What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Mandatory Minimum Payments:** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Special Risks to Consider About *This Franchise*

Certain States may require other risks to be highlighted. If so, check the “State Specific Addenda” pages for your state.

Our franchised business

We franchise the right to operate an appraisal practice that engages in the appraisal of commercial, industrial, multi-family and residential real property, businesses and their equity, and business furniture, fixtures, equipment, machinery, and other personal property, appraisal consulting, appraisal reviews, evaluations to develop opinions of value, and providing appraisal related expert testimony.

Franchisees are not permitted to engage in business as a appraisal management company (“AMC”), real estate brokerage, or any other business through their franchised business operations other than those expressly permitted by us. AMC activities means overseeing and administering a network or panel of appraisers to value properties collateralizing mortgage loans or mortgages, where the AMC utilizes criteria determined by its customer or applicable laws, rules, or regulations, such as FIRREA, to determine the qualifications of the appraisers eligible to be a network or panel member. AMC activities may also include conducting appraisal reviews for a customer to ascertain

compliance with applicable laws, rules, or regulations, recruiting, selecting, and retaining appraisers, contracting with licensed and certified appraisers to perform appraisal assignments, managing the process of having an appraisal performed, or reviewing and verifying the work of appraisers. Typically, though not in all cases, if you engage in AMC activities you may be required by law to register with applicable regulatory authorities.

Real estate brokerage activities involve the listing, marketing, and brokering of real estate.

We only grant franchises to a person who has, or to an entity where at least one owner holding not less than ten percent of such entity has, for at least the two past years: (1) been regularly engaged on a full-time basis in the business of appraising property of the type or types that the franchised business will appraise, and (2) holds all licenses necessary to do so.

Our Experience

We began offering Valbridge franchises in 2013. Neither we nor our parent or predecessor have engaged in any other line of business or offered franchises in any other line of business in the past. Neither we, our parent, nor our predecessor operated a business of the type being franchised, except for franchising the franchised business. Our parent engages through subsidiaries in other businesses that are related to the appraisal practice activities, including maintaining and licensing a real property database through Data Solutions, and providing software-as-a-service automated report writing platform through Data Appraise that we require our franchisees to utilize. Neither we, our parent, our sibling entities, nor our predecessor engage, or have engaged, in the appraisal business.

Our managers and the officers and directors of our parent currently operate independently owned businesses that are franchisees of ours and engage in the appraisal business (see Item 2 below). All of these businesses are franchisees of ours.

We also provide licensees to operate an appraisal practice under a trademark license permitting licensees to use certain of our trade and service marks and trade secrets. In such cases our licensees are not bound to most of the requirements and restrictions set forth in the franchise agreement.

The Franchise

You will convert your existing appraisal practice into a Valbridge Property Advisors franchised business for the property type or types that your practice currently appraises. You must operate the Valbridge Property Advisors franchised business according to our standards and specifications, and you must sign our standard Franchise Agreement and attachments (Exhibit B).

Competition

Your customer market will be primarily owners of real property and businesses, banks and other lenders, insurance companies, trusts and estates, and others engaged in the ownership, management, and brokerage of real estate, litigation concerning real estate, and in appraisal management.

The market for rendering appraisals is well-developed and very competitive. You will be competing with many other local, regional, and national independent and franchised

companies that provide similar services. Before signing a Franchise Agreement, you should survey your market to determine the number and quality of competitors.

Laws and Regulations

Many, if not most, states and other governmental entities require appraisers to be licensed. You must be licensed to appraise properties of the type for which you engage in the franchise business in those jurisdictions that require licensure if either your office will be located in that jurisdiction, or you will conduct appraisals there.

You must also be licensed as an appraiser to conduct an appraisal of real property for federally related lending transactions.

Appraisals are generally conducted in accordance with Uniform Standards of Professional Appraisal Practice, also known as “USPAP,” and other rules and regulations applicable to the property type that is the subject of the appraisal, though there are instances when USPAP is not applicable.

You must comply with all federal, state, and local laws, rules, and regulations in the operation of the franchised business. Types of generally applicable laws include health and sanitation, immigration laws, tax laws, unemployment and workers’ compensation laws, workplace safety laws, employment and discrimination laws, disability laws, environmental laws, building codes, zoning codes and the Americans With Disabilities Act. We urge you to consult with a local attorney about state and local laws and regulations as these vary by locality.

Prior Actions

MJN Enterprises, Inc. v. Valbridge Property Advisors, Inc., Valbridge Property Advisors Franchising System, LLC, Shaner Appraisals, Inc., Shaner Appraisals, LLC, Insight Realty Advisors, LLC, Mitchell Appraisals, Inc., Mitchell Appraisals, LLC, Laird Goldsborough, Joanne Montgomery, Case No. C20232709 (Superior Court of Arizona, Pima County filed June 16, 2023).

Our former franchisee, MJN Enterprises, Inc. (“**MJN**”), filed suit against the Franchisor and the Parent as well as the other defendants, including a current director (Joanne Montgomery) and a former director of the Parent, and certain franchisees, for (1) intentional interference with contract, alleging that we used improper means to interfere with MJN’s contracts to sell its Arizona franchise, through improper marketing and improper influence, and (2) breach of fiduciary duty, alleging the defendants owed a fiduciary duty to MJN, to act and make decisions with respect to MJN consistent with their obligation of good faith and fair dealing and free from conflicting interests, which the defendants allegedly breached. MJN sought both compensatory damages of an unspecified amount and punitive damages, together with pre- and post-judgment interest, and attorneys’ fees and costs. On February 8, 2024, upon stipulation of MJN, the franchisees, the current director (Mrs. Montgomery), and the former director, the lawsuit was dismissed with prejudice as to those defendants. The lawsuit was voluntarily settled as concerns the Franchisor and the Parent. Under the settlement agreement, the Franchisor and the Parent agreed to pay MJN \$70,000 and MJN agreed to provide transfer the capital stock of the Parent to the Parent, cease use of all Valbridge trademarks, and dismiss the action with prejudice. On February 15, 2024, the lawsuit was dismissed with prejudice as to the Franchisor and the Parent. The parties to the Settlement Agreement expressly denied liability.

No other litigation information is required to be disclosed in this Item.

Item 4. **Bankruptcy**

No bankruptcy information is required to be disclosed in this Item.

Item 5. **Initial Fees**

At the time you sign the Franchise Agreement, you must pay us:

- 1.) an initial franchise fee of \$25,000,
- 2.) an initial technology infrastructure fee of \$5,000,
- 3.) a first-year premium of between \$921 and \$38,149 plus an administrative fee of five percent (5%) of the premium due for the professional liability insurance policy secured by us and covering us and you,
- 4.) an initial Deductible Reserve Contribution Fee of between \$23 and \$976 to be used to establish and replenish a deductible reserve that is used by us to pay any deductible becoming due from us under the professional liability insurance policy, and

- 5.) a first month's real estate database license fee of between \$320 and \$400 for each appraiser and other appraisal related professional that you employ or engage as a contractor.

At the time you sign the Franchise Agreement, you must pay our affiliates:

- 1.) a first-year subscription fee of \$850 per appraiser providing services to your franchised business (whether as an employee or a contractor), plus \$375 per support staff providing services to your franchised business (whether as an employee or a contractor), to the Datappraise report writing platform,
- 2.) a fee of between \$5,000 and \$15,500 for the conversion of the digital real estate data maintained and utilized by you prior to becoming a franchisee, to a form that can be utilized by the report writing platform and stored on the Valbridge Database, and
- 3.) a Cost Reduction Payment of between \$1,500 and \$1,867.

Initial Franchise and Initial Technology Infrastructure Fees

The initial franchise fee has ranged from \$0 to \$25,000 over the past twelve months, and the initial technology infrastructure fee ranged from \$0 to \$5,000 over the past twelve months.

We have permitted some new franchisees to delay payment of the initial franchise fee and the initial technology infrastructure fee until they have achieved an agreed upon amount of revenues, added an owner, transferred an ownership interest, sold or closed their appraisal practice, or terminated or renewed their franchise agreement.

The initial franchise fee and initial technology infrastructure fee are used by us to meet our initial obligations to you under the Franchise Agreement, including: to pay our expenses incurred in providing you with: (1) digital templates containing the Valbridge Mark, for your use in business correspondence, sales and marketing materials, (2) advice concerning the transition of your present appraisal business into the franchised business, (3) advice and information concerning sources of supply for materials to be used in the operation of the franchised business, (4) instructions and training on how to: (a) operate the franchised business, (b) subscribe to the Data Solutions real estate information database, and (c) access and use the Technology Infrastructure that you will be required to use in the operation of the franchised business, (5) access to and information on how to subscribe to the selected report writing platform, (6) the specifications for required equipment (e.g., computer system) that may be necessary to utilize such Technology Infrastructure, (7) other relevant manuals and written materials we provide for the operation of the franchised business, and (8) a listing of your franchised business and the qualifications of your employees on the website maintained by us. We will also use the balance of the initial fee left after providing the above-described items and information, if any, for general working capital for the operation of our business. The initial franchise fee and the initial technology infrastructure fee are fully earned and non-refundable when received by the Franchisor.

Professional liability insurance Premium and Deductible Reserve Contribution Fee

We maintain a professional liability insurance policy covering us and our franchisees for the appraisal and related professional services that are authorized to be performed by our franchisees and licensees in accordance with the franchise agreement or license agreement. The professional liability insurance policy has limits of liability of \$5 million per claim and \$5 million for the aggregate of all claims, and a deductible of \$50,000 on the first claim and \$50,000 for each subsequent claim for the policy period.

The current professional liability insurance policy is issued by an insurance company that is not affiliated with us and covers claims reported during the policy period from April 22, 2024, to April 21, 2025, for professional appraisal services rendered from and after the date you commence operations as a franchisee. You may also be covered for professional appraisal services rendered earlier than the date you became a franchisee if that extended period is approved by us and by the provider of the professional liability insurance policy, and you pay any additional premium arising therefrom.

The initial premium is used by us to pay the premiums that become due for this policy. The Deductible Reserve Contribution Fee is used by us to establish and replenish a reserve to: (1) pay the deductible that is due from us in the event of a claim in which we are a defendant, and (2) loan up to \$20,000 each to one or more franchisees in the event of a claim against a franchisee where the franchisee is unable to pay the full amount of the deductible on the policy. Each loan made to a franchisee from the deductible reserve bears interest and must be repaid no later than three years after the making of the loan. The principal amounts of repaid deductible reserve loans are returned to the deductible reserve. The premium and deductible reserve contribution fee for the period from the time you sign the Franchise Agreement until the professional liability insurance policy renewal date are set by us prior to the time you sign the Franchise Agreement in an amount that is based on the anticipated increase in the premium arising from covering your business under the professional liability insurance policy and our estimate of a reasonable reserve based on the policy deductible. The reserve is currently set at four times the amount of the professional liability insurance policy deductible. The premium for the professional liability insurance policy is set by the insurance company issuing the policy and is prorated based on the time left under the current policy at the time you sign your franchise agreement. Your franchised business will be covered under our professional liability insurance policy after you commence operations as a franchisee.

Report Writing Platform Fees, Data Conversion Costs, and Cost Reduction Payments.

Dataprprise

The current report writing platform that we require our franchisees to utilize to prepare reports in connection with their franchised appraisal business is known as Dataprprise. Dataprprise is owned and operated by our affiliate, Data Appraise Systems, LLC (“**Data Appraise**”).

You must pay Data Appraise: (1) a first-year fee for use of the *Dataprprise* software-as-a-service report writing platform and a license to use the related desktop software, and (2) the costs to transfer the digital real estate related data utilized by your appraisal practice prior to becoming a franchisee into data that is accessible via Dataprprise.

The fee for the first year for Datappraise and the license to the related desktop software is \$850 per appraiser employed or engaged as a contractor by your franchised business, and \$375 per support staff employed or engaged by your franchised business. The initial fees are fully earned and non-refundable at the time you pay them to Data Appraise.

The cost for the conversion of your real estate related data is based on the structure and amount of data to be converted and is typically billed at an hourly rate by an unaffiliated third-party vendor that has been approved by Data Appraise. We estimate the minimum cost to be \$3,750 based on converting an existing appraisal software database of up to 10,000 records in a format utilized by a common existing software known as *Datacomp*. We estimate the cost for the conversion of an existing database of up to 50,000 records that are also in a *Datacomp* format to be approximately \$15,000. It is not possible to determine the exact amount of this fee without information about the type of the database to be converted and the number of records in that database. The cost will be estimated once we have information about your data and the estimated amount is held as a deposit to be applied to those costs. If the costs exceed the estimate, you are responsible to reimburse Data Appraise for those costs. If the costs are less than the estimate, Data Appraise will refund the excess to you.

The Franchisor reserves the right to change the report writing platform upon not less than thirty (30) days written notice to you.

V-Bridge

The Franchisor expects that, during the term of your franchise, its affiliate, V-Bridge, LLC, will develop, and once developed the Franchisor will change the required report writing platform from Datappraise to a writing platform that will be known as “V-Bridge.”

When the change of the report writing platform occurs, you will be required to: (1) stop using Datappraise, (2) only use V-Bridge to prepare appraisal reports in connection with your franchised appraisal business, and (3) pay V-Bridge a per user fee for use of the platform and a license to use related desktop software. The data utilized by the Datappraise platform will be accessible to and usable by the V-Bridge report writing platform without further modification. Each franchisee will be required to enter the current form of the V-Bridge Report Writing Platform SaaS Agreement to have access to and utilize the V-Bridge report writing platform in the conduct of its franchised business.

The retail fee for access to and use of the V-Bridge report writing platform and the license to any related desktop software will be \$3,500 per employee or contractor engaged by your franchised business (i.e., per “seat”) for the first year it is available. The retail fee will be discounted as provided in the Cost Reduction Payment Agreement (see below), including the right to one free seat for use by an administrative or management employee. Except as limited by the Cost Reduction Payment Agreement, the annual fee is not fixed and will likely increase each year during the term of your franchise, and we are not restricted in the amount of the annual fee for the V-Bridge report writing platform.

Cost Reduction Payment Agreement.

At the time you enter the Franchise Agreement, you must also enter a Cost Reduction Payment Agreement with our affiliate, V-Bridge, LLC.

Pursuant to the Cost Reduction Payment Agreement, you must pay us a Cost Reduction Payment of between \$4,350 and \$5,600 (the exact amount of which shall be determined in accordance with the Cost Reduction Payment Agreement attached as Exhibit H to the Franchise Agreement).

The total Cost Reduction Payment is payable in installments of: (1) one-third by the later of June 1, 2024, or the date you sign the Franchise Agreement, (2) one-sixth on each of September 1, 2024, December 1, 2024, and March 1, 2025, and (3) the balance by June 1, 2025.

You also have the option to pay the Cost Reduction Payment Agreement in two installments of: (i) two-thirds of the total Cost Reduction Payment by the later of June 1, 2024, or the date you sign the Franchise Agreement, and (ii) the balance by March 1, 2025. If you elect this option, the per seat cost for the V-Bridge report writing platform discussed below will be further reduced by \$200 per year.

If you fail to timely pay any installment, we can require you to pay the balance of the Cost Reduction Payment in 10 days. If you breach the Cost Reduction Payment Agreement, you will be charged the annual retail per seat rate for access to the V-Bridge report writing platform.

The Cost Reduction Payment will be used by V-Bridge, LLC, to develop the V-Bridge report writing platform that will replace the Datappraise report writing platform.

Once it is developed and available for use by the franchisees, you will be required to enter the then current form of the V-Bridge Report Writing Platform SaaS Agreement to have access to and utilize the V-Bridge report writing platform.

The annual retail per seat rate that V-Bridge intends to charge for access to its report writing platform is \$3,500. After you pay the Cost Reduction Payment and the V-Bridge Bridge report writing platform development is completed, you will receive: (1) one free seat for an administrator or manager of your franchise, and (2) a discounted annual rate of between \$1,950 and \$2,500 for each other seat that is used by your franchise. The free seat and discounted rate will remain in effect for the length of your franchise agreement, but not less than three years.

The initial franchise fee, initial technology infrastructure fee, first-year premium for the professional liability insurance policy, and the Deductible Reserve Contribution Fee are fully earned and non-refundable at the time you sign the Franchise Agreement.

The first-year subscription fees and the database fee are fully earned and non-refundable at the time you sign the Datappraise Software Services and License Agreement (Exhibit F to the Franchise Agreement), and the Database Access and License Agreement (Exhibit G to the Franchise Agreement), respectively. The installments of the Cost Reduction Payment payable pursuant to the Cost Reduction Payment Agreement (Exhibit H to the Franchise Agreement) are fully earned and non-refundable at the time you pay them to V-Bridge.

Real Estate Information Database License from CoStar.

We contract with and pay CoStar Group, Inc., an unrelated entity, for access to a nationwide real estate information and transaction related database and a license to use the data downloaded from such database for franchisee appraisal related activities. We

make the database and license available to our franchisees and licensees in exchange for a real estate database license fee. The real estate database license fee varies depending on a number of factors, including whether you had an existing contract with CoStar Group, Inc., at the time you become a franchisee. The fee is the greater of the fee that you paid on your existing contract or the amount you would have to pay under our contract. The real estate database license fee payable by franchisees under our contract is between \$320 and \$400 per month for each appraiser and appraisal related employee or contractor employed or engaged (each being referred to as a 'seat'). See Item 6, Note 9 for additional information. The real estate database license fees are payable by you to us each calendar month and are fully earned and non-refundable at the time you pay them to us.

Notes:

1. Unless otherwise stated, all fees are uniformly imposed by us. All fees are non-refundable.
2. **Base Royalty.** One twelfth of the Base Royalty is payable to us monthly during each franchise year. The base royalty is subject to adjustment in any year where the franchise term is less than the full year.
3. **Royalty.** In addition to the Base Royalty, you are obligated to pay us a revenue-based Royalty that is equal to three and a half percent (3.5%) of that portion of your Adjusted Gross Revenue (see note 4 below) that is in excess of \$725,000 each calendar year. The threshold amount for measuring revenue-based royalty is subject to adjustment in any year where the franchise term is less than the full year.

4. Gross Revenue and Adjusted Gross Revenue.

“*Gross Revenue*” means the total gross revenues of the subject person, entity, trust, or association for the applicable period determined in accordance with the Selected Accounting Method if such person, entity, trust, or association is the franchisee, and on a cash basis if another person, entity, trust, or association, and shall include gross revenue from each and every non-financing activity of the franchisee, whether arising from engaging in the franchised business or any other non-financing activity. Gross Revenue consisting of property or services received (for example, bartering or trade outs) shall be the amount that is equal to the fair market value of the products or services received at the time received by the subject person, entity, trust, or association.

“*Selected Accounting Method*” means the method selected, either cash basis method or accrual method, by the franchisee in the franchise agreement.

“*Adjusted Gross Revenue*” means the result of: (1) the Gross Revenue of the franchisee, less (2) the amounts paid or payable by the franchisee for the applicable period in accordance with the Selected Accounting Method to other franchisees and licensees of the Franchisor, as referral fees to the Franchisor, and to any unrelated contractors for fees and costs that do *not* arise from the conduct or any part of the franchised business (e.g., pass through payments to professional engineers, architects, etc.), for or in connection with matters giving rise to the total gross revenues reported for the applicable period, or that arise from the conduct or all or any part of the franchised business utilizing a contractor appraiser where: (a) the appraisal report or other work product that results from the engagement does not bear any trade or service mark or tradename licensed to the franchisee, and is not signed in the name of the franchisee or by any employee, affiliate or direct or indirect owner of the franchisee, and (b) the amount paid to the appraiser by the franchisee is seventy five percent (75%) or more of the fee charged by the franchisee for the engagement, plus (3) the Gross Revenue of each direct and indirect owner of a franchisee or his, her, or its affiliates for the applicable period that arise from or in connection with such person engaging in all or any part of the franchised business and where such Gross Revenue was not included in the Gross Revenue of the Franchisee under (1) above.

Gross Revenue and Adjusted Gross Revenue are pro rated in any year where the franchise term is less than the full year.

5. Payment of Royalty. The Base Royalty plus an estimate of the franchisee’s revenue-based Royalty are paid to us monthly throughout each year of the franchise term. That estimate is initially calculated using the franchisee’s actual revenues for the prior year.

We can adjust the estimated revenue-based Royalty on 30 days written notice to you if we reasonably believe that the estimated payments will result in a significant underpayment or overpayment. Adjustments are made on a case-by-case basis.

You are required to make up any shortfall between the estimated payments of Royalty and the actual calculated amount of the Royalty within 45 days after the end of each calendar quarter. If your estimated payments of Royalty are greater

than the actual calculated amount of the Royalty, we will credit the excess against future Royalties due us, except that, in the case of the last year of the franchise agreement where the franchise agreement is not renewed, we will pay you the excess within sixty (60) days after the end of the franchise term, subject to set-off for any amounts you owe to us.

6. We may establish a Capital Reserve Assessment fee that will be due to us with the payment of Base Royalty if it is payable by all franchisees. However, we may not assess a Capital Reserve Assessment fee before October 1, 2025, or when our reserves are equal to or greater than six months of our operating expenses. We have the sole right to determine how and when to use Capital Reserve Assessment fees. One twelfth of the Capital Reserve Assessment fee is due monthly during the time it is in effect.
7. Report Writing Platform.

Dataprprise

The Dataprprise software-as-a-service report writing platform (the *Dataprprise*) is a report writing platform and related software that is offered by our affiliate, Data Appraise Systems, LLC. The Dataprprise automates assembly of appraisal reports from real estate related data maintained on the Data Solutions Database (see note 9) accessible via the Dataprprise. This fee is non-refundable and is paid directly to Data Appraise Systems. We require you to purchase and use the Dataprprise in connection with your operation of the franchised business.

We may change the report writing platform during the term of your franchise. If we change the report writing platform software or online service, we will provide you with at least thirty (30) days' written notice.

V-Bridge

The Franchisor expects that, during the term of your franchise, it will change the required report writing platform from the Dataprprise to another software-as-a-service report writing platform that is currently under development by our affiliate, V-Bridge, LLC, and known as "V-Bridge."

Cost Reduction Payment

At the time you enter the Franchise Agreement, you must also enter a Cost Reduction Payment Agreement with our affiliate, V-Bridge, LLC.

Pursuant to the Cost Reduction Payment Agreement, you must pay us a Cost Reduction Payment of between \$4,350 and \$5,600 (the exact amount of which shall be determined in accordance with the Cost Reduction Payment Agreement attached as Exhibit H to the Franchise Agreement).

The total Cost Reduction Payment is payable in installments of: (1) one-third by the later of June 1, 2024, or the date you sign the Franchise Agreement, (2) one-sixth on each of September 1, 2024, December 1, 2024, and March 1, 2025, and (3) the balance by June 1, 2025.

The Cost Reduction Payment will be used by V-Bridge, LLC, to develop the V-Bridge report writing platform that will replace the Dataprprise report writing platform.

Once it is developed and available for use by the franchisees, you will be required to enter the then current form of the V-Bridge Report Writing Platform SaaS Agreement to have access to and utilize the V-Bridge report writing platform.

The annual retail per seat rate that V-Bridge intends to charge for access to its report writing platform is \$3,500. After you pay the Cost Reduction Payment and the V-Bridge Bridge report writing platform development is completed, you will receive: (1) one free seat for an administrator or manager of your franchise, and (2) a discounted annual rate of between \$1,950 and \$2,500 for each other seat that is used by your franchise. The free seat and discounted rate will remain in effect for the length of your franchise agreement, but not less than three years.

8. Data Solutions Database. The Data Solutions database is an online database offered by our affiliate, Valbridge Property Advisors Data Solutions, LLC. The database enables the sharing of data among our franchisees for the preparation of appraisal reports and undertaking other aspects of the franchised business. As of the date of this FDD, Data Solutions does not charge an access fee, but may do so in the future after providing notice to the franchisees. According to the Database Access and License Agreement, this fee may be up to \$250 per month per firm during the term of the agreement. This fee is non-refundable and is paid directly to Data Solutions. We require you to purchase and use the Data Solutions database in connection with the operation of your franchised business.
9. Real Estate Database License Fee. The real estate database license fee pays for access and a license to use the data from a nationwide real estate information and transaction related database maintained and made available by CoStar Group, Inc. We contract directly with and pay CoStar for access to the database and the license to use the data for appraisal related activities and make it available to our franchisees and licensee in exchange for the real estate database license fee. The information is provided on a subscription basis, and you are required to enter an agreement with CoStar agreeing to abide by the restrictions of the contract between us and CoStar.

Your per appraiser and appraisal related employee or contractor ("per seat") real estate database license fee will be the greater of: (i) the per seat fee you paid as a CoStar customer under a contract between your firm and CoStar in effect at the time you sign your franchise agreement (that will be terminated when you become a franchisee or licensee), if you have one, or (ii) the per seat fee based on the size of your franchise territory, will be set before you sign your franchise agreement and ranges between \$320 and \$400 per seat. Your total real estate database license fee will be the per seat fee multiplied by the total number of appraiser and appraisal related employees and contractors you have on staff (with certain very limited exceptions).

The contract between us and CoStar has a term through June 30, 2025, and the above amounts will likely increase after that date.

10. The franchisee is responsible for travel, lodging and other expenses of attending the franchisee meeting.

11. The premium payable for the professional liability insurance policy that covers the appraisal and related professional services performed by our franchisees and licensees is allocated by us to each franchisee based on information from the insurance company providing the insurance and reflects a risk assessment of each franchisee and licensee as conducted by our insurer. The current professional liability insurance policy is issued by an insurance company that is not affiliated with us, and covers claims reported during the policy period from April 22, 2024, to April 21, 2025, for services performed during such period and for the period beginning with the time you commenced your franchised business. This policy has limits of liability of \$5 million per claim and \$5 million for the aggregate of all claims during the policy period and has a deductible of \$50,000 on the first claim and \$50,000 for each subsequent claim.

The insurance company providing the current professional liability insurance policy requires payment of the premium in a lump sum at the renewal date. We have the option to finance that premium with a third-party financing company. If we finance the premium, the interest paid by us is allocated to those franchisees not paying their portion of the premium in a lump sum, based on each such franchisee's portion of the premium financed.

We charge an administrative fee to cover our costs of securing and administering the professional liability insurance policy and payment of the premium. The premium for the professional liability insurance policy is non-refundable.

12. We currently assess a Deductible Reserve Contribution Fee against each of our franchisees and licensees and use the proceeds to create, maintain and replenish a deductible reserve fund. The deductible reserve fund is used by us in connection with professional liability claims for which we are covered by the professional liability policy arranged by us to: (i) pay the deductible amounts that become due if we are the defendant in any lawsuit arising from such a claim, and (ii) loan up to \$20,000 to a franchisee that is a defendant in a professional liability claim to assist such franchisee with paying the deductible due on that policy. The fee is allocated in substantially the same manner as the allocation of the professional liability policy premium. However, we reserve the right to change that allocation based on the history of claims and other business factors. We do not assess the fee during the time when the balance of the deductible reserve fund is at least four times the deductible of the professional liability policy. That deductible can change from year to year. If, in any policy period, the deductibles payable by us exceed the balance of the deductible reserve fund, we may require franchisees and licensees to pay additional Deductible Reserve Contribution Fees.
13. If a professional liability claim is made against your business, you will have to pay the deductible due in connection with that claim yourself and you must reimburse us for any deductible we are required to pay as result of any professional liability claim against you or any of your employees or contractors. If you are in good standing, you are the subject of a claim covered by the professional liability policy, the deductible reserve fund has sufficient funds, and you cannot pay the full amount of the deductible, we will lend you up to \$20,000 to pay the balance of the deductible if you make and deliver to us a promissory note for the amount

borrowed. The loan will bear interest at two percentage points above the prime rate in effect on the date you make the note, unless you default on any of your obligations to us, in which case the loan will bear interest at the highest rate permitted by Florida law, currently 18% annual interest. You begin making payments on the loan on the first day of the calendar quarter immediately after you make the note. Those payments will be interest only until we advance at total of \$20,000, the claim against you is resolved or the first anniversary of the making of the note, whichever happens first. At that time, the note payments will change so that the principal and interest are repaid in full in eight (8) equal quarterly installments.

14. Liquidated Damages. If you breach certain provisions of the franchise agreement, we can collect liquidated damages from you. Liquidated damages are designed to compensate us for damages that we incur as a result of your breach of the franchise agreement where the actual damages are difficult or impossible to determine.

Notes:

1. See Item 5 for a description of the initial franchise fee. The initial franchise fee is not refundable. We do not offer financing of the initial franchise fee.
2. See Item 5 for a description of the initial technology infrastructure fee. The initial technology infrastructure fee is not refundable. We do not offer financing of the initial technology infrastructure fee.
3. See Item 5 for a description of the Professional liability insurance Premium and Deductible Reserve Contribution Fee.
4. This amount is the startup fee for the report writing platform, which, as of the date of this Franchise Disclosure Document, is the Datappraise platform and related software that is offered by our affiliate, Data Appraise Systems, LLC. Datappraise provides a database for managing real estate related data and automates assembly of reports and information from that data, including the transfer and conversion of the digital real estate related data utilized by your business prior to

becoming a franchisee into the format required for the Data Solutions database and for use with the report writing platform. We require you to secure access to and use our designated report writing platform and the Valbridge Database operated by Data Solutions, in connection with the operation of your franchised business. The fee for the first year of the Data Appraise report writing platform is \$850 per appraiser, trainee, analyst, or person with similar duties employed or engaged as a contractor and \$375 per support staff employed by your franchised business. You must purchase one subscription for each appraiser, trainee, analyst, or person with similar duties employed or engaged as a contractor by you, and one subscription for each support person employed by you. The cost for the conversion of your real estate related data is based on the structure and the amount of that data to be converted and is typically billed at an hourly rate by a third-party vendor that has been approved by Data Appraise Systems. The minimum amount of this cost is based on a two-appraiser office with one support staff employee and the cost of converting an existing appraisal software database of up to 10,000 records in a format utilized by a common existing software known as *Datacomp*. The larger cost is based on an eight-appraiser office with two support staff employees and conversion of an existing database of up to 50,000 records that is also in a *Datacomp* format. It is not possible to determine the exact amount of this fee without information about the type of database to be converted and the number of records in that database.

5. See Item 5 for a description of the Cost Reduction Payment Agreement.
6. See Item 5 for a description of the Real Estate Database License. The per seat fee is based on your territory size and assumes you did not have a prior license with CoStar at the time you became a franchisee. The minimum amount of this startup fee is based on a two-appraiser office with no support staff in a mid-size territory. The greater amount of this startup fee is based on a six-appraiser office with two support staff in a large territory. This fee is paid to us and is not refundable. It is not possible to determine the exact amount of this fee without information about whether you had a prior license with CoStar and without the number of your appraiser and appraisal related employees and contractors.
7. This amount will vary depending on whether the fixtures at the current location from which you currently operate your business meet our minimum criteria, rules, and requirements for the operation of the franchised business. You are required to purchase new signage for your location. Whether or not this amount is refundable will depend on the arrangement you make with your third-party suppliers.
8. We require you to have signage at your office that bears our Mark and that identifies your franchised business as independently owned and operated. We require you to operate the franchised business from an office that qualifies as not less than "Class B" office space and expect that you will lease such space. This amount will only be incurred if the location from which you currently operate your business does not fully meet our minimum criteria, rules, and requirements for the operation of the franchised business and you are required to relocate your operation. Lease costs will vary based on size in square feet to be leased, cost per square foot, location, length of the lease, age of the leased property, local market conditions, size of the site and bargaining power of the developer or property

management company. When you sign a lease, the landlord may require you to provide a full or limited personal guarantee, or a letter of credit and/or a security deposit. The low estimate assumes that you are not required to pre-pay any rent or to provide a security deposit. Generally, once rent is paid it is not refundable. However, whether or not the amounts paid by you are refundable will depend on the arrangement you make with your landlord.

9. This amount will only be incurred if the current location from which you operate your business does not fully meet our minimum criteria, rules, and requirements for the operation of the franchised business and you are required to relocate your operation. The estimate shown includes utility charges for the first 3 months of operation of your franchised business and, if applicable, utility deposits. If you are a new customer of your local utilities, you will generally have to pay deposits in connection with services such as electric, telephone, gas, and water. The amount of the deposit will vary depending upon the policies of the local utilities. Generally, utility deposits are refundable if you have timely and fully paid your utility bills. However, whether or not the amounts paid by you are refundable will depend on the arrangements you make with your utility providers.
10. You must obtain and maintain certain required insurance (see Item 5, Item 7, and Item 8 of this Franchise Disclosure Document, and Section 14 of the franchise agreement for more information). Generally, insurance premiums paid in advance are refundable if you terminate your insurance early. However, whether or not the amounts paid by you are refundable will depend on the arrangements you make with your insurance providers.
11. This amount will vary depending on whether the furniture, fixtures, and equipment (including computer equipment) at the location from which you currently operate your business meets our minimum criteria, rules, and requirements for the operation of the franchised business. You must acquire and use computer equipment and software meeting our specifications (see Item 11 for more information). Sellers of furniture, fixtures and equipment may provide refunds if you return the furniture, fixtures, and equipment within a specific period of time after purchase and retain a receipt. However, whether or not your purchases of furniture, fixtures and equipment are refundable will depend on the arrangements you make with those sellers.
12. Local, municipal, county and state regulations vary on what licenses and permits are required to operate a Valbridge Property Appraisers franchised business. Classification of various types of businesses by local governments can cause the cost of licenses to vary. These fees are paid to governmental authorities, when incurred, before beginning business and are usually not refundable.
13. You may decide to hold the franchise in a legal entity and transfer the Franchise Agreement to an entity formed before beginning operations. Regardless of the ownership of the Valbridge Property Appraisers franchised business, you must comply with the fictitious, assumed, or trade name statutes of the state in which the franchised business will be located. These costs may vary depending on each state's laws and the prevailing rate of attorneys' fees. The fees are usually not refundable.

14. You must pay for all out-of-pocket expenses, workers' compensation insurance and all employee compensation along with federal and state taxes for the trainees. We assume no responsibility for your human resource-related liabilities or costs during initial training. You or, if you operate as a corporation or limited liability company, your officers, directors, and managers, must successfully complete the then current online portion of the Training on or within 30 days after the Effective Date, but in any event before beginning operation of your franchised business. You or, if you operate as a corporation or limited liability company, your chief operating officer or manager, shall, at your sole expense, attend the next meeting of the franchisees of Franchisor on or within one (1) year of the Effective Date. The typical costs of training that you might have to bear for in person training are the transportation, lodging, compensation, and meals. The estimate is for items that are non-discretionary in nature. Generally, these costs will vary widely as a function of the distance traveled, accommodations selected, restaurants selected, the distance between the hotel and the training center and the mode of transportation selected and are usually non-refundable.
15. We require you to use marketing materials and supplies that we provide or approve in advance and that use one or more of our Marks. Typically, these costs will involve purchases of marketing materials, such as brochures, business cards and promotional items, as well as letterhead, folders, and other similar supplies. Because your marketing materials and supplies are customized for your business, these are usually not refundable. However, whether or not the amounts paid by you are refundable will depend on the arrangements you make with the provider of these materials and supplies.
16. We recommend that you have access to working capital to cover the excess of expenses over cash flow from the normal expenses that are associated with the day-to-day business operation of the Valbridge Property Appraisers franchised business for the start-up period. You may need additional funds at or near the higher estimate, or even exceeding the higher estimate, depending on choices that you make. We have not provided for capital or other reserve funds necessary for you to reach "break-even", "positive cash flow" or any other financial position. We do not furnish, nor do we authorize our salespersons or anyone else to furnish, estimates as to those amounts. This figure does not include any salary or payments to you during the start-up period. You must have sufficient personal resources to cover your personal living expenses during this period.
17. We relied on our managers' and our parent's directors' business experience in the residential and commercial real property appraisal business to develop these cost estimates.

Your actual working capital needs during the initial period may vary significantly depending upon the following factors, which are beyond our control: how closely you follow our methods and procedures, your management skill, experience and business acumen, local market and economic conditions, the prevailing wage rate, competition, and the sales level reached during the initial period. These figures are estimates, and we cannot guarantee that you will not have additional expenses during your initial period of operations. We recommend that you review these

figures carefully with your own independent advisors, such as an accountant, attorney, or business consultant, before making a decision to purchase a Valbridge Property Appraisers franchise.

Item 8. **Restrictions on Sources of Products and Services**

We require you to:

- 1.) pay for and use in the operation of your franchised business the report writing platform we designate from time to time, which, as of the date of this franchise disclosure document, is Datappraise a software-as-a-service report writing platform provided by Data Appraise, our affiliate, but is expected to change within twenty-four months to a different report writing platform,
- 2.) transfer and license your real estate data to, and license other data from, Data Solutions, our affiliate,
- 3.) pay us a portion of the premium that is payable by us to a third party insurance company for the following policies that we maintain and that insures us, you, our licensees and our other franchisees: (i) a professional liability insurance policy insuring the appraisal and related professional services performed by you, our other franchisees and our licensees, and (ii) a general liability insurance policy for certain liabilities arising out of the operation of your business and the utilization of your approved office or offices,
- 4.) pay us an amount to be contributed to a deductible reserve fund that is used by us to: (i) pay the deductible becoming due in the event of a professional liability claim against us, and (ii) make loans to franchisees that are the subject of a professional liability claim,
- 5.) pay us a portion of the fees payable by us to a third-party database provider for the right to access a real estate information and transactions database and to use the data from that database in and for your appraisals and related professional services, and
- 6.) purchase those marketing supplies and materials that bear one or more of our trademarks or service marks from a vendor that has been approved by us.

Other than the above, we do not currently require you to purchase or lease goods, services, supplies, fixtures, equipment, inventory, or real estate for your franchised business from us or any approved supplier. There is currently no distribution or purchasing cooperative.

From time to time, we negotiate purchase agreements with suppliers, including price terms for the benefit of franchisees.

We require that appraisal reports provided by you to your clients be in compliance with our formatting requirements, that you use the report writing platform designated by us to generate, appraisal reports for which we provide a template, that you use the Data Solutions database to store and access the real estate data generated and utilized by you in the conduct of the franchised business, and that you license your data to Data Solutions.

Other than indirectly through Data Appraise and Data Solutions, which are wholly owned by our Parent, we do not derive revenue or other material consideration from required purchases or leases by franchisees.

Except for Data Appraise and Data Solutions, our affiliates, none of our managers, or Parent or any of the officers or directors of our Parent own any interest in any supplier from which we require you to purchase or lease goods, services, supplies, fixtures, equipment, inventory, or real estate for your franchised business, and we do not derive revenue or other material consideration from required purchases or leases by franchisees.

The franchisor provides material benefits (including, for example, renewal or granting additional franchises) to a franchisee based on the franchisee's purchase or particular products or services or use of designated or approved suppliers. The franchisor makes referrals of appraisal work only to those of its franchisees that use the Datappraise software-as-a-service and license real estate data to and from Data Solutions.

Purchases from Us or our Affiliates

As of the date of this Franchise Disclosure Document, we require you to use a software-as-a-service report writing platform known as "*Datappraise*," to license certain software from our affiliate, Data Appraise, and to use the database provided by our affiliate, Data Solutions, to store and access the real estate data generated and utilized by you in the conduct of the franchised business. Datappraise automates assembly of reports and information from data provided by the Data Solutions data using templates and other tools. Utilization of Datappraise provides a common look and feel for the reports of franchisees. Utilization of the Data Solutions database makes substantially all of the data generated by our franchisees and licensees available to you. You are not permitted to utilize an alternative report writing platform or database for managing your real estate related data or automating assembly of reports and information from data. We may require you to use a different report writing platform upon not less than thirty (30) days' written notice to you.

Data Appraise will provide the Datappraise to you directly on terms and at such prices that are not less favorable than those at which Data Appraise offers the Datappraise to third parties that are not franchisees or licensees of ours.

Data Appraise generated gross revenues from licensing software and sales of services to our franchisees and licensees of \$296,275.00 (54.88% of its gross revenues) in calendar year 2022, and \$293,150.00 (51.75% of its gross revenues) in calendar year 2023.

Data Solutions will provide the employees and contractors of your franchised business with access to the Data Solutions database at a monthly fee of not more than \$250 during the first year after you sign the Database Access and License Agreement. Data Solutions may increase the fee above \$250 per month after the first year.

Data Solutions generated gross revenues from licensing data to our franchisees and licensees of \$0 in each of calendar years 2022 and 2023. Data Solutions did not have any gross revenue in calendar years 2022 or 2023.

Insurance

We maintain a professional liability insurance policy (the “**Professional Liability Policy**”) covering the appraisal and related professional services performed by our franchisees and licensees. The Professional Liability Policy is issued by an insurance company (the “**Insurer**”) that is not affiliated with us and covers claims reported during the policy period from April 22, 2024, to April 21, 2025. We expect to renew the Professional Liability Policy each year. If renewed, the terms of, and the premium for, the Professional Liability Policy will, in all likelihood, change.

The Professional Liability Policy has limits of liability of \$5 million per claim and \$5 million for the aggregate of all claims, and a deductible of \$50,000 on the first claim and \$50,000 for each subsequent claim. The amounts paid by you for your portion of the Professional Liability Policy premium is used by us to pay the premiums that become due on this policy. This amount is set by us annually based on the allocation of the premium by the Insurer among our franchisees and licensees.

The Insurer allocates the premium for the Professional Liability Policy among our franchisees and licensees based on its practices at the time it determines whether or not to issue a policy and the premium for the policy, and we do not have any input to, or effect on, that allocation. The factors utilized by the Insurer to determine the premium allocated to a particular franchisee or licensee include the number of appraisers and their designations and qualifications, the revenue of the franchisee or licensee, the state where each franchisee’s or licensee’s offices are located, the history of prior claims against the franchisee or licensee, as well as other factors. The portion of the premium for the Professional Liability Policy payable by you can and likely will increase during the term of your franchise.

The amounts paid by you towards the deductible reserve fund are used by us to pay the deductible becoming due in the event of a professional liability claim against us. This amount is set by us annually based on the balance of the reserve account and the history of claims against us and our franchisees and licensees.

You must obtain and maintain other insurance with the coverage that we require, in addition to any other insurance required by applicable law, at your expense. We may periodically change the amounts of coverage required and require different or additional kinds of insurance to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances, if the changes apply to all businesses. We may also secure insurance coverage for all of our franchisees and licensees and require you to pay a portion of the premium due.

Your insurance must be written by an approved supplier and currently must include at a minimum:

1. a comprehensive general liability policy covering bodily injury and property damage with respect to each Location and products, and completed operations in the amount of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) in the aggregate, and
2. an automobile liability policy with a combined single limit of not less than one million dollars (\$1,000,000), and

3. workman's compensation insurance in an amount not less than one million dollars (\$1,000,000) per employee, one million dollars (\$1,000,000) per accident and one million dollars (\$1,000,000) in the aggregate, and
4. a claims made professional liability insurance policy concerning the rendition of real and personal property appraisal services and appraisal consulting services, with a limit of liability of not less than one million dollars (\$1,000,000) per claim and not less than two million dollars (\$2,000,000) for all claims in the aggregate, and a deductible of not more than twenty-five thousand dollars (\$25,000) per claim, and
5. an "all risk" property insurance covering each location from which you operate your franchised business and your equipment and supplies, for loss or damage by fire, windstorm, flood, casualty, and theft, for at least eighty percent (80%) of the replacement cost of such property, and
6. such other insurance policies as may be required by the landlord of each location from which you operate your franchised business and by applicable law.
7. We recommend that you carry business interruption insurance for a period of at least 6 months.

Before you open your franchised appraisal business, you must furnish us with a certificate of insurance issued by an approved insurance company showing compliance with the insurance requirements and naming us, our parent and such other persons and entities that we require you to so name (such as, for example certain national customers), each as an additional insured. You must send current certificates of insurance to us annually and at other times we request them.

Specifications and Standards

Appraisal Reports.

We require that appraisal reports provided by you to your clients be in compliance with our formatting requirements, contain certain required limiting conditions, and bear one or more of our Marks.

Equipment and Supplies

The equipment and supplies that must meet our specifications are periodically identified in our manuals. Our specifications may include minimum standards for signs, marketing materials, and report arrangement and appearance. We formulate our specifications based on industry knowledge and on our managers' experience in operating an appraisal practice. (see Item 7 and Item 11 for more information).

Site Selection Criteria

The location of your current business must be within the territory granted to you in the Franchise Agreement and must be in compliance with the criteria, rules and requirements concerning physical locations from which the business can be operated as of the effective date. In accordance with the Franchise Agreement, the location of your franchised business may not be a home office or any location that is not zoned for office use and must qualify as not less than Class B office space. If your current office location is not in compliance with the location criteria, we can require that you relocate your business to a location within the Territory that is in compliance. We will not unreasonably withhold approval of any site that meets our standards (see Item 11 for more information).

Lease of the Site

If you do not own the location site, we require exclusive possession of the location by lease or other means. You must have and maintain exclusive possession by lease or other means of the location where you operate the franchised business, and the lease can terminate no earlier than the termination date of the Franchise Agreement. In the event of relocation of the location site, you must notify us of the prospective new location in writing at least 20 business days prior to executing the lease for the new location, including giving us all relevant information concerning the prospective new location and the lease. You may not move the location of your franchised business outside of the territory granted to you, any new location must meet our requirements for the location of the franchised business. We have 15 business days to reply to you after the notice, to grant or deny the relocation request. We can only deny your request to relocate your franchised business only on a reasonable basis (for example, the new location does not satisfy one or more of the then current criteria, rules and requirements or is not within your territory).

Maintenance, Repairs, Renovation and Upgrading

You must maintain your franchised business in the manner stated in our manuals. You must change your business sign to a sign that complies with the criteria in our manual. You must make repairs and replacements as reasonably required for that purpose, including periodic repairs to equipment, and replacement of obsolete signs. You must abide by our requirements on improvements to your franchised business to achieve the strategic marketing goals of the Valbridge system. You will be responsible for the cost of those improvements, repairs, and maintenance.

Advertising and Promotion

You are responsible for all marketing, advertising, public relations, and promotional activities for your business. You are obligated to undertake marketing, advertising, public relations, and promotional activities for your franchised business in your territory as appropriate to maximize your revenues and as are required by us. You are not permitted to undertake any marketing, advertising, public relations, or promotional activities outside of your territory, except in very limited circumstances.

Except for digital templates containing advertising and promotional materials that we will provide to you and that you may use to have marketing materials printed by third party printers, all other activities are subject to prior written approval by us which we will not unreasonably withhold. Upon submission of any advertising or promotional materials to us, we will examine the content, design, and print quality to determine whether the materials are commensurate with our brand and standards.

If we establish a Marketing Services Fee (see Item 6), we will utilize the proceeds to undertake marketing, advertising, public relations, and promotional activities for us and for our franchisees. We have the sole right to determine which of the above activities to undertake, as well as how and when to undertake them.

Magnitude of Required Purchases or Leases

We estimate that the following purchases and leases of services and products will represent the following percentages of your total purchases and leases of services and products to establish and to operate your franchised business:

Purchases and/or Leases
Pursuant to our specifications.

% to Establish
15% to 25%

We will review and assess the description and samples you provide or the vendor on or within fifteen (15) days and respond to you with approval or a specific basis for rejecting same. We do not provide assistance with securing equipment, signs, fixtures, opening inventory or supplies.
3. Internet Advertising. We will include your contact information and qualifications in the listing of franchisees that we maintain on any website owned and operated by us for the franchised business system. Computer System

We require you to have a computer system, Internet access, and an e-mail account for each of your employees and contractors, and to maintain accounts for the report writing platform we designate from time to time and with certain Internet service providers.

If you do not already have a computer, related equipment, and telecommunications capabilities with at least the following specifications, you must procure and install at your location before opening the following equipment, software, and telecommunications capabilities:

- 1.) Personal computer (Windows compatible) with 8GB RAM and 1TB hard drive, and utilizing the Windows 11 Operating System,
- 2.) Microsoft Office 2016 version or newer or a Microsoft365 subscription,
- 3.) QuickBooks Online,
- 4.) Customer relationship management software (that is approved by us),

- 5.) Internet web browser software (e.g., Google Chrome or Firefox),
- 6.) 17" color monitor,
- 7.) Laser printer,
- 8.) Scanner, and
- 9.) High-speed Internet connection.

Except for the descriptions above, we do not specify computer hardware or an Internet connection supplier. We anticipate the cost of purchasing the above-described computer hardware to be between \$1,500 and \$2,500 per employee or contractor. The high-speed Internet connection will be provided by a utility or cable television provider. We anticipate the cost to be between \$100 and \$200 monthly.

The customer relationship management software and appraisal information system will be a software-as-a-service solution provided via the Internet and paid for on a monthly or annual basis. Currently, we require you to use a customer relationship management software-as-a-service platform and the monthly cost to you is \$20 per employee and contractor.

The cost to you of the current software-as-a-service report writing platform, known as Datappraise, is \$850 per appraiser, trainee, analyst, or person with similar duties employed or engaged as a contractor by you, and \$375 per support staff employed by you. Data Appraise Systems may change the renewal fees on 60 days' notice to you, provided that the renewal fees will not be greater than the highest amount charged by Data Appraise Systems to its customers who are not our franchisees.

Important information will be sent to your computer address electronically or accessible by you via the Internet. You must maintain, at your own expense, an e-mail address for each employee and each contractor appraiser with a service provider selected by us with the style [Name]@Valbridge.com, and the capability for each employee and contract appraiser to access his or her e-mail account. The current monthly cost to you for each Valbridge.com e-mail address will be \$10. You can elect to purchase a Microsoft Office 365 E1 subscription that will provide you with software you can utilize to access your email (as well as other software described in the Microsoft Office 365 offering) at an additional monthly charge of \$14.35 for each user. These e-mail related charges are subject to change and are paid to the selected service provider. You must also maintain the capability to access our website, bulletin board communications pages and document repository application. Reasonable minimum hardware and software standards for these connections and providers for the e-mail accounts will be set by us and periodically revised as technologies change, and you will have reasonable time to upgrade when those standards change. Standards will include current uniform communications software in use by the Valbridge System, word processing and spreadsheet software that is either the same as that in use at our office or capable of reading and converting files created by our office, and a computer capable of running the software and containing reasonable minimums for memory and data storage and a modem connected via network links to the Valbridge System. You must pay for all normal communications charges from the networks making connection to the Valbridge System, for example, phone bills or bills from an Internet service provider.

As new computer systems, related technologies and software are developed in the future, you may be required to add memory, ports and other accessories, peripheral equipment or additional, new or substitute software to the original computer system you purchased. To ensure full operational efficiency and communications capability between our computers and your computers, you must keep the computer system in good maintenance and repair and install all additions, changes, modifications, substitutions or replacements to your computer hardware, software, telephone and power lines and other computer-related facilities as we direct on those dates and within those times we specify, in our sole discretion, in the Manuals or otherwise on a system-wide basis.

To the extent that compatible equivalent components of hardware or software that perform the same functions exist, we may, but are not required to, approve compatible equivalent hardware components or software.

We are not contractually required to provide you with ongoing hardware or software maintenance, repairs, upgrades, or updates. We estimate the annual costs of optional or required maintenance updates, upgrades, and support contracts to be \$400 per employee.

We will have independent access to the information generated by and stored in the Datapraise, customer relationship management software and the other programs that we may require you to use, or that are provided as a software-as-a-service solution via the Internet.

You must conduct your franchised business in accordance with the Manual in order to maintain uniform standards of operation under the Marks and protect our reputation and goodwill in the Marks. You must treat and maintain the information in the Manual as confidential information and a trade secret. If we provide printed copies of all or any portion of the Manual, each copy must be kept in a secure area within your office at all times. For that portion of the Manual that is accessible online via password, you must keep your password secret and not disclose it to any person other than the Franchisee’s affiliates.

You must strictly limit access to the Manual to your employees and contractors who must know the information in it to perform their jobs and duties for your franchised business and who have signed the Employee and Contractor Restrictive Covenant (Exhibit D to the Franchise Agreement). You must immediately report to us the loss of the secrecy of your password or the theft, loss or destruction of all or any part of the Manual. The franchisee may open and operate its business after the franchise agreement is signed and prior to the time the training is completed.

Note 1. The training program is delivered online via a learning management system on demand and may be delivered live at the annual meeting of our franchisees. The meetings of our franchisees take place one or two times per year, at our option, at various locations throughout the United States, typically in major cities.

Note 2. We do not provide on-the-job training at your location.

Attendance and Completion of Training

The franchisee or, in the case of a franchisee that is a corporation, limited liability company, other entity or partnership, each of the franchisee's officers, directors, managers, members and partners who are qualified (in accordance with 7.1(D) of the Franchise Agreement) to manage the franchised business are all required to successfully complete the training at the next annual meeting of the franchisees. Training must be completed to our satisfaction. Successful completion of training generally requires attendance at, or completing online, not less than eighty percent (80%) of the sessions, completion of exercises and the passing of any tests relating to the training by all of the required attendees.

We do not provide training in the area of conducting appraisals.

The franchisee or, in the case of a franchisee that is a corporation, limited liability company, other entity or partnership, one of the franchisee's officers, directors, managers, members and partners who is qualified (in accordance with 7.1(D) of the

Franchise Agreement) to manage the franchised business, is required to attend the next meeting of the franchisees of Franchisor no later than one (1) year after the Franchise Agreement is signed. Attendance of the franchisee meeting by such person is at the sole expense of the franchisee. The typical costs that you might have to bear for attending the franchisee meeting are the transportation, lodging, compensation, and meals. Generally, these costs will vary widely as a function of the distance traveled, accommodations selected, restaurants selected, the distance between the hotel and the training center and the mode of transportation selected and are usually non-refundable. (See Item 7 for additional information.)

We do not currently offer any additional required training or refresher courses.

We may elect to offer additional required training and refresher courses and require you to attend them and pay tuition or a training fee of up to \$1,000 for each person from your franchised business attending such training or course. In addition, you must pay your related costs including travel, meal, and lodging expenses.

Site Selection Methods

1. We will assign a territory as described in Item 12 below. If your current office (or any of your offices) does not meet our current criteria, you must select the site within the territory from which you will conduct business.
2. We will supply you with our site selection criteria. We will not unreasonably withhold approval of any site that meets our standards. We will approve or disapprove any proposed site within 15 days after you provide us with the requested information. If we disapprove your selected site, you have 15 days to submit a new site within the territory for our written approval. We do not represent that we have any special expertise in selecting sites. Our approval of a site is intended only to indicate that the proposed site meets our minimum criteria for sites and is not a representation that the franchised business will be profitable or that your sales will attain any predetermined levels.
3. If you do not open your location within thirty (30) day of entering your Franchise Agreement, we have the right to terminate your franchise agreement on written notice to you.

Opening of the Franchised Business

The typical length of time between the signing of the Franchise Agreement and the conversion of your current appraisal practice to a franchised business is one to two months. This will be longer if you are required to relocate your office. The factors that affect this include any time you need to comply with local ordinances and secure any required permits and third-party authorizations and approvals (such as, for example, a landlord's approval to change signage), to transition your office to the franchised business, purchasing and installing signage, completing training, and other operational issues.

Miscellaneous

Valbridge Property Advisors Franchising System, LLC does not currently provide assistance with equipment, signs, fixtures, opening inventory, or supplies, you must acquire these items at your own cost. We do not specify suppliers or providers of these

items, nor do we assist in the delivery or installation of any items procured for the operation of your franchise.

Item 12. **Territory.**

You will not receive an exclusive territory. You may face competition from our other franchisees and licensees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We grant you a franchise to operate the franchised business from one or more approved locations within a specified geographical area including each approved location (the “**Territory**”). We do not grant a minimum territory. We will establish your Territory prior to the time you sign the franchise agreement. Our obligation concerning your Territory is dependent on you being in compliance with your obligations to us and our affiliates.

We will not grant any other person the right to establish any physical location for the operation of the franchised business in your Territory and we will not alter your Territory during the time your franchise agreement is in effect unless you fail to remain in compliance with your obligations to us and our affiliates and vendors.

If the approved site has not already been determined when you sign the Franchise Agreement, you must select the site for the franchised business in your Territory that meets the current criteria, rules, and requirements concerning physical locations from which the franchised business may be operated. Although we may assist you in selecting a site, you are solely responsible for selecting the approved site and negotiating the terms of the lease. You may open one or more other offices within your Territory with our approval. We can deny your request to open another office within your Territory in our sole and absolute discretion.

If you have to relocate any office of your franchised business from the approved site, you must: (1) find a new site that is in compliance with the criteria, rules, and requirements in effect at that time, that is not within 10 miles of the edge of your Territory (though we may waive this requirement in our discretion), and from which you can maximize your franchised business, and (2) notify us at least twenty (20) business days before you sign a lease for your new site and provide us information about the proposed site and lease. We can deny your request to relocate the office to the new site at any time within fifteen (15) business days after you notify us, but only for a reasonable basis, such as, for example, because the proposed site does not satisfy one or more of the then current criteria, rules, and requirements or is not within your Territory.

There is no prohibition on us or any of our other franchisees or licensees from selling any products or performing services within your Territory, and if we or they do so, neither we nor they are obligated to pay you any amount for these sales. You will not have the right or ability to prevent us or any of our other franchisees or licensees from exercising the franchise rights, using our marks, or engaging in the franchised business in your Territory.

We and our affiliates reserve the right to use other channels of distribution, including the Internet, within your Territory using our principal trademarks, or using trademarks other than those you will use. We are not required to compensate or pay you for soliciting or accepting orders from within your Territory.

You are not restricted from accepting orders from customers outside of your Territory. However, you are restricted from marketing your franchised business outside of your Territory in almost all situations, except where: (1) a customer owing or managing a property in your Territory also owns or manages one or more properties outside of your Territory, (2) you are marketing your franchised business at a statewide, regional, or national trade show, or (3) you are part of a specialty practice area that we designate from time to time. We do not have any obligation to prevent any of our other franchisees from marketing inside of your Territory and you should expect that other franchisees will undertake marketing inside your Territory under the conditions described above and that we may engage in any marketing activities inside your Territory.

You do not have any option, right of first refusal, or similar rights to acquire additional franchises.

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those you will offer.

Item 13. Trademarks

Our Parent registered the following principal Mark on the principal register of the United States Patent and Trademark Office as of July 23, 2013, and December 17, 2013:

Valbridge Property Advisors

Registration No. 4,373,557, dated July 23, 2013

Registration No. 4,450,839, dated December 17, 2013

Our Parent has filed all affidavits that were required to be filed on or before the date of this FDD to maintain its registration of the above marks.

We do not have any contractual obligation to protect your right to use the above principal service marks or any other trade or service marks we permit you to use in connection with the franchised business (the “**Marks**”), or to protect you against claims of infringement or unfair competition.

Our principal service marks and all of our Marks are owned by our Parent and are licensed to us for use in connection with the franchised business. A copy of that license is provided in Exhibit F.

We sublicense to you the right to use certain of the registered and common law Marks, including the above principal service marks (registration nos. 4,373,557 and 4,450,839), in the operation of the franchised business. If the license between our Parent and us is terminated, your right to use the Marks will terminate and you will have to immediately remove all uses of the Marks from your franchised business.

Neither we or our Parent are aware of any currently effective determinations of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, or any state

trademark administrator or court, and any pending infringement, opposition or cancellation proceeding concerning any Marks. Neither we nor our Parent are aware of any superior rights of any third party that may limit a franchisee's use of any Marks.

We grant you the non-exclusive right and obligation to utilize the Marks in connection with the operation of the franchised business. You must use each Mark only in full compliance with our standards and specifications. You must use the Marks as the sole trade identification of your franchised business and must identify your franchised business in the form we require as an independently owned and operated franchised business. You must follow our instructions and comply with all applicable fictitious, trade, and assumed name statutes concerning your use of each Mark. You cannot use a Mark as part of a corporate name, or with modifying words, designs, or symbols, except for those which we license to you. You may not use any Mark in connection with the marketing or sale of any unauthorized product or service, with another trade or service mark unless you secure our prior written approval, which we may refuse for any reason in our sole discretion, or in any other manner that we have not authorized in writing. You may not use any Mark to advertise or notify others of any business activities that you or any other person, entity, trust, or association engages in or intends to engage in during or after the term of the franchise agreement.

You must notify us immediately when you learn about an infringement of, or challenge to, your use of any of our Marks. We will take the action we think appropriate. We are not required to defend you against a claim that your use of any of our Marks infringes any rights of a third party, or to reimburse you for any liability and reasonable costs you incur or suffer as a result of such a claim. You must modify or discontinue the use of a Mark if we modify or discontinue using it. You must not directly or indirectly contest our right to our trademarks, trade secrets, or business techniques that are part of our business. We may require that you terminate the use of any Mark on written notice. You do not have any right to compensation or otherwise under the franchise agreement if we require you to modify or discontinue using any Mark.

Without our prior written approval, you may not use the Marks as part of any email address, website, domain name or any other electronic media, including use with any prefix, suffix or other modifying words, term designs, or symbols, or in any other manner connected with a website, advertisements on a website, or other similar electronic media. Because your electronic, marketing, sales, and other listings for your business will be associated with our Marks, we will own all rights to such listings, and all goodwill generated from the use of the listings will be to our benefit (see Sections 9 and 15 of the Franchise Agreement).

Upon any claim of infringement, unfair competition, or other challenge to your right to use any proprietary information, or if you become aware of any use of or claims to any proprietary information by persons other than us or our franchisees, you must notify us promptly (within 15 days) in writing (see Section 15.4 of the Franchise Agreement). We are not required to take any action upon such notification. We have the sole right to control all administrative proceedings or litigation involving any Mark. You are required to participate in the defense of any action involving any Mark and must not communicate with anyone except us and our counsel in any infringement, challenge, or claim. Valbridge has the sole right to control any litigation or other proceeding involving any infringement,

challenge or claim of any proprietary information. You must sign all instruments and documents, render all assistance, and do all acts that our attorneys consider necessary or advisable in order to protect and maintain our interest in any litigation or proceeding involving the proprietary information or otherwise to protect and maintain our interests in the proprietary information.

We are not obligated to protect your right to use the Marks and are not obligated to protect, defend, or indemnify you in the event a third party makes a claim that the use of any Mark or any of our other proprietary information infringes on the intellectual property or other rights of such third party or constitutes unfair competition.

Item 14. **Patents, Copyrights and Proprietary Information**

You do not receive the right to use any patent or copyright, but you can use the proprietary information in the Operations Manual. We do not own any patent or have any pending patent applications.

We have not registered any copyrights with the United States Copyright Office (Library of Congress), but various marketing, sales, training, management report templates and other materials that we have created are and will be protected under the U.S. copyright law, whether or not we have obtained registrations.

You may use these copyrighted materials during the term of the franchise, in a manner consistent with our ownership rights and the Operations Manual, solely for the purpose of promoting your franchised business.

There are no currently effective determinations of the U.S. Copyright Office (Library of Congress) or any court, nor are there any pending infringement, opposition or cancellation proceedings or material litigation, involving the copyrighted materials that are relevant to their use by our franchisees.

There are no agreements currently in effect that significantly limit our right to use or license the use of our copyrighted materials in any manner material to the franchise.

We do not know of any superior rights in or any infringing uses of our copyrighted materials that could materially affect your use of the copyrighted materials.

Proprietary Information

We grant you the right to use our proprietary information that we make available to you only in the manner we authorize and only for the operation of your franchised business. Your rights to use our proprietary information are derived solely from your Franchise Agreement and are limited to the operation of your franchised business under your Franchise Agreement and all applicable standards, specifications, and operating procedures we require during the term. Any unauthorized use of our proprietary information is a breach of your Franchise Agreement and an infringement of our rights. Your use of proprietary information and any goodwill established by your use of such information inures to our exclusive benefit. The Franchise Agreement does not confer any goodwill or other interest in proprietary information to you, other than the right to operate a franchised business in compliance with the Franchise Agreement solely for the term of that agreement.

We have proprietary, copyrighted manuals, including, but not limited to, the Operations Manual, described in Item 11, that include guidelines, standards, and policies for the operation of your business, and other proprietary information. Item 11 describes the manuals and the manner in which you may use them. All proprietary manuals and materials provided to you or accessible by you are for your use during the term of the franchise, and may not be reproduced, copied, loaned to, used by, or shown to any person by you without our permission.

You must have each manager and employee or independent contractor, and each person who undertakes training sign a restrictive covenants agreement in a form we approve (See Exhibit D to the Franchise Agreement) before you grant him or her access to our manuals or any other proprietary information. In that agreement such person must agree to the confidentiality of the proprietary information, agree not to use any information about the system for his or her own benefit without an appropriate license, and agree not to compete in certain respects with franchisor's business.

Item 15. Obligation to Participate in the Actual Operation of the Franchised Business

We strongly believe that the success of your franchised business will depend to a large extent on your personal and continued efforts, supervision, and attention. We do not require that you personally supervise the franchised business, but we do recommend it.

The franchised business must be directly supervised by a manager who has a designation required by us (e.g., MAI, SRA, or ASA) and who has successfully completed our training program within the specified time period after the effective date of the Franchise Agreement, devotes his, her, or its full-time attention to, and has the full authority to manage and control your franchised business, and does not have an interest in or be employed by any appraisal firm other than yours. The manager must sign an Employee and Contractor Restrictive Covenant requiring him or her to maintain confidentiality of our trade secrets and confidential information and preventing him or her from competing against us in certain businesses.

If you are an entity, one or more of the owners having at least twenty five percent (25%) of the ownership must hold a designation required by us (e.g., MAI, SRA, CPA, ASA), and each owner individually holding ten percent (10%) or more of that entity must personally guarantee and agree to be bound by certain of the obligations of the franchisee under the Franchise Agreement (See Exhibit B and E to the Franchise Agreement).

Item 16. Restrictions on What the Franchisee May Sell

Your franchised business is authorized to provide, and must at all times provide, appraisal services for commercial real estate. You may elect to provide, appraisal services for other types of properties (e.g., business interests) if you hold the required licenses and any designations that we may require for the particular property type. The appraisal services for commercial real estate include (1) Appraisal, (2) Appraisal Consulting, (3) Appraisal Review, (4) evaluations to develop an opinion of value, (5) providing expert consulting or testimony concerning any Appraisal, Appraisal Consulting or Appraisal Review, (6) conducting real estate market studies and feasibility studies, (7) undertaking such other business activities as may be permitted by Franchisor from time to time, (8) marketing,

selling, and offering for sale the products and services described above, including utilizing the Marks, and (9) undertaking such other activities as may be incidental or related thereto.

Your franchised business may not provide any of the following:

1. any services requiring a real estate salesperson or real estate broker license, such as real estate brokerage or providing a broker opinion of value, or
2. real estate property and asset management for third party property owners, or
3. appraisal management services, or
4. the purchase, improvement, sale, leasing, and operation of real estate where the Franchisee is a principal in such activity.

You must refrain from any deviation from our standards and specifications for providing or selling the products and services without our written consent.

Item 18. Public Figures

We do not use any public figure to promote our franchise.

Item 19. Financial Performance Representations

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised or franchisor-owned outlets if there is a reasonable basis for the information, and/or if the information is included in this disclosure document. Financial performance information that differs from any included in this Section 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet

that you are considering buying, or (2) a franchisor supplements the information provided in this Section 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Pledger M. Bishop, III, jbishop@valbridge.com, 11602 Lake Underhill Road, Suite 102, Orlando, Florida 32825, 843-856-2000, the Federal Trade Commission, and the appropriate state regulatory agency.

We were organized in 2013, and first offered franchises in March 2013. We do not operate a franchised business, but our manager and the officers and directors of our parent (see Section 2) own and operate franchised businesses of the type being offered each for more than five years.

In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees but be aware that not all such franchisees will be able to communicate with you.

During the last year, we entered into one agreement with a former franchisee that contained a confidentiality restriction. In that instance, the confidentiality restriction was signed as part of a mutually agreed upon settlement of litigation.

As of December 31, 2023, there were 0 franchisees and fifty-eight former franchisees. As of December 31, 2022, there were 43 franchisees and fifteen former franchisees. See Exhibit C for the identities and contact information for our franchisees and Exhibit D for the identities and contact information for our former franchisees. As of December 31, 2021, there were 45 franchisees and twelve former franchisees.

If you buy a franchised business, your contact information will be disclosed to other buyers during the time you are a franchisee and after you leave the franchise system.

There are no trademark-specific franchisee associations that we sponsor or that have requested to be included in this disclosure document.

We have entered contracts with one or more new franchisees to permit them to: (1) delay payment of: (a) the initial franchise fee and the technology infrastructure fee for the earlier of two years or the occurrence of certain events, and (b) royalties until the first of: (i) the franchisee achieves a minimum gross revenue, issues or transfers an interest in the franchisee to another person, or sells the franchise, or (ii) the franchise being terminated or renewed, or (2) limit franchise royalties to five percent of the franchisee's gross revenue, an amount less than the base royalty in the franchise agreement.

INDIANA ADDENDUM

Pursuant to IC 23-2-2.7-1, the following shall supersede any provisions to the contrary in the Franchise Disclosure Document and shall apply to all franchises offered and sold in the State of Indiana.

It is unlawful for any franchise agreement entered into between any franchisor and a franchisee who is either a resident of Indiana or a nonresident who will be operating a franchise in Indiana to contain any of the following provisions:

- (1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or service or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.
- (2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement, or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.
- (3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.
- (4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.
- (5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by this chapter or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subdivision does not apply to arbitration before an independent arbitrator.
- (6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new

models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subdivision.

- (7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subdivision includes any material violation of the franchise agreement.
- (8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.
- (9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three (3) years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.
- (10) Limiting litigation brought for breach of the agreement in any manner whatsoever.
- (11) Requiring the franchisee to participate in any:
 - a) advertising campaign or contest,
 - b) promotional campaign,
 - c) promotional materials, or
 - d) display decorations or materials,at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

Further, IC 23-2-2.5-9(2) of the Indiana Franchise Practices Act requires a franchisor to give you a copy of the Franchise Disclosure Document together with a copy of all proposed contracts relating to the sale of the franchise at the earlier of: (i) at least 10 days prior to signing the franchise agreement, or (ii) at least 10 days prior to franchisor's receipt of any consideration. The Receipt is amended to reflect the 10-day waiting period.

This provision supersedes any other term of any document executed in connection with the franchise.

MICHIGAN ADDENDUM

NOTICE REQUIRED BY THE MICHIGAN FRANCHISE INVESTMENT LAW

The following statement is required to be provided to the franchisee under the Michigan Franchise Investment Law. By providing this statement, the franchisor does not represent or warrant that any of the following provisions of the law are enforceable. The franchisor reserves the right to contest the enforceability of any of the following provisions.

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against the franchisee. Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if:
 - (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to:

Consumer Protection Division
Attn: Franchise
670 Law Building
Lansing, Michigan 48913 (517) 373-7117.

IN WITNESS WHEREOF, the parties hereto have executed and entered this Michigan Addendum to the Valbridge Property Advisors Franchise Agreement as of the day and year first above written on the Franchise Agreement.

MINNESOTA ADDENDUM

Minnesota Statute 80C. 21 and Minnesota Rule 2860. 4400(J) prohibit the franchiser from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statute 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statute 80C. 14 Subd. 3-5, which require (except in certain specified cases)

- that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement and
- that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statute 80C. 12 Subd. 1(G). The franchiser will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name. Minnesota Rules 2860. 4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rule 2860. 4400(J). Also, a court will determine if a bond is required. The Limitations of Claims section must comply with Minnesota Statute 80C. 17 Subd. 5.

IN WITNESS WHEREOF, the parties hereto have executed and entered this Minnesota Addendum to the Valbridge Property Advisors Franchise Agreement as of the day and year first above written on the Franchise Agreement.

THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law, fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency, or

is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange, or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled **“Requirements for franchisee to renew or extend,”** and Item 17(m), entitled **“Conditions for franchisor approval of transfer”**:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force, it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled **“Termination by franchisee”**:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum”**, and Item 17(w), titled **“Choice of law”**:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

IN WITNESS WHEREOF, the parties hereto have executed and entered this New York Addendum to the Valbridge Property Advisors Franchise Agreement as of the day and year first above written on the Franchise Agreement.

“Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given him by any provision contained in the franchise agreement. WASHINGTON ADDENDUM

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

The State of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in the franchisee's relationship with the franchisor including the areas of termination and renewal of the franchise. There may also be court decisions which may supersede the franchise agreement in the franchisee's relationship with the franchisor including the areas of termination and renewal of the franchise.

In any arbitration or mediation involving a franchise purchased in the state of Washington, the arbitration or mediation site will be either in the state of Washington, or in a place that is mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of the arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act, or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

For the Franchise Year including the Effective Date, the amounts utilized to determine Adjusted Gross Revenue shall be the amounts for the entire Franchise Year (i.e., including amounts arising from January 1 of such year to the Effective Date).

 - (i) the Effective Date:

19. Franchise Transfers.

To protect and enhance the reputation, skill, and capabilities of the Valbridge franchise system, its trade and service marks and rights, and the benefits flowing to the Franchisor and the Peers, the Franchisor carefully selects and vets its franchisees and their owners and interested parties. Therefore, when a franchisee elects to undertake a Transfer of, or to issue or grant another Person, any Franchisee Equity Interest, Valbridge must have and maintain the right to ensure that such other Person meets or exceeds the reputation, skill, capabilities and financial wherewithal that Valbridge requires from its franchisees, that the Transfer arrangements are not likely to limit or restrict, whether as a result of terms of financial arrangements, the ability of such other Person or of the Franchisee after the transfer to meet their individual or collective obligations under this Agreement, and that such other Person will be likely, for the above and other reasons, to successfully participate in the Valbridge system. To protect those interests and accomplish those goals, this Section 19 restricts the ability of the Franchisee to undertake a Transfer and grants the Franchisor significant discretion to determine if a proposed transferee is acceptable to the Franchisor.

19.1 Franchise Transfers Generally.

Notwithstanding any contrary provision of this Agreement, **no Transfer of all or any part of the Franchise Rights, a Franchisee Equity Interest, or of the Franchisee's business** (whether through the sale of substantially all of the assets of the Franchisee or the transfer of any equity, rights, or other interests in the Franchisee) **shall be undertaken, directly or indirectly, in whole or in part, unless:**

- (B) Franchisor is permitted, in accordance with applicable law, to offer and enter the then current form of Franchise Agreement offered by the Franchisor to the proposed Transferee without undertaking additional filings or legal compliance, and
- (C) the Transfer is made strictly in accordance with all of the terms and conditions of this Agreement.

19.2 Effect of Improper Transfer.

Any Transfer or attempted Transfer, whether voluntary or involuntary or by operation of law, which is not permitted by or made in accordance with the terms of this Agreement shall be void *ab initio*, ineffective and a material breach of this Agreement, and shall not bind the Franchisor or otherwise give the Transferee any rights under this Agreement or in or to any of the Franchise Rights. If, notwithstanding the foregoing, a Transfer not permitted by this Agreement or made in accordance with the terms of this Agreement is held by a court of competent jurisdiction to be effective, then the Franchisor may terminate this Agreement in accordance with Section 20.1(l).

19.3 Conditions Concerning Direct and Indirect the Franchisee Transfers.

The Franchisee shall not make or suffer any Transfer, except in accordance with this Section 19.3, or as may be permitted by Sections 19.4, 19.5, or 19.6.

For purposes of this Section 19.3, an Offer shall be deemed specific and detailed if, and only if, it fully and completely described the Franchise Proposed Transfer Notice, contains all of the terms and conditions of the Proposed Transfer, and is in such form (including exhibits, schedules and ancillary contracts) that, when signed, will constitute a binding written agreement between the Selling Franchisee and the Proposed Transferee. The Selling Franchisee, the Proposed

Transferee, and each Proposed Transferee Equity Holder shall immediately respond to information and documentation requests of the Franchisor and shall be fully available to meet with the Franchisor's management and employees and answer their questions. The Proposed Transferee and each Proposed Transferee Equity Holder shall fulfill such requirements as may be established, from time to time, by the Franchisor for prospective new franchisees, including, without limitation, attendance at meetings or other events.

- (B) On or within forty-five (45) days after effective date of the Franchise Proposed Transfer Notice (the "**Proposed Franchisee Evaluation Period**"), the Franchisor shall, in its sole and absolute discretion, determine if each Proposed Transferee is acceptable to become a franchisee or a direct or indirect Equity Holder of a franchisee of the Franchisor. If the Franchisor determines each Proposed Transferee is:
- (1) acceptable to become a franchisee or a direct or indirect Equity Holder of a franchisee of the Franchisor, then the Franchisor shall offer such Proposed Transferee the opportunity to become a franchisee or a direct or indirect Equity Holder of a franchisee of the Franchisor in accordance with applicable law, and on the terms set forth in the then current franchise agreement offered by the Franchisor, excluding only payment of the initial franchise fee, and
 - (2) not acceptable to become a franchisee or a direct or indirect Equity Holder of a franchisee of the Franchisor, then the Franchisor:
 - (a) shall provide written notice to the Franchisee stating such determination, and
 - (b) *if the Proposed Transfer would have constituted a Change in Control Transaction*, may elect by written notice to the Franchisee on within sixty (60) days after the Franchise Proposed Transfer Notice to exercise the Right of First Refusal and complete the Proposed Transfer on the terms and conditions set forth in the Offer.

The Franchisor may assign its Right of First Refusal to another Person.

- (C) The Selling Franchisee or Transferring Franchisee Equity Holders, as the case may be, shall be permitted to make the Proposed Transfer to the Proposed Transferee or Proposed Transferees *if, and only if*:

- (ii) each Proposed Transferee has entered a new franchise agreement with the Franchisor containing the terms and conditions then offered by the Franchisor and having a term ending on the Normal Termination Date of this Agreement, or has provided all Franchise Ancillary Documents, and
 - (iii) the Proposed Transferees have completed all training and other pre-requisites established by the Franchisor from time to time, and
 - (c) on or within sixty (60) days after the expiration of the Proposed Franchisee Evaluation Period.
 - (D) If the Transfer constitutes a Change in Control Transaction and the Franchisor timely elects to exercise the Right of First Refusal, then the Selling Franchisee shall, at the date and time selected by the Franchisor or its assignee, but not longer than sixty (60) days after the expiration of the Proposed Franchisee Evaluation Period: (1) make the Proposed Transfer to the Franchisor on the terms and conditions set forth in the Offer if the Transfer is of an Equity Interest in the Franchisee or substantially all of the assets of the Franchisee, or (2) make a Transfer to the Franchisor or its assignee of an Equity Interest in the Franchisee or of substantially all of the assets of the Franchisee that is substantially equivalent (based on the terms and conditions as set forth in the Offer) to the Proposed Transfer, if the Transfer is not of an Equity Interest in the Franchisee and not substantially all of the assets of the Franchisee, *provided that*, the Right of First Refusal shall not grant the Franchisor the right to acquire any assets of or securities issued by any Franchisee Equity Holder.

19.4 Death or Incompetence of Franchisee Equity Holder.

If the Franchisee is in breach of Section 18.2(A) solely as a result of the death or incompetence of one or more of the Franchisee Equity Holders, then the Franchisee shall not be in breach of this Agreement as a result thereof for a period of one hundred twenty (120) days after the date of death or the determination of incompetency giving rise to such breach if: (A) the Franchisee promptly complies with its obligations under Section 7.1(D), and (B) there is a Transfer as concerns the Franchisee in accordance with Section 19.3 and, as a result of such Transfer, the Franchisee thereafter becomes compliant with the provisions of Section 18.2(A). The Franchisee shall provide the Franchisor with all information requested by the Franchisor from time to time regarding the Franchisee's consideration of Transfers and compliance with this Section 19.4. The Franchisor may, in its discretion, extend the above-referenced term by written notice to the Franchisee.

For clarification, if a proposed Transfer does not meet each and every requirement of this Section 19.5, then the provisions of Section 19.3 shall be applicable.

The provisions of Section 19.3 shall not apply to a Transfer of the Franchisee Equity Interests by one Principal to another Principal if, and only if:

- (A) the Transferee Principal did not become a Principal by virtue of a Transfer that was exempt from, or not undertaken in accordance with, the provisions of Section 19.3, and
- (B) the Transfer will not cause the Franchisee to be in violation of this Agreement, including, without limitations, Sections 18.1(C) or (D).

The Franchisee shall provide not less than forty-five (45) days *advance* written notice to the Franchisor of a proposed Transfer pursuant to this Section 19.6, including, therein the name of the Transferor and Transferee, the particulars regarding the Transfer, including, without limitation, the Equity Interest being Transferred and the anticipated closing date of the Transfer, a fully revised Informational Provisions document showing the revised equity arrangements, and a fully executed copy of each Ancillary Franchise Document required to be made and deliver, or executed by the Transferee.

19.7 Transfers by the Franchisor.

Nothing herein shall be deemed to limit or restrict the Franchisor's right to undertake a Transfer, in whole or in part, of its interest in this Agreement or any equity or other interest in the Franchisor. Upon any Transfer by the Franchisor, the Franchisee shall release the Franchisor from any obligations hereunder thereafter and shall look solely to the Franchisor's assignee(s) or successor(s) and, thereafter, all benefits shall inure to the benefit of such assignee(s) or successor(s).

20. **Termination and Other Remedies.**

20.1 Termination Without Opportunity to Cure.

The Franchisor may terminate this Agreement by written notice to the Franchisee without any opportunity to cure upon the occurrence of any of the following:

- (A) the Franchisee: becomes insolvent, is adjudicated bankrupt, files a voluntary petition, suffers the filing of an involuntary petition in bankruptcy against the Franchisee and such petition is not dismissed within thirty (30) days, seeks protection from creditors under any other arrangements or laws similar thereto, makes an assignment for the benefit of creditors, or suffers the appointment of a receiver to take charge of the Franchisee's affairs, business operations or property,
- (B) the Franchisee fails to: (1) commence operating the Business in accordance with the Valbridge System on or within thirty (30) days of the Effective Date, (2) use the Marks on or before the Mark Utilization Date, or (3) operate the Business for a period of twenty (20) or more consecutive business days, unless such cessation arises as a result of the effects of act of god, flood or fire or the Franchisor has given its prior written consent,

- (C) in the Franchisee’s franchise application or supporting information, documentation, or statements or in the representations of the Franchisee and its Equity Holders herein, the Franchisee or any Equity Holder made any false or misleading statements or failed to state any material fact reasonably necessary to make any statement made therein not false or misleading,
- (D) the Franchisee permits a tax lien or judgment against the Franchisee to remain unsatisfied for sixty (60) days or more, excluding any judgment that is the subject of an ongoing active appeal for less than one (1) year,
- (E) the Franchisee knowingly provides the Franchisor with any report or the Franchisee Records that are false, inaccurate, or materially incomplete,
- (F) the Franchisee fails to attend the initial training on or within one hundred twenty (120) days of the day of this Agreement or fails to attend any other training on or within ninety (90) days of the required date thereof,
- (G) the Franchisee breaches Section 15,
- (H) the Franchisee receives: (1) three (3) or more notices of default from the Franchisor during the Term, whether or not such defaults related to the same breach or were cured, or (2) two (2) or more notices of default from the Franchisor for the same breach, whether or not the first was cured,
- (I) the occurrence or proposed undertaking of a Transfer, other than in accordance with Section 19,
- (J) the Franchisee infringes any of the Franchisor Intangible Properties, excluding only the inadvertent innocent misuse of a Mark where such misuse was not the subject of prior notice by the Franchisor,
- (K) a claim, proceeding or action referenced in Section 10.2(C) is resolved against the Franchisee, or
- (L) the Franchisee is in breach of its obligations under Section 17.

20.2 Termination After Limited Opportunity to Cure.

The Franchisor may terminate this Agreement on thirty (30) days written notice to the Franchisee setting forth the basis for such termination upon the occurrence of a For Cause Basis, *provided that*, no termination shall occur if within such notice period the Franchisee cures the basis of the termination and such basis was not previously the subject of a termination notice to the Franchisee, or the Franchisor, in its sole and absolute discretion withdraws the termination notice.

20.3 Liquidated Damages.

The Franchisee and the Franchisor agree that the damages suffered by the Franchisor in the event of the Franchisee’s breach of any section of this Agreement set forth below are not readily ascertainable and that the Liquidated Damages set forth below for each such breach represent the parties reasonable best estimate of the damages that might be expected to arise and be suffered by the Franchisor as a result thereof. Therefore, upon each occurrence of a breach by the Franchisee of any section of this Agreement set forth below, the Franchisee shall pay the Franchisor the Liquidated Damages applicable to such section. Liquidated Damages shall be due and payable for each breach on or within five (5) business days of the Franchisor’s knowledge occurrence of the applicable breach and demand therefor.

Agreement Section	Liquidated Damages
2.2, 5.3, 7.1(C), (F), (S) and (CC), 9.1, 9.2, 10.2 and 14.2.	\$2,500.00

2.3, 5.2(A), 7.1(A), (B), (D), (E), (G) through (R), (T) through (BB), and (DD), 10.1 and 18.2.	\$5,000.00
---	------------

By way of clarification, breaches that are subject to this Section 20.3 are of a nature and type that involve non-compliance with aspects of the Valbridge System that the parties agree will likely negatively affect Valbridge System goodwill, including its ability to be viewed and to act as a unified nationwide organization, such as, for example, concerning utilization of Marks, training, quality standards, responsiveness, use of tools and processes to create uniform work and reporting structures, and matters requiring franchisees and licensees to perform to standards necessary to secure engagements from national accounts. The payment of liquidated damages pursuant to this Section 20.3 shall not limit the Franchisor's ability to terminate this Agreement in accordance with Sections 20.1 or 20.2 for any subsequent breach of the same or a different provision of this Agreement.

20.4 Other Non-Termination Remedies.

If the Franchisee breaches of this Agreement, including, without limitation, the failure or repeated failure to timely pay amounts due the Franchisor, adhere to branding, naming or Mark utilization standards, or use Equipment, Supplies, Software or Services, then, as an alternative to terminating this Agreement based on this Section 20, the Franchisor may, in its sole and absolute discretion, the Franchisor may elect by written notice to the Franchisee to:

- (A) suspend all or part of the services, rights or benefits provided to the Franchisee pursuant to this Agreement or based on the Franchisee's status as a franchisee of the Franchisor, including, but not limited to, the Franchisee's ability to participate in and be awarded referral assignments, the provision of e-mail services and access, or the ability to utilize the website to display information about the Franchisee,
- (B) reduce or otherwise change the Territory in the Franchisor's sole and absolute discretion, or
- (C) terminate the Franchisee's exclusive right to maintain one or more Locations in the Territory.

The above non-termination remedies may be exercised collectively or individually and at any time and from time to time, need not have any relationship to the For Cause Basis, and shall be in addition to any other remedies available to the Franchisor under applicable law. An election made under this Section 20.4 shall not prevent or limit the Franchisee's ability to later elect pursuant to Section 20.2 to terminate this Agreement, whether or not for a continuing, the same, or any subsequent condition, occurrence, or non-occurrence.

20.5 LIMITED RIGHT OF TERMINATION BY THE FRANCHISEE.

THE FRANCHISEE MAY TERMINATE THIS AGREEMENT ONLY UPON STRICT COMPLIANCE WITH THE PROVISIONS OF THIS SECTION 20.5. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 20.5, THE FRANCHISEE SHALL NOT HAVE ANY RIGHT TO TERMINATE THIS AGREEMENT.

- (A) Termination for Cause. The Franchisee may, on or within ninety (90) days after the commencement of the Franchisor's material breach of this Agreement and during the continuation of such material breach, terminate this Agreement by providing not less than ninety (90) days advance written notice to the Franchisor that sets forth the Franchisor's alleged material breach in reasonable detail, *provided that*, if the Franchisor substantially cures such for cause basis, then no termination shall occur.
- (B) Termination without Cause. The Franchisee may, at its option and on not less than six (6) full calendar months advance written notice to the Franchisor provided on or after the

fourth anniversary of the Effective Date, terminate this Agreement at the next anniversary of the Effective Date (and upon full compliance herewith such date shall become the Normal Termination Date), *if, and only if*:

- (1) the Base Term is six years or more,
- (2) the Franchisee is and for the Term has been in compliance with its obligations to each of the Franchisor and its Affiliates, and each provider of Equipment, Supplies, Software, and Services, and
- (3) on or within thirty (30) days prior to such termination date, the Franchisee pays the Franchisor:
 - (a) all amounts due and payable by the Franchisee to the Franchisor through such termination (to the extent then known or knowable), plus
 - (b) the result of:
 - (i) the net present value of the Royalties (based on the Adjusted Gross Revenue of the Franchisee for the trailing twelve months prior to such termination date) and all other fees, costs, assessments (including, any Capital-Reserve Assessment and for Equipment, Supplies, Software and Services, subject to reduction as set forth below), and other amounts then payable by the Franchisee from such termination date through the original Normal Termination Date, at the prime rate offered by the Franchisor's bank on the 45th day prior to prior to such termination date,
 - (ii) multiplied by (A) seventy-five percent (75.0%) if such termination date is the 5th anniversary of the Effective Date, or (B) fifty percent (50.0%) if such termination date is the 6th anniversary of the Effective Date, and
- (4) the Franchisee makes and delivers to the Franchisor the General Release.

The amounts used for Equipment, Supplies, Software, and Services in this Section 20.5(B)(3)(i) shall not include any Equipment, Supplies, Software, or Services that the Franchisor can terminate without cost or penalty.

21. Effect of Termination.

21.1 Generally.

Upon the termination or expiration of this Agreement for whatever reason or basis, all rights of the Franchisee under this Agreement shall cease, and the Franchisee shall: (A) no longer exercise any of the Franchise Rights or engage in the Business, (B) immediately return to the Franchisor, at the Franchisee's expense, the Operations Manual and all other items that were loaned to the Franchisee by the Franchisor, and (C) immediately pay to the Franchisor all amounts due to the Franchisor without set off or deduction.

21.2 Marks, Materials and Trade Dress.

Without limiting the general nature of Section 21.1, upon the termination or expiration of this Agreement for whatever reason or basis, the Franchisee shall immediately:

- (A) discontinue use of each Mark, and all signs, cards, notices, other display or advertising materials and each component of the Franchisee's Online Presence (including, without limitation, e-mail addresses and signatures) containing or otherwise indicative of any of a Mark, or the Franchisor, or any association with the Franchisor, or the Business,

- (B) make or cause to be made such changes in signs, cards, notices and other display or advertising materials, buildings and structures as the Franchisor shall direct so as effectively to distinguish each Location from its former public image and marketing image including but not by way of limitation a change in the colors used at such Location,
- (C) cancel each fictitious name registration of the Franchisee that contains the Franchisee Authorized Trade Name or any Mark or any word or symbol that is evocative of, or likely to create confusion with, the Franchisee Authorized Trade Name or any Mark,
- (D) if the Franchisee is an entity and utilizes all or any portion of a Mark in its name, then the Franchisee shall immediately: change its name and remove all Marks, portions of Marks and words and symbols that are in any way evocative of, or likely to create confusion with, any Mark (as determined in the sole and absolute discretion of the Franchisor), and file such amendments, notices, documents, instruments and agreements and pay such filing fees as the Franchisor may require, in its sole and absolute discretion, to accomplish the foregoing,
- (E) join with the Franchisor in canceling or terminating any permitted use of the Marks, and
- (F) cease the use of all material of whatever nature where the copyright therein is owned by or licensed to the Franchisor or where the continued use thereof would in any way infringe any of the Franchisor Intangible Properties, including, without limitation, the undertaking of appraisal and consulting services utilizing the trade secrets, methods and systems implemented, from time to time as part of the Valbridge System.

If, within thirty (30) days of such direction, the Franchisee fails or omits to make or cause to be made any change required by this Section 21.2, then the Franchisee grants the Franchisor the right, license, power, and authority, without the consent of the Franchisee, save this right, license, and consent, which the Franchisee gives irrevocably and unconditionally, and without incurring any liability or having any obligation to the Franchisee or any Franchisee Equity Holder, to enter upon each Location and to file such documents, instruments and notices as the Franchisee deems in its sole discretion to be appropriate, to make or cause to be made any such change at the expense of the Franchisee which expense the Franchisee shall pay on demand.

21.3 Option to Purchase Materials.

Upon the termination or expiration of this Agreement for whatever reason or basis: (A) the Franchisor shall have the option (the “**Materials Option**”), but not the obligation, to purchase all or any part of the supplies, materials, equipment or other tangible assets containing or bearing any Mark or any word or symbol that is evocative of, or likely to create confusion with, any Mark (the “**Materials Option Goods**”), including, without limitation, signs, advertising materials, supplies, inventory, equipment, furnishings, fixtures, or other items at a price equal to the lesser of the Franchisee’s cost or the fair market value, and (B) the Franchisee shall promptly provide the Franchisor with a list (the “**Goods List**”) of all items in the Franchisee’s possession or under its control that constitute Materials Options Goods and the Franchisee’s estimate of the cost and the fair market value of each such item. The Franchisor may exercise the Materials Option by written notice provided on or within 45 days after the Franchisee’s provision of the Goods List setting forth therein the Materials Options Goods that the Franchisor will purchase and the purchase price of each item thereof. If the parties cannot agree on fair market value within a reasonable time, an independent appraiser shall be designated by the Franchisor whose costs shall be borne equally by the parties, and his, her, or its determination shall be final and binding. The fair market value of tangible assets shall be determined without reference to goodwill, going concern value, or other intangible assets. If the Franchisor elects to exercise Materials Option, it shall have the right to set off against the purchase price for the Materials Options Goods, all amounts due from the Franchisee under this Agreement, and the cost of the appraisal, if any, against any payment to the Franchisee. Should the Franchisee fail or refuse to execute and

deliver the necessary documents to transfer free and clear title of the Materials Options Goods the Franchisor elects to purchase to the Franchisor, or its nominee, the Franchisor shall be entitled to apply to any court of competent jurisdiction for a mandatory injunction to compel the Franchisee to comply with the provisions of this Section 21.3, it being understood that the Materials Options Goods are unique given the potential impact on the goodwill associated with the Marks.

22. Independent Contractor.

The relationship between the parties is that of independent contractors. Neither this Agreement nor the provision of any advice, information or assistance at any time shall serve to create a fiduciary relationship or relationship of principal and agent between the Franchisee and the Franchisor. Except as may be expressly permitted by the Franchisor in writing, from time to time, the Franchisee shall not under any circumstances: (A) act, or hold itself out, as agent or representative of the Franchisor, or (B) incur any liability or create any obligation whatsoever in the name of the Franchisor. The Franchisee shall take such affirmative action as may be requested by the Franchisor from time to time (in addition to any actions expressly required by this Agreement) to indicate that the Franchisee is an independent contractor, and that no Location is operated by the Franchisor. The Franchisee shall make no statements, representations or claims and shall give no warranties to any customer or prospective customer in respect to the services sold by the Franchisee or the Valbridge System, save such as are implied by law or may have been specifically authorized in writing by the Franchisor.

23. No Success Warranties, Representations or Guarantees.

The Franchisee acknowledges that the Franchisor: (A) bases the advice and recommendations it provides and will provide the Franchisee concerning, among other things the operation of the Business on experience actually obtained in practice (through its franchisees), (B) is not making or giving any representations, warranties or guarantees concerning the degree of success or financial remuneration that may or will arise from the exercise of the Licensed Rights or the operation of the Business, (C) has advised the Franchisee: (1) to discuss the Franchisee's intention to enter into this Agreement with other franchisees of the Franchisor and the Franchisee's professional and business advisors, (2) that the Franchisee must decide, based solely on its own judgment, whether or not to enter into this Agreement, and (3) engaging in the Business involves substantial business and financial risk and the Franchisee's success will be affected by the Franchisee's ability and commitment as an independent business person, and (D) HAS NOT MADE ANY REPRESENTATIONS OR WARRANTIES TO FRANCHISEE CONCERNING EARNINGS, INCOME, COSTS, REFERRALS OR ANY OTHER MATTER NOT EXPRESSLY SET FORTH HEREIN.

24. Professional Advice.

The Franchisee and the Franchisee Equity Holder acknowledges that the Franchisee and the Franchisee Equity Holder has been advised to seek the advice of its attorneys, accountants, and professional advisors prior to entering this Agreement, and represents and warrants to the Franchisor that each of them is satisfied with the results of such advice and enters this Agreement with full knowledge and understanding of the provisions hereof.

25. Notice of Franchisor Breaches.

The Franchisee shall promptly provide the Franchisor with written notice of any claim that the Franchisor or its Affiliates have breached this Agreement or any other agreement between any of them and the Franchisee. If the Franchisee fails to give the Franchisor written notice in accordance with the foregoing on or within one (1) year from the date of the claimed breach, then such breach shall be deemed to have been waived by the Franchisee and thereupon the Franchisee shall be permanently barred from commencing any action relating to such alleged breach.

26. Disclosure of the Franchisee Information.

The Franchisee acknowledges that state and federal law may require the Franchisor to disclose certain information about the Franchisee, including, for example, the Franchisee's home address, and consents and agrees to the Franchisor disclosing to third parties such information as it deems it is required to do to comply with applicable law.

27. Independent Covenants.

Except where the context otherwise requires each of the restrictions contained in this Agreement (including, without limitation, those set forth in Section 17) and in each Section and Paragraph shall be construed as independent of every other restriction and of every other provision of this Agreement and the existence of any claim or course of action of the Franchisee against the Franchisor whatsoever shall not constitute a defense to the enforcement by the Franchisor of the said restrictions or of any of them.

28. Power of Attorney.

If the Franchisee fails to perform its obligations under any of Sections 11.2 or 21.2(C), (D) or (E), then, after written notice, the Franchisor may perform, or cause performance of, such obligations and to effect the foregoing, the Franchisee hereby appoints the chief executive officer or other designee of the Franchisor as the Franchisee's attorney-in-fact with full authority in the place and stead of the Franchisee, and the Franchisee's names, from time to time in the Franchisor's sole discretion, to take any action and to execute any instrument which the Franchisor may deem necessary or advisable to accomplish the Franchisee's obligations under any of Sections 11.2 or 21.2(C), (D) or (E). The Franchisee hereby acknowledges that such power of attorney is coupled with an interest, is irrevocable, and is to be used by the Franchisor.

29. Indemnification.

The Franchisee shall hold the Franchisor and its Affiliates, and its and their managers, officers, directors, employees, agents, successors and assigns (each an "**Indemnified Party**") individually and collectively harmless from and against, any and all Obligations arising out of, relating to, or suffered by any Indemnified Party as a result of: (A) a breach of this Agreement by the Franchisee or the Franchisee Equity Holders, officers, employees, or contractors, (B) any intentional or negligent act or omission of the Franchisee or the Franchisee Equity Holders, officers, employees, or contractors, , including, without limitation, a breach of any obligations due to any provider of Equipment, Supplies, Software, or Services, or (C) the conduct of the Franchisee's business and the Franchisee's other activities, whether before, during, or after the Term.

30. Entire Agreement, Waiver and Modification.

This Agreement, the Operations Manual, and, if applicable to the Franchisee based on the Territory, the California Addendum, Illinois Addendum, Indiana Addendum, Maryland Addendum, Michigan Addendum, Minnesota Addendum, New York Addendum, North Dakota Addendum, Virginia Addendum, or the Washington Addendum, set forth the entire understanding of the parties concerning the subject matter of this Agreement and incorporate all prior negotiations and understandings. Nothing in this Agreement or any related agreement is intended to disclaim the representations made by the Franchisor in the Franchise Disclosure Document. **THERE ARE NO VERBAL AGREEMENTS OR UNDERSTANDINGS BETWEEN THE PARTIES. BY SIGNING THIS AGREEMENT, FRANCHISEE ACKNOWLEDGES AND AGREES THAT THERE ARE NO COVENANTS, PROMISES, AGREEMENTS, CONDITIONS OR UNDERSTANDINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT EXCEPT ONLY FOR THOSE SET FORTH IN WRITING IN THIS AGREEMENT THE OPERATIONS MANUAL, AND EACH APPLICABLE ADDENDUM.** No failure by the Franchisor to exercise any power given to it under this Agreement or to insist upon strict compliance by the Franchisee of its obligations under this Agreement or the Operations Manual, and no custom or practice of the

parties at variance with the terms of this Agreement shall constitute a waiver or relinquishment of any of the Franchisor's rights under this Agreement. No purported waiver by the Franchisor of any default by the Franchisee of any term or provision contained herein or in the Operations Manual shall be deemed to be a waiver of such term or provision unless such waiver is in writing and signed by the Franchisor. Furthermore, no such waiver shall in any event be deemed a waiver of any subsequent default under the same or any other term or provision contained herein or affect or impair the Franchisor's right to enforce such term or provision or such default in the future. No delay or omission by the Franchisor in exercising or enforcing any of its rights under this Agreement shall affect or impair the Franchisor's ability to exercise or enforce such rights in such instance or thereafter. **Except for changes to the Operations Manual, which the Franchisor may unilaterally make, and which shall be effective upon notice thereof to the Franchisee and for revisions to the Informational Provisions upon an authorized Transfer undertaken in accordance with this Agreement,** no alteration, amendment, change or addition to this Agreement shall be binding upon any party unless in writing and signed by the party to be charged.

31. Notices.

Except for additions, modifications and amendments to the Operations Manual, any consent, waiver, notice, demand, request or other instrument required or permitted to be given under this Agreement shall be in writing and deemed to have been properly given upon: (A) actual delivery if hand delivered, (B) the next business day after transmission by: (1) overnight express courier service (e.g., Federal Express), freight prepaid to the address for such party set forth herein, or (2) to the email address for notices for the party (which unless and until changed in accordance with this Section, shall be the email address set forth in the Informational Provisions above), or (C) five (5) business days after being sent by certified United States mail, return receipt requested, postage prepaid, to the address for such party set forth herein. Either party may change its address for notices in the manner set forth herein. The Franchisor may provide notice of additions, modifications, and amendments to the Operations Manual by posting same at the Franchisor's website or by providing notice thereof to the Franchisee via e-mail, and such notice shall be deemed effective as of the next business day. For purposes of this Agreement: (AA) a business day begins at 9:00 a.m. eastern time and ends at 5:00 p.m. eastern time on a day that is not a Saturday, Sunday, or other day when the banks are required or permitted to be closed in Florida, and (BB) a business hour is a 60-minute period on a business day.

32. Captions.

The captions and paragraph letters appearing in this Agreement are inserted only as a matter of convenience. They do not define, limit, construe or describe the scope or intent of the provisions of this Agreement.

33. Partial Invalidity.

Each term and provision of this Agreement shall be independently enforceable to the fullest extent permitted by law. If any term or provision of this Agreement or the application thereof to any Person or circumstance is held by a court of competent jurisdiction to be invalid or unenforceable, then the remainder of this Agreement and the application of such term or provision to another Person or circumstance shall be unaffected thereby.

34. Applicable Law, Jurisdiction, Venue and Forum.

This Agreement shall be construed and governed under and by the laws of the State of Florida for contracts executed and to be performed in Florida, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.). The parties: (A) hereby consent to the jurisdiction of the federal and state courts of Florida, (B) agree that, except for unaffiliated third party actions and as set forth below in this Section, exclusive venue for any legal action or arbitration authorized hereunder shall be the city and state of the Franchisor's national

headquarters (currently Naples, Florida), and (C) waive all defenses based on venue, the inconvenience of the forum and lack of personal jurisdiction the city and state of the Franchisor's national headquarters. Notwithstanding the foregoing, if the Franchisor deems it necessary to commence an action in the Franchisee's jurisdiction in order to be able to realize a particular remedy available to the Franchisor, it may do so.

35. Assignment of Contract.

The Franchisee may not Transfer the Franchisee's rights or delegate the performance of the Franchisee's duties hereunder without the express prior written approval of the Franchisor. The Franchisor and its successors and assigns may, from time to time, assign or transfer all or any part its rights arising under this Agreement and the exhibits hereto or delegate the performance of its duties under this Agreement and the exhibits hereto without notice to, or the consent of, the Franchisee or any other Person.

36. LIMITATION AND WAIVER OF DAMAGES AND CLASS ACTION.

FRANCHISOR AND FRANCHISEE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOSS OF BUSINESS OR OTHER ECONOMIC DAMAGE, OR INJURY TO PROPERTY, AND AGREE THAT IN THE EVENT OF ANY LITIGATION, MEDIATION, ARBITRATION, OR CONTROVERSY BETWEEN THEM EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY SUCH PARTY. FRANCHISEE HEREBY WAIVES ANY AND ALL RIGHTS IT MAY HAVE TO ANY PROCEEDING IN THE NATURE OF A CLASS ACTION AGAINST FRANCHISOR, PARENT AND THEIR INDIVIDUAL AND COLLECTIVE AFFILIATES.

37. WAIVER OF JURY TRIAL.

THE PARTIES HEREBY KNOWINGLY AND VOLUNTARILY WAIVE ALL OF THEIR INDIVIDUAL AND COLLECTIVE RIGHTS TO A TRIAL BY JURY ON ANY AND ALL ISSUES PERTAINING TO OR ARISING OUT OF THIS AGREEMENT.

38. Injunction and Specific Performance.

The Franchisee acknowledges that the failure of the Franchisee or any other Person bound hereto or hereby to strictly comply with the terms of this Agreement, the Valbridge System, and the Operations Manual is likely to cause irreparable damage to the Franchisor, and damages at law would be inadequate. Therefore, notwithstanding any other provision of this Agreement, in the event of a breach or threatened breach of any of the terms of the Agreement by the Franchisee, the Franchisor shall be entitled to seek injunctive relief restraining such breach or specific performance, without showing or proving any actual damage. The foregoing remedy shall be in addition to all remedies or rights that the Franchisor may otherwise have by virtue of any breach of this Agreement by the Franchisee. The Franchisor shall be entitled to seek such relief without the posting of any bond or security, provided that, if a bond shall nevertheless be required by a court of competent jurisdiction, the parties agree that the sum of \$5,000.00 shall be a sufficient bond.

39. Attorneys' Fees.

In the event any litigation, mediation, arbitration, or controversy between the parties hereto arises out of or in connection with this Agreement, the prevailing party in such litigation, mediation, arbitration, or controversy shall be entitled to recover from the other party all reasonable attorneys' fees, expenses, and suit costs, including those associated with any appellate proceedings or any post-judgment collection proceedings.

40. Counterparts.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute the same instrument. Execution of an electronic copy will have the same force and effect as execution of an original, and an electronic signature will be deemed an original and valid signature. A signed copy of this Agreement, whether by wet signature or electronically, delivered by facsimile, email, or other means of electronic transmission (to which assigned PDF copy is attached) will be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

41. Survival.

Sections 2.4, 6.4, 6.5, 11.2, 12, 13, 15, 16.5, 17.2 through 17.6, 18.1, 19.1, 19.2, 20.3, and 21 through 40 shall survive the expiration or termination of this Agreement and shall continue in full force and effect thereafter.

INDIANA ADDENDUM

Pursuant to IC 23-2-2.7-1, the following shall supersede any provisions to the contrary in the Franchise Disclosure Document and shall apply to all franchises offered and sold in the State of Indiana.

It is unlawful for any franchise agreement entered into between any franchisor and a franchisee who is either a resident of Indiana or a nonresident who will be operating a franchise in Indiana to contain any of the following provisions:

- (1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or service or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.
- (2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement, or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.
- (3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.
- (4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.
- (5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by this chapter or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subdivision does not apply to arbitration before an independent arbitrator.
- (6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subdivision.

- (7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subdivision includes any material violation of the franchise agreement.
- (8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.
- (9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three (3) years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.
- (10) Limiting litigation brought for breach of the agreement in any manner whatsoever.
- (11) Requiring the franchisee to participate in any:
 - a) advertising campaign or contest,
 - b) promotional campaign,
 - c) promotional materials, or
 - d) display decorations or materials,
 at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

Further, IC 23-2-2.5-9(2) of the Indiana Franchise Practices Act requires a franchisor to give you a copy of the Franchise Disclosure Document together with a copy of all proposed contracts relating to the sale of the franchise at the earlier of: (i) at least 10 days prior to signing the franchise agreement, or (ii) at least 10 days prior to franchisor's receipt of any consideration. The Receipt is amended to reflect the 10-day waiting period

IN WITNESS WHEREOF, the parties hereto have executed and entered this Indiana Addendum to the Valbridge Property Advisors Franchise Agreement as of the day and year first above written on the Franchise Agreement.

MARYLAND ADDENDUM

The Maryland Franchise Registration and Disclosure Law, COMAR 02.02.08.16(L), and MD Code, Business Regulation §14-226, provide that, as a condition of the sale of a franchise, a franchisor may not require a prospective franchisee to agree to a release, assignment, novation, waiver, or estoppel that would relieve a person from liability under the Franchise Registration and Disclosure Law.

All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 17 of the Franchise Disclosure Document is amended by adding: any general release required as a condition of sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Item 17 of the Franchise Disclosure Document is amended by adding the following: The provision in the Franchise Agreement that provides for termination upon bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et. seq.).

Item 17 of the Franchise Disclosure Document and Section 18 of the Franchise Agreement are amended by adding: any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

Section 18 of the Franchise Agreement is amended to provide as follows: Any lawsuit permitted under this Article shall be brought in the federal or state courts located in the State of Maryland.

For franchisees having a franchised business in Maryland or a Territory that includes any part of Maryland, Item 5 of the Franchise Disclosure Document and Section 11.2 of the Franchise Agreement are amended as follows:

All fees shall be deferred pending satisfaction of all of the Franchisor's pre-opening obligations to the Franchisee.

Further, MD Code, Business Regulation §14-223 requires a franchisor to give you a copy of the Franchise Agreement and the Franchise Disclosure Document at the earlier of: (i) 14 calendar days prior to signing the franchise agreement, (ii) 14 calendar days prior to payment of any consideration that relates to the franchise relationship, or (iii) a reasonable request by you to receive a copy of the Franchise Agreement and the Franchise Disclosure Document.

MICHIGAN ADDENDUM

NOTICE REQUIRED BY THE MICHIGAN FRANCHISE INVESTMENT LAW

The following statement is required to be provided to the franchisee under the Michigan Franchise Investment Law. By providing this statement, the franchisor does not represent or warrant that any of the following provisions of the law are enforceable. The franchisor reserves the right to contest the enforceability of any of the following provisions.

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against the franchisee. Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if:
 - (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to:

Consumer Protection Division
Attn: Franchise
670 Law Building
Lansing, Michigan 48913 (517) 373-7117.

MINNESOTA ADDENDUM

Minnesota Statute 80C. 21 and Minnesota Rule 2860. 4400(J) prohibit the franchiser from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statute 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statute 80C. 14 Subd. 3-5, which require (except in certain specified cases)

- that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement and
- that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statute 80C. 12 Subd. 1(G). The franchiser will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name. Minnesota Rules 2860. 4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rule 2860. 4400(J). Also, a court will determine if a bond is required. The Limitations of Claims section must comply with Minnesota Statute 80C. 17 Subd. 5.

IN WITNESS WHEREOF, the parties hereto have executed and entered this Minnesota Addendum to the Valbridge Property Advisors Franchise Agreement as of the day and year first above written on the Franchise Agreement.

WASHINGTON ADDENDUM

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

The State of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in the franchisee's relationship with the franchisor including the areas of termination and renewal of the franchise. There may also be court decisions which may supersede the franchise agreement in the franchisee's relationship with the franchisor including the areas of termination and renewal of the franchise.

In any arbitration or mediation involving a franchise purchased in the state of Washington, the arbitration or mediation site will be either in the state of Washington, or in a place that is mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of the arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act, or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other

person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties hereto have executed and entered this Washington Addendum to the Valbridge Property Advisors Franchise Agreement as of the day and year first above written on the Franchise Agreement.

 - (3) of which the Subject Person is an officer, manager, agent, partner, or trustee, or serves in a similar capacity, or
 - (4) who is a member of the Subject Person’s family.

For purposes of this definition, the term “*control*” means the direct or indirect possession of the power to direct or cause the direction of the management or policies of the Subject Person, whether through the ownership of securities, by contract or otherwise.

- (B) **Co-Affiliate Liabilities** means Liabilities that arise, are incurred, or suffered solely as a result of the failure of any Affiliate of the Franchisee other than the Guarantor to either: (1) take any action required to be taken by such other Affiliate pursuant to applicable law, contract, or other requirement, or (2) refrain from taking any action such other Affiliate was required to refrain from taking pursuant to applicable law, contract, or other requirement.
- (C) **Equity Interest** means, as concerns a Person (the “*Subject Person*”), on an As-Converted Basis: (1) a direct or indirect ownership, stock, membership, or other equity or voting interest (including by contract) in the Subject Person or the parent of the Subject Person, or (2) the direct or indirect ownership of a security that is convertible into a direct or indirect ownership, stock, membership, or other equity or voting interest (including by contract) in the Subject Person or the parent of the Subject Person.

- (E) **Future Liabilities** means Liabilities that arise and claims that accrue and mature after the Revocation Date, but shall not include any Liabilities of the Franchisee to the Franchisor that: (1) have arisen or accrued on or before the Revocation Date that are not due and payable by the Guarantor until after the Revocation Date, or (2) arise pursuant to Section 15 after the Revocation

Date on account of any claim or cause of action that accrued or matured on or prior to the Revocation Date (whether payable by the Guarantor before, on or after the Revocation Date).

- (F) **Interest Threshold** means a ten percent (10.0%) or greater Equity Interest, including, without limitation, as a Franchisee Equity Holder, or an Equity Holder of a Franchisee Equity Holder.
- (G) **Liabilities** means obligations, indebtedness, costs, damages, expenses, and liabilities, including, without limitation, attorney's fees, and court costs, whether now existing or hereafter suffered, incurred, or arising, that are due or later become due.

2. **Guarantee.** Subject to the limits set forth in Section 3 and excluding Co-Affiliate Liabilities, the Guarantor guarantees to the Franchisor, its successors and assigns, and agrees to pay on demand all of the Liabilities arising or that are or become due to any of the Franchisor or its parents, siblings, or Affiliates from time to time. This Guarantee shall be construed as an absolute, continuing, and unconditional guarantee of payment and performance, and not of collection. No references herein to any other agreement, instrument, or document, nor any provision of any of them will affect or impair the absolute and unconditional obligation of the Guarantor hereunder. The Franchisor shall have its remedy under this guarantee without being obliged to resort first to any security or to any other remedy or remedies to enforce payment or collection of the Liabilities and may pursue any or all of its remedies at one or at separate times. The Guarantor agrees and acknowledges that the Guarantee shall be transferable or assignable by the Franchisor at any time and from time to time.

3. **Limitation of Guarantee.** The Guarantor's individual guarantee of the Liabilities shall be limited to \$50,000 per occurrence or non-occurrence, as the case may be, and a maximum of \$150,000 for all Liabilities in any calendar year, except that the foregoing limitations shall not be applicable, individually or in the aggregate, to:

- (A) Liabilities arising out of, or resulting from any of:
 - (1) Guarantor's negligence or gross negligence, fraud, or other willful misconduct, or
 - (2) a breach of any of Sections 2.2, 2.3, or 17 of the Franchise Agreement, and
- (B) Liabilities where, as a result of a breach of Sections 7.1(M) or 14 of the Franchise Agreement, the Franchisor is not indemnified or covered (whether directly or as an additional insured) by an insurance policy, and
- (C) amounts becoming due pursuant to Section 15 of this Guarantee.

4. **Revocation of Guarantee Upon Termination of Affiliate Status.** Except as expressly set forth below in this Section 4, this Guarantee is not revocable by the Guarantor. The purpose of this Section is to permit the Guarantor to revoke his or her guarantee of Liabilities arising after such he or she no longer directly or indirectly holds the Interest Threshold, while permitting the Guarantor to receive the benefits of ownership of the Franchisee below the Interest Threshold or to continue to provide professional services to the Franchisee as an appraiser or other professional employee. Therefore, *provided that* the Franchisee is then in compliance with its obligations to the Franchisor, the Guarantor may revoke this Guarantee solely as to Future Liabilities on and after the date when:

- (A) Guarantor holds less than the Interest Threshold, and
- (B) Guarantor is no longer involved in the day-to-day management and operation, and policy making aspects, of the Franchisee and no longer holds any position with the Franchisee as any of an officer, director, manager, or managing partner, and
- (C) Guarantor, or the Franchisee on behalf of the Guarantor, provides written notice to the Franchisor that: (1) certifies the above and the dates when each was satisfied, and (2) sets forth the interest of the Guarantor in the Franchisee as of the date of the notice, as calculated in accordance with Section 1(F) (the later of the date when all of the foregoing are fully satisfied or effective date of the written notice being the "**Revocation Date**").

The provision of professional appraisal services to the Franchisee as an employee, without more, for wage or contractor compensation from the Franchisee shall be deemed to satisfy the provisions of Section 4(B). Revocation of the Guarantee in accordance with this Section 4 shall not affect the guarantee of the

Guarantor hereunder, *except solely for Future Liabilities*, and this Guarantee shall remain in full force and effect on and after the Revocation Date for all Liabilities that are not Future Liabilities.

5. **Modification of Liabilities.** The Guarantor consents that, without notice to or further assent by the Guarantor, the obligations of the Franchisee for the Liabilities or of any other guarantor, individually or collectively, may be renewed, extended, modified, or released by the Franchisor as it may deem advisable and that any security or securities which the Franchisor may hold may be exchanged, sold, released, or surrendered by it, as it may deem advisable without restriction or limitation, without impairing or affecting the absolute and unconditional obligations of the Guarantor hereunder.

6. **Survival Upon Payment.** To the extent the Franchisee or the Guarantor makes a payment or payments to the Franchisor, all or any portion of which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required, for any reason, to be waived, repaid or paid over to a trustee, receiver or any other party under any bankruptcy or other debtor relief laws, other state or federal law, common law or rule of equity (each being a “**Disgorged Payment**”), then the Liabilities or the part thereof that were intended to be satisfied by each such Disgorged Payment shall, to the full extent of all of such Disgorged Payments, automatically be revived, reinstated and continued in full force and effect as if such Disgorged Payments had not been made, and the Guarantor shall again be primarily liable therefore. This provision shall survive full payment and performance of the Liabilities and remain enforceable by the Franchisor.

7. **Changes in Condition of Law or Liabilities.** This Guarantee shall remain in full force and effect without regard to future changes and conditions, including change of law or any invalidity or irregularity with respect to any of the Liabilities. Any attempted revocation of this Guarantee by the Guarantor other than in accordance with Section 4 shall be ineffective, unless Florida law expressly provides that such the Guarantor cannot waive the right to revoke this Guarantee. If Florida Law expressly provides that any such revocation is effective notwithstanding the foregoing, then such revocation shall be effective only if made in accordance with Section 4(C), only as to Future Liabilities and otherwise in accordance with the provisions of Section 4.

8. **Waiver of Defenses.** The Guarantor agrees that the guarantee given hereby shall be primary, absolute, and unconditional, irrespective of, and unaffected by, and the Guarantor irrevocably waives and agrees not to assert or take advantage of: (A) the genuineness, validity, legality, regularity, enforceability or any future amendment of, or change in, the Guarantee, the Franchise Agreement or any other agreement, document or instrument to which the Franchisee or the Guarantor, or any other guarantors of the Liabilities, is or may be a party, (B) the absence of any action to enforce any Guarantee, the Franchise Agreement, or any other agreement, document, or instrument to which the Franchisee or the Guarantor, or any other guarantors of the Liabilities, is a party, (C) any right at law, or in equity or otherwise, to require the Franchisor to institute suit or proceed against the Franchisee, or any other person, or any collateral, or to exhaust any security held by the Franchisor, or to pursue any other remedy in the Franchisor's power, before proceeding against a the Guarantor, (D) notice of the existence, creation or incurring of any new or additional indebtedness or Liabilities on the part of the Franchisee, (E) the waiver, release, surrender, discharge, indulgence, extension, modification, renewal, delay, consent, or other action, inaction or omission by the Franchisor with respect to any of the provisions hereof or thereof, or with respect to the Franchisee, any of the Liabilities, whether or not the Guarantor shall have had notice or knowledge of any of the foregoing and whether or not the Guarantor shall have consented thereto, (F) the existence, value or condition of, or failure of the Franchisor to perfect a lien against, any collateral, or any action, or the absence of any action, by the Franchisor in respect thereof (including, without limitation, the failure to enforce any lien or realize upon the collateral, or the release of any collateral), and (G) any other action or circumstance which might otherwise constitute a legal or equitable discharge or defense of a co-borrower, or a surety or guarantor.

9. **Diligence by the Guarantor.** The Guarantor is executing and delivering this Guarantee based solely upon the Guarantors' independent investigation of the Franchisee and the Franchise Agreement, and in no part upon any representation, warranty, or statement of the Franchisor with respect thereto. The Guarantor hereby knowingly accepts the full range of risk encompassed within a contract of “continuing guarantees.”

10. **Time.** Time shall be of the essence for the Guarantor's performance hereunder.

11. **Entire Agreement, Modification and Waiver.** This Agreement sets forth the entire understanding of the parties concerning this subject matter and incorporates all prior negotiations and understandings. There are no covenants, promises, agreements, conditions, or understandings, either oral or written, between them relating to the subject matter of this Agreement other than those set forth herein. No alteration, amendment, change or addition to this Agreement shall be binding upon any party unless in writing and signed by the party to be charged. No purported waiver by any party of any default by another party of any term or provision contained herein shall be deemed to be a waiver of such term or provision unless the waiver is in writing and signed by the waiving party. No such waiver shall in any event be deemed a waiver of any subsequent default under the same or any other term or provision contained herein.

12. **Captions.** The captions and paragraph letters appearing in this Agreement are inserted only as a matter of convenience. They do not define, limit, construe or describe the scope or intent of the provisions of this Agreement.

13. **Applicable Law, Jurisdiction, Venue and Forum.** This Agreement shall be construed and governed under and by the laws of the State of Florida for contracts executed and to be performed in Florida. The parties hereby consent to the jurisdiction of the federal and state courts of Florida, including, without limitation, the Circuit Court for the Ninth Judicial Circuit of Florida, the United States District Court for the Middle District of Florida, and the appellate courts thereof, as the case may be, and agree that, except for third party actions, exclusive venue for any legal action authorized hereunder shall be in Orange County, Florida.

14. **Assignment.** The Franchisor's rights and obligations hereunder may be assigned, from time to time, by the Franchisor and its successors and assigns without the consent of or notice to the Guarantor.

**EMPLOYEE / INDEPENDENT CONTRACTOR RESTRICTIVE COVENANT AGREEMENT AND
INTELLECTUAL PROPERTY ASSIGNMENT**

This Employee / Independent Contractor Restrictive Covenant Agreement and Intellectual Property Assignment (the “**Agreement**”) is made and effective as of this ____ day of _____, 20____ (the “**Effective Date**”) by and between _____ (the “**Company**”), and the person identified below (the “**Restricted Party**”):

Name:

Address:

Position with the Company as of the Effective Date:

BACKGROUND

The Company is a franchisee of Valbridge Property Advisors Franchising System, LLC, a Florida limited liability company (the “**Franchisor**”), a subsidiary of Valbridge Property Advisors, Inc., a Florida corporation (the “**Parent**”). The Franchisor and the Parent have expended time, effort, and money developing know-how, trade secrets, data, information, and relationships, including a business system and real estate data for use in and with the Franchisee’s franchised appraisal and appraisal consulting business, certain components of which are secret and confidential.

The Company employs or engages the Restricted Party or engages another Person for whom the Restricted Party is an Affiliate or employee in the Company’s franchised appraisal and consulting business. In connection with his or her employment direct or indirect engagement by the Company, the Restricted Party will have access to confidential and proprietary information of the Franchisor, other franchisees and licensees of the Franchisor, the Parent, and their affiliated and sibling entities, including, but not limited to, Data Appraise Systems, LLC, and Valbridge Property Advisors Data Solutions, LLC.

Therefore, to protect such know-how, trade secrets, data, information, and relationships, the Company is required as a condition of its franchise arrangement to have the Company’s employees and direct and indirect contractors enter this Agreement, to protect the legitimate business interests of the Company, the Franchisor, the Parent, and the other Valbridge franchisees and their related entities.

AGREEMENT

NOW THEREFORE, the parties agree as follows:

1. No Franchisor or Parent Employment or Engagement.

The Restricted Party acknowledges that: (A) the Restricted Party is employed or directly or indirectly engaged solely by the Company and not by any Valbridge Party (as defined below), (B) no Valbridge Party is in any manner directly or indirectly obligated to the Restricted Party, (C) the Restricted Party’s access to Confidential Information is necessary to enable the Restricted Party to perform his or her duties for the Company, and but for the Restricted Party’s entry of this Agreement, the Restricted Party would not be granted access to such Confidential Information, and (D) the Company would not continue to employ or engage the Restricted Party absent his or her entry of this Agreement.

2. Prior Agreement and FTC Non-Compete Rule Notice.

If the Restricted Party and the Company entered a prior restrictive covenant concerning the matters referenced herein (being a “**Prior Covenant**”), then: (A) such Prior Covenant is hereby terminated and, except for the provisions thereof that survive termination (each being a “**Post-Termination Provision**”), subject to the limitations imposed by the Federal Trade Commission Non-Compete Clause Rule (16 CFR Part 910) when it becomes effective and in such form (the “**Rule**”), shall, be of no further force or effect, and (B) if, and only if: (1) such Prior Covenant contained a Post-Termination Provision that violates the Rule, (2) the Rule becomes effect and applicable to the Company or a Valbridge Party, and (3) the Rule requires the Company or such Valbridge Party to provide a notice to the Restricted Party, then the following notice shall be applicable to the Restricted Party concerning each Prior Covenant that violates the Rule:

A new rule enforced by the Federal Trade Commission makes it unlawful for us to enforce a non-compete clause. As of September 4, 2024, neither the Company nor any Valbridge Party will enforce any non-compete clause against you. This means that as of September 4, 2024:

- You may seek or accept a job with any company or any person—even if they compete with the Company or a Valbridge Party.
- You may run your own business—even if it competes with the Company or a Valbridge Party.
- You may compete with the Company or a Valbridge Party following your employment with the Company.

The FTC's new rule does not affect any other terms or conditions of your employment. For more information about the rule, visit the [FTC Non-Compete Rule website by clicking here](#).

Confidential Information shall include, but not be limited to, trade secrets, inventions, know-how, source code and object code, including the software-as-a-service platforms known as Datappraise and V-AMS, operational diagrams, processing arrangements, the Valbridge Operations Manual, operational methodologies for systems and software, data and database structures and relationships, including data on the Valbridge Database (excluding data owned by the Company), security processes, methods and tools for undertaking data analysis (e.g. spreadsheet templates such as, but not limited to, the GATCO Excel template), projections and evaluations, appraisals and otherwise delivering services, results of tests and analysis, non-public components of report templates, product and service specifications, marketing plans, pricing, business plans and strategies, financial plans, financial results, sales forecasts, information on computer systems, such as the Valbridge Intranet communications platform, personnel information, lists of customers and prospective customers, market research data, vendor arrangements, information relating to costs or charges, employee and contractor compensation and methodologies, such other information which, if known, would be of advantage to any Person competing or doing business with a Valbridge

Accordingly, the Restricted Party agrees that if the provisions of this Agreement are violated, in addition to any other remedy which may be available in equity or at law, each of the Company, the Valbridge Parties and the Franchisees shall be entitled to specific performance and injunctive relief, without the necessity of proving actual damages.

5. **Confidentiality.**

- (A) solicit, render services to, or accept business from any customer of the Company: (1) who was referred to the Company by a Franchisee, and (2) for whom the Restricted Party provided any services for the benefit of the Company, except solely for activities undertaken by the Restricted Party in the discharge of his or her employment duties or pursuant to his, her, or its engagement with, the Company *for so long as* the Company is a Franchisee, or received Confidential Information,

Upon request by the Company, the Restricted Party shall use reasonable efforts, at no additional expense, to assist the Company or its assignee in securing any intellectual property protection for Work Product and shall execute all documents reasonably necessary to affect an assignment as contemplated herein. No license is granted to the Restricted Party in, to or under any Work Product or other intellectual property (including, but not limited to, patents, trade secrets, copyrighted materials, and trademarks) owned or otherwise assertable by the Company, any Valbridge Party, or any Franchisee, whether by express or implied grant, estoppel or otherwise, except for a limited right to use any such intellectual property solely in the performance of the Restricted Party's duties or contractual obligations due to, and solely for the benefit of, the Company. All benefits from the use of any such intellectual property, including Work Product, shall inure solely to the Company and its assignees.

To the extent that notices from the Company and a Valbridge Party are inconsistent, the Company and the Restricted Party agree that all notices from a Valbridge Party shall prevail.

10. **Indemnification.**

The Restricted Party shall hold the Company, each Valbridge Party, and their individual and collective officers, directors, managers, members, shareholders, employees, contractors, and agents harmless from and against all claims, obligations, losses, damages, liabilities, fines, costs and expenses (including, without limitation, reasonable attorney's fees pretrial, trial and appellate) arising out of or incurred or suffered as a result of or in connection with the Restricted Party's breach of this Agreement.

11. **Independent Covenants.**

12. **Entire Agreement, Waiver, Modification, Captions, Partial Invalidity, Third Party Beneficiaries, Assignment of Contract, Applicable Law, and WAIVER OF JURY TRIAL.**

This Agreement sets forth the entire understanding of the parties concerning the subject matter of this Agreement and incorporates all prior negotiations and understandings. The publication, amendment, supplementation, or replacement of an employee handbook by the Company or the entry of another agreement having similar provisions shall not be deemed to alter, amend, or modify the terms and conditions of this Agreement. **NO ALTERATION, AMENDMENT, CHANGE OR ADDITION TO THIS AGREEMENT SHALL BE BINDING UPON ANY PARTY UNLESS IN WRITING AND SIGNED BY THE PARTY TO BE CHARGED AND THE FRANCHISOR. NO PURPORTED WAIVER BY ANY PARTY OF ANY DEFAULT BY ANOTHER PARTY OF ANY TERM OR PROVISION CONTAINED HEREIN SHALL BE DEEMED TO BE A WAIVER OF SUCH TERM OR PROVISION UNLESS THE WAIVER IS IN WRITING AND SIGNED BY THE WAIVING PARTY AND THE FRANCHISOR.** No such waiver shall in any event be deemed a waiver of any subsequent default under the same or any other term or provision contained herein. The captions and paragraph letters appearing in this Agreement are inserted only as a matter of convenience. They do not define, limit, construe or describe the scope or intent of the provisions of this Agreement. Each term or provision of this Agreement shall be valid and independently enforceable to the fullest extent permitted by law. If any term or provision of this Agreement, or the application thereof to any Person or circumstance is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement and the application of such term or provision to any other Person or circumstance shall be unaffected thereby. Each Valbridge Party and their individual and collective successors and assigns are and shall at all times be and remain third-party beneficiaries of this Agreement, entitled to enforce same as, and in the place of, the Company and whether or not the Company elects to do so. Except as set forth above, there are no third-party beneficiaries of this Agreement. The Restricted Party may not assign, transfer, or delegate the performance of his or her duties hereunder without the express prior written approval of the Company and each express third-party beneficiary identified herein. The Company and each express third-party beneficiary identified herein and their individual and collective successors and assigns, may, at any time and from time to time, assign their individual and collective rights and obligations under this Agreement, including, without limitation, all rights under Sections 5, 6, 9 and 10 without notice or the consent of the Restricted Party. This Agreement shall be construed and governed under and by the laws of the State of Florida for contracts executed and to be performed in Florida. **THE PARTIES HEREBY KNOWINGLY AND VOLUNTARILY WAIVE ALL OF THEIR INDIVIDUAL AND COLLECTIVE RIGHTS TO A TRIAL BY JURY ON ANY AND ALL ISSUES PERTAINING TO OR ARISING OUT OF THIS AGREEMENT, COMPANY PROPERTY, AND WORK PRODUCT.**

This Agreement sets forth the entire understanding of the parties concerning the subject matter hereof and incorporates all prior negotiations and understandings. There are no covenants, promises, agreements, conditions, or understandings, either oral or written, between the parties relating to the subject matter of this Agreement other than those set forth herein. No alteration, amendment, change or addition to this Agreement shall be binding upon any party unless in writing and signed by the party to be charged. No purported waiver by any party of any default by another party of any term or provision contained herein shall be deemed to be a waiver of such term or provision unless the waiver is in writing and signed by the waiving party. Payments received by DAS more than ten (10) days from when they are due shall be subject to a late fee of the greater of 5% of the amount due or \$50.00, to offset DAS’ costs incurred in connection with late payments, and all amounts due and unpaid shall bear interest from the date due until paid at the lesser of 1.5% per month or the highest rate permitted by applicable law, provided that, if DAS holds a credit card or debit card for payment, no late fee or interest shall be due unless the full amount due was refused or rejected. 8.2 Effect of Termination. Upon a termination of this Agreement for any reason whatsoever, Subscriber shall: (A) immediately cease using the Service and exercising the Licensed Rights, (B) immediately remove all copies of the Add-On Software from all computers on which it was installed and destroy all archival copies thereof, and (C) promptly return to DAS or destroy all tangible embodiments of the Add-On Software. If Subscriber elects to destroy tangible embodiments of the Add-On Software, it shall certify to DAS, in a form acceptable to DAS, such destruction. No termination shall affect the rights of DAS or Subscriber arising prior thereto.

9. **WARRANTIES.** EXCEPT FOR THE EXPRESS WARRANTIES SPECIFICALLY SET FORTH HEREINBELOW, DAS MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED CONCERNING OR RELATING TO ANY OF THE SERVICE OR THE ADD-ON SOFTWARE, THE EXERCISE OF THE LICENSED RIGHTS OR THE RESULTS OF THE USE OF ANY OF THE SERVICE OR THE ADD-ON SOFTWARE, INCLUDING, BUT NOT LIMITED TO: (A) NO WARRANTIES OF MERCHANTABILITY, (B) NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, AND (C) NO WARRANTY CONCERNING INTELLECTUAL PROPERTY RIGHTS. THE ADD-ON SOFTWARE IS, PROVIDED AS-IS, *WHERE-IS, WITH ALL FAULTS*. DAS ONLY WARRANTS THAT IT HAS THE RIGHTS

10. **Improvements and Suggestions by any Customer.** All right, title, and interest in and to, and the right to pursue protection for, improvements, enhancements and modifications to any of the Service or the Add-On Software or their individual or collective use or applicability that are suggested or made by any Customer (being "**Improvements**") shall vest solely with DAS, and Customer agrees to assign, and does hereby assign, all such Improvements to DAS. No license is granted to any Customer in, to or under any Improvements or other intellectual property or moral right owned or otherwise assertable by DAS by express or implied grant, estoppel or otherwise, except solely when and if incorporated into a future revision of the Add-On Software or the Service. All benefits from the use of any such Improvements shall inure solely to DAS.

11. **LIMITATION OF LIABILITY.** NO PARTY SHALL BE LIABLE TO ANY OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOSS OF BUSINESS OR OTHER ECONOMIC DAMAGE, OR INJURY TO PROPERTY. IN ADDITION, IN NO EVENT SHALL THE DAMAGES PAYABLE BY DAS TO SUBSCRIBER OR ANY PERSON CLAIMING THROUGH SUBSCRIBER EXCEED THE FEES PAID BY SUBSCRIBER TO DAS IN THE PRIOR 12 CALENDAR MONTHS. EACH PARTY ACKNOWLEDGES THAT:

- (A) THIS SECTION REFLECTS AN INFORMED, VOLUNTARY ALLOCATION OF THE RISKS (KNOWN AND UNKNOWN) THAT MAY EXIST IN CONNECTION WITH THE ARRANGEMENTS SET FORTH IN THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, THE USE OF THE SERVICE, STORAGE AND DISSEMINATION OF THE CONTENT AND THE EXERCISE OF THE LICENSED RIGHTS, AND
- (B) SUCH VOLUNTARY RISK ALLOCATION WAS A MATERIAL PART OF THE BARGAIN BETWEEN THE PARTIES, AND
- (C) THE ECONOMIC AND OTHER TERMS OF THIS AGREEMENT WERE NEGOTIATED AND AGREED TO BY THE PARTIES IN RELIANCE ON SUCH VOLUNTARY RISK ALLOCATION.

12. **Indemnification.** DAS shall hold Subscriber and its officers, directors, managers, employees, contractors and agents, collectively and individually, harmless from any claims, obligations, losses, damages, liabilities, fines, costs and expenses (including, without limitation, reasonable attorney's fees pretrial, trial and appellate) (collectively "**Losses**") arising out of or incurred as a result of or in connection with DAS' material breach of this Agreement, excluding therefrom all Losses arising from Subscriber's or its employees or contractors' material breach of this Agreement. Subscriber shall hold DAS and its affiliates, officers, directors, managers, employees, contractors, and agents, collectively and individually, harmless from any Losses arising out of or incurred as a result of or in connection with: (A) Subscriber's or its employees or contractors' material breach of this Agreement, or (B) a third party claim based on Subscriber's: (1) use of the Services, or (2) Content, excluding therefrom all Losses arising from DAS' material breach of this Agreement.

13. **Grant of Security Interest.** To secure the Subscriber's payment of amounts becoming due hereunder and the Subscriber's performance of his, her, or its obligations pursuant to this Agreement, the Subscriber hereby grants DAS a first security interest in the Content and all other tangible and intangible properties in the possession or under the control of DAS (the "**Collateral**"). Such security interest shall continue from the Effective Date through the full and final payment of all amounts due from Subscriber to DAS. DAS may, at its sole option and from time to time, file (without the signature of an authorized representative of the Subscriber where permitted by law) such financing, continuation statements and amendments as reasonably determined by DAS to perfect the Security Interest in the Collateral. Upon the request of DAS, the Subscriber shall promptly execute all documents which are reasonably necessary to perfect the Security Interest and pay the filing fees and associated costs and expenses incurred or suffered by DAS in connection with the perfection or continuation of the perfection of the Security Interest in such jurisdictions as may be reasonably selected by DAS, and the preparation, transmittal and filing of documents in connection therewith. The Subscriber shall not file any termination statements or other

documents to terminate, limit, or amend the financing statement filed by DAS, or cause, suffer, or permit any other Person to do so for or on behalf of the Subscriber.

14. **DAS Amendment by Notice.** DAS may at any time and from time to time amend this Agreement by providing not less than sixty (60) days advance notice (the “**Amendment Notice**”) to Subscriber setting forth the substance of such amendment. If Subscriber determines the amendment to be unacceptable to Subscriber, Subscriber shall provide written notice to DAS within thirty (30) days of the Amendment Notice. If no timely objection to the Amendment Notice is provided by Subscriber, the amendment shall be effective as of the date set forth in the Amendment Notice and any Customer’s use of any of the Service or the Add-On Software on or after such date shall confirm acceptance of such amendment. If a timely objection to the Amendment Notice is provided by Subscriber: (A) DAS may elect by written notice to Subscriber on or within thirty (30) days of Subscriber’s timely objection to withdraw the amendment as concerns Subscriber, or (B) if DAS does not timely provide a notice of withdrawal of the amendment to Subscriber, then Subscriber may terminate this Agreement upon thirty (30) days written notice to DAS.

15. **Notices.** Except for normal business communications, which shall be in writing and may be sent via email, each consent, waiver, notice, demand, request or other instrument required or permitted to be given and effective under this Agreement shall be in writing and deemed to have been properly given upon: (A) actual delivery if hand delivered, (B) the next business day after: (1) transmission by overnight express courier service (e.g., Federal Express), freight prepaid to the address for such party set forth herein, or (2) in the case of a notice provided by DAS, being sent to the e-mail address for the Subscriber set forth in the records for the Service, or (C) five (5) business days after being sent by certified United States mail, return receipt requested, postage prepaid, to the address for such party set forth in the records for the Service. Either party may change its address or facsimile number for notices by changing it on the records for the Service.

16. **Entire Agreement, Waiver, Modification, Successors, Assignment, Captions, Partial Invalidity, Third Party Beneficiaries, Applicable Law and Venue, and WAIVER OF JURY TRIAL.** This Agreement sets forth the entire understanding of the parties concerning the subject matter of this Agreement and incorporates all prior negotiations and understandings. There are no covenants, promises, agreements, conditions, or understandings, either oral or written, between them relating to the subject matter of this Agreement other than those set forth herein. No purported waiver by any party of any default by another party of any term or provision contained herein shall be deemed to be a waiver of such term or provision unless the waiver is in writing and signed by the waiving party. No such waiver shall in any event be deemed a waiver of any subsequent default under the same or any other term or provision contained herein. No alteration, amendment, change or addition to this Agreement shall be binding upon any party unless in writing and signed by the party to be charged except as set forth in Section 14. All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and, except as otherwise specifically provided in this Agreement, their respective permitted successors, and assigns. Subscriber may not assign or delegate its, his or her, rights or obligations under this Agreement. DAS may assign and delegate its rights and obligations under this Agreement without notice to Subscriber at any time and from time to time. The captions and paragraph letters appearing in this Agreement are inserted only as a matter of convenience. They do not define, limit, construe or describe the scope or intent of the provisions of this Agreement. Each term or provision of this Agreement shall be valid and independently enforced to the fullest extent permitted by law. If any term or provision of this Agreement or the application thereof to any Person or circumstance is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement and the application of such term or provision to another Person or circumstance shall be unaffected thereby. There are no intended, express, or implied third-party beneficiaries to this Agreement. It holds and organizes that data in a database (the “**Database**”) that is accessible via the Report Writing Platform.

Subscriber owns and operates a real estate appraisal practice and, in connection therewith, uses the Report Writing Platform to store comparable data and other data and information, and to access that information, including, using the Report Writing Platform to select data and prepare client reports in connection with its real estate appraisal business.

The parties are entering this Agreement to: (1) provide the Subscriber with access to the Database, and (2) license the Subscriber’s data to Data Solutions, both on and in accordance with the terms and conditions of this Agreement.

AGREEMENT

1. Definitions.

The capitalized terms in this Agreement shall have the meanings set forth in Section 19 and as may be defined elsewhere in this Agreement.

2. **Exclusive Agreement.**

This Agreement shall be the sole and exclusive agreement between the parties concerning the subject matter hereof. All prior agreements between Data Solutions and the Subscriber concerning or relating to the Data and the Database are hereby terminated and shall have no force or effect except for the provisions thereof that survive termination (e.g., the SD License granted by such prior agreement).

3. **Grant of License to Subscriber.**

Data Solutions grants the Subscriber a non-exclusive, non-transferable, limited right during the Term for its Authorized Users to exercise the Licensed Rights strictly in accordance with the Data Utilization Profile and solely for Subscriber's Internal Business Purposes.

4. **Grant of Data License by Subscriber.**

The provisions of this Section 4 shall be deemed to supplement, but not modify or replace, the terms and conditions of the SaaS Agreement.

4.1 License Grant to Data Appraise. The Subscriber grants Data Appraise and its successors and assigns the right, from time to time during the Term, to:

- (A) make or have made copies and derivative works of, and modify, supplement, or amend the Subscriber Data, in whole or in part, including, for Data Solutions, its customers or sublicensees,

5.3 Interest in Data, the Database, or the Data Solutions Business. Except for the Licensed Rights, this Agreement does not grant, and the Subscriber shall not have or receive, any rights or interests whatsoever in any of the Data, the Database, or the business or assets of Data Solutions.

6. **Subscriber Obligations.**

The Subscriber shall:

- (A) cause each Authorized User to:
 - (1) assent and agree to the terms of the user terms and conditions of use (the "**Terms of Use**") prior to or contemporaneously with the first exercise of any Licensed Right by the applicable Authorized User (including, as, when and if the User Terms and Conditions are amended, modified, supplemented, or replaced, from time to time),

- (E) maintain at all times during the Term: (1) the Subscriber's and each Authorized User's account and means of access of the Report Writing Platform, including full and timely payment of all amounts due under the SaaS Agreement, and (2) all equipment and utilities necessary to exercise the Licensed Rights, and
- (F) promptly after uploading any Third-Party Data to the Report Writing Platform, provide Data Solutions and Data Appraise with written notice (the "**Third-Party Data Notice**") describing such Third-Party Data.

The Subscriber represents and warrants to Data Solutions and to Data Appraise, that, except for Third-Party Data that was the subject of a timely and complete Third-Party Data Notice, the Subscriber is the owner of the Subscriber Data in all respects, or for each part of the Subscriber Data that the Subscriber does not own, the Subscriber has the right to grant the SD License.

8. Confidentiality.

This Section 8 shall not be deemed to amend, revise, or replace any similar agreement or provision of any agreement between the Subscriber and any of Data Appraise, Franchisor or Valbridge entered on or prior to the Effective Date. Each Receiving Party shall, except as may be permitted by this Agreement:

- (D) exercise reasonable diligence to maintain the confidential, secret, or proprietary nature of all Confidential Information, with reasonable diligence (meaning that the Receiving Party uses commercially reasonable security measures that are not less than the measures used by it for its own confidential or proprietary information).

Notwithstanding the foregoing: (AA) a Receiving Party may disclose Confidential Information if and only if compelled by, and solely to the minimum extent necessary to comply with, bona fide unaffiliated third party initiated legal process (including, but not limited to, deposition, interrogatory, request for documents, subpoena, civil investigative demand or similar legal process), and, to the extent not prohibited by applicable law or order, reasonable advance written notice is provided to the Disclosing Party, including the known relevant details of the legal process (with the intent to enable the Disclosing Party to take action to protect its rights in and to the subject Confidential Information), (BB) Data Solutions may disclose Confidential Information to Data Appraise and each other Person that an Affiliate of Data Solution or is under a duty of confidentiality to Data Solutions, and (CC) Data Solutions and Data Appraise may use and disclose Confidential Information in connection with exercising their individual and collective rights granted by or fulfilling their individual and collective obligations arising under this Agreement.

- (E) for cause thirty (30) days after written notice if a party (the “*breaching party*”) breaches this Agreement and a non-breaching party provides such notice to the breaching party setting forth the breach in reasonable detail, *provided that*, if the notice is for a breach that has not previously been the subject of a notice pursuant to this section and the breaching party cures the breach within the notice period, then no termination shall occur.

9.2 Effect of Termination. Upon a termination of this Agreement for any reason whatsoever the Licensed Rights shall terminate and, except for reports prepared and submitted to the Subscriber’s clients prior to the end of the Term where the Subscriber exercised the Licensed Rights in compliance with this Agreement and for post preparation activities related to such reports (e.g., testifying and updates), the Subscriber shall immediately cease exercising the Licensed Rights. No termination shall affect the rights of Data Solutions or the Subscriber arising prior thereto.

10. WARRANTIES.

DATA SOLUTIONS MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, WHATSOEVER CONCERNING OR RELATING TO THE DATABASE, THE DATA, THE SUBSCRIBER’S ABILITY TO ACCESS THE DATABASE OR EXERCISE THE LICENSED RIGHTS, INCLUDING BUT NOT LIMITED TO: (A) NO WARRANTY OF MERCHANTABILITY, (B) NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, (C) NO WARRANTY CONCERNING INTELLECTUAL PROPERTY RIGHTS, AND (D) NO WARRANTY CONCERNING THE INTEGRITY OR ACCURACY OF THE DATA. In the event of non-payment by the Subscriber of any of its obligations under this Agreement and the failure to cure such non-payment within ten (10) days of the due date of the payment, Data Solutions may, at its sole option, suspend the ability of the Subscriber (and its Authorized Users) to exercise the Licensed Rights or access the Data. THE PARTIES HEREBY KNOWINGLY AND VOLUNTARILY **WAIVE ALL OF THEIR INDIVIDUAL AND COLLECTIVE RIGHTS TO A TRIAL BY JURY** ON ANY AND ALL ISSUES PERTAINING TO OR ARISING OUT OF THIS AGREEMENT, THE DATA OR THE DATABASE.

17. Counterparts.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute the same Agreement.

18. Attorneys' Fees.

In the event of any litigation, arbitration, legal action, proceeding or other controversy (a "**Dispute**") between the parties arises out of or relates to this Agreement, the Data, the Licensed Rights, the SD License, or the Database, the Prevailing Party in such Dispute shall be entitled to recover from the other party all reasonable attorneys' fees, expenses, and suit costs, including any associated with any appellate proceedings and any post-judgment collection proceedings.

INDEPENDENT AUDITOR'S REPORT

To the Member of
Valbridge Property Advisors Franchising System, LLC
Naples, Florida

Opinion

We have audited the accompanying financial statements of Valbridge Property Advisors Franchising System, LLC, (a Florida Corporation) (the "Company"), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Valbridge Property Advisors Franchising System, LLC (the “Company”), was formed on January 24, 2013, as a limited liability company. The Company is a wholly owned subsidiary of Valbridge Property Advisors, Inc. (“VPA”), which is the sole member. The Company was formed to develop a national network of property appraisers as franchises with the intent of strategically reciprocating referrals for business appraisals amongst each other and to operate under a common trade name. The Company currently has 72 locations in the United States owned and operated by third party franchisees under franchise agreements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid securities with original maturities of three months or less, when acquired, to be cash equivalents. The Company minimizes its credit risk associated with cash by periodically evaluating the credit quality of its primary financial institution. Cash balances at times may exceed federally insured limits. At December 31, 2023, \$85,874 exceeded the federally insured limit.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents includes medical insurance premiums funds held by the Company to pay medical insurance premiums on behalf of the franchisees. In addition, it includes funds received from, and paid to, the franchisees for real estate appraisals. Lastly, it includes funds in a savings account to offset National E & O premium deductible liability. These funds are required to be maintained in separate bank accounts.

Accounts Receivable

The Company periodically assesses the collectability of accounts receivable, and makes allowances for accounts considered uncollectible. As of December 31, 2023 and 2022, no allowance for doubtful accounts was considered necessary.

Intangible Assets

The Company’s intangible assets consist of software that was developed by Optimum Consultancy Services. The purpose of the software is to integrate the Company’s database and technology, increasing efficiency. The Company’s policy is to amortize the software over a 5-year life.

VALBRIDGE PROPERTY ADVISORS FRANCHISING SYSTEM, LLC

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Company follows FASB Accounting Standard Update No. 2014-09, “Revenue from Contracts with Customers” (ASC 606), which outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied.

The Company’s revenues consist primarily of royalties, franchise fees, other fees for technology and marketing, and ongoing appraisal and referral fees, all of which are covered in franchise agreements. Royalties include base royalties plus revenue-based royalties of 2% to 3% depending on the revenue level of the franchisee. Franchise fees, technology fees and marketing fees are received upfront. Appraisal and referral fees are earned when services are performed by the Company for the franchisee.

ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the consideration expected to be received for those goods or services. Royalties from franchise fees, which are based on a percent of revenue, are recognized at the time the underlying revenue occur. Appraisal and referral fees are recognized when earned. CoStar fees are recognized monthly when billed. Initial fees are recognized as the Company satisfies the performance obligations over their respective terms which are generally three years for franchise fees and one year for technology and marketing fees.

Deferred revenue represents initial franchise fees received but not yet earned.

Income Taxes

The Company was organized in 2013 as a limited liability company and elected to be taxed as a flow through entity. Accordingly, VPA has consented to include the taxable income of the Company on its income tax returns. Therefore, the Company’s financial statements do not include any provision for income taxes.

The Company has concluded that as of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken by the Company that would require recognition of a liability (or asset) or disclosure in the financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

Fair Value Measurements

The Company follows ASC No. 820, *Fair Value Measurements and Disclosures*. The Company applies fair value accounting for all financial assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. The Company defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company uses fair value measurements based on quoted prices in active markets for identical assets or liabilities (Level 1), significant other observable inputs (Level 2) or unobservable inputs for assets or liabilities (Level 3), depending on the nature of the item being valued. The Company discloses on a yearly basis the valuation techniques and discloses any change in method of such within the body of each applicable footnote. The estimated fair values may not be representative of actual values that will be realized or settled in the future.

VALBRIDGE PROPERTY ADVISORS FRANCHISING SYSTEM, LLC

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)**

Fair Value Measurements (continued)

At December 31, 2023 and 2022, the Company has no instruments that require additional disclosure. The carrying amounts of the Company's financial instruments including cash and cash equivalents, accounts receivable and accounts payable approximate fair value because of the short period to maturity for these instruments and/or market interest rates.

Commitments and Contingencies

In the normal course of conducting its operations, the Company may occasionally become party to various legal actions and proceedings. At this time, management is not aware of any claims or legal action or any pending or threatened litigation that might have a material impact on the Company's financial position, results of operations or cash flows. While management believes that the Company has adequate general and professional liability coverage, current or subsequent claims could result in additional costs to the Company.

Statement of Cash Flows

Restricted cash is included in total cash in the Statements of Cash Flows. The components of cash and cash equivalents, and restricted cash in the Statements of Cash Flows are presented in the Balance Sheets.

Implemented Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases* (ASC 842), that requires lessees to put most leases on its balance sheets and recognize expenses on its income statements in a manner similar to today's capital lease accounting. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The Company adopted the lease standard effective January 1, 2022, but it had no effects on the financial statements as there were no leases.

Subsequent Events

Management has evaluated subsequent events through April 5, 2024, the date which the financial statements were available to be issued.

NOTE 2 – FRANCHISING ACTIVITY

At December 31, 2023 and 2022, the Company had 38 and 44 active franchises, respectively.

VALBRIDGE PROPERTY ADVISORS FRANCHISING SYSTEM, LLC

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 3 – RELATED PARTY TRANSACTIONS

The Company has entered into a licensing agreement for the use of certain brand and service marks and business systems owned by VPA. For the years ended December 31, 2023 and 2022, the Company paid VPA a total of \$77,400 and \$81,600, respectively, for licensing fees. The Company periodically advances monies to VPA and other related entities in the ordinary course of business. At December 31, 2023 and 2022, these advances totaled \$9,452,573 and \$7,943,133, respectively, and are non-interest bearing with no fixed date of repayment. The advances have been reclassified as long-term as they are zeroed out on a consolidated basis with VPA and not expected to be collected in 2024.

NOTE 4 – INTANGIBLE ASSETS

Intangible assets at December 31, 2023 are summarized as follows:

Software	\$	183,540
Less: accumulated amortization		<u>(76,475)</u>
Intangibles, net	\$	<u>107,065</u>

Amortization expense for 2023 was \$36,708. Estimated annual amortization expense for each of the years subsequent to 2023 is: 2024 - \$36,708, 2025 - \$36,708, 2026 - \$33,649.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

Litigation

In the normal course of conducting its operations, the Company occasionally becomes party to various legal actions and proceedings. As of the report date, management is not aware of any claims or legal action or any pending or threatened litigation, claims or assessments against the Company.

INDEPENDENT AUDITOR'S REPORT

To the Member of
Valbridge Property Advisors Franchising System, LLC
Naples, Florida

Opinion

We have audited the accompanying financial statements of Valbridge Property Advisors Franchising System, LLC, a Florida Corporation (the "Company"), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of income and member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Valbridge Property Advisors Franchising System, LLC (the “Company”), was formed on January 24, 2013, as a limited liability company. The Company is a wholly owned subsidiary of Valbridge Property Advisors, Inc. (“VPA”), which is the sole member. The Company was formed to develop a national network of property appraisers as franchises with the intent of strategically reciprocating referrals for business appraisals amongst each other and to operate under a common trade name. The Company currently has 80 locations in the United States owned and operated by third party franchisees under franchise agreements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid securities with original maturities of three months or less, when acquired, to be cash equivalents. The Company minimizes its credit risk associated with cash by periodically evaluating the credit quality of its primary financial institution. Cash balances at times may exceed federally insured limits. At December 31, 2022, \$1,121,613 exceeded the federally insured limit.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents includes medical insurance premiums funds held by the Company to pay medical insurance premiums on behalf of the franchisees. In addition, it includes funds received from, and paid to, the franchisees for real estate appraisals. Lastly, it includes funds in a savings account to offset National E & O premium deductible liability. These funds are required to be maintained in separate bank accounts.

Accounts Receivable

The Company periodically assesses the collectability of accounts receivable, and makes allowances for accounts considered uncollectible. As of December 31, 2022 and 2021, no allowance for doubtful accounts was considered necessary.

Intangible Assets

The Company’s intangible assets consist of software that was developed by Optimum Consultancy Services. The purpose of the software is to integrate the Company’s database and technology, increasing efficiency. The Company’s policy is to amortize the software over a 5-year life.

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Company follows FASB Accounting Standard Update No. 2014-09, “Revenue from Contracts with Customers” (ASC 606), which outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied.

The Company’s revenues consist primarily of royalties, franchise fees, other fees for technology and marketing, and ongoing appraisal and referral fees, all of which are covered in franchise agreements. Royalties include base royalties plus revenue-based royalties of 2% to 3% depending on the revenue level of the franchisee. Franchise fees, technology fees and marketing fees are received upfront. Appraisal and referral fees are earned when services are performed by the Company for the franchisee.

ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the consideration expected to be received for those goods or services. Royalties from franchise fees, which are based on a percent of revenue, are recognized at the time the underlying revenue occur. Appraisal and referral fees are recognized when earned. CoStar fees are recognized monthly when billed. Initial fees are recognized as the Company satisfies the performance obligations over their respective terms which are generally three years for franchise fees and one year for technology and marketing fees.

Deferred revenue represents initial franchise fees received but not yet earned.

Income Taxes

The Company was organized in 2013 as a limited liability company and elected to be taxed as a flow through entity. Accordingly, VPA has consented to include the taxable income of the Company on its income tax returns. Therefore, the Company’s financial statements do not include any provision for income taxes.

The Company has concluded that as of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken by the Company that would require recognition of a liability (or asset) or disclosure in the financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

Fair Value Measurements

The Company follows ASC No. 820, *Fair Value Measurements and Disclosures*. The Company applies fair value accounting for all financial assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. The Company defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company uses fair value measurements based on quoted prices in active markets for identical assets or liabilities (Level 1), significant other observable inputs (Level 2) or unobservable inputs for assets or liabilities (Level 3), depending on the nature of the item being valued. The Company discloses on a yearly basis the valuation techniques and discloses any change in method of such within the body of each applicable footnote. The estimated fair values may not be representative of actual values that will be realized or settled in the future.

NOTES TO FINANCIAL STATEMENTS

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)**

Fair Value Measurements (continued)

At December 31, 2022 and 2021, the Company has no instruments that require additional disclosure. The carrying amounts of the Company's financial instruments including cash and cash equivalents, accounts receivable and accounts payable approximate fair value because of the short period to maturity for these instruments and/or market interest rates.

Commitments and Contingencies

In the normal course of conducting its operations, the Company may occasionally become party to various legal actions and proceedings. At this time, management is not aware of any claims or legal action or any pending or threatened litigation that might have a material impact on the Company's financial position, results of operations or cash flows. While management believes that the Company has adequate general and professional liability coverage, current or subsequent claims could result in additional costs to the Company.

Statement of Cash Flows

Restricted cash is included in total cash in the Statements of Cash Flows. The components of cash and cash equivalents, and restricted cash in the Statements of Cash Flows are presented in the Balance Sheets.

Recently Adopted Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases* (ASC 842), that requires lessees to put most leases on its balance sheets and recognize expenses on its income statements in a manner similar to today's capital lease accounting. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The Company adopted the lease standard effective January 1, 2022, but it had no effects on the financial statements as there were no leases.

Subsequent Events

Management has evaluated subsequent events through April 25, 2023, the date which the financial statements were available to be issued.

NOTE 2 – FRANCHISING ACTIVITY

At December 31, 2022 and 2021, the Company had 44 and 43 active franchises, respectfully.

The Company periodically advances monies to VPA and other related entities in the ordinary course of business. At December 31, 2022 and 2021, these advances totaled \$7,943,133 and \$6,994,073, respectively, and are non-interest bearing with no fixed date of repayment. The advances have been reclassified as long-term as they are zeroed out on a consolidated basis with VPA and not expected to be collected in 2023.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

14. **Assignment, Successors.** Licensee may not assign, transfer or delegate its rights or duties hereunder without the express prior written approval of Licensor, which may be withheld, conditioned or delayed in Licensor's sole and absolute discretion. Licensor may assign its rights and obligations under this Agreement, at any time and from time to time, without the consent of Licensee. Each and all of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and, except as otherwise specifically provided in this Agreement, their respective permitted successors and assigns.
