What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has registration requirements, or to contact your state, use the agency information in Exhibit “A.”

Your state also may have laws and require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in North Carolina. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in North Carolina than in your own state.
2. **Mandatory Minimum Payments.** You must make mandatory minimum royalty payments or advertising fund payments regardless of your sales levels. Your inability to make these payments may result in termination of your franchise and loss of your investment.
3. **Short Operating History.** The franchisor is at an early stage of development and has limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED BY THE MICHIGAN FRANCHISE INVESTMENT LAW.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

1. Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

2. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

3. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

4. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

5. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

6. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(a) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(b) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

7. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

8. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

None of these fees or expenses that you pay to us are refundable. You may be able to get refunds of the fees listed above from the landlord or vendor. We do not finance any part of your initial investment.

(1) The nonrefundable Initial fee is \$49,000. If you are an existing franchisee and are buying an additional franchise, the initial fee is 40,000.

(2) You must pay for all of your expenses incurred during the Kitchen Guard Academy Initial Training Program, including airfare or other travel expenses, food, and lodging.

(3) You must acquire a pressure washer, filter tank plus rollers and pressure washer, filter inventory, assorted tools, disposable materials, plus other inventory.

- (4) You must lease space for your office, warehouse and vehicles. A typical Kitchen Guard business premises will be between 1,500 – 3,000 square feet. Rent and the cost of the tenant improvements will depend on the size, location, and condition of the premises, and landlord contributions, if any. If your office and warehouse are in the same location, the office must be maintained in accordance with professional standards, as the Company may in its sole discretion determine. If you have more than 1 Kitchen Guard franchise with contiguous Territories, you may not be required to have a separate warehouse for each franchise. This estimate is for 3 months since your rental expenses will begin prior to the opening of your business which could be up to 3 months.
- (5) Your cost will be a function of the condition of the real estate and the extent of the necessary improvements.
- (6) The estimate above is for two service vans. The number of vehicles depends on the size and location of your business operations and whether you will provide optional services. You are required to own or lease at least two service vans for your business. This estimate is for the initial lease deposit and 3 months of lease payments, or the down payment and 3 months of finance payments if you purchase the vans. These expenses will begin prior to the opening of your business, which could be up to 3 months.
- (7) Includes computer hardware, software, and peripheral equipment.
- (8) Includes insurance, business license fees, security deposits, utilities, incorporation fees, and Internet access service fees.
- (9) This estimates your initial start-up expenses for the initial phase of 3 months. These expenses include payroll costs.
- (10) Your costs will depend on factors such as: management skill, experience and business acumen, local economic conditions, the local market for our product, the prevailing wage rate, and competition. These costs are based on a start-up business. The estimated initial investment will be lower for an existing business that is already incurring some of the overhead costs required for the initial investment. The extent to which you have already established your business may lower these costs. The Company has relied on its affiliate's experience to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To maintain the high standards of quality associated with the Kitchen Guard System, you must purchase products and inventory only from the Company, an affiliate of the Company, or another supplier designated by the Company. Currently, neither the Company nor any affiliate are the supplier of any products or services to System franchisees, but we reserve the right to sell proprietary and non-proprietary equipment and supplies, in the future to franchisees.

The required inventory of products, equipment, and supplies necessary to operate the Franchised Business is listed in the Kitchen Guard System Confidential Operating Manual (the "Confidential Manual"). The required purchase of products and equipment from the Company, its affiliates or its designated suppliers, or according to our specifications is 50% to 60% of your overall purchases in establishing your business, and 10% to 20% of your overall purchases in operating your business.

You may purchase equipment and supply items only from Company-approved suppliers or, if there

is no approved supplier for a particular equipment or supply item, from suppliers who meet all of the Company's specifications and standards as to quality, composition, and functionality and adequately demonstrate their capacity and facilities to supply your needs in the quantities, at the times, and with the reliability necessary for an efficient operation. The Company provides certain of its specifications and standards to approved suppliers in the course of doing business with them and will share its criteria for approving approved suppliers with a franchisee upon request in the process of reviewing requested alternative suppliers. The Company reserves the right to designate a single supplier for any equipment and supply items and to require you to use such a designated supplier exclusively, which exclusive designated supplier may be the Company or its affiliates. None of the Company's officers owns an interest in any approved suppliers.

If you wish to purchase any equipment or supplies that have not been approved by the Company or from a supplier who has not been approved by the Company, you must submit a written request to change products or suppliers to the Company. To obtain approval of any proposed alternative equipment, supply item, or supplier, you must provide the Company with documentation from a source independent of Franchisee or the proposed supplier which demonstrates to the Company's satisfaction that the proposed alternate equipment, supply item, or supplier performs as well as the item or supplier to be replaced. The Company has the right to further test any proposed equipment or supply item, and to further evaluate any proposed alternate supplier. There is no fee charged to franchisees or proposed suppliers for the Company to test any proposed equipment or supply item or to evaluate any proposed supplier. The Company will notify you within 90 days of the approval or disapproval of products, equipment, supplies, and suppliers.

Regardless of the above, the Company reserves the right to disapprove of proposed and existing suppliers, products, equipment and supplies for any reason, including the number of such suppliers or items that have already been approved. The Company may revoke the approval of suppliers if their product no longer satisfies our quality standards or for any other reason by written notice or update to the Confidential Manual. The Company may at any time require the substitution of newly developed proprietary products for non-proprietary items.

You must purchase and maintain from a company we approve, insurance that insures both you and us, our affiliates our parent companies, and our customers and the owners of any property you service. The insurance policies must include, at a minimum: (i) commercial general liability insurance covering claims for personal injuries and property damage with minimum limits of \$2,000,000 per occurrence, \$5,000,000 general aggregate, \$2,000,000 products/completed operations aggregate; (ii) employers liability insurance with minimum limits of \$1,000,000 for bodily injury caused by accident or disease, or the minimum required by state law (whichever is greater); (iii) vehicle liability for owner, leased, hired and non-owned vehicles with minimum limits of \$1,000,000 combined single limit for bodily injury and property damage per occurrence; (iv) umbrella liability insurance with minimum limits of \$1,000,000; (v) Worker's Compensation Insurance; (vi) any other such insurance coverages or amounts as required by law or agreement related to the Franchised Business; and (vii) any other insurance we may require from time to time, including cyber insurance. Additional insurance requirements will be set forth in the Confidential Manual. All liability insurance policies must name us (and our affiliates, officers, directors and employees), as well as any subcontractors on the particular property, and/or our customers and/or the owners of any property you service) as additional insureds.

You must equip your facility with a computer system containing certain minimum hardware and software. Company is not a supplier of these items.

The Company and/or an affiliate may negotiate purchase arrangements with suppliers (including price terms) for the benefit of franchisees and to promote the overall interests of the Kitchen Guard Services franchise network and our interests as the Franchisor. We are not required to negotiate purchase

arrangements. We do not provide material benefits to a franchisee based on a franchisee’s use of designated or approved sources; however, a franchisee who does not use such sources will be in breach of the Franchise Agreement.

The Company has the right to receive payments from suppliers on account of their dealings with you and other franchisees, and we may use the amounts received without restriction and for any purpose the Company and its affiliates deem appropriate.

We and our affiliates also reserve the right to derive revenue from any of the purchases or leases System franchisees are required to make in connection with the Franchised Business. As of the fiscal year ended December 31, 2022, neither we nor any affiliate derived any revenue on account of required purchases or leases by franchisees.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, the Company is not required to provide you with any assistance.

Pre-Opening Obligations

The Company will have the right to approve the selection of a site for your warehouse facilities and office, which will not be unreasonably withheld. Officing &/or warehouse facilities must be within your territory description within the franchise agreement. If the Company reasonably withholds its approval of your proposed site, and you do not later locate an acceptable site, you may not commence operation of the Franchised Business. Failure to office within your territory description is in default of the franchise agreement and may result in termination of the agreement. You must give the Company written notice and photographs of inside and outside the premises of the proposed location. If the Company does not give you

written notice of disapproval within 20 business days after receipt of your notice, the location will be deemed to be approved by the Company. (Franchise Agreement § 2.1). Generally, the Company considers, with respect to a location, factors such as whether the proposed location is near the center of the Territory, within easy access to major roads, visibility, accessibility both for trucks using the workplace and for customers entering the office, and the professional appearance of the office. We do not generally own the premises and generally do not lease them to franchisees. We may terminate the Franchise Agreement if you do not secure an acceptable site within 60 days of its effective date. If you do not live in the Territory or do not already own/lease space in the territory, you must execute a lease within 180-days of its effective date (Franchise Agreement § 3.1).

The Company or a supplier designated by Company (which may be an affiliate) will sell to the Franchisee such Kitchen Guard Proprietary Products as are set forth in the Confidential Manual, and such other Proprietary Products which Franchisor may hereafter develop or obtain. The sale or lease by Franchisor or such other person of such Proprietary Products or equipment to Franchisee will include a commercially reasonable markup (Franchise Agreement § 2.8).

The Company will provide sources of supply for the purchase or lease of non-Proprietary Products, for use in providing Services. A list of approved suppliers and approved products will be included in the Confidential Manual and may be revised by the Company from time to time in its sole discretion. The Company reserves the right to designate a single supplier for any equipment and supply items and to require Franchisee to use such a designated supplier exclusively, which exclusive designated supplier may be the Company or its affiliates. The Company and its affiliates may receive payments from suppliers on account of such supplier's sales to Franchisee and other franchisees, and The Company may use all amounts so received without restriction and for any purpose Franchisor and its affiliates deem appropriate (Franchise Agreement § 2.9).

The Company will, if requested by you, provide you with advice concerning a generalized space plan, workflow, and general layout of an office and warehouse facility that is typically used in the Kitchen Guard Services franchise network (Franchise Agreement § 2.2).

The Company will give you access to the Confidential Manual for your use during the term of the franchise (Franchise Agreement § 2.3). Any franchisee advisory council formed will serve in an advisory capacity only and will not have any operational or decision-making power. The Company has the power to form, change, dissolve, and merge any franchise advisory council that it forms.

The Promotional Fund is administered by the Company. If you do not live in the Territory, or do not already own/lease space in the Territory, you must secure a location and sign a lease within 180-days of signing the Franchise Agreement. Most franchisees open their business within 180 days after signing the Franchise Agreement. You must open your business no later than 270 days after signing the Franchise Agreement. Factors which may affect the time to open your business include the ability to obtain a lease, financing or building permits, zoning and local ordinances, weather conditions, shortages, scheduling of training, and delayed delivery or installation of equipment, fixtures, and signs.

ITEM 12 TERRITORY

When you sign the Franchise Agreement, we grant you a Territory defined by geographic boundaries that will have between 1,250 and 2,500 retail food service locations within those boundaries. The actual boundaries of the Territory, and the designation of the Territory, will be set forth on an exhibit to the Franchise Agreement that will be signed by both you and the Company.

We will not operate or grant a franchise for others to operate a Kitchen Guard franchised business within the Territory except as set forth below. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You have no options, rights of first refusal, or similar rights to acquire additional franchisees.

The Company, its parents, or its affiliates have the right to use other channels of distribution, including the Internet, direct mail, telemarketing, or other direct marketing, to make sales within any franchisee’s Territory using the Marks. You may not solicit or accept orders from customers outside of your Territory, and you may not solicit or accept orders from customers within your Territory if services to that customer are provided, in whole or in part, outside of your Territory. You also may not make sales within or outside of your Territory using other channels of distribution, including the Internet, direct mail,

telemarketing, or other direct marketing without the Company's consent.

You may not solicit customers within your Territory with respect to Services that would be provided to such customer both within and outside the Territory (such customer being referred to as a "**Strategic Account**" or "**National Account**") without our prior written consent. You may not hold yourself out to the public as being able to provide the Services outside your Territory. If you receive customer inquiries or leads from outside your Territory, you must direct such inquiries or leads to the Company. The Company retains the right to solicit and sell to National Accounts within the Territory, including solicitation and sales via direct marketing campaigns, telemarketing, and by use of the Internet. You may provide Services outside of your Territory only if we give you our written consent to provide these Services outside your Territory.

To keep your Territory, you must comply with the terms of Franchise Agreement and satisfy the performance criteria and generate a minimum of \$40,000 in Gross Receipts per month in the Territory beginning in your fourth year of operation. We may permit you to relocate your Territory to an open territory, provided that you provide us with notice of the change and you secure a location within the new territory. You may relocate your warehouse facilities and office with our written consent, which will not be unreasonably withheld provided the new location is located within your Territory. Any relocation will be at your sole expense, and we may charge our then-current relocation fee (if any) for services that we render in connection with the relocation. When considering a request for relocation, we may take into account the desirability of the proposed new location, its distance from other and future-planned franchised locations, the traffic patterns, security, cost, and the demographics of the area, as well as any other related factors we deem appropriate.

The Company will not pay any compensation to you for soliciting or accepting orders in your Territory. If the Company enters into an agreement to provide Services to any customer that has a location within your Territory, the Company may offer you the right to service this account at the location and at the terms upon which the Company and this account have agreed. Similarly, the Company and other franchisees may solicit assistance from you to perform Services outside your Territory. In addition, if the Company receives leads for Services in locations that are not part of any franchisee's Territory, the Company may allocate the right to service these accounts as it deems appropriate, in its sole discretion. See Item 11.

The Company does not have any present plan to establish another business offering similar services under a different trade name or trademark, but it retains the right to do so. In addition, we may purchase, merge, acquire or be acquired by or affiliate with an existing competitive or non-competitive franchise or non-franchise network, chain or any other business regardless of the location of that other business' facilities, and we may then operate, franchise or license those other businesses and/or facilities under any names or marks other than the Marks regardless of the location of these businesses and/or facilities, which may be within your Territory or immediately near it. You will receive no compensation for these activities.

The Company retains the right to solicit and sell to accounts within the Territory that also have locations outside of the Territory, including, but not limited to, solicitation and sales via direct marketing campaigns, telemarketing, and by use of the Internet and other online computer networks, without compensating you.

Actual results vary from business to business, and we cannot estimate the performance of a particular Franchised Business. Sales and expenses may vary. In particular, the revenue and expenses of your business will be directly affected by many factors, such as: (a) geographic location; (b) advertising effectiveness based on market saturation; (c) whether you operate the business personally or hire a manager; (d) employee salaries and benefits (life and health insurance, etc.); (e) insurance costs; (f) weather conditions; (g) ability to generate customers; (h) customer loyalty; and (i) employment conditions in the market.

2. Importantly, you should not consider the revenue or net profit information presented in the tables above to be the revenue or income that you will realize. We do not represent that you can or will attain this level of revenue or income, or any particular level of revenue or income. We do not represent that you will generate revenue, that exceeds the initial payment of, or investment in, the franchise. Therefore, we recommend that you make your own independent investigation to determine whether or not the franchise may be profitable to you. You should use the above information only as a reference in conducting your analysis and preparing your own projected income statements and cash flow statements. We suggest strongly that you consult your financial advisor or personal accountant concerning the preparation of your financial projections and federal, including any applicable taxes that you may incur in operating a Franchised Business.

4. We are providing you with the following information with the understanding that you will do your own research to develop data with which to perform your analysis. Reviewing this limited amount of information cannot substitute for thorough research on your part and careful evaluation of this franchise opportunity with professional and legal advisors.

Independent Auditor's Report

The Board of Directors
EverSmith Brands Holding Company
(f/k/a Clintar Holding Company)
Charlotte, North Carolina

Opinion

We have audited the consolidated financial statements of EverSmith Brands Holding Company (f/k/a Clintar Holding Company) and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the related consolidated statements of operations, stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Leases

As discussed in Note 2 to the consolidated financial statements, the Company has changed its method for accounting for leases in 2022 due to the adoption of Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2. Summary of Significant Accounting Policies

Basis of Presentation and Consolidation

The accompanying consolidated financial statements are prepared in accordance with generally accepted accounting principles in the United States of America (GAAP) and include the results of EverSmith Brands Holding Company (f/k/a Clintar Holding Company) and its subsidiaries for the years ended December 31, 2022 and 2021. The results of milliCare Inc. are included from the date of acquisition, November 12, 2021, through December 31, 2022. All significant intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Significant estimates made by management in the preparation of the consolidated financial statements include, among other estimates, the determination of the purchase price allocations and the related valuation of intangible assets and other assets and liabilities acquired, depreciation and amortization, useful lives, stock-based compensation, and the allowance for doubtful accounts.

Notes to Consolidated Financial Statements

Reclassifications

Advertising fund restricted liabilities previously included in accrued expenses as of December 31, 2021 were reclassified to advertising fund restricted liabilities on the consolidated balance sheet to conform to the current year presentation. This reclassification does not result in any changes to previously reported total assets, stockholder's equity, and net income.

Foreign Currency Translation

The reporting currency of the Company is the U.S. dollar (USD). The Company's functional currency for its operations in Canada is the Canadian dollar (CAD). Assets and liabilities are translated using the exchange rates as of year-end and revenues and expenses are translated using average exchange rates. Equity is translated at historical rates with resulting translation gains and losses included in the Company's consolidated statement of stockholders' equity as a component of accumulated other comprehensive income (loss).

Gains and losses arising from foreign currency transactions are included in the consolidated statement of operations in operating expenses. Intercompany balances denominated in a currency other than the functional currency of the parties to the transaction create foreign currency gains and losses that survive consolidation, even though the intercompany balances do not.

Concentrations of Risk

One customer group made up approximately 31% and 60% of the Company's net sales for the years ending December 31, 2022 and 2021, respectively. The same customer group made up approximately 16% and 24% of the Company's outstanding accounts receivable at December 31, 2022 and 2021, respectively. No other customer groups exceeded 10% of the Company's revenue for the years ended December 31, 2022 and 2021, respectively or outstanding accounts receivable at December 31, 2022 and 2021, respectively.

Cash

Cash includes cash on deposit and highly liquid investments with original maturities of three months or less. The Company places its cash and cash equivalents with institutions with high-credit quality. However, at certain times, such cash and cash equivalents may be in excess of Federal Deposit Insurance Corporation limits of \$250,000. Additionally, the Company maintains cash in various foreign institutions amounting to \$1,351,550 and \$2,308,897 as of December 31, 2022 and 2021, respectively, converted at year-end exchange rates. The Company has not experienced any losses on such amounts.

Restricted Cash

In accordance with the milliCare's franchise agreements, certain cash accounts established for promotional or advertising contributions and spending are restricted in their use for cash collected by the promotional fund, usage of which is restricted for advertising activities and is included in advertising funds restricted assets on the consolidated balance sheet. Refer to Note 8 for further information.

<i>Year ended December 31,</i>	2022	2021

Total Cash and Restricted Cash	\$ 5,038,548	\$ 2,684,033

Property and Equipment, Net

Property and equipment are recorded at the estimated fair market value at the date of the respective business acquisitions. Additions subsequent to the business acquisitions are recorded at cost, less accumulated depreciation and amortization. The Company has adopted the straight-line method of depreciation and amortization over the estimated useful lives of the assets, as follows:

Asset Category	Years
Office and computer equipment	5
Furniture and fixtures	5
Leasehold improvements	Shorter of the lease term or estimated life of the asset

For the years ended December 31, 2022 and 2021, depreciation expense for property and equipment of \$62,839 and \$62,468 is included in depreciation and amortization within the accompanying consolidated statements of operations.

Business Combinations

When the Company acquires businesses in a business combination, the total consideration paid is allocated to the fair value of the tangible assets, liabilities, and identifiable intangible assets acquired. Any residual purchase consideration is recorded as goodwill. The allocation of the purchase price requires management to make significant estimates in determining the fair values of assets acquired and liabilities assumed. These estimates are inherently uncertain and unpredictable. In addition, unanticipated events and circumstances may occur that may affect the accuracy or validity of these estimates. Acquisition-related costs are expensed as incurred. Refer to Note 3 for further information.

Goodwill

Goodwill represents the purchase price in excess of the fair value of net assets acquired in a business combination. As discussed below, on December 14, 2020, the Company elected to adopt Accounting Standards Update (ASU) 2014-02, *Intangibles - Goodwill and Other (Topic 350)*, which allows private companies to amortize goodwill, an alternative to the previously issued standard ASU 2011-08. Upon adoption on December 14, 2020, the Company began to amortize goodwill over ten years. Under ASU 2014-02, the Company has elected to test goodwill for impairment at the entity level. Goodwill will be tested for impairment when a triggering event occurs that indicates the fair value of the entity may be below the carrying amount, including goodwill. There were no impairment charges for the years ended December 31, 2022 and 2021.

EverSmith Brands Holding Company
(f/k/a Clintar Holding Company)
and Subsidiaries

Notes to Consolidated Financial Statements

In December 2014, the Financial Accounting Standards Board (FASB) issued ASU 2014-08, *Business Combinations (Topic 805)*, to allow private companies an accounting alternative that no longer requires recognition of customer-related intangibles assets, unless they are capable of being sold or licensed independently from the other assets of the business, and noncompetition agreements separately from goodwill in a business combination if the company has adopted ASU 2014-02. The Company adopted ASU 2014-08 at December 14, 2020 and, accordingly, did not separately value any customer-related intangible assets or noncompetition agreements for the acquisitions described in Note 3.

In March 2021, the FASB issued ASU 2021-03, *Intangibles - Goodwill and Other (Topic 350): Accounting Alternative for Evaluating Triggering Events*, which provides private companies and not-for-profit entities with an accounting alternative to perform the goodwill impairment triggering event evaluation as of the end of the reporting period. Under current guidance in Accounting Standards Codification (ASC) 350-20, an entity is required to identify and evaluate goodwill impairment triggering events when they occur to determine whether it is more likely than not that the fair value of an entity is less than its carrying amount. If an entity determines that it is more likely than not that goodwill is impaired, it must test goodwill for impairment using the triggering event date as the measurement date. Under ASU 2021-03, an entity that elects this alternative is not required to monitor for goodwill impairment triggering events during the reporting period but, instead, should evaluate the facts and circumstances as of the end of each reporting period to determine whether a triggering event exists and, if so, whether it is more likely than not that goodwill is impaired. The amendments in this update are effective on a prospective basis for fiscal years beginning after December 15, 2019. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance as of March 30, 2021. The Company adopted ASU 2021-03 on December 14, 2020.

Definite-Lived Intangible Assets

Intangible assets consist of trade names and franchise agreements and were recorded at their estimated fair value at the date of acquisitions. These assets are amortized on a straight-line basis that approximates the estimated pattern benefit to be realized from each asset over their estimated useful lives ranging from six to 20 years. The Company evaluates definite-lived intangible assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset might not be recoverable. An impairment loss is recognized when estimated undiscounted future cash flows expected to result from the use of the asset are less than its carrying amount. There were no impairment charges recorded related to definite-lived intangible assets for the years ended December 31, 2022 and 2021.

Advertising

Advertising costs are expensed as incurred. For the years ended December 31, 2022 and 2021, the Company incurred advertising expense of \$526,098 and \$260,376, respectively, which is included in selling, general, and administrative expenses on the consolidated statements of operations.

Revenue Recognition

In accordance with ASC 606, *Revenue from Contracts with Customers (Topic 606)*, revenue is recognized when (or as) a customer obtains control of promised goods or services. The amount of revenue is measured as the transaction price that reflects the consideration that the Company

EverSmith Brands Holding Company
(f/k/a Clintar Holding Company)
and Subsidiaries

Notes to Consolidated Financial Statements

expects to be entitled to receive in exchange for these services. The Company generates all revenue from contracts with customers.

To achieve the core principle of this new standard, the Company applies the following steps:

1. *Identification of the Contract, or Contracts, with the Customer*

The Company considers the terms and conditions of the contract and customary business practices in identifying contracts under ASC 606. The Company determines it has a contract with a customer when the contract is approved, the Company can identify each party's rights regarding the services to be transferred, the Company can identify the payment terms for the services, the Company has determined that the customer has the ability and intent to pay, and the contract has commercial substance. The Company applies judgment in determining the customer's ability and intent to pay, which is based on a variety of factors, including the customer's historical payment experience or, in the case of a new customer, credit, and financial information pertaining to the customer. At contract inception, the Company evaluates whether two or more contracts should be combined and accounted together as a single contract.

2. *Identification of the Performance Obligations in the Contract*

Performance obligations promised in a contract are identified based on the services and the products that will be transferred to the customer that are both capable of being distinct, whereby the customer can benefit from the service either on its own or together with other resources that are readily available from third parties or from the Company, and are distinct in the context of the contract, whereby the transfer of the services and the products is separately identifiable from other promises in the contract. The Company considers the following distinct goods and services to represent separate performance obligations for the purpose of revenue recognition: initial franchise fees, royalty fees, monthly technology fees, monthly bookkeeping fees, renewal fees, landscaping services, and snow removal services.

3. *Determination of the Transaction Price*

The transaction price is determined based on the consideration to which the Company expects to be entitled in exchange for transferring services to the customer. Variable consideration is included in the transaction price if, in the Company's judgment, it is probable that a significant future reversal of cumulative revenue under the contract will not occur.

4. *Allocation of the Transaction Price to the Performance Obligation in the Contract*

If the contract contains a single performance obligation, the entire transaction price is allocated to the single performance obligation. Contracts that contain multiple performance obligations require an allocation of the transaction price to each performance obligation based on a relative standalone selling price (SSP).

5. *Recognition of the Revenue When, or as, the Company Satisfies a Performance Obligation*

Revenue is recognized at the time (or as) the related performance obligation is satisfied by transferring control of the promised good or service to the customer in an amount that reflects the consideration that the Company expects to receive in exchange for those goods and services.

EverSmith Brands Holding Company
(f/k/a Clintar Holding Company)
and Subsidiaries

Notes to Consolidated Financial Statements

The Company derives its revenue from the following sources:

Franchise Revenue

The terms of the franchise agreements for the Company are typically ten years. As part of each agreement, the Company identified one performance obligation that requires the Company to provide a combination of the following relating to upfront franchisee fees:

- *Intellectual Property (IP)* - Licenses grant an exclusive right to establish and operate a landscaping, snow removal, and commercial floor cleaning business under the trademarks and systems established as part of the Clintar or milliCare license during the term of the agreement.
- *Continuing Consulting Services* - These services include the review of plans, equipment and merchandise selection, establishment and implementation of administrative, bookkeeping, accounting, inventory control, and general operating procedures.
- *Operations Manual and Brand-Specific Training Services* - These provide training programs, operating manuals, development of standards, and pricing policies, specific to the Clintar and milliCare brands.
- *Pre-Opening services* - These provide primarily site selection, training programs, and setting up the franchisee records.

The Company determined that the services noted above represent a set of integrated or highly interrelated tasks/services and are, therefore, accounted for as a single performance obligation of the providing the franchise license. The standard specifically identifies franchise rights as an example of a symbolic license. This type of license is satisfied over time since the customer simultaneously receives and consumes the benefit as the entity performs its obligation to provide access and, therefore, meets the criterion of recognizing revenue over time. Royalty fees represent the majority of consideration the Company receives under franchise agreements and are recognized over time each month. Revenue related to upfront fees allocated to this single performance obligation is recognized over time using a straight-line measure of progress as the control of various services is provided to the customer ratably over the term of the contract for the initial upfront fee. The renewal option provides continued access for the franchise rights (symbolic license) for an extended period of time and, therefore, would also be recognized over time (over the course of the renewal term) as it meets the above-mentioned criterion. The contracts the Company enters contain several types of payments, including:

- *Clintar Initial Franchisee Fees* - Franchise agreements require an initial fee of \$40,000 CAD for each territory. The initial franchise fees are due and payable when a contract is signed and is not refundable.
- *milliCare Initial Franchise Fees* - Franchise agreements require an initial franchise fee of \$45,000 USD. Effective in 2023, the Company increased the initial franchise fee amount to \$49,000. For existing franchise owners who may be approved for a second franchise license, the Company offers a discount of \$9,000. The Company offers a \$5,000 discount for veterans who present satisfactory evidence of honorable discharge. Franchisees are eligible for discounts within the first 12 months of operations if revenue levels exceed \$200,000.
- *Royalty Fees* - The Company receives monthly royalty payments based on a percentage of each franchisee's gross billings throughout the initial term. The franchisee is required to

and Subsidiaries

Notes to Consolidated Financial Statements

meet a certain minimum revenue level for the payment of these royalty fees in any given month, payable monthly on or before the 15th of each month and based upon gross sales for the immediately preceding month.

- *Bookkeeping Services* - The Company receives monthly fees for performing bookkeeping services to franchisees.
- *Monthly Technology Fees* -The Company receives monthly fees for the use of its technology.
- *Renewal Fees* - Franchise agreements include renewal options for an additional ten-year term. The Company has not historically charged a renewal fee.
- *Promotional Fund Revenue* - milliCare maintains a national advertising fund established to collect and administer funds contributed for use in advertising and promotional programs for franchisees in the United States. Franchisees make contributions to the national advertising fund based on a percentage of sales of the franchisees. As of December 31, 2022 and 2021, the Company recorded a promotional fund liability of \$486,509 and \$426,976, respectively, for funds received and reserved for future advertising spend. Refer to Note 8 for further information.

The Company recognizes revenue for each performance obligation identified within the customer franchise agreement when, or as, the performance obligation is satisfied by transferring the promised goods or services. All revenue is recognized over time.

Landscaping, Snow Removal, and Professional Floor Cleaning Services

The Company's professional services include snow removal, landscaping, and professional floor cleaning services to where a franchisee territory is not located. Revenue is recognized over time as the services are rendered.

Accounts Receivable and Allowance for Doubtful Accounts

Accounts receivable represent trade receivables from customers for which the Company has not yet received payment. Accounts receivable are presented net of an allowance for doubtful accounts. The Company maintains an allowance for doubtful accounts for estimated losses resulting from the inability of customers to make required payments, or the customer canceling prior to the service being rendered. In evaluating the sufficiency of the allowance for doubtful accounts, the Company considers the specific details of the customer account, the age of the outstanding balance, the current economic environment, and historical credit trends. Any change in the assumptions used in analyzing a specific account receivable might result in an additional allowance for doubtful accounts being recognized in the period in which the change occurs. Receivable balances are charged off when all collection efforts have failed, and management determines the balance is uncollectable. In the case of balances relating to services not yet rendered, the balance is charged off when the customer cancels the service or when the Company determines that the invoiced service will no longer be provided, whichever occurs first. The allowance for doubtful accounts was \$263,852 and \$143,879 at December 31, 2022 and 2021, respectively.

Deferred Revenue

The Company records amounts that have been invoiced to its clients in either deferred revenue or revenue depending on whether the revenue recognition criteria described above have been met.

EverSmith Brands Holding Company
(f/k/a Clintar Holding Company)
and Subsidiaries

Notes to Consolidated Financial Statements

Deferred revenue that will be recognized during the succeeding 12-month period from the respective balance sheet date is recorded as short-term deferred revenue and the remaining portion is recorded as long-term.

Contract liabilities consist of deferred revenue and include payments received in advance of performance under the contract and non-cancellable amounts billed in advance relating to initial franchise fee invoiced. Such amounts typically relate to the initial franchise fee paid and are recognized as revenue over the contract period, which is generally ten years.

Transaction Price Allocated to Remaining Performance Obligations

As of December 31, 2022, \$522,603 of deferred revenue is expected to be recognized from remaining performance obligations. This is comprised of initial franchise fees.

The estimated revenues from the remaining performance obligations do not include uncommitted contract amounts such as (i) amounts that are cancelable by the client without any significant penalty, (ii) future billings for time and material contracts, and (iii) amounts associated with optional services and renewal periods.

Deferred Contract Acquisition Costs

The Company capitalizes sales commissions and certain parts of bonuses paid to internal sales personnel and third-party broker fees that are incremental to the acquisition of customer contracts. These costs are recorded as deferred contract acquisition costs on the consolidated balance sheets. The Company determines whether costs should be deferred based on sales compensation plans. If the commissions or third-party broker fees are, in fact, incremental and would not have occurred absent the customer contract, such commissions or broker fees are capitalized and deferred, as further described below.

Sales commissions for renewal of a franchise agreement or other services are not considered commensurate with the commissions paid for the acquisition of the initial franchisee agreement given the substantive difference in commission rates between new and renewal contracts. Commissions and bonuses paid upon the initial acquisition of a contract are amortized on a straight-line basis over an estimated period of benefit of ten years. Commissions on professional services are typically recognized when incurred because professional services are performed in less than one year. The Company determined the period of benefit for commissions paid for the acquisition of the initial franchise agreements by taking into consideration the initial estimated customer life. The Company determined the period of benefit for renewal of franchisee agreements by considering the average contractual term for renewal contracts. Amortization of deferred contract acquisition costs is included in the general, selling, and administrative expenses on the consolidated statements of operations.

The Company periodically reviews these deferred costs to determine whether events or changes in circumstances have occurred that could impact the period of benefit of these deferred contract acquisition costs. There were no material impairment losses recorded during the periods presented.

Taxes Collected from Customers and Remitted to Governmental Authorities

When required, the Company collects sales tax from its customers on sales and remits these funds to various governmental authorities when due. The Company made an accounting policy election to exclude from the measurement of the transaction price all taxes assessed by any governmental authorities that are both imposed on and concurrent with a specific revenue-producing transaction and collected by the Company from a customer. The Company records sales tax collected from customers as a component of accrued expenses within the consolidated balance sheet.

Leases

On January 1, 2022, the date of initial application, the Company adopted ASC 842, *Leases*, using the modified retrospective transition method whereby prior comparative periods have not been restated and continue to be reported under the accounting standards in effect for the prior period. The Company elected the package of practical expedients permitted under the transition guidance for all leases, which allowed the Company to adopt ASC 842 without reassessing whether arrangements contain leases, the lease classification, and the determination of initial direct costs.

The Company determines if an arrangement contains a lease in whole or in part at the inception of the contract. Right-of-use (ROU) assets represent the right to use an underlying asset for the lease term while lease liabilities represent the obligation to make lease payments arising from the lease. All leases with an expected term greater than 12 months result in the recognition of an ROU asset and a liability at the lease commencement date based on the present value of the lease payments over the lease term. Lease liabilities are measured at the present value of remaining lease payments, while ROU assets are initially set equal to the lease liability, as adjusted for any payments made prior to lease commencement, lease incentives, and any initial direct costs incurred by the Company. The Company elected the practical expedient for private companies that allows companies to use the risk-free discount rate at the lease commencement date to determine the present value of the lease payments instead of calculating their incremental borrowing rate.

EverSmith Brands Holding Company
(f/k/a Clintar Holding Company)
and Subsidiaries

Notes to Consolidated Financial Statements

The lease term includes all non-cancellable periods and may include options to extend (or to not terminate) the lease when it is reasonably certain that the Company will exercise the option. Leases that have a term of 12 months or less at the commencement date are expensed on a straight-line basis over the lease term and do not result in the recognition of an ROU asset or lease liability.

For operating leases, rent expense is recognized on a straight-line basis over the term of the lease, and ROU assets are subsequently re-measured to reflect the effect of uneven lease payments. For finance leases, ROU assets are amortized on a straight-line basis over the lease term. Expenses for finance leases include the amortization of ROU assets, which is recorded as depreciation and amortization expense, and interest expense, which reflects interest accrued on the lease liability. The Company has elected to combine lease and non-lease components, such as fixed maintenance costs, as a single lease component in calculating ROU assets and lease liabilities for all classes of leased assets.

Income Taxes

The Company is a C-corporation for US tax purposes and a corporation for Canadian tax purposes and accounts for income taxes using the asset and liability method. Deferred income taxes are provided for temporary differences in recognizing certain income, expense, and credit items for financial reporting purposes and tax reporting purposes. Such deferred income taxes primarily relate to differences between the tax basis of assets and liabilities and their financial reporting amounts. Deferred income tax assets and liabilities are measured by applying enacted statutory tax rates applicable to the future years in which the deferred income tax assets or liabilities are expected to be settled or realized. In assessing the ability to realize deferred income tax assets, management considers whether it is more likely than not that some portion or all of the deferred income tax assets will be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers historic earnings, scheduled reversals of deferred income tax liabilities, and projected future taxable income in making this assessment.

The Company follows the provisions of the FASB ASC 740-10-25, *Accounting for Uncertainty in Income Taxes*, which seeks to reduce the diversity in practice associated with certain aspects of the recognition and measurement related to accounting for income taxes. Under FASB ASC 740-10-25, an organization must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more likely than not that the position will be sustained. The Company recognizes any corresponding interest and penalties associated with its income tax positions in income tax expense. The Company does not believe there are any material uncertain tax positions that should be recorded as of December 31, 2022 and 2021, respectively.

Fair Value of Financial Instruments

The carrying values of financial instruments, such as accounts receivable, accounts payable, and accrued expenses are reasonable estimates of their fair value because of the short maturity of these items.

Fair Value Measurements

The Company follows ASC 820-10, *Fair Value Measurement*, which defines fair value, establishes a framework for measuring fair value in accordance with GAAP, and expands disclosures about fair value measurements.

EverSmith Brands Holding Company
(f/k/a Clintar Holding Company)
and Subsidiaries

Notes to Consolidated Financial Statements

ASC 820-10 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the most advantageous market for the asset or liability in an orderly transaction. Fair value measurement is based on a hierarchy of observable or unobservable inputs. The standard describes three levels of inputs that may be used to measure fair value.

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 - Inputs to the valuation methodology other than quoted prices in active markets are either directly or indirectly observable as of the reporting date, and the fair value can be determined using models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity of the asset and liability and the reporting entity makes estimate assumptions relating to the pricing of the asset or liability, including assumptions regarding risk.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Company's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

Recently Issued Accounting Standards

Standards Not Yet Adopted

In June 2016, the FASB issued ASU 2016-05, *Financial Instruments - Credit Losses (Topic 326)*, which introduced the expected credit losses methodology for the measurement of credit losses on financial assets measured at amortized cost basis, replacing the previous incurred loss methodology. The new current expected credit loss (CECL) methodology does not have a minimum threshold for recognition of impairment losses, and entities will need to measure expected credit losses on assets that have a low risk of loss. This update is effective for fiscal years beginning after December 15, 2022. The Company is currently evaluating the impact of the pending adoption of the ASU on its consolidated financial statements.

3. Business Combination

milliCare

On November 12, 2021, Clintar Inc., a wholly owned subsidiary of Holdings, acquired the assets of milliCare, Inc. As a result of this transaction, the purchase price was allocated to milliCare's balance sheet, resulting in a new basis of accounting. This included a step-up of certain assets to fair value and the recognition of certain identifiable intangible assets, as provided for under the purchase method of accounting.

Notes to Consolidated Financial Statements

The investment to fund the acquisition consisted of the following:

Capital contributions	\$	3,000,000
Net working capital adjustment		138,764
Total Initial Investment	\$	3,138,764

The total consideration has been allocated using the purchase method of accounting to the assets acquired and liabilities assumed based upon a determination of estimated fair values, as follows:

Accounts receivable	\$	569,912
Inventory		46,018
Property and equipment		696
Separately identifiable intangible assets		632,000
Goodwill		771,495
Total Assets		2,020,121
Accounts payable		93,235
Accrued expenses		426,976
Accrued compensation		18,762
Total Liabilities		538,973
Net Assets Acquired	\$	1,481,148

The excess of the initial investment over the net assets acquired was used to cover acquisition costs, and to fund additional working capital for operations.

Intangible assets acquired consist of trade names of \$318,000 and franchise agreements of \$314,000. The Company did not separately value the customer relationships or non-compete intangible assets from goodwill, in accordance with the private-company alternative available under FASB ASC 805, *Business Combinations*. The fair value of the intangible assets is based on significant inputs that are not observable in the market and, therefore, represent Level 3 measurements under ASC 820-10. The fair value of the trade names was determined under the income approach, specifically the relief-from-royalty method. The fair value of the franchise agreements was determined under the income approach, specifically the multi-period excess earnings method.

In addition, goodwill of \$771,495 was recorded to reflect the excess of the purchase price over the estimated fair value of the net identifiable assets acquired, which is not deductible for tax purposes.

The Company incurred \$741,042 of acquisition costs, which is included in operating expenses within the accompanying consolidated statement of operations for the year ended December 31, 2021.

Deferred Income Tax Liability	\$ (1,120,624)	\$ (1,128,446)

The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities (including the impact of available carryback and carryforward periods), projected future taxable income, and tax-planning strategies in making this assessment. Based on current and projected future taxable income, management believes it is more likely than not that the U.S. deferred tax assets will not be realized. Therefore, a valuation allowance was placed on the Company as of December 31, 2022 and 2021, respectively. Management believes it is more likely than not that the foreign deferred tax assets will be realized.

The Company evaluates uncertain tax positions as prescribed under ASC 740, which requires significant judgments and estimates regarding the recoverability of deferred tax assets, the likelihood of the outcome of examinations of tax positions that may or may not be currently under review and potential scenarios involving settlements of such matters. The Company assessed its uncertain tax positions and has determined that no liability should be recorded as of December 31, 2022 and 2021. The Company's policy is to recognize interest and penalties as a component of the provision for income taxes. For the years ended December 31, 2022 and 2021, there were no penalties or interest recorded.

The Company has available at December 31, 2022 a net operating loss carryforward of \$1,500,000 for federal tax purposes, carrying forward indefinitely, and \$200,000 for state tax purposes with various expiration dates.

Stock Options

The Company's 2020 Equity Incentive Plan (Incentive Plan) is administered through Holdings. The Incentive Plan, which is shareholder approved, permits the grant of stock options to the Company's employees and members of the Board of Directors. The Company believes that such awards better align the interests of its employees with those of its shareholders. Stock options are granted with an exercise price equal to the estimated fair value per Holdings' common stock value at the grant date. The plan administrator may determine the time or times at which a stock option granted will vest or become exercisable and the terms that require exercisability of a stock option. Generally, the stock options issued vest over a period of seven years. For the years ended December 31, 2022 and 2021, the Company issued six and 1,312 stock options, respectively. As of December 31, 2022 and 2021, there were 2,145 stock options authorized under the Incentive Plan, respectively.

The fair value of each time-based vesting stock option is estimated on the date of grant using a Black-Scholes-based valuation model that uses various assumptions regarding the: (1) expected volatility in the fair value of the Company's common stock, (2) expected term of the award, (3) expected dividend yield on the underlying common stock, (4) risk-free interest rate based on the U.S. Treasury yield curve, and (5) current price of the underlying common stock. The Company based its expected volatility calculation upon similar, publicly traded companies tracked over a five-year period. The Company has assumed the vesting term as the expected life of the stock options based on when a change of control is expected to occur. The Company did not contemplate any expected dividends based upon the Company's credit facilities, which prohibits the payment of dividends. A U.S. Treasury bond rate was utilized as of the respective grant date in line with the expected life of the options.

The specific assumptions used to determine the fair value of the stock options granted were as follows:

<i>December 31,</i>	2022	2021
Expected volatility	25%	25%
Expected dividend yield	-	-
Expected life	7 years	7 years
Risk-free interest rate	1.47%	1.14-1.47%

9. Lease Obligations

The Company has operating lease arrangements for its various office spaces, office equipment, and vehicle, respectively, that have lease terms that range from three to five years, some of which include renewal and termination options that can be elected by the Company. For the majority of leases entered into during the current period, the Company concluded it is not reasonably certain that the Company would exercise the options to extend the lease or not terminate the lease. Therefore, as of the lease commencement date, the Company's lease terms generally do not include these options. The Company includes options to extend the lease when it is reasonably certain that the Company will exercise that option.

The Company's leases typically include a combination of fixed and variable payments. Fixed payments are generally included when measuring the ROU asset and lease liability. Variable payments, which primarily represent payments based on usage of the underlying asset, are generally excluded from such measurement and expensed as incurred. In addition, certain of the Company's lease arrangements may contain a lease coupled with an arrangement to provide other services, such as maintenance, or may require us to make other payments on behalf of the lessor related to the leased asset, such as payments for taxes or insurance. As mentioned in Note 2, the Company accounts for these non-lease components together with the associated lease component for each asset class.

The Company's lease arrangements generally do not contain significant restrictions or covenants; however, certain of the Company's vehicle and equipment leases include residual value guarantees, whereby the Company provides a guarantee to the lessor that the value of the underlying asset will be at least a specified amount at the end of the lease. Amounts probable of being owed under these guarantees are included within the measurement of the ROU asset and lease liability.

Lease Position

The following table presents the Company's lease-related assets and liabilities as of December 31, 2022:

Lease type	Classification on the Consolidated Balance Sheet	Amount

2.6 Opening Assistance. A representative of Franchisor will advise and assist Franchisee in the opening of the Franchised Business and in establishing and standardizing procedures and techniques essential to the operation of a Kitchen Guard System business. A representative of Franchisor shall visit Franchisee's location within 45 days after the opening of the Franchised Business to assist Franchisee in the operation of the Franchised Business.

2.7 Advisory Services. Franchisor will provide, as and to the extent required in Franchisor's judgment, project management services or continuing advisory services, which may include consultation on promotional, marketing, and advertising techniques and customer relations. Field representatives will be available at Franchisee's request for extraordinary training, consultation and assistance on a fee basis by appointment only.

2.8 Proprietary Products and Proprietary Equipment. "Proprietary Products and Proprietary Equipment" ("Proprietary Products") are those products and equipment that serve to establish

the superior quality or branding of the Kitchen Guard System. Franchisor or a person designated by Franchisor (which may be an affiliate of Franchisor) will sell to the Franchisee such Kitchen Guard Proprietary Products as are set forth in the Confidential Manual, and such other Proprietary Products which Franchisor may hereafter develop or obtain. The sale or lease by Franchisor or such other person of such Proprietary Products or equipment to Franchisee will include a commercially reasonable markup. If Franchisor designates a third-party as a supplier of, or to private-label, Proprietary Products to the Kitchen Guard System, Franchisor may receive and retain service fees and/or license fees from such provider. Franchisee may not become a wholesaler or distributor of Proprietary Products and may not re-sell Proprietary Products, except in connection with the provision of Services by Franchisee.

2.9 Non-Proprietary Equipment and Supplies. Franchisee will have the right to purchase equipment and supply items that Franchisor pre-approves, other than the Proprietary Products, for use in providing Services, only from suppliers approved in writing by Franchisor or, if there is no approved supplier for a particular equipment or supply item, from such other suppliers who meet all of Franchisor's specifications and standards as to quality, composition, and functionality and adequately demonstrate their capacity and facilities to supply Franchisee's needs in the quantities, at the times, and with the reliability necessary for an efficient operation. A list of approved suppliers and approved products will be included in the Confidential Manual and may be revised by Franchisor from time to time in its sole discretion. Franchisor reserves the right to designate a single supplier for any equipment and supply items and to require Franchisee to use such a designated supplier exclusively, which exclusive designated supplier may be Franchisor or its affiliates. Franchisor and its affiliates may receive payments from suppliers on account of such supplier's sales to Franchisee and other franchisees, and Franchisor may use all amounts so received without restriction and for any purpose Franchisor and its affiliates deem appropriate. If Franchisee wishes to purchase any equipment or supplies that have not been approved by Franchisor or from a supplier who has not been approved by Franchisor, Franchisee must submit a written request to change products or suppliers to Franchisor. In order to obtain approval of any such proposed alternative equipment, supply item, or supplier, Franchisee must provide Franchisor with documentation from a source independent of Franchisee or the proposed supplier which demonstrates, to the satisfaction of Franchisor, that the proposed alternate equipment, supply item, or supplier, performs as well as the item or supplier to be replaced. Notwithstanding such documentation, Franchisor will have the right to further test any such proposed equipment or supply item, and to further evaluate any such proposed alternate supplier. In addition, Franchisor reserves the right at any time to require substitution of newly developed Proprietary Products for non-proprietary items, which would then be sold to Franchisee in accordance with Section 2.8. The sale by Franchisor of non-proprietary equipment and supplies to Franchisee shall include a commercially reasonable markup. Notwithstanding anything stated above, Franchisor may, in its sole discretion, disapprove proposed and existing suppliers, equipment, and supply items for any reason, including the number of suppliers, equipment, and supply items that has already been approved. In addition, Franchisee may not become a wholesaler or distributor of non-proprietary equipment and supplies related to the Services to other franchisees or to customers of the Kitchen Guard franchise system.

2.10 Inspection. In order to preserve the validity and integrity of the Marks, and to assure that Franchisee is properly employing the Kitchen Guard System in the operation of the Franchised Business, Franchisor and its agents will have the right of entry and inspection of Franchisee's premises, the right to observe the manner in which Franchisee is rendering the Services, and the right to survey and/or confer with Franchisee's employees, customers, and business associates.

2.11 National or Strategic Accounts. To the extent that Franchisor enters into an agreement to provide the Services to any National or Strategic Account which has a location within the Territory, Franchisor may offer Franchisee the right to service such account at such location at the terms upon which

Franchisor and the National or Strategic Account have agreed. If, for any reason, Franchisee elects not to service a National or Strategic Account that is offered to Franchisee, Franchisor may, in its sole discretion, service such account or appoint any other party to service such account.

2.12 Customer Leads. From time to time during the term of this Agreement, Franchisor and its affiliates may provide Franchisee with the identity of potential customers for the Services within the Territory.

Franchisor may from time to time provide Franchisee with leads for potential customers for Services in locations that are not part of any franchisee's Territory. Franchisee acknowledges and agrees that neither its ability to service, nor the grant of Franchisor's permission to service, customers located outside the Territory affords it any right, title, or interest in or to such area (including any right to service additional customers located outside the Territory, or to acquire such area or any right of first refusal as to such area).

3. OBLIGATIONS OF FRANCHISEE

3.1 Lease. If Franchisee (a) does not live in the Territory. or (b) does not already own/lease operating space in the Territory, Franchisee must execute a lease for the premises in the Territory within 180 calendar days after execution of this Agreement by Franchisor.

3.2 Tenant Improvements. If required, upon execution of the lease(s) for the Location, Franchisee must commence construction and installation of all tenant improvements, trade fixtures, displays, and interior decor necessary or appropriate to commence business. The leased premises must be maintained in a safe and orderly manner, present a neat and businesslike appearance, and be adequately staffed. A generalized space plan and layout will be suggested in the Confidential Manual, but Franchisee is not required to conform to the same. If requested by Franchisee, Franchisor will make itself reasonably available to assist Franchisee in the design or layout of such premises and in the types of improvements appropriate.

3.3 Owner Participation and Responsibility. Franchisee shall be required to have, at all times, a fully trained General Manager. Franchisee's General Manager is not required to be a principal of Franchisee. However, if the General Manager is not a principal of Franchisee, Franchisor shall have the right to evaluate and approve or disapprove of such General Manager. If Franchisee owns or operates a non-competing business, as described in Exhibit B of the Franchise Agreement, Franchisee must comply with the Kitchen Guard Co-Brand Guidelines that are incorporated into the Confidential Manual, market such services under one or more trading designations separate from the Marks, maintain separate office space (although such space may be located on the premises at the Location), and have the personnel related to such other business(es) wear apparel that does not feature any of the Marks. If Franchisee is a legal entity, the owners, shareholders, and members of Franchisee agree to be bound by all the terms and conditions of this Agreement to the same extent as Franchisee.

3.4 Training. Franchisee must ensure that the General Manager successfully completes the Kitchen Academy Initial Training Program and ongoing training programs, as described in Sections 2.4 and 2.5 of this Agreement; and that the Franchise always has a fully trained General Manager, and at least one dedicated, full time, fully trained salesperson. Franchisee's employees who sell the Services must complete Franchisor's online sales training through Kitchen Guard Academy.

3.5 Employees. Franchisee must hire and train all employees who are necessary for the operation of the Franchised Business. Franchisee will be solely responsible for the terms of employment

of its personnel, including compensation, training, supervision, and payroll tax withholding. With respect to all Services, only Franchisee and its employees may provide such services, and subcontractors are specifically prohibited from providing such services. Franchisee shall take such steps as are necessary to ensure that its employees do not violate Franchisor's policies relating to the use of Networking Media Websites (as defined in Section 3.16 below), including, but not limited to, prohibiting employees from posting any information relating to Franchisor or its affiliates, the System, the Marks, or the Franchised Business on any Networking Media Website without Franchisor's prior written approval.

3.6 Salesperson. The Franchised Business must have at all times, commencing on the day you open for business, at least one dedicated, full-time, fully trained salesperson.

3.7 Opening of Business. Franchisee must complete training, obtain a location, and commence operations no later than 270-days from the date of this Agreement. Franchisee must continually operate the Franchised Business as a full-time business enterprise. If Franchisee is delayed in commencing business operations for causes reasonably beyond the control of Franchisee, then the time for performance by Franchisee will be extended for a period equivalent to the time of the delay.

3.8 Business Hours. Franchisee must keep the Franchised Business open for business for the number of hours specified in the Confidential Manual unless otherwise authorized in writing by Franchisor.

3.9 Minimum Performance. You must use your full-time best efforts in promoting the Franchised Business and the Services in the Territory. You must achieve and maintain a minimum of \$40,000 in Gross Receipts per month in the Territory beginning with your fourth full year of operations. Upon any renewal or transfer of this Agreement, the minimum performance standards will continue and not reset.

3.10 Apparel. Franchisee and its employees must wear shirts, jackets, or other approved apparel with the Kitchen Guard logo as designated by Franchisor when performing Services for the Franchised Business. In the event Franchisee owns any business(es) other than the Franchised Business or other franchises offered by Franchisor to the extent expressly permitted by Section 3.3, the personnel employed in such other business(es) must wear apparel that does not feature any of the Marks or color schemes of the Franchised Business.

3.11 Use of Marks. Franchisee must conduct the Franchised Business only under the Marks and in strict compliance with the Confidential Manual. Franchisor may develop, and require Franchisee to use, additional or substitute Marks in its sole discretion. If Franchisee is a partnership, corporation, limited liability company, or other legal entity, Franchisee may not use any portion of the Marks as part of Franchisee's legal name. Franchisee shall be required to use the "Kitchen Guard" name as part of its trade name ("**d/b/a**"), in such format and style as Franchisor designates from time to time in its sole discretion. Franchisee's trade name may include, in addition to "Kitchen Guard," such other name, if any, under which Franchisee previously was engaged in business. Franchisor shall have the right to approve or disapprove Franchisee's trade name.

3.11.1 Proprietary Rights. Franchisee acknowledges the exclusive right, title, and interest of Franchisor in and to the Marks and will not take any action contesting or impairing the right, title, and interest of Franchisor in any of the Marks. Franchisee will not represent that Franchisee has any ownership rights in the Marks and acknowledges that its use of the Marks will not create in its favor any right, title, or interest in or to the Marks, but that all uses will inure to the benefit of Franchisor. Neither Franchisee nor any officer, director, agent, or employee of Franchisee shall in any way register or attempt

to register the Marks with any government or any other authority, nor dispute or impugn the validity of the Marks, Franchisor's rights to the Marks or Franchisor's right to use the Marks or grant licenses to others to use the Marks. Franchisee must affix and change trademark notices and indications of registration when and as instructed by Franchisor and must adopt and use in the Franchised Business any new trademarks or service marks owned by Franchisor as they are created or introduced from time to time during the term of this Agreement. Franchisee will assist Franchisor to the extent reasonably requested in obtaining or maintaining any registration of any of the Marks to the extent reasonably requested, including by providing advertising samples.

3.11.2 *Display of Name.* At all times during the term of this Agreement, Franchisee will use the Marks and Kitchen Guard name in a form and manner approved by Franchisor, in all advertising, promotions, and communications involving the Franchised Business, including but not limited to telephone yellow pages listings, signs, banners, vans, business cards, stationery, promotional and advertising materials, forms, contracts, Websites (defined in Section 3.14), and all other materials which identify the Franchised Business. All uses of the Marks and Kitchen Guard name by Franchisee must clearly state that Franchisee is independently owned and operated. In the event that Franchisee is expressly permitted by Section 3.3 to own any business(es) other than the Franchised Business unless such business is also a franchise offered by Franchisor, neither Franchisee nor the personnel engaged in such other business(es) may conduct the same under the Kitchen Guard name or any of the Marks or color schemes of the Franchised Business, or operate in any manner so as to cause confusion of origin or sponsorship between Kitchen Guard- related services and products and the services or products offered or rendered by such other business(es).

3.11.3 *Name Infringement.* Franchisee will promptly notify Franchisor of any unauthorized use of any of the Marks, or any colorable variation thereof, by third parties. Franchisee will promptly notify Franchisor of any claim, demand, or suit against Franchisee based upon, or arising in connection with, Franchisee's use of any of the Marks. Franchisee acknowledges that Franchisee has no authority to defend or prosecute any action relating to the Marks, and that Franchisor, at its sole discretion, may elect to defend or prosecute any action relating to the Marks. In the event that Franchisor undertakes the defense or prosecution of any litigation relating to the Marks, Franchisee will execute any and all documents and do all acts which may be necessary or of aid, at the determination of Franchisor's legal counsel and at the expense of Franchisor, to carry out the litigation.

3.12 *Confidential Manual.* In order to protect the reputation and goodwill associated with the Marks, and to maintain the uniform standards of quality and operations thereunder, Franchisee must conduct the Franchised Business in strict accordance with the Confidential Manual, which shall be in a form as Franchisor may determine, as modified from time to time by Franchisor.

3.13 *Proprietary Products.* In order to maintain the high standards of quality associated with the Kitchen Guard System, Franchisee must purchase such Kitchen Guard Proprietary Products or equipment from Franchisor, or a person designated by Franchisor as are referred to in Section 2.8 and as may be set forth in the Confidential Manual. Franchisee must purchase a start-up package of Proprietary Products and equipment at the time Franchisee signs this Agreement. Franchisee must not alter, amend, or modify any of such Proprietary Products or equipment, or use any other products instead of the Proprietary Products or equipment.

3.14 *Equipment and Supplies.* Franchisee will display, sell, and use only such equipment and supply items of independent suppliers which have been approved by Franchisor in accordance with Section 2.9 hereof. Franchisee must purchase a start-up package of equipment and supply items at the time

Franchisee signs this Agreement. Franchisee must purchase or lease at least one van that will be used in the operation of the Franchised Business. In the event Franchisee desires Franchisor approval of a particular supplier, equipment, or supply item, Franchisee will provide the documentation contemplated by Section 2.9 at its sole expense and will reimburse Franchisor for costs of further testing as contemplated by Section 2.9. Franchisee may not enter into or renew any agreement with a third-party vendor of services, supplies, or equipment if such agreement requires that Franchisee disclose information regarding the identity of its customers, or the Services performed by Franchisee for any of its customers. If, as of the date of this Agreement, Franchisee is already a party to an agreement of the sort described in the preceding sentence, Franchisee will not be deemed to be in violation of any of the provisions of this Agreement by virtue thereof for the remainder of the current term of such agreement.

3.15 Pricing. Franchisor shall have the right to determine the prices of the products and Services offered and sold by Franchisee, unless it is *per se* unlawful to do so. Franchisor also shall have the right to establish minimum prices and/or maximum prices of the products and Services offered and sold by Franchisee unless it is *per se* unlawful to do so. Franchisee shall strictly adhere to the lawful prices (including minimum and/or maximum prices) established by Franchisor. Franchisor retains the right to modify the prices from time-to-time in its unfettered discretion. Franchisor also shall have the right to establish suggested prices for the Kitchen Guard products and Services offered and sold by Franchisee, which Franchisee will not be required to adhere to.

3.16 Independent Advertising. Franchisee, at its own expense, must conduct local advertising and promotional activities as reasonably required to enhance public awareness, goodwill, and image of the Franchised Business. Franchisee may not use any advertising, sales, or promotional materials of any kind, or conduct any broadcast advertising or promotion, without first obtaining the written approval of Franchisor, which approval will not be withheld unreasonably. To obtain approval, Franchisee must submit a copy of the proposed advertising to Franchisor for review. If Franchisor does not give Franchisee written notice of disapproval within 15 business days after receipt of the proposed advertising, then such advertising will be deemed to be approved. Notwithstanding the foregoing, Franchisor may from time to time, in its reasonable discretion, provide Franchisee with such marketing programs and brochures developed by Franchisor as Franchisor deems appropriate for use in the Territory. Franchisee may use such of Franchisor's marketing materials in connection with Franchisee's local advertising in accordance with Franchisor's advertising standards and without Franchisor's prior approval unless Franchisor sends written notice to Franchisee that the use of such marketing material is thereafter prohibited. Franchisee must purchase a start-up package of marketing items at the time Franchisee signs this Agreement. Franchisee must comply with all of Franchisor's policies regarding the advertising, promotion, and positioning of the Kitchen Guard brand and image.

Franchisee specifically acknowledges and agrees that any Website shall be deemed "advertising" under this Agreement and will be subject to (among other things) Franchisor's approval under this Section 3.14. (As used in this Agreement, the term "**Website**" means an interactive electronic document contained in a network of computers linked by communications software that refers to the Franchised Business, Marks, Franchisor, and/or the System. The term Website includes, but is not limited to, Internet and World Wide Web home pages, as well as social and business networking media such as Facebook, Twitter, LinkedIn, and online blogs and forums ("**Networking Media Websites**") and the Franchisee Website. Franchisee must sign a license agreement with Franchisor's designated supplier for a branded Website for the Franchised Business (the "**Franchisee Website**"). In connection with any Website, Franchisee agrees to the following:

3.16.1 If Franchisee proposes any material revision to a Website or any of the information

contained in a Website, Franchisee shall submit each such revision to Franchisor for Franchisor's prior written approval.

3.16.2 Franchisee shall not post any information relating to Franchisor or its affiliates, the System, the Marks, or the Franchised Business on a Networking Media Website without Franchisor's prior written approval; and Franchisee shall not make any posting or other contribution to a Networking Media Website that, in the opinion of Franchisor, (a) is derogatory, disparaging, or critical of Franchisor, (b) is offensive, inflammatory, or indecent, or (c) harms the goodwill and public image of the System and/or the Marks.

3.17 Accounting Records and Reports.

3.17.1 *Maintenance of Books; Reports.* Franchisee must maintain full and complete records of the Franchised Business in accordance with generally accepted accounting principles and the standards and Confidential Manual provided by Franchisor. Franchisee will submit to Franchisor, via any means specified by Franchisor (including electronic means), such information and accounting data as Franchisor may request, including but not limited to profit & loss statements in such format as Franchisor directs for each calendar month ("**Monthly Reports**") and calendar year ("**Annual Reports**") within 15 calendar days of the end of each calendar month and calendar year, as appropriate. In addition, within 90 calendar days of the end of each calendar year, Franchisee will furnish Franchisor with unaudited financial statements for the Franchised Business signed by the Franchisee, if the Franchisee is an individual, or the majority partner, shareholder, or member of the Franchisee if the Franchisee is a partnership, corporation, or limited liability company, which shall include an income statement and balance sheet. If Franchisee is a division of a corporation, then the financial statements need only relate to the operations of such division. Within 10 days of filing each year, Franchisee must submit to Franchisor a copy of Franchisee's income tax returns for the prior year. Additionally, Franchisee must submit reports to Franchisor in the form, content, and frequency specified by Franchisor containing information related to Franchisee's customers. Franchisor reserves the right to require Franchisee to obtain, at Franchisee's sole expense, booking and accounting software which Franchisor may, from time to time, require.

3.17.2 *Right of Inspection.* Franchisor has the right, upon a minimum of 48 hours' notice, to inspect and audit Franchisee's books, records, ledgers, journals, bank statements, sales tax reports, income tax returns, cash control systems, and other accounting records pertaining to the Franchised Business. If any audit shows that the Franchisee has underpaid any royalties, Promotional Fund contributions (as such term is defined in Section 4.3.1), or other amounts due to Franchisor, Franchisee must immediately make payment to Franchisor to correct the underpayment. If the underpayment exceeds 2% of the total royalties, Promotional Fund contributions or other amounts due in any 12-month period, which includes the date when the underpayment occurred, Franchisee must also pay or reimburse Franchisor for the costs of conducting the audit, in addition to any Late Payment owed to Franchisor.

If at any time in the Franchisor's reasonable judgment the general state of repair, appearance, or cleanliness of the Franchised Business does not meet Franchisor's standards, then Franchisor will give Franchisee written notice specifying the action to be taken by Franchisee to correct the deficiency, and Franchisee will initiate the required action immediately upon receipt of the notice.

3.19 Confidentiality.

3.19.1 *Proprietary Information.* Franchisee acknowledges that during the term of this Agreement, Franchisee will have access to, become acquainted with, and have disclosed to it by Franchisor confidential information, programs, devices, methods, techniques, and processes that are not generally known to the public pertaining to the groundskeeping and related services in industrial, commercial, and office properties, including the information contained in the Confidential Manual (the “**Proprietary Information**”); and Franchisee further acknowledges that such Proprietary Information constitutes trade secrets of Franchisor.

3.19.2 *Covenant Not to Disclose or Misuse.* Franchisee must take all steps necessary to preserve and protect the Proprietary Information from publication, communication, or other unauthorized disclosure or misuse. Franchisee must not disclose any of the Proprietary Information, use it in any unauthorized way, or assist any other person or entity to disclose or use it either during the term of this Agreement or at any time thereafter. In particular, Franchisee will require as a condition of the employment of any employee by Franchisee in the management and operation of the Franchised Business that the employee similarly covenants to maintain and protect the Proprietary Information, including the execution of its standard covenants, and Franchisee will be responsible for the compliance with such covenants by its managerial and staff employees, with such covenants being for the benefit of Franchisor and enforceable by Franchisor. In the event Franchisee becomes aware of any actual or threatened violation of any such covenant by any of its employees, Franchisee will promptly and fully advise Franchisor in writing of all related facts known to Franchisee. Franchisee will further cooperate with Franchisor in all ways reasonably requested by Franchisor to prevent or stop any such violation, including without limitation institution or permitting to be instituted in the name of Franchisee any demand, suit, or action that Franchisor determines is advisable, which demand, suit, or action will be maintained and prosecuted solely by and at the expense of Franchisor. The Confidential Manual (as it may be revised from time to time) is, and will be, the sole property of Franchisor, may not be duplicated, and must be returned to Franchisor promptly upon the expiration, nonrenewal, transfer, or other termination of this Agreement.

3.19.3 *Injunctive Relief.* The parties acknowledge that upon violation of any of these covenants, Franchisor will experience irreparable harm and it will be difficult to determine the resulting damages to Franchisor. Therefore, in addition to any other remedies Franchisor may have, Franchisor will be entitled to make application to a court of competent jurisdiction for temporary and permanent injunctive relief without the necessity of proving actual damages.

To the extent that any such covenant may be determined to be judicially unenforceable in any county or state, that covenant will remain enforceable in every other county and state.

3.20.4 **Covenants of Owners of Franchised Business.** If Franchisee is a partnership, corporation, limited liability company, or other legal entity, each partner, shareholder, member, or other owner of Franchisee will execute and deliver in favor of Franchisor non-disclosure and non-competition covenants, such as those set forth in Exhibit D, in form and substance satisfactory to Franchisor containing provisions substantially the same as those contained in Sections 3.17.2, 3.18.1, and 3.18.2 above.

All comprehensive general liability and automobile insurance policies must designate Franchisor as an additional named insured, and such comprehensive coverage must be maintained in such additional amounts as the landlord of any Authorized Location may require. Franchisor may, in the exercise of its reasonable business judgment, periodically increase the required minimum limits of liability coverage or require Franchisee to maintain additional types of insurance, including cyber insurance. Franchisee must also maintain workers compensation insurance, unemployment insurance, and all other types of insurance

In no event will Franchisor be liable for any damages to Franchisee or any customer of Franchisee due to either the violation of this Section 3.29 or Franchisee's failure or inability to perform Services due to such expiration or termination.

3.30 Promotion and Development of Business. Franchisee shall use best efforts to promote and develop the Kitchen Guard System and the Services of the Franchised Business, thereby supporting and enhancing the Kitchen Guard System for the benefit of the Franchisor and all of its franchisees and offering the best possible service to customers. Franchisee shall fully develop and conduct the Franchised Business in strict compliance with the terms and conditions of this Agreement and the Confidential Manual.

3.31 Computer System. Within 15 days from the date hereof, Franchisee must obtain a computer system (including hardware and software) meeting Franchisor's specifications and thereafter will be required to update such computer system at such times as Franchisor may reasonably require. Franchisee must establish Internet access and two e-mail addresses for the Franchised Business within fourteen days of obtaining the specified computer system (which we will either provide or you may obtain through our designated supplier). Franchisor shall have the right to specify all or part of Franchisee's e-mail address. When this Agreement expires or is terminated, Franchisee must promptly transfer such e-mail address to Franchisor.

4. FEES

4.1 Initial Fee. In consideration of the license granted herein, Franchisee shall pay to Franchisor, on the date this Agreement is executed by Franchisee, an initial fee of \$49,000. If Franchisee already owns a majority interest in a franchise in the Kitchen Guard System and is purchasing a majority interest in an additional Kitchen Guard franchise from Franchisor, the initial fee for such additional unit is \$40,000. There is a renewal fee of \$5,000 if Franchisee is renewing its right to operate as a franchisee of Franchisor pursuant to Section 1.4.2 above. The initial franchise fee is non-refundable and is deemed fully earned upon payment in consideration of administrative and other expenses Franchisor incurs in granting the franchise and for its lost or deferred opportunity to franchise others.

4.2 Continuing Fee.

4.2.1 Calculation. In consideration for the continuing use of the Marks and the Kitchen Guard System, Franchisee will pay to Franchisor each calendar month continuing royalty and license fees ("**Royalties**") equal to a percentage of the "Gross Receipts" (as defined below) of the Franchised Business for the previous calendar month. Franchisee will pay 10% of your annual Gross Receipts up to \$1,499,999, 9% of your annual Gross Receipts between \$1,500,000 and \$2,999,999, and 8% of your annual Gross Receipts above \$3,000,000. Royalties will commence beginning on the first full month following completion of the Kitchen Guard Academy Initial Training Program.

Franchisee must pay a minimum monthly Royalty for each Territory Franchisee owns. Payment of the minimum monthly Royalty for single a Territory or the first Territory in the event Franchisee owns multiple Territories commences on the six-month anniversary of Franchisee's or Franchisee's General Managers completion of the Kitchen Guard Initial Training Program and shall be in the following amounts:

- (i) Months 7 to 12: \$750 per month;
- (ii) Months 13 to 24: \$1,000 per month; and
- (iii) Months 25 and thereafter: \$2,000 per month.

If Franchisee owns multiple Territories, the minimum monthly Royalty for the first Territory will commence on the six-month anniversary of Franchisee's completion of Initial Training, with the minimum monthly Royalty for the second Territory commencing 12 months after minimums commence for the first Territory, and minimums for any additional Territories will commence 12 months after minimums commence for the prior Territory.

4.2.2 Gross Receipts Defined. "Gross Receipts" means the amount of all money and the value of all property directly or indirectly received by the Franchisee for goods sold and services rendered in connection with the Franchised Business, whether as cash sales or as payment for any charge, credit balance, or advance deposit (including payments attributable to National Accounts), *minus* (i) sales taxes and other charges collected by Franchisee and paid to a governmental agency other than income taxes, (ii) the amount of any incorrect sales amount, allowances, and discounts to customers; and (iii) customer refunds or returns, provided that the revenues from the sales in question have previously been included in Gross Receipts. Gross Receipts shall not include: (i) proceeds from any business which is identified on Exhibit B hereto and which is operated in accordance with Section 3.3; or (ii) amounts payable to you and amounts you pay to other franchisees with respect to any Strategic or National Account with which Franchisee has an agreement to provide services and which we have approved, and for which the services are provided by a franchisee in the network that is not an affiliate of your franchise.

4.2.3 Payment. Each payment of royalty and license fees must include a Monthly Report issued by Franchisee for the month for which payment is being made. All such payments and Monthly Reports shall be made in such form as Franchisor may direct. All items which are claimed as deductions in determining Gross Receipts must be supported by proper documentation. Royalties are due and payable in full on the 15th calendar day of each calendar month based on Gross Receipts for the preceding calendar month. Payments of Royalties are not refundable and must be made via bank wire or such other electronic funds transfer procedure as Franchisor may require.

4.3 Technology Fee. Franchisee will pay to Franchisor its then current technology Fee (the "Technology Fee") for: (a) use of the website furnished by the Franchisor and the associated microsite and website pages featuring the Franchisee; and (b) for the software that will be used for scheduling, tracking, etc. and that is intended to help the Franchisee efficiently run its business. As of the Effective Date, the Technology Fee is \$499 per month. Franchisor may increase this fee periodically up to the greater of the fee (or aggregate fees) any vendor charges us or an affiliate for your technology services, which may include a fee based on percentage of sales. The Technology Fee is due and payable in full on the same day, in the same method and manner as the Royalty. Payments of the Technology Fee are not refundable. The first payment is due the month accompanying the first payment of Royalties. If Franchisee owns multiple Territories, Franchisee is only required to pay a single Technology Fee.

4.4 Promotional Fund.

4.4.1 Franchisee Contributions. Franchisee will pay to Franchisor each month as a contribution to the Kitchen Guard System promotional fund (the "Promotional Fund") up to an amount equal to 2% of Franchisee's Gross Receipts thereafter. Promotional Fund contributions are due and payable

in full at the same time, and in the same manner, as Royalties.

4.4.2 **Use.** Franchisor will not commingle Promotional Fund contributions with its general funds but will hold all Promotional Fund contributions from all its franchisees in one or more designated accounts. The Promotional Fund may be used as determined solely by Franchisor:

(a) to develop and purchase national, regional, and local advertising in broadcast, print, and electronic media wherever Franchisor deems fit, and without respect to Franchisee's geographical location, including a Kitchen Guard website in which franchisees are permitted or required to participate;

(b) to prepare, purchase, and distribute camera-ready advertising copy for use in local advertising, script or text for broadcast advertising, signs, posters, brochures, banners, and other point-of-sale advertising and promotional materials;

(c) to acquire the services of in-house and outside advertising and public relations professionals;

(d) to defray the expense of training programs and conferences intended to develop the marketing and promotional skills of franchisees and their employees;

(e) research and development, tests or target marketing, the conducting of surveys, brand development and promotion;

(f) to carry on, wherever Franchisor deems fit, and without respect to Franchisee's geographical location, other advertising and promotional activities as Franchisor may reasonably deem advisable to increase demand for Services offered by the franchise network, including utilizing Networking Media Websites and other emerging media or promotional tactics; and

(g) to pay the reasonable expenses of administering the Promotional Fund, including the reasonable compensation of Franchisor's employees and expenses of the advisory council described in Section 4.4.3 while working on behalf of the Promotional Fund.

4.4.3 **Administration.** The Promotional Fund will be administered by the Franchisor or by an advertising agency selected by the Franchisor. Franchisor, in its sole discretion, may establish a franchisee advisory council from time to time to provide input and suggestions regarding use of the Promotional Fund and the effectiveness of programs funded by the Promotional Fund. If the franchisee advisory council is established, it will consist of representatives of Franchisor and representatives of the franchisees, with the representatives of franchisees constituting a majority of the members thereof. Franchisor shall retain sole discretion over the use of the Promotional Fund.

4.4.4 **Accounting.** Franchisor will account to Franchisee annually for all Promotional Fund contributions received and spent. The accounting will be made by written report within 120 days of the end of each year setting forth the total contributions received from all Kitchen Guard System franchisees as a group and all expenditures made by Franchisor, together with the balance on account in the Promotional Fund as of the date of the report. Franchisor is not required to have the Promotional Fund audited.

4.4.5 **Commercial Relationship.** Franchisor and Franchisee agree that the rights and obligations of the parties arising from the Promotional Fund and all related matters are governed solely by this Agreement, and that this Agreement and the Promotional Fund are not in the nature of a "trust,"

“fiduciary relationship,” or similar special relationship. Franchisor and Franchisee agree that the Promotional Fund and this Agreement are based on an ordinary commercial relationship between independent businesspersons.

4.5 Transfer Fee. Upon any transfer or assignment of this Agreement or any interest in this Agreement, Franchisee (or the transferee) will pay to Franchisor a transfer fee of \$10,000, but the amount is reduced to \$5,000 if the transfer is to a person or entity that already owns or controls a majority interest in an existing Kitchen Guard franchise) on or before the date of transfer or assignment of this Agreement.

4.6 Mandatory Conference Fee. We may require you (or your General Manager) to attend our mandatory conference, which generally will be held annually, as well as Kitchen Guard Academy. You will attend all such conferences and pay us or our designee a mandatory conference fee in the amount we designate. You will also be responsible for all of your travel and living expense related to your attendance at the conference. If Franchisee has been granted a franchise for more than one Territory, each non-adjacent Territory must have a separate General Manager (or other attendee that has been approved by Franchisor) in attendance at each required program or conference and the mandatory conference fee will be payable for each such person. Franchisor may change the amount of the registration fee and the Non-Attendance Fee at any time, in its sole discretion.

4.7 Late Payment. Any payment not received by us when due will bear interest at eighteen percent (18%) per year or at the highest rate allowed by applicable law on the date when payment is due, whichever is less. The fact that such charges are imposed shall not be construed as a waiver of our right to timely payment. In addition, Franchisor may place Franchisee on a “credit hold” whenever Franchisee’s account is more than 30 days past due.

5. TRANSFERABILITY

5.1 Transfer by Franchisor. There are no restrictions on the right of Franchisor to sell or assign this Agreement in whole or in part; provided, however, that Franchisor will not assign or otherwise transfer this Agreement unless the assignee agrees to assume Franchisor’s obligations hereunder.

5.2 Transfer by Franchisee.

5.2.1 Individual. If Franchisee is an individual, Franchisee may not sell, assign, transfer, or convey any interest in this Agreement or in the Franchised Business without the prior written consent of Franchisor.

5.2.2 Corporation. If the Franchisee is a corporation, then any issuance, redemption, or transfer of the equity or voting shares of the Corporation, or any disposition of the assets of the Corporation in one transaction or in a series of transactions which, in the aggregate, results in either (i) more than a 25% change in the beneficial ownership of the corporation, or (ii) a change in the voting control of the corporation, is a transfer which requires the consent of Franchisor; provided, however, that no issuance or transfers of any percentage interest or other kind of transfer shall be permitted to a Competing Business, or to a trust. The bylaws of the corporation and all share certificates evidencing ownership of the corporation must contain the following provision:

“The issuance or transfer of shares in this corporation is subject to the restrictive provisions of a Franchise Agreement with Kitchen Guard Franchising, Inc. and any new shareholder and/or transferee, as a condition to the issuance or transfer of shares, agrees to be subject to such Franchise Agreement and all its provisions and requirements. Reference is made to the Franchise Agreement

for all particulars.”

5.2.3 Limited Partnership or Limited Liability Company. If Franchisee is a general or limited partnership or a limited liability company, then the admission of a new partner or member, or the redemption, purchase, liquidation, or transfer of a partnership or limited liability company membership interest, or any disposition of the assets of the partnership or company, in one transaction or in a series of transactions which, in the aggregate, results in either (i) more than a 25% change in the beneficial ownership of the partnership or company, or (ii) a change in the voting control of the partnership or company, is a transfer which requires the consent of Franchisor; provided, however, that no admissions, purchases, or transfers of a partnership or limited liability company interest of any percentage amount or other kind of transfer shall be permitted to a Competing Business or to a trust. The partnership agreement or limited liability company operating agreement must contain the following provision:

“The issuance or transfer of a legal or beneficial interest in the **[partnership] [limited liability company]** is subject to the restrictive provisions of a Franchise Agreement with Kitchen Guard Franchising, Inc., and any new partner/member and/or transferee, as a condition to the issuance or transfer of such interests, agrees to be subject to such Franchise Agreement and all its provisions and requirements. Reference is made to the Franchise Agreement for all particulars.”

5.2.4 Conditions to Transfer. In connection with any transfer which requires Franchisor’s consent, Franchisor shall have the right to require that any or all of the following conditions are satisfied, as determined by Franchisor in its sole discretion, in addition to any other conditions imposed by Franchisor:

(a) The proposed transferee or its principals must meet Franchisor’s reasonable requirements for experience, net worth, entrepreneurial ability, and character, as applied by Franchisor on a nondiscriminatory basis in selecting new franchisees and must have or obtain before transfer all licenses required by law for operation of the Franchised Business.

(b) The proposed transferee (and each partner, member, or shareholder) must have duly executed an agreement to be bound by, and to assume and perform all the duties of the Franchisee under, the Agreement (including, in the case of such partners, members, or shareholders, the covenants not to compete required by Section 3.20.4).

(c) All maintenance, repairs, and renovation required to bring the Franchisee’s premises into compliance with Franchisor’s standards must have been completed.

(d) The transferor and each of its partners, members, shareholders, officers, and directors must execute a general release of any and all claims against Franchisor and its affiliates, and their shareholders, officers, directors, employees, and agents.

(e) The fees specified in Sections 4.5, 5.2.4(b) and 5.2.4(c) must have been paid in full; provided, however, that there will be no transfer fee if the transfer or assignment of this Agreement is to the spouse or an adult child of Franchisee, if Franchisee is an individual; or the spouse or an adult child of the majority partner, shareholder, or member of the Franchisee, if Franchisee is a partnership, corporation, or limited liability company.

(f) Franchisee shall, at Franchisor’s request, prepare and furnish to the transferee and/or Franchisor such financial reports and other data relating to the Franchised Business and

its operations as Franchisor deems reasonably necessary or appropriate for the transferee and/or Franchisor to evaluate the Franchised Business and the proposed transfer, including providing Franchisor with a copy of the proposed purchase/sale agreement between Franchisee and transferee and such other information regarding the terms of the proposed transfer as Franchisor may request. Franchisee authorizes Franchisor to confer with any proposed transferee and furnish it with information concerning the Franchised Business and the terms and conditions of the proposed transfer, and Franchisor may do so without any liability, except where Franchisor recklessly or negligently provides untruthful information, makes intentional misstatements to a transferee or otherwise acts in bad faith.

5.2.5 *Effect of Transfer.* No sale, assignment, transfer, conveyance, encumbrance, or gift of any interest in this Agreement or in the Franchised Business will relieve Franchisee, or the shareholders, members, or partners participating in any transfer, of the confidentiality or noncompetition provisions of this Agreement.

5.2.6 *Prohibited Transfers.* For purposes of this Section 5.2, without limiting the generality of the foregoing, Franchisor may withhold its consent for any business reason whatsoever, including, but not limited to: (i) where the proposed sale, assignment, transfer, or conveyance is to a Competing Business or to a manufacturer of carpeting that Franchisor deems to be a competitor of Franchisor or any affiliate of Franchisor; or (ii) where the proposed sale, assignment, transfer, or conveyance would result in the proposed transferee having a percentage of the sales of the Kitchen Guard System that Franchisor deems to be undesirable, whether or not such percentage exceeds the percentage provided in the above Section 5.2.4(h). Any purported sale, assignment, transfer, or conveyance without the prior written consent of Franchisor will be null and void and will constitute a material default under this Agreement.

5.3 *Death or Disability.* Upon the death or permanent disability of the Franchisee, if the Franchisee is an individual, or upon the death or permanent disability of the majority shareholder, member, or partner of Franchisee if the Franchisee is a corporation, limited liability company, or a partnership, the spouse, adult children, or estate will have the right to participate in the ownership of the Franchised Business under the terms of this Agreement for a period of 180 calendar days from the date of death or disability. During that time, the spouse, adult children, or estate must either:

- (a) satisfy all of the qualifications for a transferee or purchaser of a Kitchen Guard System franchise, except that no transfer fee or initial fee will be charged; or
- (b) sell, transfer, or assign the Franchised Business to a person who satisfies all of the qualifications for a transferee or purchaser of a Kitchen Guard System franchise.

In addition, during such time, Franchisor may enter the Franchised Business premises and take possession of the Franchised Business, its equipment, furniture, fixtures, records, lists, and supplies and continue the operation of the Franchised Business for the benefit and account of Franchisee (after paying operating expenses, including a management fee to be established from time to time in the Confidential Manual) pending the conclusion of whichever of the above options is chosen by Franchisee's spouse, adult children, or estate.

5.4 *Assignment to Corporation or Limited Liability Company.* If Franchisee is a partnership or individual and hereafter desires to conduct the Franchised Business in an incorporated or limited liability company form, Franchisor will not unreasonably withhold its consent to the transfer of this Agreement and Franchisee's interest herein to any corporation or limited liability company formed for that

purpose; provided that Franchisee and such corporation or company must, prior to such transfer, satisfy such reasonable requirements as Franchisor shall impose, which may include, without limitation, the following:

(a) Franchisee or its partners will at all times be the record and/or beneficial owner of, and will have, by law or by written agreement satisfactory to Franchisor, voting control of, not less than 51% of the issued and outstanding shares or membership interests of each class of the capital stock or membership interests of such corporation or company;

(b) No other person or entity, except members of Franchisee's or its partners' respective immediate families may own or have any right to acquire any shares, membership interests or other securities of such corporation or company;

(c) The form and content of the articles or certificate of incorporation, organization, or formation of such corporation or company and by-laws of any such corporation or operating agreement of any such company must contain provisions enforceable under applicable law restricting the issuance and transfer of shares, membership interests, or securities of the corporation or company to such extent as Franchisor shall reasonably require;

(d) Franchisor must have been furnished in writing the names and addresses of all existing or prospective shareholders or members of the corporation or company, and Franchisee or its partners and (if requested by Franchisor) each such shareholder or member, or prospective shareholder or member, must have guaranteed in writing (in form and substance satisfactory to Franchisor) the performance by the corporation or company of the obligations of the Franchisee under this Agreement; and

(e) Each shareholder or member must have executed and delivered to Franchisor a non-competition covenant in form and substance satisfactory to Franchisor, containing the covenants not to compete required by Section 3.20.4 hereof.

After assignment of this Agreement to a corporation or limited liability company as above provided, or, if Franchisee is a corporation or limited liability company at the date of this Agreement, the sale, transfer, assignment, or encumbrance or change in rights of any class or series of capital stock, membership interests, or other securities of such corporation or company, whether by operation of law or otherwise, will be deemed a sale by Franchisee or (if a partnership) its partners of its or their interest(s) in this Agreement and will in all respects be subject to the limitations set forth in this Section 5 on the sale of Franchisee's interest in this Agreement. Any merger, consolidation, or reorganization by any corporation or limited liability company having an interest in this Agreement will be deemed a sale of such interest and, unless the prior written consent of Franchisor has been obtained, will constitute a material breach hereof.

5.5 Right of First Refusal. If at any time during the term of this Agreement Franchisee receives a bona fide offer to purchase the Franchised Business, which offer Franchisee is willing to accept, Franchisee must give Franchisor written notice of the terms of the offer and the name of the offeror and allow Franchisor to elect to purchase the Franchised Business on the same terms as contained in the offer within 60 business days after Franchisor's receipt of the offer, except that in place of any non-cash consideration described in such offer, Franchisor or Franchisor's designee may pay the fair market value thereof in cash. If Franchisor fails to give written notice of election or declines election within the 60 business days, Franchisee may sell to the offeror on the terms offered, subject to the provisions relating to transferability as set forth in this Section 5, provided that such sale must be consummated within ninety (90) calendar days after the expiration of such 60-business day period; otherwise, the restrictions of this Section 5.5 shall be renewed and any sale or transfer by Franchisee of its interest in this Agreement, whether

to such offeror or other individual or entity, shall again be subject to the restrictions of this Section 5.5. In the event Franchisor or Franchisor's designee elects to purchase, the purchase must be completed within 90 calendar days from the date of Franchisor's notice of election to purchase. For purposes of this Section 5.5, the term "**fair market value**" of any non-cash consideration shall mean the fair market value of such property as determined by agreement of Franchisee and Franchisor; provided, however, that if the parties are unable to reach such agreement within 60 business days after Franchisor's receipt of the offer, then the fair market value of such property will be determined by one appraiser chosen by the parties, who will determine the value of such property. In the event that the parties are unable to agree upon such an appraiser, the parties agree that the office of the American Arbitration Association ("**AAA**") in or closest to Charlotte, North Carolina will be employed to choose an appraiser, and such person will determine the fair market value for these purposes. In the event the appraisal process is utilized, the party whose valuation of such property less closely approximated the value selected pursuant to the above-described appraisal process, measured by dollar amounts and not by percentages, will pay all costs of the appraisal process. Any delay caused by such appraisal process or the parties' disagreement over the fair market value of any non-cash property will extend the period in which Franchisor is to act under this Section 5.5 by that number of calendar days equal to the period of the delay.

6. **TERMINATION AND DEFAULTS**

6.1 Termination by Franchisor. Franchisor may terminate the Franchise Agreement at the time indicated, if any of the following events occurs, each of which shall be deemed a default:

(a) immediately, if the Franchisee or the Franchised Business is declared bankrupt or determined to be insolvent, or all or a substantial part of the assets of the Franchisee or the Franchised Business are assigned to or for the benefit of any creditor, or the Franchisee admits its inability to pay its debts as they come due, or the Franchised Business is seized, taken over, or foreclosed by a government official in the exercise of his duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the Franchisee remains unsatisfied for 30 calendar days (unless an appeal bond has been filed), or if a levy of execution has been made upon the license granted by this Agreement or upon any property used in the Franchised Business, and it is not discharged within 5 business days; or

(b) immediately, if the Franchisee abandons the Franchised Business by failing to operate the Franchised Business for 5 consecutive calendar days during which the Franchisee is required to operate a business under the terms of this Agreement (as set forth in the Confidential Manual), or any shorter period after which it is not unreasonable under the facts and circumstances for Franchisor to conclude that the Franchisee does not intend to continue to operate the Franchised Business, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the Franchisee's control; or

(c) immediately upon notice, if the Franchisor discovers that the Franchisee has made any material misrepresentations to Franchisor relating to the acquisition, operation, or maintenance of the Franchised Business; or

(d) immediately upon notice, if the Franchisee is arrested or is indicted for, convicted of, or pleads *nolo contendere* to, a felony or any other criminal misconduct which, in Franchisor's sole judgment, is relevant to the operation of the franchise or impairs the goodwill associated with the System or with the Kitchen Guard name or Marks; or

(e) immediately upon notice, if the Franchisee, after curing any default after

notice and opportunity to cure, engages in the same noncompliance, whether or not corrected after notice; or

(f) immediately upon notice if Franchisee fails to meet the minimum performance criteria in Section 3.9;

(g) immediately upon notice, in the event Franchisee attempts to transfer any interest in the Franchisee or the Franchised Business in violation of Section 5; or

(h) immediately upon notice, in the event that Franchisee violates the provisions of Section 3.20 hereof; or

(i) immediately upon notice, if Franchisee breaches any material provision of this Agreement or any other agreement between Franchisee and Franchisor, if such breach is not susceptible to being cured; or

(j) upon 10 calendar days' written notice to Franchisee of its failure to pay any fees or other amounts due to Franchisor, any affiliate of Franchisor, or any other franchisee that is not cured within such 10-day period; or

(k) upon 30 calendar days' written notice to Franchisee of noncompliance with any federal, state, or local law or regulation applicable to the operation of the Franchised Business unless cured within such period; or

(l) upon 30 calendar days' written notice to Franchisee of any failure of Franchisee to perform any obligation under this Agreement, other than as specified herein, if such failure is susceptible to being cured and is not cured within such 30-day period; or

(m) upon 30 calendar days' written notice to Franchisee if Franchisee fails to commence operation of the Franchised Business within 270-days of the date of the Franchise Agreement, and is not cured within such 30-day period; or

(n) prior to the opening of the Franchised Business, if Franchisee or any of its designated employees fails to complete the Kitchen Guard Initial Training Program described in Section 2.4 to the satisfaction of Franchisor; or

(o) immediately upon notice, if Franchisee or its owners owns or operates another competitive business or commits any violation of Section 3.3, Section 3.6, Section 3.10, or Section 3.11 hereof;

(p) immediately upon notice, if Franchisee commits three or more breaches of any of your obligations under this Agreement, whether or not cured, within any consecutive 12-month period;

(q) immediately upon notice, if Franchisee, after curing any default pursuant to this Agreement, commits the same default again, whether or not cured;

(r) immediately upon notice, if Franchisee or Franchisee's principals materially breach any other agreement with us or any of our affiliates, or threaten any material breach of

any such agreement, and fail to cure such breach within any permitted period for cure; or

(o) at such time as Franchisor and Franchisee mutually agree in writing to terminate this Agreement.

6.2 Rights and Duties of Parties Upon Expiration or Termination. Upon termination or expiration of this Agreement for any reason, all rights of the Franchisee under the Agreement will immediately terminate, but Franchisee will have the following duties, which will survive termination or expiration of this Agreement:

(a) Franchisee must promptly pay Franchisor all sums owing under the terms of this Agreement, including all damages, costs, and expenses incurred by Franchisor by reason of default on the part of Franchisee, whether or not the expenses occur before or after the termination or expiration of this Agreement. The parties agree that payment of these amounts is not a penalty, but rather a reasonable estimate of compensation to which Company would be entitled in case of premature termination.

(b) Franchisee must immediately cease use of the Marks in advertising, websites, forms, manuals, slogans, signs, or in any other manner whatsoever. Franchisee will not represent or advertise that Franchisee was formerly a Kitchen Guard System franchisee or that Franchisee did business under the Marks.

(c) Franchisee must ensure at its own expense that all mention of the Marks in connection with Franchisee is removed at the earliest possible time from all telephone and other directories, directory assistance records, building directories, signboards, internet sites, internet search engines, membership rosters, and every other place and publication.

(d) Franchisee must take all action to cancel any assumed name or equivalent registration which contains any of the Marks and will furnish Franchisor with satisfactory evidence of cancellation.

(e) Franchisee must cease and desist from all use of the Marks, and must deliver to Franchisor, or its duly authorized representative, all materials and papers upon which the Marks appear. Franchisee will not, at any time, adopt or use any word or mark which is similar to or confusing with the Marks. Franchisee must continue to comply with Sections 3.17 and 3.18 of this Agreement.

(f) Franchisee must return to Franchisor the Confidential Manual and all documents and records that are reasonably necessary or important to the continuation of the Franchised Business.

(g) If Franchisor so elects, Franchisee must sell to Franchisor, at Franchisee's cost, all products, supplies, and equipment which bear the Marks.

6.3 Dispute Resolution.

(a) **Internal Dispute Resolution.** Franchisee must first bring any claim or dispute between Franchisor and Franchisee to Franchisor's management and make every effort to resolve the dispute internally. Franchisee must first exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third-party. This agreement to internally resolve

disputes will survive termination or expiration of this Agreement.

(b) **Mediation.** At Franchisor's option, all claims or disputes between Franchisee and Franchisor (or its affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 6.3(a) above, will be submitted first to mediation to take place in Charlotte, North Carolina under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 6.3(b) if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights in the Marks, the System, or in any Confidential Information or other confidential information; (ii) any of the restrictive covenants contained in this Agreement; and (iii) any of Franchisee's payment obligations under this Agreement.

(c) **Arbitration.** Any controversy or claim arising out of or relating to this Agreement, other than a claim for injunctive relief, will be settled by binding arbitration, and judgment upon the award may be entered in any court having jurisdiction thereof. All arbitrations must be individual proceedings and not a class arbitration or multi-party arbitration. The arbitration must be conducted through the AAA office in Charlotte, North Carolina, and will be conducted by a panel of three arbitrators selected in accordance with the rules and regulations of the AAA applicable to commercial matters. The arbitrators will render a decision based on, and consistent with, North Carolina law and with the facts and evidence that are properly introduced at the hearing. If there are any disputes in matters of public policy, restraint of trade, securities laws violation, or any other matter which cannot be the subject of arbitration, those matters will be separated from all other disputes and those other disputes will first be settled by arbitration. After arbitration, any disputes which cannot be tried by arbitration will be brought before a court of competent jurisdiction. Should the parties be unable to separate matters which will be addressed by arbitration from those which cannot be addressed by arbitration, the allegations and positions of the parties will be brought before the arbitrators, and their decision regarding the appropriateness for arbitration of the matters in controversy will be determinative and binding upon the parties. Unless otherwise determined by the arbitrators, the fees and expenses of arbitration, not including attorneys' fees, will be shared equally by the parties. The parties acknowledge that this alternative dispute resolution procedure is fair and enforceable.

6.4 Termination Not Exclusive Remedy. Termination of this Agreement by the parties shall not be an exclusive remedy and shall not in any way affect a party's rights to receive or collect fees or other amounts payable hereunder, to enforce the provisions of this Agreement, to seek and obtain injunctive relief, or to pursue any other legal or equitable remedy for a breach of this Agreement. In lieu of terminating this

Agreement as may be permitted herein, Franchisor, in its sole discretion, may allow Franchisee to continue operating the Franchise on a month-to-month basis, and Franchisor may thereafter terminate this Agreement at any time and for any reason upon 10 days' prior written notice to Franchisee. Franchisor may terminate this Agreement upon such 10 days' prior written notice to Franchisee even if Franchisee cured all defaults during the period when the Franchise was being operated on a month-to-month basis.

6.5 Future Communications. For three years following the termination or expiration of this Agreement, Franchisee agrees to advise Franchisor of its current business and residential addresses and telephone numbers.

7. MISCELLANEOUS

The parties irrevocably submit to the jurisdiction of such courts and waive any objections to jurisdiction, venue, or the convenience of the court location.

Currently a copy of the FCPA may be found on the internet at www.usdoj.gov/criminal/fraud/fcpa.html. Franchisee represents and warrants that it will take no action that would constitute a violation of the FCPA or any law, and Franchisee will obtain a similar undertaking from its affiliates and owners. Further, Franchisee represents that it and its affiliates do and shall comply with all relevant laws against corrupt business practices, against money laundering and against facilitating or supporting person who conspire to commit acts of terror against any person or government.

7.4 No Subsequent Waiver. Waiver of any default or breach of this Agreement will not be interpreted as a waiver of any subsequent breach.

7.5 No Class Actions. ANY DISPUTE BETWEEN FRANCHISOR AND FRANCHISEE, WHETHER RESOLVED IN ARBITRATION OR IN A COURT PROCEEDING, MUST BE RESOLVED IN AN INDIVIDUAL PROCEEDING, AND MAY NOT BE RESOLVED VIA A CLASS ACTION OR SIMILAR MULTI-PARTY PROCEEDING.

7.8 Continuing Obligations. ALL OBLIGATIONS OF THIS AGREEMENT WHICH EXPRESSLY OR BY THEIR NATURE SURVIVE THE EXPIRATION OR TERMINATION OF THIS AGREEMENT WILL CONTINUE IN FULL FORCE AND EFFECT AFTER AND NOTWITHSTANDING THEIR EXPIRATION OR TERMINATION UNTIL THEY ARE SATISFIED IN FULL OR BY THEIR NATURE EXPIRE.

7.9 Limitation of Claims. FRANCHISEE AGREES THAT ANY AND ALL CLAIMS BY FRANCHISEE AGAINST FRANCHISOR ARISING OUT OF, OR RELATING TO, THIS AGREEMENT MAY NOT BE COMMENCED BY FRANCHISEE UNLESS BROUGHT BEFORE THE EARLIER OF: (A) THE EXPIRATION OF ONE YEAR AFTER THE ACT, TRANSACTION, OR OCCURRENCE UPON WHICH SUCH CLAIM IS BASED; OR (B) ONE YEAR AFTER THIS AGREEMENT EXPIRES OR IS TERMINATED FOR ANY REASON. FRANCHISEE AGREES THAT ANY CLAIM OR ACTION NOT BROUGHT WITHIN THE PERIODS REQUIRED UNDER THIS SECTION 7.9 SHALL FOREVER BE BARRED AS A CLAIM, COUNTERCLAIM, DEFENSE, OR SET OFF.

7.10 Notices and Communications. All notices or communications required or permitted under this Agreement shall be directed to Franchisor by an overnight delivery service that tracks delivery or by United States mail, first-class postage prepaid, return receipt requested, at the following address:

Notices to Franchisee:	_____

	Attn: _____

If Franchisee is other than an individual, Franchisee must designate in writing to Franchisor the name and address of its agent to receive notice. Notice to the agent will be conclusively presumed to be full and adequate notice to Franchisee. Notice shall be deemed to have been given on the date of actual receipt, or, if delivery is refused, on the date of attempted delivery.

Notwithstanding the above, any notice by a means which affords the sender evidence of delivery, including but not limited to e-mail, shall be deemed to satisfy any notice requirement.

7.11 Costs and Legal Fees. Franchisee shall reimburse Franchisor for the costs and expenses

7.12 Modifications to System. Franchisor has the right to operate, develop, and change the System in any manner that is not specifically precluded by this Agreement, and such changes shall become part of the Kitchen Guard System. Whenever Franchisor has reserved in this Agreement a right to take or withhold an action, or to grant or decline to grant Franchisee a right to take action or omit an action, except as otherwise expressly provided in this Agreement, Franchisor may make its decision or exercise its rights on the basis of the information readily available to Franchisor, and Franchisor's judgment of what is in its best interests and/or in the best interests of the System, at the time Franchisor's decision is made, shall be deemed to be reasonable and enforceable, without regard to whether other reasonable or even arguably preferable alternative decisions could have been made by Franchisor and without regard to whether Franchisor's decision or the action Franchisor takes promotes Franchisor's financial or other individual interest. Franchisor has the right to enter into agreements with other franchisees that are different than this Agreement, and the existence of different provisions in other franchise agreements shall not in any manner affect the duties of the parties to this Agreement.

7.13 Amendment. This Agreement may be amended, modified, or discharged, in whole or in part, only by a document in writing subscribed by all of the parties subscribing to this Agreement.

7.14 Remedies Cumulative. The parties are entitled to any and all remedies at law or in equity, in addition to any remedies set forth in this Agreement. 7.16 Successors and Assigns. This Agreement will inure to the benefit of, and be binding upon, the parties hereto and their heirs, successors, representatives, assigns, and transferees to the extent this Agreement is assignable.

7.17 Relationship of the Parties. Franchisee is an independent contractor. The operation of the Franchised Business does not make the Franchisee and Franchisor partners or joint venturers or make them agents, servants, employees, or fiduciaries of the other, and Franchisee will not hold itself out to the contrary. Franchisee will advise its suppliers and customers of its independent ownership of the Franchised Business and will clearly state in its business forms, stationery, advertising, and elsewhere that it is independently owned and operated.

7.18 Entire Agreement. This Agreement, together with its Exhibits, expresses fully the understanding by and between the parties, and all prior understandings, agreements, commitments, conditions, warranties, and representations of any kind, oral or written, as to the Franchised Business (except as to information and representations submitted by Franchisee to Franchisor in the application to purchase the Franchise) are cancelled and null, void and of no effect. Any previous matter, presently covered within this Agreement, is hereby superseded and cancelled with no further liabilities or obligations of the parties with respect to such matter, except as to any monies due and unpaid between the parties to this Agreement at the time of execution of this Agreement. Nothing in this Agreement or in any related agreement between Franchisor and Franchisee is intended to disclaim the representations in Franchisor's Franchise Disclosure Document.

7.19 No Warranties. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee, by providing any waiver, approval, consent, or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefor.

7.20 Severability. If any term or provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, then the remainder of this Agreement will continue in full force and effect, except to the extent either party would fail to obtain the substantial benefit of its bargain.

7.21 Other Parties. If Franchisee is a partnership, joint venture, association, corporation, limited liability company, or other legal entity, then all persons who have any beneficial interest in Franchisee must execute this Franchise Agreement where indicated below and will be bound jointly and severally by all of the terms and provisions hereof.

In connection with such compliance, Franchisee and its owners certify, represent and warrant that none of their property or interests is subject to being “blocked” under any of the Anti-Terrorism Laws and that Franchisee and its owners are not otherwise in violation of any of the Anti-Terrorism Laws. “**Anti-Terrorism Laws**” means Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Franchisee agrees to promptly advise Franchisor of any material change in the information or statements submitted to Franchisor. Franchisee acknowledges and understands that Franchisor has entered into this Agreement in reliance on the statements and information submitted to Franchisor by Franchisee and its owners, and that any material breach, inaccuracy or omission is grounds for Franchisor to terminate this Agreement.

This Confidentiality and Non-Competition Agreement (“**Agreement**”) is made this day of _____, 20____, by and between (the “**Franchisee**”), and _____, who is an owner, partner, shareholder, member, manager, supervisor, and employee of Franchisee (the “**Individual**”).

RECITALS:

WHEREAS, Kitchen Guard Franchising, Inc. (“**Kitchen Guard**”) owns proprietary know-how and trade secrets relating to the establishment, marketing, promotion, and operation of businesses that provide commercial kitchen exhaust system cleaning, air duct cleaning, vapor cleaning, grease containment, filter exchanges, inspection, maintenance, and restoration services to commercial kitchens and restaurants (the “**Kitchen Guard System**”);

WHEREAS, Kitchen Guard has rights to the trademark, distinctive logo, and identifying commercial symbol and design “Kitchen Guard Services”, the service mark and name “Kitchen Guard”, and other commercial symbols (such marks as now existing or as they may be developed hereafter being referred to herein as the “**Marks**”);

WHEREAS, Kitchen Guard maintains high standards of quality for its products and services such that valuable goodwill is attached to the Marks;

WHEREAS, Kitchen Guard has licensed Franchisee, under a Kitchen Guard Service Franchise Agreement (the “**Franchise Agreement**”), to operate a Kitchen Guard System franchise under the Marks using Kitchen Guard’s trade secrets and other proprietary and confidential information in accordance with the Kitchen Guard System;

WHEREAS, Individual, by virtue of his or her position with Franchisee, will gain access to certain of Kitchen Guard’s Confidential Information, as defined herein, and must therefore be bound by the same confidentiality and non-competition agreement to which Franchisee is bound; and

WHEREAS, in order to protect Kitchen Guard’s Confidential Information and intellectual property rights, Kitchen Guard requires, as a condition to Franchisee’s license under the Franchise Agreement, that Franchisee’s owners and employees enter into a Confidentiality and Non-Competition Agreement, in which the specified Individual promises to adhere to certain non-disclosure and non-competition covenants.

IN CONSIDERATION of these promises, Individual’s status with Franchisee, the conditions stated herein, and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties agree as follows:

1. Individual hereby acknowledges that the Kitchen Guard System and the Marks are the sole and exclusive property of Kitchen Guard and hereby agrees that he/she shall not, directly or indirectly, in any manner or fashion, challenge or contest the right, title, or interest of Kitchen Guard in and to the Kitchen Guard System, nor shall Individual claim any right, title or interest in or to the Marks.

2. Individual shall not, during the term of the Franchise Agreement or thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, entity, association, or corporation any confidential information, knowledge, know-how, or techniques concerning the methods of operation of the business franchised thereunder which may be communicated to Individual or of which Individual may be apprised by virtue of Franchisee's operation under the terms of the Franchise Agreement ("**Confidential Information**"). In addition, any and all information, knowledge, know-how, and techniques which Kitchen Guard designates as confidential (including the Confidential Manual specified in Franchise Agreement) shall be deemed Confidential Information for purposes of this Agreement, except information which, at or after the time of disclosure by Kitchen Guard to Franchisee, had become or later becomes a part of the public domain, through publication or communication by others.
3. Individual specifically acknowledges that, pursuant to the Franchise Agreement, and by virtue of its status with Franchisee, Individual will receive valuable specialized training and Confidential Information, including, without limitation, information regarding the operational, sales, promotional, and marketing methods and techniques of the Kitchen Guard System.
4. Individual covenants and agrees that during the term of the Franchise Agreement, except as otherwise approved in writing by Kitchen Guard, Individual shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, or entity:
 - (i) Divert or attempt to divert any business or customer of the Kitchen Guard System or of any franchisee using the Kitchen Guard System to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the Kitchen Guard System;
 - (ii) Employ or seek to employ any person who is at that time employed by Kitchen Guard, Franchisee, or any other franchisee of Kitchen Guard, or otherwise directly or indirectly induce such person to leave his or her employment; or
 - (iii) Own, maintain, engage in, participate in, make loans to, or have any interest in any business that offers products or services that are essentially the same as, or substantially similar to, the products or services that are part of the Kitchen Guard System, except other franchises offered by Kitchen Guard (any business carrying on such activities being herein called a "**Competing Business**").
5. Individual covenants and agrees that during the Post-Term Period (defined below), except as otherwise approved in writing by Kitchen Guard, Individual shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, or entity:
 - (a) Provide or seek to provide products or services that are essentially the same as, or substantially similar to, the products or services that are part of the Kitchen Guard System, to any customer who was a customer of Franchisee, Kitchen Guard, or another franchisee of the Kitchen Guard System at any time during the twelve months prior to the beginning of the Post-Term Period;

(c) Own, maintain, engage in, participate in, or have any interest in any Competing Business in the Franchisee's Territory. (This sub-section (c) shall not apply to those individuals who are only employees of Franchisee.)

6. As used in this Agreement, the term "Post-Term Period" shall mean a continuous uninterrupted period of 2 years from the date of: (a) a transfer permitted under Section 5 of the Franchise Agreement; (b) expiration or termination of the Franchise Agreement (regardless of the cause for termination); and/or (c) termination of Individual's status with Franchisee.
7. Individual acknowledges that any failure to comply with the requirements of this Agreement will cause Kitchen Guard irreparable injury, and Individual agrees to pay all court costs and reasonable attorneys' fees incurred by Kitchen Guard in obtaining specific performance of, or an injunction against violation of, the requirements of this Agreement.
8. All agreements and covenants contained herein are severable. If any of them, or any part or parts of them, shall be held invalid by any court of competent jurisdiction for any reason, then the Individual agrees that the court shall have the authority to reform and modify that provision in order that the restriction shall be the maximum necessary to protect Kitchen Guard's and/or Franchisee's legitimate business needs as permitted by applicable law and public policy. In so doing, Individual agrees that the court shall impose the provision with retroactive effect as close as possible to the provision held to be invalid.
9. No delay or failure by Kitchen Guard or Franchisee to exercise any right under this Agreement, and no partial or single exercise of that right, shall constitute a waiver of that or any other right provided herein, and no waiver of any violation of any terms and provisions of this Agreement shall be construed as a waiver of any succeeding violation of the same or any other provision of this Agreement.
10. Individual hereby acknowledges and agrees that Kitchen Guard is an intended third-party beneficiary of this Agreement with the right to enforce it, independently or jointly with Franchisee.
11. This Agreement shall survive the termination of Individual's relationship with Franchisee and the transfer, termination, or expiration of the Franchise Agreement.

IN WITNESS WHEREOF, Franchisee and Individual attest that each has read and understands the terms of this Agreement, and voluntarily signed this Agreement on this ___ day of _____, 20__.

The following paragraphs are added to the Disclosure Document:

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT at www.dpfi.ca.gov.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

THE FRANCHISE AGREEMENT CONTAINS PROVISIONS THAT LIMIT FRANCHISEE'S RIGHTS AND MAY NOT BE ENFORCEABLE IN YOUR STATE INCLUDING, BUT NOT LIMITED TO, A TIME LIMIT TO RAISE CLAIMS AGAINST THE FRANCHISOR, LIMITATION OF DAMAGES AND WAIVER OF JURY TRIAL.

The following paragraphs are added at the end of Item 17 of the Disclosure Document pursuant to regulations promulgated under the California Franchise Investment Law:

California Law Regarding Termination and Nonrenewal. California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning termination or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

Termination Upon Bankruptcy. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 *et. seq.*).

Post-Termination Noncompetition Covenants. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the respective agreement. These provisions may not be enforceable under California law.

Arbitration. The Franchise Agreement requires binding arbitration. The arbitration is to occur at the office of the American Arbitration Association in Charlotte, North Carolina with costs being borne by the non-prevailing party.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

Neither the Franchisor, nor any person or franchise broker in Item 2 of the Franchise Disclosure Document, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15

U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that associate or exchange.

You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

The disclosure document, franchise agreement and any document signed in connection with the franchise are supplemented with the following language:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. The franchise agreement and any document signed in connection with the franchise are supplemented with the following language:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MARYLAND

**ADDENDUM TO THE KITCHEN GUARD SERVICES
FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF MARYLAND**

Item 17 is amended by adding the following language after the table:

- (a) You may sue in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.
 - (b) The provision in the franchise agreement which provides for termination upon bankruptcy of the franchisee may not be enforceable under Federal Bankruptcy Law (11 U.S.C. Section 1010 et seq.)
 - (c) This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.
 - (d) The General Release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.
2. The disclosure document, franchise agreement, development agreement and any document signed in connection with the franchise are supplemented with the following language:

**AMENDMENT TO THE KITCHEN GUARD SERVICES
FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF MARYLAND**

The parties to the Kitchen Guard Services Franchise Agreement (the “**Franchise Agreement**”) agree as follows with respect to franchises sold in the state of Maryland:

1. **No Release, Estoppel or Waiver of State Law.** All representations requiring prospective franchisees to assent to a release, estoppels or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law (“**Maryland Law**”).

2. **Jurisdiction.** Any litigation arising from claims under Maryland Law may be brought by the Franchisee in Maryland.

3. **Arbitration.** This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

4. **Limitation on Claims.** All claims arising under the Maryland Law must be brought within 3 years after the grant of the franchise.

5. **General Release.** The general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

6. **Acknowledgments.** Section 7.24 of the Franchise Agreement is hereby deleted in its entirety.

7. The franchise agreement and any document signed in connection with the franchise are supplemented with the following language:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON

**ADDENDUM TO THE KITCHEN GUARD SERVICES
FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The disclosure document, franchise agreement, development agreement and any document signed in connection with the franchise are supplemented with the following language:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO KITCHEN GUARD SERVICES
FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The franchise agreement and any document signed in connection with the franchise are supplemented with the following language:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Amendment to the Franchise Agreement on the same date as that on which the Franchise Agreement was executed.
