What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration.

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibits C and D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Ohio. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Ohio than in your own state.

2. **Limited Operating History.** The Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

5. **High Turn Over.** During the last 3 years, a large number of franchised outlets (11) were terminated, re-acquired, or ceased operations for other reasons. The franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.

6. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ADDENDUM TO ITK9 FRANCHISE, LLC
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchise's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;
 - (iii) The unwillingness of the proposed transferee to agree in writing

to comply with all lawful obligations; (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Your costs may vary depending on your management skill, experience and business acumen, local economic conditions, whether you already have some of the items described in this Item, and your actual sales.

All expenses paid to us or our affiliates are non-refundable. Whether amounts paid to third parties are refundable would depend on their policies.

In formulating these estimates, we have relied on our officers' and directors' experience in operating a business like the Franchised Business. You should review these figures with a business advisor before making any decision to purchase a franchise. We have not included estimated initial expenses for the leasing of office or retail space because you would normally work from home and vehicle.

In the year ending December 31, 2022, we spent 100% of the Local Advertising/Search Engine Optimization Fees we collected on local advertising and search engine optimization.

If all Brand Fund monies are not spent in the fiscal year in which they accrue, we will carry over those fees and apply them to the next fiscal year.

Brand Fund monies may be used to solicit new franchise sales. (Franchise Agreement, Section 12.6).

Website

You are not permitted to have your own website but will be allowed to have a subdomain page pursuant to our guidelines and subject to our approval.

You are permitted to have and maintain private and public-facing Facebook pages and groups of which the franchisor creates and maintains ownership. In addition, a Google Business Profile will be created and owned by the franchisor, but maintained by franchisee.

Advertising Council & Advertising Cooperative

There is currently no council composed of franchisees that advises us on advertising or marketing policies. You are not required to participate in any local or regional advertising cooperatives.

Computer Requirements

You will need either a desktop or laptop computer, plus a smartphone and/or an iPad/Tablet and a credit card reader. The initial cost of purchasing these computers and related equipment will range from \$200 to \$2,500. The cost will be on the lower end of the range if you already own suitable equipment.

You will need those software programs that are typically included in a standard suite of office software (including email, word processing, a web browser and other programs).

Neither we nor our affiliates or any third party have any obligation to provide ongoing maintenance, repairs, upgrades or updates to that software or hardware. You must maintain your computer systems in good working order and must replace, update or upgrade your hardware systems as we require. There are no contractual limitations regarding the frequency or costs of required upgrades or updates relating to the computer system. The estimated annual cost of optional or required maintenance, updating, upgrading, or support contracts to your computer systems is approximately \$1,000.

We have established a proprietary operating system which you will be required to use unless otherwise approved by us in writing. You will also be required to use our standard accounting and budgeting software, and the chart of accounts we require to operate the Franchised Business. You must update and maintain your budget on a monthly basis.

We will have independent access to all customer, operational, and financial information stored in any software provided by an approved supplier and there are no contractual limitations on our right to access this data. We reserve the right to review your profit and loss statement(s) at any time but will do so at least once a year. Franchisee shall furnish such financial statements within ten (10) business days of our request, or shall be in default of the Franchise Agreement

Customer Database

You will create and maintain a customer database from the leads generated by both the efforts of you and us. You may use this database for as long as you are a franchisee with The Dog Wizard, but this database and all the contact information therein remains the property of The Dog Wizard. If you cease to be a Dog Wizard franchisee for whatever reason, effective as of the termination date, you will cease to have access to the database and all contacts in the database. Further, you may not make duplicate copies of this database for use in the event you cease being a Dog Wizard franchisee. We will vigorously uphold this position to the extent that the law permits.

The In-Person/On-Site dog training portion will be approximately 8 hours per day for 18 days covering the topics below. We reserve the right to customize your training program based on your prior dog training experience, which may include a shorter training program.

The initial training program is conducted on a regularly scheduled basis with dates provided allowing ample lead-time for your planning and attendance. Unless otherwise agreed to in writing by us, your attendance will begin within 2 months after signing your Franchise Agreement and be completed no later than 6 months after signing your Franchise Agreement.

The instructional materials used in the training program include the Manual and online learning modules. We require any certified Expert Dog Wizard Trainer to have a minimum of one year of experience in the field or with us.

We require that you, or the manager you appoint who will be operating the business day-to day, to attend the initial business training to learn the basic aspects of how to operate the Franchised Business. There is no fee for this training. We also require that you, or a lead trainer that you may designate who will be training dogs, attend our dog training program before operating the Franchised Business. You must pay our current training fee of \$8,000 for one person to attend our Initial Advanced Dog Training Program. If you decide to send additional trainers concurrently to our Initial Advanced Dog Training you will pay \$16,000 for two attendees and \$24,000 for three attendees. All staff who provide or assist with dog training services must successfully complete a dog training program to our satisfaction. For those persons(s) you send to training, you will be responsible for any travel and living expenses (including hotel accommodations).

If, at the end of training, we feel that you are not at a satisfactory level to train dogs and operate your Franchised Business, we may require you to continue training at your expense by paying an

Additional Dog Training Fee at the rate of \$500 per week to get you to a satisfactory level of dog training and operating your business. The topics covered during the follow-up dog training are identified in the chart below.

ITEM 12
TERRITORY

The Franchise Agreement grants you the right to own and operate a THE DOG WIZARD Franchised Business within a defined geographic area (the “**Territory**”). The Territory will be defined by a map and a list of contiguous ZIP Codes as described in Schedule 2 to the Franchise Agreement. Any requested exceptions to this congruency will be decided by us and at our sole discretion. The border of the Territory on the approved map is the final determination of your territory. If the ZIP Codes are moved or altered by the U.S. Postal Service. We have the right to re-define the boundaries of the Territory to correspond as closely as possible to the territorial border defined in your approved map. Our decision on this matter will be final.

The ZIP Codes that comprise the Territory are intended to serve a minimum population of 200,000-225,000 people. The population will be determined using extrapolated U.S. Census figures and business mapping software designated by us. The population size of your Territory will be determined prior to the execution of your Franchise Agreement.

Your Franchise Agreement does not give you any option, right of first refusal, or similar right to acquire additional franchises or territories, except if you choose to execute the Multi-Territory Developer Addendum (“MTDA”), you will develop, open and operate multiple territories within

a defined Development Area (the “Development Area”). We determine the Development Area using the same criteria that we use in deciding the Territory for a Franchised Business

Our approval of your location within the Territory, or Development Area, is not generally required. The Franchised Business and any additional territories are intended to be operated from your home or a designated trainer’s home. The location where you train any dogs must be within the territory, be able to house dogs and have a safe fenced in area. You may relocate the Franchised Business within your Territory without our approval so long as the location meets the above requirements. You will need our written permission if you want to move your location outside of your Territory, which such permission may require you to purchase additional zip code(s) contiguous to the original Territory that you purchased.

If you wish to establish a retail or commercial location for your Franchised Business, you must first obtain our written permission. Any new facility you open or use to operate the Franchised Business must utilize The Dog Wizard branding and graphics in a manner approved by us to ensure consistency with our branding requirements. We may grant an exception to you if you have previously operated a daycare and boarding facility under another brand name. We may also require other criteria relevant to the operation of your Franchised Business in a fixed retail or commercial location.

You will receive an exclusive territory, meaning a geographic area within which we will not establish either a company-owned or franchised outlet selling dog training services under the same Marks. Continuation of territory exclusivity depends on your ability to achieve a certain sales volume. Specifically, if after operating 24 months you generate revenue that is less than \$8,333 per month for 6 or more consecutive months, and your trailing 12-month average is less than \$100,000 in revenue, we reserve the right to terminate your Franchise Agreement.

We or an affiliate reserve the right to (a) use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using the Marks; (b) use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks other than the Marks you will use to operate your Franchised Business; (c) establish or operate, or license to others the right to establish and operate businesses that offer other products and services, such as dog daycare and boarding business using the Marks within your territory; (d) acquire or operate dog training businesses operating under trademarks other than the Marks in the Territory, which may compete directly with the Franchised Business; (e) establish or operate, or license to others the right to establish and operate, dog training businesses under the System and the Marks at any location outside of the Territory, regardless of proximity to the Territory; and (f) conduct marketing and promotional activities in the Territory.

We are not required to compensate you for soliciting or accepting orders from inside your Territory.

You may solicit customers only from inside your territory, and may not do so within the territory of another Dog Wizard franchisee. However, you may solicit customers outside your territory only if the geography in which you solicit does not conflict with the Territory owned by another

Dog Wizard franchisee. All dog training services must be conducted within your Territory. Solicitation may include other channels of distribution such as the Internet, catalog sales, telemarketing, or other direct marketing.

All of your advertising and marketing is subject to our approval of both form and content (see Item 11) and any marketing and promotion occurring outside the Territory must be submitted to us for approval, and we may withhold permission at our sole discretion.

We do not currently operate, franchise or have plans to operate or franchise a business under a different trademark to sell goods or services similar to those that you will offer.

We reserve all rights not specifically granted to you.

ITEM 13 TRADEMARKS

We grant you the right to operate a Franchised Business under the name “The Dog Wizard.” The franchise agreement licenses to you the right to use the following principal trademarks (“Marks”) registered or applied for with the U.S. Patent and Trademark Office (“USPTO”):

Description of Mark	Principal or Supplemental Register of the USPTO	Registration Number	Registration Date
The Dog Wizard	Principal	6033749	April 14, 2020
	Principal	6032788	April 14, 2020

You must follow our requirements when you use the Marks. You must use only the Marks that we designate, and you may use them only in the manner we authorize. You may not use the Marks as part of your corporate or other legal name.

During the term of the Franchise Agreement and any renewal or extension, you must conspicuously identify yourself as the owner of the Franchised Business in conjunction with your use of the Marks whenever you use the Marks, including on invoices, order forms, receipts, business stationery, contracts with all third parties or entities, and on certain displays as we designate. You must not use the Marks to incur any obligation on our behalf. You must comply with our instructions in filing any required trade name or fictitious name registration (sometimes

called “d/b/a” filings). You must sign all documents which we deem necessary to protect the Marks or to maintain their continued validity and enforceability. You must not attempt to register or otherwise obtain any Internet domain name or URL containing any of the Marks or any other word, name, symbol or device likely to cause confusion with any of the Marks.

We have filed all required affidavits and renewals.

There are currently no effective determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or any court; or any pending infringement, opposition, or cancellation proceeding in which we unsuccessfully sought to prevent registration of a trademark in order to protect a trademark licensed by the franchisor. There are no pending material federal or state court litigation regarding our use or ownership rights in a trademark

ITK9 Company, LLC, an Ohio Limited Liability Company, owns the trademarks listed in the chart above and licenses them to us pursuant to a written License Agreement dated January 1, 2020. The License Agreement is perpetual in duration and may be terminated upon a material breach not remedied after 30 days’ written notice. If the License Agreement was terminated, you could lose the right to use the trademarks licensed to us under the License Agreement. There are no other currently effective agreements that significantly limit our rights to use or license the use of our trademarks listed in this section.

If you learn of any claim against you for alleged infringement, unfair competition, or similar claims about the Marks, you must promptly notify us. We are not required to take affirmative action when notified of these uses or claims.

We have the sole right to control any administrative proceedings or litigation involving a trademark licensed by us to you. The Franchise Agreement does not require us to participate in your defense or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a trademark licensed by us to you or if the proceeding is resolved unfavorably to you.

If we discontinue or modify our Marks, you must adopt and use any new marks as required by us. Any expenses you incur because of adopting and using these marks are your responsibility.

We have learned of a business operating under the name “Dogs Wizard” in or around Matthews, NC that offers dog grooming services, which may be an infringement of our mark, we have notified the entity of their potential infringement.

Other than as disclosed above, we do not know of any superior prior rights or infringing uses that could materially affect your use of our Marks anywhere.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the Franchised Business. No pending patent applications are material to the Franchised Business.

We claim copyrights in the Manual and in our marketing and advertising materials. We have not registered these copyrights with the United States Registrar of Copyrights. You may use these items only with our permission. You must stop using any of these materials if we tell you to stop using them or if your Franchise Agreement is no longer in effect.

There are currently no effective determinations of the Copyright Office (Library of Congress) or any court regarding the copyrighted materials. No agreement significantly limits our right to use or allow others to use the copyrighted materials. We do not know of any infringing uses which could materially affect your use of the copyrighted materials in any state. We can control any action involving the copyrights. You must promptly notify us of any suspected unauthorized use of the copyrighted materials, any challenge to the validity of the copyrights or any challenge to our right to use or license others to use the copyrights. We may take action against these potentially infringing uses by others, but we are not required to do so. We will defend you against any third-party claim arising out of your use of the copyrights. If we determine that you have used the copyrights properly, we will pay for the defense. If we determine that you have used the copyrights in a manner not allowed by the Franchise Agreement, you must pay for the defense.

The Manual and other materials contain our confidential, proprietary, and trade secret information. This information includes business methods, pricing techniques, specifications, standards, procedures, and other techniques used in developing and operating the Franchised Business.

ITEM 15

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a Franchisor to provide information about the actual or potential financial performance of its Franchise and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Exhibits 1 and 2 below show average figures based on operating outlets that are divided into three different cohorts, A, B & C. Cohort A is defined as those outlets that have 1 to 2 dog trainers, Cohort B is those outlets that have 3 to 5 trainers and Cohort C is outlets that have 6 or more trainers working for the outlet on a full-time basis. Based on this definition, there are 14 outlets that comprise Cohort A, 12 outlets that comprise Cohort B, and 3 outlets that comprise Cohort C. Of the 35 total outlets that operated in 2022, only 29 outlets operated for the full calendar year 2022. Four outlets were not included in the data set because they did not operate for the full calendar year. Cohort B includes an outlet with three contiguous territories reporting as a single outlet.

*Mobile only Training group had its key Trainer on leave for 5 months due to health issues, and this W-2 employee received full pay during this time though was unable to sell or train dogs. This resulted in a both a revenue reduction and increased labor expense for 2022.

**Mobile and Facility-based Training Business Median is reflective of the high of the two outlets of this group.

Notes:

Note 1 – Average Total Gross Revenue is defined as all monies received in connection with the operation of the Franchised Business from the sale of any authorized products or services under, using or in connection with our Marks. The figure does not include any refunds, discounts made to clients or sales, excise or other taxes that are separately stated and that you are required by law to collect from clients and pay to any governmental tax authority. Tips and gratuities are not included in calculating Average Total Gross Revenue. Some of the outlets’ reported gross revenue includes revenue from dog boarding; however, this only applies to revenue obtained from dogs that are boarded as a part of the training process. Therefore, revenues from strictly boarding are not included in the figure.

Below we provide the high/low and number/percentage of outlets that achieved or surpassed the Average Gross Revenue figures provided above, for each cohort.

Average Total Expenses include owner wage, distributions or expenses not typical to the franchised business. Average Total Expenses do not include income taxes, depreciation, or amortization.

Royalties and brand fund fees paid by franchisees were normalized to reflect the royalties and brand fund fees you would pay as a franchisee. The actual royalties and brand fund fees paid may have been different than reflected in the tables.

Note 3 – Average Net Profit is defined as Average Total Gross Revenue minus total actual franchisee expenses plus owner wages, distributions, and expenses not typical in operating the franchised business.

FRANCHISE AGREEMENT

A. We have developed distinctive and proprietary systems for establishing and operating dog training businesses, as the result of the expenditure of time, skill, effort, and money, (collectively, the “**System**”).

B. The distinguishing characteristics of the System include business processes, trade secrets, customer lists, knowledge, know-how, trade names, service marks, trademarks, logos, emblems, trade dress, dog training techniques and programs and other intellectual property; distinctive signage; standards and specifications for services, products, supplies, appearance, operations and management control; safety standards; training and assistance; purchasing programs; and advertising, marketing, promotional and sales programs; all of which may be changed, discontinued, improved, modified and further developed by us from time to time.

C. The System is identified by certain trade names, service marks, trademarks, logos, emblems, trade dress and indicia of origin, including the mark “THE DOG WIZARD,” as we specify from time to time (the “**Marks**”).

D. We offer franchises for the operation of dog training businesses under the System and using the Marks (the “**Franchised Business**”); and you desire to operate one of these businesses and to receive the training and other assistance provided by us.

E. The value of the System and the Marks is based on (1) the maintenance of high quality with regard to the products and services offered through the Franchised Business, (2) the high quality standards of the individual Franchised Businesses, (3) the use of distinctive trademarks, service marks, and advertising representing high quality products and services, (4) strict adherence to our high standards in order to maintain and enhance the public acceptance of the System and the Marks (5) the processes and procedures designed to obtain and maintain a strong customer base, and (6) the training and management of personnel.

F. You understand and acknowledge the importance of our high standards of quality, consistency, appearance, and service and the necessity of operating the Franchised Business in conformity with our standards and specifications.

Understanding these assumptions, the parties agree as follows:

1. GRANT

1.1. **License.** We grant to you the right, and you undertake the obligation, upon the terms and conditions of this Agreement: (a) to establish and operate a Franchised Business; (b) to use the Marks and the System solely in connection therewith; and (c) to use, solely in connection with the operation of the Franchised Business, certain business processes, trade secrets, customer lists, knowledge, know-how, and other intellectual property identified by us from time to time. You must not perform dog training services at any location outside of the Territory (as defined in Section 1.2, below) without our written permission, which may be withheld for any or no reason.

1.2. **Territory.** The Territory will be defined by a map and a list of contiguous ZIP Codes as described in Schedule 2 to the Franchise Agreement. Any requested exceptions to this congruency will be decided by us and at our sole discretion. The border of the Territory on the approved map is the final determination of your territory. If the ZIP Codes are moved or altered by the U.S. Postal Service. We have the right to re-define the boundaries of the Territory to correspond as closely as possible to the territorial border defined in your approved map. Our decision on this matter will be final.

The ZIP Codes that comprise the Territory are intended to serve a minimum population of 200,000-225,000 people. The population will be determined using extrapolated U.S. Census figures and business mapping software designated by us.

We do not give you any option, right of first refusal, or similar right to acquire additional franchises or territories, except if you choose to execute the Multi-Territory Developer Addendum (“MTDA”), you will develop, open and operate multiple territories within a defined Development Area (the “Development Area”). We determine the Development Area using the same criteria that we use in deciding the Territory for a Franchised Business

Our approval of your location within the Territory, or Development Area, is not generally required. The Franchised Business and any additional territories are intended to be operated from your home or a designated trainer’s home. The location where you train any dogs must be within the territory, be able to house dogs and have a safe fenced in area. You may relocate the Franchised Business within your Territory without our approval so long at the location meets the above requirements. You will need our written permission if you want to move your location outside of your Territory, which such permission may require you to purchase additional zip code(s) contiguous to the original Territory that you purchased.

If you wish to establish a retail or commercial location for your Franchised Business, you must first obtain our written permission. Any new facility you open or use to operate the Franchised Business must utilize The Dog Wizard branding and graphics in a manner approved by us to ensure consistency with our branding requirements. We may grant an exception to you if you have previously operated a daycare and boarding facility under another brand name. We may also require other criteria relevant to the operation of your Franchised Business in a fixed retail or commercial location.

You will receive an exclusive territory, meaning a geographic area within which we will not establish either a company-owned or franchised outlet selling dog training services under the same Marks. Continuation of territory exclusivity depends on your ability to achieve a certain sales volume. Specifically, if after operating 24 months you generate revenue that is less than \$8,333 per month for 6 or more consecutive months, and your trailing 12-month average is less than \$100,000 in revenue, we reserve the right to terminate your Franchise Agreement.

We or an affiliate reserve the right to (a) use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using the Marks; (b) use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory of products or services under trademarks other than the Marks you will use to operate your Franchised Business;

(c) establish or operate, or license to others the right to establish and operate businesses that offer other products and services, such as dog daycare and boarding business using the Marks within your territory; (d) acquire or operate dog training businesses operating under trademarks other than the Marks in the Territory, which may compete directly with the Franchised Business; (e) establish or operate, or license to others the right to establish and operate, dog training businesses under the System and the Marks at any location outside of the Territory, regardless of proximity to the Territory; and (f) conduct marketing and promotional activities in the Territory.

We are not required to compensate you for soliciting or accepting orders from inside your Territory.

You may solicit customers only from inside your territory, and may not do so within the territory of another Dog Wizard franchisee. However, you may solicit customers outside your territory only if the geography in which you solicit does not conflict with the Territory owned by another Dog Wizard franchisee. All dog training services must be conducted within your Territory. Solicitation may include other channels of distribution such as the Internet, catalog sales, telemarketing, or other direct marketing.

We reserve all rights not specifically granted to you.

1.3. **Modification of the System.** You acknowledge that the System may be changed, supplemented, improved, and otherwise modified from time to time by us, and you agree to comply with all of our requirements in that regard, including purchasing, offering, promoting and selling new or different products or services as we specify.

Such transfers, including transfers by devise or inheritance, will be subject to the conditions in Section 14.3. In the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section 14.3, the executor, administrator, or personal representative of the decedent must transfer the decedent's interest to another party approved by us within a reasonable time, which disposition will be subject to all the terms and conditions for transfers contained in this Agreement. If the interest is not disposed of within a reasonable time, we may terminate this Agreement, pursuant to Section 15.2.6 hereof. Any transfer subject to this section which is made in accordance with a succession plan approved in advance by us will be deemed approved for the purposes of this Section 14.5.1. We will not unreasonably withhold any approvals required by this Section 14.5;

14.5.2. We will have the right to take such steps as are necessary to manage the Franchised Business for your account until such time as a transfer can be completed pursuant to Section 14.5.1. 15.2.4. If a threat or danger to public health or safety or to the health or safety of any animal under your supervision or care results from your operation of the Franchised Business;

15.2.5. If any purported assignment or transfer of any direct or indirect interest in this Agreement, in you (if you are not an individual), or in all or substantially all of the assets of the Franchised Business is made to any third party without our prior written consent, contrary to the terms of Section 14;

15.2.6. If an approved transfer is not effected within the time provided following death or mental incapacity;

15.2.7. If you fail to comply with the covenants in Section 17.2 or fail to obtain execution of the covenants required under Sections 8.2, 9.2 or 17.6;

15.2.8. If, contrary to the terms of Sections 8 or 9, you disclose or divulge the contents of the Manual or other Confidential Information provided to you;

15.2.9. If you misuse or make any unauthorized use of the Marks or any other identifying characteristics of the System, fail to adhere to our guidelines regarding use and display of your name and the Marks, or otherwise materially impair the goodwill associated therewith or our rights therein;

15.2.10. If you refuse to permit us to inspect the Franchised Business or your books, records, or accounts upon demand;

15.2.11. If you, upon receiving a notice of default fail to initiate immediately a remedy to cure such default; or

15.2.12. If you commit three or more breaches of this Agreement in any twelve (12) month period, whether or not any such default is cured after notice.

15.3. **Termination with Notice and Opportunity to Cure.** Except as otherwise provided in Sections 15.1 and 15.2 of this Agreement, you will have thirty (30) days after your receipt from us of a written notice of default within which to remedy any default under this Agreement and to provide evidence thereof to us, or there is a 90-day cure period for failure to meet Minimum Requirements. You may avoid termination by immediately initiating a remedy to cure such default and curing it to our satisfaction within the thirty-day period, and by promptly providing proof thereof to us. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement will terminate without further notice to you, effective immediately upon the expiration of the thirty-day period or such longer period as applicable law may require. You will be in default pursuant to this Section 15.3 for failure substantially to comply with any of the requirements imposed by this Agreement, as it may from time to time reasonably be supplemented by the Manual, or failure to carry out the terms of this Agreement in good faith.

16. OBLIGATIONS UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted hereunder to you will terminate immediately, and:

16.1. You must immediately cease to, and must not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of ours.

16.2. You must immediately and permanently stop using, in any manner whatsoever, any confidential methods, procedures, and techniques associated with the System; the Proprietary Programs; the Mark “THE DOG WIZARD” and all other Marks and distinctive forms, slogans, signs, symbols, and devices associated with the System. In particular, you must stop using all telephone numbers, signs, advertising materials, websites or web pages, displays, stationery, forms, products, and any other articles which display the Marks.

16.3. You must take such action as may be necessary to cancel any assumed name registration or equivalent registration obtained by you which contains the mark “THE DOG WIZARD” or any other Marks, and you must furnish us with evidence satisfactory to us of compliance with this obligation within five (5) days after termination or expiration of this Agreement.

16.4. You agree, if you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy, or colorable imitation of the Marks, either in connection with such other business or the promotion thereof, which, in our sole discretion, is likely to cause confusion, mistake, or deception, or which, in our sole opinion, is likely to dilute our rights in and to the Marks. You further agree not to utilize any designation of origin or description or representation which, in our sole opinion, falsely suggests or represents an association or connection with us.

16.5. You must promptly pay all sums owing to us and our affiliates, including any Early Termination Fee required by Section 4.4. In the event of termination for any default by you, such sums will include all damages, costs, and expenses, including reasonable attorneys’ fees, incurred by us as a result of the default.

16.6. You must immediately deliver to us the Manual and all other records, correspondence, and instructions containing confidential information relating to the operation of the Franchised Business, all of which are acknowledged to be our property, and may retain no copy or record of any of the foregoing, with the exception of your copy of this Agreement, any correspondence between the parties, and any of the documents which you reasonably need for compliance with any provision of law.

17. COVENANTS

17.1. **Best Efforts.** You covenant that, during the term of this Agreement, except as otherwise approved in writing by us, you must devote your full time and best efforts to the management and operation of the Franchised Business.

17.2. Non-Compete And No Solicitation.

17.2.1. **Non-Compete In-Term.** You will not, during the Term of this Agreement, in the United States or its territories, directly or indirectly, offer or engage in dog training services except in the provision of such services through the Franchised Business.

17.2.2. Non-Compete Post-Term. You will not, for a period of two years after the termination (for any reason), assignment by you, or expiration of this Agreement, in the Territory or within thirty (30) miles of the boundaries of the Territory or any another territory franchised by us and in operation at that time, directly or indirectly, for a fee or charge, offer or engage in dog training services.

17.2.3. No Solicitation of Customers. You will not, for a period of two years after the termination (for any reason), assignment by you, or expiration of this Agreement, in the Territory or within thirty (30) miles of the boundaries of the Territory, directly or indirectly solicit the patronage of any client served by your prior Franchised Business during the last 24 months that you were a franchisee, or such shorter time as you were a franchisee, for the purpose of offering such person or entity, for a fee or charge, dog training services.

17.3. Waiver of Bond. You agree that if we bring suit to enforce Sections 17.2 above, you agree to waive any requirement that we post bond to obtain a temporary, preliminary, or permanent injunction to enforce these duties.

17.4. Severability. If any covenant or provision of Section 17 is determined to be void or unenforceable, in whole or in part, it shall be deemed severed and removed from this Agreement and shall not affect or impair the validity of any other covenant or provision. Further, these obligations are considered independent of any other provision in this Agreement and the existence of any claim or cause of action by either party to this Agreement against the other, whether based upon this agreement or otherwise, shall not constitute a defense to the enforcement of these obligations.

17.5. Your Claims No Defense. You agree that the existence of any claims you may have against us, whether or not arising from this Agreement, will not constitute a defense to our enforcement of the covenants in this Section 17.

17.6. Execution of Individual Covenants. You must obtain and furnish to us signed covenants similar in substance to those set forth in Section 17.2 of this Agreement from the following persons: (a) all of your officers, directors, and holders of a beneficial interest of five percent (5%) or more of the securities of you, and of any corporation directly or indirectly controlling, controlled by, or under common control with you, if you are a corporation; (b) the general partners and any limited partners (including any corporation, and the officers, directors, and holders of a beneficial interest of one percent (1%) or more of the securities of any corporation which controls, directly or indirectly, any general or limited partner), if you are a partnership; and (c) all members and managers of you if you are a limited liability company. Every covenant required by this Section will be in the form provided as Schedule 3 of this Agreement.

17.7. Equitable Relief. You acknowledge that any failure to comply with the requirements of this Section will cause us irreparable injury, for which no adequate remedy at law may be available. You also acknowledge that our ability to obtain equitable relief on a System-wide basis for breaches by franchisees of non-disclosure and non-competition covenants benefits you by enabling us to defend and protect the distinctiveness of the System. Accordingly, you consent to the issuance of an order of specific performance, temporary restraining order, or preliminary or permanent injunction against violation by you of the covenants.

17.8. **Freedom to Contract.** You represent and warrant that neither you nor any of your principals are, at the time of signing this Agreement, subject to any non-compete, non-disclosure, non-circumvent, non-solicitation, confidentiality or other agreement which would restrict or limit your or such principal's ability to participate in the ownership or operation of the Franchised Business. You further represent and warrant that neither you nor any of your principals will be in breach of any such non-compete, non-disclosure, non-circumvent, non-solicitation, confidentiality or other agreement as a result of entering into this Agreement or participating in the ownership or operation of the Franchised Business.

18. **TAXES, PERMITS, AND INDEBTEDNESS**

18.1. **Payment of Taxes.** You must promptly pay when due all taxes levied or assessed, including unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by you in the operation of the Franchised Business.

18.2. **Compliance with Laws.** You are solely responsible for complying with all federal, state, and local laws, rules, and regulations, and must timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the Franchised Business, including licenses to do business, fictitious name registrations, sales tax permits and all requisite trade, business, occupational or professional licenses.

18.3. **Notification of Suits.** You must immediately notify us in writing of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, which may adversely affect the operation or financial condition of the Franchised Business.

19. **INDEPENDENT CONTRACTOR AND INDEMNIFICATION**

19.1. **Independent Contractor.** It is understood and agreed by the parties that this Agreement does not create a fiduciary relationship between them, that you must be an independent contractor, and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venture, partner, employer, employee, or servant of the other for any purpose whatsoever.

19.2. **Communication of Status to Consumers.** During the term of this Agreement, you must hold yourself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise agreement from us. You agree to take such action as may be necessary to do so, including exhibiting a notice of that fact, the content and location of which we reserves the right to specify. Such notice must specify that we are not the owner of the Franchised Business.

19.3. **Losses and Expenses.** As used in this Section 19, the phrase “**losses and expenses**” will include, without limitation, all losses, compensatory, exemplary or punitive damages, fines, charges, costs, lost profits, attorneys' fees, accountants' fees, expert witness fees, expenses, settlement amounts, judgments, compensation for damages to our reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing the same, and any and all expenses of

refunds, compensation and other such amounts incurred in connection with the matters described in this section.

19.4. **Indemnification.** You must, at all times, indemnify and hold harmless to the fullest extent permitted by law us, our corporate affiliates, successors and assigns and the respective directors, officers, employees, agents and representatives of each (collectively, the “**Indemnitees**”) from all losses and expenses incurred in connection with any action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or any settlement thereof (whether or not a formal proceeding or action has been instituted) which arises out of or is based upon any of the following:

19.4.1. Your (or your principals’) violation, breach, liability or asserted violation of breach of or liability under any contract, federal, state or local law, regulation, rule, order, standard or directive;

19.4.2. Libel, slander or any other form of defamation by you;

19.4.3. Your violation or breach of any warranty, representation, or other term or provision of this Agreement; and

19.4.4. Acts, errors or omissions of yours or any of your agents, servants, employees, contractors, partners, affiliates or representatives.

19.5. **Notification of Claims.** You must promptly notify us of any action, suit, proceeding, claim, demand, inquiry or investigation as described in Section 19.4. If any Indemnitees are or may be named as a party in any such action, we may elect to undertake the defense and/or settlement thereof. No such undertaking by us will diminish your obligation to indemnify the Indemnitees and to hold each of them harmless.

19.6. **Resolution of Claims.** With respect to any action, suit, proceeding, claim, demand, inquiry or investigation, we may, at any time and without notice, in order to protect persons or property or our reputation or goodwill or others, order, consent or agree to any settlement or take any remedial or corrective action as we deem expedient, if, in our sole judgment, there are reasonable grounds to believe that:

19.6.1. Any of the acts or circumstances enumerated in Section 19.4 have occurred;
or

19.6.2. Any act, error, or omission of yours may result directly or indirectly in damage, injury or harm to any person or any property.

19.7. **Payment.** All losses and expenses incurred under this Section 19 will be chargeable to and paid by you pursuant to your obligations of indemnity hereunder, regardless of any actions, activity or defense undertaken by us or the subsequent success or failure of such actions, activity or defense.

20. **APPROVALS AND WAIVERS**

20.1. **Approvals.** Whenever this Agreement requires our prior approval or consent, you must make a timely written request to us therefor. Such approval or consent must be obtained in a writing signed by an authorized officer of ours.

20.2. **No Warranties.** We make no warranties or guarantees upon which you may rely, and assume no liability or obligation to you, by providing any waiver, approval, consent, or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefor. Nothing in this Section 20.2 will be deemed to disclaim, or to waive your reliance on, any statements made in the disclosure document required or authorized by the Trade Regulation Rule of the Federal Trade Commission entitled “Disclosure Requirements and Prohibitions Concerning Franchising.”

20.3. **No Waiver.** No failure of ours to exercise any power reserved to us by this Agreement, or to insist upon strict compliance by you with respect to any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, will constitute a waiver of our right to demand exact compliance with any of the terms hereof.

21. NOTICES

22. ENTIRE AGREEMENT

This Agreement, the Declarations Page, the attachments, and the documents referred to herein constitute the entire Agreement between us and you concerning the subject matter hereof, and supersedes any prior agreements, no other representations, warranties, or promises having induced you to sign this Agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we

furnished to you. Except for those permitted to be made unilaterally by us hereunder, no amendment, change, or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and signed by their authorized officers or agents in writing.

23. SEVERABILITY AND CONSTRUCTION

23.1. **Severability.** If any section, part, term, provision, and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, by a court, that determination will not impair the operation of, or have any other effect upon, any other portions, sections, parts, terms, provisions, and/or covenants of this Agreement as may remain otherwise intelligible; and the latter will continue to be given full force and effect and bind the parties hereto; and the invalid portions, sections, parts, terms, provisions, and/or covenants will be deemed not to be a part of this Agreement.

23.2. **Survival.** Any provision or covenant of this Agreement which expressly or by its nature imposes obligations beyond the expiration or termination of this Agreement (whether termination is by Franchisor or Franchisee, and regardless of cause) will survive expiration or termination, including, but not limited to, Sections 8, 9, 17, and 24.

23.3. **No Third Party Beneficiary.** Except as provided to the contrary herein, nothing in this Agreement is intended, nor will be deemed, to confer upon any person or legal entity other than you, us, our officers, directors, shareholders, agents and employees, and such of our successors and assigns as may be contemplated by Section 14 hereof, any rights or remedies under or by reason of this Agreement.

23.4. **Reduction of Covenants.** You agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions a court may hold to be unreasonable and unenforceable in an unappealed final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

23.5. **Counterparts.** This Agreement may be signed in any number of counterparts, each of which when so signed and delivered will be deemed an original, but such counterparts together will constitute one and the same instrument.

24. APPLICABLE LAW; DISPUTE RESOLUTION

24.1. **Applicable Law.** This Agreement is effective upon its acceptance in Ohio by our authorized officer. Except as to claims governed by federal law, Ohio law governs all claims that in any way relate to or arise out of this Agreement or any of the dealings of the parties (“Claims”). However, no laws regulating the sale of franchises or governing the relationship between franchisor and franchisee shall apply unless the jurisdictional requirements of such laws are met independently of this paragraph.

24.2. **Jurisdiction and Venue.** You and we agree that venue and jurisdiction for any Claims shall be proper solely in the state and federal court nearest to our corporate headquarters, presently located in Medina, Ohio.

24.3. **Jury Waiver.** In any trial between any of the parties as to any Claims, you and we agree to waive our rights to a jury trial and instead have such action tried by a judge.

24.4. **Class Action Waiver.** You agree to bring any Claims, if at all, individually and you shall not join such claim with claims of any other persons or entity or bring, join or participate in a class action against us.

24.5 **Punitive Damages Waiver.** As to any Claims, you and we agree to waive our rights, if any, to seek or recover punitive damages.

24.6 **Limitation of Actions.** You agree to bring any Claims against us, if at all, within one (1) year of the occurrence of the facts giving rise to such Claims, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off.

24.7 **Prior Notice of Claims.** As a condition precedent to commencing an action for a Claim, you must notify us within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

24.8 **Internal Dispute Resolution.** You must first bring any Claim to our CEO, after providing notice as set forth in Section 24.7 above. You must exhaust this internal dispute resolution procedure before you may bring your Claim before a third party.

24.9 **Mediation.** Before you may bring any Claim against us in court, you agree to try for a period of 60 days to mediate such claim before a mutually agreed to mediator in the city or county where our headquarters are located. If we cannot mutually agree on a mediator, you and we agree to use the mediation services of the American Arbitration Association (“AAA”), and split any AAA and mediator fees equally.

24.10 **Waiver of bond.** You agree that if we are forced to sue to enforce any provision of this Agreement, you agree to waive any requirement that we post bond to obtain a temporary, preliminary, or permanent injunction to enforce these duties.

24.11 **Third Party Beneficiaries.** Our officers, directors, members, shareholders, agents, and employees are express third party beneficiaries of the terms of the Applicable Law; Dispute Resolution provisions contained herein.

24.12 **Costs and Attorney Fees.** If we are the substantially prevailing party as to any Claims, you agree to reimburse us for all costs and expenses, including reasonable attorney fees incurred in prosecuting or defending such litigation.

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

1. Sections 15.1, 15.2, and 15.3 are deleted and in their place are substituted the following:

15.2 Termination by Us Without Right to Cure. We may terminate this Agreement without notice and the opportunity to cure for any of the following reasons:

(a) The franchisee or the business to which the franchise relates has been judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the franchisee admits his or her inability to pay his or her debts as they come due;

(b) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee's control;

FOR THE STATE OF MINNESOTA**

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

- Minn. Stat. §80C.21 and Minn. **ADDENDUM TO ITK9 FRANCHISE, LLC
FRANCHISE AGREEMENT
FOR THE STATE OF WASHINGTON**

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting

or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Section 17.2.2 of the Franchise Agreement is amended to state that the post-termination non-competition provision may not be enforceable in Washington.

Section 17.5 of the Franchise Agreement, entitled, “Your Claims No Defense,” is deleted from the Franchise Agreement.

Section 17.7 of the Franchise Agreement, entitled, “Equitable Relief,” is deleted from the Franchise Agreement.

Section 20.2 of the Franchise Agreement, entitled, “No Warranties,” is deleted from the Franchise Agreement.

Section 22 of the Franchise Agreement, entitled, “Entire Agreement,” is modified to remove the following text: “no other representations, warranties, or promises having induced you to sign this Agreement.”

Section 24.6 of the Franchise Agreement, entitled, “Limitation of Actions,” is deleted from the Franchise Agreement.

Section 25.1 of the Franchise Agreement, entitled, “Acknowledgments,” is modified to delete the following text: “We expressly disclaim the making of, and you acknowledge that you have not received from us, any indication, promise, warranty or guarantee, express or implied, as to the potential volume, profits, or success of the business venture contemplated by this Agreement.”

Initial Fee Deferral:

The Franchise Agreement is amended to also provide:

“Based upon our financial condition the Washington Securities Division requires that we defer the payment of all initial fees due to the franchisor and/or its affiliates by the franchisee until all pre-opening obligations of the franchisor are completed and the franchise is open for business. Accordingly, you will not be required to pay the initial fees until we have completed our pre-opening obligations to you and you are open for business. The Development Fee will be collected proportionally with respect to each Franchised Business that opens.”

This Washington Addendum to the Franchise Agreement amends the Franchise Agreement, Multi-Territory Developer Addendum, and Related Agreements.

The undersigned does hereby acknowledge receipt of this addendum.

1. If the Franchise Agreement contains any provision that conflict with the Wisconsin Fair Dealership Law, the provisions of this Addendum shall prevail to the extent of such conflict.

2. The Franchise Agreement is amended to also include the following language:

With respect to franchises governed by Wisconsin law, the Wisconsin Fair Dealership Law applies to most, if not all, franchise agreements and prohibits the termination, cancellation, non-renewal or the substantial change of the competitive circumstances of a dealership agreement without good cause. **SCHEDULE 8
TO ITK9 FRANCHISE, LLC
FRANCHISE AGREEMENT**

SBA ADDENDUM TO THE FRANCHISE AGREEMENT

ADDENDUM TO FRANCHISE AGREEMENT¹

THIS ADDENDUM ("Addendum") is made and entered into on _____, 20____, by and between _____ ("Franchisor"), located at _____, and _____ ("Franchisee"), located at _____.

Franchisor _____ and Franchisee _____ entered into a Franchise Agreement on _____, 20____, (such Agreement, together with any amendments, the "Franchise Agreement"). Franchisee _____ is applying for financing(s) from a lender in which funding is provided with the assistance of the U. S. Small Business Administration ("SBA"). SBA requires the execution of this Addendum as a condition for obtaining SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge the parties agree that notwithstanding any other terms in the Franchise Agreement or any other document Franchisor _____ requires Franchisee _____ to sign:

CHANGE OF OWNERSHIP

- If Franchisee _____ is proposing to transfer a partial interest in Franchisee _____ and Franchisor _____ has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor _____ may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Franchisee _____. If the Franchisor _____'s consent is required for any transfer (full or partial), Franchisor _____ will not unreasonably withhold such consent. In the event of an approved transfer of the (Enter type of) _____ interest or any portion thereof, the transferor will not be liable for the actions of the transferee Franchisee _____.

FORCED SALE OF ASSETS

- If Franchisor _____ has the option to purchase the business personal assets upon default or termination of the Franchise Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Franchisee _____ owns the real estate where the franchisee _____ location is operating, Franchisee _____ will not be required to sell the real estate upon default or termination, but Franchisee _____ may be required to lease the real estate for the remainder of the franchise _____ term (excluding additional renewals) for fair market value.

¹ While relationships established under license, jobber, dealer and similar agreements are not generally described as "franchise" relationships, if such relationships meet the Federal Trade Commission's (FTC's) definition of a franchise (see 16 CFR § 436), they are treated by SBA as franchise relationships for franchise affiliation determinations per 13 CFR § 121.301(f)(5).

COVENANTS

- If the Franchisee owns the real estate where the franchisee location is operating, Franchisor has not and will not during the term of the Franchise Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions. If any such restrictions are currently recorded against the Franchisee's real estate, they must be removed in order for the Franchisee to obtain SBA-assisted financing.

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Franchisee's employees. For temporary personnel franchises, the temporary employees will be employed by the Franchisee not the Franchisor.

As to the referenced Franchise Agreement, this Addendum automatically terminates when SBA no longer has any interest in any SBA-assisted financing provided to the Franchisee.

Except as amended by this Addendum, the Franchise Agreement remains in full force and effect according to its terms.

Franchisor and Franchisee acknowledge that submission of false information to SBA, or the withholding of material information from SBA, can result in criminal prosecution under 18 U.S.C. 1001 and other provisions, including liability for treble damages under the False Claims Act, 31 U.S.C. §§ 3729 - 3733.

FRANCHISE AGREEMENT**

MULTI-TERRITORY DEVELOPER ADDENDUM

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms of this Multi-Territory Developer Addendum (“MTDA”) below control.

1. Territories. You are acquiring the following additional territories (“Development Area”) consisting of the Postal ZIP Codes attached to this Addendum and located in:
 - a. The City and State of _____.
 - b. The City and State of _____.
 - c. The City and State of _____.
 - d. The City and State of _____.
2. Initial Franchise Fees: The Initial Franchise Fees are as stated in Section 4.1 of the Franchise Agreement. All Initial Franchise Fees are due upon execution of the first Franchise Agreement and this Multi-Territory Developer Addendum (“MTDA”).
3. Development Schedule. You are not required to open the territories in the Development Area in any particular order. You agree that you are obligated to sign a Franchise Agreement for one territory within six (6) months of signing this Franchise Agreement, and at six (6) months intervals thereafter until you have signed a Franchise Agreement for each territory in the Development Area (“Development Schedule”).

If you fail to meet or satisfy the timing in the above Development Schedule, we may terminate the franchise agreement(s) of your unopened Territory(ies) by delivering notice of termination to you stating the reason for termination, but we must allow you thirty (30) days after giving notice of termination to cure this breach and meet your obligations by opening the scheduled Territory.

You agree that for our consideration in allowing the schedule set forth above, we may keep as non-refundable all franchise fees you may have paid to us at any time.

4. Execution of Franchise Agreement. You will execute our then-current form of franchise agreement for each territory identified in Paragraph 1 of this MTDA, before taking steps to develop the outlet, which may contain different or additional terms than those set forth in any agreement signed concurrently with this MTDA.

5. Initial Training. You are not required to re-attend initial training or pay any fees associated with initial training in connection with the second or any further additional franchise agreements executed pursuant to this Addendum. However, any additional trainers may be required to attend our Dog Training program and pay the required Dog Training Fees.
6. Telephone Service. You are not required to establish and maintain additional telephone services for additional contiguous territories provided you already have an open Territory with a Designated Number.
7. Pre-Opening Digital Marketing. You are not required to pay pre-opening digital marketing fees for contiguous territories. You will pay a one-time expansion planning fee of \$1200 to develop the strategy for the overall market. This fee is due at the time of signing this agreement. Upon execution of each Franchise Agreement, you will pay a \$600 Expansion Fee to implement the digital marketing strategy in the contiguous territory.
8. Local Advertising Program. You are not required to establish this in each contiguous territory with an already established Local Marketing Program. Distance and market competition evaluation will be reviewed at the time of expansion to determine if additional local marketing programs, one-time search engine optimization, on-going SEO and/or PPC need to be added to effectively market the contiguous territory. This is at our sole discretion. Franchisee is required to increase monthly spend per contiguous territory and agree to actively advertise to increase the lead generation per territory opened. The increase in budget will be mutually agreed upon based on our evaluation of the results.
9. Start-Up Marketing Kit. You will not be required to purchase a start-up marketing kit for each territory. It is expected that you have adequate experience and knowledge with The Dog Wizard to determine what, how much, and what expense is appropriate for the anticipated revenue. You may also use existing stock from other Dog Wizard franchises that you own to supply start-up needs. Additionally, any funds or payments for start-up supplies will be paid to us according to normal Dog Wizard payment requirements, and not at the time of executing the Franchise Agreement.
10. TDW Customer Support. In contiguous territories you will continue with services as already established and be subject to those fees related to Option 1 or Option 2 at that time.
11. Insurance. Franchisee will not be required to procure additional insurance coverage for each additional territory as long as it is contiguous with and subject to an already established policy that meets our requirements for coverage. Franchisee will be required to establish Commercial Umbrella Liability Insurance defined by the Franchise Agreement.
12. Default and Termination. If you fail to meet or satisfy the timing in the above Development Schedule, we may give you written notice of the default and if such default is not cured within thirty (30) days after notice of the default, we may terminate your rights to develop any territories as to which you have breached the above Development Schedule.

You agree that for our consideration in allowing the Development Schedule set forth above, we may keep as non-refundable all initial franchise fees you may have paid to us at any time.

Except to the extent modified above, the terms of the Franchise Agreement remain in full force and effect.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
ITK9 Franchise, LLC dba The Dog Wizard

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of ITK9 Franchise, LLC dba The Dog Wizard, which comprise the balance sheets as of December 31, 2022 and 2021 and the related statements of income, member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of ITK9 Franchise, LLC dba The Dog Wizard as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ITK9 Franchise, LLC dba The Dog Wizard and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ITK9 Franchise, LLC dba The Dog Wizard's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- * Exercise professional judgment and maintain professional skepticism throughout the audit.
- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ITK9 Franchise, LLC dba The Dog Wizard's internal control. Accordingly, no such opinion is expressed.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- * Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ITK9 Franchise, LLC dba The Dog Wizard's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Consequently, federal income taxes are not payable or provided for by the Company, as the Member is taxed individually on the Company's earnings.

The Company has adopted the provisions of *ASC Topic 740-10-25, Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for the recognition and measurement of tax positions taken or expected to be taken in a tax return. *ASC Topic 740-10-25* also provides guidance on de-recognition of income tax assets and liabilities and accounting for interest and penalties associated with tax positions. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Company's tax returns will not be challenged by the taxing authorities and that the Company will not be subject to additional tax, penalties and interest as a result of such challenge. Generally, the Company's tax returns remain open for three years for federal income tax examination. For the years ended December 31, 2022 and 2021, the Company has no material uncertain tax positions to be accounted for in the financial statements under these rules.

NOTE 3 - REVENUE RECOGNITION

Revenue Recognition Guidance

The Financial Accounting Standards Board (FASB) issued and amended guidance for revenue recognition under *Accounting Standard Codification 606, Revenue Recognition (ASC Topic 606)*. The guidance outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. The core principle of the guidance is that an entity should recognize revenue for the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. To achieve that core principle, an entity should apply the following steps: (1) identify the entity's contracts with customers, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenue when (or as) the entity satisfies a performance obligation.

Nature of Goods and Services

The Company generates revenues from revenues produced at franchised dog training businesses, and fees charged to franchisees. The contractual franchise agreement provides the franchisee the right to own and operate a franchised dog training business at a site approved by the Company. The contractual franchise agreement generally provides for a ten (10) year term and a ten (10) year renewal term, subject to certain conditions.

Initial Franchise Fees

Upon signing a franchise agreement, the franchisee is required to pay a non-refundable initial franchise fee (the "Initial Franchise Fee") to the Company. The Initial Franchise Fee requires the Company to provide certain pre-opening services to the franchisee. These pre-opening services provided by the Company includes, a) assistance in the evaluation of the market to be serviced by the franchise location, b) training and education on products, services and operational platforms, c) training of the franchisee's personnel and the franchisee, d) preparation and distribution of manuals concerning operations, administration, and record keeping, e) bookkeeping, information technology, and advisory services, and f) inspection, testing and establishing a quality control program. The Company has determined that the value of the pre-opening services they provide to a franchisee exceeds the Initial Franchise Fees. Since the Company is nonpublic franchisor, the Company has elected to use the practical expedient available in the FASB *Accounting Standards Update No. 2021-02 dated January 2021*. The practical expedient permits franchisors that are not public business entities to account for pre-opening services provided to a franchisee as distinct from the license if the services are consistent with those included in a predefined list within the guidance.

In addition, the Company has made the accounting policy election to recognize pre-opening services as a single performance obligation, which allows the Company to recognize the revenue when the pre-opening services are provided, and not defer and recognize the revenue over the contractual term of the franchise agreement. Since the value of the Company's pre-opening services provided to franchisees exceeds the Initial Franchise Fee, there is no deferral of revenue for Initial Franchise Fees.

NOTE 3 - REVENUE RECOGNITION (continued)

Royalty Fees

The franchise agreement requires the franchisee to pay a royalty fee to the Company of a percentage of its weekly gross revenues, or a minimum weekly payment due per the franchise agreement. These fees are recognized as revenue by the Company when the franchisee has provided the dog training services and any applicable equipment to the customer.

Marketing Fees

Fees charged for contributions to the marketing fund are recognized as revenue by the Company in the month the fees are charged to the franchisee.

Other Fees

Other fees, such as technical assistance fees, office fees, and administrative fees are charged and due monthly or weekly and recognized as revenue by the Company in the month the services are provided by the Company to the franchisee.

NOTE 6 - OPERATING LEASE (continued)

In February 2016, the Financial Accounting Standards Board (FASB) issued *ASC Topic 842, Leases*, which becomes effective for private companies for years beginning after December 15, 2021. This accounting pronouncement supersedes existing guidance on accounting for leases contained in *ASC Topic 840, Leases*. *ASC Topic 842* requires lessees to recognize the assets and liabilities that arise from leases on their balance sheet. A lessee should recognize in the balance sheet a right-of-use asset representing its right to use the underlying asset, and a lease liability on which the lessee must make lease payments. *ASC Topic 842* does not apply to lease terms that are less than twelve months. Therefore, the Company is not required to adopt *ASC Topic 842, Leases* in the accompanying financial statements, and instead records rent expense on a monthly basis.

Rent expense was \$6,000 in 2022 and 2021.

NOTE 7 - EFFECTS OF THE COVID-19 PANDEMIC

The COVID-19 pandemic in the United States has caused many businesses disruptions through mandated closures. The extent of the impact of the COVID-19 pandemic on the Company's operations and financial performance will depend on future developments, including the duration and spread of the COVID-19 pandemic, impact on the Company's franchisees, customers, employees, and vendors, all of which are uncertain and cannot be predicted. At this point in time, the Company has not experienced any significant downturn in business activity regarding acquiring franchisees and the revenue produced by those franchisees.

NOTE 8 - LITIGATION

On August 9, 2022, the Company filed an action against a franchisee for breach of contract and other violations in connection with a franchise agreement and related financing agreement. The franchisee denied these allegations and counterclaimed against the Company for breach of contract and good faith and fair dealing. The case remains in the early discovery phase. Management of the Company and the Company's attorney believe the franchisee has not provided sufficient information in discovery to evaluate the merits of their counterclaims, and believes their success is unlikely.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
ITK9 Franchise, LLC dba The Dog Wizard

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of ITK9 Franchise, LLC dba The Dog Wizard, which comprise the balance sheets as of December 31, 2021 and 2020 and the related statements of income, member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of ITK9 Franchise, LLC dba The Dog Wizard as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ITK9 Franchise, LLC dba The Dog Wizard and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ITK9 Franchise, LLC dba The Dog Wizard's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- * Exercise professional judgment and maintain professional skepticism throughout the audit.
- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ITK9 Franchise Group, LLC dba The Dog Wizard's internal control. Accordingly, no such opinion is expressed.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- * Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ITK9 Franchise, LLC dba The Dog Wizard's ability to continue as a going concern for a reasonable period of time.

We are required to communicate in writing with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - NATURE OF BUSINESS

ITK9 Franchise, LLC dba The Dog Wizard (the Company) was incorporated in the State of Ohio on August 2, 2019 as a Domestic Limited Liability Company. Effective August 6, 2019, the membership interest of The Upbeat K9, LLC (a dog training company) and the membership interest of The Dog Wizard Academy, LLC (a dog training company) were assigned to ITK9 Company, LLC, which owns 100% of ITK9 Franchise, LLC dba The Dog Wizard. Effective January 1, 2020, all twenty-eight (28) franchisees owned by either The Upbeat K9, LLC or The Dog Wizard Academy, LLC became franchisees of the Company.

The Company offers franchises for businesses that will establish and operate dog training businesses. The Company operates dog training businesses of the type being offered as company owned outlets. The Company offers a franchise program under the name "The Dog Wizard" for establishing and operating dog training businesses. These dog training businesses include teaching various obedience, behavior modification, and specialty training techniques. The techniques the franchisee uses to train dogs will be taught to them by the Company. The franchisee will normally work from home in terms of performing the administrative aspects of the franchise business, and will train their clients' dogs at their home, parks, or if they plan to use space at a local dog boarding or day care facility.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting and Basis of Presentation

The accompanying financial statements are presented in accordance with generally accepted accounting principles accepted in the United States of America. The accompanying financial statements are prepared on the accrual method of accounting, recognizing income when earned and expenses when incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all liquid investments with a maturity of three months or less to cash equivalents. There were no cash equivalents at December 31, 2021 and 2020.

ITK9 FRANCHISE, LLC dba THE DOG WIZARD
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounts Receivable - Franchisees

Accounts receivable – franchisees of \$28,724 and \$48,689 at December 31, 2021 and 2020, respectively, represents royalties, marketing revenues and other charges for various monthly fees due from the Company's franchisees. Management has provided an allowance for doubtful accounts of \$3,787 and \$8,000 at December 31, 2021 and 2020, respectively, for accounts management estimates to be uncollectible. Management estimates the uncollectible receivables based on historical collection experience coupled with a review of the current status of existing receivables. When management considers an account to be uncollectible, it is written off as a bad debt in current year operations.

Property and Equipment

Property and equipment are recorded at cost. Depreciation is provided using straight-line methods over estimated useful lives for book purposes and accelerated methods over estimated useful lives for tax purposes. Expenditures for maintenance and repairs are charged to operations as incurred. Expenditures for betterment and major renewals are capitalized. The cost of assets sold or retired and the related amounts of accumulated depreciation are eliminated from the accounts in the year of disposal and the resulting gains or losses are included in operations.

Assets are depreciated based on the following useful lives:

Furniture and Equipment	10 years
Vehicle	10 years

Advertising

The Company's policy is to expense advertising costs as incurred.

Income Taxes

The Company is a Limited Liability Company under the provisions of the Internal Revenue Code and is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. Members are taxed individually on their pro rata ownership share of the Company's earnings, based on the Company's operating agreement.

The Company has adopted the provisions of *ASC Topic 740-10-25, Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for the recognition and measurement of tax positions taken or expected to be taken in a tax return. *ASC Topic 740-10-25* also provides guidance on de-recognition of income tax assets and liabilities and accounting for interest and penalties associated with tax positions. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Company's tax returns will not be challenged by the taxing authorities and that the Company will not be subject to additional tax, penalties and interest as a result of such challenge. Generally, the Company's tax returns remain open for three years for federal income tax examination. For the years ended December 31, 2021 and 2020, the Company has no material uncertain tax positions to be accounted for in the financial statements under these rules.

Revenue Recognition Guidance

The Financial Accounting Standards Board (FASB) issued and amended guidance for revenue recognition under *Accounting Standard Codification 606, Revenue Recognition (ASC Topic 606)*. The guidance in *ASC Topic 606* supersedes the revenue recognition requirements in *ASC Topic 605, Revenue Recognition*, and most industry-specific guidance throughout the industry topics of the FASB Accounting Standards Codification. The new guidance outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. The core principle of the guidance is that an entity should recognize revenue for the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. To achieve that core principle, an entity should apply the following steps: (1) identify the entity's contracts with customers, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenue when (or as) the entity satisfies a performance obligation. Additionally, the guidance requires improved disclosures to assist users of financial statements to better understand the nature and timing of revenue that is recorded. The Company, being a nonpublic entity, adopted the new guidance with an effective date of January 1, 2020.

Nature of Goods and Services

The Company generates revenues from revenues produced at franchised dog training businesses, and fees charged to franchisees. The contractual franchise agreement provides the franchisee the right to own and operate a franchised dog training business at a site approved by the Company. The contractual franchise agreement generally provides for a ten (10) year term and a ten (10) year renewal term, subject to certain conditions.

Initial Franchise Fees

Upon signing a franchise agreement, the franchisee is required to pay a non-refundable initial franchise fee (the "Initial Franchise Fee") to the Company. The Initial Franchise Fee requires the Company to provide certain pre-opening services to the franchisee. These pre-opening services provided by the Company includes, a) assistance in the selection of a site for the franchisee's location, b) assistance in obtaining and preparing the facilities for their intended use, c) training of the franchisee's personnel and the franchisee, d) preparation and distribution of manuals concerning operations, administration, and record keeping, e) bookkeeping, information technology, and advisory services, and f) inspection, testing and establishing a quality control program. The Company has determined that the value of the pre-opening services they provide to a franchisee exceeds the Initial Franchise Fees. Since the Company is nonpublic franchisor, the Company has elected to use the practical expedient available in the FASB *Accounting Standards Update No. 2021-02 dated January 2021*. The practical expedient permits franchisors that are not public business entities to account for pre-opening services provided to a franchisee as distinct from the license if the services are consistent with those included in a predefined list within the guidance.

NOTE 3 - REVENUE RECOGNITION (continued)

Initial Franchise Fees (continued)

In addition, the Company has made the accounting policy election to recognize pre-opening services as a single performance obligation, which allows the Company to recognize the revenue when the pre-opening services are provided, and not defer and recognize the revenue over the contractual term of the franchise agreement. Since the value of the Company's pre-opening services provided to franchisees exceeds the Initial Franchise Fee, there is no deferral of revenue for Initial Franchise Fees.

Royalty Fees

The franchise agreement requires the franchisee to pay a royalty fee to the Company of a percentage of its weekly gross revenues, or a minimum weekly payment due per the franchise agreement. These fees are recognized as revenue by the Company when the franchisee has provided the dog training services and any applicable equipment to the customer.

Marketing Fees

Fees charged for contributions to the marketing fund are recognized as revenue by the Company in the month the fees are charged to the franchisee.

Other Fees

Other fees, such as technical assistance fees, office fees, and administrative fees are charged and due monthly and recognized as revenue by the Company in the month the services are provided by the Company to the franchisee.

FOR THE STATE OF WASHINGTON**

As to franchises governed by the Washington Franchise Investment Protection Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Use of Franchise Brokers. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Carefully evaluate any information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor

Initial Fee Deferral:

Items 5 and 7 of the Disclosure Document are amended to also provide:

“Based upon our financial condition the Washington Securities Division requires that we defer the payment of all initial fees due to the franchisor and/or its affiliates by the franchisee until all pre-opening obligations of the franchisor are completed and the franchise is open for business. Accordingly, you will not be required to pay the initial fees until we have completed our pre-opening obligations to you and you are open for business. The Development Fee will be collected proportionally with respect to each Franchised Business that opens.”
