What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit H.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Florida. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this franchise disclosure document (“Franchise Disclosure Document”), “we,” “us,” and “our” means the franchisor, We Insure, LLC “You” means the person or entity to whom we grant a franchise. We offer the franchises under the form of franchise agreement attached to this Franchise Disclosure Document (the “Franchise Agreement”). If you are a corporation, partnership, limited liability company, or other legal entity, certain provisions of this Franchise Disclosure Document and the Franchise Agreement will apply to your owners, who must sign our Guaranty of Performance, which means that they will be bound by all provisions of the Franchise Agreement.

FRANCHISOR

We were originally formed as a Florida corporation on May 11, 2009, but in connection with a transaction that is described below, we converted to a Florida limited liability company on October 7, 2021. We previously sold franchises under the name of We Insure Florida Inc. from 2009 until December 19, 2014. We restructured our entities and created a new subsidiary of We Insure Franchise Services, Inc., formed on December 19, 2014, for the purposes of selling franchises until August 17, 2017. On August 18, 2017 a corporate merger was completed which resulted in the consolidation of our subsidiaries We Insure Florida Inc., and We Insure Franchise Services, Inc. into We Insure, Inc. Currently, we do business under the name of We Insure, LLC, We Insure and We Insure Agency. We have operated the business offered under the Franchise Agreement since our formation in May of 2009 and have offered franchises since its merger with We Insure Franchises Services, Inc. in August 2017. Our principal business address is 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323.

We do not offer any other type of franchise opportunities under any other name.

We are owned by PEAK6 Insurtech Holdings LLC (“PEAK6”), a Delaware limited liability company organized in June 2008. On October 8, 2021, PEAK6 and our former parent company, We Insure Group, Inc., entered into a purchase agreement pursuant to which we converted into a Florida limited liability company and PEAK6 acquired all of our membership interests. The transaction closed on October 22, 2021.

PEAK6 and its affiliated subsidiaries offer other property and casualty insurance products. PEAK6’s affiliate, We Insure Life and Health LLC, offers health and life insurance products. PEAK6’s principal business address is 141 W Jackson Blvd. Suite 500, Chicago, IL 60604. We Insure Life and Health LLC’s principal business address is 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323. We Insure Life and Health LLC was incorporated July 18, 2018.

Focus Finance, LLC is an affiliate of ours that may offer third party financing of the initial franchise fee financing for prospective franchisees and premium financing for customers of our franchisees. Focus Finance was incorporated on July 31, 2000 and its principal

business address is 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323.

Except as described above, PEAK6 and its affiliates do not operate businesses of the type being franchised under this Disclosure Document and has not offered franchises for insurance agencies or franchises for any other line of business.

Our franchisees are required to have a corporation, limited liability company, partnership, or sole proprietorship. In addition, you must operate your franchised business under a duly registered “We Insure d/b/a” name that has been approved by us in advance of registration and that complies with all applicable state and local rules and regulations including those mandated by the Secretary of State and/or the Department of Insurance. Our agent for service of process is CT Corporation System at 1200 South Pine Island Road, Plantation, Florida 33324. We may have agents for service of process in other states as we deem appropriate. In Maryland, our registered agent authorized to receive process is the Maryland Securities Commissioner, 200 St. Paul Place, Baltimore, Maryland 21202-2020.

We operate one (1) We Insure® *corporate owned store* agency located in Sunrise, Florida, of the type being franchised. It is a sales center that offers and sells Insurance Products (defined below) on our behalf. Other than this sales center, neither we, nor our affiliates, currently operate a We Insure® agency or similar business, but we may do so at any time.

We provide to you back end administrative and support services that promote our Agencies to focus on sales generating tasks. The franchised business operates using certain processes, technology, trade secrets, carrier contracts, client lists, trademarks, emblems, and other intellectual property. The franchisor offers a variety of services including but not limited to how to conduct Agency operations, pre and post on-going training, digital presence, marketing efforts, including, without limitation, digital, print, drip mail campaigns, promotion or other methods, trained and licensed customer service assistance, including, without limitation, itemized and consolidated monthly accounting statements, including, without limitation, accounting reconciliations for your Agencies insurance policies sold and paid by our designated carriers. Commissions are reconciled on a per policy level. In addition, we maintain carrier agreements to ensure our engagement with the carriers stay present and focused on our franchisee’s, including any additional opportunities with those carriers for further incentives for which the franchised agencies may be subject to. We do not have other business activities and have not offered franchises in any other line of insurance business at this time. We have the right to remove, modify or change any of our systems, processes, technology, trademarks, emblems, management control, promotional material, franchisee office standards, products and supplies from time to time or as we deem appropriate.

The We Insure® Business

We have the right to establish and offer franchises for the purpose of selling and servicing insurance policies (the “Insurance Products”) to the general public according to our procedures and using our software, franchise system, and Marks (defined below). We call

these insurance agencies “We Insure® Agencies” and we call the We Insure® Agency that you operate under your Franchise Agreement your “Agency.” We Insure® Agencies sell automobile, business, life, and homeowners’ insurance policies and operate under the mandatory and suggested specifications, standards, operating procedures, and rules that we periodically specify for developing and/or operating a We Insure® Agency (the “System Standards”) from insurance carriers with whom we have signed agreements to offer and sell Insurance Products (the “Designated Carriers”). In certain circumstances, We Insure® Agencies may also sell commercial insurance products. In addition to our company-owned locations, we have opened 100+ franchised We Insure locations owned by our franchisees.

Before opening your Agency, we require that you appoint a manager of your Agency (the “Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”)”), whose responsibilities shall include, but not be limited to, maintaining the daily standards of Agency Operations as defined herein and in our confidential operating manual (the “Manual”).

The Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) must at all times maintain the insurance licensing to sell and service insurance policies as required by the state in which the Agency operates, as well as any other licensing requirements to solicit or sell insurance policies in another state for which you do not have a franchised location. Any personnel hired within your Agency for whom will sell or service insurance policies must have and maintain the appropriate insurance licenses per state requirements and will be required to complete a thorough background check by us and complete the required franchisor documents prior to being approved to work for your Agency. Some states may require multiple licenses to sell different types of insurance. We require a copy of licenses for all persons soliciting or selling insurance policies be on file and active at all times.

Our System Standards and fees are contained in the Manual.

We Insure® Agencies use certain trademarks, services marks, and other commercial symbols that we periodically specify, as we periodically modify them (the “Marks”).

MARKET AND COMPETITION

You will offer insurance policies to the general public throughout the year. The insurance market is competitive and well-developed. The ability of each We Insure® Agency to compete depends on its location, service, signage, changing local market and economic conditions, your business acumen, and your compliance with our System Standards. You may face competition from insurance agencies we or our affiliates operate and from other We Insure® franchisees. You will compete with other national, regional or local franchised and non-franchised insurance agencies that offer the same types of products or services that you do; including independent agencies, other franchise and related chains and agencies affiliated with well know insurers and their brands, as well as direct and agency sales through the internet.

On July 22, 2019, a former franchisee filed suit against our predecessor We Insure, Inc. asserting claims for: breach of franchise agreement, violations of the Florida Deceptive and Unfair Trade Practices Act (“FDUTPA”) and fraud. The complaint sought unspecified damages, costs and attorneys’ fees against our predecessor We Insure, Inc. On or about August 9, 2019, our predecessor We Insure, Inc. filed an answer, affirmative defenses and counterclaim against the former franchisee. The Counterclaim asserted a claim for breach of oral contract and sought unspecified damages. On March 11, 2020, the former franchisee and our predecessor We Insure, Inc. entered into a settlement agreement pursuant to which liability on all claims was denied and our predecessor, We Insure, Inc., agreed to pay \$254,500.08 in connection with the former franchisee’s contractual claim. In connection with the settlement, the former franchisee agreed to dismiss all claims against our predecessor We Insure, Inc., including the breach of contract, fraud and FDUTPA claims. On May 7, 2020, the Court entered an order dismissing the action and all claims with prejudice.

Red Zone Insurance Group, a Florida Corporation v. We Insure Florida, Inc., a Florida Corporation, Case No., 2017-006168-CA-01 (Miami-Dade County, Circuit Court). On April 11, 2017, the Court entered an order dismissing the action and all claims with prejudice.

Other than these actions, no litigation is required to be disclosed in this Item 3.

**ITEM 4
BANKRUPTCY**

No bankruptcy is required to be disclosed in this Item 4.

**ITEM 5
INITIAL FRANCHISE FEES**

You will pay an initial franchise fee (the “Initial Franchise Fee”).

If you are granted the right to operate a We Insure® agency, you must pay us an initial franchise fee of \$50,000 upon signing the Franchise Agreement.

All commissions earned by franchisees or paid to franchisors as explained in this Item 5 are stated as a percentage of the Sales Commissions that are paid to the Franchisor and its Affiliates by the Designated Carriers whose insurance products will be sold, renewed and serviced by the Franchisee.

Franchisor’s Retained Commissions are the equivalent of “royalties” in other franchising systems.

Franchisees operating a We Insure® agency will earn a Franchisee Commission of 75% on new business and 55% on renewal business, which means that the Franchisor will earn Retained Commissions of 25% on new business and of 45% on renewal business.

The information explained above is also set forth in the following table for reference:

Initial Franchise Fee	New		Renewal	
	Franchisee Commission	Franchisor’s Retained Commission	Franchisee Commission	Franchisor’s Retained Commission
\$50,000	75%	25%	55%	45%

Initial Training is included in the franchise fee for up to the first 2 people. For each additional person that attends training, the cost is \$75 per person. If travel is necessary for any part of your initial training, you will be responsible for all travel and wage related expenses.

From time to time and at our discretion we may offer promotional opportunities associated with our Initial Franchise Fee, including, but not limited to, discounting the Initial Franchise Fee by a percentage or dollar amount as we determine in our sole discretion. During our fiscal year ending 2022, we collected initial franchise fees ranging from \$10,000 to \$30,000.

Agency Management System Activation Fee.

Prior to opening your Agency, and prior to us setting you up on our Agency Management System, you must pay us an Activation Fee for each licensed user in your Agency. The Activation Fee is \$200 per person and we anticipate that you will want to “activate” one to two users, so this fee will range between \$200 and \$400.

Carrier Appointment Fee.

Prior to opening your Agency, you must determine which carriers’ products you wish to sell at your Agency and you must obtain “appointments” by those carriers. You must inform us which appointments you choose and we will attempt to procure these appointments on your behalf. In some cases, carriers will charge us an “appointment fee” which we will pay on your behalf and you must reimburse us for. Appointment fees are set by the carriers and vary by carrier and by location. Appointment fees are subject to change at any time at the discretion of the carriers; however, we estimate that your initial Carrier Appointment Fees will be between \$0 and \$600 (which includes appointment fees for approximately six carriers). Carrier Appointment Fees are most often levied on the agency, although in certain cases, they may be levied by the producer. You will also be responsible for any new or renewal carrier appointment fees incurred during the term of the agreement.

Other Pre-Opening Fees Paid to Us.

In addition to the Initial Franchise Fee, Agency Management System Activation Fee, and Carrier Appointment Fees referenced above, you must also pay us the following fees prior to opening your Agency:

- E&O and Cyber Insurance: You must pay us \$130 to procure E&O and Cyber insurance for your Agency. This amount covers your first month premium payment and is due to us upon signing the Franchise Agreement. You will be responsible for continuing premium payments as further set forth in Item 6.
- Branding Package: You must pay us \$815 for a pre-opening branding package. This amount is due to us upon signing the Franchise Agreement.

Veteran Discounts.

We offer a ten percent (10%) discount off our Initial Franchise Fee for veterans.

Launch Franchisee Program.

- We are offering an incentive program for prospective franchisees who do not currently have experience in the insurance industry but who we have

determined, in our sole discretion, have certain experience and qualifications to render them good candidates to operate an Agency themselves or via a Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”). If we approve you as a Launch Franchisee, you will still be required to pay us the Initial Franchise Fee, but you may pay us the Initial Franchise Fee in two installments: (a) \$10,000 due upon signing of the Franchise Agreement and (b) the balance of \$40,000 prior to Opening (“Franchisee’s IFF Balance Payment”). In certain cases, as described in the third bullet of this section, Franchisors may provide Launch Franchisees with a credit to offset Franchisee’s IFF Balance Payment.

- Launch Franchisees will also (a) be given an extended period of time within which to open its Agency (twelve months after signing the Franchise Agreement, unless otherwise extended by Us in writing), (b) be allowed to delay the payment of all other fees referenced in this Item 5 (except the Launch Administrative Fee Fee) until prior to the Agency opens (instead of due upon signing the Franchise Agreement), and (c) be entitled to a refund of the \$10,000 initial IFF payment if (i) they elect to terminate the Franchise Agreement prior to the expiration of the Phase In Period (as it may be extended from time to time in writing at the sole discretion of the Franchisor) and (ii) are in compliance with the lead generation requirements for Launch Franchisees as of the date of termination.
- During the Launch Period, and prior to a Launch Franchisee opening its Agency, Franchisee may, in compliance with Franchisor’s referral protocols, refer customer leads to Franchisor or its affiliate to handle the selling process for a new business account. If Franchisor accepts the lead, the account will be considered a corporate account of Franchisor (“Pre-Opening Referral Accounts”) until such time that the Launch Franchisee opens its Agency. If Franchisor earns any Sales Commissions from designated carriers in connection with one or more Pre-Opening Referral Accounts originating from Franchisee, Franchisor will apply fifty Percent (50%) of such Sales Commissions (the “Pre-Opening Referral Credit”) toward Franchisee’s IFF Balance Payment. To the extent there is an excess Pre-Opening Referral Credit after applying the Pre-Opening Referral Credit toward Franchisee’s IFF Balance Payment, Franchisor will apply the surplus towards Franchisee’s Continuing Fees and Brand Fund Fees once such fees commence when Franchisee’s Agency opens. The Pre-Opening Referral Credit shall only apply if Franchisee does not terminate the Agreement.

Refunds

All fees referenced in this Item 5 are not refundable under any circumstances (unless you

are a Launch Franchisee and terminate the Agreement in accordance with the terms and conditions as prescribed).

1. **GENERAL NOTE:** Unless otherwise stated, all fees are imposed by, paid to and collected by us and are non-refundable. Except as otherwise disclosed in this Item, for all franchises offered pursuant to this disclosure document, all fees described in this Item 6 are uniformly imposed, however, in some circumstances under which we deem appropriate, we reserve the right to modify the payment timing or to waive or reduce some or all of these fees for a particular franchisee. As noted above, the majority of fees are subject to change in Franchisor’s sole discretion from time to time in the ordinary course of business by Franchisor and Franchisor will post the then-current rates in its Manual; Franchisor’s Retained Commissions are not subject to change. We require that all fees payable to us be paid through an electronic funds transfer, including automatic debits from your bank account(s), unless we specify otherwise.

2. Our System is different from a traditional franchise where the franchisor receives royalty payments based upon the franchisee’s sales. Under our System, Retained Commissions (as further defined below) are the “royalties” that are paid to us. We have negotiated contractual arrangements with the carriers whose insurance products our agencies sell and they are obligated to pay us certain fees and commissions as a result of the policies sold by our We Insure® Agencies (the “Commission”). With respect to any of the sales commissions we receive from the insurance carriers whose policies and products the franchisee’s agency will sell, renew and service, we will deduct a certain percentage as set forth in the chart below that we will retain that amount as our “royalty” (“Retained Commissions”).

The sales commission remaining after deducting our Retained Commissions will be considered your Franchisee Commission. We will pay you the Franchisee Commission *after* deducting any fees, charges, expenses or other amounts due us or our affiliates or that we impose or collect on behalf of a third party in accordance with the Franchise Agreement.

Franchisor’s Retained Commission (i.e. Royalty) is subject to certain minimum monthly amounts as noted below.

<p>If the amounts retained by Franchisor do not exceed the Monthly Minimum Retained Commission as set forth in the schedule above, you must pay us the difference immediately.</p> <p>¹For purposes of determining which month in the schedule applies, “Opening” shall mean the earlier of (a) the seventh month following the effective date of your franchise agreement; or (b) the day Your Agency sells its first policy. If you are a Launch Franchisee, “Opening” shall mean the day you sell your first policy after completing initial training, unless another date is agreed to by us in writing.</p>			

We will pay the Franchisee Commission pursuant to the chart above by the tenth (10th) business day of each month. Currently, all payments are processed through an electronic funds transfer system (“EFT”). Franchisee shall execute the Electronic Funds Withdrawal Authorization in the form required by Franchisor from time to time. This authorization shall cover all funds to be transferred to (or withdrawn from) Franchisee’s accounts in connection with the Franchise Agreement.

By the tenth (10th) business day of each month, Franchisor shall also provide Franchisee with a statement, in a form to be determined by Franchisor in its sole discretion, containing a detailed calculation of the amounts paid to Franchisee that month. Franchisor reserves the right, in its sole discretion, to change the process by which or dates on which payments are made and statements are delivered.

Franchisor will not pay Franchisee Commission to Franchisee for insurance policies until Franchisee has submitted to Franchisor the required underwriting documents per the insurance carriers’ requirements. In addition, Franchisor will not pay to Franchisee, and may set off from, and chargeback against any amounts due Franchisee, any Franchisee Commissions attributable to Sales Commissions in which any designated carrier discovers fraud and/or Franchisee loses its authorization and privileges to offer such carrier’s products from the date of notice of such fraud or change of status. Franchisee will not earn, and will not be paid, Franchisee Commissions from the date Franchisor receives notice from the designated carrier.

- Collectively, the charges for certain technological services provided by the Franchisor and

the charges for expenses incurred on behalf of Franchisee, shall be referred to herein as the “Monthly Technology Fee.” The Monthly Technology Fees charged to you may exceed the actual costs we incur for such expenses and include charges for services we provide including administrative expenses, charges for costs we incur on your behalf and the costs that Franchisor incurs. We reserve the right to increase the Monthly Technology Fee during the term of the agreement in our sole discretion. The Monthly Technology Fee is further defined in the Manual. Examples of fees covered by the Monthly Technology Fee include, but are not limited to, recurring software license fees, email, DocuSign, Insurance Rater, telephone system connectivity; An Agency Management System fee for each user, which shall include the cost of licenses and data hosting; technology support which shall include antivirus protection, business hours support, monitoring, and redundancy support. Monthly Technology Fees are based on a per user cost. The initial month’s ownership transfer charge of the Monthly Technology Fee must be paid upon execution of the Franchise Agreement (unless you are a Launch Franchisee, in which case it will be paid prior to Opening).

4. Administrative account access allows a franchisee to hire personnel and provide an email or email and phone access for a fee of either a) \$50 for 1 user Email & Phone or b) \$25 for 1 user for email only, based on the user’s needs. These fees are billed monthly.
5. The actual costs for your motor vehicle and C.L.U.E reports shall be calculated by office, and by sharing across our network with other franchisees, or by your proportionate share of any shared costs for these reports.
6. Franchisor will procure E&O & Cyber insurance on Franchisee’s behalf and Franchisor will charge Franchisee a fee for doing so. The fee that Franchisee will pay to Franchisor will be equal to \$130/month initially and then will be adjusted by Franchisor on an annual basis in February in accordance with Franchisor’s policies. On an annual basis, Franchisor will allocate the E&O & Cyber insurance premiums procured by Franchisor on behalf of the total network (including both franchised and corporate or affiliate owned agencies) among each agency in accordance with the size of each book of business. Accordingly, Franchisor reserves the right to adjust its fee calculations on an annual basis and increase a Franchisee’s fee accordingly. Furthermore, if Franchisor is required to pay a deductible to the E&O or cyber carrier as a result of claims made where the Franchisee is alleged to be negligent and responsible for such claim, Franchisor may require Franchisee to reimburse Franchisor for the full amount of the deductible that Franchisor is required to pay the carrier (regardless of whether Franchisee’s actual negligence or responsibility is confirmed). If you are a Launch Franchisee, you will only be required to pay the monthly Launch Administrative Fee commencing upon execution of the Franchise Agreement and then continuing each month thereafter; you will not be required to pay a separate Cyber or E&O insurance fee until Opening .
7. New Submissions is a front-end policy processing, data entry, document retrieval and underwriting assistance program that you are required to participate in. If all premium payments you receive from customer accounts for the previous calendar year total less than \$1,250,000, you will be charged a New Submissions Fee of \$100 per month. If the

total premium payments you receive from Insurance Products for the previous calendar year are equal to or greater than \$1,250,000, your New Submissions Fee will be 1% of the monthly Franchisee Commissions from customer accounts you generate. Your New Submissions fee will be recalculated annually in January of each year of the Franchise Agreement. Calculations are done annually based on a calendar year beginning January through December. Regardless of the foregoing, if you fail to comply with the requirements of the New Submissions program for any policy within 24 hours of quoting, writing and binding a policy, a fee of 25% of the Sales Commission payable to you on the Insurance Product for which the 24-hour deadline was violated up to a maximum of \$50 per violation will be assessed. If you continue to fail to comply with the requirements of the New Submissions program during the 30-day period subsequent to quoting, writing, and binding such policy, we will retain the entire commission on such policy. We will deduct New Submissions fees from your Franchisee Commission. Failure to turn in to us the required underwriting documents within 10 business days or within the Carrier's requirements is a material violation of the Franchise Agreement and may result in termination of your Agreement. If you are a Launch Franchisee, your obligation to pay your New Submissions fee shall not commence until prior to Opening your Agency.

8. You must purchase all applicable insurance either required by us or by State or Federal Law and their regulations based on your business operations, such as but not limited to, Commercial General Liability Insurance, Property Insurance (if you own the building), Worker's Comp, and General Liability/ Business Owners. At any time if we discontinue group policies for E&O or Cyber you will be required to obtain and maintain these policies on your own and using our designated carriers. You will be required annually to provide receipt of full payment to the insurance carrier and a copy of your Declarations page. You also must purchase the following types of insurance if applicable such as Business Automobile Liability Insurance (any vehicles for which you have in your company's name), Worker's Compensation insurance, (if you have an employee). Any fees for insurance policies that are purchased or provided by us are fully earned. In the event you or we terminate your Franchise Agreement, those fees will be calculated for the remaining policy term and due immediately by you and/or at our discretion deducted from any future compensation paid to you on, before, or after the termination is completed. We may require you to obtain and maintain additional insurance in the future as needed. If you fail to comply with the minimum insurance requirements in the Franchise Agreement, we may obtain such insurance on your behalf and require you to pay us the premium cost of this insurance that we have advanced for you, plus administrative costs of 18% for our efforts in obtaining this insurance for you. Such costs will be deducted from your Franchisee Commissions.
9. You must indemnify and hold us and our directors, officers, owners, shareholders, agents, and attorneys harmless in any action arising out of, among other things, the following: (i) your breach of any of the terms, covenants, warranties or representations of the Franchise Agreement or any other agreement with us or any of our affiliates; (ii) the operation of your Agency; (iii) any unauthorized use of the Agency Management System; (iv) any negligence on the part of you or your affiliates; (v) any damage, injury or death to any person or property in or about the Agency; (vi) your use of the Marks or other

proprietary material; (vii) any unauthorized transfer of the Franchise Agreement or the Agency; or (viii) any tax obligations of yours that we are held responsible for.

10. We will charge you a \$1,000 Insurance License Reinstatement Fee if you fail to maintain the licenses that your State requires to offer and sell insurance products (your “required licenses”). If your required licenses are out of compliance, but not suspended we will charge you an Insurance License Noncompliance Fee of \$500. Such fees are due and payable on demand. If your license is first suspended and then cancelled, you may incur both fees. In addition to the Insurance License Noncompliance Fee and the Insurance License Reinstatement Fee, you must also reimburse us for any direct costs we incur in getting you reappointed with our carriers. You are also responsible for any costs invoiced to you directly by the carrier in connection with your suspension and reappointment.
11. The Agency Ownership Transfer Fee is payable by the transferor/seller when you sell your Agency or the economic interests within your book of business to another We Insure franchisee, or if there is a change in the ownership or voting interest within your business entity, and is due prior to the effective date of the transfer. All transfers are subject to our prior written consent and applicable law. You must provide notice to us at least 60 days’ prior to entering into a Purchase and Sale Agreement with a prospective transferee; our prior consent must be obtained before executing a Purchase and Sale Agreement for the sale or transfer of any ownership interest in your Agency. You must satisfy all of the conditions in the Franchise Agreement before we will give our consent.
12. We charge a \$75 per hour Administrative Assistance Fee for services that we provide to you that are otherwise beyond the scope of the ongoing assistance described in Item 11.
13. You must provide no less than 30 days’ notice in the event you seek to relocate your agency. We reserve the right to approve or disapprove a relocation request in our sole discretion. If you request us to review your relocation request, you must pay us a Relocation Request Fee of Three Hundred Dollars.
14. If Franchisee proposes to install a new Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”), Franchisee must first obtain Franchisor’s approval. Franchisor has the right, in its sole discretion, to require any proposed replacement Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) to visit the home office and meet with certain individuals for an interview process. You must receive an approval from us prior to a change occurring. In addition, in the event that you propose to undertake additional principals of the franchisor entity, you must also obtain our advance approval and the new principal may also be required to visit the home office and meet with certain individuals for an interview process. In exchange for our consideration and review of any such proposed principal or Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”), you must pay us a review fee of \$1,000. In addition, you must reimburse us for any costs we incur in connection with certain designated carriers’ appointment fee.
15. At times a designated carrier may conduct an audit on policies sold by you. You are

required to provide to us at the time of sale a signed application, and all required carrier underwriting documents. In the event we are unable to locate the signed application at the time the audit is conducted, you will be charged \$25 per policy and you will be required to produce the missing documents.

16. Franchisor-owned outlets have no voting power as to fees imposed by franchisee cooperatives. All Franchisor-owned outlets operate as independent agencies under the terms and conditions of the Franchise Agreement.

17. A manual processing fee may be assessed on a per policy basis for those policies written by your Agency with carriers that do not support automated technical integrations that have been accepted in the industry. These carriers will be called "Manual" carriers in the context of this fee. The fee will not be assessed if the Manual carrier is the only available option in a particular geography. The manual processing fee will be charged in accordance with our then-current rates as set forth in the Manual and will be subject to change in our sole discretion. Currently, the minimum manual policy fee is \$5/policy.

Notes:

1. **Note for All Franchisees (except Launch Franchisees):** The above table sets forth an estimate of the initial investment you are likely to incur in establishing an Agency covering approximately the first 3 months of operation, unless otherwise indicated. The expenses you incur may vary considerably, depending on many factors, including your geographic area, the growth rate you experience and other factors. You should review these figures carefully with your financial or business advisor. All fees paid to Us are non-refundable. Fees paid to parties other than Us may be refundable upon the discretion of such third-party. As noted in Item 10, we may offer financing to you for part of the Initial Franchise Fee.

Note for Launch Franchisees: Unless you terminate the Franchise Agreement in accordance with your rights as a Launch Franchisee, we expect that you will incur all of the same initial investment costs as set forth in the table; however, the time period within which that you incur such costs may be longer as we anticipate it will take you longer to open your Agency. The expenses you incur may vary considerably, depending on many factors, including your geographic area, the growth rate you experience and other factors. You should review these figures carefully with your financial or business advisor. All fees paid to Us, except the Initial Franchise Fee if you terminate the Franchise Agreement in accordance with the terms of the Launch Franchisee Addendum prior to the expiration of the Launch Period, are non-refundable. Fees paid to parties other than Us may be refundable upon the discretion of such third-party. We do not offer financing of the Initial Franchise Fee.

2. The Initial Franchise Fee is \$50,000. Items 5 and 10 for the manner in which the Initial Franchise Fee is paid, the possibility of financing some or all of the Initial Franchise Fee is not guaranteed. From time to time, we have the right to run promotional opportunities to sell franchises or modify the Initial Franchise Fee. Currently, we are offering a promotional opportunity to individuals who we have qualified, in our sole discretion, as Launch Franchisees. Launch Franchisees will receive certain termination rights and will be permitted to pay the Initial Franchise Fee as two separate payments (\$10,000 upon signing of the Franchise Agreement with the balance due prior to opening) with the opportunity to receive a credit towards their second initial franchise fee payment of fifty percent of the amount of any sales commissions received by Franchisor from designated carriers as a result of referrals they provide to Franchisor or Franchisor's affiliate prior to opening Franchisee's Agency.

Initial Training as described in Item 11 for up to two people is included with your franchise fee. You must complete the required training program to our satisfaction before commencement of your Agency's operations. If you desire to have more than two people participate in the initial training program, you must pay us an "Additional Initial Training Fee" of \$50/person.

3. Prior to opening your Agency, and prior to us setting you up on our Agency Management

System, you must pay us an Activation Fee for each licensed user in your Agency. The Activation Fee is \$200 per person and we anticipate that you will want to “activate” one to two users, so this fee will range between \$200 and \$400.

4. Prior to opening, You must pay us \$130 to procure E&O and Cyber insurance for your Agency. This amount covers your first month premium payment and is due to us upon signing the Franchise Agreement. You will be responsible for continuing premium payments as further set forth in Item 6. Launch Franchisees will not be required to pay us a separate E&O and Cyber Fee until such time that they open; however, they will be required to pay the Launch Administrative Fee (currently, \$195/month) upon signing the franchise agreement which will cover various services we provide, including Cyber Insurance.
5. You must lease or otherwise provide a suitable facility for the operation of the Agency. The Agency typically is leased and is located in a strip center, shopping center, or professional office building. We assume that you will be acquiring a leasehold interest rather than purchasing real property, and the estimate reflects this assumption. It is difficult to estimate lease acquisition costs, which may vary based upon square footage, costs per square foot, and required maintenance costs. The amount shown is for a typical *We Insure*[®] agency having approximately 250 – 1,200 square feet of space, excluding the expense for the furniture, fixtures, and equipment (the “FF&E”). The estimated range includes the costs to rent the office space for 3 months. Your lease agreement may also include expenses such as insurance, real estate taxes, common area maintenance fees, fixed rent (with escalators), percentage rent and other charges related to the operation of the Agency, all of which are not included in this estimated range. Prior to commencing lease negotiations, you may want to hire a commercial real estate broker and real estate attorney in the market where the Agency is located. We cannot estimate the cost to purchase a suitable facility. If you decide to purchase a suitable facility, there will be an initial investment in real property that we cannot accurately estimate based on your elected lease or real estate purchase options.
6. You will need to convert an existing facility into an Agency, or you will “build out” or construct improvements of, the premises at which you will operate the Agency. The conversion, construction, and/or build-out must be performed according to our System Standards. These improvements may include, for example, wiring, carpeting or flooring, sheetrock, limited interior walls, plumbing, paint, HVAC, lighting, millwork and décor items, although the office facility for your Agency does not need to have extensive build-out or custom finishes. Office build-out expenses can vary greatly. You are encouraged to consult all applicable regulatory authorities to identify costs for required building permits, impact fees, taxes, bonds, licenses, and other fees, which can vary widely depending on where your Agency is located. The costs of leasehold improvements are likely to vary depending upon the size, location, configuration, market conditions, installation and labor costs, and overall condition of the premises. You may be able to obtain a leasehold allowance from the landlord covering all or a portion of the costs of constructing the leasehold improvements. Any such allowance will be negotiated between you and the landlord. If you are able to obtain from the property owner or lessor a leasehold allowance or rent abatement, those allowances or benefits should reduce your overall out-of-pocket

costs to acquire, build out, and lease space. If the landlord gives you a full allowance, your leasehold improvements cost could be \$0. The figures used in the table do not reflect allowances from the landlord. The costs of leasehold improvements also will vary depending upon your negotiating ability, and other competitive and economic factors. This estimate assumes that your Agency will be located in leased retail or professional office space, like most We Insure® Agencies. If you develop your Agency in a free-standing location, the real estate, building, and site improvement costs are likely to be significantly higher than our estimate.

7. The cost of your FF&E will depend on where the Agency is located, local market conditions, the size of the premises, suppliers, transportation costs, labor costs, and other related factors. You must purchase one complete computer workstation for each of your employees, which includes the following: one computer, two monitors, keyboard, mouse, speakers, a printer/scanner/copier, a Virtual Private Network router, an Ethernet switch, and an uninterruptible power supply battery. You must also purchase one Polycom VoIP handset. The estimate provided assumes you will purchase only 1 workstation and includes other basic furniture and fixtures required to operate your Agency, including desk, chairs, bookshelves, and miscellaneous reception area and back-office furniture. If you require additional computer workstations, you must purchase them in accordance with our specifications to ensure that they meet our System Standards. Other equipment items, which are in the Manual and included in this estimate, include a laptop, operating software and warranty plan. The estimate provided is for purchasing FF&E. You may be able to lease or finance certain items of FF&E.
8. If you are a new customer of your local utilities, you will generally have to pay deposits in connection with services such as electric, gas, and water. The amount of the deposit will vary greatly depending on the policies of the local utilities. You should contact your local utilities for more information.
9. As part of the Branding Package, we provide you pre-approved interior signage and a digital package which includes a webpage for your Agency, as well as Google Business and Facebook sites. We do not provide any exterior signage (channel letters, street marquees, etc.) nor do we require that you obtain any on your own behalf; however, if you do obtain exterior signage and we must approve all exterior signage you use. The signage requirements and costs may vary based upon the actual size and particular location of the Agency, local zoning requirements, landlord requirements, and local wage rates for installation, among other things. All signage must conform to System Standards. For Launch Franchisees, the Branding Package must be purchased prior to opening your Agency, not immediately upon signing the Franchise Agreement.
10. You must purchase the types and amounts of insurance we require. The first quarterly payment is included in this estimate. If an annual payment instead of a quarterly payment is required, the amount could be significantly greater. Required coverages and associated premiums may vary based on the size of the Agency, where the Agency is located, value of the leasehold improvements, number of employees, and other factors. Your cost of insurance also may vary depending on the insurance company and agent you use. Having a

trusted insurance professional who will guide you in the buying process may provide significantly better rates.

11. Prior to opening your Agency, you must determine which carriers' products you wish to sell at your Agency and you must obtain "appointments" by those carriers. You must inform us which appointments you choose and we will attempt to procure these appointments on your behalf. In some cases, carriers will charge us an "appointment fee" which we will pay on your behalf and you must reimburse us for. Appointment fees are set by the carriers and vary by carrier and by location; however, we estimate that your initial Carrier Appointment Fees will be between \$0 and \$600 (which includes appointment fees for approximately six carriers). Carrier Appointment Fees are most often levied on the agency, although in certain cases, they may be levied by the producer. You will also be responsible for any new or renewal carrier appointment fees incurred during the term of the agreement.
12. You are responsible for obtaining the licenses your State requires to sell Insurance Products. The estimate includes the cost of any appointment fees and state continuing education costs associated with maintaining your insurance licenses. The estimate also includes fees for operating licenses and permits.
13. You should retain an attorney, accountant, and other consultants to assist you in reviewing this Franchise Disclosure Document, the Franchise Agreement and accompanying agreements, organizing a business entity if you choose to do so, obtaining all necessary licenses and permits, and establishing your Agency. These fees may vary depending on location and upon the prevailing rates of local attorneys, accountants, and consultants.
14. This is an estimate of the net funds (working capital) needed to cover business expenses during the initial period (which we consider to be the first 3 months after opening) of operating the Agency. This estimate assumes that your operating costs during the initial period will be paid from working capital but does not include the Monthly Technology Fee. The low end of this estimate assumes that you are not a Launch franchisee you will be an active owner-operator of the Agency and that you will not employ any other individuals to work at the Agency at the time you commence operations; the high end of this estimate assumes you are a Launch franchisee and will employ a Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC") initially to operate your Agency. This estimate also assumes you do not finance the development and start-up costs; no financing pay back monies are included in these figures. The figures also do not include a return on investment pay out. These figures also do not include any monies for supervisory time and attention to opening and pre-opening, nor for pre-construction and construction time. You should expect to need more non-managerial labor during approximately the first 3 months after opening than you will need thereafter. The many variables associated with this high-risk investment can significantly alter the cash requirements to start this business. Our requirement of a minimum personal net worth presumes that if needed, you will have financial resources to further the business, should additional cash be necessary. We cannot guarantee that you will not have additional expenses to start your business. To the extent that operational revenues do not cover

these expenses, you will need additional funds to support the operational costs of the Agency, including expenses such as rent, leases, payroll, utilities, insurance, taxes, loan payments, advertising, supplies, inventory, and other expenses. The amount of additional funds you will need will depend upon many factors, including how much you follow the System, your technical, marketing and general business skills, local economic conditions, the local market for insurance products, competition, local cost factors, and the sales levels you achieve. There is no guarantee that the working capital estimate will be adequate or that you will not need to make additional investments. You may need additional funds and you should consult with your financial advisor to determine the amount of working capital that you should invest.

15. In compiling this table, we relied on our experience as a franchisor, as well as information we have received from our franchisees. The amounts shown are estimates only and may vary for many reasons, including the size and location of your Agency, the capabilities of your management team, and your business experience and acumen. Except as expressly indicated otherwise, these estimates cover your initial cash investment to open the Agency and do not account for expenses not listed in this table.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

SYSTEM STANDARDS

You must operate your Agency in accordance with our System Standards. We publish System Standards in the Manual. System Standards may regulate any aspect of the Agency's development, operation, and maintenance, including Insurance Products, other products or services that the Agency uses, and approved suppliers for these products and services, which may be limited to us or our affiliates, in which case you must acquire certain products and services for your Agency only from us and/or our affiliates at the prices we or they decide to charge. To maintain the goodwill, quality, and reputation of the We Insure® franchise network, you must purchase or lease Insurance Products only according to our System Standards, and, if we require, only from suppliers we approve. If you are a Launch Franchisee, until such time you open your Agency, you must comply with all Franchisor specifications and standards for any customer referrals you provide to us to handle as corporate accounts.

SUPPLIERS

Currently, we and our affiliates are the only approved suppliers for all of the equipment, products, and services used in connection with establishing and operating the Agency. You must use our vendor to build your independent website and to purchase certain marketing materials. If we approve other suppliers, we will provide a list of such suppliers in the Manual or other written or electronic form. Our criteria for designating or approving a supplier include the supplier's demonstrated ability to supply a sufficient quantity of equipment, products and services meeting our System Standards, the supplier's ability to provide quality equipment, products and services at competitive

prices, the supplier's willingness to protect proprietary information, the supplier's delivery capability, and the supplier's dependability, financial stability, and general reputation. We may revise the list of designated and approved suppliers. If either we or an affiliate is a designated or approved supplier, you will sign the form of purchase, supply or lease agreement we specify. Any products, equipment, or services which we do not explicitly indicate you must purchase from an approved supplier may be purchased from a third party not pre-approved by us, provided, however, such products, equipment, or services must comply with all then-current system standards and requirements set forth in the Franchise Agreement and Manual. Franchisor provides no material benefits to franchisee for any purchase of required products, supplies or services.

If you desire to purchase or lease equipment, products or services that we have not approved (for equipment, products and services that require supplier approval), or purchase or lease approved equipment, products or services from a supplier that we have not designated or approved, you must first send us sufficient information about the proposed supplier and product or service, specifications and samples for us to determine whether the unapproved supplier and equipment, product or service provided by the unapproved supplier complies with our System Standards (our System Standards are the criteria we use to approve or deny any unapproved supplier). You will bear all expenses we incur to evaluate the requested equipment, product, service, or supplier. We will approve or disapprove the proposed supplier within a reasonable time (usually 30 days) after receiving the required information. We are not obligated to approve any particular supplier. We may revoke our approval of particular products or suppliers when we determine, in our sole discretion, that such products or suppliers no longer meet our System Standards. You must use products and services from designated or approved suppliers solely in connection with the operation of the Agency and not for any competitive business purpose.

No officer of Franchisor owns an interest in any third party, unaffiliated supplier. In the last Fiscal Year (2022), Franchisor has not derived any revenue, rebates, or other material consideration based on any of the required purchases in this Item 8.

INSURANCE PRODUCTS

You may only sell Insurance Products we approve that are sold by the Designated Carriers, in states that we approve, which we may change, from time to time in our sole discretion. We will provide you with a list of states, Designated Carriers, and Insurance Products, which may also change from time to time. We will negotiate and enter into contracts with Designated Carriers, you are not allowed to be appointed or licensed as an agent, broker, or representative for any insurance carrier unless you receive our prior written permission. You must not offer or sell any unapproved Insurance Product from any unapproved carrier in any unapproved state. At our sole discretion, we may restrict or direct access to certain Designated Carriers at any time based on the underwriting requirements of the Designated Carriers or other related risk placement objectives.

FURNITURE, FIXTURES, EQUIPMENT AND SIGNAGE

You must purchase, install, and maintain all FF&E and signage as we require for the Agency, which we may change from time to time. You must ensure that your Agency's FF&E and signage complies with System Standards. You must purchase the Agency's telephone systems from us. You must use our prescribed Voice over Internet Protocol (the "VoIP") telephone system. Although we do not require specific brands of computer hardware and software, all such computer hardware and software you purchase must meet our standards in Item 11. We may specify certain products or supplies that you must purchase from designated suppliers. You may purchase any other products or supplies from suppliers of your choice, if they comply with System Standards. We may negotiate volume purchasing arrangements with certain vendors for the purchase of equipment needed to operate the Agency, which you will be permitted to participate in. You must purchase and install any new or replacement equipment that we specify.

INSURANCE COVERAGE

In addition to the purchases and leases described above, you must obtain and maintain in full force and effect during the term of the Franchise Agreement, at your expense, the types and amounts of insurance we require from time to time. The cost of this coverage will vary depending on the insurance carrier's charges, terms of payment, and your history. Your insurance policies must name us or our designees or assignees as additional insureds and/or loss payees and be endorsed accordingly. You must promptly provide us with all of your certificates of insurance, each of which must state that the policy will not be cancelled or materially altered without at least 7 days' prior written notice to us.

Our current insurance requirements are: (i) a standard Business Owner Policy providing coverage for your place of business with liability limits of not less than \$1,000,000/\$1,000,000, unless such requirement is waived by us in writing; (ii) a hired and non-owned automobile policy with liability limits of not less than \$1,000,000, unless such requirement is waived by us in writing; and (iii) a Workers Compensation Policy with liability limits as required by state law, unless such requirement is waived by us in writing. We do not require you to use certain carriers for these coverages. If you fail to purchase the required insurance, we may obtain such insurance on your behalf and charge you for the costs we incurred to do so, plus an administrative fee that is 18% of our costs.

You must purchase Commercial General Liability Insurance, Property Insurance (if you own the building), and Professional Liability (Errors and Omissions) & Cyber Insurance (we will provide that for you). At any time if we discontinue group policies for E&O or Cyber you will be required to obtain and maintain these policies on your own and using our designated carriers. You will be required annually to provide receipt of full payment to the insurance carrier and a copy of your Declarations page. You also must purchase the following types of insurance if applicable such as Business Automobile Liability Insurance (any vehicles for which you have in your company's name), Worker's Compensation insurance, (if you an employee).

We will deduct your assessment of the E&O insurance premiums from the Commissions. Your assessment is the greater of \$130 per month and any deductibles for claims related to your Agency. These costs are recalculated in February of each calendar year as explained in Item 6.

For the insurance coverages we provide (E&O and Cyber), the premiums we charge you may change annually without further notice to you.

Premiums may also increase due to your prior claim's history. You will be responsible for the payment of all deductibles payable on claims against you or any of your officers, directors, shareholders, employees, and independent contractors. From time to time, you must participate in E&O and Cyber Insurance loss control seminars. If you fail to participate in these seminars, the cost of your E&O and/or Cyber Insurance coverage may increase.

FRANCHISEE REQUIRED PURCHASES

We estimate that the cost of equipment, products and services purchased or leased from suppliers designated or approved by us will represent approximately 25% of your total purchases and leases in establishing the Agency and approximately 25% of your total purchases and leases in operating the Agency. We estimate that the cost of equipment, products and services purchased or leased according to our System Standards could be more than 50% of your total purchases and leases in establishing the Agency and approximately 50% of your total purchases and leases in operating the Agency.

SUPPLIER ARRANGEMENTS

If we negotiate group or volume purchasing arrangements with designated or approved suppliers, you must participate in such arrangements. We may negotiate purchase arrangements with certain suppliers. Currently, we do not have any purchasing or distribution cooperatives; however, we may create such cooperatives in the future. Currently, we do not receive any rebates, allowances, credits or other material benefits from any designated supplier for the purchase or lease of equipment, products or services by you or other franchisees, although we may derive revenue from franchisee required purchases or leases in the future. For this reason, none of our revenues in the fiscal year update were derived from franchisee required purchases or leases.

PREMIUM FINANCING

We may implement a premium finance program to be administered by our affiliate, Focus Finance, LLC, or another similarly situated premium finance company. If we do so, this shall be the exclusive supplier for these services. This program will facilitate the financing of insurance premiums for your customers among other options. Franchisor and/or its affiliates reserve the right to derive revenue from purchases made by your customers.

**ITEM 10
FINANCING**

We or our affiliates may offer to non-Launch franchisees, in our sole discretion but without any obligation, the option to finance some or all of the Initial Franchise Fee. We make the same financing terms available to the *We Insure*[®] franchisees who meet our criteria. If we elect to offer to you and you accept this financing option, on the date you execute the Franchise Agreement, you must (a) pay to us in full the portion of the Initial Franchise Fee that is not being financed, and (b) execute and deliver to us or our affiliate a promissory note (the "Note") which will include the following terms:

Principal Balance	Term	Interest Rate	Payment Mode	Prepayment Penalty	Security Required
\$20,000 - \$35,000	57 Months	15.7% (subject to change based on market rates)	Monthly (\$500/month)	None	Personal guaranty

The form of the Note and Guaranty is attached as Exhibit C to this Franchise Disclosure Document and must be executed by all current and future members/partners/shareholders of the franchisee entity (this does not include spouses, children, or other persons that are not current or become members/partners/shareholders of the franchisee). Upon a default under the Note: interest will accrue at the highest rate allowed by Florida law on the amount of the then-outstanding principal balance plus accrued interest, until you make payments to us; (ii) a late charge of the greater of \$150 or 5% of the amount of the late payment will be assessed on any payment not made within 10 days of the due date; (iii) we may accelerate all of the then-outstanding principal balance and accrued interest; (iv) we may offset against any amounts we owe you any amounts you owe us; and (v) you will be required to pay all of our costs of collection and enforcement of the Note. The Note requires you to waive notice and your right to a jury trial, presentment, and notice of dishonor. There are no other waivers upon default. If you default under the Note, it will be treated as a cross default

under the Franchise Agreement. Conversely, if you default under the Franchise Agreement, it will be treated as a default under the Note.

Other than financing a portion of the Initial Franchise Fee as described above, we may arrange financing indirectly with an affiliate for Agency operational purposes. We do not sell, assign or discount to any third-party any financing offered under the Note or any other Franchisor offered financing.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we (Franchisor) are not required to provide you with any assistance.

PRE-OPENING ASSISTANCE

Before you open your Agency, we will:

1. Approve or disapprove proposed locations for your Agency. (Franchise Agreement, Sec. 5(c)). You are ultimately responsible for selecting the Site, although it is subject to our approval according to our site selection criteria, which includes demographics of the surrounding area, the nature and extent of the competition, visibility, traffic patterns, parking, density within and outside any strip center, shopping center or professional building, market statistics, lease and construction costs, current economic strength and future market potential of the surrounding area, and other factors. (Franchise Agreement, Sec. 5(c)). We will give or withhold approval within 10 days after we receive notice of the proposed site. (Franchise Agreement, Sec. 5(c)). Our approval indicates only that the proposed site meets our minimum criteria. Most We Insure[®] Agencies are located in a shopping center or professional office space. The leased space ordinarily consists of 450 – 1,200 square feet. We must approve the Site before you sign a lease. Franchisee has 180 days from the date of execution of Franchise Agreement to locate and have Franchisor approve a location. For franchisees who are not considered Launch Franchisees, if an approved location is not secured within 180 days of signing franchise agreement (unless such time is extended in writing by Franchisor), Franchisor shall have the right to terminate its relationship with franchisee with no further obligation to franchisee and no refund to franchisee of any monies paid or costs incurred by franchisee.
2. Verify the lease before you sign it. Our review of your lease will be limited to issues related to the operation of the Agency and compliance with System Standards. We will not review the documents to evaluate legal, financial, or business terms. Your lease must include a provision giving us the right to enter the leased premises upon a termination of the Franchise Agreement to make any modifications necessary to de-identify the leased space and otherwise protect the Marks. The term of the lease must be no less than 1 year. If you are unable to occupy the leased premises during the term of the Franchise Agreement, for any reason, you must relocate the Agency to new leased space, provide us written notice of your intent to relocate the Agency to new leased space at least 30 days prior to relocating operations. At no point may your Agency be without a physical

office space to operate from and you shall ensure continued and uninterrupted operations during any relocation. We do not approve virtual offices or shared workspaces as a location for your franchise business.

3. Review and approve standard design plans, layouts, drawings, and specifications for construction, build- out improvements and remodeling of your Agency. (Franchise Agreement, Sec. 5(d)). You must submit all build-out plans to us for approval. You may not modify the approved plans without our approval. We Insure® Agencies usually do not require substantial build- out. In new retail space, you may expect to install carpet, paint, and some interior walls. You pay for all construction and improvement costs. See Item 8.
4. Provide specifications for and, to the extent we deem appropriate, sources for, all required and replacement FF&E, signage, décor and other related items, products and services required for use in the operation of your Agency. (Franchise Agreement, Sec. 6(c)). See Item 8.
5. Our Confidential Operating Manual can be found on our intranet site for which you will have access to after your completion of training. (Franchise Agreement, Sec. 5(a)). The Manual is described in detail below in this Item 11.
6. Provide you the Initial Training program. (Franchise Agreement, Sec. 5(a)). The Initial Training program is described in detail below in this Item 11.
7. Provide such on-site assistance and guidance during the initial operation of your Agency as we deem appropriate in our sole discretion. (Franchise Agreement, Sec. 5(g)).
8. License to you the Agency Management System and other computer software programs that we require to operate your Agency, which we may modify from time to time. You must upgrade systems and software programs to comply with System Standards.
9. Provide you, to the extent we deem appropriate in our sole discretion, with access to our website and include you in the content of our website. (Franchise Agreement, Sec. 5(a)).
10. Provide you with written authorization to open your Agency for operation. You may not open the Agency until you have received our written authorization to open the Agency.
11. We do not own any franchisee sites or lease any such sites to franchisees.

If you are a Launch Franchisee, certain pre-opening assistance will be withheld, in our sole discretion, until such time that you confirm that you will open your Agency for business and that you will not be terminating the Franchise Agreement.

TYPICAL LENGTH OF TIME BEFORE OPERATION

We estimate that the typical length of time between the signing of the Franchise Agreement and the opening of the Agency is between 1 and 3 months; however, we anticipate the typical length of time for a Launch Franchisee will be longer and is estimated to be between 12 and 15 months. Factors that may affect your commencement of operations include your ability to secure permits, zoning and local ordinances, weather conditions, delays in the installation of equipment and fixtures, your ability to complete Initial Training to our satisfaction and, if you are a Launch Franchisee, your ability to identify an appropriately licensed and approved Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”). Unless you are a Launch Franchisee, you must open your Agency for business to the public no later than six months after the effective date of your Franchise Agreement or the date your lease requires you to commence business operations, whichever is earlier; Launch Franchisees must open their Agency for business to the public by the date that is twelve months following the Effective Date of the Franchise Agreement (unless Franchisor has agreed in writing to extend such time period).

POST-OPENING ASSISTANCE

During the operation of your Agency, we will:

1. Periodically, as we deem appropriate, provide general advice and consultation with you in connection with the operation of the Agency. Our guidance is based on our, our affiliate’s and our franchisees’ experiences in operating We Insure® Agencies. If you request on-site consulting services, you must pay for our expenses associated with providing these additional services (including hourly employee compensation, travel, and per diem expenses). (Franchise Agreement, Sec.8(j)).
2. Provide you, as we deem appropriate, our advice, knowledge, and expertise regarding the System and pertinent new developments, techniques, and improvements in the areas of products, methods, sales, promotion, management, education, service concepts, and other areas. We may provide these services through on-site visits, through the distribution of printed or filmed material or electronic information, meetings or seminars, telephone communications, email communications and other communications. (Franchise Agreement, Sec. 5(b)).
3. Make available to your operations assistance and ongoing training as we deem necessary. (Franchise Agreement, Sec.5(b)).

4. Use good faith efforts to approve or disapprove your proposed promotional and marketing materials to be used for local advertising within 30 business days after we receive them. (Franchise Agreement, Sec.12(d)).
5. Make periodic visits to the Agency, at our sole discretion, to assist you in various aspects of the operation and management of the Agency. We may prepare written reports outlining any suggested changes or improvements in the operations of the Agency and detail any deficiencies that become evident as a result of any such visit. If we prepare a report, you will be provided with a copy. (Franchise Agreement, Sec.5(b)).
6. Provide you with access to, and the opportunity to sell Insurance Products for, the Designated Carriers. We have no obligation to connect you with the Designated Carriers if you are not properly licensed or sufficiently trained.
7. Provide you access to the Agency Management System, prior to Opening but after completion of Training. (Franchise Agreement, Sec. 8)
8. Provide you access to all components of the System, prior to Opening but after completion of Training. (Franchise Agreement, Sec. 8(d)).
9. Assist you with accounting for, and processing of, all applications for Insurance Products and all policies issued, renewed, endorsed, changed, serviced, delivered, or canceled on behalf of your client accounts. (Franchise Agreement, Sec. 8(b)).
10. Provide E&O and cyber security insurance coverage to you, at your proportionate expense; if you are a Launch Franchisee, Cyber coverage will begin upon signing of the Franchise Agreement whereas E&O coverage will begin as of the Opening of your Agency. Cyber insurance is paid for by Launch Franchisees through the Launch Administrative Fee. (Franchise Agreement, Sec.8(f)).
11. Hold periodic conferences to discuss sales techniques, training, performance standards, advertising programs, and policy servicing procedures. There is no conference fee, but you must pay your travel and living expenses. These conferences are not mandatory although attendance is strongly encouraged. Such conferences could be held at any of our corporate offices or at any other location we determine in our sole discretion. (Franchise Agreement, Sec.5(b)).
12. If you request that we provide certain administrative assistance to your Agency, that you would otherwise be required to handle yourselves, and we agree, in our sole discretion, to provide such services, we will charge you an Administrative Assistance Fee of \$75 per hour. Such administrative services that you may seek include, but are not limited to, assistance with filing business entity applications with various state agencies as well as processing, filing certain documents, acquiring ^a 3rd party book of business; gathering documents for legal requests; and AIC change or reactivation. We may deduct this fee from your Commissions.

13. You must use the Agency Management System to sell Insurance Products. The Agency Management System is an online cloud (Internet-based) application and serves to automate the documentation process. The Agency Management System increases agency productivity and efficiency, increases customer satisfaction, and increases sales opportunities. In addition, we have created and implemented a System-wide intranet computer network that you must participate in to, among other things, submit required reports to us online, view and print the Manual, download approved local advertising materials, communicate with us and other We Insure® Agencies, and view and download videos and business forms. Franchisor shall have independent access to all information generated by and stored on the Agency Management System without further consent required by franchisee.

NEW SUBMISSIONS

We will provide you access to the New Submissions software, designed exclusively for our franchisees. Participation in the New Submissions program is mandatory. The purpose of the New Submissions program is to reduce the amount of time it takes to enter a customer's data and allow you to move on to the next customer even if the current customer has not delivered all documentation required for binding, which makes your sales and administrative processes more simplified and streamlined. You are responsible for quoting, writing, and binding all customer insurance policies, including the submission of all required carrier understanding documentation and/or forms necessary. You are required to add all prospect information into Epic and to upload all supporting New Submissions (trailing) documents, to the system in a timely manner. Coverage under an insurance policy is "bound" when the application is complete and signed and the initial premium payment has been paid. Once the policy is bound, you are responsible for collecting from the owner and insured party and delivering to us all documentation required under the New Submissions program, including without limitation the policy, within 24 hours of the binding effective date. Failure to comply with the 24-hour deadline causes us unnecessary work and administrative costs. We will be solely responsible for conducting all communications with the Designated Carrier and the customer once we have received from you the documentation required under the New Submissions program. You are required to inform customers and to address any problems with the documentation submitted or request any additional documentation that may be needed, although you are requested to deliver to us any such additional documentation that you may have to reduce the chances the policy might be canceled or up-rated.

BRANDING AND MARKETING

At present, we are not required to spend any amount on advertising in your area. We have established and administer a Brand Fund (the "Brand Fund" or "Fund") for the promotion of the entire System and the benefit of all We Insure® Agencies. However, we may cancel or change it any time as we see fit. All We Insure® Agencies (including those owned by us or affiliates) will be required to participate in the Brand Fund and contribute to the Brand Fund on the same basis.

You are required to participate in the Brand Fund. You are required to make monthly contributions of 3% of Franchisee Commission earned in the previous month in the manner we determine. (Franchise Agreement, Sec. 12(e)).

We or our designee will be responsible for administering the Brand Fund; however, we may engage third-party firms to administer the Brand Fund and/or to assist with these responsibilities. We will direct all marketing programs and control the creative concepts, materials and media used, media placement and allocation. We may use contributions made to the Brand Fund for the development, production and distribution of national, regional and local advertising as well as marketing related technology as we determine appropriate. (Franchise Agreement, Sec. 12(e)). We also may use contributions made to the Brand Fund towards the costs of production of advertising materials and content, including, but not limited to, the following: (i) television, radio, magazine, social media, direct mail and newspaper; (ii) public relations activities (including charitable activities) and advertising agencies; (iii) digital media; and (iv) non-traditional forms, including utilization of influencers. We also may use contributions made to the Brand Fund for personnel and other internal administration and overhead costs relating to services provided that are allowable to its activities.

We will make expenditures from the Brand Fund, based on what we, in our sole discretion, consider to be in the interest of the franchise network as a whole on a national or regional basis. We do not guarantee that your Agency will receive benefits or representation equivalent to your contribution. If we do not spend all the money in the Brand Fund in a fiscal year, we will roll those funds over into the next fiscal year. We will not use the Brand Fund to solicit new franchisees, but we may include incidental franchise marketing to potential franchisees on any advertising, marketing, or promotional materials created using the Fund.

The Brand Fund is not audited, and we do not provide periodic accounting of expenditures or financial statements, on request or otherwise, but may do so as we determine appropriate. To obtaining an accounting of the Brand Fund, you may contact Franchisor at accounting@weinsuregroup.com or 855-483-3901.

Franchisor has established an incentive program whereby Franchisee may be entitled to a reduction of its annual contribution to the Brand Fund. If, on an annual basis, a franchisee

- (i) reaches a cumulative Book of Business of \$10,000,000.00 paid in commissionable premiums on the most recent 12 commission statements (the "Incentive Minimum");
- (ii) within fourteen (14) days of meeting the criteria above, provides written notice to us of its eligibility; and
- (iii) has an active franchise operation and active franchise agreement with Franchisor;

then a franchisee will receive a reduction of its next annual contribution to the Brand Fund; instead of being required to pay 3% of their Franchisee Commission toward the Brand Fund, they will only be required to pay 2%. Failure to maintain the Incentive Minimum will result in loss of the incentive, and the franchisee’s annual contribution to the Brand Fund will be prorated based upon the number of months a franchisee met the Incentive Minimum. Failure to timely provide written notice will prevent a franchisee from receiving the incentive for its next annual contribution to the Brand Fund. Franchisees must be in good standing (as determined in our sole discretion) with the terms of the Franchise Agreement, the Manual, and all other obligations to us. Any non-compliance will immediately disqualify a franchisee from receiving the incentive. This incentive discount does not automatically renew; therefore, a franchisee must annually qualify. We may, in our sole discretion, terminate the incentive program at any time, and for any reason upon thirty (30) days’ notice to franchisees.

During the fiscal year ending December 31, 2022, the Brand Fund spent contributions to it as follows:

Item	Percentage Spent
Advertisements	35.00%
Public Relations	2.08%
Branding	45.64%
Mailers	2.72%
Administrative Expenses	14.12%
Sponsorship	.43%
TOTAL	100.0%

Although we are not obligated to do so, we may create additional advertising programs for the benefit of all We Insure® Agencies. At present, we do not have any other advertising programs required other than one Brand Fund for which you will agree to contribute 3% of Franchisee Commissions. We will determine the geographic territory and contribution amount for each advertising program we create. You must participate in any advertising, marketing or promotional program we implement and you must comply with all program specifications we require. If a regional cooperative advertising program is established in your area, all company owned We Insure® Agencies in the region will contribute to the program on the same basis as franchisees. We may allocate any portion of the Brand Fund to other advertising programs. Your local advertising requirement is in addition to any advertising obligation that is created in your area, although we may designate all or a portion of your local advertising requirement for advertising. If an advertising program is established in your area, we may establish an advertising council for franchisees in that region to self-administer the program. Whether we establish additional advertising programs with or without an advertising council, we may change, dissolve, or merge the program and/or any council at any time. Any advertising program that is established will not be audited. We reserve the right to determine the advisory council’s purpose, powers, and composition, and also the sole right to change or alter the advisory council at any time.

We currently do not have any advertising cooperative to which franchisees are required

to contribute. If an advertising cooperative is established, we may require you to participate and may require you to direct all or a portion of the amount you contribute to the Brand Fund to the cooperative.

FRANCHISEE MARKETING

All advertising and marketing you conduct must be in accordance with System Standards. We must approve all local advertising prior to use. You must submit samples of all advertising you intend to use to us for our approval. You may not use any printed or digital materials that we have not approved prior to their use. We may provide you with local advertising and marketing materials from time to time, including merchandising materials, special promotions, and sales aids at a reasonable price plus shipping. We may rescind our approval of any advertising or promotional materials or programs at any time. If we have rescinded our approval, you must immediately stop displaying and using the unapproved programs or materials.

You are strongly encouraged to spend a minimum of 3% of your portion of the Franchisee Commission on local advertising, marketing, promotions, and public relations; as of the issuance date hereof, this is a recommendation not a requirement; however, we reserve the right, in our sole discretion, to make this a requirement. If we do, we will not require you to spend more than 3% of your Franchisee Commission on local advertising. You will pay for local advertising directly to vendors and suppliers, although we will provide you with general marketing guidelines. Although you may develop advertising materials for your own use, we must approve all advertisements in writing prior to use. If we do not provide written approval of your proposed advertising within 30 days of submission, it will be deemed disapproved. If we require you to conduct local advertising, you will be required to prepare and submit to us an annual local advertising plan. You must send us proof of any local advertising expenditures within 30 days after the end of each quarter. (Franchise Agreement, Sec. 12(d)).

Subject to applicable law, we have the right to require your participation in any and all national, regional and/or local advertising, promotional and related programs that we designate from time to time at your sole cost and expense. This may include participation in programs requiring you to participate in certain charitable, promotional or social events. We are not required to compensate you for participation in any of these programs.

COMPUTER & WEBSITE REQUIREMENTS

You must purchase separately from us the recommended computer hardware/software and telephone systems we require for your Agency, and license from us the software programs required for the Agency Management System and other relative systems we deem necessary as part of our System Standards. You may not configure, program or change any of these systems or programs once they are configured/installed. You may not sell, lease, or authorize the use of these systems or programs to anyone else. Information about your client accounts reside exclusively in the Agency Management

System and you can only access your client accounts through the Agency Management System.

Each of your employees must have a complete workstation that includes one computer (which may be a desktop or a laptop), two monitors, keyboards, mouse, speakers, a printer/scanner/copier, a Virtual Private Network router, an Ethernet switch, and an uninterruptible power supply, and the telephone system that is not part of any other business transactions, software, or proprietary information. You must use the Agency Management System and all other software programs, system documentation manuals, and other proprietary materials we require. You must install and maintain in your computer system those software programs, data and information that we prescribe.

We do not allow the use of computer hardware other than what we specify, including any existing hardware you may have. This applies to conversion agencies as well. We must review and approve any existing hardware to ensure the compatibility and services being ran do not conflict with our software's and are compatible with the software requirements.

You must obtain and maintain an Internet connection with the minimum connection speed and access requirements specified by System Standards, which may require you to purchase and utilize additional hardware such as routers and firewalls to maintain secure connections. You must, always, use the email address and account we provide for communications with us. We do not require you to purchase internet service from any particular supplier.

You must use our vendors to build an independent website for your We Insure® Agency (your "Website"). You may not use any other website (including a Carrier's website) or our Carrier's logos, emblems, or trademarks or any of their marks without our prior written approval.

You must upgrade your computer hardware and/or software to then current models and versions at least once every 5 years, or sooner if we determine that your existing hardware and/or software is no longer compatible with our programs. We will issue you a proprietary email address. We will have access to all emails and other information stored in your email account. You must also give us electronic access to any other information on your computer that we request from time to time. We or our affiliates are the lawful owner of and have sole control over our website, www.weinsuregroup.com, including the design and contents of the website, as well as any other Internet domain names registered by us and websites created by us in the future. We provide We Insure® Agencies with their own webpage that is connected to our website and which we control. You will provide some of the content for your Agency's webpage in strict accordance with website standards and specifications, and you are responsible for ensuring the content is current and accurate. Except as we approve in advance in writing, you may not establish or maintain any separate website, splash page, profile or other presence on the Internet or computer network in connection with the promotion of your Agency, including any social media profile such as but not limited to Facebook, LinkedIn, YouTube, Twitter, SnapChat,

Instagram, Pinterest, Flickr, Vine, or networking site. We have the right to demand you to remove any inappropriate comments, gifs, hashtags, or any other form of public display for which we feel is inappropriate, or could jeopardize our relationships with our carriers, employees, producers, agents, agencies, or our reputation. Or deemed damaging to our WE Insure brand. Failure to cure these requests shall be considered as a default in your Franchise Agreement.

There is cost to purchase required computer hardware and software systems to commence operation of the Agency. We estimate the cost of any workstations required or optional upgrades, or maintenance agreements for computer hardware and software systems to range from \$600 to \$2,500 per workstation every 5-7 years; we estimate that each Agency will have between 1 and 2 workstations.

You must comply with our System Standards for email, communications, telephone systems, the Agency Management System, information technology and other technology systems that we may develop, implement and/or require you to acquire and use at the Agency and/or in your business operations. The IT Support Fee covers email, IT support, software maintenance, antivirus protection, malware protection, OneDrive data management space, data center colocation, and interconnection support. We also provide Help Desk Support from 8:30am- 5:30 p.m. on business days to address issues franchisees may be having related to general technical support, antivirus protection, configuration of workstations, monitoring, and redundancy support (although the Help Desk does not provide support for computer virus or malware issues). We derive revenue as a result of the computer hardware and software and information technology systems you are required to use, except for the VoIP system. These monthly charges are subject to change in the future. You are solely responsible for issues that arise from your failure to properly maintain, operate, and upgrade the computer system and software. All computer system data, including Franchisee data, is controlled by us and our access to such data is without limitation, subject to any confidentiality obligations to which we are bound pursuant to terms of the Franchise Agreement.

MANUAL

You can access our Manual on our secure intranet site immediately following the completion of Initial Training. The Manual describes the System and the mandatory and suggested specifications, standards, and procedures for the operation of the Agency. The Table of Contents for the Operations Manual is Exhibit F to this Franchise Disclosure Document. The Manual is confidential and remains our property. We may modify the Manual and the System from time to time. The Manual may be electronic. The Manual is considered Confidential information and may not be shared with any other party without our prior approval to do so. We maintain our then-current fees in the Manual. The version of the Manual residing at our corporate office in Sunrise, Florida is the most current version and supersedes all prior versions and any printed or electronic information regarding the operation of the Agency. The Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) and you (or whoever is the majority owner) must attend and complete the Initial Training. We will grant you one additional person to attend the Initial Training without charging any additional costs. Upon request, we will provide the initial training program to additional employees from your Agency at your cost for \$50 per person; you will also be responsible for any travel or wage-related expenses. . If the Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) or majority owner does not complete Initial Training to our satisfaction, we may require you to repeat Initial Training and charge you the same rate we would charge for additional trainees. If you are unable to complete Initial Training to our satisfaction (including the online sessions) after the second session, we may terminate the Franchise Agreement. While we anticipate that initial training will be conducted remotely, if travel is required for you or your employees, you will be responsible for all travel and wage related costs incurred.

Completion of Training is your responsibility. The Initial Training program will be self-paced and via live webinar. We anticipate that it will not take you longer than four weeks to complete. We reserve the right to place a time limit within which you must complete Initial Training in our sole discretion. If we do that, the time limit would not be less than four weeks.

Training will be completed via self-paced online learning modules and short-form videos, with live webinars provided as needed per our discretion. Agency operations may not commence prior to the satisfactory completion of Training. There are two ways in which the learning path will be determined:

- Individuals without Personal Lines experience will be assigned all courses excluding Commercial Lines courses.

We will not compensate you for work performed in an operating We Insure® Agency as part of the Initial Training program.

Failure to Complete the Initial Training Program:

If you (or your majority owner if you are an entity) fail to successfully complete the Initial Training program, you may be required to complete additional and/or Remedial Training courses. Failure to successfully complete Initial or Remedial Training may result in termination of your franchise agreement without refund. Additional/Ongoing Training

We may require you (or your majority owner if you are an entity) and/or any of your managers and employees to attend and successfully complete additional ongoing training. We may offer optional or mandatory additional ongoing training programs periodically. We may charge you for our reasonable costs for such additional or ongoing training programs. In addition, you must pay the costs of wages and salaries, transportation, lodging, and meals for attendees.

In addition to the Initial Training program and additional ongoing training programs, you are strongly advised to periodically attend additional training provided by our Designated Carriers. The training offered by the Designated Companies varies in length although they typically do not assess a training fee. However, you are responsible for the cost of wages and salaries, transportation, lodging, and meals incurred during training for yourself and other trainees you send.

We may also require you to participate in E&O loss control seminars provided by our E&O insurance carrier from time to time, at your own expense. If you fail to participate in such E&O seminars after our request, you may be assessed an additional amount for your E&O coverage.

We ordinarily do not provide training that may be required for you to satisfy continuing education or licensing requirements even though this education is required by regulatory agencies. This training may be obtained from industry groups, professional providers, or regulatory agency sponsored events. It is your sole obligation to satisfy any continuing education or licensing requirements.

You must complete any required Remedial Training to our satisfaction. We may suspend your systems access and Carrier privileges if you fail to do so. Remedial training is billable. Franchisees are responsible for expenditures for travel, lodging, meals, miscellaneous travel expenses to attend any in-person training in addition to the Franchisor's fee.

Industry Testing and Certifications

During the term of your agreement, we may, in our sole discretion, require you to undergo industry-specific testing or obtain industry-specific certifications from time to time. You must complete these tests and certifications to our satisfaction and at your sole cost. You must complete them within the time frame specified in the Manual. Failure to do so is a violation of the Franchise Agreement.

ITEM 12 TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We grant you the right to operate your Agency at a specific location we approve (the "Site"). You must operate your Agency only from the Site and must receive our permission before relocating the Agency. You must notify us of your intention to relocate the Agency at least thirty days prior to such relocation and pay us our then-current relocation fee. We must approve your new location prior to you entering into a lease for such location. Our approval of the new Site will be based on our then-current site selection criteria, which includes general location and neighborhood, traffic patterns, parking, the retail nature of the proposed new location, physical characteristics of buildings, accessibility, availability of prominent signage, lease terms, and competition from similar businesses in the area.

We do not grant you any territorial rights and the franchise is non-exclusive. We retain the right, among others, in any manner and on any terms and conditions we deem advisable, to compete with you. Specifically, but without limitation, we may establish other We Insure® Agencies located anywhere. We may grant another franchise for a We Insure® Agency or establish a company owned We Insure® Agency, at any place or location.

We require you to sell a minimum number of new Insurance Products during each year of the Term (the “Production Standard”). If you are a Launch Franchisee, the term year, for purposes of the Minimum Production Standards table below, starts as of the Agency’s Opening Date, which shall mean the date upon which the Franchisee’s Agency sells its first policy after completing the initial training program (or other such date that Franchisor agrees to in writing).

Minimum Production Standards

Term Year	Number of Policies
1	150
2	300
3	360
4	360
5	360

Franchisor shall exercise at their reasonable discretion remedial assistance to any franchisee for whom does not meet the minimum standards. Such remedial assistance shall include but is not limited to the following: placed on an agency remedial action plan, offered additional training or guidance on industry standards and techniques, franchisee agency marketing strategies, recommendation of hiring producers, carrier and products review, and at our discretion assignment to one of our team members to working closely with the franchisee over a period of time deemed by us that is reasonable in all efforts to assist the franchisee rather than immediately default them.

If you fail to meet the Production Standard, or and, upon notice from us, fail to cure any defect, or fail to complete remedial assistance by us to our satisfaction, we may terminate your Franchise Agreement. You are not geographically restricted from soliciting or selling to customers within your state, and you may solicit or sell to customers outside your state with no additional fee paid to us however you must have the appropriate State required licensing to do so, however, that if you retain any employees or contractors to solicit or sell insurance outside of the State your Agency is located in, you must pay an additional Initial Franchise Fee. Other We Insure® Agencies are not restricted from soliciting or selling to customers. We and our affiliates retain the right, in our sole discretion, to solicit or sell to customers located anywhere. We are not required to compensate you for doing so.

You may not distribute, market, or implement our products and services in any channel of distribution not specifically identified in the Franchise Agreement. You may not offer or sell any product or service incorporating the Marks or any variation thereof through e-commerce or establish an independent website or URL incorporating the Marks or any variation thereof, without our express prior written permission.

You do not receive options, rights of first refusal, or similar rights to acquire additional

franchises. But you are welcome to apply for additional franchises.

We and our affiliates retain the right, in our sole discretion, to offer and sell other products and services using the Marks and the System or identified by other brands we or our affiliates control through channels of distribution other than through *We Insure*® agencies (including without limitation telephone or Internet marketing) to customers located anywhere. We and our affiliates also reserve the right, in our sole discretion, to offer and sell products and services through e-commerce, the Internet, telemarketing, television, newspapers and any other advertising medium to consumers located anywhere. Nothing in the Franchise Agreement gives you the right to conduct any of our activities described above or share in the revenue generated by any of these activities.

We and our affiliates reserve the right, in our sole discretion, to use the Marks and the System, and license others to use the Marks and the System, to engage in any other activities not expressly prohibited by the Franchise Agreement. We and our affiliates reserve the right, in our sole discretion, to use the Marks and the System, to handle the entire sales and service process for any customer accounts that are referred to us by you or any other franchisee prior to, or following, the opening of your Agency. We may operate or franchise an agency or other business using a dissimilar name, decor, and format without restriction. We or our affiliates may establish other franchises or company-owned or affiliate-owned agencies selling similar products or services under a different trade name or trademark, at any location, regardless of its proximity to the Agency. As disclosed in Item 1, PEAK6 and its affiliated subsidiaries offer other property and casualty products and you may face competition from these businesses. We and PEAK6 will resolve any conflicts between our franchisees and these businesses. PEAK6's principal business address is disclosed in Item 1.

ITEM 13 TRADEMARKS

We grant you the non-exclusive right and license to use our principal Mark and associated logo and such other Marks as may be designated from time to time. You are required to use the Marks in operating the Agency, in advertising approved by us, in all business-related communications (including emails), and for other reasonable franchise-related purposes. Your use of the Marks is limited solely to the operation of your Agency.

You may not try to obtain or have ownership of any of the Marks.

Prior to registering your business entity with any applicable regulatory authority, all franchisees must submit a written request for the approval of the actual and "doing business as" ("d/b/a") name of their agency to us prior to commencing use of such names. The entity name of the agency may not include "We Insure". The "d/b/a" name of the agency must begin with "We Insure". Any d/b/a name that does not begin with "We Insure" is a material breach of the Franchise Agreement and subject to termination of the Franchise Agreement in addition to all other remedies available to us at law or otherwise. You must ensure that your entity's d/b/a designation complies with all

applicable rules and regulations, including those mandated by the Secretary of State and/or the Department of Insurance. Franchisor has unilateral discretion regarding the approval of the d/b/a in a manner consistent with its marketing initiatives and brand development.

If we elect to defend the claim, we may manage the defense of the claim including the right to compromise, settle, or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

We do not know of any allegations that the Marks infringe any third party’s rights.

You may not contest, directly or indirectly, our ownership, title, right or interest in any of the Marks, trade secrets, methods, procedures, and advertising techniques which are part of the System or contest our sole right to register, use or license others to use such Marks, trade secrets, methods, procedures, or techniques.

The Franchise Agreement does not obligate us to protect the limited rights you have with respect to the Marks. You must notify us immediately when you learn about an infringement or challenge to your use of the Marks. We will take the action we think is appropriate. If we ask you for your assistance in defending the Marks, we will reimburse you for the reasonable costs you incur in doing so.

We may require you to modify or discontinue your use of the Marks if we determine that it is in the best interest of the System. We may require you to substitute names or marks if the substitution applies to all *We Insure*[®] franchisees. We may require you to replace signage identifying the Marks if we change the Marks, or if such signage fails into disrepair. You will be responsible for the costs of any such signage changes.

We also claim common law rights to our other designs, logos and trade dress items such as color schemes and appearance, but there have not been judicial determinations of the existence, validity, or extent of our rights. We claim and intend to rely on common law trade secret and unfair competition protection of materials and information you are granted the right to use under the Agency Owner Agreement.

ITEM 14 PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We do not own any rights in or to any registered patents or copyrights that are material to the franchise. We believe and claim that we have common law copyright and trade secret protection and other proprietary rights relating to the System and the operation of your Agency and other *We Insure*[®] Franchised Agencies, including without limitation the Manual (collectively the “Confidential Information”). The Confidential Information also includes our customer service standards and other standards and protocols, promotional and marketing strategies, business methods, client information, and other techniques and know-how concerning the operation of the Agency which may be communicated to you or which you may be apprised by virtue of your operation of the Agency, as well as certain information regarding customers, including without limitation the Manual, lists of client accounts, lists of current customer and prospective customer names and addresses, information about credit extensions to customers, customer service purchasing histories, rates charged to customers, site selection criteria, plans and specifications of the development of Franchised Agencies, sales and marketing programs and techniques for *We Insure*[®] Franchised Agencies, supplier relationships, specifications and pricing for authorized products and equipment, management methods, computer systems and programs, policy expiration lists, and all other client account records, documents and information. We reserve all of these rights that we have in the Confidential Information. We may, in our sole discretion, obtain patent or copyright registration for any unregistered items of Confidential Information.

In the Franchise Agreement, you agree to maintain the confidentiality of the Confidential Information, which we loan to you solely in connection with the operation of the Agency, and to disclose the Confidential Information to your employees only to the extent necessary for the operation of the Agency. You will not acquire any interest in the Confidential Information learned, other than the right to utilize the same in the ownership and operation of the Agency during the term of the Franchise Agreement. The use or duplication of the Confidential Information in any other business will constitute an unfair method of competition with us and our franchisees. You are obligated to immediately notify us of any knowledge you obtain that a third party is infringing on the Confidential

Information or that a third party is claiming that your use of the Confidential Information infringes on their rights. Although we are not obligated to defend you against a claim of infringement by a third party, we will take such action we deem appropriate and will reimburse you for any costs you incur at our request for defending the Confidential Information against these third parties.

If you or your employees or principals develop any new concept, process, or improvement in the operation or promotion of your Agency, including, but not limited to, any modifications or additions to our proprietary materials, you must promptly notify us and provide us with all necessary related information, without compensation. Any new concept, process, or improvement will become our sole property and we will be the sole owner of all patents, patent applications, trademarks, copyrights, and other intellectual property rights related to such new concepts. You and your principals will assign to us any rights you may have or acquire in new concepts you or your employees develop, including the right to modify the concept, process, or improvement, and otherwise will waive and/or release all rights of restraint and moral rights to any new concepts you or your employees develop. You and your principals agree to assist us in obtaining and enforcing the intellectual property rights to any such concept, process, or improvement in any and all countries and further agree to execute and provide us with all necessary documentation for obtaining and enforcing such rights. You and your principals will irrevocably designate and appoint us as your agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property rights related to any such concept, process, or improvement. If these provisions of the Franchise Agreement are found to be invalid or otherwise unenforceable, you and your principals will grant to us a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the concept, process or improvement to the extent the use or sublicense would, absent the Franchise Agreement, directly or indirectly infringe on your rights to the new concepts.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you are an individual, you must provide direct, on-premises supervision of the Agency. If you are a corporation, limited liability Company, partnership or other legal entity, the person or persons who is the “Majority Owner” of the entity (defined as the persons owning at least 51% of the ownership interests in the entity with full right to control business operations) must provide direct on-site supervision. Although we do not recommend it, another person with management responsibility who has successfully completed Initial Training can directly supervise the Agency instead of the Majority Owner, as long as that person successfully completes any ongoing training we require that may include training for, among other things, insurance products, sales and marketing, sales processing, management systems, office procedures, the Agency Management System and other computer software, and any other matters that we deem necessary and

appropriate to enable the manager to operate the Agency in a professional manner. We call this manager a “Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”)”. We anticipate that Launch Franchisees will want to seek our approval to appoint a Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”). You must keep us informed at all times of the identity of the Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”), and we may require you to replace a Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) whose performance is unsatisfactory. All Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”)s must be approved by us prior to appointing this individual. You are not restricted as to whom you may hire as a Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”), except that your Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) must be competent, conscientious, substance-free, fully trained and must meet all license requirements. We reserve the right to have final approval on all the hired Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”)s.

Any additions or modifications to your corporation ownership, members, equity interests, or agency operations such as the assigned Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) must first be sent to us via email to compliance@weinsuregroup.com for approval. You must provide to us an operating agreement that outlines the individuals name, contact information, role, and percentage of equity interests and you must receive our approval before any modifications can be made.

Only a controlling member or members of the corporation who holds more than 51% equity interests may request changes to the agency information. Otherwise a corporate resolution will be required to make any changes requested such as but not limited to the Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) assignment.

Neither the Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) that you choose to provide direct, on-premises supervision of the Agency nor any licensed agent working at the Agency may have an interest or business relationship with any of our business competitors. The Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) and licensed agents must sign a nondisclosure and noncompetition agreement in the form we require. If you are an entity, all your owners also must also sign a nondisclosure and noncompetition agreement.

We may require that you or others sign other agreements with us, like a Mutual Non-Disclosure Agreement (see Exhibit 8 to this Franchise Agreement), a Post-Term Covenant Not To Compete (see Exhibit 7 to the Franchise Agreement), and a Guarantee, Indemnification, and Acknowledgment.

Mutual Non-Disclosure Agreement. We will require that any people involved in your evaluation of the franchise offered under this Franchise Disclosure Document execute the Mutual Non- Disclosure Agreement, under which they will agree to maintain the

confidentiality of any confidential information they receive in connection with their involvement in your evaluation. Under that Agreement, we also will agree to maintain the confidentiality of your confidential information that we may receive during your evaluation of the franchise offered under this Franchise Disclosure Document.

Post-Term Covenant Not to Compete. We will require all persons of your business entity (including your Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) and Producers) to execute the Post-Term Covenant Not To Compete, for which they will agree that for a period of two years after the term of their employment, regardless if they were independent contractors with your Agency, that they will not compete with us or any of our franchisees within a ten (10) mile driving radius of the former approved location for which the Agency operated its business (or, for Launch Franchisees, from the approved site for the Agency or, if no such site has been approved yet, from Franchisee’s existing non-insurance business address), including they will not solicit prospective customers, employees, producers, referral sources, or franchisees as defined in the Post-Term Covenant Not to Compete agreement.

We will require that all owners of the Agency business execute the Guarantee, Indemnification, and Acknowledgment under which they will agree to pay or perform on all obligations under the Franchise Agreement. No person other than members/shareholders/partners of the franchisee are required to execute the above documents or make a guarantee of any obligations.

The current form of guaranty of performance is attached to the Franchise Agreement as Exhibit 2.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Your adherence to System Standards is essential to the success of the Agency. To achieve uniformity, you must only offer and sell the Insurance Products we offer from time to time in strict accordance with our System Standards. You are not obligated to sell all Insurance Products we offer. You may not offer or sell, and must discontinue offering and selling, any product or service that we have not authorized. Specifically, but without limitation, you may not engage in brokering activity by or through a managing general agency. You may not quote, issue, or bind insurance policies in the excess and surplus lines market except through us or with our prior written permission.

Your relationship with us is exclusive. You may sell Insurance Products and related premium financing offered by Designated Carriers and approved suppliers through us. You are not allowed to sell any Insurance Products or related premium financing products that we have not approved. We may periodically change approved products and services and there are no limits on our right to do so. You may not be a licensed agent, broker, or representative for any insurance company other than the Designated Carriers unless we authorize in writing. We determine which Designated Carriers you may use. We may

change the list of approved Designated Carriers and approved suppliers at any time, although we will give you notice of any such changes. If we remove a Designated Carrier or approved supplier from the approved list, you must stop doing business with that carrier. At our sole discretion, we may restrict or direct access to certain Designated Carriers at any time based on the underwriting requirements of the Designated Carriers or other related risk placement objectives.

You must maintain the required licenses to represent us and the Designated Carriers. You may not conduct any business with regard to any type of insurance that we have not approved or for which you are not licensed. You may not conduct any business of any kind from your Site other than the Agency.

Neither you, nor any of your agents, employees or contractors may share any agency management licensing. Each individual who is quoting must maintain their own person specific management license issued from our management vendor.

Periodically, we may allow certain products or services that are not otherwise authorized for general use as part of the System to be offered locally or regionally based upon such factors as we determine, including test marketing, for the purpose of either consumer or operational feedback or evaluation, your qualifications, and regional or local consumer preferences.

You must keep the Agency open during normal business hours on the days specified in the Manual. We do not impose any restriction that limits your access to customers. You must follow the procedures and notifications we designate when you are absent from supervising the Agency.

**ITEM 18
PUBLIC FIGURES**

We do not currently use any public figures to promote our franchise.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Franchise Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing franchise, however, we may provide you with the actual records of that franchise. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Director of Franchise Operations of We Insure, LLC at 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323, (855) 483-3901 and franchising@weinsuregroup.com, the Federal Trade Commission, and the appropriate state regulatory agencies.

- *We Insure® Agencies historically have sold their rights to receive commissions in connection with the sales and service of Insurance Products (the “Book of Business”) to other franchisees. The Rule calls for franchisors to report the numbers of outlets that have closed, with the assumption that the closed business is no longer an active part of the franchise network. When a Book of Business is sold in the We Insure® franchise network, that Book of Business often is absorbed into another operating agency. The agency selling the Book of Business may close, but often another agent continues to service the Client Accounts in that Book of Business, so We Insure® does not consider such agencies “closures” as defined in the Rule.
- For the purpose of reporting on Table 3, “Reacquired by Franchisor”, we will disclose those offices that discontinued operations at their location prior to the end of their franchise agreement. In these cases, the Franchisor or the existing franchisee absorbs the “Book of Business” and issues a form of consideration.

Report of Independent Auditors

To the Member and Board of Directors of We Insure, LLC

Opinion

We have audited the consolidated financial statements of We Insure, LLC (the Company), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the related consolidated statements of income, changes in member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Business Combination

As disclosed in Notes 2 and 11 to the consolidated financial statements, on October 22, 2021, PEAK6 InsurTech Holdings, LLC acquired 100% of the equity interest in the Company. Management elected to push down the purchase accounting adjustments from the transaction to the Company's consolidated balance sheet. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The additional detail presented in the consolidated statements of income, changes in member's equity and cash flows for the pre- and post- acquisition periods during 2021 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Note 1 – Nature of Business

We Insure, LLC and its wholly-owned subsidiary We Insure Julington Creek, LLC (collectively, the Company) is a wholly-owned subsidiary of PEAK6 InsurTech Holdings, LLC. The Company is in the business of selling insurance agency franchises. The Company also provides a vast array of market access through a centralized broker hub to all its franchisees. In addition, the Company provides all customer service-related tasks for all policies on behalf of the franchisees.

Note 2 – Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

The summary of significant accounting policies of the consolidated financial statements of the Company are presented to assist in understanding the financial statements of the consolidated entities. The consolidated financial statements and notes are representations of the Company's ownership who are responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and they have been consistently applied in the presentation of the consolidated financial statements. All significant intercompany accounts and transactions have been eliminated in the consolidated financial statements.

On October 22, 2021, the Company was acquired by PEAK6 InsurTech Holdings, LLC (the Parent), as such the period from January 1, 2021 through October 21, 2021 reflects the historical cost basis of accounting of the Company that existed prior to the acquisition (see Note 11). This period is referred to as “Pre-Acquisition 1/1/2021 – 10/21/2021.” The period from October 22, 2021 through December 31, 2021 is referred to as “Post-Acquisition 10/22/2021 – 12/31/2021.” The post-acquisition period reflects the cost and activities as well as recognition of assets and liabilities of the Company at their fair values pursuant to the election of pushdown accounting as of the consummation of the acquisition (see Note 11).

Due to the application of acquisition accounting by the Parent, the election of pushdown accounting, and the conforming of significant accounting policies, the results of operations, cash flows and other financial information of the post-acquisition period are not comparable to the pre-acquisition period.

Organizational Structure

The Company is organized as a Florida limited liability company and is subject to a corresponding limited liability company agreement. Under this agreement, members own common units of the Company and there is currently a single class of units. The Parent owns 100% of the issued and outstanding common units.

Cash and Cash Equivalents

Cash and cash equivalents are reported at cost, which approximates fair value. The Company considers all investments, including money market accounts, with an original maturity of three months or less when purchased to be cash equivalents. The Company maintains cash balances at various financial institutions. Cash accounts are insured by the Federal Deposit Insurance Corporation (FDIC) for limits up to \$250,000 per depositor. As of December 31, 2022 and 2021, the Company's cash balances in banks totaled \$1,195,339 and \$527,643, respectively. At various times during the year, the Company's cash balances are in excess of FDIC insurance coverage. Management believes the Company's cash balances are held in high-quality institutions, and therefore the Company's credit risk is at an acceptable level.

Note 2 – Significant Accounting Policies (Continued)

Restricted Cash

The Company maintains a restricted cash balance for customer premium deposits which equals or exceeds the Trust Premium Deposits liability. The Company also maintains a restricted cash balance for funds deducted from agent commissions designated for national advertising expenses.

The chart below shows the cash, cash equivalents and restricted cash within the consolidated statements of cash flows as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Cash and Cash Equivalents	\$ 794,203	\$ 200,646
Restricted Cash	<u>401,136</u>	<u>326,997</u>
Total Cash, Cash Equivalents and Restricted Cash	<u>\$ 1,195,339</u>	<u>\$ 527,643</u>

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable are stated at an estimated amount based on historical averages of actual commissions receivable as of December 31, 2022. Accounts receivable as of December 31, 2021 were recorded at net invoiced amounts, which approximates fair value. Management provides for probable uncollectible amounts through a charge to earnings and a credit to an allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance.

Bad debt expense was \$4,991 and \$14,632 for the years ending December 31, 2022 and 2021, respectively.

Franchise Fees Receivable

Franchise fees receivable are presented on the consolidated balance sheet net of estimated uncollectible accounts, which approximates fair value. Management closely monitors outstanding receivables and charges off to expense all amounts that are determined to be uncollectible. At December 31, 2022 and 2021, management of the Company considered all remaining franchise fees receivable to be fully collectible; accordingly, there is no allowance for doubtful accounts.

Bad debt expenses were \$35,723 and \$13,000 for the year ending December 31, 2022 and 2021, respectively.

Note 2 – Significant Accounting Policies (Continued)

Prepaid Expenses

Prepaid expenses represent amounts paid for services that will be consumed in a future period. The Company uses a threshold of \$1,000 per month or a service period covering twelve months or more to determine what costs will be recorded as prepaid expenses.

Property and Equipment

Property, plant and equipment are recorded at cost. The Company uses a capitalization threshold of \$10,000. Depreciation is computed using the straight-line method. Assets are depreciated over their estimated useful lives. Costs of maintenance and repairs are charged to expense when incurred.

The Company capitalizes significant costs incurred in the development of software for internal use, specifically the costs paid to third party contractors. Costs not qualifying for capitalization are charged to expense as incurred. Capitalized software is amortized over the estimated useful life of the software, using the straight-line method.

Intangible Assets

Intangible assets include customer relationships, trade name, and value of business acquired (VOBA). Trade name has an indefinite useful life and is not being amortized, but instead tested for impairment at least annually in accordance with the provision of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 350, Intangibles - Goodwill and Other. Customer relationships and VOBA are amortized over their estimated useful lives of 20 years and 5 years, respectively. An impairment analysis was performed as of year-end and concluded that no impairment is necessary for the years ended December 31, 2022 and December 31, 2021.

Goodwill

Goodwill represents the excess of purchase consideration over fair value of net assets acquired in the purchase of the Company. Goodwill has an indefinite useful life and is not being amortized, but instead tested for impairment at least annually in accordance with the provision of FASB ASC 350, Intangibles - Goodwill and Other. An impairment analysis was performed on Goodwill as of year-end and concluded that no impairment is necessary for the years ended December 31, 2022 and December 31, 2021.

Lease Accounting Policies

The Company determines if an arrangement is or contains a lease at inception. Operating lease right-of-use assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease payments consist primarily of the fixed payments under the arrangement, less any lease incentives. The Company generally uses an incremental borrowing rate estimated based on the information available at the lease commencement date to determine the present value of lease payments unless the implicit rate is readily determinable. Lease expense for lease payments is recognized on a straight-line basis over the lease term in Occupancy expense.

Lease and non-lease components for all leases are accounted for separately. Additionally, the Company does not record leases on the balance sheet that, at the lease commencement date, have a lease term of 12 months or less.

The Company adheres to the requirements of Accounting Standards Update (ASU) 2016-02 Leases (Topic 842). Operating leases are included in operating lease right-of-use assets, current portion of lease liabilities - operating, and long-term lease liabilities - operating, less current portion in our consolidated balance sheets. The Company did not have any material financing leases in the periods presented.

Note 2 – Significant Accounting Policies (Continued)

Employee Benefit Plan

The Company has a defined contribution 401(k) plan (the Plan) that covers substantially all full-time employees of who have completed 6 months of service and are age 21 or older and substantially all part-time employees of the Company who have completed 1,000 hours of service within 12 consecutive months of the respective employee's employment commencement date and are age 21 or older. The Plan does not cover certain residents of Puerto Rico or leased employees. Discretionary employer matching contributions of 50 percent on the first 6 percent of eligible compensation are provided for by the Plan. There were total employer contributions of \$171,665 and \$172,318 for the years ended December 31, 2022 and 2021, respectively.

Accounts Payable

Accounts payable consist of various short-term liabilities which were consumed yet unpaid as of year-end.

Accrued Liabilities

Accrued liabilities consist of various short-term obligations for goods and services not yet invoiced at year end. Amounts may be known or estimated at approximate fair value.

Commissions Payable

Commissions payable consist of commissions payable to agents that have been accrued, at approximate fair value, but not paid as of year-end.

Accrued Compensation

Accrued compensation consists of amounts owed to employees for services provided in the year, but not paid as of year-end. Examples include 401(k) match, paid time off, and direct labor.

Income Taxes

Pre-Acquisition, the Company was treated as an S Corporation for federal income tax purposes. The Company agreed to make the election to file their federal and state income tax returns on a consolidated basis. In lieu of corporation income taxes, the stockholder of an S Corporation is taxed on his proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income taxes had been included in the financial statements.

Post-Acquisition, the Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. The Parent is liable for taxes related to the Company's earnings.

Note 2 – Significant Accounting Policies (Continued)

Revenue Recognition

The Company has four main revenue streams, including commission income, contingent income, franchise sales, and fees – agent owners. The accounting policies for revenue recognition reflect the application of the FASB ASU 2014-09, Revenue from Contracts with Customers (Topic 606).

Commission Income

Commission income is recognized on the effective date of the associated policies after the performance obligation has been fulfilled. The Company's performance obligation is to sell and bind the policy with a carrier.

The Company receives commissions when a policy is issued or renewed. The consideration is highly susceptible to factors outside its influence, and the uncertainty could stretch over multiple years. The Company has performed an analysis on its cancellation trends to establish a reserve for policies that will cancel with a prorated refund. The cancellation reserve amounts are netted against Accounts Receivable and were \$290,664 and \$243,009 for the years ended December 31, 2022, and 2021, respectively.

Carriers pay commissions based on the Company's sales. The Company pays the commissions earned by each franchisee after subtracting fees and costs due to the Company and a percentage of commissions earned based on franchisee type and options selected. The Company reports commission income from carriers gross of franchisee commission expense because the Company is the principal in the contracts with the carriers.

Contingent Income

The Company may also be eligible for certain contingent commissions from underwriters based on the attainment of specified metrics (i.e., volume and loss ratio measurements related to the Company's placements). Due to the uncertainty of the amount of the contingent consideration that will be received, the estimated revenue is constrained to an amount that is probable to not have a significant negative adjustment. Contingent consideration is generally received in the first quarter of the subsequent year and is non-refundable.

Franchise Sales

The Company considers a franchise agreement to be a license with a performance obligation to provide franchisees with access to We Insure intellectual property including branding, trade names, and logos. Revenue from initial franchise fees is recognized over the term of the franchise agreement. If a franchise is closed, the unamortized franchise sales fee is recognized in full upon termination.

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The franchise agreements require the franchisee to pay an initial, non-refundable fee. The liability for Deferred Franchise Fees is recorded to account for consideration received for which revenue is unearned. The initial franchise fee is recognized as income over the life of the franchise agreement, generally for a period of five years.

Note 2 – Significant Accounting Policies (Continued)

The franchise agreement does not provide for the franchisee to make royalty payments based on the franchisee's sales.

Due to a limited number of territory franchises, the Company may reach the point where existing markets become saturated and initial franchising revenue declines. Unless new markets are entered into, franchise revenues after market saturation will come primarily from continuing and renewal fees for existing franchises.

The Company provides for financing of a portion of the initial investment fee. The financing policy effective January 1, 2021 allows for financing of less than one year with a 0% interest rate. The financing policy in effect prior to this date offered financing over multiple years at a rate of 18%. The Company is currently carrying loans based on both the current and historical franchise fee notes receivable.

Fees - Agent Owners

Various fees assessed to agency owners for services provided by the Company are recognized as revenue over time when the performance obligation, monthly support, has been provided. These fees are non-refundable.

Deferred Sales Commissions

Costs specifically related to the sale of a specific franchise are capitalized and amortized over time based on the period in which costs are expected to be recovered. These costs recorded to Deferred Sales Commissions are amortized to Franchise Expense over the life of the associated franchise agreement, generally over five years. If a franchise is closed, the unamortized deferred sales commission is recognized in full upon termination.

Risks and Uncertainties

In the normal course of business, the Company is party to litigation from time to time. The Company maintains insurance to cover certain actions and believes that resolution of such litigation will not have a material adverse effect on the Company.

Upcoming Accounting Pronouncements

In June 2016, the FASB issued ASU 2016-13, Financial Instruments - Credit Losses: Measurement of Credit Losses on Financial Instruments (Topic 326). The ASU includes changes to the accounting and measurement of financial assets including the Company's accounts receivable by requiring the Company to recognize an allowance for all expected losses over the life of the financial asset at origination. This is different from the current practice where an allowance is not recognized until the losses are considered probable. The new guidance will be effective for the Company's year ending December 31, 2023. Upon adoption, the ASU will be applied using a modified retrospective transition method to the beginning of the first reporting period in which the guidance is effective.

Report of Independent Auditors

To the Shareholders and Board of Directors of We Insure, LLC

Opinion

We have audited the consolidated financial statements of We Insure, LLC (“the Company”), which comprise the consolidated balance sheet as of December 31, 2021, and the related consolidated statements of income, changes in member’s equity, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Business Combination

As disclosed in Notes 2 and 11 to the consolidated financial statements, on October 22, 2021, PEAK6 InsurTech Holdings, LLC acquired 100% of the equity interest in the Company. Management elected to push down the purchase accounting adjustments from the transaction to the Company’s consolidated balance sheet. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The additional detail presented in the consolidated statements of income, changes in member's equity and cash flows for the pre- and post-acquisition periods is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Note 1 – Nature of Business

We Insure, LLC and its wholly-owned subsidiary We Insure Julington Creek, LLC (collectively, “the Company”) is a wholly-owned subsidiary of PEAK6 InsurTech Holdings, LLC. The Company is in the business of selling insurance agency franchises. The Company also provides a vast array of market access through a centralized broker hub to all its franchisees. In addition, the Company provides all customer service-related tasks for all policies on behalf of the franchisees.

Note 2 – Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

The summary of significant accounting policies of the consolidated financial statements of We Insure, LLC and its wholly-owned subsidiary We Insure Julington Creek, LLC are presented to assist in understanding the financial statements of the consolidated entities. The consolidated financial statements and notes are representations of the Company's ownership who are responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America (“GAAP”) and they have been consistently applied in the presentation of the consolidated financial statements. All significant intercompany accounts and transactions have been eliminated in the consolidated financial statements.

On October 22, 2021, the Company was acquired by PEAK6 InsurTech Holdings, LLC (“the Parent”), as such the period from January 1, 2021 through October 21, 2021 reflects the historical cost basis of accounting of the Company that existed prior to the acquisition (see Note 12). This period is referred to as “Pre-Acquisition 1/1/2021 – 10/21/2021.” The period from October 22, 2021 through December 31, 2021 is referred to as “Post-Acquisition 10/22/2021 – 12/31/2021.” The post-acquisition period reflects the cost and activities as well as recognition of assets and liabilities of the Company at their fair values pursuant to the election of pushdown accounting as of the consummation of the acquisition (see Note 12).

Due to the application of acquisition accounting by the Parent, the election of pushdown accounting, and the conforming of significant accounting policies, the results of operations, cash flows and other financial information of the post-acquisition period are not comparable to the pre-acquisition period.

Organizational Structure

The Company is organized as a Florida limited liability company and is subject to a corresponding limited liability company agreement. Under this agreement, members own common units of the Company and there is currently a single class of unit. The Parent owns 100% of the issued and outstanding common units.

Cash and Cash Equivalents

Cash and cash equivalents are reported at cost, which approximates fair value. The Company considers all investments, including money market accounts, with an original maturity of three months or less when purchased to be cash equivalents. The Company maintains cash balances at various financial institutions. Cash accounts are insured by the Federal Deposit Insurance Corporation (“FDIC”) for limits up to \$250,000 per depositor. As of December 31, 2021, the Company's cash balances in banks totaled \$527,643. At various times during the year, the Company's cash balances are in excess of FDIC insurance coverage. Management believes the Company's cash balances are held in high-quality institutions, and, therefore, the Company's credit risk is at an acceptable level.

Note 2 – Significant Accounting Policies (Continued)

Restricted Cash

The Company maintains a restricted cash balance for customer premium deposits which equals or exceeds the Trust Premium Deposits liability. The Company also maintains a restricted cash balance for funds deducted from agent commissions designated for national advertising expenses.

The chart below shows the cash, cash equivalents and restricted cash within the consolidated statement of cash flows as of December 31, 2021:

	<u>2021</u>
Cash and cash equivalents	\$ 360,261
Restricted cash	<u>167,382</u>
Total Cash, Cash Equivalents and Restricted Cash	<u>\$ 527,643</u>

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable are stated at net invoice amounts, which approximates fair value. Management provides for probable uncollectible amounts through a charge to earnings and a credit to an allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance. At December 31, 2021 no allowance was considered necessary.

Bad debt expense was \$14,632 for the year ending December 31, 2021.

Franchise Fees Receivable

Franchise fees receivable are presented on the consolidated balance sheet net of estimated uncollectible accounts, which approximates fair value. Management closely monitors outstanding receivables and charges off to expense all amounts that are determined to be uncollectible. At December 31, 2021, management of the Company considered all remaining franchise fees receivable to be fully collectible; accordingly, there is no allowance for doubtful accounts.

Bad debt expense was \$13,000 for the year ending December 31, 2021.

Note 2 – Significant Accounting Policies (Continued)

Property and Equipment

Property, plant and equipment are recorded at cost. The Company uses a capitalization threshold of \$10,000. Depreciation is computed using the straight-line method. Assets are depreciated over their estimated useful lives. Costs of maintenance and repairs are charged to expense when incurred.

Intangible Assets

Intangible assets include customer relationships, trade name, and value of business acquired (“VOBA”). Trade name has an indefinite useful life and is not being amortized, but instead tested for impairment at least annually in accordance with the provision of FASB ASC 350, Intangibles - Goodwill and Other. Customer relationships and VOBA are amortized over their estimated useful lives of 20 years and 5 years, respectively.

Intangible assets consist of the following at December 31:

	<u>Amount</u>
Customer Relationships	\$ 17,890,000
Trade Name	1,630,000
Value of Business Acquired	<u>1,612,000</u>

2025	2,622,399
2026	2,754,567
Thereafter	<u>8,014,489</u>
Total	<u>\$ 19,502,000</u>

Goodwill has an indefinite useful life and is not being amortized, but instead tested for impairment at least annually in accordance with the provision of FASB ASC 350, Intangibles - Goodwill and Other.

Note 2 – Significant Accounting Policies (Continued)

Lease Accounting Policies

The Company determines if an arrangement is or contains a lease at inception. Operating lease right-of-use assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease payments consist primarily of the fixed payments under the arrangement, less any lease incentives. The Company generally uses an incremental borrowing rate estimated based on the information available at the lease commencement date to determine the present value of lease payments, unless the implicit rate is readily determinable. Lease expense for lease payments is recognized on a straight-line basis over the lease term in Building Rental expense.

Lease and non-lease components for all leases are accounted for separately. Additionally, the Company does not record leases on the balance sheet that, at the lease commencement date, have a lease term of 12 months or less.

The Company adheres to the requirements of Accounting Standards Update (“ASU”) 2016-02 *Leases* (Topic 842). Operating leases are included in operating lease right-of-use assets, current portion of lease liabilities - operating, and long-term lease liabilities - operating, less current portion in our consolidated balance sheets. The Company did not have any material financing leases in the period presented.

Employee Benefit Plan

The Company has a defined contribution 401(k) plan (“the Plan”) that covers substantially all full-time employees of who have completed 6 months of service and are age 21 or older and substantially all part-time employees of the Company who have completed 1,000 hours of service within 12 consecutive months of the respective employee's employment commencement date and are age 21 or older. The Plan does not cover certain residents of Puerto Rico or leased employees. Discretionary employer matching contributions of 50 percent on the first 6 percent of eligible compensation are provided for by the Plan. There were total employer contributions of \$172,318 for the year ended December 31, 2021.

Accounts Payable

Accounts payable consist of various liabilities that have been estimated and accrued, at approximate fair value. It also includes the portion of commissions payable that will be paid in the following month.

Commissions Payable

Commissions payable consist of commissions payable to agents that have been accrued, at approximate fair value, but not paid as of year-end. It consists of the portion of commissions payable that will be paid after the following month.

Income Taxes

Pre-Acquisition 1/1/2021 – 10/21/2021, the Company was treated as an S Corporation for federal income tax purposes. The Company agreed to make the election to file their federal and state income tax returns on a consolidated basis. In lieu of corporation income taxes, the stockholder of an S Corporation is taxed on his proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income tax had been included in the financial statements.

Note 2 – Significant Accounting Policies (Continued)

Post-Acquisition 10/22/2021 – 12/31/2021, the Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. The Parent is liable for taxes related to the Company's earnings.

Revenue Recognition

The Company has four main revenue streams, including commission income, contingent income, franchise sales, and fees – agent owners. The accounting policies for revenue recognition reflect the application of the Financial Accounting Standards Board's ASU 2014-09, Revenue from Contracts with Customers (Topic 606).

Commission Income

Commission income is recognized on the effective date of the associated policies after the performance obligation has been fulfilled. The Company's performance obligation is to sell and bind the policy with a carrier.

The Company receives commissions whenever a policy is issued or renewed. The consideration is highly susceptible to factors outside its influence, and the uncertainty could stretch over multiple years. The Company uses historical data about customer renewal patterns and can estimate a minimum amount of variable consideration for which it is probable that a significant reversal of cumulative revenue will not occur. As such, the Company recognizes commission income as of the policy effective date, and no reserve has been recorded. Policies are cancellable with a prorated refund.

Contingent Income

The Company may also be eligible for certain contingent commissions from underwriters based on the attainment of specified metrics (i.e., volume and loss ratio measurements related to the Company's placements). Contingent commissions income is recognized when the performance obligation, achievement of the specified metric, has been fulfilled. Due to the uncertainty of the amount of the contingent consideration that will be received, the estimated revenue is constrained to an amount that is probable to not have a significant negative adjustment. Contingent consideration is generally received in the first quarter of the subsequent year and is non-refundable.

Franchise Sales

The Company considers a franchise agreement to be a license with a performance obligation to provide franchisees with access to We Insure intellectual property including branding, trade names, and logos. Revenue from initial franchise fees are recognized over the term of the franchise agreement. If a franchise is closed, the unamortized franchise sales fee is recognized in full upon termination.

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The franchise agreements require the franchisee to pay an initial, non-refundable fee. The liability for Deferred Franchise Fees is recorded to account for consideration received for which revenue is unearned. The initial franchise fee is recognized as income over the life of the franchise agreement, generally for a period of five years.

Note 2 – Significant Accounting Policies (Continued)

The franchise agreement does not provide for the franchisee to make royalty payments based on the franchisee's sales.

Carriers pay commissions based on the Company's sales. The Company pays the commissions earned by each Agency after subtracting fees and costs due to the Company and a percentage of commissions earned based on Agency type and options selected. The Company reports commission income from carriers gross of agency commission expense because the Company is the principal in the contracts with the carriers.

Due to a limited number of territory franchises, the Company may reach the point where existing markets become saturated and initial franchising revenue declines. Unless new markets are entered into, franchise revenues after market saturation will come primarily from continuing and renewal fees for existing franchises.

The Company provides for financing of a portion of the initial investment fee. In previous years, fees could be financed over a period of years. In 2021, initial franchise fees may only be financed over a period of less than one year. Interest rates range from 0.0% (those financed for less than one year) to 18% (financing greater than one year).

Fees - Agent Owners

Various fees assessed to agency owners for services provided by the Company are recognized as revenue over time when the performance obligation, monthly support, has been provided. These fees are non-refundable.

Deferred Sales Commissions

Costs specifically related to the sale of a specific franchise are capitalized and amortized over time based on the period in which costs are expected to be recovered. These costs recorded to Deferred Sales Commissions are amortized to Operating Expenses over the life of the associated franchise agreement, generally over five years.

Risks and Uncertainties

On March 11, 2020, the World Health Organization declared the outbreak of a respiratory disease caused by a new coronavirus as a pandemic. First identified in late 2019 and now known as COVID19, the outbreak has impacted millions of individuals worldwide. In response, many countries, states, and localities have implemented measures to combat the outbreak that has impacted global business operations.

Management has assessed the impact that the pandemic has had on operations during the year ended December 31, 2021 and through the date of issuance of the consolidated financial statements, noting no impact. No impairments were recorded during 2021, as no triggering events or changes in circumstances had occurred as of period end; however, due to the significant uncertainty surrounding the situation, management's judgment regarding this could change in the future. In addition, while the Company's results of operations, cash flows, and financial condition could be negatively impacted by the pandemic in the future, the extent of any potential impact cannot be reasonably estimated at this time.

Note 2 – Significant Accounting Policies (Continued)

In the normal course of business, the Company is party to litigation from time to time. The Company maintains insurance to cover certain actions and believes that resolution of such litigation will not have a material adverse effect on the Company.

Adopted Accounting Pronouncements

Effective January 1, 2021, the Company early adopted the requirements of Accounting Standards Update (“ASU”) 2016-02, *Leases* (Topic 842). The objective of this ASU, along with several related ASUs issued subsequently, is to increase transparency and comparability between organizations that enter into lease agreements. For lessees, the key difference of the new standard from the previous guidance (Topic 840) is the recognition of a right-of-use (“ROU”) asset and lease liability on the balance sheet. The most significant change is the requirement to recognize ROU assets and lease liabilities for leases classified as operating leases. The standard requires disclosures to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. As part of the transition to the new standard, the Company was required to measure and recognize leases that existed at January 1, 2021 using a modified retrospective approach. The Company elected, as a practical expedient, to use hindsight for purposes of determining lease term. The adoption of Topic 842 resulted in the recognition of an operating ROU asset and operating lease liability of \$732,685 and \$739,187, respectively. A cumulative effect adjustment of \$6,501 was recorded at the initial application date of January 1, 2021.

Upcoming Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments - Credit Losses: Measurement of Credit Losses on Financial Instruments*. The ASU includes changes to the accounting and measurement of financial assets including the Company's accounts receivable by requiring the Company to recognize an allowance for all expected losses over the life of the financial asset at origination. This is different from the current practice where an allowance is not recognized until the losses are considered probable. The new guidance will be effective for the Company's year ending December 31, 2023. Upon adoption, the ASU will be applied using a modified retrospective transition method to the beginning of the earliest period presented. Early adoption for all institutions is permitted for fiscal years beginning after December 15, 2018.

NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF OPERATIONS – The Company is in the business of selling insurance agency franchises. The Company also provides a vast array of market access through a centralized broker hub to all of its franchisees. In addition, the Company provides all customer service related tasks for all policies on behalf of the franchisees. In late 2018, the Company began engaging in the retail market.

BASIS OF ACCOUNTING – The financial statements have been prepared on the accrual basis of accounting, which recognizes income when earned rather than when received, and expenses when incurred rather than when paid.

REVENUE RECOGNITION

The Company recognizes revenue in accordance with FASB ASC Topic 606 as follows:

Commission Income

Commission income is recognized at a point in time on the effective date of the associated policies when control of the policy transfers to the customer.

The Company receives commissions whenever a customer renews a policy. The consideration is highly susceptible to factors outside its influence and the uncertainty could stretch over multiple years. The Company uses historical data about customer renewal patterns and can estimate a minimum amount of variable consideration for which it is probable that a significant reversal of cumulative revenue will not occur. As such, the Company recognizes the original commission plus the amount related to future renewals that is not constrained at the transaction date of the initial contract.

Contingent Fees

The Company may also be eligible for certain contingent commissions from underwriters based on the attainment of specified metrics (i.e., volume and loss ratio measurements related to the Company's placements). Revenue related to contingent commissions from insurers is estimated based on historical evidence of the achievement of the respective contingent metrics. Due to the uncertainty of the amount of the contingent consideration that will be received, the estimated revenue is constrained to an amount that is probable to not have a significant negative adjustment. Contingent consideration is generally received in the first quarter of the subsequent year.

Franchise Sales

The Company considers a franchise agreement to be a license of symbolic intellectual property and revenue from initial franchise fees are recognized over a period of time, the term of the franchise agreement.

Fees – Agent Owners

Various fees assessed to agency owners for services provided by the Company are recognized as revenue at the point in time when the performance obligation has been satisfied.

NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Marketing Fees

Revenues from advertising fund contributions are recognized as revenue at the point in time in which the contribution is made by the agency owners.

RECENT ACCOUNTING PRONOUNCEMENTS

The Company is evaluating the impact the pronouncement may have on the financial statements.

Statement of Cash Flows

In November 2016, the FASB issued ASU No. 2016-18, *Statement of Cash Flows* (Topic 230): *Restricted Cash* (a Consensus of the FASB Emerging Issues Task Force), ("ASU 2016-18"). ASU 2016-18 requires that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. NOTE E -- FRANCHISE FEES RECEIVABLE (CONTINUED)

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The franchise agreements require the franchisee to pay an initial, non-refundable fee. When an individual franchise is sold, the Company agrees to provide certain services to the franchisee, including training, systems implementation, and design of a quality control program. These services are not considered to have stand-alone value. The initial franchise fee is recognized as income over the life of the franchise agreement, generally for a period of five years.

Costs specifically related to obtaining the contract are capitalized and amortized over the life of the franchise agreement.

The franchise agreement does not provide for the franchisee to make royalty payments based on the franchisee's sales. Carriers pay commissions based on the Company's sales. The Company pays the commissions earned by each Agency after subtracting fees and costs due to the Company and a percentage of commissions earned based on Agency type and options selected.

Due to a limited number of territory franchises, as these are sold, the Company may reach the point where existing markets become saturated and initial franchising revenue declines. Unless new markets are entered into, franchise revenues after market saturation will come primarily from continuing and renewal fees for existing franchises.

The Company provides for financing of a portion of the initial investment fee. In previous years, fees could be financed over a period of years. In 2020, initial franchise fees may only be financed over a period of less than one year. Interest rates range from 0.0% (those financed for less than one year) to 18% (financing greater than one year).

Any approval is intended to indicate only that the proposed site meets Franchisor's minimum criteria based upon Franchisor's and its Affiliates' general business experience. Franchisor is ultimately responsible for site selection and must make the final decision on acceptance or rejection of any site as part of Franchisee's business risk. 6. GENERAL STANDARDS OF OPERATION

- (a) Franchisor shall establish, and Franchisee shall maintain, System Standards for the quality, appearance and operation of the Agency. For the purposes of giving distinctiveness to the Licensed Marks, enhancing the public image and reputation of businesses operating under the System and increasing the demand for Insurance Services provided by Franchisor, Franchisee, and other We Insure® franchisees, Franchisee agrees to operate the Agency in strict conformity with System Standards and all rules, regulations and policies that are by their terms mandatory, including, without limitation, those contained in the Manual. Without limiting the foregoing, Franchisee also agrees as follows:
 - (i) Franchisee must purchase the required equipment package from the supplier designated by Franchisor. Currently, Franchisor requires

Franchisee to purchase only one Workstation, but Franchisee may need to purchase additional Workstations if it adds producers to the Agency. Franchisor currently requires use of a Voice over Internet Protocol (“VoIP”) telephone system. The use of the telephone system must at all times comply with Franchisor’s Acceptable Use Policy, which is set forth in the Manual. Any telephone or facsimile numbers acquired by Franchisee for use in connection with this Agreement shall be subject to the Conditional Assignment. Franchisee must, at all times, have the communication software active and operating so that Franchisor may be able to communicate with Franchisee.

- (ii) All furniture, fixtures, equipment, signage, décor and other related items, and products and services required for use in connection with the operation of the Agency must conform to System Standards.
- (iii) The appearance of the Agency must conform to System Standards. Franchisee agrees to use the Site solely for the operation of the Agency in accordance with System Standards, and to refrain from using or permitting the use of the Agency for any other purpose or activity at any time.
- (iv) Subject to compliance with applicable laws and regulations, Franchisee shall acquire all interior signs as required by Franchisor for use at or in connection with the Agency. All interior signage and the exterior signage acquired by Franchisee must conform to Franchisor’s signage specifications and must be submitted to Franchisor for approval prior to installation. Franchisor may require Franchisee to replace signage provided by Franchisor or purchased by Franchisee should they fall into disrepair. Franchisor does not currently require Franchisee to purchase or utilize any exterior signage; however, such exterior signage may be required by Franchisee’s landlord or be desired by Franchisee. Franchisee may use exterior signage but such signage must conform to Franchisor’s written specifications as set forth in the Manual and must obtain Franchisor’s approval before installing it.
- (v) To maintain the Site and the Agency, and all fixtures, furnishings, signs and equipment thereon, in conformity with Franchisor’s System Standards at all times during the Term of this Agreement, and to make such repairs and replacements as Franchisor may require. Without limiting the generality of the foregoing, Franchisee specifically agrees:
 - (1) To keep the Site and the Agency at all times in a high degree of sanitation, repair, order and condition, including, without limitation, such periodic repainting of the exterior and interior of the Agency, and such maintenance and repairs to (or replacement of) all fixtures, furnishings, signs and equipment as Franchisor may from time to time reasonably direct;

- (2) To meet and maintain at all times all governmental standards and ratings applicable to the operation of the Agency or such higher minimum standards and ratings as set forth by Franchisor from time to time in the Manual or otherwise in writing;
- (3) To cause its employees to dress in a clean and professional manner, as required by Franchisor.

(b) Franchisee shall be responsible for the day-to-day operations of the Agency. A General Lines Insurance Licensed Person must be the principal of the Agency and available during the standard operating hours as outlined in the Manual. Franchisee agrees to operate the Agency in accordance with System Standards and to maintain Franchisor's required degree of quality, service and image. Franchisee must not deviate from these System Standards or otherwise commit any act or omission that reflects poorly on Franchisor's brand or goodwill, or on the Licensed Marks. Without limiting the foregoing, Franchisee specifically agrees to:

- (i) purchase and install, at Franchisee's expense, all such fixtures, furnishings and equipment as may be required by Franchisor, and meet the specifications of the approved site layout and plan, and all other such items as Franchisor may prescribe from time to time; and to refrain from installing, or permitting to be installed, on or about or in connection with the Site or the Agency, any such item that does not comply with System Standards;
- (ii) maintain in sufficient supply, and use at all times, only operating products, materials, supplies and expendables, including paper goods, as conform with System Standards, and to refrain from using non-conforming items without Franchisor's prior consent;
- (iii) pay all of Franchisee's vendors and suppliers on a prompt and timely basis, and to at all times comply with the terms and conditions of any agreements (whether oral or written) between Franchisee and such vendors and suppliers; and
- (iv) maintain the Agency open during the hours specified in the Manual and follow Franchisor's procedures and notifications for any absences. Failure to follow them, and three (3) consecutive days of unexcused or unauthorized absences, constitutes a violation of this Agreement.

(c) Unless otherwise specifically approved by Franchisor, the Agency shall be open for the conduct of business at such times and for the minimum number of hours specified by Franchisor in the Manual, as may be amended from time to time or, if different, for such hours as may be required by the terms of any lease of the Site. Franchisee must make sufficient Agency personnel and the Principal available for customer sales and service during such operating hours as are satisfactory to Franchisor as provide in the Manual or otherwise. Franchisee shall at all times staff the Agency with such number of

employees and operate the Agency diligently so as to maximize the revenues and profits therefrom. Franchisee shall ensure that such staff and replacements for such staff are trained in the System Standards and all modifications and improvements to the System Standards in accordance with the Manual.

- (d) Franchisee shall use only business stationery, business cards, marketing materials, advertising materials, printed materials, and forms that have been approved in advance by Franchisor.
- (e) Franchisee must use the Licensed Marks in all business-related communication, including e-mails, conducted on behalf of the Agency.
- (f) Franchisee shall not employ any person to act as a representative of Franchisee in connection with local promotion of the Agency in any public media without the prior written approval of Franchisor. Any and all signs, equipment, supplies or materials purchased, leased or licensed by Franchisee shall comply with System Standards in the Manual or otherwise in writing and can only be purchased from approved vendors or suppliers.
- (g) Franchisor may, from time to time, negotiate group or volume purchasing arrangements with its vendors or suppliers on behalf of Franchisee and other We Insure® franchisees. Franchisee shall be required to participate in any such group or volume purchasing arrangement.
- (h) In the event that Franchisee wishes to purchase an approved item from an unapproved supplier, Franchisee must provide Franchisor the name, address and telephone number of the proposed supplier, a description of the item Franchisee wishes to purchase, and the purchase price of the item, if known. If Franchisor incurs any costs in connection with evaluating an unapproved supplier at Franchisee's request, Franchisee must reimburse Franchisor for Franchisor's reasonable testing costs, regardless of whether Franchisor subsequently approves the supplier. Franchisor will notify Franchisee of approval or disapproval within 30 business days of receiving all requested information. Nothing in the foregoing shall be construed to require Franchisor to approve any particular supplier. Franchisor may revoke its approval of particular products or suppliers if it determines, in its sole discretion, that such products or suppliers no longer meet System Standards. Upon receipt of written notice of such revocation, Franchisee must cease purchasing products from such supplier. Franchisee must use products purchased from approved suppliers solely in connection with the operation of the Agency.
- (i) Franchisee shall, prior to registering its business entity with any applicable government and prior to holding itself out to the public as a "We Insure" agency, submit a written request to Franchisor for the approval of its proposed actual and "doing business as" ("d/b/a") name for its agency. The entity name of the agency may not include "We Insure"; however, the d/b/a name must begin with the words "We Insure". Such names shall conform to all naming conventions and requirements as set forth by Franchisor in the Manual. Franchisee shall notify the public that Franchisee is operating the Agency as a franchisee of Franchisor and shall identify its business location in the manner

specified by Franchisor in the Manual.

- (j) Franchisee shall respond promptly to customer inquiries and complaints and shall take such other steps as may be required to ensure positive customer relations.
- (k) Because complete and detailed uniformity under many varying conditions may not be possible or practical, and in order to remain competitive and respond to new technology, customer needs and market conditions, Franchisor specifically reserves the right and privilege, in its sole discretion and as it may deem in the best interests of all concerned in any specific instance, to vary standards for any We Insure® franchisee based upon the peculiarities of a particular site or circumstance, density of population, business potential, population of trade area, existing business practices or any other conditions that Franchisor deems to be of importance to the successful operation of such Franchisee's business. Franchisee shall have no recourse against Franchisor on account of any variation from System Standards granted to any other franchisee and shall not be entitled to require Franchisor to grant Franchisee a like or similar variation hereunder.
- (l) Franchisee shall be solely responsible for any damages or failures that occur as a direct result of Franchisee's failure to properly maintain, operate and upgrade the computer hardware, software, and information technology systems. The use of all computer hardware and software in connection with the Agency must at all times comply with Franchisor's Acceptable Use Policy, which is set forth in the Manual. If any of the foregoing computer hardware, software and information technology shall fall into disrepair, then Franchisor, in its sole discretion, may require Franchisee to replace such hardware, software, or information technology. Franchisee shall be required to upgrade such hardware, software or information technology (i) at least once every 5 years; or (ii) if such hardware, software or information technology is no longer compatible with the Agency Management System or the computer systems of any Designated Carrier.
- (m) If Franchisee, for any reason, is unable to continue to occupy the Site, Franchisee must relocate the Agency to new leased space (such relocation to be conducted in accordance with Franchisor's specifications as set forth in this Agreement and the Manual). Franchisee understands and agrees that at no point may its Agency be without a physical office space to operate from. Franchisee understands and agree that it is responsible for ensuring continued and uninterrupted agency operations at all times, including during any relocation. Franchisor shall not approve virtual offices or suites.

Franchisee acknowledges that Franchisor, in its sole discretion, shall decide which Designated Carriers Franchisee may use. Franchisor shall periodically provide Franchisee with a written list of the Designated Carriers that have been approved for Franchisee’s use by Franchisor, and shall provide Franchisee with notice of any changes made by Franchisor to such list from time to time. At our sole discretion, we may restrict or direct access to certain Designated Carriers at any time based on the underwriting requirements of the Designated Carriers or other related risk placement objectives. Franchisee shall abide by and conform to the conditions and limits of authority for binding Designated Carriers to insurance and other coverages which are set forth from time to time by Franchisor. Upon Franchisor’s request, Franchisee shall execute all acknowledgements, contracts and agreements required by the Designated Carriers to permit Franchisee to conduct the Agency, if any.
- (c) At the commencement of any customer account engagement, Franchisee may refer the lead to Franchisor to handle the entire selling process for a new business account. Franchisee must have all applicable licenses, approvals, and appointments to be entitled to the compensation it is to be paid under this Agreement. In the event that Franchisee loses any required licenses, Franchisor may impose its then-current insurance license reinstatement fee (the “**Insurance License Reinstatement Fee**”). - (w) Franchisee understands and agrees that each user of the Agency Management System who, in accordance with the specifications set forth in the Manual is soliciting, quoting or binding insurance products must have its own license to use the same. Franchisee shall not permit its agents, employees or contractors to share a license to use the Agency management System. Franchisee must pay Franchisor an Activation Fee for each new user. Franchisor reserves the right to change the Agency Management System in its sole discretion, including changing the third-party supplier. In addition to monetary damages for Franchisee's breach of this Section, Franchisor may also, at its sole discretion, deem such breach to be a material curable breach pursuant to Section 16(c).

8. AGENCY - ADDITIONAL FRANCHISOR OBLIGATIONS

In addition to its obligations set forth elsewhere in this Agreement, Franchisor hereby agrees to the following:

- (a) Franchisor shall use commercially reasonable efforts to provide Franchisee with access to, and the opportunity to write insurance business for, the Designated Carriers. Notwithstanding the foregoing, Franchisor may, in its sole discretion, restrict Franchisee from offering certain Designated Carriers' products and/or direct Franchisee to only offer certain Designated Carriers' products at its Agency.
- (b) Franchisor, to the extent it deems necessary and at its sole direction, shall provide services to Franchisee with regard to accounting for and processing of all applications for Insurance Products and all Insurance Products issued, renewed, endorsed, changed, serviced, delivered, or canceled on behalf of the Client Accounts, provided that Franchisee shall be limited to writing insurance business for only the lines of business and types of Insurance Products specified by Franchisor.
- (c) Franchisor shall provide Franchisee with access to all components of the System, including the Agency Management System, as it may be modified from time to time.
- (d) Franchisor shall provide Franchisee with access to Franchisor's "**Service Center**," which provides service and support to all Client Accounts generated by Franchisee and all other We Insure® franchisees.
- (e) Franchisor will purchase errors and omissions coverage for the franchise network that will cover Franchisee (the "**E&O Policy**"), subject to the prior approval of the insurance company issuing the E&O Policy. Franchisee agrees to pay its proportionate share of the cost of the premium, which may change from time-to-time without advance notice to Franchisee. The E&O policy is reassessed in February of each year, see the Manual for the then-current E&O policy fees.
- (f) Franchisor will purchase cyber insurance on behalf of the entire franchise network. Franchisee agrees to pay its proportionate share of the cost of the premium, which may change from time-to-time without advance notice to Franchisee. This fee is reassessed

in February of each year, see the Manual the-current Cyber policy fee.

- (g) Franchisor shall provide Franchisee with reasonable access during business hours to inspect Franchisor's records of (i) Client Accounts generated by Franchisee, and (ii) statements and other communications with Designated Carriers relating to such Client Accounts; provided that such access shall be upon reasonably advanced notice and during such times as shall not unreasonably impair the operations of Franchisor. Franchisor shall, in accordance with generally accepted accounting principles, maintain full and complete books and records, accounts, data, licenses, contracts and invoices that shall accurately reflect all particulars relating to the conduct of its business, and shall keep all such information for not less than 3 years, even if this Agreement is no longer in effect.

- (h) Franchisor shall license Franchisee to use the Agency Management System in accordance with the Limited Software License Franchisor requires along with other computer software programs that may be required to operate the Agency, if any, provided that: (i) Franchisee purchase, license, install and maintain all hardware and software that may be required to use the Agency Management System and other computer software programs, if any, (ii) Franchisor agrees to upgrade the Agency Management System and other such computer software programs as needed to meet Franchisor's continuing requirements; (iii) Franchisee shall not sell, lease, license, sublicense, or authorize the use of the Agency Management System or such computer software programs by or to anyone else, and (iv) Franchisee shall not configure, program or change any the Agency Management System or other such computer software programs. Franchisee can only access Client Account information through the Agency Management System via the Internet. Franchisee agrees to release, defend, indemnify, and hold Franchisor and its Affiliates, and their respective directors, officers, agents, and shareholders, harmless from and against, and promptly to reimburse such indemnities for, all claims, actions, proceedings, damages, costs, expenses and other losses and liabilities, consequently, directly or indirectly incurred (including without limitation attorneys' and paralegals' fees, court costs and costs of investigation) by Franchisee and its directors, officers, agents, shareholders, employees, independent contractors, and Affiliates as a result of, arising out of, or connected with an interruption in Internet services or from any unauthorized use of or access to Client Account information through the Internet. The provisions of this subsection shall continue in full force and effect subsequent to and notwithstanding the termination, expiration or non-renewal of this Agreement for any reason.

- (i) Franchisee agrees that Franchisor may rely on statements, representations, requests, instructions, commitments and agreements (without verification or confirmation of the same) of Franchisees Principal, Non-Principal, officers, directors, employees or independent contractors as if the same had been made or delivered to Franchisor by Franchisee unless and until written instructions limiting Franchisor's right to rely on such statements, representations, requests, instructions, commitments and agreements have been provided by Franchisee and received by Franchisor. In all of its communications and written notices to Franchisee, Franchisor shall be entitled to communicate solely with Franchisee or with Franchisees Principal and shall have no

obligation to communicate or provide such notices to any of Franchisees other owners, officers, directors, employees or independent contractors.

- (j) Franchisor may provide, as Franchisor deems appropriate, additional general consultation in connection with the operation of the Agency and such other additional services as requested by Franchisee and as may be agreed upon by Franchisor and Franchisee in writing from time to time. Franchisee shall be responsible for paying Franchisor its then-current consulting fee as well as for reimbursing Franchisor for any expenses incurred in providing such additional advice and consultation, including, but not limited to, hourly employee compensation, travel expenses, and per diem expenses.

9. COMPENSATION; CONTINUING FEES; METHOD OF PAYMENT; REPORTS

- (a) Retained Commission: Franchisor shall be compensated in the form of “Retained Commissions”, which shall be a percentage (determined in accordance with Section 9(c) below) of the Sales Commissions that Franchisor receives from Designated Carriers in connection with the Commissionable Premiums sold by Franchisee.
- (b) Franchisee Commission: Franchisee shall earn a commission (“Franchisee Commission”) which shall be a percentage (as determined in accordance with Section 9(c) below) of the Sales Commissions that Franchisor receives from Designated Carriers in connection with the Commissionable Premiums sold by Franchisee. Franchisee Commission will vary depending on whether the Sales Commission was generated by new or renewal business. Franchisee understands and agrees that the actual amount of Franchisee Commission that will be paid to Franchisee will be less as Franchisor shall first deduct any continuing fees or amounts owed to Franchisor before paying Franchisee any or all of the Franchisee Commission.

Notwithstanding the foregoing, Franchisor will not pay to Franchisee any Franchisee Commissions earned on policies for which Franchisee has not yet submitted the required underwriting documents to Franchisor. Franchisor will not pay to Franchisee, and may set off from, and chargeback against any amounts due Franchisee, any Franchisee Commissions attributable to Sales Commissions in which any designated carrier discovers fraud and/or Franchisee loses its authorization and privileges to offer such carrier’s products from the date notice of such fraud or change of status. Franchisee will not earn, and will not be paid, Franchisee Commissions from the date Franchisor receives notice from the designated carrier.

- (c) Franchisor’s Retained Commissions vs. Franchisee Commissions:

New		Renewal	
Franchisee Commission	Franchisor’s Retained Commission	Franchisee Commission	Franchisor’s Retained Commission
75%	25%	55%	45%

- (d) Minimum Monthly Retained Commission: Franchisee shall generate sufficient

Commissionable Premiums such that Franchisor’s Retained Commission meet or exceed the following Minimum Monthly Retained Commission amounts. In the event that Retained Commissions received by Franchisor during any given month do not meet or exceed the Monthly Minimum Retained Commission amounts set forth in the chart below, Franchisee shall immediately be required to pay Franchisor the difference. For purposes of determining which month of the following chart shall apply, “Opening” shall mean the earlier to occur of (a) the date on which Franchisee’s lease of the Site requires Franchisee to commence its business, (b) the date six months following the Effective Date of this Agreement, or (c) the day Your Agency sells its first policy.

Minimum Monthly Retained Commission	
Months Following Opening *	Amount
0 to 5	\$0
6 to 18	\$600
19 and beyond	\$1,000

(e) Continuing Fees:

(i) Technology Fee. Franchisor shall deduct from the Franchisee Commissions a “Monthly Technology Fee.” The Monthly Technology Fees charged to you may exceed the actual costs we incur for such expenses and may include charges for services we provide including administrative expenses, charges for costs we incur on your behalf and the costs that Franchisor incurs. We reserve the right to increase the Monthly Technology Fee at any time in our sole discretion. The Monthly Technology Fee is further defined in the Manual. Examples of fees covered by the Monthly Technology Fee include, but are not limited to, recurring software license fees, email, DocuSign, Insurance Rater, telephone system connectivity, and motor vehicle reports. Further, the fees and costs comprising the Monthly Technology Fee may change in accordance with the provisions of the Manual, or from time to time if such costs or fees are modified by the specific service providers. Franchisor may add or remove categories to the Monthly Technology Fee. Additionally, Franchisor shall be permitted to deduct from payments to Franchisee any payments made in good faith and in the ordinary course of business by Franchisor to vendors (including lessors) or suppliers of Franchisee in order to cure Franchisees failure to timely make such payments as required by the Franchise Agreement; however, Franchisor is not required to make such payments, and disclaims any and all liability as a result of Franchisees failure to timely make such payments. The initial month’s charge of the Monthly Technology Fee must be paid upon execution of the Franchise Agreement.

(ii) Agency Management System Activation Fee. Franchisee must pay Franchisor an Activation Fee of \$200 per person hired and onboarded by the Agency. If at any time during the term of the Agreement Franchisee wishes to activate additional users in the Agency Management System, Franchisee will be required to pay the Activation Fee for each user.

(iii) Carrier Appointment Fee. Franchisee must determine which carriers’ products it

wishes to sell at its Agency and it must obtain “appointments” by those carriers. In some cases, carriers will charge the Franchisor an “appointment fee” which we will pay on Franchisee’s behalf and Franchisee must reimburse us for (the “Carrier Appointment Fee”). Carrier Appointment Fees are set by the carriers and vary by carrier and by location. Carrier Appointment fees may be assessed per Agency or per producer and are subject to change at any time at the discretion of the carriers. If any new Carrier Appointment Fees are assessed on the Franchisor in connection with Franchisee’s Agency during the term of the Agreement (including any renewal fees), Franchisee shall be responsible for reimbursing Franchisor accordingly. Franchisee shall advise Franchisor of which appointments it wishes to obtain and Franchisor shall attempt to obtain such appointments for Franchisee.

- (iv) E&O/Cyber Fee. Franchisee shall be required to pay Franchisor a monthly fee to cover its proportionate share of Franchisor’s purchase of errors and omissions coverage and cyber insurance on behalf of the franchise network. This fee shall be subject to change in Franchisor’s sole discretion without notice. Franchisor shall reassess this fee each year in February. In addition to the E&O/Cyber Fee imposed on Franchisee, Franchisee shall also be responsible for paying the deductible to the E&O or Cyber carrier (or reimbursing Franchisor for the same) as a result of any claim made where the Franchisee is alleged to be negligent and responsible for such claim (regardless of whether Franchisee’s actual negligence or responsibility is confirmed).
 - (v) New Submissions Fee. Franchisee must pay Franchisor its then-current New Submissions fee for front-end policy processing, data entry, document retrieval and underwriting assistance provided by Franchisor. Franchisee’s New Submissions fee shall be determined in accordance with Section 7(r) above and more fully explained in the Manual.
- (f) Other Fees and Costs:
- (i) Administrative Assistance Fee. Franchisor may deduct from Franchisee Commissions an Administrative Assistance Fee (currently, \$75/hour) for certain administrative services that Franchisee requests, and Franchisor agrees to provide in its sole discretion, to Franchisee during the Term. Administrative Assistance Fees will only be incurred to the extent that such services requested are outside of the scope of Franchisor’s obligations to Franchisee and are of the type that would normally be performed by Franchisee (including, but not limited to, assistance with filing business entity applications with various state agencies as well as processing, filing certain documents, acquiring a 3rd party book of business; gathering documents for legal requests; and AIC change or reactivation.) Franchisor reserves the right to change the Administrative Assistance Fee at any time in its sole discretion; then-current rates shall be published in the Manual.
 - (ii) Administrative Account Access. If Franchisee requests administrative account

access to hire personnel and/or provide email and phone access, Franchisee shall be required to pay Franchisor an Administrative Account Access Fee on a monthly basis in the amount of \$25 for each email address set up or \$50 for each combined email address and phone number set up.

- (iii) Costs Incurred On Your Behalf. In the event that Franchisor incurs any costs as a result of Franchisee's failure to comply with the terms of this Agreement, including Franchisee's failure to conform to System standards or failure to timely pay Franchisee's suppliers, Franchisee shall be required to reimburse Franchisor for such costs it incurs in connection with the non-compliance (including, but not limited to, Franchisor's reasonable labor and administrative charges and any costs Franchisor incurs to make payments to vendors on Franchisee's behalf). Notwithstanding the foregoing, Franchisor has sole discretion to determine what actions it shall undertake in connection with any noncompliance of Franchisee and, while Franchisor may elect to, it shall not be required to, make any vendor payments on Franchisee's behalf. Franchisor may deduct these costs from the Compensation owed to you.
- (iv) Uncollected Customer Premiums. In the event a Customer of Franchisee does not make timely payment to a Designated Carrier and the Designated Carrier seeks compensation from Franchisor, Franchisor shall require Franchisee to promptly reimburse it for all amounts paid to Designated Carriers as a result of such Customer's failure to pay and shall assess a \$100 fee per incident on Franchisee to cover Franchisor's administrative efforts.
- (v) NSF Fee. Franchisor reserves the right to charge Franchisee a Nonsufficient Funds (NSF) Fee each time that Franchisor or a Designated Carrier receives a notice from a financial institution that there are insufficient funds in the accounts maintained at that financial institution by Franchisee or a Customer of Franchisee to cover amounts owing to Franchisor or one of our Designated Carriers.
- (vi) Carrier Audits. From time to time, Designated Carriers may conduct an audit on policies sold by Franchisee. In order to best respond to such an audit, Franchisee is expected to adhere to certain protocols more fully set forth in the Manual including, but not limited to, sending Franchisor a signed application and all required carrier underwriting documents at the time of the initial sale. In the event that Franchisor is unable to locate such required documentation, Franchisee must cooperate fully and promptly provide the missing documentation during the applicable audit timeline. Additionally, Franchisor shall impose a fee of \$25 per policy for each policy for which Franchisor is missing required documentation.
- (g) Reports. Franchisee shall be required to provide such documents, information and reports to Franchisor as Franchisor may require in its sole discretion. In the event that an audit by Franchisor identifies discrepancies in the amounts reported to Franchisor by Franchisee, Franchisee shall immediately make such remedial payments to Franchisor as necessary and shall also be required to pay an audit fee of three percent (3%) of the

discrepancy.

(h) Method of Payment.

- (i) Franchisor or its Affiliates shall pay to Franchisee by electronic funds transfer (to an account specified by Franchisee in writing) the Franchisee Commissions less the Monthly Technology Fees (and any other continuing fees or set-off amounts permitted under this Agreement) for each calendar month by the 10th business day of the following month. In addition, Franchisor shall deliver to Franchisee a statement containing a detailed calculation of the amounts paid to Franchisee for each calendar month by the 10th business day of the following month. Such statement shall be in a form prescribed by Franchisor from time-to-time. Upon written notice to Franchisee, Franchisor may change the dates on or about which the electronic funds transfers are made and the statements are delivered.
- (ii) Franchisee shall execute the Electronic Funds Withdrawal Authorization in the form required by Franchisor from time to time. This authorization shall cover all funds to be transferred to (or withdrawn from) Franchisees accounts in connection with this Agreement.
- (iii) In the event that Franchisee receives, for whatever reason, any commission or monetary payment from Designated Carriers directly, Franchisee shall promptly remit Franchisor's Retained Commission to Franchisor in accordance with the percentage set forth in Section 9(c) above.

10. LICENSED MARKS AND INTELLECTUAL PROPERTY

- (a) Franchisee expressly acknowledges Franchisor's rights in and to the Licensed Marks and agrees not to represent in any manner that Franchisee has acquired any ownership rights in the Licensed Marks. Franchisee agrees not to use any of the Licensed Marks or any trademarks, service marks, trade names, Franchisor owned telephone numbers, including, without limitation, 1-800-WEINSURE, Franchisor owned domain names, including, without limitation, <https://weinsuregroup.com>, or indicia, which are or may be confusingly similar in its own corporate or business name except as authorized in this Agreement. Franchisee further acknowledges and agrees that any and all goodwill associated with the System and/or identified by the Licensed Marks (including all future distinguishing characteristics, improvements and additions to or associated with the System) shall be Franchisor's property and shall inure directly and exclusively to the benefit of Franchisor and that, upon the termination, expiration or non-renewal of this Agreement for any reason, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisees use of the Licensed Marks.
- (b) Franchisee understands and agrees that any use of the Licensed Marks other than as expressly authorized by this Agreement, without Franchisor's prior written consent, may constitute an infringement of Franchisor's rights therein and that the right to use the Licensed Marks granted in this Agreement does not extend beyond the termination, expiration or non-renewal of this Agreement. Franchisee expressly covenants that,

during the Term of this Agreement and thereafter, Franchisee shall not, directly or indirectly, commit any act of infringement or contest or aid others in contesting the validity of Franchisor's right to use the Licensed Marks or take any other action in derogation thereof.

- (c) Franchisee further agrees and covenants to (i) operate and advertise only under the names or marks from time to time designated by Franchisor for use by all We Insure® franchisees, (ii) adopt and use the Licensed Marks solely in the manner prescribed by Franchisor, (iii) refrain from using the Licensed Marks to perform any activity or to incur any obligation or indebtedness in such a manner as may, in any way, subject Franchisor to liability therefore, (iv) observe all laws with respect to the registration of trade names and assumed or fictitious names, (v) include in any application therefor a statement that Franchisees use of the Licensed Marks is limited by the terms of this Agreement, and (vi) provide Franchisor with a copy of any such application and other registration document(s), and (vii) to observe such requirements with respect to trademark and service mark registrations and copyright notices as Franchisor may, from time to time, require, including, without limitation, affixing "SM", "TM", or ®, adjacent to all such Licensed Marks in any and all uses thereof, and to utilize such other appropriate notice of ownership, registration and copyright as Franchisor may require.
- (d) Franchisor reserves the right, in its sole discretion, to designate one or more new, modified or replacement Licensed Marks for use by all We Insure® franchisees and to require the use by Franchisee of any such new, modified or replacement Licensed Mark in addition to or in lieu of any previously designated Licensed Mark. Any expenses or costs associated with the use by Franchisee of any such new, modified or replacement Licensed Marks shall be the sole responsibility of Franchisee. Exterior signage shall be modified within thirty(30) days of the date on which Franchisor designates any new, modified or replacement Licensed Mark, and all other goods, materials or supplies bearing the old Licensed Mark shall be replaced or modified within 60 days of such date.
- (e) To the extent that any of the Licensed Marks infringes (or allegedly infringes) upon any copyright, trademark, or other proprietary right of a third party, Franchisor shall defend Franchisee through final judgment or settlement of any Claim asserted against Franchisee by any third party alleging such infringement, and shall indemnify Franchisee in the amount of any final judgment or settlement of such Claim. Franchisor, however, will have no obligation to defend or indemnify Franchisee if such third-party Claim arises out of or relates to any use by Franchisee of the Licensed Marks that is inconsistent with or violates this Agreement. Franchisor has the sole right to conduct the defense of any such Claim and all negotiations for its settlement or compromise. As a condition to the foregoing defense and indemnification obligations, Franchisee shall give Franchisor prompt written notice of any written threat, warning, or notice of any such Claim and to provide copies of applicable documentation served upon or received by Franchisee.
- (f) Franchisee shall promptly notify Franchisor of any Claim that Franchisor may have based upon or arising from any unauthorized attempt by any person or legal entity to use the Licensed Marks, any colorable variation thereof, or any other mark, name or indicia in which Franchisor has or claims a proprietary interest. Franchisee shall assist Franchisor,

upon request and at Franchisor's expense, in taking such action, if any, as Franchisor may deem appropriate to halt such activities, but shall take no action nor incur any expenses on Franchisor's behalf without Franchisor's prior written approval. If Franchisor undertakes the defense or prosecution of any Claim relating to the Licensed Marks, Franchisee agrees to execute any and all documents and to do such acts and things as may, in the opinion of Franchisor's legal counsel, be reasonably necessary to carry out such defense or prosecution.

- (g) If at any time during the Term of this Agreement, Franchisee (including its Principals, agents, employees, or independent contractors) shall invent, discover or make any permitted material improvements to the System or any permitted material improvement which may otherwise be applicable in the Agency, including but not limited to new concepts and processes and the right to modify such (the "**Improvements**"), Franchisee shall immediately inform Franchisor of the same, together with all details necessary for a proper understanding of the same. Any Improvements shall be considered the property of Franchisor. Franchisor shall be the sole owner of all patents, patent applications, trademarks, copyrights and other intellectual property rights related to the Improvements. To the extent that the property rights of any Improvements cannot be transferred to Franchisor, Franchisee grants to Franchisor a worldwide, exclusive, perpetual, royalty-free license to use and sublicense the same. Franchisee hereby waives and releases all rights of restraint and moral rights to any new concepts it develops. Franchisee agrees to assist Franchisor in obtaining and enforcing the intellectual property rights to any such concept, process or improvement in any and all countries and further agrees to execute and provide Franchisor with all necessary documentation for obtaining and enforcing such rights.
- (h) Franchisee will not develop, create, generate, own, license, lease or use in any manner any computer medium or electronic medium (including any Internet home page, e-mail address, web site, bulletin board, newsgroup or other Internet-related medium) which in any way uses or displays, in whole or part, the Licensed Marks, or any confusingly similar words, symbols or terms, or which relates to the Agency in any way, without Franchisor's express prior written consent, and then only in such manner and in accordance with such procedures and policies as Franchisor may establish from time to time. Franchisee will not cause, permit or allow any of the Licensed Rights, or any confusingly similar words, symbols or terms, to be used or displayed in whole or part: (i) as, or as a part of, an Internet domain name; or (ii) on or in connection with any Internet home page, web site, bulletin board, newsgroup, chat group, buddy list, instant messenger, meta-tag (or the comparable identifier in any future technology) or other Internet-related activity, without Franchisor's express prior written consent, and then only in such manner and in accordance with such procedures and policies as Franchisor may establish from time to time. All business conducted by Franchisee via the Internet as aforesaid shall be done only through the Agency Management System.

11. MANUAL

- (a) To protect the reputation and goodwill of the System, and to maintain standards of operation under the Licensed Marks, Franchisee shall conduct the Agency operated

under the System in accordance with the Manual, including any amendments, which Franchisee acknowledges belong solely to Franchisor and shall be on loan to Franchisee from Franchisor during the Term of this Agreement. When any provision in this Agreement requires that Franchisee comply with any standard, specification or requirement of Franchisor, unless otherwise indicated, such standard, specification or requirement shall be such as is set forth in this Agreement or as may, from time to time, be set forth by Franchisor in the Manual. The manual is kept electronic and stored on our intranet site. Franchisees are to read and refer to this manual pertaining to our processes and procedures set forth.

- (b) Franchisee understands and acknowledges that Franchisor may, from time to time, revise the contents of the Manual (via various written notices, bulletins, newsletters, memoranda or other means) to implement new or different System Standards or requirements for the operation of the Agency, and Franchisee expressly agrees to promptly comply with all such changed requirements. The implementation of such requirements may require the expenditure of reasonable sums of money by Franchisee. Franchisee acknowledges and agrees to review the Manual for updates and acknowledges and agrees it shall be bound by all updates and obligations, and any amounts owed by Franchisee to Franchisor pursuant to this Agreement shall include those amounts owed under the then current Manual.
- (c) Franchisee shall at all times ensure that its copy of the Manual is kept current and up to date. In the event of any dispute as to the contents thereof, the terms and dates of the master copy thereof maintained by Franchisor at its principal place of business shall be controlling.
- (d) Franchisee acknowledges that the Manual contains Confidential Information and that all other manuals, materials, goods and information that Franchisee receives from Franchisor that are marked confidential will be treated as part of the Confidential Information.

12. ADVERTISING AND MARKETING

Recognizing the value of standardized advertising and marketing programs to the furtherance of the goodwill and public image of the System, and in order to enable such programs in an effective and consistent manner, the parties agree as follows:

- (a) Local Advertising.
 - (i) Franchisee acknowledges and agrees that local advertising and marketing is Franchisee's sole responsibility. Franchisee further acknowledges and agrees that all local advertising and marketing efforts undertaken by Franchisee must comply with all of Franchisor's specifications for local advertising and marketing as set forth in the Manual, including with any requirements hereafter implemented in connection with any local advertising requirement as further described in (ii) below.

- (ii) There is no current minimum or maximum *required* local advertising expenditures that Franchisor requires Franchisee to make in connection with its Agency; however, Franchisor *recommends* that Franchisee spend at least three percent (3%) of Franchisee Commission on local advertising or marketing efforts. Franchisor reserves the right, in its sole discretion, at any time during the Term of this Agreement, to implement a local advertising requirement that would *require* Franchisee to spend up to three percent (3%) of Franchisee Commission on local advertising or marketing efforts.

- (iii) Notwithstanding anything to the contrary set forth herein, Franchisor may, in its sole discretion, require Franchisee to purchase from Franchisor or a designated supplier (at Franchisee's sole cost and expense) certain local advertising and marketing materials, including but not limited to, merchandising materials, sales aids, special promotions, and similar advertising. Franchisee shall also be required to purchase, utilize and maintain in the quantities specified by Franchisor certain promotional materials of the kind and size as Franchisor may, in its sole discretion, from time to time require.

- (iv) To the extent that Franchisor implements specifications relating to local marketing, advertising and promotional efforts of its franchisees, Franchisee shall be required to conduct its local marketing and advertising efforts in accordance with the Manual including, but not limited to, specifications that require Franchisee to:
 - (1) Obtain and maintain listings in business directories and publications (both Internet and non-Internet based) that are appropriate to the physical location of the Agency (such listings to be subject to the Conditional Assignment);
 - (2) Engage in Internet-based marketing designed to drive business to the Agency, provided, however, that this shall not include developing any website separate from the Website, nor shall Franchisee be permitted to establish any social media or other similar account (including but not limited to Facebook, Twitter, YouTube, SnapChat, Instagram, Pinterest, LinkedIn, Flickr, or Vine) without the prior written approval of Franchisor (all advertising accounts created hereunder are subject to the Conditional Assignment);
 - (3) Submit to Franchisor an annual local advertising plan for Franchisor's approval (such listings subject to the Conditional Assignment);
 - (4) Submit to Franchisor proof of all local advertising expenses for each quarter within 30 days of the end of said quarter; and
 - (5) Submit to Franchisor, for its prior approval, samples of all local

advertising to be used by Franchisee that have not been prepared or previously approved by Franchisor or its designated agents. Franchisor shall prescribe the method for submission of such advertising in the Manual. Franchisee shall include in all advertising any toll-free number or Internet address required by Franchisor. Franchisee shall not use the Licensed Marks in any advertising literature or promotional materials without the prior written consent of Franchisor. Franchisor shall use all good faith efforts to approve or disapprove Franchisees proposed advertising materials within 30 days of receipt of such materials. If Franchisor fails to specifically approve or disapprove advertising within such period, it shall be deemed automatically approved. Franchisor reserves the right to rescind its approval for any advertising, marketing or promotional materials at any time; if it does so, Franchisee must immediately stop using or displaying such material at its sole cost and expense.

(b) Brand Fund. Franchisor has established a national marketing and advertising program (the “**Brand Fund**”) for the common benefit of all We Insure® Franchisees. The parties agree that the following shall apply:

- (i) Franchisee shall contribute to the Brand Fund on a monthly basis in an amount specified by Franchisor, such amount not to exceed 3% of Franchisee Commission. Such contribution shall be deducted from Franchisee Commissions in the same manner as Monthly Technology Fees are deducted from such compensation.
- (ii) Franchisor shall use, in its sole discretion, the Brand Fund to develop, produce, and distribute national, regional and/or local advertising and to create advertising materials that promote, in Franchisor’s sole opinion, the services offered by the System. Such material may include, in Franchisor’s sole discretion: (a) television, radio, magazine, social media, direct mail, and newspaper advertising; (b) public relations (including charitable activities); (c) the use of advertising agencies; (d) digital media, internet, websites and (e) non-traditional forms, including utilization of influencers. The advertising funded by the Brand Fund may not represent, and is not required to represent, a pro-rata or direct benefit to all We Insure® franchisees at all times but shall instead be designed to benefit the System as a whole.
- (iii) Franchisor shall make expenditures on behalf of the Brand Fund as it deems appropriate in its sole discretion.
- (iv) Franchisor may use money from the Brand Fund to reimburse Franchisor for its reasonable costs and expenses incurred in managing, administering or providing services or personnel for the activities of the Brand Fund, including hiring a third-party service provider to administer the Brand Fund in whole or in part.
- (v) If any funds are left in the Brand Fund at the end of a fiscal year, such funds shall

continue to roll over into the following years until such funds are expended

- (vi) Franchisor shall not use the Brand Fund to solicit new We Insure® franchisees, but it may place incidental franchisee solicitation on advertising, promotion and marketing materials.
 - (vii) Franchisor is not required to audit or provide an accounting, statements or reports on the Brand Fund on written request or otherwise.
 - (viii) Franchisor, in its sole discretion, may create an advisory council to help it manage the Brand Fund. Franchisor shall have the sole right to determine the advisory council's purpose, powers, and composition, and also the sole right to change or alter the advisory council at any time. Nothing in this Agreement requires Franchisor to allow Franchisee to participate in or be a part of the advisory council.
- (c) Brand Fund Reduction/Incentive Program. Franchisor has established an incentive program whereby Franchisee may be entitled to a reduction of its annual contribution to the Brand Fund (the "Incentive"). If, on an annual basis, Franchisee achieves all of the criteria set forth in Sections 12(c)(i) – 12(c)(iii), Franchisee shall receive a reduction of its next annual contribution to the Brand Fund as follows – instead of being required to pay 3% of Franchisee Commission toward the Brand Fund, Franchisee would only be required to contribute 2% of Franchisee Commission to the Brand Fund. Franchisee Commission shall be as reported by Franchisee on the most recent twelve (12) commission statements.
- (i) Franchisee shall have reached cumulative Book of Business of \$10,000,000.00 in paid commissionable premiums reported by Franchisee on the most recent twelve (12) commission statements (the "**Incentive Minimum**"). Failure to maintain the Incentive Minimum shall result in loss of the Incentive, and Franchisee's annual contribution to the Brand Fund shall be prorated based upon the number of months Franchisee met the Incentive Minimum.
 - (ii) Within fourteen (14) days of meeting the criteria set forth in Section 12(c)(i), Franchisee shall provide written notice to Franchisor of Franchisee's eligibility. Failure to timely provide such written notice shall prevent Franchisee from receiving the Incentive for its next annual contribution to the Brand Fund.
 - (iii) Franchisee must have an active franchise operation and active franchise agreement with Franchisor. Franchisee must be in good standing (as determined in the sole discretion of Franchisor) with the terms of this Agreement, the Manual, and all other obligations to Franchisor. Non-Compliance with any provision of this Agreement or the Manual shall immediately disqualify Franchisee from receiving the Incentive and Franchisee shall not be eligible for the Incentive until such time Franchisee corrects all defaults and is determined, in Franchisor's sole discretion, to be in good standing. For purposes of clarity, if a Franchisee applied for the Incentive in January, but was deemed not in good standing, Franchisee could not apply for the Incentive until the following January.

- (iv) The Incentive does not automatically renew; therefore, Franchisee must annually qualify for and notify Franchisor (pursuant to Sections 12(c)(i)-12(c)(iii) in order to receive the Incentive.
- (v) Franchisor may terminate the Incentive program at any time, and for any reason upon thirty (30) days' notice to Franchisee. Upon such termination, Franchisee's annual contribution to the Brand Fund shall be prorated based upon the number of months Franchisee had met the Incentive Minimum in the then-active twelve (12) month period prior to termination of the Incentive program. Upon termination of the Incentive program, Franchisor shall have no further obligation to offer the Incentive to Franchisee, and Franchisee's annual contribution to the Brand Fund shall be made in accordance with Section 12(b).
- (d) Other Advertising and Marketing Programs. Franchisor reserves the right to create additional advertising programs and to require Franchisee's participation at Franchisee's sole cost and expense. Franchisee acknowledges and agrees that it will participate in all other advertising and marketing programs designated by Franchisor as mandatory.
- (e) Cooperatives. Franchisor does not currently have a cooperative; however, Franchisor reserves the right to establish an advertising cooperative at any time and, if it does, Franchisor reserves the right to require you to participate and/or may require you to direct all or a portion of your Brand Fund contributions to the cooperative.

13. COVENANTS

- (a) During the Term of this Agreement, Franchisee and all Guarantors (referred to collectively in this Section as "**Franchisee**"), shall use its full time and best efforts in operating the Agency.
- (b) During the Term of this Agreement, and for a period of two (2) years following the date, that this Agreement terminates, expires, or it is assigned or transferred (the "**Restrictive Date**") Franchisee shall not, directly or indirectly, own, manage, operate, control, be employed by, perform services for, consult with, or participate in any business that is competitive with the Agency within the Restricted Area (as hereinafter defined) other than as an authorized owner of another We Insure[®] franchisee. The term "**Restricted Area**" means: (i) during the Term of this Agreement, the United States; and (ii) following the Restrictive Date, a 10-mile radius surrounding the former Site. It is understood and agreed that the purpose of this covenant is not to deprive Franchisee of a means of livelihood and will not do so but is rather to protect the goodwill and interest of Franchisor and the System. Notwithstanding the foregoing, Franchisee may own equity securities of any business that is competitive with the Agency whose shares are traded on a stock exchange or on the over-the-counter market so long as Franchisee's ownership interest in such business shall represent 2% or less of the total number of outstanding shares of such business.
- (c) During the Term of this Agreement, and for a period of two (2) years following the

Restrictive Date, Franchisee covenants and agrees that Franchisee shall not by any means, directly or indirectly: (i) hire or solicit the employment of any employee of the Franchisor that was employed by either the Franchisor or any other We Insure® franchisee during the two (2) year period immediately prior to the Restrictive Date, (ii) encourage any such employee to leave employment with the Franchisor or other franchisee, or (iii) except in the course of conducting the Agency, solicit the business of, or accept any order from any Customer (as hereinafter defined) for the purpose of transacting any business which is the same as or competitive with the Agency. For purposes of this Section, the term “**Customer**” means any Client Account or any other Person who has purchased, serviced, renewed or delivered a policy from or through the Franchisor, or any other We Insure® franchisee, or any Person who was a prospective purchaser of any insurance policy from or through the Franchisee, the Franchisor, or any other We Insure® franchisee, at any time during the 24-month period prior to the Restrictive Date.

- (d) Franchisee covenants and agrees that it may come into knowledge or custody of the Confidential Information. Franchisee acknowledges that the unauthorized use or disclosure of the Confidential Information will cause irreparable injury to Franchisor and that damages are not an adequate remedy therefor. Accordingly, Franchisee agrees that both during the term of this Agreement and following the Restrictive Date, Franchisee shall (i) not acquire any interest in the Confidential Information, (ii) not use the Confidential Information in any other business or capacity, whether or not competitive with the Agency, (iii) exert Franchisee's best efforts to maintain the confidentiality of the Confidential Information, (iv) not make unauthorized copies of, or extracts from, any portion of the Confidential Information disclosed in written or other tangible form, (v) shall keep, and shall cause its Principal and Non-Principals to keep the fact of, payment terms and all stipulations of this Agreement strictly confidential and shall not disclose them to anyone other than Franchisee's legal or tax advisors, or as may be required by law (prior to disclosing the terms of this Agreement to any legal or tax advisor, Franchisee shall obtain such individual(s) agreement to be bound by this confidentiality provision), and (vi) implement all procedures prescribed from time to time by the Franchisor to prevent unauthorized use or disclosure of the Confidential Information. In addition, upon the Effective Date, the Franchisee shall return all physical and electronic copies of Franchisor's Confidential Information to the Franchisor. Franchisee acknowledges and agrees that if Franchisee engages as an owner, operator or in any managerial capacity in any business that is competitive with the Agency, whether or not in violation of Section 13(b) above, Franchisee shall have the burden of proving that it has not used Franchisor's Confidential Information, trade secrets, methods of operation or any proprietary components of the System.
- (e) Notwithstanding anything to the contrary contained in this Agreement, the restrictions on disclosure and use of the Confidential Information shall not apply to the following: (i) information which is now, or hereafter becomes, through no act or failure to act on the part of the Franchisee, generally known or available to the public; (ii) information that was independently developed by the Franchisee or the Franchisor before receiving such information from Franchisor; (iii) information which was acquired by the Franchisee from a third party that has no obligation of confidentiality to Franchisor; (iv) information

that is disclosed with the prior written consent of Franchisor; and (v) the disclosure of the Confidential Information in judicial, arbitration or administrative proceedings, to the extent that the Franchisee is legally compelled to disclose such information, provided that the Franchisee shall have used reasonable efforts and shall have afforded Franchisor the opportunity to obtain an appropriate protective order or other assurance satisfactory to Franchisor of confidential treatment for the information required to be so disclosed.

- (f) Franchisee agrees, both during the Term of this Agreement and following the Restrictive Date, not to make or issue any disparaging comments or statements regarding Franchisor, any other We Insure® franchisee, or the Agency including any statements that are intended to, or would reasonably be expected to, (i) disparage the business reputation of Franchisor or any other We Insure® franchisee; (ii) cause any Customer, supplier, or other person contracted with Franchisor or any other We Insure® franchisee to cease doing business in whole or in part with Franchisor or such franchisee; or (iii) cause harm to the Agency.
- (g) In addition, Franchisee agrees to cause Franchisee's Principal (if Franchisee is an entity) and each Non-Principal, employee or independent contractor for Franchisee to sign a restrictive covenant agreement containing restrictions substantially similar to those in this Section in form acceptable to Franchisor. The Franchisor's current approved form of such Restrictive Covenant Agreement is set forth in Exhibit 7 to the Franchise Agreement. Franchisor shall be a third-party beneficiary of such agreements, and Franchisee shall not amend, modify or terminate any such agreement without Franchisor's prior written consent.
- (h) The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement, and shall, where applicable, survive the termination, expiration, non-renewal, assignment, or transfer of this Agreement for any reason. Franchisee further expressly agrees that the existence of any claim it may have against Franchisor whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the foregoing covenants. During any period in which Franchisee or its principals are in violation of said restrictions, Franchisee acknowledges and agrees that the period of restriction set forth herein shall toll and shall not run, and that all restrictions shall automatically be extended by the period Franchisee or its principals were in violation of any such restrictions.
- (i) It is agreed by Franchisee and Franchisor that if any portion of the foregoing covenants are held to be unreasonable, arbitrary, or against public policy, then such portion of such covenant shall be considered divisible both as to time and geographical area. Franchisee and Franchisor agree that if any court of competent jurisdiction determines the specified time period or the specified geographical area applicable to be unreasonable, arbitrary, or against public policy, then a lesser time period or geographical area which is determined to be reasonable, non-arbitrary, and not against public policy may be enforced against Franchisee. Franchisee acknowledges and agrees that the foregoing covenants are reasonable and valid when considered in light of the nature and extent of

the Agency as shall be conducted by the Franchisor.

- (j) Franchisee agrees that damages at law will be an insufficient remedy to Franchisor in the event that Franchisee violates the terms of this Section, and that Franchisor shall be entitled, upon application to a court of competent jurisdiction, to obtain injunctive relief to enforce its terms. The parties agree that in the event Franchisor obtains an order for injunctive relief, the period of time during which Franchisee is prohibited from engaging in such business practices shall be extended by any length of time during which Franchisee is in breach of such covenants. In addition to injunctive relief, Franchisor shall be entitled to such other rights and remedies as may be hereafter available at law, in equity, by statute, or otherwise.

14. TRANSFER AND ASSIGNMENT

- (a) This Agreement and all rights and duties hereunder may be freely assigned or transferred by Franchisor, in whole or in part, without Franchisees consent, in its sole discretion, to any person or legal entity that agrees to assume Franchisor's obligations hereunder, including a competitor of Franchisor, and shall be binding upon and inure to the benefit of Franchisor's successors and assigns including, without limitation, any entity which acquires all or a portion of the capital stock of Franchisor or any entity resulting from or participating in a merger, consolidation or reorganization in which Franchisor is involved, and to which Franchisor's rights and duties hereunder (in whole or in part), are assigned or transferred.
- (b) Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to Franchisee (and the Principal, if Franchisee is a legal entity), and that Franchisor has granted this Franchise in reliance on many factors, including, without limitation, the individual or collective character, skill, aptitude and business and financial capacity of Franchisee (and the Principal, if Franchisee is a legal entity). Accordingly, neither Franchisee nor any person owning any direct or indirect equity interest therein, shall directly or indirectly sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in: (i) this Agreement or any portion or aspect thereof; (ii) the Agency or substantially all of the assets of the Agency; (iii) the Site; or (iv) any equity or voting interest in Franchisee (any such act or event is referred to as a "**transfer**") without the prior written approval of Franchisor, which shall not be unreasonably withheld. Franchisee shall provide at least sixty days' notice to Franchisor of Franchisee's intent to execute, or sign an agreement for, a transfer or sale of any or all of the Agency's equity or assets; however, Franchisee shall not execute, or sign any agreement for a transfer or sale of any or all of the Agency's equity or assets until Franchisee has received Franchisor's express approval consenting to the transfer or sale. Any such purported transfer occurring by operation of law or otherwise, including any transfer by a trustee in bankruptcy, without Franchisor's prior written consent, shall be a material default of this Agreement, but the transferor shall remain obligated under this Agreement until released by Franchisor, or until this Agreement is terminated and all post-termination obligations required by this Agreement are fulfilled.
- (c) Franchisee understands and acknowledges the vital importance of the performance of

Franchisee to the market position and overall image of Franchisor. Franchisee also recognizes that there are many subjective factors that comprise the process by which Franchisor selects a suitable We Insure® franchisee. The consent of Franchisor to any Transfer by Franchisee shall remain a subjective determination and shall include, but not be limited to, the following conditions:

- (i) The proposed transferee is a person or entity that meets Franchisor's standards of qualification then applicable with respect to all new applicants for similar We Insure® franchisees and has satisfactorily completed the Franchisor's then-current evaluation process (which may include in-person interviews, background checks, submission to Franchisor of financial statements and credit checks; among others);
 - (ii) The proposed transfer is at a price and the purchase and sale agreement contains such terms and conditions as Franchisor shall deem reasonable;
 - (iii) As of the effective date of the proposed transfer, all obligations of Franchisee hereunder (including Franchisor's Affiliates) and under any other agreements between Franchisee and its affiliates and Franchisor (including Franchisor's Affiliates) are fully satisfied;
 - (iv) As of the effective date of the proposed transfer, all obligations of the proposed transferee and its Affiliates to Franchisor under all agreements of any kind between the proposed transferee and Franchisor are fully satisfied; and
 - (v) As of the effective date of the proposed transfer, Franchisor shall have forwarded to Franchisee its approval of the proposed transfer to the proposed transferee, in accordance with this Agreement.
- (d) In addition to the foregoing, the requirements for all such transfers under this Section are as follows:
- (i) Franchisee must request that Franchisor provide the prospective transferee with Franchisor's current form of franchise disclosure document required by the Federal Trade Commission's Trade Regulation Rule on Franchising and/or other applicable state franchise registration/disclosure laws, and a receipt for such document shall be delivered to Franchisor;
 - (ii) The proposed transferee must execute Franchisor's then-current form of Franchise Agreement, which may contain terms and conditions substantially different from those in this Agreement, for an initial term equal to the initial term then being offered in Franchisor's then-current form of Franchise Agreement;
 - (iii) If the proposed transferee is an entity, each individual owner of such proposed transferee entity must execute our then-current Guaranty of Performance and Restrictive Covenant Agreement;

- (iv) The proposed seller/transferor shall pay, prior to effectuating any transfer, to Franchisor its then-current transfer fee (the “**Agency Ownership Transfer Fee**”) prior to the date of transfer as follows: (i) if there is a partial change in ownership of the Franchisee from one existing owner of Franchisee to another existing owner of Franchisee, the fee will be \$500 (or the then-current rate) for each modification; (ii) if franchisee sells any or all of its economic interests to the policies within the franchisee’s book of business to another franchisee, the transfer fee will be equal to \$3,500 (or the then-current rate) plus reimbursement for any costs incurred by Franchisor in order to effectuate the book change amongst vendors; (iii) if the transfer results in a complete change in ownership or voting rights and is to a new owner that is not a current franchisee of Franchisor, the Agency Ownership Transfer Fee shall be equal to the then-current Initial Franchise Fee;
 - (v) If permitted by applicable law, the transferor and the transferee shall have executed a general release in a form satisfactory to Franchisor, of any and all claims against Franchisor, its Affiliates and their officers, directors, attorneys, shareholders, and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state, and local laws, rules, and ordinances arising out of, or connected with, the performance of this Agreement or any other agreement;
 - (vi) The transferee shall demonstrate to Franchisor’s sole satisfaction that it meets all of Franchisor’s requirements for becoming a We Insure® franchisee, including, without limitation, that it: (A) is properly licensed by all governmental and self-regulatory agencies and organizations; (B) meets Franchisor’s managerial and business standards then in effect for similarly situated We Insure® franchisees; (C) possesses a good moral character, business reputation, and satisfactory credit rating; (D) is not a competitor of Franchisor; (E) will comply with all instruction and training requirements of Franchisor; and (F) has the aptitude and ability to operate a We Insure® franchised Agency (as may be evidenced by prior related business experience or otherwise); and
 - (vii) The transferee and its personnel shall have completed, to Franchisor’s satisfaction, the training then required by Franchisor. Franchisor will not charge transferee to attend training, but transferee is responsible for paying the travel and lodging expenses incurred in connection with attending training.
- (e) Any additions or modifications to your corporation ownership, members, equity interests, or agency operations such as the assigned Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) must first be sent to us via email to compliance@weinsuregroup.com for approval. You must provide to us an operating agreement that outlines the individuals name, contact information, role, and percentage of equity interests and you must receive our approval before any modifications can be made. Only a controlling member or members of the corporation who holds more than 51% equity interests may request changes to the agency information. Otherwise a corporate resolution will be required to make any changes

requested such as but not limited to the Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) assignment. If Franchisee requests approval to restructure its ownership such that there is a new Principal or to replace its existing Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) with a new Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”), we shall consider such request in our sole discretion and shall charge Franchisee a fee of \$1,000 to do so, regardless of whether we approve or disapprove the replacement Principal and/or Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”). Upon receipt of such a request, Franchisor shall also require, in its sole discretion, an interview of the replacement Principal or Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) to be conducted at a location of Franchisor’s selection. Franchisee shall be responsible for any Carrier Appointment Fees that result from the change in Principal or Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”).

- (f) Notwithstanding the foregoing, it is understood and agreed that if Franchisee is an individual, he may assign this Agreement, the Agency, and Franchisee’s rights and obligations hereunder to a legal entity organized and wholly owned by Franchisee for that purpose only. Franchisor shall be given 30 days’ advanced written notice of such assignment to review the terms thereof, and, upon receiving Franchisor’s written consent and acknowledgement of compliance with the terms of this subsection: (i) such legal entity shall have all of such rights and obligations, and the term “**Franchisee**” as used in this Agreement shall refer to such legal entity; and (ii) the individual who was originally designated as “**Franchisee**” in this Agreement shall be deemed the Principal as such term is used in this Agreement. Notwithstanding the foregoing, such assignment shall in no way affect the obligations hereunder of the individual originally designated as “**Franchisee**” hereunder, who shall remain fully bound by and responsible for the performance of all of such obligations, jointly and severally, with such legal entity. Such legal entity shall at no time engage in any business or activities other than the exercise of the rights granted in this Agreement to Franchisee and the performance of its obligations as Franchisee hereunder.
- (g) In the event of the death or Disability of Franchisee or of a stockholder of a corporation or member of a partnership or limited liability company to which this Agreement has been assigned, Franchisor shall consent to a transfer of this Agreement, or of the stock of said corporation or partnership or membership interest of said partnership or limited liability company, to the spouse, children, heirs or relatives by blood or marriage of the Person who is deceased or suffering from a Disability (or to the remaining shareholders, partners or members of Franchisee), whether said transfer is made by last will and testament, revocable living trust, or by operation of law, provided the following requirements are satisfied: (1) the proposed transferee substantially meets the then-current standards of qualifications of Franchisor for new franchisees and if this Agreement is not otherwise in default; (2) the proposed transferee executes Franchisor’s then-current form of Franchise Agreement, which may contain terms and conditions substantially different from those in this Agreement, for an initial term equal to the initial term then being offered in Franchisor’s then-current form of Franchise Agreement; (3) if permitted by applicable law, the transferor and the transferee execute a general

release in a form satisfactory to Franchisor, of any and all claims against Franchisor, its Affiliates and their officers, directors, attorneys, shareholders, and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state, and local laws, rules, and ordinances arising out of, or connected with, the performance of this Agreement or any other agreement; (4) the transferee demonstrates to Franchisor's sole satisfaction that it meets all of Franchisor's requirements for becoming a We Insure™ franchisee, including, without limitation, that it: (i) is properly licensed by all governmental and self-regulatory agencies and organizations; (ii) meets Franchisor's managerial and business standards then in effect for similarly situated franchisees; (iii) possesses a good moral character, business reputation, and satisfactory credit rating; (iv) is not a competitor of Franchisor; (v) will comply with all instruction and training requirements of Franchisor; and (vi) has the aptitude and ability to operate a We Insure Agency; and (5) the transferee and its personnel shall have completed, to Franchisor's satisfaction, the training then required by Franchisor. The spouse or personal representative may, on written request to Franchisor made within 60 days of such death or Disability, continue to act as a temporary franchisee under this Agreement for a period not to exceed 90 days after death or Disability, provided that such person receives training as provided herein and that this Agreement is not otherwise in default. No Agency Ownership Transfer Fee shall be required to be paid upon said transfer to the surviving spouse, children, heirs, beneficiaries or devisees of Franchisee. If said representative fails to request in writing the right to continue to act as a franchisee under this Agreement within the specified 60-day period or if a transfer is made hereunder within a 90-day period following the death or Disability of Franchisee, this Agreement shall automatically terminate. Nothing herein shall modify the rights of any co-signer of this Agreement to fulfill the term of the Agreement in the event of the death of another co-signer, if the surviving co-signer was a purchaser approved by Franchisor who has complied with the training requirements of Franchisor.

- (h) Franchisor's consent to a Transfer of any interest in Franchisee granted in this Agreement shall not constitute a waiver of any claims it may have against the transferor, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferee.
- (i) Franchisor will not require approval of the assignment or hypothecation of all or any part of the assets of the Agency or the stock or other interests in Franchisee, excluding Franchisee's rights under this Agreement or the Franchise, to a bank or other lending institution as collateral security for loans made directly to or for the benefit of the Agency. However, Franchisor's approval will be required for any proposed assignment or hypothecation of this Agreement or the Franchise, which approval will not permit further transfers or assignments of this Agreement or the Franchise, without compliance by the transferee or assignee with the provisions of this Section.
- (j) If Franchisee is a corporation or other business entity, all certificates representing shares of stock or other equity interests in Franchisee, whether already or hereafter issued by Franchisee, shall, from and after the date hereof, bear a legend sufficient under applicable law to constitute notice of the restrictions on such stock or other equity

interests contained in this Agreement and to allow such restrictions to be enforceable. Such legend shall appear in substantially the following form:

The sale, transfer, pledge or hypothecation of this stock or equity interest is restricted pursuant to the terms of a Franchise Agreement dated _____, 20____, by and between We Insure, LLC, a Florida limited liability company, and the issuer of these shares.

- (k) The parties expressly acknowledge and agree that in the event Franchisor, in its sole discretion, consents to a Transfer):
- (i) All of the transferor's rights to compensation under this Agreement shall immediately cease on the effective date of the Transfer;
 - (ii) Franchisee shall relinquish and surrender any and all rights in and to Insurance Products in effect at the Agency on the effective date of the Transfer, including without limitation renewal rights; and
 - (iii) Transferee shall not be entitled to any Post-Term Extended Earnings as provided in this Agreement.

 - (xxvi) Franchisee or its Principal materially breaches any other agreement with Franchisor or any of its Affiliates, or threatens any material breach of any such agreement, or any lease for the Agency, and fail to cure such breach within any permitted cure period.
 - (xxvii) Franchisee or its Principal takes any public action or conducts itself in a manner which, in Franchisor's discretion, whether or not criminal, adversely affects the operations of Franchisor or any other Franchisee, the System, the Licensed Marks, or the products offered through the System.
- (c) Termination with Notice and After Opportunity to Cure. Franchisor may terminate this Agreement if any of the following remain uncured after the expiration of a 30-day cure period:

 - (xii) Franchisee fails to satisfactorily complete Initial Training after participating in two Initial Training sessions.
 - (xiii) Franchisee commits any other breach of this Agreement.

 - (xv) Franchisee fails to conduct business according to the laws and regulations of any governing or self-regulating body or authority having jurisdiction over the Agency.
 - (xvi) The insurance coverage or Insurance Product underwriting practices by Franchisee, in the sole opinion of Franchisor, may jeopardize Franchisor's continued contractual agency relationship with any Designated Carrier.

- (e) Franchisee may terminate this Agreement at any time for any reason upon providing

Franchisor ninety (90) days' prior written notice of its intent to terminate. Such termination shall be effective upon the expiration of such 90-day period, or such earlier date as may be mutually agreed by the parties.

- (f) Instead of termination, Franchisor may suspend Franchisee's access to the Agency Management System upon the occurrence of any one or more of the following:
- (i) Franchisee conducts business for its own account in violation of this Agreement;
 - (ii) Franchisor receives notification from any of the Designated Carriers that Franchisor's or Franchisee's access to such Designated Carrier is suspended or terminated.
 - (iii) Franchisee fails to comply with the claims, binding, underwriting, or other requirements of a Designated Carrier;

 - (v) Franchisee fails to immediately endorse and deliver to Franchisor any payments due to Franchisor from any third party that is erroneously made payable to Franchisee;
 - (vi) Franchisee fails to deposit into Franchisor's trust account customer premium payments made directly to Franchisee or makes deposits and fails to follow the proper depository notification procedure.
 - (vii) Franchisee commits any action that, in Franchisor's sole discretion, could be considered a material violation of Insurance Product underwriting guidelines, including but not limited to quoting, issuing, or binding an Insurance Product (a) by or through a managing general agency or (b) in the excess and surplus lines except as except through Franchisor or with Franchisor's prior written permission;
 - (viii) Franchisee or Franchisee's Principal (as the case may be) fails to maintain all required licenses, permits, and continuing education requirements;

 - (xiii) Franchisee fails to operate the Agency in compliance with Franchisor's branding requirements, including but not limited to failing to identify itself as a We Insure® franchisee or operating a separate and independent web presence without Franchisor's express written permission.
 - (xiv) Franchisee does not provide the required signatures of all members for whom make up 51% of the business entity's ownership or voting interests when a change is requested by the franchisee.
- (g) If Franchisee believes or contends that Franchisor has failed to meet any obligation under this Agreement, or if Franchisee believes that Franchisor has done anything whatsoever that would or could give rise to any claim or cause of action of any kind, against Franchisor by Franchisee, including but not limited to, any claim based on this Agreement, any claim based on a tort, any claim based on a statute and every other kind of claim, then Franchisee shall provide Franchisor with written notice of any such potential claim, within thirty (30) days of the first act allegedly giving rise to such claim, and such notice shall specifically enumerate all alleged acts, breaches, and deficiencies that Franchisee claims or alleges have been committed by Franchisor and shall include all facts that Franchisee believes form the basis for any potential claim against Franchisor. The notice shall provide Franchisor with a reasonable opportunity to cure all alleged wrongful acts or breaches, which shall in no event be less than thirty (30) days from the date of receipt of such notice by Franchisor. Failure to give such notice shall constitute an absolute and complete waiver of any claim for which such written notice and opportunity to cure has not been timely provided. The notice required herein shall be sent by certified mail and time is of the essence with respect to such written notice.
- (h) If Franchisee, or anyone acting on behalf of Franchisee, directly or indirectly causes, or participates in, any customer in Franchisee's book of business moving its insurance business from the Franchisor, either during the term of this Agreement or during the twenty-four (24) months immediately following the termination of this Agreement for any reason, the damages that the Franchisor shall incur as a result of such a breach of this Agreement shall be calculated by multiplying the amount of annual commissions that the Franchisor would have received if such customer had not moved its insurance policy or policies, and multiplying that amount by the number six (6). For example, if Franchisee caused a customer to move an insurance policy in Franchisee's book of business, which policy was resulting in Franchisor being paid \$1,000.00 per year for commissions, then the amount of damages that Franchisor shall be deemed to have suffered as a result of Franchisee breaching this Agreement by causing such customer to move its business, shall be \$1,000 multiplied by six (6) or \$6,000.00. The reason for this is that insurance customers are often retained by insurance agencies for many years. Therefore, if an insurance customer moves its business from Franchisor, then the Franchisor incurs damages not only that year, it also loses the revenue from that customer for future years. The parties agree that six (6) years is a reasonable amount of time and that the calculation of damages set forth herein is a reasonable way of

calculating damages which would otherwise be uncertain because the parties cannot predict how long a Franchisor would have retained the customer if the Franchisee had not participated in causing the customer to move the business. Franchisor shall have the right to offset any damages, calculated in accordance with the provisions of this paragraph, from any amounts that Franchisor may owe Franchisee or, if Franchisor does not owe any amounts to Franchisee, then Franchisee shall pay such damages to Franchisor within ten (10) days of written demand from Franchisor. The provisions of this paragraph shall not, in any way, limit any other remedy or right available to Franchisor pursuant to the terms of this Agreement.

17. POST-TERMINATION RIGHTS AND OBLIGATIONS

- (a) Upon the expiration, termination or non-renewal of this Agreement, Franchisee must immediately:
- (i) Cease to operate the Agency and cease all use of the System and the Licensed Marks.  - (ii) Pay all sums owing to Franchisor, including those invoiced to Franchisee after the effective date of the expiration, termination, or non-renewal of this Agreement, including, but not be limited to, actual and compensatory damages, costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with enforcing its rights under this Agreement;
 - (iii) Return to Franchisor, in good condition, the Manual and all other Confidential Information, including without limitation, any Client Account lists, insurance prospect lists, Insurance Product expiration lists, Client Account records, equipment, materials, forms, supplies and other property owned by Franchisor, and all copies thereof. Franchisee shall retain no copy or record of any of the foregoing; provided Franchisee may retain its copy of this Agreement, any correspondence between the parties, and any other document that Franchisee reasonably needs for compliance with any applicable provision of law;
 - (iv) Take such action as may be required by Franchisor to transfer and assign to Franchisor or its designee all trade and similar name registrations and business licenses, and to cancel any interest that Franchisee may have in the same;
 - (v) Immediately cease using all telephone numbers, facsimile numbers, directory listings, social media accounts, domain names, and other items covered by the Conditional Assignment, and to comply with the terms of the Conditional Assignment.
 - (vi) Cease to use in advertising, or in any manner whatsoever, any methods,

procedures or techniques associated with the System in which Franchisor has a proprietary right, title or interest; cease to use the Licensed Marks and any other marks and indicia of operation associated with the System, and remove from the Site all trade dress, physical characteristics, color combinations and other indications of operation under the System. Without limiting the generality of the foregoing, Franchisee agrees that in the event of the termination, expiration or non-renewal of this Agreement, Franchisee will remove all signage bearing the Licensed Marks, and, upon Franchisor's request, deliver such signs to Franchisor, and will remove any items that are characteristic of the System "trade dress" from the Site, and (to the extent permitted under the Site lease) repaint the Site in color schemes that are not confusingly similar to Franchisor's standardized and recognizable exterior color scheme, if applicable. Franchisee agrees that Franchisor or a designated agent may enter upon the Site at any time to make such changes at Franchisee's sole risk and expense and without liability for trespass;

(vii) Franchisee does hereby grant in favor of Franchisor a lien upon all interior and exterior signage or other fascia bearing any Licensed Marks that are to be displayed on the interior or exterior of the Site, and, in the event of any termination, expiration or non-renewal of this Agreement, Franchisee agrees to remove immediately such signage and fascia bearing any of the Licensed Marks from the Site. If Franchisee fails to make such alterations within 5 days after the effective date of their termination, expiration or non-renewal of this Agreement, Franchisee agrees that Franchisor or its designated agents may enter upon the Site at any time to make such alterations, at Franchisee's sole risk and expense, without liability to Franchisee for trespass. Franchisor shall be entitled to acquire all such signage and fascia not removed by Franchisee in a timely manner pursuant to this Section for the sum of \$100;

(viii) Comply with the applicable covenants set forth in Sections 11 and 13 of this Agreement, as well as any other provisions of this Agreement which, by their nature, must survive the termination, expiration or non-renewal of this Agreement.

(b) Upon termination, expiration or non-renewal of this Agreement, Franchisor shall immediately cease to provide errors and omissions insurance coverage for Franchisee, and Franchisee shall not be entitled to any refund of errors and omissions insurance policy premiums.

(c) Upon termination, expiration or non-renewal of this Agreement, Franchisee shall continue to maintain and keep open all of its "customer escrow accounts" until such time as (i) all Designated Carriers have withdrawn all applicable customer funds therefrom, and (ii) Franchisor has reconciled such accounts against the periodic reports it receives from the Designated Carriers and thereafter notified Franchisee that it may close such accounts.

(d) Franchisee shall not, in any communication to any other We Insure® franchisee,

disparage Franchisor or interfere with any contract to which Franchisor is a party.

18. FRANCHISOR'S PURCHASE RIGHT

- (a) Upon termination or expiration of this Agreement for any reason whatsoever, Franchisor or its designee shall have the option (but not the obligation) for a period of 60 days from such termination or expiration to purchase all of Franchisee's right, title and interest in the Agency (including, without limitation, equipment, inventory and supplies) for a purchase price (the "**Purchase Price**") equal to the fair market value of all such assets as determined by the application of generally accepted accounting principles less the total of (a) the amount of any indebtedness remaining against or secured by any such assets; (b) the amount of any indebtedness or obligation owed by Franchisee to Franchisor, its affiliates, subsidiaries or designees; (c) the amount of any indebtedness or obligation for which Franchisee or the Agency is liable (directly or indirectly, contingently or otherwise) and for which Franchisor is or may become liable (directly or indirectly, contingently or otherwise) upon acquiring the Agency or otherwise; and (d) all amounts advanced by Franchisor, or which Franchisor has paid, or which Franchisor has become obligated to pay, on behalf of the Franchisee for any reason whatsoever (including, without limitation, interim sums required to be advanced for operations prior to the date of Franchisor's (or its designee's) exercise of the option granted hereunder). However, the following group and will not be included in the calculation of assets and will reduce commissions paid: (i) from products sold under Franchisee's state applicable insurance license(s); and/or (ii) from any carrier that has withdrawn the Franchisee's appointment.
- (b) If the parties cannot agree upon the Purchase Price within a reasonable time, an independent appraiser shall be designated by Franchisor, and his determination of the Purchase Price shall be binding on Franchisor and Franchisee. The cost of such appraisal shall be borne equally by the parties and the Franchisee's portion will be reflected by reduction in the purchase price.
- (c) If Franchisor exercises its option to purchase the Agency, the Purchase Price shall be payable as follows:
- (i) 10% of the Purchase Price shall be paid at the closing of the purchase transaction by bank or certified check.
 - (ii) The balance of the Purchase Price shall be paid over a period of 3 years in 36 equal monthly installments, the first monthly installment being made on the 10th day of the month following the month in which the initial payment is made. The obligation to make monthly installment payments shall be evidenced by a series of 36 negotiable promissory notes of the Franchisor payable to the order of the Franchisee, each bearing interest from the date of the closing at the published "**Prime Rate**" charged by Chase Manhattan Bank, New York, New York, to its most substantial commercial clients and containing provisions to the effect that should any note be unpaid for more than 10 days after written notice of default, the remaining notes shall forthwith become due and payable without any further

notice; provided, however, that the Franchisor or any holder in due course shall have the right at any time after the calendar year in which the closing takes place to prepay the notes in multiples of \$1,000 in inverse order of maturity, together with interest to the date of payment.

- (d) If Franchisor exercises its option to purchase the Agency, Franchisee agrees fully to cooperate in effectuating such transaction and undertakes to use his/her best efforts to provide Franchisor and its designees with all such data and documentation as reasonably may be required to give effect to the purposes of this Section.
- (e) In the event Franchisor does not elect to exercise the foregoing option to purchase the Agency, Franchisee shall immediately return to Franchisor all materials which bear any of the Licensed Marks, trade names or copyrighted material. Franchisee shall also destroy any and all materials not otherwise required to be returned to Franchisor in accordance with this Agreement or the Manual. Contemporaneously, Franchisee shall return to Franchisor all copies in his/her possession of materials and documents (including, among other things, the Manual, corporate records and files, correspondence, brochures, agreements, and disclosure statements) relating to the grant or operation of the Agency.

19. POST-TERM EXTENDED EARNINGS

- (a) In the event either: (i) Franchisee elects to terminate this Agreement pursuant to Section 16(e); (ii) this Agreement expires in accordance with its terms; (iii) Franchisee elects to not renew this Agreement; or (iv) Franchisor terminates this Agreement for any reason other than for a breach of Franchisees obligations set forth in this Agreement in paragraphs 16(a)(iv) or 16(b), then Franchisee shall be entitled to received certain post termination compensation from Franchisor, which compensation is referred to in this Agreement as "Post-Term Extended Earnings". If Franchisor terminates this Agreement pursuant to 16(a)(iv) or 16(b), then no obligation to pay Franchisee Post-Term Extended Earnings shall arise pursuant to the provisions of this Agreement.
- (b) If Post-Term Extended Earnings are payable to Franchisee pursuant to the terms of this Agreement, the initial amount of Post-Term Extended Earnings that shall be payable to Franchisee shall equal to 150% of Franchisee Commissions actually paid to Franchisee during the 12-month period preceding the effective date of termination, expiration, or non-renewal of this Agreement, less (i) the outstanding balance of the promissory note Franchisee signed for the Initial Franchise Fee, less (ii) any commissions payable for products sold under Franchisees state applicable insurance license, less (iii) any commissions attributable to any carrier that has withdrawn the Franchisees appointment for any reason, and less (iv) any commissions attributable to any carrier that has discovered any false information submitted to the carrier by the Franchisee or its staff or discovered any fraud committed by any Franchisee or its staff.
- (c) Franchisees Post-Term Extended Earnings shall be payable by Franchisor to Franchisee in 24 equal monthly installments, commencing with the 1st month following the

effective date of termination, expiration, or non-renewal, and shall be payable via electronic funds transfer to an account designated in writing by Franchisee on or before the 15th day of each month.

- (d) If Post-Term Extended Earnings are payable to Franchisee pursuant to the provisions of this Agreement, then within ten (10) business days of the termination, expiration, or non-renewal of this Agreement, Franchisor shall provide Franchisee with written notice of: (i) its calculations (together with such supporting documentation as Franchisor deems appropriate) of Franchisees Post-Term Extended Earnings and the monthly payments to be made to Franchisee.
- (e) If Post-Term Extended Earnings are payable to Franchisee pursuant to the terms of this Agreement, then, beginning with the 13th payment of Post-Term Extended Earnings, the Post-Term Extended Earnings payments that are payable to Franchisee shall be reduced by an amount equal to that portion of the total Post-Term Extended Earnings attributable to commissions paid on any Client Account whose policy is not renewed in the 1-year period following the termination, expiration, or non-renewal of this Agreement. The amount of the reduction of the monthly payments for Post-Term Extended Earnings shall be calculated by first determining the amount of commissions that would have been paid to Franchisee during the twelve (12) months following termination of our business relationship if our original Agreement had remained in effect, then multiplying that amount times 1.5, and dividing the resulting balance by twenty-four (24). The resulting number shall be the amount of the twelve (12) payments for Post-Term Extended Earnings that will be paid to Producer on a monthly basis during the second year following the termination of our business relationship. Franchisor shall provide Franchisee with written notice of its recalculations (together with such supporting documentation as Franchisor deems appropriate) on or before the expiration of the 13th month following the termination, expiration, non-renewal of this Agreement.
- (f) Notwithstanding the foregoing, Franchisor's obligation to pay Post-Term Extended Earnings pursuant to the provisions of this Agreement, shall terminate immediately and without notice to Franchisee, in the event that Franchisee breaches any of its obligations contained in paragraphs 16(a)(iv), 16(b)(i), 16(b)(ii), 16(b)(iv), 16(b)(v), 16(b)(vi), 16(b)(viii), 16(b)(xiv), 16(b)(xvii), 16(b)(xviii), 16(b)(xix), 16(b)(xxii), 16(b)(xxiii), 16(b)(xxv), 16(b)(xxvi), and/or 16(b)(xix) of this Agreement, or if Franchisee violates any of its post-term covenants or obligations pursuant to the terms of this Agreement.
- (g) In the event that the death or disability of a Principal of Franchisee results in the termination of this Agreement, then Principal's heirs and beneficiaries shall be entitled to receive any Post-Term Extended Earnings that are payable pursuant to the provisions of this Agreement.
- (h) Upon the termination, expiration, or non-renewal of this Agreement, all of Franchisees rights to compensation under this Agreement shall immediately cease, except for (i) compensation which, in the usual course of business, had fully accrued and become fully

due and payable to Franchisee prior to such termination, expiration, or non-renewal and (ii) any Post-Term Extended Earnings that may be payable pursuant to the provisions of the Agreement.

- (c) Should Franchisee fail to acquire or maintain insurance under this Section, Franchisor shall have the right to obtain such insurance on Franchisee's behalf and deduct from Franchisee Commissions the cost of the premiums of such insurance plus an 18% administrative fee.
- (d) The procurement and maintenance of such insurance shall not relieve Franchisee of any liability to Franchisor under any indemnity requirement of this Agreement.
- (e) Franchisee shall ensure that it also acquires all other insurance as required by any lessors, lenders, or applicable laws, including, but not limited to, unemployment compensation insurance.

21. TAXES, PERMITS, INDEBTEDNESS, COMPLIANCE WITH LAWS

- (a) Franchisee shall promptly pay when due any and all federal, state and local taxes including without limitation unemployment and sales taxes, levied or assessed with respect to any services or products furnished, used or licensed pursuant to this Agreement and all accounts or other indebtedness of every kind incurred by Franchisee in the operation of the Agency. - (b) Franchisee shall comply with all applicable federal, state and local laws, rules and

regulations. Franchisee shall also timely obtain any and all permits, certificates and licenses for the full and proper conduct of the Agency.

- (c) Franchisee hereby expressly covenants and agrees to accept full and sole responsibility for any and all debts and obligations incurred in the operation of the Agency.

22. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

- (a) It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, warranty or representation or to create any obligation on behalf of Franchisor except as expressly authorized under this Agreement. Nothing in this Agreement is intended by the parties to create a fiduciary relationship between them or to constitute Franchisee as a legal representative, subsidiary, joint venture, partner, employee, tenant or servant of Franchisor for any purpose whatsoever. In all dealings with third parties including, without limitation, employees, suppliers and customers, Franchisee shall disclose in an appropriate manner acceptable to Franchisor that it is an independent contractor licensed by Franchisor to utilize the Licensed Marks and operate the Agency. Franchisee shall be responsible for payment of its own federal income taxes, social security, Medicare and such other taxes and liabilities assessed or levied against Franchisee by virtue of this Agreement and the sums received by Franchisee pursuant to this Agreement. Subject only to the limitations set forth in this Agreement, Franchisee shall have the discretion to determine the time, place and manner of soliciting and servicing clients and otherwise carrying out its obligations hereunder, subject to the limitations set forth in this Agreement and Franchisor's high ethical standards and its quality customer service.
- (b) Franchisee agrees to protect, defend, indemnify, and hold Franchisor and its Affiliates, and their respective directors, officers, agents, attorneys and shareholders jointly and severally (collectively the "**Franchisor Indemnitees**"), harmless from and against, and promptly to reimburse Franchisor Indemnitees for, all Claims, actions, proceedings, damages, costs, expenses and other losses and liabilities, consequently, directly or indirectly incurred (including without limitation reasonable attorneys' and paralegals' fees, court costs and costs of investigation) as a result of, arising out of, or connected with: (i) Franchisee's breach of any of the terms, covenants, warranties, or representations of this Agreement; (ii) the operation of the Agency; (iii) any unauthorized use of the Agency Management System; (iv) any negligence or willful misconduct on the part of Franchisee or its Principals or Affiliates, or any of their respective directors, officers, agents, shareholders, employees, contractors, subcontractors, licensees or invitees; (v) any incident, death, injury or damage to any person or property occurring in, on or about the Site; (vi) Franchisee's use of the Licensed Marks or other proprietary material; or (vii) any unauthorized transfer of your rights under this Agreement or of the Agency; or (viii) Franchisee's failure to pay, when due, any and all tax obligations. - (c) Franchisor agrees to protect, defend, indemnify, and hold Franchisee and its Principals

or Affiliates, and their respective directors, officers, agents, attorneys and shareholders jointly and severally (collectively, the “**Franchisee Indemnitees**”), harmless from and against, and promptly to reimburse Franchisee Indemnitees for, all Claims, actions, proceedings, damages, costs, expenses and other losses and liabilities, consequently, directly or indirectly incurred (including without limitation reasonable attorneys’ and paralegals’ fees, court costs and costs of investigation) as a result of, arising out of, or connected with: (i) Franchisor’s breach of any of the terms of this Agreement, (ii) the gross negligence or willful misconduct of Franchisor or its Affiliates, or any of their respective directors, officers, agents, or shareholders, or (iii) the infringement of third parties’ intellectual property rights, as described in this Agreement.

- (d) The provisions of this Section shall continue in full force and effect subsequent to and notwithstanding the termination, expiration, non-renewal, assignment, or transfer of this Agreement for any reason.

23. WRITTEN APPROVALS, WAIVERS, FORMS OF AGREEMENT AND AMENDMENT

- (a) Whenever this Agreement requires, or Franchisee desires to obtain, Franchisor’s approval, Franchisee shall make a timely written request in accordance with the notice provisions of this Agreement. Unless a different time period is specified in this Agreement, Franchisor shall respond with its approval or disapproval within 15 days of receipt of such request. If Franchisor has not specifically approved a request within such 15-day period, such failure to respond shall be deemed an approval of any such request.
- (b) No failure of Franchisor to exercise any power reserved to it by this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor’s right to demand exact compliance with any of the terms in this Agreement. No waiver or approval by Franchisor of any particular breach or default by Franchisee, nor any delay, forbearance or omission by Franchisor to act or give notice of default or to exercise any power or right arising by reason of such default hereunder, nor acceptance by Franchisor of any payments due hereunder, shall be considered a waiver or approval by Franchisor of any preceding or subsequent breach or default by Franchisee of any term, covenant or condition of this Agreement.
- (c) No warranty or representation is made by Franchisor that the forms of Franchise Agreement entered into by Franchisor do or will contain terms substantially similar to those contained in this Agreement. Franchisee recognizes and agrees that Franchisor may, due to local business conditions or otherwise, waive or modify comparable provisions of other Franchise Agreements granted to other We Insure® franchisees in a non-uniform manner.
- (d) Except as otherwise specifically provided in this Agreement to the contrary, no amendment, change or variance from this Agreement shall be binding upon either Franchisor or Franchisee except by mutual written agreement. If an amendment of this Agreement is executed at Franchisees request, any legal fees or costs of preparation in connection with such amendment shall, at the option of Franchisor, be paid by Franchisee. If an amendment of this Agreement is executed at Franchisor’s request, any

legal fees or costs of preparation in connection with it shall be paid by Franchisor.

24. ENFORCEMENT

- (a) To ensure Franchisee's compliance with this Agreement, and to enable Franchisor to carry out its obligations under this Agreement, Franchisee agrees that Franchisor and its designated agents shall be permitted full and complete access during business hours, without notice, to inspect (and copy, if Franchisor so desires) the Site and the Agency and all related records, including, but not limited to, records relating to Franchisees prospective clients and Client Accounts, suppliers, employees, agents and independent contractors. Franchisee agrees to render such assistance as may reasonably be requested by Franchisor and its designated agents, and to take such steps as may be necessary to immediately correct any deficiencies detected during such an inspection upon the request of Franchisor or its designated agents.
- (b) Franchisor or its designee shall be entitled to obtain, without bond, declarations, temporary and permanent injunctions, and orders of specific performance, in order to enforce the provisions of this Agreement relating to Franchisee's use of the Licensed Marks, the obligations of Franchisee upon termination, expiration or non-renewal of this Agreement, and assignment or transfer of the Franchise and ownership interests in Franchisee, or to prohibit any act or omission by Franchisee or its employees that constitutes a violation of any applicable law or regulation, that is dishonest or misleading to prospective or current customers of businesses operated under the System, that constitutes a danger to other We Insure® franchisee owners, employees, customers or the public, or that may impair the goodwill associated with the Licensed Marks.
- (c) If Franchisor secures any declaration, injunction or order of specific performance pursuant to Section 24(b) above, if any provision of this Agreement is enforced at any time by Franchisor, or if any amounts due from Franchisee to Franchisor are, at any time, collected by or through an attorney at law or collection agency, Franchisee shall be liable to Franchisor for all costs and expenses of enforcement and collection including, but not limited to, court costs and reasonable attorneys' fees.

26. GOVERNING LAW AND DISPUTE RESOLUTION

- (a) This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, without regard to its conflict of law rules.
- (b) The parties agree that it is in their best interest to resolve disputes between them in an orderly fashion and in a consistent manner and agree as follows:
 - (i) The parties shall make a good-faith effort to resolve any Claim arising out of or relating to this Agreement or the transactions contemplated in this Agreement, except in a case when an injunction is required to prevent an immediate and ongoing harm.
 - (ii) Any and all Claims between the parties (arising out of or relating to this Agreement, the transactions contemplated in this Agreement and/or the relationship between the parties) that the parties cannot resolve through negotiation and mediation, shall be brought solely and exclusively in (i) the circuit or county court located in Broward County, State of Florida, or (ii) in the United States District Court for the Southern District of Florida (Fort Lauderdale Division), and each Party agrees not to assert, by way of motion, as a defense or otherwise, in any such Claim, that it is not subject personally to the jurisdiction of the such court, that the Claim is brought in an inconvenient forum, that the venue of the Claim is improper or that this Agreement or the subject matter hereof may not be enforced in or by such court. Each Party further irrevocably submits to the jurisdiction of such court in any such Claim.
 - (iii) In all Claims, Franchisee consents and agrees that it may be served with process outside the State of Florida in the same manner as service may be made within the State of Florida by any person authorized to make service by the laws of the state, territory, possession or country in which service is made or by any duly qualified attorney in such jurisdiction, and Franchisee hereby waives any defense it may have of insufficiency of service of process relating to such service.  - (iv) **JURY TRIAL WAIVER. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY CLAIM ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT AND ANY OTHER AGREEMENTS EXECUTED OR CONTEMPLATED TO BE EXECUTED IN CONNECTION HEREWITH, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (VERBAL OR WRITTEN) OR ACTION OF ANY PARTY IN CONNECTION WITH THIS AGREEMENT.**
 - (v) **WAIVER OF CLASS OR GROUP ACTION. ANY CLAIM, ACTION OR SUIT**

BETWEEN YOU AND US (AND/OR OUR AFFILIATES AND OWNERS) WILL BE CONSIDERED UNIQUE AS TO ITS FACTS AND CANNOT BE BROUGHT AS A CLASS ACTION OR CLASS ARBITRATION. FRANCHISEE AND ITS PRINCIPALS, OFFICERS AND AGENTS WAIVE ANY RIGHT TO PROCEED AGAINST FRANCHISOR (AND OUR AFFILIATES, STOCKHOLDERS, MEMBERS, MANAGERS, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS) BY WAY OF CLASS ACTION, CLASS ARBITRATION, OR BY WAY OF A MULTI-PLAINTIFF, CONSOLIDATED OR COLLECTIVE ACTION.

- (vi) **LIMITATION OF ACTION. ANY AND ALL CLAIMS AGAINST FRANCHISOR OR ANY OF OUR AFFILIATES THAT ARE ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL BE BARRED UNLESS AN ACTION, AS REQUIRED UNDER THIS AGREEMENT, IS COMMENCED WITHIN ONE (1) YEAR FROM THE DATE ON WHICH YOU KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO SUCH CLAIMS, AND THAT ANY ACTION NOT SO BROUGHT SHALL BE BARRED, WHETHER AS A CLAIM, COUNTERCLAIM, DEFENSE OR SETOFF.**
- (vii) Notwithstanding the foregoing, judgments and judicial orders may be enforced in any court of competent jurisdiction.
- (viii) Notwithstanding the foregoing, a franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

27. MISCELLANEOUS

- (a) Should any provision of this Agreement be for any reason held invalid, illegal or unenforceable by a court of competent jurisdiction, such provision shall be deemed restricted in application to the extent required to render it valid; and the remainder of this Agreement shall in no way be affected and shall remain valid and enforceable for all purposes, both parties declaring that they would have executed this Agreement without inclusion of such provision. In the event such total or partial invalidity or unenforceability of any provision of this Agreement exists only with respect to the laws of a particular jurisdiction, this subsection shall operate upon such provision only to the extent that the laws of such jurisdiction are applicable to such provision. Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, on a temporary or permanent basis, to reduce the scope of any covenant or provision of this Agreement binding upon Franchisee, or any portion hereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof and Franchisee agrees that it will comply forthwith with any covenant as so modified, which shall be fully enforceable.
- (b) To facilitate the execution of this Agreement by geographically separated parties, this Agreement may be executed in duplicate, and each copy so executed shall be deemed an original. This Agreement may also be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one

agreement. A signed copy of this Agreement transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement. You agree that the electronic signatures or digital signatures (each an "e-Signature") of any party to this Agreement shall have the same force and effect as manual signatures of such party and such e-Signature shall not be denied legal effect or enforceability solely because it is in electronic form or an electronic record was used in its formation. You agree that an e-Signature of either party is intended to: (i) authenticate the signature, (ii) represent the party's intent to sign, and (iii) constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. You agree not to contest the admissibility or enforceability of either party's e-Signature.

- (c) The headings and captions contained in this Agreement are for the purposes of convenience and reference only and are not to be construed as a part of this Agreement. The parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement.
- (d) All provisions of this Agreement which, by their nature, survive the termination of this Agreement are deemed to survive the termination of this Agreement for any reason.
- (e) Each of the parties agrees that they shall sign such additional and supplemental documents as may be necessary to implement the transactions contemplated pursuant to this Agreement when requested to do so by any party to this Agreement.
- (f) Franchisee represents and warrants to Franchisor that it (a) understands fully the terms of this Agreement (including all of its Exhibits) and the consequences of the execution and delivery of this Agreement, (b) has been afforded an opportunity to have this Agreement reviewed by, and to discuss this Agreement and any other document executed in connection herewith with, such attorneys and other persons as such party may wish, and (c) has entered into this Agreement and executed and delivered all documents in connection herewith of its own free will and accord and without threat, duress or other coercion of any kind by any person or entity. The parties acknowledge and agree that neither this Agreement nor the any related agreements shall be construed more favorably in favor of one than the other.
- (g) The terms and conditions of this Agreement shall be binding upon the assigns, creditors, transferees or successors in interest, whether by operation of law or otherwise, of the parties to this Agreement.
- (h) Time is of the essence of this Agreement and each covenant and condition contained in this Agreement.
- (i) The terms of all Exhibits and schedules to this Agreement are hereby incorporated into this Agreement by this reference.
- (j) EXCEPT FOR FRANCHISEE'S OBLIGATIONS TO INDEMNIFY FRANCHISOR AND CLAIMS FOR UNAUTHORIZED USE OF THE MARKS OR CONFIDENTIAL INFORMATION, FRANCHISEE AND FRANCHISOR EACH WAIVE TO THE FULL EXTENT PERMITTED BY LAW ANY RIGHT TO, OR CLAIM FOR, ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER. FRANCHISEE AND FRANCHISOR ALSO AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN FRANCHISEE AND FRANCHISOR, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS

- (k) In the event of a dispute arising out of the terms of this Agreement, Franchisor shall be entitled to recover its costs and expenses, including without limitation reasonable attorneys' fees, paralegals' fees and fees of experts, incurred in connection with such action, including any appeal of such action.
- (l) Neither party shall be liable for failure to perform any of its obligations under this Agreement during any period in which such party cannot perform due to fire, flood, or other natural disaster or act of God, war or other national emergency, terrorism, embargo, riot, strike, the intervention of any governmental authority, communications line failures, power failures or other causes beyond the reasonable control of the parties (but specifically excluding therefrom general economic conditions or the economy in general as a cause), provided, however, (i) such delay or failure could not have been prevented by reasonable precautions by that party, and (ii) that the party so delayed must promptly notify the other party of such delay and undertake all efforts that are reasonable under the circumstances to resume performance of its obligations hereunder as soon as feasible. Notwithstanding the foregoing, at all possible times, including during any pandemic, epidemic, government ordered quarantine, or other such condition that may arise, Franchisee shall not be relieved of its obligations under this Agreement, and shall be expected to maintain active Agency operations at all times and to the greatest extent practical, so as to ensure compliance with all application regulations, to minimize impact on Agency business, and to maintain appropriate customer relations. To the extent modifications or accommodations are necessary because of such pandemic, epidemic, government ordered quarantine or other event, Franchisee shall consult with Franchisor prior to implementing any such changes.
- (m) Franchisor shall be entitled to set-off against any amounts it owes to Franchisee whether pursuant to this Agreement or any other agreement with Franchisor or any Franchisor's Affiliate, consistent with applicable law.
- (n) This Agreement, including the introduction, addenda and exhibits to it, constitutes the entire agreement between you and us. There are no other oral or written understandings, agreements between you and us concerning the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

28. **NO GUARANTEES OF EARNINGS**

Franchisee understands that neither Franchisor nor any of its representatives and/or agents with whom Franchisee has met have made and are not making any guarantees, express or implied, as to the extent of Franchisee's success in the franchised business and have not and are not in any way representing or promising any specific amounts of earnings or profits in association with the franchised business.

**EXHIBIT 2 TO FRANCHISE AGREEMENT
GUARANTY OF PERFORMANCE**

GUARANTEE OF PERFORMANCE

In consideration of, and as an inducement to, the execution of the Franchise Agreement dated as of _____, by and between WE INSURE, LLC, a Florida limited liability company (“**Franchisor**”), and _____ (“**Franchisee**”) (the “**Franchise Agreement**”), each of the undersigned persons (the “**Guarantors**”) hereby executed this Guarantee of Performance (“**Guaranty**”) and agree as follows:

1. Obligations of Guarantors. Guarantors absolutely, unconditionally, jointly, and severally guarantee to Franchisor and its successor and assigns the full payment and performance of Franchisees covenants, payments, agreements, and undertakings of Franchisee contained and set forth in the Franchise Agreement, together with any extensions, renewals, or modifications thereof (collectively, the “**Obligations**”).

2. Unconditional Guaranty. No action that the Franchisor may take or omit to take in connection with the Obligations, and no conduct, custom, practice or course of dealing of the Franchisor with the Guarantors or any other person or entity, shall release or diminish the Guarantors’ obligations, liabilities, agreements or duties hereunder, affect this Guaranty in any way, or afford the Guarantors any recourse against the Franchisor, regardless of whether any such action or inaction may increase any risks to, or liabilities of, the Guarantors. No action or inaction of the Guarantors or any other person or entity, and no change of law or circumstances, shall release or diminish the Guarantors’ obligations, liabilities, agreements or duties hereunder, affect this Guaranty in any way, or afford the Guarantors any recourse against the Franchisee.

3. Term of Guaranty. The liability of Guarantors hereunder shall continue so long as Franchisees obligations continue under the Franchise Agreement, including any obligations of Franchisee that survive the termination of the Franchise Agreement.

4. Waivers by Guarantors. The Guarantors hereby waive notice of all of the following: (i) the Franchisor’s action or inaction with respect to any of the Obligations; (ii) the Franchisor’s acceptance of this Guaranty; (iii) the present existence or future incurring of any of the Obligations or any terms or amounts thereof or any change therein; (iv) any default by the Franchisee or any Guarantor; (v) the obtaining or release of any guaranty or surety agreement (in addition to this Guaranty), pledge, assignment, or other security for any of the Obligations; and (vi) the presentment, demand, notice of demand, presentment for payment, protest, notice of nonpayment or dishonor, notice of protest and any other demands and notices required by law in connection with this Guaranty or any instrument evidencing any Obligations, except as such waiver may be expressly prohibited by law.

5. Consent to Franchisor’s Acts; Agreements of Guarantor. The Guarantors consent, without affecting the Guarantors’ liability to the Franchisor hereunder, that the Franchisor may, without notice to or consent of the Guarantors, upon such terms as it may deem advisable: (a) extend, in whole or in part, by renewal or otherwise, the time of payment of any installment or other payment due under the Franchise Agreement; and (b) settle against any other person, firm or corporation whose obligation is held by the Franchisor. The Guarantors hereby ratify and affirm any such extension, renewal, release, surrender, exchange, modification,

impairment, settlement or compromise; and all such actions shall be binding upon the Guarantors, who hereby waive all defenses, counterclaims or offsets which the Guarantors might have by reason thereof. The Guarantors agree to make all payments hereunder in lawful money of the United States of America in immediately available funds.

6. Restrictive Covenants. Guarantors hereby represent and warranty, jointly and severally, that they have read, shall abide by, and are bound by and to the covenants contained in Section 13 of the Franchise Agreement, including the covenants of non-disclosure, non-solicitation, and non-competition.

7. No Subrogation. Nothing contained in this Agreement is intended or shall be construed to give to Guarantors any right of subrogation in or under any Franchise Agreement, security document, or any other loan document evidencing in any way or relating to any obligation of Franchisee to Franchisor, any right to participate in any way therein, or in the right, title, and interest of Franchisor in and to any collateral covered by any loan or security documents relating to any such obligation notwithstanding any payments made by Guarantors under this Guaranty, all such rights of subrogation and participation being hereby expressly waived and released.

8. Representations by Guarantors. Guarantors, jointly and severally, represent that, at the time of the execution and delivery of this Guaranty, nothing exists to impair the effectiveness of the liability of Guarantors to Franchisee hereunder, or the immediate taking effect of this Guaranty as the sole agreement between Guarantors and Franchisee with respect to guaranteeing Franchisee's obligation to Franchisors as described in this Agreement.

9. Remedies of Franchisor. The Franchisor shall have the right to proceed against any Guarantor without first proceeding against the Franchisee or any other guarantor or endorser of the Obligations. Franchisor may proceed against one Guarantor or against any or all Guarantors, jointly and severally. Nothing in this paragraph shall impair any other rights Franchisor may have by operation of law or under any other document, all of which rights are cumulative.

10. Return of Payments of Guarantors. Notwithstanding the cancellation or termination of the Franchise Agreement, or any other note or other agreement evidencing the Obligations, the Guarantors agree that, if at any time all or any part of any payment previously applied by the Franchisor to any of the Obligations must be returned by the Franchisor for any reason, whether by court order, administrative order, or settlement, the Guarantors shall be liable for the full amount returned as if such amount had never been received by the Franchisor.

11. Representations by Guarantors. The Guarantors represent that, at the time of the execution and delivery of this Guaranty, nothing exists to impair the effectiveness of the liability of the Guarantors to the Franchisor hereunder or the immediate taking effect of this Guaranty as the sole agreement between the Guarantors and the Franchisor with respect to guaranteeing the Franchise Agreement.

12. Governing Law. This Guaranty and all related instruments or documents shall be construed pursuant to and governed by the laws of the State of Florida without regard to the conflict of laws principles.

All references in this Agreement to "**Franchisor**" shall be deemed to apply to Franchisor and its

legal representatives, heirs, executors, administrators, successors and assigns, and all references in this Agreement to “**Guarantors**” shall be deemed to apply to Guarantors and their legal representatives, successors and permitted assigns.

14. Third-Party Beneficiary. Guarantors hereby agree and acknowledge that Franchisor, and its successors and assigns, shall be, and are hereby, named as an express third-party beneficiary of this Guaranty, with full rights of such status. No other person or entity shall be deemed a third-party beneficiary of this Guaranty.

15. Complete Agreement. The whole of this Guaranty is herein set forth and there is no verbal or other written agreement, and no understanding or custom affecting the terms hereof. Any modifications or amendments to this Guaranty shall be in writing and signed by the Franchisee and Guarantors or their respective successors in interest. To facilitate the execution of this Guaranty by geographically separated parties, this Guaranty may be executed in duplicate, and each copy so executed shall be deemed an original. This Guaranty may also be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement. A signed copy of this Guaranty transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Guaranty. You agree that the electronic signatures or digital signatures (each an “e-Signature”) of any party to this Guaranty shall have the same force and effect as manual signatures of such party and such e-Signature shall not be denied legal effect or enforceability solely because it is in electronic form or an electronic record was used in its formation. You agree that an e-Signature of either party is intended to: (i) authenticate the signature, (ii) represent the party’s intent to sign, and (iii) constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. You agree not to contest the admissibility or enforceability of either party’s e-Signature.

IN WITNESS WHEREOF, each of the undersigned has executed this Guaranty under seal effective as of the date of the Agreement.

**EXHIBIT 4 TO FRANCHISE AGREEMENT
LIMITED SOFTWARE LICENSE**

LIMITED SOFTWARE LICENSE

Pursuant to that certain Franchise Agreement dated _____ by and between **WE INSURE, LLC** a Florida limited liability company (“**Franchisor**”) and (“**Franchisee**”) (the “**Agreement**”), Franchisor hereby grants to Franchisee a personal, non-transferable, and non-exclusive sublicense (without the right to further sublicense) the Agency Management System (as defined in the Agreement), subject to the following terms and conditions:

1. The license granted hereunder shall apply to any and all software and associated written and electronic documentation and data furnished as part of the Agency Management System (collectively, the “**Software**”), Franchisee may use the Software in object code form, solely in connection with the Agreement, and in strict accordance with this Limited Software License. Franchisee may not take any actions whatsoever to reverse assemble, reverse compile or otherwise derive a source code version of the Software. The Software shall at all times remain the sole and exclusive property of Franchisor.
2. Franchisee may not copy or download the Software in any form whatsoever.
3. Franchisee covenants and agrees that it shall cause its individual owner, if Franchisee is a legal entity, and all employees authorized by Franchisor to access to the Software (each a “**User**” and together the “**Users**”) to comply with the terms and conditions of this Limited Software License, and that Franchisee shall be liable for a User’s failure to do so.
4. The term of the license granted hereunder shall be coterminous with the Term of the Agreement.
5. Franchisee agrees, covenants and warrants that its use of the Software will at all times comply (and that it shall cause its Users at all times to comply) with (i) all applicable laws, rules and regulations of any regulatory authority and (ii) with all written and electronic instructions and restrictions from Franchisor regarding such use, including those of Franchisor’s Privacy Policy and Acceptable Use Policy (“**AUP**”) as set forth in the Manual and as amended from time to time. It is the Franchisee’s obligation to review the Privacy Policy and AUP from time to time, and all such amendments to the Privacy Policy and the AUP are to be deemed automatically incorporated into this Limited Software License. Franchisor may immediately terminate this Limited Software License, suspend any use of the Software, remove any Content, or take other remedial action if Franchisor determines, in its sole, reasonable discretion, that such use or such Content (i) does not comply with the provisions of this Limited Software License, the Privacy Policy, the AUP, applicable Export Laws, or Privacy Laws, (ii) tampers or interferes with any third party communications or with Franchisor’s ability to provide Software to any other person; or (iii) violates (or is likely to violate) any laws, rules or regulations of any Regulatory Authority. Franchisor’s action or inaction under this Section 5 is not to be construed as either review or approval of any Content, nor the creation of any inference that Franchisor is the publisher thereof, nor a waiver of any of Franchisor’s rights or remedies under this Agreement. Franchisor will use reasonable efforts to provide notice to Franchisee before taking action under this Section 5.

6. In order to use the Software, each such User may be required to register an account with the Software. In doing so, each User will be required to submit certain personally identifiable information to Franchisor in accordance with its Privacy Policy. Franchisee warrants and covenants that it will (i) provide a copy of Franchisor's most recent Privacy Policy to each person prior to that person registering as a User of the Software; (ii) cause each User to comply with the Privacy Policy; and (iii) notify Users of any changes to the Privacy Policy. While Franchisor will use commercially reasonable efforts to protect the privacy of Users' information delivered to Franchisor, Franchisor does not make (and hereby disclaims) any warranties that such efforts will be successful. Franchisee, on behalf of itself and its Users, hereby waives any right, claim, or cause of action, whether statutory, in contract or in tort, that Franchisee may now or in the future have against Franchisor for violations of any Users' privacy with respect to information delivered to Franchisor by means of or in connection with use of Software. As a condition of using the Software, Franchisee also hereby agrees to defend, indemnify, and hold Franchisor (together with its officers, directors, employees, and agents) harmless, from or in connection with any and all claims, actions, judgments, and expenses (including reasonable attorneys' fees), whether asserted, threatened, or incurred, to the extent arising from Franchisee's breach of its warranties and covenants in this Section 6.

Without limitation of the foregoing, Franchisee acknowledges and agrees that it has specifically reviewed the Privacy Policy and that the Privacy Policy and any amendments are deemed incorporated herein, and that it is Franchisee's obligation to review (and to cause its Users to review) the Privacy Policy from time to time.

7. Franchisee may not (and covenants that it shall not) either (i) resell or redistribute the Software, or (ii) make available any of the Software to any person other than a User.

8. To the extent that any of the Software or any other materials as delivered to Franchisee hereunder (collectively, "**Materials**") infringes (or allegedly infringes) upon any patent, copyright, trade secret or other proprietary right of a third party, Franchisor, at its sole option and expense and as Franchisee's sole remedy, shall either (i) exercise commercially reasonable efforts to cure the infringement or (ii) shall modify, replace or procure for Franchisee the right to use the infringing Materials, (iii) shall defend Franchisee through final judgment or settlement of any Claim asserted against Franchisee by any third party alleging such infringement, and (iv) will indemnify Franchisee in the amount of any final judgment or settlement of such Claim. Franchisor, however, will have no obligation to cure the infringement, to modify, replace or procure the right to use the infringing Materials, or to defend or indemnify Franchisee if such third party Claim arises out of or relates to: (i) misuse of the Materials; (ii) combination of the Materials with equipment, products or services not approved by Franchisor; (iii) modification of the Materials by anyone other than Franchisor; (iv) any use of the Materials that is inconsistent with this Limited Software License; or (v) the combination of the Materials with any Content. To the extent that a third party Claim arising out of one or more conditions stated in clauses (i) through (v) foregoing is asserted against Franchisor, then Franchisee, at its sole cost and expense, shall defend Franchisor and indemnify Franchisor in the amount of any final judgment or settlement thereof (together with all costs, including reasonable attorneys' fees, incurred by Franchisor as a result of such Claim). As a condition to the foregoing defense and indemnification obligations, each Party agrees to give the other prompt written notice of any written threat, warning, or notice of any such Claim and to provide copies of applicable documentation served upon or received by it.

9. If the use or provision of any Materials furnished hereunder is enjoined by reason of any third party Claim, then as Franchisees sole remedy, Franchisor shall use commercially reasonable efforts, at its option and expense, to either: (i) procure for Franchisee the right to continue using the Materials; (ii) modify the Materials to become non-infringing (provided that any Software as modified remains functionally equivalent to the Service when it incorporated the enjoined Materials); or (iii) substitute for the Materials functionally equivalent, non-infringing Materials at no additional charge to Franchisee. If Franchisor is unable to provide any of the actions described in clauses (i), (ii) or (iii) above, then either Party may terminate the affected portion of the Software without any liability whatsoever to either Party (other than Franchisee's payment obligations for all Software provided through the date of termination).

**EXHIBIT 7 TO FRANCHISE AGREEMENT
RESTRICTIVE COVENANT AGREEMENT**

RESTRICTIVE COVENANT AGREEMENT

This **RESTRICTIVE COVENANT AGREEMENT** (the “**Agreement**”), is made and entered into as of _____ by and between WE INSURE, LLC, a Florida limited liability company with a principal address at 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323 (the “Franchisor”), _____, with a principal address at _____, _____ (the “Company”), and _____ (the “Independent Contractor”).

BACKGROUND INFORMATION

The Company is a franchisee of the Franchisor pursuant to an Franchise Agreement by and between the Company and the Franchisor (the “**Franchise Agreement**”), pursuant to which the Company sells and services property and casualty insurance policies and offers certain other insurance services to the general public using the We Insure® Franchise System (the “**Business**”). The Independent Contractor and the Company have entered into an agreement pursuant to which the Independent Contractor will sell insurance policies on behalf of the Company (the “**Sales Agreement**”). Pursuant to the Franchise Agreement, the Company is required to ensure that all persons contracting with it to sell insurance policies abide by certain restrictive covenants in order to protect the Franchisor’s business.

OPERATIVE TERMS

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged as received, the parties agree as follows:

1. Background Information. The background information contained above is incorporated by this reference and made a part of this Agreement. For purposes of this Agreement, the “Restrictive Date” shall be defined as the date upon which the Franchise Agreement terminates, expires, or is assigned or transferred.

2. Noncompetition; Nonsolicitation; Nondisclosure.

(a) Noncompetition. During the term of the Sales Agreement, and for a period of 2 years following the Effective Date, Independent Contractor shall not, directly or indirectly, own, manage, operate, control, be employed by, perform services for, consult with, or participate in any business that is competitive with the Business at or within a 10-mile radius of the Site. It is understood and agreed that the purpose of this covenant is not to deprive Independent Contractor of a means of livelihood and will not do so, but is rather to protect the goodwill and interest of Franchisor and the Franchise System.

(b) Non-solicitation. During the Term of this Agreement, and for a period of two (2) years following the Restrictive Date, Independent Contractor covenants and agrees that Franchisee shall not, by any means, directly or indirectly: (i) hire or solicit the employment of any employee of the Franchisor or any employee of any other We Insure® franchisee. This prohibition applies to any employee of the Franchisor, or of another We Insure® franchisee, who was employed by the Franchisor or franchisee, at the time of such wrongful “hiring or solicitation” or who was employed at any time during the two (2) year period

immediately prior to the Restrictive Date, (ii) encourage any such employee to leave employment with the Franchisor or with another We Insure® franchisee, (iii) solicit the business of, or accept any order from, any Customer of the Franchisor or any other We Insure® franchisee for the purpose of writing or procuring any insurance policy. For purposes of this paragraph, the term “**Customer**” means any Client Account or any other Person or entity who has purchased, serviced, renewed or received an insurance policy from or through the Franchisor, or any other We Insure® franchisee, within the previous two (2) years, and includes any Person who had, within the previous two (2) years, contacted the Franchisor or another We Insure® franchisee for the purpose of purchasing any insurance policy, or (iv) after the termination of the Franchisees We Insure® Agency for any reason, Franchisee shall not solicit the business of any Customer (as defined herein except that, with respect to this section iv, the term “Customer” includes customers of the Franchisee), or procure an insurance policy for, or try to move any insurance policy of, any Customer of the Franchisor, any Customer of any other We Insure® franchisee, or any Customer of the undersigned Franchisee.

(c) Nondisclosure. The Independent Contractor covenants and agrees that it may come into knowledge or custody of the Franchisor’s Confidential Information (as hereinafter defined). The Independent Contractor acknowledges that the unauthorized use or disclosure of Franchisor’s Confidential Information will cause irreparable injury to Franchisor and that damages are not an adequate remedy. Accordingly, the Independent Contractor agrees that both during the term of the Sales Agreement and following the Effective Date, the Independent Contractor shall (i) not acquire any interest in the Confidential Information, (ii) not use the Confidential Information in any other business or capacity, (iii) exert Independent Contractor’s best efforts to maintain the confidentiality of the Confidential Information, (iv) not make unauthorized copies of, or extracts from, any portion of the Confidential Information disclosed in written or other tangible form, and (v) implement all procedures prescribed from time to time by the Company to prevent unauthorized use or disclosure of the Confidential Information. In addition, upon the Effective Date, the Independent Contractor shall return all physical and electronic copies of Franchisor’s Confidential Information to the Company.

(d) Exceptions to Nondisclosure. Notwithstanding anything to the contrary contained in this Agreement, the restrictions on disclosure and use of the Confidential Information shall not apply to the following: (i) information which is now, or hereafter becomes, through no act or failure to act on the part of the Independent Contractor, generally known or available to the public; (ii) information that was independently developed by the Independent Contractor or the Company before receiving such information from Franchisor; (iii) information which was acquired by the Independent Contractor from a third party that has no obligation of confidentiality to Franchisor; (iv) information that is disclosed with the prior written consent of Franchisor; and (v) the disclosure of the Confidential Information in judicial, arbitration or administrative proceedings, to the extent that the Independent Contractor is legally compelled to disclose such information, provided that the Independent Contractor shall have used reasonable efforts and shall have afforded Franchisor the opportunity to obtain an appropriate protective order or other assurance satisfactory to Franchisor of confidential treatment for the information required to be so disclosed.

(e) Non-disparagement. Independent Contractor agrees, both during the Term of the Sales Agreement and following the Effective Date, not to make or issue any disparaging comments or statements regarding Franchisor, the Company or any other We Insure® franchisee, including any statements that are intended to, or would reasonably be expected to, disparage the business reputation of Franchisor, the Company or any other We

Insure® franchisee or cause any Customer, supplier, or other person contracted with Franchisor, the Company or any other We Insure® franchisee to cease doing business in whole or in part with Franchisor, the Company or any other We Insure® franchisee.

(f) Enforcement; Severability of Covenants. It is agreed by the Independent Contractor and the Company that if any portion of the covenants set forth in this Section 2 are held to be unreasonable, arbitrary, or against public policy, then such portion of such covenant shall be considered divisible both as to time and geographical area. The Independent Contractor and the Company agree that if any court of competent jurisdiction determines the specified time period or the specified geographical area applicable to this Section 2 to be unreasonable, arbitrary, or against public policy, then a court may modify such specified time period or the specified geographical area to a lesser time period or geographical area, which is determined to be reasonable, non-arbitrary, and not against public policy, and such modifications shall be enforceable against the Independent Contractor. The Independent Contractor acknowledges and agrees that the foregoing covenants are reasonable and valid when considered in light of the nature and extent of the Business as shall be conducted by the Company.

(g) Remedies. The Independent Contractor agrees that damages at law will be an insufficient remedy to the Company and/or the Franchisor in the event that the Independent Contractor violates the terms of Section 2 of this Agreement, and that the Company and/or the Franchisor shall be entitled, upon application to a court of competent jurisdiction, to obtain injunctive relief to enforce the provisions of such paragraph. The parties agree that in the event the Company and/or the Franchisor obtains an order for injunctive relief, the period of time during which the Independent Contractor is prohibited from engaging in such business practices shall be extended by any length of time during which the Independent Contractor is in breach of such covenants. In addition to injunctive relief, the Company and/or the Franchisor shall be entitled to such other rights and remedies as may be hereafter available at law, in equity, by statute, or otherwise.

3. Compliance with Other Agreements. The Independent Contractor represents and warrants that the execution of this Agreement and performance of the Independent Contractor's obligations hereunder will not conflict with, result in the breach of any provision of, cause the termination of, or constitute a default under, any agreement to which the Independent Contractor is a party or by which the Independent Contractor is or may be bound.

**EXHIBIT 8 TO FRANCHISE AGREEMENT
FORM OF CONFIDENTIALITY AGREEMENT**

Confidentiality Agreement

This Confidentiality Agreement (the “**Agreement**”), dated as of _____, 20__ (“**Effective Date**”), is between We Insure, LLC, a Florida limited liability company located at 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323 (“**Disclosing Party**”), and _____, located at _____ (“**Recipient**”).

In connection with Recipient entering into that certain Franchise Agreement with Disclosing Party (the “**Purpose**”), Disclosing Party may disclose to Recipient, or Recipient may otherwise receive access to, Confidential Information (as defined below). Recipient shall use the Confidential Information solely for the Purpose and, subject to the Franchise Agreement, shall not disclose or permit access to Confidential Information other than to its employees, and officers, directors, shareholders, attorneys, accountants and financial advisors (collectively, “**Representatives**”) who: (a) need to know such Confidential Information for the Purpose; (b) know of the existence and terms of this Agreement; and (c) are bound by written confidentiality agreements no less protective of the Confidential Information than the terms contained herein. Recipient shall safeguard the Confidential Information from unauthorized use, access, or disclosure using at least the degree of care it uses to protect its most sensitive information and no less than a reasonable degree of care. Recipient shall promptly notify Disclosing Party of any unauthorized use or disclosure of Confidential Information and cooperate with Disclosing Party to prevent further use or disclosure. Recipient will be responsible for any breach of this Agreement caused by its Representatives.

“**Confidential Information**” means all non-public, proprietary, or confidential information of Disclosing Party, in oral, visual, written, electronic, or other tangible or intangible form, whether or not marked or designated as “confidential,” and all notes, analyses, summaries, and other materials prepared by Recipient or any of its Representatives that contain, are based on, or otherwise reflect, to any degree, any of the foregoing (“**Notes**”); provided, however, that Confidential Information does not include any information that: (a) is or becomes generally available to the public other than as a result of Recipient’s or its Representatives’ act or omission; (b) is obtained by Recipient or its Representatives on a non-confidential basis from a third party that was not legally or contractually restricted from disclosing such information; (c) was in Recipient’s or its Representatives’ possession, as established by documentary evidence, before Disclosing Party’s disclosure hereunder; or (d) was or is independently developed by Recipient or its Representatives, as established by documentary evidence, without using any Confidential Information. Confidential Information also includes: (x) the facts that the parties are in discussions regarding the Purpose and that Confidential Information has been disclosed; and (y) any terms, conditions or arrangements discussed.

If Recipient or any of its Representatives is required by a valid legal order to disclose any Confidential Information, Recipient shall, before such disclosure, notify Disclosing Party of such requirements so that Disclosing Party may seek a protective order or other remedy, and Recipient shall reasonably assist Disclosing Party therewith. If Recipient remains legally compelled to make such disclosure, it shall: (a) only disclose that portion of the Confidential Information that, in the written opinion of its legal counsel, Recipient is required to disclose; and (b) use reasonable efforts to ensure that such Confidential Information is afforded confidential treatment.

On the expiration of this Agreement or otherwise at Disclosing Party's request, Recipient shall within ten (10) days, at Disclosing Party's option, either return to Disclosing Party or destroy all Confidential Information in its and its Representatives' possession other than Notes, and destroy all Notes, and certify in writing to Disclosing Party the destruction of such Confidential Information.

Disclosing Party has no obligation under this Agreement to (a) disclose any Confidential Information or (b) negotiate for, enter into, or otherwise pursue the Purpose. Disclosing Party provides all Confidential Information without any representation or warranty, expressed or implied, as to the accuracy or completeness thereof, and Disclosing Party will have no liability to Recipient or any other person relating to Recipient's use of any of the Confidential Information or any errors therein or omissions therefrom.

Disclosing Party retains its entire right, title, and interest in and to all Confidential Information, and no disclosure of Confidential Information hereunder will be construed as a license, assignment, or other transfer of any such right, title, and interest to Recipient or any other person.

The rights and obligations of the parties under this Agreement expire three (3) years after the Effective Date; provided that with respect to Confidential Information that is a trade secret under the laws of any jurisdiction, such rights and obligations will survive such expiration until, if ever, such Confidential Information loses its trade secret protection other than due to an act or omission of Recipient or its Representatives.

Recipient acknowledges and agrees that any breach of this Agreement will cause injury to Disclosing Party for which money damages would be an inadequate remedy and that, in addition to remedies at law, Disclosing Party is entitled to equitable relief as a remedy for any such breach.

This Agreement and all matters relating hereto are governed by, construed in accordance with, and enforced under the laws of the State of Florida, without regard to the conflict of laws provisions of such State. Any legal suit, action, or proceeding relating to this Agreement must be instituted in the federal or state courts located in Broward County, Florida. Each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding.

All notices must be in writing and addressed to the relevant party at its address set out in the preamble (or to such other address such party specifies in accordance with this Section). All

notices must be personally delivered or sent prepaid by nationally recognized courier or certified or registered mail, return receipt requested, and are effective on actual receipt.

This Agreement is the entire agreement of the parties regarding its subject matter, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, whether written or oral, regarding such subject matter. This Agreement may only be amended, modified, waived, or supplemented by an agreement in writing signed by both parties.

To facilitate the execution of this Agreement by geographically separated parties, this Agreement may be executed in duplicate, and each copy so executed shall be deemed an original. This Agreement may also be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement. EXHIBIT C
FORM OF PROMISSORY NOTE AND GUARANTY
PROMISSORY NOTE

\$ _____ [DATE]
Broward County, Florida

FOR VALUE RECEIVED, _____
(the "Borrower"), hereby promises to pay to the order of WE INSURE, LLC, a Florida limited liability company (the "Lender"), at 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323 or at such other address as the Lender shall designate in writing, the principal sum of _____ Dollars (\$ _____), together with interest on the outstanding principal balance hereof at the rate provided herein. This Note shall be governed by the following provisions:

1. Term Loan. The loan evidenced by this Note is a term loan which is due and payable in full on the date 5 years following the date first written above (the "**Maturity Date**").
2. Payments. Borrower shall make equal monthly payments of principal and interest in the amount of _____ Dollars (\$ _____). On the Maturity Date, all unpaid principal and accrued interest shall be due and payable IN FULL.

1ST Payment begins _____ (Date)

3. Interest. Except as otherwise provided herein, interest shall accrue on the outstanding principal balance of this Note at a rate that is equal to 18% per annum. For purposes hereof:

Interest shall be calculated on the basis of a 365 day year (based upon the actual number of days elapsed).

The total liability of the Borrower for payment of interest shall not exceed any limitations imposed on the payment of interest by applicable usury laws. If any interest is received or charged by any holder hereof in excess of that amount, the Borrower shall be entitled to an immediate refund of the excess.

In the event of any default under this Note that is not remedied or cured within 10 days from the date of said default, interest shall accrue at a default rate of interest equal to the highest legal rate permissible under the laws of Florida, until paid. If under any circumstances whatsoever Lender shall ever receive interest, the amount of which would exceed the highest lawful rate, such amount that would be excessive interest shall be applied to the reduction of the principal balance remaining unpaid hereunder and not to the payment of interest. This provision shall control every other provision of all agreements between Borrower and Lender.

4. Prepayment. The Borrower shall be entitled to prepay this Note in whole or in part at any time without penalty. No partial prepayment shall postpone the subsequent payment of any installment otherwise due hereunder.
5. Application of Payments. All payments hereunder shall be applied first to the Lender's costs and expenses, then to fees authorized hereunder, then to interest and then to principal.
6. Default. An Event of Default shall be deemed to have occurred hereunder upon the occurrence of any of the following events prior to the Maturity Date:

If Borrower fails to pay, as and when due and payable, any installment of principal or interest due under this Note and such failure to pay shall not have been remedied or cured within 10 days from said due date.

If Borrower makes any assignment for the benefit of creditors, or any preferential payment or fraudulent transfer pursuant to applicable state law, the Federal Bankruptcy Code, or other applicable law, or a receiver, liquidator or trustee of Borrower or any of its property is appointed (and, in only the case of an involuntary appointment, is not removed within 90 days from the date of such appointment), or any petition for the bankruptcy, reorganization or arrangement of Borrower pursuant to the Federal Bankruptcy Code or similar statute is filed (and, in only the case of an involuntary petition, the same is not dismissed within 90 days from the date of filing thereof), or Borrower is adjudicated a bankrupt or insolvent or is dissolved.

The death or dissolution of Borrower or the death or dissolution of any guarantor of this Note.

The termination, expiration, non-renewal, or Transfer of that certain Franchise Agreement by and between Borrower and Lender dated of even date herewith, in accordance with the terms and conditions therein.

If any Event of Default shall occur, the Lender may declare the outstanding principal of this Note, together with all accrued and unpaid interest hereunder and all other amounts payable under this Note to be forthwith due and payable.

7. Expenses. Upon the occurrence of an Event of Default, Borrower agrees to pay the Lender all costs incurred by it in connection with the collection of this Note. Such costs include, without limitation, fees for the services of counsel and legal assistants employed to collect this Note, whether or not suit be brought, and whether incurred in connection with collection, trial, appeal, bankruptcy, or otherwise. All such parties further agree to indemnify and hold the Lender harmless against liability for the payment of state documentary stamp taxes, intangible taxes or other taxes (including interest and penalties, if any), excluding income or service taxes of the Lender, which may be determined to be payable with respect to this transaction.

8. Late Charge. If any scheduled payment hereunder is 10 or more days past due, the Borrower shall pay a fee equal to the greater of (i) \$150; or (ii) 5% of the unpaid portion of the scheduled payment. The fee is not a penalty, but liquidated damages to defray administrative

and related expenses due to such late payment. The fee shall be immediately due and payable and shall be paid by the Borrower to the Lender without notice or demand. This provision for a fee is not and shall not be deemed a grace period and Lender has no obligation to accept a late payment. Further, the acceptance of a late payment shall not constitute a waiver of any default then existing or thereafter arising under this Note.

9. Miscellaneous. The Borrower shall make all payments hereunder in lawful money of the United States at the Lender's address set forth herein or at such other place as the Lender may designate in writing. The remedies of the Lender as provided herein shall be cumulative and concurrent, and may be pursued singly, successively or together, at the sole discretion of the Lender and may be exercised as often as occasion therefor shall arise. No act of omission or commission of the Lender, including specifically any failure to exercise any right, remedy or recourse, shall be effective, unless set forth in a written document executed by the Lender, and then only to the extent specifically recited therein. A waiver or release with reference to one event shall not be construed as continuing, as a bar to, or as a waiver or release of any subsequent right, remedy or recourse as to any subsequent event. This Note shall be construed and enforced in accordance with Florida law and shall be binding on the successors and assigns of the parties hereto. The term the "**Lender**" as used herein shall mean any holder of this Note. The Borrower hereby: (i) waives demand, notice of demand, presentment for payment, notice of nonpayment or dishonor, protest, notice of protest and all other notice, filing of suit and diligence in collecting this Note; (ii) consents to any extension, rearrangement, renewal or postponement of time of payment of this Note and to any other indulgency with respect hereto without notice, consent or consideration; and (iii) agrees that, notwithstanding the occurrence of any of the foregoing (except with the express written release by the Lender of any such person), the Borrower shall be and remain directly and primarily, liable for all sums due under this Note.

10. To facilitate the execution of this Note by geographically separated parties, this Note may be executed in duplicate, and each copy so executed shall be deemed an original. This Note may also be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement. A signed copy of this Note transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Note. You agree that the electronic signatures or digital signatures (each an "e-Signature") of any party to this Note shall have the same force and effect as manual signatures of such party and such e-Signature shall not be denied legal effect or enforceability solely because it is in electronic form or an electronic record was used in its formation. You agree that an e-Signature of either party is intended to: (i) authenticate the signature, (ii) represent the party's intent to sign, and (iii) constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. You agree not to contest the admissibility or enforceability of either party's e-Signature.

11. NOTICE OF FINAL AGREEMENT. THIS WRITTEN PROMISSORY NOTE REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AS TO THE SUBJECT MATTER CONTAINED HEREIN AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OR UNDERSTANDINGS OF THE PARTIES. EXHIBIT E

LAUNCH FRANCHISEE ADDENDUM
TO THE WE INSURE, LLC
FRANCHISE AGREEMENT

This addendum to the WE INSURE, LLC Franchise Agreement (the “Addendum”) is made and entered into this ____ day of _____, _____ (the “Effective Date”) by and between WE INSURE, LLC, a Florida limited liability company with a principal address at 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323 (“we,” “us,” or “Franchisor”); and _____, with an address at _____ (“Franchisee” or “You”).

RECITALS

A. Franchisor and Franchisee have entered into a franchise agreement dated concurrently with this Addendum on _____, (the “Franchise Agreement”) pursuant to which Franchisee has been granted the right and has undertaken the obligation to open and operate a We Insure® franchised business (an “Agency”) from a location nearby Franchisee’s existing non-insurance business venture at _____ (“Franchisee’s Existing Business Address”).

B. Because Franchisee expects it will take longer than other franchisees to commence operating its We Insure® franchised business (the “Agency”), whether because it anticipates delays in identifying and hiring an appropriately licensed Designated Responsible Licensed Producer (“DRLP”) or Agent-In-Charge (“AIC”) or for other valid reasons to be determined in Franchisor’s sole discretion, Franchisee has requested, and Franchisor has agreed to grant, additional time within which to commence operating its Agency. Because of this, Franchisor considers Franchisee to be a “Launch Franchisee” and Franchisor has agreed to modify certain terms of the Franchise Agreement for Franchisee that are not available to franchisees who are not “Launch Franchisees”.

C. The parties hereby wish to amend the Franchise Agreement pursuant to the terms and conditions of this Addendum.

AGREEMENT

NOW THEREFORE, in consideration of the mutual agreements, covenants and promises contained in this Addendum and for mutual consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Defined Terms.** Franchisor and Franchisee acknowledge and agree that capitalized terms not defined in this Addendum shall have the meanings ascribed to them in the Franchise Agreement.
2. **Initial Franchise Fee.** Section 4 of the Franchise Agreement, is hereby deleted and replaced in its entirety with the following new sections 4.1 and 4.2:

4.1 Franchisee agrees to pay Franchisor an initial franchise fee (the “**Initial Franchise Fee**”) of Fifty Thousand Dollars (\$50,000).

Notwithstanding the foregoing, because Franchisee has been approved by Franchisor to be a “Launch Franchisee”, Franchisee shall only be required to pay Franchisor \$10,000 deposit toward the Initial Franchise Fee (“Launch IFF Deposit”) upon execution of the Franchise Agreement and this Addendum. The remainder of the Initial Franchise Fee shall be due and payable in accordance with Section 4.2. Franchisee shall remain a Launch Franchisee until the earlier of (a) the date which is twelve months following the Effective Date of this Agreement (unless Franchisor has agreed in writing to extend such time period) (the “Launch Period Expiration Date”) or (b) in the event the Launch Franchisee opens its Agency for business prior to the Launch Period Expiration Date, the Opening Date (as defined in Section 5(e)).

The Initial Franchise Fee includes initial training for up to 2 people. If Franchisee requests Franchisor

to provide Initial Training to more than two people, and Franchisor agrees, Franchisee shall be required to pay Franchisor a fee of \$ 50 per additional trainee for such training. Initial Training shall be provided as further set forth in Section 5(b)(v).

Notwithstanding Franchisor's intention to provide Initial Training via virtual formats and self-paced learning modules, in the event that any travel is required by Franchisee or its employees for initial training, Franchisee shall be required to pay for such travel and wage expenses at its sole cost and expense. If Franchisee or Franchisee's Principal (as the case may be) does not complete the Initial Training to Franchisor's satisfaction, in Franchisor's sole and exclusive discretion, Franchisee must repeat the Initial Training at Franchisee's expense.

Prior to the Opening Date (as defined in Section 5(e)), Franchisee shall be required to pay Franchisor for the remaining balance of the Initial Franchise Fee (as explained in Section 4.2 below). In addition, prior to the Opening Date, Franchisee shall also be required to pay Franchisor for the Branding Package and for Franchisee's first monthly installments of all Continuing Fees (as defined in Section 9(e) of the Agreement). For the avoidance of doubt, and notwithstanding anything to the contrary set forth in the Franchise Agreement or this Addendum, Franchisee shall only be required to pay Franchisor the remainder of the Initial Franchise Fee, the Branding Package Fee and any Continuing Fees if Franchisee does not exercise its right to terminate the Franchise Agreement pursuant to Section 16(e).

In the event that Franchisee elects to terminate the Franchise Agreement prior to the Phase In Period Expiration Date, Franchisor shall return Franchisee's initial franchise fee deposit of \$10,000 in its entirety so long as (i) Franchisee provides appropriate notice to Franchisor of its intention to terminate in accordance with Section 16(e) and (ii) Franchisee is in compliance with the lead generation requirements as set forth in Section 7(c) of the Agreement (as modified by this Addendum)

4.2 *Balance Payment of Initial Franchise Fee For Launch Franchisees:* *In the event that Franchisee does not exercise its right to terminate this Agreement pursuant to Section 16(e), Franchisee shall be required to pay Franchisor the balance of the Initial Franchise Fee in accordance with this Section 4.2 prior to the Opening Date. Franchisee shall advise Franchisor of its election to proceed with the Franchise Agreement in accordance with Section 25 of the Agreement (as modified by Section 13 of this Addendum). Franchisee shall pay to Franchisor the initial franchise fee balance as follows: \$50,000 less the \$10,000 Launch IFF Deposit (the "Balance Payment").*

Franchisee may be eligible for a reduction in the Balance Payment as set forth in this Section 4.2. As hereinafter explained in Section 7(c), Franchisor may earn Sales Commissions from designated carriers in connection with one or more Pre-Opening Referral Accounts originating from Franchisee. Fifty Percent (50%) of any applicable Sales Commissions earned by Franchisor from designated carriers originating from Franchisee shall be deemed the "Pre-Opening Referral Credit" and may be applied toward Franchisee's Balance Payment as set forth in this Section 4.2 and, to the extent there is an excess Pre-Opening Referral Credit after applying the Pre-Opening Referral Credit toward Franchisee's Balance Payment, towards Franchisee's Continuing Fees and Brand Fund Fees as set forth in Section 9(i) and Section 12(b)(ix). Franchisor shall advise Franchisee as to the amount of any applicable Pre-Opening Referral Credit and shall reduce the Balance Payment accordingly. For the avoidance of doubt, the Pre-Opening Referral Credit shall only be applicable to Franchisee's Balance Payment in the event that Franchisee does not exercise its right to terminate the Agreement pursuant to Section 16(e).

3. **Opening.** Section 5(e) of the Franchise Agreement shall be deleted and restated in its entirety as follows:

Franchisee must open the Agency to the public by the Launch Period Expiration Date unless Franchisor agrees to extend such time period, which it shall have the right to do in its sole discretion. In the event that Franchisor agrees to extend the Opening Date, the parties shall

memorialize the same in a written amendment to the Franchise Agreement signed by both parties. The "Opening Date" for purposes of this Agreement shall mean the date upon which the Franchisee's Agency sells its first policy after completing the initial training program (or other such date that Franchisor agrees to in writing).

4. **Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC") and Licensure.** Section 5(f) of the Franchise Agreement shall be amended to add the following sentence at the end of the paragraph:

Franchisor acknowledges and agrees that Franchisee may elect to hire a Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC") who will be responsible for the direct, day to day supervision of the Agency instead of the Franchisee or one of its Principals, in which case Franchisee shall be relieved of its aforementioned obligation to "devote its full time to operating the Agency". All Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC")s must be approved by us prior to appointing said individual. Franchisor reserves the right to approve, condition or reject such appointment in its sole and absolute discretion. Franchisee shall ensure that the Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC") successfully completes all initial and any ongoing training we require.

Notwithstanding anything to the contrary contained in this Agreement, in the event that Franchisee appoints a Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC"), Franchisee shall ensure that such person has, and maintains, all licenses that may be required by any applicable insurance, securities or other regulatory authorities at the local, state and national level. For the avoidance of doubt, if a Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC") is appointed to supervise the Agency, all references in this Agreement to the licensing requirements of Franchisee or Franchisee's Principal shall be deemed to only apply to the Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC"); however, Franchisee shall remain solely responsible for ensuring that the Designated Responsible Licensed Producer ("DRLP") or Agent-In-Charge ("AIC") is appropriately licensed such that Franchisee is able to uphold all of its contractual commitments set forth in the Agreement.

5. **Referrals to Franchisor.** Section 7(c) of the Franchise Agreement shall be deleted and restated in its entirety as follows:

Prior to the Agency's Opening Date, Franchisee shall refer customer leads to Franchisor or its affiliate to handle the entire selling process for a new business account. Such referrals must comply with Franchisor's referral protocols and lead generation requirements as the same may be communicated to Franchisee in the "Operations Manual for Launch Franchisees" or other similar documents and as may be modified by Franchisor from time to time. If Franchisor accepts the lead, it will be considered a corporate account of Franchisor ("Pre-Opening Referral Accounts") and Franchisee shall not be entitled to any compensation in connection therewith. Notwithstanding the foregoing, in the event that Franchisee does not elect to terminate this Agreement pursuant to Section 16(e), commencing as of the Agency's Opening Date, Franchisee shall assume the right to service and handle future sales and renewals (and receive compensation in connection therewith) for any Pre-Opening Referral Accounts. Franchisee shall not be entitled to any compensation in connection with Franchisor's handling of the Pre-Opening Referral Accounts prior to Franchisee's Opening Date. In the event that Franchisee elects to terminate this Agreement pursuant to Section 16(e) of this Addendum, Franchisor shall retain all rights to the Pre-Opening Referral Accounts.

After the Agency's Opening Date, at the commencement of any customer account engagement, Franchisee may refer the lead to Franchisor to handle the entire selling process for a new business account. If Franchisor accepts the lead, it will be considered a corporate account of Franchisor and Franchisee shall not be entitled to any compensation in connection therewith.

6. **Production Standards.** Section 7(t) of the Franchise Agreement is hereby deleted and replaced in its entirety as follows:

Franchisee must sell a minimum number of new insurance policies for each year of the Initial Term (the “**Production Standards**”). During the Initial Term, Franchisor will periodically set, review and adjust Franchisee’s production status. If Franchisee is not on track to meet Production Standards, Franchisor may offer additional assistance or require Franchisee to take remedial training at Franchisee’s expense. The Production Standards are issued in the Manuals or System Standards from time to time. Franchisee’s failure to achieve its Production Standards is a material breach of this Agreement.

<i>Phased-In Franchisee Production Standards</i>	
<i>Operational Year</i>	<i>Minimum Number of Policies</i>
1	150
2	300
3	360
4	360
5	360

For purposes of the Launch Franchisee Production Standards, the first “Operational Year” shall be defined as the twelve month period commencing as of the Agency’s Opening Date; each subsequent Operational Year shall be the twelve month period following each anniversary of the Opening Date.

7. **Compensation.** Section 9(b) of the Franchise Agreement shall be amended to add the following sentence at the beginning of the first paragraph:

Notwithstanding anything to the contrary contained in this Section or the Franchise Agreement, Launch Franchisees shall not be entitled to receive any compensation or commission regardless of whether Franchisor derives any compensation as a result of Pre-Opening Referral Accounts.

8. **Minimum Monthly Retained Commissions.** Section 9(d) shall be amended to delete and replace the third sentence with the following sentence:

For purposes of determined which month of the following chart shall apply, “Opening” shall have the same meaning prescribed to Opening Date as defined in Section 5(e) and as restated here: The “Opening Date” for purposes of this Agreement shall mean the date upon which the Franchisee’s Agency sells its first policy after completing the initial training program to Franchisor’s satisfaction (or other such date that the Franchisor agreed to in writing).

9. **Continuing Fees.** Section 9 of the Franchise Agreement shall be amended to add the following Sections 9(i) and 9(j):

(i) Continuing Fees for Launch Franchisees: For the avoidance of doubt, with the exception of Launch Administrative Fee (as explained below in Section 9(j)), Franchisee shall not be required to pay Franchisor any Continuing Fees as set forth in Section 9(e) until thirty (30) after Franchisee has been activated in the Agency Management System. Franchisee’s first monthly payment of Continuing Fees shall be due to Franchisor prior to the Opening Date.

As set forth in Section 4.2 of this Agreement, in the event that Franchisor receives Sales Commissions from designated carriers as a result of any Pre-Opening Referral Account(s) from Franchisee, Franchisee shall be eligible for a Pre-Opening Referral Credit, which after being applied toward the Balance Payment in Section 4.2, may be applied toward Franchisee’s Continuing Fees and Brand Fund Fees until such time that the Pre-Opening Referral Credit

has been depleted.

(j) Pre-Opening Launch Administrative Fee: Franchisee shall be required to pay Franchisor for cyber insurance and for certain limited services that Franchisor provides in its sole discretion prior to Opening. For the avoidance of doubt, this is the only fee that Franchisee shall be required to pay prior to Opening other than the Launch IFF Deposit.

Franchisee shall pay the Launch Administrative Fee to Franchisor each month in accordance with Franchisor's preferred method of payment as set forth in the Agreement. Franchisee shall pay Franchisor the then-current Launch Administrative Fee rate specified by Franchisor (currently, \$195/month).

10. **Brand Fund.** Section 12(b) of the Franchise Agreement shall be amended to add the following Section 12(b)(ix):

(ix) Brand Fees for Launch Franchisees:

For the avoidance of doubt, Franchisee shall not be required to pay Franchisor any Brand Fund Fees as set forth in Section 12(b) until thirty (30) after Franchisee has been activated in the Agency Management System the Opening Date. Franchisee's first monthly payment of Brand Fund Fees shall be due to Franchisor prior to the Opening Date.

As set forth in Section 4.2 of this Agreement, in the event that Franchisor receives Sales Commissions from designated carriers as a result of any Pre-Opening Referral Account(s) from Franchisee, Franchisee shall be eligible for a Pre-Opening Referral Credit, which after being applied toward the Balance Payment in Section 4.2, may be applied toward Franchisee's Continuing Fees and Brand Fund Fees until such time that the Pre-Opening Referral Credit has been depleted.

11. **Covenants/Restricted Area.** For the avoidance of doubt, Franchisee understands and agrees that Franchisee shall be subject to all covenants as set forth in Section 13 of the Agreement regardless of the fact that Franchisee may be a Launch Franchisee. In the event that Franchisee has not yet procured an approved Site for its Agency, the term "Site" as it is used solely for purposes of the restrictive covenants in Section 13(b) shall mean Franchisee's Existing Business Address as set forth in the Recitals to this Addendum.

12. **Termination By Franchisee.** Section 16(e) of the Franchise Agreement shall be deleted in its entirety and restated as follows:

Prior to Launch Period Expiration Date: If Franchisee is a Launch Franchisee, Franchisee may, at any time prior to the Launch Period Expiration Date, terminate this Agreement by providing writing notice of its intention to so terminate to Franchisor and such termination shall become effective immediately upon receipt by Franchisor. If Franchisee terminates this Agreement prior to the Launch Period Expiration Date, and if as of the notice date Franchisee is in compliance with the lead generation requirements set forth in Section 7(c) of the Agreement and in the Launch Franchisee Operations Manual, Franchisor shall refund Franchisee's Launch IFF Deposit within thirty (30) days of receiving notice of Franchisee's intention to terminate.

Following the Opening Date: Franchisee may terminate this Agreement at any time for any reason upon providing Franchisor ninety (90) days' prior written notice of its intent to terminate. Such termination shall be effective upon the expiration of such 90-day period, or such earlier date as may be mutually agreed by the parties. Franchisee shall not be entitled to any refund if it terminates the Agreement at any time following the Opening Date.

13. **Post-Term Extended Earnings.** Section 19(a) of the Franchise Agreement shall be deleted in its entirety and restated as follows:

In the event either: (i) Franchisee elects to terminate this Agreement *following the Opening Date* pursuant to Section 16(e); (ii) this Agreement expires in accordance with its terms; (iii) Franchisee elects to not renew this Agreement; or (iv) Franchisor terminates this Agreement for any reason other than for a breach of Franchisees obligations set forth in this Agreement in paragraphs 16(a)(iv) or 16(b), then Franchisee shall be entitled to received certain post termination compensation from Franchisor, which compensation is referred to in this Agreement as “Post-Term Extended Earnings”. If Franchisor terminates this Agreement pursuant to 16(a)(iv) or 16(b), then no obligation to pay Franchisee Post-Term Extended Earnings shall arise pursuant to the provisions of this Agreement. *For the avoidance of doubt, if a Launch Franchisee does not open its Agency, Franchisee shall not be entitled to any Post-Term Extended Earnings.*

14. **Launch Franchisee Election Notice.** Section 25 of the Franchise Agreement shall be amended to add the following additional paragraph:

Launch Franchisee Notice Requirements. *This paragraph sets forth the process which a Launch Franchisee shall follow to notify Franchisor of its intention to proceed with opening its Agency instead of terminating in accordance with Section 16(e). If Franchisee does not elect to terminate, but instead intends to open its Agency and proceed with the Franchise Agreement for the remainder of the Term, Franchisee shall be required to notify Franchisor at least thirty days prior to the Launch Period Expiration Date (as defined in Section 5(e)) in order to allow sufficient time for training and completion of pre-opening requirements. In the event that Franchisee is unable to determine whether it wishes to continue with, or terminate, this Agreement at least 30 days prior to the Launch Period Expiration Date, Franchisee may seek an extension of the Launch Period Expiration Date. Franchisor may grant or deny such request in its sole and absolute discretion. In the event that Franchisor grants such a request, the parties shall memorialize the same in a written amendment to the Agreement signed by both parties. If Franchisee fails to provide written notice of its intention to terminate or to proceed with opening its Agency at least thirty (30) days prior to the Launch Period Expiration Date and fails to seek an extension of the Launch Period Expiration Date, unless Franchisor otherwise determines an extension to the Launch Period Expiration Date is warranted, Franchisor shall accept such failure as Franchisee’s notice of its intention not to proceed and this Agreement shall terminate as of the Launch Period Expiration Date. Franchisor shall, to the extent the Launch Franchisee has satisfied its lead generation obligations as set forth in Section 7(c) of the Agreement, refund the Launch Franchisee IFF Deposit to Franchisee within thirty (30) days of Launch Period Expiration Date.*

15. **Confidentiality.** Except as reasonably necessary to enforce the terms of this Addendum, the Parties agree that the Franchisee shall not provide or disclose to any third party (other than Franchisee’s attorneys and accountants), or use, unless authorized to do so in writing by Franchisor, or properly directed or ordered to do so by public authority, the terms of this Addendum, or any information or matter that constitutes or concerns the terms or conditions of this Addendum, or regarding any dealings or negotiations between Franchisee and Franchisor related to this Addendum.
16. **Entire Agreement.** This Addendum and the Franchise Agreement, inclusive of all exhibits thereto, constitute the entire, full, and complete agreement and understanding between the parties and supersede any and all prior agreements, including without limitation any existing license agreements. No other representations, promises, warranties or agreements have induced Franchisee to execute the Franchise Agreement, as amended by this Addendum, with Franchisor. Both parties acknowledge and agree that there are no oral or written representations, promises, assurances, warranties, covenants, “side-deals”, rights of first refusal, options or understandings other than those expressly contained in the Franchise Agreement, as amended by this Addendum. The Franchisee

Agreement, as amended by this Addendum, supersedes all prior agreements, no other representations, promises, warranties, assurances, covenants, "side deals", rights of first refusal, options or understandings having induced Franchisee to execute the Franchise Agreement, as amended by this Addendum. The Parties agree that, in entering into the Franchise Agreement, as amended by this Addendum, they are relying upon their own judgment, belief and knowledge as to any claims and further acknowledge that no promise, inducement or agreement or any representations and warranties not expressed herein have been made to procure their agreement hereto. The Parties further acknowledge that they have read, understand and fully agreed to the terms of the Franchise Agreement, as amended by this Addendum. In the event of a conflict between the terms of any Franchise Agreement and the terms of this Addendum, the terms of this Addendum shall control.

17. **Severability.** The Parties intend that the provisions of this Addendum be enforced to the fullest extent permitted by applicable law. Accordingly, if any provisions are deemed not enforceable, they shall be deemed modified to the extent necessary to make them enforceable.
18. **No Amendment.** No amendment, change or variance from this Addendum or the Franchise Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Except as amended hereby, all the other terms and conditions of the Franchise Agreement are ratified and confirmed.
19. **e-Signature Provision.** This Addendum may be executed in duplicate, and each copy so executed shall be deemed an original. This Addendum may also be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement. A signed copy of this Addendum transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Franchise Agreement. You agree that the electronic signatures or digital signatures (each an "e-Signature") of any party to this Addendum shall have the same force and effect as manual signatures of such party and such e-Signature shall not be denied legal effect or enforceability solely because it is in electronic form or an electronic record was used in its formation. You agree that an e-Signature of either party is intended to: (i) authenticate the signature, (ii) represent the party's intent to sign, and (iii) constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. You agree not to contest the admissibility or enforceability of either party's e-Signature.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Addendum effective as of the day and year first above written.

This provision supersedes any other term of any document executed in connection with the franchise.

FOR RESIDENTS OF THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

1. A prohibition on the right of a franchisee to join an association of franchisees.
2. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for a good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or another commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for a good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 8. (a) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (b) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
9. A provision that requires the franchisee to resell to the franchisor items that are not

uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in paragraph 3 above.

10. A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

11. If the Franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000 the Franchisee may request the Franchisor to arrange for the escrow of initial investment and other funds paid by the Franchisee until the obligations, if any, of the Franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the Franchisor, a surety bond may be provided in place of escrow.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

MINNESOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following additional disclosures are required by Minnesota Statutes:

- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subds. 3, 4, and 5, which require (except in certain specified cases) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement; and that consent to the transfer of the franchise will not be unreasonably withheld.
- Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce any of franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- The franchisor will protect the franchisee's right to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rule 2860.4400J. A court will determine if a bond is required.

NORTH DAKOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

For franchises and franchisees subject to the North Dakota Franchise Investment Law, the following information amends, supersedes or supplements, as the case may be, the corresponding disclosures in the main body of the text of the We Insure, LLC Franchise Disclosure Document and Franchise Agreement.

- a. Any provision requiring a franchisee to sign a general release upon renewal of the franchise agreement has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law; accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to sign a general release upon renewal to the extent that such would be prohibited by Section 51-19-09.
- b. Any provision requiring a franchisee to consent to termination or liquidation damages has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law; accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to consent to termination or liquidation damages to the extent that such would be prohibited by Section 51-19-09”.
- c. Covenants restricting competition contrary to Section 9-08-06 of the North Dakota Century Code, without further disclosing that such covenants may be subject to this statute, are unfair, unjust and inequitable. Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota. Accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to agree to a covenant restricting competition to the extent such would be prohibited by Section 9-08-06 of the North Dakota Century Code.”
- d. Any provision in the Franchise Agreement requiring a franchisee to agree to the arbitration or mediation of disputes at a location that is remote from the site of the franchisee’s business has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The site of arbitration or mediation must be agreeable to all parties and may not be remote from the franchisee’s place of business. Accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to agree to arbitration or mediation of disputes at a location that is remote from the site of the franchisee’s business.”
- e. Any provision in the Franchise Agreement which designates jurisdiction or venue or requires the franchisee to agree to jurisdiction or venue in a forum outside of North Dakota is void with respect to any cause of action which is otherwise enforceable in North Dakota accordingly,

We Insure® LLC. 1560 Sawgrass Corporate Parkway, 4th Floor, Sunrise, FL 33323*

any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to agree to jurisdiction or venue in a forum outside of North Dakota”.

- f. Apart from civil liability as set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law; accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to waive their rights under North Dakota Law.”.
- g. Any provision in the Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota are unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law; accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota shall be amended to add the following: “except for franchisees subject to the North Dakota Franchise Investment Law, for which North Dakota law shall apply in accordance with Section 51-19-09 of the North Dakota Franchise Investment Law.”.
- h. Any provision in the Franchise Agreement which requires a franchisee to waive his or her right to a jury trial has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law; accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to waive his or her right to a jury trial”.
- i. Any provision in the Franchise Agreement which requires a franchisee to consent to a waiver of exemplary or punitive damages has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law; accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to consent to a waiver of exemplary or punitive damages” .
- j. Any provision in the Franchise Agreement which requires a franchisee to consent to a limitation of claims within one year has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law; accordingly, any such provision in the Franchise Disclosure Document or Franchise Agreement shall be amended to add the following: “notwithstanding anything to the contrary contained herein, franchisees subject to the North Dakota Franchise Investment Law shall not be required to consent to a limitation of claims within one year”.
