What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may for you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
2. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and a loss of your investment.

Certain states may require other risks to be highlighted. If so, check the "State Specific Addenda" pages for your state.

INFORMATION FOR RESIDENTS OF THE STATE OF MICHIGAN

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

(A) A prohibition of the right of a franchisee to join an association of franchisees.

(B) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(C) A provision that permits a franchisor to terminate a franchise prior to the expiration of its terms except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice hereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.

(D) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months notice of franchisor's intent not to renew the franchise.

(E) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(F) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside the state.

(G) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include but is not limited to:

(i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualification or standards.

(ii) the fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(H) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(I) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

Any questions regarding this notice should be directed to the Attorney General's Department for the State of Michigan, Consumer Protection Division, Franchisor Section, 670 Law Building, 525 W. Ottawa Street, Lansing, Michigan 48913, 517-373-7117.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor is Hounds Mounds, Inc., a Texas corporation. For ease of reference, Hounds Mounds, Inc. will be referred to as "we" or "us" in this Disclosure Document. We will refer to the person who buys the franchise as well as your owners if you are a corporation, partnership or other entity as "you" throughout the Disclosure Document. If you are a corporation, partnership or other entity, certain provisions of our Franchise Agreement also apply to your owners and will be noted.

We are a Texas corporation incorporated on November 15, 2005 under the name "Hounds Mounds, Inc." Since inception, our principal business address has been 3824 Cedar Springs Rd, Ste 200, Dallas, TX 75219. Our agents for service of process are listed in Exhibit A.

We have no parent or affiliates that offer franchises in any line of business or provide products or services to the franchisees of the franchisor.

We have no predecessors or affiliates.

Our Business:

We offer Poop 911 franchises, granting the right to operate a pet waste removal service business under our trade name of "Poop 911". Operating and franchising Poop 911 pet waste removal service businesses is our only business. Although we intend to concentrate on the direct marketing of pet waste removal services through a system of independent franchisees, we reserve the right to develop alternative methods of distribution of pet waste removal services and related pet products.

We do not engage in any other business activities other than the sale of Poop 911 franchises, the oversight of the Poop 911 franchise system and the operation of the back office administration, scheduling and customer billing services we provide. Since November 2005, we have owned and continue to operate a pet waste removal service business in the Dallas/Fort Worth metropolitan area that is substantially similar to the Poop 911 franchise business. We offered a business opportunity that some states have determined is a franchise from March 2008 to February 2012. We have been offering this current franchise format since September 30, 2012.

The Poop 911 Franchise Business:

The Poop 911 pet waste removal service business is designed to allow franchisees in the pet waste removal industry to build a strong customer base quickly. Our goal is to grant franchises to individuals who have the desire, common sense and general business acumen to operate a Poop 911 franchise business. Each franchisee works independently either alone or with their employees within an exclusive territory. A Poop 911 franchise is a mobile business that typically is based at the franchisee's home and operates from its vehicle(s), although a commercial office is also an option. The franchisee must oversee or perform a substantial portion of the work. Each Franchise Business provides pet waste removal services, primarily to residential customers as well as home owner associations, apartment complexes and commercial properties. We provide extensive marketing through our web site, a central call and scheduling center and a website for the franchise system. Appointments for service are made into the system and routing and customer billing provided through our automated BARCS system.

The franchisee will develop customer accounts within the exclusive territory we grant. So long as certain conditions are met, the customers you service within your territory will be exclusive to your business, except for those customers whose requirements you are unable to meet or that you decline to serve.

We provide a complete package of back office support services for the Poop 911 franchisee to start business immediately upon completion of training. We have developed a unique software platform and part of the back office support that we provide you is access to our Billing, Administration, Routing, Customer Scheduling program (BARCS). With minimal administrative requirements, you may maintain an office in your home or you may lease office space in a commercial building, typically an office suite. You will focus your efforts on marketing Poop 911 pet waste removal services, developing, maintaining and servicing customer accounts. While you may employ full or part-time employees, you must still oversee or perform a substantial portion of the day to day operations/work yourself. You determine your business schedule following the guidelines set forth in the Operations Manual. The BARCS central routing, scheduling and billing system allows you to manage the work schedule of your Business via the franchise system website. Customer service and sales skills are necessary for a successful Business. Your customers are typically the general public who own or rent a home or apartment, as well as home owner associations, apartment complexes and commercial properties. We provide caps, T shirts and promotional items and media as part of the package. Our back office support and BARCS services relieve you of much of the administrative and recordkeeping burdens typical of small businesses as well as to provide some support personnel.

We will offer franchises solely under the terms of individual Franchise Agreements depending upon our evaluation of your desires, qualifications, general business background and ability to finance or obtain financing for your franchise business. To qualify, applicants must satisfy us that they have the ability, business experience, a strong work ethic and a reasonable business plan to enable them to develop a successful pet waste removal business.

The Poop 911 business is a service that we have developed and operated. We anticipate further developing this concept as franchises expand. Poop 911 businesses markets primarily to pet owners who reside in single family dwellings, as well as home owner associations, apartment complexes and commercial properties. The pet waste removal services business is highly competitive. You should expect to compete with national, regional and local franchised pet waste removal businesses and a variety of local independent businesses that offer a selection of pet waste removal and personnel services.

Competition

Although a relatively new industry, there is considerable competition for pet waste removal services. It varies considerably throughout the country, and depends upon the market. You should expect competition with national franchise systems, regional companies and a variety of local independent operators that offer pet waste removal services. We do expect our franchisees to comply with any changes we implement to keep the Poop 911 businesses growing and competitive.

Industry Laws and Regulations

We are not aware of any laws or regulations specific to the pet waste removal business, but you must comply with all local, state and federal laws regulating your business and remain current on best practices and compliance with state and federal employment and labor laws as they may develop. You will also be responsible for staying abreast of and complying with employment, workers' compensation, insurance, corporate, tax, and similar laws and regulations, as well as any federal, state,

or local laws of a more general nature that may affect the operation of your franchised business. We recommend that you consult with state and county officials and your business and legal advisors for further information about applicable laws and required permits. Many local governments also require business licenses and other local statutory requirements. You are strongly advised to thoroughly investigate such laws for the state and city in which you intend to operate the Franchise Business. You must comply with all local, state and federal laws regulating your business.

Prior Business Experience:

We own and have operated one pet waste removal business similar to our franchise in Dallas, Texas, since November 2005. Our founder, Geoffrey Bodle has directed the establishment and operation of pet waste removal services in Texas since 2005.

Other Lines of Business

We have not offered franchises in other lines of business.

Item 2

BUSINESS EXPERIENCE

Geoffrey Bodle - President and Secretary:

Mr. Bodle has been our Chairman and President since we were incorporated in November 2005. He also serves as a Business Consultant for Ernst & Young in Dallas, Texas since July 2004.

Item 3

LITIGATION

Except as described below, no litigation is required to be disclosed in this Item,.

On August 13, 2013, Hounds Mounds, Inc. (Claimant) filed a demand for arbitration with the American Arbitration Association for breach of contract against a former franchisee Adrian Finch (Respondent) in the Ft. Lauderdale, Florida area, who had abandoned his franchised business and claimed to terminate the franchise agreement. [AAA Case #71-20-1300-0449] Hounds Mounds, Inc. dba Poop 911 vs Adrian Finch.] Claimant subsequently amended the arbitration demand to include claims for trademark infringement under both state trademark law and the Lanham Act, as well as unfair competition, fraud, tortious interference with contractual relations, and breach of the implied covenant of good faith and fair dealing. Claimant sought actual and consequential damages, declaratory relief, lost profits and punitive damages for wilful and malicious conduct. Respondent filed a general denial response and request for a continuance in the arbitration. On April 18, 2016, the arbitrator found that, since neither party could provide evidence that a signed franchise agreement ever existed and insufficient evidence was offered to support the damage claims although Respondent may have breached some terms in the unsigned franchise agreement, no damages were awarded. Because Claimant was deemed to have abandoned the general Ft. Lauderdale area and the non-competition clause overly broad, no injunction was granted. Administrative fees of \$7,889 and arbitrator fees of \$5,250.00 were ordered borne equally, with Respondent ordered to reimburse Claimant \$6569.50 for excess fees it incurred.

On September 30, 2013, Finch filed a complaint, Adrian vs Hound Mounds, Inc. in the 17th Judicial Circuit Court in Ft. Lauderdale, Broward County, Florida, Case No. CACE13021959 alleging violations of the Florida Deceptive and Unfair Trade Practices act and the Florida Franchise Act. Hounds Mounds, Inc. filed a motion to stay the suit pending arbitration under the Florida Arbitration Act. On October 16, 2018, a Final Order and Directions to the Clerk to Close the Case was issued, dismissing the case without prejudice for lack of prosecution.

Item 4

BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

Item 5

We will issue standards to you and suppliers if needed upon request. We will notify you of any approvals and disapprovals in writing.

Approved Vendors

To obtain our approval of a vendor who desires to obtain an Approved Vendor designation, you or the vendor must submit to us the information we consider appropriate, including financial and business condition and reputation, facilities, insurance, credit rating; as well as appropriate service or product information. The cost of review, evaluation and any testing of this information and sampling will be your obligation or that of the vendor seeking approval. Within twenty (20) days of receipt of all required information, we will advise you or the applying vendor of our decision in writing. We will not unreasonably withhold our approval, but the final decision is solely within our discretion.

At present, we derive no income from franchisees' purchases from any approved vendor because there are no purchases made directly from us. We do not receive any money, rebates or advertising allowances from approved suppliers, but may do so in the future. Neither we, nor any of our officers owns an interest in any approved supplier, except that our President Geoffrey Bodle owns the website "poopbutler.com," a directory of pet waste removal suppliers.

We are currently the sole approved vendor for the trademarked and logo items used in the Poop 911 Business. At this time, those items are logoed sticky note pads and occasional promotional items. We control the purchase of these items to assure protection of our trademarks, trade secret rights and for quality control and uniformity of products and services within the franchise system. We sell the promotional items at or below competitive market prices where similar items may exist. Occasionally we may consent to your request to have our logo applied to an item you purchase from a local vendor, but we are not obligated to do so.

Revenues from Purchases

We do not provide you with any material benefit, if you use our recommended or approved suppliers. During our last fiscal year ending 12/31/22 we had total revenues of \$21,150,610 all of which consisted of revenue from the royalties (commissions) charged to franchisees. All of your required purchases represent 83% percent of your total purchases in connection with the establishment of your Business and approximately 1% of your overall purchases in operating the Business. However, you will make few purchases during the operation of your Business, and none of them will be from approved vendors, unless a replacement vehicle wrap is necessary. We also do not currently receive payments or other compensation from an approved vendor based on our franchisees' purchases, although we reserve the right to do so.

Advertising

You must conduct, in a professional and dignified manner, all marketing and promotion of any kind and in any medium and must conform to our specified standards. We must approve all advertising and promotional materials before you may use them. If you do not receive our written approval within 30 days, we will deemed to have given the required approval.

Insurance

Before you open your office, you must obtain the insurance coverage specified in the Franchise Agreement. You must maintain this coverage for the duration of the franchise. You must also furnish us with copies of all insurance policies showing the coverage and payment of premiums required by your Franchise Agreement and then continue to provide renewal certificates. All insurance must be obtained from a responsible carrier acceptable to us holding a Best's rating of not less than A- and must name us as additional named insureds and include a waiver of subrogation rights in a form acceptable to Us. You must maintain all insurance required by law, as well as commercial general liability and automobile insurance for our current requirements of not less than One Million Dollars (\$1,000,000.00) each, together with property damage liability and casualty insurance, inland marine and business risk insurance, all in such policy limits and from such reputable insurers as are reasonably acceptable to Us. We may modify or require additional types and amounts of insurance by revisions in the Manual. You

must also furnish us with copies of all insurance policies showing the coverage and payment of premiums required by your Franchise Agreement and then continue to provide renewal certificates.

No purchasing or distribution cooperatives exist. We do not negotiate purchase agreements with any suppliers for the benefit of franchisees. We may however negotiate with vendors to offer discounts to franchisees for favorable pricing for advertising, mail service, etc. These discounts are negotiated and offered to you at no profit to us. As a pet waste removal services business, Poop 911 Franchise Businesses do not distribute products and make no purchases of any significance or quantity.

Targeted Local Marketing (TLM)- We do not have any advertising fund to which you must contribute nor any specified amount you must spend on advertising in your territory. We do have the right to require you to pay us up to 1% of your gross revenues as a Targeted Local Marketing fee, but currently do not require this. When required, the TLM fee will be used for marketing targeted directly towards your territory and is not a part of any general franchisee advertising fund. If we do require you to pay a TLM fee, we will give you 60 days notice and provide you periodic reports regarding the TLM expenditures directed to your territory. (Franchise Agreement 6.5 and 6.5.1)

The Internet - We maintain a Web site where all Poop 911 businesses are listed. You may not advertise, obtain directory listings or obtain or establish an independent Web page or Web site, unless we give our written consent. This list will be updated periodically when we identify advertising channels that we believe are in the best interest of the franchisee to follow. Time Between Signing of the Agreement and Beginning Operations:

The period of time between the signing of the Franchise Agreement (or the payment of any consideration for the franchise) and the opening of your business varies, depending upon when you schedule training. Because you start business immediately after you complete training, we expect that you will begin one (1) to two (2) weeks after signing your Franchise Agreement. Factors affecting this length of time usually include obtaining a satisfactory site, wrapping your vehicle which must be completed before you begin training, and setting up your office, lease or rental negotiations if applicable, finalizing any financing arrangements, and timing of completion of training.

Training:

We offer a training program comprised of extensive self managed at home and online studies using both online and hard copy materials under our supervision, as well as one day of training in-field with an available franchisee operating nearest you. The total training program, in the field and virtual, lasts approximately one (1) week. We will determine the actual length of training based on our assessment of your needs.

We will try to make training available as necessary for you. You must attend on-site and/or virtual training as we determine is appropriate. You must complete initial training to our satisfaction

before you can start your Poop 911 Business. We have the right to limit availability and to charge a reasonable fee (not yet set in the absence of current retraining demands). We plan to be flexible in scheduling training to accommodate our personnel and you. There currently are no fixed (i.e., monthly or bi-monthly) training schedules. We may require you to attend refresher training courses at times and locations that we designate. You will be responsible for your related traveling and living expenses.

Our training program uses the Operating Manual which is provided through online access and other materials and online media that we may adopt (all part of the “Manual”), with the greatest amount of time spent on “hands on” training. The Table of Contents for the Manual is included as Exhibit D to this Disclosure Document. The Manual currently has a total of 64 pages. Training covers operation and management of the franchise business, managing the customer development, pet waste removal and personnel techniques, marketing, effective use of the BARCS system, our current policies, procedures and operating requirements, as well as general business organization information. Our president, Geoffrey Bodle has primary training responsibilities as well as on-going duties in the company.

We do not charge for training, subject to those limitations summarized immediately above. You are responsible for travel, board, living expenses, any employee salary and costs.

We may require, or you may request additional refresher or retraining courses. This training is subject to availability of training personnel and limited space in scheduled classes. We may provide refresher training at our option for a charge we will determine at that time. Our founder and president, Geoffrey Bodle, supervises our Franchise Support Team and all training. Item 12

TERRITORY

Under the Franchise Agreement:

You must operate your Business within an exclusive area we grant you that is designated by addendum attached to the Franchise Agreement (“the Exclusive Territory”). The Territory deemed appropriate will vary from franchise to franchise. We will determine the Territory by the specific geographic and market factors affecting the Territory and by our overall plan for development of the Territory. These factors include the size and demographics of the local population. We will negotiate your geographic area concurrently with the Franchise Agreement. We will describe the Territory in Exhibit A to the Franchise Agreement. We can define the exclusive Territory by reference to political divisions (town, city, county), by radius (e.g. radius from your home base), by mapped delineation, zip codes and/or by population densities.

Rights Within Exclusive Territory:

The grant of an Exclusive Territory means only you can market and perform Poop 911 pet waste removal services in that Territory. We define all Territories by zip codes, assigning each territory an exclusive list of zip codes in which to operate the Franchised Business. Each territory has a minimum of 250,000 population. However the Territory is defined, you must be in compliance with your Franchise Agreement and any other agreements with us to preserve your exclusive Territory. If the population substantially increases within your Exclusive Territory, and we reasonably decide that another Business is needed to service the general market area adequately, we may reduce the size of your Exclusive Territory.

Your territorial exclusivity is not dependent upon achievement of a certain sales volume, market penetration or any other contingency, with two exceptions:

1. If you twice decline to service customers within your Territory, We may reduce or otherwise adjust Your exclusive Territory as long as it contains at least a population of 250,000. We may then allow other franchisees the opportunity to service and acquire the exclusive rights to the released territory.

2. You must maintain the minimum number of service vehicles we require or we may reduce your Territory. Our policy for number of service vehicles is detailed in the Manual. Currently We require a minimum of one vehicle for every 125 enrolled customers in your Territory.

You must operate your Poop 911 Business solely within the Exclusive Territory we negotiated between us and as described in Exhibit B to the Franchise Agreement. We do not permit use of the Internet, except in the manner that we authorize and provide by means of our Website and other strict standards we may mandate.

Outside of Exclusive Territory: You may not solicit customers outside of the Exclusive Territory. If a customer calls requesting service outside of the Exclusive Territory, you may assist them so long as they are not located in the Exclusive Territory of another franchisee. So long as the customer is located in an Territory not yet awarded to a franchisee, then you may service the customer.

Relocation. You may relocate your office (home or office suite meeting our requirements) anywhere within the Exclusive Territory, so long as you give us prior written notice and it meets our current minimum standards. We have the right to disapprove any proposed relocation. Neither you nor other franchisees may advertise or solicit outside of Exclusive Territory. We are not subject to those restrictions.

Other Channels of Distribution: Although not prohibited from doing so, neither we have any presently formulated plans to operate or franchise any business selling or leasing similar goods or services under a different trademark in the Exclusive Territory or elsewhere.

Major Accounts: We occasionally negotiate Major Account status with companies that 1) operate from two or more locations or 2) are of a size or nature that we determine merits Major Account status. We may at our discretion offer you the opportunity to service a Major Account within or near your Exclusive Territory as they come available through our Major Account status. We will offer you these accounts on an “as needed” basis, which may be once or periodically. If you decline to service the Major Account on the negotiated terms, we may offer the Major Account to someone else if available.

Generally:

We do not allow franchisees to advertise or target solicitation outside of their Exclusive Territory. Nor will we solicit or accept customers from inside the franchisee’s Exclusive Territory unless it qualifies as a Major Account. You may not solicit or accept orders from customers located within the Exclusive Territory of another franchisee unless the other franchisee consents. Therefore, we do not require payment nor do we make such payments of any compensation for sales made or orders solicited in another franchisee's exclusive Territory. We are not subject to these conditions. You may not sell or provide services outside your Exclusive Territory, except with our prior approval. We do not permit use of the Internet, telemarketing, toll free telephone numbers, or other direct marketing except as we specifically approved or direct.

We offer no options, rights of first refusal or similar rights to acquire additional franchises within the Exclusive Territory or contiguous territories. You will not have a right to relocate the franchise outside the Territory or to change your Territory.

Other Channels of Distribution: We have the right to solicit and accept orders for services using our Marks or other products to customers located in your Exclusive Territory without compensation to you, although we are not presently doing so. Neither we, nor other franchisees, may do business with your

customers registered as exclusive. We reserve the right to use the Marks in any other channel of distribution, including the internet, and may sell other similar services and goods under other trademarks.

Item 13

TRADEMARKS

We grant you the non-exclusive right to operate a Poop 911 Business under the name Poop 911 and under any other trademarks, trade names, service marks, designs and logos currently used in the franchised business (the "Marks"). Hounds Mounds, Inc. has applied to register the following Mark on the Principal Register with the United States Patent and Trademark Office (PTO):

We have filed all required affidavits.

All your use of the Marks and any goodwill you establish is to our exclusive benefit. You will keep no right in the Marks on termination or expiration of the Franchise Agreement, nor may you contest their ownership.

You must notify us immediately when you learn of any infringing use or claims of right to names or marks which are the same, or confusingly or deceptively similar to any of our Marks. We are not obligated to, but may in our discretion, take affirmative action to protect our rights and/or yours to the Marks. We are not required to defend you against infringement or to reimburse you for any damages for which you are held liable in any proceeding arising out of your use of the Marks. We do intend to defend our ownership of the marks according to our reasonable business judgment.

We may require that you modify or discontinue use of any Mark. If we do, we are not obligated to reimburse for the costs of changing items such as signs and stationery, or for any other loss or expense caused by the modification or discontinuance. We do not actually know of any superior prior rights or infringing uses which could materially affect your use of the principal Marks in this state or in any state in which the franchised business is to be located.

No agreements materially limit our right to use or license the use of the Marks.

Item 14

The software allows our franchisees to input customers and their schedule commitments and requests into Our central database that allows efficient coordinated management of the Poop 911 pet waste removal services and efficient routing for franchisees' to maximize their schedules.

We will take the action that we think appropriate with respect to our Confidential Information. You must also agree not to contest our interest in our trade secrets. You, or at least one of your Controlling Persons, must attend and satisfactorily complete our training course. We require that you operate and actively supervise your Business on a full time basis. We may designate specific days and hours of operation in the Manual. If we do so, then you must comply with those requirements. **FRANCHISE DISCLOSURE DOCUMENT
and Franchise Agreement**

STATE REGULATIONS AND REQUIREMENTS

FOR RESIDENTS OF THE STATE OF CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Neither the franchisor nor any person or franchise broker identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange. See FDD Item 3.

Item 5 of the FDD is amended to state:

To provide financial assurance of the franchisor's pre-opening obligations, the franchisor has obtained a bond issued by Harco National Insurance Company in the amount of \$50,000. The effective date of the bond is November 25, 2019.

The California Franchise Relations Act (Business and Professions Code Sections 20000 through 20043) (the "Act") provides rights to you concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.). See FDD Item 17.

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law. See Items 9, 14 and 17.

The Franchise Agreement requires application of the law of the State of Texas. This provision may not be enforceable under California law. See Item 17.

Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise

You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043). See FDD Item 17.

Renewal means signing the then current Franchise Agreement which may contain materially different terms and conditions from the original contract.

FOR THE COMMONWEALTH OF VIRGINIA

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, IMPORTANT FRANCHISEE ACKNOWLEDGMENT AND RELATED AGREEMENTS.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by in franchise or, franchise seller or any person acting on behalf of the franchisor. This provision supersedes any term of document executed in connection with the franchise

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hound Mounds Inc. dba Poop 911's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hound Mounds Inc. dba Poop 911's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hound Mounds Inc. dba Poop 911's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statement.

Nature of Operations

Hound Mounds, Inc. dba Poop 911 was incorporated in the state of Texas on November 15, 2005 for the purpose of offering franchises, thus permitting others to develop and operate pet waste removal service franchises within an authorized territory using the trademarked name Poop 911.

Method of Accounting

The Company uses the accrual method of accounting for reporting income and expenses. Under this method, income is recorded as it is earned and expenses are recorded as incurred, resulting in proper matching of income and expenses to determine net income for a specific period of time.

Cash and Cash Equivalents

The Company considers deposits that can be redeemed on demand and investments that have original maturities of less than three months, when purchased, to be cash equivalents.

Accounts Receivable

Trade accounts receivable are stated at the amount management expects to collect from outstanding balances less an allowance for uncollectible accounts. The allowance is based on experience, terms of agreements, and other circumstances affecting the ability of customers to meet their obligations.

The Company provides for probable uncollectible amounts through a provision to bad debt expense and a corresponding amount being added to the valuation allowance based on management’s assessment of the current status of individual accounts. Unpaid amounts that remain after management has pursued reasonable collection efforts are written off through a charge to the allowance for uncollectible accounts and a credit to accounts receivable. Interest is not charged on open accounts. At December 31, 2020 and 2019, management assessed the status of individual accounts and its collection history with customers having outstanding balances of \$62,624 and \$50,766 respectively. They estimated its allowance for uncollectible accounts at \$0.

Income Taxes

The Company does not incur income taxes; instead, its earnings are included in the stockholders’ personal income tax returns and taxed depending on their personal tax situations. The financial statements, therefore, do not include a provision for income taxes. The Company, however, is subject to the Texas Franchise tax.

Note 1 - Summary of Significant Accounting Policies (Continued)

The Financial Accounting Standards Board ("FASB") issued new guidance on accounting for uncertainty in income taxes. The Company adopted this new guidance for the year ended December 31, 2009. Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain positions that require adjustment to the financial statements to comply with the provisions of this guidance. With few exceptions, the Company is no longer subject to income tax examinations by the U.S federal, state or local tax authorities for years before 2017.

Use of Estimates

Preparing the Company's financial statement in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment

Property and equipment are stated at cost. When assets are sold or retired, their cost and related accumulated depreciation are removed from the accounts and any gain or loss is reported in the statements of income and retained earnings.

Depreciation on property and equipment is calculated on the straight-line method over the following estimated useful lives:

Equipment	5 years
Furniture and fixtures	7 years
Vehicles	5 years
Software	3 years

Revenue Recognition

In May 2014, the FASB issued ASU 2014-09, "Revenue from Contracts with Customers" ("ASU 2014-09"), which supersedes nearly all existing revenue recognition guidance under GAAP, including industry-specific requirements, and provides companies with a single framework for recognizing revenue from contracts with customers. This update and subsequently issued amendments require companies to recognize revenue at amounts that reflect the consideration to which the companies expect to be entitled in exchange for those goods or services at the time of transfer. Topic 606 requires that contracts be assessed to determine each separate and distinct performance obligation. If a contract has multiple performance obligations, the Company will allocate the transaction price using their best estimate of the standalone selling price to each distinct good or service in the contract. Beginning in January 2019, initial franchise fees are recognized as the Company satisfies the performance obligation over the franchise term. The adoption of Topic 606 did not have a material effect on the timing or amount of revenue recognized as compared with the Company's previous revenue recognition practices.

Note 2 – Franchising

In 2020 and 2019 the Company did not charge an initial franchise fee. The Company offers the franchisees ongoing support services including guidance and advice on operating the business, establishing procedures, and billing services. The franchisees pay a bi-monthly service fee of up to 25% of gross revenues.

In November 2019, the company started an incentive program for Franchisees to increase revenue. For each new customer acquired, the company would waive the initial first visits. The rate of the visit ranges from \$20 - \$30. The number of waived fees for 2020 and 2019 that were paid to the franchisee totaled \$118,170 and \$18,540.

Revenues received from all franchisees in 2020 and 2019 totaled \$13,011,193 and \$10,272,235, respectively. Payments to franchisees in 2020 and 2019 totaled \$10,668,498 and \$8,564,557, respectively.

FRANCHISE AGREEMENT

1. PARTIES AND DEFINITIONS

1.1 Parties: THIS AGREEMENT is entered into between Hounds Mounds, Inc., a Texas corporation, referred to as "Poop 911", "We" or "Us" and _____, the applicant, referred to as "You", "Your", or "Franchisee."

1.2 Definitions:

"Franchisee" is identified at Paragraph 1.1 of this Agreement and for some purposes clearly identified herein may include a group of related persons or businesses as defined at Section 16 of this Agreement; and their heirs, successors and assigns.

"Franchise Business" refers to the Poop 911 Business defined at Paragraphs 2.1 and 2.2 and all operations undertaken thereby. "Franchise Business" may be used interchangeably with "Franchise Operation," both of which will have the same meaning.

"Gross Revenues" is defined as the total gross revenues and receipts paid to the Poop 911 Business, whether in money or other form of consideration, and whether received by You or by Us on Your behalf, from the sale of pet waste removal services and any related pet products and services that may be developed for the Franchise Business, excluding only sales or other equivalent taxes.

"Pet Waste Removal Service Business" means the sale and providing of pet waste removal services and the sale of pet related goods and services in person or through online or central calling center orders. All such sales efforts are limited to those targeted at Your Business's Exclusive Territory, and marketing by means of the Internet, toll-free numbers or otherwise directed outside Your Exclusive Territory is not licensed under this Agreement.

"We" is identified at Paragraph 1.1 of this Agreement and includes Our heirs, successors and assigns.

Other terms are defined or expanded from time to time throughout the Agreement below.

2. GRANT OF FRANCHISE

2.1 Franchise System: Through the expenditure of considerable money, time and effort, We have created and developed, and are continuing to improve, an efficient and distinctive system of pet waste removal services and related pet products which are of a distinctive, uniform, and high quality, presented and performed in accordance with Our confidential specifications and methods, by uniformly trained franchisees in distinctively logoed and equipped vehicles operating under the trade name Poop 911. We use the name Poop 911 and other associated trademarks, service marks, designs and symbols which are registered on, or are the subjects of applications pending for, the principal register of the United States Patent and Trademark Office and used in the promotional materials and signs as a symbol and name, collectively referred to as the "Franchise Name" (or alternately, as "Proprietary Marks"), identifying the goodwill which We have developed in connection with the operation of Poop 911 Business by Us and You. This constitutes the "Franchise System," with which You are familiar.

2.2 Grant and Acceptance. In consideration of Your application for a franchise, and the payment of the continuing royalty for services rendered, We grant to You, and You accept, a license and the obligation to conduct one Poop 911 Business only as a pet waste removal service business as described in Paragraph 2.1 above under the Franchise Name and using the Proprietary Marks as described in Paragraph 6.3 (and subparts) herein, upon the terms and conditions set out in this Agreement.

2.3 Our Reservation of Rights; Alternative Forms of Distribution: Except as We have specifically granted to You in Paragraphs 2.1 and 4.4, We reserve all rights regarding the Poop 911 Business, Our Proprietary Marks and the offer and sale of Poop 911 services and any related products anywhere. This means that We have the exclusive right to use any channel of distribution now existing or in the future developed, including, as examples, the Internet and mail order. We and Our affiliates intend and reserve the right to develop lines of pet waste removal and pet services and products, some of which may be marketed for use not only in the Poop 911 Business, but also through other distribution channels, such as by means of the Internet. We may also operate or grant others the right to operate a Poop 911 Business anywhere in proximity to Your Franchise Business, so long as it is outside the boundaries of Your Exclusive Territory.

3. FEES; INVOICE PROCESSING

3.1 No Franchise Fee: We do not charge an initial franchise fee, because We believe the obligations and commitments we make to each other in this Agreement represent a positive, good faith foundation for our relationship.

3.2 Royalty: Beginning upon the completion of Your training, as specified in Section 5.2 and sub-parts, You agree to pay Us a bi-monthly "royalty" equal to 25% of "Gross Revenues", except as may be modified by Paragraph 3.3 below. Gross Revenues are defined in Section 1.1.

3.3 BARCS - Customer Billing, Processing and Scheduling: Unless We direct otherwise in writing, You must submit in all customer invoices and credit card information for the Business to

Us for billing, processing and scheduling under Our proprietary **Billing Administrative Routing Customer Scheduling** system (“BARCS”). We have established the BARCS system to help franchisees operate their business with as much efficiency as possible by minimizing the bookkeeping and accounting burden, as well as to simplify the overall administrative functions. Under the Customer Billing and Processing System, We are responsible for billing and processing payments received from Your customers.

3.3.1 Customer Scheduling and Billing Procedure. When You have completed Your services orders for each day, You will post the services as completed, rescheduled, no charge or or other appropriate notation in the BARCS system according to Our then current procedures. You acknowledge that timely posting is critical to ensure customer scheduling is accurately maintained and customer invoices accurately billed. You agree to direct Your customers to pay Us for all services and products You sell to them by authorizing automatic charges to their credit card. We will send invoices to Your customers and process payments charged to their credit card on file. Simultaneously with signing this Agreement, We and You will sign an agreement for the sale of receivables which is attached to and made a part of this Agreement as Exhibit A (the “Receivables Agreement”) under which You agree to sell to Us and grant Us a security interest in all of the accounts receivable of the Business so that We may collect payments from Your customers.

3.3.2 Adjustments to Gross Revenues; Net Proceeds to You. Twice a month, on the 6th and 21st day of each month We will remit to You the Net Proceeds out of the monies We have collected on Your behalf for the preceding period. For purposes of this Agreement, the term “Net Proceeds” shall mean the gross amount that We have collected from Your customers since Our most recent remittance to You, less a) the Royalty b) all credit card and merchant processing fees and costs, c) chargebacks, d) amounts We spend to adjust customer complaints against Your business on Your behalf, as described in the Receivables Agreement, and e) any other amounts You owe Us including those described in the Paragraph 3.3 below.

3.3.3 Fees; Net Proceeds. For purposes of this Agreement, the term “Net Proceeds” means the Gross Revenue collected from Your clients, less the amounts described in Paragraph 3.3.2 above which also include the following summary of adjustments:

- (a) Royalty of Twenty-Five Percent (25%) of Gross Revenue;
- (b) Targeted Local Marketing Fee of up to one percent (1%) of Gross Revenue as We may require and as set out in Paragraph 6.5 below;
- (c) Any credit card chargebacks, bad debt or unpaid client invoices and related fees associated with receipts not collected from client;
- (d) Any other amounts You owe Us or any affiliates;
- (e) Payments to contractors, vendors, or other franchises You may have used to provide services to Your clients; and

- (f) Sales, Use or other tax, if applicable.

3.3.4 Withholding Customer Billing and Processing. You agree that We may refuse to process any order through the BARCS system, if We believe in Our sole discretion that the customer does not satisfy Our minimum standards of credit worthiness and in addition to any other remedy We may have under this Agreement.

3.3.5 Fixed Fee Increases. You acknowledge that over time Our costs and expenses will increase, and consequently we reserve the right to periodically increase the fixed fees enumerated in paragraph 3.3, so long as it is no more often than every two years and on sixty (60) days prior written notice. We may not increase the royalty, which will remain the same until and unless the franchise is renewed under a different form of franchise agreement.

3.4 Payments Based on Gross Revenue That You Collect. If You receive any Gross Revenue directly, rather than as Net Proceeds We remit to You, then You must send that Gross Revenue directly to Us within twenty-four (24) hours of receiving it. If the customer has been denied processing through the BARCS system or insists on paying for service by other means, then You must pay Us all Royalty, applicable Targeted Local Marketing fee contributions and other amounts payable to Us out of that Gross Revenue by first day of the calendar month following Your receipt.

3.5 Reporting: Both parties agree that regular reporting of sales activity, profit and loss and financial statements and other aspects of Business operations is important for validation of Your obligation for royalty payable to Us, to permit Us to track the relative performance of Our franchises, and to confirm Your compliance with the Franchise Agreement and Operating Manual. You will report to Us both through the BARCS system and also provide any additional information and in the form and content as We may specify from time to time.

3.5.1 Bookkeeping: At all times, You will maintain accurate accounts and records as We may require in accordance with generally acceptable accounting principles and using accounting software We have approved. If You use a bookkeeping service to perform these functions for You, the service must prepare and maintain Your records in the form and manner and using the software that We specify.

3.5.2 Computer: You will comply with any integrated computer bookkeeping, accounting and reporting systems We may implement. The cost of expert advice and installation, as well as cost of all associated hardware and software packages, are Your responsibility.

3.5.3 Audits: We are entitled to examine, copy and audit all records pertaining to the operation of the Franchise Business at any time. For this purpose, all Your records and tax returns (including state and local sales tax reports and federal, state and local income tax returns) will be made available to Us upon request. If You do not pay all sums due to Us and submit reports when required, then You will be in breach of this Agreement. We will have all rights and remedies available to Us by law and pursuant to this Agreement for breach by You. If an audit discloses any deficiency, You will immediately pay the amount due. If an audit discloses that You have paid less

than One Hundred Percent (100%) of the Royalty Payments and Advertising Contributions due in any given period, You will also pay the reasonable cost of the audit.

3.6 Payments:

3.6.1 Credit Card: At all times, You must maintain on file with Us a credit card with an acceptable credit limit against which we may charge You for any purchases, unpaid fees and other amounts owed to Us or any affiliate.

3.6.2 Interest on Late Payments: Unpaid sums due and owing to Us will bear interest on the unpaid balance at the lower of One and One-half Percent (1 1/2%) per month or the highest rate allowed by law from the date such sums became due. We may, at Our discretion, apply payments received from You to any sum due and owing to Us.

3.6.3 Late Fee: If any Royalty or other monies due from You to Us are not received on or before the specified due date, We may arrange for a Late Notice to be sent to You. Whether or not You receive a Late Notice is not a condition of Your obligation to pay any late fee and/or interest. The Late Fee is required to defray the administrative costs of accounting and correspondence relating to late payments, and will be in the amount of One Hundred Fifty Dollars (\$150.00) per late notice issued, and this fee is conclusively deemed to be an administrative charge, and will not be considered interest for the purpose of calculating monies due under Section 3.2, or for the purposes of calculating interest rates allowable by statute or common law. The late fee will be due and payable to Us or Our agents, as We may from time to time designate. This paragraph is not Our agreement to accept any payments after they are due or Our commitment to extend credit or otherwise finance Your operation of the Business.

When We receive a payment from You or from one of Your customers, We will have the right and sole discretion to apply it to any of Your past due indebtedness to Us or Our Affiliates regardless of any designation that You may request.

4. TERRITORY

4.1 Exclusive Territory: You will acquire and equip one truck, SUV or other acceptable motor vehicle (the "vehicle") according to the standards and specifications that We will provide, at Your own expense. You will conduct Your Franchise Business solely within the Exclusive Territory and from the Premises described in Section 4.3 below and in Exhibit B, which is attached to and made a part of this Agreement.

4.2 Options for Business Premises: You are solely responsible to obtain an acceptable office space ("Premises") for the proposed Franchise Business. You will have thirty (30) days from signing this Agreement to find and submit at least one proposed office space that is either:

- a) a dedicated, fully equipped home office in conjunction with a commercial business address and providing mail and other delivery acceptance services as well as contact information for public dissemination; or
- b) located within an office or suite in a location and building acceptable to Us.

For all office options, You must have access at all times to a high speed wired broadband or better Internet connection meeting Our current minimum specifications and access to an office or conference room for reasonable, necessary business purposes. We will give You general guidance and Our current criteria for selection of the Premises, but final selection of the Premises is solely up to You, so long as it meets our minimum criteria. We reserve the right to disapprove a Premises in our reasonable business judgment. You will sign and return to Us the Site Addendum to this Agreement for the Franchise Business, identifying the authorized Franchise Business location by street and suite address ("the Site Addendum") and include a photocopy of the signed lease, including all exhibits, attachments and addenda and two original signed copies of the Site Addendum. We will promptly sign and return one copy to You to be attached to the Franchise Agreement.

4.3 Relocation: You may relocate the Franchise Business only with Our prior written consent which We may give or refuse in Our sole discretion. If approved, any relocation may only be within Your Territory. You agree to pay all costs of relocating the Franchise Business regardless of the reason for relocating. You are responsible for, and are obligated to schedule relocation activities to insure that You begin developing customers as quickly as possible in the new location.

4.4 Franchisee's Exclusive Territory: You are granted the exclusive Territory described by Exhibit B (the "Territory"). The grant of an exclusive Territory precludes the location of other Franchise Operations or Our own Business in that area, which operate under or sell, offer, or distribute services or goods identified by any "Proprietary Mark" defined in Section 6.3.1; and prohibit the establishment within the exclusive area by Us or Our franchisees of other franchise or company owned Business selling the same or similar services under a different trade name, trademark service mark, advertising or other commercial symbol.

4.5 Conditions for Exclusivity: However exclusivity is defined, the exclusivity of the Territory is conditioned upon strict compliance with this Agreement. However, if the demographics substantially increase within the Territory, and We, in Our reasonable business judgment, determine that another Franchise Business is needed to service the general market area adequately, including a portion of the Territory, then We may reduce the size of the Territory, so long as it contains at least a minimum population of 250,000. Additionally, if You twice decline to service accounts, then we may reduce or otherwise adjust Your exclusive Territory and allow other franchisees the opportunity to service and acquire the exclusive rights to released territory. We may require that You increase the number of vehicles used to service Your Territory under Paragraph 6.1.2 of this Agreement.

5. OUR OBLIGATIONS

5.1 Pre-Operation Assistance: In addition to the training described in Section 5.2, We will provide You with advice and assistance in initial marketing, selling techniques, implementation and sample advertising, as You may request and We deem appropriate.

5.1.1 Computer Systems: You recognize that, in order to stay competitive and do business efficiently in today's commercial environment, the use of current technology is essential. As time allows, We intend to evaluate and adopt a computer based system of accounting and record-keeping ("the Computer System.") When the Computer System is approved, You may be required to acquire a personal computer and peripherals such items as a high speed modem, automatic backup, and a dedicated telephone line for transmission of records to Our corporate offices using software We will designate or alternatively to convert to a centralized accounting and recordkeeping system in addition to or as an enhancement of Our BARCS system. We will furnish specifications and Approved Vendors for purchase and installation by You. Use of these items when approved and incorporated into the Poop 911 system is deemed to be of the essence in insuring consistent operation of Poop 911 Businesses. As such, You agree to obtain such items from Approved Vendors, as further described at Paragraph 5.4 (and sub-parts) below within 60 days of Our giving You written notice to do so. We will offer assistance and training in the efficient use of the software packages in the operation of the Franchise Business.

5.1.2 Tools and Business Supplies: We provide Your initial inventory of supplies and service tools which include:

- 5 T-Shirts with logo

You must have the vehicle You will use in the operation of Your Franchise Business wrapped according to the specifications We provide You, before We will schedule You for training. Training includes proprietary and trade secret pet waste removal techniques, marketing and sales, daily operations, general business organization, use of service tools. We will provide approximately 2 days training, in part virtually through online meetings and communications and in part in the field at an operating Poop 911 Business in a city We may designate. The actual duration and location of each training program will be determined at Our sole discretion. You must attend and satisfactorily complete the training courses as We may reasonably require.

5.2.1 Training of One Individual: The franchise rights granted pursuant to this Agreement include the training of only one person, who is the individual signing this Agreement as franchisee, whether on behalf of a corporation, limited liability company or other legal entity.

5.2.2 Location: Training will be conducted virtually online by means of webinars and any other technology mechanisms we deem appropriate. Additionally we will provide one day of in field training to be conducted at an operating franchise location, which We will try to schedule at a qualified franchise location nearest to Your Protected Area.

5.2.3 Costs: You will receive initial training free of charge, but You are solely responsible for Your travel, board, any compensation or wages and other expenses You may incur. If You request repeated training, You may be required to pay a reasonable training fee, as We will establish from time to time.

5.2.4 Compensation: You will not receive compensation from Us, Our Poop 911 Business or any on the job training provided by another franchisee, for services You provide as a trainee.

5.2.5 Refresher Training: We have the right, at Our sole discretion, to require You to complete additional or refresher training to Our satisfaction in order to maintain the quality of service We require under this Agreement. You may also request additional training. Once You begin operating Your Poop 911 Business, refresher courses are subject to availability of training staff and limited space in scheduled courses. We reserve the right to charge a reasonable fee for additional training.

5.3 Operational Assistance:

5.3.1 Operating Manual: When You attend training, We will loan You one (1) copy of Our Operating Manual, which may be in more than one part (“the Manual”). The Manual may include operating procedures and standards, rules and regulations for the franchise system, and other sensitive and confidential information. We may from time to time add, delete or amend the Operating Manual by inserts or bulletins and one or more other Manuals and may be provided in any medium or by any method, including in electronic form or by access to viewing on a closed Google Docs or comparable web share platform or a proprietary intranet website. All such additions, deletions or amendments will be deemed fully binding as a part of the Manual. These amendments will be made from time to time at Our discretion to meet competition, protect Proprietary Marks or trade secrets, or improve the quality of services or as We otherwise deem appropriate. “Operating Manual” means and collectively includes all manuals, policy statements, directive, bulletins and memoranda which contain prescribed or recommended specifications, standard, procedures, policies and advice relating to the operation and management of Poop 911 Business and to marketing Poop 911 services or that otherwise contain confidential business information.

5.3.2 Business Opening: During Our normal business hours and upon reasonable request, We will provide You with phone and web training sessions support for Your first 90 days

of operation to assist You in the marketing and establishment of initial customer accounts as well as any servicing and customer relations concerns for Your Poop 911 Business.

5.3.3 Operations: We will provide advice and guidance to You as We reasonably determine necessary and appropriate with reference to operations, including service methods, interpretation and implementation of the policies and procedures in the Operating Manual; marketing, purchasing of supplies and equipment; computer operations; bookkeeping; efficiency of operations; and general operation, business, and management procedures.

5.4 Supplies and Vendors: We both recognize that the success of the franchise requires consistency and quality in service and supplies.

5.4.1 Approved Vendors: In the interest of quality control, We may from time to time enter into an agreement with a specific vendor or vendors to provide supplies or equipment meeting Our standards. We will from time to time provide You a list of Approved Vendors for designated items. You agree to purchase the designated items from the Vendors only, unless substitute vendors are first approved by Us. We may approve Substitute Vendors in our sole discretion.

5.4.2 Published Standards: We have developed, and may from time to time at Our discretion develop, design specifications, quality control standards and proprietary products ("Published Standards") for the supplies or equipment used in the Franchise Operation. Notwithstanding the selection of Approved or Substitute Vendors, You will offer only services and products that meet the Published Standards. We reserve the right to make additions, deletions and corrections to the Published Standards at Our sole discretion. We will also from time to time provide You with new product information, techniques and operations information We develop and deem appropriate for the Poop 911 franchise system.

5.5 Administrative and Call Center Services: We will provide an exclusive, dedicated telephone number which is the only telephone number You may use for Your Poop 911 Business. Our call center will answer all inbound calls and forward or route them to the appropriate local Business. You acknowledge that our Call Center makes every effort to identify the correct zip codes for referral and service but may occasionally be mistaken either because of system or operator error. We may also perform outbound calling when there is a lead submitted through the website. In the future, additional services for outbound calls and customer support and lead generation follow-up may be made available to You for additional fees. You may only market and use the 800 number We provide for incoming prospective and established customer calls.

5.6 Web Site and Internet Presence Management: We have established and will maintain a website that provides information about the System, Our services, products and the locations and contact information for licensed Poop 911 Businesses. We own and will be responsible for, either directly or through a third party, and have sole discretion and control over such website. We will also maintain listings on referral websites as We deem appropriate. You may not maintain an individual website related to the Franchised Business, or to establish a URL incorporating any

variation of the "Poop 911" name or Marks, without Our prior written approval. You will not violate Our privacy policies as posted on the website. You must also participate in any System-wide computer network, intranet system, or extranet We may implement as described in Section 6 of this Agreement.

6. FRANCHISE SYSTEM STANDARDS

6.1 Compliance with Standards: You acknowledge that the standards for the Franchise System and the requirements of this Agreement and the Operating Manual are necessary, reasonable, and desirable in order to preserve and enhance the identity, reputation, and goodwill built by the Franchise System and the value of the Franchise Name. You agree to comply with the uniform standards for quality, appearance, cleanliness, service, operations, marketing, and promotion We establish from time to time. You will obtain and at all times maintain any and all permits, certificates or licenses necessary for the full and proper operation of the Poop 911 Business. You specifically agree to comply with applicable health and safety laws, ordinances, and regulations so as to be rated in the highest available health and safety classification by the appropriate governmental authorities and to furnish Us immediately with copies of all inspection reports, warnings, certificates, and ratings issued by any governmental agency which reflect Your failure to meet and maintain the highest applicable ratings, or Your non-compliance or less than full compliance with any applicable law, rule or regulation.

6.1.2 Poop 911 Vehicle: You must maintain the appearance, mechanics, sign, equipment, and overall condition of the approved Poop 911 vehicle, both outside and inside in excellent repair and a clean condition and comply with the standards specified in the Operating Manual. You must also obtain and maintain the number of vehicles We determine is adequate to service Your customers to Our current standards. Once You are in operation, We will give You 30 days written notice of any change We make to the number of vehicles required. If You do not comply, then We may reduce Your territory upon 30 days written notice.

6.1.5 Services and Products: You will offer only such services and products as are from time to time approved by Us and which must be provided in accordance with the standards and specifications established pursuant to this Agreement and the Operating Manual. You must offer all approved services, unless otherwise waived in writing by Us at Our sole discretion. You specifically acknowledge that We may revoke Our approval of any product or service at any time in light of reasonable business judgment and the reputation and good will of the Poop 911 system.

6.1.6 Variances from Standards: We may approve exceptions or changes from the uniform standards of operations which We, at Our sole discretion, believe necessary or desirable under particular circumstances. You understand that You have no right to object to or obtain such variances, and that any exception or change from the uniform standards for Your activities must be approved in advance by Us in writing.

6.1.7 Quality Control: We have the right to take reasonable steps to monitor the quality of the services and products offered by Your Poop 911 Business. These steps may include but are not limited to displaying the telephone number of a "customer hotline" for direct contact with Us conspicuously on Your invoices.

6.1.8 Professional Conduct: In Your dealings with Us, Your clients, Your employees, Your suppliers and others, You must adhere to the highest possible standards of professional conduct, honesty and integrity, ethical behavior, dependability, good faith and fair dealing. You may not engage in any conduct that We reasonably determine may injure the goodwill associated with our Trade Name and Proprietary Marks.

6.1.9 Internet and Developing Technology: In light of the increasing use of the Internet for a variety of functions and the rapidly changing and somewhat unforeseeable nature of technology, business support and social media platforms and other functions that are or become available in "the cloud", We reserve the right to limit or restrict any or all use of the Internet, including but not limited to social media or other Internet-based communications, marketing or social networking or other technology with respect to Your Franchise Business that We may decide is desirable in Our reasonable business judgment. We may also require your participation and possible subscription or enrollment in online and cloud related services as We determine necessary on 60 days written notice.

6.1.10 Technology Isn't Perfect: While We will make every commercially reasonable effort to maintain and ensure the availability and accuracy of Our BARCS system and our Administrative and Call Center services ("Admin Services"), We cannot guarantee complete, continuous access nor accuracy of BARCS, the Admin Services or any other technology You or We may use, whether it is provided by a third party vendor or by Us. Technology failures and human errors are inevitable. We do intend to address promptly all such issues and concerns and to keep You informed as appropriate.

6.1.11 Disclaimer; No Warranty: We will not in any event be liable for any direct, indirect, punitive, special, incidental, or consequential damages, including, without limitation, lost revenues,

or lost profits, arising out of or in any way connected with the use or misuse of the information or lack of information on the BARCS system or Admin Services or with the delay or inability to use BARCS or Admin Services, or from any malware, information, scheduling failures, services, software, or other material obtained through Us, or otherwise arising out of the use of BARCS, Admin Services or any required third party technology, whether based on contract, tort, strict liability or otherwise, even if We have been advised of the possibility of damages. Negative customer feedback can have consequences beyond just Your Business. You understand We require You to strictly comply with all standards of operation and customer relations that We may establish and provide to You from time to time by means of the Manual or written communication.

(a) *Customer Reviews.* You must maintain positive customer comments, reviews and any applicable ratings on all social media and any other platforms, such as Google, Yelp and media that publish customer comments and reviews, whether through the internet or any other system or media for publishing and disseminating such customer feedback to the general public or any other group. Negative comments and reviews must be promptly addressed in compliance with Our current published standards.

(b) *Complaints and Disputes.* If You are unable to satisfy a customer's complaint regarding Your Poop 911 business, You agree that We may, but are not obligated to, resolve the problem with the customer as We deem appropriate, serving as the arbiter of the dispute between the two of You. The resolution may include a full or partial refund, or cancellation of the account at customer's request. If We incur costs to resolve the customer problem, You agree to reimburse Us when We invoice You.

6.2 Insurance: While this Agreement is in effect, You will obtain, pay for, and keep in force all insurance required by law, as well as general liability insurance for not less than One Million Dollars (\$1,000,000.00), together with property damage liability and casualty insurance, and business risk insurance, all in such policy limits and from such reputable insurers as are reasonably acceptable to Us. All insurance policies will be issued by companies having not less than Best's Triple A rating and will name Us as an additional insured, for the mutual and joint protection and benefit of both You and Us. All policies will contain a provision that We, although named as an insured, will nevertheless be entitled to recovery under the policies for any loss, injury, or damage to Us, Our servants, agents, and employees by reason of Your negligence. You will promptly deliver to Us policies evidencing the insurance or certificates of coverage which will designate the name and address of the issuer, the policy number, amount, and provisions thereof, copies of annual

renewal certificates of continued insurance. All policies will contain a provision that the policy will not be canceled, terminated, or materially and adversely modified without thirty (30) days prior notice from the insurance company to Us.

You will not use or attempt to use Our Proprietary Marks on services and products emanating from anyone other than Us and You have no right to license or sub-license any of Our Proprietary Marks. Thus, You may use Our Proprietary Marks only in conformity with the standards and requirements that We have established or may establish from time to time and which are set forth in part of the Poop 911 Operating Manual. We may require submission of all advertising and promotional copy and materials and all printed matter, including but not limited to stationery and business cards, for Our written approval before You may use such materials. You will cooperate with Us in any legal action We bring against third parties relating to this Agreement or to Our Proprietary Marks by providing Us with information or evidence available to You, as We may reasonably request. We will reimburse You for any reasonable actual cost to You in providing the information or evidence specifically required by Us, unless such information or evidence is directly related to the protection of Your rights.

You acknowledge that if You do not do so, Our reputation and goodwill will be damaged as well lost revenues incurred.

7.5 Participation in Training Support: You agree to support Our efforts to grow and expand the Poop 911 network of franchisees by allowing a new franchisee in training to shadow You or Your most experienced technician “in the field” for a full day’s scheduled jobs, at Our request. You agree We will work cooperatively together to arrange an agenda for the new Franchisee’s “in the field” day in accordance with current Manual standards and will compensate You for Your time and support by paying You a \$1500 training support fee concurrent with the next remittance of Net Proceeds following the training support day.

7.6 Customer Data and Privacy Protection: To the extent that You obtain or have access to customer data and private and confidential personal information of Poop 911 customers, You will take all reasonable and necessary steps to maintain the security of that information and to comply

with applicable federal and state privacy and related laws.

7.7 Data and Critical Business Information; Our Disclaimer: While We may provide and /or require use of software and online applications and "in the cloud platforms in addition to Our BARCS system", You acknowledge and agree that We do not guarantee that any information you or the customers input will not be corrupted, lost, hacked or otherwise compromised despite our precautions and those of any provider We use. You must take reasonable precautions to protect customer data and critical business information by subscribing to and maintaining acceptable anti-virus, malware and other internet security measures for the devices You use in operating Your Business. YOU AGREE TO INDEMNIFY AND HOLD US HARMLESS FROM ALL LOSSES, CLAIMS AND CONSEQUENCES THAT MIGHT ARISE FROM THE USE, LOSS, DAMAGE OR MISAPPROPRIATION OF YOUR OR YOUR CUSTOMERS' DATA.

7.8 Indemnification: You agree that You will defend, indemnify, and hold Us, Our officers, directors, employees, agents, affiliates and other franchisees harmless from all fines, suits, proceedings, claims, demands, obligations, or actions of any kind, including costs and reasonable attorneys' fees, by anyone, allegedly arising from or connected with Your operation of the Franchise Business except for claims of infringement arising solely from Your use of the Franchise Name in accordance with this Agreement, as provided in Paragraph 6.3.

7.9 Non-competition: Duration: During the term of this Agreement, and for two (2) years from either: (a) termination, expiration, or non-renewal of this Agreement for any reason; or (b) cessation of operations of the Poop 911 Business or any competitive business by You as defined in Section 10.1.1(c); whichever is later: You will not directly; nor as a beneficial owner, investor, partner, director, officer, employee, independent contractor, representative, or agent; nor through a family member or other agent; control, own, provide consulting services for, benefit from or engage in: any business offering pet waste removal services or any other services and products then being offered by Poop 911 franchises, either as an independent business, as a franchisee or as a franchisor.

7.9.1 Non-competition: Geographic Areas: You acknowledge and agree that this non-competition restriction will bind You for the period of time above stated and for the following geographic areas: (a) as an independent business, shareholder, director, advisor, franchisee, licensee, employee, agent or consultant: twenty-five (25) miles from any franchise or other authorized Poop 911 Business Exclusive Territory in any direction; (b) as a franchisor and/or while operating a Poop 911 Business: of unlimited geographic scope.

7.10 Reasonableness: The terms contained in this Section 7 are the essence of this Agreement, and We would not license You without them. In consideration of Your agreement to the terms of this Section 7, We agree to train You in the use of the trade secret methods that We have developed at much expense for operating a Poop 911 business and to entrust to You Our Proprietary Marks, Trade Secrets and confidential information pertaining to Our business. You expressly agree that using Our training and this information in competition against Us and/or Our franchisees would be unfair and result in irreparable damage. You acknowledge that competition

by a Franchisee as competition is defined at Paragraph 7.7 is extremely detrimental to any Poop 911 location and to Our interest in preserving Our system of exclusive Territories. You further acknowledge that the sensitive nature of the training, information and trade secrets referenced throughout this Agreement and specifically at Paragraph 6.3 hereof are of such a unique and protected nature as to substantiate as reasonable the time and geographic scope of this provision. If any portion of this provision is deemed unenforceable, void or voidable, as against public policy, or unreasonable in scope or terms, then the parties agree and stipulate that this provision will not be unenforceable as a whole but will instead be interpreted with the maximum time and/or geographic scope and the most restrictive effect on competitive activity consistent with an enforceable provision of this nature, and the remainder of this provision, as so amended, will be of full force and effect as if originally included herein.

8. TERM AND RENEWAL

8.1 Term: This Agreement will become effective when signed by Us, and will continue for a term of five (5) years or until terminated pursuant to Section 10. If We are required by law to give You notice prior to the expiration of this Agreement and We fail to do so, this Agreement will remain in effect from month to month until We have given the required notice.

8.2 Renewal: If You are not in default at the time of the expiration of this Agreement or a subsequent renewal Franchise Agreement, have not been repeatedly in default under this Agreement, and have demonstrated consistent and adequate adherence to the customer satisfaction guidelines and other requirements of this Agreement and the Operating Manual, as determined at Our reasonable discretion, then You will have the option to continue the franchise relationship with Us for up to five additional terms of five (5) years, by each time executing Our then current franchise agreement, paying the renewal fee (see Paragraph 8.2.1 below), and delivering to Us a general release of any and all claims against Us, Our officers, directors, employees, agents, and affiliates from You and all other persons bound by this Agreement or renewal franchise agreement in a form satisfactory to Us. The relationship between Us and You during the renewal period will be governed by the provisions of Our then current franchise agreement, including without limitation those provisions pertaining to royalty, advertising, renewal and duration of the franchise; provided, however, the term of any second renewal of franchise will be no less than five (5) years, unless otherwise agreed by the parties in writing.

8.2.1 Fee and Notice: On renewal, You will pay a renewal fee equal to Five Thousand Dollars (\$5,000) or Three Percent (3%) of any then prevailing Franchise Fee, whichever is greater. The renewal fee will be tendered upon written notification of Your intent to renew, which You must give Us by certified mail, return receipt provided, no later than six (6) months prior to the expiration of the then-effective franchise term.

8.2.2 Modification of Agreement: This Agreement may be modified only in writing signed by both of the parties. We reserve the right, however, to reduce the scope of the non-competition provision or Your obligations hereunder, if We determine in Our discretion that

the scope of such restrictions or obligations are excessive or unduly onerous. Any such reduction will not be deemed a waiver by Us of that provision as amended.

8.2.3 Upgrading: We may from time to time require You to engage in upgrading, renovation, repairs and maintenance of the Poop 911 vehicle and tools to comply with changing design or marketing concepts or standards of appearance, at Your cost ("Upgrading"). We reserve the right to require upgrading at more frequent intervals, if We decide in Our discretion that it should be appropriate, whether system wide or for an individual franchise due to marketing requirements, deterioration, appearance or operations.

8.3 Failure to Give Notice and Continued Operation: If You fail to renew Your franchise but continue to operate Your Business, regardless of reason, then You will be deemed to be operating under the terms of this Agreement, albeit without the right to do so and We will have all the rights and remedies available to Us hereunder as well as by statute and common law.

9. SALE OR TRANSFER

9.1 Transfer by Franchisee: Your rights under this Agreement are personal, and You will not sell, transfer, assign, sublease, or encumber this franchise, or any rights or duties arising under this Agreement, without Our prior written consent. Any unauthorized transfer by You will be voidable by Us.

9.1.1 Ownership Changes: "Transfer" is defined as any act or circumstance by which ownership or control is shifted in whole or in part from one entity or person to another, including, if You are a corporation, limited liability company or other legal entity, any changes in the present ownership of the stock, member interest, or comparable ownership designation of the franchise, as of the effective date of this Agreement) or the issuance of ownership interests of the franchise and if You are a partnership, any change in or addition of partners. You agree to notify Us of any change in the ownership or partnership interests in Franchise while this Agreement is in effect. All such changes are a transfer subject to the provisions of Section 9 (and subparts).

9.1.2 First Right of Refusal: We have the first right to purchase, if You are offering to sell or are considering an offer to purchase this Franchise. Before selling this franchise, You agree to give Us written notice of Your intention to sell and an offer stating the terms of the proposed sale which will be identical in terms, price and manner of payment to this received by You in a bona fide written offer by an offeror. We will have thirty (30) days to accept or reject the offer.

a) If We accept the offer, We may operate, sell, or terminate the franchise. Our failure to accept within the required time will constitute rejection. If We accept, We will have ninety (90) days within which to fund the purchase.

(b) If We reject the offer, You will have forty-five (45) days to sell the franchise upon terms no more favorable than those offered to Us (subject to the approval by Us of the proposed

Transferee/Franchisee pursuant to Paragraph 9.1 and subparts); thereafter, Our first right to purchase the franchise is reinstated.

9.1.3 Conditions for Approval: We have the right to reasonably disapprove any person or entity that would have actual, legal, or effective control over the Franchise Business, upon a sale, transfer, or change of ownership. We will approve a sale, transfer, or change of ownership only under the following conditions:

(a) *Prior Compliance.* If You have substantially performed Your obligations and duties under this Agreement;

(b) *Payments.* If We are paid all sums owed by You, under this and all other agreements, including obligations incurred but otherwise payable in the future;

(c) *Release.* If You agree to remain liable to Us for all obligations and events which occurred prior to the transfer and to continue to be bound by all the provisions of this Agreement which apply after the termination or transfer, and if You sign a general release of any and all claims against Us, Our officers, directors, employees, agents and affiliates;

(d) *New Agreement.* If the transferee meets the established standards for new franchisees and signs a new franchise agreement with the standard terms and conditions then being offered in Your state by Us, except that the transferee will pay Us a transfer and training fee of Five Thousand Dollars (\$5,000), if the transfer is proposed within two years of the date You begin operation of Your Business, or Three Thousand Dollars (\$3,000) if the transfer is proposed after two years of operation, or Our actual costs, whichever is greater

(e) *Assumption of Liabilities.* If the transferee meets our current qualifications for new franchisees, resides or its controlling Principal resides within the Territory and agrees to assume all liabilities and obligations from the prior operation of the Franchise Business and complies with such other reasonable requirements as We may impose, which may include requiring a copy of the signed purchase agreement which must be contingent upon Our approval of the transfer;

(f) *Training.* The transferee must have installed the required vehicle wrap and subsequently satisfactorily complete training before the sale of Your Business and Our approval can be final;

(g) *Finder's Fee.* If We locate and refer to you the eventual buyer of Your Business, then You must pay Us a finder's fee of 1% of the purchase price at closing;

(g) *Governmental Compliance.* If the transfer is conducted in compliance with all applicable laws; and

(h) *Discretion of Franchisor.* Notwithstanding the above standards and requirements, the

provisions will be deemed minimum standards and will not, once met, be deemed to require Us to approve any such Sale or Transfer as prima facie reasonable. We retain discretion to approve or disapprove such sale or transfer, and We may consider factors not referenced herein in making Our determination. Such power of approval will be reasonably exercised.

9.2 Transfer by Franchisor: This Agreement and any or all rights hereunder may be assigned by Us in whole or in part upon notice to You.

9.3 Death or Disability: If You or Your Controlling Principal die or become permanently disabled, We will consent to the transfer of the franchise and this Agreement, or the interest therein, whether such transfer is made by will or by operation of law, to any individual meeting Our current standards for new franchisees who satisfactorily completes Our training program, does not operate a competitive business and pays Us a transfer fee of \$1000, so long as the transferee otherwise complies with the requirements of Paragraph 9.1 and subparts and otherwise meets Our then current standards for new franchisees. Transfers by Your executor, administrator or representative must be in writing and subject to the provisions of this Section 9.

10. BREACH, DEFAULT, AND TERMINATION

10.1 Breach by You: If You breach or default under this Agreement under the following circumstances, We will have all rights and remedies permitted by law or equity, including the right of termination:

10.1.1 Without Notice: We may terminate this Agreement without giving advance notice and without giving an opportunity to cure for any of the following breaches or defaults:

(a) *Public Danger.* Imminent danger to public health or safety, to the extent that may close the Franchise Business without notice to protect public health or safety, but We may terminate this Agreement only if the danger is not completely eliminated within five (5) days.

(f) *Involuntary Bankruptcy.* If proceedings are commenced to have You adjudicated a bankrupt or to seek a reorganization under any state or federal bankruptcy or insolvency law, and such proceedings are not dismissed within thirty (30) days, or a trustee or receiver is appointed for You or the franchise business without Your consent and the appointment is not vacated within fifteen (15) days.

(g) *Bankruptcy:* The occurrence of any event in subparagraph (e) or (f) above involving any franchisee.

(h) *Liens.* Levy of a writ of attachment or execution or the placement of other liens against You or any of Your assets which are not released or bonded against within 10 days.

- i. Failure to Post Service Orders as a charge to the customer;
- ii. Failure to Post Service Orders as a No Charge to the customer; or
- iii. Failure to reschedule auto-generated service orders.

(l) *Misrepresentation.* Any misrepresentation to Us in connection with obtaining the Franchise Agreement or the provision of any information pursuant to this Agreement.

(m) *Misappropriation.* Any monies or funds that You receive from a customer in any form or medium, whether by cash, check, Venmo, Zelle and the like and/or any deposit into any banking account not controlled and approved by Us in writing, unless promptly remitted to Us within 24 hours of Your receipt.

(n) *Breach of Other Agreements.* Any material breach or default by You of another agreement or obligation owed to Us which is not cured within any permitted period for cure.

(o) *Declining New Customer Accounts.* If You decline to accept and regularly service qualified new customers three times in any 90 day period.

(a) *Nonpayment.* Failure to pay when due any sum owed to Us under this Agreement or any direct lease.

(a) Your failure to comply with the requirements of this Agreement, the mandatory rules, regulations, standards and procedures of the operation as may be specified in the Operating Manual and from time to time by Us.

(b) Your failure to make payment of local, state, or federal taxes, levies or assessments.

10.2 Waiver: Neither Your nor Our waiver of a breach or default by the other, or by other franchisees, nor delay or failure to exercise any right upon breach or default, nor acceptance of any payment, will impair rights for other breaches or defaults of the same or a different kind. The description of any breach or default in any notice will not preclude the later assertion of other additional defaults or breaches.

10.3 Step-In Rights: If We determine in Our sole judgment that the operation of Your business

is in jeopardy, or if a material default occurs, then in order to prevent an interruption of the Franchised Business which would harm to the System and lessen its value, You authorize us to operate Your business for as long as We deem necessary and practical, and without waiver of any other rights or remedies which We may have under this Agreement. In Our sole judgment, We may deem You incapable of operating the Franchised Business if, without limitation, You are absent or incapacitated by reason of illness or death; You have failed to pay when due and on demand any monies owed to us, any affiliate or approved vendor; You repeatedly decline new customers; You refuse to communicate with us, or We determine that operational problems require that We operate Your business for a period of time that We determine, in Our sole discretion, to be necessary to maintain the operation of the business as a going concern.

We will keep in a separate account all monies generated by the operation of Your business, less the expenses of the business, including reasonable compensation and expenses for Our representatives. If We temporarily operate the Franchised Business on Your behalf, You also agree to pay us the then-current fee for the management and maintenance of the Franchised Business in Your absence. If We exercise the Step-In Rights, You agree to hold harmless us and Our representatives for all actions occurring during the course of such temporary operation. You must pay all of Our reasonable attorneys' fees and costs incurred as a consequence of Our exercise of the Step-In Rights. Exercise of these Rights will not prevent us from exercising any other right which We may have under this Agreement, including, without limitation, termination.

11. RIGHTS AND DUTIES UPON TRANSFER OR TERMINATION

In addition to the rights and duties specified elsewhere in this Agreement, immediately upon the expiration, transfer, or termination of this Agreement for any reason:

11.1 Acceleration of Payments: All money You owe Us will be due and payable.

11.1.1 Franchise Revoked: All rights and licenses granted to You under this Agreement will terminate.

11.2 Tools and Supplies: You will cease using and will deliver to Us or to an approved transferee, or upon Our instructions, destroy all supplies and items pertaining to the Franchise System and the Franchise Name and all copyrighted materials, including the Operating Manual and any tools and items bearing Our Marks that We have loaned or otherwise provided to You.

11.3 Telephone: You will cease using all telephone numbers and listings used in connection with the Poop 911 Business, transfer all numbers and listings to Us, an approved transferee or any entity designated by Us and promptly direct and authorize the telephone company to make the transfers or, if We so direct, to disconnect the numbers completely.

11.4 Power of Attorney: We are hereby irrevocably appointed as Your attorney-in-fact to sign in Your name and on Your behalf all documents necessary to discontinue Your use of the Franchise

Name.

11.5 Non-competition: You will continue to be bound by all the provisions of Paragraph 7.7. (and sub-parts).

11.6 Notice of Election: Our election to exercise any or all of those rights enumerated in Paragraphs 11.2 and 11.5 (and subparts) will be made in writing to Your last business address, or such other address last specified at Section 12 below, within fifteen (15) days of termination or of Our actual knowledge of the event of termination, whichever is later.

11.7 De-Identification: On termination or expiration, You agree that You will not directly or indirectly identify Yourself or any business as a current or former franchisee of Poop 911, nor use or disseminate any design, Mark, operations, signs or other commercial symbol suggesting a connection with Poop 911. Regardless of Our exercise of any option or right under Section 11 above (including subparts), You will immediately take all actions necessary to cancel all fictitious name registrations, remove vehicle signage, and telephone directories or listings reflecting Your use of the franchise name or mark.

12. INDEPENDENT BUSINESS

12.1 Independent Business Status: You are an independent business, responsible for exercising full control over the day-to-day operations of Your Franchise Business. This Agreement does not create a relationship of principal and agent, joint venture, partnership or employment. You will not act or represent Yourself, directly or by implication, as Our agent or of any other Franchisee of Ours. You will not create or attempt to create any obligation on behalf of or in Our name or any other Franchisee of Ours.

12.2 Control. Except as specified by this Agreement, the Manual and those standards that we deem necessary to maintain the integrity and goodwill of the Marks and the System, We have no right to control the time, place, manner or method in or by which You operate Your Business.

12.3 Assistants. You may hire assistants at Your own cost to help deliver or fully deliver the duties contemplated in this Agreement, so long as they are under Your supervision.

12.4 Tax Payments and Withholding. Since neither You nor Your employees are Our employees, We are not obligated to, nor will We, perform any of the following duties for Your benefit or any of Your employees:

12.4.1 Withhold federal, state or local income tax, sales tax or payroll tax of any kind, including FICA (Social Security), from Franchisee's payments;

12.4.2 Make unemployment insurance contributions to the state or federal government;
or

12.4.3 Obtain worker's compensation insurance.

You further acknowledge that You are liable for Your own federal, state and local income and taxes and federal employment taxes related to income received.

14. INTERPRETATION

14.1 Integration and Amendments: This Agreement constitutes the entire agreement of the parties to which all prior negotiations, commitments, representations and undertakings with respect of the subject matter hereof are merged. There are no oral or other written understandings or agreements between the parties relating to the subject matter of this Agreement. NOTHING IN THIS AGREEMENT OR IN ANY RELATED AGREEMENT IS INTENDED TO DISCLAIM THE REPRESENTATIONS WE MADE IN THE FRANCHISE DISCLOSURE DOCUMENT. This Agreement may only be changed by a written document signed by both parties, with the sole exception of amendments to the agreement made pursuant to Paragraph 8.2.2.

14.2 Choice of Law and Forum: This Agreement will be construed under the laws of the state of Texas and any legal action concerning this Agreement will be brought in a court of competent jurisdiction, in Dallas County, State of Texas. You hereby waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision and waive any objection to such jurisdiction. Notwithstanding the foregoing, We may bring an action for a temporary restraining order, temporary or preliminary injunctive relief, or to enforce an arbitration award, or to litigate matters

not subject to or excludable by Us, from arbitration, in any federal or state court of general jurisdiction in the state in which You reside or in which the Business is located.

14.3 Construction of Language: The language of this Agreement will be construed according to its fair meaning, and not strictly for or against either party. All words in this Agreement refer to whatever number or gender the context requires; if more than one party or persons is referred to as You, their obligations and liabilities will be joint and several. Headings are for reference purposes and do not control interpretation.

14.4 Successors: References to We and You include successors, assigns, or transferees of both parties.

14.5 Severability: If any provision of this Agreement is deemed to be invalid or inoperative for any reason, that provision will be deemed modified to the extent necessary to make it valid and operative, or if it cannot be so modified, then severed, and the remainder of the Agreement will continue in full force and effect as if the Agreement had been signed with the invalid portion so modified or eliminated; provided, however, that if any part of this Agreement relating to payments to Us or protection of the Franchise Name or trade secrets is declared invalid or unenforceable, then We at Our option may terminate this Agreement upon written notice to You.

15. ENFORCEMENT

15.1 Execution of Documents: The parties agree to sign and deliver all documents necessary or appropriate to carry out the purposes and intent of this Agreement.

15.2 Alternative Dispute Resolution: The parties acknowledge that, during the term of this Agreement, certain disputes may arise between the parties, and that the parties will make every attempt to resolve the dispute using the following methods:

15.2.1 Negotiation: The parties will attempt to resolve promptly any controversy or claim arising out of or relating to this Agreement or any other agreement entered into pursuant to this Agreement by negotiating in good faith; and

15.2.2 Mediation: If the parties are unable to resolve a controversy or claim through negotiation, they agree that either party then has the right, prior to commencement of litigation, to require that the dispute between them first be submitted for mediation to the Mediation Organization identified in Paragraph 15.2.3 below. The mediator will be agreed upon by the parties, with the mediation taking place in Dallas, Texas and the cost of the mediation shared equally by the parties.

15.2.3 Mediation Organization: If, after attempted negotiation, either party elects to refer any dispute to mediation, it must be referred to the professional dispute resolution organization that We select (“the Mediation Organization”). The dispute will be conducted pursuant

to the Mediation Organization's commercial mediation rules and heard by one mediator.

15.2.4 Legal Proceedings: You will not institute any legal or administrative proceeding for claims arising out of a dispute relating to our franchise relationship or pursuant to this Agreement without first attempting to resolve the dispute through negotiation and non-binding mediation. If the dispute is not resolved through negotiation or mediation pursuant to Paragraphs 15.2.1 and 15.2.2 above, then either of Us may initiate litigation in Dallas County, Texas in accordance with Paragraph 15.2 above.

15.2.5 Disputes Excluded: In Our sole discretion, the requirements to mediate under this Paragraph 15.2 will not apply to disputes involving Our rights under all or part of Paragraphs 6.3, 7.6, 7.7, 11.2 or 11.5 as set out in this Agreement, for which we may seek not only injunctive relief as set out in Paragraph 15.3 below, but may also litigate the entire dispute in a court of competent jurisdiction having venue in Dallas, Texas.

15.3 Injunctive Relief: In the event of any breach or threatened breach of this Agreement by You, We will immediately be entitled to injunctive relief (including a temporary restraining order, preliminary injunction, and specific performance) without posting a bond or surety and without showing or proving any actual damage sustained and will not thereby be deemed to have elected its remedies. It is specifically understood and agreed that We may incur incalculable and irreparable damage from any violation of Paragraphs 6.3, 7.6, 7.7, 11.2 or 11.5, and that We have no adequate remedy at law and are entitled to injunctive relief, including specific performance, for any actual or threatened violation.

15.4 Attorneys' Fees: If either party institutes legal proceedings to enforce the terms or conditions of this Agreement, the prevailing party will be entitled to recover all its reasonable expenses, including attorneys' fees, costs, and other expenses reasonably and necessarily incurred.

15.5 Waiver of Jury Trial; Limitations of Claims: WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF US. Except for claims arising from Your non-payment or underpayment of amounts You owe Us pursuant to this Agreement, any and all claims arising out of or relating to this Agreement or Our relationship with You will be barred unless a judicial or arbitration proceeding is commenced within two (2) years from the date on which the party asserting such claim knew or should have known of the facts giving rise to such claims.

15.6 Force Majeure: We will not be liable to You for any failure or delay in performing any obligation, in whole or in part under this Agreement, if the failure or delay results directly or indirectly from wars (declared or not), insurrections, riots, fires, floods, explosions, earthquakes, accidents, epidemic or quarantine restrictions, acts of God, any active government or government priorities, transportation failures or delays, embargoes, material or parts shortages, strikes, labor trouble causing a cessation or slowdown or interruption of work (including labor troubles or other

delays at a supplier's or service vendor's facility or "in the cloud" platform), events where an export license is refused or withdrawn, or any other cause beyond Our reasonable control.

16. REPRESENTATIONS, APPROVAL AND GUARANTEES OF EQUITY HOLDERS

If You are a corporation, partnership, or other legal entity ("Business Entity"), You must own One Hundred Percent (100%) of the interests in the Business Entity, agree to furnish the financial information required, agree to the restrictions placed on them (including restrictions on the transfer of their interests in the franchise and limitations on their ability to compete), and sign a separate written guarantee of Your payments and performance under the terms of this Agreement. The shareholders, members, or other parties executing guarantees will be considered "franchisees" within the context of the definitions at Paragraph 7.1.2 hereof and agree to be bound by all the terms of this Agreement. Additionally, all shareholders, members, partners or other parties executing guarantees or otherwise holding a direct or beneficial interest in You shall also sign a Restrictive Covenant Agreement in the form attached to this Agreement as Exhibit D.

You represent that, as of the execution of this Agreement, the equity and voting control of You, as the party to this Agreement, is as shown in Exhibit C, which is attached to and made a part of this Agreement. If You, or any approved successor of You, are a Business Entity, You will submit to Us before any proposed transfer of an equity or voting interest, and at any other time upon request, a list of all holders of direct or indirect equity or voting interests of record reflecting their respective present and/or proposed direct or indirect interests in You, in the form that We may require. In addition, You will provide Us with Your governing documents, evidence of authority and written ratification of this Agreement in a document appropriate to Your form of organization. In computing the percentages of equity interest owned in You for purposes of this Paragraph 16, general partnership interests will not be distinguished from limited partnership interests.

17. REPRESENTATIONS

No Representations, Promises, Guarantees or Warranties of Any Kind Were Made by Us or Our Representatives Except as Specifically Set Forth in this Agreement. Applicant Understands That His or Her Success as a Franchisee Will Be Dependent upon His or Her Own Efforts and Judgments, and the Services of Those He or She Employs.

Applicant Understands And Agrees That We Have No Obligation to Accept This Application And May Refuse to Grant a Franchise For Any Reason, or No Reason, Without Disclosing The Basis For Our Decision. Applicant Acknowledges That Unless And Until We Notify Applicant in Writing That The Franchise Has Been Granted, Applicant Is Not a Franchisee And May Not Rely Upon Becoming a Franchisee.

NOTHING IN THIS AGREEMENT OR IN ANY RELATED AGREEMENT IS INTENDED TO DISCLAIM THE REPRESENTATIONS WE MADE IN THE FRANCHISE DISCLOSURE DOCUMENT.

18. ACKNOWLEDGMENTS; INDEPENDENT EVALUATION: YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT. AGREEMENT FOR THE SALE OF RECEIVABLES

This Agreement is made this ___ day of _____, 20___, between Hounds Mounds, Inc., a Texas corporation ("Franchisor") and _____ (" Seller/Grantor").

RECITALS:

- a) Franchisor and Seller/Grantor have entered into a Franchise Agreement dated -- (the "Franchise Agreement") which sets forth the terms of their relationship as it pertains to Seller/Grantor's Poop 911 business (the "Business").
- b) Franchisor, pursuant to the Franchise Agreement and subject to and on the terms of this Agreement, agrees to invoice the customers of the Business, collect the Business Receivables (defined below) and pay, from the Business Receivables so collected, certain other fees and costs of the Business.
- c) Franchisor, pursuant to the Franchise Agreement and subject to and on the terms of this Agreement, after collection of the Business Receivables and payment of Seller/Grantor's suppliers to the Business and other fees, agrees to remit the Net Proceeds (defined below) to Seller/Grantor.
- d) From time to time, Franchisor may pay Seller/Grantor prior to collection of the related Business Receivables. In order to facilitate such advances, Franchisor requires Seller/Grantor to pledge to the Franchisor the Business Receivables.

Agreement:

In consideration of the foregoing Recitals and the parties' signing and delivering the Franchise Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as set forth in the provisions below.

1. Grant of Security Interest. To secure the performance of all obligations of Seller/Grantor to Franchisor under this Agreement and the Franchise Agreement, Seller/Grantor grants to Franchisor a first priority security interest in the Business Receivables. Except as limited below, "Business Receivables" means all of the present and future accounts, contract rights, chattel paper, general intangibles, notes, drafts, acceptances, chattel mortgages, conditional sales contracts, bailment leases, security agreements and other forms of obligations to the Business now or hereafter arising out of or acquired in the course of the Business, together with all liens, guarantees,

securities, rights, remedies and privileges pertaining to any of the foregoing, now existing or hereafter arising and all increases, substitutions, replacements and additions to the foregoing, and all proceeds of the foregoing of every type, including cash and non-cash proceeds and returned and repossessed inventory; provided that "Business Receivables" shall not include any receivables generated by Seller/Grantor from activities unrelated to the Business or generated from or attributed to gains from the sale of assets, rents, royalties, interest, dividends or other passive activity. For purposes of this Agreement the term the "Business" shall mean only those activities conducted in association with the name "Poop 911" or others directly related to the use of the Poop 911 System under the Franchise Agreement.

2. No Other Security Interests. Seller/Grantor shall not, during the term of this Agreement, sell, transfer, pledge, hypothecate, or create or allow to exist a security interest or other lien in any of the Business Receivables to or in favor of any person, firm or corporation other than Franchisor. Seller/Grantor warrants and covenants that the Business Receivables are and will remain free and clear of all liens, claims and encumbrances whatsoever, except for those granted to Franchisor.

3. Sale of Business Receivables. Seller/Grantor will sell and, subject to the terms and conditions of this Agreement, Franchisor will buy, at the gross invoice amount, but subject to actual collection, all of the Business Receivables. All such Business Receivables shall be owned by and payable directly to Franchisor and Seller/Grantor hereby assigns and transfers to Franchisor all of his right, title and interest in and to all of the Business Receivables, and will upon Franchisor's request from time to time, execute and deliver to Franchisor, in confirmation of its title thereto, a detailed assignment of specific Business Receivables in a manner and form satisfactory to Franchisor. Franchisor shall have the right to give notice of this assignment to Seller/Grantor's customers and, at Franchisor's discretion, to bring all proceedings for collection in Seller/Grantor's name and to exercise any of Seller/Grantor's rights of stoppage in transit, replevin, and reclamation. Seller/Grantor acknowledges and agrees that such assignment shall take effect, and that Franchisor shall take title to each Business Receivable, immediately upon its creation. Seller/Grantor agrees, should any remittance of any Business Receivable be made directly to Seller/Grantor, to receive it in trust for Franchisor, as the property of Franchisor, and to immediately turn over to Franchisor the identical check or other form of payment so received, and Seller/Grantor hereby irrevocably appoints Franchisor, or any person designated by Franchisor, its true and lawful attorney-in-fact to: (a) endorse the name of Seller/Grantor on any notes, acceptances, checks, drafts, money orders, or other remittances relating to any of the Business Receivables; (b) endorse the name of Seller/Grantor on any invoice, freight, or express bill or bill of lading, storage receipt, warehouse receipt or other instrument or document in respect to the Business Receivables; (c) sign the name of Seller/Grantor to drains against Seller/Grantor, assignments or verifications of the Business Receivables and notices to Seller/Grantor's customers; (d) change the post office address of Seller/Grantor in the event Seller/Grantor ceases business due to bankruptcy or otherwise, or breaches this Agreement, or breaches or terminates the Franchise Agreement or if for any reason Franchisor feels insecure; and (e) do all other acts and things necessary to carry out the intent of this Agreement. The authority herein granted to Franchisor shall remain in full force and effect for so long as this Agreement shall remain in force and until all of the Business Receivables transferred to Franchisor have been paid in full.

4. Remitting Net Proceeds. As payment for the Business Receivables, Franchisor shall remit to Seller/Grantor at regular intervals at least twice per month the Net Proceeds of the Business Receivables upon collection by Franchisor. "Net Proceeds" means the gross amount collected by Franchisor from Seller/Grantor's customers since Franchisor's most recent remittance to Seller/Grantor, less: (a) fees due to Franchisor pursuant to the Franchise Agreement or any other agreement between Franchisor and Franchisee; (b) amounts Franchisor spends to adjust claims against the Business on Seller/Grantor's behalf pursuant to Section 6 below; and (c) any other amounts owed by Seller/Grantor to Franchisor or its affiliates. If Franchisor has paid out more money to or on behalf of Seller/Grantor than it has collected on the Business Receivables, Franchisor shall deduct the difference from the next payment due to Seller/Grantor as described above. In collecting the Business Receivables, Franchisor shall be obligated only to bill Seller/Grantor's customers. Notwithstanding any other provision of this Agreement, Seller/Grantor shall be solely responsible for the payment when due of all sales and use taxes payable on orders processed by Franchisor pursuant to this Agreement.

5. Acknowledgments. Seller/Grantor acknowledges and agrees that: (a) Franchisor may, in its discretion, assign the Business Receivables or any or all of its interest therein to, or grant a security or other interest in the Business Receivables in favor of, any third party creditor or lender of Franchisor; (b) Franchisor may refuse to process any order through the order processing system described in this Agreement if it believes, in its sole discretion, that the customer placing the order does not satisfy Franchisor's minimum standards of creditworthiness; and (c) pursuant to Section 3.3.1 of the Franchise Agreement, Franchisor may, in its sole discretion and in addition to any other remedy it may have under the Franchise Agreement, withdraw Seller/Grantor's right to participate in the order processing system described in this Agreement if Seller/Grantor is in default or in violation of any provision of the Franchise Agreement from the date upon which Franchisor gives notice to Seller/Grantor of its default or violation until such default or violation is fully cured. So long as there are no amounts then owing to Franchisor from Seller/Grantor, Franchisor shall assign back to Seller/Grantor any Business Receivables related to invoices from suppliers to Seller/Grantor which Franchisor will not pay.

6. Settlement of Disputes. Franchisor shall have the right in good faith to settle or adjust all disputes or claims directly with Seller/Grantor's customers with respect to the Business Receivables on the terms of this Agreement and to compromise or extend the time of payment for the Business Receivables on such terms and conditions as Franchisor may determine without affecting the liability of Seller/Grantor hereunder. Seller/Grantor shall cooperate with Franchisor in efforts to resolve any disputes between Franchisee's customers.

7. Waiver; Cumulative Rights. The waiver by Franchisor of any breach of this Agreement or of any warranty or representation set forth herein shall not be construed as a waiver of any subsequent breach. The rights of the parties are cumulative, and the exercise or failure to exercise any rights and remedies herein provided shall not preclude any exercise or enforcement of any other right or remedy hereunder or to which a party is entitled by any other agreement between the parties or by law.

8. Rights Upon Expiration or Termination. Upon expiration or termination of the Franchise Agreement, Franchisor shall have the right, but not the obligation, to purchase the remaining Business Receivables from Seller/Grantor. This Agreement shall terminate as of the date after the expiration or termination of the Franchise Agreement on which all fees and other amounts owed by Seller/Grantor to Franchisor have been paid and Franchisor has been reimbursed in full for all amounts it has paid to suppliers on behalf of Seller/Grantor.

Upon the expiration or termination of this Agreement Franchisor may, but is not obligated to, assign back to Seller/Grantor any Business Receivables outstanding more than ninety (90) days and not collected by Franchisor, provided Franchisor has obtained any necessary consents from its lenders.

9. Additional Documents. Seller/Grantor agrees to execute and deliver to Franchisor any and all additional instruments or documents, including, without limiting the generality of the foregoing, financing statements and other documents required for the perfection or modification of Franchisor's security interests, and to do all things which Franchisor from time to time may deem necessary or convenient to effect the provisions of this Agreement.

10. Amendment and Assignment. This Agreement may not be altered or amended except with the written consent of each of the parties. This Agreement shall be binding upon and inure to the benefit of the respective heirs, executors, administrators, successors and permitted assigns of the parties hereto.

11. Governing Law. This Agreement and the rights, obligations and duties of each of the parties hereto shall be construed according to the laws of the State of Texas, without regard to its conflicts of laws principles.

12. Construction. Wherever in this Agreement the context so requires, the singular form of a word shall include the plural and the masculine and neuter forms shall include each other and the feminine. The headings of the various sections of this Agreement are for convenience only and do not affect the meaning or construction of any provision. If two or more persons are the Seller/Grantor hereunder, their obligations and liabilities under this Agreement shall be joint and several. A reference to "Seller/Grantor" includes each individual who is the Seller/Grantor hereunder.
