What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in New Jersey. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in New Jersey than in your own state.

2. **Spousal Liability**. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

3. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE MICHIGAN FRANCHISE INVESTMENT LAW

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the license or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii)The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Office of the Attorney General, Consumer Protection Division, Attn: Franchise Section, 525 W. Ottawa Street, G. Mennen Williams Building, 1st Floor, Lansing, Michigan 48913, (517) 373-7117.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, "we," "our" or "us" means Dolce International Holdings, Inc., a Delaware corporation, ("Dolce Intl." or "DIH") the franchisor. "You" means the person or entity who buys the franchise, the franchisee. If the franchisee is a corporation, partnership or other entity, "you" includes the franchisee's owners.

The Franchisor, Its Affiliates and Parents. We were formed on June 29, 1995. We do not do business under any other name. We are a subsidiary of Wyndham Hotel Group, LLC, a Delaware limited liability company ("Wyndham Hotel Group"). Wyndham Hotel Group acquired Dolce Hotels and Resorts in February 2015. Wyndham Hotel Group is a subsidiary of Wyndham Hotels & Resorts, Inc., a Delaware corporation ("Wyndham Hotels & Resorts") or ("WHR"). WHR guarantees the performance of our obligations under the "Franchise Agreements" we enter into with franchisees.

WHR was created by virtue of a tax-free spin-off of the hotel and transient lodging businesses of Wyndham Worldwide Corporation ("Wyndham Worldwide") on May 31, 2018, through the distribution of 100% of the common stock of WHR to Wyndham Worldwide shareholders of record as of the close of business on May 18, 2018. On June 1, 2018, WHR began "regular way" trading on the New York Stock Exchange as a standalone public company. Following the spin-off, the remaining businesses of Wyndham Worldwide continued to operate as Travel + Leisure Co. (formerly Wyndham Destinations, Inc.), a publicly traded timeshare and timeshare exchange company.

The Franchisor's Business and the Franchises Offered. We offer franchises for the right to operate a hotel under the Dolce, Dolce Hotels, Dolce Hotels and Resorts, Dolce Hotels and Resorts by Wyndham, A Dolce Conference Hotel, A Dolce Hotel, and A Dolce Resort (a "Dolce") trade name. A Dolce "Chain Facility" (or "Facility") is an upper upscale, full-service hotel located in urban and resort destinations offering inviting settings, sophisticated design and state of the art technology. Dolce caters to leisure guests looking for distinct dining options and group guests attending inspiring conference events. Dolce properties in resort destinations offer amenities such as golf, tennis/pickleball, spas and other wellness activities.

The Dolce System includes the Proprietary Marks described in Item 13 of this Disclosure Document. The System also includes standards, specifications, policies and procedures for the establishment and operation of Dolce Chain Facilities; reservation and property management systems; advertising, marketing and promotional programs; management and personnel training; operational standards, procedures and techniques as prescribed in our Standards of Operation and

Design Manual and other manuals; and a quality assurance program. We may change any of these items to address new competitive conditions, to adapt to new technology, or to otherwise enhance the System. You must comply with our high standards and may be required to make future investments to do so.

Our signature service culture, *"Count On Me!"* characterizes our approach to hotel operations. It distinguishes us to our guests in 3 distinct areas of focus:

- To Be Responsive to the needs of every individual using compassion, empowerment and dependability.
- To Be Respectful in every way by being courteous, engaged and inclusive.
- To Deliver a Great Experience every time by being hospitable, prepared and personalized.

We grant franchises for Chain Facilities to property owners. (See Item 15.) Our form of Franchise Agreement is attached as Exhibit C-1. You may develop a new Chain Facility or you may convert an existing hotel (or adapt an existing structure of historic interest) to a Chain Facility. In either event, you must submit an Application and pay the Application Fee described in Item 5. If we approve your Application, we will issue a Franchise Agreement to you. As a condition of opening and operating the hotel as a Dolce, you must satisfactorily complete the conversion or construction of the hotel (as contemplated by the Conversion Addendum or New Construction Addendum attached to the Franchise Agreement).

The Hospitality Industry. The hospitality industry is highly competitive. The System competes with other national full-service hotel systems and with regional and local hotels that offer services and lodging products comparable to those offered under the System, including the Lodging Affiliates. Some competitors of the System may be larger, may operate more hotels and may have greater resources than us. Your ability to compete in your market will depend in large part upon room rates, quality of accommodations, name recognition, service levels, your geographic area, specific site location, general economic conditions and the capabilities of your management and service team. Depending upon the location of your Facility, your sales may be seasonal.

Industry Specific Laws. You must comply with a number of federal, state and local laws and regulations which apply to businesses generally and to the construction and operation of hotels. These include environmental laws and those relating to zoning and construction, permits and licensing; public accommodations and accessibility by persons with disabilities; labor; occupational safety; fire safety; health and food storage, preparation and service; privacy and data security; and laws regulating the posting of hotel room rates and the registration and identification of guests. In addition to these laws, laws of general application may have special relevance to hotels. Your business is subject to state and federal regulations that allow the government to restrict travel and/or require businesses to close during state or national emergencies. Because your business is operated as a destination to which your customers must travel, your business can be affected by such orders more than others. Consult your attorney for more information on these and other laws.

Business Experience of Franchisor, the Lodging Affiliates and their Predecessors. We began offering franchises in November 2022. We do not own or manage any Facilities operating under

the Proprietary Marks or System; however, subsidiaries have managed Dolce hotels since 1981. We are not engaged in any activities other than franchising Chain Facilities and offering related products and services, such as restaurants and health spas, as described in this Disclosure Document. The Lodging Affiliates have been offering licenses or franchises for lodging facilities in the United States (including the continental United States, Alaska, Hawaii, and Puerto Rico) since the following dates:

("IDeaS"), SAS Institute, Inc., Hilton Worldwide Holdings Inc., Extended Stay America, Inc., Sonesta International Hotels Corporation, InterContinental Hotels Group PLC, Choice Hotels International, Inc., Wyndham Hotels & Resorts, Inc., and Hyatt Hotels Corporation (collectively, "Defendants"), alleging that those companies and other co-conspirators fixed prices and otherwise engaged in unfair methods of competition in violation of Section 1 of the Sherman Act, through the use of IDeaS revenue management software and other activities. Plaintiffs seek to represent and recover on behalf of a class consisting of all persons and entities in the United States and its territories who have directly purchased an extended stay hotel guest room for rent in certain markets from Defendants and other non-parties, from January 1, 2016, until Defendants cease the allegedly unlawful conduct and the alleged anticompetitive effects stop. Norma Knuth v. Wyndham Worldwide Corporation, et al. (Court of Queen's Bench for Saskatchewan, Judicial Centre of Regina, QBG-2650/2014). On December 5, 2014, Plaintiff Norma Knuth filed a class action suit as a representative of all "persons, corporations, and entities, resident or situated in Canada . . . that paid a "Destination Marketing Fee" to a hotel in Canada owned, operated, or managed by one of the defendants." Plaintiff named Wyndham Worldwide, Wyndham Hotel Group, Days Inns Worldwide, Inc., Ramada Worldwide Inc., Super 8 Worldwide, Inc., Travelodge Hotels, Inc., and Wingate Inns International, Inc. (the "Wyndham Entities"), as well as several other hotel companies. Plaintiff claims that hotels in Saskatchewan and elsewhere in Canada have been charging a Destination Marketing Fee of 3% or 4% for various marketing fees that they should not be passing along to consumers. Plaintiff further alleges that hotel guests are not aware of the charge and are under no obligation to pay it, and that the name Destination Marketing Fee was intended to make guests believe it is a special government tax or fee. Plaintiff alleges each of the defendants owns, operates or manages the hotel which collects the fee. The causes of action are (i) violation of the Consumer Protection Act, (ii) negligence, (iii) unjust enrichment, and (iv) waiver of tort. Plaintiff seeks restitution in the amount of $403 million, general damages, punitive damages and interest. Plaintiff filed an Amended Statement of Claim on May 29, 2015, and a Second Amended Statement of Claim on December 14, 2015.

Resolved Litigation Against the Franchisor

Thomas Luca, Jr. v. Wyndham Worldwide Corporation, et al. (United States District Court for the Western District of Pennsylvania, Case 2:16-cv-00746-MRH). On June 6, 2016, Plaintiff Thomas Luca, Jr. filed a class action lawsuit against defendants Wyndham Worldwide, Wyndham Hotel Group, Wyndham Hotels and Resorts, LLC and Wyndham Hotel Management, Inc. (the "Wyndham Entities"). Plaintiff purports to bring the complaint on behalf of himself and: (i) as to resort fees, all United States citizens who have booked a hotel room through the Wyndham Entities' websites within the applicable statute of limitations and were charged one or more resort fees; and (ii) as to the Terms of Use provision, all United States citizens who have booked a hotel room through the Wyndham Entities' websites within the applicable statute of limitations. Plaintiff alleges violations of the New Jersey Consumer Fraud Act, through alleged misleading charging of resort fees, and violations of the New Jersey Truth-in-Consumer Contract, Warranty and Notice Act ("TCCWNA"), through an allegedly unlawful Terms of Use provision on the Wyndham Entities' websites. On August 15, 2016, the Wyndham Entities filed motions to dismiss, and on February 15, 2017, the Court granted the motions to dismiss of Wyndham Worldwide and Wyndham Hotel Management, Inc., leaving Wyndham Hotel Group and Wyndham Hotels and Resorts, LLC as parties. Plaintiff filed a motion for class certification on October 15, 2018, which the remaining Wyndham Entities opposed on December 14, 2018. On January 16, 2019, the Court dismissed the TCCWNA claim from the case. Wyndham Hotel Group and Wyndham Hotels and Resorts, LLC entered into a settlement agreement with Plaintiff whereby a class was certified for settlement purposes and eligible class members will receive either $22 or 2,200 Wyndham Rewards points, and Wyndham will make certain display changes. The Court

granted preliminary approval on October 18, 2019, and granted final approval on February 24, 2020.

On July 17, 2012, a purported class action complaint was filed against Wyndham International, Inc., Wyndham Worldwide Operations, Inc., and Wyndham Hotels and Resorts, LLC (the "Wyndham Entities"), alleging that Defendants surreptitiously recorded, monitored, or eavesdropped upon telephone conversations with consumers. Specifically, Plaintiff asserts two causes of action, alleging the defendants violated California's Invasion of Privacy Act (California Penal Code Section 630 et seq.) when it allegedly recorded one or more calls plaintiff made to the Wyndham Rewards toll-free number through which reservations can be made for Wyndham hotels and to the Wyndham central reservations call center, without disclosing to plaintiff the conversations would be recorded, monitored, or eavesdropped upon. Plaintiff purports to bring the complaint on behalf of herself and all California residents who participated in one or more telephone conversations with the toll-free reservation numbers from a cellular, cordless, or hardwired landline telephone located in California and whose calls were recorded, monitored and/or eavesdropped upon by the Wyndham Entities surreptitiously or without disclosure. The Wyndham Entities were served on August 31, 2012, and removed the case to the United States District Court, Northern District of California. On May 15, 2013, the Court entered an order whereby Plaintiff's claims were voluntarily dismissed as to defendants Wyndham International, Inc. and Wyndham Worldwide Operations, Inc., leaving Wyndham Hotels and Resorts, LLC as defendant. Plaintiff filed her motion for class certification on April 27, 2015. Defendant's opposition to the motion for class certification was filed on June 19, 2015. The parties reached a settlement before the class certification motion hearing took place, which had been scheduled for September 1, 2015, and thereafter executed a settlement agreement. The Court granted final approval of the settlement and entered an order on the same, dismissing the lawsuit, on October 27, 2016.

Resolved Litigation Against our Parents or the Lodging Affiliates

Jay Brodsky v. Hilton Worldwide Inc., et al. (United States District Court for the District of New Jersey, Case 2:18-cv-13045-KM-JBC). On August 20, 2018, plaintiff Jay Brodsky filed an individual lawsuit against numerous hotel industry companies, including "Wyndham Hotels" Plaintiff alleged a per se violation of the Sherman Antitrust Act (in the form of bid rigging and a group boycott), and in the alternative, a violation of the Sherman Act by unreasonably restraining trade among 60% of the market for the online sale of hotel rooms in connection with alleged arrangements between defendants, and between defendants and certain OTAs, to eliminate competitive bidding for branded keywords in connection with advertising. Specifically, plaintiff has alleged that each of the defendants agreed to refrain from using online advertising methods to compete for consumers, by preventing competitors from bidding for online advertising that uses competitors' brand names. Defendants jointly settled for $7,000 payment ($1,400 as to Wyndham Hotels) to Mr. Brodsky on February 22, 2019, resulting in a dismissal of the action.

Percy Pooniwala and Dinaz Pooniwala v. Wyndham Worldwide, Inc., et al. (United States District Court for the District of Minnesota, Case No. No. 0:14-cv-00778). On February 28, 2014, plaintiffs served a complaint upon Super 8 Worldwide, Inc., Travelodge Hotels, Inc., Days Inns Worldwide, Inc., and Wyndham Worldwide Operations, Inc. (the "Wyndham Entities") in the Fourth Judicial District, County of Hennepin, State of Minnesota, asserting allegations including (i) violation of the Minnesota Franchise Act; (ii) breach of contract; (iii) breach of the implied covenant of good faith and fair dealing; and (iv) retaliation. Plaintiffs' claims related to four franchise agreements with the Wyndham Entities for the operation of Super 8, Travelodge and Days Inn franchised guest lodging facilities in Minnesota, and one proposed location that did not result in an executed franchise agreement. Plaintiffs allege that the Wyndham Entities wrongfully terminated, or were in the process of terminating, several of plaintiffs' franchised sites because plaintiffs did not agree to settle a separate lawsuit pending in New Jersey. Plaintiffs sought damages in excess of $150,000.00, as well as the recovery of attorneys' fees. The Wyndham Entities filed counterclaims under the four franchise agreements and the location that did not result in an executed franchise agreement, including breach of contract and violations of the Lanham Act, seeking actual damages, liquidated damages, recurring fees and attorneys' fees and costs. The parties reached a settlement in August 2015 as part of which plaintiffs made payments to the Wyndham Entities in the amount of $220,000 made in monthly payments from November 2015 until April 2017 and the case was dismissed on September 25, 2015.

Plaintiff purported to bring the complaint on behalf of himself and "all other California residents whose telephone conversations were surreptitiously recorded by defendants between July 13, 2006 and the present." Plaintiff amended

his complaint to add Wyndham Hotel Group on May 10, 2013. The parties reached a settlement and executed a written settlement agreement with Wyndham Hotel Group, LLC denying any allegations of liability or wrongdoing and paying $1,500,000.00 into an account administered by the Claims Administrator. The court approved the settlement and the case was dismissed on November 30, 2015.

ITEM 5. INITIAL FEES

Application and Initial Franchise Fees

All prospective franchisees must complete an application for a Dolce franchise (a "Franchise Application") and forward it to us for our review. A copy of the Franchise Application appears at the end of Exhibit C-1. You must pay us a $10,000 "Application Fee" when you submit your Franchise Application. It is non-refundable unless your application is not accepted due to proximity of the proposed site to another Chain Facility. You must pay an "Initial Franchise Fee" to us when you sign the Franchise Agreement. The Initial Franchise Fee for a new construction or conversion Chain Facility is equal to the greater of $50,000 or $500 per room. If we approve your Franchise Application, the Application Fee will be credited towards your Initial Franchise Fee. We do not intend to refund any Initial Franchise Fee. If we defer payment of all or a portion of the Initial Franchise Fee, you will sign the "Initial Fee Note" found in Exhibit C-1. In 2023, there were no Initial Fees.

The Initial Franchise Fee paid by franchisees of new construction and conversion facilities covers, in part, certain onboarding services, including:

Integration Services – Our quality team will perform an initial inspection of your property and integration visit and our field team will provide initial training on and assistance with hotel operations topics including Systems Standards and using the System's intranet site. We will also provide training through various online courses on subjects such as quality assurance, housekeeping, preventative maintenance, customer service and the RFP process. The value of these Integration Services is $5,000.

Transferees of existing Chain Facilities and franchisees renewing their franchises must pay an Application Fee, as well as a "Relicense Fee" (instead of an Initial Franchise Fee), which is equal to the greater of $50,000 or $500 per room. We may negotiate a lower Relicense Fee with you for a subsequent transfer or a renewal at the time the parties sign the original, transfer or renewal Franchise Agreement, when business circumstances warrant. Relicense Fees are not refundable.

In 2023, there were no transfer or renewal franchises and we did not collect any Relicense Fees. We exclude from this range are any Administrative Assignments and any transfer franchises for which the transferor had previously negotiated a reduced Relicense Fee in their original Franchise Agreement with us. We also exclude temporary operating agreements entered into with financial institutions and others, and agreements entered into with receivers.

If you assign the Franchise Agreement, with our consent, to an entity affiliated with the initial franchisee using the Assignment and Assumption Agreement included in Exhibit C-1 (an "Administrative Assignment"), we will charge you a flat non-refundable administrative Relicense Fee of $5,000, which includes your Application Fee. If the Franchise Agreement is being assigned to a financial institution or a court-appointed receiver, with our consent, the non-refundable Administrative Relicense Fee is $7,500, and includes the Application Fee.

We may negotiate the amount, payment terms and payment of any of the above fees when business circumstances warrant.

This training may be offered in i) a hybrid, in-person and virtual format or ii) a virtual-only format.

The fee for the standard photo package is $3,560. Third party channels may require rooms with certain attributes to be photographed. To meet those requirements, additional photos may be purchased at a cost of $225 for each additional room type.

All franchisees, including those of transfer facilities and those renewing their franchises, are required to participate in Continuing Education, to send their initial general manger to our Hospitality Management Program, and to pay the fee for such programs, as described above. However, renewal franchisees may be exempt from our Hospitality Management Program, provided their general manager has completed the training within the last eight years.

Franchisees of conversion, transfer and renewal franchises must participate in the following required program:

Property Improvement Plan – We will conduct an initial inspection of the hotel, develop a property improvement plan "PIP", a list of property improvements needed to meet System Standards, recommend vendors for equipment and supplies and conduct one-follow up inspection. The fee for this Property Improvement Plan is $2,500.

Property Management Systems

You must procure computer hardware and a software license so that the Facility can communicate with the Central Reservation System. We have approved a property management system ("PMS") under our technology standard, which is provided by a third party through a contract with us: the OPERA® system from Oracle Hospitality ("Oracle"). When choosing your OPERA PMS level, you must sign the Master Information Technology Agreement ("MITA") with us along with the applicable PMS Schedule. The PMS Schedule will include any required or optional services and fees, including monthly support, services and interface fees paid after opening. See Exhibit C-2. The hardware for the PMS may be purchased from any source so long as it meets our technology standards and minimum technical requirements. See Item 11 for a description of the approved PMS.

When you choose the OPERA PMS, you must pay a one-time non-refundable Set-Up and Implementation Fee ranging from $18,825 to $28,425 plus additional amounts for interfaces that may be required, depending on which level of OPERA system you select. This fee includes on-site deployment, installation, and training and must be paid at least 30 days before the Opening Date of the Facility. You will be required to subscribe to any future OPERA upgrade when it becomes available, which may include additional or different services and fees, and you may be required to execute a new OPERA Schedule to the MITA, or amend your current OPERA Schedule. (Exhibit C-2)

If you purchase an existing Chain Facility with a PMS, we may require you to upgrade it or purchase a new PMS to meet our current configuration requirements, at your cost. If no upgrade is needed, and you purchase an existing Chain Facility with a PMS, you must pay a $3,900 transfer fee for the OPERA PMS, plus possible additional fees for changes in the number of guest rooms in the Facility and/or changes to the number of interfaces the OPERA PMS uses.

If you are a transferee of a Chain Facility with a current PMS that meets our technology standards, we offer optional PMS recertification training for your Facility remotely at a fixed cost of $500. You may also request additional OPERA PMS training at a cost of up to $10,000 for up to seven trainer days depending upon the number of staff that need to be trained and whether the training is conducted on-site or remotely. You are responsible for travel and lodging expenses for our trainer(s) if the training is provided at the Facility.

Set up of PMS systems and their associated ongoing fees are non-refundable.

Design and Project Review Services

We will provide you with an interior design prototype for the construction, renovation or furnishing of the Facility. In addition, for new construction facilities, we will provide review of both preliminary and final plans for construction of the Facility and up to three site visits from our Architecture, Design and Construction team to ensure compliance with System Standards as the project is completed.

Franchisees of conversion and new construction facilities must complete pre-opening improvements or construction of the Facility by the date specified in the Franchise Agreement. If we choose to grant an extension of any deadline, including the Facility's Opening Date, you must pay us a non-refundable extension fee of $10,000. The extension fee is due within 10 days of the Facility's Opening Date. We may negotiate the amount, payment terms or charging of this fee with you when business circumstances warrant.

You can purchase furniture, fixtures, equipment and other supplies which you may need before opening the Facility through WSSI's "Approved Supplier" programs. However, if you choose to purchase certain design elements from a supplier other than an Approved Supplier, we may charge you a non-refundable Custom Interior Design Review Fee, for our review of custom interior design drawings or of a model room and one site visit. Total Cost per Room	**$175,047**	**$288,553**			

The above table provides an estimate of the initial investment required for a Chain Facility. These figures exclude the cost of land. Your actual expenditures for a Chain Facility will depend upon many variables, such as region of the country, labor costs, economic conditions, and timetable for completing the project, and may be outside of the ranges presented.

[1] See Item 5 for amount or formula of each fee. We may defer payment of the Initial Fee. See Item 10. All fees are non-refundable, but we will refund your Application Fee if your application is not accepted due to proximity of the proposed site to another Chain Facility.

[2] This is the fee for the required photos for your Facility. The low end of the range is the cost for the required photo package and the high end of the range assumes you will require additional photographs to meet certain third-party requirements.

[3] The low and high end of the range includes your Continuing Education Fee. It also includes the tuition for your general manager to attend the required Hospitality Management Program.

[4] The low and high end of the range presumes that your general manager/owner will drive to our Hospitality Management Program and incur minimal travel costs and mid-level T&E expense. The high end of the range presumes an additional representative will also attend our Hospitality Management Program and incur significant T&E costs, including airfare and car rental.

[5] We do not provide assistance in site selection. However, we do require that you obtain a market feasibility study by an independent third-party consultant if you will be constructing a new Dolce Chain Facility. We reserve the right to obtain, or to require you to obtain at your expense, as a condition for receiving our approval of the site, a positive market feasibility study prepared by a nationally prominent independent accounting or consulting firm we approve.

[6] We are unable to estimate real estate costs because of wide variations in prices depending on factors like location, size of the property, the type of ownership interest you acquire and market conditions. There is no minimum acreage requirement. The

amount of land required for development may vary greatly depending upon local building codes, setback requirements, parking requirements and similar factors.

[7] This range includes the costs for permit fees, utility deposits and related fees, environmental studies, architectural (and structural, mechanical, electrical and plumbing engineering) fees to adapt our prototypical plans and specifications to meet requirements and local code. This range assumes that you will manage the Facility's development yourself, so this item does not include third party development or management fees. This item does not include impact fees which may be assessed by local authorities or site evaluation fees, geotechnical report fees, or civil engineering fees. You should check with the applicable local authorities to determine if impact fees are assessed and, if so, how they are calculated and the amount to be charged to your Facility. Fees vary widely depending on your specific location and situation.

[8] This range includes the total construction cost of a Chain Facility. It includes the construction of a restaurant and lounge, kitchen, swimming pool, exercise room and spa, landscaping, entrance ways and parking areas and interior signage. This item does not include impact fees which may be assessed by local authorities to defray the costs of their clean-up obligations under federal and/or state clean air and water legislation. Impact fees vary from jurisdiction to jurisdiction. You should check with the applicable local authorities to determine if impact fees are assessed and, if so, how they are calculated and the amount to be charged to your Facility. The item also excludes financing costs, which may vary widely based on factors like the type of loan, the size and location of the Facility and your creditworthiness. Building construction costs vary greatly from region to region depending upon material, labor costs, union or non-union practices and other variables.

[9] This amount is calculated as 5% of Facility Construction costs.

[10] The amount presented includes costs associated with guest room and public area high speed Internet access, PBX/telephone system (including consoles and guest room and administrative telephones) and television system. The low range assumes you will procure all of the above and you purchase the base system equipment. The high end of the range assumes you will procure all of the above, and also assumes that you acquire top of the line equipment for which to operate the PMS.

[11] You must purchase, lease or otherwise acquire the computerized hospitality property management system/computer ("PMS") that has been designated by us. The low end of the range presumes that you select the Standard OPERA Cloud system for the Facility. The high end of the range presumes that you purchase the Premium OPERA Cloud system. This range includes on-site installation. This range does not include additional interface fees which may be required based on optional interfaces you may utilize at the Facility. See Item 11 for information about the PMS.

[12] Includes furniture, fixtures and equipment ("FF&E") for all areas of the Facility including guest rooms and public areas. These items are typically driven by the decorative furnishings package. The estimate presumes that you will install our approved interior design package in all guest rooms and public areas. Items included in the interior design package for the guest room and public areas may include flooring surfaces and bases; artwork and mirrors; casegoods; bathroom fixtures such as vanity bases, counters and shower tile; decorative bedding; lighting; seating; soft and upholstered goods; wallcoverings; and window treatments. This range includes procurement service provider fees estimated at 11% to 17% of the total cost of the FF&E purchased. The figures above do not include tax, freight or installation, which should be confirmed prior to purchasing.

[13] Includes cost of materials and installation for one pylon/monument sign, and one wall mounted sign/channel letters. The low end of the range presumes that you will be able to utilize the existing column for your pylon sign. The upper end of the range presumes that you will need to install a new column. Your actual cost will depend on many variables including sign size, materials and height, distance signs must be shipped, local labor costs, and local ordinances. This cost does not include local taxes and permits.

[14] Operating supplies and equipment ("OS&E") includes items required by System Standards such as mattresses/box springs, bed frames and bases, televisions, linens, logoed items, housekeeping supplies, guestroom and bathroom amenities/supplies, safes, cribs, luggage racks, interior signage, breakfast display equipment, floor mats, PPE, sundry shop items & equipment. The low end of the range assumes you will purchase the required OS&E to open in compliance with System Standards. The high end of the range assumes you have chosen to purchase optional/suggested items not required by System Standards, but which you might choose to purchase, such as additional linens, rollaway beds, guest laundry equipment, etc. The figures above do not include tax or freight. These costs should be confirmed prior to purchasing.

[15] You must maintain commercial general liability insurance with combined single limits per occurrence of $1 million primary coverage and $9 million excess liability umbrella coverage for a hotel with 4 stories or less (total $10 million), and for a hotel with 5 stories or more $14 million excess liability (total of $15 million), plus other required coverage. Insurance requirements are subject to change on a System-wide basis. This does not include your costs for property and casualty insurance, workers' compensation, employer's liability, disability and other insurance benefits for your employees.

[16] The range assumes that, at a minimum, you will engage in a three-month digital advertising campaign via a third-party company, plus some or all of the following additional marketing activities: pre-opening direct mail, pre-opening parties, billboards, etc.

[17] Liquor license costs vary widely depending on the jurisdiction. In many states the cost will be closer to the low end of the range. The cost will likely be on the high end of the range (or may even exceed the high end) in those jurisdictions which limit the number of liquor licenses issued and consider them an asset of the license holder.

[18] Includes attorneys' and accountants' fees, business license fees, bank fees, the cost of back-office accounting systems, and similar business startup expenses.

[19] This amount is an estimate and includes the Recurring Fees you will pay us after opening. It does not include debt service payments or rent. Our estimate is based on our experience and the experience of our Lodging Affiliates and their franchisees in operating similarly situated brands over the last two years. These expenses include labor costs. We do not guarantee that you will not have additional expenses starting the business.

[20] None of the fees and costs payable to us in the above table is refundable. Fees and costs payable to suppliers and other third parties above generally are not refundable unless you negotiate that directly with them. See Item 10 for a discussion of financing which might be available for portions of your initial investment in a Chain Facility.

The above table provides an estimate of the initial investment required for a Chain Facility. These figures assume that you already own the Facility.

[1] See Item 5 for amount or formula of each fee. We may defer payment of the Initial Fee. See Item 10. All fees are non-refundable, but we will refund your Application Fee if your application is not accepted due to proximity of the proposed site to another Chain Facility.

[2] This is the fee for the required photos for your Facility. The low end of the range is the cost for the required photo package and the high end of the range assumes you will require additional photographs to meet certain third-party requirements.

[3] The low and high end of the range includes your Continuing Education Fee. It also includes the tuition for your general manager to attend the required Hospitality Management Program.

[4] The low and high end of the range presumes that your general manager will drive to our Hospitality Management Program and incur minimal travel costs and mid-level T&E expense. The high end of the range presumes that an additional representative will also attend our Hospitality Management Program and incur significant T&E expense, including airfare and car rental.

[5] We do not provide assistance in site selection. However, we recommend that you obtain a market feasibility study by an independent third-party consultant if you will be converting an existing hotel to a Dolce Chain Facility. We reserve the right to obtain, or to require you to obtain at your expense, as a condition for receiving our approval of the site, a positive market feasibility study prepared by a nationally prominent independent accounting or consulting firm we approve.

[6] The low end of the range presumes that the Facility is in excellent condition and does not need any architectural, design or engineering work. The high end of the range presumes that the Facility will undergo a comprehensive renovation and incur the costs for permit fees, utility deposits and related fees, environmental studies, architectural (and structural, mechanical, electrical and plumbing engineering) fees to adapt our prototypical plans and specifications to meet requirements and local code. This range assumes that you will manage the Facility's development yourself, so this item does not include third party development or management fees. This item does not include impact fees which may be assessed by local authorities or site evaluation fees, geotechnical report fees, or civil engineering fees. You should check with the applicable local authorities to determine if impact fees are assessed and, if so, how they are calculated and the amount to be charged to your Facility. Fees vary widely depending on your specific location and situation.

[7] The low end of the range assumes that the Facility's exterior, public areas, guest rooms and plumbing, heating, ventilation, air conditioning and other systems are in good condition and meet System Standards. The high end of the range assumes that the Facility requires extensive structural renovations to meet System Standards, and the exterior, public areas and guest rooms are in poor condition and require refinishing. (e.g., exterior walkways, swimming pool surface, landscaping, and ceiling tile).

[8] This amount is calculated as 5% of Facility Improvement costs.

[9] The amount presented includes costs associated with guest room and public area high speed Internet access, PBX/telephone system

(including consoles and guest room and administrative telephones), television system and system equipment. The low end of the range presumes that you own adequate equipment to operate the PMS, the Facility's PBX/telephone, television, and high- speed Internet access systems meet our standards and specifications and do not need to be upgraded. The high end of the range presumes that the Facility's high-speed Internet access, PBX/telephone and television systems all need to be replaced. The high end of the range presumes that you need to acquire equipment needed to operate the PMS.

[10] You must purchase, lease or otherwise acquire the computerized hospitality property management system/computer ("PMS") that has been designated by us. The low end of the range presumes that you select the Standard OPERA Cloud system for the Facility. The high end of the range presumes that you purchase the Premium OPERA Cloud system. This range includes on-site installation. This range does not include additional interface fees which may be required based on optional interfaces you may utilize at the Facility. See Item 11 for information about the PMS.

[11] Includes furniture, fixtures and equipment ("FF&E") for all areas of the Facility including guest rooms and public areas. These items are typically driven by the decorative furnishings package. The low end of the range assumes that the existing FF&E are in excellent condition and meet System Standards. The high end of the range assumes that most of the existing FF&E are in poor condition and need to be replaced. The estimate presumes that you will install our approved interior design package in all guest rooms and public areas, which may include flooring surfaces and bases; artwork and mirrors; casegoods; bathroom fixtures such as vanity bases, counters and shower tile: decorative bedding; lighting; seating; soft and upholstered goods; wallcoverings; and window treatments. This range includes procurement service provider fees estimated at 10 % to 15% of the total cost of the FF&E purchased. These figures do not include tax, freight or installation, which should be confirmed prior to purchasing.

[12] Includes cost of materials and installation for one pylon/monument sign, and one wall mounted sign/channel letters. The low end of the range presumes that you will be able to utilize the existing column for your pylon sign. The upper end of the range presumes that you will need to install a new column. Your actual cost will depend on many variables including sign size, materials and height, distance signs must be shipped, local labor costs, and local ordinances. This cost does not include local taxes and permits.

[13] Operating supplies and equipment ("OS&E") includes items required by System Standards such as mattresses/box springs, bed frames and bases, televisions, linens, logoed items, housekeeping supplies, guestroom and bathroom amenities/supplies, safes, cribs, luggage racks, interior signage, breakfast display equipment, floor mats, PPE, sundry shop items & equipment. The low end of the range presumes that you will need to purchase certain Mark-bearing items required by System Standards. The high end of the range presumes that your inventory of operating supplies needs to be replaced in its entirety to open in compliance with System Standards and that you have chosen to purchase optional/suggested items not required by System Standards, but which you might choose to purchase, such as additional linens, rollaway beds, guest laundry equipment, etc. The figures above do not include tax or freight. These costs should be confirmed prior to purchasing.

[14] You must maintain commercial general liability insurance with combined single limits per occurrence of $1 million primary coverage and $9 million excess liability umbrella coverage for a hotel with 4 stories or less (total $10 million), and for a hotel with 5 stories or more $14 million excess liability (total of $15 million), plus other required coverage. Insurance requirements are subject to change on a System-wide basis. This does not include your costs for property and casualty insurance, workers' compensation, employer's liability, disability and other insurance benefits for your employees.

[15] The range assumes that, at a minimum, you will engage in a three-month digital advertising campaign via a third-party company, plus some or all of the following additional marketing activities: pre-opening direct mail, pre-opening parties, billboards, etc.

[16] Liquor license costs vary widely depending on the jurisdiction. In many states the cost will be closer to the low end of the range. The cost will likely be on the high end of the range (or may even exceed the high end) in those jurisdictions which limit the number of liquor licenses issued and consider them an asset of the license holder.

[17] Includes attorneys' and accountants' fees, business license fees, bank fees, the cost of back-office accounting systems, and similar business startup expenses.

[18] This amount is an estimate and includes the Recurring Fees you will pay us after opening. It does not include debt service payments or rent. Our estimate is based on our experience and the experience of our Lodging Affiliates and their franchisees in operating similarly situated brands over the last two years. These expenses include labor costs. We do not guarantee that you will not have additional expenses starting the business.

[19] None of the fees and costs payable to us in the above table is refundable. Fees and costs payable to suppliers and other third parties above generally are not refundable unless you negotiate that directly with them. See Item 10 for a discussion of financing which might be available for portions of your initial investment in a Chain Facility.

[20] Estimated Initial Investment Onboarding Costs include Initial Fee (inclusive of Application Fee), Photos, Training costs and Punch List Fee range from $101,010 to $105,685. Estimated Initial Investment Construction Costs including Market Study, Architecture, Design, Engineering, Environmental Studies, Permits, Licenses, Deposits and Related Fees, Facility Improvements, and Conversion Contingency range from $15,000 to $9,160,000. Estimated Initial Investment Technology Costs including Technology Systems and Property Management Set-Up and Installation range from $18,825 to $151,662. Estimated Initial Investment Equipment and Product Costs including Furniture, Fixtures, Equipment, Signage, Opening Inventory and Insurance range from $42,218 to $4,423,575. Estimated Initial Investment Costs including Grand Opening Advertising, Liquor License, Miscellaneous Non-Tangible Asset Costs, and Funds for 3 Month Initial Period range from $236,132 to $974,243.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Except as disclosed below, you are not required to purchase or lease products or services 1) from us or our affiliates, 2) from suppliers approved by us, or 3) under our specifications. We may derive commissions or other revenue as a result of these purchases and leases.

Standards and Specifications

To ensure consistency among Chain Facilities, each Facility must meet System Standards. These standards require that most of the items you use or sell at your Facility meet our specifications. Items that must meet our specifications include certain aspects of the Facility's construction, certain services you offer in the Facility, including food and beverage services, the Facility's equipment, décor and amenities, guest room size, signage, photographs, advertising, furniture and fixtures, various supplies, bath and bed linens, window treatments, bed toppings, mattresses and box springs, flooring, wall coverings, lighting, wireless high-speed Internet access, property management system, computer hardware, peripheral equipment, operating system software, telephone, lock systems, insurance, and in certain circumstances your third party manager or management company and management agreement. Our specifications may include minimum requirements for delivery, performance, design, appearance and quality. We will provide you this information in our Standards of Operation and Design Manual (the "Manual"). We may revise existing standards and add new ones through updates to the Manual.

You will obtain and maintain during the term of the agreement the insurance coverage required by Section 3.8 of the Dolce Franchise Agreement and under the System Standards Manual, which is outlined below. All Dolce hotels must have active insurance coverage effective at the start of construction or renovation and in continuous force while operating under the Dolce System or as a Dolce. Each insurance policy must include as a named insured the party or parties (and their respective successors or assigns) that are identified as the "Franchisee" or "Franchisees" in the Franchise Agreement. Coverage must be on an occurrence basis. Each liability policy must name as an additional insured all of the following: Dolce International Holdings, Inc.; Wyndham Hotels & Resorts, Inc.; Wyndham Hotel Group, LLC; and all related entities and all of their current and former subsidiaries, affiliates, successors, and assigns, as their respective interests may appear. Each liability policy must provide that the insurance coverage for each additional insured is primary and is not contributory with or excess of any insurance coverage that may be available to an additional insured.

Specific coverages include Commercial General Liability Insurance with minimum coverage of $1,000,000 combined single limit per occurrence covering premises, products, independent contractors, bodily injury, personal injury, contractual and advertising liability, property damage, and insured contract liability; Liquor Liability with minimum coverage of $1,000,000 per

occurrence as well as inclusion in excess liability coverage if beer, liquor, or alcoholic beverages are sold or served on site, including but not limited to, by restaurants or lounges, minibars, or vending machines; Comprehensive Automobile Liability Insurance with minimum coverage of $1,000,000 combined single limit per occurrence on all vehicles; Worker's Compensation in compliance with state laws; Employers Liability Insurance with minimum coverage of $100,000; Business Interruption (Loss of Earnings) Insurance with a minimum of $100,000 of coverage, actual loss or twelve (12) months sustained; and Umbrella/Excess Liability Insurance at least as broad as the required underlying coverage. If the Facility has four (4) stories or fewer, there must be an additional $9,000,000 in excess liability coverage for a total of $10,000,000. If the Facility has five (5) stories or greater, there must be an additional $14,000,000 in excess liability coverage for a total of $15,000,000. In addition, each Franchisee with an on-site restaurant, including but not limited to an owned or leased lounge or recreational facility space, must require that the operator satisfy the minimum insurance requirements listed in the System Standards Manual.

The failure to carry insurance coverage meeting the requirements described in the System Standards is a material default under the Franchise Agreement and may be grounds for termination of the Franchise Agreement. In addition, should you for any reason fail to procure or maintain the insurance required, we have the right and authority (without, however, any obligation) to immediately procure such insurance and to charge the cost thereof to you, which charge, together with a reasonable fee for our expenses in so acting, will be payable by you immediately upon demand.

We estimate that the items you purchase meeting System Standards will represent approximately 50% to 75% of your total initial expenditures for goods and services in establishing a new construction or conversion Facility. We expect that these items will represent approximately 10% to 15% of your annual purchases and leases.

Approved Suppliers

To support the purchasing efforts of our franchisees, we and/or our affiliate WSSI negotiate purchasing terms, including price, volume discounts, and commissions on a range of products and services. In doing so, we and WSSI seek to promote the overall interests of our and our affiliates' lodging systems and interests as franchisors. Currently, we and/or WSSI identify certain suppliers of products and services with whom we and/or WSSI may have negotiated purchase terms, who are then designated as "Approved Suppliers." You may purchase products and services directly from these Approved Suppliers through supplier-provided websites or through more traditional means. We may provide your contact information to our Approved Suppliers and you may be contacted by our Approved Suppliers.

Suppliers not on the Approved Supplier list that are interested in doing business with us or the Lodging Affiliates must apply by registering online at our Supplier Registration site http://wyndham.supplierone.co. Interested suppliers are evaluated and potentially approved according to an approval process established by WSSI. Currently, WSSI does the evaluations and approvals. The specific criteria and processes utilized by WSSI in the approval process are not disclosed to franchisees. WSSI will review a supplier that has registered with the Supplier Registration site on an as needed basis.

WSSI may not review all suppliers. For those that it does review, it will notify the supplier of approval within approximately one year after the supplier provides WSSI all information it requests about the supplier. Only suppliers chosen by WSSI to become an Approved Supplier will be notified by WSSI of their acceptance. WSSI may revoke a supplier's "Approved" status if the supplier's agreement with us, WSSI, or an affiliate expires and is not renewed, or if the supplier is in default under their agreement with us, WSSI, or an affiliate. We will notify our franchisees if this occurs. Revocation does not mean that you can no longer purchase from this supplier; it simply means that the supplier no longer participates in WSSI's program to offer discounts or other benefits to our franchisees.

Approved Suppliers generally pay WSSI a commission based upon the volume of sales to franchisees. Commissions typically are a percentage of net or gross sales to franchisees, and usually range from 1% to 5% of net or gross sales to franchisees. WSSI may enter into other commission arrangements with Approved Suppliers from time to time, such as a fixed fee per purchase order, on the basis of arms' length negotiations.

In 2023, our and the Lodging Affiliates' net revenues from franchisees' purchases of products or services required by or subject to our or the Lodging Affiliates' respective System Standards was approximately $7.2 million, or approximately 0.5% of WHR's total net revenues of $1.397 billion (as reflected in its consolidated statements of income (loss) for 2023); and our and the Lodging Affiliates' net revenues from franchisees' purchases of optional products or services was approximately $8.3 million, or approximately 0.6% of WHR's total net revenues of $1.397 billion.

None of our officers owns a material interest in any supplier to our System. However, from time to time, our officers may own non-material interests, for investment purposes only, in publicly-held companies that are suppliers to our System.

Required Purchases from Approved Suppliers

The only items you must buy from an Approved Supplier are items bearing the Marks (such as signage, supplies, and digital photographs); certain elements necessary to create the brand-defining ambience (such as music, scent, or specific décor); items related to health and safety; the firm you retain to prepare a market feasibility study for your Facility (if any); and certain technology systems, including guest wireless high-speed internet access, credit card acquiring services, and your PMS (although you will pay us, or an affiliate, for certain services related to your PMS, and may be required to pay us, or an affiliate, for certain services related to your guest wireless high-speed internet access system). There may be only one Approved Supplier for certain items bearing the Marks or related to health and safety and we do not plan to approve other suppliers. There is only one Approved Supplier for the required PMS. In addition, there is only one Approved Supplier for the credit card gateway services you must use with the PMS. Otherwise, you can purchase items from any party you wish as long as the items meet our System Standards. We may have sole Approved Suppliers in the future for various items, which may include us or an affiliate. We and our affiliates intend to make a profit on any items we or they sell to you.

If you choose to purchase certain design elements from a supplier other than an Approved Supplier, you must provide us your custom interior design drawings for our review to ensure compliance

with our standards, and we may charge a fee for such review. You must use our call center to book reservations from customers who call your Facility to make a reservation. See Items 5 and 6. These are the only services that you must purchase or lease from us or an affiliate and neither we nor any affiliate are currently an Approved Supplier for any other item.

We may offer to issue the Development Incentive in cash or disbursed to a third party on your behalf for the approved use of constructing or renovating your hotel, in our sole discretion as business circumstances warrant. If the Development Incentive is to be issued in cash, we may require you to use the services of an approved procurement service provider or purchase directly from a manufacturer or Approved Supplier. The fee for procurement services is typically 11% - 17% of the total cost of the furniture, fixtures and equipment purchased.

We do not provide you with any material benefits (for example, the opportunity to acquire additional franchises, special renewal rights or similar benefits) if you purchase goods or services through our Approved Supplier program. We do not have a purchasing or distribution cooperative that you must join.

agreeing to assume and discharge all obligations of the franchisee under the Franchise Agreement. If we offer you Development Incentive financing (see Item 10), your significant owners must co-sign the Development Incentive Note with you. If the significant owners are residents of community property or certain other states, their spouses must also sign the note.

[2] In addition to your obligation to repair and maintain the Facility on an ongoing basis, you must renovate your guest rooms and public spaces, including the replacement of soft goods (including wall and floor coverings, window treatments, etc.) and case goods (including furniture, fixtures, such as headboards, desks, tables, armoires, etc.) periodically, as required by the System Standards.

ITEM 10. FINANCING

Except as specified in this Item 10, we do not offer or provide any financing arrangements for Dolce franchisees, either directly or indirectly.

Initial Fee Deferral. We may defer payment of the Initial Fee, if business circumstances warrant, in our sole discretion. The deferral is usually for a short term such as 90 days, or until the Facility opens as a Chain Facility, whichever occurs first. If deferred, you must pay the Initial Fee in one or more installments without the accrual of interest unless you do not pay the Initial Fee within ten days after it is due. The number of payments may vary based on business circumstances, but generally requires up to three equal installments over a 90-day period. We do not require any security for the Initial Fee Note. The Initial Fee Note may be prepaid at any time without penalty. You and your owners must sign the Initial Fee Note in substantially the form shown in Exhibit C-1. If your owners are residents of community property or certain other states, their spouses must also co-sign the Initial Fee Note. Under the Initial Fee Note, you and your guarantors, or any co-makers of the Initial Fee Note, waive traditional defenses. These defenses include presentment, demand, notice of demand, protest, notice of non-payment, notice of protest, notice of dishonor and diligence in collection. We reserve the right to modify the terms of the Initial Fee Note and/or grant extensions, novations, releases or compromises to you or any co-maker without the consent of, or affecting the liability of, any other party to the Initial Fee Note. The Initial Fee Note is not subject to setoff, offset or recoupment. If the Franchise Agreement terminates for any reason or you transfer the Facility, we may demand that you immediately pay the Initial Fee Note in full. If you fail to make any required installment payment on time, we may demand that you immediately pay the Initial Fee Note in full. If you do not pay the Initial Fee Note within 10 days after it is due, the Initial Fee Note will bear simple interest at the rate of the lesser of 18% per annum (1.5% per month) or the highest rate allowed by law. Default under the Initial Fee Note will constitute a default under the Franchise Agreement. If the Initial Fee Note is collected by or through an attorney, we will be entitled to collect reasonable attorney's fees and all costs of collection.

Development Incentive Financing. We may offer certain "Development Incentives" for new construction and conversion Chain Facilities. The incentives are based on various factors and are determined in our sole discretion. These factors may include the number of rooms and location of the proposed Facility, market overview, surrounding hotels, demand drivers, and a feasibility study. The Development Incentive is a loan that is not subject to repayment unless the franchise terminates before the end of the term of the Franchise Agreement for the Facility, or a Transfer occurs. The Development Incentive is typically funded shortly after the Facility's Opening Date, Subsequently, at each anniversary of the Facility's Opening Date, $1/20^{th}$ or $1/15^{th}$ of the original amount of the Development Incentive is forgiven without payment (based on the Term of the Franchise Agreement) such that the Development Incentive Note is fully forgiven at the end of the

Term. If the franchise terminates or is transferred before the expiration of the Term, you must repay the balance of the Development Incentive. The Development Incentive Note bears no interest except in the case of default, in which case the interest rate will be 18% per annum (1.5% per month) or the highest rate allowed by law. If you must repay the balance of the Development Incentive and fail to make any required payment on time, we may demand that you immediately pay the Development Incentive in full. Default under the Development Incentive Note will constitute a default under the Franchise Agreement. We do not typically require any additional security for the Development Incentive Note but reserve the right to do so in certain circumstances depending on the amount of the Development Incentive and the creditworthiness of you and your principals. The Development Incentive Note may be prepaid at any time without penalty. If the Development Incentive Note is collected by or through an attorney, we will be entitled to collect reasonable attorney's fees and all costs of collection.

To receive the Development Incentive, you and your principals, as co-makers, must sign a Development Incentive Note, which will specify the amount of the incentive, in the form attached to Exhibit C-1 when you sign and deliver to us the Franchise Agreement. If you and/or your principals are residents of community property or certain other states, your and /or their spouses must also co-sign the Development Incentive Note. In addition, you must sign an addendum to the Franchise Agreement, agreeing to make all payments due under the Franchise Agreement and ancillary agreements through electronic funds transfers through the ACH (automated clearing house) system. You must provide us with a current balance sheet, loan documents and other information we request detailing the total cost of the Facility, the amount being financed, and your equity investment in the Facility. If we offer you a Development Incentive, you may not be eligible for any reduction in Initial or Recurring Fees (see Items 5, 6 and 15). The Development Incentive program may be modified, limited, extended, or terminated at any time without advance notice or amendment of this Franchise Disclosure Document.

The Development Incentive will be disbursed after (i) you have passed a final credit review with no material adverse changes in your business, legal, litigation, bankruptcy status or finances, or of your guarantors or the Facility since preliminary approval, (ii) the Facility officially opens with our consent, (iii) you have completed all required pre-opening improvements specified in the Franchise Agreement; (iv) you have paid the Initial Fee; (v) you are in good standing under the Franchise Agreement and all ancillary agreements; and (vi) you have completed any other pre-requisites for disbursement that you and we agree to in the Franchise Agreement. Additionally, we may require you to use the services of an approved procurement service provider, or purchase directly from a manufacturer or approved supplier, as outlined below.

We may offer to issue the Development Incentive in cash or disbursed to a third party on your behalf for the approved use of constructing your hotel, in our sole discretion as business circumstances warrant. If the Development Incentive is to be issued in cash, we may require you to use the services of an approved procurement service provider or purchase directly from a manufacturer or approved supplier. The fee for procurement services is typically 10% - 15% of the total cost of the furniture, fixtures and equipment purchased.

You and your guarantors or co-makers waive traditional defenses, as described above for the Initial Fee Note. With or without notice to or consent from you, your guarantors or co-makers, we may

grant renewals, extensions, modifications, compositions, compromises, releases or discharges of other parties. If you transfer the Facility, you must repay the balance of the Development Incentive Note unless the transferee and its principals assume the obligation to repay the Incentive and provide us with such other security as we may require in our sole discretion. If you are purchasing an existing Chain Facility and we approve you to assume the obligation to repay the unamortized balance of the Development Incentive Note, then you must agree to assume all of the same terms under the Development Incentive Note as the original recipient of the Development Incentive.

Women Own the Room ("WOTR") Development Incentive. We offer a special financing program intended to empower women entrepreneurs through hotel ownership. We will provide an approved women-owned franchisee a Development Incentive at a target amount of $2,500 per guest room of the Facility, but not to exceed 50% of the franchisee's equity investment in the Facility. The WOTR program also includes personalized opening and on-going operational guidance and support, which may include complimentary programs or discounts on select support services. To qualify for this program a majority of the legal and beneficial ownership interests of the franchisee must be held by women. We will have sole discretion in determining whether you qualify for the program. All of the other requirements, terms and conditions described above for Development Incentives also apply to the WOTR Development Incentive Program.

Black Owners & Lodging Developers ("BOLD") Support. We offer customized support through our BOLD program, which is designed to engage and advance Black entrepreneurs on the path to hotel ownership. The specific support offered to each BOLD program member is tailored to the individual franchise applicant but will provide personalized opening and on-going operational guidance and support, such as complimentary programs or discounts on select supplemental support services. To qualify for this program a majority of the legal and beneficial ownership interests of the franchisee must be held by Black entrepreneurs. We will have sole discretion in determining whether you qualify for the program. The support offered to an applicant through the BOLD program may include a Development Incentive, in which case all the other requirements, terms and conditions listed above with regard to Development Incentives will apply.

In addition to all of the above, you may request a Lender Notification Agreement using the forms we provide you. Any lender you select may also request a collateral assignment of or security interest in the Franchise Agreement, but we have no obligation to enter into any agreement or arrangement with any lender. See Exhibit C-4.

We have no practice or intent to sell, assign or discount to a third party all or part of any financing arrangement above.

ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Franchisor's Assistance

Pre-Opening Assistance

Before you open the Chain Facility, we will provide you with the following assistance:

1. You select the Facility's location and describe it in the Franchise Application. We reserve the right to obtain, or to require you to obtain at your expense, as a condition for receiving our approval of the site, a positive market feasibility study prepared by a nationally prominent independent accounting or consulting firm we approve. Since individual sites are necessarily unique, no listing of relevant factors will be applicable to all sites. However, we believe these factors are important: geographical area; population, density, and other demographic factors; proximity to transportation; major attractions and destinations; commercial development; traffic patterns; competition; accessibility; and the compatibility of the area with the proposed use. We grant a franchise for a Chain Facility for a specific location or site only and approve your site when we approve your Franchise Application. There is no specific time limit in which this approval must be completed. However, we typically complete our review of your site and the other elements of your Franchise Application, and award or decline to award you a franchise, within 30 to 60 days after we receive your completed Franchise Application and all supporting documentation. Approval of your application and of the site only indicates our willingness for you to represent the Chain at that site. (Franchise Agreement – Application and Schedule D)

2. If you are converting an existing hotel into a Chain Facility, or in the case of a Transfer, we will inspect the Facility and create a PIP of improvements needed before you open the Facility under our service marks and afterwards. The PIP is attached to the Franchise Agreement when it is signed. (Franchise Agreement – Schedule D)

3. For a new construction Facility, a member of our Architecture, Design and Construction team will be available to consult with your architect about the plans we provide, and will review and, if appropriate, approve any detailed architectural plans and specifications for constructing a new Facility. We will review any requests to materially modify or deviate from the plans or specifications after they have become "Approved Plans." We may charge you a fee to review material modifications to your plans or specifications. (Franchise Agreement – Schedule D)

4. We may inspect the Facility during or following construction or renovation to determine compliance with System Standards, and, where appropriate, approve its opening as a Chain Facility. (Franchise Agreement – Schedule D)

5. We will provide you with a copy of, or access to, our Manual which contains the System Standards and specifications for your Chain Facility, including standards for the furniture, fixtures, and certain equipment used to furnish your Chain Facility. (Franchise Agreement – Section 4.7)

6. We will provide you with written specifications for required products and services, as well as information about Approved Suppliers whose products have been approved for usage, as described in greater detail in Item 8. (Franchise Agreement – Section 4.4)

7. If you wish to deviate from one of our standard interior design packages or to use a custom design package, we will, for an additional fee, review, approve, or provide comments on your interior design package and, following our approval, any subsequent modifications to your package. (Franchise Agreement – Schedule D)

8. We will provide Mandatory Support Services to assist you in opening the Facility. These Services are not applicable to franchisees renewing their franchises with us. See Item 5 for a more detailed description of these Mandatory Support Services and the fees we charge for them. (Franchise Agreement – Schedule D)

9. We will provide training to you and your general manager as described in this Item below. (Franchise Agreement – Section 4.1)

10. We offer, for a fee, an optional service via a third party through which you can purchase an online media campaign in connection with the Facility's opening. The minimum campaign available for purchase runs for three months at a rate of $2,250 for conversion facilities and $50,000 for new construction and is focused on your Facility to support bookings during an initial ramp-up period.

11. We do not deliver or install equipment, signs, fixtures, opening inventory, or supplies.

Length of Time Before Opening

There is no "typical length of time" between the signing of a Franchise Agreement or the first payment for a franchise, and the Opening Date of the Facility. This is due to the impact of a number of variables including (i) your ability to obtain any necessary financing, (ii) whether the Facility is to be converted from an existing hotel or is to be newly constructed and (iii) the process required to obtain all necessary permits, licenses and approvals from various government agencies.

We have established certain parameters for the pre-opening period. You must provide us with proof of ownership or ground lease of the location within 30 days after we sign the Franchise Agreement. In the case of an existing facility newly entering the System or an existing Chain Facility being transferred, you must begin renovation no later than 30 days after we sign the Franchise Agreement. You must complete the pre-opening phase of the work and be ready, willing, and able to open the Facility under the System no later than 90 days after we sign the Franchise Agreement. In the case of new construction, you must begin construction of the Facility within 60 days after we execute the Franchise Agreement and complete construction and receive our written approval to open the Facility within 26 months after signing the Agreement. (Franchise Agreement – Schedule D)

Continuing Assistance

After the Chain Facility opens, we will provide you with the following assistance:

1. We will continue to provide you with access to the confidential Standards of Operation and Design Manual ("Manual") and any other manuals for franchisees which contain specifications for the construction or renovation and operation of the Facility under the System. The Wyndham Rewards Front Desk Guide is a System Standard. These Manuals and System Standards may be amended. The table of contents of the Manual consisting of 158 pages is set forth in Exhibit F. (Franchise Agreement – Section 4.7)

2. We may hold a System conference, which may be in the form of a WHR multi-brand conference with special sessions and programs only for our System. Currently, we hold a conference approximately every 18 to 24 months, but this is subject to change. We also may hold periodic regional summits throughout the year. (Franchise Agreement – Sections 3.9 and 4.1.4)

3. We or our contractor may conduct announced and unannounced inspections and/or mystery shops of the Facility. (Franchise Agreement – Section 4.8.)

4. We will continue to provide you with operational support and information about the System by e-mail, telephone, or via the System's internal online platform. In addition, our field support team may periodically visit your Facility to provide on-site operational support provided you are in compliance with your obligations under the Franchise Agreement. Our representatives will also consult with you in person when they are at the Facility for compliance inspections, upon your request. (Franchise Agreement – Section 4.6)

5. We will provide access to a proprietary online platform where you can access brand specific information, including System Standards and corporate communications specific to Chain and WHR initiatives. We will offer tools to help support your business including site reporting, industry reporting, bill payment, marketing, Global Sales, Loyalty, and Revenue Management resources as well as access to ratings and reviews, and corporate information. We may, in the future, charge a fee for the support and maintenance of this service.

6. We and our affiliates will continue to provide you with information about Approved Suppliers. See Item 8 above. (Franchise Agreement – Section 4.4)

7. We will provide a computerized Central Reservation System ("CRS"), directly or indirectly through another party or a technological substitute as we may determine, for making reservations at Chain Facilities. See the Computer Systems discussion below. (Franchise Agreement– Section 4.2)

8. We will provide you a service to have certain callers directed automatically to our toll-free line where professionally trained agents will answer questions and book reservations on behalf of your Facility. See Exhibit C-6 for the Signature Reservation Service Agreement.

9. We offer comprehensive revenue management programs for additional fees. These optional programs are available at two levels of service for varying fees: Standard and Premium, as further

described below. No matter the service level, Revenue Management Services ("RMS") include inventory management, strategic positioning, future demand strategy and targeted promotions and packages, at different frequencies. We reserve the right to evaluate a variety of factors, including but not limited to, your Facility's room count, occupancy rate, trends, and market to determine the most suitable level of service. Based on our assessment of your Facility and its performance, we may limit the levels of optional services available to your Facility. See Exhibit C-7 and Item 6 for additional description of options and fees.

- Standard RMS is a bi-weekly service that includes STR review and evaluation, and rate and inventory maintenance, as well as scheduled communication and accessibility and bi-weekly meetings with your assigned Revenue Management Specialist.
- Premium RMS is a weekly service that includes inventory management, as well as scheduled communication and accessibility, weekly meetings with your assigned Revenue Management Specialist, and STR review and recommendations.
    - We may offer a Premium Plus RMS for a flat monthly fee (currently, $5,245) to certain hotels that require additional support. Premium Plus RMS includes Premium RMS services plus daily recommendations, twice-weekly strategy discussions, and two annual property visits.

10. We will provide you with access to a customer experience software platform (currently Medallia), which will aggregate all reviews regarding the Facility from TripAdvisor and other major online travel agency sites, as well as customer surveys. We will respond to certain customer surveys and online reviews of the Facility, including complaints that are posted on third-party travel websites. You will pay us for each review to which we respond, which we will waive during all periods that your Facility maintains a positive overall guest satisfaction score. (Franchise Agreement – Schedule C)

11. We will provide you with a guest engagement platform that enables your hotel to connect with guests via texts to their mobile devices. There currently is no charge for this platform. First level support for this platform is included in the HTCS service provided as part of the Monthly Support and Service Fee described under **Property Management System**, below.

12. We will offer, as an option and for an additional monthly fee, a remote local sales service. Under the service, we will assign a designated representative to support your Facility who will respond to group sales leads (within certain parameters authorized by you) and solicit new business for your Facility. See Exhibit C-9 and Item 6 for a description of options and fees.

13. We may choose to bundle certain optional service offerings. If we do so, the fee for such combined offering would not exceed that to be charged if you were to participate in each program individually. We reserve the right to assess your Facility and its performance based on a variety of factors to determine if you qualify for any bundled program offering. If available to you, you must execute the then-current form of agreement for such combined service.

Advertising

We engage in advertising and marketing activities funded by the Marketing Fees that franchisees pay us to promote all hotels operating under the Dolce trade name, and to maximize the general public recognition, acceptance or use of the Dolce trade name. The marketing may include various forms of advertising and promotion activities using any media we deem appropriate. Specific advertising activities may include online, broadcast, print media, sponsorships, e-mail, and direct mail. Advertising may be created and placed internally or by advertising agencies with the participation and supervision of in-house staff. The Fund (as defined below) may also be used to pay for e-commerce, market research, public relations, guest services, training, the Central Reservation System, distribution and the staffing of sales offices that generate corporate, government, tour, and other bookings at hotels operating under the Dolce trade name and other marketing support. We select the nature and type of advertising copy, media placement, and other aspects of the marketing program. Media coverage may be local, regional, or national. We do not have to expend any portion of the Fund or otherwise for marketing or advertising in your trading area or territory, and we do not promise that your Chain Facility will benefit directly or proportionately from marketing activities.

Each franchisee's Marketing Fee will be deposited into a marketing fund (the "Fund"). The amount of this Marketing Fee is 3% of GRR. Neither we nor any affiliate owns any outlets; however, it is our intention that any franchisor-owned outlets and all or substantially all franchisees contribute to the Fund on an equal basis.

The Marketing Fees are not held in trust and we do not manage the Fund in a fiduciary capacity, although its funds are separately accounted for on our books. We administer the Fund and apply the Fund at our discretion. We are not required to, nor do we, have the Fund audited. We do not provide reporting to you or issue financial statements about the Fund to franchisees. Any monies that remain in the Fund at the end of the year (or deficiencies where the amount spent for marketing exceeds the contributions collected for the year) are carried over into the following year.

The Fund may be used to compensate us or an affiliate for any administrative or other services, such as reasonable expenses incurred for accounting, collection, data processing, computer services, bookkeeping, reporting, system maintenance, and legal services that we or the affiliate provide to the Fund to support marketing activities, the CRS, and for our out-of-pocket costs. In addition, we or an affiliate may provide products or services to the Fund. We may earn a profit on these activities, products, and services. However, they will be provided at a cost comparable to the cost that the Fund would otherwise incur if the products or services were obtained from unaffiliated third parties. In 2023, expenditures from the Fund for marketing were used as follows: 22.4% for media placement (including electronic marketing); 12.0% for administration (including bad debt expense); and 65.7% for other expenses (e.g., public relations, guest services, training, field services, group and corporate sales). In 2023, no funds were used principally to solicit the sale of new franchises.

You may conduct your own local marketing program if all materials conform with System Standards, including proper usage of the Marks, or are approved in writing by us. At our option,

we may offer you advertising copy and other marketing template materials at prices that reasonably cover our direct and indirect costs.

We presently do not have an advertising council or a marketing and sales cooperative, nor are you currently required to participate in a local, regional or market segment-based marketing and sales cooperative, although we may consult from time to time with groups of franchisees to solicit their views and input. In the future, we may establish a regional, local, or market segment-based marketing and sales cooperative ("Co-op") which you may participate in on a voluntary basis. All franchisees in the Co-op will pay dues under the same formula, which will be payable annually in advance of the year in which the marketing and sales are to be done. We will offer matching contributions from the Fund to support qualifying marketing and sales activity by the Co-op. We will administer the activities of the Co-op on its behalf, including collecting dues and performing other bookkeeping functions, organizing Co-op meetings, and placing marketing and sales programs. The Co-op will not operate from written governing documents. We will not be required to issue annual or periodic financial statements for the Co-op, however, we will create and provide updates to a marketing and sales plan for the coming year, for participating members of the Co-op. We have the authority to form, change, dissolve or merge the Co-op at our discretion.

Computer Systems

Central Reservation System

We will provide a computerized CRS, or such technological substitute as we may determine, for making reservations at Chain Facilities. (Franchise Agreement – Sections 4.2, 7.1)

During the Term, the Facility will participate in the CRS on an exclusive basis, including entering into all related technology agreements and complying with all terms and conditions which we establish from time to time for participation. The Facility may not book any reservations through any other electronic reservation system, booking engine or other technology.

We can and may independently access your electronic information and data, and collect and use this electronic information and data in any manner we choose, without any compensation to you.

Property Management System

You must select and procure a PMS, including computer hardware and software and Internet access service, so that the Facility can interface with the CRS.

The PMS books reservations, performs check-in and check-out functions, manages rates and inventory, collects and transmits to the enterprise data warehouse certain information collected about each guest reservation, automates the front desk and operational record keeping of the Facility, and interfaces with other electronic systems at the Facility. We will consult with you to assist in determining the appropriate PMS product for your Facility.

We currently have one approved system under our technology standard as follows. The databases, servers, application servers, and storage for the PMSs are housed at the provider's data center and

not at the Facility. We may from time to time, at our option, change or make exceptions to our PMS technology standard. You will be required to execute a Master Information Technology Agreement ("MITA") with us and the applicable Schedule to the MITA for the PMS you choose.

OPERA PMS

You will subscribe to Oracle's OPERA PMS, offered as a cloud-based solution, which is available in two levels of sophistication, depending on the needs of the Facility: OPERA Cloud Standard and OPERA Cloud Premium.

You must pay a one-time Set-Up and Implementation Fee that ranges from $18,825 to $28,425, depending on which level of OPERA system you choose. The Set-Up and Implementation Fee includes on-site deployment, installation, and training, including the installation of the Standard Interfaces (as described below). Fees for the set up and installation of additional interfaces range from $525 to $3,050 per interface, including a mandatory $750 RevIQ Standard interface. The Set-Up and Implementation Fee must be paid at least 30 days before the Opening Date of the Facility.

The Set-Up and Implementation Fee includes the installation of "Standard Interfaces," which, collectively, mean interfaces to the CRS; the mobile guest check-in/check-out platform; fundamental and customary hotel systems, such as key locks and telephone systems; and the tokenized credit card interface.

We provide monthly support and services related to your PMS, which currently includes the support of the OPERA PMS at the level you select; HTCS and CRISP services; RevIQ Standard (an automated revenue management and rate solution); the Standard Interfaces; and database and backups and hosting fees, all as further described in the MITA (Exhibit C-2).

The Monthly Support and Service Fee for OPERA Standard ranges from $699 per month to $1,000 per month, depending on the number of rooms at your hotel, as set forth in the MITA. The Monthly Support and Service Fee for OPERA Premium is $12.60 per room per month. The Monthly Support and Service Fee may be updated from time to time. Additional fees may apply if you select the premium level of RevIQ; if you choose or require additional interfaces to your PMS; and as otherwise necessary to customize the technology solutions to best suit your hotel and its operation.

You will be required to subscribe to any future PMS upgrades when they become available, which may include additional services and fees. You may be required to execute a new PMS Schedule to the MITA or amend your current PMS Schedule. The annual cost of any optional or required maintenance, upgrades, or support contracts for OPERA Cloud Standard ranges from $8,388 for a 100 room Chain Facility to $12,000 for a 200 room Chain Facility, and the annual cost for OPERA Cloud Premium ranges from $15,120 for a 100 room Facility to $30,240 for a 200 room Facility. These costs will vary depending on the size of your Chain Facility.

The hardware for your Facility's PMS can be purchased from any source so long as it meets our technology standards and minimum technical requirements. We require that you utilize

tokenization technology for the transmission of credit card information to and from the PMS. We currently have one approved gateway provider to support tokenization and chip and pin technology. Accordingly, you are required to sign the Hosted Services Agreement with Elavon (Exhibit C-3), which may include additional services and fees, when you sign the MITA and the applicable PMS Schedule. In the future, we may add or discontinue gateway providers in our sole discretion.

We may require you to purchase additional or replacement computer hardware or software, additional random-access memory or additional hard disk storage to keep pace with changes in technology. There is no contractual limitation on the cost or frequency of this obligation. Neither we nor Oracle has any obligation to modify, enhance or rewrite the PMS software for the OPERA systems.

Network Connectivity Services/Guest Internet

You must obtain network connectivity to enable your PMS to interface with the CRS. For any of the PMS options described above, you may procure network connectivity through a broadband Internet connection from an ISP, for which you must pay the ISP's service fee. Regardless of the PMS option you choose, your network connectivity must meet the system requirements prescribed by Oracle for an OPERA PMS.

You must offer wireless high speed Internet access in all guest rooms, meetings rooms, and public areas at the Facility. We offer, as an option, support for a WIFI solution called Wyndham WIFI. If you choose to participate you will sign an agreement with a third-party vendor for equipment and installation of the WIFI solution and an agreement with us for support under our Hotel Connectivity Solutions Support Agreement. See Item 6 and Exhibit C-8.

Preventative Maintenance/Mobile Operations Support Tool

Through your subscription to the OPERA PMS, you may, for a fee, subscribe to an optional third-party mobile device-based system (MOP) for managing and automating tasks such as housekeeping, maintenance, and guest support functions at your Facility. As part of the MOP system, for an additional fee, you also may subscribe to an optional Emergency Safety Device feature that provides panic button functionality to your hotel staff on MOP-enabled mobile devices. With written notice, we may mandate subscription to the MOP system or a similar system and supplier in the future, by updating System Standards.

Other Technology Provided by Us

We will provide access to the following programs, presently at no additional cost to you: one branded email account (as described below); a data platform to facilitate your revenue management; our OTA reconciliation program; and a designated guest engagement platform that enables the hotel to connect with guests via texts to their mobile devices. First level support for

these programs and platforms is included in the HTCS services provided as part of the Monthly Service and Support Fee described under **Property Management System**, above.

We will provide you an email account for your hotel to receive official brand communications from us, as well as to correspond with guests. We reserve the right to discontinue providing email services at any time at our sole discretion. We may employ certain safeguards relating to account access and reserve the right in the future to place additional access controls on the account in line with best practices (e.g., multi-factor authentication), as well as utilize email or other filtering provided with the service, which may restrict certain potentially harmful content from being received.

Training

WHR's hospitality operations training team offers a variety of mandatory and optional training programs, workshops, online training and other training resources.

All personnel employed at your Facility in those positions we designate to receive training must attend and successfully complete our initial training program and other training programs we may require. Certain training programs and additional fees are described below. In addition, you are responsible for your employees' travel, lodging and meal expenses and wages while attending any training program. (Franchise Agreement – Section 5.B)

Training Administration

We maintain a staff of field-based training professionals who conduct training regionally and at the hotel level. Each of these trainers has an operational, training and/or human resources background with us and/or with other hotel companies. We also draw upon the experience of other officers and employees of us and the Lodging Affiliates in conducting training.

General Manager Certification (Hospitality Management Program)

We will provide training for your general manager in our Hospitality Management Program ("HMP" or the "Program"). This Program consists of approximately 34 hours of training and may be offered in i) a hybrid, in-person and virtual format or ii) a virtual-only format. In-person components are held in our corporate offices in Parsippany, NJ, as well as at locations local to our corporate offices or central locations in North America. Classroom training can be delivered through various media including in-person (except for the virtual-only format), live webinars or self-paced learning activities on our online training platform, Wyndham University. PowerPoint presentations, participant manuals and additional handouts are utilized during the Program.

If we do not offer HMP within the time periods specified below, required participants must complete the next available Program.

- Initial general manager: no later than 90 days after the Facility's Opening Date; and
- Replacement general manager: no later than 90 days after he/she assumes responsibility as a general manager.

The tuition fee is $2,250 for HMP, if the initial general manager successfully completes this mandatory training program and all related components to our satisfaction within the timeframe noted above. If the general manager does not complete the Program as required, you must pay the initial tuition in addition to the tuition then in effect at the time your general manager completes the Program. Additional employees of the Facility may complete HMP at the same time as your general manager at a tuition fee of $1,400 per participant. If your general manager participates in the hybrid format, you are responsible for all travel, lodging and meal expenses for your general manager. If you own more than one Chain Facility, you must send your initial (and any replacement) general manager from each Facility to HMP within the specified time frames. We reserve the right to require the general manager of your Facility to recertify by attending HMP (or its then equivalent offering), every eight years at the then current tuition.

Human Trafficking Prevention Training

In addition to HMP Training, each general manager is required to take our Human Trafficking Prevention Training course no later than 90 days after the Facility opens, and within 90 days of a subsequent general manager's start date. Your general manager must complete the course biennially, within two calendar years from the last completed training. The material for this course is delivered via Wyndham University's web-based training module. There is currently no fee for this training. If your general manager plans to receive similar human trafficking prevention training from a third party, the course must be pre-approved if you wish for it to satisfy this requirement. In addition, your general manager must certify on a biennial basis that he or she has trained or caused the training of hotel staff in human trafficking prevention. We will provide training resources to assist in satisfying this requirement through Wyndham University and the Chain's internal online platform.

Count on Us® Training

In addition to HMP Training, each general manager is required to take our Count on Us training course no later than 90 days after the Facility opens, and within 90 days of a subsequent general manager's start date. In addition, all team members must complete the required trainings focused on Count on Us included in the Introduction and Overview as well as the Count on Me Certification and Safe Stay Guidelines. In Room Attendants are also required to complete the Public Space and Guest Room Cleaning, Laundry Procedures and Room Attendant Safety trainings. If your Facility provides food service, all applicable team members must complete the Food Service training. Your general manager must certify the training has been completed. The material for this course is delivered via Wyndham University's web-based training module. There is currently no fee for this training. We will provide training resources to assist in satisfying this requirement through Wyndham University and the Chain's internal online platform.

Opening Training

If your Facility is a new construction or conversion hotel, you are required to participate in Opening Training. This training is conducted on site at your Facility anywhere from two weeks prior to, or up to 90 days after, the Facility's Opening Date. The tuition and facilitator costs for Opening Training are included in your Continuing Education Fee. The duration for this training is dependent

on the size of your Facility and can vary from one to five days. Training topics include Count on Me service culture, Housekeeping, Front Desk, and Wyndham Hotels & Resorts Tools and Resources.

In 2024, we plan to offer HMP training approximately eight times, spread out over the year. Training may be offered in either format: i) hybrid, in-person and virtual, with the in-person portion held in either our corporate offices in Parsippany, NJ, a location local to our corporate offices, or central locations in North America, or ii) virtual-only. We anticipate that four sessions will be hybrid and four will be entirely virtual. If your general manager attends the hybrid format, we reserve the right to require in-person attendance at specific locations based on the region in which the Facility is located. Human Trafficking Prevention Training and Count on Us Training are available online at any time via Wyndham University and our internal online platform. Opening Training will be conducted at each Facility anywhere from two weeks prior to, or up to 30 days after, the Facility's Opening Date. Required participants must complete all training components to our satisfaction, (including any pre-course activities) as outlined below unless stated otherwise in the Franchise Agreement. Tuition for these programs is subject to increase and is non-refundable.

The charts below show a summary of these programs as they existed on December 31, 2023.

New Owner Orientation

We may hold new owner orientation for franchisees who have not previously owned a Chain Facility or any hotel licensed by the Lodging Affiliates. This training will cover topics including Design and Construction, Brand Standards, Global Sales, Loyalty and Revenue Management. There is no fee for the first attendee of the program which may run for up to three days; however, if training is provided in-person, you will be responsible for your travel, lodging, and meal expenses. Additional attendees may participate, at your option, for a charge of $1,000 each.

Remedial Training

We may require you, your GM and/or Facility staff to participate in a remedial customer experience assessment or training if the Facility receives (i) a failing score on a quality assurance inspection, (ii) a score of 6.0 (or then equivalent score) or below in consumer feedback responses, (iii) experiences significant complaints to our Customer Care Department, as determined by us in our sole discretion, or (iv) if at the time of the Facility's first post-opening Quality Assurance inspection, the Facility receives a failure rating on guest room cleanliness or a failing service score. The assessment or training may take the form of an online tutorial for a fee of up to $250, or depending on need, a one- to two-day remedial class on housekeeping for an additional fee of up to $1,250, which may be offered at our corporate offices, at a regional location, or at the Facility. If the assessment or training is conducted at the Facility, you must provide complimentary lodging for our representative. Fees are subject to change by modifying System Standards.

Product Quality Training

For additional or repeated instances of cleanliness or service failures, we reserve the right to require additional on-site training that can range from 1-10 days and cost between $1,500 and $5,000, plus the cost of travel and lodging for our instructors. Fees are subject to change by modifying System Standards.

Wyndham Rewards Training

All facilities must participate in a training program on our customer loyalty program, Wyndham Rewards. All managers must complete a manager specific web-based training and all front desk associates must complete a general web-based training.

Continuing Education

We will provide a comprehensive curriculum of hotel operations training. This training is available to all hotel team members and delivered in the form of live workshops, webinars, playbacks, online courses, videos, job aids, checklists, discounts to industry memberships/certifications, etc. Training topics include Guest Loyalty, Facility Culture, Guest Service, Leadership/People Management, Quality, Revenue Management/Generation, Sales/Marketing, Financial Management, Reputation Management, Food and Beverage, Social Responsibility, Hospitality Law, and Hotel Systems (keystroke and best practices).

The cost of ongoing learning and development support for your entire hotel team is $4,000 per year. This fee includes (i) the tuition for two regional workshops, (ii) the tuition for one additional attendee to HMP in your first Franchise Year and one attendee in each subsequent year, (iii) tuition and facilitator costs for up to five days of on-site Opening Training for new construction and conversion hotels, (iv) access to Wyndham University, WHR's learning management system, for your entire hotel team, (v) service culture support and training materials, and (vi) access to exclusive leadership development content.

Optional Customized Training

At your request, we may provide customized training for your front desk, restaurant, reservations, housekeeping, engineering, and/or other operations employees. We will determine the number of facilitators and the length and content of the training based on our assessments of your requested training. The cost of any training starts at $750 per day (up to eight hours, whether on-site or virtual), plus travel and lodging expenses for the facilitator(s) if you opt to have the training held on-site at the Facility. Final cost is dependent on the type of training, time and resources required.

Conferences

We require general managers to attend an annual national leadership conference. The national leadership conference will typically be held every 12 to 18 months and may be included as part of a WHR multi-brand conference. Costs for these conferences are determined annually and billed back to you even if you do not attend the conference.

Regional Meetings

Certain personnel employed at the Facility may be required to attend periodic meetings held to address matters of general interest to the System. We will establish the locations where these programs are offered. If you participate in any of these programs, you must pay any tuition we establish for the program as well as the travel, lodging and meal expenses and wages for your personnel attending it.

No-Show and Cancellation Policy

If you or your general manager, or any other member of your staff you designate, fails to register for a required training program within the required time period, or registers for a training program but fails to attend such program as scheduled without, notifying us in advance, whether such attendance is required or optional, we may charge you a No-Show Fee of up to 100% of the tuition for the program. If you, your general manager, or any other member of your staff cancels participation in any training program less than 14 days before it is scheduled to be held, we may charge you a Cancellation Fee of up to 50% of the tuition for the program. No-Show and Cancellation Fees are in addition to the tuition you will have to pay at the then offered rate when you, your general manager, or any other member of your staff attends the program. We may assess you additional No-Show or Cancellation Fees for continued failures by you.

ITEM 12. TERRITORY

You will not receive an exclusive territory. You may face competition from other Chain Facilities, other hotels operating under the Dolce trade name, franchisees of our Lodging Affiliates, from outlets that an affiliate of ours owns or manages or from other channels of distribution or competitive brands that an affiliate of ours controls. This may include transient lodging facilities, timeshare resorts, vacation or residence clubs, fractional ownership residences, condominiums or the like which are owned, managed or franchised by our current or former affiliates or by subsequently acquired companies or brands. These competitive outlets could be adjacent, adjoining or proximate

to your Chain Facility. Our standard Franchise Agreement does not provide a protected territory. The franchise is for the development and operation of a single Chain Facility at a specified location. In general, we do not permit you to relocate the Facility. We do not usually grant franchisees options, rights of first refusal or similar rights to acquire other Chain Facilities.

When business circumstances warrant, however, we may in our sole discretion agree to some measure of territorial protection after considering various relevant factors like the size and characteristics of the relevant hotel trading market and your Facility, demographics, concentration and proximity of demand generators, such as meeting and convention facilities, commercial offices, businesses, tourist attractions, and other factors. If we agree to territorial protection, we will not open or license anyone else to open a Chain Facility within a defined area for a certain period of time. Territorial protection would not include protection from (i) the establishment of hotels, timeshares, vacation or resort properties or other lodging facilities under other brands that we or our current or former affiliates own, manage or franchise (for example, if you operate a Chain Facility, protection would not include protection from the establishment of Wyndham Garden hotels), or (ii) the conversion of another hotel to a Chain Facility as a result of an acquisition. In addition, any Chain Facility located within the protected territory when your Franchise Agreement becomes effective may have its franchise renewed or reissued, expanded for additional guest rooms or, if its franchise terminates or is not renewed, replaced with a replacement Chain Facility having not more than 120% of the guest rooms of the replaced Facility, located within the same protected territory.

We and our affiliates have the right to own, develop and operate, and to license others to develop and operate, hotels and lodging facilities (including, without limitation, upscale, luxury, select service, resort and garden hotels and extended stay facilities), timeshare or vacation ownership resort properties, restaurants or other business operations of any type whatsoever, under the Proprietary Marks, the Dolce trade name, or under other trade names, trademarks and service marks, at any location except the location specified for the Facility, including locations adjacent, adjoining or proximate to the location specified for the Facility, and that these business operations may compete directly with and adversely affect the operation of the Facility. Any conflicts between you and us regarding territory, customers and our support will be resolved under the Franchise Agreement. We have no procedure for resolving conflicts between you and franchisees of other brands. However, any resolution of any conflicts regarding territory, customers or support services will be entirely within our discretion.

If we decide to grant you a protected territory, the territory may be defined in the Franchise Agreement as a radius from the front door of the Facility or an irregular area bound by one or more streets, highways, governmental jurisdiction boundaries or natural boundaries, or by latitude and longitude and described in words, depicted on a map, or both. There is no minimum protected territory that we offer. Continuation of such territorial exclusivity will typically not depend on your Chain Facility achieving certain sales volume, market penetration or other contingencies. We may operate, lease, manage, or license any other party to operate a Chain Facility in the Protected Territory beginning (a) six months before the expiration of your Franchise Agreement, or (b) as of the date that a date for the premature termination of your Franchise Agreement has been confirmed in writing by us. If you are granted a Protected Territory, there are no restrictions on our or our affiliates soliciting or accepting reservations from guests residing in your Protected Territory on

behalf of you and other Chain Facilities, and we reserve the right to continue to do so using our service marks.

We will not restrict you or any other franchisee from soliciting or accepting guest reservations from inside or outside of your local market, including through telemarketing, direct mail, online marketing or other means, providing that you comply with applicable law. However, the Facility must not book reservations through any electronic reservation system, booking engine or other channel other than our central reservation system or through approved consumer website(s) or third party distribution sites unless permitted under our System Standards or with our prior written consent. You will participate in System marketing programs in which you make a commitment to serve guests according to the terms of the programs.

In addition, we provide information about and book reservations for hotels operating under the Dolce trade name, or hotels franchised by the Lodging Affiliates through our toll-free reservation number or an approved consumer website. You will receive no compensation for our sales through our distribution channels, unless we make a reservation on your behalf, in which case, you will receive the revenue from the reservation. We will prioritize Chain Facilities over other hotels in a destination if there is room availability at a Chain Facility, it meets the guest's search criteria, including closest proximity to a point of reference or point of interest and it is not in default under its Franchise Agreement. The Lodging Affiliates have reciprocal programs for booking reservations at Chain Facilities. We have the right to provide reservation services to lodging facilities other than Chain Facilities or to other parties.

ITEM 13. TRADEMARKS

We will grant you the right to operate your Facility under the Dolce Marks (defined below), or any new marks which are included in the System. We may ask or permit you to utilize a secondary designation with the licensed Mark for the Facility.

The following service marks (the "Marks") are registered on the principal register of the United States Patent and Trademark Office. Affidavits of use and renewal applications have been filed as required by law.

The "Dolce," "Dolce Hotels," "Dolce Hotels and Resorts," "A Dolce Conference Hotel," "A Dolce Hotel," and "A Dolce Resort" marks are owned by us. The "Dolce Hotels and Resorts by Wyndham" marks are jointly owned by us and Wyndham Hotels and Resorts, LLC[1], a WHR Subsidiary. The Trademark License Agreement between Wyndham Hotels and Resorts, LLC, and us to use the "by Wyndham" designation has a term which extends until March 31, 2043. We are required under the Mark License Agreement to ensure that all Hotels utilizing the service marks meet our quality assurance standards.

Except as described above, there are no other agreements that currently limit our right to use or license the Marks in a manner material to the franchise.

Your right to use the Marks and any other symbols, logos, insignia, trademarks or service marks developed for or with your Dolce hotel is derived solely from the Franchise Agreement and is limited to the conduct of business under and in compliance with the Franchise Agreement and all applicable specifications, standards and operating procedures we prescribe during the term of the Franchise Agreement. Any unauthorized use of the Marks by you will constitute an infringement of our rights in and to the Marks. You may not use the Marks in your corporate name, partnership name, trade name, name of any business entity, legal name, social media profile or handle name, or in any Internet address or domain used to identify a site on the Internet unless otherwise approved by us, but you may use a Mark in an assumed business or trade name filing, provided such filing is the full name of the property, including any secondary designation as set forth in the Franchise Agreement. You must cooperate to provide us with documents or other evidence necessary to obtain protection for the Marks or to maintain their continued validity and enforceability. As between us, we and our affiliates own all rights in the Marks and associated goodwill. You may not contest our or their interest in the Marks, or assist anyone else to do so.

You must promptly notify us of any unauthorized use of the Marks or marks that are confusingly similar to the Marks. You must notify us of any challenge to your right to use, or the ownership of, the Marks. We alone have the right to control any proceeding or litigation involving the Marks, including any settlement. We need not initiate suit against imitators or infringers who do not have

a material adverse impact on your Facility or any other suit or proceeding to enforce or protect the System in a matter we do not believe to be material. We also have the right to keep all sums obtained in settlement or as a damages award in any proceeding or litigation without any obligation to share any portion of the settlement sums or damages award with you. You will cooperate with our efforts to resolve these disputes.

We will indemnify, defend and hold you harmless, to the fullest extent permitted by law, from and against all Losses and Expenses (defined in Appendix A of the Franchise Agreement), you incur in any action or claim alleging that your proper use of the Marks is an infringement of a third party's rights to any trademark, service mark or trade name (Franchise Agreement – Section 8.3). You will promptly notify us in writing when you become aware of any alleged infringement or an action is filed against you. You will cooperate with the defense and resolution of the claim. We may resolve the matter by obtaining a license of the property for you at our expense, or by requiring that you discontinue using the infringing property or modify your use to avoid infringing the rights of others.

We may substitute different marks for, or modify the current Marks if the current Marks can no longer be used, or if we determine in our sole discretion that the substitution or modification will be beneficial to the System. If we transfer our rights under the Franchise Agreement, we may also require the purchaser to substitute different names or marks in connection with the continued operation of the business. In either case, you may be required, at your expense, to discontinue or modify your use of any of the Marks or to use one or more additional or substitute names, marks or other identifying symbols.

There are no currently effective material determinations of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state or any court; no pending material infringement, opposition or cancellation actions; nor any pending material federal or state court litigation involving the Marks other than as may be stated in this Disclosure Document. We are aware of non-material, unauthorized use of one or more of the Marks as part of third-party domain names. We are not aware of superior prior rights or infringing uses of the Marks that could materially affect your use of them.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no issued patents or patent applications that, as of the date of this Disclosure Document, are material to the franchise or part of your Franchise Agreement. We claim copyright protection in all copyrightable materials developed for our business, including the System Standards, Manual, videos, training materials, marketing materials (including all advertising and promotional materials), architectural drawings, building designs, interior design manuals and guidelines, proprietary fabrics, artwork and furnishings, logos, and business and marketing plans, whether or not registered with the U.S. Copyright Office ("Copyrighted Materials").

Under the Franchise Agreement, we may revise the System Standards and you must comply with those changes.

We have an agreement with Oracle as our PMS technology partner, under which Oracle offers a cloud-based solution for property management. We will license to you the right to use the OPERA PMS for the term of your Franchise Agreement, subject to obsolescence or any other early termination of your MITA. We can sublicense the OPERA PMS to you under our contractual arrangements with Oracle. Limitations on the use of the OPERA PMS are described in Exhibit C-2.

You must take all appropriate actions to preserve the confidentiality of our trade secrets, our other information not generally known to the lodging industry, or other information we otherwise impart to you or your representatives in confidence, including the Manual and other documents (the "Confidential Information"). Access to Confidential Information should be limited to persons who need the Confidential Information to perform their jobs and are subject to your general policy on maintaining confidentiality as a condition of employment or who have first signed a confidentiality agreement. You will not permit copying of Confidential Information (including, as to computer software, any translation, decompiling, decoding, modification or other alternation of the source code of this software). You will use Confidential Information only for the Facility and to perform under your Franchise Agreement. We will respond to any inquiry from you about continued protection of Confidential Information.

All Copyrighted Materials and Confidential Information are owned exclusively by us. Your right to use Copyrighted Materials and Confidential Information is derived solely from the Franchise Agreement and is limited to the conduct of the business under and in compliance with the Franchise Agreement and all applicable specifications, standards, and operating procedures we prescribe during the term of the Franchise Agreement. Any unauthorized use of our Copyrighted Materials or any unauthorized use or disclosure of Confidential Information will constitute an infringement of our rights in and to the Copyrighted Materials and Confidential Information.

There is currently no litigation pending involving the Copyrighted Materials or Confidential Information. We do not know of any effective material determinations of the U.S. Copyright Office or any court regarding any of the Copyrighted Materials or Confidential Information. There are no agreements in effect that significantly limit our right to use or license the Copyrighted Materials or Confidential Information.

You must notify us promptly of (i) any adverse or infringing uses of the Copyrighted Materials, Confidential Information or other System intellectual property, or (ii) any threatened or pending litigation related to the System against (or naming as a party) you or us of which you become aware. We alone handle disputes with third parties concerning use of all or any part of the System. You will cooperate with our efforts to resolve these disputes. We need not initiate suit against imitators or infringers who do not have a material adverse impact on your Facility, or any other suit or proceeding to enforce or protect the System in a matter we do not believe to be material. We also have the right to keep all sums obtained in settlement or as a damages award in any proceeding or litigation without any obligation to share any portion of the settlement sums or damages award with you. You will cooperate with our efforts to resolve these disputes.

We will indemnify, defend and hold you harmless, to the fullest extent permitted by law, from and against all Losses and Expenses, you incur in any action or claim alleging that your proper use of

the System and any property we license to you, including the Copyrighted Materials or Confidential Information, is an infringement of a third party's rights to any trade secret, patent, copyright, trademark, service mark or trade name for as long as the Franchise Agreement is in full force and effect. You will cooperate with the defense and resolution of the claim. We may resolve the matter by obtaining a license of the property for you at our expense, or by requiring that you discontinue using the infringing property or modify your use to avoid infringing the rights of others.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You do not have to participate personally in the direct operation of your Facility although we recommend that you do so. If you do not personally manage the Facility, you must hire a management company or individual manager with significant training and experience in general management of similar lodging facilities to manage the Facility. The manager must successfully complete our training program. You are solely responsible for all employment decisions for your Facility, including recruitment, hiring, firing, scheduling, remuneration, personnel policies, training, benefits, safety, security, supervision, discipline and termination, regardless of whether you received advice from us on any of these subjects. The management company or individual manager does not have to own an equity interest in the franchisee or the Facility.

We reserve the right to require you to retain a third-party manager or management company approved by us if you do not have significant experience managing a hotel or are receiving a Development Incentive (see Item 10). If we require you to retain a third-party manager or management company, we reserve the right to approve any management agreement between the owner and any approved management company.

You, or your manager/management company, must not divert any business of customer of the Facility to any competitor, or do any other act which may cause harm to the goodwill associated with the Marks and the System.

If you are an entity, your owners, general partners, or controlling shareholders or members must guarantee your obligations under the Franchise Agreement. If you or the owners of the Facility are located in a community property or tenancy by the entirety – no severance state, your owners' spouses must also sign the guaranty. We may make exceptions to the obligation to provide a guaranty when business circumstances warrant.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may not offer goods or services in your Facility that we do not authorize. You must operate the Facility in strict conformity with the standards we specify in the Franchise Agreement, our Manual, or otherwise.

You must use the Facility premises solely for the operation of a Chain Facility. You may not share the Facility's swimming pool (if any), front desk, telephone system, parking lot and other guest service facilities with another lodging or housing facility. You may not develop or operate a

timeshare or vacation ownership resort that is integrated into, or that shares amenities or services with, the Facility without our advance written consent. You may not use the Facility for gaming purposes without our consent or install any electronic or video games, vending machines or similar items that we have not approved. You may not permit any activity at the Facility which would negatively impact the goodwill of the System.

You may not provide any guest service or offer any product except as described in the Manual or otherwise in writing, and you must offer all System-wide products, services and programs we establish or that we determine to be in the best interest of the System. These may include guest-accessible high speed Internet service, guest recognition programs such as "Wyndham Rewards," complimentary services for senior citizens, children, veterans and frequent guests, travel agent and other programs.

You must provide food and beverage service that meets our standards and specifications. All Chain Facilities must offer all menu items and beverages we prescribe in the Manual or otherwise approve.

We may add to or modify any of the programs, products or services we require you to offer, and you must comply with the changes we adopt. There are no contractual limitations on the frequency and cost of your obligation to adopt our changes.

You must participate in our Best Rate Guarantee program and may not make available room rates through any publicly available channel which are lower than the rates you offer through our brand channels.

We grant this franchise only for the number of guest rooms specified in the Franchise Agreement. You may not change the number of guest rooms or make other structural changes to the Facility without our advance written consent.

6. With respect to franchises governed by Minnesota law, we will comply with Minnesota Statutes, Section 80C.17, Subd. 5 with respect to limitation of claims.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. Each provision of this Addendum shall be effective only to the extent that, with respect to such provision, the jurisdictional requirements of Minnesota Statutes, Chapter 80C are met independently without reference to this Addendum.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE NEW YORK STATE FRANCHISE ACT

The following provisions supersede the Franchise Disclosure Document and apply to all licenses or franchises offered and sold in the State of New York:

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT B OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS, APPROVES OR ENDORSES IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND NEW YORK STATE DEPARTMENT OF LAW, BUREAU OF INVESTOR PROTECTION AND SECURITIES, 28 LIBERTY STREET, 21ST FLOOR, NEW YORK, NEW YORK 10005. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is

subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of Item 4:

Neither the franchisor, its affiliate, its predecessor, officers, or general partner during the 10-year period immediately before the date of the offering circular: (a) filed as debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within 1 year after that officer or general partner of the franchisor held this position in the company or partnership.

4. The following is added to the end of Item 5:

The initial franchise fee constitutes part of our general operating funds and will be used as such in our discretion.

5. The following is added to the end of the "Summary" sections of Item 17(c), titled "Requirements for franchisee to renew or extend," and Item 17(m), entitled "Conditions for franchisor approval of transfer":

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

6. The following language replaces the "Summary" section of Item 17(d), titled "Termination by franchisee":

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the "Summary" section of Item 17(j), titled "Assignment of contract by franchisor":

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor's obligations under the Franchise Agreement.

8. The following is added to the end of the "Summary" sections of Item 17(v), titled "Choice of forum", and Item 17(w), titled "Choice of law":

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE NORTH DAKOTA FRANCHISE INVESTMENT LAW

The following provisions supersede the Franchise Disclosure Document and apply to all licenses or franchises offered and sold in the State of North Dakota:

THE NORTH DAKOTA SECURITIES COMMISSIONER HAS HELD THE FOLLOWING TO BE UNFAIR, UNJUST OR INEQUITABLE TO NORTH DAKOTA FRANCHISEES (NDCC SECTION 51-19-09):

A. **Restrictive Covenants**: Franchise disclosure documents that disclose the existence of covenants restricting competition contrary to NDCC Section 9-08-06, without further disclosing that such covenants will be subject to the statute.

B. **Restrictions on Forum**: Requiring North Dakota franchisees to consent to the jurisdiction of courts outside of North Dakota.

C. **Liquidated Damages and Termination Penalties**: Requiring North Dakota franchisees to consent to liquidated damages or termination penalties.

D. **Applicable Laws**: Franchise Agreements that specify that they are to be governed by the laws of a state other than North Dakota.

E. **Waiver of Trial by Jury**: Requiring North Dakota Franchises to consent to the waiver of a trial by jury.

F. **Waiver of Exemplary & Punitive Damages**: Requiring North Dakota Franchisees to consent to a waiver of exemplary and punitive damage.

G. **General Release**: Franchise Agreements that require the franchisee to sign a general release upon renewal of the franchise agreement.

H. **Limitation of Claims**: Franchise Agreements that require the franchisee to consent to a limitation of claims. The statute of limitations under North Dakota law applies.

I. **Enforcement of Agreement**: Franchise Agreements that require the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement. The prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

Each provision of this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the North Dakota Franchise Investment Law are met independently without reference to this Addendum.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

To the extent this Addendum is inconsistent with any terms or conditions of the Franchise Agreement or exhibits or attachments thereto, or the Franchise Disclosure Document, the terms of this Addendum shall govern.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE RHODE ISLAND FRANCHISE INVESTMENT ACT

The following provisions supersede the Franchise Disclosure Document and apply to all licenses or franchises offered and sold in the State of Rhode Island:

1. The Franchise Agreement shall be governed by Rhode Island Law with respect to any claim enforceable under the Rhode Island Franchise Investment Act (the "Act").

2. Section 19-28.1-14 of the Act provides that a provision in a license or franchise agreement restricting jurisdiction or venue to a forum outside the State of Rhode Island is void with respect to a claim otherwise enforceable under the Act.

3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

4. Each provision of this Addendum shall be effective only to the extent that, with respect to such provision, the jurisdictional requirements of the Rhode Island Franchise Investment Act (§§ 19- 28.1-1 through 19-28.1-34) are met independently without reference to this Addendum.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE VIRGINIA RETAIL FRANCHISING ACT

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Dolce International Holdings, Inc. for use in the Commonwealth of Virginia shall be amended as follows:

The following statements are added to Item 17.h of the Franchise Disclosure Document and Section 11 of the Franchise Agreement.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a licensor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Each provision of this Addendum shall be effective only to the extent that, with respect to such provision, the jurisdictional requirements of the Virginia Retail Franchising Act are met independently without reference to this Addendum.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE WASHINGTON FRANCHISE INVESTMENT PROTECTION ACT

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Use of Franchise Brokers. The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do no rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

Each provision of this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington Franchise Investment Protection Act (Wash. Rev. Code §§ 19.100.010 through 19.100.940) are met independently without reference to this Addendum.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any

applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Nothing in the Franchise Disclosure Document is intended to waive any liability we may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder, including under RCW 19.100.180(2)(d), which states that it is a violation of the Washington Franchise Investment Protection Act for any person to "sell, rent, or offer to sell to a franchisee any product or service for more than a fair and reasonable price."

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE WISCONSIN FRANCHISE INVESTMENT LAW

The following provisions supersede the Franchise Disclosure Document and apply to all franchises offered and sold in the State of Wisconsin:

The Wisconsin Fair Dealership Law applies to most franchise agreements in the state and prohibits termination, cancellation, non-renewal or substantial change in competitive circumstances of a dealership agreement without good cause. The law further provides that 90 days prior written notice of the proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is so cured the notice is void. The Disclosure Document and Franchise Agreement are hereby modified to state that the Wisconsin Fair Dealership Law, to the extent applicable, supersedes any provisions of the Franchise Agreement that are inconsistent with the Wisconsin Fair Dealership Law, Wis. Stat. Ch. 135.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

EXHIBIT C-1

[Page Intentionally Left Blank]

Location: _____
Unit No.: _____

DOLCE INTERNATIONAL HOLDINGS, INC.
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT ("Agreement"), dated _____, 20___, is between DOLCE INTERNATIONAL HOLDINGS, INC., a Delaware corporation ("we," "our," "us," or "Franchisor"), and _____, a _____ ("you" or "Franchisee"). The definitions of capitalized terms not defined below are found in Appendix A. In consideration of the following mutual promises, the parties agree as follows:

1. Franchise. We have the exclusive right to franchise to you the distinctive "Dolce" System for providing transient guest lodging services. We grant to you and you accept the Franchise, effective and beginning on the Opening Date and ending on the earlier to occur of the Term's expiration or a Termination. The Franchise is effective only at the Location and may not be transferred or relocated. You will call the Facility a "Dolce," "Dolce Hotels," "Dolce Hotels and Resorts," "Dolce Hotels and Resorts by Wyndham," "A Dolce Conference Hotel," "A Dolce Hotel," or "A Dolce Resort," as appropriate and instructed by us. You may adopt additional or secondary designations for the Facility with our prior written consent, which we may withhold, condition, or withdraw on written notice in our sole discretion. You shall not affiliate or identify the Facility with another franchise system, reservation system, brand, cooperative or registered mark during the Term.

2. Reserved Rights. You acknowledge that (i) the Franchise relates solely to the Location; and (ii) unless otherwise set forth herein, this Agreement does not entitle you to any protected territory, territorial rights or exclusive area. You further acknowledge that we and our affiliates have and retain the right to own, develop, and operate, and to license others to develop and operate, hotels and lodging facilities (including, without limitation, upscale, luxury, select service, resort and garden hotels and extended stay facilities), timeshare or vacation ownership resort properties, restaurants or other business operations of any type whatsoever, under any trade name, trademark and service mark at any location except the Location, including locations adjacent, adjoining or proximate to the Location, and that these business operations may compete directly with and adversely affect the operation of the Facility. You agree that we or our affiliates may exercise these rights from time to time without notice to you, and you covenant that you shall take no action, including any action in a court of law or equity, which may interfere with our or our affiliates' exercise of such rights. Further, while this Agreement is in effect, neither you nor your officers, directors, general partners or owners of 25% or more of your Equity Interests, may own, operate, lease, manage or franchise any timeshare resort, vacation club, residence club, fractional ownership residence, condominium/apartment leasing or rental business or the like for any facility or business that shares directly or indirectly, common areas, amenities, recreation facilities, services, supplies or support activities with the Facility.

3. Your Improvement and Operating Obligations.

3.1 **Pre-Opening Improvements.** You must select, acquire, construct and/or renovate the Facility as provided in Schedule D.

3.2 **Operation.**

3.2.1 You will operate and maintain the Facility continuously after the Opening Date on a year-round basis as required by System Standards and offer transient guest lodging and other related services of the Facility (including those required by System Standards or as specified on the PIP) to the public in compliance with all federal, state, and local laws, regulations and ordinances. You will keep the Facility in a clean, neat, and sanitary condition. You will clean, repair, replace, renovate, refurbish, paint, and redecorate the Facility and its FF&E as and when needed to comply with System Standards.

3.2.2 You will, at all times, retain and exercise management control over the Facility. Any lease, management agreement or other arrangement for operating the Facility or any part thereof shall be subject to our prior written consent, which may be withheld in our sole discretion. We require the retention of a competent hotel management company if, in our reasonable discretion, you are not sufficiently experienced in the operation of upscale hotels. You shall apply for our consent if you wish to engage a management company to manage the Facility. To be approved, a proposed management company must demonstrate to us, in our reasonable judgment, the capability to manage the Facility under this Agreement and the System. We may refuse to approve any proposed management company that, in our reasonable judgment, (i) is not financially capable or responsible, (ii) is inexperienced or unqualified in managerial skills or operational capacity or capability, or is otherwise unable to adhere fully to the obligations and requirements of this Agreement, (iii) does not provide us with all information that we reasonably request to evaluate the proposed management company, or (iv) because Confidential Information and competitively sensitive information is imparted to System franchisees and managers, the management company is a franchisor or owner, or is affiliated with a franchisor or owner, of a hotel trade name that is competitive with us or our affiliates, regardless of the number of hotels operating under such trade name.

3.2.3 We reserve the right, at our option and upon reasonable notice, to revoke our approval of any management company that fails to remain qualified to manage the Facility in our reasonable judgment. The management agreement between you and the management company for the Facility shall be subject and subordinate to this Agreement and in the event of any conflict between the management agreement and this Agreement, the controlling contract shall be this Agreement. The management company shall execute a separate rider to this Agreement (in the form of Schedule E), agreeing to comply with this Agreement in the management and operation of the Facility and with your covenants of confidentiality. We may require the management company to cause its key employees that we identify to execute covenants of confidentiality, in a form reasonably acceptable to us. Any replacement manager and replacement management agreement shall be submitted to us for our prior written approval.

3.2.4 You shall provide food and beverage service at the Facility in conformity with the standards and specifications prescribed in the System Standards Manual, sound food service management practices, and all applicable laws to ensure the highest level of safety, quality and service. Without

limiting the foregoing, you agree: (i) to use and operate the restaurants and lounges solely for the benefit of the Facility; (ii) to maintain in sufficient supply, and use at all times, food and beverage products and ingredients, supplies, paper goods, dinnerware, and furnishings that conform to our standards and specifications; (iii) to sell or offer for sale only those menu items and beverages that comply with our standards and specifications and all applicable legal requirements (including, without limitation, all licensing and other requirements for the sale of alcoholic beverages); and (iv) to use only menus, signs, promotional displays and other materials that comply with the style, pattern, and design prescribed in the System Standards Manual or otherwise approved in writing by us.

3.2.5 The Facility will accept payment from guests by all credit and debit cards or other forms of payment we designate in the System Standards Manual. The Facility will comply with the "Payment Card Industry Data Security Standard" concerning cardholder information, as well as applicable laws and regulations, and such other requirements as we may include in the System Standards Manual or as we may otherwise communicate from time to time for such purpose.

3.2.6 You may add to or discontinue the amenities, services, or facilities as required by System Standards or as specified on the PIP, or lease or subcontract any service or portion of the Facility only with our prior written consent, which we will not unreasonably withhold or delay. Your front desk operation, telephone system, parking lot, swimming pool (if any) and other guest service facilities may not be shared with or used by guests of another lodging or housing facility. Unless System Standards permit otherwise, you will not charge guests for local telephone calls made from guest room telephones or charge guests any access fee or surcharge on long distance telephone calls made from guest room telephones. You acknowledge that any breach of System Standards for the Facility, its guest amenities, and your guest service performance is a material breach of this Agreement.

3.2.7 Upon our reasonable request, you will provide us with then-current copies of the documents evidencing your ownership of, or right to possess, the Facility and/or the real property upon which the Facility is located, and a complete and accurate list of all of your owners and their Equity Interests.

3.3 **Training.** You (or a person with executive authority if you are an entity) and the Facility's general manager (or other representative who exercises day to day operational authority) will attend the training programs described in Section 4.1 we designate as mandatory for franchisees or general managers, respectively. You will train or cause the training of all Facility personnel as and when required by System Standards and this Agreement. You will pay for all travel, lodging, meals and compensation expenses of the people you send for training programs, the cost of training materials and other reasonable charges we may impose for training under Section 4.1, and all travel, lodging, meal and facility and equipment rental expenses of our representatives if training is provided at the Facility.

3.4 **Marketing.**

3.4.1 You will participate in System marketing programs, including the Chain Websites, the Reservation System, and guest loyalty programs. You will obtain and maintain the computer and communications service and equipment we specify to participate in the Reservation System. You will comply with our rules and standards for participation and will honor reservations and commitments to guests and travel industry participants. You authorize us to offer and sell reservations for rooms and services at the Facility according to the rules of participation and System Standards. You may implement, at your option and expense, your own local advertising. Your advertising materials must use the Marks correctly and must comply with System Standards or be approved in writing by us prior to publication. You will stop using any non-conforming, outdated or misleading advertising materials if we so request.

3.4.2 You must participate in any supplemental marketing, training or management alliance or cooperative of Chain franchisees formed to serve the Chain Facilities in your area or in a similar market segment. We may assist the cooperative with collecting contributions. You may be excluded from cooperative programs and benefits if you do not participate in all cooperative programs according to their terms, including making payments and contributions when due.

You acknowledge that your accurate and timely accounting for and reporting of Gross Room Revenues is a material obligation you accept under this Agreement.

3.6.2 Upon our request, you will send to us copies of financial statements, tax returns, and other records relating to the Facility for the applicable accounting period that we require under this Agreement and System Standards. We may notify you of a date on which we propose to audit the Facility's books and records at the Facility but such notice is not required. Our notice of default may include, in our sole discretion and as part of your performance needed to cure the default under this Section 3.6, an "Accounting Procedure Notice." The Accounting Procedure Notice requires that you obtain and deliver to us, within 90 days after the end of each of your next three fiscal years ending after the Accounting Procedure Notice, an audit opinion signed by an independent certified public accountant who is a member of the American Institute of Certified Public Accountants addressed to us that the Facility's Gross Room Revenues you reported to us during the fiscal year fairly present the Gross Room Revenues of the Facility computed in accordance with this Agreement for the fiscal year. You will permit our representatives to perform quality assurance inspections of the Facility at any time with or without advance notice. The inspections will commence during normal business hours although we may observe Facility operation at any time. You and the Facility staff will cooperate with the representative performing the inspection. If the Facility fails an inspection, you refuse to cooperate with our representative, or you refuse to comply with our published inspection System Standards, then you will pay us when invoiced for any Reinspection Fee specified in System Standards Manuals plus the reasonable travel, lodging and meal costs our representative incurs for a reinspection. We also may include the results of paper and electronic customer satisfaction surveys of your guests as well as unsolicited feedback received from your guests in your final quality assurance score. We may publish and disclose the results of quality assurance inspections and guest surveys. The Chain conference may be held as part of a Wyndham Hotel Group, LLC multi-brand conference, which may include special sessions and programs for the Chain only. Mandatory recurrent training for franchisees and managers described in Section 4.1.4 may be held at a conference. The Conference Fee will be the same for all Chain Facilities that we franchise in the United States. We will invoice and charge you for, and you will pay, the Conference Fee even if you do not attend the Chain conference. We may also require certain executive staff of the Facility to attend periodic meetings held to address matters of general interest to the Chain at such locations we designate. You shall pay the attendance fee we specify to defray the cost of the meeting, and you also will be responsible for the travel expenses, room, board, and compensation for your personnel attending any such meeting.

You will follow System Standards for identification of the Facility and for you to avoid confusion on the part of guests, creditors, lenders, investors and the public as to your ownership and operation of the Facility, and the identity of your owners. You will participate in good faith in Chain-wide guest service and satisfaction guarantee programs we require for all Chain Facilities. You shall use your best efforts to promote usage of other Chain Facilities by members of the public. 3.12 **Facility Modifications.** You may not materially modify, diminish or expand the Facility (or change its interior design, layout, FF&E, or facilities) until you receive our prior written consent, which we will not unreasonably withhold or delay. You will pay our Rooms Addition Fee then in effect for each guest room you add before you begin construction of any expansion. If we so request, you will obtain our prior written approval of the plans and specifications for any material modification, which we will not unreasonably withhold or delay. You will not open to the public any material modification until we inspect it for compliance with the Approved Plans and System Standards.

3.13 **Courtesy Lodging.** You will provide lodging at the "Employee Rate" established in the System Standards Manual from time to time, (but only to the extent that adequate room vacancies exist) to our representatives and members of their immediate family. You are not required to provide more than two standard guest rooms at this rate on any given night.

You will perform the Material Renovations as and when the Material Renovation Notice requires. We will not issue a Material Renovation Notice within five years after the date of a prior Material Renovation Notice. In addition to your obligation to repair and maintain the Facility on an ongoing basis, and any Material Renovation, you must renovate your guest rooms and public spaces, including the replacement of soft goods (including but not limited to wall and floor coverings and window treatments) and case goods (including but not limited to furniture and fixtures, such as headboards, desks, tables, and armoires) periodically, as required by System Standards.

3.15 **Technology Standards & Communications.**

3.15.1 You recognize that the System requires you to acquire, operate and maintain a computer-based property management system and provide guests with innovative technology, including communications and entertainment. You must purchase, acquire, or subscribe to the computer system and other equipment and software that we specify, including preventative maintenance software. We may modify System Standards to require new or updated technology at all Chain Facilities. At our request, you shall participate in any intranet or extranet system developed for use in connection with the System. Such intranet or extranet system may be combined with that of our affiliates. You shall agree to such terms and conditions for the use of such intranet or extranet system as we may prescribe, which may include, but are not limited to: (a) confidentiality requirements for materials transmitted via such system; (b) password protocols and other security precautions; (c) grounds and procedures for our suspension or revocation of access to the system by you and others; and (d) a privacy policy governing the parties' access to and use of electronic communications posted on electronic bulletin boards or transmitted via the system. You shall pay any fee imposed from time to time by us or a third-party service provider in connection with hosting such system.

3.15.2 You must ensure at all times that we have from you, in writing, current and accurate information about the name and contact information, including e-mail address, for the person who is designated by you to (a) represent you in dealings with us pertaining to the Facility, including authority to make decisions regarding and sign ancillary agreements related to day-to-day operations of the Facility, and (b) receive all legal notices pertaining to this Agreement (to whom we may refer as the "Site Principal Contact"). Your initial Site Principal Contact is the person you indicate in Section 17.3. Notwithstanding the foregoing, if we provide you with an e-mail address to be used for receiving communications from us, you acknowledge that delivery of such communications to this e-mail address shall be deemed sufficient notice of the communications' content.

4. Our Operating and Service Obligations. We will provide you with the following services and assistance:

4.1 **Training.** We may offer (directly or indirectly by subcontracting with an affiliate or a third party) general manager training, remedial training, re-certification training, and supplemental training.

4.1.1 **General Manager Training.** We will offer general manager certification training for your general manager in our Hospitality Management Program, which may be held in i) a hybrid, in-person and virtual format or ii) a virtual-only format. The program will cover such topics as operating a Chain Facility, marketing and sales, financial management, guest services and people management. Your initial general manager (or other representative who exercises day to day operational authority) for the Facility must complete this program to our satisfaction no later than 90 days after the Opening Date. Any replacement general manager must complete the training program to our satisfaction within 90 days after he/she assumes the position. If we do not offer a place in the training program within the above time frame, your replacement general manager must complete the next program held at which we offer a place. Your general manager for the Facility must complete the training even if you employ managers at other Chain Facilities who already have received this training. We charge you tuition for our Hospitality Management Program which is set forth on Schedule D. If he/she does not complete the training within 90 days after the Opening Date, and for any replacement general manager, you must pay a separate tuition at the rate then in effect for the program when your manager attends the program. If you, or any other employee at the Facility wishes to participate in the training in addition to your general manager, you can do so and you must pay the Additional Attendee Fee, currently $1,400, which is payable by the scheduled date for the program and is in addition to the tuition due for your general manager. We may charge you full or discounted tuition for "refresher" training for your general manager or for additional staff members who complete the training program with your general manager. You also must pay for your, your general manager and/or additional staff member's travel, lodging, meals, incidental expenses, compensation and benefits for any in-person components.

4.1.2 **Remedial Training.** We may require you, your general manager and/or your staff to participate in remedial training if the Facility receives a failing score on a quality assurance inspection, a failing score on a quality assurance electronic guest survey (or equivalent evaluation system), or experiences significant complaints to our customer care department or posted on third-party travel websites, distribution channels, blogs, social networks and other forums, as determined by us in our sole discretion. This training may be offered at our corporate offices, at a regional location, on-line

or at the Facility. The training may be in the form of one or more classes held at different times and locations as we may require. You must pay the tuition in effect for this program when it is offered to you. If the training is provided at the Facility, you must provide lodging for our trainers. In addition, if at the time of your quality assurance inspection, you receive (i) a failure rating on guest room cleanliness and (ii) an average quality assurance score of F on cleanliness of guestroom category or cleanliness of bathroom category (based on a minimum of 10 electronic quality assurance guest surveys), then we may require you to take a one day on-site remedial class on housekeeping within 60 days after the inspection. The tuition for an on-line class is currently up to $250, but is subject to increase in the future. The fee for an on-site customer experience assessment or training class is currently $1,250, but is subject to increase in the future.

4.1.3 **Ongoing Training and Support.** In addition to the services provided in Section 4.1, you must subscribe and pay an annual fee for access to our learning management system, Wyndham University, which includes training via live workshops, e-learning modules, webinars, online courses, videos and other educational resources, accessible by you and your staff via the Internet, including the Chain's intranet website. All general managers must complete recertification training at such intervals as we may establish in the System Standards Manual. You must pay us the tuition then in effect for the program. We may offer other mandatory or optional training programs for reasonable tuition or without charge. Recertification and other supplemental training may be offered as i) a hybrid, in-person and virtual format or ii) a virtual-only format. If in person, training will be held in our corporate offices or other locations, or held in conjunction with a Chain conference. If you are attending a hybrid training, you must pay the then current tuition for the training as well as for your representative's travel, lodging, meals, incidental expenses, compensation and benefits while attending the training. We may offer, rent or sell to you other on-site training aids and materials, or require you to buy them at reasonable prices.

4.1.4 **No-Show and Cancellation Fees.** If you or your general manager, or any other member of your staff you designate, fails to register for a required training program within the required time period, or registers for a training program but fails to attend such program as scheduled without, notifying us in advance, whether such attendance is required or optional, we may charge you a no-show fee of up to 100% of the tuition for the program. If you, your general manager or any other member of your staff cancels participation in any training program less than fourteen (14) days before it is scheduled to be held, we may charge you a cancellation fee of up to 50% of the tuition for the program. No-show and cancellation fees are in addition to the tuition you will have to pay at the then offered rate when you or your general manager attends the program. We may assess you additional no-show or cancellation fees for continued failures by you under this Section 4.1.

4.2 **Reservation System.** We will operate and maintain (directly or by subcontracting with an affiliate or one or more third parties) a computerized Reservation System or such technological substitute(s) as we determine, in our discretion. We will use the Reservation System Fees for the acquisition, development, support, equipping, maintenance, improvement and operation of the Reservation System. We or our Approved Supplier will provide software maintenance and support for the software we or an Approved Supplier license to you to connect to the Reservation System if you are up to date in your payment of Recurring Fees and all other fees you must pay under any other agreement with us, an affiliate or the supplier, as applicable. During the Term, the Facility will participate in the Reservation System on an exclusive basis, including entering into all related

technology agreements and complying with all terms and conditions which we establish from time to time for participation. The Facility may not book any reservations through any other electronic reservation system, booking engine, unapproved third-party distribution system, or other technology. You will use any information obtained through the Reservation System to refer guests, directly or indirectly, only to Chain Facilities. You shall own and be responsible for compliance with all applicable laws, regulations or standards concerning all Guest Information within your possession or any service provider holding such information on your behalf, and we shall own and be responsible for compliance with all applicable laws, regulations, or standards concerning all Guest Information within our possession or any service provider holding such information on our behalf. To the extent that you and we both possess identical Guest Information, your and our respective ownership rights and related compliance obligations with regard to such Guest Information shall be separate and independent from one another. We have the right to provide reservation services to lodging facilities other than Chain Facilities or to other parties.

4.3 **Marketing.**

4.3.1 We will promote public awareness and usage of Chain Facilities by implementing advertising, promotion, publicity, market research, loyalty marketing and other marketing programs, training programs, and related activities as we deem appropriate. We will determine in our discretion: (i) the nature and type of media placement; (ii) the allocation (if any) among international, national, regional, and local markets; and (iii) the nature and type of advertising copy and other materials and programs. We or an affiliate may be reimbursed from the Marketing Fund for the reasonable direct and indirect costs, overhead or other expenses of providing marketing services. We are not obligated to supplement or advance funds available from System franchisees to pay for marketing activities. We do not promise that the Facility or you will benefit directly or proportionately from marketing activities and we have no fiduciary duty regarding the management of marketing activities or the Marketing Fund.

4.3.2 We may, at our discretion, implement special international, national, regional or local promotional programs (which may or may not include the Facility) as we deem appropriate and may make available to you (to use at your option) media advertising copy and other marketing materials at prices that are designed to reasonably cover the materials' direct and indirect costs.

4.3.3 We may, at our discretion, implement "group booking" programs created to encourage use of Chain Facilities for tours, conventions and the like, possibly for an additional fee.

4.4 **Purchasing and Other Procurement Services.** We may offer to you, for a reasonable fee, other optional assistance with purchasing goods or services used at or in the Facility. Our affiliates may offer this service on our behalf. We may restrict the vendors authorized to sell proprietary or Mark-bearing items in order to control quality, provide for consistent service or obtain volume discounts. We will maintain and provide to you lists of suppliers approved to furnish Mark-bearing items, or whose products conform to System Standards.

4.5 **The System.** We will control and establish requirements for all aspects of the System. We may, in our discretion, change, delete from or add to the System, including any of the Marks or System Standards, in response to changing market conditions. We may, in our discretion, permit deviations

from System Standards, based on local conditions and our assessment of the circumstances. We may, in our discretion, change the designation standards for the Chain and then require that you change the designation of the Facility and related presentation of that designation where it appears. We will not be liable to you for any expenses, losses or damages you may sustain as a result of any Mark addition, modification, substitution or discontinuation.

4.6 **Consultations and Standards Compliance.** We will assist you to understand your obligations under System Standards by telephone, mail, during any visits by our employees to the Facility, through the System Standards Manual, at training sessions and during conferences, meetings and visits we conduct. We will provide telephone and e-mail consultation on Facility operation and marketing through our representatives. We will offer you access to any Internet website we may maintain to provide Chain franchisees with information and services, subject to any rules, policies and procedures we establish for its use and access and subject to this Agreement. We may limit or deny access to any such website while you are in default under this Agreement.

4.7 **System Standards Manual and Other Publications.** We will specify System Standards in the System Standards Manual, policy statements or other publications which we may make available to you via our Chain intranet, in paper copies or through another medium. You will at all times comply with the System Standards. You acknowledge that the System Standards and the System Standards Manual are designed to protect the System and the Marks, and not to control the day-to-day operation of your business. We will provide you with access to the System Standards Manual promptly after we sign this Agreement. We will notify you via our Chain intranet or another medium of any System Standards Manual revisions and/or supplements as and when issued as well as any other publications and policy statements in effect for Chain franchisees from time to time.

4.8 **Inspections and Audits.** We have the unlimited right to conduct unannounced quality assurance inspections of the Facility and its operations, records and Mark usage to test the Facility's compliance with System Standards and this Agreement, and the audits described in Section 3.6. We have the unlimited right to reinspect if the Facility does not achieve the score required on an inspection. We may impose a Reinspection Fee and will charge you for our costs as provided in Section 3.7. In connection with an audit, you will pay us any understated amount plus interest under Section 3.6. If the understated amount is three percent (3%) or more of the total amount owed during a six-month period, you also will pay us an "Audit Fee" equal to the costs and expenses associated with the audit. Our inspections are solely for the purposes of checking compliance with System Standards.

4.9 **Revenue Management.** We offer optional revenue management services ("RMS") for additional fees. RMS is currently offered at two levels of service each of which offers a different frequency of inventory management, strategic positioning, future demand strategy and targeted promotions and packages. We reserve the right to evaluate a variety of factors, including but not limited to, your Facility's room count, occupancy rate, trends, and market to determine the most suitable level of service. Based on our assessment of your Facility and its performance, we may limit the levels of optional services available to your Facility. You are required to sign a Hotel Revenue Management Agreement for the applicable level of service in order to participate in RMS.

5. <u>Term</u>. The Term begins on the Effective Date and expires at the end of the _____ [fifteenth (15^{th})]/[twentieth (20^{th})] Franchise Year. NEITHER PARTY HAS RENEWAL RIGHTS OR

OPTIONS. However, if applicable law requires us to offer renewal rights, and you desire to renew this Agreement, then you will apply for a renewal franchise agreement at least six months, but not more than nine months, prior to the expiration date, and subject to such applicable law, you will have to meet our then-current requirements for applicants seeking a franchise agreement, which may include (i) executing our then-current form of license and other agreements, which license and other agreements may contain materially different terms and provisions (such as operating standards and fees) from those contained in this Agreement; (ii) executing a general release of us and our affiliates, in form and substance satisfactory to us; (iii) completing a property improvement plan; and (iv) paying a standard renewal fee, if then applicable.

6. Application and Initial Fees. You must pay us a non-refundable Application Fee of $10,000, which shall be applied to your Initial Fee or Relicense Fee. If you are a transferee of an existing Facility or are renewing an existing franchise, you will pay us a Relicense Fee. The amount of your Initial Fee or Relicense Fee is $ _____, $10,000 of which shall be applied from your Application Fee, and the remainder paid when you sign this Agreement and is fully earned and non-refundable when we sign this Agreement.

7. Monthly Fees, Taxes and Interest.

7.1 You will pay us certain fees each month of the Term payable in U.S. dollars (or such other currency as we may direct if the Facility is outside the United States). The Royalty and Marketing Fee described in Sections 7.1.1 and 7.1.2 are payable three days after the month in which they accrue, without billing or demand. Other fees are payable at the times set forth in the System Standards. Fees include the following:

7.1.1 A "Royalty" equal to five percent (5%) of Gross Room Revenues of the Facility accruing during the calendar month, which accrues from the earlier of the Opening Date or the date you identify the Facility as a Chain Facility or operate it under a Mark until the end of the Term.

7.1.2 A "Marketing Fee" as stated in Schedule C for advertising, public relations, marketing, training, reservation and other related services and programs, which accrues from the Opening Date until the end of the Term, including during reservation suspension periods. We may use the Marketing Fees we collect, in whole or in part, to reimburse our reasonable direct and indirect costs, overhead or other expenses of providing marketing, training and reservation services. You will also pay or reimburse us as described in Schedule C for "Additional Fees" such as commissions we pay to travel and other agents for certain reservation and marketing services to generate reservations at the Facility plus a reasonable service fee, fees levied to pay for reservations for the Facility originated or processed through the Global Distribution System, the Chain Websites, and/or other reservation systems, distribution channels and networks, and fees for additional services and programs. We may charge Chain Facilities using the System outside the United States for reservation services using a different formula. We may change, modify, add or delete the Marketing Fee and/or Additional Fees in accordance with Schedule C.

7.2 You will pay to us Taxes equal to any federal, state or local sales, gross receipts, use, value added, excise or similar taxes assessed against us on the Recurring Fees and basic charges by the jurisdictions

where the Facility is located, but not including any income tax, franchise or other similar tax imposed on us for the privilege of doing business in your State. You will pay Taxes to us when due.

7.3 "Interest" is payable when you receive our invoice on any past due amount payable to us under this Agreement at the rate of 1.5% per month or the maximum rate permitted by applicable law, whichever is less, accruing from the due date until the amount is paid.

7.4 If a Transfer occurs, your transferee or you will pay us our then current Application Fee and a "Relicense Fee" equal to the Initial Fee we would then charge a new franchisee for the Facility.

7.5 You will report and pay to us all Recurring Fees and other fees and charges on-line via our self-service electronic invoice presentment and payment tool accessible through our Chain intranet. In the electronic on-line environment, payments can be made either through the electronic check payment channel or the credit card payment channel. We reserve the right to change, from time to time, the technologies or other means for reporting and paying fees, and the associated charges, to us by amending the System Standards Manual.

8. Indemnifications.

8.1 Independent of your obligation to procure and maintain insurance, you will indemnify, defend and hold the Indemnitees harmless, to the fullest extent permitted by law, from and against all Losses and Expenses incurred by any Indemnitee for any investigation, claim, action, suit, demand, administrative, or alternative dispute resolution proceeding relating to or arising out of any transaction, occurrence or service at, or involving the operation of, the Facility; any payment you make or fail to make to us; any breach or violation of any contract or any law, regulation, or ruling; or any act, error, or omission (active or passive) by you, any party associated or affiliated with you, or any of the owners, officers, directors, employees, agents, contractors, or subcontractors of you or your affiliates, including when you are alleged or held to be the actual, apparent, or ostensible agent of the Indemnitee, or the active or passive negligence of any Indemnitee is alleged or proven. You have no obligation to indemnify an Indemnitee for damages to compensate for property damage or personal injury if a court of competent jurisdiction makes a final decision not subject to further appeal that the Indemnitee engaged in willful misconduct or intentionally caused such property damage or bodily injury. This exclusion from the obligation to indemnify however, shall not apply if the property damage or bodily injury resulted from the use of reasonable force by the Indemnitee to protect persons or property.

8.2 You will respond promptly to any matter described in the preceding paragraph, and defend the Indemnitee. You will reimburse the Indemnitee for all costs of defending the matter, including reasonable attorneys' fees, incurred by the Indemnitee if your insurer or you do not assume defense of the Indemnitee promptly when requested, or separate counsel is appropriate, in our discretion, because of actual or potential conflicts of interest. We must approve any resolution or course of action in a matter that could directly or indirectly have any adverse effect on us or the Chain, or could serve as a precedent for other matters.

8.3 We will indemnify, defend and hold you harmless, to the fullest extent permitted by law, from and against all Losses and Expenses incurred by you in any action or claim arising from your proper

use of the System alleging that your use of the System and any property we franchise to you is an infringement of a third party's rights to any trade secret, patent, copyright, trademark, service mark or trade name. You will promptly notify us in writing when you become aware of any alleged infringement or an action is filed against you. You will cooperate with our defense and resolution of the claim. We may resolve the matter by obtaining a license of the property for you at our expense, or by requiring that you discontinue using the infringing property or modify your use to avoid infringing the rights of others.

9. Your Assignments, Transfers and Conveyances.

9.1 **Transfer of the Facility.** This Agreement is personal to you (and your owners if you are an entity). We are relying on your experience, skill and financial resources (and that of your owners and the guarantors, if any) to sign this Agreement with you. You may finance the Facility and grant a lien, security interest or encumbrance (but not in this Agreement) on it without notice to us or our consent. If a Transfer is to occur, the transferee or you must comply with Section 9.3. Your Franchise is subject to Termination when the Transfer occurs. The Franchise is not transferable to your transferee, who has no right or authorization to use the System and the Marks when you transfer ownership or possession of the Facility. The transferee may not operate the Facility under the System, and you are responsible for performing the post-Termination obligations in Section 13. You and your owners may assign, pledge, transfer, delegate, or grant a security interest in all or any of your rights, benefits and obligations under this Agreement, as security or otherwise, only with our prior written consent and after you comply with Sections 9.3 and 9.6. As a condition of our consent, if your interest in this Agreement is proposed as the collateral of a security interest, then we may require that you and your lender execute a comfort letter in the form described in our then-current disclosure document and that you pay our then-current fee for processing such a request. Transactions involving Equity Interests that are not Equity Transfers do not require our consent and are not Transfers.

9.2 **Financing Documents.** Neither you, nor any of your Equity Interest owners, shall represent in any proposed financing arrangement to any proposed lender or participant in a private or public investment offering that we or any of our affiliates are or shall be in any way responsible for your obligations or financial projections, if any, set forth in such financing arrangement or investment offering or that we or any of our affiliates are or shall be participating in such private or public investment offering. In addition, any proposed financing arrangement where the service mark "Dolce" appears, or a reference to this Agreement appears, shall contain a disclaimer in bold face type substantially as follows: THE BORROWER IS A PARTY TO AN AGREEMENT WITH DOLCE INTERNATIONAL HOLDINGS, INC. TO OPERATE HOTELS USING THE SERVICE MARK "DOLCE." NEITHER DOLCE INTERNATIONAL HOLDINGS, INC. NOR ITS AFFILIATES OWN ANY SUCH HOTELS OR ARE A PARTY TO THIS FINANCING AND HAVE NOT PROVIDED OR REVIEWED, AND ARE NOT RESPONSIBLE FOR, ANY DISCLOSURES OR OTHER INFORMATION SET FORTH HEREIN. Also, at least fifteen (15) days prior to closing such financing, you shall submit to us a written statement certifying that you have not misrepresented or overstated your relationship with us and our affiliates or your rights to use the Marks.

9.3 **Conditions.** We may condition and withhold our consent to a Transfer when required under this Section 9 until the transferee and you meet certain conditions; however, we will not unreasonably

withhold, delay or condition our consent to a Transfer if the Facility is then financed under a program in which the United States Small Business Administration ("SBA") guarantees the financing or its repayment. If a Transfer is to occur, the transferee (or you, if an Equity Transfer is involved) must first complete and submit our application; qualify to be a franchisee in our sole discretion, given the circumstances of the proposed Transfer; provide the same supporting documents as a new franchise applicant; pay the Application Fee and Relicense Fee then in effect; sign the form of Franchise Agreement we then offer in conversion transactions; and agree to renovate the Facility as if it were an existing facility converting to the System, as we reasonably determine. We will provide a required PIP after we receive the transferee's application. We may require structural changes to the Facility if it no longer meets System Standards for entering conversion facilities, or, in the alternative, condition our approval of the Transfer on limiting the transferee's term to the balance of your Term, or adding a right to terminate without cause exercisable by either party after a period of time has elapsed. Our consent to the transaction will not be effective until these conditions are satisfied. If we do not approve the Transfer, we may, in our sole discretion, allow you to terminate the Franchise when you sell the Facility and pay us Liquidated Damages under Section 12.1. Such payment would be due and payable when you transfer possession of the Facility. We also must receive general releases from you and each of your owners, and payment of all amounts then owed to us and our affiliates by you, your owners, your affiliates, the transferee, its owners and affiliates, under this Agreement or otherwise. Our consent to a Transfer is not a waiver of (i) any claims we may have against you; or (ii) our right to demand strict compliance from the Transferee with the terms of its agreement.

9.4 **Permitted Transferee Transactions.** Provided that you comply with this Section 9.4, you may (i) transfer an Equity Interest to a Permitted Transferee or (ii) effect an Equity Transfer to a Permitted Transferee without obtaining our consent, renovating the Facility or paying a Relicense Fee or Application Fee. No Transfer will be deemed to occur. You must not be in default and you must comply with the application and notice procedures specified in Sections 9.3 and 9.6. Each Permitted Transferee first must agree in writing to be bound by this Agreement, or, at our option, execute the Franchise Agreement form then offered prospective franchisees. No transfer to a Permitted Transferee shall release a living transferor from liability under this Agreement or any guarantor under any guaranty of this Agreement. A transfer resulting from a death may occur even if you are in default under this Agreement.

9.5 **Attempted Transfers.** Any transaction requiring our consent under this Section 9 in which our consent is not first obtained will be void, as between you and us. You will continue to be liable for payment and performance of your obligations under this Agreement until we terminate this Agreement, all your financial obligations to us are paid and all System identification is removed from the Facility.

9.6 **Notice of Transfers.** You will give us at least 30 days' prior written notice of any proposed Transfer or Permitted Transferee transaction. You will notify us when you sign a contract to Transfer the Facility and 10 days before you intend to close on the transfer of the Facility. You also will notify us in writing, within 10 days of each time you list the Facility for sale and provide us with all information we reasonably request with respect to any such proposed sale. We will respond to all requests for our consent and notices of Permitted Transferee transactions within a reasonable time, not to exceed 30 days. You will notify us in writing within 30 days after a change in ownership of 25% or more of your Equity Interests that are not publicly held or that is not an Equity Transfer, or a

change in the ownership of the Facility if you are not its owner. You will provide us with lists of the names, addresses, and ownership percentages of your owner(s) at our request.

9.7 **Right of First Refusal.**

9.7.1 Notwithstanding any other provision herein, if you wish to engage in a Transfer of all or part of your interest in the assets of the Facility or this Agreement or if an Equity Interest owner of the franchising entity wishes to complete an Equity Transfer, pursuant to any bona fide offer received from a third party to purchase such interest, then such proposed seller shall promptly notify us in writing of each such offer and shall provide such information and documentation relating to the offer as we may require. We shall have the right and option, exercisable within thirty (30) days after receipt of such written notification and copies of all documentation we request describing the terms of such offer, to send written notice to seller that we intend to purchase the seller's interest on the same terms and conditions offered by the third party. If we elect to purchase the seller's interest, closing on such purchase must occur within the later of sixty (60) days from the date of notice to the seller of our election to purchase, sixty (60) days after the date we receive and obtains all necessary permits and approvals, or such other date as the parties agree upon in writing. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to our same right of first refusal as in the case of an initial offer. Our failure to exercise the option afforded by this Section 9.7.1 shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of Section 9, with respect to a proposed Transfer.

9.7.2 If an offer from a third party provides for payment of consideration other than cash or involves specific intangible benefits, we may elect to purchase the interest proposed to be sold for the reasonable cash equivalent. If the parties cannot agree within a reasonable time on the reasonable cash equivalent of the non-cash part of the offer, then such amount shall be determined by two (2) appraisers, with each party selecting one (1) appraiser, and the average of their determinations shall be binding. In the event of such appraisal, each party shall bear its own legal and other costs and shall bear the appraisal fees equally. If we exercise our right of first refusal, we shall have the right to set off against any payment due the seller (i) all fees for any such independent appraiser due from the seller, and (ii) all amounts due from you or any of your affiliates.

9.7.3 Failure to comply with the provisions of this Section prior to the transfer of any interest in franchising entity, the Facility or this Agreement shall constitute a material event of default under this Agreement.

10. <u>Our Assignments</u>. We may transfer, assign, delegate or subcontract all or any part of our rights and duties under this Agreement, including by operation of law or otherwise, without notice and without your consent. You are not the third-party beneficiary of any contract with a third party to provide services to you under this Agreement. We may dissolve, terminate and wind up our business under applicable law but we will transfer the System and this Agreement to a party that will perform the franchisor's obligations and that will assume this Agreement in writing. We will have no obligations to you with respect to any assigned right or duty after you are notified that our transferee has assumed such rights or duties under this Agreement except those that arose before we assign this Agreement.

11. Default and Termination.

11.1 **Default.** You will be in default under this Agreement if (a) you do not pay us when a payment is due under this Agreement or under any other instrument, debt, agreement or account with us related to the Facility; (b) you do not perform any of your other obligations when this Agreement and the System Standards Manual require; (c) you fail to provide us with current and accurate information about your Site Principal Contact, in violation of Section 3.15.2; or (d) if you otherwise breach this Agreement. If your default is not cured within ten days after you receive written notice from us that you have not filed your monthly report, paid us any amount that is due or breached your obligations regarding Confidential Information, or within 30 days after you receive written notice from us of any other default (except as noted below), then we may terminate this Agreement by written notice to you under Section 11.2. We will not exercise our right to terminate if you have completely cured your default during the time allowed for cure, or until any waiting period required by law has elapsed. In the case of a default resulting from the Facility's failure to meet Quality Standards as measured by a quality assurance inspection, if you have acted diligently to cure the default but cannot do so, and the default does not relate to health or safety, we may, in our discretion, enter into an improvement agreement with you provided you request such an agreement within 30 days after receiving notice of the failing inspection. If we have entered into an improvement agreement, you must cure the default within the time period specified in the improvement agreement which shall not exceed 90 days after the failed inspection. We may terminate this Agreement and any or all rights granted hereunder if you do not timely perform that improvement agreement.

11.2 **Termination.** We may terminate this Agreement effective when we send written notice to you or such later date as required by law or as stated in the default notice, when (1) you do not cure a default as provided in Section 11.1 or we are authorized to terminate under Schedule D due to your failure to perform your Improvement Obligation; (2) you discontinue operating the Facility as a Chain Facility; (3) you do or perform, directly or indirectly, any act or failure to act that in our reasonable judgment is or could be injurious or prejudicial to the goodwill associated with the Marks or the System; (4) you lose ownership, possession, or the right to possession of the Facility or otherwise lose the right to conduct the franchised business at the Location;, (5) you (or any guarantor) suffer the termination of another license or franchise agreement with us or one of our affiliates; (6) you intentionally maintain false books and records or submit a materially false report to us; (7) you (or any guarantor) generally fail to pay debts as they come due in the ordinary course of business; (8) you, any guarantor, or any of your owners or agents misstated to us or omitted to tell us a material fact to obtain or maintain this Agreement with us; (9) you receive two or more notices of default from us in any one-year period (whether or not you cure the defaults); (10) a violation of Section 9 occurs, or a Transfer occurs before the relicensing process is completed; (11) you or any of your owners contest in court the ownership or right to franchise or license all or any part of the System or the validity of any of the Marks; (12) you, any guarantor or the Facility is subject to any voluntary or involuntary bankruptcy, liquidation, dissolution, receivership, assignment, reorganization, moratorium, composition or a similar action or proceeding that is not dismissed within 60 days after its filing; (13) you maintain or operate the Facility in a manner that endangers the health or safety of the Facility's guests; (14) if a threat to public health or safety exists at the Facility and we reasonably determine that an immediate shut down of the Facility is necessary to avoid substantial risk of liability or goodwill; or (15) you disclose of any Confidential Information in violation of this Agreement.

11.3 **Casualty and Condemnation.**

11.3.1 You will notify us promptly after the Facility suffers a Casualty that prevents you from operating in the normal course of business, with less than 75% of guest rooms available. You will give us information on the availability of guest rooms and the Facility's ability to honor advance reservations. You will tell us in writing within 60 days after the Casualty whether or not you will restore, rebuild and refurbish the Facility to conform to System Standards and its condition prior to the Casualty. This restoration will be completed within 180 days after the Casualty. You may decide within the 60 days after the Casualty, and if we do not hear from you, we will assume that you have decided, to terminate this Agreement, effective as of the date of your notice or 60 days after the Casualty, whichever comes first. If this Agreement so terminates, you will pay all amounts accrued prior to Termination and follow the post-Termination requirements in Section 13. You will not be obligated to pay Liquidated Damages if the Facility will no longer be used as a transient guest lodging facility for 3 years after the Casualty.

11.3.2 You will notify us in writing within 10 days after you receive notice of any proposed Condemnation of the Facility, and within 10 days after receiving notice of the Condemnation date. This Agreement will terminate on the date the Facility or a substantial portion is conveyed to or taken over by the condemning authority but you will be liable for the condemnation payments set forth in Section 12.2.

11.3.3 In the event that you have any right to a protected territory, the protected territory covenants will terminate when you give us notice of any proposed Condemnation or that you will not restore the Facility after a Casualty.

11.4 **Our Other Remedies.** We may suspend the Facility from the Reservation System for any default or failure to pay or perform under this Agreement or any other written agreement with us relating to the Facility, discontinue reservation referrals to the Facility for the duration of such suspension, and may divert previously made reservations to other Chain Facilities after giving notice of non-performance, non-payment or default. All fees accrue during the suspension period. Reservation service will be restored after you have fully cured any and all defaults and failures to pay and perform. We may charge you, and you must pay as a condition precedent to restoration of reservation service, a Reconnection Fee specified on Schedule C to reimburse us for our costs associated with service suspension and restoration. We may deduct points under our quality assurance inspection program for your failure to comply with this Agreement or System Standards. We also may suspend or terminate any temporary or other fee reductions we may have agreed to in this Agreement and/or any stipulations in Section 18 below, and/or refuse to provide any operational support until you address any failure to perform under this Agreement. You agree that our exercise of any rights in this Section will not constitute an actual or constructive Termination of this Agreement. All such remedies are cumulative and not in lieu of any other rights or remedies we may have under this Agreement. If we exercise our right not to terminate this Agreement but to implement such suspension and/or removal, we reserve the right at any time after the appropriate cure period under the written notice has lapsed, to, upon written notice to you, terminate this Agreement without giving you any additional corrective or cure period(subject to applicable law). You recognize that any use of the System not in accord with this Agreement will cause us irreparable harm for which there is no adequate remedy at law, entitling us to injunctive and other relief, without the need for

posting any bond. We may litigate to collect amounts due under this Agreement without first issuing a default or Termination notice. Our consent or approval may be withheld while you are in default under this Agreement or may be conditioned on the cure of all your defaults. Once a Termination or expiration date for this Agreement has been established in accordance with the provisions of this Agreement, we may cease accepting reservations through the Reservation System for any person(s) seeking to make a reservation for a stay on any date including or following the Termination or expiration of this Agreement.

11.5 **Your Remedies.**

11.5.1 If our approval or consent is required under this Agreement and we do not issue our approval or consent within a reasonable time, but in any event not less than 30 days after we receive all of the information we request, and you believe our failure to approve or consent is wrongful, then you may bring a legal action against us to compel us to issue our approval or consent. To the extent permitted by applicable law, this action to compel us to issue our approval or consent shall be your exclusive remedy.

11.5.2 You (and your owners and guarantors) waive, to the fullest extent permitted by law, any right to, or claim for, any punitive or exemplary damages against us and against any affiliates, owners, employees or agents of us, and agree that in the event of a dispute, you will be limited to the recovery of any actual damages sustained and any equitable relief to which you might be entitled.

12. <u>Liquidated Damages</u>.

12.1 **Generally.** If we terminate this Agreement under Section 11.2, or you terminate this Agreement (except under Section 11.3 or as a result of our default which we do not cure within a reasonable time after written notice), you will pay us within 10 days following the date of Termination, as Liquidated Damages, an amount equal to the average monthly accrued Recurring Fees during the immediately preceding 12 full calendar months multiplied by 36 (or the number of months remaining in the unexpired Term (the "Ending Period") at the date of Termination, whichever is less). If the Facility has been open for fewer than 12 months, then the amount shall be the average monthly Recurring Fees since the Opening Date multiplied by 36. You also will pay any applicable Taxes assessed on such payment and Interest calculated under Section 7.3 accruing from 10 days after the date of Termination. Before the Ending Period, Liquidated Damages will not be less than the product of $3,000 multiplied by the number of guest rooms that you are authorized to operate under Schedule B of this Agreement as of the Termination. In the event that we authorize you to reduce the number of rooms at the Facility after the Opening Date, then we reserve the right to charge Liquidated Damages for those rooms on a per-room basis, either at the time they are removed from the Facility's inventory or at Termination. If we terminate this Agreement under Schedule D before the Opening Date, then you will pay us, within 10 days after you receive our notice of Termination, Liquidated Damages in an amount equal to $1,500 per guest room described on Schedule B. If any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this Agreement limits your ability to pay, and our ability to receive, the Liquidated Damages you are obligated to pay hereunder, you shall be liable to us for any and all damages which we incur, now or in the future, as a result of your breach of this Agreement. Liquidated Damages are paid in place of our claims for lost future Recurring Fees under this Agreement. The portion of Liquidated Damages collected that are

attributable to Marketing Fees collected as a percentage of the Recurring Fees will credited to the Marketing Fund. Our right to receive other amounts due under this Agreement is not affected.

12.2 **Condemnation Payments.** In the event a Condemnation is to occur, you will pay us fees set forth in Section 7 for a period of one year after we receive the initial notice of condemnation described in Section 11.3, or until the Condemnation occurs, whichever is longer (the "Notice Period"). You will pay us Liquidated Damages equal to the average daily Recurring Fees for the one-year period preceding the date of your condemnation notice to us multiplied by 365 less the number of days in the Notice Period. This payment will be made within 30 days after Condemnation is completed (when you close the Facility or you deliver it to the condemning authority). You will pay no Liquidated Damages if the Condemnation is completed after the Notice Period expires. For the sake of clarity, you must continue to pay when due the fees, set forth in this Agreement, including under Section 7, and all other agreements with us or our affiliates pertaining to the Facility, until Condemnation is completed.

13. <u>Your Duties At and After Termination</u>. When a Termination occurs for any reason whatsoever:

13.1 **System Usage Ceases.** You must comply with the following "de-identification" obligations. You will immediately stop using the System to operate and identify the Facility. You will remove all signage and other items bearing any Marks and follow the other steps detailed in the System Standards Manual or other brand directives for changing the identification of the Facility. You will promptly paint over or remove the Facility's distinctive System trade dress, color schemes and architectural features. You shall not identify the Facility with a confusingly similar mark or name, or use the same colors as the System trade dress for signage, printed materials and painted surfaces. You will cease all Internet marketing using any Marks to identify the Facility. If you do not strictly comply with all of the de-identification requirements above, in the System Standards Manual and in our other brand directives, you agree to pay us a royalty equal to $2,000 per day until de-identification is completed to our satisfaction.

13.1.1 **Cancel Assumed Name Certificate.** You shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains the name "Dolce" or any variation thereof or any other Mark. You shall provide us with evidence to our satisfaction of compliance with this obligation within thirty (30) days after Termination or expiration of this Agreement.

13.2 **Other Duties.** You will pay all amounts owed to us under this Agreement and any related ancillary agreements with us or our affiliates pertaining to the Facility within 10 days after Termination. We may immediately remove the Facility from the Reservation System and divert reservations as authorized in Section 11.4. We may notify third parties that the Facility is no longer associated with the Chain. We also may, to the extent permitted by applicable law, and without prior notice enter the Facility, and any other parcels, remove software (including archive and back-up copies) for accessing the Reservation System, all copies of the System Standards Manual, Confidential Information, equipment and all other personal property of ours. If you have not completed your de-identification obligations to our satisfaction, we may paint over or remove and purchase for $10.00, all or part of any interior or exterior Mark-bearing signage (or signage face plates), including billboards, whether or not located at the Facility, that you have not removed or obliterated within five days after Termination. You will promptly pay or reimburse us for our cost of

removing such items, net of the $10.00 purchase price for signage. We will exercise reasonable care in removing or painting over signage. We will have no obligation or liability to restore the Facility to its condition prior to removing the signage. We shall have the right, but not the obligation, to purchase some or all of the Facility's Mark-bearing FF&E and supplies at the lower of their cost or net book value, with the right to set off their aggregate purchase price against any sums then owed us by you. You will transfer to us any domain names you own that include any material portion of the Marks.

13.3 **Reservations.** The Facility will honor any advance reservations, including group bookings, made for the Facility prior to Termination at the rates and on the terms established when the reservations are made and pay when due all related travel agent commissions. You acknowledge and agree that once a Termination or expiration date for this Agreement has been established in accordance with the provisions of this Agreement, we may stop accepting reservations through the Reservation System for any person(s) seeking to make a reservation for a stay on any date on or after the Termination or expiration of this Agreement. In addition, when this Agreement terminates or expires for any reason, we have the right to contact those individuals or entities who have reserved rooms with you through the Central Reservation System to inform them that your lodging facility is no longer part of the System. We further have the right to inform those guests of other facilities within the System that are near your Facility in the event that the guests prefer to change their reservations. You agree that the exercise of our rights under this Section will not constitute an interference with your contractual or business relationship.

13.4 **Survival of Certain Provisions.** Sections 3.6 (as to audits, for 2 years after Termination), the first two sentences of Section 3.11, Section 7 (as to amounts accruing through Termination), and Sections 8, 11.3.2, 11.4, 12, 13, 15, 16, and 17 survive Termination of this Agreement. Additionally, all covenants, obligations and agreements of yours that, by their terms or by implication, are to be performed after the Termination or expiration of the Term, shall survive such Termination or expiration.

14. <u>Your Representations and Warranties</u>. You expressly represent and warrant to us as follows:

14.1 **Quiet Enjoyment and Financing.** You own, or will own prior to commencing improvement, or lease, the Location and the Facility. You will be entitled to possession of the Location and the Facility during the entire Term without restrictions that would interfere with your performance under this Agreement, subject to the reasonable requirements of any financing secured by the Facility. You have, when you sign this Agreement, and will maintain during the Term, adequate financial liquidity and financial resources to perform your obligations under this Agreement. If you are an entity, all of your owners or any of the individuals disclosed on Schedule B, including any subsequent person or entity that becomes an owner at any time after the Effective Date, shall sign our then-current form of personal guaranty guaranteeing all of your obligations under this Agreement, unless expressly waived by us in our sole discretion.

14.2 **This Transaction.** You have received our FDD at least 14 days before signing this Agreement or paying any fee to us. You and the persons signing this Agreement for you have full power and authority and have been duly authorized, to enter into and perform or cause performance of your obligations under this Agreement. You have obtained all necessary approvals of your owners, Board of Directors and lenders. No executory franchise, license or affiliation agreement for the Facility

exists other than this Agreement. Your execution, delivery and performance of this Agreement will not violate, create a default under or breach of any charter, bylaws, agreement or other contract, license, permit, indebtedness, certificate, order, decree or security instrument to which you or any of your principal owners is a party or is subject or to which the Facility is subject. Neither you nor the Facility is the subject of any current or pending merger, sale, dissolution, receivership, bankruptcy, foreclosure, reorganization, insolvency, or similar action or proceeding on the date you execute this Agreement and was not within the three years preceding such date, except as disclosed in the application. You will submit to us the documents about the Facility, you, your owners and your finances that we request in the application (or after our review of your initial submissions) before or within 30 days after you sign this Agreement. You represent and warrant to us that the information you provided in your application is true, correct and accurate. To the best of your knowledge, neither you nor, any of your owners (if you are an entity), officers, directors, employees or anyone else affiliated or associated with you, whether by common ownership, by contract, or otherwise, has been designated as, or is, a terrorist, a "Specially Designated National" or a "Blocked Person" under U.S. Executive Order 13224, in lists published by the U.S. Department of the Treasury's Office of Foreign Assets Control, or otherwise.

14.3 **No Misrepresentations or Implied Covenants.** All written information you submit to us about the Facility, you, your owners, any guarantor, or the finances of any such person or entity, was or will be at the time delivered and when you sign this Agreement, true, accurate and complete, and such information contains no misrepresentation of a material fact, and does not omit any material fact necessary to make the information disclosed not misleading under the circumstances. There are no express or implied covenants or warranties, oral or written, between we and you except as expressly stated in this Agreement.

15. <u>Proprietary Rights</u>.

15.1 **Marks and System.** You will not acquire any interest in or right to use the System or Marks except under this Agreement. You will not apply for governmental registration of the Marks, or use the Marks or our corporate name in your legal name, but you may use a Mark for an assumed business or trade name filing, provided such filing is for the full name of the property, including any secondary designation. You agree (i) to execute any documents we request to obtain or maintain protection for the Marks; (ii) use the Marks only in connection with the operation of the Facility as permitted by the System Standards; and (iii) that your unauthorized use of the Marks shall constitute both an infringement of our rights and a material breach of your obligations under this Agreement. You shall not, and shall not assist any other person or entity to, challenge or otherwise contest the validity or ownership of the System or Marks.

15.2 **Inurements.** All present and future distinguishing characteristics, improvements and additions to or associated with the System by us, you or others, and all present and future service marks, trademarks, copyrights, service mark and trademark registrations used and to be used as part of the System, and the associated good will, shall be our property and will inure to our benefit. You covenant that you will not, directly or indirectly through an affiliate, use the design embodied in the Prototype Plans to design, construct or modify any structure other than a Chain Facility. You acknowledge that the Prototype Plans include non-functional trade dress that is an integral part of the System and you covenant that you will not, directly or indirectly through an affiliate, use the trade dress in any

structure that is not a Chain Facility. No good will shall attach to any secondary designator that you use.

15.3 **Other Locations and Systems.** We and our affiliates each reserve the right to own (including through a joint venture or otherwise) in whole or in part, manage, operate, use, lease, finance, sublease, franchise, license (as franchisor or franchisee), or provide services to (i) distinctive separate lodging or food and beverage marks and other intellectual property which are not part of the System, and to enter into separate agreements with you or others (for separate charges) for use of any such other marks or proprietary rights, (ii) other lodging, food and beverage facilities, or businesses, under the System utilizing modified System Standards, and (iii) a Chain Facility at or for any location other than the Location. You acknowledge that we are affiliated with or in the future may become affiliated with other lodging providers or franchise systems that operate under names or marks other than the Marks. We and our affiliates may use or benefit from common hardware, software, communications equipment and services and administrative systems for reservations, franchise application procedures or committees, marketing and advertising programs, personnel, central purchasing, Approved Supplier lists, franchise sales personnel (or independent franchise sales representatives).

15.4 **Confidential Information.** You will take all appropriate actions to preserve the confidentiality of all Confidential Information. Access to Confidential Information should be limited to persons who need the Confidential Information to perform their jobs and are subject to your general policy on maintaining confidentiality as a condition of employment or who have first signed a confidentiality agreement. You will not permit copying of Confidential Information (including, as to computer software, any translation, decompiling, decoding, modification or other alteration of the source code of such software). You will use Confidential Information only for the Facility and to perform under this Agreement. Upon Termination (or earlier, as we may request), you shall return to us all originals and copies of the System Standards Manual, policy statements and Confidential Information "fixed in any tangible medium of expression," within the meaning of the U.S. Copyright Act, as amended. Your obligations under this subsection commence when you sign this Agreement and continue for trade secrets (including computer software we license to you) as long as they remain secret and for other Confidential Information, for as long as we continue to use the information in confidence, even if edited or revised, plus three years. We will respond promptly and in good faith to your inquiry about continued protection of any Confidential Information.

We need not initiate suit against imitators or infringers who do not have a material adverse impact on the Facility, or any other suit or proceeding to enforce or protect the System in a matter we do not believe to be material. We also have the right to keep all sums obtained in settlement or as a damages award in any proceeding or litigation without any obligation to share any portion of the settlement sums or damages award with you. You will cooperate with our efforts to resolve these disputes.

15.6 **The Internet and other Distribution Channels.** You may use the Internet to market the Facility subject to this Agreement and System Standards. You shall not use, license or register

any domain name, universal resource locator, or other means of identifying you or the Facility that uses a Mark or any image or language confusingly similar to a Mark except as otherwise expressly permitted by the System Standards Manual or with our written consent. You will assign to us any such identification at our request without compensation or consideration. You may not purchase any key words for paid search or other electronic marketing that utilizes any Mark without our written consent. You must make available through the Reservation System and the Chain Website all rates you offer directly to the general public or indirectly via Internet marketing arrangements with third parties. You agree to participate in our Central Commission Payment Program and to reimburse us for any fees or commissions we pay to intermediaries and retailers on your behalf or for Chain Facilities to participate in their programs. We and you have a business relationship based entirely on and circumscribed by this Agreement. No partnership, joint venture, agency, fiduciary or employment relationship is intended or created by reason of this Agreement. You understand that the franchise relationship is an arms' length, commercial business relationship in which each party acts in its own interest. You will exercise full and complete control over and have full responsibility for your contracts, daily operations, labor relations, employment practices and policies, including, but not limited to, the recruitment, selection, hiring, disciplining, firing, compensation, work rules and schedules of your employees.

16.2 **Joint Status.** If you are comprised of two or more persons or entities (notwithstanding any agreement, arrangement or understanding between or among such persons or entities) the rights, privileges and benefits of this Agreement may only be exercised and enjoyed jointly. The liabilities and responsibilities under this Agreement will be the joint and several obligations of all such persons or entities.

17. Legal Matters.

17.1 **Partial Invalidity.** If all or any part of a provision of this Agreement violates the law of your state (if it applies), such provision or part will not be given effect. If all or any part of a provision of this Agreement is declared invalid or unenforceable, for any reason, or is not given effect by reason of the prior sentence, the remainder of the Agreement shall not be affected. However, if in our judgment the invalidity or ineffectiveness of such provision or part substantially impairs the value of this Agreement to us, then we may at any time terminate this Agreement by written notice to you without penalty or compensation owed by either party.

17.2 **Waivers, Modifications and Approvals.** If we allow you to deviate from this Agreement, we may insist on strict compliance at any time after written notice. Our silence or inaction will not be or establish a waiver, consent, course of dealing, implied modification or estoppel. All modifications, waivers, approvals and consents of or under this Agreement by us must be in writing and signed by our authorized representative to be effective. We may unilaterally revise Schedule C when this Agreement so permits.

17.3 **Notices.** Notices will be effective if in writing and delivered (i) by delivery service, with proof of delivery; (ii) by first class, prepaid certified or registered mail, return receipt requested; (iii) by electronic mail, posting of the notice on our Chain intranet site or by a similar technology; or (iv) by such other means as to result in actual or constructive receipt by the person or office holder designated below, to the appropriate party at its address stated below or as it may otherwise designate by notice. 17.7 **Special Acknowledgments. You acknowledge the following statements to be true and correct as of the date you sign this Agreement, and to be binding on you.**

17.7.3 **This Agreement, together with the exhibits and schedules attached, is the entire agreement superseding all previous oral and written representations, agreements and understandings of the parties about the Facility and the Franchise other than the representations set forth in the FDD. Notwithstanding the foregoing, no provision in any franchise or membership agreement, or any related agreement, is intended to disclaim the express representations made in the FDD.**

17.7.4 **You acknowledge that no salesperson has made any promise or provided any information to you about actual or projected sales, revenues, income, profits or expenses from the Facility except as stated in Item 19 of the FDD or in a writing that is attached to this Agreement and signed by us.**

17.8 **Force Majeure.** Neither you nor we shall be liable for loss or damage or deemed to be in breach of this Agreement if the failure to perform obligations results from any of the following events

that first occurs following the Effective Date: (a) windstorms, rains, floods, earthquakes, typhoons, mudslides, or other similar natural causes; (b) fires, strikes, embargoes, war, acts of terrorism or riot; (c) legal restrictions that prohibit or prevent performance; or (d) any other similar event or cause beyond the control of the party affected. Any delay resulting from any of such causes shall extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, so long as a remedy is continuously and diligently sought by the affected party, except that no such cause shall excuse payment of amounts owed at the time of such occurrence or payment of Recurring Fees and other amounts due to us subsequent to such occurrence other than a governmental or judicial order prohibiting such payments.

17.9 **No Right to Offset**. You acknowledge and agree that you will not withhold or offset any liquidated or unliquidated amounts, damages or other monies allegedly due you by us against any Recurring Fees or any other fees due us under this Agreement.

I. Marketing Fee

The Marketing Fee is 3.0% of Gross Room Revenues. Upon 60 days written notice, we may change the Marketing Fee for all Chain Facilities to cover costs (including reasonable direct and indirect overhead costs) related to the services and programs referenced in Section 7.1.2 or to cover the cost of additional services or programs.

II. Additional Fees

A. Loyalty Program Fees

We charge a Loyalty Program Charge for your participation in the Wyndham Rewards or successor guest loyalty program. The Loyalty Program Charge is 4.25% - 5.5% of any amounts on which members of the Loyalty Program earn points or other program currency at the Facility as defined in the Front Desk Guide or any other program rules, which are System Standards. The Loyalty Program Charge may vary within the stated range based on the number of Wyndham Rewards valid enrollments obtained by the Facility during a defined measurement period, as described in the Front Desk Guide. We will proactively match and award members with points or other program currency they earn at the Facility even if they do not present their Wyndham Rewards membership number upon check–in. You will be billed monthly in arrears for points or other program currency awarded to members during the preceding month. If you do not achieve a certain number of Wyndham Rewards valid enrollments, you must pay us a Missed Valid Enrollment Fee of up to $400 per month as described in the Front Desk Guide. If you do not process a member's points in a timely manner and we must resolve the issue with the member, we will charge you a Loyalty Member Services Administration Fee as described in the Front Desk Guide.

B. Customer Care Costs

We will contact you if we receive any guest complaint about you or the Facility, and you will be responsible for resolving the complaint to the satisfaction of the guest. If you do not respond to resolve any complaint to the satisfaction of the guest within the time frame we establish in System Standards after we refer it to you, we may resolve the complaint and will charge you for the costs we incur to settle the matter with the guest. All guest complaints remain subject to indemnification under this Agreement.

C. Wyndham Response Fees

We will respond to all online reviews of the Facility and its services and staff of which we become aware, including complaints that are posted on third-party travel websites, distribution channels, blogs and social networks, or other forums. You will pay us $15.00 for each "detractor" review to which we respond and $6.00 for each "neutral" review to which we respond, as such terms are described in the System Standards Manual.

D. **Best Rate Guarantee Processing Fee**

You must (i) make available to us through the Central Reservation System and the Chain Websites room rates for the Facility equivalent to those you offer directly or indirectly via third parties that you authorize to offer and sell reservations for the Facility's guest rooms, and (ii) participate in the Chain's Best Rate Guarantee Program according to its published requirements. If we, or a guest, identifies a rate for the Facility that is lower than the rate that you have provided to us for the same date, then we may charge you a Processing Fee, currently $195, to reimburse us for our administrative charges to process each discrepancy.

E. **Reconnection Fee**

If we suspend Central Reservation System service because of your default under this Agreement or for any other reason, then you must pay the Reconnection Fee set forth in the System Standards before we restore service. Currently, the Reconnection Fee is $4,000.

F. **Other Fees, Commissions and Charges**

You will pay us a fee, as applicable, for reservations for your Facility from certain distribution partners processed through various reservation channels. "GDS Fees" are assessed for qualified reservations processed through any global distribution system ("GDS") or through any Internet website or other booking source powered by a GDS. "Internet Booking Fees" are assessed for qualified reservations processed through an Internet website connected through an alternate distribution system. "Third-Party Channel Fees" are assessed for qualified reservations coming from our partners directly or indirectly to our distribution platform. We will establish the amount of the GDS, Internet Booking Fees, and Third-Party Channel Fees from time to time based on the fees these channels charge us and/or our own costs (including overhead) for providing these services. Some of our distribution partners may charge a commission on reservations you receive through these reservation channels and, if we pay such commission on your behalf, you will reimburse us and pay our service charge of 1.5% of commissionable revenue. Upon written notice to you, we may alter, change, modify, remove, or add new fees as existing reservation channels are modified or partners are added to existing channels or new reservation channels are established.

You will also pay commissions for (a) reservations booked by "Agents" and/or (b) qualified reservations consumed by members of affinity groups and organizations that participate in our Member Benefits program. You must pay our service charge of 1.5% of commissionable revenue, if applicable. "Agents" include, but are not limited to, travel agents, on-line travel and referral websites, travel consortia, travel management companies, and global sales agents, as well as digital media linking to Chain websites and unique call center numbers purchased by the pay-for-performance program ("PFP"). These commission payments may go to the Agent, affinity group or organization in whole or a portion of the payment may be allocated to various marketing activities and/or to our Global Sales Organization to offset its administrative and overhead costs for supporting the Member Benefit Program and other programs that generate room nights at Chain Facilities, or, in the case of the PFP program, to fund purchases of additional digital media directing consumers to Chain websites and unique call center numbers.

Under our Everyone Sells Group Referrals Program, Chain Facilities may receive leads from other Chain Facilities, facilities of our affiliates and employees of our parent company or its predecessor. For this business, we charge you a referral commission of 10% of the commissionable revenue on qualifying reservations. When the referring party is a Chain Facility or facility of an affiliate 7% of the referral commission is paid to the referring facility; and when the referring party is an employee of our parent company or its predecessor, 6% of the referral commission is paid to the employee. The remaining 3% and 4%, as applicable, is distributed to our Global Sales Organization to offset its administrative and overhead costs for supporting the Everyone Sells Group Referrals Program.

We may change, modify or delete Additional Fees for existing services and programs and add new Additional Fees for new services, programs and distribution channels at any time upon not less than thirty (30) days' written notice.

SCHEDULE D
ADDENDUM FOR CONVERSION FACILITIES

This Addendum and attached Property Improvement Plan apply if you are converting an existing guest lodging facility to a Chain Facility.

1. YOUR IMPROVEMENT OBLIGATION.

1.1 Generally. You must select and acquire the Location and acquire, equip and supply the Facility in accordance with this Agreement and System Standards. You must provide us with proof that you own or lease the Facility by the earlier to occur of (a) 30 days after the Effective Date or (b) the Opening Date. You must maintain control of the Facility consistent with such documentation during the Term. You must begin renovation of the Facility no later than 30 days after the Effective Date. Time is of the essence for the completion of the Improvement Obligation. We may, however, in our sole discretion, grant one or more extensions of time to perform any phase of the Improvement Obligation. The grant of an extension will not waive any other default existing at the time the extension is granted. All renovations must comply with System Standards, any Approved Plans, this Agreement and the PIP. Your general contractor or you must carry the insurance required under this Agreement during renovation.

1.2 Pre-Opening Improvements. We will conduct an initial inspection of the Facility, develop a PIP needed to meet System Standards, recommend vendors for equipment and supplies and conduct one follow-up inspection. You will pay a "PIP Fee" of $2,500 for this service. You must complete all renovations specified as "prior to opening" on the PIP before we consider the Facility to be ready to open under the System. The deadline for completing the pre-opening phase of conversion and the renovations shall be as specified on any PIP attached to this Agreement, but is otherwise 90 days from the Effective Date. You must continue renovation and improvement of the Facility after the Opening Date if the PIP so requires. We may, in our sole discretion, terminate this Agreement by giving written notice to you (subject to applicable law) if (1) you do not commence or complete the pre-opening improvements of the Facility by the dates specified on the PIP or otherwise and you fail to do so within five days after we send you written notice of default, or (2) you prematurely identify the Facility as a Chain Facility or begin operation under the System in violation of this Schedule and you fail to cease operating and/or identifying the Facility under the Marks and System within five days after we send you written notice of default. If we choose to grant an extension of any deadlines, including the Facility's Opening Date, we may require you to pay us an extension fee of $10,000. The extension fee, if assessed, is due within ten days of the Facility's Opening Date. The extension fee is due within ten days of the Facility's Opening Date. We may visit the Facility to confirm that you completed your PIP. If you completed your PIP to our satisfaction by the time specified in the PIP, we will not charge you an additional fee for that inspection visit. If, however, you fail to complete any Improvement Obligation by the dates specified in the PIP or otherwise and our representatives must return to the Facility to re-inspect it, then you must pay the PIP Reinspection Fee. If you have completed the PIP to our satisfaction during our re-inspection, we will refund the difference between the PIP Reinspection Fee and the standard Reinspection Fee. We reserve the right to charge the PIP Reinspection Fee for any subsequent inspection until you have completed the Improvement Obligation. In limited circumstances, you may identify the Facility as a Chain Facility prior to the Opening Date, or

commence operation of the Facility under a Mark and using the System, only after first obtaining our prior written approval. If you identify the Facility as a Chain Facility or operate the Facility under a Mark before the Opening Date without our express written consent, then in addition to our remedies under Section 11, you will begin paying the Royalty to us, as specified in Section 7.1, from the date you identify or operate the Facility using the Mark. We may delay the Opening Date until you pay the Royalty accruing under this Section.

1.3 Improvement Plans.

(a) Prototype Plans Renovation. If the PIP requires you to renovate the Facility in accordance with our Prototype Plans (or you elect to receive the Prototype Plans), you will be required to electronically designate an architect who must electronically accept the Prototype Plans Agreement. Within 15 days after we electronically receive the signed Prototype Plans Agreement, we will deliver to your architect a complete set of our Prototype Plans. Your architect and you will create construction documents (including a project manual and working drawings) for renovation of the Facility based upon the Prototype Plans, System Standards and this Agreement so that it conforms as closely as possible to the Prototype Plans and System Standards, and then submit them for our approval before starting demolition and improvement of the Location.

(b) Generally. You will create plans and specifications for the work described in Section 1.1 of this Schedule D (based upon System Standards and this Agreement) if we so request and submit them for our approval before starting improvement of the Location. We will not unreasonably withhold or delay our approval, which is intended only to test compliance with System Standards, and not to detect errors or omissions in the work of your architects, engineers, contractors or the like, who must exercise their own independent professional care, skill and diligence in the design and renovation of your Facility. Our review does not cover technical, architectural or engineering factors relating to the existing structure at the Location, the validity of conversion given the existing structure, or compliance with federal, state or local laws, regulations or code requirements, for which your architect is responsible. You must allow for 10 days of our review each time you submit plans to us. We will not be liable to your lenders, contractors, employees, guests, others, or you on account of our review or approval of your plans, drawings or specifications, or our inspection of the Facility before, during or after the renovation. Any material variation from the Approved Plans requires our prior written approval. Approved Plans must incorporate design elements as set forth in System Standards. You may purchase furniture, fixtures, equipment and other supplies that you may need during renovation of the Facility through our affiliate, Worldwide Sourcing Solutions, Inc.'s "Approved Supplier" program. If you choose to purchase certain design items from a supplier other than an Approved Supplier, we may charge you a Custom Interior Design Review Fee, currently $6,000. This fee will be assessed for our review of custom interior design drawings, which you must submit to us to ensure compliance with our interior design standards. We may offer other optional architectural and design services for a separate fee. You will promptly provide us with copies of permits, job progress reports, and other information as we may reasonably request.

(c) Deviation from Approved Plans. We may inspect the work while in progress without prior notice. We may direct you to change the work in progress if it deviates from the Approved Plans or System Standards and may terminate this Agreement if you fail to comply with any such direction. If you encounter unexpected issues with demolition, renovation, reconstruction or

refurbishment of the existing structure which make continuation of the project using the Approved Plans not commercially feasible, you must notify us immediately and provide a complete written report on the matter, including any proposal to modify the Approved Plans you believe is appropriate together with your estimate of the projected costs of meeting the Approved Plans. We will evaluate the report, your proposal and the situation and respond within 30 days to any request to vary the Approved Plans, or provide suggestions for resolving the issues in such a manner as will be acceptable to us. Neither party shall terminate this Agreement unless and until such notice is given and the 30 day period shall have elapsed without agreement on modifying the Approved Plans. If either party then decides to terminate this Agreement, you will pay, if then not paid, and we will retain, the full Initial Fee. Provided that we determine in our reasonable discretion that continuation of the project using the Approved Plans or any modification of the Approved Plans is not commercially feasible, then Liquidated Damages shall not be owed.

2. INTEGRATION AND MANDATORY SUPPORT SERVICES AND FEES.

2.1 Integration Services. We will provide training through various on-line courses on subjects such as quality assurance, housekeeping, preventative maintenance, customer service, and the request for proposal process. A member of our field team will also assist with property operations topics including Systems Standards and use of the Chain's intranet site. These services are provided as part of the Initial Fee required in Section 6.

2.2 Mandatory Support Services and Fees. We will arrange to have our preferred photography provider take digital photographs of the Facility in accordance with System Standards for use on our Chain Websites, third-party travel websites and various marketing media and such photographs will be owned by us. You will pay $3,560 for the required photo package; you may incur additional costs based on the number of room types and amenities at the Facility. We will provide training for your general manager as set forth in Section 4.1 of the Agreement if he/she attends the training by the deadline set forth in Section 4.1. The tuition for this mandatory training program is currently $2,250. We will provide training for your staff at your Facility. This training is conducted on site at your Facility, must be completed within 90 days, and depending on your room count will last between one and five days. The tuition and facilitator costs for this training are included in your Continuing Education Fee. If you have not previously owned a Chain facility or any hotel licensed by one of our affiliates, and are required to complete an architectural PIP, we may require you to participate in owner training. There is no fee for the first attendee of the program, which may run for up to three days at a location we designate. You may choose to send additional attendees for a charge of $1,000 each. You are also responsible for facilitator, or your, travel, lodging and meal expense for owner training. We will provide a comprehensive curriculum of hotel operations training. The cost of ongoing learning and development support for your entire hotel team currently is $4,000 per year.

3. DEFINITIONS.

SCHEDULE D
ADDENDUM FOR CONVERSION FACILITIES

[Property Improvement Plan Attached]

SCHEDULE D
ADDENDUM FOR NEW CONSTRUCTION FACILITIES

This Addendum and attached Milestone Schedule apply if you are constructing a new Chain Facility.

1. YOUR IMPROVEMENT OBLIGATION.

1.1 Generally. You must select and acquire the Location and acquire, design, construct, equip and supply the Facility in accordance with this Agreement and System Standards. You must provide us with proof that you own or the lessee under a ground lease for the Location by the earlier to occur of (a) 90 days after the Effective Date or (b) the Opening Date. You must maintain control of the Facility consistent with such documentation during the Term. You must submit "Preliminary Plans" and a copy of your agreement with your selected FF&E vendor and/or design company no later than 180 days from the Effective Date. You must obtain our approval for your plans and submit the Approved Construction Plans to applicable governmental authorities for permitting and submit to us a copy of your agreement with your general contractor no later than 9 months after the Effective Date. You must commence construction of the Facility no later than 18 months after the Effective Date, and complete construction, and properly deliver the Certification as described in subsection 1.3 of this Schedule, and open the Facility under the Chain with our authorization no later than 30 months from the Effective Date. Construction commences, for purposes of this Schedule, when all of the following occur: (x) we approve a site plan, completed working drawings and detail specifications for the Facility; (y) governmental permits are issued to commence foundation construction; and (z) you commence pouring concrete for building footings. Time is of the essence for the completion of the Improvement Obligation. We may, however, in our sole discretion, grant extensions of time to perform any phase of the Improvement Obligation. The grant of an extension will not waive any other default existing at the time the extension is granted. All construction must comply with System Standards, any Approved Plans, and this Agreement. Your general contractor or you must carry the insurance required under this Agreement during construction.

1.2 Pre-Opening. We may, in our sole discretion, terminate this Agreement by written notice to you (subject to applicable law) if you do not meet the deadlines above. If we choose to grant an extension of any deadlines, including the Facility's Opening Date, we may require you to pay an extension fee of $10,000. The extension fee, if assessed, is due within ten days of the Facility's Opening Date. You also must pay us the Reinspection Fee described in Section 3.7 if the Facility fails the inspection you designate as the completion inspection, does not meet our Standards or conform to the Approved Plans, and our representatives must return to the Facility to inspect it. In limited circumstances, you may identify the Facility as a Chain Facility prior to the Opening Date, or commence operation of the Facility under a Mark and using the System, only after first obtaining our prior written approval, but in no event before the Facility passes our completion inspection, at which we determine that the Facility as built meets our System Standards, and we receive from you and your architect or contractor the Certification described in subsection 1.3 below. If you identify the Facility as a Chain Facility or operate the Facility under a Mark before the Opening Date without our express written consent, then in addition to our remedies under Section 11, you

will begin paying the Royalty to us, as specified in Section 7.1, from the date you identify or operate the Facility using the Mark. We may delay the Opening Date until you pay the Royalty accruing under this Section.

1.3 ADA Certification. Your architect must certify to us and to you that the Facility's plans and specifications comply with the design requirements of the Americans with Disabilities Act ("ADA"), the Department of Justice Standards for Accessible Design ("ADA Standards") under the ADA, and all codes that apply using the ADA Certification Form for New Construction (Pre-Construction) in Exhibit A. Before we authorize you to open the Facility, you must complete and submit the ADA Certification Form for New Construction (Post-Construction) attached as Exhibit B (Exhibits A and B, collectively, the "Certification"). You must complete the Certification per their instructions and submit to us only after they have been signed by your general contractor, your architect of record or a consulting architect you hire for the Certification. If you cannot obtain the signature of the contractor or such an architect for the Certification, you must sign the Franchisee's Certification of Compliance on the signature page of the Certification. If we determine that the Certification has not been properly completed, or if we have actual knowledge (not constructive or implied knowledge) that the signatures on the Certification are false or fraudulent, we will return the Certification to you with written notice that we will not permit you to open the Facility for business under the System until we receive a properly completed Certification. We may terminate this Agreement under Section 11 if you do not submit the Certification properly completed before you open the Facility under the System, you fail to meet the deadline for completing the Facility specified in this Schedule because you do not submit a properly completed Certification, or if you submit a false or fraudulent Certification. We will delay the Opening Date until you submit the properly completed Certification. We shall not be liable to you or any third party if the Certification is improperly completed or the Facility is not built or operated in compliance with ADA.

1.4 Improvement Plans.

(a) Prototype Plans. We will provide your designated architect with a set of "Prototype Plans" for the construction, renovation or furnishing of the Facility, which your architect can use for creating the construction documents. To receive the Prototype Plans, you will be required to electronically designate an architect who must electronically accept the Prototype Plans Agreement. Within 15 days after we electronically receive the signed Prototype Plans Agreement, we will deliver to your architect a complete set of our Prototype Plans. Your architect and you will create construction documents (including a project manual and working drawings) for construction of the Facility based upon the Prototype Plans, System Standards and this Agreement so that it conforms as closely as possible to the Prototype Plans and System Standards, and then submit them for our approval before starting improvement of the Location. We will not unreasonably withhold or delay our approval, which is intended only to test compliance with System Standards, and not to detect errors or omissions in the work of your architects, engineers, contractors or the like, who must exercise their own independent professional care, skill and diligence in the design and construction of your Facility. We will provide review of both preliminary and final plans for construction of the Facility and up to two site visits from our Architecture, Design, and Construction Team to ensure compliance with System Standards as the project is constructed. Our review does not cover technical, architectural or engineering factors relating to the Location, or compliance with federal, state or local laws, regulations or code requirements, including without limitation, compliance with

the ADA, for which your architect is responsible. You must allow for 10 days of review each time you submit plans to us. We will not be liable to your lenders, contractors, employees, guests, others, or you on account of our review or approval of your plans, drawings or specifications, or our inspection of the Facility, before during or after construction or any subsequent renovation. Any material violation from the Approved Plans requires our prior written approval. Approved Plans must incorporate design elements as set forth in System Standards. You may purchase furniture, fixtures, equipment and other supplies that you may need during construction of the Facility through our affiliate, Worldwide Sourcing Solutions, Inc.'s "Approved Supplier" program. If you choose to purchase certain design items from a supplier other than an Approved Supplier, we may charge you a Custom Interior Design Review Fee, currently $6,000. This fee will be assessed for our review of custom interior design drawings, which you must submit to us to ensure compliance with our interior design standards. We may offer other optional architectural and design services for a separate fee. You will promptly provide us with copies of permits, job progress reports, and other information as we may reasonably request.

(b) Construction Costs. Before we authorize you to open the Facility, we may request that you furnish us with information about the construction costs of the Facility by providing a copy of your contractor's application for payment on AIA form G702 and G703 or other documentation reasonably acceptable to us. We will use this information, along with similar information obtained from other franchisees, to more accurately project the cost of developing new construction Facilities in the United States, which we are required to disclose in our Franchise Disclosure Document for new franchisees. We will not disclose outside of our organization or our consultants any information you give to us in a manner which would enable other franchisees or persons to determine your costs for constructing your Facility.

(c) Deviation from Approved Plans. We may inspect the work while in progress without prior notice. We may direct you to change the work in progress if it deviates from the Approved Plans or System Standards and may terminate this Agreement if you fail to comply with any such direction. If you encounter unexpected issues with demolition, renovation, reconstruction or refurbishment of the existing structure which make continuation of the project using the Approved Plans commercially infeasible, you must notify us immediately and provide a complete written report on the matter, including any proposal to modify the Approved Plans you believe is appropriate together with your estimate of the projected costs of meeting the Approved Plans. We will evaluate the report, your proposal and the situation and respond within 30 days to any request to vary the Approved Plans, or provide suggestions for resolving the issues in such a manner as will be acceptable to us. Neither party shall terminate this Agreement unless and until such notice is given and the 30-day period shall have elapsed without agreement on modifying the Approved Plans. If either party then decides to terminate this Agreement, you will pay, if then not paid, and we will retain, the full Initial Fee. Provided that we determine in our reasonable discretion that continuation of the project using the Approved Plans or any modification of the Approved Plans is not commercially feasible, then Liquidated Damages shall not be owed.

SCHEDULE D
ADDENDUM FOR TRANSFER FACILITIES

This Addendum and attached Property Improvement Plan apply if you are the transferee of an existing Chain Facility.

1. TRANSFER AND ASSUMPTION.

1.1 This Addendum is for the transfer of an existing Chain Facility at the Location first granted to _____ ("Prior Franchisee"), in a franchise agreement with us dated _____ (the "Prior Agreement"). You assume and obligate yourself to perform any and all of the obligations (financial and otherwise) of the Prior Franchisee under the Prior Agreement that are not paid or performed as of the Effective Date, including without limitation, the obligation to pay any unpaid Royalties and Marketing Fees or other amounts due to us and to correct any uncured defaults, except as may be expressly superseded by this Agreement. You acknowledge that we may require you or your staff to complete training on the use of a property management or similar computer system and software for accessing the Reservation System and pay our then-current fees for such training.

2. YOUR IMPROVEMENT OBLIGATION.

2.1 Generally. You must acquire the Location and acquire, equip and supply the Facility in accordance with this Agreement and System Standards. You must provide us with proof that you own or lease the Facility by the Opening Date. You must maintain control of the Facility consistent with such documentation during the Term. You must begin renovation of the Facility no later than 30 days after the Effective Date. Time is of the essence for the completion of the Improvement Obligation. We may, however, in our sole discretion, grant one or more extensions of time to perform any phase of the Improvement Obligation. The grant of an extension will not waive any other default existing at the time the extension is granted. We will conduct an initial inspection of the Facility, develop a PIP needed to meet System Standards, recommend vendors for equipment and supplies and conduct one follow-up inspection. You will pay a "PIP Fee" of $2,500 for this service. All renovations must comply with System Standards, any Approved Plans, this Agreement and the PIP. Your general contractor or you must carry the insurance required under this Agreement during renovation. The deadline for completing the Improvement Obligation shall be as specified on any PIP attached to this Agreement, but is otherwise 90 days from the Effective Date. We may, in our sole discretion, terminate this Agreement by giving written notice to you (subject to applicable law) if you do not commence or complete the improvement of the Facility by the dates specified in the PIP or otherwise and you fail to do so within five days after we send you written notice of default. We may visit the Facility to confirm that you completed your PIP. If you completed your PIP to our satisfaction by the time specified in the PIP, we will not charge you an additional fee for that inspection visit. If, however, you fail to complete any Improvement Obligation by the dates specified in the PIP or otherwise and our representatives must return to the Facility to re-inspect it, then you must pay the PIP Reinspection Fee. If you have completed the PIP to our satisfaction during our re-inspection, we will refund the difference between the PIP Reinspection Fee and the standard Reinspection Fee. We reserve the right to charge the PIP Reinspection Fee for any subsequent inspection until you have completed the Improvement Obligation.

_____ [If the Facility was in quality assurance default immediately before the Effective Date of the transfer, add the following to the end of Section 2.1:]

You and we acknowledge that Prior Franchisee received one or more notices of default from us before the Effective Date regarding the Facility's failure to meet System Standards. Prior Franchisee did not cure the default before the Effective Date. We have approved the application you submitted to us and have entered into this Agreement in reliance upon your promise and undertaking to complete the Improvement Obligation, including the renovations, operational changes, repairs, refurbishment, replacements, and capital improvements necessary to conform the Facility to System Standards as detailed on the PIP attached to this Agreement. You must erect a barrier or place signage acceptable to us to exclude Chain guests from any areas under renovation or construction while completing the Improvement Obligation. We may require you to remove, cease display or use, or completely obscure all signage and other items bearing any Marks until the Facility meets System Standards in our discretion. We may, in our sole discretion, terminate this Agreement by giving written notice to you (subject to applicable law) if you continue to display the Marks and identify the Facility as a Chain Facility five days after we send you written notice that you have failed to complete the Improvement Obligation by the date specified in the PIP or otherwise.

2.2 Improvement Plans. You will create plans and specifications for the work described in Section 2.1 of this Schedule D (based upon the System Standards and this Agreement) if we so request and submit them for our approval before starting improvement of the Location. We will not unreasonably withhold or delay our approval, which is intended only to test compliance with System Standards, and not to detect errors or omissions in the work of your architects, engineers, contractors or the like, who must exercise their own independent professional care, skill and diligence in the design and renovation of your Facility. Our review does not cover technical, architectural or engineering factors relating to the existing structure at the Location, or compliance with federal, state or local laws, regulations or code requirements, for which your architect is responsible. You must allow for 10 days of our review each time you submit plans to us. We will not be liable to your lenders, contractors, employees, guests, others or you on account of our review or approval of your plans, drawings or specifications, or our inspection of the Facility before, during or after renovation or construction. Any material variation from the Approved Plans requires our prior written approval. Approved Plans must incorporate design elements as set forth in System Standards. You may purchase furniture, fixtures, equipment and other supplies that you may need during renovation of the Facility through our affiliate, Worldwide Sourcing Solutions, Inc.'s "Approved Supplier" program. If you choose to purchase certain design elements from a supplier other than an Approved Supplier, we may charge you a Custom Interior Design Review Fee, currently $6,000. This fee will be assessed for our review of custom interior design drawings, which you must submit to ensure compliance with our interior design standards. We may offer other optional architectural and design services for a separate fee. You will promptly provide us with copies of permits, job progress reports, and other information as we may reasonably request. We may inspect the work while in progress without prior notice.

2.3 Identification of Facility. You may continue to identify and operate the Facility as part of the System while you perform the Improvement Obligation, if any.

3. MANDATORY SERVICES AND FEES.

3.1 Mandatory Service and Support Fee. We will provide training for your general manager as set forth in Section 4.1 of the Agreement if he/she attends the training by the deadline set forth in Section 4.1. The cost of ongoing learning and development support for your entire hotel team currently is $4,000 per year.

4. DEFINITIONS.

Effective Date means the date that you first take possession of the Facility, even if you sign this Agreement after the date you first take possession of the Facility.

Opening Date means the date as of which we authorize you to open the Facility for business identified by the Marks and using the System, even if you sign this Agreement after that date. Unless we require that you close the Facility to perform any pre-opening Improvement Obligation, the Opening Date is the Effective Date.

ADDENDUM FOR TRANSFER FACILITIES

[Property Improvement Plan Attached]

SCHEDULE D
ADDENDUM FOR RENEWAL FACILITIES

This Addendum and attached Property Improvement Plan apply if you are renewing the franchise for an existing Chain Facility by entering into a new Franchise Agreement.

1. CONTINUING OBLIGATION.

1.1 This Addendum is for the renewal of the Franchise for an existing Chain Facility first granted to you in a franchise agreement dated _____ (the "Prior Agreement"). You must perform any and all of your obligations (financial and otherwise) under the Prior Agreement remaining as of the date of this Agreement and correct any uncured defaults, except as may be expressly superseded by this Agreement. If the Facility's general manager has not completed our Hospitality Management Program during the eight years immediately preceding the Effective Date, then he/she will be required to participate as set forth in Section 4.1.1 and pay the current fee of $2,250.

2. YOUR IMPROVEMENT OBLIGATION.

2.1 Generally. We will conduct an initial inspection of the Facility, develop a PIP needed to meet System Standards, recommend vendors for equipment and supplies and conduct one follow-up inspection. You will pay a PIP Fee of $2,500 for this service. You must renovate and improve the Facility in accordance with this Agreement and System Standards. You must provide us with proof that you own or lease the Facility by the Opening Date. You must maintain control of the Facility consistent with such documentation during the Term. You must begin renovation of the Facility no later than 30 days after the Effective Date. Time is of the essence for the completion of the Improvement Obligation. We may, however, in our sole discretion, grant one or more extensions of time to perform any phase of the Improvement Obligation. The grant of an extension will not waive any other default existing at the time the extension is granted. All renovations must comply with System Standards, this Agreement and the PIP. Your general contractor or you must carry the insurance required under this Agreement during renovation. The deadline for completing the Improvement Obligation shall be as specified on any PIP attached to this Agreement, but is otherwise 90 days from the Effective Date. We may, in our sole discretion, terminate this Agreement by giving written notice to you (subject to applicable law) if you do not commence or complete the improvement of the Facility by the dates specified in the PIP or otherwise and you fail to do so within five days after we send you written notice of default. You also must pay us the Reinspection Fee described in Section 3.7 if you fail to complete any Improvement Obligation by the deadline established in the PIP or otherwise and our representatives must return to the Facility to inspect it. We may visit the Facility to confirm that you completed your PIP. If you completed your PIP to our satisfaction by the time specified in the PIP, we will not charge you an additional fee for that inspection visit. If, however, you fail to complete any Improvement Obligation by the dates specified in the PIP or otherwise and our representatives must return to the Facility to re-inspect it, then you must pay the PIP Reinspection Fee. If you have completed the PIP to our satisfaction during our re-inspection, we will refund the difference between the PIP Reinspection Fee and the standard Reinspection Fee. We reserve the right to charge the PIP Reinspection Fee for any subsequent inspection until you have completed the Improvement Obligation.

2.2 Improvement Plans. You will create plans and specifications for the work described in Section 2.1 of this Schedule D (based upon the System Standards and this Agreement) if we so request and submit them for our approval before starting improvement of the Location. We will

not unreasonably withhold or delay our approval, which is intended only to test compliance with System Standards, and not to detect errors or omissions in the work of your architects, engineers, contractors or the like, who must exercise their own independent professional care, skill and diligence in the design and renovation of your Facility. Our review does not cover technical, architectural or engineering factors relating to the existing structure at the Location, or compliance with federal, state or local laws, regulations or code requirements, for which your architect is responsible. You must allow for 10 days of our review each time you submit Plans to us. We will not be liable to your lenders, contractors, employees, guests, others or you on account of our review or approval of your plans, drawings or specifications, or our inspection of the Facility before, during or after renovation or construction. Any material variation from the Approved Plans requires our prior written approval. Approved Plans must incorporate design elements as set forth in System Standards. You may purchase furniture, fixtures, equipment and other supplies that you may need during renovation of the Facility through our affiliate, Worldwide Sourcing Solutions, Inc.'s "Approved Supplier" program. If you choose to purchase certain design elements from a supplier other than an Approved Supplier, we may charge you a Custom Interior Design Review Fee, currently $6,000. This fee will be assessed for our review of custom interior design drawings, which you must submit to ensure compliance with our interior design standards. We may offer other optional architectural and design services for a separate fee. You will promptly provide us with copies of permits, job progress reports, and other information as we may reasonably request. We may inspect the work while in progress without prior notice.

2.3 Identification of Facility. You may continue to identify and operate the Facility as part of the System while you perform the Improvement Obligation, if any.

3. MANDATORY SUPPORT SERVICES AND FEES

3.1 Mandatory Services. We will provide a comprehensive curriculum of hotel operations training. The cost of ongoing learning and development support for your entire hotel team currently is $4,000 per year.

[__] ("Franchisee")

_____ ("Management Company") has entered into a Management Agreement with Franchisee, under the terms of which Management Company will operate the Dolce Chain Facility located at _____ (the "Facility") under and subject to the terms and conditions of the Franchise Agreement identified above.

In consideration of being permitted to operate the Facility, Management Company hereby acknowledges and ratifies the terms and conditions of the Franchise Agreement and agrees to fully observe and be bound by all terms, conditions and restrictions regarding the management and operation of the Facility set forth in the Franchise Agreement as if and as though Management Company had executed the Franchise Agreement as "Franchisee" for as long as Management Company operates the Facility; provided, however, that the foregoing does not constitute an agreement of the Management Company to pay or assume any financial obligation of Franchisee to Franchisor or to any third party. Management Company further agrees to be bound by the confidentiality covenants set forth in Section 15 of the Franchise Agreement (including all remedies available to Franchisor under the Franchise Agreement for breach thereof) during and subsequent to its tenure as manager and operator of the Facility. Additionally, Management Company will give Franchisor written notice that the management agreement has been terminated at least ninety (90) days' in advance of Facility turnover unless Termination is due to extraordinary circumstances that cause a shorter time frame before turnover to the successor management company for the Facility.

Management Company agrees that Franchisor may enforce directly against Management Company those terms and conditions of the Franchise Agreement to which Management Company has hereby agreed to be bound. The prevailing party in any cause of action brought in connection with this Management Company Rider (including, without limitation, any action for declaratory or equitable relief) shall be entitled to recover from the non-prevailing party reasonable attorney's fees, expenses and costs of suit incurred by the prevailing party in such action.

ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement (the "Agreement") is made and entered into as of _____, 20__ by and among _____, a ____ ("Assignor"), _____, a _____ ("Assignee"), and _____, a _____ ("Company").

Recitals. Assignor is the "Franchisee" under a franchise agreement, dated as of _____, 20__ (the "Franchise Agreement") and certain related ancillary agreements with Company or its affiliates. The Franchise Agreement, along with all amendments and the ancillary agreements, will be referred to, collectively, as the "Primary Agreements." The Franchise Agreement is attached to this Agreement as Exhibit A and relates to the granting of a _____ franchise for a lodging facility designated as Site No. _____ (the "Facility") located at _____. Assignor is conveying the Facility to Assignee. Assignor desires to assign the Primary Agreements to Assignee, which desires to assume and accept the rights and obligations under the Primary Agreements, effective as of the date of this Agreement. Capitalized terms not defined in this Agreement have the meanings given to them in the Franchise Agreement.

IN CONSIDERATION of the mutual promises in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, it is agreed as follows:

1. Assignor assigns, transfers, bargains, sells, and delegates to Assignee all of its rights, title, and interest in and to the Primary Agreements and its obligations existing and arising in the future under the Primary Agreements.

2. Assignee accepts and assumes the rights, benefits and obligations of Assignor under the Primary Agreements, effective as of the date of this Agreement, including all existing and future obligations to pay and perform under the Primary Agreements. Assignor shall remain secondarily liable for payment of and performance under the Primary Agreements. The owners of Assignee have executed the Guaranty attached to this Agreement as Appendix A.

3. To induce Company to consent to this Agreement and the assignment of the Primary Agreements, as of the effective date of this Agreement, Assignee adopts and makes to Company the representations and warranties of Assignor, as Franchisee, set forth in Section 14 of the Franchise Agreement. As of the effective date of this Agreement, Assignee is the owner of fee simple title to the Facility or is otherwise entitled to possession of the Facility for the remainder of the Term of the Franchise Agreement. Assignee's owners are shown on Exhibit B attached to this Agreement, which amends Schedule B of the Franchise Agreement.

4. Assignee will deliver, together with this Agreement, evidence of insurance meeting System Standards, as contemplated under the Franchise Agreement and the System Standards.

5. This Agreement shall be deemed a supplement to and modification of the Primary Agreements, as previously modified by any prior amendments and addenda and this Agreement. Except as expressly stated in this Agreement, no further supplements to or modifications of the

Primary Agreements are contemplated by the parties. There are no oral or other written arrangements between Company and Assignor except as expressly stated in the Primary Agreements and any written amendment or addendum thereto. The Primary Agreements, as previously modified, are incorporated by this reference and have been provided by Assignor to Assignee.

6. Assignor and Assignee acknowledge that Company has not participated in the negotiation or documentation of the transfer transaction between the Assignor and Assignee, and that Company has not made any representation or warranty nor furnished any information to either party. Assignee waives any and all claims against Company, its affiliates, and their respective officers, directors, shareholders, affiliated corporations, employees, and agents, arising out of the transfer of the Facility. Assignee expressly acknowledges that Company was not a participant in such transaction and that Company has no liability in connection with such transaction. Assignee acknowledges that it has made all investigation of Assignor and the Facility as it believes appropriate.

7. Any notice required under the Primary Agreements to be sent to Assignee shall be directed to:

ASSIGNEE:

Name:_____
Street:_____
City, State & Zip:_____
Attention:_____
E-mail address: _____

In addition, upon execution of this Agreement, Assignor will provide Company, in writing, with its address, telephone number, and e-mail address for any notices relating to the Primary Agreements that may be sent following the date of this Agreement. Assignor consents to receive such electronic mail from Company.

8. Subject to the terms of this Agreement, Company consents to the assignment and assumption of the Primary Agreements as provided in this Agreement. No waivers of performance or extensions of time to perform are granted or authorized. Company will treat Assignee as the "Franchisee" under the Primary Agreements. The rights of Assignor to the Franchise under Section 1 of the Franchise Agreement or to any rights licensed to Assignor under any of the Primary Agreements will be terminated effective as of the date of this Agreement.

9. Assignee agrees that, notwithstanding anything to the contrary in the Primary Agreements, it will report and pay to Company all Recurring Fees and other fees and charges due under the Primary Agreements online via Company's self-service Electronic Invoice Presentment and Payment tool accessible through Company's Chain intranet, or such other method as Company may designate. Company reserves the right to change or direct, from time to time, the technologies or other means for reporting and paying fees by amending System Standards or upon written notice to Assignee.

10. **[INSERT If there is a Development Incentive Note]** Assignee and its owners (and their respective spouses, as to any owner who resides in a community property state or certain other states) have executed and delivered to Company an Assumption of Development Incentive Note in the form

ADDENDUM TO THE FRANCHISE AGREEMENT PURSUANT TO THE CALIFORNIA FRANCHISE INVESTMENT LAW

This Addendum to the Franchise Agreement by and between DOLCE INTERNATIONAL HOLDINGS, INC. LLC ("we," "our," or "us") and _____ ("you") is dated _____, 20__.

Notwithstanding anything to the contrary set forth in the Franchise Agreement, the following provisions shall supersede and apply:

1. Our right to terminate the Franchise Agreement under Section 11.2 if you commence a bankruptcy proceeding may not be enforceable under federal bankruptcy law.

2. Under Section 1671 of the California Civil Code, certain liquidated damages clauses are unenforceable.

3. The California Franchise Relations Act (Business and Professions Code Section 20000 through 20043) provides rights to you concerning termination, transfer, or nonrenewal of a franchise. If the Franchise Agreement is inconsistent with the law, the law will control.

4. If the Franchise Agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement, California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). California Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000-20043). To the extent required by such laws, Franchisee shall not be required to execute a general release.

5. The highest interest rate allowed by law in California is currently 10% annually.

6. All other rights, obligations, and provisions of the Franchise Agreement shall remain in full force and effect. Only the Sections specifically added to or amended by this Addendum shall be affected. This Addendum is incorporated in and made a part of the Franchise Agreement for the State of California.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. Section 17.7 of the Franchise Agreement is deleted in its entirety.

This Addendum to the Franchise Agreement by and between DOLCE INTERNATIONAL HOLDINGS, INC. ("we," "our," or "us") and _____ ("you") is dated _____, 20__.

1. Notwithstanding anything to the contrary set forth in the Franchise Agreement, the following provision shall supersede and apply to all franchises offered and sold under the laws of the State of Maryland:

Notwithstanding anything to the contrary set forth in the Franchise Agreement, the following provisions shall supersede and apply:

1. In compliance with Minnesota Rule 2860.4400J, the eleventh sentence in Subsection 11.4 of the Franchise Agreement is amended to read as follows:

> You recognize that any use of the System not in accord with this Agreement will cause us irreparable harm for which there is no adequate remedy at law, entitling us to seek both temporary and permanent injunctive relief against you from any court of competent jurisdiction, which may require us to post a bond.

In addition, the following language is added at the end of Section 17.6.3 of the Franchise Agreement:

> Minnesota Statutes, Section 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. Nothing in the Franchise Disclosure Document or this Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws of Minnesota.

2. Minnesota law provides franchisees with certain termination, non-renewal and transfer rights. Minnesota Statutes, Section 80C.14, Subdivisions 3, 4 and 5 require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement and that consent to the transfer of the franchise will not be unreasonably withheld.

3. We will not require you to assent to a release, assignment, novation or waiver that would relieve any person from liability imposed by Minnesota Statutes, Sections 80C.01 to 80C.22, provided that the foregoing shall not bar the voluntary settlement of disputes.

4. You understand that Minnesota law limits you to a three year period from the date a claim accrues in which to bring any claim against us for a violation of Minnesota Statutes, Section 80C.17.

5. To the extent required by the Minnesota Franchise Act, we will protect your rights to use the trademarks, service marks, trade names, logo types or other commercial symbols related to the trademarks or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the trademarks, provided you are using the names and marks in accordance with the Franchise Agreement.

6. All other rights, obligations, and provisions of the Franchise Agreement shall remain in full force and effect. Only the Sections specifically added to or amended by this Addendum shall be affected. This Addendum is incorporated in and made a part of the Franchise Agreement for the State of Minnesota.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the undersigned have executed this Addendum as of the date set forth above.

WASHINGTON FRANCHISE AGREEMENT AND RELATED AGREEMENTS ADDENDUM PURSUANT TO THE WASHINGTON FRANCHISE INVESTMENT PROTECTION ACT

This Addendum to the Franchise Agreement and Related Agreements by and between DOLCE INTERNATIONAL HOLDINGS, INC. ("we," "our," or "us") and _____ ("you") is dated _____, 20__.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Section 17.7 of the Franchise Agreement is deleted in its entirety.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The following sentence is deleted from Section 2 of the Franchise Agreement.

> You irrevocably waive any right to seek or obtain the benefits of any policy we now follow or may in the future follow to notify you about proposed Chain Facilities in the general area of the Facility, solicit information about the effect of the proposed Chain Facility on the revenue or occupancy of the Facility or decide whether to add the proposed Chain Facility to the Chain based on the potential effect of the proposed Chain Facility on the Facility or its performance.

Nothing in the Franchise Agreement is intended to waive any liability we may have under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

The undersigned does hereby acknowledge receipt of this Addendum.

Dated this _____ day of _____, 20___.

Any such requirements shall be set forth in the applicable Service Offering, or as may be agreed upon in writing by us and you from time to time. If any Third-Party Product or Service provider(s) (including without limitation, any Third-Party Product or Service provider made available by us), at your request, attempts to integrate hardware or other products and/or services with the Products and/or Services we provide to you, we shall not be liable for any injury or damage to either the hardware or such Third-Party Products or Services, unless such injury or damage is due to our gross negligence or willful misconduct. For the avoidance of doubt, the warranties and support described in this Agreement do not apply to any hardware or products and/or services not provided to you by us.

6. ADDITIONAL OFFERINGS

6.1 Acquisition of additional Products and/or Services. We or a Third Party may from time to time make available to you offerings designed to interoperate with the Products and/or Services ("**Additional Offerings**"). Any acquisition by you of such Additional Offerings from a Third Party, and any exchange of data between you and any Third-Party provider of such Additional Offerings, is solely between you and the Third Party that provides the applicable Additional Offerings.

6.2 No Representation or Warranty. We do not warrant or support any Third-Party Additional Offerings. Any Third-Party Additional Offerings shall be governed exclusively by any agreement

entered into between you and the Third Party that offers the applicable Additional Offerings. If the provider of any Additional Offerings ceases to make such Additional Offerings available for interoperation with the Products and/or Services on reasonable terms, we may, in our sole discretion, cease providing access to such Additional Offerings without entitling you to any refund, credit, or other compensation.

7. CONFIDENTIALITY

7.1 Definition of Confidential Information. As used herein, "**Confidential Information**" means all confidential information disclosed by a Party ("**Disclosing Party**") to the other Party ("**Receiving Party**"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Service Provider's Confidential Information shall include the Products and/or Services. Confidential Information of each Party shall include the terms and conditions of this Agreement, the terms and conditions of any and all Service Offerings, as well as business and marketing plans, technology and technical information, product plans and designs, Personal Information, and business processes disclosed by such Party (or a Party's Affiliate). However, Confidential Information shall not include any information that: (a) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party; (b) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (c) is received from a Third Party without breach of any obligation owed to the Disclosing Party; or (d) was independently developed by the Receiving Party. "**Personal Information**" means any information about an identifiable individual. Examples of Personal Information include, but are not limited to, names, phone numbers, addresses, credit card information, social security numbers, and/or account or financial information of Service Providers or its Affiliates, employees, franchisees, members, sales associates, brokers, or customers.

7.2 Protection of Confidential Information. The Receiving Party shall: (a) use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but in no event less than reasonable care); (b) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement (including any and all Service Offerings); and (c) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates' employees, contractors and agents who need such access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections no less stringent than those herein. Neither Party shall disclose the terms of this Agreement (including any and all Service Offerings) to any Third Party, other than its Affiliates and their legal counsel and accountants without the other Party's prior written consent.

7.3 Compelled Disclosure. The Receiving Party may disclose Confidential Information of the Disclosing Party if it is compelled by law to do so, provided the Receiving Party gives the Disclosing Party prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party's cost, if the Disclosing Party wishes to contest the disclosure. If the Receiving Party is compelled by law to disclose the Disclosing Party's Confidential Information as part of a civil proceeding to which the Disclosing Party is a party, and the Disclosing Party is not contesting the disclosure, the Disclosing Party will reimburse the Receiving Party for its reasonable cost of compiling and providing secure access to such Confidential Information.

7.4 Equitable Relief. The Parties acknowledge and agree that, given the unique and proprietary nature of the Confidential Information, monetary damages may not be calculable or a sufficient remedy for any breach of this Section 7 by the Receiving Party, and that the Disclosing Party may suffer great

and irreparable injury as a consequence of such breach. Accordingly, each Party agrees that, in the event of such a breach or threatened breach, the Disclosing Party shall be entitled to seek equitable relief (including, but not limited to, injunction and specific performance) in order to remedy such breach or threatened breach. Such remedies shall not be deemed to be exclusive remedies for a breach by the Receiving Party but shall be in addition to any and all other remedies provided hereunder or available at law or equity to the Disclosing Party.

7.5 Regulatory Considerations. Notwithstanding anything set forth to the contrary, an employee of the Disclosing Party, including an individual who would be considered an employee pursuant to 18 U.S.C. §1833(b)(4), shall not be held criminally or civilly liable under any U.S. federal or state trade secret law for the disclosure of Confidential Information if such disclosure is made in confidence to a government official, either directly or indirectly, or to that individual's attorney, if such disclosure is made solely for the purpose of reporting or investigating a suspected violation of law or if the disclosure is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Moreover, an individual who files a lawsuit for retaliation claiming that retaliation against said individual for reporting a suspected violation of law may disclose Confidential Information to his or her attorney and may use it in the court proceeding, provided any document containing the Confidential Information is filed under seal and the individual does not disclose the Confidential Information, except pursuant to court order.

8.5 Improper Access. If you should obtain access to Non-Owned Information in violation of the Data Policies or this Agreement, you shall be a trustee of that information and must act in a fiduciary capacity to protect the information from further unauthorized use or disclosure, and take all commercially reasonable efforts to return the information to us as soon as possible.

MOP PRODUCTS AND/OR SERVICES

Product	Description of Product and/or Services
MOP	MOP is a cloud-based management software system that provides a workflow solution to manage recurring and real-time tasks at a Facility, including housekeeping, front desk and maintenance teams. MOP can be accessed via a browser of a computing device, e.g., a handheld device, laptop, or desktop. MOP currently includes, among other things, the following capabilities, features, and benefits: • Streamlines and optimizes commonly executed tasks; • Provides real-time updates in both OPM and SynXis property management system; • Utilizes wireless communications to send and receive updates; • Utilizes a web-based interface that is compatible with any web-enabled device; and • Is customizable to seamlessly integrates with a SynXis property management system. *Facility will be responsible for providing all computer devices and other software needed to run MOP.
ESD	The ESD is an optional, add-on feature (for an additional fee) that allows Facility staff members, when carrying a handheld device utilizing MOP, to have access to a panic button from whatever screen they are working on. Pushing the "panic button" activates the camera and microphone on a staff member's device alerting other staff members to the last known location of the staff member who activated the "panic button" within the Facility. The ESD features are not an emergency response system and should not be relied upon in any emergency response plans or policy, but merely meant to supplement a Facility's worker notification systems. The ESD feature does not contact 911 or any other

	emergency response professionals, nor does it contact anyone outside of the MOP system, and cannot be used for such.

EXHIBIT C-4

THREE-PARTY AGREEMENT

This Three-Party Agreement (the "Agreement") is made and entered into as of _____, 20__ by and among _____ ("Lender"); _____ ("Franchisee"); and _____ ("Franchisor" or "Company"). Lender, Franchisee, and Franchisor each are referred to as a "Party" and collectively are referred to as the "Parties."

RECITALS

A. The Franchise Agreement. Franchisee and Franchisor entered into that certain franchise, license or membership agreement, dated _____, 20____ (the "Franchise Agreement"), related to a guest lodging facility located at _____, designated as Unit #_____ (the "Facility"). The Franchise Agreement and certain ancillary agreements related to the Franchise Agreement collectively are referred to as the "Primary Agreements." Pursuant to the Primary Agreements, Franchisee operates the Facility as a _____® franchised location. Capitalized terms used and not defined in this Agreement shall have the meanings given to them in the Franchise Agreement.

B. The Loan. Lender has advanced or is about to advance funds to Franchisee and desires to be granted certain rights in respect of the Franchise Agreement as part of the collateral security for its loan. Franchisee has requested that Company consent to the conveyance of a security interest in the Franchise Agreement and grant certain other rights to Lender. Company will issue its consent to the collateral assignment of the Franchise Agreement and will grant such rights subject to the terms and conditions of this Agreement and the undertakings by Lender and Franchisee set forth below.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the terms, conditions, representations, promises, covenants, and consideration set forth below, the sufficiency of which are hereby acknowledged as good, valuable, and adequate consideration, and intending to be legally bound, the Parties agree as follows:

1. **Status of Primary Agreements.**

1.1 Company and Franchisee represent that the Primary Agreements are in full force and effect and there are no uncured notices of default issued by Company or Franchisee under the Primary Agreements as of the date of this Agreement.

1.2 This Agreement is not intended to be, nor shall it be construed to create, a novation, accord and satisfaction, or compromise of the obligations of Franchisee under the Primary Agreements or any other obligation of Franchisee or any Guaranty to Company. Franchisee agrees that the terms of the Franchise Agreement shall be strictly adhered to on and after the date of this Agreement.

2. **Company Consent; No Representations or Warranties.**

2.1. Company consents to the collateral assignment of, and granting of a security interest in, the Franchise Agreement by Franchisee to Lender as partial security for Franchisee's obligations to Lender, subject to the terms and conditions of this Agreement. Unless and until Lender notifies Company in writing that it has exercised its rights to the collateral as the secured party under the collateral assignment and that it has assumed the benefits and obligations of the Primary Agreements (and without limiting Lender's obligations under Section 4 of this Agreement), Company may rely on Franchisee's authority to act on its own behalf on all matters relating

to the Primary Agreements and the franchise relationship between Company and Franchisee.

2.2. Company has not provided, and in entering into this Agreement is not providing, any representation, endorsement, or recommendation to or about any other Party; about any representation that either Lender or Franchisee may have made to the other; or otherwise pertaining to the loan.

2.3. This Agreement shall not be deemed a waiver of or consent by Franchisor or Franchisee to any defaults under the Primary Agreements arising after the date of this Agreement. Franchisee agrees that defaults arising after the date hereof under the Franchise Agreement shall not be deemed to have been waived, released, or cured by virtue of the execution of this Agreement.

3. **Franchisee Defaults.** The following provisions apply to Franchisee's defaults under the Primary Agreements and events that give the Company the right to terminate the franchise relationship:

3.1. If Company issues a notice of default to Franchisee, Company will notify Lender of such default or event by sending a copy of the default notice to Lender as and when sent to Franchisee, or by separate written notice. **Company's failure to give notice to Lender shall not affect Company's rights under the Primary Agreements with regard to Franchisee, nor shall Company be liable to Lender for any damages resulting directly or indirectly from such failure.**

3.2. Lender may undertake to cure such default on behalf of Franchisee, but is not obligated to do so. Unless Company otherwise consents in writing, Lender's time to cure the default will be the same as Franchisee's time to cure, if any, under the terms of the Primary Agreements and the default notice.

4. **Lender Possession of Facility.** The following provisions apply when and if Lender forecloses on the Facility or otherwise acquires, directly or through an affiliate, title to or possession of the Facility.

4.1. Lender automatically, and without further action, shall succeed to and assume all of the rights and obligations of Franchisee under the Primary Agreements as of the date Lender or an affiliate takes actual or constructive possession of the Facility (the "Possession Date"). Lender agrees to and shall sign and deliver to Company an assignment and assumption agreement to confirm its assumption of the Primary Agreements, or to execute and deliver such other similar agreement as may be acceptable to Company, and to pay Company an administrative fee of $7,500 promptly after the Possession Date. Failure to execute such document or documents and pay the required administrative fee within thirty (30) days following Possession Date will constitute a material breach of this Agreement and of the Franchise Agreement (entitling Franchisor to terminate the Franchise Agreement) and shall not relieve Lender of its obligations as "Franchisee" or "Member" under the Franchise Agreement, as applicable.

4.1.1. Regardless of the execution and delivery of the documents and payment referenced in Section 4.1 by Lender, as of the Possession Date the Primary Agreements (i) shall be deemed ratified and affirmed in their entirety by Lender; and (ii) shall become binding and enforceable upon Lender. As of the Possession Date, Lender will be the successor to Franchisee and will be responsible to remedy all defaults of the Franchisee under the Primary Agreements capable of being cured by Lender and to perform in the capacity of "Franchisee" or the "Member," as applicable, under the Primary Agreements in all respects.

4.2. Lender or its affiliate shall provide the Company with proof of insurance meeting the requirements under the Franchise Agreement and System Standards within five (5) business days after the Possession Date.

4.3. Company will furnish Lender with Franchisee's franchise accounts receivable aging statements on request. Lender will pay any undisputed amounts shown on such statements within fifteen (15)

days after receipt. The Parties will cooperate and work diligently to resolve any franchise account disputes.

4.4. Lender must cure any quality assurance default of Franchisee pending as of the Possession Date within sixty (60) days after the Possession Date or enter into a quality improvement agreement with the Company within thirty (30) days after the Possession Date to cure the defaults. In either case, Lender must restore, to Company's satisfaction, the quality assurance scores of the Facility to the entry level required for conversion Chain Facilities within one hundred twenty (120) days after the Possession Date. Company will furnish Lender with a copy of the latest quality assurance inspection report generated before the Possession Date at Lender's request.

4.5. Any subsequent Transfer of the Facility after the Possession Date by Lender or its affiliate shall be governed by the Transfer provisions of the Franchise Agreement.

5. **Receiver.** The following provisions apply if Lender requests, causes, or participates in the appointment of a receiver for the Facility or Franchisee (a "Receiver"). In such event, Company may exercise its right to terminate the franchise or the Primary Agreements, unless (i) Lender or Receiver remedies all defaults of Franchisee then pending under the Primary Agreements within thirty (30) days after the appointment of Receiver; (ii) Receiver operates the Facility in compliance with the Primary Agreements and pays all fees accruing under the Primary Agreements during the period of the receivership; (iii) Receiver signs and delivers to Company a temporary operator's agreement or such other similar agreement as may be acceptable to Company (the "TOA") within five (5) days after appointment of Receiver; and (iv) Receiver pays Franchisor a $7,500 administrative fee upon execution of the TOA.

6. **Lender Action, Generally.** If Lender (i) commences any judicial or non-judicial action seeking the appointment of a Receiver, or (ii) commences any judicial or non-judicial foreclosure or similar action because of any default by Franchisee under the terms of its agreements with Lender (in any case, a "Lender Action"), then Lender shall notify the Company in writing of such Lender Action. Lender will send the Company copies of any related pleadings, notices, agreements, or other documents published, sent, or filed by the Lender in a Lender Action.

7. **Insolvency of Franchisee.** In the event any bankruptcy, insolvency, receivership, or similar case is filed by or against Franchisee, then, subject to any automatic stay that may be imposed, Franchisor may exercise its rights and remedies under the Primary Agreements whether or not Lender obtains relief to foreclose upon or take possession of all or any part of the Facility.

8. **Franchisee Consent.** Franchisee consents to the provisions of this Agreement. Franchisee also consents to the transmittal of any and all information between Lender and Company from time to time about Franchisee's account with Company, the status of the Primary Agreement, the franchise relationship, and the loan or loans from Lender.

9. **No Assignment by Lender; Replacement Comfort Lender.**

9.1. Lender shall assign this Agreement to any (i) affiliate of Lender that acquires the Lender's interest in the mortgage or other loan to which this Agreement relates; and (ii) entity that acquires the Lender (or is the survivor of any merger or similar reorganization of the Lender), provided, in each case, that Lender need not assign this Agreement if it retains the right and obligation to service the loan on behalf of its successor-in-interest. Lender shall notify Company of such an assignment within fifteen (15) days following the assignment.

9.2. Company will issue a replacement three-party agreement, substantially similar in form to the three-party agreement then-disclosed in Company's franchise disclosure document, if (a) Lender (i)

appoints a third-party servicing agent to service the loan; (ii) transfers the loan to a successor mortgagee that is a financial institution in the business of routinely financing real estate transactions, or (iii) designates a trustee of a trust established in connection with the securitization of the loan; provided, in each case, that such transferee is reasonably acceptable to Company; and (b) Company receives a written request to issue a replacement three-party agreement within 30 days of the date of such appointment or transfer. Company reserves the right to charge an administrative fee for such replacement three-party agreement. Any such replacement three-party agreement shall supersede and replace this Agreement.

10. **Termination of Agreement.** This Agreement terminates automatically when (i) Company or Franchisee terminates the license or the Primary Agreements in accordance with their terms after giving Lender any notice required under this Agreement; (ii) Lender no longer has a security interest in the Facility or Lender's loan is paid in full; (iii) the term of the license under the Franchise Agreements expires; (iv) Lender assumes the Primary Agreements under the terms of this Agreement; or (v) Lender assigns its interest in the loan to a third party other than as expressly permitted by Section 9.1 of this Agreement. There is no equitable right of redemption applicable to this Agreement.

11. **Miscellaneous.**

REQUEST FOR THREE-PARTY AGREEMENT

TO: Vice President, Contracts Compliance

_____ ("Franchisor")

RE: Current or Proposed Brand _____

Unit No.:_____ ("Facility")

Located or to Be Located at _____
Current or Proposed Franchisee/Member Name:_____("Franchisee")

DATE: _____, 20__

The undersigned duly-authorized representative of Franchisee requests that Franchisor offer and issue a Three-Party Agreement ("TPA") in favor of the "Lender" named below for the purpose of inducing Lender to loan funds (the "Loan") to Franchisee secured by Franchisee's interest in the Facility. Franchisee understands and agrees to the following conditions that apply to the offer and issuance of the TPA. If Franchisee is not currently a party to a franchise agreement with Franchisor pertaining to the Facility, **the offer and issuance of the TPA by Franchisor will be subject to the execution of such a franchise agreement** (the franchise agreement, including all amendments and ancillary agreements, the "Franchise Agreement"); the payment of an initial fee or affiliation fee, as applicable; and Franchisor's receipt of such other documents Franchisor deems necessary to consummate the closing of the Franchise Agreement.

1. Franchisee agrees to and submits herewith a non-refundable fee in the amount of $1,000 ("TPA Fee"), which must be paid to Franchisor prior to, and in partial consideration for, Franchisor's review of the request for a TPA. The TPA Fee is non-refundable even if Franchisor and Lender do not enter into a TPA.

2. Franchisee authorizes Franchisor to release (and consents to the transmittal of) any and all information about Franchisee's account with Company, the status of the Franchise Agreement and the franchise relationship, the results of any quality assurance inspections, and guest complaints to Lender and its counsel (but Franchisor is under no obligation to do so). Franchisor may provide a copy of the Franchise Agreement to Lender, but is not required to do so, and Franchisee solely is responsible for ensuring that Lender has a full and complete copy of the Franchise Agreement if Lender requests the same. Franchisee represents and warrants to Franchisor that Franchisee has disclosed to Lender the current status of the Franchise Agreement and Franchisee's performance under the same and that Franchisee will advise Lender of any changes in that status through the time of closing of the Loan.

3. Franchisee requests that upon receipt of this request form executed by Franchisee and its guarantor or guarantors, Franchisor prepare and offer to Lender its standard form of TPA, which

will require Lender or an affiliate to assume the Franchise Agreement for the Facility and cure Franchisee's defaults if Lender or an affiliate takes possession of the Facility.

4. Franchisee acknowledges and confirms that Franchisor shall be indemnified and held harmless by Franchisee and each guarantor of Franchisee's obligations under the Franchise Agreement against any claim, liability, judgment, settlement, cause of action, and damage award in favor of Lender against Franchisor arising from or relating to Franchisee's breach of this request or the TPA; that such indemnification shall be subject to the indemnification provision of the Franchise Agreement; and that Franchisee's indemnification obligation represents partial consideration from Franchisee for Franchisor to review this request and to offer and issue the TPA. Franchisee acknowledges Franchisor is under no obligation to offer or issue the TPA, which inures to the primary benefit of Franchisee and its guarantor or guarantors.

5. Franchisee acknowledges that Franchisor has no obligation to modify its standard form of TPA and shall have no liability to Franchisee or any guarantor as result of the inability of Lender and Franchisor to reach agreement on the language of the TPA or the failure of Lender and Franchisor to execute the TPA for any other reason. Franchisee and each guarantor jointly and severally release any and all causes of action and claims against Franchisor arising from the furnishing to Lender information about the Facility, the Franchise Agreement, or Franchisee under this request or the TPA, or the denial of the Loan or refusal to close the Loan arising from the inability of the parties to agree upon and execute a mutually-acceptable TPA, or for any other reason.

6. Franchisee covenants to forward to Lender copies of all default notices from Franchisor sent to Franchisee that the Loan documents require that Lender receive.

7. If Franchisee requests certain changes to the Franchise Agreement in order for the loan to qualify for financing assistance from the U.S. Small Business Administration, Franchisor will effect such changes so long as the Agreement maintains the mutuality of obligations, rights, and powers between Franchisee and Franchisor as to any affected provision.

8. Franchisee acknowledges that the TPA shall not be effective and binding on Franchisor unless and until Franchisor receives at its home office in Parsippany, New Jersey an original TPA signed by authorized representatives of each of Franchisee and Lender. Franchisor will offer the TPA to Lender subject to such condition as to its effectiveness. Franchisee undertakes to confirm with Lender at the closing of the Loan, or at such other time as may be requested by Lender (if the Loan has closed prior to the execution of the TPA) that the TPA has been fully executed and sent to Franchisor. Franchisor may, in its sole discretion, withhold its signature and delivery of the TPA until it has received evidence satisfactory to Franchisor that the Loan has closed.

9. Upon its execution and return to Franchisor, this request shall be effective as an Addendum to the Franchise Agreement and subject to its terms and conditions, except that any limitation therein or in the Guaranty as to the extent of the liability of Franchisee or any guarantor shall not apply to the obligations set forth in Section 4 above.

Submitted by and behalf of Franchisee named below by the undersigned, who personally represents and warrants to Franchisor that Franchisee has duly authorized the signer to execute, deliver, and cause Franchisee to perform this request. This request may be signed and submitted in multiple counterparts and shall be binding on Franchisee and any guarantor if sent by fax to Franchisor.

Current or Proposed Franchisee Name:_____("Franchisee")

DATE: _____, 20 __

The undersigned duly-authorized representative of the Franchisee requests that Franchisor offer and issue a Lender Notification Agreement ("LNA") in favor of the "Lender" named below, the Certified Development Company ("CDC") (if any) identified below, and the United States Small Business Administration ("SBA") for the purpose of inducing Lender to loan funds (the "Loan") to Franchisee secured by Franchisee's interest in the Facility, under SBA's 7(a) or 504 loan programs. Lender, SBA, and, if applicable, CDC are referred to as the "Lender Group." Franchisee understands and agrees to the following conditions that apply to the offer and issuance of the LNA:

1. Franchisee authorizes Franchisor to release (and consents to the transmittal of) any and all information about Franchisee's account with Company, the status of the Franchise Agreement and the franchise relationship, the results of any quality assurance inspections, and guest complaints to Lender Group and its members' counsel (but Franchisor is under no obligation to do so). Franchisor may provide a copy of the Franchise Agreement to Lender Group, but is not required to do so, and Franchisee solely is responsible for ensuring that Lender has a full and complete copy of the Franchise Agreement if Lender Group requests the same. Franchisee represents and warrants to Franchisor that Franchisee has disclosed to Lender Group the current status of the Franchise Agreement and Franchisee's performance under the same, and that Franchisee will advise Lender Group of any changes in that status through the time of closing of the Loan.

2. Franchisee requests that upon receipt of this request form executed by Franchisee and its guarantor or guarantors, Franchisor prepare and offer to Lender Group its standard form of LNA, which will offer Lender the opportunity to cure Franchisee's defaults under the Franchise Agreement.

3. Franchisee acknowledges and confirms that Franchisor shall be indemnified and held harmless by Franchisee and each guarantor of Franchisee's obligations under the Franchise

Agreement against any claim, liability, judgment, settlement, cause of action, and damage award in favor of any member of Lender Group against Franchisor arising from or relating to Franchisee's breach of this request or the LNA; that such indemnification shall be subject to the indemnification provision of the Franchise Agreement; and that Franchisee's indemnification obligation represents partial consideration from Franchisee to Franchisor to review this request and to offer and issue the LNA. Franchisee acknowledges Franchisor is under no obligation to offer or issue the LNA, which inures to the primary benefit of Franchisee and its guarantor or guarantors.

4. Franchisee acknowledges that Franchisor has no obligation to modify its standard form of LNA and shall have no liability to Franchisee or any guarantor as result of the inability of Lender Group and Franchisor to reach agreement on the language of the LNA or the failure of Lender Group and Franchisor to execute the LNA for any other reason. Franchisee and each guarantor jointly and severally release any and all causes of action and claims against Franchisor arising from the furnishing to Lender Group information about the Facility, the Franchise Agreement or Franchisee under this request or the LNA, or the denial of the Loan or refusal to close the Loan arising from the inability of the parties to agree upon and execute a mutually-acceptable LNA, or for any other reason.

5. Franchisee covenants to forward to any member or members of Lender Group copies of all default notices from Franchisor sent to Franchisee that the Loan documents require that such member of Lender Group receive.

6. Franchisee acknowledges that the LNA shall not be effective and binding on Franchisor unless and until Franchisor receives at its home office in Parsippany, New Jersey an original LNA signed by authorized representatives of the Franchisee and of each member of Lender Group. Franchisor will offer the LNA to Lender Group subject to such condition as to effectiveness. Franchisee undertakes to confirm with Lender at the closing of the Loan, or at such other time as may be requested by Lender (if the Loan has closed prior to the execution of the LNA) that the LNA has been fully executed and sent to Franchisor. Franchisor may, in its sole discretion, withhold its signature and delivery of the LNA until it has received evidence satisfactory to Franchisor that the Loan has closed.

7. Upon its execution and return to Franchisor, this request shall be effective as an Addendum to the Franchise Agreement and subject to its terms and conditions, except that any limitation therein or in the Guaranty as to the extent of the liability of Franchisee or any guarantor shall not apply to the obligations set forth in Section 3 above.

(c) You and the Guarantors acknowledge the obligation to pay Liquidated Damages to us in the amount of $_____, as a result of the early termination of the Franchise Agreement. You and the Guarantors will pay this amount to us via wire or electronic funds transfer when you sign and return this Agreement to us, but no later than the Termination Date.

3. De-identification.

(a) You acknowledge that the Franchise Agreement requires you to perform certain post-termination obligations. In addition to any such obligations specified in the Franchise Agreement, no later than ten days after the Termination Date, you will (i) remove all signage and other items bearing the _____ trade name, trademarks and service marks ("Marks"); (ii) perform all post-termination obligations specified in the System Standards Manual; (iii) change all signs, billboards, and listings in telephone directories, travel guides, hotel indices and similar materials in which the Facility is identified as a _____ brand facility; (iv) remove the Marks from and otherwise change all e-mail addresses and social media identities that include the Marks and words that are deceptively similar to the Marks; and (v) remove the Marks from any advertising or promotional activities on, around or directed towards the Facility, including any web sites, web pages, metatags or search engines. You will cooperate fully with us regarding any post-termination inspections by us to verify that the Facility has been properly de-identified.

(c) Effective on the Termination Date, all software licenses granted to you by us will terminate. You will then cease to use any property management system software we provided to you, and we and our affiliates will have no further obligation to provide any hardware or software maintenance services to you. 5. Audit Rights. Notwithstanding the Termination Date, we retain the right to perform audits of the Facility's books and records for a period of two years after the Termination Date. You acknowledge that your audit and record keeping obligations under the Franchise Agreement survive until the expiration of the two-year period. (b) Subject to Section 8 below, and your and each Guarantor's complete performance of the obligations under this Agreement, the Franchise Agreement and any other Facility-related agreements with us or our affiliates, we, for ourself and our successors and assigns, hereby release and waive any claims and causes of action against you and each Guarantor arising out of the offer, sale, execution, delivery, performance, and termination of the License, the Franchise Agreement and the related agreements regarding the Facility. This release applies only to those claims that were or could have been asserted relating to the Facility and the relationship between you and us and does not apply to any claims that may exist or which may arise in the future regarding any other guest lodging facility. If, at any time, the monies paid to us in consideration for our release are set aside as a preference under 11 U.S.C. §§ 547 and/or 544, or are otherwise ordered to be disgorged from us in connection with legal proceedings that involve you and/or any Guarantor, our release provided herein shall be deemed null and void.

(c) [For Releases subject to the Washington Franchise Investment Protection Act, add: This Release does not apply to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and any rule or order adopted thereunder, except if this Release is entered into in connection with a negotiated settlement of a bona fide dispute in which the person giving the release or waiver is represented by independent legal counsel.]

8. Survival. Despite the mutual releases provided in Section 7, the parties agree that the following survive after the Termination Date: (a) the indemnification obligations specified in the Franchise Agreement continue in full force for any transactions, occurrences, and events occurring during the Term specified in the Franchise Agreement and for any transactions, occurrences, and events occurring during the period the Facility was operated by you or on your behalf using the Marks; (b) the benefits of all insurance policies you obtained for the Facility accrue to us for transactions, occurrences and events occurring during the period in which the Franchise Agreement was in effect or for any transactions, occurrences and events occurring during the period the Facility was operated using the Marks; (c) the confidentiality obligations specified in this Agreement and the Franchise Agreement; and (d) the audit and record keeping provisions in the Franchise Agreement and Section 5 of this Agreement, for the time periods such provisions specify. The Franchise Agreement shall remain in effect solely as to such provisions until the expiration of the applicable statutes of limitation as to claims and actions that could be asserted by third parties.

9. Confidentiality. Each party hereto and its respective counsel agree that they will not disclose any of the terms of this Agreement or any amounts to be paid to us pursuant to this Agreement. The parties and their respective counsel, however, are not precluded from disclosing the terms of the Agreement to their attorneys, accountants, tax preparers, paid financial advisors

and/or any governmental, regulatory or judicial authority that might compel the disclosure of this Agreement, or otherwise to the extent required by law or demanded by any governmental or regulatory entity. Notwithstanding the foregoing, if any of the parties is served with a subpoena or other governmental or judicial process seeking to compel the disclosure of this Agreement, it shall be the responsibility of the party that receives the subpoena or other governmental or judicial process to notify all other parties to this Agreement within 72 hours of receipt, thus affording the other parties to this Agreement an opportunity to move to quash the subpoena and/or oppose the entry of any order seeking to compel the disclosure of this Agreement. Additionally, in the event it becomes necessary to file this Agreement with a Court in any future enforcement action between or among the parties, the parties hereby agree to apply jointly for leave to file this Agreement under seal.

10. Consultation with Counsel. You and each Guarantor acknowledge that each of you have consulted with, or had the opportunity to consult with, legal counsel of your and their own selection about this Agreement. You and each Guarantor each understand how this Agreement will affect your legal rights and voluntarily enter into this Agreement with such knowledge and understanding.

11. Attorneys' Fees. The parties agree that the non-prevailing party will pay all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party to enforce this Agreement or collect amounts owed under this Agreement.

12. Consent to Jurisdiction. This Agreement will be governed by and interpreted under New Jersey law. The parties hereby consent and waive all objections to the non-exclusive personal jurisdiction of, and venue in, the United States District Court of New Jersey and the state courts situated in Morris County, New Jersey for the purposes of all cases and controversies involving this Agreement and its enforcement.

13. Capitalized Terms. Capitalized terms not otherwise defined in this Agreement shall have the meaning assigned to that term in the Franchise Agreement, including its addenda and amendments.

14. Execution in Counterparts. To facilitate execution of this Agreement by geographically separated parties, this Agreement and all other agreements and documents to be executed in connection herewith may be executed in as many counterparts as may be required; and it shall not be necessary that the signatures on behalf of each party appear on each counterpart; but it shall be sufficient that the signature on behalf of each party appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. - Effect execution of the rate strategy on an ongoing basis, specifically advising the Facility staff on Franchisor's actions to:
    - Maintain the pricing structure for the Facility
    - Evaluate demand based on historical and currently booked data
    - Analyze potential commitments to groups and make recommendations on pricing and allocations
    - Analyze and identify the relevant market segments which apply to the Facility and make pricing and rate policy recommendations for those segments
    - Review competitive pricing and availability
    - Recommend price points and availability restrictions for future dates across all distribution channels
- Produce reports for the Facility Executive Staff on past results and future conditions
- Facilitate weekly or bi-weekly meetings with the Facility staff to review past results and future market conditions
- Test whether the Facility is in compliance with any Franchisor policies related to pricing, including but not limited to rate parity across distribution channels, "disaster pricing", corporate and affiliation discounts, last room availability.
- Communicate recommendations and status of changes to the Facility staff designees

Responsibility for prices and availability

These support services are intended to be used specifically to ensure access to the Public Access Network. Our support desk will address issues pertaining to network activation, hardware and software configuration, and "general" questions pertaining to logging into the Network. These questions typically pertain to basic functionality and connectivity for various PC/Laptop/PDA wireless devices and their respective operating systems, NIC/Drivers, IP/Network, and standard firewall or other configuration settings. Support will not include security-related configuration or setting queries, which would be referred to your Internet Service Provider via a warm "hand off" under Level 2 support as described in §4.2.2.

4.2.2 **Level 2 Telephone Support.** We will make all reasonable efforts to provide Level 2 telephone support services to you (you must provide us with a service provider with sufficient resources with whom to work). The Level 2 support desk will address issues pertaining to broadband access (e.g, third party T1, Cable and DSL providers), network integrity and device responsiveness via remote management tools. This support will rely on detailed documentation you provide to us for accessing network devices. Level 2 support will coordinate with your appointed contact for physical inspections and power cycles of suspected

faulty on-premise equipment. Level 2 support will initiate a warm "hand off" to your third-party Internet Service Provider (as identified in your Connectivity Agreement) for suspected broadband or other potentially significant performance or other issues. Level 2 support will initiate contact with Level 3 hardware support (quoted separately or a third-party, including a service provider) concerning any suspected network equipment malfunction.

4.2.3 **WEB PORTAL SERVICE.** We will provide and host a brand-specific landing page with an End User License Agreement ("**EULA**").

4.2.4 **Splash Page.** We will provide a "splash page" with various promotions and offers from the Wyndham Rewards program, its third-party providers, and/or such other content we may designate from time to time, in our sole discretion, and you hereby accept inclusion of the "splash page" as part of the support services. For purposes hereof, the "splash page" shall also be considered Software as that term is used herein.

4.2.5 **Excluded Services**. The support services hereunder are intended to provide you with front-line support concerning basic connectivity and functionality of your Equipment, to facilitate continued availability of network services you acquire from a third party for your facility. No component of the support services hereunder constitutes or is intended to serve as an Electronic Communications Service (as defined in 18 U.S.C. §2510) or a Remote Computing Service (as defined in 18 U.S.C. §2711) or to provide information security support concerning your network services. Further, any SNMP or other network monitoring activities performed hereunder will be solely related to maintaining equipment and service functionality (for example, bandwidth and network speed) and shall not include content access, monitoring, filtering or other ancillary content-related services. Should you desire any additional network or content-related services, these should be acquired from a third-party service.

5. FEES AND PAYMENT TERMS

5.1 Fees; Payments. You shall pay all fees for the support services to be provided to you by us. We will invoice you monthly at eighty-five cents ($0.85) per room, as reflected in the Franchise Agreement for the support services (the "**Fees**"). All Fees and amounts due hereunder are due upon invoice receipt. We may apply any amounts received to any outstanding invoices in any order. If you do not make all payments of Fees to us when due, then, upon written notice to you, we may withhold implementation, suspend the support services (subject to Section 5.3 below) or terminate this Agreement. We may increase the ongoing Fees on an annual basis by no more than five percent (5%) above the fees paid by you during the immediately preceding twelve- (12-) month period; provided, however, that we shall notify you no less than thirty (30) days prior to any such increase taking effect.

5.2 Overdue Charges. If any Fees or charges are not received from you by the due date, then, at our sole discretion, (a) such Fees or charges may accrue late interest at the rate of 1.5% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid, and/or (b) we may condition future subscription renewals on payment terms shorter than those specified in Section 4.1 above.

5.3 Suspension of Service and Acceleration. If any Fees owing by you hereunder are thirty (30) or more days overdue, we may, without limiting our other rights and remedies, accelerate your unpaid fee obligations hereunder so that all such obligations become immediately due and payable, and suspend our support services to you until such amounts are paid in full. We shall give you at least seven (7) days' prior notice that your account is overdue, before suspending the support services.

5.4 **Taxes.** Unless otherwise stated, our Fees do not include any taxes, levies, duties or similar governmental assessments, including but not limited to value- added, sales, use or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction (collectively, "**Taxes**"). You are responsible for paying all Taxes associated with purchases hereunder. If we have a legal obligation to pay or collect Taxes for which you are responsible, the appropriate amount shall be invoiced to and paid by you, unless you provide us with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, we are solely responsible for taxes assessable based on our income, property and employees.

6. TECHNICAL REQUIREMENTS

In order to facilitate connectivity and functionality of electronic communications services at your facility, you may be required to maintain a third-party Service Provider's minimum technical requirements, as set forth in the agreement between you and such Service Provider. If any third-party Service Provider you engage, at your request, attempts to integrate hardware with the Equipment , we shall not be liable for any injury or damage to either the hardware or the functionality of your other contracted communications services or related services unless such injury or damage is due to our gross negligence or willful misconduct. The warranties described herein do not apply to any hardware or Products and Services not provided to you by us.

7. CONFIDENTIALITY

7.1 Each party may from time to time disclose to the other (both orally and in writing), in connection this Agreement, certain financial, technical, legal, marketing, network, and/or other business reports, records, or data (including, but not limited to, Personal Information, computer programs, code, systems, applications, analyses, passwords, procedures, output, information regarding software, Service Provider lists, customer lists, and other customer-related information, advertising and promotional plans, creative concepts, specifications, designs, and/or other material) which the disclosing Party ("**Discloser**") deems, and the receiving Party ("**Receiver**") should consider, proprietary and/or confidential (and of independent economic value) to the disclosing Party (collectively, "**Confidential Information**"). Our Confidential Information also shall include any proprietary and/or confidential information related to our affiliates, employees, franchisees, sales representatives, brokers, and/or customers, as well as any and all content provided by us to you with respect to any Services hereunder. Your Confidential Information also shall include your (and your subcontractors') Software and/or pre-existing proprietary materials licensed or provided to, or accessed by, us hereunder. "**Personal Information**" means any information relating to an identified or identifiable person and that, either by itself or in combination with other information, identifies, or can be used to identify, an individual. Examples include, without limitation, names, phone numbers, addresses, credit card information, social security numbers, and/or account or financial information of Franchisor, Franchisee, or, as applicable, their respective affiliates' employees, franchisees, sales associates, brokers, or customers.

7.2 The Receiver agrees to treat all Confidential Information provided by the Discloser pursuant to this Agreement as proprietary and confidential to the Discloser, and the Receiver shall not (without the Discloser's prior written consent) disclose or permit disclosure of such Confidential Information to any third party, provided that the Receiver may disclose, on a need-to-know basis, such Confidential Information to its third party subcontractors who have signed non-disclosure agreements with the Receiver, and/or to its (and, in the case of Franchisor, to Franchisor's affiliates') current employees, officers, or directors, or legal or financial representatives. The Receiver agrees to safeguard all Confidential Information of the Discloser with at least the same degree of care (which in no event shall be less than reasonable care) as the Receiver uses to protect its own Confidential Information. The Receiver shall use the Discloser's Confidential Information solely for the purpose of fulfilling its obligations hereunder. The Receiver further agrees not to use or disclose the Discloser's Confidential Information for its own benefit or for the benefit of others, except as otherwise authorized by this Agreement or by the Discloser in writing.

7.3 Notwithstanding the foregoing, the Parties agree the following shall not be deemed Confidential Information hereunder: (i) Information the Receiver independently develops without any breach hereof, and can be shown by documentary evidence; (ii) Information which is or becomes in the public domain by no fault or wrongful act of the Receiver; (iii) Information known by the Receiver prior to disclosure by the Discloser; (iv) Information disclosed to the Receiver by a third Party not under a similar confidentiality obligation to the Discloser, and without breach hereof; (v) Information approved for release by written authorization of the Discloser and/or a third Party owner of the information; or (vi) Information disclosed pursuant to the lawful requirement or order of a court or governmental agency, provided that, upon the Receiver's receipt of a request for such disclosure, the Receiver gives prompt notice thereof to the Discloser (unless such notice is not legally permissible or required under the circumstances) so the Discloser may have the opportunity to intervene, contest such disclosure and/or seek a protective order or other appropriate remedy.

7.4 All Confidential Information transmitted or disclosed hereunder will be and remain the Discloser's property, and the Receiver shall (at the Discloser's election) promptly destroy or return to the Discloser any and all copies thereof upon termination or expiration hereof, or upon the Discloser's written request. Upon the Discloser's request, any such destruction shall be certified in writing by the Receiver.

7.5 Nothing herein shall be construed to limit or prohibit the Receiver from independently creating or developing, or from acquiring from third Parties, any information, products, concepts, systems, or techniques that are similar to or compete with those contemplated by or embodied in the Discloser's Confidential Information, provided that (in connection with such creation, development, or acquisition) the Receiver does not violate any of its obligations hereunder.

7.6 The Parties acknowledge and agree that monetary damages may not be calculable or a sufficient remedy for any breach of this Section 7 by the Receiver, and that the Discloser may suffer great and irreparable injury as a consequence of such breach. Accordingly, each Party agrees that, in the event of such a breach or threatened breach, the Discloser shall be entitled to seek equitable relief (including, without limit, injunction and specific performance) to remedy such breach or threatened breach. Such remedies shall not be deemed exclusive remedies for a breach by the Receiver but shall be in addition to any and all other remedies provided hereunder or available at law or equity to the Discloser.

7.7 Notwithstanding the foregoing, to the extent an individual would be considered an employee pursuant to 18 U.S.C. §1833(b)(4), such individuals shall not be held criminally or civilly liable under any U.S. Federal or State trade secret law for the disclosure of Confidential Information if such disclosure is made in confidence to a government official, either directly or indirectly, or to that individual's attorney, if such disclosure is made solely for the purpose of reporting or investigating a suspected violation of law or if the disclosure is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Moreover, an individual who files a lawsuit for retaliation claiming that retaliation against said individual for reporting a suspected violation of law may disclose Confidential Information to his or her attorney and may use it in the court proceeding, provided any document containing it is filed under seal and the individual does not disclose it except pursuant to court order.

11 OWNERSHIP OF GUEST INFORMATION.

We shall own all Guest Information in our possession or that of any service provider holding it on our behalf, and you shall own all Guest Information in your possession or that of any service provider holding it on your behalf. To the extent both Parties possess identical Guest Information, our and your respective ownership rights with regard to it shall be separate and independent from one another. 12.7 Agreement. This Agreement supersedes all prior oral and written agreements and understandings and, together with any order forms that may accompany this Agreement, constitutes the entire Agreement between the Parties with respect to this subject matter. REMOTE SALES SERVICES AGREEMENT

This REMOTE SALES SERVICES AGREEMENT ("Agreement") is made as of_____, 20_("Effective Date") by and between Wyndham Hotel Group, LLC, with offices located at 22 Sylvan Way, Parsippany, New Jersey 07054 ("we", "our", or "us") and_____with principal offices located at_____("you") regarding the guest lodging facility located at_____("Facility").

Recitals. We have developed a supplementary remote local sales consulting service as described in Exhibits A and B, (the "Service") in addition to the primary services we provide to franchisees or members under their franchise or membership agreements. By signing below, you acknowledge your participation in the Services at the rates set forth and in accordance with the terms of this Agreement.

NOW THEREFORE, in consideration of the terms and conditions contained herein, the receipt and sufficiency of which are hereby acknowledged, you and we agree as follows:

1. **Provision of Services.** We currently offer the Service as described in Exhibits A and B. You may elect whether or not to participate in the Speed to Book program described in Exhibit B. In addition to the descriptions in Exhibits A and B, we will provide the Service in accordance with any Remote Sales Service Policies ("RSS Policies"), as they may be set forth in System Standards and updated from time to time. Within ten (10) days after the Effective Date, your primary representative (described below) and our representative shall meet and confer to determine the terms under which we shall provide the Service (the "Initial Meeting"). You will establish the reference room rate for the Facility upon which all other rates are based ("Rate of the Day"). In addition, you will establish the parameters under which we are authorized to offer rooms or services at the Facility to third parties in connection with potential stays (including, but not limited to the discount off Rate of the Day, group size limits, amenities, packages or other incentives). You retain ultimate and sole control over all decisions to accept, or not to accept, all sales at the Facility. The Service shall begin the day on which you provide us, in writing, with all information that we reasonably request during the Initial Meeting and the authorizations for Service described in Exhibit A (the "Commencement Date").

   Subject to the foregoing, by entering into this Agreement, you explicitly (i) agree to abide by the RSS Policies, (ii) authorize us to access, as necessary, your room rates, inventory and other Facility information in our Reservation System, your Facility's property management system, your Facility's food and beverage system (if applicable), any extranets that the Facility maintains with OTAs, and all third party sales response and tracking systems (e.g. Lanyon, HotelPlanner), (iii) authorize us to offer for sale to third parties room and other services at the Facility within certain parameters pre-authorized by you, and (iv) authorize us to accept non-contract reservations from third parties for rooms and other services at the Facility within certain parameters pre-authorized by you without advance notice to you. **We will not, however, enter into any contract on your behalf and you will be solely responsible for (i) contracting with any third parties that wish to stay at the Facility, and (ii) any sales at the Facility that fall outside of the parameters pre-authorized by you.** In addition, during the term of this Agreement, you agree to insert the following acknowledgment into all contracts you enter into with third parties with respect to sales at the Facility:

"*The parties to this Agreement agree and acknowledge that neither Wyndham Hotels & Resorts, Inc., Wyndham Hotel Group, LLC nor any of their affiliates or subsidiaries is a party to this Agreement and shall have no liability for any events or occurrences arising, or failing to arise, out of this Agreement.*"

You acknowledge that we are not responsible for any third party guests at the Facility (regardless of whether they were referred to the Facility by us or their reservations were accepted by us in connection with the Service) and that the indemnification obligations described in your Franchise or Membership Agreement apply at all times during the course of this Agreement.

2. **Facility Representative.** You shall designate, at the end of this Agreement, a primary Facility representative who shall have the authority to make binding decisions to accept reservations for the Facility and a secondary representative who shall exercise such authority in the absence of the primary representative. We may communicate with these representatives by telephone, e-mail or in another manner, and may rely on any communication which we believe, in good faith, is from them. You may change your designation at any time by notifying us in accordance with Section 11(E) below. Upon our request, the Facility representative shall provide feedback concerning the performance, operation and general acceptability of the Service, as well as recommendations for improvement.

3. **Fee.** You shall pay to us the Fees set forth in the applicable Exhibit to this Agreement, which shall be paid within fifteen (15) days of the receipt of each invoice. We may increase the Fees by providing you at least thirty (30) days prior written notice, provided that you may terminate this Agreement upon fifteen (15) days prior written notice if the increase in Fees over a one year period is a total of more than ten percent (10%) of the Fees in effect at the beginning of the period.

4. **Term.** The "Term" of this Agreement shall begin on the Commencement Date and shall continue for one year whereupon it shall be automatically renewed for successive Terms of one year each until (i) expiration or termination of the Franchise or Membership Agreement when this Agreement will automatically terminate, or (ii) either party terminates this Agreement in accordance with Section 5 below.

5. **Termination.** If either party breaches this Agreement (including but not limited to failing to abide by the RSS Policies) and fails to correct such breach within thirty (30) days (or ten (10) days in the event of any failure to pay amounts owed under this Agreement when due) of being notified thereof in writing, the non-breaching party may terminate this Agreement, effective upon written notice to the breaching party. In addition, at any time after ninety (90) days after the Commencement Date, you may terminate this Agreement without cause by providing at least thirty (30) days' prior written notice of termination to us. We may terminate this Agreement without cause by providing at least sixty (60) days' prior written notice of termination to you.

6. **Dispute Resolution.** Any disputes occurring under this Agreement shall be resolved in accordance with the dispute resolution procedures under the Franchise or Membership Agreement, including but not limited to, the provisions concerning waiver of jury trial, consent to venue and personal jurisdiction, and choice of law.

7. **Confidentiality.** Any know-how, algorithms, formulae, data, recommendations, documentation, software, or other materials or information that we furnish to you in connection with the Services shall be deemed "Confidential Information" as defined in the Franchise or Membership Agreement and shall be subject to all prohibitions on disclosure, copying or use of the Confidential Information under the Franchise or Membership Agreement. We shall have all rights under the Franchise or Membership Agreement if you breach these confidentiality obligations.

8. **No Warranty. WE MAKE NO REPRESENTION OR WARRANTY REGARDING THE VOLUME OF RESERVATIONS OR AMOUNT OF REVENUES THAT THE FACILITY WILL ATTAIN AS A RESULT OF THE SERVICE OR THAT YOUR RESERVATIONS OR REVENUE WILL INCREASE. WE MAKE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING THE SERVICE. YOU, ON BEHALF OF YOURSELF, YOUR SUCCESSORS AND ASSIGNS, HEREBY WAIVE, RELEASE AND RENOUNCE ALL CLAIMS OR CAUSES OF ACTION THAT YOU MAY HAVE AGAINST US, OUR AFFILIATES, OR OUR OR THEIR OFFICERS, DIRECTORS OR AGENTS, ARISING OUT OF THE SERVICES, UNLESS DUE TO OUR WILFULL MISCONDUCT.**

9. **Limitation on Liability. NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR INDIRECT DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS OR LOST REVENUE (COLLECTIVELY REFERRED TO AS "INDIRECT DAMAGES") ARISING FROM, RELATING TO, OR IN CONNECTION WITH THIS AGREEMENT (INCLUDING ALL EXHIBITS), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF OR COULD HAVE FORESEEN SUCH DAMAGES. IN ADDITION, EACH PARTY'S DIRECT DAMAGES (AND ANY INDIRECT DAMAGES TO THE EXTENT THAT A COURT OF COMPETENT JURISDICTION OR OTHER AUTHORITY DOES NOT RECOGNIZE OR ENFORCE THE WAIVER FROM LIABILITY SET FORTH IN THE FIRST SENTENCE OF THIS SECTION) SHALL BE LIMITED TO THE TOTAL FEES PAID BY YOU TO US DURING THE THEN CURRENT TERM OF THE AGREEMENT. THE ABOVE LIMITATIONS ON LIABILITY APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, OR OTHERWISE. NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY FOR THE CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR INDIRECT DAMAGES THAT MAY BE THE RESULT OF ADMINISTRATIVE ERRORS PROVIDED THAT NO MALICE OR NEGLIGENCE WAS INTENDED.**

10. **Force Majeure.** In no event shall either party be liable for any failure or delay in performance (except for the obligation to remit fees) due to causes or circumstances beyond its reasonable control and without its fault or negligence (including, but not limited to, Acts of God, acts of the public enemy, war or terrorism, acts of the United States of America, or any state, territory or political division of the United States of America, or of the District of Columbia, fires, floods, or other natural disaster, strikes or any other labor disputes, communication line failures, and/or freight embargoes). The party claiming such a failure or delay must promptly notify the other party of such failure or delay. In the event that any such failure or delay continues for more than thirty (30) days, then either party upon notice to the other may terminate this Agreement without any further liability to the other party.

11. **Miscellaneous**

A. **Entire Agreement.** The parties agree that this Agreement contains the entire agreement between the parties relating to the Services, superseding and terminating any prior representation, warranty or agreement, whether oral or in writing. No modification or amendment of this Agreement shall be binding upon either party unless the same has been made in writing and executed by both parties. Notwithstanding the foregoing, no provision in this or any related agreement is intended

to disclaim the express representations made in the Franchise Disclosure Document.

B. **No Third Party Beneficiary.** Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies under this Agreement upon any person or legal entity other than you.

C. **Successors and Assigns.** This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of the parties. This Agreement may not be assigned by you without our prior written approval.

D. **Counterpart Execution.** This Agreement may be executed in counterparts and each copy so executed shall be deemed an original. Any copy delivered by facsimile transmission or bearing an electronic signature shall be granted the same legal effect as a copy having an original signature.

E. **Notices.** All notices shall be delivered in the manner set forth in the Franchise or Membership Agreement. Such notices shall be deemed given on the date delivered or date of attempted delivery if refused.

F. **Waivers.** If we allow you to deviate from any term of this Agreement, we may insist on strict compliance of any other term or of the same term at a later time. All waivers under this Agreement must be in writing and signed by our authorized representative to be effective.

IN WITNESSS WHEREOF, the parties hereto have duly executed, sealed and delivered this Agreement in duplicate on the day and year first above written.

You agree that, with respect to group sales leads under the Speed to Book program: (i.) except for those groups or accounts specifically identified by you below, we may negotiate and book any and all group business for the Facility that is consistent with the parameters described below without further authorization, (ii) we may generate a group block agreement between you and any group that accepts the terms offered, and (iii) you will honor the terms of all such agreements in full. The current form of group block agreement is attached as Schedule A although the form of agreement we use is subject to change. In the event you wish (i) to update any of the parameters described below, or (ii) to terminate this Speed to Book Participation Form, then you will notify us in accordance with the notice provisions described in the RSS Agreement. EXHIBIT D

Item 7A. Quantitative and Qualitative Disclosures About Market Risk.

We use various financial instruments, including interest swap contracts, to reduce the interest rate risk related to our debt. We also use foreign currency forwards to manage and reduce the foreign currency exchange rate risk associated with our foreign currency denominated receivables and payables, forecasted royalties, forecasted earnings and cash flows of foreign subsidiaries and other transactions.

We are exclusively an end user of these instruments, which are commonly referred to as derivatives. We do not engage in trading, market making or other speculative activities in the derivatives markets. More detailed information about these financial instruments is provided in Note 13 - Fair Value to the Consolidated Financial Statements contained in Part IV of this report. Our principal market exposures are interest rate and currency exchange rate risks.

We assess our exposures to changes in interest rates utilizing a sensitivity analysis. The sensitivity analysis measures the potential impact in earnings, fair values and cash flows based on a hypothetical 10% change (increase and decrease) in interest rates. Our variable-rate borrowings, which include our term loan, a portion of which has been swapped to a fixed interest rate, and any borrowings we make under our revolving credit facility, expose us to risks caused by fluctuations in the applicable interest rates. The total outstanding balance of such variable-rate borrowings, net of swaps, was $583 million as of December 31, 2023. A hypothetical 10% change in our effective weighted average interest rate on our variable-rate borrowings would result in a $3 million increase or decrease to our annual long-term debt interest expense, and a one-point change in the underlying interest rates would result in approximately a $6 million increase or decrease in our annual interest expense.

The fair values of cash and cash equivalents, trade receivables, accounts payable and accrued expenses and other current liabilities approximate their carrying values due to the short-term nature of these assets and liabilities.

We have foreign currency rate exposure to exchange rate fluctuations worldwide, particularly with respect to the Canadian Dollar, Chinese Yuan, Euro, Brazilian Real, British Pound and Argentine Peso. We anticipate that such foreign currency exchange rate risk will remain a market risk exposure for the foreseeable future.

We use a current market pricing model to assess the changes in the value of our foreign currency derivatives used by us to hedge underlying exposure that primarily consists of our non-functional-currency current assets and liabilities. The primary assumption used in these models is a hypothetical 10% weakening or strengthening of the U.S. dollar against all our currency exposures as of December 31, 2023. The gains and losses on the hedging instruments are largely offset by the gains and losses on the underlying assets, liabilities or expected cash flows. As of December 31, 2023, the absolute notional amount of our outstanding foreign exchange hedging instruments was $153 million. We have determined through such analyses, that a hypothetical 10% change in foreign currency exchange rates would have resulted in approximately a $1 million increase or decrease to the fair value of our outstanding forward foreign currency exchange contracts, which would generally be offset by an opposite effect on the underlying exposure being economically hedged.

Argentina is considered to be a highly inflationary economy. As of December 31, 2023, we had total net assets of $1 million in Argentina.

Our total market risk is influenced by a wide variety of factors including the volatility present within the markets and the liquidity of the markets. There are certain limitations inherent in the sensitivity analyses presented. While probably the most meaningful analysis, these “shock tests” are constrained by several factors, including the necessity to conduct the analysis based on a single point in time and the inability to include the complex market reactions that normally would arise from the market shifts modeled.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Wyndham Hotels & Resorts, Inc.

Opinions on the Financial Statements and Internal Control over Financial Reporting

We have audited the accompanying consolidated balance sheets of Wyndham Hotels & Resorts, Inc. and subsidiaries (the "Company") as of December 31, 2023 and 2022, the related consolidated statements of income, comprehensive income, equity, and cash flows, for each of the three years in the period ended December 31, 2023, and the related notes (collectively referred to as the "financial statements"). We also have audited the Company's internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO").

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2023, in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2023, based on criteria established in *Internal Control — Integrated Framework (2013)* issued by COSO.

Basis for Opinions

The Company's management is responsible for these financial statements, for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying *Management's Report on Internal Control over Financial Reporting*. Our responsibility is to express an opinion on these financial statements and an opinion on the Company's internal control over financial reporting based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud, and whether effective internal control over financial reporting was maintained in all material respects.
Our audits of the financial statements included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures to respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audits also included performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinions.

Definition and Limitations of Internal Control over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current-period audit of the financial statements that was communicated or required to be communicated to the audit committee and that (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Deferred Revenues and Liability – Wyndham Rewards Loyalty Program – Refer to Notes 2 and 3 to the financial statements

Critical Audit Matter Description

The Company operates the Wyndham Rewards loyalty program under which members earn points that can be redeemed for free nights or other rewards. Wyndham Rewards members primarily accumulate points by staying at a participating hotel, club resort, or vacation rental or by making purchases with their Wyndham Rewards co-branded credit card. Revenues related to the issuance of loyalty points are recognized net of redemptions over time based upon loyalty point redemption patterns, including an estimate of loyalty points that will expire or will never be redeemed. In addition, the Company records a liability for estimated future redemption costs of outstanding loyalty points.

The Company estimates the value of the deferred revenues and related liability (collectively referred to as the "liability") related to the loyalty program based on (i) an estimated cost per point and (ii) an estimated redemption rate of the overall points earned, which is determined with the assistance of a third-party actuarial firm through historical experience, current trends and the use of an actuarial analysis, and includes an estimate of the points that will expire or will never be redeemed. Changes in the estimated cost per point and/or the estimated redemption rate used in the determination of the liability could result in a material change to the amount of liability reported.

We identified the estimated cost per point and the estimated redemption rate used in the determination of the liability as a critical audit matter because of the high degree of auditor judgment and an increased extent of effort, including the involvement of our actuarial specialists, when performing audit procedures to evaluate the reasonableness of management's estimates and assumptions related to the selection of the estimated cost per point and the estimated redemption rate.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the estimated cost per point and estimated redemption rate used in the determination of the liability included the following, among others:

- We tested the effectiveness of the controls related to the liability, including those over the estimate of the cost per point and the estimate of the redemption rate.
- We evaluated the assumptions used by management to estimate the cost per point by:
  - Testing the underlying data that served as the inputs for the historical cost per point, including historical redemptions.
  - Discussing with management the assumptions used in the Company's estimated future cost per point and evaluating the reasonableness by comparing the projections to (1) forecasted information included in industry reports, and (2) trends in Wyndham Rewards member behavior.
  - Comparing management's prior-year estimated cost per point to actual redemptions during the current year to identify potential bias in the determination of the liability.
  - Evaluating whether the assumptions used by management to estimate the cost per point were consistent with evidence obtained in other areas of the audit.
- We evaluated the assumptions used by management to estimate the redemption rate by:
  - Testing the underlying data that served as the inputs for the actuarial analysis of the estimated redemption rate, including earnings and redemptions.
  - Evaluating whether any approved changes to the Wyndham Rewards loyalty program have been appropriately considered in the actuarial analysis of the estimated redemption rate.
  - Comparing management's prior-year estimated redemption rate to actual redemptions during the current year to identify potential bias in the determination of the liability.
- With the assistance of our actuarial specialists, we developed a range of independent estimates of the liability, utilizing the same underlying data tested above, and compared our estimates to management's estimates.

WYNDHAM HOTELS & RESORTS, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unless otherwise noted, all amounts are in millions, except share and per share amounts)

1. BASIS OF PRESENTATION

Wyndham Hotels & Resorts, Inc. (collectively with its consolidated subsidiaries, "Wyndham Hotels" or the "Company") is a leading global hotel franchisor, licensing its renowned hotel brands to hotel owners in over 95 countries around the world.

The Consolidated Financial Statements have been prepared on a stand-alone basis. The Consolidated Financial Statements include the Company's assets, liabilities, revenues, expenses and cash flows and all entities in which it has a controlling financial interest. The accompanying Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All intercompany balances and transactions have been eliminated in the Consolidated Financial Statements.

In presenting the Consolidated Financial Statements, management makes estimates and assumptions that affect the amounts reported and related disclosures. Estimates, by their nature, are based on judgment and available information. Accordingly, actual results could differ from those estimates. In management's opinion, the Consolidated Financial Statements contain all normal recurring adjustments necessary for a fair presentation of annual results reported.

Business Description

Wyndham Hotels' primary segment is hotel franchising which principally consists of licensing the Company's lodging brands and providing related services to third-party hotel owners and others.

In the first quarter of 2023, the Company changed the composition of its reportable segments to reflect the recent changes in its Hotel Management segment due to the exit from the select-service management business, the sale of its two owned hotels and the exit from substantially all of its U.S. full-service management business in 2022. The remaining hotel management business, which is predominately the full-service international managed business, no longer meets the quantitative thresholds to be considered a reportable segment and as a result, the Company has aggregated, on a prospective basis, such management business within its Hotel Franchising segment.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

When evaluating an entity for consolidation, the Company first determines whether an entity is within the scope of the guidance for consolidation of variable interest entities ("VIEs") and if it is deemed to be a VIE. If the entity is considered to be a VIE, the Company determines whether it would be considered the entity's primary beneficiary. The Company consolidates those VIEs for which it has determined that it is the primary beneficiary. The Company will consolidate an entity not deemed a VIE upon a determination that it has a controlling financial interest. For entities where the Company does not have a controlling financial interest, the investments in such entities are classified as available-for-sale securities or accounted for using the equity method, as appropriate.

Use of Estimates and Assumptions

The preparation of the Consolidated Financial Statements requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosure of contingent assets and liabilities in the Consolidated Financial Statements and accompanying notes. Although these estimates and assumptions are based on the Company's knowledge of current events and actions it may undertake in the future, actual results may ultimately differ from estimates and assumptions.

Revenue Recognition

The principal source of revenues from franchising hotels is ongoing royalty, marketing and reservation fees, which are typically a percentage of gross room revenues of each franchised hotel. For a more detailed description of revenue recognition see Note 3 - Revenue Recognition.

Loyalty Program

The Company operates the Wyndham Rewards loyalty program. Loyalty members primarily accumulate points by staying in hotels operated under one of the Company's brands. Wyndham Rewards members may also accumulate points by purchasing everyday services and products with their Wyndham Rewards co-branded credit card.

The Company earns revenue from these programs (i) when a member stays at a participating hotel or club resort or vacation rental from a fee charged by the Company to the property owner or manager, which is based upon a percentage of room revenues generated from such stay which the Company recognizes, net of redemptions, over time based upon loyalty point redemption patterns, including an estimate of loyalty points that will expire or will never be redeemed, and (ii) based upon a percentage of the member's spending on the Wyndham Rewards co-branded credit cards for which revenues are paid to the Company by a third-party issuing bank which the Company primarily recognizes over time based upon the redemption patterns of the loyalty points earned under the program, including an estimate of loyalty points that will expire or will never be redeemed.

As members earn points through the loyalty program, the Company records a liability for the estimated future redemption costs, which is calculated based on (i) an estimated cost per point and (ii) an estimated redemption rate of the overall points earned, which is determined with the assistance of a third-party actuarial firm through historical experience, current trends and the use of an actuarial analysis. The Company estimates the value of the future redemption obligations by projecting the timing of future point redemptions based on historical levels, including an estimate of the points that will expire or never be redeemed, and an estimate of the points members will eventually redeem. The recorded liability related to the program totals $117 million and $118 million as of December 31, 2023 and 2022, respectively, of which $75 million and $74 million, respectively, are included in accrued expenses and other current liabilities, and $42 million and $44 million, respectively, are included in other non-current liabilities on the Company's Consolidated Balance Sheets.

Cash and Cash Equivalents

The Company considers highly-liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Valuation of Accounts Receivable

The Company measures the expected credit losses of its receivables on a collective (pool) basis which aggregates receivables with similar risk characteristics and uses historical collection attrition rates for ten years to estimate its expected credit losses. For a more detailed description of the valuation of accounts receivable see Note 5 - Accounts Receivable.

Advertising Expense

Advertising costs are expensed in the period incurred. Advertising expenses, which are primarily recorded within marketing and reservation expenses on the Consolidated Statements of Income, were $127 million, $124 million and $85 million in 2023, 2022 and 2021, respectively.

Property and Equipment

Property and equipment (including leasehold improvements) are recorded at cost and presented net of accumulated depreciation and amortization. Depreciation, recorded as a component of depreciation and amortization on the Consolidated Statements of Income, is calculated utilizing the straight-line method over the lesser of the lease terms or estimated useful lives of the related assets. Amortization of leasehold improvements, also recorded as a component of depreciation and amortization, is calculated utilizing the straight-line method over the lesser of the estimated benefit period of the related assets or the lease terms. Useful lives are generally up to 20 years for leasehold improvements and from three to seven years for furniture, fixtures and equipment.

The Company capitalizes the costs of software developed for internal use in accordance with the guidance for accounting for costs of computer software developed or obtained for internal use. Capitalization of software developed for internal use commences during the development phase of the project. The Company amortizes software developed or obtained for internal use on a straight-line basis over its estimated useful life, which is generally three to five years. Such amortization commences when the software is substantially ready for its intended use.

The net carrying value of software developed or obtained for internal use was $47 million and $56 million as of December 31, 2023 and 2022, respectively. Depreciation expense on capitalized software developed or obtained for

internal use was $40 million, $37 million and $33 million for the twelve months ended December 31, 2023, 2022 and 2021, respectively, which is reported within depreciation and amortization on the Consolidated Statements of Income.

Impairment of Long-Lived Assets

Goodwill is reviewed annually (during the fourth quarter of each year subsequent to completing the Company's annual forecasting process), or more frequently if circumstances indicate that the value of goodwill may be impaired, to the reporting units' carrying values as required by the guidance. This is done either by performing a qualitative assessment or utilizing the one-step impairment test, with an impairment being recognized only where the fair value is less than carrying value. In any given year, the Company can elect to perform a qualitative assessment to determine whether it is more likely than not that the fair value of a reporting unit is in excess of its carrying value. If it is not more likely than not that the fair value is in excess of the carrying value, or the Company elects to bypass the qualitative assessment, the Company would use the one-step impairment test. The qualitative factors evaluated include macroeconomic conditions, industry and market considerations, cost factors, overall financial performance, its historical share price as well as other industry-specific considerations. The Company performed its annual quantitative assessment for impairment on each reporting unit's goodwill as of October 1, 2023 and determined that no impairments existed and that it was more likely than not that the fair value of its reporting units continued to substantially exceed their carrying values.

The Company also determines whether the carrying values of other indefinite-lived intangible assets are impaired on an annual basis or more frequently if indicators of potential impairment exist. Application of the other indefinite-lived intangible assets impairment test requires judgment in the assumptions used to determine fair value. The fair value of each other indefinite-lived intangible asset is estimated using a discounted cash flow methodology. This analysis requires significant judgments, including estimation of future cash flows, which are dependent on internal forecasts, discount rates and to a lesser extent, estimation of long-term rates of growth. The estimates used to calculate the fair value of other indefinite-lived intangible assets change from year to year based on operating results and market conditions. Changes in these estimates and assumptions could materially affect the determination of fair value and the other indefinite-lived intangible assets' impairment. The Company performed its annual quantitative assessment for impairment on its indefinite-lived intangible assets as of October 1, 2023 and determined that no impairments existed and that it was more likely than not that the fair value of its indefinite-lived intangible assets continued to exceed their carrying values.

The Company also evaluates the recoverability of each of its definite-lived intangible assets by performing a qualitative assessment to determine if circumstances indicate that impairment may have occurred. If such circumstances exist, the Company performs a quantitative assessment by comparing the respective carrying value of the assets to the expected future cash flows, on an undiscounted basis, to be generated from such assets.

The Company also evaluates the recoverability of its other long-lived assets, including property and equipment, if circumstances indicate impairment may have occurred, pursuant to guidance for impairment or disposal of long-lived assets. This analysis is performed by comparing the respective carrying values of the assets to the current and expected future cash flows, on an undiscounted basis, to be generated from such assets. If such analysis indicates that the carrying value of these assets is not recoverable, the carrying value of such assets is reduced to fair value.

Business Combinations

The Company accounts for business combinations in accordance with the guidance for business combinations and related literature. Accordingly, the Company allocates the purchase price of acquired companies to the tangible and intangible assets acquired and liabilities assumed based upon their estimated fair values at the date of purchase. The difference between the purchase price and the fair value of the net assets acquired is recorded as goodwill.

In determining the fair values of assets acquired and liabilities assumed in a business combination, the Company uses various recognized valuation methods including present value modeling and referenced market values, where available. Further, the Company makes assumptions within certain valuation techniques including discount rates and timing of future cash flows. Valuations are performed by management or external valuation specialists under management's supervision, where appropriate. The Company believes that the estimated fair values assigned to the assets acquired and liabilities assumed are based on reasonable assumptions that marketplace participants would use. However, such assumptions are inherently uncertain and actual results could differ from those estimates.

Income Taxes

The Company recognizes deferred tax assets and liabilities based on the differences between the financial statement carrying amounts and the tax basis of assets and liabilities using currently enacted tax rates. The Company regularly reviews

its deferred tax assets to assess their potential realization and establishes a valuation allowance for portions of such assets that the Company believes will not be ultimately realized. In performing this review, the Company makes estimates and assumptions regarding projected future taxable income, the expected timing of the reversals of existing temporary differences and the implementation of tax planning strategies. A change in these assumptions may increase or decrease the Company's valuation allowance resulting in an increase or decrease in its effective tax rate, which could materially impact the Company's results of operations.

For tax positions the Company has taken or expects to take in a tax return, it applies a more likely than not threshold, under which the Company must conclude a tax position is more likely than not to be sustained, based on the technical merits, assuming that the position will be examined by the appropriate taxing authority that has full knowledge of all relevant information, in order to recognize or continue to recognize the benefit. In determining the Company's provision for income taxes, the Company uses judgment, reflecting its estimates and assumptions, in applying the more likely than not threshold.

The Company accounts for the global intangible low-taxed income provisions under the period cost method.

Stock-Based Compensation

In accordance with the guidance for stock-based compensation, the Company measures all employee stock-based compensation awards using a fair value method and records the related expense in its Consolidated Statements of Income.

The Company recognizes the cost of stock-based compensation awards to employees as they provide services, and the expense is recognized ratably over the requisite service period. The requisite service period is the period during which an employee is required to provide services in exchange for an award. Forfeitures are recorded upon the actual employee termination for each outstanding grant.

Derivative Instruments

The Company uses derivative instruments as part of its overall strategy to manage its exposure to market risks primarily associated with fluctuations in interest rates and currency exchange rates. As a matter of policy, the Company does not use derivatives for trading or speculative purposes. All derivatives are recorded at fair value as either assets or liabilities. Changes in fair value of derivatives not designated as hedging instruments and of derivatives designated as fair value hedging instruments are recognized currently in operating income and interest expense, net in the Consolidated Statements of Income, based upon the nature of the hedged item. The effective portion of changes in fair value of derivatives designated as cash flow hedging instruments is recorded as a component of other comprehensive income. The ineffective portion is reported immediately in earnings as a component of operating or interest expense, based upon the nature of the hedged item. Amounts included in other comprehensive income are reclassified into earnings in the same period during which the hedged item affects earnings.

Accumulated Other Comprehensive Income/(Loss)

Accumulated other comprehensive income ("AOCI") (loss) consists of accumulated foreign currency translation adjustments and unrealized gains or losses on the Company's cash flow hedges. Foreign currency translation adjustments exclude income taxes related to indefinite investments in foreign subsidiaries. Assets and liabilities of foreign subsidiaries having non-U.S.-dollar functional currencies are translated at exchange rates at the balance sheet dates. Revenues and expenses are translated at average exchange rates during the periods presented. The gains or losses resulting from translating foreign currency financial statements into U.S. dollars, net of hedging gains or losses and taxes, are included in AOCI on the Consolidated Balance Sheets.

Recently Issued Accounting Pronouncements

In November 2023, the Financial Accounting Standards Board ("FASB") issued an accounting update,*Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*, which is intended to improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. The guidance is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The guidance is to be applied retrospectively to all prior periods presented in the financial statements. Upon transition, the segment expense categories and amounts disclosed in the prior periods should be based on the significant segment expense categories identified and disclosed in the period of adoption. The Company is evaluating the potential impact of adopting this new guidance on our consolidated financial statements and related disclosures. The Company will adopt the guidance on January 1, 2024, as required.

In December 2023, the FASB issued an accounting update,*Income Taxes (Topic 740): Improvements to Income Tax Disclosures,*which modifies the rules on income tax disclosures to require entities to disclose (1) specific categories in the rate reconciliation, (2) the income or loss from continuing operations before income tax expense or benefit (separated between domestic and foreign) and (3) income tax expense or benefit from continuing operations (separated by federal, state and foreign). This update also requires entities to disclose their income tax payments to international, federal, state and local jurisdictions, among other changes. The guidance is effective for annual periods beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. This update should be applied on a prospective basis, but retrospective application is permitted. The Company is currently evaluating the potential impact of adopting this new guidance on our consolidated financial statements and related disclosures. The Company will adopt the guidance on January 1, 2025, as required.

Recently Adopted Accounting Pronouncements

Simplifying the Accounting for Income Taxes. On December 18, 2019, the FASB issued guidance which simplifies the accounting standards for income taxes. The amendment clarifies and simplifies aspects of the accounting for income taxes to help promote consistent application of GAAP by eliminating certain exceptions to the general principles of ASC 740, *Income Taxes.* This guidance is effective for fiscal years beginning after December 15, 2020 and interim periods within those fiscal years, with early adoption permitted. The Company adopted the guidance on January 1, 2021, as required. There was no material impact on the Company's Consolidated Financial Statements and related disclosures as a result of adopting this new standard.

3. REVENUE RECOGNITION

The principal source of revenues from franchising hotels is ongoing royalty fees, which are typically a percentage of gross room revenues of each franchised hotel. The Company recognizes royalty fee revenues as and when the underlying sales occur. The Company also receives non-refundable initial franchise fees, which are recognized as revenues over the initial non-cancellable period of the franchise agreement, commencing when all material services or conditions have been substantially performed. This occurs when a hotel opens for business in the Company's system or when a franchise agreement is terminated after it has been determined that the hotel will not open. The Company's standard franchise agreement typically has a term of 10 to 20 years. Additionally, the Company recognizes occupancy taxes on a net basis.

The Company's franchise agreements also require the payment of marketing and reservation fees, which are intended to reimburse the Company for expenses associated with operating an international, centralized reservation system, e-commerce channels such as the Company's brand.com websites, as well as access to third-party distribution channels, such as online travel agents, advertising and marketing programs, global sales efforts, operations support, training and other related services. Marketing and reservation fees are recognized as revenue when the underlying sales occur. The Company is generally contractually obligated to spend the marketing and reservation fees it collects from franchisees, in accordance with the franchise agreements. Marketing and reservations costs are expensed as incurred, which may not occur in the same period as the recognition of marketing and reservation revenues.

The Company earns revenues from its Wyndham Rewards loyalty program when a member stays at a participating hotel, club resort or vacation rental. These revenues are derived from a fee the Company charges a franchised or managed hotel based upon a percentage of room revenues generated from a Wyndham Rewards member's stay. These fees are to reimburse the Company for expenses associated with member redemptions and activities that are related to the administering and marketing of the program. Revenues related to the loyalty program represent variable consideration and are recognized net of redemptions over time based upon loyalty point redemption patterns, which include an estimate of loyalty points that will expire or will never be redeemed.

The Company earns revenue from its Wyndham Rewards co-branded credit card program, which is primarily generated by cardholder spending and the enrollment of new cardholders. The advance payments received under the program are recognized as a contract liability. The program primarily contains two performance obligations: (i) brand performance services, for which revenue is recognized over the contract term on a straight-line basis, and (ii) issuance and redemption of loyalty points, for which revenue is recognized over time based upon the redemption patterns of the loyalty points earned under the program, including an estimate of loyalty points that will expire or will never be redeemed.

The Company provides management services for certain international hotels under management contracts. The Company's standard management agreement typically has a term of 10 to 20 years. The Company's management fees are comprised of base fees, which are typically a specified percentage of gross revenues from hotel operations, and, in some cases, incentive fees, which are typically a specified percentage of a hotel's gross operating profit. The base fees are recognized when the underlying sales occur and the management services are performed. Incentive fees are recognized when

determinable, which is when the Company has met hotel operating performance metrics and the Company has determined that a significant reversal of revenues recognized will not occur.

The Company also recognizes reimbursable payroll costs for operational employees and other reimbursable costs at certain of the Company's managed hotels as revenue. Although these costs are funded by hotel owners, accounting guidance requires the Company to report these fees on a gross basis as both revenues and expenses.

The Company recognizes license and other revenues from Wyndham Worldwide ("former Parent"), now known as Travel + Leisure Co., for use of the "Wyndham" trademark and certain other trademarks.

In addition, the Company earned revenues from its previously two owned hotels (sold in 2022), which consisted primarily of (i) gross room rentals, (ii) food and beverage services and (iii) on-site spa, casino, golf and shop revenues. These revenues were recognized upon the completion of services.

Deferred Revenues

Deferred revenues, or contract liabilities, generally represent payments or consideration received in advance for goods or services that the Company has not yet provided to the customer. Deferred revenues as of December 31, 2023 and 2022 are as follows:

	December 31, 2023	December 31, 2022
Deferred initial franchise fee revenues	$ 145	$ 143
Deferred loyalty program revenues	95	85
Deferred co-branded credit card program revenues	3	—
Deferred other revenues	15	19
Total	$ 258	$ 247

Deferred initial franchise fees represent payments received in advance from prospective franchisees upon the signing of a franchise agreement and are generally recognized to revenue within 13 years. Deferred loyalty revenues represent the portion of loyalty program fees charged to franchisees, net of redemption costs, that have been deferred and will be recognized over time based upon loyalty point redemption patterns. Deferred co-branded credit card program revenue represents payments received in advance from the Company's co-branded credit card partners, primarily for card member activity, which is typically recognized within one year.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to a customer. The consideration received from a customer is allocated to each distinct performance obligation and recognized as revenue when, or as, each performance obligation is satisfied. The following table summarizes the Company's remaining performance obligations for the years set forth below:

	2024	2025	2026	Thereafter	Total
Initial franchise fee revenues	$ 17	$ 8	$ 7	$ 113	$ 145
Loyalty program revenues	61	23	9	2	95
Co-branded credit card program revenues	3	—	—	—	3
Other revenues	10	1	—	4	15
Total	$ 91	$ 32	$ 16	$ 119	$ 258

Disaggregation of Net Revenues

In the first quarter of 2023, the Company changed the composition of its reportable segments to reflect the recent changes in its Hotel Management segment due to the exit from the select-service management business, the sale of its two owned hotels and the exit from substantially all of its U.S. full-service management business in 2022. The remaining hotel management business, which is predominately the full-service international managed business, no longer meets the quantitative thresholds to be considered a reportable segment and as a result, the Company has aggregated, on a prospective basis, such management business within its Hotel Franchising segment.

The table below presents a disaggregation of the Company's net revenues from contracts with customers by major services and products for each of the Company's segments:

	Year Ended December 31,		
	2023	2022	2021
Hotel Franchising [a]			
Royalties and franchise fees	$ 532	$ 496	$ 436
Marketing, reservation and loyalty	578	543	467
Management fees	14	—	—
License and other fees	112	100	79
Cost reimbursements	13	—	—
Other [b]	148	138	117
Total Hotel Franchising	1,397	1,277	1,099
Hotel Management			
Royalties and franchise fees	n/a	16	25
Marketing, reservation and loyalty	n/a	1	1
Owned hotel revenues	n/a	42	82
Management fees	n/a	15	35
Cost reimbursements	n/a	144	320
Other	n/a	3	3
Total Hotel Management	n/a	221	466
Net revenues	$ 1,397	$ 1,498	$ 1,565

(a) For 2023, the Hotel Franchising segment includes the former Hotel Management segment, which is primarily comprised of the Company's remaining international full-service managed business.
(b) The Company's other revenues are primarily related to revenues from its co-branded credit card program and property management systems.

Capitalized Contract Costs

The Company incurs certain direct and incremental sales commissions costs in order to obtain hotel franchise and management contracts. Such costs are capitalized and subsequently amortized beginning upon hotel opening over the first non-cancellable period of the agreement. In the event an agreement is terminated prior to the end of the first non-cancellable period, any unamortized cost is immediately expensed. In addition, the Company also capitalizes costs associated with the sale and installation of property management systems to its franchisees, which are amortized over the remaining non-cancellable period of the franchise agreement. As of December 31, 2023 and 2022, capitalized contract costs were $68 million and $34 million, respectively, of which $4 million for both periods was included in other current assets, and $64 million and $30 million, respectively, were included in other non-current assets on the Company's Consolidated Balance Sheets. In addition, as of December 31, 2022, capitalized contract costs of $27 million were included in prepaid expenses on the Company's Consolidated Balance Sheet.

4. EARNINGS PER SHARE

The computation of basic and diluted earnings per share ("EPS") is based on net income divided by the basic weighted average number of common shares and diluted weighted average number of common shares, respectively.

The following table sets forth the computation of basic and diluted EPS (in millions, except per-share data) for the years ended December 31:

	2023	2022	2021
Net income	$ 289	$ 355	$ 244
Basic weighted average shares outstanding	84.4	90.3	93.4
Stock options and restricted stock units ("RSUs")[(a)]	0.5	0.5	0.5
Diluted weighted average shares outstanding	84.9	90.8	93.9
Earnings per share:			
Basic	$ 3.43	$ 3.93	$ 2.61
Diluted	3.41	3.91	2.60
Dividends:			
Cash dividends declared per share	$ 1.40	$ 1.28	$ 0.88
Aggregate dividends paid to stockholders	$ 118	$ 116	$ 82

(a) Diluted shares outstanding exclude shares related to stock options which were immaterial in 2023 and 0.4 million in 2022. Diluted shares outstanding exclude shares related to RSUs of 0.4 million and 0.2 million for 2023 and 2022, respectively. Such options and RSUs were excluded as their effect would have been anti-dilutive under the treasury stock method.

Stock Repurchase Program

The following table summarizes stock repurchase activity under the current stock repurchase program (in millions, except per share data):

	Shares	Cost	Average Price Per Share
As of December 31, 2022	15.2	$ 964	$ 63.32
For the twelve months ended December 31, 2023	5.5	397	72.25
As of December 31, 2023	20.7	$ 1,361	$ 65.69

The Company had $443 million of remaining availability under its program as of December 31, 2023.

5. ACCOUNTS RECEIVABLE

Allowance for Doubtful Accounts

The Company generates trade receivables in the ordinary course of its business and provides for estimated bad debts on such receivables. The Company measures the expected credit losses of its receivables on a collective (pool) basis which aggregates receivables with similar risk characteristics and uses historical collection attrition rates for ten years to estimate its expected credit losses. As such, the Company measures the expected credit losses of its receivables by segment and geographical area. The Company provides an estimate of expected credit losses for its receivables immediately upon origination or acquisition and may adjust this estimate in subsequent reporting periods as required. When the Company determines that an account is not collectible, the account is written-off to the allowance for doubtful accounts. The Company also considers whether the historical economic conditions are comparable to current economic conditions. If current or expected future conditions differ from the conditions in effect when the historical experience was generated, the Company would adjust the allowance for doubtful accounts to reflect the expected effects of the current environment on the collectability of the Company's trade receivables which may be material.

The following table sets forth the activity in the Company's allowance for doubtful accounts on trade accounts receivables for the years ended:

	December 31, 2023	December 31, 2022	December 31, 2021

The purchase price was allocated based on the fair value of the indefinite lived trademark and franchise agreements acquired, which have a20 year life. The following table summarizes the fair value of the assets acquired in connection with Wyndham's acquisition of Vienna House:

Franchise agreements	$ 16

In March 2022, the Company completed the exit of its select-service hotel management business and received an $84 million termination fee, which under the terms of the agreement with CorePoint Lodging ("CPLG") effectively resulted in the sale of the rights to the management contracts that were acquired as part of the La Quinta Holdings purchase in 2018. The termination fee proceeds were completely offset by the write-off of the remaining balance of the related hotel

management contract intangible asset and thus resulted in a full recovery of such asset. The proceeds were reported in proceeds from asset sales, net on the Consolidated Statement of Cash Flows. The franchise agreements for these hotels remained in place at their stated fee structure.

9. FRANCHISING, MARKETING AND RESERVATION ACTIVITIES

Royalties and franchise fee revenues on the Consolidated Statements of Income include initial franchise fees of $16 million, $15 million and $14 million in 2023, 2022 and 2021, respectively.

In accordance with its franchise agreements, the Company is generally contractually obligated to expend the marketing and reservation fees it collects from franchisees for the operation of an international, centralized, brand-specific reservation system and for marketing purposes such as advertising, promotional and co-marketing programs, and training for the respective franchisees.

Development Advance Notes

Provided the franchisee/hotel owner is in compliance with the terms of the franchise agreement, all or a portion of the development advance notes may be forgiven by the Company over the period of the franchise agreement. Otherwise, the related principal is due and payable to the Company. In certain instances, the Company may earn interest on unpaid franchisee development advance notes.

(b) As of December 31, 2023, the Company's net operating loss carryforwards primarily relate to state net operating losses, which are due to expire at various dates, but no later than 2043.
(c) The valuation allowance of $ 23 million as of December 31, 2023 relates to net operating loss carryforwards, certain deferred tax assets and foreign tax credits of $ 12 million, $2 million and $9 million, respectively. The valuation allowance of $23 million as of December 31, 2022 relates to net operating loss carryforwards, certain deferred tax assets and foreign tax credits of $ 14 million, $2 million and $7 million, respectively. The valuation allowance will be reduced when and if the Company determines it is more likely than not that the related deferred income tax assets will be realized.

Although the one-time mandatory deemed repatriation tax during 2017 and the territorial tax system created as a result of U.S. tax reform generally eliminate U.S. federal income taxes on dividends from foreign subsidiaries, the Company continues to assert that all of the undistributed foreign earnings of $84 million will be reinvested indefinitely as of December 31, 2023. In the event the Company determines not to continue to assert that all or part of its undistributed foreign earnings are permanently reinvested, such a determination in the future could result in the accrual and payment of additional foreign withholding taxes and U.S. taxes on currency transaction gains and losses, the determination of which is not practicable due to the complexities associated with the hypothetical calculation.

The Company's effective income tax rate differs from the U.S. federal statutory rate as follows for the years ended December 31:

	2023	**2022**	**2021**
Federal statutory rate	21.0 %	21.0 %	21.0 %
State and local income taxes, net of federal tax benefits	2.5	2.8	3.1
Taxes on foreign operations at rates different than U.S. federal statutory rates	2.6	1.9	2.0
Taxes on foreign income, net of tax credits	0.3	0.4	0.3
Nondeductible executive compensation	1.2	0.7	0.7
Foreign-derived intangible income	(0.8)	(0.5)	(0.2)
Valuation allowances	0.1	(0.6)	0.5
Other	0.5	(0.3)	(0.2)
	27.4 %	25.4 %	27.2 %

The effective income tax rate for 2023, 2022 and 2021 differs from the U.S. Federal income tax rate of 21% primarily due to state taxes and U.S. and foreign taxes, including withholding taxes on the Company's international operations.

The following table summarizes the activity related to the Company's unrecognized tax benefits as of December 31:

	2023	2022	2021
Beginning balance	$ 8	$ 7	$ 9
Increases related to tax positions taken during a prior period	7	4	1
Increases related to tax positions taken during the current period	2	—	—
Decreases related to settlements with taxing authorities	(2)	—	—
Decreases as a result of a lapse of the applicable statute of limitations	(4)	(3)	(2)
Decreases related to tax positions taken during a prior period	—	—	(1)
Ending balance	$ 11	$ 8	$ 7

The gross amount of the unrecognized tax benefits that, if recognized, would affect the Company's effective tax rate was $11 million, $8 million and $7 million as of December 31, 2023, 2022 and 2021, respectively. The Company recorded both accrued interest and penalties related to unrecognized tax benefits as a component of provision for income taxes on the Consolidated Statements of Income. The amount of potential penalties and interest related to these unrecognized tax benefits recorded in the provision for income taxes were immaterial during 2023, 2022 and 2021. The Company had a liability for potential penalties of $1 million as of December 31, 2023, 2022 and 2021, and potential interest of $3 million as of December 31, 2023 and $2 million as of December 31, 2022 and 2021. Such liabilities are reported as a component of accrued expenses and other current liabilities and other non-current liabilities on the Consolidated Balance Sheets.

The Company files income tax returns in the U.S. federal and state jurisdictions, as well as in foreign jurisdictions. With certain exceptions, the Company is no longer subject to federal income tax examinations for years prior to 2020. The 2018 through 2022 tax years generally remain subject to examination by many state tax authorities. In significant foreign jurisdictions, the 2016 through the 2022 tax years generally remain subject to examination by their respective tax authorities. The statute of limitations is scheduled to expire and current open examinations are expected to be resolved within 12 months of the reporting date in certain taxing jurisdictions, and the Company therefore believes that it is reasonably possible that the total amount of its unrecognized tax benefits could decrease by $8 million to $9 million, inclusive of interest and penalties.

The Company made cash income tax payments, net of refunds, of $95 million, $123 million and $114 million during 2023, 2022 and 2021, respectively.

On August 16, 2022, the Inflation Reduction Act ("IRA") was signed into law in the United States. The IRA did not have a material impact on its financial results, including on its annual estimated effective tax rate or liquidity.

$750 million Revolving Credit Facility

In April 2022, the Company entered into the Third Amendment to the Credit Agreement dated May 30, 2018 ("Third Amendment") which amended its originalfive-year $750 million revolver to extend the term to April 2027. The benchmark rate applicable to the revolver has changed from LIBOR to Secured Overnight Funding Rate ("SOFR"). The revolver is subject to an interest rate equal to, at the Company's option, either (i) a base rate plus a margin ranging from 0.50% to 1.00% or (ii) SOFR, plus a margin ranging from 1.50% to 2.00% and an additional 0.10% SOFR adjustment, in either case based

upon the total leverage ratio of the Company and its restricted subsidiaries. The revolver is subject to the same prepayment provisions and covenants applicable to the previous revolver.

During 2023, the Company borrowed $160 million, net of repayments, on its revolving credit facility. Such borrowings are included within long-term debt on the Consolidated Balance Sheet.

$400 million Term Loan A Agreement

The Third Amendment provides for a new senior secured term loan A facility ("Term Loan A") in an aggregate principal amount of $400 million maturing in April 2027, the proceeds of which were used to repay a portion of the existing Term Loan B facility in 2022. The Term Loan A is subject to an interest rate equal to, at the Company's option, either (i) a base rate plus a margin ranging from 0.50% to 1.00% or (ii) SOFR, plus a margin ranging from 1.50% to 2.00% and an additional 0.10% SOFR adjustment, in either case based upon the total leverage ratio of the Company and its restricted subsidiaries. $1.1 billion Term Loan B Agreement

On May 25, 2023, the Company entered into a Fourth Amendment to the Credit Agreement dated May 30, 2018 (the "Fourth Amendment"), which, prior to giving effect to the Fourth Amendment, provided for senior secured credit facilities in an aggregate principal amount of $2.35 billion, consisting of (i) a term loan B facility in an aggregate principal amount of $1.6 billion maturing in May 2025 and (ii) a revolving credit facility in an aggregate principal amount of $750 million maturing in April 2027. The Fourth Amendment provides for a new senior secured term loan B facility (the "New Term Loan B") in an aggregate principal amount of $1.14 billion maturing in May 2030, the proceeds of which were used to repay the existing Term Loan B facility. The interest rate per annum applicable to the New Term Loan B facility is equal to, at our option (a) Base Rate (as defined in the Credit Agreement), plus an applicable rate of 1.25% or (b) Term SOFR, inclusive of the SOFR Adjustment (defined as 0.10% per annum in the Credit Agreement), plus an applicable rate of 2.25%.

The Term SOFR with respect to the New Term Loan B is subject to a "floor" of 0.00%. The New Term Loan B is subject to the same prepayment provisions and covenants applicable to the existing Term Loan B facility, subject to customary exceptions and limitations. These provisions include a standard mandatory prepayment provisions including (i) 100% of the net cash proceeds from issuances or incurrence of debt by the Company or any of its restricted subsidiaries (other than with respect to certain permitted indebtedness); (ii) 100% (with step-downs to 50% and 0% based upon achievement of specified first-lien leverage ratios) of the net cash proceeds from certain sales or other dispositions of assets by the Company or any of its restricted subsidiaries in excess of a certain amount and subject to customary reinvestment provisions and certain other exceptions; and (iii) 50% (with step-downs to 25% and 0% based upon achievement of specified first-lien leverage ratios) of annual (commencing with the 2019 fiscal year) excess cash flow of the Company and its restricted subsidiaries, subject to customary exceptions and limitations.

The revolving credit facility and term loans (the "Credit Facilities") are guaranteed, jointly and severally, by certain of the Company's wholly-owned domestic subsidiaries and secured by a first-priority security interest in substantially all of the assets of the Company and those subsidiaries. The Credit Facilities were initially guaranteed by former Parent, which guarantee was released immediately prior to the consummation of the spin-off. The Credit Facilities contain customary covenants that, among other things, restrict, subject to certain exceptions, the Company and its restricted subsidiaries' ability to grant liens on the Company and its restricted subsidiaries' assets, incur indebtedness, sell assets, make investments, engage in acquisitions, mergers or consolidations and pay certain dividends and other restricted payments. The Credit Facilities require the Company to comply with financial maintenance covenants to be tested quarterly, consisting of a maximum first-lien leverage ratio.

perform or observe covenants or other terms of the Credit Facilities subject to certain grace periods; (iv) a cross-default and cross-acceleration with certain other material debt; (v) bankruptcy events; (vi) certain defaults under ERISA; and (vii) the invalidity or impairment of security interests.

The New Term Loan B is subject to equal quarterly amortization of principal of 0.25% of the initial principal amount, starting in the third quarter of 2023, the first full fiscal quarter after the closing date.

4.375% Senior Unsecured Notes

In August 2020, the Company issued $500 million of senior unsecured notes, which mature in 2028 and bear interest at a rate of4.375% per year, for net proceeds of $492 million. Interest is payable semi-annually in arrears on February 15 and August 15 of each year, commencing on February 15, 2021.

Finance Leases

The Company's finance leases primarily consist of the lease of its corporate headquarters. In connection with the Company's separation from former Parent, it was assigned the lease for its corporate headquarters located in Parsippany, New Jersey from its former Parent, which resulted in the Company recording a finance lease obligation and asset.

Deferred Debt Issuance Costs

The Company classifies deferred debt issuance costs related to its revolving credit facility within other non-current assets on the Consolidated Balance Sheets. Such deferred debt issuance costs were $3 million and $4 million as of December 31, 2023 and 2022, respectively.

Cash Flow Hedge

The Company has pay-fixed/receive-variable interest rate swaps which hedge the interest rate exposure on $1.1 billion of its outstanding variable-rate debt, effectively representing more than 97% of the outstanding term loan B, as of December 31, 2023. The interest rate swaps consist of $600 million of swaps that expire in the second quarter of 2024 and have a weighted average fixed rate of 2.33% (plus applicable spreads) and $500 million of swaps that expire in the fourth quarter of 2024 and have a weighted average fixed rate of 0.91% (plus applicable spreads). As a result of the Fourth Amendment, as well as the discontinuance of LIBOR as a benchmark interest rate, during the second quarter of 2023 the Company amended its interest rate swaps to align with the change in the benchmark interest rate of the underlying debt. As such, the variable rates of such swap agreements are based on one-month SOFR. During the third quarter of 2023, the Company entered into new pay-fixed/receive-variable interest rate swaps that hedges the interest rate exposure on $600 million of its variable-rate debt with an effective date in the second quarter of 2024 and an expiration date in the second quarter of 2028. The fixed rate associated with the new swaps is 3.84% (plus applicable spreads). Additionally, during the fourth quarter of 2023, the Company entered into new pay-fixed/receive-variable interest rate swaps that hedges the interest rate exposure on $200 million of its variable-rate debt with an effective date in the fourth quarter of 2024 and an expiration date in the fourth quarter of 2027. The fixed rate associated with the new swaps is 3.55% (plus applicable spreads). The aggregate fair value of these interest rate swaps was an asset of $13 million and $53 million as of December 31, 2023 and 2022, respectively, which was included within other non-current assets on the Consolidated Balance Sheets, respectively. The effect of interest rate swaps on interest expense, net on the Consolidated Statements of Income were $36 million of income during 2023 and $2 million and $26 million of expense during 2022 and 2021, respectively.

There was no hedging ineffectiveness recognized in 2023, 2022 or 2021. The Company expects to reclassify approximately $29 million of gains from AOCI to interest expense during the next 12 months.

Interest Expense, Net

The Company incurred interest expense of $108 million, $85 million and $94 million in 2023, 2022 and 2021, respectively. Cash paid related to such interest was $103 million, $82 million and $96 million for 2023, 2022 and 2021, respectively. Interest income was $6 million, $5 million and $1 million for 2023, 2022 and 2021, respectively.

Early Extinguishment of Debt

The Company incurred non-cash early extinguishment of debt costs of $3 million, $2 million and $18 million during 2023, 2022 and 2021 respectively. The 2023 amount relates to the refinancing of the Company's term loan B during the second quarter of 2023. The 2022 amount relates to the Third Amendment and $400 million partial pay down of its term loan

B, as discussed above. The 2021 amount related to the redemption of its $500 million 5.375% senior unsecured notes redeemed in 2021.

13. FAIR VALUE

The Company measures its financial assets and liabilities at fair value on a recurring basis and utilizes the fair value hierarchy to determine such fair values. Financial assets and liabilities carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted prices for identical instruments in active markets.

Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value driver is observable.

Level 3: Unobservable inputs used when little or no market data is available. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement falls has been determined based on the lowest level input (closest to Level 3) that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

The fair value of financial instruments is generally determined by reference to market values resulting from trading on a national securities exchange or in an over-the-counter market. In cases where quoted market prices are not available, fair value is based on estimates using present value or other valuation techniques, as appropriate. The carrying amounts of cash and cash equivalents, trade receivables, accounts payable and accrued expenses and other current liabilities approximate fair value due to the short-term maturities of these assets and liabilities. The carrying amounts and estimated fair values of all other financial instruments are as follows:

	December 31, 2023	
	Carrying Amount	Estimated Fair Value
Debt	$ 2,201	$ 2,195

The Company estimates the fair value of its debt using Level 2 inputs based on indicative bids from investment banks or quoted market prices with the exception of finance leases, which are estimated at carrying value.

Financial Instruments

Changes in interest rates and foreign exchange rates expose the Company to market risk. The Company uses cash flow hedges as part of its overall strategy to manage its exposure to market risks associated with fluctuations in interest rates and foreign currency exchange rates. As a matter of policy, the Company only enters into transactions that it believes will be highly effective at offsetting the underlying risk, and it does not use derivatives for trading or speculative purposes. The Company estimates the fair value of its derivatives using Level 2 inputs.

Interest Rate Risk

A portion of debt used to finance the Company's operations is exposed to interest rate fluctuations. The Company uses various hedging strategies and derivative financial instruments to create a desired mix of fixed and floating rate assets and liabilities. Derivative instruments currently used in these hedging strategies include interest rate swaps. The derivatives used to manage the risk associated with the Company's variable-rate debt are derivatives designated as cash flow hedges. See Note 12 - Long-Term Debt and Borrowing Arrangements for the impact of such cash flow hedges.

Foreign Currency Risk

The Company has foreign currency rate exposure to exchange rate fluctuations worldwide, particularly with respect to the Canadian Dollar, Chinese Yuan, Euro, Brazilian Real, British Pound and Argentine Peso. The Company uses foreign currency forward contracts at various times to manage and reduce the foreign currency exchange rate risk associated with its foreign currency denominated receivables and payables, forecasted royalties and forecasted earnings and cash flows of foreign subsidiaries and other transactions. The Company recognized losses from freestanding foreign currency exchange

contracts of $3 million during 2023 and gains of $2 million during 2022 and 2021. Such gains and losses are included in operating expenses in the Consolidated Statements of Income.

The Company accounts for certain countries as a highly inflationary economy, with its exposure primarily related to Argentina. The Company incurred foreign currency exchange losses related to Argentina of $14 million, $4 million and $1 million during 2023, 2022 and 2021, respectively. Such losses are included in operating expenses in the Consolidated Statements of Income.

Credit Risk and Exposure

The Company is exposed to counterparty credit risk in the event of nonperformance by counterparties to various agreements and sales transactions. The Company manages such risk by evaluating the financial position and creditworthiness of such counterparties and often by requiring collateral in instances in which financing is provided. The Company mitigates counterparty credit risk associated with its derivative contracts by monitoring the amounts at risk with each counterparty to such contracts, periodically evaluating counterparty creditworthiness and financial position, and where possible, dispersing its risk among multiple counterparties.

Market Risk

The Company is subject to risks relating to the geographic concentration of its hotel properties, which may result in the Company's results of operations being more sensitive to local and regional economic conditions and other factors, including competition, natural disasters and economic downturns, than the Company's results of operations would be, absent such geographic concentrations. Local and regional economic conditions and other factors may differ materially from prevailing conditions in other parts of the world. Excluding cost-reimbursement revenues, which are offset by cost-reimbursement expense, revenues from transactions in the states of Texas and Florida as a percent of U.S. revenues were approximately 10% and 17%, respectively, during 2023, 10% and 24%, respectively, during 2022 and 10% and 18%, respectively, during 2021. Revenues in the state of Florida include license and other fees from the Company's former Parent. Excluding these revenues, revenues in the state of Florida as a percent of U.S. revenues were 7%, 16% and 12% during 2023, 2022 and 2021, respectively.

During 2021 CorePoint accounted for 20% of revenues. Excluding cost-reimbursement revenues, which are offset by cost-reimbursement expenses, CorePoint accounted for 8% during 2021. During the first quarter of 2022, CorePoint terminated its management contracts with the Company.

14. COMMITMENTS AND CONTINGENCIES

Litigation

The Company is involved, at times, in claims, legal and regulatory proceedings and governmental inquiries arising in the ordinary course of its business, including but not limited to: breach of contract, fraud and bad faith claims with franchisees in connection with franchise agreements and with owners in connection with management contracts, as well as negligence, breach of contract, fraud, employment, consumer protection and other statutory claims asserted in connection with alleged acts or occurrences at owned, franchised or managed properties or in relation to guest reservations and bookings. The Company may also at times be involved in claims, legal and regulatory proceedings and governmental inquiries relating to bankruptcy proceedings involving efforts to collect receivables from a debtor in bankruptcy, employment matters, claims of infringement upon third parties' intellectual property rights, claims relating to information security, privacy and consumer protection, fiduciary duty/trust claims, tax claims, environmental claims and landlord/tenant disputes. Along with many of its competitors, the Company and/or certain of its subsidiaries have been named as defendants in litigation matters filed in state and federal courts, alleging statutory and common law claims related to purported incidents of sex trafficking at certain franchised and managed hotel facilities. Many of these matters are in the pleading or discovery stages at this time. In certain matters, discovery has closed, and the parties are engaged in dispositive motion practice. As of December 31, 2023, the Company is aware of approximately 35 pending matters filed naming the Company and/or subsidiaries. Based upon the status of these matters, the Company has not made a determination as to the likelihood of any probable loss of any one of these matters and is unable to estimate a range of losses at this time.

The Company records an accrual for legal contingencies when it determines, after consultation with outside counsel, that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. In making such determinations, the Company evaluates, among other things, the degree of probability of an unfavorable outcome, and when it is probable that a liability has been incurred, its ability to make a reasonable estimate of loss. The Company reviews these accruals each reporting period and makes revisions based on changes in facts and circumstances, including changes to its strategy in dealing with these matters.

The Company believes that it has adequately accrued for such matters with reserves of $7 million and $8 million as of December 31, 2023 and 2022, respectively. The Company also had receivables of $4 million and $6 million as of December 31, 2023 and 2022, respectively, for certain matters which are covered by insurance and were included in other current assets on its Consolidated Balance Sheets. Litigation is inherently unpredictable and, although the Company believes that its accruals are adequate and/or that it has valid defenses in these matters, unfavorable results could occur. As such, an adverse outcome from such proceedings for which claims are awarded in excess of the amounts accrued, if any, could be material to the Company with respect to earnings and/or cash flows in any given reporting period. As of December 31, 2023, the potential exposure resulting from adverse outcomes of such legal proceedings could, in the aggregate, range up to approximately $10 million in excess of recorded accruals. However, the Company does not believe that the impact of such litigation will result in a material liability to the Company in relation to its combined financial position or liquidity.

Guarantees

Separation-Related Guarantees

The Company assumed one-third of certain contingent and other corporate liabilities of former Parent incurred prior to the spin-off, including liabilities of former Parent related to, arising out of or resulting from certain terminated or divested businesses, certain general corporate matters of former Parent and any actions with respect to the separation plan or the distribution made or brought by any third party.

Credit Support Provided and Other Indemnifications Relating to former Parent's Sale of its European Vacation Rentals Business

In May 2018, former Parent completed the sale of its European Vacation Rentals business to Compass IV Limited, an affiliate of Platinum Equity, LLC ("Buyer"). In connection with the sale of the European Vacation Rentals business, the Company provided certain post-closing credit support in the form of guarantees to help ensure that the business meets the requirements of certain credit card service providers, travel association and regulatory authorities. Such post-closing credit support may be enforced or called upon if the European vacation rentals business fails to meet its primary obligation to pay certain amounts when due. The European vacation rentals business has provided an indemnity to former Parent in the event that the post-closing credit support is enforced or called upon.

Pursuant to the terms of the Separation and Distribution Agreement that was entered into in connection with the Company's spin-off, the Company will assume one-third and former Parent will assume two-thirds of losses that may be incurred by former Parent or the Company in the event that these credit support arrangements are enforced or called upon by any beneficiary in respect of any indemnification claims made.

The table below summarizes the post-closing credit support guarantees related to the sale of the European Vacation Rentals business, the fair values of such guarantees and the receivables from its former Parent representing two-thirds of such guarantees as of December 31, 2023:

	Guarantees	Fair Value of Guarantees	Receivable from former Parent
Post-closing credit support at time of sale	$ 81	$ 39	$ 26
Additional post-closing credit support	46	22	15
Total	$ 127	$ 61	$ 41

The fair value of the guarantees was $61 million as of December 31, 2023 and 2022 and were included in other non-current liabilities on the Consolidated Balance Sheets. In connection with these guarantees the Company had receivables from its former Parent of $41 million as of December 31, 2023 and 2022, which were included in other non-current assets on its Consolidated Balance Sheets.

15. STOCK-BASED COMPENSATION

The Company has a stock-based compensation plan available to grant non-qualified stock options, incentive stock options, stock-settled appreciation rights ("SSARs"), RSUs, performance-vesting restricted stock units ("PSUs") and/or other stock-based awards to key employees and non-employee directors. Under the Wyndham Hotels & Resorts, Inc. 2018 Equity and Incentive Plan ("Stock Plan"), which became effective on May 14, 2018, a maximum of 10.0 million shares of common stock may be awarded. As of December 31, 2023, 4.8 million shares remained available.

During 2023, the Company granted incentive equity awards totaling $30 million to key employees and senior officers in the form of RSUs. The RSUs generally vest ratably over a period of four years based on continuous service. Additionally, the Company approved incentive equity awards to key employees and senior officers in the form of PSUs with a maximum grant value of $19 million. The PSUs generally cliff vest on the third anniversary of the grant date based on continuous service with the number of shares earned (0% to 200% of the target award) dependent upon the extent to which the Company achieves certain performance metrics.

The fair value of stock options granted by the Company were estimated on the date of the grant using the Black-Scholes option-pricing model with the relevant assumptions outlined in the table below. Expected volatility is based on both historical and implied volatilities of the stock of comparable companies over the estimated expected life of the options. The expected life represents the period of time the options are expected to be outstanding. The risk-free interest rate is based on yields on U.S. Treasury strips with a maturity similar to the estimated expected life of the options. The projected dividend yield was based on the Company's anticipated annual dividend divided by the price of the Company's stock on the date of the grant.

	2021
Grant date fair value	$19.58
Grant date strike price	$65.21
Expected volatility	40.18%

Stock-Based Compensation Expense

Stock-based compensation expense was $39 million, $33 million and $28 million for 2023, 2022 and 2021, respectively.

16. SEGMENT INFORMATION

The reportable segments presented below represent the Company's operating segments for which separate financial information is available and is utilized on a regular basis by its chief operating decision maker to assess performance and allocate resources. In identifying its reportable segments, the Company also considers the nature of services provided by its operating segments. Management evaluates the operating results of each of its reportable segments based upon net revenues and "adjusted EBITDA", which is defined as net income/(loss) excluding net interest expense, depreciation and amortization, early extinguishment of debt charges, impairment charges, restructuring and related charges, contract termination costs, separation-related items, transaction-related items (acquisition-, disposition-, or debt-related), (gain)/loss on asset sales, foreign currency impacts of highly inflationary countries, stock-based compensation expense, income taxes and development advance notes amortization. The Company believes that adjusted EBITDA is a useful measure of performance for its segments which, when considered with U.S. GAAP measures, allows a more complete understanding of its operating performance. The Company uses this measure internally to assess operating performance, both absolutely and in comparison to other companies, and to make day to day operating decisions, including in the evaluation of selected compensation decisions. The Company's presentation of adjusted EBITDA may not be comparable to similarly titled measures used by other companies.

In the first quarter of 2023, the Company changed the composition of its reportable segments to reflect the recent changes in its Hotel Management segment due to the exit from the select-service management business, the sale of its two owned hotels and the exit from substantially all of its U.S. full-service management business. The remaining hotel management business, which is predominately the full-service international managed business, no longer meets the quantitative thresholds to be considered a reportable segment and as a result, the Company has aggregated, on a prospective basis, such management business within its Hotel Franchising segment.

As a result of the Board approval, the Company evaluated the recoverability of its owned hotels long-lived assets and in the fourth quarter of 2021, the Company recorded a $6 million impairment charge which was reported within impairments, net on the Consolidated Statement of Income.

18. TRANSACTIONS WITH FORMER PARENT

The Company has a number of arrangements with its former Parent for services provided between both parties as described below.

License Agreement and Other Agreements with Former Parent

In connection with the Company's spin-off, the Company and former Parent entered into long-term exclusive license agreements to retain former Parents' affiliations with one of the hospitality industry's top-rated loyalty programs, Wyndham Rewards, as well as to continue to collaborate on inventory-sharing and customer cross-sell initiatives.

In connection with the Company's license, development and non-competition agreement, the Company recorded license fees from former Parent in the amounts of $90 million, $83 million and $65 million during 2023, 2022 and 2021, respectively. Further, the Company recorded revenues of $15 million, $10 million and $9 million during 2023, 2022 and 2021, respectively, for activities associated with the Wyndham Rewards program. The Company also recorded license fees from a former affiliate of $7 million during 2023 and 2022 and $5 million during 2021. Such fees are recorded within license and other fees on the Consolidated Statements of Income.

Transfer of Former Parent Liabilities and Issuances of Guarantees to Former Parent and Affiliates

Upon the distribution of the Company's common stock to former Parent stockholders, the Company entered into certain guarantee commitments with its former Parent. These guarantee arrangements relate to certain former Parent contingent tax and other corporate liabilities. The Company assumed and is responsible for one-third of such contingent liabilities while its former Parent is responsible for the remaining two-thirds. The amount of liabilities assumed by the Company in connection with the spin-off was $20 million as of December 31, 2023 and 2022, of which $20 million and $3 million, respectively were included within accrued expenses and other current liabilities and $17 million in 2022 was included within other non-current liabilities on its Consolidated Balance Sheets. In addition, the Company had $3 million of receivables due from former Parent as of both December 31, 2023 and 2022 which were included within current assets on its Consolidated Balance Sheets.

Former Parent's Sale of its European Vacation Rentals Business

In connection with the sale of the European Vacation Rentals business, the Company was entitled to one-third of the excess of net proceeds from the sale above a pre-set amount. During 2019, the Buyer notified former Parent of certain proposed post-closing adjustments of approximately $44 million which could serve to reduce the net consideration received from the sale of the European Vacation Rentals business. On December 13, 2021, former Parent entered into a settlement agreement, contingent upon regulatory approval, to settle the post-closing adjustment claims for $7 million which was split one-third and two-thirds between the Company and former Parent, respectively. The Company had a $2 million reserve for such settlement as of December 31, 2021. During the third quarter of 2022, the settlement was approved by the regulatory authority and as a result, the Company paid $2 million for its obligation of the settlement and all claims on the Company were dismissed.

19. LEASES

The Company leases property and equipment under finance and operating leases. For leases with terms greater than one year, the Company records the related asset and obligation at the present value of lease payments over the term. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Wyndham Hotels & Resorts, Inc.

Results of Review of Interim Financial Statements

We have reviewed the accompanying condensed consolidated balance sheet of Wyndham Hotels & Resorts, Inc. and subsidiaries (the "Company") as of June 30, 2024, the related condensed consolidated statements of income, comprehensive income, and equity for the three-month and six-month periods ended June 30, 2024 and 2023, and of cash flows for the six-month periods ended June 30, 2024 and 2023, and the related notes (collectively referred to as the "interim financial statements"). Based on our reviews, we are not aware of any material modifications that should be made to the accompanying interim financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheet of the Company as of December 31, 2023, and the related consolidated statements of income, comprehensive income, cash flows, and equity for the year then ended (not presented herein); and in our report dated February 15, 2024, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2023, is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

Basis for Review Results

The interim financial statements are the responsibility of the Company's management. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our reviews in accordance with standards of the PCAOB. A review of interim financial statements consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the PCAOB, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unless otherwise noted, all amounts are in millions, except share and per share amounts)
(Unaudited)

1. BASIS OF PRESENTATION

Wyndham Hotels & Resorts, Inc. (collectively with its consolidated subsidiaries, "Wyndham Hotels" or the "Company") is a leading global hotel franchisor, licensing its renowned hotel brands to hotel owners in over 95 countries around the world.

The Condensed Consolidated Financial Statements have been prepared on a stand-alone basis. The Condensed Consolidated Financial Statements include the Company's assets, liabilities, revenues, expenses and cash flows and all entities in which it has a controlling financial interest. The accompanying Condensed Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All intercompany balances and transactions have been eliminated in the Condensed Consolidated Financial Statements.

In presenting the Condensed Consolidated Financial Statements, management makes estimates and assumptions that affect the amounts reported and related disclosures. Estimates, by their nature, are based on judgment and available information. Accordingly, actual results could differ from those estimates. In management's opinion, the Condensed Consolidated Financial Statements contain all normal recurring adjustments necessary for a fair presentation of interim results reported. The results of operations reported for interim periods are not necessarily indicative of the results of operations for the entire year or any subsequent interim period. These Condensed Consolidated Financial Statements should be read in conjunction with the Company's 2023 Consolidated Financial Statements included in its most recent Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission (the "SEC") and any subsequent reports filed with the SEC.

Business Description

Wyndham Hotels' primary segment is hotel franchising which principally consists of licensing the Company's lodging brands and providing related services to third-party hotel owners and others.

2. NEW ACCOUNTING PRONOUNCEMENTS

Recently Adopted Accounting Pronouncements

In November 2023, the Financial Accounting Standards Board ("FASB") issued an accounting update, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures,* which is intended to improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. The guidance is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The guidance is to be applied retrospectively to all prior periods presented in the financial statements. Upon transition, the segment expense categories and amounts disclosed in the prior periods should be based on the significant segment expense categories identified and disclosed in the period of adoption. The Company adopted the guidance on January 1, 2024 and will begin disclosing under this new guidance with its Annual Report on Form 10-K for the year ending December 31, 2024.

Recently Issued Accounting Pronouncements

In December 2023, the FASB issued an accounting update, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures,* which modifies the rules on income tax disclosures to require entities to disclose (1) specific categories in the rate reconciliation, (2) the income or loss from continuing operations before income tax expense or benefit (separated between domestic and foreign) and (3) income tax expense or benefit from continuing operations (separated by federal, state and foreign). This update also requires entities to disclose their income tax payments to international, federal, state and local jurisdictions, among other changes. The guidance is effective for annual periods beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. This update should be applied on a prospective basis, but retrospective application is permitted. The Company is currently evaluating the potential impact of adopting this new guidance on its consolidated financial statements and related disclosures. The Company plans to adopt the guidance on January 1, 2025, as required.

3. REVENUE RECOGNITION

Deferred Revenues

Deferred revenues, or contract liabilities, generally represent payments or consideration received in advance for goods or services that the Company has not yet provided to the customer. Deferred revenues as of June 30, 2024 and December 31, 2023 are as follows:

	June 30, 2024	December 31, 2023
Deferred initial franchise fee revenues	$ 142	$ 145
Deferred loyalty program revenues	97	95
Deferred co-branded credit card program revenues	11	3
Deferred other revenues	20	15
Total	$ 270	$ 258

Deferred initial franchise fees represent payments received in advance from prospective franchisees upon the signing of a franchise agreement and are generally recognized to revenue within 13 years. Deferred loyalty revenues represent the portion of loyalty program fees charged to franchisees, net of redemption costs, that have been deferred and will be recognized over time based upon loyalty point redemption patterns. Deferred co-branded credit card program revenue represents payments received in advance from the Company's co-branded credit card partners, primarily for card member activity, which is typically recognized within one year.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to a customer. The consideration received from a customer is allocated to each distinct performance obligation and recognized as revenue when, or as, each performance obligation is satisfied. The following table summarizes the Company's remaining performance obligations for the twelve-month periods set forth below:

	7/1/2024 - 6/30/2025	7/1/2025 - 6/30/2026	7/1/2026 - 6/30/2027	Thereafter	Total

Capitalized Contract Costs

The Company incurs certain direct and incremental sales commissions costs in order to obtain hotel franchise contracts. Such costs are capitalized and subsequently amortized, beginning upon hotel opening, over the first non-cancellable period of the agreement. In the event an agreement is terminated prior to the end of the first non-cancellable period, any unamortized cost is immediately expensed. In addition, the Company also capitalizes costs associated with the sale and installation of property management systems to its franchisees, which are amortized over the remaining non-cancellable period of the franchise agreement. As of June 30, 2024 and December 31, 2023, capitalized contract costs were $71 million and $68 million, respectively, of which $4 million for both periods were included in other current assets and $67 million and $64 million, respectively, were included in other non-current assets on its Condensed Consolidated Balance Sheets.

Development Advance Notes

The Company may, at its discretion, provide development advance notes to certain franchisees/hotel owners in order to assist them in converting to one of its brands, in building a new hotel to be flagged under one of its brands or in assisting in other franchisee expansion efforts. Provided the franchisee/hotel owner is in compliance with the terms of the franchise agreement, all or a portion of the development advance notes may be forgiven by the Company over the period of the franchise agreement. Otherwise, the related principal is due and payable to the Company. In certain instances, the Company may earn interest on unpaid franchisee development advance notes.

The aggregate fair value of these interest rate swaps was an asset of $25 million and $13 million as of June 30, 2024 and December 31, 2023, respectively, which was included within other non-current assets on the Condensed Consolidated Balance Sheets. The effect of interest rate swaps on interest expense, net on the Condensed Consolidated Statements of Income was $10 million and $9 million of income for the three months ended June 30, 2024 and 2023, respectively, and $20 million and $16 million of income for the six months ended June 30, 2024 and 2023, respectively.

There was no hedging ineffectiveness recognized in the six months ended June 30, 2024 or 2023. The Company expects to reclassify $21 million of gains from accumulated other comprehensive income ("AOCI") to interest expense during the next 12 months.

Interest Expense, Net

The Company incurred net interest expense of $30 million and $24 million for the three months ended June 30, 2024 and 2023, respectively, and $59 million and $46 million for the six months ended June 30, 2024 and 2023, respectively. Cash paid related to such interest was $58 million and $48 million for the six months ended June 30, 2024 and 2023, respectively.

Early Extinguishment of Debt

The Company incurred non-cash early extinguishment of debt costs of $3 million during both the three and six months ended June 30, 2024 and 2023 relating to the repricing and refinancing of the Company's term loan B, respectively.

9. FAIR VALUE

The Company measures its financial assets and liabilities at fair value on a recurring basis and utilizes the fair value hierarchy to determine such fair values. Financial assets and liabilities carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted prices for identical instruments in active markets.

Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value driver is observable.

Level 3: Unobservable inputs used when little or no market data is available. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement falls has been determined based on the lowest level input (closest to Level 3) that is significant to the fair value measurement. The Company’s assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

The fair value of financial instruments is generally determined by reference to market values resulting from trading on a national securities exchange or in an over-the-counter market. In cases where quoted market prices are not available, fair value is based on estimates using present value or other valuation techniques, as appropriate. The carrying amounts of cash and cash equivalents, trade receivables, accounts payable and accrued expenses and other current liabilities approximate fair value due to the short-term maturities of these assets and liabilities. The carrying amounts and estimated fair values of all other financial instruments are as follows:

	June 30, 2024	
	Carrying Amount	Estimated Fair Value
Debt	$ 2,427	$ 2,416

The Company estimates the fair value of its debt using Level 2 inputs based on indicative bids from investment banks or quoted market prices with the exception of finance leases, which are estimated at carrying value.

Financial Instruments

Changes in interest rates and foreign exchange rates expose the Company to market risk. The Company uses cash flow hedges as part of its overall strategy to manage its exposure to market risks associated with fluctuations in interest rates and foreign currency exchange rates. As a matter of policy, the Company only enters into transactions that it believes will be highly effective at offsetting the underlying risk, and it does not use derivatives for trading or speculative purposes. The Company estimates the fair value of its derivatives using Level 2 inputs.

Interest Rate Risk

A portion of debt used to finance the Company’s operations is exposed to interest rate fluctuations. The Company uses various hedging strategies and derivative financial instruments to create a desired mix of fixed and floating rate assets and liabilities. Derivative instruments currently used in these hedging strategies include interest rate swaps. The derivatives used to manage the risk associated with the Company’s floating rate debt are derivatives designated as cash flow hedges. See Note 8 - Long-Term Debt and Borrowing Arrangements for the impact of such cash flow hedges.

Foreign Currency Risk

The Company has foreign currency rate exposure to exchange rate fluctuations worldwide, particularly with respect to the Canadian Dollar, Chinese Yuan, Euro, Brazilian Real, British Pound and Argentine Peso. The Company uses foreign currency forward contracts at various times to manage and reduce the foreign currency exchange rate risk associated with its foreign currency denominated receivables and payables, forecasted royalties and forecasted earnings and cash flows of foreign subsidiaries and other transactions. The Company recognized immaterial gains and $2 million of losses from freestanding foreign currency exchange contracts during the three months ended June 30, 2024 and 2023, respectively. The Company recognized $1 million of gains and $3 million of losses from freestanding foreign currency exchange contracts during the six months ended June 30, 2024 and 2023, respectively. Such gains and losses are included in operating expenses in the Condensed Consolidated Statements of Income.

The Company accounts for certain countries as a highly inflationary economy, with its exposure primarily related to Argentina. The Company incurred immaterial foreign currency exchange losses related to Argentina during the three months ended June 30, 2024 and immaterial gains during the six months ended June 30, 2024. The Company incurred foreign currency exchange losses related to Argentina of $1 million and $3 million during the three and six months ended June 30, 2023, respectively. Such gains and losses are included in operating expenses in the Condensed Consolidated Statements of Income.

Credit Risk and Exposure

The Company is exposed to counterparty credit risk in the event of nonperformance by counterparties to various agreements and sales transactions. The Company manages such risk by evaluating the financial position and creditworthiness of such counterparties and often by requiring collateral in instances in which financing is provided. The Company mitigates counterparty credit risk associated with its derivative contracts by monitoring the amounts at risk with each counterparty to such contracts, periodically evaluating counterparty creditworthiness and financial position, and where possible, dispersing its risk among multiple counterparties.

10. COMMITMENTS AND CONTINGENCIES

Litigation

The Company is involved, at times, in claims, legal and regulatory proceedings and governmental inquiries arising in the ordinary course of its business, including but not limited to: breach of contract, fraud and bad faith claims with franchisees in connection with franchise agreements and with owners in connection with management contracts, as well as negligence, breach of contract, fraud, employment, consumer protection and other statutory claims asserted in connection with alleged acts or occurrences at owned, franchised or managed properties or in relation to guest reservations and bookings. The Company may also at times be involved in claims, legal and regulatory proceedings and governmental inquiries relating to bankruptcy proceedings involving efforts to collect receivables from a debtor in bankruptcy, employment matters, claims of infringement upon third parties' intellectual property rights, claims relating to information security, privacy and consumer protection, fiduciary duty/trust claims, tax claims, environmental claims and landlord/tenant disputes. Along with many of its competitors, the Company and/or certain of its subsidiaries have been named as defendants in litigation matters filed in state and federal courts, alleging statutory and common law claims related to purported incidents of sex trafficking at certain franchised and managed hotel facilities. Many of these matters are in the pleading or discovery stages at this time. In certain matters, discovery has closed and the parties are engaged in dispositive motion practice. As of June 30, 2024, the Company is aware of approximately 35 pending matters filed naming the Company and/or subsidiaries. Based upon the status of these matters, the Company has not made a determination as to the likelihood of any probable loss of any one of these matters and is unable to estimate a range of losses at this time.

The Company records an accrual for legal contingencies when it determines, after consultation with outside counsel, that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. In making such determinations, the Company evaluates, among other things, the degree of probability of an unfavorable outcome, and when it is probable that a liability has been incurred, its ability to make a reasonable estimate of loss. The Company reviews these accruals each reporting period and makes revisions based on changes in facts and circumstances, including changes to its strategy in dealing with these matters.

The Company believes that it has adequately accrued for such matters with reserves of $8 million and $7 million as of June 30, 2024 and December 31, 2023, respectively. The Company also had receivables of $6 million and $4 million as of June 30, 2024 and December 31, 2023, respectively, for certain matters which are covered by insurance and were included in other current assets on its Condensed Consolidated Balance Sheets. Litigation is inherently unpredictable and, although the Company believes that its accruals are adequate and/or that it has valid defenses in these matters, unfavorable results could occur. As such, an adverse outcome from such proceedings for which claims are awarded in excess of the amounts accrued, if any, could

be material to the Company with respect to earnings and/or cash flows in any given reporting period. As of June 30, 2024, the potential exposure resulting from adverse outcomes of such legal proceedings could, in the aggregate, range up to approximately $5 million in excess of recorded accruals. However, the Company does not believe that the impact of such litigation will result in a material liability to the Company in relation to its combined financial position or liquidity.

Guarantees

Separation-related guarantees

The Company assumed one-third of certain contingent and other corporate liabilities of former Parent incurred prior to the spin-off, including liabilities of former Parent related to, arising out of or resulting from certain terminated or divested businesses, certain general corporate matters of former Parent and any actions with respect to the separation plan or the distribution made or brought by any third party.

The PSUs generally cliff vest on the third anniversary of the grant date based on continuous service with the number of shares earned (0% to 200% of the target award) dependent upon the extent the Company achieves certain performance metrics.

12. SEGMENT INFORMATION

The reportable segment presented below represents the Company's operating segment for which separate financial information is available and is utilized on a regular basis by its chief operating decision maker to assess performance and allocate resources. In identifying its reportable segment, the Company also considers the nature of services provided by its operating segment. Management evaluates the operating results of its reportable segment based upon net revenues and "adjusted EBITDA", which is defined as net income/(loss) excluding net interest expense, depreciation and amortization, early extinguishment of debt charges, impairment charges, restructuring and related charges, contract termination costs, separation-related items, transaction-related items (acquisition-, disposition-, or debt-related), (gain)/loss on asset sales, foreign currency impacts of highly inflationary countries, stock-based compensation expense, income taxes and development advance notes amortization. The Company believes that adjusted EBITDA is a useful measure of performance for its segment which, when considered with U.S. GAAP measures, allows a more complete understanding of its operating performance. The Company uses this measure internally to assess operating performance, both absolutely and in comparison to other companies, and to make day to day operating decisions, including in the evaluation of selected compensation decisions. The Company's presentation of adjusted EBITDA may not be comparable to similarly-titled measures used by other companies.

BUSINESS AND OVERVIEW

The Company is a leading global hotel franchisor, licensing its renowned hotel brands to hotel owners in over 95 countries around the world.

Our primary segment is hotel franchising which principally consists of licensing our lodging brands and providing related services to third-party hotel owners and others.

RESULTS OF OPERATIONS

Discussed below are our key operating statistics, consolidated results of operations and the results of operations for our reportable segment. The reportable segment presented below represents our operating segment for which discrete financial information is available and used on a regular basis by our chief operating decision maker to assess performance and to allocate resources. In identifying our reportable segment, we also consider the nature of services provided by our operating segment. Management evaluates the operating results of our reportable segment based upon net revenues and adjusted EBITDA. Adjusted EBITDA is defined as net income/(loss) excluding net interest expense, depreciation and amortization, early extinguishment of debt charges, impairment charges, restructuring and related charges, contract termination costs, separation-related items, transaction-related items (acquisition-, disposition-, or debt-related), (gain)/loss on asset sales, foreign currency impacts of highly inflationary countries, stock-based compensation expense, income taxes and development advance notes amortization. We believe that adjusted EBITDA is a useful measure of performance for our segment and, when considered with U.S. Generally Accepted Accounting Principles ("GAAP") measures, gives a more complete understanding of our operating performance. We use this measure internally to assess operating performance, both absolutely and in comparison to other companies, and to make day to day operating decisions, including in the evaluation of selected compensation decisions. Adjusted EBITDA is not a recognized term under U.S. GAAP and should not be considered as an alternative to net income or other measures of financial performance or liquidity derived in accordance with U.S. GAAP. Our presentation of adjusted EBITDA may not be comparable to similarly-titled measures used by other companies.

We generate royalties and franchise fees, management fees and other revenues from hotel franchising and hotel management activities, as well as fees from licensing our "Wyndham" trademark, certain other trademarks and intellectual property. In addition, pursuant to our franchise and management contracts with third-party hotel owners, we generate marketing, reservation and loyalty fee revenues and cost reimbursement revenues that over time are offset, respectively, by the marketing, reservation and loyalty costs and property operating costs that we incur.

OPERATING STATISTICS

The table below presents our operating statistics for the three and six months ended June 30, 2024 and 2023. "Rooms" represent the number of hotel rooms at the end of the period which are either under franchise and/or management agreements and properties under affiliation agreements for which we receive a fee for reservation and/or other services provided. "RevPAR" represents revenue per available room and is calculated by multiplying average occupancy rate by average daily rate. "Average royalty rate" represents the average royalty rate earned on our franchised properties and is calculated by dividing total royalties, excluding the impact of amortization of development advance notes, by total room revenues. These operating statistics are drivers of our revenues and therefore provide an enhanced understanding of our business. Refer to the section below for a discussion as to how these operating statistics affected our business for the periods presented.

Global rooms grew 4% compared to the prior year, reflecting 1% growth in the U.S. and 8% growth internationally. Excluding currency effects, global RevPAR for the three months ended June 30, 2024 increased 2% compared to the prior year period, reflecting flat growth in the U.S. and international growth of 7%. In the U.S., our midscale and above segments grew RevPAR 2% year-over-year while RevPAR for our economy segment declined 2%. Overall, U.S. RevPAR results were driven by growth of 90 basis points in occupancy, partially offset by a decline of 50 basis points in ADR. Importantly, RevPAR growth in the U.S. accelerated during the second quarter, improving 520 basis points sequentially, including an improvement of 560 basis points for our U.S. economy brands. Internationally, RevPAR for our Latin America, EMEA and Canada regions collectively increased 15% due to both continued pricing power, with ADR up 13%, and occupancy growth of 2%. RevPAR for our APAC region declined 12% primarily due to a difficult year-over-year comparison resulting from that region's COVID recovery timing in second quarter 2023. APAC occupancy declined 7% and ADR declined 5%.

Excluding currency effects, global RevPAR for the six months ended June 30, 2024 increased 1% compared to the prior year period, reflecting a decline of 2% in the U.S. and international growth of 10%. In the U.S., the RevPAR decline was driven by lower occupancy, specifically in the economy segment. Internationally, RevPAR growth was driven by our Latin America and EMEA regions. International RevPAR growth was due to continued pricing power.

Net revenues for the three months ended June 30, 2024 increased $5 million, or 1%, compared to the prior-year period, primarily driven by:

- $5 million of higher marketing, reservation and loyalty revenues primarily due to net room growth;
- $4 million of higher license and other ancillary revenues; and
- $2 million of higher royalty and franchise fees primarily due to net room growth; partially offset by
- $3 million of lower management fees partially due to the exit of the Company's U.S. management business; and
- $3 million of lower cost-reimbursement revenues.

Total expenses for the three months ended June 30, 2024 decreased $17 million, or 7%, compared to the prior-year period, primarily driven by:

- $10 million of higher separation-related income primarily due to the reversal of a reserve related to the expiration of a tax matter associated with our spin-off;
- $5 million of lower marketing, reservation and loyalty expenses primarily due to timing of spend;
- $6 million of lower operating costs primarily due to an insurance recovery as well as disciplined cost management;
- $3 million of lower cost-reimbursement expenses, which have no impact on net income; and
- $2 million of lower depreciation and amortization; partially offset by
- $7 million of restructuring costs incurred in 2024.

Interest expense, net for the three months ended June 30, 2024 increased $6 million, or 25%, compared to the prior-year period primarily due to a higher debt balance.

Early extinguishment of debt was $3 million for both the three months ended June 30, 2024 and 2023 related to the repricing and refinancing of our term loan B, respectively.

Our effective tax rates were 23.2% and 27.1% during the three months ended June 30, 2024 and 2023, respectively. During 2024, the effective tax rate was lower primarily as a result of the non-taxable reversal of a separation-related reserve associated with our spin-off.

As a result of these items, net income for the three months ended June 30, 2024 increased $16 million compared to the prior-year period.

The table below is a reconciliation of net income to adjusted EBITDA.

DEVELOPMENT

On June 30, 2024, our global development pipeline consisted of approximately 2,000 hotels and 245,000 rooms, representing a 7% year-over-year increase, including 5% growth in the U.S. and 9% internationally. Approximately 70% of our pipeline is in the midscale and above segments and 14% of our pipeline represents ECHO Suites Extended Stay by Wyndham. Approximately 58% of our pipeline is international. Additionally, approximately 79% of our pipeline is new construction, of which approximately 35% has broken ground.

RESTRUCTURING

During the first quarter of 2024, we approved a restructuring plan focused on enhancing our organizational efficiency. As a result, during the three and six months ended June 30, 2024, we incurred $7 million and $9 million, respectively, of restructuring expenses, relating to 56 employees primarily in our Hotel Franchising segment. The following table presents activity for the six months ended June 30, 2024:

		2024 Activity

FINANCIAL CONDITION, LIQUIDITY AND CAPITAL RESOURCES

Financial Condition

	June 30, 2024	December 31, 2023	Change
Total assets	$ 4,151	$ 4,033	$ 118
Total liabilities	3,528	3,287	241
Total stockholders' equity	623	746	(123)

Total assets increased $118 million from December 31, 2023 to June 30, 2024 primarily related to an increase in development advance notes and accounts receivable due to seasonality. Total liabilities increased $241 million from December 31, 2023 to June 30, 2024 primarily related to higher net debt of $226 million. Total equity decreased $123 million from December 31, 2023 to June 30, 2024 primarily due to $188 million of stock repurchases and $63 million of dividend payments, partially offset by our net income.

Liquidity and Capital Resources

Historically, our business generates sufficient cash flow to not only support our current operations as well as our future growth needs and dividend payments to our stockholders, but also to create additional value for our stockholders in the form of share repurchases or business investment.

As of June 30, 2024, our liquidity was $820 million. Given the minimal capital needs and flexible cost structure of our business, we believe that our existing cash, cash equivalents, cash generated through operations and our expected access to financing facilities, together with funding through our revolving credit facility, will be sufficient to fund our operating activities, anticipated capital expenditures and growth needs.

As of June 30, 2024, we were in compliance with the financial covenants of our credit agreement and expect to remain in such compliance. As of June 30, 2024, we had a term loan B with a principal outstanding balance of $1.5 billion maturing in 2030, a term loan A with a principal outstanding balance of $374 million maturing in 2027 and a five-year revolving credit facility maturing in 2027 with a maximum aggregate principal amount of $750 million, of which none was outstanding.

The interest rate per annum applicable to our term loan B is equal to, at our option, either a base rate plus an applicable rate of 0.75% or the Secured Overnight Financing Rate ("SOFR") plus an applicable rate of 1.75%. Our revolving credit facility and term loan A are subject to an interest rate per annum equal to, at our option, either a base rate plus a margin ranging from 0.50% to 1.00% or SOFR plus a 0.10% SOFR adjustment, plus a margin ranging from 1.50% to 2.00%, in either case based upon our total leverage ratio and the total leverage of our restricted subsidiaries. As of June 30, 2024, the margin on our term loan A was 1.75%.

As of June 30, 2024, we had pay-fixed/receive-variable interest rate swaps which hedge the interest rate exposure on $1.1 billion, effectively representing more than 72% of the outstanding amount of its term loan B. The interest rate swaps

have weighted average fixed rates (plus applicable spreads) ranging from 0.91% to 3.84% based on various effective dates for each of the swap agreements, with $600 million of swaps that expire in the second quarter of 2028 and $475 million expiring in the fourth quarter of 2027.

As of June 30, 2024, our credit rating was Ba1 from Moody's Investors Service and BB+ from both Standard and Poor's Rating Agency and Fitch Ratings. A credit rating is not a recommendation to buy, sell or hold securities and is subject to revision or withdrawal by the assigning rating organization. Reference in this report to any such credit rating is intended for the limited purpose of discussing or referring to aspects of our liquidity and of our costs of funds. Any reference to a credit rating is not intended to be any guarantee or assurance of, nor should there be any undue reliance upon, any credit rating or change in credit rating, nor is any such reference intended as any inference concerning future performance, future liquidity or any future credit rating. Our liquidity and access to capital may be impacted by our credit ratings, financial performance and global credit market conditions.

CASH FLOW

The following table summarizes the changes in cash, cash equivalents and restricted cash during the six months ended June 30, 2024 and 2023:

	Six Months Ended June 30,		
	2024	2023	Change
Cash provided by/(used in)			
Operating activities	$ 77	$ 176	$ (99)
Investing activities	(31)	(19)	(12)
Financing activities	(32)	(254)	222
Effects of changes in exchange rates on cash, cash equivalents and restricted cash	(1)	(1)	—
Net change in cash, cash equivalents and restricted cash	$ 13	$ (98)	$ 111

Net cash provided by operating activities decreased $99 million compared to the prior-year period primarily due to $46 million of transaction-related payments in 2024 related to the unsuccessful hostile takeover attempt and higher cash used for development advances.

Net cash used in investing activities increased $12 million compared to the prior-year period primarily due to an increase in cash used for loans in connection with development activities.

Net cash used in financing activities decreased $222 million compared to the prior-year period primarily due to new net debt borrowings of $237 million, partially offset by $22 million of higher stock repurchases.

Capital Deployment

Our first priority is to invest in the business. This includes deploying capital to attract high quality assets into our system, investing in select technology improvements across our business that further our strategic objectives and competitive position, brand refresh programs to improve quality and protect brand equity, business acquisitions that are accretive and strategically enhancing to our business, and/or other strategic initiatives. We also expect to maintain a regular dividend payment. Excess cash generated beyond these needs is expected to be available for enhanced stockholder return in the form of stock repurchases or potential acquisitions from time to time.

During the six months ended June 30, 2024, we spent $16 million on capital expenditures primarily related to information technology, including digital innovation. During 2024, we anticipate spending approximately $40 million on capital expenditures.

In addition, during the six months ended June 30, 2024, we spent $64 million on development advance notes, net of repayments. During 2024, we anticipate spending approximately $110 million on development advance notes. We may also provide other forms of financial support such as enhanced credit support to further assist in the growth of our business.

During the six months ended June 30, 2024, we incurred $42 million of transaction-related costs associated with the failed hostile takeover attempt. During the first half of 2024, we paid $46 million, including amounts incurred in 2023 for this transaction and we don't anticipate any other significant payments for the remainder of 2024.

We expect all our cash needs to be funded from cash on hand and cash generated through operations, and/or availability under our revolving credit facility.

Stock Repurchase Program

In May 2018, our Board approved a share repurchase plan pursuant to which we were authorized to purchase up to $300 million of our common stock. Our Board has increased the capacity of the program by $300 million in 2019, $800 million in 2022, $400 million in 2023 and $400 million in 2024. Under the plan, we may, from time to time, purchase our common stock through various means, including, without limitation, open market transactions, privately negotiated transactions or tender offers, subject to the terms of the tax matters agreement entered into in connection with our spin-off.

Under our current stock repurchase program, we repurchased approximately 2.6 million shares at an average price of $74.20 for a cost of $188 million during the six months ended June 30, 2024. As of June 30, 2024, we had $657 million of remaining availability under our program.

Dividend Policy

We declared cash dividends of $0.38 per share in the first and second quarters of 2024 ($63 million in aggregate).

The declaration and payment of future dividends to holders of our common stock is at the discretion of our Board and depends upon many factors, including our financial condition, earnings, capital requirements of our business, covenants associated with certain debt obligations, legal requirements, regulatory constraints, industry practice and other factors that our Board deems relevant.

LONG-TERM DEBT COVENANTS

Our credit facilities contain customary covenants that, among other things, impose limitations on indebtedness; liens; mergers, consolidations, liquidations and dissolutions; dispositions, restricted debt payments, restricted payments and transactions with affiliates. Events of default in these credit facilities include, among others, failure to pay interest, principal and fees when due; breach of a covenant or warranty; acceleration of or failure to pay other debt in excess of a threshold amount; unpaid judgments in excess of a threshold amount, insolvency matters; and a change of control. The credit facilities require us to comply with a financial covenant to be tested quarterly, consisting of a maximum first-lien leverage ratio of 5.0 times. The ratio is calculated by dividing consolidated first lien indebtedness (as defined in the credit agreement) net of consolidated unrestricted cash as of the measurement date by consolidated EBITDA (as defined in the credit agreement), as measured on a trailing four-fiscal-quarter basis preceding the measurement date. As of June 30, 2024, our annualized first-lien leverage ratio was 2.8 times.

The indenture, as supplemented, under which the senior notes due 2028 were issued, contains covenants that limit, among other things, our ability and that of certain of our subsidiaries to (i) create liens on certain assets; (ii) enter into sale and leaseback transactions; and (iii) merge, consolidate or sell all or substantially all of our assets. These covenants are subject to a number of important exceptions and qualifications.

As of June 30, 2024, we were in compliance with the financial covenants described above.

SEASONALITY

While the hotel industry is seasonal in nature, periods of higher revenues vary property-by-property and performance is dependent on location and guest base. Based on historical performance, revenues from franchise contracts are generally higher in the second and third quarters than in the first or fourth quarters due to increased leisure travel during the spring and summer months. Our cash from operating activities may not necessarily follow the same seasonality as our revenues and may vary due to timing of working capital requirements and other investment activities. The seasonality of our business may cause fluctuations in our quarterly operating results, earnings, profit margins and cash flows. As we expand into new markets and geographical locations, we may experience increased or different seasonality dynamics that create fluctuations in operating results different from the fluctuations we have experienced in the past.

COMMITMENTS AND CONTINGENCIES

We are involved in claims, legal and regulatory proceedings and governmental inquiries related to our business. Litigation is inherently unpredictable and, although we believe that our accruals are adequate and/or that we have valid defenses in these matters, unfavorable results could occur. As such, an adverse outcome from such proceedings for which claims are awarded in excess of the amounts accrued, if any, could be material to us with respect to earnings and/or cash flows in any given reporting period. As of June 30, 2024, the potential exposure resulting from adverse outcomes of such legal proceedings could, in the aggregate, range up to approximately $5 million in excess of recorded accruals. However, we do not believe that the impact of such litigation should result in a material liability to us in relation to our financial position or liquidity. For a more detailed description of our commitments and contingencies see Note 10 - Commitments and Contingencies to the Condensed Consolidated Financial Statements contained in Part I, Item 1 of this report.

CRITICAL ACCOUNTING POLICIES

In presenting our financial statements in conformity with U.S. GAAP, we are required to make estimates and assumptions that affect the amounts reported therein. Several of the estimates and assumptions we are required to make relate to matters that are inherently uncertain as they pertain to future events. However, events that are outside of our control cannot be predicted and, as such, they cannot be contemplated in evaluating such estimates and assumptions. If there is a significant unfavorable change to current conditions, it could result in a material impact to our consolidated results of operations, financial position and liquidity. We believe that the estimates and assumptions we used when preparing our financial statements were the most appropriate at that time. These Condensed Consolidated Financial Statements should be read in conjunction with our 2023 Consolidated Financial Statements included in our most recent Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission (the “SEC”) and any subsequent reports filed with the SEC, which includes a description of our critical accounting policies that involve subjective and complex judgments that could potentially affect reported results.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

We use various financial instruments, including interest swap contracts, to reduce the interest rate risk related to our debt. We also use foreign currency forwards to manage and reduce the foreign currency exchange rate risk associated with our foreign currency denominated receivables and payables, forecasted royalties, forecasted earnings and cash flows of foreign subsidiaries and other transactions.

We are exclusively an end user of these instruments, which are commonly referred to as derivatives. We do not engage in trading, market making or other speculative activities in the derivatives markets. More detailed information about these financial instruments is provided in Note 9 - Fair Value to the Condensed Consolidated Financial Statements. Our principal market exposures are interest rate and currency exchange rate risks.

We assess our exposures to changes in interest rates utilizing a sensitivity analysis. The sensitivity analysis measures the potential impact in earnings, fair values and cash flows based on a hypothetical 10% change (increase and decrease) in interest rates. Our variable-rate borrowings, which include our term loan, a portion of which has been swapped to a fixed interest rate, and any borrowings we make under our revolving credit facility, expose us to risks caused by fluctuations in the applicable interest rates. The total outstanding balance of such variable-rate borrowings, net of swaps, was $810 million as of June 30, 2024. A hypothetical 10% change in our effective weighted average interest rate on our variable-rate borrowings would result in a $4 million increase or decrease to our annual long-term debt interest expense, and a one-point change in the underlying interest rates would result in approximately an $8 million increase or decrease in our annual interest expense.

The fair values of cash and cash equivalents, trade receivables, accounts payable and accrued expenses and other current liabilities approximate their carrying values due to the short-term nature of these assets and liabilities.

We have foreign currency rate exposure to exchange rate fluctuations worldwide, particularly with respect to the Canadian Dollar, the Chinese Yuan, the Euro, the Brazilian Real, the British Pound and the Argentine Peso. We anticipate that such foreign currency exchange rate risk will remain a market risk exposure for the foreseeable future.

We use a current market pricing model to assess the changes in the value of our foreign currency derivatives used by us to hedge underlying exposure that primarily consists of our non-functional-currency current assets and liabilities. The primary assumption used in these models is a hypothetical 10% weakening or strengthening of the U.S. dollar against all our currency exposures as of June 30, 2024. The gains and losses on the hedging instruments are largely offset by the gains and losses on the underlying assets, liabilities or expected cash flows. As of June 30, 2024, the absolute notional amount of our outstanding

foreign exchange hedging instruments was $205 million. We have determined through such analyses that a hypothetical 10% change in foreign currency exchange rates would have resulted in approximately a $6 million increase or decrease to the fair value of our outstanding forward foreign currency exchange contracts, which would generally be offset by an opposite effect on the underlying exposure being economically hedged.

Argentina is considered to be a highly inflationary economy. As of June 30, 2024, we had total net exposure in Argentina relating to foreign currency of approximately $5 million. We incurred immaterial foreign currency exchange gains related to Argentina during the six months ended June 30, 2024 and $3 million of losses during the six months ended June 30, 2023.

Our total market risk is influenced by a wide variety of factors including the volatility present within the markets and the liquidity of the markets. There are certain limitations inherent in the sensitivity analyses presented. While probably the most meaningful analysis, these "shock tests" are constrained by several factors, including the necessity to conduct the analysis based on a single point in time and the inability to include the complex market reactions that normally would arise from the market shifts modeled.

Item 4. Controls and Procedures.

(a) *Disclosure Controls and Procedures.* As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with the participation of our management, including our principal executive and principal financial officers, of the effectiveness of the design and operation of our disclosure controls and procedures (as such term is defined in Rule 13(a)-15(e) of the Exchange Act). Based on such evaluation, our principal executive and principal financial officers concluded that our disclosure controls and procedures were effective and operating to provide reasonable assurance that information required to be disclosed by us in the reports we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and to provide reasonable assurance that such information is accumulated and communicated to our management, including our principal executive and principal financial officers, as appropriate, to allow timely decisions regarding required disclosure.

(b) *Internal Control Over Financial Reporting.* There have been no changes in our internal control over financial reporting (as such term is defined in Rule 13a-15(f) under the Exchange Act) during the period to which this report relates that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting. As of June 30, 2024, we utilized the criteria established in *Internal Control-Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.
