The franchise being offered is for a restaurant serving pizza calzones, salads and other food, primarily for carry-out and delivery under the name “Jet’s Pizza®.” The total investment necessary to begin operation of a single Jet’s Pizza franchise ranges from \$572,500 to \$786,000. This includes \$30,000 (or \$15,000 if you qualify for the 50% military discount) that must be paid to the franchisor or affiliate.

The total investment necessary for an Area Development Agreement, assuming it allows for development of three stores, is \$75,000 (or \$37,500 if you qualify for the 50% military discount), which is in addition to the cost of each single franchise to be developed, which amount must be paid to the franchisor or affiliate.

What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit H.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

- 1. Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by litigation only in the judicial district in which we have our principal place of business at the time the action is commenced, which is currently Michigan. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to sue us in Michigan or a state other than in your own state.
- 2. Minimum Royalty.** You must make minimum royalty and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) for your state requires other risks to be highlighted.

The information in this disclosure document, including any Exhibits, is the confidential property of Jet's America, Inc. This disclosure document is being provided to you for your use in considering the purchase of a Jet's Pizza restaurant franchise and for no other reason. Any other use, copying or disclosure is strictly prohibited.

Item 1: The Franchisor and any Parents, Predecessors, and Affiliates

Franchisor and Principal Business Address:

Jet's America, Inc.
37501 Mound Road
Sterling Heights, Michigan 48310

To simplify the language in this Disclosure Document, "Jet's" means Jet's America, Inc., the franchisor. Jet's may also be referred to as the "Franchisor," "we" or "us," or with similar pronouns. "You" means the person who buys the franchise. If you are a corporation, partnership, limited liability company, or other entity, your "Owners" means all of your stockholders, partners, members or other owners.

Jet's is a Michigan corporation and was incorporated on June 8, 1990. Jet's conducts business as "Jet's America, Inc." and as "Jet's Pizza."

Our affiliate is JAI Productions, Inc. Its principal business address is 37501 Mound Road, Sterling Heights, Michigan 48310. JAI Productions, Inc. has been in business since 2018 and collects rebates and processes payment for all of our franchise system items including the loyalty program, the advertising retainer fee, and the database.

Our registered agents for service of process are disclosed in Exhibit O to this Disclosure Document.

Jet's grants franchises certain rights to own and operate restaurants under the trade name "Jet's Pizza," selling pizza, calzones, salads and other food to the public, primarily for carry-out and delivery. A typical Jet's Pizza restaurant is about 1,200 - 1,500 square feet, and is located in a strip shopping center in a heavily populated urban or suburban area. Your competition will include a variety of pizza and fast food restaurants, including national and regional chains, independent restaurants, and some convenience stores.

If we approve you for a single Jet's Pizza restaurant franchise, you will have the opportunity to sign a franchise agreement ("Franchise Agreement") with us. Our current form of Franchise Agreement is attached as Exhibit A to this Disclosure Document. Under the Franchise Agreement, we grant you the right to operate a single Jet's Pizza restaurant ("Restaurant") at a location that we approve ("Location").

We own certain trademarks, services marks, trade names, domain names, logos, emblems and other commercial symbols (collectively, the "Marks"). See Item 13 for further information regarding the Marks.

You must operate your Restaurant using our franchise system ("Franchise System"), which is described in the Franchise Agreement and the Jet's Operations Manual ("Operations Manual"). We may periodically change, improve, or further develop the Franchise System.

Jet's also offers multi-unit development rights to qualified franchisees to develop a certain number of Jet's Pizza restaurants within a defined area according to a pre-determined development schedule, as outlined in the terms of an Area Development Agreement. The Area Development Agreement is found in Exhibit Q. You do not have to enter into any Franchise Agreements at the time you enter into an Area Development Agreement. However, for each Restaurant you develop under the

Area Development Agreement, you must sign our then-current form of Franchise Agreement that we offer to new franchisees, the terms, and conditions of which may be substantially different from those contained in the Franchise Agreement attached to this disclosure document (including, for example, with respect to higher fees, shorter term, or other factors more burdensome to you).

The market for our products, and fast food restaurants in general, is very well developed and very competitive. You will compete with other pizza restaurants, as well as other franchised, chain, or independent restaurants offering similar items as Jet's Pizza as well as a wide variety of other foods.

You must comply with all local, state, and federal laws that apply to your Restaurant operations, including health, sanitation, smoking, United States Department of Agriculture, Equal Employment Opportunity Commission, and Occupational Safety and Health Administration regulations, Food and Drug Administration regulations on nutrition labeling of standard menu items, other food and safety regulations, and anti-discrimination, employment, and sexual harassment laws. The Americans with Disabilities Act requires readily accessible accommodations for people with disabilities and therefore may affect some of your operations. You should consult with your attorney concerning these and other laws and ordinances that may affect your Restaurant operations.

You are responsible for all employment decisions of the Restaurant, including those related to recruiting, hiring, firing, scheduling, training (other than the brand training required by the Franchise Agreement), pay, benefits, personnel policies, record keeping, supervision, safety, security, and discipline of all workers. Any information we provide about employment matters, whether voluntarily or in response to your request, and whether provided directly or by means of any technology tools, is a recommendation only and not intended to exercise control over your employees, their wages, hours or working conditions, or the means and manner by which they carry out their duties. You must clearly inform all workers, before hiring and periodically thereafter, that you, and not Jet's, is their employer and that Jet's does not assume and will not accept any employer, co-employer or joint employer obligations. You must indemnify us against any claim that we are the employer, co-employer, or joint employer of any of your owners or workers.

Jet's began offering Jet's Pizza franchises in 1990. It has not and does not offer franchises in any other line of business, or engage in any other business, but reserves the right to do so in the future.

Jet's has no parents, has no affiliates that offer franchises in any line of business, and has no predecessors. Jet's has no affiliates that provide products or services to the franchisees of Franchisor.

Although it does not operate any locations or franchises directly, Jet's has several affiliates that, as of December 31, 2023, operate 54 Jet's Pizza franchises similar to the franchised restaurants being offered.

Apart from these franchises, neither we nor our affiliates do business under any name other than "Jet's America, Inc.," or "Jet's Pizza." Neither we nor our affiliates offer, or have ever offered, any other type of franchise.

Other than statutes and regulations applicable to food service establishments generally, there are no

special regulations for the preparation and sale of pizza in your state. Under the general regulations governing food service establishments, your employees may have to become certified food handlers. To obtain certification, your employees may be required to attend instructional courses, pass tests and pay a fee. You should check with city, township, and county regulatory agencies to determine if certification will be required.

You must comply with all local, state, and federal laws that apply to your restaurant operations, including health, sanitation, smoking, United States Department of Agriculture, Equal Employment Opportunity Commission, and Occupational Safety and Health Administration regulations, other food and safety regulations, discrimination, employment, and sexual harassment laws. The Americans with Disabilities Act requires readily accessible accommodations for people with disabilities and therefore may affect some of your operations. You should consult with your attorney concerning these and other laws and ordinances that may affect your restaurant operations.

2014-Present

Amanda Romeo has been working with Jet's since 2007. From 2011 to 2019, she was the Accounting Manager for Jet's. She was elected as Secretary and Treasurer of Jet's on December 5, 2014, and has been serving as the Legal Secretary for Jet's since 2019.

Vice President – Franchise Sales: James W. Galloway, Jr.

1994-Present

James W. Galloway, Jr. has worked on a part-time and occasional basis for Jetts Party Shop & Pizzeria and various affiliates since 1978. In October 1986, he became an officer and director of our affiliate, J.S. Investments, Inc., and has since become an officer and director of several other affiliates. Item 3: Litigation

Gregory Joseph Fekin v. Members of Kentucky #3, LLC., et al. (Macomb County Circuit Court, Case No. 2021-001643-CB). On May 4, 2022, plaintiff brought a claim against Jet's, two Franchisor-owned franchises, as well as John Jetts, James Galloway, and Amanda Romeo in their capacity as members or managers of the Franchisor-owned franchises, claiming willfully unfair and oppressive conduct under § 450.4515 of the Michigan Limited Liability Company Act, breach of contract, and breach of fiduciary obligations in relation to plaintiff's ownership in the Franchisor-owned franchises. Jet's was solely brought into the lawsuit on a breach of contract claim related to the promissory note plaintiff had committed himself to paying in return for his ownership in the Franchisor-owned franchises. Without an admission of wrongdoing, on November 21, 2022 the parties entered into a confidential settlement agreement, which provided in pertinent part that Jet's would pay plaintiff \$222,250.00 in exchange for a release of claims. The case was dismissed on December 30, 2022.

Robert McDonald v. Jet's America, Inc. (Case No. 2021 CH 00658, Circuit Court of Cook County, Illinois). On February 10, 2021, plaintiff, on his own behalf and on behalf of other similarly situated, filed a putative class action complaint against Jet's, alleging violations of the Illinois Biometric Information Privacy Act, 740 ILCS 14/1 et seq. and seeking monetary damages, including an award of attorneys' fees, and injunctive and other equitable relief. The lawsuit was premised principally upon Jet's alleged use of biometric identifiers (thumbprints) for employee timekeeping purposes. The parties reached a settlement in principle in February 2022. Under the settlement, Jet's agreed to pay a total of \$9,500, inclusive of all costs.

Item 4: Bankruptcy

No bankruptcy is required to be disclosed in this Item.

Item 5: Initial Fees

The initial franchise fee is \$30,000; except for certain franchises established pursuant to an Area Development Agreement as described above and for those franchisees which qualify for a military discount. If a franchisee is at least 20% owned by a person who is in active duty or has served in the military, naval or air service and was not dishonorably discharged, then the Initial Franchise Fee will be \$15,000, reflecting a 50% military discount. The initial franchise fee is due when you sign the Franchise Agreement and is not refundable under any circumstances. The initial franchisee fee may be waived at Jet's discretion for certain affiliate stores.

If you acquire area development rights, you must pay an area development fee when you sign the Area Development Agreement. The amount of the area development fee depends upon the number of franchises that you will have the right to develop under the Area Development Agreement and whether you qualify for 50% the military discount. Jet's requires a \$30,000 fee for the first franchise

location, a \$25,000 fee for the second location, a \$20,000 fee for the third location, and a \$15,000 fee for any additional location. If you qualify for the military discount, Jet's will require a \$15,000 fee for the first franchise location, a \$12,500 fee for the second location, a \$10,000 fee for the third location, and a \$7,500 fee for any additional location. Jet's will grant the right to acquire a minimum of three franchises under an Area Development Agreement, and the area development fee in this circumstance is \$75,000, or \$37,500 for franchisees with the military discount. The area development fee must be paid in full, and is fully earned, at the time the Area Development Agreement is signed. In general, the area development fee includes the initial franchise fee for the franchises opened under the Area Development Agreement, unless a franchisee is opening additional franchises. The area development fees are not refundable under any circumstances.

1. "Acquired Inventory" means your cost for all inventory and supplies (including but not limited to food ingredients, beverages, packages, cups, boxes, napkins, plastic ware, and cleaning supplies) paid for during the reporting period. Jet's uses a monthly reporting period but reserves the right to require payment via pre-authorized electronic bank debit.
2. Except as otherwise noted, all fees are non-refundable and payable to us.
3. To date we have not charged any fees, but we reserve the right to charge a fee for certain meetings, seminars, webinars, or training programs, and you would be responsible for your own costs of attendance at such meetings, including but not limited to travel, meals, and lodging.
4. We may impose reasonable administrative fees of up to \$1,000 for certain minor defaults under the Franchise Agreement. For some more serious defaults, we may impose higher fees: such as \$3,000 for failure to comply timely with renewal conditions, \$20,000 for a Disparagement Fee, and \$25,000 in the event of a credit card breach. You must notify Jet's immediately upon knowledge of any activity that may trigger the Disparagement Fee. The current schedule of administrative fees is attached as Schedule 5 to the Franchise Agreement. We may also impose a 10% late payment fee. If you make more than two late payments to us in any 6-month period, we may require you to deposit

with us an amount equal to six times the last overdue payment.

5. If you default and we terminate your franchise, you must pay us within 30 days after the termination effective date, liquidated damages of \$43,200 to us for lost royalties that would have been paid if the franchise had not been terminated (unless there are less than 36 months remaining in the term of the Franchise Agreement, in which case the number of months multiplied by \$1,200 will equal the liquidated damages). Any liquidated damages we are entitled to only cover damages from the loss of royalties, and do not cover other damages to which we may be entitled to pursue from your other actions or inactions.

6. You must indemnify, defend, and hold harmless us, our employees, agents and attorneys, and other franchisees, their employees, agents and attorneys, against any and all claims, liabilities, losses, costs, or expenses (including reasonable attorney fees) arising out of your operations or activities related to the franchise, its ownership of its assets, or its occupation of its premises.

7. You must pay to Jet’s, within 15 days of any written request by Jet’s which is accompanied by substantiating material, any monies which Jet’s has paid, or has become obligated to pay, on your behalf.

8. Currently, no Technology Fee is imposed, but Jet’s may institute a Technology Fee upon 90 days written notice to you in an amount up to 2.0% of your Acquired Inventory. (Section 6.8) The Technology Fee shall be used to fund technology expenditures as determined by Jet’s and may include but are not limited to providing the Franchise System with general assistance and guidance on Technology Systems, technology-related matters, researching and developing new technologies such as hardware, software and cloud-based services, network maintenance and upgrading, website internet/intranet capabilities and internal and external data storage and archiving.

9. The monthly fees may be increased or decreased in the future to cover administrative costs, at Jet’s discretion. These fees are currently counted towards your minimum monthly advertising spending requirements, but Jet’s reserves the right to separate these fees from the minimum monthly advertising spending requirements and charge the fees in addition to any other fee or spending requirement.

If you are renewing your franchise, you will not incur most of these costs because your Jet's Pizza Franchise is already open. You must, however, make certain modifications and improvements to your Jet's Pizza Franchise to meet our current standards. The costs associated will depend on the condition of your Jet's Pizza Franchise.

Other Notes:

1. This table assumes you will lease space for your Jet's Pizza franchise. A new Jet's Pizza restaurant typically has 1,200 - 1,500 square feet and is located in a strip shopping center in a heavily populated urban or suburban area. Rent varies widely depending upon local market conditions. Rent is estimated to be \$30,000 to \$60,000 per year depending upon factors like the amount of space, condition, and location of the leased premises, and whether you or your landlord will construct the interior of the

premises. The security deposit is estimated to be one or two months' rent. Although we anticipate you will lease space for your Jet's Pizza franchise, it is possible that you may decide to buy real estate on which a building suitable for the Jet's Pizza franchise is already constructed or could be constructed. Real estate costs depend on several factors, including location, size, visibility, economic and market conditions, and the type of ownership interest being purchased. As such, this initial investment table does not reflect the purchase of costs of real estate or of constructing a building suitable for the Jet's Pizza franchise.

2. Includes normal costs of installation of utilities and fees for building permits and inspections for a typical commercial space. This does not include extraordinary costs that may be necessary due to the age or condition of the building, or for water or sewer taps, which may be necessary in rare instances. This also does not include fees that may be charged by local government departments and agencies, which may vary greatly from jurisdiction to jurisdiction. If you, as opposed to your landlord, bear the cost of your leasehold improvements, the cost will tend toward the higher end of the range in the table but your rent will tend toward the lower end of the range in the table; and vice versa if your landlord bears the cost of your leasehold improvements.

3. Includes utility deposits and utility costs during improvements, the cost of organizing your business, sales tax license and health department certification.

4. Opening inventory includes all of your opening inventory and supplies, including food ingredients, beverages, packages, cups, boxes, napkins, plastic ware and cleaning supplies.

5. Includes worker's compensation, personal property and public liability insurance, and delivery and non-owned automobile insurance to cover employee vehicles used to pick up supplies and deliver food. This figure represents the estimated cost for three months of coverage.

6. This includes estimated payroll costs, royalty fees, advertising, and assumes a typical level of income, for the initial three months of business. These figures are estimates and Jet's cannot guarantee that you will not have additional expenses or a lower level of income in starting the business. Your costs will depend on factors like how much you follow Jet's methods and procedures, your management skill, experience and business acumen, local economic conditions, the local market for our product, the prevailing wage rate, the level of competition, and the sales level reached during the initial period. We relied upon our previous experience with our affiliated Restaurants as well as those franchisees who informed us of their experiences. These estimates involve Restaurants which follow our grand opening and marketing plans.

Item 8: Restrictions on Sources of Products and Services

You must purchase all of your leasehold improvements, furniture, furnishings, fixtures, and equipment (including pizza ovens, mixer, walk-in coolers, electronic cash register, computer hardware and software, preparation tables and utensils, and signs), inventory (food ingredients as well as packaging and paper products) and supplies (including advertising materials) according to specifications set by Jet's and from approved suppliers. See Item 11 for more detail regarding required computer hardware and software. We have total discretion to limit the suppliers with whom you deal with respect to your Jet's Pizza Franchise. We restrict your sources to protect our trade secrets, assure quality and a reliable source of products meeting our standards. You must purchase the signs that you will need for your Restaurant from an approved supplier.

Currently, Jet's sole supplier for soda and other drinks available for purchase in stores or online is PepsiCo ("Pepsi"). Jet's also utilizes Zimmerman Advertising LLC ("Zimmerman"), a marketing agency, as its provider of nationwide marketing and advertising services. Jet's reserves the right to change either of these suppliers for any reason at any time.

Jet's gift card program is exclusively administered and processed by Valuetec Card Solutions, LLC.

We will require you to purchase certain items in the Technology System (defined in Item 11) from supplier(s) approved or designated by us. This designation may include the manufacturer or developer as well as the model number or other similar designation. If we name a designated supplier(s) for certain Technology System items, alternate suppliers will not be acceptable. We require you to use our approved suppliers for a Technology System which provides online ordering services to customers.

Neither Jet's nor any of its affiliates is currently an approved supplier of any items, but Jet's reserves the right to do so in the future. No officer of Jet's owns any interest in an approved supplier.

Franchisees may only utilize suppliers that have been approved by Jet's, in Jet's sole discretion. Franchisor will only consider approving additional or new suppliers in unusual circumstances, at the sole cost of the requesting franchisee, regardless of whether or not the proposed supplier is approved. In order to petition Jet's for approval of a new supplier, you and the proposed new supplier must execute an Application for Approval of Supplier, which lists general standards for suppliers. Depending upon the goods or services for which approval is requested, there may be additional criteria or specifications which will be made available to the proposed new supplier. The proposed new supplier will have to execute a confidentiality agreement and provide Jet's with appropriate information and samples for testing. You or the proposed new supplier will have to pay an evaluation fee (see Item 6) to Jet's and reimburse Jet's for any out-of-pocket costs. Jet's current evaluation fee is \$1,000, but is subject to change. Jet's review will typically take no more than 60 days. Supplier approval depends on a number of factors, including product or service quality, reliability, standards, financial capability, and customer relations. Moreover, approval of a new supplier may be conditioned upon its agreement to pay rebates (see below regarding usage of supplier rebates), and its execution of a supply agreement with terms and conditions required by Jet's. Upon approval of a new supplier as to specified goods or services, you may immediately begin to purchase the goods or services from the new supplier. A supplier's approved status may be revoked for any breach or failure to fulfill our supplier standards or criteria or our specifications for particular goods or services. We have no obligation to approve any request for a new supplier or service. Jet's supplier standards, supplier approval and its criteria and specifications for goods and services may be changed from time to time by Jet's, subject to its sole discretion. Such changes may result in additional cost to you.

As described in Item 6, Jet's charges royalty fees to franchisees based on the percentage of Acquired Inventory (inventory and supplies) that the franchisees purchased from suppliers. According to our audited financial statements, in 2023, Jet's total revenue was \$27,831,288 which included \$11,928,077 of royalty revenue (based on Acquired Inventory purchases) and \$579,213 of franchise fees and other revenue. Accordingly, 42.86% of Jet's total revenues was derived from franchisees' purchases of Acquired Inventory.

Jet's earns rebates from suppliers based on the volume of purchases by franchised locations. In 2023, Jet's earned \$4,373,483 through rebates, which represents approximately 15.71% Jet's total revenues in 2023.

Jet's negotiates with some suppliers to obtain the lowest possible cost for purchases by franchisees and may negotiate to receive rebates from suppliers. Supplier rebates will in all cases be applied to benefit franchisees generally. Supplier rebates are currently being allocated to JAI Productions, Inc. for advertising and marketing purposes that promote the Franchise System. Jet's reserves the right to change how supplier rebates are handled.

Within 10 days after your location has been selected, approved, and secured by lease or purchase, Jet's will provide you with its specifications and list of approved suppliers. These required purchases will represent about 100% of the costs you will incur to open the restaurant for business, and about 45% of your expenses on an ongoing basis. There are no purchasing or distribution cooperatives. We do not provide material benefits to a franchisee based on its purchase of particular products or services, or the use of particular suppliers.

If you occupy the Location under a lease, you must ensure that Schedule 4 to the Franchise Agreement, the Standard Lease Rider, has been entered into by all parties, and a new Standard Lease Rider is executed upon any changes to, or assignments of, the lease. Jet's may require that you provide Jet's with a copy of the lease agreement for its written approval. Our approval is not an endorsement of the legal or business terms of the lease. We can require, as a condition of our approval, that the lease contain certain terms and conditions.

You must maintain a competent and conscientious staff who have been trained in product preparation and general business operations in accordance with the procedures set forth in the Jet's Operations Manual, and who meet required governmental health and employment standards.

You must participate in any promotional programs (including physical or electronic gift card programs and/or loyalty programs) implemented by us, at your sole cost and expense, from time to time. This may include offering rebates, giveaways, delivery services, products and other promotional items related to such programs. In addition, it includes your obligation, at your sole cost and expense, to lease or otherwise procure any software, hardware or other items needed to participate in such promotional programs, and in compliance with the requirements as may be set forth in the Operations Manual and from our designated supplier(s). The Operations Manual will establish any and all rules, guidelines, standards and specifications for these programs. However, you must not create or participate in any loyalty programs not authorized by us in writing.

Currently, we operate a customer loyalty program called Jet's Rewards. Under the Jet's Rewards Program, customers can earn points each time they make a purchase. The accrued points can then be redeemed by the customer for free items or delivery service for subsequent purchases, which items and delivery services you will be required to provide at your sole cost and expense.

You must also comply with the restrictions imposed on your advertising as set forth in Section 7 of the Franchise Agreement, including online advertising as set forth in Section 7.6 of the Franchise Agreement.

Item 10: Financing

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

Item 11: Franchisor’s Assistance, Advertising, Computer Systems, and Training

Except as listed below, we are not required to provide you with any assistance.

The following applies with respect to each Franchise Agreement, whether signed as a “stand-alone” agreement or under an Area Development Agreement.

Pre-Opening Obligations

We will provide you with our site selection criteria for your Jet’s Pizza Franchise, and upon your finding a suitable location which meets the site selection criteria to our satisfaction, approve your location. Jet’s does not engage in the practice of owning premises and leasing them to franchisees. Jet’s does not provide assistance with conforming the premises to local ordinances and building codes and obtaining any required permits. If requested, we may use reasonable efforts to help you analyze potential sites and determine site feasibility. It is your responsibility to locate a Jet’s Pizza Franchise site that satisfies our site selection criteria. Factors Jet’s would typically consider in approving a site include demographic information, pedestrian and automobile traffic patterns, the presence of competitive or complementary businesses in the area, conditions of the local economy, viability of the store, availability of parking and zoning requirements. You are encouraged to engage your own expert to assist in site selection. Jet’s has 21 days after request for approval by a franchisee to approve or disapprove a proposed location in its sole discretion. (Section 2.2(a)) Once your location has been determined, your territory and advertising territory will encompass an area with a radius of one and one-half (1½) miles from the location, except that in New York City, New York, and Chicago, Illinois, the radius of the territory is one-quarter (¼) of a mile. (Sections 2.2(d) and 7.1) You are encouraged to engage your own expert, such as a lawyer, to assist in lease negotiations. (Section 2.2(c)) If you are unable to locate a site that is acceptable to us and secure it with a lease within 90 days, or if your restaurant is not ready to open for business within twelve months, after the Franchise Agreement is signed, Jet’s may cancel the Franchise Agreement by written notice to you. (Section 5.5)

We will provide you with specifications for leasehold improvements, fixtures, equipment, furniture, furnishings, and sample layouts of the design of the restaurant, and a list of approved suppliers for

these items. (Sections 5.2, 5.3, 6.5) Jet's must approve the blueprints for the construction or remodeling of your restaurant, and once construction or remodeling is complete, Jet's must inspect and approve your restaurant for conformance with the blueprints and Jet's specifications. (Section 5.3). Jet's does not provide assistance with constructing, remodeling, or decorating the premises.

We will specify approved and mandatory menu items, and will provide you with instructions for their preparation. (Section 6.5)

We will provide you with an electronic copy of the Jet's Pizza Operations Manual. (Section 5.6)

Jet's does not provide assistance with hiring. We will train two restaurant managers. (Section 5.4) There is no fee for two persons to participate in the initial training program; this is included in the initial franchise fee. However, training apparel is not included and will not be provided, and any additional training requirements will be subject to fees. You must also pay and arrange for lodging, food, and transportation.

The above-listed services may be provided by a third-party agent appointed by us.

We estimate it will be eight to twelve months after you sign the Franchise Agreement and pay the initial franchise fee before you open the Restaurant, but the timeframe could be longer depending on your diligence in the site selection and leasing processes and factors such as the existing market conditions, securing building permits and zoning approvals, and construction delays.

Continuing Obligations

Jet's will provide a representative to assist you at your restaurant – at a minimum – approximately eight hours per day for three days at a time scheduled by you and Jet's, but not later than the grand opening of your restaurant. Jet's marketing and support program for out-of-state franchises in new market areas is under constant review and development.

Jet's may, in its sole discretion, provide ongoing support and consultation concerning the operations of the restaurant, via personal visits, telephone, mail, computer or other means of communication. (Section 6.4)

Upon request, Jet's will train a replacement manager if one of your trained managers quits or is terminated. You must pay Jet's the current fee for the training program. (Section 5.4)

Subject to the availability of qualified personnel, Jet's may provide, in its sole discretion, additional support and training for an hourly fee plus reimbursement of out-of-pocket expenses. The current hourly fee is \$30 per hour, but is subject to change. Two persons must be trained at all times at each location. (Section 6.4)

Jet's may hold meetings, seminars, webinars, or training programs for franchisees, may designate certain meetings, seminars, webinars, or programs as mandatory, and although it has never done so to date, may charge a fee for any meetings, seminar, webinar, or program. (Section 6.4) You must pay for your own costs of attending any meeting, seminar, webinar or program, including travel, meals and lodging.

In the State of Tennessee, the above-listed services may be provided by a third-party agent appointed by us.

Jet's Advertising Program

You must spend a minimum per month of \$3,800 on your own local advertising initiatives and for contributions required by any regional advertising fund. In addition, you are required to pay the General Advertising Fee. (Section 7.2, Schedule 7.3 and Schedule 1)

All advertising materials, whether written or electronic, are subject to the prior written approval of Jet's. Advertising materials includes, but is not limited to, video, applications, email, or any other form of media intended for the general public. All forms of advertising must be submitted to Jet's for approval via email to approvals@jetspizza.com. We request up to three business days to review and provide feedback and/or approval. If you advertise with a new vendor, that vendor must complete and sign a Limited License Agreement in order to use our trademarks, logos, etc.

You may advertise only in your own advertising territory, subject to restrictions and guidelines we may impose periodically. If another franchisee is in close proximity, you must use reasonable efforts to coordinate the advertising with the other franchisee, or to conduct joint advertising. We may prescribe measures to limit any adverse impact upon other franchisees or the franchise system as a whole, such as requiring a prominent notice on printed material to the following effect: "GOOD ONLY AT XYZ LOCATION."

We are not obligated to spend any amounts on advertising in your area or territory, or to make expenditures for franchisees which are equivalent or proportionate to the franchisee's contribution, or to ensure that any particular franchisee benefits directly or pro rata from the advertising or promotion conducted by us, or to conduct any other advertising for the franchise system.

The Franchise Agreement appoints the Franchisor to make advertising decisions for your benefit with respect to monies allocated to the General Advertising Fund, including the power to negotiate arrangements with advertising agencies and to authorize the expenditure of funds held by the General Advertising Fund to pay for third party advertising services and marketing campaigns. The amounts contributed to the General Advertising Fund are made for advertising services and marketing campaigns that benefit you; the General Advertising Fund holds the funds received and serves as a conduit to pay the Franchisor and other third parties who will provide the actual services that benefit franchisees. There currently is no advertising council composed of franchisees that advises us on advertising policies.

General Advertising Fund. Although not currently required of franchisees, you may be required in the future to contribute to the General Advertising Fund. (Section 7.3)

Under your Franchise Agreement, you are required to contribute an amount up to 10% of your Acquired Inventory to the General Advertising Fund. Our affiliates who operate Jet's Pizza franchises are also required to contribute on the same basis as all other Restaurants.

Jet's may use monies in the General Advertising Fund only for advertising and promotional expenses, including production, administrative costs, social media, advertising agency fees, and IT programs and enhancements facilitating ordering, sales and promotions. Jet's may also use the General Advertising Fund for media costs only if reasonably intended to benefit Jet's Pizza restaurants and the Franchise System generally, such as a national radio or television advertising program.

The General Advertising Fund must be used for advertising and promotional expenditures directed

primarily at customers of one or more Jet's Pizza restaurants. Jet's may not use the General Advertising Fund for any advertising activities directed primarily at prospective franchisees.

We maintain the General Advertising Fund monies in an account separate from our monies and will not use them to defray our expenses, except for such reasonable costs and overhead as we may incur in activities reasonably related to the administration of the General Advertising Fund and direction of advertising programs, including costs of personnel (inhouse or third parties) for creating and/or implementing advertising, promotional, and marketing programs, and as described in this disclosure document. Any monies collected by the General Advertising Fund, and any earnings on them, will not otherwise inure to our benefit. We anticipate spending all the General Advertising Fund monies during the year within which the contributions are made. If, however, excess amounts remain at the end of the year, we anticipate that all expenditures in the following year will be made first out of accumulated earnings from the previous year, next out of earnings in the current year, and, finally, from current contributions. If there is a deficit at the end of the year, we will apply receipts in the following year to the deficit until it has been eliminated.

We prepare an annual financial statement of the General Advertising Fund using generally accepted accounting principles and will make it available to you. The General Advertising Fund's books and records are audited annually and we will also make the audit report available to you. You may review a copy of the financial statement and/or the audit report at our office upon reasonable request.

In 2023, the General Advertising Fund's expenses were as follows: 61.0% for media costs; 33.5% for production costs; 1.1% Sponsorship; 1.7%% for administrative costs; and less than 2.7% for consumer satisfaction metrics, loyalty programs, research, professional fees, supplies and miscellaneous expenses.

Regional Advertising Funds. Jet's may, from time to time, in its discretion, establish a regional advertising program in a geographical region established by Jet's, which may be a designated marketing area ("DMA") or other area when it determines there are enough Jet's Pizza restaurants in an area to realize economies of scale for marketing and advertising or other purposes. (Section 7.4)

Jet's currently has nineteen regional funds. Jet's has the discretion to determine the boundaries of the region, and may change the boundaries periodically, merge two or more regions into a single region, or split a region into multiple regions. **All Restaurants located in a region for which a regional advertising fund is established, including those owned by affiliates who operate Jet's Pizza franchises, must participate in and contribute to the applicable regional advertising fund.** Jet's establishes a contribution formula for each regional advertising fund, which shall apply uniformly to all Jet's Pizza restaurants in the region.

Your payments to a regional advertising fund will apply toward your obligation to spend a minimum of \$3,800 per month on advertising. Jet's currently engages Zimmerman to provide advertising and marketing services, and Zimmerman is paid through the regional fund contributions. Currently, the contribution formula in each regional advertising fund is 25¢ per box sold or a weekly contribution ranging from \$0 to \$1,000.00. The contribution for each advertising region is set forth in Schedule 1 (Fees).

The legal structure of a regional advertising funds is at the discretion of Jet's, and may include a corporation, cooperative or unincorporated association. Currently, the regional advertising funds are

unincorporated nonprofit associations. Each of the regional advertising funds is governed by a board of directors appointed by Jet’s, and Jet’s administers each regional advertising fund. Each regional advertising fund conducts its operations based on its written governing document or bylaws, which are available for you to review. Regardless of the type of entity or future changes in the structure of a regional advertising fund, the structure would contemplate an opportunity to participate in decision-making by franchisee representatives regarding advertising matters and the expenditure of funds.

All funds from the regional advertising funds are used for advertising intended for the primary benefit of Jet’s Pizza restaurants located in the contributing regions. Jet’s may not use any regional advertising funds for any advertising activities directed primarily at prospective franchisees. Upon request, Jet’s or the regional advertising program will provide financial statements to its franchisees at least annually, which are available for you to review. These statements are not required to be audited. During the most recent fiscal year, funds in the regional advertising funds were spent as follows:

Expense Item	Percentage
Print and Mail Advertisements	39%
TV Advertisements	39%
Digital	21%
	100%

Jet’s primary advertising medium to date has been direct mail coupons, but Jet’s has also used radio, television advertising, digital and social advertising. Jet’s uses an advertising agency to help develop its advertising materials. Jet’s reserves the right to change the advertising agency or to stop using an agency. Jet’s also uses an agency for internet advertising and electronic marketing mediums. You may not utilize any such electronic marketing mediums, or engage or hire any advertising agency or social media company, without Jet’s prior written authorization. Authorization is subject to change per Jet’s discretion. Jet’s has the right to require you to participate in any such electronic marketing mediums. (Section 6.6)

Jet’s may implement certain promotional programs (including gift card programs and/or loyalty programs) for its franchisees. You must participate in and act in accordance with any such policies or procedures prescribed by Jet’s for such promotional programs. (Section 7.8)

Jet’s negotiates for rebates from its suppliers. All rebates are collected by JAI Productions, Inc. and used for marketing and advertising purposes to promote the Franchise System. Jet’s reserves the right to change the use of the rebates.

Gift Card Program

You are also required to participate in the gift card program administered by the Franchisor under an exclusive services agreement with Valutec Card Solutions, LLC, a third-party gift card issuer. The "Gift Card" is an electronic cash card available for purchase and redemption at any Jet’s Pizza Restaurant, including yours, for use as a gift certificate or other purchase credit purposes for food and beverage purchases. Customers may also increase or replenish balances available on the Gift Card. Customers may redeem the balance (or any portion thereof) on the Gift Card for food and beverage purchases. To defray the expenses of administering the Gift Card program, your Restaurant

may be charged a monthly flat fee of \$25 plus additional transaction-based fees, which fees may be increased or decreased in the future, at the Franchisor's discretion. This fee is currently counted towards your minimum monthly advertising spending requirements, but Franchisor reserves the right to separate this fee from the advertising spending requirement and charge the fee in addition to any other fee or spending requirement. The funds collected by the Franchisor for the Gift Card program, and any earnings, are not and will not be, an asset of us or any franchisee. All assets and earnings of the Gift Card program will be applied to administer the Gift Card program, including production and distribution of the Gift Cards, promoting the program to consumers and processing transactions. The Operations Manual will establish any and all rules, guidelines, standards and specifications for this program.

Technology Requirements

We have the right to specify or require that you purchase, lease and use certain vendors, brands, types, makes, and/or models of commercial grade communications equipment, routers, computer systems, Internet-connected devices, and other hardware, including: (a) a point of sale ("POS") computer system; (b) video or security system; (c) other electronic system, device, product or service, (d) computers, equipment, hardware, software, cloud-based services; (e) communication devices and tablets; (f) internet service providers and connections, (g) online ordering systems or services (which permits customers to place, track or pay for orders using the Internet or other electronic media) payment processing systems; (g) high speed broadband connectivity, high speed broadband monitoring, methods and means of encryption and access to Franchisor's network resources, and (h) other brand technology and peripheral devices as Franchisor may specify, update or modify from time to time in the Operations Manual (collectively, the "Technology System"). Upon your request we will provide you with current information regarding our approved providers.

The initial cost to purchase a POS computer system ranges from \$20,000 to \$30,000 per Restaurant. You will be required to install the POS System we designate. The currently designated POS system includes various computer hardware and software components and programs, including terminals, communication software, monitors, printers, and payment processing software which records and reports all sales, payments, discounts, inventories, purchases, and accounting data. You must also have a functioning email address so that we can send you notices and other electronic communications. It is your responsibility to ensure you have proper security applications and controls in place that include but are not limited to anti-virus software and complex passwords for logon accounts. Due to rapidly advancing technology, there may be additional costs to update or replace such POS computer system going forward, as may be determined by Jet's or the franchisee. Jet's reserves the right to require you to replace your POS computer system as frequently as every three years and update your POS computer system as often as needed, in Jet's sole discretion.

Jet's may require a franchisee to purchase new equipment or otherwise remodel its Restaurant to comply with changes in the franchise system, which may include requirements to upgrade or update your computer system. There is no contractual limitation on the frequency or cost of doing so, but in no event will you be required to comply with any changes more than once per year. (Section 6.5(c)(ii))

It is mandatory for you to keep your Technology System in good maintenance and repair, and to purchase support or maintenance contracts on your system. A typical support contract with supplier for maintenance, updating, support and software upgrades can range in cost from \$1,500 to \$4,500

per year.

We also have the right at any time to independently retrieve and/or remove and use data and information that we deem necessary or desirable from your Technology System. There are no contractual limitations on our right to access the information and data. All data provided by you, uploaded to our system from your system, and/or downloaded from your system to our system, is owned exclusively by the Franchisor, and we will have the right to use the data in any manner that we deem appropriate without compensating you. In addition, all other data that you create or collect in connection with the Technology System, or in connection with operation of the Restaurant (including consumer and transaction data), is and will be owned exclusively by the Franchisor during the term of, and following termination or expiration of, the Franchise Agreement. You must provide copies and/or originals of such data to us upon request. We may license use of such data back to you solely for the term of the Franchise Agreement and solely for your use in connection with the establishment and operation of the Restaurant. You are responsible for safeguarding any and all data licensed back to you.

You must abide by all privacy and data protection laws pertaining to the collection, use, processing, integrity, security, transfer of, consumer access to, correction of, and deletion of personally identifiable information. You must ensure that any personally identifiable information is collected only with express or implied consent of the data subject and that all data to be shared with or transferred to the Franchisor has been collected in compliance with a privacy policy that allows such sharing or transfer.

We specifically require that you implement the most recent security requirements that the PCI Security Standards Council, LLC or its successor requires of a merchant that accepts payment by credit and/or debit cards or other mobile payment methods (the Payment Card Industry Data Security Standards or “PCI/DSS”). The PCI/DSS may require you to purchase a firewall or other new hardware and to have an independent third party conduct a PCI/DSS audit as and when required by the standards. You must use our approved vendors for PCI/DSS audits. The PCI Security Standards Council, LLC or its successor may revise the PCI/DSS standards at any time; we do not have control over the timing or substance of any changes. Compliance with PCI/DSS is a minimum requirement of your franchise and does not guarantee that no security breach will occur.

You must upgrade the POS System or other Technology System item as designated by us from time to time. We may require you to replace the POS System or other Technology System every 3 years. We will require you to update or replace software or cloud-based services used by the POS System or other Technology System as directed by us, which may be on a more frequent basis than every 3 years. Although we cannot estimate the future costs of any Technology System item or required service or support, you must incur the costs of obtaining such Technology System item (and additions and modifications) and required service or support. Within 90 days after we deliver notice to you, you must obtain Technology System components we designate and ensure that your Technology System, as modified, is functioning properly.

In the event that Jet’s requires you to obtain, install, and operate a video or security camera system in your restaurant, Jet’s reserves the right to access such footage if it should so decide.

Technology Fee. Jet’s may institute a Technology Fee upon 90 days written notice to you in an amount up to 2.0% of your Acquired Inventory. (Section 6.8) The Technology Fee shall be used to fund technology expenditures as determined by Jet’s and may include but are not limited to providing

the Franchise System with general assistance and guidance on Technology Systems, technology-related matters, researching and developing new technologies such as hardware, software and cloud-based services, network maintenance and upgrading, website internet/intranet capabilities and internal and external data storage and archiving. Whether or not we collect the Technology Fee from you, you are required (and the Technology Fee does not cover) the amounts you will need to spend on Technology Systems, which are in addition to the Technology Fee. Jet's shall have complete discretion as to the use and allocation of the amounts collected from Technology Fee payments, which may be used for payment of salaries, wages and benefits, direct program costs and/or overhead expenses related to the above-described activities. With respect to the collection, use or expenditure of the Technology Fee, Jet's has no obligation to: (i) do so from you or any other franchisee; (ii) ensure equivalent or proportionate collection, use or expenditures; (iii) ensure that you or your Restaurant benefits directly, pro rata or at all from the Technology Fee; or (iv) provide an accounting to you or any franchisee.

Operations Manual.

Jet's will provide you with an electronic copy of the Jet's Pizza Operations Manual or other manuals, bulletins, policy statements or similar announcements. (Section 5.6) From time to time, Jet's, in its sole discretion, may revise the Operations Manual through written communications sent to its franchisees. In case there is a dispute over its content, our master copy of the Operations Manual controls. A copy of the table of contents from the current Jet's Pizza Operations Manual is attached as Exhibit C. The Operations Manual contains approximately 217 pages. The number of pages devoted to each subject is as follows: Preface (1); Jet's Pizza Mission Statement and Guiding Principles (1); Terms and Definitions (1); Trademarks (2); Policy Against Disparagement and Unauthorized Use or Display of Brand and Marks (2); Pre-Opening General Considerations (2); Insurance (2); Pre-Opening Purchases (2); Inventory (2); Training and Support (2); Advertising (2); Restaurant Operations (5); Charges and Discounts (2); Cleaning (3); Inspections (2); Customer Satisfaction (2); Safety and Health Concerns (4); Management (11); Security (3); Default and Remedies (2); Miscellaneous (1). Training Program

The initial training program through Jet's Pizza University begins with training in a classroom setting, followed by full-time, hands-on, on-the-job training at one or more Restaurants operated by Jet's or an affiliate, as well as online video lessons. Training is conducted six days per week for six consecutive weeks, for a total of three hundred hours in the store. We conduct our initial training program approximately 5 times a year (or more frequently, if needed). Currently, all training (including training of franchisees located outside of Michigan) will be conducted at one of our affiliate locations in Michigan, unless Jet's is able to organize an alternative location in a more convenient place. Jet's will select the Restaurants at which training will take place. Training materials include video lessons, excerpts from the Operations Manual and food preparation cards. Most of the trainers and business coaches providing training have been with the company for 3 or more years. A representative of Jet's is primarily in charge of overseeing the training program. Two persons must complete the training program satisfactorily to Jet's by the time your restaurant is ready to open for business, but no later than within nine (9) months after the date of your Franchise Agreement, or Jet's may cancel your franchise. If you wish additional persons to be trained, you must pay a training fee, which is currently \$1,000 per person, as stated in Item 6. You must pay for all travel, meals, lodging

and other expenses you may incur in attending training. We currently do not require any additional training, yet reserve the right to require such additional training.

Throughout the term of your Franchise Agreement, you or a principal or an individual you designate, at your expense, are required to attend all meetings, seminars and conferences we may specify as mandatory, including regional and national meetings, meetings related to new products or product preparation procedures, new Franchise System programs, new operations procedures or programs, training, restaurant management, financial management, sales or sales promotion, or similar topics and annual conferences. We will specify, from time to time, whether your attendance at such meetings, seminars and conferences must be in person or via videoconference or other means.

Item 12: Territory

The Franchise Agreement grants you the right to operate the Restaurant only at the Location approved by the Franchisor in its sole discretion (the “Location”). If, at the time of the signing the Agreement, we have not approved a Location for the Restaurant, you must propose a location for approval by the Franchisor.

Once your Location has been selected and approved by Jet’s, Jet’s will designate your territory and your advertising territory in the Franchise Agreement, which will be a one and one-half (1½) mile radius from the Location, unless the Location is within any of the five boroughs of the City of New York, New York, or Chicago, Illinois, in which case the radius will be one-quarter (¼) of a mile from

the Location.

You may not relocate from the Location without our prior written approval. Any relocation will be at your sole expense. The decision of the Franchisor as to whether to approve your request to relocate from your Location is in our sole discretion. In determining whether to consent to a relocation of your restaurant, we consider the same factors as we would in approving an initial restaurant location, as well as trying to keep the same territory and not violating other franchisees' territories. Moreover, except as may be set forth in and Area Development Agreement signed by us and you (as described below), we have no obligation to approve any additional franchised outlets for you, and you have no options, rights of first refusal or other rights to acquire any additional franchises.

You will have limited rights within your defined territory, which include the right to (i) operate in your defined territory, (ii) advertise in your defined advertising territory, (iii) accept pick-up orders from inside or outside your territory (except for special events), (iv) accept delivery orders from inside your territory, and (v) accept delivery orders from outside your territory (subject to restrictions imposed by Jet's from time to time).

Your territory is not exclusive, because your territory does not give you any exclusivity with respect to customers located in the territory or elsewhere, and because we retain rights to Non-Traditional Restaurants as described below. Because your territory is not exclusive, we are required to include the following statement: "You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control." We and our affiliates retain the right to own, acquire, establish and/or operate, and franchise or otherwise license others to establish and operate "Non-Traditional Restaurants" inside your territory, which are defined as food trucks and other mobile units and in arenas, sports stadiums, sports complexes, shopping malls, food courts, department stores, retail and convenience stores, gas stations, hotels, casinos, amusement parks, arcades, theaters, bowling centers, festivals, fairs, schools, colleges, national parks, state and local parks, public beaches, convention centers, conference centers, factories, hospitals, penal institutions, airports, train stations, public transit stations, cruise ship ports, turnpikes, military bases, government buildings, school buildings and grounds, office complexes, high-rise apartment buildings, senior living facilities, Indian reservations, and other premises where the primary activity conducted at the premises is other than the retail sale of food prepared for immediate consumption. In addition, Franchisor reserves the right to supply "Special Events" in your territory, which are defined as banquets, receptions, picnics, parties, fairs, sporting events, or other events where the volume of the order may be beyond Franchisee's normal capacity. Jet's has no obligation to pay you any consideration in the event that Jet's establishes a Non-Traditional Restaurant or handles a Special Event in your territory.

As long as you are not in default under your Franchise Agreement, we will not operate or grant a franchise to any other person or entity to operate a Restaurant within your territory, except for Non-Traditional Restaurants as described above.

Your rights within your territory are not subject to achieving or maintaining a certain sales volume, market penetration or other performance-based factor, and once determined, Jet's has no right to alter the boundaries of your territory during the initial and first renewal term of the Franchise Agreement.

Jet's may impose restrictions upon advertising activities, such as to coordinate advertising activities with other franchisees in nearby territories. Jet's may also impose restrictions upon accepting delivery orders from outside your territory, such as to minimize interference with the territories of other

franchisees, or to ensure the quality of the pizza or other food being delivered, which Jet’s reserves the right to determine and decide in its sole discretion. Other than special events, as discussed below, there is no restriction on accepting pick-up orders from outside of your territory.

Except as described in this disclosure document, we have not established, and, as of the issuance date of this disclosure document, do not intend to establish, other franchised or company-owned Restaurants that provide similar products or services under different proprietary marks, but we reserve the right to do so in the future.

Under an Area Development Agreement, you would have the right and obligation to develop a certain number of Jet’s franchise restaurants within a defined Area Development Territory according to a pre-determined development schedule, as outlined in the terms of an Area Development Agreement. So long as you satisfy your obligations under the Area Development Agreement and applicable Franchise Agreement, Jet’s will not establish, operate, or license anyone else to own or operate, a Jet’s franchise restaurant in the Area Development Territory throughout the term of the Area Development Agreement. For each franchise acquired under an Area Development Agreement, you must sign a separate Franchise Agreement and any related agreements or documents on Franchisor’s then-current standard forms. You may not develop or operate Jet’s franchise restaurants outside the defined territory. Jet’s may terminate the Area Development Agreement if you do not satisfy your development obligations as required.

Jet’s reserves all rights not specifically granted to you, including but not limited to: (a) to open, operate and license others to own and operate restaurants, facilities or outlets operating under one or more of Jet’s trademarks, but using a design, format or system materially different from your franchise system; (b) to distribute or sell goods bearing one or more of Jet’s trademarks at wholesale or retail, such as frozen pizza, canned pizza sauce or other ingredients; and (c) to open, operate and license others to own and operate restaurants, stores or other facilities operating under one or more of Jet’s trademarks, in conjunction with one or more other trademarks, service marks or franchise systems. Jet’s has no immediate plans to do any of these things, but reserves the right to do so in the future.

There is no currently effective material determination of the USPTO, the Trademark Trial and Appeal Board, or the trademark administrator of any state or any court, there are no pending infringement, opposition or cancellation proceedings, and there is no pending material federal or state court litigation regarding Jet's use or ownership rights in any of these trademarks. There are no agreements in effect which would significantly limit Jet's right to use or license the use of these

trademarks in any way material to your franchise. Jet's has filed all required affidavits and there are no other superior rights, prior rights, or infringing uses other than that which is set forth herein.

Jet City Pizza Co. of Seattle, Washington was in business prior to registration of the marks listed above, and is still in business, and therefore has certain prior rights to continue operating under that name. On December 20, 2005, Jet City Pizza and Jet's entered into a Trademark Coexistence Agreement ("Coexistence Agreement"). Pursuant to the Coexistence Agreement, Jet City Pizza has certain restrictions on its use of its JET CITY PIZZA trademark. For example, it may not use its JET CITY PIZZA trademark outside of a 100-mile radius of the Seattle metropolitan area unless such use either includes or is in close proximity to its design mark depicted in U.S. Trademark Registration No. 2,182,137 or is used in conjunction with a new design. It may, however, use its JET CITY PIZZA trademark within the 100-mile radius of the Seattle metropolitan area without the inclusion of a logo. The Coexistence Agreement has no written prohibition on the location of Jet's Pizza restaurants within or outside of Seattle, Washington but Jet's cannot control any decision by the Jet City Pizza successors in interest to raise such an issue.

You must notify Jet's promptly of any infringement claim against you by a third party related to your use of Jet's trademarks. You must also notify Jet's promptly of any action by a third party that may constitute infringement of any of Jet's trademarks. Jet's has the exclusive right to defend its marks against infringement by others, and has sole discretion whether it wishes to defend you against infringement claims by third parties provided you promptly notify Jet's of the claim. The action to be taken by Jet's is subject to its exclusive discretion, and may include modification or discontinuance of the use of any mark. In that case, you must immediately modify your use or stop using the mark. If it is one of the principal marks used in connection with the franchise system, Jet's shall provide you with one or more replacement marks.

Under our business judgment, if we decide at any time that we will discontinue using, modify, replace, or use additional trademarks, you must comply with our directions after receiving our notice to you. Jet's shall have no liability for any other loss, damage, cost or expense you may suffer, such as but not limited to, litigation costs, attorney fees, any loss of revenue, increased promotion expenses, or the cost of remodeling your store.

You may use our trademarks only as expressly authorized in your Franchise Agreement. If we discover your unauthorized use of our trademarks, we may require you to immediately stop your unauthorized use and destroy all offending items reflecting such unauthorized use.

Jet's will protect your right to use our trademarks, service marks, trade names, logotypes, or other commercial symbols we authorize, or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of Jet's name, provided that your use has been consistent with the Franchise Agreement, Operations Manual, and our current standards and you have promptly notified us of, and comply with our directions in responding to, the proceeding.

Item 14: Patents, Copyrights, and Proprietary Information

No patents are material to the franchise. Jet's has an unregistered copyright in its Operations Manual, and has other proprietary information material to the franchise, such as recipes, food preparation cards and advertising material, which you will receive under your Franchise Agreement. This proprietary information is subject to confidentiality agreements contained in your Franchise Agreement. Jet's also has the following United States copyright registration:

	Copyright	10/21/2016	VA 2-020-763
-----------------------------------------------------------------------------------	-----------	------------	--------------

There is no current material determination of the USPTO, the United States Copyright Office (USCO) or any court regarding this copyright. There is no agreement that limits the use of the copyright. Jet's has no obligations to take any action to protect this copyright or to defend you against claims arising from your use of the Operations Manual.

Item 15: Obligation to Participate in the Actual Operation of the Franchise Business

You are required, at all times, in good faith, honestly, and diligently, to perform your obligations under the Franchise Agreement and use best efforts to promote and successfully operate your Jet's Pizza Franchise.

Jet's requires that each store have at least one owner who personally supervises the franchised business. This "owner-operator" will serve as a manager and must (1) have successfully completed our training program, and (2) possess the skills necessary to properly fulfill and discharge the demands and responsibilities required by the Franchise Agreement. The manager and each owner (as defined below) must sign a confidentiality agreement to protect the proprietary information of Jet's, and an agreement not to compete with Jet's. Copies of the current forms of Confidentiality Agreement and Agreement Not to Compete are attached as Exhibits G and H. The manager does not have to have an ownership interest in the franchise. If you are a corporation, limited liability company or other entity in which the owners have limited liability, each owner must sign a personal guaranty of your obligations under the Franchise Agreement. A copy of the current form of personal guaranty is attached as Exhibit F. For the avoidance of doubt, every person or entity holding a direct or indirect ownership interest in a franchise is considered an "owner."

Item 16: Restrictions on What the Franchisee May Sell

You must offer all menu items that Jet's designates as mandatory, and you may not offer or sell any menu items that have not been approved by Jet's. Certain items may be offered or test marketed only in certain regions, and certain items may be designated as mandatory only in certain regions. We may modify our menu periodically and you must comply with the changes. Jet's has absolute discretion whether to make any changes to its menu. As discussed in Item 12, any orders you receive for special events must be coordinated with Jet's, and Jet's may impose a reasonable limit on your delivery area. Otherwise, there is no restriction on your customers, whether for pick-up or delivery, and whether the order is placed from inside or outside your territory. To the extent allowed by applicable law, we may regulate the minimum, maximum, and other prices for our menu and services your Jet's Pizza Franchise offers.

Item 18: Public Figures

Jet’s reserves the right to promote with public figures.

Item 19: Financial Performance Representations

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting James Galloway, 37501 Mound Road, Sterling Heights, Michigan 48310 (586) 268-5870), the Federal Trade Commission, and the appropriate state regulatory agencies.

Attached as Exhibit D is a list of all current franchisees and the address and telephone number of each of their outlets. Exhibit D also reflects franchisees that have signed a Franchise Agreement, but have not yet opened their stores. Attached as Exhibit E is the name and last known business or home phone number of all of the franchisees who had a store terminated, canceled, not renewed, transferred, or otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement during the most recent fiscal year. There are no franchisees who have failed to communicate with Jet's within the last ten weeks. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with Jet's. You may wish to speak with current and former franchisees but be aware that not all of those franchisees will be able to communicate with you.

To the best knowledge of Jet's, currently there is not a franchisee organization associated with the franchise system being offered.

JET'S PIZZA FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the "Agreement") is made by and between JET'S AMERICA, INC., a Michigan corporation ("Franchisor"), and the franchisee identified on the signature page hereto ("Franchisee"). The effective date of this Agreement shall be the date it is signed by an authorized officer or representative of Franchisor (the "Effective Date").

RECITALS:

A. As the result of the expenditure of significant time, skill, effort, and money, Franchisor has developed Jet's Pizza restaurants, which offer pizza, calzones, salad, and other food to the public, primarily for carry-out and delivery.

B. The operation of Jet's Pizza restaurants includes technical information and expertise relating to the preparation and production of food products; the use of special spices, sauces, and pizza dough, all of which constitute trade secrets and are identified by the public with Jet's Pizza products; special recipes and new menu items; distinctive and prescribed interior and exterior layout, design, décor, fixtures, and furnishings; standards and specifications for products and supplies; service standards; standards, specifications, and procedures for operations; training and assistance; and advertising and promotional programs (collectively, "Operational Plans"); all of which may be changed, improved, and further developed by Franchisor from time to time, subject only to its good faith business judgment.

C. Franchisee desires to develop, own and operate a Jet's Pizza restaurant in conformity with the Franchise System (as hereinafter defined) as established and promulgated from time to time by the Franchisor. In acquiring the Franchise, Franchisee acknowledges that:

- The essential value of a franchise is public recognition of the franchise and its products, which depends upon consistency and uniformity from one franchise to the next;
- Consistency and uniformity in the operations of other franchises inures to its benefit, and vice versa;
- To be successful, the image, design, business concept, marketing strategy, methods of operation, and other facets of the Franchise System of Jet's Pizza restaurants must continue to evolve and change over time, and Franchisee must defer to Franchisor's business judgment regarding all aspects of the Franchise System;
- Franchisor shall have the right to act in the best interests of other franchisees and the Franchise System as a whole, which may not always be in the best interest of Franchisee; and
- Despite the success Franchisor or any other franchisee may have experienced, there is no guarantee that Franchisee will be successful.

D. Franchisee acknowledges that it would take substantial capital and human resources to develop a restaurant concept that is similar to a Jet's Pizza restaurant, and recognizes the benefits to be derived from identification with Franchisor's Franchise System, and therefore desires to acquire a franchise to own and operate a Jet's Pizza restaurant, subject to the terms and conditions of this Agreement.

E. Franchisee understands and acknowledges the importance of Franchisor's high standards of quality, cleanliness, appearance, and service and of Franchisor's proprietary products and ingredients

(including without limitation spices, sauces, and dough), and the necessity of operating Franchisee's Business in conformity with Franchisor's standards and specifications.

F. This Agreement is entered into in connection with [Check One]:

- The grant of a new Franchise;
- The renewal of an existing Franchise; or
- The transfer of a Franchise.

THEREFORE, the parties agree as follows:

1.9 "Operations Manual" means any set or compilation of publications, documents, memoranda, announcements, instructions, notices or written communications in any form, including without limitation print or electronic media, issued by Franchisor from time to time which describes any

standards, specifications, policies, procedures, and requirements concerning any aspect of the Franchise System, the Marks, the operation of the Restaurant including but not limited to such areas as design, construction, operations, accounting, marketing, requirements to use approved suppliers, and including the Jet's Pizza Operations Manual. The Operations Manual may be updated, modified or revised by Franchisor at any time. The Operations Manual is incorporated into this Agreement by reference. The content of the Operations Manual is Proprietary Information of Franchisor and is subject to the restrictions in Section 11 of this Agreement.

1.10 "POS System" means an electronic point of sale system, whether physically located at the Restaurant or in a virtual location, which may consist of one or more computer systems, hardware, software, dedicated telephone, power and data lines, modems, high speed Internet access (or alternative communications line designated by, or permitted by us), cables, printers and other computer-related accessories and peripheral equipment and which may provide point of sale information, customer databases and retention services to Jet's, and perform accounting, marketing, and inventory functions as specified by Franchisor in accordance with the Operations Manual.

1.11 "Related Party" means (i) an owner, stockholder, director, officer, member, manager, partner, restaurant manager or other key employee of Franchisee; or (ii) a corporation, limited liability company, or other entity that controls, is controlled by, or is under common control with Franchisee.

1.12 "Restaurant" means the Jet's Pizza restaurant which Franchisee is licensed to own and operate under this Agreement.

1.13 "Standard Lease Rider" is attached as Schedule 4.

1.14 "Technology Fee" means, if instituted, a fee equal to no more than two percent (2%) of Franchisee's Acquired Inventory.

1.15 "Technology System" shall include, but not be limited to, any POS System, gift card program, loyalty program, video or security system or other electronic system, device, product or service, including computers, equipment, hardware, software, cloud-based services, communication devices, tablets, internet service providers and connections, online ordering systems or services (which permits customers to place, track or pay for orders using the Internet or other electronic media) payment processing systems, high speed broadband connectivity, high speed broadband monitoring, methods and means of encryption and access to Franchisor's network resources, and other brand technology and peripheral devices Franchisor may specify from time to time.

2. Grant.

2.1 Franchise Grant. Franchisor hereby grants to Franchisee a non-exclusive license to use the Franchise System solely in connection with the establishment, ownership and operation of the Restaurant, subject to the terms and conditions of this Agreement.

2.2 Location of Restaurant.

(a) Location. The Restaurant shall be operated only at the Location, which must be approved by Franchisor in its sole discretion. The exact street address of the Location is specified in Schedule 2 attached hereto. In the event that the Location has not been determined as of the Effective Date, Franchisee shall submit in writing to Franchisor all relevant information pertaining to a proposed location for the Restaurant within thirty (30) calendar days of the date of this Agreement. Franchisor shall approve or disapprove of such proposed location, in Franchisor's sole discretion, within twenty-one (21) business

days after Franchisee requests Franchisor's approval. If Franchisor does not approve the proposed location in writing within twenty-one (21) business days, Franchisor shall be deemed to have disapproved of the proposed location. Upon approval by Franchisor, the proposed location shall be deemed the Location of the Restaurant and shall be specified in an updated Schedule 2 which Franchisor will initial and send to Franchisee. Franchisee shall have the sole responsibility for selecting a proposed location, but may request Franchisor's assistance in such selection subject to the terms of Section 2.2(b) below. Any site selection assistance or approvals furnished by Franchisor before or after executing this Agreement shall not be deemed to be a guarantee, assurance, or representation by Franchisor that the Restaurant will be profitable or successful at the Location.

(b) Location Selection Assistance. If requested by Franchisee, Franchisor or its designee may use its discretion to assist or arrange for the assistance of Franchisee in analyzing a prospective site location for the Restaurant, including reviewing the demographics of the surrounding area. FRANCHISOR IS NOT AN EXPERT IN SITE SELECTION OR DEMOGRAPHIC ANALYSIS. FRANCHISOR ENCOURAGES FRANCHISEE TO ENGAGE ITS OWN EXPERT(S), SUCH AS A LAWYER, TO ASSIST IN SITE SELECTION. FRANCHISOR'S ASSISTANCE IN SITE SELECTION IS NOT A GUARANTEE OF SUCCESS. Franchisee acknowledges and agrees that if Franchisor recommends or gives Franchisee information regarding the site selection that it is not a representation or warranty of any kind, express or implied, of the site's suitability for the Restaurant or any other purpose. Franchisee acknowledges that its acceptance of the site will be based on its independent investigation of the site's suitability. If requested to assist in site selection, Franchisee must pay or reimburse Franchisor for any out-of-pocket expenses incurred by Franchisor, including but not limited to travel, meals and lodging.

(c) Lease or Purchase of Location. Once the Location has been approved pursuant to Section 2.2(a), it is Franchisee's responsibility to secure the Location, either by lease or purchase. Franchisee's lease is subject to the approval of Franchisor, in its sole discretion. The lease must contain certain required terms and provisions, including but not limited to: (i) a provision reserving to Franchisor the right to receive an assignment of the lease upon termination or expiration of this Agreement, (ii) a provision requiring the lessor to give Franchisor all sales and other information Franchisor requests relating to the operation of the Restaurant, (iii) a provision requiring the lessor to send Franchisor a copy of any written notice of lease default sent to Franchisee and granting Franchisor the right (but not an obligation) to cure any lease default within fifteen (15) business days after expiration of Franchisee's cure period, (iv) a provision evidencing Franchisee's right to display Marks of the Restaurant and (v) a provision allowing Franchisor to enter the premises upon expiration or termination of this Agreement to remove signs and other items bearing the Marks. In conjunction with the lease, Franchisee and lessor must execute Franchisor's Standard Lease Rider in substantially the form of that attached as Schedule 4, or the lease must contain provisions substantially to the same effect as those contained in the Standard Lease Rider. Once the lease has been executed, Franchisee shall furnish Franchisor with an executed copy of the lease for its records. Franchisee shall fulfill its obligations under the lease, and any default by Franchisee under the lease shall also be a default under Section 14 of this Agreement. FRANCHISOR ENCOURAGES FRANCHISEE TO ENGAGE ITS OWN EXPERT(S), SUCH AS A LAWYER, TO ASSIST IN LEASE NEGOTIATIONS.

(d) Territory.

(i) Protection. During the term of this Agreement, unless explicitly stated otherwise in an addendum to this Agreement and except as otherwise provided in Section 2.2(d)(ii), Franchisor shall not establish or grant a franchise to others to establish a Jet's Pizza restaurant at any location within the geographical area enclosed within a circle which: (a) is drawn around the Location; (b) has the Location at its center; and (c) has a radius of one and one-half (1½) miles from the Location (the

“Territory”); provided, however, that if the Location is within the boundaries of the City of New York, New York, the City of Chicago, Illinois, or other major cities, the radius of the Territory shall be one-quarter (¼) mile from the Location.

(ii) Exclusions from Territorial Protection. Franchisee expressly acknowledges and agrees that, except as provided in Section 2.2(d)(i), the Franchise is non-exclusive. Franchisor and any Franchisor affiliate each retain the right, among others, in any manner and on any terms and conditions Franchisor deems advisable, and without granting Franchisee any rights therein, to own, acquire, establish, and/or operate, and license others to establish and operate, Jet’s Pizza restaurants (A) outside the Territory, and (B) inside the Territory on food trucks and other mobile units and in arenas, sports stadiums, sports complexes, shopping malls, food courts, department stores, retail and convenience stores, gas stations, hotels, casinos, amusement parks, arcades, theaters, bowling centers, festivals, fairs, schools, colleges, national parks, state and local parks, public beaches, convention centers, conference centers, factories, hospitals, penal institutions, airports, train stations, public transit stations, cruise ship ports, turnpikes, military bases, government buildings, school buildings and grounds, office complexes, high-rise apartment buildings, senior living facilities, Indian reservations, and other premises where the primary activity conducted at the premises is other than the retail sale of food prepared for immediate consumption (“Non-Traditional Restaurants”).

(e) Relocation. Franchisee may not change the Location of the Restaurant without the prior written consent of Franchisor. Franchisor may change the Territory or Advertising Territory, in its reasonable discretion, for the new location of the Restaurant. Any relocation will be at Franchisee’s sole expense.

2.3 No Customer Exclusivity. Franchisee expressly acknowledges that Franchisee has no exclusive rights with respect to customers located in the Territory or elsewhere. Subject to the Franchise System standards established by Franchisor from time to time, all Restaurants (regardless of ownership) may solicit and sell products to customers without regard to the customers’ geographic location.

2.4 Modifications to Franchise System. Franchisee acknowledges that the Franchise System and the products and services offered by the Restaurant may be modified (such as, but not limited to, the addition, deletion, and modification of menu items, operating procedures, ingredients, recipes, products, technology, advertising and marketing obligations, and services) from time to time by Franchisor; and Franchisee agrees to comply, at its expense, with all such modifications, including without limitation, all requirements needed to implement the modifications, such as replacement, upgrade, installation, or renovation of equipment, remodeling, redecoration, and modifications to existing improvements, including structural changes.

3. Term and Renewal.

3.1 Initial Term. Except as otherwise provided herein, the initial term of this Agreement shall begin on the Effective Date, and shall expire at 11:59 p.m. on the date of the tenth (10th) anniversary of the Effective Date (the “Initial Term”).

3.2 Renewal Term.

(a) Renewal of Initial Franchise Agreement. This Agreement does not automatically renew upon its expiration. However, Franchisee has an option to renew the Franchise for one additional ten (10) year term if, and only if, each and every one of the following conditions has been satisfied (any of which conditions Franchisor may waive, in its sole discretion):

(i) Notice. Franchisee must notify Franchisor in writing at least six (6) months prior to the expiration of the Initial Term that it desires to renew the Franchise. Failure to deliver the written notice required by the previous sentence will be deemed an election by Franchisee not to renew.

(ii) Evaluation. Franchisor shall evaluate whether Franchisee qualifies for renewal under the terms and conditions of this Agreement and shall provide Franchisee with its consent or refusal at least thirty (30) days prior to the expiration of the Initial Term. Franchisor may elect to grant the renewal, refuse the renewal due to existing non-compliance with the Franchise System, deficiencies of the Restaurant or in Franchisee's operation of the Restaurant, or grant the renewal on the condition that Franchisee correct the existing deficiencies or perform remodeling.

(iii) Conditional Renewal. In the event Franchisor grants a conditional renewal, Franchisee shall also be subject to pay certain additional fees for late compliance of renewal requirements, as set forth in Schedule 5.

(iv) Relocation. If Franchisee wishes to relocate the Franchise to a new location upon renewal, Franchisee must give Franchisor at least twelve (12) months' prior written notice of a request to relocate, which shall include a new equipment layout, and shall deliver to Franchisor a new lease within nine (9) months of the renewal date. Franchisor, at its sole discretion, may approve or not approve such request to relocate. If applicable, Franchisor may supply Franchisee with a written notice describing the remodeling, expansion, improvements, and/or modifications required to bring the Restaurant into compliance with then applicable standards and specifications for new Jet's Pizza restaurants.

(v) No Breach. Franchisee must not be in default, either at the time of giving notice under Section 3.2(a) or during the remainder of the Initial Term, of any provision of this Agreement, any amendment or addendum hereof or successor hereto, or any other agreement between Franchisee and Franchisor or its affiliates, and, in the sole judgment of Franchisor, Franchisee must have substantially and timely complied with all terms, conditions, and obligations of the agreements during the terms thereof (including payment obligations, minimum marketing and advertising requirements, and the Franchise System).

(vi) Release of Claims. Franchisee and all guarantors and owners of Franchisee shall have executed a general release, in a form satisfactory to Franchisor and subject to applicable law, of any and all claims which any of them may have against Franchisor, its affiliates, and their respective shareholders, directors, employees and agents, including without limitation, claims arising under federal, state, and local laws and regulations.

(vii) Performance of Franchise. The Franchise must not be among the lowest ten percent (10%) of Jet's Pizza restaurants in terms of gross sales or Acquired Inventory.

(viii) Restaurant Renovation. Franchisee must renovate and modernize the Restaurant to conform to the standards and specifications for new Jet's Pizza restaurants in effect at the time of renewal, as set forth in the current version of the Operations Manual or as otherwise announced or adopted by Franchisor from time to time, including, without limitation, renovation, replacement, or installation of signs, furnishings, fixtures, equipment, décor, and the computer system.

(ix) Execution of New Franchise Agreement. Franchisee must execute a new franchise agreement and any related agreements and documents, which new franchise agreement will supersede this Agreement in all respects, and the terms and conditions of which may differ from this Agreement. **THE EXECUTION OF A NEW FRANCHISE AGREEMENT SHALL NOT ENTITLE FRANCHISEE TO ANY ADDITIONAL RENEWAL TERMS.**

1. (x) Renewal Fee. Franchisee must pay the renewal fee as shown in Schedule

(xi) Fixed Monthly Costs. There shall be no right to renew the Franchise if Franchisee's total fixed monthly costs for rent and third party financing exceeds \$9,000.00.

(xii) Good Standing. Franchisee must be on good terms with Franchisor, including, but not limited to, having a good working relationship for day-to-day operations and not being in litigation or other adversarial legal proceedings with Franchisor.

(b) Subsequent Renewals. Notwithstanding anything to the contrary herein, Franchisee shall only be entitled to one (1) renewal after the Initial Term in accordance with the original Franchise Agreement executed by Franchisee and Franchisor, subject to the conditions set forth in this Section 3.2. If this Agreement is entered into after any term which is not the Initial Term, then Franchisor, in its sole discretion, shall determine whether or not to grant any renewal of the Franchise. Franchisee must notify Franchisor in writing at least six (6) months prior to the expiration of the then-current renewal term that it desires to renew the Franchise. Any such renewal shall be granted in Franchisor's sole discretion, which may include some or all of the conditions associated with a renewal as described in Section 3.2(a) above and other conditions.

4. Fees.

4.1 Initial Franchise Fee.

(a) If this Agreement is entered into in connection with the grant of a new Franchise, Franchisee shall pay the Initial Franchise Fee in full at the time this Agreement is executed by Franchisee. The Initial Franchise Fee shall be deemed fully earned and non-refundable when paid, in consideration of administrative and other expenses incurred by Franchisor in entering into this Agreement, and for Franchisor's lost or deferred opportunity to enter into an agreement with others.

(b) If this Agreement is entered into in connection with the renewal or transfer of a Franchise, no Initial Franchise Fee shall be due.

4.2 Royalty Fee. During the term of this Agreement, Franchisee shall pay to Franchisor a continuing royalty fee in the amount equal to twelve percent (12%) of its Acquired Inventory or a minimum royalty fee of \$1,200 per month, whichever is higher, without right of set-off or deduction by Franchisee.

Franchisee Initial Acknowledging Understanding

4.3 Advertising Contributions. Franchisee shall make advertising contributions as provided in Section 7.

4.4 Payment Terms.

(a) Royalties and advertising contributions shall be paid monthly, by the 15th day of each month, with respect to Acquired Inventory for the preceding month.

(b) Franchisor shall periodically prescribe the manner of payment of royalties, advertising contributions, and any other payments under this Agreement. Unless Franchisor agrees otherwise in writing, auto-debit payments, through ACH (Automatic Clearing House), shall be required.

(c) Franchisor reserves the right to require payment of royalties and advertising contributions by pre-authorized electronic funds debit transfer. Upon demand by Franchisor, Franchisee shall make appropriate arrangements with its bank or financial institution to enable Franchisor to debit Franchisee's account. As of the due date of each payment, Franchisor shall be authorized to initiate debit entries based upon reporting by Franchisee or suppliers of Acquired Inventory. If required reports have not been submitted by the due date, Franchisor may debit Franchisee's account based upon a reasonable estimate of Franchisee's Acquired Inventory. Within five (5) days after debiting Franchisee's account, Franchisor shall provide Franchisee with a statement showing the amount debited and how the amount was computed. Unless Franchisee objects in writing within thirty (30) days, the computation and the amount debited shall be deemed accepted by Franchisee and shall be final, except as necessary to correct any under-reporting of Acquired Inventory by Franchisee or suppliers. If Franchisee objects on a timely basis, the parties shall use good faith efforts to promptly investigate, discuss, negotiate and resolve the dispute. Following resolution of the dispute, the amount debited to Franchisee's account for the ensuing month(s) shall be adjusted to reflect the resolution of the dispute.

(d) Franchisor shall have, in addition to all other rights or remedies it may have against Franchisee, the right to set-off against or to recoup from any payment or obligation owed to Franchisee, in whole or in part, any amounts due to Franchisor.

4.5 Late Payments.

(a) Any payment required under this Agreement that is not paid when due shall accrue interest at the rate of one and one-half (1.5%) percent per month, or the highest rate permitted by law, whichever is lower. In addition, the Franchisor will have a right to assess a late fee equal to ten percent (10%) of the original amount due but not paid on time. The late fee is not interest or penalty but compensates Franchisor for increased administrative and management costs due to the late payment. Franchisor may debit Franchisee's bank account automatically for late fees and payments. If Franchisee is an individual, Franchisee must sign a business purpose affidavit at the time this Agreement is signed.

(b) If Franchisee makes more than two (2) late payments to Franchisor in any six (6) month period, Franchisor may, in addition to any other rights or remedies it may have, require Franchisee to deposit with Franchisor an amount equal to six (6) times the last overdue payment. Franchisor may commingle the deposit with its other funds. Franchisor may draw upon this deposit to pay any amount that Franchisee fails to pay in a timely fashion. If Franchisor draws on the deposit, Franchisee shall promptly replenish it. If Franchisee makes all payments in a timely fashion for six (6) months, the deposit will be returned to Franchisee without interest.

4.6 Reimbursement of Monies Paid on Behalf of Franchisee. Franchisee shall pay to Franchisor, within fifteen (15) days of any written request by Franchisor which is accompanied by substantiating material, any monies which Franchisor has paid, or has become obligated to pay, on behalf of Franchisee, by consent or otherwise under this Agreement.

4.7 No Set-Off; Application of Payments; Refundability. Franchisee's obligations for the full and timely payment of the fees described in this Agreement are absolute and unconditional. Franchisee must not delay or withhold the payment of all or part of those fees based on the alleged non-performance by Franchisor or for any other reason or put the fees in escrow or setoff against any claims Franchisee may allege against Franchisor. Franchisor may apply any payments received from Franchisee for royalty, advertising contributions, purchases from Franchisor, interest, late charges or any other obligation of Franchisee to Franchisor to the obligation and in the manner chosen by Franchisor, regardless of any other designation by Franchisee. Except as otherwise provided in this Agreement, payment of all fees, contributions and other amounts will be deemed fully earned and nonrefundable on payment.

4.8 Temporary Closures. In the event Franchisee temporarily closes the Restaurant, whether for redecoration, renovation, repair, or any other reason, Franchisee's obligations for the full and timely payment of (i) its contributions to the General Advertising Fund and regional advertising funds, if any, and (ii) the minimum royalty will continue throughout the entire closure period.

4.9 Additional Information. Additional information regarding the fees, contributions and other amounts that Franchisee may be obligated to pay in order to operate the Restaurant are set forth in Schedule 1.

5. Preparation for Opening Restaurant; Opening. The provisions of this Section 5 apply only if this Agreement is entered into in connection with the grant of a new Franchise.

5.1 Franchisee's Costs. Franchisee shall be responsible for all costs and expenses to prepare the Restaurant to open for business, including but not limited to all financing required to develop and operate the Restaurant, architect fees, leasehold improvements, fixtures, equipment, furniture and furnishings, and any necessary licenses and permits.

5.2 Furniture, Fixtures, Equipment, Inventory and Supplies.

(a) All leasehold improvements, furniture, furnishings, fixtures, equipment (including the Technology System (as defined in Section 6.5(j)(i) below)), inventory, supplies, and the design of the Restaurant must conform with policies, procedures, standards and specifications issued by Franchisor and/or must be purchased from suppliers approved by Franchisor.

(b) Not later than ten (10) days after the execution of Schedule 2 specifying the Location, Territory and Advertising Territory, Franchisor shall provide Franchisee with its applicable policies, procedures, standards and/or specifications, and a list of approved suppliers for these items.

5.3 Restaurant Design and Build-Out. Not later than ten (10) days after the Location for the Restaurant has been secured by lease or purchase pursuant to Section 2.2(c), Franchisor will provide Franchisee with design specifications and sample layouts that must be incorporated into the design of the Restaurant. Franchisee shall hire an architect to prepare plans or blueprints for the construction of the Restaurant in conformance with Franchisor's specifications. Once the blueprints have been prepared, Franchisee must submit them to Franchisor for its written approval before construction may begin. Franchisor shall not unreasonably withhold its approval. Once Franchisor has approved the blueprints, Franchisee may proceed with construction of the Restaurant. When construction is complete, the Restaurant must be inspected and approved in writing by Franchisor for conformity with the plans and specifications previously approved. Franchisee may not open the Restaurant for business until it has been approved in writing by Franchisor, in its sole discretion.

5.4 Training.

(a) BEFORE OPENING THE RESTAURANT FOR BUSINESS, TWO (2) OR MORE PERSONS (i.e., Franchisee, if Franchisee is a natural person, or employees or managers) MUST SATISFACTORILY COMPLETE FRANCHISOR'S INITIAL TRAINING PROGRAM.

(b) Franchisor shall have the discretion to decide the location, format and content of its initial training program, which may change from time to time. Currently, the initial training program begins with training in a classroom setting, followed by full-time, hands-on, on-the-job training at one or more Jet's Pizza restaurants operated by Franchisor, its affiliate, or another franchisee. Training is conducted six (6) days per week for six (6) consecutive weeks. The training encompasses all aspects of the

operation of the Restaurant. Training materials include video lessons from Jet's Pizza University, excerpts from the Operations Manual and food preparation cards. Instructors are employees of Franchisor or its affiliates with a minimum of three (3) years' experience. A representative of Franchisor is primarily in charge of overseeing the training program. Neither Franchisee nor its employees or managers shall be entitled to compensation for work performed during the training session. Franchisee shall be responsible for all expenses of attending any training session, including travel, meals, lodging, and any wages.

(c) Franchisor's current fee for the initial training program is shown on Schedule 1, but is subject to change at Franchisor's discretion. The cost for two (2) people to participate in the initial training program is included in the Initial Franchisee Fee, which does not include the cost of training apparel. If Franchisee elects to have more than two (2) people trained, Franchisee must pay Franchisor's current standard fee for the initial training program.

(d) Franchisee and other employees designated by Franchisor also shall attend such additional training programs as Franchisor may require or direct from time to time and at any time, as set forth in Section 6.4. Franchisee shall be responsible for any and all other expenses incurred by its trainees in connection with additional training programs, including without limitation, the costs of transportation, lodging, meals, and any wages. Franchisee acknowledges and agrees that no compensation or other benefits will be paid to Franchisee, its principals, owners, managers or employees for any services performed by Franchisee or its principals, owners, managers or employees during training at any Jet's Pizza restaurant operated by Franchisor or any other person.

5.5 Franchisor's Right to Cancel.

(a) If Franchisee does not select a location, have it approved by Franchisor, and secure it by lease or purchase within ninety (90) days, or any time thereafter, after this Agreement is signed by Franchisor, or if the Restaurant is not ready to open for business within twelve (12) months, or any time thereafter, after this Agreement is signed by Franchisor, FRANCHISOR MAY TERMINATE THE FRANCHISE IMMEDIATELY upon written notice to Franchisee.

(b) If Franchisee does not have at least two (2) persons who have satisfactorily completed the initial training program by the time the Restaurant is ready to open for business, FRANCHISEE SHALL BE DEEMED TO BE IN DEFAULT UNDER THIS AGREEMENT, in which case:

(i) FRANCHISOR MAY TERMINATE THE FRANCHISE IMMEDIATELY upon written notice to Franchisee, in which case:

(A) Franchisee shall be entitled to no notice of default or opportunity to cure prior to termination of the Franchise;

(B) Franchisee shall not be liable for damages due to its failure to complete the initial training program; and

(C) The provisions of Section 15.2, 15.6, and 15.7 shall apply in connection with the termination of the Franchise; or

(ii) Alternatively, Franchisor may elect not to terminate the Franchise, but may exercise any other rights or remedies available to it by reason of Franchisee's default.

5.6 Operations Manual. In order to protect the reputation and goodwill of Franchisor, to maintain the standards of the Operational Plan, and to promote the goodwill of all Jet's Pizza restaurants and the Franchise System, Franchisor has prepared a confidential Operations Manual. Prior to opening for business, Franchisee shall be given a copy of the Operations Manual, which may be provided electronically. Franchisor may revise, replace, add, supplement, amend or otherwise modify the Operations Manual from time to time and at any time, in its sole discretion. Franchisor may also revise, replace, add, supplement, amend or otherwise modify any standard, specification, policy or procedure in the Operations Manual unilaterally and under any condition, to any extent that Franchisor deems necessary, advisable or desirable in its sole discretion to meet the competition, protect or enhance the Marks, the Technology System or the Franchise System, or to alter or amend the Menu Items, products or services of the Franchise System or the means of advertising, marketing, selling or deploying information technology functions. Franchisee shall keep a copy of the current version of the Operations Manual at the Restaurant. In case there is a dispute over its content, Franchisor's master copy of the Operations Manual controls. Franchisee agrees to keep the content of the Operations Manual confidential and not disclose it to any person other than the Restaurant's employees who need to know its content.

5.7 Opening Assistance. Franchisor shall provide an employee or representative to be present at the Location for approximately eight (8) hours per day for three (3) days at a time to be scheduled by the mutual agreement of Franchisor and Franchisee, but not later than the grand opening of the Restaurant under Section 5.8. The employee or representative of Franchisor shall assist Franchisee with the opening or grand opening of the Restaurant, including but not limited to advising Franchisee about advertising and promotion. There is no additional fee or charge for the opening assistance provided for under this Section 5.7.

5.8 Grand Opening. Franchisee shall hold a "grand opening" for the Restaurant pursuant to this Section 5.8. With reasonable input from and coordination with Franchisee, Franchisor shall plan a grand opening for the Restaurant. The format and content of the grand opening shall be determined by Franchisor. The grand opening shall be held during the first two (2) months after the Commencement Date, to be scheduled by the mutual agreement of Franchisor and Franchisee.

6. Restaurant Operations.

6.1 Best Efforts.

(a) Franchisee covenants that during the term hereof, except as otherwise approved in writing by Franchisor, Franchisee (or if Franchisee is a corporation or other entity, a principal of Franchisee) or an individual designated by Franchisee and approved by Franchisor shall devote his or her full time and best efforts to on-site management and operation of the Restaurant. Franchisor will approve the individual designated by Franchisee if Franchisor determines, after review of all requested background information, that the designated individual is qualified to assume the responsibility to operate and manage the Restaurant. At Franchisor's option, Franchisor may require that the individual acquire an equity interest in the Franchise.

(b) Franchisee shall comply with all federal, state and local laws in connection with its operations of the Restaurant and its occupancy and use of the Location.

(c) Franchisee shall file all returns and pay all federal, state and local taxes related to its ownership or operation of the Restaurant or occupancy of the Location.

(d) Franchisee shall pay its suppliers on a timely basis. Any default by Franchisee in paying its suppliers shall be a default under Section 14 of this Agreement.

6.2 Name and Telephone Numbers.

(a) Business Name. If Franchisee is an entity, it CANNOT use the words, “Jet”, “Jet’s”, “Jett” or “Jet’s Pizza”, nor any of the Marks as part of its name or email address, whether or not the work or Mark is capitalized, and whether it is used as a separate word or combined with other letters as part of a word. Franchisee acknowledges that Franchisor has the right to sublicense the Marks and that any goodwill relating to Franchisee’s use of the Marks will inure to the benefit of the Franchisor and Franchisor’s affiliates. Franchisee may not change its name or conduct business under any other name, without the prior written consent of Franchisor. Franchisee shall not operate any business in connection with the Marks other than the Restaurant. Upon the termination of this Agreement or the Franchise, Franchisee shall immediately file a certificate to cancel any assumed names or other equivalent registrations.

(b) Telephone Numbers. The telephone number or numbers of the Restaurant shall be listed in any and all telephone directories under the name, “Jet’s Pizza”. Franchisee shall be responsible for any security deposit that may be required, as well as all telephone charges. As discussed in Section 15.2, upon the termination or expiration of the Franchise, Franchisor has the right to the telephone number or numbers, or to have the telephone number or numbers assigned to another franchisee of Franchisor.

6.3 Franchisee Employee Policy. Franchisee acknowledges and agrees that, except as otherwise provided in this Agreement, Franchisor does not have authority to exercise control over the means or manners in which Franchisee operates the Restaurant. All Restaurant operations will be determined by Franchisee in its own judgment, subject only to legal requirements, the terms of this Agreement, and the standards, procedures and policies Franchisor prescribes for the preservation of the goodwill associated with the Marks. Franchisee shall maintain a competent and conscientious staff who have been trained in product preparation and general business operations in accordance with the procedures set forth in the Operations Manual, and who meet required governmental health and employment standards. Franchisee shall take such steps as are necessary to ensure that its employees do not violate Franchisor’s policies relating to the use of any electronic medium (as described in Section 6.6 below), including, but not limited to, prohibiting employees from posting any information relating to Franchisor, the Franchise System, or the Marks without Franchisor’s prior written approval. Franchisee shall be solely responsible for all employment decisions of the Restaurant, including, without limitation, those related to recruiting, hiring, firing, remuneration, personnel policies, benefits, record keeping, supervision, safety, security, and discipline, and regardless of whether Franchisee received advice or recommendations from Franchisor on such subjects. Any information Franchisor, or its affiliates, provides about employment matters, whether voluntarily or in response to Franchisee’s request, and whether directly or by means of any technology tools, is a recommendation only and not intended to exercise control over Franchisee’s employees, their wages, hours or working conditions, or the means and manner by which they carry out their duties. At any location where Franchisee communicates information to its employees as a group, Franchisee shall display a prominent notice, in a form approved by Franchisor, informing employees that Franchisee, not Franchisor, is their employer.

6.4 Ongoing Training and Support.

(a) Supervision by Qualified Manager. At all times, the operations of the Restaurant must be supervised on a day-to-day basis by a person who has satisfactorily completed Franchisor’s initial training program or who possesses the skills necessary to properly fulfill and discharge the demands and responsibilities required by the Franchise System or this Agreement.

(b) Replacement of Manager. If a trained manager’s employment with Franchisee terminates for any reason, Franchisee must, as soon as possible, employ a replacement manager who either

(i) satisfactorily completed Franchisor's initial training program, or (ii) possesses the skills necessary to properly fulfill and discharge the demands and responsibilities required by the Franchise System or this Agreement. If Franchisee requests Franchisor to train a replacement manager, Franchisee must pay Franchisor's then current standard fee for the initial training program.

(c) Continuing Support. Once the Restaurant is open for business, Franchisor might require Franchisee to attend and complete any training courses that Franchisor may periodically choose to provide during the term of this Agreement. Franchisee agrees that any specific ongoing training, consultation or advice provided by Franchisor does not create an obligation to continue to provide such specific training or advice. Franchisor may, in its sole discretion, provide to be available for ongoing support and consultation concerning the operations of the Restaurant, either at the request of Franchisee or at the initiation of Franchisor. This support and consultation may be provided through a variety of means, including visits to the Restaurant by representatives of Franchisor, other personal meetings, or via telephone, mail, computer or other electronic means. Franchisor shall have no obligation, however, to visit the Restaurant or meet or consult with Franchisee according to any schedule or any specified number of times, rate, or frequency, or in equal number or amount as Franchisor meets or consults with other franchisees.

(d) Meetings, Seminars, Webinars and Training Programs. Franchisor may periodically hold or sponsor meetings of franchisees, seminars, webinars, or training programs. Franchisor may require Franchisee's attendance at any meeting, seminar or program. Franchisor shall provide reasonable prior notice of any mandatory meetings, seminars, or programs. Franchisor reserves the right to charge a fee for any meeting, seminar or program, and Franchisee shall be responsible for its own costs of attendance at meetings, seminars, or programs, including but not limited to travel, meals, and lodging.

(e) Additional Support and Training. If Franchisee desires additional support or training at any time after the initial training program, beyond what is required under this Agreement, Franchisor may provide such support or training, subject to the availability of qualified personnel, for an hourly fee plus reimbursement of out-of-pocket expenses. Franchisor's hourly fees may be announced from time to time, and shall be subject to change from time to time by Franchisor subject solely to its discretion.

(f) Injuries. Franchisee assumes all responsibility for any injuries sustained by Franchisee, its principals, owners, managers or employees while attending training.

6.5 Compliance with Franchise System.

(a) Obligation to Conform with Standards, Specifications and Policies. Franchisee agrees that its Restaurant shall at all times conform, in design, appearance, operation and otherwise, to the standards, specifications and policies of the Franchise System, as contained in the Operations Manual or otherwise announced or adopted by Franchisor from time to time. Franchisor may adopt or announce new standards, specifications or policies, or update or revise its existing standards, specifications or policies, at any time. When announcing new or revised standards, specifications or policies, Franchisor shall also announce the deadline for compliance, which must be reasonable.

(b) Approved Suppliers.

(i) Franchisor requires Franchisee to purchase some or all of its Technology System, leasehold improvements, furniture, furnishings, fixtures, equipment, food ingredients, paper products, signs, displays, video and security systems and other supplies used in the operation of the Restaurant from suppliers approved by Franchisor and/or according to specifications prescribed by Franchisor. Franchisor's supplier standards, criteria and specifications for goods and services may be

changed from time to time by Franchisor in its sole discretion. The approved suppliers and/or Franchisor's specifications shall be set forth in the Operations Manual, or otherwise announced from time to time, or provided upon request. Although they are not at present, Franchisor or its affiliates may become approved suppliers for some or all items.

(ii) Franchisee may ask Franchisor to approve a new supplier of certain goods or services. Franchisee and the proposed new supplier must execute an Application for Approval of Supplier, which lists general standards for suppliers. Furthermore, the proposed new supplier will have to execute a confidentiality agreement and provide Franchisor with appropriate information and samples for testing. Franchisor may prescribe a procedure for the evaluation of the proposed new supplier and its products, which may include the submission of samples for testing, the submission of information concerning the supplier and its products, the payment by Franchisee or the supplier of a testing fee and any other costs or expenses incurred by Franchisor, and the supplier's agreement to reasonable terms and conditions. The current evaluation fee is shown in Schedule 1, but is subject to revision by Franchisor from time to time. Franchisor will, within a reasonable period of time, evaluate the proposed new supplier and its products or services, and decide whether to approve the proposed supplier; and, if so, as to which products or services. The approval of a supplier may be conditioned upon its execution of an agreement to pay rebates and an appropriate supply agreement with reasonable terms and conditions required by Franchisor. Franchisor may grant or deny its approval in its sole discretion. A new supplier's approved status may be revoked for any breach or failure to fulfill Franchisor's supplier standards or criteria or Franchisor's specifications for particular goods or services.

(c) Design and Appearance of Restaurant.

(i) Compliance with Lease. Franchisee shall at all times keep the Restaurant maintained and repaired in accordance with its lease, and in accordance with any standards, specifications or policies issued from time to time by Franchisor, and shall otherwise fulfill its obligations under its lease. Franchisee shall refrain from any activity which may jeopardize Franchisee's right to remain in possession of or to renew the lease for the Restaurant premises.

(ii) Remodeling. Franchisee shall purchase new equipment, new computer system and/or remodel, modernize, redecorate or renovate its Restaurant as necessary to comply with the Franchise System, as modified from time to time. In no event shall Franchisee be entitled to more than one (1) year to comply with any changes.

(d) Signs. All signs, displays, decorations, packaging, bags, and similar items used in the operation of the Restaurant shall be purchased by Franchisee from approved suppliers and/or shall conform to specifications prescribed periodically by Franchisor. In no event will Franchisee be entitled to more than 90 days to comply with any changes.

(e) Approved Menu. Franchisee must offer all menu items designated as mandatory by Franchisor, and may not offer or sell any menu items that have not been approved by Franchisor. For clarification, Franchisee shall not offer, sell, or advertise any alcoholic beverages at the Location without the prior written consent of Franchisor, which consent shall be at Franchisor's sole discretion. The Operations Manual will list all approved menu items as well as their ingredients and recipes for preparation. Franchisor may disapprove items previously approved, and Franchisee shall stop offering them, provided that Franchisee shall have a reasonable amount of time to deplete any reasonable volume of existing inventory. Franchisor reserves the right to authorize or test market certain menu items only in certain markets; and Franchisor may designate certain menu items as mandatory only in certain geographical regions.

(f) Alcoholic Beverages, Vending Machines, Games, and Sundry Items. Franchisor does not currently permit the offer, sale, or advertisement of any alcoholic beverages in Jet's Pizza restaurants. Franchisee shall not offer, sell or advertise any alcoholic beverages, or permit the sale of alcoholic beverages at the Restaurant, without the prior written consent of Franchisor, which consent shall be at Franchisor's sole discretion. In no case shall the offer, sale, or advertisement of any alcoholic beverages in Jet's Pizza restaurant be considered part of the Franchise System. Franchisee shall not install or allow at the Restaurant any vending machines, video games, pinball machines, other coin-operated amusement devices, or the sale of cookies, candy, gum, or other sundry items without Franchisor's prior written consent. Franchisor shall have exclusive discretion regarding such equipment, games and sundry items.

(g) Pick Up, Delivery Services.

(i) Except for "Special Events" as discussed in Section 8.6(a), Franchisee may accept any pick up orders from inside or outside the Territory.

(ii) Franchisee may accept delivery orders from inside the Territory, but Franchisee's ability to accept delivery orders from outside the Territory is subject to reasonable restrictions imposed by Franchisor from time to time, such as to minimize interference with the territories of other franchisees, or to ensure the quality of the pizza or other food being delivered.

(iii) Subject to limitations set forth in subsection 6.5(g)(ii) above, the provision of delivery services by Franchisee is mandatory. Franchisee shall ensure that all vehicles used in making deliveries are in good repair, meet the minimum governmental standards for safety, operated solely by persons who are properly licensed to operate such vehicles and are covered by adequate insurance. Delivery service shall be provided throughout Franchisee's hours of operation unless a lesser schedule of delivery hours is specified by Franchisor. Franchisee shall offer delivery services to all customers located within the Franchisee's delivery area; provided, however, that delivery services may be limited in areas that might present a danger to employees, but only under limited circumstances, and only in accordance with the provisions of the Limited Delivery Service Policy as set forth in the Operations Manual. All deliveries must be made in strict compliance with all laws, regulations, rules of the road and due care and caution in the operation of delivery vehicles. Franchisee may offer deliveries to be provided by third party contractors, however, unless waived in advance and in writing by Franchisor, Franchisee shall also provide delivery services by its own employees.

(h) Pricing. To the extent permitted by applicable law, Franchisor has the right to establish maximum and/or minimum prices that Franchisee must follow for products and services. Franchisor may also provide suggested prices that Franchisee is not required to follow. In the case of suggested prices, Franchisee is responsible for any additional costs incurred by Franchisee or Franchisor to produce marketing and promotional materials for Franchisee containing prices deviating from those suggested by Franchisor.

(i) Access to Premises. Franchisor shall be entitled to access to the Restaurant premises at any time during the Restaurant's operating hours without notice, to observe the operations of the Restaurant, inspect or test any of the equipment or products at the Restaurant and to determine Franchisee's compliance with this Agreement or the Operations Manual. If any inspection indicates deficiency or non-compliance with the Agreement or the Operations Manual, Franchisee shall correct or repair such deficiency or non-compliance within seventy-two (72) hours after Franchisee receives a written report of deficiency from Franchisor, unless otherwise indicated in such report.

(j) Technology System; Online Ordering.

(i) Franchisee shall obtain and maintain the required Technology System, as contained in the Operations Manual or otherwise announced or adopted by Franchisor from time to time. The required Technology System (or any part thereof) may be revised, from time to time, by Franchisor in its sole discretion. Franchisor requires that such Technology System (or any parts thereof) be purchased, leased, licensed, programmed, installed, or reprogrammed or re-installed from or by approved suppliers.

(ii) Franchisee is required to offer an online ordering option for all items in the approved menu in accordance with the system approved or mandated by Franchisor, which may include, but is not limited to, digital sales on websites, mobile apps, digital coupons, gift card program, loyalty programs, remote kiosks, text-to-order, and any other means of digital sales. Prior to the Commencement Date, Franchisee shall set up an online ordering and credit card payments system in accordance with the requirements set forth by Franchisor and the Payment Card Industry Data Security Standards (PCI DSS), including tokenized credit card readers. Franchisee shall comply with all the updates and required maintenance prescribed by the Payment Card Industry Data Security Standards Council, including purchase of necessary hardware and software. Franchisee shall report any known vulnerability or breach of the PCI DSS immediately to Franchisor and provide proof of compliance upon request by Franchisor.

(iii) Franchisee acknowledges that Franchisor may have direct access to Franchisee's business data online through the POS System. Franchisee will give Franchisor free and unfettered access and the right to retrieve any data or information directly from any component of the Technology System as Franchisor may deem necessary, desirable or appropriate. Franchisor may retrieve such data or information electronically or manually. Franchisee is responsible for reasonable costs associated with the conveyance of sales data and analytics to Franchisor. Notwithstanding the foregoing, Franchisee will not be asked to provide Franchisor with any data or information related to employment practices as part of Franchisor's ordinary business practices. All data provided by Franchisee, uploaded to Franchisor's system from Franchisee's system, and/or downloaded to Franchisee's system from Franchisor's system, is and will be owned exclusively by Franchisor, and Franchisor will have the right to use such data in any manner that Franchisor deems appropriate without compensation to Franchisee. In addition, all other data created or collected by Franchisee in connection with the Franchise System, or in connection with Franchisee's operation of the Restaurant (including but not limited to consumer and transaction data), is and will be owned exclusively by Franchisor during the term of, and following termination or expiration of, this Agreement. Copies and/or originals of such data must be provided to Franchisor upon Franchisor's request. Franchisor hereby grants a non-exclusive license back to Franchisee to use such data, at no additional cost, solely for the term of this Agreement and solely in connection with the establishment and operation of the Restaurant pursuant to this Agreement. Franchisor may require Franchisee to replace the POS System or other Technology System every 3 years to update or replace software or cloud-based services used by the POS System or other Technology System as directed by Franchisor, which may be on a more frequent basis.

(iv) Franchisor may require Franchisee to enter into certain licenses or other agreements with Franchisor or third parties designated by Franchisor to use proprietary or licensed software developed by or for Franchisor or for franchisees, in connection with the Technology System. Franchisee further acknowledges and agrees that Franchisor has the right to charge reasonable fees for software or systems modifications and enhancements specifically made for Franchisor that are licensed to Franchisee and other maintenance and support services that Franchisor or Franchisor's affiliates furnish to Franchisee related to the Technology System.

(v) Franchisee acknowledges that technology is dynamic and changes are not predictable within the term of this Agreement. Franchisee has the right to periodically establish, in writing, new standards, specifications, and components of any Technology System to address new technologies and to implement those changes into the Technology System. Franchisee shall abide by any new standards

established by us and you shall pay all fees associated with such new standards. Such new standards, specifications, and components of any Technology System may require Franchisee to purchase, lease, or license new or modified computer items or to obtain service and support for the Technology System. Franchisee acknowledges that Franchisor cannot estimate the future costs of any Technology System items or required service or support, but that Franchisee shall incur the costs of obtaining such Technology System items (and additions and modifications) and required service or support, and to ensure it is functioning properly in the Restaurant, within 90 days after notice thereof. Franchisor may also, from time-to-time, specify in the Operations Manual (or otherwise in writing) the information that Franchisee must collect and maintain in the Technology System installed at the Restaurant. Franchisee shall abide by all applicable privacy and data protection laws pertaining to the collection, use, processing, integrity, security, and transfer of consumer, employee, transactional, or other personally identifiable information. Franchisee shall ensure that any personally identifiable information is collected only with express or implied consent of the data subject and that all data to be shared with or transferred to Franchisor has been collected in compliance with a privacy policy that allows such sharing or transfer. Franchisee shall not publish, disseminate, implement, revise, or rescind a data privacy policy without Franchisor's prior written consent.

(vi) Should the Franchisee become aware of any flaw, fault or error in the programming, operation, or functionality of any Technology System, Franchisee shall promptly notify Franchisor of such flaw, fault, or error.

6.6 Websites; Domain Names; Electronic Marketing.

(a) Websites. Franchisor shall have the right to require that Franchisee have one or more references or webpage(s), as designated and approved in advance by Franchisor, within Franchisor's primary consumer website(s), including, but not limited to, www.jetspizza.com. Except as approved in advance in writing by Franchisor, Franchisee shall not establish or maintain a separate website, social media, or internet site (e.g., Facebook page, Twitter account) in connection with the Restaurant.

(b) Ownership of Domain Names. Franchisee acknowledges and agrees that Franchisor owns all internet domain names, URLs, user names, and internet page names that include any of the Marks. Franchisee further acknowledges and agrees that if Franchisor grants its approval for Franchisee's use of a generic, national, and/or regionalized domain name, Franchisor shall have the right to own and control said domain name at all times and may license it to Franchisee for the term of this Agreement on such terms and conditions as Franchisor may require (including, but not limited to, the requirement that Franchisee reimburse Franchisor's costs for doing so). If Franchisee already owns any domain names, or hereafter registers any domain names, then Franchisee agrees that if shall notify Franchisor in writing and assign said domain names to Franchisor and/or a designee that Franchisor specifies in writing.

(c) Electronic Marketing and Electronic Communications. Unless agreed to in writing by Franchisor, Franchisee shall not use, register, maintain, or sponsor any social networking channel, blog, messaging system, email account, user name, text address, mobile application, or other electronic, mobile, or internet presence that uses or displays any of the Marks (or any derivatives thereof) or that promotes any products or services of the Restaurant. Franchisee acknowledges that the use of any electronic medium constitutes advertising and promotion subject to Franchisor's approval under Section 7.5. Franchisee agrees not to transmit or cause any other party to transmit advertisements or solicitations by telephone, e-mail, text message, instant message, social networking website, VoIP, streaming media, electronic business listings/POI data (google maps, apple maps, bing maps, etc.) or other electronic media without first obtaining Franchisor's written consent as to: (a) the content of such advertisements or solicitations, and (b) the type of media intended to be used. Franchisee acknowledges that Franchisor is the sole owner of all customer contact information, including, but not limited to: email addresses, mailing addresses, telephone

numbers, instant messaging usernames, and so on. All telephonic answering messages, email auto-signatures, and other identifiers of the Restaurant must be in the form prescribed by Franchisor. If Franchisor approves the use of an electronic medium (which Franchisor is not obligated to approve, and which approval, if granted, may later be revoked by Franchisor for any reason), such approval will be conditioned upon Franchisee's compliance with any standards and procedures issued by Franchisor with respect to that type of electronic medium, as well as compliance with the following requirements:

(i) Franchisee shall not substantially modify its use of the approved electronic medium without first obtaining Franchisor's written approval of the proposed modifications;

(ii) Franchisee's use of the approved electronic medium shall contain such disclaimers, warnings, and other statements as Franchisor may periodically prescribe in the Operations Manual or otherwise in writing, including, but not limited to, a clear and obvious statement that the use of the electronic medium is for a local restaurant operated by Franchisee and is not operated, sponsored, or endorsed by Franchisor;

(iii) If required by Franchisor, Franchisee shall establish such hyperlinks to Franchisor's website(s) and other websites as Franchisor may request in writing; and

(iv) Franchisee shall not use any electronic medium to post any information relating to Franchisor, the Franchise System or the Marks without Franchisor's prior written approval; and Franchisee shall not make any posting or other contribution that (a) is derogatory, disparaging, or critical of Franchisor, (b) is offensive, inflammatory, or indecent, or (c) harms the goodwill and public image of the Franchise System and/or the Marks.

6.7 Changes to Technology.

(a) Franchisee acknowledges that changes to technology are dynamic and not predictable or definable within the term of this Agreement. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, Franchisor has the right to periodically establish, in writing, reasonable new standards, specifications, and components of the Technology System to address new technologies and to implement those changes into the Franchise System. Franchisee shall abide by any new reasonable standards established by Franchisor and Franchisee shall pay all fees associated with such new reasonable standards, specifications and components. Such new standards, specifications, and components of the Technology System due to technological developments or events, may require Franchisee to purchase, lease, or license new or modified components of the Technology System or to obtain service and support for components of Technology System. Franchisor cannot estimate the future costs of any Technology System or required service or support; Franchisee must incur the costs of obtaining such Technology System (and additions and modifications) and required service or support. Unless otherwise specified, within ninety (90) days after Franchisor delivers written notice to Franchisee, Franchisee must obtain the Technology System components Franchisor has designated and ensure that the Technology System, as modified, is functioning properly. Franchisee agrees to abide by and fully adopt and implement those reasonable new standards, specifications, and/or components established by us as if this Section 6.7 were periodically revised by it for that purpose.

(b) Franchisor may require Franchisee to replace the POS System as frequently as every three (3) years. Franchisor may require Franchisee to update or replace software or cloud based services used by the POS System or other Technology System component as directed by Franchisor, which may be on a more frequent basis than every three (3) years. These replacements or updates must be completed by Franchisee, at its sole cost and expense, within the time frame designated by Franchisor in writing. If Franchisee fails to meet this deadline, Franchisor may, at its option, engage the approved

suppliers, contractors or vendors to make the required replacement or upgrade and charge Franchisee the Franchisor's costs for such replacement or upgrade plus a reasonable fee for coordinating and overseeing the replacement. Franchisee shall fully cooperate to ensure that such programming changes or updates are accomplished and are not altered.

6.8 Technology Fee. Franchisor may institute the Technology Fee upon 90 days written notice to Franchisee. The Technology Fee shall be used to fund technology expenditures as determined by Franchisor and may include but are not limited to providing the Franchise System with general assistance and guidance on Technology Systems, technology-related matters, researching and developing new technologies such as hardware, software and cloud-based services, network maintenance and upgrading, website internet/intranet capabilities and internal and external data storage and archiving. Whether or not the Technology Fee is collected from Franchisee, Franchisee is required (and the Technology Fee does not cover) the amounts Franchisee will need to spend on Technology Systems in accordance with the provisions of this Section 6, which are in addition to the Technology Fee. Franchisor shall have complete discretion as to the use and allocation of the amounts collected from Technology Fee payments, which may be used for payment of salaries, wages and benefits, direct program costs and/or overhead expenses related to the above-described activities. With respect to the collection, use or expenditure of the Technology Fee, Franchisor has no obligation to: (i) do so from Franchisee or any other franchisee; (ii) ensure equivalent or proportionate collection, use or expenditures; (iii) ensure that you or the Restaurant benefits directly, pro rata or at all from the Technology Fee; or (iv) provide an accounting to Franchisee or any franchisee.

7. Advertising. Recognizing the value of advertising and promotion, and the importance of the standardization of advertising and promotional programs to the furtherance of the goodwill and public image of the Franchise System, the parties agree as follows:

7.1 Advertising Territory. Effective upon the Effective Date if the Location is specified at that time in connection with the renewal or transfer of a Franchise, or once the Location has been selected, approved and secured if this Agreement is entered into in connection with the grant of a new Franchise, the Franchisee's advertising territory shall comprise the same area as the Territory (the "Advertising Territory"), unless the parties expressly agree otherwise in writing on Schedule 2. Franchisee shall have limited rights to advertise a Jet's Pizza restaurant in the Advertising Territory identified by the Marks and using the Franchise System. Other than through a general or regional advertising fund or otherwise in cooperation with or with the consent of Franchisor, Franchisee may advertise only in the Advertising Territory, subject to restrictions and guidelines periodically imposed by Franchisor, including without limitation, requiring a prominent notice on printed materials to the following effect: "GOOD ONLY AT XYZ LOCATION". If another franchisee is in close proximity, Franchisee must use reasonable efforts to coordinate the advertising with the other franchisee, or to conduct joint advertising. This requirement applies, but is not limited to, internet and/or media advertising.

7.2 Minimum Advertising Spending Obligation. Franchisee must spend a minimum amount per month on its own, local advertising as shown in Schedule 1, which minimum amount shall not include General Advertising Fees, but shall include the amount of Regional Advertising Fees paid as well as any other advertising activities conducted by Franchisee. For purposes of satisfying this minimum spending obligation, advertising expenses in excess of the minimum amount required in a particular month may be counted toward the spending obligation in the immediately preceding or the immediately following month, but may not be "carried over" or "carried back" more than one (1) month. Franchisor may allow Franchisee to satisfy its minimum spending obligation by participating in certain campaigns and franchise system programs. Franchisor may allow Franchisee to defer its minimum spending obligations, in Franchisor's sole discretion. Franchisee's minimum spending requirement is subject to audit by Franchisor.

7.3 General Advertising Fund Franchisee is required to pay the General Advertising Fee to a general advertising fund administered by Franchisor or its designee (“General Advertising Fund”). The amount of the required contributions, if any, shall be announced by Franchisor from time to time. Contributions to the General Advertising Fund shall be reported and paid by Franchisee at the same time and in the same manner as royalties.

(a) Franchisee irrevocably appoints Franchisor to make advertising decisions for the benefit of Franchisee with respect to monies allocated to the General Advertising Fund, including the power to negotiate advertising arrangements with advertising agencies and to authorize the expenditure of funds held by the General Advertising Fund to pay for third party advertising services and marketing campaigns. Franchisee acknowledges that: (i) the contributions to the General Advertising Fund are being made for advertising services and marketing campaigns that benefit Franchisee; and (ii) the General Advertising Fund holds the funds received from Franchisee and serves as a conduit to pay Franchisor and other third parties who will provide the actual services that benefit Franchisee.

(b) The General Advertising Fund shall be maintained and operated for the benefit of Jet’s Pizza restaurants and the Franchise System generally. Franchisor may use the General Advertising Fund only for expenses related to advertising and promotional materials and activities directed primarily at customers of one or more Jet’s Pizza restaurants, including but not limited to production, administrative costs, social media, advertising agency fees, and information technology programs and enhancements facilitating ordering, sales and promotions. Franchisor shall have absolute discretion in decisions regarding the production of advertising materials, including but not limited to how the Marks are portrayed. The General Advertising Fund may also be used for media costs if reasonably intended to benefit Jet’s Pizza restaurants and the Franchise System generally, such as a national radio or television advertising program. Franchisor may not use the General Advertising Fund for any advertising activities directed primarily at potential buyers of franchises.

(c) Franchisor shall direct all advertising and promotional programs, with the right to control the creative concepts, materials, and media used in such programs and the placement and allocation thereof. Franchisee agrees and acknowledges that one of Franchisor’s objectives is to maximize general public recognition and acceptance of the Marks for the benefit of the Franchise System, and that Franchisor is not obligated to make expenditures for Franchisee which are equivalent or proportionate to Franchisee’s contribution, or to ensure that Franchisee benefits directly or pro rata from the advertising or promotion conducted by Franchisor.

(d) Franchisor may commingle the General Advertising Fund with its other funds, but shall keep a separate accounting of them. Franchisees may review a copy of the financial statement concerning contributions to and expenses of the General Advertising Fund at our office upon reasonable request. . These statements need not be audited or prepared by independent accountants.

(e) Franchisor may generate funds for the General Advertising Fund from rebates or other sources and may elect not to require additional contributions from Franchisee, provided that such election shall not waive Franchisor’s rights under this Agreement or otherwise preclude Franchisor from requiring such contributions in the future.

(f) Franchisor has a sole discretion in making all decisions relating to the amount of funds spent by the General Advertising Fund on advertising each fiscal year. In case Franchisor elects not to spend all of the funds of the General Advertising Fund, it may elect to distribute such funds to the Franchisee on the basis of its contribution.

(g) Franchisor retains the right to terminate the General Advertising Fund and/or replace it with another advertising fund at any time; provided, however, that the General Advertising Fund shall not be terminated until all monies in it have been expended for purposes authorized by this Section 7.3 or transferred to the successor advertising fund.

7.4 Regional Advertising. Franchisor may establish a regional advertising fund when it determines, subject solely to its discretion, that there are enough Jet's Pizza restaurants located in a geographical area to realize economies of scale or other advantages. Franchisor shall have the discretion to decide the boundaries of the region, and may change the boundaries from time to time, may merge two (2) or more regions into a single region or nationally, and may split a region into multiple regions. All Jet's Pizza restaurants in a region must contribute to and participate in the regional advertising fund. If the Restaurant is located in a region with a regional advertising fund, Franchisee agrees to participate in and pay the contributions applicable to such regional advertising fund (the "Regional Advertising Fee").

(a) The legal structure of each regional advertising fund shall be subject to Franchisor's discretion, and may include a corporation, cooperative, or unincorporated association. Each regional advertising fund shall be structured to provide each Jet's Pizza restaurant an opportunity to participate in the decision-making process, provided that Franchisor shall have absolute discretion in decisions regarding the production, form, format, display and content of advertising materials, including but not limited to how the Marks are portrayed.

(b) The amount of the Regional Advertising Fee applicable to each regional advertising fund shall be specified by Franchisor, and shall apply uniformly to all Jet's Pizza restaurants in a region. The amount of the Regional Advertising Fee may be a percentage of gross sales, a percentage of Acquired Inventory, or any other formula that is applied uniformly to all Jet's Pizza restaurants in the regional advertising fund. The current contribution formula, if any, is shown in Schedule 1. The Regional Advertising Fee shall be paid to Franchisor together with and in the same manner as Franchisee's royalty payment. The regional advertising fund may impose additional contributions pursuant to the rules and procedure established by such regional advertising fund.

(c) Regional Advertising Fees are intended to be used generally to enhance recognition of the Marks and patronage of Jet's Pizza restaurants and enhance and promote the Franchise System in the applicable geographical area, DMA or other territory in which the Restaurant is located, such as for expenses relating to broadcast television, outdoor advertising, radio, sponsorships of sports teams or events, print advertising and the use of any electronic, social media, and other internet based advertising and promotional materials and activities. Franchisor may not use the Regional Advertising Fees for any advertising activities directed primarily at potential buyers of franchises, except as may incidentally result from its general advertising activities.

(d) Franchisor shall maintain a separate account for Regional Advertising Fee contributions, and may not commingle such funds with its other funds. Franchisees may review a copy of the financial statement concerning the regional advertising fund contributions and expenses at our office upon reasonable request. These statements need not be audited or prepared by independent accountants.

(e) Franchisor is not required to spend any amounts on advertising in a region for the direct benefit of the Restaurant. For the expenditure of the General Advertising Fees or Regional Advertising Fees, Franchisor has no obligation to: (i) make expenditures which are equivalent or proportionate to the Restaurant's contributions or the contributions of any other franchisee; (ii) ensure that the Restaurant benefits directly or pro rata from the placement of any advertising, marketing or promotional campaigns or ensure that any such activities directly benefit the Restaurant.

7.5 Advertising Materials.

(a) All advertising and advertising materials that Franchisee, the General Advertising Fund or regional advertising fund desire to use are subject to the prior written approval of Franchisor, including but not limited to advertising via the internet or a website. Franchisor shall have absolute discretion in decisions regarding the content of the advertisements and how the Marks are portrayed.

(b) For purposes of this Agreement, all communication and correspondence with Jet's Pizza customers or the general public concerning one or more Jet's Pizza restaurants or the Jet's Pizza Franchise System shall be deemed to be advertising, whether via regular mail, electronic communication, or otherwise, including but not limited to the Internet, websites, social networking groups, video, email, weblog, twitter, text message or any other form of media intended for the general public, and whether or the mode of communication exists today or is developed in the future.

(c) Samples of advertising not prepared by Franchisor shall be submitted to Franchisor for approval prior to their use by Franchisee. Unless otherwise authorized by Franchisor, samples shall be submitted by email (approvals@jetspizza.com).

(d) Franchisor shall have the right to disapprove the use of any advertising materials previously approved, by written notice to Franchisee, provided that Franchisee shall have a reasonable amount of time to deplete any existing supplies of such advertising.

(e) Franchisee shall not make any communication or correspondence, whether via regular mail, electronic communication, or otherwise, including, but not limited to the internet, websites, social networking groups, video, email, weblog, twitter, text message or any other form of media existing today or in the future, relating to Franchisor, the Franchise System, the Marks, the Franchise or the Restaurant (the "Business") that (i) is derogatory, disparaging, or critical of the Business, (ii) is offensive, inflammatory, or indecent, or (iii) harms the goodwill or public image of the Business. Franchisee shall be responsible for the communications and correspondences of its employees, and Franchisee shall take such steps as are necessary to ensure that its employees do not make communications or correspondences that negatively impact the Business.

(f) If Franchisee desires to advertise with a vendor not previously approved by Franchisor, prior written approval by Franchisor is required pursuant to Section 6.5(b)(ii), and the vendor must also complete and sign a Limited License Agreement prior to using any Marks of Franchisor.

7.6 Coordination of Advertising Activities. Franchisor shall have the right to establish policies and restrictions regarding advertising activities from time to time, including, but not limited to, policies to coordinate advertising activities with other franchisees in nearby territories, and policies relating to online advertising.

7.7 Copyrights and Other Rights. Franchisee acknowledges and agrees that Franchisor owns all copyrights and other rights to and ownership of all existing and future marketing, advertising, and promotional materials, tangible and intangible, that contain any of the Marks or that otherwise relate to the Restaurant, regardless of the party that created such materials. Franchisee shall (and shall cause its employees and agents to) sign all documents required by Franchisor to confirm this ownership.

7.8 Promotional Programs.

(a) Franchisee shall participate in promotional programs, including loyalty programs developed by Franchisor for the Franchise System, in the manner directed by Franchisor in the Operations

Manual or otherwise in writing. At Franchisee's sole cost and expense, Franchisee may be required, without limitation, to provide customers who redeem points earned in loyalty programs with free items or delivery services for subsequent purchases, and to purchase or lease any software, hardware or other items needed to participate in and accept customer incentives from the loyalty program, as required by the Operations Manual and from a supplier(s) designated by Franchisor. The Operations Manual may establish other rules, guidelines, standards and specifications for these programs. Franchisor reserves the right to institute, modify, cancel or terminate any promotional programs, in its sole discretion, from time to time. Franchisee shall not participate in or institute any other customer loyalty programs without Franchisor's prior written consent.

(b) Additionally, Franchisee shall sell or otherwise issue gift cards ("Gift Cards") through the gift card program administered by Franchisor. The Gift Card is an electronic cash card available for purchase and redemption at any Jet's Pizza restaurant and customers may redeem the balance (or any portion thereof) for food and beverage purchases. Franchisee shall fully honor all Gift Cards regardless of whether a Gift Card was issued directly or indirectly by Franchisee, Franchisor or another franchisee. Customers may also increase or replenish balances available on Gift Cards.

(c) The monthly fees for participation in the loyalty and gift card programs is set forth in Schedule 1, which fees may be increased or decreased in the future to cover administrative costs, at the Franchisor's discretion. These fees are currently counted towards Franchisee's minimum monthly advertising spending requirements, but Franchisor reserves the right to separate these fees from the minimum monthly advertising spending requirements and charge the fees in addition to any other fee or spending requirement. The Operations Manual will establish any and all rules, guidelines, standards and specifications regarding the loyalty program and Gift Cards.

7.9 Franchisor Advertising. Franchisor may, from time to time in its sole discretion, expend its own funds and resources to produce and purchase marketing and promotional materials and conduct such advertising as Franchisor deems necessary or desirable. In any discretionary advertising, marketing, or promotional effort conducted solely by or on behalf of Franchisor, Franchisor shall have sole discretion over the content, form, and geographic distribution of such efforts and materials, and Franchisor shall have no obligation to expend any funds or resources in Franchisee's Territory or to provide or sell to Franchisee any advertising, marketing, or promotional materials produced by or on behalf of Franchisor.

8. Books, Records and Reporting.

8.1 Reporting Requirements. Franchisor shall periodically prescribe the reports required of Franchisee, and the frequency and manner of reporting. Reporting requirements may encompass financial and non-financial matters, and the manner of reporting may be via facsimile, computer or other telecommunications equipment. Franchisor may change the reporting requirements from time to time. Franchisee shall comply with reporting requirements periodically prescribed by Franchisor, and if necessary Franchisee shall acquire and maintain a computer or other equipment necessary to fulfill its reporting requirements.

8.2 Reporting by Suppliers. Franchisor shall be entitled to information from Franchisee's suppliers concerning Franchisee's purchase of Acquired Inventory, and any other dealings between them concerning Franchisor, the Franchise or the Franchise System. Franchisor shall be entitled to prescribe the form and content of any such reports, as a condition to any such supplier being approved as an approved supplier. Franchisee hereby authorizes any such supplier to disclose to Franchisor any such information requested by Franchisor; and such suppliers shall be third party beneficiaries of this authorization to release information. Franchisee shall cooperate in executing any other document or agreement reasonably requested by Franchisor or any supplier to authorize the release of such information.

8.3 Accounting Methods. Franchisee shall keep its books and records according to acceptable accounting principles, consistently applied. Franchisee shall at all times employ competent accountants or bookkeepers (either employees or independent professionals) to assist in complying with required reporting. If Franchisor reasonably determines any such accountant or bookkeeper to be incompetent, Franchisee shall replace him or her.

8.4 Right to Inspect. Franchisor or its agents may, at any reasonable time, upon reasonable prior notice, inspect the books, records, tax returns, and other financial information of Franchisee, and of its owners, officers, directors, and key employees. Franchisor may, at any time, retain one or more accountants to audit Franchisee's books and records for any period of time. If an audit discloses any underpayment of royalties, contributions required for advertising or any other fees by Franchisee, Franchisee shall immediately pay the deficiency to Franchisor, and if the deficiency exceeds five percent (5%) of the correct amount Franchisee shall also immediately pay or reimburse Franchisor for the cost of the audit.

8.5 Maintenance of Books and Records. Franchisee shall maintain all books and records related to the Franchise, whether written, in the form of electronic media, or otherwise, for a minimum of three (3) years after the time period to which they relate. Notwithstanding anything contained herein to the contrary, Franchisee is responsible for maintaining and preserving records for longer periods if required by any applicable Federal, State or local laws or regulations.

8.6 Reservation of Rights. Franchisor reserves all other rights not granted to Franchisee in this Agreement, including but not limited to those set forth below.

(a) Franchisor reserves the right to supply "Special Events" in the Territory. For purposes of this agreement, "Special Events" mean banquets, receptions, picnics, parties, fairs, sporting events, or other events where the volume of the order may be beyond Franchisee's normal capacity. Franchisee shall notify Franchisor of any order it receives for a Special Event in the Territory. Franchisor shall use its reasonable discretion whether to allow Franchisee to accept the order, to coordinate with other franchisees to fill the order, to fill the order itself, or to refuse the order.

(b) Franchisor reserves the right to open, operate and license others to own and operate restaurants, facilities or outlets operating under one or more of the Marks, but using a design, format or system materially different from the Franchise System, such as but not limited to sit-down restaurants serving more and different menu items than Jet's Pizza restaurants using the Franchise System; Non-Traditional Restaurants; and carts, kiosks and satellite units that may offer a more limited menu of items.

(c) Franchisor reserves the right to distribute or sell goods bearing one or more of the Marks at wholesale or retail, such as frozen pizza, canned pizza sauce, or other ingredients.

(d) Franchisor reserves the right to open, operate and license others to own and operate restaurants, stores or other facilities operating under one or more of the Marks as well as under one or more other trademarks, service marks or franchise systems.

(e) Franchisor reserves the right to develop, operate and change the Franchise System in any manner that is not specifically prohibited by this Agreement.

(f) Franchisor reserves the right to provide different levels of service to any franchise owner based upon the peculiarities or factors that Franchisor considers important to that franchise owner's successful operation.

8.7 Corporate Franchisee. Except as otherwise approved in writing by Franchisor, if Franchisee is a corporation, it shall: (a) furnish Franchisor with copies of its articles and bylaws and such other documents as Franchisor may request, and any amendments thereto; (b) confine its activities, and its governing documents shall at all times provide that its activities are confined, exclusively to operating the Restaurant; (c) maintain stop transfer instructions on its records against the transfer of any equity securities and only issue securities upon the face of which a legend appears, in a form satisfactory to Franchisor, which references the transfer restrictions imposed by this Agreement; (d) not issue any voting securities or securities convertible into voting securities other than with Franchisor's consent and in compliance with all other applicable provisions of this Agreement; and (e) maintain a current list of all owners of record and all beneficial owners of Franchisee and furnish the list to Franchisor upon request.

8.8 Partnership Franchisee. If Franchisee is a partnership it shall: (a) furnish Franchisor with copies of its partnership agreement and such other documents as Franchisor may request, and any amendments thereto; and (b) prepare and furnish to Franchisor, upon request, a current list of all general and limited partners in Franchisee.

8.9 Limited Liability Company Franchisee. If Franchisee is a limited liability company, it shall: (i) furnish Franchisor with copies of its articles of organization and operating agreement, as well as such other documents as Franchisor may request, and any amendments thereto; (ii) prepare and furnish to Franchisor, upon request, a current list of all members and managers in Franchisee; and (iii) maintain stop transfer instructions on its records against the transfer of any membership units and, if such units are certificated, ensure that the certificates bear a legend, in a form satisfactory to Franchisor, which references the transfer restrictions imposed by this Agreement.

9. Liability, Insurance and Indemnification.

9.1 Liability. Franchisee shall be responsible for all losses and damage to persons and property related to its ownership or operation of the Restaurant, or the occupation of the premises.

9.2 Insurance. Franchisee shall procure, prior to the opening of the Restaurant, and maintain, at all times thereafter, the insurance coverage prescribed by Franchisor in the Operations Manual, or otherwise. The insurance companies are subject to the approval of Franchisor, which will not be unreasonably withheld. Each insurance policy shall (a) list Franchisor and its shareholders, directors, employees, and agents as additional insureds; (b) provide for thirty (30) days' prior written notice to Franchisor before cancellation; (c) give Franchisor the right to pay any overdue amounts to avoid cancellation; and (d) contain a waiver by Franchisee and its insurers of their subrogation rights against Franchisor and its affiliates and their respective shareholders, directors, employees, and agents. Franchisee shall immediately reimburse Franchisor upon demand for any amount paid by Franchisor on Franchisee's behalf to maintain an insurance policy. Franchisee shall furnish Franchisor with proof of insurance listing Franchisor and its shareholders, directors, employees, and agents as additional insureds before the commencement of construction of the Restaurant, if this Agreement is entered into in connection with the grant of a new Franchise, or upon the Effective Date, if this Agreement is entered into in connection with the renewal or transfer of a Franchise, as well as at each insurance renewal, and periodically upon request by Franchisor.

9.3 Franchisor's Insurance. Franchisee's obligation to obtain and maintain the foregoing policy or policies in the amounts specified shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section 9.5 of this Agreement.

9.4 Additional Required Endorsements. All public liability and property damage policies shall contain a provision that Franchisor, although named as an additional insured, shall nevertheless be entitled to recover under such policies on any loss occasioned to Franchisor or its shareholders, directors, employees, and agents by reason of their negligence.

9.5 Indemnification. Franchisee shall indemnify, defend and hold harmless Franchisor, its employees, agents and attorneys, and other franchisees, their employees, agents and attorneys, from and against any and all claims, liabilities, losses, costs, or expenses (including reasonable attorney fees) arising out of Franchisee's construction, maintenance, operation or other activities related to the Restaurant, its ownership of its assets, its occupation of its premises, its or its affiliates' attendance and participation in training, its current and past employees, employment and personnel decisions, including alleged misclassification by the franchisee and wage-and-hour violations, and applicants for employment, and including related to any claim, lawsuit or proceeding related to the Restaurant. Franchisee shall promptly notify Franchisor in writing of any claim, action, suit, or proceeding, or the issuance of any judgment, order or decree of any court, agency or tribunal that may be subject to this indemnity, or may adversely affect the financial condition of Franchisee, its ability to operate the Restaurant, its ability to continue to occupy the premises, or its ability to meet its obligations under this Agreement.

9.6 Certificates of Insurance. At least ten (10) days prior to the time any insurance is first required to be carried by Franchisee, and thereafter at least thirty (30) days prior to the expiration of any policy, Franchisee shall deliver to Franchisor Certificates of Insurance ("Certificates") evidencing the proper types and minimum amounts of coverage. All Certificates shall expressly provide that no fewer than thirty (30) days' prior written notice shall be given to Franchisor in the event of material alteration to or cancellation or non-renewal of the coverages evidenced by such Certificates. Certificates evidencing the insurance required by this Section shall name Franchisor and each of shareholders, directors, employees, and agents as additional insureds, and shall expressly provide that any interest of each shall not be affected by any breach by Franchisee of any policy provisions for which such Certificates evidence coverage.

10. Marks.

10.1 Definition of Marks. Franchisor owns all the Marks. Franchisee acknowledges that it has no ownership rights with respect to the Marks. Nothing in this Agreement shall be construed to convey to Franchisee any right, title or interest in any of the Marks, nor in any goodwill associated with the Marks.

10.2 Grant of License. Franchisor grants Franchisee the nonexclusive license to use the Marks in connection with its ownership and operation of the Restaurant, subject to the terms, conditions, and limitations of this Agreement. Franchisee acknowledges that its right to use the Marks derives solely from this Agreement. Franchisee acknowledges that its license to the use the Marks is nonexclusive and that Franchisor reserves the right to use the Marks and to grant the right to use the Marks to other persons. Franchisee may use the Marks only as authorized by Franchisor from time to time. Franchisor may amend, expand or delete the authorization of any of the Marks by written notice to Franchisee; provided that Franchisor shall make any such change only for good faith marketing or trademark reasons on a uniform basis for all franchisees in a particular market, or in connection with or response to an infringement claim.

10.3 Franchisee Use of the Marks. With respect to Franchisee's use of the Marks pursuant to this Agreement:

(a) Franchisee shall use only the Marks designated by Franchisor, and shall use them only in the manner authorized and permitted by Franchisor;

(b) Franchisee shall use the Marks only for the operation of the Restaurant, and only at the Location or in Franchisor's approved advertising for the Restaurant;

(c) Franchisee may not use the words, "Jet," "Jet's Pizza," "Jett" and "Jet's" nor any of the Marks in or as part of any e-mail address, whether or not the word or Mark is capitalized, and whether it is used as a separate word or combined with other letters as part of a word;

(d) Unless otherwise authorized or required by Franchisor, Franchisee shall operate and advertise the Restaurant only under the Marks authorized for use for a Jet's Pizza restaurant;

(e) Franchisee shall identify itself as an independent franchisee-owner of the Restaurant in conjunction with any use of the Marks and the operation of the Restaurant, and shall place a written notice to such effect, in a form approved by Franchisor, in a conspicuous location on the Restaurant premises;

(f) Franchisee's right to use the Marks is limited to such uses as are authorized under this Agreement, and any unauthorized use thereof shall constitute an infringement;

(g) Franchisee shall not use the Marks to incur any obligation or indebtedness on behalf of Franchisor;

(h) Franchisee shall execute any documents deemed necessary by Franchisor or its affiliates to obtain protection for the Marks or to maintain their continued validity and enforceability;

(i) Franchisee shall promptly notify Franchisor of any suspected unauthorized use of, or any challenge to the validity or use of the Marks. Franchisor (or its affiliate) shall have the sole right to determine whether any action should be taken, and, if any action is taken, Franchisor (or its affiliate) shall have the right to direct and control any such action, including without limitation the prosecution, defense or settlement of any administrative proceeding or litigation or other adjudicative proceeding involving the Marks. Franchisee shall have no right, independent of Franchisor, to make any demand against any such user or challenger or to prosecute any claim of any kind or nature whatsoever relating to Franchisor's Marks;

(j) Franchisee shall not use as part of its corporate or other legal name, or as an internet domain name or URL, any of the Marks or any portion or derivative of any Marks, including without limitation "Jet," "Jet's Pizza," "Jett" and "Jet's" or any other name that is likely, in the judgment of Franchisor, to cause third parties to be confused or mistaken with respect to the separate identities of Franchisor and Franchisee; and

(k) During the term of this Agreement and after its expiration or termination, Franchisee shall not directly or indirectly contest the validity or ownership of the Marks, nor take any other action which may tend to derogate or jeopardize Franchisor's interest therein, or Franchisor's right to use and to license others to use, the Marks.

10.4 Agreement Not to Contest. Franchisee agrees not to contest or help anyone else to contest the validity or ownership of the Marks, either during or after the term of this Agreement, or to take any other action in derogation of Franchisor's claimed rights in the Marks.

10.5 Infringement Claims.

(a) Franchisor shall have the exclusive right to defend the Marks against infringement by others. Franchisee shall promptly notify Franchisor of any infringement claim by a third party, and of any action by a third party which may constitute infringement of any of the Marks. Provided Franchisor is promptly notified of it, Franchisor shall have sole discretion whether it wishes to defend Franchisee against any claim, demand, or suit by a third party alleging that Franchisee's use of the Marks as authorized under this Agreement infringes a trademark, service mark, logo, commercial symbol or similar item belonging to the third party. Franchisor shall have no liability or obligation, however, for any loss, damage, cost or expense suffered by Franchisee, including but not limited to litigation costs, attorney fees, the cost of remodeling, replacing signs or changing decor, lost profits, damage to good will, or other damages.

(b) Franchisor shall have the exclusive discretion to decide the action to be taken in response to or in connection with infringement claims, including but not limited to whether to defend against or prosecute any litigation, and whether to discontinue the use of any Mark. Franchisee shall cooperate fully with Franchisor in connection with prosecuting and defending any infringement claims, and shall not settle or compromise any suit or other proceeding without the prior written consent of Franchisor. Franchisee agrees to sign any documents and take any reasonable action that in Franchisor's attorneys' judgment is necessary or advisable to protect and maintain the interest of the Franchisor in any litigation or intellectual property proceeding, or otherwise to protect the Marks, goodwill or image of the Franchisor, Franchisee or Franchise System. If Franchisor decides to discontinue the use of any Mark, Franchisee shall immediately stop using the Mark upon notice from Franchisor. If Franchisee is required to stop using one of Franchisor's principal Marks used in connection with the Franchise System, Franchisor shall provide Franchisee with one or more replacement Marks. Franchisor shall have no obligation to continue to defend or protect Franchisee against any infringement claim if Franchisee continues to use any Mark after Franchisor has notified Franchisee to discontinue its use.

(c) Franchisor shall protect Franchisee's right to use Marks or indemnify Franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of Jet's name, provided that Franchisee's use has been consistent with the Franchise Agreement, Operations Manual, and Franchisor's current standards and Franchisee has promptly notified Franchisor of, and complied with Franchisor's directions in responding to, the proceeding.

11. Proprietary Information.

11.1 Acknowledgment of Ownership. Franchisee acknowledges and agrees that "Proprietary Information," as defined below, is the exclusive property of Franchisor, and that Proprietary Information is proprietary to and a valuable trade secret of Franchisor.

11.2 Definition.

(a) "Proprietary Information" means information:

(i) Concerning Franchisor, its assets, business, franchisees, or the Jet's Pizza Franchise System; or

(ii) Integrally related to the goodwill attached to the Marks or the goodwill or going concern value of the Franchise System.

(b) "Proprietary Information" includes information periodically disclosed to Franchisee, whether via oral, written, electronic, or electromagnetic communication, or in any other way, and information compiled or developed by Franchisee in the conduct of its Business.

(c) “Proprietary Information” specifically includes but is not limited to the following:

(i) Information concerning individual ingredients, combinations of ingredients, recipes and procedures for the preparation of menu items;

(ii) Processes or procedures for the operation of a Franchise;

(iii) Training materials and methods concerning a Franchise;

(viii) Methods, formats, specifications, standards, systems, procedures, food preparation techniques, recipes, sales and marketing techniques, knowledge, experience used in developing the Jet’s Pizza products

(ix) Any computer software or similar technology that is proprietary to Franchisor

(d) “Proprietary Information” does not include information that is public knowledge (without unauthorized disclosure by any person), or information that was lawfully obtained by Franchisee from a third party under no obligation of confidentiality to Franchisor.

11.3 Restrictive Covenants. Franchisee agrees as follows:

(a) Any unauthorized disclosure or use of Proprietary Information may cause irreparable damage to Franchisor;

(b) To use Proprietary Information only for the purpose of owning and operating the Franchise under the terms and conditions of this Agreement;

(c) To limit dissemination of Proprietary Information to its employees, Related Parties, accountants, attorneys, and agents who have a reasonable need to know such information;

(d) To require each of its employees, owners, officers, directors, members and managers to execute a confidentiality agreement in a form prescribed by or satisfactory to Franchisor;

(e) Before disseminating any Proprietary Information to its accountants, attorneys or any third parties, to notify Franchisor, and if requested by Franchisor, to obtain a confidentiality agreement from the third party before disclosing any Proprietary Information to it, in a form prescribed by or satisfactory to Franchisor;

(f) To provide Franchisor with fully executed originals of all confidentiality agreements executed by its employees or third parties;

(g) Upon the termination or expiration of the Franchise, to immediately return and delete from electronic devices all documents or other media containing Proprietary Information to Franchisor;

(h) To adopt and implement reasonable procedures to prevent unauthorized use or disclosure of Proprietary Information; and

(i) To adopt and implement reasonable procedures to prevent unauthorized use or infringement of the Marks, or otherwise any actions that could damage or disparage the image of Franchisee, Franchisor or the Franchise System.

12. Agreement Not to Compete.

12.1 Restrictive Covenants. Neither Franchisee, nor any Related Party, nor the spouse of Franchisee or any Related Party, shall do any of the following, either while this Agreement is in effect or for a period of three (3) years after the expiration or termination of the Franchise:

(a) Compete with Franchisor or any Jet's Pizza restaurant;

(b) Advertise in or solicit orders from the territory assigned to any other Jet's Pizza restaurant, or otherwise divert or attempt to divert any business or customer of the Restaurant to any competitor by inducement or otherwise, or do or perform any other act injurious or prejudicial to the goodwill associated with the Marks and the Franchise System;

(c) Employ or seek to employ, directly or indirectly, any person who is at the time or was at any time during the prior six (6) months employed by Franchisor or its affiliates at the level of restaurant general manager or above. A violation of this Section shall entitle Franchisor to liquidated damages equal to twice the annual salary of the employee (while employed by the prior employer), plus reimbursement of all costs and attorney fees incurred in enforcing this provision;

(d) Perform services as director, manager, officer, employee or agent of a Competitive Restaurant (defined below); or

(e) Engage in any activity that might injure the goodwill, the Marks, or the image of the Franchisor, Franchisee or the Franchise System.

12.2 Definition of Compete. To compete with Franchisor or any Jet's Pizza restaurant includes but is not limited to involvement as an owner, stockholder, director, officer, member, manager, partner, employee, lender or consultant, or the provision of any other type of assistance, with or to a business:

(a) More than fifty percent (50%) of the gross revenue of which is attributable to the sale of pizza, calzones and other items similar to those offered by Jet's Pizza restaurants ("Competitive Restaurants"), and located within five (5) miles of the Territory, or within five (5) miles of any Jet's Pizza restaurant, other than at a Jet's Pizza restaurant licensed by Franchisor; or

(b) Engaged in the sale of franchises for Competitive Restaurants or the ownership or operation of a system of franchised or licensed Competitive Restaurants.

12.3 Related Parties. Franchisee shall obtain from each Related Party an executed Agreement Not to Compete, substantially identical to the terms of this Section, in a form prescribed by or satisfactory to Franchisor, and shall provide Franchisor with a fully executed original Agreement Not to Compete. For

purposes of this Section, the Franchise shall be deemed to have terminated with respect to a Related Party upon the sale or disposition of his or her entire interest in the Franchise and the Franchisee, and/or the termination of his or her status or position as an owner, stockholder, director, officer, member, manager, partner, restaurant manager or key employee of Franchisee. Franchisee is responsible for ensuring that all personnel of Franchisee, including but not limited to owners, officers, and crew members, and Franchisee's vendors, service providers, professional advisors, and other persons associated with Franchisee keep confidential all Proprietary Information. Any unauthorized use or disclosure of Proprietary Information by such persons will constitute a default by Franchisee under this Agreement.

12.4 Judicial Modification. If any court or tribunal determines this agreement not to compete to be unenforceable because it is too broad, either in terms of the length of time, or geographical area, or nature of activities covered, or otherwise, its scope shall be deemed to be automatically restricted to the extent necessary to be enforceable.

12.5 Employment of Franchisee's Former Employees. Franchisee acknowledges and agrees that Franchisor may employ Franchisee's employees, who had contacted the Franchisor, in any of its corporate owned franchises, and such employment shall not constitute solicitation for the purposes of this Agreement.

12.6 Response to Request for Information. Franchisor may request written information or explanation from Franchisee in case Franchisor suspects that Franchisee is in violation of this agreement not to compete. Franchisee shall respond to Franchisor in writing within forty-eight (48) hours of Franchisor's request.

12.7 Covenants Reasonable. Franchisee agrees that the covenants contained in Sections 12.1 and 12.2 above are reasonable with respect to the activities covered, duration, and geographic scope, and that Franchisee shall not raise any issue of the reasonableness of the terms of such covenants in any proceeding to enforce those covenants. Franchisee agrees and acknowledges that it and each of its owners possess skills and abilities of a general nature that provide them with other opportunities for employment and, therefore, Franchisor's enforcement of the non-competition covenant under Section 12.1 will not deprive Franchisee or any of its owners of their personal goodwill or ability to earn a living through alternative means.

12.8 Enforceability of Covenants Not Affected by Franchisee Claims. Franchisee expressly agrees that the existence of any claims it may have against Franchisor, whether or not arising hereunder, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Section 12.

13. Transfer.

13.1 Transfer by Franchisor. Franchisor shall have the right to transfer or assign all or any part of its rights or obligations under this Agreement to any person or legal entity. With respect to any assignment which results in the subsequent performance by the assignee of all of Franchisor's obligations under this Agreement, the assignee shall expressly assume and agree to perform such obligations, and shall become solely responsible for all obligations of Franchisor under this Agreement from the date of assignment. In addition, and without limitation to the foregoing, Franchisee expressly affirms and agrees that Franchisor may sell its assets, its Marks, or its Franchise System; may sell its securities in a public offering or in a private placement; may merge, acquire other corporations, or be acquired by another corporation; and may undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring.

13.2 Transfer by Franchisee.

(a) Franchisee understands and acknowledges that Franchisor has granted this Franchise in reliance on the business skill, financial capacity, and personal character of Franchisee (or of the direct and indirect owners of Franchisee, if Franchisee is a corporation or other entity).

(b) Neither Franchisee nor any immediate or remote successor to any part of Franchisee's interest in this Agreement, nor any individual, partnership, corporation, or other legal entity which directly or indirectly owns any interest in Franchisee shall, without the prior written consent of Franchisor, transfer, pledge or otherwise encumber this Agreement, any of the rights or obligations of Franchisee under this Agreement, any interest in Franchisee, any assets of Franchisee, or all or substantially all of the assets of the Restaurant. Franchisee understands that this Section applies to any transfer of such interests that would occur by any mechanism, including but not limited to family financial planning, estate planning, corporate reorganization, issuance or offering of securities, employee ownership plans, divorce, new marriage, bankruptcy, or receivership. Any purported assignment or transfer, by operation of law or otherwise, not having the written consent of Franchisor required by this Section 13.2, shall be null and void and shall constitute a material breach hereof, for which Franchisor may then terminate without an opportunity to cure.

(c) Franchisor may use reasonable discretion in granting or withholding its consent to a transfer, and Franchisor shall have the right to require that any or all of the following conditions are satisfied, as determined by Franchisor in its sole discretion, in addition to any other conditions imposed by Franchisor:

(i) The proposed transferee must meet Franchisor's qualifications or standards for new franchisees, as in effect at the time of the proposed transfer, including but not limited to necessary business experience and financial resources, and the Franchisor must determine that the price and payment terms will not adversely affect the transferee's operation of the Restaurant.

(ii) The proposed transferee (and, if the proposed transferee is other than an individual, such owners of a direct or indirect beneficial interest in the proposed transferee as Franchisor may request) shall demonstrate to Franchisor's satisfaction that (A) it meets Franchisor's educational, managerial, and business standards; (B) it possesses a good moral character (if an individual), business reputation, and credit rating; (C) it has the aptitude, ability, and requisite financial resources and capital to operate the Restaurant, as may be evidenced by prior related business experience or otherwise; and (D) the terms of the proposed transfer do not place an unreasonable financial or operational burden on the proposed transferee.

(iii) At the proposed transferee's expense, at least two (2) of the owners, managers, or employees of the proposed transferee must have satisfactorily completed the Franchisor's initial training program.

(iv) Neither the proposed transferee nor any Related Parties shall be a competitor of Franchisor or any Jet's Pizza restaurant; nor shall the proposed transferee be a person who Franchisor reasonably believes may misuse the Marks or Proprietary Information.

(v) Neither the proposed transferee nor any Related Parties shall be in breach or default under any contract or agreement with Franchisor or any of its affiliates.

(vi) Franchisee and the proposed transferee must execute appropriate transfer or assignment forms with terms and conditions satisfactory to Franchisor. The transferee, and its owners if appropriate, shall execute Franchisor's then current franchise agreement and related agreements and

documents, which may contain different provisions from this Agreement; provided, however, the transferee shall not be required to pay the Initial Franchise Fee charged at that time.

(vii) The Franchisee or the proposed transferee must satisfy all of the Franchisee's accrued monetary obligations and all other outstanding obligations to Franchisor and its affiliates, all obligations to Franchisee's landlord, suppliers, and other creditors, all taxes, and cure any other default under this Agreement. Upon doing so, Franchisor shall execute a written release of Franchisee.

(viii) In addition to any other amounts, Franchisee or the proposed transferee shall pay Franchisor a transfer fee to cover training, legal fees, administrative costs and other costs or expenses incurred by Franchisor in connection with the transfer. Franchisor's current transfer fee is shown in Schedule 1, but is subject to change. Franchisor may waive all or part of this fee, such as where the transfer results in the same beneficial ownership of the Franchise, or where the transferee is already fully trained.

(ix) The Franchisee must have operated the Restaurant for a period of at least six (6) months prior to any transfer. The Franchisee cannot request a transfer within the renewal period, which is the twelve (12) month period before the expiration of the initial or renewal term of the Franchise (as applicable).

(x) Franchisee, and its owners and/or guarantors, if appropriate, must execute written releases of all claims and causes of action that they have against Franchisor and its affiliates, and their respective owners, shareholders, employees and agents, on a form satisfactory to Franchisor.

(xi) If the transfer of the Franchise involves installment payments by the proposed transferee to Franchisee or any other security obligations, Franchisee must subordinate its right to receive any installment to Franchisor's right to receive any and all amounts due it from the transferee through the due date of such installment. The subordination agreement shall be in a format and shall contain terms and conditions satisfactory to Franchisor.

(xii) The Franchisee's landlord must consent to the transfer of the lease agreement, or the lease agreement must be assignable to the proposed transferee without landlord's consent. Franchisor shall have a right to review a proposed lease and request revisions to reflect the above.

(xiii) Franchisor may require the proposed transferee to commit to or perform certain activities designated to ensure compliance with the Franchise System, which had not been completed by the Franchisee prior to the transfer, such as, by way of example, remodeling or a purchase of new equipment.

The failure to satisfy any of these conditions, or any other reasonable conditions imposed by Franchisor, shall be deemed to be good cause for Franchisor to withhold its consent to the transfer. Franchisee acknowledges that Franchisor has legitimate reasons to evaluate the qualifications, creditworthiness and character and fitness of potential transferees to analyze and critique the terms of the purchase agreements and any other ancillary agreement relating to the transaction with Franchisee. Franchisee authorizes Franchisor to investigate any proposed transferee's qualifications and to communicate with the proposed transferees regarding the nature or Franchisee's operation of the Restaurant. It shall be reasonable for Franchisor to disapprove any proposed transfer if, as a result of the transfer, the beneficial ownership of Franchisee would be, in Franchisor's business judgment, so widely held by different persons as to materially compromise the financial stake and dedication of those persons in whose individual or collective character, skill, attitude, and business ability Franchisor relies on in granting a franchise.

13.3 Right of First Refusal.

(a) Franchisee and its owners shall not, directly or indirectly, enter into any binding agreement or consummate any transaction relating to the sale or transfer of the Franchise, or all or substantially all of the assets of the Restaurant with any third party (a "Third-Party Transaction") except in compliance with the terms and conditions of this Section.

(b) If, at any time during the term of this Agreement, Franchisee or any of its owners receive a bona fide written offer or agreement for a Third-Party Transaction that Franchisee and its owners desire to accept (each, a "Third-Party Offer"), Franchisee shall immediately notify Franchisor in writing (the "Offer Notice") of the Third Party Offer and present Franchisor with a true and complete copy of the Third-Party Offer, including the identity of all proposed parties to such Third-Party Transaction and their ultimate owners, as well as all the material financial and other terms and conditions of such Third-Party Offer and any other information reasonably requested by Franchisor relating to the Third-Party Offer. Each Offer Notice constitutes an offer made by Franchisee and its owners to enter into an agreement with to sell the Franchise and its assets on the same material terms of such Third-Party Offer, as modified in this Section 13.3 (the "ROFR Offer").

(c) At any time prior to the expiration of the thirty (30) day period following Franchisor's receipt of the complete Offer Notice (the "Exercise Period"), Franchisor may accept the ROFR Offer by delivery to Franchisee of a written notice of acceptance together with a purchase agreement the material financial terms of the Third-Party Offer and subject to the following, at Franchisor's discretion:

(i) the inclusion of a right of Franchisor to conduct customary due diligence on the Franchisee and its assets, as well as other standard and customary buyer conditions of closing applicable to a transaction of this nature;

(ii) Franchisor is not required to accept any non-financial terms in the Third-Party Offer;

(iii) Franchisor shall not be liable for any claims or assets arising prior to the closing and the assets shall be free of any liens;

(iv) the closing shall be no sooner than sixty (60) days following the end of the Exercise Period;

(v) the purchase price can be paid by Franchisor in cash at closing or as otherwise provided in the Third-Party Offer;

(vi) Franchisee and its owners shall be subject to typical non-competition, non-solicitation, confidentiality and other covenants, as well as typical seller representations, warranties, indemnification and survival provisions;

(vii) Franchisee shall assign its lease to Franchisor; and

(viii) Franchisor may assign its rights under the purchase agreement to a third party.

(d) If, by the expiration of the Exercise Period, Franchisor has not accepted the ROFR Offer, and provided that Franchisee and its owners have complied with all of the provisions of this Section,

at any time during the sixty (60) day period following the expiration of the Exercise Period, Franchisee and its owners may consummate the Third-Party Transaction with the counterparty identified in the applicable Offer Notice pursuant to the agreement presented in the Third-Party. If such Third-Party Transaction is not consummated within such sixty (60) day period, the terms and conditions of this Section will again apply and Franchisee shall not enter into any Third-Party Transaction without affording Franchisor the right of first refusal on the terms and conditions of this Section.

13.4 Death or Disability of Franchisee. Upon the death or mental or physical incapacity of Franchisee (if an individual) or of any person with an interest in Franchisee, the executor or administrator of the estate of such person, or the personal representative of such person, shall transfer within six (6) months after such death or declaration of mental or physical incapacity, such person's interest to a third party approved by Franchisor; *provided*, that any such transfer is subject to Franchisor's right of first refusal pursuant to Section 13.3. Such transfers, including, without limitation, transfers by devise or inheritance, shall be subject to the same conditions as any *inter vivos* transfer. However, in the case of a transfer by devise or inheritance, if the heirs or beneficiaries are unable to meet the conditions in Section 13.2 hereof, Franchisor shall establish a time frame within which the executor, administrator, or trustee of the deceased must dispose of the deceased's interest in Franchisee, which disposition shall be subject to all the terms and conditions for transfers contained herein. If the interest is not disposed within the time frame established by Franchisor, Franchisor may terminate this Agreement. If the deceased's interest in Franchisee is held in a trust or transferred to a trust by operation of law upon death: (a) the trust instruments shall not be deemed to modify, eliminate, restrict, or diminish any of Franchisor's rights under this Agreement or any of Franchisee's obligations to Franchisor (including but not limited to the obligation that all direct and indirect legal and beneficial owners of Franchisee be approved by Franchisor, and that the Restaurant be overseen by owners of the Franchisee that Franchisor has approved); and (b) the trustee(s) of the trust shall sign an undertaking for the benefit of Franchisor in which the trustee(s) acknowledge and agree that: (i) the trustee(s) will not assert any legal defense in their capacity as trustee(s) against the enforceability of this Agreement; (ii) while the trust may own an interest in Franchisee or the Restaurant, the trust itself is not the Franchisee under this Agreement and is not permitted to become the Franchisee; (iii) any future distribution or transfer of legal and/or beneficial ownership of an interest in Franchisee or the Restaurant pursuant to the trust documents will be subject to the applicable provisions of this Agreement; and (iv) the trust, jointly and severally with Franchisee, will indemnify Franchisor and its affiliates and hold them harmless from any claim made by any party arising out of or related to the establishment, maintenance, and/or operation of the trust, the contribution of assets to the trust, or the party's claimed interest in the trust.

13.5 Approval of Transfer Does not Constitute Waiver of Rights. Franchisor's consent to a transfer which is the subject of this Section 13 shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms hereof by any transferee.

13.6 Publicly-Traded Entity.

(a) Neither this Agreement, nor any ownership interest in Franchisee, nor assets of Franchisee, nor all or substantially all of the assets of the Restaurant shall be transferred to any Publicly-Traded Entity (as defined below) or to any entity whose direct or indirect parent is a Publicly-Traded Entity. "Publicly-Traded Entity" means an entity whose securities trade on any securities exchange or are quoted in any publication or electronic reporting service maintained by the National Association of Securities Dealers, Inc. or its successor.

(b) Neither Franchisee nor any direct or indirect owner of Franchisee shall offer securities of Franchisee in a public offering or, except as provided in Section 13.7, in a private offering. If any direct or indirect owner of Franchisee offers its securities in a public offering or, except as provided in Section 13.7, in a private offering, Franchisor shall have the right to terminate this Agreement without opportunity to cure.

13.7 Private Sale of Securities. The issuance or sale of securities of Franchisee or of any direct or indirect owner of Franchisee (including, without limitation, common or preferred stock, bonds, debentures, general or limited partnership interests, or membership units, whether certificated or uncertificated), is subject to all of the conditions and prohibitions set out in Section 13.2 hereof. For any proposed securities offering approved in principle by Franchisor, Franchisee shall submit to Franchisor for its review all materials required by federal or state law for the offering and/or intended to be used in any exempt offering. No such materials shall be submitted to a government agency or to prospective investors unless and until Franchisor has furnished its written approval. No offering materials shall imply, by use of the Marks or otherwise, that Franchisor is participating as an underwriter, issuer, or offeror of securities of either Franchisee or Franchisor, or that Franchisor has approved the offering prospectus or any other aspect of the offering. Any review by Franchisor of the offering materials or the information included therein shall be conducted solely for Franchisor's benefit to determine their conformance with Franchisor's internal policies, and not to benefit or protect any other person. No investor should interpret such review by Franchisor, nor shall Franchisee or anyone acting on Franchisee's behalf suggest, that Franchisor's review constitutes an approval, endorsement, acceptance, or adoption of any representation, warranty, covenant, or projection contained in the materials reviewed; and the offering documents shall include legends and statements, in the form and manner specified by Franchisor, disclaiming Franchisor's liability for, or involvement in, the transaction described in the offering documents. Should Franchisor object to any reference to it or its business in such offering literature or prospectus, such literature or prospectus shall not be used unless and until Franchisor's objections are withdrawn. Franchisee and other participants in the offering must fully indemnify, defend, and hold harmless Franchisor, its affiliates and their respective directors, officers, employees, shareholders, and agents from any and all losses and expenses that arise directly or indirectly from, as a result of, or in connection with the offering. For each proposed offering, Franchisee shall pay to Franchisor a non-refundable fee of \$25,000 at the time Franchisee submits materials for review by Franchisor and shall pay additional sums to cover Franchisor's out-of-pocket costs to review the materials when incurred if greater than \$25,000. Franchisee shall give Franchisor written notice at least forty-five (45) business days prior to the date of commencement of any offering or other transaction covered by this Section 13.7. Any such offering shall be subject to Franchisor's right of first refusal as provided in Section 13.3 hereof.

13.8 Transfer by Franchisee Bankruptcy - Right of First Refusal. If, for any reason, this Agreement is not terminated pursuant to Section 14 and this Agreement is assumed or assignment of the same to any person or entity who has made a *bona fide* offer to accept an assignment of this Agreement is contemplated, pursuant to the United States Bankruptcy Code, then notice of such proposed assignment or assumption, setting forth (a) the name and address of the proposed assignee, and (b) all of the terms and conditions of the proposed assignment and assumption, shall be given to Franchisor within twenty (20) days after receipt of such proposed assignee's offer to accept assignment of this Agreement, and, in any event, within ten (10) days prior to the date that the application is made to a court of competent jurisdiction for authority and approval to enter into the assignment and assumption, Franchisor shall thereupon have the prior right and option, to be exercised by notice given at any time prior to the effective date of the proposed assignment and assumption, to accept an assignment of this Agreement to Franchisor itself, upon the same terms and conditions and for the same consideration, if any, as in the *bona fide* offer made by the proposed assignee, less any brokerage commissions which may be payable by Franchisee out of the consideration to be paid by the assignee for the assignment of this Agreement.

14. Default. Franchisee shall be deemed to be in default under this Agreement upon the occurrence of any of the following:

14.1 Material Misrepresentation. Franchisee makes a material misrepresentation in connection with its acquisition of this Franchise;

14.2 Failure to Pay. Franchisee fails to pay any royalty, fee or other amount due Franchisor on or before the due date, regardless of any claim or counter-claim Franchisee may have against Franchisor;

14.3 Fail to Conform. Franchisee's Restaurant, or Franchisee's operation of the Restaurant, fails to conform to the Franchise System in any material respect;

14.4 Other Material Breach. Any other material breach of any of the terms or conditions of this Agreement;

14.5 Danger to Public Health. Franchisee engages in conduct that Franchisor reasonably determines to constitute an imminent danger to public health or safety;

14.6 Default under Lease or to Supplier. Franchisee defaults under its lease for the Restaurant or in the payment of any amount due any supplier;

14.7 Entry of Judgment. The entry of any judgment against Franchisee, or any judgment which may adversely affect Franchisee's ability to operate the Franchise or the Restaurant, that is not satisfied or indemnified against to the satisfaction of Franchisor within ten (10) days of its entry;

14.8 Insolvency. The insolvency of Franchisee, the commencement of any proceedings under any federal bankruptcy or state insolvency law, the assignment of assets for the benefit of creditors, or the appointment of a receiver, trustee, or similar person to oversee the business or affairs of Franchisee or any of its business assets;

14.9 Criminal Conduct. Franchisee, or any person who owns ten (10%) percent or more of Franchisee, commits or is convicted of, or pleads guilty to, any felony, or any misdemeanor involving criminal sexual conduct, drug use or drug trafficking, assault, battery, or physical violence toward any person, fraud, theft, embezzlement, or any crime involving dishonesty or the taking of money or property of others, or any other misdemeanor relevant to the operation of the Franchise;

14.10 Abandonment. Franchisee abandons the Franchise or discontinues the business operations of the Franchise. Franchisee shall be deemed to have abandoned the Franchise or discontinued the business if it fails to operate the Restaurant for five (5) consecutive days, or a shorter period of time if the facts and circumstances reasonably indicate that Franchisee does not intend to continue to operate the Restaurant. The inability to operate the Restaurant due to fire, flood, earthquake, other casualty, or other cause beyond Franchisee's control, however, shall not be deemed abandonment of the Franchise or discontinuance of business operations;

14.11 Default under Other Franchise Agreement. In the event that Franchisee or one or more of its owners owns a controlling interest in another Jet's Pizza franchise, any material breach or default under the Franchise Agreement for the other Jet's Pizza franchise;

14.14 Fixed Monthly Costs. Franchisee's total fixed monthly costs for rent and third party financing exceeds \$9,000.00. _____ **Franchisee Initial Acknowledging Understanding**

15. Remedies. In addition to any other rights or remedies Franchisor may have in the event of a default by Franchisee, Franchisor shall have the rights and remedies set forth below. The exercise of a particular remedy by Franchisor, or the specification of a particular remedy in the event of a certain type of default, shall not be deemed an election of remedies by Franchisor, and shall not preclude Franchisor from exercising any other rights or remedies available to it.

15.1 Termination of Franchise. In addition to any other rights or remedies Franchisor may have, after a default by Franchisee, Franchisor may terminate this Franchise by written notice to Franchisee subject to the following provisions.

(a) Immediate Termination. Franchisor may terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon receipt of notice by Franchisee, upon the occurrence of any of the following:

- (i) Any default which by nature cannot be cured;
- (ii) A failure to select a location, have it approved by Franchisor, and secure it by lease or purchase within ninety (90) days after this Agreement is signed;
- (iii) A failure to have the Restaurant ready to open for business within twelve (12) months after this Agreement is signed;
- (iv) A failure to have at least two (2) persons who have satisfactorily completed the initial training program by the time the Restaurant is ready to open for business;
- (v) Any default described in Section 14.1, 14.5, 14.7, 14.9 or 14.10.
- (vi) A failure to obtain and maintain required insurance;
- (vii) A failure to actively operate the Restaurant for three (3) or more consecutive business days unless approved by Franchisor;
- (viii) The Franchisee's or any of its owner's conviction by a trial court of, or pledge or pledge of no contest to, a felony;
- (ix) Any violation of any applicable law or regulation, including health, safety or sanitation law, ordinances or regulations and operation of the Restaurant in an unsafe manner;
- (x) A failure to pay any state, local, federal or other taxes, Franchisee's failure to comply with any provisions of this Agreement;
- (xi) A failure to pay any advertising contributions, spend the required funds or incur the required expenses for advertising;
- (xii) A failure to comply with reporting requirements (including the submission of false or inaccurate reports);

- (xiii) An unauthorized use of the Marks;
- (xiv) An unauthorized use or disclosure of Proprietary Information;
- (xv) A failure to pay any royalty, fee or other amount due Franchisor on or before the due date;
- (xvi) The operation of the Restaurant under any name other than “Jet’s Pizza,” or another name specifically authorized by Franchisor;
- (xvii) The use of furniture, fixtures, equipment, inventory, food, goods, or supplies that do not meet the standards or specifications of Franchisor, or that were purchased from a supplier that was not authorized or approved by Franchisor;
- (xviii) Any violation of the agreement not to compete set forth in Section 12; or
- (xix) The transfer or assignment of, or the attempt to transfer or assign, any interest in the Restaurant, the Franchise, or any assets related to the Franchise, contrary to the terms of this Agreement;
- (xx) Any default described in Section 14.8;
- (xxi) Any failure to comply with any federal, state, or local law or regulation material to the operation of the Restaurant or Franchise;
- (xxii) Failure to allow Franchisor to inspect the Restaurant; or
- (xxiii) Failure to obtain and maintain required computer system, hardware or software.

(b) Cure Period. For any other type of default, Franchisee shall be entitled to notice of default and thirty (30) days’ opportunity to cure. If Franchisee is not able to cure the default within such time, or such longer period as applicable law may require, Franchisor may immediately terminate this Agreement. Franchisee shall be in default hereunder for any failure to substantially comply with any of the requirements imposed by this Agreement, as they may from time to time be supplemented in writing as permitted herein, or for any failure to carry out the terms hereof in good faith.

(c) Cross-Default. Any default by Franchisee under any other agreement between Franchisor or its affiliates as one party, and Franchisee or any of Franchisee’s owners or affiliates as the other party that is so material as to permit Franchisor to terminate such other agreement, shall be deemed to be a default of this Agreement, and Franchisor shall have the right, at its option, to terminate this Agreement, effective immediately upon notice to Franchisee.

(d) Cross-Guarantee. In the event Franchisee or any owner of Franchisee now holds or later acquires any interest in a Jet’s Pizza restaurant other than the Restaurant franchised under this Agreement, Franchisee and its owners shall unconditionally guarantee full performance and discharge by the franchisee of all of the franchisee’s obligations under the franchise agreement for such Jet’s Pizza restaurant, including without limitation the payment of all royalty fees, advertising fees, and other obligations.

(e) Extension of Cure Period by Operation of Law. Notwithstanding the termination provisions set forth above, in the event that any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this Agreement or the parties hereto limits Franchisor's rights of termination hereunder or shall require longer notice or cure periods than those set forth above, this Agreement shall be deemed amended to conform to the minimum notice or cure periods or restrictions upon termination required by such laws and regulations. Franchisor shall not, however, be precluded from contesting the validity, enforceability, or application of such laws or regulations in any action, proceeding, hearing, or dispute relating to this Agreement or the termination thereof.

(f) Cumulative Remedies. The rights and remedies granted to Franchisor by this Agreement will not be deemed to prohibit Franchisor from exercising any other right or remedy provided under this Agreement or permitted by law or equity. Franchisor's right to terminate this Agreement in accordance with this Section 15 shall be deemed to permit Franchisor to elect remedies other than termination.

15.2 Consequences of Termination.

(a) The termination of this Franchise by Franchisor shall in no way limit its right to recover damages or obtain other legal or equitable relief. Upon the termination or expiration of the Franchise, in addition to any other rights or remedies Franchisor may have, and in addition to any other consequences that may result, Franchisee's license to own and operate a Franchise, to learn and use the Franchise System, to use the Marks, and to use the Proprietary Information shall terminate.

(b) Franchisee shall immediately cease to operate the Restaurant, and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor.

(c) Franchisee shall immediately and permanently cease using, in any manner whatsoever, any Proprietary Information and the Marks or, and any variations which may confuse, deceive, or mislead the public. Franchisee shall immediately remove or permanently cover all signs or advertising identifiable in any way with Franchisor, the Marks, or the Franchise System; and if Franchisee fails to do so within twenty-four (24) hours of the termination of the Franchise, Franchisor or its agents may enter the premises and do so. Franchisee shall immediately return to Franchisor and delete from electronic devices any documents or other media containing any Proprietary Information, including but not limited to the Operations Manual, as well as any other property of Franchisor in Franchisee's possession. At Franchisor's option, any sign bearing the "Jet's Pizza" name and/or the Marks will be deemed to be the property of Franchisor even though Franchisee may have paid a third party to make the sign.

(d) Franchisee shall immediately cease using the telephone number or numbers identified with the Restaurant under the name "Jet's Pizza." Upon the request of Franchisor, Franchisee shall assign the telephone number or numbers to Franchisor or another of its franchisees.

(e) Franchisee agrees not to use any reproduction, counterfeit copy, or colorable imitation of the Marks in connection with any other business or the promotion thereof which is likely to cause confusion, mistake, or deception, or which is likely to dilute the rights of the Franchisor or its affiliate in and to the Marks. Franchisee further agrees not to use any designation of origin or description or representation which falsely suggests or represents an association or connection with Franchisor.

(f) Franchisee shall promptly pay all sums owing to Franchisor and its affiliates, which obligation shall give rise to and remain, until paid in full, a lien in favor of Franchisor and its affiliates against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned

by Franchisee and on the Restaurant premises at the time of default. Franchisee shall immediately return and delete from electronic devices all materials containing Proprietary Information and furnish Franchisor with the name and address of all past and current Restaurant suppliers together with the amount(s) due, if any. Franchisee also shall return, at Franchisor's request, all unused products and ingredients which contain trade secrets, and Franchisor shall refund the purchase price thereof plus shipping charges.

(g) For three (3) years following the termination or expiration of this Agreement, Franchisee agrees to advise Franchisor of its current business and residential addresses and phone numbers.

15.3 Liquidated Damages for Royalties. In the event of the termination of this Franchise following Franchisee's default, Franchisee shall be liable to Franchisor for damages suffered. The parties acknowledge that Franchisor's damages would include royalties that would be paid if the Franchise had not been terminated and that this amount may be difficult or impossible to measure. Therefore, the parties agree that as liquidated damages for royalties due under this Agreement, but not for any other damages suffered by Franchisor, Franchisee shall pay Franchisor the amount shown in Schedule 1. If any court or tribunal finds this liquidated damages clause to be unenforceable because it is unreasonable, Franchisor may recover the greater of actual damages that it is able to prove, or liquidated damages in an amount that the court or tribunal determines to be reasonable.

15.4 Administrative Fees for Certain Defaults.

(a) Franchisee acknowledges that the integrity of the Marks and the value of being part of the Franchise System depend upon maintaining consistency and uniformity throughout the system. The parties further acknowledge that certain types of default by Franchisee may be curable in nature but nevertheless may be important to maintaining the integrity of the Marks and the value of the Franchise and Franchise System. These might include defaults such as but not limited to the failure to prepare menu items according to the Operations Manual or prescribed recipes, the failure to maintain standards of cleanliness, the failure to purchase equipment, inventory items or supplies from approved sources or according to prescribed specifications, and the use of advertising materials without getting prior approval.

(b) Upon the occurrence of such defaults, Franchisor may be reluctant to terminate the Franchise in response to such a default, but they may nevertheless cause the devaluation of the Marks, and may cause Franchisor to incur additional administrative and personnel expenses to deal with these situations. In many cases, the Franchisor may choose, in its sole discretion, under the Agreement to terminate the Agreement, impose an administrative fee or refrain from any action. The parties agree that Franchisor may, in its sole discretion, choose to impose reasonable administrative fees for various defaults of this nature, provided that in no event shall the amount of the fee exceed \$1,000 per default for the first occurrence, except for a breach of non-disparagement, a breach of credit card security, and for failure to comply with renewal requirements, the current amounts for which are set forth in Schedule 5. The current schedule of administrative fees is attached as Schedule 5. Franchisor may periodically revise the schedule of administrative fees, or impose new administrative fees, by publishing them in the Operations Manual, or otherwise announcing them to Franchisee. The late fee is not interest or penalty but compensates Franchisor for increased administrative and management costs due to Franchisee's default. The specification or imposition of a fine under this Section does not preclude Franchisor from exercising any other right or remedy available to it, including specific enforcement of this Agreement or termination of the Franchise. Similarly, Franchisor's election not to impose administrative fees in the past does not waive Franchisor's rights to impose them in the future.

15.5 Bankruptcy of Franchisee. In the event of the bankruptcy or insolvency of Franchisee, in addition to any other rights or remedies available to Franchisor, if federal or state law prohibits Franchisor from terminating this Agreement or the Franchise, and Franchisee or the bankruptcy trustee elects to affirm

this Agreement, Franchisor shall be entitled to adequate assurance of Franchisee's performance of this Agreement. The parties agree that this may include but shall not be limited to the full payment of all amounts then due or overdue, the cure of any other default under this Agreement, and Franchisee's deposit of a cash bond with Franchisor equal to the estimated royalties and other amounts that would be due under this Agreement during the ensuing six (6) months, with the replenishment of the bond on a regular basis.

15.6 Right to Possession of Premises.

(a) If Franchisee or any affiliate, owner, or officer of Franchisee, or any of their respective family members, leases the Restaurant premises from a landlord who is not affiliated with Franchisee, Franchisee or its affiliate, owner or officer shall, at Franchisor's request, immediately assign to Franchisor, effective on the date specified by Franchisor, Franchisee's or its affiliate's, owner's or officer's interest in the lease for the Restaurant premises. Franchisee must provide a current copy of the lease for Franchisor's review in determining whether to request assignment of the lease. Franchisee shall also provide any landlord consent requested by Franchisor. Franchisor will have the right to further assign the lease, without recourse, to any affiliate or approved franchisee of Franchisor.

(b) If Franchisee or any affiliate, owner, or officer of Franchisee, or any of their respective family members, owns the Restaurant premises, that owner shall offer to sell or lease the premises to Franchisor, at Franchisor's option. Franchisor will designate a reputable, independent commercial real estate appraiser to determine the fair market purchase price and fair market rental rate for the premises based on comparisons with recent sale and lease transactions for similar buildings in the area. Franchisor will have thirty (30) days after receipt of the appraiser's determination of the fair market purchase price and fair market rental rate to accept the offer to purchase the premises, accept the offer to lease the premises, or decline both offers. If Franchisor elects to purchase or lease, the parties will sign Franchisor's then-current form purchase agreement or then-current form lease, as applicable. In the case of a lease, the initial lease term and the number and length of renewal options must be commercially reasonable when compared to leases for similar space in buildings in the area. Franchisor will have the right to assign the purchase agreement or lease, without recourse, to any affiliate or approved franchisee of Franchisor.

(c) If Franchisor elects to assume Franchisee's lease or to enter into a purchase agreement or lease for the premises, Franchisee shall promptly vacate the premises, rendering all necessary assistance to Franchisor to enable it to take prompt possession thereof.

(d) If Franchisor does not assume Franchisee's lease or enter into a purchase agreement or lease for the Restaurant premises, Franchisee shall make such modifications or alterations to the premises (including but not limited to changing signs, color scheme, configuration, layout, wall tiles and floor tiles) immediately upon termination or expiration hereof as may be necessary to distinguish the appearance of the premises from that of a Jet's Pizza Restaurant. Franchisee shall make such specific additional changes as Franchisor may request to dissociate the location from the Franchise System.

15.7 Option to Purchase Assets.

(a) In the event of the termination of the Franchise following Franchisee's default, Franchisor or its assignee shall have the option to purchase some or all of the assets related to the Franchise. This option may be exercised without regard to whether Franchisee desires to sell any assets, to continue to operate the Restaurant, or to occupy the premises, pursuant to Section 15.6. Franchisor may elect which assets it desires to purchase, if any. The purchase price for the assets shall be their fair market value based upon their use in a restaurant. No amount shall be payable for goodwill, going concern value, or similar intangible assets.

(b) If Franchisor desires to exercise this option, it shall notify Franchisee in writing of its intent to exercise this option within thirty (30) days after the termination of the Franchise, specifying the assets it desires to purchase and its estimate of their fair market value. If Franchisor also desires to assume Franchisee's lease pursuant to Section 15.6, this thirty (30) day notice period shall run concurrently with the 30 day notice period in that Section.

(c) If Franchisee disagrees with Franchisor's estimate of the fair market value of the assets, and the parties cannot agree upon the fair market value, the fair market value of the assets shall be determined by an independent professional appraisal of the assets, as follows. Franchisor and Franchisee shall have thirty (30) days to either agree upon an appraiser or each select an appraiser. If either party fails to select an appraiser within thirty (30) days, or if later within ten (10) days after written notice of the other party's selection of an appraiser, the party shall be deemed to have agreed to the first appraiser.

(d) If two (2) appraisers are selected, they shall each conduct an appraisal. If the higher appraised value is not more than twenty percent (20%) more than the lower appraised value, the fair market value of the assets shall be the arithmetic mean of the two (2) appraised values. Otherwise, the two (2) appraisers shall select a third (3rd) appraiser who shall appraise the fair market value of the assets.

(e) An independent professional appraiser means one who certifies in writing that:

(i) He or she is a member of a nationally recognized society of appraisers, and has prepared his or her appraisal of the assets in accordance with recognized national guidelines;

(ii) He or she has no present interest or contemplated future interest, either legal or equitable, in Franchisor, Franchisee or the assets, and that he or she has no personal interest or bias with respect to the subject matter nor the parties involved in the appraisal;

(iii) His or her employment and compensation for rendering the appraisal are not contingent upon any value found by him or her, nor upon anything else other than the delivery of a report for a predetermined fee; and

(iv) He or she has derived no more than five percent (5%) of his or her gross revenue during the preceding twelve (12) months from appraisal services performed for either of the parties or their Related Parties.

(f) The fair market value of the assets determined by this appraisal process shall be final and binding upon the parties, except that Franchisor shall have ten (10) days after completion of the appraisal to decline to purchase any assets for the value determined by the appraiser. Franchisor and Franchisee shall each pay the fee and expenses of the appraiser selected by it, and shall each pay one-half (1/2) of the fee and expenses of any appraiser mutually selected or selected by the two (2) appraisers that they selected.

(g) In connection with the purchase of any assets pursuant to this Section, Franchisor may audit the books and records of Franchisee and solicit its creditors to determine the amount of any balance due them from Franchisee. Franchisor may then advise Franchisee of any amounts due the creditors. If Franchisee fails to provide satisfactory evidence that such amounts are not owed or that the creditors have been paid in full, Franchisor may pay the amounts due the creditors and deduct such amounts from the purchase price for the assets otherwise due the Franchisee under this Section. The balance of the purchase price, if any, shall be paid to Franchisee at the closing.

(h) The closing shall take place within ten (10) days after the agreement of the parties as to the fair market value of the assets; or if the fair market value is determined by an independent appraiser within ten (10) days after the expiration of the ten (10) day period during which Franchisor may decline to purchase the assets at their appraised value.

16. Dispute Resolution.

16.1 Equitable Remedies. Franchisee acknowledges that in the event of its breach of Section 10, 11, 12 or 13 of this Agreement, Franchisor's damages may be irreparable or impossible to measure. Therefore, in addition to any other rights or remedies Franchisor has or may have, in the event of any breach or threatened breach of any of these Sections by Franchisee, Franchisor shall be entitled to equitable relief, including but not limited to an ex parte temporary restraining order, or a temporary or permanent injunction, to enforce the terms of this Agreement.

16.2 Time Limit on Bringing Claim. The parties agree that any claim by either party against the other shall be deemed to be waived and abandoned unless an action is commenced pursuant to this Agreement within one (1) year after the date of discovery or one (1) year after the termination or expiration of the Franchise, whichever is earlier.

16.3 Limit on Damages. The parties waive any right or claim either may have for any punitive damages, exemplary damages, pain and suffering, and any other non-economic damages. The parties agree that any damage award shall be limited to actual economic damages.

16.4 Arbitration. All controversies, disputes, or claims between Franchisee and Franchisor or any of its affiliates, officers, directors and/or employees shall be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings are to be conducted by three (3) arbitrators, all of whom are to be retired judges and are to be conducted according to then current commercial arbitration rules of the American Arbitration Association (“AAA”). All proceedings will be conducted at the office of AAA located in Southfield, Michigan. All matters relating to arbitration will be governed by the Federal Arbitration Act. Judgment upon the arbitrators' award may be entered into by any court of competent jurisdiction, provided that such award shall not be binding unless granted pursuant to a written opinion containing findings of fact and conclusions of law. The prevailing party shall be entitled to recover its reasonable attorney's fees.

17. Acknowledgments by Franchisee.

17.1 Delivery of Disclosure Document. Franchisee acknowledges that at least fourteen (14) calendar days before signing this Agreement or any related agreement, it received the Franchise Disclosure Document for this Franchise, and a copy of this Agreement and all related agreements; and Franchisee has had an adequate opportunity to review all of these items.

17.2 No Earnings Claims. Franchisee acknowledges that Franchisor has not in any way represented, estimated, or projected any level or anticipated range of sales, earnings, costs, or profits for this Franchise, nor represented the sales, earnings, costs, or profits of any other Jet's Pizza restaurant.

17.3 Opportunity to Consult with Advisors. Franchisee has consulted or has had adequate opportunity to consult with professional advisors with regard to its acquisition of this Franchise.

17.4 Acknowledgment of Risk. Franchisee acknowledges that this is a risky investment, but that it is financially and otherwise able to accept the risks associated with this investment.

17.5 No Guaranty of Success. FRANCHISEE ACKNOWLEDGES THAT FRANCHISOR'S ASSISTANCE IN SITE SELECTION, FRANCHISOR'S APPROVAL OF THE FRANCHISE LOCATION, SIZE, LEASE, PLANS, OR BLUEPRINTS, FRANCHISOR'S TRAINING PROGRAM OR ONGOING ASSISTANCE, OR OTHER ASSISTANCE OR SERVICES RENDERED BY FRANCHISOR DO NOT CONSTITUTE A WARRANTY OR GUARANTY THAT THIS WILL BE A GOOD, SUCCESSFUL OR PROFITABLE INVESTMENT BY FRANCHISEE.

17.6 Adequate Funding. Franchisee has or has secured adequate funds, and has otherwise made complete and adequate preparations, to commence, open, and operate the Restaurant.

18. Miscellaneous.

18.1 Franchisor's Reasonable Business Judgment. Whenever Franchisor reserves or is deemed to have reserved discretion in a particular area or where Franchisor agrees or is deemed to be required to exercise its rights reasonably or in good faith, Franchisor will satisfy its obligations whenever it exercises Reasonable Business Judgment in making its decision or exercising its rights. A decision or action by Franchisor will be deemed to be the result of "Reasonable Business Judgment," even if other reasonable or even arguably preferable alternatives are available, if Franchisor's decision or action is intended, in whole or significant part, to promote or benefit the Franchise System generally, even if the decision or action also promotes a financial or other individual interest of Franchisor. Examples of items that will promote or benefit the Franchise System include, without limitation, enhancing the value of the Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the Franchise System.

18.2 Electronic Communications. To promote speed and the effectiveness of communication between Franchisor and its franchisees generally, the parties agrees as follows:

(a) Franchisee shall at all times maintain an e-mail address, shall notify Franchisor of the e-mail address, and shall promptly notify Franchisor of any change in its e-mail address. Any notice or other communication to Franchisee required or allowed under this Agreement may be sent to Franchisee via e-mail to its e-mail address on record with Franchisor, and any such notice or communication shall have the same legal effect as a notice or communication sent in any other manner.

(b) Franchisor may issue policies or announcements, and may otherwise communicate, with Franchisee and its franchisees generally by posting information to the Jet's Pizza website, and any such posting of information shall have the same legal effect as any other mode of communication.

18.3 Governing Law, Jurisdiction and Venue. This Agreement shall be governed by Michigan law without regard to its conflict of law principles, except that any Michigan law regulating the sale of franchises or governing the relationship of a franchisor and its franchisees will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.3. This Agreement shall be deemed to have been entered into in Michigan. Any action brought by Franchisor and Franchisee shall be conducted through arbitration in accordance with Section 16.4. The parties waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision. Franchisee, its affiliates and principals shall not dispute jurisdiction or venue in any forum established under this Section and shall not attempt to change venue established under this Section based on *forum non conveniens* or any other reason.

18.4 WAIVER OF TRIAL BY JURY. FRANCHISOR AND FRANCHISEE, AND THEIR AFFILIATES AND PRINCIPALS, IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ANY

OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

18.5 LIMITATION OF CLAIMS. ALL CLAIMS ARISING UNDER THIS AGREEMENT OR FROM THE RELATIONSHIP BETWEEN THE PARTIES ARE BARRED UNLESS AN ACTION IS FILED WITHIN ONE (1) YEAR FROM THE DATE THE PARTY KNEW OR SHOULD HAVE KNOWN OF THE FACTS CREATING THE CLAIM (AND TIMELY SERVED ON THE OPPOSING PARTY), OR SUCH SHORTER PERIOD REQUIRED BY ANY APPLICABLE LAW OR STATUTE, EXCEPT FOR CLAIMS RELATING TO THE FINANCIAL OBLIGATIONS OF FRANCHISEE OR FRANCHISEE'S POST-TERM OBLIGATIONS UNDER THIS AGREEMENT.

18.6 WAIVER OF PUNITIVE DAMAGES. EXCEPT AS OTHERWISE PROVIDED IN THIS AGREEMENT, FRANCHISOR AND FRANCHISEE, AND THEIR AFFILIATES AND PRINCIPALS, WAIVE IN ANY JUDICIAL ACTION, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM OF ANY SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH WILL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY THAT PARTY.

18.7 NO CLASS ACTIONS. NEITHER FRANCHISEE NOR FRANCHISOR SHALL SEEK TO LITIGATE AGAINST THE OTHER PARTY TO THIS AGREEMENT OR SUCH PARTY'S AFFILIATES, EITHER AS A REPRESENTATIVE OF, OR ON BEHALF OF, ANY OTHER PERSON, CLASS, OR ENTITY IN ANY DISPUTE, CONTROVERSY, OR CLAIM OF ANY KIND ARISING OUT OF, OR RELATING TO, THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES, THE SALE OF THE FRANCHISE, OR OTHER CLAIMS OR CAUSES OF ACTION RELATING TO THE PERFORMANCE OF EITHER PARTY TO THIS AGREEMENT. NO ACTION OR PROCEEDING UNDER THIS AGREEMENT SHALL ADD AS A PARTY, BY CONSOLIDATION, JOINDER, OR IN ANY OTHER MANNER, ANY PERSON OR PARTY OTHER THAN FRANCHISEE AND FRANCHISOR AND ANY PERSON IN PRIVITY WITH, OR CLAIMING THROUGH, IN THE RIGHT OF, OR ON BEHALF OF, FRANCHISEE OR FRANCHISOR, UNLESS BOTH FRANCHISEE AND FRANCHISOR CONSENT IN WRITING. FRANCHISOR HAS THE ABSOLUTE RIGHT TO REFUSE SUCH CONSENT. FRANCHISEE AGREES AND ACKNOWLEDGES THAT ANY JUDICIAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING FROM OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP BETWEEN THE PARTIES, OR ANY AGREEMENT OR RELATIONSHIP BETWEEN FRANCHISEE AND ANY AFFILIATE OF FRANCHISOR WILL BE CONSIDERED UNIQUE ON ITS FACTS AND MAY NOT BE BROUGHT AS A CLASS OR GROUP ACTION.

18.8 Costs and Legal Fees. In connection with any failure by Franchisee to comply with this Agreement, regardless of whether there is any legal proceeding to enforce the terms of this Agreement, Franchisee shall reimburse Franchisor, upon demand, for the costs and expenses incurred by Franchisor as a result of such failure and Franchisor's enforcement of the terms of this Agreement, including, without limitation, accountants', attorneys', attorneys' assistants and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel expenses. If Franchisee initiates a legal proceeding against Franchisor, and if Franchisee does not prevail in obtaining the relief Franchisee was seeking in such legal proceedings, then Franchisee shall reimburse Franchisor for the costs and expenses incurred by Franchisor as a result of such legal proceedings, including, without limitation, accountants', attorneys', attorneys' assistants and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel expenses, whether incurred prior to, in preparation for, in contemplation of, or in connection with such legal proceedings.

18.9 Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective heirs, personal representatives, successors and permitted assigns.

18.10 Integration Clause. This Agreement, including any Addenda (including a Renewal Addendum), Schedules, represents the entire agreement of the parties with respect to this subject matter, and supersedes any agreement or understanding of the parties prior to entering into this Agreement, including but not limited to any franchise agreement previously executed with respect to the Franchise for a prior term or under prior ownership. This integration clause is not, however, intended to disclaim any statements or representations made in the Franchise Disclosure Document.

18.11 Notices. Any notice under this Agreement shall be in writing, and shall be deemed sufficient if delivered personally, mailed by certified or registered mail, return receipt requested, sent via facsimile or, in the case of notice to Franchisee, sent via e-mail. Notice shall be deemed to have been given when personally delivered, two (2) business days after having been mailed by certified or registered mail, return receipt requested, or one (1) business day after transmission via facsimile or e-mail. Notice to Franchisee shall be delivered to the Restaurant, if personally delivered or sent by certified or registered mail, or to the facsimile number or e-mail address on record with Franchisor. Notice to Franchisor shall be sent to its registered address in the State of Michigan, or its facsimile number as to which it has notified Franchisee. Either party may change its address, facsimile number or e-mail address for purposes of receiving notice by proper notice to the other party given pursuant to this Section.

18.12 Third Party Beneficiaries. Franchisor's other franchisees are intended to be third party beneficiaries of Section 12 of this Agreement. Franchisee's suppliers are intended to be third party beneficiaries of Section 8.2 of this Agreement.

18.13 Personal Guaranty. If Franchisee is a corporation, limited liability company, limited partnership, or other entity in which the owners have limited liability, each individual or entity that owns any direct or indirect interest in Franchisee must jointly and severally personally guarantee Franchisee's duties and obligations under this Agreement in writing in a form satisfactory to Franchisor. Any individual that is or becomes the spouse of any individual required to provide a personal guarantee shall execute the guarantee jointly and severally with that individual.

18.14 Relationship of the Parties.

(a) It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them; that Franchisee is an independent contractor; and that nothing herein is intended to make either party an agent, legal representative, subsidiary, joint venturer, partner, employee, employer, joint employer, enterprise, or servant of or with the other, for any purpose.

(b) Franchisee shall conspicuously identify itself and the Restaurant in all dealings with its employees, customers, contractors, suppliers, public officials, and others, as an independent franchisee of Franchisor, and shall place such notice of independent ownership in its Restaurant and on all forms, business cards, stationery, payroll records, advertising, signs, and other materials, and in any electronic medium approved by Franchisor, in such fashion as Franchisor may specify from time to time in the Operation Manual or otherwise in writing.

(c) Franchisee acknowledges and agrees that it is not authorized to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any act or omission of Franchisee

in its conduct of the Restaurant or for any claim or judgment arising therefrom against Franchisee or Franchisor.

18.15 Manufacturer Warranties. Franchisee acknowledges and agrees that Franchisor is not the manufacturer of most of the items supplied by suppliers of the Franchise System. All claims and actions based on any manufacturer warranty must be made and prosecuted by Franchisee against the applicable manufacturer and/or warrantor at Franchisee's own expense, unless specifically agreed to in writing by Franchisor. Franchisee acknowledges and agrees that Franchisor has no responsibility or liability with respect to any warranty from other manufacturers and no obligation to raise or prosecute any claim or action based on a breached warranty on Franchisee's behalf. **FRANCHISEE ACKNOWLEDGES AND AGREES THAT FRANCHISOR HAS DISCLAIMED ALL WARRANTIES, EXPRESS AND IMPLIED, WITH RESPECT TO THE ITEMS SUPPLIED BY ANY SUPPLIER OF THE FRANCHISE SYSTEM, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS, AND THOSE WARRANTIES ARISING BY LAW, CUSTOM, USAGE, TRADE PRACTICE, COURSE OF DEALING, OR COURSE OF PERFORMANCE. FRANCHISOR DOES NOT WARRANT THAT ANY ITEM SUPPLIED BY A SUPPLIER TO THE FRANCHISE SYSTEM WILL MEET FRANCHISEE'S EXPECTATIONS OR THAT ANY EQUIPMENT OR SOFTWARE SUPPLIED WILL OPERATE UNINTERRUPTED OR ERROR-FREE. FRANCHISEE ACKNOWLEDGES AND AGREES THAT THERE ARE NO WARRANTIES BY FRANCHISOR WHICH EXTEND TO THE ITEMS AND GOODS SUPPLIED TO FRANCHISEE. TO THE EXTENT PERMITTED BY LAW, FRANCHISEE SPECIFICALLY WAIVES ALL RIGHTS TO MAKE CLAIMS OR ASSERT DEFENSES AGAINST FRANCHISOR, AND AGREES THAT FRANCHISOR WILL NOT BE LIABLE TO FRANCHISEE FOR, ANY LOSS, DAMAGE, INJURY, DIMINUTION IN VALUE, LIABILITY, EXPENSE, OR COST ARISING OUT OF OR RELATED TO AN ITEM MANUFACTURED OR WARRANTED BY A THIRD PARTY.**

18.16 Attorney Fees. Franchisor shall be entitled to recover from Franchisee any and all attorney fees and other costs it incurs in collecting any amounts due under this Agreement or otherwise enforcing the terms of this Agreement. Likewise, Franchisee shall be entitled to recover from Franchisor its attorney fees and costs incurred in compelling Franchisor to fulfill its duties and obligations under this Agreement.

18.17 Severability and Construction. Except as expressly provided to the contrary herein, each portion, section, part, term, and/or provision hereof shall be considered severable; and if, for any reason, any portion, section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions hereof as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, and/or provisions shall be deemed not to be a part hereof.

18.18 Survival of Modified Covenants. Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part hereof, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

18.19 Schedules. All Schedules to this Agreement are intended to be part of this Agreement.

18.20 Modifications. Except as provided below, this Agreement may be modified or amended only by the written agreement of the parties:

(a) By a court, under Section 12, concerning Franchisee's agreement not to compete, or Section 15.3, concerning liquidated damages for royalties; or

(b) Franchisor reserves the right to modify this Agreement as follows, provided that the change does not materially change Franchisee's duties or obligations, or the nature or value of the Franchise:

(i) To comply with a judgment, order, or directive of a court, tribunal, or government agency that finds or determines that any term or condition of this Agreement, or any practice engaged in by Franchisor, violates any franchise law or regulation, or other law or regulation;

(ii) To comply with any change in any applicable federal, state or local law, rule or regulation concerning franchising; or

(iii) To establish or modify the Operations Manual or other policies, procedures, standards or specifications from time to time.

(c) Franchisor has the right to unilaterally modify this Agreement if the modification is approved by a vote or the written consent of a majority of the franchised Restaurants in operation at that time. If a proposed modification is approved by a majority of the franchised Restaurants, Franchisee will be given written notice of the modification and the effective date of the modification. The effective date of the modification will be at least fourteen (14) days after the written notice. Franchisor's right to modify this Agreement under the provisions of this Section will be in addition to and will not limit or act as a condition on Franchisor's right to unilaterally modify this Agreement and/or the Franchise System as otherwise permitted in this Agreement.

18.21 Waivers and Extensions. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee by providing any waiver, approval, consent, or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefor. No delay, waiver, omission, or forbearance on the part of Franchisor to exercise any right, option, duty, or power arising out of any breach or default by Franchisee, or by any other franchisee, of any of the terms, provisions, or covenants thereof, shall constitute a waiver by Franchisor to enforce any such right, option, or power as against Franchisee, or as to subsequent breach or default by Franchisee. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding or succeeding breach by Franchisee of any terms, covenants, or conditions of this Agreement. No extension of the time for performance of any obligation or other act shall be deemed to be an extension of the time for the performance of any other obligation or any other act.

18.22 Time of the Essence. The parties agree and acknowledge that time is of the essence with regard to Franchisee's obligations under this Agreement.

18.23 Section Headings. The Section headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

18.24 Survival Clause. The provisions of Sections 1, 2, 5, 9.3, 10, 11, 12, 15, 16, 17, 18, and 19 shall survive the termination of the Franchise and this Agreement.

18.25 Multiple Counterparts and Electronic Signatures. This Agreement may be executed in multiple counterparts, each of which shall constitute an original Agreement, but all of which shall constitute only one Agreement. Execution and delivery of an executed party's signature page of this Agreement by electronic signature, whether digital or encrypted, is intended to authenticate this writing and to have the same force and effect as a manual signature.

19. Acknowledgements and Representations.

19.1 Recognition of Business Risks. Franchisee and its principals acknowledge that the business venture contemplated hereby involves business risks, which could result in the loss of a significant portion or all of Franchisee's investment, and that Franchisee's success will be largely dependent upon the ability of Franchisee as an independent business person (or the ability of the principals, if Franchisee is a corporation or other entity). Franchisor expressly disclaims the making of, and Franchisee and its principals acknowledge that they have not received, any warranty, guarantee, or representation, express or implied, from any employee or agent of Franchisor, as to the prior, current, or potential sales, income, profits, cash flows, or success of the business venture contemplated by this Agreement or of other restaurants, or of the suitability of the Location of the Restaurant.

19.2 Receipt of Franchise Offering Materials. Franchisee acknowledges that it received a Franchisor Franchise Disclosure Document, as required under federal and applicable state franchise disclosure law, at least fourteen (14) calendar days before signing this Agreement or any other binding agreement; or paying any fees to Franchisor or its affiliates. In addition, if Franchisor materially altered the provisions of this Agreement, any attachments relating thereto, or any related agreements attached to the Franchisor Franchise Disclosure Document (except as a result of negotiations Franchisee initiated), Franchisee acknowledges that it received a copy of this Agreement or the related agreement at least seven (7) calendar days before signing it.

19.3 Review of Franchise Offering Materials. Franchisee acknowledges that it has read and understands the Franchise Disclosure Document, this Agreement, and the attachments hereto, and that Franchisor has accorded Franchisee ample time and opportunity to consult with advisors of Franchisee's own choosing about the potential benefits and risks of entering into this Agreement.

19.4 Uniformity of Agreements. Franchisee acknowledges that it is aware that other franchisees of Franchisor operate under a number of different forms of franchise agreements that were entered into at different times and for different locations and that, consequently, the obligations and rights of the parties to such other agreements may differ materially in certain instances from Franchisee's rights and obligations under this Agreement.

19.5 No False Statements. Franchisee acknowledges and represents that all information submitted to Franchisor by Franchisee and its owners, including but not limited to all applications, financial information, the Ownership Certificate, and all other documents and information, is true, correct, and complete in all respects and does not omit any material statement or item of fact necessary to make the statements made therein not false or misleading. Franchisee agrees to promptly advise Franchisor of any material change in the information or statements submitted to Franchisor. Franchisee acknowledges and understands that Franchisor has entered into this Agreement in reliance on the statements and information submitted to Franchisor by Franchisee and its owners, and that any material breach, inaccuracy, or omission is grounds for Franchisor to terminate this Agreement.

19.6 No Conflicting Agreements. Franchisee acknowledges and represents that neither Franchisee nor any owner of Franchisee is a party to or is otherwise subject to any other agreement, promise, representation, warranty, covenant, court order, settlement agreement, or other legal or equitable obligation

that conflicts with this Agreement or prohibits or limits Franchisee or its owners from entering into this Agreement or from fulfilling all of Franchisee's obligations under this Agreement.

19.7 No Other Beneficiaries. Franchisor is not obligated or liable, as a result of this Agreement, to any person or entity that is not a party to this Agreement. Franchisee understands that Franchisee is not a third party beneficiary of any other franchise agreement between Franchisor and other franchisees, and that Franchisee has no independent right to enforce the terms of, or require performance under, any other franchise agreement.

19.8 Terrorist and Money Laundering Activities. Franchisee and its principals, owners, officers, directors, members, partners and agents represent and warrant to Franchisor that: (a) they are not identified by name or alias, pseudonym or nickname, on the lists of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (text is currently available at www.treas.gov/offices/enforcement/ofac) (b) they are not directly or indirectly owned or controlled by the government of any country that is subject to a United States embargo; (c) they will not act directly or indirectly on behalf of the government of any country that is subject to a United States embargo; and (d) they are in full compliance with all laws proscribing money laundering and corrupt practices. Further, Franchisee and its principals, owners, officers, directors, members, partners and agents represent and warrant to Franchisor that they have not violated and agree not to violate any law prohibiting corrupt business practices, money laundering or the aid or support of persons who conspire to commit acts of terror against any person or government, including acts prohibited by the USA Patriot Act (text currently available at <http://www.epic.org/privacy/terrorism/hr3162.html>) U.S. Executive Order 13244 (text currently available at <http://www.treas.gov/offices/enforcement/ofac/sanctions/terrorism.html>) or any similar law. The foregoing constitute continuing representations and warranties, and Franchisee and its principals, owners, officers, directors, members, partners and agents must immediately notify Franchisor in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

Independent Auditor's Report

To the Board of Directors and Stockholders
Jet's America, Inc.
Sterling Heights, Michigan 48310

Opinion

We have audited the consolidated financial statements of Jet's America, Inc. (the Company), which comprise the consolidated balance sheets as of December 31, 2023, 2022, and 2021 and the related consolidated statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Company has elected to adopt certain accounting alternatives for private companies, as developed by the Private Companies Council, including leasing entities under common control.

Cash

The company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Short-term Investments

The Company classifies its certificates of deposit as cash and cash equivalents or short-term investments and reassesses the appropriateness of the classification of its investments at the end of each reporting period. Certificates of deposit with an original maturity greater than three months are reported as short-term investments on the consolidated balance sheets. The Company classified its short-term investments at the time of purchase as "held-to-maturity" and re-evaluates its

Jet's America, Inc.

Notes to Consolidated Financial Statements

classification each reporting period based in its intent and ability to hold until maturity. Short-term investments are carried at amortized cost and approximate fair value.

As of December 31, 2023, the Company had \$3,500,000 in certificates of deposit, plus \$62,882 of accrued interest, all of which was classified as short-term investments on its consolidated balance sheets. The Company did not have any certificates of deposit as of December 31, 2022 or 2021.

The certificates of deposit held as of December 31, 2023 mature within one year and earn interest at rates ranging from 4.10% to 4.88% per annum.

Accounts Receivable

Accounts receivable are stated at the invoice amounts and are primarily comprised of receivables from franchisees and vendor rebates. The Company maintains an allowance for doubtful accounts that is calculated under the current expected credit loss ("CECL") model. The CECL model applies to financial assets measured at amortized cost and requires the Company to reflect expected credit losses over the remaining contractual term of the asset. The Company uses an aging method to estimate allowances for doubtful accounts under the CECL model as the Company has determined that the aging method adequately reflects expected credit losses, as corroborated by historical losses. Management considers all accounts receivable collectible; therefore, an allowance for doubtful accounts has not been recorded at December 31, 2023, 2022 and 2021.

Property and Equipment

Property and equipment are recorded at cost. Both straight-line and accelerated methods are used for computing depreciation and amortization. Assets are depreciated over their estimated useful lives. Costs of maintenance and repairs are charged to expense when incurred.

Intangible Assets

Intangible assets consist of capitalized trademark costs that are not subject to amortization and are tested for impairment at least annually. No impairments were recognized in the years ended December 31, 2023, 2022 and 2021.

Notes Receivable

Notes receivable are reported at original issue amount plus accrued interest, less principal repaid. Interest is recognized according to terms of the specific notes. Collections are continuously monitored and an allowance for credit losses is maintained based on historical experience adjusted for current conditions and reasonable forecasts taking into account specific economic factors. The Company evaluates credit risk based on a variety of credit quality factors including prior payment experience, borrower financial information, credit ratings, probabilities of default, industry trends and other internal metrics. All amounts deemed to be uncollectible are charged against the allowance for loan losses in the period that determination is made.

At December 31, 2023, 2022 and 2021, notes receivable represents uncollateralized loans at the terms disclosed in Note 5. The notes receivable are classified as current or long term on the accompanying consolidated balance sheets depending on the maturity date. The Company considers the notes receivable collectible; therefore, an allowance for loan losses has not been recorded at December 31, 2023, 2022 and 2021.

Revenue Recognition

Royalty Revenue

Franchise royalties, which are based on a percentage of acquired inventory, are recognized when earned in accordance with the franchise agreement at the time they are incurred by the franchisees. Royalty revenues are primarily related to the use of the license agreements and are recognized as income in the same period in which the inventory purchases by the franchisees occur.

Advertising Revenue

The Company has the following types of Advertising Revenue which are contributed to the Ad Funds:

Box revenue - Box fees are charged by the Company to franchisees using a volume-based formula based on number of pizza boxes sold by the franchisee. Box revenues are recognized when earned in the same period in which the sales by the franchisees occur in accordance with the franchise agreement.

Media Fees - The Company charges a fixed media fee to franchisees in certain regions. Revenue recognized as a result of media fees are recognized as revenue at a fixed rate in accordance with the franchise agreement.

Volume based - Additional franchisee contributions are not currently required to be contributed, but franchisees may be required to contribute a percentage of acquired inventory under the franchise agreement at the discretion of Jet's America, Inc. There were no volume-based advertising fees charged or collected during the years ended December 31, 2023, 2022 and 2021.

Vendor Rebates

Jet's America, Inc. earns vendor rebates based on the volume of purchases by franchised locations. These funds are contributed to the Ad Funds to support advertising costs and other administrative costs that support the franchisee system as further discussed below in Note 2. Vendor rebate revenues are recognized by the Company in the period in which the rebates are earned.

Franchise Revenue

The Company generates revenues from franchise agreements. In consideration for the payment of an initial fixed franchise fee, a volume-based royalty fee, a usage-based advertising fee and other amounts specified in the franchise agreement, the Company grants new franchisees the use of the Jet's trademarks, recipes, systems, trainings and operation assistance.

The Company satisfies the performance obligation related to the franchise fee collected over the term of the related agreement, which is typically 10 years. The initial franchise fee, as determined by the signed franchise agreement, is nonrefundable and due at the time the agreement is entered into. Revenue related to these franchise agreements is recognized on a straight-line basis over the respective term, which typically begins the date of the opening of the new franchise store.

Jet's America, Inc.

Notes to Consolidated Financial Statements

Gift Card Liability

The Company acts as a clearinghouse for its franchisees' gift card transactions. On a monthly basis, franchisees are billed or paid for the amount of the gift card sales over or under gift card redemptions at the respective franchisees' store for the period. The gift card liability represents the amounts owed to franchisees for unredeemed gift cards. The Company recorded a liability for unredeemed gift cards, net of breakage, totaling \$621,815, \$469,345 and \$560,870 at December 31, 2023, 2022 and 2021, respectively.

In some cases, gift cards are not redeemed or are not redeemed in full and the unredeemed portion is referred to as breakage. If the amount of gift card breakage and the estimated time period of actual gift card redemption can be reasonably and objectively determined, then the Company will recognize gift card breakage is recorded based on historical customer usage patterns, in accordance with escheatment laws. Management assesses historical data to identify a reasonable and objective time period of redemption. Gift card breakage recorded was approximately \$48,279, \$45,000 and \$0 during the years ended December 31, 2023, 2022 and 2021, respectively, and is included in other revenues on the consolidated statements of income.

Leases

The Company adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 842, *Leases*, effective January 1, 2022 and implemented the standard using the modified retrospective approach, and elected to not adjust the comparative periods.

The Company elected to utilize the three practical expedients permitted within the standard, which eliminates the requirement to reassess the conclusions about historical lease identifications, lease classifications, and initial direct costs. The Company did not elect the hindsight practical expedient, which permits the use of hindsight when determining lease terms and impairments of right-of-use assets. Additionally, the Company elected to utilize the short-term lease exception policy, which allows the Company to not apply the recognition requirements of this standard to leases with a term of 12 months or less.

The new standard establishes a right-of-use (ROU) model that requires a lessee to record a ROU asset and a lease liability on the consolidated balance sheets for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the consolidated statements of income.

The Company defines the lease term as the noncancellable term of the lease plus any renewal options that are reasonably certain of exercise based on an assessment of economic factors. The noncancellable term commences on the date the lessor makes the underlying asset available to the lessee, irrespective of when lease payments begin.

The Company recognizes a ROU asset and lease liability at lease commencement, which are measured by discounting lease payments using the Company's incremental borrowing rate. The Company elected the practical expedient to use the risk-free rate as the discount rate. As such, the Company selects that risk-free rate that corresponds with the term of each lease.

A lease ROU asset is depreciated on a straight-line basis over the lease term. Interest on each lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Lease ROU assets are assessed for impairment in accordance with

Jet's America, Inc.

Notes to Consolidated Financial Statements

the long-lived asset impairment policy.

The Company reassesses lease classification and remeasures ROU assets and lease liabilities when a lease is modified, and that modification is not accounted for as a separate contract or upon certain other events that require reassessment in accordance with ASC 842. Maintenance and property tax expenses are accounted for on an accrual basis as variable lease costs.

JPNAF and Rebate Fund

The Rebate Fund is currently funded solely by supplier rebates. JPNAF is currently funded by supplier rebates via the Rebate Fund and by franchisee contributions (box fees) using a volume-based formula and media fees collected from franchisees. Additional franchisee contributions are not currently required to be contributed, but franchisees may be required to contribute a percentage of acquired inventory under the franchise agreement at the discretion of Jet's America, Inc.

The Company may use the Ad Funds for advertising and promotional expenses, including production, administrative costs, social media, advertising agency fees, and IT programs and enhancements facilitating ordering, sales and promotions. The Company may also use the Ad Funds for media costs only if reasonably intended to benefit Jet's Pizza restaurants and the Franchise System generally, such as a national radio or television advertising program.

The Company has control of the Ad Funds and their activities. The expenditures are primarily amounts paid to third parties but may also include personnel expenses and allocated costs.

Advertising Expense

Advertising expense is charged to income during the year in which it is incurred. Jet's America, Inc. directly incurred advertising expenses of \$816,594, \$918,309, and \$816,861 for the years ending December 31, 2023, 2022 and 2021, respectively.

In addition to the advertising expenses incurred directly by Jet's America, Inc, advertising and media expenses are also incurred by the Ad Funds. The Ad Funds incurred advertising expenses of \$14,204,968, \$15,257,109, and \$12,796,900 during the years ended December 31, 2023, 2022 and 2021, respectively, and is included in operating expenses on the consolidated statements of income.

Income Taxes

Pursuant to provisions of the Internal Revenue Code, the Company has elected to be taxed as an S- corporation. Generally, the income of an S corporation is not subject to federal income tax at the corporate level, but rather the stockholders are required to include a pro rata share of the corporation's taxable income or loss in their personal income tax returns, irrespective of whether dividends have been paid. Accordingly, no provision for federal income taxes has been made in the accompanying financial statements.

In accordance with US GAAP, the Company follows ASC 740-10 "*Income Taxes*" on accounting for uncertain tax positions. The guidance clarifies the accounting for the recognition and measurement of the benefits of individual tax positions in the consolidated financial statements. Tax positions must meet a recognition threshold of more-likely-than-not in order for the benefit of those tax positions to be recognized in the Company's consolidated financial statements. The Company has determined that it does not have any significant unrecognized tax benefits or obligations as of and

Jet's America, Inc.

Notes to Consolidated Financial Statements

for the years ended December 31, 2023, 2022 and 2021. It is the Company's policy to include any penalties and interest related to income taxes in general and administrative expenses, however, the Company has no penalties or interest related to income taxes during the years ended December 31, 2023, 2022 and 2021.

2021 PA 135 of the Michigan Income Tax Act was signed into law in 2022, establishing an elective pass-through entity tax regime in Michigan that is intended to address the state and local tax deduction cap. Effective January 1, 2022, the Company made an election to be taxed at the entity level for state taxes. The pass-through entity tax will be imposed on the electing entity's qualifying taxable income. As a result, the Company recorded state income tax expense of \$335,487 and \$228,580 for the years ended December 31, 2023 and 2022, respectively, which is included in the consolidated statements of income.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Recently Adopted Accounting Pronouncements

Effective January 1, 2023 the Company adopted Accounting Standards Update (ASU) 2016-13, *Financial Instruments - Credit Losses (Topic 326)*, along with related clarifications and improvements. This pronouncement requires companies to measure credit losses utilizing a methodology that reflects expected credit losses and requires a consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The Company adopted the standard using the modified retrospective approach as of the effective date and therefore, has not applied the standard to the comparative period presented in the consolidated financial statements. The modified-retrospective approach requires an entity to recognize a cumulative-effect adjustment to retained earnings as of the beginning of the first reporting period in which this guidance is effective. There was no material impact to the consolidated statements of income, statements of changes in stockholders' equity, and no cumulative adjustment was recognized.

Recently Issued Accounting Pronouncements

In March 2023, the FASB issued ASU 2023-01, *Leases (Topic 842): Common Control Arrangement*, which addresses the accounting by private companies for common control leases and leasehold improvements associated with such leases. Specifically, the new guidance includes the following provisions: (a) nonpublic entities can elect a practical expedient to use the written terms and conditions of their arrangements between entities under common control to determine whether a lease exists and, if so, to classify and account for that lease, rather than using legally enforceable terms and conditions as currently required and (b) all entities (public or nonpublic) will be required to amortize leasehold improvements associated with leases between entities under common control generally over the useful life of the leasehold improvements to the common control group, rather than over the shorter of the useful life of those leasehold improvements and the remaining lease term as currently required. The standard is effective for private companies for fiscal years beginning after December 15, 2023. Early adoption is permitted. The Company is currently analyzing the impact of the pending adoption of this new standard on its consolidated financial statements.

GUARANTY

In consideration of, and as an inducement to, Jet's America, Inc., a Michigan corporation ("**Franchisor**"), to execute that certain Franchise Agreement (as it may be amended, revised or modified, the "**Franchise Agreement**") with _____ ("**Franchisee**"), dated on or about _____, each of the undersigned (the "**Guarantors**"), jointly and severally, agree as follows:

1. Each of the Guarantors, jointly and severally, unconditionally guarantees to Franchisor and its successors and assigns, that all of Franchisee's obligations under the Franchise Agreement, as it may be amended, revised or modified, and under other agreements or arrangements between Franchisee and Franchisor (collectively, "**Franchisee Obligations**"), will be punctually paid and performed. Guarantors shall pay or cause to be paid all monies payable by Franchisee to Franchisor and its affiliated and related entities, including but not limited to all monies payable by Franchisee under the Franchise Agreement, without right of set-off, on the date and in the manner required for payment.
2. Guarantors unconditionally guarantee full performance and discharge by Franchisee of all Franchisee Obligations on the date and times and in the manner required.
3. Without limiting any of the foregoing, Guarantors agree to be personally bound by the covenants set forth in the Franchise Agreement, including in Sections 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 18.
4. Guarantors shall indemnify, defend and hold harmless Franchisor and its affiliates, and their respective shareholders, directors, employees, and agents, against and from all losses, damages, costs, and expenses, including, but not limited to, attorneys' fees and costs, which Franchisor and its affiliates may sustain, incur, or become liable for by reason of: (a) Franchisee's failure to perform the Franchisee Obligations or to do and perform any other act, matter, or thing required by the Franchise Agreement; or (b) any action by Franchisor to obtain performance by Franchisee of any of the Franchisee Obligations. Guarantors agree that any indemnification pursuant to this paragraph shall be subject to the same terms and conditions as described in Section 9.5 of the Franchise Agreement.
5. Franchisor shall not be obligated to proceed against Franchisee or exhaust any security from Franchisee or pursue or exhaust any remedy against Franchisee before proceeding to enforce the obligations of the Guarantors herein set out, and the enforcement of such obligations may take place before, after, or contemporaneously with enforcement of any debt or Franchisee Obligations against Franchisee.
6. Without affecting the Guarantors' obligations under this Guarantee, Franchisor, without notice to the Guarantors, may extend, modify, or release any indebtedness or obligation of Franchisee, or settle, adjust, or compromise any claims against Franchisee. Guarantors waive notice of amendment of the Franchise Agreement and notice of demand for payment or performance by Franchisee.

7. Guarantors acknowledge and represent that the undersigned Guarantors represent: all of the owners of any interest in Franchisee.

8. All obligations and liabilities of the Guarantors arising from the Franchisee Obligations shall remain in full force and effect until satisfied or discharged by Franchisee or the Guarantors. The death of an individual Guarantor shall not affect the obligations of any other Guarantors, which will continue in full force and effect. The estate of a deceased individual Guarantor shall be bound by this Guarantee as to: (a) defaults and obligations existing hereunder at the time of the Guarantor's death, and (b) performance of Franchisee Obligations while the franchised business is under the direction and control of the Guarantor's executor.

9. The provisions of Section 18 of the Franchise Agreement shall govern the interpretation and enforcement of this Guaranty.

10. This Guaranty is fully assignable by Jet's America, Inc.

11. This Guaranty may be executed in one or more counterparts, each of which is an original, and all of which together constitute one agreement between the parties. Execution and delivery of an executed party's signature page of this Guaranty by electronic signature, whether digital or encrypted, is intended to authenticate this writing and to have the same force and effect as a manual signature.

IN WITNESS WHEREOF, each of the undersigned has signed this Guaranty as of the date of the Franchise Agreement.

Jet's Pizza
RELATED PARTY CONFIDENTIALITY AGREEMENT (“Agreement”)

Check box that applies:

- I am an employee of the Jet's Pizza franchisee ("Franchisee") listed below, and I am entering into this Agreement in consideration for my employment or continued employment with Franchisee.

- I am an owner, officer, director or management personnel of the Jet's Pizza franchisee ("Franchisee") listed below, or a trustee or beneficiary of a trust that owns an equity interest in Franchisee, and I am entering into this Agreement with the awareness and understanding that this agreement is an obligation of Franchisee under its Franchise Agreement with Jet's America, Inc.

I acknowledge that Jet's America, Inc. ("Franchisor") has developed and continues to develop on an ongoing basis the Jet's Pizza Franchise System (the "Franchise System") that includes unique recipes, processes, methods of operation and other trade secrets, and that such trade secrets are the property of Franchisor, that the purpose of this Agreement is to help protect such trade secrets, and that my execution of this Agreement is a requirement in order for Franchisee to own and operate a Jet's Pizza franchise.

THEREFORE, for valuable consideration, I agree as follows:

I agree that the "Trade Secrets" (as defined below) are the property of Franchisor.

I agree not to use, divulge, disclose, disseminate or transfer any Trade Secrets, except as necessary to perform my duties as an employee, owner, officer, director or manager with Franchisee in connection with its Jet's Pizza franchise, without the prior written consent of the Chairman of the Board, President, or a Vice President of Franchisor.

I agree that upon the termination of my employment or other relationship with Franchisee or upon demand by Franchisor, whichever occurs first, I will immediately return all Trade Secrets or documents or other media containing Trade Secrets to Franchisor, and will not keep any copies, electronic or otherwise.

For purposes of this Agreement, "Trade Secrets" means, except as excluded below, all information concerning Franchisor, its assets, business, franchisees or the Jet's Pizza Franchise System, and all information integrally related to the goodwill attached to the trademarks or service marks owned or used by Franchisor in connection with the Franchise System or the goodwill or going concern value of the Franchise System. "Trade Secrets" may include information disclosed to Franchisee orally, in writing, electronically or in any other way, and may include information compiled or developed by Franchisee in the conduct of its Franchise business. "Trade Secrets" specifically includes, but is not limited to, all or any part of information concerning individual ingredients, combinations of ingredients, recipes and procedures for the preparation of menu items; processes or procedures for the operation of a Jet's Pizza franchise; training materials and methods concerning a Jet's Pizza franchise; the Jet's Pizza Operations Manual; the terms of contracts between

Franchisor and third parties; advertising or marketing plans or strategies; and information concerning Jet's Pizza customers, including names, addresses, telephone numbers, e-mail addresses, and information concerning their purchases of Jet's Pizza products. "Trade Secrets" do not include information that is public knowledge (without unauthorized disclosure by any person), or information that was lawfully obtained from a third party under no obligation of confidentiality to Franchisor.

I further acknowledge and agree that any unauthorized disclosure or use of Franchisor's Trade Secrets may cause irreparable damage to Franchisor. In the event of my breach or threatened breach of this agreement, in addition to any other rights or remedies Franchisor may have, Franchisor shall be entitled to emergency relief, including an *ex parte* temporary restraining order, or a temporary or permanent injunction to enforce this Agreement. I further agree to pay all costs incurred by Franchisor to enforce its rights or remedies under this Agreement, including reasonable attorney fees.

Signatory acknowledges and agrees that Franchisor is an intended third party beneficiary of this agreement. Signatory further acknowledges and agrees that Franchisee is an independent owner of the applicable Jet's Pizza Franchise and not an agent of Franchisor.

This Agreement may be executed in multiple counterparts, each of which shall constitute an original Agreement, but all of which shall constitute only one Agreement. Execution and delivery of an executed party's signature page of this Agreement by electronic signature, whether digital or encrypted, is intended to authenticate this writing and to have the same force and effect as a manual signature.

THEREFORE, for valuable consideration, I agree as follows:

3. Judicial Modification. 4. Third Party Beneficiary. I acknowledge and agree that Franchisor is an intended third party beneficiary of this Agreement.

5. Equitable Remedies. I acknowledge that in the event of my breach of this Agreement, Franchisor's damages may be irreparable or impossible to measure. 6. Severability. In the event any provision of this Agreement is judged to be illegal or unenforceable, the remaining provisions shall remain in full force and effect.

7. Independent Owner. I acknowledge and agree that Franchisee is an independent owner of the applicable Jet's Pizza Franchise and not an agent of Franchisor.

8. Counterparts and Electronic Signatures. This Agreement may be executed in multiple counterparts, each of which shall constitute an original Agreement, but all of which shall constitute only one Agreement. Execution and delivery of an executed party's signature page of this Agreement by electronic signature, whether digital or encrypted, is intended to authenticate this writing and to have the same force and effect as a manual signature.

"Franchisor": JET'S AMERICA, INC., a Michigan corporation;

"Franchisee": _____;

"Assignor": _____;

"Trust": _____;

BACKGROUND

Franchisee owns a Jet's Pizza franchise, pursuant to a Franchise Agreement (the "Franchise Agreement"). Assignor now wishes to transfer all of his/her equity interests (i.e., shares or membership interests, "Equity Interests") in Franchisee to the Trust, pursuant to duly authorized and executed Assignments of Membership Interest or Assignments of Stock, as applicable (the "Assignment"), dated as of _____, 2024.

THEREFORE, the parties agree as follows:

1. Consent of Franchisor. Franchisor consents to the transfer of all of Assignor's Equity Interests in the Franchisee to the Trust, subject to the terms and conditions of this Agreement.

4.2 Notwithstanding the transfer of ownership pursuant to the Assignment or otherwise, Assignor and the Trust shall be personally responsible and jointly and severally liable

under all confidentiality, non-compete agreements and covenants, and all other agreements and covenants of a Franchise owner, under the Franchise Agreement or otherwise.

4.4 Franchisor's consent hereunder does not extend to, and does not permit, the beneficial transfer or assignment of the equity interests to any person or entity outside the control of the Trust and the individual Beneficiaries. In the event (a) of the termination of the Trust, (b) that the Beneficiaries of the Trust are not the same persons as on the date hereof, (c) the present Trustee ceases to control the Trust as its trustee, or (d) the death or disability of the Assignor, then in any such case, applicable provisions of the Franchise Agreement regarding transfer of a franchise to a third party shall govern, and the Trust, the Beneficiaries and/or the Franchisee shall promptly inform Franchisor of such occurrence.

The Renewal Franchise Agreement and, if applicable, the Initial Franchise Agreement, shall be deemed to include the terms and conditions of this Addendum. Without limiting the generality of the foregoing, the amendments contained herein will not be construed as an amendment to or waiver of any other provision of the Renewal Franchise Agreement and, if applicable, the Initial Franchise Agreement, or as a waiver of or consent to any further or future action on the part of either party that would require the waiver or consent of the other party. Except as otherwise provided in this Addendum, the provisions of Section 18 of the Renewal Franchise Agreement are incorporated herein.

4. Counterparts and Electronic Signatures. WASHINGTON ADDENDUM TO FRANCHISE DISCLOSURE AGREEMENT

This Addendum relates to franchises sold in Washington and is intended to comply with Washington statutes and regulations

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

2.1 Grant of Option. Subject to Section 2.8 below, Franchisor grants Franchisee an option (the “Option”) to purchase the number of Franchises listed in Schedule 1, a Restaurant for each of which shall be located within the Area Development Territory, upon the terms and conditions of this Agreement.

2.2 Development Schedule. Franchisee may exercise Options and open Restaurants for business as quickly as Franchisee desires, subject to the other terms and conditions of this Agreement and applicable Franchise Agreements, but at a minimum must open the First, Second and Third Franchise no later than, and according to, the time period set forth in the Development Schedule prescribed in Schedule 1. Franchisee has an Option to open the additional Franchises, if any, as prescribed in Schedule 1 and subject to the terms and conditions of this Agreement.

2.3 Area Development Fee. Franchisee shall pay the Area Development Fee upon the execution of this Agreement. The Area Development Fee is consideration for the Option and rights Franchisor is granting Franchisee in this Agreement and fully earned by Franchisor upon Franchisor and Franchisee signing this Agreement, and is not refundable under any circumstances, even if Franchisee does not comply or attempt to comply with the Development Schedule and even if Franchisor then terminates this Agreement for such reasons or if Franchisor subsequently terminates any Franchise pursuant to the applicable Franchise Agreement. The Area Development Fee is not refundable despite any provision contained in the Franchise Agreement or other document to the contrary.

2.4 Other Fees. Except as otherwise provided below, Franchisee shall pay all fees, charges and costs in accordance with the terms of the Franchise Agreement executed for each Franchise purchased under this Agreement.

(a) Area Development Fee. Except as otherwise indicated in Schedule 1, upon the exercise of each Option to purchase a Franchise under this Agreement, Franchisee must pay the Area Development Fee prescribed in Schedule 1.

(b) Royalty Fees. For each Franchise purchased under this Agreement, Franchisee shall pay royalties in accordance with the terms of the applicable Franchise Agreement in effect at that time for the Franchise.

(c) Other Fees. For each Franchise purchased under this Agreement, Franchisee shall pay all other fees and expenses in accordance with the terms of the applicable Franchise Agreement in effect at that time for the Franchise.

2.5 Exercise of Option. Provided Franchisee is not in default under this Agreement, Franchisee may exercise an Option to purchase a Franchise by written notice to Franchisor pursuant to the Development Schedule set forth in Schedule 1. Promptly after such notice, but subject to compliance with the other terms and conditions of this Agreement, Franchisor shall grant the Franchise to Franchisee. Notwithstanding the above, Franchisee acknowledges that Franchisor has absolute right not to accept any site that does not meet its criteria. Additionally, Franchisor may delay Franchisee's rights to develop additional Restaurants within the Area Development Territory for the time period Franchisor deems reasonable, if Franchisor believes that the Franchisee is not operationally or managerially prepared to develop, open and/or operate additional Restaurants.

2.6 Duration of Option. Franchisee's Option to purchase Franchises under this Section shall expire pursuant to the Development Schedule prescribed in Schedule 1. Franchisee's Option may be terminated sooner pursuant to Section 7.1.

2.7 Territory. Notwithstanding Section 6.3 of the Franchise Agreement, as long as this Option is in effect and Franchisee is not in material default, Franchisor shall not establish, operate, or license anyone else to own or operate, a Restaurant in the Area Development Territory during the terms set forth in the Development Schedule in Schedule 1, except as specifically allowed under this Agreement. After this Agreement is terminated or expires, regardless of the reason for termination, Franchisor has the right to establish and grant to others the right to establish Franchises in the Area Development Territory. Additionally, Franchisor reserves all rights not specifically granted to Franchisee, including but not limited to those set forth below.

(a) Franchisor reserves the right to supply "Special Events" in the Area Development Territory. For purposes of this agreement, "Special Events" mean banquets, receptions, picnics, parties, fairs, sporting events, or other events where the volume of the order may be beyond an individual Franchisee's normal capacity. Franchisee shall notify Franchisor of any order it receives for a Special Event in the Territory. Franchisor shall use its reasonable discretion whether to allow Franchisee to accept the order, to coordinate with other franchisees to fill the order, to fill the order itself, or to refuse the order.

(b) Franchisor reserves the right to open, operate and license others to own and operate restaurants, facilities or outlets operating under one or more of the Marks, but using a design, format or system materially different from the Franchise System, such as but not limited to Non-Traditional Restaurants.

2.8 Conditions to Grant of Option. Franchisor's grant of the Option under this Agreement is subject to:

(a) Franchisee's operation of a Restaurant under an Existing Franchise Agreement for a minimum of one (1) year; and

Except as otherwise specifically provided in this Agreement, all terms and conditions related to a Franchise shall be determined under the Franchise Agreement or related agreement executed with respect to that Franchise, such as but not limited to site

selection, the exclusive territory, training, the appearance and operation of the Restaurant, reporting requirements, and the payment of fees. Notwithstanding anything herein to the contrary, in the event of a conflict between the terms of this Agreement and the terms of an Existing Franchise Agreement, the terms of the most-recent Existing Franchise Agreement shall govern, provided, however, that the provisions of Section 2.4 and Schedule 1, however, are intended to supersede any conflicting terms of Franchisor's standard Franchise Agreement; provided that such provisions may be amended or superseded by a written agreement, signed by the parties, that expressly refers to Section 2.4 and/or Schedule 1, and clearly expresses the intent to amend or supersede such provisions.

4. Proprietary Information.

4.1 Acknowledgement of Ownership. Franchisee acknowledges and agrees that Proprietary Information is the exclusive property of Franchisor, and that Proprietary Information is proprietary to and a valuable trade secret of Franchisor.

4.2 Restrictive Covenants. Franchisee agrees as follows:

(f) To provide Franchisor with fully executed originals of all confidentiality agreements executed by such Related Parties or third parties;

(c) Employ or seek to employ, directly or indirectly, any person who is at the time or was at any time during the prior six (6) months employed by Franchisor or its affiliates at the level of restaurant general manager or above. A violation of this Section shall entitle Franchisor to liquidated damages equal to twice the annual salary of the employee (while employed by the prior employer), plus reimbursement of all costs and attorney fees incurred in enforcing this provision;

(d) Perform services as director, manager, officer, employee or agent of a Competitive Restaurant (defined below); or

(e) Engage in any activity that might injure the goodwill, the Marks, or the image of the Franchisor, Franchisee or the Franchise System.

5.2 Definition of Compete. To compete with Franchisor or any Jet's Pizza restaurant includes but is not limited to involvement as an owner, stockholder, director, officer, member, manager, partner, employee, lender or consultant, or the provision of any other type of assistance, with or to a business:

(a) More than fifty percent (50%) of the gross revenue of which is attributable to the sale of pizza, calzones and other items similar to those offered by Jet's Pizza restaurants ("Competitive Restaurants"), and located within five (5) miles of the Territory, or within five (5) miles of any Jet's Pizza restaurant, other than at a Jet's Pizza restaurant licensed by Franchisor; or

(b) Engaged in the sale of franchises for Competitive Restaurants or the ownership or operation of a system of franchised or licensed Competitive Restaurants.

5.3 Related Parties. Franchisee shall obtain from each Related Party an executed Agreement Not to Compete, substantially identical to the terms of this Section, in a form

prescribed by or satisfactory to Franchisor, and shall provide Franchisor with a fully executed original Agreement Not to Compete. For purposes of this Section, the Franchise shall be deemed to have terminated with respect to a Related Party upon the sale or disposition of his or her entire interest in the Franchise and the Franchisee, and/or the termination of his or her status or position as an owner, stockholder, director, officer, member, manager, partner, restaurant manager or key employee of Franchisee. Franchisee is responsible for ensuring that all personnel of Franchisee, including but not limited to owners, officers, and crew members, and Franchisee's vendors, service providers, professional advisors, and other persons associated with Franchisee keep confidential all Proprietary Information. Any unauthorized use or disclosure of Proprietary Information by such persons will constitute a default by Franchisee under this Agreement.

5.4 Judicial Modification. If any court or tribunal determines this agreement not to compete to be unenforceable because it is too broad, either in terms of the length of time, or geographical area, or nature of activities covered, or otherwise, its scope shall be deemed to be automatically restricted to the extent necessary to be enforceable.

6. Default. For purposes of this Agreement, each of the following shall be deemed to be an "Event of Default":

6.1 Failure to Meet Development Schedule. Franchisee fails to meet the Development Schedule prescribed in Schedule 1, or fails to pay any amount when due under this Agreement;

6.2 Transfer to Third Party. Unless waived by Franchisor at the time, a "transfer" (within the meaning of the Franchise Agreement) to an unrelated third party of any Franchise owned by Franchisee or a Related Party, notwithstanding any right to do so under the Franchise Agreement. It is the intent of the parties in entering into this Agreement that the Area Development Territory be developed by Franchisee, and that Franchisee will continue to own and operate the Franchises contemplated under this Agreement; not that Franchisee will engage in a practice of opening Franchises under this Agreement and then selling them to unrelated parties.

6.3 Other Default. Franchisee defaults in any other manner under this Agreement and fails to cure the default within ten (10) days after written notice of the default;

6.4 Cross-Default. Any default by Franchisee or a Related Party under the Franchise Agreement or any related agreement with respect to any Franchise owned by Franchisee or such Related Party, or any default by the Franchisee or its owners under the Franchise Agreement, or any related agreement, for any Franchise owned ten percent (10%) or more, directly or indirectly, by one or more persons who own, directly or indirectly, ten percent (10%) or more of Franchisee, which is not cured within any applicable cure period;

6.5 Court Judgments. The entry of any judgment against Franchisee or a Related Party which it is reasonable to anticipate would adversely affect Franchisee's or the Related Party's ability to own and operate a Franchise or Restaurant, or Franchisee's ability to fulfill its

obligations under this Agreement, that is not satisfied or indemnified against to the satisfaction of Franchisor within ten (10) days of its entry;

6.6 Insolvency or Bankruptcy. The insolvency of Franchisee, the commencement of any proceedings under any federal bankruptcy or state insolvency law, the assignment of assets for the benefit of creditors, or the appointment of a receiver, trustee, or similar person to oversee the business or affairs of Franchisee or any of its business assets; or

6.7 Criminal Activity. Franchisee, or any person who owns a ten percent (10%) or greater interest in Franchisee, commits or is convicted of, or pleads guilty to, any felony, or any misdemeanor involving criminal sexual conduct, drug use or drug trafficking, assault, battery, or physical violence toward any person, fraud, theft, embezzlement, or any crime involving dishonesty or the taking of money or property of others, or any other misdemeanor relevant to the operation of a Franchise.

7. Remedies.

7.1 Right to Cancel. In addition to any other rights or remedies Franchisor may have, upon the occurrence of an Event of Default, Franchisor may cancel Franchisee's Option to acquire additional Franchises under this Agreement.

7.2 Adequate Assurance of Performance. In addition to any other rights or remedies Franchisor may have, in the event of the bankruptcy or insolvency of Franchisee, in addition to any other rights or remedies available to Franchisor, if federal or state law prohibits Franchisor from terminating this Agreement or the Franchise, and Franchisee or the bankruptcy trustee elects to affirm this Agreement, Franchisor shall be entitled to adequate assurance of Franchisee's performance of this Agreement. The parties agree that this may include but shall not be limited to the full payment of all amounts then due or overdue, the cure of any other default, and Franchisee's deposit of a cash bond with Franchisor equal to the initial franchise fees or Area Development Fee(s) for any Restaurants scheduled under Section 2.2 (and Schedule 1) to be opened for business during the next year, with the replenishment of the bond on a regular basis.

7.3 Right to Enjoin. In addition to any other rights or remedies Franchisor may have, Franchisee agrees that any improper disclosure of Proprietary Information or other violation of any other term of this Agreement shall cause Franchisor serious and irreparable injury, that it shall be difficult to adequately measure the damages to Franchisor from any breach by Franchisee of this Agreement, rendering an award of monetary damages an inadequate remedy, and that, in the absence of injunctive relief, the injury to Franchisor from any such breach would be incalculable. Notwithstanding anything to the contrary in this Agreement, Franchisee therefore agrees that, in the event of a breach or attempted breach by Franchisee of this Agreement, including (without limitation) Sections 4 and 5, Franchisor shall be entitled to obtain temporary and permanent injunctive relief from any court of competent jurisdiction, enforcing the terms of this Agreement and prohibiting Franchisee from any further breaches of this Agreement. Nothing in this

Agreement shall be construed to limit or prevent Franchisor from pursuing any other remedies available to it, either in law or in equity.

8. Miscellaneous.

8.1 Marks. Franchisee acknowledges that it acquires no ownership rights or rights to use any of the Marks under or by reason of this Agreement, and that any such rights would be granted only under a Franchise Agreement.

8.2 Governing Law, Jurisdiction and Venue. This Agreement shall be governed by Michigan law without regard to its conflict of law principles, except that any Michigan law regulating the sale of franchises or governing the relationship of a franchisor and its franchisees will not apply unless its jurisdictional requirements are met independently without reference to this Section 8.2. This Agreement shall be deemed to have been entered into in Michigan. Any action brought by Franchisor and Franchisee shall be conducted through arbitration in accordance with Section 8.3. The parties waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision. Franchisee and its Related Parties shall not dispute jurisdiction or venue in any forum established under this Section and shall not attempt to change venue established under this Section based on *forum non conveniens* or any other reason.

8.3 Arbitration. All controversies, disputes, or claims between Franchisee and Franchisor or any of its Related Parties, affiliates, officers, directors and/or employees shall be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings are to be conducted by three (3) arbitrators, all of whom are to be retired judges and are to be conducted according to then current commercial arbitration rules of the American Arbitration Association (“AAA”). All proceedings will be conducted at the office of AAA located in Southfield, Michigan. All matters relating to arbitration will be governed by the Federal Arbitration Act. Judgment upon the arbitrators’ award may be entered into by any court of competent jurisdiction, provided that such award shall not be binding unless granted pursuant to a written opinion containing findings of fact and conclusions of law. The prevailing party shall be entitled to recover its reasonable attorney’s fees.

8.4 WAIVER OF TRIAL BY JURY. FRANCHISOR AND FRANCHISEE, AND THEIR AFFILIATES AND PRINCIPALS, IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ANY OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

8.5 LIMITATION OF CLAIMS. ALL CLAIMS ARISING UNDER THIS AGREEMENT OR FROM THE RELATIONSHIP BETWEEN THE PARTIES ARE BARRED UNLESS AN ACTION IS FILED WITHIN ONE (1) YEAR FROM THE DATE THE PARTY KNEW OR SHOULD HAVE KNOWN OF THE FACTS CREATING THE CLAIM (AND TIMELY SERVED ON THE OPPOSING PARTY), OR SUCH SHORTER PERIOD REQUIRED BY ANY APPLICABLE LAW OR STATUTE, EXCEPT FOR CLAIMS

RELATING TO THE FINANCIAL OBLIGATIONS OF FRANCHISEE OR FRANCHISEE'S POST-TERM OBLIGATIONS UNDER THIS AGREEMENT.

8.6 WAIVER OF PUNITIVE DAMAGES. EXCEPT AS OTHERWISE PROVIDED IN THIS AGREEMENT, FRANCHISOR AND FRANCHISEE, AND THEIR AFFILIATES AND PRINCIPALS, WAIVE IN ANY JUDICIAL ACTION, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM OF ANY SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH WILL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY THAT PARTY.

8.7 NO CLASS ACTIONS. NEITHER FRANCHISEE NOR FRANCHISOR SHALL SEEK TO LITIGATE AGAINST THE OTHER PARTY TO THIS AGREEMENT OR SUCH PARTY'S RELATED PARTIES, EITHER AS A REPRESENTATIVE OF, OR ON BEHALF OF, ANY OTHER PERSON, CLASS, OR ENTITY IN ANY DISPUTE, CONTROVERSY, OR CLAIM OF ANY KIND ARISING OUT OF, OR RELATING TO, THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES, THE SALE OF THE FRANCHISE, OR OTHER CLAIMS OR CAUSES OF ACTION RELATING TO THE PERFORMANCE OF EITHER PARTY TO THIS AGREEMENT. NO ACTION OR PROCEEDING UNDER THIS AGREEMENT SHALL ADD AS A PARTY, BY CONSOLIDATION, JOINDER, OR IN ANY OTHER MANNER, ANY PERSON OR PARTY OTHER THAN FRANCHISEE AND FRANCHISOR AND ANY PERSON IN PRIVACY WITH, OR CLAIMING THROUGH, IN THE RIGHT OF, OR ON BEHALF OF, FRANCHISEE OR FRANCHISOR, UNLESS BOTH FRANCHISEE AND FRANCHISOR CONSENT IN WRITING. FRANCHISOR HAS THE ABSOLUTE RIGHT TO REFUSE SUCH CONSENT. FRANCHISEE AGREES AND ACKNOWLEDGES THAT ANY JUDICIAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING FROM OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP BETWEEN THE PARTIES, OR ANY AGREEMENT OR RELATIONSHIP BETWEEN FRANCHISEE AND ANY AFFILIATE OF FRANCHISOR WILL BE CONSIDERED UNIQUE ON ITS FACTS AND MAY NOT BE BROUGHT AS A CLASS OR GROUP ACTION.

8.8 Costs and Legal Fees. In connection with any failure by Franchisee to comply with this Agreement, regardless of whether there is any legal proceeding to enforce the terms of this Agreement, Franchisee shall reimburse Franchisor, upon demand, for the costs and expenses incurred by Franchisor as a result of such failure and Franchisor's enforcement of the terms of this Agreement, including, without limitation, accountants', attorneys', attorneys' assistants and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel expenses. If Franchisee initiates a legal proceeding against Franchisor, and if Franchisee does not prevail in obtaining the relief Franchisee was seeking in such legal proceedings, then Franchisee shall reimburse Franchisor for the costs and expenses incurred by Franchisor as a result of such legal proceedings, including, without limitation, accountants', attorneys', attorneys' assistants and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel expenses, whether incurred prior to, in preparation for, in contemplation of, or in connection with such legal proceedings.

8.9 Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective heirs, personal representatives, successors and assigns.

8.10 Assignment. Neither this Agreement, nor any rights or obligations under this Agreement, may be assigned by Franchisee without the prior written consent of Franchisor. Franchisor shall not unreasonably withhold its consent to an assignment of Franchisee's right to purchase a particular Franchise to a new corporation, limited liability company or other business entity formed for the purpose of owning and operating a Franchise, a majority of which is owned by or under common ownership with Franchisee, in which case references in this Agreement to "Franchisee" shall be deemed to include such business entity.

8.11 Integration Clause. This Agreement, including the Schedule, represents the entire agreement of the parties with respect to this subject matter, and supersedes any agreement or understanding of the parties prior to entering into this Agreement. This integration clause is not, however, intended to disclaim any statements or representations made in the Disclosure Document.

8.12 Amendments. This Agreement may be modified or amended only in writing, signed by the parties.

8.13 Notices. Any notice under this Agreement shall be in writing, and shall be deemed sufficient if delivered personally, mailed by certified or registered mail, return receipt requested, or sent via facsimile. Notice shall be deemed to have been given when personally delivered, two (2) business days after having been mailed by certified or registered mail, return receipt requested, or one business day after transmission via facsimile. Notice to Franchisee shall be sent to its last known address on Franchisor's books and records, or the address of any Franchise or Restaurant owned by Franchisee, and notice to Franchisor shall be sent to its registered address in the State of Michigan, unless notice as to another address has been given pursuant to this Section.

8.14 Attorney Fees. A party who substantially prevails with respect to any dispute shall be entitled to recover its reasonable attorney fees and other costs from the other party.

8.15 Waivers and Extensions. No waiver of any breach of any provision of this Agreement shall constitute a waiver of any preceding or succeeding breach of the same provision. No extension of the time for performance of any obligation or other act shall be deemed to be an extension of the time for the performance of any other obligation or any other act.

8.16 Counterparts and Electronic Signatures. This Agreement may be executed in multiple counterparts, each of which shall constitute an original Agreement, but all of which shall constitute only one Agreement. Execution and delivery of an executed party's signature page of this Agreement by electronic signature, whether digital or encrypted, is intended to authenticate this writing and to have the same force and effect as a manual signature.
