What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risk(s) to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with us by arbitration and/or mediation only in Ohio or Illinois. Out-of-state arbitration, and/or mediation may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate, or mediate with us in Ohio or Illinois than in your own state.
2. Mandatory Minimum Payments. You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. Spousal Liability. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps even your house, at risk if your franchise fails.
4. Sales Performance Required. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, "Handyman Connection," "HC," "we," or "us," means the franchisor of this offering, Trident Investment Partners, Inc. d/b/a Handyman Connection, which does business under the name "Handyman Connection." "You" means the person who buys the franchise and includes your owners if you are a corporation or other business entity.

The Company and its Predecessor

We are an Illinois corporation formed on December 27, 2013, with a principal business address at 11115 Kenwood Road, Blue Ash, Ohio 45242. Since January 31, 2014, we have offered franchises under the name Handyman Connection® in the United States. Neither we, nor our predecessor, have offered franchises in any other line of business.

Our predecessor, Handyman Connection, Inc. ("HCI"), formerly known as Mamar, Inc., an Ohio corporation with a principal business address at 11115 Kenwood Road, Blue Ash, Ohio 45242, was the national franchisor of Handyman Connection franchises in the United States and Canada since its inception in January 1993. HCI's parent, FS Brands, Inc. ("FSB") owned 80% of the stock in HCI and our President and CEO, Jeffrey A. Wall ("Wall"), owned the remaining 20% of the issued and outstanding shares of stock in HCI. Effective December 31, 2013, FSB sold all of its stock in HCI to JW, LLC, an Illinois limited liability company which is wholly-owned by Wall (via trust). Effective January 31, 2014, we merged with HCI leaving us as the surviving entity which acquired the rights to the Handyman Connection® trademark, Handyman Connection franchise system, all other proprietary rights, and interest in the current Handyman Connection franchise agreements.

Except as provided in this Item, we have no parents or affiliates that require disclosure in this Item.

In addition to our domestic franchising activities, HCI entered into a Master Franchise Agreement with Newbridge Management Group, Inc. in November of 1995, which now offers Handyman Connection® franchises in Canada. As of the end of our most recent fiscal year, we have 42 franchise outlets in the U.S., and 16 franchise outlets in Canada through our master franchisee Newbridge Management Group, Inc.

Our agents for service of process are listed in Exhibit "D".

The Franchised Business

We offer franchises for the establishment and development of businesses providing (a) referral and other services to independent contractors; and (b) small to medium home repair services and light remodeling of a non-emergency nature, including plumbing, electrical, carpentry, dry wall, plastering, and painting services, among other services ("Franchised Business"). The light repair and remodeling services provided by Franchised Businesses do not require heavy machinery and are usually not performed beyond a two-story elevation. All services are performed by independent contractors or employees who are recruited by you and who are part of your Franchised Business's network of service providers. In general, each customer is charged a flat fee per job, a portion of which is paid to the service provider. Unless otherwise

approved by Handyman Connection, until you complete the Second Calendar Year, jobs cannot exceed \$15,000 per project, or \$30,000 in the aggregate. We do not grant franchisees any exclusive territorial rights and franchisees are only purchasing the rights to receive and service the new, residential leads located in their territory that are received through our lead generation internet platform or our centralized telephone phone number used in connection with the System. The residential work you perform will be referred to as "Residential Services". Other franchisees may perform commercial work and residential work inside your Territory for customers who directly reach out to such other franchisees or franchisees to such customers, without any compensation to you. Subject to: (i) your completion of any Certificate Programs; (ii) our right to perform services for National and Regional Accounts in your Territory; and (iii) you being in full compliance of the Franchise Agreement, you may perform commercial work in your Territory, subject to our written permission. You agree and acknowledge that you do not own the exclusive rights, nor any exclusivity, to perform any commercial work in the Territory.

There may be franchisees in the System that do maintain exclusivity in their market-place for both residential work and commercial work and, with respect to these specific franchisees, and no work may be performed in their territory without their permission.

Franchised Businesses are operated under a system distinguished by uniform standards and specifications for recruiting and providing referral services to independent contractors; sales techniques; merchandising, marketing, advertising, and inventory management systems; as well as general procedures for operating and managing a Franchised Business (the "System"). We identify Franchised Businesses and the System using certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including, but not limited to, the mark "Handyman Connection®," distinctive trade dress, and any other trade names, trademarks, and service marks as we now or in the future may designate in writing for use in connection with the System (the "Proprietary Marks"). We continue to develop, use, and control the use of any Proprietary Marks to identify for the public the source of products and services marketed under the System, and to represent the System's high standards of quality, appearance, and service.

During the term of the Franchise Agreement, you must, at all times, develop and operate your Handyman Connection Franchised Business in compliance with all Handyman Connection System Standards and the Manuals, as we may modify in the future.

Applicable Laws and Regulations

Franchised Businesses are subject to various federal, state, and local laws and regulations relating to the operation of home repair and remodeling businesses, including contractors' licensing laws and related requirements. Before you begin operations, you must obtain all required licenses and approvals to operate the Franchised Business, including compliance with state, local and other contractor's licensing and related requirements. State, local and other laws and regulations vary widely, can change over time, and can materially affect your ability to do business. Certain states require that you obtain a license for a specific industry prior to advertising and/or performing any plumbing and electrical work. As of the Issue Date, we understand that the following states require you to hold special licenses to perform various types of home improvement related work: AZ, CA, CO, CT, FL, ID, IL, MD, MI, MN, NE, NJ, NM, NV, NY, OR, PA, SC, TN, VA, WA, WV and WI. Other states may require licenses and it is your responsibility to investigate and comply with your specific state licensing requirements. You are solely responsible to investigate and determine licensing requirements in the area you would like

to service before signing the Franchise Agreement. In addition, you may be required to comply with any executive orders issued in response to the Covid-19 pandemic. It is your sole responsibility to investigate and comply with these laws and regulations.

On April 22, 2010, the EPA's Renovation, Repair and Maintenance Program's Rule went into effect. This Rule details both information regarding lead paint that must be given to certain homeowners, as well as processes and procedures that must be followed in homes and other structures built before 1978. See <https://www.epa.gov/lead/renovation-repair-and-painting-program-contractors>. If you are performing work that disturbs lead paint, you must become certified through an EPA certified program at your own cost. We do not provide this training to you. In addition, state and federal laws regarding the classification of workers as employees versus independent contractors vary from state to state and can impact the operation of your Franchised Business. We strongly recommend that you examine applicable laws and regulations before purchasing a Franchised Business, and periodically re-examine these laws during the term of your Franchise Agreement. You are solely responsible for compliance with all applicable laws and regulations.

Your Franchised Business will also be subject to laws and regulations that are not specific to the home repair industry, but applicable to businesses in general such as zoning laws, labor laws, the Fair Labor Standards Act, workers' compensation laws, business licensing laws and tax regulations, and the Americans with Disabilities Act.

Market and Competition

Franchised Businesses market their products and services to independent contractors or employees who use their referral services, as well as the owners and lessors of residential properties. Your Franchised Business will compete with local, regional, and national home repair and remodeling businesses as well as companies that offer services through the internet. Among other things, you'll be responsible for assertive, proactive local marketing and branding efforts using the techniques of the Handyman Connection® System. It is possible that large, internet based companies, such as Google or Amazon may participate in our market-space in varying degrees, and we are not sure of the long-term impact they could have. In addition, recent changes in Artificial Intelligence (AI), including chatgpt®, may have an impact on the franchising model, as well as our specific model, and we are not sure of the long-term impact it might have.

Notes:

1. Except as otherwise stated above, all fees are uniform, collected by and payable to us and are non-refundable. You are required to pay amounts by electronic funds transfer. We can apply any payments owed by you to any debt of yours that we choose (except for Brand Development Fund contributions), set off any amounts owed to you against any amount owed by you to us and/or specified third parties, and retain amounts received on your account for debts owed.

2. Gross Sales include all charges and/or revenues that are, or could be, received or earned by you (and/or any affiliate):

- A) by, at or in connection with your Handyman Connection® Business;
- B) relating to the kinds of goods or services available now or in the future through a Handyman Connection® Business and/or distributed in association with the Marks or the Handyman Connection® System;
- C) relating to the operation of any similar business;
- D) with respect to any co-branding activities;
- E) all amounts, including the cost of materials, paid by your customers directly to your independent contractors; and/or
- F) any revenue from any other business you own or operate, whether or not that business is a handyman or handyman related business, unless you obtain specific, written acknowledgment from the CEO that such sales will not be included in Gross Sales.

Although we have maintained the right to collect the Royalty Fee and Brand Development Fee with respect to Gross Sales derived from all purchases of materials from your Handyman Connection® Business under our form of franchise agreement for a number of years, we had not historically enforced this right until 2012. We continue to maintain this right under these franchise agreements. However, we are enforcing this right with respect to all franchisees who purchased their Handyman Connection® Business after January 1, 2012, and for all re-sales of franchises of those existing franchises who purchased their initial business prior to January 1, 2012, and who sold all or part of their business after January 1, 2014. Therefore, if you purchase a new or an existing franchise, you should understand that your Royalty Fee, Brand Development Fund Contributions, and Technology Fee will be based on Gross Sales amounts that include the materials purchased from your Handyman Connection® Business (or by a craftsman who completes work on behalf of your Handyman Connection® Business, or to whom you incur any pass through expenses for any purchases for which you are entitled to reimbursement) which will therefore be calculated differently than the Gross Sales of franchisees who purchased their franchise prior to January 1, 2012.

Gross Sales include any actual customer refunds, adjustments and credits, and any purchases or pass-throughs of any materials, but exclude sales tax collected and paid when due to the appropriate taxing authority.

3. As of the Issue Date, a Territory is typically comprised of units that we refer to as Households (“HHs”), with each grouping of 50,000 HHs is deemed to be an “HH Group.” For the purpose of calculating Minimum Royalty Fees, if a Territory contains more than 50,000 HHs, but the total number of HHs is less than a multiple of 50,000, then the number of HH Groups in such Territory will be rounded down to the nearest whole number of HH Groups.

4. If the Final Calendar Year is less than 12 months, then the amount of the Minimum Royalty Fee will be based on the number of months or portion of a month of operation in the Final Calendar Year, divided by 12.

NOTE: Amounts are not refundable unless otherwise noted.

(1) The Initial Franchise Fee is \$65,000 for a Territory. The initial Franchise Fee is deemed fully earned and non-refundable upon receipt. If Franchisee is purchasing additional franchise territories at the same time of their original franchise agreement, they may do so for a fee of \$55,000 for each additional territory and franchise agreement. If you are a current franchisee, in good standing, and you have generated over \$1,000,000 in reported gross sales to the Franchisor within the previous 12 months, you may purchase additional franchise territories for 50% of the then current initial franchise fee.

(2) This estimate is for lodging, meals, hotel and airfare for one person only. Transportation costs and airfare will vary depending on which state you will be traveling from.

(3) When possible, we recommend leasing rather than purchasing a space. It is difficult to estimate with any degree of accuracy the initial investment for real estate, leased or purchased, by any franchisee due to the many variables of location, size, quality of structures, and other factors. The maximum recommended size is 500 square feet. The cost per square foot will vary by market, and if the lease includes other services such as cleaning, utilities, etc. The amount stated in Item 7 represents an estimate of rent expenses for the first month's rent, and a security deposit equal to one month's rent. You may not operate out of your home.

(4) This estimate covers the cost of acquiring and installing a telephone system, conference tables and chairs, workstations, filing cabinets, a copier, and other miscellaneous office items and suppliers. Phone equipment must be purchased from our required supplier.

(5) Depending upon lease provisions and local regulations and requirements, deposits for leases and utilities vary. Lease deposits are normally a factor of annual or monthly rent.

(6) See Item 8 for more information regarding our insurance coverage requirements. The range of insurance costs listed in Item 7 assume that all insurance costs are paid pro-rata on a monthly basis, except for the Employee Dishonesty Bond which usually is paid up-front. If you choose an insurance company that requires a higher up-front fee and does not allow you to pay a pro-rata share of an annualized amount your pre-opening expenses may be higher than the estimated range.

(7) Licensing laws and permit requirements, including fees, may vary from state to state and city to city, depending on state and local laws. You must comply with these laws. See Item 1.

(8) The Grand Opening Marketing, Advertising and Promotion costs include items such as the purchase of one vehicle wrap, the estimated initial investment for creating an online local presence, pay-per click advertising, Search Engine Optimization (SEO), signs, mailings, business cards, vehicle magnets, etc. to help launch your initial marketing. Marketing costs may vary depending on your specific location. The costs associated with the call center will vary depending on how many additional minutes you end up using the Call Center for. Currently, the franchisees on the Call Center pay approximately \$350 a month which includes 100 minutes per month which do not roll over. Additional minutes are currently billed at \$0.85 per minute. You are required to have a CSR in your office to schedule craftsman, and if you do not have a full-time Customer Service Representative (CSR) in your office answering phones, we anticipate that the 100 minutes per month will not be sufficient and that you could go over this amount greatly, and as you grow and scale the business, we anticipate that you will exceed the 100 minutes monthly.

Re-sale businesses, depending on size and structure, may reasonably use more than the 100 minutes in the package. The answering service, cost structure, and amount of included minutes are subject to change.

(9) This amount is an estimate of the cost for the hardware and auxiliary software that includes monthly software support, and maintenance fees (after opening of the business). This estimate does not include the initial \$5,000 proprietary software fee or the ongoing Technology Fee of 1% of Gross Sales, but does include the projection of between 1-3 monthly users which are charged at \$125 per user per month. The Technology Fee is used in part to support the mobile platform which we expect all of our franchisees to learn and utilize. The mobile platform requires some level of access for users, including the franchisee, CSRs, service advisors and craftsmen. The mobile platform is supported for Android and iPhone devices only. All new franchisees, whether purchasing an existing Franchised Business, a portion of a current franchisee’s territory, or a new Franchised Business, are mandated to participate in the use of the mobile platform. If you do not own a smartphone compatible with the mobile platform, you will need to purchase a new phone and corresponding service in order to use the mobile platform. We continue to modify and update our technology systems, and as further enhancements and functionality are created, it is important to be aware that these changes may cause disruptions to your Franchised Business. We are currently switching technology platforms and depending on when you start your business, it’s possible that you may start on one technology platform and will need to soon after move to a different technology platform. We anticipate that all franchisees will be on the new technology platform by the Fall of 2023. Additionally, you will be required to adopt any of these changes, enhancements and functionality to your Franchised Business at the timeline of Handyman Connection’s choosing.

Breakdown of Estimated Computer Needs:

Equipment	Low	High	Comments
PC – workstation 1-2 computers	\$0	\$4,000	At least 1 tablet laptop and either 1 Desktop or a second tablet laptop (\$0 if you already have a computer that you will use for the business)
Printer	\$0	\$300	1 Portable printer- optional
Firewall hardware/software	\$100	\$1,000	High speed broadband router
ISP connectivity	\$300	\$900	Internet Service – 3 months

System set-up and configuration	\$250	\$500	
Software Support and Maintenance	\$375	\$1,125	Monthly Software License – 3 months (1-3 licenses)
Annual License Fee	\$200	\$300	Annual License Fee
Total	\$1,425	\$10,025	

(10) Proprietary Software License is the initial cost to acquire to our proprietary software. This software is a customer/craftsman database and scheduling system with reporting modules.

(11) Additional Funds is an estimate of certain funds needed to cover your business (not personal) expenses during the first three months of operation of the Franchised Business. You will need capital to support on-going costs of your business, such as payroll, utilities, taxes, loan payments and other expenses, to the extent that revenues do not cover business costs. You may need additional funds during the first three months of initial operation or afterwards. The three-month period from beginning business covers the time by which most Handyman Connection® franchisees are fully in operation but does not necessarily mean that you will have reached "break-even," "positive cash flow," or any other financial position by that time. In addition, the estimates presented relate only to costs associated with the Franchised Business, reflect minimal employee wages, and do not cover any personal "living" expenses, unrelated business or other expenses you may have such as royalty payments, Brand Development Fund Contributions, Technology Fee payments, debt service on any loans, state sales and/or use taxes on goods and services, and a variety of other amounts not described above. Miscellaneous costs to begin operations and other financial requirements may be more or less than the figures specified above, as a function of the size of business (number of staff, anticipated volume of business, etc.) and the area in which you intend to operate and other factors, as mentioned above. Many of these factors are primarily under your control in your independent operation of the business. We have made no provision for capital or other reserve funds necessary for you to reach "break-even" or any other financial position nor do any of these estimates include any finance charges, interest or debt service obligations. You should not assume that revenues from your customers will necessarily cover your initial (or other) expenses. You should review these figures carefully with a business advisor (such as an accountant) before making any decision to purchase the franchise. Since costs can vary with each franchisee, we strongly recommend that you (1) obtain, before you buy a franchise or make any commitments, independent estimates from third-party vendors and your accountant of the costs that would be needed to establish and operate a Handyman Connection® Franchised Business, (2) discuss with current Handyman Connection® franchisees their economic experiences (including initial costs) in opening and operating a Handyman Connection® Franchise and (3) carefully evaluate the adequacy of your total financial reserves.

(12) Total Estimated Initial Investment. All of the figures are estimates of certain initial startup expenses. The chart is not all inclusive as noted in note 9, above, and we cannot guarantee you will not have additional expenses in starting your Handyman Connection® business. The estimate does not include any finance charge, interest or debt service obligation, and we and our affiliates do not finance your initial investment, as noted in Item 10. The factors, basis and experience that we considered in formulating our estimates for your initial start-up are based on over 25 years of experience in franchising, and the assistance given to our franchisees in establishing and operating their respective franchises.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate your Franchised Business in strict conformity with our methods, standards, and specifications, which we prescribe in our confidential Handyman Connection Operations and Training Manuals, Standard Operating Procedures (“SOP”) and various other confidential manuals and writings prepared by us for your use in operating a Franchised Business (collectively the “Operations Manual”). We may periodically change our standards and specifications at our sole discretion.

Approved Products, Services, and Suppliers

You may only offer approved services and products (“Approved Services and Products”) through your Handyman Connection® Franchised Business. We will provide you with a list of the Approved Services and Products, as well as approved suppliers, after you sign the Franchise Agreement and begin training. All Approved Services and Products must meet our standards and specifications, which we will provide to you or directly to our designated or approved vendors. In order to: (i) better assure the quality of the Approved Services and Products; (ii) assure the supply or quality of the Approved Services and Products; and/or (iii) enable us, in our sole discretion to take advantage of marketplace efficiencies, we have the right to require you to purchase certain products and services, including any proprietary products and services we or our Affiliates may now or in the future create, from us, our Affiliates, or other suppliers or distributors approved or designated by us. Currently, we have designated suppliers for customized software, craftsman recruiting, clothing, vehicle wraps, phone systems, and specific marketing literature. We may change these categories at any time. You are required to purchase our proprietary software, directly from us. Other than the proprietary software, we are not the approved supplier for any other items. Other than the proprietary software, which is provided by Handyman Connection, neither we nor our officers have an ownership interest in any approved or designated suppliers.

Specification of a supplier may be conditioned on requirements relating to product or service availability, customer service (including prompt attention to complaints), our Annual Conference participation, as well as payments, contributions or other consideration to us or other parties designated by us. Our supplier requirements may be temporary and may change over time. In each case, the relationships and specifications regarding approved products, services and suppliers will be in our absolute and sole discretion. Nothing shall be construed to require us to approve any particular supplier. We have the right to receive payments from suppliers on account of their dealings with you and other franchisees and to use all amounts we receive without restriction for any purposes we deem appropriate. We shall not approve an unreasonable number of suppliers for a given item, which approval might, in our reasonable judgment, result in higher costs or prevent the effective or economical supervision of approved suppliers. We may withhold, condition, and/or revoke our approval of particular products or suppliers when we determine, in our sole discretion, that the products or suppliers no longer meet our standards or requirements. Upon notice of revocation, you must cease purchasing the disapproved products or services from suppliers.

In the event you wish to purchase any unapproved item, including inventory, and/or acquire approved items from an unapproved supplier, you must provide us the name, address, and telephone number of the proposed supplier, a description of the item you wish to purchase, and purchase price of the item, if known. At our request, you must provide us, for testing purposes, with a sample of the item you wish to purchase. While we do not charge a supplier

approval fee, if we incur any costs in connection with testing a particular product or evaluating an unapproved supplier at your request, you or the supplier must reimburse our reasonable testing costs, regardless of whether we subsequently approve the item or supplier. We'll notify you within a reasonable time whether or not you're authorized to purchase or use the proposed item or to deal with the proposed supplier. This time period would be within 72 hours if no credit check is required as a standard practice in that particular product or services industry; otherwise, the time period is 7 days.

We may obtain HCAC input before making changes to designated equipment, products, and/or services representing an additional investment by most or all franchisees in excess of \$5,000 within the 12 months following the effective date of any changes. We will provide you with a commercially reasonable period of time in which to implement any the changes (not less than 90 days).

We have entered into purchasing arrangements with suppliers for a variety of goods and services. We may derive revenue from your purchase of certain core products and services from approved and designated suppliers, including computer hardware and software, and Approved Services and Products. We may receive a rebate in the form of a fixed amount or percentage of sales. Our approved supplier of certain core products pays a variable rebate, provided that we meet certain volume requirements.

As of our fiscal year ended December 31, 2022, we received revenue in the amount of \$99,400, which is 2.92% of our total revenue of \$3,396,592 as a result of required franchisee purchases and leases.

You must purchase Handyman Connection's proprietary software, as well as periodic upgrades to the software from Handyman Connection; you must use Handyman Connection's designated telephone answering service and purchase all phone equipment from and pay an activation fee and a monthly telephone service fee to our designated suppliers.

Advertising

We must approve all advertising before first publication or use.

Leases and Leasehold Improvements

You must purchase or lease an office space for your Franchised Business which meets our standards and specifications and will generally be located in your Territory. In limited circumstances, it is possible that another Franchisee may have an office in your Territory, and you have no rights against either the Franchisee nor the Franchisor. We reserve the right to approve your location and lease terms before you sign a lease for a location. We may condition our approval of your lease upon, among other conditions, you and your landlord's signing of a collateral assignment of lease, whereby your landlord grants us the right, but not the obligation, to assume your rights and obligations under the lease in the event that you breach your lease agreement, or your Franchise Agreement is terminated or expires.

Computer Hardware and Software Components

You must purchase the required computer hardware and software itemized in detail in Note 9 to the Item 7 Chart.

Proportions of Required Purchases

We estimate that your required purchases will account for approximately 10% to 25% of all purchases and leases necessary to open your Franchised Business, and 5% to 10% of your ongoing cost to operate a Franchised Business. We don't condition providing benefits (such as the award of a renewal term or additional franchise) on use of designated or approved sources. However, failure to use approved items and suppliers might, like other matters, be a default under the Franchise Agreement and, in general, a franchisee in default would not be awarded a successor or additional franchise and might even be subject to termination.

Purchasing, Advertising or Distribution Cooperatives

We may require that you join and make required purchases/leases through a Handyman Connection® purchasing, advertising or distribution cooperative or other entity we designate. The cooperative may adopt its own bylaws, rules, regulations and procedures, subject to our consent in our discretion. We can require each cooperative to submit monthly and annual financial statements, and can require that the annual financial statements be audited, all at the expense of the cooperative. Presently, we have not established a purchasing, advertising or distribution cooperative, but we reserve the right to do so in the future. We specifically intend to establish an advertising cooperative in the future, which, if established, will require you to make contributions for shared advertising. Presently, you are not required to make purchases or leases through any purchasing cooperative or any other entity.

Insurance

All coverage listed below, shall be placed with an insurance company that is reasonably acceptable to the franchisor and all franchisees insurance carriers must maintain an AM Best rating of "A" or better. The insurance company or companies shall be lawfully authorized to do business in the State or Province that have jurisdiction over Franchisee's Handyman Connection business. You must procure and maintain the types and amounts of insurance that we specify, as issued by the insurance carriers we approve, which currently includes the following:

a. Workers' Compensation insurance must be in such form and be the greater of the amounts as required by (a) the laws of the state or province that have jurisdiction over your Franchised Business, or (b) Handyman Connection's Standard Operating Procedures ("SOP"). Employer's Liability insurance shall be provided in amounts not less than:

- \$1,000,000 each accident for bodily injury by accident
- \$1,000,000 policy limit for each bodily injury by disease
- \$1,000,000 each employee for bodily injury by disease

In addition, to the extent that applicable law allows, Handyman Connection requires that all Workers' Compensation policies contain a Waiver of Subrogation clause in favor of the Franchisee, and Trident Investment Partners, Inc., dba Handyman Connection.

b. Automobile Liability insurance, including coverage for all owned, hired and non-owned automobiles. The limits shall be not less than \$1,000,000 combined single limit per accident for bodily injury and property damage.

c. Commercial General Liability insurance covering all operations by or on behalf of Franchisee, providing insurance for bodily injury liability and property damage liability for the limits indicated below. Coverage should be included for independent contractors, premises and operations, product and completed operations and contractual liability. Limits of liability should be provided in amounts not less than:

- \$1,000,000 per occurrence
- \$2,000,000 products and completed operations aggregate
- \$2,000,000 general aggregate
- \$1,000,000 personal and advertising injury

The General Liability policy shall name Trident Investment Partners, Inc. dba Handyman Connection as additional insured utilizing ISO form CG 2029 or its equivalent. The policy shall include a waiver of the insurance carrier's right of subrogation against Trident Investment Partners, Inc. dba Handyman Connection using ISO form CG 2404 or its equivalent. In "Monopolistic States" (Ohio, North Dakota, Washington and Wyoming), Employers' liability (sometimes referred to as "Stop Gap") coverage must be purchased separately or added to the general liability Insurance.

It is expressly agreed and understood that the insurance afforded the additional insured(s) shall be primary insurance and that any other insurance carried by Trident Investment Partners, Inc. dba Handyman Connection shall be in excess of all other insurance carried by you and shall not contribute to your insurance.

d. Employee Dishonesty Insurance with a minimum limit of \$5,000 per loss, including coverage for theft against third parties.

e. Umbrella liability insurance with a limit of at least \$1,000,000 per occurrence and in the aggregate and shall apply over the general liability, automobile liability and employer's liability coverages as required above.

f. Other insurance required by the state or locality in which your Franchised Business is located and operated.

Franchisees are responsible for confirming that subcontractors maintain insurance coverage in the amounts and types provided up and that such insurance names us and our Affiliates as an additional insured, or that subcontractors otherwise have the required insurance coverage through the franchisee's insurance policies.

We may require different, additional, and/or increased amounts or kinds of insurance at any time, including excess liability insurance. Each insurance policy must: (i) name us as additional named insured; (ii) contain a waiver of all subrogation rights against us, our Affiliates and any successors and assigns; (iii) and provide 30 days' prior written notice to us of any material modifications, cancellation, or expiration of the policies.

Prior to the commencement of operations, you agree to furnish to us a Certificate of Insurance documenting that the required insurance coverage is in effect, together with a copy of all such insurance policies. All policies will be renewed annually through the Term of the Franchise Agreement and you will cause a renewal Certificate of Insurance for each required coverage to be mailed or e-mailed to us prior to the expiration of such coverage.

Insurance coverage can vary from state to state and from city to city. Premiums are affected by experience rate, location, nature of business, business organization and many other factors. Franchisees are encouraged to check local rates and coverages. Some states may require you to pay workers' compensation premiums for the independent contractor service providers you recruit. We strongly recommend that you seek legal advice regarding local insurance requirements.

Dan Sage has been our Chief Information Officer and Director of Technology since our inception and has over 15 years of experience in the industry. Angelique McMillan is our Vice President of Marketing as of August 2022 and joined Handyman Connection in September of 2017, and has over 13 years relevant experience with various marketing and advertising companies. Aja Gregory joined us in the fall of 2022 after having worked for Valassis Marketing Solutions from 2019 to 2022 where she had experience in working with print and digital marketing solutions in the franchising industry. Paul Collum joined

Handyman Connection in February of 2022 and spent the previous eight years as a Franchise Business Coach, overseeing National Accounts growth and Facility Partner relationships for the entire franchise system at Fish Window Cleaning Services. Praiss Baron joined Handyman Connection in the spring of 2022 and has been in the franchising space for approximately 8 years, having worked in the legal field of franchising before transitioning over to overseeing Operations for Two Maids and Mop® in 2018, and then as the VP of Training with Premium Service Brands starting in 2021. Brian Honeyman has been our Vice President of Operations since January 1st, 2019, and has worked in franchising for over 23 years.

Training is conducted utilizing the Operations Manual, online resources, and forms prepared by us, as well as affiliates and outside vendors. Generally, we conduct the initial training program every two to three months on an as-needed basis. Failure to complete initial training to our satisfaction, including any re-sales, within the applicable time period may result in rescission of the Franchise Agreement (Franchise Agreement, Section 19.3.2). All training materials we provide you with will remain our property, and you agree not to challenge our or our Affiliates' title or rights in or to the training materials. You may not make any disclosure, duplication, or other unauthorized use of any portion of the training materials. Starting in the spring of 2020, due to the covid-19 epidemic, we switched our in-person learning to being virtual, but we in 2022, we switched back to in-person training. Although we don't anticipate going back to both a completely virtual training program in the future, we make no commitments as to how training may take place in the future. See below for information regarding ongoing training we may provide.

Typical Length of Time to Open Your Business

We expect you to open your business a minimum of 1 week and a maximum of 6 weeks after your training is concluded. The typical length of time between the signing of the Franchise Agreement or the first payment of consideration for the franchise and the opening of the Franchised Business is 2 to 4 months. The actual length of this period will depend upon factors including your ability to obtain an acceptable site and a lease for that site, acceptable financing arrangements, training schedules, delivery schedules for inventory and equipment and other factors including the time necessary to obtain zoning permits, licenses, and variances. You must open your business within 120 days of signing the Franchise Agreement. Failure to do so can result in termination of the Franchise Agreement (Franchise Agreement, Section 7).

Technology System

You must purchase, use, maintain and update at your expense the software and hardware computer systems meeting our specifications, as we may modify them. You must use proprietary Handyman Connection® Software in your Franchised Business and sign a license agreement for its use. You are required to purchase Handyman Connection's proprietary software at an initial cost of \$5,000 per franchise agreement you execute. The software is a customer/craftsman database and scheduling system with reporting modules. We are in the process of continued additions and refinements to a new operating system in 2023, and you must implement and utilize all the changes and additions to the technology system as we update you of such changes and additions. As we continue to develop this software, it is important to understand that there may be disruptions to your Franchised Business as these implementations are made. In addition, it is important to understand that the technology may not always work, and is subject to periodic outages, connectivity issues, and disruption due to software upgrades from different vendors that may occur periodically that may not be compatible to our current operating system. We are not responsible in any manner for such issues or disruption. To use our software, you will need to

have a license that will require initial and annual fees. Your initial license is \$5,000 and you will be charged an access fee on an annual basis which may change (the current fee is \$200 annually); additional licenses for your employees and craftsmen may have to be purchased. You are required to pay an annual software renewal fee to us. You are also required to pay a monthly software support and maintenance fee per Licensed technology user, and a monthly technology fee in the amount of 1% of Gross Sales. The current technology monthly fee is \$125 per user. This fee is expected to change in the future. All upgrades and maintenance of proprietary software will be provided by the vendor at your expense. The Franchise Agreement provides that you may be required by us to upgrade or update any hardware component or software program during the term of the franchise, at your expense. The total cost of computer needs, including Proprietary software license fee, is between \$6,425 and \$15,025 as stated in Item 7 of this FDD. Currently, we require that you obtain a Microsoft Windows operating system with at least Windows 11 Professional or the then current Microsoft Windows operating system version. You will also need at least one computer to be a tablet laptop/notebook computer, which is a tablet pc with a touch screen. In addition, you are required to have and use a smartphone that is compatible with our mobile platform. There are no contractual limitations on our right to access the information and data you collect electronically.

You must pay a fee for the ongoing maintenance and/or support of the software. (See Item 6). We require that you maintain your systems on-line to allow us access to system data and information. You, and any other users of the software system, must comply with our then-current Terms of Use and Privacy Policies and any other requirements regarding all computer and other systems, including Internet/Intranet usage. You are responsible for all charges by our designated supplier or and/or licensor charges for use, maintenance, support and/or updates of and to the required systems.

You must obtain and maintain at your sole expense accounting, sales, reporting and records retention systems conforming to any requirements we prescribe including any electronic systems with online access for us. These systems may include computer and accounting systems, and software programs, and may have components available only from us, or an approved or designated supplier. We reserve the right to use, as we think appropriate, and to have full access to, all accounting, marketing, computer and any other systems, and the information and data they contain. We may charge a reasonable fee for the license, modification, maintenance or support of software or any other goods and/or services that we furnish to you in connection with any of the systems. We disclose our current fees in Item 6 of this Disclosure Document.

We may seek HCAC input before making changes to designated equipment, products, and/or services that represent an additional investment by most or all franchisees in excess of \$5,000 within the 12 months following the effective date of any changes we establish. We will provide you with a commercially reasonable period in which to implement any such changes (not less than 90 days).

Handyman Connection® will provide the Handyman Connection® proprietary software, and may provide periodic updates, improvements, and revisions to this software (as we deem appropriate) at an estimated annual cost to you of approximately \$500 to \$1,000, each of which you must promptly implement. You may install other software on your computer other than what we or the third-party vendors supply you with.

In the past, we required franchisees to purchase, for themselves and their employees, a third-party estimating software program. Currently, we do not require this, but may choose to require this purchase by you in the future. The most recent price we had for this from our approved vendor was \$600 for an initial software estimating package which allowed you to calculate 200 estimates. We reserve the right to change the required third-party software in the future at our sole discretion, which may affect the cost to acquire and/or use the required software.

The computers will be used in the day-to-day operation of the business as well as operating the proprietary software. In the future, we may require you to purchase additional or alternative proprietary software, which has no compatible equivalent that we have approved. It may be by third party vendors which we may designate from time to time.

You must also subscribe to and use a 3rd party texting platform that will allow for texting to be used over any land-line office phones, as well as provide additional, in-depth reporting. The fee is currently \$55 a month per enabled phone line but is subject to change with 30 days' notice. Most of our franchises only have one phone line per office location.

Site Selection

We don't select the site for your System franchise, but we reserve the right to approve the site and your lease, and to condition approval on an executed Collateral Assignment of Lease in a form that we approve. When approving a site and/or lease, we use general business considerations but we do not use any specific criteria in our site approval process. As stated in Item 7, we recommend that you lease a site no larger than 500 square feet. You must secure real estate within the Territory, by purchase or lease, for the operation of the Franchised Business within 90 days from the execution of the Franchise Agreement. If you do not obtain a site within the 90-day time period, you will be in default under the Franchise Agreement.

You select the site for your office that complies with the Franchise Agreement. You must maintain adequate office space and telephone lines for your Franchised Business (Franchise Agreement Section 5). All matters related to the site selection, development, etc. are your sole responsibility.

Marketing

As stated above, we have created a Brand Development Fund ("BDF") to develop, produce, and distribute national, regional and/or local advertising, to create advertising materials and engage in public relations activities that promote the services offered by System franchisees, and to otherwise build the Handyman Connection® brand as we determine. Contributions to the BDF may be used to pay for any of the BDF's direct program cost and/or overhead expenses related to the administration of the BDF, including reasonable salaries, accounting and administrative costs incurred by us. Contributions may also be used and disbursed by us for national, regional, and/or local advertising, brand development, public relations or public relations firms, for tests and pilot programs, customer support administration, technology research and development related to the brand, consumers or craftsman, promotional events and materials, market research costs, creative and production costs, as well as to pay us for any advertising and/or promotional materials produced by us related to marketing, advertising, brand development, data analysis, research, or anything related to the consumer or craftsman. We may also use the BDF to satisfy any and all costs of maintaining, administering, directing, preparing, producing, placing and distributing advertising, marketing, or brand development including both

consumer and craftsman related advertising, videography, obtaining customer and craftsman satisfaction information including the design and execution of net promoter scores, texting platforms, as well as to cover the costs of a national call center, and mystery shopping. We will select the types of media used and the location of the advertising and any public relations campaigns administered through the BDF. We may use print, radio, television, telephone, telephone directories, Internet, mobile and direct mail and any other form of advertising medium that is appropriate for the use intended. The media coverage may be national, regional or local in scope. We coordinate the advertising through in-house specialists and outside agencies. (Franchise Agreement, Section 13.1).

We have no intention to use the BDF for franchise development or for items primarily related to franchise marketing; general corporate research unrelated to marketing activities that we are authorized to perform under the Franchise Agreement; or franchise support and field services performed by us.

We will account for the BDF separately. We may spend in any fiscal year an amount greater or less than the aggregate contributions to the BDF in that year, and the BDF may borrow from us or other lenders to cover deficits of the BDF or cause the BDF to invest any surplus. We retain the right to defer, waive and/or compromise claims for current/future contributions to, and/or claims against or with respect to, the BDF and fund the same with the BDF. We may also merge the BDF with any marketing fund otherwise established for Handyman Connection® Businesses, so long as the restrictions of the relevant Franchise Agreement(s) continue to apply to contributions made by Franchisees under the arrangements. (Franchise Agreement, Section 13.1). We retain the right to incorporate the BDF or operate it through an entity separate from us, which is subject to all rights and duties of ours relating to the BDF. We do not have to spend a specific amount on advertising in your Territory.

We shall prepare a summary statement of operations of the Fund annually and make the statement available to you upon written request, though we have no contractual obligation to do so. There is no requirement that the Fund be audited. We are entitled to receive payment for salaries, administrative costs and overhead in connection with the services we provide to the BDF. Any funds not spent in any particular year are kept in the Fund for use in subsequent years.

Handyman Connection has a franchise advisory council (HCAC) that may be asked to provide recommendations regarding key initiatives. The council is comprised of franchisees. The members of the council are selected by Handyman Connection franchisees at the annual conference. The HCAC serves in an advisory capacity; it has no decision-making power over what advertising, marketing or brand development Handyman Connection will use in the campaigns administered through the BDF. In addition to the HCAC, we may set up additional marketing committees to provide us with feedback on marketing or branding initiatives. Any Marketing or Brand committee only serves in an advisory capacity and has no formal decision making authority. While the Franchise Agreement does not explicitly reserve this right, we have the power to change or dissolve the HCAC as well as any Marketing or Brand committees.

You understand that some Handyman Connection® franchisees have BDF obligations that are different and more favorable than yours. We have in the past extended offers to non-BDF participants to amend their existing agreements to allow them to participate in the BDF at a lesser contribution percentage for established time periods to encourage their participation, and may do so in the future.

We may provide advertising creative concepts and other content and/or materials to marketing funds for Handyman Connection Business franchisees and/or to franchisees located outside of the United States provided that such fund/franchisees will be required to bear a reasonable portion of the costs for such items (and or reimburse the BDF for such amount) as determined by us.

Neither we, the HCAC, nor any Affiliate will be liable for any act or omission in connection with the BDF. None of the relationships with you in connection with the BDF is in the nature of a “trust,” “fiduciary” or similar special arrangement.

We may deny access to any and all programs and/or materials created by, and benefits of, the BDF to you and to any franchisees who are in default in any obligations to the BDF, do not meet minimum quality service standards (such as a minimum Net Promoter Score), and/or are otherwise in default under the Franchise Agreement.

You must participate in all BDF programs. You will fully honor all coupons, price reduction and other promotions/programs as we direct.

For the fiscal year ending December 31, 2022, the BDF funds were spent as follows:

Production (Research and Development)	45%
Media and Promotion	22%
Administration and Other expenses	33%

For the fiscal year ending December 31, 2022, we did not use any percentage of the BDF funds on the solicitation of new franchise sales.

Local Advertising Requirement(s)

In addition to contributions to the BDF, you must spend an amount equal to eight percent (8%) of the Gross Sales of your Franchised Business on local marketing in your Territory, either by way of direct promotion or participation in a local or regional advertising cooperative with other System franchisees, for any business that is reporting annual gross sales less than \$1,000,000; provided, however, for the first year of operation, you must spend an amount equal to ten percent (10%) of the Gross Sales of the Franchised Business on local marketing. For Franchisees who are generating between \$1,000,000 and \$3,000,000 in their franchise territory, Franchisor requires an amount of 7% of the gross sales to be spent on local advertising. For Franchisees who are generating gross sales greater than \$3,000,000 annually, they agree to spend an amount equal to five percent (5%) of the Gross Sales of the Franchised territory. The purchase of your required vehicle wrap is not included in the 10% marketing requirement in your first year. We have the right, in our discretion, to designate any geographical area for purposes of establishing a regional advertising and promotional cooperative (“Cooperative”), and to determine whether a Cooperative is applicable to your Franchised Business. (Section 13.3 of the Franchise Agreement). Any contributions you must make to a Cooperative will be credited towards your local advertising requirement. You may spend any additional sums you wish on local advertising. You must spend the Local Advertisement Requirement as we prescribe in the Operations Manual or otherwise in writing.

We have the right to require that you submit quarterly reports detailing the amounts you have spent on local advertising. We may require similar reports at other times. If you do not spend

the required amounts on local advertising, we may, in its sole discretion, require you to make an additional contribution to the BDF to make up the difference between what you were required to spend on local advertising and what you, in fact, spent on local advertising for that year. (Section 13.2.2 of the Franchise Agreement).

You may only use the advertising, marketing and promotional materials created for and provided to the system to support you in your business. If it is necessary for you to produce your own materials locally, you may do so only if you have submitted them to us for approval at least 15 business days before their use. We will inform you in writing of our approval or disapproval of your proposed materials within 10 business days of submission. (Section 13.4 of the Franchise Agreement).

In addition to making contributions to the BDF, you agree, at your own cost and expense, to market, advertise and promote the Franchised Business in the Territory, and will: (a) actively market your business locally including, without limitation, marketing and advertising on different internet portals, local and national internet directories that service your local market. These listings must conform with our specifications, and if directed by us, you agree to participate in a pro-rata share of advertisements or local listings by a group of local franchisees; and (b) have at least one wrapped vehicle displaying our logo(s), website and phone number.

You must market, advertise and promote the Franchised Business in the Territory only in a manner that will reflect favorably on us, the Franchised Business, the services and products offered by you, and the good name, goodwill, and reputation of the System and Proprietary Marks. You must not use any advertising or other marketing or promotional materials furnished by Franchisor or any other materials containing any of the Proprietary Marks for any purpose other than to market and promote the Franchised Business. Your advertising or marketing materials must be in good taste, conform to brand standards and requirements, ethical and legal standards, and may include both consumer and craftsperson-related materials and campaigns. We require you to submit samples of all advertising and promotional materials (and any use of the Marks and/or other forms of commercial identification) for any media, including digital, to us for our review and approval before use. You will not use any materials or programs disapproved by us at any time and will use all materials and programs designated by us as mandatory. We can require you to include a brief statement regarding the availability of Handyman Connection® franchises in advertising used by you and/or that brochures regarding purchase of Handyman Connection® franchises be displayed in your Handyman Connection® Franchised Business. We may establish standards and requirements for advertising, which you must follow. All use of the Internet or other electronic media by you in connection with your Handyman Connection® Business will be as we specify.

ITEM 12 **TERRITORY**

You will operate your Handyman Connection® Franchised Business from a single location within a territory approved by us and designated in Schedule A to the Franchise Agreement (the "Territory"). The Territory presently being offered is created using information we have purchased from the United States Postal Service ("USPS") under the headline of 'housing count'. We refer to this 'housing count' headline as Households ("HHs") throughout this Disclosure Document and the Franchise Agreement

The Territory generally ranges from approximately 75,000 to 100,000 HHs, but the size of the territory being offered to you may be smaller or larger. We maintain the right to change or alter our definition, measurement and criteria for future agreements, and maintain the right to update our definitions and counts based on new information. There are several factors that might affect the number of HHs in a Territory, including the number of households in an area, which further depends on external factors such as Territory location and geography; whether the Territory was previously owned or serviced by any former or current franchisee; and a franchisee's experience. Housing counts are derived from third party independent sources and provided to us by the USPS, and we do not authenticate or validate this data.

You may advertise, offer and perform Residential Services outside of your Territory so long as: (i) the offering and performing of Residential Services is not within the territory of another Handyman Connection franchised business that has been granted territorial exclusivity; (ii) the services are within the definition of Residential Services as defined by the Franchise Agreement; and (iii) you are in substantial compliance with the Franchise Agreement determined by us in our sole discretion. If you advertise and perform any Residential Services outside of your Territory, you understand that you do not have any future rights to provide services to these customers. If we sell or otherwise assign these zip codes located outside of your Territory to another franchisee, any marketing to those customers must immediately cease, and any rights to service those customers will immediately cease, and the rights to service those customers will move to the franchisee who has been awarded the designated zip codes. We also reserve the right to revise or reassign your right to service any zip codes outside of your Territory at any time for any reason.

So long as you are in substantial compliance with the terms of the Franchise Agreement as determined by us in our sole discretion, you will have the right to receive and service the new, residential leads located in your Territory received through our lead generation internet platform or our centralized 1-800 phone number. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Reservation of Rights and Alternative Channels of Distribution

Under the Franchise Agreement, we and our affiliates retain the right to: (i) own and operate, and license to others the right to own and operate Handyman Connection® Franchised Businesses outside of your Territory using the Proprietary Marks or any other marks we may designate; (ii) own and operate and license to others the right to own and operate similar businesses under different names inside or outside of the Territory under different marks; (iii) use the Proprietary Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including the sale of goods or services through wholesale and retail stores, via the Internet, and via direct marketing through telephone, television, or radio within or outside of your Territory; (iv) develop or become associated with other concepts (including dual branding and/or other franchise systems), whether or not using the Handyman Connection System and/or the Proprietary Marks, and award franchises under other concepts for locations anywhere; (v) acquire, be acquired by, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not), with units located anywhere (these transactions may include arrangements involving competing outlets and brand conversions to or from the Handyman Connection Marks and System); and (vi) engage in any other activities not expressly prohibited by the Franchise Agreement.

We reserve the right, among others, as to any service arrangements relating to our sale of products and services through alternative channels of distribution and our reserved rights. The Franchise Agreement grants you no right to: (i) to distribute products and services through our reserved rights or through alternative channels of distribution; or (ii) to share in any of the proceeds from our activities through alternate channels of distribution.

Minimum Performance Criteria

Your right to receive and service the new, residential leads located in your Territory is dependent upon achieving the Minimum Performance Criteria and paying the annual Minimum Royalty Fee.

For Calendar Years three through five, you must achieve a minimum of \$225,000 in Gross Sales for each HH Group in your Territory (50,000 HHs is one “HH Group”), and for Calendar Years six through ten, you must achieve a minimum of \$350,000 in Gross Sales for each HH Group in your Territory. If the Franchise Agreement is signed in January or February, the Performance Criteria will start in Calendar Year 2. For the purpose of calculating the Minimum Royalty Fees associated with Minimum Performance Criteria, if your Territory contains more than 50,000 HHs, but less than a multiple of 50,000, then the number of HH Groups in that Territory will be rounded down to the nearest whole number of HH Groups. If Franchisee is purchasing additional franchise territories at the same time as their initial franchise territory, the performance criteria for the additional territories are zero for calendar year 3.

CALENDAR YEAR	Minimum Performance Criteria amounts for Gross Sales
3 rd – 5 th	\$225,000 for each HH Group in your Territory
6 th – 10 th	\$350,000 for each HH Group in your Territory

Calendar Years are determined as follows: (a) the “First Calendar Year” is that portion of the year ending on December 31st of the same year as the Effective Date of your Franchise Agreement; (b) the “Second Calendar Year” is the first full year following the First Calendar Year; (c) the “Third Calendar Year” shall be the second full year following the First Calendar Year; and, (d) the “Fourth Calendar Year” through “Tenth Calendar Year” shall be determined in the same manner as listed in subparagraphs (b) and (c) above, except increasing by one for each full year following the First Calendar Year. If the Final Calendar Year is less than 12 months, then the amount of the Minimum Royalty Fee will be based on the number of months or portion of a month of operation in the Final Calendar Year, divided by 12.

We may also implement additional Minimum Performance Criteria in the future with respect to market penetration, market presence or customer satisfaction levels (which are currently measured by the Net Promoter Score (NPS)).

Under the terms of the Franchise Agreement, you must make up any deficiency in your Minimum Performance Criteria for any given year by paying us the difference between the Royalty payment actually received and the Royalty payment we would have received had you met the Minimum Performance Criteria. The Minimum Performance Criteria is per franchise agreement and may not be aggregated with any other franchise agreements signed. In addition to collecting this Minimum Royalty Fee, if you do not achieve the Minimum Performance Criteria (including

Minimum Performance Criteria established in the future as described in the previous paragraph), we have the right to take appropriate corrective action, which may include establishing a remedial business plan, assigning you into a franchise resale program, registering you in additional training programs at your cost and expense, reducing and/or removing any exclusivity you may have in your Territory, reducing and/or removing zip codes from your Territory, rescinding your rights to receive and service residential leads, or terminating the Franchise Agreement.

Certificate Programs and National Accounts

We reserve the right to establish one or more "Certificate Programs" through which franchisees may be authorized to offer, sell, and perform maintenance, installation, and repair services, not specifically identified as Residential Services ("Certificate Program Services"). In order to provide such services, you must meet the eligibility requirements of the individual Certificate Programs, which may include signing Handyman Connection's Certificate Program Services Addendum, the payment of an initial program fee, the payment of enhanced royalty fees, the purchase of increased insurance coverage, the satisfactory completion of supplemental training, and other requirements as we determine necessary and appropriate, at our discretion.

You may not enter into contracts to perform such services with third parties or other system franchisees without our written permission. We, our Affiliates, other Handyman Connection franchisees, or third party designees may perform services under such contracts within the Territory. You disclaim any compensation or consideration for work performed by others in the Territory under any Certificate Program. We have not currently established any Certificate Programs.

We have the exclusive right to negotiate and enter into agreements or approve forms of agreements to provide services (as defined below) to any entity that owns or otherwise has responsibility for a building or common services in more than one location whose business is not confined to one franchisee's territory, regardless of the contract amount of the services to be performed (a "National Account"). We have not currently established any National Accounts. We or any party we may designate shall have the right to perform the services for the National Account within your Territory.

Residential Services

The grant of a franchise is for the right to provide Residential Services only. Until completion of your Second Calendar Year, the cost of Residential Services cannot exceed \$15,000 per project or \$30,000 in the aggregate without our prior approval. Residential Services are limited to one, two, or three owner-occupied dwellings. Franchisees may not offer services unrelated to home repair such as lawn care. Subject to your compliance with the terms of the Certificate Programs and National Accounts listed immediately above, and subject to you being in full compliance with the Franchise Agreement, you may perform commercial work in your Territory but you agree and acknowledge that you do not own the exclusive rights to perform such commercial work in your Territory. If you wish to offer services other than Residential Services, you must obtain our prior written approval, which we may grant at our sole discretion. We may condition our approval on your completion of a Certification Program, if any, and the payment of any licensing fee associated with providing additional services.

Relocation

You may relocate the Franchised Business only with our prior written approval, which we will not unreasonably withhold provided that the proposed new location meets our then-current criteria for a Franchised Business.

We, our predecessors or others from whom we derived our rights have filed all required affidavits of use in connection with the applications for trademark registration. All marks have been renewed. There are no currently effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor are there any pending infringement, opposition or cancellation proceedings or material litigation, involving the Proprietary Marks.

Handyman may change or modify its commercial symbols and you must adopt, use, and display the additional, substitute, or modified marks at your sole expense. You must use all names and marks in full compliance with the rules prescribed from time to time by Handyman. You are prohibited from using any name or mark as part of any corporate name or with any prefix, suffix, or other modifying words, forms, designs or symbols (other than logos licensed by Handyman to you). In addition, you may not use any name or mark in connection with the sale of any unauthorized product or service in any other manner not explicitly authorized in writing by Handyman.

Handyman (through its predecessor, Neubel, Inc.) is subject to an agreement with Handyman Lumber Company, Inc. of unspecified duration. This agreement restricts Handyman from using the name "Handyman Connection," or any other name utilizing the word or mark "Handyman," in 12 counties (and a portion of one other), the "Restricted Territory," in Ohio. In addition, Handyman cannot use the word or mark "Handyman" in any area for retail store services or for any services rendered or arranged to be rendered by a retail store. As part of the Agreement, Handyman Lumber Company, Inc. agreed to make no use of the name "Handyman Connection" as a service mark, trademark or trade name and agreed to not take any action to restrict the use by Handyman's predecessor of "Handyman Connection" for home repair services in any area outside the Restricted Territory.

Nothing in the agreement prohibits Handyman from using the name "Handyman Connection" for services outside the Restricted Territory in advertising and marketing media that originate outside the Restricted Territory and are targeted to potential customers outside the

Restricted Territory. The agreement is binding on and benefits the parties' successors (and the assignees of substantially all the assets used in the businesses concerned) and makes no provision for cancellation or modification, any cancellation or modification normally requiring the agreement of both parties. There are no other agreements currently in effect which significantly limit the rights of Handyman Connection, to use or license the use of its trademarks, service marks, logotypes or commercial symbols in any matter material to the franchise. There are no other agreements currently in effect which significantly limit the rights of Handyman Connection to use or license the use of its trademarks, service marks, logotypes or commercial symbols in any matter material to the franchise.

If it becomes advisable at any time, for you to modify or discontinue the use of any of the Marks or use one or more additional or substitute trademarks or service marks, you will promptly comply (at your sole expense) with our directions to modify or otherwise discontinue the use of such Marks, or use one or more additional or substitute trademarks or service marks, including replacement of all signage, etc. We won't have any liability or obligation (whether of defense, indemnity, expense reimbursement or otherwise) to you. You agree to make no claim, for, or in connection with, any modification, discontinuance or otherwise, and/or any dispute regarding the Marks and/or your and/or our rights in or to them.

You understand that there is always a possibility that there might be one or more businesses, similar to the business covered by the Franchise Agreement, operating in or near the Territory or area(s) where you may do business or otherwise, using a name and/or marks similar to ours and with superior rights to such name and/or marks as a result of prior use or otherwise. We strongly urge you to research this possibility, using telephone directories, local filings, internet, and other means, prior to your signing the Franchise Agreement, any other documents, expending or paying any sums or making any commitments. (Franchise Agreement, Section 6.4)

Outside of those stated above, there are no infringing uses actually known to Handyman Connection that could materially affect your use of such trademarks, service marks, trade names, logotypes or other commercial symbols in this state or any other state in which the franchise business is to be located.

We are the lawful and sole owner of the domain name www.handymanconnection.com. You cannot register any of the marks that are now, or in the future, owned by us or any abbreviation, acronym or variation of the Marks or any other name that could be deemed confusingly similar, as Internet domain names. We retain the sole right to advertise the system on the internet and to create, operate, maintain and modify or discontinue use of a web site using the Marks. Except as we authorize in writing in advance, you may not (i) link our web site; (ii) conduct any business or offer to sell or advertise any products or services on the worldwide web; or (iii) create or register any Internet domain names in connection with your franchised business.

ITEM 14 **PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION**

No patents or copyrights (other than common law copyrights with respect to the Manuals) are material to the franchise. There are no current determinations, proceedings or litigation involving any of our copyrighted materials. Should you become aware that any unauthorized third party is using any of our copyrighted materials, we request that you notify us of any unauthorized use. We may revise our System and any of our copyrighted materials in our discretion, and may

require that you cease using any outdated copyrighted material. You will be responsible for printing any revised or new advertising, marketing or other business materials.

During the term of the Franchise Agreement you will receive information that we consider trade secret and confidential information. You may not, during the Term of the Franchise Agreement or after its termination or expiration, communicate, divulge, or use for the benefit of any other person, partnership, association, corporation, or limited liability company any confidential information, including the names of other franchisees, mailing lists, customer data, trade secrets, the Operations Manual, the SOP, information about any technology used in the operation of the Franchised Business, any Handyman Connection training materials, or know-how made known to you by virtue of your operation of the Franchised Business (“Confidential Information”). You acknowledge and agree that Confidential Information includes any media that contains customer names and addresses, as well as prices charged to customers and credit extended to customers. You must require your manager and any personnel having access to any of our Confidential Information to sign an agreement stating that they will maintain the confidentiality of information they receive in connection with their employment and restricting their right to work for a competitor while they are employed by you. Your agreement, which will be in a form that we prescribe, will identify us as a third party beneficiary to the agreement and will give us independent enforcement rights.

The Franchise Agreement provides that if you, your employees, or principals develop any new concept, process or improvement in the operation or promotion of Franchised Businesses, you shall promptly notify us and provide us with all necessary related information, without compensation. Any new concept, process or improvement shall become our sole property and we shall be the sole owner of all patents, patent applications, trademarks, copyrights and other intellectual property rights related to any new concepts. In the alternative, you and your principals shall grant to us a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the concept, process or improvement if the use or sublicense would, absent the relevant agreements, directly or indirectly infringe on your rights to the new concepts.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your Handyman Connection® Business must be personally managed on a full-time basis by a person who has successfully completed our mandatory training program and who meets our then-current standards. Unless you are given express written consent to the contrary, the individual signing the Franchise Agreement (or if a business entity, at least one of the individuals that sign the personal guaranty), must devote their full-time, maximum efforts to the Franchised Business. You may not, without our express written consent, directly or indirectly engage in any other enterprises or business concerns, nor render professional services to, own, control, manage, consult with, be employed by, or otherwise have an interest in, any other enterprises or concerns, during the term of the Franchise Agreement, except that you may transact in securities of publicly traded companies and engage in other passive investment activities. If you are an individual, you will be the manager of the Franchised Business unless we approve a different manager in writing.

We have the right to deal with the manager regarding routine operations and reporting requirements. The manager is responsible for the day-to-day operations of the business and will devote at least 40 hours per week to the supervision and conduct of the Handyman Connection

Business. You will ensure that our records for your Handyman Connection® Business managers/supervisors are kept current and promptly advise us in writing of any changes. Your manager must sign a non-disclosure, non-competition agreement with provisions substantially similar to those contained in the Franchise Agreement, if the manager is not a party to this agreement. We do not require that your manager hold an equity interest in the franchise.

You are responsible for the hiring and management of your Handyman Connection® Business employees, for the terms of their employment, for ensuring their compliance with any training or other employment-related requirements established by us, and for complying with all applicable employment laws and regulations. You must maintain a competently trained staff and take steps necessary to ensure that good customer relations are preserved and maintain a dress code and the training standards established by us. You will not hold yourself out as our or our affiliate's agent, legal representative, partner, subsidiary, joint venturer or employee and you will indemnify us for any liability arising from any of your labor or employment law violations.

You, your owners/shareholders/partners/members/managers and the spouse of you, if you are an individual or a sole proprietor, and of each owner/shareholder/partner/member/manager (as applicable) must sign a Personal Guaranty attached as Exhibit C to the Franchise Agreement.

Pursuant to the signing of the Franchise Agreement or Personal Guaranty, you and the other principal owners of your Handyman Connection® Business, must enter into a covenant not to engage in a competing business and/or use/disclose our confidential business information during the term of the Franchise Agreement or their employment with you, whichever is applicable, and for a period of 3 years following termination of the Franchise Agreement or employment.

Each of your employees, craftspeople, service providers, agents, principals and affiliates must sign a confidentiality agreement containing substantially the same protections as provided in the form agreement contained in the Manuals (although you are responsible for ensuring its adequacy and enforceability under local law). Our approval of a manager other than you is conditioned upon the manager's entering into a confidentiality and restriction of like business agreement containing covenants like those contained in the Franchise Agreement against engaging in competing businesses and use/disclosure of our confidential business information during the term of the employment with you and for a period of 3 years following. You will provide us copies of these upon request.

In order to maintain the goodwill of the system, you agree to provide response to any customer or craftsman inquiry within one business day, and agree to make your best efforts to resolve any and all outstanding customer or craftsman issues within seven days of the initial customer or craftsman inquiry, even when such response may necessitate the re-performing of a task, or issuing a refund of monies received.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Your Handyman Connection® Business will provide small and medium size home repair and light remodeling services. You are prohibited from providing products and/or services we designate, including lead abatement, roofing, HVAC, and work that requires certain permits or licenses, unless you receive specific, written permission from the President of Handyman

Connection. You must promptly obtain all required licenses, permits or otherwise. There are no limits on our right to periodically change required and/or authorized services and service categories, and we may do so at our discretion. We reserve the right to add additional products and services at any time.

You must offer and sell all of the services that we require and only the services that we authorize for the System. You will not offer to sell or provide at or through your Franchised Business any merchandise, products or services that have not approved in writing, or use the premises for any other purpose other than the operation of the Franchised Business. We may impose scope and dollar limits on the types of services that you may provide. By way of illustration, you may not be authorized to perform major remodeling services that are estimated to be over a certain dollar amount established by us. Currently, as stated in Item 1, unless otherwise approved by Handyman Connection, until you complete the Second Calendar Year, jobs cannot exceed \$15,000 per project, or \$30,000 in the aggregate. You will not engage in any other business or activity that may conflict with your obligations under the Franchise Agreement or reduce the Gross Sales of your Handyman Connection® Business. Handyman Connection will not restrict you from soliciting any customers within your Territory if you meet your Performance Criteria and are in full compliance with the Franchise Agreement. (See Item 12).

ITEM 18
PUBLIC FIGURES

We do not use any public figure to promote our franchises.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Background

This Item sets forth certain historical data reported to us by franchisees of the Handyman Connection System. We have not audited this information, nor independently verified this information. Part I of this Item is created using information we have obtained directly from our CRM system, and provides the Annual Gross Sales, Leads from Repeat and Referral customers, and a list of the top categories of services "Quoted" (or "Estimated") in our IT system for the period of January 1, 2022, through December 31, 2022 (the "2022 Data Period"). Part I of this Item presents information for 32 out of the 33 U.S. franchisees (representing 34 of the 35 franchised territory outlets in the U.S.), who were in operation for more than 12 months as of December 31, 2022 and were still operating as of the time of this FDD, and were not sold during that twelve month period ("Reporting Businesses"). Excluded from this Item 19 are 12 US franchises which were not open and operating for the entire 2022 Data Period or as of the Issuance Date of this Franchise Disclosure Document, or were sold during the 2022 Data Period. Also excluded from this Item 19 is the one US franchise that does not report information via our CRM system. Of the 32 franchisees included in this Financial Performance Representation, 30 franchisees operate in a single territory, and two franchisees operates in two territories each and reports sales separately.

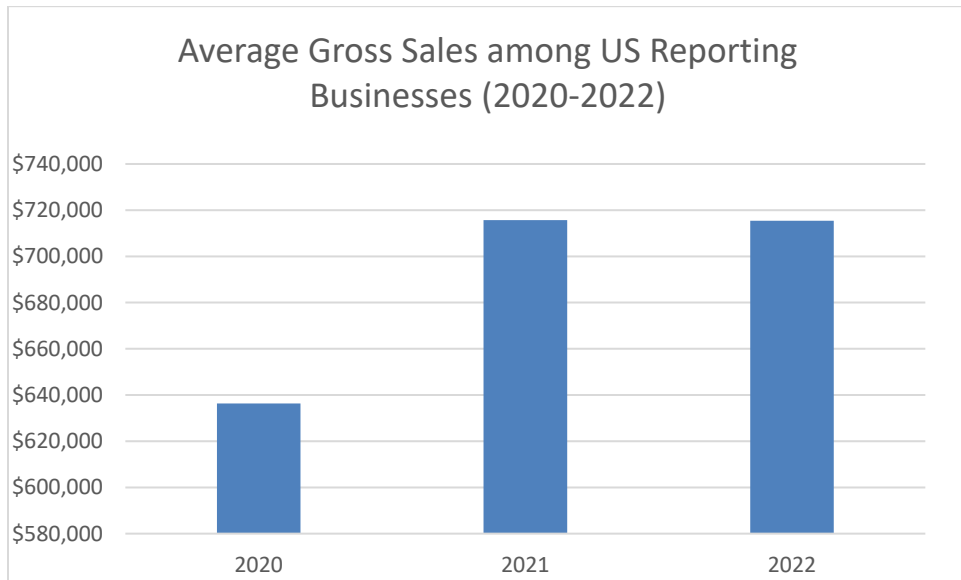

Part II of this Item provides information regarding the overall US Annual Gross Sales for 2022 compared to 2021.

Part III of this Item provides information regarding the Gross Margin on Service Revenue for the 2022 Data Period, based on un-audited Profit and Loss Statements (P&Ls) provided to us by the Reporting Businesses. We requested P&Ls from all of the US franchisees. Of the previously mentioned 34 US reporting operating franchises who were in operation for more than 12 months as of December 31, 2022 and were still operating as of the time of this FDD, and were not sold during that 12-month period, we had not received two of the P&Ls from franchisees who met this criteria. In addition, the two franchisees who both operate two territories combined their P&Ls and reported to them as one set of numbers to us. For Part III of this document, we collected a total of 30 different P&Ls, and these represent the Reporting Businesses for this Part of the Item.

PART I-A: Annual Gross Sales

The following Table presents: (i) the Gross Sales⁽¹⁾ as reported to us by the Reporting Businesses; (ii) the high, low, Average⁽²⁾ and Median⁽³⁾ Gross Sales for the Reporting Businesses during the 2022 Data Period; and (iii) certain information regarding average job size and territory size of the Reporting Businesses. In addition, this Table shows the same information for the 28 out of the 31 U.S. franchises (representing 34 of the 35 franchised territory outlets in the U.S.), who were in operation for more than 12 months as of December 31, 2021 (“2021 Reporting Businesses”) and 33 out of the 34 U.S. franchisees (representing 37 of the 38 franchised territory outlets in the U.S.), who were in operation for more than 12 months as of December 31, 2020 (“2020 Reporting Businesses”). The Graph below presents the same Average Annual Gross Sales data shown in this Table I-A for the Reporting Businesses and the 2021 and 2020 Reporting Businesses.

	Number of Reporting Franchises in the US	Cumulative # of territory outlets owned by reporting franchisees	High Gross Sales among reporting franchisees	Low Gross Sales among reporting franchisees	Average Gross Sales among Reporting Franchisees	Median Gross Sales among Reporting Franchisees	Average Job Size (AJS) among reporting Franchisees	Number of reporting Franchisees exceeding the average	Average # of HH/SFDUs for those reporting *	Average # of HH/SFDUs for those exceeding the average *

Notes:

1. “Gross Sales” is defined as a franchisee’s total sales invoices or other items or services billed to the customer for all completed sales, less any discounts and cancellations reported to us on our software system. Please note that some of these sales figures do not include the sale of materials. The Gross Sales figure forms the basis for your calculation of the Royalty Fee based on the previous month’s Gross Sales.

2. “Average” is defined as the sum of the Gross Sales of the Reporting Businesses divided by the number of Reporting Businesses in each operating category.

3. “Median” means the amount that falls in the middle when all other amounts listed are arranged highest to lowest. In other words, approximately one-half of the Reporting Businesses exceeded the median value above and one-half did not.

4. The Territory presently being offered includes approximately 75,000 to 100,000 Households (“HHs”). Please note that in 2017, we switched from using Single Family Dwelling Units (SFDUs) to Households (HHs) to calculate territories and performance criteria. The chart above, as denoted by an asterisk (*), shows territory sizes as measured by either SFDUs or HHS (and does not otherwise distinguish between the two), depending on which measurement was used to determine the territory of the applicable Reporting Business.

PART I-B: Leads⁽¹⁾ from Repeat Customers⁽²⁾ and Referrals⁽³⁾

Offering many different services through the Handyman Connection System will give you the opportunity to serve your customers in multiple ways at a single residence. In the course of operating your Handyman Connection Franchised Business, we recommend that you monitor certain performance measurements, such as Leads from Repeat Customers and Referrals. Service requests from Repeat Customers indicate multiple contacts for different services. Referrals can indicate satisfaction with the quality of service received, resulting in recommendations to others. Leads in our MIS system are referred to as Work Orders.

This Table presents the Percentage of Leads from Repeat Customers and Referrals as reported to us by Reporting Businesses, as defined above. The following table presents the high, low, average and median percentage of Leads from Repeat Customers and Referrals for the Reporting Businesses during the 2022 Data Period.

# of Reporting Businesses in the US	Cumulative # of territory outlets owned by Reporting Businesses	High # of Leads from Repeat & Referral Customers	Low # of Leads from Repeat & Referral Customers	Average # of Leads from Repeat & Referral Customers	Median # of Leads from Repeat & Referral Customers	Average % of Leads from Repeat or Referral Customers	Number of Reporting Businesses exceeding the Average	Average # of HH/SFDUs for Reporting Businesses *	Average # of HH/SFDUs for those exceeding the average *
32	34	1923	81	634	477	46%	10 (31%)	130,010	157,304

Notes:

1. “Lead” is defined as a request from a potential customer for a Reporting Business to provide an estimate to perform services.

2. “Repeat Customers” are defined as a customer that has used a Reporting Business’s service in the past.

3. “Referral” is defined as a request initiated by a potential customer for a Reporting Business to perform services based on a recommendation by a previous customer.

5. The Territory presently being offered generally includes 75,000 to 100,000 Households (“HHs”). Please note that in 2017, we switched from using Single Family Dwelling Units (SFDUs) to Households (HHs) to calculate territories and performance criteria. The chart above, as denoted by an asterisk (*), shows territory sizes as measured by either SFDUs or HHs (and does not otherwise distinguish between the two), depending on which measurement was used to determine the territory of the applicable Reporting Business.

PART I-C: Quote Break-down

The following Table represents a listing of the top 10 services that our franchisees have categorized as Quoting (or Estimating) in our CRM system for all franchisees across North America, regardless of their time operating their business, presented as a percentage of the total number of services Quoted during the 2022 Data Period. Franchisees often will make more than one Quote on a job.

PART II: Annual US Gross Sales Comparison

Covid impact 2020-2022:

As the world was impacted by the outbreak of Covid-19 in March of 2020, the US franchisees of Handyman Connection were also impacted. Although the majority of the country started to face shut-downs in activities in March of 2020, the Franchisees were deemed an ‘essential business’ and were able to remain open and operate with increased precautions put in place. For the year, when we compare our 2020 US franchisees compared to the 2019 US franchisees, the same

store sales were up vs. 2019. Our 2021 US franchisees also continued to remain open throughout the different variations of covid, and had year-over-year same store sales growth. Additionally, the 2022 franchisees in both the US and in Canada, had year-over-year same store sales growth.

PART III: Gross Margin on Service Revenue

This Table presents the Percentage Gross Margin⁽¹⁾ on Total Revenue⁽²⁾ based on unaudited Profit and Loss Statements provided to us by the Reporting Businesses. The following Table presents the high, low, Average and Median percentage of Gross Margin on Service Revenue for the Reporting Businesses during the 2022 Data Period.

Number of Reporting Businesses in the US	Cumulative # of territory outlets owned by Reporting Businesses	High Gross Margin % among Reporting Businesses	Low Gross Margin % among Reporting Businesses	Average Gross Margin %	Median Gross Margin %	Number of Reporting Businesses exceeding the Ave Gross Margin	Average # of HH/SFDUs for Reporting Businesses *	Average # of HH/SFDUs for Reporting Businesses Exceeding the Average*
30	32	73%	25%	49%	48%	13 (or 43%)	139,443	147,788

Notes:

1. “Gross Margin” is defined as (Total Revenue – (Labor Cost + Material Cost)), and “Gross Margin %” is defined as (Total Revenue – (Labor Cost + Material Cost)) / (Total Revenue).

2. “Total Revenue” is defined as revenue from labor and materials.

3. We received unaudited Profit and Loss Statements from 32 of the 34 Reporting Businesses from whom we requested these statements, but both of the Franchisees who own two territories reported their P&Ls as one combined set of numbers, and therefore this number is represented as 30 of the 32 Reporting businesses.

4. The Territory presently being offered generally includes 75,000 to 100,000 Households (“HHs”). Please note that in 2017, we switched from using Single Family Dwelling Units (SFDUs) to Households (HHs) to calculate territories and performance criteria. The chart above, as denoted by an asterisk (*), shows territory sizes as measured by either SFDUs or HHs (and does not otherwise distinguish between the two), depending on which measurement was used to determine the territory of the applicable Reporting Business.

General Notes and Disclaimers

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you’ll earn as much.

We recommend that you make your own independent investigation to determine whether or not the franchise may be profitable to you. We suggest strongly that you consult your financial advisor or personal accountant concerning financial projections and federal, state and local income taxes and any other applicable taxes that you may incur in operating a Franchised Business.

Written substantiation of the data used in preparing this financial performance representation will be made available upon reasonable written request to the franchisor.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Jeff Wall, President, at 11115 Kenwood Rd., Blue Ash, OH 45242, (773) 251-1807, the Federal Trade Commission, and the appropriate state regulatory agencies.

The names, addresses and telephone numbers of the franchisees operating as of December 31, 2022, are listed by state in Exhibit B attached to this Disclosure Document. This list indicates the franchisees that have had an outlet terminated, canceled or otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement during the one-year period prior to December 31, 2022. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the system. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with Handyman Connection. You may wish to speak with current and former franchisees but be aware that not all such franchisees will be able to communicate with you.

There is one Handyman Connection franchisee advisory council (HCAC) that we recognize and that represents all of the franchisees. Group membership in this advisory council is democratically elected by the franchisees at our annual convention, does not require any payments from the franchisees, and this group meets regularly with Handyman Connection. The purpose of the HCAC is to promote constructive, two-way communications between the franchisees and Handyman Connection. Handyman Connection does not sponsor this advisory council. The HCAC does not have a formal mailing address, but the advisory council may be reached through the corporate office stated in Item 1.

The following independent franchisee organization has asked to be included in this disclosure document. We do not endorse this organization, do not recognize this organization, and their members may not represent all franchisees in the Handyman Connection franchise system: HFA, Inc., (224) 655-7390; hcfranchiseassociation@gmail.com.

**HANDYMAN CONNECTION
FRANCHISE AGREEMENT**

THIS AGREEMENT (“Agreement”) is entered into and made effective this _____ day of _____, 20___, by and between Trident Investment Partners, Inc. d/b/a Handyman Connection, an Illinois corporation with its principal business address at 11115 Kenwood Road, Blue Ash, Ohio 45242 (“Franchisor” or “Handyman Connection”) and _____, an [individual, corporation, limited liability company, or partnership], with an address at _____ (“Franchisee”).

RECITALS

WHEREAS, Franchisor and its affiliates have expended a considerable amount of time, effort, and money to develop a unique business system (“Business System” or “System”) for the operation of a light repair, maintenance and remodeling business that offers services to residential customers (the “Franchised Business” or “Business”) under the trade name and trademark “Handyman Connection”; and

WHEREAS, Franchisor is engaged in the business of granting franchises to operate Handyman Connection Franchised Businesses;

WHEREAS, Franchisee desires to obtain the right to operate a Handyman Connection Franchised Business with access to Handyman Connection’s marketing resources, and business operating support as stated in this Agreement and supplemented by the Handyman Connection Operations and Training Manuals, (“Operations Manual”) including Standard Operating Procedures (“SOP”), as may be modified or updated from time to time by Franchisor in Franchisor’s sole discretion;

WHEREAS, Franchisee has applied to Franchisor for a license to operate a Franchised Business and Franchisor has approved Franchisee’s application in reliance upon the representations contained in the application;

WHEREAS, Franchisor and its franchisees use various trade names, trademarks and service marks (the “Proprietary Marks”) to generate brand recognition and goodwill with the general public. These names and marks include the trademark “Handyman Connection” and other trade names, trademarks and service marks as are now or in the future designated as part of the System. The right to use the Proprietary Marks as granted in this Agreement does not carry any ownership interest or rights to the Proprietary Marks. The rights to all the Proprietary Marks, including those presently existing and those to be created in the future, are owned by Franchisor. The Proprietary Marks may be used only for the benefit of the Franchised Business, the Handyman Connection System, Franchisor and Franchisor’s affiliates; and

WHEREAS, Franchisee hereby acknowledges that adherence to the terms of this Agreement and the standards and specifications of Franchisor are essential to the operation of its Franchised Business and to the operation of the System.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in further consideration of the foregoing recitals, which are incorporate into this Agreement and the mutual promises, commitments, and understandings contained herein, and intending to be legally bound hereby, Franchisor and Franchisee agree as follows:

1. RIGHTS AND RESERVATIONS

1.1 **Grant of Franchise.** Subject to the terms and conditions stated below, and so long as Franchisee is in full compliance with this Agreement as determined by Franchisor in its sole discretion, Franchisor grants and Franchisee accepts the non-exclusive license to operate a Handyman Connection Franchised Business using the Handyman Connection System and Proprietary Marks in the territory identified in the Schedule A attached to and incorporated into this Agreement by reference (“Territory”) to provide the services that are authorized under the Handyman Connection System.

1.1.1 Franchisee may advertise, offer and perform Residential Services (as defined in Section 2.1 of this Agreement) outside of Franchisee’s Territory so long as: (i) the offering and performing of Residential Services is not within the territory of another Handyman Connection franchised business that has been granted territorial exclusivity; (ii) the services are within the definition of Residential Services as defined by this Agreement; and (iii) Franchisee is in substantial compliance with this Agreement as determined by Franchisor in its sole discretion. Franchisee agrees that the performance of services in areas outside of Franchisee’s Territory in no way vests in Franchisee any rights or license to such areas, and that the Franchisor has the sole rights to assign the zip codes located outside of Franchisee’s Territory, and any customers located outside of Franchisee’s Territory, to any franchisee of its choosing. If Franchisor assigns these zip codes located outside of Franchisee’s Territory to another franchisee, any marketing to those customers must immediately cease, and any rights to service those customers will immediately cease.

1.2 **Territory.** Except as provided for in this Agreement, and so long as Franchisee is in substantial compliance with the terms of this Agreement as determined by Franchisor in its sole discretion, Franchisee shall have the right to receive and service the new, residential leads located in the zip codes listed in Schedule A of the Franchise Agreement received through Franchisor’s lead generation internet platform or Franchisor’s centralized 1-800 phone number. Franchisor retains the right, among other rights, to establish and grant to others the right to establish a franchised business outside the Territory. Furthermore, in the event Franchisee fails to meet the performance criteria set forth in Section 9.2 of this Agreement, or any additional performance criteria Franchisor establishes in the future with respect to market penetration, market presence metrics, or customer satisfaction levels (which are currently measured by the Net Promoter Score (NPS)), Franchisor reserves the right to either reduce the size of Franchisee’s Territory or to revoke all of Franchisee’s rights under this Section 1.2. Further, Franchisee acknowledges that other franchisees may offer, accept and undertake projects within the Territory as set forth in this Agreement. Franchisee disclaims any compensation or consideration for work performed by others in the Territory. Franchisor also maintains the sole right to set, approve, or change the Territory name at any point during the Terms of the Franchise Agreement or as a condition of Renewal. The Franchisee may not advertise any non-approved territory name and must comply with any directive related to the territory name within 60 days.

1.3 **Reservation of Rights.** Franchisor and its affiliates retain the right to: (i) own and operate, and license to others the right to own and operate Franchised Businesses outside of your Territory using the Proprietary Marks or any other marks we may designate; (ii) own and operate and license to others the right to own and operate similar businesses under different names inside or outside of the Territory under different marks; (iii) use the Proprietary Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including the sale of goods and services through wholesale and retail stores, via the Internet, and via direct marketing through telephone, television, or radio, within or outside of your Territory; (iv) develop or become associated

with other concepts (including dual branding and/or other franchise systems), whether or not using the Handyman Connection System and/or the Proprietary Marks, and award franchises under other concepts for locations anywhere; (v) acquire, be acquired by, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not), with units located anywhere (these transactions may include arrangements involving competing outlets and brand conversions to or from the Handyman Connection Proprietary Marks and System); and (vi) engage in any other activities not expressly prohibited by this Agreement.

2. SERVICES AND PROGRAMS

2.1 Residential Services. Franchisee may offer, sell and perform non-emergency, non-structural maintenance, light remodeling and repair services, which do not require heavy machinery, are not performed beyond a two-story elevation, and, until completion of the Second Calendar Year (as defined in Section 3.3.1 below), do not exceed \$30,000 in the aggregate or \$15,000 for any one particular job, unless approved in advance by Franchisor (“Residential Services”). Additionally, these Residential Services shall be limited to one, two, or three owner-occupied dwellings. Franchisee agrees that the Franchised Business shall not offer nor perform services that are beyond the scope of Residential Services, as stated in this Section and as may be supplemented by the Operations Manual and Standard Operating Procedures (“SOP”) from time to time. Franchisee understands and agrees that Franchisee is only purchasing rights in Franchisee’s Territory with respect to new residential leads coming into the System, and that other franchisees may perform commercial work and residential work inside Franchisee’s Territory for customers who directly reach out to such other franchisees or franchisees to such customers, without any compensation to Franchisee. Subject to Sections 2.2, 2.3 and 2.4 below, and subject to Franchisee being in full compliance with this Agreement and receiving Franchisor’s written permission, Franchisee may perform commercial work in its Territory. Franchisee agrees and acknowledges that it does not own the exclusive rights to perform any commercial work in its Territory.

2.2 Certificate Program Services. Franchisor reserves the right to establish one or more Certificate Programs through which franchisees may be authorized to offer, sell, and perform maintenance, installation, and repair services, not specifically identified as Residential Services (the “Certificate Program Services” or “Certificate Program”). Franchisee acknowledges and agrees that in order to obtain authorization to perform Certificate Program Services, Franchisee must meet the requirements applicable to the individual Certificate Program, which may include, among other requirements, the execution of a Handyman Connection’s Certificate Program Services Addendum, payment of an initial program fee, payment of enhanced royalty fees, increased insurance coverage, the satisfactory completion of supplemental training, and other requirements as determined by Franchisor.

Franchisee acknowledges and expressly understands and agrees that Franchisee shall have no right to contracts in any given Certificate Program Services and that other Handyman Connection franchisees or any other third parties designated by Franchisor may perform services under such contracts within the Territory. Franchisee disclaims any compensation or consideration for work performed by others in the Territory pursuant to this Section 2.2.

2.3 National and Regional Accounts. The terms National Account and Regional Accounts mean any customer that on its own behalf or through agents, franchisees, or other third parties owns, manages, controls, or otherwise has responsibility for building or common-services in more than one location which is not confined within any one particular franchisee’s territory, regardless of the aggregate contract amount of the services the customer wishes to have performed. Franchisee agrees that Franchisor shall have sole

discretion in the determination as to whether a customer is a Regional or National Account and Franchisor's determination shall be final and binding.

2.3.1 Franchisor shall have the exclusive right, unless otherwise specifically delegated in writing, on behalf of itself, Franchisee, and/or other franchisees using the Proprietary Marks, to negotiate and enter into agreements or approve forms of agreement to provide services to National or Regional Account customers, including any affiliate, company-owned or franchised location with the Territory.

2.3.2 Franchisee acknowledges and agrees that Franchisor shall have the right, exercisable in its sole discretion, to (i) provide, directly or through any other licensee or franchisee using the Proprietary Marks, such services to the National or Regional Account customer location(s) within the Territory and/or (ii) contract with another party to provide such services to the National or Regional Account customer location(s) within the Territory, on the terms and conditions contained in the National or Regional Account bid or contract between Franchisor and the National or Regional Account customer.

2.3.3 Franchisee agrees that neither the direct provision by Franchisor or a franchisee, licensee, or designee of Franchisor of services to National or Regional Account customers as authorized above, nor Franchisor's contracting with another party to provide such services as authorized above, shall constitute a violation of the grant of license contained in this Agreement or any other provision of this Agreement, even if such services are delivered from a location within the Territory. Franchisee disclaims any right to compensation or consideration for work performed by others in the Territory pursuant to this Section.

2.4 **Program Participation.** Franchisee acknowledges and agrees that Franchisee's participation in any particular program including the National or Regional Account Program or the Certificate Programs will be subject to the terms and conditions of such programs and those terms and conditions may include, but shall not be limited to the following:

2.4.1 Prior to the offering, selling, or performing any Certificate Program Services, Franchisee shall execute and agree to comply with such agreements, undertakings or other instructions as Franchisor may require as a condition to participation in any particular program;

2.4.2 The Certificate Program Services, as well as National and Regional Account work, are subject to Franchisor's strict quality control standards, enhanced inspections and testing, and shall be completed according to Franchisor's scheduling requirements. Franchisor may also centralize all accounts, invoicing and payments for Certificate Program Services, Regional and National Account work or designate a third party to perform such functions;

2.4.3 Franchisee may be required to pay certain fees including participation or administration fees, additional royalty fees on work performed pursuant to any particular Certificate Program, or other fees related to the Certificate Program. These fees may be in addition to the Royalty Fee set forth in Section 3.2 of this Agreement. In addition, Franchisee may be required to obtain increased insurance coverage;

2.4.4 Prior to performing any Certificate Program Services, Regional or National Account work, Franchisee must be certified by Franchisor to perform the specific type of work specified in the particular program ("Certification"). The Certification may require, among other conditions, that Franchisee be trained by Franchisor or other qualified third parties and demonstrate, to Franchisor's satisfaction, a minimum level of competency in the performance of the intended service. Furthermore, Franchisor may revoke Franchisee's Certification and/or require re-Certification if, in Franchisor's judgment, Franchisee's performance warrants such action(s); and

2.4.5 Franchisee must be in substantial compliance with the terms of this Agreement and any other agreements or addenda between Franchisee and Franchisor.

3. FEES

3.1 **Initial Franchise Fee.** Franchisee agrees to pay to Franchisor a non-refundable initial franchise fee (“Initial Franchise Fee”) of \$65,000 (“Initial Franchise Fee”). Franchisee acknowledges and agrees that this Initial Franchise Fee is fully earned by Franchisor upon the execution of this Agreement and Franchisee shall not be entitled to a refund of any part of the Initial Franchise Fee, regardless of the date of termination of this Agreement, except as expressly provided for in this Agreement. If Franchisee is purchasing additional franchise territories at the same time of their original franchise agreement, they may do so for a fee of \$50,000 for each additional territory. If you are a current franchisee, in good standing, and you have generated over \$1,000,000.00 in reported gross sales to the Franchisor within the previous 12 months, and paid all corresponding royalty, brand and technology fees, you may purchase additional franchise territories for 50% of the then-current initial franchise fee.

3.2 **Royalty Fee.** Subject to the Minimum Royalty Fee set forth below, Franchisee must pay Franchisor a monthly royalty fee, due and payable on 10th of each month equal to 5% of Franchisee’s Gross Sales during the preceding month (“Royalty Fee”). “Gross Sales” includes all revenues Franchisee generates from all business conducted at or from Franchisee’s Business during the preceding reporting period, including amounts received from the sale and delivery of services, materials, products, merchandise, and tangible property of any nature whatsoever, whether in cash or for credit, and whether collected or uncollected. “Gross Sales” does not include the amount of any applicable sales tax imposed by any federal, state, municipal or other governmental authority if such taxes are stated separately when the customer is charged and Franchisee pays such amounts as and when due to the appropriate taxing authority. Also excluded from Gross Sales is the amount of any documented refund, charge back, credit and allowance (“adjustment”) given to customers in good faith while the job is in progress, pursuant to Franchisor’s standard procedures for issuing such adjustments; provided, however, there shall be no reduction in Gross Sales for any warranty work performed or warranty refunds made. All barter and exchange transactions for which Franchisee furnishes services or products in exchange for goods or services to be provided to Franchisee by a vendor, supplier or customer will be valued at the full retail value of the goods or services provided to Franchisee and shall be included in Gross Sales. Franchisor reserves the right to change the frequency and method of payment from time to time in its sole discretion.

3.2.1 **Monthly Gross Sales Reports.** Franchisee must completely input and update all job information in the Handyman Connection software system, or any third party software system of the Franchisor’s choice, within seventy two (72) hours of receipt of that information, including the inputting of customer (work order) name, address, phone number, e-mail address, lead sources, jobs estimated, jobs booked, jobs completed and payments received. On or before the last day of each month, Franchisee shall completely reconcile and update all information with regards to customer and work order information, lead sources, jobs estimated, jobs booked, jobs completed and payments received through the month-end. Franchisee’s complete cumulative information provided and updated prior to, and through, the last day of the month shall set forth the Gross Sales generated by the Franchised Business during the previous month. Franchisor may change the form, content, frequency or due date of the Gross Sales Reports from time to time. In the event that Franchisee fails to submit the required reports, the Royalty Fees due shall be calculated on Franchisee’s monthly average for the preceding 12 months or on such other data as may be available. In the event incomplete customer information is entered, Franchisor may change and adjust any such information, including name, address, phone number, email, and lead source. Furthermore, Franchisor may mark any job as complete as entered within thirty (30) days of date of entry, and charge the applicable Royalty Fee, technology Fee and brand development fund contributions (“BDF Contributions”) in connection with such job.

3.3 Minimum Royalty Fee. Notwithstanding the provisions of Section 3.2 above, Franchisee shall be required to pay to Franchisor a minimum annual royalty which will be determined by deducting the amount of Royalty Fees due from Franchisee calculated in accordance with Section 3.2 above, in the applicable Calendar Year, from the amounts determined as set forth below (“Minimum Royalty Fee”).

3.3.1 Calendar Year Determination. The following provides how Calendar Years will be determined:

(a) “First Calendar Year” shall be that portion of the year ending on December 31 of the same year as the Effective Date of this Agreement.

(b) “Second Calendar Year” shall be the first full year following the First Calendar Year.

(c) “Third Calendar Year” shall be the second full year following the First Calendar Year.

(d) “Fourth Calendar Year” through “Tenth Calendar Year” shall be determined in the same manner as set forth in subparagraphs (b) and (c) above, except increasing by one for each full year following the First Calendar Year.

3.3.2 Household Groups For the purpose of calculating Minimum Royalty Fees pursuant to Section 3.3, the Housing Count (referred to as Households (“HHs”) in this Agreement) in Franchisee’s Territory will be determined based on the applicable U.S. Census, USPS and other third party data, and each 50,000 HHs will be deemed to be an HH Group (“HH Group”). It is acknowledged and agreed that a Territory can have more than one HH Group where the total number of HHs in the Territory is a multiple of 50,000. If the Territory is comprised of a greater total number of HHs than one HH Group, but less than a multiple of 50,000 HHs, then the number of HH Groups in that Territory will be rounded down to the nearest whole number of HH Groups. Unless otherwise specifically stated differently, the Territory will be measured in HHs in Schedule A to this Agreement.

3.3.3 Minimum Royalty Fees applicable to Calendar Years. The amount of Minimum Royalty Fees applicable to specific Calendar Years shall be determined as follows:

3.3.3.1 Calendar Year 2. If the Franchise agreement is signed in either January or February, the minimum royalty will start the second calendar year and the Franchisee shall be required to pay a Minimum Royalty Fee of \$11,250 per HH Group.

3.3.3.2 Calendar Years 3rd through 5th. For the Third through Fifth Calendar Years, Franchisee shall be required to pay a Minimum Royalty Fee of \$11,250 per HH Group. If Franchisee is purchasing additional franchise territories at the same time as their initial franchise territory, the performance criteria for just the additional territories are zero for calendar year 3

3.3.3.3 Calendar Years 6th through 10th. For the Sixth through Tenth or Final Calendar Years, Franchisee shall be required to pay a Minimum Royalty Fee in the amount of \$17,500 per HH Group.

3.3.3.4 Payment Date. All Minimum Royalty Fees must be paid by January 10th of the Calendar Year immediately following the Calendar Year for which they became due. Franchisor is entitled to debit Franchisee’s account as of January 10th of the Calendar Year immediately following the Calendar Year for which the Minimum Royalty Fee became due for the corresponding unpaid amount of the Minimum Royalty Fee.

3.3.3.5 Final Calendar Year. If the Final Calendar Year is less than 12 months, then the amount of the Minimum Royalty Fee will be determined on a pro rata basis, based on the number of months or portion of a month remaining in the Final Calendar Year, divided by 12.

3.4 Manner of Payment. Payment of royalties, BDF Contributions, and technology fees shall be made on a monthly basis, following receipt of each of Franchisee's Gross Sales Reports, and shall be by an electronic funds transfer program ("EFT Program") under which Franchisor automatically deducts from Franchisee's bank account all payments due to Franchisor under this Agreement or any other agreement between Franchisee and Franchisor. Franchisee shall deposit all revenues from operation of Franchisee's Franchised Business into one bank account within two (2) business days of receipt, including cash, checks, electronic payment methods, and credit card receipts. Before opening Franchisee's Business, Franchisee shall provide Franchisor with Franchisee's bank name, address and account number, a voided check from such bank account, and sign and give to Franchisor and Franchisee's bank, all documents necessary to effectuate the EFT Program and Franchisor's ability to withdraw funds from such bank account via electronic funds transfer. Franchisee agrees to immediately notify Franchisor of any change in Franchisee's bank, including changes in account numbers. Franchisor reserves the right to require Franchisee to pay any fees due under this Agreement by such other means as Franchisor may specify from time to time. If the Gross Sales Report has not been received within the time period required by this Agreement, then Franchisor may process an EFT for the subject month based on the Franchisee's monthly average for the preceding 12 months or on such other data as may be available; provided, that if a Gross Sales Report for the subject month is subsequently received and reflects (i) that the actual amount due was more than the amount of the EFT, then Franchisor shall be entitled to withdraw additional funds through EFT from Franchisee's designated bank account for the difference; or (ii) that the actual amount due was less than the amount of the EFT, then Franchisor shall credit the excess amount to the payment of Franchisee's future obligations.

3.4.1 As part of Franchisee's participation in the EFT Program, if the funds in Franchisee's bank account are insufficient to cover any amounts due under this Agreement on the date such funds are due, then, in addition to the overdue amount, Franchisor has the right to immediately debit from Franchisee's bank account interest on such amount from the date it was due until all past due amounts are paid, at a rate of the lesser of 1.5% monthly or the maximum rate permitted by law. Should any EFT not be honored by Franchisee's bank for any reason, Franchisee agrees that Franchisee shall be responsible for that payment and any service charge.

3.5 Software/Technology Fee. Franchisee shall pay to Franchisor the monthly fees due pursuant to the Software User License Agreement attached hereto as Exhibit D. Furthermore, Franchisee acknowledges that Franchisor reserves the right to change the scope, amount, timing, and manner of payment of any technology fees at any time, including but not limited to the implementation of additional fees, as well as any changes necessitated by the computer system upgrades described in Section 6.4.2 or by charging an additional fee for any new required technology associated with the operation of the Franchised Business.

3.6 Software Support Fee.

3.6.1. Franchisee shall be entitled to receive routine telephone support for any computer program Franchisor provides to Franchisee. As of the date of this Agreement, Franchisee shall not be required to pay any additional fees for the software support, but Franchisor reserves the right, upon giving one hundred

and twenty (120) days advance notice to Franchisee, to institute a reasonable fee for such services and Franchisee agrees to pay such fee as Franchisor may impose from time to time.

3.6.2. Franchisee understands and agrees that any software support provided by Franchisor shall not include support for any hardware or software obtained by Franchisee from third party suppliers, nor shall it include the replacement or upgrading of Franchisee's computer hardware or any other software used by Franchisee in connection with the Franchised Business.

3.7 **Answering Services.** Franchisee shall be required to subscribe to, and transact all business through, the telephone answering services as designated by Franchisor from time to time, and shall comply with such terms and conditions established by Franchisor from time to time. Franchisor reserves the right to set operating hours that phone calls must be answered by a live person. Franchisor currently requires that Franchisee subscribe to an inbound call center, and the costs and fees associated with such call center will be borne by Franchisee. The features, fees and/or costs of the inbound call center are subject to change upon ninety (90) days' prior written notice to Franchisee. Franchisor retains all rights to remove this subscription requirement at Franchisor's sole discretion, and Franchisor also maintains the right to stop and/or cancel the support of the telephone answering service in its entirety after providing Franchisee with thirty (30) days' notice.

3.8 **Late Payment.** Any late payment or underpayment of the Royalty Fee, BDF Contribution, technology fee(s) and any other charges or fees Franchisee owes to Franchisor will bear interest from the due date until paid, at the lesser of one and one-half percent (1.5%) interest monthly or the maximum interest rate allowed by law. The acceptance of any interest payment shall not be construed as a waiver by Franchisor of its rights regarding the default giving rise to such interest payment and shall be without prejudice to Franchisor's right to terminate this Agreement as a result of such default. In addition to the remedies set forth in this agreement, Franchisee will owe one hundred dollars (\$100) per incident for any EFT payment from the Franchisee's bank that cannot be made due to insufficient funds. Nothing contained in this Section shall prevent Franchisor from exercising, in Franchisor's sole judgment, any other rights or remedies available to Franchisor under this Agreement.

3.9 **Additional Remedies for Failure to Pay Fees Timely.** Franchisee understands and agrees that should the Franchisee fail to pay the Royalty Fee, Minimum Royalty Fee, BDF Contribution, technology fee(s) or any other fees due to Franchisor as and when such fees are due, or should Franchisee permit any of the Franchisee's accounts with Franchisor to become delinquent, Franchisor may withhold any services it may then be providing to Franchisee until such time as Franchisee pays all outstanding sums due to Franchisor. In addition, Franchisor reserves the right to withhold from Franchisee any products, services, information, advice, consultation, training and leads, and to deny Franchisee access to Franchisor's proprietary software systems if Franchisee is not in substantial compliance with the terms of this Agreement as determined by Franchisor in its sole discretion, the Operations Manual, or any other agreement or addendum by and between Franchisee and Franchisor. Nothing contained in this Section shall prevent Franchisor from exercising, in its sole judgment, any other rights or remedies available to it elsewhere in this Agreement for Franchisee's failure to make any payment when due.

3.10 **Application of Payments, Set-Offs.** Franchisee acknowledges and agrees that Franchisor may:

(a) apply any money received by Franchisor to any past due, current, future or other indebtedness of any kind of Franchisee, in Franchisor's sole discretion, regardless of any designation by Franchisee;

(b) set off, from any amounts due to Franchisee, any amount owed to the BDF or local advertising cooperative; and

(c) retain any amounts received for Franchisee's account, whether as rebates from suppliers or otherwise, as payment against any amounts owed under this Agreement.

3.11 **No Right to Offset.** Franchisee agrees to not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of Franchisor's alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor's affiliates allegedly may owe Franchisee under this Agreement or any other agreement between the parties.

4. TERM AND RENEWAL

4.1 **Term.** This Agreement, unless otherwise terminated pursuant to the terms and conditions hereof, shall commence on the Effective Date and shall continue for a period of ten (10) years ("Term").

4.2 **Renewals.** Subject to the satisfaction of all the conditions listed below, Franchisee is granted the right to renewal of the license granted to Franchisee under this Agreement for a term of ten (10) years unless Franchisor provides Franchisee ninety (90) days advance written notice of Franchisor's intent to not renew. No right of renewal is awarded beyond the renewal term listed in this Section; provided, however, the parties may by mutual agreement renew this license further.

4.2.1 Franchisee has notified Franchisor of Franchisee's desire to renew the license granted by this Agreement in writing at least one hundred eighty (180) days prior to expiration of this Agreement;

4.2.2 Franchisee has remained in substantial compliance during the Term with all the terms and conditions of this Agreement and is in full compliance with this Agreement and all other agreements between the Franchisee and Franchisor at the time of renewal, as determined by Franchisor in its sole discretion;

4.2.3 Franchisee has demonstrated to Franchisor's satisfaction that Franchisee has the right to operate the Franchised Business at the Approved Location as defined in Section 5.1 below for the duration of the renewal term; or, if Franchisee is unable to operate the Franchised Business at the Approved Location, Franchisee has secured a substitute location, which meets Franchisor's then current standards for an Approved Location;

4.2.4 Franchisee has completed, to Franchisor's satisfaction, no later than ninety (90) days prior to the expiration of the then-current term, all maintenance, updating and retrofitting of the Franchised Business operation, software, equipment, vehicles, and accompanying third party materials, required to bring the Franchised Business into full compliance with Franchisor's then-current System standards and specifications;

4.2.5 Franchisee shall have paid all amounts due and payable under this Agreement;

4.2.6 Franchisee shall have executed, prior to the commencement of any renewal term, all documents and agreements that are customarily used by Franchisor in the granting of a license for a franchised business, including Franchisor's then current form of franchise agreement, the terms and conditions of which may differ materially from this Agreement, including without limitation, Minimum Royalty

Fees and Minimum Performance Criteria (as defined in Section 9.2 of this Agreement), as well as other terms and fees that may have been increased; provided, however, that notwithstanding the foregoing, Franchisee shall not be required to pay an Initial Franchise Fee (other than the renewal fee set forth in this Section), and further provided that Franchisee shall have no further option to renew other than as provided in this Agreement;

4.2.7 Franchisee satisfies Franchisor's then-current training requirements for renewing franchisees at Franchisee's expense, as of the date of such renewal, if any. Franchisee acknowledges and agrees that Franchisor may require Franchisee or Franchisee's employees and staff to successfully complete any retraining at such times and locations as Franchisor specifies;

4.2.8 Franchisee signs a general release, in a form that the Franchisor prescribes;

4.2.9 Franchisee pays Franchisor a renewal fee equal to the greater of 15% of Franchisor's then-current Initial Franchise Fee or \$10,000, or \$25,000 if the Franchisee has not attended, in person, the entirety of the Annual Conference;

4.2.10 Franchisee completes and passes a background check at least one hundred twenty (120) days prior to the expiration of this agreement. Passing a background check includes, without limitation, verifying the absence of any felony indictments or convictions, as well as any pleas to misdemeanors, subject to Franchisor's sole discretion;

4.2.11 Upon renewal, Franchisee will be immediately required to achieve minimum Gross Sales of either \$350,000 for each HH Group in Franchisee's Territory, or Franchisor's then-current highest performance criteria, whichever is higher at the time of the renewal. Franchisee acknowledges that the performance criteria may also be based on a different set of criteria, including a smaller HH grouping, and the performance criteria may also include customer satisfaction ratings, as well as market presence or market penetration criteria. Franchisee acknowledges that these renewal performance criteria will be immediately effective upon renewal, and Franchisee will not be granted a waiver from the minimum Gross Sales for the 1st and 2nd Calendar Years of the renewal term, nor will Franchisee have reduced Performance Criteria in Calendar Years three (3) through five (5) of the renewal term;

4.2.12 Franchisee meets its minimum customer satisfaction ratings, as determined by Franchisor's then-current standards at the time of renewal, which may include a minimum Net Promoter Score ("NPS") with a minimum percentage of customers surveyed; and

4.2.13 Franchisee has met the Minimum Performance Criteria described in Section 9.2 of this Agreement for at least the three (3) years preceding the end of the initial term of this Agreement, and Franchisee has attended the Annual Conference for at least the three (3) years preceding the end of the initial term of this Agreement.

Failure by Franchisee to timely complete these requirements will be deemed an election by Franchisee not to renew. Notwithstanding anything in this Agreement to the contrary, any grant of a second renewal will be subject to the terms and conditions set forth in the franchise agreement under which Franchisee is then operating, which may be materially different from the terms and conditions set forth above.

5. SITE LOCATION AND LEASE APPROVAL

5.1 **Site Location.** Franchisee must secure a site approved by Franchisor, by purchase or lease, for the operation of the Franchised Business within 90 days from the execution of this Agreement (“Approved Location”). Franchisor has the right to review, evaluate and approve the proposed lease for the Franchised Business site (“Lease”) prior to Franchisee’s execution. In limited circumstances, Franchisee understands and acknowledges that another franchisee may locate their office within Franchisee’s Territory without notice and without Franchisee’s consent.

5.2 **Consent for Site Location.** Neither Franchisor’s review of the Lease nor Franchisor’s acceptance of the site Franchisee has selected constitutes either a representation or guarantee that Franchisee will succeed at the selected Approved Location or an expression of Franchisor’s opinion regarding the terms of the Lease. Franchisor encourages Franchisee to seek independent counsel from a lawyer or business adviser to assist Franchisee in selecting a location and negotiating a lease for the Franchised Business premises.

5.3 **Relocation.** If Franchisee must relocate the Franchised Business for whatever reason, Franchisee must notify and obtain Franchisor’s approval of such new Franchised Business premises in the same manner as set forth above in Section 5.2 of this Agreement. Franchisee must assure continuous operation of the Franchised Business, and accordingly, Franchisee must re-open for business at the Approved Location within three (3) business days of closing business at Franchisee’s prior Approved Location.

6. EQUIPMENT, SUPPLIES, AND SERVICES REQUIREMENTS

6.1 **Purchasing Requirements.** Franchisee agrees to purchase equipment, furnishings, connectivity and telecommunication services, fixtures, signs, and other services and items that are in compliance with Franchisor’s System specifications as set forth in this Agreement, the Operations Manual, including SOP, or as otherwise specified by Franchisor. Franchisor reserves the right to modify or supplement Franchisor’s System specifications from time-to-time and Franchisee agrees to comply with such modifications or supplements.

6.2 **System Suppliers.** Franchisee acknowledges and agrees that the designation of system supplies, equipment, services, computer software and other items (“Designated Items”) creates uniformity and consistency essential to the System. Accordingly, Franchisee agrees to purchase all Designated Items from suppliers designated by Franchisor (“System Suppliers”). Franchisee acknowledges and agrees that Franchisor, Franchisor’s affiliates and/or a third party may be one of several, or the only System Supplier of any item or service. Franchisee further acknowledges and agrees that Franchisor and Franchisor’s affiliates have the right to realize a profit on any item or service that Franchisor, Franchisor’s affiliates or Franchisor’s System Supplier sells to Franchisee.

6.3 **Supplier Approval.** In the event Franchisee wishes to purchase a Designated Item from an entity other than a System Supplier, Franchisee must first seek written consent from Franchisor. To evaluate a supplier, Franchisor may request the submission of supplier’s name, address, telephone number, a description of the item or service, the price of the item or service, and a sample of the item. Franchisor may base Franchisor’s approval of any such item or supplier on considerations not only directly related to the item or supplier itself, but also on factors such as the uniformity, efficiency, and quality of operation that Franchisor deems necessary or desirable in the System as a whole. Franchisee acknowledges and agrees it is in the Franchisor’s sole discretion whether to approve any supplier and Franchisor is under no obligation

to do so, provided, however, Franchisor agrees to exercise reasonable business judgment in approval of any suppliers.

6.4 Computer Systems

6.4.1 Computer Software and Hardware. Franchisee agrees to purchase and use any and all computer software programs (“Software”) designated for use by the System. If and at such time as Franchisor develops or adopts a software program for use in the System (“Software”), Franchisee, at Franchisee’s own expense, agrees to obtain the computer hardware required to implement the Software into the Franchised Business, including all hardware required to implement the Software for any full-time employees and for any sub-contractors, and to comply with all specifications and standards prescribed by Franchisor regarding the Software, as provided from time to time in the Operations Manual, including SOP. Software is and will be proprietary to Franchisor and shall constitute Franchisor’s Confidential Information (as defined in Section 10.1 of this Agreement). When Franchisor requires the implementation of this Software, Franchisee agrees to use only such Software as designated by Franchisor.

6.4.2 Computer System Upgrades, Support, Maintenance, and Terms of Use. Franchisee acknowledges and agrees that, from time to time, Franchisee may be required to update or upgrade computer hardware components, Software, and/or Software as directed by Franchisor. Franchisee acknowledges and agrees that Franchisor shall have the right to require Franchisee to enter into a separate maintenance agreement for such computer hardware and/or Software. Franchisee also acknowledges and agrees that Franchisee may be assessed a fee as set forth in Section 3.6.1 of this Agreement for such software support. Franchisee acknowledges and agrees to accept the Terms of Use posted by Franchisor on its website, including the Mobile Terms of Use, and Franchisee further understands that these Terms of Use are subject to change at any time without notice and that Franchisee must comply with any modified Terms of Use as posted by Franchisor.

6.4.3 Computer System Backup. Franchisee agrees to install a “systems backup solution” which backs up critical data in Franchisee’s computer system using an off-premises storage scheme, as and when required by Franchisor. Notwithstanding the fact that Franchisee must buy, use, and maintain computer hardware and Software according to Franchisor’s standards and specifications, Franchisee will have the sole and complete responsibility for: (i) the acquisition, operation, maintenance and upgrading of the computer hardware and Software; and (ii) any and all consequences that may arise if the computer hardware and Software are not properly operated, maintained and upgraded. Franchisor may opt to implement its own backup system. Franchisor’s use of such a backup system shall not relieve Franchisee of its obligations under this Section and Franchisee shall not rely on Franchisor for Franchisee’s system backup solution needs.

6.4.4 System Data. Franchisee and Franchisor agree that all data transmitted, used, contained on, stored on, or entered into the computer or email system of the Franchised Business (“System Data”), including but not limited to, Customer Data, are deemed to have been derived from the goodwill of the Handyman Connection name and Proprietary Marks and, therefore, such System Data is considered Confidential Information and is owned by Franchisor, and Franchisee is restricted from access or use of any other Franchisee’s data. Franchisee agrees that Franchisor may use or access such System Data for any purpose. Franchisee agrees to use the System Data only in the operation of and for the benefit of the Franchised Business. Franchisee agrees that it does not own any information in CRM, the Software, or the @handymanconnection.com e-mail address, and that if the franchise is closed or sold, that Franchisee will not have access to any of this data. Franchisee agrees to comply with the Operations Manual and SOP,

and all applicable law, whether federal, state, or local, regarding the use and safeguarding of System Data. Franchisor reserves the right to access and restrict access to the data, if Franchisor, in its sole discretion, feels that the Franchise System may be hurt in any way by the use or actions of the Franchisee. Franchisee is solely responsible for any data breaches, or unlawful access or use of its database, and agrees to hold the Franchisor harmless for any such acts. Franchisee agrees to comply with the then-current Payment Card Industry Data Security Standards (“PCI DSS”), as such standards may be revised and modified by the PCI Security Standards Council (see www.pcisecuritystandards.org), or any successor organization or standards that Franchisor may reasonably specify. Franchisee’s requirements include, but are not limited to, implementing the enhancement, security requirements, and other standards that the PCI Security Standards Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards. Franchisee agrees to implement commercially prudent privacy policies, procedures, and practices. Franchisee agrees to notify Franchisor immediately of any known or suspected System Data breaches. Further, in event of such security breach, Franchisee agrees to fulfill all notice and other legal requirements as or on behalf of the owner, holder, and/or user of such System Data. Franchisee agrees to indemnify Franchisor as provided for in Section 16.3 of this Agreement against any claim of security breach caused by or arising out of Franchisee’s operation of the Franchised Business, Franchisee’s acts or omission or the acts or omissions of Franchisee’s agents and assigns. For purposes of this Agreement, Customer Data is defined as current, prospective, and former customer names and contact information, customer purchasing histories, and credit extensions and discounts offered to Customers maintained, used or stored in any tangible or intangible media, including without limitation, hard copy or electronic formats. Franchisee further agrees to avoid actions using the technology or accounts available to Franchisee that may compromise the handymanconnection.com domain name, such as “blast” emails that could label the domain as a “spammer” or other types of actions that could cause harm to the use of the domain name.

6.5 Telephone. Franchisee agrees not to publish any telephone numbers for the Franchised Business other than the telephone number(s) authorized by Franchisor. Phone Service will be provided via VOIP by Franchisor’s mandatory supplier and Franchisor will own the telephone number(s) Franchisee is permitted to use in connection with the Franchised Business. Franchisor reserves the right to eliminate service or redirect calls at any time upon Franchisee’s failure to cure any default under this Agreement. Franchisee may not have or use any other telephone number associated with the Franchised Business without Franchisor’s written permission, which Franchisor has the right to grant or deny for any reason. All such telephone numbers or listings shall be at Franchisee’s expense; shall be listed under the “Handyman Connection” name and not under Franchisee’s corporate, partnership, or individual name; and are to be used exclusively in connection with the Franchised Business. Franchisee acknowledges that such telephone number(s) are the sole property of Franchisor; provided, however, that Franchisee shall pay all expenses related to the use of such telephone numbers. Franchisee further agrees to enable and pay for any phone lines required by Franchisor to be text enabled, and use Franchisor’s prescribed vendor for such services. Franchisee further agrees to display in its advertising and other marketing or promotional materials, as well as in all business documents related to the Franchised Business, including without limitation contracts, purchase orders, invoices, stationery, and business cards, only the toll-free telephone number designated by Franchisor or such other number(s) as may be approved by Franchisor, subject to Franchisee’s execution of a conditional assignment of telephone numbers as set forth in Exhibit B.

6.5.1 Conditional Assignment of Telephone Number. Franchisee hereby appoints Franchisor and any of Franchisor’s officers as Franchisee’s irrevocable attorney-in-law and attorney-in-fact in all matters dealing with or concerning any and all telephone numbers used in connection with the Franchised Business or any telephone directory advertisements or listings containing those telephone numbers, including but not limited to the execution at any time, whether before or after any termination of this

Agreement, of any writings transferring to Franchisor or to Franchisor's designee, any and all telephone numbers advertised or listed under the Proprietary Marks; this appointment shall survive the termination of this Agreement. Franchisee shall execute Franchisor's prescribed form of conditional assignment of telephone numbers as set forth in Exhibit B.

6.5.2 Telephone Number Assignment. Franchisor reserves the right to assign Franchisee a telephone number that will be held in Franchisor's name. Franchisee agrees to accept such telephone number as the telephone number of the Franchised Business. By using an assigned telephone number held by Franchisor, Franchisee agrees that Franchisee does not acquire any rights to such telephone number. Upon the expiration, Transfer or termination of this Agreement for any reason, Franchisee agrees to terminate Franchisee's use of any telephone number and listing obtained by or assigned to Franchisee pursuant to this Section 6.5.2, and further agrees to assign such telephone number or listing to Franchisor or Franchisor's designee.

6.6 Business Technologies. Franchisee agrees to participate in, and adopt for immediate use, the technology and business systems that Franchisor prescribes, including but not limited to, extranet, print-on-demand, mobile platform, estimating platforms, blogs, texting, digital asset libraries and other technology designated by Franchisor. Franchisee acknowledges and agrees that such technologies may be used for (i) submission of Franchisee's reports due under this Agreement; (ii) viewing and printing the Operations Manual; (iii) downloading approved advertising materials; (iv) communication with the Franchisor and other System franchisees; (v) training; and (vi) other business purposes. Franchisee agrees to use such business technologies in strict compliance with the standards, protocols, and restrictions that Franchisor may establish or implement or as stated in the Operations Manual, including SOP, or other communications. Franchisee also agrees to enter into any applicable business technologies agreements as may be required by Franchisor.

Franchisee agrees to subscribe to, maintain and utilize a high speed internet connection and an e-mail account. Franchisor will provide Franchisee with a @handymanconnection.com e-mail address that Franchisee must use for all business correspondence.

6.7 Purchasing Cooperative. If directed by Franchisor, Franchisee agrees to join purchasing cooperatives or other entities designated by Franchisor. Franchisee acknowledges and agrees that such entities may adopt their own bylaws, rules, regulations and procedures, subject to Franchisor's consent. Franchisor, at its discretion, may require such entity to submit monthly and annual financial statements, and can require that the annual financial statements be audited at the expense of the entity. Franchisee acknowledges and agrees that Franchisee's failure to timely pay amounts due to, or to comply with the bylaws, rules, regulations and procedures of any such cooperative is a breach of this Agreement.

7. OPENING REQUIREMENTS

At least ten days prior to opening the Franchised Business, Franchisee agrees (i) to secure all trade/contractor licenses that are required by applicable law for the operation the Franchised Business; (ii) to acquire all telephone, computer, connectivity and telecommunication services, furnishings and equipment as stated in this Agreement; (iii) to complete the Initial Training as stated in this Agreement; (iv) to establish an Approved Location; (v) to acquire and produce evidence of insurance as stated in this Agreement; and (vi) to hire and train a manager (the "Key Manager"), who may be the Franchisee, and Customer Service Representative as required by this Agreement. Unless otherwise agreed in writing by the Parties, the Franchised Business must be open and operating, including without limitation, compliance

with these Opening Requirements, shall be completed no later than 120 day after the execution of this Agreement. Franchisee's failure to satisfy the Opening Requirements in within the time frame set forth in this Section 7 is a default under this Agreement and may result in the termination of this Agreement.

8. TRAINING AND SUPPORT

8.1 Initial Training. Franchisee agrees to attend, and successfully complete Franchisor's initial training program ("Initial Training"). If Franchisee is a partnership, corporation or limited liability company, at least one of Franchisee's general partners, principal shareholders, or managing members, as appropriate, must attend and successfully complete the Initial Training. In conjunction with the opening of the Franchised Business, Franchisee may designate one employee or Key Manager, who may attend the operational component of the Initial Training tuition-free (the "Key Employee"). Subsequent or additional Key Employees, employees, office staff, or managers may also attend the operational component of the Initial Training upon advance notice to Franchisor, payment of then-current tuition fee, and the availability of openings in the Initial Training. Franchisor may train Franchisee's employees at its request and Franchisor shall not become a joint employer of Franchisee's employees. All training shall be held at Franchisor's headquarters, at such other locations as Franchisor may designate or virtually as designated by Franchisor. Failure to successfully complete the Initial Training is a default under this Agreement and may result in the termination of this Agreement. Franchisor provides Initial Training to Franchisee to educate Franchisee and to protect Franchisor's brand standards but such Initial Training is not intended to control the day to day operation of Franchisee's Franchised Business.

8.2 On-going Supplemental Training. To assist Franchisee in the operation of Franchised Business, Franchisor may offer, from time to time, additional, expanded or revised training programs and/or refresher courses for Franchisee, Franchisee's Key Employee or other managers, and/or Franchisee's employees ("Supplemental Training"). If required by Franchisor, Franchisee agrees to attend and/or direct employees or managers to attend these training programs and/or courses. Franchisor reserves the right to charge Franchisee a reasonable fee for such Supplemental Training.

8.3 Operating Assistance. During the term of this Agreement, Franchisor may, at Franchisee's reasonable request and subject to availability, provide Franchisee with continuing advice and guidance with respect to the operation of the Franchised Business. Franchisee understands and agrees that Franchisor shall provide only such advice and guidance which, in its sole discretion, Franchisor deems reasonably required or desired with respect to the operation of the Franchised Business. Franchisee shall have sole authority and control over the day to day operations of the Franchised Business, its employees and its sub-contractors.

8.4 Annual and Regional Conferences. Franchisor may, in Franchisor's discretion, hold annual and regional conferences at location(s) to be designated by Franchisor. Franchisee shall be required to attend such conferences in person for the entirety of the Conference, and to pay the then-current registration fee. If Franchisee fails to attend any annual or regional conference, in its entirety, then Franchisee shall pay a penalty fee of two thousand dollars (\$2,500) to Franchisor.

8.5 Training Cost and Expenses. All expenses related to the Initial Training, Supplemental Training, and Annual or Regional Conferences, including Franchisee and Franchisee's managers' or employees' transportation to and from the training site, lodging, meals, and wages during the training, are Franchisee's sole responsibility to pay.

8.6 Operations Manual and Training Materials. Franchisor will lend Franchisee or provide temporary on-line access to one (1) copy of the Operations Manual, including SOP, other training materials, and appropriate revisions as may be made from time to time; provided, however, all such materials shall at all times remain the property of Franchisor. The Operations Manual may be expanded to include other manuals at any time in Franchisor's discretion, including a brand standards or craftsman manual. These manuals, and any other manuals Franchisor creates, may either be incorporated into the Operations Manual, or stand alone as a separate manual, which Franchisee agrees to comply with in accordance with the terms of this Agreement. Franchisee agrees to operate its Franchised Business in strict compliance with the Operations Manual, including SOP, as it may be reasonably changed from time to time. These manuals are to support quality control over Franchisor's brand standards and Franchisee shall have sole authority and control over the day to day operations of the Franchised Business. The Operations Manual, including SOP, shall be considered Confidential Information under this Agreement. Franchisee shall not make any disclosure, duplication or other unauthorized use of any portion of the Operations Manual, including SOP. The provisions of the Operations Manual, including SOP, constitute provisions of this Agreement as if fully set forth herein. Franchisee shall insure that its copies of the Operations Manual and SOP are current and up-to-date. If there is a dispute relating to the contents of the Operations Manual and/or SOP, the Franchisor will make the sole determination of the then-current Operations Manual. The cost of implementing any such changes, alterations or modifications as required by the Operations Manual and/or SOP shall be borne exclusively by Franchisee. Franchisor may require all training attendees or other recipients of training materials to sign a confidentiality agreement.

9. OPERATIONS

9.1 Compliance with Standards. Franchisee acknowledges and agrees that the obligations set forth in this Agreement and the Operations Manual, including any SOP as are established from time to time, are reasonable and necessary for the operation of the Franchised Business and to maintain uniformity and quality control in brand standards throughout the System. Accordingly, Franchisee agrees to comply with the standards and specifications set forth in this Agreement and the Operations Manual and SOP, as revised and updated from time to time. The system standards and specifications do not include personnel policies or procedures regarding Franchisee's staff, employees or sub-contractors that Franchisor may make available to Franchisee for its optional use. Franchisee agrees to use signs, products, services, tools, furnishings, supplies, fixtures and equipment, which comply with Franchisor's then-current standards and specifications. Franchisee acknowledges and agrees that Franchisor has the right to change, update, or otherwise modify System standards and specifications, solely in the Franchisor's discretion and that such changes, updates, or modifications may result in additional costs to Franchisee which Franchisee agrees to bear.

9.2 Minimum Performance Criteria. Franchisee agrees to achieve, report, and pay royalty fees on Gross Sales as required by Section 3.2 of this Agreement and further agrees that if Franchisee does not achieve the requisite level of Gross Sales within the timeframe set forth by Franchisor in this Section 9.2 (the "Minimum Performance Criteria"), then Franchisee agrees to pay annual Minimum Royalty Fees set forth in Section 3.3 of this Agreement. Franchisee acknowledges and agrees that Franchisor has the right to implement additional Minimum Performance Criteria in the future with respect to market penetration, market presence, or customer satisfaction levels (which are currently measured by the Net Promoter Score (NPS)). In addition to collecting the Minimum Royalty Fee, if Franchisee does not achieve the Minimum Performance Criteria (including Minimum Performance Criteria established in the future as described in the previous sentence), Franchisor has the right to take appropriate corrective action, which may include establishing a remedial business plan, assigning Franchisee into a franchise resale program, registering

Franchisee in Franchisor’s initial, on-site, or Supplemental Training programs at Franchisee’s cost and expense, reducing and/or removing any exclusivity of the Territory listed in Schedule A of this Agreement, rescinding Franchisee’s rights described in Section 1.2 of this Agreement to receive and service residential leads, or terminating this Agreement.

9.2.1 Franchisee must achieve certain minimum Gross Sales in the Third Calendar Year through the Tenth Calendar Year of operation as set forth below (the “Minimum Performance Requirement”) or Franchisee will be in breach of this Agreement:

CALENDAR YEAR	MINIMUM PERFORMANCE CRITERIA AMOUNT FOR GROSS SALES
3 rd – 5 th	\$225,000 for each HH Group in your Territory
6 th – 10 th	\$350,000 for each HH Group in your Territory

If this Agreement is signed in January or February, the Minimum Performance Criteria will start in Calendar Year 2.

9.3 **Personal Management.** Franchisee agrees that he or at least one of Franchisee’s principals if Franchisee is a corporation, limited liability company or partnership, must devote his full-time attention and best efforts to the management and day-to-day operations of the Franchised Business, unless Franchisee delegates such duties to a Key Employee, who is approved in writing by Franchisor and who has completed the Franchisor’s Initial Training. Franchisee will be the sole employer of the Key Employee. Franchisee agrees to keep Franchisor informed at all times of the identity of any employee acting as Key Employee of the Franchised Business. In the event that a Key Employee’s relationship with a Franchised Business is terminated, Franchisee agrees to hire, within 30 days of such termination, a replacement who is approved in writing by Franchisor and who meets Franchisor’s then current standards for Key Employees. The new Key Employee must complete Initial Training to Franchisor’s satisfaction within sixty days of hiring, subject to the availability of Franchisor’s personnel; Franchisee agrees to pay any costs associated with this training. Any Key Employee(s) shall devote full time and best efforts to the day-to-day operation and management of the Franchised Business. Notwithstanding the foregoing, unless Franchisor agrees otherwise in writing, the individual executing this Agreement as the Franchisee or on behalf of Franchisee must devote his full-time attention and best efforts to the management and day-to-day operations of the Franchised Business. Franchisee may not, without Franchisor’s express written consent, directly or indirectly engage in any other enterprises or business concerns, nor render professional services to, own, control, manage, consult with, be employed by, or otherwise have an interest in, any other enterprises or concerns, during the term of the Franchise Agreement, except that Franchisee may transact in securities of publicly traded companies and engage in other passive investment activities.

9.4 **Personal Conduct.** Franchisee agrees to act honestly and ethically in all dealings with Franchisor, customers and the general public. Franchisee agrees to refrain from committing any act or pursuing any course of conduct that tends to bring the Proprietary Marks into disrepute, and to operate the Franchised Business in compliance with the System so as to preserve, maintain and enhance the reputation and goodwill of the System. If requested by Franchisor, Franchisee must submit to a background check within fourteen (14) days of such request. Franchisee’s failure to agree to, or to pass a background check, subject to Franchisor’s sole determination, is grounds for immediate termination without an opportunity to cure. If Franchisee is accused of sexual harassment of any kind, Franchisor may, in its sole determination,

terminate the Agreement without any opportunity to cure. If such termination takes place, Franchisee is still subject to all minimum performance criteria including being subject to the payment of minimum royalties listed in Section 20.9 of this Agreement.

9.5 **Staffing.** Franchisee agrees to employ and/or contract with a sufficient number of qualified, competent personnel and craftsmen, and to offer honest, ethical, prompt, courteous and efficient service to the public. Franchisee agrees to conduct the Franchised Business in accordance with the Operations Manual and meet Franchisor's current brand standards. Franchisee agrees to train and instruct, both immediately after hire and continually, Franchisee's employees, contractors and craftsmen in accordance with Franchisor's practices, policies and procedures as stated in the Operations Manual. Franchisee must conduct a yearly background check of all active craftsmen to verify that such craftsmen have not been convicted or charged with any felonies or any other crimes involving theft, fraud, sexual offenses or violent behavior. Franchisee will have sole authority and control over the staff, and craftsman, and Franchisor shall not be a joint employer of any of these persons.

9.6 **On-going Operations.** Franchisee agrees to operate the Franchised Business for, at a minimum, those months, hours and days that Franchisor specifies in the Operations Manual or SOP. Franchisee agrees to maintain the Franchised Business premises in a clean, safe and attractive manner, in accordance with all applicable laws. Franchisee agrees, at all times, to maintain such working capital as may be reasonably necessary to meet the obligations of the Franchised Business. Franchisee agrees to use best efforts to promote and increase the demand for goods and services of the Franchised Business.

9.7 **Payment of Debts.** Franchisee agrees that Franchisee is solely responsible for selecting, retaining and paying Franchisee's employees, contractors and craftsmen; paying all invoices for the purchase of goods and services used in connection with the Franchised Business; and determining whether, and on what terms, to obtain any financing or credit that Franchisee deems advisable or necessary for the conduct of the Franchised Business. Franchisee agrees to pay all obligations and liabilities to suppliers, lessors and creditors on a timely basis. Franchisee agrees to make prompt payment of all federal, state and local taxes.

9.8 **Compliance with Applicable Laws.** Franchisee acknowledges and agrees that it is solely Franchisee's responsibility to comply with all federal, state and local laws, statutes, regulations and ordinances applicable to the operation of the Franchised Business.

9.9 **Image and Identification of the Franchised Business.**

9.9.1 Franchisee acknowledges that Franchisor has developed the System to offer and sell services that will distinguish the Franchised Business from other businesses and systems. Franchisee agrees to comply with the standards, specifications and requirements that Franchisor determines from time to time in order to uniformly convey the distinctive image of a Handyman Connection Franchised Business. Franchisee agrees to offer services and products and to conduct the Franchised Business in such a manner that will serve to enhance the image Franchisor intends for the System. Franchisee expressly agrees to use Franchisee's @handymanconnection.com e-mail address for all of Franchisee's business communications.

9.9.2 Franchisee agrees to use the Proprietary Marks on all materials representing the Franchised Business, including without limitation business cards, stationery, yellow pages advertising, uniforms, checks, proposals, contracts, signage, vehicle advertising, and marketing and promotional

materials. Franchisee acknowledges and agrees that such use of the Proprietary Marks must (i) accurately depict the Proprietary Marks (ii) be accompanied by a statement indicating the Franchised Business is independently owned and operated by Franchisee, (iii) not be used in connection with any other trademarks, trade names or services unless specifically approved by Franchisor in writing prior to such use, and (iv) make available to Franchisor, upon request, a copy of any materials depicting the Proprietary Marks. Franchisee agrees to purchase, and maintain in good working order, at least one wrapped vehicle.

9.9.3 Franchisee agrees that any materials not furnished or made available by or through Franchisor which Franchisee wishes to use for public display, must first be submitted to Franchisor for approval, which approval Franchisor shall not unreasonably withhold, provided that such materials are current and in good taste. Franchisee acknowledges and agrees that such material must also accurately depict the Proprietary Marks and be used in a manner so as to promote or strengthen Handyman Connection brand recognition.

9.10 **Customer Satisfaction and Warranty Service.** Franchisee agrees to respond promptly to customer concerns or complaints and to use best efforts to preserve positive customer relations. Franchisee agrees to offer and honor such warranty on materials and workmanship provided by Franchisee, as Franchisor may designate from time to time in the Operations Manual or SOP. Franchisee agrees to cooperate with Franchisor in all warranty claims and shall make no statements or admissions as to liability. Franchisee agrees to promptly report warranty claims into the Custom Software and undertake all warranty work under the Proprietary Marks. Franchisee agrees that all costs and expenses associated with the administering and honoring of warranty services shall be borne by Franchisee, including any costs incurred by Franchisor in ensuring that warranty claims are promptly and properly honored, and further including all costs and expenses referred to in Section 20.7 regarding Franchisee's obligation upon termination of this Agreement. Franchisee may request Franchisor's assistance to resolve disputes or other issues between Franchisee and its customers. Franchisor, in its sole discretion, may, but has no obligation, to provide Franchisee with assistance in response to such requests. In the event Franchisee requests, and Franchisor agrees, to provide such assistance, Franchisee hereby expressly acknowledges and agrees that Franchisor may take any actions it deems necessary in its sole discretion to resolve such disputes. Franchisor, in its sole discretion, whether or not requested to by Franchisee, has the right to take actions to settle any customer dispute, including financial settlements, or having a different contractor, or different franchisee work to try to resolve any such disputes. Franchisee shall be responsible for the costs and remedies of Franchisor's decisions. Franchisee acknowledges that any rights to the Territory set forth in Section 1.2 shall not limit Franchisor's ability to designate a different contractor or franchisee to perform work in Franchisee's Territory in furtherance of such a resolution. Franchisee shall indemnify Franchisor for all losses or damages arising from or related to Franchisor's intervention on Franchisee's behalf pursuant to this Section 9.10.

9.11 **Right to Inspect the Franchised Business.** Franchisee agrees to permit Franchisor or its authorized representative to enter the Franchised Business premises or any job site or location where Franchisee regularly conducts business or any location where Franchisee maintains books or records at all reasonable times during the business day for the purpose of making periodic evaluations and to determine if the Franchised Business is being operated in accordance with this Agreement. Franchisee further agrees that Franchisor shall have the right to contact any of Franchisee's vendors or suppliers to determine if the Franchised Business is being operated in accordance with this Agreement. In the event of such inspection or contact, Franchisee and Franchisee's staff and contractors, and any such vendors or suppliers agree to cooperate fully with such inspection and shall provide Franchisor or its authorized representatives access

to Franchisee's computers and all programs and databases and all other records or information whether in electronic or hard copy or other form at any time.

9.12 **Pending Actions.** Franchisee agrees to notify Franchisor, in writing, within five (5) days of receipt of notice of any action, suit or proceeding or the issuance of any order, suit or proceeding by any court, agency or other government instrumentality, including the receipt of any notice or citation which may adversely affect the operation or financial condition of Franchisee or the Franchised Business.

10. CONFIDENTIAL INFORMATION

10.1 **Trade Secrets.** Franchisee agrees that it will not, during the Term of this Agreement or thereafter, communicate, divulge to, or use for the benefit of any other person or entity, any confidential information, including the names of other franchisees, mailing lists, Customer Data, trade secrets, the Operations Manual and SOP, information about any technology used in the operation of the Franchised Business, any Handyman Connection training materials, or know-how made known to Franchisee by virtue of Franchisee's operation of the Franchised Business ("Confidential Information"). Franchisee agrees to communicate to its employees and independent third-party contractors only such Confidential Information as required in order for such employees or independent third-party contractors to operate the Franchised Business. Franchisee acknowledges and agrees that it shall be solely his responsibility to have such employees or independent third-party contractors execute the appropriate documentation, including a secrecy and confidentiality agreement in a form approved by Franchisor. Franchisee agrees that any and all information, knowledge, and know-how including without limitation, materials, data, equipment and all other items or data, which Franchisor designates as confidential, shall be deemed confidential for the purposes of this Agreement.

10.2 **Non-Disclosure.** Franchisee acknowledges and agrees that he has had no part in the creation or development of, or claims any right whatsoever in, any element of the System, the Proprietary Marks or any matters dealt with in the Operations Manual, and that all disclosures made to Franchisees relating to the System are communicated to Franchisee solely on a confidential basis and as trade secrets. Franchisee agrees to maintain the confidentiality of all such information during the Term of this Agreement and at all times thereafter.

10.3 **New Concepts.** If Franchisee, Franchisee's employees, contractors, craftsmen, or principals, develop any new concept, process or improvement in the operation or promotion of the Franchised Business, Franchisee agrees to promptly notify Franchisor and provide Franchisor with all necessary related information, without compensation. Franchisee acknowledges and agrees that any such concept, process or improvement shall become Franchisor's sole property; that Franchisor shall be the sole owner of all patents, patent applications, trademarks, copyrights and other intellectual property rights related thereto; and, that Franchisee acquires no rights whatsoever in such concept, process or improvement and may not sell, license or provide any such concept, process or improvement to other System franchisees without Franchisor's prior written approval. Franchisee and Franchisee's principals agree to assign to Franchisor any rights Franchisee may acquire therein. Franchisee and Franchisee's principals agree to assist Franchisor in obtaining and enforcing the intellectual property rights to any such concept, process, or improvement in any and all countries and further agree to execute and provide Franchisor with all necessary documentation for obtaining and enforcing such rights. In the event that the grant of ownership herein is not possible or enforceable for whatever reason, Franchisee and Franchisee's principals agree to grant to Franchisor a worldwide, perpetual, non-exclusive fully paid license to use and sublicense the use of the concept, process, or improvement to the extent such use or sublicense would, absent this agreement, directly or indirectly infringe any of Franchisee's right therein.

11. PROPRIETARY MARKS

Franchisee acknowledges and agrees that Franchisor is the sole and exclusive owner of the Proprietary Marks and Franchisee agrees that its right to use the Proprietary Marks is specifically conditioned upon the following terms and conditions:

11.1 Trademark Ownership. Franchisee acknowledges and agrees that the Proprietary Marks are valuable property owned by Franchisor, and Franchisor is the exclusive owner of all right, title, and interest in and to the Proprietary Marks and all past, present or future goodwill of the Franchised Business that is associated with or attributable to the Proprietary Marks. Franchisee's use of the Proprietary Marks shall inure to the benefit of Franchisor. Franchisee disclaims all right, title and interest in or to such goodwill and Proprietary Marks. During the Term of this Agreement, Franchisee agrees not to engage in any conduct directly or indirectly that would infringe upon, harm, or contest the rights of Franchisor in any of the Proprietary Marks or the goodwill associated with the Proprietary Marks.

11.2 Use of the Proprietary Marks. Franchisee agrees to use the Proprietary Marks only in connection with the Franchised Business, in a manner that accurately depicts the Proprietary Marks, and only as permitted by the Operations Manual, SOP, training manuals, Standards of Use manual or otherwise as directed by Franchisor. Franchisee agrees to comply with all trademark, trade name and service mark notice marking requirements. Franchisee agrees to conduct the Franchised Business in accordance with the standards and requirements pertaining to quality, production, signage, equipment, cleanliness, maintenance, appearance, service standards, methods of operations and sales promotions prescribed by Franchisor from time to time. Franchisee agrees to implement and abide by the requirements and recommendations of Franchisor directed to enhancing substantial uniformity of the System. Franchisee agrees not to use the "Handyman Connection" name in its corporate or entity name, except that Franchisee may use the name "Handyman Connection of..." to indicate that it is doing business as "Handyman Connection" but only upon (i) obtaining Franchisor's prior written permission; (ii) obtaining a "d/b/a" (doing business as) certificate from the state or local agency responsible for issuing such certificates that puts the public on notice that Franchisee and Franchisor are separate legal entities; and (iii) filing a copy of such d/b/a certificate with Franchisor. All stationery, paperwork, business cards and contracts of Franchisee shall contain Franchisee's corporate or fictitious name and a conspicuously displayed notice that Franchisee operates its Franchised Business as an independently owned and operated franchise of Franchisor.

11.3 Third Party Infringements. Franchisee must promptly notify Franchisor of any suspected unauthorized use of the Proprietary Marks and any Custom Software Franchisor may now or hereafter designate for use in connection with the System, any challenge to the validity of the Proprietary Marks, or any challenge to Franchisor's ownership of, Franchisor's right to use and to license others to use, or Franchisee's right to use, the Proprietary Marks, any Custom Software, or proprietary merchandise, and the Operations Manual and SOP. In the event that any person or entity improperly uses or infringes on the Proprietary Marks, or challenges Franchisor's right to use or license use of the Proprietary Marks, Franchisee agrees that Franchisor shall have the right to control the defense of all infringement claims and litigation. Franchisee acknowledges that Franchisor shall be the sole judge as to whether a suit should be filed or what action should be instituted, prosecuted, or settled, the terms of settlement, and whether any other action shall be taken. Franchisee agrees to cooperate with any action undertaken by Franchisor in respect thereof.

11.4 Substitutions. If there is a claim by any party that its rights to use any of the Proprietary Marks are superior and if Franchisor determines that such claim is legally meritorious, then upon receiving written notice from Franchisor, Franchisee agrees, at its expense, immediately to make such changes and use such substitutions to the Proprietary Marks as may be required by Franchisor. Franchisee agrees not to make any changes or substitutions whatsoever in or to the use of the Proprietary Marks unless directed by Franchisor in writing.

11.5 Revision to the Proprietary Marks. Franchisee recognizes that variations and additions to the Proprietary Marks may be required from time to time in order to preserve and enhance the public image of the System, to accommodate changing customer trends, or to ensure the continuing efficiency and profitability of the System. Accordingly, Franchisee agrees that Franchisor may, from time to time, upon written notice, revise the Proprietary Marks, including the adoption and use of new or modified trademarks, service marks, or trade names, and further agrees to promptly accept, implement, use and display all such changes, alterations or modifications, as directed by Franchisor. Franchisee acknowledges and agrees that the cost of implementing any such changes, alterations or modifications shall be borne exclusively by Franchisee; provided, however, that Franchisee shall be permitted to deplete any existing supplies of stationery, advertising or marketing materials that Franchisee has on hand at the time of such revisions to the Proprietary Marks so long as such supply is exhausted within a reasonable amount of time, but in no case, any longer than nine (9) months after notice from Franchisor.

12. RESTRICTIVE COVENANTS AND TRADE SECRETS

Franchisee acknowledges that, as a participant in Franchisor's System, Franchisee will receive proprietary and confidential information and materials, trade secrets, and the unique methods, procedures and techniques which Franchisor has developed. Therefore, to protect Franchisor and all Franchisor's franchisees, Franchisee agrees as follows:

12.1 During the Term of the Franchise Agreement. During the Term of this Agreement and any renewal or extension of the license granted hereunder, Franchisee agrees that neither Franchisee, its partners, members, or shareholders, nor any member of the immediate family of Franchisee or its partners, members, or shareholders will, directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person, partnership, corporation or other entity:

12.1.1 Own, maintain, engage in, be employed by, lend money or extend credit to, or have an interest in any other business offering or providing any restoration, construction, renovation or remodeling services and/or products similar to those offered under the System; provided, however, that this Section does not apply to Franchisee's operation of any other Handyman Connection franchised business pursuant to a valid franchise agreement.

12.1.2 Divert or attempt to divert any business or customer of the Franchised Business to any other business or any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks or the System.

12.1.3 Provide any services not authorized by this Franchise Agreement, including without limitation, any Certificate Program Services, advertise its services under any mark other than the Proprietary Marks or use any Software or computer program except as approved by Franchisor.

12.1.4 Use any Handyman Connection customer information for any reason other than the operation of Franchisee's Handyman Connection Franchised Business.

12.2 After the Term of the Franchise Agreement. For a period of three (3) years after the expiration and non-renewal, Transfer or termination of this Agreement, regardless of the cause, Franchisee agrees that neither Franchisee, its principals, partners, shareholders or members nor any member of the immediate family of Franchisee, its principals, partners, shareholders or members will not, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person partnership, corporation or limited liability entity:

12.2.1 Enter into any business competing in whole or in part with Franchisor, Franchisor's granting of franchises or licenses; or

12.2.2 Own, maintain, engage in, be employed by, or have any interest in any other business which offers, sells or licenses any restoration, construction, renovation or remodeling services and/or any products or services of the type offered under the System, within a radius of twenty five (25) miles of the perimeter of the Territory, or five (5) miles from the perimeter of any other Handyman Connection franchise's territory in operation, or of any territory which is being considered or for which discussions are under way for a Handyman Connection franchise, as of the date of expiration and nonrenewal, Transfer or termination of this Agreement; provided, however, Franchisee may continue to operate any other System franchise for which Franchisee and Franchisor have a then-current franchise agreement;

12.2.3 Solicit business from then existing or prospective National Account or customers with whom Franchisee's former Handyman Connection franchise did business in the preceding five (5) years for any related or competitive business purpose, nor solicit any employee or craftsman of Franchisor or any other System franchisee to discontinue his employment; or

12.2.4 Own, maintain, engage in, be employed by, or have any interest in any company which engages in any business competing in whole or in part with Franchisor (including ownership or employment with any commercial or residential construction, renovation, restoration or remodeling business), Handyman Connection franchisees, solicits work for Handyman Connection franchisees that otherwise would fall under the National Account Program, or which grants franchises or licenses for any business competing in whole or in part with Franchisor.

12.3 Intent and Enforcement. It is the intent of Franchisee and Franchisor that this Section 12 shall, to the fullest extent permissible under applicable law, be judicially enforced; accordingly, Franchisor and Franchisee agree that any reduction in scope or modification of any part of the non-competition provisions contained herein shall not render any other part unenforceable. In the event of the actual or threatened breach of this Section, Franchisee acknowledges and agrees that Franchisor shall be entitled to an injunction, without bond, restraining such person(s) from any such actual or threatened breach, that Franchisor's harm will be irreparable, and that Franchisor has no adequate remedy at law to prevent such harm. Franchisee further agrees that the time limitations of this Section shall be tolled during any default under this Section 12.

12.4. Employees. Franchisee agrees to require its officers, directors, partners, members, shareholders, employees, contractors, subcontractors, and members of the immediately family of the Franchisee involved in any manner or form in the Franchised Business to execute a non-competition agreement containing provisions similar to those set forth herein and in the form approved by Franchisor, attached as Exhibit A.

This Agreement does not create a fiduciary or other special relationship between the parties. No agency, employment, or partnership is created or implied by the terms of this Agreement.

12.5 **Public Owned Entity.** This Section shall not apply to any ownership by Franchisee or any other person subject to this Section of a beneficial interest of less than three percent (3%) in the outstanding securities or interests in any publicly-held entity.

13. ADVERTISING

The parties acknowledge the value of standardized advertising and marketing to the growth of goodwill and public image associated with the Proprietary Marks and the System. Franchisee, therefore, agrees to actively promote the Franchised Business, to abide by all of Franchisor's advertising requirements, and to comply with this Section 13.

13.1 Brand Development Fund

13.1.1 Franchisee recognizes and acknowledges that uniform advertising and promotion by the System, both inside and outside of the Territory, contribute to the goodwill and public image of the System and the Franchised Business. Accordingly, Franchisee agrees that Franchisor may institute, maintain and administer a brand development fund or funds ("Brand Development Fund" or "BDF") for such national, regional and other marketing programs as Franchisor, in its sole discretion, may deem necessary or appropriate to market, advertise and promote the System and the Franchised Business, including Residential Services, National Accounts, and Certificate Service Programs. Franchisee acknowledges and agrees that Franchisor shall have the complete discretion as to the use and allocation of these funds.

13.1.2 During the Term of this Agreement, Franchisee agrees to make regular contributions to the Brand Development Fund in an amount equal to 3% of the Gross Sales of the Franchised Business. The BDF will fall to 2 ½% for annual sales from \$3,000,000 to \$5,000,000, and fall to 2% annually for sales over \$5,000,000 for each of the franchise territories. BDF Contributions shall be payable at the same time and in the same manner as Royalty Fees are payable.

13.1.3 The BDF Contributions will be accounted for separately from the other funds of Franchisor. Such contributions may be used to pay for any of the Brand Development Fund's direct program cost and/or overhead expenses related to the administration of the Brand Development Fund, including reasonable salaries, accounting and administrative costs incurred by Franchisor. Contributions to the Brand Development Fund may also be used and disbursed by Franchisor for national, regional, and/or local advertising, brand development, public relations or public relations firms, for tests and pilot programs, customer support administration, technology research and development related to the brand, consumers or craftsman, promotional events and materials, market research costs, creative and production costs, as well as to pay Franchisor for any advertising and/or promotional materials produced by Franchisor related to marketing, advertising, brand development, data analysis, research, or anything related to the consumer or craftsman. Franchisee acknowledges that Franchisor may use the BDF to satisfy any and all costs of maintaining, administering, directing, preparing, producing, placing and distributing advertising, marketing, or brand development, including both consumer and craftsman related advertising, obtaining customer and craftsman satisfaction information including the design and execution of net promoter scores, as well as to cover the costs of a national call center, texting platforms and mystery shopping. Franchisor will select the types of media used and the location of the advertising and any public relations campaigns administered through the Brand Development Fund. Franchisor may use print, radio, television, telephone, telephone

directories, Internet, mobile and direct mail and any other form of advertising medium that is appropriate for the use intended. The media coverage may be national, regional or local in scope. Franchisor coordinates the advertising through in-house specialists and outside agencies.

13.1.4 Franchisee acknowledges and agrees that the selection of media and locale for media placement, the nature of the promotional programs, and the content of advertising and promotional material shall be at Franchisor's sole discretion and Franchisor may engage the services of an advertising agency or agencies to formulate, develop, produce, and conduct any or all such advertising and promotion, the cost of which will be payable from the Brand Development Fund. Franchisee acknowledges and agrees that Franchisor shall not assume any direct or indirect liability or obligation whatsoever towards Franchisee with respect to the direction or administration of the Brand Development Fund.

13.1.5 Franchisee understands and acknowledges that the Brand Development Fund is not intended to promote the business of a single franchisee or specific group of franchisees, but rather is intended to promote the public recognition of the Proprietary Marks, to support national brand efforts, and to benefit the Franchisor and all of Franchisor's franchisees. Accordingly, Franchisee understands and agrees that expenditures made from the Brand Development Fund may not directly benefit Franchisee and that expenditures from the Brand Development Fund in Franchisee's market area may not necessarily be proportionate to Franchisee's contributions to the Brand Development Fund. The Franchisor agrees that it will not direct the BDF Contributions in an unreasonably disproportionate share towards any franchisee.

13.2 Local Advertising

13.2.1. Franchisee acknowledges and agrees that to effectively compete within the Territory, Franchisee must undertake and execute an extensive marketing and advertising program designed to promote the Franchised Business within the Territory. Therefore, in addition to making contributions to the Brand Development Fund, Franchisee agrees, at Franchisee's cost and expense, to market, advertise and promote the Franchised Business in the Territory, and shall:

(a) At a minimum, Franchisee must be listed in local or regional online directories that may be prescribed by Franchisor from time to time. If directed by Franchisor, Franchisee agrees to participate in a pro-rata share of ads by a group of local franchisees (pro-rata shall be determined by dividing the costs by the number of active franchisees in the specific area as determined by Franchisor). Franchisee further agrees to display in these listings Franchisor's toll-free telephone number for the Franchised Business and website. Franchisee agrees not to publish any telephone number for the Franchised Business other than the telephone number set forth in Schedule A of this Agreement or such other telephone number(s) as Franchisor may require or authorize.

(b) Market, advertise and promote the Franchised Business in the Territory only in a manner that will reflect favorably on the Franchisor, the Franchised Business, the services and products offered by Franchisee, and the good name, goodwill, and reputation of the System and Proprietary Marks.

(c) Not use any advertising or other marketing or promotional materials furnished by Franchisor or any other materials containing any of the Proprietary Marks for any purpose other than to market and promote the Franchised Business. Franchisee further agrees not to copy or otherwise duplicate any advertising or promotional materials prepared by or for or furnished by Franchisor without Franchisor's prior written consent. Franchisee further agrees to destroy any advertising, marketing or promotional materials that have not been approved by Franchisor.

(d) Have at least one wrapped vehicle displaying the Handyman Connection logo, website, and phone number. The vehicle wrap must be approved by the Handyman Connection corporate office and must be well-maintained. If Franchisor changes any national logo, or branding material, Franchisor may, at its sole discretion, require the updating of vehicle wraps to align with any new logo, brand updates or marketing promotions. The costs associated with any required change will be the sole responsibility of Franchisee and Franchisee agrees to comply with any required changes within ninety (90) days of such Notice.

13.2.2 In addition to contributions to the Brand Development Fund, Franchisee agrees to spend on local advertising, either by way of direct promotion or participation in a local or regional advertising cooperative with other System franchisees, an amount equal to eight percent (8%) of the Gross Sales of the Franchised Business for any business that is reporting annual gross sales less than \$1,000,000; provided, however, for a period of one (1) year following the date that the Franchisee begins operating the Franchised Business, Franchisee agrees to spend an amount equal to ten percent (10%) of the Gross Sales of the Franchised Business. For Franchisees who are generating between \$1,000,000 and \$3,000,000 in their franchise territory, Franchisor requires an amount of 7% of the gross sales to be spent on local advertising. For Franchisees who are generating gross sales greater than \$3,000,000 annually, they agree to spend an amount equal to five percent (5%) of the Gross Sales of the Franchised territory.

Franchisee agrees that all local advertising shall be restricted to the Territory, unless pursuant to Section 1.1.1 above or, in the case of a regional or local advertising cooperative, Franchisee agrees to assure that such advertising shall directly benefit the Territory. Franchisee shall, on a quarterly basis and at such time or times as Franchisor may reasonably request, provide Franchisor with evidence that such amounts have been expended and a report of the manner in which such amounts have been expended.

If Franchisee has not spent the foregoing amounts on local advertising in any twelve-month period ending on December 31st, Franchisee agrees to make up the deficiency through supplemental expenditures in the next calendar quarter, in addition to the amount required in Section 13.2.2 above, or, if directed by Franchisor, by making an additional contribution to the Brand Development Fund in an amount equal to the difference between the amount payable above and the amount actually spent by Franchisee on local advertising.

13.3 Regional Advertising and Promotional Cooperative. Franchisor shall have the right, in Franchisor's discretion, to designate any geographical area for purposes of establishing a regional advertising and promotional cooperative ("Advertising Cooperative"), and to determine whether the Franchised Business is part of any such Advertising Cooperative. If an applicable Advertising Cooperative has been established at the time Franchisee begins operating under this Agreement, Franchisee must immediately become a member of such Advertising Cooperative. If an Advertising Cooperative applicable to Franchisee's Territory is established at any time during the Term of this Agreement, Franchisee agrees to become a member of such Advertising Cooperative no later than thirty (30) days after the date on which the Advertising Cooperative begins operation. If the Franchised Business is within the area of more than one Advertising Cooperative, Franchisee is required to be a member of only one such Advertising Cooperative. The following provisions will apply to each Advertising Cooperative:

13.3.1 Franchisee agrees to sign all documents as required to evidence membership and participation in the Advertising Cooperative, including but not limited to, any local advertising cooperative

agreement, and to be bound by the provisions of any such agreement as to the operation of the Advertising Cooperative.

13.3.2 Franchisee agrees to pay the percentage of Gross Sales, whether residential, National Accounts, or Certificate Program Services sales, (“Advertising Cooperative Contribution”), as determined by Franchisor, and Franchisee further agrees that the obligation to make such payment shall commence at the first full week after the actual opening of Franchisee’s Franchised Business or the date that Franchisee joins the Advertising Cooperative.

13.3.3 Franchisee agrees to make all such payments to Franchisor at the same time and in the same manner as Royalty Fees are payable; Franchisor agrees to account separately for such funds.

13.3.4. Franchisee agrees to submit any and all information to Franchisor as requested from time to time that is required to administer the Advertising Cooperative

13.3.5 Franchisee agrees that Franchisor may disburse such funds, in a manner that is approved by Franchisor and as determined by the Advertising Cooperative.

13.3.6. Subject to Franchisor’s approval, Franchisee acknowledges and agrees that the amount of the Advertising Cooperative Contribution may be increased by a majority vote of the members in good standing with both the Advertising Cooperative and Franchisor, and agrees to be bound by any such change; provided, however, the Advertising Cooperative may increase the percentage of vote required to make such changes subject to Franchisor’s sole permission. The Advertising Cooperative Contribution may not be reduced unless the Franchisor agrees to such change. The percentage of Gross Sales Franchisee must pay into the Advertising Cooperative will not exceed 1% unless a majority of the members of the Advertising Cooperative in good standing with both the Advertising Cooperative and Franchisor vote for an increase, and such increase is approved by the Franchisor.

13.3.7 Each Advertising Cooperative will be organized for the exclusive purpose of administering regional or local advertising programs and developing, subject to Franchisor’s approval, standardized advertising materials for use by the members in local advertising.

13.3.8 No promotional or advertising plans or materials may be used by an Advertising Cooperative or furnished without Franchisor’s prior approval. All such plans or materials shall be submitted to Franchisor in accordance with the provisions of this Agreement.

13.4 Approval of Marketing, Advertising and Promotional Materials. Franchisee agrees to use only such marketing, advertising, or promotional materials as are furnished, approved or made available by or through Franchisor. Franchisee further agrees that such marketing, advertising, or promotional materials will only be used in a manner prescribed by Franchisor. Franchisee agrees to submit to Franchisor any marketing, advertising, or promotional materials not furnished or made available by or through the Franchisor for Franchisor’s approval prior to any use or such materials. Such materials must accurately depict the Proprietary Marks, be used in a manner as to promote or strengthen brand recognition, be factual, and conform to the highest standards of advertising. Franchisee agrees to refrain from any business or advertising practice which may be injurious to the Franchised Business, the goodwill associated with the Proprietary Marks or the System. Upon written notice, whether by a System wide posting, modification to the Operations Manual, or SOP, direct written communication to Franchisee or otherwise, Franchisee agrees to discontinue the use of any advertising, marketing, or promotional materials as directed by

Franchisor. Franchisee acknowledges and agrees that Franchisee's failure to comply with such a request from Franchisor shall be a breach of this Agreement and an infringement of the Proprietary Marks. Franchisee agrees not to transfer, at any time, such marketing, advertising or promotional materials to any third party without Franchisor's prior written consent.

13.5 Ownership of Advertising Materials. Franchisee acknowledges and agrees that Franchisor is the sole and exclusive owner of all copyrights in any and all marketing, advertising or promotional materials made available to Franchisee that have been prepared by or on behalf of Franchisor or contain any of the Proprietary Marks, and that such materials shall at all time remain the exclusive property of Franchisor.

14. ACCOUNTING, RECORDS, REPORTS, AUDITS AND INSPECTIONS

14.1 Bookkeeping and Accounting Records. Franchisee agrees to establish a bookkeeping and accounting system conforming to such requirements as are prescribed by Franchisor in its Operations Manual or SOP from time to time. In the event that Franchisor establishes a computerized bookkeeping or accounting system for its franchisees, Franchisee agrees to use and adopt such system within ninety (90) days of receiving notice from Franchisor, to pay all reasonable fees charged by Franchisor or others for the use of such system, and to purchase or lease all computer hardware and Software required for such system. Franchisee further consents and agrees that Franchisor may access the information stored by this system at any time, whether online or in person.

14.2 Business Records. Franchisee agrees to establish a record-keeping system conforming to such requirements as are prescribed by Franchisor in its Operations Manual from time to time. Such record-keeping system shall include a complete record of all work performed in connection with the Franchised Business, including copies of all estimates, proposals, and contracts, and a complete listing of all work performed by any subcontractors or employees engaged by Franchisee, including copies of all contracts, invoices or statements. Franchisee agrees to make such records available for inspection and/or copying by Franchisor or its authorized representatives during regular business hours in order to determine whether Franchisee has complied with the record-keeping provisions of this Agreement.

14.3 Financial Reports and Inspections. Franchisee agrees to submit to Franchisor the following in a manner as designated by Franchisor:

14.3.1 Daily Reports. Franchisee agrees to submit, at the end of each business day, in the form or manner designated by Franchisor, all data and information regarding contacts, leads (work orders), estimates, jobs booked and jobs completed, and containing the Gross Sales generated by the Franchised Business during that business day and such other information about the Franchised Business as requested by the Franchisor. Unless otherwise designated by Franchisor, daily submissions shall be made through Franchisor's Custom Software.

14.3.2 Monthly Profit and Loss Reports. Franchisee must (a) update and complete a financial reconciliation on Franchisor's prescribed accounting software by the 15th of each month (for the preceding month), and (b) send Franchisor an accurate Profit and Loss statement in the form specified by Franchisor and including these monthly financial accounts ("Monthly P&L Statements") within ten (10) days of receiving notice from Franchisor. Failure to send complete and accurate Monthly P&L Statements to the Franchisor within 10 days of any request will be deemed a Default of the Franchise Agreement. In the event of such a Default, (a) Franchisee shall pay a penalty fee of \$500, (b) Franchisor shall have the right to enroll Franchisee, at the Franchisee's sole cost, in an outside Bookkeeping and/or accounting service in order to

properly obtain and maintain accurate financial records, and (c) Franchisor may take any other action permitted pursuant to Section 19 of the Franchise Agreement. If, in Franchisor's opinion, Franchisee demonstrates operational or financial difficulties, Franchisor may require Franchisee to prepare and provide an unaudited balance sheet at the same time and in the same manner as the Monthly P&L Statements.

14.3.3 Annual Reports. Franchisee shall provide unaudited annual profit and loss statements and balance sheets prepared in accordance with generally accepted accounting principles that follow Franchisor's standard chart of accounts to Franchisor within thirty (30) days following the end of the Franchisee's fiscal year ("Annual Reports"). Franchisor reserves the right to modify the reporting periods and other characteristics of the Annual Reports from time to time upon written notice to Franchisee. Franchisee's fiscal years must end on December 31st of each year. Failure to send complete and accurate Annual Reports to Franchisor at the time or in the manner prescribed by Franchisor, including, without limitation, Franchisee's failure to prepare the Annual Reports in accordance with GAAP principles, or failure to submit the Annual Reports by January 31st, will be deemed a Default of the Franchise Agreement. In the event of such a Default, (a) Franchisee shall pay a penalty fee of \$1,000, (b) Franchisor shall have the right to enroll Franchisee, at the Franchisee's sole cost, in an outside Bookkeeping and/or accounting service in order to properly obtain and maintain accurate financial records, and (c) Franchisor may take any other action permitted pursuant to Section 19 of the Franchise Agreement.

14.3.4 Tax Returns. Franchisee agrees to provide a true copy of all state, federal, and local income tax returns, together with all accompanying schedules, filed by Franchisee, which shall be provided within thirty (30) days after such tax returns are due to the respective state, federal, and local taxing authorities. If Franchisee or an affiliate of Franchisee owns any additional businesses that perform any services related to home improvement, contracting, home inspections, or any other services that Franchisor reasonably believes could overlap with the services provided by the Franchised Business, Franchisee agrees to provide any tax returns for any such businesses within ten (10) days of Franchisor's request. Franchisee further agrees to execute any IRS or related forms that are necessary to provide Franchisor with access to the tax returns described in this Section. If Franchisee fails to provide a true copy of all annual state, federal and local income tax returns, together with all accompanying schedules by September 30th of any year, regardless of any extensions granted by any state, federal or local tax authority, they will be deemed to be in Default of the Franchise Agreement and be subject to a penalty fee of \$100 per day the full tax documentation is not received by the corporate office.

14.3.5 Inspection and Audit of Books and Operations. Franchisee agrees to permit Franchisor and its agents and representatives to inspect Franchisee's records, premises, related activities, and method of operations from time to time during regular business hours, without advance notice, and to contact Franchisee's vendors, suppliers and third-party contractors in order to determine that Franchisee is in compliance with the quality control and reporting provisions of this Agreement and the Operations Manual. Franchisee agrees that Franchisor shall have the right to inspect hard copy and electronic files and data, to obtain copies of such files and data, and to interview Franchisee and Franchised Business employees, craftsmen, customers, third-party contractors, suppliers and vendors. If Franchisee does not provide any and all records, files, data or other materials necessary to effectuate the purpose of this Section 14.3.5 to Franchisor upon request, such failure shall be deemed a Default of the Franchise Agreement. Franchisee agrees to meet at Franchisor's principal place of business or other locations designated by Franchisor, for the purpose of discussing and reviewing Franchised Business operations, financial performance and other matters. If Franchisor, in its sole discretion, determines it is necessary or advisable to perform an on-site review of Franchisee's books, records and/or operations, whether or not the Franchisee has requested such visit, Franchisor shall be entitled to collect all costs actually incurred by Franchisor and its

representatives in connection with such visit, including, without limitation, the cost of airfare, hotel, food and other travel costs.

14.3.6 Fee Adjustment for Underpayment. In the event that any such examination, audit or inspection discloses that Franchisee has not paid or has underpaid Franchisor any amounts that Franchisor is entitled to receive under this Agreement, Franchisor is entitled to debit your account immediately for the corresponding unpaid amounts. If sufficient funds are not available in Franchisee's bank account at this time, Franchisee agrees to pay to Franchisor, within ten (10) days after receipt of written notice, any such unpaid amount plus interest on the unpaid amount at a rate of one and one-half percent per month (18% per annum) or the maximum rate permitted by law, whichever is less, from and after the date Franchisor notifies Franchisee of such underpayment.

Franchisee acknowledges and agrees that if any such examination or audit discloses an understatement of Franchisee's Gross Sales or a variance of two percent (2%) or more from the data reported to Franchisor regarding any item which is a component of the computation of fees due to Franchisor, then Franchisee shall reimburse Franchisor for all costs incurred in conducting such audit, examination, or inspection. Furthermore, if any such examination or audit discloses an understatement of Franchisee's Gross Sales or a variance of two percent (2%) or more from the data reported to Franchisor regarding any item which is a component of the computation of fees due to Franchisor, then, in addition to any other right it may have, Franchisor may conduct such further periodic audits and/or examinations of Franchisee's books and records as Franchisor reasonably deems necessary for up to two years thereafter and such further audits, inspections or examinations shall be at Franchisee's sole expense, including without limitation, professional fees, travel, and room and board expenses directly related thereto. Furthermore, Franchisee acknowledges and agrees that if Franchisee understates or underreports Gross Sales, or if a subsequent audit or examination conducted within the two-year period discloses any understatement or variance of two percent (2%) or more, then, in addition to any other remedies provided for in this Agreement, at law or in equity, Franchisor shall have the right to terminate this Agreement immediately. If Franchisee is terminated at least in part as a result of underreporting Gross Sales, Franchisee will be required to pay the current Calendar Year's Minimum Royalty Fee as set forth in Section 20.9 as though the Franchisee has caused the Termination of this Agreement.

In order to verify the information supplied by Franchisee, Franchisee acknowledges and agrees that Franchisor may reconstruct Franchisee's Gross Sale through any reasonable method of analysis and reconstruction. Franchisee agrees to accept any such reconstruction of Gross Sales unless Franchisee provides evidence in a form satisfactory to Franchisor of Franchisee's Gross Sales within 14 days from the date of notice of understatement or variance.

14.3.7 Credit and Trade References. Franchisee hereby authorizes Franchisor to make inquiries of Franchisee's bankers, suppliers, and other trade creditors as to their dealings with Franchisee in regard to the Franchised Business, to discuss the affairs, finances, and accounts of the Franchised Business. By execution hereof, Franchisee authorizes and directs such bankers, suppliers, and other trade creditors to discuss with Franchisor the affairs, finances and accounts of the Franchised Business, and to provide information and copies of invoices relating to sales or other dealings with such persons in any way relating to the Franchised Business. Franchisee agrees, upon the request of Franchisor, to execute and deliver such documents as may be required to permit such banks, suppliers, or other trade creditors to release or disclose any such information and documents to Franchisor.

15. INSURANCE

15.1 **Types of Insurance.** Franchisee agrees, at its sole cost and expense, to obtain and maintain in full force and effect throughout the Term of this Agreement, such types and amounts of insurance as are set forth in the Operations Manual or SOP, from insurance carriers that maintain an AM Best rating of “A” or better. The parties acknowledge that current requirements include the following:

15.1.1 **Workers’ Compensation Insurance.** Workers’ compensation policy in such form and amount as prescribed by Franchisor from time to time, but in no event shall such insurance be in a form and for such lesser amounts as may be required by laws of the state(s) which has jurisdiction over the Franchised Business. - \$1,000,000 policy limit for each bodily injury by disease
- \$1,000,000 each employee for bodily injury by disease

In addition, to the extent applicable law allows, Franchisor requires that all workers’ compensation policies contain a “Waiver of Subrogation” clause in favor of Franchisee and Franchisor. Franchisee shall not hold themselves out as Franchisor’s affiliate’s agent, legal representative, partner, subsidiary, joint venture or employee and Franchisee will indemnify Franchisor for any liability arising from any labor or employment law violations.

In “Monopolistic States” (Ohio, North Dakota, Washington and Wyoming), employers’ liability (sometimes referred to as “Stop Gap”) coverage must be purchased separately or added to the general liability insurance. It is expressly agreed and understood that the insurance afforded the additional insured(s) shall be primary insurance and that any other insurance carried by Franchisor shall be excess of all other insurance carried by Franchisee and shall not contribute with Franchisee’s insurance.

15.1.4 **Employee Dishonesty Insurance.** Employee dishonesty insurance with minimum limits of \$5,000 per loss, including coverage for theft against third parties.

15.1.5 Umbrella Liability Insurance. Umbrella liability insurance with a limit of at least \$1,000,000 per occurrence and in the aggregate and shall apply over the general liability, automobile liability, and employer's liability policies as required above.

All policies shall be renewed annually through the Term of this Agreement and Franchisee shall cause a renewal Certificate of Insurance for each required coverage to be mailed or e-mailed to Franchisor prior to the expiration of such coverage.

15.3 Insurance Requirements as Minimums. Franchisee understands and acknowledges that preceding amounts of coverage are minimum amounts that may be increased throughout the Term of the Agreement by modification to the Operations Manual and/or SOP and do not represent a recommendation by Franchisor as to the amount of insurance coverage Franchisee should maintain for the Franchised Business. If any changes are made to the amounts of insurance through the Operations Manual and/or the SOP, Franchisee agrees to make such changes within thirty (30) days of such notice. Franchisee further acknowledges and understands that it is Franchisee's sole responsibility to determine the proper insurance coverage that is appropriate to protect Franchisee's interest and that Franchisee should seek the advice of an independent insurance broker to assist Franchisee in making an informed determination. Franchisee also agrees that no deductible under any one insurance policy will be greater than \$5,000, except that Franchisee may have a deductible of up to \$10,000 on Franchisee's excess liability insurance described in Section 15.1.5 above.

15.4 Placement of Insurance by Franchisor. If Franchisee fails to take out or keep in force any insurance required by Section 15.1 above or should any such insurance not be as required in Section 15.1 above, Franchisor may, in its sole discretion, without assuming any obligation in connection therewith, purchase such insurance and charge the cost to Franchisee. Franchisee agrees to immediately reimburse Franchisor for all costs incurred by Franchisor in connection with the placement of such insurance.

15.5 Third-Party Subcontractors Insurance. Franchisee agrees not to permit any third-party subcontractor to perform any work or offer any service on behalf of Franchisee in regard to the Franchised Business unless such subcontractor maintains insurance coverage in such amounts and types as Franchisee is required to maintain under this Section 15 and such insurance names Franchisor as an additional insured, or otherwise has the required insurance coverage through Franchisee's insurance policies. Franchisee agrees to maintain evidence of such insurance by its subcontractors and to provide such proof of insurance as Franchisor may require, in its sole discretion, from time to time.

16. RELATIONSHIP OF THE PARTIES; INDEMNIFICATION

16.1 Independent Contractor Status. Franchisee acknowledges and agrees that Franchisee is an independent contractor responsible for full control over the management and daily operations of the Franchised Business and that neither party to this Agreement is the agent, principal, employee, partner, employer or joint venturer of the other party. All letterhead, business cards, advertisements, contractual agreements of the Franchised Business shall conspicuously designate the Franchised Business as independently owned and operated. Franchisee shall have the sole authority and control over (a) the day to day operations of the Franchised Business, and (b) its employees and subcontractors. Franchisor is not a joint employer of Franchisee's employees or subcontractors. Neither this Agreement, nor Franchisor's

course of conduct, should be interpreted to state or imply that Franchisor is the employer of Franchisee's employees and/or independent contractors.

16.2 No Liability. Franchisee acknowledges and agrees that nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on Franchisor's behalf or to incur any debt or other obligations in Franchisor's name. Franchisee further agrees that Franchisor is not responsible or otherwise liable for any injury, loss or damage resulting from, occasioned, or suffered by any person or persons or to any property because of any services provided or products sold by it to Franchisee. Franchisee further agrees that Franchisor is not liable for any direct, incidental, or consequential damages, including, but not limited to, lost profits, lost savings, lost revenue, or consequential, punitive, or incidental damages arising out of or in any way connected to a technology-related problem such as e-mail, software, mobile platform, website, estimating software, or from a call center,

16.3 Indemnification. Franchisee and Franchisee's principals agree to indemnify, defend and hold Franchisor, Franchisor's affiliates and their respective shareholders, directors, officers, employees, agents, successors and assignees ("Indemnitees") harmless against and to reimburse them for all claims, demands, suits, obligations, liabilities and damages ("Claims"), including any and all taxes, directly or indirectly arising out of, in whole or in part: (a) the operation of the Franchised Business, including the use, condition, or operation of the Franchised Business Premises, the sale of any services by Franchisee and Franchisee's advertising; (b) the use of the Proprietary Marks and other Proprietary materials; (c) the Transfer of any interest in this Agreement or the Franchised Business; (d) from any act, omission, debt or any other obligation of Franchisee; (e) the infringement, alleged infringement, or any other violation or alleged violation by Franchisee or any of Franchisee's principals of any patent, mark or copyright or other proprietary right owned or controlled by third parties; (f) libel, slander or any other form of defamation of Franchisor, the System or any franchisee operating under the System, by Franchisee or by any of Franchisee's principals; (g) any liability arising from Franchisee's labor or employment law violations; or (h) any data theft or cybersecurity issues with regards to any customer information used in connection with the Franchised Business. For purposes of this indemnification, "Claims" shall mean and include all obligations, actual, consequential, punitive and other damages, and costs reasonably incurred in the defense of any action, including attorneys' and expert witness fees, costs of investigation, court costs, other litigation expenses, and travel and living expenses, whether or not such Claims exceed the amount of insurance coverage available through Franchisee to Franchisor. Franchisor shall have the right to defend any such Claim against it in such manner as Franchisor deems appropriate or desirable in Franchisor's sole discretion. Such an undertaking by Franchisor shall, in no manner or form, diminish Franchisee's and each of Franchisee's principals' obligations to indemnify the Indemnitees and to hold them harmless. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration, transfer or termination of this Agreement.

17. SECURITY TO FRANCHISOR

17.1 Security Agreement. Franchisee agrees, in order to secure payment and performance of any and all obligations from time to time owing by Franchisee to Franchisor, to provide, at the request of Franchisor, a security interest or interests by a security agreement, in such form as is provided by Franchisor, in such inventory, equipment, personal property, tangible and intangible and other assets of the Franchised Business all proceeds and accounts of the Franchised Business ("Collateral") and in such amount or amounts and upon such terms as Franchisor, in its absolute discretion, shall require. Any failure to provide such security within ten (10) days following the receipt by Franchisee of the written request specifying the nature and extent of such security required, shall be deemed to be a material default under this Agreement.

If Franchisee receives financing through the SBA, the SBA shall be granted a lien on the business assets of Franchisee as required in the SBA's loan authorization. In such cases, the SBA's lien shall terminate upon the earlier of: (i) the loan being repaid in full; or (ii) if the SBA no longer has any interest in the loan.

17.2 First in Priority. Franchisee warrants and agrees that the security granted to the Franchisor in this Section shall have priority over any other security interest in the Collateral and the Collateral is otherwise unencumbered, except for any security interest granted to a third party in connection with the original financing of the Franchised Business. Franchisee expressly agrees that Franchisor's security interest will take priority over any security interest granted to a third party in connection with the transfer or resale of the Franchised Business.

17.3 Secured Party. Franchisee acknowledges and agrees that Franchisor shall have all rights and remedies of a secured party under the Uniform Commercial Code (UCC) or the like of any state in which the Franchised Business is located, including the right to take possession of the Collateral. If requested by Franchisor, Franchisee agrees to execute and deliver to Franchisor financing statements and/or such other documents to perfect Franchisor's interest in the Collateral within ten (10) days of Franchisee's receipt of such documents from Franchisor.

17.4 Other Agreement. Franchisee agrees to execute or cause to be executed such other guaranties or instruments as Franchisor may require from time to time to secure the payment and performance of any and all obligations from time to time owing by Franchisee to Franchisor including a personal guaranty in the form attached hereto as Exhibit C.

18. SALE, ASSIGNMENT, TRANSFER AND ENCUMBRANCES

18.1 Transfer. Franchisee acknowledges and agrees that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted to Franchisee the rights and license contained herein in reliance of Franchisee's business skills and financial capacity, and if Franchisee is a corporation or limited liability company, then in reliance upon the owner's business skills and financial capacity. Accordingly, Franchisee agrees not to sell, assign, sub-franchise, transfer, convey, give away, pledge, mortgage, lease or otherwise encumber any interest in this Agreement ("Transfer") without the prior written consent of Franchisor. Franchisee acknowledges and agrees that any purported assignment or Transfer, by operation of law or otherwise, without the prior written consent of Franchisor, shall be null and void and shall constitute a material breach of this Agreement.

18.2 Conditions for Transfer. Franchisee acknowledges and agrees that Franchisor may condition its approval of any proposed Transfer of the Franchised Business or the license granted under this Agreement upon the satisfaction of the following:

18.2.1 All of Franchisee's accrued monetary obligations to Franchisor, Franchisor's affiliates, and System Suppliers and all other outstanding obligations related to the Franchised Business have been satisfied, including payment of any Minimum Royalty Fees due pursuant to Section 3.3; provided, however, that the amount of the Minimum Royalty Fee due will be determined on a pro rata basis based on the number of months or portion of a month during which the Franchised Business operated for the Calendar Year in which the transfer is finalized;

18.2.2 Franchisee must cure all existing defaults under the Agreement, or any other agreements between Franchisee and Franchisor, Franchisor's affiliates and System Suppliers within the cure periods and have substantially complied with such agreements during their respective terms;

18.2.3 Franchisee and Franchisee's principals, and the transferee must execute a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor, Franchisor's affiliates, and officers, directors, shareholders and employees, in their corporate and individual capacities;

18.2.4 As a condition of Franchisor's approval of transfer, Franchisee or transferee must provide Franchisor a copy of the executed purchase agreement relating to the proposed Transfer with all supporting documents and schedules, and Franchisor must approve of such purchase agreement prior to execution, including but not limited to Franchisee's and proposed transferee's framework for addressing warranty claims;

18.2.5 The transferee shall demonstrate to Franchisor's satisfaction that he or she meets Franchisor's educational, managerial and business standards; possesses good moral character, business reputation and credit rating; has the aptitude, skills, and ability to conduct the business to be transferred; and has adequate financial resources, capabilities and capital, and does not own, maintain, engage in, be employed by, be a creditor of, or have any interest in any other business offering services and/or products similar to those offered under the System, except that the transferee may be an existing Handyman Connection franchisee; and Franchisee must pay the current fee set by Franchisor for any background checks, and personality profile tests (e.g., Caliper) for the proposed transferee;

18.2.6 Franchisee or transferee shall pay all third party broker fees and shall pay to Franchisor the then-current transfer fee (with such fees paid prior to or contemporaneously with the execution of the franchise agreement described in Section 18.2.7), and otherwise comply with the terms of Franchisor's transfer policy then in effect and if Franchisor, or Franchisor's representatives, locate the potential buyer, Franchisee understands and agrees that additional fees will apply, including the payment of Franchisor's representative and paying Franchisor its current re-sale fees;

18.2.7 Transferee must execute Franchisor's then-current form of franchise agreement and thereafter satisfactorily complete Franchisor's training program at transferee's expense within the time frame Franchisor sets; provided, however, Franchisor reserves the right to revoke its consent to any Transfer if the transferee does not meet all training requirements;

18.2.8 Franchisee and Franchisee's principals if Franchisee is a business entity, and the members of their respective families who have been involved in the operation of the Franchised Business, must agree in writing to comply with the post termination provisions of this Agreement, including but not limited to, covenants, restrictions and agreements to be performed or observed by Franchisee in accordance with Sections 10, 11 and 12 of this Agreement and that such Sections survive the Transfer;

18.2.9 Transferee must obtain, with the time limits set by Franchisor, and maintain thereafter all permits and licenses required for the operation of the Franchised Business, which includes the purchase of a new software license in the event that Franchisee does not transfer the entirety of Franchisee's Franchised Business to the transferee;

18.2.10 Franchisor shall have right to disclose to any proposed transferee revenue or sales reports and other financial information concerning Franchisee and the Franchised Business as supplied by

Franchisee to Franchisor, and Franchisee further expressly consents to and further agrees that Franchisor and Franchisor's representatives can (but are not obligated to) discuss with Franchisee and/or the proposed transferee all matters related to any transfer and/or proposed transfer at any time without liability (including Franchisor's opinion regarding the terms of sale, performance of the Franchise Business, term remaining on this Agreement, etc.);

18.2.11 In Franchisor's opinion, the purchase price and terms of the proposed Transfer are not so burdensome to the prospective transferee as to impair or materially threaten its future operation of the Franchised Business and performance under its franchise agreement;

18.2.12 Either Franchisee or the prospective transferee agrees to assume all responsibility for any warranty work. It is agreed that it shall be at Franchisor's option to determine whether the Franchisee or the prospective transferee shall have primary responsibility for any warranty work; provided, however, if neither the prospective transferee nor Franchisee performs the warranty work within fourteen (14) days of notice of the need for such warranty work to be performed, then Franchisor shall have the right to perform such warranty work and charge either Franchisee or the prospective transferee the cost to perform such warranty work plus Franchisor's then-current administration fee;

18.2.13 Franchisor has the right, in its sole discretion, to change the name of the Territory, and alter or amend the zip codes in the Territory that may be transferred to a new buyer, including a reduction in the size of the Territory by removing certain zip codes; and

18.2.14 In any event, Franchisor may withhold or condition Franchisor's consent to any Transfer as Franchisor deems appropriate based on the circumstances of the Transfer or otherwise; provided, however, that Franchisor shall not unreasonably withhold, delay, or condition its consent to a Transfer by Franchisee.

18.3 **Transfer of Assets.** Franchisee acknowledges and agrees that a sale or transfer of all or substantially all of the assets of Franchised Business or the sale of the Franchised Business not in the ordinary course of business shall be deemed a Transfer and such Transfer shall be subject to the provisions in this Section 18.

18.4 **Sale of Share or Other Interest in Franchised Business.** If Franchisee is a corporation, partnership, limited liability or other business entity, Franchisee agrees that any transfer of ownership or control whatsoever, shall be deemed to be Transfer of this Agreement and shall be subject to all of the provisions of this Section 18. Franchisee agrees to provide, upon Franchisor's request, a certificate certifying the then current shareholders, directors, officers, members, or partners, as the case may be, of the Franchised Business. Franchisee further agrees that it will cause the share certificates, articles of incorporation or organization, partnership or operating agreement and other documents of ownership to have typed or written a legend stating that such shares, documents of title, or ownership interests are subject to this Agreement and the restrictions on Transfer contained herein.

18.5 **Assignment to Controlled Entity.** If Franchisee is an individual or sole proprietorship, Franchisee may, at any time after providing Franchisor with thirty (30) days written notice, Transfer all of the Franchisee's right and obligations under this Agreement to a corporation or limited liability entity without any applicable transfer fee or any grants of first right of refusal to Franchisor, provided that such Transfer is in compliance with this Section 18.5, and further provided that Franchisee is and throughout the Term of this Agreement remains a principal executive officer of the entity and the beneficial and registered owner

of not less than fifty-one percent (51%) of the issued and outstanding voting shares or ownership interests of such entity and that Franchisee agrees to:

18.5.1 cause the corporation or limited liability entity and its directors, officers, shareholders, and members to acknowledge and ratify this Agreement, to agree in writing to be bound by all the provisions hereof, and to execute such form of agreement as may be specified by Franchisor relating to the assumption by such entity of all rights and obligations under this Agreement;

18.5.2 cause the share certificates, articles of incorporation or organization, partnership or operating agreement or other documents of ownership to have typed or written a legend stating that the business entity is formed or organized solely for the purpose of operating a Handyman Connection franchised business and that such shares, documents of title, or ownership interests are subject to this Agreement and the restrictions on Transfer contained herein;

18.5.3 cause the corporation or limited liability entity to restrict the issuance of and its directors, members or shareholders to restrict the transfer of shares or interests of the entity so that Franchisee shall continuously own fifty-one percent (51%) of the issued and outstanding shares or interests and cause the entity to keep Franchisor current as to the names and addresses of the directors, shareholders, members of and those persons financially involved in the corporation or limited liability entity;

18.5.4 pay to Franchisor all reasonable legal costs and expenses and other fees and charges incurred by Franchisor in connection with such assignment and the preparation, execution and filing of any of the documents referred to in this Section 18.5;

18.5.5 satisfy all accrued monetary obligations of Franchisee to Franchisor and any government authority, prior to Transfer;

18.5.6 cause the corporation or limited liability entity and all shareholders or members of the transferee entity to enter into a written assignment and assumption of liability agreement, in a form satisfactory to Franchisor, with the transferee entity assuming all Franchisee's obligations hereunder;

18.5.7 cause all shareholders or members to enter into a written agreement, in a form satisfactory to Franchisor, jointly and severally guaranteeing the full payment and performance of the transferee entity's obligations to Franchisor; and

18.5.8 ensure that no new shares of common or preferred voting stock or membership interests in the corporation or limited liability entity shall be issued to any person, persons, partnerships, associations, or corporations without obtaining Franchisor's prior consent.

18.6 Right of First Refusal. Franchisee agrees that any person or entity holding any interest in the Franchised Business and who desires to accept a bona fide offer from a third party to purchase or otherwise Transfer such interest in the Franchised Business shall notify Franchisor in writing of each such offer, provide Franchisor with name and address of the third party and a copy of the sales agreement. Franchisor shall have the right and option, exercisable within thirty (30) days after receipt of such written notification, to send written notice to the seller that Franchisor or its nominee intends to purchase such seller's interest on the same terms and conditions offered by the third party. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by Franchisor or its nominee as in the case of an initial offer. Franchisee acknowledges and agrees that the failure of Franchisor

to exercise the option afforded by this Section 18.6 shall not constitute a waiver of any other provisions of this Agreement, including the requirement of this Section 18 with respect to the purposed Transfer. Notwithstanding the foregoing, Franchisor will not exercise its right of first refusal under this Section 18.6 if exercising such right would result in Franchisor becoming a partial owner of the Franchised Business.

18.7 Effect of Consent to Transfer. Franchisee acknowledges and agrees that Franchisor's consent to a Transfer is not a waiver of any claims Franchisor may have against Franchisee, and Franchisee is not relieved of any obligations to Franchisor, including any defaults by any transferee. In all cases, Franchisee's obligations under Section 20 will survive any Transfer or attempted Transfer of this Agreement. It is further agreed that Franchisor will not have any liability to Franchisee or any proposed or actual transferee as a result of or in connection with Franchisor's examination and/or possible consent or withholding of consent to any Transfer or proposed Transfer, or Franchisor's exercise of any rights under this Agreement. Franchisee agrees to indemnify and hold Franchisor harmless from any liability to Franchisee, the proposed transferee or otherwise related to or in connection with any actual or proposed Transfer.

18.8 Assignment by Franchisor. Franchisee acknowledges and agrees that Franchisor may, at any time, sell, transfer, or assign its interest in this Agreement. In the event of such a sale, transfer or assignment by Franchisor of this Agreement or any interest therein, to the extent that the purchaser, transferee or assignee shall assume the covenants and obligations of Franchisor under this Agreement, Franchisor shall thereupon and without further agreement, be freed and relieved of all liability with respect to such covenants and obligations. The consent of Franchisee to such sale, transfer or assignment shall not be required and, notwithstanding any such sale, transfer or assignment, Franchisee shall continue to be fully bound by this Agreement.

18.9 Death or Permanent Disability of Franchisee.

18.9.1 If Franchisee, or the person with a controlling interest in the franchise, dies or is permanently disabled, then Franchisee's interest in this Agreement may be transferred to a third party subject to the provisions of this Section 18.

18.9.2 Any Transfer under this Section shall be completed within ninety (90) days from the date of death or permanent disability. If such Transfer does not occur within the ninety-day time period, the Agreement and all rights and licenses granted hereunder will automatically terminate.

18.9.3 "Permanent disability" shall be determined by two (2) licensed practicing physicians. One licensed practicing physician will be selected by Franchisor while the second licensed practicing physician will be selected by Franchisee. If these two (2) licensed practicing physicians cannot agree on whether a permanent disability exists, they shall jointly appoint a third licensed practicing physician whose expert opinion shall be controlling. In addition, a permanent disability may be found if Franchisee or the person with a controlling interest in the franchise is unable to personally or actively participate, on a full time basis, during normal business hours, in the management of Franchised Business for ninety (90) consecutive days ("Period of Disability"). The Period of Disability shall be deemed to commence on the first day that Franchisee or the person with a controlling interest does not attend to the business of the Franchised Business on a full time basis. Unless and until Franchisee or the person with the controlling interest shall have returned to attending to the business of the Franchised Business on a full time basis for twenty (20) consecutive business days, the Period of Disability shall be deemed to have continued without interruption.

18.9.4 Franchisor is under no obligation to operate the Franchised Business, or incur any obligation on behalf of any disabled Franchisee during or after the Period of Disability. If necessary, Franchisee (or Franchisee's legal representative) shall appoint an acting interim manager, subject to Franchisor's approval, to operate the Franchised Business on Franchisee's behalf and at Franchisee's expense during the Period of Disability. The interim manager will be deemed to be an employee of Franchisee.

19. BREACH AND TERMINATION

19.1 **Termination of Rights.** Franchisee acknowledges and agrees that upon termination of this Agreement for any reason whatsoever or upon its expiration, all of the rights and licenses granted to Franchisee hereunder shall terminate and have no further force or effect.

19.2 **Automatic Termination.** This Agreement shall automatically terminate without notice or an opportunity to cure upon the occurrence of any of the following:

19.2.1 **Voluntary Bankruptcy.** If Franchisee is or becomes insolvent, makes an assignment for the benefit of creditors, files or threatens to file a voluntary petition in bankruptcy, is adjudicated bankrupt or insolvent, files or acquiesces in the filing of a petition seeking reorganization or arrangement under any federal or state bankruptcy or insolvency law, or consents to or acquiesces in the appointment of a trustee or receiver for Franchisee or the Franchised Business.

19.2.2 **Involuntary Bankruptcy.** If proceedings are commenced to have Franchisee adjudicated bankrupt or to seek Franchisee's reorganization under any state or federal bankruptcy or insolvency law, and such proceedings are not dismissed within sixty (60) days, or a trustee or receiver is appointed for Franchisee or the Franchised Business without Franchisee's consent, and the appointment is not vacated within 60 days.

19.3 Termination by Franchisor

19.3.1 **Franchisor's Option to Rescind.** Franchisee acknowledges and agrees that Franchisor may, before the completion of Initial Training, in its sole and absolute discretion, rescind this Agreement. If Franchisee was a re-sale, and Franchisor chooses to rescind the Agreement, no amount of money will be given to the Franchisee from the Franchisor. Upon rescission, all the rights and licenses granted to Franchisee hereunder shall terminate. Notwithstanding, Franchisee acknowledges and agrees that he or she shall remain bound, even after rescission of this Agreement, to those obligations contained in Sections 10 and 12.

19.3.2 **Franchisor's Option to Terminate.** Franchisee acknowledges and agrees that if Franchisee has not commenced operation of the Franchised Business under this Agreement within 120 days of the signing of this Agreement or if Franchisee does not successfully complete the Initial Training, or if Franchisee does not obtain the proper permits and licenses to operate the Franchised Business, Franchisor has the option to terminate this Agreement and the licenses granted hereunder, by giving Franchisee 20 days written notice of its intent to terminate. If Franchisee does not cure the default and commence operation of the Franchised Business before the expiration of the twenty-day time period, the Agreement and all licenses granted hereunder shall immediately terminate. Upon such termination, the parties agree to deliver to each other such releases and other instruments as Franchisor may reasonably require so as to fully terminate any and all agreements between the parties.

19.3.3 Termination with Opportunity to Cure. Franchisee acknowledges and agrees that Franchisor has the right to terminate this Agreement ten (10) days after giving Franchisee written notice (“Cure Period”), if any of the following defaults remain uncured after expiration of the Cure Period:

(a) If Franchisee fails to pay as and when due any amounts owed under this Agreement or under any promissory note with Franchisor.

(b) If Franchisee (i) fails to submit the Annual Reports, which shall include, without limitation, an unaudited profit and loss statement for the prior calendar year, on or before January 31st, or (ii) fails to submit any other reports required under this Agreement within 10 days of the date any such report is due.

(c) If Franchisee fails to maintain the prescribed hours of operation for the Franchised Business.

(d) If Franchisee fails to maintain the proper insurance, licenses, permits or certificate and other applicable authorizations for the Franchised Business.

(e) If Franchisee has failed to submit timely reports and/or remittances for any two (2) reporting periods within any 12-month period.

(f) If Franchisee fails to maintain the strict quality controls required under this Agreement or the Operations Manual and/or the SOP, or has six (6) or more material customer complaints for every one thousand (1,000) customers with respect to the Franchised Business in any twelve (12) month period, whether resolved or not resolved, or if Franchisee does not meet a minimum threshold of customer experience ratings as determined by the Franchisor’s current customer experience ratings (currently this is referred to as the Net Promoter Score (NPS)). Franchisor has the sole discretion to establish any minimum threshold of customer experience ratings, but Franchisor agrees to provide at least ninety (90) days prior notice to Franchisee (and such notice may be provided via e-mail or Franchisor’s intranet) prior to enforcing a particular level of customer experience ratings as provided in this Section.

(g) If Franchisee breaches any of the terms or conditions of this Agreement or fails to observe, perform or comply with any of the rules, bulletins, directives or other notices issued by Franchisor or set forth in the Operations Manual.

(h) If a final judgment is rendered in an amount in excess of \$10,000 by any court or tribunal against either Franchisee or any guarantor hereunder and such judgment shall not be satisfied, discharged, vacated or execution thereof stayed within twenty (20) days after entry thereof or within such time period as action must be taken in order to discharge, vacated or stay execution of the judgment, whichever shall be the earlier.

(i) If Franchisee fails to return the phone call of any officer, director, employee, or any other individual associated with Franchisor or Franchisor’s affiliates, within ten (10) days of said phone call.

(j) If Franchisee fails to meet Franchisor’s stated requirements, as provided in the SOP, regarding the capture of customer information, including valid, unique e-mail addresses.

(k) If Franchisee fails to purchase, install and maintain a vehicle wrap on their vehicle.

(l) If Franchisee fails to submit a true copy of all state, federal, and local income tax returns, together with all accompanying schedules, filed by Franchisee, which shall be provided within (30) days after such tax returns are due to the respective state, federal, and local taxing authorities. If Franchisee files any extension to any state, federal or local taxing authority, the Franchisee is still required to submit all paperwork accompanying such extension, and regardless of any extension requests, whether granted or not by such taxing authorities, all tax returns must be submitted to the Franchisor by September 30th of the year the such taxes were originally due.

19.3.4 Termination without Opportunity to Cure. Franchisee acknowledges and agrees that Franchisor may terminate this Agreement and all rights granted hereunder, without a right or opportunity to cure, upon written notice of termination, in the event of the following:

(a) If there are two (2) or more incidents of any breach within a twelve (12) month period whether cured or uncured for which Franchisor has provided notice and opportunity to cure, if applicable. The incidents of breach may be of the same violation or different violations of this Agreement, the Operations Manual, SOP or any other agreement between Franchisee and Franchisor.

(b) If any audit reveals that Franchisee has understated Franchisee's Royalty, BDF Contributions or other advertising payments by more than 2%.

(c) Franchisee makes a misrepresentation or omission of any material fact relevant to the decision of Franchisor to enter into this Agreement.

(d) Any Transfer or attempted Transfer that is without the consent of Franchisor or otherwise not in compliance with Section 18 of this Agreement;

(e) Subject to Section 18.9 of this Agreement, if Franchisee or the person with a controlling interest in Franchisee shall die or become permanently disabled.

(f) If Franchisee or any guarantor violates any of the in-term covenants not-to-compete, the covenants of non-disclosure, or covenants of confidentiality set forth in this Agreement.

(g) If Franchisee fails to meet the Minimum Performance Criteria, as defined in Section 9.2.

(h) If Franchisee commits, undertakes to, or otherwise becomes involved in fraudulent conduct in relation to its dealings with Franchisor.

(i) If Franchisee abandons the Franchised Business or fails to continuously and actively operate the Franchised Business for five (5) calendar days (unless caused by an act of God or other circumstance beyond Franchisee's control), ceases, threatens or takes actions to cease business or to liquidate the assets of the Franchised Business, or stops making payments in the ordinary course of business. Abandonment may include such conduct as failure to make updates in the Custom Software, or the failure to return phone calls to customers or Franchisor.

(j) If either Franchisee or any guarantor hereunder makes or attempts to make a general assignment for the benefit of creditors or a bulk sale of their assets, institutes or has instituted against either of them any proceeding relating to insolvency or bankruptcy, has a custodian, receiver or similar person appointed over all or part of the Franchised Business, or in the event any lessor, lien holder or other similar party takes possession of any of the assets or property of Franchisee or the Franchised Business, or if Franchisee or guarantor hereunder commits or suffers any default under any contract or lease pertaining to the Franchised Business.

(k) If Franchisee or any guarantor, hereunder is a corporation, partnership, limited liability company, trust, or other entity becomes in-active, winds-up, dissolves, liquidates, merges, or otherwise ceases to exist, whether voluntarily or involuntarily, or in the event of forfeiture or other loss of charter.

(l) If Franchisee is unwilling to, or does not comply with requests to submit to a background check, or if Franchisee or any guarantors hereunder are convicted of or plead no contest to a felony, any act of theft, fraud, or other offense involving moral turpitude, or any crime or offense that is likely to adversely affect the reputation of the Franchisee or any owner, the Franchisor, the Franchised Business, the System or the goodwill associated with the Proprietary Marks.

(m) If a levy or writ of attachment, judgment, or lien is placed against Franchisee or any of the guarantors hereunder, which is not released or bonded against in thirty (30) days, or if Franchisee or any guarantor hereunder becomes insolvent, or if Franchisee fails, within fifteen (15) calendar days after notice of non-compliance by federal, state, or local governmental authorities, to comply with any law or regulation applicable to the Franchised Business.

(n) If Franchisee or any of the guarantors hereunder fail to comply with the Anti-Terrorist obligation of this Agreement or any federal, state, or law of regarding the same.

(o) If Franchisee or Franchisee's owners, shareholders, members, or partners engage in any misconduct that unfavorably affects the reputation or goodwill or otherwise brings discredit on the Franchisor, the System, and/or Proprietary Marks or otherwise brings discredit on the entire franchise

organization, including, but not limited to, willful acts of dishonesty toward the Franchisor, property owners, insurers, and other third parties dealing with Franchisee, Franchisor or other franchisees.

(p) If Franchisee takes for Franchisee's own personal use any assets or property of the Franchised Business, including employee taxes, FICA, insurance or benefits.

(q) If Franchisee commits any default under any other agreement between Franchisee and Franchisor. Similarly, Franchisee acknowledges and agrees that any default under any other agreement or any other obligation between Franchisor and Franchisee is a default under this Agreement.

(u) If Franchisee is accused of harassment of any kind by any prospective customer, customer, employee, or subcontractor, Franchisor may, in its sole determination, terminate the Agreement without any opportunity to cure.

19.4 Additional Remedies. Franchisee expressly consents and agrees that that the remedies provided by this Agreement upon default, termination, and otherwise may not be adequate remedies to address the harm to Franchisor by default listed above; therefore, in addition to any other remedies Franchisor may have at law, Franchisor may obtain an injunction and/or appointment of a receiver of the Franchised Business to terminate or prevent the continuation of any existing default, or to prevent the occurrence of any threatened default by Franchisee of this Agreement.

19.5 Set-Off by Franchisor. Notwithstanding anything contained in this Agreement, upon Franchisee's failure to pay to Franchisor any amounts provided for herein when due, Franchisor shall have the right to deduct any and all such amounts remaining unpaid from any monies or credits held by Franchisor for the account of Franchisee.

19.6 Franchisor Right to Discontinue Supplying Items or Services Upon Default. Franchisee acknowledges and agrees that, upon Franchisee's default, Franchisor may stop selling or providing Franchisee goods or services until Franchisee has cured the default or Franchisor may require that Franchisee pay cash on delivery, pay in advance for goods and services, or pay by certified check. Franchisee acknowledges that no such action by Franchisor shall be deemed constructive termination of this Agreement, change in competitive circumstances, or similar characteristics, and Franchisee agrees that Franchisee shall not be relieved of any obligations under this Agreement because of this action.

19.7 Step in Rights. Franchisee acknowledges and agrees that in addition to Franchisor's right to terminate this Agreement, and not in lieu of such right or any other rights, Franchisor may have against Franchisee, upon failure to cure any default within the applicable time period (if any), Franchisor has the right, but not the obligation, to exercise complete authority with respect to the operations of the Franchised Business until such time as Franchisor determines, in Franchisor's sole discretion, that the default is cured, and Franchisee is otherwise in compliance with this Agreement. Franchisee agrees to reimburse Franchisor for all costs, expenses, and overhead, if any, incurred in connection with such Franchised Business operations. Franchisee further agrees to hold Franchisor harmless from any and against any fines, claims, suits, or proceedings, which may arise out of Franchisor's operation of the Franchised Business.

20. RIGHTS AND DUTIES UPON TERMINATION OR EXPIRATION

Upon expiration or termination of this Agreement, for whatever reason, Franchisee agrees to comply with the following:

20.1 Pay all Monies Owed. Within ten (10) days after such expiration or termination, pay to Franchisor all outstanding Royalty Fees, BDF Contributions, Advertising Cooperative fees, Software fees, technology fees, minimum performance fees, any and all amounts owed under this Agreement, and any other sums owed by Franchisee to Franchisor.

20.2 Discontinue Use of Marks and Confidential Information. Immediately discontinue the Franchised Business and the use of the Proprietary Marks, Confidential Information and any other proprietary rights licensed under this Agreement and other similar names or marks, or any other designations or marks associating or formerly associating Franchisee with Franchisor or the System, and any conduct that might tend to give the general public the impression that Franchisee is or was associated with Franchisor or the System, including all social media sites such as Facebook and LinkedIn.

20.3 De-identification. Promptly execute such instruments or take such actions as may be necessary to discontinue Franchisee's use of any fictitious business name containing any of the Proprietary Marks and to remove Franchisee's listing as a Handyman Connection franchise from all telephone or internet directory or trade or business directories or other media listings. Within ten (10) days after such expiration or termination, make available to Franchisor for inspection all vehicles and equipment for the purpose of allowing Franchisor to confirm the removal of all identification with respect to the System and the Proprietary Marks. If Franchisee fails to de-identify the Franchised Business and any wrapped vehicle bearing Franchisor's Proprietary Marks within ten (10) days after such expiration or termination, Franchisor may take all actions Franchisor deems necessary to de-identify the Franchised Business and any wrapped vehicle, and Franchisee shall immediately reimburse Franchisor for 150% of the cost thereof. Franchisee expressly acknowledges and agrees that Franchisor shall have the right to deduct the amounts payable set forth in this Section 20.3 via the EFT Program. Payment of this amount shall be in addition to all other amounts due and payable in connection with the termination or expiration of this Agreement, including any attorneys' fees and other costs and expenses to which Franchisor is entitled under the terms of this Agreement. Franchisee's payment of this amount shall not affect Franchisor's right to obtain appropriate injunctive relief and remedies to enforce this Section 20 and the covenants set forth in Section 12.

20.4 Return of Confidential Information. Within ten (10) days after of such termination or expiration Franchisee agrees to deliver to Franchisor all copies of the Operations Manual, forms, software, including but limited to, custom or proprietary software or other software owned or developed by Franchisor and any copies thereof, signage, and Customer Data, and any other Confidential Information.

20.5 Assignment of Telephone Numbers, URLs, Domain Names, Website Addresses, Email Addresses, and other forms of Telecommunication and Listings. Within ten (10) days after such expiration or termination, take all actions and execute all instruments that may be necessary to assign all telephone numbers, URLs, web site addresses, domain names, email addresses, and other forms of telecommunications and listings used in connection with the Franchised Business to Franchisor or any other party designated by Franchisor, or at Franchisor's option to cancel or redirect to another number or address such telephone numbers, addresses, or listings.

20.6 Power of Attorney. Franchisee hereby irrevocably appoints Franchisor as Franchisee's attorney-in-fact to execute in Franchisee's name and on Franchisee's behalf all documents necessary to discontinue Franchisee's use of the Proprietary Marks and the Confidential Information. Further, upon termination or expiration of this Agreement for any reason, Franchisor, may, in its sole discretion:

20.6.1 Enter Franchisee's premises to retrieve or destroy all computer programs supplied by Franchisor or containing Confidential Information, on any and all computers, owned, leased, rented or in any way operated for the benefit of the Franchised Business;

20.6.2 Direct all existing telephone numbers, URLs, domain names, emails, web sites, and any other forms of telecommunication that have been used in any way in the operation of, or association with the Franchised Business to be transferred, disconnected or referred to another number or address;

20.6.3 Retrieve the Operations Manual and any other proprietary material and software;

20.6.4 De-identify the premises at Franchisee's expense to the extent such de-identification has not been timely and completely performed by Franchisee.

20.7 Customer Obligations and Warranties. Franchisee agrees to fulfill all of the obligations to customers under all outstanding contracts and any warranties provided to customers of the Franchised Business, notwithstanding the expiration or termination of this Agreement. If Franchisee does not fulfill these obligations, Franchisor will provide notice to Franchisee and the Franchisee agrees, within fourteen days after notice, to pay to Franchisor the greater of two percent (2%) of Franchisee's total Gross Sales for the preceding twenty-four (24) months or \$15,000. The parties acknowledge that this is not a liquidated damages provision and relates only to the fulfillment of outstanding customer contracts and warranties. Upon Franchisor's conclusion that Franchisee has satisfied all of its obligations pursuant to this Section, Franchisor agrees to return such sum, after deducting any amounts expended to satisfy Franchisee's outstanding obligations. Franchisee acknowledges and agrees that the payment of the above amount to Franchisor shall not relieve Franchisee from its obligations to consumers and payment of such amount shall not operate to eliminate or otherwise alter Franchisee's duty to indemnify Franchisor as stated in Section 16.3 of this Agreement.

Franchisee further agrees that if such amount paid to Franchisor for customer obligations is found to be insufficient to cover the cost and expense of any one or all of Franchisee's customer obligations, then, upon demand by Franchisor, Franchisee shall immediately, but no later than ten (10) days after such demand, pay to Franchisor such additional amounts as may be needed to cover the cost and expense of such customer obligations.

20.8 Continuing Obligations. All obligations and rights which expressly or by their nature survive the Transfer, expiration or termination of this Agreement will continue in full force and effect until they are satisfied or by their nature expire, including but not limited to, indemnification, non-competition obligations, payment of amounts owed, and maintenance of confidentiality. If this Agreement is terminated because of default of Franchisee, Franchisee will not be released or discharged from Franchisee's obligations, including payment of all amounts then due and other amounts which would have become due under this Agreement if Franchisee had continued in operation as a Franchised Business for the full Term. Franchisor's remedies will include, but not limited to, the right to collect the present value of these amounts owed to Franchisor. Franchisee and the guarantors herein agree to sign a general release if Franchisor

chooses, in its sole discretion, to waive in whole or in part Franchisor's rights to collect any amounts that would have become due if Franchisee would have continued operation of the Franchised Business.

20.9 Minimum Royalty Due Upon Termination by Franchisee. In addition to all other obligations upon termination, and except as stated in Section 18.2, if Franchisee causes the termination of this Agreement in any manner, after the third Calendar Year, Franchisee agrees to pay the then-current calendar year's Minimum Royalty fee plus the following two Calendar Year's Minimum Royalty Fees, which is to be paid in full upon notice of termination. If Franchisee causes the termination of this Agreement in any manner prior to the completion of the third calendar year, Franchisee agrees to pay the Minimum Royalty Fee for the fourth and fifth full Calendar Year for each of the franchise territories purchased. In addition to the foregoing, if such termination occurs after May 1st of any Calendar Year, then Franchisee agrees to also pay an additional 25% of the Minimum Royalty Fee for the Calendar Year subsequent to the Calendar Year which served as the basis for determining payment above. In addition, if the Franchisee has not attended the Annual in-person Conference, in its entirety, for each of any of the three years prior to franchisee causing the termination of this Agreement, the Franchisee will owe an additional 50% of the sixth Calendar Years' Minimum Royalty Fee. Franchisee acknowledges and agrees that Franchisor's right to collect such amounts is in addition to any other rights and remedies available under this Agreement and applicable law. Franchisee agrees that the requirements in this Section 20.9 supersede the language in Section 20.8 above.

20.10 Execute a copy of our Current Release. Franchisee agrees that upon termination or expiration of this Agreement, that they will execute a copy of our current Release. Failure to comply with and execute a Release will not relieve the Franchisee of any of the post-termination obligations.

21. DISPUTE RESOLUTION

21.1 Internal Dispute Resolution and Mediation

21.1.1 Internal Dispute Resolution. Franchisee agrees that, subject to Section 21.1.2, all claims or disputes between Franchisee and Franchisor or its affiliates arising out of, or in any way related to, this Agreement, or any of the parties' respective rights and obligations arising out of this Agreement, shall be brought first to Franchisor's management. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.

21.1.2 Mediation. At Franchisor's option, all claims or disputes between Franchisee and Franchisor or its affiliates arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor or its affiliates, or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 21.1.1 above, must be submitted first to non-binding mediation, in either the city or county of Franchisor's Headquarters, or Chicago, IL, under the auspices of the American Arbitration Association ("AAA"), in accordance with the AAA's Commercial Mediation Rules then in effect. Before commencing any arbitration against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by

Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party shall bear its own cost of mediation and Franchisor and Franchisee shall share mediation costs equally. This agreement to mediate shall survive any termination or expiration of this Agreement.

Franchisee acknowledges and agrees that Franchisor shall not be required to first attempt internal dispute resolution as set forth in this Section 21.1 for any controversy, dispute, or claim regarding Franchisor's allegation that Franchisee is violating or threatening to violate or poses an imminent threat to violate:

- (a) any of Franchisor's federally protected intellectual property rights in the Proprietary Marks, the System or Franchisor's Confidential Information; or
- (b) any claims pertaining to or arising out of any warranty issued; or
- (c) any of the restrictive covenants contained in this Agreement.

21.2 Arbitration. If not resolved by mediation, Franchisee acknowledges and agrees that all disputes and claims relating to or arising out of this Agreement or any other agreement entered into between the parties, the rights and obligations of the parties, or any other claims or causes of action relating to the making, interpretation, or performance of either party under this Agreement or any other agreement between the parties shall be settled by arbitration in either the city or county of Franchisor's Headquarters, or Chicago, IL in accordance with the Federal Arbitration Act and Commercial Arbitration Rules of the American Arbitration Association ("AAA"). The Franchisor shall have the sole right to choose either of the two locations. The rights and duties of the parties to this Agreement to resolve any disputes by arbitration shall be governed by the Federal Arbitration Act, as amended. The following shall supplement and, in event of a conflict, shall govern any arbitration: If the claim is for less than \$50,000 then the matter shall be heard before a single arbitrator. If the claim or a counterclaim, is for \$50,000 or more, the matter shall be heard before a panel of three (3) arbitrators and each party shall appoint an arbitrator, and the appointed arbitrators shall appoint a neutral arbitrator from the AAA's list of arbitrators. Each party must bear its own costs of arbitration including the fee for the arbitrator they appointed; provided, however, that the neutral or the single arbitrator's fee shall be shared equally by Franchisor and Franchisee.

21.2.1 Whether the matter is heard by a single arbitrator or three, the arbitrator's award shall be rendered within seven (7) days of the close of the hearing and shall include all fees, costs and attorney's fees for Franchisor if it is the prevailing party. The arbitrators shall have no authority to amend or modify the terms of this Agreement. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any arbitration, except to the extent such issue may have been determined in another proceeding between the parties. Judgment upon the award of the arbitrator shall be submitted for confirmation to the United States District Court for the District where Franchisor's headquarters is located, and, if confirmed, may be subsequently entered in any court having competent jurisdiction. This agreement to arbitrate shall survive any termination or expiration of this Agreement.

21.2.2 Notwithstanding anything to the contrary in this Agreement, Franchisor shall not be required to arbitrate the following disputes or claims against Franchisee:

- (a) non-payment of any fees or other amounts owed under this Agreement;
- (b) injunctive claims; and
- (c) claims that may be asserted by Franchisor against Franchisee in any action to which a third party, not a party or guarantor under this Agreement, is a party litigant.

21.3 Third Party Beneficiaries. Franchisee acknowledges and agrees that Franchisor's officers, directors, shareholders, affiliates, agents and/or employees are expressed third-party beneficiaries of the

Agreement including this Section 21, each having authority to specifically enforce the right to mediate and arbitrate claims asserted against such person(s) by Franchisee.

21.4 Injunctive Relief. Franchisee acknowledges and agrees that nothing contained in this Agreement shall prevent Franchisor from applying to or obtaining from any court having jurisdiction, without bond, a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect the System or Franchisor's interest prior to the filing of any arbitration proceeding or pending the hearing or handing down of a decision or award pursuant to any arbitration proceeding conducted under this Agreement.

21.5 Jurisdiction and Venue. With respect to any proceeding not subject to arbitration, the parties agree that any action at law or in equity instituted against either party to this Agreement shall be commenced only in the United States District Court or state trial court in the city or county of Franchisor's headquarters.

21.6 JURY TRIAL WAIVER. WITH RESPECT TO ANY PROCEEDING NOT SUBJECT TO ARBITRATION, THE PARTIES HEREBY AGREE TO WAIVE AND DO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THE WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, ANY OTHER AGREEMENT BETWEEN THE PARTIES, THE PERFORMANCE OF EITHER PARTY UNDER ANY SUCH AGREEMENT, AND/OR FRANCHISEE'S PURCHASE FROM FRANCHISOR OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES.

21.7 Class Action Waiver. The parties agree that all proceedings will be conducted on an individual, not a class-wide basis, and that any proceeding between Franchisee and Franchisor or its affiliates or employees, whether through mediation, arbitration or litigation, may not be consolidated with any other proceeding between Franchisor and any other person or entity.

21.8 Waiver of Punitive Damages. Franchisee waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages, including, without limitation, lost profits, that it may have against Franchisor arising out of any cause whatsoever, whether such cause be based in contract, negligence, strict liability, other tort or otherwise, and agrees that in the event of a dispute, its recovery shall be limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, specifically including without limitation, the waiver of any right to consequential damages.

21.9 Collection Costs, Attorney's Fees. If you are in breach or default of any monetary or non-monetary material obligation under this Agreement or any related agreement between you and us and/or our affiliates, and we engage an attorney to enforce our rights (whether or not formal judicial proceedings are initiated), you must pay all reasonable attorneys' fees, court costs and litigation expenses we incur. If you institute any legal action to interpret or enforce the terms of this Agreement, and your claim in such action is denied or the action is dismissed, we are entitled to recover our reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

21.10 No Defense. Franchisee hereby agrees that the existence of any claim Franchisee may have against Franchisor, whether or not arising under or out of this Agreement, shall not constitute a defense to

Franchisor's enforcement of the restrictive covenants and obligations of confidentiality contained in Sections 10 and 12 of this Agreement. Franchisee agrees to pay all costs and expenses, including attorney's fees that Franchisor incurs in connection with the enforcement of such restrictive covenants and obligations of confidentiality.

21.11 Limitation of Action. Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Franchisor unless brought before the expiration of one (1) year after the action, transaction, or occurrence upon which such action is based or the expiration of one (1) year after the complaining party became aware of facts or circumstances reasonably indicting that Franchisee may have a claim against Franchisor hereunder, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense or set-off.

22. GUARANTY OF PRINCIPALS

If Franchisee is a corporation, limited liability company, partnership, or trust, Franchisee agrees that each of its shareholders, members, partners, trustees, and beneficiaries owning, controlling or having an interest greater than ten percent (10%) ("Guarantors") and each of the Guarantor's spouses ("Spouses"), hereby personally and unconditionally guarantee, without notice, demand or presentment, Franchisee's performance under this Agreement or any other agreement between the parties, including without limitation, the payment of all of Franchisee's monetary obligations under this Agreement and any other agreement between Franchisee and Franchisor and/or Franchisor's affiliates, as if each were an original party to this or any other agreement in his or her individual capacity. All such Guarantors and Spouses further agree to be bound by the restrictions on Franchisee's activities upon Transfer, termination, expiration or non-renewal of this Agreement as if each were an original party to this Agreement in his or her individual capacity. The language of all provisions of this Agreement shall be construed according to fair meaning and not strictly construed against either party. The provisions of this Agreement are severable, and, if for any reason whatsoever, any term or condition of this Agreement or the application of any such term or condition shall be held to be invalid or unenforceable, then all other terms and conditions of this Agreement or the application of such terms and conditions shall not be affected thereby, and each term and condition of this Agreement shall be separately valid and enforceable to the fullest extent permitted by law.

In consideration of my being a _____ of _____ ("Franchisee"), and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I hereby acknowledge and agree that:

1. Franchisee has acquired the right and franchise from Trident Investment Partners, Inc. d/b/a Handyman Connection ("Handyman Connection") to establish and operate a Handyman Connection franchise business ("Franchised Business") and the right to use in the operation of the Franchised Business Handyman Connection's trade names, trademarks and service marks ("Proprietary Marks") and Handyman Connection's unique and distinctive format and system relating to the establishment and operation of Handyman Connection businesses ("System"), as they may be changed, improved and further developed from time to time in Handyman Connection's sole discretion, only at the following authorized and approved territory: _____ (the "Territory").

2. Handyman Connection possesses certain proprietary and confidential information relating to the operation of the System, which includes certain trade secrets and copyrighted materials, methods and other techniques and know-how ("Confidential Information").

3. Any and all information, knowledge, know-how, and techniques which Handyman Connection specifically designates as confidential shall be deemed to be Confidential Information for purposes of this Agreement.

4. As _____ of the Franchisee, Handyman Connection and Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, The Handyman Connection Operations Manual (the "Operations Manual") and other general assistance during the term of my employment.

5. I will not acquire any interest in the Confidential Information, other than the right to use it in the operation of the Franchised Business during the term hereof, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

6. The Confidential Information is proprietary, involves trade secrets of Handyman Connection, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by Handyman Connection as confidential. Unless Handyman Connection otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as _____ of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Agreement.

7. Except as otherwise approved in writing by Handyman Connection, I shall not, while in my position with the Franchisee and for a continuous uninterrupted period commencing upon the cessation or termination of my position with Franchisee, regardless of the cause for termination, and continuing for three (3) years thereafter, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with

any person, persons, partnership, corporation or limited liability company, own, maintain, engage in, be employed by, or have any interest in any other business which offers or sells products or services of the type offered under the System within a radius of twenty five (25) miles as the crow flies of the Territory, or five (5) miles of any other Handyman Connection franchisee's territory in operation, or of any territory which is being considered or discussions are under way for a Handyman Connection franchise, as of the date of termination of my employment.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Handyman Connection is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that Handyman Connection shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. I acknowledge and agree that Handyman Connection is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with Franchisee. I am aware that my violation of this Agreement will cause Handyman Connection and Franchisee irreparable harm; therefore, I acknowledge and agree that Franchisee and/or Handyman Connection may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay Franchisee and Handyman Connection all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to Franchisee and Handyman Connection, I agree that any claim I may have against Franchisee or Handyman Connection is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

11. I understand and agree that although Handyman Connection may be providing training or instruction, that I am not an employee of Handyman Connection.

2. Governing Law. This Guaranty shall be deemed to have been made in and governed by the laws of the State of Ohio.

3. Internal Dispute Resolution. You must first bring any claim or dispute arising out of or relating to the Agreement or this Personal Guaranty to Franchisor's Chief Executive Officer and/or President. You agree to exhaust this internal dispute resolution procedure before bringing any dispute before a third party.

4. Mediation. You agree that all claims or disputes between you and the Franchisor arising out of, or in any way related to, this Personal Guaranty or the Agreement, or any of the parties' respective rights and obligations arising from such agreements, shall be submitted first to mediation before Franchisor's Chief Executive Officer and/or President at Franchisor's headquarters. Prior to the mediation and before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, you must submit a notice to Franchisor, which specifies in detail the precise nature and grounds of such claim or dispute. 7. Injunctive Relief. Nothing contained in this Guaranty shall prevent either party from applying to or obtaining from any court having jurisdiction, without bond, a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect its interest prior to the filing of any arbitration proceeding or pending the trial or handing down of a decision or award pursuant to any arbitration proceeding conducted hereunder.

8. Jurisdiction and Venue. With respect to any proceeding not subject to arbitration, the parties expressly agree to the jurisdiction and venue of any court of general jurisdiction in the city or county of Franchisor's headquarters, and the jurisdiction and venue of the United States District Court presiding for the city or county of Franchisor's headquarters.

9. Jury Trial Waiver. With respect to any proceeding not subject to arbitration, the parties hereby agree to waive trial by jury in any action, proceeding or counterclaim, whether at law or equity, regardless of which party brings suit. This waiver shall apply to any matter whatsoever between the parties hereto which arises out of or is related in any way to this Personal Guaranty or the Agreement, the performance of either party, and/or your purchase from Franchisor of the franchise, option and/or any goods or services.

10. Waiver of Punitive Damages. You waive to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages, including, without limitation, lost profits which you may have against Franchisor, its officers, directors, shareholders, parents, affiliates, agents and/or employees, arising out of any cause whatsoever, (whether such cause be based in contract, negligence, strict liability, other tort or otherwise, and agree that in the event of a dispute, your recovery shall be limited to actual damages. 11. Attorneys' Fees. If either party institutes any judicial or arbitration proceeding to enforce any monetary or non-monetary obligation or interpret the terms of this Guaranty or the Agreement, and Franchisor prevails in such action, you shall be liable to Franchisor for all costs, including reasonable attorneys' fees, incurred in connection with such proceeding.

12. Nonwaiver. Franchisor's failure to insist upon strict compliance with any provision of this Personal Guaranty or the Agreement shall not be a waiver of Franchisor's right to do so, any law, custom, usage or rule to the contrary notwithstanding. Delay or omission by Franchisor respecting any breach or default shall not affect Franchisor's rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Guaranty shall be cumulative. Franchisor's election to exercise any remedy available by law or contract shall not be deemed a waiver or preclude exercise of any other remedy.

13. Severability. The Parties agree that if any provision of this Guaranty may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision shall have the meaning that renders it valid and enforceable. The provisions of this Guaranty are severable, and, if for any reason whatsoever, any term or condition of this Guaranty or the application of any such term or condition shall be held to be invalid or unenforceable, then all other terms and conditions of this Guaranty or the application of such terms and conditions shall not be affected thereby, and each term and condition of this Guaranty shall be separately valid and enforceable to the fullest extent permitted by law.

14. Construction of Language. Any term defined in the Agreement which is not defined in this Guaranty will be ascribed the meaning given to it in the Agreement. The language of this Guaranty will be construed according to its fair meaning, and not strictly for or against either party. All words in this Guaranty refer to whatever number or gender the context requires. If more than one party or person is referred to as you, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

15. Successors. References to "Franchisor" or "the undersigned," or "you" include the respective parties' successors, assigns or transferees.

16. No Personal Liability. You agree that fulfillment of any and all of Franchisor's obligations written in this Guaranty or in the Agreement or based on any oral communications which may be ruled to be binding in a Court of Law shall be Franchisor's sole responsibility and none of Franchisor's agents, representatives, nor any individuals associated with Franchisor's franchise company shall be personally liable to Franchisee or you for any reason.

HANDYMAN CONNECTION
FRANCHISE AGREEMENT

SOFTWARE USER LICENSE AGREEMENT

THIS SOFTWARE LICENSE AGREEMENT (the "Agreement") is entered into as of the Effective Date (as set forth on the signature page below) by and between Trident Investment Partners, Inc. d/b/a Handyman Connection ("Franchisor"), and _____ ("Franchisee" or "User").

Territory/Location: _____

WHEREAS, Franchisee desires delivery of Franchisor's proprietary software system ("System") consisting of computer programs and processes recorded and available on various media. The System is designed for, among other things, the operation of and communication within the Handyman Connection System.

NOW, THEREFORE, for valuable consideration, receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

- 1. Term.** The term of this Agreement shall commence upon the Effective Date and shall continue for so long as the Franchise Agreement between Franchisor and Franchisee remains in full force and effect, unless terminated in accordance with this Agreement; provided, however, termination of this Agreement shall not terminate Franchisee's obligations under the provisions of this Agreement.
- 2. License.** Subject to the terms and conditions of this Agreement, Franchisor grants to Franchisee a nonexclusive and nontransferable license to access the Handyman Connection database assigned to Franchisee and to use the System. Franchisor shall retain title at all times to the System and all data therein, and Franchisee shall have no rights therein except to use the System as set forth herein. The System may be used solely (a) by Franchisee, (b) for the operation of its Handyman Connection franchised business ("Franchised Business") and (c) at and on behalf of the location listed above.
- 3. Sole User.** Franchisee may not sell, market or in any other manner distribute the System to any third party, or to any location, except in connection with a Franchisor-approved resale of the Franchised Business ("Resale"). Additionally, Franchisee may: (a) use the System on any single computer; (b) use the System on a second computer so long as only Franchisee obtains the necessary licenses; and (c) copy the System for archival purposes, provided any copy must contain all of the original System's proprietary notices. Franchisee may not: (i) permit other individuals to use the System except under the terms listed above; (ii) modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on the System; (iii) copy the System other than as specified above; (iv) rent, lease, grant a security interest in, or otherwise transfer rights to the System; or (v) remove any proprietary notices or labels on the System.
- 4. Updates.** Franchisor may update the System ("Updates") from time to time and may also release major enhancements. Franchisee acknowledges and agrees that there may be separate fees charged for such Updates and/or enhancements and agrees to pay any such fees as and when due. Franchisee further acknowledges that Franchisor has the right to modify the license and fee structure set forth in Sections 5 and 6 below upon changes to the System, and that Franchisee must comply with all such modifications.

5. Software License. Franchisee acknowledges and agrees that it is required to have a software user license (“Software License”) for every user that has access to the System and that Franchisor will charge a Software License fee to Franchisee (“Software License Fee”). Franchisor will also charge the Franchisee the Software License Fee for any of Franchisee’s employees or subcontractors who have access to the System. Franchisee further acknowledges and agrees that Franchisee is responsible for paying any annual maintenance fees and that Franchisor, for purposes of consistency and accuracy, will procure such Software and assess for such Software on an annual basis.

6. Price and Payment Terms. In consideration of the license granted herein, Franchisee shall pay Franchisor the Software License Fees and the current monthly fees for support and development (“Monthly Fees”) as set forth on the User Price Schedule below. The prices do not include shipping, sales, use, excise, or other similar taxes, all of which are the obligation of Franchisee. The Monthly Fees may be changed from time to time upon 120 days advance notice; provided, however, Franchisor agrees not to implement more than two such price increases in any calendar year.

USER PRICE SCHEDULE	
Proprietary Software License Fee	<u>\$5,000</u>
Annual Software License Renewal	<u>\$200 - \$300 per Client</u>
Monthly Support and Maintenance Fee	<u>\$125 per Client License + 1% of Gross Sales</u>

The Proprietary Software License Fee is due and payable before access is granted to the System. The Annual Software License Renewal fee is due once per year as invoiced. Monthly Support and Maintenance Fees are due and payable at the close of each calendar month on the same schedule as payment of royalty fees pursuant to the Franchise Agreement. Any fees listed above may be assessed per Client as determined by Franchisor.

7. Data/Access; Terms of Use. Franchisee acknowledges and agrees that Franchisee has no expectation of privacy in or to communications, information, or data transmitted, held or stored by or on the System. Franchisor may gain access to the information contained in Franchisee’s database at any time without notice or consent. Franchisee is restricted from access or use of any other franchisee’s data. Communication may be monitored by Franchisor, at its sole discretion. All information including communications, information, or data transmitted by, received from or stored in the System are the sole and exclusive property of the Franchisor. Franchisor reserves the right to access and restrict access to the data, if Franchisor, in its sole discretion, feels that the Franchise System may be hurt in any way by the use or actions of the Franchisee. Franchisee will make available and/or grant access to Franchisor to any such information, communications, or data in, on, or related to the System in a form as Franchisor may request from time to time.

Franchisee acknowledges and agrees that Franchisor may host some or all data, on one or more remote servers and that Franchisee’s means of access to such data may change from time to time. Franchisee further acknowledges and agrees that Franchisor cannot and does not guarantee uninterrupted access to such data and further that Franchisor may deny Franchisee access to such data if Franchisee is in default of this Agreement or the Franchise Agreement.

Franchisee further acknowledges and agrees to accept the Terms of Use posted by Franchisor on its website, including the Mobile Terms of Use, and Franchisee understands that these Terms of Use are

subject to change at any time without notice and that Franchisee must comply with any modified Terms of Use as posted by Franchisor.

8. Maintenance of Equipment and Software. Franchisee, and not Franchisor, shall bear sole responsibility to obtain, maintain and operate, or cause to be obtained, maintained and operated at its own expense, all equipment and non-Franchisor software that may be used in conjunction with the System. Franchisee acknowledges and agrees that Franchisor may change the specifications for computer hardware, software and internet access and/or may expand the number and types of hardware, software and user devices that work in conjunction with the System. Franchisee further acknowledges and agrees that the expense to maintain compliance with current specifications for access to the System shall be borne solely by Franchisee.

9. Confidentiality. Franchisee acknowledges that the System comprises information which constitutes a trade secret of Franchisor in which Franchisor has a proprietary interest. Franchisee therefore agrees that no portion of the information constituting the System may be disclosed to others, copied, reproduced, compiled, deconstructed, decompiled, reverse engineered or used for any purpose or purposes other than as specifically contemplated by this Agreement in paragraph 2 above. Franchisee shall exercise its best efforts to protect the System and to prevent its dissemination to unauthorized persons or any unauthorized use or access. Furthermore, Franchisee shall not assign, pledge, sublicense or permit any other use of the System except in connection with an approved Resale.

10. System Modification. Franchisor reserves the right to make changes in rules of operation, security measures, accessibility, procedures, types of terminal equipment, types of System equipment, System programming languages and any other matters relating to the System and its use, without prior notice. Franchisee acknowledges that as software systems are continually modified, there may be disruptions to the Franchised Business. Franchisee is not entitled to receive any discounts in fees, nor any other compensation for damages incurred due to any software disruptions that occur for any reason.

11. Warranty. THE SYSTEM IS DELIVERED "AS IS" AND FRANCHISOR MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SYSTEM OR THE UPDATES, THE COMPUTER PROGRAM ALLOWING USE OF THE SYSTEM, OR ANY SERVICES PERFORMED BY ANY THIRD PARTY. Franchisor is not responsible for obsolescence of the System and Updates, and further is not responsible for suspended, outdated or incorrect versions of the System and Updates.

12. Limitation of Liability. Under no circumstances and under no legal theory, tort, contract, or otherwise, shall Franchisor or its suppliers or resellers be liable to Franchisee or any other person for any indirect, special, incidental, or consequential damages of any character including, without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses. In no event will Franchisor be liable for any damages in excess of the amount Franchisor received from Franchisee for a license to the System, even if Franchisor shall have been informed of the possibility of such damages, or for any claim by any other party. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this limitation and exclusion may not apply. Franchisee's sole remedy upon breach of this Agreement by Franchisor shall be termination of the Agreement, but Franchisee will still be subject to all post term Covenants and will be subject to any Minimum Royalty Payments due under 20.9 of the Agreement. Franchisee agrees to indemnify Franchisor and hold it harmless against all claims and damages, including without limitation, reasonable attorney's fees arising out of Franchisee's use of the System and the Updates. Franchisee

further agrees to indemnify Franchisor regarding the security of the data transmitted through and over any of the technology systems and will insure that they are meeting current laws and guidelines affecting data, cyber-security and compliance, including compliance with the Payment Card Industry Data Security Standards (“PCI DSS”).

13. Termination. Immediately upon the termination of this Agreement or the Franchise Agreement, Franchisee shall cease using the System, shall return the System, Updates, and all Franchisor documents and information pertaining thereto, and shall certify to Franchisor in writing that the System and all Franchisor documents and information pertaining thereto have been returned. The following actions shall constitute a breach of the Agreement and shall allow Franchisor to terminate the Agreement: any use or dissemination of the System or Updates that is not expressly permitted herein; dissolution or discontinuance of business operations of Franchisee; or failure to make timely payment to Franchisor of the required fees. Upon termination of this Agreement by Franchisor for any such cause, Franchisee shall not be entitled to any refund of the Software License Fee or any other fees or amounts paid pursuant to this Agreement.

14. General Provisions.

14.1 Entire Agreement. This Agreement sets forth the entire agreement and understanding between the parties as to the subject matter hereof and supersedes all prior discussions between them.

14.2 Attorneys’ Fees. If any action or proceeding is brought in connection with this Agreement, and Franchisor prevails in such action, Franchisee shall be liable to Franchisor for all costs, including reasonable attorneys’ fees, incurred in connection with such proceeding.

14.3 Assignment. Except in connection with an approved Resale, Franchisee may not assign its rights or delegate its duties hereunder. In the event of such Resale, so long as the selling Franchisee is current in his monthly Support Fees, the incoming Franchisee shall merely execute a new license agreement; he shall not be required to pay any new Software License Fee; provided, however, that any sums owed by the selling Franchisee must be paid in full prior to any such Resale. Any other attempted conveyance shall be void and shall constitute a default entitling Franchisor to terminate this Agreement and/or the Franchise Agreement. Franchisor may freely assign its rights without securing Franchisee’s permission to do so, including assigning its rights to collect all software license and/or software maintenance fees.

14.4 Arbitration. All disputes, controversies or claims arising out of or relating to this Agreement shall be settled by binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association, or its successor. Arbitration shall be conducted in the city where Franchisor’s corporate office is located, unless otherwise agreed to by the parties. A judgment upon the award may be entered in any Court having jurisdiction thereof.

14.5 Choice of Law and Forum. This Agreement has been entered into under the laws of the State of Ohio, the parties hereto agree that it shall be interpreted, and all disputes arising hereunder shall be resolved, in accordance with its laws, and consent to jurisdiction in its courts.

14.6 Waiver. Failure of either party hereto to enforce at any time any term of this Agreement shall not be a waiver of that party’s right thereafter to enforce each and every term of this Agreement.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Trident Investment Partners, Inc.
Chicago, Illinois

Opinion

We have audited the financial statements of Trident Investment Partners, Inc., (the Company), which comprise the balance sheets as of December 31, 2022 and 2021, the related statements of income, stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Nature of Operations

Trident Investment Partners, Inc. (the "Company"), was incorporated in December 2013 and was established to recruit, train, and operate a Handyman Connection franchise system throughout the United States and Canada. The Handyman Connection franchises offered by the Company provide referral and other services to independent contractors; and small to medium home repair services and light remodeling of a non-emergency nature, including plumbing, electrical, carpentry, dry wall, plastering, and painting services, among other services.

The Company enters into franchise agreements with domestic franchisees under which the franchisee is granted the right to operate in a particular location for an agreed upon term. The Company has also entered into a master franchisor agreement and under this agreement, the Company grants a master franchisor the exclusive right to develop and operate sub franchises in Canada for an agreed upon term.

2. Revenue Recognition

a. Performance obligations

Revenues from contracts with customers consist primarily of initial and renewal franchise fees, franchise transfer fees, royalties, franchise advertising and other sales-based fees, software licensing and support fees, annual conference fees and call center fees.

The initial franchise fee includes multiple performance obligations, the first of which relates to pre-opening services, primarily in the form of franchisee training. Revenue associated with the pre-opening service performance obligation is recognized at a point in time, once the training and related services have been provided. Additionally, as the franchise agreement provides an assignment of a non-exclusive territory, access to operations manual and suppliers, and access to the Company's proprietary marks for the duration of the contract, a performance obligation related to the franchise right exists. Sales-based fees, such as royalties, technology fees, and brand development franchise advertising fees, as well as software license and software support fees are also highly interrelated to the promise to provide the franchise right. As such, these promises are not distinct and have been combined into a single performance obligation that is satisfied over the term of the franchise agreement. The Company has utilized an exception that allows for recognition of revenue related to sales-based fees when the subsequent franchisee sale occurs.

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Revenue Recognition (Continued)

a. Performance obligations (Continued)

Revenues associated with the franchise renewal fee performance obligation are recognized over the term of the renewal period. Revenues associated with the franchise transfer fee performance obligation are recognized at a point in time, once the transfer documents have been executed and rights have been transferred to the new owner.

Initial franchise fees and franchise renewal fees are collected at the inception of the franchise agreement and renewal, and as such, the portion of the those fees paid by the franchisee that relates to performance obligations to be satisfied in future periods are contract liabilities. These amounts approximated \$100,600, \$121,200 and \$103,100 at December 31, 2022, December 31, 2021 and January 1, 2021, respectively, and have been reflected as contract liabilities in the accompanying balance sheet as of December 31, 2022.

The Company receives amounts from franchisees and vendors to be used towards an annual conference that is sponsored by the Company. These amounts are recognized as revenue at the point in time that the performance obligation is completed by the Company, which is the date that the conference takes place. Revenues associated with the call center are recognized over time as under the terms of the contract, the Company provides franchisees access to the call center for a specified duration of time. The Company earns various other amounts associated with minimum royalty fees and employee recruiting services, which are earned at a point in time once the related performance obligations are satisfied. The Company provides franchisees with a right to access their proprietary software in exchange for an initial software fee for new franchises and an annual fee for recurring franchises. These amounts are recognized over time as under the terms of the contract. Amounts received in advance of completion of these performance obligations approximating \$58,200, \$52,500 and \$9,800 have been reflected as contract liabilities at December 31, 2022, December 31, 2021 and January 1, 2021, respectively.

Revenue earned from performance obligations described above which are satisfied at a point in time were approximately \$537,000 and \$729,000 for the years ended December 31, 2022, and December 31, 2021, respectively. Revenue earned from performance obligations described above which are satisfied over time totaled approximately \$2,857,000 and \$2,879,000 for the years ended December 31, 2022, and December 31, 2021, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Revenue Recognition (Continued)

b. Variable consideration

From time to time the Company provides rebates to franchisees, which are estimated at the most likely amount and reduce revenues on the Statement of Income. Rebates provided in 2022 and 2021 were insignificant.

c. Incremental costs to obtain a contract

The Company pays fees to brokers, and in certain instances employees, upon the successful execution of a franchise agreement with a franchisee that was identified by and referred to the Company by the broker or employee. These incremental costs of obtaining a contract have been capitalized and are being amortized on a systematic basis consistent with the manner in which the service that the asset relates to, the franchise fee, is being recognized. At December 31, 2022, December 31, 2021, and January 1, 2021, approximately \$70,000, \$51,000 and \$33,000, respectively, in capitalized fees have been reflected on the balance sheet as contract assets.

d. Significant judgements

A portion of the initial franchise fee is recorded at a point in time when the pre-opening training performance obligation is satisfied. The remaining portion of the initial franchise fee is recorded over the life of the franchise agreement. Significant judgement is used by management to estimate the standalone selling price of the training provided in order to allocate the transaction price to the pre-opening training performance obligation. Management utilizes the hourly rates of the employees involved in the training, and includes a mark up for taxes and employee benefits, as well as an estimate of an external consulting mark up representing the amount that the Company believes it could charge another party for similar training. This method is used because management considers it to be the best available measure of the standalone selling price.

December 31, 2022 and 2021

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Revenue Recognition (Continued)

e. Brand development franchise advertising

Franchisees are required to contribute a certain percentage of their revenues to the Company's Brand Development Fund. Although the Company is in custody of contributions received and those receivable, those assets are restricted for use for consumer and craftsman marketing, brand development, public relations, and advertising, and have been reflected as restricted assets on the balance sheet. Liabilities related to these marketing and advertising efforts have been reflected separately on the balance sheet. The guidance requires that contributions to the brand development fund be recognized as revenue, and brand development fund expenditures incurred be recognized as an expense in the statement of income. Expenditures of the brand development fund are primarily amounts paid to third parties, but may also include personnel expenses. At each reporting date, to the extent contributions to the brand development fund exceed expenditures on a cumulative basis, the excess contributions are recorded in liabilities of marketing funds in the balance sheet as the Company is obligated to utilize those funds for marketing purposes.

3. Accounts Receivable

Accounts receivable from the Company's franchise operations are recorded at the time the Company is entitled to bill under the terms of the franchise agreements and other contractual arrangements, do not bear interest, and are due under normal trade terms typically requiring payment within 30 days from the invoice date. Accounts receivable, net balances approximated \$243,000, \$240,000 and \$197,000 at December 31, 2022, December 31, 2021 and January 1, 2021, respectively.

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all accounts receivable balances and, based on current creditworthiness, estimates the portion, if any, of the balance that will not be collected. An allowance of approximately \$24,000, \$35,000 and \$8,000 has been recorded at December 31, 2022, December 31, 2021 and January 1, 2021, respectively.

4. Property and Equipment

Property and equipment are stated at cost. Depreciation is provided using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Furniture and fixtures	5 - 7
Computer equipment	3 - 5
Capitalized software	3

5. Software Development Costs

The Company incurs external costs to develop software for internal use and expenses those costs as they are incurred during the preliminary project and post-implementation/operations stages. Costs related to the support and maintenance of software are also expensed as incurred. Costs are capitalized during the application development stage and, as software upgrades, which add new functionality, are made. Capitalized software costs are amortized using the straight-line method over the estimated economic life of the application, which is generally three years. The Company periodically reviews capitalized software development costs and, if necessary, reduces the carrying value of each product to its net realizable value.

During 2022, the Company made the decision to replace and migrate their current internal use software to a new third-party hosted service during 2023. Based upon these developments, the Company has determined it appropriate to make a change in their accounting estimates associated with the remaining useful lives of capitalized software costs effective January 1, 2022, and as a result, all capitalized software will be fully amortized by December 31, 2023, the anticipated sunset of the existing internal use software. This change resulted in approximately \$13,000 of additional amortization of capitalized software during 2022, which is included in net income.

Software costs capitalized in 2022 and 2021 approximated \$51,000 and \$81,000, respectively. Amortization of capitalized software costs, including those associated with the change in accounting estimate described previously, approximated \$102,000 and \$99,000 for the years ended December 31, 2022 and 2021, respectively.

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Foreign Currency Transaction Gains or Losses

The Company enters into certain transactions denominated in the Canadian dollar. Gains and losses on foreign currency transactions are recognized currently in the statements of income.

7. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

8. Income Taxes

The Company with the consent of its sole stockholder, elected to be taxed as an S-Corporation under the Internal Revenue Code. In lieu of corporate income taxes, the stockholders of an S-Corporation are taxed on their proportionate shares of the Company's taxable income. Therefore, no liability or provision for federal income taxes has been included in these financial statements. The Company is subject to certain state and foreign taxes.

Management has analyzed the tax positions taken by the Company and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability in the financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Fair Value of Financial Instruments

The carrying amounts of financial instruments, including accounts receivables, contract assets, accounts payable, accrued expenses, and contract liabilities approximate fair value due to the short maturity of these instruments.

It is the Company's policy, in general, to measure nonfinancial assets and liabilities at fair value on a nonrecurring basis. These items are not measured at fair value on an ongoing basis, but are subject to fair value adjustments in certain circumstances, such as evidence of impairment, which, if material, are disclosed in the accompanying notes to these financial statements.

10. New Accounting Pronouncement and Leases

The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases*, (Topic 842) in February 2016, and it subsequently issued amendments to the initial guidance (collectively referred to as Topic 842). Under Topic 842, lessees are required to recognize, at commencement date, a lease liability representing the lessee's obligation to make payments arising from the lease and a right-of-use asset representing the lessee's right to use or control the use of a specific asset for the lease term. The Company made an accounting policy election to only apply the standard to lease agreements with terms that are greater than twelve months. Under the new guidance, lessor accounting is largely unchanged. Topic 842 is effective for annual financial statements of private companies issued for fiscal years beginning after December 15, 2021. Topic 842 became effective for the Company's December 31, 2022 financial statements.

The Company adopted Topic 842 as of January 1, 2022, using a transition method that applied Topic 842 to reporting periods beginning on January 1, 2022, while prior periods continue to be reported and disclosed in accordance with the Company's historical accounting treatment under ASC Topic 840, *Leases* ("Topic 840"). As such, prior periods presented were not retrospectively adjusted. Topic 842 supersedes all existing lease accounting guidance under GAAP issued by the FASB, including prior lease accounting under Topic 840. Topic 842 distinguishes leases as either a finance lease or an operating lease, which affects how the leases are measured and presented in the statements of income and statements of cash flows.

For operating leases in place at the transition date, the Company calculates right of use ("ROU") assets and lease liabilities based on the present value of the remaining lease payments as of the date of adoption. The Company has determined it has no finance leases.

The adoption of Topic 842 resulted in recording a non-cash transitional adjustment to operating lease ROU assets and operating lease liabilities of approximately \$103,700, respectively, as of January 1, 2022. The adoption of Topic 842 did not result in a cumulative effect adjustment to opening retained earnings, nor did it materially impact the results of operations, cash flows, or presentation thereof.

NOTES TO FINANCIAL STATEMENTS

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

10. New Accounting Pronouncement and Leases (Continued)

The Company adopted the following transitional practical expedients upon implementation: 1) transition package of practical expedients which eliminates the requirements to reassess prior conclusions regarding lease identification, classification, and initial direct costs associated with leases in place at the date of implementation; 2) the hindsight practical expedient used to determine the lease term and in assessing impairment of the entity's ROU assets. The Company did not reassess whether any contracts entered into prior to adoption are leases. Additionally, the Company has made an accounting policy election to apply the guidance at a portfolio level of leases instead of at a lease by lease level. The Company reasonably expects that the results of applying the guidance to a portfolio of leases would not differ materially from that which would result if the guidance were applied on a lease-by-lease basis. The Company also elected as an accounting policy election to set their capitalization threshold for leases to be equal to the capitalization threshold for property and equipment of \$1,000.

The Company determines if an arrangement is a lease or contains a lease at the inception of the contract. Operating leases are presented as ROU assets, operating lease, and lease liability, operating lease in the accompanying balance sheet as of December 31, 2022.

The operating lease ROU assets and lease liabilities are initially measured based on the present value of future lease payments over the lease term as determined at each lease's commencement date.

Operating lease cost for operating leases is recognized as lease expense using the straight-line method over the term of the lease, which includes the noncancelable period under the lease, any periods covered by options to extend a lease the Company is reasonably certain to exercise, any periods covered by an option to terminate a lease the Company is reasonably certain not to exercise, and any periods covered by an option to extend or not to terminate a lease in which the option is controlled by the lessor.

Operating lease ROU assets include all fixed contractual lease payments and initial direct costs, less any lease incentives received from the lessor. The Company's lease agreement does not contain any material variable lease payments, residual value guarantees, options to purchase leased assets, or restrictive covenants.

On May 6, 2020, the Company entered into a Paycheck Protection Program (PPP) loan agreement totaling \$203,700 that bore interest at 1.00%, was to mature in May 2022, was not collateralized, and was eligible for forgiveness subject to provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). In May 2021, the loan was forgiven in full by the United States Small Business Administration (SBA) and the Company was legally released from repaying the loan. On December 27, 2020, the Consolidated Appropriations Act, 2021 ("the Act") was signed into law, which includes provisions for Second Draw PPP loans through the United States Small Business Administration's Paycheck Protection Program. On February 16, 2021 the Company applied for and received a \$203,700 Second Draw PPP loan. The loan was set to mature in February 2026, was uncollateralized, and bore interest at 1.00%. In October 2021, the loan was forgiven in full by the SBA and the Company was legally released from repaying the loan. The full forgiveness of the loan has been included as gain on extinguishment of debt on the statement of income during the year ended December 31, 2021.

Although forgiveness of the loan has been granted, the SBA may undertake a review at any time at the SBA's discretion.

NOTE E - LEASE COMMITMENTS

The Company leases office space in Cincinnati, Ohio under an operating lease arrangement which during 2022 was extended to December 2024. The lease requires escalating monthly rental payments ranging from approximately \$3,100 to approximately \$3,300 over the term of the lease. Additionally, the Company is responsible for its share of real estate taxes, common area charges, and any direct expenses as defined in the lease agreement. The lease is classified as an operating lease which is reported in right-of-use asset, operating lease in the non-current asset section of the Company's balance sheet as of December 31, 2022.

The Company has an agreement to sublease a portion of its leased premises for \$1,000 per month on a month to month basis.

NOTE E - LEASE COMMITMENTS (Continued)

The Company has elected the practical expedient available to non-public business entities which allows a Company to use the risk-free rate to discount its leases when the rate implicit in the lease is not readily determinable. The risk-free rate represents the nominal yield at the later of lease inception or the transition date applicable to U.S. Treasury instruments with a maturity of similar length to the lease term. The risk-free rate applied to operating leases in place at the transition date was 1.04%.

Operating lease cost is recognized on a straight-line basis over the lease term. The components of lease cost are as follows for the year ended December 31, 2022:

		<u>Amount</u>
Operating lease cost	\$	35,105
Sublease income		<u>(12,000)</u>
Total lease cost	\$	<u><u>23,105</u></u>

Future undiscounted cash flows and a reconciliation to the operating lease liabilities recognized on the balance sheet are as follows as of December 31, 2022:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Trident Investment Partners, Inc., which comprise the balance sheets as of December 31, 2021 and 2020, the related statements of income, stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Revenue Recognition (Continued)

a. Performance obligations (Continued)

The initial franchise fee includes multiple performance obligations, the first of which relates to pre-opening services, primarily in the form of franchisee training. Revenue associated with the pre-opening service performance obligation is recognized at a point in time, once the training and related services have been provided. Additionally, as the franchise agreement provides an assignment of a non-exclusive territory, access to operations manual and suppliers, and access to the Company's proprietary marks for the duration of the contract, a performance obligation related to the franchise right exists. Sales-based fees, such as royalties, technology fees, and brand development franchise advertising fees, as well as software license and software support fees are also highly interrelated to the promise to provide the franchise right. As such, these promises are not distinct and have been combined into a single performance obligation that is satisfied over the term of the franchise agreement. The Company has utilized an exception that allows for recognition of revenue related to sales-based fees when the subsequent franchisee sale occurs.

Revenues associated with the franchise renewal fee performance obligation are recognized over the term of the renewal period. Revenues associated with the franchise transfer fee performance obligation are recognized at a point in time, once the transfer documents have been executed and rights have been transferred to the new owner.

Initial franchise fees and franchise renewal fees are collected at the inception of the franchise agreement and renewal, and as such, the portion of the those fees paid by the franchisee that relates to performance obligations to be satisfied in future periods are contract liabilities. These amounts approximated \$121,200, \$103,100 and \$120,400 at December 31, 2021, December 31, 2020, and January 1, 2020, respectively, and have been reflected as contract liabilities in the accompanying balance sheet as of December 31, 2021.

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Revenue Recognition (Continued)

a. Performance obligations (Continued)

The Company receives amounts from franchisees and vendors to be used towards an annual conference that is sponsored by the Company. These amounts are recognized as revenue at the point in time that the performance obligation is completed by the Company, which is the date that the conference takes place. Revenues associated with the call center are recognized over time as under the terms of the contract, the Company provides franchisees access to the call center for a specified duration of time. The Company earns various other amounts associated with minimum royalty fees and employee recruiting services, which are earned at a point in time once the related performance obligations are satisfied. Amounts received in advance of completion of these performance obligations approximating \$52,500, \$9,800 and \$58,000 have been reflected as contract liabilities at December 31, 2021, December 31, 2020, and January 1, 2020, respectively.

Revenue earned from performance obligations described above which are satisfied at a point in time were approximately \$729,000 and \$305,000 for the years ended December 31, 2021, and December 31, 2020, respectively. Revenue earned from performance obligations described above which are satisfied over time totaled approximately \$2,879,000 and \$2,665,000 for the years ended December 31, 2021, and December 31, 2020, respectively.

b. Variable consideration

Rebates approximating \$700 and \$3,900 have been estimated at the most likely amount and reduce revenues on the Statements of Income for the years ended December 31, 2021 and 2020, respectively.

2. Revenue Recognition (Continued)

c. Incremental costs to obtain a contract

The Company pays fees to brokers, and in certain instances employees, upon the successful execution of a franchise agreement with a franchisee that was identified by and referred to the Company by the broker or employee. These incremental costs of obtaining a contract have been capitalized and are being amortized on a systematic basis consistent with the manner in which the service that the asset relates to, the franchise fee, is being recognized. At December 31, 2021, December 31, 2020, and January 1, 2020, approximately \$51,000, \$33,000 and \$47,000, respectively in capitalized fees have been reflected on the balance sheet as contract assets.

d. Significant judgements

A portion of the initial franchise fee is recorded at a point in time when the pre-opening training performance obligation is satisfied. The remaining portion of the initial franchise fee is recorded over the life of the franchise agreement. Significant judgement is used by management to estimate the standalone selling price of the training provided in order to allocate the transaction price to the pre-opening training performance obligation. Management utilizes the hourly rates of the employees involved in the training, and includes a mark up for taxes and employee benefits, as well as an estimate of an external consulting mark up representing the amount that the Company believes it could charge another party for similar training. This method is used because management considers it to be the best available measure of the standalone selling price.

2. Revenue Recognition (Continued)

e. Brand development franchise advertising

Franchisees are required to contribute a certain percentage of their revenues to the Company's Brand Development Fund. Although the Company is in custody of contributions received and those receivable, those assets are restricted for use for consumer and craftsman marketing, brand development, public relations, and advertising, and have been reflected as restricted assets on the balance sheet. Liabilities related to these marketing and advertising efforts have been reflected separately on the balance sheet. The guidance requires that contributions to the brand development fund be recognized as revenue, and brand development fund expenditures incurred be recognized as an expense in the statement of income. Expenditures of the brand development fund are primarily amounts paid to third parties, but may also include personnel expenses. At each reporting date, to the extent contributions to the brand development fund exceed expenditures on a cumulative basis, the excess contributions are recorded in liabilities of marketing funds in the balance sheet as the Company is obligated to utilize those funds for marketing purposes.

3. Accounts Receivable

Accounts receivable from the Company's franchise operations are recorded at the time the Company is entitled to bill under the terms of the franchise agreements and other contractual arrangements, do not bear interest, and are due under normal trade terms typically requiring payment within 30 days from the invoice date. Accounts receivable, net balances approximated \$240,000, \$197,000 and \$163,000 at December 31, 2021, December 31, 2020 and January 1, 2020, respectively.

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all accounts receivable balances and, based on current creditworthiness, estimates the portion, if any, of the balance that will not be collected. An allowance of approximately \$35,000, \$8,000 and \$21,000 has been recorded at December 31, 2021, December 31, 2020, and January 1, 2020, respectively.

4. Property and Equipment

Property and equipment are stated at cost. Depreciation is provided using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Furniture and fixtures	5 - 7
Computer equipment	3 - 5
Capitalized software	3

5. Software Development Costs

The Company incurs external costs to develop software for internal use and expenses those costs as they are incurred during the preliminary project and post-implementation/operations stages. Costs related to the support and maintenance of software are also expensed as incurred. Costs are capitalized during the application development stage and, as software upgrades, which add new functionality, are made. Capitalized software costs are amortized using the straight-line method over the estimated economic life of the application, which is generally three years. The Company periodically reviews capitalized software development costs and, if necessary, reduces the carrying value of each product to its net realizable value.

Software costs capitalized approximated \$81,000 and \$113,000 for the years ended December 31, 2021 and 2020, respectively. Amortization of capitalized software costs approximated \$99,000 and \$113,000 for the years ended December 31, 2021 and 2020, respectively.

The Company enters into certain transactions denominated in the Canadian dollar. Gains and losses on foreign currency transactions are recognized currently in the statements of income.

NOTE A - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

7. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

8. Income Taxes

The Company with the consent of its sole stockholder, elected to be taxed as an S-Corporation under the Internal Revenue Code. In lieu of corporate income taxes, the stockholders of an S-Corporation are taxed on their proportionate shares of the Company's taxable income. Therefore, no liability or provision for federal income taxes has been included in these financial statements. The Company is subject to certain state and foreign taxes.

Management has analyzed the tax positions taken by the Company and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability in the financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Fair Value of Financial Instruments

The carrying amounts of financial instruments, including accounts receivables, contract assets, accounts payable, accrued expenses, and contract liabilities approximate fair value due to the short maturity of these instruments.

It is the Company's policy, in general, to measure nonfinancial assets and liabilities at fair value on a nonrecurring basis. These items are not measured at fair value on an ongoing basis, but are subject to fair value adjustments in certain circumstances, such as evidence of impairment, which, if material, are disclosed in the accompanying notes to these financial statements.

10. Significant Accounting Standard Applicable In Future Years

The FASB issued Accounting Standards Update 2016-02, *Leases*, (Topic 842), in February 2016. Under ASU 2016-02, lessees will be required to recognize, at commencement date, a lease liability representing the lessee's obligation to make payments arising from the lease and a right-of-use asset representing the lessee's right to use or control the use of a specific asset for the lease term. Under this new guidance, lessor accounting is largely unchanged. ASU 2016-02 was to be effective for annual financial statements of private companies issued for fiscal years beginning after December 15, 2019, however the implementation date has been deferred. The new guidance is now effective for annual financial statements of private companies issued for fiscal years beginning after December 15, 2021. Management is currently evaluating the effect that ASU 2016-02 will have on the Company's financial statements, and intend to implement ASU 2016-02 in the Company's December 31, 2022 financial statements.

Indiana Code section 23-2-2.7-1(10) prohibits the choice of an exclusive forum other than Indiana.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

(A) A PROHIBITION OF THE RIGHT OF A FRANCHISEE TO JOIN AN ASSOCIATION OF FRANCHISEES.

(B) A REQUIREMENT THAT A FRANCHISEE ASSENT TO A RELEASE, ASSIGNMENT, NOVATION, WAIVER, OR ESTOPPEL WHICH DEPRIVES A FRANCHISEE OF RIGHTS AND PROTECTIONS PROVIDED IN THIS ACT. THIS SHALL NOT PRECLUDE A FRANCHISEE, AFTER ENTERING INTO A FRANCHISE AGREEMENT, FROM SETTLING ANY AND ALL CLAIMS.

(C) A PROVISION THAT PERMITS A FRANCHISOR TO TERMINATE A FRANCHISE PRIOR TO THE EXPIRATION OF ITS TERM EXCEPT FOR GOOD CAUSE. GOOD CAUSE SHALL INCLUDE THE FAILURE OF THE FRANCHISEE TO COMPLY WITH ANY LAWFUL PROVISION OF THE FRANCHISE AGREEMENT AND TO CURE SUCH FAILURE AFTER BEING GIVEN WRITTEN NOTICE THEREOF AND A REASONABLE OPPORTUNITY, WHICH IN NO EVENT NEED BE MORE THAN 30 DAYS, TO CURE EACH FAILURE.

(D) A PROVISION THAT PERMITS A FRANCHISOR TO REFUSE TO RENEW A FRANCHISE WITHOUT FAIRLY COMPENSATING THE FRANCHISEE BY REPURCHASE OR OTHER MEANS FOR THE FAIR MARKET VALUE AT THE TIME OF EXPIRATION OF THE FRANCHISEE'S INVENTORY, SUPPLIES, MATERIALS, FIXTURES, AND FURNISHINGS. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, MATERIALS, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISE BUSINESS ARE NOT SUBJECT TO COMPENSATION. THIS SUBSECTION APPLIES ONLY IF (i) THE TERM OF THE FRANCHISE IS LESS THAN 5 YEARS AND (ii) THE FRANCHISEE IS PROHIBITED BY THE FRANCHISE OR OTHER AGREEMENT FROM CONTINUING TO CONDUCT SUBSTANTIALLY THE SAME BUSINESS UNDER ANOTHER TRADEMARK, SERVICE MARK, TRADE NAME, LOGOTYPE, ADVERTISING, OR OTHER COMMERCIAL SYMBOL IN THE SAME AREA SUBSEQUENT TO THE EXPIRATION OF THE FRANCHISE OR THE FRANCHISEE DOES NOT RECEIVE AT LEAST 6 MONTHS NOTICE OF FRANCHISOR'S INTENT NOT TO RENEW THE FRANCHISE.

(E) A PROVISION THAT PERMITS THE FRANCHISOR TO REFUSE TO RENEW A FRANCHISE ON TERMS GENERALLY AVAILABLE TO OTHER FRANCHISEES OF THE SAME CLASS OR TYPE UNDER SIMILAR CIRCUMSTANCES. THIS SECTION DOES NOT REQUIRE A RENEWAL PROVISION.

(F) A PROVISION REQUIRING THAT ARBITRATION OR LITIGATION BE CONDUCTED OUTSIDE THIS STATE. THIS SHALL NOT PRECLUDE THE FRANCHISEE

FROM ENTERING INTO AN AGREEMENT, AT THE TIME OF ARBITRATION, TO CONDUCT ARBITRATION AT A LOCATION OUTSIDE THIS STATE.

(G) A PROVISION WHICH PERMITS A FRANCHISOR TO REFUSE TO PERMIT A TRANSFER OF OWNERSHIP OF A FRANCHISE, EXCEPT FOR GOOD CAUSE. THIS SUBDIVISION DOES NOT PREVENT A FRANCHISOR FROM EXERCISING A RIGHT OF FIRST REFUSAL TO PURCHASE THE FRANCHISE. GOOD CAUSE SHALL INCLUDE, BUT IS NOT LIMITED TO:

(i) THE FAILURE OF THE PROPOSED TRANSFEREE TO MEET THE FRANCHISOR'S THEN CURRENT REASONABLE QUALIFICATION OR STANDARDS.

(ii) THE FACT THAT THE PROPOSED TRANSFEREE IS A COMPETITOR OF THE FRANCHISOR OR SUBFRANCHISOR.

(iii) THE UNWILLINGNESS OF THE PROPOSED TRANSFEREE TO AGREE IN WRITING TO COMPLY WITH ALL LAWFUL OBLIGATIONS.

(iv) THE FAILURE OF THE FRANCHISEE OR PROPOSED TRANSFEREE TO PAY ANY SUMS OWING TO THE FRANCHISOR OR TO CURE ANY DEFAULT IN THE FRANCHISE AGREEMENT EXISTING AT THE TIME OF THE PROPOSED TRANSFER.

(H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

(I) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

ANY QUESTIONS REGARDING THIS NOTICE SHOULD BE DIRECTED TO THE DEPARTMENT OF THE ATTORNEY GENERAL'S OFFICE, CONSUMER PROTECTION DIVISION, ATTN. FRANCHISE SECTION, 670 LAW BUILDING, 525 W. OTTAWA STREET, LANSING, MICHIGAN 48913, 517-373-7117.

**MINNESOTA ADDENDUM
TO THE HANDYMAN CONNECTION
FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT**

1. Minnesota Statutes §80C.21 and Minnesota Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Disclosure Document or Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of jurisdiction.

2. With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes Section 80C.14, Subdivisions 3, 4 and 5 which require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement.

3. Item 13 of the Franchise Disclosure Document and Section 11 of the Franchise Agreement are modified with respect to Minnesota Franchisees as follows: The Minnesota Department of Commerce requires that the Franchisor indemnify Minnesota Franchisees against liability to third parties resulting from claims by third parties that the Franchisee's use of the Franchisor's trademarks or service marks infringes trademark rights of some third party. The Franchisor does not indemnify against the consequences of the Franchisee's use of the Franchisor's trademark except in accordance with the requirements of the franchise (and to the extent validly required as a condition to registration), and, as a condition to indemnification, the Franchisee must provide notice to the Franchisor of any such claim within 10 business days and tender the defense of claim to the Franchisor. If the Franchisor accepts the tender of defense, the Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

4. Minn. Rule 2860.4400J provides that it shall be unfair and inequitable for any person to require a franchisee to waive his or her rights to a jury trial or to waive rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or to consent to liquidated damages, termination penalties, or judgment notes. Further, this provision provides that a franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief and a court will determine if a bond is required in obtaining the injunction. To the extent the Franchise Agreement is inconsistent with this Rule, to the extent applicable, the Rule will control.

6. Any releases required as a condition of renewal and/or assignment/transfer will not apply to claims that may arise under the Minnesota Franchises Law.

7. Pursuant to Minnesota Statute Section 80C.17, Subd. 5, Section 21.11 "Limitation of Action" and the Franchise Disclosure Document are hereby amended to provide that franchisees must bring any claims under Minnesota Statute Section 80C.17 no later than three (3) years after the cause of action arises.

8. Nothing in the Disclosure Document or Franchise Agreement shall effect your rights under Minnesota Statute Section 80C.17.

**NORTH DAKOTA ADDENDUM
TO THE HANDYMAN CONNECTION
FRANCHISE DISCLOSURE DOCUMENT**

ALL FRANCHISE AGREEMENTS EXECUTED IN AND OPERATIVE WITHIN THE STATE OF NORTH DAKOTA ARE HEREBY AMENDED AS FOLLOWS:

1. Any provision of this Franchise Agreement which requires the Franchisee to consent to liquidated damages are hereby deleted.
2. Covenant not compete are generally considered unenforceable in the State of North Dakota.
3. The Franchise Agreement provides that franchisees must consent to the jurisdiction of the courts outside of the State of North Dakota. The North Dakota Securities Commission has held that requiring franchisees to consent to the jurisdiction of courts outside of North Dakota is unfair, unjust or inequitable under the North Dakota Investment Law.
4. The Franchise Agreement provides that the agreement shall be construed according to the laws of a state other than the State of North Dakota. In North Dakota the Franchise Agreement shall be governed according to the laws of the State of North Dakota.
5. Any provision in the Franchise Agreement which requires a franchisee to waive his or her right to a jury trial has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.
6. Any provision in the Franchise Agreement requiring a franchisee to consent to a waiver of exemplary and punitive damages is unfair or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.
7. Any provision in the Franchise Agreement which requires the franchisee to sign a general release upon renewal of the franchise agreement has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Law.
8. Any provision in the Franchise Agreement which requires that the franchisee to consent to a limitation of claims shorter than that provided for under Section 51-19-09 of the North Dakota Law has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Law.

**NORTH DAKOTA ADDENDUM
TO THE HANDYMAN CONNECTION
FRANCHISE AGREEMENT**

For franchises and franchisees subject to the North Dakota Franchise Investment Law, the following information supersedes on supplements, as the case maybe, the corresponding disclosures in the main body of the text of the Trident Investment Partners, Inc. d/b/a Handyman Connection Franchise Disclosure Document.

1. Item 17 is amended by the addition of the following language to the original language that appears therein;

(a) Covenants not to compete upon termination or expiration of a franchise agreement are generally unenforceable in North Dakota, except in certain instances as provides by law.

(b) Any provision in the Franchise Agreement which designates jurisdiction or venue or requires the franchisee to agree to jurisdiction or venue in a forum outside of North Dakota is void with respect to any cause of action which is otherwise enforceable in North Dakota.

(c) Any provision in the Franchise Agreement which requires a franchisee to waive his or her right to a jury trial has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

(d) Any provision requiring a franchisee to sign a general release upon renewal of the franchise agreement has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

(e) Any provision in the Franchise Agreement requiring a franchisee to agree to the arbitration or mediation of disputes at a location that is remote from the site of the franchisee's business has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

(f) Apart from civil liability as set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law.

(g) Any provision in the Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota are unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

(h) Any provision in the Franchise Agreement requiring a franchisee to consent to termination or liquidated damages is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

(i) Any provision in the Franchise Agreement requiring a franchisee to consent to a waiver of exemplary and punitive damages is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

FRANCHISE DISCLOSURE DOCUMENT**

For franchises and franchisees subject to the Rhode Island statutes and regulations, the following information supersedes or supplements, as the case may be, the corresponding disclosures in the main body of the text of the Trident Investment Partners, Inc. d/b/a Handyman Connection Franchise Disclosure Document.

Even though our Franchise Agreement says the laws of Ohio apply, the Rhode Island Franchise Investment Law may supersede the Franchise Agreement with respect to certain claims because the Rhode Island Franchise Investment Law provides that “a provision in a franchise agreement restricting jurisdiction or venue to a forum outside Rhode Island or requiring the application of laws of another state is void with respect to a claim otherwise enforceable under the Act.”

**RHODE ISLAND ADDENDUM
TO THE HANDYMAN CONNECTION
FRANCHISE AGREEMENT**

This Amendment shall pertain to franchises sold in the State of Rhode Island and shall be for the purpose of complying with Rhode Island statutes and regulations. Notwithstanding anything which may be contained in the body of the Franchise Agreement to the contrary, the agreements shall be amended as follows:

Pursuant to §19-28.1-14 of the Rhode Island Franchise Investment, any provision in the Franchise Agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.

Pursuant to Section 19-28.1-15 of the Act, any condition, stipulation or provision in this Franchise Agreement requiring a franchisee to waive compliance with or relieving a person of a duty of liability imposed by or a right provided by this Act or a rule or order under this Act is void. An acknowledgment provision, disclaimer or integration clause or a provision having a similar effect in the Franchise Agreement does not negate or act to remove from judicial review any statement, misrepresentations or action that would violate this Act or a rule or order under this Act. This section shall not affect the settlement of disputes, claims or civil lawsuits arising or brought under this Act.

The undersigned hereby acknowledge and agree that this addendum is hereby made part of and incorporated into the foregoing Franchise Agreement.

**WASHINGTON ADDENDUM
TO THE HANDYMAN CONNECTION
FRANCHISE DISCLOSURE DOCUMENT**

NOTICE TO PROSPECTIVE FRANCHISEES IN THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington. The undersigned does hereby acknowledge receipt of this addendum.

Exhibit F to the Franchise Disclosure Document is hereby amended to state that the Compliance Certification does not waive any liability the franchisor may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

Exhibit G to the Franchise Disclosure Document is hereby amended to state that the Sample Release does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

- B. Franchisor and Franchisee wish to amend the Franchise Agreement as provided in this Rider.

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Franchise Agreement is hereby amended as follows:

1. **NASAA SOP Acknowledgment.** Franchisee and Franchisor hereby acknowledge that the Statement of Policy regarding the use of franchise questionnaires and acknowledgments issued by the North American Securities Administrators Association, Inc. Accordingly, while the SOP remains in effect, or until such time as the regulations in the Regulated States are modified to adopt the restrictions on the use of acknowledgments and questionnaires as set forth in the SOP, for prospective franchisees that reside in or are looking to operate a Franchised Business in any Regulated State, the Franchise Agreement and Development Agreement (as applicable) will be amended to include the following provision:

“No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving and claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision

supersedes any other term of any document executed in connection with the franchise.”

- 2. Except as provided in this Rider, the Franchise Agreement remains in full force and effect in accordance with its terms. This Rider shall be effective only to the extent that the jurisdictional requirements of the franchise law of the Applicable Franchise Registration State are met independently without reference to this Rider.

BACKGROUND

A. Franchisor is engaged in the business of granting franchises to operate light repair, maintenance and remodeling businesses that offer services to residential customers under the trade name and trademark "Handyman Connection" (the "Handyman Connection Businesses").

B. On or around _____, Franchisee and Personal Guarantor _____ entered into a franchise agreement pursuant to which _____ obtained the right and undertook the obligation to operate a Handyman Connection Franchised Business for a term of ten years (the "Franchise Agreement"), within certain counties in _____.

C. Thereafter, _____ transferred the Franchise Agreement to Franchisee. Both Personal Guarantors have executed Franchisor's then-current form of personal guaranty pursuant to which they have personally guaranteed Franchisee's performance under the Franchise Agreement ("Personal Guaranty").

D. Franchisee has requested that it be able to close the Franchised Business and be relieved of its obligations under the Franchise Agreement.

E. Franchisor agrees to allow Franchisee to close its Franchised Business so long as Franchisee complies with the terms and conditions of this Agreement.

F. Accordingly, the parties wish to mutually terminate the Franchise Agreement and otherwise release each other of any and all claims, causes of action or disputes they might have against one another, subject to the terms and conditions of this Agreement.

AGREEMENT

In consideration of the mutual promises and covenants contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, and intending to be legally bound, the parties agree as follows:

1. Termination; Post-Term Obligations. Subject to the terms and conditions contained in this Agreement, the Franchise Agreement, the Personal Guaranty and all in-term rights and obligations between Franchisor and Franchisee or Personal Guarantors arising from or related to the Franchise Agreement and the Personal Guaranty are hereby terminated effective upon the execution of this Agreement. Franchisee and Personal Guarantors hereby acknowledge and agree that each party will continue to be bound by all post-term obligations under the

Franchise Agreement and the Personal Guaranty including, without limitation, the confidentiality provisions, the non-competition provisions, the post-termination duties, and the dispute resolution procedures.

2. Warranty Claims. Franchisee and Personal Guarantors further acknowledge and agree that they will resolve any warranty claim presented by a customer arising from work performed by Franchisee's Franchised Business (the "Warranty Claims"), for the agreed-upon period of one (1) year after such work was completed. Notwithstanding the foregoing, if Franchisee does not remedy, in full, any Warranty Claim made by a customer within a reasonable amount of time after receiving notice of such claim, as determined by Franchisor in its sole discretion, Franchisee and Personal Guarantors acknowledge and agree that Franchisor may thereafter address such Warranty Claim, and Franchisee and Personal Guarantors are required to promptly reimburse Franchisor for all warranty costs or customer reimbursements incurred by Franchisor, as well as a service fee of one thousand dollars (\$1,000), in connection with such Warranty Claim. Furthermore, in the event that Franchisor receives notice of any Warranty Claim for any job which was not properly reported in the Handyman Connection CRM System in accordance with Franchisor's standards and specifications, Franchisee and Personal Guarantors shall pay Franchisor a penalty fee of one thousand dollars (\$1,000), and Franchisee and Personal Guarantors shall also promptly reimburse Franchisor all costs it incurs in addressing the Warranty Claim.

3. Franchisee's Obligations. Within ten (10) days of the termination of the Franchise Agreement, Franchisee shall, at its sole expense, comply with the following post-term obligations:

- (a) Permanently discontinue operation of the Franchised Business and any use of the Marks, Intellectual Property, Confidential Information, and any materials containing marks that are similar to or derivative of the Marks;
- (b) Make all payments due to Franchisor or Franchisor's designated suppliers in connection with the Franchised Business;
- (c) Cancel all assumed names or equivalent registrations filed by Franchisee which contain the Handyman Connection name or any similar or derivative name;
- (d) Transfer to Franchisor all Software, Manuals, forms, materials, signage, customer information, and any other items containing any Intellectual Property or Marks;
- (e) Transfer to Franchisor (or otherwise remove) any distinctive signage, physical and/or structural features associated with the Trade Dress of the Handyman Connection Business from the Premises of the Franchised Business and otherwise de-identify the Franchised Business; and
- (f) Cease any advertising or making other representations that Franchisee is a present or former Handyman Connection franchisee, and otherwise cease making any statements regarding Franchisee's experience with Franchisor.

4. Transfer of Telephone Numbers and Domain Names. Franchisee agrees to transfer and assign all telephone numbers, URLs, website addresses, domain names, email addresses, and other forms of telecommunications and listings (as applicable) used in connection with the Franchised Business to Franchisor within ten (10) days of Franchisor's request, at Franchisee's sole expense.

5. Non-Competition. Franchisee and Personal Guarantors shall comply with the post-termination non-competition covenants contained in the Franchise Agreement and the Personal Guaranty. If Franchisor discovers that Franchisee or Personal Guarantors have previously operated or currently are directly or indirectly operating any competing business in violation of the non-competition covenant, Franchisor may obtain an injunction without bond to terminate or prevent the continuation of any existing or continuing default or violation of the Franchise Agreement and/or Personal Guaranty.

6. Release of Franchisor. Franchisee and Personal Guarantors, for themselves and all persons and entities claiming by, through or under them, hereby release, acquit and forever discharge Franchisor and its present and former officers, employees, shareholders, directors, agents, servants, representatives, affiliates, successors and assigns (the "Franchisor Releasees") from all obligations, claims, debts, demands, covenants, contracts, promises, agreements, liabilities, costs, attorneys' fees, actions or causes of action whatsoever, whether known or unknown, which they, by themselves, on behalf of, or in conjunction with any other person, persons, partnership, corporation, or entity, have, had or claim to have against the Franchisor Releasees, including but not limited to all claims arising out of or related to the offer, sale and operation of the Franchised Business, and the parties' rights or obligations under the Franchise Agreement and the Personal Guaranty.

7. Release of Franchisee and Personal Guarantors. Except as otherwise provided for in this Agreement, and upon Franchisee's and each Personal Guarantors' full compliance with their obligations set forth in Sections 2 through 5 of this Agreement, Franchisor, for itself and all persons and entities claiming by, through or under it, hereby releases, acquits and forever discharges Franchisee and its employees, agents, servants, representatives, affiliates, successors and assigns, and Personal Guarantors (the "Franchisee Releasees") from all obligations, claims, debts, demands, covenants, contracts, promises, agreements, liabilities, costs, attorneys' fees, actions or causes of action whatsoever, whether known or unknown, which it, by itself, on behalf of, or in conjunction with any other person, persons, partnership or corporation, has, had or claims to have against the Franchisee Releasees, including but not limited to all claims arising out of or related to the offer, sale and operation of the Franchised Business, and the parties' rights or obligations under the Franchise Agreement and the Personal Guaranty. Specifically excepted from this release are any claims asserted against Franchisor or any of its present and former officers, employees, shareholders, directors, agents, servants, representatives, affiliates, successors or assigns (the "Indemnified Parties") by any third party, which claims arise out of or relate to the Franchise Agreement or Franchisee's or Personal Guarantor's ownership or operation of the Franchised Business, including any Warranty Claims. Franchisee and Personal Guarantors shall indemnify and hold the Indemnified Parties harmless from any and all losses, damages, liabilities, claims, costs, expenses, or judgments, including reasonable attorneys' fees, incurred in connection with such claims.

8. Confidentiality; Non-Disparagement. The parties shall maintain the confidentiality of this Agreement and shall not disclose the terms of this Agreement to any person or persons except their professional advisors for legitimate business purposes, or otherwise as required by law, including certain disclosures required by law in Franchisor's franchise disclosure document. The parties agree that they shall refrain from making any untrue or derogatory statements concerning one another and their present and former officers, employees, shareholders, directors, agents, attorneys, servants, franchisees, representatives, successors and assigns. Franchisee and Personal Guarantors expressly acknowledge that they are forbidden from: (i) holding themselves out as a present or former franchisee of the Handyman Connection system; and (ii) making any statements or other communications regarding their experience in the Handyman Connection system. Franchisee and Personal Guarantors also agree that they will not at any time, directly or indirectly, interfere or attempt to interfere with or disrupt the business relationship between Franchisor and Franchisor's shareholders, franchisees, clients, customers or accounts, prospective clients or customers, or persons using the services of Franchisor or doing business with Franchisor, with such prohibited behavior to include, but not be limited to, using Franchisor's internal data in a damaging or derogatory manner that would potentially damage Franchisor's relationship with its shareholders, franchisees, clients, customers or accounts.

9. Entire Agreement. This Agreement and the Franchise Agreement constitute the entire integrated agreement of the parties with respect to the subject matter contained in this Agreement, and may not be subject to any modification without the written consent of the parties.

10. Acknowledgment. Each party acknowledges that the terms of this Agreement have been completely read and are fully understood and voluntarily accepted by each party, after having a reasonable opportunity to retain and confer with counsel. This Agreement is entered into after a full investigation by the parties, and the parties are not relying upon any statements or representations not embodied in this Agreement.

11. Attorneys' Fees. In the event that either party retains the services of legal counsel to enforce the terms of this Agreement, the prevailing party shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred in enforcing the terms of this Agreement.

12. Defined Terms. Terms defined in the Franchise Agreement and not defined in this Agreement have the meaning defined in the Franchise Agreement.

13. Applicable Law, Binding Effect and Venue. This Agreement will be construed and regulated under and by the laws of the State of Ohio, without reference to Ohio's conflict-of-laws principles, and will inure to the benefit of and be binding upon the parties hereto and their heirs, personal representatives, successors and assigns. Venue for any action related to or arising out of this Agreement must be in the state or federal court nearest to Blue Ash, Ohio.
