This Disclosure Document provides information regarding the operation of a Matco Distributorship. Matco is a manufacturer and distributor of professional quality mechanics' tools and service equipment (the "Products" or "Matco Products"). If you enter into a Distributorship Agreement with Matco, you will purchase, resell, and service the Products, which currently consist of at least 19,000 items, as a mobile distributor under the Matco System.

The total investment necessary to begin operation of a Matco Distributorship ranges from \$107,476 to \$340,059. This includes the following payments to Matco or its affiliates: the initial franchise fee of \$10,000; approximately \$55,500 to \$92,000 for the minimum initial inventory; \$899 for the initial software license fee and \$395 license fees for the credit card and signature pad processing software; \$450 for the software support and maintenance fee; \$195 for the webpage set-up fee; \$99 for a document processing fee; and approximately \$22,000 for the Time Payment Reserve Account (if you do not participate in a Matco financing program).

This Disclosure Document summarizes certain provisions of your distributorship agreement and other information in plain English. Read this Disclosure Document and all accompanying agreements carefully. You must receive this Disclosure Document at least 14 calendar-days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale or grant. **Note, however, that no governmental agency has verified the information contained in this document.**

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Appendix F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Distributorship Agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Ohio. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Ohio than in your own state.
2. **Mandatory Minimum Payment:** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Spousal Liability:** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

(1) THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

References to “you” in this Disclosure Document mean the corporation, partnership, limited liability company or other business entity purchasing a Matco Tools Distributorship, and, in some situations, “you” may also refer to that entity’s Principal Owner or other owners.

Matco and Its Predecessors

Matco Tools Corporation (“**Matco**” or “**Matco Tools**”) is a Delaware corporation, incorporated on January 12, 1993, with its principal office at 4403 Allen Road, Stow, Ohio 44224, telephone number (330) 929-4949. Matco is a wholly-owned subsidiary of MTH Holding LLC (“**MTH**”), and operates as an indirect wholly-owned subsidiary of GLFD Holdings LLC, and Vontier Corporation (“**Vontier**”). MTH is Matco’s parent company. MTH is a Delaware limited liability company with its principal office at 1209 Orange Street, Wilmington, Delaware 19801. MTH does not operate Matco distributorships, and has not offered franchises in any line of business.

Vontier is a Delaware corporation, incorporated on August 5, 2019, with its principal place of business at 5438 Wade Park Blvd, Suite 600, Raleigh, NC 27607. Vontier was a wholly owned subsidiary of Fortive Corporation (“**Fortive**”) until October 9, 2020. Fortive is a Delaware corporation, incorporated on November 11, 2015, with its principal place of business at 6920 Seaway Blvd., Everett, Washington 98203. On October 9, 2020, Fortive spun-off a portion of its business, assets, and portfolio companies, including Matco, into Vontier (the “**Vontier Spin-Off**”). After the Vontier Spin-Off, Fortive retained a partial ownership interest in Vontier, but as of January 19, 2021, Fortive no longer has any ownership of Vontier. Fortive was an indirect parent of Matco from July 3, 2016, until the Vontier Spin-off. Previously, Fortive was a wholly owned subsidiary of Danaher Corporation (“**Danaher**”) until July 2, 2016. Danaher is a Delaware corporation, with its principal place of business at 2200 Pennsylvania Avenue NW, Suite 800W, Washington, DC 20037-1701. Danaher created Fortive when it spun-off a portion of its business, assets, and portfolio companies into a new diversified industrial growth company (the “**Fortive Spin-Off**”). That transaction was completed as of July 3, 2016. Neither Vontier, Fortive nor Danaher operate Matco distributorships, and nor have they offered franchises in any line of business.

Matco’s other intermediate parent company, GLFD Holdings LLC, is a limited liability company that was formed in Delaware. Its principal business address is 1209 Orange Street, Wilmington, Delaware 19801. GLFD Holdings LLC does not operate Matco distributorships and has not offered franchises in any line of business.

From January 12, 1993, until June 3, 2016, Matco was known as NMTC, Inc., d/b/a Matco Tools, and it was a subsidiary of a separate entity, which was also called Matco Tools Corporation (“**MTC**”). MTC was Matco’s parent company. MTC was a New Jersey corporation with its principal office at 4403 Allen Road, Stow, Ohio 44224. MTC’s parent was Danaher. On June 1, 2016, as part of the Fortive Spin-Off transaction described above, MTC merged with NMTC, Inc., and then NMTC, Inc. changed its name to Matco Tools Corporation.

Matco does business under the name “Matco Tools Corporation,” “Matco Tools,” and “Matco,” and under no other names. Matco’s agent for service of process in this state is disclosed on Appendix G and/or on the acknowledgement of receipt pages which are the last pages in this Franchise Disclosure Document.

Matco is a manufacturer of toolboxes, a distributor of professional quality tools and service equipment, and seller of independent franchise distributorships under the Matco brand name. Matco has developed a distinctive business system (the “**System**”) supporting the promotion of the Matco brand and establishment and operation of Matco mobile Distributorships which sell tools, toolboxes, service equipment, automotive

diagnostic services, software subscriptions, and other goods and services, including, for example, apparel, model cars and other collectible items, and consumables (such as mechanic's hand soaps), and such other items that Matco may in its sole discretion offer (collectively, the "**Products**" or "**Matco Products**"). Matco mobile Distributors offer and sell Products to professional mechanics, technicians, service professionals, and other businesses which operate from a single location and purchase tools for their own use. The Products currently consist of more than 19,000 items, many of which are manufactured by or for Matco, and are distributed by Matco and sold to Matco's Distributor network. In addition, Matco may also sell special order items, based on customer demand, and other factors. A high standard of customer service is essential to the Matco brand and the cornerstone of Matco's System, and that customer service standard typically involves a one-on-one sales and service relationship between a Principal Owner (defined below), operating from a Matco mobile distributorship, and a Potential Customer (defined below).

The System is identified by means of certain trade names, service marks, trademarks, logos and emblems, including the marks "MATCO®" and "MATCO® TOOLS" (the "**Marks**").

MTC began offering distributorships in 1979, and since then MTC and Matco (beginning in 1993) have sold the majority of the Products through independent distributors throughout the United States. As of December 31, 2023, there were 1,841 independent distributors selling MATCO® Products in the United States. The Distributorship Agreement offered and described in this Disclosure Document differs from agreements Matco entered into with its Distributors before 1993, in that the current Distributorship Agreement provides for additional duties and obligations for both parties. Matco has operated distributorships similar to the type described in this disclosure document prior to 2006, for a period in 2010 and 2011, and again beginning in 2013. Matco currently operates one distributorship in New Jersey, one in Ohio, and nine in Pennsylvania.

As described above and in Item 20, in all other U.S. states except for the States of Ohio and Pennsylvania, Matco's usual course of business does not involve the actual development and operation of Distributorships, which is the business you will engage in under the Distributorship Agreement.

Matco also sells the Products through commercial sales representatives to businesses and educational institutions including students, schools, commercial and industrial accounts with central purchasing operations, multiple locations, state, local and federal agencies and/or to other commercial customers who generally purchase tools for their own internal use or supply tools to their employees through tuition-based kits, new apprentice programs, hiring/longevity incentives, tool cribs or other means. Matco's commercial sales group also sells Products through foreign-based wholesale distributors in countries outside of North America. In 2023, these sales accounted for approximately 4.5% of Matco's revenues. Matco may also employ persons or utilize independent manufacturers' representatives and specialized resellers to make sales calls and to support customers in specific market segments. Matco also uses export distributors and agents to promote its products in locations outside of the United States.

Matco has offered franchised distributorships since 1993. Other than as indicated in this Disclosure Document, Matco (or prior to February 1993, its predecessor MTC) has not offered distributorship agreements, franchises, or business opportunities in any other line of business. Matco is not engaged in any business other than the manufacture, distribution, sale and servicing of tools and equipment as described in this Disclosure Document. Matco's affiliates have not offered franchises similar to the distributorship described in this Disclosure Document or in any other lines of business.

MTC is a predecessor of Matco. MTC was formerly known as Mac Allied Tools Corporation ("**Mac Allied**"), an Ohio corporation, incorporated in September 1946. Mac Allied changed its name to Matco Tools Corporation in August 1978, and in April 1981, Matco Tools Corporation was acquired by and became a wholly-owned subsidiary of Chicago Pneumatic Tool Company ("**CP**"), a New Jersey

Corporation. Matco Tools Corporation was merged in July 1984 into a sister company of CP, The Jacobs Manufacturing Company (“**Jacobs**”), a New Jersey corporation, incorporated in July 1953, and became known as “Matco Tools, a Division of The Jacobs Manufacturing Company.” In June 1986, Danaher purchased CP and later sold it in June 1987, retaining Jacobs, including its Matco Tools Division. Jacobs’ name was changed to Matco Tools Corporation in November 1991, and the other divisions within Jacobs were established as separate operating companies. In January 1993, Danaher formed NMTC, Inc., which acquired a substantial portion of the assets of MTC, including the existing distributorship agreements of MTC. As described above, MTC merged with NMTC, Inc., and NMTC, Inc. changed its name to Matco Tools Corporation.

Vontier’s businesses and brands operate in the professional instrumentation and industrial technologies business segment, which consists of mobility technologies and diagnostics & repair technologies platforms. Through various subsidiary companies, Vontier manufactures and sells products under major brand names such as Coats® tire changers and equipment.

In 2005, Matco Tools Canada (“**Matco-Canada**”), a limited partnership organized under the laws of the Province of Ontario, Canada, began offering Matco Tools franchised distributorships in Canada. Matco-Canada does not operate Matco distributorships, and has not offered franchises in any other line of business. Matco-Canada is owned by NMTC Partners Inc., an Ontario corporation, and GTHM Canada Holding Ltd., a British Columbia limited company. NMTC Partners Inc. is Matco’s general partner. NMTC Partners Inc. was incorporated on April 8, 2005, and its principal business address is 4 Robert Speck Parkway, Ste. 1600, Mississauga, ON L4Z1S1. GTHM Canada Holding Ltd. was incorporated on August 6, 2019, and its principal business address is 2800 Park Place, 666 Burrard St., Vancouver, BC V6C2Z7. NMTC Partners Inc. is wholly owned by Matco Tools Corporation. GTHM Canada Holding Ltd. is wholly owned by GLFD Holdings LLC a Delaware limited liability company that was incorporated on August 5, 2019. GLFD Holdings LLC has its registered office at 1209 Orange Street, Wilmington, Delaware USA 19801. Neither NMTC Partners Inc., GTHM Canada Holding Ltd., nor GLFD Holdings LLC operate Matco distributorships, nor have any of those companies offered franchises in any line of business.

NMTC Partners Inc. and GTHM Canada Holding Ltd. were also included in the Vontier Spin-Off. NMTC Partners Inc. and GTHM Canada Holding Ltd. remain Matco-Canada’s immediate parent companies after the Vontier Spin-Off, and NMTC Partners Inc. remains Matco-Canada’s general partner. However, Matco-Canada’s ultimate parent is now Vontier.

The Distributorship Rights Offered

Matco offers you the right to enter into a distributorship agreement (the “**Distributorship Agreement**”), which grants you the right to purchase, resell, and service the Products as a mobile distributor (“**Distributor**”) under the System (the “**Distributorship**”). A Distributorship is a business which operates principally from a vehicle, purchases the Products from Matco, and sells the Products to retail customers. These retail customers (Potential Customers, as defined in Item 11) are typically professional mechanics or other individuals in the automotive after-market and related markets who in the normal course of business are required to use and furnish his/her own tools. Prior to signing your Distributorship Agreement, Matco will count the number of Potential Customers at locations identified in your territory along a proposed route (the “**List of Calls**”). These will be identified in Exhibit A to your Distributorship Agreement. Matco designates a List of Calls for a territory by identifying a minimum of approximately 325 Potential Customers, which include the mechanics, technicians, or other service professionals who work at the business, as well as the business itself, in cases where Matco’s survey shows that the business also purchases tools of the type offered or sold by Matco or its distributors, either for itself and/or for its employees. (However, “225s” will have fewer Potential Customers, and “ETDs” will have more Potential Customers,

as described below). See Item 11 for more information. You are not limited to offering and selling Products to those 325 Potential Customers.

If you wish to modify your List of Calls, including by adding a location or Potential Customers, you must submit a written request to Matco identifying the proposed changes to the List of Calls with an explanation for how the proposed changes to the List of Calls will help you advance your business and continue to meet Matco's Customer Service Standards.

You must be a corporation, limited liability company, or other business entity to enter into a Distributorship Agreement. The daily operations of the Distributorship must be conducted under the active full-time management of one "Principal Owner" who is designated on Exhibit P to the Distributorship Agreement. The Principal Owner must own at least a majority of the outstanding equity interests in you (at least 51%). The Principal Owner is the individual responsible for all communications between you and Matco, and the individual who has the right to enter into agreements on your behalf. The Principal Owner (as well as any other owners and any other person whose assets are considered in any financing application) must sign the Guarantee, Indemnification, and Acknowledgment in the form attached to the Distributorship Agreement as Exhibit N. The Principal Owner must complete all training required by Matco. In addition, the Principal Owner, in connection with her or his duties in operating the Distributorship as an employee of Distributor, must comply with all of Matco's standards and requirements as they may be modified from time to time in the Manual or otherwise in writing.

Matco typically will not grant a Distributorship to a Distributor with more than two owners. However, we consider each application on a case-by-case basis. Any individual who owns any ownership interest in the Distributor (including the Principal Owner) must be designated on Exhibit P of the Distributorship Agreement as an owner, and each of your owners, including the Principal Owner, as well as any other person whose assets are considered in any financing application, must personally bind themselves to the obligations described in the Distributorship Agreement by signing the Guarantee, Indemnification, and Acknowledgment that is attached to the Distributorship Agreement as Exhibit N. You may also designate a "**Business Partner**" who is one of your owners and who will assist the Principal Owner with aspects of operating the Distributorship.

It is important that your Principal Owner reviews your List of Calls to make sure that he or she is satisfied with it before you sign your Distributorship Agreement. We therefore encourage your Principal Owner to ride through your List of Calls and identify all of the shops and Potential Customers prior to signing your Distributorship Agreement. It is your responsibility to perform this due diligence. However, if you request, a Matco representative will be made available to ride with your Principal Owner to assist with this process and answer any questions that he or she might have. Before you sign your Distributorship Agreement, you will be requested to sign a List of Calls Acknowledgment (see Appendix K to this Disclosure Document) that your Principal Owner either did a ride-through of your List of Calls or chose not to do so.

In addition to the Distributorships, Matco also sells the Products through its Commercial Sales Department. The Commercial Sales Department generally sells tools to schools, companies, insurance replacement companies, government agencies, or other entities or businesses that purchase tools for their internal use. The tools are not generally the personal property of the mechanics or instructors employed by such companies. Generally, the prospective purchasers from the Commercial Sales Department are companies, insurance replacement companies, government agencies, and similar entities that may purchase tools from other national tool companies, or factory and warehouse distributors, but not from individual distributors. Matco also serves the vocational school marketplace through a direct sales program. Products are sold to technical schools or training facilities, and/or directly to the individuals attending such schools or facilities. Products sold to full-time students and schools may be discounted in order to remain competitive. Commercial sales customers also may include auto and truck dealerships that participate in dealer

equipment service or sales programs operated in conjunction with original equipment manufacturer (or “OEM”) relationships. OEM programs may include tool storage, shop equipment and other products normally purchased by the business at national account discounts. Matco may from time to time develop coupon or incentive programs with various national accounts or manufacturers. Several other tool suppliers may compete for these accounts, and pricing is very competitive and significantly below list price. This generally prevents a single Distributor from being competitive in such markets. Matco presently has a distributor commission program which permits its Distributors to join forces with Matco to assist in closing sales to accounts where a single Distributor working alone would be unable to do so. This program provides an opportunity for you to receive a commission on industrial account sales and/or vocational school sales closed by Matco, with your assistance, with a business identified on your List of Calls. Commissions will consist of a credit posted to the Distributor’s Open Purchase Account on products or services delivered to a location on the List of Calls. Commissions are not based on the Billing or Administrative Office address of the industrial account purchaser. The Distributor may be required to provide service to technicians, students or instructors, and on products delivered to the location in order to receive commissions. The actual service schedule will be determined by the business, government agency, or school during the sales process. Service requirements may include unpacking and set-up of the initial and/or on-going orders, warranty service, and/or participation in tool shows or seminars. The Commercial Sales Commission Program (which may include vocational/educational sales) may change during the term of your Distributorship. The Distributor must be registered in the system as the “servicing distributor,” and actively promote the sales, in order to receive commissions on any commercial or vocational/educational sales.

Matco offers incentives to certain qualified Distributors that have Principal Owners with experience operating as mobile tool distributors. We sometimes refer to these distributors as “**Conversion Distributors.**” Some of these incentives may include credits to a Distributor’s open purchase account to cover some of the costs of purchasing, converting or updating the mobile store, acquiring a new computer system, travel costs for training and other items. Also, these Conversion Distributors may be eligible for certain bonuses based on purchases of Products during the term of the Distributorship Agreement. Collectively, these incentives are referred to as the “**Conversion Incentive Program**” and are discussed in more detail in Items 6, 7, and 8. Otherwise, all other aspects of the Matco Distributorship opportunity discussed in this Disclosure Document are applicable to Conversion Distributors as they are to new Distributors. The elements of the Conversion Incentive Program, including the qualifications to be eligible for the programs, the initial incentives, and the performance based bonuses, may change over time at Matco’s discretion.

“225” Program

Matco has determined that there might exist certain areas or territories where Matco may not be able to identify a full complement of a minimum of 325 Potential Customers in the initial List of Calls, due to, for example, a small area with limited Potential Customers and/or great distances between various stops on a List of Calls that would make servicing such an area difficult, costly, or uneconomical. Matco has determined that it may, but is not obligated to, grant a very limited number of new and existing distributorships with an area with a limited number of List of Calls and/or a limited or reduced number of Potential Customers. Matco refers to these areas as “**225 Distributorships**” or “**225s.**” The standard form of 225 Amendment for existing Distributors is attached as Appendix L-1 to this Disclosure Document. The standard form of 225 Amendment for new Distributors is attached as Appendix L-2 to this Disclosure Document.

Matco will not grant a 225 to a Distributor unless the Distributor and Principal Owner are specifically advised of the nature and scope of the 225 opportunity and specifically requests to service the limited area. Matco began offering 225 Distributorships (on a very limited trial basis) in August 2012 and, as of December 31, 2023, there were 47 “225 Distributorships.” Matco will grant “225 Distributorships” on a

very limited basis, and solely at the request of Distributors. Most of the aspects and elements of a Distributorship will apply to a “225 Distributorship”, except that: (a) there will be a reduced number of Potential Customers on the List of Calls, with a minimum of 225 Potential Customers; (b) the required initial inventory level will be lower than standard Distributorship; and (c) the expected number of hours to service the route will be less.

Enhanced Territory Distributorship

Matco has determined that, in certain circumstances, it may be appropriate to grant to an existing Distributor an expanded List of Calls that includes more than 325 Potential Customers. Matco refers to these distributorships as “**Enhanced Territory Distributorships**” or “**ETDs**.” Matco typically only grants these ETDs to existing Distributors who seek to renew their Distributorship, such that the ETD granted to a Distributor by Matco will only be in effect during the renewal term. However, in some cases, Matco may grant an ETD to an existing Distributor at some point during an initial term. The standard forms of ETD Amendment to the Distributorship Agreement are attached as Appendix P and Appendix Q to this Disclosure Document.

Matco will not grant an ETD to a Distributor unless the Distributor and its Principal Owner is specifically advised of the nature and scope of the ETD opportunity, and the Distributor, through its Principal Owner, has specifically requested an ETD. Matco is offering the ETD on a limited, experimental basis, and may modify the terms of the ETD offering from time to time. Most of the aspects and elements of a Distributorship will apply to an ETD, except that (a) there will be a greater number of Potential Customers on the List of Calls; (b) the required initial inventory will be greater than that of a standard Matco Distributorship; and (c) the sales requirement will be higher.

Renewal Program

Matco also offers Distributors whose existing Distributorship Agreements are expiring the option to renew their relationship with Matco and continue operating their Distributorships by signing a new Distributorship Agreement and the Renewal Addendum, the current form of which is attached as Appendix N to this Disclosure Document. The Renewal Addendum amends the terms of Matco’s standard Distributorship Agreement to reflect the renewal of an ongoing relationship by, among other provisions, waiving the initial training requirement and the obligation to purchase an initial inventory of Products.

A Distributorship generally competes with mobile tool vendors who sell to professional mechanics and are associated with national tool companies other than Matco. Other sources of competition include independent mobile tool vendors who are not associated with a national tool company, local automotive tool and equipment warehouses, local automotive parts stores, local department and hardware store chains and mail order catalogs. Your List of Calls, and the Potential Customers on your List of Calls, may already be served by competitive tool vendors.

To operate the Distributorship, you and your employee(s) will have to comply with various state and local laws such as those relating to driver’s licensing, vehicle licensing, vendor licensing, and automobile insurance requirements, zoning restrictions as well as parking, vehicle weight limitations and any applicable hazardous material transportation and pollution laws. In some states, a physical examination may be required to obtain a license to drive a commercial vehicle. There may be federal license or motor carrier regulations that apply to you, and these may include compliance with drug or substance abuse testing rules. Most states require liability insurance coverage for both the driver and vehicle. Insurability and insurance rates will generally be dependent upon your past driving record. There may be other laws applicable to your business including those relating to home-based business or the credit you grant, and Matco urges you to make inquiries about these laws.

Background Checks

For Prospective Franchisees/Distributors. Matco will conduct a detailed criminal background check of all prospective Principal Owners. The prospective Principal Owner of the Distributorship must consent to the background check, or Matco will not proceed with the evaluation of the prospective Distributor's application. Matco will bear the cost of conducting the background check(s). The information in this Disclosure Document is current as of the date indicated as the Issuance Date on the cover of this Disclosure Document.

PENDING ACTIONS

A. As of March 6, 2024 except as otherwise noted, the following case(s) have been filed against (or involved cases with counterclaims alleged against) Matco and/or its current or previous affiliated companies by current or previous Matco Distributors and/or District Managers, and, in some cases, by Distributors jointly with their spouses or Business Partners. The information below also includes any individuals who are current Matco officers, directors, or employees and named as additional defendants.

William Faduie, Andrew Munger, Toby Clarkson, and Keston Lewis v. Matco Tools Corporation, Case No.: 5:23-cv-00337, U.S. District Court for the Northern District of Ohio (filed June 20, 2023). The Plaintiffs are customers of Matco's distributors who have purchased products from Matco distributors. This case arises from a data security incident on March 1, 2022, in which personal identifiable information (PII) may have been accessed or acquired by a third party, and Matco's subsequent investigation of that incident, followed by Matco's communications to potentially impacted persons such as the plaintiffs, and Matco's communications to certain government agencies as states Attorneys General. Plaintiffs filed this action on behalf of themselves, current and former employees of Matco, and other similarly situated individuals as a class action. The plaintiffs have alleged that Matco acted negligently in failing to exercise reasonable care, was unjustly enriched, and violated Section 5 of the FTC Act and the Ohio Consumer Sales Practices Act, by engaging in acts that constitute unfair practices, and/or by failing to protect PII. The plaintiffs are seeking an order certifying the class, equitable relief enjoining Matco from engaging in wrongful conduct regarding the use or misuse of PII, injunctive relief requiring Matco to implement certain actions regarding the PII and future conduct, and an award of unspecified monetary damages, attorneys' fees, and costs. All claims are currently pending. Matco intends to vigorously defend all claims in this matter.

Jim's Speed Shop v. Matco Tools Corporation, In the Magistrate Court of Gwinnett County, State of Georgia (filed December 22, 2021), Civil Action No. 21M35863; transferred to Superior Court of Gwinnett County as of October 31, 2022, Case No.: 22-A-09413-10. The Plaintiff is an automotive repair shop that purchased tools from a Matco distributor that were financed through Matco's PSA financing

program. While the products were sold by the distributor to the shop, and not sold by Matco, they were financed by Matco through their PSA financing program. The Plaintiff alleged that Matco engaged in lending fraud, and charged “excessive interest”. This matter is currently pending and in the discovery process. Matco intends to vigorously defend all claims in this matter.

Wage Law, the Fair Labor Standards Act, the Illinois Franchise Disclosure Act of 1987 and the Illinois Deceptive Trade Practices Act, as well as claims for unjust enrichment, fraud and deceit and negligent misrepresentation, arising from a business relationship between Respondents and Matco under the Matco Tools Distributorship Agreement and related agreements. Relief and/or Damages Sought: an order certifying the classes, declaratory relief, compensatory damages, PAGA civil penalties, restitution, reasonable attorneys' fees and costs and further relief as the Court deems just and proper. This case involves a franchised distributor, Mr. Fleming, who claims that, as an independent, franchised distributor operating under a Matco Distributorship Agreement, he is not an independent contractor, but an employee of Matco. Matco entered into a settlement agreement with Plaintiffs on November 19, 2021, which was granted final approval by the court on April 29, 2022. On May 27, 2022, Matco paid a total of \$13,462,174.90 in cash settlement payments and \$2,346,423.00 in debt forgiveness to members of the class.

Claims: Mr. Baggs was a customer of a Matco distributor who had purchased products from a Matco distributor, and signed typical loan or purchase money security agreements, promising to pay the amounts owed for the purchase of products. When the products were not paid for pursuant to the agreements, Matco sought collection of the debt owed. Mr. Baggs, as plaintiff, filed a class action claim against Matco for violations of the California Consumer Legal Remedies Act (Cal. Civ Code §§ 1750 *et. seq.*) and the Rosenthal Fair Debt Collection Practices Act (Cal. Civ. Code §§ 1788, *et. seq.*), arising from the purchase of Matco products from a Matco distributor. Mr. Baggs claimed that Matco's attempts to collect debts from him and other consumers for Matco tools purchased from Matco distributors were deceptive and unfair debt collection practices. Mr. Baggs and Matco entered into a settlement agreement on February 5, 2024, pursuant to which Matco will pay Mr. Baggs a total of \$5,000 in cash settlement payments. Further, the dismissal of the case is awaiting court approval, which is subject to Mr. Baggs' submission to the court explaining why the purported class will not be injured by the dismissal. Matco intends to defend vigorously any ongoing claim of class certification.

Damages Sought: \$80,312.92 plus interest plus costs & fees. On July 3, 2023, the Arbitrator issued an award of \$80,312.92 plus interest plus \$5,864.00 for reimbursed fees

previously paid by Matco, concluding this matter.

Matco Tools Corporation, a Delaware Corporation v. Anthony Craig Davis; California, In the United States Bankruptcy Court Eastern District of North Carolina New Bern Division, Chapter 7, Case No. 23-01030-5-JNC (filed July 21, 2023). Mr. Davis is a former distributor that owed money to Matco. Mr. Davis sought protection under Chapter 7 of the Bankruptcy Code. Claims: Matco filed a Proof of Claim in Anthony C. Davis’s bankruptcy case on June 14, 2023 due to Mr. Davis’s failure to pay amounts owed for goods sold and delivered to his Matco distributorship, and Matco brought an Adversary Proceeding Complaint against Mr. Davis, asserting that Mr. Davis’s post-petition actions (which included collecting money owed by customers but not paying such amount to Matco as required under Mr. Davis’s contractual agreements with Matco), should except Mr. Davis from the benefits of a bankruptcy discharge, and to recover \$5,634.00 in monies owed to Matco. Mr. Davis answered and counterclaimed against Matco alleging that Matco acted in bad faith in its business dealings and breached the distributorship agreement. Matco and Mr. Davis agreed to settle this dispute with Matco paying a \$200 mediator administrative fee should a fee be charged, Matco withdrawing its claim for \$5,634, and the bankruptcy trustee agreeing to forego pursuing claims against Matco for a return of money Mr. Davis paid Matco under the PSA contracts prior to the bankruptcy filing. The parties filed a Stipulation of Mutual Voluntary Dismissal with Prejudice with the court on February 16, 2024.

F. *Matco Post-Term Covenant Enforcement Actions.* During the fiscal year ended December 31, 2023, any claims filed by Matco against Distributors due to a Distributor’s failure to comply with the post-term covenants in the Distributorship Agreement and these matters were resolved by the end of the fiscal year, they are disclosed below.

None.

(4) BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

(5) INITIAL FEES

Initial Franchise Fee for New Distributors

When you sign the Distributorship Agreement you must pay Matco an initial franchise fee of \$10,000 (the “**Initial Franchise Fee**”). (The Initial Franchise Fee for a new “225 Distributor” will be \$7,000.) The Initial Franchise Fee must be paid in full, unless Matco agrees to finance all or a portion of the Initial Franchise Fee (see Item 10). The Initial Franchise Fee is fully-earned and non-refundable when you sign the Distributorship Agreement. However, Matco will refund the Initial Franchise Fee paid if you elect to terminate the Distributorship Agreement within the first 6 months after signing through the “Test Drive” program, which is described below.

Initial Franchise Fee for Renewing Distributors

If you are renewing your right to operate a Distributorship under a Distributorship Agreement that was signed before March 2014 (which did not have a requirement to pay a renewal fee), Matco will waive the Initial Franchise Fee, and will not charge a renewal fee. If your Distributorship Agreement was signed after

March 2014, you must pay the renewal fee set forth in your Distributorship Agreement in lieu of the Initial Franchise Fee.

Initial Inventory Purchases

In order to meet the customer service expectations associated with the Matco brand, it is important you have Product inventory available when you engage with your Potential Customers. You are required to purchase an initial inventory of Products from Matco (the “**New Distributor Starter Inventory**”) before the date your Distributorship commences operations. If you are a new Distributor, you will pay for the New Distributor Starter Inventory in a lump sum, but you will take possession of the inventory over the first few weeks of operating your Distributorship, because ordering and receiving inventory are part of our initial training program. In some instances, your initial inventory may be acquired from a predecessor Distributor.

Currently, the minimum New Distributor Starter Inventory is generally \$80,000. Regardless, your New Distributor Starter Inventory may be higher than the minimum that we designate, as discussed in the next paragraph. This amount may not be uniform for all Distributors, and Matco expects that the amount will range, generally, from \$55,500 to \$92,000 (see Item 7). In 2023, the minimum New Distributor Starter Inventory was generally \$72,000, even though the New Distributor Starter Inventory ranged from \$50,000 to \$84,000 (depending upon the inventory selected). If you qualify, all or a portion of the cost of the New Distributor Starter Inventory may be financed through Matco (see Item 10).

In addition, in response to Distributor requests to purchase more than the standard New Distributor Starter Inventory package, Matco may permit a Distributor to purchase more than the \$80,000 initial starter inventory. Some Distributors and/or some routes may benefit from, or be able to handle, a larger initial inventory. So, while Matco will not require that you or any Distributor purchase more inventory than the “starter inventory,” if you wish to purchase more, Matco will consider that request, and, based on its review, Matco may grant your request. However, Matco will most likely not sell you more than \$92,000 in initial inventory. Items 7 and 10 include disclosures and cost figures that reflect a larger initial inventory purchase, should you choose to do so.

The required initial inventory for a new 225 Distributorship will be lower than that of a standard Distributorship, depending on the number of Potential Customers in the 225 Distributor’s List of Calls. In 2023, the minimum New Distributor Starter Inventory for a new 225 Distributorship was generally \$50,000, even though the New Distributor Starter Inventory ranged from \$47,000 to \$72,000. We expect that in 2024 the minimum New Distributor Starter Inventory for a 225 Distributorship will generally be \$55,000, and the New Distributor Starter Inventory will range from \$52,000 to \$79,750.

The required initial inventory for Distributors who sign an ETD Amendment will be larger than that of a standard Distributorship (approximately \$76,590 to \$126,960 depending on the number of minimum potential customers, but generally \$110,400). By way of example only, if the List of Calls contains 450 Potential Customers, and the standard List of Calls includes 325 Potential Customers, 450 is 38% greater than 325. Consequently, the New Distributor Starter Inventory amount would be 38% greater than the standard \$80,000 New Distributor Starter Inventory requirement, or \$110,400. An existing Distributor that converts to an ETD may gradually increase its inventory to this higher initial inventory level.

“Test Drive” (Termination by Distributor During An Initial Period)

If you terminate the Distributorship Agreement for any reason within six months after the first day of the MBST program, or 30 days after you sign the Distributorship Agreement (whichever date comes first) (the “Initial Operating Period”), you and your Principal Owner must agree to not engage in or work in the mobile

tool business for two years, and you must not permit your Principal Owner or any employees to engage in or work in the mobile tool business for two years. Also, if during this Initial Operating Period you have not failed to operate the Distributorship for more than 6 “business days” in total, or more than 3 consecutive “business days,” then Matco will (a) accept for return all stocked (not special ordered) new Products and complete sets you purchased through or from Matco during that Initial Operating Period, and will credit to your open purchase account an amount equal to 100% of the purchase price you paid for the returned Products (i.e., a restocking fee will not apply assuming all conditions are satisfied) up to the amount of the New Distributor Starter Inventory (any returns above this amount will be subject to the current restocking policy); (b) provided you are actively pursuing the sale of the Matco truck, at a price no greater than its fair market value, credit your open purchase account for the lesser of (i) \$3,400, (ii) an amount equal to 8 weekly payments under your Matco Truck lease or transfer lease without any additional funds required, or (iii) the amount required to terminate the Truck lease if there are less than 8 weekly payments (and the calculation of the 8 weekly payments will commence 45 days following the signing of the joint and mutual release; and (c) refund the Initial Franchise Fee you have paid to us, less \$500, or that portion of the Initial Franchise Fee that you paid to us if Matco financed all or a portion of the Initial Franchise Fee, less \$500. You, and your Principal Owner, and Matco will sign a joint and mutual release of all claims that each of the parties and their affiliates, employees and agents (including the Principal Owner) may have against the other in such form as Matco may specify. Matco will only make the payments to you that are described under the “Test Drive” program if you and your owners and employees have complied with all post-termination obligations outlined in the Distributorship Agreement including, but not limited to, those related to confidentiality and non-competition. Regardless, you will remain liable for any indebtedness to Matco under the Distributorship Agreement or the operation of the Distributorship and any such indebtedness will be excluded from the mutual release. A “business day” is a weekday in which the shops or locations on the List of Calls are open for business, and “failed to operate” means not performing the typical route functions (such as customer visits, sales, and collection of monies owed or not promoting the System, such as not promoting Products to each Potential Customer in every List of Calls shop). The “Test Drive” option to terminate is available only to a new Distributor and Principal Owner for its and her or his first Distributorship. It is not available for additional Distributorships, for Matco Associates who purchase a franchise, for Conversion Distributors, for existing Distributors who convert to a “225 Distributor”, or for any Distributor upon a renewal, extension, or successor Distributorship Agreement.

Except as specified in the Test Drive Policy, or in Matco’s tool return policy, the cost of the New Distributor Starter Inventory is non-refundable. Currently, Matco’s tool return policy permits Distributors to return eligible products for credit, subject to a restocking fee (if applicable), during the Term of the Distributorship Agreement, or at the expiration or termination of the Distributorship Agreement. In particular, under Matco’s current tool return policy, if products are returned during the Term of the Distributorship, a Distributor will receive a credit to its Open Purchase Account that may be used for future purchases. If the Distributorship Agreement is terminated, the current policies provide that you may return certain Products to Matco in which case a credit will be applied to your account, or a refund will be paid to you. Matco may modify the tool return policy from time to time. (See Items 6 and 11 for additional discussion of the tool return policy.)

Time Payment Sales – Time Payment Reserve and Time Payment Line of Credit

“**Time Payment**” sales are a significant portion of the Completed Business (which is the revenue from sales of Products and other products) in your Matco Distributorship. Time Payment sales are credit sales made by you to your customers. When you make a Time Payment sale, you will extend personal credit to finance the customer’s purchase of Products. You establish the terms and conditions for Time Payment sales to your customers, such as down payment, repayment schedule, interest charged, credit limits, and creditworthiness. However, Matco generally recommends that you require full payment on Time Payment sales in five to nine weeks but that you do not charge interest on these Time Payment sales. As you extend

credit for Time Payment sales, you bear the risk of loss due to non-payment. Time Payment sales typically comprise a significant percentage (generally about 70%) of most Distributors' sales.

Currently, you must establish a "**Time Payment Line of Credit**" to help fund Time Payment sales if Matco finances all or a portion of your initial investment in a Distributorship. If you do not participate in one of Matco's financing programs, you must establish and deposit funds into a "**Time Payment Reserve Account**" to help fund Time Payment Sales. The Time Payment Line of Credit and Time Payment Reserve Account are described below.

Time Payment Line of Credit

As discussed above, if you qualify for and obtain financing from Matco, you must establish a Time Payment Line of Credit with Matco to fund Time Payment sales. The Time Payment Line of Credit (also referred to as "**TPLC**" or "**Time Payment LC**" or "**LC**") will be a revolving line of credit in which the Distributor may utilize up to \$22,000 (or \$28,000 if you are approved for an increased amount) to fund Time Payment Sales.

Every week you will be required to send Matco, via the MDDBS Software (defined below), at our headquarters your current Time Payment activity from your business records. Time Payment LC will be accessed automatically by Matco, on your behalf each week. The amount of credit from your Time Payment LC account will be used to pay for your Product inventory purchases. The amount of credit will be determined by calculating the net change in your time payment balances from week to week. The net change in your time payment balances, which is expressed as the retail cost of the Products sold, will be discounted by a factor to determine the approximate net cost value of the change in your time payment balances. The time payment transaction will be drawn on your Time Payment LC and will post directly on your weekly Open Purchase Account statement.

Transfers from your Time Payment LC to pay for Product purchases will occur during periods of growth of your Time Payment sales balances. The Time Payment LC will be available only during the first year of operations under the Distributorship Agreement. Also, the Time Payment LC will be capped at \$22,000 (or \$28,000 if you are approved for an increased amount).

All Time Payment LC monies will be provided at an interest rate of 5% over the Prime Rate. Matco may choose to cap the interest rate if the Prime Rate increases. The Time Payment LC will be required of all Distributors, although the amount of credit that is extended may not be uniform, and will vary from Distributor to Distributor and will vary over time. See Item 10 below for additional disclosures regarding the Time Payment LC financing.

Time Payment Reserve

If you elect not to participate in (or fail to qualify for) one of Matco's financing programs, you must deposit \$22,000 into a "Time Payment Reserve Account" held by Matco at the time you sign the Distributorship Agreement. The purpose of the Time Payment Reserve account is to provide a source of funds in addition to cash collections to assist you in maintaining your inventory at adequate levels during the early development of your Distributorship.

Every week you will be required to send Matco, via the MDDBS Software (defined below), at Matco's headquarters your current Time Payment activity from your business records.

Your Time Payment Reserve account will be accessed automatically by Matco, on your behalf each week. The amount withdrawn from your Time Payment Reserve account will be used to pay for your Product

inventory purchases. The amount withdrawn will be determined by calculating the net change in your time payment balances from week to week. The net change in your time payment balances, which is expressed as the retail cost of the Products sold, will be discounted by a factor to determine the approximate net cost value of the change in your time payment balances. The time payment transfer transaction will be drawn out of your Time Payment Reserve account and the credit will post directly on your weekly Open Purchase Account statement.

Transfers from your Time Payment Reserve account to pay for Product purchases will occur during periods of growth of your Time Payment sales balances. Matco's current policy provides that if, at the end of twelve months following your commencement of operations, there is any balance remaining in the Time Payment Reserve account, and your inventory meets or exceeds the starter inventory level, that amount will be credited by Matco to your Open Purchase Account. If your inventory level falls below that of the starter inventory, the Time Payment Reserve must be used to increase your inventory to the level of your original starter inventory. Any remaining Time Payment Reserve will be credited to your Open Purchase Account.

All Time Payment Reserve account monies on deposit with Matco will earn interest at a rate equal to the Consumer Money Market Rate as reported in *The Wall Street Journal* as of the first day of the month. At all times the money on deposit in your Time Payment Reserve account remains in your personal account to be used only as described above.

New Distributors who enter into a 225 Amendment and have qualified for Matco financing will be required to utilize the Time Payment Line of Credit as discussed above. New and existing Distributors who enter into a 225 Amendment and have obtained financing other than through Matco will have a lower time payment reserve account requirement, which will range from approximately \$14,750 to \$20,750 depending on the minimum number of Potential Customers in their 225 Amendment.

Transfers of Time Payment Accounts Receivable

If you are replacing an existing Matco Distributor who is closing or selling a Distributorship business, you may be offered the opportunity to purchase the preceding Distributor's outstanding Time Payment accounts, if any, from the List of Calls and existing customers. Under normal circumstances, Matco's policy is to recommend that you purchase the Time Payment accounts from the previous Distributor in accordance with current industry practice, which is to purchase qualified Time Payment accounts at 75% of their value. This percentage may only be exceeded with Matco's prior written approval. Matco also normally recommends that you settle the Time Payment accounts with the previous Distributor only after you have had at least 25 business days to evaluate the creditworthiness of the Time Payment accounts purchased. Upon mutual agreement of you and the previous Distributor, payment is typically affected by a transfer of funds on deposit with Matco from your Time Payment Reserve account to the previous Distributor. There may be accounts with higher balances from the previous Distributor that can be collected by you (without purchasing the accounts). The recommended policy on these higher balance time payment accounts allows you to keep 15% of the weekly collections and remit the remaining 85% to the previous Distributor via the "Collected in behalf" process in MDBS Software. This percentage may only be exceeded with Matco's prior written approval.

Computer Software License Expenses

Matco has developed computer software for the exclusive use of its Distributors. Matco's proprietary copyrighted software system, called the Matco Distributor Business System ("**MDBS Software**"), is designed to assist you in minimizing paperwork, managing your List of Calls and route, handling inventory, receivables and order processing functions, and performing other tasks relating to operating the Distributorship. To ensure performance and software compatibility, your MDBS computer and software is

restricted to your Matco business related functions. For example, to protect your computer from viruses, worms and spyware of any nature and to ensure that the MDBS Software is not compromised, your MDBS computer should not be used to browse the Internet for personal use, it should not be used for gaming, and other third-party software should not be loaded and executed on the computer. You must sign the Matco Distributor Business System Software License, Maintenance and Support Agreement (the “**Software License Agreement**”) attached to this Disclosure Document and pay Matco the initial software license fee, which is currently \$899, prior to the date you begin operating your Distributorship. As described in Item 6, there will also be an annual \$350 license fee for Credit Card Processing Software and an annual \$45 license fee for Signature Pad processing software that interfaces with the MDBS Software. The Software License Agreement is for an initial term of one year, with automatic renewals for additional one-year terms. Beginning with the second month of the Software License Agreement and each year thereafter, you will be required to pay an annual software maintenance fee, which is currently \$450 for systems meeting Matco’s required specifications. If you have a system that does not meet Matco’s required specifications, including manufacturer, model, configuration, operating system, virus protection and/or non-Matco-specified use of third-party software and Internet sites, the annual charge for systems maintenance and support will include, in addition to the \$450 fee, an annual charge of \$400 until you comply, to Matco’s satisfaction, with Matco’s required and exact PC configuration and/or removal of non-Matco specified third party software. Computer software license expenses are non-refundable, and are uniformly imposed on all Distributors.

Web Page Set-Up Fee

Matco has established a website supporting the entire system and offers you a web page (or subpage) on Matco’s Website. You are required to sign the Matco Tools Web Page Agreement (Exhibit Q to the Distributorship Agreement) and pay a one-time web page set-up fee of \$195. Under this Agreement, Matco will provide you with your own subpage on Matco’s website.

Document Processing Fee

When you elect to start a Matco franchise, Matco will prepare franchise and financial documents for you to review and execute, and, if necessary, will file applicable documents with state agencies as required. The processing/filing fees for these services will be \$99. You must pay this fee to Matco upon signing the Distributorship Agreement.

Incentive Programs

Matco currently has in place a “Building the Dream” incentive program, which includes (1) the VetFran Program and (2) the diversity award program, which are described further below.

VetFran Program

Matco participates in the VetFran Program (Veterans Transition Franchise Initiative) that was established by the International Franchise Association in cooperation with the U.S. Department of Veterans Affairs, the Veterans Corporation, and the U.S. Small Business Administration. Matco will provide to each new Distributor whose Principal Owner is an honorably-discharged veteran of the U.S. military who purchases a “standard” or “ETD” Matco Distributorship \$10,000 of hand tools (valued at list price) at no charge. An honorably-discharged veteran of the U.S. military who is the Principal Owner of a Distributor who purchases a “225” Distributorship is eligible to receive \$6,750 of hand tools (valued at list price) at no charge. Matco will require proof of eligibility from those prospective Distributors who wish to take advantage of the incentive offered under this program. This incentive may be used only once by a veteran and will not apply to additional franchises, or modifications to existing franchises or distributorships.

Diversity Award Program

Matco also has a diversity award program. The diversity award program offers candidates who self-identify as diverse the opportunity to apply for the award. The application process includes a written application, an essay, and an interview. Candidates who are selected for the diversity award will receive an \$8,000 credit to use toward the expenses they incur starting a Distributorship. This amount is currently credited to the awardee’s Open Purchase Account in two installments, as follows: \$4,000 is credited to the Open Purchase Account initially, and \$4,000 is credited to the Open Purchase Account thirty days after the initial amount is credited. This diversity award is part of Matco’s and Vontier’s commitment to inclusion, diversity and equity at work and in our communities. Matco expects to grant one diversity award each month. This incentive may be used only once and will not apply to additional franchises, or modifications to existing franchises or distributorships.

Alcohol and Drug Policies

Conducting Distributorship operations, including the operation of the Mobile Store, while impaired or under the influence of drugs or alcohol is a violation of law, potentially hazardous to the Distributor, its employees, and to the public, and impairs the Matco brand name, Marks and the goodwill associated with the Marks. Thus, the Distributor must ensure that the Distributorship is operated in compliance with all applicable laws including that the Mobile Store is not operated by anyone under the influence of alcohol or drugs.

Notes:

- (1) You are not required to pay any monthly or periodic royalty, franchise, license, advertising or other fee (except the annual software maintenance fee described below) during the term of the Distributorship Agreement.
- (2) You must purchase Products from Matco on a regular basis, in order to maintain sufficient inventory to meet your obligations and promote and sell a full line of Matco Products, and to meet the expectations and needs to existing and Potential Customers, especially in terms of product availability and timeliness of delivery. After the New Distributor Starter Inventory, you are solely responsible for determining the inventory of Products best suited to meet the needs and expectations of your customers and to meet your sales and promotional obligations under the Distributorship Agreement. As described in Item 5, new and existing Distributors who sign a 225 Amendment will have a lower New Distributor Starter Inventory level, or threshold. Also, you must maintain a minimum of a 60% ratio of a calculation of your year-to-date purchases divided by your year-to-date sales. Initially, you will be automatically enrolled in Matco's New Product Pipeline ("NPP") program, but you can unenroll at any time. Under the NPP program, whenever Matco develops or acquires a new Product, Matco will ship the new Product to you promptly upon introduction, according to the pricing "Tier" and the number of units designated by you at the time of enrollment into the NPP program. Our current plan is to send you no more than two new Products through the NPP program per month. You will be automatically enrolled in pricing Tier 1 (see below). Matco will charge your Open Purchase Account for the cost of the Product. If you do not want the Product, or cannot sell the Product, then you may return the Product to Matco within 60 days of receipt, and you will receive a credit of the full cost of the product to your Open Product Purchase Account. The returned Product must be in new condition and in its original packaging in order to qualify for full credit under the NPP program. Within the NPP program, there are three purchase level tiers based on the price of the new Product at Distributor net pricing – Tier 1 at \$75 or less, Tier 2 at

\$150 or less, and Tier 3 at \$225 or less. In addition, at the time of enrollment, you may select the number of units you would like to receive of each new Product under your selected Tier. Your participation in the NPP program is voluntary. Matco may alter or eliminate the NPP program at any time.

- (3) The computer maintenance and support charge is payable on the second month of the term of the Software License Agreement and annually thereafter upon the anniversary date of the Software License Agreement. The current annual charge is \$450, and this amount is subject to change by Matco from time to time. Matco has set specific hardware requirements in order to ensure proper functioning of the MDBS Software. The hardware specifications for the computer system are described in paragraph 4 of the Software License Agreement. As noted in Item 1, and as discussed in detail in Item 7, Matco may offer a Conversion Incentive Program to qualified Conversion Distributors. If you qualify, some of the initial incentives may reduce your first year's fees and costs for the MDBS system.
- (4) In each year of the Software License Agreement, the annual maintenance and support charge may include an additional \$400 charge if your system does not satisfy our required and exact PC manufacturer, model, configuration operating system, virus protection and/or non-Matco-specified use of third-party software and Internet sites. Software maintenance and support does not include MDBS Software support services assisting in the removal of viruses, worms or spyware of any nature. This service may be available from Matco at \$50/hour. (See Item 5 above and Paragraphs 2 and 6 of the Software License Agreement.)
- (5) If your Principal Owner elects to bring her or his Business Partner to the Matco Business System Training Program (the "**MBST Program**"), Matco will charge you a flat fee in the amount of \$295, for food, lodging, and local transportation. Matco encourages your Principal Owner to bring her or his Business Partner to Phase 1 of the New Distributorship Training Program.
- (6) Upon your request, Matco will provide Phase 1 of the MBST Program, at time and place Matco designates, to any new or replacement employee or Operator that you hire, subject to the availability of Matco's personnel. Matco will provide the MBST program for your first additional employee or replacement employee free of charge. However, for the second employee and other additional employees or Operators that you hire who will not be operating new Mobile Stores, we will charge our then-current weekly fee for the in-field portion of the MBST Program, which includes our travel, meal, lodging, and payroll expenses to send a trainer to you. Matco's current fee is \$1,500 per week, but Matco may change this amount at any time. You are responsible for your employees' and Operators' travel, meal, and lodging expenses associated with attending the MBST Program, as well as your salary and fringe benefit expenses associated with sending employees and Operators to, and attending, the MBST program. Matco will provide the Matco Business System Training Continuation Program ("**MBSCT Program**," Phase 2 of training), at the time and place Matco designates, to your Principal Owner and, if you so request, to any Operator between your 2nd and 5th month in business. Matco does not charge any fees for this training. Matco will pay for up to four nights lodging for your Principal Owner (one person) Operator at the training location, if you comply with the policies that Matco establishes from time to time regarding such travel and lodging. However, you are responsible for your Principal Owner's and Operators' other travel, meal, and lodging expenses associated with attending the MBSCT Program, as well as your salary and fringe benefit expenses associated with sending your Principal Owner and Operators to, and attending, the MBSCT program.
- (7) Matco created and maintains a Website, and offers all Distributors the opportunity to have a web page for their Distributorships on the Matco Website. The Distributor must sign Matco's "Matco

Tools Web Page Agreement” (currently attached as Exhibit Q to the Distributorship Agreement). The Web Page Agreement requires a one-time \$195 set-up fee (see Item 5 above), and an annual maintenance fee of \$195 per year. The Distributor must comply with Matco’s web page policies which can be modified at Matco’s discretion.

- (8) You must purchase comprehensive commercial general liability insurance, including products liability coverage, and vehicle liability insurance coverages, with minimum limits of each policy of at least \$2,000,000 and a maximum deductible of \$1,000. Additionally, you must purchase all risk Inland Marine coverage for full replacement value equal to the New Distributor Starter Inventory. You must also purchase “replacement cost” coverage for your Mobile Store, computer system, inventory and other items used in operating the Distributorship. Matco reserves the right to modify its insurance policies from time to time. Matco may provide or designate a specified provider of insurance, and require that you purchase the insurance from the designated provider, or utilize Matco as a conduit to purchase the insurance from the designated provider. In the alternative, Matco may also require that you obtain insurance from a provider of your choosing that meets Matco’s standards and specifications.

For distributors that participate in Matco’s financing programs, Matco’s current policy is to require that all insurance policies are purchased through the Charles L. Crane Agency or Ayers Insurance Agency. The Distributor will make an initial payment toward the insurance premiums directly to Charles L. Crane Agency or Ayers Insurance Agency (approximately 25%). Thereafter, however, Matco will act as a conduit to pay the premium payments for this insurance. You will be charged monthly for these insurance premiums through your Open Purchase Account, such that you must make periodic payments to Matco to pay the cost of the insurance. Matco may modify this policy from time to time.

Distributors who do not participate in Matco’s financing programs may obtain the required insurance from a provider of their choosing.

If Matco requires that you obtain your own insurance coverage, and you do not obtain and maintain the proper insurance coverage, Matco may purchase the required insurance on your behalf and charge your Open Purchase Account for the amount of the premium paid.

- (9) Matco’s current tool return policy (see Items 11 and 16) provides that a Distributor may return eligible tools and other inventory that the Distributor purchased from Matco for credit. Matco will charge a 15% restocking fee for many, but not all, returned products. The 15% restocking fee is based on the Distributor’s price paid for the Product at the original date of purchase (to the extent records are available). Products that are returned that are used, damaged, not in the original packaging, discontinued, special order, or high obsolescence electronic products will not be accepted for return. For items returned without the proper paperwork, the restocking fee will be 15%, plus an additional 20% of the Distributor purchase price of the Product. For warranty items that are returned for repair, there is no restocking fee (except if the products are returned without the proper paperwork or shipping documents, Matco will charge a fee equal to 20% of the Distributor purchase price of the product). The restocking fees will be charged to the Distributor’s Open Purchase Account.
- (10) As a Distributor, you and your Principal Owner (and, in some cases, an Operator) must perform certain warranty service functions in the field at the customer’s place of business. These “in the field” services include the repair of ratchets and toolboxes. For ratchet warranty repairs, you must purchase ratchet repair kits, at a cost of \$10 to \$40 per kit (but most kits are \$10 per kit). You must return the defective part to Matco, and pay the shipping/freight charges. Matco will credit the cost

of the ratchet warranty repair kit upon return of the defective parts to Matco. Matco includes ratchet warranty repair instructions on its website for Distributors. (See also Item 11 below for a discussion of in the field warranty repairs and Item 16 for additional information about the warranty program.)

- (11) You must pay a Successor Distributorship Fee equal to 50% of Matco's then-current Initial Franchise Fee if you choose to reacquire your Distributorship for an additional 10-year period. If you are renewing a "225 Distributorship," the Successor Distributorship Fee will be 50% of Matco's then-current initial franchise fee for "225 Distributorships."

Each fee is imposed by and payable to Matco, and are uniformly imposed on all Distributors (unless otherwise noted). All fees are nonrefundable. However, the Product inventory that you are required to purchase on a weekly basis is resalable.

Matco does not have advertising cooperatives.

Notes:

Payments are not refundable unless otherwise noted.

- (1) As discussed in Item 5, the Initial Franchise Fee is \$10,000. The Initial Fee must be paid in full, unless Matco agrees to finance all or a portion of the Initial Fee (see Item 10). The Initial Franchise Fee is fully-earned and non-refundable when you sign the Distributorship Agreement. However, Matco will refund the Initial Franchise Fee paid if you elect to terminate the Distributorship Agreement within 6 months after signing if you comply with all post-term obligations, as described in Item 5. For a new “225 Distributor,” the Initial Franchise Fee will be \$7,000. If you are renewing your right to operate a Distributorship under a Distributorship Agreement that was signed before March 2014 (which did not have a requirement to pay a renewal fee), Matco will waive the Initial Franchise Fee, and will not charge a renewal fee. If your Distributorship Agreement was signed after March 2014, you must pay the renewal fee set forth in your Distributorship Agreement in lieu of the Initial Franchise Fee.
- (2) Your initial inventory will cost between \$55,500 and \$92,000 (or between \$52,000 to \$79,750 if Matco grants you a 225 Amendment). The current Distributor Starter Inventory is generally \$80,000 (or \$55,500 for a 225 Amendment Distributor), but as discussed in Item 5, we may permit some Distributors to purchase up to \$92,000 of initial inventory. This amount also may increase periodically due to various factors such as the cost of goods, the product mix, and/or the introduction of new tools (see Item 10). You will pay for this initial inventory in a lump sum, but you will take possession of the inventory over the course of the first few weeks of operating your Distributorship, because ordering and receiving inventory are part of our initial training program. If you qualify, Matco may finance up to \$102,000 of your initial investment with no down payment, which will consist of up to \$92,000 in financing which must be applied towards your Distributor Starter Inventory and up to \$10,000 in financing which must be applied towards the initial franchise fee. In addition, we will provide up to \$22,000 in financing to be applied towards your Time Payment Line of Credit (or \$28,000 if you are approved for an increased amount). You must maintain or exceed this Time Payment amount during the term of your Distributorship. Matco’s interest rate, which ranges from Prime Rate plus 4% up to Prime Rate plus 6%, will be based on your Principal Owner’s credit score at the time you submit your Application. Matco may also consider additional factors, such as the amount financed over/under the starter inventory (\$80,000 to \$92,000), in determining your final interest rate. This factor, or others, could cause your interest rate to be lower or higher than the rate that is based solely on your Principal Owner’s credit score, with a variation of plus or minus 2%. Assuming a principal amount of \$90,000 (which is based on the standard \$80,000 Distributor Starter Inventory package and a \$10,000 initial franchise fee) at an annual percentage rate of 12.5% (Prime Rate plus 4%), weekly payments of \$308.41 would be made over a 120-month term. With an annual percentage rate of 14.5% (Prime Rate plus 6%), weekly payments of \$334.29 would be made over a 120-month term. (See Note 2 and Item 10.) If your initial inventory purchase is larger (up to \$92,000) these weekly payments will be different.

In addition, if you qualify, and if you are receiving all or some of the capital for your franchise purchase from a 401(k)/IRA rollover funding through a program administered by a third party, Matco may provide a bridge loan for a portion of the funds, for up to 90 days. See Item 10 for more details regarding the financing options that may be available from Matco.

All products are subject to the tool return policy that is then in effect if you return the products. (See Items 5, 6, 11 and 16 for additional discussion of the tool return and warranty policies.)

In certain situations, Matco may also finance a portion of your initial purchase of inventory in excess of the estimated, or generally expected, levels of inventory. However, your additional purchases of initial inventory may exceed the amount Matco will finance toward your initial investment.

If you are a renewing Distributor, you will not be required to purchase a new initial inventory of Products. You must maintain the level of inventory specified in your renewal Distributorship Agreement.

- (3)
 - (a) As noted in Item 5, if your initial investment is not financed by Matco, you will be required to deposit \$22,000 in a Time Payment Reserve account. See also Item 10 below.
 - (b) As discussed in Item 5 and Item 10, Time Payment sales will be funded through a Time Payment Line of Credit (or TPLC), which is financed by Matco. You, as a Distributor, will likely use a portion of the \$22,000 (or \$28,000 if you are approved for an increased amount)) revolving Time Payment LC. We estimate that during the first three months of operation you will utilize approximately \$4,700 to \$9,325 of the Time Payment LC. (See Item 5 and Item 10 for details regarding the Time Payment LC.)
- (4) The Mobile Store is the required vehicle, or truck, that your Principal Owner (and, in some cases, an Operator) will use to visit customers, stock inventory, and sell products. The lower range of the estimated cost is an amount equal to one and a half monthly lease payments of \$1,901 (although payments are made weekly) and down payment of \$465 on a used Mobile Store. The higher range of the estimated cost is an amount equal to the full cash purchase price of a new Mobile Store. (This does not include additional options, applicable federal and state excise, sales, or other taxes and licenses, which will vary from state to state.) We estimate that the average initial costs for the required Mobile Store will reflect a lease of a new Mobile Store, with a down payment of \$5,215 to \$5,525 and 6 weekly payments of \$555 to \$634 each for an average cost of \$3,330 to \$3,804 (plus the down payment). (A Distributor that qualifies for, and obtains, the supplemental financing described in Item 10 must obtain, by lease or purchase, a new Mobile Store.) The cost estimates are included for Distributorships in the continental United States. We expect that the costs will be higher for Distributorships in Alaska, Hawaii, and Puerto Rico due to transportation expenses and other costs that might be associated with transporting specially equipped vehicles to these types of distant locations. The Mobile Store must be equipped and used solely for operating the Distributorship, and must meet Matco's specifications and requirements to display your Product inventory and to provide on-site sales and service to your customers. If you wish to change Mobile Stores during the term of your Distributorship Agreement, you must obtain prior written authorization from Matco's Director, Franchise Development & Compliance before doing so.
- (5) You are required to purchase or lease a new (not previously owned or refurbished) personal computer (a "laptop") as specified by Matco. Matco will provide you with its specifications for hardware (such as the operating system, hard drive size, memory, maintenance/warranty, printers, etc.) Matco-specified barcode reading and label printing equipment, Signature Pad, and Matco

specified credit card swipe device. You will be responsible for acquiring and maintaining access to the Internet through a high-speed Internet Service Provider in order to communicate with Matco. Cable or DSL connections are preferred. In addition, you will be required to purchase a cellular communications card and service in order to connect to the Internet while on your route. The hardware specifications for the computer system will be revised from time to time. Matco establishes specific hardware standards solely for the purpose of optimum MDBS software performance. The current list is specified in paragraph 4 of the Software License Agreement. We have negotiated a package price for the computer hardware and peripherals from the manufacturer, but you may purchase the products from any supplier. The figures in the chart reflect the package price for the computer hardware. You may be able to lease the equipment, but we are not aware of specific leasing prices and/or terms.

You will be responsible for acquiring and maintaining the computer hardware and manufacturer's operating system software required to execute the MDBS Software. You will also be responsible for acquiring and maintaining anti-virus software on your computer in order to keep the system secure. In addition, you will be solely responsible for complying with any and all policies surrounding credit card processing compliance (PCI) and personally identifiable information (PII). You and not Matco will be solely responsible for any breach of customer credit card data, customer personally identifiable information or your credit card merchant account.

- (6) You must sign the Software License Agreement and pay the specified initial software license fee for the MDBS Software which is currently \$899, the \$350 annual fee for the credit card processing software, and the \$45 annual fee for the Signature Pad software, as well as the specified annual fee of \$450 for the Systems Maintenance and Support upon the second month of the Software License Agreement (see Items 5, 6 and 11). In addition, if you attend training and your computer does not meet Matco's previously published standards, you may be charged an additional fee of \$400, which will be assessed annually thereafter until your computer meets Matco's published compliance standards. These charges may apply if the computer system or configuration does not comply in its entirety with our specifications, and/or the equipment required for Matco Business System Training Program is not received at Matco one week before the training class starts, and/or the Matco MDBS staff are required to assist in the purchase, shipping, verification or additional computer setup or configuration. Additionally, as noted in Item 8 below, Matco requires that you subscribe to an Internet service provider and/or cellular service provider. Currently, the cost for such service, depending upon the provider and the level of service, ranges from \$80/month to \$200/month, and may vary greatly in different areas. The chart includes an estimate for 3 months of service, which includes cellular service. Additionally, the estimated range of costs as noted includes the one-time web page set-up fee of \$195 (see Item 5). However, not included in this chart, is the annual maintenance fee of \$195 as specified by the Web Page Agreement for your web page on the Matco Website (see Item 6).
- (7) You must purchase comprehensive commercial general liability insurance, including products liability coverage, and vehicle liability insurance coverages, with minimum limits of each policy of at least \$2,000,000 and a maximum deductible of \$1,000. Additionally, you must purchase all risk Inland Marine coverage for full replacement value equal to the New Distributor Starter Inventory. You must also purchase "replacement cost" coverage for your Mobile Store, computer system, inventory and other items used in operating the Distributorship.

Matco reserves the right to modify its insurance policies from time to time. Matco may provide or designate a specified provider of insurance, and require that you purchase the insurance from the designated provider, or utilize Matco as a conduit to purchase the insurance from the designated

provider. In the alternative, Matco may also require that you obtain insurance from a provider of your choosing that meets Matco's standards and specifications.

For distributors that participate in Matco's financing programs, Matco's current policy is to require that all insurance policies are purchased through the Charles L. Crane Agency or Ayers Insurance Agency. The Distributor will make an initial payment toward the insurance premiums directly to Charles L. Crane Agency or Ayers Insurance Agency (approximately 25%). Thereafter, however, Matco will act as a conduit to pay the premium payments for this insurance. You will be charged monthly for these insurance premiums through your Open Purchase Account, such that you must make periodic payments to Matco to pay the cost of the insurance. Matco may modify this policy from time to time. Distributors who do not participate in Matco's financing programs may obtain the required insurance from a provider of their choosing.

All insurance policies must (a) designate Matco as an additional named insured; (b) provide that Matco receive a copy of all notices of cancellation, nonrenewal, or coverage change at least 30 days prior to the effective date; (c) require the insurer to provide and pay for legal counsel to defend any claims or actions brought against you or Matco; and (d) properly name the Distributor as the insured. The Inland Marine policy must reflect Matco as the Lender's Loss Payable, as their interests may appear. The "Lender's Loss Payable" clause must provide, at a minimum, that any loss will be payable to the insured and Matco as the loss payee described on the schedule and that the insurance for the loss payee continues in effect even when the insured's insurance may be void because of the insured's acts, neglect, or failure to comply with the coverage terms. Insurance costs are highly dependent on the geographical location of your business, the dollar amount of your inventory, the type of Mobile Store you own and other factors. If Matco requires that you obtain your own insurance, you must provide a certificate of insurance to Matco showing compliance with Matco's insurance requirements upon the initial purchase and upon the annual renewal of the policies. If Matco requires that you obtain your own insurance coverage, and you do not obtain and maintain the proper insurance coverage, Matco may purchase the required insurance on your behalf and charge your Open Purchase Account for the amount of the premium paid, as described in Item 6.

- (8) Travel expenses include the estimated cost of travel for your Principal Owner and any other attendees to and from the location of the initial training program and your home, and the cost of travel to the dealership to take delivery of your Mobile Store and to drive it home. The actual cost of travel will depend on your Principal Owner's home location, your Principal Owner's mode of travel and whether your Principal Owner's Business Partner accompanies her or him to training. Travel to and from the airport for scheduled arrivals and departures, and daily travel to and from Matco's headquarters, is provided to your Principal Owner and any Operator at no charge. (Unscheduled arrivals from the airport to the lodging facility will be at your expense.) Matco has negotiated lodging and meal accommodations at the initial training program. The cost of the room and meals will be billed directly to your Open Purchase Account. Lodging is located near Matco's headquarters, Cleveland Hopkins International Airport, and/or Akron-Canton Regional Airport. Lunches will be catered during actual training sessions at a cost not to exceed \$12 per day, which will be billed to your Open Purchase Account at the conclusion of the initial training program. However, you will be solely responsible for dinners. (The figure in the chart for the high end of the range includes the \$295 fee for your Principal Owner's Business Partner.) Other expenses that you may incur, which are not included in the estimated cost, may include telecommunication charges, entertainment, alcoholic beverages, or rental car expense
- (9) Professional services may include those provided directly to you for accounting, legal, and other consulting services. The employment of these services is at your discretion and fees will vary based

on type of service, amount of service, and who provides the service. For instance, you are required to own and operate your Distributorship as an entity, and we recommend that you engage an attorney to assist you with formation of the entity. The high end of the range indicated in the chart above contemplates that you will engage an attorney to assist you with forming an entity. But, you are not required to do so. In addition, you are encouraged to obtain the guidance and assistance of a lawyer and/or accountant prior to signing the Distributorship Agreement. You also may require the assistance of those professionals during the early phases of operating your Distributorship.

- (10) The costs for initial fixtures, supplies, and licenses will vary by the specific requirements of each Distributor and the requirements of the local laws in which business will be conducted. Supplies include items such as Matco-branded attire, business forms, stationery, business cards, catalogs, promotional literature and sales materials. Licenses typically include general business licenses required by cities and localities in which you will do business. To operate your Distributorship as an entity, we estimate that the state filing fees and other related will cost approximately \$150 to \$2,000, which is reflected in the range that is shown in the table.
- (11) Your requirement for additional funds will vary. You will require an amount of initial capital at the time of start-up and will need working funds throughout the operation of your business. During training and before your Distributorship commences operations, you will not be earning income from the Distributorship. In addition, during the initial start-up period of the Distributorship, cash flow may be insufficient to allow your Principal Owner to draw a salary or cover her or his personal living expenses. The estimated additional funds will help finance business expenses (e.g., Mobile Store operating expenses, freight (including packaging and shipping warranty and overstock items to Matco as well as shipping for certain items from Matco), loan payments, cell phone, and bad debt on receivables) during start-up and during periods in which collections from customers are not adequate. This amount represents Matco's estimate of the costs associated with the first three months of operating your Distributorship and is based on Matco's working knowledge of the operating experiences of its existing Distributors. The estimated additional funds do not include any salary or draw for your Principal Owner to pay personal living expenses. Since the cost of personal living expenses varies greatly among Principal Owners, Matco does not include those expenses in its estimates for your initial investment. As part of your financial planning, you must take your personal living expenses into account during periods of insufficient cash flow.
- (12) You must have funds committed for the start-up period of the Distributorship, including, but not limited to, the expenditures associated with initial fixtures, supplies, and licenses, prior to and as a pre-condition to commencing operation of the Distributorship. We reserve the right to require that certain Matco-financed distributors pay to Matco an amount, determined by Matco, that will be designated as a reserve and set aside for payment of a portion of these initial costs and expenses (the "**Initial Investment Reserve**"). The amount of the initial costs and expenses that the Distributor incurs in connection with commencing operations and operating during the start-up period of the Distributorship will exceed the Initial Investment Reserve, and the Initial Investment Reserve is intended only to offset these initial expenditures.

Matco will maintain the Initial Investment Reserve in an account. The Initial Investment Reserve will not be held in a trust or escrow account and Matco has no fiduciary obligation to distributors respecting the Initial Investment Reserve. Matco may commingle the Distributor's Initial Investment Reserve with other monies, including similar funds and monies held for other distributors. Matco has no obligation to keep the Initial Investment Reserve separate from any revenues or other amounts it receives.

Matco will disburse the Initial Investment Reserve to the Distributor at a time determined by Matco so that the Distributor may make payments to third parties, which will typically be approximately two months after the effective date of the Distributorship Agreement. If you are designated by Matco to pay an Initial Investment Reserve, Matco will notify you, prior to signing the Distributorship Agreement, of this requirement, and Matco will only seek to collect the Initial Investment Reserve with your knowledge and consent. Matco may appoint a designee to collect, maintain, and/or disburse the Distributor's Initial Investment Reserve.

- (13) Matco recommends that all prospective distributors conduct a thorough evaluation of the Matco Distributorship business, including developing estimates for revenues, costs, and expenses (in addition to individual, personal, family, and household costs and expenses, such as mortgage or rent, car payments, and other aspects of a family budget). To assist with that evaluation of business expenses, Matco has included, as Appendix R to this Disclosure Document, a "Distributor Expense Worksheet." As you will see, many of the expense items in the Worksheet identify initial investment expense line items from Item 7. You are not required to use the Worksheet. But if you do, please review the notes and explanations, and remember that the Worksheet is for you, your advisor, and your calculations, and Matco will not assist you in completing it nor provide any figures for you.
- (14) Conversion Incentive Program. As discussed in Item 1, Matco may offer to qualified Conversion Distributors certain incentives to become a Matco Distributor. One component of the incentive may provide funding for a portion of some of the Conversion Distributors' initial costs. These incentives may include payments for, or reduced costs for, one or more of the following: updating an existing mobile store, or purchasing or leasing a new Matco Mobile Store; the Matco-approved new computer system; MDBS; Matco-branded attire; business cards and related promotional materials; and transportation and any other costs related to MBST training in Stow, Ohio.

This component of the incentive, if offered, may total between \$7,000 and \$9,650 and will reduce your initial start-up costs. If Matco provides these incentives, they will be a credit to your Open Purchase Account. But if you leave the system, or are terminated, within the first 24 months of operations, these amounts will be charged back to your Open Purchase Account, and you will be required to pay this amount when settling and closing out your Open Purchase Account.

(8) RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

It is critical that the Products sold by Matco Distributors meet the high quality and performance expectations associated with the Matco brand in the marketplace. You must not sell, offer for sale or distribute Products and other merchandise not purchased from Matco (or other designated suppliers) or approved by Matco or its affiliates except for items that are traded-in by your customers. To the extent you wish to sell, offer for sale or distribute other products which you contend are ancillary to your Distributorship business, which are not competitive with any of the Matco Products, and do not diminish in any way Matco's reputation or good will (for example, hazardous materials or pornographic materials) you may request Matco's approval, by submitting to Matco, in writing, a description of those products with an explanation for why they are ancillary to the Distributorship business and are not competitive with existing Matco Products. You must not sell, offer for sale or distribute any such products without Matco's prior written consent and you must discontinue the offer, sale, or distribution of any unapproved products immediately upon notice from Matco.

Currently, Matco is the only approved supplier of Products. Matco imposes this requirement because we want all Mobile Stores to carry substantially the same type of items, to ensure Products associated with the Matco brand meet marketplace expectations for quality and performance, and want you to concentrate your efforts on selling Products to your customers and collecting money from your customers instead of sourcing

merchandise. Most of the Products purchased from Matco are resalable items, such as mechanics tools, diagnostic products, and other items used by mechanics. Several categories of non-resalable items include promotional products, demonstration tools, and some apparel.

a. The Products are sold to you at a discount from recommended list price. The discounts from the recommended list price vary from Product to Product, and may vary throughout the year based on special incentives or other promotions. The weighted average discount for all Products prior to additional promotions and other discounts is currently approximately 35%. The weighted average discount reflects the total of all items sold by Matco as well as the varying discounts from list price for different items.

b. Volume Payment to Terms (“VPTT”) Bonus. If a Distributor pays Matco for Products within 14 days of the Matco invoice on a consistent basis, the Distributor will receive a rebate. The Volume Payment to Terms Bonus is that rebate. The rebate is based on the Distributor’s 6-week purchase average, and the rebate ranges from 2% to 5.25%. The average VPTT earned in 2023 was 3.1% of mobile sales. Matco may limit your VPTT Bonus for products you pay for within 7 days of the receipt of the invoice if: (i) you are not compliant with the standards or requirements under the Distributorship Agreement or Manuals; or (ii) your purchases are not at least equal to 80% of the weekly National Distributor Purchase Average (“NDPA”) or 80% of the weekly District Distributor Purchase Average (“DDPA”), whichever is lower, based on your rolling 12 month average, or, if you have been operating your Distributorship for less than a year, your year-to-date purchase average.

The purchase of initial inventory from Matco constitutes a range of approximately 23% to 65% of the cost of establishing the Distributorship. Purchases of the Products throughout the term of the Distributorship will constitute approximately 61% of the annual cost of operating the Distributorship.

Matco will derive income from the sale of the Products by charging you wholesale prices that exceed Matco’s costs of supplying the Products, or from the collection of fees derived from the sale of Products in the Matco+™ Program (a program where Matco uses third party sourcing for Products that are very limited in the System). In the fiscal year ended December 31, 2023, Matco’s total revenue from the sale of Products to its franchise distributors was \$551,230,000 or 85.6% of Matco’s total revenue of \$643,862,000 as reflected in Matco’s unaudited financial statements.

Our District Managers, who work with Distributors in their areas, districts or region, may receive a portion of their compensation based on the net sales of products sold by Matco to the Distributors in the District Manager’s district.

You are required to license, install, and utilize the MDDBS Software (as described in Items 6 and 7 of this Disclosure Document) in your business. The software license fee amount is income to Matco, and constitutes less than 1% of the cost of establishing the Distributorship, and less than 1% of the ongoing cost of operating the Distributorship. In the fiscal year ended December 31, 2023, Matco’s total revenue from software license fees and software maintenance charges received from its distributors was \$1,157,856 or approximately 0.2% of Matco’s total revenue.

As discussed in Item 5, when you sign the Distributorship Agreement, you must also sign the Matco Web Page Agreement, which permits you to establish a subpage on Matco’s website. You must pay Matco a one-time web page set-up fee of \$195. If you continue to utilize a subpage, and neither we nor you cancel the Web Page Agreement, you must pay Matco an annual \$195 maintenance fee. In fiscal year 2023, Matco received \$306,150 in web page fees (initial and maintenance fees) from franchisees. This amount was less than 0.1% of Matco’s total revenue.

Matco also requires during the term of your franchise that you subscribe, at your expense, to a reliable high-speed Internet service provider (cable, DSL or high-speed cellular) or other electronic communications provider or service and maintain an active e-mail account. In addition, you are required to subscribe to a cellular Internet service provider in order to connect to the Internet while your Principal Owner or other employee is traveling along your route. Both the service and provider may be designated by Matco. Matco makes or plans to make information available to you on the Internet at Matco's expense. Also, Matco may require that any and all communications between you (including your Principal Owner) and Matco be made through the Internet or such other electronic medium as Matco may designate. You and your Principal Owner will be required to access the Internet or other electronic information on a regular basis to obtain full benefit of the System. Many documents, such as weekly statements, will be delivered via e-mail. You must immediately notify Matco's customer service department of any change to your Principal Owner's e-mail address. Matco is not liable for any damage to you including lost profits, delayed orders or the like which are the result of any outage or delay related to electronic transmission of information, whether by the Internet or otherwise.

Matco reserves the right to modify its insurance policies from time to time. Matco may provide or designate a specified provider of insurance, and require that you purchase the insurance from the designated provider, or utilize Matco as a conduit to pay the premium payments for the insurance from the designated provider. In the alternative, Matco may also require that you obtain insurance from a provider of your choosing that meets Matco's standards and specifications. For distributors that participate in Matco's financing programs, Matco's current policy is to require that all insurance policies are purchased through the Charles L. Crane Agency or Ayers Insurance Agency. The Distributor will make an initial payment toward the insurance premiums directly to Charles L. Crane Agency or Ayers Insurance Agency (approximately 25%). Thereafter, however, Matco will act as a conduit to pay the premium payments for this insurance. You will be charged monthly for these insurance premiums through your Open Purchase Account, such that you must make periodic payments to Matco to pay the cost of the insurance. Matco may modify this policy from time to time. Distributors who do not participate in Matco's financing programs may obtain the required insurance from a provider of their choosing.

You must purchase or lease certain equipment, payment processing services, and supplies (including, for example, business cards and stationery) that meet Matco's specifications. You must purchase or lease a vehicle (referred to as the "**Mobile Store**") and computer hardware which meet Matco's specifications and you must carry minimum insurance coverages on these and other items (as described in Item 7). (A Distributor that qualifies for, and obtains, supplemental financing (as described in Item 10) must obtain a new Mobile Store.) You must at all times maintain credit-card relationships with the credit- and debit-card issuers or sponsors, check or credit verification services, financial-center services, and electronic funds transfer systems that Matco designates as mandatory, and may not use any services or providers of these services which Matco has not approved in writing. Matco may modify Matco's requirements relating to methods of payment and vendors for processing payments at Matco's option. You are responsible for and must periodically upgrade your MDBS System and related software, at your expense, to comply with Payment Card Industry Data Security Standards and any other applicable laws relating to payment processing and data privacy.

Matco's specifications for the vehicle, computer hardware and other equipment, payment processing services, and supplies are based on Matco's prior experience, requirements relating to the operation of the Distributorship, the supplier's ability to deliver, service, and support the items, and quality and uniformity considerations. Catalogs, promotional literature, and other sales materials used in the operation of your Distributorship must comply with Matco's standards, and may either be purchased from Matco or from other sources who meet Matco's standards. Upon request, you can receive from Matco a written listing of its specifications and standards for equipment, services, and supplies after you sign the Distributorship Agreement, to the extent the specifications and standards have been developed. Matco will update the

specifications and standards from time to time in writing as may be required to respond to requirements for operating the Distributorships. While Matco does not have a formal process for evaluating suppliers, and does not generally charge fees to suppliers seeking to obtain approval, Matco approves suppliers based upon their ability to satisfy, in Matco's reasonable judgment, the specifications and standards for equipment and supplies. In some cases, approved suppliers may pay Matco a periodic fee or a fee based on sales to Distributors. In addition, occasionally one or more approved suppliers may make payments to Matco (not based on sales to Distributors) which Matco has used for promotional and brand development purposes, although this practice is subject to change in the future. Matco reserves the right to obtain rebates, commissions, allowances, and other benefits and retain and use them for any purposes in its sole discretion. In 2023, Matco received fees from suppliers in the amount of \$1,802,684.13. Also, the figures in this Item 8 do not include any amounts treated as a pass-through, rebate, or other payment that was distributed back to the Distributors. Matco does not generally negotiate purchase agreements with suppliers, but it reserves the right to do so. Matco has not established purchasing or distribution cooperatives.

Matco also offers gift cards and electronic stored value cards ("**gift cards**") with which Potential Customers may purchase Products. Our current policy is that Distributors are not required to accept Matco gift cards, but you are encouraged to do so. If you accept Matco gift cards as payment for Products, Matco will redeem (that is, reimburse you for) those gift card purchases at 90% of the price at which you sold the Products.

You are not required to purchase or lease any goods, services, supplies, fixtures, equipment, inventory, or real estate relating to the establishment or operation of the Distributorship from Matco or from suppliers designated by Matco, except for the following (a) the Products, the MDBS Software, and the web pages, for which Matco is the approved supplier; (b) the vehicle, where suppliers are designated, and for which there are currently only two recommended suppliers; (c) insurance, for which Matco currently designates one supplier; (d) computer hardware equipment for the purpose of optimum operation, performance and support of the MDBS Software; and (e) certain credit card and payment services and vendors.

Matco does not provide material benefits to a Distributor (for example, renewal or extension of the term, or granting additional franchises) based on a Distributor's purchase of particular products or services or the use of particular suppliers. However, each Distributor must:

a. At all times maintain a minimum inventory of Products sufficient to meet your obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of your existing and potential Customers, especially in terms of product availability and timeliness of delivery.

b. Use your best efforts and actively market, promote, and sell Products to Potential Customers on the List of Calls. To be deemed to be meeting its marketing, promotion and sales obligations, you should be selling, on average on a weekly basis, Products in an amount that meets or exceeds (i) 80% of the "District Distributor Sales Average" (or "**DDSA**") for the Distributor's district, whichever is lower, based on the Distributor's 12 month rolling average, or, if the Distributor has been operating the Distributorship for less than 12 months, based on the Distributor's year-to-date average. The sales averages will be based on the sales of all Products from the Distributorship, as reported by the Distributor through the Matco Distributorship Business System, or the then-current required reporting system. The NDSA is determined by dividing the total number of active Matco distributors in the United States for any given weekly period during a calendar year into the year-to-date total dollar amount of qualifying Products sold by the Distributors. The DDSA is calculated in a similar manner as the NDSA, except the comparison group includes only Distributors in your district. Distributors who sign a 225 Amendment must comply with a minimum sales requirement which is proportional to the reduced number of Potential Customers in the List of Calls. See Item 12 for a description of this reduced, proportional sales requirement.

c. Maintain a minimum of a 60% ratio of a calculation of the Distributor's year-to-date purchases divided by the Distributor's year-to-date sales.

None of our officers owns an interest in any companies that are vendors or suppliers to the Matco Distributors.

Conversion Incentive Program: As discussed in Item 1 and Item 7, Matco will offer to qualified Conversion Distributors certain incentives to become a Matco Distributor. Item 7 discussed the incentives related to the initial costs related to becoming a Matco Distributor. The Conversion Program may also include bonuses based on Product purchases during the Term of the Distributorship Agreement. If you are a qualified Conversion Distributor, you may be eligible for quarterly performance-based bonuses or incentives during the initial term of the Distributorship Agreement. The bonuses, if any, may be based on purchases of Product from Matco.

(10) FINANCING

Matco offers a number of financing services or programs to its Distributors, and they are summarized below and in the table that follows. There are six inventory financing programs, and one other financing program, that may be offered by Matco, to qualified Distributors:

1. The first type of financing is the standard Matco financing program (“**Standard Initial Financing Program**”) that covers the initial inventory and Initial Franchise Fee. This will generally be

financing for \$90,000 and up to \$102,000. If you qualify for and elect to participate in either Supplemental Financing A or B, Matco will only finance up to \$90,000 under this standard financing program.

2. The second type of financing is another Matco financing program that covers the initial inventory and Initial Franchise Fee, but includes a “balloon” payment at the end of the term (“**Alternate Initial Financing Program (with Balloon Payment)**”). This will generally be financing for \$90,000 and up to \$102,000. Neither Supplemental Financing A or B is available under the Alternate Initial Financing Program (with Balloon Payment).

3. The third type of financing (“**Supplemental Financing ‘A’**”) is for Distributors that meet Matco’s net worth and other financial requirements, (which may include the Principal Owner’s net worth and other qualifications), but may have little or no access to start-up capital. If Matco determines that there are other factors that might justify extending credit for this situation, Matco may provide additional financing up to \$33,000, which may include the Mobile Store security deposit and three months of lease payments (for a new Mobile Store), the computer hardware, three months of additional funds, and other start-up expenses. The interest rate for this financing is likely to be higher than the interest rate for the standard Matco financing program (to reflect, among other things, the higher risk).

4. The fourth type of financing (“**Supplemental Financing ‘B’**”) is for Distributors who do not meet Matco’s net worth requirements (which may include the Principal Owner’s net worth and other qualifications), have little or no access to start-up capital, and have little or no credit history. If Matco determines that there are other factors that might justify extending credit in this situation, Matco may finance up to an additional \$33,000, which may include the Mobile Store security deposit and three months of lease payments (for a new Mobile Store), the computer hardware, three months of additional funds, and other start-up expenses. The interest rate for this financing is likely to be higher than the interest rate for the standard Matco financing program (to reflect, among other things, the higher risk).

5. The fifth type of financing is for Open Account Product Purchases, which is ongoing financing of inventory purchased on an open account as a revolving line of credit.

6. The sixth type of financing is the Time Payment Line of Credit (or “**TPLC**” or “**Time Payment LC**”). As described in Item 5, new Matco Distributors must fund Time Payment sales through a Time Payment Line of Credit (or TPLC), Matco will provide a line of credit to fund your inventory purchases following your Time Payment sales. The Time Payment LC will be a revolving line of credit. That is, when you collect money on the Time Payment sales and pay that to Matco, you will pay down your line of credit. Distributors can access this TPLC account until the end of the first year of operation, or when the account reaches \$22,000 (or \$28,000 if you are approved for an increased amount), whichever occurs first.

7. The seventh type of financing is “**Inventory Plus**” financing. This financing program is for qualified Distributors who seek an additional loan to cover or offset certain approved expenditures including a computer, MDBS fees (software, maintenance/support, and web setup), other miscellaneous fees (document preparation and filing, credit card software, and signature pad setup), and lodging and meals during training. The maximum amount of Inventory Plus financing is \$6,000, and this amount will be credited to the Distributor’s Open Purchase Account. Only Distributors who are participating in the Standard Initial Financing Program may be eligible for Inventory Plus financing. Distributors who purchase ETDs or 225s are not eligible for Inventory Plus financing. Distributors who obtain financing through Supplemental Financing “A” or Supplemental Financing “B” are not eligible for Inventory Plus financing.

8. The eighth type of financing is a bridge loan in situations in which a Principal Owner is obtaining 401(k)/IRA rollover funds through a program that is administered and facilitated by a third party.

This is a short term loan from Matco to the Distributor during the period when the Distributor is waiting for the disbursement of the Principal Owner’s 401(k)/IRA rollover funds which will be used for payment of the investment in the Matco Distributorship.

9. The ninth type of financing may be used toward upgrades to a Distributor’s Mobile Store that a Distributor chooses to make when the Distributor renews an existing Distributorship Agreement (“**Mobile Store Upgrade Financing Program**”). Generally, between \$5,000 and \$20,000 in financing is available to qualified renewing Distributors through the Mobile Store Upgrade Financing Program.

In evaluating an application for any of the financing programs described in this Item 10 by the Distributor, Matco and its affiliates may consider the qualifications of both the Distributor and the Principal Owner (and the Principal Owner’s Business Partner), and the application process may involve a credit check or other requirements that apply to the Principal Owner (and the Principal Owner’s Business Partner).

The following chart summarizes each financing plan. Please review the chart in conjunction with the notes below.

Notes for Initial Inventory and Initial Franchise Fee Financing:

- As discussed in Item 5, Matco's New Distributor Starter Inventory package is generally \$80,000, but under the Standard Initial Financing Program Matco may be willing to finance a larger amount of inventory, up to a total of \$92,000. Depending upon your available collateral, credit history, and other credit factors (and the qualifications of your Principal Owner), Matco may finance up to \$102,000 through this financing program (with no down payment), which will consist of up to \$92,000 in financing which must applied towards your New Distributor Starter Inventory and up

to \$10,000 in financing which must be applied towards the initial franchise fee. If you elect and are qualified to participate in either of the Supplemental Financing programs, Matco will only finance up to \$90,000, which includes initial inventory of up to \$80,000 and an Initial Franchise Fee of \$10,000 under the Standard Initial Financing Program.

The Standard Initial Financing Program loan will be evidenced by an Installment Promissory Note (the “**Standard Initial Financing Program Note**,” which may also be referred to as a “**Note**”), a copy of which is attached as Exhibit C-1 to the Distributorship Agreement. Matco may also finance, at its sole discretion, a portion of your initial purchase of inventory and in excess of the estimated, or generally expected, levels of inventory. (See Note 1 of Item 7). This additional financed amount will be included in the Standard Initial Financing Program Note for the financed portion of your initial inventory and Initial Franchise Fee. Further, under the Standard Initial Financing Program Note Matco may also finance, at its sole discretion, an additional loan amount for certain expenditures under the “Inventory Plus” program, as described in (21) below.

The Standard Initial Financing Program Note provides for weekly payment of principal and interest at an annual interest rate, which will be based on the then-current Prime Rate as reported in *The Wall Street Journal*. The interest rate applicable to your Note will be based on your Principal Owner’s credit score at the time you submit your Application and the amount financed. The interest rate will be in a range of 4% to 6% plus the Prime Rate that is in effect when you are awarded a Distributorship. The rate of interest for the Standard Initial Financing Program Note will be fixed for the term of the Standard Initial Financing Program Note. As of January 3, 2024, the Prime Rate was 8.5%. The current percentage rate of interest that will be charged for initial inventory financing will be 12.5% (Prime Rate plus 4%) up to 14.5% (Prime plus 6%). The term of the Standard Initial Financing Program Note will be determined by Matco and will be up to 120 months.

You will be in default under the Standard Initial Financing Program Note if: (a) any installment of principal or interest on the Standard Initial Financing Program Note is not paid when due or upon demand as provided for in the Standard Initial Financing Program Note; (b) you fail to pay your debts as they mature; (c) you default under the Distributorship Agreement or any other agreement, note, lease, or contract between you and Matco, or if any such agreement is canceled; (d) you cease operating the Distributorship or the Distributorship is dissolved, terminated, insolvent, or ceases operations; or (e) you fail to (i) have the Standard Initial Financing Program Note fully collateralized with inventory (as reflected in the Security Agreement, described below) at all times or (ii) provide evidence of full collateralization in the form of a physical inventory, upon Matco’s request.

If you default under the Standard Initial Financing Program Note, the principal balance and all accrued interest will become due and payable without demand. You and any endorsers or guarantors of the Standard Initial Financing Program Note must waive demand, protest, presentment, notice of protest and non-payment or dishonor, and must also waive any and all defenses on the grounds of any extensions or partial payments which may be granted or accepted by Matco.

The Standard Initial Financing Program Note must be guaranteed by your Principal Owner or another person acceptable to Matco. You must also sign a Security Agreement (Exhibit D to the Distributorship Agreement) granting Matco a security interest in your inventory of Products and Accounts Receivable. At Matco’s request, you must sign all necessary financing statements and other franchise documents and pay the costs of document processing and filing fees for such statements or other documents. The processing/filing fee is included as part of the document processing fee that you pay at the time you execute the Distributorship Agreement.

Matco financing will not be offered to all prospective Distributors, but only to those that meet Matco's qualifications. Also, even in situations in which Matco offers financing, Matco is not required to offer financing to cover the full cost of the initial inventory and the Initial Franchise Fee, but may offer financing for a lesser amount. Factors such as your qualifications and creditworthiness will affect the level of financing that might be offered.

- (2) As discussed in Item 5 and (1) above, Matco's New Distributor Starter Inventory package is generally \$80,000, but through the Alternate Initial Financing Program (with Balloon Payment) Matco may be willing to finance a larger amount of inventory, up to a total of \$92,000. Depending upon your available collateral, credit history, and other credit factors (and the qualifications of your Principal Owner), Matco may finance up to \$102,000 through this financing program (with no down payment), which will consist of up to \$92,000 in financing which must be applied towards your New Distributor Starter Inventory and up to \$10,000 in financing which must be applied towards the initial franchise fee.

The Alternate Initial Financing Program (with Balloon Payment) loan will be evidenced by an Installment Promissory Note (with Balloon Payment) (the "**Alternate Initial Financing Program (with Balloon Payment) Note**," which may also be referred to as a "**Note**"), a copy of which is attached as Exhibit C-2 to the Distributorship Agreement. Matco may also finance, at its sole discretion, a portion of your initial purchase of inventory and in excess of the estimated, or generally expected, levels of inventory. (See Note 1 of Item 7). This additional financed amount will be included in the Alternate Initial Financing Program (with Balloon Payment) Note for the financed portion of your initial inventory and Initial Franchise Fee.

The Alternate Initial Financing Program (with Balloon Payment) Note provides for weekly payment of principal and interest at an annual interest rate, which will be based on the then-current Prime Rate as reported in *The Wall Street Journal*. The interest rate applicable to your Note will be based on your Principal Owner's credit score at the time you submit your Application and the amount financed. The interest rate will be in a range of 4% to 6% plus the Prime Rate that is in effect when you are awarded a Distributorship. The rate of interest for the Alternate Initial Financing Program (with Balloon Payment) Note will be fixed for the term of the Alternate Initial Financing Program (with Balloon Payment) Note. As of January 3, 2024, the Prime Rate was 8.5%. The current percentage rate of interest that will be charged for initial inventory financing will be 12.5% (Prime Rate plus 4%) up to 14.5% (Prime plus 6%). The term of the Alternate Initial Financing Program (with Balloon Payment) Note will be determined by Matco and will be up to 120 months, as described further below.

The total amount of the Alternate Initial Financing Program (with Balloon Payment) loan will be amortized over 180 months, however, you will make payments for 120 months. Therefore, in the 120th month, the full remaining amount, with interest, will be due in a lump sum, or "balloon" payment. The amount of this balloon payment will range from \$34,985.91 (based upon \$90,000 with no down payment and an interest rate of 12.5%) to \$42,971.15 (based upon \$102,000 with no down payment and an interest rate of 14.5%). At the end of 120 months, we may permit you to refinance the remaining balloon payment under the same interest rate as the original note. Because the 120th payment will coincide with the expiration of the term of the Distributorship Agreement, whether we permit you to refinance the balloon payment will be contingent upon whether you meet our qualifications to renew your relationship with Matco and whether you continue operating your Distributorship (by signing a new Distributorship Agreement and the Renewal Addendum).

You will be in default under the Alternate Initial Financing Program (with Balloon Payment) Note if: (a) any installment of principal or interest on the Alternate Initial Financing Program (with

Balloon Payment) Note is not paid when due or upon demand as provided for in the Alternate Initial Financing Program (with Balloon Payment) Note; (b) you fail to pay your debts as they mature; (c) you default under the Distributorship Agreement or any other agreement, note, lease, or contract between you and Matco, or if any such agreement is canceled; (d) you cease operating the Distributorship or the Distributorship is dissolved, terminated, insolvent, or ceases operations; or (e) you fail to (i) have the Alternate Initial Financing Program (with Balloon Payment) Note fully collateralized with inventory (as reflected in the Security Agreement, described below) at all times or (ii) provide evidence of full collateralization in the form of a physical inventory, upon Matco's request.

If you default under the Alternate Initial Financing Program (with Balloon Payment) Note, the principal balance and all accrued interest will become due and payable without demand. You and any endorsers or guarantors of the Alternate Initial Financing Program (with Balloon Payment) Note must waive demand, protest, presentment, notice of protest and non-payment or dishonor, and must also waive any and all defenses on the grounds of any extensions or partial payments which may be granted or accepted by Matco.

The Alternate Initial Financing Program (with Balloon Payment) Note must be guaranteed by you or another person acceptable to Matco. You must also sign a Security Agreement (Exhibit D to the Distributorship Agreement) granting Matco a security interest in your inventory of Products and Accounts Receivable. At Matco's request, you must sign all necessary financing statements and other franchise documents and pay the costs of document processing and filing fees for such statements or other documents. The processing/filing fee is included as part of the document processing fee that you pay at the time you execute the Distributorship Agreement.

Matco financing will not be offered to all prospective Distributors, but only to those that meet Matco's qualifications. Also, even in situations in which Matco offers financing, Matco is not required to offer financing to cover the full cost of the initial inventory and the Initial Franchise Fee, but may offer financing for a lesser amount. Factors such as your qualifications and creditworthiness will affect the level of financing that might be offered.

- (3) In some states, the maximum interest rate may be less than the amount stated in the chart due to state lending laws.
- (4) In addition to your obligation to pay the principal balance and accrued interest on a Note in the event you are in default, you or your Principal Owner may also be liable for a default under your lease with a third party for the Mobile Store. For example, under the current Mobile Store leases with Trans Lease, Inc., a current supplier and lessor of Mobile Stores, if a Distributor or Principal Owner is in breach of any terms of any agreement with Matco, including the Distributorship Agreement or a promissory note, that default may be a default under the Mobile Store lease, which can result in financial penalties and/or a surrender or repossession of the Mobile Store. You and/or your Principal Owner should review your lease documents with the lessor carefully.
- (5) Your purchases of the Products are charged to your Open Purchase Account on which payment is due upon your receipt of an invoice from Matco. Other charges to the Open Purchase Account, in addition to Product purchases and related charges, may include MDDBS charges, web maintenance fees, Tool Expo charges, and training costs. If you do not make payment within 21 days of the invoice, the account is deemed delinquent by Matco. Matco will assess a 5% per week late fee for each week that you fail to pay the balance owed up to \$100. If you pay within 14 days of the invoice, you may be eligible for purchase discounts, which may vary from 2% to 5.25% depending upon the volume of purchases and performance rewards program level. In addition, if you are not

in compliance with the National Distributor Sales Average/District Distributor Sales Average requirement, or the purchase average to total sales ratio discussed in Item 6 above, your Volume Payment to Terms Bonus will be available only if you pay for purchases within 7 days of the invoice (see Item 8 above). As noted in the chart, Matco will have a security interest in the inventory and receivables and you must sign the Security Agreement noted above (even if you did not sign a promissory note, as described in Notes (1) or (2) above).

- (6) Upon termination or expiration of the Distributorship Agreement, you will pay Matco interest on the balance owed under your Open Purchase Account as of the date of termination or expiration, at a rate of 18% annually, or the maximum rate permitted by law, whichever is lower. In addition, Matco may assess you a late fee of 5% per week for each week that you fail to pay the balance owed on the Open Purchase Account following termination.

Notes for Supplemental Financing “A”:

- (7) For applicants that meet Matco’s net worth and other financial requirements but have little or no access to start-up capital, Matco may provide additional financing up to \$33,000 (with no down payment) of the Mobile Store security deposit and three months lease payments for a new vehicle (\$8,550), computer hardware (\$2,600), three months additional funds and all other start-up expenses. The loan will be evidenced by an installment promissory note, a copy of which is attached as Exhibit C-1 to the Distributorship Agreement (the Standard Initial Financing Program Note, which may also be referred to as a “**Note**”). Supplemental Financing “A” is not available in connection with the Alternate Initial Financing Program (with Balloon Payment).

By way of example, you will have one note for \$90,000, which is the standard Matco financing, and you will have a second note for an amount up to \$33,000, which is the additional financing in this document (the “**Notes**”). Therefore, for example, if you have the standard inventory financing for \$90,000 with the highest interest rate of 12.5%, and you have the Supplemental Financing “A” for the maximum amount of \$33,000 at the highest interest rate of 15.5%, you will have two notes: one with a weekly payment of \$334.29 and the second with a weekly payment of \$127.47. Your total weekly payment will be \$461.76.

The Notes provide for weekly payment of principal and interest at an annual interest rate, which will be based on the then-current Prime Rate as reported in *The Wall Street Journal*. Matco’s interest rate for the Notes will be based on your Principal Owner’s credit score at the time you submit your Application and the amount financed. The interest rate for the 1st Note is discussed above under the Standard Initial Financing Program. The interest rate for this 2nd Note will be in a range of 4% to 7% plus the Prime Rate that is in effect when you are awarded a franchise. The rate of interest for the Note will be fixed for the term of the Note. As of January 3, 2024, the Prime Rate was 8.5%. The terms of the Note will be determined by Matco and will be up to 120 months.

As a method to help you pay the 2nd Note, 10% of your weekly PSA credits that are posted to your Open Purchase Account will be applied to the outstanding balance of the 2nd Note.

You will be in default under either Note if: (a) any installment of principal or interest on either Note is not paid when due or upon demand as provided for in the Note; (b) you fail to pay your debts as they mature; (c) you default under the Distributorship Agreement or any other agreement, note, lease, or contract between you and Matco, or if any such agreement is canceled; (d) you cease operating the Distributorship or the Distributorship is dissolved, terminated, insolvent, or ceases operations; or (e) you fail to maintain an inventory level equal to not less than the total amount of

debt owed by Debtor to Matco, as reflected in a physical inventory, conducted every six months, or upon Matco's request.

If you default under either Note, the principal balance and all accrued interest will become due and payable without demand. You and any endorsers or guarantors of either Note must waive demand, protest, presentment, notice of protest and non-payment or dishonor, and must also waive any and all defenses on the grounds of any extensions or partial payments which may be granted or accepted by Matco.

The Notes must be guaranteed by you or another person acceptable to Matco. You must also sign a Security Agreement (Exhibit D to the Distributorship Agreement) granting Matco a security interest in your inventory of Products and Accounts Receivable. At Matco's request, you must sign all necessary financing statements and other franchise documents and pay the costs of document processing and filing fees for such statements or other documents. The processing/filing fee is included as part of the document processing fee that you pay at the time you execute the Distributorship Agreement.

Matco financing will not be offered to all prospective Distributors, but only to those that meet Matco's qualifications. Also, even in situations in which Matco offers financing, Matco is not required to offer financing for the maximum supplemental amount of up to \$33,000, but may offer financing for a lesser amount. Factors such as your qualifications and creditworthiness will affect the level of financing that Matco has, or may be, offered.

- (8) In connection with this supplemental financing, you, along with a Matco representative, must conduct a complete, physical inventory of your Products at least once every six months. If your inventory is below the required level by 10% or more (measured at the purchase cost of the goods), you must purchase additional inventory to required level within ten days of the completion of the physical inventory. A failure to increase your inventory to the required level and keep the Notes fully collateralized with inventory will result in default under the Notes as discussed in (6) above, and may result in the termination of the Distributorship Agreement.
- (9) In some states, the maximum interest rate may be less than the amount stated in the chart due to state lending laws.
- (10) Your purchases of the Products are charged to your Open Purchase Account on which payment is due upon your receipt of an invoice from Matco. Other charges to the Open Purchase Account, in addition to Product purchases and related charges, may include MDDBS charges, web maintenance fees, Tool Expo charges, and training costs. If you do not make payment within 21 days of the invoice, the account is deemed delinquent by Matco. Matco will assess a 5% per week late fee for each week that you fail to pay the balance owed up to \$100. If you pay within 14 days of the invoice, you may be eligible for purchase discounts, which may vary from 2% to 5.25% depending upon the volume of purchases and performance rewards program level. In addition, if you are not in compliance with the National Distributor Purchase Average/District Distributor Purchase Average requirement, or the purchase average to total sales ratio discussed in Item 6 above, your Volume Payment to Terms Bonus will be available only if you pay for purchases within 7 days of the invoice (see Item 8 above). However, if you qualify for, and earn, VPTT Bonuses, these amounts will be applied to the balance due under the Note. As noted in the chart, Matco will have a security interest in the inventory and receivables and you must sign the Security Agreement noted above.

- (11) Upon termination or expiration of the Distributorship Agreement, you will pay Matco interest on the balance owed under your Open Purchase Account as of the date of termination or expiration, at a rate of 18% annually, or the maximum rate permitted by law, whichever is lower. In addition, Matco may assess you a late fee of 5% per week for each week that you fail to pay the balance owed on the Open Purchase Account following termination.

Notes for Supplemental Financing “B”:

- (12) For applicants with low net worth, no start-up capital and little or no credit history, Matco may provide additional financing up to \$33,000 (with no down payment) of the estimated Mobile Store security deposit and three months lease payments of a new vehicle (\$8,550), computer hardware (\$2,600), three months additional funds and all other start-up expenses. The loan will be evidenced by an installment promissory note, a copy of which is attached as Exhibit C-1 to the Distributorship Agreement (the Standard Initial Financing Program Note, which may also be referred to as a “**Note**”). Supplemental Financing “B” is not available in connection with the Alternate Initial Financing Program (with Balloon Payment).

By way of example, you will have one note for \$90,000, which is the standard Matco financing, and you will have a second note for an amount up to \$33,000, which is the additional financing discussed in this document, the (“**Notes**”). Therefore, for example, if you have the standard inventory financing for \$90,000 with the highest interest rate of 16.5%, and you have the Supplemental Financing “B” for the maximum amount of \$33,000 at the highest interest rate of 17%, you will have two notes: one with a weekly payment of \$334.29 and the second with a weekly payment of \$134.97. Your total weekly payment will be \$469.26.

The Notes provide for weekly payment of principal and interest at an annual interest rate, which will be based on the then-current Prime Rate as reported in *The Wall Street Journal*. Matco’s interest rate for the Notes will be based on your Principal Owner’s credit score at the time you submit your Application and the amount financed. The interest rate for this 1st Note is discussed above under the Standard Initial Financing Program. The interest rate for this 2nd Note will be in a range of 8% to 8.5% plus the Prime Rate that is in effect when you are awarded a franchise. The rate of interest for the Note will be fixed for the term of the Note. As of January 3, 2024, the Prime Rate was 8.5%. The term of the Note will be determined by Matco and will be up to 120 months.

As a method to help you pay the 2nd Note, 10% of your weekly PSA credits that are posted to your Open Purchase Account will be applied to the outstanding balance of the 2nd Note.

Applicants receiving this supplemental financing will be required to do a physical inventory every 6 months, take an on-line test and attend Discovery Day at Matco Tools Corporate Headquarters.

You will be in default under either Note if: (a) any installment of principal or interest on either Note is not paid when due or upon demand as provided for in the Note; (b) you fail to pay your debts as they mature; (c) you default under the Distributorship Agreement or any other agreement, note, lease, or contract between you and Matco, or if any such agreement is canceled; (d) you cease operating the Distributorship or the Distributorship is dissolved, terminated, insolvent, or ceases operations; or (e) you fail to maintain an inventory level equal to not less than the total amount of debt owed by Debtor to Matco, as reflected in a physical inventory, conducted every six months, or upon Matco’s request.

If you default under either Note, the principal balance and all accrued interest will become due and payable without demand. You and any endorsers or guarantors of the Note must waive demand,

protest, presentment, notice of protest and non-payment or dishonor, and must also waive any and all defenses on the grounds of any extensions or partial payments which may be granted or accepted by Matco.

The Notes must be guaranteed by your Principal Owner or another person acceptable to Matco. You must also sign a Security Agreement (Exhibit D to the Distributorship Agreement) granting Matco a security interest in your inventory of Products and Accounts Receivable. At Matco's request, you must sign all necessary financing statements and other franchise documents and pay the costs of document processing and filing fees for such statements or other documents. The processing/filing fee is included as part of the document processing fee that you pay at the time you execute the Distributorship Agreement.

Matco financing will not be offered to all prospective Distributors, but only to those that meet Matco's qualifications. Also, even in situations in which Matco offers financing, Matco is not required to offer financing for the maximum supplemental amount of up to \$33,000, but may offer financing for a lesser amount. Factors such as your qualifications and creditworthiness (and your Principal Owner's qualifications and creditworthiness) will affect the level of financing that Matco has, or may be, offered.

- (13) In connection with this supplemental financing, you, along with a Matco representative, must conduct a complete, physical inventory of your Products at least once every six months. If your inventory is below than the required level by 10% or more (measured at the purchase cost of the goods), you must purchase additional inventory to reach the required level within ten days of the completion of the physical inventory. A failure to increase your inventory to the required level and keep the Notes fully collateralized with inventory will result in default under the Notes as discussed in (11) above, and may result in the termination of the Distributorship Agreement.
- (14) In some states, the maximum interest rate may be less than the amount stated in the chart due to state lending laws.
- (15) Your purchases of the Products are charged to your Open Purchase Account on which payment is due upon your receipt of an invoice from Matco. Other charges to the Open Purchase Account, in addition to Product purchases and related charges, may include MDBS charges, web maintenance fees, Tool Expo charges, and training costs. If you do not make payment within 21 days of the invoice, the account is deemed delinquent by Matco. Matco will assess a 5% per week late fee for each week that you fail to pay the balance owed up to \$100. If you pay within 14 days of the invoice, you may be eligible for purchase discounts, which may vary from 2% to 5.25% depending upon the volume of purchases and performance rewards program level. In addition, if you are not in compliance with the National Distributor Purchase Average/District Distributor Purchase Average requirement, or the purchase average to total sales ratio discussed in Item 6 above, your Volume Payment to Terms Bonus will be available only if you pay for purchases within 7 days of the invoice (see Item 8 above). However, if you qualify for, and earn, VPTT Bonuses, these amounts will be applied to the balance due under the Note. As noted in the chart, Matco will have a security interest in the inventory and receivables and you must sign the Security Agreement noted above.
- (16) Upon termination or expiration of the Distributorship Agreement, you will pay Matco interest on the balance owed under your Open Purchase Account as of the date of termination or expiration, at a rate of 18% annually, or the maximum rate permitted by law, whichever is lower. In addition, Matco may assess you a late fee of 5% per week for each week that you fail to pay the balance owed on the Open Purchase Account following termination.

Notes for Time Payment Line of Credit Financing:

- (17) If you participate in any of Matco's financing programs, then you must establish a Time Payment Line of Credit to fund your Time Payment Sales. See Item 5, and the introduction to this Item 10, for a description of how the Time Payment LC will work.
- (18) The amount to be financed will vary based on the amount of your Time Payment sales, but Matco will not extend more than \$22,000 (or \$28,000 if you are approved for an increased amount) in Time Payment LC.
- (19) The Time Payment LC will be provided for one year from the commencement of operations under the Distributorship Agreement or until you achieve a maximum balance of \$22,000 (or \$28,000 if you are approved for an increased amount), whichever event occurs first. The line of credit is a revolving line of credit, so the amount financed will vary during the course of the year depending on the Time Payment sales, and your ability to collect amount due from your customers.
- (20) The Time Payment LC will be evidenced by and reflected in a Revolving Line of Credit Agreement and Promissory Note (attached as Exhibit L to the Distributorship Agreement).

Notes for "Inventory Plus" Financing

- (21) Distributors who finance \$90,000 toward the purchase of Matco's New Distributor Starter Inventory package under Standard Initial Financing Program, described in (1) above, may seek financing to cover or offset certain approved expenditures including a computer, MDDBS fees (software, maintenance/support, and web setup), other miscellaneous fees (document preparation and filing, credit card software, and signature pad setup), and lodging and meals during training through the Inventory Plus Financing Program. Depending upon your available collateral, credit history, and other credit factors, Matco may finance up to \$6,000 through this financing program (with no down payment), and this amount will be credited to the Distributor's Open Purchase Account. Only Distributors who are participating in the Standard Initial Financing Program may be eligible for Inventory Plus financing. Distributors who purchase ETDs or 225s are not eligible for Inventory Plus financing. Distributors who obtain financing through Supplemental Financing "A" or Supplemental Financing "B" are not eligible for Inventory Plus financing.

The "Inventory Plus" program loan will be evidenced by an Installment Promissory Note that is the same as the Standard Initial Financing Program Note described in (1) above, a copy of which is attached as Exhibit C-1 to the Distributorship Agreement. The interest rate will be the same rate as under the note for the Standard Initial Financing Program.

Matco financing will not be offered to all prospective Distributors, but only to those that meet Matco's qualifications. Also, even in situations in which Matco offers financing, Matco is not required to offer financing to cover the full cost of the initial inventory and the Initial Franchise Fee, but may offer financing for a lesser amount. Factors such as your qualifications and creditworthiness (and your Principal Owner's qualifications and creditworthiness) will affect the level of financing that might be offered.

- (22) In some states, the maximum interest rate may be less than the amount stated in the chart due to state lending laws.

Notes for Bridge Loan Financing:

- (23) Matco understands that some Principal Owners may wish to utilize part or all of their existing 401(k) or IRA funds to invest in a Distributor or a Matco Tools Distributorship, and that there are companies that administer and facilitate those sorts of transactions. Matco does not require or encourage prospective Distributors or Principal Owners to utilize 401(k) or IRA funds, nor does it require or endorse any specific provider or administrator. However, if a Distributor utilizes this type of investment financing, Matco is willing to consider providing a bridge loan to a qualified Distributor, as described in this Item 10. If the Distributor will be using a Principal Owner's 401(k) or IRA funds for all or a portion of the Distributor's initial start-up costs, Matco may provide a bridge loan. The bridge loan will be provided as a short term loan to the Distributor to allow it to pay a portion of the initial investment before it receives funds from a Principal Owner's 401(k) or IRA. While the loan will accumulate interest, there will not be weekly, semi-monthly or other periodic payments. The full amount of the loan, with accrued interest, (sometimes referred to as the "balloon payment") will be due 90 days after the effective date of the bridge loan. The interest rate will be the same rate as under the note for the Standard Initial Financing Program, and the promissory note is the same form of Note used as part of the standard financing program. If you are interested in this bridge loan financing, please advise Matco as there may be other processes or procedures to follow, established by the third party and/or the third party and Matco. You and your Principal Owner must follow precisely the rules and procedures established by the third party and Matco.
- (24) The amount of the bridge loan will not exceed \$100,000, and will only be available to finance the start-up costs and working capital amounts that are greater than the Matco standard loan of \$90,000.
- (25) The interest rate will be the same rate as under the note for the Standard Initial Financing Program.
- (26) There is no weekly, monthly or periodic payment, but the payment of the full amount due, with interest, is due in a lump sum, or "balloon" payment. By way of example only, if a Distributor received a \$100,000 loan at 12.5% for 90 days, the payment due to Matco at the end of the term will be \$103,090.66. If the same \$100,000 loan was financed at 14.5% over 90 days, the balloon payment would be \$103,585.16.
- (27) If you fail to pay the full amount of the balloon payment, this will be a default under this bridge loan, and all other loans or notes with Matco or its affiliates. All funds, from the bridge loan and all other loans and notes will be accelerated and become due immediately.

Notes for Mobile Store Upgrade Financing Program

- (28) Matco's Mobile Store Upgrade Financing Program enables qualified distributors to finance between \$5,000 and \$20,000, which may be used for upgrades that a Distributor chooses to make to a Mobile Store when the Distributor renews an existing Distributorship Agreement for a new term. The Mobile Store Upgrade Financing Program will be evidenced by an installment promissory note (the "**Mobile Store Upgrade Financing Program Note**," which may also be referred to as a "**Note**"), a copy of which is attached to the Distributorship Agreement as Exhibit S-1. This Note is substantially similar to the Note that is used in connection with Matco's Standard Initial Financing Program, except that Matco has the option to require a Distributor to enter into a Security Agreement in connection with the Mobile Store Upgrade Financing Program Note, depending on the qualifications of the Distributor and other considerations. The Security Agreement is attached to Matco's Distributorship Agreement as Exhibit S-2.

The Note provides for weekly payments of principal and interest at an annual interest rate that will be fixed at 6.99%. Loan maturities may range from one to five years. Typical weekly payments are below:

Loan Amount	Interest Rate	Loan Maturity	Weekly Payment
\$5,000	6.99%	1 year	\$100.05
\$10,000	6.99%	3 year	\$71.76
\$15,000	6.99%	5 year	\$69.03
\$20,000	6.99%	5 year	\$92.05

You will be in default under the Mobile Store Upgrade Financing Program Note if: (a) any installment of principal or interest on the Mobile Store Upgrade Financing Program Note is not paid when due or upon demand as provided for in the Mobile Store Upgrade Financing Program Note; (b) you fail to pay your debts as they mature; (c) you default under the Distributorship Agreement or any other agreement, note, lease, or contract between you and Matco, or if any such agreement is canceled; (d) you cease operating the Distributorship or the Distributorship is dissolved, terminated, insolvent, or ceases operations; or (e) if collateralization is required by Matco, and you fail to (i) have the Note fully collateralized (as reflected in the Security Agreement, described below) at all times or (ii) provide evidence of full collateralization, upon Matco's request.

If you default under the Note, the principal balance and all accrued interest will become due and payable without demand. You and any endorsers or guarantors of the Note must waive demand, protest, presentment, notice of protest and non-payment or dishonor, and must also waive any and all defenses on the grounds of any extensions or partial payments which may be granted or accepted by Matco.

The Note must be guaranteed by you or another person acceptable to Matco. If so required by Matco, you must also sign a Security Agreement (Exhibit S-2 of the Distributorship Agreement) granting Matco a security interest in your Mobile Store.

The Mobile Store Upgrade Financing Program will not be offered to any prospective Distributors, and it will only be offered to a limited number of renewing Distributors that meet Matco's qualifications. Also, even in situations in which Matco offers financing, Matco is not required to offer financing to cover the full cost of the upgrades that a Distributor chooses to make to a Mobile Store upon renewal, but may offer financing for a lesser amount. Factors such as your qualifications and creditworthiness will affect the level of financing that might be offered, and whether Matco requires your Note to be collateralized.

- (29) In some states, the maximum interest rate may be less than the amount stated in the chart due to state lending laws.
- (30) In addition to your obligation to pay the principal balance and accrued interest on a Note in the event you are in default, you may also be liable for a default under your lease with a third party for the Mobile Store. For example, under the current Mobile Store leases with Trans Lease, Inc., a current supplier and lessor of Mobile Stores, if a Distributor is in breach of any terms of any agreement with Matco, including the Distributorship Agreement or a promissory note, that default may be a default under the Mobile Store lease, which can result in financial penalties and/or a surrender or repossession of the Mobile Store. You should review your lease documents with the lessor carefully.

Installment Contracts (Purchase Security Agreements)

In addition to the financing programs described above, Matco offers four customer installment financing programs to qualified Distributors. The purpose of these programs is to allow you to offer installment financing to your customers in amounts that are beyond your capacity to carry as Time Payment accounts. If you qualify to participate in the customer installment financing program, you may sell Products to your qualified customers pursuant to an installment sale contract (which is referred to as a purchase money security agreement or purchase security agreement (or “PSA”)), Matco will finance the purchase and accept assignment of the installment contracts under the terms and conditions of the Matco Purchase Security Agreements/Credit Assignment Agreements. Copies of these agreements are attached as exhibits to this Disclosure Document. Matco may consider one or more of the following factors when evaluating the qualifications of a Distributor for a Purchase Security Agreement and/or the terms under which Matco will purchase a customer’s installment contracts from a Distributor: (a) the Distributor’s purchase average, (b) the Distributor’s payment history on its Open Purchase Account, (c) the value of the Distributor’s PSA contracts as compared to cash payments on the Distributor’s Open Purchase Account, (d) the Distributor’s collection percentage from PSA accounts, (e) the customer’s collection history, and (f) the customer’s current and past credit history. Customers who are not U.S. citizens and/or may not possess social security numbers may not qualify for financing under the installment contract/PSA program.

Matco offers several forms of recourse and non-recourse Purchase Security Agreements/Credit Assignment Agreements to Distributors. In addition to its standard recourse agreement, which is contained in Exhibit J, Matco will permit Distributors to offer PSA contracts to customers who do not qualify for Matco’s standard non-recourse PSA because of low credit scores or because of limited or no established credit. One program, which we refer to as the “**Tech Start**” program, can be offered to an applicant who does not qualify for Matco’s standard non-recourse PSA and who has limited or no prior established credit (or whose Principal Owner has limited or no prior established credit). This PSA program would finance a Product purchase of not less than \$500 and not greater than \$1500 up to a 12-month payment term and would include a provision for up to 100% recourse to the Distributor, but is currently offered at 50% recourse. Financing for additional purchases under this PSA program would be considered after 6 months of timely payments by the applicant. A second program, which we refer to as the “**Tech Assured**” program, can be offered to an applicant who does not qualify for Matco’s standard non-recourse PSA and who has a challenging credit history but is seeking to rebuild its credit score (or whose Principal Owner has a challenging credit history but is seeking to rebuild her or his credit score). This PSA program would finance a Product purchase of not less than a \$500 minimum, and not greater than \$1500 up to a 12-month payment term and would include a provision for up to 100% recourse to the Distributor, but is currently offered at 50% recourse. Financing for additional purchases under this PSA program would be considered after 6 months of timely payments by the applicant. A third program, which we refer to as the “Tech Advantage” program provides for a Product purchase credit limit of up to \$6,000 with no down payment, and a payment term of up to five years at an interest rate of 23.99%. The Tech Advantage program also includes a provision for up to 100% recourse to the Distributor. You are also not eligible to offer the PSA Tech Start, Tech Assured, and Tech Advantage programs to your customers within the first year of your Distributorship. In addition, the Tech Advantage program is not available to distributors in Puerto Rico. If you take advantage of the Supplemental Financing “A” or “B” programs, you will not be eligible to offer the Tech Start, Tech Assured, or Tech Advantage PSA programs to your customers until your supplemental Note is paid in full.

Under these forms of credit assignment agreements, upon acceptance of assignment of the customer’s installment contract, you will receive a credit corresponding to the value of the net amount financed, less a reserve charge, to your Open Purchase Account. This credit will be posted within 48 hours of the acceptance of a contract assignment by Matco.

Under the current form of non-recourse credit assignment agreement, the price paid by Matco to you for acceptance of the assigned installment contracts will not be less than 85% of the net cash price (although Matco's current practice is to assign installment contracts at 92% of the net cash price). (Net cash price is the price paid for the product, plus sale taxes, less any down payment paid in cash.) However, Matco may not accept assignment of any installment contract if the sale price exceeds the product's list price. Depending on the amount financed of your promissory note, a percentage up to 5% of your PSA credit may be applied to reduce the principal on any outstanding Matco promissory note. Matco will release you from all liability for the installment contracts, subject to certain exceptions described in the agreement, and provided that you comply with the terms and conditions of the agreement. Under the Purchase Security Agreement/Credit Assignment Agreements, you must collect money owed by customers and remit the money to us. If you do not remit the full amount collected in a timely fashion, we may charge you an administrative fee, currently set at \$25 per occurrence, per contract, for delinquent or insufficient payments, or inaccurate reporting, as consideration for, among other things, Matco's time and efforts in collecting monies, additional correspondence with you, credit bureaus and others, and administrative time and costs to correct data.

Under the Tech Advantage program, the price paid by Matco to you for acceptance of the assigned installment contracts is 97% of the net cash price of the installment contracts. However, Matco may not accept assignment of any installment contract if the sale price exceeds the product's list price. The 3% deduction from the full net cost price of the assigned installment contracts is a charge payable to Matco as assignee of the assigned installment contracts.

Matco may from time to time modify the customer installment financing programs described above or may develop additional customer installment financing programs that may be recourse or non-recourse credit assignments, and/or may be available only to Distributors who (a) qualify to participate; (b) have a minimum level of experience as a Matco Distributor; and (c) are in compliance with their Distributorship Agreement. Currently, however, the only Purchase Security Agreements available are those described above. Matco expects that if a new installment financing program is developed and offered in the future, participation in any such program will be voluntary.

* * *

Distributors that receive financing from Matco must: (a) prepare and submit annual budgets for their Distributorships to Matco, in the form Matco specifies, which contain estimates for the following year; (b) conduct a physical inventory in MDBS upon request, but not less than once every 12 months on the anniversary date of your Distributorship Agreement or at least every 6 months if you have a Note under the Supplemental Financing "A" or "B" programs; and (c) submit any other reports in the form and manner Matco specifies.

Matco and/or its affiliates have in the past sold, and may in the future sell, assign, or discount, with limited recourse, certain accounts and notes receivable. To the extent the notes, contracts, or other instruments require Matco to provide services to you, Matco will remain liable to provide such services. However, the third party to whom the note, contract or other instrument is assigned may be immune under the law to defenses to payment you might have against Matco.

Except as set forth above, Matco and its affiliates (a) do not directly or indirectly offer or arrange any financing, (b) do not receive direct or indirect payments for placing financing, and (c) do not guarantee your obligations to third parties.

(11) FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Matco is not required to provide you with any assistance.

Assistance Prior to Opening. Prior to beginning business under your Matco® Distributorship, Matco is required to provide you with the following:

(A) Matco will provide you with a List of Calls (see Article 1.2 and Exhibit A of the Distributorship Agreement). The List of Calls is your territory. We sometimes refer to the List of Calls in the Distributorship Agreement as a "protected territory." The List of Calls will be based upon a written survey of each shop listed where the shop manager or person in charge answers questions that may include, among other things: (i) whether a Matco Distributor may service the shop, (ii) how many mechanics, technicians, or other service professionals that purchase tools work in the shop, and (iii) whether the shop purchases tools for the shop and/or its mechanics, technicians, or other service professionals. Matco designates a List of Calls by identifying a minimum of approximately 325 Potential Customers, which include the mechanics, technicians, or other service professionals who work at the business, as well as the business itself, in cases where the survey shows that the business also purchases tools of the type offered or sold by Matco or its distributors, either for itself and/or for its employees. Matco will provide a 225 Distributor with at least 225 Potential Customers on the List of Calls, and ETDs will have additional Potential Customers in excess of 325.

If you wish to modify your List of Calls, including by adding a location or Potential Customers, you must submit a written request to Matco identifying the proposed changes to the List of Calls with an explanation for how the proposed changes to the List of Calls will help you advance your business and continue to meet Matco's Customer Service Standards.

As described in the Distributorship Agreement, Matco defines a "**Potential Customer**" as business locations where professional mechanics, technicians and other service professionals operate and purchase tools and related products for their own use. Matco cannot promise or guaranty that each Potential Customer will purchase Products or will become a customer, or that due to economics, demographics or other reasons, the number of actual or Potential Customers, and/or the businesses identified on the List of Calls, will not increase or decrease after the date of the Distributorship Agreement. Actual or Potential Customers may or may not be U.S. citizens and may or may not possess social security numbers. Matco is not required to assess, and is not responsible for assessing, whether the actual or Potential Customer is a U.S. citizen. You will operate as a mobile distributor and will not have a specified place of business. It is generally expected that your Mobile Store will be returned to, and parked at your Principal Owner's residence each evening, that the computer will be at your Principal Owner's residence, and that you will otherwise operate the Distributorship from your Principal Owner's residence. Matco estimates that the length of time between the date you sign the Distributorship Agreement and the date you begin operating your Matco® Distributorship will be between 20 and 45 days, depending on how quickly you can complete training and obtain the Mobile Store, inventory, equipment and supplies needed to begin operations.

(B) Matco will provide you with the use of a copy of the Manual (see Article 3.10 of the Distributorship Agreement). Matco reserves the right to provide the Manual electronically or in an electronic or computer-readable format, for example, via the Matco Distributor Business System, or another method, or on a CD. (C) Matco will provide your Principal Owner with at least 50 hours of mandatory initial classroom training (the “**Matco Business System Training (MBST) Program**”) at Matco’s corporate offices in Stow, Ohio, or at such other location as may be designated by Matco (see Article 3.8 and Article 4.1 of the Distributorship Agreement). Your Principal Owner must successfully complete the Matco Business System Training (MBST) Program before operating your Distributorship. The Matco Business System Training (MBST) Program will include classroom instruction on Matco’s Business System, the Customer Service Standards, and basic business procedures, including purchasing, selling and marketing techniques, customer relations, basic computer operations and other business and marketing topics selected by Matco. The hours devoted to each subject may vary based on how quickly trainees grasp the material, their prior experience with the subject, and scheduling. Matco will instruct attendees using the lecture method, video recordings, computer-based training modules, and interactive video courses. The Matco Business System Training (MBST) Program is Phase 1 of Matco’s required training.

Matco also makes the MBST Program, as well as the MBSCT Program (described below), available to any Operator or other employee that you may choose to hire. In order to preserve, protect and enhance the Matco Tools brand and Marks, and to assure a uniform customer experience and operations that comply with the Business System standards, Matco recommends that any Operator or other employee must either satisfactorily complete Matco’s training programs or that you deliver a similar training experience to the Operator. Matco may require that you certify, upon Matco’s request, that any Operator or other employee has been trained in, and is knowledgeable regarding, all of Matco’s standards and operating requirements.

(D) In addition to the MBST Program, Matco also offers the “**Matco Business System Continuation Training (MBSCT) Program**,” which is Phase 2 of our training. Matco may also require your Principal Owner to attend and successfully complete at least 35 hours of mandatory continuation MBSCT classroom training at Matco’s corporate offices in Stow, Ohio, or at such other location as may be designated by Matco (see Article 3.8 and Article 4.1 of the Distributorship Agreement) between your 2nd and 5th month in business. The MBSCT Program will include classroom instruction on intermediate business procedures, purchasing, selling and marketing techniques, customer relations, intermediate computer operations and other business and marketing topics selected by Matco. During the MBSCT Program, Matco will instruct attendees using the lecture method, video recordings, computer-based training modules, and interactive video courses. To attend MBSCT training, attendees must have successfully passed the Phase 1 MBST training course.

(E) The combined training time provided in MBST (Phase 1) and MBSCT (Phase 2) will be a minimum of 85 hours. This training, as described above, is mandatory and will take place at Matco’s corporate offices in Stow, Ohio, or at such other location as may be designated by Matco (see Article 3.8 and Article 4.1 of the Distributorship Agreement).

Notes:

- (1) Field Training is described in more detail below under the heading “Assistance Provided by Matco during the Operation of the Business.” Field Training is conducted under the supervision of Aaron Bickford, Vice President, Sales, and may be conducted by a Matco regional or district business manager and/or one of the field instructors employed or otherwise retained by Matco. Each field instructor is a professional educator and has been trained by Matco for the purpose of training Matco’s Distributors.
- (2) Matco Business System Training (MBST) Program is conducted under the direction of Mr. Bickford. Mr. Bickford has been in his current position with Matco since December 2021. Training will begin after you sign the Distributorship Agreement. Matco usually conducts the Matco Business System Training (MBST) Program on a monthly basis, and it typically offers two classes per month. Matco expects that you or your Operator will commence training within two weeks of executing the Distributorship Agreement.

The Matco Business System Training (MBST) Program will be provided to your Principal Owner and your initial Operator (if applicable) at no cost, and is generally available within the one-month period before you begin operating your Distributorship.

We also do not charge any fees for the Matco Business System Continuation Training (MBSCT) Program, and this program is generally held between your 2nd and 5th month in business.

You are currently responsible for all expenses incurred by your Principal Owner and any other attendees during all classroom training programs, except for the following: (a) scheduled travel to and from Matco’s headquarters and your Principal Owner’s airport of choice for your Principal Owner and any Operator, and daily travel to and from Matco’s headquarters and your Principal

Owner's hotel, during the MBST Program (only Phase 1); and (b) four nights of lodging for the Principal Owner (one person) at the MBSCT Program (only Phase 2) (if such travel and lodging complies with the policies and procedures established by Matco from time to time). In order to ensure the availability of local lodging while attending the Matco Business System Training (MBST) Program, Matco has negotiated lodging and meal rates for your Principal Owner and any Operator. Lodging for the MBST Program and MBSCT Program (both Phase 1 and Phase 2) is currently located near Matco's headquarters, Cleveland Hopkins International Airport, and/or Akron-Canton Regional Airport, but we may designate alternative accommodations from time to time, at our option. The cost of the room and meals will be billed directly to your Open Purchase Account.

Any other charges incurred at the lodging facility will be due and payable directly to the facility at the time of checkout. In addition to lodging and meals, you will be required to pay all other expenses associated with attending the training, including travel and the salary, fringe benefits, payroll taxes, unemployment compensation, workers' compensation insurance for any trainee who will attend the MBST Program or MBSCT Program (see Article 4.4 of the Distributorship Agreement). If your Principal Owner elects to bring her or his Business Partner to the MBST program, Matco will charge a flat fee in the amount of \$295.00 for food, lodging and local transportation. Matco encourages all Distributors to bring their Business Partners to the MBST Program.

Matco is not obligated to provide the MBST Program (Phase 1) to the Principal Owners or any Operators of renewing Matco Distributors. However, the Principal Owners of renewing Distributors must successfully complete any supplemental training programs Matco may require to bring their Distributorships into compliance with Matco's then-current standards.

In addition, Matco will offer the MBST Program (Phase 1) to any new or replacement Operators that you hire (and, in rare cases, a new Principal Owner), subject to the availability of Matco's personnel, at time and place Matco designates. Matco will provide the MBST Program for your first or replacement Operator free of charge. However, for the second and additional Operators that you hire who will not be operating new Mobile Stores, we will charge our then-current weekly fee for the in-field portion of the MBST Program, which includes our travel, meal, lodging, and payroll expenses to send a trainer to you. Matco's current fee is \$1,500 per week, but Matco may change this amount at any time. As noted above, you are responsible for your Principal Owner's and any Operators' travel, meal, and lodging expenses associated with attending the MBST Program, as well as all salary and fringe benefit expenses associated with sending your Principal Owner and any Operators to the MBST Program (see Articles 4.1, 4.2, and 4.4 of the Distributorship Agreement), and attending the MBST program.

Matco may schedule periodic meetings with Matco personnel and other distributors for additional training, Product updates and business seminars. Attendance at these meetings is voluntary.

- (D) Matco will provide you with the standards and specifications for the Mobile Store and Matco-branded attire required by Matco for use in your Matco® Distributorship (see Article 3.6 of the Distributorship Agreement).
- (E) Matco will provide you with the standards and specifications for the computer hardware and software required by Matco for use in your Matco® Distributorship (see Article 3.7 of the Distributorship Agreement); see also Items 5, 6, and 7 in this Disclosure Document. You must comply with Matco's standards and specifications for the computer hardware, software, and communications, and you must regularly update your computer hardware, software, and

communications to comply with any new or changed standards and specifications. Currently and subject to change, you are required to purchase a new (unused and not refurbished) personal computer (a “laptop”) meeting the exact requirements described in paragraph 4 of the Software License Agreement (Exhibit O to the Distributorship Agreement). The MDDBS Software is designed to assist you in minimizing paperwork and in managing your route and List of Calls, handling inventory, receivables and order processing functions, and performing other tasks relating to operating the Distributorship. The MDDBS Software performs numerous on-truck (Mobile Store) functions such as tracking of sales histories and accounts receivable, printing of receipts and PSA quotes, credit applications and contracts, inventory tracking, tool repair tracking support, credit management, order placement, tracking of customers’ orders, Product pricing, sales and collection records, weekly activity reports, and feedback reports from Matco.

Matco provides computer software maintenance and support services Monday through Friday during the standard hours of 8:00 a.m. through 4:30 p.m., Eastern Time, at Stow, Ohio. Matco will from time to time review the MDDBS Software for improved functionality and operating efficiency. Matco will make such improvements and enhancements as it deems appropriate and will provide you with the updated software and documentation necessary to make the improvements on your system. You will be required to update your computer hardware and software from time to time in order to maintain compliance with Matco’s then-current standards. There are no contractual limitations on the frequency or cost of your updating obligations. You will be responsible for acquiring and maintaining the computer hardware and manufacturer’s operating system software required to execute the MDDBS Software. You will be responsible for handling all equipment hardware/warranty issues directly with the equipment manufacturers. Except for the MDDBS Software, you will have sole and complete responsibility for: (a) your own computer hardware and software as well as the manner in which those systems are maintained, upgraded, and operated in order to maintain compliance with Matco’s standards as they may be modified from time to time; (b) obtaining and maintaining access to the Internet through a subscription with an Internet service provider or a then-current technologically capable equivalent in accordance with Matco’s standards; (c) the manner in which your systems interact with Matco’s systems and those of other third parties; and (d) any and all consequences that may arise if your systems are not properly maintained, upgraded, and operated. Matco will have access to certain sales, inventory, and accounts receivable collection information from a Distributor’s MDDBS system. Matco uses this data to prepare and provide reports to a Distributor with key business statistics regarding the Distributor’s business. All data provided by you, uploaded to Matco’s system from your system, and/or downloaded from your system to the Matco system, is and will be owned exclusively by Matco, and Matco will have the right to use such data in any manner that Matco deems appropriate without compensation to you.

As described in Item 7, you may lease or purchase the hardware. The costs are estimated to be approximately, \$3,100 to \$4,200 to purchase the equipment. As described in Item 6, the annual computer maintenance and support charges are \$720, or \$1,120 if your computer does not satisfy the required configuration.

- (F) Matco will provide you with the standards and specifications for the New Distributor Starter Inventory required by Matco for your Matco® Distributorship (see Article 3.3 of the Distributorship Agreement).

Assistance Provided by Matco during the Operation of the Business.

- (A) Matco provides you with a designated trainer for a minimum of 80 hours of initial Field Training (see Article 4.2 of the Distributorship Agreement). The designated trainer may be a field instructor

and/or a regional or district business manager. The designated trainer may ride with your Principal Owner or your initial Operator on sales calls. Topics covered during Field Training include selling and marketing techniques, customer relations, computer operations, product knowledge, inventory, and related topics. Further information concerning Field Training is given in the “Training Program” table above.

- (B) Matco may offer additional training, product updates and business seminars (see Article 4.3 of the Distributorship Agreement). Your attendance at additional training sessions and business seminars is optional.
- (C) Matco will, from time to time, advertise the Products in selected national and regional trade publications targeted toward the types of customers served by you and other Matco® Distributorships. Any such advertising is done at Matco’s expense and under Matco’s control.
- (D) Currently, Matco makes available to you certain catalogs, promotional literature, and other sales materials at no cost. Other materials are available to you at a nominal charge to purchase at your option.
- (E) You are not required to conduct any direct mail or media advertising programs for your Distributorship. However, if you determine that direct mail advertising would improve your business, Matco will, upon your request and at your expense, conduct direct mail marketing programs which will include mailings to Potential Customers on your List of Calls. The content, promotional offerings, number, timing, and frequency of the mailings will be determined by the mutual agreement between you and Matco. You must provide Matco with an updated and verified list of Potential Customers on your List of Calls including each Potential Customer’s name, work location, and mailing address.

In addition, Matco may from time to time implement one or more promotional programs to enhance the brand, which may include a Matco-funded store opening giveaway program or other store opening promotional program. You must adhere to the guidelines that Matco establishes from time to time for such promotional programs, must devote your best efforts to such promotional programs, and must disseminate to Potential Customers all apparel or other items that Matco provides to you in connection with any giveaway promotional program.

- (F) Any Website (as defined below) will be deemed “advertising” under the Distributorship Agreement, and will be subject to (among other things) Matco’s approval. (As used in the Distributorship Agreement, the term “**Website**” means “one or more related documents, designs, pages, or other communications that can be accessed through electronic means, including but not limited to the Internet, World Wide Web, social media and social networking sites (including but not limited to Facebook, Twitter, LinkedIn, Instagram etc.), blogs, vlogs, and other applications, etc. that the Distributor operates or authorizes others to operate and that refer to the Distributorship, the Marks, Matco, and/or the System.”) In connection with any Website:
 - (1) Before establishing the Website, you must submit to Matco a sample of the Website format and information in the form and manner Matco may reasonably require.
 - (2) You may not establish or use the Website without Matco’s prior written approval.
 - (3) In addition to any other applicable requirements, you must comply with Matco’s standards and specifications for Websites as prescribed by Matco from time to time in the Manual or

otherwise in writing. If required by Matco, you must establish your Website as part of Matco's Website and/or establish electronic links to Matco's Website.

- (4) If you propose any material revision to the Website or any of the information contained in the Website, you must submit each such revision to Matco for Matco's prior written approval as provided above.
 - (5) In addition, Matco may from time to time establish specific policies regarding social media accounts or activity related to or connected with the Distributorship and which use or refer to, directly or indirectly, Matco or the Marks, that Matco determines appropriate for the System. The policies may include completion of training regarding social media. Matco may modify these policies as Matco determines is appropriate, including as available technologies and advertising methods change. You must comply with the standards and procedures developed by Matco for the network of Distributorships, in the manner directed by Matco in the Manual or otherwise, with regard to your authorization to use, and use of, blogs, common social networks (such as Facebook), professional networks (such as Linked-In), live blogging tools (such as Twitter), virtual worlds, file, audio and video sharing sites and other similar social networking media or tools (together, "Social Media") that in any way references the Marks or involves the network of Distributorships or your Distributorship. In addition, in order to protect and control the Matco brand and the Marks, Matco must at all times have administrator rights over all Social Media accounts used by you in connection with the Distributorship and which use or refer to, directly or indirectly, Matco or the Marks, and for any such Social Media accounts Matco may, at its option and without notice or limitation, assume administration and control of such accounts.
- (G) Matco provides end-user financing programs to your qualified customers (see Item 10 under "**Installment Contracts**").
- (H) Matco provides support of your sales and servicing activities through its warranty and non-warranty service programs. Matco's warranty policy, which may change over time, provides, generally, that any Product that is branded with the "Matco" name is warranted against defects in materials and workmanship. Matco, or one of its authorized representatives, will, at Matco's option, repair or replace any tool or part that is subject to the warranty without charge, if the defect or malfunctioning tool or part is returned to Matco or its representative, shipping prepaid. There are certain limitations under the warranty, and you should read and understand the warranty policies. You must follow Matco's policies and procedures regarding returning tools for warranty claims. Among the procedures that you must follow is the requirement to send back the products with the appropriate paperwork, product specifications, codes and other required information. In addition, you must pay all freight and shipping charges to send the defective product to Matco. In most cases, Matco will pay the shipping and freight costs to send you a new or repaired tool, part or product.

Also, there are certain warranty service functions that you, as a Distributor, must perform. These include "in the field" repair of ratchets and toolboxes. You must purchase ratchet repair kits that range from \$10 to \$40 per kit. (Most of the kits are \$10). You must return the defective part to Matco, and pay the shipping/freight charges. Matco will credit the cost of the ratchet repair kit upon return of the defective parts to Matco. Matco includes ratchet repair instructions on its website for Distributors. You (and your Principal Owner or other employee) are not compensated for your time to make these repairs.

You are also responsible to perform minor warranty repairs on toolboxes within your List of Calls, such as drawer slides, casters (wheels), trim and/or drawer replacement if needed. Warranty repairs

are handled on a case-by-case basis after contacting Matco's Customer Service and/or Matco's toolbox manufacturing facility. There are no repair kits for toolboxes, and you are not required to purchase items to repair toolboxes under warranty.

Warranty repair service is the type of service that your customers expect from a Matco Distributor. Matco believes that it will help you build customer loyalty. You do not receive compensation from Matco for performing these services; however, Matco considers the cost of warranty service in setting discounts from the suggested retail price of the Products that it sells to Distributors. The amount of time expended by your Principal Owner or other employee on servicing your customers with warranty repairs will vary between customers. Matco reserves the right to change the warranties at any time which may result in additional warranty repairs for you.

- (I) Matco provides shipments of Products to you, in accordance with the terms of the Distributorship Agreement (see Article 6 of the Distributorship Agreement).
- (J) Matco provides periodic meetings with Matco personnel for your Principal Owner and Operator (and potentially other employees) for the purpose of additional training, Product updates, seminars, motivational programs, and group idea exchanges (see Article 4.3 of the Distributorship Agreement). These meetings are designed to support you in the growth of your business.
- (K) Matco provides you with computer software and support services in order to facilitate your operation of the Distributorship and the performance of your (and your Principal Owner's duties) in connection with the Distributorship (see Article 3.7 of the Distributorship Agreement).
- (L) Matco will make its then-current tool return policy available to you. The current policy provides that during the term of the Distributorship Agreement or after its expiration or termination, you may return for credit to your Open Purchase Account any eligible Products purchased from Matco and listed in the then current Matco Tools Price List, excluding special order and high obsolescence electronic products. You must pay for the packaging and shipping of such Products to Matco. The current tool return policy specifies that the tools and other products that are eligible for return for credit are new, unused, and not abused products that are in saleable condition, and in their original packaging. The products returned must be on the current inventory list and cannot be discontinued items. Matco generally tries to give Distributors at least 180 days' notice following an announcement that a product has been discontinued to return the product for credit. You may take advantage of the tool return policy at any time, such as if you have overstocked items, or wish to rotate or adjust the product mix in your inventory. Matco will credit your Open Purchase Account for the eligible returned Products less a restocking fee, which in most cases is 15% (of the original purchase price of the product). A good faith effort will be made by Matco to issue credit within 90 days of acceptance of the returned Products. The specific criteria for products that are eligible for return for credit is stated in Matco's tool return policy. Matco will revise its tool return policy at such times as it may determine, and will inform you in writing of any changes when made.

Neither the Distributorship Agreement nor any other agreement requires Matco to provide any other assistance or services to you during the operation of your Distributorship. As noted in Item 20 below, however, Matco has a policy under which it will offer Distributors a \$5,000 savings credit on their Open Purchase Account, and a free toolbox valued at a list price of \$12,150 for the first successful referral of a prospect who becomes a Matco distributor after the referral, with additional amounts Open Purchase Account credits and free tools or toolboxes for subsequent successful referrals within a 12-month period. Matco may modify this incentive policy from time to time.

Matco Distributor Advisory Councils

Matco does not have an advertising fund into which a Distributor must contribute, and Matco does not have local or regional advertising cooperatives in which Distributors are required to participate. Matco has a Matco Distributor Advisory Council (“MDAC”) system to foster and enhance communications between Distributors and Matco. The MDAC system is a strictly voluntary system, with MDACs at the district and regional level. MDAC representatives meet periodically with each other, with Distributors, and with Matco managers and executives to discuss a variety of system issues. Matco Distributors are not required to participate or pay any dues or other financial contributions.

(12) TERRITORY

Distributorship Agreement

You, your Principal Owner, and any Operator/employee will only be allowed to operate your Distributorship within a territory defined by a List of Calls (Exhibit A to the Distributorship Agreement.). The Distributorship Agreement sometimes refers to this as a “protected territory,” which is subject to the terms and conditions described in the Distributorship Agreement and disclosed in this Item 12. The List of Calls identifies the current number of Potential Customers at each business location on the List of Calls. Prior to establishing your List of Calls, Matco will conduct a survey of various prior Matco Distributor routes and potential new Distributor routes to determine a suitable List of Calls that contains, as of the date of the Distributorship Agreement, a minimum of 325 Potential Customers, the location of which will be identified on the List of Calls. Matco provides no assurance that the Potential Customers will actually become your customers, or that due to economics, demographics or other reasons, the number of actual or Potential Customers, and/or the businesses identified on the List of Calls, will not increase or decrease after the date of the Distributorship Agreement. Matco is under no obligation to supplement the List of Calls with additional stops or Potential Customers in the event the number of Potential Customers declines.

You must not operate the Distributorship or sell any Products at any location not identified on the List of Calls; or sell any Products to any entity, person, or business that is not located at an address identified on its List of Calls; or sell any Products to any person who does not work at a business that is located at an address identified on your List of Calls, even if that Potential Customer or location is adjacent to, or near, a location on your List of Calls. In addition, you must not sell Products to any customer who moves to a location or business not identified on the List of Calls. Any sale to a person, entity or business that is located at an address that is not identified on your List of Calls, or any sale to an individual who does not work at a business that is located at an address identified on your List of Calls, when that customer is located in another distributor’s “List of Calls,” constitutes a material event of default under the Distributorship Agreement.

As noted above, the Distributorship is a business which operates principally from a vehicle, and which is authorized to resell the Products pursuant to a List of Calls. If, and for so long as, you are in compliance with the Distributorship Agreement, Matco will not operate, or grant a license or franchise to operate, a Matco mobile Distributorship that will be authorized to sell Products to Potential Customers at locations on your List of Calls (see Article 1.3 of the Distributorship Agreement).

Except for the rights expressly granted to you and provided in the Distributorship Agreement, Matco retains all rights to sell, and license or authorize others to sell, Products to any customers, at any location, and through any channels or methods of distribution. Without limiting the foregoing, Matco retains the following rights, on any terms and conditions Matco deems advisable, and without granting you any rights therein:

1. Matco (and any affiliates, licensees or franchisees of Matco, if specifically permitted by Matco in writing) will have the absolute right to sell the Products, directly or indirectly, or through non-mobile distributors, including commercial sales representatives, (A) to industrial customers, industrial accounts, and owners of vehicle repair businesses (including businesses, entities, governmental agencies, and others, even if located near a Potential Customer or business on the List of Calls, who (i) have central purchasing functions, or (ii) may purchase and/or acquire special order products designed for multiple-party use, which are not included as part of Matco's regular or special purchase inventory list, or (iii) may purchase Products through a bidding process, such as railroads, airlines, manufacturers, governmental agencies and schools, (B) to industrial and multiple-line and multiple brand wholesale distributors who may resell such Products to any potential purchaser or customer, including your customers, and (C) to vocational training schools and programs, and to the students and employees of those schools and programs.

2. Matco (and any affiliates, licensees or franchisees of Matco, if specifically permitted by Matco in writing) will have the absolute right to sell the Products through (A) catalogs, (B) any current or future means of electronic commerce, including the Internet and Matco's Website (and including social media), and downloading and other electronic delivery of software applications and other products and services, and (C) at special and/or temporary venues (including race tracks, and other motor sports events).

3. Matco, and affiliates of Matco, may manufacture and/or sell products that are the same as or similar to the Products, and Matco's affiliates may sell such products directly, or indirectly through wholesalers, suppliers, distributors or others, to Potential Customers who are the same as or similar to your Potential Customers and actual customers on your List of Calls. Matco has no control over the sales or distribution methods or operations of its affiliates, and Matco has no liability or obligations to you due to any sales or distribution activities of Matco's affiliates. However, currently, neither Matco nor its affiliates have any plans to operate a franchise system under different trademarks that offer the same or similar products.

The Distributorship Agreement grants you the limited right to sell Products through the Distributorship, as described in the Distributorship Agreement. All sales of Products must be from the Mobile Store and not from any other location or through any other sales or distribution channels. For example, you must not sell the Products through (A) mail orders, telephone orders, and the use of catalogs distributed to potential customers, (B) any current or future means of electronic commerce, including the Internet (such as websites like Amazon or social media like Instagram) and Matco's website, and downloading and other electronic delivery of software applications and other products and services, and (C) at special and/or temporary venues (including race tracks, and other motor sports events). Further, all sales of Products must be to end-users, and not for the purpose of resale or to any person or entity who will or may, or who Distributor suspects will or may, resell such Product, through any channel of distribution. In the event Distributor or the Principal Owner knows of, learns of, or suspects that any person or entity is reselling or may resell any Products, the Distributor shall cease all future sales to such person and report such sales or suspicion to Matco.

Currently, Matco sells the Products through its commercial sales department and commercial accounts program which is described in Item 1. Matco also sells Products to the vocation school market (see Item 1). Except as set forth in Article 1.3, Article 1.4, and Article 3.4 of the Distributorship Agreement, there are no contractual limitations on the ability of Matco or any affiliate to establish other franchises or company-owned outlets or other channels of distribution selling or leasing similar products or services under the Matco® trademark or a different trademark. Matco will have no liability or obligation to you if any customer or Potential Customer of yours purchases or receives Products through any method or channel of distribution described above, or otherwise reserved to Matco. Further, Matco has in the past granted (A) distributorships that do not have any territorial restrictions or limitations on the distributor, and (B) distributorships that have territories in which the Distributor is not limited to selling Products to a specified number of customers. Matco will use its best efforts to deter such distributors, and other

distributors, from selling Products to Potential Customers on the List of Calls, but Matco cannot and does not provide you with any guaranty or assurance that such distributors will not offer and sell Products to your customers.

As discussed above, you will be granted a List of Calls and a designated number of Potential Customers. While we do not intend to grant any other Distributor the right to sell directly from its mobile store to your Potential Customers or List of Calls, you will not receive an exclusive territory. As discussed above, Matco has reserved certain rights to offer and sell products, and you may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

The continuation of your rights to sell Products to Potential Customers under the Distributorship Agreement is dependent on, and Matco may terminate the Distributorship Agreement if you fail to:

(A) at all times maintain a minimum inventory of Products sufficient to meet your obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of your existing and potential Customers, especially in terms of product availability and timeliness of delivery.

(B) on average, on a weekly basis, sell Products in an amount that meets or exceeds (a) 80% of the National Distributor Sales Average achieved by Distributors in the United States (“NDSA”), or (b) 80% of the District Distributor Sales Average (“DDSA”) for a Distributor’s district, whichever is less, based on your 12-month rolling average, or, if you have been operating the Distributorship for less than 12 months, based on your year-to-date average. As discussed in Item 8, your sales average will be based on the sales of all Products from your Distributorship as you report them through the MDDBS, or Matco’s then-required operating system. The NDSA is determined by dividing the total number of active Matco Distributors in the United States for any given weekly period during a calendar year into the year-to-date total dollar amount of qualifying Products sold by the Distributors. The DDSA is calculated in a similar manner as the NDSA, except the comparison group includes only Distributors in your district;

(C) maintain a minimum of a 60% ratio of a calculation of your year-to-date product purchases divided by your year-to-date sales;

(D) comply with the “Customer Service Standards” that we designate from time to time, which contemplate that your Principal Owner or other employee will make weekly sales calls and promote the System, such as promoting Products to each Potential Customer on your List of Calls.

For information regarding terminated and former Distributors, please see Item 20 (but note that the list of Distributors that were cancelled or terminated, or otherwise left the system, includes Distributors who voluntarily or involuntarily “separated” for reasons other than failure to attain 80% of the National Distributor Sales Average) or 80% of your District Distributor Sales Average, whichever is less.

If you wish to modify your List of Calls, including by adding a location or Potential Customers, you must submit a written request to Matco identifying the proposed changes to the List of Calls with an explanation for how the proposed changes to the List of Calls will help you achieve and meet Matco’s Customer Service Standards.

You will not have the right or option to acquire additional Distributorships without written approval from Matco’s Director, Franchise Program Development & Compliance. If you seek to acquire an additional Distributorship, you must be in compliance with your Distributorship Agreement and all Matco policies,

including compliance with the Distributor Plus Guidelines. In addition, you may have an ownership interest in a maximum of five Distributorships.

The 225 Program

New and existing Distributors who sign “225 Amendments” will operate their Distributorships by offering and selling Products exclusively at those locations identified on the List of Calls set forth in the 225 Amendment. There will be a minimum of 225 Potential Customers on the List of Calls. As long as you are compliant with the Distributorship Agreement and the 225 Amendment, Matco will not operate, or grant a license or a franchise to operate, a Matco mobile distributorship that will be authorized to sell Products to any Potential Customers or actual customers at locations identified on your List of Calls. Matco retains all other rights. See the discussion of Matco’s reserved rights above in this Item 12.

To maintain their right to sell Products to Potential Customers, new Distributors who sign 225 Amendments must:

(A) at all times maintain a minimum inventory of Products sufficient to meet your obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of your existing and potential Customers, especially in terms of product availability and timeliness of delivery.

(B) on average, on a weekly basis, sell Products in an amount that meets or exceeds the percentage of the NDSA and DDSA identified in their 225 Amendments. A 225 Distributorship will be subject to a lower NDSA or DDSA compliance target that is proportional to the reduction in the number of Potential Customers (which will be approximately 75% to 85% of the required 80% of the NDSA or DDSA requirement). For example, if Exhibit A to the 225 Amendment lists 250 Potential Customers, then the percentage for calculating compliance with the NDSA or DDSA would be $250 \div 325 = 76.92\%$. By rounding to a whole number, the percentage is 77%. And, 77% of 80% is equal to 61.6%. Assuming that the actual NDSA or DDSA was \$7,000, the Distributor would be obligated to generate year-to-date gross sales equal to 61.6% of the NDSA or DDSA, which would be 61.6% of \$7,000, which equals \$4,312.

(C) maintain a minimum of a 60% ratio of a calculation of the Distributor’s year-to-date product purchases divided by your year-to-date sales;

(D) comply with the “Customer Service Standards” that we designate from time to time, which contemplate that your Principal Owner or other employee will make weekly sales calls.

Existing Distributors (that signed Distributorship Agreements before March 10, 2014) who convert into 225 Distributors will not be subject to the NDSA or the DDSA. However, they will be subject to the terms and conditions of their Distributorship Agreements, which will include compliance with the Distributor purchase average performance requirement (as modified, proportionally, for the reduced number of Potential Customers). The standard forms of Matco 225 Amendment for new and existing Distributors are attached in Appendix L to this Disclosure Document.

Enhanced Territory Distributorships

From time to time, Matco may grant an existing Distributor an ETD with a List of Calls that includes more than 325 Potential Customers. Most of the aspects and elements of a Distributorship will apply to an ETD, except as stated below. To maintain its right to sell Products to Potential Customers in connection with an ETD, the Distributor must comply with the following additional terms and conditions:

- (A) There will be a greater number of Potential Customers on the List of Calls.
- (B) The required initial inventory will be greater than that of a standard Matco Distributorship (approximately \$76,590 to \$126,960, depending on the minimum number of Potential Customers, but generally \$110,400).
- (C) The ETD Distributor will be subject to a higher National Distributor Sales Average (or “NDSA”) or District Distributor Sales Average (or “DDSA”) compliance target. By way of example, if an ETD Distributor is granted 545 Potential Customers, then the percentage for calculating compliance with the NDSA or DDSA would be $545 \div 325 = 167.69\%$. By rounding to a whole number, the percentage is 168%. And, 168% of 80% is equal to 134%. If the actual NDSA or DDSA for the most recent fiscal year end was \$4,000, the Distributor would be obligated to generate gross sales equal to 134% of the NDSA or DDSA, which would be 134% of \$4,000, which equals \$5,360.

(14) PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents

While Matco and/or Danaher subsidiaries own or may own design patents and/or utility patents on tool chests and possibly other products that might be sold by a Distributor, there are no patents that are material to the Distributorship.

Confidential Operations Manual

In order to protect the reputation and goodwill of Matco and to maintain operating standards under the System and the Marks, you must conduct your business in accordance with the terms of the Distributorship Agreement and in compliance with the provisions of the Manual and any written directives issued by Matco.

Confidential Information

In addition to the Manual, Matco will provide you with other confidential business information and proprietary materials which relate to the operation of the Distributorship business. You must keep confidential, during and after the term of the Distributorship Agreement, the Manual and all such confidential business information and proprietary materials disclosed to you by Matco. You may not disclose the confidential information or proprietary materials to any person or use them for your benefit except in connection with the operation of your Distributorship business. You will be liable to Matco for damages caused by any breach of confidentiality.

(15) OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must use your best efforts to promote the sale of the Products and to provide service and warranty support to your actual and Potential Customers. You will be responsible for all aspects of managing the

business including, but not limited to, extending credit, budgeting, monitoring and collecting time payment accounts, sales, purchases, and inventory management and control. You will have sole responsibility for all employment decisions and functions related to the business, including hiring, firing, compensation, benefits, work hours, work rules, record keeping, supervision and discipline of your employees.

You must use your best efforts to timely and accurately enter and maintain, in its entirety, all business pertinent data on the MDDBS business system relative to the operation of the Distributorship, including but not limited to customer data, product data, sales, returns, warranty and payments. Transactions must be completed in strict compliance with Matco's standards, specifications and procedures, and any unauthorized adjustments, or non-compliant use or recordation of transactions (or failure to accurately record transactions) are prohibited.

As discussed in Item 12 above and in the Distributorship Agreement at Section 3.4, you must comply with our Customer Service Standards.

The Distributor must be a corporation, limited liability company, or other business entity. You must sign the acknowledgment attached to this Disclosure Document as Appendix E-2, which states that you understand and agree to this condition of owning a Distributorship.

The daily operations of the Distributorship must be conducted under the active full-time management of one Principal Owner who is designated on Exhibit P to the Distributorship Agreement, which may be through an Operator, employees, or otherwise. The Principal Owner must own at least a majority of the outstanding equity interests in you (at least 51%). The Principal Owner is the individual responsible for all communications between you and Matco, and the individual who has the right to enter into agreements on your behalf. The Principal Owner any other owners, as well as any other person whose assets are considered in any financing application, must sign the Guarantee, Indemnification, and Acknowledgment in the form attached to the Distributorship Agreement as Exhibit N. The Principal Owner must complete all training required by Matco. In addition, the Principal Owner, in connection with her or his duties in operating the Distributorship as an employee of Distributor, must comply with all of Matco's standards and requirements as they may be modified from time to time in the Manual or otherwise in writing. You may also designate a "Business Partner" who is one of your owners and who will assist the Principal Owner with aspects of operating the Distributorship.

Matco will conduct a detailed criminal background check of all prospective Principal Owners. The prospective Principal Owner of the Distributorship must consent to the background check, or Matco will not proceed with the evaluation of the prospective Distributor's application. Matco will bear the cost of conducting the background check(s).

Matco typically will not grant a Distributorship to a Distributor with more than two owners. However, we consider each application on a case-by-case basis. Any individual who owns any ownership interest in the Distributor (including the Principal Owner) must be designated on Exhibit P of the Distributorship Agreement as an owner.

A high standard of customer service is the cornerstone of Matco's System, and that customer service standard typically involves a one-on-one sales and service relationship between a Principal Owner, operating from a Matco mobile distributorship, and a Potential Customer.

Although the Distributorship is contemplated to be primarily supervised by and operated by the Principal Owner, you may appoint an "**Operator**" as an additional employee of the Distributorship. The decision to hire an individual as an Operator is your decision alone. However, if you participate in Matco's financing programs, you must notify Matco in the event that you desire to hire an Operator to operate the Mobile

Store, and you must obtain Matco's consent to hire an Operator. The Operator must meet Matco's educational, managerial, and operational experience and standards. If the Operator is a former Matco mobile tools distributor, the Operator must have been in good standing throughout the term of the Operator's distributorship agreement. Any individual who received a notice of termination from Matco, or who possessed an ownership interest in a distributorship that received a notice of termination from Matco, is deemed to not meet Matco's standards to be an Operator. You may also hire other employees, at your option.

You must agree to assure that all business information and materials disclosed to you and/or your Principal Owner or Operator will be kept confidential.

By executing a Distributorship Agreement with Matco, you are agreeing to establish and operate an independent Distributorship, the success of which depends on, among other things, your individual ability to operate your business, attract and retain qualified staff, and otherwise operate all phases of an independent business over which you will have substantial control. As an independent business owner, (i) the relationship created by the Distributorship Agreement is not a relationship between principal and agent, or that it is a fiduciary relationship; (ii) you are not Matco's employee and will not earn any wages, nor are you eligible for or receive any of the other benefits normally provided to employees, but rather your income will solely be the profits you earn from the operation of your Distributorship; (iii) Matco is not the employer or co-employer of any employee that you hire; (iv) all management, personnel, and training requirements are at your discretion and are your responsibility; (v) you are responsible for ensuring that your Distributorship operates in accordance with the law of the state, county, city, and town in which you operate; (vi) you alone are permitted to contract with your customers and that you are required to sign all contracts and agreements, including purchase agreements, using your independent business name; (vii) you are free to set the prices you charge your customers, so long as those charges comply with any and all policies we prescribe in the Manuals relating to maximum or minimum charges; (viii) your independent business judgment will be used to grow and develop your customer base within the defined List of Calls; and (ix) Matco is not liable for damages to any person or property arising directly, or indirectly, out of the operation of your Distributorship nor liable for any taxes, assessments, fines or penalties levied upon you or your Distributorship or arising out of your Distributorship.

(16) RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must not sell, offer for sale or distribute Products and other merchandise not purchased from Matco (or other designated suppliers) or approved by Matco or its affiliates except for items that are traded-in by your customers. To the extent you wish to sell, offer for sale, or distribute other products which you contend are ancillary to your Distributorship business, which are not competitive with any of the Matco Products, and do not diminish in any way Matco's reputation or good will (for example, hazardous materials or pornographic materials) you may request Matco's approval, by submitting to Matco, in writing, a description of those products with an explanation for why they are ancillary to the Distributorship business and are not competitive with existing Matco Products. You must not to sell, offer for sale or distribute any such products without Matco's prior written consent and you must discontinue the offer, sale, or distribution of any unapproved products immediately upon notice from Matco.

You must not operate the Distributorship or sell any Products at any location not identified on the List of Calls; or sell any Products to any entity, person, or business that is not located at an address identified on its List of Calls; or sell any Products to any person who does not work at a business that is located at an address identified on your List of Calls, even if that Potential Customer or location is adjacent to, or near, a location on your List of Calls. In addition, you must not sell Products to any customer who moves to a location or business not identified on the List of Calls. Any sale to a person, entity or business that is located at an address that is not identified on your List of Calls, or any sale to an individual who does not

work at a business that is located at an address identified on your List of Calls, when that customer is located in another distributor’s “List of Calls,” constitutes a material event of default under the Distributorship Agreement.

If you wish to modify your List of Calls, including by adding a location or Potential Customers, you must submit a written request to Matco identifying the proposed changes to the List of Calls with an explanation for how the proposed changes to the List of Calls will help you achieve and meet Matco’s Customer Service Standards.

You must also provide certain warranty service to your customers, including assisting Matco in honoring all warranties on Products. All Products are subject to the warranty and liability limitations of the written Product warranty of Matco. You must perform service on tools and equipment at the customer’s place of business. In connection with certain warranty services, you will have to purchase repair kits from Matco and perform the repair service. (See discussion in Item 6 and Item 11 regarding repair kits for ratchets and other items.)

To the extent that you are not qualified to repair a Product, you must assist the customer in getting the Product to the proper repair facility. This service is of the nature, type, and scope that is expected by Matco customers, and that Matco and its distributors has pledged to provide. You will not receive compensation from Matco for the time spent by your Principal Owner or other employee to perform “in the field” warranty repairs because Matco considers the cost of warranty service in setting discounts from the suggested retail price of Products we sell to you. It is not possible for Matco to estimate the amount of time that you or your employees will be required to spend on warranty work to properly service your customers, and Matco may change the warranties it offers on Products and its service standards relating to Products at any time.

Provided that you comply with the Distributorship Agreement and the requirements of the System, Matco will not impose any other restrictions upon you as to the goods or services which you may offer or to the customers to whom you may sell. Matco does not impose any restrictions or requirements concerning the prices at which the Products or other goods or services may be sold by you.

Provisions of the Distributorship Agreement giving Matco the right to terminate in the event of your bankruptcy may not be enforceable under federal bankruptcy law (11 U.S.C. Sec. 101, et seq.).

Notes:

1. If a state law requires any modifications to these provisions of the Distributorship Agreement, those modifications will be found in Appendix H, the State-Specific Disclosures and State-Specific Amendments to the Distributorship Agreement.
2. In addition to the provisions noted in the chart above, the Distributorship Agreement contains a number of provisions that may affect your legal rights, including a mutual waiver of a jury trial, mutual waiver of punitive or exemplary damages, and limitations on when claims may be raised. See the Distributorship Agreement Article 12. We recommend that you carefully review all of these provisions, and all of the contracts, with a lawyer.
3. If the Distributor has a claim or complaint, and before any claim is submitted to arbitration, Matco may, within its sole discretion, offer the Distributor the use of an Ombudsman to assist in resolving the claim or issue prior to initiating arbitration. The Ombudsman is a person trained in conflict resolution, and is hired or retained by Matco. Matco has no obligation to offer the use of an Ombudsman and will only offer it where Matco deems it appropriate as a method for resolving the claim or dispute prior to the initiation of arbitration. If offered, the Distributor is not required to use or work with the Ombudsman.

(18) PUBLIC FIGURES

Matco does not use any public figure to promote the Distributorships.

(19) FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Presented below in Sections 19-A and 19-B are certain operating and sales results from 1,545 Distributors during the period from January 1, 2023 through December 31, 2023. The four different charts in each Section display this data for the three different types of Matco Distributorships that a Distributor may operate: (1) the “standard” Distributorship, (2) the 225, and (3) the ETD. The other (first) chart in each Section displays this data for all Distributors in the system, including standard Distributorships, 225s, and ETDs. For the purposes of this Item 19, a standard Distributorship has between 325 and 349 Potential Customers, a 225 has fewer than 325 Potential Customers, and an ETD has 350 or more Potential Customers. In 2023, there were 1,326 standard Distributors, 47 225s, and 171 ETDs.

This Item 19 only includes operating data for Matco Distributors in the United States that operated pursuant to Distributorship Agreements with Matco and were in business for all of 2023. Matco is not providing, and this Item 19 does not reflect, information regarding Distributors who started during 2023, or those who left the system or stopped selling Products during 2023.

Section 19-A reflects the average gross revenue figures, referred to as “Average Total Completed Business,” for the Matco Distributors, which includes the revenue from the sales of Products and any other items that were sold by the Mobile Store. Section 19-A also includes the Median, and the Highest and Lowest gross revenue figures. The information is segregated into thirds, based on Total Completed Business. Section 19-B reflects the average weekly sales figures for the Matco Distributors in 2023. Section 19-B also includes the Median, and the Highest and Lowest weekly sales figures. The information in Section 19-A and Section 19-B is explained below. Please read carefully all of the information in this Item 19, and all of the notes following the data, in conjunction with your review of the historical data.

Notes for Section 19-A:

1. Chart 1 – *All Distributors*: Chart 1 chart reflects the operating data for 1,545 total Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023 and who reported sales for at least 48 weeks during 2023. The three groupings of Distributors in Chart 1 (Top 1/3, Middle 1/3 and Bottom 1/3) included 515 Distributors in the Top 1/3 group, 515 Distributors in the Middle 1/3 group, and 515 Distributors in the Bottom 1/3 group.

2. Chart 2 – *Standard Distributorships*: Chart 2 reflects the operating data for 1,326 standard Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023, who had between 325 and 349 Potential Customers, and who reported sales for at least 48 weeks during 2023. The three groupings of Distributors (Top 1/3, Middle 1/3 and Bottom 1/3) included 442 Distributors in the Top 1/3 group, 442 Distributors in the Middle 1/3 group, and 442 Distributors in the Bottom 1/3 group.

3. Chart 3 – *225s*: Chart 3 reflects the operating data for 47 total Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023, who had fewer than 325 Potential Customers, and who reported sales for at least 48 weeks during 2023. The three groupings of Distributors (Top 1/3, Middle 1/3 and Bottom 1/3) included 16 Distributors in the Top 1/3 group, 16 Distributors in the Middle 1/3 group, and 15 Distributors in the Bottom 1/3 group.

4. Chart 4 – *ETDs*: Chart 4 reflects the operating data for 172 total Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023, who had more than 350 Potential Customers, and who reported sales for at least 48 weeks during 2023. The three groupings of Distributors (Top 1/3, Middle 1/3 and Bottom 1/3) included 58 Distributors in the Top 1/3 group, 57 Distributors in the Middle 1/3 group, and 57 Distributors in the Bottom 1/3 group.

5. The term “Total Completed Business,” as used in Section 19-A, means the total cash or revenue a Distributor received during 2023 including sales tax collected, from the sale of all products and services. This includes revenue from the sale of Products and any other items that were sold by the Mobile Store. The revenue received by the Distributors is comprised of cash sales, Time Payment collections from previous sales, credits received by the Distributor from the sale of PSA (Purchase Security Agreements,

which are installment contracts; see Item 10 above), and cash received based on monthly invoices and customers (usually products sold to a shop or business, and not an individual). This does not include any Volume Payment to Terms bonus, or rebate payments.

6. The “Average” is calculated by adding the total business for all Distributors in the group, and dividing that number by the number of Distributors in the group.

7. The term “Median” means the data point that is in the center of all data points used. For example, in the “Top 1/3” group in Chart 1 (all Distributorships) there were 515 Matco Distributors. The “median” Total Completed Business of \$716,522 means that 259 of the 515 Distributors in the group had Total Completed Business greater than \$773,549 of the 515 Distributors with group had Total Completed Business of less than that figure, and one Distributor had Total Completed Business of exactly that figure.

8. The term “Highest” and “Lowest,” as used in Section 19-A, refers to the highest and lowest numbers in the range.

Notes for Section 19-B:

1. Chart 5 – *All Distributors*: Chart 5 reflects the operating data for 1,545 total Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023 and who reported sales for at least 48 weeks during 2023.
2. Chart 6 – *Standard Distributorships*: Chart 6 reflects the operating data for 1,326 standard Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023, who had between 325 and 349 Potential Customers, and who reported sales for at least 48 weeks during 2023.
3. Chart 7– *225s*: Chart 7 reflects the operating data for 47 total Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023, who had fewer than 325 Potential Customers, and who reported sales for at least 48 weeks during 2023.
4. Chart 8 – *ETDs*: Chart 8 reflects the operating data for 172 total Matco Distributors in the United States operating pursuant to Distributorship Agreements with Matco that were in business for all of 2023, who had more than 350 Potential Customers, and who reported sales for at least 48 weeks during 2023.
5. The terminology “National Distributor Sales Average” as used in Section 19-B means the total reported sales of all Products by the reporting Distributors in 2023 in each group, divided by the

number of weekly “close-outs” of those same Distributors. Each week the Distributors are required to report their sales of Products which are the gross selling price of all Products, whether or not the sale is for cash, for credit, or partial cash and partial credit, or trade-in. When a Distributor closes out its sales for the week, it triggers a report. The total sales for a year may not be reported for each of 52 weeks, as Distributors may not close out sales each week. Therefore, the annual National Sales Average may not represent 52 weeks of sales.

6. The terminology, “Median” means the data point that is in the center of all data points used. The Median amount of weekly Product sales in 2023 was \$9,217. This means that of the 1,545 Distributors reporting, 693 had weekly sales greater than \$9,217, and 693 had weekly sales less than \$9,217.
7. The terminology “Highest” and “Lowest,” as used in Section 19-B refers to the highest and lowest numbers in the range. The Highest amount of Product sales reported in a week during 2023 was \$37,099 and the Lowest amount was \$(224).
8. The number of Distributors reporting sales in 2023 was 1,545. The 1,545 Distributors were Matco Distributors in the United States who (i) were in business at the beginning of 2023, (ii) were operating at the end of 2023, and (iii) reported sales close-outs at least 48 weeks during 2023.
9. One of the differences between the “Total Completed Business” and “Sales” is that “Sales” (Section 19-B) reflects all sales, even if some of the payments have not been received, and “Total Completed Business” (Section 19-A) reflects sales only based on cash collected and PSA credits collected. Therefore, there is a difference due to timing and collections. Another difference between “Total Completed Business” and “Sales,” is that the figures reported by Distributors for Total Completed Business includes sales tax collected, and that the figures for Sales do not include sales tax.
10. The National Distributor Sales Average will be utilized in connection with the performance criteria discussed in Items 8 and 12. Also, as discussed in Items 8 and 12, Matco may utilize a “District” Distributor Sales Average to evaluate performance (but those figures are not reflected in this Item 19).

Notes for both Sections 19-A and 19-B, and this entire Item 19:

1. The data in the charts are obtained from the Distributors through the MDDBS system (see Item 11). As Distributors purchase Products from Matco, they also report on sales made and revenue received. A weekly sales report is generated if the Distributor places an order to purchase Products in a given week. Therefore, the information in the charts is based solely on data received from the Distributors through MDDBS. These figures have not been reviewed or audited by Matco.
2. During the time period covered by this financial performance representation—the 2023 calendar year—220 Distributors closed or ceased operations. Of these, 26 were open for less than 12 months, including 16 that closed or ceased operations pursuant to the Test Drive program that is described in Item 5.
3. Substantiation of the data used in preparing the materials in this Item 19 chart will be made available to you upon reasonable request.
4. Your sales, revenue and income will be affected by a variety of factors, including the sales and marketing skills of your Principal Owner; your Principal Owner’s or Operator’s frequency of visits to actual and Potential Customers; efforts to collect on unpaid invoices or installment contracts;

retail prices you charge for products; discounts you may offer; prevailing economic or market conditions; demographics; interest rates; your capitalization level; the amount and terms of any financing that you may secure; and your Principal Owner's business and management skills.

5. **Some distributors have sold this amount. Your individual results may differ. There is no assurance that you will sell as much.**
6. Other than revenue figures above, the charts do not include any estimate of, or specific or historic data regarding, costs, expenses or debts that a Distributor has incurred, or may in the future incur. We cannot predict or project your costs and expenses. The following is a list of the types of expenses that a Matco Distributor may incur:
 - Labor costs, including payroll, taxes and benefits (which may include health and/or life insurance, vacation, and pension plan contributions) for your Principal Owner or any other employee.
 - Cost of goods sold, which includes wholesale cost of products that may be offered.
 - Mobile Store costs, including lease or purchase payments, maintenance, gas, and similar costs.
 - Insurance.
 - Marketing and promotional costs.
 - Freight costs incurred with tool returns and warranty repairs, as well as those incurred for receiving shipments of certain items from Matco.

The types of expenses, and the amount of costs and expenses, are likely to vary from Matco Distributor to Matco Distributor and from list of calls to list of calls. These may not be all of the expenses that you may incur.

7. Prospective distributors should be aware that in evaluating a financial performance representation or an earnings claim that includes revenue or sales figures only, or does not include all costs of goods sold, operating expenses, and other expenses, that costs and expenses must be deducted from the gross revenue or gross sales figures to obtain net income or profit. This Item 19 financial performance representation does not include net income or profit.
8. The Matco Distributors whose results are reflected in Sections 19-A and 19-B have been operating a Matco Distributorship during 2023. Some of the Distributors have been operating their Matco Distributorship for many years, and may have developed a large and loyal customer base.
9. The information in this Item 19 reflects the historical aggregate results of 1,545 Matco Distributors in 2023. You are strongly advised to conduct an independent investigation of this opportunity to evaluate the expected or potential costs and expenses you will incur as a Matco Distributor. You should consult your attorney, accountant, and other professional advisors. Also, current and former Distributors listed in this Disclosure Document may be one source of information.
10. Other than the preceding financial performance representations in this Item 19, Matco does not make any financial performance representations. We do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing

an existing distributorship, however, we may provide you with the actual records of that business. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Nick Ridgway, Matco’s Director of Franchise and Compliance, at Matco Tools Corporation, 4403 Allen Road, Stow, Ohio, 44224, 330-929-4949, the Federal Trade Commission and the appropriate state regulatory agencies.

Attached as Appendix B is a list of the addresses and telephone numbers of our Active Distributors that are required to be disclosed under this Item. Attached as Appendix C is a list containing the name, city and state, and current business telephone number or last known home telephone number of every Distributor whose Matco Distributorship has, within the one-year period immediately preceding December 31, 2023,

been terminated, canceled, not renewed, or who has, during the same period, otherwise voluntarily or involuntarily ceased to do business as a Matco Distributor, or who has not communicated with Matco during the ten-week period preceding the date of this Disclosure Document. (Matco’s record of “no communication” indicates Distributors for whom there have been no purchases from Matco during the six-week period ended December 31, 2023.) If you buy a Matco Distributorship, your contact information may be disclosed to other buyers when you leave the franchise system.

In some instances, current or former Distributors sign provisions restricting their ability to speak openly about their experience with Matco. During the last three fiscal years, Matco has signed 133 confidentiality agreements with former Distributors as part of settlement agreements in conjunction with the conclusion and resolution of a dispute. You may wish to speak with current and former Distributors, but be aware that not all such Distributors will be able to communicate with you.

Matco has established the MDAC system, which consists of voluntary Matco Distributor Advisory Councils in different districts and regions. MDACs are designed to foster and facilitate an exchange of ideas between Matco and the Distributors. (See Item 11 above). As of the date of this Disclosure Document, Matco is not aware of any formal Matco Distributor associations that have been formed and have requested that Matco include them in this Disclosure Document. Matco is aware that one former Distributor claims to have started a group called “Matco Tools Distributor’s Association,” but the purported group has not requested inclusion in this Disclosure Document nor is Matco knowledgeable of (if any) members, organization, or contact information. Other than MDACs previously noted, as of the date of this Disclosure Document, there are no Matco Distributor associations in existence regardless of whether or not they use our trademark.

Matco currently has a policy under which it will offer a \$5,000 Open Purchase Account savings credit and a free toolbox with a total price of \$12,150, for the first successful referral of a prospect who becomes a Matco Distributor after the referral, with additional amounts of free tools or toolboxes for subsequent successful referrals in a 12-month period. Matco may modify this incentive policy from time to time. Washington distributors who receive financial incentives to refer franchise prospects to Matco may be required to register as franchise brokers under the laws of Washington State.

APPENDIX A: FINANCIAL STATEMENTS

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of Vontier Corporation

Opinion on Internal Control Over Financial Reporting

We have audited Vontier Corporation and subsidiaries' internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), (the COSO criteria). In our opinion, Vontier Corporation and subsidiaries (the Company) maintained, in all material respects, effective internal control over financial reporting as of December 31, 2023, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of December 31, 2023 and 2022 and the related consolidated statements of earnings and comprehensive income, changes in equity and cash flows for each of the three years in the period ended December 31, 2023, and the related notes and financial statement schedule listed in the index at Item 15(a) and our report dated February 15, 2024 expressed an unqualified opinion thereon.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Report of Management on Vontier Corporation's Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of Vontier Corporation

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Vontier Corporation and subsidiaries (the Company) as of December 31, 2023 and 2022, the related consolidated statements of earnings and comprehensive income, shareholders' equity and cash flows for each of the three years in the period ended December 31, 2023, and the related notes and financial statement schedule listed in the index at Item 15(a) (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2023, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 15, 2024 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which they relate.

Description of the Matter

Allowance for credit losses of commercial purchase security agreements

The Company's financing receivables portfolio and the associated allowance for credit losses for commercial purchase security agreements, were \$346.4 million and \$41.5 million as of December 31, 2023, respectively. As described in Note 2 to the consolidated financial statements, *Financial Instruments-Credit Losses (Topic 326)*, requires a forward-looking approach, based on expected losses to estimate credit losses on certain types of financial instruments, including trade accounts and financing receivables.

Auditing the Company's allowance for credit losses was challenging in that it requires significant judgment about the severity of credit losses, including the risk profile of each underlying receivable and expectations regarding the impact of current and future economic conditions on the creditworthiness of its customers.

How we Addressed the Matter in our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of management's controls over the allowance for credit losses including controls over the completeness and accuracy of underlying data.

To test the allowance for credit losses, our audit procedures included, among others, evaluating the methods and assumptions used by management, including comparing actual losses incurred to management's historical estimates, evaluating external economic and industry trends and evaluating the overall composition of the financing receivables portfolio.

/s/ Ernst & Young LLP

We have served as the Company's auditor since 2019.

VONTIER CORPORATION AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. BUSINESS OVERVIEW

Nature of Business

Vontier Corporation (“Vontier” or the “Company”) is a global industrial technology company uniting productivity, automation and multi-energy technologies to meet the needs of a rapidly evolving, more connected mobility ecosystem. As of December 31, 2023, the Company operates through three reportable segments which align to the Company’s three operating segments: (i) Mobility Technologies, which provides digitally enabled equipment and solutions to support efficient operations across the mobility ecosystem, including point-of-sale and payment systems, workflow automation solutions, telematics, data analytics, software platform for electric vehicle charging networks, and integrated solutions for alternative fuel dispensing; (ii) Repair Solutions, which manufactures and distributes aftermarket vehicle repair tools, toolboxes, automotive diagnostic equipment and software through a network of mobile franchisees; and (iii) Environmental & Fueling Solutions, which provides environmental and fueling hardware and software, and aftermarket solutions for global fueling infrastructure.

Vontier Corporation was incorporated in 2019 in connection with the separation of Vontier from Fortive Corporation (“Fortive” or “Former Parent”) on October 9, 2020, as an independent company (the “Separation”).

NOTE 2. BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying Consolidated Financial Statements present the Company’s historical financial position, results of operations, changes in equity and cash flows in accordance with generally accepted accounting principles in the United States of America (“GAAP”).

The Consolidated Financial Statements include all accounts of Vontier and its subsidiaries. All intercompany balances and transactions have been eliminated upon consolidation. The Consolidated Financial Statements also reflect the impact of noncontrolling interests. Noncontrolling interests do not have a significant impact on the Company’s consolidated results of operations, therefore, net earnings and net earnings per share attributable to noncontrolling interests are not presented separately in the Company’s Consolidated Statements of Earnings and Comprehensive Income. Net earnings attributable to noncontrolling interests have been reflected in selling, general and administrative expenses (“SG&A”) and were insignificant in all periods presented.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. The Company bases these estimates on historical experience, the current economic environment and on various other assumptions that are believed to be reasonable under the circumstances. However, uncertainties associated with these estimates exist and actual results may differ from these estimates.

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less at the date of purchase to be cash equivalents. Cash equivalents are valued at cost, plus accrued interest, which approximates fair value due to the short-term maturity of these instruments.

Accounts and Financing Receivables and Allowances for Credit Losses

All trade accounts and financing receivables are reported in the accompanying Consolidated Balance Sheets net of allowances for credit losses. The allowances for credit losses represent management’s best estimate of the credit losses expected from trade accounts and financing receivables portfolios. Determination of the allowances requires management to exercise judgment about the timing, frequency and severity of credit losses that could materially affect the provision for credit losses and, therefore, net earnings. The Company regularly performs detailed reviews of our portfolios to determine if an impairment has occurred and evaluate the collectability of receivables based on a combination of financial and qualitative factors that may affect customers’ ability to pay, including customers’ financial condition, collateral, debt-servicing ability, past payment experience and credit bureau information. In circumstances where the Company is aware of a specific customer’s inability to meet its financial obligations, a specific reserve is recorded against amounts due to reduce the recognized receivable to the amount reasonably expected to be collected.

Additions to the allowances for credit losses are charged to current period earnings and amounts determined to be uncollectible are charged directly against the allowances. Any amounts recovered on accounts that were previously written-off reduces the amounts charged to current period earnings. If the financial condition of our customers were to deteriorate, resulting in an impairment of their ability to make payments, additional reserves would be required. The Company does not believe that accounts and financing receivables represent significant concentrations of credit risk because of the diversified portfolio of individual customers and geographical areas. Expense associated with credit losses was \$42.5 million, \$32.2 million and \$36.8 million for the years ended December 31, 2023, 2022 and 2021, respectively.

Financing Receivables

The Company estimates its allowance to reflect expected credit losses over the remaining contractual life of the asset. Assets with similar risk characteristics are pooled for this measurement based on attributes which includes asset type, duration, and/or credit risk rating. The future expected losses of each pool are estimated based on numerous quantitative and qualitative factors reflecting management's estimate of collectability over the remaining contractual life of the pooled assets, including:

- portfolio duration;
- historical, current, and forecasted future loss experience by asset type;
- historical, current, and forecasted delinquency and write-off trends;
- historical, current, and forecasted economic conditions; and
- historical, current, and forecasted credit risk.

Inventories

Inventories include the costs of material, labor and overhead and are stated at the lower of cost or net realizable value primarily using the first-in, first-out ("FIFO") method. The net realizable value of inventory, which is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal and transportation, is estimated based on assumptions of future demand and related pricing.

Property, Plant and Equipment

Property, plant and equipment are carried at cost. Provisions for depreciation have been computed principally by the straight-line method based on the estimated useful lives of the depreciable assets which are generally as follows:

Category	Useful Life
Buildings	30 years
Leased assets and leasehold improvements	Amortized over the lesser of the economic life of the asset or the term of the lease
Machinery, equipment and other	3 – 10 years

Estimated useful lives are periodically reviewed and, when appropriate, changes to estimates are made prospectively.

Other Assets

Other assets principally include contract assets, deferred tax assets and other investments.

Fair Value of Financial Instruments

Financial instruments consist primarily of trade accounts receivable, financing receivables, equity securities, obligations under trade accounts payable and short and long-term debt. Due to their short-term nature, the carrying values for trade accounts receivable, trade accounts payable and short-term debt approximate fair value. Refer to Note 11. Financing for the fair value of the Company's long-term debt and Note 8. Fair Value Measurements for the fair values of the Company's other financial instruments.

Goodwill and Other Intangible Assets

Goodwill arises from the purchase price for acquired businesses exceeding the fair value of tangible and intangible assets acquired less assumed liabilities. In accordance with accounting standards related to business combinations, neither goodwill nor indefinite-lived intangible assets are amortized; however, certain definite-lived identifiable intangible assets, primarily customer relationships, acquired technology and trade names, are amortized over their estimated useful lives. Refer to Note 7. Goodwill and Other Intangible Assets for additional information regarding our goodwill and other intangible assets.

The goodwill of each of the Company's reporting units is assessed for impairment at least annually as of the first day of the fourth quarter or more frequently if events and circumstances indicate that goodwill may not be recoverable. When evaluating for impairment, the Company may first perform a qualitative assessment to determine whether it is more likely than not that a reporting unit or indefinite-lived intangible asset is impaired. The Company's decision to perform a qualitative impairment assessment for an individual reporting unit or indefinite-lived intangible assets in a given year is influenced by a number of factors, inclusive of the size of the reporting unit's goodwill, the significance of the excess of the reporting unit's estimated fair value over carrying value at the last quantitative assessment date, the amount of time in between quantitative fair value assessments and the date of acquisition.

In the first quarter of 2023, the Company realigned its internal organization, as further discussed in Note 16. Segment Information, which resulted in a decrease in the number of reporting units for goodwill impairment testing from seven reporting units to five reporting units. For historical reporting units that were divided among our new reporting units after the realignment, the Company used the relative fair value method to reallocate goodwill to the new reporting units. The Company performed a qualitative goodwill impairment test immediately prior to and following the change in reporting units. Factors considered in the qualitative assessment included general macroeconomic conditions, industry and market conditions, cost factors, overall financial performance of the reporting units, events or changes affecting the composition or carrying value of the net assets of the reporting units, information related to market multiples of peer companies and other relevant entity specific events. Based on the assessment, the Company determined on the basis of the qualitative and quantitative factors that the fair values of the reporting units were more likely than not greater than their respective carrying values both immediately prior to and following the change in reporting units, and therefore, a quantitative test was not required.

As part of the Company's 2023 annual impairment analysis, the Company elected to apply the qualitative goodwill impairment assessment guidance in ASC 350-20, *Goodwill*, for all four of the Company's reporting units as of the assessment date, or approximately \$1.7 billion of goodwill as of the assessment date. Factors considered in the qualitative assessment include general macroeconomic conditions, industry and market conditions, cost factors, overall financial performance of the reporting units, events or changes affecting the composition or carrying value of the net assets of the reporting units, information related to market multiples of peer companies and other relevant entity specific events. Based on the assessment, the Company determined on the basis of the qualitative and quantitative factors that the fair values of the reporting units were more likely than not greater than their respective carrying values, and therefore, a quantitative test was not required.

If the Company does not perform a qualitative assessment, or if it determines that it is not more likely than not that the fair value of the reporting unit or indefinite-lived intangible asset exceeds its carrying amount, impairment is determined by using a quantitative approach. The Company identifies potential impairment by comparing the fair value of each reporting unit, determined using various valuation techniques, with the primary technique being a discounted cash flow analysis, to its carrying value. If the carrying amount of the reporting unit exceeds the fair value, an impairment loss is recognized.

Identified intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the related carrying amounts may not be recoverable. Determining whether an impairment loss occurred requires a comparison of the carrying amount to the sum of undiscounted cash flows expected to be generated by the asset. Intangible assets with indefinite lives are tested at least annually for impairment. In these analyses, management considers general macroeconomic conditions, industry and market conditions, cost factors, financial performance and other entity and asset specific events and may require management to make judgments and estimates about future revenues, expenses, market conditions and discount rates related to these assets.

No goodwill or other intangible assets impairment charges were recorded during the years ended December 31, 2023, 2022 and 2021.

Insurance Liabilities

The Company is self-insured for certain losses related to medical claims. The Company has stop-loss coverage to limit the exposure arising from medical claims. In addition, the Company has deductible-based insurance policies for certain losses related to general liability, workers' compensation and automobile.

Debt Issuance Costs

Debt issuance costs relating to the Company's term loan and senior note facilities are recorded as a direct reduction of the carrying amount of the related debt. These costs are deferred and amortized to interest expense using the effective interest method, over the respective terms of the related debt.

Debt issuance costs relating to the Company's revolving credit facilities are recorded in Other assets on the Consolidated Balance Sheets. These costs are deferred and amortized to interest expense using the straight-line method over the respective terms of the related debt.

Revenue Recognition

Revenue is recognized when control of promised products or services is transferred to customers in an amount that reflects the consideration we expect to be entitled to in exchange for those products or services.

Product sales include revenues from the sale of products and equipment, which includes our software-as-a-service (“SaaS”) product offerings, equipment rentals, and interest income related to our financing receivables.

Service sales includes revenues from extended warranties, post-contract customer support (“PCS”), maintenance contracts or services, and services related to previously sold products.

Revenues associated with the Company’s interest income related to financing receivables are recognized to approximate a constant effective yield over the contract term.

For revenue related to a product or service to qualify for recognition, the Company must have an enforceable contract with a customer that defines the goods or services to be transferred and the payment terms related to those goods or services. Further, collection of substantially all consideration for the goods or services transferred must be probable based on the customer’s intent and ability to pay the promised consideration. The Company applies judgment in determining the customer’s ability and intention to pay, which is based on a combination of financial and qualitative factors, including the customers’ financial condition, collateral, debt-servicing ability, past payment experience and credit bureau information.

Customer allowances and rebates, consisting primarily of volume discounts and other short-term incentive programs, are considered in determining the transaction price for the contract; these allowances and rebates are reflected as a reduction in the contract transaction price. Significant judgment is exercised in determining product returns, customer allowances and rebates, which are estimated based on historical experience and known trends.

Most of the Company’s sales contracts contain standard terms and conditions. The Company evaluates contracts to identify distinct goods and services promised in the contract, the performance obligations. Sometimes this evaluation involves judgment to determine whether the goods or services are highly dependent on or highly interrelated with one another, or whether such goods or services significantly modify or customize one another. Certain customer arrangements, including our SaaS product offerings, include multiple performance obligations, typically hardware, installation, training, consulting, services and/or PCS. These elements are often delivered within the same reporting period, however, the Company’s SaaS, PCS and other subscription-based and extended contracts may extend beyond one year. The Company allocates the contract transaction price to each performance obligation using the observable price that the good or service sells for separately in similar circumstances and to similar customers, and/or a residual approach when the observable selling price of a good or service is not known and is either highly variable or uncertain. Allocating the transaction price to each performance obligation may require judgment.

The Company’s principal terms of sale are FOB Shipping Point, or equivalent, and, as such, the Company primarily records revenue upon shipment as the Company has transferred control to the customer at that point and our performance obligations are satisfied. The Company evaluates contracts with delivery terms other than FOB Shipping Point and recognizes revenue when the Company has transferred control and satisfied the performance obligations. If any significant obligation to the customer with respect to a sales transaction remains to be fulfilled following shipment (typically installation, other services noted above or acceptance by the customer), revenue recognition is deferred until such obligations have been fulfilled. Further, revenue related to separately priced extended warranty and product maintenance agreements is deferred when appropriate and recognized as revenue over the term of the agreement.

Shipping and Handling

Shipping and handling costs are included as a component of Cost of sales in the Consolidated Statements of Earnings and Comprehensive Income. Revenue derived from shipping and handling costs billed to customers is included in Sales in the Consolidated Statements of Earnings and Comprehensive Income.

Advertising

Advertising costs are expensed as incurred and are included as a component of Selling, general and administrative expenses in the Consolidated Statements of Earnings and Comprehensive Income.

Research and Development

The Company conducts research and development activities for the purpose of developing new products, enhancing the functionality, effectiveness, ease of use and reliability of existing products and expanding the applications for which uses of the Company’s products are appropriate. Research and development costs are expensed as incurred.

Restructuring

The Company periodically initiates restructuring activities to appropriately position its cost base relative to prevailing economic conditions and associated customer demand as well as in connection with certain acquisitions. Costs associated with restructuring actions can include termination benefits and related charges in addition to facility closure, contract termination and other related activities, and are recorded when the associated liability is incurred. Refer to Note 17. Restructuring and Other Related Charges for additional information.

Foreign Currency Translation and Transactions

Exchange rate adjustments resulting from foreign currency transactions are recognized in Net earnings, whereas effects resulting from the translation of financial statements are reflected as a component of Accumulated other comprehensive income within equity. Assets and liabilities of subsidiaries operating outside the United States with a functional currency other than U.S. dollars are translated into U.S. dollars using year-end exchange rates and income statement accounts are translated at weighted average exchange rates. Net foreign currency transaction gains or losses were not material in any of the periods presented.

Accounting for Stock-Based Compensation

The Company accounts for stock-based compensation by measuring the cost of employee services received in exchange for all equity awards granted, including stock options, restricted stock units (“RSUs”) and performance stock units (“PSUs”), based on the fair value of the award as of the grant date.

The fair value of each stock option issued was estimated on the date of the grant using the Black-Scholes option pricing model which incorporates the following assumptions to value stock-based awards:

Risk-free interest rate: The risk-free rate of interest for periods within the contractual life of the option is based on a zero-coupon U.S. government instrument whose maturity period equals or approximates the option’s expected term.

Volatility: Since the Company does not have sufficient history to estimate the expected volatility of its common share price, expected volatility is based on a blended approach that uses the volatility of the Company’s common stock for periods in which the Company has information and the volatility for selected reasonably similar publicly traded companies for periods in which the historical information is not available.

Dividend yield: The expected dividend yield is calculated by dividing our annualized dividend, based on the Company’s history of declared dividends, by the Company’s stock price on the grant date.

Expected years until exercise: The expected term of stock options granted is based on an estimate of when options will be exercised in the future. As the Company does not have sufficient history to estimate its expected term, the Company applied the simplified method of estimating the expected term of the options, as described in the SEC’s Staff Accounting Bulletins 107 and 110. The expected term, calculated under the simplified method, is applied to all stock options which have similar contractual terms. Using this method, the expected term is determined using the average of the vesting period and the contractual life of the stock options granted.

The fair value of RSUs and PSUs with performance-based vesting conditions is calculated using the closing price of the Company’s common stock on the date of grant less a discount due to the lack of participation in the Company’s dividend by RSU holders. The fair value of PSUs with market-based vesting conditions is calculated using a Monte Carlo pricing model.

Stock-based compensation expense is recognized net of an estimated forfeiture rate on a straight-line basis over the requisite service period of the award, with the expense for PSUs with performance-based vesting conditions adjusted based on the likelihood of future achievement of the performance metrics.

Income Taxes

In accordance with GAAP, deferred tax assets and liabilities are determined based on the difference between the financial statement and tax basis of assets and liabilities using enacted rates expected to be in effect during the year in which the differences reverse. Deferred tax assets generally represent items that can be used as a tax deduction or credit in the Company’s tax return in future years for which the tax benefit has already been reflected on the Consolidated Statements of Earnings and Comprehensive Income. Deferred tax liabilities generally represent items that have already been taken as a deduction on our tax return but have not yet been recognized as an expense in the Consolidated Statements of Earnings and Comprehensive Income. The effect on deferred tax assets and liabilities due to a change in tax rates is recognized in income tax expense in the period that includes the enactment date.

Deferred tax assets are reduced by a valuation allowance if, based on the weight of available evidence, it is more likely than not, a likelihood of more than 50 percent, that some portion or all of the deferred tax assets will not be realized. The Company evaluates the realizability of deferred tax assets for each of the jurisdictions in which it operates. If there is cumulative pretax income in a particular jurisdiction in the three-year period including the current and prior two years, the Company generally concludes that the deferred tax assets will more likely than not be realizable and no valuation allowance is recognized, unless known or planned operating developments would lead management to conclude otherwise. However, if there are cumulative pretax losses in a particular jurisdiction in the three-year period including the current and prior two years, the Company then considers a series of factors in the determination of whether the deferred tax assets can be realized. These factors include historical operating results, known or planned operating developments, the period of time over which certain temporary differences will reverse, consideration of the utilization of certain deferred tax liabilities, tax law carryback capability in the particular country, and prudent and feasible tax planning strategies. After evaluation of these factors, if the deferred tax assets are expected to be realized within the tax carryforward period allowed for by that specific country, the Company would conclude that no valuation allowance would be required. To the extent that the deferred tax assets exceed the amount that is expected to be realized within the tax carryforward period for a particular jurisdiction, a valuation allowance is established.

Tax benefits from uncertain tax positions are recognized only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the Consolidated Financial Statements from such positions are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Judgment is required in evaluating tax positions and determining income tax provisions. The Company reevaluates the technical merits of its tax positions and may recognize an uncertain tax benefit in certain circumstances, including when: (i) a tax audit is completed; (ii) applicable tax laws change, including a tax case ruling or legislative guidance; or (iii) the applicable statute of limitations expires. Potential accrued interest and penalties associated with unrecognized tax positions are recognized as a component of Provision for income taxes in the Consolidated Statements of Earnings and Comprehensive Income. Refer to Note 15. Income Taxes for additional information.

Pension and Other Postretirement Benefit Plans

Pension assets and obligations are measured to determine the funded status as of the end of the Company's fiscal year. An asset is recognized for an overfunded status or a liability is recognized for an underfunded status. Changes in the funded status of the pension plans are recognized in the year in which the changes occur and are reported in other comprehensive income. Refer to Note 12. Employee Benefit Plans for additional information.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

Recently Adopted Accounting Standards

In March 2022, the Financial Accounting Standards Board ("FASB") issued ASU 2022-02, Financial Instruments – Credit Losses (Topic 326): Troubled Debt Restructurings and Vintage Disclosures ("ASU 2022-02"), which requires enhanced disclosure of certain loan refinancings and restructurings by creditors when a borrower is experiencing financial difficulty while eliminating certain current recognition and measurement accounting guidance. This ASU also requires the disclosure of current-period gross write-offs by year of origination for financing receivables and net investments in leases. ASU 2022-02 became effective for the Company's annual and interim periods beginning on January 1, 2023. The Company has disclosed current-period gross write-offs in Note 4. Financing and Trade Receivables, while the other provisions of ASU 2022-02 did not have a material impact on the Company's financial statements.

In March 2020, the FASB issued ASU 2020-04, Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting ("ASU 2020-04") and in January 2021 issued ASU 2021-01, Reference Rate Reform (Topic 848): Scope. In December 2022, the FASB issued ASU 2022-06, Reference Rate Reform (Topic 848): Deferral of the Sunset Date of Topic 848, to defer the sunset date of ASU 2020-04 from December 31, 2022 to December 31, 2024. These ASUs provide temporary optional expedients and exceptions to existing guidance on contract modifications and hedge accounting to facilitate the market transition from existing reference rates, such as the London Inter-bank Offered Rate ("LIBOR") which is being phased out, to alternate reference rates, such as the Secured Overnight Financing Rate ("SOFR"). These standards were effective upon issuance and allowed application to contract changes as early as January 1, 2020. The Company has transitioned all debt that historically referenced LIBOR to alternate reference rates, utilizing certain practical expedients to account for the modifications prospectively.

Recently Issued Accounting Standards Not Yet Adopted

In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures (“ASU 2023-09”), which requires consistent categories and greater disaggregation of information in the rate reconciliation and disaggregation of income taxes paid by jurisdiction. ASU 2023-09 is effective for the Company’s annual financial statements for the year ended December 31, 2025, with early adoption permitted. Prospective application is required, with retrospective application permitted. The Company is currently assessing the impact ASU 2023-09 will have on its consolidated financial statements.

In November 2023, the FASB issued ASU 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures (“ASU 2023-07”), which enhances segment disclosures primarily by requiring disclosure of significant segment expenses. ASU 2023-07 is effective for the Company’s annual financial statements for the year ended December 31, 2024, and for its interim financial statements beginning with the first fiscal quarter of the year ended December 31, 2025, with early adoption permitted. Retrospective application is required. The Company is currently assessing the impact ASU 2023-07 will have on its consolidated financial statements.

NOTE 3. ACQUISITIONS

The Company has completed a number of acquisitions that have been accounted for as purchases and resulted in the recognition of goodwill in its financial statements. This goodwill arises because the purchase price for each acquired business reflects a number of factors including the complementary fit, the acceleration of its strategy, the synergies the business brings to existing operations, the future earnings and cash flow potential of the business, the potential to add other strategically complementary acquisitions to the acquired business, the scarce or unique nature of the business in its markets, the competition to acquire the business, the valuation of similar businesses in the marketplace (as reflected in a multiple of revenues, earnings or cash flows) and the avoidance of the time and costs which would be required (and the associated risks that would be encountered) to enhance the Company’s existing offerings to key target markets and develop new and profitable businesses.

A preliminary purchase price allocation is made at the date of acquisition based on an initial understanding of the fair value of the acquired assets and assumed liabilities. As additional information about these assets and liabilities is obtained, the estimates of fair value are refined and the preliminary purchase price allocation is adjusted during the applicable measurement period for items identified as of the acquisition date.

To determine the fair value of the acquired intangible assets and certain previously held equity interests related to its acquisitions, management utilized significant unobservable inputs (Level 3 in the fair value hierarchy) and was required to make judgements and estimates about future results such as revenues, margin, net working capital and other valuation assumptions such as useful lives, royalty rates, technology obsolescence, attrition rates and discount rates. Intangible assets consisting of technology and trade names were valued using a relief from royalty method or using a multi-period excess earnings method while customer relationships were valued using a multi-period excess earnings method. These assumptions are forward-looking and could be affected by future economic and market conditions.

Acquisition-related costs are included in Selling, general and administrative expenses in the Consolidated Statements of Earnings and Comprehensive Income.

The Company did not make any acquisitions during the year ended December 31, 2023. The following describes the Company’s acquisition activity during the years ended December 31, 2022 and 2021.

2022 Acquisitions

Driivz

On February 7, 2022, the Company acquired the remaining 81% of the outstanding shares of Driivz Ltd. (“Driivz”) for \$152.5 million, net of cash received. Driivz, which is based in Israel, is a cloud-based subscription software platform supporting electric vehicle charging infrastructure (“EVCI”) providers with operations management, energy optimization, billing and roaming capabilities, as well as driver self-service apps. The acquisition of Driivz accelerates the Company’s portfolio diversification and e-mobility strategies and positions the Company to capitalize on the global EVCI market opportunities.

The acquisition of Driivz was accounted for as a business combination and, accordingly, the assets acquired and the liabilities assumed have been recorded at their respective fair values as of the acquisition date. The goodwill is attributable to the workforce of the acquired business, future market opportunities and the expected synergies with the Company’s existing operations. The majority of the goodwill derived from this acquisition is not deductible for tax purposes.

The Company's final purchase price allocation is as follows:

(\$ in millions)	Final Purchase Price Allocation	Weighted Average Amortization Period
Accounts receivable	\$ 1.0	
Technology	56.3	8.0
Customer relationships	28.1	13.0
Trade names	9.2	16.0
Goodwill	125.7	
Other assets	2.9	
Accrued expenses and other current liabilities	(12.5)	
Other long-term liabilities	(15.2)	
Purchase price, net of cash received	<u>\$ 195.5</u>	

The Company recorded certain adjustments to the preliminary purchase price allocation during the measurement period resulting in a net decrease of \$5.2 million to goodwill.

The carrying value of the Company's approximately 19% interest in Driivz prior to the acquisition was \$10.3 million, which historically was carried at cost. In connection with the acquisition, this investment was remeasured to a fair value of \$43.0 million resulting in the recognition of an aggregate noncash gain of \$32.7 million during the year ended December 31, 2022, which was included in Gain on previously held equity interests from combination of business in the Consolidated Statements of Earnings and Comprehensive Income.

The Company has not disclosed post-acquisition or pro forma revenue and earnings attributable to Driivz as it did not have a material effect on the Company's results. Driivz is presented in the Company's Mobility Technologies segment.

Invenco

On August 31, 2022, the Company acquired all of the outstanding equity interests of Invenco Group Ltd. ("Invenco") for \$83.1 million, net of cash received. The purchase price includes contingent consideration measured at \$6.1 million, which can reach up to \$100.0 million based on achieving certain revenue targets. Invenco, which is based in New Zealand, is a global provider of self-service payment and microservice solutions with a range of products including outdoor payment terminals, electronic payment servers, payment switches and cloud services. The acquisition of Invenco further advances the Company's portfolio diversification and accelerates its digital strategy.

The acquisition of Invenco was accounted for as a business combination and, accordingly, the assets acquired and the liabilities assumed have been recorded at their respective fair values as of the acquisition date. The final purchase price allocation was as follows: (i) \$35.7 million to definite-lived intangible assets consisting of developed technology, customer relationships and a trade name with a weighted average amortization period of approximately five years, (ii) \$33.0 million to goodwill and (iii) \$14.4 million to other net assets. The goodwill is attributable to the workforce of the acquired business, future market opportunities and the expected synergies with the Company's existing operations. The majority of the goodwill derived from this acquisition is not deductible for tax purposes. The Company recorded certain adjustments to the preliminary purchase price allocation during the measurement period resulting in a net increase of \$5.7 million to goodwill.

The Company has not disclosed post-acquisition or pro forma revenue and earnings attributable to Invenco as it did not have a material effect on the Company's results. Invenco is presented in the Company's Mobility Technologies segment.

Other Acquisitions

In addition to the acquisitions noted above, during the year ended December 31, 2022, the Company acquired all of the outstanding equity interests in two other businesses for \$43.4 million, net of cash received. The purchase price includes \$5.5 million of contingent consideration, which is based on future revenues of the acquired business and is unlimited. Both of these acquisitions align with the Company's portfolio diversification strategy and enable opportunities in new end markets.

The Company has not disclosed post-acquisition or pro forma revenue and earnings attributable to these acquisitions as they did not have a material effect on the Company's results, individually or in aggregate. These acquisitions are presented in the Company's Mobility Technologies segment.

2021 Acquisitions***DRB Systems, LLC***

On September 13, 2021, the Company acquired all of the outstanding equity interests of DRB Systems, LLC (“DRB”), a leading provider of point-of-sale, workflow software and control solutions to the car wash industry, for \$955.8 million in cash. This acquisition aligns with the Company’s portfolio diversification strategy and enables opportunities in new end markets. DRB is presented in the Company’s Mobility Technologies segment.

The acquisition of DRB was accounted for as a business combination and, accordingly, the assets acquired and the liabilities assumed have been recorded at their respective fair values as of the acquisition date. The goodwill is attributable to the workforce of the acquired business, future market opportunities and the expected synergies with the Company’s existing operations. The majority of goodwill derived from this acquisition is deductible for tax purposes.

The final purchase price allocation is as follows:

(\$ in millions)	<u>Final Purchase Price Allocation</u>	<u>Weighted Average Amortization Period</u>
Accounts receivable	\$ 14.0

NOTE 4. FINANCING AND TRADE RECEIVABLES

Financing receivables are comprised of commercial purchase security agreements originated between the Company’s franchisees and technicians or independent shop owners that are assumed by the Company (“PSAs”) and commercial loans to the Company’s franchisees (“Franchisee Notes”) in the Repair Solutions segment. Financing receivables are generally secured by the underlying tools and equipment financed.

PSAs are installment sales contracts originated between the franchisee and technicians or independent shop owners which enable these customers to purchase tools and equipment on an extended-term payment plan. PSA payment terms are generally up to five years. Upon origination, the Company assumes the PSA by crediting the franchisee’s trade accounts receivable. As a result, originations of PSAs are non-cash transactions. The Company records PSAs at amortized cost.

Franchisee Notes have payment terms of up to 10 years and include financing to fund business startup costs including: (i) installment loans to franchisees used generally to finance inventory, equipment, and franchise fees; and (ii) lines of credit to finance working capital, including additional purchases of inventory.

Revenues associated with the Company’s interest income related to financing receivables are recognized to approximate a constant effective yield over the contract term. Accrued interest is included in Accounts receivable, less allowance for credit losses on the Consolidated Balance Sheets and was insignificant as of December 31, 2023 and 2022.

Product sales to franchisees and the related financing income is included in Cash flows from operating activities in the accompanying Consolidated Statements of Cash Flows.

It is the Company's general practice to not engage in contract or loan modifications of existing arrangements for troubled debt restructurings. In limited instances, the Company may modify certain impaired receivables with customers in bankruptcy or other legal proceedings, or in the event of significant natural disasters. Restructured financing receivables as of December 31, 2023 and 2022 were insignificant.

Credit score and distributor tenure are the primary indicators of credit quality for the Company's financing receivables. Depending on the contract, payments for financing receivables are due on a monthly or weekly basis. Weekly payments are converted into a monthly equivalent for purposes of calculating delinquency. Delinquencies are assessed at the end of each month following the monthly equivalent due date and are considered delinquent once past due.

The amortized cost basis and current period gross write-offs of PSAs and Franchisee Notes by origination year as of and for the year ended December 31, 2023 is as follows:

Past Due

PSAs are considered past due when a contractual payment has not been made. If a customer is making payments on its account, interest will continue to accrue. The table below sets forth the aging of the Company's PSA balances as of:

(\$ in millions)	30-59 days past due	60-90 days past due	Greater than 90 days past due	Total past due	Total not considered past due	Total	Greater than 90 days past due and accruing interest

December 31, 2022	3.6	1.8	6.9	12.3	308.3	320.6	6.9

Franchisee Notes are considered past due when payments have not been made for 21 days after the due date. Past due Franchisee Notes (where the franchisee had not yet separated) were insignificant as of December 31, 2023 and 2022.

Uncollectable Status

PSAs are deemed uncollectable and written off when they are both contractually delinquent and no payment has been received for 180 days.

Franchisee Notes are deemed uncollectable and written off after a distributor separates and no payments have been received for one year.

The Company stops accruing interest and other fees associated with financing receivables when (i) a customer is placed in uncollectable status and repossession efforts have begun; (ii) upon receipt of notification of bankruptcy; (iii) upon notification of the death of a customer; or (iv) other instances in which management concludes collectability is not reasonably assured.

Allowance for Credit Losses Related to Financing Receivables

The Company calculates the allowance for credit losses considering several factors, including the aging of its financing receivables, historical credit loss and portfolio delinquency experience and current economic conditions. The Company also evaluates financing receivables with identified exposures, such as customer defaults, bankruptcy or other events that make it unlikely it will recover the amounts owed to it. In calculating such reserves, the Company evaluates expected cash flows, including estimated proceeds from disposition of collateral, and calculates an estimate of the potential loss and the probability of loss. When a loss is considered probable on an individual financing receivable, a specific reserve is recorded.

The following is a rollforward of the PSAs and Franchisee Notes components of the Company's allowance for credit losses related to financing receivables as of December 31:

NOTE 8. FAIR VALUE MEASUREMENTS

Accounting standards define fair value based on an exit price model, establish a framework for measuring fair value for assets and liabilities required to be carried at fair value and provide for certain disclosures related to the valuation methods used within the valuation hierarchy as established within the accounting standards. This hierarchy prioritizes the inputs into three broad levels as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets in markets that are not active, or other observable characteristics for the asset or liability, including interest rates, yield curves and credit risks, or inputs that are derived principally from, or corroborated by, observable market data through correlation.
- Level 3 inputs are unobservable inputs based on our assumptions.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Below is a summary of financial assets and liabilities that are measured at fair value on a recurring basis as of:

(\$ in millions)	Quoted Prices in Active Market (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
December 31, 2023				
Contingent consideration liabilities	\$ —	\$ —	\$ 9.3	\$ 9.3

Equity Securities

The Company historically held a minority interest in Tritium Holdings Pty, Ltd ("Tritium"). On January 13, 2022, Tritium announced that it completed a business combination with Decarbonization Plus Acquisition Corporation II to make Tritium a publicly listed company on NASDAQ under the symbol "DCFC". Once Tritium became publicly traded, the Company recorded its investment at fair value in Equity securities measured at fair value on the Consolidated Balance Sheets with changes in the value recorded in Unrealized loss on equity securities measured at fair value on the Consolidated Statements of Earnings and Comprehensive Income and the Consolidated Statements of Cash Flows.

During the year ended December 31, 2022, the Company sold shares of Tritium stock and recognized a loss of \$3.1 million. During the first quarter of 2023, the Company sold its remaining interest in Tritium and recognized a loss of \$0.9 million. These losses are presented in Other non-operating expense, net on the Consolidated Statements of Earnings and Comprehensive Income and Loss on equity investments in the Consolidated Statements of Cash Flows.

Contingent Consideration

The fair value of the contingent consideration liabilities relates to potential payments to previous owners of acquired companies contingent on the achievement of certain revenue targets. The Company records a liability for contingent consideration in the purchase price for acquisitions at fair value on the acquisition date, and remeasures the liability at each reporting date, based on the Company's estimate of the expected probability of achievement of the contingency targets. This estimate is based on significant unobservable inputs and represents a Level 3 measurement within the fair value hierarchy.

Deferred Compensation

Certain management employees participate in the Company's nonqualified deferred compensation programs that permit such employees to defer a portion of their compensation, on a pretax basis, until after their termination of employment. All amounts deferred under such plans are unfunded, unsecured obligations and are presented as a component of our compensation and benefits accrual included in Other long-term liabilities on the Consolidated Balance Sheets. Participants may choose among investment options for the amounts they defer, which are primarily based on investment options within our defined contribution plans for the benefit of U.S. employees ("401(k) Programs") (except that the earnings rates for amounts contributed unilaterally by the Company are entirely based on changes in the value of the Company's common stock). Changes in the deferred compensation liability under these programs are recognized based on changes in the fair value of the participants' accounts, which are based on the applicable earnings rates.

Non-recurring Fair Value Measurements

Certain assets and liabilities are carried on the accompanying Consolidated Balance Sheets at cost and are not remeasured to fair value on a recurring basis. These assets include finite-lived intangible assets, which are tested when a triggering event occurs, and goodwill and identifiable indefinite-lived intangible assets, which are tested for impairment at least annually as of the first day of the fourth quarter or more frequently if events and circumstances indicate that the asset may not be recoverable.

As of December 31, 2023, assets carried on the balance sheet and not remeasured to fair value on a recurring basis were \$1.7 billion of goodwill and \$568.3 million of identifiable intangible assets, net.

NOTE 9. ACCRUED EXPENSES AND OTHER LIABILITIES

Estimated warranty costs are generally accrued at the time of sale. In general, manufactured products are warranted against defects in material and workmanship when properly used for their intended purpose, installed correctly and appropriately maintained. Warranty period terms depend on the nature of the product and range from 90 days up to the life of the product. The amount of the accrued warranty liability is determined based on historical information such as past experience, product failure rates or number of units repaired, estimated cost of material and labor, and in certain instances, estimated property damage. The accrued warranty liability is reviewed on a quarterly basis and may be adjusted as additional information regarding expected warranty costs becomes known.

The following is a rollforward of the accrued warranty liability:

NOTE 10. LEASES

The Company determines if an arrangement is or contains a lease at inception. The Company has operating leases for office space, warehouses, distribution centers, research and development facilities, manufacturing locations, and certain equipment, primarily automobiles. For lease agreements with both lease and non-lease components, the Company has elected the practical expedient for all underlying asset classes to account for the lease and related non-lease component(s) as a single lease component. Many leases include one option to renew, some of which include options to extend the lease for up to 15 years, and some of which include options to terminate the leases within one year. Options to renew are included in the measurement of right-of-use assets and lease liabilities if it is determined they are reasonably certain to be exercised. The Company primarily uses its incremental borrowing rate as the discount rate for its leases, as the Company is generally unable to determine the interest rate implicit in the lease. Finance leases were immaterial for the years ended December 31, 2023, 2022 and 2021, respectively.

The Consolidated Financial Statements include the following amounts related to operating leases for the years ended December 31:

(\$ in millions)	2023	2022	2021
Consolidated Statements of Earnings and Comprehensive Income			
Operating lease cost	\$ 23.9	\$ 22.6	\$ 21.5
Consolidated Statements of Cash Flows			
Cash paid for amounts included in the measurement of operating lease liabilities	23.6	20.3	20.5
Right-of-use assets obtained in exchange for operating lease obligations	16.4	13.3	19.8

Short-term and variable lease cost and sublease income were immaterial for the years ended December 31, 2023, 2022 and 2021, respectively.

The weighted average remaining lease term and weighted average discount rate of our operating leases were as follows as of December 31:

	2023	2022
Weighted average remaining lease term	4.7 years	4.6 years
Weighted average discount rate	5.0 %	4.0 %

The following table presents the maturity of the Company's operating lease liabilities as of December 31, 2023:

We made interest payments of \$94.7 million, \$67.5 million and \$37.1 million during the years ended December 31, 2023, 2022 and 2021, respectively, related to the Company's long-term debt.

Credit Facilities

A&R Credit Agreement

On April 28, 2021, the Company executed an amended and restated credit agreement (the "A&R Credit Agreement"), which consists of a \$400.0 million three-year term loan (the "Three-Year Term Loans Due 2024") and a \$750.0 million Revolving Credit Facility. Two of the Company's wholly-owned subsidiaries are Guarantors under the A&R Credit Agreement. The A&R Credit Agreement addresses the discontinuation of LIBOR and its impact on U.S. dollar and multicurrency loans.

The A&R Credit Agreement contains various affirmative and negative covenants, including financial reporting requirements and limitations on indebtedness, liens, mergers, consolidations, liquidations and dissolutions, sales of assets, dividends and other restricted payments, investments (including acquisitions) and transactions with affiliates. Certain affirmative covenants, including certain reporting requirements and requirements to establish cash dominion accounts with the administrative agent, are triggered by failing to maintain availability under the credit facility at or above specified thresholds or by the existence of an event of default under the facility.

The A&R Credit Agreement contains covenants which require a maximum consolidated leverage ratio of 3.75 to 1.0 and a minimum consolidated interest coverage ratio of 3.50 to 1.0.

The A&R Credit Agreement contains events of default customary for facilities of this nature, including, but not limited, to: (i) events of default resulting from the Borrowers' failure or the failure of any credit party to comply with covenants (including the above-referenced financial covenants during periods in which the financial covenants are tested); (ii) the occurrence of a change of control; (iii) the institution of insolvency or similar proceedings against the Borrowers or any credit party; and (iv) the occurrence of a default under any other material indebtedness the Borrowers or any guarantor may have. Upon the occurrence and during the continuation of an event of default, subject to the terms and conditions of the A&R Credit Agreement, the lenders will be able to declare any outstanding principal balance of our Credit Facility, together with accrued and unpaid interest, to be immediately due and payable and exercise other remedies, including remedies against the collateral, as more particularly specified in the A&R Credit Agreement. As of December 31, 2023, the Company was in compliance with its debt covenants under the A&R Credit Agreement.

Three-Year Term Loans Due 2024

The Three-Year Term Loans Due 2024, which mature on October 28, 2024, bear interest at a variable rate equal to SOFR plus an 11.4 basis points SOFR adjustment, plus a ratings-based margin which was 112.5 basis points as of December 31, 2023. The interest rate was 6.60% per annum as of December 31, 2023. The Company is not obligated to make repayments prior to the maturity date, but did voluntarily repay \$300.0 million during the year ended December 31, 2023. The Company is not permitted to re-borrow once repayment is made. There was no material difference between the carrying value and the estimated fair value of the debt outstanding as of December 31, 2023.

Revolving Credit Facility

As of December 31, 2023, there were no borrowings outstanding and \$750.0 million of borrowing capacity under the Revolving Credit Facility. The Revolving Credit Facility bears interest at a variable rate equal to SOFR plus an 11.4 basis points SOFR adjustment, plus a ratings-based margin which was 117.5 basis points as of December 31, 2023. The Revolving Credit Facility requires the Company to pay lenders a commitment fee for unused commitments of 0.125% to 0.325% based on the ratings grid.

Three-Year Term Loans Due 2025

On October 28, 2022 the Company entered into a three-year, \$600.0 million senior unsecured delayed draw term loan (the “Three-Year Term Loans Due 2025”) with a syndicate of lenders. The Company’s two wholly-owned subsidiaries which are Guarantors under the A&R Credit Agreement are also Guarantors under the Three-Year Term Loans Due 2025. On December 30, 2022, the Company drew the entire \$600.0 million and used the proceeds to pay off other debt obligations.

The Three-Year Term Loans Due 2025, which mature on December 30, 2025, bear interest at a variable rate equal to SOFR plus a 10.0 basis points credit spread adjustment plus a ratings-based margin which was 125.0 basis points as of December 31, 2023. The interest rate was 6.71% per annum as of December 31, 2023. The Company is not obligated to make repayments prior to the maturity date. The Company is not permitted to re-borrow once the Three-Year Term Loans Due 2025 are repaid and there is no further ability to draw on the facility.

As of December 31, 2023, there was no material difference between the carrying value and the estimated fair value of the debt outstanding.

Senior Unsecured Notes

On March 10, 2021, the Company completed the private placement of each of the following series of senior unsecured notes (collectively, the “Notes”) to qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended (the “Securities Act”) and outside the United States to non-U.S. persons in compliance with Regulation S under the Securities Act:

- \$500.0 million aggregate principal amount of senior notes due April 1, 2026 (the “2026 Notes”) issued at 99.855% of their principal amount and bearing interest at the rate of 1.800% per year;
- \$500.0 million aggregate principal amount of senior notes due April 1, 2028 (the “2028 Notes”) issued at 99.703% of their principal amount and bearing interest at the rate of 2.400% per year; and
- \$600.0 million aggregate principal amount of senior notes due April 1, 2031 (the “2031 Notes”) issued at 99.791% of their principal amount and bearing interest at the rate of 2.950% per year.

The Company received approximately \$1.6 billion in net proceeds from the issuance of the Notes, which was partially offset by discounts of \$3.5 million and debt issuance costs of \$13.9 million. The Company used the net proceeds to repay \$1.4 billion of debt with the remainder used for working capital and other general corporate purposes.

In connection with the issuance of the Notes, the Company entered into a registration rights agreement, pursuant to which the Company was obligated to use commercially reasonable efforts to file with the U.S. Securities and Exchange Commission, and cause to be declared effective within 365 days, a registration statement with respect to an offer to exchange (the “Registered Exchange Offer”) each series of Notes for registered notes with terms that are substantially identical to the Notes of each series. The Registered Exchange Offer was completed on January 18, 2022. Substantially all of the Notes were tendered and exchanged for the corresponding Registered Notes in the Registered Exchange Offer.

The Registered Notes are fully and unconditionally guaranteed (the “Guarantees”), on a joint and several basis, by Gilbarco Inc. and Matco Tools Corporation, two of Vontier’s wholly-owned subsidiaries (the “Guarantors”). Interest on the Registered Notes is payable semi-annually in arrears on April 1 and October 1 of each year, and commenced on October 1, 2021. The Registered Notes and the Guarantees are the Company’s and the Guarantors’ general senior unsecured obligations.

The Company may redeem some or all of each series of the Registered Notes at any time prior to the dates specified in the Registered Notes indenture (the “Call Dates”) at a redemption price equal to the greater of (i) 100% of the principal amount of the Registered Notes of such series to be redeemed, and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on such series of the Registered Notes to be redeemed discounted to the date of redemption on a semi-annual basis at the applicable Treasury Rate plus 20 basis points in the case of the 2026 Notes and 2028 Notes and plus 25 basis points in the case of the 2031 Notes, plus the accrued and unpaid interest. Call dates for the 2026 Notes, 2028 Notes and 2031 Notes are March 1, 2026, February 1, 2028 and January 1, 2031, respectively.

If a change of control triggering event occurs, the Company will, in certain circumstances, be required to make an offer to repurchase the Registered Notes at a purchase price equal to 101% of the aggregate principal amount plus accrued and unpaid interest. A change of control triggering event is defined as the occurrence of both a change of control and a rating event, each as defined in the Registered Notes indenture. Except in connection with a change of control triggering event, the Registered Notes do not have any credit rating downgrade triggers that would accelerate the maturity of the Registered Notes.

The Registered Notes contain customary covenants, including limits on the incurrence of certain secured debt and sale-leaseback transactions. None of these covenants are considered restrictive to the Company’s operations and as of December 31, 2023, the Company was in compliance with all of the covenants under the Registered Notes.

The estimated fair value of the Registered Notes was \$1.4 billion as of December 31, 2023. The fair value of the Registered Notes was determined based upon Level 2 inputs including indicative prices based upon observable market data. The difference between the fair value and the carrying amounts of the Registered Notes may be attributable to changes in market interest rates and/or the Company’s credit ratings subsequent to the incurrence of the borrowing.

Short-term Borrowings

As of December 31, 2023, certain of the Company's businesses were in a cash overdraft position, and such overdrafts are included in Short-term borrowings and current portion of long-term debt on the Consolidated Balance Sheets. Additionally, the Company has other short-term borrowing arrangements with various banks to facilitate short-term cash flow requirements in certain countries also included in Short-term borrowings and current portion of long-term debt on the Consolidated Balance Sheets. Given the nature of the short-term borrowings, the carrying value approximates fair value as of December 31, 2023.

Interest payments associated with the above short-term borrowings were not significant for the years ended December 31, 2023, 2022 and 2021.

NOTE 12. EMPLOYEE BENEFIT PLANS

Defined Benefit Pension Plans

Certain employees participate in noncontributory defined benefit pension plans. In general, the Company's policy is to fund these plans based on considerations relating to legal requirements, underlying asset returns, the plan's funded status, the anticipated deductibility of the contribution, local practices, market conditions, interest rates and other factors.

The pension benefit obligations of the Company's plans were \$14.9 million and \$14.6 million as of December 31, 2023 and 2022, respectively. The fair value of the plan assets was \$8.2 million and \$7.6 million as of December 31, 2023 and 2022, respectively, and include the use of Level 1 and Level 2 inputs in determining the fair value. As of December 31, 2023 and 2022, the underfunded status of the plans was \$6.7 million and \$7.0 million, respectively, and was included in Accrued expenses and other current liabilities and Other long-term liabilities in the Consolidated Balance Sheets. The assumptions used in calculating the benefit obligations for the plans are dependent on the local economic conditions and were measured as of December 31, 2023 and 2022. The net periodic benefit costs were \$0.7 million, \$0.7 million and \$0.6 million for the years ended December 31, 2023, 2022 and 2021, respectively.

Defined Contribution Plans

The Company administers and maintains 401(k) Programs. Contributions are determined based on a percentage of compensation. For the years ended December 31, 2023, 2022 and 2021, compensation expense for participating U.S. employees in the 401(k) Programs was \$49.3 million, \$41.0 million and \$40.0 million, respectively.

NOTE 14. SALES

Refer to a discussion of the Company's significant accounting policies regarding sales in Note 2. Basis of Presentation and Summary of Significant Accounting Policies.

Contract Assets

In certain circumstances, contract assets are recorded which include unbilled amounts typically resulting from sales under contracts when revenue recognized exceeds the amount billed to the customer, and right to payment is subject to contractual performance obligations rather than subject only to the passage of time. Contract assets were \$6.8 million and \$12.3 million as of December 31, 2023 and 2022, respectively, and are included in Prepaid expenses and other current assets in the accompanying Consolidated Balance Sheets.

Contract Costs

The Company incurs direct incremental costs to obtain certain contracts, typically costs associated with assets used by our customers in certain service arrangements and sales-related commissions. As of December 31, 2023 and 2022, the Company had \$90.9 million and \$88.6 million, respectively, in revenue-related capitalized contract costs primarily related to assets used by the Company's customers in certain software contracts, which are recorded in Prepaid expenses and other current assets, for the current portion, and Other assets, for the noncurrent portion, in the accompanying Consolidated Balance Sheets. These assets have estimated useful lives between 3 and 5 years and are amortized on a straight-line basis. Total expense related to net revenue-related capitalized contract costs was \$41.0 million, \$34.6 million and \$39.2 million for the years ended December 31, 2023, 2022 and 2021, respectively.

Impairment losses recognized on our revenue-related capitalized contract costs were insignificant during the years ended December 31, 2023, 2022 and 2021.

Contract Liabilities

The Company's contract liabilities consist of deferred revenue generally related to customer deposits, post contract support ("PCS") and extended warranty sales. In these arrangements, the Company generally receives up-front payment and recognizes revenue over the support term of the contracts where applicable. Deferred revenue is classified as current or noncurrent based on the timing of when revenue is expected to be recognized and is included in Accrued expenses and other current liabilities and Other long-term liabilities, respectively, in the accompanying Consolidated Balance Sheets.

The Company's contract liabilities consisted of the following as of December 31:

(\$ in millions)	2023	2022
Deferred revenue, current	\$ 132.4	\$ 135.2
Deferred revenue, noncurrent	53.6	48.7
Total contract liabilities	\$ 186.0	\$ 183.9

During the year ended December 31, 2023, the Company recognized \$101.8 million of revenue related to the Company's contract liabilities at December 31, 2022. The change in contract liabilities from December 31, 2022 to December 31, 2023 was primarily due to the timing of cash receipts and sales of PCS and extended warranty services.

Remaining Performance Obligations

Remaining performance obligations represent the transaction price allocated to performance obligations which are unsatisfied as of the end of the period. The Company has excluded performance obligations with an original expected duration of one year or less and amounts for variable consideration allocated to wholly-unsatisfied performance obligations. Remaining performance obligations as of December 31, 2023 were \$536.1 million, the majority of which are related to software-as-a-service and extended warranty and service contracts. The Company expects approximately 70 percent of the remaining performance obligations will be fulfilled within the next two years, 85 percent within the next three years, and 90 percent within four years.

Disaggregation of Revenue

Revenue from contracts with customers is disaggregated by sales of products and services and geographic location for each of our reportable segments, as it best depicts how the nature, amount, timing and uncertainty of our revenue and cash flows are affected by economic factors.

Disaggregation of revenue was as follows for the year ended December 31, 2023:

The Company's valuation allowance increased by \$0.4 million during the current year.

As of December 31, 2023, the Company has federal, various state, and foreign net operating losses in the amounts of \$9.9 million, \$45.0 million, and \$240.8 million, respectively. These net operating loss carryforwards have various expiration periods beginning in 2023, including some with no expiration.

Effective Tax Rate

The effective tax rate for the years ended December 31 varies from the U.S. statutory federal tax rate as follows:

	Percentage of Pretax Earnings		
	2023	2022	2021
Statutory federal income tax rate	21.0 %	21.0 %	21.0 %
Increase (decrease) in tax rate resulting from:			
State income taxes (net of federal income tax benefit)	3.6 %	4.0 %	3.9 %
Non-U.S. income taxed at different rate than U.S. statutory rate	(0.2)%	0.7 %	0.7 %
Foreign derived intangible income taxation	(0.9)%	(1.4)%	(1.5)%
Nontaxable income	(1.3)%	(0.9)%	(1.0)%
Uncertain tax positions	3.3 %	0.3 %	0.2 %
Tax credits	(2.2)%	(1.3)%	(1.0)%
Business reorganizations and divestitures	(1.5)%	— %	— %
Other	0.2 %	1.5 %	0.4 %
Effective income tax rate	22.0 %	23.9 %	22.7 %

Our effective tax rate for the years ended December 31, 2023, 2022 and 2021 differs from the U.S. federal statutory rate of 21.0% due primarily to the effect of state taxes, foreign derived intangible income, tax credits and non-taxable income. Additionally, for the year ended December 31, 2023, there was a favorable impact related to business reorganizations and divestitures which was offset by an increase to uncertain tax positions.

We made income tax payments of \$126.0 million, \$167.2 million and \$218.3 million during the years ended December 31, 2023, 2022 and 2021, respectively.

Unrecognized Tax Benefits

Gross unrecognized tax benefits were \$27.0 million (\$31.3 million total, including \$5.1 million associated with interest and penalties, and net of the impact of \$0.8 million of indirect tax benefits) and \$14.0 million (\$15.7 million total, including \$2.0 million associated with interest and penalties, and net of the impact of \$0.3 million of indirect tax benefits) as of December 31, 2023 and 2022, respectively. The Company recognized \$3.2 million, \$1.1 million, and \$0.3 million in potential interest and penalties associated with uncertain tax positions during the years ended December 31, 2023, 2022, and 2021, respectively. To the extent taxes are not assessed with respect to uncertain tax positions, substantially all amounts accrued (including interest and penalties and net of indirect offsets) will be reduced and reflected as a reduction of the overall income tax provision. Unrecognized tax benefits and associated accrued interest and penalties are included in the income tax provision.

A reconciliation of the beginning and ending amount of unrecognized tax benefits, excluding amounts accrued for potential interest and penalties, is as follows as of December 31:

(\$ in millions)	2023	2022	2021
Unrecognized tax benefits, beginning of year	\$ 14.0	\$ 14.1	\$ 17.4
Additions based on tax positions related to the current year	11.8	1.0	2.7
Additions for tax positions of prior years	2.9	1.2	0.2
Reductions for tax positions of prior years	(0.5)	(1.1)	(2.9)
Lapse of statute of limitations	(0.4)	—	—
Settlements	(0.9)	(0.9)	(2.9)
Effect of foreign currency translation	0.1	(0.3)	(0.4)
Unrecognized tax benefits, end of year	\$ 27.0	\$ 14.0	\$ 14.1

The Company is routinely examined by various domestic and international taxing authorities. The amount of income taxes paid is subject to audit by federal, state and foreign tax authorities, which may result in proposed assessments. The Company is subject to examination in the United States, various states and foreign jurisdictions. Prior to the Separation, the Company's operating results were included in Fortive's various consolidated U.S. federal and certain state income tax returns, as well as certain non-U.S. returns. In connection with the Separation, the Company entered into a Tax Matters Agreement with Fortive. In accordance with the Tax Matters Agreement with Fortive, the Company is liable for taxes arising from examinations of the following: (i) the Company's initial

U.S. federal taxable year which includes the post-separation period; (ii) separate company state tax returns for all periods; (iii) joint state tax returns for the post-separation period; (iv) international separate company returns for all periods; and (v) joint international tax returns that include only Vontier legal entities for all periods. Global tax positions are reviewed on a quarterly basis. Based on these reviews, the results of discussions and resolutions of matters with certain tax authorities, tax rulings and court decisions and the expiration of statutes of limitations reserves for contingent tax liabilities are accrued or adjusted as necessary. The Company does not believe that the total amount of unrecognized tax benefits will change by a material amount within the next 12 months due to the settlement of audits and expirations of statutes of limitations.

The IRS started an examination of the Company's initial U.S. federal income tax return for the post-separation period in 2020. At this point, no material issues or adjustments have been identified. The Company remains subject to U.S. Federal income tax audit for 2021 and 2022. The Company is subject to tax audits for its state income tax returns for post-Separation 2020 as well as 2021 and 2022. The Company remains subject to tax audits for its separate company tax returns in various U.S. states for the tax years 2011 to 2022. Our operations in certain foreign jurisdictions remain subject to routine examinations for the tax years 2014 to 2022.

Repatriation and Unremitted Earnings

As of December 31, 2023, the Company's undistributed earnings of its foreign subsidiaries are intended to be permanently reinvested in non-U.S. operations. The operating plans, budgets and forecasts, and long-term and short-term financial requirements of the parent company and the subsidiaries indicate that there is no current or known future need to distribute cash from foreign subsidiaries for any purpose. Therefore, no deferred taxes have been recorded. A determination of the amount of the unrecognized deferred tax liability related to these undistributed earnings is not practicable due to the complexity and variety of assumptions necessary based on the manner in which the undistributed earnings would be repatriated.

NOTE 16. SEGMENT INFORMATION

In the first quarter of 2023, the Company realigned its internal organization to align with the Company's strategy, resulting in changes to the Company's operating segments. Historically, the Company operated through one reportable segment comprised of two operating segments: (i) Mobility Technologies and (ii) Diagnostics and Repair Technologies. Subsequent to the realignment, the Company now operates through three reportable segments which align to the Company's three operating segments: (i) Mobility Technologies, (ii) Repair Solutions and (iii) Environmental & Fueling Solutions.

The Company's Global Traffic Technologies and Coats businesses, which were divested during April 2023 and January 2024, respectively, are presented in Other for periods prior to the divestitures. Refer to Note 21. Divestitures and Assets and Liabilities Held for Sale for further discussion of the Company's Global Traffic Technologies and Coats businesses.

Segment operating profit is used as a performance metric by the chief operating decision maker ("CODM") in determining how to allocate resources and assess performance. Segment operating profit represents total segment sales less operating costs attributable to the segment, which does not include unallocated corporate costs and other operating costs not allocated to the reportable segments as part of the CODM's assessment of reportable segment operating performance, including stock-based compensation expense, amortization of acquisition-related intangible assets, restructuring costs, transaction- and deal-related costs, and other costs not indicative of the segment's core operating performance. As part of the CODM's assessment of the Repair Solutions segment, a capital charge based on the segment's financing receivables portfolio is assessed by Corporate (the "Repair Solutions Capital Charge"). The unallocated corporate and other operating costs are presented in Corporate & other unallocated costs in the reconciliation to earnings before income taxes below.

Intersegment sales primarily result from solutions developed by the Mobility Technologies segment that are integrated into products sold by the Environmental & Fueling Solutions segment. Intersegment sales are recorded at cost plus a margin which is intended to reflect the contribution made by the Mobility Technologies segment. Segment operating profit includes the operating profit from intersegment sales. Intersegment sales for the years ended December 31, 2022 and 2021 are not significant and have been eliminated in the segments' results.

The Company's CODM does not review any information regarding total assets on a segment basis.

Prior period segment results have been presented in conformity with the Company's new reportable segments. Segment results for the years ended December 31 were as follows:

NOTE 17. RESTRUCTURING AND OTHER RELATED CHARGES

Restructuring and other related charges for the years ended December 31 were as follows:

(\$ in millions)	<u>2023</u>	<u>2022</u>	<u>2021</u>
Employee severance related	\$ 19.0	\$ 10.6	\$ 11.5
Facility exit and other related	6.2	0.9	1.6
Total restructuring and other related charges	<u>\$ 25.2</u>	<u>\$ 11.5</u>	<u>\$ 13.1</u>

Substantially all restructuring activities initiated in 2023 were completed by December 31, 2023. We expect substantially all cash payments associated with remaining termination benefits recorded in 2023 will be paid during 2024. Substantially all planned restructuring activities related to the 2022 and 2021 plans have been completed.

The nature of restructuring and related activities initiated in the years ended December 31, 2023, 2022 and 2021 focused on improvements in operational efficiency through targeted workforce reductions and facility consolidations and closures. We incurred these costs to provide superior products and services to our customers in a cost efficient manner, and taking into consideration broad economic uncertainties.

The table below summarizes the accrual balance and utilization by type of restructuring cost associated with our restructuring actions:

(\$ in millions)	<u>Balance as of December 31, 2021</u>	<u>Costs Incurred</u>	<u>Paid / Settled</u>	<u>Balance as of December 31, 2022</u>	<u>Costs Incurred</u>	<u>Paid / Settled</u>	<u>Balance as of December 31, 2023</u>

NOTE 18. LITIGATION AND CONTINGENCIES

Litigation and Other Contingencies

The Company is, from time to time, subject to a variety of litigation and other proceedings incidental to its business, including lawsuits involving claims for damages arising out of the use of its products, software and services; claims relating to intellectual property matters, employment matters, commercial disputes, product liability (including asbestos exposure claims) and personal injury; as well as regulatory investigations or enforcement. The Company may also become subject to lawsuits as a result of past or future acquisitions, or as a result of liabilities retained from, or representations, warranties or indemnities provided in connection with divested businesses. Some of these lawsuits may include claims for punitive and consequential as well as compensatory damages. Based upon experience, current information and applicable law, the Company does not believe that these proceedings and claims will have a material adverse effect on its financial position, results of operations or cash flows.

In accordance with accounting guidance, the Company records a liability in the Consolidated Financial Statements for loss contingencies when a loss is known or considered probable and the amount can be reasonably estimated. If the reasonable estimate of a known or probable loss is a range, and no amount within the range is a better estimate than any other, the minimum amount of the range is accrued. If a loss does not meet the known or probable level but is reasonably possible and a loss or range of loss can be reasonably estimated, the estimated loss or range of loss is disclosed.

The Company's reserves consist of specific reserves for individual claims and additional amounts for anticipated developments of these claims as well as for incurred but not yet reported claims. The specific reserves for individual known claims are quantified with the assistance of legal counsel and outside risk insurance professionals where appropriate. In addition, outside risk insurance professionals may assist in the determination of reserves for incurred but not yet reported claims through evaluation of our specific loss history, actual claims reported, and industry trends among statistical and other factors. Reserve estimates are adjusted as additional information regarding a claim becomes known. While the Company actively pursues financial recoveries from insurance providers, the Company does not recognize any recoveries until realized or until such time as a sustained pattern of collections is established related to historical matters of a similar nature and magnitude. If the risk insurance reserves the Company has established are inadequate, the Company would be required to incur an expense equal to the amount of the loss incurred in excess of the reserves, which would adversely affect the Company's net earnings.

In connection with the recognition of liabilities for asbestos-related matters, the Company records insurance recoveries that are deemed probable and estimable. In assessing the probability of insurance recovery, the Company makes judgments concerning insurance coverage that it believes are reasonable and consistent with its historical dealings, knowledge of any pertinent solvency issues surrounding insurers, and litigation and court rulings potentially impacting coverage. While the substantial majority of the Company's insurance carriers are solvent, some of our individual carriers are insolvent, which has been considered in the analysis of probable recoveries. Projecting future events is subject to various uncertainties, including litigation and court rulings potentially impacting coverage, that could cause insurance recoveries on asbestos-related liabilities to be higher or lower than those projected and recorded. Given the inherent uncertainty in making future projections, the Company reevaluates projections concerning the Company's probable insurance recoveries considering any changes to the projected liabilities, the Company's recovery experience or other relevant factors that may impact future insurance recoveries.

Gross liabilities associated with known and future expected asbestos claims and projected insurance recoveries were as follows as of December 31:

(\$ in millions)	Classification	2023	2022
Gross liabilities			
Current	Accrued expenses and other current liabilities	\$ 17.8	\$ 27.1

Guarantees

As of December 31, 2023 and 2022, the Company had guarantees consisting primarily of outstanding standby letters of credit, bank guarantees, and performance and bid bonds of \$79.2 million and \$84.0 million, respectively. These guarantees have been provided in connection with certain arrangements with vendors, customers, financing counterparties, and governmental entities to secure the Company's obligations and/or performance requirements related to specific transactions.

NOTE 19. STOCK-BASED COMPENSATION

In connection with the Separation and the related employee matters agreement, the Company adopted the 2020 Stock Incentive Plan (the "Stock Plan") that became effective upon the Separation. Outstanding equity awards of Fortive held by the Company's employees at the separation date were converted into or replaced with Vontier equity awards (the "Conversion Awards"). The Stock Plan provides for the grant of stock appreciation rights, RSUs, PSUs, performance based restricted stock awards and performance stock awards (collectively, "Stock Awards"), stock options or any other stock-based award. A total of 17.0 million shares of the Company's common stock have been authorized for issuance under the Stock Plan and as of December 31, 2023, approximately 9.3 million shares remain available for issuance under the Stock Plan.

Stock options under the Stock Plan generally vest pro rata over a five-year period and terminate 10 years from the grant date, though the specific terms of each grant are determined by the Compensation Committee of the Company's Board of Directors. The Company's executive officers, certain other employees and non-employee directors may be awarded stock options with different vesting criteria. Exercise prices for stock options granted under the Stock Plan were equal to the closing price of Vontier's common stock on the NYSE on the date of grant, while stock options issued as Conversion Awards were priced to maintain the economic value before and after the Separation.

RSUs granted to employees under the Stock Plan generally provide for time-based vesting over three years or five years, although certain employees may be awarded RSUs with different time-based vesting criteria. RSUs granted to non-employee directors under the Stock Plan vest on the earlier of the first anniversary of the grant date or the date of, and immediately prior to, the next annual meeting of stockholders following the grant date. Prior to vesting, RSUs granted under the Stock Plan do not have dividend equivalent rights, do not have voting rights and the shares underlying the RSUs are not considered issued or outstanding.

PSUs granted under the Stock Plan during the years ended December 31, 2023 and 2022 vest based on the Company's earnings per share, modified by the Company's total shareholder return relative to the S&P 500 Index, over a three-year performance period. PSUs granted under the Stock Plan during the year ended December 31, 2021 vest based on the Company's total shareholder return ranking relative to the S&P 500 Index and PSUs granted under the Stock Plan during the year ended December 31, 2020 vest based on the Company's total shareholder return ranking relative to a peer group, both over a three-year performance period.

Stock awards generally vest only if the employee is employed (or in the case of directors, the director continues to serve on the Board) on the vesting date. To cover the exercise of stock options and vesting of RSUs and PSUs, the Company generally issues shares authorized but previously unissued.

Stock-based Compensation Expense

Stock-based compensation has been recognized as a component of Selling, general and administrative expense in the accompanying Consolidated Statements of Earnings and Comprehensive Income. The amount of stock-based compensation expense recognized during a period is based on the portion of the awards that are ultimately expected to vest. Pre-vesting forfeitures are estimated at the time of grant by analyzing historical data and are revised in subsequent periods if actual forfeitures differ from those estimates.

Stock-based compensation expense related to stock options, restricted stock units and performance stock units granted under the Stock Plan and subsidiary stock plan further discussed below was \$31.5 million, \$24.3 million and \$25.5 million during the years ended December 31, 2023, 2022 and 2021, respectively, which was reduced by the related tax benefit of \$5.5 million, \$3.7 million and \$4.0 million, respectively.

The following summarizes the unrecognized compensation cost for the Stock Plan awards as of December 31, 2023. This compensation cost is expected to be recognized over a weighted average period of approximately 1.8 years, representing the remaining service period related to the awards. Future compensation amounts will be adjusted for any changes in estimated forfeitures:

Subsidiary Stock Plan

The Company has a subsidiary stock-based compensation plan under which the Company grants equity awards to certain employees and non-employees for the common stock of a subsidiary that holds Driivz and certain other related entities. The Company recognized stock-based compensation expense related to the subsidiary stock plan of \$4.1 million and \$0.4 million for the years ended December 31, 2023 and 2022, respectively.

NOTE 20. CAPITAL STOCK AND EARNINGS PER SHARE

Capital Stock

The Company's authorized capital stock consists of 2.0 billion shares of common stock, par value \$0.0001 per share, and 15.0 million shares of preferred stock with no par value, with all shares of preferred stock undesignated.

Each share of Vontier common stock entitles the holder to one vote on all matters to be voted upon by common stockholders. Vontier's Board of Directors (the "Board") is authorized to issue shares of preferred stock in one or more series and has discretion to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock. The Board's authority to issue preferred stock with voting rights or conversion rights that, if exercised, could adversely affect the voting power of the holders of the common stock, could potentially discourage attempts by third parties to obtain control of Vontier through certain types of takeover practices.

Earnings Per Share

Basic earnings per share is calculated by dividing net earnings by the weighted average number of shares of common stock outstanding. Diluted earnings per share is calculated by adjusting weighted average common shares outstanding for the dilutive effect of the assumed issuance of shares under stock-based compensation plans, determined using the treasury-stock method, except where the inclusion of such shares would have an anti-dilutive impact.

Information related to the calculation of net earnings per share of common stock is summarized as follows:

Share Repurchase Program

In February 2022, the Company entered into an accelerated share repurchase agreement (“ASR”) with a third-party financial institution whereupon the Company provided a prepayment of \$250.0 million and received an initial delivery of 8.2 million shares of the Company’s common stock. The Company received an additional 1.8 million shares of its common stock as the final settlement of the ASR during the second fiscal quarter of 2022. In total, the Company repurchased 10.0 million shares under the ASR at an average price of \$25.11 per share.

On May 24, 2022, the Company’s Board of Directors approved a replenishment of the Company’s previously approved share repurchase program announced in May 2021, bringing the total amount authorized for future share repurchases to \$500.0 million. Under the share repurchase program, the Company may purchase shares of common stock from time to time in open market transactions, privately negotiated transactions, accelerated share repurchase programs, or by combinations of such methods, any of which may use prearranged trading plans that are designed to meet the requirements of Rule 10b5-1(c) of the Securities Exchange Act of 1934. The timing of any repurchases and the actual number of shares repurchased will depend on a variety of factors, including the Company’s stock price, corporate and regulatory requirements, restrictions under the Company’s debt obligations and other market and economic conditions. The share repurchase program may be suspended or discontinued at any time and has no expiration date.

During the year ended December 31, 2022, the Company repurchased an additional 3.7 million of the Company’s shares for \$78.0 million through open market transactions at an average price per share of \$20.85.

The Company repurchased 2.8 million of the Company’s shares for \$74.7 million through open market transactions at an average price per share of \$26.96 during the year ended December 31, 2023. As of December 31, 2023, the Company had remaining authorization to repurchase \$354.3 million of its common stock under the share repurchase program.

**MATCO TOOLS
DISTRIBUTORSHIP AGREEMENT**

This Distributorship Agreement (this “Agreement”) is entered into by and between Matco Tools Corporation (“Matco” also referred to as “We,” “Us” and “Our”), a Delaware corporation, and _____, a _____ organized in _____ and having offices at _____ (the “Distributor” also referred to as “You” and “Your”).

RECITALS

Matco is a manufacturer and distributor of quality tools, toolboxes, and service equipment, and seller of independent franchise distributorships under the Matco brand name, and has developed a distinctive business system relating to the establishment and operation of Matco mobile distributorships that sell tools, toolboxes, service equipment, and other goods and services, including, without limitation, apparel, model cars and other collectible items, and consumables (such as mechanic’s hand soaps), and such other items that Matco may in its sole discretion offer (collectively, the “Products” or “Matco Products”) to professional mechanics, technicians, other service professionals, and other businesses which operate from a single location and purchase tools for their own use (the “Business System”).

The Business System is identified by means of certain trade names, service marks, trademarks, logos, and emblems, including, the trademarks and service marks “MATCO®” and MATCO® TOOLS (the “Marks”). A high standard of customer service is essential to the brand and the cornerstone of Matco’s Business System, and that customer service standard typically involves a one-on-one sales and service relationship between a Principal Owner (defined below), operating from a Matco mobile distributorship, and a Potential Customer (defined below).

The Distributor desires to operate a Matco mobile distributorship (the “Distributorship”) in accordance with the Business System and the other brand and system standards established by Matco, including standards for customer sales calls, inventory and sales, communications and computer software usage and other operating and customer service requirements. Accordingly, You have applied to Us for a franchise to operate a Matco Mobile Distribution. We have relied upon all of the acknowledgments and representations made by You in this Agreement, other agreements between You and Us or Our Affiliates and in Your franchise application, including those about Your financial resources and the manner in which You propose to own and operate Your Matco Mobile Distributorship.

Matco desires to appoint the Distributor as an authorized Matco mobile distributor to sell and service the Products in a certain geographic area and the Distributor desires to acquire and operate an independent Matco Mobile Distributorship.

You acknowledge that You have read and understand this Agreement and You have been given the opportunity to clarify any provision that You do not understand. You further acknowledge that We reserve the right to decline to franchise the operation of a Matco Mobile Distributorship to any Person at any time whether initially or upon any proposed transfer. The terms, conditions and promises contained in this Agreement are necessary to maintain Our high standards of service and to maintain the uniformity of those standards within the network of Matco Mobile Distributorships.

In consideration of the mutual promises contained in this Agreement, the Distributor and Matco agree and contract as follows:

ARTICLE 1
APPOINTMENT OF DISTRIBUTOR

1.1 Grant of Distributorship; Initial Fee.

1.1.1 Matco grants the Distributor the right, and the Distributor undertakes the obligation, on the terms and conditions set forth in this Agreement, to operate a Distributorship and to purchase, resell, and service the Products.

1.1.2 In consideration of Matco's grant to the Distributor to operate the Distributorship, Distributor must pay to Matco, on or before the execution of this Agreement, an Initial Fee in the amount of ten thousand dollars (\$10,000). The Initial Fee must be paid in full, unless Matco agrees to finance all or a portion of the Initial Fee. The Initial Fee is fully-earned and non-refundable upon execution of this Agreement, whether paid in full or paid pursuant to a promissory note or financing. Despite the requirement of a fully-earned and non-refundable Initial Fee, if the Distributor terminates this Agreement pursuant to Section 11.2 below, the portion of the Initial Fee paid prior to the termination will be refunded. Matco is not required to offer the Distributor financing for the Initial Fee.

1.2 Territory/List of Calls. The Distributor will be assigned a protected territory defined by a "List of Calls" attached to this Agreement as Exhibit A which identifies business locations where professional mechanics, technicians and other service professions operate and purchase tools and related products for their own use ("Potential Customers"). The List of Calls also identifies the current number of Potential Customers at each business location on the List of Calls. Based on Matco's experience and its territory survey, the List of Calls in Exhibit A may also include a proposed route, but ultimately it is Your responsibility to determine how best to operate Your Distributorship. The Distributor acknowledges that: (A) as of the Effective Date there are a minimum of three hundred twenty-five (325) Potential Customers, the location of which will be identified on the List of Calls, (B) there can be no assurance that the Potential Customers on the List of Calls will actually become Customers of the Distributor, and (C) the number of Potential Customers identified on the List of Calls may increase or decrease after the Effective Date due to a variety of reasons, which may include economic changes, competition, sales and service from the Distributor, businesses that close or reduce staffing levels, and other reasons. Matco is under no obligation to supplement the List of Calls with additional stops or Potential Customers in the event the number of Potential Customers declines. It is important that you review your List of Calls to make sure you are satisfied with it before you sign your Distributorship Agreement. **You hereby acknowledge that Matco encouraged You to cause your Principal Owner (defined below) to complete a ride along the proposed route on your List of Calls and to identify the locations and Potential Customers before you signed this Agreement. It is and was your responsibility to perform this due diligence. If you requested, a Matco representative was made available to ride with your Principal Owner to assist with this process and answer any questions your Principal Owner might have had. Prior to or in conjunction with your signing this Agreement, you also must sign a List of Calls Verification that your Principal Owner has reviewed the List of Calls, by way of a ride along the proposed route or otherwise.** If Distributor wishes to modify its List of Calls, including by adding a location or Potential Customers it shall submit a written request to Matco identifying the proposed changes to the List of Calls with an explanation for how the proposed changes to the List of Calls will help Distributor advance your business and continue to meet Matco's Customer Service Standards. Distributor agrees that unless Matco approves a change to a Distributor's List of Calls the terms of Sections 3.2 and 11.5 govern.

1.3 Exclusive Rights. The Distributorship is a business which operates principally from a vehicle, and which is authorized to resell the Products to Potential Customers at locations identified on the List

of Calls. The List of Calls is intended to serve as your protected territory. Thus, except as permitted under Section 1.4, and for so long as the Distributor is in compliance with this Agreement, Matco will not operate, or grant a license or franchise to operate, a Matco mobile distributorship that will be authorized to sell Products to Potential Customers at any location identified on the Distributor's List of Calls.

1.4 Rights Reserved by Matco. The Distributor acknowledges and agrees that except for the rights expressly granted to the Distributor and provided herein, Matco retains all rights to sell, and license or authorize others to sell, Products to any customers, at any location, and through any channels or methods of distribution. Without limiting the foregoing, Matco retains the following rights, on any terms and conditions Matco deems advisable, and without granting Distributor any rights therein:

1.4.1 Matco (and any affiliates, licensees or franchisees of Matco, if specifically permitted by Matco in writing) will have the absolute right to sell the Products, directly or indirectly, or through non-mobile distributors, including commercial sales representatives, (A) to industrial customers, industrial accounts, and owners of vehicle repair businesses (including businesses, entities, governmental agencies, and others, but excluding the Potential Customers on the Distributor's List of Calls) who (i) have central purchasing functions, or (ii) may purchase and/or acquire special order products designed for multiple-party use, which are not included as part of Matco's regular or special purchase inventory list, or (iii) may purchase Products through a bidding process, such as railroads, airlines, manufacturers, governmental agencies and schools, (B) to industrial and multiple-line and multiple brand wholesale distributors who may resell such Products to any potential purchaser or customer, including the Customers; and (C) to vocational and training schools and programs, and to the students and employees of such schools and programs.

1.4.2 Matco (and any affiliates, licensees or franchisees of Matco, if specifically permitted by Matco in writing) will have the absolute and exclusive right to sell the Products through (A) mail order, telephone orders, and the use of catalogs distributed to potential customers (including Distributor's Potential Customers and Customers), (B) any current or future means of electronic commerce, including the Internet (which includes, but is not limited to, social media) and Matco's website, and downloading and other electronic delivery of software applications and other products and services, and (C) at special and/or temporary venues (including race tracks, and other motor sports events).

1.4.3 Matco, and any present or future affiliates of Matco, may manufacture and/or sell products that are the same as or similar to the Products, and Matco's present or future affiliates may sell such products directly, or indirectly through wholesalers, suppliers, distributors or others, to potential customers who are the same as or similar to the Distributor's Potential Customers and Customers. Matco and the Distributor acknowledge and agree that Matco has no control over the sales or distribution methods or operations of its affiliates, and that Matco has no liability or obligations to the Distributor due to any sales or distribution activities of Matco's affiliates.

1.4.4 Matco reserves, maintains, and controls all rights with respect to the presentation, promotion, and sale of Products, and the use of the brand, Marks, and System, in the metaverse.

1.5 Understandings and Acknowledgments. Matco and the Distributor acknowledge and agree that Matco shall have no liability or obligation to the Distributor if any Customer or Potential Customer of the Distributor purchases or receives Products or competitive products through any method or channel of distribution described in Section 1.4, or otherwise reserved to Matco. Further, the

Distributor and Matco acknowledge and agree that notwithstanding Section 1.3, Matco has in the past granted (A) distributorships that do not have any territorial restrictions or limitations on the distributor, and (B) distributorships that have territories in which the distributor is not limited to selling Products to a specified number of customers or to specified customers. Matco shall use its reasonable efforts to deter such distributors, and other distributors, from selling Products to Potential Customers on the List of Calls, but Matco cannot and does not provide the Distributor with any guaranty or assurance that such distributors will not offer and sell Products to the Distributor's Potential Customers. Further, the Distributor acknowledges and agrees that, prior to the Effective Date, Distributor has neither executed more than two (2) agreements with Matco for a Matco mobile tools distributorship, nor has an ownership interest in any entity that has executed more than two (2) agreements with Matco for a Matco mobile tools distributorship.

1.6 Principal Owner. The "Principal Owner" shall be designated on Exhibit P. The Principal Owner shall be a person who owns not less than a majority of the outstanding equity interests in the Distributor (at least 51%), and who shall be responsible for the overall management and operation of the Distributorship either through an Operator, employees or otherwise. The Principal Owner shall be the individual responsible for all communications between the Distributor and Matco; shall be the person to whom, and from whom, all contractually required notices must be sent; and shall be the principal spokesperson for the Distributor in all communications with Matco and other Matco distributors. The Principal Owner shall be the person who has the right to contractually bind the Distributor. The Principal Owner shall successfully complete all training programs required by Matco. The Principal Owner and any other person whose assets are considered in any financing application shall sign the Guarantee, Indemnification, and Acknowledgment in the form set forth in Exhibit N as a "Guarantor." In operating the Distributorship, the Principal Owner shall ensure that the Operator and any employees of Distributor comply with all of Matco's standards and requirements as they may be modified from time to time in the Manual or otherwise in writing.

1.7 Other Owners. Any individual who owns any ownership interest in the Distributor shall be designated on Exhibit P as an owner. You shall cause all of your Owners (and any other person whose assets are considered in any financing application, as described above) to personally bind themselves to the obligations set forth in this Agreement by signing the Guarantee, Indemnification, and Acknowledgment in the form set forth in Exhibit N as a "Guarantor."

ARTICLE 2

TERM OF AGREEMENT; DISTRIBUTOR'S OPTION TO REACQUIRE DISTRIBUTORSHIP

2.1 Term. Subject to termination as provided herein, the term of this Agreement will be for ten (10) years, commencing on the Effective Date (the "Term"). This Agreement will not be enforceable until it has been signed by both the Distributor and Matco.

2.2 Distributor's Option to Reacquire Distributorship. At the end of the Term of this Agreement, the Distributor will have the right, at its option, to reacquire the Matco Distributorship, and execute a successor Distributorship Agreement, to serve the existing customers identified in Exhibit A, for an additional ten (10) year period, provided the Distributor complies in all respects with the following conditions: (A) the Distributor has given Matco written notice at least one hundred eighty (180) days, but not more than one (1) year, prior to the end of the Term of this Agreement of its intention to reacquire the Matco Distributorship; (B) the Distributor has complied with all of the material terms and conditions of this Agreement, has materially complied with Matco's operating and quality standards and procedures, and has timely paid all monetary obligations owed to Matco throughout the Term of this Agreement; (C) the Distributor has been in strict compliance with this Agreement

and the policies and procedures prescribed by Matco for (i) the six (6) month period prior to the Distributor's notice of its intent to reacquire a successor Matco Distributorship, and (ii) the six (6) month period prior to the expiration of the Term of this Agreement; (D) the Distributor has agreed, in writing, to make the reasonable capital expenditures necessary to update, modernize, and/or replace the Mobile Store and equipment used by the Distributor and the Principal Owner in the Distributorship to meet the then-current specifications and the general image portrayed by the Matco Business System; (E) the Distributor agrees to sign and comply with the then-current standard Distributorship Agreement then being offered to new distributors by Matco at the time the Distributor elects to exercise the Distributor's option to reacquire the Matco Distributorship; and (F) the Distributor and Matco have signed a joint and mutual general release of all claims each may have against the other. In addition, Matco will charge, and the Distributor must pay, on or before the execution of the new or successor Distributorship Agreement, a Successor Distributorship Fee equal to fifty percent (50%) of the then-current Initial Fee being charged by Matco.

2.2.1 Operation After End of Term. If You continue to operate Your Distributorship after the end of the term (and, as applicable, the end of any Renewal Periods) without having renewed the franchise in accordance with the terms hereof, including by having executed the then-current form of distributorship agreement, We may, at Our option: (1) upon thirty (30) days' written notice deem You to be operating Your Distributorship on a month-to-month basis under (a) the terms of the then-current form of distributorship agreement, including the then-applicable franchise fees, and any other fees being charged by Us, or (b) the terms of this Agreement; or (2) deem the Agreement expired, in which event You must fully comply with the post-termination obligations set forth below including, but not limited to, in Section 11.6. If We exercise options (1)(a) or (b), We, subject to applicable law, may terminate without cause the then-current form of distributorship agreement or this Agreement, as applicable, at any time upon at least thirty (30) days' notice of termination, without affording You any opportunity to cure, in which event You must fully comply with the post-termination obligations set forth below.

ARTICLE 3

DISTRIBUTOR'S DUTIES AND OBLIGATIONS

3.1 Promotion of Distributorship. The Distributor, through the actions of the Principal Owner, will, on a full-time basis, diligently promote, market, and work to increase Product sales, to increase the Customer base, and to provide quality service and warranty support to the Distributor's Customers. To promote the growth of the Distributor's business, the Distributor should actively seek to identify and sell Products to all Potential Customers at each business identified on the List of Calls. This Agreement does not create an obligation on Our part to advertise or promote the Marks or to advertise or promote Your Distributorship. We may do so, however, at Our sole discretion and thus from time to time during the Term, Matco may implement promotional programs to enhance the brand, which may include a Matco-funded store opening giveaway program or other store opening promotional program. The Distributor must adhere to the guidelines that Matco establishes from time to time for such promotional programs, and devote its best efforts to such promotional programs, including disseminating to Potential Customers all apparel or other promotional items that Matco provides to the Distributor in connection with any giveaway promotional program.

3.2 Restrictions on Sales. It is critical that the Products sold by Matco Distributors meet the high quality and performance expectations associated with the Matco brand in the marketplace. The Distributor shall not sell, offer for sale or distribute Products and other merchandise not purchased from Matco (or other designated suppliers) or approved by Matco or its affiliates except for items that are traded-in by the Distributor's Customers. To the extent Distributor wishes to sell, offer for sale or distribute

other products which Distributor contends are ancillary to its distributorship business, which are not competitive with any of the Matco Products, and do not diminish in any way Matco's reputation or good will (for example, hazardous materials or pornographic materials) it may request Matco's approval, by submitting to Matco, in writing, a description of such products with an explanation for why such products are ancillary to its distributorship business and are not competitive with existing Matco Products. Distributor agrees not to sell, offer for sale or distribute any such products without Matco's prior written consent and shall discontinue the offer, sale, or distribution of any unapproved products immediately upon notice from Matco. Because a Distributor's List of Calls represents a protected territory for that Distributor, the Distributor must not operate the Distributorship or sell any Products at any location not identified on its List of Calls; or sell any Products to any entity, person, or business that is not located at an address identified on its List of Calls; or sell any Products to any person who does not work at a business that is located at an address identified on the List of Calls, even if such Potential Customer or location is adjacent to, or near, a location on the Distributor's List of Calls, nor may the Distributor sell Products to any Customer of the Distributor who moves to a location or business not identified on the List of Calls. If the Distributor makes a sale to a person, entity or business that is located at an address that is not identified on the Distributor's List of Calls, or if the Distributor makes a sale to an individual who does not work at a business that is located at an address identified on the Distributor's List of Calls, and such customer is located in another distributor's "List of Calls," such sale shall constitute a material event of default. All sales of Products shall be from the Mobile Store and not from any other location or through any other sales or distribution channels. Without limiting the foregoing, the Distributor shall not sell the Products through (A) mail orders, telephone orders, and the use of catalogs distributed to potential customers (including Distributor's Potential Customers and Customers), (B) any current or future means of electronic commerce, including the Internet (such as websites like Amazon or social media like Instagram) and Matco's website, and downloading and other electronic delivery of software applications and other products and services, and (C) at special and/or temporary venues (including race tracks, and other motor sports events). Further, all sales of Products shall be to end-users, and not for the purpose of resale or to any person or entity who will or may, or who Distributor suspects will or may, resell such Product, through any channel of distribution. In the event Distributor or your Principal Owner knows of, learns of, or suspects, that any person or entity is reselling or may resell any Products, the Distributor shall cease all future sales to such person and report such sales or suspicion to Matco.

3.3 Inventory, Sales, and Purchase Requirements.

3.3.1 In order to meet the customer service expectations associated with the Matco brand, it is important you have Product inventory available when you engage with your Potential Customers. The Distributor will at all times maintain an inventory of Products sufficient to meet its obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of its existing and potential customers, especially in terms of product availability and timeliness of delivery. After the New Distributor Starter Inventory, the Distributor is solely responsible for determining the inventory of Products best suited to meet the needs and expectations of its customers and to meet its sales and promotional obligations hereunder.

3.3.2 The Distributor must use its best efforts and actively market, promote, and sell Products to Potential Customers on the List of Calls. To be deemed to be meeting its marketing, promotion and sales obligations, the Distributor should be selling, on average on a weekly basis, Matco Products in an amount which meets or exceeds either (a) eighty percent (80%) of the "National Distributor Sales Average" (or "NDSA"), or (b) eighty percent (80%) of the "District Distributor Sales Average" (or "DDSA") for the Distributor's district, whichever

is lower. As part of this performance assessment, Matco will calculate the sales averages based on the Distributor's twelve (12) month rolling average, or, if the Distributor has been operating the Distributorship for less than twelve (12) months, based on the Distributor's year-to-date average. The sales averages shall be based on the sales of all Matco Products, as reported by the Distributor through the Matco Distributorship Business System, or the then-current required reporting system.

3.3.3 The Distributor must maintain a minimum of a sixty percent (60%) ratio of a calculation of the Distributor's year-to-date purchases divided by the Distributor's year-to-date sales.

3.3.4 New Distributors are automatically enrolled in Matco's New Product Pipeline ("NPP") program. Under the NPP program, whenever Matco develops or acquires a new Product, Matco will ship one sample of the new Product to the Distributor promptly upon its introduction, and Matco will charge the Distributor's Open Purchase Account for the cost of the Product. In the event the Distributor does not want the Product, or cannot sell the Product, the Distributor may return the Product to Matco within sixty (60) days of receipt, and will receive a credit of the full cost of the Product to its Open Purchase Account. The returned Product must be in new condition and in its original packaging in order to qualify for full credit under the NPP program. Participation by the Distributor in the NPP program is voluntary. Matco reserves the right to alter or eliminate the NPP program at any time. Such modifications may include variable pricing based on the purchase price of the Products.

3.4 **Standards.** You covenant and agree that You shall operate the Distributorship in conformity and compliance with the image, integrity, quality, cleanliness and product and standards as described in the Manual from time to time. You acknowledge and agree that adherence to the standards in the Manual provide the basis for the goodwill associated with the Marks and the network of Matco Distributorships. Your failure to comply with the standards referenced in this section will constitute a breach of this Agreement, for which We shall have the right to terminate. Further, to ensure high quality service, the Distributor, through its Principal Owner and any Operator (defined below), agrees to make sales calls to each of the stops, shops or locations on the Distributor's List of Calls in accordance with Matco's "Customer Service Standards" or "Service Standards," which contemplate regular weekly sales calls. Matco may amend its Service Standards from time to time in writing. Failure to comply with the Service Standards, shall be a material default under this Agreement, and grounds for termination under Section 11.3. Distributor acknowledges and agrees that Matco's Services Standards are necessary to preserve, protect and enhance Matco's trademarks and service marks. The entire contents of the Service Standards, plus Our mandatory specifications, procedures and rules prescribed from time to time shall constitute provisions of this Agreement just as if they were written on these pages. **You acknowledge that prior to executing this Agreement; You have reviewed and understand the requirements imposed by the Service Standards and the specifications, procedures and rules contained therein.**

3.5 **Time Payment Reserve Account or Time Payment Line of Credit.** Matco acknowledges having received from the Distributor a deposit for the Distributor's Time Payment Reserve Account in the amount designated by Matco, which will be administered in accordance with Matco's applicable Time Payment Reserve Account policies then in effect. Notwithstanding the forgoing, if Distributor qualifies for and obtains financing from Matco, Distributor will establish a revolving line of credit in lieu of the Time Payment Reserve Account, which will be administered in accordance with Matco's standards and specifications.

3.6 **Mobile Store; Matco Branded Attire.** In order to enhance the MATCO TOOLS brand associated with the Marks, the Distributor must purchase or lease a Mobile Store, of the type and from a dealer

or supplier approved by Matco, prior to beginning operations of the Distributorship. The Distributor will use the name MATCO TOOLS®, the approved logo and all colors and graphics commonly associated with the Matco Business System on the Mobile Store in accordance with Matco's specifications. The Distributor will keep the interior and exterior of the Mobile Store in a clean condition and will keep the Mobile Store in good mechanical condition. The Mobile Store must be used solely for the operation of the Distributorship. If the Distributor desires to change its Mobile Store or operate a different Mobile Store during the Term of this Agreement, the Distributor must obtain the prior written authorization of Matco's President or Matco's officer in charge of system standards compliance, before doing so. The Principal Owner, and any Operator or employee, must wear Matco® branded attire while operating the Distributorship.

3.7 Computer; Software; Data. The Distributor must purchase or lease a new computer system that complies with the specifications established by Matco (and that Matco may update periodically), must sign the Matco Distributor Business System Software License, Maintenance and Support Agreement (the "Software License Agreement") (Exhibit O) as may be modified from time to time, and must pay the required software license fees and annual maintenance support fee set forth in the Software License Agreement. The Distributor must comply with Matco's standards and specifications for computer hardware, software, and communications, and to comply with any updated standards or specifications, the Distributor shall update its computer hardware, software, and communications. The Distributor agrees to use all of the features of the Matco software in operating the Distributorship, including, without limitation, the order entry, inventory, accounts receivable and reporting features. The Distributor, through the Principal Owner, will communicate with Matco, and will transmit to, and receive documents from, Matco, electronically, in the manner specified by Matco in the Manual or as directed by Matco through the Matco Distributor Business System (also referred to as "MDBS"). Except for the Matco Distributor Business System software, the Distributor will have sole and complete responsibility for: (a) the acquisition, operation, maintenance and upgrading of the computer system in order to maintain compliance with Matco's then-current standards; (b) obtaining and maintaining access to the Internet through a subscription with an Internet service provider or a then-current technologically capable equivalent in accordance with Matco's standards (which is currently high-speed Internet access through cable, DSL, or high-speed cellular); (c) the manner in which the Distributor's system interfaces with Matco's computer system and those of other third parties; and (d) any and all consequences that may arise if the Distributor's system is not properly operated, maintained, and upgraded. All data provided by the Distributor, uploaded to Matco's system from the Distributor's system, and/or downloaded from the Distributor's system to the Matco system is and will be owned exclusively by Matco, and Matco will have the right to use such data in any manner that Matco deems appropriate without compensation to the Distributor. In addition, all other data created or collected by Distributor in connection with the Matco Distributor Business System, or in connection with the Distributor's operation of the business, including all data that the Distributor collects from customers and potential customers in connection with the Distributorship ("Customer Data") is and will be owned exclusively by Matco during the term of, and following termination or expiration of, the Agreement. Copies and/or originals of data, including Customer Data, must be provided to Matco upon Matco's request. The Distributor has the right to use Customer Data while this Agreement or a successor or renewal Distributorship Agreement is in effect, but only in connection with operating the Distributorship and only in accordance with the policies that Matco establishes from time to time. It is the Distributor's sole responsibility to protect Customer Data from cyber-attacks or unauthorized intruders, and the Distributor waives any claim it may have against Matco as the direct or indirect result of such attacks and intrusions. The Distributor is solely responsible for complying with all federal, state, and local laws and regulations concerning the storage, handling, use and protection of Customer Data. In addition, the Distributor must comply with any privacy policies or data protection and breach response policies Matco periodically may establish. The Distributor must notify Matco immediately of any suspected data breach or cyber-

attack at or in connection with the Distributorship. The Distributor may not sell, transfer, or use Customer Data for any purpose other than operating the Distributorship and marketing “Matco brand” products and services. However, if the Distributor transfers the Distributorship (as provided in Article 10 below), as part of the transfer, the Distributor must also transfer use of the Customer Data to the buyer as part of the total purchase price paid for the Distributorship business.

3.8 Training. In order to provide a uniform customer experience and enhance the Marks associated with the MATCO TOOLS brand, the Distributor’s Principal Owner must attend and successfully complete all training programs required by Matco, including the following:

3.8.1 The Principal Owner must successfully complete the “Matco Business System Training (MBST) Program,” as defined in Section 4.1, before operating the Distributorship.

3.8.2 The Principal Owner must successfully complete the “Matco Business System Continuation Training (MBSCT) Program,” as defined in Section 4.1, between the second (2nd) and fifth (5th) month after the Distributorship has commenced operations.

3.8.3 Unless You obtain written permission from Us to postpone training, Your failure to complete the MBST or MBSCT training to Our satisfaction is a breach of this Agreement and shall constitute a default for which We can terminate this Agreement.

3.8.4 Matco may provide additional training and certification for its distributors from time to time and the Principal Owner shall attend this training and complete the certification procedures designated by Matco. At its option, Matco may require Distributor to pay all or some portion of the cost of providing any such future additional training and/or certification procedures.

3.8.5 The Principal Owner shall be responsible for ensuring that the Operator and all employees of the Distributor understand and follow the Matco Business System. You shall implement a training program for all employees of Your Franchised Business for the operation of the Distributorship in compliance with Our then-current standards and procedures. Matco may offer training for a Distributor’s Operator or other employees at the Distributor’s choice and expense.

3.9 Compliance with Laws. We are a franchisor that does not own, control or operate Your Distributorship. It is Your sole responsibility at Your sole expense to ensure that Your Distributorship and its businesses, operations, practices and procedures, are in full compliance with any and all federal, state and local laws. Thus, the Distributor must comply with and shall cause its Principal Owner and any Operator and any other employee of the Distributorship to comply with all federal, state and local laws, ordinances, rules, orders and regulations of the United States and all foreign countries, applicable to the operation of the Distributorship, including all employment, traffic and safety laws and regulations. Without limiting the foregoing, the Distributor must abide by all applicable laws, rules, regulations and policies pertaining to the privacy of consumer, employee, commercial and transactional information, including, without limitation, the Gramm-Leach-Bliley Act, the Fair Credit Reporting Act (“FCRA”), the Fair and Accurate Credit Transactions Act (“FACTA”), and the National Automated Clearinghouse Association (“NACHA”) rules (collectively, “**Privacy Laws**”). If there is a conflict between Matco’s standards and policies pertaining to Privacy Laws and actual applicable law, the Distributor must: (i) comply with the requirements of applicable law; (ii) immediately give Matco written notice of said conflict; and (iii) promptly and fully cooperate with Matco and its counsel in determining the most effective way, if possible, to meet its standards and policies pertaining to Privacy Laws within the bounds of applicable law. You acknowledge that You are responsible for and shall pay to the appropriate

authority any and all federal or state payroll tax, FICA, unemployment tax, state unemployment compensation contribution, disability benefit payments, insurance costs, and any other assessments or charges which relate directly or indirectly to the employment by You of employees to operate Your Distributorship.

- 3.10 Compliance with Manual.** The Distributor will operate the Distributorship in conformity with the operating procedures and policies established in the Manual or otherwise in writing. Matco will loan the Distributor a copy of the Manual when the Distributor's Principal Owner begins the Matco Business System Training (MBST) Program. Matco reserves the right to provide the Manual electronically or in an electronic or computer-readable format, for example, via the Matco Distributor Business System or another method, or on a CD. The Manual is Our property and shall be immediately returned to Us whenever this Agreement expires or is terminated for any reason. We have the right to add to or modify the Manual from time to time to change operating procedures, maintain the goodwill associated with the Marks and to meet competition. You shall comply with the terms of all additions and modifications to the Manual. You shall keep the Manual in current and up-to-date condition. If there is a dispute about the contents of the Manual, the terms of the master copy at Our offices shall control.
- 3.11 Payment Obligations.** The Distributor will timely pay all amounts owed to Matco for Product purchases and under any credit agreement, promissory note, or other agreement relating to the Distributorship. All payments shall be made in accordance with Matco's instructions and Operations Manual, including payments by telephone and electronic funds transfer, as described in Section 6.4 below.
- 3.12 Management of Distributorship.** The Principal Owner will be the person solely responsible for managing all aspects of the Matco Distributorship, including sales, pricing of products, collection of accounts receivable, purchases, inventory ordering and management, and the hiring and supervision of an Operator and any other employees. The Principal Owner and any additional Operator must be qualified to operate the Distributorship or drive the Mobile Store and offer and sell Products in accordance with Matco's standards and the Business System standards, and must have satisfactorily completed all training programs that Matco requires. Notwithstanding Matco's Business System standards, some of which address safety, security, and related matters, employment matters are solely within the Distributor's control, and the Distributor accepts and retains all responsibility for employment matters in the operation of the Distributorship, including the hiring, firing, supervision, discipline, compensation, benefits and scheduling of any employees, including any approved Operator. Matco does not control, has no right to control, and has no responsibility for any hiring or employment terms and conditions of Distributor's employees.
- 3.13 Matco's Inspection Rights.** In order to assure compliance with MATCO'S Business System standards, the Distributor will: (A) permit Matco and its agents to inspect the Distributor's Mobile Store and observe the Distributor's business operations at any time during normal business hours, (B) cooperate with Matco during any inspections by rendering such assistance as Matco may reasonably request, and (C) immediately, upon written notice from Matco, take the steps necessary to correct any deficiencies in the Distributor's business operations with respect to Matco's Customer Service Standards or the Matco Business System.
- 3.14 Use of the Internet.** The Distributor specifically acknowledges and agrees that any Website (as defined below) will be deemed "advertising" under this Agreement, and will be subject to (among other things) Matco's approval under Section 7.4 below. (As used in this Agreement, the term "Website" means one or more related documents, designs, pages, or other communications that can be accessed through electronic means, including but not limited to the Internet, World Wide Web,

social media and social networking sites (including but not limited to Facebook, Twitter, LinkedIn, Instagram etc.), blogs, vlogs, and other applications, etc. that the Distributor operates or authorizes others to operate and that refer to the Distributorship, the Marks, Matco, and/or the Business System.) In connection with any Website, the Distributor agrees to the following:

3.14.1 Before establishing the Website, the Distributor will submit to Matco a sample of the Website format and information in the form and manner Matco may reasonably require.

3.14.2 The Distributor may not establish or use the Website without Matco's prior written approval.

3.14.3 In addition to any other applicable requirements, the Distributor must comply with Matco's standards and specifications for Websites as prescribed by Matco from time to time in the Manual or otherwise in writing. If required by Matco, the Distributor will establish its Website as part of Matco's Website and/or establish electronic links to Matco's Website. As of the Effective Date, Matco has established a Website supporting the entire system, and has provided Distributor a web page (or subpage) on Matco's Website. Distributor shall execute Matco's "Matco Tools Web Page Agreement" (attached as Exhibit Q hereto), which permits Distributor to have its own subpage on Matco's Website. Distributor shall pay all appropriate fees under the Matco Tools Web Page Agreement, and shall comply with Matco's web policies as they may be modified from time to time.

3.14.4 If the Distributor proposes any material revision to the Website or any of the information contained in the Website, the Distributor must submit each such revision to Matco for Matco's prior written approval as provided above.

3.14.5 In addition, Matco may from time to time establish specific policies regarding social media accounts or activity related to or connected with the Distributorship and which use or refer to, directly or indirectly, Matco or the Marks, that Matco determines appropriate for the System. The policies may include completion of training regarding social media. Matco may modify these policies as Matco determines is appropriate, including as available technologies and advertising methods change. You shall comply with the standards and procedures developed by Us for the network of Distributorships, in the manner directed by Us in the Manual or otherwise, with regard to Your authorization to use, and use of, blogs, common social networks (such as Facebook), professional networks (such as Linked-In), live blogging tools (such as Twitter), virtual worlds, file, audio and video sharing sites and other similar social networking media or tools (together, "Social Media") that in any way references the Marks or involves the network of Distributorships or Your Distributorship. Without limiting the foregoing, in order to protect and control the Matco brand and the Marks, You hereby agree that Matco shall at all times have administrator rights over all Social Media accounts used by You in connection with the Distributorship and which use or refer to, directly or indirectly, Matco or the Marks, and for any such Social Media accounts Matco may, at its option and upon request and without notice or limitation, assume administration and control of such accounts.

3.15 **Drug and Alcohol Use.** The Distributor agrees that conducting Distributorship operations, including the operation of the Mobile Store, while impaired or under the influence of drugs or alcohol is a violation of law, potentially hazardous to the Distributor, its employees, and to the public, and impairs the Matco brand name, Marks and the goodwill associated with the Marks. Thus, the Distributor shall insure that the Distributorship is operated in compliance with all applicable laws including that the Mobile Store is not operated by anyone under the influence of alcohol or drugs. In addition to the indemnification provided in Section 5.4, the Distributor shall indemnify and hold

Matco harmless from any claims, damages, judgments and losses, including attorney's fees, arising out of, from, in connection with any violation of this Section 3.15. The indemnification in this Section 3.15 will survive the expiration or termination of this Agreement, and applies to all claims even if they exceed the limits of the Distributor's insurance coverage.

- 3.16 Computer Transactions.** The Distributor must use its best efforts to timely and accurately enter and maintain, in its entirety, all business pertinent data on the MDDBS business system relative to the operation of the Distributorship, including but not limited to customer data, product data, sales, returns, warranty, credit card transactions, and payments. Transactions must be completed in strict compliance with Matco's and industry standards, specifications and procedures, and any unauthorized adjustments, or non-compliant use or recordation of transactions (or failure to accurately record transactions or protect customer information), are prohibited.
- 3.17 Document Processing.** In consideration of Matco's time and expense to prepare franchise and financial documents in connection with Distributor's execution of this Agreement and related documents, and if necessary, for Matco to file such documents with appropriate government agencies, Distributor must pay Matco a document processing fee of ninety-nine dollars (\$99), on or before signing the Agreement.
- 3.18 Late Fee.** The Distributor must pay for all Product purchases, and all charges, fees and other amounts in a timely manner, as required by this Agreement and any related or ancillary documents or agreements. Product purchases and other fees and charges will be charged to the Distributor's Open Purchase Account ("**OPA**"). If the Distributor fails to make a payment within twenty-one (21) days of the date of an invoice from Matco, Distributor's OPA will be deemed delinquent. Matco may assess a late fee of five percent (5%) of the overdue balance per week, with a maximum late fee, per week, of one hundred dollars (\$100).
- 3.19 Credit Cards and Other Methods of Payment.** At all times, the Distributor must maintain credit-card relationships with the credit- and debit-card issuers or sponsors, check or credit verification services, financial-center services, and electronic-funds-transfer systems that Matco designates as mandatory, and the Distributor must not use any such services or providers that Matco has not approved in writing or for which Matco has revoked its approval. Matco has the right to modify its requirements and designate additional approved or required methods of payment (including types of currency that may be accepted), and vendors for processing such payments, and to revoke its approval of any service provider. The Distributor must comply with all credit-card policies, including minimum purchase requirements for a customer's use of a credit card as prescribed in the Manual. The Distributor must comply with the Payment Card Industry Data Security Standards ("**PCI DSS**") as they may be revised and modified by the Payment Card Industry Security Standards Council (see www.pcisecuritystandards.org), or such successor or replacement organization, and/or in accordance with other standards as Matco may specify, and FACTA. The Distributor must also upgrade periodically its MDDBS System and related software, at the Distributor's expense, to maintain compliance with PCI DSS, FACTA, and all related laws, regulations, rules and procedures.
- 3.20 Initial Expenditures.** Distributor must have funds committed for the initial costs and expenses associated with commencing operations of the Distributorship, and operating during an initial start-up period, including, but not limited to, the expenditures associated with initial fixtures, supplies, and licenses, prior to and as a pre-condition to commencing operation of the Distributorship. For Matco financed Distributors, Matco reserves the right to require that Distributor pay to Matco an amount, determined by Matco, that shall be designated as a reserve and set aside for payment of a portion of these initial costs and expenses (the "**Initial Investment Reserve**"). The amount of the Distributor's Initial Investment Reserve, if any, is set forth in Exhibit B. The amount of the initial

costs and expenses that the Distributor incurs in connection with commencing operations of the Distributorship, and operating during an initial start-up period, may exceed the Initial Investment Reserve, and the Initial Investment Reserve is intended only to offset the Distributor's initial expenditures. Matco shall maintain the Initial Investment Reserve in an account until it is disbursed to the Distributor to make payments to third parties. The Initial Investment Reserve will not be held in a trust or escrow account and Matco has no fiduciary obligation to distributors respecting the Initial Investment Reserve. Matco may commingle the Distributor's Initial Investment Reserve with other monies, including similar funds and monies held for other distributors. Matco has no obligation to keep the Initial Investment Reserve separate from any revenues or other amounts it receives. Matco will disburse the Initial Investment Reserve to the Distributor at a time determined by Matco so that the Distributor may make payments to third parties, which will typically be approximately two (2) months after the Effective Date. Matco may appoint a designee to collect, maintain, and/or disburse the Initial Investment Reserve, and/or exercise any of Matco's rights or undertake any of its obligations described in this Section 3.20.

ARTICLE 4 **MATCO'S DUTIES**

4.1 Matco Business System Training (MBST) Program and Matco Business System Continuation Training (MBSCT) Program. Matco may provide classroom training to the Principal Owner in Stow, Ohio, or at such other location as may be designated by Matco. Matco will offer any Operator or other employees that may be employed by the Distributor the opportunity to attend Matco's training programs, and it may require the Distributor to pay a fee for such training. Matco does not currently require the Distributor to pay any fee for the Operator to attend Matco's training programs, except as described in Section 4.2. The training will include instruction (and, in some instances, may include training by video recording, computer-based training modules, or interactive video) on the Matco Business System, Matco's Customer Service Standards, and basic business procedures including purchasing, selling and marketing techniques, customer relations, basic computer operations, and other business and marketing topics selected by Matco. The hours devoted to each subject may vary based on how quickly trainees grasp the material, their prior experience with the subject, and scheduling. Matco's initial training program, the "Matco Business System Training (MBST) Program," includes classroom training in Stow, Ohio, or another designated location, together with on-the-truck training. After completion of the MBST Program (Phase 1) classroom training, hands-on training on the Distributor's Mobile Store will be provided by Matco. The Principal Owner must successfully complete the MBST Program (Phase 1) classroom training prior to commencing business operations. The MBST (Phase 1) Program classroom training will be scheduled by Matco at a time and location that Matco designates, at its option, and will be for a minimum of fifty (50) hours. Matco will also provide Phase 2, the "Matco Business System Continuation Training (MBSCT) Program," that the Principal Owner may be required to attend and successfully complete. The MBSCT Phase 2 Program classroom training will be scheduled by Matco at a time and location that Matco designates, at its option, and will be for a minimum of thirty-five (35) hours.

4.1.1 Matco may require the Distributor to pay travel and lodging costs for Distributor's Principal Owner, any Operator and other employee for attendance at all classroom training programs. The Distributor is currently responsible for all expenses incurred during all classroom training programs, except for the following: (a) scheduled travel to and from Matco's headquarters and the Distributor's airport of choice, and daily travel to and from Matco's headquarters and the Distributor's hotel, during the MBST Program (only Phase 1); and (b) four (4) nights of lodging for one person for the MBSCT Program (only Phase 2) (if such travel and lodging complies with the policies and procedures established by Matco from time

to time). Currently, Matco has negotiated group lodging and meal accommodations and rates for distributors while attending the MBST Program classroom training program. Lodging for the MBST Program and MBSCT Program (both Phase 1 and Phase 2) is currently located near Matco's headquarters, Cleveland Hopkins International Airport, and/or Akron-Canton Regional Airport, but Matco may designate alternative accommodations from time to time, at its option. Lodging costs for the MBST Program (Phase 1) will be billed directly to the Distributor's Open Purchase Account. Lunch costs for the MBST Program and MBSCT Program (both Phase 1 and Phase 2) will also be billed directly to the Distributor's Open Purchase Account.

4.1.2 If the Principal Owner elects to bring her or his Business Partner to the MBST Program (Phase 1), Matco will charge a flat fee in the amount of two hundred ninety-five dollars (\$295) for food, lodging, and local transportation. Matco will not charge a fee for the Principal Owner's Business Partner to attend the MBSCT Program (Phase 2); however, to attend Phase 2, the Business Partner must have attended and successfully completed Phase 1 as a participant. The Distributor will pay all other expenses incurred by the Principal Owner, any Operator, and, if applicable, the Principal Owner's Business Partner, in connection with the attendance and/or participation of the Principal Owner and the Operator in the MBST Program and MBSCT Program, including the Principal Owner's or Operator's salary and fringe benefits (if any), in accordance with applicable law.

4.1.3 In the event the Distributor employs an Operator or other additional or subsequent employees, Matco may provide the MBST and/or MBSCT Program training to such additional or subsequent employees at such times and places as may be scheduled by Matco. The Distributor may be required to pay Matco the then-current per diem training fee for each such trainee to attend the MBST and/or MBSCT Program, and the Distributor shall be responsible for all of the employee's travel and lodging costs.

4.2 **Field Training.** Following the Principal Owner's successful completion of the classroom portion of the MBST Program, a field instructor, and/or a regional or district manager designated by Matco (the "**Designated Trainer**") will provide field training to the Distributor. Such training includes eighty (80) hours over a six (6) week period. This training may include approximately one (1) week of training prior to or after the Principal Owner's classroom training, approximately one (1) week of training during the period that the Distributor commences sales activity, in conjunction with the Distributor's initial sales calls to Potential Customers and locations identified on the List of Calls, and a final phase of training during a period following the Distributor's first week of operations. The Designated Trainer may accompany the Distributor on sales calls to provide training relating to selling and marketing techniques, customer relations, computer operations, Product knowledge, inventory and related topics. If the Distributor hires an additional or subsequent Operator to replace his/her Operator who has left the Distributorship, or if the Distributorship has a new Principal Owner who has been authorized by Matco, and there is not an additional Mobile Store to operate, Matco may provide the MBST Program, including the field training, and the MBSCT Program to the new, replacement Principal Owner or Operator. If the Principal Owner, Operator, or employee is the Distributor's second or subsequent Principal Owner, Operator, or employee (who is an additional employee and not a replacement) who is receiving field training from Matco, Matco reserves the right to charge the Distributor Matco's then-current daily or weekly training fee for the MBST Program. As of March 6, 2024, the weekly fee is one thousand five hundred dollars (\$1,500), but Matco may change this amount at any time.

4.3 Periodic Meetings. Matco may schedule periodic meetings with Matco personnel and other distributors for additional training, Product updates and business seminars. Attendance at such meetings is voluntary.

4.4 Hiring of New Operator. The Distributor is solely responsible for all employment decisions and functions related to the Distributorship business, including hiring, firing, compensation, benefits, work hours, scheduling, work rules, record keeping, supervision and discipline of employees. Distributor may choose, at its option, to hire an Operator. The decision to hire an individual as an Operator is the Distributor's decision alone. However, if the Distributor participates in Matco's financing services or programs, the Distributor must notify Matco in the event the Distributor desires to hire an Operator to operate the Mobile Store, and must obtain Matco's consent for such an Operator. In addition, in order to preserve, protect and enhance the MATCO TOOLS brand and Marks, and to assure a uniform customer experience and operations that comply with the Business System standards, Matco recommends that any Operator either satisfactorily complete Matco's training program or that the Distributor delivers a similar training experience to the Operator. Distributor shall certify to Matco, upon Matco's request, that any Operator or other employee has been trained in, and is knowledgeable regarding, all of Matco's standards and operating requirements. Matco does not currently charge a training fee for training the new Operator (except as discussed in Section 4.2 above), but the Distributor will pay all travel, room and board, living and other expenses in connection with the new Operator's attendance and/or participation in the MBST Program. Additionally, the Distributor must pay the Operator's salary and fringe benefits, if any, in accordance with applicable law. The Distributor must execute a separate Matco Tools Distributorship Agreement that will govern the operation of each additional Mobile Store, List of Calls, and distributorship that is operated by each Operator. In addition to the indemnification provided in Section 5.4, the Distributor will indemnify and hold Matco harmless from any claims, damages, judgments and losses, including attorney's fees, arising out of, from, in connection with the Distributor's decision to hire an Operator or other employee, and any Operator or other individual's operation of the Mobile Store, the Distributorship, or the business conducted under this Agreement, including, but not limited to, claims brought by the Distributor, the Principal Owner, the Operator, or any other employee of the Distributorship. The indemnification in this Section 4.4 will survive the expiration or termination of this Agreement, and applies to all claims even if they exceed the limits of the Distributor's insurance coverage.

ARTICLE 5

THE PARTIES' RELATIONSHIP

5.1 Independent Business. You acknowledge that by executing this Agreement You are agreeing to establish and operate an independent Matco Mobile Tool Distributorship, the success of which depends on, among other things, Your individual ability to operate Your business, attract and retain qualified staff, and otherwise operate all phases of an independent business over which You will have substantial control. As an independent business owner, You agree that: (i) the relationship created by this Agreement is not a relationship between principal and agent, or that it is a fiduciary relationship; (ii) You are not Our employee and will not earn any wages, nor be eligible for or receive any of the other benefits normally provided to employees, but rather Your income will solely be the profits You earn from the operation of Your Distributorship; (iii) We are not the employer or co-employer of any employee that You hire; (iv) all management, personnel, and training requirements are at Your discretion and are Your responsibility; (v) You are responsible for ensuring that Your Matco Mobile Tool Distributorship operates in accordance with the law of the state, county, city, and town in which You operate; (vi) You alone are permitted to contract with Your customers and that You are required to sign all contracts and agreements, including purchase agreements, using Your independent business name; (vii) You are free to set the prices you charge Your customers, so long

as those charges comply with any and all policies We prescribe in the Manual relating to maximum or minimum charges; (viii) Your independent business judgment will be used to grow and develop Your customer base within the defined List of Calls; and (ix) We shall not be liable for damages to any person or property arising directly, or indirectly, out of the operation of Your Matco Mobile Tool Distributorship nor liable for any taxes, assessments, fines or penalties levied upon You or Your Matco Mobile Tool Distributorship or arising out of Your Matco Mobile Tool Distributorship. You agree that should You assert a claim or seek a determination that this Agreement, or any of its exhibits or attachments, creates anything but an independent business relationship, including an employment relationship, Matco may seek a determination that this Agreement is null and void. You also agree that if a court, administrative body, arbitrator, board, or other tribunal enters a judgment that this Agreement, or any of its exhibits or attachments, creates anything but an independent business relationship, including an employment relationship, then Matco shall have the right and option to terminate this Agreement.

5.2 Financial Records and Reports. The Distributor will keep complete and accurate books, records, and accounts of all financial and business transactions and activities relating to the Distributorship, and, in order to assure compliance with this Agreement, will permit Matco and its representatives to audit the books, records and accounts during regular business hours during the Term of this Agreement and for one (1) year after termination or expiration of this Agreement. The Distributor's books, records and accounts will be in the form designated by Matco, and the Distributor will use the chart of accounts designated by Matco for all financial statements. The Distributor will submit to Matco, on a weekly basis, such business reports as Matco may designate in writing. Matco may request that the Distributor provide to Matco, within ninety (90) days of the Distributor's fiscal year end, a physical inventory which must be verified by a Matco District Manager, and an annual financial statement prepared in a format that Matco may designate. Once a physical inventory is completed, Distributor must adjust its books and MDDBS reports to reflect the verified physical inventory numbers. Matco may require that the financial statements include a profit and loss statement, a balance sheet, a cash flow statement and/or other information. Depending upon Distributor's overall business health and compliance with the terms and conditions of this Agreement, Matco may waive this physical inventory requirement and/or may extend the frequency to a bi-annual basis. The Distributor must properly register for its sales tax filing in its appropriate state and provide Matco with a properly executed exemption certificate. Matco reserves the right to request and review the Distributor's federal and state tax returns, sales tax filings and other tax filings and reports related to the operation of, sales from, and revenue of, the Distributorship, and the Distributor shall comply promptly with all reasonable requests for such documents. If Distributor obtains financing from Matco, Distributor agrees to comply with any additional record keeping, reporting, and physical inventory requirements Matco may impose from time to time in connection with such financing services or programs.

5.3 Insurance. The Distributor will purchase and maintain comprehensive general liability insurance, including products liability coverage, and vehicle insurance coverages, with limits of each policy of at least two million dollars (\$2,000,000), and a maximum deductible of one thousand dollars (\$1,000), insuring both the Distributor and Matco against any loss, liability, damage, claim or expense of any kind whatsoever, including claims for bodily injury, personal injury and property damage resulting from the operation of the Distributorship or the operation of the Mobile Store or any other vehicle used in connection with the Distributorship. In addition, the Distributor must purchase and maintain all risk Inland Marine insurance coverage for at least the full replacement value of the New Distributor Starter Inventory, and will purchase and pay for any and all other insurance required by law. Distributor must also purchase "replacement cost" coverage for the Mobile Store, computer system, inventory and other items used in operating the Distributorship. Matco also reserves the right to provide or designate a specified provider of insurance, and require

that the Distributor purchase the insurance from the designated provider, or utilize Matco as a conduit to purchase the insurance from the designated provider, even if the Distributor has complied with the requirements of this Section 5.3. Matco's current policy is that it will only require the Distributor to purchase insurance from a provider that Matco designates if the Distributor participates in Matco's financing services or programs. All insurance policies maintained by the Distributor must: (A) name Matco as an additional named insured, (B) provide that Matco will receive copies of all notices of cancellation, nonrenewal or coverage change at least thirty (30) days prior to the effective date, (C) require the insurance company to provide and pay for legal counsel to defend any claims or actions brought against the Distributor or Matco; and (D) properly name the Distributor as the insured. The Distributor's Inland Marine policy must reflect Matco as the Lender's Loss Payable, as their interests may appear. The "Lender's Loss Payable" clause must provide, at a minimum, that any loss will be payable to the insured and Matco as the loss payee described on the schedule and that the insurance for the loss payee continues in effect even when the insured's insurance may be void because of the insured's acts, neglect, or failure to comply with the coverage terms. Additional requirements concerning the insurance to be obtained and maintained by the Distributor, if any, may be designated by Matco from time to time in writing. The Distributor must provide to Matco, as such times as specified by Matco, a certificate of insurance, endorsement, insurance declaration, and/or other documents specified by Matco (collectively "Certificates") showing compliance with the insurance requirements in this Section 5.3 and the Manual. If the Distributor does not obtain and maintain the proper insurance coverage, Matco may purchase said insurance on the Distributor's behalf. If Matco purchases insurance on behalf of the Distributor, or requires that the insurance be purchased through or from Matco, whereby Matco acts as a conduit to purchase the insurance, the total cost of the insurance will be charged to the Distributor's Open Purchase Account.

5.4 Indemnification. The Distributor will indemnify and hold Matco, Our Affiliates, and Our and Our Affiliate' directors, officers, employees, agents and franchisees (collectively, "Indemnitees") harmless from any claims, damages, judgments and losses, including attorney's fees, arising out of, from, in connection with this Agreement, the Distributorship, or as a result of the Distributor's, Principal Owner's, Operator's, or any other individual's operation of the Mobile Store, the Distributorship and the business conducted under this Agreement, any allegation that You are Our employee and not a franchisee distributor operating Your independent business, the Distributor's breach of this Agreement including all exhibits and attachments to this Agreement, the Distributor's negligence, any failure to comply with any laws, regulations, rules or procedures, including Privacy Laws, rules and procedures established by commercial agencies, associations or groups, applicable to the operation of the Distributorship, or any acts or omissions of the Distributor in connection with the operation of the Distributorship including, without limitation, claims, damages, judgments and losses arising from any unauthorized statements, representations or warranties made by the Distributor with respect to the Products, and those alleged to be caused by Matco's negligence, unless (and then only to the extent that) the claims, damages, judgments, and losses are determined to be caused solely by Matco's gross negligence or willful misconduct according to a final, unappealable ruling issued by a court or arbitrator of competent jurisdiction, including, but not limited to, claims brought by the Distributor. In addition, in connection for claims related to products liability, if Distributor maintains the required insurance under this Agreement and has complied with this Agreement, Distributor will not be liable under this indemnification provision for claims in excess of any products liability insurance coverage, but only if the Distributor's insurance provider pays the full policy limits and the Distributor did not take any action to repair or otherwise alter any products for which the products liability claims apply. This Section will survive the expiration or termination of this Agreement, and applies to all claims even if they exceed the limits of the Distributor's insurance coverage (other than claims in excess of the products liability coverage described in the preceding sentence). We may, at Our sole option, voluntarily assume the defense or settlement of

any of the foregoing. We have the sole discretion to choose Our own attorneys and to consent to judgment or agree to settlement, if there are reasonable grounds upon which to do so.

- 5.5 Exercise of Matco’s Judgment.** Matco has the right to operate, develop, and change the Business System in any manner that is not specifically precluded by this Agreement. Whenever Matco has reserved in this Agreement a right to take or withhold an action, or to grant or decline to grant the Distributor a right to take or omit an action, except as otherwise expressly and specifically provided in this Agreement, Matco may make its decision or exercise its rights on the basis of the information readily available to it, and Matco’s judgment of what is in its best interests and/or in the best interests of the MATCO TOOLS brand, its franchise network, at the time the decision is made, without regard to whether other reasonable or even arguably preferable alternative decisions could have been made by Matco and without regard to whether Matco’s decision or the action Matco takes promotes its financial or other individual interest. Neither the Distributor nor any third party (including, without limitation, a trier of fact) may substitute its judgment for Matco’s judgment.

ARTICLE 6 **PRODUCTS**

- 6.1 Sale and Purchase of Products.** Matco will sell and the Distributor will buy the Products from Matco at the prices and on the terms established and published by Matco from time to time. Distributor will not purchase or attempt to purchase any products, including Products, directly from vendors supplying products to Matco, or from vendors or other sources that may or may not sell to or supply products to Matco or its distributors. Prices and terms applicable to each order placed by the Distributor will be those in effect on the date the order is accepted by Matco. Matco reserves the right to add or delete Products, make changes to the Products, increase Product prices, and adjust the prices, terms, and discounts for the Products, without notice or liability to the Distributor, at any time. The Distributor acknowledges that Matco’s sale of Products to the Distributor will include a mark-up over Matco’s costs, and will likely generate a profit for Matco. Matco also reserves the right to obtain rebates, allowances, commissions, and other benefits from vendors and to retain and use them for any purposes in its sole discretion. All sales made by the Principal Owner, the Operator or any other employees of the Distributor within the List of Calls or from the Mobile Store must be Products purchased from Matco or its affiliates or designated suppliers, except for trade-ins, which are permitted to be re-sold by the Distributorship, if done so in compliance with Matco’s standards and the Manual.
- 6.2 Prices of Products.** The Distributor has the absolute right to determine the prices at which the Products are sold to the Distributor’s Customers. If Matco institutes and implements a discount program, incentive program, coupon program, or other product sales or marketing program which compensates the Distributor for participation, the Distributor must comply with the program, and honor all authorized coupons, gift cards, gift certificates, and incentives.
- 6.3 Initial Inventory.** Upon execution of this Agreement, the Distributor will place an order with Matco for the New Distributor Starter Inventory. The Distributor will pay Matco for the New Distributor Starter Inventory upon execution of this Agreement. Shipment of the New Distributor Starter Inventory will be made to the Distributor within twenty-eight (28) days of the Effective Date.
- 6.4 Electronic Funds Transfers.** All payments to Matco by the Distributor on any promissory note or for the purchase of Products and other goods and services will be made by electronic funds transfers in accordance with the instructions by Global Payment Systems contained in the Manual. The Distributor will, from time to time during the Term of this Agreement, sign such documents as Matco

may request to authorize the Distributor's bank to transfer the payment amounts designated by the Distributor to Matco's bank.

- 6.5 Standard Payment Terms.** Matco's standard payment terms for Products sold to the Distributor are "payment due upon receipt of invoice." If the Distributor fails to make any payment to Matco for Products in a timely manner, then Matco may require full or partial payment in advance or seek other assurances of performance, including, but not limited to, reducing credit limits and/or placing the Distributor on credit hold prior to shipping any additional Products to the Distributor. Matco may assess late fees on the overdue amounts, as provided for in Section 3.18 above.
- 6.6 Security Interest.** The Distributor hereby grants Matco a security interest in all of the Distributor's Products, accounts receivable and other assets to secure any unpaid credit or financing provided to the Distributor, and the Distributor will sign such security agreements, financing statements and other documents as Matco may request to legally perfect its security interest.
- 6.7 Shipment.** The Distributor will be entitled to one (1) qualifying shipment of Products per week from Matco's warehouse, freight prepaid by Matco, if the Distributor has complied with Matco's rules and policies regarding the placement and payment of orders for Products. Matco will ship Products "FOB" from Matco's warehouse, freight prepaid, but the title to the Products, and the risk of loss, will pass to Distributor as soon as the Products are delivered to the carrier at Matco's warehouse. Prepaid freight shipments will not accumulate if the Distributor fails to request a shipment for any particular week. Additional shipments, special orders, shipments to addresses other than the Distributor's normal business address, and orders not made in compliance with Matco's standard order input procedures, will be shipped from Matco's warehouse, freight collect, unless otherwise agreed to in writing by Matco.
- 6.8 No Right To Withhold or Offset.** The Distributor shall not withhold any payment due to Matco because of any damage to the Products caused during transportation from Matco to the Distributor or as a result of any legal or other claims the Distributor may allege against Matco. The Distributor will not deduct any charges for services, parts, or other items from any payments due to Matco until such charges have been agreed to in writing by Matco. In addition to any right of setoff provided by law, all amounts due Distributor shall be considered net of indebtedness of Distributor to Matco and its affiliates. Matco may deduct from any sums due or to become due to Distributor any amounts due or to become due from Distributor to Matco and its affiliates.
- 6.9 Acceptance of Orders/Force Majeure Regarding Product Shipments.** All Product orders placed by the Distributor will be subject to acceptance by Matco. Matco will, with reasonable diligence and subject to Section 6.5, execute all accepted Product orders received from the Distributor. However, Matco expressly reserves the right at any time to defer, postpone or forego any shipments of Products on account of procedures or priorities established by any state, federal or local government or because of production failures, strikes or other labor disturbances, inability or delay in obtaining raw materials or other supplies, floods, fires, accidents, wars, incidents of terrorism or other causes or conditions beyond the control of Matco, and Matco will not be liable to the Distributor for any damages or loss of profits caused by such delay in executing or failing to execute such orders.
- 6.10 Taxes.** The Distributor will pay, in addition to the prices specified for the Products pursuant to Matco's then current price list, all applicable federal, state, local and governmental taxes applicable to the Distributor's purchase of the Products.

- 6.11 Risk of Loss.** After any Products ordered by the Distributor have been identified in such order, the risk of loss will at all times be borne by the Distributor. The Distributor will be responsible for making all claims against the carrier for damages to the Products and for all other losses.

ARTICLE 7

TRADEMARKS, TRADE NAMES AND PATENTS

- 7.1 Grant of License.** Matco grants to the Distributor a non-exclusive, non-transferable right and license to use the Marks in the normal course of operating the Distributorship. The Distributor will only use the Marks in connection with the operation of the Distributorship and the sale of the Products sold pursuant to the Business System and the terms of this Agreement.
- 7.2 Rights of Matco.** The Distributor will not take any action which is adverse to Matco's right, title or interest in the Marks or Matco's pending or issued patents for various inventions and Products. The Distributor will not register or attempt to register the Marks or apply for any patent rights for the Products. The Distributor further agrees that nothing in this Agreement will give the Distributor any right, title or interest in the patent rights or Marks other than the right of use in accordance with the terms of this Agreement. The Distributor acknowledges the validity and Matco's exclusive ownership of the Marks and the patent rights and agrees that any improvements made by the Distributor relating to the Marks or the Business System, as well as any and all goodwill resulting from the Distributor's use of the Marks pursuant to this Agreement, will inure solely to the benefit of Matco.
- 7.3 Conditions to Use of Marks.** The Distributor will not have the right to sublicense, assign or transfer its license to use the Marks. The Distributor will not use the Marks as part of its corporate or other legal name, or as part of any e-mail address, domain name, or other identification of the Distributor in any electronic medium. The Distributor will use the Marks only in the form and manner and with the appropriate legends as prescribed from time to time by Matco. The Distributor will modify its use of the Marks from time to time in the manner designated in writing by Matco. The Distributor will sign all documents deemed necessary by Matco to obtain or maintain protection for the Marks.
- 7.4 Approval of Materials Using the Marks.** The Distributor will obtain Matco's prior written approval for the use of the Marks in any advertising, promotional or other electronic or printed materials and communications to potential or actual customers in any electronic medium including but not limited to social media and websites on the world wide web.
- 7.5 Defense of Actions.** The Distributor will give Matco immediate written notice of any claim made by any party relating to the Marks or the Business System and will, without compensation, cooperate in all respects with Matco in any legal proceedings involving the Marks or the Business System. Matco will have the sole and absolute right to determine whether it will commence or defend any litigation involving the Marks or the Business System, and will, at its expense, control and conduct any litigation involving the Marks. If the Distributor, Principal Owner, any Operator, or any employee of the Distributor is named as a defendant in any action involving the Marks or the Business System solely because the plaintiff is alleging that the Distributor or such named party does not have the right to use the Marks, then if the Distributor gives Matco written notice of the action within ten (10) days after the Distributor receives notice of the claim, Matco will assume the defense of the action and will indemnify and hold the Distributor harmless from any and all damages assessed against the Distributor in connection with the action.

ARTICLE 8
WARRANTY AND TOOL RETURNS

8.1 Warranty Policy. All Matco Products are subject to the warranty and liability limitations of the written Product warranty of Matco (the “Matco Warranty”). Matco’s Warranty policy, which may change over time, provides, generally, that any Product that is branded with the “Matco” name is warranted against defects in materials and workmanship. Matco, or one of its authorized representatives, will, at Matco’s option, repair or replace any tool or part that is subject to the warranty without charge, if the defect or malfunctioning tool or part is returned to Matco or its representative, shipping prepaid. There are certain limitations under the Matco Warranty, and the Distributor and its Principal Owner must read and understand the warranty policies. The Distributor must follow Matco’s policies and procedures regarding returning tools for warranty claims. Among the procedures that the Distributor must follow is the requirement to send back the products with the appropriate paperwork, product specifications, codes and other required information. In addition, the Distributor must pay all freight and shipping charges to send the defective product to Matco. In most cases, Matco will pay the shipping and freight costs to send the Distributor a new or repaired tool, part or product.

Also, there are certain warranty service functions that the Distributor must perform. Currently, the Distributor warranty responsibilities and functions include the following: “in the field” repair of ratchets and toolboxes. For ratchet repairs, the Distributor must purchase repair kits, which currently range in price from ten dollars (\$10) to forty dollars (\$40) per kit and must pay the shipping/freight charges to return the defective part to Matco. Upon return of the defective parts to Matco, Matco will credit the cost of the ratchet repair kit. Matco intends to include ratchet repair instructions on its website for distributors. Matco will not provide any compensation for the time it takes your Principal Owner or other employee to make these repairs, and any compensation that the Distributor provides to such individuals is at its sole option. The Distributor is also currently responsible to perform minor warranty repairs on toolboxes within the List of Calls, such as drawer slides, casters (wheels), trim and/or drawer replacement if needed. Warranty repairs are handled on a case-by-case basis after contacting Matco’s Customer Service and/or Matco’s toolbox manufacturing facility. There are no repair kits for toolboxes, and you are not required to purchase items to repair toolboxes under warranty.

The Distributor must also assist Matco in honoring all Matco Warranties on all Products. The Distributor must perform service on tools and equipment at the customer’s place of business. To the extent that the Distributor is not qualified to repair a Product, the Distributor must assist the customer in getting the Product to the proper repair facility. This service is of the nature, type and scope that is expected by Matco customers, and that Matco and its network of distributors has pledged to provide. Matco considers the cost of warranty service in setting discounts from the suggested retail price of the Products that Matco sells to distributors. It is not possible for Matco to estimate the amount of time that the Distributor will be required to spend on warranty work to properly service its customers.

The Matco Warranty may be amended or revised by Matco at any time in its sole discretion. Matco will have the right to adjust and resolve all warranty claims, either directly with the Customer or through the Distributor, as Matco in its sole discretion may determine, and any action by Matco with respect to warranty claims will be binding upon the Distributor.

8.2 Tool Return Policy. Matco will make its then-current tool return policy available to the Distributor. The current policy provides that during the term of the Distributorship Agreement or after its expiration or termination, the Distributor may return for credit to its Open Purchase Account any

eligible Matco Products purchased from Matco and listed in the then current Matco Tools Price List, excluding special order and high obsolescence electronic products. The current tool return policy specifies that the tools and other products that are eligible for return for credit are new, unused, and not abused products that are in saleable condition, and in their original packaging. The products returned must be on the current inventory list and cannot be discontinued items. Matco generally tries to provide distributors with at least one hundred eighty (180) days' notice following an announcement that a product has been discontinued to return the product for credit. The Distributor may take advantage of the tool return policy at any time, such as if the Distributor has overstocked items, or wishes to rotate or adjust the product mix in its inventory. Matco will credit the Distributor's Open Purchase Account for the eligible returned Products less a restocking fee, which in most cases is fifteen percent (15%) of the original purchase price of the product. A good faith effort will be made by Matco to issue credit within ninety (90) days of acceptance of the returned Products. The specific criteria for products that are eligible for return for credit is stated in Matco's tool return policy. The Distributor must pay for the packaging and shipping of such Products to Matco. Matco may revise its tool return policy at such times as it may determine, and will inform the Distributor in writing of any changes when made.

ARTICLE 9 **CONFIDENTIALITY**

The Distributor will not, during the Term of this Agreement or thereafter, communicate, divulge or use for the benefit of any other person or entity any confidential information, knowledge or know-how concerning the methods of operation of a Matco Distributorship which may be communicated to the Distributor by any employees of Matco, or which arises by virtue of this Agreement. The Distributor will divulge such confidential information only to its employees who must have access to it in order to operate the Distributorship. The Manual and any and all other information, knowledge and know-how including, without limitation, drawings, materials, equipment, technology, methods, procedures, specifications, techniques, computer software programs, computer software source codes, systems and other data which Matco designates as confidential or proprietary will be deemed confidential and proprietary for the purposes of this Agreement. The obligations of confidentiality shall survive termination or expiration of this Agreement for any reason.

The Distributor further understands and agrees that it will come into possession of certain of Matco's trade secrets concerning the manner in which it conducts business including, but not limited to, the following: the methods of doing business or business processes; strategic business plans; Customer and Potential Customer information and the List of Calls; marketing and promotional campaigns; software and other technology; and Matco materials clearly marked or labeled as confidential and/or trade secrets. The Distributor agrees that the foregoing information, which may or may not be considered "trade secrets" under prevailing judicial interpretations or statutes, is private, valuable, and considered by Matco to constitute trade secrets belonging to Matco. The Distributor agrees that Matco derives independent economic value from the foregoing information not being generally known to, and not being readily ascertainable through proper means by, another person. The Distributor agrees to take reasonable measures as directed by Matco to keep such information secret. Upon termination of this Agreement, the Distributor will not, and will cause its Principal Owner and any employees not to, use, sell, teach, train or disseminate in any manner to any other person, firm, corporation or association any trade secret pertaining to Matco's business and/or the manner in which it is conducted.

ARTICLE 10
TRANSFER OF INTEREST

- 10.1 Transfer of Distributorship Interest.** You have the right to sell your Distributorship. However, neither the Distributor nor any individual, partnership, or corporation which owns any interest in the Distributor is permitted to sell or transfer any interest in this Agreement, in the Distributorship, in any capital or common stock in the Distributorship, or in all or substantially all of the assets of the Distributorship, including the Mobile Store (the “Distributorship Interest”), without the prior written consent of Matco.
- 10.2 Conditions for Transfer.** Matco will not unreasonably withhold its consent to any transfer, if the following conditions are met: the Distributor is not in default under any provision of this Agreement, including payment of any financial obligations to Matco; the Distributor and Matco have signed a mutual general release of any and all claims against each other and their respective affiliates; it has been demonstrated to Matco’s sole satisfaction that the transferee and its principal owner exhibits the ability to operate the Distributorship, and that the transferee has adequate financial resources and capital to operate the Distributorship in accordance with Matco’s requirements (including the principal owner’s credit rating), and is not involved, directly or indirectly, in any business that is in any way competitive with a Matco Distributorship; the transferee-distributor and its Principal Owner executes the then-current version of the Matco Tools Distributorship Agreement, agrees to complete the Matco Business System Training (MBST) Program; and the Distributor and transferee-distributor sign the legal documents necessary to transfer this Agreement to the transferee-distributor. Any purchase and sale agreement between the transferor and transferee shall provide for and require that the Mobile Store and the Distributorship shall continue to operate without interruption during the transfer. Matco may expand upon, and provide more details related to, the conditions for transfer and Matco’s consent as described in this Section 10.2, and may do so in the Manual or otherwise in writing. Matco may, but is not obligated to, provide the additional details regarding the transfer conditions and Matco’s consent to the Distributor.
- 10.3 Security Interest.** The Distributor will not grant a security interest in the Distributorship or this Agreement without Matco’s prior written consent. Matco will have the right as a condition of its consent, to require the secured party to agree that if the Distributor defaults under any security interest, then Matco will have the right and option (but not the obligation) to be substituted for the Distributor as the obligor to the secured party and to cure any default of the Distributor without the acceleration of any indebtedness due from the Distributor.
- 10.4 Transfer by Matco.** Matco will have the right to transfer or assign this Agreement and all or any part of its rights or obligations herein to any person or legal entity without notice to the Distributor.
- 10.5 Transfer Upon Bankruptcy.** If the Distributor or Principal Owner were to initiate a bankruptcy or insolvency proceeding, in order to protect Matco’s interests, such Party must meet all applicable obligations as set forth in this Agreement and there can be no sale, assignment or transfer of the Distributorship contingent upon Matco approving the buyer as a new Matco Distributor unless (i) any existing defaults under this Agreement are cured, (ii) any proposed assignment or sale is contingent upon the assignee’s agreement to be bound by and comply with the terms and commitments contained herein and (iii) the transfer complies with Section 10. In the case of a bankruptcy or insolvency proceeding of a Principal Owner, the Distributor must hire and retain a replacement Principal Owner who is satisfactory to Matco to perform the Principal Owner’s obligations under this Agreement within sixty (60) days after the filing of a bankruptcy petition. If a satisfactory replacement is not retained, Matco will have the right (but not the obligation), at Matco’s option, to take over operation of the Distributorship, or to hire and retain a replacement on

the Distributor's behalf, until the transfer is completed, and to charge a reasonable management fee for these services, or, in the alternative, Matco may terminate this Agreement.

- 10.6 Non-Competition and Non-Solicitation Following a Transfer.** In addition to the covenants regarding non-competition and non-solicitation by Distributor, Principal Owner and others as specified in Section 11.9 below, Matco recommends and encourages Distributor (if obtaining the distributorship by virtue of a transfer) to obtain a noncompetition agreement from the previous distributor and principal owner that serviced the List of Calls, as well as such previous distributor's other owners, and Matco expects that it will encourage any new distributor that acquires the business, the route, the accounts or the distributorship of the Distributor to obtain a noncompetition agreement from the outgoing or transferring Distributor and principal owner. The noncompetition agreement may assist in preventing competition from the previous distributor, the previous distributor's principal owner, and any other owners for a continuous uninterrupted period of one (1) year from the date of a transfer permitted under Article 10 above, or expiration or termination of the previous distributor's Distributorship Agreement (regardless of the cause for termination). Competition includes, but is not limited to, selling or attempting to sell any Products or any products the same as or similar to the Products to (i) any existing Customer on the Distributor's List of Calls who purchased one or more Products from the previous distributor during the twelve (12) month period immediately preceding the dates referred to in this Section 10.5, or (ii) any Potential Customer on the Distributor's List of Calls, located on, or identified in, the previous distributor's List of Calls, as such lists may have been amended as provided for in the previous distributor's Distributorship Agreement and in accordance with Matco's policies, if the previous distributor had visited or made one or more sales calls to such Potential Customer during the twelve (12) month period immediately preceding the date referred to in this Section 10.5. Distributor agrees that the length of time in this Section 10.5 will be tolled for any period during which Distributor is in breach of the covenants or any other period during which Matco seeks to enforce this Agreement.

ARTICLE 11

DEFAULT AND TERMINATION

- 11.1 Termination by Distributor.** The Distributor may terminate this Agreement, at any time, with or without cause, by giving forty-five (45) days prior written notice to Matco.
- 11.2 Termination by Distributor During First Six Months.** If the Distributor terminates this Agreement for any reason by the earlier of the following: within six (6) months after the first day of the Matco Business System Training (MBST) Program, or thirty (30) days after the Effective Date; if the Distributor has not failed to operate the Distributorship for more than six (6) "business days" in total, or more than three (3) consecutive business days during that six (6) month period; and if the Distributor agrees to not engage in, or permit its Principal Owner or any employees work in the mobile tool business for two years, then Matco will (a) accept for return all new Products, excluding special order products and incomplete sets, that are purchased by the Distributor through or from Matco during that six (6) month period; (b) credit to the Distributor's open purchase account an amount equal to one hundred percent (100%) of the Distributor's purchase price for the returned Products up to the amount of the New Distributor Starter Inventory, and any returns above this amount will be subject to Matco's then-current restocking policy (a restocking fee will not apply if Distributor complies with Matco's then-current Product return policies); (c) provided the Distributor is actively pursuing the sale of the Matco truck, at a price no greater than its fair market value, credit the Distributor's open purchase account for the lesser of (i) three thousand four hundred dollars (\$3,400), (ii) an amount equal to eight (8) weekly payments under the Distributor's Matco Truck lease or transfer lease without any additional funds required, or (iii) the amount required to terminate the Truck lease if there are less than eight (8) weekly payments (and the calculation of the

eight (8) weekly payments will commence forty-five (45) days following the date Distributor signs the joint and mutual release described below in this Section 11.2); and (d) refund the Initial Fee paid by the Distributor, less five hundred dollars (\$500), or that portion of the Initial Fee paid by the Distributor if the Initial Fee was financed by Matco, less five hundred dollars (\$500). The Distributor and Matco will sign a joint and mutual release of all claims that each of the parties and their affiliates, employees and agents (including the Principal Owner) may have against the other in such form as Matco may specify; however, the Distributor will remain liable for any indebtedness to Matco under this Agreement or the operation of the Distributorship and any such indebtedness will be excluded from the mutual release. Matco will make such payments only if the Distributor and its owners and any employees are in compliance with all post-termination obligations under this Agreement, including the non-competition obligations under Section 11.9 below. A “business day” is a weekday in which the shops or locations on the List of Calls are open for business. “Failed to operate” means not performing the typical and required route functions, such as customer visits, product sales and promotion, and collection of money owed or not promoting the System, such as not promoting Products to each Potential Customer in every List of Calls shop. The opportunity to terminate this Agreement pursuant to this Section 11.2, shall not be applicable to, nor available to, the Distributor if (i) this Agreement is not the Distributor’s and Principal Owner’s first Distributorship, (ii) the Distributor is or was a Matco employee or associate, or (iii) the Distributor is a Mobile Store Manager, nor shall this termination option be available for any additional Distributorship or any renewal, extension or successor Distributorship Agreement.

- 11.3 Matco’s Termination Rights.** Matco has the right to terminate this Agreement if the Distributor: (A) violates any material term, provision, obligation, representation or warranty contained in this Agreement or any other agreements entered into with Matco including, but not limited to, agreements regarding participation in the Matco Tools PSA Program, (B) fails to comply with the Customer Service Standards, (C) makes an assignment for the benefit of creditors or if a voluntary or involuntary proceeding is instituted by or against the Distributor in bankruptcy or under any other insolvency or similar law, (D) attempts to assign or transfer this Agreement without Matco’s written consent, (E) Abandons the Distributorship, (F) fails to timely make any payment due to Matco under this Agreement or under any other agreement, promissory note or contract, (G) refuses to perform a physical inventory if required by Matco or refuses to permit Matco to audit the Distributor’s books and records in accordance with Section 5.2, or (H) fails to comply with Section 10.5.
- 11.4 Notice; Cure Periods.** Matco will not have the right to terminate this Agreement unless and until: (A) written notice setting forth the alleged breach giving rise to the termination has been delivered to the Distributor in accordance with the terms of Section 13.2, and (B) the Distributor fails to correct the breach within thirty (30) days, or as required under applicable law if longer. Notwithstanding the foregoing, the Distributor will have ten (10) days to make full payment to Matco where the written notice states that the Distributor is delinquent in any payment due to Matco under this Agreement.
- 11.5 Immediate Termination Rights.** Notwithstanding Section 11.4, Matco will have the right to immediately terminate this Agreement by giving the Distributor written notice of termination, if: (A) the Distributor Abandons the Distributorship, including voluntary or involuntary Abandonment, and/or Abandonment due to repossession of the Matco Tools Mobile Store and inventory, (B) the Principal Owner is convicted of or pleads guilty to a gross misdemeanor or felony, (C) the Distributor or the Principal Owner is involved in any conduct or act which materially impairs the goodwill associated with Matco, the Business System, or the Marks, including any fraudulent or deceptive actions, (D) the Distributor refuses to permit Matco to audit the Distributorship’s books and records in accordance with Section 5.2, (E) the Distributor or the Principal Owner has been found to have submitted a fraudulent credit application, (F) the Distributor or the Principal Owner commits any

fraudulent act in connection with any of his/her agreements with Matco, (G) the Distributor, Principal Owner, an Operator, or any other employee sells, offers for sale or distributes any products to customers at any location not identified on the Distributor's List of Calls in violation of Section 3.2 of this Agreement, (H) the Principal Owner is disabled to the extent that the Principal Owner cannot perform her or his obligations hereunder for a period of six (6) consecutive months, or for any six (6) months within a period of eighteen (18) consecutive months, (I) the Principal Owner dies, (J) the Distributor, after curing a default pursuant to Sections 11.3 and 11.4, commits the same default again within a twelve (12) month period of the previous default, whether or not cured after notice, (K) the Distributor commits the same or different default under this Agreement, three or more times within any twelve (12) month period, whether or not cured after notice, (L) the Distributor or any owner makes an assignment for the benefit of creditors or if a voluntary or involuntary proceeding is instituted against the Distributor in bankruptcy or under any other insolvency or similar law, (M) the Distributor has one or more promissory notes under which Distributor owes money to Matco that is cancelled, terminated or accelerated due to Distributor's default under such note and its/his/her failure to cure such default, (N) if this Agreement or Matco's franchise business model is adjudicated in the state or jurisdiction where the Distributor operates to be illegal or unenforceable by an administrative, regulatory, governmental, or judiciary body, including, but not limited to any purported misclassification of the relationship between Matco and the Distributor established by this Agreement, or (O) the Principal Owner, Operator or any their employees conduct any Distributorship operations, including but not limited to, operating the mobile showroom, while illegally impaired or under the influence of drugs or alcohol.

11.6 Obligations Upon Termination. Upon the termination or expiration of this Agreement, the Distributor will: pay Matco all amounts owed by the Distributor to Matco including interest charged on distributor's Open Purchase Account balance at a rate of eighteen percent (18%) annually or the maximum rate permitted by law, whichever is lower; provide Matco with the inventory amounts and financial information of the Distributorship for the preceding twelve (12) months; immediately cease using all of the Marks and the Business System; provide Matco with all Customer lists and other information relating to the Customers of the Distributorship; return to Matco by pre-paid U.S. mail the Manual and all other manuals, software, catalogs, brochures, pamphlets, decals, signs, and other materials provided to the Distributor by Matco, and/or destroy all electronic versions of such materials and provide verification of such destruction to Matco; and remove all Marks, logos, graphics and insignias indicating a relationship with Matco from the Mobile Store and all other property of the Distributor. In addition, Matco may assess Distributor a late fee of twenty-five dollars (\$25) per week for each week that the Distributor fails to pay the balance owed on the Open Purchase Account following termination. The Distributor acknowledges and understands that an uncured default and/or the termination of the Distributorship Agreement may also be a default under notes, financing, or agreements that the Distributor or Principal Owner may have with third parties, including, by way of example, the lease for the Mobile Store, and such termination of this Agreement may cause an acceleration of payments under a note or lease and for forfeiture of the Mobile Store or repossession of the Mobile Store by the lessor or financing entity.

11.7 Return of Products. Within thirty (30) days following: (A) the expiration or non-renewal of this Agreement, or (B) termination of this Agreement by Matco or by Distributor, Matco will, in accordance with Matco's then-current Product return policy, permit the Distributor to return the new and unused Products purchased by the Distributor from Matco, and the amount of the Products returned will be credited to the Distributor's Open Purchase Account, subject to any restocking fees or other fees or charges in accordance with Matco's then-current Product return policy.

- 11.8 Warranty Returns.** During the thirty (30) day period following termination of this Agreement, Matco will accept Products returned to it by the Distributor for warranty claim processing in accordance with Matco’s then existing Warranty policy.
- 11.9 Non-Solicitation of Customers; Covenant Against Competition.** Distributor and the Principal Owner covenant that each of the Distributor, the Principal Owner, the Operator, and any other owners or Guarantors or others in active concert or participation with them, except as otherwise approved in writing by Matco:
- 11.9.1** shall not, during the term of this Agreement, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, limited liability company, or corporation, own, maintain, operate, engage in, or have any interest in any business which is the same as or similar to a Matco mobile tool distributorship business, including without limitation, a business that manufactures, sells, and/or distributes any products that are the same as or similar to the Products (referred to herein as a “**Competitive Business**”);
- 11.9.2** shall not, during the term of this Agreement, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, limited liability company, or corporation, sell or attempt to sell to any customers or Potential Customers of the Distributorship any products that are the same or similar to the Products;
- 11.9.3** shall not for a continuous uninterrupted period of one (1) year from the later of the date of: (A) a transfer permitted under Article 10, above; (B) expiration or termination of this Agreement (regardless of the cause for termination); or (C) a final order of a duly authorized arbitrator, panel of arbitrators, or court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to the enforcement of this Section 11.9, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any persons, partnership, limited liability company, or corporation, sell or attempt to sell any Products or any products the same as or similar to the Products to (i) any Customer who purchased one or more Products from Distributor during the twelve (12) month period immediately preceding the dates referred to in subclauses (A), (B), or (C) of this Section 11.9.3, or (ii) any Potential Customer, located on, or identified in, the Distributor’s List of Calls, as such list may have been amended as provided for in this Agreement and in accordance with Matco’s policies, if Distributor had visited or made one or more sales calls to such Potential Customer, List of Calls, or person or business identified on the List of Calls during the twelve (12) month period immediately preceding the date referred to in subclauses (A), (B), or (C) of this Section 11.9.3.
- 11.10 Compliance with Obligations.** Distributor represents and warrants that it will ensure that all Distributorship employees and any Operator are subject to the restrictions in sections 11.9.1, 11.9.2 and 11.9.3.

ARTICLE 12 DISPUTE RESOLUTION

- 12.1 Arbitration.** Except as expressly provided in Section 12.5 of this Agreement, all breaches, claims, causes of action, demands, disputes and controversies (collectively referred to as “breaches” or “breach”) between the Distributor, the Principal Owner, Operator(s), any other owners, immediate family members of the Principal Owner, heirs, executors, successors, assigns, shareholders, partners or guarantors, and Matco, including its employees, agents, officers or directors and its parent, subsidiary or affiliated companies, whether styled as an individual claim, class action claim, or

otherwise, arising from or related to this Agreement, the offer or sale of the franchise and distribution rights contained in this Agreement, the relationship of Matco and Distributor, or Distributor's operation of the Distributorship, including any challenges to the validity or application of this provision or any other provision of this Agreement, and allegations of fraud, misrepresentation, and violation of any federal, state or local law or regulation, will be determined exclusively by binding arbitration on an individual, non-class basis only, before one (1) neutral arbitrator with at least five (5) years of franchise law experience, in accordance with the Federal Arbitration Act and the Commercial Arbitration Rules of the American Arbitration Association, a copy of which is publicly available on the Internet at <https://www.adr.org/Rules> ("Arbitration"). The Arbitration proceedings and any Arbitration award shall be maintained by the parties as strictly confidential, except as is otherwise required by law or court order, or as is necessary to confirm, vacate or enforce the award, and for disclosure in confidence to the parties' respective attorneys and tax advisors. In any Arbitration, this Agreement, and the relationship between the Distributor and Matco and any disputes arising thereunder, will be governed by and construed in accordance with the laws of the State of Ohio, and the procedural and substantive law of Ohio will govern the rights and obligations of and the relationship between the parties irrespective of any conflict of laws. However, if required by applicable law, then this Agreement, and the relationship between the Distributor and Matco and any disputes arising thereunder, will be governed by and construed in accordance with the laws of the state in which the Distributor primarily operates, and the procedural and substantive law of that state will govern the rights and obligations of and the relationship between the parties irrespective of any conflict of laws. Nothing in this section shall be interpreted to preclude the application of the FAA to this Article 12.

12.2 Notice of Dispute. The party alleging the breach must provide the other party with prior written notice setting forth the facts of the breach in detail, and neither party will have the right to commence any Arbitration proceedings unless and until such written notice is given.

12.3 Limitation of Actions; Waiver of Claims. UNLESS THIS PROVISION IS PROHIBITED BY APPLICABLE LAW, ANY AND ALL CLAIMS BROUGHT BY ANY PERSON OR PARTY, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP OF MATCO AND DISTRIBUTOR, THE OFFER OR SALE OF THE FRANCHISE AND DISTRIBUTION RIGHTS CONTAINED IN THIS AGREEMENT, OR DISTRIBUTOR'S OPERATION OF THE DISTRIBUTORSHIP, INCLUDING ANY ARBITRATION PROCEEDING, OR ANY CLAIM IN ARBITRATION (INCLUDING ANY DEFENSES AND ANY CLAIMS OF SET-OFF OR RECOUPMENT), MUST BE BROUGHT OR ASSERTED BEFORE THE EXPIRATION OF THE EARLIER OF (A) THE TIME PERIOD FOR BRINGING AN ACTION UNDER ANY APPLICABLE STATE OR FEDERAL STATUTE OF LIMITATIONS; (B) ONE (1) YEAR AFTER THE DATE UPON WHICH A PARTY DISCOVERED, OR SHOULD HAVE DISCOVERED, THE FACTS GIVING RISE TO AN ALLEGED CLAIM; OR (C) EIGHTEEN (18) MONTHS AFTER THE FIRST ACT OR OMISSION GIVING RISE TO AN ALLEGED CLAIM; OR IT IS EXPRESSLY ACKNOWLEDGED AND AGREED BY ALL PARTIES THAT SUCH CLAIMS SHALL BE IRREVOCABLY BARRED. CLAIMS OF THE PARTIES FOR INDEMNIFICATION SHALL BE SUBJECT ONLY TO THE APPLICABLE STATE OR FEDERAL STATUTE OF LIMITATIONS. FOR THE PURPOSES OF THIS SECTION, "CLAIM" SHALL MEAN ANY ALLEGATION, CHALLENGE, DEMAND, CAUSE OF ACTION, ARBITRATION, DISPUTE, CONTROVERSY, INVESTIGATION, OR ADMINISTRATIVE PROCEEDING.

12.4 Powers of Arbitrator. The arbitrator shall have the exclusive power to decide all issues of arbitrability, and all doubts as to the arbitrability of a particular claim or breach shall be resolved in favor of arbitration. The arbitrator shall have the full authority to make a finding, judgment, decision

and award relating to the claims made in the demand for arbitration, as provided for in Section 12.1 above, and subject to the limitations in this Section 12.4. The Federal Rules of Evidence (the “Rules”) shall apply to all Arbitration hearings and the introduction of all evidence, testimony, records, affidavits, documents and memoranda in any Arbitration hearing must comply in all respects with the Rules and the legal precedents interpreting the Rules. Both parties will have the absolute right to cross-examine any person who testifies against them or in favor of the other party. Except as expressly provided in Section 12.12, the arbitrator will have no authority to add to, delete or modify the terms and provisions of this Agreement. All findings, judgments, decisions and awards of the arbitrator will be limited to the dispute or controversy set forth in the written demand for Arbitration and any counterclaim, and the arbitrator will have no authority to decide any other disputes or controversies. All findings, judgments, decisions and awards by the arbitrator will be in writing, will be made within ninety (90) days after the Arbitration hearing has been completed, and will be final and binding on Matco and the Distributor (including the Principal Owner, any other owners, immediate family members of the Principal Owner, heirs, executors, successors, assigns, shareholders, partners or guarantors). The written decision of the arbitrator will be deemed to be an order, judgment and decree and may be entered as such in any Court of competent jurisdiction by either party in any jurisdiction, notwithstanding Section 12.9. The arbitrator’s findings and award may not be used to collaterally estop Matco, the Distributor or any other party from raising any like or similar issues, claims or defenses in any other or subsequent Arbitration, litigation, court hearing or other proceeding involving third parties or other Distributors.

12.5 Disputes Not Subject to Arbitration. The following disputes and controversies between the Distributor and Matco will not be subject to Arbitration: any dispute or controversy involving the Marks or which arises under or as a result of Article 7 of this Agreement, any dispute or controversy involving the immediate termination of this Agreement by Matco pursuant to Section 11.5, and any dispute or controversy involving enforcement of the covenants not to compete contained in this Agreement. Nothing herein shall preclude Matco or the Distributor from obtaining injunctive relief pursuant to Article 12.11 below.

12.6 No Class Actions. No party except Matco (including its employees, agents, officers or directors and its parent, subsidiary or affiliated companies) and the Distributor, the Principal Owner, immediate family members of the Principal Owner, any other owners, heirs, executors, successors, assigns, shareholders, partners, and guarantors) may join in or become a party to any Arbitration proceeding arising under this Agreement, and the arbitrator will not be authorized to permit any person or entity that is not a party to this Agreement or identified in this paragraph to be involved in or to participate in any Arbitration conducted pursuant to this Agreement. No matter how styled by the party bringing the claim, any claim or dispute is to be arbitrated on an individual basis and not as part of a consolidated common or a class action, and Matco, the Distributor, the Principal Owner and any other owners waive any and all rights to proceed on a consolidated, common or class basis. **MATCO, THE DISTRIBUTOR AND PRINCIPAL OWNER EXPRESSLY WAIVE ANY RIGHT TO ARBITRATE OR LITIGATE AS A CLASS OR COLLECTIVE ACTION OR IN A PRIVATE ATTORNEY GENERAL CAPACITY. MATCO, AND THE DISTRIBUTOR AND PRINCIPAL OWNER HEREBY AGREE NOT TO SEEK JOINDER OF ANY CLAIMS WITH THOSE OF ANY OTHER PARTY.**

12.7 Limitation of Damages. UNLESS THIS LIMITATION IS PROHIBITED BY APPLICABLE LAW, EACH OF THE PARTIES (INCLUDING DISTRIBUTOR’S OWNERS) HEREBY AGREES THAT THE OTHER PARTY WILL NOT BE LIABLE FOR PUNITIVE, EXEMPLARY, INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF FUTURE PROFITS, ARISING OUT OF ANY CAUSE WHATSOEVER, WHETHER BASED ON CONTRACT, TORT, STRICT LIABILITY, OR

STATUTE OR ORDINANCE, AND AGREES THAT IN THE EVENT OF A DISPUTE, THE RECOVERY OF EITHER PARTY WILL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

12.8 Waiver of Jury Trials. UNLESS THE WAIVER IS PROHIBITED BY LAW, IF ANY DISPUTE IS NOT SUBJECT TO ARBITRATION UNDER THIS AGREEMENT, THEN EACH OF THE PARTIES AGREES THAT THE TRIAL OF ANY LEGAL ACTION ARISING UNDER THIS AGREEMENT OR THE RELATIONSHIP OF THE PARTIES WILL BE HEARD AND DETERMINED BY A JUDGE WHO WILL SIT WITHOUT A JURY. THE PARTIES ACKNOWLEDGE THAT THEY HAVE OBTAINED INDEPENDENT LEGAL ADVICE AS TO THE EFFECT OF THIS JURY WAIVER PROVISION, AND FURTHER ACKNOWLEDGE THAT THEY HAVE READ AND UNDERSTAND THE EFFECT OF THIS JURY WAIVER PROVISION. EITHER PARTY MAY FILE AN ORIGINAL OR COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT BY THE PARTIES TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

12.9 Venue and Jurisdiction. Unless this requirement is prohibited by law, all arbitration proceedings and hearings must and will be conducted via Zoom or other agreed-upon video platform and managed through the offices of the American Arbitration Association closest to Summit or Cuyahoga County, Ohio, at our option. All court actions, mediations or other hearings or proceedings initiated by either party against the other party must and will be venued exclusively in Summit or Cuyahoga County, Ohio. Matco (including its employees, agents, officers or directors and its parent, subsidiary or affiliated companies) and the Distributor and Principal Owner (including immediate family members of the Principal Owner, any other owners, heirs, executors, successors, assigns, shareholders, partners, and guarantors) do hereby agree and submit to the exclusive personal jurisdiction in Summit or Cuyahoga County, Ohio in connection with any Arbitration hearings, court hearings or other hearings, including any lawsuit challenging the arbitration provisions of this Agreement or the decision of the arbitrator, and do hereby waive any rights to contest venue and jurisdiction in Summit or Cuyahoga County, Ohio and any claims that venue and jurisdiction are invalid. Solely with respect to actions filed in accordance with Section 12.1 hereof, upon either the Distributor establishing great financial need or for other good cause shown, or in the event the law of the jurisdiction in which Distributor operates the Distributorship requires that arbitration proceedings be conducted in that state, a Distributor may request, and an arbitrator appointed pursuant to this Agreement may order, that the arbitration hearing shall be conducted in the state in which the principal office of the Distributorship is located. Notwithstanding this Section, any actions brought by either party to enforce the decision of the arbitrator may be venued in any court of competent jurisdiction notwithstanding the jurisdictional limitations imposed by this Article 12.

12.10 Arbitration Costs. Except as otherwise specified herein, all disputes to be resolved by arbitration pursuant to Section 12.1, the parties shall share equally the cost of the arbitrator and the arbitration services and related expenses, but the parties shall bear their own costs to attend and participate in the arbitration, including each party's respective attorney's fees and travel costs. In a dispute initiated by a Distributor, if the cost sharing provided herein would render this Article 12 unconscionable under applicable state law, then upon adequate proof by the Distributor of a lack of sufficient means to prosecute the claims, Matco will advance Distributor's portion of any arbitration costs, excluding attorney's fees, costs, and expenses, and travel costs. The arbitrator shall have the power to decide whether or not (i) applicable state law would find the cost sharing provision to support a finding of unconscionability under the circumstances; (ii) whether the Distributor has adequately demonstrated financial need; and (3) the power to modify this cost sharing provision if it would otherwise be unenforceable under applicable state law. With the exception of the post-Arbitration award, and subject to applicable law, nothing in this Article 12.10 shall be interpreted to permit an arbitrator to

order Matco to pay, at any time, Distributor's (or any party's) attorney fees, costs or expenses, and/or travel costs, and the Distributor agrees that it has no right, claim, or entitlement to have attorney fees, costs, or expenses, and/or travel costs paid by Matco. As may be required by applicable state law, the arbitrator shall award attorneys' fees and costs to the prevailing party.

12.11 Injunctive Relief. Nothing herein contained shall bar Matco's or Distributor's right to obtain injunctive relief against threatened conduct, in order to preserve the status quo pending arbitration, that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

12.12 Severability. It is the desire and intent of the parties to this Agreement that the provisions of this Article be enforced to the fullest extent permissible under the laws and public policy applied in each jurisdiction in which enforcement is sought. Accordingly, if any part of this Article is adjudicated to be invalid or unenforceable, then this Article will be deemed amended to delete that portion thus adjudicated to be invalid or unenforceable, such deletion to apply only with respect to the operation of this Article in the particular jurisdiction in which the adjudication is made. Further, to the extent any provision of this Article is deemed unenforceable by virtue of its scope, the parties to this Agreement agree that the same will, nevertheless be enforceable to the fullest extent permissible under the laws and public policies applied in such jurisdiction where enforcement is sought, and the scope in such a case will be determined by Arbitration as provided herein. However, if the provisions prohibiting classwide or collective arbitration are deemed invalid, then there shall be no obligation to arbitrate any classwide or collective claims.

12.13 Survival. The Distributor acknowledges and agrees that this Article 12 shall survive the termination or expiration of this Agreement.

ARTICLE 13 **MISCELLANEOUS**

13.1 Waiver. The failure of Matco to enforce at any time any provision of this Agreement will in no way affect the validity or act as a waiver of this Agreement, or any part, or the right of Matco thereafter to enforce it. In addition, acceptance by Matco of any payments or partial payments due to it under this Agreement shall not be deemed a waiver by Matco of any preceding or succeeding breach by the Distributor of any terms, provisions, covenants, or conditions of this agreement, or other amounts due. The Distributor acknowledges that Matco operates a large and diverse distributorship network and that Matco is not obligated to enforce each distributorship agreement in a uniform manner with respect to the other distributors. No waiver by Us of any noncompliance with or variance from the provisions of this Agreement shall be valid unless in writing and signed by Us.

13.2 Notices. Any notice required under this Agreement will be deemed to have been duly given if it is addressed to the party entitled to receive it at the address set forth on the cover page of this Agreement and it is personally served on the party, is sent by pre-paid United States certified mail, return receipt requested, is sent by a recognized overnight carrier (Federal Express, UPS, Purolator) that requires a signature acknowledging delivery, or by other means which affords the sender evidence of delivery, or of rejected delivery.

13.3 Governing Law. Subject to Matco's rights under federal trademark laws and the parties' rights under the Federal Arbitration Act under Article 12 above, this Agreement, and the relationship between the Distributor and Matco and any disputes arising thereunder, will be governed by and construed in accordance with the laws of the State of Ohio, and the procedural and substantive law of Ohio will govern the rights and obligations of and the relationship between the parties irrespective

of any conflicts of laws. The parties agree that any state law or regulation applicable to the offer or sale of franchises or business opportunities, or the franchise relationship, will not apply unless the jurisdictional provisions are independently met. The Distributor waives, to the fullest extent permitted by law, the rights and protections provided by any such franchise or business opportunity law or regulation.

- 13.4 Severability.** If any term or provision of this Agreement is determined to be void, invalid, or unenforceable, such provision will automatically be voided and will not be part of this Agreement, but the enforceability or validity of the remainder of this Agreement will not be affected thereby.
- 13.5 Entire Agreement.** This Agreement, including all exhibits and addenda, supersedes all prior verbal and written agreements between the parties. Subject to our right to modify the Manual (including the Service Standards) and the Business System standards, no change, amendment or modification to this Agreement will be effective unless made in writing and signed by both the Distributor and an officer of Matco. Nothing in this Agreement or in any related agreement, however, is intended to disclaim the representations Matco made in the Franchise Disclosure Document that Matco furnished to you.
- 13.6 Force Majeure.** In addition to Section 6.9 of this Agreement, Matco shall not be liable for loss or damage or deemed to be in breach of this Agreement if its failure to perform its obligations results from an event of Force Majeure. Any delay resulting from any of said causes of Force Majeure will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable. As used in this Section 13.6, “Force Majeure” means the following events or causes: (a) transportation shortages, or inadequate supply of equipment, supplies, labor, materials or energy, or the voluntary foregoing of the right to acquire or use any of the foregoing in order to accommodate or comply with any law, ruling, order, regulation, requirement, or instruction of any government or any department or agency thereof; (b) acts of God; (c) fires, strikes, embargoes, war or riot; (d) an extreme weather event; (e) pandemic or similar outbreak of illness; or (f) any other circumstance which is beyond Matco’s reasonable control.

ARTICLE 14

ANTI-CORRUPTION AND FOREIGN LAW COMPLIANCE

- 14.1 FCPA and Anti-Corruption Obligations.** Matco and its parent company and affiliates adhere to policies that require strict compliance with the FCPA (defined below) and other laws of the United States, and conducts annual audits of their processes and procedures to ensure compliance. Matco expects its franchisees and distributors to adhere to the same high level of compliance and business integrity in the operation of their businesses. The Distributor represents and warrants to Matco that the Distributor shall comply with all local, national, and other laws of all jurisdictions globally relating to anti-corruption, bribery, extortion, kickbacks, or similar matters which are applicable to the Distributor’s business activities in connection with this Agreement, and that the Distributor will take no action that will cause the Distributor or Matco to violate any such laws. Without limiting the foregoing, the Distributor agrees as follows:
- 14.1.1** The Distributor specifically represents and warrants to Matco that the Distributor and its Principal Owner is familiar with the U.S. Foreign Corrupt Practices Act of 1977, as amended (the “FCPA”), and that the Distributor shall comply with the FCPA and will take no action that will cause the Distributor or Matco to violate the FCPA.
- 14.1.2** It is the intent of the Distributor and Matco, and the Distributor represents and warrants to Matco, that no payment of money or provision of anything of value will be offered,

promised, paid or transferred, directly or indirectly, by any person or entity, to any government official, government employee, or employee of any company owned in part by a government, political party, political party official, or candidate for any government office or political party office to induce such organizations or persons to use their authority or influence to obtain or retain an improper business advantage for the Distributor or for Matco, or which otherwise constitute or have the purpose or effect of public or commercial bribery, acceptance of or acquiescence in extortion, kickbacks or other unlawful or improper means of obtaining business or any improper advantage, with respect to any of the Distributor's activities related in any way to this Agreement, including, without limitation, any payment of money or provision of anything of value to any employee of any customer in order to secure a sale.

14.1.3 Matco may withhold payments under this Agreement, or terminate this Agreement immediately, if it believes, in good faith, that the Distributor has breached the foregoing compliance with the laws and provisions of this Agreement, or caused Matco to violate the FCPA or other applicable laws. Matco shall not be liable to the Distributor for any claim, losses, or damages related to Matco's decision to exercise its rights under this provision.

14.2 **Export Restrictions and Controls.** Products and technical data supplied by Matco are subject to export laws and regulations. The Distributor will comply with all applicable restrictions regarding exports, re-exports and transfers, including obtaining any required U.S. or other country licenses, authorizations, or approvals. The Distributor will inform each of its customers (where the circumstances suggest the customer may be exporting) of applicable restrictions on exports, re-exports, or transfers at the time the Distributor resells or otherwise disposes of any product or technical data supplied by Matco to such customer. The Distributor agrees to maintain controls adequate to comply with applicable export control laws and regulations. The Distributor agrees to certify its compliance with all applicable export control laws and regulations annually in the written form provided by Matco. Matco will exercise commercially reasonable efforts to provide the Distributor with guidance on any export control/licensing requirements applicable to products or technical data provided to the Distributor by Matco on an as-requested basis, but the Distributor remains responsible for ensuring its own compliance with all applicable export control laws.

14.3 **Terrorist and Money Laundering Activities.** The Distributor represents and warrants to Matco that neither the Distributor nor its Principal Owner, either by name or an alias, pseudonym or nickname, is identified on the lists of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts currently available at www.treas.gov/offices/enforcement/ofac/). Further, the Distributor represents and warrants that neither of the Distributor nor Principal Owner has violated, and both agree not to violate, any law prohibiting corrupt business practices, money laundering or the aid or support of persons who conspire to commit acts of terror against any person or government, including acts prohibited by the U.S. Patriot Act (text currently available at <http://www.epic.org/privacy/terrorism/hr3162.html>), U.S. Executive Order 13224 (text currently available at <http://www.treas.gov/offices/enforcement/ofac/legal/eo/13224.pdf>), or any similar law. The foregoing constitutes continuing representations and warranties, and the Distributor and the Principal Owner shall immediately notify Matco in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

ARTICLE 15
REPRESENTATIONS BY THE DISTRIBUTOR

- 15.1 Receipt of Completed Agreement and Disclosure Documents.** The Distributor acknowledges that it received Matco's Franchise Disclosure Document at least fourteen (14) calendar days prior to the date this Agreement was signed by the Distributor, and that the Distributor signed the acknowledgement of receipt attached to the Franchise Disclosure Document.
- 15.2 Independent Investigation by Distributor.** The Distributor acknowledges that it: has read this Agreement in its entirety; has had full and adequate opportunity to discuss the terms and conditions of this Agreement with legal counsel or other advisors of the Distributor's own choosing, and that Matco has encouraged the Distributor to speak to such counsel or other advisors; has had ample opportunity to investigate the Matco Business System; has had ample opportunity to consult with current Matco distributors; has had ample opportunity to conduct due diligence on the Distributor's List of Calls and the number of Potential Customers included therein; and has had all questions relating to the Distributorship, including those of any advisor, answered to the Distributor's satisfaction. Further, You acknowledge that You have conducted a thorough independent investigation of the business contemplated by this Agreement and recognize that the success of the Distributorship involves substantial business risks and shall depend largely upon Your ability and efforts. We expressly disclaim making, and You acknowledge that You have not received or relied on, any warranty or guaranty, express or implied, as to the potential volume, profits, costs or success of the business contemplated by this Agreement.
- 15.3 Truth and Accuracy of Representations.** The Distributor represents and warrants to Matco that all statements, documents, materials, and information, including the application, submitted by the Distributor and the Principal Owner to Matco are true, correct, and complete in all material respects. The Distributor agrees to promptly advise Matco of any material change in the information or statements submitted to Matco. The Distributor acknowledges and understands that Matco has entered into this Agreement in reliance on the statements and information submitted to Matco by the Distributor and the Principal Owner, and that any material breach or inaccuracy is grounds for Matco's termination of this Agreement. For example, Matco has agreed to enter into this Agreement with the Distributor based in part on the Distributor's representation to Matco that the Distributor is a lawfully formed corporation, limited liability company, or other business entity.
- 15.4 No Representations.** Except as may be disclosed in Matco's Franchise Disclosure Document, the Distributor has not received from either Matco, or anyone acting on behalf of Matco, any representation of the Distributor's potential sales, income, profit, or loss which may be derived from the Distributorship. The Distributor understands that Matco will not be bound by any unauthorized representations, including those made by other Matco distributors or by lending institutions based on information given to them to assist in their evaluation of Matco's business opportunity.
- 15.5 No Warranty of Success.** The Distributor understands that Matco makes no express or implied warranties or representations that the Distributor will achieve any degree of financial or business success in the operation of the Distributorship. While Matco will provide the Distributor with training, advice, consultation, and the List of Calls and Number of Potential Customers in Exhibit A, success in the operation of the Distributorship depends ultimately on the Distributor's efforts and abilities and on other factors beyond Matco's control, including, but not limited to, economic conditions and competition.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed on the date set forth above. The Distributor further acknowledges that this Agreement will become effective and binding only upon acceptance and execution by Matco in the State of Ohio on the date indicated below (the “Effective Date”).

 - (e) Distributor shall at all times comply with the procedures from time to time established by Assignee with respect to credit limits, handling of credit documents and other activities related to financing of sales of MATCO products as contemplated hereunder;

- (f) The Distributor shall assist Assignee in making repossessions if and when requested to do so by Assignee provided repossession can be effected without Breach of Peace;
- (g) It is mutually agreed that, upon Assignee's request to make a particular repossession and upon Distributor's election to assist in such repossession, Distributor shall purchase the repossessed merchandise from Assignee. The purchase price of the repossessed product(s) shall be determined by the Fair Market Value established pursuant to MATCO's Repossession Policy, as same may be revised from time to time, and such purchase by the Distributor shall be subject to the Policy's terms and conditions.
- (h) Distributor agrees that upon termination or suspension of this Agreement to accept reassignment by Assignee to Distributor of any and all contracts previously purchased during the ninety (90) day period immediately prior to termination of this Agreement. Distributor hereby agrees to accept such assignment without set-off or deduction and authorizes Assignee to debit Distributor's purchase account in an amount equal to the amounts due on the reassigned documents;

In the event that a replacement Distributor, who agrees to service the above referenced accounts, is available, then MATCO will offer to re-purchase such serviced accounts at the principle value then outstanding. MATCO will make a good faith effort to locate a Distributor to service any reassigned accounts per the conditions of this paragraph with the intention to repurchase such accounts;

- (i) Distributor agrees that at such time that it is no longer acting as an independent Distributor for MATCO TOOLS to assist in the orderly transfer of accounts not subject to the conditions of paragraph (h) to Assignee, and to assist in the verification of all outstanding balances of assigned accounts prior to settlement of all accounts with MATCO TOOLS;
 - (j) Distributor agrees to collect and timely remit to Assignee amounts payable representing the time purchase balance due in connection with the sale by Distributor of tools, equipment and/or related products purchased from MATCO TOOLS and financed pursuant to this Agreement; and
 - (k) Distributor agrees to service all MATCO TOOLS P.S.A. Accounts indicated on its List Of Calls and Number of Potential Customers List whether the original contract was written by Distributor or not.
 - (l) Distributor agrees that it shall not present credit documents to Assignee for assignment hereunder related to and arising from the sale of MATCO TOOLS, equipment and/or related products sold to a customer not located in Distributor's List of Calls and Number of Potential Customers and if found to have done so, will be subject to Assignee's remedy in 4(b) below.
4. Upon acceptance of the credit documents hereunder, Assignee hereby releases Distributor from all liability for said credit documents except as provided in Paragraph 3; subject, however, to the following terms and conditions:
- (a) Upon failure by Distributor to remit payments or other funds collected on behalf of Assignee, pursuant to Paragraph 3 (d) above, Distributor hereby authorizes Assignee and MATCO to debit Distributor's Purchase Account with MATCO in an amount or amounts equal to the sums collected but not remitted. In addition, MATCO may charge Distributor an administrative fee (currently set at \$25 per occurrence, per contract) for delinquent, insufficient payments or inaccurate reporting as consideration for MATCO's time and efforts in collecting monies, additional correspondence with Distributor, credit bureaus and others, and administrative time and costs to correct data. Any amounts not remitted by Distributor within 10 days of their collection shall be deemed funds not promptly remitted and subject to this provision;
 - (b) Any documents, notes, agreements or other contracts assigned by Distributor to Assignee pursuant to this Agreement which are found to be arising from the sale of MATCO TOOLS, equipment and/or related products sold to a customer not located in Distributor's List of Calls and Number of Potential Customers or are later shown or alleged to be, in whole or in part, altered, amended, modified, forged, or not genuine, accurate, or in compliance with the terms of this Agreement in any respect, shall be immediately reassigned by Assignee to Distributor and upon such reassignment Distributor hereby agrees to accept such assignment and immediately, without set-off or deduction of any kind, agrees to pay Assignee the full amount of any principal balance then outstanding thereon plus interest, and other charges accrued thereon to the date of such reassignment. Upon failure by Distributor to pay Assignee as stated above upon any reassignment of documents within 10 days of the date of reassignment, Distributor hereby authorizes Assignee and MATCO to debit Distributor's Purchase Account in an amount equal to the amounts due on the reassigned documents. This Paragraph (b) shall not apply in the case when Assignee has, by its own action, or with its written consent, been a party to an amendment or modification of any document, note, agreement or other contract; and
 - (c) Distributor shall not, without prior written consent of Assignee, release any security interest in goods subject to documents assigned to Assignee hereunder, modify or substitute collateral specified in any such documents, consent to or accept return of any goods or collateral subject to or covered by any of the assigned documents or effect repossession of any such goods or collateral. Any of the foregoing actions on the part of Distributor, without the written consent of Assignee, shall be deemed to be an alteration of the documents pursuant of Paragraph 4 (b) above.

5. In the event Distributor desires to include portions or all of an unpaid balance owing to Distributor by a particular customer with new purchases by the customer, and assign all such amounts to Assignee pursuant to this Agreement, such a proposal will be considered, provided the total net cash price of new purchases will equal or exceed minimum amounts as may be required under the policies of the Assignee. If Distributor desires to make such a proposal, it shall do so in writing, including therewith a completed credit application, as may be required by the Assignee, on the customer and a copy of the customer's ledger sheet showing charges, credits, total owing, and payment records, and such other information relating to the customer or transactions as Assignee may reasonably request. The decision on acceptance of the proposal shall be within the sole discretion of Assignee.
6. Should Distributor present documents to Assignee for assignment hereunder which are not correct, truthful, accurate and genuine, Assignee may, at Assignee's sole discretion, in addition to all other remedies within this Agreement, temporarily or permanently suspend Distributor from participation in the Matco Tools PSA Program. In addition, a penalty fee of up to 3% of the total amount financed will be assessed.
7. The liability of Distributor hereunder shall not be affected by any settlement, extension, forbearance or variation in terms which Assignee may grant in connection with any credit documents acquired hereunder or by the discharge or release of the obligations of the account debtor by operation of law or otherwise. Assignee makes no representation or warranty to Distributor concerning the validity, enforceability or sufficiency of any credit documents and/or other materials furnished to Distributor by Assignee.
8. This Agreement may be terminated at any time by Distributor or Assignee by written notice, but such termination shall not affect the respective rights and obligations of either party as to credit documents theretofore purchased by Assignee.
9. It being anticipated that Distributor and/or other parties to credit assignment agreements with Assignee may assign to Assignee credit documents covering sales to a particular customer which occurred on more than one occasion, it is understood and agreed that, unless otherwise agreed in writing between Assignee and Distributor or required by law, payments received from such a customer will be applied against the respective payment obligations of the customer in a manner such that all current and past due obligations under the documents bearing the earliest date will be treated as satisfied first, all current and past due obligations under the documents bearing the next-earliest date will be treated as satisfied next, and so-on, with the current and past due obligations under the documents bearing the most recent date being treated as satisfied only after current and past due obligations under documents bearing earlier dates have been satisfied.
10. This Agreement contains the entire understanding of the parties with respect to the transactions contemplated hereby and the same shall be amended or modified only by written agreement specifically referring hereto. None of the provisions hereof shall be deemed to in anyway limit such rights as either party hereto may have by statute or at law or in equity as against the other party, and any remedies provided for herein shall be in addition to and not exclusive of any other remedy available by statute or under principles of common law of equity and such remedies may be exercised by either party consecutively or concurrently and such exercise shall not be deemed to waive any other rights or remedies which may be available to a party.
11. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors and assigns, provided however, the same shall not be assigned by the Distributor without prior written consent of Assignee thereto.
12. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio.

IN WITNESS WHEREOF, the parties hereto caused this Agreement to be executed as of the date and year first written above.

(Hereinafter called Assignee)

FOR VALUE RECEIVED, and subject to the terms of agreement with Assignee, Seller does hereby sell, assign and transfer the Security Agreement set forth above and all Receipts (collectively, the "Contracts") and all Seller's security interest and lien in and right and title to the Collateral described therein to MATCO TOOLS CORPORATION, its successors and assigns (collectively, "Assignee"), with power to take legal proceedings in the name of Seller or Assignee. Seller warrants that the Contracts are genuine and in all respects what they purport to be; that the down payment was made by the Buyer in cash and not its equivalent, unless otherwise noted therein, and that no part thereof was loaned directly or indirectly by Seller to Buyer, that said Collateral is free from any other security interest or other liens or encumbrances whatsoever, except as created by the Contracts, that the Buyer was of at least legal age at the time of his execution of each of the Contracts, that Seller knows of no time or instance when Buyer was refused or rejected for credit; and that there is now owing with respect to the Contracts the respective amounts set forth therein. Upon breach of any of the foregoing warranties, Seller will, upon demand therefor, purchase the Contract for the respective amounts owing with respect thereto, plus all costs and expenses paid or incurred by Assignee with respect thereto. All remedies of Assignee shall be cumulative and not alternative.

Seller guarantees the payment, when due, to any Holder of said Contract, the entire amount owing with respect to such Contract, in the event of default in payment by the Buyer named therein, if required and appropriate in accordance with a Credit Assignment Agreement of Seller with Assignee, the terms of which are incorporated herein. Seller waives notice of acceptance of this guaranty, notice of any extensions in time of payment, notice of sale of any of said property and all other notices to which Seller may be entitled by law and agrees to pay all guaranteed amounts upon demand without requiring any proceeding against Buyer. Seller warrants that the description of the Collateral listed on the Contracts/Receipts is accurate and complete.

Terms and conditions of Sale/Security Agreement.

1. The Seller/Distributor (which term shall mean Seller and any assignee or Holder hereof, as the case may be) hereby sells, and the Buyer/End User (hereinafter known as Buyer) jointly and severally if more than one, hereby purchases, subject to the Terms and Conditions set forth herein and on the reverse hereof, the Tools and Equipment described on the reverse and herein called "Goods", delivery and acceptance of which are hereby acknowledged by Buyer, and subject to conditions stated herein and stated in subsequent MDDBS-PSA Sales Receipts (collectively, the "Receipts"), the tools and equipment described in the Receipts, also herein called "Goods", delivery and acceptance of which is hereby acknowledged by Buyer.
2. Buyer agrees to pay MATCO, in accordance with the terms set forth in the applicable Receipts. Buyer agrees to pay the Time Purchase Balance, which includes a Time Price Differential (as such documented in the Receipt), which is an interest charge, in consecutive weekly installments as scheduled until the entire Time Purchase Balance has been paid in full. Buyer may make more than one scheduled payment at a time, but no partial payments will be accepted by the Seller. **Buyer may pay the entire unpaid balance at any time.**
3. In the event Buyer pays the full amount due and stated as the Time Purchase Balance before the last scheduled payment is due, Seller shall credit Buyer's accounts with Seller or refund to Buyer in cash (if Buyer has no unpaid accounts outstanding with Seller or such early payment is not done in conjunction with another Purchase Money Security Agreement with Seller) such portion of the Time Price Differential, if any, to which Seller has not then become entitled, as calculated pursuant to a simple interest calculation.
4. To secure the payment of the Time Purchase Balance and of any other amounts owing hereunder (collectively, "Obligations"), Buyer hereby grants to Seller and any Holder hereof a purchase money security interest and lien in and to the Goods described on the reverse and herein or in any other Receipt, and in addition, the right to file a UCC-1 Financing Statement creating an additional lien in all tools and equipment now owned by Buyer for use in Buyer's trade or business, together with any and all similar tools and equipment hereafter acquired, except where prohibited by law, and all products and proceeds thereof (including, without limitation, any insurance proceeds) (collectively, the "Collateral").
5. Buyer agrees to (a) maintain insurance reasonably acceptable to Seller with respect to the Collateral and, upon Seller's request, provide Seller with evidence of such insurance, (b) execute financing statements, continuation statements and other documents as Seller shall deem necessary to perfect or protect its security interest in the Collateral, and in addition, hereby authorize Seller or its agents or assigns to execute and file, without the signature of Buyer, one or more such financing statements if permitted in the relevant jurisdiction, with Seller paying the cost of filing all such financing statements in all public offices wherever filing is deemed by Seller to be necessary or desirable, (c) maintain the Collateral free and clear of any and all liens, claims and encumbrances other than those of Seller, (d) maintain the Collateral in good operating condition and repair, (e) pay all taxes, levies and assessments imposed or made on Buyer or any of the Collateral when the same shall become due and payable, (f) not merge into or permit the purchase or acquisition of all or a substantial part of its assets by any entity, (g) not sell, lease or remove any Collateral from Buyer's address set forth herein, (h) maintain and permit Seller to inspect Buyer's books and records at Buyer's address set forth herein, (I) permit Seller to enter Buyer's place of business at Buyer's address set forth herein to inspect the Collateral, (j) pay all Obligations when due, (k) not become insolvent, or fail to pay its debts as they become due, or (l) not suffer a material adverse change in Buyer's business or financial condition.
6. If Buyer shall fail to comply with Section 5 hereof or otherwise fails to perform any of its obligations under this Agreement or under any Receipts, such failure shall constitute a "Default" hereunder. Upon the occurrence of any Default and at any time thereafter, Seller may, at its option, (a) declare all Obligations immediately due and payable without demand, presentment, notice or other action (each of which is expressly waived by Buyer), (b) cease delivery of any other Goods on credit and cease any other extension of credit to Buyer, (c) exercise all of the rights and remedies of a secured party under the Uniform Commercial Code or under any other applicable law, (d) collect, receive and realize upon the Collateral or any part thereof, (e) sell, assign, dispose of and deliver the Collateral or any part thereof at a public or private sale at such price as Seller may deem best, (f) purchase all or any part of the Collateral so sold, to the extent permitted by law, free of any right or equity of redemption in Buyer, which right Buyer hereby releases, (g) charge to Buyer interest on the unpaid portion of the Time Purchase Balance at a default rate of 28.0% Annual Percentage Rate or the maximum rate permitted by law, whichever is lower, and (h) charge a late payment fee equal to the greater of (1) Three Dollars (\$3.00), or (2) five percent (5%) of the portion of the Weekly Payment Amount(s) then due. Buyer will assemble the Collateral and make it available to Seller at such places as Seller shall select. All costs of exercising such remedies and otherwise collecting the Obligations shall be payable by Buyer and considered a part of the Obligations.
7. If more than one person signs this agreement, the obligation shall be joint and several. Any provision of this agreement which is in conflict with the statutes of the applicable jurisdiction is hereby amended to conform to the minimum requirements of such statutes. Creditor is authorized to investigate Buyer's credit, and to report Buyer's performance on this agreement, and to verify employment and income references. Buyer agrees to notify the Seller in writing of any change of address.
8. Seller/Distributor is an independent contractor and is not the Agent or Employee of MATCO TOOLS CORPORATION or assignee (herein identified). Assignee has sole discretion to accept assignment of this agreement. Neither MATCO TOOLS, nor Assignee shall have any responsibility to Seller/Distributor or Buyer or any other party if Assignee does not accept assignment of this Agreement.
9. This Agreement, together with any Receipts, represents the entire integrated contract of the parties on this subject. Seller's delay, omission or election not to exercise any right, power or remedy hereunder shall not be construed as waiving or acquiescing in any breach omission or failure of any of Buyer's duties of performance hereunder. This Agreement and all rights, powers and remedies hereunder shall be enforceable under and interpreted in accordance with the laws of the State of Ohio (without giving effect to the conflict of laws/rules thereof). In the event that any provision of this Agreement is held to be illegal or unenforceable, such provision shall be deemed separate, and the remaining provisions of this Agreement shall survive and remain enforceable according to their tenure and effect. This Agreement shall bind and inure to the benefit of Buyer and Seller and their respective heirs, executors, successors, representatives, trustees and assigns.
10. Seller/Distributor warrants that the Goods will be fit for the ordinary purposes for which such Goods are used in the automotive/manufacturing industry. If any of the Goods are found by Seller to be nonconforming, such Goods will, at Seller's option, be replaced or repaired at Seller's cost. **THE PARTIES HERETO EXPRESSLY AGREE THAT BUYER'S SOLE AND EXCLUSIVE REMEDY AGAINST SELLER SHALL BE FOR THE REPAIR OR REPLACEMENT OF NONCONFORMING GOODS AS PROVIDED HEREIN.** The sole purpose of the stipulated exclusive remedy shall be to provide the Buyer with free repair and replacement of nonconforming Goods in the manner provided herein. **THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE NOT EXPRESSLY SET FORTH HEREIN. THE FOREGOING WARRANTY EXTENDS ONLY TO THE ORIGINAL BUYER OF THE GOODS AND IS NOT TRANSFERABLE.**

IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT INCLUDING BUT NOT LIMITED TO BREACH OF ANY OBLIGATION IMPOSED ON SELLER HEREUNDER OR IN CONNECTION HERewith OR THE USE, STORAGE, DISPOSAL OR HANDLING OF THE GOODS SOLD HEREUNDER. - (a) Upon failure by Distributor to remit payments or other funds collected on behalf of Assignee, pursuant to Paragraph 3 (e) above, Distributor hereby authorizes Assignee and MATCO TOOLS to debit Distributor's Purchase Account with MATCO TOOLS in an amount or amounts equal to the sums collected but not remitted. In addition, MATCO TOOLS may charge Distributor an administrative fee (currently set at \$25 per occurrence, per contract) for delinquent, insufficient payments or inaccurate reporting as consideration for MATCO TOOLS' time and efforts in collecting monies, additional correspondence with you, credit bureaus and others, and administrative time and costs to correct data. Any amounts not remitted by Distributor within 10 days of their collection shall be deemed funds not promptly remitted and subject to this provision.
- (b) Any documents, notes, agreements, or other contracts assigned by Distributor to Assignee pursuant to this Agreement which are later shown or alleged to be, in whole or in part, altered, amended, modified, forged, or not genuine, accurate, or in compliance with the terms of this Agreement in any respect, shall be immediately reassigned by Assignee to Distributor and upon such reassignment Distributor hereby agrees to accept such assignment and immediately, without set-off or deduction of any kind, agrees to pay Assignee the full amount of any balance then outstanding thereon. Upon failure by Distributor to pay Assignee as stated above, upon any reassignment of documents within 10 days of the date of reassignment, Distributor hereby authorizes Assignee and MATCO TOOLS to debit Distributor's Purchase Account in an amount equal to the amounts due on the reassigned documents. This Paragraph (b) shall not apply in the case when Assignee has, by its own action, or with its written consent, been a party to an amendment or modification of any document, note, agreement or other contract;
- (c) Distributor shall not, without prior written consent of Assignee, release any security interest collateral subject to documents assigned to Assignee hereunder, modify or substitute collateral specified in any such documents, consent to or accept return of any collateral subject to or covered by any other assigned documents or effect repossession of any such collateral. Any of the foregoing actions on the part of Distributor, without the written consent of Assignee shall be deemed to be an alteration of the documents pursuant of paragraph 4 (b) above;
- (d) In the event of default by customer of any installment payable on the due date thereof, or in the prompt performance of any other obligation to be performed under the credit document or contract by customer, after the assignment thereof by Distributor to Assignee, Distributor authorizes MATCO TOOLS to charge its Purchase Account an amount up to 100% of the outstanding balance, though it may be less depending upon the program under which the contract was assigned and MATCO TOOL's credit scoring models for that particular program. This recourse amount is non-refundable. MATCO TOOLS and Distributor agree that 100% of any funds collected thereafter will be credited to MATCO TOOLS;
- (e) In the event Distributor terminates as a MATCO TOOLS Distributor, regardless of the reason for terminations, then Distributor agrees to accept as a charge to its Purchase Account an amount up to 100% of the outstanding balances of recourse contracts, and to remit 100% of all funds or proceeds collected thereafter within 10 days to MATCO TOOLS. 100% of all funds or proceeds collected thereafter will be credited to MATCO TOOLS; and
- (f) Distributor may not rollover any portion of its unpaid Time Payment into the Purchase Money Security Agreement. In addition, Distributor may not include products previously sold under Time Payment and resold as new items purchased by the customer into the Purchase Money Security Agreement. Noncompliance with this section of the Agreement on Time Payment rollovers or reselling items previously sold on TP on a Purchase Money Security Agreement will result in the contract being charged back to Distributor's open purchase account.

(g) Notwithstanding anything to the contrary Distributor grants to Assignee, a security interest in all such credit document(s) or contract(s) and Assignee shall have the right to continue to possess the same and collect from the customer(s) obligated thereon all amounts due thereon and apply the same against amounts due Assignee from Distributor or due MATCO TOOLS from Distributor.

5. The liability of Distributor hereunder shall not be affected by any settlement, extension, forbearance or variation in terms which Assignee may grant in connection with any credit documents acquired hereunder or by the discharge or release of the obligations of the account debtor by operation of law or otherwise. Assignee makes no representation or warranty to Distributor concerning the validity, enforceability or sufficiency of any credit documents and/or other materials furnished to Distributor by Assignee.
6. This Agreement may be terminated at any time by Distributor or Assignee by written notice, but such termination shall not affect the respective rights and obligations of either party hereunder as to credit documents theretofore purchased by Assignee, including all repurchase and reassignment obligations.
7. It being anticipated that Distributor and/or other parties to credit assignments with Assignee may assign to Assignee credit documents covering sales to a particular customer which occurred on more than one occasion, it is understood and agreed that, unless otherwise agreed in writing between Assignee and Distributor or required by law, payments received from such a customer will be applied against the respective payment obligations of the customer in a manner such that all current and past due obligations under the documents bearing the earliest date will be treated as satisfied first, all current and past due obligations under the documents bearing the next-earliest date will be treated as satisfied next, and so-on, with the current and past due obligations under the documents bearing the most recent date being treated as satisfied only after current and past due obligations under documents hearing earlier dates have been satisfied.
8. This Agreement contains the entire understanding of the parties with respect to the transactions contemplated hereby and the same shall be amended or modified only by written agreement specifically referring hereto. None of the provisions hereof shall be deemed to in any way limit such rights as either party hereto may have by statute or at law or in equity as against the other party, and any remedies provided for herein shall be in addition to and not exclusive of any other remedy available by statute or under principles of common law or equity and such remedies may be exercised by either party consecutively or concurrently and such exercise shall not be deemed to waive any other rights or remedies which may be available to a party.
9. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors and assigns, provided however, the same shall not be assigned by the Distributor without prior written consent of Assignee thereto.
10. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio

IN WITNESS WHEREOF, the parties hereto caused this Agreement to be executed as of the date and year first written above.

MATCO TOOLS
DISTRIBUTOR'S PURCHASE-SECURITY AGREEMENT
RECOURSE CREDIT ASSIGNMENT AGREEMENT

THIS AGREEMENT, made and entered into at Stow, Ohio, this 6th day of March, 2023
by and between MATCO TOOLS CORPORATION, a Delaware Corporation (herein referred to as "Assignee"), and
0 a 0
organized in 0 and having offices at _____, , 0
(herein referred to as "Distributor").

WITNESSETH, That

WHEREAS, Distributor is and has been serving as an independent owner of a franchised Matco Tools distributorship, pursuant to Distributor's Distributorship Agreement with MATCO TOOLS CORPORATION (herein referred to as "MATCO TOOLS"), and Distributor's franchised distributorship engages in the solicitation for sale and sale of MATCO tools and related equipment to professional mechanics; and

WHEREAS, Assignee is willing to provide financing for certain of such purchases, provided Distributor agrees to and complies with the terms and conditions contained in this Agreement;

NOW, THEREFORE, the parties hereto agree as follows:

1. From time to time after the date hereof, Distributor shall present in electronic format to Assignee for purchase executed credit documents and related materials, in form and substance satisfactory to Assignee, providing for the assignment to Assignee of rights to collection of amounts payable representing the time purchase balance due in connection with the sale by Distributor of tools, equipment and/or related products purchased from MATCO TOOLS. Upon receipt of such documents and materials, it shall be within the sole discretion of Assignee whether or not to purchase the same, and nothing herein shall be construed as imposing any obligation upon Assignee to make any purchases from Distributor.
2. The purchase price to be paid to the Distributor by Assignee for credit documents accepted for assignment shall be no less than ninety-seven percent (97%) of the net cash price (principal amount of purchase included in the credit document being accepted by Assignee not including amounts previously assigned) thereof unless otherwise specified by MATCO TOOLS. Upon acceptance of any such documents, payment shall be effected by Assignee arranging for immediate credit against Distributor's purchase account with MATCO TOOLS (amounts due MATCO TOOLS in the ordinary course of business, exclusive of amounts outstanding under notes or other credit documents provided under other debt agreements between Distributor and MATCO TOOLS) and a confirming document will be forwarded to Distributor.
3. Distributor hereby warrants and represents to and agrees with Assignee as follows:
 - (a) All credit documents presented to Assignee for assignment hereunder shall be full, correct, complete and genuine, and shall be filled out and properly executed, shall accurately and truthfully describe the date(s) of purchase, items purchased and purchase price(s) charged and shall not have been offered previously to any other financial institution or other entity for purchase or as collateral against advances;
 - (b) All credit documents presented to Assignee for assignment hereunder shall relate to and arise from the sale of MATCO TOOLS, products, equipment and/or related products sold and to be utilized primarily for the commercial conduct of trade or business of the customer executing such documents and in no event shall any such credit documents have arisen from or relate to any sales of products for primarily personal, family or household purposes, or sales of products marketed by any entity other than MATCO TOOLS;
 - (c) Each customer executing credit documents presented to Assignee or assignment hereunder is creditworthy and Distributor releases Assignee from any claim or liability related to or arising out of Assignee's check on or determination of the creditworthiness of the customer and/or the acceptance or rejection by Assignee of any credit documents presented hereunder;
 - (d) Without prior written consent of the Assignee, Distributor shall in no event nor at any time prior to or after a sale of products, modify the terms of any instrument purchased by Assignee;

- (e) Distributor agrees to collect amounts payable representing the time purchase balance due in connection with the sale by Distributor of tools, equipment and/or related products purchased from MATCO TOOLS and financed pursuant to this Agreement, and further hereby authorizes Assignee to debit Distributor's Purchase Account with MATCO TOOLS for the amounts collected for PSA's which have been recouped back to Distributor;
 - (f) Distributor shall at all times, as an independent contractor, operate in his own name and be solely answerable for the costs and expenses, consequences and damages arising out of the conduct of his business as a distributor for MATCO TOOLS;
 - (g) Distributor shall at all times comply with the procedures from time to time established by Assignee with respect to credit limits, handling of credit documents and other activities related to financing of sales of MATCO TOOLS products as contemplated hereunder; and
 - (h) The Distributor agrees that, upon Assignee's request to make a particular repossession, he will cooperate as instructed by Assignee in making such repossession provided that it can be affected without a Breach of the Peace. Distributor also agrees to purchase the repossessed product in an agreed upon amount as established pursuant to MATCO TOOLS' Repossession Policy, as same may be revised from time to time.
4. Following acceptance of the credit documents hereunder Distributor and Assignee agree to the following terms and conditions:
- (a) Upon failure by Distributor to remit payments or other funds collected on behalf of Assignee, pursuant to Paragraph 3 (e) above, Distributor hereby authorizes Assignee and MATCO TOOLS to debit Distributor's Purchase Account with MATCO TOOLS in an amount or amounts equal to the sums collected but not remitted. In addition, MATCO TOOLS may charge Distributor an administrative fee (currently set at \$25 per occurrence, per contract) for delinquent, insufficient payments or inaccurate reporting as consideration for MATCO TOOLS' time and efforts in collecting monies, additional correspondence with you, credit bureaus and others, and administrative time and costs to correct data. Any amounts not remitted by Distributor within 10 days of their collection shall be deemed funds not promptly remitted and subject to this provision.
 - (b) Any documents, notes, agreements, or other contracts assigned by Distributor to Assignee pursuant to this Agreement which are later shown or alleged to be, in whole or in part, altered, amended, modified, forged, or not genuine, accurate, or in compliance with the terms of this Agreement in any respect, shall be immediately reassigned by Assignee to Distributor and upon such reassignment Distributor hereby agrees to accept such assignment and immediately, without set-off or deduction of any kind, agrees to pay Assignee the full amount of any balance then outstanding thereon. Upon failure by Distributor to pay Assignee as stated above, upon any reassignment of documents within 10 days of the date of reassignment, Distributor hereby authorizes Assignee and MATCO TOOLS to debit Distributor's Purchase Account in an amount equal to the amounts due on the reassigned documents. This Paragraph (b) shall not apply in the case when Assignee has, by its own action, or with its written consent, been a party to an amendment or modification of any document, note, agreement or other contract;
 - (c) Distributor shall not, without prior written consent of Assignee, release any security interest collateral subject to documents assigned to Assignee hereunder, modify or substitute collateral specified in any such documents, consent to or accept return of any collateral subject to or covered by any other assigned documents or effect repossession of any such collateral. Any of the foregoing actions on the part of Distributor, without the written consent of Assignee shall be deemed to be an alteration of the documents pursuant of paragraph 4 (b) above;
 - (d) In the event of default by customer of any installment payable on the due date thereof, or in the prompt performance of any other obligation to be performed under the credit document or contract by customer, after the assignment thereof by Distributor to Assignee, Distributor authorizes MATCO TOOLS to charge his Purchase Account an amount up to 100% of the outstanding balance, though it may be less depending upon the program under which the contract was assigned and MATCO TOOL's credit scoring models for that particular program. This recourse amount is non-refundable. MATCO TOOLS and Distributor agree that 100% of any funds collected thereafter will be Distributor's to keep as an offset to the chargeback made to Distributor's OPA by MATCO TOOLS;
 - (e) In the event Distributor terminates as a MATCO TOOLS Distributor, regardless of the reason for terminations, then Distributor agrees to accept as a charge to his Purchase Account an amount up to 100% of the outstanding balances of recourse contracts, and to remit 100% of all funds or proceeds collected thereafter within 10 days to MATCO TOOLS. These accounts will not be brought in house for collection by MATCO TOOLS and 100% of all funds or proceeds collected thereafter by Distributor will be kept by Distributor to offset the chargeback made to Distributor's OPA by MATCO TOOLS; and
 - (f) Distributor may not rollover any portion of his unpaid Time Payment into the Purchase Money Security Agreement. In addition, Distributor may not include products previously sold under Time Payment and resold as new items purchased by the customer into the Purchase Money Security Agreement. Non-compliance with this section of the Agreement on Time Payment rollovers or reselling items previously sold on TP on a Purchase Money Security Agreement will result in the contract being charged back to Distributor's open purchase account.

(g) Notwithstanding anything to the contrary Distributor grants to Assignee, a security interest in all such credit document(s) or contract(s) and Assignee shall have the right to continue to possess the same and collect from the customer(s) obligated thereon all amounts due thereon and apply the same against amounts due Assignee from Distributor or due MATCO TOOLS from Distributor.

5. The liability of Distributor hereunder shall not be affected by any settlement, extension, forbearance or variation in terms which Assignee may grant in connection with any credit documents acquired hereunder or by the discharge or release of the obligations of the account debtor by operation of law or otherwise. Assignee makes no representation or warranty to Distributor concerning the validity, enforceability or sufficiency of any credit documents and/or other materials furnished to Distributor by Assignee.
6. This Agreement may be terminated at any time by Distributor or Assignee by written notice, but such termination shall not affect the respective rights and obligations of either party hereunder as to credit documents theretofore purchased by Assignee, including all repurchase and reassignment obligations.
7. It being anticipated that Distributor and/or other parties to credit assignments with Assignee may assign to Assignee credit documents covering sales to a particular customer which occurred on more than one occasion, it is understood and agreed that, unless otherwise agreed in writing between Assignee and Distributor or required by law, payments received from such a customer will be applied against the respective payment obligations of the customer in a manner such that all current and past due obligations under the documents bearing the earliest date will be treated as satisfied first, all current and past due obligations under the documents bearing the next-earliest date will be treated as satisfied next, and so-on, with the current and past due obligations under the documents bearing the most recent date being treated as satisfied only after current and past due obligations under documents hearing earlier dates have been satisfied.
8. This Agreement contains the entire understanding of the parties with respect to the transactions contemplated hereby and the same shall be amended or modified only by written agreement specifically referring hereto. None of the provisions hereof shall be deemed to in any way limit such rights as either party hereto may have by statute or at law or in equity as against the other party, and any remedies provided for herein shall be in addition to and not exclusive of any other remedy available by statute or under principles of common law or equity and such remedies may be exercised by either party consecutively or concurrently and such exercise shall not be deemed to waive any other rights or remedies which may be available to a party.
9. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors and assigns, provided however, the same shall not be assigned by the Distributor without prior written consent of Assignee thereto.
10. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio

GUARANTEE, INDEMNIFICATION, AND ACKNOWLEDGMENT**

(See attached form)

GUARANTEE, INDEMNIFICATION, AND ACKNOWLEDGMENT

Matco Tools Corporation (“Matco”) and _____ have executed a Distributorship Agreement dated _____ (the “Distributor Agreement”).

Upon demand by Matco, the undersigned will immediately make each payment required of Distributor under the Agreement, including damages, costs, and expenses owed by Distributor, payments due under any indemnification or claim for reimbursement, and all other duties and obligations that are susceptible to being satisfied by payment. This Guarantee is a guarantee of payment, and not of collection. The undersigned hereby waive any right to require Matco to: (a) proceed against Distributor for any payment required under the Agreement; (b) proceed against or exhaust any security from Distributor; or (c) pursue or exhaust any remedy, including any legal or equitable relief, against Distributor. Without affecting the obligations of the undersigned under this Guarantee, Matco may, without notice to the undersigned, extend, modify, or release any indebtedness or obligation of Distributor, or settle, adjust, or compromise any claims against Distributor. The undersigned waive notice of amendment of the Agreement and notice of demand for payment by Distributor, and agree to be bound by any and all such amendments and changes to the Agreement.

The undersigned hereby agree to defend, indemnify, and hold Matco harmless against any and all losses, damages, liabilities, costs, and expenses (including, but not limited to, reasonable attorneys' fees, reasonable costs of investigation, and court costs) resulting from, consisting of, or arising out of or in connection with any failure by Distributor to perform any obligation of Distributor under the Agreement, any amendment thereto, or any other agreement executed by Distributor referred to therein.

The undersigned hereby acknowledge and agree to be individually bound by all of the terms of the Agreement, including, in particular, those contained in Section 9 and Section 11.9 of Distributorship Agreement. With respect to the owners of the Distributor (and their spouses), including the Principal Owner, the time period in Section 11.9 of the Distributorship Agreement will run from the expiration, termination, or transfer of the Distributorship Agreement or from the termination of the owner’s relationship with, or ownership interest in, the Distributor, whichever occurs first.

This Guarantee shall terminate upon the termination or expiration of the Agreement, except that all obligations and liabilities of the undersigned which arose from events which occurred on or before the effective date of such termination shall remain in full force and effect until satisfied or discharged by the undersigned, and all covenants which by their terms continue in force after the expiration or termination of the Agreement shall remain in force according to their terms. Upon the death of an individual guarantor, the estate of such guarantor shall be bound by this Guarantee, but only for defaults and obligations hereunder existing at the time of death; and the obligations of the other guarantors will continue in full force and effect.

The undersigned shall pay Matco for all costs and expenses (including, but not limited to reasonable attorney fees and court costs) incurred in any action related to or arising out of this Guarantee. Enforcement of this Guarantee shall be governed by the terms and conditions of Sections 12 and 13 of the Distributorship Agreement.

Unless specifically stated otherwise, the terms used in this Guarantee shall have the same meaning as in the Distributorship Agreement.

**MATCO TOOLS
MATCO DISTRIBUTOR BUSINESS SYSTEM
SOFTWARE LICENSE, MAINTENANCE AND SUPPORT AGREEMENT**

Matco Tools Corporation (“Matco”) agrees to provide to:

Distributor Entity Name _____ (“Distributor”)

Distributor # _____

Principal Owner _____

Address _____

City, State, Zip _____

and the Distributor agrees for good and sufficient consideration to license from Matco, one (1) copy of the applications software system known as the Matco Distributor Business System (“MDBS Software”) consisting of computer programs, subject to the terms and conditions set forth in this Agreement. Matco and the Distributor are parties to a Distributorship Agreement dated as of _____, 20____ (the “Distributorship Agreement”).

1. LICENSE OF SYSTEM; PERMITTED USE AND COPYING.

The Matco Distributor Business System is the proprietary property of Matco Tools. Matco grants a nonexclusive license to the Distributor to use the MDBS Software in connection with the operation of the Distributor’s Matco Tools business. Matco will install the MDBS Software object (Machine language) programs (source programs not included) on the Distributor’s designated MDBS computer prior to the Distributor attending Matco’s initial training program.

The Distributor may not sublicense, assign, sell, transfer or dispose of any part of the MDBS Software to any person or entity. In addition, Distributor, a licensee of MDBS, may not reverse-engineer, disassemble, attempt to derive the source code or database of, modify, or create derivative works of the MDBS software, any updates, or any part thereof. The Distributor warrants that the MDBS Software will be used only in connection with the operation of the Distributor’s Matco Tools business, and will not be used for any other purposes. The Distributor shall make no more than three (3) copies of the MDBS Software, as follows: (1) the Distributor may make one (1) copy of the MDBS Software for Distributor’s use on Distributor’s computer at his home or primary place of business; (2) the Distributor may make one (1) copy of the MDBS Software for Distributor’s use in one (1) Mobile Store; and (3) the Distributor may make and maintain one (1) copy of the MDBS Software as a backup. For the avoidance of doubt, this Software License, Maintenance, and Support Agreement only authorizes the Distributor to install the MDBS Software in one (1) Mobile Store. Installation of the MDBS Software in more than (1) Mobile Store, or any replication or installation of the MDBS Software that is not set forth herein, shall be a breach of this Agreement. “Mobile Store” means the truck used by the Distributor solely in connection with the operation of his Distributorship.

2. CHARGES AND PAYMENT TERMS.

The current license fee for the MDDBS Software and the first month's Systems Maintenance and Support provided by Matco is \$899.00. Such fee is subject to change by Matco from time to time. The license fee for the MDDBS Software will be charged to the Distributor's Matco Tools purchase account upon shipment. The terms for payment of the license fee are the same as the existing terms for payment of other amounts payable pursuant to the Distributor's Matco Tools purchase account.

There will also be an annual \$350.00 license fee for Credit Card Processing Software that interfaces with the MDDBS Software and an annual \$45 license fee for Signature Pad processing software. These license fees will be charged to the Distributor's Matco Tools purchase account upon execution of the Distributorship Agreement, and a distributor account number will be assigned. The terms for payment of the license fees are the same as the existing terms for payment of other amounts payable pursuant to the Distributor's Matco Tools purchase account.

Additional Systems Maintenance and Support is available to the Distributor after the first month of the term of this Agreement under the terms and conditions set forth in this Agreement upon payment of Matco's then-current charges. The standard annual charge for Systems Maintenance and Support in effect as of the date of this Agreement is \$450.00, but such charge is subject to change by Matco from time to time and may, at Matco's option, be substantially higher for systems not conforming to Matco's required specifications, including manufacturer, model, configuration and operating requirements. Annual Systems Maintenance and Support charges will be added to the Distributor's Matco Tools purchase account. The terms for payment of the annual Systems Maintenance and Support charges will be the same as for the then-current terms for the Distributor's Matco Tools purchase account.

The Distributor's annual charge for Systems Maintenance and Support will continue to include, in addition to the standard annual charge of \$450.00, an additional annual charge of \$400.00 if the Distributor's system hardware and/or software does not comply, to Matco's satisfaction, with Matco's specifications, including manufacturer, model, configuration, operating system, virus protection and non-Matco-specified use of third-party software and Internet sites.

3. TERM AND RENEWAL.

Subject to payment of the license fee set forth in Paragraph 2 and compliance by the Distributor with the other terms of this Agreement, this Agreement will remain in effect for a period of one (1) year from the date that the MDDBS Software is shipped by Matco to the Distributor unless terminated by either party in accordance with the terms of this Agreement. Subject to payment by the Distributor of the annual Systems Maintenance and Support charges and compliance by the Distributor with the other terms of this Agreement, this Agreement will automatically renew and continue to renew for successive one (1) year periods unless terminated by either party in accordance with the terms of this Agreement.

4. SYSTEM HARDWARE.

The Distributor is required to purchase a new (not previously owned or refurbished) laptop/tablet computer with a full 3-year warranty described below meeting the exact current MDDBS specifications without exception. As of January 1, 2022, the MDDBS Software is designed to run on a Dell computer (a "laptop") Intel Core i5, 16GB, 256 GB hard drive, 15.6" Screen, Windows 10 and includes a 3-year hardware warranty which includes accidental coverage; a deskjet printer; a Matco-specified 40 column receipt printer; a Matco-specified barcode reading and label printing equipment; a Matco-specified signature capture device; and a Matco-specified credit card terminal. The Distributor will be responsible for acquiring and maintaining access to the Internet through an Internet Service Provider in order to

communicate with Matco. Cable or DSL connections are preferred. In addition, the Distributor is required to purchase a cellular communications hotspot and service in order to connect to the internet while on their route. The MDDBS Software documentation contains a list of the minimum equipment and additional recommended equipment. Except as expressly set forth in this Agreement or the MDDBS Software documentation, Matco does not guarantee or warrant the successful execution of the MDDBS Software on every particular brand and/or model of computer. It is the Distributor's responsibility to handle all equipment hardware/warranty issues directly with the equipment manufacturer. Matco is not responsible for hardware reliability or service. The above standards are established solely for the purpose of optimum MDDBS software performance. System Hardware requirements are subject to change. Refer to the then-current MDDBS Equipment Order Form for the most recent requirements.

The Distributor will be responsible for acquiring and maintaining the computer hardware and manufacturer's operating system software required to execute the MDDBS Software. The Distributor will also be responsible for acquiring and maintaining anti-virus software on the Principal Owner's or Operator's computer in order to keep the system secure. In addition, Distributor will be solely responsible for complying with any and all policies surrounding credit card processing compliance (PCI) and personally identifiable information (PII). The Distributor and not Matco will be solely responsible for any breach of customer credit card data, customer personally identifiable information or the Distributor credit card merchant account. Except for the MDDBS Software, the Distributor will have sole and complete responsibility for: (a) acquiring, operating, maintaining and upgrading its own computer hardware and software; (b) the manner in which the Distributor's systems interface with Matco's systems and those of other third parties; and (c) any and all consequences that may arise if the Distributor's systems are not properly operated, maintained, and upgraded. The Distributor is responsible for acquiring and maintaining an Internet email account and must promptly notify Matco's Customer Service Department of any changes. This account must be established prior to attending the new distributor training class and must be clearly noted on the attached MDDBS Information Form.

The Distributor is further responsible for entering the shop, customer, tax rates and other data needed to run the MDDBS Software.

The Distributor hereby indemnifies Matco for any claims or damages arising out of the Distributor's failure to comply with this Agreement, including without limitation, the provisions of Paragraph 4.

5. CONDITIONS TO ELIGIBILITY FOR MAINTENANCE AND SUPPORT SERVICES.

In order to be eligible to receive Systems Maintenance and Support services from Matco, the Distributor's copy of the MDDBS Software must be unmodified by the Distributor and maintained to the latest update level specified by Matco, and the Distributor must not be in breach of its duties and responsibilities under this Agreement.

6. MATCO'S MAINTENANCE AND SUPPORT RESPONSIBILITIES.

Matco will make on-call support available to the Distributor on office working days during the standard hours of 8:00 a.m. through 4:30 p.m. Eastern time at Stow, Ohio. Distributor calls for support will be forwarded to the Matco support staff. An individual from the Matco support staff will provide a response to the Distributor within a reasonable period of time. All notices of errors or malfunctions must be clearly stated by telephone or in writing by the Distributor and must provide details sufficient to diagnose or reproduce such errors.

If the Distributor notifies Matco of a suspected error, Matco will use all reasonable efforts to confirm the existence of and correct such reproducible error by exercising standard test programs and taking necessary corrective actions. If, in analyzing a suspected error in the MDBS Software at the Distributor's request, Matco determines that no error exists in the MDBS Software program logic and/or documentation, and/or if the program malfunction is due to the Distributor's alteration of the MDBS Software, and/or if the Distributor is using computer hardware other than specified or approved by Matco or if the laptop computer is infected with viruses, worms and/or spyware of any nature, Matco will proceed with further efforts to diagnose and correct the malfunction only if the Distributor agrees to pay Matco for its time and efforts at Matco's then-current rates. The current rate is \$50/hour.

Matco will from time to time review the MDBS Software for improved functionality and operating efficiency. Matco will, based on its own judgment, make such improvements and enhancements to the MDBS Software from time to time as it deems appropriate. Matco will provide to the Distributor, on a timely basis, the updated software and documentation necessary to enable the Distributor to reflect such enhancements and improvements in the Distributor's system. Matco will also provide to the Distributor, as updates under the terms of this Agreement, any program logic and documentation changes made by Matco to correct any proven reproducible errors in the MDBS Software which cause the MDBS Software to deviate materially from the specifications for that system.

Any changes to MDBS Software program logic made by Matco under the terms of this Agreement will be provided to the Distributor on media specified by Matco. The Distributor will pay the cost of the media, including shipping charges. The charges for media and shipping will be added to the Distributor's Matco Tools purchase account upon shipment.

To ensure performance and software compatibility, the use of the MDBS computer and software shall be restricted to the Distributor's Matco business related functions. For example, the MDBS computer shall not be used to browse the Internet for personal use, it should not be used for gaming, and other third-party software should not be loaded and executed on the computer.

7. LIMITED WARRANTY.

Matco hereby warrants the MDBS Software for a period of ninety (90) days from the time of shipment to materially conform to the specifications described in the documentation in the shipment. Within the warranty period, if the Distributor finds that the MDBS Software does not materially conform to the specifications, the Distributor will promptly provide Matco with sufficient documentation of such nonconformity such that Matco can reproduce and verify the same. Matco will, within a reasonable time, upon its confirmation of the nonconformity, provide the Distributor with either instructions for correcting the nonconformity or an updated copy of the MDBS Software that is free of the nonconformity. In the event that Matco is unable to accomplish any of the above, it will accept a return of the nonconforming MDBS Software and fully refund to the Distributor the license fee paid. The foregoing will constitute Matco's sole obligation, and the Distributor's sole remedy, for breach of warranty. Matco's warranty is conditioned upon the installation by the distributor of any and all updates to the MDBS Software provided to the Distributor by Matco and the Distributor's compliance with the terms of this Agreement.

EXCEPT FOR THE EXPRESS LIMITED WARRANTY SET FORTH ABOVE, MATCO HEREBY DISCLAIMS AND DISTRIBUTOR HEREBY EXPRESSLY WAIVES, ANY AND ALL OTHER EXPRESS WARRANTIES AND REPRESENTATIONS OF ANY KIND OR NATURE. UPON THE EXPIRATION OF THE EXPRESS LIMITED WARRANTY PERIOD SET FORTH ABOVE, MATCO DISCLAIMS, AND DISTRIBUTOR HEREBY EXPRESSLY WAIVES, ANY AND ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

IN NO EVENT WILL MATCO BE LIABLE TO DISTRIBUTOR FOR ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS OR LOST SAVINGS, IN ANY WAY ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER IN CONTRACT OR IN TORT. IN ADDITION, MATCO'S LIABILITY TO DISTRIBUTOR FOR DIRECT DAMAGE ARISING OUT OF OR RELATING TO THIS AGREEMENT WILL IN NO EVENT EXCEED THE TOTAL AMOUNT OF LICENSE FEES AND ANNUAL SYSTEMS MAINTENANCE AND SUPPORT CHARGES ACTUALLY PAID BY DISTRIBUTOR TO MATCO UNDER THIS AGREEMENT.

8. CONFIDENTIALITY.

The Distributor will not disclose the MDDBS Software to any person other than the Distributor's employees who have need to use the MDDBS Software in connection with the operation of the Distributor's Matco Tools business. The Distributor will not alter or remove any ownership, trademark or copyright notices from the MDDBS Software or any associated documentation.

9. DEFAULT; TERMINATION.

Either party will have the right to terminate this Agreement upon thirty days' (30) prior written notice. This Agreement will also terminate immediately upon the termination or expiration of the Distributorship Agreement. In addition, this Agreement and the license granted hereunder may be terminated by Matco on ten (10) days' written notice if Distributor defaults in the payment or performance of his obligations under this Agreement.

In the event of termination of the Agreement, the Distributor will immediately cease using the MDDBS Software, and will immediately return to Matco all copies of the MDDBS Software and documentation in the Distributor's possession or under the Distributor's control. No refund of any fees paid by the Distributor pursuant to this Agreement will be owed by Matco to the Distributor in the event of the termination of this Agreement.

10. MISCELLANEOUS.

All disputes related to this Agreement, or arising out of the relationship between the Distributor and Matco, should be governed by and resolved under the provisions of the Distributorship Agreement. This Agreement will be governed by, and construed and enforced in accordance with the laws of Ohio. If any provision will be held invalid or unenforceable, such provision will be severable from the Agreement and will not be construed to have any effect on the remaining provisions.

11. ENTIRE AGREEMENT.

This Agreement sets forth the entire understanding of the parties and supersedes any and all prior agreements, arrangements and understandings relating to the subject matter hereof and the terms and conditions set forth herein will prevail notwithstanding any variance from the terms of any written order submitted by the Distributor. No representation or inducement has been made by any party which is not embodied in this Agreement, and no party will be bound by or liable for any alleged representation or inducement not embodied herein. This Agreement will become effective only upon execution by the Distributor and approval by Matco and may be modified or amended only by a writing executed by both parties hereto.

- B. Distributor desires to obtain a subpage on Matco’s Website.

NOW, THEREFORE, in consideration of the mutual premises set forth herein, the adequacy and sufficiency of which is acknowledged, Matco and Distributor hereby agree as follows:

1. Definitions.

1.1 Distributorship Agreement – The agreement between Matco and Distributor which gives Distributor the right to operate a Matco Tools mobile tool distributorship under Matco’s system.

1.2 Distributor Subpage – A web page that is linked to Matco’s Website, with a direct address (“Subpage Domain Name”) which contains information specific to a particular Distributor.

1.3 Internet – A wide area network connecting thousands of computer networks in industry, education, government, and research.

1.4 Internet Policy – Matco’s policy regarding all aspects of the Internet including but not limited to policies regarding the use of Web Pages and Distributor Subpages, as the same may be in effect from time to time, the current form of which is attached hereto (Attachment A).

1.5 Names and Marks – Matco’s names and marks as identified from time to time in the Distributorship Agreement and in Item 13 of Matco’s franchise offering circular or elsewhere.

1.6 Web Page Policy – Matco’s policy regarding the use of Web Pages and Distributor Subpages, as the same may be in effect from time to time, the current form of which is attached hereto (Attachment A).

2. **Term.**

The term of this Agreement shall commence on the date first entered above and shall continue until one of the following events occur:

- (a) The Distributorship Agreement expires and is not renewed;
- (b) The Distributorship Agreement is terminated;
- (c) The Distributor Subpage is discontinued or terminated;
- (d) The Internet Policy is withdrawn or cancelled; or
- (e) This Agreement is terminated or cancelled by Matco or Distributor.

3. **Development of Distributor Subpage.**

3.1 Matco agrees to create and develop a Distributor Subpage pursuant to the Internet Policy. Currently, the Distributor Subpage will contain two (2) pages: (a) the first page will be the Distributor “home” page with information regarding the Distributor, and with e-mail capability to communicate with Matco and with third-party visitors to the Distributor Subpage; and (b) the second page will contain material of the Distributor’s choosing, subject to compliance with Matco’s Internet Policy. Distributor shall provide to Matco all such information requested by Matco, in the form and at such times as specified by Matco, as Matco deems necessary or desirable to create and, if necessary, update the Distributor Subpage.

3.2 Distributor represents that it owns, or will own, or will have a license to own, all information, data, graphics, or other material that it provides to Matco (“Content”) to use in or include on the Distributor Subpage. Distributor hereby grants to Matco a license to use all such Content. Matco reserves the right to use all, some, or none of the Content provided by Distributor.

4. **Ownership of Distributor Subpage.**

The parties agree that:

4.1 Matco shall own, operate, and maintain all Matco-related websites and all Distributor Subpages. Upon the termination of the Distributorship Agreement or this Agreement, all related Distributor Subpages will be terminated immediately.

4.2 Matco shall retain ownership of all domain names, including all Subpage Domain Names, during and after the term of the Distributorship Agreement. The Distributor will cease using its Subpage Domain Name immediately upon the termination of its Distributorship Agreement or this Agreement.

4.3 Matco shall own all rights in and to any data and other information related to, or that is provided to, or obtained by or on the Distributor Subpage or the Matco Website, including,

without limitation, all clickstream data, customer or visitor data, computer “cookies,” or logs of “hits” by visitors.

5. **Fees.**

5.1 Distributor shall pay, as of or prior to the date of this Agreement, a one time initial web page setup fee of One Hundred Ninety-Five Dollars (\$195).

5.2 Distributor shall pay an annual maintenance fee initially upon signing this Agreement and thereafter the first day of the month of the anniversary of the date of this Agreement, and shall pay an annual maintenance fee on the same day each year thereafter. The current annual maintenance is One Hundred Ninety-Five Dollars (\$195). Matco may change the annual maintenance fee, on thirty (30) days prior written notice to Distributor, but such change shall not be effective until the anniversary date immediately following the notice of such change. Failure by Distributor to pay the annual maintenance fee, or any other fee due to Matco when due, shall be cause for termination of this Agreement by Matco.

6. **Obligations and Acknowledgments of Distributor.**

6.1 Distributor acknowledges and agrees that changes in Matco’s Internet Policy may be needed as a result of legal developments, changes in technology, and other reasons, and the Distributor agrees to be bound by Matco’s Internet Policy as it may be revised by Matco from time to time.

6.2 Distributor acknowledges and agrees that if Distributor engages in any conduct that is in violation of this Agreement, a breach of the Distributorship Agreement, contrary to the Internet Policy, or is otherwise illegal or improper, Matco may suspend or terminate Distributor’s access to and use of the Distributor Subpage. Without limiting the foregoing, Distributor shall not engage in any unauthorized conduct, “spamming,” “mailbombing,” “spoofing,” or fraud.

6.3 Distributor agrees to comply with Matco’s privacy statement on the Matco Website, as it may be amended from time to time. The current privacy statement is posted at [www.matcotools.com].

6.4 Distributor shall maintain such hardware, software, Internet connections, and other technological capabilities to maintain the Distributor Subpage, and to communicate through the e-mail function of the Distributor Subpage with Matco and any third party, in accordance with standards prescribed by Matco from time to time.

6.5 Distributor acknowledges and agrees that (a) the data, graphics, marks, and other information on the Matco Website and the Distributor Subpage are copyrighted and are protected by U.S. and worldwide copyright laws and treaty provisions; (b) Matco’s Names and Marks are owned by Matco and may be used only with the express prior written consent of Matco; and (c) this Agreement does not grant Distributor any express or implied right under any copyrights, trademarks, or other proprietary rights.

6.6 Distributor agrees that any messages, ideas, suggestions, concepts, or other material submitted to Matco ("Submission") via the Matco Website or the Distributor Subpage will be considered non-confidential and non-proprietary. Matco may copy, distribute, incorporate, modify, or otherwise use the Submissions for any type of commercial or non-commercial use. Further, Matco is not responsible, and disclaims liability, for any Submissions or any information or data transmitted to or through Distributor's Subpage.

6.7 Distributor agrees to immediately execute, acknowledge, and deliver any instruments that may be necessary to terminate its Distributor Subpage upon termination of its Distributorship Agreement with Matco.

6.8 In the event that the Distributor fails to execute such instruments described in paragraph 6.7 above, in addition to any other remedies of Matco under the Distributorship Agreement, the Distributor hereby irrevocably grants a power of attorney to execute such agreements on its behalf to Matco.

6.9 Distributor indemnifies and holds Matco harmless from any claim or demand, including reasonable attorneys' fees, made by any third party due to or arising out of Distributor's breach of this Agreement or the documents it incorporates by reference, Distributor's violation of any law or rights of a third party, or any accidental or negligent act or omission involving the use of or transmission of data or information over or through the Distributor Subpage.

6.10 The obligations of paragraphs 6.7, 6.8, and 6.9 above shall survive the termination of cancellation of this Agreement.

7. **Operation of Website by Matco.** Matco will use best efforts to operate the Matco Website and the Distributor Subpage in accordance with this Agreement. Matco makes no representations or warranties that the Matco Website or the Distributor Subpage will be error-free. Matco disclaims all liability for damages arising in connection with this Agreement, even if Matco has been advised of the possibility of such damage. Matco's liability to Distributor under this Agreement will not exceed the total of all fees payable by Distributor in any year under this Agreement.

8. **Termination.** This Agreement may be terminated by either party, upon thirty (30) days prior written notice to the other party. Notwithstanding the foregoing thirty (30) day notice provision, Matco may suspend Distributor's use of or access to the Distributor Subpage as provided for in paragraph 6.2 above.

9. **Entire Agreement.** This Agreement, together with the Distributorship Agreement and related Internet Policy, constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and all prior agreements with respect thereto are superseded hereby. No amendment or modification hereof shall be binding unless in writing and duly executed by both parties, or unless such change is made unilaterally by Matco to the Internet Policy as permitted herein.

10. **Governing Law.** Regardless of the place of its physical execution or performance, the provisions of this Agreement shall in all respects be construed according to, and the rights and liabilities of the parties hereto shall in all respects be governed by, the laws of the state of Ohio.

11. **Severability.** The provisions of this Agreement shall be severable, and if any provision of this Agreement is held to be invalid or unenforceable, it shall be construed to have the broadest interpretation which would render it valid and enforceable.

12. **Further Assurances.** The parties agree to take any and all further actions as may be reasonable to give effect to the agreements contained herein.

13. **Counterparts.** This Agreement may be executed in one or more counterpart copies, each of which shall be deemed an original and all of which shall together be deemed to constitute one agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.

Louisiana Disclosure Addendum

Louisiana Disclosure Addendum

Item 19 of the Disclosure Document is amended by the addition of the following:

No assurance of earnings or ranges of earnings can be made. The number of purchasers who have earned more through this business than they invested is at least 759. This is 96.9% of the total number of purchasers. This information is current as of December 31, 2023. In reviewing the foregoing statement, please understand the following:

“Purchasers” mean all new Matco distributors who began operations in the three year period of 2021 through 2023.

“Earned more than they invested” means revenues received by the Matco distributor from the sale of Matco products to customers in amounts that exceed the initial inventory payments that the distributor paid to Matco to begin the business. (This does not include payments to third parties for other items, such as the Mobil Store or computer. And this does not take into account any other costs or expenses of the business.)

In compiling these figures, Matco obtained data from all of the distributors who started their distributorship businesses in 2021, 2022 or 2023. Of those new distributors, Matco records how many ceased operating (for any reason) within one year of their commencement of business. These distributors are referred to as “separated” distributors. Of these separated distributors, Matco obtains data on their “completed business.” (See Item 19 for a description of “completed business”. However, in broad, general terms, “completed business” is gross revenue or gross sales, as reported by the distributor to Matco in the MDDBS reporting system.) For those separated distributors whose “completed business” was more than the cost of their New Distributor Starter Inventory, Matco considered them as distributors who earned more money than they invested. In addition, Matco assumes, based on past experience and data recorded from distributors, that any Matco distributor who is, and has been, in business for more than 12 months has had or likely has had, “completed business,” or sales, in excess of the New Distributor Starter Inventory. As noted above, Matco does not have records regarding the exact amount that each distributor invests in the business, including payments to third parties, suppliers and others. Also, Matco does not obtain records of the distributors’ profits.

The following information and table further explains the statement above.

Year	All Starts	Seps < 12 mos	CB < Starter	CB > Starter	Starter
2021	280	22	8	14	\$68k
2022	240	29	20	9	\$72k
2023	263	26	7	19	\$72k
Totals	783	77	24	53	

The chart reflects a 3-year period of 2021 – 2023. The data reflects information from Distributors who started Distributorship in that period and who stayed in business less than 12 months. Of this group, the chart reflects the Distributors total Completed Business (“CB”) during their time in operation to determine

if they would have been able to recoup their initial investment (initial inventory purchase - Starter Inventory) during their months of operating the distributorship.

“Seps > 12 months” means separated Distributors who operated for more than 12 months.

“CB < Starter” means Completed Business that is less than the Starter Inventory.

“CB > Starter” means Completed Business that is greater than the Starter Inventory.

“Starter” means the value of the Starter Inventory for each new Distributor for that particular year.

The chart above shows the 3-year period, the number of all starts nationwide, the number of total separations (all states) in business less than 12 months, and of the seps the number of distributors who had Completed Business less than and greater than their Starter Inventory investment.

Of the 783 Distributors who started their distributorships in this 3-year period, 77 Distributors separated from Matco with less than 12 months of operation. Of those 77 Distributors, it was determined that 24 had less than their Starter Inventory in Completed Business. $(783-24=759)$ $759/783=96.9\%$

Assumption: Those Distributors who stay in business longer than 12 months had Completed Business more than their Starter Inventory.

Please read the entire Matco Disclosure Document, including the Item 19 disclosures to obtain a more complete picture and understand of the Matco distributorship business.

New York Distributorship Agreement Amendment

THIS AMENDMENT to the Distributorship Agreement is entered into this _____, by and between Matco Tools Corporation (“Matco”) and _____ (the “Distributor”) to amend and revise certain provisions of the Distributorship Agreement between Matco and the Distributor dated _____ (the “Distributorship Agreement”) as follows:

The Distributor’s Matco® Tools business is to be located in the State of New York. Therefore, Matco and the Distributor agree as follows:

1. 1. The following information is added to the cover page of the Franchise Disclosure Document.

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN APPENDIX F OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CAN NOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

With the exception of what is stated above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor’s principal trademark:

A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding

brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York

6. The following statement shall be deemed to amend the Distributorship Agreement, and the Distributor Disclosure Questionnaire attached to the Matco FDD at Appendix E-1:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

To the extent this Amendment will be deemed to be inconsistent with any terms or conditions of the Distributorship Agreement or the exhibits or attachments thereto, the terms of this Amendment will govern. All other terms and conditions of the Distributorship Agreement will remain the same.

Virginia Disclosure Addendum

Appendix E-1 of the FDD, the “Distributor Disclosure Questionnaire,” is amended to include the following provision:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Washington Disclosure Addendum

In recognition of the requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.180, the Franchise Disclosure Document for Matco Tools Corporation in connection with the offer and sale of franchises for use in the State of Washington shall be amended to include the following:

1. Item 17, “Renewal, Termination, Transfer and Dispute Resolution,” shall be amended by the addition of the following paragraphs at the conclusion of the Item:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator at the time of arbitration. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

2. Appendix E-1 of the FDD, the “Distributor Disclosure Questionnaire,” is amended to include the following provision:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

3. Each provision of this addendum to the disclosure document shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.180, are met independently without reference to this addendum to the disclosure document.

7. Pursuant to RCW 19.100.180(2)(g) and RCW 19.100.220(2), the last sentence of Section 15.2 of the Distributorship Agreement is revised to remove the phrase “or relied on” and now reads as follows:

“We expressly disclaim making, and You acknowledge that You have not received, any warranty or guaranty, express or implied, as to the potential volume, profits, costs or success of the business contemplated by this Agreement.”

8. The following statement shall be deemed to amend the Distributorship Agreement, and the Distributor Disclosure Questionnaire attached to the Matco FDD at Appendix E-1:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. Customer Service Standards

The Matco Distributorship Agreement requires Distributors to operate the Distributorship in conformity and compliance with the image, integrity, quality, cleanliness and product and service standards described in the Matco Operating Manual and in accordance with these Customer Service Standards. Adherence to Matco's Customer Service Standards is designed to achieve a premier customer experience for all Matco customers which is the basis for the goodwill associated with the Matco brand and the network of Matco Distributorships. Matco's Customer Service Standards are based on the following five pillars: **Promotion; Professionalism; Expertise; Reliability** and **Premier Customer Support**.

- **Promotion of Distributorship / Matco Brand Champion:** Distributors are expected to be a Matco Brand Champion and use their best efforts at all times to actively market, promote, and sell Matco products to all Potential Customers on the Distributor's List of Calls. Customers want a fair price, a comment to superior service, and friendly and professional treatment.
- **Professionalism:** Distributors are the face of the Matco Brand and the entire network of Matco Distributors. Appearance, personal conduct, safety, and effective and professional communication are all fundamental to representing the Matco Brand. Professionalism includes wearing Matco® branded attire; maintaining a well-stocked and clean (interior and exterior) Mobile Store that is in good mechanical condition; and operating the Mobile Store showroom in a safe and lawful manner at all times. Operating while impaired or under the influence of drugs or alcohol, not only is against the law and a violation of the Matco Distributor Agreement, but is contrary to these Customer Service Standards.
- **Expertise:** Product knowledge and familiarity with the full catalog of Matco products is crucial to providing a premier customer experience. Successful completion of all required training programs and utilizing the knowledge and expertise of District Managers is critical. Distributors need to be an expert in the Matco Distributor Business System (MDBS), Matco's catalogs and forms such as the Purchase Security Agreement (PSA), required for sales transactions. Distributors should also know each individual customer's business needs and keep abreast of industry trends.
- **Reliability:** Frequency of visits and timeliness of response to customer's needs is paramount. Customers need to know that you will be there for them. They should know that you will: (1) make a 100% effort to visit every week; (2) repair or replace tools under warranty; (3) promptly send off tools for repair; (4) have a well-stocked Mobile Store with an abundant supply of hand and specialty tools; and (5) are available any time on the Matco App in the case of an emergency.
- **Premier Customer Support:** As noted, regular contact with customers is an essential element of providing premier customer service. Product availability, timeliness of delivery, and providing quality repair service and warranty support is essential. Knowing Matco's tool return and repair policies is a must. Distributors should constantly monitor sales and trends to determine the inventory of Products best suited to meet the needs and expectations of its customers.

If Distributor operates in the State of Washington, and/or if Principal Owner resides in the State of Washington, then this Section 2(c)(2) shall apply: (2) This Mutual Release Agreement only applies to the extent permitted by applicable law, and does not apply with respect to valid claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

This Mutual Release shall be interpreted and construed under the laws of the State

of Maryland. In the event of any conflict of law, the laws of the State of Maryland shall prevail (without regard to, and without giving effect to, the application of Maryland conflict of law rules).

APPENDIX L: MATCO 225 AMENDMENTS

[Note to Drafter: “Distributor” means the Distributor entity and “Principal Owner” means the individual principal owner.]

225 AMENDMENT
TO
MATCO TOOLS DISTRIBUTORSHIP AGREEMENT
(for Existing Distributors)

This 225 Amendment (this “Amendment”) to the Matco Tools Distributorship Agreement is entered into by and between Matco Tools Corporation (“Matco”), a Delaware corporation, and [redacted] (the “Distributor”), a [redacted] organized in [redacted] and having offices at [redacted].

BACKGROUND

A. Matco and Distributor entered into a Matco Tools Distributorship Agreement dated [redacted], 20 [redacted] (the “Agreement”) which grants Distributor the right to operate a Matco mobile distributorship under the Business System (the “Distributorship”). This Distributorship is referred to in Matco’s records as “Distributorship # [redacted].”

B. Distributor has operated its Distributorship for over [redacted] years. Distributor and Distributor’s Principal Owner have expressed to Matco their desire to continue to operate a Matco distributorship, but with a fewer number of customers, calls, and Potential Customers. Matco has considered offering distributorships that operate in a smaller area and with fewer Potential Customers than in a standard Matco Tools distributorship. These distributorships are referred to as “225 Distributorships” or “225s.”

C. Distributor has requested that Matco convert its Distributorship # [redacted] to a 225 Distributorship, with the same distributorship number.

D. Matco has provided Distributor with Matco’s current form of Franchise Disclosure Document (or “FDD”), which describes the 225 Distributorships and how the 225 Distributorships vary from the standard distributorships. The 225 Distributorship business is a relatively untested, experimental variation of the Matco distributorship, and has been offered by Matco on a limited basis.

E. Distributor desires to operate a 225 Distributorship, and Matco and Distributor desire to modify the Agreement to reflect the differences in the 225 Distributorship.

F. All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Distributorship Agreement.

In consideration of the mutual promises contained in this Amendment and the Agreement, the Distributor and Matco agree and contract as follows:

1. Limited Distribution Rights of a 225 Distributorship. Distributor has requested to operate, and Matco has agreed to grant to Distributor the right to operate, a 225 Distributorship, exclusively at the List of Calls identified in Exhibit A to this Amendment. Distributor further agrees to be bound by all of the terms and conditions of the Agreement as applicable to the 225 Distributorship.

2. List of Calls and Potential Customers. Section 1.2 of the Agreement is hereby modified to state that the List of Calls and number of Potential Customers that Matco provides as Exhibit A to this Amendment will not have three hundred twenty-five (325) Potential Customers, but will have a minimum of two hundred twenty-five (225) Potential Customers. The specific number of Potential Customers will be identified in Exhibit A. All other caveats, descriptions, and limitations regarding the List of Calls described in Section 1.2 are applicable to the 225.

3. Inventory, Sales, and Purchase Requirements. Sections 3.3.1 through 3.3.3. of the Agreement are hereby deleted in their entirety, and are replaced with the following:

3.3 Inventory, Sales, and Purchase Requirements.

3.3.1 The Distributor will at all times maintain an inventory of Products sufficient to meet its obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of its existing and potential customers, especially in terms of product availability and timeliness of delivery. The New Distributor Starter Inventory shall be modified and reduced to a level that is lower than that of a standard Distributorship, commensurate with a reduced number of Potential Customers, in an amount set forth in Exhibit A to the Amendment. Upon signing this Amendment, Distributor's inventory level should be at or in excess of the amount set forth in Exhibit A. At all times thereafter during the Term, the Distributor is solely responsible for determining the inventory of Products best suited to meet the needs and expectations of its customers and to meet its sales and promotional obligations hereunder.

3.3.2 The Distributor must use its best efforts and actively market, promote, and sell Products to Potential Customers on the List of Calls. To be deemed to be meeting its marketing, promotion and sales obligations, the Distributor should be selling, on average on a weekly basis, Matco Products in an amount which meets or exceeds either (a) _____ (____%) of the "National Distributor Sales Average" (or "NDSA"), or (b) _____ (____%) of the "District Distributor Sales Average" (or "DDSA") for the Distributor's district, whichever is lower. As part of this performance assessment, Matco will calculate the sales averages based on the Distributor's twelve (12) month rolling average, or, if the Distributor has been operating the Distributorship for less than twelve (12) months, based on the Distributor's year-to-date average. The sales averages shall be based on the sales of all Matco Products, as reported by the Distributor through the Matco Distributorship Business System, or the then-current required reporting system.

3.3.3 The Distributor must maintain a minimum of a sixty percent (60%) ratio of a calculation of the Distributor's year-to-date purchases divided by the Distributor's year-to-date sales.

The parties acknowledge that the " %" requirement in Subsection 3.3.2 above was calculated as a percentage of 80% of the NDSA or DDSA as described in Exhibit A hereto.

4. Distributor Acknowledgments. The Distributor acknowledges and agrees that:

a. The Distributor, as an existing Matco Distributor, and Principal Owner have a full and complete understanding of the Matco distributorship business. The Distributor and Principal Owner have

received and read Matco’s FDD, the Agreement and this Amendment in its entirety. The Distributor and Principal Owner have had full and adequate opportunity to discuss the terms and conditions of this Amendment with legal counsel or other advisors of their own choosing; have had ample opportunity to investigate the 225 opportunity; and have had all questions relating to the 225 Distributorship, including those of any advisor, answered to their satisfaction, including the differences between the 225 Distributorship and a standard Matco Tools distributorship.

b. The 225 opportunity differs from a standard Matco Tools distributorship in several significant ways, including, without limitation, a smaller number of Potential Customers and fewer stops on the List of Calls. These differences are likely to have a significant effect on the Distributorship business, and the Distributor and Principal Owner are prepared for these differences. Neither the Distributor nor the Principal Owner have relied on any financial performance data in the FDD, or obtained anywhere else, because the business is an existing Matco Tools distributorship that has been owned and operated by Distributor and Principal Owner prior to signing this Amendment.

5. Entire Agreement. The Distributorship Agreement, this Amendment, and the documents referred to herein constitute the entire, full and complete agreement between the parties concerning the matters covered in the Distributorship Agreement and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by the Distributorship Agreement and this Amendment, other than those set forth in this Amendment. No obligations or duties that contradict or are inconsistent with the express terms of the Distributorship Agreement and this Amendment may be implied into Distributorship Agreement or this Amendment. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing.

6. Release. In consideration for Matco permitting Distributor to convert its Agreement and business into a 225 Distributorship pursuant to this Amendment, Distributor hereby releases and forever discharges Matco, Matco’s corporate affiliates, and each of their respective officers, directors, agents, and employees (collectively, the “Matco Parties”) from any and all claims, demands, liabilities, and causes of action of whatever kind or nature, vested or contingent, known or unknown, suspected or unsuspected, which Distributor now owns or holds, or has at any time heretofore owned or held, or may at any time own or hold against the Matco Parties arising prior to and including the date of this Amendment which relates in any way to: (a) the Distributorship Agreement, including, but not limited to, the entry into the Distributorship Agreement; (b) the operation by Distributor of the Distributorship pursuant to the Distributorship Agreement and this Amendment; (c) the relationship between Matco and Distributor; and (d) this Amendment (collectively, the “Distributor Released Claims”). Distributor represents and warrants that it acknowledges and agrees that Distributor may in the future learn of facts in addition to or different from those which it now knows or believes to be true with respect to the subject matter of this Section 6, but that nonetheless, it is the intention of Distributor to fully, finally, and forever settle and release all of the Distributor Released Claims.

For California Distributors, the following will apply:

Except as set forth herein, Distributor expressly relieves and relinquishes all rights and benefits afforded by Section 1542 of the Civil Code of the State of California (“Section 1542”), and does so understanding and acknowledging the significance and consequence of such specific waiver of Section 1542. Section 1542 states as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH EITHER PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN ITS FAVOR AS OF THE DATE OF EXECUTION OF THIS

AGREEMENT, WHICH IF KNOWN BY SUCH PARTY WOULD HAVE MATERIALLY AFFECTED THE TERMS OF THE AGREEMENT.”

Notwithstanding the provisions of Section 1542, and for the purpose of implementing the general release and discharges described in this paragraph, Distributor expressly acknowledges that this Release is intended to include in its effects without limitation, all claims described in this paragraph which Distributor does not know or suspect to exist in its favor at the time of execution hereof, and that this Release contemplates the extinguishment of any such claims.

For Maryland Distributors, the following is added to the last sentence of Section 6: “excluding only such claims arising under the Maryland Franchise Registration and Disclosure Law.”

For Hawaii Distributors, the following is added to the last sentence of Section 6: “excluding only such claims arising under the Hawaii Franchise Investment Law.”

7. Miscellaneous.

a. Counterparts. This Amendment may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

b. Captions. All captions in this Amendment are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision in this Amendment.

c. Recitals. The recitals and “Background” are an integral part of this Amendment and may be relied upon to interpret and/or enforce this Amendment.

d. No Other Changes; Ratification of Distributorship Agreement. Except as specifically set forth herein, there are no other changes to the Distributorship Agreement and all other terms and conditions of the Distributorship Agreement are hereby ratified.

e. Effectiveness of Amendment. The Distributor acknowledges that this Amendment will become effective and binding only upon acceptance and execution by Matco in the State of Ohio.

List of Calls

The specific List of Calls and number of Potential Customers are attached to this Exhibit A.

The number of Potential Customers is: [REDACTED].

Matco 225 New Distributor Starter Inventory: \$ [REDACTED].

The “[REDACTED]” percentage, for NDSA and DDSA, in Paragraph 3 of this 225 Amendment is [REDACTED]%. The parties acknowledge that this percentage was calculated as follows:

- The number of Potential Customers is [REDACTED], which is [REDACTED]% of 325. Therefore, the percentage above was calculated as [REDACTED]% of 80% of the NDSA or DDSA, or [REDACTED]%.

By way of example, if Exhibit A lists 250 Potential Customers, then the percentage for calculating compliance with the NDSA or DDSA would be $250 \div 325 = 76.92\%$. By rounding to a whole number, the percentage is 77%. And, 77% of 80% is equal to 61.6%. Assuming that the actual NDSA or DDSA for the most recent fiscal year end was \$3,395, the Distributor would be obligated to generate gross sales equal to 61.6% of the NDSA or DDSA, which would be 61.6% of \$3,395, which equals \$2,091.

**225 AMENDMENT
TO
MATCO TOOLS DISTRIBUTORSHIP AGREEMENT
(for New Distributors)**

This 225 Amendment (this “Amendment”) to the Matco Tools Distributorship Agreement is entered into by and between Matco Tools Corporation (“Matco”), a Delaware corporation, and [REDACTED] (the “Distributor”), a [REDACTED] organized in [REDACTED] and having offices at [REDACTED].

BACKGROUND

A. Matco and Distributor entered into a Matco Tools Distributorship Agreement dated [REDACTED], 20 [REDACTED] (the “Agreement”) which grants Distributor the right to operate a Matco mobile distributorship under the Business System (the “Distributorship”). This Distributorship is referred to in Matco’s records as “Distributorship # [REDACTED]”, and operates at the List of Calls identified in Exhibit A to this Amendment.

B. In connection with Matco’s offer of a distributorship, and Distributor’s evaluation of the business interests, Distributor and Distributor’s Principal Owner have expressed to Matco their desire to operate a Matco distributorship which caters exclusively to a limited number of List of Calls and Potential Customers. Matco has considered offering distributorships with fewer Potential Customers than in a standard Matco Tools distributorship. These distributorships are referred to as “225 Distributorships” or “225s.”

C. Matco has provided Distributor with Matco’s current form of Franchise Disclosure Document (or “FDD”), which describes the 225 Distributorships and how the 225 Distributorships differ from a standard Matco distributorship. The 225 Distributorship is an experimental variation of the Matco distributorship, and has been offered by Matco on a limited basis at the request of certain existing distributors.

D. Distributor desires to operate a 225 Distributorship, and Matco and Distributor desire to modify the Agreement to reflect the differences in the 225 Distributorship.

E. All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Distributorship Agreement.

In consideration of the mutual promises contained in this Amendment and the Agreement, the Distributor and Matco agree and contract as follows:

1. Limited Distribution Rights Under the 225 Distributorship. Distributor has requested to operate, and Matco has agreed to grant to Distributor the right to operate, a 225 Distributorship, exclusively at the List of Calls identified in Exhibit A to this Amendment. In light of this more limited number of Potential Customers, the parties wish to amend the Initial Fee. Accordingly, the first sentence of Section 1.1.2 of the Distributorship Agreement is deleted in its entirety and hereby replaced with the following sentence:

1.1.2 In consideration of Matco’s grant to the Distributor to operate the Distributorship, Distributor must pay to Matco, on or before the execution of this Agreement, an Initial Fee in the amount of seven thousand dollars (\$7,000).

2. Protected Rights to List of Calls. Except as permitted under Section 1.4, and for so long as Distributor is compliant with the terms of the Distributorship Agreement, Matco will not operate, or grant a license or franchise to operate, a Matco mobile distributorship that will be authorized to sell Products to any Potential Customers identified on the Distributor’s List of Calls, if such customers purchase Products at or from the businesses located and identified on the List of Calls. Distributor agrees to be bound by all of the terms and conditions of the Agreement as applicable to the 225 Distributorship.

3. List of Calls and Potential Customers. Section 1.2 of the Agreement is hereby modified to state that the List of Calls that Matco provides as Exhibit A to this Amendment will have less than three hundred and twenty-five (325) Potential Customers, but will have a minimum of two hundred twenty-five (225) Potential Customers. The specific number of Potential Customers will be identified in Exhibit A. All other caveats, descriptions, and limitations regarding the List of Calls described in Section 1.2 are applicable to the 225 Distributorship.

4. New Distributor Starter Inventory. Section 3.3.1 of the Agreement is hereby deleted in its entirety, and is replaced with the following:

3.3.1 The Distributor will at all times maintain an inventory of Products sufficient to meet its obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of its existing and potential customers, especially in terms of product availability and timeliness of delivery. The New Distributor Starter Inventory shall be modified and reduced to a level that is lower than that of a standard Distributorship, commensurate with a reduced number of Potential Customers, in an amount set forth in Exhibit A to the Amendment. Upon signing this Amendment, Distributor’s inventory level should be at or in excess of the amount set forth in Exhibit A. At all times thereafter during the Term, the Distributor is solely responsible for determining the inventory of Products best suited to meet the needs and expectations of its customers and to meet its sales and promotional obligations hereunder.

5. National Distributor Sales Average/District Distributor Sales Average. Section 3.3.2 of the Agreement is hereby deleted in its entirety, and is replaced with the following:

3.3.2 The Distributor must use its best efforts and actively market, promote, and sell Products to Potential Customers on the List of Calls. To be deemed to be meeting its marketing, promotion and sales obligations, the Distributor should be selling, on average on a weekly basis, Matco Products in an amount which meets or exceeds either (a) _____ (____%) of the “National Distributor Sales Average” (or “NDSA”), or (b) _____ (____%) of the “District Distributor Sales Average” (or “DDSA”) for the Distributor’s district, whichever is lower. As part of this performance assessment, Matco will calculate the sales averages based on the Distributor’s twelve (12) month rolling average, or, if the Distributor has been operating the Distributorship for less than twelve (12) months, based on the Distributor’s year-to date average. The sales averages shall be based on the sales of all Matco Products, as reported by the Distributor through the Matco Distributorship Business System, or the then-current required reporting system.

The parties acknowledge that the “ %” requirement set forth in Subsection 3.3.2 above was calculated as a designated percentage of 80% of the NDSA or DDSA requirement, as described in Exhibit A hereto, based on the specific number of Potential Customers identified in Exhibit A.

6. Distributor Acknowledgments. The Distributor acknowledges and agrees that:

a. The Distributor and Principal Owner have received and read Matco's FDD, the Agreement and this Amendment in its entirety. The Distributor and Principal Owner have had full and adequate opportunity to discuss the terms and conditions of this Amendment with legal counsel or other advisors of their own choosing; have had ample opportunity to investigate the 225 opportunity; and have had all questions relating to the 225 Distributorship, including those of any advisor, answered to their satisfaction, including the differences between the 225 Distributorship and a standard Matco Tools distributorship.

b. The 225 opportunity differs from a standard Matco Tools distributorship in several significant ways, including, without limitation, a smaller number of Potential Customers and fewer stops on the List of Calls. These differences are likely to have a significant effect on the Distributorship business, and the Distributor and Principal Owner are prepared for these differences.

7. Entire Agreement. The Distributorship Agreement, this Amendment, and the documents referred to herein constitute the entire, full and complete agreement between the parties concerning the matters covered in the Distributorship Agreement and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by the Distributorship Agreement and this Amendment, other than those set forth in this Amendment. No obligations or duties that contradict or are inconsistent with the express terms of the Distributorship Agreement and this Amendment may be implied into Distributorship Agreement or this Amendment. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing.

8. Miscellaneous.

a. Counterparts. This Amendment may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

b. Captions. All captions in this Amendment are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision in this Amendment.

c. Recitals. The recitals and "Background" are an integral part of this Amendment and may be relied upon to interpret and/or enforce this Amendment.

d. No Other Changes; Ratification of Distributorship Agreement. Except as specifically set forth herein, there are no other changes to the Distributorship Agreement and all other terms and conditions of the Distributorship Agreement are hereby ratified.

e. Effectiveness of Amendment. The Distributor acknowledges that this Amendment will become effective and binding only upon acceptance and execution by Matco in the State of Ohio.

APPENDIX M: CONVERSION INCENTIVE AMENDMENTS

[Note to Drafter: “Distributor” means the Distributor entity and “Principal Owner” means the individual principal owner.]

**MATCO TOOLS
SPECIAL INCENTIVE PROGRAM AMENDMENT
(Ongoing Quarterly Bonus)**

THIS AMENDMENT, made and entered into at Stow, Ohio, this _____ day of _____, 20__, by and between Matco Tools Corporation, a Delaware Corporation (herein referred to as “Matco”) and _____, a _____ organized in _____ and having offices at _____ (the “Distributor” or “you”).

Background:

WHEREAS, Distributor or Principal Owner has previously operated as a mobile tool distributor with another brand, and has resigned, been terminated, decided not to renew, or otherwise decided to not continue operating as a distributor with another brand; and

WHEREAS, Distributor and Principal Owner have evaluated and investigated the Matco Tools mobile distributorship opportunity and applied to become a Matco mobile distributor; and

WHEREAS, Matco, at its discretion, may offer special incentives to select, qualified distributors (and their Principal Owners), who may wish to become Matco mobile distributors, and such incentives may be in the form of credits to a distributor’s Open Purchase Account (“OPA”) and quarterly bonuses based on product purchase and sales performance (and these incentives are referred to as “Conversion Incentives”); and

WHEREAS, based on the information that Distributor and Principal Owner have provided to Matco in the application and in discussions with Matco representatives, and based on the representations made by Distributor to Matco during the application process and in this Amendment, Matco is willing to provide Distributor with certain Conversion Incentives described in this Amendment, provided that Distributor agrees to and complies with the terms and conditions contained in the Agreement (defined below) and this Amendment; and

WHEREAS, Matco and Distributor have executed a Matco Tools Distributorship Agreement dated _____, 20__ (the “Agreement”), and this Amendment is intended to amend and be a part of the Agreement.

NOW, THEREFORE, in consideration of the covenants and mutual agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in reliance upon the representations and warranties of the parties contained in this Agreement, the parties hereby agree as follows:

1. **Confidentiality.** Matco and Distributor (for itself and on behalf of the Principal Owner) agree that the terms of this Amendment are confidential and shall not be disclosed to any non-parties. Distributor (for itself and on behalf of the Principal Owner) agrees that no one acting on behalf of the Distributor or Principal Owner will disclose the facts and terms of this Amendment to any non-parties (although the Distributor shall be permitted to share this information with its attorney), unless legally required by law or as necessary to enforce this Amendment.

2. **No Breach of Contract or Other Impediment.** Distributor represents and warrants to Matco that (a) neither Distributor nor its Principal Owner is operating under, or subject to, any contract, agreement or obligation of any company or brand that is a competitor of Matco; (b) neither Distributor nor its Principal Owner is bound by any non-competition covenant or any restriction that would prohibit Distributor or

Principal Owner from operating the Matco Distributorship in full compliance with the Agreement; (c) Distributor (together with Distributor's Principal Owner) approached Matco to consider becoming a Matco mobile distributor; and (d) any discussions with Matco that may have occurred prior to end of the Distributor's or Principal Owner's contractual relationship with the previous brand did not include any discussion of the incentives described in this Amendment. Further, Distributor or Principal Owner has provided Matco with a copy of, or the opportunity to review a copy of, the now terminated or ended contract with the previous brand to confirm Distributor's representations. Distributor acknowledges that Matco has relied on Distributor's and Principal Owner's representations herein in granting the Agreement and in executing this Amendment.

3. Conversion Incentives. Matco agrees to offer to Distributor the following special incentives based on future and ongoing performance, referred to as "Ongoing Quarterly Bonuses":

3.1 Ongoing Quarterly Bonus Incentive:

3.1.1 The Distributor is eligible for a quarterly bonus for the first 10 years of the Agreement, commencing at the end of the first full fiscal quarter (and a "fiscal quarter" is defined in Matco's standards and Manuals) in business and ending after a total of 40 full fiscal quarters in business. The bonus is based on the Distributor's purchases of products in amounts that exceed the prior year's ending National Distributor Purchase Average ("NDPA") by not less than 25%. This is calculated as follows:

a. If Distributor's quarterly (13 week) purchase average is between 125% and 149.99% of the prior year's ending NDPA, Distributor will receive a \$2,000 bonus for that quarter. The quarterly bonus potential will be for a total of 10 years, or 40 full fiscal quarters.

b. If Distributor's quarterly (13 week) purchase average is 150% or more above the prior year's ending NDPA, Distributor will receive a \$4,000 bonus for that quarter. The quarterly bonus potential will be for a total of 10 years, or 40 full fiscal quarters.

3.1.2 If Distributor does not qualify for a quarterly bonus in any quarter, there is no opportunity to retroactively qualify with additional purchases in subsequent quarters.

3.1.3 Bonuses received will be applied to Distributor's OPA as a credit, which will count against the Distributor's purchase average. If the credit is used to re-purchase additional inventory, the credit is offset. The \$2,000 or \$4,000 bonus will not count towards Distributor's purchase average.

3.1.4 Matco will not account for back orders when calculating purchase average, or the bonus. The bonus calculation is based upon shipments of products, not orders.

3.1.5 The 2023 year ending National Distributor Purchase Average for Matco was \$5,650. Therefore, for 2024:

a. The 125% target is \$7,063, or \$91,813 in purchases for a 13 week (Matco fiscal) quarter in 2024.

b. The 150% target is \$8,475 or \$110,175 in purchases for a 13 week (Matco fiscal) quarter in 2024.

c. The targets for 2024 and subsequent years will be based on the prior year's National Distributor Purchase Average.

The following is an example of the implementation of the Ongoing Quarterly Bonus for illustration purposes only: If a Distributor becomes a Matco Distributor, and receives his Distributor number on March 5, 2024 and attends the March 25, 2024 MBST class, the Distributor would begin operations on April 1, 2024. The first full (Matco fiscal) quarter would be the second quarter of 2024 (April, May, June, which corresponds to Matco's reporting weeks 14 through 26). If an incentive Ongoing Quarterly Bonus is earned, the Distributor would receive the bonus by the end of July, and it will be credited by week 28 (2 weeks into the subsequent quarter). In this example the potential Ongoing Quarterly Bonus would end after the first quarter (weeks 1 through 13) of year 2034.

4. Waiver. No failure or delay by Matco in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof.

5. Severability. The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision hereof. Any provision hereof which is adjudicated to be invalid or unenforceable shall be severed from this Agreement to the extent of its invalidity or unenforceability, provided, however, that such severance is to apply only with respect to the operation of such provision in the particular jurisdiction in which such adjudication is made.

6. Entire Agreement. The Distributorship Agreement, this Amendment, and the documents referred to herein constitute the entire, full and complete agreement between the parties concerning the matters covered in the Distributorship Agreement and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by the Distributorship Agreement and this Amendment, other than those set forth in this Amendment. No obligations or duties that contradict or are inconsistent with the express terms of the Distributorship Agreement and this Amendment may be implied into Distributorship Agreement or this Amendment. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing.

7. Miscellaneous.

7.1 Counterparts. This Amendment may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

7.2 Captions. All captions in this Amendment are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision in this Amendment.

7.3 Recitals. The recitals and "Background" are an integral part of this Amendment and may be relied upon to interpret and/or enforce this Amendment.

7.4 No Other Changes; Ratification of Distributorship Agreement. Except as specifically set forth herein, there are no other changes to the Distributorship Agreement and all other terms and conditions of the Distributorship Agreement are hereby ratified.

7.5 Effectiveness of Amendment. The Distributor acknowledges that this Amendment will become effective and binding only upon acceptance and execution by Matco in the State of Ohio.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be signed on the date set forth above.

**MATCO TOOLS
SPECIAL INCENTIVE PROGRAM AMENDMENT
(Initial Investment and Ongoing Quarterly Bonus)**

THIS AMENDMENT, made and entered into at Stow, Ohio, this _____ day of _____, 20__, by and between Matco Tools Corporation, a Delaware Corporation (herein referred to as “Matco”) and _____, a _____ organized in _____ and having offices at _____ (the “Distributor” or “you”).

Background:

WHEREAS, Distributor or Principal Owner has previously operated as a mobile tool distributor with another brand, and has resigned, been terminated, decided not to renew, or otherwise decided to not continue operating as a distributor with another brand; and

WHEREAS, Distributor and Principal Owner have evaluated and investigated the Matco Tools mobile distributorship opportunity and applied to become a Matco mobile distributor; and

WHEREAS, Matco, at its discretion, may offer special incentives to select, qualified distributors (and their Principal Owners), who may wish to become Matco mobile distributors, and such incentives may be in the form of payments to a distributor or reduction in the prices charged to a distributor for a portion of the distributor’s initial investment or pre-commencement expenses, credits to a distributor’s Open Purchase Account (“OPA”) and quarterly bonuses based on product purchase and sales performance (and these incentives are referred to as “Conversion Incentives”); and

WHEREAS, based on the information that Distributor and Principal Owner have provided to Matco in the application and in discussions with Matco representatives, and based on the representations made by Distributor to Matco during the application process and in this Amendment, Matco is willing to provide Distributor with certain Conversion Incentives described in this Amendment, provided that Distributor agrees to and complies with the terms and conditions contained in the Agreement (defined below) and this Amendment; and

WHEREAS, Matco and Distributor have executed a Matco Tools Distributorship Agreement dated _____, 20__ (the “Agreement”), and this Amendment is intended to amend and be a part of the Agreement.

NOW, THEREFORE, in consideration of the covenants and mutual agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in reliance upon the representations and warranties of the parties contained in this Agreement, the parties hereby agree as follows:

1. **Confidentiality.** Matco and Distributor (for itself and on behalf of the Principal Owner) agree that the terms of this Amendment are confidential and shall not be disclosed to any non-parties. Distributor (for itself and on behalf of the Principal Owner) agrees that no one acting on the Distributor’s or Principal Owner’s behalf will disclose the facts and terms of this Amendment to any non-parties (although the Distributor shall be permitted to share this information with its attorney), unless legally required by law or as necessary to enforce this Amendment.

2. No Breach of Contract or Other Impediment. Distributor represents and warrants to Matco that (a) neither Distributor nor its Principal Owner is operating under, or subject to, any contract, agreement or obligation of any company or brand that is a competitor of Matco; (b) neither Distributor nor its Principal Owner is bound by any non-competition covenant or any restriction that would prohibit Distributor or Principal Owner from operating the Matco Distributorship in full compliance with the Agreement; (c) Distributor (together with Distributor's Principal Owner) approached Matco to consider becoming a Matco mobile distributor; and (d) any discussions with Matco that may have occurred prior to end of the Distributor's or Principal Owner's contractual relationship with the previous brand did not include any discussion of the incentives described in this Amendment. Further, Distributor or Principal Owner has provided Matco with a copy of, or the opportunity to review a copy of, the now terminated or ended contract with the previous brand to confirm Distributor's representations. Distributor acknowledges that Matco has relied on Distributor's and Principal Owner's representations herein in granting the Agreement and in executing this Amendment.

3. Conversion Incentives. Matco agrees to offer to Distributor the following special incentives based on future and ongoing performance, referred to as "Ongoing Quarterly Bonuses":

3.1 Initial Investment Incentive:

3.1.1 Qualifications. Based on Distributor's or Principal Owner's previous business activity as a mobile distributor and the information that Distributor and Principal Owner have provided to Matco concerning the Distributor's or Principal Owner's product purchase average in the most recent calendar year prior to Distributor's execution of the Agreement, Matco has determined that Distributor has qualified for certain incentive related the Distributor's initial investment or other initial or pre-commencement costs (the "Initial Investment Incentive"), as described below and in the attached Exhibit.

3.1.2 Matco will provide assistance with conversion costs. The funds or other assistance will be provided promptly following Distributor's receipt of a "distributor number" and such assistance will be provided by credits to Distributor's OPA for the value of the incentive. The incentive will include some or all of the following, with the specific amounts set forth in Exhibit A to this Amendment:

- Funds toward the cost to update the Distributor's existing mobile tool store if it meets Matco's requirements, or, for a new Matco mobile store if Distributor chooses to update or convert to a new Matco mobile store
- Funds for a Matco approved new computer system
- Funds for MDBS and associated first year fee
- Funds for new Matco uniforms
- Funds toward the purchase of new Matco Business Cards and related promotional materials
- A portion of the transportation costs for Principal Owner to attend MBST training in Stow, and some of the lodging and meal costs during MBST training.

3.1.3 If Distributor separates from Matco, is terminated by Matco, voluntarily terminates the Agreement, or otherwise ceases to operate as a Matco mobile distributor within twenty-four (24) months of the day Distributor received a "Distributor number" and was permitted to commence operation, Distributor's OPA will be charged back for all credits received under the Initial Investment Incentive, and Distributor must pay all of these amounts to Matco when settling and closing out Distributor's OPA.

3.2 Ongoing Quarterly Bonus Incentive:

3.2.1 The Distributor is eligible for a quarterly bonus for the first 10 years of the Agreement, commencing at the end of the first full fiscal quarter (and a “fiscal quarter” is defined in Matco’s standards and Manuals) in business and ending after a total of 40 full fiscal quarters in business. The bonus is based on the Distributor’s purchases of products in amounts that exceed the prior year’s ending National Distributor Purchase Average (“NDPA”) by not less than 25%. This is calculated as follows:

a. If Distributor’s quarterly (13 week) purchase average is between 125% and 149.99% of the prior year’s ending NDPA, Distributor will receive a \$2,000 bonus for that quarter. The quarterly bonus potential will be for a total of 10 years, or 40 full fiscal quarters.

b. If Distributor’s quarterly (13 week) purchase average is 150% or more above the prior year’s ending NDPA, Distributor will receive a \$4,000 bonus for that quarter. The quarterly bonus potential will be for a total of 10 years, or 40 full fiscal quarters.

3.2.2 If Distributor does not qualify for a quarterly bonus in any quarter, there is no opportunity to retroactively qualify with additional purchases in subsequent quarters.

3.2.3 Bonuses received will be applied to Distributor’s OPA as a credit, which will count against the Distributor’s purchase average. If the credit is used to re-purchase additional inventory, the credit is offset. The \$2,000 or \$4,000 bonus will not count towards Distributor’s purchase average.

3.2.4 Matco will not account for back orders when calculating purchase average, or the bonus. The bonus calculation is based upon shipments of products, not orders.

3.2.5 The 2023 year ending National Distributor Purchase Average for Matco was \$5,650. Therefore, for 2024:

a. The 125% target is \$7,063, or \$91,813 in purchases for a 13 week (Matco fiscal) quarter in 2024.

b. The 150% target is \$8,475 or \$110,175 in purchases for a 13 week (Matco fiscal) quarter in 2024.

c. The targets for 2024 and subsequent years will be based on the prior year’s National Distributor Purchase Average.

The following is an example of the implementation of the Ongoing Quarterly Bonus for illustration purposes only: If a Distributor becomes a Matco Distributor, and receives his Distributor number on March 5, 2024 and attends the March 25, 2024 MBST class, the Distributor would begin operations on April 1, 2024. The first full (Matco fiscal) quarter would be the second quarter of 2024 (April, May, June, which corresponds to Matco’s reporting weeks 14 through 26). If an incentive Ongoing Quarterly Bonus is earned, the Distributor would receive the bonus by the end of July, and it will be credited by week 28 (2 weeks into the subsequent quarter). In this example the potential Ongoing Quarterly Bonus would end after the first quarter (weeks 1 through 13) of year 2034.

4. Waiver. No failure or delay by Matco in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof.

5. Severability. The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision hereof. Any provision hereof which is adjudicated to be invalid or unenforceable shall be severed from this Agreement to the extent of its invalidity or unenforceability, provided, however, that such severance is to apply only with respect to the operation of such provision in the particular jurisdiction in which such adjudication is made.

6. Entire Agreement. The Distributorship Agreement, this Amendment, and the documents referred to herein constitute the entire, full and complete agreement between the parties concerning the matters covered in the Distributorship Agreement and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by the Distributorship Agreement and this Amendment, other than those set forth in this Amendment. No obligations or duties that contradict or are inconsistent with the express terms of the Distributorship Agreement and this Amendment may be implied into Distributorship Agreement or this Amendment. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing.

7.4 No Other Changes; Ratification of Distributorship Agreement. Except as specifically set forth herein, there are no other changes to the Distributorship Agreement and all other terms and conditions of the Distributorship Agreement are hereby ratified.

7.5 Effectiveness of Amendment. The Distributor acknowledges that this Amendment will become effective and binding only upon acceptance and execution by Matco in the State of Ohio.

a. **By Distributor.** Distributor (on behalf of its Principal Owner) hereby releases and forever discharges Matco, Matco’s affiliates, and each of their respective officers, directors, agents, and employees (collectively, the “**Matco Parties**”) from any and all claims, demands, liabilities, and causes of action of whatever kind or nature, vested or

contingent, known or unknown, suspected or unsuspected, which Distributor or Principal Owner now owns or holds, or has at any time heretofore owned or held, or may at any time own or hold against the Matco Parties arising prior to and including the date of this Renewal Addendum which relates in any way to: (a) the Old Agreement, including, but not limited to, the entry into the Old Agreement; (b) the operation by Distributor of the Distributorship pursuant to the Old Agreement; (c) the relationship between Matco and Distributor, or between Matco and Principal Owner; and (d) the execution of this Renewal Addendum and the Distributorship Agreement (collectively, the “**Distributor Released Claims**”), provided that nothing in this Renewal Addendum is intended to terminate, or release claims or obligations under, the Distributorship Agreement or to release claims which cannot be released pursuant to an applicable franchise law statute. Distributor represents and warrants that it acknowledges and agrees that Distributor (or Principal Owner) may in the future learn of facts in addition to or different from those which it now knows or believes to be true with respect to the subject matter of this Section 5.a, but that nonetheless, it is the intention of Distributor and Principal Owner to fully, finally, and forever settle and release all of the Distributor Released Claims.

b. By Matco. Matco hereby releases and forever discharges Distributor, its affiliates, Principal Owner, and each of their respective officers, directors, agents, and employees (collectively, the “**Distributor Parties**”) from any and all claims, demands, liabilities, and causes of action of whatever kind or nature, vested or contingent, known or unknown, suspected or unsuspected, which Matco now owns or holds, or has at any time heretofore owned or held, or may at any time own or hold against the Distributor Parties arising prior to and including the date of this Renewal Addendum which relates in any way to: (a) the Old Agreement, including, but not limited to, the entry into the Old Agreement; (b) the operation by Distributor of the Distributorship pursuant to the Old Agreement; (c) the relationship between Distributor and Matco, or between Matco and Principal Owner; and (d) the execution of this Renewal Addendum and the Distributorship Agreement (collectively, the “**Matco Released Claims**”), provided that nothing in this Renewal Addendum is intended to terminate, or release claims or obligations under, the Distributorship Agreement or to release claims which cannot be released pursuant to an applicable franchise law statute. Matco represents and warrants that it acknowledges and agrees that Matco may in the future learn of facts in addition to or different from those which it now knows or believes to be true with respect to the subject matter of this Section 5.b, but that nonetheless, it is the intention of Matco to fully, finally, and forever settle and release all of the Matco Released Claims.

c. The releases in Section 5.a and 5.b above do not apply to any monies which may be owed by Matco to Distributor or by Distributor to Matco in the ordinary course of business under the Old Agreement.

d. *If Distributor operates in the State of California, and/or if Principal Owner resides in the State of California, then this Section 6.d shall apply: Claims under Section 1542.* Distributor (for itself and on behalf of the Principal Owner) and Matco expressly state that it is their intention in executing the mutual releases included in Section 5.a and 5.b above that these releases shall be effective as a bar to the Distributor Released Claims and Matco Released Claims as prescribed by Section 1541 of the California Civil Code. Distributor (for itself and on behalf of the Principal Owner) and Matco warrant that they are familiar with and have been advised by legal counsel concerning the legal effect of Section 1542 of the California Civil Code, and that Distributor (for itself and on behalf of the Principal Owner) and Matco expressly waive and relinquish all rights and benefits

conferred by the provisions of Section 1542 of the California Civil Code, which provides that:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

e. No Assignment of Claims. Matco and the Distributor (for itself and on behalf of the Principal Owner) represent and warrant that they are the sole owners of all claims and rights released hereunder and that they have not assigned or transferred, or purported to assign or transfer, to any person or entity, any suit, claim, controversy, liability, demand, action, or cause of action released under Sections 5.a and 5.b above.

f. The parties agree not to make any claim or take any proceedings against any other Person who might claim contribution or indemnity or assert any other claim or cause of action by any right of law from the Persons discharged by this Renewal Addendum. For the purpose of this Renewal Addendum, "Person" includes any individual, partnership, limited partnership, joint venture, syndicate, sole proprietorship, company or corporation with or without share capital, unincorporated association, trust, trustee, executor, administrator or other legal or personal representative, regulatory body or agency, government or government agency, authority or entity however designated or constituted.

g. *If Distributor operates in the State of Maryland, and/or if Principal Owner lives in the State of Maryland, then this Section 6.g shall apply:* Distributor and Matco agree that all actions arising under this Mutual Release must be commenced in arbitration in accordance with the terms of the Distributorship Agreement. In the event any claims arising under the Mutual Release with respect to the Maryland Franchise Registration and Disclosure Law, Distributor and Matco agree that all such actions must be commenced in the state or federal court of general jurisdiction in Maryland, and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of or venue in those courts. This Mutual Release shall be interpreted and construed under the laws of the State of Maryland. In the event of any conflict of law, the laws of the State of Maryland shall prevail (without regard to, and without giving effect to, the application of Maryland conflict of law rules).

7. Acknowledgments. Distributor (for itself and on behalf of the Principal Owner) acknowledges it has received a copy of this Renewal Addendum sufficiently in advance of executing it to be able to consult with counsel of Distributor's or Principal Owner's choosing, and Distributor (for itself and on behalf of the Principal Owner) acknowledges having reviewed and understood this Renewal Addendum prior to executing it. Further, Distributor acknowledges that it received a copy of Matco's current form of franchise disclosure document required by the Trade Regulation Rule of the Federal Trade Commission entitled "Disclosure Requirements and Prohibitions Concerning Franchising and Business Opportunity Ventures" at least fourteen (14) calendar days prior to the date the Distributorship Agreement and this Renewal Addendum were executed.

8. Entire Agreement. This Renewal Addendum constitutes the entire and complete agreement between Matco and Distributor concerning the subject matter hereof, and supersedes any and all prior agreements. No amendment, change, or variance from this Renewal Addendum shall be binding on either party unless mutually agreed to in a writing signed by both parties. The

invalidity or unenforceability of any particular provision of this Renewal Addendum will not affect or limit the validity or enforceability of the remaining provisions.

9. **Dispute Resolution.** This Renewal Addendum shall be governed by the provisions for dispute resolution that are included in the Distributorship Agreement.

10. **Ratification of Distributorship Agreement.** This Renewal Addendum forms an integral part of the Distributorship Agreement. Except as modified or supplemented by this Renewal Addendum, the terms of the Distributorship Agreement are hereby ratified and confirmed. This Renewal Addendum shall be binding upon the parties hereto, and their respective heirs, executors, administrators, successors and assigns.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Renewal Addendum, understands and consents to be bound by all of its terms, and agrees it will be effective as of the date first above written.

AGREEMENT

In consideration of the mutual promises contained in this Renewal Addendum, the Distributor and Matco agree and contract as follows:

1. **Waiver of Certain Initial Obligations.** The following sections of the

Distributorship Agreement are null and void, and shall have no force or effect: 1.1.2 (Initial Fee); **[3.5 (Time Payment Reserve Account or Time Payment Line of Credit)]**; 3.8 (Training); 4.1 (Matco Business System Training Program (MBST) Program and Matco Business System Continuation Training (MBSCT) Program); 4.2 (Field Training); 6.3 (Initial Inventory); and 11.2 (Termination by Distributor During First Six Months). In addition, the following section of the 225 Amendment is null and void and shall have no force or effect: Section 1 (Limited Distribution Rights Under the 225 Distributorship).

2. **Successor Distributorship Fee.** As required under the Old Agreement, Distributor shall pay to Matco a successor distributorship fee of \$ _____ on or before the effective date of this Renewal Addendum.

3. **Renewal.** Section 2.1 and 2.2 of the Distributorship Agreement shall be deleted and shall have no force or effect, and the following Section 2.1 and 2.2 shall be substituted in lieu thereof:

2.1 **Renewal Term.** The term of this Agreement is the renewal term provided for under the distributorship agreement entered into between Matco and Distributor on _____ (the “**Old Agreement**”), and such renewal term will be for ten years, commencing on the date of this Agreement (the “**Renewal Term**”). This Agreement will not be enforceable until it has been signed by both the Distributor and Matco.

2.2 **No Right to Reacquire the Distributorship.** At the end of the Renewal Term, this Agreement will expire. Pursuant to Section 2.2 of the Old Agreement, the Distributor will not have the right, or option, to reacquire the Distributorship or to execute a successor Distributorship Agreement to operate the Distributorship.

2.3 **Subsequent Distributorship Agreements.** Prior to the expiration of the Renewal Term, if Distributor desires to continue to operate as a Matco Tools Distributor for an additional term to immediately follow the Renewal Term, Distributor may submit a written request to Matco to be granted a new, successor or renewal Distributorship Agreement at least **[180 days prior to the expiration of the Renewal Term]**, and must comply with Matco’s then-current rules and processes for obtaining an additional or successor term, which may include the execution of Matco’s then-current form of distributorship agreement. Matco may, but is not obligated to, consider the request from Distributor, and may enter into a new agreement with Distributor.

4. **Renewal Term.** All references to the word “**Term**” in the Distributorship Agreement shall be read and construed as the “**Renewal Term.**”

5. **Old Agreement.** The Old Agreement is terminated in accordance with its terms, except for any provision that by its express terms or by implication survives the termination or expiration of the Old Agreement, and any provision which requires Distributor to pay any monies due to Matco or any affiliate of Matco except for the requirement that Distributor pay to Matco the successor distributorship fee provided in Section 2 above.

6. **Additional Amendments.**

a. Section 7 of the 225 Amendment is hereby null and void, and is replaced with the following:

Entire Agreement. The Distributorship Agreement, the Renewal Addendum for 225 Distributors executed by the parties, this 225 Amendment to the Distributorship Agreement, and the documents referred to herein constitute the entire, full and complete agreement between the parties concerning the matters covered in the Distributorship Agreement and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by the Distributorship Agreement other than those set forth in the Distributorship Agreement, the Renewal Addendum for 225 Distributors, and this 225 Amendment to the Distributorship Agreement. No obligations or duties that contradict or are inconsistent with the express terms of the Distributorship Agreement, the Renewal Addendum for 225 Distributors, and this 225 Amendment to the Distributorship Agreement may be implied into the Distributorship Agreement, Renewal Addendum for 225 Distributors, or this 225 Amendment to the Distributorship Agreement. Except as expressly set forth herein or in the Renewal Addendum for 225 Distributors, no amendment, change or variance to the Distributorship Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing.

b. Section 8.d of the 225 Amendment is hereby null and void and shall have no force or effect.

7. **Mutual Releases.** Matco and Distributor hereby enter into the following mutual releases.

a. By Distributor. Distributor (on behalf of its Principal Owner) hereby releases and forever discharges Matco, Matco's affiliates, and each of their respective past and current officers, directors, agents, and employees (collectively, the "**Matco Parties**") from any and all claims, demands, liabilities, and causes of action of whatever kind or nature, vested or contingent, known or unknown, suspected or unsuspected, which Distributor or Principal Owner now owns or holds, or has at any time heretofore owned or held, or may at any time own or hold against the Matco Parties arising prior to and including the date of this Renewal Addendum which relates in any way to: (a) the Old Agreement, including, but not limited to, the entry into the Old Agreement; (b) the operation by Distributor of the Distributorship pursuant to the Old Agreement; (c) the relationship between Matco and Distributor, or between Matco and Principal Owner; and (d) the execution of this Renewal Addendum and the Distributorship Agreement (collectively, the "**Distributor Released Claims**"), provided that nothing in this Renewal Addendum is intended to terminate, or release claims or obligations under, the Distributorship Agreement or to release claims which cannot be released pursuant to an applicable franchise law statute. Distributor represents and warrants that it acknowledges and agrees that Distributor (or Principal Owner) may in the future learn of facts in addition to or different from those which it now knows or believes to be true with respect to the subject matter of this Section 7.a, but that nonetheless, it is the intention of Distributor and Principal Owner to fully, finally, and forever settle and release all of the Distributor Released Claims.

b. By Matco. Matco hereby releases and forever discharges Distributor, its affiliates, Principal Owner, and each of their respective past and current officers, directors, agents, and employees (collectively, the “**Distributor Parties**”) from any and all claims, demands, liabilities, and causes of action of whatever kind or nature, vested or contingent, known or unknown, suspected or unsuspected, which Matco now owns or holds, or has at any time heretofore owned or held, or may at any time own or hold against the Distributor Parties arising prior to and including the date of this Renewal Addendum which relates in any way to: (a) the Old Agreement, including, but not limited to, the entry into the Old Agreement; (b) the operation by Distributor of the Distributorship pursuant to the Old Agreement; (c) the relationship between Distributor and Matco, or between Matco and Principal Owner; and (d) the execution of this Renewal Addendum and the Distributorship Agreement (collectively, the “**Matco Released Claims**”), provided that nothing in this Renewal Addendum is intended to terminate, or release claims or obligations under, the Distributorship Agreement or to release claims which cannot be released pursuant to an applicable franchise law statute. Matco represents and warrants that it acknowledges and agrees that Matco may in the future learn of facts in addition to or different from those which it now knows or believes to be true with respect to the subject matter of this Section 7.b, but that nonetheless, it is the intention of Matco to fully, finally, and forever settle and release all of the Matco Released Claims.

c. The releases in Section 7.a and 7.b above do not apply to any monies which may be owed by Matco to Distributor or by Distributor to Matco in the ordinary course of business under the Old Agreement.

d. *If Distributor operates in the State of California, and/or if Principal Owner resides in the State of California, then this Section 7.d shall apply:* Claims under Section 1542. Distributor (for itself and on behalf of the Principal Owner) and Matco expressly state that it is their intention in executing the mutual releases included in Section 7.a and 7.b above that these releases shall be effective as a bar to the Distributor Released Claims and Matco Released Claims as prescribed by Section 1541 of the California Civil Code. Distributor (for itself and on behalf of the Principal Owner) and Matco warrant that they are familiar with and have been advised by legal counsel concerning the legal effect of Section 1542 of the California Civil Code, and that Distributor (for itself and on behalf of the Principal Owner) and Matco expressly waive and relinquish all rights and benefits conferred by the provisions of Section 1542 of the California Civil Code, which provides that:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

e. No Assignment of Claims. Matco and the Distributor (for itself and on behalf of the Principal Owner) represent and warrant that they are the sole owners of all claims and rights released hereunder and that they have not assigned or transferred, or purported to assign or transfer, to any person or entity, any suit, claim, controversy, liability, demand, action, or cause of action released under Sections 7.a and 7.b above.

f. The parties agree not to make any claim or take any proceedings against any other Person who might claim contribution or indemnity or assert any other claim or cause of action by any right of law from the Persons discharged by this Renewal

Addendum. For the purpose of this Renewal Addendum, “Person” includes any individual, partnership, limited partnership, joint venture, syndicate, sole proprietorship, company or corporation with or without share capital, unincorporated association, trust, trustee, executor, administrator or other legal or personal representative, regulatory body or agency, government or government agency, authority or entity however designated or constituted.

g. *If Distributor operates in the State of Maryland, and/or if Principal Owner lives in the State of Maryland, then this Section 7.g shall apply:* Distributor and Matco agree that all actions arising under this Mutual Release must be commenced in arbitration in accordance with the terms of the Distributorship Agreement. In the event any claims arising under the Mutual Release with respect to the Maryland Franchise Registration and Disclosure Law, Distributor and Matco agree that all such actions must be commenced in the state or federal court of general jurisdiction in Maryland, and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of or venue in those courts. This Mutual Release shall be interpreted and construed under the laws of the State of Maryland. In the event of any conflict of law, the laws of the State of Maryland shall prevail (without regard to, and without giving effect to, the application of Maryland conflict of law rules).

8. **Acknowledgments.** Distributor (for itself and on behalf of the Principal Owner) acknowledges it has received a copy of this Renewal Addendum sufficiently in advance of executing it to be able to consult with counsel of Distributor’s or Principal Owner’s choosing, and Distributor (for itself and on behalf of the Principal Owner) acknowledges having reviewed and understood this Renewal Addendum prior to executing it. Further, Distributor acknowledges that it received a copy of Matco’s current form of franchise disclosure document required by the Trade Regulation Rule of the Federal Trade Commission entitled “Disclosure Requirements and Prohibitions Concerning Franchising and Business Opportunity Ventures” at least fourteen (14) calendar days prior to the date the Distributorship Agreement and this Renewal Addendum were executed.

9. **Entire Agreement.** This Renewal Addendum constitutes the entire and complete agreement between Matco and Distributor concerning the subject matter hereof, and supersedes any and all prior agreements. No amendment, change, or variance from this Renewal Addendum shall be binding on either party unless mutually agreed to in a writing signed by both parties. The invalidity or unenforceability of any particular provision of this Renewal Addendum will not affect or limit the validity or enforceability of the remaining provisions.

10. **Dispute Resolution.** This Renewal Addendum shall be governed by the provisions for dispute resolution that are included in the Distributorship Agreement.

11. **Ratification of Distributorship Agreement.** This Renewal Addendum forms an integral part of the Distributorship Agreement. Except as modified or supplemented by this Renewal Addendum, the terms of the Distributorship Agreement are hereby ratified and confirmed. This Renewal Addendum shall be binding upon the parties hereto, and their respective heirs, executors, administrators, successors and assigns.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Renewal Addendum, understands and consents to be bound by all of its terms, and agrees it will be effective as of the date first above written.

APPENDIX P: ENHANCED TERRITORY DISTRIBUTORSHIP AMENDMENT

(SIGNING A SUCCESSOR AGREEMENT)

APPENDIX P

**ENHANCED TERRITORY DISTRIBUTORSHIP AMENDMENT
TO
MATCO TOOLS DISTRIBUTORSHIP AGREEMENT
(for Existing Distributors Entering into a Successor Distributorship Agreement)**

This Enhanced Territory Distributorship Amendment (this “Amendment”) to the Matco Tools Distributorship Agreement is entered into this _____, by and between Matco Tools Corporation (“Matco”), a Delaware corporation, and _____, a _____, organized in _____ and having offices at _____ (the “Distributor”).

BACKGROUND

- A. Matco and Distributor entered into a Matco Tools Distributorship Agreement dated _____ (the “Initial Agreement”) which grants Distributor the right to operate a Matco mobile distributorship under the Business System (the “Distributorship”). This Distributorship is referred to in Matco’s records as “Distributorship # _____”.
- B. Distributor and Principal Owner have operated the Distributorship for over ten years. Distributor and Principal Owner have expressed to Matco their desire to continue to operate a Matco distributorship, pursuant to a successor Distributorship Agreement, as provided for in Section 2.2 of the Initial Agreement, but within an enhanced territory, which would include more Potential Customers, a larger List of Calls, proportional increases to the New Distributor Starter Inventory and the minimum sales requirement, and a market penetration requirement. Such distributorships are referred to as “Enhanced Territory Distributorships” or “ETDs.” Distributor and Principal Owner acknowledge that the ETD is a relatively untested, experimental variation of the Matco distributorship.
- C. Matco has agreed to grant Distributor a successor Distributorship Agreement dated _____ (the “Successor Agreement”), pursuant to Section 2.2 of the Initial Agreement. Matco and Distributor have executed the Successor Agreement, along with such other agreements and documents as are required by Matco pursuant to Section 2.2 of the Initial Agreement.
- D. Matco has provided Distributor with Matco’s current Franchise Disclosure Document with an issuance date of _____ (the “FDD”).
- E. Attached as Exhibit B to this Amendment is a summary of the ETD provided to the Distributor and Principal Owner by Matco on _____, which describes the ETD’s variations from the standard Matco distributorship.
- F. Distributor and Principal Owner desire to operate an ETD, and Matco and Distributor (together with the Principal Owner) desire to modify the Agreement accordingly.

AGREEMENT

In consideration of the mutual promises contained in this Amendment and the Successor Agreement, the Distributor and Matco agree and contract as follows:

1. Enhanced Territory Distributorship. Distributor (together with its Principal Owner) has requested to operate, and Matco has agreed to grant to Distributor the right to operate, an ETD, which will encompass the List of Calls and Number of Potential Customers identified in Exhibit A to this Amendment. Except as expressly set forth in this Amendment, Distributor agrees to be bound by all of the terms and conditions of the Agreement as applicable to the ETD.
2. List of Calls and Number of Potential Customers. Section 1.2 of the Successor Agreement is hereby modified to state that the List of Calls and Number of Potential Customers that Matco provides as Exhibit A to this Amendment and the Successor Agreement will not have 325 Potential Customers, but will have, as of the date of this Amendment, a minimum number of at least _____ (____) Potential Customers. The specific number of Potential Customers will be identified in Exhibit A hereto. All other caveats, descriptions, limitations, terms, and conditions regarding and applicable to the List of Calls and Number of Potential Customers described in Section 1.2 of the Successor Agreement are applicable to the ETD.
3. Inventory, Sales, and Purchase Requirements. Sections 3.3.1 through 3.3.3 of the Successor Agreement are hereby deleted in their entirety, and are replaced with the following:

3.3 Inventory, Sales, and Purchase Requirements.

- 3.3.1 The Distributor will at all times maintain an inventory of Products sufficient to meet its obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of its existing and potential customers, especially in terms of product availability and timeliness of delivery. The New Distributor Starter Inventory shall be modified and increased to a level that is higher than that of a standard Distributorship, commensurate with an increased number of Potential Customers, in an amount set forth in Exhibit A to the Amendment. Upon signing this Amendment, Distributor's inventory level should be at or in excess of the amount set forth in Exhibit A. At all times thereafter during the Term, the Distributor is solely responsible for determining the inventory of Products best suited to meet the needs and expectations of its customers and to meet its sales and promotional obligations hereunder.
- 3.3.2 The Distributor must use its best efforts and actively market, promote, and sell Products to Potential Customers on the List of Calls. To be deemed to be meeting its marketing, promotion and sales obligations, the Distributor should be selling, on average on a weekly basis, Matco Products in an amount which meets or exceeds either (a) _____ (____%) of the "National Distributor Sales Average" (or "NDSA"), or (b) _____ (____%) of the "District Distributor Sales Average" (or "DDSA") for the Distributor's district, whichever is lower. As part of this performance assessment, Matco will calculate the sales averages based on the Distributor's twelve (12) month rolling average, or, if the Distributor has been operating the Distributorship for less than twelve (12) months, based on the Distributor's year-to date average. The sales averages shall be based on the sales of all Matco Products, as reported by the Distributor through the Matco Distributorship Business System, or the then-current required reporting system.

- 3.3.3. The Distributor must maintain a minimum of 60 percent (60%) ratio of a calculation of the Distributor's year-to-date purchases divided by the Distributor's year-to-date sales.

The parties acknowledge that the “___%” requirement in Subsection 3.3.2 above was calculated as a percentage of 80% of the NDSA or DDSA as described in Exhibit A hereto.

4. Distributor Acknowledgments. The Distributor acknowledges and agrees that:

a. The ETD, with an expanded List of Calls, an increased number of Potential Customers, increased New Distributor Starter Inventory requirement, higher Product sales requirement, and a Minimum Monthly Penetration Rate, is a relatively experimental business opportunity that was introduced in October 2013, and Matco has only offered a limited number of ETDs since October 2013.

b. The Distributor acknowledges and agrees that the increases to the New Distributor Starter Inventory and the minimum Product sales requirement are proportional to the increase in the number of Potential Customers the Distributor is authorized to solicit. By way of example only, if the List of Calls and Number of Potential Customers as of the execution of this Amendment contains 450 Potential Customers, and the standard List of Calls and Number of Potential Customers includes 325 Potential Customers, 450 is 38% greater than 325. Consequently, the New Distributor Starter Inventory amount would be 38% greater than the standard \$80,000 New Distributor Starter Inventory requirement, or \$110,400.

c. The Distributor, as an existing Matco Distributor who has requested and been granted a Successor Agreement, and its Principal Owner, have a full and complete understanding of the Matco distributorship business. The Distributor and Principal Owner has received and read Matco's FDD, the Successor Agreement, and this Amendment in its entirety. The Distributor and Principal Owner have had full and adequate opportunity to discuss the terms and conditions of this Amendment with legal counsel or other advisors of the Distributor and Principal Owner's own choosing; have had ample opportunity to investigate the ETD opportunity; and have had all questions relating to the ETD, including those of any advisor, answered to the Distributor's and Principal Owner's satisfaction, including the differences between the Enhanced Territory Distributorship and a standard Matco Tools distributorship.

d. The ETD opportunity differs from a standard Matco Tools distributorship in several significant ways, including, without limitation, a greater number of Potential Customers, more stops on the List of Calls, additional initial inventory requirements, additional Product sales requirements, and a minimum monthly market penetration requirement. These differences are likely to have a significant effect on the Distributorship business, and the Distributor and Principal Owner are prepared for these differences. Neither the Distributor nor the Principal Owner have relied on any financial performance data in the FDD, or obtained anywhere else, because the business is an existing Matco Tools distributorship that has been owned and operated by Distributor and Principal Owner prior to signing this Amendment.

5. Miscellaneous.

a. Counterparts. This Amendment may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

b. Captions. All captions in this Amendment are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision in this Amendment.

c. Recitals. The recitals and “Background” are an integral part of this Amendment and may be relied upon to interpret and/or enforce this Amendment.

d. No Other Changes; Ratification of Successor Agreement. Except as specifically set forth herein, there are no other changes to the Successor Agreement and all other terms and conditions of the Successor Agreement are hereby ratified.

e. Effectiveness of Amendment. The Distributor acknowledges that this Amendment will become effective and binding only upon acceptance and execution by Matco in the State of Ohio.

f. Defined Terms. All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Successor Agreement.

6. Entire Agreement. The Successor Agreement, this Amendment, and the documents referred to herein constitute the entire, full and complete agreement between the parties concerning the matters covered in the Successor Agreement and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by the Successor Agreement and this Amendment, other than those set forth in this Amendment. No obligations or duties that contradict or are inconsistent with the express terms of the Successor Agreement and this Amendment may be implied into Successor Agreement or this Amendment. Except as expressly set forth herein, no amendment, change or variance from this Amendment shall be binding on either party unless mutually agreed to by the parties and executed in writing.

List of Calls

The specific List of Calls and Number of Prospective Customers is attached to this Exhibit A.

The number of Prospective Customers is: [REDACTED].

The New Distributor Starter Inventory shall consist of at least \$ [REDACTED] worth of Products, which shall include the amounts and types of Products Matco specifies.

The “[REDACTED]” percentage for NDSA and DDSA, in Paragraph 3 of this ETD Amendment, is [REDACTED]%. The parties acknowledge that this percentage was calculated as follows:

- The number of Potential Customers is [REDACTED], which is [REDACTED]% of 325. Therefore, the percentage above was calculated as [REDACTED]% of the 80% of the NDSA or DDSA, or [REDACTED]%.

By way of example, if Exhibit A lists 545 Potential Customers, then the percentage for calculating compliance with the NDSA or DDSA would be $545 \div 325 = 167.69\%$. By rounding to a whole number, the percentage is 168%. And, 168% of 80% is equal to 134%. If the actual NDSA or DDSA for the most recent fiscal year end was \$4,000, the Distributor would be obligated to generate gross sales equal to 134% of the NDSA or DDSA, which would be 134% of \$4,000, which equals \$5,360.

Exhibit B
to
ETD Amendment

Summary of Enhanced Territory Distributorship

The following are certain aspects of the ETD that differ from the standard Matco Distributorship:

Matco has determined that certain existing Distributors are soliciting customers outside of, or in addition to, their List of Calls. Matco, the Distributor, and the Principal Owner seek to enhance Distributor's existing List of Calls to include such additional existing or Potential Customers, provided that Distributor maintains sufficient inventory to adequately service such customers, and provided that the Distributor's sales of Matco Products are on par with sales of Matco Products achieved by other system franchisees (taking into account the increased List of Calls and Potential Customers to be serviced by the Distributor).

Matco has determined that it may grant a very limited number of distributorships with enhanced Lists of Calls, and refers to Distributorships with an enhanced List of Calls as "Enhanced Territory Distributorships" or "ETDs."

Matco will not grant an ETD to a Distributor unless the Distributor and its Principal Owner is specifically advised of the nature and scope of the ETD opportunity, and the Distributor and Principal Owner have specifically requested an ETD. Matco is granting the ETDs described in this summary and the Enhanced Territory Distributorship Amendment at Distributor's and Principal Owner's request, and on a very limited, exploratory basis. Matco expects that most of the aspects and elements of a Distributorship will apply to an ETD, except:

- a. There will be a greater number of Potential Customers on the List of Calls.
- b. The required initial inventory will be greater than that of a standard Matco Distributorship, depending on the minimum number of Potential Customers).
- c. The ETD Distributor will be subject to a higher National Distributor Sales Average (or "NDSA") or District Distributor Sales Average (or "DDSA") compliance target. By way of example, if Exhibit A lists 545 Potential Customers, then the percentage for calculating compliance with the NDSA or DDSA would be $545 \div 325 = 167.69\%$. By rounding to a whole number, the percentage is 168%. And, 168% of 80% is equal to 134%. If the actual NDSA or DDSA for the most recent fiscal year end was \$4,000, the Distributor would be obligated to generate gross sales equal to 134% of the NDSA or DDSA, which would be 134% of \$4,000, which equals \$5,360.

Distributor (for itself and on behalf of its Principal Owner) acknowledges and agrees that (a) the above is just a summary, (b) the ETD is experimental, (c) Matco has not offered ETD distributorships prior to October 2013, (d) the Distributor is an existing Matco distributor that understands the Matco business system, and (e) the Distributor and its Principal Owner requested to convert to the ETD, and (f) there may be other differences in the ETD business that are not noted or summarized above and Distributor and Principal Owner are prepared for those unexpected changes.

3. Inventory, Sales, and Purchase Requirements. Sections 3.3.1 through 3.3.3 of the Agreement are hereby deleted in their entirety, and are replaced with the following:

3.3 **Inventory, Sales, and Purchase Requirements.**

3.3.1 The Distributor will at all times maintain an inventory of Products sufficient to meet its obligations to promote and sell a full line of Matco Products and to meet the expectations and needs of its existing and potential customers, especially in terms of product availability and timeliness of delivery. The New Distributor Starter Inventory shall be modified and increased to a level that is higher than that of a standard Distributorship, commensurate with an increased number of Potential Customers, in an amount set forth in Exhibit A to the Amendment. Upon signing this Amendment, Distributor's inventory level should be at or in excess of the amount set forth in Exhibit A. At all times thereafter during the Term, the Distributor is solely responsible for determining the inventory of Products best suited to meet the needs and expectations of its customers and to meet its sales and promotional obligations hereunder.

3.3.2 The Distributor must use its best efforts and actively market, promote, and sell Products to Potential Customers on the List of Calls. To be deemed to be meeting its marketing, promotion and sales obligations, the Distributor should be selling, on average on a weekly basis, Matco Products in an amount which meets or exceeds either (a) _____ (____%) of the "National Distributor Sales Average" (or "NDSA"), or (b) _____ (____%) of the "District Distributor Sales Average" (or "DDSA") for the Distributor's district, whichever is lower. As part of this performance assessment, Matco will calculate the sales averages based on the Distributor's twelve (12) month rolling average, or, if the Distributor has been operating the Distributorship for less than twelve (12) months, based on the Distributor's year-to-date average. The sales averages shall be based on the sales of all Matco Products, as reported by the Distributor through the Matco Distributorship Business System, or the then-current required reporting system.

3.3.3. The Distributor must maintain a minimum of 60 percent (60%) ratio of a calculation of the Distributor's year-to-date purchases divided by the Distributor's year-to-date sales.

The parties acknowledge that the "____%" requirement in Subsection 3.3.2 above was calculated as a percentage of 80% of the NDSA or DDSA as described in Exhibit A hereto.

4. Distributor Acknowledgments. The Distributor acknowledges and agrees that:

a. The ETD, with an expanded List of Calls, an increased number of Potential Customers, an increased New Distributor Starter Inventory requirement, higher Product sales requirement, and a Minimum Monthly Penetration Rate, is a relatively experimental business opportunity that was introduced in October 2013, and Matco has only offered a limited number of ETDs since October 2013.

b. The Distributor acknowledges and agrees that the increases to the New Distributor Starter Inventory and the minimum Product sales requirement are proportional to the increase in the number of

Potential Customers the Distributor is authorized to solicit. By way of example only, if the List of Calls and Number of Potential Customers as of the execution of this Amendment contains 450 Potential Customers, and the standard List of Calls and Number of Potential Customers includes 325 Potential Customers, 450 is 38% greater than 325. Consequently, the New Distributor Starter Inventory amount would be 38% greater than the standard \$80,000 New Distributor Starter Inventory requirement, or \$110,400.

c. The Distributor, as an existing Matco Distributor who has requested and been granted an Amended Agreement, and its Principal Owner, have a full and complete understanding of the Matco distributorship business. The Distributor and Principal Owner have received and read Matco's FDD, the Distributorship Agreement, and this Amendment in its entirety. The Distributor and Principal Owner have had full and adequate opportunity to discuss the terms and conditions of this Amendment with legal counsel or other advisors of the Distributor and Principal Owner's own choosing; have had ample opportunity to investigate the ETD opportunity; and have had all questions relating to the ETD, including those of any advisor, answered to the Distributor's and Principal Owner's satisfaction, including the differences between the Enhanced Territory Distributorship and a standard Matco Tools distributorship.

d. The ETD opportunity differs from a standard Matco Tools distributorship in several significant ways, including, without limitation, a greater number of Potential Customers, more stops on the List of Calls, an increased New Distributor Starter Inventory requirement, additional Product sales requirements, and a minimum monthly market penetration requirement. These differences are likely to have a significant effect on the Distributorship business, and the Distributor and Principal Owner are prepared for these differences. Neither the Distributor nor the Principal Owner have relied on any financial performance data in the FDD, or obtained anywhere else, because the business is an existing Matco Tools distributorship that has been owned and operated by Distributor and Principal Owner prior to signing this Amendment.

5. Miscellaneous.

a. Counterparts. This Amendment may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

b. Captions. All captions in this Amendment are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision in this Amendment.

c. Recitals. The recitals and "Background" are an integral part of this Amendment and may be relied upon to interpret and/or enforce this Amendment.

d. No Other Changes; Ratification of Agreement. Except as specifically set forth herein, there are no other changes to the Agreement and all other terms and conditions of the Agreement are hereby ratified.

e. Effectiveness of Amendment. The Distributor acknowledges that this Amendment will become effective and binding only upon acceptance and execution by Matco in the State of Ohio.

f. Defined Terms. All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Agreement.

6. Entire Agreement. The Agreement, this Amendment, and the documents referred to herein constitute the entire, full and complete agreement between the parties concerning the matters covered in the Agreement and supersede any and all prior or contemporaneous negotiations, discussions, understandings

or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by the Agreement and this Amendment, other than those set forth in this Amendment. No obligations or duties that contradict or are inconsistent with the express terms of the Agreement and this Amendment may be implied into Agreement or this Amendment. Except as expressly set forth herein, no amendment, change or variance from this Amendment shall be binding on either party unless mutually agreed to by the parties and executed in writing.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be signed on the date set forth above.

List of Calls

The specific List of Calls and Number of Prospective Customers is attached to this Exhibit A.

The number of Prospective Customers is: [REDACTED].

The New Distributor Starter Inventory shall consist of at least \$ [REDACTED] worth of Products, which shall include the amounts and types of Products Matco specifies.

The “[REDACTED]” percentage for NDSA and DDSA, in Paragraph 3 of this ETD Amendment, is [REDACTED]%. The parties acknowledge that this percentage was calculated as follows:

- The number of Potential Customers is [REDACTED], which is [REDACTED]% of 325. Therefore, the percentage above was calculated as [REDACTED]% of the 80% of the NDSA or DDSA, or [REDACTED]%.

By way of example, if Exhibit A lists 545 Potential Customers, then the percentage for calculating compliance with the NDSA or DDSA would be $545 \div 325 = 167.69\%$. By rounding to a whole number, the percentage is 168%. And, 168% of 80% is equal to 134%. If the actual NDSA or DDSA for the most recent fiscal year end was \$4,000, the Distributor would be obligated to generate gross sales equal to 134% of the NDSA or DDSA, which would be 134% of \$4,000, which equals \$5,360.

[See next page(s) for List of Calls.]

Summary of Enhanced Territory Distributorship

The following are certain aspects of the ETD that differ from the standard Matco Distributorship:

Matco has determined that certain existing Distributors are soliciting customers outside of, or in addition to, their List of Calls. Matco, the Distributor, and the Principal Owner seek to enhance Distributor's existing List of Calls to include such additional existing or Potential Customers, provided that Distributor maintains sufficient inventory to adequately service such customers, and provided that the Distributor's sales of Matco Products are on par with sales of Matco Products achieved by other system franchisees (taking into account the increased List of Calls and Potential Customers to be serviced by the Distributor).

Matco has determined that it may grant a very limited number of distributorships with enhanced Lists of Calls, and refers to Distributorships with an enhanced List of Calls as "Enhanced Territory Distributorships" or "ETDs."

Matco will not grant an ETD to a Distributor unless the Distributor and its Principal Owner are specifically advised of the nature and scope of the ETD opportunity, and the Distributor and the Principal Owner have specifically requested an ETD. Matco is granting the ETDs described in this summary and the Enhanced Territory Distributorship Amendment at Distributor's and Principal Owner's request, and on a very limited, exploratory basis. Matco expects that most of the aspects and elements of a Distributorship will apply to an ETD, except:

- a. There will be a greater number of Potential Customers on the List of Calls.
- b. The required initial inventory will be greater than that of a standard Matco Distributorship, depending on the minimum number of Potential Customers).
- c. The ETD Distributor will be subject to a higher National Distributor Sales Average (or "NDSA") or District Distributor Sales Average (or "DDSA") compliance target. By way of example, if Exhibit A lists 545 Potential Customers, then the percentage for calculating compliance with the NDSA or DDSA would be $545 \div 325 = 167.69\%$. By rounding to a whole number, the percentage is 168%. And, 168% of 80% is equal to 134%. If the actual NDSA or DDSA for the most recent fiscal year end was \$4,000, the Distributor would be obligated to generate gross sales equal to 134% of the NDSA or DDSA, which would be 134% of \$4,000, which equals \$5,360.
- d. The ETD Distributor must make sales to at least fifty five percent (55%) of the Potential Customers on ETD Distributor's List of Calls each month (the "Minimum Monthly Penetration Rate").
- e. Matco retains the right to conduct periodic reviews of the ETD Distributor's performance, to ensure that ETD Distributor adequately develops its enhanced market by meeting the Minimum Monthly Penetration Rate.
- f. If the average Minimum Monthly Market Penetration Rate during any 12 month period (the "Average Annual Market Penetration Rate") falls below 55%, Distributor shall have a period of 6 months within which to increase the Average Annual Market Penetration Rate to 55%, as measured by the trailing 12 months. Should Distributor fail to meet the Average Annual Market Penetration Rate, and cure such default within 6 months, in addition to any other rights and remedies available to Matco under the

Agreement and applicable law, Matco shall have the right to reduce the Potential Customers Distributor is authorized to solicit, and List of Calls Distributor is authorized to make under the Agreement.

Distributor acknowledges and agrees that (a) the above is just a summary, (b) the ETD is experimental, (c) Matco has not offered ETD distributorships prior to October 2013, (d) the Distributor is an existing Matco distributor that understands the Matco business system, and (e) the Distributor requested to convert to the ETD, and (f) there may be other differences in the ETD business that are not noted or summarized above and Distributor is prepared for those unexpected changes.

Distributor Expense Worksheet

This is a template worksheet that is intended to assist a prospective distributor in its evaluation of the Matco franchised Distributorship business opportunity. This is not required, and can be just one tool in the diligence process. As noted in Item 7 of the FDD, Matco recommends that all prospective distributors contact existing distributors to learn about their businesses. The references to Items in the FDD are included to assist you in your evaluation and due diligence of the business opportunity. If you contact, meet, and even ride with, existing distributors, please do not assume that your Matco Distributorship, your route, your prospective customer or actual customers, or the areas in which you will operate, will be the same as or similar to the current distributors with whom you meet or ride with. You should conduct your own investigation about the business and the proposed route that you might operate, and do so in conjunction with your personal business, financial, and legal advisors.

Additional Notes and Explanations:

1. You should estimate this number based on your evaluation of the Matco Distributorship business. Matco will not provide this figure, nor any estimate or range. We recommend that you speak with existing Matco distributors, and investigate the mobile tool business industry. You may wish to review Item 19 of the FDD, however, those figures are not, and should not be treated as, estimates or predictions of revenue or Completed Business for you or any other distributor. Also, if you discuss Completed Business with a Matco distributor, or you review Item 19, please remember that any estimate of your Completed Business is a gross sales or revenue figure, and you should deduct sales tax – which varies from state to state – to help you arrive at a more appropriate figure.
2. As discussed in Item 8, Matco sells inventory to distributors at a discount from the recommended list price. (Distributors may sell products to customer at any retail prices they choose.) The Weighted Average Discount can be used to estimate the wholesale cost of products sold that comprise Completed Business.
3. Item 7 of the FDD identifies various categories of expenses that a new Matco distributor is likely to incur, and most of them are expressed as a range. Many of the expense items in this Worksheet can also be found in Item 7. Please review the Item 7 notes carefully. In addition, most of the expense items in Item 7 are expressed as costs for the first three months of operations. Therefore, if you are evaluating the Matco business opportunity on an annual basis, you should annualize whatever figures you use in this worksheet.
4. Matco may finance your purchase of inventory. Matco financing is discussed in Item 10 of the FDD, as well as in Items 5 and 7. Financing, including the amount and the weekly, monthly, and annual costs, will vary based on many factors that are specific to a distributor's situation. Please consult with your financial advisor in developing an appropriate estimate for financing costs.
5. Item 7 includes an "Additional Funds" category, along with explanatory notes. Please review the Additional Funds description and notes as you estimate these various expense items.
