What You Need To Know About Franchising Generally

<u>Continuing responsibility to pay fees</u>. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

<u>Supplier restrictions</u>. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

<u>Operating restrictions</u>. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

<u>Competition from franchisor</u>. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

<u>When your franchise ends</u>. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. <u>Out-of-State Dispute Resolution</u>. The franchise agreement requires you to resolve disputes with the franchisor by litigation only in Nebraska. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to litigate with the franchisor in Nebraska than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES:

The franchisor is Godfather's Pizza, Inc. ("GPI", "we", "us", or "our"). "You" means the person who buys the franchise. If the franchisee is a corporation, partnership, limited liability company, or other entity, the owners of the corporation, partnership, limited liability company, or other entity must execute the guaranty described in Item 15. "You" will include the persons described in Item 15.

GPI is a Delaware corporation that was incorporated on June 26, 1985. GPI does business as "Godfather's Pizza." GPI currently has no predecessors required to be included in this Item. It has three affiliates, Gartlan Real Estate Holdings, LLC ("GREH"), GPBCM, Inc. ("GPBCM"), and GPTB, Inc. ("GPTB"). GREH, which has the same principal business address as GPI, is a real estate holding company. GREH owns the building in which GPI's corporate headquarters is located. GPBCM and GPTB, which have the same principal business address as GPI, are used by GPI for the development of new concepts. GPTB has been used to franchise a concept serving pizza and other food products internationally.

GPBCM developed a program to license the sale of certain frozen pizza products under the trademark "Godfather's Pizza To Go" by convenience stores and other non-traditional locations. As of May 26, 2024, the Godfather's Pizza To Go program operated in 1,783 locations. GPBCM also has a program by which it sells Godfather's Pizza sauce to retail outlets and customers on the Amazon and Walmart websites.

GPI's principal business address is 2808 North 108th Street, Omaha, Nebraska 68164. The attached Exhibit "A" contains GPI's registered agent for service of process in each state.

GPI franchises the right to operate Godfather's Pizza restaurants in shopping center locations, free-standing buildings and other non-traditional locations. You will sign the Franchise Agreement attached to this disclosure document as Exhibit "B-1" regardless of whether you will operate a traditional or non-traditional location. "Traditional" locations include both full service restaurants with space for on-premises dining and delivery/carryout locations, which may include limited seating. "Non-traditional" locations include convenience stores and sites that generate customer traffic flow which is independent from the general customer traffic flow of the surrounding area, including military bases, shopping malls, airports, stadiums, major industrial or office complexes, hotels, school campuses, train stations, travel plazas, toll roads, casinos, hospitals, and sports or entertainment venues. The franchises offered by GPI for units in shopping center locations and free-standing buildings include franchises for restaurants with dining areas, and in some cases locations limited to delivery and carryout of Godfather's Pizza products. Franchisees who locate within convenience stores operate a Godfather's Pizza location within a new or existing convenience store operating under the name selected by the convenience store operator. College food service locations operate as part of a food court operated by a food service vendor. The market for the products you will sell is primarily the 19 to 45 year old age group. Your competitors will include restaurant chains that feature pizza as their primary menu item and grocery stores, convenience stores and other non-traditional locations that sell pizza.

GPI or its predecessors have operated Godfather's Pizza restaurants since 1973. GPI or its predecessors have offered franchises for Godfather's Pizza restaurants since 1974. Since July 2002 GPI has at different times offered franchises directly or through its affiliates for five other food service concepts owned and developed by GPI: Nana's Chicken; Big Vinny's, a sandwich concept; Godfather's Pizza, Chicken and Buffet, a pizza, chicken and buffet concept; Big Vinny's Take & Bake Pizza, a take and bake pizza concept; and QP, a frozen pizza product which was distributed to convenience stores and other non-traditional operations. As of the date of this disclosure document there are no franchises currently in operation for the concepts described in the previous sentence. There is one location at which a Godfather's Pizza franchisee is selling Nana's Chicken products under the terms of a test agreement. GPI is not currently offering franchises for these concepts. No predecessor or affiliate of GPI has offered franchises in any other line of business, except for the Big Vinny's Take & Bake Pizza concept of GPI's affiliates described in this Item 1.

You must comply with federal menu labeling regulations and state and local restaurant food safety laws. In addition, alcoholic beverage laws and other general laws will apply to your business. You should make further inquiries about those laws. Additionally, before purchasing a franchise, you may be required to undergo criminal and credit background investigations.

ITEM 3. <u>LITIGATION:</u>

No litigation is required to be disclosed in this Item, except for the following case.

William Fuelberth, Individually and on Behalf of All Others Similarly Situated vs. Godfather's Pizza, Inc. This case was filed against GPI in the U.S. District Court for the District of Nebraska, Case No. 8:22cv195, on June 2, 2022, by Plaintiff William Fuelberth and all other similarly situated delivery drivers employed by GPI since June 2, 2019. The lawsuit alleges claims

pursuant to the federal Fair Labor Standards Act and the Nebraska Wage Payment and Collection Act. According to the Complaint, GPI allegedly failed to pay the Plaintiff and other similarly situated delivery drivers the statutory minimum wage by allegedly failing to reimburse drivers for business-related expenses incurred in the scope of employment through use of their automobiles and cell phones. The Complaint seeks unpaid wages, liquidated damages, and attorneys' fees. By Order dated April 20, 2023, the Court granted the Plaintiff's Motion for Conditional Certification and for Approval and Distribution of Notice to other similarly situated potential plaintiffs, those being delivery drivers employed by GPI since June 2, 2019. The opt-in period for individuals to join the conditional class was 90 days from the Plaintiff's sending of notice and consent forms. Upon completion of the 90-day opt-in period for individuals to join the conditional class, 38 individuals joined the lawsuit. The case is now in the discovery stage. By Order dated June 7, 2023, all deadlines have been stayed pending the parties' engagement in provisional discovery and efforts toward exploring settlement. GPI denies these allegations, and intends to vigorously defend this lawsuit if a settlement is not reached.

ITEM 4. <u>BANKRUPTCY:</u>

No bankruptcies are required to be disclosed in this disclosure document.

ITEM 5. <u>INITIAL FEES:</u>

GPI will grant some of the franchises in this state to developers who enter into an Area Development Agreement ("Area Agreement"). We have attached a form of the Area Agreement to this disclosure document as Exhibit "B-2". An Area Agreement provides the developer with the exclusive right to develop a specified number of franchised Godfather's Pizza traditional or non-traditional locations within a designated development area for a time period specified in the Area Agreement. GPI may in its discretion require a developer under an Area Agreement to open one full-service restaurant in an area before building additional delivery/carryout or non-traditional locations. Under the terms of the Area Agreement GPI may grant rights to others within the development area for the retail sale of products and/or the sale of licensed products, such as the licensed products described in Item 1 of this disclosure document, at locations other than Godfather's Pizza franchised traditional full service and delivery/carryout or non-traditional store locations. In an Area Agreement for traditional locations GPI reserves the right to grant franchises for non-traditional locations in the development area. In an Area Agreement for non-traditional locations GPI reserves the right to grant franchises for traditional locations in the development area.

GPI usually charges a non-refundable area development fee of \$3,000 per location for each Area Agreement for the development of traditional sit-down locations, delivery/carryout locations, and non-traditional locations. In most cases the amount of the area development fee is applied to the initial franchise fee payable by the developer for an agreed upon number of locations developed under the Area Agreement. The amount of this development fee may vary depending on the size and location of the area. The development fee is payable in a lump sum when you sign the Area Agreement.

When you complete a location under an Area Agreement or without an Area Agreement, you will sign a Franchise Agreement. We have attached a copy of the Franchise Agreement to this disclosure document as Exhibit "B-1".

GPI normally charges an initial franchise fee for each new location licensed. You must pay this initial franchise fee within five (5) days after opening and the completion by GPI of its preopening services. The initial franchise fee for traditional sit-down locations will be up to \$25,000, and for delivery/carryout locations will be up to \$15,000. The initial franchise fee for convenience stores and other non-traditional locations will be up to \$7,500. Your initial franchise fee will depend upon the number and type of locations you plan to develop, the area you propose to develop, and your financial condition.

GPI may provide reductions of the initial franchise fee for traditional sit-down locations of up to \$25,000 per location, for delivery/carryout locations of up to \$15,000 per location and for non-traditional locations of up to \$7,500 per location. GPI provides these reductions as an incentive for the development of additional locations by new and existing franchisees who meet operational and financial standards established by GPI. Initial franchise fees in GPI's last fiscal year, excluding marketing materials purchased from GPI, were \$7,500 for one delivery/carryout location, from \$0 to \$7,500 for non-traditional locations and from \$0 to \$5,000 for franchisees who purchased existing units from another franchisee. GPI did not sell any franchises for traditional sit-down restaurants in its most recent fiscal year. GPI also has a program for honorably discharged veterans of the United States military services under which applicants who satisfy GPI's normal financial and operational qualifications may have their initial franchise fee reduced by \$10,000 from the maximum initial franchise fees for traditional or delivery/carryout locations described in this paragraph.

GPI may charge an initial franchise fee, also referred to as a transfer fee, when you purchase an existing company-operated location, depending upon the financial condition of the location. GPI did not receive any initial franchise fees for locations a franchisee purchased from GPI during GPI's most recent fiscal year.

GPI will not refund any portion of the development fee paid under an Area Agreement or, after GPI completes its obligation to provide initial assistance, the initial franchise fee for a Franchise Agreement. You may be required to pay a deposit of \$3,000 when you submit a site submission form for GPI's review, including for both traditional and non-traditional locations. If GPI rejects the proposed site, GPI will return the full amount of the deposit to you. If you open the new location within six (6) months after receiving the site approval, the entire amount of the deposit will be credited to the payment of the required initial franchise fee. If you fail to open the new location within six (6) months after receiving site approval, GPI may retain the entire amount of the deposit.

When you pay your initial franchise fee you must also pay a deposit of \$1,000 for a non-traditional location or \$5,000 for a traditional location, including delivery/carryout locations (the "Continuing Fee Deposit"). We will apply this deposit to the payment of any amount of past due continuing fees described in a default letter sent to you. If you have not received a default letter, for failure to pay continuing fees or for any other default under the Franchise Agreement, by the second anniversary of the effective date of your Franchise Agreement, we will apply this deposit

to future continuing fees payable by you under your Franchise Agreement. If you have received a default letter within that time GPI will retain the remaining Continuing Fee Deposit on that date, and GPI may retain the remaining Continuing Fee Deposit in its sole discretion if you close or transfer your franchised location to an approved GPI franchisee within the first two years of the term of the Franchise Agreement. We may waive this deposit, particularly if you are a current Godfather's Pizza franchisee with a good record of paying continuing fees in a timely manner, or otherwise have an excellent credit background.

We will provide initial training and training materials for the trainees agreed upon by you and GPI. We reserve the right to charge you a \$1,000 training fee for each trainee for traditional locations (including delivery/carryout locations) and \$500 for each trainee for non-traditional locations. You must pay the training fees before your trainees begin training, and these training fees are uniform and non-refundable. Your trainees will remain your employees during the training program. You must pay for all of your trainees' worker compensation insurance, travel, meal and lodging expenses. See Item 11 for more information on training.

Except for the circumstance described in this Item 5, we do not refund any initial franchise fee.

have not received a default letter regarding payment of continuing fees or other defaults before the second anniversary of the effective date of the Franchise Agreement. GPI may retain this deposit in its sole discretion if you close or transfer your location before the second anniversary date of the effective date of the Franchise Agreement. GPI may reduce continuing fees to provide an incentive for new and existing franchisees to develop additional locations. Therefore, as described below, these fees are not uniformly imposed on all franchisees. You must pay continuing fees to GPI by the use of electronic funds transfers if GPI requires you to do so.

- 2. Net sales are all sales from the franchised location, including sales made through third party aggregators such as DoorDash, and excluding sales taxes and cash received as payment in credit transactions where we included the extension of credit itself in net sales.
- 3. If you default in paying continuing fees in a timely manner after the second anniversary of the effective date of the Franchise Agreement, GPI may require you to deposit with GPI an amount equal to the amount of continuing fees payable for the two month period before the default occurred. GPI may apply this deposit to the payment of continuing fees not paid in a timely manner, and may terminate the Franchise Agreement if you do not replenish this deposit on GPI's request or resume paying continuing fees in a timely manner, and you fail to cure this default within the time provided in the Franchise Agreement. In addition, if you are paying continuing fees at a rate of less than 6.5% and you (a) commence operation of a business selling food products other than Godfather's Pizza products if you operate a traditional location, or (b) receive a second default letter for failure to pay fees in a timely manner, GPI may increase your continuing fees to 6.5% of net sales, as of the date of the opening of such other business or the date of the second default letter.
- 4. You must pay the cost of an audit conducted by or for GPI if the audit discloses an underpayment of 5% or more of franchise fees. GPI pays the audit cost if the underpayment is less than 5%.
- 5. GPI requires you to contribute to cooperative advertising if you buy or build a location in an area where GPI has company-operated locations or in any area in which current franchisees have formed a cooperative. GPI bases your pro-rata share of the cost of media purchases on the number of locations or net sales you have as a percentage of the company-operated and franchised locations or net sales in your Designated Market Area. Designated Market Area is a term used by media ratings services to measure the area that receives the television and radio signals of certain stations.
- 6. GPI may, in its sole discretion, establish regional or national advertising funds on 90 days' notice to you. You may be required to contribute 2% of your net sales to these funds. The 2% amount may be increased by a majority vote of all Godfather's Pizza franchised and company-operated locations.
- 7. You are required by Section 5 of the Franchise Agreement to indemnify GPI from all claims arising out of the operation of the location.
- 8. Franchisees who would like additional or different marketing or promotional items, other than those provided in the initial opening kit, will be charged labor and material costs for producing those items.

- 9. GPI will charge you a service fee of \$25 for every check payable to GPI for fees or other amounts payable to GPI that your bank refuses to honor. You also must pay a service fee to GPI of \$25 for any electronic funds transfer for which your bank refuses to transmit the full requested amount to GPI.
- 10. GPI reserves the right, in its sole discretion, to charge you a training fee of \$1,000 for each individual you send to training for a traditional location, and \$500 for each individual you send to training for a non-traditional location. You must pay the training fees before your trainees begin training, and these training fees are uniform and non-refundable.
- 11. The transfer fee is payable to GPI by the new or current franchisee before the completion of a transfer of a franchise approved by GPI under the terms provided for in the Franchise Agreement.
- 12. Franchisees reimburse GPI for gross receipts or state income taxes assessed against GPI by a state other than its home state or sales or use taxes in any state on initial franchise fees or continuing fees you pay to GPI.

- 1) When you develop new locations under an Area Agreement, you must pay GPI a development fee of \$3,000 for each location to be developed. This development fee is also described in Item 5 of this disclosure document. For purposes of the total investment number at the end of this table, GPI assumes you will develop three locations.
- 2) GPI collects the initial franchisee fee after GPI performs its pre-opening services and the location opens. GPI may finance payment of the initial franchise fee, as described in Item 10 of this disclosure document. GPI may reduce the initial franchise fee to encourage you to develop multiple locations. See Item 5 of this disclosure document.
- 3) If GPI rejects the proposed site, GPI will return the full amount of this deposit to you. If you open the new location within six (6) months after receiving site approval, the entire amount of the deposit will be credited to the payment of the required initial franchise fee. If you fail to open the new location within six (6) months after receiving site approval, GPI may retain the entire amount of the deposit. See Item 5.
- 4) The amount of this deposit is \$5,000 for a traditional location, and may be waived in certain circumstances. See Item 5.
- This includes the amount you must pay to GPI or a third-party vendor designated by GPI for a promotional kit. Most recent promotional kits have cost from about \$200 to \$900 per location. See Item 11. Advertising expenditures will vary, depending mainly upon the type of media used, advertising frequency, and size of the city in which the unit is located.
- 6) Rent will vary depending on the size and location of the unit. The range of rental amounts described is for three months.
- 7) Includes security deposits, utility costs, and incorporation fees.

- 8) You will incur approximately \$100 to \$200 per day in expenses for food and lodging for each person who attends the initial training session described in Item 11 of this disclosure document. You will also be responsible for travel expenses that will vary depending on type of transportation and length of travel. As described in Items 5 and 6 of this disclosure document, GPI reserves the right, in its sole discretion, to charge you a training fee of \$1,000 for each individual you send to training for a traditional location. This table assumes you will have two people for whom a training fee will be charged.
- 9) This figure estimates your initial start-up expenses for a three-month period. These expenses include payroll and food costs. These figures are estimates and GPI cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors that include: how much you follow GPI's methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for Godfather's Pizza products; the prevailing wage rate; competition; and the sales level you reach during this initial period.
- 10) GPI relied on its 51 years of experience in the pizza restaurant business to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES:

To maintain the consistency of the products and services sold by Godfather's Pizza franchisees, GPI requires you to purchase certain food products, supplies, and paper products used in preparing pizza and other products from distributors approved by GPI. This does not include fresh produce, which you may purchase from local food vendors. These distributors must purchase these products only from suppliers approved by GPI. You must purchase certain major items of equipment, like ovens, dough mixers, and dough sheeters, from manufacturers

designated by GPI or the distributors of these manufacturers. No officer of GPI owns an interest in any approved supplier or distributor to the Godfather's Pizza system.

GPI's Quality Assurance and Materials Management Departments developed the specifications for approved suppliers and distributors. These specifications primarily relate to the ability of an approved supplier or distributor to comply with GPI's quality assurance guidelines. GPI may modify these specifications by notifying the suppliers and distributors in writing. GPI will issue these specifications to approved and prospective suppliers and distributors, and will provide them to franchisees upon request.

A supplier or distributor may apply to GPI to become an approved supplier or distributor. An existing or prospective franchisee may also propose that a new supplier or distributor be approved. GPI emphasizes the ability of a proposed supplier or distributor to adhere to GPI's quality assurance and confidentiality standards. GPI also emphasizes the willingness of a distributor to distribute the full line of products required by a franchisee. GPI may approve a limited number of suppliers and distributors in a market area to help monitor quality assurance standards, and will approve an exclusive supplier for certain products. GPI will provide current franchisees, at the franchisee's request, with a copy of its criteria used to evaluate proposed new suppliers and distributors. GPI does not charge proposed new suppliers or distributors for evaluation to be a GPI supplier or distributor.

If you want to purchase an item from a distributor that GPI has not approved, GPI may have you submit a sample of the item to GPI. GPI will inspect the proposed distributor's plant and evaluate the ability of the distributor to offer a full line of products. GPI will notify you in writing of the approval or disapproval of a distributor you proposed. GPI does not have a specified time frame within which GPI agrees to notify franchisees of decisions concerning approval of proposed new suppliers or distributors. GPI will notify you as soon as possible after GPI makes a decision.

GPI may revoke the approval of a distributor or supplier that breaches its Distributor Agreement or Supplier Agreement with GPI. GPI will advise all franchisees dealing with a distributor in writing if GPI revokes the approval of a distributor. GPI will advise all distributors in writing if GPI revokes the approval of a supplier.

GPI or its affiliates do not serve as suppliers for any categories of goods or services, except for certain marketing materials, including banners and promotional kits. GPI normally sells these items to franchisees at an amount approximately equal to GPI's cost to produce these items. In GPI's most recent fiscal year, ended May 26, 2024, GPI's total revenues were \$23,501,000 and GPI's total revenues from the purchases of the marketing materials were \$102,000. GPI estimates that the required purchases and leases from approved suppliers and distributors will constitute 80% of your purchases and leases in establishing your franchised business, and 80% of your purchases and leases in operating your franchised business. Certain approved suppliers of required purchases pay GPI rebates up to 7% of purchases for certain core ingredients and up to 25% of purchases for certain ancillary items and services. GPI uses this amount to help fund the cost of advertising and marketing materials developed for use by the system, provide support for the development of advertising and marketing materials, and to pay a portion of the cost of system wide or regional meetings.

GPI negotiates purchase arrangements with suppliers (including price terms) for certain items for the benefit of franchisees, but you will determine most of your prices by negotiations between you and approved suppliers and distributors. GPI does not operate any purchasing or distribution cooperatives. To GPI's knowledge there are no product purchase or distribution cooperatives in the Godfather's Pizza system.

GPI will not provide material benefits (like granting additional franchises to you) based on your use of designated suppliers or distributors.

ITEM 10. <u>FINANCING:</u>

If you meet GPI's credit standards, GPI may finance up to 100% of the cost of the leasehold improvements, furnishings, fixtures, and equipment for existing company-operated Godfather's Pizza locations that you purchase. You may choose to finance this amount for one to five years. You will pay interest at an annual interest rate of 2% to 18%, with no additional finance charges. Your annual interest rate will depend on your credit record, interest rate levels at the time you obtain this financing, and the time period for which you finance this amount. GPI's most recent financing of this type had an annual interest rate of 5.5%. GPI will require you to sign a promissory note, a sample of which GPI has attached to this disclosure document as Exhibit "B-

3". GPI will require you to grant GPI a security interest in the assets you finance and to sign a security agreement, a sample of which GPI has attached to this disclosure document as Exhibit "B-4". This security agreement will state that GPI will have certain rights granted to a creditor under the Uniform Commercial Code if you default in paying for the assets or observing other terms of the Purchase Agreement. GPI will also require all your owners to sign a personal guaranty, a sample of which GPI has attached to this disclosure document as Exhibit "B-5", if you operate your franchise as a corporation, limited liability company or similar entity. You may prepay the promissory note at any time during its term without any prepayment penalty. If you do not pay on time, GPI can call the loan and demand immediate payment of the full outstanding balance. GPI can obtain court costs and attorney fees if a collection action is necessary. Under the promissory note you waive your right to assert certain legal defenses known as presentment, demand and protest. GPI does not at the present time discount promissory notes from franchisees to third parties who may be immune under the law to any defenses to payment you may have against GPI. However, GPI may decide in the future to discount these notes.

GPI also may finance the payment of the initial franchise fee for a new or existing franchisee to encourage the development of multiple locations. This financing generally will be in the form of permitting you to defer payment of the initial franchise fee for up to six months or to pay the initial franchise fee in installments for up to six months. This financing generally will be unsecured, except where the financing is part of the sale of a company-operated location to you. You will be required to sign a promissory note, in the form attached to this disclosure document as Exhibit "B-3", and you may be required to pay interest at the rate described in this Item 10. The promissory note may be modified to delete references to a security interest if the financing is not secured. GPI may also require all your owners to sign a personal guaranty, a sample of which is Exhibit "B-5" to this disclosure document.

Except as disclosed above, GPI does not offer financing that requires you to waive notice, confess judgment or waive a defense against GPI or the lender. You may lose your defenses against GPI and others in a collection action if GPI sells or discounts your note, as disclosed above.

GPI does not arrange financing from other sources.

ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING:

Except as listed below, GPI is not required to provide you with any assistance.

Before you open your business, GPI will:

- 1. Provide you with written specifications for all equipment, fixtures, and supplies necessary for the operation of a Godfather's Pizza restaurant. GPI does not sell these items to you except marketing materials, but provides you with the names of approved suppliers. (Franchise Agreement, Sections 2, 3B and 3C). See Item 8 of this disclosure document.
- 2. Though not required by the Franchise Agreement, GPI may assist you in selecting and obtaining a site and provide you information that GPI has about floor plans, building codes, utilities and other services. In evaluating a site, GPI considers population of the area, traffic

count, accessibility, availability of utilities, zoning, costs, competition, availability of labor, economic conditions of the area, family income average, and proximity to major shopping and other commercial areas. Regardless of whether GPI assists you in selecting a site, GPI must approve your site before GPI will issue a Franchise Agreement to you. (Area Agreement, Section 2B; Franchise Agreement, Section 2). There is no time limit for GPI to approve your site. GPI will not permit you to operate a Godfather's Pizza location at a site GPI has not approved. As described in more detail in Item 5 of this disclosure document, you must pay GPI a deposit of \$3,000 when you submit a site for approval. This deposit will either be refunded to you, applied to your initial franchise fee for the location or retained by GPI, depending on whether the site is approved and when you open the location.

- 3. Though not required by the Franchise Agreement, GPI may provide you with information GPI has regarding financing.
- 4. Assist you in implementing the procedures for operating a Godfather's Pizza location. (Franchise Agreement, Section 3B).
- Not more than 60 days before you open your Godfather's Pizza location, GPI will provide one of the following full service restaurant (FSR) or quick service restaurant (QSR) training programs, depending on the type of location you will operate. These FSR and QSR training programs are scheduled at times that take into consideration the opening dates of new locations. Before beginning one of these FSR and QSR training programs, trainees (including an individual franchisee or the principal owner of an entity franchisee if so requested by GPI) must complete approximately four hours of online training for the QSR program and approximately six hours of online training for the FSR program. The FSR and QSR training programs are held in Omaha, Nebraska, the location of GPI's corporate headquarters, but may also be conducted remotely at GPI's discretion. GPI may designate a company-operated or franchised location in another city as a training site. The persons required to complete this initial training are an individual Franchisee or the principal owner of a Franchisee that is an entity, the location manager, and, in GPI's sole discretion, multi-unit supervisors who will oversee the day-to-day operations of franchised locations. After a location opens, GPI may require any new location manager or multiple-unit supervisor overseeing the day-to-day operations of Franchisee to successfully complete the Company's training program at training sites specified by the Company.

TRAINING PROGRAM

SUBJECT	HOURS OF CLASSROOM TRAINING	HOURS OF ON- THE-JOB TRAINING	LOCATION
5 Day Quick Service Restaurant Operations, Owner/Operator Functions	Approximately 21 hours	Approximately 21 hours	Omaha, Nebraska
17 Day Full-Service Restaurant Operations, Owner/Operator Functions	Approximately 30 hours	Approximately 100 hours	Omaha, Nebraska

The online component of the FSR and QSR training programs cover subjects that include trainee orientation/introduction, product preparation, standard operating procedures, customer service, management training, equipment maintenance, and safety. These subjects are then covered in more detail in the classroom and on-site training.

GPI's trainers for full service and quick service restaurant operations have from 1 to 25 years of operations experience, including from 1 to 3 years with Godfather's Pizza and from 1 to 5 years of training experience, including from 1 to 3 years with Godfather's Pizza.

GPI may, in its sole discretion, charge you a training fee of \$1,000 for each individual you send to training for a traditional location, including a delivery/carryout location, and \$500 for each individual you send to training for a non-traditional location. In addition, you must pay the travel and living expenses for you and your employees.

We require all new hires of your franchise to complete their assigned learning path in The Informant, which is GPI's online training program, within 30 days of their hire date. All new employees hired by you must be enrolled in The Informant within 10 days after their hire date. You must maintain a completion rate of 80% for this training for new employees. The Franchise Agreement (Section 3A) requires you or the principal owner of a franchise that is an entity, and your location managers and multi-unit supervisors, to complete the FSR or QSR training program to GPI's satisfaction. Upon the successful completion of training GPI provides a certification of completion to each trainee. Additional training may be provided to a trainee if necessary to enable the trainee to successfully complete this training. GPI does not permit a location to open until all persons required to be trained have completed the training program.

During the operation of the franchised business, GPI will:

- 1. Provide guidance to you in the form of written materials, telephone conversations, emails and other forms of electronic communications, meetings at GPI's offices, or consultations at the location to provide advice to you and your key employees. (Franchise Agreement, Section 3B).
- 2. Provide you with a written report showing any areas in which your location fails to comply with GPI's specifications. You must promptly take action to correct these failures. GPI will, at your expense and upon your request, provide advice at your location (in addition to the visits described in the previous paragraph). GPI will provide this service by telephone without additional charge to you. (Franchise Agreement, Sections 3B and 12A).
- 3. Loan you digital copies of GPI's Operations Manual that contain specifications, standards, obligations, and operating procedures. This manual is confidential and remains GPI's property. GPI will modify this manual, but the modifications will not alter your status and rights under the Franchise Agreement. (Franchise Agreement, Section 3C). The tables of contents for these manuals are attached as Exhibit "D" to the disclosure document. The Full Service Restaurant Operations Manual has 479 pages including the front cover; the Quick Service Restaurant Operations Manual has 369 pages including the front cover.
- 4. GPI requires all franchisees to properly enroll all new hires into the learning management system and oversee completion of their assigned training program within 30 days of employment. GPI may require your newly hired managers and multi-unit supervisors of

franchisees to be trained at training locations to be determined by GPI. GPI may charge a training fee for training provided to newly hired managers and multi-unit supervisors of \$1,000 for each person you send to training for a traditional location, including a delivery/carryout location, and \$500 for each person you send to training for a non-traditional location. In addition, you must pay the travel and living expenses for your newly hired managers and multi-unit supervisors to attend such training.

GPI may also provide periodic refresher training courses for you, your managers and multi-unit supervisors at training locations determined by GPI. Section 3A of the Franchise Agreement allows GPI to require you, previously trained managers, multi-unit supervisors and your employees to complete such periodic refresher training courses. GPI may charge a fee for these refresher courses at per diem rates established from time-to-time by GPI. GPI may also require that certain of your accounting and marketing personnel attend teleconferences or other forms of training regarding GPI's current procedures for the payment of franchise fees and the implementation of marketing and training programs. GPI will have the right from time-to-time during the term of the Franchise Agreement to determine the amount of any training fees to be charged for the refresher courses and other training described in this paragraph.

GPI normally holds up to two regional roundtable meetings per year for traditional franchise owner/operators and up to two regional roundtable meetings per year for non-traditional franchise owner/operators which all franchisees are invited to attend, either in person or by video conference. At these roundtable meetings GPI personnel and franchisees discuss operations, marketing, and other franchise related topics. There is no charge to franchisees to attend these meetings, but you may have to pay travel and living expenses for you and the persons who attend with you.

GPI or third party vendors designated by GPI provide advertising materials and services to you. (Franchise Agreement, Section 10A). These materials and services include copies of television and radio commercials, cover designs for print advertising materials and promotional kits that include banners, posters and related material for use within your location. You must pay duplication and development costs for CDs, DVDs or digital links of television commercials and CDs or digital links of radio commercials. You must pay an amount about equal to our cost for the promotional kits. Most recent promotional kits have cost from about \$180 to \$350 per location for non-traditional locations and \$200 to \$900 per location for full service and delivery/carryout locations. GPI's in-house marketing and production personnel produce the television and radio commercials and promotional kits, with assistance from regional marketing and promotional agencies.

You may develop advertising material for your own use, at your own cost. GPI has the right to approve these advertising materials before you use them. GPI's franchisees place advertising locally. Local advertising agencies hired by individual franchisees or advertising cooperatives often place this advertising. GPI does not have an advertising council composed of franchisees that advises GPI on advertising policies.

GPI may establish loyalty, rewards, or similar programs developed by GPI or a third party vendor for GPI. You may be required to participate in these programs where GPI requires all traditional or non-traditional franchisees, or all the franchisees in the area of your Godfather's Pizza locations, to participate. You will be required to pay the amounts charged by GPI or its third party vendors that are reasonably related to the cost of operating such programs and to follow the procedures established by GPI or its third party vendors for the redemption of rewards under these programs. These amounts may be in addition to the other fees and amounts payable by Franchisees described in this disclosure document. You may not participate in any other loyalty, rewards, or similar programs that are not approved by GPI in its sole discretion.

We have not established a formal Advertising Fund (the "Fund") for advertising, marketing, and public relations programs and materials we deem appropriate, but we reserve the right to do so. (Franchise Agreement, Section 10B). If we establish the Fund, you must contribute to the Fund the amounts that we periodically require. (See Item 6). Godfather's Pizza locations that we operate will contribute to the Fund on the same basis as franchisees. We have the right to collect for deposit into the Fund any advertising, marketing, or similar allowances paid to us by suppliers who deal with Godfather's Pizza locations and with whom we have agreed that we will so deposit these allowances.

If we establish the Fund, we will direct all programs that the Fund finances, with sole control over the creative concepts, materials, and endorsements used and their geographic, market, and media placement and allocation. The Fund may pay for preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining an electronic commerce website, mobile app and/or related strategies; administering regional and multi-regional marketing and advertising programs, including purchasing trade journal, direct mail, and other media advertising; using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public relations, market research, and other advertising, promotion, and marketing activities. The Fund may advertise locally, regionally, and/or nationally in printed materials, on radio or television, and/or on the internet, whatever we think best. The Fund periodically will give you samples of advertising, marketing, and promotional formats and materials at no cost. We will sell you multiple copies of these materials at costs approximating our direct cost of producing them, plus any related shipping, handling, and storage charges.

We will account for the Fund separately from our other funds and not use the Fund for our general operating expenses. However, we may use the Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Fund, the Fund's other administrative costs, travel expenses of personnel while they are on Fund business, meeting costs, overhead relating to Fund business, and other expenses that we incur in activities reasonably related to administering or directing the Fund and its programs, including conducting market research; public relations; preparing advertising, promotion, and marketing materials; and collecting and accounting for Fund contributions.

The Fund will not be our asset. The Fund also will not be a trust. We will hold all Fund contributions for the benefit of the contributors and use contributions only for their permitted purposes (described above). We will have no fiduciary obligation to you for administering the Fund. The Fund may spend in any fiscal year more or less than the total Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We will not use Fund contributions for advertising that principally is a solicitation for the sale of franchises. We will prepare an annual, unaudited statement of Fund

collections and expenses and give it to you on written request. We may incorporate the Fund or operate it through a separate entity when we think best. The successor entity will have all of the rights and duties described here.

If established, the Fund will be intended to maximize recognition of the Marks and patronage of Godfather's Pizza locations. Although we will try to use the Fund to develop advertising and marketing materials and programs, and to place advertising and marketing, that will benefit all Godfather's Pizza locations, we need not ensure that Fund expenditures in or affecting any geographic area are proportionate or equivalent to Fund contributions by Godfather's Pizza locations operating in that geographic area or that any Godfather's Pizza locations benefits directly or in proportion to its Fund contributions from the development of advertising and marketing materials or the placement of advertising. We may use collection agents and institute legal proceedings to collect Fund contributions at the Fund's expense. We also may forgive, waive, settle, and compromise all claims by or against the Fund. We assume no other direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Fund.

We may at any time defer or reduce a franchisee's Fund contributions and, upon 30 days prior written notice to you, reduce or suspend Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, we will use the remaining amounts in the Fund to defray costs associated with the advertising programs and overhead costs, as described above.

The Franchise Agreement requires you to spend five percent (5%) of your sales for full service, delivery/carryout, and convenience store or other non-traditional locations on advertising Godfather's Pizza products and your business. (Franchise Agreement, Section 10A). If you buy an existing company-operated location, or develop new locations in markets where GPI has company-operated locations, you normally must participate in cooperative advertising with the company-operated and franchised locations in that market area. In some cases this cooperative advertising may require you to spend more than five percent (5%) of your sales on advertising and promotion, depending on the nature and extent of the cooperative advertising and the sales volume of your restaurant. (Franchise Agreement, Section 10A).

GPI will define the area and membership in a cooperative, based on the area reached by television and radio stations in the market. You will pay a pro rata share of the cost of advertising and promotion in the market. Your share depends on the number of locations or net sales you have in the market as a percentage of the total locations or net sales in the market. Your pro rata share will be determined in the same way as that of all other franchisees located in the advertising cooperative. GPI will contribute to the cooperative at the same rate as franchisees contribute. GPI may reduce your contribution to the cooperative, or that of GPI or other franchisees, if you, GPI or another franchisee have locations in parts of the market where all households do not receive the media outlets that run the advertising. GPI is responsible for administration of the cooperative. The cooperative will not always have written documents that govern its operation. GPI will describe your requirement to participate in the cooperative in an exhibit to the Franchise Agreement. The cooperatives do not have to prepare annual or periodic financial statements. GPI has the power to decide if GPI will form, change, dissolve or merge cooperatives. GPI will establish cooperatives only in markets where GPI operates locations.

Other than the advertising cooperatives described in this paragraph and the preceding paragraph, you are not required to participate in any other advertising fund unless we establish the Fund described in this Item 11.

Franchisees typically open their restaurants within six months after they sign an Area Agreement or after they decide to open an individual restaurant. The factors that affect this time are the ability to obtain a lease, financing or building permits, zoning and local ordinances, weather conditions, shortages, and delayed installation of equipment, fixtures and signs.

GPI requires that full service and delivery/carryout locations have a point-of-sale system approved by GPI. We estimate the cost of a new point-of-sale system to be \$23,000 to \$28,000. GPI requires convenience store or other non-traditional locations to have a point-of-sale system that will identify all Godfather's Pizza products and pricing sold and can provide net sales reports in a form and content specified by GPI. GPI does not require you to use a specified computer system, but you must use a computer and may need a tablet in the operation of your business which: (1) has the amount of memory specified from time-to-time by GPI; (2) has internet access with such capabilities as GPI may require; (3) has the ability to operate all software programs that GPI requires; (4) will enable you to offer on-line ordering or similar forms of customer ordering as required by GPI; and (5) has such other capabilities and features as GPI may require to generate information regarding sales, franchise fees, employee training, marketing information, customer counts and related customer information. We estimate that you can purchase a computer for use in the operation of your business for approximately \$1,500. We estimate you can purchase an android tablet for use in the operation of your business for approximately \$250. GPI requires franchisees to use and maintain digital menu boards or similar boards approved at the discretion of the Company. We estimate that the cost of a new menu board system to be \$1,500 to \$13,000. GPI requires convenience store and other non-traditional locations to have a product labeling system approved by GPI to be used only for Godfather's Pizza products. We estimate the cost of a new product labeling system to be \$2,100 plus shipping and tax.

Neither GPI, nor any affiliate or third party has any obligation to provide ongoing maintenance, repairs, upgrades or updates for your computer system. GPI may require you to upgrade or update your computer system during the term of the Franchise Agreement, and there are no limitations in the Franchise Agreement or other agreement on the frequency or cost of your obligation to upgrade or update. GPI has independent access to the information that will be generated or stored in some electronic cash register or computer systems. This information includes sales, transactions, pricing, and labor related information. There are no contractual limitations on GPI's right to access the information. You must also comply with all requirements specified by GPI for the use of Technology Sites. As defined in the Franchise Agreement, the term "Technology Sites" includes a website, online ordering site or mobile app, social networking site or other means of promoting your business on the internet, the worldwide web or other means of technology, whether now available or developed in the future. All new franchised locations will be required to have online ordering prior to opening with a vendor approved by GPI.

It is GPI's policy and practice to monitor any websites and social media sites developed or used by franchisees to ensure that links used by franchisees from their websites do not negatively reflect on the trademarks of GPI. Any offers, coupons or other discounts you offer by means of the internet must be approved in advance by GPI and limited to specific locations you operate. It is also GPI's policy to require you to submit to GPI for approval any email marketing plans you intend to use.

ITEM 12. TERRITORY:

You will operate your Godfather's Pizza unit at a specific location that we first must approve. You may operate the location only at the approved premises and may not relocate the premises without our prior approval. GPI may in its sole discretion permit you to operate a food truck selling only approved Godfather's Pizza products in connection with your brick and mortar location. GPI does not permit franchisees to operate food trucks without brick and mortar locations. If you close your location, you must also cease operating your food truck.

Except as described in the last paragraph of this Item 12, you will not receive an exclusive territory for any single traditional or non-traditional location that you develop and operate. You may face competition from other Godfather's Pizza locations that we franchise or own and that operate at traditional or non-traditional units and locations that are licensed to sell Godfather's Pizza To Go products or Godfather's Pizza retail products located near your Godfather's Pizza location. Also, you may face competition from other outlets operating under different brands that we franchise or own, or from other channels of distribution or competitive brands we As more fully described in Item 5 of this disclosure document, if you sign an Area control. Agreement you receive the exclusive right to develop a specified number of franchised locations within a designated development area during the term specified in the Area Agreement. GPI may grant rights to others within the development area, at locations other than Godfather's Pizza franchised traditional full service or delivery/carryout or non-traditional store locations, for the retail sale of products, such as the retail products described in Item 1 of this disclosure document, and/or the sale of licensed products, including but not limited to the Godfather's Pizza To Go program described in Item 1. In an Area Agreement for traditional locations GPI reserves the right to grant franchises for non-traditional locations in the development area. In an Area Agreement for non-traditional locations GPI reserves the right to grant franchises for traditional locations in the development area. In an Area Agreement for the development of both traditional and non-traditional locations in the development area, GPI's rights to grant additional franchises in the development area will be described in an amendment to the Area Agreement.

We retain all rights with respect to the Godfather's Pizza trademarks described in this disclosure document (the "Marks"), the sale of similar or dissimilar products and services, and any other activities we deem appropriate, including, but not limited to:

1. the right to provide, offer and sell, and to grant others the right to provide, offer and sell, goods and services that are identical or similar to and/or competitive with those provided at Godfather's Pizza locations, whether identified by the Marks or other trademarks or service marks, through dissimilar channels of distribution (including grocery stores, the internet or similar electronic media) from any location and on any terms and conditions we deem appropriate;

- 2. the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, from any location, including dissimilar channels of distribution (including grocery stores, the internet or similar electronic media), under the Marks and on any terms and conditions we deem appropriate;
- 3. the right to operate, and to grant others the right to operate, Godfather's Pizza locations located anywhere outside your location, including at non-traditional locations, under terms and conditions we deem appropriate and regardless of proximity to your location;
- 4. the right to acquire the assets or ownership interests of one or more businesses providing products and services similar to those provided at Godfather's Pizza locations, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating; and
- 5. the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction) by a business providing products and services similar to those provided at Godfather's Pizza locations, or by another business, even if such business operates, franchises and/or licenses competitive businesses in your territory.

We are not required to pay you if we exercise any of the rights specified above regardless of proximity to your location.

We do not restrict you from soliciting or accepting orders from outside your location, except that you may not solicit delivery orders from destinations located more than an eight (8) minute drive time from your location. To the extent that you are unable to restrict the delivery area serviced by third-party delivery services, this prohibition does not apply. Certain catering or vending events more than an eight (8) minute drive from your location may be allowed with prior written approval from GPI.

At your request GPI will consider granting you a right of first refusal to develop additional Godfather's Pizza locations in areas near your location. GPI will base its decision on GPI's perception of your financial and operational ability to operate additional locations.

While GPI normally will not provide you with an exclusive territory, we may in very limited situations provide you with an exclusive territory. If we do so, we will describe your territory in your Franchise Agreement before you sign it. We will determine the size and boundaries of your territory in our discretion, based on factors such as population density, character of neighborhood, location and number of competing businesses and other factors. Your territory may be defined by: (1) one or more five-digit ZIP Codes, (2) county or city boundaries, (3) fixed geographical boundaries such as rivers, streets or highways, or (4) an area identified by a map. When determining the territory, we generally use demographic statistics provided by the U.S. Census Bureau.

ITEM 13. TRADEMARKS:

GPI grants you the right to operate a retail location selling pizza and related products under the name Godfather's Pizza. You may also use GPI's other current or future trademarks to operate your location. By trademark GPI means trade names, trademarks, service marks and logos used to identify your location and the products sold from your location. GPI registered the trademark of a hand holding a pizza shown below on the United States Patent and Trademark Office ("USPTO") principal register on March 13, 1979, at registration number 1,114,984 and on August 2, 2005 at registration number 2,980,618.

GPI also has registered the trademark "Godfather's Pizza" on the USPTO principal register on September 19, 2000 at registration number 2,386,870 and on the principal register on October 31, 2000 at registration number 2,398,968. GPI has filed all required affidavits for the trademarks described above, and has renewed each of the trademarks for which renewal was required within the time provided for such renewals.

You must follow GPI's rules when you use these Marks. You cannot use a name or mark with modifying words, designs, or symbols except for those which GPI licenses to you. You cannot use GPI's registered trademarks in the sale of an unauthorized product or service or in a manner not authorized in writing by GPI. You cannot use GPI's registered trademarks in the name of your business entity or in any online domain name.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition, or cancellation proceedings or material litigation, involving GPI's use or ownership rights in any trademarks, or any currently effective agreements that significantly limit GPI's rights to use or license any of its trademarks, nor does GPI know of any infringing uses that could materially affect your use of GPI's trademarks.

Section 4D of the Franchise Agreement permits GPI, in its sole discretion, to modify or discontinue the use of any trademark, and to use one or more additional or substitute trademarks. You must comply, at your sole cost, with GPI's directions to modify or otherwise discontinue use of a trademark within a reasonable time after notification by GPI. GPI will not reimburse you for your direct expenses of changing the signs at your location, for any loss of revenue due to any modified or discontinued trademark, or for your expenses of promoting a modified or substitute trademark or service mark.

We will reimburse you for all damages and expenses that you incur in any trademark infringement or unfair competition proceeding disputing your authorized use of any trademark under the Franchise Agreement if you have timely notified us of, and comply with our directions in responding to, the proceeding. At our option, we may defend and control the defense of any proceeding arising from your use of any trademark.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION:

You do not have the right to use an item covered by a patent or copyright, but you can use the proprietary information in GPI's Operations Manuals. GPI owns no rights to any patents and has no pending patent applications that are material to the franchise. Item 11 describes the Operations Manuals. GPI has not filed an application for copyright registration for the Operations Manuals, but GPI owns all rights to the copyright for these manuals, and this information is proprietary. Item 11 describes limitations on the use of all of these manuals by you and your employees. You may use these manuals in the operation of your Godfather's Pizza location on the condition that you not use the information contained in such manuals for any other business, that you not disclose this information to any third party and that you return these manuals to GPI upon the termination or expiration of the Franchise Agreement.

There currently are no effective adverse determinations of the USPTO, the Copyright Office (Library of Congress), or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials. We do not actually know of any infringing uses of our copyrights that could materially affect your use of the copyrighted materials in any state.

We need not protect or defend copyrights, although we intend to do so if in the system's best interests. We may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving a copyright. You do not have any rights under the Franchise Agreement if we require you to modify or discontinue using the subject matter covered by a copyright.

Our Operations Manuals and other materials contain our confidential information (some of which constitutes trade secrets under applicable law). This information includes site selection criteria; recipes for certain food products; training and operations materials; methods, formats, specifications, standards, systems, procedures, food preparation techniques, sales and marketing techniques, knowledge and experience used in developing and operating Godfather's Pizza locations; marketing and advertising programs for Godfather's Pizza locations; any computer software or similar technology that is proprietary to us or the system; knowledge of specifications for and suppliers of products and supplies; knowledge of the operating results and financial performance of Godfather's Pizza locations other than your location; and graphic designs and related intellectual property.

You may not use our confidential information in an unauthorized manner. You must take reasonable steps to prevent improper disclosure to others and use non-disclosure and non-competition agreements with those having access.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS:

GPI normally requires that the owner of the franchised business have a minimum of one (1) year managerial experience within the restaurant or food service industries. GPI encourages you to be actively involved in the day-to-day operation of the business. GPI does not require that you

personally supervise the franchised business. However, you must have your business directly supervised "on-premises" by a manager. GPI may require this manager to complete GPI's training program described in Item 11. The manager need not have an ownership interest in a corporate, limited liability company or partnership franchisee.

All owners of an interest in a Franchise Agreement or Area Agreement, including the owners of interests in a corporation, limited liability company, partnership or other entity that is the franchisee, must sign a personal guaranty. Exhibit "A" of the Franchise Agreement and Exhibit "C" of the Area Agreement contain the forms of these guaranties. The signers of this guaranty agree to pay all amounts owed by the franchisee to GPI, carry out the franchisee's other obligations to GPI, and observe the confidentiality requirements referred to in the guaranty. GPI may waive the guaranty requirement, in its sole discretion, for very large and well capitalized franchisees.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL:

GPI requires you to sell Godfather's Pizza products from your location only. You must prepare these products according to GPI's specifications. You must buy the ingredients you use in preparing Godfather's Pizza products from distributors approved by GPI. (See Item 8).

GPI does not require that you sell every Godfather's Pizza product, but GPI may require you to sell certain products in the future. There are no limits on GPI's right to make these changes. GPI may permit you to sell Godfather's Pizza products at wholesale to convenience stores or other retailers. GPI will put the conditions for these sales in an exhibit to the Franchise Agreement. GPI reserves the right to withhold its consent to sell products at the wholesale level.

GPI will permit you to deliver pizza and soft drinks from your location, if you comply with the other provisions of the Franchise Agreement. GPI does not permit you to solicit delivery orders from customers who do not live within an eight (8) minute drive from your location. To the extent that you are unable to restrict the delivery area services by third-party delivery services, this prohibition does not apply. Certain catering or vending events more than an eight (8) minute drive from your location may be allowed with prior written approval from GPI. You may offer buffet services in your location only under the terms and conditions described in the Operations Manual and in other written communications from GPI.

1. PREAMBLES AND GRANT OF FRANCHISE

A. <u>PREAMBLES</u>

The Company has designed and developed products and methods of service for the sale of pizza and related products at locations identified by the trademark "Godfather's Pizza". Godfather's Pizza locations utilize distinctive and unique recipes, ingredients, and methods of preparing food in distinctive and common formats, designs, equipment, signs, layout, décor, systems, methods, specifications, standards, and procedures, all of which may be improved, further developed, or otherwise modified from time-to-time. The Company possesses proprietary rights in certain valuable trademarks and service marks (the "Marks") including the Mark "Godfather's Pizza". The Company grants to qualified persons franchises to own and operate Godfather's Pizza locations offering only the food and beverage products authorized and approved by the Company and utilizing the Company's recipes, distinctive and common formats, designs, equipment, signs, layout, décor, systems, methods, specifications, standards, procedures, and Marks. These franchise locations include locations that may provide sit-down, carryout, and/or delivery service (collectively referred to as "Traditional Locations") and non-traditional locations including, without limitation, convenience stores, military bases, shopping malls, airports, stadiums, major industrial or office complexes, hotels, school campuses, train stations, travel plazas, toll roads, casinos, hospitals, and sports and entertainment venues (collectively referred to in this Agreement as "Non-Traditional Locations").

B. ACKNOWLEDGMENTS

Franchisee acknowledges that Franchisee has read this Agreement and the Company's Franchise Disclosure Document ("FDD"), and Franchisee understands and accepts the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain the Company's high standards of quality and service and the uniformity of those standards at all Godfather's Pizza locations and thereby to protect and preserve the goodwill of the Marks. Franchisee acknowledges that Franchisee has conducted an independent investigation of the business venture contemplated by this Agreement and recognizes that, like any other business, the nature of the business conducted by Godfather's Pizza locations may evolve and change over time, that an investment in a Godfather's Pizza location involves business risks and that the success of the venture is largely dependent upon the business abilities and efforts of Franchisee. The Company expressly disclaims the making of, and Franchisee acknowledges that Franchisee has not received or relied upon, any guaranty, express or implied, as to the revenues, profits or success

of the business venture contemplated by this Agreement. Franchisee acknowledges that Franchisee has not received or relied on any representations about the franchise by the Company, or its officers, directors, employees, or agents, which are contrary to the statements made in the Company's FDD or to the terms of this Agreement. Franchisee represents and warrants to the Company that: (i) neither Franchisee nor any affiliate or related person or entity is a party to any current franchise agreement, distribution agreement or other agreement or arrangement of any kind that prohibits Franchisee or any owner of Franchisee from selling Godfather's Pizza products under this Agreement; and (ii) neither Franchisee nor any affiliate or related person or entity is currently subject to any covenant not to compete or similar agreement that directly or indirectly prohibits Franchisee or any owner of Franchisee from selling Godfather's Pizza products under this Agreement. Franchisee further represents and warrants to the Company that Franchisee has made no misrepresentations in obtaining the franchise. Franchisee acknowledges that Franchisee received an FDD from the Company at least fourteen (14) calendar days before signing any agreement with, or making any payment to, the Company or any affiliate of the Company.

C. GRANT OF FRANCHISE

Franchisee has applied for a franchise to own and operate a Godfather's Pizza location at (the "Location"). Except as and only at otherwise specified in this Agreement, the term "Location" when used in connection with a Non-Traditional Location will mean only the portion of the Non-Traditional Location used for the preparation and sale of Godfather's Pizza products. The Company has approved this application in reliance upon all the representations made in that application and a letter of understanding signed by Franchisee as part of the franchise application process (the "Letter of Understanding"). Subject to the provisions of this Agreement, the Company hereby grants to Franchisee a franchise (the "Franchise") to operate a Godfather's Pizza location, and to use the Marks in the operation thereof at and only at the Location specified above for a term of five (5) years commencing on the date of this Agreement. Franchisee will be permitted to open the Location upon satisfaction of the following conditions: (i) the Company's construction personnel have determined and notified Franchisee that Franchisee has constructed the Location in substantial compliance with the plans and specifications submitted by Franchisee to the Company; (ii) Franchisee has provided to the Company all insurance certificates Franchisee is required to provide under the terms of this Agreement; (iii) Franchisee has submitted to Company one or more signed copies of this Agreement; and (iv) Franchisee acknowledges that it is required to pay the initial franchise fee under this Agreement within five days after opening the Location, and agrees to make such payment within that time. Termination or expiration of this Agreement shall constitute a termination or expiration of the Franchise. The Franchise is for the specified Location only, and does not in any way grant or imply any area, market, or territorial rights proprietary to Franchisee.

Franchisee agrees to: (w) operate its business at the specified Location or an alternative location approved by the Company for the entire term of this Agreement; (x) at all times faithfully, honestly, and diligently perform Franchisee's obligations under this Agreement; (y) continuously exert Franchisee's best efforts to promote and enhance the business of the Location; and (z) not engage in any other business or activity that may conflict with Franchisee's obligations under this Agreement. The Company may permit Franchisee, in the Company's sole discretion, to operate a food truck selling only approved Godfather's Pizza products in connection with the operation of the Location. Franchisee may not operate a food truck without operating a brick-and-mortar

Location. If the Location closes, Franchisee must immediately cease operation of Franchisee's food truck.

Franchisee acknowledges and understands that delivery services, including third-party delivery services, can be offered only if the Company issues its written authorization. Such authorization will be issued, in the Company's sole discretion, under the terms and conditions set forth in the then current Delivery Implementation Manual or similar publication describing the requirements for offering delivery service, all which requirements Franchisee shall comply with as a condition to its continued right to provide delivery service. Franchisee may offer buffet services only under the terms and conditions described in the Company's then current operations manual ("Operations Manual") as that term is further described below, or other written communications from the Company.

D. <u>RIGHTS RESERVED BY THE COMPANY</u>

Except as otherwise provided in this Agreement, the Company (on behalf of itself and its affiliates) retains, in its sole discretion and without granting any rights to Franchisee:

- (1) the right to provide, offer, and sell and to grant others the right to offer and sell goods and services that are identical or similar to and/or competitive with those offered or sold at Godfather's Pizza locations, whether identified by the Marks or other trademarks or service marks, through dissimilar channels of distribution (including, without limitation, grocery stores, the sale of licensed products from convenience stores and other locations identified by the Company, and sales on the internet or similar electronic media, collectively referred to as "Dissimilar Channels of Distribution") from any location and on any terms and conditions the Company deems appropriate;
- (2) the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, from any location, including Dissimilar Channels of Distribution, under the Marks and on any terms and conditions the Company deems appropriate;
- (3) the right to operate, and to grant others the right to operate, Godfather's Pizza locations anywhere outside the Location, including at Non-Traditional Locations, under any terms and conditions the Company deems appropriate and regardless of proximity to the Location;
- (4) the right to acquire the assets or ownership interests of one or more businesses providing products and services similar to those sold at Godfather's Pizza locations, and franchising, licensing, or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating; and
- (5) the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and services similar to those sold at Godfather's Pizza locations, or by another business, even if such business operates, franchises and/or licenses competitive businesses.

2. <u>FIXTURES, EQUIPMENT AND SIGNS</u>

Franchisee agrees to construct its Location, after approval of the Location by the Company under its then current approval process, in full compliance with all plans and specifications approved in writing by the Company and the terms of the Letter of Understanding.

Franchisee agrees to use in the operation of the Location only those brands, types, or models of fixtures, equipment, and signs that the Company has approved for Godfather's Pizza locations as meeting its specifications and standards for quality, design, décor, appearance, function, and performance. Franchisee further agrees to place or display at the Location only such signs, logos and display materials that are from time-to-time approved in writing by the Company.

The Company will provide Franchisee with a list of the then approved brands, types, or models of fixtures, equipment and signs and one or more approved suppliers for such brands, types or models. If Franchisee proposes to purchase, lease, or otherwise use any fixture, equipment or sign that is not then approved by the Company, Franchisee shall first notify the Company in writing and shall submit to the Company upon its request sufficient specifications, photographs, drawings and/or other information or samples for a determination by the Company of whether such fixture, equipment, and/or sign complies with its specifications and standards. The Company will refuse to approve any such item(s) that does not meet the Company's standards or specifications. The Company may limit the number of suppliers and may designate exclusive suppliers of fixtures, equipment, and signs to facilitate determining compliance with the Company's standards.

3. TRAINING AND GUIDANCE

A. TRAINING

As a condition precedent to the opening of the Location, an individual Franchisee or the principal owner of a Franchisee that is an entity, the location manager, and, in the Company's sole discretion, multi-unit supervisors who will oversee the day-to-day operations of franchised locations, must successfully complete the Company's training program at training sites specified by the Company. After the opening of the Location, the Company may require any new Location manager, or multiple-unit supervisor of Franchisee who will oversee the day-to-day operations of franchised locations, to successfully complete the Company's training program at training sites specified by the Company. Franchisee shall be responsible for all travel and living expenses, compensation of and workers' compensation insurance for persons enrolled in the training program and any other personal expenses, and for the training fees (which the Company may charge in its sole discretion) of One Thousand Dollars (\$1,000.00) for each trainee for Traditional Locations, or Five Hundred Dollars (\$500.00) for each trainee for Non-Traditional Locations. The Company may provide some or all this training remotely in its sole discretion.

The Company may also require Franchisee and/or previously trained and experienced managers and multiple-unit supervisors to attend periodic refresher courses at training sites designated by the Company, including remote training. The Company reserves the right to charge a fee to Franchisee for refresher training courses or other specialized training at per diem rates established from time-to-time by the Company. In addition, the Company may require that certain accounting and marketing personnel of Franchisee attend periodic training sessions, which may be

in the form of teleconferences, regarding the Company's then current procedures for the reporting and payment of continuing fees and the implementation of marketing programs; and the Company reserves the right to charge for such training sessions.

B. GUIDANCE

The Company may furnish to Franchisee guidance in connection with: (i) implementing procedures for opening and operating a Godfather's Pizza location; (ii) methods, décor, standards, and operating procedures utilized by Godfather's Pizza locations; (iii) preparation of food and beverage products; (iv) purchasing approved fixtures, equipment, signs, supplies, and food and beverage products; (v) advertising and promotional programs; (vi) employee training; and (vii) administrative, accounting, and general operating and management procedures.

Such guidance shall, in the discretion of the Company, be furnished in the form of the Company's Operations Manual, bulletins, other written materials (including materials provided exclusively online), and/or telephone conversations, emails, other means of electronic communications, or consultations at the offices of the Company or at the Location.

C. OPERATIONS MANUAL

The Company will provide to Franchisee during the term of the Franchise and any renewal thereof one copy of the Operations Manual, which shall at all times remain the property of the Company. Franchisee shall execute an acknowledgment of receipt of a copy of the Operations Manual. The Company may, in its sole discretion, provide all or any part of the Operations Manual in an online or other electronic format. The Operations Manual shall contain specifications, standards, obligations, and operating procedures prescribed from time-to-time by the Company for Godfather's Pizza locations. Franchisee agrees to fully comply with such specifications, standards, obligations, and operating procedures set forth in the Operations Manual, or otherwise conveyed to Franchisee in writing. The Operations Manual may be modified from time-to-time to reflect changes in the image, specifications, standards, procedures, and approved products and supplies for the operation of a Godfather's Pizza location. Franchisee shall keep Franchisee's copy of the Operations Manual current and in the event of a dispute relative to the contents of the Operations Manual, the master copy maintained by the Company shall be controlling. As part of keeping these manuals current, Franchisee agrees to delete all electronic copies and destroy all paper copies of all portions of these manuals that the Company requires Franchisee to delete. Franchisee may not at any time copy, in paper, electronic or any other format, any part of the Operations Manual.

4. MARKS

A. OWNERSHIP AND GOODWILL OF THE MARKS

Franchisee acknowledges that Franchisee's right to use the Marks is derived solely from this Agreement and is limited to the conduct of business by Franchisee at the Location in compliance with this Agreement and all applicable standards, specifications, and operating procedures prescribed by the Company from time-to-time during the term of the Franchise. Any unauthorized use of the Marks by Franchisee shall constitute a material breach hereof and an infringement of the rights of the Company in and to the Marks. Franchisee acknowledges and agrees that all usage of the Marks by Franchisee and any goodwill established thereby shall inure

to the exclusive benefit of the Company and that this Agreement does not confer any goodwill or other interests in the Marks upon Franchisee (other than the right to operate a Godfather's Pizza location in compliance with this Agreement). All provisions of this Agreement applicable to the Marks shall apply to any additional trade and service marks and commercial symbols hereafter authorized for use by and licensed to Franchisee by the Company.

B. LIMITATIONS ON FRANCHISEE'S USE OF THE MARKS

Franchisee agrees to use the Marks as the sole identification of the Location (or the Godfather's Pizza portion of a Non-Traditional Location), and Franchisee shall prominently identify itself as the independent owner and operator of the Location as a franchisee of the Company and shall otherwise indicate Franchisee's independent ownership as prescribed by the Company from time-to-time. Franchisee shall not use any Mark as part of any company or trade name or online domain name, or with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos licensed to Franchisee under this Agreement), or in any modified form, nor may Franchisee use any Mark in connection with the performance or sale of any unauthorized services or products or in any other manner not expressly authorized in writing by the Company. Franchisee agrees to prominently display the Marks at the Location and on packaging materials, forms, labels, and advertising materials designated by the Company. All Marks shall be displayed in the manner prescribed by the Company. Franchisee agrees to give such notices of trade and service mark registrations as the Company specifies and to obtain such fictitious or assumed name registrations as may be required under applicable law.

C. NOTIFICATION OF INFRINGEMENTS AND CLAIMS

Franchisee shall immediately notify the Company in writing of any apparent infringement of or challenge to Franchisee's use of any Mark, or claim by any person of any rights in any Mark or similar trade name, trademark, or service mark. Franchisee shall not communicate with any person other than Franchisee's counsel, the Company, or its counsel in connection with any such infringement, challenge, or claim. The Company shall have sole discretion to take such action as it deems appropriate, and the right to exclusively control any litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding arising out of any such infringement, challenge, or claim or otherwise relating to any Mark. Franchisee agrees to execute any and all documents, render such assistance and do such things as may, in the opinion of the Company's counsel, be necessary or advisable to protect the interests of the Company in any litigation or U.S. Patent and Trademark Office or other proceeding or to otherwise protect the interests of the Company in the Marks.

D. <u>DISCONTINUANCE OF USE OF THE MARKS</u>

If the Company decides in its sole discretion that the Company and/or Franchisee should modify or discontinue use of any Mark, and/or use one or more additional or substitute trade or service marks, Franchisee agrees to comply, at Franchisee's sole cost, with the Company's directions to modify or otherwise discontinue the use of such mark within a reasonable time after notice by the Company.

E. INDEMNIFICATION OF FRANCHISEE

The Company agrees to indemnify Franchisee against, and to reimburse Franchisee for, all damages for which Franchisee is held liable in any proceeding arising out of Franchisee's authorized use of any Mark in compliance with this Agreement, and for all costs reasonably incurred by Franchisee in the defense of any such claim (except for fees, expenses and other costs of Franchisee's personal legal counsel if Franchisee elects to be represented by counsel chosen by Franchisee), but Franchisee must timely notify the Company of such claim or proceeding and otherwise comply with this Agreement.

5. RELATIONSHIP OF THE PARTIES/INDEMNIFICATION

The parties agree that Franchisee is an independent contractor, that this Agreement does not create a fiduciary relationship between them, and that nothing in this Agreement is intended to make either party a general or special agent, joint venturer, partner, or employee of the other for any purpose. Franchisee shall conspicuously identify itself in all dealings with customers, suppliers, public officials, and others as the owner of the Location under a franchise agreement with the Company, and shall place notices of independent ownership on such forms, invoices, checks, stationery, advertising, social media, other online sites and other materials as the Company may require from time-to-time.

The Company has not authorized or empowered Franchisee to use the Marks except as permitted by this Agreement, and Franchisee shall not employ any of the Marks in signing any contract, check, purchase agreement, negotiable instrument or legal obligation, application for any license or permit, or in a manner that may result in liability of the Company for any indebtedness or obligation of Franchisee. Except as expressly authorized by this Agreement, neither the Company nor Franchisee shall make any express or implied agreements, warranties, guarantees or representations, or incur any debt, in the name of or on behalf of the other or represent that their relationship is other than franchisor and franchisee and neither the Company nor Franchisee shall be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized by this Agreement. The Company shall have no liability for any sales, use, occupation, excise, gross receipts, income, property, or other taxes, whether levied upon Franchisee, the Location, Franchisee's property, or the Company, in connection with the sales made or business conducted by Franchisee or payments to the Company under this Agreement.

Franchisee agrees to indemnify, defend, and hold the Company, its affiliates and subsidiaries, and their respective shareholders, directors, officers, members, managers, employees, contractors, agents, successors and assignees harmless against any liability for any claims arising out of the operation of the Location or a breach by Franchisee of the terms of this Agreement. For purposes of this indemnification, claims shall include all obligations, actual and consequential damages, punitive damages, taxes, and costs reasonably incurred in the defense of any claim, including without limitation reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses. The Company will notify Franchisee of any claims of which the Company becomes aware, and Franchisee will be given the opportunity to assume the defense of the matter. If Franchisee fails to assume the defense, the Company may defend the action in the manner it deems appropriate, and Franchisee shall pay the Company all costs, including attorney fees, incurred by

the Company in effecting such defense in addition to any sum the Company may pay by reason of settlement or judgment against the Company. This indemnity shall continue in full force and effect after the expiration or termination of this Agreement. The Company's right to indemnity under this Agreement shall arise and be valid notwithstanding that joint or concurrent liability may be imposed on the Company by statute, regulation, ordinance, or other laws.

6. FEES

A. <u>INITIAL FRANCHISE FEE</u>

Franchisee agrees to pay to the Company an initial franchise fee for a full service Traditional Location in the amount of Thousand Dollars (\$ balance of the initial franchise fee, after reduction for any deposit paid by Franchisee with any site submission form submitted by Franchisee and the application of a portion of the development fee paid by Franchisee under an Area Development Agreement if applicable, shall be due within five (5) days after Franchisee opens for business at the Location and, upon the completion of Company's pre-opening services shall be fully earned by the Company and is non-refundable. Franchisee agrees to pay to the Company an initial franchise fee for a Traditional Location that is a delivery/carryout only Location in the amount of Thousand Dollars). The balance of the initial franchise fee, after reduction for any deposit paid by Franchisee with any site submission form submitted by Franchisee and the application of a portion of the development fee paid by Franchisee under an Area Development Agreement if applicable, shall be due within five (5) days after Franchisee opens for business at the Location and, upon the completion of Company's pre-opening services shall be fully earned by the Company and is nonrefundable. Franchisee agrees to pay to the Company an initial franchise fee for a Non-Traditional Location in the amount of Thousand Dollars (\$). The balance of the initial franchise fee, after reduction for any deposit paid by Franchisee with any site submission form submitted by Franchisee and the application of a portion of the development fee paid by Franchisee under an Area Development Agreement if applicable, shall be due within five (5) days after Franchisee opens for business at the Location and, upon the completion of Company's preopening services shall be fully earned by the Company and is non-refundable.

B. CONTINUING FEES

(1) Franchisee agrees to pay to the Company, at such address and to such parties as Company may designate in writing from time-to-time, by Wednesday of each week for the preceding week (Monday through Sunday), royalties to secure its franchise equal to the greater of three and one-quarter percent (3.25%) of the net sales (as defined in this Section 6) of a Traditional or Non-Traditional Location, or \$175 for a Traditional Location or \$75 for a Non-Traditional Location, plus service compensation to compensate the Company for its continuing service in connection with advice to Franchisee in the operation of the Location, equal to the greater of three and one-quarter percent (3.25%) of the net sales (as defined in this Section 6) of a Traditional or Non-Traditional Location, or \$175 for a

Traditional Location or \$75 for a Non-Traditional Location. Royalties and service compensation are collectively referred to as "continuing fees" in this Agreement.

- (2) Should Franchisee temporarily close the Location due to a fire, weather related damage, or damage from other causes the Company determines that Franchisee could not reasonably control for a period of time approved by the Company in writing, Franchisee may be required to pay the minimum continuing fees (described in Section 6.B(1)) during this time, to be determined by the Company in its sole discretion.
- At the time Franchisee pays the initial franchise fee described in Section 6.A above, Franchisee will pay to the Company a deposit of One Thousand Dollars (\$1,000.00) for a Non-Traditional Location or Five Thousand Dollars (\$5,000.00) for a Traditional Location (including a delivery/carryout only location) (the "Continuing Fee Deposit"). The Company will retain the Continuing Fee Deposit and may apply it to the payment of any amount of continuing fees described in a default letter sent to Franchisee by the Company for failure to pay continuing fees in a timely manner (the "Default Letter"). The Company will notify Franchisee any time it applies any portion of the Continuing Fee Deposit to past due continuing fees, and Franchisee will replace the amount so applied within ten (10) days after receipt of such notice. If Franchisee has not received a Default Letter in connection with any default by Franchisee under the Franchise Agreement by the second anniversary of the effective date of this Agreement, the Company will apply the Continuing Fee Deposit to future continuing fees payable by Franchisee under this Agreement. If Franchisee has received a Default Letter in connection with any default by Franchisee under this Agreement by the second anniversary of the effective date of this Agreement, Company will retain the remainder of the Continuing Fee Deposit on the second anniversary date. Company may also retain the Continuing Fee Deposit in its sole discretion as of the date of closing if Franchisee closes the Location before the second anniversary date. The Company may retain the Continuing Fee Deposit in its sole discretion if Franchisee transfers the Location before the second anniversary date to an approved franchisee, as determined by Company based on the facts and circumstances of the transfer. The Company will not be required to hold the Continuing Fee Deposit in a separate bank account or to pay interest to Franchisee on the Continuing Fee Deposit. The Company may, in its sole discretion waive this deposit, particularly for a current Godfather's Pizza franchisee with a good record of paying continuing fees in a timely manner, or for a new franchisee with an excellent credit background.
- (4) If Franchisee defaults in timely payment of any amount payable to the Company under this Agreement at any time after the second anniversary of the effective date of this Agreement and thereafter timely cures this default and avoids termination of the term of this Agreement, the Company may at its sole discretion require Franchisee to deposit with the Company an amount equal to all continuing fees paid or payable (whichever is greater) by Franchisee for the two (2) month period immediately before such default (the "Additional Deposit"). The Company will apply the Additional Deposit to the timely payment of all continuing fees and other amounts payable by Franchisee under this Agreement. Upon exhaustion of the Additional Deposit, if Franchisee has not resumed timely payment of all charges under the Agreement, GPI may issue a notice of default to Franchisee for failure to pay fees or other amounts in a timely manner. Franchisee will

have ten (10) days after written notice of such failure is delivered to Franchisee to cure the default; provided that if the default is the third or more default by Franchisee under this Agreement, the Company may terminate the term of this Agreement effective upon receipt of written notice by Franchisee without an opportunity to cure the default.

C. TRAINING

The Company may, in its sole discretion, charge to Franchisee a training fee of One Thousand Dollars (\$1,000.00) for each trainee for Traditional Locations, or Five Hundred Dollars (\$500.00) for each trainee for Non-Traditional Locations, for each person trained for Franchisee by the Company either before the commencement or during the term of this Agreement. As more fully described in Section 3.A, the Company may also, in its sole discretion, charge Franchisee at per diem rates established from time-to-time by the Company for refresher training courses or other specialized training courses. Additionally, the Company may, in its sole discretion, charge Franchisee a fee, to be established from time-to-time by the Company, for periodic training of Franchisee's accounting and marketing personnel. All training fees must be paid before training commences, and once paid are non-refundable.

D. <u>DEFINITION OF "NET SALES"</u>

The term "net sales" as used in this Agreement includes all sums charged by Franchisee for goods, merchandise or services, including sales made through third party order aggregators such as DoorDash, sales of alcoholic beverages, and revenues from the sale of lottery tickets and revenues from keno and video gambling machines or similar devices (except at Non-Traditional Locations), received at or from the Location or from any remote location, including schools or special event venues at which the Company has authorized Franchisee to sell Godfather's Pizza products, including all premium items unless exempted by the Company in writing, and all charges to customers for the delivery of pizza and other approved products. Except for goods, merchandise or services to be delivered as described in Section 1.C, the sale of Godfather's Pizza products away from the Location is not authorized; however, should any such sales be approved in the future, they will be included within the definition of net sales. The term "net sales" for Non-Traditional Locations will mean only the sales of products using the Godfather's Pizza Marks, including all beverage sales made from the Godfather's Pizza area of the Non-Traditional Location. Net sales exclude any federal, state, county or city sales tax, excise tax, or similar taxes collected by Franchisee from customers based upon sales, and cash received as payment in credit transactions where the extension of credit itself has already been included in the figure upon which the continuing fee is computed.

E. <u>INTEREST ON LATE PAYMENTS</u>

All continuing fees, advertising contributions, amounts due for purchases by Franchisee from the Company and its affiliates, and other amounts which Franchisee owes to the Company shall bear interest after their due date at the highest applicable legal rate for open account business credit, not to exceed one and one-half percent (1.5%) per month. It is the intention of the parties to conform strictly to applicable usury laws, and it is agreed that if any excess amount is inadvertently collected it shall be applied to reduce the amount owed by Franchisee to the Company under this Agreement. Franchisee acknowledges that this Paragraph E shall not

constitute the Company's agreement to accept such payments after they are due or a commitment by the Company to extend credit to Franchisee or otherwise finance Franchisee's operation of the Location. Franchisee acknowledges that failure to pay all amounts when due shall constitute grounds for termination of this Agreement, notwithstanding the provisions of this Paragraph E.

F. APPLICATION OF PAYMENTS

Notwithstanding any designation by Franchisee, the Company shall have sole discretion to apply any payments by Franchisee to any past due indebtedness of Franchisee for continuing fees, advertising contributions, purchases from the Company or its affiliates, interest, or any other indebtedness. The acceptance by the Company of a payment from Franchisee for less than the full amount owed shall not be deemed a waiver by the Company or prevent it from pursuing any of its remedies against Franchisee for failure to pay such amounts in a timely manner.

G. OTHER PAYMENT PROVISIONS

Franchisee will utilize the methods and standards for the reporting of net sales and the payment of continuing fees and other amounts payable by Franchisee to the Company as the Company may specify from time-to-time during the term of the Agreement, which may include requirements to submit product sales information, customer information, and weekly marketing spend information. Franchisee will pay all fees and any other amounts payable to the Company using electronic funds transfers, if required to do so by the Company. Franchisee will pay the Company a fee of Twenty-five Dollars (\$25.00) if Franchisee's bank fails to honor a check made payable to the Company or if Franchisee's bank fails to transfer the full requested amount of any electronic funds transfers payable to the Company.

If any amount payable by Franchisee to the Company for the initial franchise fee, royalties or service compensation, advertising fund contributions, or any other amount payable by Franchisee to the Company is subject to any gross receipts tax or other form of state income tax, in any state other than the state in which the Company's principal office is located, or sales or use tax in any state, Franchisee must pay to or reimburse the Company for the amount of such tax payable by the Company, so that the amount actually received by the Company after the payment or withholding of such tax will equal the full amount stated to be payable under this Agreement. Such payment or reimbursement will be due and payable within thirty (30) days after Franchisee receives a written notice from the Company describing the amount of the payment or reimbursement.

H. CONTINUING FEE INCREASE

If at any time Franchisee (other than Franchisee of a Non-Traditional Location) is paying continuing fees at a rate less than six and one-half percent (6.5%) of net sales and Franchisee, an affiliate of Franchisee or another entity owned by an individual franchisee commences the operation of any business selling food products other than Godfather's Pizza products, the Company may require that the rate of continuing fees payable by Franchisee will increase to six and one-half percent (6.5%) of net sales. This increase will be effective on the date Franchisee opens a business selling these other food products.

If at any time Franchisee is paying continuing fees at a rate less than six and one-half

percent (6.5%) of net sales, Franchisee receives a Default Letter from the Company for failure to pay in a timely manner continuing fees and other amounts owed to the Company under this Agreement, the Company may require that the rate of continuing fees payable by Franchisee will increase to six and one-half percent (6.5%) of net sales. This increase will be effective on the date Franchisee receives a Default Letter for non-payment. If at any time during the term of this Agreement, or any renewal thereof, the Company issues a second notice of default to Franchisee, whether for the same default as was described in a prior notice of default or for another reason, the Company may also require as a condition of curing a second notice of default that Franchisee sign the Company's then current form of franchise agreement, which may contain terms significantly different than this Agreement.

7. <u>CONFIDENTIAL INFORMATION/UNFAIR COMPETITION</u>

The Company possesses certain confidential information, consisting of the following categories of proprietary information, methods, techniques, procedures, and knowledge developed by or for the Company (the "Confidential Information"):

- (1) recipes, menu analysis, customer data and methods of preparation and the serving of food and beverage products sold at Godfather's Pizza locations;
- (2) knowledge of test programs, concepts, or results relating to: (i) planning, development, and testing of new menu items; (ii) sources of food and beverage products; (iii) marketing programs; (iv) design and image of locations; and (v) the selection and training of location managers and other personnel; and
- (3) methods, techniques, formats, standards, specifications, procedures, information, systems, operating results, and knowledge of and experience in the development, operation, and franchising of Godfather's Pizza locations.

The Company will disclose the Confidential Information to Franchisee in the initial training program and subsequent training, the Operations Manual, and in guidance furnished to Franchisee during the term of the Franchise.

Any menu item, system, equipment, marketing plan or program, or operating procedure conceived, modified, or developed by Franchisee in connection with the operation of the Location and approved by the Company for use at the Location shall become the property of the Company without the payment of any compensation to Franchisee, and Franchisee shall retain no proprietary rights to that property and will sign all documents provided by the Company to show that all proprietary rights to the property are owned by the Company.

Franchisee acknowledges and agrees that Franchisee will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Location during the term of this Agreement, and that the use or duplication of the Confidential Information in any other business would constitute an unfair method of competition. Franchisee acknowledges and agrees that the Confidential Information is proprietary, may involve trade secrets of the Company, and is disclosed to Franchisee solely on the condition that Franchisee agree, and Franchisee does hereby agree, that Franchisee: (i) will not use the Confidential Information in any other business or capacity; (ii) will maintain the absolute confidentiality of the Confidential Information during

and after the term of this Agreement; (iii) will not make unauthorized copies of any portion of the Confidential Information disclosed in written form; (iv) will delete all electronic copies and destroy all paper copies of any Confidential Information the Company declares to be obsolete or otherwise no longer permitted for use by Franchisee and provide a statement that Franchisee has deleted and destroyed such copies; (v) will not disclose the Confidential Information during its involvement with other pizza restaurant companies as part of governmental relations, civic or other activities involving interaction with such other pizza restaurant companies; and (vi) will adopt and implement all reasonable procedures prescribed from time-to-time by the Company to prevent unauthorized use or disclosure of the Confidential Information, including without limitation, restrictions on disclosure thereof to employees of Franchisee and the use of nondisclosure and noncompetition clauses in employment agreements with employees who have access to the Confidential Information. The restrictions on Franchisee's disclosure and use of the Confidential Information shall not apply to the following: (y) information, processes, or techniques which are or become generally known in the pizza restaurant business, other than through disclosure (whether deliberate or inadvertent) by Franchisee; and (z) disclosure of the Confidential Information in judicial or administrative proceedings to the extent that Franchisee is legally compelled to disclose such information, but Franchisee shall have used its best efforts, and shall have afforded the Company the opportunity, to obtain an appropriate protective order or other assurance satisfactory to the Company of confidential treatment for the information required to be so disclosed.

8. EXCLUSIVE RELATIONSHIP

Franchisee acknowledges and agrees that the Company would be unable to protect the Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among the Company and its Franchisees if owners of Godfather's Pizza locations, the officers and other members of the management team of Franchisee and members of their immediate families were permitted to hold interests in any competitive businesses (with the exception of other Godfather's Pizza locations operated under franchise agreements with the Company), as described below. The Company has entered into this Agreement with Franchisee on the express condition that Franchisee (and its owners, officers, members of the management team of Franchisee and members of their respective immediate families) will deal exclusively with the Company (and its approved suppliers). Franchisee therefore agrees that, during the term of this Agreement, neither Franchisee, any shareholder, member, partner, or other owner of Franchisee (if Franchisee is a corporation, limited liability company, partnership or other entity), officer, management team member, nor any member of the immediate family of any person described in this sentence: (i) shall have any direct or indirect interest as a disclosed or beneficial owner in any business offering pizza or other products similar to the products then being offered by Godfather's Pizza locations; (ii) shall perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for any business offering pizza or other products similar to the products then being offered by Godfather's Pizza locations; or (iii) shall have any direct or indirect interest in any entity which has granted or is granting franchises or licenses to others to operate any location or business offering pizza or other products similar to the products then being offered by Godfather's Pizza locations. The restrictions of this Section 8 shall not be applicable to the ownership by Franchisee or a shareholder, member, partner, or other owner of Franchisee of shares of a class of securities listed

on a stock exchange or traded on the over-the-counter market that represents one percent (1%) or less of the number of shares of that class of securities issued and outstanding.

9. LOCATION IMAGE AND OPERATING STANDARDS

A. <u>CONDITION AND APPEARANCE OF FRANCHISEE'S LOCATION</u>

Franchisee agrees:

- (1) that a Traditional Location will not be used for any purpose other than the operation of a Godfather's Pizza location in compliance with this Agreement;
- (2) to maintain the condition and appearance of the Location (including all of a Non-Traditional Location) in accordance with the standards of the Company and consistent with the image of a Godfather's Pizza location as a clean, sanitary, attractive, and efficiently operated business offering high quality food and beverage products and courteous and helpful service;
- (3) to effect such maintenance of the Location (including all of a Non-Traditional Location) as is required by the Company from time-to-time to maintain such condition, appearance, and efficient operation, including, without limitation: (i) continuous and thorough cleaning and sanitation of the interior and exterior of the Location; (ii) interior and exterior repair of the Location; (iii) replacement of worn-out or obsolete fixtures, equipment, and signs with approved improvements, fixtures, equipment and signs; and (iv) periodic painting and decorating of the interior and exterior of the Location;
- (4) to upgrade and/or remodel the Location (to reflect changes introduced in new Godfather's Pizza locations and/or required of new Godfather's Pizza franchisees) pursuant to the Company's current approved décor specifications and other plans and specifications provided by the Company at such time during the term of this Agreement, or any renewal term, as the Company may require; but the Company shall not require a complete remodeling of the Location more than once during the initial term of this Agreement and once during each renewal term of this Agreement, and that a complete remodeling of the Location shall not be required during the last two (2) years of the initial term of this Agreement or last two (2) years of any renewal term unless the Franchise has been renewed pursuant to the provisions of Section 14 of this Agreement; and
- (5) to place or display at the Location only such signs, logos, and display and advertising materials that are from time-to-time approved in writing by the Company.

In the event Franchisee does not maintain the condition and appearance of the Location as required in this Section 9.A, the Company may either consider such failure an event of default under this Agreement or may, upon not less than ten (10) days written notice to Franchisee: (i) arrange for the necessary cleaning or sanitation, repair, remodeling, upgrading, painting, or decorating; or (ii) replace the necessary fixtures, equipment, or signs. Franchisee shall pay the entire cost thereof on the due date for the next continuing fee payment.

B. APPROVED PRODUCTS, SUPPLIERS AND DISTRIBUTORS

The reputation and goodwill of Godfather's Pizza locations can be maintained only by the sale of distinctive, high-quality food and beverage products. Franchisee agrees that the Location will conform to the Company's specifications and quality standards, and will use and offer for sale only those products approved from time-to-time by the Company.

The Company may approve a single distributor or supplier, including the Company, for any product or service, or type or brand of product or service, may approve a distributor or supplier only as to a certain product or service, or type or brand of product or service and may approve exclusive distributors or suppliers of certain products or services. The Company will provide Franchisee with a list of the then approved products, services, suppliers, and distributors and will issue revisions to the list from time to time. In approving suppliers and distributors for the Location, the Company may take into consideration such factors as pricing and reliability of the supplier or distributor. The Company may also require a supplier or distributor to agree, in writing, not to disclose any Confidential Information of the Company which it may have access to or otherwise acquire as a supplier or distributor. The Company may concentrate purchases with one or more suppliers to obtain the lowest prices and/or the best advertising support and/or services for any group of Godfather's Pizza locations franchised or operated by the Company. Approval of a supplier or distributor may be conditioned on requirements relating to the frequency of delivery, standards of service, including prompt attention to complaints, and concentration of purchases, as set forth above, and may be temporary, pending a further evaluation of such supplier or distributor by the Company.

C. LOCATION MENU

Franchisee agrees to serve all food and beverage items that the Company may deem appropriate to take advantage of the potential market and achieve standardization among Godfather's Pizza locations, and that Franchisee will not, without the prior written approval of the Company, offer any food or beverage products or services that are not authorized by the Company.

D. SPECIFICATIONS, STANDARDS AND PROCEDURES

Franchisee acknowledges that each and every detail of the appearance, layout, decor, food and beverage products, packaging materials, services and operation of the Location is important to the Company and other Godfather's Pizza locations. Franchisee agrees to comply with all specifications, standards, and operating procedures contained in the Operations Manual, or otherwise communicated to Franchisee in writing, including those relating to: (i) type, quality, taste, portions, weight, ingredients, uniformity and manner of preparation and sale of food and beverage products sold by the Location; (ii) sales and marketing procedures and customer service, including the utilization of online ordering and new forms of technology in providing customer service; (iii) advertising and promotional programs; (iv) layout, décor, and color scheme of the Location; (v) appearance and dress of employees; (vi) safety, maintenance, appearance, cleanliness, sanitation and standards of service and operation of the Location; (vii) submission of requests for approval of types and brands of products, supplies and suppliers; (viii) hours and days during which the Location will be open for business; (ix) use and illumination of signs, posters, displays, standard formats, and similar items; (x) identification of Franchisee as the owners of the

Location; (xi) reporting of sales and making payments of continuing fees; and (xii) data privacy and data security. Specifications, standards, and operating procedures prescribed from time-to-time by the Company in the Operations Manual, or otherwise communicated to Franchisee in writing, shall constitute provisions of this Agreement as if fully set forth in this Agreement. To the extent that this document contains the term "this Agreement", all such references shall be construed to include all such specifications, standards, and operating procedures.

E. COMPLIANCE WITH LAWS AND GOOD BUSINESS PRACTICES

Franchisee shall secure and maintain in force in its name all required licenses, permits, and certificates relating to the operation of the Location. Franchisee shall operate the Location in full compliance with all applicable laws, ordinances, and regulations, including, without limitation, all government regulations relating to handling of food products, data privacy and security, occupational hazards and health, workers' compensation insurance, unemployment insurance, health insurance for employees, and withholding and payment of federal and state income taxes, social security taxes, and sales taxes. All advertising and promotion by Franchisee shall be completely factual and tasteful in the judgment of the Company and shall conform to the highest standards of ethical advertising. Franchisee shall, in all dealings with its customers, suppliers, distributors, employees, the Company, and the public adhere to the highest standards of honesty, integrity, fair dealing, and ethical conduct. Franchisee agrees to refrain from any business or advertising practice that may be injurious to the business of the Company and the goodwill associated with the Marks and other Godfather's Pizza locations. Franchisee shall notify the Company in writing within five (5) days of the commencement of any action, suit, or proceeding, and of the issuance of any order, injunction, or decree of any court, agency, or other governmental instrumentality, which may adversely affect the operation or financial condition of Franchisee or the Location, or of any notice of violation of any law, ordinance, or regulation relating to the cleanliness or sanitation of the Location.

F. MANAGEMENT OF THE LOCATION AND HIRING, TRAINING AND APPEARANCE OF EMPLOYEES

The Location shall be under the direct supervision at all times of Franchisee (or a shareholder, member, general partner, or other owner of Franchisee if Franchisee is a corporation, limited liability company, partnership, or other entity) or a manager who has successfully completed the Company's initial training program or other approved training. Franchisee shall hire and be the sole employer of all employees of the Location, be exclusively responsible for the terms of their employment, discipline, and compensation, and for the proper training of such employees in the operation of the Location. Franchisee shall require all Location employees to maintain a neat and clean appearance and to conform to the standards of dress and/or uniforms specified by the Company from time-to-time.

G. INSURANCE

During the term of the Franchise, Franchisee shall maintain in force, under policies of insurance issued by carriers rated "A minus X" or better by A.M. Best & Company, Inc.: (i) commercial general liability and product liability insurance against claims for bodily and personal injury, death, and property damage caused by or occurring in conjunction with the operation of the

Location or otherwise in conjunction with the conduct of business by Franchisee pursuant to this Agreement, including any insurance required by the Company or applicable law in connection with the delivery of products to customers or regarding data privacy or data security; (ii) broad form fire and extended coverage insurance at replacement value for the Location and its contents; and (iii) hired/non-owned vehicle coverage, if Franchisee provides delivery services after receiving the Company's approval under this Agreement. Such insurance coverage shall be maintained in such amounts as the Company specifies from time to time. The Company may periodically increase the amounts of coverage required under such insurance policies and require different or additional kinds of insurance at any time, including excess liability insurance, to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances. Such insurance policies shall insure Franchisee and the Company and shall provide for thirty (30) days prior written notice to the Company of any material modification, cancellation, or expiration of a policy. Each policy of insurance described above will name Company and its subsidiaries, affiliates, and parent companies as additional insureds and shall insure the contractual liability of Franchisee under Section 5 of this Agreement.

If Franchisee fails or refuses to maintain required insurance coverage, or to furnish satisfactory evidence thereof, such failure or refusal will be an event of default under this Agreement. The Company, at its option and in addition to or in place of its other rights and remedies under this Agreement, may obtain such insurance coverage on behalf of Franchisee and Franchisee shall fully cooperate with the Company in its effort to obtain such insurance policies, promptly execute all forms or instruments required to obtain any such insurance, allow any inspections of the Location which are required to obtain such insurance and pay to the Company, on demand, any costs and premiums incurred by the Company.

Franchisee's obligations to maintain insurance coverage shall not be affected in any manner by reason of any separate insurance maintained by the Company, nor shall the maintenance of such insurance relieve Franchisee of any obligations under Section 5 of this Agreement.

H. TECHNOLOGY MATTERS

Franchisee acknowledges that the use of computers and related technology is important in the successful operation of the Location, and is likely to change rapidly during the term of the Agreement. Franchisee will comply with the following requirements in the use of computers and related technology in the operation of the Location, all of which may be changed from time-to-time by the Company either by a change in the Operations Manual or by such other forms of written communications as may be utilized by the Company during the term of this Agreement:

(1) Franchisee will use a computer in the operation of the Location that has (i) the amount of memory as may be specified from time-to-time by the Company; (ii) internet services with such capabilities as the Company may require; (iii) the ability to operate all software programs as may be required by the Company; and (iv) such other capabilities and features as may be specified by the Company;

- (2) Franchisee will maintain an email address that Franchisee checks on a regular basis. Franchisee will inform the Company of any changes in this email address at least three (3) days before the effective date of this change;
- (3) Franchisee will install and use from the Location any point of sale cash register system and related equipment and such upgrades and modifications as the Company may require from time-to-time during the term of the Agreement (the "POS System");
- (4) Franchisee will submit a report of net sales prepared by such POS System in a form and content specified by the Company along with all payments of continuing fees;
- (5) Franchisee will follow all guidelines provided by the Company in connection with the acceptance of debit cards, credit cards, contactless mobile payment systems, mobile payment systems tied to mobile applications, and other methods of payment from customers, including compliance with such security and data privacy guidelines for information regarding debit cards, credit cards, or other methods of payment from customers as the Company mandates from time-to-time during the term of the Agreement or as required by applicable laws;
- (6) Franchisee will comply with all of the requirements specified by the Company for the use of Technology Sites, as that term is defined in Section 10.A of this Agreement;
- (7) Franchisee will offer online ordering or similar forms of customer ordering using mobile applications and other technological devices only under the terms and conditions provided by the Company to Franchisee;
- (8) Franchisee will use and maintain at its Location digital menu boards or similar boards approved at the discretion of the Company, under the terms and conditions provided by the Company to Franchisee;
- (9) If the Location is a convenience store or other Non-Traditional Location, Franchisee will use a product labeling system approved at the discretion of the Company, under the terms and conditions provided by the Company to Franchisee; and
- (10) Franchisee will comply with all applicable data privacy laws and all policies and standards specified by the Company related to data privacy and data security.

10. ADVERTISING AND MARKETING

A. BY FRANCHISEE

Franchisee will expend an amount equal to five percent (5%) of weekly net sales to advertise and promote the Location and the name "Godfather's Pizza" through the use of television, radio, newspaper, digital and social media, point-of-purchase marketing, signage, or other form of

mass media advertising and local advertising selected by Franchisee and approved by the Company.

If the majority of franchised and company-operated Godfather's Pizza locations located in the Designated Market Area ("DMA") of the Location approve the formation of an advertising cooperative or similar entity, the Location will participate in such advertising cooperative or similar entity. Non-Traditional Locations will also be expected to participate in such cooperative, but the required contribution may be at a lesser rate than Traditional Locations in the same cooperative. In determining whether an advertising cooperative or similar entity will be formed in a DMA each franchised and company-operated location in the DMA will have one vote.

The Company may, upon ninety (90) days written notice to Franchisee, require that part of the required advertising expenditure described above (up to two percent (2%) of weekly net sales) be paid to the Company. The Company will use this sum in the manner described in Section 10.B of this Agreement. Franchisee will from time-to-time upon the request of the Company submit such documentation as may be deemed necessary by the Company in its sole discretion to verify that Franchisee is making the advertising and promotion expenditures required by this Agreement. Any amount paid by Franchisee to an advertising cooperative or to the Company pursuant to Section 10.A will reduce Franchisee's required advertising expenditure described above.

The Company may, at its sole discretion, provide advertising materials and services to Franchisee, including television and radio commercials, cover designs for digital print advertising materials, and promotional kits. The Company may provide these advertising materials and services either directly or through such third-party vendors of advertising products and services as the Company may select from time-to-time during the term of this Agreement in its sole discretion. Franchisee must pay duplicating and development costs for copies of television commercials and radio commercials, must pay an amount approximating the Company's cost for promotional kits and must pay all fees charged by third-party vendors selected by the Company. If Franchisee desires to obtain cover designs for digital print advertising materials or other materials that differ from the current offers provided by the Company, and the Company determines in its sole discretion it will provide such non-standard cover designs, Franchisee will pay to the Company the Company's then current charges for the preparation of non-standard marketing materials.

Prior to their use Franchisee shall submit samples of all local advertising and marketing materials not prepared or previously approved by the Company by email or other method approved by the Company directed to the Company's Marketing Department at least fifteen (15) days in advance of publication or usage. If Franchisee does not receive written disapproval within fifteen (15) days from the date of receipt by the Company of such materials, the Company shall be deemed to have given the required approval. Franchisee shall not use any advertising or marketing materials that the Company has disapproved.

If Franchisee intends to use a website, social networking site, online ordering site, mobile application, loyalty, rewards, or similar program ("Rewards Program"), or other means of promotion of its business on the internet, the world wide web or other means of technology, whether now available or developed in the future (collectively referred to as a "Technology Site"), Franchisee will obtain the Company's written approval before commencing to use this Technology Site. Franchisee will provide the Company with the proposed address or other identifying

information for such Technology Site. Franchisee agrees to immediately make any changes required by the Company to its Technology Site to provide that the use of the Marks on such Technology Site, information provided about the Godfather's Pizza system and its locations, and the advertising and marketing programs of Franchisee are consistent with the Company's then current standards. Franchisee agrees that any coupons or other promotional material made available on any Technology Site shall have clearly defined expiration dates and will clearly specify that such coupons or promotional offers are limited to the Location and any other Godfather's Pizza locations of Franchisee specifically identified in such coupons or promotional offers. Franchisee will be required to follow the Company's then current privacy, social media, and website policies for the use of Technology Sites to safeguard information provided by customers using such Technology Sites. Franchisee shall participate, under the terms and conditions provided by the Company including terms and conditions related to paying for the cost of the programs and the redemption of rewards, in any Rewards Programs implemented by the Company or a third party selected by the Company in which the Company requires all traditional or non-traditional franchisees, or all franchisees within an area that includes the Location, to participate. Franchisee shall not implement any other Reward Programs without the Company's prior written consent, which the Company may grant or withhold in its sole discretion. Such other Rewards Programs shall comply with all requirements for such programs as are specified by Company, as such requirements are revised from time-to-time by the Company.

B. BY THE COMPANY

The Company may, in its sole discretion, establish national or regional advertising and marketing programs upon ninety (90) days written notice to Franchisee. In the event any such advertising program is established, the Company shall maintain and administer an advertising fund (the "Fund"), which may include one or more regional advertising funds. The Company may offer to Franchisee the opportunity to participate in certain national or regional promotional programs in the Company's sole discretion. Franchisee agrees to participate in such programs, but this participation shall not require Franchisee to spend more on advertising than the amounts otherwise described in this Agreement. Franchisee shall contribute to the Fund the amount designated by the Company, not to exceed two percent (2%) of weekly net sales of the Location (as defined in Section 6.D of this Agreement), payable weekly together with the continuing fees due under this Agreement. All Godfather's Pizza locations owned by the Company shall contribute to the Fund on the same basis as Franchisee; but contributions shall be made only with respect to companyoperated stores located in regions in which the Fund is operative. The Company shall have the right at any time, upon ninety (90) days written notice to Franchisee, to increase, decrease, or eliminate the amount of such advertising contribution payable by Franchisee, subject to the above limitation. In the event the Company suspends operation of the Fund or any regional or local component of the Fund, the Company shall have the right to resume such operation upon ninety (90) days' written notice to Franchisee. The Company shall have the right, upon a majority vote of all Godfather's Pizza locations that are part of any local, regional, or national advertising program (one vote may be exercised on behalf of each Godfather's Pizza location whether owned by a franchisee or by the Company), to increase the required contribution to the Fund to an amount more than two percent (2%) of the weekly net sales of each Godfather's Pizza location. Such vote shall be binding upon all franchisees that are part of any local, regional, or national advertising program.

The Company will direct all such advertising programs financed by the Fund, with sole discretion over the creative concepts, materials, and endorsements in these programs, and the geographic, market, and media placement and allocation of these programs. Franchisee agrees that the Fund may be used to pay the costs of administering advertising programs, including, without limitation, purchasing television, radio, magazine, billboard, newspaper, online and other media advertising; employing advertising agencies to assist the Company; and providing advertising and marketing materials to Godfather's Pizza locations. If the Company permanently discontinues the operation of the Fund, the Company shall use the remaining amounts in the Fund to defray costs associated with the advertising programs described in this paragraph and the overhead amounts described below.

The Fund will not be an asset of the Company. The Fund also will not be a trust. The Company will hold all Fund contributions for the benefit of the contributors and use contributions only for their permitted purposes (described above). The Company will have no fiduciary obligation to you for administering the Fund. The Company will not use Fund contributions for advertising that principally is a solicitation for the sale of franchises. The Company will prepare an annual, unaudited statement of Fund collections and expenses and give it to you on written request. The Company may incorporate the Fund or operate it through a separate entity. The successor entity will have all the rights and duties described in this Agreement.

The Fund shall be accounted for separately from all other funds of the Company and shall not be used to defray any of the Company's general operating expenses, except for such reasonable salaries, administrative costs, and overhead as the Company may incur in activities reasonably related to the administration of the Fund and its advertising programs, including, without limitation, conducting market research, preparing advertising and promotional materials, clearance costs, legal expenses, and collecting and accounting for contributions to the Fund. The Company may spend in any fiscal year an amount greater or less than the aggregate contributions of Godfather's Pizza locations contributing to the Fund in that year. The Company may make loans to the Fund (and the Fund may borrow from the Company or other lenders) bearing reasonable interest to cover any deficits of the Fund. The Company may also cause the Fund to invest any surplus for future use by the Fund. Franchisee authorizes the Company in its sole discretion to collect and contribute to the Fund any advertising monies or credits due from any supplier to Franchisee. All interest earned or advertising monies contributed to the Fund will be used to pay advertising costs of the Fund.

Franchisee understands and acknowledges that the Fund is intended to maximize general public recognition of the Marks and patronage of Godfather's Pizza locations for the benefit of all Godfather's Pizza locations. The Company undertakes no obligation to ensure that expenditures by the Fund are proportionate or equivalent to contributions to the Fund by any Godfather's Pizza location or that any Godfather's Pizza location will benefit directly or in proportion to its contributions to the Fund from the conduct of marketing programs or the placement of advertising. Except as expressly provided in this Paragraph B, the Company assumes no direct or indirect liability or obligation to Franchisee with respect to the maintenance, direction, or administration of the Fund.

11. ACCOUNTING, REPORTS AND FINANCIAL STATEMENTS

Franchisee shall establish and maintain at Franchisee's expense an accounting and recordkeeping system conforming to the requirements prescribed by the Company from time-totime. Franchisee shall furnish to the Company on such forms or methods as are prescribed by the Company from time-to-time: (i) on Wednesday of each week, a report of gross and net sales for the preceding week (Monday through Sunday); (ii) within twenty-five (25) days after the end of each calendar quarter an unaudited quarterly and year-to-date profit and loss statement and quarterly balance sheet in the format prescribed by the Company; (iii) within ninety (90) days after the end of each fiscal year of the Location, an unaudited annual statement of profit and loss of the Location for the fiscal year and a balance sheet for the Location as of the end of the fiscal year; and (iv) within ten (10) days after the Company's request, such other forms, records, books, and other information as the Company may require. Each such report and financial statement shall be signed and verified by Franchisee in the manner prescribed by the Company. The Company shall have the right to disclose data derived from such sales reports where the Company determines, in its reasonable business judgment, that such disclosure is necessary or advisable. The Company reserves the right to require Franchisee to have audited or reviewed financial statements prepared on an annual basis. The Company may also require that Franchisee provide information to the Company regarding local market conditions and product pricing by competitors.

12. INSPECTIONS AND AUDITS

A. THE COMPANY'S RIGHT TO INSPECT THE LOCATION

To determine whether Franchisee is complying with this Agreement and with all specifications, quality standards, and operating procedures relating to the operation of the Location, the Company or its designated agents shall have the right during normal business hours and without prior notice to Franchisee to: (i) inspect the Location; (ii) observe and interview Franchisee and any managers and employees of the Location; and (iii) interview customers of the Location. Franchisee shall present to its customers such evaluation forms as are periodically prescribed by the Company and shall participate and/or request its customers to participate in any marketing surveys performed by or on behalf of the Company. The Company will provide Franchisee with a written report of inspections of the Location.

B. THE COMPANY'S RIGHT TO AUDIT

The Company shall have the right at any time during business hours, and without prior notice to Franchisee, to inspect and audit, or cause to be inspected and audited, the business, marketing, and accounting records, cash register tapes, computer records, invoices, payroll records, sales and income tax records and returns, information on Franchisee's payments to third party vendors, and other records of the Godfather's Pizza business at the Location and of any entity that holds the Franchise. Franchisee shall fully cooperate with representatives of the Company and independent accountants hired by the Company to conduct any such inspection or audit. Within ten (10) days after receipt of a written request from the Company, Franchisee will provide to the Company copies of its most recent federal and/or state income tax return, the federal and/or state income tax returns of any person who signs a personal guaranty of this Agreement, and sales tax returns for the Location for the period specified in such written notice, not to exceed twenty-

four (24) months. In the event any such inspection or audit shall disclose an understatement of the net sales of the Franchise, Franchisee shall pay to the Company, within ten (10) days after receipt of the inspection or audit report, the continuing fees and advertising contributions due on the amount of such understatement, plus interest (at the rate and on the terms provided in Section 6.E of this Agreement) from the date originally due until the date of payment. In the event such inspection or audit is made necessary by the failure of Franchisee to furnish reports, supporting records or other required information, or to furnish such reports, records or information on a timely basis, or if an understatement of net sales for the period of any audit (which shall not be for less than four (4) weeks) is greater than five percent (5%), Franchisee shall reimburse the Company for the cost of such audit or inspection, including, without limitation, the charges of any independent accountants and attorneys and the travel expenses, room and board, and compensation of employees of the Company. Franchisee's understatement of net sales by greater than five percent (5%) and payment of continuing fees on such understated sales will be considered a default for purposes of Section 15.B(1)(g) of this Agreement. The foregoing remedies shall be in addition to all other remedies and rights of the Company under this Agreement or under applicable law.

13. ASSIGNMENT AND TRANSFERS

A. <u>BY THE COMPANY</u>

This Agreement and the Franchise are fully assignable by the Company and shall inure to the benefit of any assignee or other legal successor to the interest of the Company in this Agreement.

B. <u>FRANCHISEE MAY NOT TRANSFER WITHOUT APPROVAL OF THE</u> COMPANY

Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to Franchisee or its owners and that the Company has granted the Franchise in reliance upon the individual or collective character, skill, aptitude, attitude, business ability, and financial capacity of Franchisee or its owners. Therefore, neither the Franchise (or any interest in the Franchise), the Location, or in the case of a Non-Traditional Location that portion of the Location used for the preparation and sale of Godfather's Pizza products, nor any part or all of the ownership of Franchisee may be transferred without the prior written approval of the Company and any such assignment or transfer without such approval shall constitute a breach hereof and convey no rights to or interests in the Franchise.

As used in this Agreement the term "transfer" shall mean the voluntary, involuntary, direct, or indirect assignment, sale, or other transfer by Franchisee or its owners of any interest in: (i) this Agreement; (ii) the Franchise; (iii) the ownership of Franchisee; or (iv) the Location. An assignment, sale, or other transfer shall include: (1) conveying ownership of capital stock, membership interests, partnership interests, or other ownership interests; (2) merger or consolidation or issuance of additional securities representing an ownership interest in Franchisee; (3) any sale of capital stock of Franchisee, any security convertible to capital stock, or units of ownership of a non-corporate Franchisee; (4) transfer of an interest in Franchisee, this Agreement, the Franchise, or the Location in a divorce, insolvency, dissolution proceeding, or otherwise by operation of law; or (5) transfer of an interest in this Agreement, the Franchise, Franchisee, or the

Location in the event of the death of Franchisee or an owner of Franchisee, by will, declaration of or transfer in trust, or under the laws of intestate succession or the disability of Franchisee or an owner of Franchisee.

All issued and outstanding stock certificates or other documents indicating ownership of an entity other than a corporation shall bear a legend reflecting or referring to the restrictions of Section 13.B and 13.C. The proposed transferee of the Franchise or all ownership interests in Franchisee must comply with all requirements of this Agreement for a transfer, but may be required to sign a new Franchise Agreement in the Company's then-current form. This new Franchise Agreement will be for a term of either five (5) years from the effective date of the transfer or for the remainder of the term of the existing Franchise Agreement, as determined by the Company in the sole exercise of its discretion. The signing of a new form of Franchise Agreement by the proposed transferee shall not serve to release the guarantees provided by the owners of the existing Franchisee unless the Company specifically agrees in writing to a release at its sole discretion.

The Company will not recognize a transfer that occurs without the Company's written approval. If a transfer occurs without such approval, the Company in its sole discretion may: (i) refuse to recognize the transfer, in which case all sales of Godfather's Pizza products at the Locations subject to the transfer must cease and all use of the Company's Marks, trade name, intellectual property, and confidential and proprietary information must cease; (ii) allow the proposed transferee to apply to the Company for approval, but suspend the sale of Godfather's Pizza products until all conditions for approval are satisfied and the transfer is approved; or (iii) permit the sale of Godfather's Pizza products to continue at the Location while the proposed transferee applies to the Company for approval and undergoes the application process. If the sale of Godfather's Pizza products is prohibited or suspended at a Location, the Company will notify the food distributor for the Location to cease or suspend the sale of proprietary products of the Company to that Location. If the Company allows the proposed transferee to apply for approval pursuant to Subsection (ii) or (iii) above, and approval is denied, all sales of Godfather's Pizza products (if allowed during the application process) and all use of the Company's Marks, trade name, intellectual property, and confidential and proprietary information must cease immediately upon the proposed transferee's receipt of a notice of denial by the Company.

C. <u>CONDITIONS FOR APPROVAL OF TRANSFERS</u>

The Company shall not unreasonably withhold its approval of a transfer that meets all the applicable requirements of this Section 13.C; provided that if the Location was opened pursuant to an Area Development Agreement, additional transfer requirements may be applied in Franchisor's sole discretion. The proposed transferee or its owners must be individuals of good moral character and otherwise meet the Company's then applicable standards for franchisees. If the transfer is of the Franchise, or of a controlling interest in Franchisee, or is one of a series of transfers which in the aggregate constitute the transfer of a controlling interest in Franchisee, all of the following conditions must be met prior to, or concurrently with, the effective date of the transfer: (i) the transferee or its owners must have sufficient business experience, aptitude, and financial resources to own and operate the Location; (ii) the transferee or its owners must complete a transfer application in the form provided by the Company and may be required by the Company to submit to criminal and credit background investigations; (iii) the transferee must execute the Company's then standard franchise agreement if required by the Company (which may provide for

different rights and obligations than are provided by this Agreement); (iv) Franchisee must pay, or the transferee must give assurance of payments and performance satisfactory to the Company of, such continuing fees, advertising contributions, amounts owed for purchases by Franchisee from the Company and any other amounts owed to the Company which are then unpaid; (v) Franchisee must submit all reports and statements required by Section 11 of this Agreement to the extent that Franchisee has failed to previously submit such reports and statements; (vi) transferee and any location manager or multi-unit supervisor who will supervise day-to-day operations of transferee must complete the Company's initial training program to the satisfaction of the Company; (vii) Franchisee must return to the Company the Operations Manual loaned by the Company to Franchisee or, if applicable, delete copies of the Operations Manual maintained in electronic format; (viii) the lessor of the Location must have consented to the assignment or sublease of the Location to the transferee, or the transferee must secure a substitute Location approved by the Company; (ix) if Franchisee finances any part of the sale price of the transferred interest, Franchisee and its owners agree that all obligations of the transferee under or pursuant to any promissory notes, agreements, or security interests reserved by Franchisee or its owners in the assets of the Location shall be subordinate to the obligations of the transferee to pay continuing fees, advertising contributions, and other amounts due to the Company and its affiliates, and otherwise to comply with this Agreement or the Franchise Agreement executed by the transferee; (x) Franchisee or the transferee must pay a training and transfer fee to the Company in an amount equal to Five Thousand Dollars (\$5,000.00) and the Continuing Fee Deposit set forth in the form of Franchise Agreement provided to Franchisee; (xi) Franchisee and its owners must execute a general release, in form satisfactory to the Company, of any and all claims against the Company and its officers, directors, employees, contractors and agents; (xii) the Company must approve the material terms and conditions of such transfer, including, without limitation, that the price and terms of payment are not so burdensome as to adversely affect the future operations of the Location by the transferee; and (xiii) Franchisee, its owners, members of its management team and members of the immediate families of any of them must execute a non-competition covenant in favor of the Company and the transferee, agreeing that for a period of two (2) years, commencing on the effective date of the transfer, Franchisee and its owners will not have any interest as an owner, investor, partner, member, manager, director, officer, employee, consultant, representative or agent, or in any other capacity in any location or business offering pizza or other products similar to the products then being offered by Godfather's Pizza locations if such business is located or operating within a ten (10) mile radius of the Location or within a ten (10) mile radius of any Godfather's Pizza location in operation or under construction on the effective date of such transfer.

D. EFFECT OF CONSENT TO TRANSFER

The Company's consent to a transfer of the Franchise or any interest in Franchisee subject to the restrictions of this Section 13, or allowing a proposed transferee to apply for approval after an unapproved transfer pursuant to Section 13.B, shall not constitute a waiver of any claims it may have against the transferor, nor shall it be deemed a waiver of the Company's right to demand exact compliance with any of the terms or conditions of the Franchise by the transferee.

E. THE COMPANY'S RIGHT OF FIRST REFUSAL

If Franchisee or its owners shall at any time determine to sell or otherwise transfer all of Franchisee's assets or interest in the Location, other than a Non-Traditional Location, or all

ownership interests in a Franchisee of a Traditional Location, Franchisee or its owners shall obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser and shall submit a complete copy of such offer to the Company along with such additional information regarding the offer and the purchaser as the Company may request. The Company shall have the right, exercisable by written notice delivered to Franchisee or its owners within thirty (30) days from the date of delivery of such offer and all requested information to the Company, to purchase all of such interest in the Location or all of such ownership interests in Franchisee's assets for the price and on the terms and conditions contained in such offer, but the Company may substitute cash for any form of payment proposed in such offer and shall have not less than sixty (60) days to prepare for closing. The Company's credit shall be deemed equal to the credit of any proposed purchaser. If the Company does not exercise its right of first refusal, Franchisee or its owners may complete the sale to such purchaser under the terms of such offer, subject to the Company's approval of the purchaser as provided in this Section 13, but if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such offer and requested information to the Company, or there is any material change in the terms of the sale, the Company shall again have the right of first refusal granted under this Section. The Company's right of first refusal shall not apply to the sale or transfer of an interest in Franchisee or the Location to a member of a Franchisee's (or its owners') immediate family (other than a transfer of a controlling interest in Franchisee) or between or among the owners of Franchisee.

14. RENEWAL

A. FRANCHISEE'S RIGHT TO RENEW

If upon expiration of the initial term or any renewal term of the Franchise: (i) Franchisee has substantially complied with all provisions of this Agreement, and any Area Development Agreement and any other agreement with the Company; and (ii) (a) Franchisee maintains possession of and agrees to refurbish the Location as required by Company; or (b) if Franchisee is unable to maintain possession of the Location, or if in the judgment of the Company the Location should be relocated, Franchisee secures a substitute Location approved by the Company and Franchisee agrees to develop such substitute Location in compliance with then applicable standards utilized in the grant of franchises for Godfather's Pizza locations; then Franchisee shall have the right to renew the Franchise for additional terms of five (5) years each. Franchisee must pay a renewal fee for the first renewal term of One Thousand Dollars (\$1,000.00) for a Non-Traditional Location and Two Thousand Dollars (\$2,000.00) for a Traditional Location (including a delivery/carryout location), which must be paid in full before the first day of the renewal term of the Agreement. The renewal fee for additional renewal terms shall be the amount provided for in the most recent form of Franchise Agreement signed by Franchisee for the Location. No part of any renewal fee paid by Franchisee will be refunded by the Company upon termination of this Agreement.

B. NOTICE OF RENEWAL AND NONRENEWAL

Franchisee shall give the Company written notice of Franchisee's desire to exercise the option to renew at least one hundred eighty (180) days and not more than two hundred forty (240) days prior to the expiration of the term of this Agreement. The Company agrees to give Franchisee written notice of any deficiencies in Franchisee's operation of the Location which could cause the

Company not to renew the Franchise within ninety (90) days after receipt by the Company of written notice from Franchisee of an election to renew the Franchise. Such notice shall state what actions Franchisee must take to correct the deficiencies in Franchisee's operation of the Location and shall specify the time within which such deficiencies must be corrected. Renewal of the Franchise shall be conditional upon Franchisee's continued compliance with all the terms and conditions of this Agreement up to the date of expiration of the then-current term. In the event the Company fails to give Franchisee notice of deficiencies in Franchisee's operation of the Location within ninety (90) days after receipt of Franchisee's election to renew the Franchise, the Company may extend the term of this Agreement for such period of time as is necessary in order to provide Franchisee reasonable time to cure deficiencies or to give the minimum notice of nonrenewal required under this Agreement.

C. <u>RENEWAL AGREEMENTS/RELEASES</u>

To renew the Franchise, the Company, Franchisee, and its owners, as applicable, shall execute the then current form of standard franchise agreement and any ancillary agreements then used by the Company in the grant or renewal of franchises for the ownership and operation of a Godfather's Pizza location, and Franchisee and its owners shall execute general releases (to the extent permitted by applicable law), in a form satisfactory to the Company, of any and all claims against the Company and its officers, directors, employees, and agents. Failure by Franchisee and its owners to sign such agreements and releases within thirty (30) days after delivery thereof to Franchisee shall be deemed an election by Franchisee not to renew the Franchise.

15. TERMINATION OF FRANCHISE

A. BY FRANCHISEE

If Franchisee is in substantial compliance with this Agreement and the Company materially breaches this Agreement and fails to cure such breach within thirty (30) days after written notice thereof is delivered to the Company, Franchisee may terminate this Agreement effective ten (10) days after delivery to the Company of a termination notice. A termination of this Agreement by Franchisee for any reason other than as described above shall be deemed a termination without cause and an abandonment of the Franchise by Franchisee without the Company's consent.

B. BY THE COMPANY

- (1) <u>TERMINATION WITHOUT OPPORTUNITY TO CURE</u>: This Agreement shall automatically terminate without an opportunity to cure upon delivery of notice of termination to Franchisee, if Franchisee or any of its owners:
 - (a) abandons, surrenders, fails to actively operate or transfers control of the operation of the Location without the Company's consent, other than a temporary closing of the Location following a fire, weather related damage, or damage from other causes the Company determines that Franchisee could not reasonably control for a period of time approved by the Company in writing in the sole exercise of its discretion;
 - (b) suffers cancellation of or termination of the lease of the Location;

- (c) has made any material misrepresentation or omission in Franchisee's application for the Franchise or in any other document provided to the Company;
- (d) is convicted of or pleads guilty or no contest to a felony, or another crime or offense that the Company determines in its sole discretion is likely to adversely affect the reputation of Franchisee, the Location, other Godfather's Pizza locations, or the Company;
- (e) makes an unauthorized transfer of the Franchise, this Agreement, the Location, or an ownership interest in Franchisee;
- (f) makes any unauthorized use or disclosure of any Confidential Information or uses, duplicates, or discloses any portion of the Operations Manual in violation of this Agreement;
- (g) fails on three (3) or more separate occasions during the term of the Agreement, which for the purpose of this Section also includes the term of any renewal Agreement or any Franchise Agreement signed in place of this Agreement, to submit when due reports or other data, information, or supporting records; to pay when due the continuing fees, advertising contributions, or other payments due to the Company or its affiliates; or otherwise fails to comply with this Agreement, or any successor Franchise Agreement, or any specification, standard or operating procedure prescribed by the Company, whether or not such failures to comply are corrected after notice thereof is delivered to Franchisee;
- (h) fails to pay in a timely manner federal, state, or local taxes including but not limited to income tax, payroll tax, sales tax, or fees for licenses or permits;
- (i) violates any Anti-Terrorism Laws, as that term is defined in Section 17.L of this Agreement; or
- (j) fails to resume the timely payment of continuing fees after paying the deposit described in Section 6.B(4) of this Agreement.
- (2) <u>TERMINATION FOLLOWING FAILURE TO CURE</u>: In addition to the foregoing, this Agreement shall terminate without further action by the Company or notice to Franchisee, if Franchisee or any of its owners:
 - (a) fails or refuses to comply with any specification, standard, or operating procedure prescribed by the Company relating to the cleanliness or sanitation of the Location, violates any health, safety or sanitation law, ordinance or regulation, or continues to sell a product or service after being informed in writing by the Company that such product or service is not approved for sale at the Location, and does not correct such failure, refusal, or violation within seventy-two (72) hours after written notice thereof is delivered to Franchisee;
 - (b) fails to comply with any provision of this Agreement or any specification, standard, or operating procedure prescribed by the Company relating

to use of any Mark, the quality of the food and beverage products used or sold at the Location, or the requirement to provide then current insurance certificates showing that Franchisee has in effect all insurance coverage required by this Agreement, and does not correct such failure within five (5) days after written notice of such failure is delivered to Franchisee;

- (c) fails to pay the initial franchise fee for the Location within five (5) days after opening, fails to accurately report the gross or net weekly sales of the Location, or fails to make payments of any amount due to the Company for continuing fees, advertising contributions, or any other amounts due to the Company or its affiliates under this Agreement or any other agreement, and does not correct any of such failures within ten (10) days after written notice of such failure is delivered to Franchisee;

- (e) fails to comply with any other provision of this Agreement or any specification, standard, or operating procedure prescribed by the Company, and does not correct such failure within thirty (30) days after written notice of such failure is delivered to Franchisee.
- (3) <u>CROSS-DEFAULT</u>: Any breach or default by Franchisee under the terms of any other Franchise Agreement or Agreement for License and Service entered into by Franchisee (or any affiliate of Franchisee) and the Company will constitute and may be treated as a default under this Agreement as well.

16. <u>RIGHTS AND OBLIGATIONS OF THE COMPANY AND FRANCHISEE UPON TERMINATION OR EXPIRATION OF FRANCHISE</u>

A. PAYMENTS OF AMOUNTS OWED TO THE COMPANY

Franchisee agrees to pay to the Company within fifteen (15) days after the effective date of termination or expiration of the Franchise, or such later date that the amounts due to the Company are determined, such continuing fees, advertising contributions, amounts owed for purchases by Franchisee from the Company or its affiliates, interest due on any of the foregoing, and all other amounts owed to the Company or its affiliates which are then unpaid. If Franchisee terminates this Agreement without cause in violation of Section 15.A, or the Company terminates this Agreement under Section 15.B., in addition to the Company's other remedies under this Agreement and under applicable law, including other forms of damages, Company may require Franchisee to pay to the Company liquidated damages equal to the amount of continuing fees payable by Franchisee for the last six (6) complete calendar months before the date of such termination. Franchisee acknowledges and agrees that the actual damages to the Company in connection with a termination of this Agreement without cause by Franchisee or a termination of this Agreement by the Company are very difficult to ascertain, and that the amount described in the previous sentence represents a reasonable estimate of such damages.

B. MARKS

Franchisee agrees that after the termination or expiration of this Agreement, Franchisee and its owners will: (i) not directly or indirectly at any time or in any manner identify themselves or any business as a current or former Godfather's Pizza location, or as a licensee or franchisee of or as otherwise associated with the Company, or use any Mark, any colorable imitation thereof or other indicia of a Godfather's Pizza location in any manner or for any purpose, or utilize for any purpose any trade name, trade or service mark, or other commercial symbol that suggests or indicates a connection or association with the Company; (ii) remove within seven (7) days after the termination or expiration of this Agreement all interior and exterior signs and sign-faces and return to the Company or destroy all advertising materials and other materials containing any Mark or otherwise identifying or relating to a Godfather's Pizza location; (iii) make such other interior and exterior design and appearance changes as the Company determines to be necessary to distinguish the Location from a Godfather's Pizza location; (iv) take such action as may be required to cancel all fictitious or assumed name or equivalent registrations relating to Franchisee's use of any Mark; (v) change the telephone number of the Location, other than a Non-Traditional Location; (vi) take down, or arrange for the Company to assume the operation of, any website, social networking site pages or mobile applications, or eliminate from any websites, social networking sites or mobile applications any references to the Company (including but not limited to references in website or social networking addresses), the Marks, or the fact that Franchisee was a Godfather's Pizza franchisee; (vii) contact all third-party delivery services to arrange for the elimination from any websites, social networking sites, or mobile applications any references to the Company (including but not limited to references in website or social networking addresses), the Marks, or the fact that Franchisee was a Godfather's Pizza franchisee; and (viii) furnish to the Company, within thirty (30) days after the effective date of termination or expiration, evidence satisfactory to the Company of Franchisee's compliance with the foregoing obligations. If Franchisee fails to fully comply with the actions required in Subsection (ii) above within seven (7) days after the termination or expiration of this Agreement, the Company shall have the right to enter the Location, either directly or through a third-party vendor, at Franchisee's expense, to remove all of the items described in Subsection (ii) above. Franchisee agrees that if the Company exercises such right, neither the Company nor its third-party vendor will be guilty of trespass or tort of any kind or liable for any damage caused by the removal of such items.

C. <u>CONFIDENTIAL INFORMATION AND PROPRIETARY PRODUCTS</u>

Franchisee agrees that upon termination or expiration of the Franchise, Franchisee will immediately cease to use any Confidential Information of the Company disclosed to Franchisee pursuant to this Agreement in any business or otherwise, and return to the Company its copies of the Operations Manual and any other confidential materials that have been loaned to Franchisee by the Company, or at the Company's option will delete all electronic copies and destroy all paper copies of any Confidential Information, including the Operations Manual, and provide a statement that Franchisee has deleted and destroyed such copies. Franchisee further agrees that it will immediately cease to sell any proprietary ingredients and products of the Company in any business or otherwise, and it will not purchase any proprietary ingredients or products of the Company from any source including, without limitation, a distributor, supplier, or another franchisee.

D. THE COMPANY HAS RIGHT TO LEASE THE LOCATION

Upon termination of this Agreement following an uncured default by Franchisee or expiration of this Agreement, the Company will have the right for itself or for any other person to acquire by assignment of lease, by lease, or by any other reasonable means the right to use the Location (other than a Non-Traditional Location) for operation of a Godfather's Pizza location or to execute a franchise agreement for the Location with any other person. Franchisee agrees to sign and to cause the lessor of the Location to sign, a lease addendum in form and content satisfactory to the Company permitting the Company or its designee to acquire the right to use the Location and the right to enter the Location after termination or expiration of this Agreement to remove all items bearing the Company's trademarks or other intellectual property.

E. COVENANT NOT TO COMPETE

Upon termination or expiration of this Agreement, Franchisee and each of its owners agree that for a period of two (2) years, commencing on the effective date of expiration or termination, or the date on which Franchisee ceases to conduct business, whichever is later, neither Franchisee, nor any shareholder, member, partner, or other owner of Franchisee (if Franchisee is a corporation, limited liability company, partnership, or other entity), any officers or members of the management team of Franchisee, nor any member of the immediate family of Franchisee if Franchisee is an individual, nor any member of the immediate family of any shareholder, member, partner, owner, or management team member of Franchisee if Franchisee is an entity, will have any direct or indirect interest as an owner, investor, partner, director, officer, employee, consultant, representative, or agent, or in any other capacity, in any location or business offering pizza or other products similar to the products then being offered by Godfather's Pizza locations if such business is located or operating at the Location, within a ten (10) mile radius of the Location or within a ten (10) mile radius of any other Godfather's Pizza location in operation or under construction on the effective date of expiration or termination.

F. <u>CONTINUING OBLIGATIONS</u>

All obligations of the Company and Franchisee which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect after and without regard to its expiration or termination and until they are satisfied in full or by their nature expire.

17. <u>ENFORCEMENT</u>

A. SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS

Except as otherwise expressly stated in this Agreement, each section and provision of this Agreement, and any portion thereof, shall be considered severable. If any provision of this Agreement is held to be invalid in a final ruling in a proceeding to which the Company is a party, that ruling shall not impair the operation of, or have any other effect upon, the other portions of this Agreement as may remain otherwise intelligible, which shall continue to be given full force and effect and bind the parties. To the extent that Section 13.C(xiii), Section 16.E, or any clause thereof, is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but could be enforceable by reducing any or all thereof, Franchisee and the

Company agree that they shall be enforced to the fullest extent permissible under the laws applied in the jurisdiction in which enforcement is sought. If any applicable law or rule of any jurisdiction requires a greater prior notice of a termination of or refusal to renew than is required under this Agreement, or the taking of some other action not required under this Agreement, or if under any applicable law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by the Company is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the comparable provisions of this Agreement, and the Company shall have the right, in its sole discretion, to modify such invalid or unenforceable provision, specification, standard, or operating procedure to the extent required to be valid and enforceable.

B. WAIVER OF OBLIGATIONS

The Company and Franchisee may in writing unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or such other effective date stated in the notice of waiver. Any waiver granted by the Company shall be without prejudice to any other rights the Company may have, will be subject to continuing review by the Company and may be revoked, in the Company's sole discretion, at any time and for any reason, effective upon delivery to Franchisee of ten (10) day's prior written notice. The Company and Franchisee shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including, without limitation, the right to demand exact compliance with every term, condition, and covenant, or to declare any breach thereof to be a default and to terminate the Franchise prior to the expiration of its term), because of any failure, refusal, or neglect of the Company or Franchisee to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations under this Agreement, including, without limitation, any specification, standard, or operating procedure; any waiver, forbearance, delay, failure, or omission by the Company to exercise any right, power, or option, whether of the same, similar or different nature, with respect to other Godfather's Pizza locations; or the acceptance by the Company of any payments due from Franchisee after any breach of this Agreement.

C. FORCE MAJEURE

Neither the Company nor Franchisee shall be liable for loss or damage or be in breach of this Agreement for its failure to perform its obligations resulting from: (i) transportation shortages, inadequate supply of equipment, merchandise, supplies, labor, material or energy, or the voluntary foregoing of the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations, or instructions of any federal, state, or municipal government, or any department or agency; (ii) compliance with any law, ruling, order, regulation, requirement, or instruction of any federal, state, or municipal government or any department or agency; (iii) acts of God; (iv) fires, strikes, embargoes, war or riot; (v) pandemics; or (vi) any other similar event or cause. Any delay resulting from any of these causes shall extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that these causes shall not excuse payments of amounts owed at the time of such occurrence or payment of continuing fees and other amounts due thereafter.

D. INJUNCTIVE RELIEF

Nothing contained in this Agreement shall bar the Company's or Franchisee's right to obtain injunctive relief against actual or threatened conduct that will cause it irreparable loss or damages, under customary equity rules. Franchisee and the Company agree that each may have such injunctive relief, without bond, but upon due notice, in addition to any other relief as may be available at equity or law (all claims for damages by reason of the wrongful issuance of any such injunction are expressly waived by the Company and Franchisee).

E. RIGHTS OF PARTIES ARE CUMULATIVE

The rights of the Company and Franchisee under this Agreement are cumulative and no exercise or enforcement by the Company or Franchisee of any right or remedy under this Agreement shall preclude the exercise or enforcement by the Company or Franchisee of any other right or remedy under this Agreement or which the Company or Franchisee is entitled by law or equity to enforce, including the right of the Company to seek an award for the amount of continuing fees, advertising payments, or any other amounts the Company would have been entitled to receive during the remainder of the term of this Agreement if the Company had not terminated the Agreement following a default by Franchisee.

F. COSTS AND ATTORNEY'S FEES

If a claim for amounts owed by Franchisee to the Company is asserted in any legal proceeding before a court of competent jurisdiction, or if the Company or Franchisee is required to enforce this Agreement in a judicial proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees.

G. GOVERNING LAW

Except to the extent governed by the United States Trademark Act (Lanham Act, 15 U.S.C. Sections 1051 et seq.), or by the franchise laws of the state of the Location, this Agreement and the Franchise shall be governed by the laws of the State of Nebraska, without regard to its conflicts of law rules or the conflicts of law rules of any other jurisdiction.

H. EXCLUSIVE JURISDICTION AND VENUE

Franchisee and the Company agree that any action arising out of or relating to this Agreement shall be instituted and maintained only in a state or federal court of general jurisdiction in Douglas County, Nebraska, and Franchisee irrevocably submits to the exclusive jurisdiction of such courts and waives any objection Franchisee (or its owner[s]) may have to either the jurisdiction or venue of such courts. Franchisee and the Company agree that venue for any proceeding relating to or arising out of this Agreement shall be in Douglas County, Nebraska; provided, however, with respect to any action (i) for monies owed, (ii) for injunctive or other extraordinary relief, or (iii) involving possession or disposition of, or other relief relating to real property, the Company may bring that action in any state or federal district court that has jurisdiction. Franchisee and the Company acknowledge that the agreement between the parties regarding applicable state law and forum set forth in this Agreement provides each of the parties

with a mutual benefit of uniform interpretation of this Agreement and any dispute arising out of this Agreement or the parties' relationship created by this Agreement. Franchisee and the Company further acknowledge the receipt and sufficiency of mutual consideration for this benefit.

I. BINDING EFFECT

This Agreement is binding upon the parties and their respective executors, administrators, heirs, assigns and successors in interest, and shall not be modified except by written agreement signed by authorized representatives of both Franchisee and the Company.

J. CONSTRUCTION

The preambles and exhibits are a part of this Agreement, which constitutes the entire agreement of the parties regarding the subject matter contained herein, and there are no other oral or written understandings or agreements between the Company and Franchisee relating to the subject matter of this Agreement; however, nothing in this Agreement or in any other agreement is intended to disclaim any representations made by the Company in its Franchise Disclosure Document. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party to this Agreement pursuant to its express language. Except where this Agreement expressly obligates the Company to reasonably approve or not unreasonably withhold its approval of any action or request by Franchisee, the Company has the absolute right to refuse any request by Franchisee or to withhold its approval of any action by Franchisee. The headings of the sections and paragraphs of this Agreement are for convenience only and do not define, limit, or construe the contents of such sections or paragraphs. The term "Franchisee" is applicable to one or more persons, a corporation, limited liability company, partnership or other entity, as the case may be; the singular usage includes the plural; and the masculine, feminine, and neuter usages include the other. If two or more persons are at any time Franchisee, whether or not as partners or joint venturers, their obligations and liabilities to the Company shall be joint and several. References to a controlling interest in Franchisee shall mean fifty percent (50%) or more of the equity or voting control of Franchisee. This Agreement may be executed in multiple counterpart copies, each of which shall be deemed an original, and may be signed by electronic, scanned, or faxed signatures, each of which will be deemed to be an original signature. The term "affiliate" means that an entity controls, is controlled by, or is under common control with the entity with which it is described as an affiliate.

K. <u>GUARANTY</u>

All owners of Franchisee, including any new owners of Franchisee approved under the terms of Section 13.B, shall sign the Owners' Guaranty and Assumption of Franchisee's Obligations attached to this Agreement within five (5) days after acquiring an ownership interest in Franchisee.

L. COMPLIANCE WITH ANTI-TERRORISM LAWS

Franchisee and Franchisee's owners agree to comply, and to assist the Company to the fullest extent possible in its efforts to comply, with Anti-Terrorism Laws (defined below). Franchisee and Franchisee's owners certify, represent, and warrant that none of their property or interests is subject to being blocked under, and that Franchisee and Franchisee's owners otherwise

are not in violation of, any of the Anti-Terrorism Laws. "Anti-Terrorism Laws" mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by Franchisee or Franchisee's owners, or any blocking of Franchisee or Franchisee's owners' assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement.

18. NOTICES AND PAYMENTS

All written notices permitted or required to be delivered by the provisions of this Agreement or the Operations Manual shall be deemed so delivered: (i) at the time delivered by hand; (ii) at the time sent by electronic mail so long as the notifying party either receives a delivery or read receipt or does not receive a message from its electronic mail provider stating that the electronic mail was undeliverable; or (iii) one (1) business day after placement with a nationally recognized overnight delivery service or three (3) business days after placement in the United States Mail by Certified Mail, Return Receipt Requested, postage prepaid and addressed to the party to be notified at its most current principal business address of which the notifying party has been notified. All payments and reports required by this Agreement shall be directed to the Company at the address notified to Franchisee from time-to-time, or to such other persons and places as the Company may direct from time-to-time. Any required payment or report not actually received by the Company during regular business hours on the date due (or postmarked by postal authorities at least two (2) days prior to the due date) shall be deemed delinquent.

 - A. TRANSFER BY COMPANY: Company has the right to assign or transfer all or part of its interests under this Agreement if such assignee or transferee by express written undertaking assumes all or part of the liabilities and other obligations of Company to Developer under the provisions of this Agreement. After any assignment or transfer of all its interests in this Agreement, Company will have no further obligation to Developer under this Agreement. Company will have the right to encumber, pledge, or make some other security transfer to any creditor, lender, or other secured person of this Agreement or all or any part or parts of the charges due or to become due from Developer under this Agreement.

INDEPENDENT AUDITORS' REPORT

Board of Directors and Management Godfather's Pizza, Inc. and Subsidiaries Omaha, Nebraska

Opinion

We have audited the consolidated financial statements of Godfather's Pizza, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheets as of May 26, 2024 and May 28, 2023, the related consolidated statements of income, stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Company as of May 26, 2024 and May 28, 2023, and the results of their consolidated operations and their consolidated cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are issued or available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

July 25, 2024

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Company's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

1. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of Godfather's Pizza, Inc. and its whollyowned subsidiaries GPBCM, Inc. and GPTB, Inc., collectively (the "Company"). All significant intercompany accounts and transactions have been eliminated in consolidation.

Nature of Business

Godfather's Pizza, Inc. was incorporated under the laws of the State of Delaware in June 1985 and was formed to operate and franchise a concept servicing pizza and other food products.

GPBCM, Inc. ("GPBCM") was incorporated under the laws of the State of Nebraska in May 2013 and is utilized to operate programs to license the sale of pizza products in retail outlets, convenience stores and other non-traditional locations. There were 1,783 locations at May 26, 2024 and 1,125 locations at May 28, 2023. GPBCM also has a program under which Godfather's Pizza brand sauce is sold to retail outlets and certain online retailers.

GPTB, Inc. ("GPTB") was incorporated under the laws of the State of Nebraska in May 2013 and has been utilized to franchise a concept of serving pizza and other food products internationally. There were no international franchise locations at May 26, 2024 and May 28, 2023.

The following is a summary of restaurants operated by the Company and its franchisees at May 26, 2024 and May 28, 2023:

	Company Operated	<u>Franchisees</u>	<u>Total</u>
Open, May 29, 2022 Openings Closings Open, May 28, 2023	9 - - 9	595 31 (27) 599	604 31 (27) 608
Openings Net Transfers Closings Open, May 26, 2024	3 - 12	41 (3) <u>(51)</u> 586	41 - (51) 598

The Company reserves for future costs associated with closed restaurants. Annually, management reviews and evaluates Company operations to determine if additional restaurants are to be included in the reserve. There was no closed store reserve at May 26, 2024 and May 28, 2023.

Fiscal Year

The Company's fiscal year ends on the last Sunday in May.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising and Promotion Costs

The cost of advertising and promotion is expensed as incurred. Advertising and promotion costs were approximately \$409,000 and \$275,000 for the years ended May 26, 2024 and May 28, 2023, respectively.

Cash and Cash Equivalents

The Company maintains zero balance accounts as a part of its cash management. Checks not yet presented for payment are included in accounts payable and totaled approximately \$103,000 and \$48,000 at May 26, 2024 and May 28, 2023, respectively. For purposes of the consolidated statements of cash flows, the Company considers all investments with an original maturity of three months or less to be cash and cash equivalents. Cash equivalents consist of U.S. prime money market funds.

Concentration of Credit Risk

The Company has two types of financial instruments subject to credit risk. The Company maintains bank accounts in which the balances sometimes exceed the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000. At May 26, 2024 and May 28, 2023, there were cash balances in excess of FDIC limits at the bank of approximately \$3,472,000 and \$3,162,000, respectively.

Investments and money market funds are subject to market risk and net receivables subject the Company to credit risk.

Investments

Investment securities are classified as equity or debt securities and are stated at fair value (see Notes 2 and 3). Corporate bonds that mature within one year of the consolidated balance sheet date are classified as short-term investments in the accompanying consolidated balance sheets; all other investments are classified as long-term investments.

Realized gains or losses on the sale of investment securities are accounted for using the specific identification cost method. Interest and dividend income is recorded when earned.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

Net Receivables

Net receivables are carried at original invoice amount less an estimated allowance for credit losses based on a review of all outstanding amounts on a periodic basis. Management determines the allowance for credit losses by regularly evaluating the aging of individual customer receivables and considering a customer's financial condition, credit history, current economic conditions, and forecasts about future economic conditions. Net receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded as income when received. The allowance for credit losses was approximately \$8,000 and \$18,000 at May 26, 2024 and May 28, 2023, respectively.

Employee Retention Credit

The Coronavirus Aid, Relief, and Economic Security (CARES) Act, enacted on March 27, 2020, contained significant business tax provisions, including a deferral of payments and an employee retention credit for employer payroll taxes. During the year ended May 26, 2024, the Company filed and qualified for employee retention credits totaling \$1,512,000. As of July 25, 2024, the credits have not been received. The Company has elected to treat the employee retention credits as a gain contingency and has not yet recorded these amounts in the consolidated financial statements.

Inventories

Inventories are stated at the lower of cost (first-in, first-out method) or net realizable value and consist primarily of restaurant food items and paper supplies.

Property and Equipment

Property and equipment are stated at cost with depreciation computed on the straight-line method over the assets' estimated useful lives. Upon sale or retirement of property and equipment, the related costs and accumulated depreciation are removed from the accounts and any related gain or loss is reflected in the consolidated statements of income.

The estimated useful lives for each major depreciable classification of property and equipment are as follows:

Leasehold Improvements	3-40 years
Equipment	3-15 years

Major classes of property and equipment at May 26, 2024 and May 28, 2023 are as follows:

	<u> 2024</u>		<u> 2023</u>
Leasehold Improvements	\$ 4,082,000	9	\$ 3,809,000

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

Long-Lived Asset Impairment

The Company evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate that the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted future cash flows expected to result from the use and eventual disposition of the asset is less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized in the amount by which the carrying amount of the long-lived asset exceeds its fair value. Management does not believe any impairment existed during the years ended May 26, 2024 and May 28, 2023.

Other Intangible Assets and Goodwill

The Company's intangible assets consist of franchise rights, trademarks and goodwill, which represent the value assigned to those assets. The Company determined that franchise rights and trademarks were deemed to have indefinite useful lives.

Accordingly, the Company does not amortize these intangibles. The Company reviews the carrying amount of their franchise rights and trademarks for possible impairment at least annually and whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

Goodwill represents the carrying amount of the cost in excess of net assets acquired. The Company follows FASB Accounting Standards Update 2014-02, Intangibles – Goodwill and Other (Topic 350): Accounting for Goodwill, which allows the Company to amortize goodwill prospectively on a straightline basis up to ten years. Management believes that this method more accurately reflects periodic results of operations and has elected to amortize its existing goodwill over ten years, which represents the estimated useful life.

During the year ended May 26, 2024, the Company acquired the assets of three former franchise locations in Ohio for \$1,805,000. Of this amount, \$875,000 represented the excess consideration paid above the identified asset values, which was allocated to goodwill.

Accordingly, amortization expense of \$159,000 and \$267,000 was recorded during the years ended May 26, 2024 and May 28, 2023, respectively in the accompanying consolidated statements of income. The Company will continue to review goodwill for possible impairment when a triggering event has occurred. Amortization expense over the next nine years is anticipated to be approximately \$88,000.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

Goodwill, net is as follows at May 26, 2024 and May 28, 2023:

Right-of-Use Assets and Lease Liabilities

The Company follows Accounting Standards Update 2016-02, Leases (Topic 842) ("ASU 2016-02") through a right-of-use (ROU) model that requires a lessee to recognize a ROU asset and lease liability on the accompanying consolidated balance sheets for all leases. The Company has operating leases and has elected the short-term lease practical expedient to exclude leases with terms of 12 months or less from recognition on the accompanying consolidated balance sheets. The Company utilizes the practical expedient to utilize the risk-free rate in determining the present value of lease payments unless the implicit rate is readily determinable.

The Company utilizes the practical expedient under Accounting Standards Update 2023-01, Leases – Common Control Arrangements, which allows the Company to use the written terms and conditions of a lease between entities under common control in applying the guidance under ASU 2016-02. The Company is party to a common control leasing arrangement that is classified as a short-term lease based upon the written terms and conditions of the related lease agreement (see Note 8). As of May 26, 2024 and May 28, 2023, the Company's leasehold improvements related to this lease had a net book value of approximately \$740,000 and \$580,000, respectively, with an average remaining useful life ranging from between 6 and 8 years.

Income Taxes

The Company follows an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed annually for differences between financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and statutory rates applicable to the periods in which the differences are expected to affect taxable income.

Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense or benefit is the tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

When income tax returns are filed, it is highly certain that some positions would be sustained upon examination by the taxing authorities, while others may be subject to uncertainty about the merits of the position taken or the amount of the position that would ultimately be sustained. The benefit of a tax position is recognized in the Company's consolidated financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions taken are not offset or aggregated with other positions. Tax positions that meet the more-likely-than-not recognition threshold would be measured as the largest amount of tax benefit that is more than 50 percent likely of being realized upon settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above would be reflected as a liability for unrecognized tax benefits in the accompanying Company's consolidated balance sheets along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Interest and penalties associated with unrecognized tax benefits would be classified as additional income taxes in the consolidated statements of income.

Management believes it is more likely than not that the benefits recognized from tax positions taken on the Company's consolidated financial statements will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Accordingly, no liability for unrecognized tax benefits is reflected on the accompanying consolidated balance sheets.

The Company believes it is no longer subject to income tax examinations by federal, state, or local tax authorities for years ending before May 30, 2021.

Franchise Operations and Revenue Recognition

Revenue is recognized for the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to in exchange for those goods and services.

The Company's accounting for revenue recognition is detailed below and disaggregated by major revenue streams.

Sales by Company-Operated Restaurants

Revenue from Company-operated restaurants is recognized as the products are sold, net of sales tax and discounts applied at the time of the transaction.

Franchise Revenues

The Company sells individual franchises that require the franchisee to pay an initial nonrefundable franchise fee due upon the opening of a respective franchisee restaurant.

The initial term of a franchise agreement is generally five years. A franchise may elect to renew the term of a franchise agreement and may pay a renewal fee upon execution of a new agreement.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

The Company has determined that the initial franchise fee is a payment for preopening services including site selection, development, and training associated with opening a franchise location. The Company follows Accounting Standards Update 2021-02, Franchisors — Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient, and has elected to account for preopening services as a single performance obligation. As such, the franchise fee is initially recorded as deferred revenue and is recognized as revenue upon the completion of substantially all the preopening services, which is normally concurrent with the opening of a franchisee unit. If a franchise agreement is terminated prior to the opening of a franchisee unit, the Company will recognize the full amount to revenue in the year of termination.

Continuing franchise fees are determined as a percentage of franchise restaurant sales. These fees are recognized as revenue in the period sales are earned by the franchisee and are generally paid within 30 days.

One major franchisee accounted for approximately 12% and 13% of revenues and 35% and 34% of net receivables as of and for the years ended May 26, 2024 and May 28, 2023, respectively.

The Company provides franchise personnel whose responsibilities are to support and assist franchise restaurant owners and operators. In addition, franchise owners receive assistance in construction and remodeling consultation and marketing from other Company personnel who also furnish these services to Company-operated restaurants. Costs and expenses related to the above franchise services are approximately 44% of general and administrative expenses for both 2024 and 2023.

Licensed Product Revenues

Licensed product revenue consists of a margin received by GPBCM on certain pizza products and packaging (the "licensed products") sold to licensed store operators through an approved distributor. Revenues are recognized in the period the manufacturer sells the licensed products to an approved distributor and are generally paid within 30 days.

Contract Balances

Net receivables are an unconditional right to consideration and are recognized when the Company's performance obligation has been fully satisfied. As of May 26, 2024; May 28, 2023; and May 29, 2022; the net receivables balance was \$1,316,000, \$1,378,000, and \$1,189,000, respectively.

Contract liabilities consist of deferred revenue related to initial franchise fee deposits. The fees are recognized to revenue upon completion of substantially all preopening services, which is generally concurrent with opening a franchise unit. As of May 26, 2024; May 28, 2023; and May 29, 2022; the deferred revenue balance was \$70,000, \$58,000, and \$49,000, respectively, and is included in other accrued liabilities on the accompanying consolidated balance sheets.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

Subsequent Events

Subsequent events are events or transactions that occur after the consolidated balance sheet date, but before the consolidated financial statements are available to be issued and may require potential recognition or disclosure in the Company's consolidated financial statements. Management has considered such events or transactions through July 25, 2024, noting no items requiring disclosure.

3. Fair Value Measurements

FASB Codification Topic 820-10 on *Fair Value Measurements* (FASB 820-10) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at May 26, 2024 and May 28, 2023.

Corporate and Municipal Bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing the values of yields currently available on comparable securities of issuers with similar credit ratings.

- *U.S. Treasury Bills*: Valued using quoted market prices on active markets. These funds held by the Company are deemed to be actively traded.
- *U.S. Government Obligations:* Valued using pricing models maximizing the use of observable inputs for similar obligations. This includes basing the value on yields currently available on comparable obligations of issuers with similar credit ratings.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Company's investments at fair value at May 26, 2024 and May 28, 2023:

	<u>Level 1</u>		<u>Level 2</u>	<u>Level 3</u>		<u>Total</u>

There were no outstanding borrowings at May 26, 2024 and May 28, 2023.

5. Leases

The Company leases certain land, buildings and equipment which are all classified as operating lease agreements. The leases expire on various dates through 2033. Any renewal options have not been included in the calculation of right-of-use asset and lease liability as the Company is not reasonably certain to exercise these options. The Company has elected the practical expedient to not separate lease and nonlease components; however, nonlease components that are separate from the monthly lease payments have not been included in the calculation of right-of-use asset and lease liability.

For the years ended May 26, 2024 and May 28, 2023, total lease cost and other information included in the calculation of the right-of-use assets and lease liabilities consisted of the following:

7. Commitments and Contingencies

Stockholder Agreements

The Company is committed under an Executive Stock Purchase Agreement with certain executives to repurchase shares of common stock in the event of their termination. The Company was committed to repurchase up to 4,291 and 3,812 shares of common stock at May 26, 2024 and May 28, 2023, respectively. The repurchase price is equivalent to the executive's original purchase price (which was \$89,000 at May 26, 2024) plus interest ranging from 5% to 10% per annum from the date of original purchase. Under certain circumstances, an additional severance amount of up to one year of a terminated executive's salary could be paid under the agreement. Under this agreement, the Company repurchased 200 shares in 2024 for \$30,000 and 104 shares in 2023 for \$3,000.

Deferred Compensation Plan

The Company has a Deferred Compensation Plan, which includes certain executives. This liability includes amounts deferred by the executives plus interest based on a bond index rate. The deferred liability will be paid to the executives upon their termination from employment or death. During 2019, payments to a certain executive were initiated upon retirement and were paid in monthly installments of approximately \$6,000, including interest at 4.29%. Payments totaled approximately \$42,000 for the year ended May 28, 2023, at which point the liability to this executive was fully satisfied. The amount of the liability was approximately \$410,000 at May 26, 2024 and \$395,000 at May 28, 2023. These amounts are included in other long-term liabilities.

Litigation

The Company is a party to legal proceedings arising in the ordinary course of its business. In the opinion of management and its legal counsel, disposition of these matters will not materially affect the Company's consolidated financial position or results of operations.

8. Affiliated Entity

The Company leases office space from and provides management services for Gartlan Real Estate Holdings, LLC ("Gartlan"), an affiliated company through common ownership. Monthly rent is approximately \$36,000. Rent expenditure related to this lease was approximately \$429,000 and \$434,000 for the years ended May 26, 2024 and May 28, 2023, respectively.

Notes to Consolidated Financial Statements

May 26, 2024 and May 28, 2023

The Company has concluded that Gartlan qualifies as a variable interest entity (VIE) due to the fact that the Company guarantees certain debt obligations of this entity and the Company makes rental payments through the lease agreement described above. Gartlan is an operating entity formed to own the land and a building to be used as the Company's office which is then leased to the Company for use in the ordinary course of business. At May 26, 2024 and May 28, 2023, the Company is potentially liable for Gartlan's long-term debt of approximately \$653,000 and \$846,000, respectively, which carries an interest rate ranging from 3.125% to 3.50% and a maturity of July 2027, as the Company acts as the guarantor on this debt.

The Company follows an accounting alternative as provided for in FASB Accounting Standards Update 2014-07, Consolidation (Topic 810): Applying Variable Interest Entities Guidance to Common Control Leasing Arrangements. Pursuant to this accounting alternative, the Company has elected not to consolidate the above VIE in the accompanying consolidated financial statements. Management believes that this presentation more accurately reflects the overall financial status of the Company and will continue to review the relationship between the VIE and the Company to assure that it continues to meet the criteria for applying this alternative accounting policy.

Notes receivable from affiliate consists of three notes receivable from Gartlan. One of these notes is an installment note receivable with interest at 6.78%, due in monthly installments of \$4,668 through November 2027 that had a balance of \$174,000 and \$217,000 as of May 26, 2024 and May 28, 2023, respectively. The remaining two notes are balloon notes, with interest at 5.00%, with principal of \$835,000 at May 26, 2024 and May 28, 2023, due on various dates through May 2026.

INDEPENDENT AUDITORS' REPORT

Board of Directors and Management Godfather's Pizza, Inc. and Subsidiaries Omaha, Nebraska

Opinion

We have audited the consolidated financial statements of Godfather's Pizza, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheets as of May 28, 2023 and May 29, 2022, the related consolidated statements of income, stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of May 28, 2023 and May 29, 2022, and the results of its consolidated operations and its consolidated cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Leases

As discussed in Note 1 to the consolidated financial statements, the Company adopted Accounting Standards Update 2016-02, *Leases (Topic 842)*, issued by the Financial Accounting Standards Board (FASB), related to the accounting treatment for leases. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after July 27, 2023.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Company's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control—related matters that we identified during the audits.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

1. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of Godfather's Pizza, Inc. and its whollyowned subsidiaries GPBCM, Inc. and GPTB, Inc., collectively (the "Company"). All significant intercompany accounts and transactions have been eliminated in consolidation.

Nature of Business

Godfather's Pizza, Inc. was incorporated under the laws of the State of Delaware in June 1985 and was formed to operate and franchise a concept servicing pizza and other food products.

GPBCM, Inc. ("GPBCM") was incorporated under the laws of the State of Nebraska in May 2013 and is utilized to operate programs to license the sale of pizza products in retail outlets, convenience stores and other non-traditional locations. There were 1,125 locations at May 28, 2023 and 945 locations at May 29, 2022. GPBCM also has a program under which Godfather's Pizza brand sauce is sold to retail outlets and certain online retailers.

GPTB, Inc. ("GPTB") was incorporated under the laws of the State of Nebraska in May 2013 and has been utilized to franchise a concept of serving pizza and other food products internationally. There were no international franchise locations at May 28, 2023 and May 29, 2022.

The following is a summary of restaurants operated by the Company and its franchisees at May 28, 2023 and May 29, 2022:

	Company <u>Operated</u>	<u>Franchisees</u>	<u>Total</u>
Open, May 30, 2021	10	583	593

Closings	(1)	(22)	(23)

Openings	-	32	32
Closings	-	(27)	(27)
Open, May 28, 2023	9	600	609

The Company reserves for future costs associated with closed restaurants. Annually, management reviews and evaluates Company operations to determine if additional restaurants are to be included in the reserve. There was no closed store reserve at May 28, 2023 and May 29, 2022.

Fiscal Year

The Company's fiscal year ends on the last Sunday in May.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising and Promotion Costs

The cost of advertising and promotion is expensed as incurred. Advertising and promotion costs were approximately \$275,000 and \$263,000 for the years ended May 28, 2023 and May 29, 2022, respectively.

Cash and Cash Equivalents

The Company maintains zero balance accounts as a part of its cash management. Checks not yet presented for payment are included in accounts payable and totaled approximately \$48,000 and \$99,000 at May 28, 2023 and May 29, 2022, respectively. For purposes of the consolidated statements of cash flows, the Company considers all investments with an original maturity of three months or less to be cash and cash equivalents. Cash equivalents consist of U.S. prime money market funds.

Concentration of Credit Risk

The Company has two types of financial instruments subject to credit risk. The Company maintains bank accounts in which the balances sometimes exceed the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000. At May 28, 2023 and May 29, 2022, there were cash balances in excess of FDIC limits at the bank of approximately \$3,162,000 and \$5,232,000, respectively.

Investments and money market funds are subject to market risk and net receivables subject the Company to credit risk.

Investments

Investment securities are classified as equity or debt securities and are stated at fair value (see Notes 2 and 3). Corporate bonds that mature within one year of the consolidated balance sheet date are classified as short-term investments in the accompanying consolidated balance sheets; all other investments are classified as long-term investments.

Realized gains or losses on the sale of investment securities are accounted for using the specific identification cost method. Interest and dividend income is recorded when earned.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

Net Receivables

Net receivables are carried at original invoice amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a periodic basis. Management determines the allowance for doubtful receivables by regularly evaluating individual customer receivables and considering a customer's financial condition, credit history, and current economic conditions. Net receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded as income when received. The allowance for doubtful receivables was approximately \$18,000 and \$8,000 at May 28, 2023 and May 29, 2022, respectively.

Inventories

Inventories are stated at the lower of cost (first-in, first-out method) or net realizable value and consist primarily of restaurant food items and paper supplies.

Property and Equipment

Property and equipment are stated at cost with depreciation computed on the straight-line method over the assets' estimated useful lives. Upon sale or retirement of property and equipment, the related costs and accumulated depreciation are removed from the accounts and any related gain or loss is reflected in the consolidated statements of income.

The estimated useful lives for each major depreciable classification of property and equipment are as follows:

Leasehold Improvements	3-40 years
Equipment	3-15 years

Major classes of property and equipment at May 28, 2023 and May 29, 2022 are as follows:

		<u>2023</u>		2022
Leasehold Improvements	\$	3,809,000	\$	3,198,000
Equipment		4,649,000		4,551,000
	<u></u>	8,458,000		7,749,000
Less Accumulated Depreciation		6,166,000		5,592,000
	\$	2,292,000	\$	2,157,000

Long-Lived Asset Impairment

The Company evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate that the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted future cash flows expected to result from the use and eventual disposition of the asset is less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized in the amount by which the carrying amount of the long-lived asset exceeds its fair value. Management does not believe any impairment existed as of May 28, 2023 and May 29, 2022.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

Other Intangible Assets and Goodwill

The Company's intangible assets consist of franchise rights, trademarks and goodwill, which represent the value assigned to those assets. The Company determined that franchise rights and trademarks were deemed to have indefinite useful lives.

Accordingly, the Company does not amortize these intangibles. The Company reviews the carrying amount of their franchise rights and trademarks for possible impairment at least annually and whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

Goodwill represents the carrying amount of the cost in excess of net assets acquired. The Company follows FASB Accounting Standards Update 2014-02, *Intangibles – Goodwill and Other (Topic 350):* Accounting for Goodwill, which allows the Company to amortize goodwill prospectively on a straightline basis up to ten years. Management believes that this method more accurately reflects periodic results of operations and has elected to amortize its existing goodwill over ten years, which represents the estimated useful life.

Accordingly, amortization expense of \$267,000 was recorded during the years ended May 28, 2023 and May 29, 2022 in the accompanying consolidated statements of income. The Company will continue to review goodwill for possible impairment when a triggering event has occurred. Amortization expense over the next year is anticipated to be approximately \$71,000.

Goodwill, net is as follows at May 28, 2023 and May 29, 2022:

Balance, Beginning of Period	\$ 2,663,000		\$ 2022 2,663,000
Less Accumulated Amortization	(2,592,000)		(2,325,000)
Balance, End of Period	\$	71,000	\$ 338,000

Right-of-Use Assets and Lease Liabilities

Effective May 30, 2022, the Company adopted Accounting Standards Update 2016-02, *Leases (Topic 842)* ("ASU 2016-02") using the modified retrospective transition method, which allows for a cumulative-effect adjustment through retained earnings at the date of initial application. There was no cumulative-effect adjustment recorded as the Company's adoption of ASU 2016-02 did not have a material impact on the accompanying consolidated statements of income.

Upon adoption of ASU 2016-02, the Company elected the transition relief practical expedients which specify that an entity does not need to reassess initial direct costs for existing leases, the lease classification for expired or existing leases, and whether any expired or existing contracts contain leases.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

The new standard establishes a right-of-use (ROU) model that requires a lessee to recognize a ROU asset and lease liability on the accompanying consolidated balance sheets for all leases. The Company has elected the short-term lease practical expedient to exclude leases with terms of 12 months or less from recognition on the accompanying consolidated balance sheets. The Company has elected the practical expedient to utilize the risk-free rate in determining the present value of lease payments unless the implicit rate is readily determinable.

The Company has elected the practical expedient under Accounting Standards Update 2023-01, Leases – Common Control Arrangements, which allows the Company to use the written terms and conditions of a lease between entities under common control in applying the guidance under ASU 2016-02. The Company is party to a common control leasing arrangement that is classified as a short-term lease based upon the written terms and conditions of the related lease agreement (see Note 8). The Company's leasehold improvements related to this lease had a net book value of approximately \$580,000 and an average remaining useful life between 6 and 8 years as of May 28, 2023.

Income Taxes

The Company follows an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed annually for differences between financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and statutory rates applicable to the periods in which the differences are expected to affect taxable income.

Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense or benefit is the tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

When income tax returns are filed, it is highly certain that some positions would be sustained upon examination by the taxing authorities, while others may be subject to uncertainty about the merits of the position taken or the amount of the position that would ultimately be sustained. The benefit of a tax position is recognized in the Company's consolidated financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions taken are not offset or aggregated with other positions. Tax positions that meet the more-likely-than-not recognition threshold would be measured as the largest amount of tax benefit that is more than 50 percent likely of being realized upon settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above would be reflected as a liability for unrecognized tax benefits in the accompanying Company's consolidated balance sheets along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Interest and penalties associated with unrecognized tax benefits would be classified as additional income taxes in the consolidated statements of income.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

Management believes it is more likely than not that the benefits recognized from tax positions taken on the Company's consolidated financial statements will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Accordingly, no liability for unrecognized tax benefits is reflected on the accompanying consolidated balance sheets.

The Company believes it is no longer subject to income tax examinations by federal, state, or local tax authorities for years ending before May 31, 2020.

Franchise Operations and Revenue Recognition

Revenue is recognized for the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to in exchange for those goods and services.

The Company's accounting for revenue recognition is detailed below disaggregated by major revenue streams.

Sales by Company-Operated Restaurants

Revenue from Company-operated restaurants is recognized as the products are sold, net of sales tax and discounts applied at the time of the transaction.

Franchise Revenues

The Company sells individual franchises that require the franchisee to pay an initial nonrefundable franchise fee due upon the opening of a respective franchisee restaurant.

The initial term of a franchise agreement is generally five years. A franchisee may elect to renew the term of a franchise agreement and may pay a renewal fee upon execution of a new agreement.

The Company has determined that the initial franchise fee is a payment for preopening services including site selection, development, and training associated with opening a franchise location. The Company follows Accounting Standards Update 2021-02, *Franchisors – Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient*, and has elected to account for preopening services as a single performance obligation. As such, the franchise fee is initially recorded as deferred revenue and is recognized as revenue upon the completion of substantially all the preopening services, which is normally concurrent with the opening of a franchisee unit. If a franchise agreement is terminated prior to the opening of a franchisee unit, the Company will recognize the full amount to revenue in the year of termination.

Continuing franchise fees are determined as a percentage of franchise restaurant sales. These fees are recognized as revenue in the period sales are earned by the franchisee and are generally paid within 30 days.

One major franchisee accounted for approximately 13% and 12% of revenues and 34% and 32% of net receivables for the years ended May 28, 2023 and May 29, 2022, respectively.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

The Company provides franchise personnel whose responsibilities are to support and assist franchise restaurant owners and operators. In addition, franchise owners receive assistance in construction and remodeling consultation and marketing from other Company personnel who also furnish these services to Company-operated restaurants. Costs and expenses related to the above franchise services are approximately 44% and 45% of general and administrative expenses for 2023 and 2022, respectively.

Licensed Product Revenues

Licensed product revenue consists of a margin received by GPBCM on certain pizza products and packaging (the "licensed products") sold to licensed store operators through an approved distributor. Revenues are recognized in the period the manufacturer sells the licensed products to an approved distributor and are generally paid within 30 days.

Contract Balances

Net receivables are an unconditional right to consideration and are recognized when the Company's performance obligation has been fully satisfied. As of May 28, 2023; May 29, 2022; and May 31, 2021; the net receivables balance was \$1,378,000, \$1,189,000, and \$1,038,000, respectively.

Contract liabilities consist of deferred revenue related to initial franchise fee deposits. The fees are recognized to revenue upon completion of substantially all preopening services, which is generally concurrent with opening a franchise unit. As of May 28, 2023; May 29, 2022; and May 31, 2021; the deferred revenue balance was \$58,000, \$49,000, and \$40,000, respectively, and is included in other accrued liabilities on the accompanying consolidated balance sheets.

Subsequent Events

Subsequent events are events or transactions that occur after the consolidated balance sheet date, but before the consolidated financial statements are available to be issued and may require potential recognition or disclosure in the Company's consolidated financial statements. Management has considered such events or transactions through July 27, 2023. In June 2023, the Company acquired substantially all assets of three franchisee locations for total consideration of approximately \$1,750,000.

3. Fair Value Measurements

FASB Codification Topic 820-10 on *Fair Value Measurements* (FASB 820-10) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at May 28, 2023 and May 29, 2022.

Corporate and Municipal Bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing the values of yields currently available on comparable securities of issuers with similar credit ratings.

Fixed Income Mutual Funds: Valued at the daily closing price as reported by the funds. These funds are deemed to be actively traded.

- *U.S. Treasury Bills*: Valued using quoted market prices on active markets. These funds held by the Company are deemed to be actively traded.
- *U.S. Government Obligations:* Valued using pricing models maximizing the use of observable inputs for similar obligations. This includes basing the value on yields currently available on comparable obligations of issuers with similar credit ratings.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. Commitments and Contingencies

Stockholder Agreements

The Company is committed under an Executive Stock Purchase Agreement with certain executives to repurchase shares of common stock in the event of their termination. The Company was committed to repurchase up to 3,812 and 3,916 shares of common stock at May 28, 2023 and May 29, 2022, respectively. The repurchase price is equivalent to the executive's original purchase price (which was \$70,000 at May 28, 2023) plus interest ranging from 5% to 10% per annum from the date of original purchase. Under certain circumstances, an additional severance amount of up to one year of a terminated executive's salary could be paid under the agreement. Under this agreement, the Company repurchased 104 shares in 2023 for \$3,000 and 208 shares in 2022 for \$35,000.

Deferred Compensation Plan

The Company has a Deferred Compensation Plan, which included two executives. This liability includes amounts deferred by the executives plus interest based on a bond index rate. The deferred liability will be paid to the executives upon their termination from employment or death. During 2019, payments to a certain executive were initiated upon retirement and were paid in monthly installments of approximately \$6,000, including interest at 4.29%, through December 2022. Payments totaled approximately \$42,000 and \$72,000 for the years ended May 28, 2023 and May 29, 2022, respectively. The amount of the liability was approximately \$395,000 at May 28, 2023 and \$423,000 at May 29, 2022. These amounts are included in other long-term liabilities.

Notes to Consolidated Financial Statements

May 28, 2023 and May 29, 2022

Litigation

The Company is a party to legal proceedings arising in the ordinary course of its business. In the opinion of management and its legal counsel, disposition of these matters will not materially affect the Company's consolidated financial position or results of operations.

8. Affiliated Entity

The Company leases office space from and provides management services for Gartlan Real Estate Holdings, LLC ("Gartlan"), an affiliated company through common ownership. Monthly rent is approximately \$36,000. Rent expenditure related to this lease was approximately \$434,000 and \$493,000 for the years ended May 28, 2023 and May 29, 2022, respectively.

The Company has concluded that Gartlan qualifies as a variable interest entity (VIE) due to the fact that the Company guarantees certain debt obligations of this entity and the Company makes rental payments through the lease agreement described above. Gartlan is an operating entity formed to own the land and a building to be used as the Company's office which is then leased to the Company for use in the ordinary course of business. At May 28, 2023 and May 29, 2022, the Company is potentially liable for Gartlan's long-term debt of approximately \$846,000 and \$1,035,000, respectively, which carries an interest rate ranging from 3.125% to 3.50% and a maturity of July 2027, as the Company acts as the guarantor on this debt.

The Company follows an accounting alternative as provided for in FASB Accounting Standards Update 2014-07, Consolidation (Topic 810): *Applying Variable Interest Entities Guidance to Common Control Leasing Arrangements*. Pursuant to this accounting alternative, the Company has elected not to consolidate the above VIE in the accompanying consolidated financial statements. Management believes that this presentation more accurately reflects the overall financial status of the Company and will continue to review the relationship between the VIE and the Company to assure that it continues to meet the criteria for applying this alternative accounting policy.

Notes receivable, affiliate consists of three notes receivable from Gartlan. One of these notes is an installment note receivable that as of May 28, 2023, had a balance of \$217,000 with interest at 6.78%, due in monthly installments of \$4,668 through November 2027. At May 29, 2022 the note had a balance of \$258,000 with interest at 4.51%, due in monthly installments of \$4,248. The remaining two notes are balloon notes, with interest at 4.50%, with principal of \$835,000 at May 28, 2023 and May 29, 2022, due on various dates through May 2026.
