What You Need To Know About Franchising Generally

<u>Continuing responsibility to pay fees</u>. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

<u>Supplier restrictions</u>. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

<u>Competition from franchisor</u>. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

<u>When your franchise ends</u>. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

- 1. <u>Out-of-State Dispute Resolution</u>. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Illinois. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
- 2. <u>Franchisor's Financial Condition</u>. The franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the franchisor's financial ability to provide services and support to you.
- 3. <u>Spousal Liability.</u> Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement, even if your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.
- 4. <u>Mandatory Minimum Payments.</u> You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
- 5. <u>Unregistered Trademark.</u> One of the primary trademarks that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer.
- 6. **Short Operating History.** The Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN NOTICE

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (a) A prohibition against you joining an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver or estoppel which would deprive you of rights and protections provided under the Michigan Franchise Investment Law. This does not preclude you, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits the franchisor to terminate your franchise prior to the expiration of its term except for good cause. Good cause includes your failure to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits the franchisor to refuse to renew your franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration, of your inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This provision applies only if:
 - (i) The term of the franchise is less than five years; and
- (ii) You are prohibited by the Franchise Agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or if you do not receive at least six months advance notice of the franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew the franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This provision does not require a renewal provision in the Franchise Agreement or other agreement.
- (f) A provision requiring that arbitration or litigation be conducted outside of Michigan. This does not preclude you from entering into an agreement, at the time of the arbitration, to conduct arbitration at a location outside of Michigan.
- (g) A provision that permits the franchisor to refuse to permit a transfer of ownership of the franchise, except for good cause. This provision does not prevent the franchisor from exercising a right of first refusal to purchase the franchise. Good cause includes, but is not limited to:
- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonably qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor.

- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- (h) A provision that requires you to resell to the franchisor items that are not uniquely identified with the franchisor. This does not prohibit a provision that grants the franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a *bona fide* third party willing and able to purchase those assets, nor does it prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in (c), above.
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

The refundability of the Franchise Fee Deposit under the Preliminary Agreement is as follows: If you submit at least 1 site to AHQ SYSTEMS within the 60 days, but the site is not approved, AHQ Systems will refund all but \$3,000 of the deposit. If you fail to submit even 1 site to AHQ SYSTEMS within the 60 days, you will not be entitled to a refund of any of the deposit. If you locate a site and sign a Franchise Agreement, the \$10,000 deposit will be applied toward the initial franchise fee. If you locate a site and it is approved by AHQ SYSTEMS within the 60 days but you fail to sign a Franchise Agreement within 14 days of the approval, AHQ SYSTEMS may terminate the Preliminary Agreement and you will not be entitled to any refund of the \$10,000 deposit.

Neither AHQ SYSTEMS nor any affiliate finances part of the initial investment.

Note 1. The initial franchise fee is \$25,000. If you enter into a Preliminary Agreement, you must pay AHQ Systems a deposit in the amount of \$10,000. If you ultimately sign a Franchise Agreement, you must pay AHQ Systems the balance of the applicable initial franchise fee at the time you sign the Franchise Agreement. You must sign the Franchise Agreement within 14 days after we approve your site, or we may terminate the Preliminary Agreement. See Item 5 concerning the refund of your deposit. The \$25,000 is for your first Franchise Agreement; if you sign more than 1 Franchise Agreement, the franchise fee is \$20,000 for your 2nd and subsequent AHQ Facility.

Note 2. The estimate is for the first month's rent and security deposit typically required to be paid when you sign a lease. The amount will vary depending on the location of the

premises, the size of the Facility, and the then current rental market.

<u>Note 3</u>. The leasehold improvements you must make include, but are not limited to, flooring, ceiling, lighting, plumbing (including compliance with the Americans with Disabilities Act), electrical upgrades and services, telephone line and Internet connection for the Facility. The cost of leasehold improvements will vary depending upon the size, condition and location of the premises, price differences between suppliers and terms negotiated with the lessor.

- <u>Note 4</u>. The figures in the chart represent the equipping and building out of the Facility including, but not limited to, turf, nets, lights, pitching machines, fencing, slatwall, and other related fixtures and equipment.
- <u>Note 5</u>. You must purchase a laptop, tablet, company phone, and must use our approved software for scheduling, accounting, and payroll.
- Note 6. The figures in the chart represent the estimated cost of interior and exterior signage and graphics.
- Note 7. The figures in the chart reflect the cost to purchase uniforms for your staff. The low end assumes you will purchase 3 shirts each for 5 people and the high end assumes you will purchase 3 shirts each for 25 people.
- Note 8. The figures in the chart reflect one to three months' premium for required insurance coverage. See Item 8 for more information about minimum insurance requirements.
- Note 9. The figures in the chart represent the estimated cost of utility deposits.
- Note 10. The figures in the chart contemplate hotel, meal, and local transportation expenses for three individuals. They do not include airfare or other transportation costs that you may incur. You must pay for your transportation associated with the initial training program.
- <u>Note 11</u>. You must pay the Marketing Fund a \$7,500 Facility Opening Marketing Fee when you sign your Franchise Agreement. The Facility Opening Marketing Fee will be used in connection with your grand opening as well as for local advertising for your Facility during the initial few months of operation.
- <u>Note 12</u>. We will assist in developing your Facility and you must engage your own architect and/or space planner to conform the drawings to your particular site. The figures in the chart represent the estimated cost of interior design. This estimate includes architect/space planner fees and permit expenses.
- Note 13. The figures in the chart represent the estimated cost of fixtures, furniture, and equipment not included in Note 4, facility buildout.

Note 14. You will need to employ a local architect, and may employ an attorney, accountant or other consultants.

Note 15. You must pay us a weekly royalty fee of \$300 per week.

Note 16. Each November 1, you must pay us an annual Team Players of \$50 per team player. The estimate depends on what time of year you open your business, the number of teams you have, and the number of players on each team. The low estimate of \$0 assumes that you will not incur this fee during your first 3 months of operation, either because of the date you open, or because you have no AHQ Teams registered. The high estimate of \$2,100 assumes that you have 3 AHQ Teams registered, with an average of 14 players per Team, within your first 3 months of operation.

<u>Note 17</u>. This estimate covers business operating costs including payroll, rent, utilities, other initial costs and expenses for the first 3 months based on our experience opening one affiliate-owned AHQ Facility.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

<u>Initial and Ongoing Inventory; Promotional Supplies; Brochures and Marketing Materials</u>

You must purchase from us or from designated suppliers (including affiliates in which our officers hold an interest) your requirements of baseball and softball bats, gloves, balls, uniforms, apparel, helmets, footwear, and other inventory items. You also must purchase from us or from designated suppliers (including Athletes HQ, Inc.) your required promotional materials, marketing materials, brochures, and all Athletes HQ® branded items. Neither we nor any affiliate is an approved supplier or the only supplier for any other goods or services. Our officers do not own any interest in any other supplier.

Our affiliate, Athletes HQ, Inc., operates as a purchaser of apparel and uniforms from vendors on behalf of franchisees. Our affiliate does not currently charge a markup on these purchases, but reserves the right to do so to cover its administrative costs.

Fixtures, Equipment; Computer Systems; Signage

You must purchase, install, and use only fixtures, turf, screens, equipment (including pitching machines), computer hardware/software, athlete training technology, and interior and exterior signage and vehicle wraps that meet our standards and specifications, which may include brand requirements. You may purchase products and services for which we have approved or designated suppliers only from our suppliers, unless we permit you to purchase a particular item or service from another source. To request our permission, you must send us a written request for permission, and we will respond within a reasonable time, normally 14 days. We have not adopted formal procedures for issuing and modifying our supplier approval standards. When evaluating a proposed supplier, we generally apply the following criteria, among others: (1) the

supplier's ability to produce the item or service and to meet our quality Standards; (2) the supplier's ability to meet supply commitments; (3) the supplier's integrity of ownership (to assure that its association with us would not be inconsistent with our image or damage our goodwill); the supplier's financial stability; and (5) the negotiation of a mutually satisfactory confidentiality agreement and license to protect our intellectual property. We do not charge a fee for our review in determining the qualifications of a particular supplier; however, we do reserve the right to seek reimbursement from you for any out-of-pocket expenses that we may incur.

We will communicate to you our standards and specifications via the confidential operating manuals ("Manuals") that we will provide to you at or before initial training, or otherwise in writing. We may modify our specifications in writing, and may add new specifications in writing.

Facility Lease

We must approve the location of your Facility. See Item 11 for more information about this process. Your lease must contain the terms reflected in Section 3.a. of the Franchise Agreement.

Insurance

You must maintain insurance that we determine is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Facility, which must include the following minimum coverages:

- (1) Comprehensive general liability insurance including coverage for bodily injury, personal injury, products liability, blanket contractual liability, broad form property damage, non-owned automobiles, completed operations, and property damage on an occurrence basis with policy limits of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate.
- (2) Property Insurance written on an "All Risks" policy for fire and related peril (including floods and earthquakes where applicable) with limits of insurance of not less than the full replacement value of the Facility, and its furniture, fixtures, equipment, inventory, and other tangible property.
- (3) Employer's Liability coverage in the amount of \$100,000 per person, \$500,000 in the aggregate and \$100,000 for occupational disease.
- (4) Workers' compensation and such other insurance as may be required by statute or rule of the state or locality in which the Facility is located. This coverage shall also be in effect for all of your managerial employees who participate in any of the training programs described in this Agreement.
- (5) In connection with any construction, renovation, refurbishment, or remodeling of the Facility, you should maintain Builder's All Risks insurance and in connection with new construction or substantial renovation, refurbishment, or remodeling of the Facility, and also maintain performance and completion bonds in forms and amounts, and written by carrier(s), reasonably satisfactory to us.

We have the right to establish and modify the minimum coverages and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards, or other relevant changes in circumstances. Your liability insurance policies must name as additional named insureds us, our parents, and our affiliates company's respective officers, directors, shareholders, partners, members, agents, representatives, independent contracts, servants and employees, and must include a waiver of subrogation in favor of these individuals and entities.

Required Purchases

We and our affiliates may derive revenue from your purchases and leases to the extent that you purchase services or purchase or lease items from us or our affiliates. In the fiscal year ended December 31, 2023, we did not derive revenue from purchases or leases by franchisees. In the fiscal year ended December 31, 2023, our affiliate Athletes HQ, Inc. had revenue from franchisee purchases of \$13,310.69.

We estimate that the required purchases described above are up to 90% of the cost to establish a Facility, and up to 50% of the operating expenses.

There currently are no purchasing or distribution cooperatives in existence with respect to the franchise system. We may negotiate purchase arrangements in the future with suppliers for the benefit of our franchisees.

We do not provide you any material benefits (such as renewal rights or the right to acquire additional franchises) based on your purchases from approved or designated suppliers.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Before you open the Facility, we will:

- 1. Approve or disapprove a site for your Facility and notify you of site approval within 15 days after receiving all requested information. (Franchise Agreement, Section 3.a.) Factors considered in selection and approval of a site includes: size, rent, parking, ingress and egress, necessary zoning, general location and neighborhood, demographics, and local competition.
- 2. Assist you in developing your Facility layout. (Franchise Agreement, Section 3.b.) You are responsible for having prepared all required construction plans and specifications to suit the shape and dimensions of the Facility and for ensuring that the plans and specifications comply with applicable ordinances, building codes, and permit requirements all of which, in turn, must be consistent with lease requirements and restrictions.
- 3. Review your final plans, specifications, exterior and interior signs for approval or disapproval. We will provide you with the names of designated or approved suppliers of specifications for these items of design, construction furniture, fixtures, equipment, decoration and signage, but we do not deliver or install any of these items. (Franchise Agreement, Section 3.b.)
- 4. Provide our initial training program for up to any three individuals, designated by you without charge. (Franchise Agreement, Section 4.a.) Our initial training program is held one to two months prior to opening. The training program consists of two to three days of training at our headquarters in Elgin, Illinois, or such other location as we may designate and one to two days of onsite training at your Facility.
- 5. Provide consultation and advice to you, as we deem appropriate, with regard to the development and operation of the Facility, building layout, fixtures, equipment plans and specifications, purchasing, and inventory control, and such other matters as we deem appropriate. (Franchise Agreement, Section 4.b.)
- 6. Loan you one copy of the Manuals which contain information and knowledge that is necessary and material to the System. (Franchise Agreement, Section 4.c.) The table of contents of the Manuals is attached as <u>Exhibit N</u> to this Franchise Disclosure Document.

Obligations after Opening

During the operation of the Facility, we will:

- 1. Periodically, as we deem appropriate, advise and consult with you in connection with the operation of the Facility. (Franchise Agreement, Section 4.b.)
- 2. Communicate to you our knowledge and expertise regarding the System and pertinent new developments, techniques, and improvements in the areas of management, sales promotion, service concepts and other areas. We may provide these services through on-site visits, through the distribution of printed or filmed material or electronic information, meetings or seminars, telephone communications, email communications, or other communications. (Franchise Agreement, Section 4.b.)
- 3. Approve or disapprove any advertising, direct mail, identification, and promotional materials and programs you propose within 15 days of receipt. (Franchise Agreement, Section 10.b.iii.)

Local Advertising Requirements

Each calendar quarter you must spend an amount equal to or greater than \$500 on local advertising that conforms to our standards and specifications.

<u>Initial Advertising and Promotion</u>

We require that you pay us the Facility Opening Marketing Fee of \$7,500, to be used in connection with your grand opening as well as for local advertising for your Facility during the initial few months of operation. This fee is to be used on promotional and marketing items to be used by you as giveaways to local baseball and softball leagues and coaches in order build goodwill and brand presence in your community; this fee also may be used on local social media and traditional advertising, running a camp or clinic to generate interest, or pay for local player appearances if available.

Social Media

You are strictly prohibited from creating a Social Media account or posting anything on Social Media sites involving your Facility or that uses our Marks. We reserve the right to require you to obtain our approval of any message involving your Facility or that uses our Marks that you send or post over Social Media. We have the sole right to control all aspects of Digital Marketing, including those related to your Facility. Unless we consent otherwise in writing, you may not, directly or indirectly, conduct or be involved in any Digital Marketing that uses the Marks or is related to your Facility. If we do give you written consent to conduct any Digital Marketing, you must do so in compliance with our guidelines, specifications, standards, policies or procedures we may issue relating to Digital Marketing.

Site Selection and Facility Opening

AHQ Systems must approve the site for your Facility. You must locate the site, using a licensed real estate broker who specializes in commercial real estate. You must submit detailed site information to AHQ Systems as AHQ Systems prescribes. AHQ Systems considers the following factors in approving a site: the demographic characteristics, traffic

patterns, parking, character of neighborhood, competition from other businesses within the area, the proximity to other businesses (including other Facilities), and the size, appearance and other physical characteristics of the site. The lease for the site must include certain provisions required by AHQ Systems and stated in the Franchise Agreement. AHQ Systems does not generally own the premises for an AHQ Facility and lease it to a franchisee.

If you sign a Preliminary Agreement, then, under Paragraph 5 of that Agreement, AHQ Systems will expend such time and effort and incur such expense as may reasonably be required to inspect sites you propose. If you submit at least 1 site to AHQ Systems within the 60 days, but the site is not approved, AHQ Systems may, at any time thereafter at its sole discretion, either grant an extension to the above referenced 60-day period or terminate the Preliminary Agreement. If AHQ Systems elects to terminate the Preliminary Agreement, it shall refund all but \$3,000 of the deposit. If you fail to submit even 1 site to AHQ Systems within the 60 days, you will not be entitled to a refund of any of the deposit. If you fail to locate a site we approve, you will not be granted a franchise. If you and AHQ Systems cannot agree on a site, and you have signed a Preliminary Agreement, then we will not enter into a Franchise Agreement with you. Refundability of a portion of the deposit will depend on the timing and circumstances described above.

If you elect not to sign a Preliminary Agreement, AHQ Systems will approve or disapprove a site you select within 15 business days of the date we receive all the information we require regarding your proposed site, which may include a site visit. You must select a site and submit it to us for our approval within 90 days of signing the Franchise Agreement. If you fail to do so, AHQ Systems can terminate your franchise, and none of your Franchise Fee will be refunded. If you and AHQ Systems can terminate your franchise, and none of your Franchise Fee will be refunded.

Computer System

We can require you to upgrade your computer system at any time. There are no limits under the Franchise Agreement on the number of times you must upgrade or substitute software or hardware on the amount you may be required to spend on these upgrades or substitutions. We do not have independent access to your computer system.

You must purchase and use the computer systems (software and the hardware to support it) and other technology requirements that we require for use at your Facility. The required computer system includes credit card processing software from Square, scheduling software from Acuity, accounting software, payroll software, and the hardware to support these programs. We recommend but do not require the use of QuickBooks for accounting software and ADP for payroll software. You will pay a monthly fee for scheduling software (estimated at \$27 per month for Acuity), accounting software (estimated at \$15 per month if you choose to use QuickBooks), and payroll software (estimated at \$59 plus \$4 per employee per pay period if you choose to use ADP). You will pay 2.6% of revenue plus 10 cents per transaction for credit card processing for in-person transactions and 2.8% of

revenue plus 30 cents per transaction for credit card processing for online transactions through Square. You must purchase a laptop, tablet, and mobile phone. The initial cost of purchasing the required hardware is \$6,000 to \$7,000. You also must use a Square Reader, which is currently provided by Square at no extra cost when you sign up for Square for Retail.

You must have high-speed Internet and maintain an e-mail account for use in operating your Franchised Business, for communication with us. We may require you to use an e-mail account designated by us.

<u>We</u> have no obligation to provide ongoing maintenance, support or upgrades to the required computer system. The estimated annual cost for maintenance of the required computer systems is \$600.

Typical Length of Time for Opening

The estimated length of time from the date the Franchise Agreement is signed to the opening of the Facility ranges from 4 to 8 months. If your Facility is located in a center that has not yet been constructed, this time estimate may be significantly longer. Factors affecting this length of time include site selection, local ordinance compliance questions, build out and leasehold improvements, contractor delays, delivery of inventory and equipment and successful completion of the initial training program.

By the terms of the Franchise Agreement, you must open your Facility within 6 months of obtaining possession of the site and no later than 12 months of signing the Franchise Agreement.

Training

You (or, if you are a corporation, partnership, or limited liability company, its controlling shareholder, managing partner, or member) must complete the Facility initial training program to AHQ Systems' satisfaction at least 1 month prior to opening your Facility. The initial training program is held generally no more than 1-2 months prior to opening. It consists of classroom and/or online instruction via a telecommunication platform such as Zoom, and in-facility operations experience. You may bring up to two additional individuals to training. Additional operational training is held for you and your staff at your Facility near the time of the Facility opening. The total time provided for training will be for a minimum of 2 days and a maximum of 7 days. Training will be conducted as needed, so new Franchisees will not have to wait more than 1 month after they are ready for training, per AHQ Systems' criteria. Training will consist of all phases of the operation including Facility operations, bookkeeping, financial controls, local Facility marketing, customer service, and employee relations.

If you have purchased or are in the process of purchasing an existing Facility from another franchisee in an approved transfer, the initial training program will not include topics relating to developing and opening a new facility and will therefore be shorter in duration

than the training chart below.

There is no charge for the first three individuals to attend the initial training program. At your request, we may permit additional individuals to attend the same training program, subject to space availability and payment of reasonable tuition. You are responsible for all expenses related to initial training program including travel, lodging and meals.

Additional Training Programs

AHQ Systems may also provide refresher and supplemental training programs; however, none is planned at this time. You must attend the refresher or supplemental

training programs. You will be responsible for your transportation and living expenses in attending training.

ITEM 12 TERRITORY

You will operate one Facility at a location that we have approved. Once you have identified a site for the Facility, we will identify an area surrounding the AHQ Facility, which will be your Territory. Your Territory will typically range from 10-20 miles depending on population and other geographic factors.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, from other channels or distribution or competitive brands that we control.

During the franchise term, if you are fully compliant with the Franchise Agreement and all other agreements between us, we will neither operate nor grant others the right to operate another Facility in the Territory.

You may relocate the Facility within the Territory only with our prior written consent, which we will not unreasonably withhold. If your lease expires or terminates through no fault of yours, or if the Facility premises are destroyed or materially damaged by fire, flood, or other natural catastrophe, you may relocate the Facility to another location within the Territory.

The Franchise Agreement does not provide any options or rights of first refusal to establish additional Facilities in the Territory or in contiguous areas. If you wish to obtain an additional location, you must enter into a new Franchise Agreement and meet all our current requirements for franchisees for that location. We cannot modify or alter the boundaries of your Territory without your consent. Your territorial protection does not depend on your achieving a minimum sales quota or other performance criteria.

We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory, either while using our principal trademark or trademarks other than our principal trademark. We do not pay any compensation to you for such sales. You do not have the right to use other channels of distribution.

You may solicit or market to potential customers inside or outside of your territory. You may serve customers outside of your territory.

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the franchise agreement does not prohibit us from doing so.

The remainder of this page has been left blank intentionally.

ITEM 13 TRADEMARKS

Under the Franchise Agreement, AHQ Systems grants you the right to use the trademarks and service marks listed below, and other such trademarks, service marks, and commercial symbols as AHQ Systems authorizes from time to time (collectively, the "Marks").

The following mark has been registered on the Principal Register of the United States Patent and Trademark Office ("USPTO"). All required affidavits and renewal applications have been filed.

We do not have a federal registration for our principal trademark. Therefore, our trademark does not have many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

The License Agreements do not limit the rights of AHQ Systems or our Franchisees to use the Marks. The initial term of the License Agreements was 10 years, with 5 automatic

5-year Extension Terms. The License Agreements may be terminated by Athletes HQ, Inc. in the event AHQ Systems: (i) fails to meet the quality standards in the License Agreements, (ii) misuses the Marks, (iii) fails to make payments due Athletes HQ, Inc. (iv) files or has filed against it bankruptcy, insolvency or like proceedings, (v) files or has filed against it proceedings to dissolve its corporate structure or for winding up, (vi) merges or otherwise comes under the shared or sole control or direction of any other party, or (vii) sells all or substantially all of its assets. Upon expiration or termination of the License Agreements for any reason, Athletes HQ, Inc. will undertake to establish a means by which you may continue to use the Marks while your Franchise Agreement is in effect, so that your rights to use the Marks will not be terminated as a result of the termination or expiration of the License Agreements. Athletes HQ, Inc. shall have sole discretion over the means it selects for you to continue to use the Marks under those circumstances.

Information Regarding All Marks

AHQ Systems has the non-exclusive right to use the Marks only in connection with the offer and sale of franchises to third parties to own and operate franchised facilities under the Marks under Franchise Agreements. Under the License Agreements AHQ Systems must furnish Athletes HQ, Inc. with samples of all Franchise Agreements, literature, brochures, advertising, videos, labels, manuals, signs, contracts and other materials prepared by AHQ Systems.

There are no effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, or any state trademark administrator or court, any pending interference, opposition, or cancellation proceedings involving any of the above-referenced Trademarks. There are no other agreements currently in effect that significantly limit our rights to use or license the use of the Trademarks listed in this section in a manner material to you. There are no infringing uses or superior previous rights known to us that can materially affect your use of the Trademarks in this state of any other state in which the franchised business is to be located. There is no pending material federal or state court litigation regarding our use or ownership rights in any Trademark.

Except as otherwise stated above, there are no agreements currently in effect which significantly limit the rights of AHQ Systems to use or license the use of the above mentioned trademarks, service marks, trade names, logotypes, or other commercial symbols in any manner material to the franchise.

There are no infringing uses actually known to AHQ Systems which could materially affect your use of such trademarks, service marks, trade names, logotypes or other commercial symbols in the state in which your Facility is to be located.

AHQ Systems has the right to require you to use new marks and to discontinue or modify your use of any name or commercial symbol. If it becomes advisable at any time, in AHQ System's sole discretion, for AHQ Systems and/or you to modify or discontinue

use of any Mark and/or use 1 or more additional or substitute trademarks or service marks, you agree to do so within a reasonable time after notice by AHQ Systems. In the event AHQ Systems requires you to discontinue the use of any name or commercial symbol and to use a substitute mark or commercial symbol, AHQ System's sole obligation will be to reimburse you your out-of-pocket expenses of complying with this obligation.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

AHQ Systems does not own any rights in or to any patents or copyrights which are material to the Franchise. AHQ Systems and its affiliates claim copyrights in its AHQ Systems Operations Manual and related materials used in the operation of the Franchise. Such copyrights have not been registered with the United States Registrar of Copyrights but have been protected under the copyright laws of the United States by virtue of AHQ Systems and its affiliates placing the appropriate notice of copyright on such items. You may use the AHQ Systems Operations Manual and materials during the term of your Franchise Agreement.

There are currently no effective determinations of the United States Copyright Office or any court regarding any of our copyrights, nor are there any currently effective agreements between us and third parties pertaining to our copyrights that will or may significantly limit your use of our copyrighted materials. Furthermore, there are no infringing uses actually known to AHQ Systems which could materially affect your use of the copyrighted materials in any state where the Franchise is to be located. AHQ Systems is not obligated under any agreement to protect or defend its copyrights.

To preserve and enhance the reputation and goodwill associated with AHQ System's Marks, and to maintain uniform standards of operation for franchisees, you must operate the Franchise in full compliance with the AHQ Systems Operations Manual as amended from time to time. You also understand that the Manual and other training and operational aids contain certain proprietary and confidential information and remain the property of AHQ Systems and its affiliates. There will be no duplication or any disclosure of the proprietary and confidential information, except to your employees on a need-to-know basis, and you must take all reasonable precautions prescribed from time to time by AHQ Systems to prevent unauthorized use or disclosure of proprietary information of AHQ Systems and its affiliates. You must keep copies of the Manual current by inserting the updates furnished by AHQ Systems on an ongoing basis, and, in the event of any dispute as to the AHQ Systems Operations Manual's contents, AHQ System's master copy shall control.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

AHQ Systems requires you to supervise, but not personally manage, the Facility. The Facility must be directly supervised "on-premises" by a manager, who has completed AHQ System's training program. The on-premises manager may not have an interest or

business relationship with any of AHQ System's business competitors. The manager is not required to have any amount of equity interest in the franchised business.

The manager must sign a separate written agreement with you incorporating nondisclosure and noncompetition clauses in a form satisfactory to us, including naming AHQ Systems as an intended third party beneficiary. An example of an agreement we currently consider satisfactory, including provisions to confirm our ownership of Ideas (as defined in Section 6.c. of the Franchise Agreement) is the Confidentiality and Non-Competition Agreement attached to the Franchise Disclosure Document as Exhibit D. The requirement for the Nondisclosure and Noncompetition Agreement between you and your employees, including the provision that makes AHQ Systems an intended third party beneficiary, shall not create an employee or joint employee relationship between AHQ Systems and your employees, nor does it constitute control by AHQ Systems over your employees' conditions of employment.

If the Franchisee is a corporation, limited liability company (LLC), or partnership, all owners of the corporation, LLC or partnership must agree jointly and severally to guarantee the obligations of Franchisee under the Franchise Agreement, and must sign Rider C to the Franchise Agreement (Guaranty and Assumption of Obligations).

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell all products and services that we require, and may offer and sell only products and services that we approve. We may add, eliminate, or modify authorized goods and services, in our sole discretion. There are no contractual limitations on our rights to make these changes. You may not use our Marks for any other business, nor conduct any business other than the business contemplated by the Franchise Agreement without our previous written consent.

You may neither establish an "AHQ team" or any other team identified by the Marks or associated with the Franchised Business, nor permit any team to use or display the AHQ name or any other Mark without our prior written consent, which we may grant or withhold in our sole discretion.

You must operate the Facility on the days and during the hours that we designate, subject to applicable lease and/or local law or licensing limitations. Our mandatory hours of operation will be communicated to you via the Manual or otherwise in writing.

You must participate in and offer to your customers: (1) all customer loyalty and reward programs; (2) all contests, sweepstakes and other prize promotions; and (3) gift card or stored value programs or sales promotions which we may develop periodically. We will provide you the details of each program and promotion, and you must promptly display all point-of-sale advertising and promotion-related information at such places within the Facility as we may designate. You must purchase and distribute all coupons and other collateral merchandise (and only the coupons and collateral merchandise) that we designate for use in connection with each such program.

You also must display at the Facility all promotional literature and information as we

may reasonably require from time to time.

You may not permit to be installed at the Facility premises any juke box, game machine, gum machine, ride, gambling or lottery device, coin or token operated machine, or any other music, film, or video device not authorized by us.

ITEM 18 PUBLIC FIGURES

We do not currently use any public figure to promote the franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances. year.

The following represents the Gross Revenues in 2023 for 1 AHQ facility ("Affiliate Facility") owned and operated by Athletes HQ, Inc. ("Affiliate") located at 1005 N. Randall Road, Elgin, Illinois 60123 of 1 total AHQ affiliate facility open for a full 12 months in 2023. The Affiliate Facility is a baseball and softball training center, as well as a travel club organization and batting cage rental facility. It has been in operation since November of 2018, so this figure is from its 4th full calendar year of operation.

We have not included revenue information for the 1 franchised AHQ facility ("Franchised Facility") that opened for business in 2023 because the franchisee began operations after January 1, 2023 and, therefore, did not operate for a full 12-month period between January 1, 2023 and December 31, 2023.

Gross Revenues of Affiliate Facility in 2023: \$1,138,912*

*Nearest whole number used.

The Affiliate Facility in Elgin, Illinois, for which the financial performance representations are provided, is substantially similar to the AHQ Facility concept being offered to you. The Facility for which financial performance representations are being furnished is a stand-alone building located on a well-traveled major street in Elgin, Illinois, a suburb approximately 40 miles northwest of Chicago. The Affiliate Facility is approximately 15,500 square feet in area and as of December 31, 2023, had 21 teams and 253 members.

The revenues are historical figures from this Facility, as reported on the Affiliate's 2023 income tax return.

The "Gross Revenues" reported above correspond to the definition of "Gross Revenues" in the Athletes HQ Systems, Inc. Franchise Agreement. "Gross Revenues" shall mean the entire amount of all gross sales and business receipts, including direct or indirect barter transactions, proceeds of business interruption insurance policies, through or by

means of the business conducted in connection therewith, whether for cash or credit. "Gross revenues" does not include sales, use, or service taxes collected from customers and paid to the appropriate taxing authority; and (2) any bona fide customer refunds and approved rebates, discounts and allowances.

Prospective franchisees or sellers of franchises should be advised that no Certified Public Accountant has audited these figures or expressed his/her opinion with regard to their content of form. The amounts have not been audited or reviewed for reasonableness by independent auditors.

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.

The characteristics of the represented franchisee and affiliate operations do not materially differ from that of a new franchisee.

You should conduct an independent investigation of the costs and expenses you will incur in operating your AHQ Facility. We encourage you to consult with your own accounting, business, and legal advisors to assist you to prepare your budgets and projections, and to assess the likely or potential financial performance of your AHQ Facility.

Written substantiation of the data we used in preparing this statement will be made available upon reasonable request.

Other than the preceding financial performance representation, AHQ Systems, Inc. does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Jordan Dean, 500 Lake Cook Road, Suite 475, Deerfield, Illinois 60015, phone: 989/488-8846, the Federal Trade Commission, and the appropriate state regulatory agencies.

ATHLETES HQ SYSTEMS, INC. PRELIMINARY AGREEMENT

THIS AGREEMENT is made and ente	ered into this day of	,
20, by and between Athletes HQ Systems, Ir	Inc., an Illinois corporation, (hereinafter referred	d to
as "AHQ Systems") and	(hereinafter referred to as "Prospect	tive
Franchisee").		

RECITALS

- A. AHQ Systems has developed stores that are operated utilizing AHQ System's distinctive business formats, signs, equipment, layouts, systems, methods, specifications, standards, operating procedures and designs and advertising. Among these are facilities that operate under the name "Athletes HQ" known as "AHQ Facilities." AHQ Systems owns, uses, promotes and licenses certain trademarks and service marks and other commercial symbols, including "Athletes HQ" and certain associated logos (the "Marks"). AHQ Systems has experience in, and the ability to provide assistance and guidance in connection with the operation thereof. AHQ Systems grants franchises to qualified persons to own and operate AHQ Facilities ("AHQ Franchises") selling products and services authorized and approved by AHQ Systems and utilizing AHQ System's business formats, systems, methods, specifications, standards, operating procedures, guidance advertising services, and the Marks;
- B. Prospective Franchisee desires to obtain a Franchise from AHQ Systems for the operation of an AHQ Facility;
- C. Prospective Franchisee has submitted to AHQ Systems an application for an AHQ Franchise;
- D. Prospective Franchisee has received and reviewed AHQ System's Franchise Disclosure Document; and
- E. AHQ Systems shall consider, subject to the terms and conditions hereof, granting an AHQ Franchise to Prospective Franchisee.

THEREFORE, the parties agree as follows:

- 1. Prospective Franchisee has, contemporaneously with the execution of this Preliminary Agreement, deposited with AHQ Systems the sum of Ten Thousand (\$10,000.00) Dollars ("Deposit") to be applied against the initial franchise fee payable by Prospective Franchisee if an AHQ Franchise shall subsequently be granted.
- 2. Upon execution of this Agreement, AHQ Systems will furnish Prospective Franchisee its written criteria for site selection, which must be returned to AHQ Systems upon termination of this Agreement.

- 3. It shall be the obligation of Prospective Franchisee to search for, locate, and submit in writing to AHQ Systems for approval, within sixty (60) days after execution of this Preliminary Agreement, a site suitable for the operation of an AHQ Facility acceptable to AHQ Systems within the following area: ______ (the "Area").
 - a. The Area is not exclusive or protected either during the term of this Agreement or in the event a franchise is granted. AHQ Systems has the right to offer and grant a franchise to any other party within the Area. In the event AHQ Systems grants an AHQ Franchise to another party within the Area during the term of this Agreement, Prospective Franchisee may terminate this Agreement and obtain a full refund of the Deposit.
 - b. AHQ Systems has the right to withhold approval of sites, based on its standards for general location, physical and demographic characteristics of the neighborhood, traffic pattern, parking, competition, proximity to other businesses (including other AHQ Facilities), the nature of other businesses in proximity to the site, layout and other physical characteristics, rental, lease duration and other lease terms and conditions for the AHQ Facility.
 - c. If Prospective Franchisee, within the 60-day period specified in Paragraph 3 above, submits at least 1 site to AHQ Systems, which site AHQ Systems does not approve, AHQ Systems may, at any time thereafter at its sole discretion, either grant an extension to the above referenced 60-day period or terminate this Preliminary Agreement provided it shall refund Prospective Franchisee's Deposit less Three Thousand (\$3,000.00) Dollars.
 - d. If Prospective Franchisee fails to submit any sites to AHQ Systems within the 60-day period specified in Paragraph 3 above, AHQ Systems may, at any time thereafter, terminate this Preliminary Agreement, in which event Prospective Franchisee shall not be entitled to any refund of the Deposit.
- 4. Prospective Franchisee acknowledges and agrees that AHQ System's approval of the premises for the AHQ Facility and any information communicated to Prospective Franchisee regarding the premises for the AHQ Facility do not constitute a representation or warranty of any kind, expressed or implied, as to the suitability of the premises for the AHQ Facility or for any other purpose. AHQ System's approval of the premises indicates only that AHQ Systems believes that the premises fall within the acceptable criteria established by AHQ Systems as of the time encompassing the evaluation. Both Prospective Franchisee and AHQ Systems acknowledge that application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and premises and that, subsequent to AHQ System's approval of a site and premises, demographic and/or economic factors, including competition from other businesses, included in or excluded from AHQ System's criteria could change, thereby altering the potential of a site and premises. The uncertainty and instability of such criteria are beyond AHQ System's control and Prospective Franchisee agrees that AHQ Systems shall not be responsible for the failure of a site and premises approved by AHQ Systems to meet Prospective Franchisee's

expectations as to potential revenue or operational criteria. Prospective Franchisee further acknowledges and agrees that his acceptance of a Franchise for the operation of an AHQ Facility at the premises is based on his own independent investigation of the suitability of the premises.

- 5. AHQ Systems agrees to expend such time and effort and to incur such expense as may reasonably be required to inspect sites proposed by Prospective Franchisee for an AHQ Facility to be operated by Prospective Franchisee. Unless Prospective Franchisee withdraws his application for a Franchise as hereinafter provided, Prospective Franchisee agrees that within fourteen (14) days of approval by AHQ Systems of a site for Prospective Franchisee's AHQ Facility, Prospective Franchisee will execute AHQ System's Franchise Agreement, in the form delivered to Prospective Franchisee. In the event Prospective Franchisee fails to execute AHQ System's Franchise Agreement within said fourteen (14) days, AHQ Systems may, at its sole option, terminate this Preliminary Agreement, in which event Prospective Franchisee shall not be entitled to any refund of the Deposit.
 - a. Prospective Franchisee may withdraw his application for a Franchise and terminate this Preliminary Agreement by a written notice of termination delivered to AHQ Systems at any time prior to the submission by Prospective Franchisee of a proposed site and the approval by AHQ Systems of said site. Upon termination prior to the approval by AHQ Systems of a site, AHQ Systems shall refund Prospective Franchisee's Deposit less Three Thousand (\$3,000.00) Dollars.
 - b. Any refund of deposit is conditioned on Prospective Franchisee returning to AHQ Systems any written criteria for site selection referred to in Paragraph 3 above. The amount withheld by AHQ Systems is to compensate the expenses incurred by AHQ Systems in connection with Prospective Franchisee's proposed purchase of an AHQ Franchise, including, without limitation, those expenses related to research, demographics data, preliminary layouts, inspection of a site for Prospective Franchisee's AHQ Facility, travel and living expenses, compensation of employees of AHQ Systems and legal fees and expenses.
- 6. Prospective Franchisee's rights under this Preliminary Agreement are personal in nature and are not transferable by assignment, will, or operation of law.
- 7. Notwithstanding the expiration of this Agreement, the parties agree that in the event Prospective Franchisee submits a proposed site to AHQ Systems within twenty (20) days prior to the expiration date, this Agreement will not expire until AHQ Systems has had a reasonable opportunity to evaluate the site to determine whether the site meets AHQ System's standards and criteria described in Paragraph 3 above.
- 8. NOTICES. All notices permitted or required under this Agreement must be in writing. Email and facsimile transmissions are considered written notice, provided that the sender confirms transmission of said email or facsimile transmission. "Confirming transmission" is accomplished by the sender printing a paper copy showing that the document was sent via email or facsimile, and upon request by the recipient, furnishing said paper copy to the recipient. Verbal, oral, or in-person

communications are not considered effective notice, unless the sender follows up on said communications in writing. Notices shall be deemed delivered (a) at the time if delivered in person; (b) the day of transmission if by facsimile or by another electronic system, provided that the transmission is done on a business day during the hours of 8:00 a.m. and 5:00 p.m. Chicago time; otherwise, delivery is the next business day; (c) one (1) business day after being placed in the hands of a commercial courier service for overnight delivery; or (d) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the parties as referenced above.

- 9. All disputes, controversies or claims arising out of or relating to this Agreement, shall be submitted for arbitration to the American Arbitration Association on demand of either party. The demand shall be submitted to, and the arbitration proceedings shall be conducted in the major city nearest where Franchisor's principal business address is then located, and shall be heard by one arbitrator in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association. All matters within the scope of the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.) shall be governed by it. This provision shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.
 - 10. The preambles set forth above are incorporated herein by reference.

NOTE: AHQ SYSTEM'S OFFER TO ENTER INTO THIS PRELIMINARY AGREEMENT SHALL BE NULL AND VOID IN THE EVENT PROSPECTIVE FRANCHISEE FAILS TO SIGN THIS AGREEMENT AND SUBMIT IT TO AHQ SYSTEMS, ALONG WITH THE \$10,000 DEPOSIT, WITHIN FOURTEEN (14) DAYS OF THE DATE AHQ SYSTEMS FURNISHES THIS AGREEMENT TO PROSPECTIVE FRANCHISEE. IN SUCH EVENT, THE OFFER OF THIS PRELIMINARY AGREEMENT SHALL BE NULL AND VOID, AND PROSPECTIVE FRANCHISEE SHALL HAVE NO RIGHTS UNDER THIS AGREEMENT.

 - (a) Franchisee has given Franchisor written notice of his election to renew not less than six (6) months nor more than twelve (12) months prior to the end of the then-current term. An election by Franchisee to renew the lease or sublease for the premises of the Facility or to execute a new lease or sublease for such premises shall, at the sole option of Franchisor, be deemed an election by Franchisee to extend the franchise for the initial term of the lease or sublease, plus the term of any options and/or extensions, of such lease or sublease;

Further, in said event Franchisor has the right to commence measures to seek another franchisee for the Facility, including but not limited to advertising or contracting with a business broker.
- iv. In the event Franchisee does not intend to renew, Franchisee has a mandatory obligation to give Franchisor written notice of Franchisee's intent not to renew the franchise at least six (6) months prior to the expiration date of this Agreement. - vi. In the event Franchisee does not execute the Renewal Franchise Agreement after the expiration of the Initial Term, and continues to accept any of the benefits of this Agreement after the expiration of the Initial Term, then at

Franchisor's option, this Agreement may be treated either as: (i) expired as of the date of the expiration with Franchisee then operating without a franchise to do so and in violation of Franchisor's right; or (ii) continued on a month-to-month basis (the "Interim Term") until either party provides the other party with written notice of such party's intention to terminate the Interim Term. In the latter case, all of Franchisee's obligations shall remain in full force and effect during the Interim Term as if this Agreement had not expired, and all obligations and restrictions imposed on Franchisee upon expiration of this Agreement shall be deemed to take effect upon termination of the Interim Term. In the event of either (i) or (ii) of this Paragraph, Franchisee shall be obligated to pay a weekly royalty fee in the amount of Seven Hundred Fifty Dollars (\$750.00).

3. <u>LOCATION AND DEVELOPMENT OF FACILITY</u>

a. Location and Lease.

- The location of Franchisee's Facility must be approved by Franchisor. i. Franchisee must furnish Franchisor all information Franchisor requests for Franchisor's evaluation of the proposed site. Franchisor will approve or disapprove a site for Franchisee's Facility and notify Franchisee of site approval within fifteen (15) days after receiving all requested information. Franchisee may operate the Facility only at the location specified in Paragraph 1.a. and Rider A to this Agreement and may not relocate the Facility except with Franchisor's prior written consent. If the site for the Facility has not been located by Franchisee at the time of execution of this Agreement, Franchisee agrees to locate and submit to Franchisor for approval, within ninety (90) days after the date of execution of this Agreement, a site suitable for the operation of an AHQ Facility and acceptable to Franchisor. Franchisee must use a licensed real estate broker who specializes in commercial real estate. Franchisee must locate the site for his Facility and provide written detailed site information to Franchisor as Franchisor prescribes. Franchisor shall assist Franchisee in the selection of the site. Franchisor has the right to withhold its approval of a site.
- ii. Franchisee shall submit the lease for the premises of the Facility to Franchisor prior to its execution for Franchisor's examination and approval. The lease for the premises of the Facility shall state that the premises shall be used only for An AHQ Facility and contain substantially the following provisions:

"Anything contained in this lease to the contrary notwithstanding, Lessor agrees that, without its consent, this lease and the right, title and interest of the Lessee thereunder, may be assigned by the Lessee to Athletes HQ Systems, Inc., an Illinois Corporation, or its designee, provided that said

Athletes HQ Systems, Inc. or its designee shall execute such documents evidencing its agreement to thereafter keep and perform, or cause to be kept or performed, all of the obligations of the Lessee arising under this lease from and after the time of such assignment."

"Lessor agrees that Lessor shall, upon written request of Athletes HQ Systems, Inc., disclose to said corporation, all reports, information or data in Lessor's possession with respect to sales made in, upon or from the leased premises."

"Lessor shall give written notice to Athletes HQ Systems, Inc., an Illinois corporation (concurrently with the giving of such notice to Lessee), of any default by Lessee under the lease and the said Athletes HQ Systems, Inc. shall have, after the expiration of the period during which the Lessee may cure such default, an additional thirty (30) days to cure, at its sole option, any such default."

"Lessor agrees it will not, without the prior written consent of Athletes HQ Systems, Inc., modify or terminate this lease. Lessor further agrees it will not grant its consent to the assignment by Lessee of this lease without the prior written consent of Athletes HQ Systems, Inc."

"Athletes HQ Systems, Inc. or its appointed representatives have the right to enter the leased premises to make any modification necessary to protect the Trademarks of Athletes HQ Systems, Inc., or to cure any default under the Franchise Agreement or the Lease."

"In the event the Lessee does not exercise any options or rights to renew or extend the Lease, Lessor shall give Athletes HQ Systems, Inc. notice of such failure by Lessee to exercise such options or rights."

- iii. Franchisee agrees that he will not execute a lease which has for any reason been disapproved by Franchisor. Franchisee shall deliver a copy of the signed lease to Franchisor within fifteen (15) days of execution thereof.
- iv. Franchisee shall execute a Collateral Assignment of Lease, attached hereto as Rider B, by which Franchisee assigns to Franchisor all of his right, title and interest as tenant under the lease for the AHQ Facility premises. The assignment is for collateral purposes and may be exercised only upon a default by Franchisee under his lease or under this Agreement. Franchisor's

- approval of Franchisee's lease is conditioned on receipt of the signed Collateral Assignment.
- v. Franchisee's execution of a lease for a site for the AHQ Facility shall constitute acceptance by Franchisee of such site and location and of the terms of such lease, sublease or purchase.
- vi. Franchisor's approval of the lease or sublease does not constitute a warranty or representation of any kind, express or implied, as to its fairness, suitability or profitability or as to Franchisee's ability to comply with its terms.
- b. **Facility Development.** Franchisee agrees that prior to obtaining possession of the site for the AHO Facility, he shall secure all financing required to fully develop the AHQ Facility. Franchisee further agrees that, promptly after obtaining possession of the site for the Facility, he will: (i) cause to be prepared and submit for approval by Franchisor a site plan. Franchisor shall then provide basic drawings and specifications, including requirements for dimensions, exterior design, materials, interior layout, equipment, fixtures, signs, and decorating required for the development of An AHQ Facility; Franchisee is required to take these drawings and specifications to a licensed architect who will modify them, if required, to meet applicable ordinances, building codes or permit requirements (Franchisor must approve any such modifications to the drawings and specifications); (ii) obtain all required zoning changes, all required building, utility, health, sanitation and sign permits and any other required permits and licenses; (iii) purchase or lease equipment, fixtures, and signs as hereinafter provided; (iv) complete the construction and/or remodeling, equip, furnish and decorate the AHO Facility in full and strict compliance with plans and specifications approved by Franchisor and all applicable ordinances, building codes and permit requirements; (v) obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services; and (vi) upon completion of construction, furnish Franchisor final costs for the construction, equipment, build-out, deposits, and total development of the AHQ Facility. Once the AHO Facility is established and approved by Franchisor, no changes in the interior or exterior design of the AHQ Facility or the equipment or fixtures used within may be made without prior written consent of Franchisor.
- c. Equipment, Fixtures, and Signs. Franchisee agrees to use in the operation of the AHQ Facility only those brands and models of equipment, fixtures, fax machines, credit card processor, exterior and interior signs, and decor items that Franchisor has approved for use in AHQ Facilities as meeting its requirements for performance, warranties, design and appearance. Franchisee may purchase or lease original and replacement equipment, fixtures, fax machine, credit card processor, signs, or decor items meeting such specifications from any source approved by Franchisor (which may include Franchisor and/or its Affiliates). All such equipment must be kept in operating condition throughout the term of the franchise.

If Franchisee proposes to purchase or lease any item of equipment, fixtures, fax machines, credit card processor, signs, or decor items not theretofore approved by Franchisor as meeting its specifications, Franchisee shall first notify Franchisor, and Franchisor may require submission of sufficient specifications, photographs, drawings and/or other information and samples to determine whether such items meet its specifications. Franchisor shall have the right to charge Franchisee a reasonable fee to cover Franchisor's costs incurred in making such determination. Franchisor shall advise Franchisee within sixty (60) days whether such item meets its specifications. No vending machines, unapproved newspapers or periodicals, juke boxes or other music producing machines, gum or candy machines, games, pinball machines or other mechanical devices (including pay telephones and cigarette vending machines) shall be installed or operated at the Facility without Franchisor's prior written consent.

d. Facility Refurbishing.

- i. Subject to the terms and conditions hereinafter set forth, Franchisee agrees to effect such refurbishing of the AHQ Facility (in addition to regular maintenance and repair) as Franchisor from time to time reasonably requires to maintain or improve the appearance and efficient operation of the AHQ Facility, to comply with Franchisor's then-current standards for An AHQ Facility, and/or to accommodate new products and services that Franchisor requires Franchisee to offer. Refurbishing may include: (a) the substitution or addition of new or improved equipment; (b) the substitution or addition of new or improved fixtures and signs; (c) replacement of worn out or obsolete equipment, fixtures and signs; (d) redecorating; (e) repair of the interior and exterior of the premises; and (f) structural modifications and remodeling of the premises.
- ii. Franchisee's obligation to refurbish the Facility as hereinabove provided shall be subject to the following terms and conditions: (a) Franchisee shall not be required to make aggregate expenditures for refurbishing described in items (b) through (f) of Paragraph 3.d.i. above in excess of two percent (2%) of the cumulative Gross Revenues of the AHQ Facility of the four preceding years to the date of any such required refurbishing; (b) Franchisee shall not be required to effect any refurbishing of the AHQ Facility during the last twelve (12) months of the initial or any renewal term of the Franchise except in connection with a renewal of the Franchise; and (c) the substitution or addition of new or improved equipment shall be completed within six (6) months of Franchisee's receipt of notice thereof from Franchisor. All other refurbishing shall be completed within twelve (12) months of Franchisee's receipt of notice thereof from Franchisor.
- e. <u>Facility Opening</u>. Franchisee shall complete development of the AHQ Facility, obtain all licenses required by Franchisor for the operation of the AHQ Facility and

have the AHQ Facility ready to open and commence the conduct of its business by the earlier of

- i. six (6) months after Franchisee obtains possession of such site or
- ii. six (6) months from the date of this Agreement if Franchisee has possession of such site on the date hereof, or
- iii. twelve (12) months from the date of this Agreement.

If Franchisee fails to commence the conduct of business by the deadline set forth above in this Subparagraph 3.e., then this Agreement and the Franchise granted hereby may, at the sole option of Franchisor, be terminated upon the giving of written notice to Franchisee by Franchisor. A new AHQ Facility may not open for business without the prior written approval of Franchisor. Franchisee may not open a new or relocated AHQ Facility without the on-site presence of Franchisor's representative, unless a waiver is requested in writing by Franchisee and approved in writing by Franchisor. Even if the aforementioned request and approval are granted, Franchisee must obtain Franchisor's written authorization, in its sole discretion, of the specific date that the Facility may open. For An AHQ Facility that had been closed by a franchisee and is being reopened by a new franchisee (for example, in a transfer), Franchisor's written approval is required prior to the reopening of the AHQ Facility. The reopening of a previously-closed AHQ Facility may or may not, at Franchisor's sole option, include an on-site inspection by a representative of Franchisor.

f. Facility Opening Marketing Fee. Upon execution of this Agreement, Franchisee shall deposit with the Franchisor a non-refundable Facility Opening Marketing Fee in the amount of Seven Thousand Five Hundred Dollars (\$7,500). Franchisor shall expend the Facility Opening Marketing Fee in connection with the grand opening of Franchisee's AHQ Facility, as well as for local advertising for the AHQ Facility during the initial few months of operation.

g. Relocation of Facility.

i. If Franchisee's lease for the premise of the AHQ Facility terminates without fault of Franchisee, or expires without any possibility of renewal by Franchisee on commercially reasonable terms as determined by Franchisor, or if in the judgment of Franchisor and Franchisee there is a change in the character of the location of the AHQ Facility sufficiently detrimental to its business potential to warrant its relocation, Franchisor shall grant permission for relocation of the AHQ Facility to a location approved by Franchisor. Franchisee may not open a relocated AHQ Facility without the on-site presence of Franchisor's representative, unless a waiver is requested in writing by Franchisee and approved in writing by Franchisee must obtain

Franchisor's written authorization, in its sole discretion, of the specific date that the Facility may open. In the event of relocation, the parties will enter into an agreement which will set forth the new location for Franchisee's AHQ Facility and a deadline by which Franchisee must open for business at the new location, after which time Franchisee will be obligated to resume paying the royalty fee of Five Hundred Dollars (\$500.00) per week, whether or not the new location has opened for business. Any such relocation shall be at Franchisee's sole expense, and shall not be undertaken without Franchisor's prior written consent. Franchisor shall have the right to charge Franchisee for services Franchisor renders to Franchisee in connection with such relocation, including reimbursement of its costs for reviewing and approving the new location and the costs for construction drawings for the Facility at its new location. Franchisor shall also have the right to require Franchisee to upgrade the relocated Facility to conform to Franchisor's then current image, standards, and specifications for construction and equipment for all new AHQ Facilities.

ii. In the event of a relocation of the AHQ Facility, Franchisee shall promptly remove from the former AHQ Facility premises any and all signs, fixtures, posters, furnishings, equipment, advertising materials, stationery, supplies, forms and other articles which display any of the Marks and distinctive features or designs associated with the System. Any articles which display any of the Marks or any distinctive features or designs associated with the System which are not used by Franchisee at the new AHO Facility location shall be disposed of by Franchisee as directed by Franchisor following notice to Franchisor to the effect such articles will not be used at the new AHO Facility. Furthermore, Franchisee shall, at Franchisee's expense, immediately make such modifications or alterations as may be necessary to distinguish the former AHQ Facility premises so clearly from its former appearance and from other AHQ Facilities so to prevent any possibility of confusion by the public (including, without limitation, removal of all distinctive physical and structural features identifying AHO Facilities and removal of all distinctive signs and emblems). Franchisee shall, at Franchisee's expense, make such specific additional changes as Franchisor may reasonably request for this purpose. If Franchisee fails to initiate immediately or complete such alterations within such period of time as Franchisor deems appropriate, Franchisee agrees that Franchisor or its designated agents may enter the premises of the former Facility and adjacent areas at any time to make such alterations as Franchisor deems appropriate to distinguish Franchisee's former AHO Facility premises, without liability for trespass. Franchisee expressly acknowledges that failure to make such alterations will cause irreparable injury to Franchisor and hereby consents to entry, at Franchisee's expense, of any ex parte order by any court of competent jurisdiction authorizing Franchisor or its agents to take such action, if Franchisor seeks such an order. Compliance with the foregoing shall be a condition subsequent to Franchisor's approval of any relocation request by Franchisee, and in the event complete de-identification of the former AHQ Facility premises is not properly and completely undertaken, Franchisor may then revoke its permission for relocation and declare a default under this Agreement.

iii. In the event Franchisee loses possession of the AHQ Facility for whatever reason prior to the expiration of the term of this Agreement, Franchisee is required to diligently search for a new location and open and operate the AHQ Facility as promptly as commercially practicable. In the event Franchisee fails to diligently pursue a new location and open a new AHQ Facility, Franchisee shall be liable to Franchisor for Franchisor's lost royalties, lost Team Players Fees, and other damages for the remainder of the franchise term.

4. TRAINING AND GUIDANCE.

- a. Training. Franchisor shall furnish to Franchisee and two additional persons designated by Franchisee an initial training program in all phases of the operations of an AHQ Facility, including unit operations, bookkeeping, inventory management, and local Facility marketing. Franchisee shall complete the training program to the satisfaction of Franchisor at least one (1) month and no more than two (2) months prior to opening for business. Such training program shall be for a minimum of ten (10) days at a designated Facility location, at Franchisor's corporate location and/or held virtually via a telecommunication platform (e.g. Zoom), and at Franchisee's Facility near the time of the Facility opening. If Franchisor provides refresher and supplemental training programs or regional or national conventions, Franchisee is required to attend such training and/or conventions. Franchisee shall be responsible for the travel and living expenses (including local transportation expenses) incurred while attending the initial training program and any refresher training programs and/or conventions.
- Guidance and Assistance. Franchisor shall furnish guidance to Franchisee with b. respect to: (1) specifications, standards and operating procedures utilized by AHQ Facilities, and any modifications thereof; (2) purchasing approved equipment, signs, operating materials and supplies; (3) methods of scheduling use of the Facility; and (4) the establishment and maintenance of administrative, bookkeeping, accounting and general operating and management procedures. Such guidance shall, in the discretion of Franchisor, be furnished in or supplemented by the AHQ Operations Manual, Franchisee intranet, bulletins, written reports and recommendations, other written materials, and/or telephonic consultations or consultations at the offices of Franchisor or at Franchisee's location. Franchisor shall make no separate charge to Franchisee for such operating assistance, provided that Franchisor may make reasonable charges for forms and other materials supplied to Franchisee and for operating assistance made necessary in the judgment of Franchisor as a result of Franchisee's failure to comply with any provision of this Agreement or any specification, standard or operating procedure prescribed by

Franchisor or operating assistance requested by Franchisee in excess of that normally provided by Franchisor.

AHQ Operations Manual. Franchisor will lend to Franchisee during the term of c. the Franchise one copy of the AHQ Operations Manual (the "AHQ Operations Manual"). The AHQ Operations Manual contains mandatory and suggested specifications, standards, and operating procedures prescribed from time to time by Franchisor for An AHO Facility and information relative to other obligations of Franchisee hereunder. Franchisee must comply with all mandatory specifications, standards and procedures set forth in the AHQ Operations Manual. Franchisor may make reasonable modifications to the AHQ Operations Manual from time to time to reflect changes in the specifications, standards and operating procedures of AHO Facilities. No such modification shall alter Franchisee's fundamental rights under this Agreement. For purposes of this Paragraph, "fundamental rights" shall mean the rights of Franchisee with respect to the financial terms specified in this Agreement, Franchisee's territorial rights (if any), and Franchisee's right to operate its business in the manner set forth in this Agreement and in the AHQ Operations Manual. Franchisee shall keep his copy of the AHQ Operations Manual current by immediately inserting all modified pages furnished by Franchisor for the AHQ Operations Manual and received by Franchisee. In the event of a dispute relative to the contents of the AHQ Operations Manual, the master copy maintained by Franchisor at its principal office shall be controlling. Franchisee may not at any time copy any part of the AHQ Operations Manual or remove any Manual from Franchisee's place of business.

5. MARKS.

Ownership and Goodwill of Marks. Franchisee acknowledges that Licensor a. owns the Marks and that Franchisor has been authorized by Licensor to use the Marks in connection with its franchise program. Franchisee's right to use the Marks is derived solely from this Agreement and is limited to the conduct of business pursuant to and in compliance with this Agreement and all applicable specifications, standards and operating procedures prescribed by Franchisor from time to time during the Term. Any unauthorized use of the Marks by Franchisee shall constitute an infringement of the rights of Franchisor and Licensor in and to the Marks. At Franchisor's sole option, Franchisor may pursue the remedies available under trademark counterfeiting laws, in addition to or instead of trademark infringement. Franchisee agrees that all usage of the Marks by Franchisee and any goodwill established thereby shall inure to the exclusive benefit of Franchisor and Licensor, and Franchisee acknowledges that this Agreement does not confer any goodwill or other interests in the Marks upon Franchisee. All provisions of this Agreement applicable to the Marks shall apply to any additional trademarks,

service marks, logo forms and commercial symbols hereafter authorized for use by and licensed to Franchisee pursuant to this Agreement.

- Limitations on Use of Marks. Franchisee agrees to use the Marks as the sole b. identification of the Facility, provided that Franchisee shall identify itself as the independent owner thereof in the manner prescribed by Franchisor. If Franchisor requests, Franchisee must also sign such other documents as Franchisor reasonably requires in order to allow others in Franchisee's state to use Franchisor's Names and Marks, including without limitation any documents required by the applicable Secretary of State or Department of Commerce located in Franchisee's state.
- d. Notification of Infringements and Claims. Franchisee shall notify Franchisor immediately in writing of any apparent infringement of or challenge to Franchisee's use of any Mark, or claim by any person other than Franchisor or its Affiliates of any rights in any Mark or any similar trade name, trademark, or service mark of which Franchisee becomes aware. Franchisee shall not communicate with any person other than Franchisor, Licensor and their counsel in connection with any such infringement, challenge or claim. methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge, and experience used in developing and operating AHQ Facilities;

marketing and advertising programs for AHQ Facilities;

knowledge of, specifications for, and suppliers of inventory other products and supplies;

customer data and customer lists, including names, addresses and other information;

knowledge of the operating results and financial performance of AHQ Facilities other than Franchisee's Facility; and

graphic designs, proprietary software, and related intellectual property

Any and all information, processes or techniques which Franchisor designates as confidential or proprietary shall be deemed Proprietary Information. Franchisor may disclose the Proprietary Information to Franchisee through furnishing Franchisee sample drawings and specifications for development and operation of the Facility, training programs, the AHQ Operations Manual, and through guidance furnished to Franchisee during the term of this Agreement.

Proprietary Information does not include information, knowledge, or know-how which Franchisee can demonstrate lawfully came to Franchisee's attention before Franchisor provided it to Franchisee directly or indirectly; which, at the time Franchisor disclosed it to Franchisee, already had lawfully become generally known in the industry through publication or communication by others (without violating an obligation to Franchisor); or which, after Franchisor disclosed it to Franchisee, lawfully becomes generally known in the industry through publication or communication by others (without violating an obligation to Franchisor). However, if Franchisor designates any material as Proprietary Information, anyone who claims that it is not Proprietary Information must prove that one of the exclusions provided in this Paragraph is fulfilled.

Limitations on Franchisee's Use. Franchisee acknowledges and agrees that it will b. not acquire any interest in the Proprietary Information, other than the right to utilize the same in the development and operation of the Facility pursuant to this Agreement and in accordance with the terms of this Agreement or other agreements between Franchisee and Franchisor or its Affiliates, and that the use or duplication of the Proprietary Information in any other business would constitute an unfair method of competition. Franchisee hereby agrees that Franchisee and its affiliates, officers, directors, partners and all owners of any interest in Franchisee and/or the Facility: (a) will not use the Proprietary Information in any other business or capacity; (b) will maintain the absolute confidentiality of the Proprietary Information during and after the Term; (c) will not make unauthorized copies of any portion of the Proprietary Information disclosed in written, visual, electronic, auditory or any other form; and (d) will adopt and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use or disclosure of the Proprietary Information including, without limitation, restrictions on disclosure thereof to employees and the use of a separate written agreement with employees and agents incorporating nondisclosure and noncompetition clauses in a form satisfactory to Franchisor, including naming Franchisor as an intended third party beneficiary. In connection with this obligation, Franchisee shall notify Franchisor of the name and address of each affiliate, officer, director, partner, supervisory employee and owner of Franchisee and shall update such information whenever necessary. Such notification shall contain and have annexed thereto a copy of the written agreement executed by the individual at the time he or she acquires an interest in or becomes associated with

or employed by Franchisee in which such individual consents to be bound by the restrictive covenants contained in said agreement and to Franchisor's and Franchisee's enforcement of such covenants. An example of a separate written agreement currently considered satisfactory to Franchisor, including provisions to confirm Franchisor's ownership of Ideas (as defined in Paragraph 6.c.) is the Confidentiality and Non-Competition Agreement attached to the Franchise Disclosure Document as Exhibit E. Franchisee is solely responsible for making certain that the terms of said Confidentiality and Non-Competition Agreement are enforceable in Franchisee's state, and if Franchisee's legal counsel advises revisions to comply with the laws of the state in which Franchisee conducts business, Franchisee shall furnish Franchisor a copy of the revised document prior to using it with any of Franchisee's employees. Franchisee shall retain all written Confidentiality and Non-competition Agreements with his business records for the time period specified in the AHQ Operations Manual or under applicable law. Franchisee shall enforce all covenants and give Franchisor notice of any breach or suspected breach of which Franchisee has knowledge. The requirement for the Nondisclosure and Noncompetition Agreement between Franchisee and its employees, including the provision that makes Franchisor an intended third party beneficiary, shall not create an employee or joint employee relationship between Franchisor and Franchisee's employees, nor does it constitute control by Franchisor over Franchisee's employees' conditions of employment. The obligations of Franchisee pursuant to this Paragraph 6.b. shall survive the termination or expiration of this Agreement.

- c. <u>Innovations.</u> All ideas, concepts, techniques, and marketing, advertising or other materials ("Ideas") relating to an AHQ Facility, whether or not protectable intellectual property and whether created by or for Franchisee or Franchisee's owners or employees, must be promptly disclosed to Franchisor and will be deemed to be Franchisor's sole and exclusive property, part of Franchisor's System, and works made-for-hire for Franchisor. To the extent that any item does not qualify as a "work made-for-hire" for Franchisor, by this Paragraph Franchisee assigns ownership of that item, and all related rights to that item, to Franchisor and agree to take whatever action (including signing assignment or other documents) Franchisor requests to evidence Franchisor's ownership or to help Franchisor in this regard. Franchisee agrees that Franchisor shall have the perpetual right to use and authorize other AHQ Facilities to use such ideas, concepts, methods and techniques without further consideration to Franchisee.
- d. <u>Customer List.</u> The list of customers that Franchisee services during the term of this Franchise Agreement is the Franchisor's Proprietary Information and property. At the expiration or termination of this Franchise Agreement for any reason, Franchisee will promptly turn over to Franchisor the entire list of customers and Franchisee will make no further use of that list for any purpose whatsoever.

7. <u>RELATIONSHIP OF THE PARTIES.</u>

- a. **Independent Contractors.** It is understood and agreed by the parties that this Agreement does not create a fiduciary relationship between them, that Franchisor and Franchisee shall be independent contractors and that nothing in this Agreement is intended to make either party a general or special agent, legal representative, subsidiary, joint venturer, partner, employee or servant of the other for any purpose. Franchisor and Franchisee are independent contractors and no training, assistance or supervision, which Franchisor may give or offer to Franchisee will defeat their relationship as independent contractors. Franchisor will not be liable for damages to any person or property arising directly or indirectly out of the operation of the Franchised Business. Franchisor will not be liable for taxes levied upon Franchisee or the Franchised Business. Franchisee acknowledges that Franchisor's training, guidance, advice and assistance, Franchisee's obligations under this Agreement and the standards, specifications, policies and procedures required by Franchisor hereunder and in the AHQ Operations Manual are imposed not for the purpose of exercising control over Franchisee but rather for the limited purpose of protecting the Marks and confidential information, goodwill and brand consistency.
- b. <u>Franchisee's Obligations</u>. Franchisee shall conspicuously identify himself in all dealings with customers, suppliers, public officials and others as the owner of the Facility under a Franchise granted from Franchisor, and shall place such notices of independent ownership on such forms, business cards, stationery, advertising and other materials as Franchisor may require from time to time. Franchisor has not authorized or empowered Franchisee to use the Marks except as provided by this Agreement, and Franchisee shall not employ any Mark in signing any contract, check, purchase agreement, negotiable instrument or other legal obligation without the prior written consent of Franchisor or employ any Mark in a manner that may result in liability of Franchisor for any indebtedness or obligation of Franchisee.
- c. <u>Negation of Liability.</u> Neither Franchisor nor Franchisee shall make any express or implied agreements, guaranties or representations or incur any debt in the name of or on behalf of the other or represent that their relationship is other than that of franchisor and franchisee. Neither Franchisor nor Franchisee shall be obligated by or have any liability under any agreements or representations made by the other. Franchisor shall have no liability or obligation for any damages to any person or property directly or indirectly arising out of the development or operation of the Facility, whether or not caused by Franchisee's negligent or willful action or failure to act. Franchisor shall have no liability for any sales, use, excise, gross receipts, property or other taxes of Franchisee or the Facility.
- d. <u>Indemnification</u>. Franchisee agrees to indemnify Franchisor and its subsidiaries, Affiliates, stockholders, directors, officers, employees, agents, successors, and assignees against and to reimburse them for all obligations, damages, and taxes set forth in this Agreement for which they are held liable and for all costs reasonably incurred by them in the defense of any claims brought against them or in any action in which they are named as a party, including without limitation, reasonable

attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses as a result of or related in any way to the operation of the Facility, except to the extent caused by Franchisor's negligent or willful action or failure to act. Franchisor has the right to defend any such claim against it. Franchisee shall also indemnify and hold Franchisor and its officers, directors, employees and agents harmless from any and all claims, demands or liabilities arising from the offer or sale of securities, whether asserted by a purchaser of any security or by a governmental agency. Franchisor has the right to defend any such claims.

e. <u>Survival</u>. The indemnities and assumptions of liabilities and obligations herein shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

8. FRANCHISE AND OTHER FEES.

a.	Initial Franchise Fee.	Franchisee agrees to pay to Franchisor, upon execution of
	this Agreement, an initi	al franchise fee as follows:

 \$25,000.00 for first AHQ Facility						
 \$20,000.00 Facilities	for	second	and	subsequent	АНζ	

- (1) The initial franchise fee shall be fully earned by Franchisor upon its payment, and shall be non-refundable.
- b. Royalty Fee. Franchisee agrees to pay to Franchisor, via electronic bank draft as described below, a weekly royalty fee. During the first year of operating the Facility the royalty fee is Three Hundred Dollars (\$300.00) per week. Thereafter, the royalty fee is Five Hundred Dollars (\$500.00) per week. The royalty fee shall be due on each Wednesday for the preceding "Reporting Week" (Monday through Sunday). The royalty fee is not based on Franchisee's sales or gross revenues. Nevertheless, Franchisee is required to furnish Franchisor financial reports which include Franchisee's Gross Revenues; see Section 11.b. below.
- c. <u>Team Players Fee.</u> Franchisee also agrees to pay to Franchisor, via electronic bank draft, an annual Team Players Fee in the amount of Fifty Dollars (\$50.00) for each and every Team Player on an "AHQ Team," Franchisee must submit to Franchisor its Team Players lists by October 1 of each year that Franchisee operates the AHQ Facility. Payment of the total Team Players Fees is due to Franchisor by November 1 of each year.
- d. <u>Definition of "Gross Revenues."</u> As used in this Agreement, the term "Gross Revenues" shall mean the entire amount of all gross sales and business receipts, including direct or indirect barter transactions, proceeds of business interruption

insurance policies, through or by means of the business conducted in connection therewith, whether for cash or credit. It does not include: (1) sales, use, or service taxes collected from customers and paid to the appropriate taxing authority; and (2) any bona fide customer refunds and approved rebates, discounts and allowances. Franchisee must make payments by electronic bank draft. Gross Revenues are based on retail prices, subject only to the exclusions noted in (1) and (2) of this paragraph.

- e. <u>Interest on Late Payments</u>. All royalty fees, Team Players Fees, and other amounts which Franchisee owes to Franchisor or its Affiliate shall bear interest after their due date at the lower of one-half percent (0.5%) per week, or the highest contract rate allowed by local law. Franchisor may compound the interest on a weekly basis. Franchisee acknowledges that this Paragraph shall not constitute Franchisor's agreement to accept such payments after same are due or a commitment by Franchisor to extend credit to, or otherwise finance, Franchisee's operation of the AHQ Facility. Further, Franchisee acknowledges that his failure to pay all such amounts when due shall constitute grounds for termination of this Agreement, as provided in Section 16 hereof, notwithstanding the provisions of this Paragraph.
- f. Application and Set-Off of Payments. Franchisee shall not be allowed to set off amounts owed to Franchisor or other amounts due hereunder, against any monies owed to Franchisee, nor shall Franchisee in any event withhold any amounts due to any alleged nonperformance by Franchisor hereunder, which right of set off is expressly waived by Franchisee. Franchisor shall be allowed to set off amounts owed to Franchisee against monies owed to Franchisor by Franchisee. Notwithstanding any designation by Franchisee, Franchisor shall have sole discretion to apply any payments by Franchisee to any past due indebtedness of Franchisee for royalty fees, Team Players Fees, purchases from Franchisor or its Affiliates, interest or other indebtedness owed by Franchisee to Franchisor or its Affiliates.
- g. <u>Electronic Bank Draft Plan</u>. Franchisee shall make payments of the royalty fee, Team Players Fees, and all other payments due Franchisor through an Electronic Bank Draft Plan on a bank account Franchisee is required to establish and maintain for the purpose of making payments to Franchisor. Franchisee shall execute such documents as may be required from time to time by Franchisor to permit Franchisor to withdraw from Franchisee's general operating checking account the amounts due Franchisor. The form authorizing the electronic bank draft is attached as Rider D.
 - i. In the event any electronic bank draft is declined, dishonored, or refused, due to insufficient funds, Franchisor will attempt another electronic bank draft. In the event any electronic bank draft is dishonored, Franchisee shall pay the Franchisor an assessment of Twenty-Five Dollars (\$25.00) for each of the first three (3) times payment is declined due to insufficient funds in any calendar year; after the third time in any calendar year, the assessment is Fifty Dollars (\$50.00) each. Franchisee shall also immediately remedy

the reason the electronic bank draft was dishonored, and notify Franchisor that the electronic bank draft will be honored.

- ii. In the event any electronic bank draft is declined, dishonored, or refused, due to the bank account being closed, Franchisee shall pay the Franchisor an assessment of Twenty-Five Dollars (\$25.00) per transaction for each of the first three (3) times payment is declined due to a closed bank account in any calendar year; after the third time in any calendar year, the assessment is Fifty Dollars (\$50.00) each. Franchisee shall also provide Franchisor new bank account information, execute all documents and pay any out-of-pocket expenses required to authorize payments to Franchisor by electronic bank draft from Franchisee's new bank account.
- iii. In the event an electronic bank draft is not honored after following the steps described above, Franchisee will be deemed to be in material breach of this Agreement and be subject to all the remedies available to Franchisor in this Agreement.
- iv. Franchisee may not make any change in its banking relationships, including any change in the account number of its general operating account, or any change in banks, without executing all documents and paying any out-of-pocket expenses required to authorize payments to Franchisor by electronic bank draft from Franchisee's new bank account.
- h. **Document Name Change Fee.** In the event Franchisee requests and Franchisor approves any alteration, addition, or modification in the name or identity of the Franchisee on this Agreement, Franchisee agrees to pay Franchisor a Document Name Change Fee in the amount of Two Hundred Fifty Dollars (\$250.00). Provided, however, this fee shall be waived the first time a transfer is made pursuant to Paragraph 14.b.(iv).

9. **OPERATING STANDARDS.**

Image of the Facility. The presentation of an image in compliance with a. Franchisor's minimum standards and specifications to the public is an essential element of a successful franchise system. Franchisee shall offer for sale all products and services that Franchisor, in its sole discretion, may from time to time require, and shall make such expenditures as may be necessary to enable it to fulfill such obligation, including, without limitation, the purchase or lease of new equipment or services, and the hiring and training of suitable personnel. Franchisee further agrees that the AHQ Facility will not, without prior written approval by Franchisor, provide and/or offer for sale any products or services not then authorized by Franchisor for AHO Facilities. Franchisor reserves the right to revoke its approval of any products or suppliers previously authorized at any time upon written notice to Franchisee, provided that Franchisee may continue to offer and sell all remaining on-hand or ordered non-cancelable inventory of such products or from such suppliers as of the date of receipt of written notice from Franchisor. The term "supplier" in this Agreement, when used to refer to Franchisor's right to designate or approve suppliers from whom Franchisee must purchase products or services, includes not only the manufacturer, but also the distributor of those products or services. Franchisee agrees to cooperate by participating in Franchisor's market research programs, test marketing of new services and products in the AHQ Facility, customer feedback programs, and providing Franchisor with timely reports and other relevant information regarding such market research. In connection with any such test marketing, Franchisee shall purchase a reasonable quantity of tested products and effectively promote and make a reasonable effort to sell such products.

b. Standards and Sources of Supplies

- i. Franchisee is required to obtain all his requirements of Branded Products (baseball and softball bats, gloves, uniforms, apparel, helmets, footwear, and other inventory) from Franchisor or Franchisor's designated supplier. Franchisee is also required to purchase from Franchisor's designated suppliers all his requirements of promotional materials, marketing materials, brochures, and all Athletes HQ branded items. Franchisor also reserves the right to require that other items be purchased exclusively from Franchisor or its designees, in which event Franchisor or its designees may derive revenue from said purchases.
- ii. Other than products which must be purchased from Franchisor, its Affiliates or its designated supplier pursuant to Paragraph 9.b.i. herein, Franchisee agrees that the AHQ Facility will offer for sale other products and services which conform to Franchisor's specifications and quality standards and/or are purchased from suppliers approved from time to time by Franchisor (which may include Franchisor and/or its Affiliates).
- iii. Franchisee agrees to use in the operation of the AHQ Facility only signs, equipment, merchandise, materials and supplies that conform to Franchisor's minimum specifications and quality standards and/or are purchased from suppliers approved from time to time by Franchisor (which may include Franchisor and/or its Affiliates).
- iv. Franchisor may, from time to time, modify the minimum standards and specifications and/or the list of approved brands and/or suppliers. If Franchisee proposes to use or offer any products, other products or services, or supplies (other than those which must be purchased pursuant to Paragraph 9.b.i.) which do not comply with Franchisor's then-current minimum standards or specifications or which are purchased from a supplier that has not been approved, Franchisee shall first notify Franchisor in writing and submit sufficient information, specifications and samples concerning such item or supplier for determination by Franchisor as to whether such item complies with Franchisor's specifications and standards, and/or whether the supplier meets Franchisor's approved supplier criteria.

Franchisor shall have the right to charge Franchisee a reasonable fee to cover Franchisor's costs incurred in making such determination. Franchisor shall, within sixty (60) days, notify Franchisee whether or not such proposed item or supplier is approved. Franchisor may from time to time prescribe procedures for submission of requests for approval of items or suppliers and obligations which approved suppliers must assume (which may be incorporated into a written agreement to be executed by approved suppliers). Franchisor may impose limits on the number of suppliers and/or brands for any product used or sold by the AHQ Facility. Franchisor may collect a service fee on items purchased by Franchisee through national marketing contracts negotiated and maintained by Franchisor.

- v. Franchisee shall not offer and sell any branded items (other than "Branded Products" as defined in Paragraph B of the Recitals) in the AHQ Facility without the prior written consent of Franchisor. Franchisee shall offer and sell branded items which have been approved by Franchisor only in the manner prescribed by Franchisor from time to time. Franchisor reserves the right to revoke the approval of a previously authorized branded item.
- vi. Franchisee shall at all times maintain an inventory of approved products sufficient in quantity and variety to realize the full potential of the AHQ Facility.
- vii. Franchisee acknowledges and agrees that the Franchisor and its Affiliates have proprietary products, including but not limited to branded packaging, promotional materials, and other proprietary products. Franchisor reserves the right to require Franchisee to use such proprietary products in the AHQ Facility.
- viii. Franchisee acknowledges and agrees to strictly comply with the Franchisor's methods exactly as set forth in the AHQ Operations Manual, for all products and services offered and sold in Franchisee's AHQ Facility. Franchisee shall indemnify Franchisor for any claims, damages, suits, judgments, fines, or any other losses incurred by Franchisor by virtue of Franchisee's failure to comply with this subparagraph.
- ix. Franchisee hereby consents to and authorizes Franchisor to obtain credit information regarding Franchisee from any approved suppliers.
- c. <u>Operating Procedures</u>. Franchisee acknowledges that each and every detail of the appearance and operation of the AHQ Facility in compliance with Franchisor's high standards is important. Franchisee agrees to cooperate with Franchisor by maintaining such high standards in the operation of the AHQ Facility. Franchisee agrees to comply with all mandatory specifications, standards and operating procedures relating to the function and operation of An AHQ Facility including, without limitation, specifications, standards and operating procedures and rules relating to: (1) hours during which Franchisee shall operate the Facility; (2)

methods and procedures relating to the acquisition, storage and preparation of products offered by Franchisee in the operation of the AHQ Facility; (3) advertising and promotion; (4) use of standard forms; (5) the handling of customer inquiries and complaints; (6) use of approved credit card processor or mobile pay technology, (7) prohibition against smoking in the AHQ Facility, and (8) prohibition against the use or consumption of alcoholic beverages. Mandatory specifications, standards and operating procedures prescribed from time to time by Franchisor in the AHQ Operations Manual or otherwise communicated to Franchisee in writing, shall constitute provisions of this Agreement as if fully set forth herein. All references herein to this Agreement shall include all such mandatory specifications, standards and operating procedures.

d. Compliance with Laws and Good Business Practices. Franchisee shall secure and maintain in force in its name all required licenses, permits and certificates relating to the operation of the AHQ Facility. Franchisee shall operate the AHQ Facility in full compliance with all applicable laws, ordinances and regulations including, without limitation, all government regulations relating to health and safety, federal labeling laws, workers' compensation insurance, unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales taxes. Franchisee must also at its own expense comply with security standards established by the Payment Card Industry Security Standards Council, in connection with credit card transactions. All advertising by Franchisee shall be completely factual, in good taste in the judgment of Franchisor, and shall conform to the highest standards of ethical advertising. Franchisee shall in all dealings with its customers, suppliers, employees, and public officials adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. Franchisee agrees to refrain from any business or advertising practice which may be injurious to Franchisor and the goodwill associated with the Marks and other AHQ Facilities. In the event Franchisee shall fail to secure any license or permit required for the operation of the AHQ Facility, Franchisor, at its option and in addition to its other rights and remedies hereunder, may obtain such license or permit on behalf of Franchisee and Franchisee shall fully cooperate with Franchisor in its efforts to obtain such license or permit on behalf of Franchisee and shall pay to Franchisor, on demand, all costs and charges incurred by Franchisor. Franchisor's option not to obtain a license or permit on behalf of Franchisee, as set forth in the preceding sentence, shall not be considered a "failure to act" within the meaning of Paragraph 7.d. (Franchisee's indemnification). Franchisee is solely responsible for its own investigation of and compliance with all laws and regulations to which Franchisee or the Franchised Business is subject, and if Franchisee's or the Franchised Business's compliance with such laws or regulations require, Franchisee shall automatically be entitled to a variance of any standard, specification, requirement, term or condition imposed hereunder for such compliance. Franchisor does not represent that any of the training, guidance, advice or recommendations which it provides, or the standards, specifications, requirements or restrictions which it imposes (all of which are provided or imposed for the protection of the proprietary marks, goodwill and brand consistency) comply with the laws and regulations to

which Franchisee or the Franchised Business may be subject. The indemnification in Paragraph 7.d. applies to Franchisee's obligations under this Paragraph 9.d.

- Management and Personnel of the Business. Franchisee shall devote his full e. time and best efforts to the AHQ Facility and shall not engage in any other business or other activity, directly or indirectly, that requires any significant management responsibility, time commitments, or otherwise may conflict with Franchisee's obligations hereunder, without the express written consent of Franchisor. The AHO Facility shall at all times be under the direct personal supervision of Franchisee, and shall at all times be under the full-time management of Franchisee or a qualified manager who has successfully completed Franchisor's training program. Franchisee or his manager shall hire all employees of the AHO Facility and shall be exclusively responsible for the hiring, retention, firing, scheduling, wages, benefits, vacations, discipline, performance evaluations, awards, promotions, demotions, work assignments, time off, and all other terms of their employment and compensation and for the proper training of such employees. Franchisee is solely responsible for establishing its own employee relations policies and the handling any disciplinary matters that may arise with Franchisee's employees. If Franchisee requests Franchisor to train Franchisee's manager, Franchisee shall pay Franchisor its then-current Manager Training Fee. Franchisee shall establish at the AHQ Facility for all employees a training program meeting the standards prescribed by Franchisor. Franchisee shall require all managers of the AHQ Facility to execute Franchisor's then current form of Confidentiality and Non-Competition Agreement and shall provide Franchisor a copy of the executed agreement for each manager of the AHQ Facility, as provided in Paragraph 6.b. Franchisee shall require all employees to maintain a neat and clean appearance and to conform to the employee uniform requirements as specified by Franchisor from time to time. Franchisee must, on all employment applications he gives out to employee applicants, have printed on said applications: "You are applying for a job to work for an independently owned Franchisee and not for the Franchisor." Franchisee shall notify and communicate clearly with its employees in all dealings, including without limitation, its written and electronic correspondence, paychecks, employee handbooks, employment policies and procedures, other materials, that Franchisee (and only Franchisee) is their employer, and that Franchisor is not their employer. If the AHO Facility at any time is not being managed by Franchisee or a qualified, trained, full-time manager, Franchisor may appoint a manager for the AHO Facility and charge a reasonable management fee during the period in which Franchisor manages the AHQ Facility.
- f. Exclusive Relationship. Franchisor has entered into this Agreement with Franchisee on the express condition that Franchisee and its owners will deal exclusively with Franchisor. Franchisee therefore agrees that during the term of this Agreement, except for the AHQ Facility and other AHQ Facilities operated under Franchise Agreements with Franchisor, neither Franchisee nor any of its owners shall (1) have any direct or indirect ownership interest in any Competitive Business located or operating anywhere in the world; (2) have any direct or indirect ownership interest in any entity which is granting franchises or licenses or

establishing joint ventures for operation of Competitive Business anywhere in the world; (3) perform services as a director, officer, manager, employee, consultant, representative, agent, lessor, lender, or otherwise for any Competitive Business or any business which is granting franchises or licenses or establishing joint ventures for the operation of Competitive Businesses anywhere in the world, or (4) directly or indirectly, for Franchisee or for any other person or entity, alone or through or on behalf of others, own, engage in, be employed by, advise, assist, lease or sublease to, invest in, franchise, lend money to, sell or lease the assets of the AHQ Facility to, or have any financial or other interest in, a Competitive Business anywhere in the world. The restrictions of this Paragraph shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on an over-the-counter market that represent three percent (3%) or less of the number of shares of that class of securities issued and outstanding. To the extent that any provision of this Paragraph 9.f. is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but could be enforceable by reducing any or all thereof, Franchisee and Franchisor agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. For purposes of this Paragraph 9.f, the term "Competitive Business" shall mean personal training and group training in the areas of pitching, catching, hitting and fielding, in addition to cage rental services, and batting cages, baseball pitching machines, softball pitching machines, memberships of cage rentals, and travel teams for both baseball and softball.

g. **Insurance.**

i. During the term of the Franchise, Franchisee shall maintain in force, under policies of insurance issued by carriers duly admitted in the Facility's state, with an A.M. Best rating not less than A-, and acceptable to Franchisor, comprehensive general liability and property damage insurance against claims for bodily and personal injury, death and property damage caused by or occurring in conjunction with the operation of the AHQ Facility, or otherwise in conjunction with the conduct of business by Franchisee pursuant to the Franchise Agreement, under one or more policies of insurance containing coverage for: Workers Compensation including Employers Liability in the limit of no less than \$500,000; Comprehensive General Liability of no less than \$1,000,000 per occurrence with a General Aggregate of no less than \$2,000,000.00; Products Liability of \$2,000,000; Employment Practices Liability of no less than \$500,000, Cyber Liability of no less than \$1,000,000; Property Insurance in the amount of the replacement cost for stock, inventory, equipment and improvements and betterments; Business Interruption in an amount equal to at least twelve (12) months of gross revenue; and coverage for equipment breakdown in the minimum amount of \$25,000, and an Umbrella Policy of no less than \$1,000,000. In addition, if Franchisee uses a vehicle to deliver product or supplies, he must maintain Comprehensive Auto Liability coverage of no less than \$1,000,000. Further, if any employee of Franchisee ever uses a

vehicle for company business, the Comprehensive General Liability insurance must include "Hired and Non-Owned" automobile liability coverage of no less than \$1,000.000. The cost of insurance will vary based on the types and limits of the insurance Franchisee purchases and other factors affecting risk exposure. Franchisor may periodically increase the amounts of coverage required under such insurance policies and require different or additional kinds of insurance at any time, including excess liability insurance, to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. Each insurance policy described in this Section shall name Athletes HQ Systems, Inc. (500 Lake Cook Road, Suite 475, Deerfield, Illinois 60015) as additional insured on a primary and noncontributory basis, with respect to policies secured, and shall provide for thirty (30) days' prior written notice to Franchisor of any material modification, cancellation or expiration of such policy, unless prohibited by local insurance regulation. All policies must have a waiver of subrogation in favor of the Franchisor.

- ii. Prior to the opening of the AHQ Facility and prior to the expiration of the term of each insurance policy, Franchisee shall furnish Franchisor with a copy of each insurance policy to be maintained by Franchisee for the immediately following term and evidence of the payment of the premium therefor.
- iii. Franchisee's obligations to maintain insurance coverage as herein described shall not be affected in any manner by reason of any separate insurance maintained by Franchisor, nor shall the maintenance of such insurance relieve Franchisee of any obligations under Section 7 of this Agreement.
- h. Cooperation with Communication of Franchisor's Franchising Information.

 Franchisee agrees to cooperate with Franchisor in communication of Franchisor's franchising information such as displaying franchising information within the AHQ Facility and/or including a franchising tag line on local advertising. Franchisee will not be responsible for paying for any such communication that has been implemented by Franchisor.
- i. <u>Computer</u>. Franchisee shall, throughout the term of this Agreement, maintain an active e-mail account and shall have access to the Internet for receiving bulletins, updates, and other information from Franchisor, accessing the Franchisor's intranet site and using vendor on-line ordering systems. Franchisee must already have or arrange for Internet access with a form of high-speed service (DSL or cable). Franchisee must have or purchase computer hardware and software, a monitor and a printer. Franchisor may require Franchisee to lease proprietary software from Franchisor or a third party designated by Franchisor, and to enter into a software License Agreement with Franchisor or such third party. Franchisor reserves the right to access information and data pertaining to the AHQ Facility produced by and/or by Franchisee's computer system. Franchisee shall be solely responsible for protecting Franchisee's computer systems from viruses, computer hackers and

other computer-related and technology-related problems, and Franchisee releases Franchisor from all claims it may have as result of viruses, hackers or other computer-related or technology-related problems. As technology advances, Franchisee must comply with Franchisor's requirements, as described in the AHQ Operations Manual or via Policy Statement, in order for Franchisor to be able to communicate with Franchisee.

Franchisee or any of its owners discloses or divulges the contents of the AHQ Operations Manual, or other trade secret, Proprietary Information, or other confidential information provided to Franchisee by Franchisor contrary to provisions of this Agreement, or makes any unauthorized use of the Marks;
- x. Franchisee fails to satisfactorily complete the training program (as applicable) in which event none of the initial franchise fee shall be refunded to Franchisee;
- xi. Upon the death or permanent incapacity of Franchisee or owner of a controlling interest in Franchisee, an approved transfer is not effected as provided in Section 14 of this Agreement;
- xii. Franchisee fails to timely pay any lender to whom Franchisor has guaranteed Franchisee's obligations, or Franchisor if Franchisee has entered into a financing arrangement with Franchisor:
 - (1) more than three (3) times if the defaults are cured, or
 - (2) one (1) time if the default is not cured

during the financing term;

- xiii. Franchisee fails to timely pay any vendors, suppliers, or landlord more than three (3) times during the term of the franchise;
- xiv. Franchisee's lease or sublease for the AHQ Facility is terminated or expires and Franchisee is unable to retain possession of the AHQ Facility and fails to relocate in accordance with Paragraph 3.g. of this Agreement; or
- xv. Any other agreement between Franchisor and Franchisee (or related entities, of which any one or more parties, whether individual, corporate or otherwise, is a party to or guarantor of said other agreement) is terminated, which termination is a result of Franchisee's default and failure to cure as provided under said agreement. However, this Subparagraph 16.a.xv. shall not apply in the event of a termination of an Area Development Agreement between Franchisor and Franchisee.
- b. Franchisor shall have the further right to terminate this Agreement, effective upon the delivery of notice of termination to Franchisee, if Franchisee fails to pay when due any monies owed to Franchisor, or its Affiliates or designated suppliers, or fails to maintain the insurance required under Paragraph 9.g., and does not correct such failure within ten (10) days after written notice thereof is given to Franchisee, or

fails to comply with any other provision of this Agreement or any mandatory specification, standard or operating procedure prescribed by Franchisor and does not correct such failure within thirty (30) days after written notice of such failure to comply is given to Franchisee.

c. A default under this Agreement shall also constitute a default under any and all other agreements entered into between Franchisor and Franchisee (or related entities, of which any one or more parties, whether individual, corporate or otherwise, is a party to or guarantor of said other agreement), with the right to terminate the other agreement(s) in accordance with the provisions of those agreement(s).

17. RIGHTS OF FRANCHISOR AND OBLIGATIONS OF FRANCHISEE UPON TERMINATION OR EXPIRATION OF THE FRANCHISE

- a. Payment of Amounts Owed to Franchisor. Franchisee agrees to pay to Franchisor within fifteen (15) days after the effective date of termination or expiration of the Franchise, or such later date that the amounts due to Franchisor are determined, such royalty fees, Team Players Fees, amounts owed for purchases by Franchisee from Franchisor, its Affiliates, or designated suppliers, interest due on any of the foregoing and all other amounts owed to Franchisor, its Affiliates, or designated suppliers which are then unpaid.
- b. Marks. Franchisee agrees that after the termination or expiration of the Franchise he will: (i) not directly or indirectly at any time or in any manner identify himself or any business as a current or former AHQ Facility, or as a franchisee or licensee of or as otherwise associated with Franchisor, use any Mark or any colorable imitation thereof in any manner or for any purpose or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with Franchisor; (ii) return to Franchisor or destroy all forms and materials containing any Mark or otherwise identifying or relating to An AHQ Facility; (iii) return to Franchisor all inventory bearing the Marks at Franchisee's cost; (iv) take such action as may be required to cancel all fictitious or assumed name or equivalent registrations relating to his use of any Mark; (v) change the telephone number of the AHO Facility and instruct all telephone directory publishers to modify all telephone directory listings of the AHQ Facility associated with any Marks when the directories are next published; (vi) if requested by Franchisor, transfer to Franchisor or Franchisor's designee the telephone number of the AHQ Facility and all telephone directory listings associated with the Marks; and (vii) furnish to Franchisor, within thirty (30) days after the effective date of termination or expiration, evidence satisfactory to Franchisor of Franchisee's compliance with the foregoing obligations. request by Franchisor, Franchisee will furnish Franchisor photographs of the AHO Facility as evidence of the removal of Franchisor's Marks and, if Franchisor has so requested, modification of the AHQ Facility to distinguish its appearance from that of An AHQ Facility.

- c. <u>Proprietary Information</u>. Franchisee agrees that, upon termination or expiration of the Franchise, he will immediately cease to use any Proprietary Information of Franchisor disclosed to or otherwise learned or acquired by Franchisee in any business or otherwise and return to Franchisor all copies of the AHQ Operations Manual and any other confidential materials which have been loaned or made available to him by Franchisor.
- Covenant Not to Compete. Upon termination of this Agreement by Franchisor in d. accordance with its terms and conditions or by Franchisee without cause, or upon expiration of this Agreement, Franchisee and its owners agree that for a period of two (2) years, commencing on the effective date of termination or expiration or the date on which all persons restricted by this Paragraph begin to comply with this Paragraph, whichever is later, neither Franchisee nor its owners shall (i) have any direct or indirect ownership interest in any Competitive Business located or operating at the AHQ Facility location or within fifty (50) miles of the AHQ Facility or within fifty (50) miles of any other franchisee of Franchisor, or of any company-owned or Affiliate-owned AHQ Facility; (ii) have any direct or indirect ownership interest in any entity which has granted or during such two (2) year period grants franchises or licenses for the location or operation of Competitive Businesses at the AHO Facility location or within fifty (50) miles of the AHO Facility or within fifty (50) miles of any other franchisee of Franchisor, or of any company-owned or Affiliate-owned AHQ Facility; (iii) perform services as a director, officer, manager, employee, consultant, representative, agent, lender, lessor, or otherwise for any Competitive Business located or operating at the AHQ Facility location or within fifty (50) miles of the AHQ Facility or within fifty (50) miles of any other franchisee of Franchisor, or of any company-owned or Affiliateowned AHO Facility, or (iv) directly or indirectly, for Franchisee or for any other person or entity, alone or through or on behalf of others, own, engage in, be employed by, advise, assist, lease or sublease to, invest in, franchise, lend money to, sell or lease the assets of the AHQ Facility to, or have any financial or other interest in, a Competitive Business at the AHQ Facility location or within fifty (50) miles of the AHQ Facility or fifty (50) miles of any other franchisee of Franchisor, or of any company-owned or Affiliate-owned AHO Facilities. acknowledges that after his AHQ Facility is open, other franchisees may open new units, which may significantly increase the prohibited geographical area than what is applicable as of the date of this Franchise Agreement, The restrictions of this Section shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent three percent (3%) or less of the number of shares of that class of securities issued and outstanding. To the extent that any provision of this Paragraph 17.d. is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but could be enforceable by reducing any or all thereof, Franchisee and Franchisor agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. For purposes of this Paragraph 17.d., "Competitive Business" shall mean personal training and group training in the areas of pitching, catching, hitting and fielding, in addition to cage rental services, and batting cages,

baseball pitching machines, softball pitching machines, memberships of cage rentals, and travel teams for both baseball and softball.

e. <u>Continuing Obligations</u>. All obligations of Franchisor and Franchisee which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

f. Franchisor's Option To Purchase.

- i. If this Agreement expires (without renewal) or is terminated by Franchisor in accordance with its provisions or by Franchisee without cause, then Franchisor shall have the option, exercisable by giving written notice thereof within sixty (60) days from the date of such expiration or termination, to purchase from Franchisee any or all the tangible assets (including, without limitation, inventory of saleable products, equipment, fixtures, signs, fax machines, computers, leasehold improvements and any other assets of the AHQ Facility owned by Franchisee, but excluding any unamortized portion of the initial franchise fee, cash, goodwill, short-term investments and accounts receivable) of the AHO Facility (collectively, the "Purchased Assets") and to an assignment of Franchisee's lease for (a) the premises of the AHQ Facility (or, if an assignment is prohibited, a sublease for the full remaining term and on the same terms and conditions as Franchisee's lease) and (b) any other tangible assets used in connection with the AHO Facility. Franchisor may exclude from the assets purchased any items that Franchisor determines are not reasonably necessary (in function or quality) to the Facility's operation or that Franchisor has not approved as meeting its standards for AHQ Facilities, and the purchase price will reflect these exclusions. Franchisor shall have the unrestricted right to assign this option to purchase and assignment of leases separate and apart from the remainder of this Agreement.
- ii. The purchase price for the AHO Facility (except for the signage, the purchase price of which is \$100) shall be either, at Franchisor's option: (a) the Book Value (as defined below) of the Purchased Assets, or (b) the Forced Liquidation Value of the Purchased Assets, as determined by a neutral appraiser. Both the Franchisor and the Franchisee shall select an appraiser, whose sole function would be to select a third, neutral appraiser, who would determine the Forced Liquidation Value of the Purchased Assets. The fees and costs of the neutral appraiser shall be shared equally by Franchisor and Franchisee. "Book Value" shall mean the net book value of the Purchased Assets, as disclosed by the balance sheet of the last monthly statement of the AHO Facility required to have been submitted to Franchisor pursuant to Paragraph 11.b. hereof prior to such termination or expiration, provided, however, that: (1) each depreciable asset shall be valued as if it had been depreciated on a "straight-line" basis from the date of its acquisition over its Useful Life (defined below) without provision for

salvage value; and (2) Franchisor may exclude from the Purchased Assets any inventory, equipment, fixtures, signs, fax machines, computers, or leasehold improvements of the AHQ Facility that have not been acquired in compliance with this Agreement. No value shall be attributed to goodwill of the AHQ Facility, the assignment of lease (or sublease) for the premises of the AHQ Facility, or the assignment of any lease for any other tangible assets used in connection with the AHQ Facility, and Franchisor shall not be required to pay any separate consideration for any such assignment or sublease.

iii. For purposes of this Paragraph 17.f., "Useful Life" shall be as follows:

Fixtures, signs: 7 years

Equipment (including electronic equipment): 5 years

Leasehold improvements: 10 years

- iv. If Franchisee has not furnished Franchisor a balance sheet of the last monthly statement of the AHQ Facility, Franchisor may establish Book Value of the Purchased Assets based on Franchisee's initial cost, depreciated on a "straight-line" basis as described above. If evidence of Franchisee's initial cost for any Purchased Asset is not proven by actual receipts, Franchisor will assign an initial cost based on its best information for like items being sold at the time Franchisee opened his AHQ Facility.
- The purchase price, as determined above, shall be paid in cash at the closing v. of the purchase, which shall take place no later than sixty (60) days after the delivery of Franchisor's notice of its election to purchase the AHO Facility, at which time Franchisee shall: (1) deliver instruments transferring good and merchantable title to the assets purchased, free and clear of all liens, encumbrances and liabilities to Franchisor or its designee, with all sales and other transfer taxes paid by Franchisee; (2) transfer or assign all licenses or permits which may be assigned or transferred; (3) assign to Franchisor or its designee Franchisee's leasehold interest in the premises of the AHO Facility or, if an assignment is prohibited, sublease same to Franchisor or its nominee for the full remaining term and on the same terms and conditions as Franchisee's lease, including renewal and/or purchase options; and (4) assign to Franchisor or its designee any leases for any other tangible assets used in connection with the AHQ Facility. In the event that Franchisee cannot deliver clear title to all of the Purchased Assets as aforesaid, or in the event there shall be other unresolved issues, the closing of the sale shall, at Franchisor's option, be accomplished through an escrow. Further, Franchisee and Franchisor shall, prior to closing, comply with the Bulk Sales provisions of the Uniform Commercial Code as enacted or previously in force in the state where the AHQ Facility is located. Franchisor shall have the right to set off against and reduce the purchase price by any and all amounts owed by Franchisee to Franchisor or any of its Affiliates.

- vi. If Franchisor exercises the foregoing option to purchase the AHQ Facility, Franchisor shall have the right pending the closing of such purchase to appoint a manager to maintain the operation of the AHQ Facility in accordance with the relevant provisions of 9.e. hereof. Alternatively, Franchisor may require Franchisee to close the AHQ Facility during such time period without removing any assets of the AHQ Facility.
- Liquidated Damages. Franchisor shall have the right to impose liquidated g. damages against Franchisee in the following events: (a) Franchisee terminates this Agreement without good cause, (b) Franchisor terminates this Agreement based on Franchisee's material breaches under this Agreement, (c) Franchisee abandons the AHQ Facility, which for purposes of this Section is failing to open or operate the AHQ Facility for more than fourteen (14) consecutive days within any 30-day period, or (d) Franchisee transfers an interest in the AHQ Facility or the ownership of Franchisee or of the assets of Franchisee or the AHQ Facility (or any interest therein) without fully complying with Paragraph 14.b. of this Agreement, whether or not Franchisor terminates this Agreement. The amount of liquidated damages shall be equal to (i) the number of weeks remaining in the term of this Agreement, times (ii) \$500 times (iii) the present value factor based on an interest rate of four percent (4%) per year, using the Present Value of an Annuity. This remedy is in addition to Franchisor's other rights and remedies set forth in this Agreement. The liquidated damages are not a penalty or forfeiture, but are a reasonable measure of damages where the exact amount of actual damages would be difficult to ascertain. Franchisee also agrees to pay the Company's costs and attorney's fees in connection with enforcing this Liquidated Damages provision.
- h. Franchisor reserves the right to enforce all the obligations of Franchisee under each paragraph of this Section 17 in the event Franchisee abandons the AHQ Facility, even if Franchisor has not exercised its right to terminate the Franchise Agreement pursuant to Paragraph 16.a.ii.

18. **ENFORCEMENT.**

a. Severability and Substitution of Valid Provisions. Except as expressly provided to the contrary herein, each article, section, paragraph, term, and provision of this Agreement, and any portion thereof, shall be considered severable and if for any reason any such provision of this Agreement is held to be invalid, contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which Franchisor is a party, that ruling shall not impair the operation of, or have any other effect upon, such other portions of this Agreement as may remain otherwise intelligible, which shall continue to be given full force and effect and bind the parties hereto. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to renew this Agreement than is required hereunder, or the taking of some other action not required hereunder, or if, under any applicable and binding law or

rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by Franchisor is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the comparable provisions hereof, and Franchisor shall have the right, in its sole discretion, to modify such invalid or unenforceable provision, specification, standard or operating procedure to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdiction, unless Franchisor elects to give them greater applicability, and shall be enforced as originally made and entered into in all other jurisdictions.

b. Waiver of Obligations.

- i. Franchisor and Franchisee may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice thereof to the other or such other effective date stated in the notice of waiver. Any waiver granted by Franchisor shall be without prejudice to any other rights Franchisor may have, will be subject to continuing review by Franchisor and may be revoked, in Franchisor's sole discretion, at any time and for any reason, effective upon delivery to Franchisee of ten (10) days' prior written notice. Franchisor and Franchisee shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including, without limitation, the right to demand exact compliance with every term, condition and covenant herein or to declare any breach thereof to be a default and to terminate the Franchise prior to the expiration of its term) by virtue of any custom or practice of the parties at variance with the terms hereof; any failure, refusal or neglect of Franchisor or Franchisee to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations hereunder including, without limitation, any mandatory specification, standard or operating procedure; any waiver, forbearance, delay, failure or omission by Franchisor to exercise any right, power or option, whether of the same, similar or different nature, with respect to any other AHO Facility; or the acceptance by Franchisor of any payments from Franchisee after any breach by Franchisee of this Agreement.
- ii. Franchisor makes no warranties or guaranties upon which Franchisee may rely, and assumes no liability or obligation to Franchisee, by granting any waiver, approval or consent to Franchisee, or by reason of any neglect, delay or denial of any request therefor.
- iii. Neither Franchisor nor Franchisee shall be liable for loss or damage or deemed to be in breach of this Agreement if its failure to perform its obligations results from: (1) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state, or municipal government or any department or agency thereof; (2) acts of God; (3) fires, strikes, embargoes, war, or riot; (4) pandemic or health emergencies resulting in widespread shut-downs of businesses, travel, and/or other

activities, whether or not mandated by any governmental agencies or occurring based on general population response; (5) widespread breach or shutdown of technology or of other infrastructure that substantially affects the ability of commerce to be conducted in its normal course, or (6) any other similar event or cause. Any delay resulting from any of said causes shall extend performance accordingly or excuse performance, in whole or in part, as may be reasonable.

In addition, upon the occurrence of the events described in the paragraph immediately above, the Franchisor's performance of its obligations relating to activities that contemplate face-to-face contact, on-site presence, and/or travel will be considered adequately fulfilled if the Franchisor substitutes or modifies the activities in a manner that does not involve such face-to-face contact, on-site presence, and/or travel. Such excuse of literal performance applies to, but is not limited to, Franchisor's training of Franchisees and on-site assistance upon Franchisee's Facility opening.

- c. <u>Rights of Parties are Cumulative</u>. The rights of Franchisor and Franchisee hereunder are cumulative and no exercise or enforcement by Franchisor or Franchisee of any right or remedy hereunder shall preclude the exercise or enforcement by Franchisor or Franchisee of any other right or remedy hereunder or which Franchisor or Franchisee is entitled by law to enforce.
- d. <u>Costs and Attorneys' Fees</u>. If Franchisor incurs attorney's fees in connection with collecting delinquent payments from Franchisee and/or enforcing compliance with this Agreement (whether or not legal proceedings are filed), Franchisee shall reimburse Franchisor its reasonable legal fees and costs so incurred. If a claim for amounts owed by Franchisee to Franchisor is asserted in any arbitration or judicial proceeding or appeal thereof, or if Franchisor or Franchisee is required to enforce this Agreement in an arbitration or judicial proceeding or appeal thereof, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses including, but not limited to, reasonable accounting, legal and attorneys' fees.
- e. Governing Law/Consent to Jurisdiction. All matters relating to arbitration shall be governed by the Federal Arbitration Act (9 U.S.C. §1 et. seq.). Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other federal law, this Agreement and the Franchise shall be governed by the laws of the State of Illinois without reference to its choice of law principles. Franchisee agrees that Franchisor has the right to institute any action against Franchisee to enforce the provisions of this Agreement in any state or federal court of general jurisdiction in the State of Illinois, and Franchisee irrevocably submits to the exclusive jurisdiction of such Illinois courts and waives any objection he may have to either the jurisdiction or venue of such courts. Franchisee further agrees that the state or federal courts of general jurisdiction in the State of Illinois are the exclusive venues where Franchisee may bring litigation (subject to the arbitration clause). The parties further agree that, in the event of such

litigation, they will not contest or challenge the jurisdiction or venue of the Illinois courts. Nothing set forth herein shall permit the application of the Illinois Franchise Disclosure Act or any similar law regulating the sale of franchises or governing the relationship of a franchisor and franchisee, unless its jurisdictional requirements are met independently without reference to this Paragraph.

- f. Waiver of Jury Trial. Each party irrevocably waives trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either party.
- g. <u>Limitations of Claims</u>. Except for claims against Franchisee concerning the under-reporting of gross revenue and/or the payment of monies due Franchisor from Franchisee, any and all claims arising out of or relating to this Agreement or the relationship among the parties hereto shall be barred unless an action or legal or arbitration proceeding is commenced within one (1) year from the date Franchisee or Franchisor knew of the facts giving rise to such claims. In addition, Franchisee must give Franchisor written notice of at least fourteen (14) days prior to filing arbitration or litigation. In the event Franchisee fails to give said notice, Franchisor is entitled to dismissal of the action, without prejudice, and Franchisee must reimburse Franchisor its costs and expenses incurred in connection with the action.
- h. <u>Binding Effect</u>. This Agreement is binding upon the parties hereto, and their respective executors, administrators, heirs, assigns and successors in interest.
- i. <u>Modification</u>. This Agreement shall not be modified except by written agreement signed by both Franchisee and Franchisor. Notwithstanding the preceding sentence, Franchisor may modify the AHQ Operations Manual to Paragraph 4.c.
- j. Construction. The preambles and riders are a part of this Agreement, which constitutes the entire agreement of the parties, and there are no other oral, electronic, or written understandings or agreements between Franchisor and Franchisee relating to the subject matter of this Agreement. Provided, however, nothing in this Agreement or in any related agreement is intended to disclaim Franchisor's representations made in the franchise disclosure document. Except as provided in Paragraph 7.d. (Indemnification), nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. Except where this Agreement expressly obligates Franchisor reasonably to approve or not unreasonably to withhold its approval of any action or request by Franchisee, Franchisor has the absolute right to refuse any request by Franchisee or to withhold its approval of any action or omission by Franchisee. The headings of the several sections and paragraphs hereof are for convenience only and do not define, limit or construe the contents of such sections or paragraphs. Any policies that Franchisor adopts and implements from time to time, including policies to guide Franchisor in Franchisor's decision-making, are subject to change, are not a part of this Agreement, and are not binding on Franchisor. The term "attorneys' fees" shall include, without limitation, reasonable legal fees, whether incurred prior to, in preparation for or in contemplation of the

filing of any written demand or claim, action, hearing or proceeding to enforce the obligations of this Agreement. The term "Affiliate" as used herein is applicable to any company directly or indirectly owned or controlled by Franchisor, under common control with Franchisor or any principal of Franchisor. References to a "controlling interest" in Franchisee shall mean more than fifty percent (50+%) of the voting control of Franchisee. The term "Franchisee" as used herein is applicable to one or more persons, a corporation, an LLC, or a partnership, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two or more persons are at any time Franchisee hereunder, whether or not as partners or joint venturers, their obligations and liabilities to Franchisor shall be joint and several. This Agreement shall be executed in multiple copies, each of which shall be deemed an original. The language of all provisions of this Franchise Agreement shall be construed simply according to its fair meaning and not strictly against the Franchisor or the Franchisee. It is the desire and intent of the parties that the provisions of this Franchise Agreement be enforced to the fullest extent possible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Whenever this Agreement or any related agreement grants, confers or reserves to Franchisor the right to take action, refrain from taking action, grant or withhold Franchisor's consent or grant or withhold Franchisor's approval, unless the provision specifically states otherwise, Franchisor will have the right to engage in such activity at Franchisor's option taking into consideration Franchisor's assessment of the long term interests of the System overall. Franchisee and Franchisor recognize, and any court or judge or arbitrator is affirmatively advised, that if those activities and/or decisions are supported by Franchisor's business judgment, neither said court, said judge, said arbitrator, nor any other person reviewing those activities or decisions will substitute his, her or its judgment for Franchisor's judgment. When the terms of this Agreement specifically require that Franchisor not unreasonably withhold Franchisor's approval or consent, if Franchisee is in default or breach under this Agreement, any withholding of Franchisor's approval or consent will be considered reasonable.

k. <u>Time is of the Essence</u>. Time is of the essence of this Agreement.

1. **Mandatory and Binding Arbitration.**

i. All disputes, controversies or claims arising out of or relating to this Agreement, except for issues relating to the ownership, validity or registration of any name or Mark licensed hereunder, shall be submitted for arbitration to the American Arbitration Association on demand of either party. The demand shall be submitted to, and the arbitration proceedings shall be conducted in the major city nearest where Franchisor's principal business address is then located, and shall be heard by one arbitrator in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association. All matters within the scope of the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.) shall be governed by it. This

- provision shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.
- ii. The arbitrator shall have the right to award or include in his award any relief which he deems proper in the circumstances, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief and attorneys' fees and costs, in accordance with Paragraph 18.d., provided that the arbitrator shall not have the authority to award exemplary or punitive damages. The award and decision of the arbitrator shall be conclusive and binding upon all parties hereto and judgment upon the award may be entered in any court of competent jurisdiction. Each party waives any right to contest the validity or enforceability of such award. The parties agree to be bound by the provisions of any limitation on the period of time by which claims must be The parties further agree that, in connection with any such arbitration proceeding, each shall submit or file any claim which would constitute a compulsory counterclaim (as defined by rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such claim which is not submitted or filed in such proceeding shall be barred.
- Franchisor and Franchisee agree that arbitration shall be conducted on an iii. individual, not a class-wide, basis, that only Franchisor (and its affiliates and their respective owners, officers, directors, agents and employees, as applicable) and Franchisee (and its affiliates and their respective owners, officers and directors, as applicable) may be the parties to any arbitration proceeding described in this Section, and that no such arbitration proceeding shall be consolidated with any other arbitration proceeding involving Franchisor and/or any other person. Notwithstanding the foregoing or anything to the contrary in this Section or Paragraph 18.a, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Paragraph 18.1, then Franchisor and Franchisee agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in accordance with this Section 18 (excluding this Paragraph 18.1).
- iv. Notwithstanding the above and foregoing, Franchisor shall have the right to apply directly to a court of competent jurisdiction for a temporary restraining order, preliminary injunction or other emergency relief which may be available to protect the name, Marks or System licensed hereunder, or to enforce the post-termination obligations set forth in Section 17 of this Agreement, without the necessity of first filing an arbitration demand.
- m. <u>Security Agreement.</u> As security for payment of all sums due to Franchisor from Franchisee, and to secure the performance of any and all obligations of Franchisee as set forth in this Franchise Agreement, Franchisee shall and hereby does grant to

Franchisor a continuing security interest in certain property of Franchisee ("Collateral") as more particularly described on Rider E to this Franchise Agreement. Franchisee shall execute the Security Agreement in substantially the form set forth in Rider E hereto. Franchisee consents to Franchisor filing a Uniform Commercial Code Financing Statement in the form attached as Rider F hereto against the Collateral described on Rider E. Franchisee shall permit no other financing statement or lien to be filed or recorded against the Collateral without Franchisor's prior written consent. However, Franchisor will not unreasonably withhold its consent to the filing of a lien against the Collateral by a lender from whom Franchisee obtains financing in connection with the establishment of the Franchised Business. Franchisor will in such cases agree to subordinate its lien to that of the lender. Upon Franchisee's failure to perform any obligation or pay any sum due under this Franchise Agreement, Franchisor shall have the right, without notice to Franchisee, to take immediate possession of the Collateral.

- n. Waiver of Collateral Estoppel. The parties agree that they should each be able to settle, mediate, litigate, arbitrate, or compromise disputes in which they are involved with third parties, without having the disposition of such disputes directly affect the contract or relationship between the parties. Franchisor and Franchisee therefore each agree that a decision of an arbitrator or of a court of law in litigation to which one of them is not a party shall not in any manner prevent the person that was a party to such action from making similar arguments, or taking similar positions, in any action between Franchisor and Franchisee. The parties, therefore, waive the right to assert the principles of collateral estoppel in any action between the parties to this Franchise Agreement so that one party is prevented from raising against the other party to this Franchise Agreement the loss by that party of a similar claim or defense in another action.
- o. <u>Beneficiaries.</u> The parties intend to confer no benefit or right on any person or entity not a party to this Agreement and no third parties shall have any right or claims, benefit, or right as a third-party beneficiary under this Agreement or any provision hereof. Similarly, Franchisee is not entitled to claim any rights or benefits including those of a third-party beneficiary, under any contract, understanding or agreement between Franchisor and any other person or entities, unless that contract, understanding or agreement specifically refers to Franchisee by name or to a class which Franchisee belongs and specifically grants rights or benefits to Franchisee or to the concerned class.
- 19. **NOTICES AND PAYMENTS.** All notices permitted or required under this Agreement, and/or the AHQ Operations Manual must be in writing. Email and facsimile transmissions are considered written notice, provided that the sender confirms transmission of said email or facsimile transmission. "Confirming transmission" is accomplished by the sender printing a paper copy showing that the document was sent via email or facsimile, and upon request by the recipient, furnishing said paper copy to the recipient. Verbal, oral, or in-person communications are not considered effective notice, unless the sender follows up on said communications in writing. Notices shall be deemed delivered (a) at the time if delivered in person; (b) the day of transmission if by facsimile or by another electronic system, provided that the transmission is

done on a business day during the hours of 8:00 a.m. and 5:00 p.m. Chicago time; otherwise, delivery is the next business day; (c) one (1) business day after being placed in the hands of a commercial courier service for overnight delivery; or (d) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the parties as follows:

RECITALS:

- A. Employer is a Franchisee of Athletes HQ Systems, Inc. ("AHQ SYSTEMS"), an Illinois corporation, pursuant to a Franchise Agreement ("Franchise Agreement") with AHQ SYSTEMS. AHQ SYSTEMS is in the business of operating a franchise distribution system related to owning and operating baseball and softball training Facilities ("AHQ Facilities" or "Facilities") that offer personal training and group training in the areas of pitching, catching, hitting and fielding, in addition to cage rental services, and batting cages, baseball pitching machines, softball pitching machines, and memberships of cage rentals. In connection with Employer's business, Employer will be using various techniques, systems, procedures, standards, manuals, data, specifications, and other materials, all of which are considered the proprietary and confidential information ("Proprietary Information") of AHQ SYSTEMS.
- B. Employer will also develop or acquire the right to the use of important information relating to the identity of its customers, the nature and amount of their purchases, pricing practices, receipts, ingredients, the identity of suppliers, sales volumes, costs, expenses and other information. All of the above methods, materials and information are referred to as "Confidential Information."
- C. During the course of Employee's employment with Employer, Employee will have access and learn from Employer much or all of the Proprietary Information and the Confidential Information.
- D. In light of the above facts and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:
- 1. <u>Importance of Proprietary Information and Confidential Information</u>. Employee acknowledges that: (a) Employee has learned and/or will learn Proprietary Information and Confidential Information during Employee's employment with Employer; (b) this Proprietary Information and Confidential Information is an important asset of Employer; and (c) it is important to keep the Proprietary Information and Confidential Information confidential in order for Employer to protect its business and to maintain its competitive advantage.
- 2. <u>Agreement to Maintain Confidentiality.</u> Employee agrees that both during and after the termination of Employee's employment with Employer, Employee will: (a) guard and protect the Proprietary Information and Confidential Information so it does not fall into the hands of Employer's

competitors or potential competitors; (b) refrain from using the Proprietary Information or Confidential Information for Employee's own benefit or that of any other person or entity; (c) refrain from disclosing the Proprietary Information and Confidential Information to any other person or entity, unless authorized by Employer. Employee agrees that "use" and "disclosure" of the Proprietary Information and Confidential Information include use and disclosure through memorization, and not only through use or disclosure of written material.

- 3. <u>Exceptions</u>. Employer agrees that the Proprietary Information and Confidential Information does not include information which Employee can demonstrate came to Employee's attention before Employee learned from Employer or which has become, through disclosure by others, "public domain" information (i.e., information freely available to everyone).
- 4. <u>Return of Materials</u>. If Employee's relationship with Employer ends for any reason, Employee agrees to immediately return to Employer any of the Proprietary Information and Confidential Information in Employee's possession or under Employee's control.
- 5. <u>Non-Competition</u>. Employee agrees that in order to guard against the improper use of the Proprietary Information and Confidential Information and to avoid unfair competition with Employer, Employee will not:
 - a. during the term of this Agreement, within a radius of ten (10) miles of the location of any and all of Employer's Athletes HQ Facility (or other name by which Employer is conducting business pursuant to its Franchise Agreement with AHQ SYSTEMS), which locations are listed on Exhibit A, directly or indirectly, manage, operate, control, be employed by, participate in or be connected in any manner with the ownership, management, control, or operation of any business similar to the type of business conducted by Employer as aforesaid.
 - b. during the term of this Agreement, either directly or indirectly, for Employee's own account, or as an employee, consultant, partner, joint venturer, owner, officer, director or stockholder of any person, firm, partnership, corporation, limited liability company, or any other entity or in any other capacity, in any way, assist in soliciting, diverting, taking away or interfering with any of Employer's business, customers, trade or patronage.
 - c. The Employee agrees the restrictive covenants set forth above should not be construed to prevent Employee from being gainfully employed either in a non-competing business anywhere, or in a competing business that is outside the geographical limitation set forth in paragraph 5.a.
- 6. <u>Discoveries, Inventions and Improvements</u>. Employee agrees that because of Employee's employment with Employer, Employee may from time to time develop discoveries, inventions, improvements and ideas (collectively called "New Ideas") relating to Employer's business. Employee agrees to disclose Employee's New Ideas to Employer and agrees that any of those New Ideas which are applicable to Employer's business will belong solely to Athletes HQ Systems, Inc.

- 7. Remedies. Employee agrees that in order to protect Employer's interests if there is a breach or threatened breach of this Agreement, Employer will be entitled to obtain, in addition to any other remedy, a temporary or permanent injunction and consent order for specific performance of this Agreement, without being required to furnish a bond or other security. If an injunction is issued, but is later vacated, Employee agrees to waive any claim for damages as a result of the issuance of the injunction. Employee agrees that if Employee has any claims or causes of action against Employer arising out of Employee's employment with Employer, such claims or causes of action will not constitute defenses to Employer's enforcement of this Agreement. Employee further agrees to indemnify and hold Employer harmless from any loss or expense (including attorney's fees) Employer incurs as a result of Employee's breach of this Agreement.
- 8. <u>Enforceability</u>. Employer and Employee both agree that if any provision of this Agreement is deemed too restrictive in scope, it will be deemed modified to be enforceable to the greatest extent permitted by law.
- 9. <u>Third Party Beneficiary</u>. The parties acknowledge and agree that Employer's franchisor, Athletes HQ Systems, Inc., is an intended third party beneficiary of this Agreement, and accordingly, that said Athletes HQ Systems, Inc., as well as Employer, shall have the right to enforce the provisions of this Agreement against Employee. Neither this Nondisclosure and Noncompetition Agreement between Employer and Employee, nor this Paragraph 9, which makes Franchisor an intended third party beneficiary, constitutes control by Franchisor over the Employee's conditions of employment, or creates an employee or joint employee relationship between Athletes HQ Systems, Inc. and Employee.
- 10. <u>Waiver</u>. If at any time with respect to any particular incident or breach, Employer or AHQ SYSTEMS does not exercise its rights under this or any similar Agreement, it will not preclude Employer or AHQ SYSTEMS from doing so in any same or similar situation that subsequently occurs.

INDEPENDENT AUDITORS' REPORT

Opinion

We have audited the accompanying financial statements of Athletes HQ Systems, Inc. (a corporation) which comprise the balance sheet as of December 31, 2023, and the related statement of income and retained earnings, and cash flows for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Athletes HQ Systems, Inc., as of December 31, 2023, and the results of operations and its cash flows for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Athletes HQ Systems, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Athletes HQ Systems, Inc 's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

sassetti LLC

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Athletes HQ Systems, Inc's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Athletes HQ Systems, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Nature of the Business</u> - The Company was incorporated on August 1, 2022, under the laws of the state of Illinois. The principal activity of the Company is to franchise athletic training facility concepts, specifically in the sports of baseball and softball. The Company utilizes certain trademarks and trade names under a license agreement with Athletes HQ Inc., a related party. No consideration is paid to Athletes HQ, Inc. in exchange for the use of the trademarks and trade names. The Company's revenues are derived primarily from fees related to new franchise agreements, revenues derived from ongoing royalties paid to the Company by its franchisees, and rebates from vendors for merchandise purchased by franchisees.

<u>Basis of Presentation</u> - The financial statement is prepared on the accrual basis of accounting, which recognizes income when earned and expenses when incurred.

<u>Use of Accounting Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported results could differ from these estimates.

Adopted Accounting Pronouncements – In June 2016, the FASB issued ASU 2016-13, Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. The standard's main goal is to improve financial reporting by requiring earlier recognition of credit losses on financing receivables and other financial assets in scope, including trade receivables. The amendments in this update broaden the information that an entity must consider in developing its expected credit loss estimate for assets measured either collectively or individually. The guidance in ASU 2016-13 is effective for fiscal years beginning after December 15, 2022. The Company adopted ASU 2016-13 for the year ended December 31, 2023, and there was no impact to the financial statements, except for changes to accounting policy disclosures.

<u>Cash and Cash Equivalents</u> – The Company considers all checking, money market and short-term certificates of deposit, with an original maturity of three months or less, to be cash and cash equivalents.

<u>Accounts Receivable</u> – The Company adopted FASB ASC Topic 326, Financial Instruments - Credit Losses, ("CECL") with an adoption date of January 1, 2023. As a result, the Company changed its accounting policy for allowance for credit losses and the policy pursuant to CECL is disclosed below.

Receivables are carried at the original invoice amount less an allowance for credit losses. Receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded as income when received.

The CECL reserve methodology requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Under the CECL model, reserves may be established against financial asset balances even if the risk of loss is remote or has not yet manifested itself. The Company records specific

reserves against account balances of franchisees deemed at-risk when a potential loss is likely or imminent as a result of prolonged payment delinquency (greater than 90 days past due) and where notable credit deterioration has become evident. For financial assets that are not currently deemed at-risk, an allowance is recorded based on expected loss rates derived pursuant to the Company's CECL methodology that assesses four components - historical losses, current conditions, reasonable and supportable forecasts, and a reversion to history, if applicable.

The Company considers its portfolio segments to be the following at December 31, 2023:

Accounts receivable (related to unopened franchises): These amounts represent amounts due from franchisees for franchise rights under a signed franchise agreement, not due until the date of the franchise opening. The amounts due are deferred until the franchise opening date, which is expected to occur in less than one year. All amounts due are current as of December 31, 2023.

Accounts receivable (related to royalties due from open franchises): These amounts represent royalties due from open franchises. All amounts due were current as of December 31, 2023, and were collected after year-end.

Receivable balances by portfolio segment as of December 31, 2023, are as follows:

Franchise fees related to unopen stores	\$ 25,000
Royalties receivable	300
Total receivables	\$ 25,300

<u>Deferred Franchise Revenue</u> – The Company defers revenue related to franchise fees for locations that have not commenced operations as of the balance sheet date, representing an unfulfilled performance obligation.

Revenue Recognition -- The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial, non-refundable fee prior to opening the respective location(s), a facility opening marketing fee, and continuing royalty fees on a weekly basis. The initial term of franchise agreements is typically 10 years. Subject to the Company's approval, a franchisee may generally renew the franchise agreement for two additional 10-year terms upon its expiration for a fee. If approved, a franchisee may transfer a franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid by the current owner which then terminates that franchise agreement. If a contract is terminated prior to its term, it is a breach of contract, and a penalty is assessed based on a formula reviewed and approved by management.

There are three items involving revenue recognition of contracts that require the Company to make subjective judgments: the determination of which performance obligations are distinct within the context of the overall contract, the estimated standalone selling price of each obligation (if applicable), and the likelihood that an initial franchise agreement will be renewed and for how many subsequent terms. In instances where our contract includes significant customization or

modification services, the customization and modification services are generally combined and recorded as one distinct performance obligation.

Under the terms of the franchise agreements, the Company typically promises to provide franchise rights and certain pre-opening services such as assistance in developing the facility layout, consultation in regard to development and operation of the Facility, building layout, fixtures, equipment plans, specifications, purchasing and inventory control, bookkeeping, marketing, and an initial training program. The Company considers certain pre-opening activities and the franchise rights and related ongoing services to represent one performance obligation. Franchise revenue is deferred until the store opens and recognized on a straight-line basis over the duration of the initial agreement, as this ensures that revenue recognition aligns with the customer's access to the franchise right. Management believes the term of the initial agreement to be the best estimate of the length of the term of the performance obligation. The term will be reevaluated as the Company obtains reliable data related to renewals of initial franchise agreements. At December 31, 2023, the Company had one opened franchise and one expected to open in 2024.

Royalties are charged to franchisees based on a flat weekly fee, escalating after the first 52 weeks after opening. Royalty revenues are recognized on an accrual basis. Generally, franchisees report and remit royalties on a weekly basis. The majority of month-end receipts recorded on an accrual basis are received from franchisees shortly after the month-end.

Royalties are also charged to franchisees for each player on a franchisee's team on an annual basis. Player lists are due to the Company at a specific date during the year and payment for the amounts due is due one month after the specified date.

Royalty revenue is recognized during the respective franchise agreement based on the royalties earned each period based on the terms of the franchise agreement. The difference between the pattern of revenue recognition that aligns with the customer's franchise right and the actual amount charged per the franchise agreement is not considered material to the financial statements.

The facility opening marketing fee revenue represents a flat \$7,500 fee charged to the franchisee prior to the opening of a franchise location to be used in connection with grand opening marketing costs and local advertising during the initial few months of operation and is considered a contract liability upon receipt. The funds are recognized as revenue as the underlying expenses are incurred or submitted for reimbursement. Although the marketing fees are not separate performance obligations distinct from the underlying franchise right, the Company acts as the principal as it is primarily responsible for the fulfillment and control of the marketing services. As a result, the Company records marketing fees in revenues and related marketing fund expenditures in expenses in the Statements of Income and Retained Earnings.

The Company also receives rebates from a specific vendor on product purchases by franchisees and team players. The Company does not possess control of the products prior to their transfer to the franchisee or player and products are delivered to franchisees and players directly from the

vendor. The Company recognizes the rebate revenue as franchisees purchase products and supplies from vendors or distributors.

All revenue is recognized over time. At December 31, 2023, the balance of contract assets and liabilities includes \$25,000 in accounts receivable and deferred franchise revenue related to a franchise agreement signed during the year ended December 31, 2023, for which the related franchise fee has not yet been collected and for which operations have not yet commenced. The remaining balance of accounts receivable includes royalties earned as of December 31, 2023, collected after year-end. The remaining balance of contract liabilities includes deferred franchise fees for franchises which have commenced operations and have ongoing contract rights that are being recognized straight-line over the term of the franchise agreement.

Contract asset and liabilities were as follows, as of:

	December 31, 2023		January 1, 2023	
Contract assets				
Accounts receivable	\$	25,300	\$	25,000
Contract liabilities				
Deferred revenue	\$	48,542	\$	25,000

<u>Income Taxes</u> – The Company provides for the tax effects of transactions reported in the financial statements, consisting of taxes currently due plus deferred taxes primarily related to temporary differences between the basis of assets and liabilities for financial and income tax reporting. The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred taxes are also recognized for the operating losses that are available to offset future taxable income.

As defined by Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 740, Income Taxes, no provision or liability for materially uncertain tax positions was deemed necessary by management. Therefore, no provision or liability for uncertain tax positions has been included in this financial statement.

As of December 31, 2023, the tax return for the short year ending December 31, 2022 was subject to potential examination by taxing authorities.

<u>Subsequent Events</u> - Management has evaluated subsequent events through April 18, 2024, the date on which the financial statement was available to be issued. No events were identified that required adjustment or disclosure in the financial statement.

2. INCOME TAXES

The Company accounts for income taxes in accordance with FASB Topic 40. Deferred tax assets and liabilities are classified as noncurrent on the balance sheet. Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The benefits from net operating losses carried forward may be impaired or limited in certain circumstances.

The Company's provision for income taxes consists of a \$1,950 income tax expense, including \$3,300 in deferred tax benefit and \$5,250 in current tax expense.

For the period ended December 31, 2023, the federal and state effective tax rates were within the customary federal statutory tax rate of 21% and a blended state rate of 7.11%.

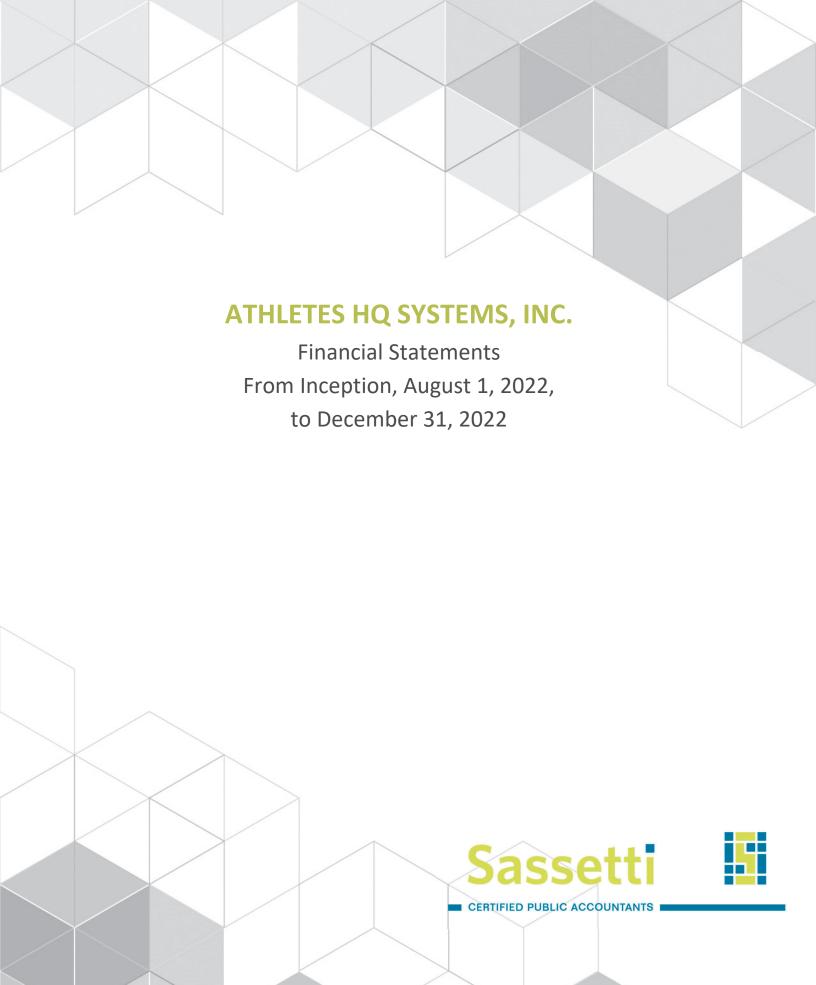

The components of the Company's deferred tax assets for federal and state income taxes consist of the following at December 31, 2023:

Capitalized start-up costs	\$ 3,265
Deferred franchise fees	6,835
Total deferred tax asset	\$ 10,100

The Company routinely reviews the future realization of tax assets based on projected future reversals of taxable temporary differences, available tax planning strategies and projected future taxable income. There is no valuation allowance established for 2023 because it is expected that all deferred tax assets will be realized.

3. RELATED PARTY TRANSACTIONS

During the year ended December 31, 2023, the Company paid Athletes HQ Inc. a total of \$7,500 for marketing and advertising related to its first franchise opening. No amounts were owed to Athletes HQ Inc. as of December 31, 2023.

INDEPENDENT AUDITORS' REPORT

Opinion

We have audited the accompanying financial statements of Athletes HQ Systems, Inc. (a corporation) which comprise the balance sheet as of December 31, 2022, and the related statement of income and retained earnings, and cash flows from inception, August 1, 2022 to December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Athletes HQ Systems, Inc., as of December 31, 2022, and the results of operations and its cash flows for the period from inception, August 1, 2022 to December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Athletes HQ Systems, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Athletes HQ Systems, Inc 's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Athletes HQ Systems, Inc's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Athletes HQ Systems, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES.

<u>Nature of the Business</u> - The Company was incorporated on August 1, 2022 under the laws of the state of Illinois. The principal activity of the Company is to franchise athletic training facility concepts, specifically in the sports of baseball and softball. The Company utilizes certain trademarks and trade names under a license agreement with Athletes HQ Inc, a related party. No consideration is paid to Athletes HQ, Inc. in exchange for the use of the trademarks and trade names. The Company's activities since inception have consisted of formation activities, drafting the franchise disclosure document, product development, and efforts to raise additional capital. The Company's revenues are derived primarily from fees related to new franchise agreements and revenues derived from ongoing royalties paid to the Company by its franchisees.

<u>Basis of Presentation</u> - The financial statement is prepared on the accrual basis of accounting, which recognizes income when earned and expenses when incurred.

<u>Use of Accounting Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported results could differ from these estimates.

<u>Cash and Cash Equivalents</u> – The Company considers all checking, money market and short-term certificates of deposit, with an original maturity of three months or less, to be cash and cash equivalents.

<u>Accounts Receivable</u> – Receivables are carried at original invoice amount less estimates for doubtful accounts. Management determines the allowance for doubtful accounts by reviewing and identifying troubled accounts and by using historical experience. A receivable is considered to be past due if any portion of the receivable balance is outstanding 90 days past the due date. Receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded as income when received.

<u>Deferred Franchise Revenue</u> – The Company defers revenue related to franchise fees for locations that have not commenced operations as of the balance sheet date, representing an unfulfilled performance obligation.

Revenue Recognition -- The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial, non-refundable fee prior to opening the respective location(s), a facility opening marketing fee, and continuing royalty fees on a weekly basis. The initial term of franchise agreements is typically 10 years. Subject to the Company's approval, a franchisee may generally renew the franchise agreement for two additional 10-year terms upon its expiration for a fee. If approved, a franchisee may transfer a franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid by the current owner which then terminates that franchise agreement. If a contract is terminated prior to its term, it is a breach of contract, and a penalty is assessed based on a formula reviewed and approved by management.

There are three items involving revenue recognition of contracts that require the Company to make subjective judgments: the determination of which performance obligations are distinct within the context of the overall contract, the estimated standalone selling price of each obligation, and the likelihood that an initial franchise agreement will be renewed and for how many subsequent terms. In instances where our contract includes significant customization or modification services, the customization and modification services are generally combined and recorded as one distinct performance obligation.

Under the terms of our franchise agreements, the Company typically promises to provide franchise rights and certain pre-opening services such as assistance in developing the facility layout, consultation in regard to development and operation of the Facility, building layout, fixtures, equipment plans, specifications, purchasing and inventory control, and an initial training program. The Company considers certain pre-opening activities and the franchise rights and related ongoing services to represent two separate performance obligations. The franchise fee revenue has been allocated to the two separate performance obligations using a residual approach. The Company has estimated the value of performance obligations related to certain pre-opening activities deemed to be distinct based on cost plus an applicable margin, and assigned the remaining amount of the initial franchise fee to the franchise rights and ongoing services. Revenue allocated to preopening activities is recognized when (or as) these services are performed. Revenue allocated to franchise rights and ongoing services is deferred until the store opens, and recognized on a straight-line basis over the duration of the initial agreement, as this ensures that revenue recognition aligns with the customer's access to the franchise right. Management believes the term of the initial agreement to be the best estimate of the length of the term of the performance obligation. The term will be reevaluated as the Company obtains reliable data related to renewals of initial franchise agreements.

Franchise fees are charged to franchisees based on a flat weekly fee, escalating after the first 52 weeks after opening. Royalty revenues are recognized on an accrual basis using actual franchise receipts. Generally, franchisees report remit royalties on a weekly basis. The majority of monthend receipts are recorded on an accrual basis based on actual numbers from reports received from franchisees shortly after the month-end.

Royalty revenue is recognized during the respective franchise agreement based on the royalties earned each period based on the terms of the franchise agreement. The difference between the pattern of revenue recognition that aligns with the customer's franchise right and the actual amount charged per the franchise agreement is not considered material to the financial statements.

The facility opening marketing fee revenue represents a flat \$7,500 fee charged to the franchisee prior to the opening of a franchise location to be used in connection with grand opening marketing costs and local advertising during the initial few months of operation and is considered a contract liability upon receipt. The funds are recognized as revenue as the underlying expenses are incurred or submitted for reimbursement.

The balance of contract assets and liabilities include accounts receivable and deferred franchise revenue related to a franchise agreement signed during the year ended December 31, 2022 for which the related franchise fee has not yet been collected and for which operations have not yet commenced.

<u>Income Taxes</u> – The Company provides for the tax effects of transactions reported in the financial statements, consisting of taxes currently due plus deferred taxes primarily related to temporary differences between the basis of assets and liabilities for financial and income tax reporting. The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred taxes are also recognized for the operating losses that are available to offset future taxable income.

As defined by Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 740, Income Taxes, no provision or liability for materially uncertain tax positions was deemed necessary by management. Therefore, no provision or liability for uncertain tax positions has been included in this financial statement.

As of December 31, 2022, there are no tax years subject to potential examination by taxing authorities.

<u>Subsequent Events</u> - Management has evaluated subsequent events through April 18, 2023, the date on which the financial statement was available to be issued. No events were identified that required adjustment or disclosure in the financial statement.

3. INCOME TAXES

The Company accounts for income taxes in accordance with FASB Topic 40. Deferred tax assets and liabilities are classified as noncurrent on the balance sheet. Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The benefits from net operating losses carried forward may be impaired or limited in certain circumstances.

The Company's provision for income taxes consists of a \$6,800 income tax benefit, including \$6,800 in deferred tax benefit and no current tax expense.

For the period ended December 31, 2022, the federal and state effective tax rates were within the customary federal statutory tax rate of 21% and a state rate of 7.11%.

At December 31, 2022, the Company had estimated realizable net operating loss carryforwards of approximately \$24,000.
