS OF LEASE. Upon Lessee's exercise of the Option, the following shall be the terms and provisions of the Lease:

1. DEMISE OF PREMISES. Lessor, in consideration of the rents and covenants contained herein, hereby leases to Lessee, on the following terms and conditions, the real estate commonly known as _____, including the automotive repair facility thereon and the easements, appurtenances, hereditaments, rights and privileges appurtenant thereto, which real estate is legally described on Exhibit A hereto ("Premises").

2. TERM. (a) The preliminary term of this Lease ("Preliminary Term") shall be 60 days and shall commence when Lessee gives the Exercise Notice ("Commencement Date"). Lessee shall have the right to terminate this Lease by giving Lessor 30 days' notice of termination at any time during the Preliminary Term.

Note: The following Subsection 2(a) appears in the Option and Shop Lease used for franchise renewals and in certain other scenarios:

(a) The preliminary term of this Lease ("Preliminary Term") shall commence when Lessee gives the Exercise Notice ("Commencement Date") and shall expire on the earlier of: (i) the last day

of the month in which the Fair Market Rent (as hereinafter defined) is determined; or (ii) the last day of the month in which Submission (as hereinafter defined) occurs. Lessee shall have the right to terminate this Lease by giving Lessor 30 days' notice of termination at any time during the Preliminary Term.

(b) During the Preliminary Term, Lessee, its contractors and invitees, shall have the right of access to the Premises, upon reasonable advance notice to Lessor, for the purpose of franchising and conducting appraisals, inspections, surveys, engineering tests, environmental assessments and tests and for other reasonable purposes and activities ("Tests"). Lessee shall repair any damage to the Premises caused by carrying out the Tests. Upon the Commencement Date, Lessor shall provide Lessee with keys to the Premises. During the Preliminary Term, Lessor shall maintain in full force and effect, and pay for, all Utilities (as hereinafter defined).

(c) In the event Lessee exercises the Option following termination (as opposed to expiration) of the Franchise Agreement and unless Lessee has terminated this Lease pursuant to Subsection 2(a) during the Preliminary Term: (i) the primary term of this Lease ("Primary Term") shall be five years and shall commence on the day following expiration of the Preliminary Term; and (ii) provided no default by Lessee remains uncured beyond any applicable cure period, Lessee is granted three options to renew this Lease for successive five-year terms upon the same terms and conditions herein, except as to rent, to be exercised by Lessee giving notice to Lessor not later than 270 days prior to expiration of the current term (said notice, hereinafter "Renewal Notice"). In the event of a Reassignment (as hereinafter defined), MR (as hereinafter defined) shall have the right to exercise any option to renew granted to Lessee.

(d) In the event Lessee exercises the Option following expiration (as opposed to termination) of the Franchise Agreement and the Premises: (i) the Primary Term of this Lease shall be five years and shall commence on the day following expiration of the Preliminary Term (unless Lessee has terminated this Lease pursuant to Subsection 2(a) hereof); and (ii) provided no default by Lessee remains uncured beyond any applicable cure period, Lessee is granted one option to renew this Lease for a five-year term upon the same terms and conditions herein, except as to rent, to be exercised by Lessee giving Lessor a Renewal Notice. In the event of a Reassignment, MR shall have the right to exercise any option to renew granted to Lessee.

(e) Intentionally omitted.

(f) The Primary Term shall include any renewal terms or extensions of the Primary Term. The Preliminary Term together with the Primary Term shall constitute the "Term".

(g) Notwithstanding the foregoing, Lessee shall not be obligated to pay rent, nor shall it have any other obligations or liabilities (except as provided in Subsection 2(b) hereof) under this Lease, for the Primary Term until Lessor delivers (or causes to be delivered) to Lessee possession of the Premises unencumbered by any possessory rights of Lessor or other parties, without any of Lessor's and any occupant's personal property (unless otherwise directed by Lessee). If, upon commencement of the Primary Term, possession is not delivered to Lessee as required by this subsection, Lessee shall have the right to enter into, and take possession of, the Premises without process of law or to commence an action for entry on account of such wrongful withholding of possession or to pursue any other available legal or equitable remedies.

3. RENT. (a) During the Preliminary Term (and continuing until the rent for the Primary Term has been established), Lessee shall pay Lessor rent in the amount of the larger: (i) \$3,500/month; or (ii) one-twelfth of 7% of the Shop's Gross Sales (as hereinafter defined) for the previous 12 calendar months. The term "Gross Sales" shall mean all sales of merchandise or products of any kind and all charges for service or labor done in, on and from the Premises for cash or credit regardless of the collection thereof,

but excluding sales taxes and bona fide refunds. When the rent for the Primary Term has been established, the parties shall make an appropriate adjustment of rent (with Lessee promptly paying any shortfall during the Preliminary Term or promptly receiving a refund of any overpayment) retroactive to the commencement of the Preliminary Term. For avoidance of doubt, if Lessee exercises its option herein and if the monthly rent amount established for the Primary Term is greater than the monthly amount paid during the Preliminary Term, then Lessee shall pay to Lessor the difference for the period of the Preliminary Term upon the commencement of the Primary Term. However, if Lessee decides to not exercise its option herein during the Preliminary Term, Lessee shall not owe to Lessor any further consideration of any kind than the monthly rent amount established above during the Preliminary Term.

(b) During the first five years of the Primary Term, Lessee shall pay Lessor rent in the amounts specified in Subsection 3(c) hereof which shall be based on Project Cost Rent (as hereinafter defined). "Project Cost Rent" shall be defined as the product obtained by multiplying (i) the total of the actual purchase price paid by Lessor for the land portion of the Premises plus the actual cost paid by Lessor for the construction of the Shop including any costs directly related to purchasing such land and constructing the Shop but excluding the cost of equipment, hoists, racking, signs or inventory ("Project Cost") by (ii) the rental constant used by Midas for new franchisee-developed Midas Shops as stated in Midas' Franchise Disclosure Document in effect on the Commencement Date. For example, if the Project Cost is \$600,000 and the rental constant is .1000, the Project Cost Rent would be \$60,000 (\$600,000 times .1000 equals \$60,000). Upon execution of this Option and Shop Lease, the estimated Project Cost is \$_____, based on a land cost of \$_____, a construction cost of \$_____, and related costs of \$_____. Within 60 days after the Shop opens for business, Lessor shall document and substantiate the Project Cost to Lessee's reasonable satisfaction, and Lessor and Lessee shall thereupon enter into an amendment to this Option and Shop Lease specifying the actual Project Cost.

(c) Rent during the first five years of the Primary Term shall be the annual rent amounts equal to 100% of the Project Cost Rent, payable in equal monthly installments on the first day of each month. Rent shall be remitted to Lessor at its address in the heading hereof or elsewhere as Lessor designates in writing.

(d) Rent during each renewal term shall be 100% of "Fair Market Rent", which term shall be defined as the then-current fair market rent for the Premises. Notwithstanding the foregoing, rent for the first renewal term shall be not less than 110% of Project Cost Rent. Fair Market Rent shall be determined as follows:

(i) upon serving a Renewal Notice, Lessee shall make, and submit to Lessor, a written Fair Market Rent proposal for the upcoming renewal term ("Lessee's Proposal");

(ii) Lessor and Lessee shall thereupon conduct good-faith negotiations to mutually agree on the Fair Market Rent. Lessor shall make, and submit to Lessee, a written Fair Market Rent proposal for the upcoming renewal term ("Lessor's Proposal") not later than 120 days prior to expiration of the current term. If Lessor and Lessee mutually agree on the Fair Market Rent, this Lease shall be renewed for the upcoming renewal term at the agreed Fair Market Rent. If Lessor and Lessee have not mutually agreed on the Fair Market Rent, Lessee shall have the right, to be exercised not later than 90 days prior to expiration of the current term, to submit the determination of Fair Market Rent to arbitration to be conducted by the American Arbitration Association ("AAA") in accordance with the process set forth in Subsection 3(d)(iii) hereof ("Submission"). If, 90 days prior to expiration of the current term, Lessor and Lessee have not agreed on the Fair Market Rent and Lessee has not made a Submission, this Lease shall not be renewed for the upcoming renewal term and shall terminate upon expiration of the current term;

(iii) if the Fair Market Rent is to be determined by arbitration, the arbitration shall be conducted:

(1) pursuant to the AAA's "Arbitration Rules for the Real Estate Industry", except as otherwise stated herein;

(2) by a single arbitrator appointed by the AAA; provided, however, either party shall have the right to require that the arbitration be conducted by three arbitrators provided that such right is exercised by Lessee together with the Submission or by Lessor no later than 15 days after the Submission, in which event each party shall select an arbitrator within 15 days following the exercise of such right and the two arbitrators shall appoint a third arbitrator;

(3) in the city of the AAA's local or regional office nearest the Premises;

(4) under the AAA's "Expedited Procedures" process;

(b) During the first five years of the Primary Term, Lessee shall pay Lessor rent in the amounts specified in Subsection 3(c) hereof which shall be based on then Fair Market Rent (as hereinafter defined). "Fair Market Rent" shall be defined as the then fair market rent for the Premises reflecting the physical condition of the Premises at such time (including a downward adjustment for any needed repairs or maintenance). Fair Market Rent shall be determined as follows:

(i) within 30 days following its exercise of the Option, Lessee shall make, and submit to Lessor, a written Fair Market Rent proposal for the first five years of the Primary Term ("Lessee's Proposal");

(ii) Lessee's Proposal shall become the Fair Market Rent, unless within the next 30 days:

(1) Lessor and Lessee agree on a different Fair Market Rent which shall then become the Fair Market Rent; or

(2) Lessor makes a written, alternate Fair Market Rent proposal to Lessee ("Lessor's Proposal"). If the parties do not agree on the Fair Market Rent within 15 days after Lessee receives Lessor's Proposal, the Fair Market Rent shall be determined by arbitration conducted by the American Arbitration Association ("AAA") in accordance with the process set forth in Subsection 3(b)(iii) hereof;

(iii) if the Fair Market Rent is to be determined by arbitration, Lessor and Lessee shall jointly submit the arbitration to the AAA. If either party fails to sign the joint submission within five days after request by the other party, either party shall have the right to initiate the arbitration. Submission of the arbitration to the AAA under this Subsection 3(b)(iii) is sometimes referred to herein as "Submission". The arbitration shall be conducted:

(1) pursuant to the AAA's "Arbitration Rules for the Real Estate Industry", except as otherwise stated herein;

(2) by a single arbitrator appointed by the AAA; provided, however, either party shall have the right to require that the arbitration be conducted by three arbitrators provided that such right is exercised no later than the time of Submission, in which event each party shall select an arbitrator within 15 days following Submission and the two arbitrators shall appoint a third arbitrator;

(7) in the "baseball arbitration" style with the arbitrator(s) being limited to choosing either Lessee's Proposal or Lessor's Proposal;

(8) without a reasoned opinion;

(9) with the arbitrator(s) being required to issue his/her/their award within 45 days after Submission, and, to that end, the arbitrator(s) shall have the right to schedule the arbitration process accordingly;

(10) with each party paying its own costs and expenses (including, but not limited to, appraiser and attorney fees). In a single arbitrator proceeding, Lessee shall pay the arbitrator's fee, the AAA's fee and the administrative costs of the arbitration. In a three arbitrator proceeding, each party shall pay its arbitrator's fee, one-half of the AAA's fee for a single arbitrator proceeding and one-half of the administrative costs of a single arbitrator proceeding, and the party requesting the three arbitrator proceeding shall pay the third arbitrator's fee, any additional fee charged by the AAA for a three arbitrator proceeding and the administrative costs in excess of those for a single arbitrator proceeding; and

(11) with the award of the arbitrator(s) being binding on Lessor and Lessee.

(c) Rent during the first five years of the Primary Term shall be the annual rent amounts equal to 100% of the Fair Market Rent, payable in equal monthly installments on the first day of each month. Rent shall be remitted to Lessor at its address in the heading hereof or elsewhere as Lessor designates in writing.

(d) Rent during each renewal term shall be 100% of the then-current Fair Market Rent for the Premises determined as follows:

(i) upon Lessee serving a Renewal Notice, Lessee shall submit Lessee's Proposal (for Fair Market Rent for the upcoming renewal term) to Lessor;

(ii) Lessor and Lessee shall thereupon conduct good-faith negotiations to mutually agree on the Fair Market Rent. Lessor shall submit Lessor's Proposal not later than 120 days prior to expiration of the current term. If Lessor and Lessee mutually agree on the Fair Market Rent, this Lease shall be renewed for the upcoming renewal term at the agreed Fair Market Rent. If Lessor and Lessee have not mutually agreed on the Fair Market Rent, Lessee shall have the right, to be exercised not later than 90 days prior to expiration of the current term, to make a Submission, in which event the arbitration shall be conducted in accordance with the process set forth in parts (1) through (11) of Subsection 3(b)(iii) hereof. If, 90 days prior to expiration of the current term, Lessor and Lessee have not agreed on the Fair Market Rent and Lessee has not made a Submission, this Lease shall not be renewed for the upcoming renewal term and shall terminate upon expiration of the current term;

(iii) notwithstanding the foregoing, the rent for the first renewal term shall be not less than 110% of Fair Market Rent for the Primary Term.

(e) Notwithstanding anything herein to the contrary, Lessee shall not be obligated to pay rent under this Lease until delivery of possession of the Premises to Lessee in the condition required by Subsection 2(g) hereof.

(f) In the event Lessor, any legal or beneficial owner, shareholder, member, partner or trustee of Lessor or any entity of which any of the foregoing is an owner, shareholder, member, partner or trustee (Lessor and any of the foregoing, individually and collectively, "Lessor Party") is in default (as determined by a court's ruling or judgment or an arbitrator's award) of a monetary obligation under the Franchise Agreement or under any other Franchise Agreement or under any lease, sublease, promissory note or guaranty with Midas or any of its subsidiaries or affiliates, Lessee (so long as Lessee is Midas Realty, LLC or its parent or one of its subsidiaries or affiliates [collectively, "MR"]) shall have the right to deduct from the rent and Lessee's other monetary obligations under this Lease the amount of such monetary default (including interest); provided, however, that the amount deducted by Lessee in any given month shall not exceed the lesser of: (i) 25% of the rent and Lessee's other monetary obligations under this Lease for said month; and (ii) \$1,000.

4. USE. (a) The Premises may be used by Lessee, its assignees and sublessees for the sale, installation and servicing of automotive exhaust systems and parts, brakes and brake parts, shock absorbers, suspension parts, front end parts, alignments, oil changes and chassis lubrication, heating and air conditioning systems and parts, tires and related parts and services, transmissions, engines, washing, waxing, detailing, audio/video systems, other automotive equipment and accessories and/or a general automotive repair Shop and/or allied business operating under the Midas name ("Automotive Use").

(b) Lessor covenants that during the Preliminary Term and the first year of the Primary Term, Lessor shall not, directly or indirectly, individually or as a member of any business organization, engage, or have an interest as an employee, owner, operator, investor, partner (inactive or otherwise), agent, stockholder, member, manager, director or officer, or otherwise, in, any business, located within a one-mile radius of the Premises, engaged in the Automotive Use or any part thereof. The foregoing covenant shall not apply in the event Lessor (as Franchisee) had, within the 180 days prior to expiration of the Franchise Agreement, served written notice on Midas that Lessor (as Franchisee) elected to not extend the franchise relationship (to not renew the franchise) under the Franchise Agreement.

(c) Lessor agrees that it will not erect, or permit to remain, on any property owned or controlled by Lessor adjacent to the Premises any structure or improvements which would materially interfere with access to the Premises or obstruct the visibility of the Shop or signs identifying the business at the Premises. Further, Lessor will not post, use or display, or permit the posting, use or display of, any signs, advertising or other material on or in the building or the area of which the Premises are a part which are the same or confusingly similar to any names, marks or designs used by Midas or its franchisees.

(d) Notwithstanding the provisions of Subsection 4(a) hereof, Lessee may use or permit the Premises to be used for any lawful purpose, provided that in the event Lessee intends to use or permit the use of the Premises for other than Automotive Use, it shall first notify Lessor in writing. Lessor shall have the right, to be exercised within 30 days after receipt of Lessee's notice, to terminate this Lease by giving Lessee written notice. If Lessor does not terminate this Lease within said 30 days, Lessor shall have no further right to terminate this Lease pursuant to this Subsection 4(d).

5. MAINTENANCE. Except as provided in Sections 11 and 12 hereof, Lessee shall at all times during the Primary Term keep the Premises in a condition substantially equivalent to their condition on the Commencement Date, reasonable wear and use excepted.

6. TAXES AND UTILITIES. (a) Lessee shall pay prior to delinquency all real estate taxes and assessments which may be levied or assessed upon the Premises ("Tax(es)") during the Term to the end that Lessor shall not be required to pay any Taxes during the Term. Upon request, Lessee will exhibit receipts for Tax payments to Lessor promptly upon payment thereof. Lessee may at its expense contest all Taxes in the name of Lessor if necessary. In the event Lessor is joined in such a proceeding by Lessee, Lessee shall hold Lessor harmless from all costs, expenses and liabilities, including reasonable attorneys' fees associated with such a proceeding.

(b) During the Preliminary Term, Lessor shall maintain in full force and effect, and pay for, the water, gas, electricity, telephone and other utilities services for the Premises ("Utilities"). Lessee shall pay for the Utilities during the Primary Term.

7. LICENSES AND COMPLIANCE WITH LAWS. Lessee shall: (i) maintain and procure at Lessee's own expense and responsibility all licenses, permits, inspection certificates or change of occupancy certificates required by any governmental authority with respect to Lessee's use of the Premises; and (ii) comply with all applicable laws, ordinances and regulations and will not use or permit any use of the Premises in violation thereof (such items in (i) and (ii), collectively, "Laws"). Lessee may contest any Laws and may join Lessor in any such contest, provided that Lessee shall indemnify and hold Lessor harmless from all damages, costs (including reasonable attorney fees), expenses, liabilities, fines, penalties, liens or criminal sanctions against Lessor or the Premises resulting from Lessee's breach of Laws or actions or proceedings to contest them.

8. PUBLIC LIABILITY INSURANCE AND INDEMNITY. (a) Lessee shall during the Primary Term at its expense keep in force, or cause to be kept in force by its sublessee, public liability insurance on the Premises in an amount of not less than \$1,000,000 for injury to or death of one person or as a result of

one occurrence, not less than \$1,000,000 for injury to or death of more than one person as a result of one occurrence, and for damage to property as a result of one occurrence in the amount of \$500,000. Said insurance coverage shall insure Lessee and Lessor, and (if requested by Lessor) Mortgagee, as additional insureds against any liability that may accrue against any of them on account of any occurrences in or about the Premises resulting in personal injury, death or property damage. Lessee or its sublessee shall furnish to Lessor certificates for all such insurance in a form commonly in use in the insurance industry within 30 days following the Commencement Date and not later than the expiration date of any policy period.

(b) Lessee agrees to indemnify and save Lessor harmless from and against all claims of whatever nature arising from: (i) any act or omission of Lessee or its contractors, invitees or employees during the Term; or (ii) any accident, injury or damage whatsoever caused to any person, or to the property of any person occurring during the Term in or about the Premises, where such accident, damage or injury results or is claimed to have resulted from an act or omission on the part of Lessee or its contractors, invitees or employees. This indemnity and hold harmless agreement shall include indemnity against all costs, expenses and liabilities, including reasonable attorneys' fees, incurred in connection with any such claim or proceeding brought thereon and the defense thereof.

(c) Lessee or its sublessee may provide the aforesaid insurance under a "blanket" policy covering other locations.

9. FIRE AND EXTENDED COVERAGE INSURANCE. (a) During the Primary Term, Lessee shall keep, or cause to be kept by its sublessee, the building improvements on the Premises insured at full replacement cost against all damages caused by fire and against other risks covered by standard extended coverage endorsements. Such insurance coverage shall insure Lessee and Lessor, and (if requested by Lessor) Mortgagee, as additional insureds as their interests may appear. Lessee or its sublessee shall furnish to Lessor a certificate of insurance within 30 days following the Commencement Date and not later than the expiration date of any insurance policy.

(b) The proceeds of insurance shall be payable to Lessee and used to restore and/or repair in accordance with commercially reasonable procedures designed to ensure that the work is completed timely and without mechanic's liens for unpaid work or materials following final disbursement.

(c) Lessee or its sublessee may provide the aforesaid insurance under a "blanket" policy covering other locations.

10. WAIVER OF SUBROGATION RIGHTS. Neither Lessor nor Lessee shall be liable to the other for any loss or damage to the Premises from risks insured against under fire insurance policies with extended coverage endorsements irrespective of whether such loss or damage results from their negligence or that of any of their agents, employees, licensees, invitees or contractors.

11. DESTRUCTION OF PREMISES. In the event of damage to, or total destruction of, the Premises by fire, act of God or any other cause, this Lease shall remain in effect, and Lessee shall forthwith apply for all necessary permits, licenses and approvals and shall repair or restore same to substantially the same condition as they were in immediately prior to the casualty within 180 days following receipt of all necessary permits, licenses and approvals.

12. CONDEMNATION. If all of the Premises shall be taken by public authorities by condemnation or otherwise for public or quasi-public purposes, or if such taking is of such part of the Premises that it is, in Lessee's reasonable judgment, impossible or impractical for Lessee to use the Premises efficiently and economically for the conduct of its business, this Lease shall terminate effective at such time as Lessee can no longer continue operations upon the Premises. However, if only a part of the Premises is taken so that the remaining portion does not materially affect the conduct of Lessee's business

in Lessee's reasonable judgment, Lessor will, to the extent the taking authority provides or allocates funds or an award for restoration, proceed promptly to restore the building to a complete architectural unit and this Lease shall cease only as to the part so taken and shall continue as to the part not taken. In that event, the rent shall be adjusted in the proportion that the value of the area taken bears to the value of the Premises. Lessor shall be entitled to the entire condemnation award, except that Lessee shall be entitled to any amounts specifically allocated, or awarded to Lessee, for the taking of Lessee's trade fixtures, business value or relocation.

13. ASSIGNMENT AND SUBLETTING. (a) MR shall have the right, without the consent of Lessor, to assign this Lease, or to sublet all or any part of the Premises, to a Midas franchisee ("New Franchisee"). If this Lease is assigned to New Franchisee, MR shall give Lessor: (i) notice of the assignment; (ii) the name of New Franchisee; (iii) if New Franchisee is not a person(s), the name of the person(s) holding the controlling interest in New Franchisee; (iv) the address and phone number of New Franchisee or person(s) holding the controlling interest in New Franchisee; and (v) a copy of an agreement between MR and New Franchisee in which New Franchisee assumes all of Lessee's obligations under this Lease from and after the date of the assignment. Thereupon, MR shall have no obligation or liability with respect to Lessee's obligations and liability under this Lease occurring from and after the date of the assignment.

(b) Lessor hereby consents to the assignment by New Franchisee to MR of all New Franchisee's right, title and interest, as Lessee, in and to this Lease via an outright assignment of this Lease or via a conditional assignment of this Lease (triggered by, among other things, the termination, expiration or assignment of the Midas franchise agreement for the Premises, New Franchisee's default or claimed default under this Lease or New Franchisee's failure to exercise an option to renew this Lease), the exercise of which may be at MR's option ("Reassignment"). The Reassignment shall automatically apply to any extensions or renewals of the Term and any new lease for the Premises entered into by Lessor and New Franchisee (or by any person or entity owning an interest in, or affiliated with, New Franchisee). Any assignment of this Lease, or sublease of the Premises, by New Franchisee to a party other than MR shall be subject and subordinate to MR's rights under the Reassignment. Lessor agrees to give MR written notice of a default by New Franchisee under this Lease at the same time it gives such notice to New Franchisee and agrees that MR shall have the same right and opportunity to cure such default as New Franchisee is given under this Lease. No modification or amendment of this Lease by Lessor and New Franchisee shall be binding on MR unless approved in writing by MR.

(c) In the event: (i) the Reassignment is, in fact, triggered by New Franchisee's default or claimed default in the payment of rent under this Lease; and (ii) MR, in fact, exercises its Reassignment under such circumstances; and (iii) Lessor had given MR written notice of New Franchisee's default(s), together with the same right and opportunity to cure such default(s) as New Franchisee was entitled to under this Lease; then MR shall be obligated to cure any rent payment default by New Franchisee, provided that the maximum amount which MR shall be obligated to pay shall be six months' rent.

(d) In the event MR exercises its Reassignment, Lessor shall cooperate with, and give reasonable assistance (by joinder in legal proceedings if necessary) to, MR in obtaining possession of the Premises from New Franchisee; provided, that MR shall be responsible for Lessor's reasonable attorney fees in any such legal proceedings.

(e) MR shall have the right, without Lessor's consent but subject to the provisions of Subsection 4(d) hereof, to assign this Lease, or to sublease all or a portion of the Premises, to any person, firm or corporation other than New Franchisee for any use permitted pursuant to the terms of this Lease provided that MR shall not be thereby released of its duties, obligations or liabilities hereunder.

(f) Lessee shall have the right, upon obtaining Lessor's consent which shall not be unreasonably withheld, delayed or conditioned but subject to the provisions of Subsection 4(d) hereof, to assign this Lease, or to sublease all or a portion of the Premises, to any person, firm or corporation for any use permitted pursuant to the terms of this Lease provided that Lessee shall not be thereby released of its duties, obligations or liabilities hereunder.

14. MR'S RIGHT OF FIRST REFUSAL. (a) Lessor hereby grants MR a right of first refusal to purchase the Premises upon the same terms, provisions and conditions as may be contained in any offer for the purchase thereof which Lessor shall be ready and willing to accept at any time during the Term. Lessor shall give MR a full and complete copy of said offer, including all terms, provisions and conditions, and MR shall have 30 days from and after the receipt of such offer to exercise this right of first refusal by giving Lessor written notice of its intent to purchase. If MR does not so notify Lessor within said 30-day period, the sale of the Premises may be consummated, but only on substantially the same terms, provisions and conditions of said offer and to the same party, and subject to the continuation of this Lease. A reduction of the actual selling price by up to 7.5% of the offer price submitted to Lessee shall be deemed substantially the same terms. If such sale is not so consummated within 120 days after receipt by MR of the terms of the offer, the proposed sale shall not be thereafter be consummated without Lessor again submitting to MR the proposed sale as herein provided, as if the proposed sale had not been previously submitted.

(b) This Lease and MR's and Lessee's rights under this Lease shall continue in full force and effect for the balance of the Term following the consummation of any such sale.

(c) MR's right of first refusal shall survive, and continue in full force and effect following, an assignment of this Lease to New Franchisee. MR shall have the right to assign its right of first refusal, before or after MR's exercise thereof, to New Franchisee.

(d) MR's right of first refusal shall not apply to sales or transfers to members of the immediate family of Lessor or Lessor's shareholders, to a different corporation owned or controlled by Lessor or Lessor's shareholders or members of their immediate family, to a partnership comprised of Lessor, Lessor's shareholders or members of their immediate family, or to a trust established by Lessor or Lessor's shareholders and under which members of their immediate family constitute a majority of the beneficiaries.

15. SIGNS AND FIXTURES. (a) Subject to compliance with applicable laws and ordinances, Lessee shall have the right to erect, maintain and operate any type or size of sign or signs on the Premises, provided such signs are related to the Automotive Use.

(b) Lessee shall have the right to install any equipment or fixtures required or desirable in the operation of its business, including roof top antennas and other electronic transmittal and receiving devices, which shall always be deemed personal property subject to repossession for protection of the interests of any conditional sales vendor or equipment lessor or similar lien seller thereof.

(c) Upon the expiration of this Lease, Lessee shall have the right to remove from the Premises any and all signs, equipment, fixtures and other personal property which may have been installed or placed thereon, provided that any damage to the Premises caused by such removal will be repaired by Lessee.

16. LIENS. If any act or omission of Lessee or claim against Lessee results in a lien or claim of lien against Lessor's title, Lessee, within 30 days of receipt of notice thereof, shall arrange for removal of, or a bond over, such lien and shall indemnify and hold Lessor harmless with respect to any such claim. Lessee may contest any such lien at its sole cost and expense.

17. LESSOR'S EXPENDITURES. Upon 15 days prior written notice to Lessee, Lessor may (but need not) in the event of Lessee's failure, omission or inadequate compliance with any of Lessee's

undertakings hereunder, make all expenditures or do such acts and things necessary to fulfill and satisfy any such undertakings. Such expenditures and Lessor's costs in connection therewith shall be at Lessee's expense and shall be payable as additional rent upon the first of the month next following.

18. WAIVER AND CUMULATIVE RIGHTS. No waiver of any breach of this Lease by Lessor or Lessee shall be considered to be a waiver of any other or subsequent breach. All rights and remedies of Lessor and Lessee herein provided or allowed by law shall be cumulative.

19. QUIET ENJOYMENT. Lessor represents and warrants that he is the legal owner of the Premises, that he is legally empowered to execute this Lease, and that: (i) under the zoning laws and all other laws, covenants, restrictions, regulations, ordinances and environmental regulations pertaining to the Premises and the improvements thereon, Lessee may, upon the effective date of this Lease, conduct the Automotive Use on the Premises; and (ii) Lessee, on payment of the rent provided for herein and performance of the undertakings aforesaid, shall and may peacefully and quietly have, hold and enjoy the Premises for the Term with all the rights, privileges and for the uses herein provided.

20. REMEDIES OF LESSOR. (a) If Lessee defaults in the payment of rent or any other financial obligation hereunder and such default continues for 10 days (20 days if MR is Lessee) after Lessor's written notice thereto to Lessee, or if Lessee defaults in the prompt and full performance of any other provision of this Lease and such default by reason of Lessee's neglect or omission continues for 30 days (45 days if MR is Lessee) after Lessor's written notice thereto to Lessee, Lessor may forthwith terminate this Lease and Lessee's right to possession of the Premises and pursue all remedies available pursuant to applicable law; provided, however, that if the default is of such a nature that it is not capable of being totally cured within 30 days (45 days if MR is Lessee), Lessee shall not be deemed to be in default if Lessee has commenced to exercise reasonable diligence to cure the default within 30 days (45 days if MR is Lessee), continues to pursue curing of the default and cures the default as soon thereafter as is reasonably practicable.

(b) If Lessee fails to pay rent or any other financial obligation within 10 days after it is due, Lessor may assess a late charge equal to 10% of the overdue amount.

21. MITIGATION OF DAMAGES. Lessor shall have the duty to mitigate damages in the event of Lessee's default by using reasonable efforts to relet the Premises. Subject to this standard, Lessor may relet the Premises for a term greater or less than the balance of the Term, for other uses, and for rentals greater or less than provided for herein, and may grant concessions. Rentals received by Lessor upon reletting shall first be applied to reasonable brokerage, advertising and legal fees, reasonable expenses incurred by Lessor for repairs and alterations, and other reasonable expenses of reletting incurred by Lessor, and then applied to the rent and other obligations under this Lease.

22. ALTERATIONS. Lessee shall have the right, at its sole cost and expense, to replace or rebuild the improvements on the Premises or to make any alterations, additions and modifications to the Premises (collectively "Alterations"), whether structural and non-structural; provided, however, that any Alterations: shall conform to applicable laws and codes; shall not reduce the size or cubic content of the building; and shall be equivalent in quality to the existing Premises. Prior to commencement of any Alterations, Lessee shall, upon request, provide Lessor copies of all required permits and plans and specifications for the Alterations. The Alterations shall, upon installation, become Lessor's property and shall remain upon and be surrendered with the Premises. Nothing contained herein, however, shall be construed to give Lessor title to, or prevent the removal of, Lessee's trade fixtures and movable furnishing or equipment (including hoists and racking).

23. CONSENT. Where consent is required hereunder, such consent shall not be unreasonably withheld or delayed.

24. MEMORANDUM OF LEASE. Upon the expiration or termination of this Lease, Lessee shall provide Lessor with a release, in recordable form, of any recorded memorandum of this Lease.

25. HAZARDOUS MATERIALS AND SUBSTANCES. (a) Lessor agrees to indemnify, defend and hold harmless Lessee, its subtenants and assignees, and its members, managers, officers, agents, employees, representatives, affiliates, subsidiaries, parents and any and all persons acting by, through, under or in concert with them, or any of them, from and against any and all debts, liens, claims, causes of action, administrative orders and notices, costs (including, without limitation, response and/or remedial costs), personal injuries, losses, damages, liabilities, demands, interest, fines, penalties and expenses, including reasonable attorneys' fees and expenses, consultants' fees and expenses, court costs and all other out-of-pocket expenses, suffered or incurred by Lessee or its subtenants and assignees as a result of any occurrence, matter, condition, presence, discharge, disposal, act or omission involving Environmental Laws (as hereinafter defined) or Hazardous Materials (as hereinafter defined) which arose, originated or occurred during the period Lessor (or any entity owned or controlled by Lessor or its owners) owned fee title to the Premises (up to the Commencement Date) or the period any Lessor Party operated a Midas Shop on the Premises and which failed to comply with Environmental Laws or any common law theory.

(b) Lessee agrees to indemnify, defend and hold harmless Lessor, its shareholders, directors, officers, agents, employees, representatives, affiliates, subsidiaries, parents and any and all persons acting by, through, under or in concert with them, or any of them, from and against any and all debts, liens, claims, causes of action, administrative orders and notices, costs (including, without limitation, response and/or remedial costs), personal injuries, losses, damages, liabilities, demands, interest, fines, penalties and expenses, including reasonable attorneys' fees and expenses, consultants' fees and expenses, court costs and all other out-of-pocket expenses, suffered or incurred by Lessor as a result of any occurrence, matter, condition, act or omission involving Environmental Laws or Hazardous Materials which are caused by Lessee subsequent to the Commencement Date and which failed to comply with Environmental Laws or any common law theory.

This Lease constitutes the entire agreement between the parties regarding the leasing of the Premises and, excepting any obligations or liabilities that survived the termination or expiration of any prior lease, sublease, option or lease assignment (which obligations/liabilities shall continue to survive), supersedes any prior agreements or understandings relating thereto. Notwithstanding the foregoing, in the event that Lessor was disclosed with a Franchise Disclosure Document by Franchisor in conjunction with executing the Option and Shop Lease out of which this Lease arose ("FDD"), then nothing in this Lease is intended to disclaim any representations by Franchisor in such FDD. This Lease may be modified or amended by, and only by, a written instrument executed by Lessor and Lessee.

30. FORCE MAJEURE. The period of time during which Lessor or Lessee is prevented from performing any act required to be performed under this Lease (other than Lessee's direct monetary obligations) or by reason of fire, catastrophe, strikes, lockouts, civil commotion, acts of God, the public enemy, governmental prohibitions or preemptions, embargoes, inability to obtain material or labor by reason of governmental regulations or prohibitions, the act or default of the other party, delays occasioned by the adjustment of any casualty loss, or other events beyond the reasonable control of Lessor or Lessee, as the case may be, shall be added to the time for performance of such act.

32. ENFORCEMENT. Lessor and Lessee agree that they shall pay the reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in any action or proceeding to enforce the provisions of this Lease.

33. SURVIVAL. The rights, remedies and obligations of Lessor and Lessee (including MR, unless otherwise specifically excepted herein) in this Lease shall survive the termination and expiration of this Lease or MR's assignment of this Lease (pursuant to Subsection 13(a)), except that the foregoing shall not be construed to have the effect of preventing Lessor from exercising, after the term of this Lease shall have terminated or expired, all rights available to Lessor as the fee simple titleholder of the Premises prior to execution of this Lease. Notwithstanding the above, Lessee's right of first refusal shall not survive the termination or expiration of this Lease; provided, however, Lessee's right of first refusal (including its full 30 days to exercise such right) shall apply to any offer for the purchase of the Premises which Lessor shall

be ready and willing to accept at any time prior to Lessee giving its Exercise Notice or at any time during the Term.

CONDITIONAL ASSIGNMENT OF LEASE

This Conditional Assignment of Lease (this "CAL") is entered into by and between _____ ("Assignor") and Midas Realty, LLC ("Assignee") on this _____, 20___. In consideration of Midas International, LLC ("Franchisor"), which is an affiliate of Assignee, granting Assignor a franchise to operate a Midas Shop at _____ ("Premises"), pursuant to a franchise agreement ("Franchise Agreement"), Assignor hereby assigns, grants and conveys to Assignee, its nominees, successors or assigns, all of Assignor's right, title and interest, including any security deposit, as tenant, in and to the lease ("Lease") dated _____, for the Premises, wherein _____ ("Lessor") is the landlord, a copy of which is attached hereto and incorporated herein as Exhibit A ("Assignment"). Assignor represents, warrants and covenants that: it is the tenant under the Lease; Exhibit A represents a true and complete copy of the Lease including all attachments and amendments; the Lease is in full force and effect and there is no default under the Lease; and Assignor shall not amend or terminate the Lease without Assignee's advance written consent. Provided, however, the Assignment is subject to the following conditions:

1. The Assignment is conditional and shall become effective and operative ("Triggered") each time any of the following events occurs:

(a) The Franchise Agreement expires or is terminated by either party for any reason, by its terms, by law or by court or arbitrator's order. The term Franchise Agreement shall also include: (i) any extensions of the term of the Franchise Agreement; (ii) any renewal, successor, restated or reinstated Franchise Agreement relating to the Premises; and (iii) in Assignee's sole discretion, an operating agreement or license under which the Midas Shop continues in operation from time to time following the termination or expiration of the Franchise Agreement; or

(b) Assignor defaults, or is alleged to have defaulted, under the Lease. Assignor shall immediately notify Assignee in writing of any default or alleged default by Assignor upon defaulting or receiving a default notice and shall give Assignee a copy of such default notice. Assignor grants Assignee the right to cure any default or alleged default by Assignor; or

(c) Assignor does not exercise a renewal option under the Lease ("Renewal") at least 30 days prior to the deadline for exercising the Renewal or Assignor informs Assignee that Assignor does not intend to exercise the Renewal; provided, however, the Assignment shall not become effective and operational under this subparagraph (c) if: (i) Franchisor had previously given Assignor written approval for relocating the franchise to a specific location; or (ii) Assignor had previously given Assignee written notice that it intends to negotiate a Lease extension on different terms than are applicable to the Renewal and Assignor is, in fact, diligently conducting such negotiations. Assignor authorizes Assignee or Franchisor to inquire of Lessor whether Assignor has exercised a Renewal or is conducting negotiations to extend the Lease or about other matters related to the Lease and Premises.

Notwithstanding anything to the contrary contained herein, an Assignment shall not be considered to be Triggered when the Franchise Agreement is terminated in association with a transfer approved by Franchisor and the transferee executes a new Franchise Agreement with Franchisor and an acknowledgment of this Conditional Assignment of Lease or a new Conditional Assignment of Lease.

2. In the event the Assignment is Triggered and Assignee exercises the Assignment, Assignor shall surrender and deliver possession of the Premises to Assignee upon ten (10) days written notice from Assignee. If Assignor fails to deliver possession within ten (10) days, Assignor agrees that Assignee shall have the right to enter, and take possession of, the Premises without process of law or to commence an action for entry on account of such wrongful withholding of possession or to pursue any other available legal or equitable remedies.

3. Effective upon (and only upon) Assignee's exercise of the Assignment and surrender and delivery of possession of the Premises to Assignee ("Transfer Date"): (i) Assignee shall assume Assignor's obligations under the Lease accruing from and after the Transfer Date; (ii) Assignee shall indemnify and hold Assignor harmless with respect to all obligations under the Lease imposed upon Assignee, as tenant, arising from the Transfer Date until such time as Assignee is no longer the tenant. Without limiting the generality of the foregoing, Assignee shall not assume, or indemnify and hold Assignor harmless from, any monetary, maintenance or repair, environmental, indemnification or other liabilities or claims which arose, accrued or related to acts or omissions occurring prior to the Transfer Date.

4. Assignor hereby agrees to indemnify and hold harmless from, and to immediately reimburse Assignee for, all costs, expenses, damages and claims, including attorneys' fees and costs, incurred by Assignee in enforcing this CAL or in curing Assignor's default or alleged default under the Lease or relating to Assignor's obligations under the Lease.

5. Assignee may at its option exercise or abandon the Assignment each time it is Triggered. Assignee may exercise the Assignment by giving Lessor and Assignor notice in writing served by certified mail, personal delivery or courier service: (i) within thirty (30) days immediately following: (1) the expiration or effective date of the termination of the Franchise Agreement; or (2) receipt by Assignee of a written or emailed notice of default or alleged default by Assignor under the Lease; or (ii) at any time not later than the deadline for exercising a Renewal. In the absence of such exercise by Assignee, neither the Assignment nor the Lease shall be binding on Assignee. Failure of Assignee to exercise the Assignment when Triggered shall not constitute a waiver of Assignee's right to exercise the Assignment any other time it is Triggered.

6. As a material condition hereof, if Assignor or any owner of Assignor or of the Franchisee under the Franchise Agreement acquires legal or equitable title to the Premises, then Assignor shall simultaneously and promptly execute and enter into, or shall cause the titleholder to the Premises to simultaneously and promptly execute and enter into, Assignee's standard option and Shop lease document or whatever other real estate control documents Assignee generally uses at such time.

7. Assignor agrees that the obtaining of Lessor's consent to this CAL, if such consent is, in Assignee's opinion, required, shall be the sole responsibility of Assignor; provided that the lack of Lessor's consent shall not affect the enforceability, or constitute a defense by Assignor to the validity or enforceability, of this CAL or the Assignment.

8. Assignor shall provide Assignee with a legal description of the Premises in recordable form. This CAL or a notice hereof shall be recorded against title to the Premises.

9. The obligations of Assignor under this CAL shall be binding upon Assignor's successors, assigns and sublessees. Any assignment of the Lease or sublease of the Premises by Assignor shall be subject and subordinate to Assignee's rights under this CAL which rights shall not be affected by such assignment or sublease.

10. This CAL and the Assignment and the interest in and rights of Assignee hereunder shall (without further agreement or writing being required) automatically apply to: (i) any exercised Renewal or extension of the term of the Lease; and (ii) any new lease for the Premises entered into by Assignor or the Franchisee (or by any person or entity owning an interest in, or affiliated with, Assignor or the Franchisee) while the Franchise Agreement, including any extension of the franchise relationship thereunder, or any subsequent Franchisor franchise agreement relating to the Premises is in effect ("New Lease"). Assignor agrees to (a) promptly notify Assignee of any exercised Renewal, extension of the term of the Lease or New Lease, (b) provide Assignee a copy of any agreements or notices relating to any exercised Renewal or extension of the term of the Lease and a copy of any New Lease, and (c) sign, upon request, an acknowledgment, in form satisfactory to Assignee, of the applicability of the Assignment to any exercised Renewal, extension of the term of the Lease or New Lease. If the person or entity exercising a Renewal, extending the term of this Lease or entering into a New Lease is not Assignor but is Franchisee or an owner or affiliate of Assignor or Franchisee, Assignor agrees to cause such person or entity to perform the obligations in parts (a), (b) and (c) of this paragraph.

11. In the event the Assignment is Triggered and Assignee exercises the Assignment, Assignee shall have the right, without the consent of Lessor, to sublet all or any part of the Premises to a Midas franchisee.

12. Notices hereunder shall be in writing and sent: to Assignor at the Premises or Assignor's business office or home address; to Lessor at the address(s) specified in the Lease for notices or rent payment or at its business office; and to Assignee at 4300 TBC Way, Palm Beach Gardens, Florida 33410.

In witness whereof, the parties have executed this CAL.

- A. In the event that road hazard plans have been sold but not paid for due to rejection of your credit card, failure to fund your designated EFT account, failure to provide correct information for payment, or refusal to pay, or due to your failure to process the sales through the System, Sonsio will do one or more of the following:

This Tire Road Hazard Program ("Road Hazard Program") is offered by the selling dealer and is administered by Sonsio Management, Inc. ("Administrator").

WHAT IS COVERED: This Road Hazard Program is limited to the repair or replacement of Eligible Tires damaged as a result of a road hazard. Eligible Tire(s) are defined as: (i) the tires listed clearly on your original purchase invoice by brand, type, and size and Department of Transportation ("DOT") numbers, (ii) for which you purchased a Road Hazard Program from the selling dealer for each tire you desired covered, and (iii) for which a Road Hazard Registration Number for each tire is identified on the Program Certificate listing your first and last name and original tire purchase invoice number. The Seller of this Road Hazard Program is identified by name and address on your original purchase invoice, which is attached to and made a part of this Contract.

WHAT IS COVERED: This Road Hazard Program is limited to the repair or replacement of Eligible Tires damaged as a result of a road hazard. Eligible Tire(s) are defined as: (i) the tires listed clearly on your original purchase invoice by brand, type, and size and Department of Transportation ("DOT") numbers, (ii) for which you purchased a Road Hazard Program from the selling dealer for each tire you desired covered, and (iii) for which a Road Hazard Registration Number for each tire is identified on the Program Certificate listing your first and last name and original tire purchase invoice number. Attach the Program Certificate to your original tire purchase invoice; both are required and must be presented when submitting claims for reimbursement.

TERM OF COVERAGE: This Road Hazard Program covers Eligible Tires for a term of 12 months from the Road Hazard Program purchase date printed on your Program Certificate, or until any part of the tire tread that comes in contact with the road has a tread depth of 2/32" or less, whichever occurs first ("Coverage Term").

WHAT IS ROAD HAZARD DAMAGE? Road hazard damage occurs when a tire fails during the course of driving in a legal manner on a road maintained by state or local authority. Nails, glass and potholes are the most common examples of road hazards.

WHAT ARE THE BENEFITS? This Road Hazard Program provides reimbursement as defined below for flat tire repair and/or tire replacement, up to the original purchase price of the tire or the replacement tire price, whichever is less, not to exceed a maximum of \$399.99 ("Benefit Limit") during the Coverage Term, when an eligible tire is damaged by a road hazard.

EXHIBIT J

**RESERVED
FOR FUTURE USE**

**ADDITIONAL DISCLOSURES FOR THE
MULTISTATE FRANCHISE DISCLOSURE DOCUMENT OF
MIDAS INTERNATIONAL, LLC**

The following are additional disclosures for the Multistate Franchise Disclosure Document of Midas International, LLC required by various state franchise laws. A particular state's disclosures only apply if you are covered by that state's franchise law.

CALIFORNIA

1. The following paragraph is added at the end of Item 3 of the Disclosure Document:

Except as disclosed above, neither we nor any person identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, 15 U.S.C.A. Section 78a et seq., suspending or expelling such person from membership in such association or exchange.

2. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

3. OUR WEBSITES, www.midas.com and www.midasfranchise.com, HAVE NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

4. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

California Law Regarding Termination, Nonrenewal, and Transfer. California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning termination, nonrenewal, or transfer of the franchise. If the Franchise Agreement contains any provision that is inconsistent with the law, and the law applies, then the law will control.

Termination Upon Bankruptcy. The Franchise Agreement provides for termination upon bankruptcy. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.)

Covenant not to Compete. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Arbitration. The Franchise Agreement requires binding arbitration. The arbitration will occur in Palm Beach Gardens, Florida, with the costs being borne as the arbitrator determines. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provision of Franchise Agreement restricting venue to a forum outside the State of California.

Material Modification. California Corporations Code, Section 31125 requires the franchisor to give the franchisee a disclosure document, approved by the Department of Financial Protection and Innovation, prior to a solicitation of a proposed material modification of an existing franchise.

Releases. The Franchise Agreement requires you to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 might void a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000 – 31516). Business and Professions Code Section 20010 might void a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).

5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ILLINOIS

1. The “Summary” section of Item 17(v) of the Franchise Agreement chart in the Disclosure Document is deleted and replaced with the following:

Subject to arbitration requirements, all actions must be in Florida.

2. The “Summary” section of Item 17(w) of the Franchise Agreement chart in the Disclosure Document is deleted and replaced with the following:

Except for Federal Arbitration Act and other federal law, Illinois law governs.

3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MARYLAND

1. The “Summary” sections of Items 17(c) and 17(m) of the Franchise Agreement chart in the Disclosure Document are amended by adding the following:

Any general releases you sign as a condition of renewal and/or assignment/transfer will not apply to claims arising under the Maryland Franchise Registration and Disclosure Law.

2. The “Summary” section of Item 17(h) of the Franchise Agreement chart in the Disclosure Document is amended by adding the following:

The agreement provides for termination upon bankruptcy. This provision might not be enforceable under federal bankruptcy law (11 U.S.C. Sections 101 et seq.), but we and you agree to enforce it to the extent the law allows.

3. The “Summary” section of Item 17(v) of the Franchise Agreement chart in the Disclosure Document is amended by adding the following:

You may, subject to your arbitration obligation, bring an action in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

4. The “Summary” section of Item 17(w) of the Franchise Agreement chart in the Disclosure Document is deleted and replaced with the following:

Except for Federal Arbitration Act, other federal law, and as otherwise required by applicable law for claims arising under the Maryland Franchise Registration and Disclosure Law, the laws of the State of Delaware govern.

5. The following language is added to the end of Item 17 of the Disclosure Document:

Despite any contradicting provision in the Franchise Agreement, you have 3 years from the date on which we grant you the franchise to bring a claim under the Maryland Franchise Registration and Disclosure Law.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MINNESOTA

1. The following paragraph is added at the end of Item 13 of the Disclosure Document:

Provided you have complied with all provisions of the Franchise Agreement applicable to the Marks, we will protect your rights to use the Marks and we also will indemnify you from any loss, costs or expenses arising out of any claims, suits or demands regarding your use of the Marks, in accordance with Minn. Stat. Sec. 80C.12, Subd. 1(g).

Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce any of franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Any release as a condition of renewal and/or assignment/transfer will not apply to the extent prohibited by applicable law for claims arising under Minn. Rule 2860.4400D.

C. 4. The following statement is added at the end of Item 5:

5. The following statement is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), titled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued hereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

8. The following statement is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17.w, titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon either us or you by Article 33 of the General Business Law of the State of New York. (The foregoing language has been included in this Disclosure Document as a condition of registration. We and you do not agree with the above language and believe that each of the provisions of the Franchise Agreement, including all choice of law provisions, are fully enforceable. We and you intend to fully enforce all of the provisions of the Franchise Agreement and all other documents signed by us, including but not limited to, all venue, choice-of-law, arbitration provisions and other dispute avoidance and resolution provisions and to rely on federal pre-emption under the Federal Arbitration Act.)

9. Franchise Questionnaires and Acknowledgements. WE REPRESENT THAT THIS DISCLOSURE DOCUMENT DOES NOT KNOWINGLY OMIT ANY MATERIAL FACT OR CONTAIN ANY UNTRUE STATEMENT OF A MATERIAL FACT.

NORTH DAKOTA

1. The North Dakota Securities Commissioner has held the following to be unfair, unjust or inequitable to North Dakota franchisees:

A. Restrictive Covenants: Franchise Disclosure Documents which disclose the existence of covenants restricting competition contrary to Section 9-08-06, N.D.C.C., without further disclosing that such covenants will be subject to this statute.

B. Situs of Arbitration Proceedings: Franchise agreements providing that the parties must agree to the arbitration of disputes at a location that is remote from the site of the franchisee's business.

C. Restrictions on Forum: Requiring North Dakota franchisees to consent to the jurisdiction of courts outside of North Dakota.

D. Liquidated Damages and Termination Penalties: Requiring North Dakota franchisees to consent to liquidated damages or termination penalties.

E. Applicable Laws: Franchise agreements which specify that they are to be governed by the laws of a state other than North Dakota.

F. Waiver of Trial by Jury: Requiring North Dakota franchisees to consent to the waiver of a trial by jury.

G. Waiver of Exemplary & Punitive Damages: Requiring North Dakota franchisees to consent to a waiver of exemplary and punitive damages.

H. General Release: Franchise agreements that require the franchisee to sign a general release upon renewal of the franchise agreement.

I. Limitation of Claims: Franchise agreements that require the franchisee to consent to a limitation of claims. The statute of limitations under North Dakota law applies.

VIRGINIA

1. The “Summary” section of Item 17(h) of Franchise Agreement chart in the Disclosure Document is amended by adding the following:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW, will prevail.

2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

5. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any

provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. The following language is added to the end of the section titled “Competition and Industry Specific Laws” in Item 1 of the Disclosure Document and the section titled “Franchise Referral Program” in Item 5 of the Disclosure Document:

Franchisees who receive financial incentives to refer franchise prospects to us may be required to register as franchise brokers under the laws of Washington State.

**RIDER TO THE
FRANCHISE AGREEMENT, FRANCHISE APPLICANT
QUESTIONNAIRE, AND RELATED AGREEMENTS
FOR USE IN WASHINGTON**

THIS RIDER (this “Rider”) is made as of _____, 20__ , by and among MIDAS INTERNATIONAL, LLC, a Delaware limited liability company (“Midas”) and _____, a(n) _____ (hereinafter referred to as “Franchisee”). Midas is hereinafter referred to as “Franchisor.”

1. Background. Franchisor and Franchisee are parties to that certain Franchise Agreement that has been signed concurrently with the signing of this Rider (the “**Franchise Agreement**”). This Rider is annexed to and forms part of the Franchise Agreement. This Rider is being signed because (a) the offer or sale of the franchise for the Midas Shop that Franchisee will operate under the Franchise Agreement was made in the State of Washington, (b) Franchisee is a resident of Washington, and/or (c) the Midas Shop will be located or operated in the State of Washington.

2. Addition of Paragraphs. The following paragraphs are added to the end of the Franchise Agreement:

In recognition of the requirements of the Washington Franchise Investment Protection Act (the “Act”) and the rules and regulations promulgated thereunder, the Franchise Agreement of Midas International, LLC shall be modified as follows:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned does hereby acknowledge receipt of this Rider.

IN WITNESS WHEREOF, the parties have executed and delivered this Rider effective on the date stated on the first page.
